

# Truth Seekers

BOB LAZAR, MORE LIES EXPOSED!

WITH LUIS CAYETANO

OF UFOLOGYISCORRUPT.COM

1  
00:01:21,190 --> 00:00:38,350

[Music]

2  
00:01:21,200 --> 00:01:24,940

so

3  
00:02:36,390 --> 00:01:47,900

[Music]

4  
00:02:41,350 --> 00:02:38,790  
greetings and salutations friends and

5  
00:02:42,630 --> 00:02:41,360  
welcome back to truth seekers tonight we

6  
00:02:45,270 --> 00:02:42,640  
are uh

7  
00:02:47,110 --> 00:02:45,280  
going to continue our coverage some of

8  
00:02:48,869 --> 00:02:47,120  
you know that we have covered the bob

9  
00:02:51,110 --> 00:02:48,879  
lazar story

10  
00:02:52,790 --> 00:02:51,120  
uh for quite some time

11  
00:02:55,430 --> 00:02:52,800  
uh of course from a skeptical

12  
00:02:58,149 --> 00:02:55,440  
perspective because you know there's so

13  
00:03:00,790 --> 00:02:58,159

many problems with the story

14

00:03:02,790 --> 00:03:00,800

and we've outlined many of them here but

15

00:03:05,030 --> 00:03:02,800

i was happy to find another researcher

16

00:03:09,270 --> 00:03:05,040

and individual by the name of louis

17

00:03:11,509 --> 00:03:09,280

kaitano who runs the website ufology is

18

00:03:13,430 --> 00:03:11,519

corrupt

19

00:03:15,670 --> 00:03:13,440

and and it's an interesting

20

00:03:18,149 --> 00:03:15,680

very very interesting

21

00:03:20,630 --> 00:03:18,159

website blog and now he's begun to make

22

00:03:23,350 --> 00:03:20,640

videos breaking down some of his

23

00:03:26,309 --> 00:03:23,360

research efforts and i have to say that

24

00:03:29,670 --> 00:03:26,319

uh i'm happy to see that somebody put

25

00:03:33,190 --> 00:03:29,680

so many he's got a blog called litany of

26

00:03:34,470 --> 00:03:33,200

bob lazar's lies and it breaks down all

27

00:03:36,710 --> 00:03:34,480

of this stuff

28

00:03:38,869 --> 00:03:36,720

that bob lazar has lied about

29

00:03:41,589 --> 00:03:38,879

half truths and all of these different

30

00:03:43,830 --> 00:03:41,599

things and it it's it's to me it's much

31

00:03:45,990 --> 00:03:43,840

more impactful when you see it all in

32

00:03:47,670 --> 00:03:46,000

black and white

33

00:03:49,670 --> 00:03:47,680

it's one thing to hear

34

00:03:52,710 --> 00:03:49,680

okay bob lazar lied about this on an

35

00:03:55,110 --> 00:03:52,720

audio podcast or a video show but to see

36

00:03:56,869 --> 00:03:55,120

it all in black and white written out

37

00:03:59,670 --> 00:03:56,879

piece by piece

38

00:04:01,910 --> 00:03:59,680

he makes a very compelling case

39

00:04:04,390 --> 00:04:01,920

for the fact that bob lazar shouldn't be

40

00:04:06,789 --> 00:04:04,400

trusted as a trustworthy

41

00:04:09,110 --> 00:04:06,799

witness to so-called

42

00:04:11,350 --> 00:04:09,120

flying saucers that the government is

43

00:04:12,949 --> 00:04:11,360

trying to back engineer i've been

44

00:04:15,110 --> 00:04:12,959

following his blog for some time we've

45

00:04:17,509 --> 00:04:15,120

wanted to get him on here tonight is the

46

00:04:21,110 --> 00:04:17,519

night we finally get to do that

47

00:04:24,469 --> 00:04:21,120

uh so let's welcome him in here welcome

48

00:04:26,629 --> 00:04:24,479

mr kaitano glad that you finally made it

49

00:04:30,790 --> 00:04:26,639

thank you so much

50

00:04:33,749 --> 00:04:30,800

yeah so i i wanted to begin by the the

51  
00:04:35,270 --> 00:04:33,759  
website ufology is corrupt now this is

52  
00:04:38,310 --> 00:04:35,280  
something that i've been thinking for a

53  
00:04:41,350 --> 00:04:38,320  
long time that ufology is corrupt

54  
00:04:43,830 --> 00:04:41,360  
i i tended for a long time to focus on

55  
00:04:46,230 --> 00:04:43,840  
the dark side of this thing

56  
00:04:49,030 --> 00:04:46,240  
what what led you to pick that for a

57  
00:04:52,390 --> 00:04:49,040  
website address and do you think that

58  
00:04:55,350 --> 00:04:52,400  
you all of this is corrupt or most of it

59  
00:04:57,749 --> 00:04:55,360  
or some of these people or

60  
00:05:00,790 --> 00:04:57,759  
i think most of it is um sincere

61  
00:05:02,310 --> 00:05:00,800  
actually in terms of the believers but

62  
00:05:04,150 --> 00:05:02,320  
i think that the people

63  
00:05:05,909 --> 00:05:04,160

directing this thing

64

00:05:07,990 --> 00:05:05,919

if that's the right word

65

00:05:10,390 --> 00:05:08,000

there's a big corrupt element there and

66

00:05:11,749 --> 00:05:10,400

there's also a lot of self-delusion

67

00:05:13,909 --> 00:05:11,759

and

68

00:05:15,909 --> 00:05:13,919

stuff like that so that's i guess why i

69

00:05:17,350 --> 00:05:15,919

chose the title

70

00:05:19,270 --> 00:05:17,360

yeah that's something that we can both

71

00:05:21,830 --> 00:05:19,280

agree on we were talking a little bit

72

00:05:23,350 --> 00:05:21,840

off air about how some of these people

73

00:05:25,670 --> 00:05:23,360

right to some of these people this is

74

00:05:27,510 --> 00:05:25,680

sort of a religion to them and they

75

00:05:30,390 --> 00:05:27,520

firmly believe

76

00:05:31,510 --> 00:05:30,400

a lot of this ufo mythology is what i

77

00:05:34,070 --> 00:05:31,520

call it

78

00:05:36,550 --> 00:05:34,080

and uh you've detailed on your website

79

00:05:38,629 --> 00:05:36,560

how some of these you know there's all

80

00:05:40,629 --> 00:05:38,639

of these stories they can't all be true

81

00:05:41,990 --> 00:05:40,639

because most of them contradict each

82

00:05:43,189 --> 00:05:42,000

other right

83

00:05:45,749 --> 00:05:43,199

exactly

84

00:05:49,029 --> 00:05:45,759

and a lot of stuff gets thrown in which

85

00:05:50,550 --> 00:05:49,039

is logistically or institutionally

86

00:05:53,189 --> 00:05:50,560

doesn't make sense

87

00:05:55,830 --> 00:05:53,199

so for example in my latest video about

88

00:05:56,790 --> 00:05:55,840

lazar i talk about how

89

00:06:01,270 --> 00:05:56,800

um

90

00:06:03,270 --> 00:06:01,280

incident

91

00:06:05,110 --> 00:06:03,280

and um that doesn't make any sense from

92

00:06:07,189 --> 00:06:05,120

an institutional point of view because

93

00:06:09,990 --> 00:06:07,199

that happened in 1980

94

00:06:13,749 --> 00:06:10,000

whereas his story is that he worked

95

00:06:16,309 --> 00:06:13,759

at s4 in 1988-89

96

00:06:18,150 --> 00:06:16,319

and he's saying that there were

97

00:06:21,909 --> 00:06:18,160

you know there's only like 22 people or

98

00:06:24,469 --> 00:06:21,919

something like that at s4 but then he

99

00:06:26,390 --> 00:06:24,479

says stuff that contradicts that story

100

00:06:29,670 --> 00:06:26,400

by implying that the the government was

101

00:06:31,430 --> 00:06:29,680

flying a ufo in 1980

102

00:06:33,430 --> 00:06:31,440

yeah you know and it was also

103

00:06:35,350 --> 00:06:33,440

powered right right he said it was

104

00:06:37,830 --> 00:06:35,360

powered by plutonium

105

00:06:39,990 --> 00:06:37,840

but had the same kind of uh propulsion

106

00:06:42,469 --> 00:06:40,000

system as the craft that he tend to work

107

00:06:45,350 --> 00:06:42,479

on which had nothing to do with

108

00:06:48,710 --> 00:06:45,360

with earthly materials according to him

109

00:06:52,469 --> 00:06:48,720

he contradicts his own story yep on many

110

00:06:53,909 --> 00:06:52,479

counts as well many other things

111

00:06:56,629 --> 00:06:53,919

yeah and so

112

00:06:58,390 --> 00:06:56,639

why why the intense i don't know in my

113

00:07:00,070 --> 00:06:58,400

case i grew up with the baba is our

114

00:07:02,870 --> 00:07:00,080

story and believe it or not

115

00:07:05,350 --> 00:07:02,880

as a child i ordered the vhs tape from

116

00:07:08,150 --> 00:07:05,360

the back of some science magazine this

117

00:07:09,990 --> 00:07:08,160

bob lazar uh you know excerpts from the

118

00:07:12,390 --> 00:07:10,000

government bible where he explained how

119

00:07:14,070 --> 00:07:12,400

the craft work and what you know how he

120

00:07:17,670 --> 00:07:14,080

worked on them and i also bought the

121

00:07:20,150 --> 00:07:17,680

model growing up the testers model

122

00:07:22,550 --> 00:07:20,160

in my case i grew up with the story and

123

00:07:24,710 --> 00:07:22,560

and i always wish that it were true but

124

00:07:25,990 --> 00:07:24,720

the longer i looked into the story and

125

00:07:28,390 --> 00:07:26,000

the new

126

00:07:29,749 --> 00:07:28,400

you people always say his story never

127

00:07:31,830 --> 00:07:29,759

changes but the truth is if you're

128

00:07:34,150 --> 00:07:31,840

paying attention it changes all the time

129

00:07:36,870 --> 00:07:34,160

but why why did you have such an intense

130

00:07:38,469 --> 00:07:36,880

interest in this specific case

131

00:07:41,350 --> 00:07:38,479

well

132

00:07:42,790 --> 00:07:41,360

i guess it's the usual thing i i also

133

00:07:45,990 --> 00:07:42,800

i wouldn't say i grew up with a story

134

00:07:47,749 --> 00:07:46,000

but in the 1990s when i was a teenager i

135

00:07:50,710 --> 00:07:47,759

first came across it

136

00:07:52,950 --> 00:07:50,720

in a magazine series called the x factor

137

00:07:55,430 --> 00:07:52,960

which i don't know it was sold in the us

138

00:07:57,749 --> 00:07:55,440

but it was a sort of paranormal

139

00:07:59,909 --> 00:07:57,759

ufo magazine with all those sorts of

140

00:08:01,029 --> 00:07:59,919

topics like you'd buy an issue every

141

00:08:04,710 --> 00:08:01,039

week

142

00:08:06,550 --> 00:08:04,720

and uh remember magazines yeah

143

00:08:09,670 --> 00:08:06,560

one of the one of the issues had an

144

00:08:11,350 --> 00:08:09,680

article about um lazar and that's the

145

00:08:12,469 --> 00:08:11,360

first time i think that i encountered

146

00:08:14,230 --> 00:08:12,479

him

147

00:08:16,469 --> 00:08:14,240

and so like i found that compelling back

148

00:08:17,350 --> 00:08:16,479

then but then i put it on the shelf and

149

00:08:25,670 --> 00:08:17,360

i

150

00:08:27,749 --> 00:08:25,680

um

151  
00:08:28,629 --> 00:08:27,759  
which had a video i remember that one

152  
00:08:33,190 --> 00:08:28,639  
yeah

153  
00:08:34,630 --> 00:08:33,200  
think it was called

154  
00:08:37,670 --> 00:08:34,640  
and um

155  
00:08:39,430 --> 00:08:37,680  
one thing struck out to me which was his

156  
00:08:42,469 --> 00:08:39,440  
invocation of

157  
00:08:44,870 --> 00:08:42,479  
the uh zeta reticuli

158  
00:08:47,269 --> 00:08:44,880  
which you know he's saying that he read

159  
00:08:49,190 --> 00:08:47,279  
about that in briefing documents

160  
00:08:51,030 --> 00:08:49,200  
but um you know as he says for many

161  
00:08:52,710 --> 00:08:51,040  
other things so that he can escape

162  
00:08:55,750 --> 00:08:52,720  
scrutiny

163  
00:08:56,870 --> 00:08:55,760

but um the zeta reticuli thing sort of

164

00:08:59,590 --> 00:08:56,880

was a big

165

00:09:00,710 --> 00:08:59,600

red flag for me because barney and betty

166

00:09:02,630 --> 00:09:00,720

hill right

167

00:09:04,949 --> 00:09:02,640

right because that's where it came from

168

00:09:07,030 --> 00:09:04,959

like that's where the reference in

169

00:09:09,269 --> 00:09:07,040

ufology came from

170

00:09:11,750 --> 00:09:09,279

and it had already been discredited as a

171

00:09:13,350 --> 00:09:11,760

source for a possible source for the um

172

00:09:15,269 --> 00:09:13,360

the star map

173

00:09:16,550 --> 00:09:15,279

because like the hipparcos

174

00:09:19,030 --> 00:09:16,560

satellite

175

00:09:19,990 --> 00:09:19,040

sent by the european space agency had

176

00:09:22,710 --> 00:09:20,000

already

177

00:09:25,670 --> 00:09:22,720

done another survey of that cluster of

178

00:09:27,110 --> 00:09:25,680

the milky way and so that

179

00:09:29,110 --> 00:09:27,120

disconfirmed

180

00:09:31,030 --> 00:09:29,120

that zeta reticuli could have been a

181

00:09:32,710 --> 00:09:31,040

match for the star map

182

00:09:34,710 --> 00:09:32,720

but you know lazar picked it up again

183

00:09:37,350 --> 00:09:34,720

because it was

184

00:09:39,509 --> 00:09:37,360

it was popular it was accepted ufo

185

00:09:40,949 --> 00:09:39,519

mythology that's where these gray aliens

186

00:09:44,470 --> 00:09:40,959

are coming from they're coming from the

187

00:09:46,389 --> 00:09:44,480

zeta reticuli which actually you know i

188

00:09:48,790 --> 00:09:46,399

i'm a little bit into astronomy and

189

00:09:50,630 --> 00:09:48,800

things like cosmology if you look into

190

00:09:52,150 --> 00:09:50,640

that system

191

00:09:54,070 --> 00:09:52,160

it's very unlikely that there's

192

00:09:56,310 --> 00:09:54,080

intelligent life in that system because

193

00:09:57,430 --> 00:09:56,320

it's a dual star system and

194

00:09:59,990 --> 00:09:57,440

there's just

195

00:10:02,710 --> 00:10:00,000

a lot of things don't make sense but

196

00:10:04,389 --> 00:10:02,720

apparently betty and somebody some

197

00:10:06,790 --> 00:10:04,399

researchers

198

00:10:08,949 --> 00:10:06,800

took what she did is called the star map

199

00:10:12,069 --> 00:10:08,959

and somehow decided that it matched up

200

00:10:13,430 --> 00:10:12,079

the zeta reticuli but later

201

00:10:15,350 --> 00:10:13,440

margaery fish

202

00:10:17,829 --> 00:10:15,360

marjory fish but later right we find out

203

00:10:19,910 --> 00:10:17,839

that that doesn't matt that star map

204

00:10:23,030 --> 00:10:19,920

right quote star map it doesn't match

205

00:10:26,150 --> 00:10:23,040

zeta reticuli at all

206

00:10:27,750 --> 00:10:26,160

the the parkour satellite had um

207

00:10:29,190 --> 00:10:27,760

done more accurate measurements of the

208

00:10:31,110 --> 00:10:29,200

start distances

209

00:10:33,190 --> 00:10:31,120

so you can't get the same

210

00:10:34,550 --> 00:10:33,200

match because now the orientations are

211

00:10:36,870 --> 00:10:34,560

different

212

00:10:38,790 --> 00:10:36,880

so that was you know thrown out yeah as

213

00:10:41,430 --> 00:10:38,800

well but what we what we see with bob

214

00:10:43,910 --> 00:10:41,440

lazar he does he does something that i

215

00:10:46,790 --> 00:10:43,920

see a lot of these guys do and that is

216

00:10:49,190 --> 00:10:46,800

they take things from accepted you know

217

00:10:51,590 --> 00:10:49,200

okay everybody already heard that the

218

00:10:53,590 --> 00:10:51,600

aliens came from zeta reticuli so i'll

219

00:10:55,509 --> 00:10:53,600

say that's where that's where the

220

00:10:57,910 --> 00:10:55,519

briefing said they came from it's like

221

00:11:00,710 --> 00:10:57,920

they take some accepted

222

00:11:02,790 --> 00:11:00,720

truth in the ufo community already and

223

00:11:04,790 --> 00:11:02,800

then they add to it or they weave it

224

00:11:06,150 --> 00:11:04,800

into their story

225

00:11:07,990 --> 00:11:06,160

he does that all the time there's

226

00:11:09,509 --> 00:11:08,000

there's literally dozens of examples i

227

00:11:10,870 --> 00:11:09,519

provide on

228

00:11:13,110 --> 00:11:10,880

on my page

229

00:11:16,069 --> 00:11:13,120

that was a very thorough

230

00:11:18,150 --> 00:11:16,079

tv specials and documentaries from the

231

00:11:21,110 --> 00:11:18,160

70s and 80s

232

00:11:22,069 --> 00:11:21,120

and sometimes the the plagiarism is very

233

00:11:24,949 --> 00:11:22,079

um

234

00:11:26,150 --> 00:11:24,959

blatant like it's ridiculously blatant

235

00:11:28,310 --> 00:11:26,160

but

236

00:11:30,710 --> 00:11:28,320

we've detailed my favorite example of

237

00:11:33,350 --> 00:11:30,720

that is that we've detailed but we know

238

00:11:35,750 --> 00:11:33,360

from verified sources that jean huff and

239

00:11:39,430 --> 00:11:35,760

bob lazar got all of the billy meyer

240

00:11:43,350 --> 00:11:39,440

material videos tapes copies of photos

241

00:11:46,470 --> 00:11:43,360

billy meyer photos you know uh from john

242

00:11:48,389 --> 00:11:46,480

lear less than a month before bob lazar

243

00:11:50,629 --> 00:11:48,399

came out with his story and the sport

244

00:11:52,310 --> 00:11:50,639

model matches billy myers beam ship

245

00:11:54,710 --> 00:11:52,320

almost exactly

246

00:11:56,629 --> 00:11:54,720

i find that like oh three weeks before

247

00:11:58,389 --> 00:11:56,639

you gotta you know came out with your

248

00:12:01,190 --> 00:11:58,399

story about working on flying saucers

249

00:12:02,710 --> 00:12:01,200

you got all this material from john leer

250

00:12:04,470 --> 00:12:02,720

and the spaceship that you say you

251  
00:12:06,150 --> 00:12:04,480  
worked on looks exactly like the

252  
00:12:07,670 --> 00:12:06,160  
spaceship and the photos that you just

253  
00:12:10,470 --> 00:12:07,680  
got from john lear

254  
00:12:12,790 --> 00:12:10,480  
i i don't find that a coincidence right

255  
00:12:15,030 --> 00:12:12,800  
right and also perhaps especially

256  
00:12:17,269 --> 00:12:15,040  
because john leah really had worked at

257  
00:12:19,509 --> 00:12:17,279  
the nevada test site

258  
00:12:21,829 --> 00:12:19,519  
he was apparently flying

259  
00:12:24,389 --> 00:12:21,839  
um missions over the

260  
00:12:27,030 --> 00:12:24,399  
area to collect air samples because they

261  
00:12:28,710 --> 00:12:27,040  
were concerned about um radioactive

262  
00:12:29,910 --> 00:12:28,720  
material

263  
00:12:31,670 --> 00:12:29,920

you know being released from the

264

00:12:33,750 --> 00:12:31,680

underground tests

265

00:12:37,910 --> 00:12:33,760

so he was part of that but he could have

266

00:12:41,590 --> 00:12:37,920

given lazar a bunch of uh logistical and

267

00:12:43,990 --> 00:12:41,600

operational details about the complex

268

00:12:46,389 --> 00:12:44,000

yeah and there's there's also an on the

269

00:12:48,550 --> 00:12:46,399

record interview i have a copy of it

270

00:12:50,550 --> 00:12:48,560

before before george knapp started

271

00:12:52,710 --> 00:12:50,560

interviewing bob lazar he was

272

00:12:55,829 --> 00:12:52,720

interviewing john lear on a sunday

273

00:12:56,629 --> 00:12:55,839

morning sort of talk show about ufos in

274

00:12:58,790 --> 00:12:56,639

which

275

00:13:01,430 --> 00:12:58,800

john lear laid out a lot of the bob

276

00:13:04,470 --> 00:13:01,440

lazar story that there was hangers there

277

00:13:06,389 --> 00:13:04,480

was nine spacecraft that they have and

278

00:13:08,710 --> 00:13:06,399

and essentially it appears as if bob

279

00:13:10,949 --> 00:13:08,720

lazar just repeated john lear's facts

280

00:13:15,750 --> 00:13:10,959

back to him that he had already spilled

281

00:13:19,590 --> 00:13:17,990

the nap interview with leah was from

282

00:13:22,230 --> 00:13:19,600

1987

283

00:13:25,269 --> 00:13:22,240

and it basically was already it was

284

00:13:28,629 --> 00:13:25,279

basically the lazar story before lazar

285

00:13:30,150 --> 00:13:28,639

and then in 1988 the tv special ufo

286

00:13:32,870 --> 00:13:30,160

cover up live

287

00:13:34,629 --> 00:13:32,880

which had a ton of stuff

288

00:13:36,949 --> 00:13:34,639

yeah i remember the strawberry aliens

289

00:13:37,750 --> 00:13:36,959

like strawberry ice cream

290

00:13:38,550 --> 00:13:37,760

yeah

291

00:13:40,310 --> 00:13:38,560

right

292

00:13:44,310 --> 00:13:40,320

but a bunch of other stuff as well

293

00:13:45,590 --> 00:13:44,320

including the name area 51 was mentioned

294

00:13:47,990 --> 00:13:45,600

and um

295

00:13:49,910 --> 00:13:48,000

what's his name richard dodie was posing

296

00:13:52,150 --> 00:13:49,920

as falcon

297

00:13:54,470 --> 00:13:52,160

yeah with the voice disguiser and and

298

00:13:56,790 --> 00:13:54,480

and yeah the whole thing about that it's

299

00:13:58,870 --> 00:13:56,800

it was silly yeah and then lazar copied

300

00:14:00,870 --> 00:13:58,880

that when he came out as dennis i guess

301  
00:14:03,509 --> 00:14:00,880  
he figured that ufo whistleblowers have

302  
00:14:05,189 --> 00:14:03,519  
to appear in silhouette

303  
00:14:08,629 --> 00:14:05,199  
yeah well usually with the voice

304  
00:14:11,430 --> 00:14:08,639  
disguiser too yeah but eventually he he

305  
00:14:12,230 --> 00:14:11,440  
uh dropped the masquerade

306  
00:14:13,990 --> 00:14:12,240  
which

307  
00:14:15,829 --> 00:14:14,000  
may not have been a good idea because

308  
00:14:18,949 --> 00:14:15,839  
then people could actually look into his

309  
00:14:20,470 --> 00:14:18,959  
real background and recently we

310  
00:14:23,350 --> 00:14:20,480  
so we know that his education is

311  
00:14:24,710 --> 00:14:23,360  
completely and totally made up nonsense

312  
00:14:26,470 --> 00:14:24,720  
and you know one of the things that

313  
00:14:28,470 --> 00:14:26,480

bothers me about the true believers is

314

00:14:31,590 --> 00:14:28,480

they do all these mental gymnastics to

315

00:14:33,030 --> 00:14:31,600

explain why he can't prove that he has

316

00:14:35,910 --> 00:14:33,040

these master's degrees you know the

317

00:14:37,829 --> 00:14:35,920

government erased his records but

318

00:14:39,350 --> 00:14:37,839

michael stratt pointed out correctly so

319

00:14:41,590 --> 00:14:39,360

that in order for the government to do

320

00:14:44,790 --> 00:14:41,600

that they'd have to crawl into every

321

00:14:46,870 --> 00:14:44,800

dusty attic every garage steal every

322

00:14:48,230 --> 00:14:46,880

single person's yearbook from both those

323

00:14:50,949 --> 00:14:48,240

schools

324

00:14:52,870 --> 00:14:50,959

you know sanitize them and and any race

325

00:14:54,230 --> 00:14:52,880

bob zazar or any mention of him and then

326

00:14:55,910 --> 00:14:54,240

put them all back

327

00:14:58,230 --> 00:14:55,920

right you know without anyone noticing

328

00:15:01,829 --> 00:14:58,240

it makes no sense it's just his

329

00:15:03,990 --> 00:15:01,839

education is fake that's just it and

330

00:15:05,829 --> 00:15:04,000

more recently we get the revelation now

331

00:15:08,310 --> 00:15:05,839

that he lied about ever being a

332

00:15:10,710 --> 00:15:08,320

scientist at los alamos so those are two

333

00:15:13,030 --> 00:15:10,720

huge foundational parts of his story

334

00:15:15,110 --> 00:15:13,040

that have just fallen apart and i don't

335

00:15:17,430 --> 00:15:15,120

know where george knapp and

336

00:15:19,350 --> 00:15:17,440

jeremy corbell are on commenting on

337

00:15:21,590 --> 00:15:19,360

those things after all those guys have

338

00:15:23,829 --> 00:15:21,600

made the most money off this story

339

00:15:25,990 --> 00:15:23,839

shouldn't they have to you know explain

340

00:15:28,310 --> 00:15:26,000

why now the story is falling apart after

341

00:15:30,389 --> 00:15:28,320

the big money grabs of the movie in the

342

00:15:31,829 --> 00:15:30,399

book

343

00:15:34,150 --> 00:15:31,839

exactly

344

00:15:35,269 --> 00:15:34,160

and can i just say hi to amy collins who

345

00:15:37,509 --> 00:15:35,279

has um

346

00:15:39,350 --> 00:15:37,519

yeah she sent me she sent me the same

347

00:15:41,670 --> 00:15:39,360

thing and i didn't get to use it i get

348

00:15:43,829 --> 00:15:41,680

sidetracked here uh this

349

00:15:45,910 --> 00:15:43,839

you did a breakdown of the badge being

350

00:15:47,430 --> 00:15:45,920

fake that he yeah and she gave me the

351

00:15:49,509 --> 00:15:47,440

information for that

352

00:15:53,350 --> 00:15:49,519

yes i'm talking about about the nevada

353

00:15:55,910 --> 00:15:53,360

test site and the badges they were using

354

00:15:57,509 --> 00:15:55,920

and also how william cooper um ties into

355

00:15:59,509 --> 00:15:57,519

the story

356

00:16:02,389 --> 00:15:59,519

yeah and i'm i'm referencing here uh

357

00:16:04,550 --> 00:16:02,399

another website uh this is bob this is

358

00:16:05,509 --> 00:16:04,560

michael schratz side by side comparison

359

00:16:07,910 --> 00:16:05,519

of the

360

00:16:10,790 --> 00:16:07,920

beam ship of billy meyer and the bob

361

00:16:12,629 --> 00:16:10,800

lazar so-called sport model i mean it's

362

00:16:15,590 --> 00:16:12,639

almost exact slightly different shape

363

00:16:17,110 --> 00:16:15,600

but same windows same you know

364

00:16:19,910 --> 00:16:17,120

undercarriage

365

00:16:22,310 --> 00:16:19,920

and it's it's the same thing

366

00:16:23,990 --> 00:16:22,320

so and yeah shout out to amy collins who

367

00:16:26,069 --> 00:16:24,000

sent me some of that information as well

368

00:16:29,269 --> 00:16:26,079

that pretty much proves that the so

369

00:16:30,870 --> 00:16:29,279

we've got a fake education a guy

370

00:16:33,670 --> 00:16:30,880

claiming to be a scientist when he was

371

00:16:36,870 --> 00:16:33,680

an electronics technician at los alamos

372

00:16:38,790 --> 00:16:36,880

and the the the

373

00:16:41,990 --> 00:16:38,800

a lot of the stuff that he put forward

374

00:16:43,749 --> 00:16:42,000

as proof of his claims like like a badge

375

00:16:46,150 --> 00:16:43,759

are completely and totally

376

00:16:47,749 --> 00:16:46,160

garbage and bunk

377

00:16:49,350 --> 00:16:47,759

and that is w2

378

00:16:50,629 --> 00:16:49,360

you know really weird showboating

379

00:16:52,310 --> 00:16:50,639

behavior

380

00:16:54,150 --> 00:16:52,320

like um if you see some of the

381

00:16:56,710 --> 00:16:54,160

documentaries and i provide links to

382

00:16:57,829 --> 00:16:56,720

this on my lazar page

383

00:17:00,389 --> 00:16:57,839

um

384

00:17:03,350 --> 00:17:00,399

he was driving around in the 90s with

385

00:17:05,510 --> 00:17:03,360

mj12 license plates on his corvette

386

00:17:07,909 --> 00:17:05,520

yeah even though like he was meant to be

387

00:17:09,510 --> 00:17:07,919

under threat by the government like he

388

00:17:11,990 --> 00:17:09,520

was afraid that they'd assassinate him

389

00:17:13,669 --> 00:17:12,000

or something

390

00:17:15,750 --> 00:17:13,679

yeah

391

00:17:18,390 --> 00:17:15,760

he's somehow still he's somehow still

392

00:17:20,870 --> 00:17:18,400

putting mj 12 right that's way to keep a

393

00:17:22,630 --> 00:17:20,880

low profile right yeah i have seen those

394

00:17:24,710 --> 00:17:22,640

pictures of this corvette

395

00:17:26,630 --> 00:17:24,720

by the way i have the same corvette just

396

00:17:28,630 --> 00:17:26,640

about

397

00:17:31,190 --> 00:17:28,640

it's interesting yeah

398

00:17:32,470 --> 00:17:31,200

that's the real sport model by the way

399

00:17:34,710 --> 00:17:32,480

the corvette

400

00:17:37,270 --> 00:17:34,720

yeah yeah well you know one of the

401  
00:17:39,590 --> 00:17:37,280  
things that is interesting about lazar

402  
00:17:42,789 --> 00:17:39,600  
is that he he's obviously is a very

403  
00:17:45,510 --> 00:17:42,799  
intelligent self-taught science nerd you

404  
00:17:48,230 --> 00:17:45,520  
know he's building hydrogen-powered cars

405  
00:17:50,710 --> 00:17:48,240  
and strapping rockets into cars and

406  
00:17:53,110 --> 00:17:50,720  
bicycles and things like that

407  
00:17:55,430 --> 00:17:53,120  
but you know a self-taught

408  
00:17:57,909 --> 00:17:55,440  
science nerd that's just geeky and into

409  
00:18:00,150 --> 00:17:57,919  
science stuff is not the same thing as a

410  
00:18:02,310 --> 00:18:00,160  
real scientist and it always drives me

411  
00:18:05,110 --> 00:18:02,320  
nuts when articles reference him and

412  
00:18:07,270 --> 00:18:05,120  
they say former government scientist

413  
00:18:10,150 --> 00:18:07,280

because there's no proof he ever worked

414

00:18:12,630 --> 00:18:10,160

for the government or ever worked for

415

00:18:15,110 --> 00:18:12,640

or was ever a scientist

416

00:18:17,350 --> 00:18:15,120

well you know the the thing about his

417

00:18:18,230 --> 00:18:17,360

story like really funny contradiction is

418

00:18:22,549 --> 00:18:18,240

that

419

00:18:25,750 --> 00:18:22,559

maverick scientist

420

00:18:28,070 --> 00:18:25,760

and he he implies that that's why they

421

00:18:29,909 --> 00:18:28,080

got him for the reverse engineering job

422

00:18:31,750 --> 00:18:29,919

but then in some of his interviews he

423

00:18:33,669 --> 00:18:31,760

says that the technology should be in

424

00:18:36,150 --> 00:18:33,679

the hands of the scientific community

425

00:18:38,390 --> 00:18:36,160

instead of people like him who are just

426  
00:18:40,070 --> 00:18:38,400  
like he just called himself a guy in one

427  
00:18:41,909 --> 00:18:40,080  
of those interviews

428  
00:18:44,310 --> 00:18:41,919  
yeah i'm just a guy why do i have all

429  
00:18:45,750 --> 00:18:44,320  
this information that's so important

430  
00:18:47,909 --> 00:18:45,760  
and yeah here we see some of your

431  
00:18:50,950 --> 00:18:47,919  
articles the origins of

432  
00:18:54,150 --> 00:18:50,960  
lazar's s4 security id badge and the

433  
00:18:56,870 --> 00:18:54,160  
roles of john lear and bill cooper

434  
00:18:59,029 --> 00:18:56,880  
yeah this is interesting and this is

435  
00:19:00,870 --> 00:18:59,039  
again from amy collins

436  
00:19:03,430 --> 00:19:00,880  
you give such a great breakdown of all

437  
00:19:04,870 --> 00:19:03,440  
this stuff too uh and amy collins

438  
00:19:06,950 --> 00:19:04,880

contributes

439

00:19:09,190 --> 00:19:06,960

where maybe bob lazar got some of the

440

00:19:11,190 --> 00:19:09,200

ideas for his fake

441

00:19:14,549 --> 00:19:11,200

madge security badge

442

00:19:16,230 --> 00:19:14,559

by the way i showed that badge to

443

00:19:18,150 --> 00:19:16,240

bob lazar's

444

00:19:20,950 --> 00:19:18,160

uh badge to

445

00:19:24,150 --> 00:19:20,960

four people that i can verify actually

446

00:19:26,310 --> 00:19:24,160

worked at area 51 and all of them said i

447

00:19:28,549 --> 00:19:26,320

i've never seen anything like that that

448

00:19:30,870 --> 00:19:28,559

that has nothing to do and and two of

449

00:19:34,310 --> 00:19:30,880

them worked at this

450

00:19:36,310 --> 00:19:34,320

area 51 at the time bob lazar claimed to

451

00:19:38,630 --> 00:19:36,320

using this so-called

452

00:19:41,190 --> 00:19:38,640

security badge

453

00:19:43,029 --> 00:19:41,200

so you know and also i don't know

454

00:19:46,470 --> 00:19:43,039

whether i trust him or not

455

00:19:48,870 --> 00:19:46,480

but um richard doty looked at his and

456

00:19:52,230 --> 00:19:48,880

and also told me no that that's not

457

00:19:54,390 --> 00:19:52,240

right and then richard doty sent me his

458

00:19:56,870 --> 00:19:54,400

real area 51

459

00:19:59,190 --> 00:19:56,880

security badges like he sent me a a

460

00:20:01,270 --> 00:19:59,200

picture of a few of them that he had

461

00:20:02,310 --> 00:20:01,280

from over the years working there

462

00:20:04,470 --> 00:20:02,320

they

463

00:20:06,149 --> 00:20:04,480

this badge has nothing to do with area

464

00:20:08,950 --> 00:20:06,159

51 it's a it's a complete total

465

00:20:11,669 --> 00:20:08,960

fabrication right

466

00:20:13,110 --> 00:20:11,679

exactly and also it says madge on it as

467

00:20:15,110 --> 00:20:13,120

if

468

00:20:17,750 --> 00:20:15,120

you know would advertise its existence

469

00:20:19,430 --> 00:20:17,760

on security badges

470

00:20:22,789 --> 00:20:19,440

yeah that doesn't make any sense but it

471

00:20:23,830 --> 00:20:22,799

sure fits uh the the ufo mythology story

472

00:20:26,149 --> 00:20:23,840

right

473

00:20:27,750 --> 00:20:26,159

yeah trying to kind of insinuate these

474

00:20:29,029 --> 00:20:27,760

stories into his own

475

00:20:31,190 --> 00:20:29,039

and then yeah

476  
00:20:33,510 --> 00:20:31,200  
it's like an emotional hook he tells

477  
00:20:35,909 --> 00:20:33,520  
people i this this stuff is correct you

478  
00:20:39,350 --> 00:20:35,919  
believed it right all the time

479  
00:20:41,590 --> 00:20:39,360  
and um also sort of stoking up the

480  
00:20:43,510 --> 00:20:41,600  
distrusting the government which of

481  
00:20:45,110 --> 00:20:43,520  
course like we should distrust the

482  
00:20:47,190 --> 00:20:45,120  
government to a large extent but the way

483  
00:20:48,950 --> 00:20:47,200  
he does it is to

484  
00:20:51,590 --> 00:20:48,960  
basically say that all the conspiracy

485  
00:20:52,710 --> 00:20:51,600  
theories are right and that

486  
00:20:54,149 --> 00:20:52,720  
you know

487  
00:20:57,029 --> 00:20:54,159  
encourages people to give themselves a

488  
00:20:59,590 --> 00:20:57,039

pat on the back by believing nonsense

489

00:21:01,990 --> 00:20:59,600

yeah and and again it comes into oh you

490

00:21:04,310 --> 00:21:02,000

know you know that majestic 12 you heard

491

00:21:05,830 --> 00:21:04,320

about i'm gonna confirm for you that

492

00:21:08,230 --> 00:21:05,840

that's a real thing

493

00:21:11,029 --> 00:21:08,240

because it's on my security badge and

494

00:21:13,750 --> 00:21:11,039

and the briefings mentioned majestic

495

00:21:15,830 --> 00:21:13,760

and you know uh all of these other

496

00:21:17,990 --> 00:21:15,840

things that like the zeta reticuli thing

497

00:21:20,230 --> 00:21:18,000

oh you heard that aliens came from zeta

498

00:21:22,310 --> 00:21:20,240

reticuli right i'm gonna confirm that

499

00:21:23,750 --> 00:21:22,320

for you with my story

500

00:21:25,830 --> 00:21:23,760

it's it's it's

501  
00:21:28,149 --> 00:21:25,840  
it's a typical tactic that many of these

502  
00:21:31,110 --> 00:21:28,159  
people use like i said they

503  
00:21:33,750 --> 00:21:31,120  
they gotta uh mix in accepted stuff and

504  
00:21:35,669 --> 00:21:33,760  
then add to it with their own

505  
00:21:36,870 --> 00:21:35,679  
with their own bits right

506  
00:21:40,310 --> 00:21:36,880  
right

507  
00:21:42,870 --> 00:21:40,320  
there's also lazar also recounts the um

508  
00:21:45,190 --> 00:21:42,880  
basically the dulce bass story the story

509  
00:21:47,430 --> 00:21:45,200  
about the altercation between the aliens

510  
00:21:48,789 --> 00:21:47,440  
and the security personnel

511  
00:21:52,149 --> 00:21:48,799  
and he also

512  
00:21:55,669 --> 00:21:53,190  
so yeah

513  
00:21:57,029 --> 00:21:55,679

borrowing from the benewits um

514

00:21:59,830 --> 00:21:57,039

mythos

515

00:22:01,830 --> 00:21:59,840

yeah so it seems like he he mixed up

516

00:22:02,950 --> 00:22:01,840

let's see billy meyer betty and barney

517

00:22:03,830 --> 00:22:02,960

hill

518

00:22:07,669 --> 00:22:03,840

uh

519

00:22:08,950 --> 00:22:07,679

majestic 12 documents some stuff from um

520

00:22:10,870 --> 00:22:08,960

ufo

521

00:22:13,270 --> 00:22:10,880

live that

522

00:22:15,350 --> 00:22:13,280

show with dodie

523

00:22:17,029 --> 00:22:15,360

interesting that it's just a mix of

524

00:22:19,510 --> 00:22:17,039

already accepted stuff i suppose the

525

00:22:21,909 --> 00:22:19,520

only thing he added is hey i worked at

526

00:22:23,590 --> 00:22:21,919

area 51 and they they have alien

527

00:22:25,029 --> 00:22:23,600

spacecraft and i worked on back

528

00:22:27,029 --> 00:22:25,039

engineering them

529

00:22:29,430 --> 00:22:27,039

which is again something that people

530

00:22:31,190 --> 00:22:29,440

long believed was taking place but we

531

00:22:32,230 --> 00:22:31,200

didn't have

532

00:22:34,710 --> 00:22:32,240

that much

533

00:22:36,710 --> 00:22:34,720

lens strength field and a few others had

534

00:22:38,830 --> 00:22:36,720

done stuff on crash retrievals saying

535

00:22:41,669 --> 00:22:38,840

that they were back engineering but it

536

00:22:44,789 --> 00:22:41,679

wasn't it wasn't so he brought it to the

537

00:22:47,750 --> 00:22:44,799

forefront right that this idea

538

00:22:50,070 --> 00:22:47,760

right there was actually a 1980 tv

539

00:22:51,590 --> 00:22:50,080

special a part of a series called in

540

00:22:53,430 --> 00:22:51,600

search of

541

00:22:55,190 --> 00:22:53,440

one of the one of the um

542

00:22:57,669 --> 00:22:55,200

see one of the episodes in that year was

543

00:22:59,430 --> 00:22:57,679

about ufos and there was somebody in

544

00:23:02,549 --> 00:22:59,440

silhouette again

545

00:23:04,230 --> 00:23:02,559

calling himself fritz who

546

00:23:05,430 --> 00:23:04,240

he claims that it was taken out into the

547

00:23:07,029 --> 00:23:05,440

desert and that he'd worked at the

548

00:23:09,190 --> 00:23:07,039

nevada test site

549

00:23:12,230 --> 00:23:09,200

and he was in charge of um

550

00:23:16,070 --> 00:23:12,240

he was compartmentalized to work on the

551  
00:23:18,630 --> 00:23:16,080  
propulsion system or the power system

552  
00:23:20,310 --> 00:23:18,640  
and yeah i think lazar probably picked

553  
00:23:22,630 --> 00:23:20,320  
that up or at least like it's so

554  
00:23:23,830 --> 00:23:22,640  
reminiscent of the lazar story that

555  
00:23:25,990 --> 00:23:23,840  
maybe there's some sort of like

556  
00:23:27,750 --> 00:23:26,000  
archetypal

557  
00:23:29,110 --> 00:23:27,760  
thing which people just gravitate

558  
00:23:30,470 --> 00:23:29,120  
towards

559  
00:23:32,630 --> 00:23:30,480  
you know if people are not directly

560  
00:23:34,789 --> 00:23:32,640  
copying each other there has to be some

561  
00:23:36,950 --> 00:23:34,799  
psychologically compelling

562  
00:23:40,390 --> 00:23:36,960  
element going on where the same story

563  
00:23:43,350 --> 00:23:41,510

yeah i've

564

00:23:44,950 --> 00:23:43,360

we've seen it and i've seen this pattern

565

00:23:46,710 --> 00:23:44,960

like i said of these people taking

566

00:23:49,269 --> 00:23:46,720

accepted things

567

00:23:51,190 --> 00:23:49,279

adding to them and people still continue

568

00:23:52,789 --> 00:23:51,200

to do it today you know how many stories

569

00:23:56,149 --> 00:23:52,799

have we heard about

570

00:23:57,750 --> 00:23:56,159

uh aliens in some antarctic base

571

00:23:59,909 --> 00:23:57,760

because that's kind of accepted oh

572

00:24:02,390 --> 00:23:59,919

there's aliens right

573

00:24:05,430 --> 00:24:02,400

yeah linda moulton house up to it again

574

00:24:07,909 --> 00:24:05,440

as well with the aliens in antarctica

575

00:24:10,230 --> 00:24:07,919

i don't know if you've read um

576

00:24:12,070 --> 00:24:10,240

alan steinfeld's book called making

577

00:24:14,310 --> 00:24:12,080

contact

578

00:24:16,870 --> 00:24:14,320

no no i haven't yet but i just got done

579

00:24:18,549 --> 00:24:16,880

reading the greys were framed which you

580

00:24:20,310 --> 00:24:18,559

mentioned in your blog that's a great

581

00:24:23,830 --> 00:24:20,320

book

582

00:24:26,470 --> 00:24:23,840

always looking for new stuff

583

00:24:28,390 --> 00:24:26,480

this one is absolutely hilarious so

584

00:24:30,470 --> 00:24:28,400

i recommend you read it just for the

585

00:24:32,029 --> 00:24:30,480

entertainment value but it's sort of the

586

00:24:34,630 --> 00:24:32,039

quantum woo

587

00:24:36,710 --> 00:24:34,640

inter-dimensional and it tries to link

588

00:24:39,029 --> 00:24:36,720

everything to consciousness as well but

589

00:24:41,830 --> 00:24:39,039

there's a chapter contributed by linda

590

00:24:44,549 --> 00:24:41,840

molten howe in which she basically

591

00:24:47,510 --> 00:24:44,559

admits that she believes in

592

00:24:51,029 --> 00:24:47,520

nazi flying sources in antarctica

593

00:24:53,269 --> 00:24:51,039

and um nordic aliens living underground

594

00:24:55,510 --> 00:24:53,279

in a sort of truce with the

595

00:24:57,269 --> 00:24:55,520

the evens and the reptilians and that

596

00:25:05,909 --> 00:24:57,279

they harvest

597

00:25:13,750 --> 00:25:06,870

yeah

598

00:25:20,310 --> 00:25:13,760

i think

599

00:25:23,029 --> 00:25:20,320

believes anything that somebody tells

600

00:25:25,110 --> 00:25:23,039

her about aliens any story that somebody

601  
00:25:27,269 --> 00:25:25,120  
just tells her she yeah it's got to be

602  
00:25:29,110 --> 00:25:27,279  
true and she runs with it

603  
00:25:32,630 --> 00:25:29,120  
you know we've kind of we've kind of

604  
00:25:34,870 --> 00:25:32,640  
detailed how she used a fake um

605  
00:25:37,029 --> 00:25:34,880  
fake navy seal

606  
00:25:40,230 --> 00:25:37,039  
while it was very popular for a while it

607  
00:25:42,870 --> 00:25:40,240  
put a navy seal in your story after the

608  
00:25:46,149 --> 00:25:42,880  
osama bin laden seal team six

609  
00:25:47,990 --> 00:25:46,159  
popularized these uh mythical right

610  
00:25:50,149 --> 00:25:48,000  
seals right

611  
00:25:51,990 --> 00:25:50,159  
and yeah she runs with just about

612  
00:25:54,470 --> 00:25:52,000  
anything so i'm sure yeah she would

613  
00:25:56,149 --> 00:25:54,480

believe that stuff

614

00:25:59,110 --> 00:25:56,159

no i thought we could get into a little

615

00:26:00,710 --> 00:25:59,120

bit about the element 115

616

00:26:01,830 --> 00:26:00,720

yes because

617

00:26:09,110 --> 00:26:01,840

people

618

00:26:11,830 --> 00:26:09,120

predicting element 115

619

00:26:15,029 --> 00:26:11,840

and the truth is i have a chemistry book

620

00:26:17,110 --> 00:26:15,039

from 1976 i believe which predicts

621

00:26:18,549 --> 00:26:17,120

element 115 will be discovered

622

00:26:20,710 --> 00:26:18,559

eventually

623

00:26:22,549 --> 00:26:20,720

and that's from 1976 but you've got it

624

00:26:24,710 --> 00:26:22,559

even further you have a prediction from

625

00:26:26,950 --> 00:26:24,720

1973

626

00:26:32,230 --> 00:26:26,960

mentioning element 115

627

00:26:34,549 --> 00:26:32,240

one from 1974 75 76 78 79 81

628

00:26:36,710 --> 00:26:34,559

89

629

00:26:38,549 --> 00:26:36,720

a scientific american article

630

00:26:43,510 --> 00:26:38,559

which many people say where he may got

631

00:26:49,190 --> 00:26:45,430

about the island of stability so the

632

00:26:51,669 --> 00:26:49,200

fact that he predicted that element 115

633

00:26:53,110 --> 00:26:51,679

is is shown as proof to some people that

634

00:26:54,390 --> 00:26:53,120

he's telling the truth

635

00:26:56,789 --> 00:26:54,400

what do you think about these claims

636

00:26:59,269 --> 00:26:56,799

given that we have multiple mentions

637

00:27:00,870 --> 00:26:59,279

and predictions of 115 before it and

638

00:27:03,110 --> 00:27:00,880

also the fact that

639

00:27:06,870 --> 00:27:03,120

the 115 he described it was sort of

640

00:27:08,230 --> 00:27:06,880

magical material and this this element

641

00:27:10,710 --> 00:27:08,240

115

642

00:27:12,630 --> 00:27:10,720

has a half-life of a couple milliseconds

643

00:27:14,470 --> 00:27:12,640

in a laboratory it's nothing like he

644

00:27:15,830 --> 00:27:14,480

described right

645

00:27:17,669 --> 00:27:15,840

right so

646

00:27:19,269 --> 00:27:17,679

the ones that have been synthesized the

647

00:27:22,630 --> 00:27:19,279

isotopes that have actually been

648

00:27:25,430 --> 00:27:22,640

synthesized since 2003 they've all got

649

00:27:27,669 --> 00:27:25,440

very short half-lives

650

00:27:29,830 --> 00:27:27,679

and

651  
00:27:32,470 --> 00:27:29,840  
you know as i've mentioned many people

652  
00:27:34,389 --> 00:27:32,480  
were predicting it already

653  
00:27:36,549 --> 00:27:34,399  
i think just a few weeks before

654  
00:27:38,549 --> 00:27:36,559  
his interview with george knapp when he

655  
00:27:40,789 --> 00:27:38,559  
appeared as dennis

656  
00:27:42,389 --> 00:27:40,799  
um the scientific american article came

657  
00:27:45,110 --> 00:27:42,399  
out

658  
00:27:47,990 --> 00:27:45,120  
and that mentioned element 115 it also

659  
00:27:49,190 --> 00:27:48,000  
mentioned element 114

660  
00:27:52,389 --> 00:27:49,200  
which is

661  
00:27:54,389 --> 00:27:52,399  
he also mentioned in a 1990 uh interview

662  
00:27:57,110 --> 00:27:54,399  
with michael linderman

663  
00:27:59,350 --> 00:27:57,120

in a book called um

664

00:28:00,870 --> 00:27:59,360

ufos and the alien presence and he

665

00:28:02,870 --> 00:28:00,880

actually says in that interview that he

666

00:28:05,029 --> 00:28:02,880

can't vouch for the fact that he was

667

00:28:08,310 --> 00:28:05,039

dealing with 115 and that it might have

668

00:28:10,870 --> 00:28:08,320

been 114 instead

669

00:28:13,029 --> 00:28:10,880

yeah so how does he and the other issue

670

00:28:15,430 --> 00:28:13,039

that i've always had is that he

671

00:28:17,750 --> 00:28:15,440

claims that they

672

00:28:19,750 --> 00:28:17,760

they didn't know what this fuel source

673

00:28:21,510 --> 00:28:19,760

was when he got there and he figured it

674

00:28:23,430 --> 00:28:21,520

out and they did it

675

00:28:25,830 --> 00:28:23,440

yes absolutely ridiculous that

676  
00:28:27,590 --> 00:28:25,840  
ridiculous that any scientist before him

677  
00:28:29,510 --> 00:28:27,600  
wouldn't have put the thing

678  
00:28:30,630 --> 00:28:29,520  
the material through the same tests he

679  
00:28:32,789 --> 00:28:30,640  
claimed to

680  
00:28:35,669 --> 00:28:32,799  
and and the other issue that i have is

681  
00:28:38,710 --> 00:28:35,679  
the defenders of bob lazar say

682  
00:28:41,110 --> 00:28:38,720  
well they're still uh working on

683  
00:28:44,870 --> 00:28:41,120  
developing element 115 and there may be

684  
00:28:46,630 --> 00:28:44,880  
a different isotopic ratio that will be

685  
00:28:49,110 --> 00:28:46,640  
the material that will create the

686  
00:28:51,190 --> 00:28:49,120  
material that bob lazar described but

687  
00:28:53,510 --> 00:28:51,200  
bob lazar claimed that he put that

688  
00:28:55,830 --> 00:28:53,520

material through every

689

00:28:57,750 --> 00:28:55,840

conceivable scientific test including a

690

00:29:00,149 --> 00:28:57,760

mass spectrometer

691

00:29:02,630 --> 00:29:00,159

and if that's truly the case he would

692

00:29:05,190 --> 00:29:02,640

know the exact isotopic ratio of that

693

00:29:08,549 --> 00:29:05,200

material right and therefore be able to

694

00:29:10,630 --> 00:29:08,559

produce for us this magic element 115

695

00:29:13,029 --> 00:29:10,640

that has all basically it works like

696

00:29:14,950 --> 00:29:13,039

magic it creates any matter

697

00:29:17,269 --> 00:29:14,960

and then there's a reaction that creates

698

00:29:18,789 --> 00:29:17,279

a hundred percent energy and gravity at

699

00:29:20,870 --> 00:29:18,799

the same time

700

00:29:23,269 --> 00:29:20,880

well he says in the ninth he actually

701  
00:29:25,190 --> 00:29:23,279  
says in the 1990 interview

702  
00:29:26,870 --> 00:29:25,200  
from you can see that in my latest video

703  
00:29:28,389 --> 00:29:26,880  
where i talk about this

704  
00:29:31,830 --> 00:29:28,399  
that um

705  
00:29:33,669 --> 00:29:31,840  
element 115 by itself on a table if you

706  
00:29:34,710 --> 00:29:33,679  
fire a laser at it it'll deflect the

707  
00:29:36,630 --> 00:29:34,720  
laser

708  
00:29:38,549 --> 00:29:36,640  
like from the gravity

709  
00:29:41,430 --> 00:29:38,559  
so he's basically saying that

710  
00:29:44,549 --> 00:29:41,440  
just by itself element 115 has got these

711  
00:29:45,750 --> 00:29:44,559  
incredible gravitational properties

712  
00:29:47,590 --> 00:29:45,760  
and so like how would they even

713  
00:29:50,389 --> 00:29:47,600

manipulate that and then he says that

714

00:29:52,230 --> 00:29:50,399

they machined it at lanl

715

00:29:53,990 --> 00:29:52,240

um but then he also says that you can

716

00:29:55,350 --> 00:29:54,000

indent it with your fingernail because

717

00:29:58,070 --> 00:29:55,360

it's very soft

718

00:29:59,750 --> 00:29:58,080

so why would you need to machine it

719

00:30:01,430 --> 00:29:59,760

yeah that doesn't make any sense and the

720

00:30:02,789 --> 00:30:01,440

other thing that it doesn't really make

721

00:30:04,389 --> 00:30:02,799

any sense about

722

00:30:06,310 --> 00:30:04,399

if it's if it's that high on the

723

00:30:08,230 --> 00:30:06,320

periodic table it you wouldn't be able

724

00:30:10,070 --> 00:30:08,240

to bend it or break it with your finger

725

00:30:12,630 --> 00:30:10,080

i would think it would be it would be

726

00:30:14,310 --> 00:30:12,640

denser than lead right

727

00:30:16,549 --> 00:30:14,320

yeah yeah i think

728

00:30:19,350 --> 00:30:16,559

he says that if you pick it up um you

729

00:30:21,510 --> 00:30:19,360

can lift it and you can tell that it's

730

00:30:23,190 --> 00:30:21,520

it's much heavier than lead

731

00:30:24,950 --> 00:30:23,200

but then he also says that it's got

732

00:30:26,710 --> 00:30:24,960

these incredible gravitational

733

00:30:29,510 --> 00:30:26,720

properties so it's either one or the

734

00:30:35,029 --> 00:30:31,669

yeah and and the fact that it would um

735

00:30:37,269 --> 00:30:35,039

somehow reflect a laser beam

736

00:30:38,870 --> 00:30:37,279

that doesn't make any sense to me but

737

00:30:41,350 --> 00:30:38,880

you know again

738

00:30:43,590 --> 00:30:41,360

it's it's it's a mythical

739

00:30:45,909 --> 00:30:43,600

i think that his element 115 is a

740

00:30:47,830 --> 00:30:45,919

mythical construct of science fiction

741

00:30:50,149 --> 00:30:47,840

stories you know we've got to come up

742

00:30:53,430 --> 00:30:50,159

with a way that we can make this thing

743

00:30:55,190 --> 00:30:53,440

work right it's not running on petrol or

744

00:30:58,470 --> 00:30:55,200

gasoline right

745

00:31:02,389 --> 00:31:00,070

it has to be something kind of just

746

00:31:04,549 --> 00:31:02,399

beyond the reach of current science

747

00:31:07,350 --> 00:31:04,559

so element 115 had not yet been

748

00:31:09,590 --> 00:31:07,360

synthesized but he was talking about how

749

00:31:12,310 --> 00:31:09,600

he actually mentioned element 108 and

750

00:31:13,350 --> 00:31:12,320

109 which had been synthesized at that

751  
00:31:14,870 --> 00:31:13,360  
time

752  
00:31:16,830 --> 00:31:14,880  
by the way those are also mentioned in

753  
00:31:19,750 --> 00:31:16,840  
the scientific american

754  
00:31:22,870 --> 00:31:19,760  
article sure yeah and i've saw alien

755  
00:31:24,389 --> 00:31:22,880  
scientists here an alien scientist is

756  
00:31:27,990 --> 00:31:24,399  
is a person that clued me into that

757  
00:31:29,190 --> 00:31:28,000  
scientific american article in 1989 and

758  
00:31:31,350 --> 00:31:29,200  
he believes

759  
00:31:32,470 --> 00:31:31,360  
just just as we're discussing here that

760  
00:31:34,630 --> 00:31:32,480  
bob lazar

761  
00:31:37,669 --> 00:31:34,640  
being a science nerd he might have read

762  
00:31:39,350 --> 00:31:37,679  
that and that's where he gets this idea

763  
00:31:42,230 --> 00:31:39,360

then i'm going to say that the craft

764

00:31:43,029 --> 00:31:42,240

were made of of you know or powered by

765

00:31:44,070 --> 00:31:43,039

this

766

00:31:46,230 --> 00:31:44,080

mythical

767

00:31:48,470 --> 00:31:46,240

element that doesn't yet actually exist

768

00:31:49,909 --> 00:31:48,480

but soon will you know

769

00:31:52,710 --> 00:31:49,919

yeah

770

00:31:54,389 --> 00:31:52,720

and also interesting is that you know if

771

00:32:00,470 --> 00:31:54,399

if

772

00:32:02,870 --> 00:32:00,480

he should be able to reproduce it very

773

00:32:04,630 --> 00:32:02,880

easily especially because he claims that

774

00:32:06,870 --> 00:32:04,640

he has a uh

775

00:32:09,430 --> 00:32:06,880

a particle accelerator in his backyard

776

00:32:11,509 --> 00:32:09,440

or his bedroom or something right

777

00:32:13,750 --> 00:32:11,519

he's actually able to recreate it

778

00:32:16,470 --> 00:32:13,760

he says that the aliens probably did not

779

00:32:17,990 --> 00:32:16,480

create it themselves

780

00:32:19,909 --> 00:32:18,000

and that they probably got it from a

781

00:32:21,830 --> 00:32:19,919

supernova remnant or from their own

782

00:32:23,430 --> 00:32:21,840

solar system

783

00:32:26,149 --> 00:32:23,440

um even though we don't find any

784

00:32:28,389 --> 00:32:26,159

naturally occurring element 115 anywhere

785

00:32:30,470 --> 00:32:28,399

in our solar system

786

00:32:32,950 --> 00:32:30,480

but he says that probably the aliens did

787

00:32:33,990 --> 00:32:32,960

not use particle accelerators to produce

788

00:32:35,190 --> 00:32:34,000

it

789

00:32:37,750 --> 00:32:35,200

but um

790

00:32:39,509 --> 00:32:37,760

he he says that he also smuggled some

791

00:32:41,990 --> 00:32:39,519

out from

792

00:32:42,789 --> 00:32:42,000

s4 or from lanl or he sort of hints at

793

00:32:47,269 --> 00:32:42,799

that

794

00:32:49,269 --> 00:32:47,279

it was sent to him for further analysis

795

00:32:50,710 --> 00:32:49,279

and george knapp has sort of gotten in

796

00:32:53,190 --> 00:32:50,720

on that as well

797

00:32:55,029 --> 00:32:53,200

yeah there's a famous talk that george

798

00:32:58,230 --> 00:32:55,039

knapp gave i gotta find it again and

799

00:32:59,909 --> 00:32:58,240

clip it out but george knapp said i know

800

00:33:02,470 --> 00:32:59,919

where bob lazar buried some of that

801  
00:33:03,990 --> 00:33:02,480  
element 115 and maybe someday i'll dig

802  
00:33:06,310 --> 00:33:04,000  
it up and

803  
00:33:08,789 --> 00:33:06,320  
the fact that this guy is saying that is

804  
00:33:10,789 --> 00:33:08,799  
so ridiculous because

805  
00:33:12,950 --> 00:33:10,799  
you know this guy has been profiting

806  
00:33:14,750 --> 00:33:12,960  
from this story for 30 years if he had

807  
00:33:17,269 --> 00:33:14,760  
absolute

808  
00:33:20,310 --> 00:33:17,279  
incontrovertible proof of all of bob

809  
00:33:22,470 --> 00:33:20,320  
lazar's claims and that aliens had

810  
00:33:24,630 --> 00:33:22,480  
visited planet earth somehow

811  
00:33:26,149 --> 00:33:24,640  
and he knew where it was

812  
00:33:28,710 --> 00:33:26,159  
what are the odds that he would just sit

813  
00:33:31,190 --> 00:33:28,720

back for 30 years and not

814

00:33:33,750 --> 00:33:31,200

produce that that would be the biggest

815

00:33:36,070 --> 00:33:33,760

story of humanity

816

00:33:37,350 --> 00:33:36,080

exactly so i don't believe him i i don't

817

00:33:39,669 --> 00:33:37,360

believe him

818

00:33:41,509 --> 00:33:39,679

he's the one who said in the lazar tape

819

00:33:43,990 --> 00:33:41,519

um which he sold with

820

00:33:45,909 --> 00:33:44,000

gene hoff back in the day for 30 bucks

821

00:33:47,830 --> 00:33:45,919

the one that you got as a kid

822

00:33:50,870 --> 00:33:47,840

um he said

823

00:33:52,950 --> 00:33:50,880

beginning of that very uh documentary

824

00:33:54,470 --> 00:33:52,960

that he believes that the technology

825

00:33:55,909 --> 00:33:54,480

should be in the hands of the scientific

826  
00:33:57,990 --> 00:33:55,919  
community

827  
00:33:59,750 --> 00:33:58,000  
and yet he's holding back on all this

828  
00:34:02,149 --> 00:33:59,760  
stuff

829  
00:34:04,149 --> 00:34:02,159  
all this knowledge supposedly

830  
00:34:06,389 --> 00:34:04,159  
so it's sort of very strange that these

831  
00:34:08,069 --> 00:34:06,399  
um disclosure people often are

832  
00:34:10,950 --> 00:34:08,079  
celebrated for

833  
00:34:12,950 --> 00:34:10,960  
supposedly sitting on evidence

834  
00:34:14,869 --> 00:34:12,960  
yeah these are the guys that really want

835  
00:34:16,510 --> 00:34:14,879  
us to know the truth about the aliens

836  
00:34:18,470 --> 00:34:16,520  
and even though they may have

837  
00:34:19,750 --> 00:34:18,480  
incontrovertible proof

838  
00:34:21,270 --> 00:34:19,760

they're not going to produce that

839

00:34:22,230 --> 00:34:21,280

they're just going to keep going with

840

00:34:26,230 --> 00:34:22,240

you know

841

00:34:28,149 --> 00:34:26,240

these stories and no evidence because

842

00:34:30,869 --> 00:34:28,159

despite what everybody thinks the entire

843

00:34:32,790 --> 00:34:30,879

story rests on just bob lazar story

844

00:34:34,629 --> 00:34:32,800

there's no

845

00:34:36,950 --> 00:34:34,639

george knapp likes to say well i talked

846

00:34:38,710 --> 00:34:36,960

to people that worked with him and but

847

00:34:40,550 --> 00:34:38,720

they're always anonymous sources and

848

00:34:43,030 --> 00:34:40,560

just trust me dude

849

00:34:44,710 --> 00:34:43,040

that's the that's the line of research

850

00:34:46,470 --> 00:34:44,720

just trust me

851  
00:34:48,550 --> 00:34:46,480  
i i talk to people that corroborate

852  
00:34:50,310 --> 00:34:48,560  
parts of his story over the years

853  
00:34:53,270 --> 00:34:50,320  
well let's why don't you let other

854  
00:34:54,950 --> 00:34:53,280  
researchers talk to them you know

855  
00:34:57,270 --> 00:34:54,960  
george knapp also

856  
00:35:00,310 --> 00:34:57,280  
he actually acknowledged that um lazar

857  
00:35:02,630 --> 00:35:00,320  
probably lied about his master's degrees

858  
00:35:04,470 --> 00:35:02,640  
from caltech and mit so he he

859  
00:35:07,270 --> 00:35:04,480  
acknowledges that lazar is a kind of

860  
00:35:09,190 --> 00:35:07,280  
strange showboating guy

861  
00:35:11,030 --> 00:35:09,200  
um but you know

862  
00:35:12,550 --> 00:35:11,040  
by doing that he's basically shot

863  
00:35:13,910 --> 00:35:12,560

himself in the foot because he's

864

00:35:16,069 --> 00:35:13,920

admitting that lazarus is the sort of

865

00:35:17,990 --> 00:35:16,079

person who would make up a story about

866

00:35:20,069 --> 00:35:18,000

working on flying saucers

867

00:35:23,109 --> 00:35:20,079

yeah i mean yeah if you're gonna see the

868

00:35:26,550 --> 00:35:23,119

whole story begins with a lie to me

869

00:35:29,190 --> 00:35:26,560

because his story starts i was an mit

870

00:35:31,190 --> 00:35:29,200

caltech educated scientist

871

00:35:34,150 --> 00:35:31,200

and i worked at los alamos as a

872

00:35:35,750 --> 00:35:34,160

scientist and then i worked at area 51.

873

00:35:38,470 --> 00:35:35,760

well the first

874

00:35:40,310 --> 00:35:38,480

the opening part of the whole story is

875

00:35:42,470 --> 00:35:40,320

been picked apart now to be completely

876

00:35:44,150 --> 00:35:42,480

totally fake so if he's willing to lie

877

00:35:47,030 --> 00:35:44,160

about those two things why would he not

878

00:35:47,990 --> 00:35:47,040

be willing to lie about the rest of it

879

00:35:49,990 --> 00:35:48,000

right

880

00:35:51,750 --> 00:35:50,000

and then your blog goes into the hand

881

00:35:53,750 --> 00:35:51,760

scanner which i had a big problem with

882

00:35:55,670 --> 00:35:53,760

because jeremy corbell comes out with

883

00:35:57,670 --> 00:35:55,680

this documentary and he claims there's

884

00:35:59,349 --> 00:35:57,680

going to be all kinds of new evidence

885

00:36:01,510 --> 00:35:59,359

proving that bob lazar's telling the

886

00:36:03,670 --> 00:36:01,520

truth and you know we're taking the mic

887

00:36:05,430 --> 00:36:03,680

back you guys you skeptics have had the

888

00:36:07,190 --> 00:36:05,440

mic for 30 years now we're going to

889

00:36:08,150 --> 00:36:07,200

prove bob's telling the truth and the

890

00:36:10,829 --> 00:36:08,160

only

891

00:36:12,870 --> 00:36:10,839

new information is

892

00:36:14,470 --> 00:36:12,880

apparently bob lazar claimed that there

893

00:36:16,790 --> 00:36:14,480

was a hand scanner at one of these

894

00:36:17,750 --> 00:36:16,800

locations he worked and jeremy corbell

895

00:36:19,510 --> 00:36:17,760

found

896

00:36:20,950 --> 00:36:19,520

a similar thing

897

00:36:22,630 --> 00:36:20,960

can you tell us more about the hand

898

00:36:27,109 --> 00:36:22,640

scanner

899

00:36:29,109 --> 00:36:27,119

you know it appeared in

900

00:36:31,349 --> 00:36:29,119

uh close encounters and maybe that's

901  
00:36:33,829 --> 00:36:31,359  
where he saw it first

902  
00:36:35,910 --> 00:36:33,839  
yeah and somebody made a funny video

903  
00:36:37,349 --> 00:36:35,920  
uh where corbell actually says the close

904  
00:36:39,349 --> 00:36:37,359  
encounters is his favorite movie and

905  
00:36:41,829 --> 00:36:39,359  
he's watched it countless times

906  
00:36:43,670 --> 00:36:41,839  
but somehow jeremy corbell didn't catch

907  
00:36:45,190 --> 00:36:43,680  
that that hand scanner was in his

908  
00:36:46,860 --> 00:36:45,200  
favorite movie that he's watched

909  
00:36:48,630 --> 00:36:46,870  
countless times

910  
00:36:51,589 --> 00:36:48,640  
[Music]

911  
00:36:54,790 --> 00:36:51,599  
but the hand scanner was also in um

912  
00:36:56,950 --> 00:36:54,800  
early 1970s electronics catalogs

913  
00:36:59,990 --> 00:36:56,960

such as the one i mentioned there

914

00:37:01,349 --> 00:37:00,000

lazar may have seen that at some point

915

00:37:03,349 --> 00:37:01,359

even though it was just a kid at that

916

00:37:05,349 --> 00:37:03,359

point but maybe he was already like an

917

00:37:06,829 --> 00:37:05,359

electronics enthusiast

918

00:37:09,910 --> 00:37:06,839

or was interested in

919

00:37:12,870 --> 00:37:09,920

electronics or um

920

00:37:15,589 --> 00:37:12,880

actually this does kind of tie into

921

00:37:17,990 --> 00:37:15,599

the nevada test site complex a little

922

00:37:20,470 --> 00:37:18,000

bit because apparently the hand scanners

923

00:37:21,510 --> 00:37:20,480

really were used at toner part test

924

00:37:23,910 --> 00:37:21,520

range

925

00:37:24,710 --> 00:37:23,920

in the 1980s

926

00:37:26,150 --> 00:37:24,720

so

927

00:37:28,870 --> 00:37:26,160

he may have gotten that from jim

928

00:37:32,550 --> 00:37:28,880

tagliani who was his friend who was

929

00:37:37,750 --> 00:37:35,510

yeah yeah and again we see that he's

930

00:37:39,829 --> 00:37:37,760

he's compiling to me

931

00:37:41,829 --> 00:37:39,839

if you step back and and and have some

932

00:37:44,150 --> 00:37:41,839

perspective into the story

933

00:37:46,150 --> 00:37:44,160

once once you do adequate research you

934

00:37:48,790 --> 00:37:46,160

start to see that he is

935

00:37:50,630 --> 00:37:48,800

he is cherry picking and this is my

936

00:37:53,430 --> 00:37:50,640

opinion and speculation but bob is

937

00:37:56,390 --> 00:37:53,440

cherry picking parts of his story all

938

00:37:58,230 --> 00:37:56,400

around him you know and here we see this

939

00:38:00,950 --> 00:37:58,240

hand scanner and another problem that i

940

00:38:02,230 --> 00:38:00,960

have is that jeremy corbell just shows

941

00:38:04,150 --> 00:38:02,240

him the picture

942

00:38:06,390 --> 00:38:04,160

like is this the hand scanner and he's

943

00:38:07,990 --> 00:38:06,400

like yeah like why didn't he show him 10

944

00:38:09,270 --> 00:38:08,000

different hand scanners and make him

945

00:38:11,589 --> 00:38:09,280

pick the one

946

00:38:12,310 --> 00:38:11,599

that he worked at or or something you

947

00:38:13,430 --> 00:38:12,320

know

948

00:38:15,190 --> 00:38:13,440

other than just

949

00:38:17,510 --> 00:38:15,200

let's confirm something you already said

950

00:38:20,310 --> 00:38:17,520

because i found a picture of it you know

951  
00:38:21,910 --> 00:38:20,320  
yes good point it is a strange and

952  
00:38:24,550 --> 00:38:21,920  
interesting technology though because

953  
00:38:27,430 --> 00:38:24,560  
apparently this hand scanner measures

954  
00:38:30,069 --> 00:38:27,440  
the bones in your hand down to microns

955  
00:38:32,790 --> 00:38:30,079  
or millimeters so that it can identify

956  
00:38:35,670 --> 00:38:32,800  
exactly what person is accessing a

957  
00:38:37,910 --> 00:38:35,680  
certain site by their hand

958  
00:38:39,510 --> 00:38:37,920  
the young's very good they were not all

959  
00:38:42,069 --> 00:38:39,520  
that reliable though and they were

960  
00:38:43,510 --> 00:38:42,079  
eventually discontinued at tonopah

961  
00:38:45,829 --> 00:38:43,520  
because they kept

962  
00:38:47,270 --> 00:38:45,839  
they kept disallowing the workers who

963  
00:38:49,430 --> 00:38:47,280

were working on the

964

00:38:51,990 --> 00:38:49,440

stealth fighters you know the skin the

965

00:38:53,030 --> 00:38:52,000

stealth absorbent the radar absorbent

966

00:38:54,950 --> 00:38:53,040

paint

967

00:38:57,670 --> 00:38:54,960

um they were by the way they were called

968

00:38:59,349 --> 00:38:57,680

martians because it's some acronym

969

00:39:00,630 --> 00:38:59,359

but they weren't

970

00:39:03,270 --> 00:39:00,640

for the um

971

00:39:05,910 --> 00:39:03,280

the f-117 like the skin

972

00:39:07,910 --> 00:39:05,920

and the the machines kept on denying

973

00:39:10,470 --> 00:39:07,920

them entry so like they eventually

974

00:39:12,710 --> 00:39:10,480

discontinued them

975

00:39:13,829 --> 00:39:12,720

yeah i would think that retinal scanners

976

00:39:16,230 --> 00:39:13,839

may

977

00:39:17,630 --> 00:39:16,240

uh better technology that would replace

978

00:39:20,230 --> 00:39:17,640

this sort of

979

00:39:22,069 --> 00:39:20,240

1970s you know

980

00:39:24,630 --> 00:39:22,079

and and to me this hand scanner thing

981

00:39:26,950 --> 00:39:24,640

being proof it's not proof of anything

982

00:39:29,510 --> 00:39:26,960

it's it's he's saying that they used a

983

00:39:31,109 --> 00:39:29,520

hand scanner oh well we we found that

984

00:39:33,030 --> 00:39:31,119

they did use a hand scanner at some

985

00:39:35,190 --> 00:39:33,040

government locations

986

00:39:36,550 --> 00:39:35,200

that that's not proof to me i i don't

987

00:39:40,150 --> 00:39:36,560

know

988

00:39:42,630 --> 00:39:40,160

tagliani there's a

989

00:39:44,470 --> 00:39:42,640

readily available source that he could

990

00:39:45,190 --> 00:39:44,480

have gotten it from

991

00:39:47,910 --> 00:39:45,200

and

992

00:39:50,310 --> 00:39:47,920

tagliani may also have hinted at an s a

993

00:39:52,870 --> 00:39:50,320

site four at tonopah because some old

994

00:39:55,109 --> 00:39:52,880

maps of the facility they show at site

995

00:39:57,750 --> 00:39:55,119

four so he may also have furnished lazar

996

00:39:59,910 --> 00:39:57,760

with some upper some other operational

997

00:40:01,990 --> 00:39:59,920

or logistical details

998

00:40:04,470 --> 00:40:02,000

yeah and we see so we see so many

999

00:40:07,270 --> 00:40:04,480

mentions of these hand scanners in old

1000

00:40:09,030 --> 00:40:07,280

magazines newspaper articles

1001  
00:40:11,190 --> 00:40:09,040  
that you know the fact that he knew

1002  
00:40:12,069 --> 00:40:11,200  
about a hand scanner again to me it's

1003  
00:40:16,470 --> 00:40:12,079  
just

1004  
00:40:17,670 --> 00:40:16,480  
and and again the mr corbell saying

1005  
00:40:19,430 --> 00:40:17,680  
we're going to have all this new

1006  
00:40:21,510 --> 00:40:19,440  
evidence proven bob lazar's telling the

1007  
00:40:22,790 --> 00:40:21,520  
truth and i guess the only new evidence

1008  
00:40:24,390 --> 00:40:22,800  
he had was

1009  
00:40:30,150 --> 00:40:24,400  
we found a picture of a hand scanner

1010  
00:40:31,910 --> 00:40:31,190  
yeah

1011  
00:40:35,190 --> 00:40:31,920  
so

1012  
00:40:36,710 --> 00:40:35,200  
you you detailed a lot a lot more things

1013  
00:40:39,349 --> 00:40:36,720

on your site we talked about the

1014

00:40:40,550 --> 00:40:39,359

references to zeta reticuli

1015

00:40:42,550 --> 00:40:40,560

um

1016

00:40:45,030 --> 00:40:42,560

the the explosion from cutting into the

1017

00:40:47,270 --> 00:40:45,040

alien reactor story i i love that

1018

00:40:49,030 --> 00:40:47,280

because that was copied from actual you

1019

00:40:50,790 --> 00:40:49,040

detail this and i found this as well it

1020

00:40:53,990 --> 00:40:50,800

was copied from actual

1021

00:40:56,150 --> 00:40:54,000

incidents in 1945 and 1946 known as the

1022

00:40:58,069 --> 00:40:56,160

demon core incidents can we talk about

1023

00:40:59,349 --> 00:40:58,079

that for a bit

1024

00:41:03,349 --> 00:40:59,359

those were

1025

00:41:05,190 --> 00:41:03,359

incidents where the technicians uh

1026

00:41:07,990 --> 00:41:05,200

fumbled on something

1027

00:41:09,430 --> 00:41:08,000

and it exposed them to radiation

1028

00:41:10,950 --> 00:41:09,440

and um

1029

00:41:12,870 --> 00:41:10,960

they did a

1030

00:41:15,109 --> 00:41:12,880

reconstruction of that when they were

1031

00:41:16,790 --> 00:41:15,119

reconstructing the incident

1032

00:41:19,270 --> 00:41:16,800

to kind of come up with better safety

1033

00:41:20,870 --> 00:41:19,280

protocols and it looked you know very

1034

00:41:23,589 --> 00:41:20,880

similar to lazar's

1035

00:41:25,349 --> 00:41:23,599

the alien core like all the the lid for

1036

00:41:27,270 --> 00:41:25,359

it where you insert the

1037

00:41:29,430 --> 00:41:27,280

element 115.

1038

00:41:31,829 --> 00:41:29,440

but that was a well-known incident the

1039

00:41:34,069 --> 00:41:31,839

demon core to anybody who's

1040

00:41:36,230 --> 00:41:34,079

you know interested in nuclear physics

1041

00:41:38,230 --> 00:41:36,240

or nuclear history

1042

00:41:39,910 --> 00:41:38,240

yeah also

1043

00:41:42,150 --> 00:41:39,920

the adamski um

1044

00:41:43,990 --> 00:41:42,160

yeah this is another thing and you know

1045

00:41:46,870 --> 00:41:44,000

uh solar marshall is here in the live

1046

00:41:49,589 --> 00:41:46,880

chat and an alien scientist as well they

1047

00:41:51,670 --> 00:41:49,599

actually found where damski got the

1048

00:41:52,390 --> 00:41:51,680

parts to make this from it was actually

1049

00:41:54,550 --> 00:41:52,400

from

1050

00:41:57,109 --> 00:41:54,560

like a gas lantern

1051  
00:41:59,510 --> 00:41:57,119  
you know like a oil lamp it was the top

1052  
00:42:01,510 --> 00:41:59,520  
of an oil lamp that he then apparently

1053  
00:42:03,430 --> 00:42:01,520  
glued extra bits onto but they got it

1054  
00:42:05,910 --> 00:42:03,440  
down to like

1055  
00:42:07,670 --> 00:42:05,920  
uh side by side comparison so adamski

1056  
00:42:08,790 --> 00:42:07,680  
comes up with this

1057  
00:42:11,670 --> 00:42:08,800  
uh

1058  
00:42:13,670 --> 00:42:11,680  
as his you know these aliens that look

1059  
00:42:16,470 --> 00:42:13,680  
like people that come from saturn which

1060  
00:42:19,270 --> 00:42:16,480  
is impossible

1061  
00:42:22,309 --> 00:42:19,280  
and they have these balls on the bottom

1062  
00:42:23,190 --> 00:42:22,319  
kind of like bob lazar's reactor right

1063  
00:42:24,950 --> 00:42:23,200

yeah

1064

00:42:26,150 --> 00:42:24,960

and in fact the there's an adamski

1065

00:42:28,790 --> 00:42:26,160

connection

1066

00:42:31,510 --> 00:42:28,800

in in another way as well which is that

1067

00:42:33,990 --> 00:42:31,520

adamski probably inspired billy meyer

1068

00:42:35,750 --> 00:42:34,000

who also constructed like fake you know

1069

00:42:37,430 --> 00:42:35,760

dinner plate and

1070

00:42:38,950 --> 00:42:37,440

uh trash can

1071

00:42:40,710 --> 00:42:38,960

yeah

1072

00:42:41,589 --> 00:42:40,720

christmas decorations and stuff like

1073

00:42:43,589 --> 00:42:41,599

that

1074

00:42:46,230 --> 00:42:43,599

and he also mentions like the nordic

1075

00:42:47,270 --> 00:42:46,240

aliens like the plagiarisms

1076

00:42:50,550 --> 00:42:47,280

um

1077

00:42:52,309 --> 00:42:50,560

and obviously lazarus copied the beam ship

1078

00:42:55,589 --> 00:42:52,319

the type one beam ship

1079

00:42:57,349 --> 00:42:55,599

as his sport model

1080

00:42:59,349 --> 00:42:57,359

he also actually copied a bunch of other

1081

00:43:00,870 --> 00:42:59,359

stuff from maya like maya was talking

1082

00:43:02,950 --> 00:43:00,880

about how the

1083

00:43:04,550 --> 00:43:02,960

the scout ships were sort of unstable at

1084

00:43:06,630 --> 00:43:04,560

low speed because they were following

1085

00:43:08,390 --> 00:43:06,640

the earth's gravity

1086

00:43:09,910 --> 00:43:08,400

and lizards was a very similar thing

1087

00:43:12,150 --> 00:43:09,920

that like the

1088

00:43:13,829 --> 00:43:12,160

the the gravity of the the craft

1089

00:43:15,990 --> 00:43:13,839

interacts with the gravity of the earth

1090

00:43:17,670 --> 00:43:16,000

and that's why it sort of wobbles at low

1091

00:43:19,270 --> 00:43:17,680

speed

1092

00:43:22,230 --> 00:43:19,280

yeah and also

1093

00:43:24,550 --> 00:43:22,240

i found a breakdown by billy meyer of

1094

00:43:25,750 --> 00:43:24,560

how the craft his beam ship craft

1095

00:43:28,309 --> 00:43:25,760

operate

1096

00:43:30,710 --> 00:43:28,319

and again it's an anti-matter reactor

1097

00:43:33,270 --> 00:43:30,720

that's what billy meyer said and that is

1098

00:43:35,990 --> 00:43:33,280

what bob lazar said

1099

00:43:38,349 --> 00:43:36,000

and also the electromagnetic aspect

1100

00:43:40,069 --> 00:43:38,359

lazar says that electro

1101

00:43:41,750 --> 00:43:40,079

electromagnetism and gravity are

1102

00:43:44,710 --> 00:43:41,760

basically the same thing

1103

00:43:47,829 --> 00:43:44,720

and meyer also said that

1104

00:43:50,309 --> 00:43:47,839

yeah and and we talked earlier about how

1105

00:43:53,349 --> 00:43:50,319

babazar supporters always say that his

1106

00:43:54,950 --> 00:43:53,359

story never changes but in 2019 we got a

1107

00:43:56,950 --> 00:43:54,960

new huge part

1108

00:43:59,910 --> 00:43:56,960

i thought this was a huge new part of

1109

00:44:01,270 --> 00:43:59,920

the story babazar claimed suddenly he

1110

00:44:03,270 --> 00:44:01,280

used to say

1111

00:44:04,710 --> 00:44:03,280

he didn't know where the craft came from

1112

00:44:06,390 --> 00:44:04,720

they didn't tell him

1113

00:44:09,109 --> 00:44:06,400

he didn't know if they were captured

1114

00:44:10,870 --> 00:44:09,119  
recovered or given to humans

1115

00:44:13,349 --> 00:44:10,880  
that's what he used to say

1116

00:44:14,790 --> 00:44:13,359  
suddenly he's on the joe rogan show

1117

00:44:17,430 --> 00:44:14,800  
and he says

1118

00:44:19,589 --> 00:44:17,440  
that the spacecraft

1119

00:44:22,309 --> 00:44:19,599  
came from archaeological digs so can you

1120

00:44:25,109 --> 00:44:22,319  
tell us what you found about that

1121

00:44:28,230 --> 00:44:25,119  
so that's probably derived from

1122

00:44:29,910 --> 00:44:28,240  
ancient aliens lore

1123

00:44:33,030 --> 00:44:29,920  
and um

1124

00:44:35,829 --> 00:44:34,309  
well there's a bunch of stuff like it

1125

00:44:38,309 --> 00:44:35,839  
could have come from many places like

1126

00:44:40,230 --> 00:44:38,319

there were movies in the 1960s

1127

00:44:41,430 --> 00:44:40,240

yeah here i can i can read some of this

1128

00:44:43,910 --> 00:44:41,440

i'm sorry i don't want to put you on the

1129

00:44:45,589 --> 00:44:43,920

spot you've got perfect uh

1130

00:44:47,910 --> 00:44:45,599

perfect here

1131

00:44:50,230 --> 00:44:47,920

uh you say uh

1132

00:44:53,109 --> 00:44:50,240

likely it came from ancient astronaut

1133

00:44:55,750 --> 00:44:53,119

ideas of eric van dynegan's thoroughly

1134

00:44:57,349 --> 00:44:55,760

discredited 1968 book chariots of the

1135

00:44:59,589 --> 00:44:57,359

gods which was also made into a

1136

00:45:01,670 --> 00:44:59,599

documentary which was put forth the

1137

00:45:03,910 --> 00:45:01,680

ancient astronauts hypothesis for

1138

00:45:05,910 --> 00:45:03,920

extraterrestrial visitation during

1139

00:45:07,030 --> 00:45:05,920

antiquity and the work of zachariah

1140

00:45:09,910 --> 00:45:07,040

sitchin

1141

00:45:12,069 --> 00:45:09,920

um another ancient astronaut's proponent

1142

00:45:14,390 --> 00:45:12,079

it could even be drawn from 1987 novel

1143

00:45:17,270 --> 00:45:14,400

by stephen king titled the tommyknockers

1144

00:45:18,390 --> 00:45:17,280

or the well-known 1982 sci-fi film the

1145

00:45:20,069 --> 00:45:18,400

thing

1146

00:45:22,150 --> 00:45:20,079

but both these stories deal with alien

1147

00:45:24,550 --> 00:45:22,160

intelligences that have been unearthed

1148

00:45:26,390 --> 00:45:24,560

and re-animated by people stumbling upon

1149

00:45:28,950 --> 00:45:26,400

them the thing even has a scene in which

1150

00:45:31,109 --> 00:45:28,960

there's an alien flying saucer that was

1151  
00:45:32,710 --> 00:45:31,119  
excavated from the ice and is reputed to

1152  
00:45:35,270 --> 00:45:32,720  
have been buried for over a hundred

1153  
00:45:37,270 --> 00:45:35,280  
thousand years

1154  
00:45:39,430 --> 00:45:37,280  
so there again we have him sort of

1155  
00:45:41,430 --> 00:45:39,440  
taking ideas perhaps from popular

1156  
00:45:43,910 --> 00:45:41,440  
culture and weaving it into his story

1157  
00:45:45,670 --> 00:45:43,920  
and hey this is a new part of the story

1158  
00:45:47,190 --> 00:45:45,680  
before i always said i didn't know where

1159  
00:45:48,230 --> 00:45:47,200  
they got the craft now i'm going to tell

1160  
00:45:50,230 --> 00:45:48,240  
you

1161  
00:45:52,870 --> 00:45:50,240  
uh that they came from an archaeological

1162  
00:45:55,829 --> 00:45:52,880  
dig that's a big flip in the story or

1163  
00:45:57,510 --> 00:45:55,839

change in his story

1164

00:46:01,109 --> 00:45:57,520

there's also no evidence that anybody

1165

00:46:02,630 --> 00:46:01,119

ever dug up a craft like there's no none

1166

00:46:04,950 --> 00:46:02,640

of the people who are doing the digging

1167

00:46:07,109 --> 00:46:04,960

or any of the archaeologists have ever

1168

00:46:08,950 --> 00:46:07,119

come forward

1169

00:46:10,470 --> 00:46:08,960

right to talk yeah and that's always a

1170

00:46:12,790 --> 00:46:10,480

problem that i've had with some of these

1171

00:46:14,950 --> 00:46:12,800

stories in that

1172

00:46:15,829 --> 00:46:14,960

somebody taking part in an event like

1173

00:46:19,750 --> 00:46:15,839

that

1174

00:46:22,390 --> 00:46:19,760

person would keep their mouth shut about

1175

00:46:23,430 --> 00:46:22,400

the greatest discovery in human history

1176

00:46:25,190 --> 00:46:23,440

right

1177

00:46:26,470 --> 00:46:25,200

zero

1178

00:46:28,790 --> 00:46:26,480

exactly

1179

00:46:30,470 --> 00:46:28,800

you know that old saying there's only if

1180

00:46:32,390 --> 00:46:30,480

two people know a secret there's only

1181

00:46:33,990 --> 00:46:32,400

one way to keep it and that's to kill

1182

00:46:36,390 --> 00:46:34,000

one you know

1183

00:46:38,150 --> 00:46:36,400

that it just doesn't it doesn't make any

1184

00:46:40,470 --> 00:46:38,160

sense to me and another thing that never

1185

00:46:42,790 --> 00:46:40,480

made any sense to me is that nobody

1186

00:46:45,510 --> 00:46:42,800

he said there was 22 people or something

1187

00:46:46,710 --> 00:46:45,520

at area s4

1188

00:46:49,030 --> 00:46:46,720

they're the only people that had the

1189

00:46:51,109 --> 00:46:49,040

clearance to to work on the spacecraft

1190

00:46:53,990 --> 00:46:51,119

so that that means there's 21 people out

1191

00:46:55,990 --> 00:46:54,000

there that for 30 years have kept 100

1192

00:46:58,550 --> 00:46:56,000

percent of the secrets the only one to

1193

00:47:00,790 --> 00:46:58,560

spill the beans was bob lazar

1194

00:47:03,270 --> 00:47:00,800

i don't find that to be a credible

1195

00:47:05,190 --> 00:47:03,280

i i would think that after he came out

1196

00:47:08,230 --> 00:47:05,200

other people would come out and say yeah

1197

00:47:10,390 --> 00:47:08,240

i saw it too if it was a true story

1198

00:47:12,790 --> 00:47:10,400

especially if his uh

1199

00:47:14,630 --> 00:47:12,800

if he credits the cash landrum incident

1200

00:47:16,710 --> 00:47:14,640

from 1980 as an actual

1201

00:47:18,390 --> 00:47:16,720

government-operated ufo

1202

00:47:19,990 --> 00:47:18,400

that would take a huge industrial

1203

00:47:21,270 --> 00:47:20,000

infrastructure to build something like

1204

00:47:22,390 --> 00:47:21,280

that

1205

00:47:25,430 --> 00:47:22,400

and you know if you're already

1206

00:47:27,829 --> 00:47:25,440

manipulating gravity

1207

00:47:30,470 --> 00:47:27,839

um like how does he think that that was

1208

00:47:33,270 --> 00:47:30,480

done if they didn't already know

1209

00:47:35,430 --> 00:47:33,280

intricate details about the

1210

00:47:36,470 --> 00:47:35,440

sport model or other ufos that they'd

1211

00:47:38,150 --> 00:47:36,480

captured

1212

00:47:39,990 --> 00:47:38,160

including the element that it was

1213

00:47:42,390 --> 00:47:40,000

running from

1214

00:47:44,470 --> 00:47:42,400

yeah and and your blog also details this

1215

00:47:46,630 --> 00:47:44,480

point that i always like to hammer and

1216

00:47:48,630 --> 00:47:46,640

that is lazarus claimed that soviet

1217

00:47:51,190 --> 00:47:48,640

scientists were invited to take part in

1218

00:47:52,710 --> 00:47:51,200

the reverse engineering program now

1219

00:47:54,790 --> 00:47:52,720

there's a few reasons that i have a

1220

00:47:58,630 --> 00:47:54,800

problem with this and that is first of

1221

00:48:00,390 --> 00:47:58,640

all if this is 1987 to 1989 or whatever

1222

00:48:02,390 --> 00:48:00,400

in that time frame

1223

00:48:04,870 --> 00:48:02,400

this would be the height the absolute

1224

00:48:05,670 --> 00:48:04,880

height of the cold war

1225

00:48:08,069 --> 00:48:05,680

and

1226

00:48:09,510 --> 00:48:08,079

at the at that same time the united

1227

00:48:12,630 --> 00:48:09,520

states was developing all of this

1228

00:48:14,390 --> 00:48:12,640

stealth technology at area 51.

1229

00:48:17,030 --> 00:48:14,400

you know i asked a bunch of people that

1230

00:48:19,670 --> 00:48:17,040

i'm sure worked at area 51 would they

1231

00:48:22,870 --> 00:48:19,680

let soviet scientists anywhere near area

1232

00:48:25,829 --> 00:48:22,880

51 and they all laughed and said no way

1233

00:48:28,549 --> 00:48:25,839

on god's green earth would they let even

1234

00:48:31,670 --> 00:48:28,559

somebody with ties to the soviet union

1235

00:48:34,230 --> 00:48:31,680

or family in the soviet they were hyper

1236

00:48:35,750 --> 00:48:34,240

paranoid about security and keeping

1237

00:48:38,069 --> 00:48:35,760

whatever it is that they're working on

1238

00:48:40,309 --> 00:48:38,079

at area 51 completely and totally secret

1239

00:48:42,470 --> 00:48:40,319

from their greatest adversary so the

1240

00:48:44,710 --> 00:48:42,480

fact that bob just flippantly says yeah

1241

00:48:46,230 --> 00:48:44,720

that we had these soviet scientists here

1242

00:48:49,190 --> 00:48:46,240

working with us but then they got

1243

00:48:51,190 --> 00:48:49,200

ejected somehow it doesn't make any

1244

00:48:53,670 --> 00:48:51,200

sense whatsoever right

1245

00:48:56,309 --> 00:48:53,680

it's also kind of insulting to the

1246

00:48:58,150 --> 00:48:56,319

people who actually work there

1247

00:49:02,390 --> 00:48:58,160

yeah

1248

00:49:04,870 --> 00:49:02,400

people are expected to believe that it's

1249

00:49:06,390 --> 00:49:04,880

the most top-secret government facility

1250

00:49:08,790 --> 00:49:06,400

in the united states

1251  
00:49:10,950 --> 00:49:08,800  
and we're going to let scientists from

1252  
00:49:13,430 --> 00:49:10,960  
our greatest adversary work with us on a

1253  
00:49:16,390 --> 00:49:13,440  
project involving

1254  
00:49:18,470 --> 00:49:16,400  
the the greatest technology we've ever

1255  
00:49:19,990 --> 00:49:18,480  
discovered right

1256  
00:49:22,470 --> 00:49:20,000  
right

1257  
00:49:24,549 --> 00:49:22,480  
but i guess lazar is also simultaneously

1258  
00:49:27,109 --> 00:49:24,559  
saying that the government

1259  
00:49:28,790 --> 00:49:27,119  
didn't really care about this super

1260  
00:49:31,430 --> 00:49:28,800  
advanced technology because they only

1261  
00:49:33,589 --> 00:49:31,440  
assigned 22 people to it

1262  
00:49:35,589 --> 00:49:33,599  
which itself doesn't make them

1263  
00:49:38,630 --> 00:49:35,599

that makes no there's more than 22

1264

00:49:40,710 --> 00:49:38,640

people working on like the tires on an

1265

00:49:42,710 --> 00:49:40,720

aircraft that they're developing do you

1266

00:49:44,549 --> 00:49:42,720

know what i mean like that's what that

1267

00:49:47,190 --> 00:49:44,559

was described to me by

1268

00:49:50,390 --> 00:49:47,200

an aerospace engineer who for sure

1269

00:49:52,470 --> 00:49:50,400

worked uh on some of secret projects

1270

00:49:55,589 --> 00:49:52,480

there and he told me there'd be more

1271

00:49:57,750 --> 00:49:55,599

than 22 people working on just something

1272

00:50:00,069 --> 00:49:57,760

stupid like the tires or the nuts and

1273

00:50:01,589 --> 00:50:00,079

the bolts or the rivets of an aircraft

1274

00:50:03,349 --> 00:50:01,599

we're developing

1275

00:50:04,150 --> 00:50:03,359

so the fact that this is supposed to be

1276

00:50:09,430 --> 00:50:04,160

the

1277

00:50:12,069 --> 00:50:09,440

we're going to back engineer it but

1278

00:50:15,190 --> 00:50:12,079

we're only going to put 22 people on it

1279

00:50:17,510 --> 00:50:15,200

that doesn't make any sense

1280

00:50:18,950 --> 00:50:17,520

now i heard you give some mention to

1281

00:50:21,829 --> 00:50:18,960

this recent

1282

00:50:23,750 --> 00:50:21,839

um we we got in this big argument over

1283

00:50:26,309 --> 00:50:23,760

this uh person that

1284

00:50:28,549 --> 00:50:26,319

decided that they discovered s4 because

1285

00:50:30,870 --> 00:50:28,559

we first let's talk about there's been

1286

00:50:32,630 --> 00:50:30,880

right there's been recent flyovers

1287

00:50:34,950 --> 00:50:32,640

allowed of papoose lake that show

1288

00:50:35,829 --> 00:50:34,960

there's absolutely nothing there

1289

00:50:37,750 --> 00:50:35,839

right but

1290

00:50:40,549 --> 00:50:37,760

someone found

1291

00:50:43,109 --> 00:50:40,559

a site that was supposedly labeled s4

1292

00:50:46,470 --> 00:50:43,119

research facility not far from where bob

1293

00:50:48,549 --> 00:50:46,480

said it was but nowhere near really and

1294

00:50:51,349 --> 00:50:48,559

to some people like third phase of moon

1295

00:50:53,190 --> 00:50:51,359

and and others um this is completely and

1296

00:50:55,109 --> 00:50:53,200

totally

1297

00:50:57,510 --> 00:50:55,119

you know proof that bob lazar was

1298

00:50:59,829 --> 00:50:57,520

telling the truth there is an s4 there

1299

00:51:01,190 --> 00:50:59,839

but we did these experiments where we

1300

00:51:03,510 --> 00:51:01,200

could label

1301  
00:51:05,990 --> 00:51:03,520  
anything anything we want even with a

1302  
00:51:09,190 --> 00:51:06,000  
government pin but those guys wouldn't

1303  
00:51:11,109 --> 00:51:09,200  
accept that they kept arguing with us

1304  
00:51:12,710 --> 00:51:11,119  
what do you think of this person that

1305  
00:51:14,549 --> 00:51:12,720  
claimed that and by the way that person

1306  
00:51:16,549 --> 00:51:14,559  
was very problematic due to a criminal

1307  
00:51:19,109 --> 00:51:16,559  
past and drug history and

1308  
00:51:21,190 --> 00:51:19,119  
all kinds of uh i would say ethical and

1309  
00:51:23,829 --> 00:51:21,200  
moral problems that indicate you

1310  
00:51:25,430 --> 00:51:23,839  
shouldn't believe anything he says

1311  
00:51:28,069 --> 00:51:25,440  
you know he

1312  
00:51:29,109 --> 00:51:28,079  
he posted it a year before on a reddit

1313  
00:51:31,510 --> 00:51:29,119

site

1314

00:51:33,030 --> 00:51:31,520

then a year later he makes a big video

1315

00:51:34,630 --> 00:51:33,040

about it like it's this new big

1316

00:51:37,190 --> 00:51:34,640

discovery

1317

00:51:39,190 --> 00:51:37,200

what did you think of this s4 fiasco

1318

00:51:41,670 --> 00:51:39,200

that just happened

1319

00:51:44,630 --> 00:51:42,790

well

1320

00:51:46,710 --> 00:51:44,640

yeah my understanding is that you can

1321

00:51:47,910 --> 00:51:46,720

put you can label basically anything on

1322

00:51:49,430 --> 00:51:47,920

google maps

1323

00:51:51,670 --> 00:51:49,440

whatever you want

1324

00:51:53,750 --> 00:51:51,680

like um

1325

00:51:56,150 --> 00:51:53,760

and there's also some like s4s which are

1326  
00:51:57,349 --> 00:51:56,160  
nowhere near papua's lake or papua's

1327  
00:51:59,750 --> 00:51:57,359  
mountain

1328  
00:52:01,589 --> 00:51:59,760  
and um

1329  
00:52:03,589 --> 00:52:01,599  
what's the other one

1330  
00:52:05,510 --> 00:52:03,599  
even if there is a facility like it

1331  
00:52:08,390 --> 00:52:05,520  
still has to match lazar's description

1332  
00:52:09,430 --> 00:52:08,400  
of s4 because yeah it didn't matter it

1333  
00:52:13,349 --> 00:52:09,440  
did not

1334  
00:52:16,870 --> 00:52:14,950  
yeah so

1335  
00:52:18,390 --> 00:52:16,880  
i mean it's it's possible that there are

1336  
00:52:19,910 --> 00:52:18,400  
although there were

1337  
00:52:21,589 --> 00:52:19,920  
um

1338  
00:52:24,230 --> 00:52:21,599

some facilities on the mountain because

1339

00:52:27,349 --> 00:52:24,240

they were testing like the f-117 as it

1340

00:52:29,510 --> 00:52:27,359

flew over towards area 51

1341

00:52:30,630 --> 00:52:29,520

to like test how stealthy it was so

1342

00:52:34,230 --> 00:52:30,640

maybe they

1343

00:52:36,549 --> 00:52:34,240

there are some like derelict um

1344

00:52:37,829 --> 00:52:36,559

radar installations or things like that

1345

00:52:39,270 --> 00:52:37,839

but just because

1346

00:52:41,910 --> 00:52:39,280

something's on a mountain doesn't mean

1347

00:52:44,549 --> 00:52:41,920

that that's what lazar says it was

1348

00:52:47,829 --> 00:52:44,559

yeah and and here

1349

00:52:49,910 --> 00:52:47,839

here we see this and and uh some of our

1350

00:52:52,630 --> 00:52:49,920

people i believe it's still labeled

1351

00:52:54,630 --> 00:52:52,640

third phase of moon mdl

1352

00:52:56,870 --> 00:52:54,640

with a government pin

1353

00:52:59,030 --> 00:52:56,880

so these guys said you can't it says

1354

00:53:01,829 --> 00:52:59,040

government office right here

1355

00:53:04,309 --> 00:53:01,839

third phase of moon mdl we relabeled

1356

00:53:05,670 --> 00:53:04,319

that site third phase of moon mdl with a

1357

00:53:07,190 --> 00:53:05,680

government pin

1358

00:53:08,950 --> 00:53:07,200

but for some reason i don't remember the

1359

00:53:11,349 --> 00:53:08,960

specifics they're still claiming no

1360

00:53:15,190 --> 00:53:11,359

you're wrong the pin should be green not

1361

00:53:17,190 --> 00:53:15,200

gray or it's you know some nonsense but

1362

00:53:19,510 --> 00:53:17,200

it's labeled with a government pin third

1363

00:53:21,670 --> 00:53:19,520

phase of moon mdl

1364

00:53:23,910 --> 00:53:21,680

and the the other thing that we found is

1365

00:53:25,910 --> 00:53:23,920

that we could measure the distances and

1366

00:53:28,230 --> 00:53:25,920

this person said here's where the hangar

1367

00:53:31,190 --> 00:53:28,240

bay doors were but they would be 12 or

1368

00:53:33,910 --> 00:53:31,200

10 feet wide not 40 feet wide as bob

1369

00:53:35,990 --> 00:53:33,920

lazar mentioned he also said he came out

1370

00:53:38,470 --> 00:53:36,000

right onto the papua's lake bed the

1371

00:53:41,030 --> 00:53:38,480

papoose link is pretty pretty far from

1372

00:53:44,870 --> 00:53:41,040

this location we can see

1373

00:53:46,630 --> 00:53:44,880

it's way down over here you know

1374

00:53:48,630 --> 00:53:46,640

there were nine flying sources so like

1375

00:53:49,910 --> 00:53:48,640

it's 40 times nine

1376

00:53:53,510 --> 00:53:49,920

it should be

1377

00:53:56,069 --> 00:53:53,520

yeah exactly not 40 ti you know not 9

1378

00:53:58,150 --> 00:53:56,079

times 10 you know and this person they

1379

00:54:00,069 --> 00:53:58,160

did all these mental gymnastics to kind

1380

00:54:02,870 --> 00:54:00,079

of uh try to explain

1381

00:54:05,349 --> 00:54:02,880

why this was the s4 they drew on hangar

1382

00:54:06,470 --> 00:54:05,359

bay doors that weren't there over here i

1383

00:54:08,069 --> 00:54:06,480

think

1384

00:54:09,990 --> 00:54:08,079

and then we did a measurement and said

1385

00:54:11,910 --> 00:54:10,000

no that can't be because then the doors

1386

00:54:15,349 --> 00:54:11,920

would be 10 foot wide how you getting at

1387

00:54:17,349 --> 00:54:15,359

52 foot diameter oh that's another thing

1388

00:54:18,790 --> 00:54:17,359

another little minutiae of bob lazar is

1389

00:54:21,030 --> 00:54:18,800

that he originally said the hangar bay

1390

00:54:21,829 --> 00:54:21,040

doors were 40 foot wide

1391

00:54:23,910 --> 00:54:21,839

and

1392

00:54:27,030 --> 00:54:23,920

later on larry king he said that crafts

1393

00:54:29,270 --> 00:54:27,040

were 52 feet wide yeah so you can't get

1394

00:54:31,190 --> 00:54:29,280

a 52 foot anything out of a 40-foot

1395

00:54:33,030 --> 00:54:31,200

hangar bay door this is one of the

1396

00:54:35,190 --> 00:54:33,040

little stupid mistakes that he's made

1397

00:54:36,789 --> 00:54:35,200

along the way

1398

00:54:39,109 --> 00:54:36,799

but i think that this

1399

00:54:40,789 --> 00:54:39,119

whole story of hey we found s4 is

1400

00:54:41,990 --> 00:54:40,799

completely and totally

1401

00:54:43,990 --> 00:54:42,000

garbage

1402

00:54:46,069 --> 00:54:44,000

and it didn't help we had richard dodie

1403

00:54:47,430 --> 00:54:46,079

on as a surprise guest and richard dodie

1404

00:54:49,349 --> 00:54:47,440

started saying yeah that's where they

1405

00:54:53,109 --> 00:54:49,359

keep the aliens in this underground

1406

00:54:54,549 --> 00:54:53,119

facility and i was like oh no

1407

00:54:56,630 --> 00:54:54,559

you know richard dodie just made the

1408

00:54:58,549 --> 00:54:56,640

whole thing worse because

1409

00:54:59,910 --> 00:54:58,559

yeah

1410

00:55:02,950 --> 00:54:59,920

he said that's where they keep the

1411

00:55:04,710 --> 00:55:02,960

aliens right in here it goes underground

1412

00:55:07,030 --> 00:55:04,720

and i don't know what these two things

1413

00:55:09,109 --> 00:55:07,040

are supposed to be but yeah he said that

1414

00:55:10,630 --> 00:55:09,119

they were keeping the aliens there when

1415

00:55:13,030 --> 00:55:10,640

he worked there so that just made the

1416

00:55:14,870 --> 00:55:13,040

whole situation worse because then third

1417

00:55:16,549 --> 00:55:14,880

phase and other people said see richard

1418

00:55:20,309 --> 00:55:16,559

doty says that's where they keep the

1419

00:55:21,750 --> 00:55:20,319

aliens maybe bob azar was right

1420

00:55:24,069 --> 00:55:21,760

and away we go

1421

00:55:25,750 --> 00:55:24,079

richard dodi is the greatest comedian i

1422

00:55:27,670 --> 00:55:25,760

think ever

1423

00:55:29,829 --> 00:55:27,680

you know i think he's an interesting guy

1424

00:55:31,829 --> 00:55:29,839

though in that you can verify that both

1425

00:55:33,190 --> 00:55:31,839

his uncle and his father had some

1426

00:55:35,990 --> 00:55:33,200

involvement with the united states

1427

00:55:38,150 --> 00:55:36,000

government ufo programs before him

1428

00:55:39,910 --> 00:55:38,160

so that's a couple generations

1429

00:55:42,069 --> 00:55:39,920

and two other people in his family that

1430

00:55:42,870 --> 00:55:42,079

have been involved in it and he

1431

00:55:53,510 --> 00:55:42,880

he

1432

00:55:55,670 --> 00:55:53,520

landrum was

1433

00:55:57,270 --> 00:55:55,680

um a nuclear-powered

1434

00:55:59,030 --> 00:55:57,280

it was a recovered craft they couldn't

1435

00:56:01,030 --> 00:55:59,040

figure out how to power it so they

1436

00:56:03,030 --> 00:56:01,040

dropped the nuclear reactor in it

1437

00:56:05,510 --> 00:56:03,040

because it needed massive power

1438

00:56:07,430 --> 00:56:05,520

and bob lazar may have taken from

1439

00:56:10,390 --> 00:56:07,440

that from him and and

1440

00:56:13,109 --> 00:56:10,400

mj 12 is reputed to have come from him

1441

00:56:14,549 --> 00:56:13,119

so much of ufo mythology

1442

00:56:16,390 --> 00:56:14,559

comes from him

1443

00:56:18,309 --> 00:56:16,400

yep

1444

00:56:21,510 --> 00:56:18,319

it could be like an artist

1445

00:56:25,430 --> 00:56:23,190

admiring his own work

1446

00:56:28,150 --> 00:56:25,440

he's doing it for the sake of

1447

00:56:30,710 --> 00:56:28,160

seeing how far people will believe it

1448

00:56:31,510 --> 00:56:30,720

yeah yeah or how

1449

00:56:39,109 --> 00:56:31,520

or

1450

00:56:41,270 --> 00:56:39,119

documents and then he releases it and

1451  
00:56:43,670 --> 00:56:41,280  
just sits back and kind of laughs at his

1452  
00:56:46,390 --> 00:56:43,680  
creation and how many people believe

1453  
00:56:48,630 --> 00:56:46,400  
this fiction that he wrote which is

1454  
00:56:50,630 --> 00:56:48,640  
it's almost like fan fiction but i will

1455  
00:56:51,910 --> 00:56:50,640  
say people credit him with the mj 12

1456  
00:56:54,470 --> 00:56:51,920  
documents

1457  
00:56:56,710 --> 00:56:54,480  
if if he was truly behind that i think

1458  
00:56:58,309 --> 00:56:56,720  
he would need a team working with him or

1459  
00:57:01,190 --> 00:56:58,319  
something because there's too many

1460  
00:57:03,190 --> 00:57:01,200  
details in there including you know like

1461  
00:57:04,549 --> 00:57:03,200  
the word for plastic was different when

1462  
00:57:06,549 --> 00:57:04,559  
these documents were supposedly

1463  
00:57:08,710 --> 00:57:06,559

generated and that's right and all these

1464

00:57:11,510 --> 00:57:08,720

tiny details in those documents are

1465

00:57:14,950 --> 00:57:11,520

historically right which is weird

1466

00:57:17,829 --> 00:57:14,960

but yeah he made it worse but as far as

1467

00:57:20,390 --> 00:57:17,839

this s4 location it does not match

1468

00:57:22,150 --> 00:57:20,400

anything that bob lazar said babazar

1469

00:57:24,710 --> 00:57:22,160

said he came right out into the test bed

1470

00:57:27,270 --> 00:57:24,720

once the hangar bay doors open to view a

1471

00:57:30,309 --> 00:57:27,280

test there's no papoose lake here

1472

00:57:33,990 --> 00:57:30,319

so i think that is just a case of uh

1473

00:57:37,670 --> 00:57:35,589

i'm seeing the comment there richard

1474

00:57:40,069 --> 00:57:37,680

dodie didn't have google earth back then

1475

00:57:42,630 --> 00:57:40,079

though

1476

00:57:45,349 --> 00:57:42,640

point is that he just um

1477

00:57:46,870 --> 00:57:45,359

opportunistically just um uses anything

1478

00:57:49,670 --> 00:57:46,880

new to

1479

00:57:51,670 --> 00:57:49,680

retroactively validate his story about

1480

00:57:54,710 --> 00:57:51,680

aliens

1481

00:57:56,950 --> 00:57:54,720

yeah yeah

1482

00:57:58,230 --> 00:57:56,960

yeah and and and i don't know par like i

1483

00:58:00,470 --> 00:57:58,240

said part of me thinks that richard

1484

00:58:02,630 --> 00:58:00,480

dodie likes to stir the pot right you

1485

00:58:04,390 --> 00:58:02,640

know like you know i didn't know what he

1486

00:58:06,390 --> 00:58:04,400

was gonna say but he happened to be here

1487

00:58:08,470 --> 00:58:06,400

and i asked him because you know i

1488

00:58:13,910 --> 00:58:08,480

wanted to see what he would say he went

1489

00:58:18,150 --> 00:58:16,390

jan aldrick is asking what relative of

1490

00:58:20,230 --> 00:58:18,160

dodie worked for the government both his

1491

00:58:22,950 --> 00:58:20,240

father and his uncle and they both had

1492

00:58:25,190 --> 00:58:22,960

some involvement in the ufo file

1493

00:58:27,589 --> 00:58:25,200

one in blue book and one somewhere else

1494

00:58:29,430 --> 00:58:27,599

uh as i recall

1495

00:58:31,750 --> 00:58:29,440

so we get further in

1496

00:58:33,589 --> 00:58:31,760

we talked about s4 i'm trying to cover

1497

00:58:36,230 --> 00:58:33,599

you cover so much on your blog and it's

1498

00:58:38,150 --> 00:58:36,240

so data rich that it's hard to uh it's

1499

00:58:39,510 --> 00:58:38,160

hard to to pick and

1500

00:58:42,150 --> 00:58:39,520

choose like

1501

00:58:43,750 --> 00:58:42,160

so we've talked about s4

1502

00:58:46,630 --> 00:58:43,760

first of all uh

1503

00:58:48,710 --> 00:58:46,640

i i guess i should ask you too like

1504

00:58:51,190 --> 00:58:48,720

have you read the book that bob lazar

1505

00:58:55,750 --> 00:58:53,349

i'm gonna do that very soon

1506

00:58:58,710 --> 00:58:55,760

yeah it's on my list as well but we have

1507

00:59:00,470 --> 00:58:58,720

john lear came out and said that's not

1508

00:59:01,910 --> 00:59:00,480

um

1509

00:59:04,069 --> 00:59:01,920

he doesn't believe john lear doesn't

1510

00:59:05,510 --> 00:59:04,079

believe it was written by bob lazar he

1511

00:59:07,670 --> 00:59:05,520

believes it was written by a ghost

1512

00:59:09,270 --> 00:59:07,680

writer maybe because too many of the

1513

00:59:10,309 --> 00:59:09,280

details were wrong

1514

00:59:12,150 --> 00:59:10,319

you know

1515

00:59:14,390 --> 00:59:12,160

which is interesting because

1516

00:59:16,630 --> 00:59:14,400

john lear was a witness to most of this

1517

00:59:18,549 --> 00:59:16,640

stuff right

1518

00:59:20,390 --> 00:59:18,559

yeah he was right in the thick of it

1519

00:59:21,910 --> 00:59:20,400

although maybe naively

1520

00:59:25,030 --> 00:59:21,920

probably

1521

00:59:26,470 --> 00:59:25,040

john lee was you know it's sort of um

1522

00:59:29,270 --> 00:59:26,480

one of those people who has got a very

1523

00:59:31,670 --> 00:59:29,280

active imagination and believes a lot of

1524

00:59:33,670 --> 00:59:31,680

stuff without much evidence and i think

1525

00:59:35,589 --> 00:59:33,680

probably lazar just kind of exploited

1526

00:59:37,270 --> 00:59:35,599

that i think it was lazar doing the

1527

00:59:38,950 --> 00:59:37,280

exploiting rather than

1528

00:59:40,470 --> 00:59:38,960

leah

1529

00:59:45,670 --> 00:59:40,480

yeah

1530

00:59:47,670 --> 00:59:45,680

also that the government would hire

1531

00:59:49,750 --> 00:59:47,680

somebody that they knew was friends with

1532

00:59:52,309 --> 00:59:49,760

somebody that's on a tv show every week

1533

00:59:54,710 --> 00:59:52,319

talking about ufos to come and work on

1534

00:59:56,710 --> 00:59:54,720

flying saucer ufos right

1535

00:59:58,470 --> 00:59:56,720

but would not be wouldn't wouldn't you

1536

00:59:59,670 --> 00:59:58,480

think that the guy in charge of the

1537

01:00:04,630 --> 00:59:59,680

security

1538

01:00:06,549 --> 01:00:04,640

he's going to talk well

1539

01:00:09,030 --> 01:00:06,559

george knapp has got an uh sort of

1540

01:00:10,230 --> 01:00:09,040

convenient escape from that which is to

1541

01:00:12,390 --> 01:00:10,240

say that

1542

01:00:13,990 --> 01:00:12,400

the government hired him and they knew

1543

01:00:16,309 --> 01:00:14,000

that they could just discredit him if he

1544

01:00:17,990 --> 01:00:16,319

ever spilled the beans because then they

1545

01:00:20,069 --> 01:00:18,000

could just point to his

1546

01:00:21,349 --> 01:00:20,079

brothel involvement or whatever

1547

01:00:23,670 --> 01:00:21,359

um

1548

01:00:26,150 --> 01:00:23,680

other stuff from his past and then make

1549

01:00:27,750 --> 01:00:26,160

him look like a liar

1550

01:00:29,589 --> 01:00:27,760

so

1551

01:00:32,390 --> 01:00:29,599

i mean you know in science that's called

1552

01:00:34,789 --> 01:00:32,400

a unfalsifiable hypothesis

1553

01:00:37,109 --> 01:00:34,799

yeah that can't be proven true or false

1554

01:00:38,589 --> 01:00:37,119

right right

1555

01:00:41,430 --> 01:00:38,599

yeah i i like the concept of

1556

01:00:44,470 --> 01:00:41,440

falsifiability i kind of apply it to a

1557

01:00:46,789 --> 01:00:44,480

lot of these ufo stories because to me

1558

01:00:47,750 --> 01:00:46,799

if a story can either be proven true or

1559

01:00:49,910 --> 01:00:47,760

false

1560

01:00:54,549 --> 01:00:49,920

then it has very little value for me

1561

01:01:00,309 --> 01:00:56,549

if it's indistinguishable from

1562

01:01:01,910 --> 01:01:00,319

you know complete whole [h\_\_h] than it is

1563

01:01:03,589 --> 01:01:01,920

and i guess i wanted to get into you

1564

01:01:06,230 --> 01:01:03,599

know jeremy corbell has claimed there's

1565

01:01:07,829 --> 01:01:06,240

all this other bob lazar footage that

1566

01:01:09,510 --> 01:01:07,839

didn't make it into his film he's going

1567

01:01:10,630 --> 01:01:09,520

to be releasing it

1568

01:01:13,030 --> 01:01:10,640

um

1569

01:01:15,190 --> 01:01:13,040

what do you think of the the profiteers

1570

01:01:16,390 --> 01:01:15,200

that have made money from this story for

1571

01:01:18,870 --> 01:01:16,400

so long

1572

01:01:20,390 --> 01:01:18,880

and are they going to continue to make

1573

01:01:22,390 --> 01:01:20,400

money from trying to make more money

1574

01:01:24,549 --> 01:01:22,400

from this we've had the movie cash out

1575

01:01:29,910 --> 01:01:24,559

now we've got a book cash out

1576

01:01:35,349 --> 01:01:32,870

profit for these people

1577

01:01:36,950 --> 01:01:35,359

that's what i hear i mean i don't know

1578

01:01:38,710 --> 01:01:36,960

are they going to continue to try to

1579

01:01:41,910 --> 01:01:38,720

push this story and keep profiting from

1580

01:01:43,589 --> 01:01:41,920

it or is the story done it's a story

1581

01:01:44,950 --> 01:01:43,599

that keeps giving because even if the

1582

01:01:46,950 --> 01:01:44,960

government never

1583

01:01:48,069 --> 01:01:46,960

admits to what they want them to admit

1584

01:01:49,510 --> 01:01:48,079

to

1585

01:01:54,230 --> 01:01:49,520

um they can just say that that's

1586

01:01:58,789 --> 01:01:57,190

yeah yeah you're right

1587

01:02:01,190 --> 01:01:58,799

like really what the government does is

1588

01:02:03,510 --> 01:02:01,200

irrelevant whether they give any hints

1589

01:02:04,710 --> 01:02:03,520

that this is this stuff is true or not

1590

01:02:06,950 --> 01:02:04,720

they can always

1591

01:02:09,270 --> 01:02:06,960

make make that

1592

01:02:11,670 --> 01:02:09,280

be consistent with their narrative

1593

01:02:13,029 --> 01:02:11,680

okay so yeah and what do you think of

1594

01:02:14,789 --> 01:02:13,039

you know i have a real problem with

1595

01:02:16,630 --> 01:02:14,799

these two guys george knapp and jeremy

1596

01:02:18,710 --> 01:02:16,640

corbell because they have profited most

1597

01:02:22,390 --> 01:02:18,720

from the story and when we get these

1598

01:02:24,470 --> 01:02:22,400

huge bombshells like victor colliero uh

1599

01:02:26,309 --> 01:02:24,480

does an interview with a real life area

1600

01:02:28,950 --> 01:02:26,319

51 security guard that worked there at

1601  
01:02:30,950 --> 01:02:28,960  
the time who says he heard the news

1602  
01:02:33,270 --> 01:02:30,960  
reports they went right away to look at

1603  
01:02:36,230 --> 01:02:33,280  
the logs the flight logs to see if a bob

1604  
01:02:37,829 --> 01:02:36,240  
lazar flew in or out of area 51 ever and

1605  
01:02:40,470 --> 01:02:37,839  
found no he didn't

1606  
01:02:42,950 --> 01:02:40,480  
then the guy goes all around the base

1607  
01:02:45,190 --> 01:02:42,960  
looking for this mythical s4 and and he

1608  
01:02:47,750 --> 01:02:45,200  
finds papoose lake is a desert wasteland

1609  
01:02:49,190 --> 01:02:47,760  
there's nothing there so he calls george

1610  
01:02:51,510 --> 01:02:49,200  
knapp and says

1611  
01:02:53,270 --> 01:02:51,520  
you might want to fact check this guy

1612  
01:02:56,309 --> 01:02:53,280  
and stop running with his story because

1613  
01:02:58,390 --> 01:02:56,319

he never stepped foot on area 51.

1614

01:03:01,430 --> 01:02:58,400

georgina never comments on this new

1615

01:03:03,510 --> 01:03:01,440

revelation on the education i guess

1616

01:03:05,670 --> 01:03:03,520

knapp commented corbell just makes

1617

01:03:08,069 --> 01:03:05,680

excuses and now we have these most

1618

01:03:11,109 --> 01:03:08,079

recent revelations from

1619

01:03:13,990 --> 01:03:11,119

bob lazar's supervisor at

1620

01:03:15,990 --> 01:03:14,000

at los alamos labs saying no he was

1621

01:03:18,150 --> 01:03:16,000

never a scientist

1622

01:03:19,829 --> 01:03:18,160

what do you make of them not commenting

1623

01:03:21,750 --> 01:03:19,839

on any of this stuff like i would think

1624

01:03:23,270 --> 01:03:21,760

that they should have to do

1625

01:03:25,910 --> 01:03:23,280

you know

1626  
01:03:27,990 --> 01:03:25,920  
a show like mine and answer questions

1627  
01:03:31,190 --> 01:03:28,000  
like did you know about this

1628  
01:03:33,109 --> 01:03:31,200  
because i don't think that corbell or

1629  
01:03:33,910 --> 01:03:33,119  
nap couldn't get to the same sources

1630  
01:03:37,029 --> 01:03:33,920  
that

1631  
01:03:39,190 --> 01:03:37,039  
this other researcher got to

1632  
01:03:41,349 --> 01:03:39,200  
the exact person that bob lazar worked

1633  
01:03:43,029 --> 01:03:41,359  
for who says no he wasn't a scientist

1634  
01:03:45,190 --> 01:03:43,039  
why don't they ever

1635  
01:03:47,589 --> 01:03:45,200  
comment on this stuff is it just not in

1636  
01:03:49,910 --> 01:03:47,599  
their best interest financially

1637  
01:03:52,230 --> 01:03:49,920  
i think maybe nap has sort of sunken his

1638  
01:03:53,109 --> 01:03:52,240

costs into the lazar story

1639

01:03:55,109 --> 01:03:53,119

so

1640

01:03:56,230 --> 01:03:55,119

he can't back out of it now because then

1641

01:03:58,470 --> 01:03:56,240

he'd admit

1642

01:04:00,630 --> 01:03:58,480

that lazar made a fool of him

1643

01:04:02,549 --> 01:04:00,640

i think knapp really did believe the

1644

01:04:03,430 --> 01:04:02,559

story back in the day at least

1645

01:04:05,910 --> 01:04:03,440

but

1646

01:04:07,190 --> 01:04:05,920

he's become so embroiled in it that he

1647

01:04:09,029 --> 01:04:07,200

can't easily

1648

01:04:10,230 --> 01:04:09,039

admit that he was fooled

1649

01:04:11,430 --> 01:04:10,240

without

1650

01:04:13,510 --> 01:04:11,440

you know

1651

01:04:15,829 --> 01:04:13,520

i don't know calling his reputational

1652

01:04:18,069 --> 01:04:15,839

something like that into question

1653

01:04:19,430 --> 01:04:18,079

at least yeah that's what it feels

1654

01:04:21,829 --> 01:04:19,440

and i have a little bit of a history

1655

01:04:24,630 --> 01:04:21,839

with matt because i i investigated this

1656

01:04:26,230 --> 01:04:24,640

uh fbi raid i talked to the original

1657

01:04:28,390 --> 01:04:26,240

investigators

1658

01:04:30,069 --> 01:04:28,400

the fbi people i talked to the local

1659

01:04:31,829 --> 01:04:30,079

sheriff in the town where bob lazar's

1660

01:04:34,390 --> 01:04:31,839

business was in and they all verified

1661

01:04:36,470 --> 01:04:34,400

for me that all of the so-called

1662

01:04:39,029 --> 01:04:36,480

facts and evidence that knapp and

1663

01:04:40,630 --> 01:04:39,039

corbell put forth in that film

1664

01:04:43,349 --> 01:04:40,640

that's not what happened

1665

01:04:45,270 --> 01:04:43,359

and so i i try to get an interview with

1666

01:04:47,270 --> 01:04:45,280

knapp and he basically told me i don't

1667

01:04:48,470 --> 01:04:47,280

know what i'm doing as an investigator

1668

01:04:53,190 --> 01:04:48,480

and

1669

01:04:56,069 --> 01:04:53,200

interview he just told me how wrong i

1670

01:04:57,589 --> 01:04:56,079

was and that i have he's investigated

1671

01:05:00,470 --> 01:04:57,599

all these murders and i don't know what

1672

01:05:03,109 --> 01:05:00,480

i'm doing and i mean i have like quotes

1673

01:05:04,870 --> 01:05:03,119

from all these people that were involved

1674

01:05:06,789 --> 01:05:04,880

a few of which were like shocked that

1675

01:05:09,109 --> 01:05:06,799

they were used in a documentary like

1676  
01:05:10,230 --> 01:05:09,119  
that to sell a story some of them had no

1677  
01:05:12,549 --> 01:05:10,240  
idea

1678  
01:05:14,950 --> 01:05:12,559  
you know the sheriff and the fbi agents

1679  
01:05:16,549 --> 01:05:14,960  
all verified for me we didn't

1680  
01:05:19,029 --> 01:05:16,559  
most of us didn't even know about bob

1681  
01:05:21,109 --> 01:05:19,039  
lazar's flying saucer stories we just

1682  
01:05:23,029 --> 01:05:21,119  
went there for a routine investigation

1683  
01:05:25,510 --> 01:05:23,039  
get some receipts of purchase of a

1684  
01:05:27,910 --> 01:05:25,520  
dangerous chemical and that was that was

1685  
01:05:30,150 --> 01:05:27,920  
it and there wasn't 40 agents and they

1686  
01:05:31,829 --> 01:05:30,160  
didn't search through every inch

1687  
01:05:33,510 --> 01:05:31,839  
they were there for an hour or less

1688  
01:05:34,390 --> 01:05:33,520

there was you know eight of them 10 of

1689

01:05:36,710 --> 01:05:34,400

them

1690

01:05:37,990 --> 01:05:36,720

you know i don't know you won't comment

1691

01:05:40,150 --> 01:05:38,000

on that either

1692

01:05:42,549 --> 01:05:40,160

i would also expect the department of

1693

01:05:44,069 --> 01:05:42,559

energy um which has got its own counter

1694

01:05:45,750 --> 01:05:44,079

intelligence and

1695

01:05:48,390 --> 01:05:45,760

swat teams

1696

01:05:51,990 --> 01:05:48,400

to have been involved if it was actually

1697

01:05:53,990 --> 01:05:52,000

element 115 as lazar you know tries to

1698

01:05:55,270 --> 01:05:54,000

imply

1699

01:05:57,750 --> 01:05:55,280

you know if they're trying to recover

1700

01:05:59,510 --> 01:05:57,760

this super danger or potentially super

1701

01:06:00,630 --> 01:05:59,520

dangerous material

1702

01:06:04,150 --> 01:06:00,640

um

1703

01:06:06,470 --> 01:06:04,160

wouldn't they send like a

1704

01:06:08,870 --> 01:06:06,480

i guess like a paramilitary unit

1705

01:06:10,950 --> 01:06:08,880

they would sense yeah because according

1706

01:06:12,950 --> 01:06:10,960

to bob lazar you could put this material

1707

01:06:15,029 --> 01:06:12,960

into a particle accelerator and blow up

1708

01:06:16,950 --> 01:06:15,039

half of las vegas

1709

01:06:19,589 --> 01:06:16,960

and and he was gonna do that or he was

1710

01:06:20,309 --> 01:06:19,599

threatening there's some mention that he

1711

01:06:23,829 --> 01:06:20,319

was

1712

01:06:25,270 --> 01:06:23,839

you know putting that into a particle

1713

01:06:28,230 --> 01:06:25,280

accelerator should the government come

1714

01:06:30,950 --> 01:06:28,240

after him and all this nonsense

1715

01:06:33,990 --> 01:06:30,960

and we see a repeat actually the the

1716

01:06:35,670 --> 01:06:34,000

story of the stolen element 115 getting

1717

01:06:37,990 --> 01:06:35,680

stolen back

1718

01:06:39,990 --> 01:06:38,000

it not only was that in the documentary

1719

01:06:42,390 --> 01:06:40,000

but originally that was in the hollywood

1720

01:06:44,549 --> 01:06:42,400

screenplay that george knapp or i'm

1721

01:06:47,270 --> 01:06:44,559

sorry that that uh

1722

01:06:49,670 --> 01:06:47,280

gene huff wrote there was a whole part

1723

01:06:51,670 --> 01:06:49,680

of the storyline that bob lazar

1724

01:06:53,190 --> 01:06:51,680

you know stole some of the element 115

1725

01:06:54,950 --> 01:06:53,200

and he was keeping it at his house and

1726

01:06:57,589 --> 01:06:54,960

then the men in black came in to bob

1727

01:06:58,630 --> 01:06:57,599

lazar's house and stole that material

1728

01:07:00,309 --> 01:06:58,640

back

1729

01:07:02,230 --> 01:07:00,319

and this is essentially the same story

1730

01:07:03,829 --> 01:07:02,240

that we get in the documentary 20 years

1731

01:07:06,470 --> 01:07:03,839

after the hollywood screenplay was

1732

01:07:09,589 --> 01:07:06,480

written and never picked up

1733

01:07:13,589 --> 01:07:09,599

also nap claims that um he's got a

1734

01:07:16,549 --> 01:07:13,599

videotape showing area um element 115

1735

01:07:21,589 --> 01:07:19,670

most important vhs tape in human history

1736

01:07:23,029 --> 01:07:21,599

and he just can't find it

1737

01:07:25,910 --> 01:07:23,039

although they did show like a little

1738

01:07:27,270 --> 01:07:25,920

snippet of it supposedly on corp on

1739

01:07:29,190 --> 01:07:27,280

joe rogan

1740

01:07:31,029 --> 01:07:29,200

yeah that was like it looked like

1741

01:07:33,109 --> 01:07:31,039

cocaine in a petri dish or something it

1742

01:07:35,029 --> 01:07:33,119

looked like smoke and cocaine in a petri

1743

01:07:37,430 --> 01:07:35,039

dish exactly right yeah it could have

1744

01:07:39,190 --> 01:07:37,440

been anything right i mean it literally

1745

01:07:41,750 --> 01:07:39,200

could have been anything

1746

01:07:43,029 --> 01:07:41,760

i i you know i don't understand knapp

1747

01:07:48,069 --> 01:07:43,039

saying that he knows where the element

1748

01:07:50,150 --> 01:07:48,079

115 is buried losing the tape right

1749

01:07:52,309 --> 01:07:50,160

he lost the tape that would prove bob

1750

01:07:53,510 --> 01:07:52,319

it's telling the truth right

1751

01:07:55,510 --> 01:07:53,520

yeah

1752

01:07:57,109 --> 01:07:55,520

and losing evidence

1753

01:07:58,789 --> 01:07:57,119

or misplacing it

1754

01:08:01,990 --> 01:07:58,799

or saying that you can't show it seems

1755

01:08:04,710 --> 01:08:02,000

to be a recurring theme in ufology among

1756

01:08:07,270 --> 01:08:04,720

these whistleblowers

1757

01:08:08,549 --> 01:08:07,280

yeah you're absolutely right

1758

01:08:10,069 --> 01:08:08,559

so

1759

01:08:11,990 --> 01:08:10,079

what do you think the future of the bob

1760

01:08:14,230 --> 01:08:12,000

lazar story is are we going to get more

1761

01:08:16,630 --> 01:08:14,240

and more confirmation that he's a liar

1762

01:08:19,510 --> 01:08:16,640

or are we ever going to get more

1763

01:08:21,269 --> 01:08:19,520

information from the profit

1764

01:08:22,829 --> 01:08:21,279

motive motivated

1765

01:08:25,669 --> 01:08:22,839

storytellers

1766

01:08:27,430 --> 01:08:25,679

here i i don't know i think that bob did

1767

01:08:29,990 --> 01:08:27,440

his cash out for his book he bought a

1768

01:08:31,910 --> 01:08:30,000

new house with that and uh with a bunch

1769

01:08:34,149 --> 01:08:31,920

of outbuildings i guess you can run his

1770

01:08:36,709 --> 01:08:34,159

business there live there

1771

01:08:38,390 --> 01:08:36,719

you know i i don't i i don't see there

1772

01:08:40,070 --> 01:08:38,400

to be much more to the story but every

1773

01:08:42,149 --> 01:08:40,080

time i think it's over

1774

01:08:44,709 --> 01:08:42,159

a little nugget of new information comes

1775

01:08:46,709 --> 01:08:44,719

out usually indicating bob lazar is

1776

01:08:48,070 --> 01:08:46,719

lying though

1777

01:08:50,149 --> 01:08:48,080

yeah

1778

01:08:53,030 --> 01:08:50,159

the thing about these stories which have

1779

01:08:54,950 --> 01:08:53,040

happened now for you know decades ago is

1780

01:08:56,950 --> 01:08:54,960

that

1781

01:08:58,789 --> 01:08:56,960

this kind of contaminates other people's

1782

01:09:00,309 --> 01:08:58,799

memories so they start to think that

1783

01:09:02,070 --> 01:09:00,319

they saw things

1784

01:09:02,950 --> 01:09:02,080

which they can't provide evidence for

1785

01:09:04,950 --> 01:09:02,960

but

1786

01:09:07,110 --> 01:09:04,960

sometimes you have people like

1787

01:09:09,910 --> 01:09:07,120

saying that they remember something

1788

01:09:11,189 --> 01:09:09,920

which confirms lazar or aligns with his

1789

01:09:13,189 --> 01:09:11,199

story

1790

01:09:15,189 --> 01:09:13,199

but you know you have to

1791

01:09:17,430 --> 01:09:15,199

distinguish that from just contaminated

1792

01:09:19,110 --> 01:09:17,440

testimony

1793

01:09:20,789 --> 01:09:19,120

you know what we really need is hard

1794

01:09:22,309 --> 01:09:20,799

evidence like of the sort that he could

1795

01:09:25,430 --> 01:09:22,319

provide if he actually

1796

01:09:29,430 --> 01:09:25,440

had it namely element 115

1797

01:09:31,030 --> 01:09:29,440

or some sort of scientific breakthrough

1798

01:09:32,709 --> 01:09:31,040

but you know obviously he's not he's not

1799

01:09:34,630 --> 01:09:32,719

going to provide that so all we're ever

1800

01:09:36,550 --> 01:09:34,640

going to get are more of these little

1801

01:09:38,789 --> 01:09:36,560

anecdotal stories

1802

01:09:40,070 --> 01:09:38,799

yeah more maybes possibilities and isn't

1803

01:09:42,950 --> 01:09:40,080

that interesting

1804

01:09:44,709 --> 01:09:42,960

right i i love the the the so-called

1805

01:09:46,950 --> 01:09:44,719

evidence that people present that's not

1806

01:09:49,669 --> 01:09:46,960

evidence like well couldn't have been

1807

01:09:50,870 --> 01:09:49,679

anything other than aliens you know

1808

01:09:52,870 --> 01:09:50,880

i mean

1809

01:09:55,110 --> 01:09:52,880

sometimes i think for all we know

1810

01:09:56,790 --> 01:09:55,120

lazar was pumped and they took him into

1811

01:09:59,430 --> 01:09:56,800

this place and he did see something like

1812

01:10:01,990 --> 01:09:59,440

a flying saucer and they pumped him

1813

01:10:04,310 --> 01:10:02,000

to create stories to scare the russians

1814

01:10:06,310 --> 01:10:04,320

or the soviet union at the time you you

1815

01:10:07,750 --> 01:10:06,320

just don't know you know

1816

01:10:10,870 --> 01:10:07,760

but most of me thinks that he's a

1817

01:10:13,110 --> 01:10:10,880

profiteering he's a profiteering hoaxer

1818

01:10:14,709 --> 01:10:13,120

it just never quite worked out

1819

01:10:16,550 --> 01:10:14,719

the way that he he thought that they

1820

01:10:19,430 --> 01:10:16,560

would get a hollywood movie him and jean

1821

01:10:21,990 --> 01:10:19,440

huff and they would really cash in

1822

01:10:23,990 --> 01:10:22,000

and it seems like it's it's never

1823

01:10:25,830 --> 01:10:24,000

you know to his credit at least lazar

1824

01:10:26,870 --> 01:10:25,840

never went after the ufo conference

1825

01:10:29,189 --> 01:10:26,880

circuit

1826

01:10:31,430 --> 01:10:29,199

and i'm told that he could make huge

1827

01:10:33,669 --> 01:10:31,440

money there if he would go give talks

1828

01:10:35,430 --> 01:10:33,679

but he never did that i guess going for

1829

01:10:36,709 --> 01:10:35,440

the big bucks and it never really worked

1830

01:10:38,310 --> 01:10:36,719

out

1831

01:10:41,110 --> 01:10:38,320

it's more of a

1832

01:10:41,830 --> 01:10:41,120

a slow burn type of story like if he was

1833

01:10:43,270 --> 01:10:41,840

to

1834

01:10:44,470 --> 01:10:43,280

you know really go all out with a

1835

01:10:46,870 --> 01:10:44,480

profiteering

1836

01:10:48,870 --> 01:10:46,880

that would expose him as a a griffith

1837

01:10:50,790 --> 01:10:48,880

professor yeah grifter yeah

1838

01:10:53,110 --> 01:10:50,800

but um he's sort of been clever in that

1839

01:10:55,110 --> 01:10:53,120

way by

1840

01:10:57,270 --> 01:10:55,120

cultivating this image of this

1841

01:10:58,630 --> 01:10:57,280

humble sort of

1842

01:11:01,189 --> 01:10:58,640

you know

1843

01:11:03,189 --> 01:11:01,199

yes and some supporters of his say he

1844

01:11:04,950 --> 01:11:03,199

never tried to make any money he even

1845

01:11:07,270 --> 01:11:04,960

says in the documentary i don't make any

1846

01:11:09,270 --> 01:11:07,280

money from this he tried to cash in from

1847

01:11:11,510 --> 01:11:09,280

the very first moment he had this model

1848

01:11:13,270 --> 01:11:11,520

deal with testers and we talked to

1849

01:11:15,750 --> 01:11:13,280

testers he had

1850

01:11:18,550 --> 01:11:15,760

gotten paid a huge upfront

1851

01:11:20,870 --> 01:11:18,560

check and then he got a royalty on every

1852

01:11:22,950 --> 01:11:20,880

model sold and i'm told that those

1853

01:11:26,390 --> 01:11:22,960

models sold in the millions

1854

01:11:28,630 --> 01:11:26,400

so he got a cup yeah

1855

01:11:30,149 --> 01:11:28,640

so or or you know it depends on who you

1856

01:11:32,790 --> 01:11:30,159

ask michael stratt has somebody

1857

01:11:34,390 --> 01:11:32,800

different at testers who said well no

1858

01:11:36,950 --> 01:11:34,400

maybe a million

1859

01:11:38,950 --> 01:11:36,960

but still a million models and you get

1860

01:11:41,430 --> 01:11:38,960

even if he gets a buck a model you know

1861

01:11:44,550 --> 01:11:41,440

that's a million dollars and then this

1862

01:11:46,870 --> 01:11:44,560

cashing in trying to sell this vhs tape

1863

01:11:48,310 --> 01:11:46,880

that he and gene huff produced

1864

01:11:50,390 --> 01:11:48,320

um

1865

01:11:52,229 --> 01:11:50,400

right away as soon as the story came out

1866

01:11:54,630 --> 01:11:52,239

they were selling that

1867

01:11:55,510 --> 01:11:54,640

you know vhs tape

1868

01:11:57,590 --> 01:11:55,520

so

1869

01:11:59,270 --> 01:11:57,600

and he has done a few appearances where

1870

01:12:00,950 --> 01:11:59,280

he's gotten speaker fees like at the

1871

01:12:02,070 --> 01:12:00,960

25th anniversary

1872

01:12:04,470 --> 01:12:02,080

i'm not sure if it's accurate but

1873

01:12:06,790 --> 01:12:04,480

somebody told me that he got 25 000 to

1874

01:12:08,550 --> 01:12:06,800

be there for two hours

1875

01:12:10,950 --> 01:12:08,560

that's good payout and then we have the

1876

01:12:12,070 --> 01:12:10,960

book payout he claims he didn't get any

1877

01:12:14,950 --> 01:12:12,080

money from

1878

01:12:16,149 --> 01:12:14,960

jeremy corbell's documentary i i don't

1879

01:12:17,830 --> 01:12:16,159

know about that

1880

01:12:20,550 --> 01:12:17,840

but

1881

01:12:22,550 --> 01:12:20,560

he also says that he gives the money to

1882

01:12:24,149 --> 01:12:22,560

well he simultaneously says he hasn't

1883

01:12:25,750 --> 01:12:24,159

made any money and then he also said

1884

01:12:28,630 --> 01:12:25,760

that he gives the money to

1885

01:12:31,350 --> 01:12:28,640

schools and science projects

1886

01:12:37,270 --> 01:12:33,510

yeah and he's selling products related

1887

01:12:43,110 --> 01:12:37,280

to his ufo stories right on his website

1888

01:12:46,870 --> 01:12:45,030

it's amazing to me i don't make any

1889

01:12:51,189 --> 01:12:46,880

money from this well

1890

01:12:57,669 --> 01:12:53,910

yeah i'm looking i'm looking at his uh

1891

01:13:01,350 --> 01:12:57,679

area 51 collectibles here

1892

01:13:02,630 --> 01:13:01,360

i can share that on my screen here

1893

01:13:07,430 --> 01:13:02,640

one second

1894

01:13:11,669 --> 01:13:09,350

yeah he doesn't make any money

1895

01:13:17,110 --> 01:13:13,270

you can buy

1896

01:13:21,590 --> 01:13:19,110

sport model schematic mug

1897

01:13:23,910 --> 01:13:21,600

bob lazar movie poster

1898

01:13:26,149 --> 01:13:23,920

fifty dollars wow bob was our movie

1899

01:13:31,110 --> 01:13:26,159

sticker

1900

01:13:35,910 --> 01:13:33,990

yeah and and you know what here

1901

01:13:37,030 --> 01:13:35,920

this is where i have a big problem with

1902

01:13:40,149 --> 01:13:37,040

him because

1903

01:13:41,669 --> 01:13:40,159

to me right here this is consumer fraud

1904

01:13:43,910 --> 01:13:41,679

because in the description of this

1905

01:13:46,229 --> 01:13:43,920

product he's selling it says

1906

01:13:49,510 --> 01:13:46,239

in december of 1988 through the april of

1907

01:13:52,229 --> 01:13:49,520

1989 a young physicist named bob lazar

1908

01:13:54,229 --> 01:13:52,239

worked at a government research facility

1909

01:13:56,630 --> 01:13:54,239

to me he can't prove either of those

1910

01:13:58,470 --> 01:13:56,640

statements but he's selling this product

1911

01:14:01,830 --> 01:13:58,480

based on that

1912

01:14:05,510 --> 01:14:01,840

you know sales pitch

1913

01:14:09,270 --> 01:14:07,669

so i guess the he'll he'll just keep

1914

01:14:13,510 --> 01:14:09,280

cashing in

1915

01:14:17,910 --> 01:14:15,750

well and he'll be believed as well by

1916

01:14:19,990 --> 01:14:17,920

most of his believers most of his um

1917

01:14:21,430 --> 01:14:20,000

followers

1918

01:14:23,990 --> 01:14:21,440

who are

1919

01:14:26,630 --> 01:14:24,000

incredibly um reluctant to use a search

1920

01:14:30,790 --> 01:14:28,950

yeah i've often wondered like

1921

01:14:32,709 --> 01:14:30,800

you know i've had a chance to talk to a

1922

01:14:35,030 --> 01:14:32,719

few that are really

1923

01:14:36,630 --> 01:14:35,040

fervent believers and

1924

01:14:38,229 --> 01:14:36,640

you know all these issues that we

1925

01:14:39,110 --> 01:14:38,239

brought up tonight if i bring them up

1926

01:14:40,550 --> 01:14:39,120

with him

1927

01:14:42,149 --> 01:14:40,560

with with these

1928

01:14:43,750 --> 01:14:42,159

people that really really believe the

1929

01:14:45,270 --> 01:14:43,760

story like i said it's almost like a

1930

01:14:47,830 --> 01:14:45,280

religion and you're attacking them they

1931

01:14:50,149 --> 01:14:47,840

either get angry and don't want to

1932

01:14:51,750 --> 01:14:50,159

answer questions and i and i'm

1933

01:14:53,430 --> 01:14:51,760

i come at it respectfully with them i

1934

01:14:55,910 --> 01:14:53,440

say like i just don't understand how you

1935

01:14:57,430 --> 01:14:55,920

could believe him because of x y or z

1936

01:15:00,229 --> 01:14:57,440

like how do you explain these things

1937

01:15:02,390 --> 01:15:00,239

they do mental gymnastics you know to to

1938

01:15:04,000 --> 01:15:02,400

cover for for these things that don't

1939

01:15:05,830 --> 01:15:04,010

make any sense right

1940

01:15:08,070 --> 01:15:05,840

[Music]

1941

01:15:09,910 --> 01:15:08,080

some some of the believers are very um

1942

01:15:11,270 --> 01:15:09,920

actually i hate to say it but they're

1943

01:15:14,070 --> 01:15:11,280

very toxic

1944

01:15:15,510 --> 01:15:14,080

and they subscribe to a post-truth type

1945

01:15:17,189 --> 01:15:15,520

of thinking

1946

01:15:19,590 --> 01:15:17,199

where you can basically

1947

01:15:21,270 --> 01:15:19,600

invent your own reality

1948

01:15:23,750 --> 01:15:21,280

yeah

1949

01:15:26,550 --> 01:15:23,760

enough people affirm that delusion then

1950

01:15:30,149 --> 01:15:26,560

it becomes true by definition in their

1951

01:15:33,510 --> 01:15:31,030

yeah

1952

01:15:35,510 --> 01:15:33,520

it's a it's unfortunate that you know i

1953

01:15:37,830 --> 01:15:35,520

i wish more would try to you know

1954

01:15:40,070 --> 01:15:37,840

because listen i i leave open the

1955

01:15:42,550 --> 01:15:40,080

possibility i could be completely wrong

1956

01:15:44,310 --> 01:15:42,560

and maybe these are just inconsistencies

1957

01:15:46,630 --> 01:15:44,320

a lot of people say well who cares if he

1958

01:15:48,229 --> 01:15:46,640

was a real scientist maybe he was just a

1959

01:15:50,229 --> 01:15:48,239

science nerd and they wanted a different

1960

01:15:52,070 --> 01:15:50,239

perspective right

1961

01:15:54,229 --> 01:15:52,080

but here we have him uh selling all

1962

01:15:56,630 --> 01:15:54,239

kinds of t-shirts mugs

1963

01:15:58,470 --> 01:15:56,640

posters and saying he doesn't make any

1964

01:16:01,669 --> 01:15:58,480

money from this

1965

01:16:06,950 --> 01:16:03,669

i can't lie i've bought stuff from bob

1966

01:16:08,229 --> 01:16:06,960

lazar's company but not his ufo stuff

1967

01:16:11,430 --> 01:16:08,239

did you know

1968

01:16:13,350 --> 01:16:11,440

that bob lazar is famous in the

1969

01:16:14,950 --> 01:16:13,360

in the um

1970

01:16:16,310 --> 01:16:14,960

theater world

1971

01:16:18,470 --> 01:16:16,320

for one thing

1972

01:16:21,189 --> 01:16:18,480

glow-in-the-dark paint

1973

01:16:23,669 --> 01:16:21,199

bob lazar sells the best glow and the

1974

01:16:26,149 --> 01:16:23,679

brightest craziest best glow-in-the-dark

1975

01:16:28,229 --> 01:16:26,159

paint you'll ever find anywhere

1976

01:16:30,630 --> 01:16:28,239

and uh i don't know how he makes it

1977

01:16:31,910 --> 01:16:30,640

where he gets it but it is like if you

1978

01:16:34,390 --> 01:16:31,920

go to home depot and buy the

1979

01:16:36,470 --> 01:16:34,400

glow-in-the-dark paint they have there

1980

01:16:38,630 --> 01:16:36,480

and then you paint one side of a board

1981

01:16:40,550 --> 01:16:38,640

with it and then you get bob lazar's

1982

01:16:41,990 --> 01:16:40,560

glow to dark paint and paint the other

1983

01:16:44,229 --> 01:16:42,000

side of the board with it i'm not

1984

01:16:47,030 --> 01:16:44,239

kidding you bob lazar's glow-in-the-dark

1985

01:16:50,950 --> 01:16:47,040

paint will be 10 times brighter glowing

1986

01:16:52,470 --> 01:16:50,960

than the than the stuff at home depot

1987

01:16:54,630 --> 01:16:52,480

it's literally

1988

01:16:56,390 --> 01:16:54,640

it's from zebra yeah maybe it's aliens

1989

01:16:58,310 --> 01:16:56,400

showing maybe the aliens showed him how

1990

01:16:59,030 --> 01:16:58,320

to make the best glow-in-the-dark paint

1991

01:17:01,270 --> 01:16:59,040

so

1992

01:17:03,110 --> 01:17:01,280

for all of my criticism of bob lazar a

1993

01:17:05,510 --> 01:17:03,120

few things i will say is i'm a science

1994

01:17:06,390 --> 01:17:05,520

nerd myself he sells some fun cool weird

1995

01:17:08,310 --> 01:17:06,400

stuff

1996

01:17:10,630 --> 01:17:08,320

you know but i just wish that he would

1997

01:17:12,550 --> 01:17:10,640

do it without the uh

1998

01:17:16,630 --> 01:17:12,560

the uh

1999

01:17:18,709 --> 01:17:16,640

ufo you know connection there

2000

01:17:20,470 --> 01:17:18,719

right and i've often thought maybe the

2001

01:17:21,189 --> 01:17:20,480

last move for him would be to come out

2002

01:17:23,030 --> 01:17:21,199

and

2003

01:17:24,470 --> 01:17:23,040

write a book about how he made this [h\_\_h]

2004

01:17:26,709 --> 01:17:24,480

all up because that would be another

2005

01:17:27,990 --> 01:17:26,719

cash in right

2006

01:17:29,910 --> 01:17:28,000

yeah

2007

01:17:32,229 --> 01:17:29,920

he would he'd be open to um consumer

2008

01:17:33,750 --> 01:17:32,239

fraud child oh yeah i guess you're right

2009

01:17:35,910 --> 01:17:33,760

yeah yeah

2010

01:17:38,709 --> 01:17:35,920

but i guess maybe on his on his deathbed

2011

01:17:41,270 --> 01:17:38,719

when he's really old he will

2012

01:17:42,950 --> 01:17:41,280

everyone the middle finger

2013

01:17:44,870 --> 01:17:42,960

yeah yeah and it seems like more and

2014

01:17:46,870 --> 01:17:44,880

more people are interested enough in the

2015

01:17:48,870 --> 01:17:46,880

story like you and uh

2016

01:17:51,830 --> 01:17:48,880

and and this other recent researcher

2017

01:17:53,990 --> 01:17:51,840

that we we talked about and uh jeremy

2018

01:17:56,950 --> 01:17:54,000

rise alien scientist and solar marshall

2019

01:17:58,470 --> 01:17:56,960

have been what is forever

2020

01:18:00,470 --> 01:17:58,480

it seems like more and more people are

2021

01:18:04,870 --> 01:18:00,480

interested in debunking this story is

2022

01:18:09,030 --> 01:18:06,870

so besides bob lazar can you talk

2023

01:18:11,590 --> 01:18:09,040

briefly about some of the other stuff

2024

01:18:14,470 --> 01:18:11,600

that you cover i see you cover uh

2025

01:18:17,030 --> 01:18:14,480

billy meyer as well

2026

01:18:22,310 --> 01:18:17,040

yeah billy meyer and um some stuff

2027

01:18:29,030 --> 01:18:24,950

figure figure figure

2028

01:18:31,430 --> 01:18:29,040

which is the um maya sects um website

2029

01:18:32,950 --> 01:18:31,440

and there were some claims last year

2030

01:18:34,950 --> 01:18:32,960

that um

2031

01:18:36,950 --> 01:18:34,960

he was trying to connect michael horn

2032

01:18:39,350 --> 01:18:36,960

was trying to connect uh

2033

01:18:41,110 --> 01:18:39,360

these photos which was supposedly taken

2034

01:18:43,910 --> 01:18:41,120

at area 51

2035

01:18:46,310 --> 01:18:43,920

by wendell stevens

2036

01:18:48,470 --> 01:18:46,320

he was trying to connect he loves

2037

01:18:49,669 --> 01:18:48,480

he loves citing wendell stevens as a

2038

01:18:52,550 --> 01:18:49,679

source

2039

01:18:55,669 --> 01:18:52,560

so a child molester had these pictures

2040

01:18:57,590 --> 01:18:55,679

that died so this is proof

2041

01:18:59,270 --> 01:18:57,600

yeah exactly

2042

01:19:00,709 --> 01:18:59,280

and what is it that you failed because i

2043

01:19:02,390 --> 01:19:00,719

haven't looked into these specific

2044

01:19:05,750 --> 01:19:02,400

pictures i just thought they were more

2045

01:19:08,790 --> 01:19:05,760

hokey fakes so i sort of skipped it

2046

01:19:10,550 --> 01:19:08,800

so he was linking these photos to a

2047

01:19:12,149 --> 01:19:10,560

supposed incident that had been talked

2048

01:19:14,630 --> 01:19:12,159

about i guess in the i think it was in

2049

01:19:16,149 --> 01:19:14,640

the 1970s where

2050

01:19:17,990 --> 01:19:16,159

um

2051  
01:19:20,630 --> 01:19:18,000  
incident that had supposedly taken place

2052  
01:19:23,350 --> 01:19:20,640  
in switzerland where some fighter jets

2053  
01:19:25,750 --> 01:19:23,360  
were chasing the beam ships

2054  
01:19:29,110 --> 01:19:25,760  
and then now he's saying that in fact it

2055  
01:19:32,149 --> 01:19:29,120  
was the area 51 incident where

2056  
01:19:34,310 --> 01:19:32,159  
wendell stevens was

2057  
01:19:39,189 --> 01:19:34,320  
he traveled through time

2058  
01:19:42,950 --> 01:19:41,430  
to view the maiden flight of the f-117

2059  
01:19:45,189 --> 01:19:42,960  
stealth aircraft

2060  
01:19:47,669 --> 01:19:45,199  
and then i found a bunch of like

2061  
01:19:51,270 --> 01:19:47,679  
operational details which

2062  
01:19:52,630 --> 01:19:51,280  
um contradict that narrative so

2063  
01:19:54,630 --> 01:19:52,640

you can't bother

2064

01:19:57,030 --> 01:19:54,640

you cannot bother mikey horn with the

2065

01:19:58,950 --> 01:19:57,040

facts his mind is already made up those

2066

01:20:01,270 --> 01:19:58,960

aren't garbage cans those are real

2067

01:20:03,669 --> 01:20:01,280

spaceships in those pictures and stuff

2068

01:20:05,430 --> 01:20:03,679

yeah so you so you found some you found

2069

01:20:06,629 --> 01:20:05,440

some historical

2070

01:20:08,709 --> 01:20:06,639

uh

2071

01:20:11,750 --> 01:20:08,719

information that would yeah that would

2072

01:20:13,510 --> 01:20:11,760

totally blow his story to [h\_\_h] you know

2073

01:20:16,830 --> 01:20:13,520

mikey horn is another interesting one he

2074

01:20:19,750 --> 01:20:16,840

loves saying things like nasa scientist

2075

01:20:21,669 --> 01:20:19,760

confirms billy meyer case is real then

2076

01:20:23,830 --> 01:20:21,679

you try to get to the nasa scientist who

2077

01:20:26,470 --> 01:20:23,840

said that and you never do

2078

01:20:30,950 --> 01:20:28,390

at the risk of pissing off the billy

2079

01:20:32,950 --> 01:20:30,960

meyer cult again they uh oh they come

2080

01:20:34,790 --> 01:20:32,960

after me every time we mention them they

2081

01:20:36,149 --> 01:20:34,800

don't they don't like criticism very

2082

01:20:38,070 --> 01:20:36,159

much

2083

01:20:40,070 --> 01:20:38,080

have you uh have you gotten those

2084

01:20:41,590 --> 01:20:40,080

hundred sock accounts of mikey horns

2085

01:20:43,990 --> 01:20:41,600

pissed off at you yet

2086

01:20:47,750 --> 01:20:44,000

they were commenting in this very in the

2087

01:20:49,270 --> 01:20:47,760

comment section for that very article

2088

01:20:51,590 --> 01:20:49,280

oh we're going to look at some of that

2089

01:20:53,270 --> 01:20:51,600

that's funny

2090

01:20:55,110 --> 01:20:53,280

it's going to load in a second yeah i

2091

01:20:56,950 --> 01:20:55,120

think it's loaded now

2092

01:20:59,030 --> 01:20:56,960

oh it'll load in a second yeah those

2093

01:21:01,510 --> 01:20:59,040

guys are just like

2094

01:21:03,350 --> 01:21:01,520

and the venom from them is so like i

2095

01:21:05,270 --> 01:21:03,360

said it's like attacking their religion

2096

01:21:07,270 --> 01:21:05,280

i suppose it's

2097

01:21:09,430 --> 01:21:07,280

the billy meyer cult is not just about

2098

01:21:12,950 --> 01:21:09,440

ufos it also has an element of

2099

01:21:15,350 --> 01:21:12,960

spirituality that billy meyer claims was

2100

01:21:17,750 --> 01:21:15,360

imparted to him by these super advanced

2101  
01:21:18,790 --> 01:21:17,760  
extraterrestrial aliens

2102  
01:21:21,110 --> 01:21:18,800  
and so

2103  
01:21:23,830 --> 01:21:21,120  
it's truly like a religion for these

2104  
01:21:24,629 --> 01:21:23,840  
people and for you to say that you know

2105  
01:21:27,110 --> 01:21:24,639  
this

2106  
01:21:30,470 --> 01:21:27,120  
stuff is garbage

2107  
01:21:32,310 --> 01:21:30,480  
yeah they do not they do not like that

2108  
01:21:35,669 --> 01:21:32,320  
scroll down i think it's already loaded

2109  
01:21:37,870 --> 01:21:35,679  
further down oh there we go yeah

2110  
01:21:39,110 --> 01:21:37,880  
oh yeah

2111  
01:21:41,110 --> 01:21:39,120  
[Music]

2112  
01:21:50,229 --> 01:21:41,120  
yeah

2113  
01:21:52,310 --> 01:21:50,239

regarding the meyer photos

2114

01:21:54,790 --> 01:21:52,320

yeah and the funny thing is that you

2115

01:21:57,110 --> 01:21:54,800

have all these different commenters it's

2116

01:21:58,950 --> 01:21:57,120

probably all mikey horn he has like a

2117

01:22:00,229 --> 01:21:58,960

hundred different fake sock accounts

2118

01:22:03,030 --> 01:22:00,239

that he uses

2119

01:22:07,830 --> 01:22:05,270

you do such extreme mental gymnastics

2120

01:22:09,189 --> 01:22:07,840

regarding the meyer photos and beamship

2121

01:22:11,189 --> 01:22:09,199

he ignores everything that would

2122

01:22:13,110 --> 01:22:11,199

disprove his allegations

2123

01:22:15,030 --> 01:22:13,120

his overthought write up actually

2124

01:22:18,070 --> 01:22:15,040

debunks himself it's an exercise of

2125

01:22:20,390 --> 01:22:18,080

skepticism without facts and meanwhile

2126  
01:22:21,910 --> 01:22:20,400  
you've got eight pages of facts here

2127  
01:22:23,990 --> 01:22:21,920  
that they don't wanna they don't even

2128  
01:22:26,229 --> 01:22:24,000  
wanna i doubt they even read what you

2129  
01:22:29,510 --> 01:22:26,239  
wrote they're just like

2130  
01:22:31,430 --> 01:22:29,520  
you know screw this guy

2131  
01:22:33,669 --> 01:22:31,440  
these are these unresearched and

2132  
01:22:35,830 --> 01:22:33,679  
therefore unprofessional articles are

2133  
01:22:37,510 --> 01:22:35,840  
only good for cali everyone else who

2134  
01:22:38,629 --> 01:22:37,520  
gains knowledge through proper research

2135  
01:22:40,229 --> 01:22:38,639  
and education

2136  
01:22:43,430 --> 01:22:40,239  
sees through this because everything

2137  
01:22:45,189 --> 01:22:43,440  
began in 1964

2138  
01:22:47,350 --> 01:22:45,199

the picture on the top left of the blog

2139

01:22:49,590 --> 01:22:47,360

clearly shows an unhappy person who is

2140

01:22:51,590 --> 01:22:49,600

going against his own inner voice

2141

01:22:53,830 --> 01:22:51,600

not sure what happened to him but we can

2142

01:22:55,270 --> 01:22:53,840

heal and have a life with less burden so

2143

01:22:57,669 --> 01:22:55,280

see

2144

01:22:59,350 --> 01:22:57,679

louis you're the problem you you have

2145

01:23:00,470 --> 01:22:59,360

something wrong with you

2146

01:23:03,270 --> 01:23:00,480

absolutely

2147

01:23:05,350 --> 01:23:03,280

unresearched and unprofessional article

2148

01:23:07,350 --> 01:23:05,360

and meanwhile you have 10 pages of

2149

01:23:09,510 --> 01:23:07,360

evidence here

2150

01:23:12,790 --> 01:23:09,520

how is this on research louis i don't

2151

01:23:16,629 --> 01:23:12,800

get it i i don't understand

2152

01:23:21,430 --> 01:23:18,950

yeah oh and and the fact that this story

2153

01:23:23,270 --> 01:23:21,440

also involves billy meyer or excuse me

2154

01:23:26,229 --> 01:23:23,280

wendell stevens for those who don't know

2155

01:23:29,030 --> 01:23:26,239

wendell stevens was a multiple he was a

2156

01:23:30,790 --> 01:23:29,040

child molester convicted of multiple

2157

01:23:32,950 --> 01:23:30,800

different offenses with multiple

2158

01:23:35,590 --> 01:23:32,960

different victims all child related

2159

01:23:37,510 --> 01:23:35,600

sexual offenses and mikey horn loves to

2160

01:23:39,669 --> 01:23:37,520

cite wendell stevens as proof of his

2161

01:23:41,910 --> 01:23:39,679

alien claims first of all because he's

2162

01:23:43,990 --> 01:23:41,920

dead and second of all

2163

01:23:45,430 --> 01:23:44,000

you know he doesn't want to talk about

2164

01:23:47,110 --> 01:23:45,440

the fact that he keeps citing a child

2165

01:23:49,590 --> 01:23:47,120

molester as a source

2166

01:23:51,830 --> 01:23:49,600

i think that's relevant right it goes to

2167

01:23:55,510 --> 01:23:51,840

credibility doesn't it

2168

01:23:57,910 --> 01:23:55,520

oh yeah and a lot of these um ufo people

2169

01:24:02,229 --> 01:23:57,920

um a disturbing amount

2170

01:24:03,510 --> 01:24:02,239

seem to have these sorts of issues with

2171

01:24:04,950 --> 01:24:03,520

i don't

2172

01:24:06,390 --> 01:24:04,960

don't want to say they're all pedophiles

2173

01:24:08,390 --> 01:24:06,400

but um

2174

01:24:10,070 --> 01:24:08,400

some of them are criminality yeah it's

2175

01:24:11,830 --> 01:24:10,080

some of these

2176

01:24:15,590 --> 01:24:11,840

very dodgy behavior

2177

01:24:18,470 --> 01:24:15,600

or you know history of making stuff up

2178

01:24:20,070 --> 01:24:18,480

yeah and uh yeah we see this

2179

01:24:22,390 --> 01:24:20,080

you're the one with the blob called

2180

01:24:25,510 --> 01:24:22,400

ufology is corrupt but one thing that

2181

01:24:27,030 --> 01:24:25,520

i've seen that one yeah

2182

01:24:29,750 --> 01:24:27,040

one of the things that i will say is

2183

01:24:32,629 --> 01:24:29,760

that in my study of these stories i have

2184

01:24:35,110 --> 01:24:32,639

found that many of these witnesses or

2185

01:24:37,110 --> 01:24:35,120

so-called whistleblowers are

2186

01:24:38,629 --> 01:24:37,120

very problematic from a criminal

2187

01:24:40,709 --> 01:24:38,639

standpoint they either have criminal

2188

01:24:43,669 --> 01:24:40,719

backgrounds sexual offenses with

2189

01:24:46,149 --> 01:24:43,679

children rape conviction something

2190

01:24:48,310 --> 01:24:46,159

that leads me to believe that less than

2191

01:24:50,229 --> 01:24:48,320

scrupulous people who like to sell alien

2192

01:24:53,590 --> 01:24:50,239

stories love using people like that

2193

01:24:55,590 --> 01:24:53,600

because they'll say anything you know

2194

01:24:57,750 --> 01:24:55,600

murderers even kerry cassidy uses

2195

01:25:00,229 --> 01:24:57,760

murderers captain mark richards is

2196

01:25:02,229 --> 01:25:00,239

supposed to be in a secret space program

2197

01:25:04,629 --> 01:25:02,239

you know he teleports out of his prison

2198

01:25:08,229 --> 01:25:04,639

cell and he goes on buck rogers space

2199

01:25:12,390 --> 01:25:10,709

if this thing really is

2200

01:25:14,229 --> 01:25:12,400

he doesn't teleport himself out of the

2201

01:25:17,910 --> 01:25:14,239

prison cell though

2202

01:25:20,629 --> 01:25:17,920

like to just live outside on earth

2203

01:25:22,149 --> 01:25:20,639

no he goes to save earth he's on secret

2204

01:25:23,350 --> 01:25:22,159

space missions according to carrie

2205

01:25:25,270 --> 01:25:23,360

cassidy

2206

01:25:28,310 --> 01:25:25,280

and uh

2207

01:25:30,310 --> 01:25:28,320

i was in the live chat and and one show

2208

01:25:32,550 --> 01:25:30,320

host was brave enough to put my question

2209

01:25:34,709 --> 01:25:32,560

up and she lost her goddamn mind start

2210

01:25:37,510 --> 01:25:34,719

yelling and screaming when i said

2211

01:25:39,430 --> 01:25:37,520

you use rapists and child molesters or

2212

01:25:41,430 --> 01:25:39,440

excuse me child molesters and murderers

2213

01:25:43,030 --> 01:25:41,440

as sources she lost her mind start

2214

01:25:45,270 --> 01:25:43,040

yelling and screaming

2215

01:25:47,910 --> 01:25:45,280

you know

2216

01:25:50,070 --> 01:25:47,920

i suppose uh mikey horn too i mean what

2217

01:25:51,350 --> 01:25:50,080

he said is who cares if he was a child

2218

01:25:54,470 --> 01:25:51,360

molester we're talking about the

2219

01:25:57,990 --> 01:25:54,480

information not his past or i'm like

2220

01:26:01,990 --> 01:26:00,550

so what what

2221

01:26:03,350 --> 01:26:02,000

i'm sorry go ahead

2222

01:26:06,310 --> 01:26:03,360

no you go ahead

2223

01:26:07,750 --> 01:26:06,320

michael horn um was defending the

2224

01:26:09,750 --> 01:26:07,760

the space gun

2225

01:26:11,189 --> 01:26:09,760

right

2226

01:26:14,310 --> 01:26:11,199

the toy gun

2227

01:26:19,350 --> 01:26:16,550

he was saying something like uh

2228

01:26:22,229 --> 01:26:19,360

that it shot a hole through a tree like

2229

01:26:24,229 --> 01:26:22,239

the laser beam fired through the tree

2230

01:26:25,990 --> 01:26:24,239

yeah and the child molester saw it so it

2231

01:26:27,830 --> 01:26:26,000

must be a true story

2232

01:26:29,830 --> 01:26:27,840

he saw the hole in the tree

2233

01:26:32,149 --> 01:26:29,840

yeah it has to be true because uh you

2234

01:26:34,390 --> 01:26:32,159

know billy meyer who's only got one arm

2235

01:26:35,910 --> 01:26:34,400

because he lost one in an accident he

2236

01:26:39,189 --> 01:26:35,920

couldn't possibly have gotten help from

2237

01:26:40,790 --> 01:26:39,199

anyone else in making up this story

2238

01:26:42,390 --> 01:26:40,800

yeah basically what michael horn is

2239

01:26:43,750 --> 01:26:42,400  
saying that it's impossible for a

2240

01:26:45,430 --> 01:26:43,760  
one-armeded man

2241

01:26:49,030 --> 01:26:45,440  
to make up a story and that we have to

2242

01:26:50,870 --> 01:26:49,040  
go immediately to aliens did it

2243

01:26:52,629 --> 01:26:50,880  
yeah yeah and interestingly there's a

2244

01:26:54,149 --> 01:26:52,639  
person that recreated many of the billy

2245

01:26:56,950 --> 01:26:54,159  
meyer films and

2246

01:26:58,629 --> 01:26:56,960  
and photos on youtube and he did it with

2247

01:26:59,669 --> 01:26:58,639  
one arm yeah just to prove that it could

2248

01:27:01,590 --> 01:26:59,679  
be done

2249

01:27:03,830 --> 01:27:01,600  
and mikey horn hates that guy because

2250

01:27:05,110 --> 01:27:03,840  
that blows his story to [h\_\_h] like that's

2251  
01:27:06,870 --> 01:27:05,120

a big

2252  
01:27:07,830 --> 01:27:06,880

how's he building these models with one

2253  
01:27:10,950 --> 01:27:07,840

arm

2254  
01:27:12,950 --> 01:27:10,960

you know slowly i i don't know you know

2255  
01:27:17,030 --> 01:27:12,960

how's he hanging lines with one arm this

2256  
01:27:21,189 --> 01:27:19,430

so what do you think uh

2257  
01:27:22,870 --> 01:27:21,199

what what's next for your blog what

2258  
01:27:25,350 --> 01:27:22,880

stories are you looking into i don't

2259  
01:27:26,950 --> 01:27:25,360

want to keep you for too much longer and

2260  
01:27:30,149 --> 01:27:26,960

but i i am

2261  
01:27:32,629 --> 01:27:30,159

a tip uh the a tip story and um the

2262  
01:27:34,390 --> 01:27:32,639

whole skin walker story as well and the

2263  
01:27:36,070 --> 01:27:34,400

connection between the two because i

2264

01:27:38,709 --> 01:27:36,080

know that there's many people who are

2265

01:27:40,629 --> 01:27:38,719

connected and have over the the decades

2266

01:27:41,510 --> 01:27:40,639

been involved in like psychic research

2267

01:27:46,629 --> 01:27:41,520

and

2268

01:27:48,390 --> 01:27:46,639

some grifts on the side like hal pothoff

2269

01:27:49,669 --> 01:27:48,400

has been involved in this for a long

2270

01:27:52,709 --> 01:27:49,679

long time

2271

01:27:53,750 --> 01:27:52,719

how put off wasted wasted millions of

2272

01:27:55,110 --> 01:27:53,760

dollars

2273

01:27:57,270 --> 01:27:55,120

studying

2274

01:27:59,910 --> 01:27:57,280

yuri geller and other psychics and he

2275

01:28:02,870 --> 01:27:59,920

declared yuri geller real and that his

2276

01:28:05,110 --> 01:28:02,880

powers were supernatural and years later

2277

01:28:06,790 --> 01:28:05,120

yuri geller would admit that he used

2278

01:28:09,830 --> 01:28:06,800

magic tricks to fool

2279

01:28:10,790 --> 01:28:09,840

everyone like literal magic tricks i

2280

01:28:12,470 --> 01:28:10,800

think that's

2281

01:28:14,070 --> 01:28:12,480

says everything that you need to know

2282

01:28:15,830 --> 01:28:14,080

about hal put off but somehow he's

2283

01:28:16,709 --> 01:28:15,840

totally respected like some kind of

2284

01:28:19,669 --> 01:28:16,719

really

2285

01:28:20,950 --> 01:28:19,679

serious scientific researcher right

2286

01:28:24,149 --> 01:28:20,960

yeah but so

2287

01:28:27,669 --> 01:28:24,159

so is jacques valet who also credits um

2288

01:28:29,350 --> 01:28:27,679

yuri gala as a psychic even though he

2289

01:28:30,870 --> 01:28:29,360

financial aspect

2290

01:28:33,270 --> 01:28:30,880

that you know geller is out there for

2291

01:28:35,750 --> 01:28:33,280

the money he also seems to think that

2292

01:28:38,550 --> 01:28:35,760

geller really did exhibit you know

2293

01:28:41,110 --> 01:28:38,560

extraordinary abilities

2294

01:28:43,030 --> 01:28:41,120

and now magic jerks

2295

01:28:44,950 --> 01:28:43,040

yeah but no he says actually that he

2296

01:28:46,310 --> 01:28:44,960

does think that gela

2297

01:28:48,709 --> 01:28:46,320

um

2298

01:28:50,070 --> 01:28:48,719

was using psychic powers

2299

01:28:52,629 --> 01:28:50,080

and

2300

01:28:54,709 --> 01:28:52,639

more recently um jacques velez actually

2301

01:28:58,790 --> 01:28:54,719

credited the crash narrative

2302

01:29:01,030 --> 01:28:58,800

with his um trinity story

2303

01:29:03,030 --> 01:29:01,040

with a paula harris

2304

01:29:04,709 --> 01:29:03,040

so that's a story that he was or a

2305

01:29:07,270 --> 01:29:04,719

narrative that he was really steering

2306

01:29:08,629 --> 01:29:07,280

clear from for decades

2307

01:29:10,470 --> 01:29:08,639

saying that i don't need the money you

2308

01:29:13,750 --> 01:29:10,480

need a new book right it must be

2309

01:29:15,990 --> 01:29:13,760

something maybe it's just

2310

01:29:18,070 --> 01:29:16,000

i don't know it could be that

2311

01:29:21,830 --> 01:29:18,080

something to do with death because

2312

01:29:26,390 --> 01:29:23,669

i don't know it still seems weird that

2313

01:29:28,629 --> 01:29:26,400

jacques ville jacques ville would um go

2314

01:29:29,910 --> 01:29:28,639

in so heavily for the

2315

01:29:32,629 --> 01:29:29,920

crowd

2316

01:29:34,390 --> 01:29:32,639

yeah and that was pretty woo of a story

2317

01:29:37,110 --> 01:29:34,400

the whole thing and the fact that paula

2318

01:29:38,709 --> 01:29:37,120

harris is involved with him because she

2319

01:29:40,790 --> 01:29:38,719

will she's another one like linda mullen

2320

01:29:42,870 --> 01:29:40,800

hale and i have nothing against her but

2321

01:29:44,550 --> 01:29:42,880

she believes every story that she's told

2322

01:29:46,070 --> 01:29:44,560

she thinks billy meyer is real and

2323

01:29:48,149 --> 01:29:46,080

damsky's real

2324

01:29:50,629 --> 01:29:48,159

you know howard menger's real all those

2325

01:29:54,149 --> 01:29:50,639

contacts and the aliens are real

2326

01:29:57,430 --> 01:29:55,750

will be interesting to see what you dig

2327

01:29:58,950 --> 01:29:57,440

up on atip and skinwalker and the

2328

01:30:00,470 --> 01:29:58,960

connection there

2329

01:30:02,629 --> 01:30:00,480

i did make i don't know if you want to

2330

01:30:04,470 --> 01:30:02,639

show this but i did actually have

2331

01:30:07,189 --> 01:30:04,480

on the blog some

2332

01:30:09,750 --> 01:30:07,199

uh if you go to the article

2333

01:30:11,750 --> 01:30:09,760

mapping the ufo scene

2334

01:30:13,510 --> 01:30:11,760

oh yeah i saw that let me get to that

2335

01:30:16,390 --> 01:30:13,520

one second

2336

01:30:18,390 --> 01:30:16,400

so i'm constantly updating the graphs to

2337

01:30:20,229 --> 01:30:18,400

sort of um

2338

01:30:21,830 --> 01:30:20,239

provide like a visual oversight of the

2339

01:30:23,430 --> 01:30:21,840

whole situation

2340

01:30:26,550 --> 01:30:23,440

yeah and just so everybody is aware we

2341

01:30:29,110 --> 01:30:26,560

did put louis links for both his website

2342

01:30:32,950 --> 01:30:29,120

and his youtube into the

2343

01:30:32,960 --> 01:30:45,350

one second

2344

01:30:51,669 --> 01:30:48,470

if you go back to blog on top

2345

01:30:56,709 --> 01:30:51,679

oh no sorry that's the article

2346

01:30:59,270 --> 01:30:57,750

one second

2347

01:31:00,629 --> 01:30:59,280

anyway

2348

01:31:02,550 --> 01:31:00,639

yeah i thought that was

2349

01:31:04,390 --> 01:31:02,560

i thought that was the article you go

2350

01:31:05,910 --> 01:31:04,400

back to blog

2351

01:31:08,229 --> 01:31:05,920

and you have

2352

01:31:09,830 --> 01:31:08,239

more leads on atip tsa i thought that

2353

01:31:11,350 --> 01:31:09,840

was the one you wanted

2354

01:31:14,390 --> 01:31:11,360

but just go a bit further down there's a

2355

01:31:17,350 --> 01:31:14,400

few more of these sorts of graphs um

2356

01:31:19,270 --> 01:31:17,360

including oh yeah benowitz

2357

01:31:20,790 --> 01:31:19,280

yeah and this this article i thought was

2358

01:31:22,790 --> 01:31:20,800

pretty interesting you did this one

2359

01:31:25,270 --> 01:31:22,800

called ufos are almost certainly not

2360

01:31:27,669 --> 01:31:25,280

extraterrestrial interdimensional or

2361

01:31:30,470 --> 01:31:27,679

supernatural and you give a pretty

2362

01:31:32,950 --> 01:31:30,480

convincing report of that yeah here

2363

01:31:34,149 --> 01:31:32,960

mapping the ufo scene using association

2364

01:31:35,910 --> 01:31:34,159

charts

2365

01:31:37,510 --> 01:31:35,920

that's interesting how all these people

2366

01:31:40,229 --> 01:31:37,520

are connected right

2367

01:31:42,310 --> 01:31:40,239

yeah because i really wanted to i kept

2368

01:31:45,030 --> 01:31:42,320

noticing people cropping up again and

2369

01:31:47,189 --> 01:31:45,040

again and i just wanted to give

2370

01:31:48,550 --> 01:31:47,199

a kind of visual overview of that to

2371

01:31:51,110 --> 01:31:48,560

make it easier

2372

01:31:52,550 --> 01:31:51,120

because it can get pretty complicated

2373

01:31:54,950 --> 01:31:52,560

yeah a lot of these people definitely

2374

01:31:58,070 --> 01:31:54,960

are connected they work together they

2375

01:31:59,830 --> 01:31:58,080

grip together you know

2376

01:32:02,790 --> 01:31:59,840

i love it when one confirms another

2377

01:32:07,590 --> 01:32:05,750

like somehow two people with no evidence

2378

01:32:10,950 --> 01:32:07,600

means the story is true but one person

2379

01:32:14,550 --> 01:32:10,960

with no evidence is you know

2380

01:32:14,560 --> 01:32:20,870

yes you have this organizational chart

2381

01:32:26,390 --> 01:32:23,750

and it includes greg bishop mark pill

2382

01:32:29,030 --> 01:32:26,400

pilkington bill cooper paul benowitz

2383

01:32:31,270 --> 01:32:29,040

greg gourdy

2384

01:32:34,470 --> 01:32:31,280

richard dodie paul benowitz

2385

01:32:36,629 --> 01:32:34,480

jerry miller everybody's connected here

2386

01:32:38,790 --> 01:32:36,639

and then there's the nycap intelligence

2387

01:32:41,110 --> 01:32:38,800

community saga

2388

01:32:43,030 --> 01:32:41,120

that's from jack brewer's book mostly i

2389

01:32:44,950 --> 01:32:43,040

got the information from

2390

01:32:47,510 --> 01:32:44,960

his uh

2391

01:32:50,550 --> 01:32:47,520

one of his books

2392

01:32:52,709 --> 01:32:50,560

now lou alexander tom delong a tip tsa

2393

01:32:54,870 --> 01:32:52,719

saga we have the whole

2394

01:32:57,910 --> 01:32:54,880

organizational chart for that that's

2395

01:33:01,750 --> 01:32:59,350

interesting stuff

2396

01:33:03,430 --> 01:33:01,760

and and tedious work right you must like

2397

01:33:06,390 --> 01:33:03,440

tedious work though from what i've seen

2398

01:33:10,070 --> 01:33:06,400

because you're very thorough

2399

01:33:11,430 --> 01:33:10,080

and detail-oriented more than i can be

2400

01:33:15,510 --> 01:33:11,440

can be very

2401  
01:33:20,470 --> 01:33:17,430  
yeah i mean obviously you have some

2402  
01:33:23,030 --> 01:33:20,480  
interest in these subjects so do i but

2403  
01:33:24,550 --> 01:33:23,040  
it to me it just gets to be like one

2404  
01:33:27,350 --> 01:33:24,560  
disappointment after another

2405  
01:33:30,070 --> 01:33:27,360  
disappointment

2406  
01:33:32,629 --> 01:33:30,080  
and i i almost uh

2407  
01:33:34,229 --> 01:33:32,639  
i almost missed the times before i

2408  
01:33:36,950 --> 01:33:34,239  
really dug deep into some of these

2409  
01:33:39,510 --> 01:33:36,960  
speakers and other stories when i just

2410  
01:33:42,149 --> 01:33:39,520  
thought yeah maybe this is true

2411  
01:33:44,149 --> 01:33:42,159  
and you didn't dig too deep right maybe

2412  
01:33:45,910 --> 01:33:44,159  
we both just don't we got we both dug

2413  
01:33:47,910 --> 01:33:45,920

too deep down this rabbit hole is that

2414

01:33:49,430 --> 01:33:47,920

what happened

2415

01:33:51,350 --> 01:33:49,440

i i guess i

2416

01:33:53,430 --> 01:33:51,360

i already wanted to explore the

2417

01:33:56,550 --> 01:33:53,440

sociological aspect

2418

01:34:00,070 --> 01:33:56,560

because i already stopped believing in

2419

01:34:01,669 --> 01:34:00,080

the alien story so i knew that

2420

01:34:04,149 --> 01:34:01,679

knew that it was a sociological thing

2421

01:34:05,350 --> 01:34:04,159

going on so i wanted to explore that

2422

01:34:08,070 --> 01:34:05,360

aspect

2423

01:34:09,990 --> 01:34:08,080

so i guess i can't be disappointed

2424

01:34:12,390 --> 01:34:10,000

yeah you seem to focus a lot on the

2425

01:34:15,030 --> 01:34:12,400

psychological aspects of this

2426

01:34:17,590 --> 01:34:15,040

which is interesting you you you sort of

2427

01:34:19,350 --> 01:34:17,600

zone in on why people believe this that

2428

01:34:20,870 --> 01:34:19,360

there's this need that they have or

2429

01:34:22,070 --> 01:34:20,880

they're missing something in their own

2430

01:34:23,910 --> 01:34:22,080

lives

2431

01:34:24,950 --> 01:34:23,920

it's it's an interesting perspective to

2432

01:34:27,510 --> 01:34:24,960

think

2433

01:34:29,350 --> 01:34:27,520

about from a psychology perspective why

2434

01:34:30,310 --> 01:34:29,360

are so many people

2435

01:34:32,790 --> 01:34:30,320

so

2436

01:34:34,310 --> 01:34:32,800

intensely interested into this like i

2437

01:34:35,470 --> 01:34:34,320

said it becomes a religion for some

2438

01:34:36,629 --> 01:34:35,480

people

2439

01:34:38,149 --> 01:34:36,639

[Music]

2440

01:34:41,669 --> 01:34:38,159

we have a nice article on havana

2441

01:34:46,390 --> 01:34:44,149

oh corruption and vinality in the ufo

2442

01:34:48,149 --> 01:34:46,400

paranormal scene structural not

2443

01:34:50,790 --> 01:34:48,159

incidental

2444

01:34:53,750 --> 01:34:50,800

yeah so ufos are corrupt

2445

01:34:56,390 --> 01:34:53,760

ufology is corrupt.com

2446

01:34:59,430 --> 01:34:56,400

uh and of course you have a a slot there

2447

01:35:02,149 --> 01:34:59,440

for videos which will take them to your

2448

01:35:03,990 --> 01:35:02,159

uh to your uh

2449

01:35:05,590 --> 01:35:04,000

to your youtube channel and i noticed

2450

01:35:07,350 --> 01:35:05,600

you don't have many subscribers so

2451

01:35:08,950 --> 01:35:07,360

everybody should go and subscribe

2452

01:35:11,109 --> 01:35:08,960

because uh

2453

01:35:13,109 --> 01:35:11,119

lewis is doing great work it's very

2454

01:35:15,830 --> 01:35:13,119

detailed if you like

2455

01:35:18,790 --> 01:35:15,840

i'm a data person so i i love what he

2456

01:35:22,070 --> 01:35:18,800

does and it's all laid out

2457

01:35:23,350 --> 01:35:22,080

oh you mentioned john ventry in this

2458

01:35:24,870 --> 01:35:23,360

corruption

2459

01:35:26,470 --> 01:35:24,880

in ufology

2460

01:35:28,229 --> 01:35:26,480

and what do you say to the people that

2461

01:35:31,830 --> 01:35:28,239

argue against that that there's not

2462

01:35:37,990 --> 01:35:33,750

i can't argue against such people

2463

01:35:43,590 --> 01:35:41,510

i think you may be right you know

2464

01:35:46,550 --> 01:35:43,600

i think many people who are into ufos

2465

01:35:47,830 --> 01:35:46,560

and they believe in the alien hypothesis

2466

01:35:53,430 --> 01:35:47,840

or

2467

01:35:55,590 --> 01:35:53,440

there is

2468

01:35:56,629 --> 01:35:55,600

a grift going on and they're trying to

2469

01:35:58,390 --> 01:35:56,639

sort of

2470

01:36:00,149 --> 01:35:58,400

you know separate the real stuff from

2471

01:36:01,910 --> 01:36:00,159

the fake stuff

2472

01:36:03,990 --> 01:36:01,920

um whereas i think that it's there's

2473

01:36:05,669 --> 01:36:04,000

nothing really real under the surface

2474

01:36:08,229 --> 01:36:05,679

it's just

2475

01:36:11,350 --> 01:36:08,239

psychology and sociology that explains

2476  
01:36:12,550 --> 01:36:11,360  
it but um i think no reasonable person

2477  
01:36:14,149 --> 01:36:12,560  
would deny that there's a lot of

2478  
01:36:16,229 --> 01:36:14,159  
corruption in

2479  
01:36:18,629 --> 01:36:16,239  
ufology

2480  
01:36:20,629 --> 01:36:18,639  
or in you know the paranormal scene more

2481  
01:36:22,870 --> 01:36:20,639  
generally

2482  
01:36:24,709 --> 01:36:22,880  
yeah i i sometimes i think that i'm a

2483  
01:36:27,669 --> 01:36:24,719  
little too harsh because i focus on the

2484  
01:36:29,750 --> 01:36:27,679  
darker side i i will say in the defense

2485  
01:36:32,550 --> 01:36:29,760  
of this thing that there are some really

2486  
01:36:34,950 --> 01:36:32,560  
good people that really are just

2487  
01:36:37,350 --> 01:36:34,960  
interested and they're searching

2488  
01:36:40,149 --> 01:36:37,360

for the truth behind these stories

2489

01:36:42,790 --> 01:36:40,159

but more often than not i see a lot of

2490

01:36:44,870 --> 01:36:42,800

profiteers and a lot of people that

2491

01:36:45,669 --> 01:36:44,880

don't care if the story is true or not

2492

01:36:47,750 --> 01:36:45,679

just

2493

01:36:50,390 --> 01:36:47,760

need something to sell

2494

01:36:52,149 --> 01:36:50,400

the race to create more content for

2495

01:36:54,629 --> 01:36:52,159

these people to consume because they're

2496

01:36:56,870 --> 01:36:54,639

such a hunger for this information i

2497

01:36:58,870 --> 01:36:56,880

think that may be why all the hoaxers

2498

01:37:00,870 --> 01:36:58,880

are so successful

2499

01:37:03,990 --> 01:37:00,880

because there's this rabid fan base just

2500

01:37:05,590 --> 01:37:04,000

waiting for the next new story right

2501  
01:37:06,950 --> 01:37:05,600  
and there is a religious thing going on

2502  
01:37:09,189 --> 01:37:06,960  
definitely

2503  
01:37:11,669 --> 01:37:09,199  
where the the ufos and aliens sort of

2504  
01:37:13,350 --> 01:37:11,679  
take the place of god or traditional

2505  
01:37:15,910 --> 01:37:13,360  
spirituality

2506  
01:37:18,149 --> 01:37:15,920  
and the disclosure narrative has got a

2507  
01:37:21,510 --> 01:37:18,159  
lot of parallels to

2508  
01:37:23,990 --> 01:37:21,520  
some aspects of christian eschatology so

2509  
01:37:26,229 --> 01:37:24,000  
the coming day like the coming of christ

2510  
01:37:27,830 --> 01:37:26,239  
is replaced with the big government

2511  
01:37:29,669 --> 01:37:27,840  
reveal

2512  
01:37:31,910 --> 01:37:29,679  
and stuff like that so there's a lot of

2513  
01:37:35,030 --> 01:37:31,920

sort of underlying maybe even

2514

01:37:36,790 --> 01:37:35,040

unconscious religious uh impulses going

2515

01:37:39,510 --> 01:37:36,800

on

2516

01:37:41,750 --> 01:37:39,520

things is that i think that a lot of

2517

01:37:44,709 --> 01:37:41,760

these people that are so rapidly

2518

01:37:46,629 --> 01:37:44,719

believers haven't been here long enough

2519

01:37:48,470 --> 01:37:46,639

because once you're here long enough the

2520

01:37:51,189 --> 01:37:48,480

whole disclosure's coming any day

2521

01:37:53,030 --> 01:37:51,199

narrative sort of falls apart it's every

2522

01:37:55,270 --> 01:37:53,040

couple of years there's some new thing

2523

01:37:57,510 --> 01:37:55,280

that's gonna that's gonna be the that's

2524

01:38:00,470 --> 01:37:57,520

gonna be the tipping point but we never

2525

01:38:02,310 --> 01:38:00,480

get there never

2526

01:38:04,229 --> 01:38:02,320

and then the proponents you know they

2527

01:38:06,870 --> 01:38:04,239

sort of remember how much everybody

2528

01:38:08,550 --> 01:38:06,880

hyped this 180 day report this is going

2529

01:38:10,870 --> 01:38:08,560

to be it and then they all slithered

2530

01:38:11,910 --> 01:38:10,880

away when it was a nothing burger you

2531

01:38:17,430 --> 01:38:11,920

know

2532

01:38:21,430 --> 01:38:19,590

well i want to thank you for uh coming

2533

01:38:24,229 --> 01:38:21,440

here i want to remind everybody it's

2534

01:38:26,390 --> 01:38:24,239

ufology is corrupt.com

2535

01:38:29,109 --> 01:38:26,400

is the best place to find louis and his

2536

01:38:31,510 --> 01:38:29,119

work and what i'm happy to say will be

2537

01:38:33,910 --> 01:38:31,520

continuing work on this subject

2538

01:38:37,030 --> 01:38:33,920

uh reminded me a little bit of robert

2539

01:38:39,830 --> 01:38:37,040

schaefer's uh what is it bad ufo blog

2540

01:38:40,629 --> 01:38:39,840

you know your ufo watchdog i'm glad to

2541

01:38:43,189 --> 01:38:40,639

see

2542

01:38:45,430 --> 01:38:43,199

somebody else uh taking up the mantle

2543

01:38:47,189 --> 01:38:45,440

and doing this this good work i know

2544

01:38:48,870 --> 01:38:47,199

it's a thankless job so i'll be the

2545

01:38:50,629 --> 01:38:48,880

first to thank you for doing this

2546

01:38:53,510 --> 01:38:50,639

because i love seeing it in black and

2547

01:38:55,669 --> 01:38:53,520

white written out here's all the

2548

01:38:59,669 --> 01:38:55,679

evidence and people can read through it

2549

01:39:01,350 --> 01:38:59,679

and make up their own mind right yep

2550

01:39:03,109 --> 01:39:01,360

i hope that you'll come back again once

2551  
01:39:05,510 --> 01:39:03,119  
you get another couple of articles maybe

2552  
01:39:06,390 --> 01:39:05,520  
we could talk about uh your newer work

2553  
01:39:08,390 --> 01:39:06,400  
right

2554  
01:39:11,350 --> 01:39:08,400  
sure

2555  
01:39:13,750 --> 01:39:11,360  
thank you doors always uh open you're

2556  
01:39:15,109 --> 01:39:13,760  
most welcome here so i'm going to throw

2557  
01:39:17,189 --> 01:39:15,119  
you out and we're going to take a

2558  
01:39:18,709 --> 01:39:17,199  
musical break and then i'm going to come

2559  
01:39:21,430 --> 01:39:18,719  
back and read the super chats i don't

2560  
01:39:22,390 --> 01:39:21,440  
want to interrupt our talk

2561  
01:39:24,550 --> 01:39:22,400  
thank you

2562  
01:39:28,390 --> 01:39:24,560  
all right thanks for doing this lewis so

2563  
01:39:30,629 --> 01:39:28,400

there we have it ufology is corrupt.com

2564

01:39:33,270 --> 01:39:30,639

there's actually a website

2565

01:39:34,950 --> 01:39:33,280

ufology is corrupt.com

2566

01:39:37,189 --> 01:39:34,960

and i believe that if you're interested

2567

01:39:39,350 --> 01:39:37,199

in this especially if you're just

2568

01:39:40,950 --> 01:39:39,360

not blindly believing if you really want

2569

01:39:43,830 --> 01:39:40,960

to know the truth behind some of the

2570

01:39:46,310 --> 01:39:43,840

characters and stories in this thing

2571

01:39:47,510 --> 01:39:46,320

ufology is corrupt.com is an excellent

2572

01:39:49,750 --> 01:39:47,520

resource

2573

01:39:52,550 --> 01:39:49,760

now if you're just a true believer and

2574

01:39:56,550 --> 01:39:52,560

you don't care to

2575

01:39:58,870 --> 01:39:56,560

about people's backgrounds that are

2576

01:40:01,030 --> 01:39:58,880

telling this story you know criminal

2577

01:40:02,870 --> 01:40:01,040

histories and things like that

2578

01:40:05,910 --> 01:40:02,880

if you're not interested in the fact

2579

01:40:07,510 --> 01:40:05,920

that ufology may be corrupt maybe

2580

01:40:09,030 --> 01:40:07,520

you don't want to hear it but if you

2581

01:40:11,189 --> 01:40:09,040

really want the truth behind these

2582

01:40:13,669 --> 01:40:11,199

things i think it's important to read

2583

01:40:15,189 --> 01:40:13,679

all perspectives especially as a more

2584

01:40:16,790 --> 01:40:15,199

skeptical one

2585

01:40:18,390 --> 01:40:16,800

so here's what we're going to do folks i

2586

01:40:19,910 --> 01:40:18,400

did notice a few super chats i want to

2587

01:40:23,430 --> 01:40:19,920

thank everybody for their kindness their

2588

01:40:26,149 --> 01:40:23,440

generosity and their support of the show

2589

01:40:27,990 --> 01:40:26,159

after all we are a viewer supported show

2590

01:40:29,270 --> 01:40:28,000

here and it's a good time for me to

2591

01:40:31,910 --> 01:40:29,280

remind you there's a few ways that you

2592

01:40:33,430 --> 01:40:31,920

can support us the first is on patreon

2593

01:40:36,229 --> 01:40:33,440

for as little as a dollar a month we'll

2594

01:40:38,550 --> 01:40:36,239

be doing some extra patreon only streams

2595

01:40:41,669 --> 01:40:38,560

we do a monthly show journal i post all

2596

01:40:44,470 --> 01:40:41,679

of my music music videos uh other

2597

01:40:46,390 --> 01:40:44,480

production videos all get posted there

2598

01:40:47,669 --> 01:40:46,400

before they become public so you get

2599

01:40:50,629 --> 01:40:47,679

sort of a

2600

01:40:51,830 --> 01:40:50,639

backstage view and a preview of work to

2601  
01:40:54,950 --> 01:40:51,840  
come here

2602  
01:40:55,830 --> 01:40:54,960  
that will be released on the channel

2603  
01:40:57,510 --> 01:40:55,840  
also

2604  
01:40:59,270 --> 01:40:57,520  
uh you can make a paypal donation the

2605  
01:41:02,790 --> 01:40:59,280  
instructions to do that are in the

2606  
01:41:05,910 --> 01:41:02,800  
bottom uh description of this video we

2607  
01:41:08,310 --> 01:41:05,920  
take cash app now it's truth seeker show

2608  
01:41:10,149 --> 01:41:08,320  
at cash app or you can use that money

2609  
01:41:11,990 --> 01:41:10,159  
button down there the super chats that's

2610  
01:41:13,669 --> 01:41:12,000  
a great way to support the show or buy a

2611  
01:41:16,310 --> 01:41:13,679  
super sticker show your support of the

2612  
01:41:17,270 --> 01:41:16,320  
show so that we can continue in this

2613  
01:41:19,189 --> 01:41:17,280

work

2614

01:41:21,830 --> 01:41:19,199

um we're going to take a short musical

2615

01:41:25,189 --> 01:41:21,840

break with my friends bong

2616

01:41:27,510 --> 01:41:25,199

the band bong not the bong

2617

01:41:29,590 --> 01:41:27,520

over there no the band there's a band

2618

01:41:31,510 --> 01:41:29,600

name bong

2619

01:41:33,430 --> 01:41:31,520

and uh they had me at their band name

2620

01:41:35,350 --> 01:41:33,440

being bong but they make a lot of

2621

01:41:37,750 --> 01:41:35,360

excellent music that is somewhat related

2622

01:41:38,790 --> 01:41:37,760

to conspiracy land and aliens and things

2623

01:41:40,709 --> 01:41:38,800

like that

2624

01:41:42,310 --> 01:41:40,719

uh so tonight we'll be playing using

2625

01:41:44,790 --> 01:41:42,320

them as a musical guest and playing

2626  
01:41:47,189 --> 01:41:44,800  
their song destroy all humans when we

2627  
01:41:49,109 --> 01:41:47,199  
return i will read every single super

2628  
01:41:50,229 --> 01:41:49,119  
chat we read every single paypal

2629  
01:41:51,590 --> 01:41:50,239  
donation

2630  
01:41:53,430 --> 01:41:51,600  
and um

2631  
01:41:55,669 --> 01:41:53,440  
if you have comments or questions for me

2632  
01:41:57,350 --> 01:41:55,679  
we'll have a short discussion just put

2633  
01:42:00,000 --> 01:41:57,360  
your question for me in all capital

2634  
01:42:25,669 --> 01:42:00,010  
letters we'll be right back friends

2635  
01:42:27,790 --> 01:42:25,679  
[Music]

2636  
01:42:29,350 --> 01:42:27,800  
the rob is

2637  
01:42:31,150 --> 01:42:29,360  
[Music]

2638  
01:43:04,629 --> 01:42:31,160

is

2639

01:43:36,229 --> 01:43:04,639

[Music]

2640

01:43:36,239 --> 01:43:45,990

destroy humans

2641

01:43:46,000 --> 01:44:03,210

just right

2642

01:44:06,629 --> 01:44:04,830

[Music]

2643

01:44:10,340 --> 01:44:06,639

hey

2644

01:44:40,520 --> 01:44:10,350

all around the world

2645

01:45:16,790 --> 01:44:54,070

[Music]

2646

01:45:22,229 --> 01:45:19,669

greetings and salutations so we are back

2647

01:45:23,830 --> 01:45:22,239

i i see a comment from moody mongol

2648

01:45:25,350 --> 01:45:23,840

tonight on third phase does steven

2649

01:45:27,030 --> 01:45:25,360

campbell need to wear

2650

01:45:29,510 --> 01:45:27,040

different headphones on his shows to

2651  
01:45:32,390 --> 01:45:29,520  
hide his growing vulcan ears and could

2652  
01:45:34,070 --> 01:45:32,400  
they be a tunnel leading to s4 tonight

2653  
01:45:36,149 --> 01:45:34,080  
on third phase

2654  
01:45:38,390 --> 01:45:36,159  
you know i wish those guys are best of

2655  
01:45:42,310 --> 01:45:38,400  
success but uh i disagree with a lot of

2656  
01:45:45,750 --> 01:45:42,320  
what they do and a lot of what they uh

2657  
01:45:47,270 --> 01:45:45,760  
promote like dr steven greer but

2658  
01:45:50,950 --> 01:45:47,280  
sometimes it's best to just agree to

2659  
01:45:56,310 --> 01:45:53,270  
i don't know not get like nasty about a

2660  
01:45:58,470 --> 01:45:56,320  
disagreement i suppose we've uh

2661  
01:46:00,870 --> 01:45:58,480  
done enough of that

2662  
01:46:02,470 --> 01:46:00,880  
uh i want to remind everybody as well

2663  
01:46:04,470 --> 01:46:02,480

i'll see if i can't find it i'm going to

2664

01:46:06,149 --> 01:46:04,480

put the link in the description but we

2665

01:46:08,950 --> 01:46:06,159

have uh

2666

01:46:11,590 --> 01:46:08,960

yesterday we didn't do a show because i

2667

01:46:13,189 --> 01:46:11,600

uh did a guest appearance on

2668

01:46:15,830 --> 01:46:13,199

griffbusters

2669

01:46:18,070 --> 01:46:15,840

and that is on the channel m seeker of

2670

01:46:20,750 --> 01:46:18,080

truth you can just put m secret truth

2671

01:46:22,390 --> 01:46:20,760

into the youtube search bar it's

2672

01:46:26,310 --> 01:46:22,400

clickbusters8

2673

01:46:27,990 --> 01:46:26,320

i'm gonna copy and i will put that into

2674

01:46:30,070 --> 01:46:28,000

the

2675

01:46:31,189 --> 01:46:30,080

live chat here just bear with me one

2676

01:46:33,750 --> 01:46:31,199  
moment

2677

01:46:37,030 --> 01:46:33,760  
and on that show we

2678

01:46:38,070 --> 01:46:37,040  
go over and detail a lot of information

2679

01:46:41,990 --> 01:46:38,080  
on both

2680

01:46:43,590 --> 01:46:42,000  
simon parks and also our favorite fake

2681

01:46:45,990 --> 01:46:43,600  
psychic healer

2682

01:46:48,070 --> 01:46:46,000  
sarah r adams

2683

01:46:50,070 --> 01:46:48,080  
so i've put that in the live chat uh

2684

01:46:57,990 --> 01:46:50,080  
wait a minute i'll put a link to

2685

01:47:03,430 --> 01:47:01,189  
that is in the live chat right now we're

2686

01:47:04,790 --> 01:47:03,440  
going to check in with the super chat so

2687

01:47:06,709 --> 01:47:04,800  
if you have any

2688

01:47:08,629 --> 01:47:06,719

money to throw in our hat please do it

2689

01:47:10,629 --> 01:47:08,639

now we're going to be wrapping up things

2690

01:47:11,910 --> 01:47:10,639

shortly here

2691

01:47:14,870 --> 01:47:11,920

uh

2692

01:47:16,790 --> 01:47:14,880

let me share it this way one second

2693

01:47:18,950 --> 01:47:16,800

we'll share our screen and recognize

2694

01:47:19,910 --> 01:47:18,960

those kind and generous supporters who

2695

01:47:22,310 --> 01:47:19,920

are

2696

01:47:25,750 --> 01:47:22,320

uh throwing a couple of bucks in our hat

2697

01:47:28,950 --> 01:47:25,760

so tonight we had ice cream shots

2698

01:47:30,790 --> 01:47:28,960

with a dollar super chat and ice cream

2699

01:47:32,470 --> 01:47:30,800

shots with another dollar super chat

2700

01:47:34,149 --> 01:47:32,480

double dollars thank you very much for

2701  
01:47:36,550 --> 01:47:34,159  
your kindness your generosity and your

2702  
01:47:38,470 --> 01:47:36,560  
support

2703  
01:47:40,870 --> 01:47:38,480  
lead guy with a kind of generous dollar

2704  
01:47:44,709 --> 01:47:40,880  
99 super chat saying

2705  
01:47:49,109 --> 01:47:44,719  
bob lazar owes stephen 29.99

2706  
01:47:52,950 --> 01:47:51,109  
amy wii with a kind generous three

2707  
01:47:55,030 --> 01:47:52,960  
dollar super sticker

2708  
01:47:57,990 --> 01:47:55,040  
and al warrior with a kind and generous

2709  
01:48:00,070 --> 01:47:58,000  
three dollar super chat

2710  
01:48:01,990 --> 01:48:00,080  
truth seekers

2711  
01:48:08,070 --> 01:48:02,000  
with

2712  
01:48:13,350 --> 01:48:10,709  
so thank you all

2713  
01:48:15,510 --> 01:48:13,360

for your kindness

2714

01:48:17,270 --> 01:48:15,520

thank you all for your generosity

2715

01:48:18,470 --> 01:48:17,280

thank you all for your support of the

2716

01:48:20,950 --> 01:48:18,480

show

2717

01:48:22,760 --> 01:48:20,960

and for helping us to praise the cash

2718

01:48:29,189 --> 01:48:22,770

that keeps the show going friends

2719

01:48:42,070 --> 01:48:32,900

you're watching tracy

2720

01:48:49,830 --> 01:48:44,000

cash

2721

01:48:52,790 --> 01:48:49,840

[Music]

2722

01:48:54,709 --> 01:48:52,800

where'd you guys crazy guys crazy cash

2723

01:48:57,030 --> 01:48:54,719

thank you for your kindness

2724

01:48:59,970 --> 01:48:57,040

thank you for your generosity

2725

01:49:06,390 --> 01:48:59,980

crazy cash crazy cash raise the cash

2726

01:49:11,189 --> 01:49:09,030

so there we have it oh lord ludicrous

2727

01:49:13,350 --> 01:49:11,199

plaid with another one

2728

01:49:15,750 --> 01:49:13,360

kind and generous dollar 99 super chat

2729

01:49:18,470 --> 01:49:15,760

says great show tonight thank you lord

2730

01:49:20,310 --> 01:49:18,480

ludicrous platt for your continuing uh

2731

01:49:22,629 --> 01:49:20,320

support of the show long time show

2732

01:49:28,790 --> 01:49:22,639

supporter lord ludacris platt thank you

2733

01:49:32,790 --> 01:49:31,270

wild ascension the mothership with 1.99

2734

01:49:36,229 --> 01:49:32,800

super chat says what's your most

2735

01:49:37,589 --> 01:49:36,239

compelling evidence of alien life

2736

01:49:40,629 --> 01:49:37,599

um

2737

01:49:43,030 --> 01:49:40,639

boy i'd have to think about that uh

2738

01:49:45,830 --> 01:49:43,040

you know there have been some debate

2739

01:49:48,550 --> 01:49:45,840

whether uh microbial alien life was

2740

01:49:50,470 --> 01:49:48,560

found on mars a long time ago but

2741

01:49:52,070 --> 01:49:50,480

there's some debate about the tests the

2742

01:49:53,830 --> 01:49:52,080

veracity of the test but there's at

2743

01:49:55,430 --> 01:49:53,840

least one scientist connected to nasa

2744

01:49:57,589 --> 01:49:55,440

who is absolutely convinced that those

2745

01:50:00,390 --> 01:49:57,599

tests were accurate and that there is

2746

01:50:02,310 --> 01:50:00,400

microbial life at least on mars and if

2747

01:50:04,310 --> 01:50:02,320

that's the case that would mean that

2748

01:50:06,070 --> 01:50:04,320

life is possible on other planetary

2749

01:50:07,669 --> 01:50:06,080

bodies

2750

01:50:10,629 --> 01:50:07,679

but the

2751  
01:50:13,270 --> 01:50:10,639  
i suppose the absence of evidence is a

2752  
01:50:18,070 --> 01:50:13,280  
bit concerning to me

2753  
01:50:22,390 --> 01:50:20,470  
when you think about the vastness of the

2754  
01:50:24,629 --> 01:50:22,400  
universe

2755  
01:50:25,910 --> 01:50:24,639  
and how efficient nature is at certain

2756  
01:50:27,990 --> 01:50:25,920  
things

2757  
01:50:30,310 --> 01:50:28,000  
i would think that

2758  
01:50:33,510 --> 01:50:30,320  
if we are the only

2759  
01:50:35,830 --> 01:50:33,520  
planet with life especially uh

2760  
01:50:36,790 --> 01:50:35,840  
you know advanced life and intelligent

2761  
01:50:39,830 --> 01:50:36,800  
life

2762  
01:50:42,070 --> 01:50:39,840  
it would be a tremendous waste of space

2763  
01:50:44,709 --> 01:50:42,080

to have all of those galaxies all of

2764

01:50:47,189 --> 01:50:44,719

those planets all of those suns

2765

01:50:50,870 --> 01:50:47,199

millions billions of planetary systems

2766

01:50:53,189 --> 01:50:50,880

besides our own and we be the only

2767

01:50:56,390 --> 01:50:53,199

planet capable of supporting life

2768

01:50:58,790 --> 01:50:56,400

especially complex or intelligent life

2769

01:51:01,270 --> 01:50:58,800

now i know that's not evidence

2770

01:51:03,270 --> 01:51:01,280

i suppose the other evidence of

2771

01:51:05,270 --> 01:51:03,280

the possibility of life on other planets

2772

01:51:08,310 --> 01:51:05,280

that i look to is

2773

01:51:09,750 --> 01:51:08,320

if you look into exobiology

2774

01:51:12,950 --> 01:51:09,760

there are some

2775

01:51:15,589 --> 01:51:12,960

organisms that can that are alive and

2776

01:51:17,189 --> 01:51:15,599

they can operate at extreme cold

2777

01:51:20,310 --> 01:51:17,199

temperatures or extremely hot

2778

01:51:23,990 --> 01:51:20,320

temperatures they find life in volcanoes

2779

01:51:28,149 --> 01:51:25,270

they find

2780

01:51:30,550 --> 01:51:28,159

uh life below the surface of the ice in

2781

01:51:31,189 --> 01:51:30,560

antarctica in places you wouldn't expect

2782

01:51:33,189 --> 01:51:31,199

it

2783

01:51:35,189 --> 01:51:33,199

i for one hope there's intelligent life

2784

01:51:37,109 --> 01:51:35,199

other places thank you for your kindness

2785

01:51:39,270 --> 01:51:37,119

your generosity and your support wild

2786

01:51:43,510 --> 01:51:39,280

ascension the mothership

2787

01:51:45,430 --> 01:51:43,520

and uh oh that does remind me

2788

01:51:47,510 --> 01:51:45,440

i'll share it next time wild ascension

2789

01:51:49,750 --> 01:51:47,520

but i saw your corey good bit

2790

01:51:52,149 --> 01:51:49,760

and i thought i could steal that um i'll

2791

01:51:53,270 --> 01:51:52,159

steal it another time

2792

01:51:55,270 --> 01:51:53,280

thank you for your kindness your

2793

01:51:57,109 --> 01:51:55,280

generosity and your support of this of

2794

01:51:59,109 --> 01:51:57,119

the show much much appreciated any

2795

01:52:01,270 --> 01:51:59,119

comments or questions for me please put

2796

01:52:02,390 --> 01:52:01,280

them in all capital letters

2797

01:52:04,149 --> 01:52:02,400

uh

2798

01:52:05,830 --> 01:52:04,159

and we'll be

2799

01:52:08,950 --> 01:52:05,840

um

2800

01:52:12,870 --> 01:52:10,709

while the sentient says i would love for

2801  
01:52:14,709 --> 01:52:12,880  
us to officially discover microbial life

2802  
01:52:16,149 --> 01:52:14,719  
that's a first good step for us yes it'd

2803  
01:52:18,310 --> 01:52:16,159  
be the first step at least it would

2804  
01:52:20,550 --> 01:52:18,320  
prove that

2805  
01:52:22,070 --> 01:52:20,560  
even simple life

2806  
01:52:24,149 --> 01:52:22,080  
life

2807  
01:52:27,109 --> 01:52:24,159  
um can

2808  
01:52:29,109 --> 01:52:27,119  
can come from other planetary bodies

2809  
01:52:30,470 --> 01:52:29,119  
you know if panspermia is correct that

2810  
01:52:33,109 --> 01:52:30,480  
would mean that

2811  
01:52:35,189 --> 01:52:33,119  
organic life forms

2812  
01:52:37,910 --> 01:52:35,199  
were seeded here

2813  
01:52:39,990 --> 01:52:37,920

uh either by accident or intentionally

2814

01:52:42,950 --> 01:52:40,000

and if that be the case that should mean

2815

01:52:45,270 --> 01:52:42,960

that life should be able to be seeded on

2816

01:52:47,990 --> 01:52:45,280

other planetary bodies

2817

01:52:50,790 --> 01:52:48,000

i for one hope that i live to see the

2818

01:52:52,950 --> 01:52:50,800

discovery of life on other planets i'm

2819

01:52:55,430 --> 01:52:52,960

hopeful that this james webb telescope

2820

01:52:56,229 --> 01:52:55,440

might shed some more light on that

2821

01:52:58,070 --> 01:52:56,239

um

2822

01:52:59,830 --> 01:52:58,080

maybe we'll finally get up off our ass

2823

01:53:02,629 --> 01:52:59,840

and do some deep space missions or at

2824

01:53:05,270 --> 01:53:02,639

least deep space probes to some of the

2825

01:53:07,589 --> 01:53:05,280

promising exoplanets that astronomers

2826  
01:53:09,910 --> 01:53:07,599  
are now discovering i

2827  
01:53:11,350 --> 01:53:09,920  
i lost track of how many exoplanets have

2828  
01:53:13,669 --> 01:53:11,360  
been discovered but there's an awful lot

2829  
01:53:16,390 --> 01:53:13,679  
of planets that they know about now

2830  
01:53:19,589 --> 01:53:16,400  
and i'm hopeful that some of them

2831  
01:53:21,510 --> 01:53:19,599  
could contain at least some form of life

2832  
01:53:23,910 --> 01:53:21,520  
whether that life would be like it is

2833  
01:53:26,310 --> 01:53:23,920  
here on earth or completely different

2834  
01:53:28,470 --> 01:53:26,320  
who knows how evolution would take place

2835  
01:53:30,550 --> 01:53:28,480  
on another planet where the dials are

2836  
01:53:32,629 --> 01:53:30,560  
turned differently you know the dials

2837  
01:53:34,070 --> 01:53:32,639  
here are turned perfectly

2838  
01:53:35,750 --> 01:53:34,080

to to

2839

01:53:38,070 --> 01:53:35,760

sustain life here

2840

01:53:40,790 --> 01:53:38,080

perfect gravity perfect temperature

2841

01:53:41,830 --> 01:53:40,800

distance from the sun light

2842

01:53:43,669 --> 01:53:41,840

uh

2843

01:53:45,350 --> 01:53:43,679

you know all of these things just happen

2844

01:53:46,390 --> 01:53:45,360

to be

2845

01:53:47,750 --> 01:53:46,400

perfect

2846

01:53:49,910 --> 01:53:47,760

and life

2847

01:53:52,310 --> 01:53:49,920

developed on earth

2848

01:53:54,550 --> 01:53:52,320

maybe on other planets they have life

2849

01:53:56,149 --> 01:53:54,560

that is vastly different from us because

2850

01:53:57,910 --> 01:53:56,159

there's different levels of solar

2851  
01:54:00,870 --> 01:53:57,920  
radiation or they're further from the

2852  
01:54:03,589 --> 01:54:00,880  
sun or closer to the sun or

2853  
01:54:06,550 --> 01:54:03,599  
the gravity is different so life forms

2854  
01:54:07,589 --> 01:54:06,560  
evolve to be either more dense or less

2855  
01:54:09,990 --> 01:54:07,599  
dense

2856  
01:54:11,910 --> 01:54:10,000  
depending on the planetary system's

2857  
01:54:13,350 --> 01:54:11,920  
gravity right

2858  
01:54:14,550 --> 01:54:13,360  
who knows but it's a great thing to

2859  
01:54:15,430 --> 01:54:14,560  
think about

2860  
01:54:17,990 --> 01:54:15,440  
um

2861  
01:54:20,390 --> 01:54:18,000  
i i recall a quote

2862  
01:54:22,470 --> 01:54:20,400  
and i'm not sure who said it

2863  
01:54:25,270 --> 01:54:22,480

but the quote is there are just two

2864

01:54:26,950 --> 01:54:25,280

possibilities either we are alone

2865

01:54:28,229 --> 01:54:26,960

in the universe

2866

01:54:30,229 --> 01:54:28,239

or

2867

01:54:32,070 --> 01:54:30,239

the universe is filled with other

2868

01:54:35,510 --> 01:54:32,080

intelligent life forms and both

2869

01:54:37,030 --> 01:54:35,520

possibilities are equally terrifying

2870

01:54:39,430 --> 01:54:37,040

i believe that

2871

01:54:41,270 --> 01:54:39,440

if we find out we're the only ones boy

2872

01:54:44,070 --> 01:54:41,280

that would be uh tremendously

2873

01:54:45,910 --> 01:54:44,080

disappointing to many including me

2874

01:54:48,229 --> 01:54:45,920

but it might

2875

01:54:50,390 --> 01:54:48,239

make us change our perspective as to

2876  
01:54:51,910 --> 01:54:50,400  
just how important

2877  
01:54:53,189 --> 01:54:51,920  
humanity is

2878  
01:54:55,030 --> 01:54:53,199  
in the universe

2879  
01:54:59,189 --> 01:54:55,040  
imagine if we are the only intelligent

2880  
01:55:01,189 --> 01:54:59,199  
life anywhere all over the universe well

2881  
01:55:03,990 --> 01:55:01,199  
then we probably have a responsibility

2882  
01:55:05,910 --> 01:55:04,000  
to protect human life and consciousness

2883  
01:55:08,550 --> 01:55:05,920  
kind of like elon musk says we have to

2884  
01:55:09,430 --> 01:55:08,560  
become at least a two planet system

2885  
01:55:11,030 --> 01:55:09,440  
because

2886  
01:55:13,990 --> 01:55:11,040  
you know an asteroid could come along

2887  
01:55:15,830 --> 01:55:14,000  
and destroy earth and that would mean

2888  
01:55:19,430 --> 01:55:15,840

the only intelligent life in the

2889

01:55:21,669 --> 01:55:19,440

universe gets destroyed we

2890

01:55:23,350 --> 01:55:21,679

if we find out we are truly the only

2891

01:55:25,350 --> 01:55:23,360

intelligent life form known in the

2892

01:55:26,229 --> 01:55:25,360

universe we have a responsibility maybe

2893

01:55:38,470 --> 01:55:26,239

to

2894

01:55:42,950 --> 01:55:41,109

any wc says would volunteer for a space

2895

01:55:45,030 --> 01:55:42,960

mission as a test project my job is

2896

01:55:46,550 --> 01:55:45,040

getting old yeah

2897

01:55:48,390 --> 01:55:46,560

i hear that

2898

01:55:50,550 --> 01:55:48,400

right what about that there was a there

2899

01:55:51,750 --> 01:55:50,560

was a mars mission planned by a private

2900

01:55:53,830 --> 01:55:51,760

company and they were going to send

2901  
01:55:55,189 --> 01:55:53,840  
people on a one-way trip to mars could

2902  
01:55:57,109 --> 01:55:55,199  
you imagine that you're going to mars

2903  
01:55:58,550 --> 01:55:57,119  
and you'll never see earth again

2904  
01:55:59,990 --> 01:55:58,560  
i didn't think anybody was going to sign

2905  
01:56:01,510 --> 01:56:00,000  
up for it they had thousands and

2906  
01:56:02,950 --> 01:56:01,520  
thousands of people trying to sign up

2907  
01:56:07,430 --> 01:56:02,960  
for that but i think that project

2908  
01:56:11,910 --> 01:56:09,589  
so uh i want to thank our guest tonight

2909  
01:56:15,229 --> 01:56:11,920  
louis cayetano i want to remind you that

2910  
01:56:16,950 --> 01:56:15,239  
you can check out his blog at

2911  
01:56:19,510 --> 01:56:16,960  
ufologyiscorrupt.com i love what he

2912  
01:56:21,669 --> 01:56:19,520  
named his website and his blog

2913  
01:56:22,550 --> 01:56:21,679

um i think it's entirely appropriate

2914

01:56:24,790 --> 01:56:22,560

though

2915

01:56:27,030 --> 01:56:24,800

you know my opinion may be skewed by the

2916

01:56:29,669 --> 01:56:27,040

fact that i spend an awful lot of time

2917

01:56:32,470 --> 01:56:29,679

digging in the dirt on these stories

2918

01:56:33,589 --> 01:56:32,480

into these characters in conspiracy land

2919

01:56:37,270 --> 01:56:33,599

and more

2920

01:56:38,550 --> 01:56:37,280

you know uh i could be

2921

01:56:42,470 --> 01:56:38,560

biased

2922

01:56:46,229 --> 01:56:45,430

seems to reinforce a lot of my own ideas

2923

01:56:49,109 --> 01:56:46,239

and

2924

01:56:51,109 --> 01:56:49,119

maybe i'm a little too addie or

2925

01:56:52,629 --> 01:56:51,119

i lack the focus to put things in

2926

01:56:54,310 --> 01:56:52,639

writing you know

2927

01:56:56,629 --> 01:56:54,320

something that i have to work on but i

2928

01:56:59,189 --> 01:56:56,639

admire and respect somebody that has the

2929

01:57:01,669 --> 01:56:59,199

patience the diligence and the passion

2930

01:57:04,310 --> 01:57:01,679

to lay it all out in black and white

2931

01:57:06,790 --> 01:57:04,320

with words and links to to research

2932

01:57:09,030 --> 01:57:06,800

materials and all of that stuff

2933

01:57:11,109 --> 01:57:09,040

i'm a data guy so i i really enjoy his

2934

01:57:12,870 --> 01:57:11,119

website i'm sure he will as well the

2935

01:57:14,629 --> 01:57:12,880

link to it is in the description of the

2936

01:57:17,430 --> 01:57:14,639

video we want to thank him and hopefully

2937

01:57:19,430 --> 01:57:17,440

he'll become a frequent guest here

2938

01:57:21,430 --> 01:57:19,440

i would like that

2939

01:57:23,830 --> 01:57:21,440

so what can i say folks

2940

01:57:25,430 --> 01:57:23,840

uh i came here tonight we did our due

2941

01:57:27,750 --> 01:57:25,440

diligence i'm sorry for the lack of

2942

01:57:29,910 --> 01:57:27,760

shows this week we had

2943

01:57:31,589 --> 01:57:29,920

in the last seven days we've had two

2944

01:57:34,149 --> 01:57:31,599

guests cancel

2945

01:57:35,910 --> 01:57:34,159

um then i gotta do this i had to do this

2946

01:57:37,589 --> 01:57:35,920

guest spot and i've just learned that if

2947

01:57:40,390 --> 01:57:37,599

i have to do a two-hour show somewhere

2948

01:57:42,390 --> 01:57:40,400

else as a guest i can't do a two-hour

2949

01:57:44,390 --> 01:57:42,400

show of my own and

2950

01:57:46,310 --> 01:57:44,400

a two-hour guest spot or one or the

2951

01:57:48,070 --> 01:57:46,320

other is going to suffer a little bit i

2952

01:57:50,709 --> 01:57:48,080

just don't have that much juice in an

2953

01:57:52,709 --> 01:57:50,719

average day right

2954

01:57:54,149 --> 01:57:52,719

so i decided to bail on doing a show

2955

01:57:56,709 --> 01:57:54,159

yesterday

2956

01:57:58,870 --> 01:57:56,719

tomorrow there will likely not be a show

2957

01:58:02,070 --> 01:57:58,880

unless i wake up extremely early there

2958

01:58:04,629 --> 01:58:02,080

won't be uh in fact i am packing my bags

2959

01:58:07,350 --> 01:58:04,639

tonight i'm going on the first trip back

2960

01:58:09,430 --> 01:58:07,360

to the cabin since uh

2961

01:58:11,830 --> 01:58:09,440

geez since right

2962

01:58:13,189 --> 01:58:11,840

probably before christmas

2963

01:58:14,629 --> 01:58:13,199

unfortunately

2964

01:58:17,589 --> 01:58:14,639

i don't have four wheel drive in my

2965

01:58:18,390 --> 01:58:17,599

vehicle and the dirt road to the cabin

2966

01:58:21,990 --> 01:58:18,400

is

2967

01:58:23,350 --> 01:58:22,000

was completely hazardous and probably

2968

01:58:26,629 --> 01:58:23,360

impassable

2969

01:58:28,790 --> 01:58:26,639

um from the main road it's about a mile

2970

01:58:30,629 --> 01:58:28,800

up the dirt road to my cabin from the

2971

01:58:31,910 --> 01:58:30,639

main road now the main road is always

2972

01:58:33,669 --> 01:58:31,920

plowed and

2973

01:58:35,830 --> 01:58:33,679

perfect

2974

01:58:38,390 --> 01:58:35,840

it's the main road of the town so they

2975

01:58:41,030 --> 01:58:38,400

do a great job plowing that thing

2976

01:58:43,109 --> 01:58:41,040

uh however the dirt road to my cabin

2977

01:58:45,109 --> 01:58:43,119

it's supposed to be plowed

2978

01:58:47,270 --> 01:58:45,119

um they do their best

2979

01:58:48,950 --> 01:58:47,280

it's a she it was a sheet of ice

2980

01:58:51,510 --> 01:58:48,960

for the past couple of months and in

2981

01:58:53,270 --> 01:58:51,520

fact i know even people who live there

2982

01:58:55,109 --> 01:58:53,280

year-round that have four-wheel drive

2983

01:58:57,350 --> 01:58:55,119

they were getting stuck on that road the

2984

01:58:58,870 --> 01:58:57,360

dirt road leading to my cabin

2985

01:59:01,990 --> 01:58:58,880

and if they're getting stuck with

2986

01:59:03,669 --> 01:59:02,000

four-wheel drive i i hazard a guess that

2987

01:59:06,310 --> 01:59:03,679

i would get stuck without four-wheel

2988

01:59:07,510 --> 01:59:06,320

drive now i maybe i could have made it

2989

01:59:09,669 --> 01:59:07,520

and then the other thing is that i

2990

01:59:11,669 --> 01:59:09,679

thought of is that i could just pull off

2991

01:59:13,030 --> 01:59:11,679

the main road and then sled the mile

2992

01:59:14,070 --> 01:59:13,040

into the cabin

2993

01:59:17,030 --> 01:59:14,080

but

2994

01:59:19,030 --> 01:59:17,040

i decided to just

2995

01:59:21,910 --> 01:59:19,040

i don't know i guess [h\_\_h] how to go and

2996

01:59:25,189 --> 01:59:21,920

that and it's been zero there it has

2997

01:59:28,390 --> 01:59:25,199

been zero at the cabin or even below

2998

01:59:29,350 --> 01:59:28,400

zero a few times for several months

2999

01:59:30,950 --> 01:59:29,360

and

3000

01:59:33,270 --> 01:59:30,960

one of the things i've learned is that

3001

01:59:35,510 --> 01:59:33,280

when it's that that cold when it's zero

3002

01:59:38,070 --> 01:59:35,520

or below at the cabin i don't get much

3003

01:59:40,390 --> 01:59:38,080

done i spend most of my time tending the

3004

01:59:42,390 --> 01:59:40,400

fire and trying to warm up the cabin and

3005

01:59:43,430 --> 01:59:42,400

not freeze to death it's not very

3006

01:59:45,669 --> 01:59:43,440

comfortable

3007

01:59:47,430 --> 01:59:45,679

i mean it is but it isn't you've got to

3008

01:59:49,189 --> 01:59:47,440

spend an inordinate amount of time

3009

01:59:51,430 --> 01:59:49,199

stoking the fire getting the firewood

3010

01:59:53,750 --> 01:59:51,440

from outside to inside and keeping the

3011

01:59:56,070 --> 01:59:53,760

fire going and when it's that cold you

3012

01:59:58,070 --> 01:59:56,080

really have to keep that wood stove it's

3013

01:59:59,750 --> 01:59:58,080

it's probably slightly smaller than the

3014

02:00:01,589 --> 01:59:59,760

cabin really needs to heat the whole

3015

02:00:03,270 --> 02:00:01,599

cabin so i got to keep that thing

3016

02:00:04,950 --> 02:00:03,280

blazing the whole time i'm there when

3017

02:00:07,589 --> 02:00:04,960

it's that that cold

3018

02:00:10,149 --> 02:00:07,599

and the other issue is

3019

02:00:12,629 --> 02:00:10,159

you know i have a a pretty newer car but

3020

02:00:13,830 --> 02:00:12,639

it still makes me nervous if it it isn't

3021

02:00:16,229 --> 02:00:13,840

going to start

3022

02:00:18,790 --> 02:00:16,239

in zero degree temperatures or when it's

3023

02:00:21,430 --> 02:00:18,800

10 below is the car going to start

3024

02:00:22,790 --> 02:00:21,440

um and you know because of my situation

3025

02:00:24,870 --> 02:00:22,800

taking care of my children during the

3026

02:00:26,870 --> 02:00:24,880

week i can't go there for the weekend

3027

02:00:28,870 --> 02:00:26,880

and then get stuck

3028

02:00:30,470 --> 02:00:28,880

and and be stranded there

3029

02:00:33,109 --> 02:00:30,480

until the temperatures come up in the

3030

02:00:34,790 --> 02:00:33,119

car you know just a lot of anxiety about

3031

02:00:35,669 --> 02:00:34,800

going to the cabin but i'm happy to say

3032

02:00:37,910 --> 02:00:35,679

that

3033

02:00:40,950 --> 02:00:37,920

this weekend looks beautiful it's going

3034

02:00:43,189 --> 02:00:40,960

to be 45 there on saturday

3035

02:00:44,310 --> 02:00:43,199

it's going to be a low of 15 tomorrow

3036

02:00:46,550 --> 02:00:44,320

night but i'm

3037

02:00:48,070 --> 02:00:46,560

i'm told that the road is passable now

3038

02:00:49,910 --> 02:00:48,080

it's a little muddy

3039

02:00:52,070 --> 02:00:49,920

things are melting off there i should be

3040

02:00:55,350 --> 02:00:52,080

able to get there and get back in

3041

02:01:01,030 --> 02:00:55,360

without much hassle and uh

3042

02:01:05,910 --> 02:01:03,350

any wc i'm sorry to hear that i'd love

3043

02:01:08,310 --> 02:01:05,920

you to send me pictures of your cabin

3044

02:01:10,070 --> 02:01:08,320

uh i call that cabin porn when somebody

3045

02:01:11,750 --> 02:01:10,080

sends me pictures of cabins it's one of

3046

02:01:13,830 --> 02:01:11,760

my favorite things you can email me at

3047

02:01:15,910 --> 02:01:13,840

truthseekershow.gmail.com

3048

02:01:18,790 --> 02:01:15,920

i'd love to see a picture of your cabin

3049

02:01:20,790 --> 02:01:18,800

any wc says our cabin is two stories and

3050

02:01:23,030 --> 02:01:20,800

my husband logged and saw the beams

3051

02:01:24,950 --> 02:01:23,040

himself he died a long time ago

3052

02:01:26,790 --> 02:01:24,960

well i'm sorry to hear that your husband

3053

02:01:29,270 --> 02:01:26,800

passed away but

3054

02:01:31,750 --> 02:01:29,280

i'm sure that wherever he is he's happy

3055

02:01:33,990 --> 02:01:31,760

to know that you have a nice long cabin

3056

02:01:35,990 --> 02:01:34,000

home that he built for you

3057

02:01:38,310 --> 02:01:36,000

uh it's kind of like the gift that keeps

3058

02:01:40,550 --> 02:01:38,320

on giving from him right i'd love to see

3059

02:01:43,030 --> 02:01:40,560

yours right

3060

02:01:44,790 --> 02:01:43,040

i i don't have the energy or the

3061

02:01:52,310 --> 02:01:44,800

passion to build a two-story cabin

3062

02:01:55,589 --> 02:01:53,830

the success says make sure you get a

3063

02:01:58,470 --> 02:01:55,599

better and more amp output than required

3064

02:02:01,430 --> 02:01:58,480

by factory standards a few 100 cranking

3065

02:02:03,910 --> 02:02:01,440

amps more yeah one time sixth sense my

3066

02:02:05,030 --> 02:02:03,920

car wouldn't start the battery just

3067

02:02:06,550 --> 02:02:05,040

froze

3068

02:02:09,030 --> 02:02:06,560

and i was able to

3069

02:02:09,910 --> 02:02:09,040

just put the battery on a charger

3070

02:02:10,950 --> 02:02:09,920

and

3071

02:02:18,229 --> 02:02:10,960

uh

3072

02:02:19,750 --> 02:02:18,239

and one other time it was so cold it was

3073

02:02:22,629 --> 02:02:19,760

negative 20.

3074

02:02:25,189 --> 02:02:22,639

and i was running out of firewood and i

3075

02:02:26,950 --> 02:02:25,199

had no propane or backup heating source

3076

02:02:30,229 --> 02:02:26,960

at that point and the car would not

3077

02:02:32,310 --> 02:02:30,239

start for hours i tried everything um

3078

02:02:34,550 --> 02:02:32,320

luckily i have triple a so i called them

3079

02:02:36,550 --> 02:02:34,560

and a really kind tow truck driver came

3080

02:02:38,950 --> 02:02:36,560

out and he identified the problem right

3081

02:02:40,790 --> 02:02:38,960

away my fuel pump had frozen

3082

02:02:43,030 --> 02:02:40,800

and so

3083

02:02:44,709 --> 02:02:43,040

the vehicle had spark but had no fuel

3084

02:02:47,510 --> 02:02:44,719

because the fuel pump wasn't pumping the

3085

02:02:50,149 --> 02:02:47,520

fuel so he went under the car and

3086

02:02:52,070 --> 02:02:50,159

hammered on the thing until it started

3087

02:02:54,310 --> 02:02:52,080

up i've never been so happy to hear a

3088

02:02:56,390 --> 02:02:54,320

car start in my entire life because i

3089

02:02:58,310 --> 02:02:56,400

was down to like

3090

02:02:59,430 --> 02:02:58,320

an hour's worth of firewood there was

3091

02:03:01,750 --> 02:02:59,440

four or five

3092

02:03:05,510 --> 02:03:01,760

pieces of wood left in there it was

3093

02:03:07,189 --> 02:03:05,520

freezing 20 negative 20 outside luckily

3094

02:03:09,589 --> 02:03:07,199

i was able to get the car started with

3095

02:03:10,870 --> 02:03:09,599

his help and i got the hell out of there

3096

02:03:12,550 --> 02:03:10,880

and that's one of the things that makes

3097

02:03:14,870 --> 02:03:12,560

me nervous about going there when it's

3098

02:03:16,950 --> 02:03:14,880

that that freezing cold

3099

02:03:17,990 --> 02:03:16,960

you know i'm thinking about

3100

02:03:20,229 --> 02:03:18,000

um

3101  
02:03:21,430 --> 02:03:20,239  
in the future sometime maybe in the next

3102  
02:03:23,109 --> 02:03:21,440  
two years

3103  
02:03:24,950 --> 02:03:23,119  
i will upgrade to

3104  
02:03:26,830 --> 02:03:24,960  
number one a four wheel drive vehicle

3105  
02:03:29,910 --> 02:03:26,840  
and number two a car with a little bit

3106  
02:03:31,750 --> 02:03:29,920  
more a vehicle that's a little more well

3107  
02:03:33,030 --> 02:03:31,760  
suited for freezing cold temperatures so

3108  
02:03:35,109 --> 02:03:33,040  
that i have

3109  
02:03:37,109 --> 02:03:35,119  
you know i i'd like to have a vehicle

3110  
02:03:39,189 --> 02:03:37,119  
that i have 100 confidence is going to

3111  
02:03:40,709 --> 02:03:39,199  
start get me there and get me back i

3112  
02:03:42,950 --> 02:03:40,719  
can't leave my wife stranded with two

3113  
02:03:45,510 --> 02:03:42,960

children having to go to work and nobody

3114

02:03:46,629 --> 02:03:45,520

to watch the children and you know

3115

02:03:48,709 --> 02:03:46,639

so

3116

02:03:50,629 --> 02:03:48,719

i'm excited i'm gonna be packing up my

3117

02:03:53,189 --> 02:03:50,639

junk tonight i've got all kinds of new

3118

02:03:54,950 --> 02:03:53,199

stuff for the cabin to take there

3119

02:03:57,109 --> 02:03:54,960

you know i had some christmas presents

3120

02:03:59,510 --> 02:03:57,119

that were people know i love that cabin

3121

02:04:02,069 --> 02:03:59,520

and and uh gave me some

3122

02:04:04,629 --> 02:04:02,079

cabin stuff for christmas

3123

02:04:06,390 --> 02:04:04,639

i have a new first aid kit an actual

3124

02:04:07,510 --> 02:04:06,400

it's better than a first aid kit it's a

3125

02:04:10,310 --> 02:04:07,520

whole

3126

02:04:11,189 --> 02:04:10,320

medical survival kit it's this big jump

3127

02:04:14,550 --> 02:04:11,199

bag

3128

02:04:15,589 --> 02:04:14,560

and it's got everything if you have to

3129

02:04:17,750 --> 02:04:15,599

perform

3130

02:04:22,950 --> 02:04:17,760

surgery on somebody there's surgical

3131

02:04:25,990 --> 02:04:22,960

implements first aid band-aids bandages

3132

02:04:28,629 --> 02:04:26,000

all that stuff like uh it's it's it's a

3133

02:04:31,189 --> 02:04:28,639

really crazy uh medical kit

3134

02:04:33,990 --> 02:04:31,199

for emergency situations i'm taking that

3135

02:04:36,310 --> 02:04:34,000

i have some new tools i have uh

3136

02:04:38,310 --> 02:04:36,320

some other cabin related gear that i've

3137

02:04:40,310 --> 02:04:38,320

gotten that i'm you know going to be

3138

02:04:42,470 --> 02:04:40,320

trucking up there a little bit

3139

02:04:44,629 --> 02:04:42,480

apprehensive though because i hate that

3140

02:04:45,830 --> 02:04:44,639

first trip there when i haven't been

3141

02:04:47,990 --> 02:04:45,840

there in a while

3142

02:04:50,790 --> 02:04:48,000

because over a few months i completely

3143

02:04:53,189 --> 02:04:50,800

forget what's at the cabin and what's

3144

02:04:55,510 --> 02:04:53,199

not so i i got to go there

3145

02:04:57,750 --> 02:04:55,520

sort of overload it with stuff and just

3146

02:04:59,990 --> 02:04:57,760

stupid stuff like you know coffee or tea

3147

02:05:01,270 --> 02:05:00,000

bags or

3148

02:05:03,350 --> 02:05:01,280

you know

3149

02:05:05,189 --> 02:05:03,360

all the essentials you'll need for the

3150

02:05:07,430 --> 02:05:05,199

weekend paper towels toilet paper i

3151  
02:05:09,750 --> 02:05:07,440  
don't remember what's there what's not

3152  
02:05:11,830 --> 02:05:09,760  
so basically i'm gonna go there with a

3153  
02:05:13,669 --> 02:05:11,840  
whole car load of crap to resupply the

3154  
02:05:15,990 --> 02:05:13,679  
cabin whether it needs it or not but the

3155  
02:05:19,109 --> 02:05:16,000  
good news is we'll use that stuff over

3156  
02:05:20,390 --> 02:05:19,119  
the next whatever period of time so

3157  
02:05:22,149 --> 02:05:20,400  
um

3158  
02:05:24,069 --> 02:05:22,159  
yeah operation shutdown says i hope you

3159  
02:05:26,709 --> 02:05:24,079  
won't have to perform surgery on anyone

3160  
02:05:28,790 --> 02:05:26,719  
up there but if i do i have a whole

3161  
02:05:29,990 --> 02:05:28,800  
surgical kit i couldn't believe this a

3162  
02:05:31,030 --> 02:05:30,000  
friend of mine gave it to me for

3163  
02:05:33,270 --> 02:05:31,040

christmas

3164

02:05:34,470 --> 02:05:33,280

uh it's brand new and it's it's uh

3165

02:05:37,990 --> 02:05:34,480

better than a

3166

02:05:40,069 --> 02:05:38,000

regular it's basically a a first aid kit

3167

02:05:43,109 --> 02:05:40,079

on steroids but then it's got a surgical

3168

02:05:45,030 --> 02:05:43,119

kit with it with with scalpels and all

3169

02:05:46,149 --> 02:05:45,040

kinds of stuff i don't even know how to

3170

02:05:48,310 --> 02:05:46,159

use but

3171

02:05:50,950 --> 02:05:48,320

i i don't know it's good for survival

3172

02:05:52,790 --> 02:05:50,960

purposes and [\h\_\_\h] it's a fan apocalypse

3173

02:05:54,069 --> 02:05:52,800

cabin by the way should have all the

3174

02:05:56,149 --> 02:05:54,079

stuff so

3175

02:05:57,669 --> 02:05:56,159

and i got a new huge flashlight that's

3176

02:05:59,430 --> 02:05:57,679

like one of those big heavy cop

3177

02:06:01,109 --> 02:05:59,440

flashlights and

3178

02:06:03,669 --> 02:06:01,119

um

3179

02:06:05,669 --> 02:06:03,679

hulk it's i've got this other survival

3180

02:06:08,709 --> 02:06:05,679

kit that has uh

3181

02:06:10,550 --> 02:06:08,719

you know like thermal blankets and uh

3182

02:06:13,109 --> 02:06:10,560

this is a really nice

3183

02:06:14,629 --> 02:06:13,119

compass and just

3184

02:06:17,270 --> 02:06:14,639

you know over the last couple of months

3185

02:06:19,030 --> 02:06:17,280

we've had a christmas and then

3186

02:06:21,510 --> 02:06:19,040

valentine's day my wife gave me some

3187

02:06:24,069 --> 02:06:21,520

other stuff for the cabin so i got a big

3188

02:06:26,229 --> 02:06:24,079

load of crap to take off

3189

02:06:27,910 --> 02:06:26,239

stuff i got a big load of stuff to take

3190

02:06:28,709 --> 02:06:27,920

up there right

3191

02:06:31,030 --> 02:06:28,719

um

3192

02:06:32,629 --> 02:06:31,040

and i've decided that i'm not doing any

3193

02:06:34,229 --> 02:06:32,639

i have no goal

3194

02:06:36,550 --> 02:06:34,239

for going to the cabin this weekend

3195

02:06:38,229 --> 02:06:36,560

other than one

3196

02:06:40,069 --> 02:06:38,239

i am very close to finishing the

3197

02:06:42,550 --> 02:06:40,079

bathroom in the cabin

3198

02:06:45,189 --> 02:06:42,560

and the sun room in the cabin

3199

02:06:46,950 --> 02:06:45,199

but i'm sure that i'm going to need a

3200

02:06:49,109 --> 02:06:46,960

certain amount of materials and i just

3201

02:06:51,109 --> 02:06:49,119

don't remember right now but what is it

3202

02:06:53,589 --> 02:06:51,119

that i need to go buy at lowe's or home

3203

02:06:55,669 --> 02:06:53,599

depot so my only goal for the cabin this

3204

02:06:57,030 --> 02:06:55,679

weekend is going to be

3205

02:06:58,229 --> 02:06:57,040

that

3206

02:07:00,229 --> 02:06:58,239

i'm going to go there and clean the

3207

02:07:01,189 --> 02:07:00,239

whole cabin because it's probably a man

3208

02:07:03,270 --> 02:07:01,199

mess

3209

02:07:05,589 --> 02:07:03,280

um you know while my wife's not there it

3210

02:07:08,870 --> 02:07:05,599

gets it gets me in messy you know pizza

3211

02:07:11,350 --> 02:07:08,880

boxes beer cans i don't know

3212

02:07:12,470 --> 02:07:11,360

so i'm going to clean the whole cabin

3213

02:07:14,390 --> 02:07:12,480

in case

3214

02:07:16,390 --> 02:07:14,400

my younger son wants to come up with me

3215

02:07:18,390 --> 02:07:16,400

for one of these uh

3216

02:07:19,830 --> 02:07:18,400

later fall trips

3217

02:07:21,750 --> 02:07:19,840

my wife's a little nervous about him

3218

02:07:24,069 --> 02:07:21,760

going there when it's too cold

3219

02:07:26,790 --> 02:07:24,079

you know but uh in a couple more weeks

3220

02:07:29,030 --> 02:07:26,800

maybe a month she'll feel more

3221

02:07:30,790 --> 02:07:29,040

okay with him going there

3222

02:07:33,430 --> 02:07:30,800

so i'm gonna take him up there for a

3223

02:07:34,470 --> 02:07:33,440

weekend maybe both sons i'm not sure

3224

02:07:35,669 --> 02:07:34,480

we'll see

3225

02:07:37,430 --> 02:07:35,679

um

3226

02:07:40,390 --> 02:07:37,440

and so i'm gonna clean everything this

3227

02:07:42,470 --> 02:07:40,400

weekend and then i'm gonna make a list i

3228

02:07:44,069 --> 02:07:42,480

need to make a list of this is all the

3229

02:07:46,390 --> 02:07:44,079

materials that i need to finish the

3230

02:07:47,990 --> 02:07:46,400

bathroom and the new sun room

3231

02:07:50,229 --> 02:07:48,000

and then i'm gonna go next weekend and

3232

02:07:52,870 --> 02:07:50,239

get all the materials where

3233

02:07:55,030 --> 02:07:52,880

we're really down to not much money left

3234

02:07:57,189 --> 02:07:55,040

in materials and i can't tell you how

3235

02:07:58,870 --> 02:07:57,199

happy i am you know we've used a lot of

3236

02:08:00,950 --> 02:07:58,880

trees and trash but sometimes you need

3237

02:08:02,950 --> 02:08:00,960

to buy things and there's a few things

3238

02:08:04,390 --> 02:08:02,960

that i need to buy some

3239

02:08:06,390 --> 02:08:04,400  
wood to put in the ceiling in the

3240

02:08:08,950 --> 02:08:06,400  
bathroom and some wood to finish the

3241

02:08:11,510 --> 02:08:08,960  
walls off um

3242

02:08:13,990 --> 02:08:11,520  
i'm gonna get everything that the cabin

3243

02:08:15,350 --> 02:08:14,000  
needs i need some uh

3244

02:08:17,109 --> 02:08:15,360  
i don't forget what that's called

3245

02:08:20,550 --> 02:08:17,119  
electrical wiring

3246

02:08:23,270 --> 02:08:20,560  
rj12 maybe is called you know that

3247

02:08:25,990 --> 02:08:23,280  
spool wire 100 foot you get to wire a

3248

02:08:27,830 --> 02:08:26,000  
room i need that and some outlets and

3249

02:08:29,109 --> 02:08:27,840  
odds and ends nothing too expensive

3250

02:08:31,189 --> 02:08:29,119  
though which i'm happy about so i'm

3251

02:08:33,189 --> 02:08:31,199

gonna go and make a list this weekend of

3252

02:08:35,109 --> 02:08:33,199

the cabin of everything i need to finish

3253

02:08:36,790 --> 02:08:35,119

those two rooms and then i'm gonna go

3254

02:08:38,229 --> 02:08:36,800

get it because one thing i've learned

3255

02:08:40,790 --> 02:08:38,239

about myself is

3256

02:08:43,830 --> 02:08:40,800

when it's an hour to the lows and an

3257

02:08:45,270 --> 02:08:43,840

hour back from the cabin

3258

02:08:46,790 --> 02:08:45,280

sometimes i don't get anything done

3259

02:08:48,390 --> 02:08:46,800

because i spend half the day going to

3260

02:08:50,870 --> 02:08:48,400

get the stuff and then i'm kind of like

3261

02:08:52,709 --> 02:08:50,880

ah i'll do it tomorrow or whatever but

3262

02:08:54,629 --> 02:08:52,719

if i have all the stuff all the

3263

02:08:56,229 --> 02:08:54,639

materials that i need and it's there i

3264

02:08:58,310 --> 02:08:56,239

get up in the morning throw some

3265

02:08:59,109 --> 02:08:58,320

caffeine down my throat and i get going

3266

02:09:00,790 --> 02:08:59,119

on

3267

02:09:02,470 --> 02:09:00,800

finishing this thing and i'm determined

3268

02:09:03,430 --> 02:09:02,480

i'm gonna try to finish this cabin this

3269

02:09:05,430 --> 02:09:03,440

year

3270

02:09:06,950 --> 02:09:05,440

now that may or may not happen i've got

3271

02:09:09,350 --> 02:09:06,960

to finish the sun room finish the

3272

02:09:11,510 --> 02:09:09,360

bathroom i gotta put a covered porch on

3273

02:09:13,189 --> 02:09:11,520

and i may do one more bump out out of

3274

02:09:14,870 --> 02:09:13,199

the back for a bedroom for my two

3275

02:09:18,229 --> 02:09:14,880

children because

3276

02:09:20,229 --> 02:09:18,239

we could probably use it right so that's

3277

02:09:22,870 --> 02:09:20,239

my plans so there won't be a show this

3278

02:09:25,350 --> 02:09:22,880

weekend or maybe i i don't know if i got

3279

02:09:27,030 --> 02:09:25,360

nothing to do maybe i'll do a show from

3280

02:09:29,189 --> 02:09:27,040

the cabin for you guys

3281

02:09:31,910 --> 02:09:29,199

always happy to do that share a little

3282

02:09:33,510 --> 02:09:31,920

more of my life with you but mostly uh i

3283

02:09:37,669 --> 02:09:33,520

plan on going there

3284

02:09:39,350 --> 02:09:37,679

and uh maybe i'll do some hiking fishing

3285

02:09:40,470 --> 02:09:39,360

who knows

3286

02:09:42,950 --> 02:09:40,480

uh

3287

02:09:45,109 --> 02:09:42,960

depends on the temperatures as well

3288

02:09:46,870 --> 02:09:45,119

i may just uh take some books with me

3289

02:09:48,709 --> 02:09:46,880

and catch up on my reading that's a

3290

02:09:50,550 --> 02:09:48,719

great place to do that

3291

02:09:53,270 --> 02:09:50,560

but mostly my goal is to get that

3292

02:09:55,830 --> 02:09:53,280

material list down to the last screw the

3293

02:09:57,510 --> 02:09:55,840

last nail whatever and i'm gonna go get

3294

02:09:59,189 --> 02:09:57,520

everything i need to finish those two

3295

02:10:00,470 --> 02:09:59,199

rooms i'm gonna stack it up there and

3296

02:10:01,510 --> 02:10:00,480

i'm going to get those two rooms

3297

02:10:03,830 --> 02:10:01,520

finished

3298

02:10:07,109 --> 02:10:03,840

well before my wife gets there in the

3299

02:10:09,430 --> 02:10:07,119

summer i really want the new sun room uh

3300

02:10:10,950 --> 02:10:09,440

to be finished too so we can start

3301

02:10:13,030 --> 02:10:10,960

we're going to start a garden hopefully

3302

02:10:15,189 --> 02:10:13,040

this year or at the very least we're

3303

02:10:17,990 --> 02:10:15,199

going to have an indoor garden right in

3304

02:10:19,910 --> 02:10:18,000

the sun room greenhouse

3305

02:10:22,149 --> 02:10:19,920

on the on the right of

3306

02:10:23,510 --> 02:10:22,159

the new addition we'll have a greenhouse

3307

02:10:25,270 --> 02:10:23,520

full of i don't know peppers and

3308

02:10:26,310 --> 02:10:25,280

tomatoes and whatever else we can grow

3309

02:10:28,550 --> 02:10:26,320

in there

3310

02:10:29,990 --> 02:10:28,560

um one of the issues with gardening is

3311

02:10:32,069 --> 02:10:30,000

there's so many animals there that you

3312

02:10:34,229 --> 02:10:32,079

gotta fence off a garden with like eight

3313

02:10:36,069 --> 02:10:34,239

foot high fences otherwise the deer get

3314

02:10:38,310 --> 02:10:36,079

in the rabbits the

3315

02:10:41,270 --> 02:10:38,320

the chipmunks the squirrels and they eat

3316

02:10:42,709 --> 02:10:41,280

everything especially the deer and bears

3317

02:10:44,550 --> 02:10:42,719

as well

3318

02:10:46,790 --> 02:10:44,560

but if it's inside a building they're

3319

02:10:48,870 --> 02:10:46,800

gonna leave it alone so we're not even

3320

02:10:51,109 --> 02:10:48,880

know it's there

3321

02:10:52,470 --> 02:10:51,119

so i gotta get those things done i'm off

3322

02:10:54,629 --> 02:10:52,480

to the cabin

3323

02:10:57,270 --> 02:10:54,639

uh i consider this week was a pretty

3324

02:10:59,350 --> 02:10:57,280

light week for the show and i apologize

3325

02:11:02,470 --> 02:10:59,360

for that lots of stuff going on that's

3326

02:11:04,310 --> 02:11:02,480

sort of uh impeding our progress i know

3327

02:11:07,270 --> 02:11:04,320

many of you would like to see us go back

3328

02:11:09,270 --> 02:11:07,280

to five shows a week we may do that um

3329

02:11:10,629 --> 02:11:09,280

i'm sort of collecting material for

3330

02:11:12,950 --> 02:11:10,639

different shows

3331

02:11:15,030 --> 02:11:12,960

we'll see what happens next week i'm

3332

02:11:17,189 --> 02:11:15,040

sure i'm gonna feel rested and recharged

3333

02:11:19,030 --> 02:11:17,199

and ready to fight the good fight again

3334

02:11:20,229 --> 02:11:19,040

next week

3335

02:11:22,790 --> 02:11:20,239

so

3336

02:11:25,910 --> 02:11:22,800

that's what i got for you for tonight

3337

02:11:29,109 --> 02:11:27,350

next week

3338

02:11:31,189 --> 02:11:29,119

i believe that we have an interview with

3339

02:11:33,430 --> 02:11:31,199

jason quit about his new book we're also

3340

02:11:34,629 --> 02:11:33,440

going to have terry joyce from not my

3341

02:11:37,189 --> 02:11:34,639

rabbit hole we're going to be talking

3342

02:11:39,270 --> 02:11:37,199

about that super soldier documentary

3343

02:11:40,470 --> 02:11:39,280

okie from uki's weird stories how he

3344

02:11:43,669 --> 02:11:40,480

punks

3345

02:11:45,430 --> 02:11:43,679

james caspal super soldier channel

3346

02:11:47,669 --> 02:11:45,440

great story

3347

02:11:49,350 --> 02:11:47,679

so that's what i got for you folks

3348

02:11:53,109 --> 02:11:49,360

i want to thank my guests once again for

3349

02:11:55,669 --> 02:11:53,119

tonight uh who came here and um really

3350

02:11:58,310 --> 02:11:55,679

helped uh bring some of these bob lazar

3351

02:12:02,030 --> 02:11:58,320

stories more to the forefront

3352

02:12:05,430 --> 02:12:02,040

uh and again his website is ufology is

3353

02:12:07,510 --> 02:12:05,440

corrupt.com go visit him and of course

3354

02:12:09,189 --> 02:12:07,520

uh subscribe to his youtube channel the

3355

02:12:10,470 --> 02:12:09,199

channel link is in the description of

3356

02:12:12,310 --> 02:12:10,480

this video

3357

02:12:14,069 --> 02:12:12,320

please support him and the excellent

3358

02:12:16,390 --> 02:12:14,079

work that he is doing as you have

3359

02:12:17,350 --> 02:12:16,400

supported me and the work that we do

3360

02:12:19,430 --> 02:12:17,360

here

3361

02:12:22,149 --> 02:12:19,440

i think it's important

3362

02:12:25,350 --> 02:12:22,159

that we view this phenomenon from all

3363

02:12:26,790 --> 02:12:25,360

sides including a skeptical one

3364

02:12:28,149 --> 02:12:26,800

so

3365

02:12:30,310 --> 02:12:28,159

oh and i want to thank each and every

3366

02:12:31,910 --> 02:12:30,320

one of you kind and generous benefactors

3367

02:12:34,629 --> 02:12:31,920

the patreon supporters the paypal

3368

02:12:36,069 --> 02:12:34,639

donators the super chatters the cash app

3369

02:12:38,149 --> 02:12:36,079

money senders

3370

02:12:39,669 --> 02:12:38,159

you guys keep the show going

3371

02:12:41,350 --> 02:12:39,679

always happy when there's an audience

3372

02:12:43,990 --> 02:12:41,360

tonight i came here and we had a great

3373

02:12:46,229 --> 02:12:44,000

one thank you for being a part of mine

3374

02:12:48,069 --> 02:12:46,239

so that's what i got for you tonight

3375

02:12:50,310 --> 02:12:48,079

friends until next time my name is

3376

02:12:54,280 --> 02:12:50,320

stephen campion good night and god bless

3377

02:12:54,290 --> 02:13:07,589

[Music]

3378

02:13:35,910 --> 02:13:09,610

so

3379

02:13:38,260 --> 02:13:35,920

[Music]

3380

02:14:10,260 --> 02:13:38,270

so

3381

02:14:14,620 --> 02:14:13,260

[Music]

3382

02:14:31,430 --> 02:14:14,630

[Applause]

3383

02:14:54,780 --> 02:14:33,620

so
