

# Truth Seekers

**Añjali**

**PUSHES "WITNESSES"  
TO PLAY ALONG WITH  
HER ALIEN FANTASIES!**

1  
00:00:02,710 --> 00:00:01,189  
how's that

2  
00:00:04,070 --> 00:00:02,720  
yay

3  
00:00:05,829 --> 00:00:04,080  
hi

4  
00:00:08,629 --> 00:00:05,839  
how are you doing

5  
00:00:10,230 --> 00:00:08,639  
i'm doing very well how are you guys oh

6  
00:00:11,270 --> 00:00:10,240  
you know busy

7  
00:00:13,030 --> 00:00:11,280  
okay

8  
00:00:15,509 --> 00:00:13,040  
yeah i can see you

9  
00:00:16,470 --> 00:00:15,519  
great brian

10  
00:00:19,029 --> 00:00:16,480  
what's up

11  
00:00:21,670 --> 00:00:19,039  
you the last time that that i saw you

12  
00:00:24,150 --> 00:00:21,680  
you were you were still struggling with

13  
00:00:26,150 --> 00:00:24,160

lymphoma i believe it was lymphoma yeah

14

00:00:28,950 --> 00:00:26,160

i'm still fighting i'm still fighting

15

00:00:31,429 --> 00:00:28,960

i'm at about a stage one now

16

00:00:32,870 --> 00:00:31,439

okay so still going eight years in now

17

00:00:34,870 --> 00:00:32,880

eight years in and

18

00:00:37,030 --> 00:00:34,880

i got a couple more years of treatment

19

00:00:39,030 --> 00:00:37,040

that i know of right now

20

00:00:40,709 --> 00:00:39,040

yeah i'm feeling good i'm back to work

21

00:00:43,350 --> 00:00:40,719

i'm i mean you know i'm healthy enough

22

00:00:46,150 --> 00:00:43,360

to work thanks to my beautiful healer

23

00:00:51,189 --> 00:00:48,630

you know you know she does it all

24

00:00:53,189 --> 00:00:51,199

it's amazing wow

25

00:00:55,670 --> 00:00:53,199

well thank goodness

26

00:00:59,349 --> 00:00:55,680

so uh what are you doing i you know what

27

00:01:00,069 --> 00:00:59,359

i'm i'm doing okay um

28

00:01:01,670 --> 00:01:00,079

i'm

29

00:01:03,430 --> 00:01:01,680

busy right now

30

00:01:06,550 --> 00:01:03,440

um

31

00:01:08,070 --> 00:01:06,560

my health is a lot better than it was

32

00:01:10,789 --> 00:01:08,080

the last time

33

00:01:12,710 --> 00:01:10,799

i saw you um

34

00:01:14,230 --> 00:01:12,720

and

35

00:01:15,429 --> 00:01:14,240

uh

36

00:01:17,190 --> 00:01:15,439

yeah

37

00:01:18,789 --> 00:01:17,200

you know i have a lot of good energy

38

00:01:19,749 --> 00:01:18,799

coming at me from

39

00:01:22,469 --> 00:01:19,759

a lot of

40

00:01:24,870 --> 00:01:22,479

different directions and i just don't

41

00:01:26,390 --> 00:01:24,880

have anything to complain about

42

00:01:28,469 --> 00:01:26,400

okay that's a good thing

43

00:01:29,590 --> 00:01:28,479

that's right that's right so hold on

44

00:01:32,789 --> 00:01:29,600

just a moment

45

00:01:34,870 --> 00:01:32,799

hey no problem that's wonderful

46

00:01:38,230 --> 00:01:34,880

well you look good and you look happy

47

00:01:40,789 --> 00:01:38,240

oh thank you thank you how are you doing

48

00:01:45,429 --> 00:01:40,799

you look like you're being productive

49

00:01:48,310 --> 00:01:45,439

um well uh i have i haven't worked um

50

00:01:50,469 --> 00:01:48,320

sometimes i still have problems with

51  
00:01:52,789 --> 00:01:50,479  
walking and i you know can end up in the

52  
00:01:55,990 --> 00:01:52,799  
wheelchair um i have chronic fatigue

53  
00:01:57,590 --> 00:01:56,000  
syndrome and some uh some genetic

54  
00:02:00,709 --> 00:01:57,600  
actually um

55  
00:02:03,109 --> 00:02:00,719  
mutations that um are kind of

56  
00:02:04,870 --> 00:02:03,119  
interesting that that affect me

57  
00:02:06,630 --> 00:02:04,880  
unfortunately

58  
00:02:09,669 --> 00:02:06,640  
and so um

59  
00:02:13,110 --> 00:02:09,679  
yeah it's okay because

60  
00:02:14,949 --> 00:02:13,120  
everything happens for a reason and

61  
00:02:16,470 --> 00:02:14,959  
um

62  
00:02:24,949 --> 00:02:16,480  
i

63  
00:02:27,830 --> 00:02:24,959

to be

64

00:02:30,390 --> 00:02:27,840

that i probably wouldn't have

65

00:02:31,990 --> 00:02:30,400

the time or focus to slow down and do

66

00:02:34,470 --> 00:02:32,000

what i'm doing now

67

00:02:37,750 --> 00:02:34,480

uh that requires a lot less of my

68

00:02:41,030 --> 00:02:37,760

physical energy and um more of my

69

00:02:43,750 --> 00:02:41,040

conscious energy you know so

70

00:02:48,309 --> 00:02:45,589

in that way it's a real blessing you

71

00:02:49,190 --> 00:02:48,319

know that i that i get to

72

00:02:52,790 --> 00:02:49,200

uh

73

00:02:59,190 --> 00:02:52,800

have so much time on my hands to

74

00:03:03,670 --> 00:03:01,270

that's that's what that's what we're

75

00:03:04,949 --> 00:03:03,680

about to talk about okay

76

00:03:06,710 --> 00:03:04,959

so

77

00:03:11,430 --> 00:03:06,720

do you remember

78

00:03:12,949 --> 00:03:11,440

over

79

00:03:14,229 --> 00:03:12,959

why you had me

80

00:03:15,910 --> 00:03:14,239

to the house

81

00:03:16,869 --> 00:03:15,920

was it because of the aliens on the

82

00:03:19,430 --> 00:03:16,879

mountain

83

00:03:21,990 --> 00:03:19,440

yes okay

84

00:03:23,990 --> 00:03:22,000

do you remember i was pretty i was i

85

00:03:25,030 --> 00:03:24,000

have to admit just interject here i was

86

00:03:26,309 --> 00:03:25,040

pretty

87

00:03:29,110 --> 00:03:26,319

we're drunk

88

00:03:31,589 --> 00:03:29,120

yeah we're all over my memory is really

89

00:03:33,910 --> 00:03:31,599

fuzzy and i know i fell asleep in the

90

00:03:35,670 --> 00:03:33,920

living room

91

00:03:37,350 --> 00:03:35,680

no this all started when we were at the

92

00:03:39,030 --> 00:03:37,360

coffee shop right

93

00:03:40,149 --> 00:03:39,040

the conversation started at the coffee

94

00:03:41,990 --> 00:03:40,159

shop

95

00:03:42,710 --> 00:03:42,000

that's right and that's why she came

96

00:03:45,030 --> 00:03:42,720

over

97

00:03:47,750 --> 00:03:45,040

it was for the energy okay so tell me

98

00:03:49,430 --> 00:03:47,760

about it tell me about that

99

00:03:51,990 --> 00:03:49,440

so

100

00:03:53,429 --> 00:03:52,000

what happened

101  
00:03:55,350 --> 00:03:53,439  
is

102  
00:03:57,030 --> 00:03:55,360  
you and i

103  
00:04:00,710 --> 00:03:57,040  
mostly uh

104  
00:04:06,550 --> 00:04:02,630  
hold on i just want to get i want to get

105  
00:04:11,589 --> 00:04:09,110  
you brian were telling me

106  
00:04:14,789 --> 00:04:11,599  
why i was sick

107  
00:04:17,189 --> 00:04:14,799  
and some of the things that you said

108  
00:04:19,349 --> 00:04:17,199  
resonated with me with an experience

109  
00:04:22,069 --> 00:04:19,359  
that i had had recently

110  
00:04:22,950 --> 00:04:22,079  
and so it really caught my attention

111  
00:04:24,550 --> 00:04:22,960  
and

112  
00:04:27,430 --> 00:04:24,560  
um

113  
00:04:28,390 --> 00:04:27,440

so we got involved in a pretty in-depth

114

00:04:29,909 --> 00:04:28,400  
conversation

115

00:04:30,790 --> 00:04:29,919  
about how

116

00:04:36,950 --> 00:04:30,800  
our

117

00:04:40,150 --> 00:04:36,960  
can essentially

118

00:04:42,310 --> 00:04:40,160  
infect us and make us sick and you know

119

00:04:43,909 --> 00:04:42,320  
we get that body burden of the things

120

00:04:47,350 --> 00:04:43,919  
that that we've energetically

121

00:04:49,270 --> 00:04:47,360  
experienced in the world and

122

00:04:52,150 --> 00:04:49,280  
and um

123

00:04:53,510 --> 00:04:52,160  
and out of the blue in that conversation

124

00:04:54,790 --> 00:04:53,520  
you asked me

125

00:04:57,830 --> 00:04:54,800  
um

126  
00:05:00,070 --> 00:04:57,840  
what do you think of aliens

127  
00:05:01,350 --> 00:05:00,080  
and i said what do i think of them you

128  
00:05:04,710 --> 00:05:01,360  
know

129  
00:05:06,310 --> 00:05:04,720  
and

130  
00:05:08,830 --> 00:05:06,320  
you said well would you like to meet

131  
00:05:12,790 --> 00:05:11,670  
and i

132  
00:05:15,510 --> 00:05:12,800  
said well

133  
00:05:17,749 --> 00:05:15,520  
what are you talking about

134  
00:05:20,870 --> 00:05:17,759  
and so you said well you know i told you

135  
00:05:24,070 --> 00:05:20,880  
i own this construction company well i

136  
00:05:28,629 --> 00:05:24,080  
you said that you excavated a tunnel

137  
00:05:32,310 --> 00:05:30,629  
and that this tunnel was on your

138  
00:05:34,550 --> 00:05:32,320

property

139

00:05:36,950 --> 00:05:34,560

and that when you

140

00:05:39,590 --> 00:05:36,960

when you tunneled in

141

00:05:41,029 --> 00:05:39,600

you at one point you made a turn in the

142

00:05:42,710 --> 00:05:41,039

tunnel

143

00:05:43,990 --> 00:05:42,720

and um

144

00:05:45,830 --> 00:05:44,000

found

145

00:05:48,070 --> 00:05:45,840

the base

146

00:05:50,390 --> 00:05:48,080

of the aliens that you had met on top of

147

00:05:53,670 --> 00:05:50,400

the mountain i remember i don't remember

148

00:05:55,430 --> 00:05:53,680

telling you that yeah i know it's okay

149

00:06:00,870 --> 00:05:55,440

it's okay

150

00:06:00,880 --> 00:06:04,830

you will okay

151  
00:06:10,550 --> 00:06:09,189  
so you asked me if i wanted to meet them

152  
00:06:12,870 --> 00:06:10,560  
and i said

153  
00:06:13,749 --> 00:06:12,880  
of course i want to meet them you know

154  
00:06:15,830 --> 00:06:13,759  
so

155  
00:06:17,909 --> 00:06:15,840  
i sent a text out to my daughter you

156  
00:06:19,270 --> 00:06:17,919  
guys gave me your contact information

157  
00:06:22,230 --> 00:06:19,280  
and you gave me

158  
00:06:25,830 --> 00:06:22,240  
i i asked for your names

159  
00:06:28,710 --> 00:06:25,840  
and your address and your phone number

160  
00:06:30,309 --> 00:06:28,720  
because here i was about to go into a

161  
00:06:31,830 --> 00:06:30,319  
supposedly go into

162  
00:06:34,390 --> 00:06:31,840  
a tunnel

163  
00:06:36,469 --> 00:06:34,400

that people that i had just met

164

00:06:37,830 --> 00:06:36,479

were saying would lead to some aliens

165

00:06:39,990 --> 00:06:37,840

and i thought well this is either going

166

00:06:43,029 --> 00:06:40,000

to be the best day of my life or it

167

00:06:43,909 --> 00:06:43,039

could be the final day of my life

168

00:06:47,029 --> 00:06:43,919

and

169

00:06:49,670 --> 00:06:47,039

a good way to know is to ask you for all

170

00:06:52,390 --> 00:06:49,680

of that information and you guys just

171

00:06:53,430 --> 00:06:52,400

gave it all to me and so

172

00:07:02,390 --> 00:06:53,440

i

173

00:07:05,110 --> 00:07:02,400

and why

174

00:07:08,309 --> 00:07:05,830

so

175

00:07:10,629 --> 00:07:08,319

as we were about to leave the coffee

176

00:07:11,830 --> 00:07:10,639

shop another couple came in

177

00:07:14,790 --> 00:07:11,840

that you knew

178

00:07:18,550 --> 00:07:14,800

um a younger couple black hair both of

179

00:07:20,070 --> 00:07:18,560

them um he's they're both very thin

180

00:07:21,510 --> 00:07:20,080

she's very pretty

181

00:07:24,230 --> 00:07:21,520

um

182

00:07:25,430 --> 00:07:24,240

yeah strolling and lorenzo

183

00:07:27,270 --> 00:07:25,440

i'm sorry

184

00:07:29,830 --> 00:07:27,280

joellen and lorenzo

185

00:07:31,909 --> 00:07:29,840

okay all i've never remembered what

186

00:07:33,990 --> 00:07:31,919

their names were okay

187

00:07:35,589 --> 00:07:34,000

yes okay

188

00:07:37,990 --> 00:07:35,599

and

189

00:07:40,390 --> 00:07:38,000

you said

190

00:07:43,350 --> 00:07:40,400

when they said hey where you guys going

191

00:07:46,390 --> 00:07:43,360

brian you said

192

00:07:49,110 --> 00:07:46,400

she wants to meet the aliens

193

00:07:51,430 --> 00:07:49,120

do you guys want to come and he said

194

00:07:53,189 --> 00:07:51,440

yeah oh yeah yeah we'll come like it was

195

00:07:56,710 --> 00:07:53,199

the most normal thing

196

00:07:58,790 --> 00:07:56,720

that anybody has ever done

197

00:08:00,950 --> 00:07:58,800

and so

198

00:08:02,550 --> 00:08:00,960

i'm like this this is really you know

199

00:08:03,430 --> 00:08:02,560

getting really interesting so we go to

200

00:08:07,110 --> 00:08:03,440

your home

201

00:08:10,230 --> 00:08:07,120

um lorenzo and jolin were they

202

00:08:13,029 --> 00:08:10,240

they were they came a little bit later i

203

00:08:15,589 --> 00:08:13,039

don't know why but i followed you guys

204

00:08:16,550 --> 00:08:15,599

up and we were up there maybe 10 15

205

00:08:19,510 --> 00:08:16,560

minutes

206

00:08:21,589 --> 00:08:19,520

not very long um

207

00:08:23,270 --> 00:08:21,599

just the three of us waiting for them to

208

00:08:25,350 --> 00:08:23,280

come up

209

00:08:26,869 --> 00:08:25,360

hold on i need to drink some more water

210

00:08:28,950 --> 00:08:26,879

no problem

211

00:08:32,310 --> 00:08:28,960

i did it

212

00:08:36,469 --> 00:08:33,750

we don't drink anymore

213

00:08:38,149 --> 00:08:36,479

yeah yeah we don't do alcohol no more

214

00:08:40,709 --> 00:08:38,159

neither do i

215

00:08:42,389 --> 00:08:40,719

because that [h\_\_h] sucks you know alcohol

216

00:08:45,350 --> 00:08:42,399

sucks it just sucks

217

00:08:46,710 --> 00:08:45,360

it does it's poison in your body

218

00:08:48,230 --> 00:08:46,720

absolutely

219

00:08:50,710 --> 00:08:48,240

okay

220

00:08:52,870 --> 00:08:50,720

yes absolutely

221

00:08:55,509 --> 00:08:52,880

so

222

00:08:57,190 --> 00:08:55,519

um while we were

223

00:09:00,310 --> 00:08:57,200

waiting there

224

00:09:02,710 --> 00:09:00,320

we were standing in that area between

225

00:09:04,790 --> 00:09:02,720

where your kitchen island was i don't

226

00:09:06,230 --> 00:09:04,800

know what your kitchen's like anymore

227

00:09:08,150 --> 00:09:06,240

but

228

00:09:11,030 --> 00:09:08,160

okay where your kitchen island was and

229

00:09:13,190 --> 00:09:11,040

then you have that that that arched way

230

00:09:14,790 --> 00:09:13,200

that leads to a second area of the house

231

00:09:16,230 --> 00:09:14,800

remember or you know what i'm talking

232

00:09:17,910 --> 00:09:16,240

about

233

00:09:20,710 --> 00:09:17,920

that okay

234

00:09:22,550 --> 00:09:20,720

so we were standing by the island

235

00:09:23,350 --> 00:09:22,560

and you said to me

236

00:09:25,190 --> 00:09:23,360

oh

237

00:09:27,190 --> 00:09:25,200

and you go stand under the arch and

238

00:09:30,150 --> 00:09:27,200

you're like this

239

00:09:33,590 --> 00:09:30,160

this is where they always put me back

240

00:09:37,350 --> 00:09:35,430

and i said what do you mean

241

00:09:39,269 --> 00:09:37,360

and you said well

242

00:09:40,470 --> 00:09:39,279

every time we're done talking no matter

243

00:09:42,070 --> 00:09:40,480

where i am

244

00:09:44,230 --> 00:09:42,080

this is where they put me back i'm just

245

00:09:46,389 --> 00:09:44,240

suddenly back right here and it was like

246

00:09:47,990 --> 00:09:46,399

under this archway

247

00:09:51,350 --> 00:09:48,000

and i i was

248

00:09:53,910 --> 00:09:51,360

now i'm i was a little nervous but again

249

00:09:55,990 --> 00:09:53,920

i'm thinking this is either the greatest

250

00:09:58,949 --> 00:09:56,000

day of my life or

251  
00:10:00,870 --> 00:09:58,959  
something terrible so

252  
00:10:02,150 --> 00:10:00,880  
um

253  
00:10:05,509 --> 00:10:02,160  
your friends

254  
00:10:07,509 --> 00:10:05,519  
showed up and we all headed

255  
00:10:08,949 --> 00:10:07,519  
down the path

256  
00:10:09,750 --> 00:10:08,959  
up to an area

257  
00:10:13,269 --> 00:10:09,760  
where

258  
00:10:14,550 --> 00:10:13,279  
you had some kind of military camouflage

259  
00:10:17,190 --> 00:10:14,560  
netting

260  
00:10:19,269 --> 00:10:17,200  
and like a shed or some kind some kind

261  
00:10:22,069 --> 00:10:19,279  
of structure right beside it

262  
00:10:24,069 --> 00:10:22,079  
and um you had explained to me about how

263  
00:10:26,389 --> 00:10:24,079

you had been very careful so that nobody

264

00:10:27,829 --> 00:10:26,399

had seen what you were doing

265

00:10:28,870 --> 00:10:27,839

um

266

00:10:31,750 --> 00:10:28,880

and

267

00:10:36,790 --> 00:10:34,230

long story short guys you took me inside

268

00:10:37,509 --> 00:10:36,800

this tunnel

269

00:10:42,790 --> 00:10:37,519

we

270

00:10:45,350 --> 00:10:42,800

uh stacy you and joe lynn

271

00:10:47,430 --> 00:10:45,360

were like having a conversation like

272

00:10:50,389 --> 00:10:47,440

this was nothing

273

00:10:51,670 --> 00:10:50,399

i mean literally just chatting with each

274

00:10:53,430 --> 00:10:51,680

other

275

00:10:56,870 --> 00:10:53,440

and

276

00:10:58,710 --> 00:10:56,880

brian you

277

00:11:00,870 --> 00:10:58,720

were talking a little bit with lorenzo

278

00:11:02,870 --> 00:11:00,880

but lorenzo and you were really more

279

00:11:05,190 --> 00:11:02,880

interested in getting me to like you

280

00:11:06,230 --> 00:11:05,200

were really focused on getting me

281

00:11:08,310 --> 00:11:06,240

to these

282

00:11:10,230 --> 00:11:08,320

what you kept saying aliens

283

00:11:12,829 --> 00:11:10,240

all right

284

00:11:17,509 --> 00:11:15,670

um we

285

00:11:21,110 --> 00:11:17,519

went around

286

00:11:24,630 --> 00:11:23,350

and we could see we could see the light

287

00:11:26,790 --> 00:11:24,640

from

288

00:11:28,630 --> 00:11:26,800

coming up the tunnel okay i mean we

289

00:11:30,310 --> 00:11:28,640

could see it that it was a head that

290

00:11:31,990 --> 00:11:30,320

there was a light ahead

291

00:11:35,269 --> 00:11:32,000

and we went up there and when we turned

292

00:11:39,829 --> 00:11:38,150

there were four

293

00:11:41,509 --> 00:11:39,839

beings of

294

00:11:43,350 --> 00:11:41,519

a different race

295

00:11:45,670 --> 00:11:43,360

um that's how they refer to it they do

296

00:11:48,150 --> 00:11:45,680

not refer to it as species they refer to

297

00:11:50,069 --> 00:11:48,160

it as race and they were standing there

298

00:11:52,069 --> 00:11:50,079

and they spoke directly to me and i

299

00:11:53,829 --> 00:11:52,079

walked up to them and i stu stepped up

300

00:11:54,870 --> 00:11:53,839

inside their base

301  
00:12:00,870 --> 00:11:54,880  
and

302  
00:12:02,470 --> 00:12:00,880  
brian this is this is the neatest thing

303  
00:12:05,350 --> 00:12:02,480  
you wouldn't leave

304  
00:12:08,069 --> 00:12:05,360  
you said no you weren't leaving

305  
00:12:12,790 --> 00:12:08,079  
um that you weren't gonna leave me there

306  
00:12:14,470 --> 00:12:12,800  
and have me go somewhere you know and um

307  
00:12:15,269 --> 00:12:14,480  
so they told you that you could stay

308  
00:12:16,790 --> 00:12:15,279  
there

309  
00:12:19,190 --> 00:12:16,800  
but that everybody else had to go back

310  
00:12:20,870 --> 00:12:19,200  
to the house

311  
00:12:23,110 --> 00:12:20,880  
so you stood there

312  
00:12:26,069 --> 00:12:23,120  
while everyone else left

313  
00:12:28,150 --> 00:12:26,079

and went back to the house

314

00:12:30,550 --> 00:12:28,160

and

315

00:12:32,230 --> 00:12:30,560

they took me into they took me deeper

316

00:12:33,670 --> 00:12:32,240

into the base

317

00:12:46,550 --> 00:12:33,680

i

318

00:12:46,560 --> 00:12:49,829

and

319

00:12:53,990 --> 00:12:51,590

you stepped forward

320

00:12:55,990 --> 00:12:54,000

to come to come to where i was standing

321

00:12:58,310 --> 00:12:56,000

with them and as soon as you hit the

322

00:13:00,550 --> 00:12:58,320

inside of the base it was like damn

323

00:13:02,790 --> 00:13:00,560

we were standing in your house again

324

00:13:06,629 --> 00:13:02,800

and i threw my hands up to the side of

325

00:13:07,430 --> 00:13:06,639

my head and said what the [h\_\_h] is going

326  
00:13:09,590 --> 00:13:07,440  
on

327  
00:13:27,350 --> 00:13:09,600  
and lorenzo goes oh

328  
00:13:31,750 --> 00:13:29,190  
21st

329  
00:13:34,710 --> 00:13:31,760  
of 2018

330  
00:13:36,870 --> 00:13:34,720  
at 3 o'clock in the afternoon

331  
00:13:39,509 --> 00:13:36,880  
we walked into that tunnel

332  
00:13:41,350 --> 00:13:39,519  
at nine o'clock in the evening you and i

333  
00:13:46,829 --> 00:13:41,360  
were standing under that archway all of

334  
00:13:52,870 --> 00:13:49,910  
and what has happened since then

335  
00:13:54,790 --> 00:13:52,880  
is these beings have visited me

336  
00:13:56,710 --> 00:13:54,800  
they have come they came to my house

337  
00:13:58,870 --> 00:13:56,720  
they came to my rv

338  
00:14:01,189 --> 00:13:58,880

they visited me in the desert

339

00:14:02,790 --> 00:14:01,199

they had visited me now where i live in

340

00:14:06,790 --> 00:14:02,800

the midwest because i had left

341

00:14:06,800 --> 00:14:09,590

and

342

00:14:15,590 --> 00:14:13,750

they told me that you didn't remember

343

00:14:18,150 --> 00:14:15,600

because that's the way that they needed

344

00:14:24,870 --> 00:14:21,829

because your function was to

345

00:14:27,189 --> 00:14:24,880

get me inside of that tunnel

346

00:14:29,350 --> 00:14:27,199

to meet them

347

00:14:30,710 --> 00:14:29,360

and what you need to do when we get off

348

00:14:32,550 --> 00:14:30,720

the phone

349

00:14:36,150 --> 00:14:32,560

is you guys need to take a walk on your

350

00:14:42,870 --> 00:14:39,829

and find this tunnel

351  
00:14:49,110 --> 00:14:47,030  
because they told me to contact you

352  
00:14:51,189 --> 00:14:49,120  
because it's time for them

353  
00:14:53,030 --> 00:14:51,199  
to have contact

354  
00:14:56,069 --> 00:14:53,040  
with us

355  
00:14:59,750 --> 00:14:57,590  
okay

356  
00:15:01,350 --> 00:14:59,760  
the tunnel's in my mountain

357  
00:15:03,590 --> 00:15:01,360  
huh

358  
00:15:05,750 --> 00:15:03,600  
the tunnel's in my mountain

359  
00:15:07,990 --> 00:15:05,760  
yes tunnels in the mountain

360  
00:15:09,269 --> 00:15:08,000  
yes

361  
00:15:11,509 --> 00:15:09,279  
do you know that

362  
00:15:14,230 --> 00:15:11,519  
do you remember now

363  
00:15:16,550 --> 00:15:14,240

well no i don't really remember all that

364

00:15:17,829 --> 00:15:16,560

i mean but i mean we're digging in the

365

00:15:19,829 --> 00:15:17,839

mountain

366

00:15:21,590 --> 00:15:19,839

you know that right

367

00:15:23,189 --> 00:15:21,600

you know i mean i haven't really been

368

00:15:25,990 --> 00:15:23,199

working on it much but

369

00:15:27,670 --> 00:15:26,000

my plan is to dig in this mountain it

370

00:15:29,509 --> 00:15:27,680

always has been

371

00:15:32,470 --> 00:15:29,519

you did darling

372

00:15:35,350 --> 00:15:32,480

you dug them under a tunnel and you took

373

00:15:41,189 --> 00:15:37,910

and you're about to go on the greatest

374

00:15:43,749 --> 00:15:41,199

wildest ride of your life

375

00:15:46,550 --> 00:15:43,759

because those higher beings that's what

376

00:15:48,310 --> 00:15:46,560

i refer to them as because they are

377

00:15:51,509 --> 00:15:48,320

higher higher

378

00:15:52,949 --> 00:15:51,519

much more highly evolved than we are

379

00:15:56,550 --> 00:15:52,959

much more

380

00:16:00,069 --> 00:15:56,560

highly technologically advanced

381

00:16:03,430 --> 00:16:00,079

they have higher wisdom higher knowledge

382

00:16:11,350 --> 00:16:03,440

higher love and compassion

383

00:16:14,310 --> 00:16:12,870

so no i didn't know you were still

384

00:16:16,389 --> 00:16:14,320

when's the last time you started digging

385

00:16:17,990 --> 00:16:16,399

into that mountain well i haven't really

386

00:16:20,150 --> 00:16:18,000

done much

387

00:16:21,269 --> 00:16:20,160

we're not even far we're not even far

388

00:16:23,189 --> 00:16:21,279

into it

389

00:16:25,509 --> 00:16:23,199

when was the last time

390

00:16:27,910 --> 00:16:25,519

that i touched it

391

00:16:30,230 --> 00:16:27,920

probably a couple months a bit a couple

392

00:16:33,189 --> 00:16:30,240

months anyway because we've i've been

393

00:16:35,110 --> 00:16:33,199

working so much i we don't

394

00:16:36,389 --> 00:16:35,120

i don't have any energy when i get home

395

00:16:38,550 --> 00:16:36,399

you know

396

00:16:40,150 --> 00:16:38,560

why are you digging into the mountain

397

00:16:42,230 --> 00:16:40,160

because i want to

398

00:16:44,629 --> 00:16:42,240

yes do you know why you want to dig into

399

00:16:47,269 --> 00:16:44,639

the mountain not necessarily

400

00:16:48,949 --> 00:16:47,279

because there are higher beings inside

401  
00:16:50,949 --> 00:16:48,959  
of your mountain my darling and you need

402  
00:16:53,509 --> 00:16:50,959  
to go find that tunnel and stop digging

403  
00:16:55,509 --> 00:16:53,519  
because you already found them

404  
00:16:57,670 --> 00:16:55,519  
that's why i'm calling you

405  
00:17:00,230 --> 00:16:57,680  
you've already found them

406  
00:17:02,150 --> 00:17:00,240  
they wanted you to forget and now it is

407  
00:17:06,390 --> 00:17:02,160  
time to remember

408  
00:17:08,549 --> 00:17:06,400  
there is a tunnel

409  
00:17:10,949 --> 00:17:08,559  
that you have already dug

410  
00:17:16,710 --> 00:17:10,959  
and when you walked into that tunnel

411  
00:17:16,720 --> 00:17:21,029  
you just don't know

412  
00:17:24,150 --> 00:17:22,069  
no

413  
00:17:26,309 --> 00:17:24,160

i don't remember

414

00:17:27,750 --> 00:17:26,319

i guess i got to find the tunnel huh

415

00:17:29,350 --> 00:17:27,760

yeah

416

00:17:30,830 --> 00:17:29,360

you don't know where it is

417

00:17:33,669 --> 00:17:30,840

do you know where the tunnel

418

00:17:38,789 --> 00:17:33,679

is yes you're damn right i know where it

419

00:17:43,350 --> 00:17:41,590

when i left your home i i dropped a pen

420

00:17:46,230 --> 00:17:43,360

on on it

421

00:17:47,909 --> 00:17:46,240

on where it was

422

00:17:52,230 --> 00:17:47,919

i didn't want to

423

00:17:53,669 --> 00:17:52,240

okay so when you come back here you'll

424

00:17:58,830 --> 00:17:53,679

remember

425

00:18:03,669 --> 00:18:01,669

yeah yeah so when they when they come

426

00:18:06,230 --> 00:18:03,679

and visit you now where they come and

427

00:18:07,350 --> 00:18:06,240

visit you just wherever you are

428

00:18:10,310 --> 00:18:07,360

yes

429

00:18:12,070 --> 00:18:10,320

um they've taken they've taken me back

430

00:18:16,070 --> 00:18:12,080

to their base

431

00:18:17,990 --> 00:18:16,080

i don't know oh it's okay

432

00:18:22,470 --> 00:18:18,000

you're frozen what happened to her

433

00:18:27,350 --> 00:18:24,789

okay just a moment

434

00:18:31,110 --> 00:18:27,360

can you hear me

435

00:18:44,310 --> 00:18:35,029

hold on just a minute i'm so sorry
