

COREY GOODE & DAVID WILCOCK
PARTNERS IN SLIME!

1
00:00:37,910 --> 00:00:00,709

[Music]

2
00:00:40,470 --> 00:00:37,920

greetings and salutations my friends

3
00:00:43,110 --> 00:00:40,480

and welcome back

4
00:00:45,750 --> 00:00:43,120

you have reached us

5
00:00:47,110 --> 00:00:45,760

at the midnight hour

6
00:00:54,869 --> 00:00:47,120

here

7
00:00:57,830 --> 00:00:54,879

available on the fringe fm

8
00:01:00,310 --> 00:00:57,840

my name is stephen campion and tonight i

9
00:01:01,430 --> 00:01:00,320

will be your guide

10
00:01:03,110 --> 00:01:01,440

into

11
00:01:04,869 --> 00:01:03,120

this journey

12
00:01:07,750 --> 00:01:04,879

that we

13
00:01:10,710 --> 00:01:07,760

shall take together

14

00:01:13,750 --> 00:01:10,720

i can think of no better place and no

15

00:01:15,109 --> 00:01:13,760

better time and no better

16

00:01:17,590 --> 00:01:15,119

people

17

00:01:19,429 --> 00:01:17,600

that i would wish to have with me

18

00:01:21,270 --> 00:01:19,439

for this journey

19

00:01:23,910 --> 00:01:21,280

than all of you

20

00:01:28,710 --> 00:01:23,920

gathered here with me

21

00:01:30,390 --> 00:01:28,720

who have tuned in to take this journey

22

00:01:33,510 --> 00:01:30,400

with me

23

00:01:35,109 --> 00:01:33,520

now when i began this journey i decided

24

00:01:37,510 --> 00:01:35,119

that i would share

25

00:01:40,630 --> 00:01:37,520

my journey

26

00:01:41,830 --> 00:01:40,640

and my investigations into

27

00:01:45,270 --> 00:01:41,840

these

28

00:01:48,389 --> 00:01:45,280

paranormal and strange phenomenon

29

00:01:49,990 --> 00:01:48,399

and since then more and more people

30

00:01:51,270 --> 00:01:50,000

have tuned in

31

00:01:54,789 --> 00:01:51,280

to hear

32

00:01:56,630 --> 00:01:54,799

what i've been up to

33

00:01:59,380 --> 00:01:56,640

and i've got to say

34

00:02:00,870 --> 00:01:59,390

that it has been an incredible journey

35

00:02:03,270 --> 00:02:00,880

[Music]

36

00:02:06,310 --> 00:02:03,280

and in our last episode i said the

37

00:02:09,270 --> 00:02:06,320

journey is its own reward

38

00:02:12,949 --> 00:02:09,280

and i truly believe that

39

00:02:16,790 --> 00:02:12,959

but lately i suppose things have changed

40

00:02:19,990 --> 00:02:16,800

as my show has grown and as my reach has

41

00:02:22,630 --> 00:02:20,000

grown as my base of listeners and

42

00:02:24,070 --> 00:02:22,640

supporters has grown

43

00:02:25,830 --> 00:02:24,080

so has

44

00:02:32,470 --> 00:02:25,840

the drama

45

00:02:33,670 --> 00:02:32,480

telling the truth

46

00:02:37,509 --> 00:02:33,680

you know

47

00:02:40,390 --> 00:02:37,519

a very wise man george orwell once said

48

00:02:42,830 --> 00:02:40,400

that during times of universal deceit

49

00:02:46,470 --> 00:02:42,840

telling the truth becomes a

50

00:02:51,750 --> 00:02:49,110

i gotta believe that folks

51
00:02:54,790 --> 00:02:51,760
because all i have done

52
00:02:58,550 --> 00:02:54,800
is investigate these things and told the

53
00:03:00,070 --> 00:02:58,560
truth with facts and evidence

54
00:03:02,949 --> 00:03:00,080
and some people

55
00:03:05,910 --> 00:03:02,959
really don't like that folks

56
00:03:09,270 --> 00:03:05,920
in fact some people

57
00:03:10,630 --> 00:03:09,280
seem to be willing to go to any lengths

58
00:03:14,869 --> 00:03:10,640
to keep me

59
00:03:20,229 --> 00:03:17,830
you see my friends there are some people

60
00:03:23,110 --> 00:03:20,239
out there in the world among us

61
00:03:26,869 --> 00:03:23,120
who have not held a real job

62
00:03:28,470 --> 00:03:26,879
for years and years and years

63
00:03:30,229 --> 00:03:28,480

in fact

64

00:03:33,509 --> 00:03:30,239

some of these people

65

00:03:34,550 --> 00:03:33,519

have made their life

66

00:03:37,430 --> 00:03:34,560

into

67

00:03:40,309 --> 00:03:37,440

a long con game

68

00:03:41,670 --> 00:03:40,319

and their con game revolves around

69

00:03:43,030 --> 00:03:41,680

giving

70

00:03:46,869 --> 00:03:43,040

people

71

00:03:49,589 --> 00:03:46,879

hope

72

00:03:51,589 --> 00:03:49,599

their con game revolves around

73

00:03:54,550 --> 00:03:51,599

telling fairy tales

74

00:03:55,910 --> 00:03:54,560

and fake stories

75

00:03:58,229 --> 00:03:55,920

usually

76

00:04:01,750 --> 00:03:58,239

these less than scrupulous less than

77

00:04:03,350 --> 00:04:01,760

ethical people have zero proof

78

00:04:05,589 --> 00:04:03,360

zero evidence

79

00:04:06,630 --> 00:04:05,599

zero documentation

80

00:04:07,910 --> 00:04:06,640

to prove

81

00:04:11,190 --> 00:04:07,920

anything

82

00:04:16,629 --> 00:04:14,390

oh they might sell books and dvds

83

00:04:19,509 --> 00:04:16,639

and appear at ufo conferences or

84

00:04:20,870 --> 00:04:19,519

paranormal conferences or

85

00:04:22,710 --> 00:04:20,880

consciousness

86

00:04:28,550 --> 00:04:22,720

conferences

87

00:04:31,510 --> 00:04:28,560

but their business really is

88

00:04:34,550 --> 00:04:31,520

selling fairy tales

89

00:04:36,710 --> 00:04:34,560

they have no proof of anything they say

90

00:04:38,390 --> 00:04:36,720

and worse yet

91

00:04:40,790 --> 00:04:38,400

a lot of them

92

00:04:42,550 --> 00:04:40,800

if you start to dig in

93

00:04:46,469 --> 00:04:42,560

to their stories

94

00:04:50,310 --> 00:04:46,479

their stories are very very easily

95

00:04:54,150 --> 00:04:50,320

proven to be fake and fraudulent

96

00:04:58,629 --> 00:04:55,990

but you have to remember that these

97

00:04:58,880 --> 00:04:58,639

people have made a career out of doing

98

00:05:00,950 --> 00:04:58,890

this

99

00:05:03,830 --> 00:05:00,960

[Music]

100

00:05:05,270 --> 00:05:03,840

and once they enter that game

101
00:05:08,150 --> 00:05:05,280

[Music]

102
00:05:10,469 --> 00:05:08,160

which i suppose comes with easy money

103
00:05:12,310 --> 00:05:10,479

because you don't need to hold a 40 hour

104
00:05:14,390 --> 00:05:12,320

a week real job

105
00:05:15,990 --> 00:05:14,400

you just need to show up at a conference

106
00:05:17,670 --> 00:05:16,000

every once in a while and tell your

107
00:05:19,430 --> 00:05:17,680

stories

108
00:05:20,950 --> 00:05:19,440

your fairy tales

109
00:05:22,310 --> 00:05:20,960

you don't have to offer any proof you

110
00:05:24,469 --> 00:05:22,320

don't have to offer any evidence you

111
00:05:26,310 --> 00:05:24,479

don't have to do any research

112
00:05:29,029 --> 00:05:26,320

you can just make up a bunch of fairy

113
00:05:33,749 --> 00:05:31,749

and go on and make money

114

00:05:36,550 --> 00:05:33,759

selling those fairy tales

115

00:05:39,029 --> 00:05:36,560

with no proof no evidence no backup no

116

00:05:41,510 --> 00:05:39,039

corroboration

117

00:05:44,870 --> 00:05:41,520

and i think

118

00:05:47,350 --> 00:05:44,880

that what happens is these people

119

00:05:50,390 --> 00:05:47,360

once they're in the game

120

00:05:52,950 --> 00:05:50,400

they're in the game for good

121

00:05:54,870 --> 00:05:52,960

i mean imagine

122

00:05:57,189 --> 00:05:54,880

some of you may have had

123

00:05:59,189 --> 00:05:57,199

some terrible jobs maybe you worked

124

00:06:01,909 --> 00:05:59,199

retail and that's a terror i've done

125

00:06:05,110 --> 00:06:01,919

that that's a terrible job

126

00:06:07,430 --> 00:06:05,120

maybe you have had a physical labor job

127

00:06:10,469 --> 00:06:07,440

that was very taxing on your body and

128

00:06:12,710 --> 00:06:10,479

difficult to do for eight hours a day

129

00:06:18,070 --> 00:06:12,720

for a very small paycheck

130

00:06:23,909 --> 00:06:20,629

maybe you had a job sitting in an office

131

00:06:26,790 --> 00:06:23,919

cubicle doing data entry or some other

132

00:06:30,390 --> 00:06:26,800

office kind of mindless work

133

00:06:33,029 --> 00:06:30,400

sitting in a cubicle for eight or more

134

00:06:35,909 --> 00:06:33,039

hours a day

135

00:06:38,550 --> 00:06:35,919

it's a sad state of existence to do that

136

00:06:41,029 --> 00:06:38,560

for 40 hours a week folks

137

00:06:43,189 --> 00:06:41,039

and these con men

138

00:06:45,749 --> 00:06:43,199

running their long con

139

00:06:47,749 --> 00:06:45,759

have figured a way out of that they

140

00:06:50,550 --> 00:06:47,759

don't need to go to some job where they

141

00:06:53,110 --> 00:06:50,560

have to suffer all week long to make a

142

00:06:55,430 --> 00:06:53,120

very small paycheck

143

00:06:58,390 --> 00:06:55,440

they figured out a way to get around

144

00:07:02,070 --> 00:06:59,510

and these

145

00:07:03,749 --> 00:07:02,080

less than ethical

146

00:07:07,740 --> 00:07:03,759

people

147

00:07:09,510 --> 00:07:07,750

whatsoever

148

00:07:10,790 --> 00:07:09,520

[Music]

149

00:07:13,909 --> 00:07:10,800

they're not gonna

150

00:07:15,350 --> 00:07:13,919

simply quit the con game

151
00:07:17,430 --> 00:07:15,360
and go back

152
00:07:21,110 --> 00:07:17,440
to a 40 hour a week

153
00:07:23,749 --> 00:07:21,120
grinding job that they don't enjoy

154
00:07:26,950 --> 00:07:23,759
i mean let's face it folks most people

155
00:07:29,270 --> 00:07:26,960
do not enjoy their 40 hour a week day

156
00:07:31,189 --> 00:07:29,280
job

157
00:07:33,270 --> 00:07:31,199
the few people that do are very

158
00:07:35,670 --> 00:07:33,280
fortunate i have to say that

159
00:07:37,430 --> 00:07:35,680
i know some people that really do enjoy

160
00:07:38,469 --> 00:07:37,440
their jobs but most of the people that i

161
00:07:40,469 --> 00:07:38,479
know

162
00:07:43,029 --> 00:07:40,479
it's just a means to an end a way to

163
00:07:44,869 --> 00:07:43,039

provide for your family to keep a roof

164

00:07:47,029 --> 00:07:44,879

over your head to keep food in your

165

00:07:49,430 --> 00:07:47,039

mouth

166

00:07:52,150 --> 00:07:49,440

these con men

167

00:07:54,390 --> 00:07:52,160

they found a way out folks

168

00:07:56,830 --> 00:07:54,400

they found salvation

169

00:07:58,710 --> 00:07:56,840

in the form of a

170

00:08:00,309 --> 00:07:58,720

khan

171

00:08:02,230 --> 00:08:00,319

some of them

172

00:08:04,309 --> 00:08:02,240

decide that they are

173

00:08:05,670 --> 00:08:04,319

some kind of psychic

174

00:08:07,589 --> 00:08:05,680

right

175

00:08:09,189 --> 00:08:07,599

and they're going to tell you what's

176
00:08:10,790 --> 00:08:09,199
going to happen

177
00:08:12,710 --> 00:08:10,800
in your future

178
00:08:18,950 --> 00:08:12,720
in your near future

179
00:08:23,909 --> 00:08:21,110
but the funny thing is

180
00:08:24,830 --> 00:08:23,919
if you track some of these fake

181
00:08:26,869 --> 00:08:24,840
fraud

182
00:08:29,029 --> 00:08:26,879
psychics running around on the

183
00:08:31,830 --> 00:08:29,039
conference circuit selling books and

184
00:08:34,630 --> 00:08:31,840
videos and dvds acting like they're some

185
00:08:35,750 --> 00:08:34,640
kind of authority on the future

186
00:08:38,070 --> 00:08:35,760
well

187
00:08:41,029 --> 00:08:38,080
my friends you will be sorely

188
00:08:42,389 --> 00:08:41,039

disappointed in the actual results that

189

00:08:47,030 --> 00:08:42,399

they get

190

00:08:52,710 --> 00:08:49,509

and one man

191

00:08:54,710 --> 00:08:52,720

who has been in the long con probably

192

00:08:56,630 --> 00:08:54,720

longer than anyone

193

00:09:00,470 --> 00:08:56,640

is none other

194

00:09:05,350 --> 00:09:00,480

than fake psychic extraordinaire

195

00:09:08,870 --> 00:09:07,430

david wilcock

196

00:09:11,030 --> 00:09:08,880

who's also

197

00:09:14,070 --> 00:09:11,040

channeled raw

198

00:09:16,230 --> 00:09:14,080

made a ton of 2012 predictions none of

199

00:09:18,949 --> 00:09:16,240

which came true

200

00:09:22,550 --> 00:09:18,959

and let's not forget he also claims that

201
00:09:26,389 --> 00:09:22,560
he is edgar casey reincarnated

202
00:09:29,190 --> 00:09:26,399
based solely on some resemblance

203
00:09:31,670 --> 00:09:29,200
and this david wilcock

204
00:09:32,949 --> 00:09:31,680
is the idiot

205
00:09:35,750 --> 00:09:32,959
or

206
00:09:37,910 --> 00:09:35,760
con man there's only two choices

207
00:09:39,670 --> 00:09:37,920
with what i'm about to share with you as

208
00:09:41,509 --> 00:09:39,680
far as david wilcock

209
00:09:44,470 --> 00:09:41,519
either david wilcock

210
00:09:47,110 --> 00:09:44,480
is the world's worst psychic and world's

211
00:09:49,269 --> 00:09:47,120
worst researcher

212
00:09:51,590 --> 00:09:49,279
or he's a con man

213
00:09:54,150 --> 00:09:51,600

a straight up con man

214

00:09:56,470 --> 00:09:54,160

those are the only two choices

215

00:09:57,670 --> 00:09:56,480

because we have previously reported on

216

00:10:00,470 --> 00:09:57,680

this show

217

00:10:04,150 --> 00:10:00,480

about pete peterson

218

00:10:06,230 --> 00:10:04,160

pete peterson claimed to be an early

219

00:10:09,590 --> 00:10:06,240

computer pioneer

220

00:10:12,949 --> 00:10:09,600

who created a computer with his company

221

00:10:14,710 --> 00:10:12,959

that beat apple to market and beat tandy

222

00:10:21,030 --> 00:10:14,720

to market

223

00:10:22,310 --> 00:10:21,040

personal computer with an alphanumeric

224

00:10:24,389 --> 00:10:22,320

keyboard and

225

00:10:26,230 --> 00:10:24,399

all major companies bought that computer

226
00:10:27,670 --> 00:10:26,240
and all major universities bought that

227
00:10:30,310 --> 00:10:27,680
computer

228
00:10:31,670 --> 00:10:30,320
but we busted him as a complete total

229
00:10:32,949 --> 00:10:31,680
fraud folks

230
00:10:34,790 --> 00:10:32,959
we called

231
00:10:37,190 --> 00:10:34,800
vintage computer

232
00:10:38,470 --> 00:10:37,200
museums nobody ever heard of pete

233
00:10:41,430 --> 00:10:38,480
peterson

234
00:10:43,269 --> 00:10:41,440
his fake computer company or his fake

235
00:10:44,630 --> 00:10:43,279
computer that he says every major

236
00:10:47,030 --> 00:10:44,640
university

237
00:10:50,150 --> 00:10:47,040
and every major company bought we called

238
00:10:52,630 --> 00:10:50,160

universities nobody ever heard of him or

239

00:10:55,110 --> 00:10:52,640

his computer

240

00:10:57,829 --> 00:10:55,120

and it's important to realize why do i

241

00:10:59,590 --> 00:10:57,839

keep harping on pete peterson and it is

242

00:11:01,430 --> 00:10:59,600

because

243

00:11:04,230 --> 00:11:01,440

david wilcock

244

00:11:07,269 --> 00:11:04,240

has claimed over and over again that

245

00:11:09,110 --> 00:11:07,279

pete peterson is and has been his number

246

00:11:10,630 --> 00:11:09,120

one source

247

00:11:11,990 --> 00:11:10,640

he claimed he was a government

248

00:11:14,630 --> 00:11:12,000

whistleblower

249

00:11:16,470 --> 00:11:14,640

folks we went through pete peterson's

250

00:11:18,790 --> 00:11:16,480

biography

251

00:11:22,230 --> 00:11:18,800

line by line and proved that almost

252

00:11:25,190 --> 00:11:22,240

every word in his biography was a

253

00:11:27,590 --> 00:11:25,200

complete and total fabrication

254

00:11:30,310 --> 00:11:27,600

nothing in pete peterson's biography

255

00:11:33,110 --> 00:11:31,509

this man

256

00:11:35,509 --> 00:11:33,120

claimed that he worked for the russian

257

00:11:38,230 --> 00:11:35,519

equivalent of nasa we checked into that

258

00:11:41,350 --> 00:11:38,240

very thoroughly he never did folks he

259

00:11:44,389 --> 00:11:41,360

never did he claimed that he won the

260

00:11:46,550 --> 00:11:44,399

order of lenin award which is kind of

261

00:11:49,190 --> 00:11:46,560

like the highest

262

00:11:50,629 --> 00:11:49,200

russian civilian award that they could

263

00:11:52,870 --> 00:11:50,639

give

264

00:11:54,870 --> 00:11:52,880

no folks there's a list of everyone

265

00:11:56,629 --> 00:11:54,880

who's won that award and pete peterson

266

00:11:58,550 --> 00:11:56,639

was not on the list we talked to a

267

00:12:01,110 --> 00:11:58,560

russian historian

268

00:12:04,310 --> 00:12:01,120

line by line piece by piece we

269

00:12:06,550 --> 00:12:04,320

disassembled the fake narrative that

270

00:12:09,430 --> 00:12:06,560

david wilcock has been pushing about his

271

00:12:11,990 --> 00:12:09,440

so-called number one whistleblower

272

00:12:14,870 --> 00:12:12,000

for years and years he's been saying

273

00:12:17,190 --> 00:12:14,880

this is my number one whistleblower

274

00:12:18,949 --> 00:12:17,200

and i gotta tell you folks

275

00:12:20,949 --> 00:12:18,959

if that's his number one whistleblower

276

00:12:23,430 --> 00:12:20,959

then there's only two choices either

277

00:12:25,430 --> 00:12:23,440

he's the world's worst fake psychic

278

00:12:27,190 --> 00:12:25,440

and researcher

279

00:12:29,590 --> 00:12:27,200

or he's a con man

280

00:12:31,190 --> 00:12:29,600

because anybody with a telephone could

281

00:12:34,150 --> 00:12:31,200

have picked up the phone

282

00:12:35,750 --> 00:12:34,160

and went over pete peterson's

283

00:12:39,190 --> 00:12:35,760

so-called

284

00:12:41,590 --> 00:12:39,200

grandiose claims in his biography and

285

00:12:43,670 --> 00:12:41,600

proven that they were all lies they were

286

00:12:46,389 --> 00:12:43,680

all lies folks

287

00:12:47,990 --> 00:12:46,399

and we did that quite some time ago

288

00:12:50,230 --> 00:12:48,000

and since then

289

00:12:53,509 --> 00:12:50,240

david wilcock has appeared with his

290

00:12:56,310 --> 00:12:53,519

partner in crime corey goode on uh

291

00:12:57,910 --> 00:12:56,320

some kind of uh you know reunion special

292

00:12:58,949 --> 00:12:57,920

that they hyped up

293

00:13:01,509 --> 00:12:58,959

and

294

00:13:04,310 --> 00:13:01,519

cited once again pete peterson as a

295

00:13:05,750 --> 00:13:04,320

source for what he was talking about

296

00:13:06,949 --> 00:13:05,760

and i said it before and i'm going to

297

00:13:08,470 --> 00:13:06,959

say it again

298

00:13:11,269 --> 00:13:08,480

every time

299

00:13:13,829 --> 00:13:11,279

this con man david wilcock

300

00:13:15,910 --> 00:13:13,839

says pete peterson is my source on this

301
00:13:18,710 --> 00:13:15,920
i'm going to be right behind you david

302
00:13:20,310 --> 00:13:18,720
reminding people that we have already

303
00:13:24,150 --> 00:13:20,320
deconstructed

304
00:13:27,110 --> 00:13:24,160
the fabricated lies that you and pete

305
00:13:30,470 --> 00:13:27,120
peterson constructed to try to sell

306
00:13:32,790 --> 00:13:30,480
your books your dvds or whatever you're

307
00:13:35,829 --> 00:13:32,800
selling and of course you're very

308
00:13:38,389 --> 00:13:35,839
lucrative speaking fees at conferences

309
00:13:40,790 --> 00:13:38,399
to tell these fairy tale lies

310
00:13:43,350 --> 00:13:40,800
based on your number one source

311
00:13:47,110 --> 00:13:43,360
pete peterson who is a complete and

312
00:13:49,189 --> 00:13:47,120
total fraud line by line david we went

313
00:13:51,110 --> 00:13:49,199

through that biography

314

00:13:53,110 --> 00:13:51,120

and line by line we proved that

315

00:13:55,430 --> 00:13:53,120

everything in that biography was a

316

00:13:58,069 --> 00:13:55,440

fabrication and a lie

317

00:13:59,829 --> 00:13:58,079

that's your number one source

318

00:14:02,150 --> 00:13:59,839

and i gotta say this and this is very

319

00:14:04,790 --> 00:14:02,160

important it's one thing if you're

320

00:14:07,829 --> 00:14:04,800

interviewing a guy and he goes fast and

321

00:14:09,829 --> 00:14:07,839

loose with the facts on the fly

322

00:14:11,509 --> 00:14:09,839

but we're talking about a written

323

00:14:13,670 --> 00:14:11,519

biography

324

00:14:15,910 --> 00:14:13,680

that we went through

325

00:14:19,509 --> 00:14:15,920

ripped it apart and deconstructed that

326

00:14:21,829 --> 00:14:19,519

everything in the written biography

327

00:14:24,790 --> 00:14:21,839

that pete peterson was claiming as you

328

00:14:27,509 --> 00:14:24,800

know an accolade or an accomplishment

329

00:14:29,670 --> 00:14:27,519

was a complete and total lie

330

00:14:31,590 --> 00:14:29,680

so what are the chances folks

331

00:14:33,910 --> 00:14:31,600

what are the chances that

332

00:14:36,550 --> 00:14:33,920

david wilcox number one source really

333

00:14:39,110 --> 00:14:36,560

worked on top secret projects

334

00:14:40,949 --> 00:14:39,120

if he never created this computer

335

00:14:44,389 --> 00:14:40,959

if he never worked for the russian

336

00:14:47,030 --> 00:14:44,399

equivalent of nasa if he never won the

337

00:14:50,790 --> 00:14:47,040

russian order of lenin award if

338

00:14:53,350 --> 00:14:50,800

everything in his biography that he has

339

00:14:55,670 --> 00:14:53,360

written and supplied to people

340

00:14:57,269 --> 00:14:55,680

is a complete and total fraud what are

341

00:14:59,509 --> 00:14:57,279

the chances then

342

00:15:02,069 --> 00:14:59,519

that he really was a government insider

343

00:15:03,590 --> 00:15:02,079

and a government whistleblower

344

00:15:04,470 --> 00:15:03,600

if he lied

345

00:15:06,470 --> 00:15:04,480

you know

346

00:15:07,509 --> 00:15:06,480

10 times 15 times i don't know how many

347

00:15:09,670 --> 00:15:07,519

times

348

00:15:12,389 --> 00:15:09,680

in his biography

349

00:15:14,230 --> 00:15:12,399

what are the chances you tell the truth

350

00:15:16,310 --> 00:15:14,240

about all the stories that he's feeding

351

00:15:18,870 --> 00:15:16,320

david wilcock or that david wilcock is

352

00:15:20,550 --> 00:15:18,880

claiming are coming from pete peterson

353

00:15:23,350 --> 00:15:20,560

you also have to remember that this is a

354

00:15:24,470 --> 00:15:23,360

senile old man at this point

355

00:15:27,189 --> 00:15:24,480

so

356

00:15:29,430 --> 00:15:27,199

it may simply be and this is speculation

357

00:15:31,189 --> 00:15:29,440

i'll freely admit it that david wilcock

358

00:15:34,069 --> 00:15:31,199

is just making up stories and

359

00:15:35,829 --> 00:15:34,079

attributing them to his

360

00:15:37,189 --> 00:15:35,839

number one source

361

00:15:39,829 --> 00:15:37,199

pete peterson

362

00:15:42,389 --> 00:15:39,839

who happens to be a complete total fraud

363

00:15:44,870 --> 00:15:42,399

based on his fraudulent biography that

364

00:15:47,269 --> 00:15:44,880

is filled with fabrications

365

00:15:49,509 --> 00:15:47,279

that that's a possibility

366

00:15:50,629 --> 00:15:49,519

but it gets worse folks because david

367

00:15:54,230 --> 00:15:50,639

wilcock

368

00:15:55,749 --> 00:15:54,240

goes on his social media goes on another

369

00:15:57,189 --> 00:15:55,759

radio show

370

00:16:00,629 --> 00:15:57,199

and claims

371

00:16:02,710 --> 00:16:00,639

that the government is coming and

372

00:16:05,189 --> 00:16:02,720

stealing everything that pete peterson

373

00:16:07,430 --> 00:16:05,199

owns and all of his confidential files

374

00:16:09,110 --> 00:16:07,440

are going to be lost and all of this

375

00:16:10,310 --> 00:16:09,120

all these lies

376

00:16:12,470 --> 00:16:10,320

and then

377

00:16:15,509 --> 00:16:12,480

there's a gofundme

378

00:16:17,829 --> 00:16:15,519

to raise money for this poor government

379

00:16:19,670 --> 00:16:17,839

insider and david wilcox says this is

380

00:16:24,389 --> 00:16:19,680

happening right after he made his

381

00:16:26,389 --> 00:16:24,399

disclosures on my show cosmic disclosure

382

00:16:29,110 --> 00:16:26,399

folks it was a run-of-the-mill

383

00:16:31,350 --> 00:16:29,120

foreclosure that had been in progress

384

00:16:33,509 --> 00:16:31,360

for years and years

385

00:16:35,829 --> 00:16:33,519

this man's possessions were never in

386

00:16:38,629 --> 00:16:35,839

danger of being lost we proved that we

387

00:16:39,829 --> 00:16:38,639

spoke to the local police who refute

388

00:16:41,749 --> 00:16:39,839

everything

389

00:16:42,870 --> 00:16:41,759

that was written

390

00:16:45,430 --> 00:16:42,880

in that

391

00:16:47,110 --> 00:16:45,440

gofundme text soliciting people for

392

00:16:49,430 --> 00:16:47,120

donations

393

00:16:50,470 --> 00:16:49,440

so there's a real problem still with the

394

00:16:53,269 --> 00:16:50,480

gofundme

395

00:16:55,509 --> 00:16:53,279

now david wilcock has come out recently

396

00:16:59,110 --> 00:16:55,519

defending himself saying i gave all that

397

00:17:00,310 --> 00:16:59,120

money to pete peterson and

398

00:17:02,710 --> 00:17:00,320

listen

399

00:17:04,390 --> 00:17:02,720

david wilcox if you did

400

00:17:05,429 --> 00:17:04,400

really give all that money to pete

401
00:17:08,710 --> 00:17:05,439
peterson

402
00:17:10,949 --> 00:17:08,720
well that solves one problem for you

403
00:17:13,829 --> 00:17:10,959
but it does not solve

404
00:17:17,110 --> 00:17:13,839
the problem that the entire gofundme was

405
00:17:21,189 --> 00:17:17,120
based on fraudulent and fake information

406
00:17:22,390 --> 00:17:21,199
you cannot post a gofundme

407
00:17:25,189 --> 00:17:22,400
filled

408
00:17:27,270 --> 00:17:25,199
with lies and fabrications

409
00:17:30,150 --> 00:17:27,280
begging people for money based on those

410
00:17:31,350 --> 00:17:30,160
lies and fabrications and then keep the

411
00:17:33,510 --> 00:17:31,360
money

412
00:17:35,669 --> 00:17:33,520
you can't do that that's called fraud

413
00:17:37,909 --> 00:17:35,679

david wilcock

414

00:17:41,590 --> 00:17:37,919

and i gotta tell you

415

00:17:43,830 --> 00:17:41,600

david wilcock recently posted a rambling

416

00:17:45,990 --> 00:17:43,840

i don't know how many page oh my gosh

417

00:17:49,750 --> 00:17:46,000

folks he is the king of rambling

418

00:17:52,390 --> 00:17:49,760

nonsense this is the same guy who

419

00:17:54,549 --> 00:17:52,400

somehow leaked to the internet a 10-page

420

00:17:55,669 --> 00:17:54,559

resignation letter from gaia that was a

421

00:17:59,029 --> 00:17:55,679

rambling

422

00:18:02,150 --> 00:17:59,039

nonsensical mess of narcissistic

423

00:18:06,390 --> 00:18:02,950

so

424

00:18:08,470 --> 00:18:06,400

website

425

00:18:09,750 --> 00:18:08,480

and he discussed this pete peterson

426

00:18:12,230 --> 00:18:09,760

thing and the fact that people were

427

00:18:15,270 --> 00:18:12,240

accusing him of stealing the money

428

00:18:17,750 --> 00:18:15,280

now i gotta say that there are

429

00:18:20,710 --> 00:18:17,760

numerous people telling me

430

00:18:22,070 --> 00:18:20,720

that yes maybe david wilcock did give

431

00:18:24,230 --> 00:18:22,080

him the money but he didn't give him the

432

00:18:27,110 --> 00:18:24,240

money until recently

433

00:18:29,669 --> 00:18:27,120

so i would challenge david wilcock

434

00:18:32,630 --> 00:18:29,679

david wilcox claiming that oh he's he's

435

00:18:35,430 --> 00:18:32,640

got going to have pete peterson

436

00:18:37,590 --> 00:18:35,440

audio recorded saying yeah yeah david

437

00:18:39,830 --> 00:18:37,600

wilcock gave me the money

438

00:18:40,630 --> 00:18:39,840

everybody has heard for quite some time

439

00:18:41,590 --> 00:18:40,640

now

440

00:18:44,789 --> 00:18:41,600

that

441

00:18:47,350 --> 00:18:44,799

pete peterson either has alzheimer's or

442

00:18:51,190 --> 00:18:47,360

is suffering from dementia

443

00:18:53,510 --> 00:18:51,200

is somewhat mentally incapacitated and

444

00:18:55,909 --> 00:18:53,520

and by the way david wilcock this is a

445

00:18:57,029 --> 00:18:55,919

man who has participated in your con

446

00:18:59,669 --> 00:18:57,039

games

447

00:19:02,230 --> 00:18:59,679

so you getting an audio recording of him

448

00:19:03,909 --> 00:19:02,240

saying yeah david gave me the money

449

00:19:05,990 --> 00:19:03,919

i don't believe that that's sufficient

450

00:19:08,070 --> 00:19:06,000

proof for the community that you helped

451

00:19:11,270 --> 00:19:08,080

khan out of almost sixty thousand

452

00:19:13,350 --> 00:19:11,280

dollars for this fraudulent gofundme

453

00:19:15,909 --> 00:19:13,360

whether you gave him the money or not is

454

00:19:18,630 --> 00:19:15,919

only part of the issue the other part of

455

00:19:22,310 --> 00:19:18,640

the issue is that that gofundme was

456

00:19:24,789 --> 00:19:22,320

filled with fake fraudulent information

457

00:19:26,470 --> 00:19:24,799

much of which we have proven on my show

458

00:19:28,310 --> 00:19:26,480

here

459

00:19:30,710 --> 00:19:28,320

was a fabrication

460

00:19:31,909 --> 00:19:30,720

there was no police at his home there

461

00:19:35,270 --> 00:19:31,919

was no

462

00:19:38,390 --> 00:19:35,280

people with bulldozers going over his

463

00:19:40,150 --> 00:19:38,400

belongings and destroying it that never

464

00:19:43,029 --> 00:19:40,160

happened you

465

00:19:45,750 --> 00:19:43,039

or someone a mysterious person that no

466

00:19:48,230 --> 00:19:45,760

one can contact or get in touch with who

467

00:19:50,230 --> 00:19:48,240

posted the original gofundme

468

00:19:52,310 --> 00:19:50,240

posted all that information which you

469

00:19:53,590 --> 00:19:52,320

copy and pasted onto all your social

470

00:19:55,430 --> 00:19:53,600

media pages

471

00:19:58,390 --> 00:19:55,440

begging people to contribute to this

472

00:20:01,590 --> 00:20:00,870

whether or not you gave them money

473

00:20:05,750 --> 00:20:01,600

to

474

00:20:07,830 --> 00:20:05,760

is only part of the issue

475

00:20:11,590 --> 00:20:07,840

the other part of the issue is that the

476
00:20:13,590 --> 00:20:11,600
entire gofundme was based on fraudulent

477
00:20:16,390 --> 00:20:13,600
information

478
00:20:18,230 --> 00:20:16,400
david wilcock if i started gofundme and

479
00:20:19,669 --> 00:20:18,240
i say

480
00:20:22,710 --> 00:20:19,679
for example

481
00:20:25,270 --> 00:20:22,720
my house uh you know the roof of my

482
00:20:26,630 --> 00:20:25,280
house is collapsing and i need

483
00:20:28,710 --> 00:20:26,640
you know

484
00:20:30,950 --> 00:20:28,720
twenty thousand dollars to rebuild the

485
00:20:32,470 --> 00:20:30,960
roof on my home can you please

486
00:20:35,830 --> 00:20:32,480
contribute

487
00:20:38,070 --> 00:20:35,840
and then it turns out that my roof is

488
00:20:40,070 --> 00:20:38,080

fine and i just took that money

489

00:20:41,830 --> 00:20:40,080

and used it for other means

490

00:20:42,630 --> 00:20:41,840

that would be fraud

491

00:20:46,310 --> 00:20:42,640

so

492

00:20:47,110 --> 00:20:46,320

participating in a gofundme

493

00:20:49,110 --> 00:20:47,120

where

494

00:20:51,029 --> 00:20:49,120

all of the information

495

00:20:52,710 --> 00:20:51,039

asking for the money

496

00:20:55,270 --> 00:20:52,720

is lies

497

00:20:57,510 --> 00:20:55,280

is fraud david

498

00:20:59,990 --> 00:20:57,520

mr wilcock

499

00:21:01,510 --> 00:21:00,000

if you knowingly and willingly

500

00:21:03,750 --> 00:21:01,520

participated

501
00:21:06,470 --> 00:21:03,760
in a fraud here

502
00:21:09,110 --> 00:21:06,480
it doesn't matter who got the money it

503
00:21:12,470 --> 00:21:09,120
doesn't matter where the money went what

504
00:21:15,990 --> 00:21:12,480
matters is that the gofundme was based

505
00:21:17,350 --> 00:21:16,000
on fraudulent lies and non-factual

506
00:21:21,669 --> 00:21:17,360
information

507
00:21:24,070 --> 00:21:21,679
begging people to contribute to a lie

508
00:21:26,070 --> 00:21:24,080
that mr wilcock

509
00:21:26,520 --> 00:21:26,080
is fraud

510
00:21:27,990 --> 00:21:26,530
so

511
00:21:30,470 --> 00:21:28,000
[Music]

512
00:21:32,789 --> 00:21:30,480
david wilcox sort of addresses well i

513
00:21:34,470 --> 00:21:32,799

gave the money to pete peterson

514

00:21:36,630 --> 00:21:34,480

but he's still claiming that pete

515

00:21:38,149 --> 00:21:36,640

peterson

516

00:21:39,909 --> 00:21:38,159

all the things in the gofundme were

517

00:21:43,110 --> 00:21:39,919

factual we proved that they were not

518

00:21:45,110 --> 00:21:43,120

factual and david i have citable sources

519

00:21:46,950 --> 00:21:45,120

i wrote down the names of the local law

520

00:21:51,029 --> 00:21:46,960

enforcement that i talked to

521

00:21:52,870 --> 00:21:51,039

i spoke to people in the local legal

522

00:21:54,630 --> 00:21:52,880

departments

523

00:21:57,270 --> 00:21:54,640

about the

524

00:21:59,029 --> 00:21:57,280

all of the foreclosure

525

00:22:00,789 --> 00:21:59,039

things that were going on

526
00:22:04,070 --> 00:22:00,799
with that property

527
00:22:07,270 --> 00:22:04,080
i have citable sources

528
00:22:08,630 --> 00:22:07,280
i have verifiable sources that any other

529
00:22:09,990 --> 00:22:08,640
researcher

530
00:22:12,950 --> 00:22:10,000
or anyone

531
00:22:15,510 --> 00:22:12,960
can go and check that what i have said

532
00:22:16,789 --> 00:22:15,520
and reported is completely and totally

533
00:22:18,789 --> 00:22:16,799
factual

534
00:22:20,310 --> 00:22:18,799
now in order to get out of this

535
00:22:21,909 --> 00:22:20,320
david wilcock

536
00:22:22,870 --> 00:22:21,919
you're gonna have to prove that i'm

537
00:22:24,549 --> 00:22:22,880
wrong

538
00:22:27,190 --> 00:22:24,559

you're gonna have to prove that

539

00:22:30,310 --> 00:22:27,200

everything in that gofundme text

540

00:22:32,230 --> 00:22:30,320

begging people to contribute money was

541

00:22:34,630 --> 00:22:32,240

factually correct

542

00:22:38,070 --> 00:22:34,640

and if you can't do that

543

00:22:39,909 --> 00:22:38,080

mr wilcock then you're busted

544

00:22:42,310 --> 00:22:39,919

and i believe that there's no way on

545

00:22:44,149 --> 00:22:42,320

god's green earth based on the research

546

00:22:46,230 --> 00:22:44,159

that i've done

547

00:22:48,630 --> 00:22:46,240

that you can do that

548

00:22:49,830 --> 00:22:48,640

so i'm confident in saying

549

00:22:58,789 --> 00:22:49,840

that

550

00:23:03,510 --> 00:22:58,799

contribute was a lie and a fabrication

551

00:23:06,149 --> 00:23:03,520

and that mr wilcock is a crime

552

00:23:08,230 --> 00:23:06,159

and so here is an excerpt from his

553

00:23:10,149 --> 00:23:08,240

i don't know

554

00:23:11,669 --> 00:23:10,159

this guy like wrote a book and called it

555

00:23:14,070 --> 00:23:11,679

a blog post

556

00:23:16,230 --> 00:23:14,080

because that's what he does he rambles

557

00:23:18,230 --> 00:23:16,240

and throws together so much disconnected

558

00:23:20,310 --> 00:23:18,240

nonsense hoping that something will

559

00:23:22,789 --> 00:23:20,320

stick with somebody reading it and

560

00:23:27,190 --> 00:23:22,799

resonate with them i guess that's

561

00:23:29,270 --> 00:23:27,200

what he does that's kind of his mo

562

00:23:30,470 --> 00:23:29,280

and under the heading oh yeah he stole

563

00:23:32,549 --> 00:23:30,480

the money

564

00:23:35,110 --> 00:23:32,559

one of the most ridiculous themes in

565

00:23:37,029 --> 00:23:35,120

this hate genre is the idea that i stole

566

00:23:39,430 --> 00:23:37,039

pete peterson's fundraiser money from

567

00:23:41,750 --> 00:23:39,440

two years ago

568

00:23:43,350 --> 00:23:41,760

and this is him writing this of course

569

00:23:45,190 --> 00:23:43,360

they have talked about this so much

570

00:23:47,029 --> 00:23:45,200

after digging around for evidence that

571

00:23:49,190 --> 00:23:47,039

they were absolutely convinced this

572

00:23:51,350 --> 00:23:49,200

fantasy must be true

573

00:23:53,269 --> 00:23:51,360

pete has been the number one

574

00:23:55,909 --> 00:23:53,279

whistleblower teaching us about the

575

00:23:58,390 --> 00:23:55,919

alliance all these years dating back to

576

00:24:00,390 --> 00:23:58,400
when we met in 2009

577

00:24:02,870 --> 00:24:00,400
now i have to stop here

578

00:24:04,470 --> 00:24:02,880
because again i'm gonna just keep

579

00:24:06,549 --> 00:24:04,480
hammering this

580

00:24:08,390 --> 00:24:06,559
this is david wilcox saying pete

581

00:24:10,070 --> 00:24:08,400
peterson has been the number one

582

00:24:12,950 --> 00:24:10,080
whistleblower teaching us about the

583

00:24:15,430 --> 00:24:12,960
alliance all these years

584

00:24:20,950 --> 00:24:15,440
pete peterson

585

00:24:24,390 --> 00:24:20,960
complete and total fraud and a liar and

586

00:24:27,430 --> 00:24:24,400
that everything in his written biography

587

00:24:29,269 --> 00:24:27,440
is a lie and a fabrication

588

00:24:31,590 --> 00:24:29,279

and not true

589

00:24:33,190 --> 00:24:31,600

so how how could pete peterson be the

590

00:24:35,430 --> 00:24:33,200

number one whistleblower teaching us

591

00:24:37,669 --> 00:24:35,440

about the alliance all these years

592

00:24:40,390 --> 00:24:37,679

when everything in his biography is

593

00:24:42,070 --> 00:24:40,400

completely and totally a fabrication and

594

00:24:43,590 --> 00:24:42,080

a lie

595

00:24:45,110 --> 00:24:43,600

that's what david wilcock is going to

596

00:24:46,870 --> 00:24:45,120

he's going to stick to his guns david

597

00:24:48,710 --> 00:24:46,880

welcome

598

00:24:51,110 --> 00:24:48,720

and here's the next

599

00:24:52,710 --> 00:24:51,120

bit of his rant

600

00:24:55,269 --> 00:24:52,720

pete's house had been illegally

601
00:24:57,830 --> 00:24:55,279
foreclosed upon after a crazy multi-year

602
00:25:01,430 --> 00:24:57,840
legal battle with four

603
00:25:03,350 --> 00:25:01,440
with the four bank bureaucracy

604
00:25:05,350 --> 00:25:03,360
and then he says all his worldly

605
00:25:08,149 --> 00:25:05,360
possessions were then illegally seized

606
00:25:10,789 --> 00:25:08,159
and thrown in the dump no folks we

607
00:25:12,870 --> 00:25:10,799
proved that that never happened

608
00:25:16,310 --> 00:25:12,880
that never happened

609
00:25:17,430 --> 00:25:16,320
pete peterson was given four writs of

610
00:25:19,990 --> 00:25:17,440
eviction

611
00:25:21,510 --> 00:25:20,000
four times someone served pete peterson

612
00:25:24,630 --> 00:25:21,520
with paper saying

613
00:25:26,870 --> 00:25:24,640

you have to vacate your belongings he

614

00:25:28,710 --> 00:25:26,880

wasn't living there at the time so hey

615

00:25:30,950 --> 00:25:28,720

you have to get your stuff out of that

616

00:25:33,269 --> 00:25:30,960

premise it's going to be sold at auction

617

00:25:35,830 --> 00:25:33,279

you have to get your belongings out of

618

00:25:37,269 --> 00:25:35,840

that residence you do not have any legal

619

00:25:39,669 --> 00:25:37,279

right

620

00:25:40,549 --> 00:25:39,679

to that residence it's being foreclosed

621

00:25:48,470 --> 00:25:40,559

on

622

00:25:50,630 --> 00:25:48,480

and if you fail to do so we're going to

623

00:25:52,470 --> 00:25:50,640

put your possessions in storage where

624

00:25:55,510 --> 00:25:52,480

you can pick them up from a storage

625

00:25:58,470 --> 00:25:55,520

facility but you may have to pay storage

626
00:26:00,710 --> 00:25:58,480
he always had the legal right to get his

627
00:26:01,590 --> 00:26:00,720
belongings he was given

628
00:26:04,230 --> 00:26:01,600
four

629
00:26:07,590 --> 00:26:04,240
notices to get his belongings out of

630
00:26:10,870 --> 00:26:07,600
this residence it's all alive folks it's

631
00:26:13,990 --> 00:26:10,880
all lies this pete peterson

632
00:26:16,870 --> 00:26:14,000
and david wilcock are straight out lying

633
00:26:18,710 --> 00:26:16,880
and i have to say that david wilcock is

634
00:26:21,350 --> 00:26:18,720
stupid enough

635
00:26:24,549 --> 00:26:21,360
i can't believe when i read that he was

636
00:26:26,230 --> 00:26:24,559
stupid enough to put this on a public

637
00:26:27,830 --> 00:26:26,240
blog again i'm going to read it to you

638
00:26:29,909 --> 00:26:27,840

pete's house had been illegally

639

00:26:33,029 --> 00:26:29,919

foreclosed upon

640

00:26:36,310 --> 00:26:33,039

after a crazy multi-year legal battle

641

00:26:37,830 --> 00:26:36,320

with big four bank bureaucracy

642

00:26:40,630 --> 00:26:37,840

all of his worldly possessions were then

643

00:26:42,630 --> 00:26:40,640

illegally seized and thrown in the dump

644

00:26:44,950 --> 00:26:42,640

folks anybody can get the legal

645

00:26:47,590 --> 00:26:44,960

foreclosure documents and see

646

00:26:50,710 --> 00:26:47,600

nothing that happened to pete peterson

647

00:26:52,789 --> 00:26:50,720

was done illegally it was all very legal

648

00:26:55,029 --> 00:26:52,799

and he was given more than adequate

649

00:26:56,710 --> 00:26:55,039

notice that he had to get his belongings

650

00:26:57,590 --> 00:26:56,720

out of that residence

651
00:26:59,590 --> 00:26:57,600
this

652
00:27:02,149 --> 00:26:59,600
is all lies folks and the fact that

653
00:27:05,110 --> 00:27:02,159
david wilcock is stupid enough

654
00:27:07,590 --> 00:27:05,120
absolutely stupid enough to put that in

655
00:27:09,430 --> 00:27:07,600
writing on a public blog

656
00:27:10,549 --> 00:27:09,440
makes me think that he really is an

657
00:27:12,310 --> 00:27:10,559
idiot

658
00:27:15,350 --> 00:27:12,320
because

659
00:27:18,830 --> 00:27:15,360
it's it's totally

660
00:27:21,590 --> 00:27:18,840
kind of doubling down on the gofundme

661
00:27:23,750 --> 00:27:21,600
scam which we've proven everything in

662
00:27:25,510 --> 00:27:23,760
the gofundme

663
00:27:27,510 --> 00:27:25,520

fundraiser text

664

00:27:29,430 --> 00:27:27,520

begging for this money

665

00:27:30,950 --> 00:27:29,440

had the same sort of narrative that oh

666

00:27:32,310 --> 00:27:30,960

pete peterson is going to lose all his

667

00:27:35,269 --> 00:27:32,320

possessions they're illegally

668

00:27:37,750 --> 00:27:35,279

confiscating is no no folks nothing was

669

00:27:40,789 --> 00:27:37,760

done illegally it was all very very

670

00:27:42,789 --> 00:27:40,799

legal there's paperwork documents

671

00:27:44,389 --> 00:27:42,799

proving that everything that happened

672

00:27:47,269 --> 00:27:44,399

was done

673

00:27:48,710 --> 00:27:47,279

in accordance to the state law where

674

00:27:51,990 --> 00:27:48,720

pete peterson

675

00:27:55,029 --> 00:27:52,000

resided where that residence was nothing

676

00:27:57,269 --> 00:27:55,039

was done illegally and i gotta tell you

677

00:27:59,430 --> 00:27:57,279

i said this in the pete peterson special

678

00:28:02,470 --> 00:27:59,440

report the local police

679

00:28:05,269 --> 00:28:02,480

do not take kindly to david wilcock

680

00:28:07,269 --> 00:28:05,279

claiming that police entered his home

681

00:28:09,110 --> 00:28:07,279

and confiscated his belongings or

682

00:28:12,549 --> 00:28:09,120

anything like that because it never

683

00:28:14,630 --> 00:28:12,559

happened and david wilcock is involving

684

00:28:17,269 --> 00:28:14,640

the local police accusing them of

685

00:28:19,269 --> 00:28:17,279

illegal activity it's not a smart thing

686

00:28:21,750 --> 00:28:19,279

to do david wilcock and it's it's

687

00:28:23,669 --> 00:28:21,760

especially not a smart thing to write

688

00:28:25,669 --> 00:28:23,679

this all of his worldly possessions were

689

00:28:27,350 --> 00:28:25,679

then illegally seized and thrown in the

690

00:28:30,070 --> 00:28:27,360

dump

691

00:28:32,389 --> 00:28:30,080

i gotta tell you david wilcock man you

692

00:28:35,350 --> 00:28:32,399

know i i kind of thought you were a

693

00:28:37,190 --> 00:28:35,360

little stupid before this but now

694

00:28:39,110 --> 00:28:37,200

now david

695

00:28:42,070 --> 00:28:39,120

i think that you may have a mental

696

00:28:45,029 --> 00:28:42,080

deficiency of some sort because only a

697

00:28:47,510 --> 00:28:45,039

complete and total idiot after being

698

00:28:50,470 --> 00:28:47,520

accused of participating in a gofundme

699

00:28:51,909 --> 00:28:50,480

scam by many many people and by the way

700

00:28:54,230 --> 00:28:51,919

i'm not

701
00:28:56,230 --> 00:28:54,240
making accusations i'm simply stating

702
00:28:59,029 --> 00:28:56,240
facts and here are the facts folks

703
00:29:02,230 --> 00:28:59,039
everything in the gofundme text begging

704
00:29:04,630 --> 00:29:02,240
people for money to donate to this fake

705
00:29:06,789 --> 00:29:04,640
fraudulent pete peterson

706
00:29:08,070 --> 00:29:06,799
david wilcox number one source and

707
00:29:09,590 --> 00:29:08,080
whistleblower

708
00:29:12,870 --> 00:29:09,600
uh was a lie

709
00:29:14,310 --> 00:29:12,880
that's a fact folks that is a fact and i

710
00:29:17,590 --> 00:29:14,320
can prove that

711
00:29:18,789 --> 00:29:17,600
line by line with citable sources good

712
00:29:22,549 --> 00:29:18,799
research

713
00:29:23,830 --> 00:29:22,559

that anyone else can verify as factual

714

00:29:26,470 --> 00:29:23,840

he put this

715

00:29:29,590 --> 00:29:26,480

right on his blog on the internet it's

716

00:29:33,029 --> 00:29:31,990

and then also

717

00:29:36,070 --> 00:29:33,039

we get

718

00:29:38,870 --> 00:29:36,080

uh it was absolutely heartbreaking i had

719

00:29:41,350 --> 00:29:38,880

sent him 18 000 over the years to help

720

00:29:43,990 --> 00:29:41,360

fight this legal battle and to have

721

00:29:45,590 --> 00:29:44,000

enough money to continue eating so

722

00:29:47,269 --> 00:29:45,600

apparently

723

00:29:49,269 --> 00:29:47,279

david wilcock is claiming that he was

724

00:29:50,310 --> 00:29:49,279

supporting pete peterson during this

725

00:29:52,310 --> 00:29:50,320

time

726
00:29:55,510 --> 00:29:52,320
and i gotta say it seems pretty strange

727
00:29:58,070 --> 00:29:55,520
to me that he came out exactly with a

728
00:30:00,710 --> 00:29:58,080
number of how much money he had sent

729
00:30:01,830 --> 00:30:00,720
pete peterson over the years

730
00:30:04,310 --> 00:30:01,840
because

731
00:30:06,310 --> 00:30:04,320
i i tend to think that if we ever do get

732
00:30:08,789 --> 00:30:06,320
a breakdown of what happened to that 60

733
00:30:12,230 --> 00:30:08,799
thousand dollar gofundme money

734
00:30:15,510 --> 00:30:12,240
maybe some of it won't be uh

735
00:30:17,990 --> 00:30:15,520
proven to be sent to pete peterson and

736
00:30:19,750 --> 00:30:18,000
this may be the cover why that's simply

737
00:30:23,110 --> 00:30:19,760
speculation on my part but i find it

738
00:30:25,350 --> 00:30:23,120

rather strange that he quoted exactly

739

00:30:26,310 --> 00:30:25,360

how much money he had given over the

740

00:30:28,149 --> 00:30:26,320

years

741

00:30:29,830 --> 00:30:28,159

to pete peterson

742

00:30:32,230 --> 00:30:29,840

i don't know about you folks but if i

743

00:30:34,149 --> 00:30:32,240

help a friend of mine and send him some

744

00:30:37,190 --> 00:30:34,159

money i'm not going to go on a public

745

00:30:39,269 --> 00:30:37,200

blog and tell the world how much money i

746

00:30:40,710 --> 00:30:39,279

gave my friend to help him

747

00:30:43,350 --> 00:30:40,720

that seems

748

00:30:45,990 --> 00:30:43,360

more than suspicious to me that he would

749

00:30:49,300 --> 00:30:46,000

do that and i think there may be some

750

00:30:50,630 --> 00:30:49,310

reason behind why he's doing that

751
00:30:52,310 --> 00:30:50,640

[Music]

752
00:30:53,909 --> 00:30:52,320

then he says i recently called peter on

753
00:30:56,310 --> 00:30:53,919

the phone after tracking him down to a

754
00:30:58,230 --> 00:30:56,320

new nursing home and have a recording i

755
00:31:00,310 --> 00:30:58,240

will soon be releasing where he debunks

756
00:31:01,669 --> 00:31:00,320

this crazy idea that i robbed him of

757
00:31:04,389 --> 00:31:01,679

this money

758
00:31:06,310 --> 00:31:04,399

and again i'm gonna say this you

759
00:31:07,830 --> 00:31:06,320

mr wilcock and

760
00:31:09,909 --> 00:31:07,840

pete peterson

761
00:31:10,950 --> 00:31:09,919

apparently ran this gofundme scam

762
00:31:12,950 --> 00:31:10,960

together

763
00:31:15,430 --> 00:31:12,960

and you've been involved in other cons

764

00:31:19,190 --> 00:31:15,440

together like your book that's filled

765

00:31:19,909 --> 00:31:19,200

with pete peterson lie story fairy tales

766

00:31:21,669 --> 00:31:19,919

so

767

00:31:24,470 --> 00:31:21,679

i don't think that just an audio

768

00:31:26,149 --> 00:31:24,480

recording of him saying no david didn't

769

00:31:28,789 --> 00:31:26,159

steal the money from me is going to be

770

00:31:33,350 --> 00:31:28,799

enough to get you out of this gofundme

771

00:31:35,350 --> 00:31:33,360

problem that you've created for yourself

772

00:31:37,590 --> 00:31:35,360

next we have under the heading it got

773

00:31:39,909 --> 00:31:37,600

really weird there was a weird and

774

00:31:42,630 --> 00:31:39,919

sinister aspect to this whole situation

775

00:31:44,710 --> 00:31:42,640

as well the theft accusation started

776
00:31:46,630 --> 00:31:44,720
ramping up almost immediately after pete

777
00:31:50,630 --> 00:31:46,640
was transferred to another nursing home

778
00:31:54,630 --> 00:31:52,870
no one outside of pete's immediate inner

779
00:31:57,269 --> 00:31:54,640
circle could have known that anything

780
00:31:59,110 --> 00:31:57,279
about his housing and an accessibility

781
00:32:01,830 --> 00:31:59,120
status had changed

782
00:32:05,830 --> 00:32:01,840
the previous facility

783
00:32:07,509 --> 00:32:05,840
told me that due to hipaa regulations

784
00:32:10,389 --> 00:32:07,519
they could not confirm where he was or

785
00:32:12,149 --> 00:32:10,399
if he was even alive

786
00:32:14,470 --> 00:32:12,159
thankfully one of pete's old friends was

787
00:32:15,990 --> 00:32:14,480
able to out manipulate one of the clerks

788
00:32:17,750 --> 00:32:16,000

and give them

789

00:32:20,389 --> 00:32:17,760

and get them to break the rules and

790

00:32:22,630 --> 00:32:20,399

reveal where they sent him

791

00:32:23,909 --> 00:32:22,640

i i i don't know but i think that they

792

00:32:25,750 --> 00:32:23,919

look like a sort of admitting that

793

00:32:29,509 --> 00:32:25,760

somebody did something illegal here then

794

00:32:33,190 --> 00:32:31,269

uh if there was some greater initiative

795

00:32:34,710 --> 00:32:33,200

behind this the planners may have hoped

796

00:32:37,509 --> 00:32:34,720

that i would never have been able to

797

00:32:40,149 --> 00:32:37,519

speaking to pete again

798

00:32:42,630 --> 00:32:40,159

not so we found him we asked him and we

799

00:32:45,029 --> 00:32:42,640

recorded it with his permission this is

800

00:32:47,269 --> 00:32:45,039

coming soon in a video but i needed to

801
00:32:48,470 --> 00:32:47,279
get this written up first

802
00:32:51,669 --> 00:32:48,480
and again

803
00:32:52,870 --> 00:32:51,679
i'm sorry mr wilcox but simply having a

804
00:32:55,590 --> 00:32:52,880
senile

805
00:32:57,509 --> 00:32:55,600
mentally deficient

806
00:33:00,149 --> 00:32:57,519
sickly old man

807
00:33:01,029 --> 00:33:00,159
saying yeah david gave me the money

808
00:33:02,470 --> 00:33:01,039
on a

809
00:33:04,389 --> 00:33:02,480
recording

810
00:33:06,149 --> 00:33:04,399
it's not going to be sufficient to prove

811
00:33:07,990 --> 00:33:06,159
that you gave the money to him first of

812
00:33:09,669 --> 00:33:08,000
all and it's certainly not going to be

813
00:33:11,830 --> 00:33:09,679

sufficient

814

00:33:13,110 --> 00:33:11,840

to get you out of

815

00:33:15,029 --> 00:33:13,120

all of the

816

00:33:17,190 --> 00:33:15,039

things that people are saying about how

817

00:33:18,230 --> 00:33:17,200

the gofundme was a complete and total

818

00:33:20,310 --> 00:33:18,240

fraud

819

00:33:22,310 --> 00:33:20,320

because everything in the gofundme tax

820

00:33:23,590 --> 00:33:22,320

begging for the money was proven to be a

821

00:33:24,389 --> 00:33:23,600

lie

822

00:33:27,269 --> 00:33:24,399

so

823

00:33:28,470 --> 00:33:27,279

you know i i kind of think david wilcock

824

00:33:33,990 --> 00:33:28,480

is

825

00:33:35,990 --> 00:33:34,000

an audio recording and pete peterson's

826

00:33:38,149 --> 00:33:36,000

going to say yeah i gave i got the money

827

00:33:39,909 --> 00:33:38,159

from david wilcock and and david wilcock

828

00:33:41,430 --> 00:33:39,919

thinks it's going to be the end of it

829

00:33:43,669 --> 00:33:41,440

i'm sorry it's not going to be the end

830

00:33:45,909 --> 00:33:43,679

of it

831

00:33:47,509 --> 00:33:45,919

and here we go with the explanation of

832

00:33:51,830 --> 00:33:47,519

the money

833

00:33:54,789 --> 00:33:51,840

to pete because gofundme was so paranoid

834

00:33:56,549 --> 00:33:54,799

about such a theft actually happening

835

00:33:58,789 --> 00:33:56,559

from my own personal experience if

836

00:34:00,950 --> 00:33:58,799

someone did try to organize a fraud like

837

00:34:03,509 --> 00:34:00,960

this it would be nearly impossible to

838

00:34:05,269 --> 00:34:03,519

accomplish it through gofundme

839

00:34:08,470 --> 00:34:05,279

wow

840

00:34:11,750 --> 00:34:08,480

david wilcock it's nearly impossible

841

00:34:14,069 --> 00:34:11,760

to do that through gofundme

842

00:34:15,750 --> 00:34:14,079

i i don't understand that because

843

00:34:17,270 --> 00:34:15,760

someone posted

844

00:34:19,750 --> 00:34:17,280

a gofundme

845

00:34:21,750 --> 00:34:19,760

with the text body that was filled with

846

00:34:22,869 --> 00:34:21,760

lies about what was happening to pete

847

00:34:25,190 --> 00:34:22,879

peterson

848

00:34:27,270 --> 00:34:25,200

that his belongings were being illegally

849

00:34:29,270 --> 00:34:27,280

seized that was a lie

850

00:34:31,909 --> 00:34:29,280

that there were bulldozers that were

851
00:34:34,790 --> 00:34:31,919
going to run over and destroy all of his

852
00:34:36,869 --> 00:34:34,800
personal belongings that was a lie

853
00:34:38,149 --> 00:34:36,879
that there were armed police entering

854
00:34:40,149 --> 00:34:38,159
his home

855
00:34:42,470 --> 00:34:40,159
that was a lie

856
00:34:44,710 --> 00:34:42,480
everything in the text of the gofundme

857
00:34:48,629 --> 00:34:44,720
asking for the money has been proven

858
00:34:50,629 --> 00:34:48,639
folks to be a lie

859
00:34:52,710 --> 00:34:50,639
so he says i had to get

860
00:34:54,470 --> 00:34:52,720
special executive approval to have power

861
00:34:55,990 --> 00:34:54,480
of attorney just to be able to provide

862
00:34:58,310 --> 00:34:56,000
gofundme

863
00:35:00,470 --> 00:34:58,320

with pete's correct bank information

864

00:35:03,670 --> 00:35:00,480

online which they then audited it and

865

00:35:04,630 --> 00:35:03,680

verified before trusting the data

866

00:35:06,550 --> 00:35:04,640

and

867

00:35:07,670 --> 00:35:06,560

now it gets really good folks because

868

00:35:09,349 --> 00:35:07,680

remember

869

00:35:11,670 --> 00:35:09,359

that pete peterson

870

00:35:12,950 --> 00:35:11,680

in david wilcox books claimed to have

871

00:35:13,829 --> 00:35:12,960

invented

872

00:35:26,710 --> 00:35:13,839

a

873

00:35:29,829 --> 00:35:26,720

incredible microprocessor

874

00:35:32,390 --> 00:35:29,839

that was 40 cores and based on photon

875

00:35:34,069 --> 00:35:32,400

transistors not electron transistors

876

00:35:36,150 --> 00:35:34,079

that the normal

877

00:35:37,589 --> 00:35:36,160

microprocessors that we have now are

878

00:35:40,069 --> 00:35:37,599

based on

879

00:35:41,910 --> 00:35:40,079

pete peterson claims that his company

880

00:35:45,030 --> 00:35:41,920

invented the first personal computer

881

00:35:48,310 --> 00:35:45,040

with an alphanumeric keyboard and every

882

00:35:50,470 --> 00:35:48,320

major university bought it and every

883

00:35:51,910 --> 00:35:50,480

major company bought it

884

00:35:53,910 --> 00:35:51,920

pete peterson

885

00:35:55,990 --> 00:35:53,920

claims to have invented all this

886

00:35:58,470 --> 00:35:56,000

incredible technology

887

00:35:59,670 --> 00:35:58,480

now keep that in mind that pete peterson

888

00:36:01,750 --> 00:35:59,680

invented

889

00:36:04,310 --> 00:36:01,760

a microprocessor that by the way would

890

00:36:05,510 --> 00:36:04,320

have made him billions if it was real

891

00:36:07,910 --> 00:36:05,520

but

892

00:36:10,870 --> 00:36:07,920

i'm sorry folks there's no such thing as

893

00:36:13,030 --> 00:36:10,880

this super advanced 40 core

894

00:36:14,710 --> 00:36:13,040

microprocessor that pete peterson claims

895

00:36:16,710 --> 00:36:14,720

to have invented

896

00:36:18,870 --> 00:36:16,720

but but just bear in mind that pete

897

00:36:21,030 --> 00:36:18,880

peterson claims to be an early personal

898

00:36:23,430 --> 00:36:21,040

computer pioneer he claims to have

899

00:36:25,430 --> 00:36:23,440

invented a microprocessor that was

900

00:36:27,589 --> 00:36:25,440

hundreds of times faster than our

901
00:36:30,790 --> 00:36:27,599
current microprocessors

902
00:36:33,030 --> 00:36:30,800
now let's read the next line of david

903
00:36:35,910 --> 00:36:33,040
wilcox ran

904
00:36:37,910 --> 00:36:35,920
p was nowhere near internet savvy enough

905
00:36:40,310 --> 00:36:37,920
to know how to provide them with his own

906
00:36:44,870 --> 00:36:40,320
bank information through any online

907
00:36:49,430 --> 00:36:47,109
wow that's a little crazy to me that a

908
00:36:51,990 --> 00:36:49,440
guy who could invent a microprocessor

909
00:36:55,829 --> 00:36:52,000
that is hundreds of times faster than

910
00:36:58,470 --> 00:36:55,839
any current microprocessor that we have

911
00:37:01,750 --> 00:36:58,480
right is not internet savvy enough to

912
00:37:03,829 --> 00:37:01,760
give gofundme his banking information

913
00:37:06,550 --> 00:37:03,839

that seems a little strange to me mr

914

00:37:08,390 --> 00:37:06,560

wilcock how is a guy who is able to

915

00:37:11,109 --> 00:37:08,400

invent a 40 core

916

00:37:13,349 --> 00:37:11,119

photon transistor based microprocessor

917

00:37:16,550 --> 00:37:13,359

that is hundreds of times faster than

918

00:37:19,349 --> 00:37:16,560

any microprocessor that we have today

919

00:37:20,950 --> 00:37:19,359

not internet savvy enough to know how to

920

00:37:24,470 --> 00:37:20,960

provide them with his own bank

921

00:37:26,470 --> 00:37:24,480

information through any online means

922

00:37:28,870 --> 00:37:26,480

the guy can invent

923

00:37:29,990 --> 00:37:28,880

a microprocessor that's hundreds and

924

00:37:32,150 --> 00:37:30,000

thousands

925

00:37:34,790 --> 00:37:32,160

orders of magnitude

926
00:37:38,150 --> 00:37:34,800
faster more powerful and more advanced

927
00:37:40,310 --> 00:37:38,160
than any microprocessor we have today

928
00:37:42,550 --> 00:37:40,320
but he can't give gofundme

929
00:37:45,270 --> 00:37:42,560
his banking information through the

930
00:37:51,990 --> 00:37:47,990
i think you just proved my point mr

931
00:37:53,750 --> 00:37:52,000
wilcock about pete peterson's claims all

932
00:37:57,190 --> 00:37:53,760
being

933
00:37:58,310 --> 00:37:57,200
a fabrication and a fantasy and a fraud

934
00:38:02,150 --> 00:37:58,320
because

935
00:38:04,390 --> 00:38:02,160
ask anybody that designs microprocessors

936
00:38:05,990 --> 00:38:04,400
anybody that designs microprocessors and

937
00:38:07,589 --> 00:38:06,000
by the way mr wilcock i have a

938
00:38:09,829 --> 00:38:07,599

background in computer science so i can

939

00:38:12,390 --> 00:38:09,839

say this with some degree of certainty

940

00:38:14,150 --> 00:38:12,400

anyone who has the technical knowledge

941

00:38:16,710 --> 00:38:14,160

and expertise to actually design

942

00:38:18,950 --> 00:38:16,720

microprocessors knows how to work the

943

00:38:22,310 --> 00:38:18,960

internet knows how to work a browser and

944

00:38:23,030 --> 00:38:22,320

send bank information to somebody online

945

00:38:24,470 --> 00:38:23,040

so

946

00:38:26,630 --> 00:38:24,480

you're proving

947

00:38:29,109 --> 00:38:26,640

yourself that your number one

948

00:38:31,270 --> 00:38:29,119

whistleblower and number one source is a

949

00:38:32,630 --> 00:38:31,280

fabricated

950

00:38:34,950 --> 00:38:32,640

made-up

951
00:38:36,630 --> 00:38:34,960
con man liar

952
00:38:38,390 --> 00:38:36,640
you're doing it yourself i don't even

953
00:38:39,829 --> 00:38:38,400
need to do it i just need to read your

954
00:38:40,950 --> 00:38:39,839
blog

955
00:38:43,750 --> 00:38:40,960
and and

956
00:38:48,470 --> 00:38:43,760
comment on it to prove to people what a

957
00:38:53,829 --> 00:38:51,670
now let me see the only power i had in

958
00:38:55,750 --> 00:38:53,839
the situation was to control when and

959
00:38:58,870 --> 00:38:55,760
how much the money was transferred into

960
00:39:01,910 --> 00:38:58,880
pete's account all that went in at least

961
00:39:04,230 --> 00:39:01,920
everything but gofundme's cut of it

962
00:39:05,910 --> 00:39:04,240
okay david wilcock

963
00:39:08,710 --> 00:39:05,920

uh you know i'm gonna issue you a

964

00:39:11,670 --> 00:39:08,720

challenge then i would like

965

00:39:12,470 --> 00:39:11,680

i i think it would be easy for you to

966

00:39:16,069 --> 00:39:12,480

just

967

00:39:18,790 --> 00:39:16,079

put the bank transfer information you

968

00:39:20,710 --> 00:39:18,800

can you know black out account numbers

969

00:39:23,430 --> 00:39:20,720

or anything that would be personal or

970

00:39:25,030 --> 00:39:23,440

you know that that

971

00:39:27,109 --> 00:39:25,040

you know you would need to black out you

972

00:39:28,630 --> 00:39:27,119

can black anything out but

973

00:39:30,310 --> 00:39:28,640

post the

974

00:39:31,990 --> 00:39:30,320

bank transfer information so that

975

00:39:33,589 --> 00:39:32,000

everybody can see that the money went to

976

00:39:36,230 --> 00:39:33,599

pete peterson i think that would be

977

00:39:39,030 --> 00:39:36,240

sufficient proof at least

978

00:39:42,150 --> 00:39:39,040

so people would know that the money went

979

00:39:44,310 --> 00:39:42,160

to pete peterson

980

00:39:46,630 --> 00:39:44,320

now

981

00:39:48,230 --> 00:39:46,640

uh the next lines are pete did not pay

982

00:39:50,870 --> 00:39:48,240

me so much as a single dollar for

983

00:39:53,910 --> 00:39:50,880

helping him with this fundraiser it was

984

00:39:56,870 --> 00:39:53,920

all volunteer on my part

985

00:40:00,150 --> 00:39:56,880

so here david wilcock is incriminating

986

00:40:01,270 --> 00:40:00,160

himself stupid idiot that he is once

987

00:40:04,390 --> 00:40:01,280

again

988

00:40:06,150 --> 00:40:04,400

writing this on a public block

989

00:40:07,990 --> 00:40:06,160

pete did not pay me so much as a single

990

00:40:10,390 --> 00:40:08,000

dollar for helping him with this

991

00:40:13,670 --> 00:40:10,400

fundraiser so he admits here that he

992

00:40:15,589 --> 00:40:13,680

helped pete peterson with this con

993

00:40:18,870 --> 00:40:15,599

and he says it was all volunteer on my

994

00:40:22,829 --> 00:40:18,880

part i got to tell you mr wilcock if you

995

00:40:27,190 --> 00:40:22,839

volunteer to help in a

996

00:40:29,349 --> 00:40:27,200

fraud an online fraud gofundme

997

00:40:31,190 --> 00:40:29,359

that and you don't get any money from it

998

00:40:34,150 --> 00:40:31,200

that does not absolve you from

999

00:40:36,950 --> 00:40:34,160

responsibility of helping to perpetrate

1000

00:40:40,710 --> 00:40:38,790

then he says i wasn't even the one who

1001

00:40:43,349 --> 00:40:40,720

started the fundraiser either the

1002

00:40:45,430 --> 00:40:43,359

originator transferred it to me

1003

00:40:48,470 --> 00:40:45,440

i eventually got power of attorney and

1004

00:40:50,710 --> 00:40:48,480

wired all of it directly to pete

1005

00:40:53,349 --> 00:40:50,720

notice something here folks there has

1006

00:40:56,150 --> 00:40:53,359

been rampant rumors and speculation and

1007

00:40:57,349 --> 00:40:56,160

i've had many many people email me to

1008

00:41:00,710 --> 00:40:57,359

say

1009

00:41:01,829 --> 00:41:00,720

pete peterson only recently in the last

1010

00:41:05,990 --> 00:41:01,839

month or

1011

00:41:07,910 --> 00:41:06,000

maybe last six weeks from today's date

1012

00:41:09,829 --> 00:41:07,920

or let's just say

1013

00:41:14,390 --> 00:41:09,839

six weeks previous

1014

00:41:15,750 --> 00:41:14,400

date of this david wilcock ranting

1015

00:41:17,349 --> 00:41:15,760

latest

1016

00:41:19,750 --> 00:41:17,359

uh blog post

1017

00:41:21,270 --> 00:41:19,760

pete peterson finally got the money

1018

00:41:23,670 --> 00:41:21,280

so i believe

1019

00:41:25,990 --> 00:41:23,680

if that's true then here he is covering

1020

00:41:28,069 --> 00:41:26,000

his tracks i wasn't the one who started

1021

00:41:30,630 --> 00:41:28,079

the fundraiser either the originator

1022

00:41:32,390 --> 00:41:30,640

transferred it to me this is him and his

1023

00:41:34,390 --> 00:41:32,400

blog

1024

00:41:37,030 --> 00:41:34,400

and i eventually got power of attorney

1025

00:41:41,430 --> 00:41:37,040

and wired all of it directly to p

1026

00:41:46,069 --> 00:41:44,309

it's very easy for you to prove

1027

00:41:47,510 --> 00:41:46,079

that pete peterson got the money and

1028

00:41:50,069 --> 00:41:47,520

when

1029

00:41:50,950 --> 00:41:50,079

did it take you two years to get him the

1030

00:41:52,710 --> 00:41:50,960

money

1031

00:41:55,910 --> 00:41:52,720

because this gofundme

1032

00:41:58,390 --> 00:41:55,920

scam started two years ago

1033

00:42:00,309 --> 00:41:58,400

and i'm sorry mr wilcock it does not

1034

00:42:02,309 --> 00:42:00,319

take two years to get a power of

1035

00:42:03,270 --> 00:42:02,319

attorney or to wire some money to

1036

00:42:04,710 --> 00:42:03,280

someone

1037

00:42:07,030 --> 00:42:04,720

that could be done

1038

00:42:08,630 --> 00:42:07,040

i would say in five business days or

1039

00:42:10,790 --> 00:42:08,640

less

1040

00:42:11,750 --> 00:42:10,800

very easily

1041

00:42:14,309 --> 00:42:11,760

so

1042

00:42:16,230 --> 00:42:14,319

again i would say mr wilcock if you're

1043

00:42:19,030 --> 00:42:16,240

saying the originator of the gofundme

1044

00:42:20,710 --> 00:42:19,040

transferred the funds to me

1045

00:42:22,870 --> 00:42:20,720

i eventually got power of attorney and

1046

00:42:24,230 --> 00:42:22,880

wired it all directly to pete

1047

00:42:25,750 --> 00:42:24,240

then again

1048

00:42:29,670 --> 00:42:25,760

post

1049

00:42:31,510 --> 00:42:29,680

your bank records you can like i said

1050

00:42:32,870 --> 00:42:31,520

you can black out account numbers or

1051
00:42:35,510 --> 00:42:32,880
anything that would be

1052
00:42:38,390 --> 00:42:35,520
personal to you

1053
00:42:40,470 --> 00:42:38,400
or why don't you allow me

1054
00:42:43,109 --> 00:42:40,480
to or or some other

1055
00:42:45,510 --> 00:42:43,119
independent third party to call your

1056
00:42:48,470 --> 00:42:45,520
bank and verify when those funds were

1057
00:42:50,390 --> 00:42:48,480
transferred why don't you do that david

1058
00:42:51,910 --> 00:42:50,400
if you really want to prove that pete

1059
00:42:53,030 --> 00:42:51,920
peterson got the money and i have to

1060
00:42:55,990 --> 00:42:53,040
tell you

1061
00:42:57,750 --> 00:42:56,000
even if he did get the money right away

1062
00:43:00,390 --> 00:42:57,760
that doesn't absolve you from your

1063
00:43:02,710 --> 00:43:00,400

responsibility with helping

1064

00:43:04,230 --> 00:43:02,720

run this gofundme con because that's

1065

00:43:06,630 --> 00:43:04,240

what it was

1066

00:43:09,190 --> 00:43:06,640

mr wilcock it was a con

1067

00:43:11,910 --> 00:43:09,200

everything in the text of the gofundme

1068

00:43:14,069 --> 00:43:11,920

begging for the money was a lie it does

1069

00:43:15,430 --> 00:43:14,079

not absolve you from responsibility for

1070

00:43:17,670 --> 00:43:15,440

helping that

1071

00:43:21,910 --> 00:43:17,680

happen if you gave all the money to him

1072

00:43:23,109 --> 00:43:21,920

right away but i have to say again

1073

00:43:25,349 --> 00:43:23,119

most people

1074

00:43:27,190 --> 00:43:25,359

are saying that you just recently gave

1075

00:43:28,790 --> 00:43:27,200

him the money

1076

00:43:31,510 --> 00:43:28,800

and i have to say

1077

00:43:34,150 --> 00:43:31,520

uh that a lot of people are

1078

00:43:35,349 --> 00:43:34,160

crediting me with the fact that you

1079

00:43:38,390 --> 00:43:35,359

suddenly

1080

00:43:41,670 --> 00:43:38,400

just gave him the money if that's true

1081

00:43:42,550 --> 00:43:41,680

then i'm glad that if i did have some

1082

00:43:45,109 --> 00:43:42,560

part

1083

00:43:47,030 --> 00:43:45,119

in you finally giving him the money then

1084

00:43:49,190 --> 00:43:47,040

i'm glad that you at least gave the

1085

00:43:51,910 --> 00:43:49,200

money to the intended recipient of the

1086

00:43:52,870 --> 00:43:51,920

con but that doesn't absolve you from

1087

00:43:55,510 --> 00:43:52,880

the con

1088

00:43:57,270 --> 00:43:55,520

it doesn't absolve you and again

1089

00:43:59,430 --> 00:43:57,280

i think that you need to prove when he

1090

00:44:01,589 --> 00:43:59,440

gave the money to him if you're saying

1091

00:44:03,510 --> 00:44:01,599

that you gave the money to him

1092

00:44:04,870 --> 00:44:03,520

if it took you two years to give the

1093

00:44:06,710 --> 00:44:04,880

money to him

1094

00:44:08,470 --> 00:44:06,720

mr wilcox i think you have some

1095

00:44:11,430 --> 00:44:08,480

explaining to do

1096

00:44:13,589 --> 00:44:11,440

and i if that is true

1097

00:44:15,349 --> 00:44:13,599

that you just recently in the last month

1098

00:44:18,710 --> 00:44:15,359

or let's say six weeks from your blog

1099

00:44:20,870 --> 00:44:18,720

post here gave him the money

1100

00:44:22,710 --> 00:44:20,880

that does not look good for you because

1101
00:44:25,109 --> 00:44:22,720
that would mean that you finally just

1102
00:44:28,390 --> 00:44:25,119
gave him the money after my special

1103
00:44:31,589 --> 00:44:28,400
report asking where the money was

1104
00:44:33,589 --> 00:44:31,599
and i think if if that's true mr wilcock

1105
00:44:37,349 --> 00:44:33,599
it's a little coincidental

1106
00:44:39,910 --> 00:44:37,359
that suddenly after my special report

1107
00:44:41,430 --> 00:44:39,920
you suddenly realized

1108
00:44:43,190 --> 00:44:41,440
that you had to give the money to him

1109
00:44:44,790 --> 00:44:43,200
and you suddenly did

1110
00:44:45,829 --> 00:44:44,800
so i would say

1111
00:44:47,670 --> 00:44:45,839
that

1112
00:44:50,150 --> 00:44:47,680
if you really want to prove anything

1113
00:44:53,430 --> 00:44:50,160

here then show us the bank records show

1114

00:44:56,069 --> 00:44:53,440

us when mr peterson got the money that's

1115

00:44:58,710 --> 00:44:56,079

the first thing the next thing is you

1116

00:45:00,950 --> 00:44:58,720

need to apologize to every single person

1117

00:45:03,750 --> 00:45:00,960

that gave money to that gofundme because

1118

00:45:07,349 --> 00:45:03,760

the entire gofundme was based on lies

1119

00:45:09,510 --> 00:45:07,359

and it's a fraud that's a con mr wilcock

1120

00:45:11,349 --> 00:45:09,520

and you need to do something about that

1121

00:45:17,270 --> 00:45:11,359

you're not simply going to walk away

1122

00:45:21,349 --> 00:45:19,510

and he goes on to say though the though

1123

00:45:23,670 --> 00:45:21,359

these things always happen the latest

1124

00:45:25,750 --> 00:45:23,680

attacks have gotten far out of hand

1125

00:45:28,069 --> 00:45:25,760

it's not cool to publicly confront my

1126

00:45:30,630 --> 00:45:28,079

family and possibly my audience alike

1127

00:45:33,349 --> 00:45:30,640

with what could be legally construed as

1128

00:45:35,589 --> 00:45:33,359

terror threats

1129

00:45:38,150 --> 00:45:35,599

wow that's crazy and i'm not sure what

1130

00:45:41,030 --> 00:45:38,160

he's talking about there oh uh actually

1131

00:45:43,349 --> 00:45:41,040

he's talking about these there was fake

1132

00:45:45,910 --> 00:45:43,359

threats to

1133

00:45:48,150 --> 00:45:45,920

contact in the desert which were

1134

00:45:50,150 --> 00:45:48,160

entirely manufactured by his partner in

1135

00:45:52,069 --> 00:45:50,160

crime corey goode

1136

00:45:53,990 --> 00:45:52,079

and again that's speculation but there's

1137

00:45:56,950 --> 00:45:54,000

been no proof of any kind of threats and

1138

00:45:59,430 --> 00:45:56,960

this guy loves to say you know people

1139

00:46:02,470 --> 00:45:59,440

cut the brakes on his car and try to

1140

00:46:03,990 --> 00:46:02,480

kill him and you know the dark alliance

1141

00:46:06,230 --> 00:46:04,000

is always trying to kill him because

1142

00:46:08,950 --> 00:46:06,240

he's getting too close to the truth it's

1143

00:46:11,510 --> 00:46:08,960

a fun narrative for him to get sympathy

1144

00:46:13,750 --> 00:46:11,520

with his followers and to act like he's

1145

00:46:16,950 --> 00:46:13,760

some big important person

1146

00:46:19,829 --> 00:46:16,960

listen i gotta tell you mr wilcock if

1147

00:46:23,109 --> 00:46:19,839

you knew anything if you truly had any

1148

00:46:25,030 --> 00:46:23,119

knowledge about the real deep state

1149

00:46:26,790 --> 00:46:25,040

and the real government

1150

00:46:28,630 --> 00:46:26,800

then you would know

1151

00:46:30,150 --> 00:46:28,640

mr wilcox

1152

00:46:32,630 --> 00:46:30,160

that if the government wanted to kill

1153

00:46:34,550 --> 00:46:32,640

you you'd be dead

1154

00:46:37,349 --> 00:46:34,560

there'd be no failed attempts

1155

00:46:39,589 --> 00:46:37,359

there'd be no near misses you'd be dead

1156

00:46:42,069 --> 00:46:39,599

that's just the way it works

1157

00:46:44,309 --> 00:46:42,079

so for you to continually claim that all

1158

00:46:45,109 --> 00:46:44,319

these people are making threats against

1159

00:46:46,150 --> 00:46:45,119

you

1160

00:46:50,790 --> 00:46:46,160

it's

1161

00:46:53,430 --> 00:46:50,800

just

1162

00:46:55,510 --> 00:46:53,440

part of your lying con game at worst and

1163

00:46:57,829 --> 00:46:55,520

i'm gonna call it part of your lying con

1164

00:47:00,390 --> 00:46:57,839

game because you've done it over and

1165

00:47:02,630 --> 00:47:00,400

over and over again you've consistently

1166

00:47:06,230 --> 00:47:02,640

played the victim of some kind of

1167

00:47:08,630 --> 00:47:06,240

conspiracy against you

1168

00:47:11,190 --> 00:47:08,640

i gotta tell you this

1169

00:47:12,630 --> 00:47:11,200

this whole this whole blog post goes off

1170

00:47:14,630 --> 00:47:12,640

and it's just like the best

1171

00:47:15,670 --> 00:47:14,640

entertainment that i've had in in a long

1172

00:47:18,069 --> 00:47:15,680

time

1173

00:47:20,150 --> 00:47:18,079

the entire hotel was on super high alert

1174

00:47:22,150 --> 00:47:20,160

after seeing the evidence of these

1175

00:47:25,030 --> 00:47:22,160

threats and it escalated all the way up

1176
00:47:25,990 --> 00:47:25,040
to senior executive management

1177
00:47:29,990 --> 00:47:26,000
uh

1178
00:47:31,750 --> 00:47:30,000
no mr wilcock that's a lie

1179
00:47:34,069 --> 00:47:31,760
if the people who did this are unaware

1180
00:47:36,309 --> 00:47:34,079
of why this is so serious they obviou

1181
00:47:39,030 --> 00:47:36,319
obviously haven't gone back and studied

1182
00:47:39,990 --> 00:47:39,040
their own words carefully enough

1183
00:47:44,870 --> 00:47:40,000
this is

1184
00:47:47,349 --> 00:47:44,880
mr wilcox claims that a bunch of people

1185
00:47:49,270 --> 00:47:47,359
were threatening him with bodily harm

1186
00:47:50,470 --> 00:47:49,280
while he was going to go speak at a

1187
00:47:52,870 --> 00:47:50,480
conference

1188
00:47:54,870 --> 00:47:52,880

and that's just nuts

1189

00:47:57,109 --> 00:47:54,880

and here's the next part here just to

1190

00:47:59,030 --> 00:47:57,119

give a sense of this thing we had 30

1191

00:48:00,230 --> 00:47:59,040

staff on high alarm

1192

00:48:02,950 --> 00:48:00,240

high alert

1193

00:48:05,829 --> 00:48:02,960

two armed hotel guards on call local

1194

00:48:07,910 --> 00:48:05,839

police on call two unarmed private

1195

00:48:09,109 --> 00:48:07,920

security guards hired by the event in

1196

00:48:12,309 --> 00:48:09,119

the room

1197

00:48:14,870 --> 00:48:12,319

and two big unarmed samoans as my

1198

00:48:17,349 --> 00:48:14,880

personal security guards well i think

1199

00:48:19,990 --> 00:48:17,359

that's kind of weird that he had to

1200

00:48:24,710 --> 00:48:20,000

point out that he had two big unarmed

1201
00:48:26,470 --> 00:48:24,720
samoans as his personal security guards

1202
00:48:27,990 --> 00:48:26,480
next he goes on to say had anyone

1203
00:48:29,589 --> 00:48:28,000
actually tried to deliver on the

1204
00:48:32,150 --> 00:48:29,599
physical threats

1205
00:48:34,309 --> 00:48:32,160
we may well have had a repeat

1206
00:48:36,630 --> 00:48:34,319
performance of the internet classic

1207
00:48:40,390 --> 00:48:36,640
don't tase me bro

1208
00:48:44,710 --> 00:48:42,150
then he goes on to make himself the hero

1209
00:48:47,030 --> 00:48:44,720
of his own story as he loves to do i

1210
00:48:49,270 --> 00:48:47,040
still chose to get up on stage for six

1211
00:48:52,309 --> 00:48:49,280
different events over a total of 13

1212
00:48:54,950 --> 00:48:52,319
hours despite unprecedented threats to

1213
00:48:56,630 --> 00:48:54,960

my wife and to me alike

1214

00:48:58,790 --> 00:48:56,640

not only that but i decided to

1215

00:49:01,750 --> 00:48:58,800

completely rework all of my talks the

1216

00:49:05,430 --> 00:49:01,760

last minute to drop a moab on the

1217

00:49:07,109 --> 00:49:05,440

partial disclosure ufo agenda

1218

00:49:09,190 --> 00:49:07,119

when all the other content is being

1219

00:49:10,870 --> 00:49:09,200

aggressively stripped clean from social

1220

00:49:12,790 --> 00:49:10,880

media and youtube

1221

00:49:16,150 --> 00:49:12,800

and one narrative is pushed by a bunch

1222

00:49:18,230 --> 00:49:16,160

of cia guys you do the math

1223

00:49:20,470 --> 00:49:18,240

it just goes on and on folks it's a

1224

00:49:22,069 --> 00:49:20,480

rambling mess

1225

00:49:23,430 --> 00:49:22,079

oh and uh

1226

00:49:25,750 --> 00:49:23,440

he like his

1227

00:49:27,829 --> 00:49:25,760

partner in crime cory good goes on to

1228

00:49:30,309 --> 00:49:27,839

make a lot of threats about his critics

1229

00:49:31,589 --> 00:49:30,319

these threats may come may become a far

1230

00:49:33,670 --> 00:49:31,599

bigger story

1231

00:49:36,069 --> 00:49:33,680

in the coming months and i can say no

1232

00:49:42,790 --> 00:49:36,079

more about them at this time we made the

1233

00:49:47,030 --> 00:49:45,349

oh i gotta say uh oh and he says i did

1234

00:49:49,030 --> 00:49:47,040

get heckled by one person during my

1235

00:49:50,950 --> 00:49:49,040

panel who then left the room after

1236

00:49:54,470 --> 00:49:50,960

security approached

1237

00:49:56,790 --> 00:49:54,480

well uh david wilcock is sort of famous

1238

00:50:01,670 --> 00:49:56,800

for refusing to speak if there's any

1239

00:50:06,470 --> 00:50:04,390

he says i have now recovered enough from

1240

00:50:08,470 --> 00:50:06,480

the physical and emotional stress to get

1241

00:50:15,270 --> 00:50:08,480

back on the horse and continue doing

1242

00:50:19,109 --> 00:50:16,390

so

1243

00:50:22,150 --> 00:50:19,119

i gotta tell you folks that the the

1244

00:50:25,030 --> 00:50:22,160

continued narrative that you know he's

1245

00:50:27,750 --> 00:50:25,040

getting threatened and people are cl you

1246

00:50:30,710 --> 00:50:27,760

know gonna harm him because he's getting

1247

00:50:32,710 --> 00:50:30,720

too it's always that narrative like he

1248

00:50:34,710 --> 00:50:32,720

must be getting too close to the truth

1249

00:50:36,549 --> 00:50:34,720

because the dark alliance is trying to

1250

00:50:38,630 --> 00:50:36,559

stop him

1251
00:50:41,109 --> 00:50:38,640
this guy read too many comic books as a

1252
00:50:42,710 --> 00:50:41,119
kid that's it

1253
00:50:45,589 --> 00:50:42,720
you know i actually

1254
00:50:47,589 --> 00:50:45,599
if i could really analyze mr wilcock i

1255
00:50:48,470 --> 00:50:47,599
would say

1256
00:50:50,549 --> 00:50:48,480
that

1257
00:50:53,190 --> 00:50:50,559
he read too many comic books

1258
00:50:56,390 --> 00:50:53,200
watched too many bad movies

1259
00:50:58,870 --> 00:50:56,400
and he didn't get enough hugs as a child

1260
00:51:00,790 --> 00:50:58,880
that's what i think i think like

1261
00:51:02,470 --> 00:51:00,800
he just didn't get enough love there as

1262
00:51:05,829 --> 00:51:02,480
a child and this

1263
00:51:09,589 --> 00:51:05,839

narcissistic nonsense attitude of his is

1264

00:51:11,589 --> 00:51:09,599

all in relation to to not

1265

00:51:13,510 --> 00:51:11,599

getting loved as a child

1266

00:51:15,109 --> 00:51:13,520

i mean those things have really

1267

00:51:18,470 --> 00:51:15,119

traumatic

1268

00:51:21,270 --> 00:51:18,480

effects on people later in life i mean

1269

00:51:24,390 --> 00:51:21,280

talk to any psychiatrist what causes

1270

00:51:26,630 --> 00:51:24,400

narcissistic personality disorder

1271

00:51:29,670 --> 00:51:26,640

well there's a lot of a lot of causing

1272

00:51:31,750 --> 00:51:29,680

factors and uh i think mr wilcox may

1273

00:51:33,349 --> 00:51:31,760

have had a lot of those causing factors

1274

00:51:34,790 --> 00:51:33,359

in his childhood

1275

00:51:37,430 --> 00:51:34,800

to create

1276

00:51:40,230 --> 00:51:37,440

such an absolute

1277

00:51:42,470 --> 00:51:40,240

classic narcissistic personality

1278

00:51:44,710 --> 00:51:42,480

disorder kind of a person

1279

00:51:47,349 --> 00:51:44,720

i mean this guy writes a 10-page

1280

00:51:50,790 --> 00:51:47,359

resignation letter from a job

1281

00:51:51,910 --> 00:51:50,800

and here uh i'm trying to uh i'm trying

1282

00:51:54,230 --> 00:51:51,920

to see

1283

00:51:58,549 --> 00:51:54,240

let's see if we can find out here

1284

00:52:01,829 --> 00:51:58,559

how many pages is this blog post

1285

00:52:03,589 --> 00:52:01,839

oh uh let me see it goes up to six but

1286

00:52:05,109 --> 00:52:03,599

it's show all i think it's a lot more

1287

00:52:07,270 --> 00:52:05,119

than six pages

1288

00:52:11,750 --> 00:52:07,280

because each page that he's calling a

1289

00:52:17,510 --> 00:52:14,630

yeah i don't know folks it's six pages

1290

00:52:20,309 --> 00:52:17,520

but it's really like a few hundred it's

1291

00:52:22,370 --> 00:52:20,319

literally a few hundred pages

1292

00:52:23,430 --> 00:52:22,380

if you copied and pasted it into

1293

00:52:25,349 --> 00:52:23,440

[Music]

1294

00:52:28,069 --> 00:52:25,359

microsoft word it would be a few hundred

1295

00:52:29,910 --> 00:52:28,079

pages i think i haven't done that but

1296

00:52:31,750 --> 00:52:29,920

other people have and told me yeah it's

1297

00:52:35,829 --> 00:52:31,760

a few hundred pages

1298

00:52:36,630 --> 00:52:35,839

that's crazy for one blog post

1299

00:52:38,390 --> 00:52:36,640

and

1300

00:52:40,710 --> 00:52:38,400

i don't know man he ties together

1301
00:52:42,309 --> 00:52:40,720
everything from game of thrones to rock

1302
00:52:44,470 --> 00:52:42,319
history to

1303
00:52:47,030 --> 00:52:44,480
you know the cabal

1304
00:52:50,150 --> 00:52:47,040
to ufo disclosure

1305
00:52:53,109 --> 00:52:50,160
to youtube demonetizing and sensor it's

1306
00:52:56,150 --> 00:52:53,119
like a rambling mess of disconnected

1307
00:52:57,589 --> 00:52:56,160
nonsense it's it's kind of like

1308
00:53:00,150 --> 00:52:57,599
it's kind of like

1309
00:53:01,190 --> 00:53:00,160
that conversation that maybe i have with

1310
00:53:03,349 --> 00:53:01,200
like

1311
00:53:05,829 --> 00:53:03,359
i don't know 10 people that are all

1312
00:53:07,750 --> 00:53:05,839
smoking way too much pot you know like

1313
00:53:09,270 --> 00:53:07,760

one person will start on one subject and

1314

00:53:11,349 --> 00:53:09,280

the next person will

1315

00:53:13,030 --> 00:53:11,359

jump into another one and another one

1316

00:53:15,030 --> 00:53:13,040

and everybody's talking about different

1317

00:53:16,549 --> 00:53:15,040

things but somehow it seems to kind of

1318

00:53:18,309 --> 00:53:16,559

make sense or maybe there's some

1319

00:53:20,230 --> 00:53:18,319

connections there

1320

00:53:22,150 --> 00:53:20,240

i don't know maybe that's mr wilcox

1321

00:53:24,870 --> 00:53:22,160

problem maybe he's smoking too much of

1322

00:53:29,030 --> 00:53:24,880

the of the green and he just can't focus

1323

00:53:30,549 --> 00:53:29,040

enough to you know form any kind of a

1324

00:53:32,630 --> 00:53:30,559

actual

1325

00:53:34,710 --> 00:53:32,640

narrative so he just throws

1326

00:53:36,150 --> 00:53:34,720

so much crap at the wall hoping

1327

00:53:37,910 --> 00:53:36,160

something sticks

1328

00:53:40,549 --> 00:53:37,920

i mean that's kind of where

1329

00:53:41,750 --> 00:53:40,559

that's kind of where we're at with him

1330

00:53:44,390 --> 00:53:41,760

and so

1331

00:53:46,470 --> 00:53:44,400

he addresses the pete peterson thing in

1332

00:53:47,670 --> 00:53:46,480

this blog

1333

00:53:49,750 --> 00:53:47,680

but

1334

00:53:51,349 --> 00:53:49,760

he he sort of incriminates himself

1335

00:53:54,150 --> 00:53:51,359

because he said i helped him with the

1336

00:53:57,349 --> 00:53:54,160

gofundme and by the way the gofundme was

1337

00:53:59,030 --> 00:53:57,359

a con it was a scam so david wilcock

1338

00:54:00,230 --> 00:53:59,040

admitting that he helped pete peterson

1339

00:54:01,109 --> 00:54:00,240

with it

1340

00:54:02,470 --> 00:54:01,119

is

1341

00:54:04,630 --> 00:54:02,480

probably

1342

00:54:06,470 --> 00:54:04,640

him incriminating himself

1343

00:54:08,390 --> 00:54:06,480

but time will tell what's gonna happen

1344

00:54:11,670 --> 00:54:08,400

with that

1345

00:54:14,470 --> 00:54:11,680

and i gotta say i i just can't even

1346

00:54:16,470 --> 00:54:14,480

believe that he is once again

1347

00:54:19,190 --> 00:54:16,480

doubling down and saying this is my

1348

00:54:22,950 --> 00:54:19,200

number one source that has taught us all

1349

00:54:25,910 --> 00:54:22,960

about the alliance since 2009. no

1350

00:54:28,069 --> 00:54:25,920

pete peterson has taught us

1351

00:54:30,710 --> 00:54:28,079

well i guess he taught us all about a

1352

00:54:33,030 --> 00:54:30,720

pump and dump scam that he was involved

1353

00:54:35,990 --> 00:54:33,040

in with the technology company that used

1354

00:54:38,470 --> 00:54:36,000

his fraudulent bio as a fake

1355

00:54:41,109 --> 00:54:38,480

early computer pioneer

1356

00:54:44,870 --> 00:54:41,119

to solicit investors

1357

00:54:47,430 --> 00:54:44,880

based on that fake fraudulent biography

1358

00:54:49,030 --> 00:54:47,440

and uh folks that's generally called a

1359

00:54:51,349 --> 00:54:49,040

pump and dump scam

1360

00:54:54,230 --> 00:54:51,359

that this company released information

1361

00:54:56,150 --> 00:54:54,240

we hired this early computer pioneer we

1362

00:54:58,870 --> 00:54:56,160

expect that he will continue his

1363

00:55:00,549 --> 00:54:58,880

innovation and help our company grow and

1364

00:55:02,309 --> 00:55:00,559

then they invest

1365

00:55:04,230 --> 00:55:02,319

trying to get all kinds of people to

1366

00:55:06,630 --> 00:55:04,240

invest money and then they suddenly went

1367

00:55:08,470 --> 00:55:06,640

out of business

1368

00:55:09,270 --> 00:55:08,480

and what else has pete peterson taught

1369

00:55:14,710 --> 00:55:09,280

us

1370

00:55:17,670 --> 00:55:14,720

careful when giving a donation to a

1371

00:55:20,789 --> 00:55:17,680

gofundme because

1372

00:55:23,109 --> 00:55:20,799

some people on gofundme are not telling

1373

00:55:25,990 --> 00:55:23,119

the truth about

1374

00:55:28,789 --> 00:55:26,000

the reason that they need the donation

1375

00:55:30,789 --> 00:55:28,799

just like that scam with the veteran and

1376

00:55:31,829 --> 00:55:30,799

those two people they got arrested by

1377

00:55:34,470 --> 00:55:31,839

the way

1378

00:55:36,069 --> 00:55:34,480

and i gotta say that i don't think that

1379

00:55:40,309 --> 00:55:36,079

the legal

1380

00:55:43,270 --> 00:55:40,319

peterson gofundme

1381

00:55:45,589 --> 00:55:43,280

are going to end well for anyone that

1382

00:55:47,990 --> 00:55:45,599

was involved in it

1383

00:55:50,230 --> 00:55:48,000

but i also have to say that

1384

00:55:52,150 --> 00:55:50,240

there has been numerous people who told

1385

00:55:55,270 --> 00:55:52,160

me that they have been in contact with

1386

00:55:56,870 --> 00:55:55,280

the person that started it and

1387

00:55:59,589 --> 00:55:56,880

that person is apparently scared to

1388

00:56:02,069 --> 00:55:59,599

1388 speak to me or anyone else about it but

1389

00:56:05,109 --> 00:56:02,079

i would invite her to speak to somebody

1390

00:56:06,710 --> 00:56:05,119

about it publicly tell us the story what

1391

00:56:07,750 --> 00:56:06,720

happened why

1392

00:56:10,309 --> 00:56:07,760

and

1393

00:56:11,349 --> 00:56:10,319

especially tell us where did you get the

1394

00:56:13,910 --> 00:56:11,359

text

1395

00:56:16,390 --> 00:56:13,920

of that gofundme because david wilcox

1396

00:56:18,230 --> 00:56:16,400

saying i didn't start the gofundme

1397

00:56:20,710 --> 00:56:18,240

but everything in the text of the

1398

00:56:23,430 --> 00:56:20,720

gofundme was copied and pasted from

1399

00:56:25,910 --> 00:56:23,440

david wilcox materials either from his

1400

00:56:28,870 --> 00:56:25,920

book or his website or his blogs

1401
00:56:31,109 --> 00:56:28,880
everything in the gofundme was copied

1402
00:56:33,910 --> 00:56:31,119
and pasted

1403
00:56:35,829 --> 00:56:33,920
or it appears to me that that's the case

1404
00:56:38,230 --> 00:56:35,839
so i'd be interested in speaking to that

1405
00:56:40,230 --> 00:56:38,240
person and finding out where did you get

1406
00:56:42,549 --> 00:56:40,240
the text of the gofundme you didn't

1407
00:56:45,030 --> 00:56:42,559
write that who wrote it i'd like to know

1408
00:56:47,270 --> 00:56:45,040
who wrote it i think i know who wrote it

1409
00:56:49,510 --> 00:56:47,280
but i'd like you to tell me

1410
00:56:51,990 --> 00:56:49,520
and again i don't wish

1411
00:56:54,069 --> 00:56:52,000
if if the truth is that you were just

1412
00:56:55,750 --> 00:56:54,079
trying to help pete peterson because you

1413
00:56:58,150 --> 00:56:55,760

truly believe that

1414

00:57:00,069 --> 00:56:58,160

those lies and and he really thought he

1415

00:57:02,789 --> 00:57:00,079

was in trouble and needed help

1416

00:57:04,950 --> 00:57:02,799

nobody would blame you for that

1417

00:57:06,470 --> 00:57:04,960

nobody would hold that against you you

1418

00:57:09,910 --> 00:57:06,480

were trying to do a good thing but you

1419

00:57:11,190 --> 00:57:09,920

got caught up with a couple of cosmic

1420

00:57:12,390 --> 00:57:11,200

con men

1421

00:57:16,950 --> 00:57:12,400

which is exactly

1422

00:57:21,510 --> 00:57:18,710

now my friends i think this would be a

1423

00:57:24,309 --> 00:57:21,520

good time for us to take a break i will

1424

00:57:25,830 --> 00:57:24,319

join you again on the flip side stay

1425

00:57:31,510 --> 00:57:25,840

tuned

1426

00:57:35,829 --> 00:57:34,069

welcome back my friends back to the

1427

00:57:37,430 --> 00:57:35,839

midnight hour

1428

00:57:40,549 --> 00:57:37,440

we were discussing

1429

00:57:42,789 --> 00:57:40,559

david wilcock shady shellcock

1430

00:57:47,510 --> 00:57:42,799

the cosmic con man

1431

00:57:50,549 --> 00:57:47,520

and his tapestry of lies and deceptions

1432

00:57:54,789 --> 00:57:50,559

that he's constantly weaving

1433

00:57:56,150 --> 00:57:54,799

i mentioned these fake threats

1434

00:57:58,710 --> 00:57:56,160

that

1435

00:57:59,990 --> 00:57:58,720

david wilcock has never provided proof

1436

00:58:04,630 --> 00:58:00,000

of

1437

00:58:09,750 --> 00:58:07,430

there is something called a sock puppet

1438

00:58:12,309 --> 00:58:09,760

twitter account and i believe it was one

1439

00:58:16,069 --> 00:58:12,319

of corey goode's sock puppet twitter

1440

00:58:19,349 --> 00:58:16,079

accounts who said that threats were made

1441

00:58:21,190 --> 00:58:19,359

to contact in the desert

1442

00:58:22,870 --> 00:58:21,200

and then suddenly corey goode and david

1443

00:58:23,990 --> 00:58:22,880

wilcox started running with this

1444

00:58:27,430 --> 00:58:24,000

narrative

1445

00:58:30,470 --> 00:58:27,440

that david wilcock has been threatened

1446

00:58:33,030 --> 00:58:30,480

for speaking at contact in the desert

1447

00:58:34,829 --> 00:58:33,040

and his life is in danger

1448

00:58:37,270 --> 00:58:34,839

and these dangerous

1449

00:58:38,710 --> 00:58:37,280

terrorists are making terroristic

1450

00:58:40,549 --> 00:58:38,720

threats

1451

00:58:42,710 --> 00:58:40,559

to david wilcock

1452

00:58:45,829 --> 00:58:42,720

it's all lies folks they have yet to

1453

00:58:48,630 --> 00:58:45,839

produce any proof of any of their claims

1454

00:58:51,589 --> 00:58:48,640

that a single threat was made

1455

00:58:52,870 --> 00:58:51,599

to this man

1456

00:58:55,910 --> 00:58:52,880

next

1457

00:58:57,510 --> 00:58:55,920

i did read already what he

1458

00:59:00,390 --> 00:58:57,520

said

1459

00:59:02,390 --> 00:59:00,400

in regard to these threats

1460

00:59:04,710 --> 00:59:02,400

he said the latest attacks have gotten

1461

00:59:07,030 --> 00:59:04,720

far out of hand it's not cool to

1462

00:59:08,950 --> 00:59:07,040

publicly confront my family and possibly

1463

00:59:13,190 --> 00:59:08,960

my audience alike with what could

1464

00:59:16,069 --> 00:59:13,200

legally be construed as terror threats

1465

00:59:18,549 --> 00:59:16,079

he said the entire hotel was on super

1466

00:59:21,190 --> 00:59:18,559

high alert after seeing the evidence and

1467

00:59:24,630 --> 00:59:21,200

it escalated all the way up to senior

1468

00:59:29,190 --> 00:59:26,950

if people who did this are unaware of

1469

00:59:30,789 --> 00:59:29,200

why this is so serious they haven't gone

1470

00:59:35,109 --> 00:59:30,799

back and studied their own words

1471

00:59:39,030 --> 00:59:38,069

then he said we had 30 staff on high

1472

00:59:41,990 --> 00:59:39,040

alert

1473

00:59:44,630 --> 00:59:42,000

two armed hotel guards on call local

1474

00:59:46,789 --> 00:59:44,640

police on call two unarmed private

1475

00:59:49,589 --> 00:59:46,799

security guards hired by

1476

00:59:52,150 --> 00:59:49,599

the event in the room and two big

1477

00:59:52,930 --> 00:59:52,160

unarmed samoans as my personal security

1478

00:59:56,230 --> 00:59:52,940

guards

1479

00:59:59,510 --> 00:59:57,750

david wilcock

1480

01:00:01,589 --> 00:59:59,520

shady shellcock

1481

01:00:04,710 --> 01:00:01,599

cosmic con man

1482

01:00:06,549 --> 01:00:04,720

i warned you and your partner in crime

1483

01:00:08,549 --> 01:00:06,559

cory good before

1484

01:00:11,030 --> 01:00:08,559

that wherever possible

1485

01:00:14,390 --> 01:00:11,040

if you make ridiculous claims like you

1486

01:00:17,510 --> 01:00:14,400

just made on your public blog you put

1487

01:00:19,670 --> 01:00:17,520

these ridiculous claims in writing

1488

01:00:21,990 --> 01:00:19,680

you stupid

1489

01:00:24,630 --> 01:00:22,000

stupid man

1490

01:00:26,630 --> 01:00:24,640

i warned you previously

1491

01:00:31,349 --> 01:00:26,640

that when you make ridiculous claims

1492

01:00:33,510 --> 01:00:31,359

like this i am going to fact check you

1493

01:00:36,150 --> 01:00:33,520

so here's what i did

1494

01:00:38,549 --> 01:00:36,160

first of all i have a source close to

1495

01:00:40,390 --> 01:00:38,559

the conference organizer the person

1496

01:00:45,030 --> 01:00:40,400

running this conference

1497

01:00:46,309 --> 01:00:45,040

who asked them did they get any threats

1498

01:00:48,789 --> 01:00:46,319

at all

1499

01:00:51,750 --> 01:00:48,799

to the conference or any of the speakers

1500

01:00:54,630 --> 01:00:51,760

at the conference did they see any proof

1501
01:00:57,190 --> 01:00:54,640
of any threats and the answer from the

1502
01:01:00,950 --> 01:00:57,200
conference organizer the person running

1503
01:01:03,589 --> 01:01:00,960
the conference was a resounding no we

1504
01:01:05,109 --> 01:01:03,599
did not receive any threats

1505
01:01:07,670 --> 01:01:05,119
we did not see

1506
01:01:09,750 --> 01:01:07,680
any proof of threats from any of the

1507
01:01:12,309 --> 01:01:09,760
speakers at our conference

1508
01:01:15,109 --> 01:01:12,319
no one discussed these threats with us

1509
01:01:21,190 --> 01:01:17,109
now

1510
01:01:22,829 --> 01:01:21,200
as far as two armed hotel guards on call

1511
01:01:26,789 --> 01:01:22,839
the hotel

1512
01:01:28,150 --> 01:01:26,799
refutes your claims in your own blog mr

1513
01:01:29,349 --> 01:01:28,160

wilcock

1514

01:01:31,829 --> 01:01:29,359

in fact

1515

01:01:33,750 --> 01:01:31,839

the hotel management staff there that i

1516

01:01:36,829 --> 01:01:33,760

spoke to said

1517

01:01:38,630 --> 01:01:36,839

they did not receive any reports of any

1518

01:01:40,069 --> 01:01:38,640

threats

1519

01:01:41,670 --> 01:01:40,079

to anyone

1520

01:01:45,510 --> 01:01:41,680

at that event

1521

01:01:48,230 --> 01:01:45,520

being held there at their hotel

1522

01:01:51,030 --> 01:01:48,240

you said local police were on call

1523

01:01:53,430 --> 01:01:51,040

so mr wilcock i called the local police

1524

01:01:56,870 --> 01:01:53,440

and asked them if there was any reports

1525

01:01:59,510 --> 01:01:56,880

of threats made to one david wilcock or

1526

01:02:01,670 --> 01:01:59,520

one elizabeth wilcock

1527

01:02:04,069 --> 01:02:01,680

was there any threats

1528

01:02:07,109 --> 01:02:04,079

at all reported

1529

01:02:09,910 --> 01:02:07,119

or the danger of threats reported

1530

01:02:12,950 --> 01:02:09,920

at this event contact in the desert

1531

01:02:15,990 --> 01:02:12,960

and the local police

1532

01:02:18,470 --> 01:02:16,000

had me in touch with a spokesperson

1533

01:02:21,829 --> 01:02:18,480

who told me they received

1534

01:02:23,029 --> 01:02:21,839

no reports whatsoever of any threats

1535

01:02:25,589 --> 01:02:23,039

against you

1536

01:02:29,190 --> 01:02:25,599

or your wife or anyone

1537

01:02:30,710 --> 01:02:29,200

at this contact in the desert event

1538

01:02:33,190 --> 01:02:30,720

and in fact

1539

01:02:34,390 --> 01:02:33,200

since they did not receive any reports

1540

01:02:36,390 --> 01:02:34,400

whatsoever

1541

01:02:39,029 --> 01:02:36,400

no mr wilcock

1542

01:02:40,470 --> 01:02:39,039

they did not have local police on call

1543

01:02:42,549 --> 01:02:40,480

what does that mean you were going to

1544

01:02:44,390 --> 01:02:42,559

call them but you didn't is that what

1545

01:02:48,230 --> 01:02:44,400

you're saying here

1546

01:02:50,470 --> 01:02:48,240

you said you had local police on call

1547

01:02:52,549 --> 01:02:50,480

two unarmed private security guards

1548

01:02:53,750 --> 01:02:52,559

hired by event

1549

01:02:56,549 --> 01:02:53,760

in the room

1550

01:02:59,029 --> 01:02:56,559

now that may be true because the event

1551

01:03:01,190 --> 01:02:59,039

organizers have a few guys there for

1552

01:03:03,829 --> 01:03:01,200

security just in case anything happens

1553

01:03:07,589 --> 01:03:03,839

but they were not there specifically

1554

01:03:10,230 --> 01:03:07,599

due to any threats that the

1555

01:03:12,630 --> 01:03:10,240

whole event received

1556

01:03:15,589 --> 01:03:12,640

okay and as far as two big unarmed

1557

01:03:18,069 --> 01:03:15,599

samoans as your personal security guards

1558

01:03:19,750 --> 01:03:18,079

well sir that may be true but the rest

1559

01:03:23,589 --> 01:03:19,760

of your narrative

1560

01:03:25,910 --> 01:03:23,599

falls apart

1561

01:03:30,390 --> 01:03:25,920

very easily all it took was a few phone

1562

01:03:31,430 --> 01:03:30,400

calls to prove that you were a liar

1563

01:03:36,710 --> 01:03:31,440

so

1564

01:03:38,950 --> 01:03:36,720

hotel was on super high alert after

1565

01:03:40,549 --> 01:03:38,960

seeing the evidence and it escalated all

1566

01:03:41,750 --> 01:03:40,559

the way up to senior executive

1567

01:03:45,589 --> 01:03:41,760

management

1568

01:03:48,710 --> 01:03:45,599

hotel

1569

01:03:51,109 --> 01:03:48,720

and they refute your claims

1570

01:03:53,910 --> 01:03:51,119

they say they did not receive any

1571

01:03:56,309 --> 01:03:53,920

reports of any threats that the hotel

1572

01:03:58,630 --> 01:03:56,319

was not on any kind of high alert

1573

01:04:01,430 --> 01:03:58,640

security that the hotel

1574

01:04:03,670 --> 01:04:01,440

was on its normal day-to-day operations

1575

01:04:05,430 --> 01:04:03,680

they didn't hire extra security they did

1576

01:04:08,230 --> 01:04:05,440

not receive reports that there was any

1577

01:04:10,870 --> 01:04:08,240

security problems going on at the event

1578

01:04:13,349 --> 01:04:10,880

and they say the event went off

1579

01:04:15,750 --> 01:04:13,359

as planned without any security problems

1580

01:04:18,230 --> 01:04:15,760

whatsoever

1581

01:04:20,470 --> 01:04:18,240

it did not sir escalate all the way up

1582

01:04:22,950 --> 01:04:20,480

to senior management because just to

1583

01:04:24,789 --> 01:04:22,960

make sure i called and

1584

01:04:28,069 --> 01:04:24,799

got in touch with somebody

1585

01:04:29,750 --> 01:04:28,079

which is in senior management position

1586

01:04:31,910 --> 01:04:29,760

and they got back to me and said they

1587

01:04:33,829 --> 01:04:31,920

had not heard anything about any

1588

01:04:36,630 --> 01:04:33,839

complaints made

1589

01:04:39,190 --> 01:04:36,640

about security issues any threats made

1590

01:04:41,750 --> 01:04:39,200

whatsoever and that the hotel

1591

01:04:44,069 --> 01:04:41,760

had absolutely no idea what you're

1592

01:04:45,990 --> 01:04:44,079

talking about

1593

01:04:49,430 --> 01:04:46,000

they say

1594

01:04:52,069 --> 01:04:49,440

they have uh normal security

1595

01:04:55,109 --> 01:04:52,079

at the hotel but that the normal

1596

01:04:57,270 --> 01:04:55,119

security staff reported no threats made

1597

01:04:59,430 --> 01:04:57,280

previous to the event or after the event

1598

01:05:01,589 --> 01:04:59,440

or during the event no security problems

1599

01:05:04,069 --> 01:05:01,599

made previous to the no security

1600

01:05:07,109 --> 01:05:04,079

problems at all whatsoever before the

1601
01:05:09,750 --> 01:05:07,119
event during the event after the event

1602
01:05:12,470 --> 01:05:09,760
they refute the claims that you made in

1603
01:05:13,430 --> 01:05:12,480
writing on your blog

1604
01:05:16,789 --> 01:05:13,440
sir

1605
01:05:19,029 --> 01:05:16,799
this never happened this is a fantasy

1606
01:05:20,470 --> 01:05:19,039
made up by you

1607
01:05:23,349 --> 01:05:20,480
all of these

1608
01:05:26,390 --> 01:05:23,359
claims of threats you have not

1609
01:05:28,549 --> 01:05:26,400
materialized a single piece of evidence

1610
01:05:29,670 --> 01:05:28,559
to support that you were threatened in

1611
01:05:32,789 --> 01:05:29,680
any way

1612
01:05:35,109 --> 01:05:32,799
not an email not a phone call

1613
01:05:38,150 --> 01:05:35,119

you know not a written letter nothing

1614

01:05:39,829 --> 01:05:38,160

you have absolutely zero proof

1615

01:05:41,910 --> 01:05:39,839

that anything that you're saying in your

1616

01:05:43,750 --> 01:05:41,920

written blog here is true

1617

01:05:45,270 --> 01:05:43,760

and we went through this point by point

1618

01:05:48,710 --> 01:05:45,280

first of all

1619

01:05:52,150 --> 01:05:48,720

there was not 30 staff on high alert the

1620

01:05:54,069 --> 01:05:52,160

the conference had volunteers maybe

1621

01:05:56,309 --> 01:05:54,079

that could amount to that amount but the

1622

01:05:58,710 --> 01:05:56,319

conference itself didn't even have that

1623

01:06:01,190 --> 01:05:58,720

many staff members available to be on

1624

01:06:04,150 --> 01:06:01,200

high alert

1625

01:06:07,109 --> 01:06:04,160

the local police refute sir what you

1626
01:06:10,069 --> 01:06:07,119
said in your blog post no reports of any

1627
01:06:12,630 --> 01:06:10,079
threats on you or anyone at that event

1628
01:06:15,510 --> 01:06:12,640
the police had no idea in fact what

1629
01:06:18,069 --> 01:06:15,520
you're talking about

1630
01:06:20,390 --> 01:06:18,079
why is that david why did you say that

1631
01:06:22,549 --> 01:06:20,400
the police were on call when the local

1632
01:06:24,470 --> 01:06:22,559
police the police local to the

1633
01:06:27,589 --> 01:06:24,480
jurisdiction in which this event took

1634
01:06:29,670 --> 01:06:27,599
place have absolutely no reports of

1635
01:06:33,029 --> 01:06:29,680
anything related to you

1636
01:06:34,710 --> 01:06:33,039
or the event period there's no reports

1637
01:06:36,470 --> 01:06:34,720
mr wilcock

1638
01:06:37,589 --> 01:06:36,480

so what is this did you just make this

1639

01:06:39,910 --> 01:06:37,599

all up

1640

01:06:43,510 --> 01:06:39,920

kind of like how you made up being a

1641

01:06:45,510 --> 01:06:43,520

time traveler on art bell show years ago

1642

01:06:46,470 --> 01:06:45,520

kind of like how you made up

1643

01:06:48,789 --> 01:06:46,480

being

1644

01:06:50,870 --> 01:06:48,799

edgar casey reincarnated

1645

01:06:52,710 --> 01:06:50,880

kind of like how you made up all those

1646

01:06:56,069 --> 01:06:52,720

2012 predictions

1647

01:06:57,910 --> 01:06:56,079

not a single one of which has come true

1648

01:07:00,150 --> 01:06:57,920

kind of like you made up all those

1649

01:07:02,069 --> 01:07:00,160

predictions on your original website

1650

01:07:04,470 --> 01:07:02,079

that you tried to delete

1651
01:07:07,109 --> 01:07:04,480
from the internet so no one would know

1652
01:07:09,029 --> 01:07:07,119
that out of thousands and thousands and

1653
01:07:10,069 --> 01:07:09,039
thousands of predictions that you have

1654
01:07:13,109 --> 01:07:10,079
made

1655
01:07:15,670 --> 01:07:13,119
as a fake psychic over this 20-year

1656
01:07:18,549 --> 01:07:15,680
period that you haven't had a real job

1657
01:07:20,870 --> 01:07:18,559
that you've been running your long con

1658
01:07:23,829 --> 01:07:20,880
not a single prediction from your

1659
01:07:26,390 --> 01:07:23,839
website your original website ever came

1660
01:07:28,630 --> 01:07:26,400
true kinda like you made that up

1661
01:07:29,910 --> 01:07:28,640
mr wilcock is that how you made this up

1662
01:07:31,270 --> 01:07:29,920
kind of like how you made all those

1663
01:07:34,230 --> 01:07:31,280

things up

1664

01:07:35,750 --> 01:07:34,240

that's what you do mr wilcock you tell

1665

01:07:37,349 --> 01:07:35,760

fairy tales

1666

01:07:38,710 --> 01:07:37,359

and i've told you before and i'm going

1667

01:07:41,109 --> 01:07:38,720

to tell you again

1668

01:07:42,470 --> 01:07:41,119

going forward when you make ridiculous

1669

01:07:44,789 --> 01:07:42,480

claims like this

1670

01:07:45,829 --> 01:07:44,799

wherever possible i'm going to fact

1671

01:07:47,910 --> 01:07:45,839

check you

1672

01:07:50,549 --> 01:07:47,920

and then i'm going to share the results

1673

01:07:53,109 --> 01:07:50,559

of my fact checking missions with the

1674

01:07:55,430 --> 01:07:53,119

community who deserve to know that you

1675

01:07:57,750 --> 01:07:55,440

make up fairy tales

1676

01:08:00,950 --> 01:07:57,760

and you see folks this continuing

1677

01:08:03,349 --> 01:08:00,960

narrative by mr wilcock

1678

01:08:05,109 --> 01:08:03,359

that he's under constant threat and

1679

01:08:06,950 --> 01:08:05,119

surveillance and

1680

01:08:09,510 --> 01:08:06,960

you know the government's out to get him

1681

01:08:11,990 --> 01:08:09,520

and the dark alliance is gonna come and

1682

01:08:14,630 --> 01:08:12,000

try to hurt him and kill him

1683

01:08:16,470 --> 01:08:14,640

it's ridiculous it falls apart under

1684

01:08:18,470 --> 01:08:16,480

scrutiny

1685

01:08:21,189 --> 01:08:18,480

it's not true folks

1686

01:08:24,630 --> 01:08:21,199

he just makes up fairy tales he's been

1687

01:08:25,910 --> 01:08:24,640

making up fairy tales for 20 years his

1688

01:08:29,430 --> 01:08:25,920

website

1689

01:08:32,229 --> 01:08:29,440

thousands of predictions none of his

1690

01:08:35,910 --> 01:08:32,239

predictions came true folks not one he's

1691

01:08:37,829 --> 01:08:35,920

batting zero as a fake psychic he is the

1692

01:08:39,669 --> 01:08:37,839

worst fake psychic i have ever

1693

01:08:41,910 --> 01:08:39,679

encountered

1694

01:08:44,309 --> 01:08:41,920

i mean previous to him i've looked into

1695

01:08:46,149 --> 01:08:44,319

a lot of fake psychics and

1696

01:08:48,070 --> 01:08:46,159

a lot of fake psychics are really good

1697

01:08:51,030 --> 01:08:48,080

at being fake psychics you know they

1698

01:08:52,630 --> 01:08:51,040

learn some magic tricks something i'm

1699

01:08:55,430 --> 01:08:52,640

well educated in

1700

01:08:56,789 --> 01:08:55,440

and are really able to fool people well

1701

01:08:59,990 --> 01:08:56,799

they're able to

1702

01:09:02,550 --> 01:09:00,000

make predictions that come true somehow

1703

01:09:04,630 --> 01:09:02,560

it's mostly magic tricks folks

1704

01:09:07,110 --> 01:09:04,640

but david wilcock is apparently too lazy

1705

01:09:08,789 --> 01:09:07,120

to learn some magic tricks or something

1706

01:09:11,030 --> 01:09:08,799

you know i suggest that he get some

1707

01:09:13,189 --> 01:09:11,040

magic books maybe that would make him a

1708

01:09:16,229 --> 01:09:13,199

much better con man

1709

01:09:17,269 --> 01:09:16,239

a much better fake psychic for sure

1710

01:09:19,590 --> 01:09:17,279

and you know

1711

01:09:21,349 --> 01:09:19,600

i mentioned that these

1712

01:09:23,910 --> 01:09:21,359

cosmic con men

1713

01:09:25,430 --> 01:09:23,920

are just too lazy to work

1714

01:09:27,590 --> 01:09:25,440

i'm sure

1715

01:09:30,229 --> 01:09:27,600

that i remember reading something

1716

01:09:32,550 --> 01:09:30,239

david wrote about struggling so much

1717

01:09:35,030 --> 01:09:32,560

working a regular job

1718

01:09:37,269 --> 01:09:35,040

and the unfortunate part is

1719

01:09:39,910 --> 01:09:37,279

that i believe the regular job that he

1720

01:09:41,829 --> 01:09:39,920

referenced was working with

1721

01:09:45,110 --> 01:09:41,839

in a home or something like that with

1722

01:09:47,189 --> 01:09:45,120

developmentally disabled people

1723

01:09:49,030 --> 01:09:47,199

and i gotta say as a father of an

1724

01:09:52,070 --> 01:09:49,040

autistic child

1725

01:09:54,870 --> 01:09:52,080

i have encountered many wonderful people

1726

01:09:57,340 --> 01:09:54,880

who work with developmentally disabled

1727

01:09:58,550 --> 01:09:57,350

people or special needs children

1728

01:10:00,870 --> 01:09:58,560

[Music]

1729

01:10:04,070 --> 01:10:00,880

and karmically right

1730

01:10:05,990 --> 01:10:04,080

that's a wonderful way to spend your day

1731

01:10:10,070 --> 01:10:06,000

that's a wonderful

1732

01:10:13,030 --> 01:10:10,080

to do

1733

01:10:15,430 --> 01:10:13,040

to spend your days helping people

1734

01:10:17,910 --> 01:10:15,440

that truly need the help

1735

01:10:20,390 --> 01:10:17,920

but all mr wilcox did was complain about

1736

01:10:22,390 --> 01:10:20,400

how low the pay was and how he had to

1737

01:10:24,470 --> 01:10:22,400

struggle so hard

1738

01:10:26,630 --> 01:10:24,480

and i gotta tell you

1739

01:10:28,550 --> 01:10:26,640

i don't know you know i'm sure that

1740

01:10:30,630 --> 01:10:28,560

karmically

1741

01:10:32,149 --> 01:10:30,640

his life would be

1742

01:10:34,470 --> 01:10:32,159

endlessly

1743

01:10:37,270 --> 01:10:34,480

more fulfilling and better

1744

01:10:38,950 --> 01:10:37,280

if he had stayed the course at that job

1745

01:10:42,550 --> 01:10:38,960

instead of just deciding that he could

1746

01:10:44,550 --> 01:10:42,560

just make up fairy tales and sell people

1747

01:10:47,270 --> 01:10:44,560

lies for a living

1748

01:10:49,590 --> 01:10:47,280

this man sells books full of lies he

1749

01:10:53,510 --> 01:10:49,600

stands up at conferences

1750

01:10:57,750 --> 01:10:53,520

and lies for hours on end

1751

01:10:59,669 --> 01:10:57,760

it's it's a sad sad state of existence

1752

01:11:02,149 --> 01:10:59,679

my friends

1753

01:11:04,229 --> 01:11:02,159

i mean imagine every day waking up and

1754

01:11:06,149 --> 01:11:04,239

knowing you just have to lie all day

1755

01:11:08,709 --> 01:11:06,159

i've said this before

1756

01:11:10,149 --> 01:11:08,719

it must be a terrible

1757

01:11:11,350 --> 01:11:10,159

miserable

1758

01:11:14,709 --> 01:11:11,360

life

1759

01:11:17,990 --> 01:11:14,719

to live that way must be

1760

01:11:19,750 --> 01:11:18,000

absolutely agonizing to have to do that

1761

01:11:22,630 --> 01:11:19,760

to survive

1762

01:11:24,870 --> 01:11:22,640

and you know honestly i truly feel sorry

1763

01:11:26,870 --> 01:11:24,880

for him and i wish him

1764

01:11:29,270 --> 01:11:26,880

a road to redemption

1765

01:11:32,149 --> 01:11:29,280

you know someone else that i listen to a

1766

01:11:35,189 --> 01:11:32,159

lot is c.w chandler who

1767

01:11:36,630 --> 01:11:35,199

shout out to c.w channer is fond of the

1768

01:11:38,950 --> 01:11:36,640

saying

1769

01:11:41,110 --> 01:11:38,960

he's a child of god

1770

01:11:42,709 --> 01:11:41,120

and i've been thinking a lot about that

1771

01:11:45,590 --> 01:11:42,719

lately

1772

01:11:47,110 --> 01:11:45,600

as much as i criticize this man as much

1773

01:11:48,630 --> 01:11:47,120

as i

1774

01:11:51,910 --> 01:11:48,640

sometimes

1775

01:11:55,510 --> 01:11:51,920

i'm human get angry with him making a

1776

01:11:58,790 --> 01:11:55,520

living selling lies and conning people

1777

01:12:01,990 --> 01:11:58,800

i do believe that he is a child of god

1778

01:12:03,830 --> 01:12:02,000

and i wish him nothing more than a road

1779

01:12:05,430 --> 01:12:03,840

to redemption

1780

01:12:07,270 --> 01:12:05,440

now is he going to take that road to

1781

01:12:08,630 --> 01:12:07,280

redemption

1782

01:12:10,310 --> 01:12:08,640

no because

1783

01:12:12,070 --> 01:12:10,320

i don't believe that he will folks

1784

01:12:15,590 --> 01:12:12,080

because as i said

1785

01:12:19,030 --> 01:12:15,600

these cosmic con men are in

1786

01:12:21,110 --> 01:12:19,040

a game here it's called the long con

1787

01:12:22,390 --> 01:12:21,120

they're not suddenly going to pack in

1788

01:12:25,189 --> 01:12:22,400

that con

1789

01:12:27,110 --> 01:12:25,199

and go back to a real job

1790

01:12:29,430 --> 01:12:27,120

i mean could you imagine david wilcock

1791

01:12:30,870 --> 01:12:29,440

just suddenly quitting selling books

1792

01:12:32,709 --> 01:12:30,880

full of lies

1793

01:12:34,790 --> 01:12:32,719

and you know doing conference

1794

01:12:35,750 --> 01:12:34,800

appearances where he just makes up

1795

01:12:37,990 --> 01:12:35,760

things

1796

01:12:39,830 --> 01:12:38,000

fake stories with fake whistleblowers

1797

01:12:41,590 --> 01:12:39,840

and fake sources

1798

01:12:43,350 --> 01:12:41,600

for that big money that he makes at

1799

01:12:45,830 --> 01:12:43,360

those conferences

1800

01:12:47,750 --> 01:12:45,840

do we see him suddenly just quitting

1801

01:12:52,229 --> 01:12:47,760

that life and

1802

01:12:53,350 --> 01:12:52,239

going and getting an honest real job

1803

01:12:54,709 --> 01:12:53,360

i don't think that's ever going to

1804

01:12:58,390 --> 01:12:54,719

happen

1805

01:13:01,350 --> 01:12:58,400

but i do wish him a road to redemption

1806

01:13:04,149 --> 01:13:01,360

and of course there's another man

1807

01:13:07,270 --> 01:13:04,159

another cosmic con man who i wish

1808

01:13:09,750 --> 01:13:07,280

nothing but a road to redemption for

1809

01:13:11,590 --> 01:13:09,760

and that is shady shock david wilcox

1810

01:13:12,630 --> 01:13:11,600

partner in slime

1811

01:13:16,149 --> 01:13:12,640

that is

1812

01:13:20,630 --> 01:13:19,030

oh i don't even know where to begin

1813

01:13:24,070 --> 01:13:20,640

to cover some of the things that have

1814

01:13:27,350 --> 01:13:24,080

been happening with corey goode lately

1815

01:13:30,630 --> 01:13:27,360

but it is enough to say that corey goode

1816

01:13:33,189 --> 01:13:30,640

has been in a legal threat

1817

01:13:34,229 --> 01:13:33,199

meltdown mode on twitter

1818

01:13:37,910 --> 01:13:34,239

for

1819

01:13:39,830 --> 01:13:37,920

i i think it's months now honestly

1820

01:13:42,390 --> 01:13:39,840

first of all i think a lot of these

1821

01:13:44,310 --> 01:13:42,400

legal threats and this narrative that

1822

01:13:47,189 --> 01:13:44,320

corey good is trying

1823

01:13:50,870 --> 01:13:47,199

desperately to get out there

1824

01:13:53,750 --> 01:13:50,880

to prove his innocence started with what

1825

01:13:56,149 --> 01:13:53,760

has been called doxgate

1826

01:13:58,790 --> 01:13:56,159

and that happened when someone in a

1827

01:14:00,630 --> 01:13:58,800

private facebook group and communicating

1828

01:14:03,830 --> 01:14:00,640

through facebook messenger

1829

01:14:06,390 --> 01:14:03,840

with corey good cult members

1830

01:14:08,470 --> 01:14:06,400

decided that what they were doing

1831

01:14:10,630 --> 01:14:08,480

planning to slander people

1832

01:14:13,590 --> 01:14:10,640

writing blogs with fake information

1833

01:14:17,189 --> 01:14:13,600

about corey good's critics

1834

01:14:19,830 --> 01:14:17,199

let's see doxxing cory goods critics you

1835

01:14:23,189 --> 01:14:19,840

know releasing their private information

1836

01:14:26,149 --> 01:14:23,199

to try to uh you know get others to

1837

01:14:26,830 --> 01:14:26,159

harass them at their place of business

1838

01:14:32,070 --> 01:14:26,840

or

1839

01:14:34,149 --> 01:14:32,080
captured all the screenshots proving

1840

01:14:36,870 --> 01:14:34,159
that corey goode and his cult-like

1841

01:14:39,110 --> 01:14:36,880
followers were indeed

1842

01:14:41,750 --> 01:14:39,120
slandering people

1843

01:14:44,310 --> 01:14:41,760
doxing people and and these were all of

1844

01:14:46,709 --> 01:14:44,320
corey good's critics

1845

01:14:49,510 --> 01:14:46,719
now the changing narrative is something

1846

01:14:51,910 --> 01:14:49,520
the changing narrative from

1847

01:14:55,590 --> 01:14:51,920
corey goode and his

1848

01:14:58,229 --> 01:14:55,600
cult is important it's important that we

1849

01:14:59,750 --> 01:14:58,239
realize the changing narrative

1850

01:15:01,030 --> 01:14:59,760
because

1851
01:15:03,350 --> 01:15:01,040
first

1852
01:15:05,910 --> 01:15:03,360
corey goode

1853
01:15:08,950 --> 01:15:05,920
decides that he's going to direct the

1854
01:15:11,350 --> 01:15:08,960
blame for the doxing of his critics on

1855
01:15:13,669 --> 01:15:11,360
someone else and that someone else

1856
01:15:14,709 --> 01:15:13,679
was patty grier

1857
01:15:17,830 --> 01:15:14,719
during

1858
01:15:20,310 --> 01:15:17,840
this video of david wilcock and corey

1859
01:15:22,390 --> 01:15:20,320
goode and that video is titled cosmic

1860
01:15:25,189 --> 01:15:22,400
briefing with david wilcock and corey

1861
01:15:27,510 --> 01:15:25,199
goode 2019

1862
01:15:29,189 --> 01:15:27,520
i found it very strange that there was a

1863
01:15:30,870 --> 01:15:29,199

sock puppet account for those who don't

1864

01:15:33,510 --> 01:15:30,880

know a sock puppet account is a fake

1865

01:15:35,750 --> 01:15:33,520

account that's actually controlled by

1866

01:15:37,990 --> 01:15:35,760

someone else it's just a totally fake

1867

01:15:40,709 --> 01:15:38,000

account usually

1868

01:15:41,510 --> 01:15:40,719

fake name fake picture

1869

01:15:44,950 --> 01:15:41,520

no

1870

01:15:47,830 --> 01:15:44,960

real person behind it

1871

01:15:51,110 --> 01:15:47,840

in the live chat for that video a jamie

1872

01:15:54,390 --> 01:15:51,120

hamilton kept copying and pasting over

1873

01:15:56,870 --> 01:15:54,400

and over and over again this statement

1874

01:15:58,870 --> 01:15:56,880

anyone notice how quiet patty grier has

1875

01:15:59,990 --> 01:15:58,880

gotten since the doxing info was

1876

01:16:01,990 --> 01:16:00,000

released

1877

01:16:04,870 --> 01:16:02,000

she has been even more quiet since it

1878

01:16:07,669 --> 01:16:04,880

became public that she and her team

1879

01:16:11,030 --> 01:16:07,679

did the doxing that corey goode was

1880

01:16:15,110 --> 01:16:12,950

first of all folks it's strange enough

1881

01:16:17,669 --> 01:16:15,120

that someone would continually copy and

1882

01:16:19,350 --> 01:16:17,679

paste that into a live chat over and

1883

01:16:21,350 --> 01:16:19,360

over and over again

1884

01:16:23,510 --> 01:16:21,360

it becomes even more suspicious when you

1885

01:16:25,270 --> 01:16:23,520

look into the account

1886

01:16:27,830 --> 01:16:25,280

jamie hamilton

1887

01:16:29,910 --> 01:16:27,840

that was continually copying and pasting

1888

01:16:31,110 --> 01:16:29,920

this into their live chat during their

1889

01:16:33,350 --> 01:16:31,120

video

1890

01:16:35,030 --> 01:16:33,360

and you see that it's not a real person

1891

01:16:36,740 --> 01:16:35,040

it's not a real picture

1892

01:16:38,390 --> 01:16:36,750

it's a fake account

1893

01:16:40,550 --> 01:16:38,400

[Music]

1894

01:16:43,110 --> 01:16:40,560

now i have my own theory of who was

1895

01:16:44,229 --> 01:16:43,120

actually controlling this jamie hamilton

1896

01:16:46,709 --> 01:16:44,239

account

1897

01:16:49,030 --> 01:16:46,719

but i just find it interesting

1898

01:16:51,350 --> 01:16:49,040

there's also been several tweets of

1899

01:16:53,750 --> 01:16:51,360

people claiming that patty greer was

1900

01:16:55,430 --> 01:16:53,760

behind the dachshund campaign that corey

1901

01:16:57,990 --> 01:16:55,440

goode was accused of

1902

01:17:00,630 --> 01:16:58,000

no folks that's just

1903

01:17:03,110 --> 01:17:00,640

total lie patty greer was not mentioned

1904

01:17:05,189 --> 01:17:03,120

in the doxgate screenshots she was not

1905

01:17:07,669 --> 01:17:05,199

in the secret group

1906

01:17:10,790 --> 01:17:07,679

of corey goode and his cult members that

1907

01:17:12,790 --> 01:17:10,800

were doing these slanderous

1908

01:17:15,430 --> 01:17:12,800

libelous

1909

01:17:17,590 --> 01:17:15,440

attacks on his critics or the doxing of

1910

01:17:19,189 --> 01:17:17,600

his critics patty grier had absolutely

1911

01:17:21,669 --> 01:17:19,199

nothing to do with it i don't know where

1912

01:17:23,430 --> 01:17:21,679

he got this narrative if it if it's

1913

01:17:25,830 --> 01:17:23,440

coming from corey goode and his cult

1914

01:17:26,950 --> 01:17:25,840

members that patty greer did it but this

1915

01:17:31,669 --> 01:17:26,960

is

1916

01:17:34,390 --> 01:17:31,679

here i didn't do the doxing it was patti

1917

01:17:36,950 --> 01:17:34,400

grier there's absolutely zero evidence

1918

01:17:39,750 --> 01:17:36,960

or zero proof that patty grier even knew

1919

01:17:41,030 --> 01:17:39,760

anything about this doxing campaign let

1920

01:17:43,430 --> 01:17:41,040

alone

1921

01:17:45,189 --> 01:17:43,440

was responsible for it

1922

01:17:46,950 --> 01:17:45,199

that my friends

1923

01:17:49,669 --> 01:17:46,960

is the first

1924

01:17:52,070 --> 01:17:49,679

narrative or defense that corey good try

1925

01:17:53,030 --> 01:17:52,080

to put out there i believe tried to put

1926

01:17:55,270 --> 01:17:53,040

out there

1927

01:17:57,830 --> 01:17:55,280

you know he's too much of a coward to

1928

01:17:59,910 --> 01:17:57,840

tweet this stuff or write this stuff in

1929

01:18:02,149 --> 01:17:59,920

a chat under his own name

1930

01:18:03,510 --> 01:18:02,159

so i believe that he uses sock puppet

1931

01:18:05,669 --> 01:18:03,520

accounts to try to get his message

1932

01:18:07,669 --> 01:18:05,679

across after all here's a bunch of his

1933

01:18:10,229 --> 01:18:07,679

followers in this live chat watching

1934

01:18:12,149 --> 01:18:10,239

this video let's copy and paste over and

1935

01:18:14,870 --> 01:18:12,159

over and over again this thing that

1936

01:18:16,550 --> 01:18:14,880

patty grier was the one behind the

1937

01:18:19,430 --> 01:18:16,560

doxxing not me

1938

01:18:21,760 --> 01:18:19,440

that's what i believe happened

1939

01:18:22,870 --> 01:18:21,770

now then the narrative changes again

1940

01:18:25,270 --> 01:18:22,880

[Music]

1941

01:18:28,790 --> 01:18:25,280

and corey good releases some

1942

01:18:30,550 --> 01:18:28,800

multi-page long statement

1943

01:18:33,189 --> 01:18:30,560

uh

1944

01:18:35,590 --> 01:18:33,199

that basically

1945

01:18:38,709 --> 01:18:35,600

in that statement he basically

1946

01:18:40,470 --> 01:18:38,719

threw his followers under the bus

1947

01:18:42,870 --> 01:18:40,480

and he said that they did all that

1948

01:18:45,030 --> 01:18:42,880

without his knowledge he didn't condone

1949

01:18:47,350 --> 01:18:45,040

it he didn't direct it

1950

01:18:49,830 --> 01:18:47,360

corey goode is

1951

01:18:52,550 --> 01:18:49,840

there he's in the screenshots

1952

01:18:55,270 --> 01:18:52,560

giving information on emery smith who

1953

01:18:57,590 --> 01:18:55,280

was doxxed and who was slandered and

1954

01:18:59,910 --> 01:18:57,600

libeled and attacked online

1955

01:19:01,350 --> 01:18:59,920

by this corey good

1956

01:19:03,750 --> 01:19:01,360

cult

1957

01:19:05,030 --> 01:19:03,760

this group of followers and supporters

1958

01:19:07,669 --> 01:19:05,040

of him

1959

01:19:11,350 --> 01:19:07,679

uh with joy jackson and rob venoy and a

1960

01:19:14,149 --> 01:19:11,360

few other people on the screen shots

1961

01:19:16,550 --> 01:19:14,159

it's it's very evident that

1962

01:19:19,270 --> 01:19:16,560

corey goode was

1963

01:19:20,830 --> 01:19:19,280

being talked about in that group

1964

01:19:22,950 --> 01:19:20,840

and was

1965

01:19:25,990 --> 01:19:22,960

apparently you know

1966

01:19:29,189 --> 01:19:26,000

giving this group information to use

1967

01:19:32,950 --> 01:19:29,199

in their nefarious activities

1968

01:19:35,110 --> 01:19:32,960

so in his statement uh which you can

1969

01:19:37,110 --> 01:19:35,120

read if you have you know

1970

01:19:38,229 --> 01:19:37,120

hours i guess this is a really long

1971

01:19:41,110 --> 01:19:38,239

statement

1972

01:19:42,229 --> 01:19:41,120

and again here's another person that is

1973

01:19:45,270 --> 01:19:42,239

obviously

1974

01:19:47,430 --> 01:19:45,280

incredibly narcissistic

1975

01:19:49,910 --> 01:19:47,440

folks if you're accused of something you

1976

01:19:52,470 --> 01:19:49,920

didn't do like you know especially a

1977

01:19:54,070 --> 01:19:52,480

criminal act you don't write a 10-page

1978

01:19:55,669 --> 01:19:54,080

statement about it you write a very

1979

01:19:57,750 --> 01:19:55,679

brief statement denying those

1980

01:19:59,750 --> 01:19:57,760

accusations or whatever you know a

1981

01:20:01,669 --> 01:19:59,760

paragraph or less

1982

01:20:02,870 --> 01:20:01,679

that's what most people

1983

01:20:04,950 --> 01:20:02,880

would do

1984

01:20:07,830 --> 01:20:04,960

not corey good he writes a 10-page

1985

01:20:10,229 --> 01:20:07,840

rambling statement you know

1986

01:20:12,390 --> 01:20:10,239

he basically says i had nothing to do

1987

01:20:14,149 --> 01:20:12,400

with that those were you know supporters

1988

01:20:15,669 --> 01:20:14,159

of mine who were doing that and i don't

1989

01:20:18,229 --> 01:20:15,679

condone that

1990

01:20:20,629 --> 01:20:18,239

and it's also interesting so you know he

1991

01:20:23,910 --> 01:20:20,639

throws his followers under the bus

1992

01:20:26,870 --> 01:20:23,920

that's his second explanation or defense

1993

01:20:28,070 --> 01:20:26,880

of of this doxgate thing i didn't have

1994

01:20:30,229 --> 01:20:28,080

anything to do with that that was

1995

01:20:32,149 --> 01:20:30,239

supporters of mine and i you know they

1996

01:20:33,990 --> 01:20:32,159

showed me the stuff and i just chuckled

1997

01:20:36,709 --> 01:20:34,000

at it you know

1998

01:20:38,629 --> 01:20:36,719

well if they were showing you

1999

01:20:39,830 --> 01:20:38,639

personal information that they plan to

2000

01:20:41,189 --> 01:20:39,840

release

2001

01:20:42,470 --> 01:20:41,199

on the internet

2002

01:20:44,790 --> 01:20:42,480

you should have known that that was a

2003

01:20:47,030 --> 01:20:44,800

crime and you should have shut them down

2004

01:20:49,270 --> 01:20:47,040

but you didn't do that

2005

01:20:50,709 --> 01:20:49,280

in fact i believe that the screenshots

2006

01:20:51,990 --> 01:20:50,719

show that you were feeding them

2007

01:20:54,149 --> 01:20:52,000

information

2008

01:20:57,270 --> 01:20:54,159

and you were encouraging them to

2009

01:21:02,070 --> 01:20:57,280

continue in these nefarious unethical

2010

01:21:05,669 --> 01:21:03,590

next

2011

01:21:08,950 --> 01:21:05,679

we get a new narrative

2012

01:21:09,990 --> 01:21:08,960

and corey goode starts his legal

2013

01:21:11,270 --> 01:21:10,000

threat

2014

01:21:12,830 --> 01:21:11,280

rants

2015

01:21:15,189 --> 01:21:12,840

on

2016

01:21:16,950 --> 01:21:15,199

twitter which

2017

01:21:18,709 --> 01:21:16,960

you know honestly when he was doing this

2018

01:21:21,510 --> 01:21:18,719

i could not believe

2019

01:21:23,110 --> 01:21:21,520

that a public figure with any kind of a

2020

01:21:24,709 --> 01:21:23,120

following

2021

01:21:27,669 --> 01:21:24,719

would be

2022

01:21:30,070 --> 01:21:27,679

writing this stuff on twitter

2023

01:21:31,510 --> 01:21:30,080

it's it's absolutely ridiculous that he

2024

01:21:35,510 --> 01:21:31,520

would do that

2025

01:21:37,189 --> 01:21:35,520

that's not something that someone does

2026

01:21:39,750 --> 01:21:37,199

and i have to remind my listeners that

2027

01:21:42,070 --> 01:21:39,760

this man claims to be a loving light

2028

01:21:44,149 --> 01:21:42,080

galactic ambassador

2029

01:21:46,229 --> 01:21:44,159

that aliens came

2030

01:21:48,629 --> 01:21:46,239

hundreds of light years from other

2031

01:21:51,189 --> 01:21:48,639

galaxies even

2032

01:21:53,669 --> 01:21:51,199

and chose him as their light and love

2033

01:21:55,910 --> 01:21:53,679

galactic ambassador

2034

01:21:57,189 --> 01:21:55,920

and he preaches light and love and he

2035

01:21:59,510 --> 01:21:57,199

preaches

2036

01:22:02,149 --> 01:21:59,520

to be more of service to others than

2037

01:22:05,270 --> 01:22:02,159

service to yourself that's one of the

2038

01:22:07,990 --> 01:22:05,280

big parts of his message

2039

01:22:10,629 --> 01:22:08,000

now i gotta say folks with that in mind

2040

01:22:12,870 --> 01:22:10,639

i'm gonna read you some of these tweets

2041

01:22:13,830 --> 01:22:12,880

that he has been sending out

2042

01:22:16,470 --> 01:22:13,840

and

2043

01:22:18,629 --> 01:22:16,480

you decide if this sounds like something

2044

01:22:20,550 --> 01:22:18,639

a galactic

2045

01:22:22,070 --> 01:22:20,560

love and light ambassador

2046

01:22:26,629 --> 01:22:22,080

would be writing

2047

01:22:31,350 --> 01:22:28,550

in replying to someone and i believe

2048

01:22:34,229 --> 01:22:31,360

he's speaking about cw channel here he

2049

01:22:35,910 --> 01:22:34,239

says he seems to have had a mental break

2050

01:22:37,830 --> 01:22:35,920

he recently destroyed his entire

2051

01:22:39,030 --> 01:22:37,840

personal life over his obsessive

2052

01:22:40,709 --> 01:22:39,040

behavior

2053

01:22:43,189 --> 01:22:40,719

we don't think he will break out of his

2054

01:22:45,669 --> 01:22:43,199

manic sociopath feeding frenzy until law

2055

01:22:47,830 --> 01:22:45,679

enforcement gets involved our hope is

2056

01:22:49,590 --> 01:22:47,840

that the police do a mental evaluation

2057

01:22:53,110 --> 01:22:49,600

of him

2058

01:22:58,229 --> 01:22:55,350

that i think is relevant here is

2059

01:23:00,709 --> 01:22:58,239

he says if i were among those assisting

2060

01:23:03,669 --> 01:23:00,719

the dark alliance in this cyber stalking

2061

01:23:06,709 --> 01:23:03,679

campaign my advice is to seek out a very

2062

01:23:08,070 --> 01:23:06,719

good criminal and civil attorney

2063

01:23:12,870 --> 01:23:08,080

asap

2064

01:23:16,229 --> 01:23:15,270

next and this one was my favorite

2065

01:23:17,990 --> 01:23:16,239

uh

2066

01:23:19,750 --> 01:23:18,000

looking forward to law enforcement

2067

01:23:20,790 --> 01:23:19,760

knocking on doors in the coming week or

2068

01:23:22,870 --> 01:23:20,800

two

2069

01:23:25,990 --> 01:23:22,880

this clown is at the top of the clown

2070

01:23:31,669 --> 01:23:29,189

so after he tweeted that law enforcement

2071

01:23:33,669 --> 01:23:31,679

would be knocking on doors in the coming

2072

01:23:35,750 --> 01:23:33,679

week or two

2073

01:23:38,629 --> 01:23:35,760

and he mentioned the colorado state

2074

01:23:43,510 --> 01:23:38,639

police i believe

2075

01:23:48,629 --> 01:23:46,149

and first of all uh some of these tweets

2076

01:23:49,990 --> 01:23:48,639

were in relation to the apparent threats

2077

01:23:52,950 --> 01:23:50,000

that were made

2078

01:23:54,310 --> 01:23:52,960

right to the conference contact in the

2079

01:23:56,310 --> 01:23:54,320

desert

2080

01:23:58,470 --> 01:23:56,320

so what i did is i called the state

2081

01:24:01,270 --> 01:23:58,480

police and asked them if there was any

2082

01:24:02,870 --> 01:24:01,280

reports from this man

2083

01:24:05,510 --> 01:24:02,880

corey goode

2084

01:24:07,270 --> 01:24:05,520

or reports about david wilcock

2085

01:24:10,390 --> 01:24:07,280

and threats made to him

2086

01:24:12,310 --> 01:24:10,400

no such reports no such threats

2087

01:24:14,310 --> 01:24:12,320

were reported there was no police

2088

01:24:15,430 --> 01:24:14,320

reports there was no

2089

01:24:17,510 --> 01:24:15,440

fbi

2090

01:24:19,990 --> 01:24:17,520

reports i spoke to

2091

01:24:21,110 --> 01:24:20,000

a media representative at the fbi field

2092

01:24:24,149 --> 01:24:21,120

office

2093

01:24:25,750 --> 01:24:24,159

uh in that jurisdiction

2094

01:24:31,590 --> 01:24:25,760

there's nothing folks there's just

2095

01:24:35,350 --> 01:24:32,550

so

2096

01:24:37,669 --> 01:24:35,360

you know i have to say

2097

01:24:41,270 --> 01:24:37,679

oh you know here's another one and and

2098

01:24:42,390 --> 01:24:41,280

this one he's replying to arie stone

2099

01:24:44,709 --> 01:24:42,400

uh and

2100

01:24:46,709 --> 01:24:44,719

c channel cw channel

2101
01:24:48,470 --> 01:24:46,719
he says exactly you'll get to know them

2102
01:24:50,709 --> 01:24:48,480
well in the coming months you are among

2103
01:24:52,629 --> 01:24:50,719
about a dozen people in organizations

2104
01:24:54,470 --> 01:24:52,639
that we have evidence testimony against

2105
01:24:57,830 --> 01:24:54,480
as being part of a cyber stalking

2106
01:25:01,030 --> 01:24:57,840
slander criminal conspiracy undisputable

2107
01:25:02,950 --> 01:25:01,040
ties new law firm about to drop bags of

2108
01:25:05,270 --> 01:25:02,960
hammers

2109
01:25:07,590 --> 01:25:05,280
so corey good is dropping bags of legal

2110
01:25:09,270 --> 01:25:07,600
hammers here's another one all bullies

2111
01:25:11,830 --> 01:25:09,280
eventually pick on the wrong person and

2112
01:25:14,310 --> 01:25:11,840
then scream victimhood i have been that

2113
01:25:15,830 --> 01:25:14,320

wrong person to take on most of my life

2114

01:25:17,990 --> 01:25:15,840

it is only me

2115

01:25:20,229 --> 01:25:18,000

they have coming down on them grab some

2116

01:25:21,350 --> 01:25:20,239

popcorn

2117

01:25:24,149 --> 01:25:21,360

and then

2118

01:25:26,629 --> 01:25:24,159

uh in one of the most funny

2119

01:25:28,310 --> 01:25:26,639

parts of this there's a sock puppet

2120

01:25:29,990 --> 01:25:28,320

account that i am

2121

01:25:32,629 --> 01:25:30,000

absolutely sure

2122

01:25:34,229 --> 01:25:32,639

is corey goode's own you know he's

2123

01:25:39,110 --> 01:25:34,239

controlling this twitter account he

2124

01:25:43,669 --> 01:25:41,430

looks like the dark alliance took on the

2125

01:25:46,629 --> 01:25:43,679

wrong guy

2126

01:25:49,110 --> 01:25:46,639

it's just comical folks

2127

01:25:51,189 --> 01:25:49,120

and now we get more tweets coming from

2128

01:25:53,270 --> 01:25:51,199

him anyone that tries to argue that

2129

01:25:54,870 --> 01:25:53,280

these are mere critics

2130

01:25:56,149 --> 01:25:54,880

and i think it's funny he spells mirror

2131

01:25:58,550 --> 01:25:56,159

m-e-a-r

2132

01:26:00,310 --> 01:25:58,560

mere critics and not trolls and cyber

2133

01:26:02,629 --> 01:26:00,320

stalkers has either not been paying

2134

01:26:04,629 --> 01:26:02,639

attention or are complicit people can

2135

01:26:06,629 --> 01:26:04,639

rationalize their behavior but the slow

2136

01:26:10,070 --> 01:26:06,639

wheels of justice often catch up with

2137

01:26:11,750 --> 01:26:10,080

them as in this case

2138

01:26:14,229 --> 01:26:11,760

next

2139

01:26:16,070 --> 01:26:14,239

he tweets public warnings of civil and

2140

01:26:18,070 --> 01:26:16,080

criminal action have been repeatedly

2141

01:26:20,629 --> 01:26:18,080

scoffed at so far

2142

01:26:22,629 --> 01:26:20,639

it will continue it is a sociopathic

2143

01:26:27,350 --> 01:26:22,639

feeding frenzy that will only be stopped

2144

01:26:29,830 --> 01:26:29,030

so folks

2145

01:26:32,390 --> 01:26:29,840

he

2146

01:26:33,750 --> 01:26:32,400

has continually claimed that

2147

01:26:35,750 --> 01:26:33,760

he

2148

01:26:37,510 --> 01:26:35,760

law enforcement is involved and law

2149

01:26:39,350 --> 01:26:37,520

enforcement is going to be knocking on

2150

01:26:41,030 --> 01:26:39,360

people's doors

2151

01:26:42,790 --> 01:26:41,040
and i got to tell you folks i keep

2152

01:26:45,669 --> 01:26:42,800
calling the state police

2153

01:26:48,550 --> 01:26:45,679
that he mentions i keep calling

2154

01:26:50,310 --> 01:26:48,560
the fbi field offices and

2155

01:26:52,070 --> 01:26:50,320
you know there's nothing there's no

2156

01:26:54,709 --> 01:26:52,080
reports anywhere

2157

01:26:55,910 --> 01:26:54,719
and it's important to realize that

2158

01:26:57,910 --> 01:26:55,920
corey goode

2159

01:26:59,350 --> 01:26:57,920
is claiming that people are cyber

2160

01:27:02,149 --> 01:26:59,360
stalking him

2161

01:27:03,430 --> 01:27:02,159
for simply being critical of his fake

2162

01:27:06,070 --> 01:27:03,440
stories

2163

01:27:07,830 --> 01:27:06,080

i gotta tell you folks he is a public

2164

01:27:10,229 --> 01:27:07,840

figure

2165

01:27:13,189 --> 01:27:10,239

he's the person that came out and made

2166

01:27:15,830 --> 01:27:13,199

claims like a spaceship landed in my

2167

01:27:18,709 --> 01:27:15,840

backyard and took me to the moon and

2168

01:27:20,950 --> 01:27:18,719

mars and to space missions

2169

01:27:23,510 --> 01:27:20,960

he's the person that came out and

2170

01:27:24,390 --> 01:27:23,520

claimed to be in communication

2171

01:27:26,149 --> 01:27:24,400

with

2172

01:27:29,590 --> 01:27:26,159

a blue

2173

01:27:31,830 --> 01:27:29,600

avian alien race

2174

01:27:34,070 --> 01:27:31,840

you know he's the person that made these

2175

01:27:35,189 --> 01:27:34,080

claims in public

2176
01:27:37,189 --> 01:27:35,199
and

2177
01:27:38,629 --> 01:27:37,199
i have

2178
01:27:40,709 --> 01:27:38,639
not heard

2179
01:27:42,709 --> 01:27:40,719
any of his critics

2180
01:27:44,870 --> 01:27:42,719
threaten him ever

2181
01:27:47,990 --> 01:27:44,880
never it's never happened folks it's a

2182
01:27:49,030 --> 01:27:48,000
fantasy it's his own paranoid delusions

2183
01:27:51,430 --> 01:27:49,040
now

2184
01:27:53,750 --> 01:27:51,440
that i think are at play here no one's

2185
01:27:56,229 --> 01:27:53,760
threatened him people have been critical

2186
01:27:58,629 --> 01:27:56,239
of his claims

2187
01:28:01,110 --> 01:27:58,639
i myself have been very critical of his

2188
01:28:03,189 --> 01:28:01,120

claims and i'm almost sure that i'm

2189

01:28:05,270 --> 01:28:03,199

included in this list of

2190

01:28:07,430 --> 01:28:05,280

people that he says law enforcement are

2191

01:28:09,750 --> 01:28:07,440

going to be knocking on your door

2192

01:28:11,590 --> 01:28:09,760

and i got to tell you folks

2193

01:28:13,189 --> 01:28:11,600

you know he said law enforcement and the

2194

01:28:15,910 --> 01:28:13,199

state police and the fbi were going to

2195

01:28:18,070 --> 01:28:15,920

be knocking on these people's doors

2196

01:28:20,470 --> 01:28:18,080

and i'm pretty sure he included me in

2197

01:28:22,229 --> 01:28:20,480

one of those tweets so

2198

01:28:24,629 --> 01:28:22,239

i went out and bought donuts i cleaned

2199

01:28:26,310 --> 01:28:24,639

up my living room you know i was all

2200

01:28:28,629 --> 01:28:26,320

waiting for these police to come because

2201

01:28:30,550 --> 01:28:28,639

i couldn't wait to tell them the story

2202

01:28:31,990 --> 01:28:30,560

of the galactic light and love

2203

01:28:33,990 --> 01:28:32,000

ambassador

2204

01:28:36,950 --> 01:28:34,000

who had spaceships landing in his

2205

01:28:40,790 --> 01:28:36,960

backyard taking him to a moon base and

2206

01:28:42,870 --> 01:28:40,800

to mars and to fight reptilian aliens to

2207

01:28:45,189 --> 01:28:42,880

save the human race

2208

01:28:48,390 --> 01:28:45,199

i couldn't wait to tell the police about

2209

01:28:49,510 --> 01:28:48,400

that to tell the fbi about that

2210

01:28:52,070 --> 01:28:49,520

but

2211

01:28:55,510 --> 01:28:52,080

nobody knocked on my door folks

2212

01:28:58,709 --> 01:28:55,520

and so again i called the state police i

2213

01:29:00,950 --> 01:28:58,719

called the fbi field offices there is no

2214

01:29:01,830 --> 01:29:00,960

reports

2215

01:29:04,709 --> 01:29:01,840

made

2216

01:29:08,070 --> 01:29:04,719

by corey goode about any of this it's a

2217

01:29:10,070 --> 01:29:08,080

fantasy that he's concocted somehow

2218

01:29:12,790 --> 01:29:10,080

now lately there's been a new statement

2219

01:29:15,910 --> 01:29:12,800

that he came out with saying that you

2220

01:29:17,910 --> 01:29:15,920

know he's got lawyers involved

2221

01:29:20,550 --> 01:29:17,920

and it's also an important thing to

2222

01:29:23,910 --> 01:29:20,560

mention that he keeps on lately

2223

01:29:26,950 --> 01:29:23,920

including for a while he was including

2224

01:29:30,390 --> 01:29:26,960

internet law center which is a law firm

2225

01:29:33,590 --> 01:29:30,400

in california that deals in cyber

2226

01:29:35,189 --> 01:29:33,600

stalking and you know online crimes that

2227

01:29:38,070 --> 01:29:35,199

kind of a lawyer

2228

01:29:39,990 --> 01:29:38,080

so i called that lawyer to say hey do

2229

01:29:41,430 --> 01:29:40,000

you know that he's including you and all

2230

01:29:43,830 --> 01:29:41,440

these tweets where he's threatening

2231

01:29:45,830 --> 01:29:43,840

legal action on all these people

2232

01:29:47,270 --> 01:29:45,840

i spoke to that lawyer

2233

01:29:48,709 --> 01:29:47,280

uh i'm sorry i don't have his name in

2234

01:29:51,030 --> 01:29:48,719

front of me don't have my notes in front

2235

01:29:54,229 --> 01:29:51,040

of me but i i promise you i spoke to him

2236

01:29:55,910 --> 01:29:54,239

and he was kind of like no i uh i'm not

2237

01:29:57,350 --> 01:29:55,920

representing him in any ongoing

2238

01:29:58,950 --> 01:29:57,360

litigation

2239

01:30:01,110 --> 01:29:58,960

then he put me on hold and said wait a

2240

01:30:02,950 --> 01:30:01,120

minute and then he said oh yeah well

2241

01:30:04,790 --> 01:30:02,960

they contacted me but i don't know why

2242

01:30:06,790 --> 01:30:04,800

he's including me in all these tweets

2243

01:30:09,590 --> 01:30:06,800

because i'm not currently representing

2244

01:30:11,430 --> 01:30:09,600

him all the same since they contacted me

2245

01:30:13,430 --> 01:30:11,440

i can't really discuss anything else

2246

01:30:14,950 --> 01:30:13,440

with you i asked that lawyer are you

2247

01:30:16,950 --> 01:30:14,960

going to be representing him he said

2248

01:30:19,189 --> 01:30:16,960

well i don't know i haven't even spoken

2249

01:30:21,990 --> 01:30:19,199

to them all i you know all he would tell

2250

01:30:23,189 --> 01:30:22,000

me is well they they sent me an email

2251

01:30:24,870 --> 01:30:23,199

and that's it

2252

01:30:26,950 --> 01:30:24,880

so

2253

01:30:29,270 --> 01:30:26,960

what do we have here folks

2254

01:30:33,990 --> 01:30:29,280

we have a cosmic con man

2255

01:30:37,110 --> 01:30:34,000

who is claiming that mere critics of his

2256

01:30:39,510 --> 01:30:37,120

are cyberstalking him because we

2257

01:30:41,510 --> 01:30:39,520

have the audacity to say that his story

2258

01:30:43,430 --> 01:30:41,520

is not true

2259

01:30:45,990 --> 01:30:43,440

he's also making claims

2260

01:30:48,390 --> 01:30:46,000

that his critics are trying to get him

2261

01:30:50,310 --> 01:30:48,400

blacklisted from conferences and things

2262

01:30:52,550 --> 01:30:50,320

like that which

2263

01:30:53,669 --> 01:30:52,560

you know that's his income source and i

2264

01:30:55,510 --> 01:30:53,679

have to say

2265

01:30:58,070 --> 01:30:55,520

that i don't believe

2266

01:31:00,310 --> 01:30:58,080

that his critics really have anything to

2267

01:31:02,550 --> 01:31:00,320

do with whether or not he's being booked

2268

01:31:05,510 --> 01:31:02,560

at these conferences or not

2269

01:31:08,390 --> 01:31:05,520

i think the conferences

2270

01:31:11,189 --> 01:31:08,400

know that people are tiring of his fairy

2271

01:31:12,310 --> 01:31:11,199

tale stories that he has been telling

2272

01:31:14,950 --> 01:31:12,320

for some

2273

01:31:17,590 --> 01:31:14,960

i don't know almost five years now and

2274

01:31:21,110 --> 01:31:17,600

in that almost five years he has not

2275

01:31:22,390 --> 01:31:21,120

produced a single piece of evidence to

2276

01:31:24,790 --> 01:31:22,400

support

2277

01:31:28,390 --> 01:31:24,800

any of his claims

2278

01:31:30,390 --> 01:31:28,400

not one not one piece of evidence

2279

01:31:32,550 --> 01:31:30,400

and what i believe is happening is that

2280

01:31:34,470 --> 01:31:32,560

the conference organizers know that he

2281

01:31:36,149 --> 01:31:34,480

has no proof or no evidence and people

2282

01:31:37,030 --> 01:31:36,159

were complaining

2283

01:31:39,110 --> 01:31:37,040

i mean

2284

01:31:40,550 --> 01:31:39,120

he was at a mufon conference

2285

01:31:41,750 --> 01:31:40,560

and everyone

2286

01:31:45,030 --> 01:31:41,760

mocked

2287

01:31:47,590 --> 01:31:45,040

mufon mercilessly for having people like

2288

01:31:49,910 --> 01:31:47,600

him and andrew bashago telling fairy

2289

01:31:53,669 --> 01:31:49,920

tales at what is supposed to be a

2290

01:31:55,189 --> 01:31:53,679

conference for a scientifically based

2291

01:31:56,629 --> 01:31:55,199

organization

2292

01:31:58,550 --> 01:31:56,639

so

2293

01:32:00,550 --> 01:31:58,560

is it because of his critics

2294

01:32:02,629 --> 01:32:00,560

that he's not welcomed back to that

2295

01:32:05,430 --> 01:32:02,639

conference i don't think so

2296

01:32:07,669 --> 01:32:05,440

i think it's because the public

2297

01:32:09,750 --> 01:32:07,679

the the conference going public the

2298

01:32:12,229 --> 01:32:09,760

people interested in these subjects are

2299

01:32:13,270 --> 01:32:12,239

turning against him it's not merely his

2300

01:32:14,629 --> 01:32:13,280

critics

2301

01:32:16,310 --> 01:32:14,639

though i will

2302

01:32:18,629 --> 01:32:16,320

freely admit that

2303

01:32:21,189 --> 01:32:18,639

you know when enough people start coming

2304

01:32:23,910 --> 01:32:21,199

out and calling

2305

01:32:26,550 --> 01:32:23,920

him a liar and providing proof and

2306

01:32:28,870 --> 01:32:26,560

evidence for why he's a liar of course

2307

01:32:30,709 --> 01:32:28,880

that's going to sway public opinion as

2308

01:32:33,110 --> 01:32:30,719

well it should

2309

01:32:35,510 --> 01:32:33,120

if a man is out there

2310

01:32:38,310 --> 01:32:35,520

just telling fairy tales and has zero

2311

01:32:41,189 --> 01:32:38,320

proof zero evidence zero corroboration

2312

01:32:42,629 --> 01:32:41,199

zero documents to prove anything that he

2313

01:32:46,149 --> 01:32:42,639

is saying

2314

01:32:47,430 --> 01:32:46,159

well you gotta imagine that that has a

2315

01:32:49,910 --> 01:32:47,440

short

2316

01:32:52,310 --> 01:32:49,920

shelf life you can't keep going like

2317

01:32:54,870 --> 01:32:52,320

that indefinitely it worked for him for

2318

01:32:57,430 --> 01:32:54,880

the first year or two i'd say

2319

01:32:59,270 --> 01:32:57,440

and eventually though people tire of the

2320

01:33:01,990 --> 01:32:59,280

fairy tales and they start running

2321

01:33:04,470 --> 01:33:02,000

evidence and they start wanting proof

2322

01:33:07,990 --> 01:33:04,480

and that is when corey goode

2323

01:33:10,870 --> 01:33:08,000

claims up and fails miserably because

2324

01:33:14,070 --> 01:33:10,880

corey goode can not nail nor will he

2325

01:33:16,629 --> 01:33:14,080

ever produce a single piece of evidence

2326

01:33:18,229 --> 01:33:16,639

to prove any of the stories that he has

2327

01:33:20,629 --> 01:33:18,239

told

2328

01:33:22,870 --> 01:33:20,639

period he's just not going to do it

2329

01:33:25,910 --> 01:33:22,880

all corey good can do is make up new

2330

01:33:29,270 --> 01:33:25,920

stories new fairy tales to try to keep

2331

01:33:31,990 --> 01:33:29,280

people interested in his fake fairy tale

2332

01:33:34,550 --> 01:33:32,000

buck rogers science fiction adventures

2333

01:33:36,950 --> 01:33:34,560

that he claims he goes on

2334

01:33:38,070 --> 01:33:36,960

now we probably should discuss

2335

01:33:41,430 --> 01:33:38,080

the next

2336

01:33:44,310 --> 01:33:41,440

narrative that he started trying to push

2337

01:33:45,910 --> 01:33:44,320

uh and that was courtesy of one idiot

2338

01:33:51,590 --> 01:33:45,920

unirock

2339

01:33:54,629 --> 01:33:51,600

guess colleagues i don't know uh

2340

01:33:57,590 --> 01:33:54,639

really how to describe them but

2341

01:33:58,629 --> 01:33:57,600

unirock and c.w chatter

2342

01:34:00,950 --> 01:33:58,639

who

2343

01:34:02,950 --> 01:34:00,960

really broke the story of doxgate along

2344

01:34:04,470 --> 01:34:02,960

with kelly farmer of explaining

2345

01:34:06,709 --> 01:34:04,480

esoterica

2346

01:34:08,390 --> 01:34:06,719

you know and really provided the proof

2347

01:34:11,030 --> 01:34:08,400

that all of

2348

01:34:12,870 --> 01:34:11,040

the suspicions about what was going on

2349

01:34:14,709 --> 01:34:12,880

behind the scenes with corey good and

2350

01:34:17,350 --> 01:34:14,719

his cult like followers

2351

01:34:19,430 --> 01:34:17,360

was true that they were

2352

01:34:22,870 --> 01:34:19,440

having these meetings and

2353

01:34:25,510 --> 01:34:22,880

planning to slander libel and you know

2354

01:34:27,590 --> 01:34:25,520

write blog posts you know attacking

2355

01:34:29,110 --> 01:34:27,600

corey goods critics

2356

01:34:31,750 --> 01:34:29,120

i'm

2357

01:34:35,030 --> 01:34:31,760

i looked at those screenshots

2358

01:34:36,709 --> 01:34:35,040

i heard the testimony of kelly farmer

2359

01:34:40,390 --> 01:34:36,719

and i believe her

2360

01:34:44,430 --> 01:34:40,400

and i believe that c.w chaner's

2361

01:34:47,030 --> 01:34:44,440

coverage of that story was entirely

2362

01:34:48,390 --> 01:34:47,040

accurate uh but you know he had a

2363

01:34:50,310 --> 01:34:48,400

falling out

2364

01:34:52,310 --> 01:34:50,320

with uni rock

2365

01:34:54,950 --> 01:34:52,320

and unirock

2366

01:34:56,550 --> 01:34:54,960

i gotta say that you know i was never a

2367

01:34:59,109 --> 01:34:56,560

fan of his

2368

01:35:02,070 --> 01:34:59,119

especially not now

2369

01:35:04,070 --> 01:35:02,080

uni rock is a bitter angry

2370

01:35:06,229 --> 01:35:04,080

vengeful little man

2371

01:35:11,910 --> 01:35:06,239

that's what i would say about uni rock

2372

01:35:14,629 --> 01:35:11,920

he is a bitter vengeful angry little man

2373

01:35:15,750 --> 01:35:14,639

because hey i've had a falling out with

2374

01:35:17,669 --> 01:35:15,760

a friend

2375

01:35:20,790 --> 01:35:17,679

i mean i've had some serious falling out

2376
01:35:24,470 --> 01:35:22,390
but usually

2377
01:35:25,830 --> 01:35:24,480
you know you get together

2378
01:35:27,109 --> 01:35:25,840
like men

2379
01:35:28,709 --> 01:35:27,119
you know

2380
01:35:30,390 --> 01:35:28,719
and and you

2381
01:35:32,629 --> 01:35:30,400
settle your differences

2382
01:35:34,709 --> 01:35:32,639
and you move on with your life

2383
01:35:37,590 --> 01:35:34,719
no not unirock

2384
01:35:40,950 --> 01:35:37,600
this petty vindictive

2385
01:35:42,629 --> 01:35:40,960
little bitter little man

2386
01:35:45,750 --> 01:35:42,639
decided that since he had a falling out

2387
01:35:49,430 --> 01:35:45,760
with cw channel he was going to attack

2388
01:35:51,990 --> 01:35:49,440

cw channer and kelly farmer and claim

2389

01:35:54,629 --> 01:35:52,000

well he claimed all kinds of stuff

2390

01:35:57,350 --> 01:35:54,639

in fact this bitter angry little man

2391

01:36:00,470 --> 01:35:57,360

went on a streaming marathon

2392

01:36:01,350 --> 01:36:00,480

and streamed about doxgate

2393

01:36:03,910 --> 01:36:01,360

for

2394

01:36:07,910 --> 01:36:03,920

i don't know folks i lost count i think

2395

01:36:10,310 --> 01:36:07,920

he streamed for 24 hours or more

2396

01:36:13,830 --> 01:36:10,320

about doc's gate

2397

01:36:15,990 --> 01:36:13,840

and then that 24 hours of him

2398

01:36:18,070 --> 01:36:16,000

offering opinions

2399

01:36:21,990 --> 01:36:18,080

and speculation

2400

01:36:25,030 --> 01:36:22,000

and using click bait like titles like

2401
01:36:26,950 --> 01:36:25,040
smoking gun proof doc's gate was a lie

2402
01:36:30,070 --> 01:36:26,960
and things like that

2403
01:36:33,910 --> 01:36:30,080
he provided not a single shred of any

2404
01:36:55,350 --> 01:36:34,629
i

2405
01:36:57,270 --> 01:36:55,360
or altered

2406
01:36:58,870 --> 01:36:57,280
or you know

2407
01:37:00,550 --> 01:36:58,880
otherwise

2408
01:37:01,270 --> 01:37:00,560
fake

2409
01:37:03,270 --> 01:37:01,280
and

2410
01:37:04,709 --> 01:37:03,280
when some of his own you know when some

2411
01:37:07,910 --> 01:37:04,719
of the people that were listening to

2412
01:37:09,669 --> 01:37:07,920
this nonsense pointed out to him that

2413
01:37:11,590 --> 01:37:09,679

several people who were more than

2414

01:37:13,510 --> 01:37:11,600

qualified in computer science looked at

2415

01:37:16,310 --> 01:37:13,520

the screenshots and verified that there

2416

01:37:18,229 --> 01:37:16,320

was no doctrine there was no altering

2417

01:37:19,270 --> 01:37:18,239

of the screenshots then he changed his

2418

01:37:21,189 --> 01:37:19,280

story

2419

01:37:22,470 --> 01:37:21,199

and started saying that the screenshots

2420

01:37:25,109 --> 01:37:22,480

were faked

2421

01:37:27,430 --> 01:37:25,119

that cw channel and kelly created

2422

01:37:29,669 --> 01:37:27,440

facebook accounts fake facebook accounts

2423

01:37:31,109 --> 01:37:29,679

and made the screenshots up

2424

01:37:32,830 --> 01:37:31,119

folks

2425

01:37:36,870 --> 01:37:32,840

unirock's entire

2426

01:37:40,390 --> 01:37:36,880

narrative his entire story

2427

01:37:41,350 --> 01:37:40,400

is is basically just a judas story you

2428

01:37:42,870 --> 01:37:41,360

know

2429

01:37:44,790 --> 01:37:42,880

i i even

2430

01:37:47,750 --> 01:37:44,800

heard or read

2431

01:37:49,830 --> 01:37:47,760

a comment on one of his youtube videos

2432

01:37:50,870 --> 01:37:49,840

somebody said to him

2433

01:37:52,310 --> 01:37:50,880

you know

2434

01:37:54,310 --> 01:37:52,320

what are you going to buy with those 30

2435

01:37:57,669 --> 01:37:54,320

pieces of silver

2436

01:38:00,390 --> 01:37:57,679

because this man turned on his friends

2437

01:38:04,390 --> 01:38:00,400

vindictively and viciously

2438

01:38:07,270 --> 01:38:04,400

and like a jealous little bitter man

2439

01:38:10,070 --> 01:38:07,280

just made things up to try to attack

2440

01:38:11,030 --> 01:38:10,080

someone over

2441

01:38:13,189 --> 01:38:11,040

really

2442

01:38:16,470 --> 01:38:13,199

just a personal disagreement that they

2443

01:38:19,750 --> 01:38:16,480

had his story has absolutely no basis in

2444

01:38:24,629 --> 01:38:21,750

but the unfortunate part

2445

01:38:26,149 --> 01:38:24,639

of this backstabbing loser

2446

01:38:28,790 --> 01:38:26,159

and that's what i'm calling him he's a

2447

01:38:30,550 --> 01:38:28,800

backstabbing loser

2448

01:38:33,030 --> 01:38:30,560

it's also important to know that while

2449

01:38:35,270 --> 01:38:33,040

he was doing this 24 hours of streaming

2450

01:38:38,470 --> 01:38:35,280

he was constantly begging for paypal

2451

01:38:42,629 --> 01:38:40,790

that's ridiculous folks

2452

01:38:44,950 --> 01:38:42,639

you're going to turn on a friend and

2453

01:38:47,350 --> 01:38:44,960

you're going to stream about your

2454

01:38:49,669 --> 01:38:47,360

ridiculous theories that have no basis

2455

01:38:53,510 --> 01:38:49,679

in reality and not a single shred of

2456

01:38:56,550 --> 01:38:53,520

proof how do you talk for 24 hours

2457

01:38:58,870 --> 01:38:56,560

making claims and providing zero proof

2458

01:38:59,830 --> 01:38:58,880

i was amazed that he could do that but

2459

01:39:01,270 --> 01:38:59,840

he did

2460

01:39:03,270 --> 01:39:01,280

and i you know i think he must have

2461

01:39:05,669 --> 01:39:03,280

taken a lesson from david wilcock and

2462

01:39:07,430 --> 01:39:05,679

corey goode on how to do that

2463

01:39:09,510 --> 01:39:07,440

and there's been all kinds of wild

2464

01:39:11,189 --> 01:39:09,520

speculation

2465

01:39:13,270 --> 01:39:11,199

people are even claiming that david

2466

01:39:14,390 --> 01:39:13,280

wilcock or corey good paid him to do

2467

01:39:15,510 --> 01:39:14,400

what he did

2468

01:39:17,109 --> 01:39:15,520

and

2469

01:39:20,310 --> 01:39:17,119

you know that's speculation folks but it

2470

01:39:24,070 --> 01:39:20,320

wouldn't surprise me being that this guy

2471

01:39:27,830 --> 01:39:24,080

is a loser with no job who is what many

2472

01:39:30,310 --> 01:39:27,840

people call a life streamer the guy goes

2473

01:39:32,550 --> 01:39:30,320

on walks right

2474

01:39:34,390 --> 01:39:32,560

with his phone and you see you see a

2475

01:39:37,430 --> 01:39:34,400

video of his feet walking in the

2476
01:39:40,229 --> 01:39:37,440
sidewalk and he talks about nonsense

2477
01:39:42,709 --> 01:39:40,239
and he streams that and he sits in his

2478
01:39:44,950 --> 01:39:42,719
bedroom studio or whatever and streams

2479
01:39:47,669 --> 01:39:44,960
for eight hours straight

2480
01:39:49,510 --> 01:39:47,679
that's a live streamer folks i'm afraid

2481
01:39:51,189 --> 01:39:49,520
that this unirock

2482
01:39:54,149 --> 01:39:51,199
loser is going to start streaming

2483
01:39:56,310 --> 01:39:54,159
himself sleeping next that's how much

2484
01:39:58,149 --> 01:39:56,320
this guy is online streaming

2485
01:40:00,310 --> 01:39:58,159
he has no job

2486
01:40:01,910 --> 01:40:00,320
his income comes from

2487
01:40:03,030 --> 01:40:01,920
donations

2488
01:40:05,750 --> 01:40:03,040

paypal

2489

01:40:07,750 --> 01:40:05,760

youtube ads i suppose

2490

01:40:10,229 --> 01:40:07,760

so for him to go and stream a bunch of

2491

01:40:12,870 --> 01:40:10,239

lies and beg for paypal donations the

2492

01:40:14,229 --> 01:40:12,880

entire time says everything about him

2493

01:40:15,510 --> 01:40:14,239

and it's over

2494

01:40:17,669 --> 01:40:15,520

a petty

2495

01:40:19,189 --> 01:40:17,679

personal vendetta that he had against

2496

01:40:21,270 --> 01:40:19,199

the person

2497

01:40:23,189 --> 01:40:21,280

who originally broke the doc's gate

2498

01:40:25,270 --> 01:40:23,199

story which by the way he agreed with it

2499

01:40:28,709 --> 01:40:25,280

wholeheartedly when he was on good terms

2500

01:40:33,350 --> 01:40:30,709

suddenly he has you know

2501

01:40:34,550 --> 01:40:33,360

falling out with cw and cw is the devil

2502

01:40:36,870 --> 01:40:34,560

now

2503

01:40:40,070 --> 01:40:36,880

and i got to tell you and and i mean

2504

01:40:41,910 --> 01:40:40,080

this in the nicest possible way cw shout

2505

01:40:43,590 --> 01:40:41,920

out to cw channel so please don't take

2506

01:40:46,470 --> 01:40:43,600

offense to this

2507

01:40:47,910 --> 01:40:46,480

i have a background in computer science

2508

01:40:49,189 --> 01:40:47,920

and i really don't mean this in a

2509

01:40:50,870 --> 01:40:49,199

mocking way

2510

01:40:53,350 --> 01:40:50,880

but uh

2511

01:40:56,310 --> 01:40:53,360

all the claims that uni rock is making

2512

01:40:59,189 --> 01:40:56,320

would require that cw channel has a very

2513

01:41:01,990 --> 01:40:59,199

high degree of technical expertise he'd

2514

01:41:03,669 --> 01:41:02,000

have to be extremely good with computers

2515

01:41:06,229 --> 01:41:03,679

and he'd have to be really good with

2516

01:41:07,830 --> 01:41:06,239

photoshop especially to fool

2517

01:41:09,270 --> 01:41:07,840

you know some of the

2518

01:41:10,950 --> 01:41:09,280

people that have analyzed the

2519

01:41:12,950 --> 01:41:10,960

screenshots and said there was no

2520

01:41:15,750 --> 01:41:12,960

doctoring or altering the screenshots

2521

01:41:17,830 --> 01:41:15,760

and they were genuine he'd have to be

2522

01:41:18,950 --> 01:41:17,840

an fbi level

2523

01:41:21,590 --> 01:41:18,960

forensic

2524

01:41:22,629 --> 01:41:21,600

computer specialist to be able to fool

2525

01:41:24,149 --> 01:41:22,639

some of the people that have looked at

2526

01:41:26,070 --> 01:41:24,159

these screenshots

2527

01:41:28,470 --> 01:41:26,080

he'd have to know how to work photoshop

2528

01:41:31,750 --> 01:41:28,480

amazingly well to doctor the screenshots

2529

01:41:34,310 --> 01:41:31,760

or create the screenshots and folks and

2530

01:41:36,390 --> 01:41:34,320

again cw i mean this in the nicest

2531

01:41:38,950 --> 01:41:36,400

possible way because i love you

2532

01:41:41,990 --> 01:41:38,960

cw channel can't even work a screen

2533

01:41:45,030 --> 01:41:42,000

share on google hangouts correctly it's

2534

01:41:47,510 --> 01:41:45,040

terrible folks that's how

2535

01:41:49,990 --> 01:41:47,520

that's how that's the level of c.w

2536

01:41:51,590 --> 01:41:50,000

chandler's actual real technical

2537

01:41:54,390 --> 01:41:51,600

expertise

2538

01:41:57,750 --> 01:41:54,400

so for somebody to suddenly decide that

2539

01:42:00,470 --> 01:41:57,760

he is some kind of master manipulator

2540

01:42:04,229 --> 01:42:00,480

of technology in order to pull this off

2541

01:42:06,070 --> 01:42:04,239

it's absolutely ridiculous folks

2542

01:42:09,189 --> 01:42:06,080

but what happened is

2543

01:42:11,270 --> 01:42:09,199

uni rock idiot that he is gives corey

2544

01:42:13,510 --> 01:42:11,280

good and ale for doc's gate

2545

01:42:14,390 --> 01:42:13,520

and remember folks i mentioned the first

2546

01:42:16,310 --> 01:42:14,400

narrative

2547

01:42:19,189 --> 01:42:16,320

they were blaming doc's gate on patty

2548

01:42:20,709 --> 01:42:19,199

greer having a sock puppet account paced

2549

01:42:22,470 --> 01:42:20,719

over and over and over again in their

2550

01:42:24,070 --> 01:42:22,480

live chat that patty greer was

2551
01:42:26,149 --> 01:42:24,080
responsible for the doc's gate that

2552
01:42:28,470 --> 01:42:26,159
corey was getting blamed for

2553
01:42:31,270 --> 01:42:28,480
then the narrative changes again

2554
01:42:33,750 --> 01:42:31,280
and they say oh no corey good himself

2555
01:42:35,350 --> 01:42:33,760
says it wasn't me it was my followers

2556
01:42:38,229 --> 01:42:35,360
that did that and they did that

2557
01:42:41,189 --> 01:42:38,239
independently without me asking them to

2558
01:42:42,550 --> 01:42:41,199
or or directing them to do that

2559
01:42:44,709 --> 01:42:42,560
right

2560
01:42:47,350 --> 01:42:44,719
and now the new narrative

2561
01:42:49,350 --> 01:42:47,360
corey goode and his cult like followers

2562
01:42:51,669 --> 01:42:49,360
picked up this uni rock

2563
01:42:54,870 --> 01:42:51,679

turning on a friend

2564

01:42:56,709 --> 01:42:54,880

and ran with it folks and now

2565

01:43:01,669 --> 01:42:56,719

corey good is claiming that he was

2566

01:43:04,229 --> 01:43:01,679

framed by c.w channer for the doc skate

2567

01:43:06,470 --> 01:43:05,030

so

2568

01:43:08,470 --> 01:43:06,480

i don't understand

2569

01:43:11,270 --> 01:43:08,480

why all the changing stories and i have

2570

01:43:12,070 --> 01:43:11,280

a message for uni rock unibrook

2571

01:43:13,990 --> 01:43:12,080

you

2572

01:43:16,550 --> 01:43:14,000

petty vindictive

2573

01:43:19,350 --> 01:43:16,560

bitter little man

2574

01:43:21,189 --> 01:43:19,360

if these screenshots were fake why

2575

01:43:23,510 --> 01:43:21,199

didn't all the people that were in that

2576

01:43:25,189 --> 01:43:23,520

facebook group come out and prove at the

2577

01:43:27,590 --> 01:43:25,199

time that the facebook

2578

01:43:28,950 --> 01:43:27,600

screenshots were all fake

2579

01:43:30,470 --> 01:43:28,960

they could have done that you're saying

2580

01:43:31,990 --> 01:43:30,480

they're fake why didn't they come out

2581

01:43:34,149 --> 01:43:32,000

and say no i was in that group and

2582

01:43:36,550 --> 01:43:34,159

here's why they're fake and i'll show

2583

01:43:37,510 --> 01:43:36,560

you the real deal they never did that in

2584

01:43:39,669 --> 01:43:37,520

fact

2585

01:43:41,750 --> 01:43:39,679

all of those people joy jackson rob

2586

01:43:43,510 --> 01:43:41,760

noyen everybody that was in that group

2587

01:43:46,310 --> 01:43:43,520

as soon as the doc's gate screenshots

2588

01:43:47,830 --> 01:43:46,320

hit they all deleted their social media

2589

01:43:49,830 --> 01:43:47,840

accounts they disappeared from the

2590

01:43:52,709 --> 01:43:49,840

internet for months

2591

01:43:55,590 --> 01:43:52,719

only guilty people would do that

2592

01:43:58,629 --> 01:43:55,600

uni rock you idiot

2593

01:44:00,070 --> 01:43:58,639

you backstabbing petty vindictive little

2594

01:44:02,790 --> 01:44:00,080

man

2595

01:44:05,189 --> 01:44:02,800

and i got another thing to tell you you

2596

01:44:09,750 --> 01:44:05,199

used a bunch of clips from my show

2597

01:44:11,669 --> 01:44:09,760

right and he called me the podcast guy

2598

01:44:14,149 --> 01:44:11,679

uni rock you

2599

01:44:17,669 --> 01:44:14,159

vindictive bitter little man

2600

01:44:22,070 --> 01:44:17,679

you loser life streaming idiot if you're

2601
01:44:25,510 --> 01:44:22,080
gonna use my show go ahead use my show i

2602
01:44:27,590 --> 01:44:25,520
believe in fair use go ahead use my show

2603
01:44:29,990 --> 01:44:27,600
but get my name right at least get my

2604
01:44:32,790 --> 01:44:30,000
name right at least say

2605
01:44:35,350 --> 01:44:32,800
this is stephen cambion right oh but by

2606
01:44:37,350 --> 01:44:35,360
the way when you used my show you didn't

2607
01:44:38,629 --> 01:44:37,360
ask me for any permission not that i

2608
01:44:39,830 --> 01:44:38,639
needed to give it to you but that would

2609
01:44:42,310 --> 01:44:39,840
have been nice

2610
01:44:44,070 --> 01:44:42,320
then you only played parts of it you

2611
01:44:46,310 --> 01:44:44,080
played little

2612
01:44:47,750 --> 01:44:46,320
bits and clips of it and you left out

2613
01:44:49,750 --> 01:44:47,760

all the proof

2614

01:44:51,750 --> 01:44:49,760

that was in that show that the doc's

2615

01:44:53,910 --> 01:44:51,760

gate screenshots were genuine that i

2616

01:44:56,709 --> 01:44:53,920

analyzed them that i had other computer

2617

01:44:58,950 --> 01:44:56,719

experts that i know analyzed them and

2618

01:45:01,669 --> 01:44:58,960

found that there was no doctoring no

2619

01:45:03,590 --> 01:45:01,679

altering of the screenshots

2620

01:45:05,430 --> 01:45:03,600

you left that part out you didn't let

2621

01:45:07,590 --> 01:45:05,440

your listeners hear that because you're

2622

01:45:10,629 --> 01:45:07,600

a coward

2623

01:45:12,629 --> 01:45:10,639

so corey good runs with the story now

2624

01:45:15,430 --> 01:45:12,639

that uni rock that out that uni rock

2625

01:45:21,109 --> 01:45:17,750

cory good runs with the story he was

2626

01:45:24,950 --> 01:45:21,119

framed by the evil technical genius

2627

01:45:27,030 --> 01:45:24,960

master manipulator c.w channer and his

2628

01:45:29,590 --> 01:45:27,040

evil evil

2629

01:45:33,590 --> 01:45:29,600

partner in crime

2630

01:45:35,990 --> 01:45:33,600

that evil woman kelly farmer

2631

01:45:37,350 --> 01:45:36,000

it's ridiculous folks the whole story is

2632

01:45:39,910 --> 01:45:37,360

ridiculous

2633

01:45:41,910 --> 01:45:39,920

dox gate happened and corey goode

2634

01:45:43,910 --> 01:45:41,920

and his cult-like followers were

2635

01:45:46,149 --> 01:45:43,920

responsible for it don't believe

2636

01:45:48,390 --> 01:45:46,159

anything else look at the evidence

2637

01:45:50,790 --> 01:45:48,400

follow the evidence folks because

2638

01:45:52,790 --> 01:45:50,800

unirock has zero evidence the guy talked

2639

01:45:55,590 --> 01:45:52,800

about this and his ridiculous theories

2640

01:45:58,310 --> 01:45:55,600

for 24 hours provided zero evidence zero

2641

01:45:59,990 --> 01:45:58,320

proof nothing it's a big nothing burger

2642

01:46:02,149 --> 01:46:00,000

but he was making money the whole time

2643

01:46:05,590 --> 01:46:02,159

begging for paypal donations

2644

01:46:08,629 --> 01:46:05,600

streaming for 24 plus hours about this

2645

01:46:10,229 --> 01:46:08,639

and he never provided proof nothing no

2646

01:46:12,790 --> 01:46:10,239

proof whatsoever

2647

01:46:14,790 --> 01:46:12,800

it's embarrassing that this bitter angry

2648

01:46:16,470 --> 01:46:14,800

little vindictive man would do that to a

2649

01:46:18,790 --> 01:46:16,480

friend

2650

01:46:21,109 --> 01:46:18,800

and and i i gotta say

2651
01:46:22,870 --> 01:46:21,119
that corey goode was on the fence about

2652
01:46:24,390 --> 01:46:22,880
doxgate he was

2653
01:46:27,669 --> 01:46:24,400
scrambling to come up with some

2654
01:46:29,990 --> 01:46:27,679
explanation to to try to absolve himself

2655
01:46:32,070 --> 01:46:30,000
from responsibility and then you give

2656
01:46:34,470 --> 01:46:32,080
him that

2657
01:46:36,550 --> 01:46:34,480
thanks thanks unirock you did you did

2658
01:46:38,790 --> 01:46:36,560
you did great

2659
01:46:44,310 --> 01:46:38,800
and as a friend of mine is

2660
01:46:48,550 --> 01:46:45,990
so corey good runs with the new

2661
01:46:51,109 --> 01:46:48,560
narrative now this is perhaps the oh i'm

2662
01:46:52,629 --> 01:46:51,119
sorry this is the third or fourth now

2663
01:46:54,709 --> 01:46:52,639

story

2664

01:46:56,629 --> 01:46:54,719

about what happened with doxgate coming

2665

01:46:58,229 --> 01:46:56,639

from the corey good camp now he's saying

2666

01:46:58,950 --> 01:46:58,239

he was framed

2667

01:47:00,790 --> 01:46:58,960

and

2668

01:47:02,790 --> 01:47:00,800

i got to tell you folks

2669

01:47:05,350 --> 01:47:02,800

to anyone that looks at the evidence he

2670

01:47:08,149 --> 01:47:05,360

was not framed it's ridiculous and do

2671

01:47:10,470 --> 01:47:08,159

you want to know what's truly going on i

2672

01:47:12,790 --> 01:47:10,480

believe with corey goode

2673

01:47:15,669 --> 01:47:12,800

you gotta realize that

2674

01:47:17,350 --> 01:47:15,679

everybody is leaving him it's like rats

2675

01:47:20,709 --> 01:47:17,360

from his sinking ship

2676

01:47:23,270 --> 01:47:20,719

first people are in that secret group

2677

01:47:26,870 --> 01:47:23,280

make screenshots and prove to the world

2678

01:47:28,870 --> 01:47:26,880

what a nefarious immoral and unethical

2679

01:47:31,590 --> 01:47:28,880

person cory good is

2680

01:47:32,550 --> 01:47:31,600

and his cult-like followers that happens

2681

01:47:34,149 --> 01:47:32,560

to him

2682

01:47:37,350 --> 01:47:34,159

then

2683

01:47:38,390 --> 01:47:37,360

teresa and eris who was a big supporter

2684

01:47:41,510 --> 01:47:38,400

of his

2685

01:47:42,870 --> 01:47:41,520

she leaves his sinking ship and quits

2686

01:47:45,510 --> 01:47:42,880

on corey good

2687

01:47:47,590 --> 01:47:45,520

comes out basically against him

2688

01:47:49,910 --> 01:47:47,600

very diplomatically against him but

2689

01:47:51,510 --> 01:47:49,920

definitely against him and she kind of

2690

01:47:52,950 --> 01:47:51,520

disappears from the internet i don't

2691

01:47:55,910 --> 01:47:52,960

know what happened to her but i wish her

2692

01:47:57,109 --> 01:47:55,920

well i hope she's okay and happy

2693

01:47:59,510 --> 01:47:57,119

next

2694

01:48:02,470 --> 01:47:59,520

his former producer for his television

2695

01:48:04,790 --> 01:48:02,480

show jay weiner comes out

2696

01:48:08,550 --> 01:48:04,800

and basically calls him a fraud and a

2697

01:48:11,830 --> 01:48:09,590

and

2698

01:48:13,750 --> 01:48:11,840

i have it on very good authority

2699

01:48:15,830 --> 01:48:13,760

that mr corey good

2700

01:48:19,109 --> 01:48:15,840

sinking ship the rats

2701

01:48:21,910 --> 01:48:19,119

my friends are not done jumping off

2702

01:48:24,470 --> 01:48:21,920

corey goode's sinking ship

2703

01:48:25,750 --> 01:48:24,480

in fact it's about to get much worse for

2704

01:48:26,709 --> 01:48:25,760

him

2705

01:48:29,030 --> 01:48:26,719

but

2706

01:48:31,990 --> 01:48:29,040

i'm just gonna let that play out i'm not

2707

01:48:34,310 --> 01:48:32,000

gonna report on it until it is made

2708

01:48:35,510 --> 01:48:34,320

public

2709

01:48:37,590 --> 01:48:35,520

so

2710

01:48:40,870 --> 01:48:37,600

as far as cory good's

2711

01:48:42,470 --> 01:48:40,880

legal mental breakdown

2712

01:48:44,229 --> 01:48:42,480

you know he's gonna he's been making

2713

01:48:47,270 --> 01:48:44,239

these legal threats for months and

2714

01:48:49,430 --> 01:48:47,280

months i got to tell you folks

2715

01:48:51,590 --> 01:48:49,440

there's nothing there

2716

01:48:54,149 --> 01:48:51,600

you know he's threatening now to call

2717

01:48:55,189 --> 01:48:54,159

the new jersey state bar or something

2718

01:48:58,550 --> 01:48:55,199

like that

2719

01:49:01,910 --> 01:48:58,560

on cw channel he's threatening people

2720

01:49:04,229 --> 01:49:01,920

with the state police the colorado state

2721

01:49:07,430 --> 01:49:04,239

police the new jersey state police the

2722

01:49:10,950 --> 01:49:07,440

fbi has been contacted he's saying these

2723

01:49:12,709 --> 01:49:10,960

people uh committed felonies and they're

2724

01:49:15,109 --> 01:49:12,719

gonna pay for this and i'm bringing the

2725

01:49:17,030 --> 01:49:15,119

hammer down and all these crazy tweets

2726

01:49:19,910 --> 01:49:17,040

that he's sending

2727

01:49:22,229 --> 01:49:19,920

i i mean you know folks he's gonna look

2728

01:49:24,950 --> 01:49:22,239

like the con man that he is

2729

01:49:26,950 --> 01:49:24,960

when nothing comes of it

2730

01:49:29,430 --> 01:49:26,960

and i believe nothing will come of it

2731

01:49:31,430 --> 01:49:29,440

because in order to cyber stalk someone

2732

01:49:33,589 --> 01:49:31,440

first of all you have to directly

2733

01:49:36,550 --> 01:49:33,599

contact them

2734

01:49:38,629 --> 01:49:36,560

either you know on social media or email

2735

01:49:40,229 --> 01:49:38,639

or through you know

2736

01:49:42,550 --> 01:49:40,239

through something you have to directly

2737

01:49:45,270 --> 01:49:42,560

contact him to my knowledge none of the

2738

01:49:47,910 --> 01:49:45,280

critics that he is claiming are going to

2739

01:49:51,030 --> 01:49:47,920

face all these legal challenges and

2740

01:49:52,470 --> 01:49:51,040

civil lawsuits and criminal charges none

2741

01:49:53,750 --> 01:49:52,480

of the people he's talking about have

2742

01:49:56,149 --> 01:49:53,760

directed him

2743

01:49:58,070 --> 01:49:56,159

had communicated with him directly it's

2744

01:50:00,470 --> 01:49:58,080

all been people like okay maybe somebody

2745

01:50:01,910 --> 01:50:00,480

made a video and said corey good's lying

2746

01:50:03,589 --> 01:50:01,920

and here's why

2747

01:50:05,270 --> 01:50:03,599

maybe somebody tweeted corey good's

2748

01:50:07,830 --> 01:50:05,280

lying and here's why

2749

01:50:10,229 --> 01:50:07,840

but no one to my knowledge

2750

01:50:11,750 --> 01:50:10,239

certainly no one has threatened him and

2751

01:50:13,990 --> 01:50:11,760

certainly no one has had direct

2752

01:50:15,990 --> 01:50:14,000

communication nobody's emailing him

2753

01:50:18,390 --> 01:50:16,000

directly threatening him or anything

2754

01:50:20,870 --> 01:50:18,400

like that you have to do something like

2755

01:50:23,109 --> 01:50:20,880

that and it has to be directly

2756

01:50:25,350 --> 01:50:23,119

communicated to that person

2757

01:50:27,669 --> 01:50:25,360

posting a tweet on your public twitter

2758

01:50:30,709 --> 01:50:27,679

or posting a video on your public

2759

01:50:32,470 --> 01:50:30,719

youtube being critical of a cosmic con

2760

01:50:35,030 --> 01:50:32,480

man claiming spaceships are landing in

2761

01:50:37,350 --> 01:50:35,040

his backyard that's not cyber stalking

2762

01:50:39,910 --> 01:50:37,360

folks and this narrative is not going to

2763

01:50:43,109 --> 01:50:39,920

play out well for mr good because he's

2764

01:50:44,790 --> 01:50:43,119

going to have to explain to these police

2765

01:50:47,109 --> 01:50:44,800

that he's a galactic light and love

2766

01:50:48,310 --> 01:50:47,119

ambassador that talks to blue chicken

2767

01:50:53,830 --> 01:50:48,320

aliens

2768

01:50:55,589 --> 01:50:53,840

in space and that he has time traveled

2769

01:50:58,390 --> 01:50:55,599

and that he you know has been age

2770

01:50:59,510 --> 01:50:58,400

regressed three times

2771

01:51:00,550 --> 01:50:59,520

and that he

2772

01:51:02,149 --> 01:51:00,560

you know

2773

01:51:04,310 --> 01:51:02,159

saved the human race

2774

01:51:06,709 --> 01:51:04,320

from the reptilian aliens

2775

01:51:08,550 --> 01:51:06,719

on his in his buck rogers science

2776

01:51:09,750 --> 01:51:08,560

fiction space fantasies that he's been

2777

01:51:11,830 --> 01:51:09,760

going on

2778

01:51:13,910 --> 01:51:11,840

he's gonna have to explain that before

2779

01:51:16,470 --> 01:51:13,920

he can even get to the part where people

2780

01:51:19,109 --> 01:51:16,480

are cyberstalking him for saying that

2781

01:51:21,030 --> 01:51:19,119

his stories are fake he's gonna have to

2782

01:51:23,109 --> 01:51:21,040

explain that to the police

2783

01:51:26,070 --> 01:51:23,119

and i also have to say the more that i

2784

01:51:28,790 --> 01:51:26,080

look into this man corey good the more

2785

01:51:31,270 --> 01:51:28,800

that i realize and and let me be very

2786

01:51:33,510 --> 01:51:31,280

clear here i am not a psychiatrist or a

2787

01:51:36,470 --> 01:51:33,520

psychologist but i happen to have more

2788

01:51:37,270 --> 01:51:36,480

than a passing interest in psychology

2789

01:51:38,790 --> 01:51:37,280

and

2790

01:51:40,790 --> 01:51:38,800

the more that i look into this corey

2791

01:51:43,589 --> 01:51:40,800

good person the more that i realize that

2792

01:51:46,830 --> 01:51:43,599

he is just a very vengeful and

2793

01:51:49,350 --> 01:51:46,840

vindictive sociopath

2794

01:51:51,990 --> 01:51:49,360

and i mean there's reasons that i

2795

01:51:54,470 --> 01:51:52,000

believe this but i think that uh the

2796

01:51:56,709 --> 01:51:54,480

best way to

2797

01:51:59,510 --> 01:51:56,719

get my point across is just to read you

2798

01:52:02,950 --> 01:51:59,520

the profile of a sociopath

2799

01:52:04,870 --> 01:52:02,960

and uh this is just some common features

2800

01:52:07,109 --> 01:52:04,880

of descriptions of the behavior of

2801
01:52:08,550 --> 01:52:07,119
sociopaths here are the traits that they

2802
01:52:11,350 --> 01:52:08,560
have

2803
01:52:13,910 --> 01:52:11,360
glibness and superficial charm

2804
01:52:16,790 --> 01:52:13,920
manipulative and conning

2805
01:52:20,790 --> 01:52:16,800
they have a grandiose sense of self

2806
01:52:23,030 --> 01:52:20,800
they are typically pathological liars

2807
01:52:24,550 --> 01:52:23,040
they have a lack of remorse shame or

2808
01:52:29,270 --> 01:52:24,560
guilt

2809
01:52:32,390 --> 01:52:29,280
shallow emotions incapacity for love

2810
01:52:36,070 --> 01:52:32,400
callousness and lack of empathy

2811
01:52:38,350 --> 01:52:36,080
poor behavioral controls impulse nature

2812
01:52:41,750 --> 01:52:38,360
[Music]

2813
01:52:43,990 --> 01:52:41,760

irresponsibility and unreliability

2814

01:52:46,310 --> 01:52:44,000

promiscuous sexual behavior and

2815

01:52:48,790 --> 01:52:46,320

infidelity

2816

01:52:51,510 --> 01:52:48,800

lack of realistic life plan or a

2817

01:52:56,070 --> 01:52:51,520

parasitic lifestyle

2818

01:52:57,990 --> 01:52:56,080

criminal or entrepreneurial versatility

2819

01:52:59,750 --> 01:52:58,000

changes their image as needed to avoid

2820

01:53:03,189 --> 01:52:59,760

prosecution

2821

01:53:05,910 --> 01:53:03,199

changes life story readily

2822

01:53:07,669 --> 01:53:05,920

and i gotta tell you folks uh

2823

01:53:09,430 --> 01:53:07,679

i i think the callousness lack of

2824

01:53:10,830 --> 01:53:09,440

empathy is funny

2825

01:53:13,350 --> 01:53:10,840

if he truly is a

2826
01:53:16,149 --> 01:53:13,360
sociopath considering

2827
01:53:19,109 --> 01:53:16,159
he claims to be an intuitive empath

2828
01:53:21,350 --> 01:53:19,119
which is funny to me

2829
01:53:22,709 --> 01:53:21,360
and these people are unable to empathize

2830
01:53:24,470 --> 01:53:22,719
with the pain of their victims having

2831
01:53:26,790 --> 01:53:24,480
only contempt for others feelings or

2832
01:53:27,750 --> 01:53:26,800
distress and readily taking advantage of

2833
01:53:30,229 --> 01:53:27,760
them

2834
01:53:31,990 --> 01:53:30,239
g being manipulative and conning not

2835
01:53:34,149 --> 01:53:32,000
accepting responsibility even when

2836
01:53:35,510 --> 01:53:34,159
you're caught dead to rights doing dirty

2837
01:53:37,750 --> 01:53:35,520
things

2838
01:53:39,669 --> 01:53:37,760

living a parasitic lifestyle yeah you

2839

01:53:41,990 --> 01:53:39,679

know that sounds like a cosmic con man

2840

01:53:44,149 --> 01:53:42,000

who would get away with

2841

01:53:47,270 --> 01:53:44,159

bilking people for money just for

2842

01:53:48,470 --> 01:53:47,280

telling fake stories and fairy tales

2843

01:53:52,390 --> 01:53:48,480

sounds like a pretty accurate

2844

01:53:56,550 --> 01:53:52,400

description of one corey good to me

2845

01:54:00,790 --> 01:53:56,560

and well folks sadly i now see that our

2846

01:54:03,189 --> 01:54:00,800

time is once again running short here on

2847

01:54:05,350 --> 01:54:03,199

the midnight hour show

2848

01:54:07,589 --> 01:54:05,360

i want to thank you all for joining me

2849

01:54:10,870 --> 01:54:07,599

tonight and remind you that you can

2850

01:54:12,790 --> 01:54:10,880

reach the midnight hour every midnight

2851

01:54:14,870 --> 01:54:12,800

eastern standard time

2852

01:54:18,149 --> 01:54:14,880

every saturday night here on the fringe

2853

01:54:19,910 --> 01:54:18,159

fm and i hope you'll join us again

2854

01:54:23,430 --> 01:54:19,920

until next time folks

2855

01:54:25,510 --> 01:54:23,440

my name is stephen campion reminding you

2856

01:54:27,270 --> 01:54:25,520

that a storyteller makes up things to

2857

01:54:30,310 --> 01:54:27,280

help other people

2858

01:54:31,510 --> 01:54:30,320

but a liar makes up things to help

2859

01:54:46,310 --> 01:54:31,520

himself
