[Music]

2
00:00:58,630 --> 00:00:55,199

greetings and salutations friends and

3
00:01:01,830 --> 00:00:58,640

welcome back to the midnight hour show

4
00:01:05,030 --> 00:01:01,840

my name is stephen cambion also known as

5
00:01:08,710 --> 00:01:05,040

the mystery man and tonight i will be

6
00:01:12,630 --> 00:01:08,720

your guide on a very special journey

7
00:01:13,910 --> 00:01:12,640

into a myriad of subjects related to

8
00:01:15,670 --> 00:01:13,920

ufos

9
00:01:18,390 --> 00:01:15,680

tonight we're going to be discussing

10
00:01:20,070 --> 00:01:18,400

alien crash landings

11
00:01:23,190 --> 00:01:20,080

back engineering

12
00:01:26,469 --> 00:01:23,200

alien technology

13
00:01:29,190 --> 00:01:26,479

possible structures on the moon the

14

00:01:32,469 --> 00:01:29,200

secret space program and how

15

00:01:34,149 --> 00:01:32,479

maybe just maybe all of these things may

16

00:01:36,870 --> 00:01:34,159

be related

17

00:01:39,429 --> 00:01:36,880

and tonight my friends i have a very

18

00:01:41,990 --> 00:01:39,439

special guest to share with you a man

19

00:01:45,109 --> 00:01:42,000

named donny brook who has been

20

00:01:47,670 --> 00:01:45,119

investigating these things for some time

21

00:01:49,990 --> 00:01:47,680

so tonight i'm going to

22

00:01:52,310 --> 00:01:50,000

bring him on and get his unique

23

00:01:55,990 --> 00:01:52,320

perspective having studied these things

24

00:02:00,630 --> 00:01:58,550

don't you want to know what he has found

25

00:02:01,970 --> 00:02:00,640

after looking into these things for

26

00:02:04,069 --> 00:02:01,980

years and years

27

00:02:06,230 --> 00:02:04,079

[Music]

28

00:02:08,869 --> 00:02:06,240

well my friends i think our guest

29

00:02:12,309 --> 00:02:08,879

tonight can help us get just a little

30

00:02:14,150 --> 00:02:12,319

bit closer to the truth

31

00:02:17,510 --> 00:02:14,160

let's get

32

00:02:22,790 --> 00:02:20,550

my special guest tonight donnie brook

33

00:02:24,150 --> 00:02:22,800

has been standing by on the mystery

34

00:02:29,350 --> 00:02:24,160

phone

35

00:02:30,390 --> 00:02:29,360

friends and without further ado

36

00:02:31,350 --> 00:02:30,400

let's

37

00:02:34,229 --> 00:02:31,360

get

38

00:02:38,309 --> 00:02:36,390

listen i have a whole list of questions

39

00:02:39,350 --> 00:02:38,319

and i thought we would start off

40

00:02:40,070 --> 00:02:39,360

uh

41

00:02:41,990 --> 00:02:40,080

with

42

00:02:44,150 --> 00:02:42,000

i'd like you to just if you could tell

43

00:02:47,270 --> 00:02:44,160

my listeners about your background and

44

00:02:49,750 --> 00:02:47,280

how you got into some of these strange

45

00:02:50,869 --> 00:02:49,760

and esoteric subjects

46

00:02:52,790 --> 00:02:50,879

okay

47

00:02:55,030 --> 00:02:52,800

well when i was a kid there was two

48

00:02:56,710 --> 00:02:55,040

things that i wanted to be when i grew

49

00:02:59,030 --> 00:02:56,720

up you know when we're kids like we

50

00:03:01,750 --> 00:02:59,040

think about what we want to do i wanted

51
00:03:04,869 --> 00:03:01,760
to either be a pro wrestler or a country

52
00:03:06,710 --> 00:03:04,879
music singer now i found out that i

53
00:03:09,190 --> 00:03:06,720
couldn't sing so i pretty much knew that

54
00:03:11,110 --> 00:03:09,200
wasn't going to happen so i was gunning

55
00:03:12,229 --> 00:03:11,120
for the pro wrestling side in which it

56
00:03:14,869 --> 00:03:12,239
happened

57
00:03:17,190 --> 00:03:14,879
um i started training in 1989 when i was

58
00:03:19,110 --> 00:03:17,200
a senior in high school

59
00:03:20,630 --> 00:03:19,120
and actually had my first match right

60
00:03:23,430 --> 00:03:20,640
after graduation

61
00:03:25,830 --> 00:03:23,440
which was in 1990 um

62
00:03:29,110 --> 00:03:25,840
i started to slow down

63
00:03:31,350 --> 00:03:29,120

back in 2010 i guess is what i would say

64

00:03:33,509 --> 00:03:31,360

2010 maybe 2011.

65

00:03:34,869 --> 00:03:33,519

um didn't really take many bookings

66

00:03:36,309 --> 00:03:34,879

because the business has changed had

67

00:03:39,350 --> 00:03:36,319

changed so much

68

00:03:40,869 --> 00:03:39,360

but back in 2005 i remember watching a

69

00:03:45,750 --> 00:03:40,879

documentary

70

00:03:47,990 --> 00:03:45,760

before and i just watched it this

71

00:03:50,470 --> 00:03:48,000

particular day and i was and it just

72

00:03:53,509 --> 00:03:50,480

made me think on this particular day i

73

00:03:56,229 --> 00:03:53,519

watched it and it just made me think and

74

00:03:57,750 --> 00:03:56,239

but the documentary was the day after

75

00:04:00,789 --> 00:03:57,760

roswell

76

00:04:02,390 --> 00:04:00,799

now anyone that's in the ufology they

77

00:04:04,869 --> 00:04:02,400

have heard of

78

00:04:07,270 --> 00:04:04,879

the roswell event they may not know a

79

00:04:09,190 --> 00:04:07,280

lot about it but it's familiar to them

80

00:04:11,110 --> 00:04:09,200

sure and i started to think about it and

81

00:04:13,910 --> 00:04:11,120

i'm like okay

82

00:04:15,830 --> 00:04:13,920

if just half of what's said in this

83

00:04:17,189 --> 00:04:15,840

documentary is true if

84

00:04:19,110 --> 00:04:17,199

just have

85

00:04:19,990 --> 00:04:19,120

then the reality of everything in our

86

00:04:23,189 --> 00:04:20,000

world

87

00:04:26,150 --> 00:04:23,199

may not be what we've been told or to or

88

00:04:28,710 --> 00:04:26,160

thought and ever since then on my spare

89

00:04:31,510 --> 00:04:28,720

time i've just been reading books

90

00:04:33,110 --> 00:04:31,520

watching documentaries watching lectures

91

00:04:34,230 --> 00:04:33,120

going to lectures

92

00:04:37,430 --> 00:04:34,240

trying to

93

00:04:39,510 --> 00:04:37,440

just gather information on the subject

94

00:04:41,909 --> 00:04:39,520

and the different events to

95

00:04:44,790 --> 00:04:41,919

try to understand why we don't have some

96

00:04:46,469 --> 00:04:44,800

answers to a lot of these questions

97

00:04:48,150 --> 00:04:46,479

yeah and we talked a little bit off the

98

00:04:50,550 --> 00:04:48,160

air and you have kind of an interesting

99

00:04:52,790 --> 00:04:50,560

perspective of connecting the dots that

100

00:04:54,390 --> 00:04:52,800

i haven't really heard very many people

101
00:04:56,870 --> 00:04:54,400
talk about i mean usually people are

102
00:04:59,510 --> 00:04:56,880
into one thing or the other but you and

103
00:05:02,230 --> 00:04:59,520
i talked about roswell and the secret

104
00:05:03,830 --> 00:05:02,240
space program and back engineering can

105
00:05:05,749 --> 00:05:03,840
you tell us a little bit of what you

106
00:05:08,070 --> 00:05:05,759
think is going on after all your

107
00:05:11,029 --> 00:05:08,080
research and studying

108
00:05:13,590 --> 00:05:11,039
sure yeah like i said it's been about 10

109
00:05:15,110 --> 00:05:13,600
years now maybe 11 years a little over

110
00:05:16,550 --> 00:05:15,120
that i guess

111
00:05:19,029 --> 00:05:16,560
and

112
00:05:22,230 --> 00:05:19,039
after everything i've heard people say

113
00:05:25,310 --> 00:05:22,240

both military and civilian

114

00:05:27,749 --> 00:05:25,320

i believe this is the gist of the

115

00:05:31,189 --> 00:05:27,759

technological advancements

116

00:05:33,510 --> 00:05:31,199

that our country has achieved behind

117

00:05:34,870 --> 00:05:33,520

the scenes if you will

118

00:05:36,710 --> 00:05:34,880

i believe

119

00:05:39,110 --> 00:05:36,720

what that got what got

120

00:05:41,990 --> 00:05:39,120

all of our technological boom going was

121

00:05:43,590 --> 00:05:42,000

project horizon now project horizon if

122

00:05:46,390 --> 00:05:43,600

folks don't know

123

00:05:49,270 --> 00:05:46,400

that was a proposal for us to have a

124

00:05:50,469 --> 00:05:49,280

military outpost on the moon during the

125

00:05:53,029 --> 00:05:50,479

cold war

126

00:05:55,270 --> 00:05:53,039

now the official story is that it was

127

00:05:57,029 --> 00:05:55,280

proposed to president eisenhower but he

128

00:06:00,469 --> 00:05:57,039

respectfully turned it down because he

129

00:06:02,790 --> 00:06:00,479

didn't have the money nor the technology

130

00:06:05,350 --> 00:06:02,800

i don't believe that howard went

131

00:06:09,990 --> 00:06:05,360

now the reason i believe that project

132

00:06:13,670 --> 00:06:11,909

and i'm going to kind of jump it forward

133

00:06:15,749 --> 00:06:13,680

and kind of jump back and i apologize

134

00:06:18,469 --> 00:06:15,759

about doing that but the reason i think

135

00:06:20,950 --> 00:06:18,479

project horizon became a reality

136

00:06:22,710 --> 00:06:20,960

or something like it may be the same

137

00:06:24,150 --> 00:06:22,720

type of project and maybe they called it

138

00:06:26,950 --> 00:06:24,160

something else but

139

00:06:29,749 --> 00:06:26,960

when gary mckinnon packed into that nasa

140

00:06:31,990 --> 00:06:29,759

database and i believe it was in 2003 he

141

00:06:34,870 --> 00:06:32,000

found evidence of non-terrestrial

142

00:06:37,110 --> 00:06:34,880

officers now that intrigued me more than

143

00:06:40,550 --> 00:06:37,120

the secret spaceship thing

144

00:06:42,629 --> 00:06:40,560

because when i heard that my thought was

145

00:06:44,469 --> 00:06:42,639

well project horizon would have been a

146

00:06:46,629 --> 00:06:44,479

military outpost on the moon and we

147

00:06:49,430 --> 00:06:46,639

would need people to run it they would

148

00:06:52,230 --> 00:06:49,440

be non-terrestrial officers holy crap

149

00:06:54,070 --> 00:06:52,240

project horizon must happen or something

150

00:06:58,390 --> 00:06:54,080

like it so i believe

151

00:07:01,990 --> 00:06:58,400

we were on the moon before 1969

152

00:07:07,510 --> 00:07:02,000

okay so but how we got there a lot of

153

00:07:13,350 --> 00:07:10,790

everything that i have heard people say

154

00:07:15,830 --> 00:07:13,360

military and civilian

155

00:07:18,150 --> 00:07:15,840

about the united states government the

156

00:07:21,749 --> 00:07:18,160

military the pentagon working with

157

00:07:24,469 --> 00:07:21,759

aliens on advancements on technology

158

00:07:26,150 --> 00:07:24,479

i believe that's going on i really do i

159

00:07:28,950 --> 00:07:26,160

know that sounds crazy

160

00:07:29,670 --> 00:07:28,960

the reason i believe that is because if

161

00:07:31,589 --> 00:07:29,680

we

162

00:07:33,830 --> 00:07:31,599

have non-terrestrial officers the

163

00:07:36,870 --> 00:07:33,840

closest place is the moon now we don't

164

00:07:39,110 --> 00:07:36,880

have the technology to send a bunch of

165

00:07:41,270 --> 00:07:39,120

rockets to the moon with material

166

00:07:43,189 --> 00:07:41,280

without anybody knowing about it and

167

00:07:45,350 --> 00:07:43,199

building a facility

168

00:07:47,110 --> 00:07:45,360

the only way we could get there and

169

00:07:49,110 --> 00:07:47,120

attempt to have something is somebody

170

00:07:51,270 --> 00:07:49,120

would already have to be there that's

171

00:07:54,309 --> 00:07:51,280

more technologically advanced than we

172

00:07:57,350 --> 00:07:54,319

are and they invited us

173

00:07:59,189 --> 00:07:57,360

now the reason i believe that happened

174

00:08:00,629 --> 00:07:59,199

has a lot to do with president

175

00:08:02,869 --> 00:08:00,639

eisenhower

176

00:08:04,869 --> 00:08:02,879

alleged and i say alleged because i

177

00:08:07,589 --> 00:08:04,879

wasn't there in the 50s

178

00:08:10,550 --> 00:08:07,599

meeting with an alien race at holloman

179

00:08:13,430 --> 00:08:10,560

air force base i believe he was there i

180

00:08:15,189 --> 00:08:13,440

believe he made a deal and i and i call

181

00:08:17,589 --> 00:08:15,199

it the eisenhower treaty i don't know if

182

00:08:19,350 --> 00:08:17,599

anyone else refers to that as that but

183

00:08:22,230 --> 00:08:19,360

that's what i call it yeah

184

00:08:25,029 --> 00:08:22,240

i've heard other people say exactly that

185

00:08:27,270 --> 00:08:25,039

or the islamic eisenhower accord or

186

00:08:28,629 --> 00:08:27,280

something right in fact

187

00:08:30,629 --> 00:08:28,639

honestly that's one of my favorite

188

00:08:31,830 --> 00:08:30,639

stories in ufology

189

00:08:34,230 --> 00:08:31,840

and there is

190

00:08:36,149 --> 00:08:34,240

some there is more than a few witnesses

191

00:08:37,829 --> 00:08:36,159

that would support that something like

192

00:08:38,630 --> 00:08:37,839

that happened

193

00:08:41,110 --> 00:08:38,640

which is

194

00:08:44,710 --> 00:08:42,870

you know i've heard i've heard a lot of

195

00:08:47,350 --> 00:08:44,720

uh i've heard a lot of evidence to

196

00:08:48,470 --> 00:08:47,360

support that story it's not just oh yes

197

00:08:51,269 --> 00:08:48,480

sir

198

00:08:52,710 --> 00:08:51,279

yeah and when when president eisenhower

199

00:08:54,710 --> 00:08:52,720

made that deal

200

00:08:57,190 --> 00:08:54,720

my understanding is they said we will

201
00:08:59,350 --> 00:08:57,200
help you with technology and you have to

202
00:09:01,350 --> 00:08:59,360
give us something now i have no idea

203
00:09:03,430 --> 00:09:01,360
what he promised them obviously but i

204
00:09:04,550 --> 00:09:03,440
believe it had to have happened

205
00:09:07,190 --> 00:09:04,560
now

206
00:09:09,910 --> 00:09:07,200
okay so that gets us to the moon which

207
00:09:11,350 --> 00:09:09,920
is the beginning stages of this secret

208
00:09:14,070 --> 00:09:11,360
space program

209
00:09:16,790 --> 00:09:14,080
because you get to the moon you get your

210
00:09:19,150 --> 00:09:16,800
feet wet in a new situation and they

211
00:09:22,790 --> 00:09:19,160
start helping now

212
00:09:23,670 --> 00:09:22,800
1958 is when this meeting allegedly took

213
00:09:27,590 --> 00:09:23,680

place

214

00:09:30,070 --> 00:09:27,600

now i found out not too long ago 1958

215

00:09:33,030 --> 00:09:30,080

was the exact same year

216

00:09:33,990 --> 00:09:33,040

that we started to allegedly

217

00:09:37,509 --> 00:09:34,000

um

218

00:09:39,350 --> 00:09:37,519

research stealth technology

219

00:09:42,230 --> 00:09:39,360

i think it was the year that they

220

00:09:43,990 --> 00:09:42,240

started to teach us stealth technology

221

00:09:46,230 --> 00:09:44,000

because it's kind of unique we started

222

00:09:48,550 --> 00:09:46,240

looking into something new the same year

223

00:09:50,550 --> 00:09:48,560

of this alleged treaty

224

00:09:52,710 --> 00:09:50,560

so i do believe the stealth was a

225

00:09:54,870 --> 00:09:52,720

hand-me-down technology

226

00:09:57,430 --> 00:09:54,880

it's kind of like you take a you take a

227

00:09:58,870 --> 00:09:57,440

kid okay he's going into first grade

228

00:10:00,389 --> 00:09:58,880

never been to school except for his

229

00:10:02,230 --> 00:10:00,399

kindergarten years

230

00:10:03,750 --> 00:10:02,240

you don't give them a 12th grade math

231

00:10:06,389 --> 00:10:03,760

book you give them a first grade math

232

00:10:08,230 --> 00:10:06,399

book because they have got to graduate

233

00:10:10,389 --> 00:10:08,240

their education i guess is what i want

234

00:10:13,350 --> 00:10:10,399

to say they're learning up to the 12th

235

00:10:15,750 --> 00:10:13,360

grade level that's what we have to do

236

00:10:17,670 --> 00:10:15,760

we have the stealth technology

237

00:10:19,750 --> 00:10:17,680

which is kind of like what nick pope

238

00:10:22,550 --> 00:10:19,760

said it's like a hand-me-down technology

239

00:10:24,949 --> 00:10:22,560

so that we can get to where they are

240

00:10:27,030 --> 00:10:24,959

if they're so much more advanced because

241

00:10:28,550 --> 00:10:27,040

we could not back engineer something if

242

00:10:30,310 --> 00:10:28,560

we don't know what we're looking at

243

00:10:32,870 --> 00:10:30,320

they're gonna have to help us

244

00:10:35,910 --> 00:10:32,880

you know so all the back engineering i

245

00:10:37,750 --> 00:10:35,920

believe is being done but our our people

246

00:10:40,230 --> 00:10:37,760

are being helped

247

00:10:42,470 --> 00:10:40,240

and it's just like one of von braun um

248

00:10:43,990 --> 00:10:42,480

said that you know you know he he got us

249

00:10:45,269 --> 00:10:44,000

to the moon but he had some help he

250

00:10:47,590 --> 00:10:45,279

admitted that

251
00:10:49,430 --> 00:10:47,600
he said they helped us and we all know

252
00:10:51,269 --> 00:10:49,440
what he meant by they

253
00:10:52,710 --> 00:10:51,279
so

254
00:10:56,870 --> 00:10:52,720
they helped us and they've been doing it

255
00:11:01,590 --> 00:10:58,790
yeah there seems to be some evidence to

256
00:11:03,350 --> 00:11:01,600
support that there seems to be

257
00:11:05,509 --> 00:11:03,360
you know uh

258
00:11:07,350 --> 00:11:05,519
some evidence to support

259
00:11:09,269 --> 00:11:07,360
you know there's ufo crash retrieval

260
00:11:14,069 --> 00:11:09,279
stories there's these stories about

261
00:11:18,470 --> 00:11:16,550
uh i i like the gary mckinnon story as

262
00:11:20,069 --> 00:11:18,480
well because i you know

263
00:11:22,150 --> 00:11:20,079

that they wouldn't went out of their way

264

00:11:24,150 --> 00:11:22,160

to prosecute him like they did unless he

265

00:11:25,829 --> 00:11:24,160

really did find something or get into

266

00:11:28,310 --> 00:11:25,839

something that they would prefer he did

267

00:11:31,269 --> 00:11:28,320

not get into

268

00:11:32,790 --> 00:11:31,279

that is exactly true he was in england

269

00:11:35,190 --> 00:11:32,800

and he

270

00:11:37,990 --> 00:11:35,200

hacks into the computer system he gets

271

00:11:40,150 --> 00:11:38,000

arrested he does not deny doing it

272

00:11:42,870 --> 00:11:40,160

he goes to jail he does not get

273

00:11:44,949 --> 00:11:42,880

extradited to the united states

274

00:11:47,509 --> 00:11:44,959

and then they drop the charges

275

00:11:48,949 --> 00:11:47,519

now my thing is okay if they did drop

276

00:11:51,110 --> 00:11:48,959

the charges

277

00:11:53,910 --> 00:11:51,120

they decided to

278

00:11:55,430 --> 00:11:53,920

not prosecute merely because

279

00:11:57,190 --> 00:11:55,440

whatever he found would have been

280

00:11:59,110 --> 00:11:57,200

evidence in a trial

281

00:12:02,949 --> 00:11:59,120

so what do you do you drop the charges

282

00:12:06,150 --> 00:12:02,959

and discredit and just deny deny deny

283

00:12:08,310 --> 00:12:06,160

and eventually it'll go away

284

00:12:11,030 --> 00:12:08,320

yeah that's why

285

00:12:13,269 --> 00:12:11,040

there hasn't been any official

286

00:12:14,389 --> 00:12:13,279

you know acknowledgement of what he

287

00:12:17,030 --> 00:12:14,399

actually

288

00:12:18,870 --> 00:12:17,040

found or you know what

289

00:12:21,030 --> 00:12:18,880

i mean if you if you read the court

290

00:12:22,710 --> 00:12:21,040

documents and stuff it's it's really

291

00:12:25,269 --> 00:12:22,720

unclear

292

00:12:27,269 --> 00:12:25,279

is that correct you know the only person

293

00:12:29,509 --> 00:12:27,279

that we can really go on here is gary

294

00:12:30,949 --> 00:12:29,519

himself because he was the one that did

295

00:12:32,550 --> 00:12:30,959

the hacking

296

00:12:34,710 --> 00:12:32,560

and he said he found evidence of

297

00:12:35,910 --> 00:12:34,720

non-terrestrial officers and united

298

00:12:38,790 --> 00:12:35,920

states

299

00:12:41,190 --> 00:12:38,800

excuse me secret spaceships i mean

300

00:12:43,670 --> 00:12:41,200

it's obvious he hacked into the system

301

00:12:45,910 --> 00:12:43,680

he was arrested for it so you have to

302

00:12:48,230 --> 00:12:45,920

pretty much say okay if he said he found

303

00:12:49,829 --> 00:12:48,240

these two things you got to give him the

304

00:12:51,350 --> 00:12:49,839

benefit of the doubt that he's telling

305

00:12:52,870 --> 00:12:51,360

the truth because there's no evidence

306

00:12:55,269 --> 00:12:52,880

he'd lied

307

00:12:58,629 --> 00:12:55,279

and i mean think about it you know we've

308

00:13:01,350 --> 00:12:58,639

the tr-3b and the tr-6 telos ever since

309

00:13:03,030 --> 00:13:01,360

that hacking has popped up intel on that

310

00:13:05,430 --> 00:13:03,040

has popped out you know

311

00:13:07,269 --> 00:13:05,440

around you know whistleblowers and what

312

00:13:09,430 --> 00:13:07,279

have you so

313

00:13:10,710 --> 00:13:09,440

i believe the man i believe he found

314

00:13:13,269 --> 00:13:10,720

that stuff

315

00:13:15,829 --> 00:13:13,279

you know there's no way for us to know

316

00:13:17,829 --> 00:13:15,839

just exactly what's going on within the

317

00:13:20,069 --> 00:13:17,839

secret space program we just know that

318

00:13:21,750 --> 00:13:20,079

there is one you know of course you know

319

00:13:23,590 --> 00:13:21,760

i wish i knew it'd be kind of cool to

320

00:13:26,310 --> 00:13:23,600

know but i don't know i just know that

321

00:13:28,230 --> 00:13:26,320

it exists i feel like that it does exist

322

00:13:30,310 --> 00:13:28,240

you know all these people that say we

323

00:13:31,910 --> 00:13:30,320

have one i believe them

324

00:13:33,910 --> 00:13:31,920

i don't believe everything i hear i

325

00:13:35,350 --> 00:13:33,920

investigate weird things that i hear

326

00:13:38,150 --> 00:13:35,360

because to me

327

00:13:39,590 --> 00:13:38,160

if something sounds out languished out

328

00:13:41,829 --> 00:13:39,600

well that's not the right word just

329

00:13:44,230 --> 00:13:41,839

crazy let me just say it like that

330

00:13:45,910 --> 00:13:44,240

it's either an incredible lie or an

331

00:13:47,910 --> 00:13:45,920

incredible truth

332

00:13:49,829 --> 00:13:47,920

and it's like paranormal

333

00:13:52,470 --> 00:13:49,839

investigations you know with spirits you

334

00:13:54,069 --> 00:13:52,480

go into a location to debunk the claims

335

00:13:55,110 --> 00:13:54,079

and when you can't debunk them you got

336

00:13:57,350 --> 00:13:55,120

something

337

00:13:59,590 --> 00:13:57,360

that's like that where you followed you

338

00:14:01,189 --> 00:13:59,600

that's how i look at things you know

339

00:14:03,110 --> 00:14:01,199

um

340

00:14:04,550 --> 00:14:03,120

i think bibles are

341

00:14:06,310 --> 00:14:04,560

is real

342

00:14:08,710 --> 00:14:06,320

a lot of people are poking holes in the

343

00:14:10,470 --> 00:14:08,720

story and i think that's because

344

00:14:12,230 --> 00:14:10,480

they just having a hard time wrapping

345

00:14:13,509 --> 00:14:12,240

themselves the mind around the truth

346

00:14:15,910 --> 00:14:13,519

yeah i don't know

347

00:14:18,230 --> 00:14:15,920

i i used to believe that bob lazar story

348

00:14:20,470 --> 00:14:18,240

but after a thorough uh

349

00:14:22,550 --> 00:14:20,480

investigation into it i really believe

350

00:14:23,990 --> 00:14:22,560

that he's a con man that's my personal

351

00:14:26,629 --> 00:14:24,000

belief i know a lot of people believe

352

00:14:28,230 --> 00:14:26,639

him yeah and and that and that's fine

353

00:14:29,670 --> 00:14:28,240

and that's a hundred percent fine to

354

00:14:31,350 --> 00:14:29,680

think that because there's no law

355

00:14:32,230 --> 00:14:31,360

against having that opinion

356

00:14:34,069 --> 00:14:32,240

but

357

00:14:35,670 --> 00:14:34,079

my good feeling's telling me the man is

358

00:14:37,350 --> 00:14:35,680

real and i'm just going to leave it at

359

00:14:39,509 --> 00:14:37,360

that because

360

00:14:41,509 --> 00:14:39,519

there's no way for me to

361

00:14:43,269 --> 00:14:41,519

confirm he is or confirm he's not

362

00:14:45,110 --> 00:14:43,279

there's no way i can because i can't

363

00:14:47,750 --> 00:14:45,120

walk out to go out to where he was and

364

00:14:48,710 --> 00:14:47,760

physically see what he did i mean i just

365

00:14:51,030 --> 00:14:48,720

got to

366

00:14:53,269 --> 00:14:51,040

listen to it and say okay well i guess

367

00:14:55,110 --> 00:14:53,279

we'll see because in ufology

368

00:14:56,710 --> 00:14:55,120

if you're on the outside looking in what

369

00:14:57,829 --> 00:14:56,720

you have to do

370

00:15:00,790 --> 00:14:57,839

is

371

00:15:02,949 --> 00:15:00,800

go on allegations

372

00:15:05,110 --> 00:15:02,959

make it an

373

00:15:07,670 --> 00:15:05,120

opinion i guess is what i want to say to

374

00:15:09,910 --> 00:15:07,680

what you believe and then put

375

00:15:11,670 --> 00:15:09,920

all of those facts in line and come up

376

00:15:13,110 --> 00:15:11,680

with a theory

377

00:15:16,150 --> 00:15:13,120

because

378

00:15:17,269 --> 00:15:16,160

that would that gets someone closer to

379

00:15:19,269 --> 00:15:17,279

answers

380

00:15:21,269 --> 00:15:19,279

and maybe it'll help answer

381

00:15:23,110 --> 00:15:21,279

questions it could

382

00:15:25,189 --> 00:15:23,120

but that's where i'm going with bob i

383

00:15:27,590 --> 00:15:25,199

mean i think he's i think he's real and

384

00:15:30,710 --> 00:15:27,600

i know some people think he's a con man

385

00:15:32,949 --> 00:15:30,720

but the reason that i think he's real is

386

00:15:34,790 --> 00:15:32,959

because of a certain person

387

00:15:37,350 --> 00:15:34,800

said to me in an email

388

00:15:39,509 --> 00:15:37,360

and i'm gonna i don't know if i should

389

00:15:41,990 --> 00:15:39,519

say their name but they said donny i

390

00:15:43,509 --> 00:15:42,000

can't even get could i once upon a time

391

00:15:46,230 --> 00:15:43,519

i couldn't even get that man to even

392

00:15:48,629 --> 00:15:46,240

acknowledge the term ufo

393

00:15:50,389 --> 00:15:48,639

but after he went out to s4

394

00:15:52,870 --> 00:15:50,399

he brought the subject up to me and

395

00:15:55,269 --> 00:15:52,880

that's what the person said now

396

00:15:57,350 --> 00:15:55,279

if that's true i don't know because i

397

00:15:59,110 --> 00:15:57,360

don't know the man personally i mean i'm

398

00:16:00,870 --> 00:15:59,120

just going on what he has come forward

399

00:16:02,949 --> 00:16:00,880

and what he has said

400

00:16:04,949 --> 00:16:02,959

and i'm just going to go with it that

401

00:16:07,030 --> 00:16:04,959

the man's to tell the truth

402

00:16:09,110 --> 00:16:07,040

and until somebody shows me that he's

403

00:16:11,910 --> 00:16:09,120

not which could be because he's human

404

00:16:13,670 --> 00:16:11,920

he's human i don't know i uh i uh

405

00:16:15,829 --> 00:16:13,680

you know i grew up with that story it's

406

00:16:17,829 --> 00:16:15,839

one you you mentioned the

407

00:16:21,590 --> 00:16:17,839

uh philip corso and the day after

408

00:16:24,629 --> 00:16:21,600

roswell is something that ignited you

409

00:16:26,710 --> 00:16:24,639

with interest in this field and for me

410

00:16:29,509 --> 00:16:26,720

it was the bob lazar story when i was a

411

00:16:31,670 --> 00:16:29,519

kid and i bought the i bought the flying

412

00:16:33,110 --> 00:16:31,680

saucer model and i bought the tape that

413

00:16:34,949 --> 00:16:33,120

he was selling

414

00:16:38,230 --> 00:16:34,959

the problem the major problem that i

415

00:16:40,069 --> 00:16:38,240

have is that you you start looking into

416

00:16:42,230 --> 00:16:40,079

it and you and then you start to find

417

00:16:44,710 --> 00:16:42,240

another lie and another lie and another

418

00:16:46,629 --> 00:16:44,720

lie i did this special report and and

419

00:16:49,749 --> 00:16:46,639

you know on larry king he said that the

420

00:16:51,749 --> 00:16:49,759

craft were 52 feet in diameter but in

421

00:16:54,069 --> 00:16:51,759

his original drawings he said the hangar

422

00:16:56,069 --> 00:16:54,079

bay doors were 40 feet wide

423

00:16:57,990 --> 00:16:56,079

i know that's a i know that's a little

424

00:17:01,110 --> 00:16:58,000

thing but to me it's a big thing because

425

00:17:03,670 --> 00:17:01,120

how does it how does a 52 foot diameter

426

00:17:05,829 --> 00:17:03,680

spacecraft fit in and out of a 40

427

00:17:07,909 --> 00:17:05,839

40 foot hangar bay door

428

00:17:10,710 --> 00:17:07,919

and and the list goes on and on his

429

00:17:14,230 --> 00:17:10,720

education is a lie the badge he supplied

430

00:17:17,350 --> 00:17:14,240

is not real the w-2 that he supplied i i

431

00:17:19,829 --> 00:17:17,360

took to a forensic document examiner

432

00:17:22,309 --> 00:17:19,839

that's not real you know

433

00:17:25,189 --> 00:17:22,319

well i'm proud of you i'm i'm glad you

434

00:17:28,069 --> 00:17:25,199

mentioned w-2 i want to tell you a story

435

00:17:30,150 --> 00:17:28,079

sure sure some and listen i hope i hope

436

00:17:30,830 --> 00:17:30,160

that we can be friends and just disagree

437

00:17:32,470 --> 00:17:30,840

oh

438

00:17:34,310 --> 00:17:32,480

absolutely a debate a conversation

439

00:17:37,110 --> 00:17:34,320

because some people get pissed you know

440

00:17:39,110 --> 00:17:37,120

some people will get missed you know

441

00:17:41,990 --> 00:17:39,120

that's the last thought now it's a topic

442

00:17:45,270 --> 00:17:42,000

of conversation you know um a certain

443

00:17:48,470 --> 00:17:45,280

person that was that was former military

444

00:17:50,630 --> 00:17:48,480

that knows bob personally

445

00:17:52,470 --> 00:17:50,640

i can't say his name but i will say this

446

00:17:54,789 --> 00:17:52,480

the person's on my friend's list on on

447

00:17:56,310 --> 00:17:54,799

facebook i'll take that

448

00:17:57,909 --> 00:17:56,320

they

449

00:18:00,549 --> 00:17:57,919

told me about

450

00:18:01,909 --> 00:18:00,559

a situation to where

451
00:18:06,630 --> 00:18:01,919
they had

452
00:18:12,230 --> 00:18:08,470
and asked his

453
00:18:14,630 --> 00:18:12,240
ceo or superior about it

454
00:18:16,870 --> 00:18:14,640
the ceo basically took it

455
00:18:18,789 --> 00:18:16,880
put it in the shredder and said i don't

456
00:18:20,390 --> 00:18:18,799
ever want to see that again or you will

457
00:18:22,390 --> 00:18:20,400
be a very

458
00:18:25,830 --> 00:18:22,400
upset private or something to that

459
00:18:28,310 --> 00:18:25,840
effect in other words evidently

460
00:18:29,909 --> 00:18:28,320
it must have been something must be real

461
00:18:31,270 --> 00:18:29,919
about the man's story and about his

462
00:18:32,870 --> 00:18:31,280
background that's where i'm going with

463
00:18:34,150 --> 00:18:32,880

that now

464

00:18:36,870 --> 00:18:34,160

once again

465

00:18:39,190 --> 00:18:36,880

i can't prove that i can't prove it

466

00:18:40,870 --> 00:18:39,200

didn't happen i'm just saying

467

00:18:42,789 --> 00:18:40,880

it's one of those things where we're on

468

00:18:43,430 --> 00:18:42,799

the outside looking in and we are going

469

00:18:45,350 --> 00:18:43,440

to

470

00:18:47,270 --> 00:18:45,360

analyze it the way we do

471

00:18:48,950 --> 00:18:47,280

and i have chosen to believe the story

472

00:18:51,750 --> 00:18:48,960

and you respectfully have chosen not

473

00:18:53,110 --> 00:18:51,760

which is fine good lord there's a lot

474

00:18:55,430 --> 00:18:53,120

worse things in this world that could

475

00:18:57,029 --> 00:18:55,440

happen other than two people disagreeing

476

00:18:58,710 --> 00:18:57,039

on that yeah well that's good that we

477

00:19:01,430 --> 00:18:58,720

can do that because some people some

478

00:19:03,909 --> 00:19:01,440

people just no big deal it gets it gets

479

00:19:06,390 --> 00:19:03,919

lively and it gets real contentious i

480

00:19:08,630 --> 00:19:06,400

would rather be friends and say

481

00:19:10,549 --> 00:19:08,640

look we can discuss it here's why i

482

00:19:13,110 --> 00:19:10,559

believe it's fake and you can tell me

483

00:19:14,950 --> 00:19:13,120

why you believe that it's real and i

484

00:19:16,549 --> 00:19:14,960

think you're talking i think i know who

485

00:19:18,630 --> 00:19:16,559

you're talking about who's also on my

486

00:19:22,230 --> 00:19:18,640

friend's list and wrote the book on

487

00:19:24,789 --> 00:19:22,240

uh the sr-71 blackbird recently right

488

00:19:26,150 --> 00:19:24,799

and like i said i don't have their

489

00:19:28,230 --> 00:19:26,160

permission to say their name so i'm not

490

00:19:30,310 --> 00:19:28,240

going to do that no i think it's okay

491

00:19:32,950 --> 00:19:30,320

he's told that story publicly so you

492

00:19:34,310 --> 00:19:32,960

know you can you can do that and i i'm

493

00:19:35,510 --> 00:19:34,320

friends with him as well and i think he

494

00:19:37,990 --> 00:19:35,520

wouldn't mind he's supposed to come on

495

00:19:39,669 --> 00:19:38,000

my show soon but uh we can't we keep

496

00:19:41,350 --> 00:19:39,679

missing each other so

497

00:19:42,870 --> 00:19:41,360

i wonder how many people are sitting

498

00:19:44,070 --> 00:19:42,880

there thinking who are they talking

499

00:19:49,669 --> 00:19:44,080

about

500

00:19:51,590 --> 00:19:49,679

i can't say his money okay well i know

501
00:19:54,710 --> 00:19:51,600
that jim goodall told a very similar

502
00:19:56,630 --> 00:19:54,720
story to that and jim goodall is another

503
00:19:58,950 --> 00:19:56,640
guy that he and i are friends but we

504
00:20:01,669 --> 00:19:58,960
disagree on bob and uh he

505
00:20:04,630 --> 00:20:01,679
knew bob when that was going on and

506
00:20:06,549 --> 00:20:04,640
and uh you know in regard to that story

507
00:20:08,950 --> 00:20:06,559
i don't know my father was a military

508
00:20:10,549 --> 00:20:08,960
man and he was kind of a no-nonsense

509
00:20:11,909 --> 00:20:10,559
like a lot of military men and when i

510
00:20:13,029 --> 00:20:11,919
hear that story

511
00:20:15,110 --> 00:20:13,039
yeah it could be that there was

512
00:20:16,230 --> 00:20:15,120
something top secret and the and the

513
00:20:18,149 --> 00:20:16,240

superior

514

00:20:19,669 --> 00:20:18,159

officer said don't bother me with things

515

00:20:21,110 --> 00:20:19,679

like this don't come in my office again

516

00:20:21,909 --> 00:20:21,120

with things like this or it could just

517

00:20:24,549 --> 00:20:21,919

be

518

00:20:26,310 --> 00:20:24,559

that he realized this was about some ufo

519

00:20:28,310 --> 00:20:26,320

nonsense and he was a no-nonsense

520

00:20:30,310 --> 00:20:28,320

military guy who said don't come in here

521

00:20:32,070 --> 00:20:30,320

and bother me with this nonsense again

522

00:20:33,350 --> 00:20:32,080

you know that's very true could be

523

00:20:35,669 --> 00:20:33,360

either way

524

00:20:37,830 --> 00:20:35,679

but the the the field this whole field

525

00:20:40,310 --> 00:20:37,840

is like a hall of mirrors you know and

526

00:20:42,230 --> 00:20:40,320

you gotta you gotta go through the

527

00:20:43,590 --> 00:20:42,240

stories and you're right you have to

528

00:20:45,750 --> 00:20:43,600

pick and choose what you're gonna

529

00:20:48,230 --> 00:20:45,760

believe what you think is funk and and

530

00:20:50,470 --> 00:20:48,240

move on and try to form some kind of

531

00:20:52,310 --> 00:20:50,480

hypothesis about what's really going on

532

00:20:55,750 --> 00:20:52,320

and that's what we're all doing we just

533

00:21:00,310 --> 00:20:57,990

yeah the thing is is

534

00:21:01,750 --> 00:21:00,320

you hear like i've heard so many people

535

00:21:04,070 --> 00:21:01,760

you know like i said talk about the

536

00:21:05,830 --> 00:21:04,080

eisenhower story so i've made the

537

00:21:07,270 --> 00:21:05,840

decision like okay all these people are

538

00:21:09,029 --> 00:21:07,280

talking about it and the one person

539

00:21:11,029 --> 00:21:09,039

that's definitely talking about is laura

540

00:21:12,950 --> 00:21:11,039

lauren eisenhower so okay

541

00:21:14,710 --> 00:21:12,960

you get to a point where you gotta say i

542

00:21:17,029 --> 00:21:14,720

believe this i don't believe this you

543

00:21:19,909 --> 00:21:17,039

know and then you say okay this is my

544

00:21:21,990 --> 00:21:19,919

guess this is my theory and i guess time

545

00:21:24,310 --> 00:21:22,000

will tell we'll see what unfolds and

546

00:21:26,470 --> 00:21:24,320

that's just how i look at things and

547

00:21:27,750 --> 00:21:26,480

that's where my theory that i sent you

548

00:21:29,669 --> 00:21:27,760

the other day

549

00:21:32,549 --> 00:21:29,679

um is how that's found a base that

550

00:21:35,350 --> 00:21:32,559

theory right there you know and we got

551
00:21:37,350 --> 00:21:35,360
the secret space program okay

552
00:21:40,230 --> 00:21:37,360
they're about to disclose it calling it

553
00:21:41,990 --> 00:21:40,240
the space force okay

554
00:21:43,750 --> 00:21:42,000
nobody's gonna see it for what it is

555
00:21:45,590 --> 00:21:43,760
they're gonna think it's just some new

556
00:21:47,110 --> 00:21:45,600
branch of the military and while

557
00:21:48,630 --> 00:21:47,120
somebody like me says no it's been

558
00:21:50,950 --> 00:21:48,640
enough about 40 years but they call it

559
00:21:52,950 --> 00:21:50,960
solar warden oh no they down that kind

560
00:21:54,710 --> 00:21:52,960
of thing you know that's conversations

561
00:21:55,990 --> 00:21:54,720
i'll never get in with anyone because

562
00:21:56,870 --> 00:21:56,000
you're not going to be able to convince

563
00:21:59,029 --> 00:21:56,880

them

564

00:22:00,789 --> 00:21:59,039

now it's just like stealth technology we

565

00:22:02,310 --> 00:22:00,799

had stealth 20 years ago but we didn't

566

00:22:04,230 --> 00:22:02,320

know about it in the general public or

567

00:22:06,310 --> 00:22:04,240

what early 90s

568

00:22:08,310 --> 00:22:06,320

so

569

00:22:09,909 --> 00:22:08,320

why people

570

00:22:12,710 --> 00:22:09,919

intelligent people

571

00:22:15,750 --> 00:22:12,720

who call themselves intelligent

572

00:22:17,830 --> 00:22:15,760

a society that says yes you know

573

00:22:19,350 --> 00:22:17,840

we don't talk about ufos because we're

574

00:22:21,430 --> 00:22:19,360

afraid of what people are going to think

575

00:22:22,630 --> 00:22:21,440

of us but they don't stop and think well

576
00:22:25,350 --> 00:22:22,640
you know

577
00:22:28,149 --> 00:22:25,360
why it may be military

578
00:22:29,190 --> 00:22:28,159
because when people say ufo

579
00:22:30,710 --> 00:22:29,200
they're not

580
00:22:31,990 --> 00:22:30,720
referring to that they're referring to

581
00:22:34,390 --> 00:22:32,000
aliens

582
00:22:36,070 --> 00:22:34,400
you know i heard there was a guy who was

583
00:22:37,750 --> 00:22:36,080
a journalist in washington he was a

584
00:22:39,750 --> 00:22:37,760
journalist for the hill

585
00:22:42,230 --> 00:22:39,760
and i can't jordan phoebe and i believe

586
00:22:44,870 --> 00:22:42,240
the man's name was he asked lucero

587
00:22:47,270 --> 00:22:44,880
sanders one time said you know does the

588
00:22:49,669 --> 00:22:47,280

president believe in ufos

589

00:22:51,430 --> 00:22:49,679

now she smirked when he said that

590

00:22:52,789 --> 00:22:51,440

and i'm thinking why didn't you just ask

591

00:22:54,549 --> 00:22:52,799

it the way you

592

00:22:56,070 --> 00:22:54,559

the way you meant it

593

00:22:58,470 --> 00:22:56,080

but i'm thinking of myself why didn't

594

00:22:59,830 --> 00:22:58,480

you say alien because i mean that's what

595

00:23:03,110 --> 00:22:59,840

people do

596

00:23:05,029 --> 00:23:03,120

they refer to the term ufo meaning alien

597

00:23:08,470 --> 00:23:05,039

and it's real confusing to people

598

00:23:10,630 --> 00:23:08,480

and a ufo is unidentified

599

00:23:13,590 --> 00:23:10,640

that's just like these three videos that

600

00:23:15,750 --> 00:23:13,600

the navy has released i mean there's no

601
00:23:16,789 --> 00:23:15,760
telling what that is i mean if it's us

602
00:23:18,630 --> 00:23:16,799
or them

603
00:23:20,830 --> 00:23:18,640
but if we've got solar warning we have

604
00:23:24,070 --> 00:23:20,840
advanced technology it could be

605
00:23:26,149 --> 00:23:24,080
us but it is unidentified i'm on the

606
00:23:28,390 --> 00:23:26,159
fence on those videos i mean to me that

607
00:23:30,310 --> 00:23:28,400
could be it could be anything it could

608
00:23:32,549 --> 00:23:30,320
be anything yeah so we don't know

609
00:23:34,549 --> 00:23:32,559
exactly what it is and the jury's still

610
00:23:37,430 --> 00:23:34,559
out but it's interesting

611
00:23:39,990 --> 00:23:37,440
that we're starting to get some trickle

612
00:23:41,830 --> 00:23:40,000
of of what the government knows about

613
00:23:44,310 --> 00:23:41,840

these things

614

00:23:46,630 --> 00:23:44,320

exactly you know louis elizondo i mean

615

00:23:49,190 --> 00:23:46,640

if you watch the very last

616

00:23:52,789 --> 00:23:49,200

part i think it was a six episode

617

00:23:55,350 --> 00:23:52,799

series the very last episode right

618

00:23:57,830 --> 00:23:55,360

before the show went off the air a young

619

00:23:59,909 --> 00:23:57,840

lady asked mr alexander

620

00:24:01,430 --> 00:23:59,919

she said

621

00:24:03,190 --> 00:24:01,440

and i'm a paraphraser because i don't

622

00:24:04,390 --> 00:24:03,200

remember her exact words but she asked

623

00:24:07,350 --> 00:24:04,400

him

624

00:24:09,110 --> 00:24:07,360

was the general public ready for what

625

00:24:10,789 --> 00:24:09,120

the truth is

626
00:24:13,590 --> 00:24:10,799
he smiled

627
00:24:16,230 --> 00:24:13,600
stood up and the show went off the air

628
00:24:18,070 --> 00:24:16,240
so evidently

629
00:24:19,990 --> 00:24:18,080
that's something he couldn't answer

630
00:24:22,549 --> 00:24:20,000
because of what his answer would have

631
00:24:24,230 --> 00:24:22,559
been yeah this is confusing this whole

632
00:24:26,870 --> 00:24:24,240
no i i i know what you're talking about

633
00:24:28,950 --> 00:24:26,880
but this this whole tts a thing is

634
00:24:31,029 --> 00:24:28,960
confusing to me because you know the

635
00:24:32,789 --> 00:24:31,039
pentagon said that this little alexander

636
00:24:35,430 --> 00:24:32,799
had nothing to do with that a tip

637
00:24:37,669 --> 00:24:35,440
program and he says he ran it so

638
00:24:39,750 --> 00:24:37,679

again we get back to the hall of mirrors

639

00:24:43,110 --> 00:24:39,760

and they have not addressed this other

640

00:24:46,470 --> 00:24:44,950

to me it's really easy why they're gonna

641

00:24:47,430 --> 00:24:46,480

say that

642

00:24:49,830 --> 00:24:47,440

because

643

00:24:51,110 --> 00:24:49,840

mr elizondo said that he pushed to have

644

00:24:52,630 --> 00:24:51,120

these videos

645

00:24:54,390 --> 00:24:52,640

declassified

646

00:24:56,230 --> 00:24:54,400

okay

647

00:24:58,149 --> 00:24:56,240

they agree to have them they agree for

648

00:24:59,990 --> 00:24:58,159

them to be shown they declassified these

649

00:25:03,269 --> 00:25:00,000

three videos

650

00:25:05,669 --> 00:25:03,279

that show starts on the history channel

651

00:25:08,789 --> 00:25:05,679

all the pentagon's got to do is change

652

00:25:10,390 --> 00:25:08,799

their side of the story and it gets out

653

00:25:13,029 --> 00:25:10,400

that louis alexander didn't have

654

00:25:15,350 --> 00:25:13,039

anything to do with it then the general

655

00:25:19,029 --> 00:25:15,360

public doubts the whole damn thing

656

00:25:20,789 --> 00:25:19,039

and then they say oh it's it's too much

657

00:25:22,950 --> 00:25:20,799

of a cabal i guess you would say you

658

00:25:24,470 --> 00:25:22,960

know this person says one thing this

659

00:25:25,510 --> 00:25:24,480

person says another we don't know what

660

00:25:28,070 --> 00:25:25,520

to believe

661

00:25:30,070 --> 00:25:28,080

it's a con it's a disinformation thing

662

00:25:32,070 --> 00:25:30,080

in a way

663

00:25:34,950 --> 00:25:32,080

yeah and we've seen we've seen that time

664

00:25:37,110 --> 00:25:34,960

and time again like somebody comes out

665

00:25:38,870 --> 00:25:37,120

and comes out with a story and then and

666

00:25:40,789 --> 00:25:38,880

then the researchers sort of picked that

667

00:25:43,029 --> 00:25:40,799

person apart it's happened with bob

668

00:25:44,630 --> 00:25:43,039

lazar and to some extent it's happened

669

00:25:45,830 --> 00:25:44,640

with phil corso and the day after

670

00:25:48,310 --> 00:25:45,840

roswell

671

00:25:50,149 --> 00:25:48,320

every story that comes out we get we get

672

00:25:52,310 --> 00:25:50,159

two sides of the story like it might be

673

00:25:55,110 --> 00:25:52,320

true but there's some things that

674

00:25:57,669 --> 00:25:55,120

indicate this person's lying so

675

00:26:01,430 --> 00:25:57,679

and it happened to one other person too

676

00:26:02,950 --> 00:26:01,440

john burroughs sure yeah you know

677

00:26:05,110 --> 00:26:02,960

it's happened to a lot of people

678

00:26:07,269 --> 00:26:05,120

apparently yeah

679

00:26:10,310 --> 00:26:07,279

john burroughs was up and he was in the

680

00:26:12,149 --> 00:26:10,320

air force in 1980 uh rendelsome forest

681

00:26:14,310 --> 00:26:12,159

incident he was out in the forest his

682

00:26:15,350 --> 00:26:14,320

name is mentioned on colonel halt's

683

00:26:17,430 --> 00:26:15,360

recording

684

00:26:19,190 --> 00:26:17,440

but yet when he applied for his benefits

685

00:26:21,110 --> 00:26:19,200

the air force said no he didn't enter

686

00:26:23,269 --> 00:26:21,120

the air force in 80 he entered

687

00:26:26,230 --> 00:26:23,279

the air force and i think their record

688

00:26:27,510 --> 00:26:26,240

said 82 or 83. they were trying to erase

689

00:26:30,149 --> 00:26:27,520

his records

690

00:26:32,789 --> 00:26:30,159

to make his story that he's been telling

691

00:26:34,149 --> 00:26:32,799

seem less credible yeah and and maybe a

692

00:26:35,909 --> 00:26:34,159

lot of people don't know this but he

693

00:26:37,909 --> 00:26:35,919

actually had to sue the government to

694

00:26:40,710 --> 00:26:37,919

get his own medical records which is

695

00:26:42,230 --> 00:26:40,720

crazy oh yeah yes sir that's exactly

696

00:26:43,990 --> 00:26:42,240

right yes sir

697

00:26:47,990 --> 00:26:44,000

and

698

00:26:50,149 --> 00:26:48,000

um not getting the medical records of

699

00:26:53,029 --> 00:26:50,159

let's say a spouse or a former spouse i

700

00:26:55,269 --> 00:26:53,039

mean that's not you but your own records

701

00:26:58,870 --> 00:26:55,279

i mean come on you know i mean i believe

702

00:27:03,669 --> 00:27:01,990

yeah i like to render some story but i

703

00:27:06,070 --> 00:27:03,679

always had a problem with the binary

704

00:27:07,269 --> 00:27:06,080

message because it seems strange to me

705

00:27:09,269 --> 00:27:07,279

that somebody would come from another

706

00:27:11,669 --> 00:27:09,279

star system and then communicate in

707

00:27:14,149 --> 00:27:11,679

binary which translate it to english

708

00:27:15,190 --> 00:27:14,159

somehow it's just kind of weird to me

709

00:27:20,549 --> 00:27:15,200

that's

710

00:27:22,310 --> 00:27:20,559

actually said on an interview and i

711

00:27:23,830 --> 00:27:22,320

agree with him that

712

00:27:26,470 --> 00:27:23,840

and i think

713

00:27:28,789 --> 00:27:26,480

sergeant penisten said this as well

714

00:27:31,269 --> 00:27:28,799

that after all this happened

715

00:27:33,510 --> 00:27:31,279

their opinion was that maybe

716

00:27:34,950 --> 00:27:33,520

what or whoever that was

717

00:27:36,389 --> 00:27:34,960

was

718

00:27:38,549 --> 00:27:36,399

time travel

719

00:27:40,070 --> 00:27:38,559

coming from the future now that's a

720

00:27:42,070 --> 00:27:40,080

theory

721

00:27:44,070 --> 00:27:42,080

they don't know that's always an

722

00:27:46,549 --> 00:27:44,080

interesting twist to me that it could be

723

00:27:48,549 --> 00:27:46,559

time traveling people and why would they

724

00:27:50,630 --> 00:27:48,559

be time traveling why would they

725

00:27:52,710 --> 00:27:50,640

communicate with someone from the past

726

00:27:55,029 --> 00:27:52,720

and why would they even be here

727

00:27:57,190 --> 00:27:55,039

yeah it's it's one of those tantalizing

728

00:27:58,549 --> 00:27:57,200

things about that story

729

00:28:00,870 --> 00:27:58,559

well i mean

730

00:28:03,750 --> 00:28:00,880

it's obvious to me and this is my

731

00:28:05,430 --> 00:28:03,760

opinion that something happened because

732

00:28:08,070 --> 00:28:05,440

they're messing with john burroughs

733

00:28:11,350 --> 00:28:08,080

records okay so something out of the

734

00:28:13,590 --> 00:28:11,360

ordinary happened out there in the woods

735

00:28:16,230 --> 00:28:13,600

so the question is

736

00:28:18,549 --> 00:28:16,240

we don't know we have to go on what they

737

00:28:20,070 --> 00:28:18,559

are telling us so

738

00:28:23,190 --> 00:28:20,080

if it was

739

00:28:24,149 --> 00:28:23,200

hypothetically if what was out there was

740

00:28:31,590 --> 00:28:24,159

a

741

00:28:34,389 --> 00:28:31,600

less credible in one respect but then

742

00:28:36,470 --> 00:28:34,399

again if it was a top secret

743

00:28:38,070 --> 00:28:36,480

government project that they don't want

744

00:28:39,990 --> 00:28:38,080

out they're gonna still mess with

745

00:28:42,230 --> 00:28:40,000

somebody's credibility

746

00:28:44,710 --> 00:28:42,240

so and i think the reason that's going

747

00:28:46,549 --> 00:28:44,720

on is because of all of the press that

748

00:28:48,470 --> 00:28:46,559

that story has gotten

749

00:28:50,789 --> 00:28:48,480

sure i mean so

750

00:28:54,070 --> 00:28:50,799

that may be why but matter of fact that

751

00:28:56,310 --> 00:28:54,080

probably is why well

752

00:28:58,870 --> 00:28:56,320

i always thought it could a lot of these

753

00:29:00,470 --> 00:28:58,880

denials of things also could have

754

00:29:02,630 --> 00:29:00,480

something to do with the fact that the

755

00:29:03,510 --> 00:29:02,640

united states military does not want to

756

00:29:07,029 --> 00:29:03,520

admit

757

00:29:09,190 --> 00:29:07,039

that some foreign entity is flying over

758

00:29:11,029 --> 00:29:09,200

our nuclear bases and they can't do

759

00:29:12,870 --> 00:29:11,039

anything to stop them

760

00:29:14,789 --> 00:29:12,880

that's scary

761

00:29:16,070 --> 00:29:14,799

oh i agree yeah because i live i live

762

00:29:17,510 --> 00:29:16,080

right here

763

00:29:19,830 --> 00:29:17,520

um

764

00:29:21,430 --> 00:29:19,840

my address is grow grove town georgia

765

00:29:23,029 --> 00:29:21,440

but it's a part of augusta and right

766

00:29:25,750 --> 00:29:23,039

here i'm right on the savannah river and

767

00:29:27,909 --> 00:29:25,760

we have savannah riverside which is a

768

00:29:30,149 --> 00:29:27,919

nuclear plant

769

00:29:31,510 --> 00:29:30,159

and we've had sightings out there i

770

00:29:32,710 --> 00:29:31,520

don't have the dates in front of you

771

00:29:35,269 --> 00:29:32,720

right now but

772

00:29:37,430 --> 00:29:35,279

they have been sightings over there over

773

00:29:38,549 --> 00:29:37,440

over that plant it's called srs plant

774

00:29:39,510 --> 00:29:38,559

vogel

775

00:29:43,990 --> 00:29:39,520

and

776

00:29:45,830 --> 00:29:44,000

that have been seen over there are not

777

00:29:48,549 --> 00:29:45,840

actual craft they're the foo fighter

778

00:29:51,350 --> 00:29:48,559

balls of light ufos

779

00:29:54,950 --> 00:29:52,789

yes sir

780

00:29:56,870 --> 00:29:54,960

we have drones but those foo fighters

781

00:29:58,470 --> 00:29:56,880

could be alien drones

782

00:30:00,149 --> 00:29:58,480

or they could be interdimensional

783

00:30:01,990 --> 00:30:00,159

there's you know that's just the theory

784

00:30:04,230 --> 00:30:02,000

you know we don't know the only thing we

785

00:30:06,310 --> 00:30:04,240

know is the sightings that happen

786

00:30:08,870 --> 00:30:06,320

that's all we know

787

00:30:11,190 --> 00:30:08,880

and we know that ufos for some reason

788

00:30:13,029 --> 00:30:11,200

are often seen over nuclear sites which

789

00:30:14,789 --> 00:30:13,039

is very interesting to me in and of

790

00:30:16,230 --> 00:30:14,799

itself and a lot of people have theories

791

00:30:17,510 --> 00:30:16,240

that that's why they're here they're

792

00:30:19,430 --> 00:30:17,520

checking in on

793

00:30:20,149 --> 00:30:19,440

technological development

794

00:30:22,310 --> 00:30:20,159

and

795

00:30:23,590 --> 00:30:22,320

basically like the kids got the matches

796

00:30:26,870 --> 00:30:23,600

now let's see what are they going to do

797

00:30:29,430 --> 00:30:26,880

with these matches i think i think that

798

00:30:31,990 --> 00:30:29,440

they do not want us to take nuclear

799

00:30:34,230 --> 00:30:32,000

power off of the planet that's my theory

800

00:30:36,710 --> 00:30:34,240

yeah i don't know of course i don't know

801

00:30:38,789 --> 00:30:36,720

but i just interviewed stephen bassett

802

00:30:40,870 --> 00:30:38,799

and uh from the paradigm research group

803

00:30:44,389 --> 00:30:40,880

and that's his big theory of why they're

804

00:30:46,710 --> 00:30:44,399

here is that they will not allow us at

805

00:30:48,950 --> 00:30:46,720

any time in any way they are not going

806

00:30:50,950 --> 00:30:48,960

to allow us to take nuclear weapons into

807

00:30:52,630 --> 00:30:50,960

space because that could endanger them

808

00:30:55,110 --> 00:30:52,640

in their world

809

00:30:57,509 --> 00:30:55,120

amen it sure would yeah and

810

00:30:58,789 --> 00:30:57,519

that is a believable scenario you know

811

00:31:03,750 --> 00:30:58,799

let's say

812

00:31:05,590 --> 00:31:03,760

you're doing something on your property

813

00:31:07,750 --> 00:31:05,600

that could hurt me i'm going to do

814

00:31:11,190 --> 00:31:07,760

everything in the world i can do to keep

815

00:31:12,950 --> 00:31:11,200

you on your on your land type you know

816

00:31:14,470 --> 00:31:12,960

they're doing the same thing

817

00:31:16,070 --> 00:31:14,480

okay there's like okay you want to

818

00:31:18,149 --> 00:31:16,080

destroy your world just

819

00:31:20,070 --> 00:31:18,159

destroy your own don't mess up our you

820

00:31:21,909 --> 00:31:20,080

know don't bring this you know over here

821

00:31:25,269 --> 00:31:21,919

that makes sense

822

00:31:26,630 --> 00:31:25,279

you know so i agree with mr bassett

823

00:31:28,470 --> 00:31:26,640

yeah i've always found it really

824

00:31:30,149 --> 00:31:28,480

interesting and a little bit scary that

825

00:31:31,190 --> 00:31:30,159

they're flying right over our military

826
00:31:33,430 --> 00:31:31,200
bases

827
00:31:34,950 --> 00:31:33,440
even interfering with launch codes and

828
00:31:37,509 --> 00:31:34,960
things like that

829
00:31:39,350 --> 00:31:37,519
and almost in a mocking way to show us

830
00:31:41,430 --> 00:31:39,360
like your weapons are useless against us

831
00:31:43,029 --> 00:31:41,440
we can control them we can stop you from

832
00:31:43,750 --> 00:31:43,039
launching these things

833
00:31:46,310 --> 00:31:43,760
that

834
00:31:48,710 --> 00:31:46,320
is so freaky

835
00:31:49,830 --> 00:31:48,720
well that just shows just how advanced

836
00:31:51,430 --> 00:31:49,840
they are

837
00:31:53,110 --> 00:31:51,440
and how

838
00:31:54,470 --> 00:31:53,120

someone

839

00:31:56,710 --> 00:31:54,480

like them

840

00:31:59,029 --> 00:31:56,720

is trying to get us caught up you know

841

00:32:00,549 --> 00:31:59,039

with giving us stealth and what have you

842

00:32:02,230 --> 00:32:00,559

and i've always wondered you know i was

843

00:32:05,110 --> 00:32:02,240

like well you know if eisenhower made

844

00:32:07,590 --> 00:32:05,120

this deal why do we still have

845

00:32:09,350 --> 00:32:07,600

unknowns monitoring these

846

00:32:11,830 --> 00:32:09,360

um

847

00:32:14,310 --> 00:32:11,840

nuclear sites and my theory is okay it

848

00:32:17,190 --> 00:32:14,320

obviously is not whoever i talk to i

849

00:32:19,190 --> 00:32:17,200

know that sounds kind of uneducated but

850

00:32:21,350 --> 00:32:19,200

whoever he made the deal with whoever's

851
00:32:23,669 --> 00:32:21,360
flying over is not the same race

852
00:32:25,990 --> 00:32:23,679
evidently yeah there's a lot of theories

853
00:32:28,389 --> 00:32:26,000
that there's multiple species oh yeah

854
00:32:30,070 --> 00:32:28,399
visiting us i believe it was

855
00:32:32,230 --> 00:32:30,080
i believe it was

856
00:32:34,710 --> 00:32:32,240
now don't quote me on this but i think

857
00:32:38,230 --> 00:32:34,720
it was paul hellyer

858
00:32:41,269 --> 00:32:38,240
that said there's somewhere between

859
00:32:43,990 --> 00:32:41,279
8 and 15 and don't quote me on these

860
00:32:45,990 --> 00:32:44,000
numbers but it's a multiple number like

861
00:32:47,909 --> 00:32:46,000
that that he said that has been visiting

862
00:32:50,470 --> 00:32:47,919
this planet but those were his words

863
00:32:51,990 --> 00:32:50,480

that it was multiple races and i think

864

00:32:53,909 --> 00:32:52,000

the numbers he said was somewhere

865

00:32:54,950 --> 00:32:53,919

between 8 and 15. yeah i think you're

866

00:32:57,750 --> 00:32:54,960

correct

867

00:32:58,789 --> 00:32:57,760

i think i think you're right

868

00:33:07,190 --> 00:32:58,799

um

869

00:33:08,950 --> 00:33:07,200

we're different in a lot of ways i'm i

870

00:33:10,630 --> 00:33:08,960

might be taller than you

871

00:33:12,310 --> 00:33:10,640

may weigh more than you

872

00:33:13,990 --> 00:33:12,320

you may have longer have an eye but

873

00:33:15,350 --> 00:33:14,000

we're still human we have a heart in our

874

00:33:17,190 --> 00:33:15,360

chest that deep

875

00:33:19,190 --> 00:33:17,200

pumps blood through our body so we're

876

00:33:21,669 --> 00:33:19,200

you and i are human beings

877

00:33:22,549 --> 00:33:21,679

there can be many races of aliens out

878

00:33:23,509 --> 00:33:22,559

there

879

00:33:25,669 --> 00:33:23,519

that

880

00:33:29,590 --> 00:33:25,679

might be kind to each other but look

881

00:33:31,590 --> 00:33:29,600

different as we do so it's a possibility

882

00:33:33,590 --> 00:33:31,600

just because we don't know for sure we

883

00:33:35,190 --> 00:33:33,600

shouldn't say that's not it's not safe

884

00:33:37,669 --> 00:33:35,200

but that's just what

885

00:33:39,990 --> 00:33:37,679

society does out of sight out of mind

886

00:33:42,149 --> 00:33:40,000

that's why you know

887

00:33:44,950 --> 00:33:42,159

that that's the way the world is we're

888

00:33:47,590 --> 00:33:44,960

taught that all of this stuff is fake

889

00:33:49,029 --> 00:33:47,600

it's nothing but science fiction and i

890

00:33:51,110 --> 00:33:49,039

know you and i talked about this the

891

00:33:53,750 --> 00:33:51,120

other day but it it's kind of like

892

00:33:56,710 --> 00:33:53,760

operation mockingbird you know the cia's

893

00:33:58,549 --> 00:33:56,720

involvement in hollywood sure yeah um

894

00:34:00,470 --> 00:33:58,559

and you know a lot of people thought

895

00:34:02,710 --> 00:34:00,480

that was crazy until it came out that it

896

00:34:04,789 --> 00:34:02,720

was absolutely true

897

00:34:08,550 --> 00:34:04,799

oh yeah the cia admitted it

898

00:34:09,669 --> 00:34:08,560

sure um and the one that's to me that's

899

00:34:12,149 --> 00:34:09,679

like

900

00:34:14,629 --> 00:34:12,159

i guess mud your eye type thing is the

901
00:34:17,109 --> 00:34:14,639
fact that in the 1970s there was the

902
00:34:19,190 --> 00:34:17,119
show space 1999.

903
00:34:21,589 --> 00:34:19,200
well what is that show about it was

904
00:34:23,109 --> 00:34:21,599
about a military outpost on the moon ran

905
00:34:24,950 --> 00:34:23,119
by earthlings

906
00:34:27,109 --> 00:34:24,960
in other words it was project horizon up

907
00:34:28,629 --> 00:34:27,119
on up on the tv screen

908
00:34:30,470 --> 00:34:28,639
but people didn't know about project

909
00:34:32,470 --> 00:34:30,480
horizon in the seventh

910
00:34:33,430 --> 00:34:32,480
so what do you do you put it on tv

911
00:34:35,109 --> 00:34:33,440
screen

912
00:34:37,669 --> 00:34:35,119
nobody's going to take it serious and

913
00:34:39,270 --> 00:34:37,679

you can have a basically a secret space

914

00:34:40,550 --> 00:34:39,280

program going on and nobody's going to

915

00:34:43,030 --> 00:34:40,560

think about it they're only going to

916

00:34:45,750 --> 00:34:43,040

think about the apollo stuff

917

00:34:47,510 --> 00:34:45,760

because that's what they see on the news

918

00:34:48,869 --> 00:34:47,520

you know that's been going on since the

919

00:34:50,069 --> 00:34:48,879

50s

920

00:34:51,510 --> 00:34:50,079

you know

921

00:34:53,750 --> 00:34:51,520

i tried to tell somebody that they told

922

00:34:55,829 --> 00:34:53,760

me i was crazy until i showed them the

923

00:34:57,910 --> 00:34:55,839

thing about project horizon and they

924

00:34:59,910 --> 00:34:57,920

were speechless they did not respond to

925

00:35:01,510 --> 00:34:59,920

it they couldn't because

926

00:35:03,670 --> 00:35:01,520

they couldn't believe it

927

00:35:05,670 --> 00:35:03,680

i said on my project go ahead i was

928

00:35:06,950 --> 00:35:05,680

going to ask you know i i've talked to a

929

00:35:08,790 --> 00:35:06,960

lot of people who think there's some

930

00:35:11,589 --> 00:35:08,800

sort of bases on the moon

931

00:35:13,670 --> 00:35:11,599

and i mean i got a telescope and i don't

932

00:35:15,750 --> 00:35:13,680

see anything out of the ordinary at

933

00:35:17,190 --> 00:35:15,760

least on the side of the moon that faces

934

00:35:18,550 --> 00:35:17,200

us so

935

00:35:19,990 --> 00:35:18,560

that would mean that it would have to be

936

00:35:21,670 --> 00:35:20,000

on the dark side of the moon and it

937

00:35:23,829 --> 00:35:21,680

would also mean

938

00:35:25,750 --> 00:35:23,839

that nasa has to scrub some of the

939

00:35:28,710 --> 00:35:25,760

photos and there's been some evidence

940

00:35:31,109 --> 00:35:28,720

that that takes place of the scrubbing

941

00:35:33,510 --> 00:35:31,119

of the photos so that you don't see

942

00:35:34,950 --> 00:35:33,520

geometric structures on the dark side of

943

00:35:36,550 --> 00:35:34,960

the moon

944

00:35:39,349 --> 00:35:36,560

let me tell you brother i've got some

945

00:35:41,109 --> 00:35:39,359

pictures i will afford you of artificial

946

00:35:44,630 --> 00:35:41,119

structures from the moon that will blow

947

00:35:48,950 --> 00:35:46,790

anyone listening if you email me or

948

00:35:50,069 --> 00:35:48,960

contact me on facebook i will send them

949

00:35:53,750 --> 00:35:50,079

to you

950

00:35:56,870 --> 00:35:53,760

because they're hard to deny

951
00:35:58,950 --> 00:35:56,880
some of these structures are similar

952
00:36:00,470 --> 00:35:58,960
one of them is similar to the georgia

953
00:36:01,910 --> 00:36:00,480
guide stones

954
00:36:03,990 --> 00:36:01,920
and if you've ever seen a picture of the

955
00:36:06,390 --> 00:36:04,000
georgia guide stone that's what this

956
00:36:08,390 --> 00:36:06,400
artificial these artificial structures

957
00:36:10,710 --> 00:36:08,400
look like i'm how when we get done with

958
00:36:13,510 --> 00:36:10,720
our energy right i will forward them to

959
00:36:15,910 --> 00:36:13,520
you sure sure um and i can put them on

960
00:36:17,349 --> 00:36:15,920
i can put them up when when

961
00:36:20,470 --> 00:36:17,359
well this show is going to air on the

962
00:36:22,310 --> 00:36:20,480
fringe fm but then it will also be in in

963
00:36:23,910 --> 00:36:22,320

in youtube form so i can put them up on

964

00:36:25,349 --> 00:36:23,920

the screen as well while we're talking

965

00:36:26,550 --> 00:36:25,359

about this if you send them totally

966

00:36:28,069 --> 00:36:26,560

absolutely

967

00:36:29,349 --> 00:36:28,079

um

968

00:36:32,069 --> 00:36:29,359

donna hare

969

00:36:34,790 --> 00:36:32,079

she worked at nasa and i and god i

970

00:36:38,710 --> 00:36:34,800

cannot remember what her job title was

971

00:36:39,750 --> 00:36:38,720

donna hare was looking at a picture

972

00:36:42,150 --> 00:36:39,760

of

973

00:36:43,670 --> 00:36:42,160

an unknown and she asked another

974

00:36:45,190 --> 00:36:43,680

associate now i'm saying associate

975

00:36:46,790 --> 00:36:45,200

meeting employee because i don't know

976

00:36:48,150 --> 00:36:46,800

what that that other this gentleman's

977

00:36:49,750 --> 00:36:48,160

job title was

978

00:36:51,990 --> 00:36:49,760

she asked this man she says is that a

979

00:36:53,190 --> 00:36:52,000

ufo and he sat back in his chair and

980

00:36:55,589 --> 00:36:53,200

looked at you

981

00:36:57,510 --> 00:36:55,599

and looked at miss hair and said i'm not

982

00:36:59,430 --> 00:36:57,520

supposed to say that

983

00:37:00,710 --> 00:36:59,440

now that doesn't mean that they know

984

00:37:03,349 --> 00:37:00,720

what it is

985

00:37:05,270 --> 00:37:03,359

but that's when she realized nasa was

986

00:37:07,510 --> 00:37:05,280

airbrushing things out of photos before

987

00:37:09,430 --> 00:37:07,520

they're published

988

00:37:11,190 --> 00:37:09,440

yeah there's been multiple there's

989

00:37:13,990 --> 00:37:11,200

actually been multiple reports besides

990

00:37:16,550 --> 00:37:14,000

her i've i've got in my i got a moon

991

00:37:19,190 --> 00:37:16,560

file folder here and i've got multiple

992

00:37:22,069 --> 00:37:19,200

reports of people seeing

993

00:37:24,310 --> 00:37:22,079

the unretouched photos that show

994

00:37:27,589 --> 00:37:24,320

geometric structures and things on the

995

00:37:29,109 --> 00:37:27,599

moon and it could be ruins it could be

996

00:37:32,069 --> 00:37:29,119

you know it could be

997

00:37:35,190 --> 00:37:32,079

man-made but obviously some things

998

00:37:38,069 --> 00:37:35,200

you could see in the photos that's not

999

00:37:41,510 --> 00:37:38,079

like a natural formation from geology

1000

00:37:47,829 --> 00:37:43,750

or intelligently constructed

1001
00:37:50,230 --> 00:37:47,839
manufactured you know something

1002
00:37:52,550 --> 00:37:50,240
i've got some pictures of and i don't

1003
00:37:55,589 --> 00:37:52,560
know how to explain

1004
00:37:57,990 --> 00:37:55,599
what this is but it's

1005
00:38:00,069 --> 00:37:58,000
um it's pictures of an artificial

1006
00:38:01,510 --> 00:38:00,079
structure on the moon

1007
00:38:04,230 --> 00:38:01,520
that is

1008
00:38:07,109 --> 00:38:04,240
illustrating an electrical

1009
00:38:09,750 --> 00:38:08,150
now

1010
00:38:11,190 --> 00:38:09,760
i'm going to send you the pictures later

1011
00:38:13,750 --> 00:38:11,200
this evening when you look at them

1012
00:38:17,030 --> 00:38:13,760
you'll understand what i mean

1013
00:38:18,870 --> 00:38:17,040

for the moon to be a desolate world

1014

00:38:21,349 --> 00:38:18,880

why is that there

1015

00:38:23,030 --> 00:38:21,359

okay something's going on that we don't

1016

00:38:24,630 --> 00:38:23,040

know about

1017

00:38:27,750 --> 00:38:24,640

okay so

1018

00:38:30,390 --> 00:38:27,760

somebody's doing something there or

1019

00:38:33,030 --> 00:38:30,400

the artificial structures were put there

1020

00:38:34,390 --> 00:38:33,040

by somebody

1021

00:38:37,349 --> 00:38:34,400

maybe not us

1022

00:38:39,750 --> 00:38:37,359

but somebody because

1023

00:38:41,910 --> 00:38:39,760

an artificial structure does not just

1024

00:38:43,510 --> 00:38:41,920

magically grow

1025

00:38:45,190 --> 00:38:43,520

in a

1026

00:38:47,349 --> 00:38:45,200

natural environment i guess is how i

1027

00:38:48,550 --> 00:38:47,359

guess i want to say that but

1028

00:38:50,390 --> 00:38:48,560

um

1029

00:38:52,150 --> 00:38:50,400

it's got to be put there purposely

1030

00:38:54,150 --> 00:38:52,160

that's like the pyramids they were built

1031

00:38:56,310 --> 00:38:54,160

they were purposely put there

1032

00:38:58,069 --> 00:38:56,320

sure um some of those pictures i'm going

1033

00:39:01,109 --> 00:38:58,079

to show you you'll see in your inbox

1034

00:39:02,950 --> 00:39:01,119

later is going to be amazing and i'm not

1035

00:39:04,550 --> 00:39:02,960

bragging i'm just i just know what they

1036

00:39:06,790 --> 00:39:04,560

are and i can't believe that they are

1037

00:39:07,510 --> 00:39:06,800

what they are now i can't say how i got

1038

00:39:09,829 --> 00:39:07,520

them

1039

00:39:11,829 --> 00:39:09,839

but i'm happy to share it with you yeah

1040

00:39:14,550 --> 00:39:11,839

i'd love to see them and you know i i

1041

00:39:16,390 --> 00:39:14,560

talked i talked to a geologist myself

1042

00:39:18,230 --> 00:39:16,400

about some of this stuff and showed him

1043

00:39:18,950 --> 00:39:18,240

some pictures that i have

1044

00:39:21,030 --> 00:39:18,960

and

1045

00:39:23,190 --> 00:39:21,040

uh the gist of the conversation with him

1046

00:39:27,589 --> 00:39:23,200

went like this

1047

00:39:31,349 --> 00:39:27,599

geology does not create 90 degree angles

1048

00:39:34,950 --> 00:39:31,359

it certainly does not create rectangular

1049

00:39:37,030 --> 00:39:34,960

formations that look like they have four

1050

00:39:39,270 --> 00:39:37,040

90 degree angles

1051

00:39:41,109 --> 00:39:39,280

so you know and there's

1052

00:39:43,910 --> 00:39:41,119

i i know that there's a lot of people

1053

00:39:45,670 --> 00:39:43,920

though that do push some pictures that

1054

00:39:48,390 --> 00:39:45,680

i don't believe are

1055

00:39:49,750 --> 00:39:48,400

our actual structures you know and i i

1056

00:39:50,950 --> 00:39:49,760

sometimes i have a problem with some of

1057

00:39:53,430 --> 00:39:50,960

these people because they have these

1058

00:39:55,510 --> 00:39:53,440

super grainy old pictures and you know

1059

00:39:58,150 --> 00:39:55,520

we have telescopes we have

1060

00:39:59,270 --> 00:39:58,160

uh we have but then again we can't see

1061

00:40:01,270 --> 00:39:59,280

the dark side of the moon with a

1062

00:40:03,349 --> 00:40:01,280

telescope but there's satellite imaging

1063

00:40:05,270 --> 00:40:03,359

that shows nothing of the dark side of

1064

00:40:07,349 --> 00:40:05,280

the moon there's there's moon satellites

1065

00:40:09,270 --> 00:40:07,359

that did the topic

1066

00:40:10,950 --> 00:40:09,280

have you ever have you ever wondered

1067

00:40:13,270 --> 00:40:10,960

this reason for that

1068

00:40:15,030 --> 00:40:13,280

sure and like i said i believe that i

1069

00:40:16,710 --> 00:40:15,040

believe that there's ample evidence that

1070

00:40:17,829 --> 00:40:16,720

nasa and other organizations have

1071

00:40:23,109 --> 00:40:17,839

scrubbed

1072

00:40:24,870 --> 00:40:23,119

before we get to see them and taken out

1073

00:40:26,230 --> 00:40:24,880

things that appear to be man-made

1074

00:40:28,870 --> 00:40:26,240

structures or

1075

00:40:30,069 --> 00:40:28,880

geometrical or you know

1076

00:40:31,910 --> 00:40:30,079

so that that

1077

00:40:34,309 --> 00:40:31,920

could explain it but it's it's one of

1078

00:40:36,230 --> 00:40:34,319

those mysteries and it's intriguing and

1079

00:40:38,510 --> 00:40:36,240

it's tantalizing and it's fun to look at

1080

00:40:41,270 --> 00:40:38,520

these pictures and just from a

1081

00:40:42,550 --> 00:40:41,280

philosophical standpoint like just think

1082

00:40:43,589 --> 00:40:42,560

about what

1083

00:40:45,510 --> 00:40:43,599

what

1084

00:40:46,309 --> 00:40:45,520

is going on could they really be there

1085

00:40:48,950 --> 00:40:46,319

and

1086

00:40:52,069 --> 00:40:48,960

i've always wondered what what purpose

1087

00:40:53,990 --> 00:40:52,079

then i mean if it's a man-made base

1088

00:40:55,510 --> 00:40:54,000

that well you're gonna look you're gonna

1089

00:40:56,950 --> 00:40:55,520

love this

1090

00:40:58,790 --> 00:40:56,960

you're gonna love what i'm fixing to

1091

00:41:01,190 --> 00:40:58,800

tell you sure you're talking about

1092

00:41:03,829 --> 00:41:01,200

you're talking about nasa scrubbing or

1093

00:41:07,030 --> 00:41:03,839

airbrushing these pictures okay

1094

00:41:08,790 --> 00:41:07,040

i've got some images and this is this is

1095

00:41:11,030 --> 00:41:08,800

almost kind of like the evidence that

1096

00:41:14,630 --> 00:41:11,040

perry mason would bring out in the last

1097

00:41:16,309 --> 00:41:14,640

10 minutes of an episode to win its take

1098

00:41:18,950 --> 00:41:16,319

yeah yeah i went to old school there the

1099

00:41:22,150 --> 00:41:18,960

gotcha man i've got sir i've got some

1100

00:41:24,470 --> 00:41:22,160

pictures of two

1101
00:41:25,510 --> 00:41:24,480
nasa employees

1102
00:41:28,069 --> 00:41:25,520
okay

1103
00:41:30,710 --> 00:41:28,079
they're sitting at a desk

1104
00:41:32,550 --> 00:41:30,720
under the arm of one of these employees

1105
00:41:40,069 --> 00:41:32,560
is a picture

1106
00:41:41,109 --> 00:41:40,079
of an artificial square structure on the

1107
00:41:43,510 --> 00:41:41,119
moon

1108
00:41:45,670 --> 00:41:43,520
so that tells me that nasa is aware of

1109
00:41:47,750 --> 00:41:45,680
these things nice when you see these

1110
00:41:49,589 --> 00:41:47,760
when you see these pictures you're gonna

1111
00:41:51,030 --> 00:41:49,599
you're gonna um

1112
00:41:52,550 --> 00:41:51,040
you're gonna fall on the floor so you

1113
00:41:53,430 --> 00:41:52,560

might as well sit down before you look

1114

00:41:54,790 --> 00:41:53,440

at them

1115

00:41:56,390 --> 00:41:54,800

because

1116

00:41:58,710 --> 00:41:56,400

if you think about

1117

00:42:01,829 --> 00:41:58,720

the moment that these pictures were

1118

00:42:03,349 --> 00:42:01,839

taken of these nasa

1119

00:42:05,910 --> 00:42:03,359

that the fact that they had these

1120

00:42:10,309 --> 00:42:05,920

pictures laying on their desk

1121

00:42:13,510 --> 00:42:10,319

what does this mean to our reality okay

1122

00:42:15,190 --> 00:42:13,520

it's not what we've been told it is or

1123

00:42:16,870 --> 00:42:15,200

we know that now there's something we're

1124

00:42:19,349 --> 00:42:16,880

not being told

1125

00:42:21,829 --> 00:42:19,359

for some reason there are artificial

1126
00:42:23,589 --> 00:42:21,839
structures on that moon which means

1127
00:42:26,309 --> 00:42:23,599
does it really mean that the moon is

1128
00:42:27,829 --> 00:42:26,319
artificial like people have theorized

1129
00:42:29,030 --> 00:42:27,839
it could be

1130
00:42:33,349 --> 00:42:29,040
i personally don't know because i've

1131
00:42:37,270 --> 00:42:35,510
yeah i've heard that artificial moon

1132
00:42:38,870 --> 00:42:37,280
theory and there's some compelling

1133
00:42:40,710 --> 00:42:38,880
evidence to that

1134
00:42:42,870 --> 00:42:40,720
and uh that's another one of those

1135
00:42:46,790 --> 00:42:42,880
mysteries that'll keep you tantalized

1136
00:42:51,829 --> 00:42:47,510
if

1137
00:42:53,589 --> 00:42:51,839
never know it

1138
00:42:56,069 --> 00:42:53,599

it's one of those need to know things

1139

00:42:58,710 --> 00:42:56,079

that very few people will know unless

1140

00:43:01,109 --> 00:42:58,720

it's a life or death situation

1141

00:43:03,829 --> 00:43:01,119

and i don't see

1142

00:43:06,390 --> 00:43:03,839

that knowing that the moon is artificial

1143

00:43:08,309 --> 00:43:06,400

is a life or death scenario you know

1144

00:43:10,630 --> 00:43:08,319

because it's you know

1145

00:43:12,870 --> 00:43:10,640

um but you know they say operation

1146

00:43:15,910 --> 00:43:12,880

mockingbird you put real intel in

1147

00:43:18,390 --> 00:43:15,920

hollywood and what did ben kenobi say

1148

00:43:20,230 --> 00:43:18,400

that's no moon that's a space station

1149

00:43:22,630 --> 00:43:20,240

i mean maybe they i mean

1150

00:43:25,510 --> 00:43:22,640

maybe maybe they're telling us something

1151

00:43:26,870 --> 00:43:25,520

i mean it's just a theory the thought

1152

00:43:28,230 --> 00:43:26,880

you know you know

1153

00:43:30,550 --> 00:43:28,240

yeah it's definitely something to think

1154

00:43:33,349 --> 00:43:30,560

about especially because

1155

00:43:35,589 --> 00:43:33,359

if you if you kind of uh look up or

1156

00:43:38,550 --> 00:43:35,599

research what would what the earth would

1157

00:43:39,190 --> 00:43:38,560

be like without the moon

1158

00:43:43,109 --> 00:43:39,200

it's

1159

00:43:45,829 --> 00:43:43,119

completely different place it would be

1160

00:43:47,270 --> 00:43:45,839

probably unable to support complex life

1161

00:43:49,589 --> 00:43:47,280

forms

1162

00:43:52,230 --> 00:43:49,599

but the moon does an awful lot to make

1163

00:43:53,270 --> 00:43:52,240

the earth work so perfectly

1164

00:43:55,270 --> 00:43:53,280

right

1165

00:43:57,589 --> 00:43:55,280

well it's there for a reason i mean i

1166

00:43:58,710 --> 00:43:57,599

think everything is in place for a

1167

00:44:01,270 --> 00:43:58,720

reason

1168

00:44:02,710 --> 00:44:01,280

but for me to go through life i may not

1169

00:44:04,710 --> 00:44:02,720

need to know

1170

00:44:07,349 --> 00:44:04,720

what that reason is but i know that

1171

00:44:09,750 --> 00:44:07,359

there's a reason that exists

1172

00:44:13,030 --> 00:44:09,760

i may not know what it is but

1173

00:44:15,510 --> 00:44:13,040

um and this has been a wild conversation

1174

00:44:17,349 --> 00:44:15,520

yeah you know what's funny too is like i

1175

00:44:19,190 --> 00:44:17,359

i like the people that are just absolute

1176

00:44:21,030 --> 00:44:19,200

deniers that there's a secret space

1177

00:44:23,829 --> 00:44:21,040

program and you know what i do

1178

00:44:25,430 --> 00:44:23,839

i ask them if they know what the x-37b

1179

00:44:27,190 --> 00:44:25,440

is and what it does

1180

00:44:28,790 --> 00:44:27,200

and most people don't even know that

1181

00:44:31,030 --> 00:44:28,800

that exists

1182

00:44:33,510 --> 00:44:31,040

and oh yeah certainly certainly they

1183

00:44:35,109 --> 00:44:33,520

don't know what it does because nobody

1184

00:44:37,910 --> 00:44:35,119

the government won't tell us what it

1185

00:44:39,910 --> 00:44:37,920

does but there have been missions with

1186

00:44:42,309 --> 00:44:39,920

that x-37b

1187

00:44:43,430 --> 00:44:42,319

has been orbiting the earth for like

1188

00:44:48,790 --> 00:44:43,440

a year

1189

00:44:51,109 --> 00:44:48,800

straight that we don't we don't get to

1190

00:44:54,550 --> 00:44:53,030

i'll tell you this much i had a nasa

1191

00:44:57,910 --> 00:44:54,560

person tell me

1192

00:45:00,790 --> 00:44:57,920

that yes it is a nasa vehicle yes we

1193

00:45:04,550 --> 00:45:00,800

have it it is considered a declassified

1194

00:45:06,309 --> 00:45:04,560

project and it is um unmanned

1195

00:45:09,030 --> 00:45:06,319

and it is remotely controlled and that's

1196

00:45:11,430 --> 00:45:09,040

all they said which is okay

1197

00:45:12,550 --> 00:45:11,440

you know no big deal you know because

1198

00:45:15,030 --> 00:45:12,560

you can

1199

00:45:17,510 --> 00:45:15,040

it's us air force

1200

00:45:19,430 --> 00:45:17,520

related i mean so

1201

00:45:21,910 --> 00:45:19,440

i guess if i need to know they'll tell

1202

00:45:23,910 --> 00:45:21,920

me but you know i basically emailed nasa

1203

00:45:25,990 --> 00:45:23,920

and asked them you know

1204

00:45:27,910 --> 00:45:26,000

what it did just to see what they would

1205

00:45:30,390 --> 00:45:27,920

tell me and that's all was said to be an

1206

00:45:33,670 --> 00:45:30,400

email so evidently that's all they want

1207

00:45:35,829 --> 00:45:33,680

me to know what you're fine no big deal

1208

00:45:36,790 --> 00:45:35,839

yeah i don't know about the declassified

1209

00:45:38,630 --> 00:45:36,800

thing though because if it was

1210

00:45:41,030 --> 00:45:38,640

completely declassified they'd be okay

1211

00:45:42,790 --> 00:45:41,040

with telling everybody what it's doing

1212

00:45:44,870 --> 00:45:42,800

i think that things launching spy

1213

00:45:47,109 --> 00:45:44,880

satellites i think that thing might be

1214

00:45:49,109 --> 00:45:47,119

interacting with foreign satellites it

1215

00:45:50,870 --> 00:45:49,119

might be doing a great deal of things it

1216

00:45:52,470 --> 00:45:50,880

leads to a great deal of speculation

1217

00:45:53,829 --> 00:45:52,480

because they won't tell us what it's

1218

00:45:56,550 --> 00:45:53,839

doing up there

1219

00:45:57,750 --> 00:45:56,560

but it's very it's a very active program

1220

00:46:00,150 --> 00:45:57,760

though

1221

00:46:02,309 --> 00:46:00,160

especially since our shuttle program is

1222

00:46:04,230 --> 00:46:02,319

in mothballs now and we don't even have

1223

00:46:07,270 --> 00:46:04,240

a proper launch vehicle anymore so

1224

00:46:09,750 --> 00:46:07,280

they've kind of went to this robotic

1225

00:46:12,069 --> 00:46:09,760

thing you know it's basically like a

1226

00:46:14,069 --> 00:46:12,079

a space drone right now but we don't

1227

00:46:15,990 --> 00:46:14,079

know what it does we don't know what its

1228

00:46:18,309 --> 00:46:16,000

missions are we don't know what it's

1229

00:46:20,069 --> 00:46:18,319

doing up there

1230

00:46:22,230 --> 00:46:20,079

you know everyone is talking about the

1231

00:46:23,589 --> 00:46:22,240

fact that you know if i mention

1232

00:46:24,950 --> 00:46:23,599

something to someone about the secret

1233

00:46:26,710 --> 00:46:24,960

space program

1234

00:46:29,109 --> 00:46:26,720

uh

1235

00:46:30,950 --> 00:46:29,119

one time i asked this one lady i said

1236

00:46:33,349 --> 00:46:30,960

well let me ask you a question are you

1237

00:46:35,030 --> 00:46:33,359

aware of two companies known as spacex

1238

00:46:36,870 --> 00:46:35,040

and bigelow aerospace

1239

00:46:38,630 --> 00:46:36,880

and she said i've heard of spacex but i

1240

00:46:40,550 --> 00:46:38,640

don't know about the other one i'm like

1241

00:46:42,630 --> 00:46:40,560

okay

1242

00:46:45,030 --> 00:46:42,640

if you pay attention to the news anytime

1243

00:46:46,309 --> 00:46:45,040

spacex launches something

1244

00:46:48,870 --> 00:46:46,319

they're launching something from

1245

00:46:51,349 --> 00:46:48,880

vandenberg air force base in california

1246

00:46:55,030 --> 00:46:51,359

now have you noticed that nasa hasn't

1247

00:46:56,790 --> 00:46:55,040

done that many launches and spacex is

1248

00:46:58,550 --> 00:46:56,800

and she started to think about it she

1249

00:46:59,510 --> 00:46:58,560

goes yeah i think you're right i was

1250

00:47:00,870 --> 00:46:59,520

like well

1251
00:47:03,109 --> 00:47:00,880
have you ever thought about the fact

1252
00:47:05,910 --> 00:47:03,119
that spacex and bigelow aerospace are

1253
00:47:08,470 --> 00:47:05,920
actually working with nasa

1254
00:47:11,349 --> 00:47:08,480
yeah she didn't put two and two together

1255
00:47:13,349 --> 00:47:11,359
and i explained to her how what bigelow

1256
00:47:14,470 --> 00:47:13,359
aerospace does about building the living

1257
00:47:16,390 --> 00:47:14,480
pods and

1258
00:47:17,670 --> 00:47:16,400
what you know elon musk is doing with

1259
00:47:19,190 --> 00:47:17,680
his company

1260
00:47:22,230 --> 00:47:19,200
and she said well why are they doing

1261
00:47:25,270 --> 00:47:22,240
that i said how did we start this um

1262
00:47:28,790 --> 00:47:25,280
conversation we started it with the term

1263
00:47:31,030 --> 00:47:28,800

secret space program didn't i she goes

1264

00:47:33,510 --> 00:47:31,040

oh my god

1265

00:47:35,190 --> 00:47:33,520

then it it clicked in her mind that

1266

00:47:37,030 --> 00:47:35,200

something was going on we're not totally

1267

00:47:39,589 --> 00:47:37,040

being told about

1268

00:47:41,430 --> 00:47:39,599

and this was the same day

1269

00:47:43,670 --> 00:47:41,440

that president trump mentioned the term

1270

00:47:45,910 --> 00:47:43,680

space force on television and i

1271

00:47:49,190 --> 00:47:45,920

explained to her i said that's

1272

00:47:53,030 --> 00:47:49,200

disclosure in my opinion disclosure on

1273

00:47:55,030 --> 00:47:53,040

solar warden but it won't be called that

1274

00:47:56,950 --> 00:47:55,040

and i've never forget her eyes just got

1275

00:47:58,230 --> 00:47:56,960

real big she goes i can't believe i

1276
00:48:00,390 --> 00:47:58,240
didn't know i said are you not supposed

1277
00:48:02,069 --> 00:48:00,400
enough

1278
00:48:04,870 --> 00:48:02,079
yeah exactly she asked me that's the

1279
00:48:07,829 --> 00:48:04,880
point it's called a secret space program

1280
00:48:09,270 --> 00:48:07,839
for a reason and it's interesting to see

1281
00:48:11,190 --> 00:48:09,280
it's interesting to see

1282
00:48:12,710 --> 00:48:11,200
a lot of companies i was going to say

1283
00:48:15,109 --> 00:48:12,720
it's interesting to see these private

1284
00:48:17,589 --> 00:48:15,119
companies coming on board now and doing

1285
00:48:18,950 --> 00:48:17,599
a lot of this it's not the main

1286
00:48:21,750 --> 00:48:18,960
yeah

1287
00:48:23,829 --> 00:48:21,760
it's not surprising to me

1288
00:48:25,910 --> 00:48:23,839

because if you have

1289

00:48:27,030 --> 00:48:25,920

technology and let's just pretend for

1290

00:48:30,230 --> 00:48:27,040

just a minute

1291

00:48:33,349 --> 00:48:30,240

let's say i am

1292

00:48:34,710 --> 00:48:33,359

whoever within the pentagon and

1293

00:48:37,430 --> 00:48:34,720

you are

1294

00:48:40,470 --> 00:48:37,440

you own your own aerospace company

1295

00:48:41,990 --> 00:48:40,480

if i take all the intel and we give it

1296

00:48:43,829 --> 00:48:42,000

to you

1297

00:48:44,870 --> 00:48:43,839

that means it's owned by a private

1298

00:48:47,190 --> 00:48:44,880

company

1299

00:48:49,190 --> 00:48:47,200

so the freedom of information that does

1300

00:48:51,349 --> 00:48:49,200

not apply to it anymore that's an

1301

00:48:53,030 --> 00:48:51,359

interesting point so exactly yeah okay

1302

00:48:56,630 --> 00:48:53,040

okay now now

1303

00:48:59,430 --> 00:48:56,640

and i say to you uh sir here it is

1304

00:49:02,230 --> 00:48:59,440

um take this you can have the patent on

1305

00:49:03,670 --> 00:49:02,240

it but feed the information to us

1306

00:49:05,990 --> 00:49:03,680

because we need to use it with the

1307

00:49:07,510 --> 00:49:06,000

military that's in the contract of

1308

00:49:09,270 --> 00:49:07,520

course you know you when you get into a

1309

00:49:11,030 --> 00:49:09,280

contract with the government

1310

00:49:13,349 --> 00:49:11,040

that's in the contract that you feed

1311

00:49:15,430 --> 00:49:13,359

intel back to the government but you get

1312

00:49:17,829 --> 00:49:15,440

the patent on it you make the money off

1313

00:49:19,030 --> 00:49:17,839

of it they utilize it for military

1314

00:49:20,870 --> 00:49:19,040

advancement

1315

00:49:23,510 --> 00:49:20,880

so if somebody sends in a freedom of

1316

00:49:25,030 --> 00:49:23,520

information act on a certain something

1317

00:49:26,710 --> 00:49:25,040

and they look at the national archives

1318

00:49:28,790 --> 00:49:26,720

or whatever they really are not going to

1319

00:49:31,430 --> 00:49:28,800

have it then they're really not lying

1320

00:49:33,510 --> 00:49:31,440

because they did give it to your company

1321

00:49:35,829 --> 00:49:33,520

that's my big that's why bigelow

1322

00:49:38,150 --> 00:49:35,839

aerospace and spacex is rocking right

1323

00:49:39,829 --> 00:49:38,160

now that's what has happened a lot of

1324

00:49:42,390 --> 00:49:39,839

these meta materials that we've been

1325

00:49:44,069 --> 00:49:42,400

hearing about that allegedly

1326

00:49:46,230 --> 00:49:44,079

bigelow house

1327

00:49:48,069 --> 00:49:46,240

guess where he got him

1328

00:49:49,750 --> 00:49:48,079

i don't i have no idea but i've heard

1329

00:49:52,790 --> 00:49:49,760

about these materials that he's supposed

1330

00:49:53,589 --> 00:49:52,800

to have well guess what get he he got

1331

00:49:57,030 --> 00:49:53,599

him

1332

00:50:01,670 --> 00:49:59,430

because he used to be in the hotel but

1333

00:50:03,109 --> 00:50:01,680

he goes into the aerospace business and

1334

00:50:04,549 --> 00:50:03,119

all of a sudden the man got all these

1335

00:50:07,349 --> 00:50:04,559

meta materials

1336

00:50:09,270 --> 00:50:07,359

he didn't go buy him online

1337

00:50:12,710 --> 00:50:09,280

think about it boss think about it big a

1338

00:50:14,710 --> 00:50:12,720

little air space is working and he's got

1339

00:50:17,030 --> 00:50:14,720

uh well he had skin walker ranch i think

1340

00:50:19,109 --> 00:50:17,040

he sold it but yes he's got all that

1341

00:50:21,910 --> 00:50:19,119

prop he's got all that property out

1342

00:50:24,549 --> 00:50:21,920

there and his warehouse and his factory

1343

00:50:27,190 --> 00:50:24,559

is right next door to area 51. and he's

1344

00:50:29,990 --> 00:50:27,200

mean he's spent he spent more money than

1345

00:50:31,349 --> 00:50:30,000

any single individual on ufo research a

1346

00:50:32,470 --> 00:50:31,359

lot of people don't know this but

1347

00:50:37,109 --> 00:50:32,480

bigelow

1348

00:50:38,710 --> 00:50:37,119

uh back in the 90s used to cut checks to

1349

00:50:40,630 --> 00:50:38,720

researchers

1350

00:50:42,549 --> 00:50:40,640

and the deal was

1351
00:50:43,670 --> 00:50:42,559
i'm going to cut you this check you can

1352
00:50:44,710 --> 00:50:43,680
research whatever you're going to

1353
00:50:46,630 --> 00:50:44,720
research

1354
00:50:49,510 --> 00:50:46,640
and you can write books you can release

1355
00:50:51,510 --> 00:50:49,520
it to the public but i get it first

1356
00:50:53,990 --> 00:50:51,520
i get all the research first

1357
00:50:55,990 --> 00:50:54,000
and there are some big names in the

1358
00:50:59,349 --> 00:50:56,000
field of ufos

1359
00:51:00,549 --> 00:50:59,359
that have gotten checks from one bob

1360
00:51:02,630 --> 00:51:00,559
bigelow

1361
00:51:04,790 --> 00:51:02,640
it's kind of like it's kind of like it's

1362
00:51:06,549 --> 00:51:04,800
scary though it's not scary but it's

1363
00:51:08,790 --> 00:51:06,559

interesting because it's kind of like

1364

00:51:10,630 --> 00:51:08,800

he's kind of like a james bond villain

1365

00:51:12,390 --> 00:51:10,640

in this story or something because he's

1366

00:51:15,670 --> 00:51:12,400

this you know you think about it he's

1367

00:51:19,270 --> 00:51:15,680

this billionaire with all this money

1368

00:51:21,750 --> 00:51:19,280

and he is in the know about more things

1369

00:51:25,510 --> 00:51:21,760

related to this phenomenon than anyone

1370

00:51:26,950 --> 00:51:25,520

he funded well well whole organization

1371

00:51:29,510 --> 00:51:26,960

you know

1372

00:51:31,030 --> 00:51:29,520

are you aware of the interview he did on

1373

00:51:33,030 --> 00:51:31,040

60 minutes

1374

00:51:35,030 --> 00:51:33,040

yeah absolutely and i love that he just

1375

00:51:36,870 --> 00:51:35,040

said there are extraterrestrials there's

1376
00:51:39,589 --> 00:51:36,880
a presence i don't care what anybody

1377
00:51:41,910 --> 00:51:39,599
thinks i know it to be true

1378
00:51:43,349 --> 00:51:41,920
i think he was telling people

1379
00:51:46,230 --> 00:51:43,359
what he had

1380
00:51:50,069 --> 00:51:48,150
that's how he would know

1381
00:51:51,030 --> 00:51:50,079
because he's technically a civilian god

1382
00:51:51,990 --> 00:51:51,040
bless him

1383
00:51:54,549 --> 00:51:52,000
okay

1384
00:51:57,190 --> 00:51:54,559
he the only way he's gonna know that

1385
00:51:59,990 --> 00:51:57,200
is evident his uncle sam

1386
00:52:01,750 --> 00:52:00,000
would have to have given him this stuff

1387
00:52:02,790 --> 00:52:01,760
and basically said

1388
00:52:05,030 --> 00:52:02,800

okay

1389

00:52:07,270 --> 00:52:05,040

feed it back to us you make the money

1390

00:52:09,349 --> 00:52:07,280

off of it you get the patent on anything

1391

00:52:11,750 --> 00:52:09,359

you create

1392

00:52:13,510 --> 00:52:11,760

i mean he's right next door to 51 i mean

1393

00:52:17,190 --> 00:52:13,520

come on and

1394

00:52:18,950 --> 00:52:17,200

the fact that s4 is allegedly there and

1395

00:52:21,109 --> 00:52:18,960

if that's where a lot of this is being

1396

00:52:22,630 --> 00:52:21,119

done at that property they're next door

1397

00:52:25,510 --> 00:52:22,640

neighbors i mean it's obvious that

1398

00:52:27,109 --> 00:52:25,520

there's a connection

1399

00:52:29,750 --> 00:52:27,119

well i mean

1400

00:52:32,069 --> 00:52:29,760

i i don't know about s4 myself but he

1401

00:52:34,230 --> 00:52:32,079

definitely is right next to area 51

1402

00:52:36,309 --> 00:52:34,240

right in the area and i've heard all

1403

00:52:37,190 --> 00:52:36,319

these stories about him having some sort

1404

00:52:43,510 --> 00:52:37,200

of

1405

00:52:45,990 --> 00:52:43,520

perhaps crash retrieval items and

1406

00:52:49,430 --> 00:52:46,000

items of technology that he is putting

1407

00:52:51,750 --> 00:52:49,440

money into analyzing he also started he

1408

00:52:53,670 --> 00:52:51,760

also started a company with bob lazar

1409

00:52:56,230 --> 00:52:53,680

but then uh pulled out when he thought

1410

00:52:57,910 --> 00:52:56,240

he was getting conned by bob lazar and

1411

00:53:00,150 --> 00:52:57,920

that's another interesting part of the

1412

00:53:02,230 --> 00:53:00,160

story

1413

00:53:05,030 --> 00:53:02,240

but he is definitely he has definitely

1414

00:53:07,670 --> 00:53:05,040

had his hand in ufos for a long long

1415

00:53:08,630 --> 00:53:07,680

time absolutely so many stories go back

1416

00:53:10,950 --> 00:53:08,640

to him

1417

00:53:12,870 --> 00:53:10,960

or he has some part in them he had a

1418

00:53:14,870 --> 00:53:12,880

part in this a tip thing he had a part

1419

00:53:17,030 --> 00:53:14,880

in ned's that was investigating

1420

00:53:18,950 --> 00:53:17,040

skinwalker ranch because he bought that

1421

00:53:20,870 --> 00:53:18,960

just because he had that intense

1422

00:53:22,710 --> 00:53:20,880

interest in this stuff

1423

00:53:24,710 --> 00:53:22,720

he's an interesting character in this

1424

00:53:26,549 --> 00:53:24,720

whole story

1425

00:53:29,430 --> 00:53:26,559

you know what what's unique about skin

1426

00:53:31,270 --> 00:53:29,440

walker ranch um the other night i was

1427

00:53:33,990 --> 00:53:31,280

watching a documentary on the travel

1428

00:53:35,750 --> 00:53:34,000

channel and um

1429

00:53:37,430 --> 00:53:35,760

can i mention other people's shows on

1430

00:53:38,390 --> 00:53:37,440

your show sure absolutely

1431

00:53:40,470 --> 00:53:38,400

okay

1432

00:53:43,589 --> 00:53:40,480

chuck zakowski i talked to him a lot

1433

00:53:46,069 --> 00:53:43,599

he's the host of alien highway well i

1434

00:53:47,270 --> 00:53:46,079

think it was their first episode

1435

00:53:49,109 --> 00:53:47,280

that they were

1436

00:53:51,190 --> 00:53:49,119

investigating skinwalker ranch but they

1437

00:53:53,030 --> 00:53:51,200

were actually investigating a creature

1438

00:53:54,790 --> 00:53:53,040

that had been seen on the outside of the

1439

00:53:55,589 --> 00:53:54,800

ranch that's what they were there for

1440

00:53:58,790 --> 00:53:55,599

well

1441

00:54:01,030 --> 00:53:58,800

ryan burns was on the show and ryan

1442

00:54:03,589 --> 00:54:01,040

had made mention that

1443

00:54:04,950 --> 00:54:03,599

bigelow aerospace owned the skinwalker

1444

00:54:07,829 --> 00:54:04,960

ranch but

1445

00:54:10,069 --> 00:54:07,839

the bigelow sold it and i've got the

1446

00:54:10,950 --> 00:54:10,079

name written down here of who they sold

1447

00:54:13,510 --> 00:54:10,960

it to

1448

00:54:15,430 --> 00:54:13,520

well if they have allegedly sold it the

1449

00:54:16,790 --> 00:54:15,440

same phone number

1450

00:54:18,950 --> 00:54:16,800

that you

1451

00:54:21,430 --> 00:54:18,960

if you google skinwalker wrench phone

1452

00:54:23,510 --> 00:54:21,440

number the phone number that comes up

1453

00:54:25,270 --> 00:54:23,520

still connects you to bigelow aerospace

1454

00:54:27,190 --> 00:54:25,280

now i don't know why that is

1455

00:54:30,549 --> 00:54:27,200

that's interesting if they

1456

00:54:33,030 --> 00:54:30,559

yeah if they have sold it but ryan did

1457

00:54:35,270 --> 00:54:33,040

tell me in the email but the

1458

00:54:36,230 --> 00:54:35,280

bigelow sold it but the deal was really

1459

00:54:38,069 --> 00:54:36,240

weird

1460

00:54:40,390 --> 00:54:38,079

um but i don't know what that means and

1461

00:54:42,150 --> 00:54:40,400

he didn't go into it but

1462

00:54:43,829 --> 00:54:42,160

seems like to me

1463

00:54:45,750 --> 00:54:43,839

if i buy something from you the phone

1464

00:54:47,589 --> 00:54:45,760

numbers don't change

1465

00:54:48,950 --> 00:54:47,599

i mean that's my fear that's my theory

1466

00:54:53,750 --> 00:54:48,960

but i don't know what's going on that's

1467

00:54:56,309 --> 00:54:54,950

he might have had some kind of deal

1468

00:54:58,470 --> 00:54:56,319

where look i'm going to sell to you but

1469

00:54:59,510 --> 00:54:58,480

i still get access to it for study or

1470

00:55:00,950 --> 00:54:59,520

for

1471

00:55:01,990 --> 00:55:00,960

sure

1472

00:55:04,710 --> 00:55:02,000

you know

1473

00:55:07,190 --> 00:55:04,720

he basically paid off mufon to get their

1474

00:55:09,190 --> 00:55:07,200

confidential reports at some point

1475

00:55:10,710 --> 00:55:09,200

and there was a big controversy about

1476
00:55:12,549 --> 00:55:10,720
that because those reports are supposed

1477
00:55:15,109 --> 00:55:12,559
to be confidential with the witnesses

1478
00:55:17,030 --> 00:55:15,119
and then here goes this organization

1479
00:55:19,349 --> 00:55:17,040
faxing them over to him every time they

1480
00:55:21,030 --> 00:55:19,359
get one you know it's really

1481
00:55:23,030 --> 00:55:21,040
right the strange relationship that he

1482
00:55:25,270 --> 00:55:23,040
has with this whole phenomenon

1483
00:55:26,549 --> 00:55:25,280
he's kind of like got his hand in in all

1484
00:55:28,230 --> 00:55:26,559
things

1485
00:55:30,390 --> 00:55:28,240
so he's a definitely interesting

1486
00:55:34,150 --> 00:55:30,400
character

1487
00:55:37,829 --> 00:55:34,160
it's almost kind of like he's um

1488
00:55:41,670 --> 00:55:39,990

sound i don't i don't know how how to

1489

00:55:43,750 --> 00:55:41,680

say this exactly and there's nothing

1490

00:55:47,030 --> 00:55:43,760

disrespectful it's something good

1491

00:55:48,950 --> 00:55:47,040

um it's almost kind of like

1492

00:55:50,630 --> 00:55:48,960

he can look at things

1493

00:55:53,349 --> 00:55:50,640

and put

1494

00:55:54,309 --> 00:55:53,359

for instances together

1495

00:55:55,109 --> 00:55:54,319

and

1496

00:55:56,549 --> 00:55:55,119

he

1497

00:55:59,270 --> 00:55:56,559

grasps

1498

00:56:01,030 --> 00:55:59,280

the unbelievable a little bit easier i

1499

00:56:02,870 --> 00:56:01,040

think that's how i want to say what i'm

1500

00:56:05,109 --> 00:56:02,880

thinking but i'm probably not being very

1501
00:56:06,309 --> 00:56:05,119
clear so i apologize no but i agree with

1502
00:56:07,910 --> 00:56:06,319
you he's like he said he's an

1503
00:56:09,990 --> 00:56:07,920
interesting character he's got his hand

1504
00:56:12,069 --> 00:56:10,000
in so many different stories

1505
00:56:14,390 --> 00:56:12,079
you know it's like you go and you start

1506
00:56:16,710 --> 00:56:14,400
researching this stuff and it's kind of

1507
00:56:19,349 --> 00:56:16,720
like i've thought this a few times like

1508
00:56:20,470 --> 00:56:19,359
many roads lead back to bigelow

1509
00:56:23,109 --> 00:56:20,480
and it's weak

1510
00:56:25,190 --> 00:56:23,119
it's really weird that that many stories

1511
00:56:26,069 --> 00:56:25,200
and that many roads lead back to this

1512
00:56:27,190 --> 00:56:26,079
guy

1513
00:56:29,430 --> 00:56:27,200

and

1514

00:56:30,470 --> 00:56:29,440

i believe if anybody on planet earth

1515

00:56:32,309 --> 00:56:30,480

knows

1516

00:56:33,990 --> 00:56:32,319

i don't believe there's anybody any

1517

00:56:35,990 --> 00:56:34,000

civilian that knows more about the

1518

00:56:37,109 --> 00:56:36,000

phenomenon than this guy because he's

1519

00:56:38,870 --> 00:56:37,119

got the money

1520

00:56:40,230 --> 00:56:38,880

he's got the access he's got the

1521

00:56:43,589 --> 00:56:40,240

connections

1522

00:56:45,990 --> 00:56:43,599

he's funded research he's got his own

1523

00:56:47,829 --> 00:56:46,000

aerospace company and the interesting

1524

00:56:49,670 --> 00:56:47,839

part is as

1525

00:56:52,470 --> 00:56:49,680

you know there's a stigma attached with

1526
00:56:54,390 --> 00:56:52,480
being a ufo kind of guy and he doesn't

1527
00:56:56,230 --> 00:56:54,400
care he's got contracts

1528
00:56:59,190 --> 00:56:56,240
he's got contracts with nasa hasn't

1529
00:57:01,190 --> 00:56:59,200
affected him at all negatively i know

1530
00:57:02,470 --> 00:57:01,200
see that's that's one way but he and i

1531
00:57:03,990 --> 00:57:02,480
are probably just to like in that

1532
00:57:06,470 --> 00:57:04,000
respect you know he doesn't care what

1533
00:57:08,870 --> 00:57:06,480
people think about him and his feeling

1534
00:57:11,190 --> 00:57:08,880
on that subject or that term you know

1535
00:57:13,109 --> 00:57:11,200
what neither do i i'm the same way i'm

1536
00:57:14,470 --> 00:57:13,119
the i'm the bob bigelow without all the

1537
00:57:18,549 --> 00:57:14,480
money

1538
00:57:20,309 --> 00:57:18,559

but from that point of view of course

1539

00:57:22,549 --> 00:57:20,319

right well we all do the best that we

1540

00:57:24,870 --> 00:57:22,559

can with our available resources you

1541

00:57:27,109 --> 00:57:24,880

know like that is very true yeah i've

1542

00:57:29,190 --> 00:57:27,119

often said like i use this microphone of

1543

00:57:30,710 --> 00:57:29,200

mine as a passport i get to talk to a

1544

00:57:32,950 --> 00:57:30,720

lot of interesting people that i would

1545

00:57:35,270 --> 00:57:32,960

not otherwise get access to

1546

00:57:36,870 --> 00:57:35,280

because it's like a passport like hey i

1547

00:57:39,030 --> 00:57:36,880

have this show and can you come on and

1548

00:57:41,589 --> 00:57:39,040

talk about this and people are very

1549

00:57:43,990 --> 00:57:41,599

receptive and that's what i do that's

1550

00:57:46,230 --> 00:57:44,000

the resource that i have to use to get

1551

00:57:48,710 --> 00:57:46,240

deeper in you know to dig myself a

1552

00:57:51,589 --> 00:57:48,720

little deeper in every time you know and

1553

00:57:53,589 --> 00:57:51,599

try to get more information

1554

00:57:56,069 --> 00:57:53,599

before we went on the air tonight i had

1555

00:57:57,990 --> 00:57:56,079

gotten three um messages about wanting

1556

00:58:01,190 --> 00:57:58,000

to know how to listen to your show and i

1557

00:58:03,109 --> 00:58:01,200

explained to them that as soon as um

1558

00:58:05,910 --> 00:58:03,119

it was put online i would get them the

1559

00:58:07,990 --> 00:58:05,920

link and it's on it's only this shows on

1560

00:58:10,069 --> 00:58:08,000

every saturday at midnight on the fringe

1561

00:58:12,390 --> 00:58:10,079

fm and anybody can just you just put

1562

00:58:15,349 --> 00:58:12,400

into google the fringe fm and then

1563

00:58:17,349 --> 00:58:15,359

there's a listen button and then our our

1564

00:58:20,230 --> 00:58:17,359

archives are going to be on speaker and

1565

00:58:21,430 --> 00:58:20,240

itunes and also on youtube and i'll get

1566

00:58:23,270 --> 00:58:21,440

you all those links you don't have to

1567

00:58:25,910 --> 00:58:23,280

worry but this show should be this

1568

00:58:27,670 --> 00:58:25,920

saturday i hope if i have time to get it

1569

00:58:29,990 --> 00:58:27,680

in in uh

1570

00:58:32,150 --> 00:58:30,000

get it into the into the distribution

1571

00:58:33,829 --> 00:58:32,160

network in time and i think i will so no

1572

00:58:36,470 --> 00:58:33,839

worries there

1573

00:58:38,069 --> 00:58:36,480

okay

1574

00:58:40,069 --> 00:58:38,079

now seems like a good time that we take

1575

00:58:42,630 --> 00:58:40,079

a break just for a moment

1576

00:58:44,549 --> 00:58:42,640

and uh we'll be right back

1577

00:58:49,030 --> 00:58:44,559

we're speaking with my guest donnie

1578

00:58:50,950 --> 00:58:49,040

brooke let's get back into it

1579

00:58:53,829 --> 00:58:50,960

you know i was going to ask you

1580

00:58:55,589 --> 00:58:53,839

more about back engineering and what do

1581

00:58:57,430 --> 00:58:55,599

you think is going on with some of the

1582

00:58:59,589 --> 00:58:57,440

back engineering

1583

00:59:01,030 --> 00:58:59,599

that you believe is going on what are

1584

00:59:01,829 --> 00:59:01,040

they doing

1585

00:59:03,990 --> 00:59:01,839

and

1586

00:59:05,990 --> 00:59:04,000

what technologies do you think we've

1587

00:59:08,390 --> 00:59:06,000

gained from this

1588

00:59:10,470 --> 00:59:08,400

alien bounty that's what i call it that

1589

00:59:12,230 --> 00:59:10,480

fell from this guy

1590

00:59:13,750 --> 00:59:12,240

well i'm gonna tell you it's like i said

1591

00:59:15,349 --> 00:59:13,760

earlier in the interview

1592

00:59:17,670 --> 00:59:15,359

the only way we're gonna back engine or

1593

00:59:19,589 --> 00:59:17,680

something like i said is we're gonna

1594

00:59:21,990 --> 00:59:19,599

have to understand their technology if

1595

00:59:23,670 --> 00:59:22,000

we're gonna do anything with it or

1596

00:59:25,990 --> 00:59:23,680

we're gonna have to be taught new

1597

00:59:29,750 --> 00:59:26,000

technologies to get us

1598

00:59:31,910 --> 00:59:29,760

as like a springboard to greatness now

1599

00:59:33,670 --> 00:59:31,920

stealth was the hand-me-down technology

1600

00:59:35,510 --> 00:59:33,680

i believe that's what they told us first

1601
00:59:37,670 --> 00:59:35,520
and yes we have stealth technology

1602
00:59:39,670 --> 00:59:37,680
everybody knows about it but it's not

1603
00:59:41,829 --> 00:59:39,680
just aerospace technology

1604
00:59:43,589 --> 00:59:41,839
i want to tell you a story you know the

1605
00:59:45,109 --> 00:59:43,599
eisenhower

1606
00:59:47,910 --> 00:59:45,119
meeting where he

1607
00:59:49,430 --> 00:59:47,920
allegedly said yes you know if you help

1608
00:59:50,630 --> 00:59:49,440
us with technology we'll give you

1609
00:59:52,710 --> 00:59:50,640
whatever you

1610
00:59:54,150 --> 00:59:52,720
you know you need you know he made the

1611
00:59:55,270 --> 00:59:54,160
deal with him so he promised them

1612
00:59:57,829 --> 00:59:55,280
something

1613
01:00:01,990 --> 01:00:00,150

i know everyone that has studied ufology

1614

01:00:04,150 --> 01:00:02,000

probably has heard of the betty and

1615

01:00:05,430 --> 01:00:04,160

barney hill abduction

1616

01:00:06,789 --> 01:00:05,440

okay

1617

01:00:08,950 --> 01:00:06,799

betty hill

1618

01:00:11,349 --> 01:00:08,960

under hypnosis and

1619

01:00:12,950 --> 01:00:11,359

in several interviews right before she

1620

01:00:15,030 --> 01:00:12,960

passed away

1621

01:00:16,150 --> 01:00:15,040

said that

1622

01:00:18,230 --> 01:00:16,160

she said a lot of things in the

1623

01:00:20,950 --> 01:00:18,240

interview but when she was describing

1624

01:00:22,630 --> 01:00:20,960

the actual abduction

1625

01:00:23,430 --> 01:00:22,640

she said

1626
01:00:25,510 --> 01:00:23,440
that

1627
01:00:27,670 --> 01:00:25,520
she felt like she was laying on a

1628
01:00:30,470 --> 01:00:27,680
surgical table

1629
01:00:33,190 --> 01:00:30,480
she said something was inserted into her

1630
01:00:35,430 --> 01:00:33,200
navel and when that happened she felt

1631
01:00:37,030 --> 01:00:35,440
like there was an extraction

1632
01:00:39,829 --> 01:00:37,040
being done something was taken out of

1633
01:00:42,870 --> 01:00:39,839
her like a surgical procedure

1634
01:00:45,829 --> 01:00:42,880
well that was in 1961 when she and

1635
01:00:46,710 --> 01:00:45,839
bonnie had their experience all right

1636
01:00:49,270 --> 01:00:46,720
all right

1637
01:00:52,710 --> 01:00:49,280
all the way let's fast forward to 2015

1638
01:00:55,190 --> 01:00:52,720

and 2015 i had surgery i had robotic

1639

01:00:57,349 --> 01:00:55,200

surgery i had dog blood surgery they did

1640

01:00:59,430 --> 01:00:57,359

it um by robotic

1641

01:01:00,870 --> 01:00:59,440

meat there was a robotic surgery

1642

01:01:02,630 --> 01:01:00,880

um

1643

01:01:04,309 --> 01:01:02,640

the night before the surgery the surgeon

1644

01:01:06,870 --> 01:01:04,319

comes in and explains the procedure for

1645

01:01:09,030 --> 01:01:06,880

the next morning and he explained how he

1646

01:01:12,069 --> 01:01:09,040

was going to do the procedure

1647

01:01:14,390 --> 01:01:12,079

and he's basically saying the exact same

1648

01:01:16,069 --> 01:01:14,400

thing that betty hill described

1649

01:01:16,950 --> 01:01:16,079

now of course i didn't say nothing about

1650

01:01:18,950 --> 01:01:16,960

that

1651
01:01:21,589 --> 01:01:18,960
but then i realized

1652
01:01:24,870 --> 01:01:21,599
we got robotic surgery from them we had

1653
01:01:27,270 --> 01:01:24,880
to it's the same thing

1654
01:01:29,109 --> 01:01:27,280
they gave us that technology

1655
01:01:31,589 --> 01:01:29,119
or they gave us something that we

1656
01:01:34,950 --> 01:01:31,599
created robotic technology

1657
01:01:36,470 --> 01:01:34,960
it's the same procedure

1658
01:01:39,349 --> 01:01:36,480
and it was bone chilling to hear that

1659
01:01:41,030 --> 01:01:39,359
doctor say that

1660
01:01:43,670 --> 01:01:41,040
and let me tell you

1661
01:01:45,990 --> 01:01:43,680
that really opened my eyes to the

1662
01:01:48,069 --> 01:01:46,000
eisenhower treaty

1663
01:01:49,270 --> 01:01:48,079

that's that's when i really knew right

1664

01:01:51,990 --> 01:01:49,280

then i think

1665

01:01:54,069 --> 01:01:52,000

that it had to really happen because how

1666

01:01:55,990 --> 01:01:54,079

in the world would betty hill know to

1667

01:01:56,789 --> 01:01:56,000

say that unless it really happened to

1668

01:01:58,870 --> 01:01:56,799

her

1669

01:02:00,230 --> 01:01:58,880

and how would she know

1670

01:02:02,710 --> 01:02:00,240

that

1671

01:02:05,430 --> 01:02:02,720

20 30 some ideas whatever in the future

1672

01:02:07,510 --> 01:02:05,440

we would have that in our hospitals

1673

01:02:09,270 --> 01:02:07,520

well i don't know on that i could say

1674

01:02:11,109 --> 01:02:09,280

that it could just be natural technical

1675

01:02:12,710 --> 01:02:11,119

evolution that eventually we figured

1676

01:02:13,990 --> 01:02:12,720

something like that out

1677

01:02:16,390 --> 01:02:14,000

do you really believe that that came

1678

01:02:18,710 --> 01:02:16,400

from aliens

1679

01:02:21,270 --> 01:02:18,720

i've chosen to believe it is part of the

1680

01:02:23,190 --> 01:02:21,280

eisenhower treaty and some people are

1681

01:02:24,390 --> 01:02:23,200

gonna poke fun at that but that's fine i

1682

01:02:26,710 --> 01:02:24,400

don't care

1683

01:02:28,630 --> 01:02:26,720

i believe that either a they gave us

1684

01:02:30,789 --> 01:02:28,640

that technology or they gave us

1685

01:02:33,589 --> 01:02:30,799

something and we created the robotics

1686

01:02:35,270 --> 01:02:33,599

but it's the whole idea of going in

1687

01:02:37,670 --> 01:02:35,280

through the navel

1688

01:02:39,270 --> 01:02:37,680

and doing an extraction

1689

01:02:41,430 --> 01:02:39,280

and you're looking like you've never

1690

01:02:43,430 --> 01:02:41,440

been touched sure and i'm not

1691

01:02:45,029 --> 01:02:43,440

listen i'm not i'm not poking fun at you

1692

01:02:47,029 --> 01:02:45,039

we're just having a discussion but one

1693

01:02:49,510 --> 01:02:47,039

of the things that i always think is

1694

01:02:52,309 --> 01:02:49,520

that sometimes people i believe are too

1695

01:02:54,309 --> 01:02:52,319

quick to assign aliens to explain

1696

01:02:55,990 --> 01:02:54,319

something it's kind of like

1697

01:02:59,349 --> 01:02:56,000

the pyramids well we couldn't have done

1698

01:03:00,630 --> 01:02:59,359

that uh so it had to be aliens and it's

1699

01:03:03,349 --> 01:03:00,640

kind of the same thing with this it's

1700

01:03:05,430 --> 01:03:03,359

like could it it could be aliens but it

1701

01:03:07,750 --> 01:03:05,440

could be just natural

1702

01:03:09,990 --> 01:03:07,760

technological development that we

1703

01:03:12,069 --> 01:03:10,000

figured out how to you know

1704

01:03:13,349 --> 01:03:12,079

we had we figured out microprocessors

1705

01:03:15,349 --> 01:03:13,359

and we figured out how to program

1706

01:03:16,870 --> 01:03:15,359

microprocessors to control motors and

1707

01:03:19,349 --> 01:03:16,880

then we figured out that we could use

1708

01:03:23,349 --> 01:03:19,359

that for things like surgery but you're

1709

01:03:25,910 --> 01:03:23,359

right there's a stark and and definite

1710

01:03:28,470 --> 01:03:25,920

correlation that can be made between

1711

01:03:30,309 --> 01:03:28,480

how similar that experience that you had

1712

01:03:33,589 --> 01:03:30,319

is to what barney and betty hill

1713

01:03:37,270 --> 01:03:33,599

described happened to them some time ago

1714

01:03:41,190 --> 01:03:38,230

you know

1715

01:03:44,950 --> 01:03:43,029

oh i had a thought in my brain that just

1716

01:03:48,390 --> 01:03:44,960

got it just i just

1717

01:03:53,109 --> 01:03:48,400

um the betty hill situation the star map

1718

01:03:56,630 --> 01:03:54,630

and

1719

01:03:58,630 --> 01:03:56,640

she draws a star map because she asked

1720

01:04:01,589 --> 01:03:58,640

this being where they were from and it

1721

01:04:03,589 --> 01:04:01,599

told her she draws the star map

1722

01:04:06,390 --> 01:04:03,599

and then so many years after the fact

1723

01:04:08,630 --> 01:04:06,400

nasa says yes we have

1724

01:04:11,190 --> 01:04:08,640

um located in a new star system that's

1725

01:04:12,950 --> 01:04:11,200

very reticular they acknowledge it now

1726

01:04:15,589 --> 01:04:12,960

the same damn star map

1727

01:04:17,750 --> 01:04:15,599

now the question is did they know it was

1728

01:04:19,190 --> 01:04:17,760

there the whole time and then

1729

01:04:21,190 --> 01:04:19,200

disclose it

1730

01:04:23,430 --> 01:04:21,200

so many years after the fact

1731

01:04:25,510 --> 01:04:23,440

or did they really discover it and then

1732

01:04:27,589 --> 01:04:25,520

let everyone know about it yeah either

1733

01:04:29,829 --> 01:04:27,599

way but either way betty hill knew about

1734

01:04:32,390 --> 01:04:29,839

it in 1961. well not only she's not a

1735

01:04:35,510 --> 01:04:32,400

nasa person she knew about stars that we

1736

01:04:37,990 --> 01:04:35,520

did not at that point even knew existed

1737

01:04:40,309 --> 01:04:38,000

exactly according to she was a housewife

1738

01:04:42,390 --> 01:04:40,319

yeah she's not a scientist i mean she

1739

01:04:44,390 --> 01:04:42,400

you know her husband barney okay he was

1740

01:04:46,630 --> 01:04:44,400

a government employee he was a mail

1741

01:04:48,789 --> 01:04:46,640

carrier they were not scientists so

1742

01:04:50,630 --> 01:04:48,799

she's not supposed to know about stars

1743

01:04:51,910 --> 01:04:50,640

other than what she may have learned in

1744

01:04:54,870 --> 01:04:51,920

elementary school

1745

01:04:57,670 --> 01:04:54,880

and she knew about this stuff so that

1746

01:05:00,630 --> 01:04:57,680

tells me right there that her

1747

01:05:02,549 --> 01:05:00,640

event happened or her and barney's event

1748

01:05:04,069 --> 01:05:02,559

happened

1749

01:05:06,789 --> 01:05:04,079

you know it was definitely like the

1750

01:05:08,710 --> 01:05:06,799

archetype too because it was before

1751

01:05:12,150 --> 01:05:08,720

the popular media

1752

01:05:14,390 --> 01:05:12,160

uh images of aliens and uh it was before

1753

01:05:15,910 --> 01:05:14,400

the communion book and all that stuff

1754

01:05:17,349 --> 01:05:15,920

and like

1755

01:05:19,029 --> 01:05:17,359

i don't know a lot of a lot of

1756

01:05:20,950 --> 01:05:19,039

abductions i don't think are very

1757

01:05:23,430 --> 01:05:20,960

credible you know people have oh i don't

1758

01:05:25,589 --> 01:05:23,440

worry they don't have very much evidence

1759

01:05:28,309 --> 01:05:25,599

and it's all like okay this is a typical

1760

01:05:30,230 --> 01:05:28,319

alien just like the one on the communion

1761

01:05:32,069 --> 01:05:30,240

book cover or the one that you see in

1762

01:05:35,430 --> 01:05:32,079

popular culture or in movies and

1763

01:05:37,270 --> 01:05:35,440

magazines and you know and but

1764

01:05:38,630 --> 01:05:37,280

betty and barney hill came before all of

1765

01:05:43,270 --> 01:05:38,640

that

1766

01:05:44,630 --> 01:05:43,280

if eisenhower made this deal in 58

1767

01:05:48,630 --> 01:05:44,640

and

1768

01:05:50,710 --> 01:05:48,640

1961

1769

01:05:52,710 --> 01:05:50,720

this two to three years in between there

1770

01:05:54,230 --> 01:05:52,720

that there could be more that we will

1771

01:05:55,190 --> 01:05:54,240

never know about because nobody said

1772

01:05:57,029 --> 01:05:55,200

anything

1773

01:05:58,789 --> 01:05:57,039

so you have to say well if it happened

1774

01:06:01,190 --> 01:05:58,799

to betty and barney it could have

1775

01:06:03,029 --> 01:06:01,200

happened to someone previous but

1776

01:06:04,710 --> 01:06:03,039

how in the world do you bring something

1777

01:06:07,190 --> 01:06:04,720

like that up now

1778

01:06:09,950 --> 01:06:07,200

as far as the publicity side now let's

1779

01:06:14,630 --> 01:06:09,960

think about this betty and barney hill a

1780

01:06:16,950 --> 01:06:14,640

biracial couple in the 1960s

1781

01:06:19,430 --> 01:06:16,960

okay

1782

01:06:21,589 --> 01:06:19,440

we all know about the 1960s and gotta

1783

01:06:23,510 --> 01:06:21,599

talk about it but the last thing a

1784

01:06:26,549 --> 01:06:23,520

biracial couple's gonna do is draw

1785

01:06:29,190 --> 01:06:26,559

attention to themselves sure especially

1786

01:06:30,950 --> 01:06:29,200

especially if the gentleman is

1787

01:06:34,390 --> 01:06:30,960

african-american

1788

01:06:36,309 --> 01:06:34,400

now they did not want to go public with

1789

01:06:37,270 --> 01:06:36,319

this but due to peer pressure and what

1790

01:06:38,470 --> 01:06:37,280

have you

1791

01:06:40,710 --> 01:06:38,480

they did

1792

01:06:42,470 --> 01:06:40,720

and it started when they went to that

1793

01:06:44,789 --> 01:06:42,480

psychiatrist

1794

01:06:46,630 --> 01:06:44,799

now the story came out now here's my

1795

01:06:49,510 --> 01:06:46,640

thing

1796

01:06:53,270 --> 01:06:49,520

if it was a fake story

1797

01:06:55,430 --> 01:06:53,280

it would be too risky for a biracial

1798

01:06:57,910 --> 01:06:55,440

couple to draw attention to themselves

1799

01:06:58,789 --> 01:06:57,920

because of the backlash

1800

01:07:04,870 --> 01:06:58,799

so

1801
01:07:06,390 --> 01:07:04,880
and i believe it was exactly what they

1802
01:07:07,990 --> 01:07:06,400
told us

1803
01:07:12,630 --> 01:07:08,000
their

1804
01:07:16,150 --> 01:07:12,640
decided to believe that

1805
01:07:18,470 --> 01:07:16,160
i have decided to believe travis walton

1806
01:07:20,630 --> 01:07:18,480
those are the two that i have decided to

1807
01:07:21,750 --> 01:07:20,640
believe are very real any of these

1808
01:07:24,230 --> 01:07:21,760
others

1809
01:07:26,230 --> 01:07:24,240
the jury is still out on those yeah i i

1810
01:07:27,109 --> 01:07:26,240
agree with you those are my two those

1811
01:07:30,390 --> 01:07:27,119
are

1812
01:07:32,309 --> 01:07:30,400
credible as well

1813
01:07:34,069 --> 01:07:32,319

because you know this travis walton

1814

01:07:36,710 --> 01:07:34,079

thing i mean the guy disappeared for a

1815

01:07:38,789 --> 01:07:36,720

long time it wasn't the thing is a few

1816

01:07:41,589 --> 01:07:38,799

hours yeah and it happened in front of

1817

01:07:44,710 --> 01:07:42,870

you know and

1818

01:07:46,150 --> 01:07:44,720

they said they didn't kill him it

1819

01:07:47,990 --> 01:07:46,160

happened in front of five people and

1820

01:07:50,069 --> 01:07:48,000

then travis shows over a foot five six

1821

01:07:52,390 --> 01:07:50,079

days later

1822

01:07:54,470 --> 01:07:52,400

and they all told the same story

1823

01:07:55,990 --> 01:07:54,480

so

1824

01:07:58,309 --> 01:07:56,000

yeah and one of the interesting things

1825

01:08:00,150 --> 01:07:58,319

that i i i like about the travis walton

1826

01:08:03,510 --> 01:08:00,160

case is that he's never

1827

01:08:05,670 --> 01:08:03,520

really changed his story he's been he's

1828

01:08:08,710 --> 01:08:05,680

been very consistent and most people

1829

01:08:10,470 --> 01:08:08,720

suffer from what i call ufo disease you

1830

01:08:12,150 --> 01:08:10,480

start doing this conference circuit

1831

01:08:14,150 --> 01:08:12,160

people get sick of your story so

1832

01:08:16,070 --> 01:08:14,160

suddenly you have new memories he's

1833

01:08:17,749 --> 01:08:16,080

never done that yeah his story has been

1834

01:08:19,590 --> 01:08:17,759

consistent throughout

1835

01:08:20,630 --> 01:08:19,600

this is what happened to me and he tells

1836

01:08:25,590 --> 01:08:20,640

the same

1837

01:08:28,709 --> 01:08:25,600

at a convention or conference or or

1838

01:08:30,309 --> 01:08:28,719

whatever the case may be

1839

01:08:32,630 --> 01:08:30,319

well i totally agree if you start

1840

01:08:33,990 --> 01:08:32,640

changing your story you become less

1841

01:08:35,990 --> 01:08:34,000

credible you're watering down your

1842

01:08:37,510 --> 01:08:36,000

credibility you know i'd rather hear the

1843

01:08:38,870 --> 01:08:37,520

same story from somebody at least i know

1844

01:08:39,829 --> 01:08:38,880

it's legit

1845

01:08:41,910 --> 01:08:39,839

yeah or

1846

01:08:44,390 --> 01:08:41,920

you know it's believable you know you're

1847

01:08:46,070 --> 01:08:44,400

right travis has never um changed his

1848

01:08:47,910 --> 01:08:46,080

story and you're right there was there

1849

01:08:50,870 --> 01:08:47,920

was witnesses to the event there was

1850

01:08:53,189 --> 01:08:50,880

witnesses to the aftermath and uh you

1851

01:08:55,990 --> 01:08:53,199

know what reason would this guy have to

1852

01:08:58,149 --> 01:08:56,000

make up such a crazy story and get five

1853

01:09:01,110 --> 01:08:58,159

friends of his or you know four friends

1854

01:09:02,870 --> 01:09:01,120

however many it was to to corroborate

1855

01:09:04,789 --> 01:09:02,880

yeah yeah and then they

1856

01:09:06,390 --> 01:09:04,799

they were under a lot of scrutiny with

1857

01:09:07,829 --> 01:09:06,400

law enforcement because law enforcement

1858

01:09:09,749 --> 01:09:07,839

believed that there may have been some

1859

01:09:11,510 --> 01:09:09,759

kind of altercation and that led to

1860

01:09:14,149 --> 01:09:11,520

violence and he was dead out in the

1861

01:09:15,430 --> 01:09:14,159

woods somewhere and they passed his

1862

01:09:18,390 --> 01:09:15,440

friends and

1863

01:09:20,870 --> 01:09:18,400

the people with them passed a polygraph

1864

01:09:21,669 --> 01:09:20,880

stating that they saw a flying saucer

1865

01:09:24,630 --> 01:09:21,679

and

1866

01:09:26,630 --> 01:09:24,640

i'm so glad you said polygraph because

1867

01:09:29,110 --> 01:09:26,640

if you saw the movie

1868

01:09:31,269 --> 01:09:29,120

um which a movie is just that it's a

1869

01:09:33,829 --> 01:09:31,279

movie it's a dramatization sure in the

1870

01:09:35,189 --> 01:09:33,839

movie and in the movie it tells the

1871

01:09:38,229 --> 01:09:35,199

story that they went and took a

1872

01:09:39,910 --> 01:09:38,239

polygraph hit but if i'm not mistaken

1873

01:09:41,110 --> 01:09:39,920

and i'll research this and get you the

1874

01:09:43,910 --> 01:09:41,120

real answer

1875

01:09:47,669 --> 01:09:43,920

my understanding is each person took

1876

01:09:50,149 --> 01:09:47,679

multiple polygraphs now to me to me

1877

01:09:52,390 --> 01:09:50,159

multiple is three or more

1878

01:09:55,270 --> 01:09:52,400

if it's five gentlemen

1879

01:09:57,590 --> 01:09:55,280

that's 15 polygraph tests that they all

1880

01:09:59,750 --> 01:09:57,600

passed

1881

01:10:01,590 --> 01:09:59,760

there's no way that that's going to

1882

01:10:03,110 --> 01:10:01,600

happen if they're faking something

1883

01:10:06,390 --> 01:10:03,120

because one of those tests will be

1884

01:10:08,870 --> 01:10:06,400

either a failure or inconclusive that

1885

01:10:11,750 --> 01:10:08,880

was actually i believe i believe one was

1886

01:10:13,990 --> 01:10:11,760

inconclusive from my notes or from my

1887

01:10:16,550 --> 01:10:14,000

study of the case but on the second

1888

01:10:18,470 --> 01:10:16,560

attempt it wasn't inconclusive so

1889

01:10:21,110 --> 01:10:18,480

but that's an awful lot of people past

1890

01:10:23,270 --> 01:10:21,120

and lie detectors and i don't know

1891

01:10:24,790 --> 01:10:23,280

what i believe i believe they're fairly

1892

01:10:26,790 --> 01:10:24,800

accurate though especially when

1893

01:10:30,870 --> 01:10:26,800

administered by law enforcement they

1894

01:10:33,990 --> 01:10:30,880

tend to get experts and they're you know

1895

01:10:36,229 --> 01:10:34,000

yeah so it's definitely a credible case

1896

01:10:39,430 --> 01:10:36,239

as far as i'm concerned now i have seen

1897

01:10:41,669 --> 01:10:39,440

evidence of people trying to debunk it

1898

01:10:44,229 --> 01:10:41,679

but it didn't i i don't know i haven't

1899

01:10:45,830 --> 01:10:44,239

looked into the counter evidence and it

1900

01:10:47,830 --> 01:10:45,840

just doesn't seem

1901

01:10:49,510 --> 01:10:47,840

right to me that that guy would make up

1902

01:10:51,750 --> 01:10:49,520

such a story

1903

01:10:54,229 --> 01:10:51,760

and uh disappear for five days where was

1904

01:10:56,390 --> 01:10:54,239

he at for five days or however many days

1905

01:10:58,630 --> 01:10:56,400

a week you know he was gone missing

1906

01:11:00,709 --> 01:10:58,640

nowhere to be found for a week

1907

01:11:02,870 --> 01:11:00,719

you know well they basically they were

1908

01:11:04,709 --> 01:11:02,880

in snowflake arizona

1909

01:11:07,750 --> 01:11:04,719

and

1910

01:11:09,110 --> 01:11:07,760

where he allegedly was taken i say

1911

01:11:11,430 --> 01:11:09,120

allegedly because it wasn't physically

1912

01:11:13,110 --> 01:11:11,440

there but where he was taken anywhere

1913

01:11:16,310 --> 01:11:13,120

around there there was nowhere for him

1914

01:11:18,709 --> 01:11:16,320

to allegedly quote unquote hold up

1915

01:11:21,030 --> 01:11:18,719

sure i mean okay so

1916

01:11:22,630 --> 01:11:21,040

he's got to have shelter for five days

1917

01:11:23,510 --> 01:11:22,640

if this is some

1918

01:11:25,510 --> 01:11:23,520

trick

1919

01:11:28,550 --> 01:11:25,520

there was nowhere for him to go

1920

01:11:30,709 --> 01:11:28,560

because the police had um volunteers and

1921

01:11:33,110 --> 01:11:30,719

you know the had the bloodhounds out

1922

01:11:34,870 --> 01:11:33,120

there couldn't pick up the scent on

1923

01:11:37,350 --> 01:11:34,880

couldn't find him

1924

01:11:39,270 --> 01:11:37,360

that's why they started to think one of

1925

01:11:41,830 --> 01:11:39,280

these guys killed him or something you

1926

01:11:43,590 --> 01:11:41,840

know like you say but then boom he shows

1927

01:11:45,910 --> 01:11:43,600

up healthy

1928

01:11:47,030 --> 01:11:45,920

with a little full facial hair a beard

1929

01:11:49,189 --> 01:11:47,040

you know

1930

01:11:52,390 --> 01:11:49,199

very much alive

1931

01:11:54,550 --> 01:11:52,400

you know and then everything

1932

01:11:56,149 --> 01:11:54,560

starts to play out from there for us the

1933

01:11:57,750 --> 01:11:56,159

story and

1934

01:11:59,590 --> 01:11:57,760

travis talking about what happened and

1935

01:12:01,910 --> 01:11:59,600

this that and the other thing so

1936

01:12:03,350 --> 01:12:01,920

i believe the story you know people may

1937

01:12:05,590 --> 01:12:03,360

listen to this and think i'm nuts and

1938

01:12:08,790 --> 01:12:05,600

that's fine i don't care i don't think

1939

01:12:11,270 --> 01:12:08,800

elvis died in 1977 so shoot me

1940

01:12:13,030 --> 01:12:11,280

so that's it so i mean that's the way it

1941

01:12:15,430 --> 01:12:13,040

goes you know that's

1942

01:12:17,510 --> 01:12:15,440

that's just my opinion you know

1943

01:12:19,590 --> 01:12:17,520

yeah so but we were talking about the

1944

01:12:21,430 --> 01:12:19,600

back engineering and you you mentioned

1945

01:12:23,430 --> 01:12:21,440

the surgical stuff do you believe that

1946

01:12:25,270 --> 01:12:23,440

anything else what other technology do

1947

01:12:27,430 --> 01:12:25,280

you believe we've gotten from

1948

01:12:30,229 --> 01:12:27,440

let's say the others

1949

01:12:32,550 --> 01:12:30,239

well we have that from the allegement

1950

01:12:35,350 --> 01:12:32,560

has been that because from the roswell

1951

01:12:37,350 --> 01:12:35,360

crash we collected collected technology

1952

01:12:39,350 --> 01:12:37,360

and from some some technology that was

1953

01:12:42,070 --> 01:12:39,360

collected there we now have the

1954

01:12:44,630 --> 01:12:42,080

transistor and from the transistor

1955

01:12:47,270 --> 01:12:44,640

i believe it's possible is the reason we

1956

01:12:49,510 --> 01:12:47,280

have smartphones

1957

01:12:51,510 --> 01:12:49,520

i know the transistor is why we have

1958

01:12:53,430 --> 01:12:51,520

transistor radios

1959

01:12:54,550 --> 01:12:53,440

you know they're much smaller you know

1960

01:12:56,390 --> 01:12:54,560

if you

1961

01:12:58,550 --> 01:12:56,400

take a transistor radio look at what

1962

01:12:59,910 --> 01:12:58,560

that looks like and then look like look

1963

01:13:02,709 --> 01:12:59,920

at what a

1964

01:13:04,709 --> 01:13:02,719

standard am fm radio just radio would

1965

01:13:07,590 --> 01:13:04,719

look like in the 40s they were big

1966

01:13:10,630 --> 01:13:07,600

pieces of furniture okay so the

1967

01:13:12,630 --> 01:13:10,640

transistor is one thing that's led us to

1968

01:13:14,709 --> 01:13:12,640

the smartphone situation

1969

01:13:17,590 --> 01:13:14,719

maybe cell phones in general

1970

01:13:21,189 --> 01:13:17,600

um the ipads and whatnot stuff like that

1971

01:13:22,950 --> 01:13:21,199

we have i feel because of the transit

1972

01:13:24,870 --> 01:13:22,960

but that's just from the outside looking

1973

01:13:28,550 --> 01:13:24,880

in that you know i'm not a scientist i'm

1974

01:13:30,709 --> 01:13:28,560

not a tech guy um

1975

01:13:31,590 --> 01:13:30,719

and i don't know how to incorporate this

1976

01:13:33,590 --> 01:13:31,600

but

1977

01:13:35,750 --> 01:13:33,600

somehow some way

1978

01:13:37,990 --> 01:13:35,760

my gut feeling is something that was

1979

01:13:41,110 --> 01:13:38,000

found in the 1940s

1980

01:13:43,110 --> 01:13:41,120

helped us with this internet

1981

01:13:44,149 --> 01:13:43,120

now i've been trying to research

1982

01:13:50,310 --> 01:13:44,159

who

1983

01:13:52,709 --> 01:13:50,320

it got created somehow some way the

1984

01:13:55,110 --> 01:13:52,719

military had it first before we had it

1985

01:13:57,189 --> 01:13:55,120

in society sure it was darwin it was

1986

01:13:59,430 --> 01:13:57,199

actually darpa that started yeah and

1987

01:14:00,550 --> 01:13:59,440

that's defense advanced research project

1988

01:14:02,070 --> 01:14:00,560

agency

1989

01:14:03,750 --> 01:14:02,080

and then yeah that's the person who

1990

01:14:05,510 --> 01:14:03,760

asked god don't get me started on them

1991

01:14:07,830 --> 01:14:05,520

sure but the person the person that

1992

01:14:09,350 --> 01:14:07,840

actually created what most people think

1993

01:14:12,550 --> 01:14:09,360

of the internet which is the world wide

1994

01:14:14,390 --> 01:14:12,560

web he uh sort of

1995

01:14:15,590 --> 01:14:14,400

donated that technology

1996

01:14:18,709 --> 01:14:15,600

and did not

1997

01:14:20,550 --> 01:14:18,719

try to profit from it and he could be a

1998

01:14:23,030 --> 01:14:20,560

multi-billionaire right now if he didn't

1999

01:14:24,550 --> 01:14:23,040

do that his name escapes me and that's

2000

01:14:26,709 --> 01:14:24,560

terrible because i'm a computer science

2001

01:14:29,270 --> 01:14:26,719

guy but yeah the world wide web was

2002

01:14:31,030 --> 01:14:29,280

created by a guy who basically said

2003

01:14:33,189 --> 01:14:31,040

anybody can use this i'm releasing this

2004

01:14:35,910 --> 01:14:33,199

as open source technology

2005

01:14:37,750 --> 01:14:35,920

and it ran from there

2006

01:14:40,550 --> 01:14:37,760

and yeah there's been a lot of stories

2007

01:14:42,390 --> 01:14:40,560

that maybe there was a microprocessor or

2008

01:14:45,030 --> 01:14:42,400

a portion of one that was recovered from

2009

01:14:46,870 --> 01:14:45,040

the roswell debris that we looked at and

2010

01:14:48,790 --> 01:14:46,880

figured out and said

2011

01:14:50,950 --> 01:14:48,800

this is a computer chip comprised of

2012

01:14:52,870 --> 01:14:50,960

transistors and they were just

2013

01:14:54,550 --> 01:14:52,880

see when people say that

2014

01:14:55,990 --> 01:14:54,560

we were given the transistor i don't

2015

01:14:58,310 --> 01:14:56,000

know about that because i know bell labs

2016

01:14:59,350 --> 01:14:58,320

was working on the transistor at the

2017

01:15:01,110 --> 01:14:59,360

time

2018

01:15:02,790 --> 01:15:01,120

and uh i don't know

2019

01:15:05,350 --> 01:15:02,800

the jury's still out on that but it's

2020

01:15:07,430 --> 01:15:05,360

interesting well my thing my thing is my

2021

01:15:10,630 --> 01:15:07,440

thing is like bait like you said

2022

01:15:12,630 --> 01:15:10,640

bell labs was working on it but maybe

2023

01:15:15,430 --> 01:15:12,640

something that was found out there was

2024

01:15:17,830 --> 01:15:15,440

the missing piece of the pie and that it

2025

01:15:19,590 --> 01:15:17,840

helped them create it

2026

01:15:21,350 --> 01:15:19,600

that's my thing about that's my thing

2027

01:15:23,430 --> 01:15:21,360

about the kevlar

2028

01:15:25,910 --> 01:15:23,440

i'm not saying that we were not looking

2029

01:15:28,390 --> 01:15:25,920

to do kept you know we were not looking

2030

01:15:30,950 --> 01:15:28,400

to re we're not researching kevlar 10

2031

01:15:32,870 --> 01:15:30,960

years before roswell but maybe something

2032

01:15:35,510 --> 01:15:32,880

found out there like that material that

2033

01:15:39,030 --> 01:15:35,520

was allegedly woven around the beds

2034

01:15:41,990 --> 01:15:39,040

whatever that was maybe it helped us

2035

01:15:43,830 --> 01:15:42,000

create the kevlar okay maybe it was the

2036

01:15:45,910 --> 01:15:43,840

missing piece of the pie

2037

01:15:47,910 --> 01:15:45,920

that we needed it you know that's a

2038

01:15:49,910 --> 01:15:47,920

possibility you know

2039

01:15:51,830 --> 01:15:49,920

we can't and you know we talk about

2040

01:15:55,910 --> 01:15:51,840

roswell but there were several other

2041

01:15:59,510 --> 01:15:55,920

crashes in the 40s 1941 1945

2042

01:16:01,270 --> 01:15:59,520

47 and 48 that i know of

2043

01:16:03,990 --> 01:16:01,280

i mean so we could have collected

2044

01:16:06,630 --> 01:16:04,000

technologies that we that's never been

2045

01:16:08,149 --> 01:16:06,640

talked about in public you know roswell

2046

01:16:09,750 --> 01:16:08,159

that's been talked about of course so

2047

01:16:11,669 --> 01:16:09,760

he's talked about some of the things

2048

01:16:12,709 --> 01:16:11,679

that he held in his hand and whatever

2049

01:16:15,750 --> 01:16:12,719

but

2050

01:16:17,669 --> 01:16:15,760

the 1941 cape dorado crash you know the

2051

01:16:20,229 --> 01:16:17,679

story about that oh yeah it's an

2052

01:16:22,070 --> 01:16:20,239

interesting story but okay

2053

01:16:24,630 --> 01:16:22,080

some more about that

2054

01:16:25,830 --> 01:16:24,640

okay well the the quick gist of it there

2055

01:16:28,790 --> 01:16:25,840

was a crash

2056

01:16:30,550 --> 01:16:28,800

and the local pastor was called by the

2057

01:16:32,870 --> 01:16:30,560

police department

2058

01:16:35,270 --> 01:16:32,880

to come minister to

2059

01:16:37,189 --> 01:16:35,280

the victims he gets he's thinking that

2060

01:16:38,310 --> 01:16:37,199

the airplane crash boom boom boom no big

2061

01:16:40,390 --> 01:16:38,320

deal

2062

01:16:41,669 --> 01:16:40,400

gets down there and he sees that they're

2063

01:16:43,750 --> 01:16:41,679

not human

2064

01:16:47,430 --> 01:16:43,760

but the military's there why did they

2065

01:16:50,470 --> 01:16:47,440

call a minister of course now he did his

2066

01:16:52,870 --> 01:16:50,480

his pastoral duties he prayed you know

2067

01:16:55,910 --> 01:16:52,880

gave them the christian prayer and like

2068

01:16:58,709 --> 01:16:55,920

he would anybody else but it was a crash

2069

01:16:59,750 --> 01:16:58,719

of an alien spacecraft allegedly that's

2070

01:17:01,510 --> 01:16:59,760

the story

2071

01:17:03,910 --> 01:17:01,520

and you know that if that's the case

2072

01:17:06,070 --> 01:17:03,920

then we recovered the craft and then and

2073

01:17:07,910 --> 01:17:06,080

the technology was in it so there's no

2074

01:17:08,870 --> 01:17:07,920

telling what was in there there's no

2075

01:17:09,750 --> 01:17:08,880

telling

2076

01:17:12,630 --> 01:17:09,760

so

2077

01:17:15,030 --> 01:17:12,640

it's hard to say what we are creating

2078

01:17:16,790 --> 01:17:15,040

from back engineered

2079

01:17:18,550 --> 01:17:16,800

recovered intel

2080

01:17:21,510 --> 01:17:18,560

it's really difficult we can just

2081

01:17:23,830 --> 01:17:21,520

imagine but i i do know this

2082

01:17:26,229 --> 01:17:23,840

that we had to have a damn good starting

2083

01:17:28,470 --> 01:17:26,239

point to have the sum of things we got

2084

01:17:29,430 --> 01:17:28,480

now that's just my opinion

2085

01:17:31,350 --> 01:17:29,440

because

2086

01:17:32,870 --> 01:17:31,360

technology to some extent but you know

2087

01:17:35,350 --> 01:17:32,880

what i've often thought and i've talked

2088

01:17:36,229 --> 01:17:35,360

about this on my show previously

2089

01:17:38,550 --> 01:17:36,239

is

2090

01:17:42,070 --> 01:17:38,560

i kind of think that giving somebody in

2091

01:17:43,510 --> 01:17:42,080

the 1940s or 50s a flying saucer and

2092

01:17:45,510 --> 01:17:43,520

saying here figure this out back

2093

01:17:47,990 --> 01:17:45,520

engineer it it's kind of like

2094

01:17:49,350 --> 01:17:48,000

somebody giving an iphone to somebody

2095

01:17:51,189 --> 01:17:49,360

you know from

2096

01:17:52,390 --> 01:17:51,199

the middle ages and saying here figure

2097

01:17:54,149 --> 01:17:52,400

this out

2098

01:17:55,830 --> 01:17:54,159

i don't know that that's what i mean you

2099

01:17:58,070 --> 01:17:55,840

mentioned that we needed help i don't

2100

01:18:01,110 --> 01:17:58,080

know that we would have the brain power

2101
01:18:03,430 --> 01:18:01,120
and technology and understanding to to

2102
01:18:05,430 --> 01:18:03,440
be able to to duplicate any of the

2103
01:18:08,470 --> 01:18:05,440
technology or even understand what it

2104
01:18:10,550 --> 01:18:08,480
does what it is how it works we wouldn't

2105
01:18:13,510 --> 01:18:10,560
we wouldn't we would need them to find

2106
01:18:16,790 --> 01:18:13,520
out what we knew give us hand-me-down

2107
01:18:19,750 --> 01:18:16,800
technology example stealth teach us that

2108
01:18:21,910 --> 01:18:19,760
and graduate us to whatever we recovered

2109
01:18:23,189 --> 01:18:21,920
if it was so far advanced you and i on

2110
01:18:26,950 --> 01:18:23,199
the same page

2111
01:18:29,110 --> 01:18:26,960
there's no way if if i went back in

2112
01:18:30,550 --> 01:18:29,120
time and i saw me like in school like in

2113
01:18:32,070 --> 01:18:30,560

third grade

2114

01:18:33,669 --> 01:18:32,080

and went up to somebody one of my

2115

01:18:35,830 --> 01:18:33,679

teachers and said the word email she's

2116

01:18:37,430 --> 01:18:35,840

like what the heck is that

2117

01:18:39,110 --> 01:18:37,440

but we take that for granted now that

2118

01:18:42,709 --> 01:18:39,120

it's just a regular thing

2119

01:18:44,310 --> 01:18:42,719

it's a a term addressed uh adjacent to a

2120

01:18:47,030 --> 01:18:44,320

technology that we have now we didn't

2121

01:18:47,830 --> 01:18:47,040

have any so i agree with you

2122

01:18:50,630 --> 01:18:47,840

what

2123

01:18:52,550 --> 01:18:50,640

we the back engineering aspect

2124

01:18:55,350 --> 01:18:52,560

is them

2125

01:18:58,149 --> 01:18:55,360

teaching us technology and teaching us

2126
01:19:00,229 --> 01:18:58,159
we're attempting to what we recovered

2127
01:19:03,110 --> 01:19:00,239
and showing us how it works

2128
01:19:06,229 --> 01:19:03,120
and taking that and teaching us

2129
01:19:08,950 --> 01:19:06,239
how to utilize it now because we are so

2130
01:19:10,149 --> 01:19:08,960
far behind them it's going to take a

2131
01:19:11,990 --> 01:19:10,159
while

2132
01:19:15,110 --> 01:19:12,000
and it's probably going to be like that

2133
01:19:17,510 --> 01:19:15,120
until the end of time into the world

2134
01:19:20,229 --> 01:19:17,520
i mean i know that sounds crazy but

2135
01:19:21,350 --> 01:19:20,239
if they started helping us in 58 it's

2136
01:19:23,270 --> 01:19:21,360
possible

2137
01:19:27,350 --> 01:19:23,280
that we are obviously further ahead in

2138
01:19:29,510 --> 01:19:27,360

what we think but still far behind them

2139

01:19:31,189 --> 01:19:29,520

yeah and you know this leads to a lot of

2140

01:19:33,590 --> 01:19:31,199

interesting questions like if they are

2141

01:19:35,750 --> 01:19:33,600

helping us you know there are stories of

2142

01:19:37,830 --> 01:19:35,760

people saying that there's bases where

2143

01:19:39,510 --> 01:19:37,840

there's aliens and humans working

2144

01:19:41,750 --> 01:19:39,520

together and

2145

01:19:43,669 --> 01:19:41,760

and other stories like that so if your

2146

01:19:46,070 --> 01:19:43,679

theory is correct that we've been

2147

01:19:48,790 --> 01:19:46,080

getting help with some of this stuff

2148

01:19:50,790 --> 01:19:48,800

then they have to have some interaction

2149

01:19:53,430 --> 01:19:50,800

with us somewhere there has to be a

2150

01:19:55,590 --> 01:19:53,440

place well if they're doing that well

2151

01:19:58,229 --> 01:19:55,600

one place that people have been and have

2152

01:20:00,149 --> 01:19:58,239

said this for years is dolphin

2153

01:20:01,430 --> 01:20:00,159

they'll say new mexico the base under

2154

01:20:03,270 --> 01:20:01,440

the mesa

2155

01:20:06,310 --> 01:20:03,280

the base that's supposed to be under the

2156

01:20:07,669 --> 01:20:06,320

artulada mesa there now

2157

01:20:09,669 --> 01:20:07,679

if you've ever seen a picture of the

2158

01:20:11,350 --> 01:20:09,679

mesa it's just like a

2159

01:20:13,430 --> 01:20:11,360

it's like a mountain range i guess you

2160

01:20:17,030 --> 01:20:13,440

would say you know on the outskirts of

2161

01:20:18,550 --> 01:20:17,040

the town because dulce is a small

2162

01:20:20,629 --> 01:20:18,560

it's so small you don't even really

2163

01:20:23,030 --> 01:20:20,639

consider it a town i guess

2164

01:20:26,550 --> 01:20:23,040

and on the top of the mesa are these

2165

01:20:28,470 --> 01:20:26,560

antennas sticking out the mesa

2166

01:20:30,550 --> 01:20:28,480

i've never seen a mountain

2167

01:20:33,270 --> 01:20:30,560

that was nothing but a mountain have

2168

01:20:35,030 --> 01:20:33,280

antennas sticking out the ground

2169

01:20:37,030 --> 01:20:35,040

so that tells me there's something in

2170

01:20:39,830 --> 01:20:37,040

that area somewhere

2171

01:20:42,390 --> 01:20:39,840

okay could it be an underground base

2172

01:20:44,390 --> 01:20:42,400

possibly i know we have the technology

2173

01:20:45,990 --> 01:20:44,400

to build underground tunnels and

2174

01:20:47,350 --> 01:20:46,000

railways

2175

01:20:49,669 --> 01:20:47,360

we've had that ever since the end of

2176
01:20:51,350 --> 01:20:49,679
world war ii we got it from the germans

2177
01:20:54,070 --> 01:20:51,360
so it's possible

2178
01:20:55,030 --> 01:20:54,080
it is very very possible there's a base

2179
01:20:59,110 --> 01:20:55,040
there

2180
01:21:01,110 --> 01:20:59,120
never be able to prove that

2181
01:21:03,669 --> 01:21:01,120
yeah but i don't know about dulce that's

2182
01:21:06,550 --> 01:21:03,679
in my gray basket because it sounds like

2183
01:21:08,709 --> 01:21:06,560
a good story and i know for a fact that

2184
01:21:10,950 --> 01:21:08,719
a lot of residents of dulce claim that

2185
01:21:13,030 --> 01:21:10,960
they've seen ufos and they've seen you

2186
01:21:14,870 --> 01:21:13,040
know lights in the sky coming in and out

2187
01:21:17,030 --> 01:21:14,880
of the mountains and there's been a

2188
01:21:19,270 --> 01:21:17,040

whole lot of unexplained phenomenon in

2189

01:21:21,510 --> 01:21:19,280

the area but i just think it's a big

2190

01:21:22,470 --> 01:21:21,520

leap from that to there's a base with

2191

01:21:24,790 --> 01:21:22,480

like

2192

01:21:27,030 --> 01:21:24,800

you know uh under under the mountain or

2193

01:21:28,709 --> 01:21:27,040

inside the mountain and uh

2194

01:21:30,310 --> 01:21:28,719

you know people

2195

01:21:32,870 --> 01:21:30,320

people have looked for it and nobody's

2196

01:21:35,430 --> 01:21:32,880

found it and part of the uh and part of

2197

01:21:38,229 --> 01:21:35,440

the dulce bass stuff came from richard

2198

01:21:39,510 --> 01:21:38,239

doty with benowitz and that's a big red

2199

01:21:41,590 --> 01:21:39,520

flag to me because that was

2200

01:21:43,510 --> 01:21:41,600

disinformation coming from the air force

2201
01:21:45,189 --> 01:21:43,520
to dissuade benefits

2202
01:21:47,590 --> 01:21:45,199
against what he was really seeing which

2203
01:21:49,669 --> 01:21:47,600
was top secret drone technology that

2204
01:21:51,030 --> 01:21:49,679
they were developing at the time in the

2205
01:21:53,189 --> 01:21:51,040
80s

2206
01:21:55,270 --> 01:21:53,199
so dolce bass though is definitely it's

2207
01:21:57,510 --> 01:21:55,280
like one of those it's part of ufo

2208
01:22:00,470 --> 01:21:57,520
mythology and people bring it up and

2209
01:22:03,430 --> 01:22:00,480
people debate it and i'm still

2210
01:22:06,470 --> 01:22:03,440
i have not looked into it enough to form

2211
01:22:08,709 --> 01:22:06,480
a a positive or negative opinion on

2212
01:22:10,550 --> 01:22:08,719
what's real the one thing

2213
01:22:12,790 --> 01:22:10,560

the one thing about it the one thing

2214

01:22:14,870 --> 01:22:12,800

about it that really got me thinking on

2215

01:22:17,510 --> 01:22:14,880

the side of okay there could be some

2216

01:22:18,870 --> 01:22:17,520

kind of facility there

2217

01:22:20,790 --> 01:22:18,880

is that

2218

01:22:23,990 --> 01:22:20,800

like i said there's antennas coming out

2219

01:22:26,790 --> 01:22:24,000

the top of the the mesa there and i was

2220

01:22:28,550 --> 01:22:26,800

watching an episode of ufo hunters that

2221

01:22:30,870 --> 01:22:28,560

was on history channel this is when i

2222

01:22:34,790 --> 01:22:30,880

first started looking into delta

2223

01:22:37,270 --> 01:22:34,800

there was a local uh person there who

2224

01:22:40,870 --> 01:22:37,280

was living there in the 70s when they

2225

01:22:43,350 --> 01:22:40,880

allegedly had a quote unquote

2226

01:22:45,270 --> 01:22:43,360

the alien firefight you know the phil

2227

01:22:47,750 --> 01:22:45,280

schneider story

2228

01:22:49,830 --> 01:22:47,760

this man remembers when all the bodies

2229

01:22:51,270 --> 01:22:49,840

were pulled out of

2230

01:22:54,229 --> 01:22:51,280

the base

2231

01:22:56,390 --> 01:22:54,239

he he said that he saw

2232

01:22:58,470 --> 01:22:56,400

the bodies coming out you know the dead

2233

01:22:59,990 --> 01:22:58,480

bodies you know the people that died the

2234

01:23:01,430 --> 01:23:00,000

soldiers whatever

2235

01:23:03,030 --> 01:23:01,440

um

2236

01:23:05,910 --> 01:23:03,040

but he said we're not supposed to talk

2237

01:23:08,310 --> 01:23:05,920

about it but i saw it now my thing is

2238

01:23:10,870 --> 01:23:08,320

this either that's the truth or it's a

2239

01:23:12,790 --> 01:23:10,880

lie so when i heard that i'm like okay

2240

01:23:14,629 --> 01:23:12,800

i'm gonna go on that i'm gonna research

2241

01:23:17,110 --> 01:23:14,639

this thing

2242

01:23:20,070 --> 01:23:17,120

and anybody that i've ever asked about

2243

01:23:21,110 --> 01:23:20,080

dulce situation have had mixed opinions

2244

01:23:22,950 --> 01:23:21,120

on

2245

01:23:25,430 --> 01:23:22,960

and that's fine because it's not

2246

01:23:27,110 --> 01:23:25,440

something that's clear i get that

2247

01:23:29,430 --> 01:23:27,120

it's one of those things to where we

2248

01:23:31,990 --> 01:23:29,440

have to investigate find out what we can

2249

01:23:35,830 --> 01:23:32,000

and make up our own mind what we believe

2250

01:23:40,310 --> 01:23:37,990

my gut feeling because it's such a

2251
01:23:43,590 --> 01:23:40,320
horrific story

2252
01:23:44,629 --> 01:23:43,600
and i know damn well mk ultra was very

2253
01:23:48,470 --> 01:23:44,639
real

2254
01:23:51,669 --> 01:23:48,480
why i know that

2255
01:23:54,629 --> 01:23:51,679
that's why i don't totally discredit the

2256
01:23:56,870 --> 01:23:54,639
dulce stories i've heard

2257
01:23:59,270 --> 01:23:56,880
because to me

2258
01:24:00,950 --> 01:23:59,280
a lot of the mk ultra horror stories

2259
01:24:03,430 --> 01:24:00,960
that i've heard from

2260
01:24:05,189 --> 01:24:03,440
firsthand people god bless them

2261
01:24:07,110 --> 01:24:05,199
sounds like what's going on at dolphin

2262
01:24:09,270 --> 01:24:07,120
and i would not be surprised so that's

2263
01:24:11,189 --> 01:24:09,280

why i look at don't they like that

2264

01:24:13,110 --> 01:24:11,199

sure and i'm now i'm wearing the same

2265

01:24:15,990 --> 01:24:13,120

way i think there's there's evidence

2266

01:24:18,870 --> 01:24:16,000

both ways and the jury's still out and

2267

01:24:21,030 --> 01:24:18,880

one of the things i've often thought is

2268

01:24:23,669 --> 01:24:21,040

maybe there was something there and they

2269

01:24:25,430 --> 01:24:23,679

shut the base down after the story got

2270

01:24:26,470 --> 01:24:25,440

out i mean that's that is

2271

01:24:29,270 --> 01:24:26,480

yes sir

2272

01:24:30,870 --> 01:24:29,280

and i also i also know someone who lives

2273

01:24:32,950 --> 01:24:30,880

in that area

2274

01:24:34,870 --> 01:24:32,960

who looked into some things for me and

2275

01:24:37,750 --> 01:24:34,880

told me that he met

2276

01:24:39,189 --> 01:24:37,760

someone from the

2277

01:24:45,910 --> 01:24:39,199

american

2278

01:24:47,510 --> 01:24:45,920

who told him that there are air vents

2279

01:24:49,990 --> 01:24:47,520

coming out of the mountain

2280

01:24:52,229 --> 01:24:50,000

at various places but

2281

01:24:53,830 --> 01:24:52,239

that person refused to go there and show

2282

01:24:55,350 --> 01:24:53,840

him them

2283

01:24:56,390 --> 01:24:55,360

either out of fear

2284

01:24:59,990 --> 01:24:56,400

or

2285

01:25:01,990 --> 01:25:00,000

i don't know why but that native

2286

01:25:04,470 --> 01:25:02,000

american would not take him and show him

2287

01:25:05,510 --> 01:25:04,480

the air vents but swore that somewhere

2288

01:25:06,870 --> 01:25:05,520

on that

2289

01:25:08,950 --> 01:25:06,880

in that

2290

01:25:11,110 --> 01:25:08,960

place there is air vents coming out of

2291

01:25:12,629 --> 01:25:11,120

that mountain which would mean that

2292

01:25:15,270 --> 01:25:12,639

there is definitely something

2293

01:25:16,550 --> 01:25:15,280

underground there and there is there is

2294

01:25:18,870 --> 01:25:16,560

definitely

2295

01:25:21,350 --> 01:25:18,880

supporting evidence to suggest that

2296

01:25:23,910 --> 01:25:21,360

there's cold war underground missile

2297

01:25:26,790 --> 01:25:23,920

installations in the area

2298

01:25:28,950 --> 01:25:26,800

yes sir so that is another

2299

01:25:30,550 --> 01:25:28,960

kind of a piece of evidence there was

2300

01:25:32,790 --> 01:25:30,560

definitely underground missile

2301

01:25:34,550 --> 01:25:32,800

installations in that area

2302

01:25:36,629 --> 01:25:34,560

and that may be why

2303

01:25:37,990 --> 01:25:36,639

uh some of the legends of an underground

2304

01:25:39,830 --> 01:25:38,000

base there

2305

01:25:42,229 --> 01:25:39,840

because i always believe that when

2306

01:25:44,790 --> 01:25:42,239

there's a legend or a myth there's some

2307

01:25:48,550 --> 01:25:44,800

nugget of truth that starts it

2308

01:25:50,310 --> 01:25:48,560

you know oh absolutely yes sir

2309

01:25:52,149 --> 01:25:50,320

sure dulce is definitely one of those

2310

01:25:52,830 --> 01:25:52,159

hall of mirrors interesting things to

2311

01:25:55,350 --> 01:25:52,840

look

2312

01:25:56,790 --> 01:25:55,360

into but it's one of those things that

2313

01:25:59,189 --> 01:25:56,800

like i said earlier in the interview

2314

01:26:01,830 --> 01:25:59,199

like i'm on the outside looking in

2315

01:26:05,189 --> 01:26:01,840

i'm never gonna know for sure

2316

01:26:07,510 --> 01:26:05,199

i've just got to listen to the stories

2317

01:26:08,470 --> 01:26:07,520

use my gut reaction

2318

01:26:09,830 --> 01:26:08,480

and

2319

01:26:11,030 --> 01:26:09,840

make a decision of what i'm going to

2320

01:26:13,430 --> 01:26:11,040

choose to believe it's kind of like you

2321

01:26:15,189 --> 01:26:13,440

would bob lazar you know we disagree but

2322

01:26:16,709 --> 01:26:15,199

that's okay

2323

01:26:18,950 --> 01:26:16,719

life's going to be fine that's not going

2324

01:26:20,709 --> 01:26:18,960

to stop anything good or bad happening

2325

01:26:23,750 --> 01:26:20,719

you know

2326

01:26:26,390 --> 01:26:23,760

though i think that it's healthy and

2327

01:26:27,669 --> 01:26:26,400

it's good as even you know

2328

01:26:29,910 --> 01:26:27,679

to to have

2329

01:26:32,709 --> 01:26:29,920

to have friends that disagree see that's

2330

01:26:34,310 --> 01:26:32,719

how men handle it do you know how

2331

01:26:35,750 --> 01:26:34,320

you know you can you can be friends with

2332

01:26:38,149 --> 01:26:35,760

somebody and you can just agree to

2333

01:26:40,470 --> 01:26:38,159

disagree on a subject and that's okay

2334

01:26:42,629 --> 01:26:40,480

the problem comes the problem comes when

2335

01:26:44,950 --> 01:26:42,639

people start attacking you for your view

2336

01:26:47,189 --> 01:26:44,960

or blocking you on social media because

2337

01:26:48,149 --> 01:26:47,199

you said bob lazar was a liar and here's

2338

01:26:50,550 --> 01:26:48,159

why

2339

01:26:52,070 --> 01:26:50,560

ignoring your evidence

2340

01:26:54,310 --> 01:26:52,080

and you know

2341

01:26:55,830 --> 01:26:54,320

that i have a problem with but i'm fine

2342

01:26:57,830 --> 01:26:55,840

with the open

2343

01:26:59,510 --> 01:26:57,840

dialogue and debate you know like i

2344

01:27:01,430 --> 01:26:59,520

always tell people as far as my show

2345

01:27:02,310 --> 01:27:01,440

goes if i say something you disagree

2346

01:27:04,070 --> 01:27:02,320

with me

2347

01:27:06,550 --> 01:27:04,080

you can contact me on social media and

2348

01:27:09,030 --> 01:27:06,560

tell me or if you think i'm wrong that's

2349

01:27:11,430 --> 01:27:09,040

fine tell me why i'm wrong show me your

2350

01:27:13,110 --> 01:27:11,440

evidence and we'll talk about it that i

2351

01:27:15,430 --> 01:27:13,120

think is the healthy

2352

01:27:17,830 --> 01:27:15,440

open way to go about these things and

2353

01:27:19,669 --> 01:27:17,840

not to be confrontational and block

2354

01:27:21,669 --> 01:27:19,679

people so you can try to control the

2355

01:27:24,390 --> 01:27:21,679

narrative you don't want to hear the the

2356

01:27:26,070 --> 01:27:24,400

evidence that i have that's fine but

2357

01:27:27,350 --> 01:27:26,080

that's kind of a crazy way to be i'd

2358

01:27:29,750 --> 01:27:27,360

rather have friends like you that i

2359

01:27:31,669 --> 01:27:29,760

could say well i don't believe that

2360

01:27:33,750 --> 01:27:31,679

you're correct and and here's why and

2361

01:27:36,229 --> 01:27:33,760

let's talk about it it's it's a fight

2362

01:27:38,550 --> 01:27:36,239

it's a better way to go about things

2363

01:27:39,510 --> 01:27:38,560

oh yeah you're gonna have tunnel vision

2364

01:27:44,950 --> 01:27:39,520

people

2365

01:27:46,310 --> 01:27:44,960

think that everybody else is wrong and

2366

01:27:47,830 --> 01:27:46,320

they're the only one that's right those

2367

01:27:49,270 --> 01:27:47,840

are the know-it-alls in the world and

2368

01:27:51,430 --> 01:27:49,280

there's plenty of them

2369

01:27:53,430 --> 01:27:51,440

and you know what that's going to happen

2370

01:27:55,990 --> 01:27:53,440

and ufology does not need people like

2371

01:27:57,910 --> 01:27:56,000

that ufology needs people that are

2372

01:27:59,270 --> 01:27:57,920

open-minded that's willing to listen to

2373

01:28:01,910 --> 01:27:59,280

their neighbor

2374

01:28:04,070 --> 01:28:01,920

because there is no expert here

2375

01:28:06,470 --> 01:28:04,080

you know if there was

2376

01:28:08,310 --> 01:28:06,480

that person would have their own office

2377

01:28:10,470 --> 01:28:08,320

somewhere and we'd be lined up with

2378

01:28:12,709 --> 01:28:10,480

notebooks and pens and ask

2379

01:28:15,110 --> 01:28:12,719

to ask the questions and get the answers

2380

01:28:19,430 --> 01:28:17,350

i've often heard the saying if anybody

2381

01:28:21,510 --> 01:28:19,440

tells you they know the truth about ufos

2382

01:28:24,870 --> 01:28:21,520

run because they're lying

2383

01:28:26,229 --> 01:28:24,880

you know exactly because yeah yeah um

2384

01:28:28,709 --> 01:28:26,239

it's a mystery

2385

01:28:30,390 --> 01:28:28,719

it's all one big mystery

2386

01:28:32,870 --> 01:28:30,400

yeah when something's unidentified

2387

01:28:34,950 --> 01:28:32,880

that's just it that means you don't know

2388

01:28:36,070 --> 01:28:34,960

so you can't have all the answers you

2389

01:28:37,510 --> 01:28:36,080

know it's just

2390

01:28:39,030 --> 01:28:37,520

you know like someone gives you a

2391

01:28:41,510 --> 01:28:39,040

christmas present you don't know what's

2392

01:28:42,470 --> 01:28:41,520

in it so you have no idea our batteries

2393

01:28:44,709 --> 01:28:42,480

included

2394

01:28:47,270 --> 01:28:44,719

do you need batteries if it's a better

2395

01:28:49,910 --> 01:28:47,280

something electronic you don't know you

2396

01:28:52,629 --> 01:28:49,920

have to research it by opening the gift

2397

01:28:54,149 --> 01:28:52,639

duh ufos are the same way

2398

01:28:58,149 --> 01:28:54,159

you got to get to the bottom of it the

2399

01:29:00,390 --> 01:28:58,159

best way you possibly can and you know

2400

01:29:01,750 --> 01:29:00,400

no matter what we do in ufology people

2401
01:29:04,229 --> 01:29:01,760
in the pentagon are always going to be

2402
01:29:07,270 --> 01:29:04,239
holding all the aces if they've got all

2403
01:29:08,870 --> 01:29:07,280
the answers we don't this information is

2404
01:29:12,629 --> 01:29:08,880
going to get thrown out and we got to

2405
01:29:14,550 --> 01:29:12,639
sit through it the best way we can

2406
01:29:16,870 --> 01:29:14,560
simple as that well you know a lot of

2407
01:29:19,669 --> 01:29:16,880
people are thinking that the uh the

2408
01:29:22,310 --> 01:29:19,679
walls of secrecy are crumbling now and

2409
01:29:24,390 --> 01:29:22,320
disclosure is just around the corner and

2410
01:29:27,189 --> 01:29:24,400
some of these things no to the stars

2411
01:29:29,510 --> 01:29:27,199
academy and louis elizondo or the first

2412
01:29:32,390 --> 01:29:29,520
uh or the tip of the spear of this thing

2413
01:29:34,310 --> 01:29:32,400

called disclosure honestly i don't

2414

01:29:37,189 --> 01:29:34,320

believe it's going to happen what are

2415

01:29:40,790 --> 01:29:37,199

your thoughts on this disclosure

2416

01:29:42,310 --> 01:29:40,800

no sir no sir i i believe 10 years ago

2417

01:29:44,229 --> 01:29:42,320

when i started looking in this i told

2418

01:29:46,950 --> 01:29:44,239

myself i'm like okay

2419

01:29:50,310 --> 01:29:46,960

i may never know this but

2420

01:29:52,470 --> 01:29:50,320

if the answer to all these questions is

2421

01:29:55,189 --> 01:29:52,480

is if this is the answer

2422

01:29:58,149 --> 01:29:55,199

if the answer is alien existence on this

2423

01:30:00,790 --> 01:29:58,159

planet if that's the hardcore truth

2424

01:30:03,830 --> 01:30:00,800

that is something that the united states

2425

01:30:04,709 --> 01:30:03,840

government is not going to come out and

2426

01:30:06,870 --> 01:30:04,719

say

2427

01:30:07,830 --> 01:30:06,880

they will tell you in in the reason

2428

01:30:09,510 --> 01:30:07,840

they're not

2429

01:30:10,870 --> 01:30:09,520

number one

2430

01:30:12,070 --> 01:30:10,880

three-quarters of the people ain't gonna

2431

01:30:14,310 --> 01:30:12,080

believe it because it's supposed to be

2432

01:30:16,470 --> 01:30:14,320

science fiction number two

2433

01:30:19,430 --> 01:30:16,480

if they do then that means they've been

2434

01:30:21,270 --> 01:30:19,440

lying for at least 70 years if not more

2435

01:30:23,510 --> 01:30:21,280

they don't want that either

2436

01:30:25,430 --> 01:30:23,520

their biggest fear is not

2437

01:30:27,110 --> 01:30:25,440

the fact that they're going to get

2438

01:30:29,030 --> 01:30:27,120

caught in a lie

2439

01:30:30,870 --> 01:30:29,040

is the fact that

2440

01:30:31,830 --> 01:30:30,880

they're going to lose power with the

2441

01:30:33,750 --> 01:30:31,840

people

2442

01:30:34,790 --> 01:30:33,760

because

2443

01:30:39,990 --> 01:30:34,800

the

2444

01:30:43,189 --> 01:30:40,000

in my confusion and when i say that

2445

01:30:44,950 --> 01:30:43,199

they're not gonna no i absolutely i

2446

01:30:47,030 --> 01:30:44,960

honestly absolutely agree with you and

2447

01:30:49,990 --> 01:30:47,040

that's that matches perfectly in line

2448

01:30:51,350 --> 01:30:50,000

with what i say and what i say is that

2449

01:30:53,830 --> 01:30:51,360

they have to have

2450

01:30:55,830 --> 01:30:53,840

an incredible motivation to tell us the

2451
01:30:58,790 --> 01:30:55,840
truth and also admit that they've been

2452
01:30:59,910 --> 01:30:58,800
lying to us since at least 1947 probably

2453
01:31:00,870 --> 01:30:59,920
earlier

2454
01:31:03,270 --> 01:31:00,880
and

2455
01:31:05,430 --> 01:31:03,280
i believe all these people that are

2456
01:31:08,390 --> 01:31:05,440
stopping that you know banging that

2457
01:31:09,830 --> 01:31:08,400
disclosure drum are making money

2458
01:31:11,669 --> 01:31:09,840
you know because there's an incredible

2459
01:31:13,750 --> 01:31:11,679
desire for this thing called disclosure

2460
01:31:15,350 --> 01:31:13,760
people want to believe it's true people

2461
01:31:17,590 --> 01:31:15,360
want to be vindicated

2462
01:31:20,470 --> 01:31:17,600
and that vindication is a big deal like

2463
01:31:21,830 --> 01:31:20,480

imagine if disclosure did happen right

2464

01:31:23,669 --> 01:31:21,840

think about all the people that thought

2465

01:31:25,910 --> 01:31:23,679

you were crazy for being interested in

2466

01:31:27,910 --> 01:31:25,920

this stuff and believing some of it

2467

01:31:29,669 --> 01:31:27,920

suddenly you'd be vindicated if suddenly

2468

01:31:32,149 --> 01:31:29,679

like the president went on the

2469

01:31:33,830 --> 01:31:32,159

television and told everybody listen uh

2470

01:31:35,830 --> 01:31:33,840

this crash happened and we have

2471

01:31:37,910 --> 01:31:35,840

recovered alien spacecraft and we have

2472

01:31:40,550 --> 01:31:37,920

verification of life on other planets

2473

01:31:42,470 --> 01:31:40,560

and uh we're sorry we lied to you we

2474

01:31:44,470 --> 01:31:42,480

would all be vindicated all of us people

2475

01:31:46,310 --> 01:31:44,480

that everybody thinks is crazy for being

2476

01:31:48,149 --> 01:31:46,320

interested that's right investigating

2477

01:31:49,830 --> 01:31:48,159

this stuff and believing it we would all

2478

01:31:51,910 --> 01:31:49,840

be vindicated so there's an incredible

2479

01:31:54,470 --> 01:31:51,920

hunger and i think people are exploiting

2480

01:31:56,790 --> 01:31:54,480

that hunger to make money that's what i

2481

01:31:58,790 --> 01:31:56,800

believe that this to the stars academy

2482

01:32:00,709 --> 01:31:58,800

and louis elizondo is because if those

2483

01:32:03,270 --> 01:32:00,719

guys had the truth why not just drop it

2484

01:32:05,590 --> 01:32:03,280

why do you have to start a corporation

2485

01:32:07,430 --> 01:32:05,600

make a tv show to make money sell books

2486

01:32:09,350 --> 01:32:07,440

sell dvds you're going to be they're

2487

01:32:11,910 --> 01:32:09,360

going to be making movies

2488

01:32:14,390 --> 01:32:11,920

it's it's all about money to some extent

2489

01:32:15,910 --> 01:32:14,400

and i also believe like i said

2490

01:32:18,149 --> 01:32:15,920

i don't believe the government has any

2491

01:32:20,790 --> 01:32:18,159

motivation whatsoever to tell the truth

2492

01:32:22,390 --> 01:32:20,800

if there is something you know like

2493

01:32:23,750 --> 01:32:22,400

richard dolan says like a breakaway

2494

01:32:25,669 --> 01:32:23,760

civilization they have all this

2495

01:32:27,189 --> 01:32:25,679

technology that we don't have access to

2496

01:32:29,030 --> 01:32:27,199

or know about why are they going to give

2497

01:32:30,950 --> 01:32:29,040

that up they they don't want to give

2498

01:32:32,709 --> 01:32:30,960

that up and also

2499

01:32:34,310 --> 01:32:32,719

there has to be

2500

01:32:36,390 --> 01:32:34,320

i think that the only way it's ever

2501
01:32:38,629 --> 01:32:36,400
going to happen is if there's some event

2502
01:32:40,790 --> 01:32:38,639
like the phoenix lights but but 10 times

2503
01:32:42,629 --> 01:32:40,800
greater where

2504
01:32:43,990 --> 01:32:42,639
tens of thousands of people are going to

2505
01:32:45,669 --> 01:32:44,000
see something and they're not going to

2506
01:32:47,270 --> 01:32:45,679
be able to explain it away they're going

2507
01:32:48,550 --> 01:32:47,280
to have to give us some form of

2508
01:32:50,709 --> 01:32:48,560
disclosure

2509
01:32:52,790 --> 01:32:50,719
or some form that's when that's when

2510
01:32:55,189 --> 01:32:52,800
you're holly that's when your hologram

2511
01:32:57,430 --> 01:32:55,199
technology comes into play yes and i

2512
01:32:58,390 --> 01:32:57,440
heard about that

2513
01:32:59,590 --> 01:32:58,400

and

2514

01:33:01,510 --> 01:32:59,600

but

2515

01:33:03,350 --> 01:33:01,520

project bluebeam has already been used

2516

01:33:04,149 --> 01:33:03,360

to the public but nobody's seen it i

2517

01:33:05,590 --> 01:33:04,159

mean

2518

01:33:07,510 --> 01:33:05,600

you know i'm not going to get into that

2519

01:33:10,470 --> 01:33:07,520

subject on this show but

2520

01:33:12,709 --> 01:33:10,480

it was used in 2001

2521

01:33:14,470 --> 01:33:12,719

but nobody believes it so i don't talk

2522

01:33:16,229 --> 01:33:14,480

about it much but

2523

01:33:18,149 --> 01:33:16,239

um

2524

01:33:20,629 --> 01:33:18,159

the project bluebeam the hologram

2525

01:33:23,350 --> 01:33:20,639

technology situation

2526

01:33:25,990 --> 01:33:23,360

that is gonna be used as a piece of

2527

01:33:28,229 --> 01:33:26,000

disinformation in some respect i'm

2528

01:33:30,229 --> 01:33:28,239

that's been my gut feeling ever since i

2529

01:33:33,510 --> 01:33:30,239

heard about us having it

2530

01:33:35,750 --> 01:33:33,520

somehow some way it's gonna be used in a

2531

01:33:36,709 --> 01:33:35,760

this info campaign

2532

01:33:38,629 --> 01:33:36,719

now

2533

01:33:44,629 --> 01:33:38,639

i think

2534

01:33:46,470 --> 01:33:44,639

that this this tic tac ufo that these

2535

01:33:49,189 --> 01:33:46,480

navy pilots saw

2536

01:33:51,669 --> 01:33:49,199

they explained that they explained that

2537

01:33:55,270 --> 01:33:51,679

this thing was about 40

2538

01:33:56,629 --> 01:33:55,280

feet long and it was smooth so it had no

2539

01:33:57,990 --> 01:33:56,639

detail

2540

01:33:59,270 --> 01:33:58,000

um

2541

01:34:01,669 --> 01:33:59,280

to it you know what i'm saying you know

2542

01:34:04,310 --> 01:34:01,679

how like a plane you it says oh had a

2543

01:34:06,070 --> 01:34:04,320

door here and a window and you know it

2544

01:34:09,030 --> 01:34:06,080

was just a smooth it looked like a tic

2545

01:34:11,030 --> 01:34:09,040

tac that'd be really easy to create a

2546

01:34:12,310 --> 01:34:11,040

holographic image and have it dance

2547

01:34:14,790 --> 01:34:12,320

around

2548

01:34:16,470 --> 01:34:14,800

and i've said to myself the tic tac one

2549

01:34:18,149 --> 01:34:16,480

could be a hologram could be project

2550

01:34:20,310 --> 01:34:18,159

bluebeam

2551

01:34:22,070 --> 01:34:20,320

but god bless the pilots that saw it

2552

01:34:24,070 --> 01:34:22,080

they don't know it they're not read into

2553

01:34:25,750 --> 01:34:24,080

the program and they're saying this

2554

01:34:27,590 --> 01:34:25,760

thing's doing all these

2555

01:34:29,830 --> 01:34:27,600

incredible maneuvers

2556

01:34:30,629 --> 01:34:29,840

well a hologram projection you could do

2557

01:34:37,910 --> 01:34:30,639

that

2558

01:34:39,990 --> 01:34:37,920

it could be

2559

01:34:40,870 --> 01:34:40,000

because we got the technology

2560

01:34:44,149 --> 01:34:40,880

so

2561

01:34:45,669 --> 01:34:44,159

that's one theory about the tic tac that

2562

01:34:46,470 --> 01:34:45,679

i have not heard most people seem to

2563

01:34:49,030 --> 01:34:46,480

think

2564

01:34:51,830 --> 01:34:49,040

one fall into one or two camps about

2565

01:34:54,229 --> 01:34:51,840

that video it's an alien spacecraft or

2566

01:34:57,030 --> 01:34:54,239

it's some sort of top secret

2567

01:34:59,270 --> 01:34:57,040

government some government's top secret

2568

01:35:00,790 --> 01:34:59,280

drone or aircraft that we don't know

2569

01:35:02,390 --> 01:35:00,800

about

2570

01:35:04,470 --> 01:35:02,400

they're assuming it's

2571

01:35:07,910 --> 01:35:04,480

they're assuming that it is a structured

2572

01:35:10,229 --> 01:35:07,920

craft but if you listen to the um i

2573

01:35:12,070 --> 01:35:10,239

believe it was a young lady that saw it

2574

01:35:14,390 --> 01:35:12,080

she explained it that it was it looked

2575

01:35:16,310 --> 01:35:14,400

like a tic tac it was smooth

2576

01:35:18,709 --> 01:35:16,320

40 foot long

2577

01:35:20,629 --> 01:35:18,719

based on the way she described it

2578

01:35:24,070 --> 01:35:20,639

it sounds like something you could

2579

01:35:26,229 --> 01:35:24,080

actually create a hologram projection of

2580

01:35:27,590 --> 01:35:26,239

now in reality maybe it was an actual

2581

01:35:29,109 --> 01:35:27,600

structure crap

2582

01:35:31,189 --> 01:35:29,119

but i'm trying i'm sitting here trying

2583

01:35:33,189 --> 01:35:31,199

to trying to figure out what we could be

2584

01:35:35,109 --> 01:35:33,199

dealing with here and if it's an

2585

01:35:37,750 --> 01:35:35,119

advanced technology that we all don't

2586

01:35:38,629 --> 01:35:37,760

know about hologram technology is part

2587

01:35:41,189 --> 01:35:38,639

of that

2588

01:35:42,790 --> 01:35:41,199

because not everybody realizes we got it

2589

01:35:44,950 --> 01:35:42,800

even though

2590

01:35:47,109 --> 01:35:44,960

it was used on american idol and elvis

2591

01:35:48,149 --> 01:35:47,119

thing with celine dion but i mean you

2592

01:35:50,470 --> 01:35:48,159

know

2593

01:35:52,629 --> 01:35:50,480

it's right there yeah i've seen that

2594

01:35:55,350 --> 01:35:52,639

i've seen the tupac holograms and

2595

01:35:57,109 --> 01:35:55,360

there's yeah

2596

01:35:58,870 --> 01:35:57,119

yeah

2597

01:36:00,629 --> 01:35:58,880

the technology's there these people seen

2598

01:36:02,870 --> 01:36:00,639

it but you try to tell them we got a

2599

01:36:04,550 --> 01:36:02,880

project blue blue being this hologram

2600

01:36:06,470 --> 01:36:04,560

technology they look at you like you

2601
01:36:08,149 --> 01:36:06,480
crazy and then i look back at them like

2602
01:36:09,590 --> 01:36:08,159
what the hell is that well the one thing

2603
01:36:11,189 --> 01:36:09,600
i don't know i'm

2604
01:36:13,270 --> 01:36:11,199
i'm not sure that a hologram would show

2605
01:36:15,350 --> 01:36:13,280
up on radar and these tic tac things

2606
01:36:17,910 --> 01:36:15,360
apparently did so

2607
01:36:20,550 --> 01:36:17,920
that's true that's very true

2608
01:36:22,870 --> 01:36:20,560
but if the planes on

2609
01:36:25,270 --> 01:36:22,880
911 were holograms

2610
01:36:26,709 --> 01:36:25,280
they look pretty real on tv didn't it

2611
01:36:29,030 --> 01:36:26,719
sure yeah

2612
01:36:31,270 --> 01:36:29,040
okay think about that

2613
01:36:33,750 --> 01:36:31,280

yeah i'm not sure i'm not sure

2614

01:36:36,310 --> 01:36:33,760

as as big into all of this conspiracy

2615

01:36:37,350 --> 01:36:36,320

theory as stuff as i am i'm not sure

2616

01:36:41,430 --> 01:36:37,360

on

2617

01:36:44,390 --> 01:36:41,440

thing i'm sure of is we didn't get the

2618

01:36:46,470 --> 01:36:44,400

real story because of oh no

2619

01:36:49,109 --> 01:36:46,480

it was it was an operation northwoods

2620

01:36:52,149 --> 01:36:49,119

from start to finish

2621

01:36:54,310 --> 01:36:52,159

yeah and a convenient excuse to invade a

2622

01:36:57,270 --> 01:36:54,320

sovereign country that never did if

2623

01:36:59,109 --> 01:36:57,280

you've ever yeah that was if you've ever

2624

01:37:01,669 --> 01:36:59,119

if you've ever out if you've ever

2625

01:37:03,990 --> 01:37:01,679

researched operation northwoods

2626

01:37:06,229 --> 01:37:04,000

the foundation of that was to do false

2627

01:37:08,629 --> 01:37:06,239

flag attacks on america and blame other

2628

01:37:10,390 --> 01:37:08,639

countries just so you can go to war

2629

01:37:12,070 --> 01:37:10,400

sure yeah well

2630

01:37:14,149 --> 01:37:12,080

you know when people think that that's

2631

01:37:16,229 --> 01:37:14,159

so crazy i tell them to look up the gulf

2632

01:37:18,550 --> 01:37:16,239

of tonkin

2633

01:37:21,030 --> 01:37:18,560

because you know that's a proven false

2634

01:37:22,629 --> 01:37:21,040

flag operation that we've pretty much

2635

01:37:24,390 --> 01:37:22,639

they pretty much admitted yeah we kind

2636

01:37:26,070 --> 01:37:24,400

of we kind of flubbed a lot of stuff

2637

01:37:29,910 --> 01:37:26,080

something happened but not exactly the

2638

01:37:32,070 --> 01:37:29,920

way we said and we exaggerated it and

2639

01:37:35,030 --> 01:37:32,080

and we added to it and that gave us a

2640

01:37:37,350 --> 01:37:35,040

reason to go into vietnam and

2641

01:37:38,629 --> 01:37:37,360

i believe that 911 gave us a reason for

2642

01:37:41,189 --> 01:37:38,639

all these we're

2643

01:37:42,310 --> 01:37:41,199

we've basically taken over two sovereign

2644

01:37:43,830 --> 01:37:42,320

countries

2645

01:37:49,189 --> 01:37:43,840

uh

2646

01:37:51,350 --> 01:37:49,199

looks like we're gonna go iran next if

2647

01:37:52,709 --> 01:37:51,360

if they're not stopped

2648

01:37:54,870 --> 01:37:52,719

because there's

2649

01:37:56,870 --> 01:37:54,880

you know there's never enough war

2650

01:37:58,950 --> 01:37:56,880

uh for the war mongers because they

2651

01:38:00,629 --> 01:37:58,960

profits well here's the thing

2652

01:38:03,350 --> 01:38:00,639

here's the thing

2653

01:38:05,510 --> 01:38:03,360

uh colonel fletcher brownie uh gave an

2654

01:38:07,669 --> 01:38:05,520

interview for um

2655

01:38:09,590 --> 01:38:07,679

a public access station this was in the

2656

01:38:11,270 --> 01:38:09,600

1970s

2657

01:38:13,189 --> 01:38:11,280

he said that

2658

01:38:15,750 --> 01:38:13,199

war is big business

2659

01:38:17,350 --> 01:38:15,760

war may you make money during a war

2660

01:38:18,229 --> 01:38:17,360

so that's why

2661

01:38:20,229 --> 01:38:18,239

war

2662

01:38:21,830 --> 01:38:20,239

is

2663

01:38:22,950 --> 01:38:21,840

what

2664

01:38:24,950 --> 01:38:22,960

a lot of

2665

01:38:26,470 --> 01:38:24,960

i'm trying to think how to say this

2666

01:38:30,149 --> 01:38:26,480

the pentagon would really go to war than

2667

01:38:32,550 --> 01:38:30,159

not because it's big business okay now

2668

01:38:34,870 --> 01:38:32,560

jfk i gotta touch on this before we

2669

01:38:38,870 --> 01:38:34,880

close our interview because it has a lot

2670

01:38:41,510 --> 01:38:38,880

to do with ufos and operation northwood

2671

01:38:44,470 --> 01:38:41,520

jfk's assassination happened on november

2672

01:38:46,709 --> 01:38:44,480

the 22nd 1963. we all know that if

2673

01:38:49,590 --> 01:38:46,719

you're at least 30 something years old

2674

01:38:55,830 --> 01:38:52,310

the allegation or anal judgment was that

2675

01:39:00,709 --> 01:38:55,840

mj 12 ordered the kennedy assassination

2676

01:39:03,030 --> 01:39:00,719

after jfk requested ufo intel now jfk

2677

01:39:05,430 --> 01:39:03,040

sent a letter to the cia dated november

2678

01:39:06,790 --> 01:39:05,440

the 12th 10 days before the

2679

01:39:08,229 --> 01:39:06,800

assassination

2680

01:39:10,709 --> 01:39:08,239

now

2681

01:39:12,550 --> 01:39:10,719

10 10 days is not long enough to get a

2682

01:39:14,629 --> 01:39:12,560

plan together to take out the president

2683

01:39:17,590 --> 01:39:14,639

united states

2684

01:39:20,790 --> 01:39:17,600

something was being planned before the

2685

01:39:23,990 --> 01:39:20,800

the date of november that 12th

2686

01:39:26,550 --> 01:39:24,000

i believe what was going on is

2687

01:39:27,990 --> 01:39:26,560

the powers that be

2688

01:39:30,390 --> 01:39:28,000

military black ops whatever you want to

2689

01:39:31,669 --> 01:39:30,400

call it was going to simulate an attack

2690

01:39:34,629 --> 01:39:31,679

on jfk

2691

01:39:37,109 --> 01:39:34,639

in either chicago or tampa

2692

01:39:41,910 --> 01:39:39,350

as a false flag simulated an

2693

01:39:43,830 --> 01:39:41,920

assassination not not killing

2694

01:39:45,830 --> 01:39:43,840

he changed his opinions on communism

2695

01:39:47,910 --> 01:39:45,840

because they thought he was coming

2696

01:39:49,510 --> 01:39:47,920

he wasn't he just didn't want to go to

2697

01:39:50,709 --> 01:39:49,520

war

2698

01:39:53,430 --> 01:39:50,719

now

2699

01:39:55,990 --> 01:39:53,440

that's what i believe was being planned

2700

01:39:57,510 --> 01:39:56,000

but when he requested ufo material the

2701

01:40:00,310 --> 01:39:57,520

plan changed

2702

01:40:01,910 --> 01:40:00,320

and it was something this simple like

2703

01:40:03,430 --> 01:40:01,920

okay we got to hit the target instead of

2704

01:40:05,990 --> 01:40:03,440

missing i know that sounds kind of

2705

01:40:10,149 --> 01:40:06,000

morbid but the plan changed on november

2706

01:40:13,910 --> 01:40:11,830

that's what i believe that's not that's

2707

01:40:15,990 --> 01:40:13,920

how that's come about that's another one

2708

01:40:18,470 --> 01:40:16,000

of those great conspiracies and great

2709

01:40:20,470 --> 01:40:18,480

mysteries and it's another one of those

2710

01:40:22,709 --> 01:40:20,480

stories that i don't believe will ever

2711

01:40:23,750 --> 01:40:22,719

get the total truth of they're still

2712

01:40:27,510 --> 01:40:23,760

hiding

2713

01:40:29,430 --> 01:40:27,520

all these years later about the jfk

2714

01:40:31,669 --> 01:40:29,440

assassination well ask you ask yourself

2715

01:40:33,510 --> 01:40:31,679

a question if the one commission lied in

2716

01:40:35,750 --> 01:40:33,520

1964

2717

01:40:37,830 --> 01:40:35,760

why should we trust any document that

2718

01:40:39,350 --> 01:40:37,840

comes out of the united states

2719

01:40:41,990 --> 01:40:39,360

government's front door that has

2720

01:40:44,629 --> 01:40:42,000

anything to do with candy assassination

2721

01:40:47,189 --> 01:40:44,639

elf fletcher proudly said in the 1970s

2722

01:40:49,189 --> 01:40:47,199

that the documents would be doctored for

2723

01:40:51,510 --> 01:40:49,199

later release

2724

01:40:54,229 --> 01:40:51,520

you can't trust the info in there

2725

01:40:56,550 --> 01:40:54,239

because it's going to make lee oswald

2726

01:40:58,229 --> 01:40:56,560

look guilty of sin

2727

01:40:59,750 --> 01:40:58,239

anybody that trusts anything in the

2728

01:41:00,629 --> 01:40:59,760

documents

2729

01:41:01,990 --> 01:41:00,639

are

2730

01:41:03,750 --> 01:41:02,000

gullible

2731

01:41:05,189 --> 01:41:03,760

and i'm not saying some of the doctors

2732

01:41:07,430 --> 01:41:05,199

may not have some

2733

01:41:09,270 --> 01:41:07,440

facts in them

2734

01:41:10,870 --> 01:41:09,280

but no matter what when you look at them

2735

01:41:15,510 --> 01:41:10,880

whenever they release them

2736

01:41:19,109 --> 01:41:17,430

that's just the way it is

2737

01:41:21,109 --> 01:41:19,119

so even though

2738

01:41:22,790 --> 01:41:21,119

there's been evidence that jim garrison

2739

01:41:25,750 --> 01:41:22,800

showed the world there was a conspiracy

2740

01:41:27,750 --> 01:41:25,760

but those documents won't ever show that

2741

01:41:29,430 --> 01:41:27,760

i don't believe they will

2742

01:41:33,109 --> 01:41:29,440

because if so then that's going to show

2743

01:41:35,189 --> 01:41:33,119

that one commission lied can't do that

2744

01:41:37,590 --> 01:41:35,199

it's like roswell you can't admit you

2745

01:41:39,189 --> 01:41:37,600

lied about roswell

2746

01:41:41,270 --> 01:41:39,199

yeah and roswell's one of those things

2747

01:41:42,950 --> 01:41:41,280

that i always laugh about because they

2748

01:41:44,550 --> 01:41:42,960

that's like what are they up to the

2749

01:41:46,950 --> 01:41:44,560

third explanation

2750

01:41:49,430 --> 01:41:46,960

i mean the first it's a flying saucer

2751
01:41:51,270 --> 01:41:49,440
and that got out on the wires and uh the

2752
01:41:53,030 --> 01:41:51,280
story went crazy and then suddenly it's

2753
01:41:56,149 --> 01:41:53,040
a weather balloon and now now it's a

2754
01:41:59,830 --> 01:41:56,159
mogul top-secret balloon to detect

2755
01:42:01,990 --> 01:41:59,840
nuclear detonations from russia

2756
01:42:02,870 --> 01:42:02,000
you know you know what's so amazing

2757
01:42:07,510 --> 01:42:02,880
why

2758
01:42:10,149 --> 01:42:07,520
had to accompany that weather balloon

2759
01:42:11,350 --> 01:42:10,159
all the way to right path

2760
01:42:15,590 --> 01:42:11,360
yeah it was a

2761
01:42:20,629 --> 01:42:18,870
we have the only nuclear

2762
01:42:22,149 --> 01:42:20,639
bomb group

2763
01:42:24,870 --> 01:42:22,159

in the world

2764

01:42:25,910 --> 01:42:24,880

and we're expected to believe that those

2765

01:42:29,109 --> 01:42:25,920

men

2766

01:42:31,510 --> 01:42:29,119

uh who see weather balloons every day

2767

01:42:33,430 --> 01:42:31,520

didn't know that was a weather balloon

2768

01:42:36,390 --> 01:42:33,440

they they went straight to this is a

2769

01:42:37,990 --> 01:42:36,400

flying saucer that's crazy well here's

2770

01:42:40,229 --> 01:42:38,000

here's another thing that not many

2771

01:42:42,470 --> 01:42:40,239

people know about the roswell timeline

2772

01:42:43,910 --> 01:42:42,480

before major marcel went out to the

2773

01:42:45,910 --> 01:42:43,920

foster ranch

2774

01:42:47,350 --> 01:42:45,920

he went to the sheriff's office and met

2775

01:42:50,950 --> 01:42:47,360

matt brown

2776

01:42:53,669 --> 01:42:50,960

he had a box of this debris

2777

01:42:55,510 --> 01:42:53,679

jesse marcel looked at this stuff in the

2778

01:42:56,470 --> 01:42:55,520

sheriff's office and knew

2779

01:42:58,550 --> 01:42:56,480

okay

2780

01:42:59,990 --> 01:42:58,560

big chunks of metal something's out

2781

01:43:02,310 --> 01:43:00,000

there we don't know what we need to go

2782

01:43:03,669 --> 01:43:02,320

see so he knew right then before he got

2783

01:43:06,310 --> 01:43:03,679

in the car and started to drive towards

2784

01:43:08,149 --> 01:43:06,320

that ranch that whatever was out there

2785

01:43:10,790 --> 01:43:08,159

wasn't a weather balloon

2786

01:43:12,629 --> 01:43:10,800

yes and also the metal and also the size

2787

01:43:14,870 --> 01:43:12,639

of the debris field a weather balloon

2788

01:43:17,189 --> 01:43:14,880

would need really a debris field that

2789

01:43:20,629 --> 01:43:17,199

huge and it wouldn't require

2790

01:43:22,070 --> 01:43:20,639

40 soldiers and trucks to gather it all

2791

01:43:24,310 --> 01:43:22,080

up nope

2792

01:43:27,189 --> 01:43:24,320

and it would not create two crash sites

2793

01:43:31,030 --> 01:43:30,070

there was two crash sites yes

2794

01:43:34,950 --> 01:43:31,040

yeah

2795

01:43:37,109 --> 01:43:34,960

fought the foster ranch and then corona

2796

01:43:38,870 --> 01:43:37,119

corona i think was 20 miles away 30

2797

01:43:40,629 --> 01:43:38,880

miles away i think yes and corona is

2798

01:43:42,550 --> 01:43:40,639

where the good stuff came from

2799

01:43:45,350 --> 01:43:42,560

apparently allegedly

2800

01:43:47,590 --> 01:43:45,360

yeah allegedly yet allegedly the one

2801

01:43:50,470 --> 01:43:47,600

body that survived was found at the

2802

01:43:52,950 --> 01:43:50,480

coronal location

2803

01:43:54,629 --> 01:43:52,960

and that was allegedly the picture that

2804

01:43:56,149 --> 01:43:54,639

you can find

2805

01:43:57,510 --> 01:43:56,159

and the nickname for the picture is

2806

01:43:59,030 --> 01:43:57,520

skinny bob i don't know if you've ever

2807

01:44:00,229 --> 01:43:59,040

seen that picture i've got sure yeah

2808

01:44:02,870 --> 01:44:00,239

i've seen

2809

01:44:04,470 --> 01:44:02,880

one of my favorite videos and uh that

2810

01:44:06,550 --> 01:44:04,480

skinny buff video

2811

01:44:08,229 --> 01:44:06,560

i don't know if it's true uh i don't

2812

01:44:10,470 --> 01:44:08,239

know if it's real

2813

01:44:11,189 --> 01:44:10,480

but i love that video and if it isn't

2814

01:44:13,350 --> 01:44:11,199

real

2815

01:44:14,709 --> 01:44:13,360

somebody did a great job faking that

2816

01:44:17,189 --> 01:44:14,719

because that

2817

01:44:20,070 --> 01:44:17,199

i really heard that a million times yeah

2818

01:44:22,629 --> 01:44:20,080

yep i've said that a million times yeah

2819

01:44:26,470 --> 01:44:22,639

i've always said if that's a fake it's a

2820

01:44:30,070 --> 01:44:27,750

that's one of those ones that's one of

2821

01:44:32,709 --> 01:44:30,080

those tantalizing things too that just

2822

01:44:35,830 --> 01:44:32,719

showed up on youtube one day and nobody

2823

01:44:37,990 --> 01:44:35,840

quite is able to track down the owner of

2824

01:44:40,470 --> 01:44:38,000

the youtube account that uploaded that

2825

01:44:41,669 --> 01:44:40,480

originally

2826

01:44:43,270 --> 01:44:41,679

and uh

2827

01:44:45,350 --> 01:44:43,280

the jury's still out on that video

2828

01:44:47,189 --> 01:44:45,360

because no one has thoroughly debunked

2829

01:44:48,790 --> 01:44:47,199

it or come forward and said i made it

2830

01:44:49,830 --> 01:44:48,800

here's how and showing proof of how it

2831

01:44:50,709 --> 01:44:49,840

was made

2832

01:44:52,070 --> 01:44:50,719

so

2833

01:44:55,109 --> 01:44:52,080

it's just a great

2834

01:44:56,790 --> 01:44:55,119

image of an alien if that's real

2835

01:44:58,870 --> 01:44:56,800

even if it's not real i think it's very

2836

01:45:00,870 --> 01:44:58,880

well done you know it's one of the best

2837

01:45:03,270 --> 01:45:00,880

hoaxes that i've ever seen

2838

01:45:04,870 --> 01:45:03,280

it certainly beats this uh a lot of

2839

01:45:07,350 --> 01:45:04,880

stuff out there that that has been

2840

01:45:10,229 --> 01:45:07,360

proven to be to be fraud like the alien

2841

01:45:12,310 --> 01:45:10,239

autopsy or the alien interview thing

2842

01:45:13,990 --> 01:45:12,320

yeah that crap there just makes you

2843

01:45:15,830 --> 01:45:14,000

follows you look bad that and that

2844

01:45:17,750 --> 01:45:15,840

surely offended me and this alien

2845

01:45:19,430 --> 01:45:17,760

autopsy thing is making the rounds again

2846

01:45:21,350 --> 01:45:19,440

now that guy's coming out and saying no

2847

01:45:23,109 --> 01:45:21,360

well it was a recreation but i still

2848

01:45:25,270 --> 01:45:23,119

have the original film

2849

01:45:27,270 --> 01:45:25,280

and i guess he's going to try to make a

2850

01:45:29,189 --> 01:45:27,280

boatload more money on the real film

2851
01:45:30,390 --> 01:45:29,199
this time instead of the recreation well

2852
01:45:33,109 --> 01:45:30,400
i'm gonna tell you

2853
01:45:34,470 --> 01:45:33,119
somebody like me is not that believes

2854
01:45:36,629 --> 01:45:34,480
that they're here

2855
01:45:38,950 --> 01:45:36,639
i'm not gonna even look at that as being

2856
01:45:40,629 --> 01:45:38,960
a factual thing you know even though

2857
01:45:42,629 --> 01:45:40,639
let's say it is let's say it's telling

2858
01:45:45,590 --> 01:45:42,639
the truth i don't have faith in it i

2859
01:45:47,910 --> 01:45:45,600
mean because you've you've already

2860
01:45:50,229 --> 01:45:47,920
screwed us once was yeah he's a fakery

2861
01:45:51,990 --> 01:45:50,239
he's burned the bones yeah yeah once

2862
01:45:53,750 --> 01:45:52,000
once you're proven a fraud it's kind of

2863
01:45:55,510 --> 01:45:53,760

hard to come back from that

2864

01:45:56,870 --> 01:45:55,520

and uh i don't know what's going to

2865

01:45:58,629 --> 01:45:56,880

happen with that but i think it's

2866

01:46:01,109 --> 01:45:58,639

interesting that it's making the rounds

2867

01:46:03,270 --> 01:46:01,119

again now and uh he's been making

2868

01:46:06,149 --> 01:46:03,280

statements this race antilles lately to

2869

01:46:07,990 --> 01:46:06,159

people and uh grant cameron just talked

2870

01:46:09,109 --> 01:46:08,000

about this and a few other researchers

2871

01:46:11,109 --> 01:46:09,119

that are saying well maybe we should

2872

01:46:13,590 --> 01:46:11,119

look into it again and i say no we

2873

01:46:16,070 --> 01:46:13,600

shouldn't it was a fake a fraud the guy

2874

01:46:17,830 --> 01:46:16,080

made millions of dollars on it let's not

2875

01:46:19,669 --> 01:46:17,840

give him any more spotlight because it

2876

01:46:22,950 --> 01:46:19,679

just like you said it makes the whole

2877

01:46:25,430 --> 01:46:22,960

field look ridiculous and worthy of

2878

01:46:29,910 --> 01:46:25,440

and worthy of mockery

2879

01:46:32,470 --> 01:46:29,920

yeah well i'm looking at it like okay

2880

01:46:35,109 --> 01:46:32,480

if they're if they're being honest this

2881

01:46:37,030 --> 01:46:35,119

time and it's real blah blah blah

2882

01:46:38,870 --> 01:46:37,040

okay good somebody else can get the

2883

01:46:40,390 --> 01:46:38,880

credit for it i'm risking

2884

01:46:42,070 --> 01:46:40,400

i have no problem

2885

01:46:43,590 --> 01:46:42,080

turning my head to it

2886

01:46:44,870 --> 01:46:43,600

you know because it's one of those

2887

01:46:46,310 --> 01:46:44,880

things to where

2888

01:46:48,229 --> 01:46:46,320

it's almost kind of like when somebody

2889

01:46:49,430 --> 01:46:48,239

does that they're poking fun at you

2890

01:46:51,109 --> 01:46:49,440

followed you

2891

01:46:52,790 --> 01:46:51,119

because they're saying haha it ain't

2892

01:46:55,109 --> 01:46:52,800

real

2893

01:46:57,350 --> 01:46:55,119

and with so many things

2894

01:47:00,550 --> 01:46:57,360

that if you have a subject with so many

2895

01:47:03,830 --> 01:47:00,560

unanswered legitimate questions

2896

01:47:06,790 --> 01:47:03,840

it's it's kind of like a fable it gets

2897

01:47:09,669 --> 01:47:06,800

started with a little bit of fact

2898

01:47:11,510 --> 01:47:09,679

so why are these questions not answered

2899

01:47:13,830 --> 01:47:11,520

you know why are we being told one thing

2900

01:47:15,750 --> 01:47:13,840

when something else is going on

2901

01:47:17,910 --> 01:47:15,760

why are all that why are all these

2902

01:47:19,590 --> 01:47:17,920

documents coming out with all these

2903

01:47:21,990 --> 01:47:19,600

words blacked out

2904

01:47:23,990 --> 01:47:22,000

so when somebody's hiding something

2905

01:47:26,070 --> 01:47:24,000

something is

2906

01:47:27,669 --> 01:47:26,080

there

2907

01:47:29,590 --> 01:47:27,679

question is what

2908

01:47:31,830 --> 01:47:29,600

sure there's something there's a say i

2909

01:47:33,750 --> 01:47:31,840

know you uh yeah there's a saying too

2910

01:47:36,229 --> 01:47:33,760

it's uh it's uh

2911

01:47:38,709 --> 01:47:36,239

questions are only dangerous to people

2912

01:47:40,709 --> 01:47:38,719

who have something to hide

2913

01:47:42,470 --> 01:47:40,719

oh most definitely yeah you know that's

2914

01:47:43,830 --> 01:47:42,480

like and that and this is kind of off

2915

01:47:44,629 --> 01:47:43,840

subject but

2916

01:47:46,790 --> 01:47:44,639

um

2917

01:47:49,030 --> 01:47:46,800

there was a big stink on the news a

2918

01:47:52,310 --> 01:47:49,040

while back about people going to like

2919

01:47:55,030 --> 01:47:52,320

walmart and the associate that's at the

2920

01:47:56,390 --> 01:47:55,040

door asked to see their receipt now my

2921

01:47:58,310 --> 01:47:56,400

thing is this

2922

01:47:59,830 --> 01:47:58,320

it's just a piece of paper

2923

01:48:04,229 --> 01:47:59,840

show it to him

2924

01:48:06,950 --> 01:48:04,239

have something to hide that's my

2925

01:48:10,709 --> 01:48:08,870

i know that's a touchy subject yeah this

2926

01:48:13,189 --> 01:48:10,719

is a touchy subject you know what's

2927

01:48:14,629 --> 01:48:13,199

funny is i knew i moved out of the city

2928

01:48:16,470 --> 01:48:14,639

i used to live in philadelphia where

2929

01:48:18,070 --> 01:48:16,480

they checked you everybody checked you

2930

01:48:19,510 --> 01:48:18,080

at the door and it's kind of annoying

2931

01:48:21,030 --> 01:48:19,520

maybe you put the receipt in your pocket

2932

01:48:22,790 --> 01:48:21,040

or in your wallet and now you got all

2933

01:48:24,470 --> 01:48:22,800

your bags because sometimes they're

2934

01:48:26,629 --> 01:48:24,480

there to check and sometimes they're not

2935

01:48:28,550 --> 01:48:26,639

you take the rece you know and then i

2936

01:48:31,030 --> 01:48:28,560

moved to the suburbs and nobody does

2937

01:48:32,870 --> 01:48:31,040

that and it's nice you pay you walk out

2938

01:48:34,310 --> 01:48:32,880

you don't have to you don't have to do

2939

01:48:36,390 --> 01:48:34,320

that well i'm going to tell you i'm

2940

01:48:39,750 --> 01:48:36,400

going to tell you i have i have seen

2941

01:48:42,229 --> 01:48:39,760

situations in the retail world

2942

01:48:45,109 --> 01:48:42,239

to where they did not check and people

2943

01:48:48,229 --> 01:48:45,119

were leaving with unpaid product i have

2944

01:48:51,030 --> 01:48:48,239

seen it sure it happens

2945

01:48:53,910 --> 01:48:51,040

it happens and a few people ruin it for

2946

01:48:57,109 --> 01:48:53,920

everybody but the thing is but the thing

2947

01:48:59,030 --> 01:48:57,119

is is if you know a store has an

2948

01:49:01,109 --> 01:48:59,040

associate that checks it on the way out

2949

01:49:03,750 --> 01:49:01,119

and you paid for your stuff

2950

01:49:06,310 --> 01:49:03,760

my thing is this use the noodle hold it

2951

01:49:08,629 --> 01:49:06,320

in your hand show it to them tell them

2952

01:49:12,390 --> 01:49:08,639

to have a nice day they'll do the same

2953

01:49:14,629 --> 01:49:12,400

no problem sure people create problems

2954

01:49:16,870 --> 01:49:14,639

well i guess i guess i guess i would

2955

01:49:18,870 --> 01:49:16,880

like to ask you a final question is like

2956

01:49:21,030 --> 01:49:18,880

where are you at where are you at and

2957

01:49:22,629 --> 01:49:21,040

all this and what are your plans and

2958

01:49:24,790 --> 01:49:22,639

what are you going to do going forward

2959

01:49:26,470 --> 01:49:24,800

about all of the this

2960

01:49:28,550 --> 01:49:26,480

this

2961

01:49:31,270 --> 01:49:28,560

i guess can of worms that you opened for

2962

01:49:32,149 --> 01:49:31,280

yourself where are you going exactly

2963

01:49:34,390 --> 01:49:32,159

well

2964

01:49:37,990 --> 01:49:34,400
sometimes in ufology you really never

2965

01:49:40,149 --> 01:49:38,000
know where things take you what i do

2966

01:49:41,189 --> 01:49:40,159
on a day-to-day basis

2967

01:49:42,390 --> 01:49:41,199
is

2968

01:49:44,950 --> 01:49:42,400
i will

2969

01:49:47,189 --> 01:49:44,960
look at the social media news feeds and

2970

01:49:48,790 --> 01:49:47,199
see what stories pop up related to

2971

01:49:50,550 --> 01:49:48,800
mythology

2972

01:49:52,870 --> 01:49:50,560
and if it's something i've never heard

2973

01:49:54,390 --> 01:49:52,880
about i take note of it and i got this

2974

01:49:58,229 --> 01:49:54,400
notebook where i write all this stuff

2975

01:50:00,390 --> 01:49:58,239
down and i add it to my research list

2976

01:50:01,270 --> 01:50:00,400

and that's what i do that's how i do

2977

01:50:03,830 --> 01:50:01,280

this

2978

01:50:06,310 --> 01:50:03,840

on a day-to-day basis i might research

2979

01:50:08,229 --> 01:50:06,320

something and it might take me to

2980

01:50:10,950 --> 01:50:08,239

the skin walker subject

2981

01:50:12,629 --> 01:50:10,960

hypothetically you know that's what i do

2982

01:50:14,070 --> 01:50:12,639

on a day-to-day basis

2983

01:50:15,589 --> 01:50:14,080

and that's what i've pretty much done

2984

01:50:19,750 --> 01:50:15,599

for the last 10 years that's how i've

2985

01:50:21,750 --> 01:50:19,760

come up with the theory that i have

2986

01:50:25,030 --> 01:50:21,760

based on

2987

01:50:28,229 --> 01:50:25,040

allegements by military and civilian

2988

01:50:32,149 --> 01:50:28,239

people that have allegedly been in the

2989

01:50:36,629 --> 01:50:33,910

that's where i'm at

2990

01:50:38,390 --> 01:50:36,639

and i know for a fact there's secrets

2991

01:50:39,109 --> 01:50:38,400

that the pentagon's got i'm never gonna

2992

01:50:40,950 --> 01:50:39,119

know

2993

01:50:43,750 --> 01:50:40,960

but that's the way it is national

2994

01:50:45,270 --> 01:50:43,760

security i get that i'm all for that i

2995

01:50:47,750 --> 01:50:45,280

really am

2996

01:50:49,430 --> 01:50:47,760

but when you have a major event in our

2997

01:50:51,350 --> 01:50:49,440

country's history like roswell and it's

2998

01:50:53,189 --> 01:50:51,360

obviously lied about something

2999

01:50:54,950 --> 01:50:53,199

and they still ain't told the truth

3000

01:50:58,310 --> 01:50:54,960

that's kind of annoying i mean come on

3001

01:51:00,709 --> 01:50:58,320

you know it was 1947 admit it

3002

01:51:02,790 --> 01:51:00,719

if it was if it was the unthinkable

3003

01:51:03,750 --> 01:51:02,800

meaning alien

3004

01:51:05,350 --> 01:51:03,760

that's the

3005

01:51:06,550 --> 01:51:05,360

it's kind of like indirect but that's

3006

01:51:09,430 --> 01:51:06,560

really what it was because they're

3007

01:51:11,750 --> 01:51:09,440

making up every excuse except that

3008

01:51:14,550 --> 01:51:11,760

and every excuses is fake and phony and

3009

01:51:17,430 --> 01:51:14,560

hokey and we know it and i think and i

3010

01:51:19,750 --> 01:51:17,440

think they know we know it

3011

01:51:22,310 --> 01:51:19,760

and it might be their way of telling us

3012

01:51:25,270 --> 01:51:22,320

that it was the unthinkable without

3013

01:51:27,350 --> 01:51:25,280

actually saying the senate

3014

01:51:30,229 --> 01:51:27,360

you know

3015

01:51:32,550 --> 01:51:30,239

so it's a lot of mystery i believe

3016

01:51:34,550 --> 01:51:32,560

you're right it's still a great mystery

3017

01:51:36,070 --> 01:51:34,560

and that might be a good place to end

3018

01:51:37,830 --> 01:51:36,080

our talk

3019

01:51:39,589 --> 01:51:37,840

3020

reminding you that sometimes a pleasant

3077

01:54:04,420 --> 01:54:02,719

illusion is better than a harsh reality
