

Anjali's whole story just came crashing down?

NO ALIENS? NO SECRET TUNNELS? NO SECRET ALIEN BASE?

1
00:00:29,500 --> 00:00:28,890
[Music]

2
00:00:38,810 --> 00:00:29,510
[Applause]

3
00:02:09,490 --> 00:00:38,820
[Music]

4
00:02:13,830 --> 00:02:10,240
[Applause]

5
00:02:18,790 --> 00:02:16,470
greetings and salutations friends and

6
00:02:21,430 --> 00:02:18,800
welcome back to truth seekers

7
00:02:24,070 --> 00:02:21,440
for so long now people have asked me to

8
00:02:25,270 --> 00:02:24,080
do some kind of an update on this anjali

9
00:02:26,949 --> 00:02:25,280
story

10
00:02:29,190 --> 00:02:26,959
but i kept saying there's nothing really

11
00:02:31,430 --> 00:02:29,200
new to talk about she claimed that she

12
00:02:32,229 --> 00:02:31,440
would bring

13
00:02:43,190 --> 00:02:32,239

a

14

00:02:46,229 --> 00:02:43,200

experiences

15

00:02:48,470 --> 00:02:46,239

that fizzled out and never happened

16

00:02:50,710 --> 00:02:48,480

uh and it's interesting that people like

17

00:02:51,990 --> 00:02:50,720

me and a few others like charlie weiser

18

00:02:53,589 --> 00:02:52,000

had

19

00:02:55,670 --> 00:02:53,599

people blamed us

20

00:02:57,830 --> 00:02:55,680

the reason they can't go to the mountain

21

00:02:59,750 --> 00:02:57,840

is because you pissed off that wayne guy

22

00:03:02,149 --> 00:02:59,760

no that's not the case

23

00:03:05,670 --> 00:03:02,159

and tonight we are gonna

24

00:03:07,750 --> 00:03:05,680

see an update of what has happened

25

00:03:10,390 --> 00:03:07,760

since the uh

26

00:03:13,270 --> 00:03:10,400

expedition failed apparently

27

00:03:16,390 --> 00:03:13,280

you know i knew that it would be

28

00:03:19,270 --> 00:03:16,400

a good possibility that someday

29

00:03:20,470 --> 00:03:19,280

the people that anjali talked about in

30

00:03:23,589 --> 00:03:20,480

her story

31

00:03:25,589 --> 00:03:23,599

wayne and trisha remember it was wayne

32

00:03:27,990 --> 00:03:25,599

who owned a mountain

33

00:03:31,270 --> 00:03:28,000

where there was apparently a tunnel dug

34

00:03:34,309 --> 00:03:31,280

into it into an alien base and tricia

35

00:03:35,830 --> 00:03:34,319

his wife i knew eventually somebody may

36

00:03:37,670 --> 00:03:35,840

get to them

37

00:03:42,390 --> 00:03:37,680

and interestingly

38

00:03:46,229 --> 00:03:42,400

anjali had threatened to sue one charlie

39

00:03:47,190 --> 00:03:46,239

weiser who you may recall from 3 dollar

40

00:03:50,070 --> 00:03:47,200

kit

41

00:03:52,229 --> 00:03:50,080

dot weebly dot com

42

00:03:55,030 --> 00:03:52,239

and charlie weiser covers betty and

43

00:03:58,149 --> 00:03:55,040

barney hill travis walton anjali and

44

00:03:58,830 --> 00:03:58,159

many other stories from a very skeptical

45

00:04:01,990 --> 00:03:58,840

uh

46

00:04:04,869 --> 00:04:02,000

viewpoint um but i have found her work

47

00:04:07,190 --> 00:04:04,879

to be very very factually accurate if

48

00:04:10,149 --> 00:04:07,200

you go and check her work

49

00:04:11,270 --> 00:04:10,159

it's always really really excellent

50

00:04:12,630 --> 00:04:11,280

research

51

00:04:16,870 --> 00:04:12,640

well sourced

52

00:04:19,909 --> 00:04:16,880

and i trust that what she's reporting

53

00:04:22,150 --> 00:04:19,919

recently about the angelis story to be

54

00:04:25,590 --> 00:04:22,160

very very accurate

55

00:04:27,350 --> 00:04:25,600

and essentially what she reports is that

56

00:04:29,110 --> 00:04:27,360

because angeli

57

00:04:31,670 --> 00:04:29,120

threatened to sue

58

00:04:34,469 --> 00:04:31,680

charlie weiser

59

00:04:35,830 --> 00:04:34,479

she did not reach out to wayne and

60

00:04:41,110 --> 00:04:35,840

trisha

61

00:04:42,790 --> 00:04:41,120

based on anjali threatening to sue

62

00:04:45,350 --> 00:04:42,800

charlie wiser they didn't think that was

63

00:04:46,150 --> 00:04:45,360

right so they apparently reached out to

64

00:04:48,790 --> 00:04:46,160

her

65

00:04:50,629 --> 00:04:48,800

and we've got all the information about

66

00:04:56,310 --> 00:04:50,639

what they said

67

00:04:58,950 --> 00:04:56,320

largely refutes everything that anjali

68

00:05:01,350 --> 00:04:58,960

stated as facts in her

69

00:05:03,670 --> 00:05:01,360

alien experience story

70

00:05:05,830 --> 00:05:03,680

interesting that we get

71

00:05:07,590 --> 00:05:05,840

the other perspective the other side of

72

00:05:09,670 --> 00:05:07,600

the story after all

73

00:05:10,629 --> 00:05:09,680

she heavily involved these people in her

74

00:05:12,469 --> 00:05:10,639

story

75

00:05:14,950 --> 00:05:12,479

she met them in a coffee shop they took

76

00:05:17,590 --> 00:05:14,960

her back to their house

77

00:05:19,670 --> 00:05:17,600

where she claimed she was shown a tunnel

78

00:05:22,550 --> 00:05:19,680

into a secret alien base and had all

79

00:05:24,390 --> 00:05:22,560

these alien experiences but tonight

80

00:05:27,110 --> 00:05:24,400

we're gonna find out perhaps that the

81

00:05:29,189 --> 00:05:27,120

reality of what truly happened is not

82

00:05:31,110 --> 00:05:29,199

quite that fantastic

83

00:05:32,870 --> 00:05:31,120

joining me

84

00:05:34,469 --> 00:05:32,880

and this will be proof that we let

85

00:05:36,950 --> 00:05:34,479

anybody on this show

86

00:05:39,830 --> 00:05:36,960

really anybody

87

00:05:41,510 --> 00:05:39,840

so joining me tonight to help break this

88

00:05:43,029 --> 00:05:41,520

down and and i wanted to have a

89

00:05:44,870 --> 00:05:43,039

discussion with someone else that has

90

00:05:46,870 --> 00:05:44,880

sort of been following the story see

91

00:05:49,189 --> 00:05:46,880

what they thought about these

92

00:05:53,749 --> 00:05:49,199

new revelations from charlie wiser that

93

00:05:57,670 --> 00:05:53,759

refute all of anjalee's story so uh

94

00:06:00,629 --> 00:05:57,680

you know him probably best uh from the

95

00:06:05,189 --> 00:06:00,639

who's lou documentary who's lou

96

00:06:08,710 --> 00:06:05,199

movie.com uh a recent very controversial

97

00:06:12,390 --> 00:06:08,720

documentary about lou elizondo

98

00:06:14,469 --> 00:06:12,400

so we have many tonight from area 503

99

00:06:16,550 --> 00:06:14,479

let's bring him in here we've had him

100

00:06:18,550 --> 00:06:16,560

sobering up in the green room are you

101
00:06:21,029 --> 00:06:18,560
ready to go you get some coffee in you

102
00:06:22,870 --> 00:06:21,039
you sober enough you okay

103
00:06:24,710 --> 00:06:22,880
oh perfect man and thanks for putting a

104
00:06:26,710 --> 00:06:24,720
plug in for who's lou that saves me the

105
00:06:28,710 --> 00:06:26,720
effort of having to do it

106
00:06:31,189 --> 00:06:28,720
yeah that's the least that i could do

107
00:06:33,029 --> 00:06:31,199
you know uh so it's who's lou movie.com

108
00:06:35,430 --> 00:06:33,039
i highly recommend it

109
00:06:37,670 --> 00:06:35,440
go see what all the controversy is about

110
00:06:40,950 --> 00:06:37,680
why are people

111
00:06:43,270 --> 00:06:40,960
i don't want to harp on this but listen

112
00:06:45,590 --> 00:06:43,280
show hosts that even just talked about

113
00:06:48,870 --> 00:06:45,600

this movie with manny here got doxxed

114

00:06:51,830 --> 00:06:48,880

threatened intimidated copyright striked

115

00:06:52,790 --> 00:06:51,840

from a gang of cyber stalking [\h__\h]

116

00:06:55,510 --> 00:06:52,800

uh

117

00:06:57,110 --> 00:06:55,520

it's it's amazing so at the very least

118

00:06:59,589 --> 00:06:57,120

you should go see

119

00:07:00,870 --> 00:06:59,599

a movie that people are so intent on you

120

00:07:02,790 --> 00:07:00,880

not watching

121

00:07:04,790 --> 00:07:02,800

i mean if somebody tells me not to watch

122

00:07:06,629 --> 00:07:04,800

a movie i'm gonna i'm gonna watch it and

123

00:07:08,469 --> 00:07:06,639

this there's a group of people that

124

00:07:10,629 --> 00:07:08,479

don't want you to see this movie they

125

00:07:12,550 --> 00:07:10,639

don't want you to ask questions of their

126
00:07:15,029 --> 00:07:12,560
ufo hero

127
00:07:17,990 --> 00:07:15,039
but i i think it's i still stand by that

128
00:07:20,550 --> 00:07:18,000
i think manny did a good job and um

129
00:07:23,029 --> 00:07:20,560
i believe in free speech right at least

130
00:07:24,070 --> 00:07:23,039
have a conversation watch the movie and

131
00:07:25,909 --> 00:07:24,080
and uh

132
00:07:26,950 --> 00:07:25,919
manny's very open if you have questions

133
00:07:29,029 --> 00:07:26,960
comments

134
00:07:30,390 --> 00:07:29,039
uh as long as you're

135
00:07:32,230 --> 00:07:30,400
vaguely respectful

136
00:07:34,950 --> 00:07:32,240
he'll get back to you and you're allowed

137
00:07:36,629 --> 00:07:34,960
to disagree but watch the movie first

138
00:07:38,629 --> 00:07:36,639

right

139

00:07:39,909 --> 00:07:38,639

absolutely give it a watch and then come

140

00:07:41,749 --> 00:07:39,919

and talk to me if anyone's got any

141

00:07:43,510 --> 00:07:41,759

questions i'm totally open to

142

00:07:44,710 --> 00:07:43,520

discussing the work with people and

143

00:07:46,629 --> 00:07:44,720

that's kind of what i wanted because

144

00:07:48,070 --> 00:07:46,639

there's such an involved situation that

145

00:07:50,070 --> 00:07:48,080

i really couldn't lay it all out in the

146

00:07:52,629 --> 00:07:50,080

work you know i i kind of had to just

147

00:07:54,070 --> 00:07:52,639

put the facts out there and let people

148

00:07:55,749 --> 00:07:54,080

figure out what they are and figure out

149

00:07:57,270 --> 00:07:55,759

what those questions mean and then

150

00:07:58,629 --> 00:07:57,280

they've got to do some research on their

151
00:08:00,629 --> 00:07:58,639
own and that's why i showed my work and

152
00:08:01,990 --> 00:08:00,639
put everything up on the webpage so

153
00:08:03,670 --> 00:08:02,000
hopefully some people are doing oh here

154
00:08:05,830 --> 00:08:03,680
we have somebody else that got messed

155
00:08:07,430 --> 00:08:05,840
with jessie peake from mufon phi says

156
00:08:09,990 --> 00:08:07,440
yep got mad

157
00:08:12,550 --> 00:08:10,000
uh matt he for having manny on my show

158
00:08:14,629 --> 00:08:12,560
crazy yeah these people are so afraid of

159
00:08:15,909 --> 00:08:14,639
a conversation it's it just shows

160
00:08:18,309 --> 00:08:15,919
everything

161
00:08:20,629 --> 00:08:18,319
why you should support the movie because

162
00:08:23,270 --> 00:08:20,639
people are literally trying to stamp it

163
00:08:25,749 --> 00:08:23,280

off the internet and censor it and get

164

00:08:27,430 --> 00:08:25,759

it taken down and they screwed up

165

00:08:30,390 --> 00:08:27,440

for people that don't know if you get a

166

00:08:32,149 --> 00:08:30,400

big project taken off of youtube in its

167

00:08:34,550 --> 00:08:32,159

first couple of weeks you lose all

168

00:08:36,070 --> 00:08:34,560

momentum all that promotion all that

169

00:08:37,750 --> 00:08:36,080

work to promote it

170

00:08:39,750 --> 00:08:37,760

you you uh

171

00:08:41,750 --> 00:08:39,760

you lose right

172

00:08:43,589 --> 00:08:41,760

yeah um i saw some people were saying my

173

00:08:45,430 --> 00:08:43,599

mic was low i adjusted that if it sounds

174

00:08:46,949 --> 00:08:45,440

too loud now let me know but yeah to

175

00:08:48,710 --> 00:08:46,959

answer your question stephen it does

176

00:08:51,190 --> 00:08:48,720

really steal your momentum with the

177

00:08:53,590 --> 00:08:51,200

algorithm with youtube where it refers

178

00:08:55,269 --> 00:08:53,600

your video to people and you know people

179

00:08:56,790 --> 00:08:55,279

are they they knew that when they did

180

00:08:58,070 --> 00:08:56,800

this they knew that they were exploiting

181

00:09:00,790 --> 00:08:58,080

the system that they were going to do

182

00:09:02,230 --> 00:09:00,800

this so it's not like it's uh oops this

183

00:09:04,790 --> 00:09:02,240

just kind of happened type thing this

184

00:09:07,670 --> 00:09:04,800

was intentional and malicious in nature

185

00:09:09,110 --> 00:09:07,680

so you know but that's yesterday let's

186

00:09:10,710 --> 00:09:09,120

let's talk about today you know people

187

00:09:11,829 --> 00:09:10,720

are still talking about the film and

188

00:09:13,190 --> 00:09:11,839

that's good it's starting to pick up

189

00:09:15,350 --> 00:09:13,200

more steaming people are starting to ask

190

00:09:16,790 --> 00:09:15,360

some questions and there's it's not just

191

00:09:18,230 --> 00:09:16,800

people from youtube and twitter and

192

00:09:20,550 --> 00:09:18,240

stuff there's been a lot of people from

193

00:09:22,150 --> 00:09:20,560

outside of the you know in mainstream

194

00:09:22,949 --> 00:09:22,160

media and stuff that have also done that

195

00:09:25,509 --> 00:09:22,959

so

196

00:09:27,990 --> 00:09:25,519

um yeah and i i know at least one

197

00:09:30,389 --> 00:09:28,000

mainstream uh journalist who is using

198

00:09:31,670 --> 00:09:30,399

that movie uh sort of as a source for

199

00:09:33,670 --> 00:09:31,680

material

200

00:09:36,310 --> 00:09:33,680

and things to write about

201
00:09:37,990 --> 00:09:36,320
in regard to uh you know there's going

202
00:09:39,910 --> 00:09:38,000
to be media stories about this louis

203
00:09:43,350 --> 00:09:39,920
elizondo and people are

204
00:09:45,829 --> 00:09:43,360
using your work as a source for why we

205
00:09:47,350 --> 00:09:45,839
should be asking questions right

206
00:09:48,870 --> 00:09:47,360
yeah and that's such a good feeling

207
00:09:50,470 --> 00:09:48,880
honestly to know that other people

208
00:09:51,990 --> 00:09:50,480
understood what i was trying to do here

209
00:09:54,790 --> 00:09:52,000
and are grabbing the football and

210
00:09:56,710 --> 00:09:54,800
running with it and and beyond that too

211
00:09:59,030 --> 00:09:56,720
it's also the empowerment of the people

212
00:10:01,430 --> 00:09:59,040
who are on ufo twitter and youtube and

213
00:10:03,590 --> 00:10:01,440

other places that have been silenced you

214

00:10:05,509 --> 00:10:03,600

know facebook groups are real bad about

215

00:10:06,949 --> 00:10:05,519

this reddit's real bad about it

216

00:10:08,790 --> 00:10:06,959

everywhere you go people have been

217

00:10:10,949 --> 00:10:08,800

bullied into silence in defense of

218

00:10:12,870 --> 00:10:10,959

elizondo and a lot of those people i'm

219

00:10:14,870 --> 00:10:12,880

finding are feeling more empowered to

220

00:10:16,310 --> 00:10:14,880

come out and speak their minds again and

221

00:10:17,829 --> 00:10:16,320

that's what i want i want people to be

222

00:10:19,750 --> 00:10:17,839

able to speak their mind you know they

223

00:10:21,269 --> 00:10:19,760

shouldn't if what we're saying if what

224

00:10:24,150 --> 00:10:21,279

this side of the conversation is so

225

00:10:25,910 --> 00:10:24,160

crazy and baseless and has no reality in

226

00:10:27,829 --> 00:10:25,920

you know in the facts it shouldn't be

227

00:10:29,110 --> 00:10:27,839

hard to disprove and to attack the case

228

00:10:31,030 --> 00:10:29,120

not the character

229

00:10:32,790 --> 00:10:31,040

and you know that's what they've done

230

00:10:34,310 --> 00:10:32,800

here you attack the character you you

231

00:10:36,230 --> 00:10:34,320

squash the conversation they don't want

232

00:10:38,710 --> 00:10:36,240

to well listen i i've i've had some

233

00:10:41,350 --> 00:10:38,720

controversial guests but i've never been

234

00:10:44,230 --> 00:10:41,360

doxed over a guest and and especially

235

00:10:46,310 --> 00:10:44,240

not when some other idiot show host says

236

00:10:48,069 --> 00:10:46,320

we need to take these people down for

237

00:10:49,910 --> 00:10:48,079

what they did what did i do i had a

238

00:10:50,710 --> 00:10:49,920

conversation with a filmmaker about a

239

00:10:52,870 --> 00:10:50,720

film

240

00:10:55,110 --> 00:10:52,880

and now you're doxing me and threatening

241

00:10:56,389 --> 00:10:55,120

me and i'm getting nasty messages and

242

00:10:58,630 --> 00:10:56,399

people are threatening to come to my

243

00:11:01,350 --> 00:10:58,640

house now that my aunt you know

244

00:11:04,230 --> 00:11:01,360

it's it's amazing but let's get to this

245

00:11:06,389 --> 00:11:04,240

uh anjali story so you've been following

246

00:11:08,470 --> 00:11:06,399

this probably as long as i have because

247

00:11:11,990 --> 00:11:08,480

listen it's an interesting story a

248

00:11:14,230 --> 00:11:12,000

former dia employee claims that she

249

00:11:16,710 --> 00:11:14,240

went out into the desert and this guy

250

00:11:18,310 --> 00:11:16,720

had a mountain and there was a tunnel

251
00:11:19,829 --> 00:11:18,320
into it and she

252
00:11:22,550 --> 00:11:19,839
claims that she had all these alien

253
00:11:23,590 --> 00:11:22,560
experiences i dismissed it all

254
00:11:25,110 --> 00:11:23,600
and then

255
00:11:26,949 --> 00:11:25,120
people started sending me some

256
00:11:28,630 --> 00:11:26,959
information that would seem to indicate

257
00:11:30,790 --> 00:11:28,640
that her background was real so i

258
00:11:33,430 --> 00:11:30,800
apologize because i said she was totally

259
00:11:36,630 --> 00:11:33,440
fake this this woman is

260
00:11:38,310 --> 00:11:36,640
you know making all this up it turns out

261
00:11:40,230 --> 00:11:38,320
and here's where i really want to

262
00:11:42,310 --> 00:11:40,240
correct the record here because people

263
00:11:43,910 --> 00:11:42,320

said just because i interviewed her that

264

00:11:46,150 --> 00:11:43,920

i believed her no

265

00:11:48,470 --> 00:11:46,160

what i did say and do believe is that

266

00:11:50,069 --> 00:11:48,480

her background claims all of her

267

00:11:52,230 --> 00:11:50,079

background claims of being in the

268

00:11:54,550 --> 00:11:52,240

military of working for the dia both as

269

00:11:56,790 --> 00:11:54,560

a civilian contractor and as a direct

270

00:11:58,150 --> 00:11:56,800

employee she worked for them twice

271

00:12:00,710 --> 00:11:58,160

were correct

272

00:12:02,790 --> 00:12:00,720

so that part i believe because you know

273

00:12:05,110 --> 00:12:02,800

i can go to the national personal

274

00:12:06,949 --> 00:12:05,120

records center and verify her military

275

00:12:08,550 --> 00:12:06,959

employment and dia

276

00:12:10,230 --> 00:12:08,560

verified her

277

00:12:12,310 --> 00:12:10,240

employment they won't tell you much of

278

00:12:14,470 --> 00:12:12,320

what she did but they'll verify yes she

279

00:12:16,550 --> 00:12:14,480

was employed from this to this as a

280

00:12:18,949 --> 00:12:16,560

contractor she was employed directly

281

00:12:20,310 --> 00:12:18,959

with us from this date to this date so i

282

00:12:22,550 --> 00:12:20,320

apologized for saying that her

283

00:12:24,550 --> 00:12:22,560

background was probably made up and fake

284

00:12:27,110 --> 00:12:24,560

i interviewed her this very

285

00:12:28,310 --> 00:12:27,120

controversial figure this woman and and

286

00:12:30,230 --> 00:12:28,320

uh

287

00:12:31,670 --> 00:12:30,240

it's interesting that there's

288

00:12:33,350 --> 00:12:31,680

i was amazed that there was so much

289

00:12:35,829 --> 00:12:33,360

interest in a story

290

00:12:37,269 --> 00:12:35,839

but then you know nothing new happens in

291

00:12:39,829 --> 00:12:37,279

ufo land

292

00:12:41,350 --> 00:12:39,839

so so this was something new and a new

293

00:12:42,870 --> 00:12:41,360

story and

294

00:12:44,150 --> 00:12:42,880

people uh

295

00:12:46,470 --> 00:12:44,160

a lot of people

296

00:12:48,870 --> 00:12:46,480

experiencers especially just totally

297

00:12:50,710 --> 00:12:48,880

believe everything that she said

298

00:12:52,790 --> 00:12:50,720

other people were more skeptical of her

299

00:12:55,350 --> 00:12:52,800

like charlie wiser and and others and

300

00:12:57,509 --> 00:12:55,360

myself and maybe rich from goof on a few

301
00:12:59,670 --> 00:12:57,519
other people because there's a lack of

302
00:13:01,190 --> 00:12:59,680
evidence there and then

303
00:13:03,509 --> 00:13:01,200
apparently there was all this back and

304
00:13:06,069 --> 00:13:03,519
forth we found the mountain we found

305
00:13:08,550 --> 00:13:06,079
wayne no we didn't she lied it wasn't a

306
00:13:11,670 --> 00:13:08,560
right wayne there's this other wayne

307
00:13:13,190 --> 00:13:11,680
then this ryan uh said that he

308
00:13:14,870 --> 00:13:13,200
interviewed wayne but then he wouldn't

309
00:13:17,030 --> 00:13:14,880
provide any proof that he interviewed

310
00:13:18,629 --> 00:13:17,040
the wayne and that this wayne refuted

311
00:13:22,389 --> 00:13:18,639
but was this the right wayne and i'm

312
00:13:24,470 --> 00:13:22,399
still confused because there's two major

313
00:13:26,310 --> 00:13:24,480

wayne and trisha's

314

00:13:28,310 --> 00:13:26,320

i don't know which one we're saying now

315

00:13:30,310 --> 00:13:28,320

is the right one but apparently the

316

00:13:32,389 --> 00:13:30,320

right ones have reached out to charlie

317

00:13:34,470 --> 00:13:32,399

weiser over being threatened with a

318

00:13:36,870 --> 00:13:34,480

lawsuit by angeli

319

00:13:38,949 --> 00:13:36,880

and they have an entirely different

320

00:13:40,389 --> 00:13:38,959

opinion right

321

00:13:42,629 --> 00:13:40,399

so what did you think of the story when

322

00:13:44,310 --> 00:13:42,639

it broke and what about the the the

323

00:13:46,470 --> 00:13:44,320

cancelled expedition and people are

324

00:13:48,870 --> 00:13:46,480

blaming me and charlie wiser because the

325

00:13:50,310 --> 00:13:48,880

expedition got cancelled because we out

326

00:13:52,389 --> 00:13:50,320

at wayne we didn't really have wayne

327

00:13:55,590 --> 00:13:52,399

apparently we had it the wrong way i

328

00:13:57,430 --> 00:13:55,600

think i don't know i'm confused

329

00:13:59,750 --> 00:13:57,440

yeah you know i've been following

330

00:14:00,949 --> 00:13:59,760

angeli's story from day one just like

331

00:14:03,350 --> 00:14:00,959

you have been

332

00:14:05,750 --> 00:14:03,360

and i've always been a little fascinated

333

00:14:08,150 --> 00:14:05,760

by her you know because of her

334

00:14:10,629 --> 00:14:08,160

outgoing personality how friendly she is

335

00:14:13,910 --> 00:14:10,639

and how open she is about her story and

336

00:14:16,389 --> 00:14:13,920

about how like you said her credentials

337

00:14:18,310 --> 00:14:16,399

from the digging that i did checked out

338

00:14:20,389 --> 00:14:18,320

like you said her credentials did check

339

00:14:22,710 --> 00:14:20,399

out um and that makes the story

340

00:14:25,750 --> 00:14:22,720

compelling to me because why is a former

341

00:14:26,710 --> 00:14:25,760

dia employee and air force

342

00:14:28,790 --> 00:14:26,720

officer

343

00:14:31,030 --> 00:14:28,800

suddenly seeing aliens and talking about

344

00:14:33,910 --> 00:14:31,040

it and doing press conferences about her

345

00:14:35,350 --> 00:14:33,920

alien contact you know right it's a

346

00:14:37,350 --> 00:14:35,360

compelling story

347

00:14:39,509 --> 00:14:37,360

it's a great story and it does give some

348

00:14:41,590 --> 00:14:39,519

credibility to her character you know

349

00:14:43,750 --> 00:14:41,600

that she has this background but what

350

00:14:45,509 --> 00:14:43,760

what i had to um when i asked her i said

351

00:14:48,230 --> 00:14:45,519

you know i just want to make clear that

352

00:14:50,230 --> 00:14:48,240

your your in intelligence and government

353

00:14:52,069 --> 00:14:50,240

work was all way before and then you had

354

00:14:53,750 --> 00:14:52,079

this experience later so these are two

355

00:14:55,189 --> 00:14:53,760

different events it's not like this

356

00:14:56,790 --> 00:14:55,199

happened while you were working at the

357

00:14:57,829 --> 00:14:56,800

intelligence agency it's not like this

358

00:14:59,750 --> 00:14:57,839

happened when you were part of the

359

00:15:00,870 --> 00:14:59,760

government and she said she's never

360

00:15:02,629 --> 00:15:00,880

tried to

361

00:15:04,230 --> 00:15:02,639

clog that fact she's always been open

362

00:15:05,430 --> 00:15:04,240

about it just said straight up yes this

363

00:15:08,150 --> 00:15:05,440

is how it is

364

00:15:10,389 --> 00:15:08,160

and she's always stuck to her story

365

00:15:12,790 --> 00:15:10,399

and been kind of consistent like that so

366

00:15:14,949 --> 00:15:12,800

i tend to believe like my my gut

367

00:15:16,710 --> 00:15:14,959

instinct when i'm watching her talk is

368

00:15:17,990 --> 00:15:16,720

this someone who fully believes what

369

00:15:20,710 --> 00:15:18,000

she's saying is

370

00:15:22,790 --> 00:15:20,720

100 truthful you know and so i believe

371

00:15:24,870 --> 00:15:22,800

she believes it yeah and i've given her

372

00:15:25,990 --> 00:15:24,880

a lot of like patience with her story

373

00:15:27,110 --> 00:15:26,000

because of that i'm like okay well i'm

374

00:15:29,110 --> 00:15:27,120

going to look into this i'm not going to

375

00:15:31,110 --> 00:15:29,120

be real i'm going to be skeptical and

376

00:15:32,550 --> 00:15:31,120

i'm going to trust but verify and so

377

00:15:34,389 --> 00:15:32,560

when you start to verify there's not

378

00:15:36,629 --> 00:15:34,399

really much to verify like you pointed

379

00:15:38,150 --> 00:15:36,639

out there was very little facts in her

380

00:15:39,749 --> 00:15:38,160

story which she made

381

00:15:41,430 --> 00:15:39,759

she never tried to hide she never tried

382

00:15:42,949 --> 00:15:41,440

to say oh i've got this huge ironclad

383

00:15:44,629 --> 00:15:42,959

thing i think she's been very honest

384

00:15:45,990 --> 00:15:44,639

with us considering how some of the

385

00:15:48,470 --> 00:15:46,000

other people talk to us you know what

386

00:15:49,990 --> 00:15:48,480

i'm saying but um

387

00:15:52,069 --> 00:15:50,000

yeah and you know what i want to say

388

00:15:54,150 --> 00:15:52,079

this too like i i

389

00:15:56,470 --> 00:15:54,160

the purpose of tonight's show is not to

390

00:15:58,710 --> 00:15:56,480

drag her name to the mud or call her a

391

00:16:00,629 --> 00:15:58,720

liar or you know i'm interested in the

392

00:16:01,749 --> 00:16:00,639

truth of what really happened with her

393

00:16:02,550 --> 00:16:01,759

story

394

00:16:05,189 --> 00:16:02,560

and

395

00:16:07,269 --> 00:16:05,199

it's not my intention to belittle her or

396

00:16:08,629 --> 00:16:07,279

you know it's that's not our purpose

397

00:16:10,550 --> 00:16:08,639

here tonight our purpose here is to

398

00:16:12,790 --> 00:16:10,560

report on the story people ask me all

399

00:16:15,430 --> 00:16:12,800

the time what give us an update what's

400

00:16:17,590 --> 00:16:15,440

what's happening with anjali and i

401
00:16:19,749 --> 00:16:17,600
nothing i think i don't know but this is

402
00:16:21,910 --> 00:16:19,759
a new development now we've got the

403
00:16:23,269 --> 00:16:21,920
original so-called witnesses to the

404
00:16:25,110 --> 00:16:23,279
event

405
00:16:26,870 --> 00:16:25,120
uh saying none of this happened and

406
00:16:28,389 --> 00:16:26,880
we'll get into the details of that we're

407
00:16:31,030 --> 00:16:28,399
going to read through the twitter thread

408
00:16:32,870 --> 00:16:31,040
of charlie weiser i want to mention also

409
00:16:34,550 --> 00:16:32,880
that we invited anjali i know it was

410
00:16:36,550 --> 00:16:34,560
last minute but

411
00:16:39,590 --> 00:16:36,560
i invited her here

412
00:16:41,269 --> 00:16:39,600
um and and she declined for tonight um

413
00:16:43,189 --> 00:16:41,279

and she did send me a message she said

414

00:16:45,350 --> 00:16:43,199

go ahead stephen and pass all that info

415

00:16:47,189 --> 00:16:45,360

around it actually may end up making it

416

00:16:49,030 --> 00:16:47,199

much easier for me to demonstrate how

417

00:16:51,590 --> 00:16:49,040

honest i have been each step of this

418

00:16:53,430 --> 00:16:51,600

process i have kept every screenshot

419

00:16:55,910 --> 00:16:53,440

message and video conversations with

420

00:16:57,749 --> 00:16:55,920

this couple and others related to this i

421

00:16:59,670 --> 00:16:57,759

have read and re-read them and put them

422

00:17:01,749 --> 00:16:59,680

up against what i have stated publicly

423

00:17:03,590 --> 00:17:01,759

and i am confident that though i may

424

00:17:05,750 --> 00:17:03,600

have unintentionally revealed too many

425

00:17:07,510 --> 00:17:05,760

details about them the only time i was

426

00:17:09,429 --> 00:17:07,520

not truthful about my experience was

427

00:17:11,669 --> 00:17:09,439

when i was protecting them so she's

428

00:17:14,870 --> 00:17:11,679

going to refute apparently

429

00:17:16,870 --> 00:17:14,880

um what this couple is saying so

430

00:17:18,710 --> 00:17:16,880

well and i think she mentions too that

431

00:17:20,630 --> 00:17:18,720

remember she said she had lied about the

432

00:17:22,470 --> 00:17:20,640

identities to protect them that the guy

433

00:17:24,470 --> 00:17:22,480

wasn't really named wayne and that she

434

00:17:26,150 --> 00:17:24,480

had made that name up to cover

435

00:17:28,069 --> 00:17:26,160

you know his identity and i understood

436

00:17:30,230 --> 00:17:28,079

that from day one i you know nobody's

437

00:17:32,150 --> 00:17:30,240

gonna fault her for changing her

438

00:17:34,070 --> 00:17:32,160

witnesses name to protect her identity

439

00:17:36,230 --> 00:17:34,080

that's pretty common so i think that's

440

00:17:38,789 --> 00:17:36,240

what she was referencing there maybe

441

00:17:40,630 --> 00:17:38,799

yeah and and also you know many people

442

00:17:41,430 --> 00:17:40,640

have the other reason that i've kind of

443

00:17:43,430 --> 00:17:41,440

been

444

00:17:45,430 --> 00:17:43,440

as kind as i could be is because i was

445

00:17:47,350 --> 00:17:45,440

always concerned that she suffered from

446

00:17:49,750 --> 00:17:47,360

some sort of mental

447

00:17:52,630 --> 00:17:49,760

problems or illness that could cause or

448

00:17:54,789 --> 00:17:52,640

create hallucinate hallucinations or

449

00:17:56,390 --> 00:17:54,799

delusions and i don't want to beat

450

00:17:57,909 --> 00:17:56,400

somebody up that's suffering from some

451

00:17:59,590 --> 00:17:57,919

kind of mental

452

00:18:02,070 --> 00:17:59,600

problems but

453

00:18:04,710 --> 00:18:02,080

anjali claims that she is a hundred

454

00:18:07,430 --> 00:18:04,720

percent okay she's been examined by

455

00:18:09,190 --> 00:18:07,440

psychological uh you know experts at the

456

00:18:12,070 --> 00:18:09,200

va and they declared that she's not

457

00:18:14,789 --> 00:18:12,080

suffering from delusions or whatever

458

00:18:17,110 --> 00:18:14,799

um so her claim is that that she's

459

00:18:20,390 --> 00:18:17,120

she's fully

460

00:18:21,350 --> 00:18:20,400

mentally sound and and okay

461

00:18:22,549 --> 00:18:21,360

take that

462

00:18:27,029 --> 00:18:22,559

you know

463

00:18:30,230 --> 00:18:28,870

so i guess we get into the actual

464

00:18:33,350 --> 00:18:30,240

twitter thread i'm going to share my

465

00:18:37,350 --> 00:18:35,350

and we're using a thread reader to make

466

00:18:39,510 --> 00:18:37,360

this make a little more

467

00:18:41,669 --> 00:18:39,520

sense

468

00:18:43,510 --> 00:18:41,679

so um

469

00:18:45,590 --> 00:18:43,520

this is reported by charlie weiser

470

00:18:47,430 --> 00:18:45,600

yesterday all in a twitter thread but

471

00:18:49,830 --> 00:18:47,440

we're using this thread reader to make

472

00:18:51,350 --> 00:18:49,840

it make a little bit more sense

473

00:18:53,190 --> 00:18:51,360

so trisha

474

00:18:55,270 --> 00:18:53,200

says audrey tried to make it seem like

475

00:18:56,870 --> 00:18:55,280

we were going to be part of the libel

476
00:18:58,950 --> 00:18:56,880
suit against you

477
00:19:00,070 --> 00:18:58,960
you being charlie weiser i was like oh

478
00:19:02,390 --> 00:19:00,080
hell no

479
00:19:04,789 --> 00:19:02,400
wayne says that's what made me reach out

480
00:19:06,710 --> 00:19:04,799
to you and charlie wiser calls this a

481
00:19:08,789 --> 00:19:06,720
threat about two people who want to

482
00:19:10,950 --> 00:19:08,799
remove themselves from the story

483
00:19:13,830 --> 00:19:10,960
recap anjali says she met wayne and

484
00:19:15,750 --> 00:19:13,840
trisha in january 2018 walked through a

485
00:19:17,190 --> 00:19:15,760
tunnel he dug in the mountain and met

486
00:19:19,029 --> 00:19:17,200
aliens

487
00:19:21,110 --> 00:19:19,039
charlie weiser goes on to say i just

488
00:19:23,350 --> 00:19:21,120

spoke to wayne and trisha for over an

489

00:19:25,669 --> 00:19:23,360

hour i asked for their version of what

490

00:19:28,150 --> 00:19:25,679

happened that day

491

00:19:30,070 --> 00:19:28,160

and uh she advises to catch up reading

492

00:19:32,230 --> 00:19:30,080

this tweet storm about the other wayne

493

00:19:33,909 --> 00:19:32,240

because remember we've got the two wings

494

00:19:36,950 --> 00:19:33,919

but she apparently has

495

00:19:39,510 --> 00:19:36,960

anjali's proper right correct wayne

496

00:19:41,350 --> 00:19:39,520

patricia and this was verified through

497

00:19:43,669 --> 00:19:41,360

public records because

498

00:19:45,830 --> 00:19:43,679

at the time the day that

499

00:19:48,150 --> 00:19:45,840

ozily claims that she met the aliens in

500

00:19:50,870 --> 00:19:48,160

the mountain there was a wellness check

501
00:19:52,390 --> 00:19:50,880
performed by the sheriff and an emt

502
00:19:54,789 --> 00:19:52,400
an ambulance

503
00:19:56,070 --> 00:19:54,799
and those are public records so i

504
00:19:58,630 --> 00:19:56,080
believe that

505
00:20:00,870 --> 00:19:58,640
uh charlie weiser has the proper wayne

506
00:20:02,950 --> 00:20:00,880
and trisha as verified by the ambulance

507
00:20:03,830 --> 00:20:02,960
visiting that day

508
00:20:05,909 --> 00:20:03,840
so

509
00:20:07,830 --> 00:20:05,919
uh she says please respect wayne and

510
00:20:09,510 --> 00:20:07,840
trisha's privacy they are fed up anxious

511
00:20:11,270 --> 00:20:09,520
and scared while chatting as a group in

512
00:20:14,070 --> 00:20:11,280
the coffee shop wayne mentioned people

513
00:20:16,630 --> 00:20:14,080

sing ufos for years over his mountain

514

00:20:18,950 --> 00:20:16,640

they invited anjali home because quote

515

00:20:21,110 --> 00:20:18,960

she seemed like a nice person unquote

516

00:20:21,990 --> 00:20:21,120

another couple their friends came home

517

00:20:23,909 --> 00:20:22,000

too

518

00:20:25,190 --> 00:20:23,919

back home

519

00:20:27,190 --> 00:20:25,200

this is where it gets interesting

520

00:20:29,029 --> 00:20:27,200

because some people may recall that i

521

00:20:31,669 --> 00:20:29,039

said that anjali's experience sounds

522

00:20:34,310 --> 00:20:31,679

exactly like a dmt trip

523

00:20:35,990 --> 00:20:34,320

wayne says we did some cannabis oil if

524

00:20:38,630 --> 00:20:36,000

you're not used to cannabis oil it can

525

00:20:42,310 --> 00:20:38,640

hit you hard what i'm getting at is this

526
00:20:44,789 --> 00:20:42,320
we weren't sober it does alter your mind

527
00:20:46,710 --> 00:20:44,799
uh they walked around the land for a bit

528
00:20:48,549 --> 00:20:46,720
although not the mountain itself not

529
00:20:50,710 --> 00:20:48,559
sober stoned

530
00:20:52,470 --> 00:20:50,720
and i had asked on julie in our

531
00:20:54,070 --> 00:20:52,480
interview if she was under the influence

532
00:20:56,470 --> 00:20:54,080
of any drugs and she said no not

533
00:20:59,750 --> 00:20:56,480
knowingly now we know that

534
00:21:01,430 --> 00:20:59,760
they were using cannabis oil

535
00:21:02,789 --> 00:21:01,440
okay so

536
00:21:04,870 --> 00:21:02,799
this goes

537
00:21:07,270 --> 00:21:04,880
stated an ambulance showed up before it

538
00:21:08,710 --> 00:21:07,280

was even dark wayne had no idea why

539

00:21:11,190 --> 00:21:08,720

until the sheriff said it was there for

540

00:21:14,950 --> 00:21:11,200

a welfare check for angelia because her

541

00:21:19,029 --> 00:21:17,590

a friend picked her up 911 11 30 p.m

542

00:21:22,310 --> 00:21:19,039

wayne goes on to state whatever

543

00:21:24,710 --> 00:21:22,320

experience anjali had here is really in

544

00:21:27,270 --> 00:21:24,720

her mind there was no mention of tunnels

545

00:21:30,390 --> 00:21:27,280

or aliens that night and this of course

546

00:21:31,990 --> 00:21:30,400

directly refutes anjali's story goes on

547

00:21:34,870 --> 00:21:32,000

to say and when she picked up her car

548

00:21:36,230 --> 00:21:34,880

the next day not a word aside from ufos

549

00:21:38,750 --> 00:21:36,240

in the coffee shop

550

00:21:41,750 --> 00:21:38,760

for the next couple of weeks anjali

551
00:21:43,909 --> 00:21:41,760
texted tricia asking to meet up still no

552
00:21:45,669 --> 00:21:43,919
mention of aliens and tunnels trisha

553
00:21:47,830 --> 00:21:45,679
says i ignored her

554
00:21:49,909 --> 00:21:47,840
wayne says because we were freaked out

555
00:21:51,590 --> 00:21:49,919
by her wayne and trisha do not want to

556
00:21:52,549 --> 00:21:51,600
be part of this story they never wanted

557
00:21:54,630 --> 00:21:52,559
to be

558
00:21:56,470 --> 00:21:54,640
three years later a week before the

559
00:21:58,470 --> 00:21:56,480
press conference wayne and trisha gave

560
00:22:01,350 --> 00:21:58,480
in to anjali's persistent attempts to

561
00:22:04,870 --> 00:22:01,360
reconnect she said that she had had an

562
00:22:07,190 --> 00:22:04,880
alien experience in waze wayne's tunnel

563
00:22:08,630 --> 00:22:07,200

and they were baffled wayne had no

564

00:22:11,270 --> 00:22:08,640

tunnels

565

00:22:13,909 --> 00:22:11,280

angelia said oh yes you do

566

00:22:15,590 --> 00:22:13,919

you just don't remember them

567

00:22:17,990 --> 00:22:15,600

wayne goes on to say i've tried to

568

00:22:20,630 --> 00:22:18,000

explain there's no tunnel here i can't

569

00:22:22,870 --> 00:22:20,640

convince her anjali has been pressuring

570

00:22:25,190 --> 00:22:22,880

them to allow an expedition under the

571

00:22:27,430 --> 00:22:25,200

stress sometimes he's felt like buckling

572

00:22:29,669 --> 00:22:27,440

just to get it over with but he doesn't

573

00:22:31,750 --> 00:22:29,679

want strangers on his land especially

574

00:22:34,070 --> 00:22:31,760

not max and max would be

575

00:22:36,710 --> 00:22:34,080

i believe the boyfriend of anjali

576

00:22:39,590 --> 00:22:36,720

wayne says ashley told him you have no

577

00:22:40,950 --> 00:22:39,600

idea who i am you have no idea what i'm

578

00:22:43,669 --> 00:22:40,960

capable of

579

00:22:45,510 --> 00:22:43,679

he says when i realize she's a powerful

580

00:22:46,710 --> 00:22:45,520

person who can push a button and jack

581

00:22:48,630 --> 00:22:46,720

our life

582

00:22:51,029 --> 00:22:48,640

when audrey was being real persistent

583

00:22:53,669 --> 00:22:51,039

last year wayne said that she could buy

584

00:22:55,990 --> 00:22:53,679

his land for 10 million dollars

585

00:22:58,149 --> 00:22:56,000

he said we leave it and you can have

586

00:22:59,750 --> 00:22:58,159

this whole place and we don't have to

587

00:23:02,390 --> 00:22:59,760

deal with this

588

00:23:04,390 --> 00:23:02,400

she anjali said bigelow aerospace would

589

00:23:07,590 --> 00:23:04,400
pay 20 million for a few acres of

590

00:23:08,630 --> 00:23:07,600
mountain with no aliens

591

00:23:10,230 --> 00:23:08,640
so

592

00:23:12,630 --> 00:23:10,240
you know the story is really falling

593

00:23:14,789 --> 00:23:12,640
apart once you talk to these two people

594

00:23:17,190 --> 00:23:14,799
we have trisha to anjali

595

00:23:19,430 --> 00:23:17,200
i wish i would have never met you i wish

596

00:23:22,070 --> 00:23:19,440
we never invited you to our home you're

597

00:23:24,549 --> 00:23:22,080
not my friend you never were my friend

598

00:23:26,870 --> 00:23:24,559
stop saying you're my friend

599

00:23:29,190 --> 00:23:26,880
angelina trisha i'm your friend whether

600

00:23:30,070 --> 00:23:29,200
you think so or not love your friend

601
00:23:32,230 --> 00:23:30,080
that's

602
00:23:34,870 --> 00:23:32,240
weird

603
00:23:37,029 --> 00:23:34,880
and so uh this couple what they say is

604
00:23:39,830 --> 00:23:37,039
what we want is for anjali to just go

605
00:23:41,909 --> 00:23:39,840
away trisha says i'm so frustrated about

606
00:23:45,510 --> 00:23:41,919
what she's done to her love our lives

607
00:23:48,710 --> 00:23:45,520
woman to woman i'm a very angry wife

608
00:23:50,230 --> 00:23:48,720
did i mention wayne is not a fan of max

609
00:23:52,149 --> 00:23:50,240
and they go on to say i don't know who

610
00:23:54,310 --> 00:23:52,159
you think you are max talking about my

611
00:23:56,470 --> 00:23:54,320
cancer as if you think you know me you

612
00:23:58,789 --> 00:23:56,480
don't know [h__h] stop talking about my

613
00:24:00,870 --> 00:23:58,799

cancer out there this is what this

614

00:24:02,630 --> 00:24:00,880

person weighing told max anjali's

615

00:24:05,350 --> 00:24:02,640

boyfriend

616

00:24:07,430 --> 00:24:05,360

so charlie weiser goes on to write uh

617

00:24:09,669 --> 00:24:07,440

let's give andrew lee the benefit of the

618

00:24:11,430 --> 00:24:09,679

doubt she had an experience of some sort

619

00:24:12,549 --> 00:24:11,440

while high

620

00:24:14,390 --> 00:24:12,559

but

621

00:24:16,390 --> 00:24:14,400

according to wayne there is no tunnel so

622

00:24:19,110 --> 00:24:16,400

whatever happened it was in her head it

623

00:24:21,510 --> 00:24:19,120

was not in a tunnel with aliens inside

624

00:24:24,149 --> 00:24:21,520

therefore wayne and trisha are not part

625

00:24:26,230 --> 00:24:24,159

of her story again wayne and trisha tell

626
00:24:28,549 --> 00:24:26,240
me aliens and tunnels were never spoken

627
00:24:30,710 --> 00:24:28,559
about that day the next day or in

628
00:24:32,950 --> 00:24:30,720
messages for the next two weeks

629
00:24:35,350 --> 00:24:32,960
after which they lost touch

630
00:24:36,870 --> 00:24:35,360
three years later anjali returns with a

631
00:24:39,669 --> 00:24:36,880
tale of

632
00:24:41,909 --> 00:24:39,679
lavi the lavender alien removing her

633
00:24:44,070 --> 00:24:41,919
consciousness in the midst of night

634
00:24:46,070 --> 00:24:44,080
trisha she said that they were standing

635
00:24:48,470 --> 00:24:46,080
over her and they were all shiny and i'm

636
00:24:50,070 --> 00:24:48,480
thinking yeah that was the ambulance you

637
00:24:52,390 --> 00:24:50,080
were in lady

638
00:24:54,630 --> 00:24:52,400

so anjali's assessment of wayne and

639

00:24:56,710 --> 00:24:54,640

trisha match his mind they are genuine

640

00:24:59,990 --> 00:24:56,720

and lovely people we had a good laugh

641

00:25:01,750 --> 00:25:00,000

but their anguish is palpable palpable

642

00:25:03,990 --> 00:25:01,760

they've tried everything they can think

643

00:25:06,549 --> 00:25:04,000

of to make her go away

644

00:25:08,950 --> 00:25:06,559

we need to stop the cycle how can wayne

645

00:25:11,350 --> 00:25:08,960

and trisha make ausley accept that they

646

00:25:13,590 --> 00:25:11,360

were not part of her story that whatever

647

00:25:15,830 --> 00:25:13,600

happened it was in her head that

648

00:25:18,870 --> 00:25:15,840

whatever she remembers now it doesn't

649

00:25:21,750 --> 00:25:18,880

reflect reality there are no tunnels or

650

00:25:24,230 --> 00:25:21,760

aliens in wayne's mountain

651

00:25:26,390 --> 00:25:24,240

and and here's another detail

652

00:25:28,230 --> 00:25:26,400

that anjali really harped over which was

653

00:25:29,990 --> 00:25:28,240

there was some kind of archway in

654

00:25:32,310 --> 00:25:30,000

wayne's house and after the experience

655

00:25:34,710 --> 00:25:32,320

the aliens teleported her back and wayne

656

00:25:35,590 --> 00:25:34,720

said that's where the aliens return us

657

00:25:37,750 --> 00:25:35,600

to

658

00:25:39,669 --> 00:25:37,760

once we're in the alien base

659

00:25:41,909 --> 00:25:39,679

ps there was no big wooden arch

660

00:25:44,390 --> 00:25:41,919

teleporter pad dividing wayne's house in

661

00:25:46,630 --> 00:25:44,400

two waynes tells me there is a door

662

00:25:49,350 --> 00:25:46,640

separating the front back of the house

663

00:25:51,590 --> 00:25:49,360

this revelation crushed me

664

00:25:52,390 --> 00:25:51,600

so that's pretty much it

665

00:25:54,950 --> 00:25:52,400

uh

666

00:25:57,029 --> 00:25:54,960

how did i remove did i did i bounce you

667

00:25:58,710 --> 00:25:57,039

out i didn't mean to i apologize

668

00:26:00,549 --> 00:25:58,720

oh no it wasn't your fault i i had

669

00:26:03,510 --> 00:26:00,559

internet problems and had to pop back in

670

00:26:06,149 --> 00:26:03,520

but i was okay backstage yeah okay so

671

00:26:09,190 --> 00:26:06,159

yeah so what we have is that this this

672

00:26:12,470 --> 00:26:09,200

couple entirely refutes anjali's

673

00:26:14,549 --> 00:26:12,480

recollection of events there's no tunnel

674

00:26:16,710 --> 00:26:14,559

she claimed wayne dug the tunnel into

675

00:26:18,710 --> 00:26:16,720

the alien mountain

676
00:26:20,710 --> 00:26:18,720
apparently there is no tunnel there's no

677
00:26:22,950 --> 00:26:20,720
archway in his house

678
00:26:24,549 --> 00:26:22,960
she never discussed aliens with them the

679
00:26:27,510 --> 00:26:24,559
night that she claims she had the

680
00:26:30,230 --> 00:26:27,520
experience or the two weeks after

681
00:26:31,750 --> 00:26:30,240
it's like that

682
00:26:33,750 --> 00:26:31,760
we have two

683
00:26:36,549 --> 00:26:33,760
totally different version of the same

684
00:26:39,510 --> 00:26:36,559
event anjali's version

685
00:26:41,830 --> 00:26:39,520
claiming that this uh trish and wayne

686
00:26:43,990 --> 00:26:41,840
were in on it and know about the aliens

687
00:26:46,149 --> 00:26:44,000
in the mountain that wayne dug the

688
00:26:47,510 --> 00:26:46,159

tunnel into the mountain into the alien

689

00:26:49,990 --> 00:26:47,520

base

690

00:26:53,190 --> 00:26:50,000

and uh

691

00:26:54,710 --> 00:26:53,200

i guess the story falls apart here right

692

00:26:56,310 --> 00:26:54,720

you know i'm glad you brought it up and

693

00:26:58,789 --> 00:26:56,320

i'm glad that you offered angeli the

694

00:27:00,789 --> 00:26:58,799

chance to come uh here today to answer

695

00:27:02,549 --> 00:27:00,799

you know to the respond to this and at

696

00:27:05,029 --> 00:27:02,559

some point she's going to have to

697

00:27:06,710 --> 00:27:05,039

respond to this because this gives i

698

00:27:07,830 --> 00:27:06,720

mean if you think about the two stories

699

00:27:10,149 --> 00:27:07,840

and you think about these people

700

00:27:11,350 --> 00:27:10,159

together on that night this really does

701
00:27:13,190 --> 00:27:11,360
have a more

702
00:27:15,669 --> 00:27:13,200
ring of truth to it that's supported by

703
00:27:18,389 --> 00:27:15,679
fact this version of the story you know

704
00:27:20,710 --> 00:27:18,399
it is still just wayne and and his wife

705
00:27:23,110 --> 00:27:20,720
uh trisha is that her name trisha so

706
00:27:25,190 --> 00:27:23,120
it's their version versus aunt jollies

707
00:27:26,950 --> 00:27:25,200
but you know it really does have the

708
00:27:28,470 --> 00:27:26,960
smack of truth and when they said the

709
00:27:30,389 --> 00:27:28,480
one part that really stuck with me was

710
00:27:31,909 --> 00:27:30,399
that part about the ambulance and and

711
00:27:32,870 --> 00:27:31,919
then the aliens you know i was like wait

712
00:27:34,870 --> 00:27:32,880
a minute because we knew that an

713
00:27:36,630 --> 00:27:34,880

ambulance was called that day from the

714

00:27:38,070 --> 00:27:36,640

911 yeah and if you're in an ambulance

715

00:27:40,870 --> 00:27:38,080

they're going to lay you on a bed and

716

00:27:43,590 --> 00:27:40,880

they're going to do an examination which

717

00:27:46,149 --> 00:27:43,600

sounds strangely similar to

718

00:27:48,230 --> 00:27:46,159

her laying on a table or something that

719

00:27:50,710 --> 00:27:48,240

she said and they took took her out of

720

00:27:52,070 --> 00:27:50,720

her consciousness now though the one

721

00:27:54,470 --> 00:27:52,080

thing that i'm a little confused about

722

00:27:56,630 --> 00:27:54,480

is cannabis oil because

723

00:27:58,950 --> 00:27:56,640

maybe it's just the only cannabis oil

724

00:28:01,190 --> 00:27:58,960

i've ever tried is cbd oil

725

00:28:03,269 --> 00:28:01,200

and that did not have it didn't really

726

00:28:06,029 --> 00:28:03,279

get you high it just sort of relaxes you

727

00:28:07,909 --> 00:28:06,039

a little bit it doesn't create loosened

728

00:28:10,470 --> 00:28:07,919

hallucinations but

729

00:28:13,190 --> 00:28:10,480

i don't know that thc infused cannabis

730

00:28:16,470 --> 00:28:13,200

oil if it's really really concentrated

731

00:28:18,950 --> 00:28:16,480

couldn't produce some of these

732

00:28:20,789 --> 00:28:18,960

effects right i i i don't know i would

733

00:28:22,470 --> 00:28:20,799

know yeah i mean i assume it could you

734

00:28:24,549 --> 00:28:22,480

know i mean something it sounds like

735

00:28:27,110 --> 00:28:24,559

something did maybe it was a combination

736

00:28:29,110 --> 00:28:27,120

of of the of the cannabis oil whatever

737

00:28:31,590 --> 00:28:29,120

that was charlie weiser is here welcome

738

00:28:33,029 --> 00:28:31,600

charlie wiser

739

00:28:34,950 --> 00:28:33,039

yeah i'm going to check out twitter

740

00:28:37,110 --> 00:28:34,960

charlie great report

741

00:28:39,029 --> 00:28:37,120

great job and i agree with what you said

742

00:28:41,029 --> 00:28:39,039

earlier like i've fact checked a few of

743

00:28:42,549 --> 00:28:41,039

charlie's pieces of information enough

744

00:28:44,470 --> 00:28:42,559

to know that when charlie put something

745

00:28:46,070 --> 00:28:44,480

out there it's it's pretty dang thorough

746

00:28:48,630 --> 00:28:46,080

you know like i haven't found any reason

747

00:28:49,990 --> 00:28:48,640

to discredit uh charlie's research and i

748

00:28:51,669 --> 00:28:50,000

find it interesting that other people

749

00:28:55,750 --> 00:28:51,679

think they do without any evidence that

750

00:28:57,510 --> 00:28:55,760

it's not good you know um so yeah

751
00:28:58,870 --> 00:28:57,520
was there a new tweet from anjali that

752
00:29:00,310 --> 00:28:58,880
had come out or

753
00:29:01,990 --> 00:29:00,320
yeah i think she's just talking about

754
00:29:03,830 --> 00:29:02,000
what she replied to the thread where you

755
00:29:06,950 --> 00:29:03,840
invited her to the show

756
00:29:08,230 --> 00:29:06,960
anjali says my experience has not come

757
00:29:10,710 --> 00:29:08,240
crashing down

758
00:29:12,630 --> 00:29:10,720
respectfully now

759
00:29:14,950 --> 00:29:12,640
i am not available in an hour i am not

760
00:29:17,430 --> 00:29:14,960
available tonight go ahead and have your

761
00:29:19,029 --> 00:29:17,440
say tonight pass all that info around it

762
00:29:21,029 --> 00:29:19,039
is a relief that wayne and trisha

763
00:29:23,029 --> 00:29:21,039

finally spoke up i don't have to worry

764

00:29:24,630 --> 00:29:23,039

about them anymore

765

00:29:26,149 --> 00:29:24,640

well there you go yeah and that's that's

766

00:29:27,510 --> 00:29:26,159

kind of what wayne was saying too just

767

00:29:28,710 --> 00:29:27,520

like hey we got this you don't need to

768

00:29:30,310 --> 00:29:28,720

speak on our behalf that's kind of what

769

00:29:32,389 --> 00:29:30,320

i was picking up from his communication

770

00:29:33,830 --> 00:29:32,399

there you know like he he doesn't need

771

00:29:35,110 --> 00:29:33,840

anybody else to tell his side of the

772

00:29:37,510 --> 00:29:35,120

story now and i think he sees the

773

00:29:39,190 --> 00:29:37,520

benefit coming out with it um that the

774

00:29:40,549 --> 00:29:39,200

10 and 20 million is kind of interesting

775

00:29:41,909 --> 00:29:40,559

i mean if i had a piece of land that was

776

00:29:43,190 --> 00:29:41,919

valued at you know i don't know what

777

00:29:44,630 --> 00:29:43,200

their land is valued at let's just say

778

00:29:46,789 --> 00:29:44,640

it's a million bucks and somebody offers

779

00:29:48,870 --> 00:29:46,799

you 10 million

780

00:29:50,470 --> 00:29:48,880

take it say it you win it can be your

781

00:29:52,230 --> 00:29:50,480

headache you know bigelow if you want to

782

00:29:53,430 --> 00:29:52,240

pay me 20 great let's get a bidding war

783

00:29:56,149 --> 00:29:53,440

i'll call christie's and let's get a

784

00:29:57,830 --> 00:29:56,159

bidding war going on it you know for 20

785

00:29:59,430 --> 00:29:57,840

but uh you know like i i don't

786

00:30:00,470 --> 00:29:59,440

understand why people will you know i

787

00:30:01,830 --> 00:30:00,480

get they wouldn't want to leave their

788

00:30:03,190 --> 00:30:01,840

home and stuff for any amount of money

789

00:30:05,350 --> 00:30:03,200

some people don't need the money and so

790

00:30:07,110 --> 00:30:05,360

they don't have to you know but i'm just

791

00:30:08,870 --> 00:30:07,120

you know it sounds like wayne and wanted

792

00:30:11,669 --> 00:30:08,880

to get his side they wanted their site

793

00:30:13,510 --> 00:30:11,679

out there you know um you know um

794

00:30:15,110 --> 00:30:13,520

especially if it sounds like they're

795

00:30:16,950 --> 00:30:15,120

kind of concurring with what charlie was

796

00:30:18,710 --> 00:30:16,960

already coming up with you know and it

797

00:30:20,710 --> 00:30:18,720

sounds like charlie was trying to get

798

00:30:22,789 --> 00:30:20,720

somebody was trying to bully charlie

799

00:30:24,549 --> 00:30:22,799

into silence with a lawsuit or or

800

00:30:25,830 --> 00:30:24,559

whatever you know like that's just

801
00:30:27,430 --> 00:30:25,840
that's not right especially when

802
00:30:29,190 --> 00:30:27,440
somebody's just doing good investigative

803
00:30:30,710 --> 00:30:29,200
journalism and bringing the truth out

804
00:30:32,389 --> 00:30:30,720
you know like we gotta have this stuff

805
00:30:35,190 --> 00:30:32,399
and keep it up charlie don't let anybody

806
00:30:37,190 --> 00:30:35,200
silence you yeah i agree and and uh you

807
00:30:38,310 --> 00:30:37,200
know i will say

808
00:30:40,950 --> 00:30:38,320
charlie

809
00:30:42,710 --> 00:30:40,960
listen ashley was very kind to me

810
00:30:44,630 --> 00:30:42,720
and and to others

811
00:30:46,950 --> 00:30:44,640
even though we were very skeptical of

812
00:30:49,510 --> 00:30:46,960
her and and you know what i should what

813
00:30:52,789 --> 00:30:49,520

i should or would say to ashley as i

814

00:30:54,470 --> 00:30:52,799

agree with most or all probably of

815

00:30:55,510 --> 00:30:54,480

charlie weiser's reporting on the whole

816

00:30:58,950 --> 00:30:55,520

story

817

00:31:01,509 --> 00:30:58,960

so why are you sue and charlie wiser and

818

00:31:04,710 --> 00:31:01,519

you're not suing me i'm just as critical

819

00:31:06,950 --> 00:31:04,720

of a lot of parts of the story it just

820

00:31:08,149 --> 00:31:06,960

you know and i i don't understand that

821

00:31:10,310 --> 00:31:08,159

that's right out of corey good's

822

00:31:12,710 --> 00:31:10,320

playbook like if you can't argue with

823

00:31:14,549 --> 00:31:12,720

the facts that your critics dig up sue

824

00:31:16,950 --> 00:31:14,559

them into silence

825

00:31:18,470 --> 00:31:16,960

you know and i i totally don't support

826

00:31:21,029 --> 00:31:18,480

that i understand

827

00:31:22,710 --> 00:31:21,039

maybe she felt attacked or you know but

828

00:31:25,110 --> 00:31:22,720

you can't just sue people because they

829

00:31:26,470 --> 00:31:25,120

disagree with you

830

00:31:27,669 --> 00:31:26,480

on the internet

831

00:31:29,269 --> 00:31:27,679

right

832

00:31:30,230 --> 00:31:29,279

i mean you can sue somebody for anything

833

00:31:32,149 --> 00:31:30,240

but

834

00:31:33,990 --> 00:31:32,159

i don't think that's a good idea it's a

835

00:31:36,389 --> 00:31:34,000

it's especially gonna be a public figure

836

00:31:38,070 --> 00:31:36,399

you made these incredible claims what do

837

00:31:40,230 --> 00:31:38,080

you expect people are gonna dig of

838

00:31:41,909 --> 00:31:40,240

course people are gonna dig into it

839

00:31:43,509 --> 00:31:41,919

you know that's what i don't understand

840

00:31:45,509 --> 00:31:43,519

stephen is that you know like our

841

00:31:47,269 --> 00:31:45,519

ufology is full of two things like

842

00:31:48,630 --> 00:31:47,279

skeptic there's believers but there's

843

00:31:50,470 --> 00:31:48,640

also a bunch of skeptics and

844

00:31:51,990 --> 00:31:50,480

investigators like why would you come

845

00:31:54,470 --> 00:31:52,000

into a field that's full of skeptic and

846

00:31:56,710 --> 00:31:54,480

investigators with a story that is

847

00:31:58,549 --> 00:31:56,720

easily picked apart you know like i just

848

00:32:00,149 --> 00:31:58,559

don't get it unless they really do i

849

00:32:01,590 --> 00:32:00,159

know that some of them like you know

850

00:32:02,950 --> 00:32:01,600

like lou says he just thinks we're all

851
00:32:06,710 --> 00:32:02,960
bottom dwellers that are sitting around

852
00:32:09,029 --> 00:32:06,720
in our underwears with our our you know

853
00:32:11,669 --> 00:32:09,039
poster on the wall in our mom's basement

854
00:32:13,190 --> 00:32:11,679
you know in our mom's basement right

855
00:32:14,789 --> 00:32:13,200
i want to believe poster and you know

856
00:32:16,470 --> 00:32:14,799
what i decided i'm taking it down

857
00:32:18,070 --> 00:32:16,480
because it's too cliché

858
00:32:19,750 --> 00:32:18,080
you can't have a show like this and not

859
00:32:21,430 --> 00:32:19,760
have that poster in your room i'm going

860
00:32:23,269 --> 00:32:21,440
to give it to my kids or something i'm

861
00:32:24,549 --> 00:32:23,279
going to put a guitar there or something

862
00:32:25,909 --> 00:32:24,559
right because

863
00:32:27,269 --> 00:32:25,919

everybody's got it

864

00:32:29,029 --> 00:32:27,279

but you know like there's some real

865

00:32:30,389 --> 00:32:29,039

savvy investigators and i don't just

866

00:32:31,909 --> 00:32:30,399

mean the late stan friedman there's

867

00:32:33,750 --> 00:32:31,919

other people who are picking up the ball

868

00:32:35,830 --> 00:32:33,760

like yourself and like recently myself

869

00:32:38,149 --> 00:32:35,840

you know like who have really stepped up

870

00:32:40,230 --> 00:32:38,159

to to fill a hole that's kind of been

871

00:32:42,149 --> 00:32:40,240

exploited you know so

872

00:32:43,430 --> 00:32:42,159

um i i don't know maybe that's notice to

873

00:32:44,630 --> 00:32:43,440

some of these other grifters out there

874

00:32:46,950 --> 00:32:44,640

if you're gonna come into the into the

875

00:32:48,630 --> 00:32:46,960

scene with some kind of cockamamie story

876

00:32:50,630 --> 00:32:48,640

and think it's gonna float don't just be

877

00:32:52,789 --> 00:32:50,640

prepared to get called out on it because

878

00:32:53,990 --> 00:32:52,799

the people are watching you know

879

00:32:55,029 --> 00:32:54,000

lots of cool people out there i saw

880

00:32:56,950 --> 00:32:55,039

scott brown i haven't seen him in

881

00:32:59,430 --> 00:32:56,960

forever what's up scott yeah we're gonna

882

00:33:01,110 --> 00:32:59,440

have scott come on the show sometime

883

00:33:01,990 --> 00:33:01,120

he was very critical of her story as

884

00:33:04,070 --> 00:33:02,000

well

885

00:33:05,750 --> 00:33:04,080

and was on some of those panels you know

886

00:33:07,909 --> 00:33:05,760

that we had talking about it where she

887

00:33:08,950 --> 00:33:07,919

was here i'm a little disappointed

888

00:33:11,029 --> 00:33:08,960

because

889

00:33:12,789 --> 00:33:11,039

one thing i will say that i respect her

890

00:33:14,630 --> 00:33:12,799

for is that she's kind of like a fire

891

00:33:16,389 --> 00:33:14,640

brand you know like people talk [h__h] and

892

00:33:18,149 --> 00:33:16,399

she goes i'm cutting all your show i'm

893

00:33:20,310 --> 00:33:18,159

gonna tell my side of the so i was kind

894

00:33:22,549 --> 00:33:20,320

of hoping that she took it i didn't want

895

00:33:25,190 --> 00:33:22,559

to twist her arm or whatever i thought

896

00:33:26,870 --> 00:33:25,200

it was important though that we give

897

00:33:29,029 --> 00:33:26,880

this update like here's what's been

898

00:33:31,509 --> 00:33:29,039

going on and here's what people you know

899

00:33:32,310 --> 00:33:31,519

here's what charlie wiser has found and

900

00:33:33,350 --> 00:33:32,320

uh

901
00:33:35,830 --> 00:33:33,360

you know i

902
00:33:37,350 --> 00:33:35,840

i'm very supportive of charlie weiser

903
00:33:39,269 --> 00:33:37,360

you know somebody just trying to dox her

904
00:33:41,269 --> 00:33:39,279

and they they identified the wrong

905
00:33:43,110 --> 00:33:41,279

person that wasn't her

906
00:33:47,190 --> 00:33:43,120

so uh

907
00:33:50,149 --> 00:33:48,470

how do people do that or think that

908
00:33:51,990 --> 00:33:50,159

that's okay like i don't want to go down

909
00:33:54,389 --> 00:33:52,000

that path today let's let's let's keep

910
00:33:56,950 --> 00:33:54,399

it here but you know and jolly's really

911
00:33:57,909 --> 00:33:56,960

she i agree she's a fire brand and she's

912
00:33:59,669 --> 00:33:57,919

also

913
00:34:01,509 --> 00:33:59,679

very like i said she believes what she's

914

00:34:03,029 --> 00:34:01,519

saying so it's it's i find it actually

915

00:34:09,589 --> 00:34:03,039

pleasant to engage and talk to her i

916

00:34:15,349 --> 00:34:13,190

first of all i believe that she believes

917

00:34:17,669 --> 00:34:15,359

what she's saying is 100

918

00:34:19,430 --> 00:34:17,679

the truth so you know i can't really

919

00:34:21,829 --> 00:34:19,440

attack her for having experience and

920

00:34:24,790 --> 00:34:21,839

believing it i just don't

921

00:34:26,869 --> 00:34:24,800

i i got stuck on the dmt trip that was

922

00:34:28,149 --> 00:34:26,879

what i said this was most likely caused

923

00:34:30,230 --> 00:34:28,159

by because

924

00:34:32,950 --> 00:34:30,240

she talks about a purple being she talks

925

00:34:36,470 --> 00:34:32,960

about getting pulled out of her body she

926

00:34:38,470 --> 00:34:36,480

you know and go look up a dmt experience

927

00:34:40,550 --> 00:34:38,480

and listen to people it's very common

928

00:34:42,069 --> 00:34:40,560

for people to feel those two things one

929

00:34:44,790 --> 00:34:42,079

that they were taken out of their body

930

00:34:46,470 --> 00:34:44,800

and two that they communicated with a

931

00:34:49,109 --> 00:34:46,480

purple being and that's what she

932

00:34:51,030 --> 00:34:49,119

described so wow you know for all i know

933

00:34:52,869 --> 00:34:51,040

maybe there was dmt in the in the

934

00:34:54,869 --> 00:34:52,879

cannabis oil that she was taking with

935

00:34:57,670 --> 00:34:54,879

these people i don't know but it just

936

00:34:59,109 --> 00:34:57,680

sounds so incredibly similar to a dmt

937

00:35:00,710 --> 00:34:59,119

trip to me

938

00:35:03,990 --> 00:35:00,720

that i thought that was the likely

939

00:35:05,589 --> 00:35:04,000

explanation for what happened to her

940

00:35:07,670 --> 00:35:05,599

you know it all makes sense especially

941

00:35:10,069 --> 00:35:07,680

when you add in you know the ambulance

942

00:35:12,310 --> 00:35:10,079

and then that whole story that you read

943

00:35:13,990 --> 00:35:12,320

just sounds like a base truth you know

944

00:35:15,270 --> 00:35:14,000

like it sounds like peop that you know

945

00:35:17,030 --> 00:35:15,280

there's two people on one side we're

946

00:35:18,870 --> 00:35:17,040

telling you one story and then one on

947

00:35:19,589 --> 00:35:18,880

the other you know so

948

00:35:21,190 --> 00:35:19,599

yeah

949

00:35:23,670 --> 00:35:21,200

far more realistic

950

00:35:25,910 --> 00:35:23,680

feel william k is asking can strong

951
00:35:27,510 --> 00:35:25,920
cannabis oil make you see aliens i don't

952
00:35:29,030 --> 00:35:27,520
know but i have a feeling that there's

953
00:35:31,910 --> 00:35:29,040
gonna be a lot of people in my audience

954
00:35:34,550 --> 00:35:31,920
trying real strong cannabis oil tomorrow

955
00:35:37,190 --> 00:35:34,560
and and really if you look report back

956
00:35:40,230 --> 00:35:37,200
the results because i i'm not big on oil

957
00:35:42,950 --> 00:35:40,240
i've had cbd oil i've never had

958
00:35:44,790 --> 00:35:42,960
thc oil so i i don't know

959
00:35:47,030 --> 00:35:44,800
you know

960
00:35:48,630 --> 00:35:47,040
yeah i mean i i assume it could i mean

961
00:35:49,990 --> 00:35:48,640
like any drug if you take too much of it

962
00:35:52,390 --> 00:35:50,000
who knows what it's going to do to you

963
00:35:54,550 --> 00:35:52,400

so um it wouldn't be too hard to you

964

00:35:56,710 --> 00:35:54,560

know make that conclusion based upon

965

00:35:59,430 --> 00:35:56,720

everything else but again i really want

966

00:36:02,069 --> 00:35:59,440

to hear um and jolly's response to this

967

00:36:03,829 --> 00:36:02,079

new information and i'm you know i hope

968

00:36:05,109 --> 00:36:03,839

she's out there listening and jolly you

969

00:36:06,550 --> 00:36:05,119

know nobody's i'm not going to be

970

00:36:07,990 --> 00:36:06,560

competitive about it i'm not hostile

971

00:36:09,589 --> 00:36:08,000

that's not what this is about yeah she's

972

00:36:10,870 --> 00:36:09,599

welcome if she changes her mind she's

973

00:36:12,870 --> 00:36:10,880

welcome to come on and we'll just have a

974

00:36:15,270 --> 00:36:12,880

talk with her and she can tell us you

975

00:36:17,270 --> 00:36:15,280

know what what she has to say about what

976

00:36:19,109 --> 00:36:17,280

these people are saying about

977

00:36:20,550 --> 00:36:19,119

her experience that

978

00:36:22,630 --> 00:36:20,560

you know

979

00:36:24,630 --> 00:36:22,640

contradicts much of what she said you

980

00:36:27,030 --> 00:36:24,640

know well like i said earlier too a

981

00:36:29,030 --> 00:36:27,040

couple of times it does have a much more

982

00:36:31,270 --> 00:36:29,040

reality based perspective from wayne's

983

00:36:32,950 --> 00:36:31,280

story with the archway to the ambulance

984

00:36:34,950 --> 00:36:32,960

to the i mean everything it's just like

985

00:36:37,990 --> 00:36:34,960

oh well there you go that explains it

986

00:36:39,750 --> 00:36:38,000

you know so um is this you know ironclad

987

00:36:41,910 --> 00:36:39,760

yeah i mean it's i think it is so i want

988

00:36:43,670 --> 00:36:41,920

to hear what angeli has to say and if

989

00:36:46,310 --> 00:36:43,680

she's willing to consider this evidence

990

00:36:47,829 --> 00:36:46,320

that maybe it might despite her beliefs

991

00:36:49,349 --> 00:36:47,839

because i i said that earlier we both

992

00:36:51,589 --> 00:36:49,359

agreed you know like we both feel like

993

00:36:54,150 --> 00:36:51,599

like angeli really believes her

994

00:36:55,829 --> 00:36:54,160

experience was real but what i'm curious

995

00:36:56,870 --> 00:36:55,839

is she's not really accepting this new

996

00:36:58,630 --> 00:36:56,880

evidence

997

00:37:00,310 --> 00:36:58,640

yeah and not only that but she claims

998

00:37:03,109 --> 00:37:00,320

that she has these ongoing

999

00:37:06,390 --> 00:37:03,119

communications with these aliens on a i

1000

00:37:08,790 --> 00:37:06,400

guess like a daily basis and

1001
00:37:10,390 --> 00:37:08,800
so yeah you know apparently

1002
00:37:13,829 --> 00:37:10,400
other people have pointed out that maybe

1003
00:37:15,349 --> 00:37:13,839
that's her way of like removing the the

1004
00:37:17,510 --> 00:37:15,359
physical side

1005
00:37:19,190 --> 00:37:17,520
of her experience she claimed that her

1006
00:37:21,430 --> 00:37:19,200
experience was physical inside a

1007
00:37:23,030 --> 00:37:21,440
mountain and this and that and

1008
00:37:25,750 --> 00:37:23,040
you know saying oh no i have this

1009
00:37:28,790 --> 00:37:25,760
conscious contact anytime i i reach out

1010
00:37:30,550 --> 00:37:28,800
to them you know makes it more mental

1011
00:37:32,069 --> 00:37:30,560
and not so physical

1012
00:37:34,630 --> 00:37:32,079
people were

1013
00:37:37,589 --> 00:37:34,640

speculating that that's how she's gonna

1014

00:37:39,589 --> 00:37:37,599

pull the the story out to move on to the

1015

00:37:41,190 --> 00:37:39,599

that's mental it's telepathy and it's

1016

00:37:43,430 --> 00:37:41,200

not physical

1017

00:37:45,109 --> 00:37:43,440

yeah so who knows right you know it's

1018

00:37:47,349 --> 00:37:45,119

it's very possible and we've seen people

1019

00:37:49,510 --> 00:37:47,359

do that in our um you know field here

1020

00:37:51,589 --> 00:37:49,520

before you know there is another famous

1021

00:37:53,349 --> 00:37:51,599

doctor greer that we talk about who you

1022

00:37:55,270 --> 00:37:53,359

know it goes into certain areas like

1023

00:37:56,790 --> 00:37:55,280

that but the point being too and that's

1024

00:37:58,470 --> 00:37:56,800

you know that something that we kind of

1025

00:38:01,510 --> 00:37:58,480

mentioned before is that you know

1026

00:38:03,910 --> 00:38:01,520

sometimes people get surrounded with a

1027

00:38:05,829 --> 00:38:03,920

group of others that are just afraid to

1028

00:38:06,790 --> 00:38:05,839

tell them no for one reason or to pull

1029

00:38:08,470 --> 00:38:06,800

them back

1030

00:38:09,589 --> 00:38:08,480

to ground and say no wait a minute

1031

00:38:11,670 --> 00:38:09,599

you're getting a little bit out there

1032

00:38:13,349 --> 00:38:11,680

you need to come back to reality and you

1033

00:38:15,349 --> 00:38:13,359

know we've seen it in the cases of

1034

00:38:18,069 --> 00:38:15,359

celebrities but also in the cases of

1035

00:38:19,589 --> 00:38:18,079

real strong personalities too will tend

1036

00:38:21,349 --> 00:38:19,599

to do that too in just our day-to-day

1037

00:38:23,430 --> 00:38:21,359

lives you know i've seen it where

1038

00:38:24,790 --> 00:38:23,440

there's a strong matron figure in a

1039

00:38:26,310 --> 00:38:24,800

family and everyone's just like oh my

1040

00:38:28,230 --> 00:38:26,320

god we can't we can't question anything

1041

00:38:30,550 --> 00:38:28,240

she's always right you know or other

1042

00:38:32,790 --> 00:38:30,560

things but it is easy with celebrities

1043

00:38:34,630 --> 00:38:32,800

because they have that money and power

1044

00:38:36,550 --> 00:38:34,640

and so people who surround themselves

1045

00:38:38,630 --> 00:38:36,560

they really they really live in a bubble

1046

00:38:41,510 --> 00:38:38,640

like if you've ever like i've known a

1047

00:38:44,710 --> 00:38:41,520

few uh famous people

1048

00:38:46,870 --> 00:38:44,720

and uh they live in a bubble and then uh

1049

00:38:49,109 --> 00:38:46,880

you know a lot of times they don't get

1050

00:38:51,349 --> 00:38:49,119

the same

1051

00:38:52,950 --> 00:38:51,359

i guess uh treatment that a normal

1052

00:38:54,310 --> 00:38:52,960

person would like a normal person their

1053

00:38:56,950 --> 00:38:54,320

friends would go you're full [h__\h] man

1054

00:38:58,790 --> 00:38:56,960

this is too crazy calm down but if you

1055

00:39:00,630 --> 00:38:58,800

got all this money and fame that people

1056

00:39:02,310 --> 00:39:00,640

just let you go off and do your thing

1057

00:39:04,710 --> 00:39:02,320

you know but

1058

00:39:06,310 --> 00:39:04,720

back to this cannabis oil thing

1059

00:39:07,270 --> 00:39:06,320

you know she was adamant that no she

1060

00:39:10,790 --> 00:39:07,280

didn't

1061

00:39:13,670 --> 00:39:10,800

weren't drinking

1062

00:39:16,230 --> 00:39:13,680

but now we know that she was drinking

1063

00:39:17,750 --> 00:39:16,240

i suppose you drink it right this

1064

00:39:19,190 --> 00:39:17,760

cannabis oil

1065

00:39:20,950 --> 00:39:19,200

and

1066

00:39:23,109 --> 00:39:20,960

what do we think of the possibility that

1067

00:39:25,109 --> 00:39:23,119

it wasn't just cannabis oil that it was

1068

00:39:27,030 --> 00:39:25,119

cannabis oil with

1069

00:39:28,790 --> 00:39:27,040

a hallucinogenic

1070

00:39:30,470 --> 00:39:28,800

drug addict to it

1071

00:39:32,069 --> 00:39:30,480

could be

1072

00:39:34,069 --> 00:39:32,079

many different compounds that could

1073

00:39:36,390 --> 00:39:34,079

cause these sort of hallucinations added

1074

00:39:38,710 --> 00:39:36,400

to the cannabis oil you know we don't

1075

00:39:40,950 --> 00:39:38,720

know that she was on

1076

00:39:42,870 --> 00:39:40,960

other medications it may have

1077

00:39:44,150 --> 00:39:42,880

you know i don't know i'm trying to get

1078

00:39:46,710 --> 00:39:44,160

to

1079

00:39:50,790 --> 00:39:46,720

what could generate these experience

1080

00:39:52,950 --> 00:39:50,800

in in a woman that has a very serious

1081

00:39:54,230 --> 00:39:52,960

she's got a very serious background you

1082

00:39:55,910 --> 00:39:54,240

know she worked for the defense

1083

00:39:57,349 --> 00:39:55,920

intelligence agency she worked for the

1084

00:39:58,390 --> 00:39:57,359

air force

1085

00:40:02,470 --> 00:39:58,400

so

1086

00:40:04,870 --> 00:40:02,480

what it was that she ingested we know

1087

00:40:06,470 --> 00:40:04,880

she ingested something now cannabis oil

1088

00:40:08,150 --> 00:40:06,480

but we don't know

1089

00:40:11,109 --> 00:40:08,160

if there was something else in it that

1090

00:40:12,950 --> 00:40:11,119

caused these experiences maybe she got

1091

00:40:14,630 --> 00:40:12,960

what people would call dost

1092

00:40:15,430 --> 00:40:14,640

because i don't know about you

1093

00:40:17,190 --> 00:40:15,440

but

1094

00:40:18,790 --> 00:40:17,200

you know i grew up in rock bands and

1095

00:40:20,950 --> 00:40:18,800

some guys used to think it was funny to

1096

00:40:23,270 --> 00:40:20,960

dose people you know

1097

00:40:25,430 --> 00:40:23,280

like let me let me drop this in their

1098

00:40:26,870 --> 00:40:25,440

beer and then we'll watch and we'll all

1099

00:40:28,069 --> 00:40:26,880

have a laugh at them tripping their

1100

00:40:30,790 --> 00:40:28,079

balls off

1101

00:40:32,870 --> 00:40:30,800

it's not funny but people people do this

1102

00:40:34,470 --> 00:40:32,880

and they think it's funny so

1103

00:40:37,030 --> 00:40:34,480

how does she know that what she drank

1104

00:40:39,030 --> 00:40:37,040

was only cannabis oil could have been

1105

00:40:41,190 --> 00:40:39,040

dosed with anything right

1106

00:40:42,309 --> 00:40:41,200

well did angeli say it was cannabis oil

1107

00:40:44,470 --> 00:40:42,319

because i thought she had said she

1108

00:40:45,990 --> 00:40:44,480

didn't take anything she did say she

1109

00:40:47,990 --> 00:40:46,000

didn't take anything this wayne and

1110

00:40:49,349 --> 00:40:48,000

trisha said that they were all

1111

00:40:50,630 --> 00:40:49,359

that they were all doing it together

1112

00:40:52,550 --> 00:40:50,640

right yeah

1113

00:40:54,470 --> 00:40:52,560

so you know let's let's run with that

1114

00:40:56,710 --> 00:40:54,480

for a second let's assume that they were

1115

00:40:58,790 --> 00:40:56,720

out there all just taking some cannabis

1116

00:41:00,710 --> 00:40:58,800

oil for a bit you know and having fun

1117

00:41:02,710 --> 00:41:00,720

and taking a hike in the desert gonna go

1118

00:41:04,069 --> 00:41:02,720

look at the stars you know sounds like a

1119

00:41:05,430 --> 00:41:04,079

good time right

1120

00:41:06,710 --> 00:41:05,440

maybe she could have there could have

1121

00:41:08,550 --> 00:41:06,720

been something else in there that was

1122

00:41:10,470 --> 00:41:08,560

slipped in there or

1123

00:41:12,309 --> 00:41:10,480

here's another thing too is everybody's

1124

00:41:14,550 --> 00:41:12,319

different you know like not everyone's

1125

00:41:15,910 --> 00:41:14,560

gonna if you take a sip of a cannabis

1126

00:41:17,589 --> 00:41:15,920

oil it's not gonna affect you the same

1127

00:41:20,710 --> 00:41:17,599

as it does me as it does anjali as it

1128

00:41:22,870 --> 00:41:20,720

does anybody else every every every body

1129

00:41:24,710 --> 00:41:22,880

is different you know so we don't know

1130

00:41:26,710 --> 00:41:24,720

how it could affect her is it

1131

00:41:27,990 --> 00:41:26,720

we could assume that that did happen i i

1132

00:41:30,230 --> 00:41:28,000

wouldn't i don't think wayne sounds like

1133

00:41:32,470 --> 00:41:30,240

the type of person to dose someone on

1134

00:41:33,750 --> 00:41:32,480

their own you know just for giggles you

1135

00:41:35,750 --> 00:41:33,760

know it sounds like he was drinking

1136

00:41:37,190 --> 00:41:35,760

whatever they were she was drinking too

1137

00:41:38,950 --> 00:41:37,200

but then it just didn't hit him as hard

1138

00:41:40,550 --> 00:41:38,960

for whatever reason maybe he took a

1139

00:41:42,150 --> 00:41:40,560

little sip and then jolly put a you know

1140

00:41:43,910 --> 00:41:42,160

a big old college chug on it i don't

1141

00:41:45,190 --> 00:41:43,920

know but she said she didn't take

1142

00:41:46,950 --> 00:41:45,200

anything so

1143

00:41:48,550 --> 00:41:46,960

somewhere between there is there's some

1144

00:41:50,710 --> 00:41:48,560

kind of truth like because she says she

1145

00:41:53,349 --> 00:41:50,720

didn't take anything they had this whole

1146

00:41:55,270 --> 00:41:53,359

experience you know and stuff like that

1147

00:41:57,510 --> 00:41:55,280

what would she say if they were to show

1148

00:41:59,910 --> 00:41:57,520

her the um medical

1149

00:42:01,270 --> 00:41:59,920

logs from the 9-1-1 call where they

1150

00:42:02,870 --> 00:42:01,280

summoned an ambulance there would she

1151
00:42:04,390 --> 00:42:02,880
pretend would you believe it or is she

1152
00:42:06,470 --> 00:42:04,400
going to stick to this story that it was

1153
00:42:08,790 --> 00:42:06,480
something no she's she said that that

1154
00:42:10,309 --> 00:42:08,800
that that they did you know there was an

1155
00:42:11,829 --> 00:42:10,319
ambulance there she's the one that let

1156
00:42:13,349 --> 00:42:11,839
that out which

1157
00:42:15,349 --> 00:42:13,359
you know she's made if she wanted to

1158
00:42:17,190 --> 00:42:15,359
keep these people's information private

1159
00:42:19,430 --> 00:42:17,200
she's made a few mistakes dropping

1160
00:42:21,190 --> 00:42:19,440
information like that because then we go

1161
00:42:23,109 --> 00:42:21,200
i'm sure somebody like charlie wiser and

1162
00:42:25,270 --> 00:42:23,119
james conrad went well let's go look at

1163
00:42:27,190 --> 00:42:25,280

the ambulance logs in the 911 calls and

1164

00:42:28,950 --> 00:42:27,200

we'll find exactly

1165

00:42:30,150 --> 00:42:28,960

the house where this

1166

00:42:31,270 --> 00:42:30,160

you can get a recording of the phone

1167

00:42:32,790 --> 00:42:31,280

call if you wanted to you could

1168

00:42:34,710 --> 00:42:32,800

hopefully

1169

00:42:36,069 --> 00:42:34,720

i i did not know this according to lord

1170

00:42:37,990 --> 00:42:36,079

ludacris platt i don't know if this is

1171

00:42:39,510 --> 00:42:38,000

true but schizophrenia can be triggered

1172

00:42:41,430 --> 00:42:39,520

by cannabis

1173

00:42:43,190 --> 00:42:41,440

like i would assume maybe yeah if

1174

00:42:44,870 --> 00:42:43,200

somebody's already a little frayed on

1175

00:42:47,349 --> 00:42:44,880

the edges of sanity and then you give

1176

00:42:49,990 --> 00:42:47,359

them a drug that increases mental

1177

00:42:51,990 --> 00:42:50,000

activity and speeds your brain up or

1178

00:42:53,670 --> 00:42:52,000

makes you a little paranoid that could

1179

00:42:55,430 --> 00:42:53,680

cause some kind of a rift and of course

1180

00:42:57,589 --> 00:42:55,440

we're just speculating here i'm not a

1181

00:42:59,109 --> 00:42:57,599

psychiatrist or psychologist or expert

1182

00:43:00,069 --> 00:42:59,119

on drugs

1183

00:43:02,150 --> 00:43:00,079

um

1184

00:43:04,790 --> 00:43:02,160

you know i have

1185

00:43:08,309 --> 00:43:04,800

a lot of experience with that stuff

1186

00:43:10,309 --> 00:43:08,319

uh in my younger years especially

1187

00:43:12,550 --> 00:43:10,319

yeah it used to be used to be a thing in

1188

00:43:15,750 --> 00:43:12,560

philadelphia you would go down the south

1189

00:43:17,349 --> 00:43:15,760

street and you would get lsd tabs you

1190

00:43:19,430 --> 00:43:17,359

know and put it under your tongue and

1191

00:43:20,390 --> 00:43:19,440

then you're gonna have a fun night

1192

00:43:22,470 --> 00:43:20,400

um

1193

00:43:24,309 --> 00:43:22,480

but i uh and i did way too much of that

1194

00:43:25,829 --> 00:43:24,319

stuff when i was young and then and then

1195

00:43:28,950 --> 00:43:25,839

i had a really bad one and said i'm

1196

00:43:33,430 --> 00:43:30,790

yeah well maybe all it takes is one

1197

00:43:35,589 --> 00:43:33,440

that's real bad and you go oh god and

1198

00:43:37,030 --> 00:43:35,599

you know this was the the stuff with the

1199

00:43:38,870 --> 00:43:37,040

strict nine in it so you're going to be

1200

00:43:40,470 --> 00:43:38,880

tripping balls for like 24 hours

1201
00:43:42,069 --> 00:43:40,480
straight

1202
00:43:45,910 --> 00:43:42,079
you can't sleep

1203
00:43:47,829 --> 00:43:45,920
that's terrible no it was terrible yeah

1204
00:43:49,990 --> 00:43:47,839
yeah so you know one thing about that

1205
00:43:52,069 --> 00:43:50,000
though remember so if uh if a paramedic

1206
00:43:54,069 --> 00:43:52,079
was summoned that night it's safe to

1207
00:43:55,750 --> 00:43:54,079
assume that they checked her vitals for

1208
00:43:57,829 --> 00:43:55,760
you know to make sure she's stable that

1209
00:43:59,430 --> 00:43:57,839
she doesn't have any sort of you know

1210
00:44:01,270 --> 00:43:59,440
visible signs of anything but that's not

1211
00:44:03,270 --> 00:44:01,280
a psychological assessment and it's not

1212
00:44:04,230 --> 00:44:03,280
an assessment of any sort of you know

1213
00:44:06,069 --> 00:44:04,240

what i mean they're not looking your

1214

00:44:07,829 --> 00:44:06,079

body over for wounds to see if she was

1215

00:44:09,270 --> 00:44:07,839

abducted or has an implant they're

1216

00:44:11,670 --> 00:44:09,280

checking her heart rate and her blood

1217

00:44:13,430 --> 00:44:11,680

pressure and her temperatures and you

1218

00:44:15,589 --> 00:44:13,440

know her eye dilation responses and

1219

00:44:17,430 --> 00:44:15,599

things yeah it's vitals thank you that's

1220

00:44:19,190 --> 00:44:17,440

the word i was looking for the vitals so

1221

00:44:21,270 --> 00:44:19,200

you know they did get that so we know

1222

00:44:23,430 --> 00:44:21,280

that nothing was too bad even if she was

1223

00:44:25,589 --> 00:44:23,440

dosed it was enough that they said yeah

1224

00:44:27,270 --> 00:44:25,599

you know you're safe to stay here and

1225

00:44:29,990 --> 00:44:27,280

not get transported to the emergency

1226

00:44:31,990 --> 00:44:30,000

room you know which is their duty to do

1227

00:44:34,710 --> 00:44:32,000

but um yeah i'd be real curious to see

1228

00:44:36,309 --> 00:44:34,720

if if she comes up and you know answers

1229

00:44:38,309 --> 00:44:36,319

to this new information says well no

1230

00:44:40,150 --> 00:44:38,319

this is all a lie or these are the wrong

1231

00:44:42,470 --> 00:44:40,160

people and they're you know misinforming

1232

00:44:44,550 --> 00:44:42,480

on me but if these are the right people

1233

00:44:46,069 --> 00:44:44,560

and she's calling him a liar that's not

1234

00:44:47,589 --> 00:44:46,079

gonna look that's gonna look even worse

1235

00:44:49,349 --> 00:44:47,599

for her you know if these are the right

1236

00:44:50,870 --> 00:44:49,359

people anjali should probably just admit

1237

00:44:53,030 --> 00:44:50,880

it now and try to figure out what really

1238

00:44:56,390 --> 00:44:53,040

one second sorry about that

1239

00:45:00,150 --> 00:44:58,309

books asked how thorough was the medical

1240

00:45:02,230 --> 00:45:00,160

checkup well it was a paramedics on the

1241

00:45:04,550 --> 00:45:02,240

scene so we don't you know it wasn't a

1242

00:45:06,390 --> 00:45:04,560

full er checkup but it was

1243

00:45:08,309 --> 00:45:06,400

you know probably like steven said just

1244

00:45:10,550 --> 00:45:08,319

the vitals oh somebody was calling from

1245

00:45:12,150 --> 00:45:10,560

a private number i don't know

1246

00:45:14,150 --> 00:45:12,160

call back if you're who i think you

1247

00:45:15,750 --> 00:45:14,160

might have been i don't know

1248

00:45:19,190 --> 00:45:15,760

i'm glad yeah

1249

00:45:21,910 --> 00:45:19,200

and i think uh charlie weiser says we're

1250

00:45:23,670 --> 00:45:21,920

on the wrong track well you know tell us

1251

00:45:24,790 --> 00:45:23,680

what the right track is

1252

00:45:26,790 --> 00:45:24,800

you think

1253

00:45:28,870 --> 00:45:26,800

i i think that charlie may think that

1254

00:45:31,430 --> 00:45:28,880

she's just making all this up and we're

1255

00:45:34,069 --> 00:45:31,440

kind of going maybe she got dosed and

1256

00:45:35,670 --> 00:45:34,079

really believes this but well honestly i

1257

00:45:37,349 --> 00:45:35,680

tend to agree with charlie that she is

1258

00:45:38,870 --> 00:45:37,359

making it up but i want to know why she

1259

00:45:40,230 --> 00:45:38,880

feels like she believes it that's the

1260

00:45:41,430 --> 00:45:40,240

part that that kind of worries me

1261

00:45:43,030 --> 00:45:41,440

because she's not acting like someone

1262

00:45:44,150 --> 00:45:43,040

who's telling a lie she's acting like

1263

00:45:46,710 --> 00:45:44,160

someone who

1264

00:45:48,870 --> 00:45:46,720

has a perception like a

1265

00:45:50,309 --> 00:45:48,880

a perception of a kind of a an altered

1266

00:45:52,630 --> 00:45:50,319

past you know like it's just sticking to

1267

00:45:53,829 --> 00:45:52,640

their guns on something um so i don't

1268

00:45:55,190 --> 00:45:53,839

know but maybe that's what charlie's

1269

00:45:59,990 --> 00:45:55,200

talking about there

1270

00:46:01,990 --> 00:46:00,000

yeah charlie you let us know uh

1271

00:46:03,910 --> 00:46:02,000

what what your take on it is

1272

00:46:05,670 --> 00:46:03,920

you've been digging into it for quite a

1273

00:46:07,030 --> 00:46:05,680

while let us know what your take on it

1274

00:46:08,790 --> 00:46:07,040

i'm sorry i'm not i

1275

00:46:10,550 --> 00:46:08,800

it's difficult to multitask here i'm

1276

00:46:15,109 --> 00:46:10,560

paying attention to the live chat so if

1277

00:46:15,910 --> 00:46:15,119

i see you uh you know post a comment or

1278

00:46:17,910 --> 00:46:15,920

one

1279

00:46:18,950 --> 00:46:17,920

yeah grab that if put them on i think

1280

00:46:20,870 --> 00:46:18,960

you think it is

1281

00:46:23,030 --> 00:46:20,880

then private number again

1282

00:46:25,109 --> 00:46:23,040

and then that call drops yeah but the

1283

00:46:27,030 --> 00:46:25,119

call drops before i can before i can get

1284

00:46:28,870 --> 00:46:27,040

it you can't get a connection it's

1285

00:46:30,390 --> 00:46:28,880

probably a voip that's not got a good

1286

00:46:32,630 --> 00:46:30,400

internet

1287

00:46:34,230 --> 00:46:32,640

maybe yeah

1288

00:46:37,030 --> 00:46:34,240

i agree with let me check in with my

1289

00:46:39,430 --> 00:46:37,040

twitter yeah yeah what do you think

1290

00:46:41,670 --> 00:46:39,440

v says something here she says i v says

1291

00:46:44,790 --> 00:46:41,680

i tend to believe what anjali

1292

00:46:47,030 --> 00:46:44,800

and jolly believes she believes

1293

00:46:48,150 --> 00:46:47,040

it's a lot of belief but yeah and you

1294

00:46:49,349 --> 00:46:48,160

know i think we're all on the same page

1295

00:46:51,430 --> 00:46:49,359

when you're you know when you're looking

1296

00:46:52,790 --> 00:46:51,440

at an jolly she's not you don't get to

1297

00:46:55,589 --> 00:46:52,800

feel like she's someone who's trying to

1298

00:46:57,030 --> 00:46:55,599

lie to you you know um your internal bs

1299

00:46:59,030 --> 00:46:57,040

detector gives you that that

1300

00:47:00,630 --> 00:46:59,040

clarification but

1301
00:47:03,349 --> 00:47:00,640
you know that's intelligence people for

1302
00:47:04,950 --> 00:47:03,359
you aren't they paid to do that

1303
00:47:07,750 --> 00:47:04,960
yeah that's another thing that worried

1304
00:47:10,309 --> 00:47:07,760
me about her is her you know government

1305
00:47:12,230 --> 00:47:10,319
ties how do we know that they didn't

1306
00:47:14,230 --> 00:47:12,240
send her out to talk about this stuff or

1307
00:47:16,470 --> 00:47:14,240
get people interested in aliens instead

1308
00:47:17,430 --> 00:47:16,480
of what's really going on you know i'm

1309
00:47:19,030 --> 00:47:17,440
very

1310
00:47:20,549 --> 00:47:19,040
i don't trust people that are former

1311
00:47:23,670 --> 00:47:20,559
government employees to tell me the

1312
00:47:24,470 --> 00:47:23,680
truth about anything especially aliens

1313
00:47:26,150 --> 00:47:24,480

you know

1314

00:47:27,910 --> 00:47:26,160

the timing remember i asked her that too

1315

00:47:29,510 --> 00:47:27,920

i said it seems awful fortuitous that

1316

00:47:31,589 --> 00:47:29,520

you come out when you do

1317

00:47:33,190 --> 00:47:31,599

when there's this resistance against mr

1318

00:47:35,510 --> 00:47:33,200

elizondo at the time that was around the

1319

00:47:37,750 --> 00:47:35,520

alien threat fiasco and people really

1320

00:47:39,589 --> 00:47:37,760

started questioning hard besides the

1321

00:47:42,069 --> 00:47:39,599

rest of us who had been run over for the

1322

00:47:43,750 --> 00:47:42,079

years but you know um you know i said

1323

00:47:46,150 --> 00:47:43,760

it's really fortuitous that you come out

1324

00:47:48,390 --> 00:47:46,160

and there's this distraction that's not

1325

00:47:50,230 --> 00:47:48,400

only a distraction but is a almost

1326
00:47:51,990 --> 00:47:50,240
perfect distraction with someone who you

1327
00:47:52,710 --> 00:47:52,000
can't argue with because she is she's

1328
00:47:54,150 --> 00:47:52,720
she's

1329
00:47:55,910 --> 00:47:54,160
nobody wants to how can you look at

1330
00:47:57,990 --> 00:47:55,920
angeli and get angry you can't like

1331
00:47:59,829 --> 00:47:58,000
she's such a nice person like even when

1332
00:48:00,470 --> 00:47:59,839
she disagrees with people she does it in

1333
00:48:04,309 --> 00:48:00,480
a

1334
00:48:05,670 --> 00:48:04,319
it's cool you know you might not get the

1335
00:48:07,349 --> 00:48:05,680
answers you want out of her but she's

1336
00:48:09,829 --> 00:48:07,359
not like gonna attack you and call you a

1337
00:48:11,990 --> 00:48:09,839
jerk and all that stuff so i really do

1338
00:48:14,150 --> 00:48:12,000

admire her moxie you know and like you

1339

00:48:16,470 --> 00:48:14,160

said her fire brand i admire that that

1340

00:48:18,069 --> 00:48:16,480

when you know people you know that when

1341

00:48:19,829 --> 00:48:18,079

i reached out to her to be here tonight

1342

00:48:20,950 --> 00:48:19,839

and tweeted to her she responded within

1343

00:48:22,790 --> 00:48:20,960

minutes and was like thank you but i

1344

00:48:24,870 --> 00:48:22,800

can't be there you know like i admire

1345

00:48:26,390 --> 00:48:24,880

that i i get that yeah she's she's a

1346

00:48:28,870 --> 00:48:26,400

nice person so i don't i you know i

1347

00:48:31,349 --> 00:48:28,880

don't want to beat her up or you know

1348

00:48:32,950 --> 00:48:31,359

you know some some people

1349

00:48:34,790 --> 00:48:32,960

you know i think it's

1350

00:48:36,470 --> 00:48:34,800

it's not black and white there's gray

1351

00:48:38,790 --> 00:48:36,480

areas like there's some people that are

1352

00:48:40,549 --> 00:48:38,800

out there that you can research and you

1353

00:48:42,630 --> 00:48:40,559

know that they're making things up

1354

00:48:43,750 --> 00:48:42,640

they're selling fake information to

1355

00:48:46,470 --> 00:48:43,760

believers

1356

00:48:48,150 --> 00:48:46,480

they're very toxic people you know by my

1357

00:48:49,750 --> 00:48:48,160

course by my documentary i'm going to

1358

00:48:51,510 --> 00:48:49,760

tell you all the truth about aliens but

1359

00:48:54,069 --> 00:48:51,520

they never seem to do it and they make

1360

00:48:56,230 --> 00:48:54,079

you know tons of money for decades

1361

00:48:58,150 --> 00:48:56,240

i didn't get that from her

1362

00:48:59,030 --> 00:48:58,160

you know i just didn't get asking for

1363

00:49:00,950 --> 00:48:59,040

anything

1364

00:49:02,630 --> 00:49:00,960

right she didn't ask for money and in

1365

00:49:04,790 --> 00:49:02,640

fact she did that whole remember witness

1366

00:49:06,470 --> 00:49:04,800

citizen poll to get and you were on it

1367

00:49:08,470 --> 00:49:06,480

like if she'd made that expedition to

1368

00:49:10,710 --> 00:49:08,480

the to the mountain you were gonna be

1369

00:49:12,470 --> 00:49:10,720

there right

1370

00:49:14,470 --> 00:49:12,480

hello this is stephen

1371

00:49:16,069 --> 00:49:14,480

dropped call again

1372

00:49:17,910 --> 00:49:16,079

and this time it's from unknown i'm

1373

00:49:19,750 --> 00:49:17,920

going to turn this off if anybody needs

1374

00:49:22,230 --> 00:49:19,760

to contact me they know how to do it dm

1375

00:49:24,309 --> 00:49:22,240

me on twitter it's at stevencambian

1376

00:49:27,510 --> 00:49:24,319

or um

1377

00:49:29,430 --> 00:49:27,520

pm me on facebook i'm gonna monitor each

1378

00:49:31,190 --> 00:49:29,440

i was hoping that maybe that was her so

1379

00:49:33,670 --> 00:49:31,200

charlie weiser says i do not think she

1380

00:49:35,750 --> 00:49:33,680

made it all up or that she was dosed so

1381

00:49:38,230 --> 00:49:35,760

what what do you think

1382

00:49:40,470 --> 00:49:38,240

yeah where's the middle ground charlie

1383

00:49:43,270 --> 00:49:40,480

remember she did not say

1384

00:49:45,109 --> 00:49:43,280

on that day she saw aliens tunnels i

1385

00:49:47,190 --> 00:49:45,119

think she may have incorporated that day

1386

00:49:49,349 --> 00:49:47,200

into later experiences or meeting

1387

00:49:50,630 --> 00:49:49,359

entities on other drugs or via

1388

00:49:52,470 --> 00:49:50,640

meditation

1389

00:49:53,430 --> 00:49:52,480

yeah maybe she conflated two different

1390

00:49:55,510 --> 00:49:53,440

events

1391

00:49:56,950 --> 00:49:55,520

that's good possibility

1392

00:49:58,790 --> 00:49:56,960

well that would make sense to like you

1393

00:50:00,630 --> 00:49:58,800

were saying too like how she continues

1394

00:50:02,069 --> 00:50:00,640

to have these contacts and experiences

1395

00:50:03,910 --> 00:50:02,079

as well

1396

00:50:07,030 --> 00:50:03,920

right like she could be this one i never

1397

00:50:09,670 --> 00:50:07,040

got rebecca turner says okay let me ask

1398

00:50:11,510 --> 00:50:09,680

you guys this if angela if anjali was

1399

00:50:13,589 --> 00:50:11,520

ugly and fat would you still believe her

1400

00:50:15,030 --> 00:50:13,599

i bet most of you would not i know a lot

1401

00:50:17,109 --> 00:50:15,040

of you want to

1402

00:50:18,870 --> 00:50:17,119

because she's good looking yeah people

1403

00:50:21,510 --> 00:50:18,880

accused me of being in love with her and

1404

00:50:24,549 --> 00:50:21,520

simping for her or something and

1405

00:50:25,910 --> 00:50:24,559

i i i don't get it you know

1406

00:50:27,349 --> 00:50:25,920

i don't understand i don't care i don't

1407

00:50:28,630 --> 00:50:27,359

think he talks or what she looks like

1408

00:50:30,230 --> 00:50:28,640

but it's how she communicates with

1409

00:50:31,990 --> 00:50:30,240

people right steven like she's very like

1410

00:50:33,510 --> 00:50:32,000

we said she's personable so i wouldn't

1411

00:50:35,430 --> 00:50:33,520

care if she was as you put it fat and

1412

00:50:37,109 --> 00:50:35,440

ugly as long as she still talked to me

1413

00:50:39,589 --> 00:50:37,119

with the same way that she does we'd

1414

00:50:42,390 --> 00:50:39,599

have the same interaction

1415

00:50:44,950 --> 00:50:42,400

yeah and i'm a pro i'm a really really

1416

00:50:47,270 --> 00:50:44,960

married guy like i don't even think i

1417

00:50:49,030 --> 00:50:47,280

look at other women like that i try not

1418

00:50:51,349 --> 00:50:49,040

to i don't want to get beat up my wife's

1419

00:50:52,309 --> 00:50:51,359

you know

1420

00:50:54,230 --> 00:50:52,319

yeah i was gonna say that's kind of

1421

00:50:55,910 --> 00:50:54,240

subjective anyways i mean you know

1422

00:50:58,309 --> 00:50:55,920

attraction like that is all in in the

1423

00:51:00,390 --> 00:50:58,319

eye of the beholder so

1424

00:51:01,829 --> 00:51:00,400

yeah yeah but it's it's interesting

1425

00:51:04,230 --> 00:51:01,839

though that a lot of people have cited

1426

00:51:05,670 --> 00:51:04,240

her appearance and said that

1427

00:51:07,349 --> 00:51:05,680

one of the reasons she had a whole bunch

1428

00:51:09,589 --> 00:51:07,359

of male followers that were interested

1429

00:51:10,950 --> 00:51:09,599

in ufos and aliens because she's

1430

00:51:12,630 --> 00:51:10,960

attractive

1431

00:51:14,790 --> 00:51:12,640

i don't see it but you know i i

1432

00:51:15,910 --> 00:51:14,800

recognize that people think that maybe

1433

00:51:17,589 --> 00:51:15,920

right

1434

00:51:18,950 --> 00:51:17,599

yeah yeah

1435

00:51:20,870 --> 00:51:18,960

you know like i said i just think that

1436

00:51:22,870 --> 00:51:20,880

she's pleasant to talk to because she's

1437

00:51:23,750 --> 00:51:22,880

very open and frank and it's like this

1438

00:51:28,790 --> 00:51:23,760

is what i

1439

00:51:31,510 --> 00:51:28,800

that's it it's refreshing you know like

1440

00:51:33,270 --> 00:51:31,520

it's not having to sift through and read

1441

00:51:34,870 --> 00:51:33,280

between the lines i mean maybe in some

1442

00:51:37,109 --> 00:51:34,880

in some cases but with their direct

1443

00:51:39,109 --> 00:51:37,119

experience it's not so that's what i was

1444

00:51:39,910 --> 00:51:39,119

referring to but yeah i'm curious to you

1445

00:51:40,950 --> 00:51:39,920

know

1446

00:51:42,309 --> 00:51:40,960

yeah

1447

00:51:43,829 --> 00:51:42,319

charlie if that's the case what do you

1448

00:51:45,349 --> 00:51:43,839

believe i'm real curious what you think

1449

00:51:46,470 --> 00:51:45,359

her motivations were to come out when

1450

00:51:48,150 --> 00:51:46,480

she did

1451

00:51:50,309 --> 00:51:48,160

you know um what was that a lot of

1452

00:51:52,630 --> 00:51:50,319

people think it was a setup for writing

1453

00:51:53,990 --> 00:51:52,640

books she wanted to sell some books

1454

00:51:55,670 --> 00:51:54,000

in the future

1455

00:51:57,430 --> 00:51:55,680

well i think if you follow charlie's

1456

00:51:59,030 --> 00:51:57,440

early research that kind of syncs with

1457

00:52:01,109 --> 00:51:59,040

the podcast and the other different

1458

00:52:02,950 --> 00:52:01,119

attempts to liven up um what would

1459

00:52:04,230 --> 00:52:02,960

normally seem as like a normal life and

1460

00:52:06,549 --> 00:52:04,240

try to make it into something more

1461

00:52:08,710 --> 00:52:06,559

creative you know so maybe we're seeing

1462

00:52:10,549 --> 00:52:08,720

that um manifestation in a different

1463

00:52:12,390 --> 00:52:10,559

form you know instead of on paper it's

1464

00:52:14,069 --> 00:52:12,400

in reality now or in a in a public

1465

00:52:14,870 --> 00:52:14,079

persona or i don't i don't know i mean

1466

00:52:16,549 --> 00:52:14,880

like

1467

00:52:18,230 --> 00:52:16,559

we'd have to really get into who is aunt

1468

00:52:20,870 --> 00:52:18,240

jolly to answer that and she should be

1469

00:52:22,790 --> 00:52:20,880

here to answer that um yeah we don't

1470

00:52:26,630 --> 00:52:22,800

want to speak for her she's gonna i'm

1471

00:52:27,829 --> 00:52:26,640

trying to take on this yeah yeah

1472

00:52:29,190 --> 00:52:27,839

i think it is interesting though that

1473

00:52:31,270 --> 00:52:29,200

wayne has just straight up said look

1474

00:52:32,950 --> 00:52:31,280

there's no tunnel that's all garbage you

1475

00:52:34,950 --> 00:52:32,960

know and i wonder if at this point if

1476

00:52:36,790 --> 00:52:34,960

anyone is still interested you know hey

1477

00:52:38,230 --> 00:52:36,800

wayne if bob bigelow pops up and says

1478

00:52:39,030 --> 00:52:38,240

hey i want to buy your mountain for 20

1479

00:52:40,470 --> 00:52:39,040

mil

1480

00:52:42,470 --> 00:52:40,480

take it just don't let him write a

1481

00:52:44,309 --> 00:52:42,480

little uh asterix in there that says oh

1482

00:52:46,790 --> 00:52:44,319

if we don't find a tunnel the deal's off

1483

00:52:49,270 --> 00:52:46,800

say it's sight unseen and it sold as is

1484

00:52:51,510 --> 00:52:49,280

for 20 mil you can have it you know but

1485

00:52:53,349 --> 00:52:51,520

uh yeah

1486

00:52:55,349 --> 00:52:53,359

other than that she wants

1487

00:52:57,670 --> 00:52:55,359

disappointed dudes when there's no

1488

00:52:59,750 --> 00:52:57,680

aliens if you spend 20 million you know

1489

00:53:01,430 --> 00:52:59,760

wayne take bob's money he's got plenty

1490

00:53:02,549 --> 00:53:01,440

to share

1491

00:53:04,549 --> 00:53:02,559

go ahead

1492

00:53:06,150 --> 00:53:04,559

but yeah i mean otherwise maybe he would

1493

00:53:07,510 --> 00:53:06,160

let a civilian group come in there at

1494

00:53:09,270 --> 00:53:07,520

some point if he really wants to clear

1495

00:53:10,470 --> 00:53:09,280

the air and say i'm done you know like

1496

00:53:11,990 --> 00:53:10,480

it sounds like

1497

00:53:13,430 --> 00:53:12,000

before he didn't want that remember

1498

00:53:14,710 --> 00:53:13,440

angeli was saying oh well wayne doesn't

1499

00:53:16,790 --> 00:53:14,720

want all this attention he doesn't want

1500

00:53:18,309 --> 00:53:16,800

all this attention um he doesn't want

1501

00:53:19,670 --> 00:53:18,319

people all over the place but now it

1502

00:53:21,109 --> 00:53:19,680

sounds like wayne is coming out a little

1503

00:53:22,710 --> 00:53:21,119

bit so he might be

1504

00:53:24,230 --> 00:53:22,720

a little bit more responsive he might

1505

00:53:26,230 --> 00:53:24,240

say hey yeah if you guys want to do some

1506

00:53:27,750 --> 00:53:26,240

kind of thing over there we'll do it you

1507

00:53:28,950 --> 00:53:27,760

know i'll let one of these people who

1508

00:53:30,630 --> 00:53:28,960

offered to pay a little bit of money to

1509

00:53:32,630 --> 00:53:30,640

come in and film something do it you

1510

00:53:35,589 --> 00:53:32,640

know or just do it as a service to show

1511

00:53:37,270 --> 00:53:35,599

you there's no ding tunnel this is all

1512

00:53:39,510 --> 00:53:37,280

you know a story so

1513

00:53:40,790 --> 00:53:39,520

i don't know maybe maybe um as charlie's

1514

00:53:42,390 --> 00:53:40,800

communicating with wayne he'll come

1515

00:53:44,230 --> 00:53:42,400

around i mean i know it's hard because

1516

00:53:46,309 --> 00:53:44,240

charlie's on one side of the world and

1517

00:53:47,750 --> 00:53:46,319

wayne lives down south of me a few hours

1518

00:53:51,910 --> 00:53:47,760

you know

1519

00:53:53,430 --> 00:53:51,920

good for you for doing that research

1520

00:53:55,349 --> 00:53:53,440

charlie and for digging in and not

1521

00:53:59,030 --> 00:53:55,359

letting go i appreciate it for one and i

1522

00:54:03,750 --> 00:54:01,190

yeah and you know it's interesting that

1523

00:54:06,309 --> 00:54:03,760

there's still such intense interest in

1524

00:54:08,230 --> 00:54:06,319

her story given the fact that there is

1525

00:54:09,990 --> 00:54:08,240

literally zero evidence other than her

1526
00:54:12,309 --> 00:54:10,000
testimony of what she claims happened to

1527
00:54:15,510 --> 00:54:12,319
her i i found

1528
00:54:17,510 --> 00:54:15,520
the the interest in her story was

1529
00:54:20,150 --> 00:54:17,520
amazing to me that so many people were

1530
00:54:21,589 --> 00:54:20,160
interested whether there's no

1531
00:54:22,790 --> 00:54:21,599
you know normally when somebody comes

1532
00:54:25,510 --> 00:54:22,800
out with one of these stories they have

1533
00:54:27,670 --> 00:54:25,520
some kind of some kind of proof you know

1534
00:54:30,230 --> 00:54:27,680
it's usually pretty uh

1535
00:54:32,630 --> 00:54:30,240
pretty weak or you know one of those

1536
00:54:33,750 --> 00:54:32,640
maybe this may be proof but they show

1537
00:54:36,309 --> 00:54:33,760
something

1538
00:54:37,910 --> 00:54:36,319

other than testimony but

1539

00:54:39,990 --> 00:54:37,920

you know i think people like corey good

1540

00:54:41,750 --> 00:54:40,000

open the door for people to just come

1541

00:54:43,910 --> 00:54:41,760

and tell a good story and people jump

1542

00:54:45,829 --> 00:54:43,920

all over it because

1543

00:54:48,789 --> 00:54:45,839

this hunger for this information to be

1544

00:54:51,109 --> 00:54:48,799

true and real and and for people want

1545

00:54:53,670 --> 00:54:51,119

new information about this and this was

1546

00:54:55,190 --> 00:54:53,680

a new story which is rare in this thing

1547

00:54:56,870 --> 00:54:55,200

brand new story

1548

00:54:58,549 --> 00:54:56,880

let me yeah let me ask you this okay

1549

00:55:00,230 --> 00:54:58,559

like and and this is a complete

1550

00:55:03,190 --> 00:55:00,240

hypothetical i'm not saying that this is

1551
00:55:04,710 --> 00:55:03,200
what anjali has done but let's just say

1552
00:55:07,349 --> 00:55:04,720
let's just say that the intelligence

1553
00:55:09,829 --> 00:55:07,359
community wanted to do a kind of test to

1554
00:55:11,829 --> 00:55:09,839
see how much traction a completely

1555
00:55:13,270 --> 00:55:11,839
unverified story could get with the

1556
00:55:14,870 --> 00:55:13,280
minimal amount of credentials because

1557
00:55:16,470 --> 00:55:14,880
let's face it her intelligence

1558
00:55:18,549 --> 00:55:16,480
credentials were in the 70s and they

1559
00:55:20,630 --> 00:55:18,559
weren't very she wasn't there for a long

1560
00:55:23,190 --> 00:55:20,640
time if i remember correctly it was it

1561
00:55:24,870 --> 00:55:23,200
was a very short period of time so the

1562
00:55:28,069 --> 00:55:24,880
point being if you wanted to say hey

1563
00:55:29,910 --> 00:55:28,079

let's take a very very very very junior

1564

00:55:31,589 --> 00:55:29,920

person with minimal experience and see

1565

00:55:33,910 --> 00:55:31,599

how far they can get on a on a

1566

00:55:35,990 --> 00:55:33,920

completely unsubstantiated story this

1567

00:55:37,990 --> 00:55:36,000

would be a perfect experiment because it

1568

00:55:39,910 --> 00:55:38,000

shows that she not only got her foot in

1569

00:55:41,910 --> 00:55:39,920

the door but actually probably gained a

1570

00:55:43,510 --> 00:55:41,920

little bit of traction after the initial

1571

00:55:46,069 --> 00:55:43,520

dive when things didn't go through for

1572

00:55:48,150 --> 00:55:46,079

the expedition you know but pretty much

1573

00:55:49,750 --> 00:55:48,160

since then she's she's gained some

1574

00:55:51,430 --> 00:55:49,760

traction and she's got some respect but

1575

00:55:53,109 --> 00:55:51,440

people have been like you and me were

1576

00:55:54,069 --> 00:55:53,119

just like what's there to talk about

1577

00:55:56,309 --> 00:55:54,079

until there's something new which

1578

00:55:58,549 --> 00:55:56,319

finally there is with charlie's new drop

1579

00:56:00,309 --> 00:55:58,559

of this information you know so

1580

00:56:02,150 --> 00:56:00,319

we just didn't have anything for so long

1581

00:56:03,349 --> 00:56:02,160

because and you know angeli was the

1582

00:56:05,430 --> 00:56:03,359

first to say that well there's nothing

1583

00:56:07,270 --> 00:56:05,440

real new i can't you know i can tell you

1584

00:56:08,789 --> 00:56:07,280

about the same story and over over and

1585

00:56:10,230 --> 00:56:08,799

over again or tell you about my opinions

1586

00:56:13,190 --> 00:56:10,240

or philosophies but that's got nothing

1587

00:56:15,430 --> 00:56:13,200

to do with the the purple alien wayne

1588

00:56:17,270 --> 00:56:15,440

the mountain and all of that you know so

1589

00:56:19,109 --> 00:56:17,280

i think that's she's been writing that a

1590

00:56:20,950 --> 00:56:19,119

long time and i wouldn't be surprised if

1591

00:56:22,549 --> 00:56:20,960

even if she wasn't an op

1592

00:56:24,549 --> 00:56:22,559

she was allowed to do that so that they

1593

00:56:26,549 --> 00:56:24,559

could operate so they could look at it

1594

00:56:28,069 --> 00:56:26,559

and see how far it went and see how to

1595

00:56:30,630 --> 00:56:28,079

critique it so that they could use that

1596

00:56:31,910 --> 00:56:30,640

tactic in the future you know um

1597

00:56:34,069 --> 00:56:31,920

that might be why someone from the

1598

00:56:35,349 --> 00:56:34,079

intelligence agency just didn't out her

1599

00:56:37,030 --> 00:56:35,359

right away and say

1600

00:56:38,950 --> 00:56:37,040

you know she was a you know only worked

1601
00:56:40,710 --> 00:56:38,960
here a few years or there's no reason

1602
00:56:42,309 --> 00:56:40,720
for this to be legit but

1603
00:56:43,910 --> 00:56:42,319
you know good for wayne for coming out

1604
00:56:44,870 --> 00:56:43,920
and speaking up i'm really glad to hear

1605
00:56:47,270 --> 00:56:44,880
that um

1606
00:56:49,270 --> 00:56:47,280
it's kind of sad it took so long but i i

1607
00:56:50,789 --> 00:56:49,280
can understand why wayne wanted to

1608
00:56:52,710 --> 00:56:50,799
remain out of it because of all of the

1609
00:56:54,470 --> 00:56:52,720
public scrutiny you know like like you

1610
00:56:56,309 --> 00:56:54,480
said at the beginning of the show she

1611
00:56:58,390 --> 00:56:56,319
had inadvertently let the cat out of the

1612
00:57:00,549 --> 00:56:58,400
bag and given way too much information

1613
00:57:02,549 --> 00:57:00,559

because anjali underestimated the

1614

00:57:04,150 --> 00:57:02,559

internet you know like if people want to

1615

00:57:05,670 --> 00:57:04,160

find out where you're at because they'll

1616

00:57:07,030 --> 00:57:05,680

they'll look at the moss on a tree to

1617

00:57:08,710 --> 00:57:07,040

figure out where you're at and they will

1618

00:57:10,150 --> 00:57:08,720

find you if enough people are looking

1619

00:57:12,789 --> 00:57:10,160

you know it's happened we've seen it

1620

00:57:14,630 --> 00:57:12,799

many many times so um

1621

00:57:16,069 --> 00:57:14,640

you know she underestimated the internet

1622

00:57:17,910 --> 00:57:16,079

i think she kind of underestimated

1623

00:57:20,230 --> 00:57:17,920

twitter too with all the skepticism that

1624

00:57:22,470 --> 00:57:20,240

she was going to get on there um but she

1625

00:57:25,589 --> 00:57:22,480

handled it like a champ by doing that

1626
00:57:27,270 --> 00:57:25,599
community um witness citizen thing like

1627
00:57:29,190 --> 00:57:27,280
that to me i was just like if this goes

1628
00:57:31,190 --> 00:57:29,200
through i'm 100 and jolly man because i

1629
00:57:32,309 --> 00:57:31,200
might i i was pumping for you stephen

1630
00:57:33,109 --> 00:57:32,319
and there was a couple other people i

1631
00:57:34,470 --> 00:57:33,119
knew that were on there and i was

1632
00:57:36,230 --> 00:57:34,480
telling everybody go vote for stephen go

1633
00:57:38,230 --> 00:57:36,240
vote for our people get get some person

1634
00:57:39,990 --> 00:57:38,240
that we know personally on this

1635
00:57:41,829 --> 00:57:40,000
committee because i want to know someone

1636
00:57:43,750 --> 00:57:41,839
who goes into that mountain and says yes

1637
00:57:45,109 --> 00:57:43,760
there's an alien in there i'll be like

1638
00:57:47,589 --> 00:57:45,119

i'll take your word for it stephen show

1639

00:57:49,430 --> 00:57:47,599

me the video that you shot you know um

1640

00:57:51,750 --> 00:57:49,440

and i wanted to i was right i would have

1641

00:57:53,430 --> 00:57:51,760

went if if there was something to it i

1642

00:57:55,030 --> 00:57:53,440

you know if she's you know i would have

1643

00:57:57,030 --> 00:57:55,040

went and v is saying

1644

00:58:00,309 --> 00:57:57,040

which one of us is mispronouncing her

1645

00:58:02,309 --> 00:58:00,319

name is it angeli or ajali

1646

00:58:05,349 --> 00:58:02,319

you know like i think she's okay with

1647

00:58:07,190 --> 00:58:05,359

either pronunciation i i don't know i i

1648

00:58:08,870 --> 00:58:07,200

say anjali

1649

00:58:10,549 --> 00:58:08,880

i've always said it on julie too i

1650

00:58:13,670 --> 00:58:10,559

thought was i saying

1651
00:58:15,589 --> 00:58:13,680
jolly if people are upset if no offense

1652
00:58:17,670 --> 00:58:15,599
and this is listen no offense but if

1653
00:58:19,430 --> 00:58:17,680
you're gonna pick a made-up name and it

1654
00:58:20,710 --> 00:58:19,440
has some weird pronunciation people

1655
00:58:21,670 --> 00:58:20,720
might get it wrong

1656
00:58:23,670 --> 00:58:21,680
right

1657
00:58:25,750 --> 00:58:23,680
so you know and no disrespect intended

1658
00:58:27,349 --> 00:58:25,760
to her if i get it if i get it wrong

1659
00:58:30,069 --> 00:58:27,359
yeah i mean either definitely like i've

1660
00:58:31,829 --> 00:58:30,079
always been respectful to anjali

1661
00:58:33,430 --> 00:58:31,839
anjali who you know what i'm saying and

1662
00:58:34,470 --> 00:58:33,440
jolly i've always been respectful to her

1663
00:58:36,150 --> 00:58:34,480

and i don't know why people want to

1664

00:58:38,069 --> 00:58:36,160

think i'm trying to disrespect her i'm

1665

00:58:39,510 --> 00:58:38,079

not but there are some questions with

1666

00:58:42,069 --> 00:58:39,520

her story you know

1667

00:58:43,829 --> 00:58:42,079

so um yeah i'll be curious what she says

1668

00:58:45,430 --> 00:58:43,839

when she sees this she told us to talk

1669

00:58:48,230 --> 00:58:45,440

about it and to get it out there you

1670

00:58:49,990 --> 00:58:48,240

know so that's what we're doing um

1671

00:58:52,230 --> 00:58:50,000

and i will i'll wait for a response i

1672

00:58:53,829 --> 00:58:52,240

follow her on twitter and you know i'll

1673

00:58:55,829 --> 00:58:53,839

wait to see what she has to say i hope

1674

00:58:56,880 --> 00:58:55,839

it's not too long because i'm curious

1675

00:58:58,390 --> 00:58:56,890

but you know

1676

00:58:59,670 --> 00:58:58,400

[Music]

1677

00:59:00,789 --> 00:58:59,680

what are you guys what does the channel

1678

00:59:02,630 --> 00:59:00,799

think about this what do people in the

1679

00:59:05,270 --> 00:59:02,640

chat think about this new information i

1680

00:59:06,870 --> 00:59:05,280

mean do they feel like they're

1681

00:59:08,150 --> 00:59:06,880

what do you guys think you still do you

1682

00:59:11,349 --> 00:59:08,160

think there's something there or do you

1683

00:59:13,109 --> 00:59:11,359

think it's more of a mundane issue

1684

00:59:16,069 --> 00:59:13,119

there's no she said there's no lee at

1685

00:59:19,349 --> 00:59:17,990

then how am i supposed to say it and see

1686

00:59:21,589 --> 00:59:19,359

that's what i'm saying some people are

1687

00:59:23,430 --> 00:59:21,599

so particular about everything

1688

00:59:28,870 --> 00:59:23,440

angel lee

1689

00:59:33,430 --> 00:59:30,390

i don't know record it and play a video

1690

00:59:36,069 --> 00:59:33,440

for us so we know i mean i don't i'm not

1691

00:59:37,589 --> 00:59:36,079

sure i'm not being disrespectful but um

1692

00:59:38,630 --> 00:59:37,599

yeah and

1693

00:59:39,829 --> 00:59:38,640

i don't know she didn't say anything

1694

00:59:43,910 --> 00:59:39,839

about me butchering her name when i was

1695

00:59:50,230 --> 00:59:47,270

anyhow by the way uh just uh a mention

1696

00:59:53,829 --> 00:59:50,240

there manny somebody was in the uh live

1697

00:59:55,750 --> 00:59:53,839

chat doxing me and nailed my wife

1698

00:59:57,510 --> 00:59:55,760

so they were removed

1699

00:59:58,710 --> 00:59:57,520

tonight right now in this in this

1700

01:00:00,710 --> 00:59:58,720

yesterday right in our live chat

1701

01:00:02,230 --> 01:00:00,720

somebody's talking about

1702

01:00:03,990 --> 01:00:02,240

you know uh

1703

01:00:05,270 --> 01:00:04,000

doxing my

1704

01:00:08,470 --> 01:00:05,280

legal name

1705

01:00:10,309 --> 01:00:08,480

they mentioned my wife's first name

1706

01:00:13,349 --> 01:00:10,319

yeah we all know this isn't answer the

1707

01:00:17,109 --> 01:00:15,270

answer i want to play a game answer the

1708

01:00:18,710 --> 01:00:17,119

question right and your wife lives

1709

01:00:19,750 --> 01:00:18,720

answer it wrong and you won't make the

1710

01:00:22,950 --> 01:00:19,760

sequel

1711

01:00:25,190 --> 01:00:22,960

and they keep ringing my phone

1712

01:00:26,950 --> 01:00:25,200

three guesses who these are that [h__\h]

1713

01:00:28,630 --> 01:00:26,960

oh i saw that was that the guy with the

1714

01:00:29,750 --> 01:00:28,640

little screen mask in the chat in the

1715

01:00:31,670 --> 01:00:29,760

chat

1716

01:00:34,549 --> 01:00:31,680

yeah that's not

1717

01:00:36,309 --> 01:00:34,559

oh yeah really

1718

01:00:38,470 --> 01:00:36,319

oh i see what they're doing there that's

1719

01:00:40,390 --> 01:00:38,480

just terrible you know and uh enough of

1720

01:00:41,829 --> 01:00:40,400

reports of that to youtube will get an

1721

01:00:43,109 --> 01:00:41,839

ip address so i hope they're they're

1722

01:00:45,910 --> 01:00:43,119

bouncing their signal through a few

1723

01:00:47,910 --> 01:00:45,920

different vpns not just one

1724

01:00:49,430 --> 01:00:47,920

yeah you know i apologize on the name

1725

01:00:51,190 --> 01:00:49,440

thing like i want to pronounce her name

1726

01:00:53,030 --> 01:00:51,200

right i think i even asked her when she

1727

01:00:54,390 --> 01:00:53,040

was on my show i have to review exactly

1728

01:00:56,230 --> 01:00:54,400

how she says

1729

01:00:58,390 --> 01:00:56,240

people should say her name and and we'll

1730

01:00:59,670 --> 01:00:58,400

say it

1731

01:01:01,190 --> 01:00:59,680

yeah i think people are just looking for

1732

01:01:03,030 --> 01:01:01,200

a reason to be upset there that's fake

1733

01:01:04,069 --> 01:01:03,040

rage i'm sorry ann jolly knows that i've

1734

01:01:06,069 --> 01:01:04,079

never butchered her name or been

1735

01:01:07,430 --> 01:01:06,079

disrespectful to her and if she feels

1736

01:01:08,789 --> 01:01:07,440

that way i'd like to hear from her

1737

01:01:11,589 --> 01:01:08,799

because i feel like

1738

01:01:13,990 --> 01:01:11,599

oh maybe it's me then it's anjali not on

1739

01:01:16,150 --> 01:01:14,000

jolly i you know i'm sorry

1740

01:01:17,750 --> 01:01:16,160

they don't disrespect intended

1741

01:01:19,270 --> 01:01:17,760

but you know so

1742

01:01:20,630 --> 01:01:19,280

yeah you know like people do pick on

1743

01:01:21,990 --> 01:01:20,640

names they look at the appearance you

1744

01:01:23,750 --> 01:01:22,000

know that's all that this little

1745

01:01:25,670 --> 01:01:23,760

sarcastic you know character

1746

01:01:27,270 --> 01:01:25,680

assassination stuff that's that's

1747

01:01:28,870 --> 01:01:27,280

nothing like going into a chat with

1748

01:01:31,270 --> 01:01:28,880

somebody's personal information like

1749

01:01:32,870 --> 01:01:31,280

that's just beyond any sort of norm like

1750

01:01:34,630 --> 01:01:32,880

that person needs some psychological

1751
01:01:38,470 --> 01:01:34,640
help

1752
01:01:40,230 --> 01:01:38,480
or incarceration maybe

1753
01:01:44,870 --> 01:01:40,240
yeah

1754
01:01:46,870 --> 01:01:44,880
you'll remember like

1755
01:01:49,270 --> 01:01:46,880
yeah and that that ghostface person is

1756
01:01:50,950 --> 01:01:49,280
the one that keeps ringing my phone like

1757
01:01:54,309 --> 01:01:50,960
great now i have to change my cell phone

1758
01:01:56,309 --> 01:01:54,319
number because some [h__h] have it

1759
01:01:58,390 --> 01:01:56,319
yeah yeah we all have to they're

1760
01:02:00,630 --> 01:01:58,400
literally threatening my literally

1761
01:02:01,910 --> 01:02:00,640
threatening my family in the live chat

1762
01:02:03,510 --> 01:02:01,920
well we'll be addressing that we talked

1763
01:02:04,710 --> 01:02:03,520

about that before the show remember like

1764

01:02:06,789 --> 01:02:04,720

there's there's other ways we can

1765

01:02:08,470 --> 01:02:06,799

address that that are not don't require

1766

01:02:11,510 --> 01:02:08,480

these passive systems to be in place

1767

01:02:12,390 --> 01:02:11,520

that aren't working so we'll handle that

1768

01:02:14,309 --> 01:02:12,400

yeah

1769

01:02:15,589 --> 01:02:14,319

but you know angelia i hope you do hear

1770

01:02:16,950 --> 01:02:15,599

this and i hope you feel comfortable

1771

01:02:18,710 --> 01:02:16,960

coming on talking about this sometime

1772

01:02:20,309 --> 01:02:18,720

because you're in a this is a respectful

1773

01:02:22,309 --> 01:02:20,319

platform it would be a comfortable

1774

01:02:23,910 --> 01:02:22,319

conversation no one's going to try to

1775

01:02:26,069 --> 01:02:23,920

jump on your gotcha all the

1776

01:02:27,349 --> 01:02:26,079

information's right there so you know

1777

01:02:29,029 --> 01:02:27,359

figure out how you want to address it

1778

01:02:30,309 --> 01:02:29,039

and come on sometimes so we can talk

1779

01:02:32,390 --> 01:02:30,319

because people here want to know your

1780

01:02:33,829 --> 01:02:32,400

side but you know as it stands if she

1781

01:02:35,750 --> 01:02:33,839

doesn't answer this then there's pretty

1782

01:02:37,829 --> 01:02:35,760

much no reason to ever

1783

01:02:39,349 --> 01:02:37,839

talk about her her again really as far

1784

01:02:40,150 --> 01:02:39,359

as i'm concerned her story is pretty

1785

01:02:41,589 --> 01:02:40,160

much

1786

01:02:44,069 --> 01:02:41,599

debunked as a

1787

01:02:45,510 --> 01:02:44,079

as a vision or a you know drug-induced

1788

01:02:47,430 --> 01:02:45,520

hallucination or something like that

1789

01:02:50,390 --> 01:02:47,440

unless she can refute the

1790

01:02:51,750 --> 01:02:50,400

the research that charlie's done here so

1791

01:02:55,349 --> 01:02:51,760

um

1792

01:02:56,309 --> 01:02:55,359

yeah we'll see how she responds

1793

01:03:02,230 --> 01:02:56,319

yeah

1794

01:03:05,029 --> 01:03:03,589

i'm sorry i'm a little distracted

1795

01:03:06,230 --> 01:03:05,039

looking at these messages from this

1796

01:03:07,990 --> 01:03:06,240

[h__\h]

1797

01:03:09,510 --> 01:03:08,000

yeah no i get that and that's exactly

1798

01:03:11,589 --> 01:03:09,520

why they do that stephen oh they said

1799

01:03:17,990 --> 01:03:11,599

i'm standing out they said i'm standing

1800

01:03:21,510 --> 01:03:19,270

you know things are going a little too

1801

01:03:23,829 --> 01:03:21,520

far with the certain show host [h__h]

1802

01:03:25,349 --> 01:03:23,839

who doxxed me and and now apparently

1803

01:03:27,029 --> 01:03:25,359

everybody's got

1804

01:03:28,390 --> 01:03:27,039

some personal information in mind and

1805

01:03:30,630 --> 01:03:28,400

people are going to come and

1806

01:03:32,230 --> 01:03:30,640

come at me and make threats you know

1807

01:03:34,470 --> 01:03:32,240

good luck if you come to my house

1808

01:03:36,150 --> 01:03:34,480

because i've got a lot of weapons

1809

01:03:37,670 --> 01:03:36,160

wasn't there a youtuber by the name of

1810

01:03:39,109 --> 01:03:37,680

boogie where someone showed up at his

1811

01:03:40,630 --> 01:03:39,119

house and they got a pistol shoved in

1812

01:03:42,390 --> 01:03:40,640

their face because of stuff like this

1813

01:03:43,670 --> 01:03:42,400

you know like this is america you

1814

01:03:45,109 --> 01:03:43,680

probably don't want to go knocking on

1815

01:03:47,670 --> 01:03:45,119

people's door and harassing them that's

1816

01:03:49,670 --> 01:03:47,680

a pretty bad bad idea or threatening

1817

01:03:51,349 --> 01:03:49,680

their wife on a public live stream in

1818

01:03:52,470 --> 01:03:51,359

the live chat that's pretty [h__\h]

1819

01:03:56,230 --> 01:03:52,480

stupid

1820

01:03:58,069 --> 01:03:56,240

and people who threaten are just looking

1821

01:04:00,870 --> 01:03:58,079

for attention otherwise they just do it

1822

01:04:02,390 --> 01:04:00,880

so um you know whatever we

1823

01:04:03,750 --> 01:04:02,400

yeah too bad it's sad that you have to

1824

01:04:05,510 --> 01:04:03,760

deal with that because of this and that

1825

01:04:07,910 --> 01:04:05,520

all that all that started didn't that

1826

01:04:11,029 --> 01:04:07,920

all that start when you it's your fault

1827

01:04:14,549 --> 01:04:12,390

it's all your fault

1828

01:04:16,549 --> 01:04:14,559

yeah we'll be talking more about that in

1829

01:04:18,470 --> 01:04:16,559

the future too in different platforms

1830

01:04:20,549 --> 01:04:18,480

you know but um yeah

1831

01:04:22,150 --> 01:04:20,559

so i don't know man i think at this

1832

01:04:23,829 --> 01:04:22,160

point the i think the book is pretty

1833

01:04:25,589 --> 01:04:23,839

much closed down on jolly if she doesn't

1834

01:04:28,230 --> 01:04:25,599

respond to this and again it's this is

1835

01:04:29,750 --> 01:04:28,240

pretty much day one so um you know she

1836

01:04:31,029 --> 01:04:29,760

needs to be given some time to respond

1837

01:04:32,470 --> 01:04:31,039

to that it's not fair to call her up

1838

01:04:34,470 --> 01:04:32,480

before yeah like

1839

01:04:36,789 --> 01:04:34,480

can you come on the show in 60 minutes

1840

01:04:38,309 --> 01:04:36,799

you know yeah i agree that was yeah i

1841

01:04:40,630 --> 01:04:38,319

didn't know i was going to do this until

1842

01:04:42,150 --> 01:04:40,640

right before the you know an hour before

1843

01:04:43,829 --> 01:04:42,160

the show or whatever i was kind of

1844

01:04:46,390 --> 01:04:43,839

debating whether i wanted to cover it or

1845

01:04:48,549 --> 01:04:46,400

not but since everybody asked me for an

1846

01:04:50,390 --> 01:04:48,559

update on this audrey story and there

1847

01:04:52,230 --> 01:04:50,400

was really no update to give and now i

1848

01:04:53,349 --> 01:04:52,240

felt like well this is new information

1849

01:04:54,710 --> 01:04:53,359

and people

1850

01:04:57,510 --> 01:04:54,720

should know that

1851
01:04:59,510 --> 01:04:57,520
these so-called witnesses to her story

1852
01:05:00,630 --> 01:04:59,520
refute most of what she said in her

1853
01:05:01,510 --> 01:05:00,640
story

1854
01:05:03,910 --> 01:05:01,520
you know

1855
01:05:06,309 --> 01:05:03,920
mm-hmm and and again and and it does

1856
01:05:08,549 --> 01:05:06,319
refute it has more of a feel of reality

1857
01:05:11,029 --> 01:05:08,559
to it than the you know the the counter

1858
01:05:13,029 --> 01:05:11,039
story which was quite fantastic to be

1859
01:05:17,109 --> 01:05:13,039
amazing or to be blood you know i mean

1860
01:05:18,630 --> 01:05:17,119
it was just extraordinary um but yeah

1861
01:05:21,270 --> 01:05:18,640
i guess we'll see we'll see what happens

1862
01:05:24,230 --> 01:05:21,280
when she responds and um

1863
01:05:28,390 --> 01:05:26,789

yeah uh and and i want to mention that

1864

01:05:30,549 --> 01:05:28,400

you know she's welcome to come here

1865

01:05:32,549 --> 01:05:30,559

anytime and she there's an open door

1866

01:05:34,630 --> 01:05:32,559

here she can come and give her side of

1867

01:05:37,029 --> 01:05:34,640

the story we'll be respectful we'll be

1868

01:05:38,549 --> 01:05:37,039

kind to her as kind as and respectful as

1869

01:05:39,510 --> 01:05:38,559

we can be

1870

01:05:42,069 --> 01:05:39,520

um

1871

01:05:44,390 --> 01:05:42,079

that's all we can do here and i'd

1872

01:05:45,510 --> 01:05:44,400

be happy to give her an opportunity to

1873

01:05:48,069 --> 01:05:45,520

talk about

1874

01:05:50,390 --> 01:05:48,079

these recent revelations and if she

1875

01:05:52,549 --> 01:05:50,400

disputes what they've said great you

1876

01:05:54,150 --> 01:05:52,559

know she can tell her side of it

1877

01:05:55,910 --> 01:05:54,160

um

1878

01:05:57,589 --> 01:05:55,920

well what's it gonna take to get uh you

1879

01:05:59,670 --> 01:05:57,599

know get all three of them on a live

1880

01:06:01,589 --> 01:05:59,680

stream together and just say let's hash

1881

01:06:04,230 --> 01:06:01,599

this out in public you know like it

1882

01:06:06,069 --> 01:06:04,240

seems like they represented their story

1883

01:06:07,349 --> 01:06:06,079

and you know it synced with all the

1884

01:06:09,190 --> 01:06:07,359

facts that we found you know the

1885

01:06:10,549 --> 01:06:09,200

ambulance and all that other stuff like

1886

01:06:12,950 --> 01:06:10,559

you've got one story that fits the

1887

01:06:14,069 --> 01:06:12,960

evidence and the other that has

1888

01:06:15,589 --> 01:06:14,079

i guess fits the evidence because she

1889

01:06:17,270 --> 01:06:15,599

admitted the ambulance showed up but is

1890

01:06:18,390 --> 01:06:17,280

a completely different take on it you

1891

01:06:19,910 --> 01:06:18,400

know so

1892

01:06:21,349 --> 01:06:19,920

um yeah it should be interesting to see

1893

01:06:23,109 --> 01:06:21,359

how this unfolds and i'm curious of what

1894

01:06:24,710 --> 01:06:23,119

other people's takes are

1895

01:06:26,150 --> 01:06:24,720

you know on the the new evidence so

1896

01:06:27,910 --> 01:06:26,160

we'll see how people are responding to

1897

01:06:31,270 --> 01:06:27,920

it out there on twitter and if anyone

1898

01:06:35,109 --> 01:06:33,750

yeah i you know i i don't know where the

1899

01:06:36,710 --> 01:06:35,119

story goes from here where do you think

1900

01:06:38,630 --> 01:06:36,720

it goes from here so she could just

1901

01:06:40,069 --> 01:06:38,640

refute what they said and keep going

1902

01:06:43,670 --> 01:06:40,079

with her

1903

01:06:45,589 --> 01:06:43,680

contact stories i guess you know

1904

01:06:47,029 --> 01:06:45,599

yeah like i said if she doesn't address

1905

01:06:49,109 --> 01:06:47,039

it i just don't see how anyone can take

1906

01:06:51,829 --> 01:06:49,119

her seriously she has to address this

1907

01:06:53,670 --> 01:06:51,839

this counter story because it's pretty

1908

01:06:56,069 --> 01:06:53,680

even without any evidence it's just a

1909

01:06:57,829 --> 01:06:56,079

straight counter story that you know

1910

01:06:59,670 --> 01:06:57,839

counteracts hers and she doesn't have

1911

01:07:02,150 --> 01:06:59,680

any evidence either so

1912

01:07:03,750 --> 01:07:02,160

you know like i said one smells like uh

1913

01:07:06,870 --> 01:07:03,760

reality and the other sounds like a

1914

01:07:07,910 --> 01:07:06,880

interpretation or a perspective so or a

1915

01:07:12,950 --> 01:07:07,920

delusion

1916

01:07:14,549 --> 01:07:12,960

just see what happens you know it's it

1917

01:07:16,309 --> 01:07:14,559

like i said it's still just day one for

1918

01:07:18,950 --> 01:07:16,319

me i just found you know was made aware

1919

01:07:21,829 --> 01:07:18,960

of this today um and i don't know like

1920

01:07:23,349 --> 01:07:21,839

you said angeli's obviously been uh

1921

01:07:25,670 --> 01:07:23,359

aware of it for a while if there was

1922

01:07:26,549 --> 01:07:25,680

some sort of response to it you know um

1923

01:07:28,470 --> 01:07:26,559

so

1924

01:07:29,510 --> 01:07:28,480

that i'm kind of curious why she didn't

1925

01:07:31,589 --> 01:07:29,520

just

1926

01:07:33,349 --> 01:07:31,599

address it then you know why wait for

1927

01:07:34,789 --> 01:07:33,359

someone on this these platforms to bring

1928

01:07:37,109 --> 01:07:34,799

it out why wait for someone on twitter

1929

01:07:39,270 --> 01:07:37,119

or youtube why not contact charlie

1930

01:07:40,789 --> 01:07:39,280

directly and say hey you know like this

1931

01:07:42,789 --> 01:07:40,799

is my side you know like let's squash

1932

01:07:45,670 --> 01:07:42,799

this you know but

1933

01:07:47,510 --> 01:07:45,680

maybe she can't maybe she can't so you

1934

01:07:49,990 --> 01:07:47,520

know what i'd like to do

1935

01:07:52,789 --> 01:07:50,000

i'd like to have wayne and trisha and

1936

01:07:54,230 --> 01:07:52,799

ashley on one show

1937

01:07:56,230 --> 01:07:54,240

right and let's

1938

01:07:58,549 --> 01:07:56,240

hash it out yeah i would really like to

1939

01:08:00,470 --> 01:07:58,559

do that because

1940

01:08:02,309 --> 01:08:00,480

then we're going to get

1941

01:08:03,990 --> 01:08:02,319

a better sense of which one of these

1942

01:08:05,670 --> 01:08:04,000

people are

1943

01:08:09,109 --> 01:08:05,680

which side of the story is the true

1944

01:08:10,950 --> 01:08:09,119

story and which side is an embellished

1945

01:08:13,589 --> 01:08:10,960

or made-up account

1946

01:08:15,910 --> 01:08:13,599

or misinterpret it again i want to give

1947

01:08:17,990 --> 01:08:15,920

be as fair to her as possible some

1948

01:08:21,510 --> 01:08:18,000

people are saying she may have conflated

1949

01:08:23,510 --> 01:08:21,520

you know multiple events down to one or

1950

01:08:30,070 --> 01:08:23,520

you know

1951

01:08:31,669 --> 01:08:30,080

and way delicate with the situation

1952

01:08:33,590 --> 01:08:31,679

which is is good you know because you

1953

01:08:35,189 --> 01:08:33,600

sense that there might be more than you

1954

01:08:37,189 --> 01:08:35,199

know you we've talked about there might

1955

01:08:39,349 --> 01:08:37,199

be some potential psychological problems

1956

01:08:41,189 --> 01:08:39,359

or physiological problems that might be

1957

01:08:43,189 --> 01:08:41,199

involved here and so you always want to

1958

01:08:44,309 --> 01:08:43,199

be a little you know if that's the case

1959

01:08:46,630 --> 01:08:44,319

you want to be a little bit more

1960

01:08:49,510 --> 01:08:46,640

reserved and a little bit more patient

1961

01:08:51,269 --> 01:08:49,520

um but you know angelia said that's not

1962

01:08:54,309 --> 01:08:51,279

the case she was checked out by the va

1963

01:08:55,749 --> 01:08:54,319

she's a sound fit minded body

1964

01:08:57,829 --> 01:08:55,759

where are we to go with that you know it

1965

01:09:00,470 --> 01:08:57,839

sounds more and more like a drug-induced

1966

01:09:01,990 --> 01:09:00,480

hallucination and a and a very great

1967

01:09:03,910 --> 01:09:02,000

experience that maybe could have been

1968

01:09:05,269 --> 01:09:03,920

used to humble one's person and make

1969

01:09:07,990 --> 01:09:05,279

themselves look at things a little

1970

01:09:10,309 --> 01:09:08,000

differently but is not necessarily in my

1971

01:09:12,309 --> 01:09:10,319

opinion ongoing contact with any form of

1972

01:09:14,390 --> 01:09:12,319

alien species you know i we just haven't

1973

01:09:15,669 --> 01:09:14,400

seen any evidence of that so

1974

01:09:18,709 --> 01:09:15,679

um

1975

01:09:20,470 --> 01:09:18,719

yeah yeah it's this it's unfortunate

1976

01:09:22,229 --> 01:09:20,480

though that you know some people were

1977

01:09:24,229 --> 01:09:22,239

nasty to her and i decided i wasn't

1978

01:09:25,749 --> 01:09:24,239

going to be one of them you know and i

1979

01:09:27,349 --> 01:09:25,759

took a lot of flack for actually being

1980

01:09:29,349 --> 01:09:27,359

kinder to her than i've been to many

1981

01:09:31,030 --> 01:09:29,359

other people because you know how i am

1982

01:09:32,550 --> 01:09:31,040

like this person frog

1983

01:09:35,269 --> 01:09:32,560

you know and then her i was a little

1984

01:09:36,149 --> 01:09:35,279

more gentle with about the whole thing

1985

01:09:37,910 --> 01:09:36,159

right

1986

01:09:39,189 --> 01:09:37,920

yeah well you know and i'm taking a page

1987

01:09:40,789 --> 01:09:39,199

out of that too we can all be a little

1988

01:09:42,390 --> 01:09:40,799

bit more gentler when we're dealing with

1989

01:09:44,149 --> 01:09:42,400

people that we are disagreeing with or

1990

01:09:47,189 --> 01:09:44,159

that we are confronting about things you

1991

01:09:48,870 --> 01:09:47,199

know like um and uh you know it's not

1992

01:09:50,709 --> 01:09:48,880

just her maybe you're seeing a trend in

1993

01:09:52,950 --> 01:09:50,719

people who are are changing in the in

1994

01:09:55,030 --> 01:09:52,960

this timeframe you know but it could

1995

01:09:56,630 --> 01:09:55,040

just be her too like i said she's real

1996

01:09:59,030 --> 01:09:56,640

endearing you know like when you talk to

1997

01:10:00,870 --> 01:09:59,040

her she's real personable and she makes

1998

01:10:02,310 --> 01:10:00,880

you feel like she listens to you and is

1999

01:10:04,390 --> 01:10:02,320

communicating with you and not just

2000

01:10:06,149 --> 01:10:04,400

talking at you like she's a very

2001

01:10:08,470 --> 01:10:06,159

personable person so that might be part

2002

01:10:09,830 --> 01:10:08,480

of it too is that you know like that's a

2003

01:10:11,590 --> 01:10:09,840

kind of a tactic to make sure that

2004

01:10:12,790 --> 01:10:11,600

people aren't going to call you out too

2005

01:10:14,550 --> 01:10:12,800

much you know like

2006

01:10:15,910 --> 01:10:14,560

other people who do that things too that

2007

01:10:17,510 --> 01:10:15,920

same thing too they'll give you a

2008

01:10:19,030 --> 01:10:17,520

compliment the second year on the show

2009

01:10:21,830 --> 01:10:19,040

or the you know like i pointed out

2010

01:10:23,350 --> 01:10:21,840

elizondo does when he he got on uh

2011

01:10:25,030 --> 01:10:23,360

the black vault with john greenwald and

2012

01:10:26,870 --> 01:10:25,040

he's like oh we fear you at the pentagon

2013

01:10:28,550 --> 01:10:26,880

you're a foia guy you're this that and

2014

01:10:30,390 --> 01:10:28,560

then i started noticing how on every

2015

01:10:32,229 --> 01:10:30,400

show he goes to he's got some little

2016

01:10:33,750 --> 01:10:32,239

hey buddy for the co for the host you

2017

01:10:35,750 --> 01:10:33,760

know it's like hey we're pals don't

2018

01:10:37,990 --> 01:10:35,760

don't rock me too hard you know don't

2019

01:10:39,350 --> 01:10:38,000

ask me any hard questions because

2020

01:10:42,950 --> 01:10:39,360

it's the game

2021

01:10:46,070 --> 01:10:42,960

these guys play they do go in the

2022

01:10:48,790 --> 01:10:46,080

softball ufo circle jerk and and uh keep

2023

01:10:49,910 --> 01:10:48,800

keep selling whatever their wares are

2024

01:10:52,229 --> 01:10:49,920

yeah

2025

01:10:53,830 --> 01:10:52,239

and that's just kind of people do that

2026

01:10:55,189 --> 01:10:53,840

you know your car salesman does the same

2027

01:10:56,950 --> 01:10:55,199

thing when you walk on the lot if you're

2028

01:10:58,550 --> 01:10:56,960

wearing a portland trailblazer's hat

2029

01:10:59,990 --> 01:10:58,560

he's gonna be like blazers if you've got

2030

01:11:02,390 --> 01:11:00,000

a raiders hat on he's gonna be like

2031

01:11:04,390 --> 01:11:02,400

raiders you know like he doesn't care um

2032

01:11:05,669 --> 01:11:04,400

it's a sales technique a manipulation

2033

01:11:08,550 --> 01:11:05,679

technique so

2034

01:11:10,550 --> 01:11:08,560

um i don't you know i'm we're trans i'm

2035

01:11:16,950 --> 01:11:10,560

talking about lou and anjali there so i

2036

01:11:22,229 --> 01:11:19,189

you know what you know what i i i will

2037

01:11:24,550 --> 01:11:22,239

say is that i am getting i was getting

2038

01:11:27,350 --> 01:11:24,560

very prejudiced against anybody coming

2039

01:11:30,390 --> 01:11:27,360

out with a story about aliens or ufos or

2040

01:11:32,950 --> 01:11:30,400

you know because of the amount of people

2041

01:11:35,350 --> 01:11:32,960

that are full of [h__h] and and

2042

01:11:37,510 --> 01:11:35,360

fraudsters out there you start thinking

2043

01:11:39,110 --> 01:11:37,520

they must all be like this and i don't

2044

01:11:41,030 --> 01:11:39,120

believe that's the case any longer i'm

2045

01:11:43,030 --> 01:11:41,040

trying to be kinder to people and you

2046

01:11:44,870 --> 01:11:43,040

know especially experiences and other

2047

01:11:46,630 --> 01:11:44,880

things because i don't know what's going

2048

01:11:47,910 --> 01:11:46,640

on in their heads or what is creating

2049

01:11:49,669 --> 01:11:47,920

these

2050

01:11:51,110 --> 01:11:49,679

incredible experiences that they claim

2051
01:11:53,510 --> 01:11:51,120
that they have

2052
01:11:54,550 --> 01:11:53,520
you know it's easy to start conflating

2053
01:11:56,229 --> 01:11:54,560
these

2054
01:11:58,550 --> 01:11:56,239
you know and going well

2055
01:12:00,709 --> 01:11:58,560
if if we've shown that 10 of these

2056
01:12:02,950 --> 01:12:00,719
people out there in ufo land making

2057
01:12:05,270 --> 01:12:02,960
money from this or fraudsters then why

2058
01:12:07,270 --> 01:12:05,280
not all of them right but i'm still

2059
01:12:09,189 --> 01:12:07,280
hopeful that some people are are not on

2060
01:12:11,350 --> 01:12:09,199
the take

2061
01:12:12,790 --> 01:12:11,360
yeah you know and there are some that

2062
01:12:15,350 --> 01:12:12,800
that are not on the take i think the

2063
01:12:17,510 --> 01:12:15,360

vast majority of people are out in this

2064

01:12:20,390 --> 01:12:17,520

field and doing this for their you know

2065

01:12:22,149 --> 01:12:20,400

sincere best efforts you know um where

2066

01:12:23,830 --> 01:12:22,159

it starts to get questioning is when big

2067

01:12:26,070 --> 01:12:23,840

money comes into it always you know big

2068

01:12:27,910 --> 01:12:26,080

money is is where you start to worry

2069

01:12:30,470 --> 01:12:27,920

about things and people losing their you

2070

01:12:32,550 --> 01:12:30,480

know their uh base you know and and

2071

01:12:34,390 --> 01:12:32,560

tending to get out of

2072

01:12:35,590 --> 01:12:34,400

reality and into their own little worlds

2073

01:12:36,470 --> 01:12:35,600

you know like you said earlier their

2074

01:12:39,110 --> 01:12:36,480

bubble

2075

01:12:41,189 --> 01:12:39,120

so um but this field is full of people

2076

01:12:43,669 --> 01:12:41,199

and it's just i think it's a a trend

2077

01:12:45,430 --> 01:12:43,679

that's mirroring the mainstream media

2078

01:12:47,669 --> 01:12:45,440

and you know the rest of our lives you

2079

01:12:49,910 --> 01:12:47,679

know like we're seeing this distrust in

2080

01:12:51,990 --> 01:12:49,920

this news for profit in this in this

2081

01:12:53,510 --> 01:12:52,000

disclosure for profit in this buy my

2082

01:12:55,510 --> 01:12:53,520

this by my that and so people are

2083

01:12:57,030 --> 01:12:55,520

exposure for dollars there's amazing

2084

01:12:58,630 --> 01:12:57,040

closure yeah

2085

01:13:00,390 --> 01:12:58,640

people are looking more to independent

2086

01:13:02,390 --> 01:13:00,400

people like yourself and myself you know

2087

01:13:03,590 --> 01:13:02,400

we're we're out there doing this because

2088

01:13:05,110 --> 01:13:03,600

we're trying to find the truth for

2089

01:13:07,030 --> 01:13:05,120

ourselves and at the same time share it

2090

01:13:09,189 --> 01:13:07,040

with people as we learn it so

2091

01:13:11,189 --> 01:13:09,199

um you know i think we might see a rise

2092

01:13:13,510 --> 01:13:11,199

of that not only in ufology but also in

2093

01:13:14,950 --> 01:13:13,520

other elements of our culture

2094

01:13:16,390 --> 01:13:14,960

people are going to start looking more

2095

01:13:18,070 --> 01:13:16,400

and more for independent journalists

2096

01:13:19,110 --> 01:13:18,080

independent free thinkers things like

2097

01:13:21,430 --> 01:13:19,120

that

2098

01:13:23,270 --> 01:13:21,440

because it seems like every every

2099

01:13:24,790 --> 01:13:23,280

mainstream story nowadays is about

2100

01:13:27,030 --> 01:13:24,800

clicks and views and money and they

2101
01:13:29,350 --> 01:13:27,040
don't really care about the the news or

2102
01:13:30,550 --> 01:13:29,360
the truth or the research hardly at all

2103
01:13:33,270 --> 01:13:30,560
so

2104
01:13:34,950 --> 01:13:33,280
the pendulum is swinging back

2105
01:13:37,990 --> 01:13:34,960
well let's hope so you know i need a

2106
01:13:42,070 --> 01:13:40,070
it's interesting though that you know i

2107
01:13:43,510 --> 01:13:42,080
we've got handicaps though because we're

2108
01:13:45,669 --> 01:13:43,520
talking about a lot of facts and

2109
01:13:47,510 --> 01:13:45,679
evidence and well-researched material

2110
01:13:49,510 --> 01:13:47,520
and other people are just

2111
01:13:51,350 --> 01:13:49,520
telling stories and that's what gets the

2112
01:13:54,709 --> 01:13:51,360
clicks and the views and the and the

2113
01:13:56,630 --> 01:13:54,719

attention it's sad it makes me sad

2114

01:13:58,790 --> 01:13:56,640

because you know i can't just make [h__h]

2115

01:14:01,270 --> 01:13:58,800

up here we gotta give people facts and

2116

01:14:02,630 --> 01:14:01,280

evidence so it's like you have a

2117

01:14:06,149 --> 01:14:02,640

you and me are both trying to run a

2118

01:14:08,229 --> 01:14:06,159

marathon with two broken legs manny

2119

01:14:10,070 --> 01:14:08,239

right and a backpack full of weights i

2120

01:14:11,669 --> 01:14:10,080

feel you you know like uh

2121

01:14:13,270 --> 01:14:11,679

yeah it is hard and we're you know

2122

01:14:15,030 --> 01:14:13,280

there's a lot of money out there i was

2123

01:14:17,030 --> 01:14:15,040

talking to a guy a few years back who

2124

01:14:18,310 --> 01:14:17,040

works for still works for yahoo and i

2125

01:14:20,149 --> 01:14:18,320

said oh really yahoo's still around what

2126
01:14:21,750 --> 01:14:20,159
the hell are you guys doing nowadays and

2127
01:14:24,550 --> 01:14:21,760
it turns out that they're in like search

2128
01:14:26,709 --> 01:14:24,560
engine optimization and analytics and i

2129
01:14:28,149 --> 01:14:26,719
and he started going off about this rant

2130
01:14:29,910 --> 01:14:28,159
in the mainstream about how everything's

2131
01:14:32,470 --> 01:14:29,920
rage culture now because they did a

2132
01:14:34,310 --> 01:14:32,480
study once that shows that people click

2133
01:14:36,870 --> 01:14:34,320
on rage filled headlines and and

2134
01:14:38,470 --> 01:14:36,880
thumbnails 400 percent more than they do

2135
01:14:40,950 --> 01:14:38,480
on the wholesome stuff like then

2136
01:14:43,830 --> 01:14:40,960
everything became rage filled

2137
01:14:45,590 --> 01:14:43,840
yeah then everything becomes that yeah i

2138
01:14:47,110 --> 01:14:45,600

i i know somebody that i grew up with

2139

01:14:48,630 --> 01:14:47,120

that believe it or not lives in new york

2140

01:14:51,669 --> 01:14:48,640

and you know what he does he writes

2141

01:14:52,870 --> 01:14:51,679

stories about uh

2142

01:14:55,270 --> 01:14:52,880

celebrities

2143

01:14:57,270 --> 01:14:55,280

and uh and it's the stupidest he writes

2144

01:14:59,030 --> 01:14:57,280

the stupidest stuff he hates his life

2145

01:15:01,189 --> 01:14:59,040

because he didn't become a writer to do

2146

01:15:01,910 --> 01:15:01,199

that but that's what people click on you

2147

01:15:03,510 --> 01:15:01,920

know

2148

01:15:05,510 --> 01:15:03,520

look at this there's a story today that

2149

01:15:06,630 --> 01:15:05,520

jason momoa is getting back with lisa

2150

01:15:09,110 --> 01:15:06,640

bonet

2151
01:15:10,950 --> 01:15:09,120
millions of people clicked on that story

2152
01:15:13,110 --> 01:15:10,960
so you can imagine that there's revenue

2153
01:15:14,470 --> 01:15:13,120
when millions of people you know but it

2154
01:15:17,030 --> 01:15:14,480
doesn't make that

2155
01:15:17,990 --> 01:15:17,040
the story have any real value i guess

2156
01:15:19,510 --> 01:15:18,000
you know

2157
01:15:20,950 --> 01:15:19,520
and we know that you can promote things

2158
01:15:22,470 --> 01:15:20,960
too i mean there's ways to make sure

2159
01:15:24,149 --> 01:15:22,480
that people click on these things by

2160
01:15:26,470 --> 01:15:24,159
shoving it down their throat putting it

2161
01:15:28,550 --> 01:15:26,480
at the top of search orders placing ads

2162
01:15:30,310 --> 01:15:28,560
on you know network television that are

2163
01:15:31,590 --> 01:15:30,320

friendly or owned by the same people you

2164

01:15:33,350 --> 01:15:31,600

know there's all kinds of ways to get

2165

01:15:35,669 --> 01:15:33,360

your story out there that's all profit

2166

01:15:37,669 --> 01:15:35,679

driven and you know that's really kind

2167

01:15:39,590 --> 01:15:37,679

of what we've come up with in ufology

2168

01:15:41,750 --> 01:15:39,600

that i touched on and who's lou about

2169

01:15:43,350 --> 01:15:41,760

how this ufo narrative just kept getting

2170

01:15:44,950 --> 01:15:43,360

perpetuated because nobody wanted to

2171

01:15:47,110 --> 01:15:44,960

stop it because it was making them all

2172

01:15:48,870 --> 01:15:47,120

money i mean in the forms of clicks and

2173

01:15:50,950 --> 01:15:48,880

views not that they were not like it was

2174

01:15:52,229 --> 01:15:50,960

conspiracy but if they're just like hey

2175

01:15:54,950 --> 01:15:52,239

this is the latest thing and i'm not

2176

01:15:56,310 --> 01:15:54,960

going to be the one guy to rock the boat

2177

01:15:59,590 --> 01:15:56,320

you know well when it's when it's

2178

01:16:01,430 --> 01:15:59,600

suddenly it's on cnn a lot and fox news

2179

01:16:03,030 --> 01:16:01,440

you know that they're making money from

2180

01:16:04,310 --> 01:16:03,040

it because they don't do a story unless

2181

01:16:06,390 --> 01:16:04,320

they're making money from it and i want

2182

01:16:09,110 --> 01:16:06,400

i'm doing something right because he's

2221

01:17:38,709 --> 01:17:36,719

got a good show so if he's listening

2222

01:17:39,910 --> 01:17:38,719

that means my show's not completely

2223

01:17:41,830 --> 01:17:39,920

shitty

2224

01:17:43,350 --> 01:17:41,840

right it's got to be at least decent if

2225

01:17:45,430 --> 01:17:43,360

he's listening because he's got a great

2226

01:17:47,430 --> 01:17:45,440

show

2227

01:17:51,270 --> 01:17:47,440

mr d.b cooper no the people are calling

2233

01:18:04,310 --> 01:18:02,800

my uh calling me from a private number

2234

01:18:06,310 --> 01:18:04,320

again lord ludacris plaid with the kind

2235

01:18:07,990 --> 01:18:06,320

of generous dollar 99 says great show

2236

01:18:09,430 --> 01:18:08,000

keep up the fight manny and steve thanks

2237

01:18:11,270 --> 01:18:09,440

for your kindness your generosity and

2238

01:18:14,470 --> 01:18:11,280

your support of the show we're a viewer

2239

01:18:17,350 --> 01:18:15,750

i should have i should have brought

2240

01:18:18,950 --> 01:18:17,360

maddie uh i should have got maddie to

2241

01:18:21,430 --> 01:18:18,960

get a poll or something we can make him

2242

01:18:23,189 --> 01:18:21,440

dance for the super chats right

2243

01:18:25,669 --> 01:18:23,199

now that would probably make people not

2244

01:18:27,590 --> 01:18:25,679

pay money right you could pay them for

2245

01:18:29,270 --> 01:18:27,600

yeah i know i always say i'm gonna i

2246

01:18:32,070 --> 01:18:29,280

need extra money so i'm gonna start at

2247

01:18:34,709 --> 01:18:32,080

only fans but on my only fans you have

2248

01:18:36,870 --> 01:18:34,719

to pay to see me put my clothes back on

2249

01:18:38,550 --> 01:18:36,880

that's how mine's gonna work

2250

01:18:40,470 --> 01:18:38,560

don't pay i'm gonna start ripping them

2251

01:18:42,470 --> 01:18:40,480

off so keep yeah yeah

2252

01:18:43,830 --> 01:18:42,480

if you want to keep it sane yeah i don't

2253

01:18:45,030 --> 01:18:43,840

think i don't think there's much else to

2254

01:18:48,149 --> 01:18:45,040

talk about so i think we're going to

2255

01:18:49,830 --> 01:18:48,159

jump off here because uh until until

2256

01:18:51,590 --> 01:18:49,840

there's new developments or she really

2257

01:18:54,950 --> 01:18:51,600

responds she kind of responded but she

2258

01:18:56,310 --> 01:18:54,960

didn't address each of these

2259

01:18:58,470 --> 01:18:56,320

sort of uh

2260

01:18:59,669 --> 01:18:58,480

i don't know plot points that they are

2261

01:19:02,550 --> 01:18:59,679

uh

2262

01:19:04,470 --> 01:19:02,560

they are disputing captain corrosive

2263

01:19:06,070 --> 01:19:04,480

wayne is a stun and we love him thank

2264

01:19:08,149 --> 01:19:06,080

you for your kindness for generosity and

2265

01:19:09,910 --> 01:19:08,159

your support big five dollar super chat

2266

01:19:11,910 --> 01:19:09,920

very generous of you

2267

01:19:14,630 --> 01:19:11,920

go away okay it says thanks for the

2268

01:19:17,030 --> 01:19:14,640

update stephen another great show yeah i

2269

01:19:18,550 --> 01:19:17,040

uh i i'm glad that i could give an

2270

01:19:20,070 --> 01:19:18,560

update everybody keeps asking me and i'm

2271

01:19:21,590 --> 01:19:20,080

like what do you want me to say nothing

2272

01:19:24,790 --> 01:19:21,600

happened

2273

01:19:27,350 --> 01:19:24,800

yeah the uh the expedition got cancelled

2274

01:19:29,590 --> 01:19:27,360

and the hype train went away and now

2275

01:19:31,910 --> 01:19:29,600

she's just talking about you know stuff

2276

01:19:33,669 --> 01:19:31,920

on twitter that the aliens tell her

2277

01:19:36,149 --> 01:19:33,679

since then there's not much of a story

2278

01:19:38,149 --> 01:19:36,159

there but this tonight is a story

2279

01:19:40,550 --> 01:19:38,159

because now we've got two people she

2280

01:19:43,350 --> 01:19:40,560

claims were witnesses to her experience

2281

01:19:46,790 --> 01:19:43,360

refuting most of what she claimed

2282

01:19:50,470 --> 01:19:48,149

so yeah we'll just have to see what she

2283

01:19:52,229 --> 01:19:50,480

says until then there won't be any new

2284

01:19:53,830 --> 01:19:52,239

news on angeli there's no reason to

2285

01:19:55,750 --> 01:19:53,840

really talk about her at that point you

2286

01:19:58,470 --> 01:19:55,760

know it's just kind of case closed

2287

01:20:00,149 --> 01:19:58,480

unfortunately but hey we can still maybe

2288

01:20:01,590 --> 01:20:00,159

she'll join ufology and do some

2289

01:20:03,189 --> 01:20:01,600

investigating of her own and do some

2290

01:20:04,550 --> 01:20:03,199

other things that are interesting we'll

2291

01:20:06,390 --> 01:20:04,560

see

2292

01:20:08,870 --> 01:20:06,400

yeah i mean i wish her the best you know

2293

01:20:10,310 --> 01:20:08,880

i think she she uh

2294

01:20:13,669 --> 01:20:10,320

she believes that she's the kind of

2295

01:20:17,590 --> 01:20:13,679

chosen person to do some great thing for

2296

01:20:19,030 --> 01:20:17,600

humanity and i you know i guess i can

2297

01:20:21,430 --> 01:20:19,040

you know all i can do is wish her the

2298

01:20:22,390 --> 01:20:21,440

best and then and uh

2299

01:20:24,229 --> 01:20:22,400

you know

2300

01:20:26,629 --> 01:20:24,239

hope that uh whatever's going on with

2301

01:20:29,910 --> 01:20:26,639

her that she is uh

2302

01:20:31,910 --> 01:20:29,920

at peace and uh and happy and you know

2303

01:20:34,229 --> 01:20:31,920

okay it can't be good to have this much

2304

01:20:36,870 --> 01:20:34,239

scrutiny on you for this long

2305

01:20:39,910 --> 01:20:36,880

you know it's got to be uh

2306

01:20:42,149 --> 01:20:39,920

taxing you know she's on twitter

2307

01:20:43,750 --> 01:20:42,159

people are people are being nasty to her

2308

01:20:45,590 --> 01:20:43,760

attacking her or saying she's full of

2309

01:20:48,390 --> 01:20:45,600

[h__\h] or whatever

2310

01:20:50,149 --> 01:20:48,400

for months on end it takes a toll on you

2311

01:20:51,590 --> 01:20:50,159

you know

2312

01:20:52,950 --> 01:20:51,600

yeah and i hope nobody's out there just

2313

01:20:54,390 --> 01:20:52,960

blasting her like that she doesn't

2314

01:20:57,590 --> 01:20:54,400

deserve that come on she's not

2315

01:20:58,709 --> 01:20:57,600

aggressive or or hostile or combative or

2316

01:21:00,870 --> 01:20:58,719

anything like that she's quite the

2317

01:21:02,390 --> 01:21:00,880

opposite so if you want to disagree with

2318

01:21:04,709 --> 01:21:02,400

her disagree with her if you want to ask

2319

01:21:06,310 --> 01:21:04,719

her to answer to these new facts that's

2320

01:21:08,390 --> 01:21:06,320

one thing but just keep it respectful

2321

01:21:10,310 --> 01:21:08,400

there's no reason to take it to the

2322

01:21:12,709 --> 01:21:10,320

schoolyard level

2323

01:21:14,550 --> 01:21:12,719

yeah yeah i agree with you well i want

2324

01:21:15,590 --> 01:21:14,560

to thank you manny and i want to i want

2325

01:21:19,750 --> 01:21:15,600

to remind everybody we'll give him

2326

01:21:22,790 --> 01:21:19,760

another plug it's who's lou movie.com or

2327

01:21:24,629 --> 01:21:22,800

search on youtube for area 503 and look

2328

01:21:26,470 --> 01:21:24,639

for his video with the most views that

2329

01:21:29,430 --> 01:21:26,480

would be the who's loom movie it's free

2330

01:21:31,669 --> 01:21:29,440

to watch on on youtube it's also an

2331

01:21:33,990 --> 01:21:31,679

odyssey we had you guys had a backing up

2332

01:21:36,310 --> 01:21:34,000

there which i was glad to see

2333

01:21:38,870 --> 01:21:36,320

due to uh you know people trying to

2334

01:21:41,189 --> 01:21:38,880

cancel manny and his movie and that's

2335

01:21:43,590 --> 01:21:41,199

not right so go over there who's lou

2336

01:21:45,750 --> 01:21:43,600

movie dot com all the research material

2337

01:21:47,510 --> 01:21:45,760

everything he talks about is all

2338

01:21:49,910 --> 01:21:47,520

on the website and you can watch the

2339

01:21:52,870 --> 01:21:49,920

movie and on who's the movie dot com for

2340

01:21:55,910 --> 01:21:52,880

free as well it costs nothing and uh

2341

01:21:57,830 --> 01:21:55,920

it's good to in to ask questions and and

2342

01:22:01,189 --> 01:21:57,840

support people who are asking the tough

2343

01:22:03,669 --> 01:22:01,199

questions lou elizondo won't come here

2344

01:22:05,750 --> 01:22:03,679

or appear with many and answer these

2345

01:22:08,149 --> 01:22:05,760

questions so many asked the questions

2346

01:22:11,030 --> 01:22:08,159

publicly and so far

2347

01:22:13,110 --> 01:22:11,040

uh blue elizondo has not

2348

01:22:15,110 --> 01:22:13,120

answered any of these questions

2349

01:22:16,790 --> 01:22:15,120

uh which leads me to believe that many

2350

01:22:20,870 --> 01:22:16,800

may be right over the target with a lot

2351
