

# SECRETS OF ROSWELL!

AN INTERVIEW  
with author  
& RESEARCHER  
Donald R. Schmitt

1  
00:00:26,150 --> 00:00:00,630

[Music]

2  
00:00:27,600 --> 00:00:26,160

also know

3  
00:00:35,030 --> 00:00:27,610

how to

4  
00:00:40,470 --> 00:00:37,110

welcome back my friends

5  
00:00:42,150 --> 00:00:40,480  
back to another edition of the midnight

6  
00:00:45,430 --> 00:00:42,160

hour show

7  
00:00:47,510 --> 00:00:45,440

my name is steven cambion also known as

8  
00:00:48,420 --> 00:00:47,520

the mystery man

9  
00:00:49,750 --> 00:00:48,430

bringing you

10  
00:00:53,750 --> 00:00:49,760

[Music]

11  
00:00:55,510 --> 00:00:53,760

an incredible night of mystery

12  
00:00:58,709 --> 00:00:55,520

tonight my friends

13  
00:01:01,750 --> 00:00:58,719

we will be discussing one of my very

14

00:01:05,670 --> 00:01:01,760

favorite mysteries and that is

15

00:01:07,190 --> 00:01:05,680

the mystery of roswell

16

00:01:09,109 --> 00:01:07,200

in early june

17

00:01:10,710 --> 00:01:09,119

1947

18

00:01:12,390 --> 00:01:10,720

something

19

00:01:13,750 --> 00:01:12,400

yes my friends

20

00:01:16,870 --> 00:01:13,760

something

21

00:01:17,749 --> 00:01:16,880

crashed in the desert

22

00:01:19,270 --> 00:01:17,759

since

23

00:01:22,390 --> 00:01:19,280

that time

24

00:01:23,910 --> 00:01:22,400

there has been an incredible amount of

25

00:01:25,109 --> 00:01:23,920

material

26

00:01:27,109 --> 00:01:25,119

on this

27

00:01:30,149 --> 00:01:27,119

mystery

28

00:01:34,069 --> 00:01:30,159

on this thing that some would say

29

00:01:37,590 --> 00:01:34,079

is an incredible conspiracy

30

00:01:39,749 --> 00:01:37,600

my own study into this has led me in a

31

00:01:42,710 --> 00:01:39,759

hundred different directions

32

00:01:44,310 --> 00:01:42,720

and to be quite honest i have avoided

33

00:01:47,830 --> 00:01:44,320

doing a show

34

00:01:51,350 --> 00:01:47,840

on this roswell thing even though it's

35

00:01:53,910 --> 00:01:51,360

one of my very favorite cases

36

00:01:55,429 --> 00:01:53,920

the reason for this my friends is quite

37

00:01:58,230 --> 00:01:55,439

simple

38

00:02:01,429 --> 00:01:58,240

i like to make sure

39

00:02:04,630 --> 00:02:01,439

that i bring my guests an absolute

40

00:02:07,270 --> 00:02:04,640

expert an incredible

41

00:02:09,830 --> 00:02:07,280

guest that can shed light on this

42

00:02:13,030 --> 00:02:09,840

subject and until now

43

00:02:14,550 --> 00:02:13,040

i have not had access to someone that i

44

00:02:17,670 --> 00:02:14,560

trusted enough

45

00:02:19,750 --> 00:02:17,680

to bring my listeners the truth

46

00:02:23,589 --> 00:02:19,760

but all that is going to change tonight

47

00:02:27,510 --> 00:02:23,599

because tonight we have world renowned

48

00:02:31,190 --> 00:02:27,520

ufo expert author lecturer and

49

00:02:32,470 --> 00:02:31,200

researcher and roswell expert don

50

00:02:34,830 --> 00:02:32,480

schmidt

51  
00:02:38,869 --> 00:02:34,840  
this man has been

52  
00:02:41,509 --> 00:02:38,879  
investigating roswell for decades i've

53  
00:02:44,229 --> 00:02:41,519  
read all his books which are extremely

54  
00:02:46,630 --> 00:02:44,239  
well written and well researched

55  
00:02:49,270 --> 00:02:46,640  
and i'm pleased and delighted to be able

56  
00:02:52,309 --> 00:02:49,280  
to have him on our show tonight

57  
00:02:53,350 --> 00:02:52,319  
to help us all

58  
00:02:54,949 --> 00:02:53,360  
learn

59  
00:02:56,550 --> 00:02:54,959  
what could perhaps

60  
00:02:59,110 --> 00:02:56,560  
be the truth

61  
00:03:01,490 --> 00:02:59,120  
of one of the greatest mysteries

62  
00:03:04,070 --> 00:03:01,500  
on planet earth

63  
00:03:07,430 --> 00:03:04,080

[Music]

64

00:03:09,430 --> 00:03:07,440

the roswell case is truly one of the

65

00:03:12,470 --> 00:03:09,440

greatest cases

66

00:03:13,589 --> 00:03:12,480

in so-called ufology and with good

67

00:03:17,270 --> 00:03:13,599

reason

68

00:03:21,270 --> 00:03:17,280

this is an incredible story that's got

69

00:03:24,149 --> 00:03:21,280

all the pieces of an amazing mystery

70

00:03:29,030 --> 00:03:27,670

possible alien crash landing

71

00:03:37,750 --> 00:03:29,040

we have

72

00:03:40,710 --> 00:03:37,760

death bed confessions about what really

73

00:03:44,949 --> 00:03:42,070

my friends

74

00:03:47,430 --> 00:03:44,959

this is one of the greatest cases

75

00:03:49,589 --> 00:03:47,440

ever because

76

00:03:52,710 --> 00:03:49,599

there is

77

00:03:56,149 --> 00:03:52,720

literally mountains of evidence that go

78

00:04:01,670 --> 00:03:58,630

we have the united states government

79

00:04:04,149 --> 00:04:01,680

releasing a news story

80

00:04:05,750 --> 00:04:04,159

when this first happened saying

81

00:04:07,750 --> 00:04:05,760

we've captured

82

00:04:09,350 --> 00:04:07,760

a flying saucer

83

00:04:14,229 --> 00:04:09,360

on a ranch

84

00:04:14,239 --> 00:04:19,349

that news story went out on the wire

85

00:04:24,150 --> 00:04:21,110

and became

86

00:04:26,550 --> 00:04:24,160

an international story there was people

87

00:04:29,830 --> 00:04:26,560

from other countries calling the base

88

00:04:30,950 --> 00:04:29,840

asking about it shortly after that news

89

00:04:33,510 --> 00:04:30,960

story

90

00:04:36,469 --> 00:04:33,520

which was issued by the united states

91

00:04:36,479 --> 00:04:40,310

first went out

92

00:04:43,670 --> 00:04:41,749

very quickly

93

00:04:45,510 --> 00:04:43,680

the government

94

00:04:48,550 --> 00:04:45,520

stepped in

95

00:04:49,749 --> 00:04:48,560

and corrected themselves

96

00:04:52,310 --> 00:04:49,759

and said no

97

00:04:56,790 --> 00:04:52,320

it wasn't a flying saucer

98

00:04:58,870 --> 00:04:56,800

it was simply a weather balloon

99

00:05:00,150 --> 00:04:58,880

years and years later

100

00:05:02,790 --> 00:05:00,160

they would come up

101  
00:05:05,110 --> 00:05:02,800  
with another story saying no it wasn't a

102  
00:05:09,189 --> 00:05:05,120  
weather balloon it was actually

103  
00:05:11,110 --> 00:05:09,199  
a top secret balloon from project mogul

104  
00:05:12,550 --> 00:05:11,120  
which was a project where they would

105  
00:05:15,909 --> 00:05:12,560  
send

106  
00:05:18,390 --> 00:05:15,919  
balloons up into the upper atmosphere to

107  
00:05:22,469 --> 00:05:18,400  
listen for soviet

108  
00:05:26,629 --> 00:05:24,469  
they would also say that the reports of

109  
00:05:28,230 --> 00:05:26,639  
bodies

110  
00:05:30,790 --> 00:05:28,240  
were nothing more

111  
00:05:32,070 --> 00:05:30,800  
than anthropomorphic

112  
00:05:33,670 --> 00:05:32,080  
dummies

113  
00:05:37,990 --> 00:05:33,680

which were dropped

114

00:05:39,189 --> 00:05:38,000

in another project to study the effects

115

00:05:41,029 --> 00:05:39,199

of

116

00:05:44,230 --> 00:05:41,039

high altitude

117

00:05:48,870 --> 00:05:46,790

the problem with that explanation for

118

00:05:51,390 --> 00:05:48,880

the bodies is that

119

00:05:54,469 --> 00:05:51,400

it wasn't until years and years after

120

00:05:56,870 --> 00:05:54,479

1947 that this project

121

00:05:58,629 --> 00:05:56,880

that involved dropping dummies

122

00:06:02,469 --> 00:05:58,639

at high altitudes

123

00:06:07,990 --> 00:06:04,950

my friends i have never believed the

124

00:06:11,350 --> 00:06:08,000

government about this case

125

00:06:13,909 --> 00:06:11,360

and i don't think you should either

126

00:06:16,790 --> 00:06:13,919

quite frankly the government has lied

127

00:06:18,830 --> 00:06:16,800

again and again and again about what

128

00:06:20,469 --> 00:06:18,840

really happened

129

00:06:21,990 --> 00:06:20,479

there

130

00:06:25,430 --> 00:06:22,000

on that ranch

131

00:06:27,350 --> 00:06:25,440

in early june 1947

132

00:06:29,430 --> 00:06:27,360

and to suggest

133

00:06:31,749 --> 00:06:29,440

that a bunch of

134

00:06:34,950 --> 00:06:31,759

army intelligence people who were

135

00:06:36,790 --> 00:06:34,960

assigned to the only nuclear bomb group

136

00:06:40,790 --> 00:06:36,800

in the country at the time they were

137

00:06:43,990 --> 00:06:40,800

responsible for our nuclear weapons

138

00:06:45,590 --> 00:06:44,000

to suggest that those very educated

139

00:06:48,309 --> 00:06:45,600

trained observers

140

00:06:50,790 --> 00:06:48,319

who saw weather balloons all the time

141

00:06:53,670 --> 00:06:50,800

would not know the difference between a

142

00:06:57,670 --> 00:06:53,680

flying saucer and a weather balloon

143

00:07:01,029 --> 00:06:57,680

is absolutely ludicrous

144

00:07:03,430 --> 00:07:01,039

and in my study of this incredible case

145

00:07:07,430 --> 00:07:03,440

i have found that the evidence to

146

00:07:08,309 --> 00:07:07,440

support the extraterrestrial hypothesis

147

00:07:10,870 --> 00:07:08,319

is

148

00:07:12,790 --> 00:07:10,880

overwhelming my friends

149

00:07:14,950 --> 00:07:12,800

not just convincing

150

00:07:17,110 --> 00:07:14,960

but overwhelming

151  
00:07:20,469 --> 00:07:17,120  
and this is one of the reasons i wanted

152  
00:07:22,390 --> 00:07:20,479  
to have my guest don schmidt

153  
00:07:23,990 --> 00:07:22,400  
on the show tonight

154  
00:07:26,469 --> 00:07:24,000  
because don schmidt

155  
00:07:29,589 --> 00:07:26,479  
is so incredibly knowledgeable about

156  
00:07:32,230 --> 00:07:29,599  
this subject he can tell you the names

157  
00:07:34,790 --> 00:07:32,240  
of the men who were there at the debris

158  
00:07:37,110 --> 00:07:34,800  
field collecting the debris he can tell

159  
00:07:40,469 --> 00:07:37,120  
you the name of the

160  
00:07:41,510 --> 00:07:40,479  
driver of the truck who drove it back to

161  
00:07:43,589 --> 00:07:41,520  
the base

162  
00:07:46,150 --> 00:07:43,599  
he can tell you the name of the pilots

163  
00:07:47,830 --> 00:07:46,160

who flew the debris

164

00:07:50,790 --> 00:07:47,840

and the recovered

165

00:07:53,189 --> 00:07:50,800

bodies back to wright patterson air

166

00:07:55,909 --> 00:07:53,199

force base

167

00:08:00,309 --> 00:07:55,919

the evidence my friends

168

00:08:04,950 --> 00:08:03,270

more than convincing enough to consider

169

00:08:07,430 --> 00:08:04,960

that the extra

170

00:08:08,309 --> 00:08:07,440

terrestrial hypothesis

171

00:08:09,029 --> 00:08:08,319

may

172

00:08:12,150 --> 00:08:09,039

be

173

00:08:16,710 --> 00:08:14,469

and so what are we to do

174

00:08:18,710 --> 00:08:16,720

ignore all that evidence

175

00:08:21,589 --> 00:08:18,720

i always find it funny when i talk to

176

00:08:23,510 --> 00:08:21,599

skeptics about roswell who make

177

00:08:25,350 --> 00:08:23,520

ridiculous statements like well there's

178

00:08:27,110 --> 00:08:25,360

just no evidence and the government said

179

00:08:27,909 --> 00:08:27,120

it was a weather balloon

180

00:08:29,189 --> 00:08:27,919

no

181

00:08:31,110 --> 00:08:29,199

first the government said it was a

182

00:08:32,870 --> 00:08:31,120

flying saucer then they said it was a

183

00:08:35,269 --> 00:08:32,880

weather balloon then they said it was a

184

00:08:37,990 --> 00:08:35,279

top secret balloon project that had

185

00:08:39,990 --> 00:08:38,000

nothing to do with the weather

186

00:08:42,870 --> 00:08:40,000

my friends the story from the government

187

00:08:43,990 --> 00:08:42,880

keeps changing

188

00:08:45,590 --> 00:08:44,000

and yet

189

00:08:49,430 --> 00:08:45,600

the story

190

00:08:52,870 --> 00:08:51,750

does not change

191

00:08:55,750 --> 00:08:52,880

in fact

192

00:08:57,509 --> 00:08:55,760

their stories remain incredibly

193

00:08:59,840 --> 00:08:57,519

consistent

194

00:09:01,910 --> 00:08:59,850

even after all these years

195

00:09:04,790 --> 00:09:01,920

[Music]

196

00:09:08,630 --> 00:09:04,800

even the stories of their children

197

00:09:11,030 --> 00:09:08,640

as told in don schmidt's amazing book

198

00:09:13,750 --> 00:09:11,040

children of roswell

199

00:09:15,190 --> 00:09:13,760

provide compelling evidence

200

00:09:17,509 --> 00:09:15,200

that yes

201  
00:09:19,269 --> 00:09:17,519  
an alien

202  
00:09:20,550 --> 00:09:19,279  
spacecraft

203  
00:09:23,509 --> 00:09:20,560  
indeed

204  
00:09:27,670 --> 00:09:23,519  
crash landed in roswell new mexico in

205  
00:09:27,680 --> 00:09:31,110  
compelling evidence

206  
00:09:34,949 --> 00:09:33,030  
that people witnessed

207  
00:09:36,870 --> 00:09:34,959  
not just

208  
00:09:40,230 --> 00:09:36,880  
the debris

209  
00:09:42,710 --> 00:09:40,240  
of a crash flying saucer but also

210  
00:09:44,710 --> 00:09:42,720  
the bodies

211  
00:09:45,910 --> 00:09:44,720  
and even

212  
00:09:48,790 --> 00:09:45,920  
even

213  
00:09:50,470 --> 00:09:48,800

a living survivor

214

00:09:52,790 --> 00:09:50,480  
of the crash

215

00:09:53,750 --> 00:09:52,800  
that was not

216

00:09:58,230 --> 00:09:53,760  
human

217

00:10:02,790 --> 00:10:01,190  
and this my friends is why

218

00:10:06,710 --> 00:10:02,800  
i believe this is one of the most

219

00:10:09,670 --> 00:10:06,720  
compelling mysteries on planet earth

220

00:10:14,150 --> 00:10:09,680  
and i continue to be fascinated by all

221

00:10:17,110 --> 00:10:16,310  
for example did you know

222

00:10:20,389 --> 00:10:17,120  
that

223

00:10:22,230 --> 00:10:20,399  
nearly all the paperwork

224

00:10:24,310 --> 00:10:22,240  
surrounding this event

225

00:10:27,110 --> 00:10:24,320  
that the government once had in its

226

00:10:31,269 --> 00:10:29,590

was mysteriously destroyed without

227

00:10:33,190 --> 00:10:31,279

authorization

228

00:10:36,230 --> 00:10:33,200

now my friends

229

00:10:37,910 --> 00:10:36,240

go and ask anyone you know who works for

230

00:10:39,269 --> 00:10:37,920

the government

231

00:10:42,069 --> 00:10:39,279

it takes

232

00:10:45,030 --> 00:10:42,079

authorization to destroy documents you

233

00:10:47,670 --> 00:10:45,040

cannot just destroy government documents

234

00:10:49,990 --> 00:10:47,680

and yet every document related to this

235

00:10:51,750 --> 00:10:50,000

event that the government once had in

236

00:10:54,630 --> 00:10:51,760

its possession

237

00:10:57,190 --> 00:10:54,640

have been destroyed or lost or cannot be

238

00:11:00,150 --> 00:10:57,200

located

239

00:11:03,269 --> 00:11:00,160

so when people claim i'm a little crazy

240

00:11:07,750 --> 00:11:03,279

for saying there's a government cover-up

241

00:11:13,269 --> 00:11:10,069

and that my friends i feel

242

00:11:15,509 --> 00:11:13,279

is proof enough along with all the first

243

00:11:19,030 --> 00:11:15,519

witness testimony refuting what the

244

00:11:22,230 --> 00:11:19,040

government said happened here

245

00:11:23,350 --> 00:11:22,240

that's proof enough my friends to me

246

00:11:25,829 --> 00:11:23,360

that yes

247

00:11:28,470 --> 00:11:25,839

i believe an alien spacecraft crash

248

00:11:29,990 --> 00:11:28,480

landed i believe the government

249

00:11:31,910 --> 00:11:30,000

snatched it up

250

00:11:33,190 --> 00:11:31,920

and then covered it up

251  
00:11:37,190 --> 00:11:33,200  
and i believe

252  
00:11:39,110 --> 00:11:37,200  
that the cover-up continues

253  
00:11:42,630 --> 00:11:39,120  
and continues

254  
00:11:47,030 --> 00:11:42,640  
to this very day

255  
00:11:52,389 --> 00:11:50,069  
i am incredibly grateful

256  
00:11:53,750 --> 00:11:52,399  
to people like my guest tonight don

257  
00:11:57,509 --> 00:11:53,760  
schmidt

258  
00:12:00,550 --> 00:11:57,519  
who has refused to allow that cover-up

259  
00:12:06,710 --> 00:12:02,470  
don schmidt is

260  
00:12:09,670 --> 00:12:06,720  
absolutely relentless in his pursuit

261  
00:12:11,829 --> 00:12:09,680  
of the truth about roswell

262  
00:12:13,829 --> 00:12:11,839  
and that my friends

263  
00:12:15,990 --> 00:12:13,839

is something we need

264

00:12:18,550 --> 00:12:16,000

we need people like him so that the

265

00:12:22,870 --> 00:12:18,560

government cannot continue

266

00:12:27,990 --> 00:12:24,870

and i have to say

267

00:12:29,509 --> 00:12:28,000

i've been following his research and his

268

00:12:31,750 --> 00:12:29,519

findings

269

00:12:34,230 --> 00:12:31,760

for years now

270

00:12:36,790 --> 00:12:34,240

he's one of the most respected and

271

00:12:39,829 --> 00:12:36,800

credible researchers out there

272

00:12:42,629 --> 00:12:39,839

because he is a dying breed of

273

00:12:45,350 --> 00:12:44,310

by that i mean

274

00:12:50,069 --> 00:12:45,360

he

275

00:12:52,790 --> 00:12:50,079

witnesses

276

00:12:56,310 --> 00:12:52,800

interviewing people digging through

277

00:12:59,030 --> 00:12:56,320

documents in archives trying to find the

278

00:13:03,350 --> 00:12:59,040

truth he has

279

00:13:06,949 --> 00:13:03,360

left literally no stone unturned

280

00:13:09,110 --> 00:13:06,959

in his search for the truth and i gotta

281

00:13:11,910 --> 00:13:09,120

tell you that i have tremendous respect

282

00:13:12,949 --> 00:13:11,920

for a man who would dedicate himself so

283

00:13:17,190 --> 00:13:12,959

fully

284

00:13:21,590 --> 00:13:19,269

i have heard

285

00:13:25,750 --> 00:13:21,600

the younger

286

00:13:27,350 --> 00:13:25,760

really younger generation of ufo fans

287

00:13:30,470 --> 00:13:27,360

referred to as

288

00:13:32,310 --> 00:13:30,480

right click researchers

289

00:13:34,230 --> 00:13:32,320

you see my friends you can do an

290

00:13:35,430 --> 00:13:34,240

incredible amount of research on the

291

00:13:38,710 --> 00:13:35,440

internet

292

00:13:41,750 --> 00:13:38,720

but there is no substitute for going to

293

00:13:43,350 --> 00:13:41,760

places in person for going to archives

294

00:13:46,310 --> 00:13:43,360

of documents

295

00:13:49,590 --> 00:13:46,320

for going places and interviewing

296

00:13:53,030 --> 00:13:49,600

witnesses seeing the scenes

297

00:13:55,670 --> 00:13:53,040

the sites where these things happen

298

00:13:58,230 --> 00:13:55,680

and that is what my guest

299

00:14:03,670 --> 00:13:58,240

tonight has been doing for literally

300

00:14:08,949 --> 00:14:05,750

so my friends

301

00:14:11,829 --> 00:14:08,959

i guess without further ado let's get to

302

00:14:14,949 --> 00:14:11,839

the mystery phone where my expert guest

303

00:14:18,550 --> 00:14:14,959

is standing by

304

00:14:21,350 --> 00:14:18,560

let's get right to our list of questions

305

00:14:23,110 --> 00:14:21,360

for our expert guest

306

00:14:24,230 --> 00:14:23,120

the one of the things that fascinates me

307

00:14:25,990 --> 00:14:24,240

about

308

00:14:28,230 --> 00:14:26,000

those people that dedicate so much of

309

00:14:30,629 --> 00:14:28,240

their time and their lives to the study

310

00:14:32,710 --> 00:14:30,639

of these things is to ask them

311

00:14:34,470 --> 00:14:32,720

in your case i was interested in what

312

00:14:36,790 --> 00:14:34,480

got you initially interested in the

313

00:14:38,550 --> 00:14:36,800

whole subject and then more deeply what

314

00:14:41,590 --> 00:14:38,560

got you so

315

00:14:45,110 --> 00:14:41,600

focused on roswell

316

00:14:49,509 --> 00:14:45,120

okay what got me involved or at least

317

00:14:51,269 --> 00:14:49,519

intrigued in the subject was i was a

318

00:14:52,790 --> 00:14:51,279

young boy at the time of the kennedy

319

00:14:55,670 --> 00:14:52,800

assassination

320

00:14:57,509 --> 00:14:55,680

and my father was away

321

00:14:59,910 --> 00:14:57,519

for the weekend

322

00:15:02,870 --> 00:14:59,920

it happened on a friday

323

00:15:05,350 --> 00:15:02,880

and for those of my generation we will

324

00:15:07,350 --> 00:15:05,360

never forget exactly where we were what

325

00:15:09,430 --> 00:15:07,360

we were doing what we were thinking

326

00:15:11,350 --> 00:15:09,440

everything every moment that happened

327

00:15:13,269 --> 00:15:11,360

that entire weekend

328

00:15:14,710 --> 00:15:13,279

and after the warren

329

00:15:17,590 --> 00:15:14,720

commission

330

00:15:18,790 --> 00:15:17,600

was appointed and everyone was awaiting

331

00:15:23,189 --> 00:15:18,800

you know the

332

00:15:24,829 --> 00:15:23,199

final verdict was it a conspiracy or not

333

00:15:27,269 --> 00:15:24,839

and when the report

334

00:15:30,949 --> 00:15:27,279

finally came out

335

00:15:34,629 --> 00:15:30,959

the words of whitewash and cover-up

336

00:15:37,110 --> 00:15:34,639

were more prevalent than anything

337

00:15:40,230 --> 00:15:37,120

and it was a few years later i was out

338

00:15:41,670 --> 00:15:40,240

christmas shopping with my folks and i

339

00:15:44,069 --> 00:15:41,680

was

340

00:15:46,949 --> 00:15:44,079

always you know

341

00:15:48,550 --> 00:15:46,959

looking for the next book

342

00:15:51,829 --> 00:15:48,560

all the kids my

343

00:15:53,990 --> 00:15:51,839

age wanted toys and

344

00:15:55,590 --> 00:15:54,000

bicycles and

345

00:15:57,670 --> 00:15:55,600

whatever they could be entertained by

346

00:15:59,910 --> 00:15:57,680

and i wanted nothing of nothing but

347

00:16:01,269 --> 00:15:59,920

books

348

00:16:06,829 --> 00:16:01,279

and

349

00:16:09,910 --> 00:16:06,839

across this book flying saucers serious

350

00:16:12,230 --> 00:16:09,920

business new york times bestseller

351

00:16:14,150 --> 00:16:12,240

by frank edwards

352

00:16:16,389 --> 00:16:14,160

and on the

353

00:16:19,430 --> 00:16:16,399

jacket were those very same words

354

00:16:21,350 --> 00:16:19,440

whitewash cover-up

355

00:16:24,150 --> 00:16:21,360

and

356

00:16:26,710 --> 00:16:24,160

i saw a chapter inside entitled who's

357

00:16:32,949 --> 00:16:30,069

and it was about occupant cases ufo you

358

00:16:34,550 --> 00:16:32,959

know occupant sightings from all around

359

00:16:39,030 --> 00:16:34,560

the world

360

00:16:40,629 --> 00:16:39,040

and i was just mesmerized i just uh

361

00:16:43,670 --> 00:16:40,639

fell in love

362

00:16:44,710 --> 00:16:43,680

with the possibility of someone else out

363

00:16:46,550 --> 00:16:44,720

there

364

00:16:49,189 --> 00:16:46,560

and i couldn't get my next book fast

365

00:16:52,069 --> 00:16:49,199

enough which just happened to be flying

366

00:16:54,470 --> 00:16:52,079

saucer occupants by coral and jim

367

00:16:55,829 --> 00:16:54,480

lorenzo the whole book was occupant

368

00:16:59,350 --> 00:16:55,839

cases

369

00:17:01,670 --> 00:16:59,360

and i would sit on a pier on a lake in

370

00:17:04,390 --> 00:17:01,680

northern wisconsin

371

00:17:07,750 --> 00:17:04,400

as a little boy with just a flashlight

372

00:17:09,350 --> 00:17:07,760

and read some of these scary ufo

373

00:17:11,750 --> 00:17:09,360

encounters

374

00:17:15,350 --> 00:17:11,760

and i wasn't scared

375

00:17:23,590 --> 00:17:15,360

i i became just all the more fascinated

376

00:17:27,189 --> 00:17:25,350

the overall topic

377

00:17:28,390 --> 00:17:27,199

so then

378

00:17:33,190 --> 00:17:28,400

when

379

00:17:35,669 --> 00:17:33,200

the very book roswell incident came out

380

00:17:36,950 --> 00:17:35,679

in 1980 by bill moore and charles

381

00:17:39,110 --> 00:17:36,960

burlings

382

00:17:42,310 --> 00:17:39,120

i wasn't interested at all

383

00:17:43,909 --> 00:17:42,320

in fact a few years later i even did a a

384

00:17:46,549 --> 00:17:43,919

a paper

385

00:17:48,150 --> 00:17:46,559

where i argued the point that i could

386

00:17:49,909 --> 00:17:48,160

not accept i couldn't believe that

387

00:17:52,390 --> 00:17:49,919

something of that magnitude could be

388

00:17:54,549 --> 00:17:52,400

kept a secret for that many years so i

389

00:17:56,470 --> 00:17:54,559

just blew it off

390

00:17:59,110 --> 00:17:56,480

and then when i became

391

00:18:00,950 --> 00:17:59,120

director of special investigations

392

00:18:01,990 --> 00:18:00,960

for the jayla heineck center for ufo

393

00:18:04,630 --> 00:18:02,000

studies

394

00:18:06,310 --> 00:18:04,640

the first case i wanted to go after was

395

00:18:08,470 --> 00:18:06,320

roswell

396

00:18:10,870 --> 00:18:08,480

i thought we'd make a single weekend

397

00:18:12,950 --> 00:18:10,880

jaunt down to

398

00:18:14,870 --> 00:18:12,960

new mexico and prove that it was a

399

00:18:17,830 --> 00:18:14,880

weather balloon device as the government

400

00:18:19,750 --> 00:18:17,840

still maintains or or something just as

401  
00:18:20,870 --> 00:18:19,760  
prosaic

402  
00:18:23,510 --> 00:18:20,880  
and

403  
00:18:24,390 --> 00:18:23,520  
that was in february of 1989

404  
00:18:25,590 --> 00:18:24,400  
and

405  
00:18:26,630 --> 00:18:25,600  
i can

406  
00:18:27,750 --> 00:18:26,640  
proudly

407  
00:18:30,470 --> 00:18:27,760  
admit

408  
00:18:31,430 --> 00:18:30,480  
we were totally wrong

409  
00:18:32,710 --> 00:18:31,440  
that

410  
00:18:35,590 --> 00:18:32,720  
we were

411  
00:18:41,590 --> 00:18:38,630  
captivated by the idea that

412  
00:18:43,990 --> 00:18:41,600  
not only we were wrong but we had to

413  
00:18:46,390 --> 00:18:44,000

treat this like it was genuine like it

414

00:18:48,870 --> 00:18:46,400

was the real thing and it was the first

415

00:18:50,390 --> 00:18:48,880

10 witnesses specifically describing the

416

00:18:51,750 --> 00:18:50,400

wreckage

417

00:18:55,190 --> 00:18:51,760

and it's

418

00:18:56,789 --> 00:18:55,200

highly unusual characteristics the the

419

00:18:57,830 --> 00:18:56,799

strangeness the

420

00:18:59,110 --> 00:18:57,840

just the

421

00:19:01,350 --> 00:18:59,120

uh

422

00:19:04,150 --> 00:19:01,360

the very

423

00:19:05,029 --> 00:19:04,160

characteristics of the wreckage

424

00:19:07,510 --> 00:19:05,039

that

425

00:19:09,909 --> 00:19:07,520

made us quickly realize my god these

426

00:19:12,630 --> 00:19:09,919

people are not describing a balloon a

427

00:19:14,230 --> 00:19:12,640

plane a rocket or anything else of that

428

00:19:15,830 --> 00:19:14,240

nature they're truly describing

429

00:19:17,750 --> 00:19:15,840

something exotic

430

00:19:19,990 --> 00:19:17,760

something beyond the pale

431

00:19:21,669 --> 00:19:20,000

and as they would say the rest is

432

00:19:23,110 --> 00:19:21,679

history

433

00:19:24,070 --> 00:19:23,120

yeah i've heard you mentioned before

434

00:19:26,390 --> 00:19:24,080

that you thought you were going to get

435

00:19:29,350 --> 00:19:26,400

to the bottom of it very quickly

436

00:19:31,909 --> 00:19:29,360

but i guess you the deeper you dig into

437

00:19:33,830 --> 00:19:31,919

this roswell thing the more layers that

438

00:19:35,990 --> 00:19:33,840

you find isn't that right

439

00:19:38,470 --> 00:19:36,000

precisely yeah that says we would say

440

00:19:39,510 --> 00:19:38,480

peeling away the layers of an onion

441

00:19:42,150 --> 00:19:39,520

and

442

00:19:44,789 --> 00:19:42,160

it's it's not a case of where

443

00:19:46,710 --> 00:19:44,799

you know any law enforcement officer

444

00:19:49,029 --> 00:19:46,720

would would mention any insurance

445

00:19:52,070 --> 00:19:49,039

investigator would say that

446

00:19:54,070 --> 00:19:52,080

10 people witness an accident 10 people

447

00:19:55,510 --> 00:19:54,080

witness a crime you have 10 different

448

00:19:59,190 --> 00:19:55,520

versions

449

00:20:01,350 --> 00:19:59,200

and there's a famous uh movie

450

00:20:04,070 --> 00:20:01,360

from 1950

451  
00:20:07,350 --> 00:20:04,080  
about a japanese murder trial

452  
00:20:08,789 --> 00:20:07,360  
and it's called the rashomon effect

453  
00:20:11,110 --> 00:20:08,799  
and

454  
00:20:15,909 --> 00:20:11,120  
what it is

455  
00:20:19,350 --> 00:20:15,919  
is basically it's a takeoff on one's iq

456  
00:20:22,070 --> 00:20:19,360  
and i learned very early on that an iq

457  
00:20:23,190 --> 00:20:22,080  
test is not necessarily an intelligence

458  
00:20:24,390 --> 00:20:23,200  
test

459  
00:20:27,909 --> 00:20:24,400  
it more

460  
00:20:30,310 --> 00:20:27,919  
likely tests someone's experience their

461  
00:20:33,510 --> 00:20:30,320  
background their environment

462  
00:20:34,950 --> 00:20:33,520  
and all those things lend to one's very

463  
00:20:37,110 --> 00:20:34,960

perception

464

00:20:38,149 --> 00:20:37,120

in witnessing

465

00:20:41,750 --> 00:20:38,159

events

466

00:20:46,470 --> 00:20:41,760

and as a result we are influenced not by

467

00:20:48,390 --> 00:20:46,480

the event itself but by that background

468

00:20:52,710 --> 00:20:48,400

and so

469

00:20:55,110 --> 00:20:52,720

i find that just as the rashman effect

470

00:20:57,270 --> 00:20:55,120

in other words i could say that

471

00:20:58,950 --> 00:20:57,280

you for example stephen

472

00:21:00,230 --> 00:20:58,960

you have your

473

00:21:03,350 --> 00:21:00,240

opinion

474

00:21:06,950 --> 00:21:03,360

about roswell and then

475

00:21:09,830 --> 00:21:06,960

i have my opinion about roswell

476  
00:21:11,669 --> 00:21:09,840  
and then there's what really happened

477  
00:21:14,070 --> 00:21:11,679  
what actually happened

478  
00:21:15,350 --> 00:21:14,080  
so then it comes down to well who's

479  
00:21:21,350 --> 00:21:15,360  
actually

480  
00:21:23,350 --> 00:21:21,360  
to determine what really happened

481  
00:21:26,230 --> 00:21:23,360  
now nothing against you personally but

482  
00:21:27,990 --> 00:21:26,240  
if i were to substitute the skeptics the

483  
00:21:30,710 --> 00:21:28,000  
debunkers

484  
00:21:34,549 --> 00:21:30,720  
on your part so in other words are they

485  
00:21:36,390 --> 00:21:34,559  
doing anything to actually

486  
00:21:37,590 --> 00:21:36,400  
determine

487  
00:21:38,870 --> 00:21:37,600  
reason

488  
00:21:40,390 --> 00:21:38,880

work out

489

00:21:41,669 --> 00:21:40,400

what happened

490

00:21:43,590 --> 00:21:41,679

or am i

491

00:21:45,750 --> 00:21:43,600

well it's certainly the latter because

492

00:21:48,549 --> 00:21:45,760

the skeptics are telling us what

493

00:21:50,070 --> 00:21:48,559

happened they're telling us that it it's

494

00:21:52,870 --> 00:21:50,080

just said this

495

00:21:55,110 --> 00:21:52,880

it's just simply that and no need to go

496

00:21:56,870 --> 00:21:55,120

any further so in other words they

497

00:21:58,950 --> 00:21:56,880

dictate the terms their rash the

498

00:22:02,390 --> 00:21:58,960

roshaman effect is

499

00:22:05,190 --> 00:22:02,400

based strictly on a preconceived theory

500

00:22:08,149 --> 00:22:05,200

that it can't be therefore is it we

501  
00:22:10,710 --> 00:22:08,159  
aren't being visited by an intelligence

502  
00:22:13,590 --> 00:22:10,720  
off the planet so therefore it can't

503  
00:22:16,390 --> 00:22:13,600  
happen and in my case i'm going wherever

504  
00:22:18,710 --> 00:22:16,400  
the evidence takes me i am peeling away

505  
00:22:20,789 --> 00:22:18,720  
those layers of the onion and the and

506  
00:22:23,750 --> 00:22:20,799  
the skeptics are saying i don't want to

507  
00:22:26,549 --> 00:22:23,760  
see the onion because i'm afraid that it

508  
00:22:28,710 --> 00:22:26,559  
may present something i don't want to

509  
00:22:32,549 --> 00:22:28,720  
know i don't want to see

510  
00:22:35,190 --> 00:22:32,559  
so who is working as far as more acutely

511  
00:22:38,789 --> 00:22:35,200  
more as far as diligently in trying to

512  
00:22:41,669 --> 00:22:38,799  
determine the truth and my my

513  
00:22:44,070 --> 00:22:41,679

premise is that the skeptics never do

514

00:22:46,230 --> 00:22:44,080

anything to establish the truth they

515

00:22:47,190 --> 00:22:46,240

just tell you what they want the truth

516

00:22:48,870 --> 00:22:47,200

to be

517

00:22:52,230 --> 00:22:48,880

yes it's called

518

00:22:55,029 --> 00:22:52,240

resourced by uh research by proclamation

519

00:22:58,549 --> 00:22:55,039

by proclamation precisely and and i'm

520

00:23:01,350 --> 00:22:58,559

sorry i have no time for it and uh it's

521

00:23:04,390 --> 00:23:01,360

amazing how many of our colleagues in

522

00:23:05,669 --> 00:23:04,400

the field just out of laziness out of

523

00:23:08,630 --> 00:23:05,679

investigative

524

00:23:10,950 --> 00:23:08,640

laziness just oh that sounds good to me

525

00:23:13,830 --> 00:23:10,960

so i'll accept that because i don't have

526

00:23:17,270 --> 00:23:13,840

to actually do any deep thinking i don't

527

00:23:20,390 --> 00:23:17,280

have to try to rationalize why is this

528

00:23:24,070 --> 00:23:20,400

why are these facts relevant why

529

00:23:25,990 --> 00:23:24,080

are are these uh testimonies important

530

00:23:27,350 --> 00:23:26,000

and so they take the path of least

531

00:23:30,149 --> 00:23:27,360

resistance

532

00:23:31,830 --> 00:23:30,159

and and unfortunately that's a it's a

533

00:23:33,350 --> 00:23:31,840

it's a vast majority of people in

534

00:23:35,510 --> 00:23:33,360

ufology

535

00:23:38,710 --> 00:23:35,520

they just your finger to the wind and

536

00:23:40,470 --> 00:23:38,720

they just okay what do i want to believe

537

00:23:41,990 --> 00:23:40,480

and i'm sorry

538

00:23:50,149 --> 00:23:42,000

they would fail

539

00:23:51,430 --> 00:23:50,159

investigators of any sort in any other

540

00:23:54,870 --> 00:23:51,440

profession

541

00:23:57,750 --> 00:23:54,880

because they are unwilling to do

542

00:23:59,990 --> 00:23:57,760

the gumshoe work the field work of

543

00:24:01,990 --> 00:24:00,000

actually getting up from behind their

544

00:24:03,269 --> 00:24:02,000

keyboard and

545

00:24:06,549 --> 00:24:03,279

you know

546

00:24:09,590 --> 00:24:06,559

due diligence towards uh on

547

00:24:10,630 --> 00:24:09,600

actually solving a dilemma a problem a

548

00:24:12,630 --> 00:24:10,640

mystery

549

00:24:15,430 --> 00:24:12,640

well this much i i definitely agree with

550

00:24:16,310 --> 00:24:15,440

you i call them right click researchers

551  
00:24:18,470 --> 00:24:16,320  
and

552  
00:24:20,710 --> 00:24:18,480  
in my own study of a lot of these things

553  
00:24:22,710 --> 00:24:20,720  
i have been able to find out incredible

554  
00:24:24,070 --> 00:24:22,720  
things by doing nothing more than pick

555  
00:24:26,070 --> 00:24:24,080  
up the phone

556  
00:24:29,029 --> 00:24:26,080  
and i was always amazed why did no one

557  
00:24:30,870 --> 00:24:29,039  
else find this information

558  
00:24:32,710 --> 00:24:30,880  
did they just sit on the internet and

559  
00:24:34,390 --> 00:24:32,720  
since it wasn't on the internet you know

560  
00:24:36,390 --> 00:24:34,400  
i just picked up the phone anybody can

561  
00:24:38,230 --> 00:24:36,400  
pick up a phone but it takes time and

562  
00:24:41,029 --> 00:24:38,240  
energy and dedication and tracking down

563  
00:24:42,230 --> 00:24:41,039

leads and calling and being relentless

564

00:24:44,310 --> 00:24:42,240

and you're right

565

00:24:46,310 --> 00:24:44,320

i i don't see a lot of people doing that

566

00:24:48,630 --> 00:24:46,320

anymore that's why i'm always more

567

00:24:50,549 --> 00:24:48,640

interested in the shall we say more

568

00:24:52,549 --> 00:24:50,559

veteran researchers like yourself and

569

00:24:54,310 --> 00:24:52,559

stan friedman and some other people that

570

00:24:56,470 --> 00:24:54,320

i think really went out there in the

571

00:24:57,269 --> 00:24:56,480

field and did so much we don't see that

572

00:24:59,190 --> 00:24:57,279

today

573

00:25:00,390 --> 00:24:59,200

and even stan

574

00:25:01,990 --> 00:25:00,400

he uh

575

00:25:04,470 --> 00:25:02,000

he would have admitted

576

00:25:07,190 --> 00:25:04,480

as long as he was alive he was not an

577

00:25:08,950 --> 00:25:07,200

investigator he was not a researcher he

578

00:25:09,830 --> 00:25:08,960

was an archivist

579

00:25:11,190 --> 00:25:09,840

he

580

00:25:12,870 --> 00:25:11,200

loved

581

00:25:15,430 --> 00:25:12,880

wading through

582

00:25:16,230 --> 00:25:15,440

dreams of documents with the thought

583

00:25:17,510 --> 00:25:16,240

that

584

00:25:19,830 --> 00:25:17,520

someday

585

00:25:21,590 --> 00:25:19,840

you know the breakthrough document is

586

00:25:23,430 --> 00:25:21,600

going to jump out and we're going to

587

00:25:25,830 --> 00:25:23,440

have our proof

588

00:25:26,789 --> 00:25:25,840

my partner tom kerry would often you

589

00:25:29,110 --> 00:25:26,799

know

590

00:25:31,750 --> 00:25:29,120

describe that one of the hardest things

591

00:25:35,190 --> 00:25:31,760

to do and you just nailed it is actually

592

00:25:38,950 --> 00:25:35,200

picking up a phone and blindly calling a

593

00:25:41,029 --> 00:25:38,960

potential witness following up on a lead

594

00:25:45,269 --> 00:25:41,039

following up as far as on some

595

00:25:47,909 --> 00:25:45,279

information and more times than not

596

00:25:49,669 --> 00:25:47,919

it's a dead end they don't know anything

597

00:25:51,350 --> 00:25:49,679

or they're reluctant

598

00:25:53,350 --> 00:25:51,360

just as many times they're gonna slam

599

00:25:55,909 --> 00:25:53,360

the phone down on you they're gonna you

600

00:25:57,990 --> 00:25:55,919

know humiliate you to the point that wow

601  
00:26:00,789 --> 00:25:58,000  
i didn't need that yeah i've had that

602  
00:26:03,110 --> 00:26:00,799  
happen to me so many times especially

603  
00:26:05,590 --> 00:26:03,120  
law enforcement sources

604  
00:26:07,350 --> 00:26:05,600  
precisely and as a result

605  
00:26:09,110 --> 00:26:07,360  
as a result

606  
00:26:13,430 --> 00:26:09,120  
it's hard work

607  
00:26:16,549 --> 00:26:13,440  
it it has no guarantee of success and as

608  
00:26:18,870 --> 00:26:16,559  
a result again people take the path to

609  
00:26:20,710 --> 00:26:18,880  
least resistance you know well

610  
00:26:23,269 --> 00:26:20,720  
why don't i just make up something why

611  
00:26:27,190 --> 00:26:23,279  
don't i just claim that that's as far as

612  
00:26:30,310 --> 00:26:27,200  
i could get i i didn't really you know

613  
00:26:33,190 --> 00:26:30,320

feel the need to investigate that point

614

00:26:37,110 --> 00:26:33,200

or that story any further so i didn't

615

00:26:39,669 --> 00:26:37,120

pursue it additionally and and i'm sorry

616

00:26:42,789 --> 00:26:39,679

uh even today again tom and i we were

617

00:26:44,870 --> 00:26:42,799

working on some possible witnesses we

618

00:26:47,269 --> 00:26:44,880

were working on that we were making some

619

00:26:49,430 --> 00:26:47,279

phone calls because

620

00:26:52,230 --> 00:26:49,440

uh again there isn't a day that goes by

621

00:26:53,669 --> 00:26:52,240

that we're not working on this

622

00:26:54,950 --> 00:26:53,679

yeah i was i've always been very

623

00:26:56,310 --> 00:26:54,960

impressed with

624

00:26:57,830 --> 00:26:56,320

you know i've listened to some of your

625

00:27:01,110 --> 00:26:57,840

lectures and some of your other

626

00:27:03,430 --> 00:27:01,120

appearances and just like that

627

00:27:05,830 --> 00:27:03,440

you strike me very similar to me in some

628

00:27:07,350 --> 00:27:05,840

senses like you're gonna go to the mat

629

00:27:09,269 --> 00:27:07,360

you're gonna go to the end of the earth

630

00:27:10,870 --> 00:27:09,279

to find the answer and there's there's

631

00:27:12,149 --> 00:27:10,880

really not many people that are willing

632

00:27:14,870 --> 00:27:12,159

to go that far

633

00:27:17,190 --> 00:27:14,880

i wanted to talk to you a lot of it also

634

00:27:20,549 --> 00:27:17,200

stems from the fact that

635

00:27:22,789 --> 00:27:20,559

my father was an army drill sergeant

636

00:27:25,190 --> 00:27:22,799

i mean there was even a special way to

637

00:27:27,350 --> 00:27:25,200

sneeze

638

00:27:29,110 --> 00:27:27,360

you had a military dad too so i can

639

00:27:30,230 --> 00:27:29,120

definitely understand

640

00:27:33,430 --> 00:27:30,240

yeah

641

00:27:36,230 --> 00:27:33,440

and uh my first baseball

642

00:27:38,389 --> 00:27:36,240

trainer because i actually went my dad

643

00:27:39,909 --> 00:27:38,399

was a big baseball coach he also coached

644

00:27:42,230 --> 00:27:39,919

basketball

645

00:27:43,350 --> 00:27:42,240

loved playing hockey

646

00:27:45,510 --> 00:27:43,360

and so

647

00:27:47,350 --> 00:27:45,520

i have five brothers

648

00:27:50,389 --> 00:27:47,360

and four of us

649

00:27:53,190 --> 00:27:50,399

have a lot of sports

650

00:27:54,070 --> 00:27:53,200

drilled into us almost as a

651  
00:27:56,070 --> 00:27:54,080  
almost

652  
00:27:58,389 --> 00:27:56,080  
like a military discipline

653  
00:28:00,870 --> 00:27:58,399  
and my first baseball trainer

654  
00:28:02,789 --> 00:28:00,880  
was kenny the late kenny kronz and he

655  
00:28:05,909 --> 00:28:02,799  
played for vince lombardi

656  
00:28:09,830 --> 00:28:05,919  
wow so i got to meet all of those

657  
00:28:13,269 --> 00:28:09,840  
players bart starr and boyd dollar and

658  
00:28:16,789 --> 00:28:13,279  
ray nitschke and paul horning and so i

659  
00:28:17,990 --> 00:28:16,799  
have a lot of a lot of lombardi drilled

660  
00:28:21,190 --> 00:28:18,000  
into me

661  
00:28:24,310 --> 00:28:21,200  
and what i often

662  
00:28:26,070 --> 00:28:24,320  
will remark is i don't like to lose and

663  
00:28:27,750 --> 00:28:26,080

i don't like to lose

664

00:28:30,070 --> 00:28:27,760

and that's one of the reasons that on

665

00:28:32,789 --> 00:28:30,080

the sports field

666

00:28:35,590 --> 00:28:32,799

i i play to win i don't play to have fun

667

00:28:38,230 --> 00:28:35,600

i play to win because then winning is

668

00:28:40,070 --> 00:28:38,240

fun losing is never fun yeah i agree

669

00:28:44,070 --> 00:28:40,080

it's so the same with my work the same

670

00:28:46,230 --> 00:28:44,080

with my research i'm relentless i i play

671

00:28:47,830 --> 00:28:46,240

to win

672

00:28:49,669 --> 00:28:47,840

you know one of the things that you were

673

00:28:50,710 --> 00:28:49,679

talking about skeptics

674

00:28:53,590 --> 00:28:50,720

one of the things that's always

675

00:28:55,669 --> 00:28:53,600

impressed me about the roswell case is

676

00:28:57,029 --> 00:28:55,679

the number of sort of death bed

677

00:28:58,870 --> 00:28:57,039

confessions

678

00:29:00,950 --> 00:28:58,880

because i just can't imagine that

679

00:29:02,789 --> 00:29:00,960

someone at the twilight of their life

680

00:29:06,149 --> 00:29:02,799

about to die will suddenly make up

681

00:29:07,590 --> 00:29:06,159

stories about ufos and alien bodies and

682

00:29:11,110 --> 00:29:07,600

stuff can you talk about some of the

683

00:29:12,710 --> 00:29:11,120

deathbed or some of those confessions or

684

00:29:14,149 --> 00:29:12,720

you know some of the revelations that

685

00:29:15,669 --> 00:29:14,159

you had from the people in that

686

00:29:18,230 --> 00:29:15,679

situation because i think it's very

687

00:29:20,549 --> 00:29:18,240

compelling evidence it absolutely is and

688

00:29:23,510 --> 00:29:20,559

in fact it's admissible evidence in a

689

00:29:26,549 --> 00:29:23,520

court of law it is accepted as physical

690

00:29:29,590 --> 00:29:26,559

evidence that the judicial

691

00:29:31,909 --> 00:29:29,600

system the courts have long decided that

692

00:29:34,710 --> 00:29:31,919

people just don't lie

693

00:29:35,669 --> 00:29:34,720

they don't fabricate uh you know

694

00:29:36,789 --> 00:29:35,679

anything

695

00:29:40,630 --> 00:29:36,799

before

696

00:29:43,990 --> 00:29:40,640

dying it's it's a time that very often

697

00:29:46,389 --> 00:29:44,000

you bring a member of the clergy

698

00:29:47,590 --> 00:29:46,399

often a priest to take that last

699

00:29:50,789 --> 00:29:47,600

confession

700

00:29:52,549 --> 00:29:50,799

that last recounting as far as uh of

701  
00:29:54,389 --> 00:29:52,559  
setting the record straight

702  
00:29:58,389 --> 00:29:54,399  
and and roswell

703  
00:30:01,110 --> 00:29:58,399  
is is no less different in that we have

704  
00:30:02,789 --> 00:30:01,120  
dozens of such testimony

705  
00:30:06,149 --> 00:30:02,799  
to the families

706  
00:30:07,830 --> 00:30:06,159  
to the spouses to the children where

707  
00:30:11,430 --> 00:30:07,840  
they confess

708  
00:30:15,430 --> 00:30:11,440  
within days within hours of passing

709  
00:30:19,029 --> 00:30:15,440  
exactly what happened and down to a

710  
00:30:21,269 --> 00:30:19,039  
individual they invariably taught not

711  
00:30:24,230 --> 00:30:21,279  
only that roswell is true

712  
00:30:26,310 --> 00:30:24,240  
not only were their bodies involved but

713  
00:30:29,190 --> 00:30:26,320

more and more they've also confessed to

714

00:30:33,029 --> 00:30:29,200

the fact there was a survivor that there

715

00:30:34,870 --> 00:30:33,039

was a living crewman on as far as part

716

00:30:38,149 --> 00:30:34,880

of that crash

717

00:30:40,789 --> 00:30:38,159

one good example would be the late

718

00:30:41,909 --> 00:30:40,799

sergeant homer roulette he was a master

719

00:30:44,710 --> 00:30:41,919

sergeant

720

00:30:46,230 --> 00:30:44,720

with uh the 693rd

721

00:30:49,190 --> 00:30:46,240

and um

722

00:30:50,870 --> 00:30:49,200

he was on a gurney outside of an

723

00:30:55,669 --> 00:30:50,880

operating room

724

00:30:58,070 --> 00:30:55,679

just freddy just uh getting uh prepared

725

00:31:01,029 --> 00:30:58,080

to undergo open heart surgery

726  
00:31:03,750 --> 00:31:01,039  
and he waved his daughter carlene over

727  
00:31:05,350 --> 00:31:03,760  
to the side of his uh

728  
00:31:07,430 --> 00:31:05,360  
his gurney

729  
00:31:09,430 --> 00:31:07,440  
and as she leaned down and even in his

730  
00:31:11,669 --> 00:31:09,440  
weakened condition

731  
00:31:14,310 --> 00:31:11,679  
he told her he confessed he said you

732  
00:31:16,470 --> 00:31:14,320  
know how they talk about that roswell

733  
00:31:18,950 --> 00:31:16,480  
incident 1947

734  
00:31:21,990 --> 00:31:18,960  
where your dad was stationed there

735  
00:31:23,909 --> 00:31:22,000  
well we confirmed that

736  
00:31:26,149 --> 00:31:23,919  
he went on and described that he was

737  
00:31:29,269 --> 00:31:26,159  
part of the recovery operation and then

738  
00:31:32,950 --> 00:31:29,279

he saw the ship and he saw the bodies

739

00:31:34,710 --> 00:31:32,960

and he described the survivor to her

740

00:31:36,710 --> 00:31:34,720

another good example would be the

741

00:31:39,430 --> 00:31:36,720

provost marshal

742

00:31:41,350 --> 00:31:39,440

he retired a lieutenant colonel

743

00:31:43,350 --> 00:31:41,360

his name was edwin easley

744

00:31:46,470 --> 00:31:43,360

he was in charge of all military

745

00:31:49,029 --> 00:31:46,480

security on the base at that time

746

00:31:51,350 --> 00:31:49,039

and when we first spoke to him

747

00:31:54,230 --> 00:31:51,360

in around 1990

748

00:31:56,710 --> 00:31:54,240

he repeatedly responded i can't talk

749

00:31:58,549 --> 00:31:56,720

about it i'm still sworn to secrecy

750

00:31:59,590 --> 00:31:58,559

can't talk about it no matter what we

751  
00:32:01,750 --> 00:31:59,600  
ask him

752  
00:32:03,190 --> 00:32:01,760  
can't talk about it still sworn to

753  
00:32:04,310 --> 00:32:03,200  
secrecy

754  
00:32:05,990 --> 00:32:04,320  
so

755  
00:32:08,310 --> 00:32:06,000  
five years later

756  
00:32:09,509 --> 00:32:08,320  
no excuse me you know it was just a

757  
00:32:11,750 --> 00:32:09,519  
couple years later i'm sorry i'm

758  
00:32:14,549 --> 00:32:11,760  
thinking of another one a couple years

759  
00:32:16,389 --> 00:32:14,559  
later he was dying of a cancer of

760  
00:32:17,190 --> 00:32:16,399  
parkland hospital

761  
00:32:17,990 --> 00:32:17,200  
at

762  
00:32:20,070 --> 00:32:18,000  
uh

763  
00:32:21,669 --> 00:32:20,080

in dallas parkland hospital in dallas

764

00:32:23,990 --> 00:32:21,679

where you're talking about coming full

765

00:32:25,990 --> 00:32:24,000

circle where john f kennedy was

766

00:32:26,830 --> 00:32:26,000

pronounced dead

767

00:32:28,389 --> 00:32:26,840

back in

768

00:32:29,750 --> 00:32:28,399

1963.

769

00:32:32,470 --> 00:32:29,760

and

770

00:32:34,149 --> 00:32:32,480

in the presence of his two daughters his

771

00:32:36,070 --> 00:32:34,159

granddaughter

772

00:32:38,950 --> 00:32:36,080

approached his bed

773

00:32:40,630 --> 00:32:38,960

and um held a a gift

774

00:32:42,789 --> 00:32:40,640

a gift up to him

775

00:32:44,950 --> 00:32:42,799

to which he responded oh

776

00:32:47,190 --> 00:32:44,960

the creatures

777

00:32:50,389 --> 00:32:47,200

and he went on to describe roswell maybe

778

00:32:52,710 --> 00:32:50,399

he apologized you to his daughters that

779

00:32:54,789 --> 00:32:52,720

you know it was the president who had

780

00:32:57,350 --> 00:32:54,799

asked me never to say another word about

781

00:32:58,149 --> 00:32:57,360

this for as long as i lived i took an

782

00:33:00,630 --> 00:32:58,159

oath

783

00:33:02,789 --> 00:33:00,640

and i hope you understand

784

00:33:05,909 --> 00:33:02,799

that i could never

785

00:33:07,750 --> 00:33:05,919

admit my involvement but it did happen

786

00:33:09,269 --> 00:33:07,760

it was all true

787

00:33:11,190 --> 00:33:09,279

and

788

00:33:12,389 --> 00:33:11,200

indeed we were

789

00:33:15,190 --> 00:33:12,399  
visited

790

00:33:17,350 --> 00:33:15,200  
by beings from another planet

791

00:33:19,430 --> 00:33:17,360  
and i hope you understand and

792

00:33:21,350 --> 00:33:19,440  
the gift that his granddaughter

793

00:33:24,470 --> 00:33:21,360  
granddaughter had brought him held up to

794

00:33:27,509 --> 00:33:24,480  
his face eliciting that response

795

00:33:30,470 --> 00:33:27,519  
was a copy of our our second book truth

796

00:33:32,789 --> 00:33:30,480  
about ufo crash at roswell

797

00:33:38,630 --> 00:33:35,190  
that's just one of uh again those are

798

00:33:41,430 --> 00:33:38,640  
two of many melvin brown was an mp

799

00:33:44,070 --> 00:33:41,440  
posted behind an ambulance truck he was

800

00:33:45,430 --> 00:33:44,080  
dying in 1985

801  
00:33:48,950 --> 00:33:45,440  
outside of

802  
00:33:50,149 --> 00:33:48,960  
time

803  
00:33:54,470 --> 00:33:50,159  
and

804  
00:33:56,230 --> 00:33:54,480  
two daughters how he was posted behind

805  
00:33:58,630 --> 00:33:56,240  
an ambulance truck

806  
00:34:00,470 --> 00:33:58,640  
told to keep his eyes forward

807  
00:34:01,350 --> 00:34:00,480  
and the first chance he got

808  
00:34:07,509 --> 00:34:01,360  
he

809  
00:34:09,190 --> 00:34:07,519  
and much to his shock

810  
00:34:10,869 --> 00:34:09,200  
he realized that all the rumors

811  
00:34:12,950 --> 00:34:10,879  
everything that he had heard back at the

812  
00:34:14,470 --> 00:34:12,960  
base were absolutely correct

813  
00:34:17,510 --> 00:34:14,480

that indeed it was the crash of a

814

00:34:20,069 --> 00:34:17,520

genuine flying saucer so

815

00:34:20,869 --> 00:34:20,079

we could go on and on and on and for

816

00:34:24,550 --> 00:34:20,879

the

817

00:34:25,909 --> 00:34:24,560

talk nothing but death beds sure and

818

00:34:27,510 --> 00:34:25,919

this is this is one of the things that

819

00:34:29,909 --> 00:34:27,520

gets me when people say well there's no

820

00:34:32,069 --> 00:34:29,919

evidence i said well you haven't looked

821

00:34:33,430 --> 00:34:32,079

at it you know you really haven't looked

822

00:34:38,149 --> 00:34:33,440

at it

823

00:34:40,389 --> 00:34:38,159

attention i got in a bit of a debate

824

00:34:42,149 --> 00:34:40,399

with someone just a few weeks ago again

825

00:34:45,270 --> 00:34:42,159

and he was even dismissing the death

826

00:34:47,750 --> 00:34:45,280

beds well you know just because they

827

00:34:49,190 --> 00:34:47,760

they talk about this before they died

828

00:34:51,589 --> 00:34:49,200

doesn't mean anything and i just threw

829

00:34:53,270 --> 00:34:51,599

right back at them so uh so what you're

830

00:34:55,909 --> 00:34:53,280

telling me is that death beds are not

831

00:34:58,470 --> 00:34:55,919

reliable well no no no no they're

832

00:34:59,270 --> 00:34:58,480

they're reliable that's why they're held

833

00:35:01,670 --> 00:34:59,280

up as

834

00:35:04,310 --> 00:35:01,680

far as in such high regard in a

835

00:35:06,390 --> 00:35:04,320

courtroom so it only is because they

836

00:35:08,150 --> 00:35:06,400

talk about roswell that disqualifies

837

00:35:09,990 --> 00:35:08,160

them well i'm not saying that well no

838

00:35:11,510 --> 00:35:10,000

you are saying that

839

00:35:13,829 --> 00:35:11,520

so in other words if we're going to if

840

00:35:16,150 --> 00:35:13,839

we're going to throw out roswell and if

841

00:35:18,150 --> 00:35:16,160

roswell is going to be disqualified then

842

00:35:20,230 --> 00:35:18,160

we're going to disqualify all deathbed

843

00:35:22,310 --> 00:35:20,240

testimonies and that's ridiculous that's

844

00:35:24,870 --> 00:35:22,320

nonsense because we're not doing that

845

00:35:27,270 --> 00:35:24,880

but according to this witness this per i

846

00:35:29,270 --> 00:35:27,280

should say this researcher it's because

847

00:35:31,910 --> 00:35:29,280

they're about roswell so that

848

00:35:35,190 --> 00:35:31,920

disqualifies them so there again is our

849

00:35:36,950 --> 00:35:35,200

roshaman effect i will tell you what

850

00:35:38,150 --> 00:35:36,960

to believe i will tell you what is

851  
00:35:40,550 --> 00:35:38,160  
acceptable

852  
00:35:43,109 --> 00:35:40,560  
and to me that's the ultimate arrogance

853  
00:35:44,790 --> 00:35:43,119  
on their part the ultimate big brother

854  
00:35:47,270 --> 00:35:44,800  
saying uh

855  
00:35:49,109 --> 00:35:47,280  
you know don't don't don't look behind

856  
00:35:49,829 --> 00:35:49,119  
you know the curtain you know listen to

857  
00:35:51,430 --> 00:35:49,839  
uh

858  
00:35:53,349 --> 00:35:51,440  
the voice instead

859  
00:35:55,109 --> 00:35:53,359  
yeah absolutely you know one of the

860  
00:35:55,829 --> 00:35:55,119  
other things i really wanted to ask you

861  
00:36:00,710 --> 00:35:55,839  
is

862  
00:36:03,270 --> 00:36:00,720  
been chasing the undertaker yes and i

863  
00:36:05,589 --> 00:36:03,280

wanted to know is there any living

864

00:36:07,910 --> 00:36:05,599

witnesses left or have they all passed

865

00:36:10,230 --> 00:36:07,920

now and where are you at with with

866

00:36:14,230 --> 00:36:10,240

first-hand witnesses and then again the

867

00:36:16,950 --> 00:36:14,240

other the undertaker has just about one

868

00:36:17,990 --> 00:36:16,960

we are on the one inch uh

869

00:36:22,230 --> 00:36:18,000

line

870

00:36:24,550 --> 00:36:22,240

and uh last count we have five

871

00:36:27,030 --> 00:36:24,560

five living first hand

872

00:36:29,670 --> 00:36:27,040

and uh that will

873

00:36:32,150 --> 00:36:29,680

you know certainly go to four three two

874

00:36:32,870 --> 00:36:32,160

and then finally madam

875

00:36:35,990 --> 00:36:32,880

but

876

00:36:39,190 --> 00:36:36,000

again we have interviewed over 600

877

00:36:42,630 --> 00:36:39,200

witnesses either directly or indirectly

878

00:36:44,790 --> 00:36:42,640

involved to the events of 1947

879

00:36:47,349 --> 00:36:44,800

and they paint this mosaic they paint

880

00:36:49,829 --> 00:36:47,359

this picture and what's amazing is that

881

00:36:51,670 --> 00:36:49,839

it doesn't matter if they're civilian it

882

00:36:54,470 --> 00:36:51,680

doesn't matter if they're military

883

00:36:57,829 --> 00:36:54,480

they're all reading from the same script

884

00:37:01,349 --> 00:36:57,839

they're all talking about the same event

885

00:37:03,750 --> 00:37:01,359

they all responded extraordinarily to an

886

00:37:06,069 --> 00:37:03,760

extraordinary event

887

00:37:09,190 --> 00:37:06,079

and the fact that both military and

888

00:37:13,190 --> 00:37:09,200

civilian would be on the same page to

889

00:37:16,230 --> 00:37:13,200

one incident in itself is amazing

890

00:37:20,150 --> 00:37:16,240

and again it's just one more stroke in

891

00:37:21,430 --> 00:37:20,160

the uh favorable column for roswell the

892

00:37:22,710 --> 00:37:21,440

fact that

893

00:37:23,510 --> 00:37:22,720

no matter

894

00:37:25,270 --> 00:37:23,520

who

895

00:37:28,470 --> 00:37:25,280

we've interviewed no matter what the

896

00:37:31,030 --> 00:37:28,480

witness first second third hand

897

00:37:34,150 --> 00:37:31,040

they all provide information

898

00:37:35,829 --> 00:37:34,160

that corroborates everything else that

899

00:37:37,109 --> 00:37:35,839

we've uh

900

00:37:39,030 --> 00:37:37,119

here before

901  
00:37:40,790 --> 00:37:39,040  
yeah it's like one big puzzle piece but

902  
00:37:42,550 --> 00:37:40,800  
the pieces are coming together if you

903  
00:37:43,990 --> 00:37:42,560  
look if you step back and look at the

904  
00:37:48,230 --> 00:37:44,000  
puzzle

905  
00:37:51,510 --> 00:37:48,240  
pieces conflict with one another that

906  
00:37:52,550 --> 00:37:51,520  
that's what just boggles my mind that it

907  
00:37:55,349 --> 00:37:52,560  
isn't

908  
00:37:56,230 --> 00:37:55,359  
you know i have a a good relationship

909  
00:38:00,790 --> 00:37:56,240  
he's

910  
00:38:02,790 --> 00:38:00,800  
specializes in the manhattan project

911  
00:38:05,430 --> 00:38:02,800  
john custer mullen

912  
00:38:08,950 --> 00:38:05,440  
and the 509 bomb group the first atomic

913  
00:38:11,270 --> 00:38:08,960

bomb squadron and uh he's done books on

914

00:38:12,870 --> 00:38:11,280

the atomic bomb and its entire

915

00:38:15,109 --> 00:38:12,880

development and

916

00:38:17,109 --> 00:38:15,119

deployment that type of thing

917

00:38:18,470 --> 00:38:17,119

and and uh

918

00:38:21,190 --> 00:38:18,480

john would often

919

00:38:24,550 --> 00:38:21,200

remind me that don you know

920

00:38:27,829 --> 00:38:24,560

i've had a lot of people who claimed

921

00:38:29,270 --> 00:38:27,839

that they were on either the enola gate

922

00:38:32,230 --> 00:38:29,280

or boxcar

923

00:38:34,870 --> 00:38:32,240

the two atomic the two b-29s

924

00:38:37,910 --> 00:38:34,880

which dropped the little boy in fat man

925

00:38:40,150 --> 00:38:37,920

yeah in japan sure where japan nagasaki

926  
00:38:41,829 --> 00:38:40,160  
hiroshima ending world war ii

927  
00:38:44,870 --> 00:38:41,839  
and i would always then come back and

928  
00:38:46,470 --> 00:38:44,880  
i'd say well it doesn't in any way

929  
00:38:48,069 --> 00:38:46,480  
diminish

930  
00:38:50,630 --> 00:38:48,079  
the fact that

931  
00:38:53,190 --> 00:38:50,640  
there were two b-29 bombers there were

932  
00:38:55,750 --> 00:38:53,200  
two bombs dropped on japan

933  
00:38:57,910 --> 00:38:55,760  
i mean historically the

934  
00:39:01,910 --> 00:38:57,920  
the events took place

935  
00:39:04,550 --> 00:39:01,920  
just as with roswell but the difference

936  
00:39:06,870 --> 00:39:04,560  
i don't have any witnesses that say no

937  
00:39:09,190 --> 00:39:06,880  
you weren't on that flight i was on that

938  
00:39:11,430 --> 00:39:09,200

flight no you didn't pilot that plane i

939

00:39:13,910 --> 00:39:11,440

pilot that plane no you weren't out at

940

00:39:16,870 --> 00:39:13,920

the debris i was out there no you

941

00:39:18,710 --> 00:39:16,880

weren't at the base hospital i was there

942

00:39:22,790 --> 00:39:18,720

they all

943

00:39:23,750 --> 00:39:22,800

pieced themselves into that puzzle

944

00:39:27,190 --> 00:39:23,760

and

945

00:39:28,390 --> 00:39:27,200

they all continued to provide you know

946

00:39:29,589 --> 00:39:28,400

detail

947

00:39:32,069 --> 00:39:29,599

of

948

00:39:34,069 --> 00:39:32,079

that entire mosaic as you yourself

949

00:39:36,790 --> 00:39:34,079

describe it and

950

00:39:37,910 --> 00:39:36,800

i mean i can tell you exactly who the

951  
00:39:40,069 --> 00:39:37,920  
men were

952  
00:39:43,589 --> 00:39:40,079  
gathering up the wreckage i can tell you

953  
00:39:44,390 --> 00:39:43,599  
the truck drivers who drove the wreckage

954  
00:39:47,030 --> 00:39:44,400  
to

955  
00:39:50,230 --> 00:39:47,040  
the base and then returned with an empty

956  
00:39:52,550 --> 00:39:50,240  
truck i can tell you who received it at

957  
00:39:55,750 --> 00:39:52,560  
the hangar i can tell you who were who

958  
00:39:58,950 --> 00:39:55,760  
were guards posted at the hangar i can

959  
00:40:01,589 --> 00:39:58,960  
tell you who were on the special flights

960  
00:40:04,790 --> 00:40:01,599  
transporting the wreckage i can tell you

961  
00:40:07,829 --> 00:40:04,800  
who drove the ambulance trucks and then

962  
00:40:10,390 --> 00:40:07,839  
who transported the bodies from two

963  
00:40:12,950 --> 00:40:10,400

different locations i can tell you who

964

00:40:15,670 --> 00:40:12,960

were posted at the bay's hospital who

965

00:40:19,589 --> 00:40:15,680

are in the in the examination rooms who

966

00:40:22,630 --> 00:40:19,599

were in the hallways who then were

967

00:40:26,390 --> 00:40:22,640

the people who crated up

968

00:40:28,870 --> 00:40:26,400

the bodies and then who flew them out

969

00:40:30,470 --> 00:40:28,880

and where they went on and on and on so

970

00:40:31,589 --> 00:40:30,480

in other words

971

00:40:34,150 --> 00:40:31,599

if

972

00:40:36,950 --> 00:40:34,160

again we had our day in court

973

00:40:40,230 --> 00:40:36,960

and all these witnesses were still alive

974

00:40:42,230 --> 00:40:40,240

we could call them up one by one from

975

00:40:45,030 --> 00:40:42,240

the very rancher brazo who first

976  
00:40:47,430 --> 00:40:45,040  
discovers the debris field and then his

977  
00:40:50,309 --> 00:40:47,440  
neighbors who he first contacted the

978  
00:40:52,390 --> 00:40:50,319  
children who were also involved the

979  
00:40:56,550 --> 00:40:52,400  
neighbors who then went

980  
00:40:58,069 --> 00:40:56,560  
you know who took the time to drove tens

981  
00:41:00,950 --> 00:40:58,079  
of miles

982  
00:41:03,589 --> 00:41:00,960  
cross country to go investigate this

983  
00:41:06,790 --> 00:41:03,599  
explore this for themselves the state

984  
00:41:09,030 --> 00:41:06,800  
police officers who were involved then

985  
00:41:12,470 --> 00:41:09,040  
leading to roswell and the sheriff the

986  
00:41:14,390 --> 00:41:12,480  
deputies the firemen the crew chiefs and

987  
00:41:17,510 --> 00:41:14,400  
then contacting the roswell army

988  
00:41:20,390 --> 00:41:17,520

airfield the base commander major jesse

989

00:41:21,829 --> 00:41:20,400

marcel the intelligence officer captain

990

00:41:24,069 --> 00:41:21,839

sheridan cabot the head of

991

00:41:26,470 --> 00:41:24,079

counterintelligence his uh

992

00:41:28,550 --> 00:41:26,480

non-commissioned officer louis rickett

993

00:41:30,390 --> 00:41:28,560

on and on and on just hundreds and

994

00:41:32,550 --> 00:41:30,400

hundreds of people

995

00:41:36,069 --> 00:41:32,560

and they do not conflict with one

996

00:41:37,510 --> 00:41:36,079

another they're all describing the same

997

00:41:40,550 --> 00:41:37,520

event

998

00:41:41,829 --> 00:41:40,560

and again they're reading from the same

999

00:41:43,270 --> 00:41:41,839

script

1000

00:41:45,910 --> 00:41:43,280

and it all

1001  
00:41:46,829 --> 00:41:45,920  
points to people who experience

1002  
00:41:55,109 --> 00:41:46,839  
something

1003  
00:41:58,710 --> 00:41:55,119  
who for the rest of their lives

1004  
00:42:00,870 --> 00:41:58,720  
remembered exactly what they did where

1005  
00:42:04,390 --> 00:42:00,880  
they were what they were thinking at the

1006  
00:42:07,349 --> 00:42:04,400  
time because it was something

1007  
00:42:09,589 --> 00:42:07,359  
well beyond the mundane because i can

1008  
00:42:11,670 --> 00:42:09,599  
assure you stephen if this were mundane

1009  
00:42:12,710 --> 00:42:11,680  
if this were just a balloon

1010  
00:42:16,390 --> 00:42:12,720  
mogul

1011  
00:42:18,230 --> 00:42:16,400  
or any other type of device of that sort

1012  
00:42:19,270 --> 00:42:18,240  
it would have been a yawner it would

1013  
00:42:21,670 --> 00:42:19,280

have been

1014

00:42:24,950 --> 00:42:21,680

here today gone tomorrow

1015

00:42:27,990 --> 00:42:24,960

no no big deal nothing to see here

1016

00:42:30,950 --> 00:42:28,000

and the exact opposite is true

1017

00:42:32,630 --> 00:42:30,960

yeah and you know i think one of the

1018

00:42:35,349 --> 00:42:32,640

misconceptions that many people that

1019

00:42:37,190 --> 00:42:35,359

haven't looked into it deeply

1020

00:42:38,950 --> 00:42:37,200

i wanted to ask you about the two

1021

00:42:40,950 --> 00:42:38,960

different crash sites because that's

1022

00:42:43,190 --> 00:42:40,960

something that a lot of people miss

1023

00:42:45,109 --> 00:42:43,200

but there was there was not just one

1024

00:42:47,589 --> 00:42:45,119

crash site there was two can you tell my

1025

00:42:51,510 --> 00:42:50,309

actually there were there were four

1026

00:42:53,829 --> 00:42:51,520

okay

1027

00:42:55,030 --> 00:42:53,839

because uh and let's start with the very

1028

00:42:56,950 --> 00:42:55,040

first one

1029

00:42:58,550 --> 00:42:56,960

and it was a site that was discovered

1030

00:43:01,829 --> 00:42:58,560

months later

1031

00:43:02,790 --> 00:43:01,839

when dr lincoln lapaz the famous meteor

1032

00:43:05,670 --> 00:43:02,800

expert

1033

00:43:06,550 --> 00:43:05,680

who was part of the manhattan project

1034

00:43:11,990 --> 00:43:06,560

he

1035

00:43:15,270 --> 00:43:12,000

roswell in september two months later

1036

00:43:17,750 --> 00:43:15,280

and his assignment was to determine the

1037

00:43:19,270 --> 00:43:17,760

speed and trajectory

1038

00:43:21,670 --> 00:43:19,280

of this object

1039

00:43:23,190 --> 00:43:21,680

well again a balloon doesn't have speed

1040

00:43:25,109 --> 00:43:23,200

and trajectory

1041

00:43:26,790 --> 00:43:25,119

so that in itself

1042

00:43:29,990 --> 00:43:26,800

Cancels out any

1043

00:43:32,150 --> 00:43:30,000

notion this was a balloon of any sort

1044

00:43:34,710 --> 00:43:32,160

and the one person who was assigned to

1045

00:43:37,750 --> 00:43:34,720

assist him out in the field

1046

00:43:40,230 --> 00:43:37,760

was master sergeant louis rickett of

1047

00:43:42,870 --> 00:43:40,240

counterintelligence court

1048

00:43:43,829 --> 00:43:42,880

and rickett spent three weeks in the

1049

00:43:47,990 --> 00:43:43,839

field

1050

00:43:49,910 --> 00:43:48,000

with la paz even rickett's wife mack

1051  
00:43:52,150 --> 00:43:49,920  
verified that

1052  
00:43:52,950 --> 00:43:52,160  
and according to rickett

1053  
00:43:57,030 --> 00:43:52,960  
they

1054  
00:43:59,990 --> 00:43:57,040  
found a touchdown site about five miles

1055  
00:44:04,150 --> 00:44:00,000  
north of the debris field where the

1056  
00:44:06,630 --> 00:44:04,160  
ground was crystallized it was baked

1057  
00:44:09,430 --> 00:44:06,640  
it turned the glass

1058  
00:44:10,870 --> 00:44:09,440  
and they found more debris

1059  
00:44:13,030 --> 00:44:10,880  
at that site

1060  
00:44:16,390 --> 00:44:13,040  
and they also found what rickett

1061  
00:44:17,510 --> 00:44:16,400  
described was a seamless

1062  
00:44:19,270 --> 00:44:17,520  
weightless

1063  
00:44:21,510 --> 00:44:19,280

black box

1064

00:44:25,270 --> 00:44:21,520

about the size of a bread box

1065

00:44:28,390 --> 00:44:25,280

but it was something also located and

1066

00:44:29,750 --> 00:44:28,400

then recovered at that site

1067

00:44:30,950 --> 00:44:29,760

according to

1068

00:44:32,630 --> 00:44:30,960

rickett

1069

00:44:34,790 --> 00:44:32,640

who

1070

00:44:37,670 --> 00:44:34,800

in discussing

1071

00:44:38,710 --> 00:44:37,680

his final synopsis what he believed

1072

00:44:41,910 --> 00:44:38,720

happened

1073

00:44:44,309 --> 00:44:41,920

la paz in his final report that he sent

1074

00:44:47,030 --> 00:44:44,319

to washington

1075

00:44:48,829 --> 00:44:47,040

he surmised that

1076

00:44:52,150 --> 00:44:48,839

the object

1077

00:44:53,670 --> 00:44:52,160

developed trouble it was having

1078

00:44:57,430 --> 00:44:53,680

difficulty

1079

00:44:58,790 --> 00:44:57,440

and it touched down at that location

1080

00:45:02,630 --> 00:44:58,800

and then

1081

00:45:04,790 --> 00:45:02,640

as it attempted to lift off

1082

00:45:05,829 --> 00:45:04,800

and after it reached a

1083

00:45:07,510 --> 00:45:05,839

certain

1084

00:45:09,910 --> 00:45:07,520

altitude

1085

00:45:11,750 --> 00:45:09,920

either it was struck by lightning

1086

00:45:12,870 --> 00:45:11,760

or it had

1087

00:45:24,069 --> 00:45:12,880

a

1088

00:45:25,589 --> 00:45:24,079

explode

1089

00:45:26,950 --> 00:45:25,599

and it rained

1090

00:45:30,069 --> 00:45:26,960

debris

1091

00:45:33,990 --> 00:45:30,079

at the second site

1092

00:45:38,230 --> 00:45:34,000

the debris field of a swath of wreckage

1093

00:45:40,790 --> 00:45:38,240

of almost nine tenths of a mile long

1094

00:45:42,550 --> 00:45:40,800

that much debris yeah and a weatherman

1095

00:45:44,230 --> 00:45:42,560

would not make that much debris that's

1096

00:45:45,109 --> 00:45:44,240

one of the points that's important

1097

00:45:46,790 --> 00:45:45,119

whether it's

1098

00:45:49,030 --> 00:45:46,800

not make anywhere near that amount of

1099

00:45:50,950 --> 00:45:49,040

debris or require how many people were

1100

00:45:51,990 --> 00:45:50,960

involved in recovering all that debris

1101  
00:45:53,510 --> 00:45:52,000  
because that's another thing it would

1102  
00:45:55,750 --> 00:45:53,520  
take a couple of guys to pick up a

1103  
00:45:57,829 --> 00:45:55,760  
weather balloon right not not

1104  
00:46:00,710 --> 00:45:57,839  
one guy one guy could have gathered up

1105  
00:46:05,190 --> 00:46:00,720  
and tossed in the trunk of a car

1106  
00:46:07,430 --> 00:46:05,200  
whereas this debris field we required 50

1107  
00:46:12,470 --> 00:46:07,440  
to 60 troops

1108  
00:46:14,710 --> 00:46:12,480  
three full days to recover

1109  
00:46:15,670 --> 00:46:14,720  
and as they were instructed if it didn't

1110  
00:46:16,950 --> 00:46:15,680  
move

1111  
00:46:19,430 --> 00:46:16,960  
beg it

1112  
00:46:21,829 --> 00:46:19,440  
they gathered up everything they swept

1113  
00:46:24,870 --> 00:46:21,839

and they vacuumed that site

1114

00:46:26,790 --> 00:46:24,880

even with industrial equipment to make

1115

00:46:28,950 --> 00:46:26,800

sure they had every last piece of

1116

00:46:32,710 --> 00:46:28,960

physical evidence so

1117

00:46:33,990 --> 00:46:32,720

it's moving in an easterly southeasterly

1118

00:46:37,109 --> 00:46:34,000

direction

1119

00:46:38,550 --> 00:46:37,119

the explosion it rains debris covering

1120

00:46:42,870 --> 00:46:38,560

that site

1121

00:46:46,309 --> 00:46:42,880

two bodies were recovered atop a bluff

1122

00:46:48,710 --> 00:46:46,319

two and a half miles east southeast of

1123

00:46:52,870 --> 00:46:48,720

the debris field

1124

00:46:55,510 --> 00:46:52,880

and then another 25 miles from there

1125

00:46:57,589 --> 00:46:55,520

still along that trajectory

1126  
00:47:01,750 --> 00:46:57,599  
35 to 45

1127  
00:47:03,030 --> 00:47:01,760  
40 miles north of roswell

1128  
00:47:04,550 --> 00:47:03,040  
a pod

1129  
00:47:07,270 --> 00:47:04,560  
a capsule

1130  
00:47:09,430 --> 00:47:07,280  
size of a volkswagen beetle

1131  
00:47:13,430 --> 00:47:09,440  
egg-shaped

1132  
00:47:15,829 --> 00:47:13,440  
was discovered at the final impact site

1133  
00:47:18,950 --> 00:47:15,839  
and where two additional bodies were

1134  
00:47:21,349 --> 00:47:18,960  
recovered and a survivor

1135  
00:47:22,870 --> 00:47:21,359  
so a touchdown

1136  
00:47:34,630 --> 00:47:22,880  
a

1137  
00:47:35,750 --> 00:47:34,640  
four

1138  
00:47:38,950 --> 00:47:35,760

um

1139

00:47:40,710 --> 00:47:38,960  
areas connected to one object

1140

00:47:42,950 --> 00:47:40,720  
but nonetheless

1141

00:47:44,230 --> 00:47:42,960  
four specific

1142

00:47:46,790 --> 00:47:44,240  
uh

1143

00:47:49,270 --> 00:47:46,800  
locations connected to

1144

00:47:51,829 --> 00:47:49,280  
one object one event

1145

00:47:54,630 --> 00:47:51,839  
and that in itself also would rule out

1146

00:47:57,349 --> 00:47:54,640  
any type of weather balloon device which

1147

00:48:02,150 --> 00:47:57,359  
hardly creates multiple sites

1148

00:48:04,870 --> 00:48:04,150  
yes that's that's what's always gotten

1149

00:48:07,990 --> 00:48:04,880  
me

1150

00:48:09,670 --> 00:48:08,000  
about the weather balloon explanation or

1151  
00:48:11,750 --> 00:48:09,680  
the mobile explanation is that this was

1152  
00:48:13,670 --> 00:48:11,760  
the 509 the only

1153  
00:48:15,190 --> 00:48:13,680  
that you know they had nuclear weapons

1154  
00:48:17,030 --> 00:48:15,200  
these guys

1155  
00:48:19,109 --> 00:48:17,040  
they they would know a weather balloon

1156  
00:48:20,630 --> 00:48:19,119  
they seen them taking off didn't they

1157  
00:48:23,270 --> 00:48:20,640  
didn't those guys see weather balloons

1158  
00:48:26,790 --> 00:48:23,280  
taking off from that base all the time

1159  
00:48:29,030 --> 00:48:26,800  
they themselves launched them sure

1160  
00:48:31,349 --> 00:48:29,040  
from the base in conjunction with their

1161  
00:48:33,990 --> 00:48:31,359  
bomb drop exercises

1162  
00:48:35,990 --> 00:48:34,000  
on a daily basis they launched them as

1163  
00:48:38,710 --> 00:48:36,000

office twice a day

1164

00:48:41,109 --> 00:48:38,720

even from atop the downtown bank

1165

00:48:44,150 --> 00:48:41,119

building which was the highest uh

1166

00:48:46,150 --> 00:48:44,160

building in in roswell at that time

1167

00:48:49,510 --> 00:48:46,160

there's even pictures in the base

1168

00:48:52,150 --> 00:48:49,520

yearbook of the balloons suspended from

1169

00:48:55,030 --> 00:48:52,160

rafters in a hangar

1170

00:48:55,910 --> 00:48:55,040

because they were also assembled there

1171

00:48:58,150 --> 00:48:55,920

so

1172

00:49:00,309 --> 00:48:58,160

they were not only familiar with the

1173

00:49:01,109 --> 00:49:00,319

very balloons in question

1174

00:49:03,510 --> 00:49:01,119

but

1175

00:49:04,870 --> 00:49:03,520

as you mentioned stephen uh you know

1176

00:49:06,870 --> 00:49:04,880

these were

1177

00:49:09,750 --> 00:49:06,880

the men who were in charge of the atomic

1178

00:49:12,150 --> 00:49:09,760

bomb they were the elite in the military

1179

00:49:14,230 --> 00:49:12,160

at that time they were selected to be

1180

00:49:17,270 --> 00:49:14,240

part of the 509th

1181

00:49:19,910 --> 00:49:17,280

bomb group because they were the best

1182

00:49:23,430 --> 00:49:19,920

officers they were the best pilots

1183

00:49:25,990 --> 00:49:23,440

crewmen doctors nurses they all had a

1184

00:49:28,829 --> 00:49:26,000

top security clearance if you swept the

1185

00:49:31,349 --> 00:49:28,839

broom on that base back in july of

1186

00:49:33,589 --> 00:49:31,359

1947 not only did you have a top

1187

00:49:36,270 --> 00:49:33,599

security clearance but you also were the

1188

00:49:40,230 --> 00:49:36,280

best sweeper in the military back in

1189

00:49:42,870 --> 00:49:40,240

1947 and the very notion the very idea

1190

00:49:44,710 --> 00:49:42,880

that you would not have recognized off

1191

00:49:46,069 --> 00:49:44,720

the shelf material

1192

00:49:47,190 --> 00:49:46,079

rubber

1193

00:49:48,630 --> 00:49:47,200

foil

1194

00:49:51,589 --> 00:49:48,640

wooden sticks

1195

00:49:53,910 --> 00:49:51,599

string and tape material that your

1196

00:49:55,510 --> 00:49:53,920

grandmother on her death bed would still

1197

00:49:58,549 --> 00:49:55,520

recognize

1198

00:50:01,349 --> 00:49:58,559

and that's the disconnect and the point

1199

00:50:04,950 --> 00:50:01,359

being that after all these years i can't

1200

00:50:07,990 --> 00:50:04,960

believe how many colleagues in the field

1201  
00:50:10,470 --> 00:50:08,000  
still go well the air force says it was

1202  
00:50:12,630 --> 00:50:10,480  
a balloon good enough for me

1203  
00:50:14,470 --> 00:50:12,640  
yeah and the other thing is the shifting

1204  
00:50:16,870 --> 00:50:14,480  
explanations because i mean the first

1205  
00:50:19,430 --> 00:50:16,880  
explanation we captured uh a flying

1206  
00:50:21,349 --> 00:50:19,440  
saucer and the second explanation no it

1207  
00:50:23,190 --> 00:50:21,359  
was just a weather balloon and then we

1208  
00:50:25,670 --> 00:50:23,200  
have the third explanation with the

1209  
00:50:27,990 --> 00:50:25,680  
mogul and the one that really gets me is

1210  
00:50:29,670 --> 00:50:28,000  
the dummies that sort of they use to

1211  
00:50:31,270 --> 00:50:29,680  
explain the body but didn't that happen

1212  
00:50:33,589 --> 00:50:31,280  
like 10 years later they were doing

1213  
00:50:35,829 --> 00:50:33,599

those experiments with the dummies uh

1214

00:50:37,750 --> 00:50:35,839

five years later

1215

00:50:40,470 --> 00:50:37,760

yeah the anthropomorphic

1216

00:50:43,030 --> 00:50:40,480

uh wooden crash dummies

1217

00:50:45,670 --> 00:50:43,040

and after anthropomorphic and that they

1218

00:50:48,790 --> 00:50:45,680

had uh human characteristics but

1219

00:50:49,589 --> 00:50:48,800

nonetheless they were six feet tall

1220

00:50:53,190 --> 00:50:49,599

they

1221

00:50:55,109 --> 00:50:53,200

would be wearing jumpsuits and harnesses

1222

00:50:58,230 --> 00:50:55,119

and a parachute because they were used

1223

00:51:01,430 --> 00:50:58,240

in high altitude test drops uh there

1224

00:51:03,750 --> 00:51:01,440

were two projects called uh height

1225

00:51:05,349 --> 00:51:03,760

operation high dive and the other one

1226

00:51:08,790 --> 00:51:05,359

excelsior

1227

00:51:11,750 --> 00:51:08,800

and they didn't originate until 1952.

1228

00:51:13,510 --> 00:51:11,760

yeah so big problem with the time frame

1229

00:51:15,430 --> 00:51:13,520

there and they think that people just

1230

00:51:18,309 --> 00:51:15,440

you know sort of confused the two

1231

00:51:20,150 --> 00:51:18,319

separate events into one or

1232

00:51:23,030 --> 00:51:20,160

the whole government explanation to me

1233

00:51:24,950 --> 00:51:23,040

is crazy it is crazy what's also crazy

1234

00:51:26,630 --> 00:51:24,960

is that people tell me well why would

1235

00:51:29,190 --> 00:51:26,640

the government lie they wouldn't they

1236

00:51:30,710 --> 00:51:29,200

didn't do that i mean just look up

1237

00:51:32,710 --> 00:51:30,720

yeah

1238

00:51:35,510 --> 00:51:32,720

how naive could we be why would the

1239

00:51:37,829 --> 00:51:35,520

government lie oh please

1240

00:51:41,270 --> 00:51:37,839

i mean the government that's what it

1241

00:51:43,430 --> 00:51:41,280

does that's all it does because it's a

1242

00:51:46,390 --> 00:51:43,440

case of getting re-elected

1243

00:51:48,870 --> 00:51:46,400

it's being a perpetual campaign mode and

1244

00:51:50,630 --> 00:51:48,880

anyone who has served in the military

1245

00:51:53,109 --> 00:51:50,640

and anyone who has served in

1246

00:51:55,510 --> 00:51:53,119

intelligence to be an intelligence

1247

00:51:58,309 --> 00:51:55,520

officer means you're the biggest bser on

1248

00:52:00,150 --> 00:51:58,319

the base you speak in circles you're not

1249

00:52:03,270 --> 00:52:00,160

going to give away any secrets so all

1250

00:52:05,910 --> 00:52:03,280

you do is lie all you do is give uh

1251

00:52:09,910 --> 00:52:05,920

disinformation and misinformation

1252

00:52:11,990 --> 00:52:09,920

i mean and i i i i laugh because again

1253

00:52:13,910 --> 00:52:12,000

with people why would the government lie

1254

00:52:15,750 --> 00:52:13,920

well are you that

1255

00:52:17,510 --> 00:52:15,760

naive

1256

00:52:20,069 --> 00:52:17,520

yeah i always bring up the gulf of

1257

00:52:21,349 --> 00:52:20,079

tonkin and the iraq war if people say

1258

00:52:23,270 --> 00:52:21,359

you know come on exactly it's all you

1259

00:52:24,870 --> 00:52:23,280

have to do is look at those two examples

1260

00:52:26,790 --> 00:52:24,880

and those are just two we could find a

1261

00:52:28,870 --> 00:52:26,800

hundred more if we look

1262

00:52:31,589 --> 00:52:28,880

you know so the notion that they

1263

00:52:32,870 --> 00:52:31,599

wouldn't lie or didn't lie is crazy and

1264

00:52:35,349 --> 00:52:32,880

i love this

1265

00:52:37,430 --> 00:52:35,359

or the the the report roswell case

1266

00:52:39,829 --> 00:52:37,440

closed and i i remember when i came out

1267

00:52:41,430 --> 00:52:39,839

thinking i don't think so

1268

00:52:43,910 --> 00:52:41,440

you know then

1269

00:52:45,589 --> 00:52:43,920

one of the let's think of this scenario

1270

00:52:48,630 --> 00:52:45,599

for a moment

1271

00:52:52,230 --> 00:52:48,640

the the main author of roswell case

1272

00:52:54,710 --> 00:52:52,240

closed which was uh and that was after

1273

00:52:56,870 --> 00:52:54,720

the the mogul report when

1274

00:52:59,270 --> 00:52:56,880

colonel richard weaver at the pentagon

1275

00:53:02,069 --> 00:52:59,280

you know assured all of us

1276

00:53:05,430 --> 00:53:02,079

that it was the final word on the

1277

00:53:08,069 --> 00:53:05,440

incident that there would be no need to

1278

00:53:10,950 --> 00:53:08,079

uh you know even address the situation

1279

00:53:12,549 --> 00:53:10,960

address the the incident ever again well

1280

00:53:15,510 --> 00:53:12,559

because

1281

00:53:16,710 --> 00:53:15,520

we didn't uh you know stop we didn't

1282

00:53:19,510 --> 00:53:16,720

give up

1283

00:53:21,670 --> 00:53:19,520

the investigation in fact in september

1284

00:53:23,750 --> 00:53:21,680

of 94 i'll never forget we were working

1285

00:53:25,990 --> 00:53:23,760

with the late congressman stephen schiff

1286

00:53:27,829 --> 00:53:26,000

of new mexico at that time

1287

00:53:30,230 --> 00:53:27,839

and he was pushing more and more for

1288

00:53:32,150 --> 00:53:30,240

congressional hearings on roswell

1289

00:53:33,589 --> 00:53:32,160

i'll never forget after the pentagon

1290

00:53:36,069 --> 00:53:33,599

press conference

1291

00:53:37,990 --> 00:53:36,079

and i was very concerned that the good

1292

00:53:41,349 --> 00:53:38,000

congressman would then

1293

00:53:43,109 --> 00:53:41,359

see this as a reason to bail that he

1294

00:53:44,470 --> 00:53:43,119

would then

1295

00:53:46,630 --> 00:53:44,480

back off

1296

00:53:49,030 --> 00:53:46,640

and i will never forget

1297

00:53:50,549 --> 00:53:49,040

speaking with him with him at his office

1298

00:53:53,829 --> 00:53:50,559

in washington

1299

00:53:56,790 --> 00:53:53,839

and his immediate response was don

1300

00:53:59,750 --> 00:53:56,800

there are a bunch of damn liars and i

1301  
00:54:02,710 --> 00:53:59,760  
just need to get re-elected again and

1302  
00:54:04,309 --> 00:54:02,720  
we're going to hit them twice as hard

1303  
00:54:07,349 --> 00:54:04,319  
and i think that's what they were

1304  
00:54:09,270 --> 00:54:07,359  
especially concerned about that we were

1305  
00:54:12,069 --> 00:54:09,280  
relentless that we were not going to

1306  
00:54:13,829 --> 00:54:12,079  
give up because we knew we had the truth

1307  
00:54:16,390 --> 00:54:13,839  
we knew that roswell was something

1308  
00:54:18,549 --> 00:54:16,400  
significant and we knew that they were

1309  
00:54:21,109 --> 00:54:18,559  
stalling for time that's all they were

1310  
00:54:22,549 --> 00:54:21,119  
doing you know the curious thing

1311  
00:54:25,030 --> 00:54:22,559  
when um

1312  
00:54:26,950 --> 00:54:25,040  
you know the whole wooden crash dummy

1313  
00:54:29,109 --> 00:54:26,960

explanation

1314

00:54:31,349 --> 00:54:29,119

and addressing the fact that we had a

1315

00:54:34,710 --> 00:54:31,359

growing number of witnesses to the

1316

00:54:37,349 --> 00:54:34,720

bodies recovered in 1947.

1317

00:54:38,710 --> 00:54:37,359

we immediately sent the facts to the

1318

00:54:41,270 --> 00:54:38,720

pentagon

1319

00:54:43,349 --> 00:54:41,280

after they came out with that brain

1320

00:54:46,789 --> 00:54:43,359

child explanation

1321

00:54:48,069 --> 00:54:46,799

in may of 1997 just before the 50th

1322

00:54:50,549 --> 00:54:48,079

anniversary

1323

00:54:53,750 --> 00:54:50,559

and we reminded them that

1324

00:54:56,470 --> 00:54:53,760

all of our witnesses to the bodies in

1325

00:54:58,230 --> 00:54:56,480

1997

1326

00:55:02,150 --> 00:54:58,240

specifically

1327

00:55:04,789 --> 00:55:02,160

stated that they saw the bodies in 1990

1328

00:55:08,710 --> 00:55:04,799

uh 1947.

1329

00:55:10,789 --> 00:55:08,720

none of them were in new mexico

1330

00:55:13,270 --> 00:55:10,799

in 1952

1331

00:55:15,829 --> 00:55:13,280

so they could not have confused

1332

00:55:19,270 --> 00:55:15,839

the events they could not have confused

1333

00:55:22,710 --> 00:55:19,280

the dates they weren't there at 52

1334

00:55:25,589 --> 00:55:22,720

when project high died an excelsior

1335

00:55:27,829 --> 00:55:25,599

originated when the wooden crash dummies

1336

00:55:30,630 --> 00:55:27,839

could have been misidentified and

1337

00:55:33,270 --> 00:55:30,640

confused for being something you know

1338

00:55:36,710 --> 00:55:33,280

non-human at that time so again the

1339

00:55:38,630 --> 00:55:36,720

truth as as stan freeman would often say

1340

00:55:41,190 --> 00:55:38,640

don't bother me with the facts i have my

1341

00:55:43,349 --> 00:55:41,200

mind made up yeah i love that

1342

00:55:44,470 --> 00:55:43,359

that was always that still remains the

1343

00:55:46,630 --> 00:55:44,480

case

1344

00:55:48,150 --> 00:55:46,640

uh with roswell don't bother me with the

1345

00:55:49,750 --> 00:55:48,160

facts

1346

00:55:52,309 --> 00:55:49,760

well my friends i can see that we're

1347

00:55:54,630 --> 00:55:52,319

coming up on our first hour we're almost

1348

00:55:56,870 --> 00:55:54,640

halfway through our journey now is a

1349

00:56:01,270 --> 00:55:56,880

good time for us to take a break

1350

00:56:02,300 --> 00:56:01,280

i'll be right back after these messages

1351  
00:56:15,300 --> 00:56:02,310  
fmm

1352  
00:56:15,310 --> 00:56:24,309  
[Music]

1353  
00:56:27,670 --> 00:56:26,710  
you know i wanted to just take a quick

1354  
00:56:30,309 --> 00:56:27,680  
uh

1355  
00:56:31,349 --> 00:56:30,319  
detour into this annie jacobson's book

1356  
00:56:34,710 --> 00:56:31,359  
because

1357  
00:56:36,470 --> 00:56:34,720  
you know i read her explanation and uh i

1358  
00:56:38,549 --> 00:56:36,480  
have a real problem with it because the

1359  
00:56:40,710 --> 00:56:38,559  
source that she's citing i know who it

1360  
00:56:42,950 --> 00:56:40,720  
is and he has totally

1361  
00:56:44,950 --> 00:56:42,960  
yeah he has told differing stories to

1362  
00:56:48,470 --> 00:56:44,960  
differing researchers depending on who

1363  
00:56:50,470 --> 00:56:48,480

he was talking to i'm sure he told us

1364

00:56:52,150 --> 00:56:50,480

he told us

1365

00:56:53,270 --> 00:56:52,160

that he was just trying to help her sell

1366

00:56:54,630 --> 00:56:53,280

books

1367

00:56:57,510 --> 00:56:54,640

yeah that's terrible

1368

00:57:01,510 --> 00:56:57,520

and then on abc nightline

1369

00:57:02,470 --> 00:57:01,520

he basically admitted the same thing

1370

00:57:03,589 --> 00:57:02,480

so

1371

00:57:04,630 --> 00:57:03,599

her

1372

00:57:07,510 --> 00:57:04,640

and

1373

00:57:11,670 --> 00:57:07,520

here she is once again her paperback

1374

00:57:14,549 --> 00:57:11,680

edition of area 51 is just released and

1375

00:57:16,549 --> 00:57:14,559

she is right back to beating the same

1376

00:57:19,190 --> 00:57:16,559

old dead horse

1377

00:57:21,589 --> 00:57:19,200

so another example with don't bother me

1378

00:57:23,270 --> 00:57:21,599

with the facts i'm just trying to sell

1379

00:57:24,150 --> 00:57:23,280

more books

1380

00:57:25,270 --> 00:57:24,160

and

1381

00:57:26,630 --> 00:57:25,280

her

1382

00:57:28,870 --> 00:57:26,640

entire

1383

00:57:31,990 --> 00:57:28,880

and in the you know

1384

00:57:34,549 --> 00:57:32,000

scenario of what took place at roswell

1385

00:57:37,030 --> 00:57:34,559

is classic armchair

1386

00:57:39,190 --> 00:57:37,040

keyboard investigation

1387

00:57:41,910 --> 00:57:39,200

she's never been to roswell never been

1388

00:57:43,430 --> 00:57:41,920

to new mexico she's never spoken to an

1389

00:57:46,950 --> 00:57:43,440

actual witness

1390

00:57:50,309 --> 00:57:46,960

this is just entirely fabricated from

1391

00:57:53,349 --> 00:57:50,319

one source yeah one unreliable source

1392

00:57:55,670 --> 00:57:53,359

who admits that he made it up and again

1393

00:57:58,950 --> 00:57:55,680

it doesn't matter to her because she's

1394

00:58:01,510 --> 00:57:58,960

getting all this mileage out of roswell

1395

00:58:04,549 --> 00:58:01,520

so let's look let's just examine the

1396

00:58:08,789 --> 00:58:04,559

facts let's just examine the details

1397

00:58:11,990 --> 00:58:08,799

even perpetrated by her one lone source

1398

00:58:15,030 --> 00:58:12,000

who had nothing to do with 1947

1399

00:58:17,670 --> 00:58:15,040

albeit he was with the atomic regulatory

1400

00:58:20,390 --> 00:58:17,680

commission and that he did spend some

1401  
00:58:23,750 --> 00:58:20,400  
time working at groom lake he did work

1402  
00:58:26,950 --> 00:58:23,760  
at bellas air force base and supposedly

1403  
00:58:30,150 --> 00:58:26,960  
maybe spent a little time at area 51.

1404  
00:58:32,789 --> 00:58:30,160  
okay fine and again what that has to do

1405  
00:58:34,549 --> 00:58:32,799  
with roswell back in 47 i have not the

1406  
00:58:37,750 --> 00:58:34,559  
faintest but

1407  
00:58:42,069 --> 00:58:37,760  
he would claim as she still maintains

1408  
00:58:44,230 --> 00:58:42,079  
that dr joseph mengele dr death

1409  
00:58:46,549 --> 00:58:44,240  
of the nazi party

1410  
00:58:48,789 --> 00:58:46,559  
who was experimenting or doing all this

1411  
00:58:52,069 --> 00:58:48,799  
biological research

1412  
00:58:55,510 --> 00:58:52,079  
and annie would claim that

1413  
00:58:56,870 --> 00:58:55,520

dr mengele was captured by the soviet

1414

00:59:00,789 --> 00:58:56,880

union

1415

00:59:03,670 --> 00:59:00,799

and that they used him to take 13 year

1416

00:59:05,430 --> 00:59:03,680

old children and create

1417

00:59:09,270 --> 00:59:05,440

biological

1418

00:59:11,190 --> 00:59:09,280

remnants appearing to be alien

1419

00:59:13,829 --> 00:59:11,200

with the

1420

00:59:15,910 --> 00:59:13,839

hope that we're going to crash something

1421

00:59:17,510 --> 00:59:15,920

we're going to put something down in the

1422

00:59:18,870 --> 00:59:17,520

united states

1423

00:59:19,870 --> 00:59:18,880

and have

1424

00:59:23,750 --> 00:59:19,880

the

1425

00:59:26,309 --> 00:59:23,760

unsuspecting american government believe

1426

00:59:28,710 --> 00:59:26,319

that we were being invaded by

1427

00:59:30,870 --> 00:59:28,720

aliens from outer space

1428

00:59:32,470 --> 00:59:30,880

the world scenario that that precisely

1429

00:59:34,630 --> 00:59:32,480

yeah well

1430

00:59:37,829 --> 00:59:34,640

dr mengele

1431

00:59:40,069 --> 00:59:37,839

i mean i'm sorry annie

1432

00:59:43,030 --> 00:59:40,079

he didn't he was not captured by the

1433

00:59:43,829 --> 00:59:43,040

soviet union he managed like a lot of

1434

00:59:50,309 --> 00:59:43,839

other

1435

00:59:53,270 --> 00:59:50,319

escape the south america he was

1436

00:59:55,990 --> 00:59:53,280

argentina i had heard argentina and that

1437

00:59:59,510 --> 00:59:56,000

is where he lived out the rest of his

1438

01:00:02,390 --> 00:59:59,520

life in fact the fbi only confirmed that

1439

01:00:04,630 --> 01:00:02,400

you will find all the documentation that

1440

01:00:07,430 --> 01:00:04,640

dr joseph mengele

1441

01:00:10,470 --> 01:00:07,440

lived out the rest of his life in

1442

01:00:12,309 --> 01:00:10,480

argentina and died there

1443

01:00:14,549 --> 01:00:12,319

uh i think back in

1444

01:00:17,829 --> 01:00:14,559

in the 1970s

1445

01:00:21,270 --> 01:00:17,839

and the okay and the other

1446

01:00:23,589 --> 01:00:21,280

piece of nonsense that she would claim

1447

01:00:25,829 --> 01:00:23,599

to support her scenario

1448

01:00:28,309 --> 01:00:25,839

is that they also

1449

01:00:30,309 --> 01:00:28,319

captured one of the horton brother

1450

01:00:31,349 --> 01:00:30,319

flying wings

1451

01:00:34,309 --> 01:00:31,359

well

1452

01:00:35,670 --> 01:00:34,319

the horton brothers managed to

1453

01:00:38,230 --> 01:00:35,680

destroy

1454

01:00:40,549 --> 01:00:38,240

not only most of their blueprints most

1455

01:00:43,190 --> 01:00:40,559

of their research notes most of their

1456

01:00:44,390 --> 01:00:43,200

diagrams but they also managed to

1457

01:00:46,390 --> 01:00:44,400

destroy

1458

01:00:48,069 --> 01:00:46,400

all of the prototypes

1459

01:00:50,309 --> 01:00:48,079

that they had

1460

01:00:53,030 --> 01:00:50,319

back at the final

1461

01:00:55,750 --> 01:00:53,040

stages of the war in germany before the

1462

01:00:57,430 --> 01:00:55,760

fall of berlin itself

1463

01:01:00,870 --> 01:00:57,440

and the only

1464

01:01:04,230 --> 01:01:00,880

prototype that was even recovered was

1465

01:01:07,030 --> 01:01:04,240

not by the russians but by the united

1466

01:01:10,789 --> 01:01:07,040

states sure and that is presently on

1467

01:01:12,950 --> 01:01:10,799

display at the smithsonian in washington

1468

01:01:17,589 --> 01:01:12,960

and anyone who has seen it

1469

01:01:20,789 --> 01:01:17,599

all it is is tubular bicycle frame

1470

01:01:23,589 --> 01:01:20,799

it is constructed of flimsy

1471

01:01:25,750 --> 01:01:23,599

varnished wood

1472

01:01:29,349 --> 01:01:25,760

hardly air worthy

1473

01:01:30,470 --> 01:01:29,359

let alone the thought that the russians

1474

01:01:32,309 --> 01:01:30,480

would have

1475

01:01:35,670 --> 01:01:32,319

used

1476

01:01:39,109 --> 01:01:35,680

such a device a horton-flying wing would

1477

01:01:41,270 --> 01:01:39,119

have flown it all the way from russia

1478

01:01:42,470 --> 01:01:41,280

managed to fly it all the way to new

1479

01:01:45,910 --> 01:01:42,480

mexico

1480

01:01:47,829 --> 01:01:45,920

with a crew of 13 year old children

1481

01:01:50,789 --> 01:01:47,839

mutants

1482

01:01:52,390 --> 01:01:50,799

created to appear like

1483

01:01:54,150 --> 01:01:52,400

a spaceship

1484

01:01:56,390 --> 01:01:54,160

from another planet

1485

01:01:57,990 --> 01:01:56,400

so the other question i would pose to

1486

01:02:01,029 --> 01:01:58,000

annie is

1487

01:02:03,750 --> 01:02:01,039

which of the 13 year olds was flying

1488

01:02:05,990 --> 01:02:03,760

such a contraption yeah isn't that that

1489

01:02:07,750 --> 01:02:06,000

i think that was a single cockpit or

1490

01:02:09,510 --> 01:02:07,760

maybe two people could fit in that it

1491

01:02:11,029 --> 01:02:09,520

was really small craft

1492

01:02:13,190 --> 01:02:11,039

that's the other thing that's a problem

1493

01:02:17,029 --> 01:02:13,200

with this store was it it was a single

1494

01:02:18,390 --> 01:02:17,039

cockpit and again it was a prototype

1495

01:02:20,789 --> 01:02:18,400

that

1496

01:02:24,710 --> 01:02:20,799

never got off the ground

1497

01:02:28,710 --> 01:02:24,720

and um i'm sorry the fact that as we

1498

01:02:31,349 --> 01:02:28,720

both have described the very source

1499

01:02:35,029 --> 01:02:31,359

of the story of this scenario has

1500

01:02:36,870 --> 01:02:35,039

recanted has admitted that it was just

1501

01:02:38,470 --> 01:02:36,880

totally fabricated

1502

01:02:41,589 --> 01:02:38,480

what type of a

1503

01:02:43,670 --> 01:02:41,599

if i were to continue if i had one

1504

01:02:45,270 --> 01:02:43,680

little witness to the entire roswell

1505

01:02:48,309 --> 01:02:45,280

scenario

1506

01:02:51,109 --> 01:02:48,319

and if that witness would have recanted

1507

01:02:53,829 --> 01:02:51,119

would have retracted would have conceded

1508

01:02:56,950 --> 01:02:53,839

confessed that they had made it up

1509

01:02:58,789 --> 01:02:56,960

be the end of my story

1510

01:03:01,190 --> 01:02:58,799

and i don't for the life of me i don't

1511

01:03:03,430 --> 01:03:01,200

get it and and it's only a single

1512

01:03:06,069 --> 01:03:03,440

appendix in her book

1513

01:03:09,589 --> 01:03:06,079

but if anything it demonstrates that

1514

01:03:13,270 --> 01:03:09,599

roswell still has a lot of legs left

1515

01:03:16,630 --> 01:03:13,280

that you can even include a single

1516

01:03:18,710 --> 01:03:16,640

witness so-called witness as an appendix

1517

01:03:19,910 --> 01:03:18,720

in your book

1518

01:03:21,829 --> 01:03:19,920

and

1519

01:03:25,109 --> 01:03:21,839

the journalists

1520

01:03:26,789 --> 01:03:25,119

the media totally focuses on once again

1521

01:03:28,549 --> 01:03:26,799

roswell

1522

01:03:31,029 --> 01:03:28,559

sure

1523

01:03:32,950 --> 01:03:31,039

yeah it's unfortunate and i i think that

1524

01:03:35,910 --> 01:03:32,960

we're seeing a resurgence of a lot of

1525

01:03:37,990 --> 01:03:35,920

old hoaxes and proven fake things that

1526

01:03:40,789 --> 01:03:38,000

are kind of coming back to the forefront

1527

01:03:43,109 --> 01:03:40,799

and then also these opportunists that

1528

01:03:44,789 --> 01:03:43,119

rush in because i think there's a huge

1529

01:03:46,470 --> 01:03:44,799

need for this information like the

1530

01:03:48,230 --> 01:03:46,480

public really wants to know about this

1531

01:03:50,150 --> 01:03:48,240

and these people they're less than

1532

01:03:51,990 --> 01:03:50,160

scrupulous less than ethical they don't

1533

01:03:54,150 --> 01:03:52,000

care about the truth they just want to

1534

01:03:55,670 --> 01:03:54,160

sell a book a dvd whatever the case may

1535

01:03:57,990 --> 01:03:55,680

be and they rush in they talk about this

1536

01:04:01,430 --> 01:03:58,000

all the time it's hunger that we have

1537

01:04:03,589 --> 01:04:01,440

she was just on jimmy church

1538

01:04:06,069 --> 01:04:03,599

i think last week she was just on joel

1539

01:04:08,710 --> 01:04:06,079

rogan yeah i saw that

1540

01:04:11,829 --> 01:04:08,720

and again i i don't get it

1541

01:04:14,150 --> 01:04:11,839

i i just don't get it except it's to

1542

01:04:17,670 --> 01:04:14,160

sell books off of

1543

01:04:18,710 --> 01:04:17,680

roswell on our coattails

1544

01:04:21,589 --> 01:04:18,720

that

1545

01:04:23,349 --> 01:04:21,599

she's the one who miraculously after all

1546

01:04:25,829 --> 01:04:23,359

these years it doesn't matter that we've

1547

01:04:28,470 --> 01:04:25,839

been working on this for 30 years that

1548

01:04:31,150 --> 01:04:28,480

thank you annie jacobson you come up

1549

01:04:34,390 --> 01:04:31,160

with one discredited

1550

01:04:37,029 --> 01:04:34,400

irresponsible discredited source

1551

01:04:38,150 --> 01:04:37,039

and you still are willing

1552

01:04:39,589 --> 01:04:38,160

to

1553

01:04:42,230 --> 01:04:39,599

fabricate

1554

01:04:44,870 --> 01:04:42,240

such a situation for no other reason

1555

01:04:47,589 --> 01:04:44,880

that you can you can take credit for

1556

01:04:49,510 --> 01:04:47,599

solving roswell well i can assure you it

1557

01:04:52,870 --> 01:04:49,520

doesn't solve roswell it doesn't solve

1558

01:04:56,390 --> 01:04:52,880

anything because the entire story

1559

01:04:57,990 --> 01:04:56,400

is one giant lie

1560

01:04:59,910 --> 01:04:58,000

yeah i don't know i remember reading

1561

01:05:01,829 --> 01:04:59,920

this and thinking this was laughable but

1562

01:05:03,910 --> 01:05:01,839

it did sell the book you know you're

1563

01:05:05,270 --> 01:05:03,920

right it absolutely sold that book i

1564

01:05:06,309 --> 01:05:05,280

don't think she would have gotten much

1565

01:05:08,069 --> 01:05:06,319

traction

1566

01:05:09,670 --> 01:05:08,079

selling that book otherwise that was the

1567

01:05:11,430 --> 01:05:09,680

hook that sold the book that was the

1568

01:05:13,829 --> 01:05:11,440

hook and it's still the hook she's still

1569

01:05:16,230 --> 01:05:13,839

using it yeah and it's funny to me that

1570

01:05:17,750 --> 01:05:16,240

she continues to persist in this even

1571

01:05:19,510 --> 01:05:17,760

after the

1572

01:05:21,270 --> 01:05:19,520

original source said no i just made it

1573

01:05:23,750 --> 01:05:21,280

up to help her sell a book but these are

1574

01:05:25,349 --> 01:05:23,760

the things that we see in this so-called

1575

01:05:26,710 --> 01:05:25,359

you know

1576

01:05:28,549 --> 01:05:26,720

field here

1577

01:05:31,349 --> 01:05:28,559

but she's not in our field that's the

1578

01:05:32,549 --> 01:05:31,359

thing she's supposed to be a legitimate

1579

01:05:37,109 --> 01:05:32,559

journalist

1580

01:05:39,670 --> 01:05:37,119

it'd be one thing if it were a fellow

1581

01:05:40,870 --> 01:05:39,680

ufologist it was someone a colleague in

1582

01:05:42,069 --> 01:05:40,880

our field

1583

01:05:42,950 --> 01:05:42,079

and

1584

01:06:05,190 --> 01:05:42,960

i

1585

01:06:06,870 --> 01:06:05,200

well

1586

01:06:08,710 --> 01:06:06,880

i for one am glad that you're here to

1587

01:06:11,109 --> 01:06:08,720

set the record straight and if i had to

1588

01:06:12,630 --> 01:06:11,119

choose between who is more credible and

1589

01:06:14,789 --> 01:06:12,640

more knowledgeable about the case of

1590

01:06:15,990 --> 01:06:14,799

course i would choose you because of you

1591

01:06:17,670 --> 01:06:16,000

know like you were talking about before

1592

01:06:20,150 --> 01:06:17,680

you've been working on this for so long

1593

01:06:21,430 --> 01:06:20,160

and talked to more witnesses than anyone

1594

01:06:23,430 --> 01:06:21,440

one of the things i wanted to talk to

1595

01:06:25,029 --> 01:06:23,440

you about is your book on wright

1596

01:06:27,029 --> 01:06:25,039

patterson because

1597

01:06:28,710 --> 01:06:27,039

you know we have this storm area 51

1598

01:06:30,309 --> 01:06:28,720

thing that i think is kind of laughable

1599

01:06:32,230 --> 01:06:30,319

now because

1600

01:06:34,950 --> 01:06:32,240

i don't think there's any secrets about

1601  
01:06:35,990 --> 01:06:34,960  
alien technology at area 51 more likely

1602  
01:06:38,630 --> 01:06:36,000  
they went

1603  
01:06:40,710 --> 01:06:38,640  
and continue i suppose to go to wright

1604  
01:06:42,950 --> 01:06:40,720  
patterson can you tell us about your

1605  
01:06:46,789 --> 01:06:42,960  
book because in that book you mentioned

1606  
01:06:49,349 --> 01:06:46,799  
you called it the real area 51. and and

1607  
01:06:50,630 --> 01:06:49,359  
that is where most people i believe

1608  
01:06:52,789 --> 01:06:50,640  
including yourself believe that the

1609  
01:06:55,990 --> 01:06:52,799  
roswell wreckage and any other alien

1610  
01:06:59,029 --> 01:06:56,000  
technology goes isn't that right well

1611  
01:07:00,710 --> 01:06:59,039  
let's even just go back to the original

1612  
01:07:03,910 --> 01:07:00,720  
incident

1613  
01:07:05,750 --> 01:07:03,920

and the fact that no matter what one

1614

01:07:07,670 --> 01:07:05,760

chooses to believe

1615

01:07:09,270 --> 01:07:07,680

according to

1616

01:07:11,190 --> 01:07:09,280

the press accounts

1617

01:07:13,670 --> 01:07:11,200

according to all the official

1618

01:07:15,029 --> 01:07:13,680

announcements according to even the

1619

01:07:17,349 --> 01:07:15,039

pentagon

1620

01:07:19,349 --> 01:07:17,359

the wreckage from roswell

1621

01:07:22,309 --> 01:07:19,359

went to right field

1622

01:07:23,190 --> 01:07:22,319

which would become wright-patterson

1623

01:07:27,029 --> 01:07:23,200

and

1624

01:07:30,789 --> 01:07:27,039

i mean that's a matter of historic fact

1625

01:07:32,549 --> 01:07:30,799

and the unique thing about right field

1626

01:07:37,349 --> 01:07:32,559

wright patterson

1627

01:07:39,109 --> 01:07:37,359

is that back in july of 1947 you had two

1628

01:07:39,990 --> 01:07:39,119

specific

1629

01:07:44,390 --> 01:07:40,000

um

1630

01:07:47,190 --> 01:07:44,400

branches of operation what was called t2

1631

01:07:51,109 --> 01:07:47,200

which was intelligence and the other was

1632

01:07:53,510 --> 01:07:51,119

t3 which was engineering

1633

01:07:56,069 --> 01:07:53,520

and so

1634

01:07:59,109 --> 01:07:56,079

what they both specialized in and

1635

01:08:03,829 --> 01:07:59,119

specifically t2

1636

01:08:05,270 --> 01:08:03,839

was the recovery of enemy hardware

1637

01:08:08,630 --> 01:08:05,280

in other words

1638

01:08:11,910 --> 01:08:08,640

if it was german post world war ii

1639

01:08:13,510 --> 01:08:11,920

or russian or japanese if we got our

1640

01:08:15,510 --> 01:08:13,520

hands on it we got our hands on a

1641

01:08:17,910 --> 01:08:15,520

russian mig

1642

01:08:20,630 --> 01:08:17,920

went to wright-patterson air force base

1643

01:08:23,430 --> 01:08:20,640

because that's where they did the the

1644

01:08:26,229 --> 01:08:23,440

technicians who

1645

01:08:28,870 --> 01:08:26,239

in propulsion and aerodynamics and you

1646

01:08:29,669 --> 01:08:28,880

know new material development

1647

01:08:31,269 --> 01:08:29,679

they

1648

01:08:34,149 --> 01:08:31,279

want to see

1649

01:08:36,470 --> 01:08:34,159

if they had anything on us if there was

1650

01:08:39,430 --> 01:08:36,480

anything that we needed that we could

1651  
01:08:40,390 --> 01:08:39,440  
utilize to further our own technology in

1652  
01:08:42,789 --> 01:08:40,400  
other words

1653  
01:08:44,709 --> 01:08:42,799  
let's find the odd buttons and and see

1654  
01:08:46,070 --> 01:08:44,719  
we can you know use them to our own

1655  
01:08:48,070 --> 01:08:46,080  
advantage

1656  
01:08:49,990 --> 01:08:48,080  
so here you have this crash of this

1657  
01:08:53,829 --> 01:08:50,000  
craft of unknown origin

1658  
01:08:56,390 --> 01:08:53,839  
outside of roswell in july of 1947

1659  
01:08:59,349 --> 01:08:56,400  
and even after the balloon explanation

1660  
01:09:04,149 --> 01:08:59,359  
stephen it's still a matter of historic

1661  
01:09:07,510 --> 01:09:04,159  
fact there is that that famous fbi telex

1662  
01:09:11,910 --> 01:09:07,520  
that went out on the evening of july 8th

1663  
01:09:15,510 --> 01:09:11,920

tuesday july 8th at 6 17

1664

01:09:16,789 --> 01:09:15,520  
central standard time 6 17 p.m central

1665

01:09:20,390 --> 01:09:16,799  
standard time

1666

01:09:22,149 --> 01:09:20,400  
refuting the balloon explanation

1667

01:09:23,669 --> 01:09:22,159  
and seeing that

1668

01:09:26,709 --> 01:09:23,679  
we don't care

1669

01:09:29,430 --> 01:09:26,719  
what general roger raimi has just said

1670

01:09:31,269 --> 01:09:29,440  
about explaining this all away as just a

1671

01:09:34,550 --> 01:09:31,279  
weather balloon device

1672

01:09:36,470 --> 01:09:34,560  
it is still going on to right field for

1673

01:09:39,030 --> 01:09:36,480  
testing and analysis

1674

01:09:43,189 --> 01:09:39,040  
and it is not a balloon as we have been

1675

01:09:45,349 --> 01:09:43,199  
discussing the details with right field

1676

01:09:47,590 --> 01:09:45,359

well who are they talking to they're

1677

01:09:52,390 --> 01:09:47,600

talking to the people who are getting

1678

01:09:55,910 --> 01:09:52,400

ready at t2 to test exactly what this

1679

01:09:57,510 --> 01:09:55,920

material is this wreckage is what this

1680

01:10:00,790 --> 01:09:57,520

this talk of

1681

01:10:02,870 --> 01:10:00,800

a crash of a flying saucer is all about

1682

01:10:05,750 --> 01:10:02,880

so

1683

01:10:08,709 --> 01:10:05,760

there are then witnesses as we describe

1684

01:10:12,470 --> 01:10:08,719

in the book on the receiving end the

1685

01:10:14,790 --> 01:10:12,480

people who were at t2 the late general

1686

01:10:16,470 --> 01:10:14,800

arthur exxon who would go on to be a

1687

01:10:19,030 --> 01:10:16,480

base commander

1688

01:10:20,790 --> 01:10:19,040

at right path in

1689

01:10:22,149 --> 01:10:20,800

1964.

1690

01:10:25,110 --> 01:10:22,159

he was there

1691

01:10:28,630 --> 01:10:25,120

he was aware of the wreckage coming in

1692

01:10:31,270 --> 01:10:28,640

and all of the testing all the tensor

1693

01:10:34,630 --> 01:10:31,280

strength all the testing at the

1694

01:10:35,430 --> 01:10:34,640

molecular level trying to determine

1695

01:10:38,470 --> 01:10:35,440

what

1696

01:10:40,390 --> 01:10:38,480

these special alloys involved and how

1697

01:10:41,350 --> 01:10:40,400

they were combined

1698

01:10:43,350 --> 01:10:41,360

and

1699

01:10:46,790 --> 01:10:43,360

then the

1700

01:10:48,070 --> 01:10:46,800

the compression test on the wreckage for

1701

01:10:50,790 --> 01:10:48,080

example

1702

01:10:54,149 --> 01:10:50,800

and according to exxon that there was a

1703

01:10:56,630 --> 01:10:54,159

unanimous consensus on the base

1704

01:10:59,189 --> 01:10:56,640

that after they first thought the

1705

01:11:01,110 --> 01:10:59,199

materials had to be russian because they

1706

01:11:03,510 --> 01:11:01,120

didn't recognize it it was nothing that

1707

01:11:05,590 --> 01:11:03,520

they had ever seen before but that after

1708

01:11:08,390 --> 01:11:05,600

all the testing that the

1709

01:11:11,750 --> 01:11:08,400

the uh consensus was unanimous that the

1710

01:11:14,229 --> 01:11:11,760

materials were from space they were not

1711

01:11:17,270 --> 01:11:14,239

from this planet

1712

01:11:20,070 --> 01:11:17,280

and then as we named throughout the book

1713

01:11:23,030 --> 01:11:20,080

more and more of the witnesses who were

1714

01:11:25,750 --> 01:11:23,040

involved not only with the wreckage but

1715

01:11:28,470 --> 01:11:25,760

the recovery of the craft and then the

1716

01:11:29,590 --> 01:11:28,480

bodies and then the autopsies at the

1717

01:11:31,110 --> 01:11:29,600

base

1718

01:11:33,990 --> 01:11:31,120

so all roads

1719

01:11:36,870 --> 01:11:34,000

leading to wright patterson

1720

01:11:38,229 --> 01:11:36,880

and then subsequently additional crashes

1721

01:11:40,790 --> 01:11:38,239

if we are to believe and i accept

1722

01:11:42,229 --> 01:11:40,800

roswell i have to accept the possibility

1723

01:11:45,430 --> 01:11:42,239

that there were other

1724

01:11:47,750 --> 01:11:45,440

events of this nature other crashes and

1725

01:11:50,709 --> 01:11:47,760

that they too also went

1726

01:11:53,350 --> 01:11:50,719

to wright-patterson in dayton ohio the

1727

01:11:59,110 --> 01:11:57,189

fact that one cannot deny is there was

1728

01:12:01,750 --> 01:11:59,120

no area 51

1729

01:12:02,870 --> 01:12:01,760

in 1947 sure yeah

1730

01:12:05,990 --> 01:12:02,880

right

1731

01:12:07,030 --> 01:12:06,000

area 51 did not come into existence

1732

01:12:10,870 --> 01:12:07,040

until

1733

01:12:15,830 --> 01:12:12,950

so eight years later

1734

01:12:19,350 --> 01:12:15,840

and then it was just a landing field

1735

01:12:21,590 --> 01:12:19,360

it was where they slowly then became

1736

01:12:24,550 --> 01:12:21,600

more more of a test site and they

1737

01:12:27,110 --> 01:12:24,560

started to get into more and more

1738

01:12:28,470 --> 01:12:27,120

testing and engineering and special

1739

01:12:31,910 --> 01:12:28,480

research

1740

01:12:34,470 --> 01:12:31,920

and we've had numerous high-ranking

1741

01:12:38,630 --> 01:12:34,480

officials at wrightpat

1742

01:12:41,510 --> 01:12:38,640

who have you know told us off the record

1743

01:12:44,229 --> 01:12:41,520

that it became more and more difficult

1744

01:12:45,189 --> 01:12:44,239

now just imagine

1745

01:12:55,510 --> 01:12:45,199

the

1746

01:12:56,470 --> 01:12:55,520

dried up lake basin groom lake

1747

01:12:59,430 --> 01:12:56,480

and it's

1748

01:13:01,189 --> 01:12:59,440

it's it's shrouded by mountains

1749

01:13:04,709 --> 01:13:01,199

and open desert

1750

01:13:08,310 --> 01:13:04,719

it's just a perfect test site whereas

1751

01:13:11,990 --> 01:13:08,320

right path is in the middle of a city

1752

01:13:15,189 --> 01:13:12,000

so as one of the the colonel said to us

1753

01:13:17,750 --> 01:13:15,199

they were having a damnable time

1754

01:13:18,709 --> 01:13:17,760

bringing things in and shipping things

1755

01:13:20,229 --> 01:13:18,719

out

1756

01:13:22,709 --> 01:13:20,239

of right path

1757

01:13:24,709 --> 01:13:22,719

because of that very fact there would be

1758

01:13:26,470 --> 01:13:24,719

more eyes right there'd be more eyes on

1759

01:13:28,950 --> 01:13:26,480

the on the base

1760

01:13:32,070 --> 01:13:28,960

exactly and he said that

1761

01:13:34,310 --> 01:13:32,080

it was his information that just about

1762

01:13:36,149 --> 01:13:34,320

everything was shipped out

1763

01:13:38,390 --> 01:13:36,159

by the early 80s

1764

01:13:41,590 --> 01:13:38,400

that as things came in

1765

01:13:43,030 --> 01:13:41,600

late 40s and through the 50s and even in

1766

01:13:45,510 --> 01:13:43,040

the 60s

1767

01:13:46,870 --> 01:13:45,520

that little by little things were being

1768

01:13:48,229 --> 01:13:46,880

shipped out

1769

01:13:50,390 --> 01:13:48,239

so then

1770

01:13:52,709 --> 01:13:50,400

we started hearing more and more not

1771

01:13:53,510 --> 01:13:52,719

about area 51

1772

01:13:55,430 --> 01:13:53,520

but

1773

01:13:57,350 --> 01:13:55,440

area 52

1774

01:14:00,070 --> 01:13:57,360

and specifically

1775

01:14:04,870 --> 01:14:00,080

during the mid-1990s

1776

01:14:07,590 --> 01:14:04,880

when there was this class action suit

1777

01:14:10,229 --> 01:14:07,600

of a lot of former workers

1778

01:14:11,270 --> 01:14:10,239

employees this class action suit

1779

01:14:14,709 --> 01:14:11,280

of

1780

01:14:17,030 --> 01:14:14,719

people who were assigned to area 51

1781

01:14:20,070 --> 01:14:17,040

that it became more and more of a toxic

1782

01:14:22,310 --> 01:14:20,080

dump site that everything was going in

1783

01:14:24,630 --> 01:14:22,320

and nothing was coming out and there

1784

01:14:26,470 --> 01:14:24,640

were descriptions of how they would pour

1785

01:14:28,870 --> 01:14:26,480

aviation fuel

1786

01:14:31,270 --> 01:14:28,880

all over a a

1787

01:14:33,510 --> 01:14:31,280

discarded area

1788

01:14:37,830 --> 01:14:33,520

and they would light it on fire

1789

01:14:40,470 --> 01:14:37,840

destroying you know all of this material

1790

01:14:43,830 --> 01:14:40,480

you know giving off all these plumes of

1791

01:14:46,149 --> 01:14:43,840

you know the toxic fumes to the exposed

1792

01:14:48,070 --> 01:14:46,159

personnel on the base

1793

01:14:50,950 --> 01:14:48,080

so there are people who were getting

1794

01:14:53,590 --> 01:14:50,960

sick there were even some deaths

1795

01:14:57,189 --> 01:14:53,600

associated with the possibility that

1796

01:15:01,350 --> 01:14:57,199

these people had been exposed but

1797

01:15:04,630 --> 01:15:01,360

as roswell even the the judges

1798

01:15:08,950 --> 01:15:04,640

who basically threw it all out because

1799

01:15:10,470 --> 01:15:08,960

what what the ruling was that secrecy is

1800

01:15:11,270 --> 01:15:10,480

more important

1801

01:15:14,310 --> 01:15:11,280

than

1802

01:15:17,669 --> 01:15:14,320

civil rights secrecy is more important

1803

01:15:19,990 --> 01:15:17,679

than the very health and well-being of

1804

01:15:22,070 --> 01:15:20,000

people who are involved

1805

01:15:24,550 --> 01:15:22,080

and so

1806

01:15:26,390 --> 01:15:24,560

it was during that time though

1807

01:15:30,390 --> 01:15:26,400

that we were paying more and more

1808

01:15:33,110 --> 01:15:30,400

attention to area 52

1809

01:15:36,229 --> 01:15:33,120

which is in utah

1810

01:15:39,430 --> 01:15:36,239

and this was an area that originated

1811

01:15:40,790 --> 01:15:39,440

as a result of all the attempted rocket

1812

01:15:43,350 --> 01:15:40,800

launches

1813

01:15:45,430 --> 01:15:43,360

from white sands proving ground north of

1814

01:15:48,070 --> 01:15:45,440

holloman air force base in alamogordo

1815

01:15:49,030 --> 01:15:48,080

new mexico whenever they were launching

1816

01:16:36,390 --> 01:15:49,040

a

1817

01:16:43,590 --> 01:16:36,400

in

1818

01:16:44,950 --> 01:16:43,600

not only do we have first-hand witnesses

1819

01:16:47,669 --> 01:16:44,960

at dugway

1820

01:16:50,310 --> 01:16:47,679

not only do we have high high-ranking

1821

01:16:52,470 --> 01:16:50,320

officers who have made that very

1822

01:16:55,990 --> 01:16:52,480

statement that there are bodies at

1823

01:16:58,790 --> 01:16:56,000

dugway but when i even asked

1824

01:17:00,950 --> 01:16:58,800

the late colonel robert friend

1825

01:17:02,550 --> 01:17:00,960

who was the second last director of

1826

01:17:05,510 --> 01:17:02,560

project blue book

1827

01:17:08,229 --> 01:17:05,520

and and friend just passed away

1828

01:17:11,590 --> 01:17:08,239

a couple months ago yeah i heard that

1829

01:17:14,229 --> 01:17:11,600

and last time i had dinner with him

1830

01:17:17,590 --> 01:17:14,239

in los angeles and i asked him

1831

01:17:20,870 --> 01:17:17,600

because uh no matter what i asked

1832

01:17:23,189 --> 01:17:20,880

colonel friend he just was a you know a

1833

01:17:26,709 --> 01:17:23,199

true patriot he just wouldn't admit

1834

01:17:28,070 --> 01:17:26,719

anything just deny deny deny deny

1835

01:17:29,430 --> 01:17:28,080

but i asked him i just said well

1836

01:17:33,430 --> 01:17:29,440

hypothetically

1837

01:17:35,669 --> 01:17:33,440

if you had bodies if you had bodies

1838

01:17:37,030 --> 01:17:35,679

you had unique specimens they weren't

1839

01:17:38,550 --> 01:17:37,040

from here

1840

01:17:40,149 --> 01:17:38,560

where would you preserve them where

1841

01:17:44,950 --> 01:17:40,159

would you have them today

1842

01:17:45,990 --> 01:17:44,960

and he immediately responded well dugway

1843

01:17:47,669 --> 01:17:46,000

utah

1844

01:17:50,229 --> 01:17:47,679

yeah biological medical research

1845

01:17:53,189 --> 01:17:50,239

facility because they would have them

1846

01:17:54,070 --> 01:17:53,199

where with all the means and as he put

1847

01:18:00,310 --> 01:17:54,080

it

1848

01:18:01,830 --> 01:18:00,320

well you know

1849

01:18:03,590 --> 01:18:01,840

one of the other things that i wanted to

1850

01:18:04,790 --> 01:18:03,600

ask you about it's kind of the elephant

1851  
01:18:07,030 --> 01:18:04,800  
in the room because you've gotten a lot

1852  
01:18:09,030 --> 01:18:07,040  
of grief about it but i totally agree

1853  
01:18:10,709 --> 01:18:09,040  
with the things i've heard you say

1854  
01:18:12,550 --> 01:18:10,719  
previously about it but i still for the

1855  
01:18:13,270 --> 01:18:12,560  
benefit of my listeners wanted to ask

1856  
01:18:15,669 --> 01:18:13,280  
you

1857  
01:18:17,430 --> 01:18:15,679  
about these roswell slide the the

1858  
01:18:18,950 --> 01:18:17,440  
roswell flat hoax

1859  
01:18:21,669 --> 01:18:18,960  
because i think you've

1860  
01:18:23,910 --> 01:18:21,679  
really been you got a lot of grief about

1861  
01:18:25,910 --> 01:18:23,920  
it and your assessment that you had

1862  
01:18:28,630 --> 01:18:25,920  
experts you believe you know you talk to

1863  
01:18:30,390 --> 01:18:28,640

the experts they said this you know

1864

01:18:32,709 --> 01:18:30,400

and a lot of people uh

1865

01:18:34,470 --> 01:18:32,719

i i think have given you too much grief

1866

01:18:36,630 --> 01:18:34,480

over this can you talk about the roswell

1867

01:18:39,910 --> 01:18:36,640

slides and what happened with them and

1868

01:18:42,070 --> 01:18:39,920

you know absolutely absolutely

1869

01:18:43,350 --> 01:18:42,080

one of the unique

1870

01:18:46,470 --> 01:18:43,360

advantages

1871

01:18:49,910 --> 01:18:46,480

with working on a case like roswell

1872

01:18:51,910 --> 01:18:49,920

just about every other ufo incident

1873

01:18:53,750 --> 01:18:51,920

is is very fleeting

1874

01:18:56,310 --> 01:18:53,760

now you see it now you don't

1875

01:18:58,709 --> 01:18:56,320

dr heineck my site my late scientific

1876

01:19:01,030 --> 01:18:58,719

director used to refer to it as the the

1877

01:19:03,030 --> 01:19:01,040

cheshire cat effect

1878

01:19:03,910 --> 01:19:03,040

all you have left is the smile so to

1879

01:19:04,709 --> 01:19:03,920

speak

1880

01:19:09,030 --> 01:19:04,719

well

1881

01:19:11,750 --> 01:19:09,040

with uh with with 99.99

1882

01:19:13,510 --> 01:19:11,760

percent of ufo incidents all you have is

1883

01:19:15,350 --> 01:19:13,520

the eyewitness

1884

01:19:18,149 --> 01:19:15,360

you might have an occasion a photograph

1885

01:19:21,110 --> 01:19:18,159

or some video and uh you know

1886

01:19:23,830 --> 01:19:21,120

very few of them pass the scrutiny of

1887

01:19:27,030 --> 01:19:23,840

the experts so that's it's a great

1888

01:19:30,149 --> 01:19:27,040

example of where experts generally are

1889

01:19:32,790 --> 01:19:30,159  
correct in determining whether a

1890

01:19:34,470 --> 01:19:32,800  
photograph is legitimate or not

1891

01:19:36,950 --> 01:19:34,480  
well with roswell

1892

01:19:38,550 --> 01:19:36,960  
we have physical remains

1893

01:19:39,990 --> 01:19:38,560  
you have wreckage

1894

01:19:43,189 --> 01:19:40,000  
you have

1895

01:19:45,030 --> 01:19:43,199  
a survivor

1896

01:19:47,189 --> 01:19:45,040  
you have hundreds of eyewitness

1897

01:19:49,430 --> 01:19:47,199  
testimonies you have documents you have

1898

01:19:52,630 --> 01:19:49,440  
photographs you have film

1899

01:19:53,430 --> 01:19:52,640  
and you have deathbed testimonies i i

1900

01:19:55,750 --> 01:19:53,440  
would

1901

01:19:58,070 --> 01:19:55,760

ask you to even ask your audience give

1902

01:20:02,310 --> 01:19:58,080

me an example of any other ufo case that

1903

01:20:08,070 --> 01:20:05,350

roswell's it roswell's about it and and

1904

01:20:11,510 --> 01:20:08,080

the fact that we have dozens okay so

1905

01:20:14,310 --> 01:20:11,520

with all that in the mix

1906

01:20:17,430 --> 01:20:14,320

i can assure you we have had a lot of

1907

01:20:20,149 --> 01:20:17,440

roswell slide situations we have a lot

1908

01:20:21,990 --> 01:20:20,159

we've had so many false flags in that

1909

01:20:23,590 --> 01:20:22,000

we've had

1910

01:20:26,709 --> 01:20:23,600

no matter what one believes about the

1911

01:20:28,870 --> 01:20:26,719

mj-12 documents for example i personally

1912

01:20:30,870 --> 01:20:28,880

believe that it they are

1913

01:20:34,470 --> 01:20:30,880

totally fabricated they are

1914

01:20:36,470 --> 01:20:34,480

disinformation intended to discredit the

1915

01:20:38,790 --> 01:20:36,480

very people who

1916

01:20:41,350 --> 01:20:38,800

were became involved with them okay fine

1917

01:20:44,149 --> 01:20:41,360

but so there's a case of documents we've

1918

01:20:47,430 --> 01:20:44,159

had other uh cases of other documents

1919

01:20:49,669 --> 01:20:47,440

we've had photographs we've had film

1920

01:20:52,709 --> 01:20:49,679

uh stephen i can't tell you how often we

1921

01:20:54,709 --> 01:20:52,719

have had fake material wreckage yeah

1922

01:20:56,870 --> 01:20:54,719

there's an airline autopsy hoax as well

1923

01:20:58,310 --> 01:20:56,880

that's the alien autopsy making rounds

1924

01:21:00,229 --> 01:20:58,320

again now he's saying that was a

1925

01:21:02,149 --> 01:21:00,239

recreation i still have the original

1926

01:21:04,629 --> 01:21:02,159

that's all it's going to come back

1927

01:21:06,229 --> 01:21:04,639

so there we go again it comes back i

1928

01:21:08,470 --> 01:21:06,239

hope this doesn't mean that the slides

1929

01:21:10,950 --> 01:21:08,480

are going to come back god help us but

1930

01:21:13,189 --> 01:21:10,960

the point being that we have to

1931

01:21:14,550 --> 01:21:13,199

investigate we have to perform due

1932

01:21:17,030 --> 01:21:14,560

diligence

1933

01:21:19,189 --> 01:21:17,040

with all of this with the chance the

1934

01:21:20,950 --> 01:21:19,199

possibility that all it's going to take

1935

01:21:21,910 --> 01:21:20,960

is just one time

1936

01:21:29,189 --> 01:21:21,920

that

1937

01:21:30,470 --> 01:21:29,199

to be

1938

01:21:33,430 --> 01:21:30,480

exotic

1939

01:21:36,390 --> 01:21:33,440

sure something as far as uh

1940

01:21:38,390 --> 01:21:36,400

beyond as far as earthly comprehension

1941

01:21:39,590 --> 01:21:38,400

that we're going to have you know

1942

01:21:41,590 --> 01:21:39,600

something that

1943

01:21:43,830 --> 01:21:41,600

finally is going to prove the very

1944

01:21:44,790 --> 01:21:43,840

existence that we are not alone

1945

01:21:48,709 --> 01:21:44,800

so

1946

01:21:52,629 --> 01:21:48,719

we have that possibility with the slides

1947

01:21:55,189 --> 01:21:52,639

now i need to emphasize we we were never

1948

01:21:56,550 --> 01:21:55,199

allowed to take the slides in our

1949

01:21:58,790 --> 01:21:56,560

possession

1950

01:21:59,990 --> 01:21:58,800

to have them tested on our own to have

1951  
01:22:02,870 --> 01:22:00,000  
them

1952  
01:22:04,950 --> 01:22:02,880  
investigated researched we were only

1953  
01:22:06,709 --> 01:22:04,960  
provided scams

1954  
01:22:10,350 --> 01:22:06,719  
from the owners

1955  
01:22:12,470 --> 01:22:10,360  
and we were originally asked to sign

1956  
01:22:14,950 --> 01:22:12,480  
non-disclosure agreements with the

1957  
01:22:16,790 --> 01:22:14,960  
owners that we could not discuss them we

1958  
01:22:19,590 --> 01:22:16,800  
could not

1959  
01:22:23,189 --> 01:22:19,600  
provide any details any information to

1960  
01:22:26,229 --> 01:22:23,199  
anyone any of our colleagues before the

1961  
01:22:28,310 --> 01:22:26,239  
owners the possessors of the slides were

1962  
01:22:31,350 --> 01:22:28,320  
willing to go public okay

1963  
01:22:33,669 --> 01:22:31,360

so all of that as a background

1964

01:22:37,350 --> 01:22:33,679

we then

1965

01:22:39,350 --> 01:22:37,360

relied on as many anthropologists who we

1966

01:22:41,910 --> 01:22:39,360

could contact

1967

01:22:43,669 --> 01:22:41,920

and one by one they were describing to

1968

01:22:44,790 --> 01:22:43,679

us why

1969

01:22:47,270 --> 01:22:44,800

the body

1970

01:22:49,350 --> 01:22:47,280

in the slide was not human

1971

01:22:52,310 --> 01:22:49,360

that it didn't have the correct number

1972

01:22:54,790 --> 01:22:52,320

of ribs that it didn't have rotator

1973

01:22:56,790 --> 01:22:54,800

cuffs in the shoulders that the carpal

1974

01:22:59,430 --> 01:22:56,800

bones in the wrists

1975

01:23:02,149 --> 01:22:59,440

were different than human beings there

1976

01:23:04,790 --> 01:23:02,159

were that the joints were different

1977

01:23:07,669 --> 01:23:04,800

that the the size

1978

01:23:10,709 --> 01:23:07,679

uh in com relationship to the cranium

1979

01:23:13,830 --> 01:23:10,719

the skull was disproportionate to any

1980

01:23:15,830 --> 01:23:13,840

human being no no no not okay so we were

1981

01:23:18,790 --> 01:23:15,840

relying heavily

1982

01:23:22,950 --> 01:23:18,800

on again the scientists

1983

01:23:24,070 --> 01:23:22,960

to tell us why this was either one thing

1984

01:23:25,669 --> 01:23:24,080

or another

1985

01:23:27,830 --> 01:23:25,679

so then

1986

01:23:29,750 --> 01:23:27,840

obviously we were very concerned about

1987

01:23:35,110 --> 01:23:29,760

the placard

1988

01:23:38,310 --> 01:23:35,120

you know is decipherable it's readable

1989

01:23:41,270 --> 01:23:38,320

or it's not but if it is it's going to

1990

01:23:42,709 --> 01:23:41,280

tell us exactly what this body is what

1991

01:23:46,470 --> 01:23:42,719

we're dealing with

1992

01:23:49,189 --> 01:23:46,480

well we were provided with scans

1993

01:23:50,470 --> 01:23:49,199

of the placard and low resolution scans

1994

01:23:53,430 --> 01:23:50,480

i should add

1995

01:23:54,629 --> 01:23:53,440

very well resolution very low resolution

1996

01:23:56,229 --> 01:23:54,639

and

1997

01:23:58,470 --> 01:23:56,239

they were stretched

1998

01:24:01,510 --> 01:23:58,480

which we were not aware of

1999

01:24:02,709 --> 01:24:01,520

in fact it gave in the immediate

2000

01:24:05,189 --> 01:24:02,719

impression

2001

01:24:07,110 --> 01:24:05,199

that it was script

2002

01:24:08,390 --> 01:24:07,120

handwriting it was hand they were

2003

01:24:09,510 --> 01:24:08,400

handwritten

2004

01:24:10,310 --> 01:24:09,520

okay

2005

01:24:13,189 --> 01:24:10,320

so

2006

01:24:15,590 --> 01:24:13,199

there again we relied on the experts dr

2007

01:24:18,470 --> 01:24:15,600

david rudiak who has spent

2008

01:24:20,629 --> 01:24:18,480

more time on the rainy memo that telex

2009

01:24:23,910 --> 01:24:20,639

that general raymie is holding at the

2010

01:24:26,070 --> 01:24:23,920

balloon press conference rudiak has you

2011

01:24:27,270 --> 01:24:26,080

know spent

2012

01:24:30,390 --> 01:24:27,280

you know

2013

01:24:33,189 --> 01:24:30,400

20 years working on the raimi memo okay

2014

01:24:35,750 --> 01:24:33,199

so we he was our go-to person regarding

2015

01:24:39,110 --> 01:24:35,760

the placard we also went to dr donald

2016

01:24:41,830 --> 01:24:39,120

burleson who also has spent years

2017

01:24:44,550 --> 01:24:41,840

working on the ramy memo we also went to

2018

01:24:46,950 --> 01:24:44,560

studio macbeth which did all the 3d

2019

01:24:49,910 --> 01:24:46,960

imagery on the shroud of turban

2020

01:24:51,990 --> 01:24:49,920

we went to the pentagon and we went to a

2021

01:24:54,709 --> 01:24:52,000

specific colonel there who we have

2022

01:25:00,790 --> 01:24:54,719

worked with in the past and he had some

2023

01:25:00,800 --> 01:25:04,950

imagery and as far as

2024

01:25:09,830 --> 01:25:07,830

some of the flight control imagery where

2025

01:25:12,870 --> 01:25:09,840

they relied as far as on computer

2026

01:25:15,669 --> 01:25:12,880

enhancement imagery and so we were

2027

01:25:18,550 --> 01:25:15,679

looking again for their opinion as far

2028

01:25:20,790 --> 01:25:18,560

as on the placard uh we worked as far as

2029

01:25:23,110 --> 01:25:20,800

even overseas with the suburbs of

2030

01:25:25,590 --> 01:25:23,120

sources we had worked with that so the

2031

01:25:27,750 --> 01:25:25,600

point being stephen nobody was able to

2032

01:25:31,430 --> 01:25:27,760

read the placard didn't matter who

2033

01:25:34,390 --> 01:25:31,440

because the consensus was this is script

2034

01:25:37,110 --> 01:25:34,400

it's hand written there's just no way

2035

01:25:37,990 --> 01:25:37,120

that you're going to be able to decipher

2036

01:25:40,229 --> 01:25:38,000

hand

2037

01:25:42,470 --> 01:25:40,239

writing unless you know exactly who the

2038

01:25:44,709 --> 01:25:42,480

handwriting the handwriter was and if

2039

01:25:46,070 --> 01:25:44,719

you had more examples from that very

2040

01:25:47,350 --> 01:25:46,080

person okay

2041

01:25:49,830 --> 01:25:47,360

so

2042

01:25:52,709 --> 01:25:49,840

again we accepted the position the

2043

01:25:55,430 --> 01:25:52,719

unanimous position of all the scientists

2044

01:25:56,709 --> 01:25:55,440

all the experts that we had called on

2045

01:25:59,669 --> 01:25:56,719

well

2046

01:26:02,310 --> 01:25:59,679

mexico city and then we find out

2047

01:26:04,470 --> 01:26:02,320

well you guys weren't shown or you were

2048

01:26:05,750 --> 01:26:04,480

provided all the slides there was a

2049

01:26:08,550 --> 01:26:05,760

third slide

2050

01:26:10,470 --> 01:26:08,560

and it shows a museum setting a museum

2051  
01:26:13,110 --> 01:26:10,480  
background

2052  
01:26:14,470 --> 01:26:13,120  
and then you weren't shown the actual

2053  
01:26:18,470 --> 01:26:14,480  
placard

2054  
01:26:21,110 --> 01:26:18,480  
text

2055  
01:26:22,950 --> 01:26:21,120  
it's easily red

2056  
01:26:24,070 --> 01:26:22,960  
so we were

2057  
01:26:27,750 --> 01:26:24,080  
lied to

2058  
01:26:30,310 --> 01:26:27,760  
we were scammed from the beginning

2059  
01:26:31,990 --> 01:26:30,320  
and the people who owned the slides

2060  
01:26:36,550 --> 01:26:32,000  
received a

2061  
01:26:39,350 --> 01:26:36,560  
big a high amount of money

2062  
01:26:41,750 --> 01:26:39,360  
and it was never recovered

2063  
01:26:45,270 --> 01:26:41,760

so then that makes us

2064

01:26:48,629 --> 01:26:45,280

also question if the very people who

2065

01:26:52,229 --> 01:26:48,639

staged who put on the entire affair in

2066

01:26:54,470 --> 01:26:52,239

mexico city were also in on it

2067

01:26:56,550 --> 01:26:54,480

yeah absolutely and honestly when i

2068

01:26:58,709 --> 01:26:56,560

heard who was running that i had i had a

2069

01:27:00,950 --> 01:26:58,719

lot of skepticism right away

2070

01:27:02,550 --> 01:27:00,960

he uh and not mentioning his name

2071

01:27:04,310 --> 01:27:02,560

because it's not going to come back to

2072

01:27:07,590 --> 01:27:04,320

me that don why did you say that well

2073

01:27:10,310 --> 01:27:07,600

the point being okay then why did you

2074

01:27:13,270 --> 01:27:10,320

not go after the owners of the slides

2075

01:27:16,070 --> 01:27:13,280

and recover your losses your money i

2076

01:27:19,350 --> 01:27:16,080

mean you paid them tens of thousands of

2077

01:27:22,390 --> 01:27:19,360

dollars and after the fact you said well

2078

01:27:23,590 --> 01:27:22,400

i guess i just chuck it up to a law well

2079

01:27:24,629 --> 01:27:23,600

no no

2080

01:27:26,950 --> 01:27:24,639

if you

2081

01:27:29,350 --> 01:27:26,960

were just as much a victim as we were

2082

01:27:32,550 --> 01:27:29,360

then why didn't you sue them why didn't

2083

01:27:35,030 --> 01:27:32,560

you go after them so then we realized

2084

01:27:36,470 --> 01:27:35,040

that they were all in on it they were

2085

01:27:39,910 --> 01:27:36,480

all in on it

2086

01:27:44,229 --> 01:27:41,990

the whole event was pretty unfortunate

2087

01:27:46,149 --> 01:27:44,239

and it comes down to like a pay-per-view

2088

01:27:47,270 --> 01:27:46,159

event where they made a lot of money

2089

01:27:48,070 --> 01:27:47,280

everybody

2090

01:27:49,830 --> 01:27:48,080

you know

2091

01:27:52,390 --> 01:27:49,840

these these people that were running the

2092

01:27:55,110 --> 01:27:52,400

con made a great deal of money it's very

2093

01:27:57,270 --> 01:27:55,120

evident about that it's unfortunate but

2094

01:27:58,709 --> 01:27:57,280

that they made money awesome

2095

01:28:02,629 --> 01:27:58,719

they made a lot more money off of the

2096

01:28:04,709 --> 01:28:02,639

live stream we did not make a dime

2097

01:28:07,750 --> 01:28:04,719

i was owed money

2098

01:28:09,510 --> 01:28:07,760

from a previous

2099

01:28:12,310 --> 01:28:09,520

documentary

2100

01:28:13,510 --> 01:28:12,320

and a lecture i had lectured in mexico

2101

01:28:15,350 --> 01:28:13,520

city

2102

01:28:18,149 --> 01:28:15,360

and it was under the agreement that i

2103

01:28:20,310 --> 01:28:18,159

would be paid a specific honorarium

2104

01:28:23,270 --> 01:28:20,320

i was not paid

2105

01:28:25,510 --> 01:28:23,280

so i was paid in mexico city so i

2106

01:28:30,310 --> 01:28:25,520

recovered that portion of it this

2107

01:28:31,189 --> 01:28:30,320

documentary i mentioned they had agreed

2108

01:28:34,950 --> 01:28:31,199

that

2109

01:28:37,430 --> 01:28:34,960

if they could film an archaeological dig

2110

01:28:39,110 --> 01:28:37,440

it was the fourth one we had at the

2111

01:28:43,270 --> 01:28:39,120

debris field site

2112

01:28:46,470 --> 01:28:43,280

and because we funded it on our own

2113

01:28:50,070 --> 01:28:46,480

the same person agreed that he would pay

2114

01:28:51,990 --> 01:28:50,080

a portion of that project provided we

2115

01:28:55,110 --> 01:28:52,000

would allow them

2116

01:28:58,950 --> 01:28:55,120

an exclusive filming of the event which

2117

01:29:01,669 --> 01:28:58,960

i did and so i was also that was part i

2118

01:29:04,790 --> 01:29:01,679

was all the other part of the the pay

2119

01:29:06,070 --> 01:29:04,800

that i was provided for mexico city so i

2120

01:29:10,790 --> 01:29:06,080

broke even

2121

01:29:13,030 --> 01:29:10,800

i got my money that i was owed

2122

01:29:15,750 --> 01:29:13,040

and the point is they made a lot of

2123

01:29:18,390 --> 01:29:15,760

money off of the event for putting on

2124

01:29:20,950 --> 01:29:18,400

this carnival for putting on this circus

2125

01:29:23,510 --> 01:29:20,960

and perpetrating this hoax and ladies

2126  
01:29:24,950 --> 01:29:23,520  
and gentlemen i put out a public apology

2127  
01:29:26,870 --> 01:29:24,960  
it was a hoax

2128  
01:29:29,750 --> 01:29:26,880  
we did we performed due diligence

2129  
01:29:30,550 --> 01:29:29,760  
because we relied on the scientists who

2130  
01:29:40,470 --> 01:29:30,560  
were

2131  
01:29:42,470 --> 01:29:40,480  
or victims i should say of the same hoax

2132  
01:29:43,910 --> 01:29:42,480  
yeah it's unfortunate and i honestly i

2133  
01:29:45,430 --> 01:29:43,920  
think you got a really bad rap

2134  
01:29:47,110 --> 01:29:45,440  
considering all the incredible work that

2135  
01:29:48,950 --> 01:29:47,120  
you did and the fact that you're relying

2136  
01:29:51,910 --> 01:29:48,960  
on these experts that are saying hey

2137  
01:29:52,870 --> 01:29:51,920  
looks looks genuine or you know when i

2138  
01:30:00,149 --> 01:29:52,880

survived

2139

01:30:01,830 --> 01:30:00,159

put on a public apology and uh i i i

2140

01:30:03,830 --> 01:30:01,840

think i'm better for it

2141

01:30:08,149 --> 01:30:03,840

in that i'm more wary

2142

01:30:09,510 --> 01:30:08,159

i'm i realize that science is not the

2143

01:30:12,390 --> 01:30:09,520

last word

2144

01:30:15,350 --> 01:30:12,400

that i i'm much more skeptical of the

2145

01:30:17,510 --> 01:30:15,360

scientific community i think that's good

2146

01:30:21,350 --> 01:30:17,520

because i think there's a long track

2147

01:30:22,149 --> 01:30:21,360

record of scientists who have fallen

2148

01:30:24,229 --> 01:30:22,159

for

2149

01:30:26,629 --> 01:30:24,239

uh such um

2150

01:30:29,030 --> 01:30:26,639

efforts throughout history

2151  
01:30:32,870 --> 01:30:29,040  
and did not survive they did not recover

2152  
01:30:35,830 --> 01:30:32,880  
from it and i have i have i uh you know

2153  
01:30:39,910 --> 01:30:35,840  
our roswell work has continued

2154  
01:30:42,229 --> 01:30:39,920  
unabated and it's mainly because okay

2155  
01:30:43,830 --> 01:30:42,239  
you got us on that one but it's not

2156  
01:30:46,310 --> 01:30:43,840  
going to disqualify

2157  
01:30:47,189 --> 01:30:46,320  
all the witnesses all the death beds all

2158  
01:30:48,390 --> 01:30:47,199  
the

2159  
01:30:50,870 --> 01:30:48,400  
additional

2160  
01:30:53,110 --> 01:30:50,880  
research we have uh legitimately

2161  
01:30:55,350 --> 01:30:53,120  
conducted on on the subject

2162  
01:30:56,950 --> 01:30:55,360  
and um

2163  
01:31:00,709 --> 01:30:56,960

you know

2164

01:31:02,950 --> 01:31:00,719

i'm a survivor i'm a survivor and um and

2165

01:31:04,790 --> 01:31:02,960

you always win

2166

01:31:06,790 --> 01:31:04,800

well and i don't like to lose yeah i

2167

01:31:08,629 --> 01:31:06,800

think i think like i said when i saw

2168

01:31:11,350 --> 01:31:08,639

this whole thing happen i i listened to

2169

01:31:12,790 --> 01:31:11,360

a couple of uh you know i was following

2170

01:31:14,070 --> 01:31:12,800

it really closely and i listened to a

2171

01:31:15,990 --> 01:31:14,080

couple of things that you said and i

2172

01:31:18,310 --> 01:31:16,000

said well why is he to be in rap because

2173

01:31:20,629 --> 01:31:18,320

it he just it's not deserved it's really

2174

01:31:22,310 --> 01:31:20,639

not deserved so look

2175

01:31:23,990 --> 01:31:22,320

you're very kind stephen yeah i'm sorry

2176  
01:31:26,470 --> 01:31:24,000  
that you i'm sorry that you went through

2177  
01:31:28,070 --> 01:31:26,480  
that because oh that's it's really not

2178  
01:31:29,910 --> 01:31:28,080  
fair it's really not fair there's so

2179  
01:31:31,110 --> 01:31:29,920  
many people out there that are pushing

2180  
01:31:31,830 --> 01:31:31,120  
hoaxes

2181  
01:31:34,070 --> 01:31:31,840  
and

2182  
01:31:35,750 --> 01:31:34,080  
boy i could talk to you in so much

2183  
01:31:37,750 --> 01:31:35,760  
length about some stuff

2184  
01:31:39,750 --> 01:31:37,760  
and they know it's a hoax well you

2185  
01:31:41,510 --> 01:31:39,760  
mentioned they're told it's a hoax

2186  
01:31:43,830 --> 01:31:41,520  
that's proven it's a hoax they're still

2187  
01:31:45,830 --> 01:31:43,840  
out there selling it you you got you got

2188  
01:31:48,070 --> 01:31:45,840

kind of caught up in this thing a lot of

2189

01:31:48,950 --> 01:31:48,080

people did including richard dolan a few

2190

01:31:52,470 --> 01:31:48,960

others

2191

01:31:54,870 --> 01:31:52,480

very credible people and and i was very

2192

01:31:57,189 --> 01:31:54,880

respectful that you had the you know

2193

01:31:59,669 --> 01:31:57,199

that you said hey here's what happened

2194

01:32:01,910 --> 01:31:59,679

this is my explanation i apologize and

2195

01:32:03,669 --> 01:32:01,920

let's move on and i think that's great

2196

01:32:06,070 --> 01:32:03,679

that you could do that and that's that's

2197

01:32:07,830 --> 01:32:06,080

the way it should be

2198

01:32:10,550 --> 01:32:07,840

just a few other comments

2199

01:32:11,750 --> 01:32:10,560

no one is ever going to find anywhere in

2200

01:32:13,990 --> 01:32:11,760

print

2201  
01:32:14,950 --> 01:32:14,000  
or on tape

2202  
01:32:19,189 --> 01:32:14,960  
that

2203  
01:32:21,590 --> 01:32:19,199  
roswell

2204  
01:32:23,350 --> 01:32:21,600  
no one is going to find anywhere that i

2205  
01:32:27,030 --> 01:32:23,360  
made the claim that this was an alien

2206  
01:32:29,669 --> 01:32:27,040  
body no one is going to find anywhere

2207  
01:32:30,709 --> 01:32:29,679  
that i ever said that this was a smoking

2208  
01:32:33,910 --> 01:32:30,719  
gun

2209  
01:32:36,629 --> 01:32:33,920  
i kept i continually used the word if it

2210  
01:32:38,550 --> 01:32:36,639  
could be proven if it could be

2211  
01:32:42,229 --> 01:32:38,560  
established if

2212  
01:32:45,590 --> 01:32:42,239  
the entire providence of the slides

2213  
01:32:48,229 --> 01:32:45,600

could be finally determined then and

2214

01:32:51,189 --> 01:32:48,239

only then would i be willing to accept

2215

01:32:52,550 --> 01:32:51,199

that this was something extraordinary

2216

01:32:55,830 --> 01:32:52,560

i was very

2217

01:32:58,550 --> 01:32:55,840

cautious throughout in fact my partner

2218

01:33:01,590 --> 01:32:58,560

tom kerry could describe

2219

01:33:04,550 --> 01:33:01,600

in detail how in january before the may

2220

01:33:06,870 --> 01:33:04,560

event in mexico city i seriously talked

2221

01:33:08,470 --> 01:33:06,880

to him about bailing i was having more

2222

01:33:11,430 --> 01:33:08,480

and more doubts

2223

01:33:14,149 --> 01:33:11,440

because i felt we were not

2224

01:33:16,629 --> 01:33:14,159

being provided with accurate information

2225

01:33:19,430 --> 01:33:16,639

by the owners of the slides

2226  
01:33:22,470 --> 01:33:19,440  
and so uh he could also tell you that at

2227  
01:33:23,270 --> 01:33:22,480  
the very event itself if you were to go

2228  
01:33:26,629 --> 01:33:23,280  
back

2229  
01:33:29,189 --> 01:33:26,639  
and actually watch the presentation

2230  
01:33:31,350 --> 01:33:29,199  
of tom kerry and myself

2231  
01:33:33,510 --> 01:33:31,360  
he says almost i mean he puts on almost

2232  
01:33:35,350 --> 01:33:33,520  
the entire presentation

2233  
01:33:37,750 --> 01:33:35,360  
i say very little

2234  
01:33:39,350 --> 01:33:37,760  
because i'm standing there sick to my

2235  
01:33:41,830 --> 01:33:39,360  
stomach

2236  
01:33:43,510 --> 01:33:41,840  
and then the next day in jaime messiah

2237  
01:33:46,629 --> 01:33:43,520  
and i'll put it this way i was in his

2238  
01:33:47,669 --> 01:33:46,639

office the very next day and i demanded

2239

01:33:49,590 --> 01:33:47,679

to see

2240

01:33:51,030 --> 01:33:49,600

the third slide that we have never been

2241

01:33:52,790 --> 01:33:51,040

shown before

2242

01:33:55,510 --> 01:33:52,800

and he immediately asked

2243

01:33:56,870 --> 01:33:55,520

why do you need to see it

2244

01:33:59,830 --> 01:33:56,880

and i said

2245

01:34:02,229 --> 01:33:59,840

just show it to me

2246

01:34:05,270 --> 01:34:02,239

and i knew right there and then it was

2247

01:34:08,390 --> 01:34:05,280

it was over it was done we had

2248

01:34:09,910 --> 01:34:08,400

we had been lied to

2249

01:34:11,750 --> 01:34:09,920

yeah it's awful that that happened but

2250

01:34:13,990 --> 01:34:11,760

i'm glad that you're moving forward and

2251  
01:34:14,790 --> 01:34:14,000  
continuing with great research and great

2252  
01:34:19,189 --> 01:34:14,800  
work

2253  
01:34:20,629 --> 01:34:19,199  
this every day can you tell us can you

2254  
01:34:22,390 --> 01:34:20,639  
tell me what is it that you've been

2255  
01:34:23,990 --> 01:34:22,400  
working on lately because i don't think

2256  
01:34:25,750 --> 01:34:24,000  
that i've heard you talk about what's

2257  
01:34:27,830 --> 01:34:25,760  
been going on lately with you and what

2258  
01:34:29,830 --> 01:34:27,840  
is what is keeping you going and what

2259  
01:34:30,830 --> 01:34:29,840  
are you working on

2260  
01:34:33,750 --> 01:34:30,840  
there are

2261  
01:34:36,229 --> 01:34:33,760  
still high

2262  
01:34:37,990 --> 01:34:36,239  
hopes that

2263  
01:34:39,110 --> 01:34:38,000

there's a piece of physical evidence out

2264

01:34:41,350 --> 01:34:39,120

there

2265

01:34:44,070 --> 01:34:41,360

and i'm not talking about within

2266

01:34:47,270 --> 01:34:44,080

government possession

2267

01:34:48,709 --> 01:34:47,280

whether it be corporate or

2268

01:34:51,270 --> 01:34:48,719

privately

2269

01:34:52,550 --> 01:34:51,280

that there is still a piece of that holy

2270

01:34:55,430 --> 01:34:52,560

grail

2271

01:34:58,070 --> 01:34:55,440

that would again prove this overnight

2272

01:35:00,550 --> 01:34:58,080

so we are constantly working on

2273

01:35:03,990 --> 01:35:00,560

different leads within different

2274

01:35:07,350 --> 01:35:04,000

families who are originally involved and

2275

01:35:10,870 --> 01:35:07,360

we can't we we just keep you know

2276

01:35:13,510 --> 01:35:10,880

staying in contact we keep trying to you

2277

01:35:15,270 --> 01:35:13,520

know stir the pot every so often just to

2278

01:35:18,550 --> 01:35:15,280

get reactions

2279

01:35:19,430 --> 01:35:18,560

and see if we are correct

2280

01:35:28,709 --> 01:35:19,440

in

2281

01:35:31,669 --> 01:35:28,719

operation paperclip

2282

01:35:34,149 --> 01:35:31,679

involved all the the german scientists

2283

01:35:35,270 --> 01:35:34,159

that were brought over to the united

2284

01:35:37,510 --> 01:35:35,280

states

2285

01:35:40,149 --> 01:35:37,520

after world war ii

2286

01:35:44,149 --> 01:35:40,159

and we're finding more and more

2287

01:35:46,070 --> 01:35:44,159

of these specific individuals who were

2288

01:35:47,910 --> 01:35:46,080

brought in the roswell

2289

01:35:51,030 --> 01:35:47,920

to look at the

2290

01:35:51,990 --> 01:35:51,040

evidence to examine the wreckage

2291

01:35:54,149 --> 01:35:52,000

we

2292

01:35:56,390 --> 01:35:54,159

recount some of that in the current book

2293

01:35:58,950 --> 01:35:56,400

on right path and even since the book

2294

01:36:02,310 --> 01:35:58,960

has come out we're finding additional

2295

01:36:05,109 --> 01:36:02,320

family testimony who received deathbed

2296

01:36:08,470 --> 01:36:05,119

confirmation that yes

2297

01:36:12,070 --> 01:36:08,480

their fathers their grandfathers

2298

01:36:14,790 --> 01:36:12,080

conceded before passing that they were

2299

01:36:16,470 --> 01:36:14,800

brought over to roswell to examine the

2300

01:36:19,109 --> 01:36:16,480

wreckage

2301

01:36:22,149 --> 01:36:19,119

so we're we're finding a whole new angle

2302

01:36:23,030 --> 01:36:22,159

of involvement that they risk bringing

2303

01:36:26,790 --> 01:36:23,040

in

2304

01:36:30,310 --> 01:36:26,800

the nazi scientists to also take a look

2305

01:36:31,750 --> 01:36:30,320

at this wreckage at roswell in 1947 when

2306

01:36:32,950 --> 01:36:31,760

nobody was supposed to know they were

2307

01:36:34,629 --> 01:36:32,960

even here

2308

01:36:36,950 --> 01:36:34,639

that was just you know the one of the

2309

01:36:40,149 --> 01:36:36,960

ultimate secrets of all time the fact

2310

01:36:41,590 --> 01:36:40,159

that we took all those nazi german

2311

01:36:44,229 --> 01:36:41,600

scientists

2312

01:36:45,590 --> 01:36:44,239

and we brought them here i was i always

2313

01:36:47,350 --> 01:36:45,600

found this paper clip thing to be

2314

01:36:48,870 --> 01:36:47,360

extremely interesting especially because

2315

01:36:51,750 --> 01:36:48,880

they formed the backbone of what would

2316

01:36:53,510 --> 01:36:51,760

become nasa later first i

2317

01:36:54,310 --> 01:36:53,520

and we said you're going to work for us

2318

01:36:56,629 --> 01:36:54,320

now

2319

01:36:59,030 --> 01:36:56,639

exactly

2320

01:37:01,350 --> 01:36:59,040

past and forget about you being a nazi

2321

01:37:03,510 --> 01:37:01,360

we'll give you a new name in some cases

2322

01:37:07,270 --> 01:37:03,520

they did that and it was it's incredible

2323

01:37:10,070 --> 01:37:07,280

absolutely and now that we can also make

2324

01:37:12,310 --> 01:37:10,080

a roswell connection the paperclip and

2325

01:37:15,430 --> 01:37:12,320

it is again it isn't just speculation on

2326

01:37:17,030 --> 01:37:15,440

our part it's firsthand it's secondhand

2327

01:37:21,430 --> 01:37:17,040

it's from the very families who were

2328

01:37:23,910 --> 01:37:21,440

involved and so we're we're honing that

2329

01:37:25,750 --> 01:37:23,920

more and more as we continue to track

2330

01:37:26,790 --> 01:37:25,760

down more and more of those surviving

2331

01:37:27,910 --> 01:37:26,800

families

2332

01:37:29,990 --> 01:37:27,920

and

2333

01:37:32,390 --> 01:37:30,000

we still continue we still are in

2334

01:37:34,550 --> 01:37:32,400

contact with the very families

2335

01:37:37,030 --> 01:37:34,560

who were involved the reluctant

2336

01:37:40,390 --> 01:37:37,040

witnesses with the hope that

2337

01:37:42,950 --> 01:37:40,400

the the surviving spouses or the the

2338

01:37:43,910 --> 01:37:42,960

children the sons and daughters will

2339

01:37:52,070 --> 01:37:43,920

finally

2340

01:37:55,510 --> 01:37:52,080

and so

2341

01:37:58,229 --> 01:37:55,520

we keep again a short list and then us a

2342

01:37:59,990 --> 01:37:58,239

secondary list as we keep we continue to

2343

01:38:02,310 --> 01:38:00,000

target these people

2344

01:38:03,590 --> 01:38:02,320

and we keep we continue to get leads as

2345

01:38:04,550 --> 01:38:03,600

i mentioned at the beginning of the

2346

01:38:06,709 --> 01:38:04,560

program

2347

01:38:08,550 --> 01:38:06,719

that even today again we were working on

2348

01:38:11,910 --> 01:38:08,560

two new leads and we followed up with

2349

01:38:14,790 --> 01:38:11,920

phone calls and we acquired some

2350

01:38:16,470 --> 01:38:14,800

corroborative information of what we

2351

01:38:19,910 --> 01:38:16,480

really already knew

2352

01:38:23,109 --> 01:38:19,920

but it was further a verification on on

2353

01:38:26,149 --> 01:38:23,119

that piece of the puzzle so to speak

2354

01:38:28,950 --> 01:38:26,159

we we continue even uh working on some

2355

01:38:33,109 --> 01:38:28,960

freedom of information act requests not

2356

01:38:37,030 --> 01:38:33,119

specifically on roswell but when we have

2357

01:38:39,669 --> 01:38:37,040

a specific little tidbit of information

2358

01:38:42,870 --> 01:38:39,679

regarding some involvement with some

2359

01:38:47,030 --> 01:38:42,880

other project within the military

2360

01:38:49,669 --> 01:38:47,040

and if it helps us further verify that

2361

01:38:51,350 --> 01:38:49,679

said individual was

2362

01:38:53,510 --> 01:38:51,360

then involved

2363

01:38:54,950 --> 01:38:53,520

with that project and then vis-a-vis

2364

01:38:55,990 --> 01:38:54,960

then they would have been involved with

2365

01:38:59,109 --> 01:38:56,000

roswell

2366

01:39:00,629 --> 01:38:59,119

we can we can then draw that we can draw

2367

01:39:05,109 --> 01:39:00,639

the two together

2368

01:39:07,030 --> 01:39:05,119

so it you see how it again it involves

2369

01:39:09,109 --> 01:39:07,040

like i keep saying i use the analogy

2370

01:39:10,709 --> 01:39:09,119

it's like we're investigating a crime

2371

01:39:12,629 --> 01:39:10,719

minus a crime

2372

01:39:14,550 --> 01:39:12,639

that it's like we have this unsolved

2373

01:39:17,669 --> 01:39:14,560

this cold case

2374

01:39:19,669 --> 01:39:17,679

now over 70 years old and we're still

2375

01:39:22,550 --> 01:39:19,679

trying to solve it

2376

01:39:23,590 --> 01:39:22,560

it's still a fluid investigation in that

2377

01:39:25,830 --> 01:39:23,600

regard

2378

01:39:28,870 --> 01:39:25,840

as we discussed earlier but the

2379

01:39:32,310 --> 01:39:28,880

undertaker has just about taken away

2380

01:39:33,350 --> 01:39:32,320

every final first-hand source that we've

2381

01:39:35,990 --> 01:39:33,360

had

2382

01:39:37,590 --> 01:39:36,000

and i i can't tell you stephen how often

2383

01:39:40,470 --> 01:39:37,600

the frustration

2384

01:39:43,270 --> 01:39:40,480

when you finally track

2385

01:39:47,030 --> 01:39:43,280

down the whereabouts of someone

2386

01:39:49,350 --> 01:39:47,040

significant someone who was was truly or

2387

01:39:57,189 --> 01:39:49,360

most likely involved and you find out

2388

01:40:01,189 --> 01:39:59,189

or in one case we called up one

2389

01:40:02,790 --> 01:40:01,199

witnesses family

2390

01:40:04,709 --> 01:40:02,800

and they were just returning from the

2391

01:40:07,750 --> 01:40:04,719

funeral

2392

01:40:10,709 --> 01:40:07,760

so it's gone forever whatever

2393

01:40:12,790 --> 01:40:10,719

information they had and that's the just

2394

01:40:15,109 --> 01:40:12,800

the ultimate that's another thing that

2395

01:40:17,750 --> 01:40:15,119

most people have never experienced

2396

01:40:18,950 --> 01:40:17,760

when you lose someone

2397

01:40:23,109 --> 01:40:18,960

just

2398

01:40:26,790 --> 01:40:23,119

as far as at that stage in their lives

2399

01:40:29,189 --> 01:40:26,800

and to to then have to accept

2400

01:40:33,350 --> 01:40:29,199

it's gone forever

2401

01:40:35,510 --> 01:40:33,360

yeah i suppose unless they spoke to

2402

01:40:37,590 --> 01:40:35,520

their family you're right it's just gone

2403

01:40:40,070 --> 01:40:37,600

it's definitely gone and then it's a i

2404

01:40:41,030 --> 01:40:40,080

think it's a huge loss because each one

2405

01:40:43,109 --> 01:40:41,040

of those

2406

01:40:45,109 --> 01:40:43,119

pieces that puzzle could be

2407

01:40:49,750 --> 01:40:45,119

the final piece to put it all together

2408

01:40:55,510 --> 01:40:52,550

i guess uh you know i wanted to ask you

2409

01:40:58,950 --> 01:40:55,520

uh about where my listeners can buy your

2410

01:41:01,350 --> 01:40:58,960

books and where they can contact you

2411

01:41:04,149 --> 01:41:01,360

well i'll be happy to uh

2412

01:41:06,870 --> 01:41:04,159

give all that information first of all

2413

01:41:08,870 --> 01:41:06,880

certainly amazon books

2414

01:41:11,270 --> 01:41:08,880

certainly barnes and noble

2415

01:41:13,189 --> 01:41:11,280

any fine bookstores

2416

01:41:14,390 --> 01:41:13,199

throughout the country

2417

01:41:18,070 --> 01:41:14,400

and

2418

01:41:21,350 --> 01:41:18,080

our website is roswell investigator one

2419

01:41:23,830 --> 01:41:21,360

word roswell investigator dot com

2420

01:41:25,990 --> 01:41:23,840

and then i always i also recommend that

2421

01:41:27,830 --> 01:41:26,000

that you can also get our books

2422

01:41:31,669 --> 01:41:27,840

at the virtual store at the

2423

01:41:32,629 --> 01:41:31,679

international ufo museum and research

2424

01:41:35,350 --> 01:41:32,639

center

2425

01:41:38,790 --> 01:41:35,360

so our museum in roswell

2426

01:41:40,629 --> 01:41:38,800

which draws a quarter million people a

2427

01:41:44,470 --> 01:41:40,639

year

2428

01:41:46,310 --> 01:41:44,480

so another reason that even post roswell

2429

01:41:49,350 --> 01:41:46,320

and i don't call them roswell slides

2430

01:41:52,709 --> 01:41:49,360

that was another thing that we tried to

2431

01:41:54,870 --> 01:41:52,719

you know dip in the bud very early on

2432

01:41:57,109 --> 01:41:54,880

because it was the skeptics

2433

01:41:58,310 --> 01:41:57,119

who were quickly trying to create the

2434

01:42:01,030 --> 01:41:58,320

domain

2435

01:42:04,390 --> 01:42:01,040

of roswell slides to make sure that they

2436

01:42:07,590 --> 01:42:04,400

always had the the final word on the

2437

01:42:09,830 --> 01:42:07,600

situation uh roswell had nothing to do

2438

01:42:12,950 --> 01:42:09,840

with those slides and even

2439

01:42:16,629 --> 01:42:12,960

less than ever as far as just a final

2440

01:42:18,790 --> 01:42:16,639

caveat on that and the other thing

2441

01:42:20,310 --> 01:42:18,800

is if anybody wants to contact me

2442

01:42:24,790 --> 01:42:20,320

personally

2443

01:42:29,229 --> 01:42:24,800

my email is donald dot schmidt

2444

01:42:35,669 --> 01:42:32,950

att.net and i try to answer every email

2445

01:42:37,430 --> 01:42:35,679

every question i get

2446

01:42:39,109 --> 01:42:37,440

well i just want to take a moment to

2447

01:42:41,189 --> 01:42:39,119

thank you so much for taking the time to

2448

01:42:43,990 --> 01:42:41,199

talk to me you said you never lose you

2449

01:42:46,950 --> 01:42:44,000

don't like losing this is one time when

2450

01:42:48,390 --> 01:42:46,960

i truly hope you win

2451

01:42:50,709 --> 01:42:48,400

well it's

2452

01:42:53,189 --> 01:42:50,719

very much appreciated stephen let's do

2453

01:42:55,669 --> 01:42:53,199

it again sometime in the

2454

01:42:56,790 --> 01:42:55,679

future and i'll guarantee that

2455

01:42:59,189 --> 01:42:56,800

we'll have

2456

01:43:00,390 --> 01:42:59,199

more material more information more to

2457

01:43:03,910 --> 01:43:00,400

discuss

2458

01:43:07,189 --> 01:43:03,920

and as one final comment

2459

01:43:08,310 --> 01:43:07,199

it it's never mattered to me

2460

01:43:11,270 --> 01:43:08,320

being

2461

01:43:13,270 --> 01:43:11,280

the winner the ultimate winner because

2462

01:43:14,629 --> 01:43:13,280

no matter who wins

2463

01:43:17,109 --> 01:43:14,639

we all win

2464

01:43:19,510 --> 01:43:17,119

whoever wins this whoever succeeds and

2465

01:43:22,070 --> 01:43:19,520

follow and finally proving this we all

2466

01:43:24,629 --> 01:43:22,080

win i just want to be at the finish line

2467

01:43:27,990 --> 01:43:24,639

that's all i ask

2468

01:43:31,510 --> 01:43:28,000

well mr schmidt i for one hope that you

2469

01:43:33,590 --> 01:43:31,520

get there and i hope you win

2470

01:43:36,229 --> 01:43:33,600

you've done an incredible amount of work

2471

01:43:37,109 --> 01:43:36,239

into this case more than anyone that i

2472

01:43:38,629 --> 01:43:37,119

know

2473

01:43:40,470 --> 01:43:38,639

and i'm so thankful that you could be

2474

01:43:43,189 --> 01:43:40,480

here on our show and share your

2475

01:43:46,870 --> 01:43:43,199

tremendous knowledge and expertise into

2476

01:43:48,709 --> 01:43:46,880

this roswell mystery with me and my

2477

01:43:52,070 --> 01:43:48,719

listeners

2478

01:43:56,149 --> 01:43:52,080

and my friends i want to remind you that

2479

01:43:58,870 --> 01:43:56,159

there are so many ufo frauds hoaxers and

2480

01:44:01,270 --> 01:43:58,880

what i call ufo hucksters out there that

2481

01:44:02,310 --> 01:44:01,280

are selling fairy tales

2482

01:44:05,189 --> 01:44:02,320

and

2483

01:44:07,510 --> 01:44:05,199

it's important that we vote

2484

01:44:09,750 --> 01:44:07,520

right with our wallets

2485

01:44:11,910 --> 01:44:09,760

so if you want to support the work of a

2486

01:44:14,790 --> 01:44:11,920

tremendous researcher

2487

01:44:18,149 --> 01:44:14,800

like mr schmidt it's important that you

2488

01:44:19,350 --> 01:44:18,159

do support him by buying one or more of

2489

01:44:21,990 --> 01:44:19,360

his books

2490

01:44:24,709 --> 01:44:22,000

i have to say that i

2491

01:44:27,669 --> 01:44:24,719

generally try to remain neutral i don't

2492

01:44:28,470 --> 01:44:27,679

generally tell my listeners hey go buy

2493

01:44:30,709 --> 01:44:28,480

this

2494

01:44:32,629 --> 01:44:30,719

because i kind of feel like my i think i

2495

01:44:35,910 --> 01:44:32,639

want to let my listeners make up their

2496

01:44:38,149 --> 01:44:35,920

own mind about what to purchase or who

2497

01:44:41,189 --> 01:44:38,159

to support

2498

01:44:44,390 --> 01:44:41,199

in in this so-called ufo community

2499

01:44:47,109 --> 01:44:44,400

but in this case i will absolutely make

2500

01:44:48,390 --> 01:44:47,119

an exception because i have read all of

2501  
01:44:51,510 --> 01:44:48,400  
his books

2502  
01:44:54,310 --> 01:44:51,520  
i found them to be tremendously well

2503  
01:44:55,109 --> 01:44:54,320  
researched well presented

2504  
01:44:58,709 --> 01:44:55,119  
and

2505  
01:45:00,830 --> 01:44:58,719  
informative entertaining to read

2506  
01:45:03,830 --> 01:45:00,840  
every time i got one of his

2507  
01:45:06,310 --> 01:45:03,840  
books and began reading it

2508  
01:45:08,390 --> 01:45:06,320  
i literally could not put the book down

2509  
01:45:10,550 --> 01:45:08,400  
until i was finished

2510  
01:45:14,229 --> 01:45:10,560  
his books are page turners

2511  
01:45:16,629 --> 01:45:14,239  
you go through a true journey when you

2512  
01:45:19,430 --> 01:45:16,639  
read one of his books and it's one of

2513  
01:45:21,990 --> 01:45:19,440

those kinds of books where you can't

2514

01:45:24,629 --> 01:45:22,000

stop until you get to the end and that's

2515

01:45:26,310 --> 01:45:24,639

how i have felt every time i have read

2516

01:45:28,070 --> 01:45:26,320

one of his books

2517

01:45:31,109 --> 01:45:28,080

i'm hopeful that he's going to write 10

2518

01:45:33,830 --> 01:45:31,119

more because i so thoroughly enjoyed

2519

01:45:35,830 --> 01:45:33,840

every book of his that i have gotten

2520

01:45:38,229 --> 01:45:35,840

so i want to encourage you

2521

01:45:41,109 --> 01:45:38,239

please do support my guests

2522

01:45:43,590 --> 01:45:41,119

and you know help them to continue their

2523

01:45:48,629 --> 01:45:46,550

as far as roswell

2524

01:45:52,229 --> 01:45:48,639

roswell will continue to be

2525

01:45:55,030 --> 01:45:52,239

a subject that i follow with interest

2526

01:45:58,229 --> 01:45:55,040

i have followed this

2527

01:46:00,229 --> 01:45:58,239

for literally decades when i first heard

2528

01:46:02,070 --> 01:46:00,239

about it

2529

01:46:04,709 --> 01:46:02,080

i gotta be honest i was somewhat

2530

01:46:06,390 --> 01:46:04,719

skeptical sounds like a great story an

2531

01:46:09,430 --> 01:46:06,400

alien may have crashed landed and the

2532

01:46:12,229 --> 01:46:09,440

government covered it up

2533

01:46:14,870 --> 01:46:12,239

and in many stories involving ufos and

2534

01:46:17,149 --> 01:46:14,880

aliens

2535

01:46:19,590 --> 01:46:17,159

the deeper you dig the more

2536

01:46:22,229 --> 01:46:19,600

inconsistencies you find the more fraud

2537

01:46:23,910 --> 01:46:22,239

you find the more fakery or hoaxery you

2538

01:46:26,390 --> 01:46:23,920

find

2539

01:46:29,270 --> 01:46:26,400

but this is the one case that for

2540

01:46:32,550 --> 01:46:29,280

you know over i don't know 70 years now

2541

01:46:33,830 --> 01:46:32,560

has stood up to scrutiny and has

2542

01:46:36,390 --> 01:46:33,840

continued

2543

01:46:40,790 --> 01:46:38,149

excite people

2544

01:46:42,790 --> 01:46:40,800

about the possibility that this case is

2545

01:46:45,189 --> 01:46:42,800

absolutely genuine

2546

01:46:48,149 --> 01:46:45,199

that these witnesses are all telling the

2547

01:46:49,350 --> 01:46:48,159

truth and there's so many witnesses my

2548

01:46:50,870 --> 01:46:49,360

friends

2549

01:46:53,510 --> 01:46:50,880

go through

2550

01:46:55,590 --> 01:46:53,520

some of my guests tonight's books

2551  
01:46:58,629 --> 01:46:55,600  
and he names them

2552  
01:47:00,629 --> 01:46:58,639  
and tells their stories with them or for

2553  
01:47:02,390 --> 01:47:00,639  
them

2554  
01:47:03,990 --> 01:47:02,400  
and when those cases

2555  
01:47:05,990 --> 01:47:04,000  
and those witnesses

2556  
01:47:08,870 --> 01:47:06,000  
you know when the when the witnesses

2557  
01:47:11,430 --> 01:47:08,880  
start to accumulate so much

2558  
01:47:15,270 --> 01:47:11,440  
and you continue to hear story after

2559  
01:47:17,990 --> 01:47:15,280  
story after story about it

2560  
01:47:18,950 --> 01:47:18,000  
it's it's truly an incredible

2561  
01:47:21,030 --> 01:47:18,960  
journey

2562  
01:47:22,709 --> 01:47:21,040  
to look into this thing

2563  
01:47:25,350 --> 01:47:22,719

and it has been sort of a guilty

2564

01:47:29,189 --> 01:47:25,360

pleasure of mine to continue to look

2565

01:47:35,430 --> 01:47:32,790

now along the way of roswell we have had

2566

01:47:37,750 --> 01:47:35,440

several people who tried to profit by

2567

01:47:40,149 --> 01:47:37,760

attaching their name

2568

01:47:42,870 --> 01:47:40,159

to the roswell incident or attaching

2569

01:47:43,669 --> 01:47:42,880

their book to the roswell incident or

2570

01:47:45,350 --> 01:47:43,679

their

2571

01:47:46,629 --> 01:47:45,360

film

2572

01:47:48,870 --> 01:47:46,639

i mean

2573

01:47:51,109 --> 01:47:48,880

what quickly comes to mind is the three

2574

01:47:53,750 --> 01:47:51,119

major of them which was the alien

2575

01:47:57,030 --> 01:47:53,760

autopsy hoax

2576

01:47:59,750 --> 01:47:57,040

these people faked a fake alien autopsy

2577

01:48:01,910 --> 01:47:59,760

claimed that it was the autopsy of one

2578

01:48:03,350 --> 01:48:01,920

of the alien bodies recovered from

2579

01:48:05,189 --> 01:48:03,360

roswell

2580

01:48:06,390 --> 01:48:05,199

and it's amazing that since they

2581

01:48:09,270 --> 01:48:06,400

attached

2582

01:48:11,750 --> 01:48:09,280

their fakery to a true event

2583

01:48:13,590 --> 01:48:11,760

you know people believed it

2584

01:48:15,669 --> 01:48:13,600

and i gotta tell you that sadly some

2585

01:48:18,229 --> 01:48:15,679

people still believe in this alien

2586

01:48:19,590 --> 01:48:18,239

autopsy hoax it's beginning to make the

2587

01:48:22,709 --> 01:48:19,600

rounds again

2588

01:48:24,870 --> 01:48:22,719

and now new claims are being made

2589

01:48:26,950 --> 01:48:24,880

and you know there's these wilson

2590

01:48:28,790 --> 01:48:26,960

documents that people say see

2591

01:48:30,950 --> 01:48:28,800

these wilson documents they prove that

2592

01:48:33,189 --> 01:48:30,960

alien autopsy was real

2593

01:48:35,350 --> 01:48:33,199

no they don't prove that but you know

2594

01:48:37,350 --> 01:48:35,360

let people try to sell you fairy tales

2595

01:48:39,990 --> 01:48:37,360

if you wish

2596

01:48:43,270 --> 01:48:40,000

so we had the alien autopsy hoax

2597

01:48:45,510 --> 01:48:43,280

attached itself to roswell became hugely

2598

01:48:48,229 --> 01:48:45,520

popular and the perpetrators of that

2599

01:48:50,310 --> 01:48:48,239

hoax literally made millions of dollars

2600

01:48:53,590 --> 01:48:50,320

on it

2601  
01:48:56,310 --> 01:48:53,600  
next we have jaime massan who i am

2602  
01:48:59,990 --> 01:48:56,320  
always incredibly suspect of jaime

2603  
01:49:03,830 --> 01:49:00,000  
massan is a mexican ufo researcher who

2604  
01:49:04,790 --> 01:49:03,840  
has a show on ufos in the paranormal

2605  
01:49:06,870 --> 01:49:04,800  
and

2606  
01:49:09,750 --> 01:49:06,880  
you know i've never met him i don't know

2607  
01:49:12,070 --> 01:49:09,760  
him but what i can say about him is that

2608  
01:49:15,430 --> 01:49:12,080  
he has been involved in many different

2609  
01:49:17,270 --> 01:49:15,440  
hoaxes there was uh these fake bodies

2610  
01:49:18,950 --> 01:49:17,280  
that were supposed to be fairies or

2611  
01:49:21,990 --> 01:49:18,960  
something like that

2612  
01:49:24,229 --> 01:49:22,000  
la marzulli was involved with that and

2613  
01:49:26,070 --> 01:49:24,239

and to his credit la marzulli

2614

01:49:28,070 --> 01:49:26,080

investigated those things and quickly

2615

01:49:30,310 --> 01:49:28,080

found out no these are fakes these are

2616

01:49:31,430 --> 01:49:30,320

carnival sideshow

2617

01:49:33,669 --> 01:49:31,440

gimmicks

2618

01:49:37,270 --> 01:49:33,679

that were made to appear real but

2619

01:49:42,870 --> 01:49:39,270

jaime messing was also involved in

2620

01:49:45,830 --> 01:49:42,880

another hoax where a marmoset monkey was

2621

01:49:48,629 --> 01:49:45,840

mummified and claimed to be an alien

2622

01:49:51,510 --> 01:49:48,639

being that someone recovered

2623

01:49:54,390 --> 01:49:51,520

that was proven to be a hoax and a fraud

2624

01:49:57,109 --> 01:49:54,400

and jaime's son was involved in that

2625

01:49:58,629 --> 01:49:57,119

and most recently jaime massan has been

2626

01:50:00,629 --> 01:49:58,639

involved in this

2627

01:50:03,510 --> 01:50:00,639

ufo

2628

01:50:05,030 --> 01:50:03,520

hoax involving the so-called roswell

2629

01:50:07,830 --> 01:50:05,040

slides

2630

01:50:09,910 --> 01:50:07,840

i forgot during my show and interview

2631

01:50:13,910 --> 01:50:09,920

with mr schmidt that some people may not

2632

01:50:15,669 --> 01:50:13,920

be familiar with the roswell slides

2633

01:50:19,109 --> 01:50:15,679

these were a couple of slides that

2634

01:50:21,189 --> 01:50:19,119

someone was trying to say were

2635

01:50:22,229 --> 01:50:21,199

pictures or slides

2636

01:50:26,149 --> 01:50:22,239

from

2637

01:50:28,950 --> 01:50:26,159

pictures taken someplace of a roswell

2638

01:50:31,430 --> 01:50:28,960

body on display

2639

01:50:33,750 --> 01:50:31,440

as soon as i heard that jaime massan was

2640

01:50:36,470 --> 01:50:33,760

involved in these roswell slides i

2641

01:50:39,510 --> 01:50:36,480

quickly was skeptical

2642

01:50:42,310 --> 01:50:39,520

but then he got some very credible ufo

2643

01:50:48,629 --> 01:50:42,320

researchers like don schmidt and

2644

01:50:53,669 --> 01:50:51,109

the slides turned out to be fake

2645

01:50:55,430 --> 01:50:53,679

the slides turned out to be nothing more

2646

01:50:57,589 --> 01:50:55,440

than

2647

01:51:00,070 --> 01:50:57,599

a picture of a

2648

01:51:01,350 --> 01:51:00,080

skeleton or mummified skeleton on

2649

01:51:04,470 --> 01:51:01,360

display

2650

01:51:06,790 --> 01:51:04,480

in some museum somewhere

2651  
01:51:09,510 --> 01:51:06,800  
they had nothing to do with aliens and

2652  
01:51:11,750 --> 01:51:09,520  
certainly had nothing to do with roswell

2653  
01:51:14,470 --> 01:51:11,760  
but that did not stop jaime massan and

2654  
01:51:15,830 --> 01:51:14,480  
the perpetrators of this hoax from

2655  
01:51:18,470 --> 01:51:15,840  
creating

2656  
01:51:21,510 --> 01:51:18,480  
a very lucrative pay-per-view streaming

2657  
01:51:22,629 --> 01:51:21,520  
event where they would show these slides

2658  
01:51:26,950 --> 01:51:22,639  
and

2659  
01:51:30,629 --> 01:51:26,960  
talk about all the evidence that this

2660  
01:51:32,790 --> 01:51:30,639  
was an alien body recovered from roswell

2661  
01:51:34,790 --> 01:51:32,800  
complete and total fraud complete and

2662  
01:51:36,870 --> 01:51:34,800  
total hoax

2663  
01:51:39,830 --> 01:51:36,880

next we have annie jacobson who comes

2664

01:51:42,390 --> 01:51:39,840

out with a book about area 51

2665

01:51:45,030 --> 01:51:42,400

and in one section of the book she lays

2666

01:51:46,070 --> 01:51:45,040

out this ridiculous theory

2667

01:51:48,229 --> 01:51:46,080

that

2668

01:51:50,149 --> 01:51:48,239

the roswell crash was actually

2669

01:51:51,830 --> 01:51:50,159

perpetrated by

2670

01:51:54,550 --> 01:51:51,840

the russians

2671

01:51:56,070 --> 01:51:54,560

working with dr joseph mengele to fake

2672

01:51:58,310 --> 01:51:56,080

alien bodies

2673

01:52:01,270 --> 01:51:58,320

and make it crash lands so that we would

2674

01:52:02,790 --> 01:52:01,280

panic that aliens were invading us

2675

01:52:04,550 --> 01:52:02,800

came from one

2676

01:52:05,990 --> 01:52:04,560

ridiculous source that has since

2677

01:52:08,310 --> 01:52:06,000

recanted his

2678

01:52:09,990 --> 01:52:08,320

stories and said he was just trying to

2679

01:52:12,629 --> 01:52:10,000

help her sell books

2680

01:52:15,030 --> 01:52:12,639

my point here friends is do not support

2681

01:52:17,990 --> 01:52:15,040

those people out there selling roswell

2682

01:52:21,910 --> 01:52:18,000

fairy tales support the real researchers

2683

01:52:24,790 --> 01:52:21,920

like my guest tonight don schmidt

2684

01:52:27,350 --> 01:52:24,800

well my friends i can see

2685

01:52:30,310 --> 01:52:27,360

that our time is once again running

2686

01:52:32,709 --> 01:52:30,320

short here on the midnight hour show i

2687

01:52:35,669 --> 01:52:32,719

want to thank you for joining us for

2688

01:52:37,990 --> 01:52:35,679

this incredible mystery tonight

2689

01:52:40,550 --> 01:52:38,000

i'm stephen cambion also known as the

2690

01:52:44,070 --> 01:52:40,560

mystery man reminding you that it's not

2691

01:54:14,310 --> 01:52:44,080

my job to expose the fakes in due time

2692

01:54:14,320 --> 01:54:37,980

so
