[Applause]

[Music]

5
00:01:04,239 --> 00:01:07,520
so

[Music]

7
00:03:23,070 --> 00:02:44,290
so

00:04:41,189 --> 00:03:38,040
[Music]

9
00:04:42,550 --> 00:04:41,199
greetings and salutations friends and

10
00:04:46,070 --> 00:04:42,560
welcome back

11
00:04:47,430 --> 00:04:46,080
it is monday and i feel like i'm back to

12
00:04:53,830 --> 00:04:47,440
work

13
00:04:56,150 --> 00:04:53,840

uh recently over the weekend i realized

14

00:04:59,030 --> 00:04:56,160

that i have been focusing too much on

15

00:04:59,830 --> 00:04:59,040

certain stories and ignoring

16

00:05:03,350 --> 00:04:59,840

uh

17

00:05:05,270 --> 00:05:03,360

the latest ufo news so i got myself

18

00:05:07,510 --> 00:05:05,280

caught up and tonight we're gonna

19

00:05:10,390 --> 00:05:07,520

sort of catch up on what's going on in

20

00:05:12,550 --> 00:05:10,400

the world of ufos and the circus

21

00:05:14,469 --> 00:05:12,560

welcome back to the circus friends the

22

00:05:17,510 --> 00:05:14,479

circus continues

23

00:05:20,629 --> 00:05:17,520

um now there are some real

24

00:05:23,590 --> 00:05:20,639

news stories worthy of discussion

25

00:05:25,350 --> 00:05:23,600

um that we will start with but

26

00:05:27,350 --> 00:05:25,360

uh interestingly

27

00:05:30,070 --> 00:05:27,360

i found out that

28

00:05:31,830 --> 00:05:30,080

david wilcock is back and

29

00:05:33,990 --> 00:05:31,840

so is corey good

30

00:05:37,350 --> 00:05:34,000

which is uh strange

31

00:05:39,430 --> 00:05:37,360

uh apparently david wilcock

32

00:05:42,230 --> 00:05:39,440

did he

33

00:05:43,430 --> 00:05:42,240

uploaded a video of snowpocalypse

34

00:05:45,990 --> 00:05:43,440

because

35

00:05:48,550 --> 00:05:46,000

in his two million dollar mansion

36

00:05:50,870 --> 00:05:48,560

uh you know there was six inches of snow

37

00:05:53,430 --> 00:05:50,880

and this is just horrific to david

38

00:05:55,749 --> 00:05:53,440

wilcox six inches of snow first of all

39

00:05:58,950 --> 00:05:55,759

david wilcock lives in the mountains of

40

00:06:01,510 --> 00:05:58,960

colorado in a two million dollar mansion

41

00:06:04,150 --> 00:06:01,520

log cabin mansion by the way

42

00:06:08,070 --> 00:06:04,160

and i will repeat my uh often said

43

00:06:09,189 --> 00:06:08,080

phrase that men build log cabins [h__h]

44

00:06:10,230 --> 00:06:09,199

buy them

45

00:06:12,629 --> 00:06:10,240

uh but

46

00:06:13,510 --> 00:06:12,639

the whole thing is bizarre and we get to

47

00:06:16,469 --> 00:06:13,520

see

48

00:06:18,870 --> 00:06:16,479

david wilcock literally unraveling right

49

00:06:21,110 --> 00:06:18,880

before our eyes because remember how

50

00:06:23,350 --> 00:06:21,120

we've often discussed that david wilcock

51
00:06:26,469 --> 00:06:23,360
no matter what the subject is he is an

52
00:06:30,469 --> 00:06:26,479
absolute expert on everything

53
00:06:32,710 --> 00:06:30,479
and this bizarre video that he posted um

54
00:06:33,430 --> 00:06:32,720
we get to see david wilcock pretend to

55
00:06:36,629 --> 00:06:33,440
be

56
00:06:39,510 --> 00:06:36,639
some kind of an expert in what to do

57
00:06:41,749 --> 00:06:39,520
uh in the event of a [h__h] hit the fan

58
00:06:43,749 --> 00:06:41,759
situation with the power down and you

59
00:06:45,670 --> 00:06:43,759
know how to survive

60
00:06:47,909 --> 00:06:45,680
and uh we're just going to play a little

61
00:06:53,029 --> 00:06:47,919
bit of it later because it is truly

62
00:06:55,589 --> 00:06:53,039
bizarre first of all the man with 180 iq

63
00:06:56,950 --> 00:06:55,599

he claimed that not me which by the way

64

00:06:58,150 --> 00:06:56,960

that would make him smarter than

65

00:07:01,430 --> 00:06:58,160

einstein

66

00:07:03,510 --> 00:07:01,440

the father of anti-gravity right he's so

67

00:07:07,189 --> 00:07:03,520

smart he's going to invent any gravity

68

00:07:09,110 --> 00:07:07,199

oh and free energy also this guy doesn't

69

00:07:11,189 --> 00:07:09,120

know how to turn on

70

00:07:15,189 --> 00:07:11,199

a generator

71

00:07:19,110 --> 00:07:16,629

that's right

72

00:07:20,950 --> 00:07:19,120

david wilcock the man with the 180 iq

73

00:07:23,350 --> 00:07:20,960

smarter than einstein father of any

74

00:07:25,749 --> 00:07:23,360

gravity father of free energy

75

00:07:28,230 --> 00:07:25,759

uh the world's greatest prophet doesn't

76

00:07:30,790 --> 00:07:28,240

know how to turn on a generator

77

00:07:32,390 --> 00:07:30,800

but somehow he's some kind of goddamn

78

00:07:35,589 --> 00:07:32,400

expert and he's going to tell you how to

79

00:07:37,350 --> 00:07:35,599

survive in a in a terrible situation

80

00:07:40,469 --> 00:07:37,360

you know when you're in the middle of a

81

00:07:42,870 --> 00:07:40,479

snowpocalypse first of all come on bro

82

00:07:44,629 --> 00:07:42,880

six inches and you're crying and your

83

00:07:46,230 --> 00:07:44,639

power is out

84

00:07:47,670 --> 00:07:46,240

i don't know i have a cabin in the

85

00:07:50,950 --> 00:07:47,680

mountains of pennsylvania and we could

86

00:07:53,830 --> 00:07:50,960

get 18 inches one storm could be 18

87

00:07:56,230 --> 00:07:53,840

inches of snow where my cabin is

88

00:07:57,990 --> 00:07:56,240

uh and i don't go post in snowpocalypse

89

00:07:59,189 --> 00:07:58,000

videos every time that happens quite

90

00:08:01,350 --> 00:07:59,199

honestly

91

00:08:03,350 --> 00:08:01,360

um i try not to be there when there's a

92

00:08:05,990 --> 00:08:03,360

huge snowstorm because getting in and

93

00:08:07,749 --> 00:08:06,000

out of the dirt road that's about a mile

94

00:08:09,909 --> 00:08:07,759

long to get to my cabin from the main

95

00:08:12,469 --> 00:08:09,919

road could be a problem but

96

00:08:14,070 --> 00:08:12,479

it's just amazing to me that this clown

97

00:08:16,150 --> 00:08:14,080

is sitting around in a two million

98

00:08:18,790 --> 00:08:16,160

dollar mansion with no power he's got a

99

00:08:20,950 --> 00:08:18,800

huge gas powered generator but he can't

100

00:08:23,430 --> 00:08:20,960

figure out how to turn it on yet in the

101

00:08:26,390 --> 00:08:23,440

video he's telling everybody that he's

102

00:08:28,790 --> 00:08:26,400

some kind of expert on how to survive

103

00:08:31,270 --> 00:08:28,800

one of these terrible situations and how

104

00:08:32,230 --> 00:08:31,280

terrible is the situation

105

00:08:33,750 --> 00:08:32,240

um

106

00:08:36,630 --> 00:08:33,760

i i don't know

107

00:08:39,589 --> 00:08:36,640

like six inches of snow that's a major

108

00:08:41,029 --> 00:08:39,599

event to david wilcock it is bizarre and

109

00:08:43,670 --> 00:08:41,039

we'll get into it later but i thought

110

00:08:44,630 --> 00:08:43,680

we'd start with the good news and and

111

00:08:47,509 --> 00:08:44,640

yes

112

00:08:49,990 --> 00:08:47,519

there is some good news um

113

00:08:54,230 --> 00:08:50,000

recently the canadian government has

114

00:08:57,430 --> 00:08:54,240

released a treasure trove of ufo related

115

00:08:59,990 --> 00:08:57,440

sightings and material and um you know i

116

00:09:02,310 --> 00:09:00,000

heard about this but it's just sort of

117

00:09:05,350 --> 00:09:02,320

it just sort of flew by me as i was

118

00:09:07,269 --> 00:09:05,360

busily working on and preparing

119

00:09:10,389 --> 00:09:07,279

other

120

00:09:13,110 --> 00:09:10,399

uh but we're gonna get into it tonight

121

00:09:15,350 --> 00:09:13,120

and uh i guess we'll both get caught up

122

00:09:18,630 --> 00:09:15,360

together on what's been going on uh with

123

00:09:21,590 --> 00:09:18,640

ufos in the news and in general

124

00:09:23,750 --> 00:09:21,600

uh first the story from vice

125

00:09:25,829 --> 00:09:23,760

now there are multiple news reports i i

126

00:09:27,750 --> 00:09:25,839

don't know i still like vice maybe i

127

00:09:29,829 --> 00:09:27,760

feel nostalgic for when they were really

128

00:09:32,949 --> 00:09:29,839

good news organization

129

00:09:34,630 --> 00:09:32,959

um here are 20 years of ufo sightings we

130

00:09:37,590 --> 00:09:34,640

got from the canadian government and by

131

00:09:40,310 --> 00:09:37,600

the way i'll put my fair use banner up

132

00:09:42,550 --> 00:09:40,320

we this is a transformative work uh we

133

00:09:43,670 --> 00:09:42,560

are discussing the article we are

134

00:09:46,230 --> 00:09:43,680

sharing

135

00:09:47,269 --> 00:09:46,240

um and educating the public about recent

136

00:09:51,590 --> 00:09:47,279

news

137

00:09:53,269 --> 00:09:51,600

300 pages of documents through freedom

138

00:09:55,509 --> 00:09:53,279

of information requests that include

139

00:09:57,350 --> 00:09:55,519

strange sightings from pilots soldiers

140

00:09:59,590 --> 00:09:57,360

and police officers

141

00:10:02,790 --> 00:09:59,600

the canadian government has now released

142

00:10:05,670 --> 00:10:02,800

20 years worth of ufo reports the

143

00:10:06,710 --> 00:10:05,680

500 plus reports spanning nearly 300

144

00:10:08,550 --> 00:10:06,720

pages

145

00:10:10,790 --> 00:10:08,560

contain dozens of strange sightings from

146

00:10:14,630 --> 00:10:10,800

commercial pilots soldiers and police

147

00:10:18,710 --> 00:10:16,870

this was obtained by vice world news

148

00:10:20,630 --> 00:10:18,720

through canadian freedom of information

149

00:10:23,030 --> 00:10:20,640

laws the reports were made to federal

150

00:10:25,110 --> 00:10:23,040

transportation authorities as recently

151
00:10:26,710 --> 00:10:25,120
as last year when a canadian military

152
00:10:29,750 --> 00:10:26,720
flight spotted a

153
00:10:31,190 --> 00:10:29,760
quote bright green flying object unquote

154
00:10:34,230 --> 00:10:31,200
that flew into the cloud then

155
00:10:36,870 --> 00:10:34,240
disappeared over eastern canada

156
00:10:38,790 --> 00:10:36,880
other unusual observations included

157
00:10:41,030 --> 00:10:38,800
newfoundland's police newfoundland

158
00:10:43,829 --> 00:10:41,040
police tracking two brightly colored

159
00:10:46,069 --> 00:10:43,839
flying objects in august of 2001 and a

160
00:10:48,710 --> 00:10:46,079
december 2018 passenger flight from

161
00:10:51,190 --> 00:10:48,720
alaska to seattle that reported

162
00:10:52,949 --> 00:10:51,200
pulsating lights descending from sixty

163
00:10:54,870 --> 00:10:52,959

thousand feet

164

00:10:56,790 --> 00:10:54,880

i would be inclined categorically to

165

00:10:59,110 --> 00:10:56,800

believe anybody that reported something

166

00:11:02,230 --> 00:10:59,120

former canadian fighter pilot

167

00:11:04,150 --> 00:11:02,240

john jack williams told vice world news

168

00:11:06,230 --> 00:11:04,160

there is no upside to making a fake

169

00:11:07,670 --> 00:11:06,240

report williams is an aviation

170

00:11:10,389 --> 00:11:07,680

consultant who has also worked as a

171

00:11:12,550 --> 00:11:10,399

federal flight safety officer there is

172

00:11:14,389 --> 00:11:12,560

definite reluctance to report stuff he

173

00:11:16,389 --> 00:11:14,399

said i'm amazed that the amount of

174

00:11:18,150 --> 00:11:16,399

material they sent you and some of it is

175

00:11:20,470 --> 00:11:18,160

actually pretty good

176

00:11:22,150 --> 00:11:20,480

all 290 pages of the reports have been

177

00:11:26,230 --> 00:11:22,160

included at the bottom of the story as a

178

00:11:29,190 --> 00:11:26,240

downloadable pdf i did not add the link

179

00:11:31,430 --> 00:11:29,200

to this just google

180

00:11:33,350 --> 00:11:31,440

vice canadian ufo reports and you'll

181

00:11:35,190 --> 00:11:33,360

find this article if you want to read

182

00:11:37,350 --> 00:11:35,200

through the 300 pages and some of them

183

00:11:38,790 --> 00:11:37,360

are pretty interesting

184

00:11:41,030 --> 00:11:38,800

the article goes on to state one

185

00:11:42,870 --> 00:11:41,040

commonly long report even details a

186

00:11:45,829 --> 00:11:42,880

sighting that was confirmed by military

187

00:11:49,030 --> 00:11:45,839

radar on the night of december 23rd

188

00:11:51,430 --> 00:11:49,040

a fisherman in the bay of fundy and a

189

00:11:53,110 --> 00:11:51,440

woman at home in yarmouth nova scotia

190

00:11:55,509 --> 00:11:53,120

both contacted a search and rescue

191

00:11:57,670 --> 00:11:55,519

center report a light that was yellow

192

00:11:59,509 --> 00:11:57,680

steady and hovering high above the

193

00:12:01,829 --> 00:11:59,519

atlantic ocean

194

00:12:04,629 --> 00:12:01,839

when royal canadian air force personnel

195

00:12:06,790 --> 00:12:04,639

reviewed radar data from norad the joint

196

00:12:09,430 --> 00:12:06,800

canada u.s air defense alliance they

197

00:12:12,150 --> 00:12:09,440

observed three primary radar hits that

198

00:12:14,470 --> 00:12:12,160

correlated almost exactly to the time

199

00:12:16,550 --> 00:12:14,480

and location of the sighting

200

00:12:19,030 --> 00:12:16,560

this is an area that has good low level

201
00:12:21,590 --> 00:12:19,040
coverage so there is no explanation of

202
00:12:24,710 --> 00:12:21,600
why there were only three points all at

203
00:12:27,990 --> 00:12:24,720
exactly 12 800 feet with no points

204
00:12:31,110 --> 00:12:28,000
leading up to or continuing on any other

205
00:12:33,190 --> 00:12:31,120
altitudes a canadian air defense sector

206
00:12:35,750 --> 00:12:33,200
report states the best guess was

207
00:12:38,150 --> 00:12:35,760
independent radar hits on a weather

208
00:12:39,590 --> 00:12:38,160
on weather and not an actual airborne

209
00:12:41,590 --> 00:12:39,600
object

210
00:12:43,829 --> 00:12:41,600
even though the no threat report notes

211
00:12:46,389 --> 00:12:43,839
that it was partly cloudy

212
00:12:48,550 --> 00:12:46,399
night with good visibility

213
00:12:50,470 --> 00:12:48,560

uh going on to state less than an hour's

214

00:12:52,790 --> 00:12:50,480

drive from yarmouth to nearby fishing

215

00:12:55,590 --> 00:12:52,800

village of shank harbor nova scotia was

216

00:12:57,350 --> 00:12:55,600

the site of a famous 1967 mass sighting

217

00:12:59,590 --> 00:12:57,360

of large luminous object that

218

00:13:01,269 --> 00:12:59,600

disappeared into the ocean

219

00:13:03,670 --> 00:13:01,279

the reports also include previously

220

00:13:06,949 --> 00:13:03,680

unpublished documents on canadian ufo

221

00:13:09,030 --> 00:13:06,959

cover cases covered earlier in vice

222

00:13:11,750 --> 00:13:09,040

world news stories like alberta air

223

00:13:14,310 --> 00:13:11,760

traffic controllers who spotted a solid

224

00:13:16,310 --> 00:13:14,320

bright light that appeared too fast to

225

00:13:17,990 --> 00:13:16,320

be any commercial aircraft in december

226

00:13:20,310 --> 00:13:18,000

2009

227

00:13:22,310 --> 00:13:20,320

a manitoba police officer who filmed an

228

00:13:24,710 --> 00:13:22,320

unidentified bright yellow and orange

229

00:13:27,910 --> 00:13:24,720

light with their cruisers dash cam in

230

00:13:30,150 --> 00:13:27,920

april 2011 and in april 2018 cargo

231

00:13:32,949 --> 00:13:30,160

flight from new york to alaska that

232

00:13:36,069 --> 00:13:32,959

reported an object flying sporadically

233

00:13:37,829 --> 00:13:36,079

and moving at mach 4 over northern

234

00:13:39,670 --> 00:13:37,839

canada

235

00:13:43,509 --> 00:13:39,680

these are the kind of reports that get

236

00:13:47,269 --> 00:13:43,519

me or continue to give me interest

237

00:13:49,590 --> 00:13:47,279

how is an object moving at mach 4

238

00:13:52,389 --> 00:13:49,600

um

239

00:13:54,310 --> 00:13:52,399

you know even the the famous black bird

240

00:13:56,629 --> 00:13:54,320

two two and a half times the speed of

241

00:13:59,509 --> 00:13:56,639

sound not four times the speed of sound

242

00:14:02,389 --> 00:13:59,519

and that was basically the fastest

243

00:14:04,310 --> 00:14:02,399

airplane uh ever developed

244

00:14:06,069 --> 00:14:04,320

so far that we know of of course there

245

00:14:07,590 --> 00:14:06,079

may be black projects that can do that

246

00:14:10,550 --> 00:14:07,600

kind of speed

247

00:14:12,310 --> 00:14:10,560

who knows what that was

248

00:14:14,389 --> 00:14:12,320

vice world news acquired the documents

249

00:14:15,990 --> 00:14:14,399

last month via two separate access to

250

00:14:18,230 --> 00:14:16,000

information requests that were filed in

251
00:14:20,069 --> 00:14:18,240
april and september with uh transport

252
00:14:22,150 --> 00:14:20,079
canada the government department

253
00:14:24,389 --> 00:14:22,160
oversees aviation

254
00:14:25,910 --> 00:14:24,399
so uh interesting that the canadian

255
00:14:28,069 --> 00:14:25,920
government and this this is a pretty

256
00:14:29,350 --> 00:14:28,079
long article uh we're not going to cover

257
00:14:31,590 --> 00:14:29,360
all of this

258
00:14:32,949 --> 00:14:31,600
if there is more interest we will go

259
00:14:33,829 --> 00:14:32,959
over the

260
00:14:36,470 --> 00:14:33,839
uh

261
00:14:38,870 --> 00:14:36,480
basically is a document dump of ufo

262
00:14:41,110 --> 00:14:38,880
reports from the canadian government

263
00:14:43,269 --> 00:14:41,120

i have not had time to review all of

264

00:14:45,430 --> 00:14:43,279

them but the few that i did

265

00:14:47,829 --> 00:14:45,440

have a chance to read uh pretty

266

00:14:49,670 --> 00:14:47,839

interesting stuff and interesting

267

00:14:52,310 --> 00:14:49,680

you know people are claiming that there

268

00:14:55,110 --> 00:14:52,320

is increased transparency

269

00:14:58,230 --> 00:14:55,120

with ufos and uap

270

00:15:02,470 --> 00:14:58,240

worldwide from different governments

271

00:15:05,590 --> 00:15:02,480

authority figures um military people

272

00:15:09,350 --> 00:15:05,600

the media is also much more interested

273

00:15:11,030 --> 00:15:09,360

in ufo reports and information

274

00:15:13,110 --> 00:15:11,040

i don't know does anybody remember when

275

00:15:15,030 --> 00:15:13,120

it used to be that any news outlet that

276

00:15:17,350 --> 00:15:15,040

reported a ufo story would kind of be

277

00:15:19,750 --> 00:15:17,360

tongue-in-cheek like haha the aliens

278

00:15:21,829 --> 00:15:19,760

might be here check this out

279

00:15:24,150 --> 00:15:21,839

now the coverage seems to be a little

280

00:15:26,710 --> 00:15:24,160

bit more serious and a little bit more

281

00:15:29,430 --> 00:15:26,720

grounded right

282

00:15:31,990 --> 00:15:29,440

brian evans is here and uh

283

00:15:33,910 --> 00:15:32,000

is mentioning the x-15 rocket plane yeah

284

00:15:37,590 --> 00:15:33,920

that might have done

285

00:15:41,269 --> 00:15:37,600

mach 4 in a in a descent maybe in a dive

286

00:15:43,509 --> 00:15:41,279

but uh blackbird mark 3.5

287

00:15:45,189 --> 00:15:43,519

no i'm not sure maybe you're right

288

00:15:46,870 --> 00:15:45,199

you're probably right i'd have to look

289

00:15:48,710 --> 00:15:46,880

it up

290

00:15:51,670 --> 00:15:48,720

uh but still interesting to me that they

291

00:15:53,829 --> 00:15:51,680

tracked an object doing mach 4

292

00:15:55,910 --> 00:15:53,839

how is an object doing mach 4 just

293

00:15:58,230 --> 00:15:55,920

flying over canada

294

00:16:00,230 --> 00:15:58,240

strange strange things are in some of

295

00:16:01,990 --> 00:16:00,240

these reports and

296

00:16:03,350 --> 00:16:02,000

after i've had time to thoroughly review

297

00:16:06,230 --> 00:16:03,360

them we're going to bring you the best

298

00:16:09,350 --> 00:16:06,240

of the reports from that recent

299

00:16:10,150 --> 00:16:09,360

drop of of new information

300

00:16:12,550 --> 00:16:10,160

um

301
00:16:15,030 --> 00:16:12,560
interestingly there is a lot to be

302
00:16:16,310 --> 00:16:15,040
learned from canadian paperwork and

303
00:16:19,990 --> 00:16:16,320
documents

304
00:16:22,790 --> 00:16:20,000
um in fact grant cameron and others uh

305
00:16:25,189 --> 00:16:22,800
other researchers have made it a line of

306
00:16:26,949 --> 00:16:25,199
attack that since perhaps the united

307
00:16:29,350 --> 00:16:26,959
states government has not been so

308
00:16:30,710 --> 00:16:29,360
forthcoming with information on ufos

309
00:16:31,990 --> 00:16:30,720
uaps

310
00:16:33,749 --> 00:16:32,000
a good

311
00:16:36,629 --> 00:16:33,759
way to go about still getting

312
00:16:38,310 --> 00:16:36,639
information is to appeal to the canadian

313
00:16:40,710 --> 00:16:38,320

authorities who seem to be much more

314

00:16:42,150 --> 00:16:40,720

open to releasing information and many

315

00:16:43,030 --> 00:16:42,160

things

316

00:16:45,269 --> 00:16:43,040

uh

317

00:16:48,550 --> 00:16:45,279

with these canadian ufo reports sort of

318

00:16:49,670 --> 00:16:48,560

overlap to the american system there is

319

00:16:51,829 --> 00:16:49,680

appears to be

320

00:16:53,670 --> 00:16:51,839

you know this cooperation in norad

321

00:16:55,990 --> 00:16:53,680

between canada and the united states

322

00:16:57,829 --> 00:16:56,000

they share air defense systems and radar

323

00:17:00,389 --> 00:16:57,839

systems they share information back and

324

00:17:01,990 --> 00:17:00,399

forth so sometimes by going to the

325

00:17:03,990 --> 00:17:02,000

canadian government rather than the

326

00:17:05,350 --> 00:17:04,000

united states government and requesting

327

00:17:08,230 --> 00:17:05,360

information

328

00:17:12,470 --> 00:17:08,240

it does help shed some light on what the

329

00:17:15,270 --> 00:17:12,480

american government just may be hiding

330

00:17:18,949 --> 00:17:15,280

so on to there's one more piece of good

331

00:17:21,270 --> 00:17:18,959

news that i did find and that was um

332

00:17:25,510 --> 00:17:21,280

courtesy of

333

00:17:28,390 --> 00:17:25,520

the ufo files uh percy i'm sorry

334

00:17:29,270 --> 00:17:28,400

courtesy of john greenwald at the black

335

00:17:31,029 --> 00:17:29,280

vault

336

00:17:32,630 --> 00:17:31,039

because john greenwald is always trying

337

00:17:33,750 --> 00:17:32,640

to get information and apparently

338

00:17:36,470 --> 00:17:33,760

recently

339

00:17:39,110 --> 00:17:36,480

he appealed to the obama presidential

340

00:17:42,789 --> 00:17:39,120

library asking for all information

341

00:17:43,909 --> 00:17:42,799

relating to ufos or uaps

342

00:17:45,990 --> 00:17:43,919

and

343

00:17:47,750 --> 00:17:46,000

the answer that he got back from the

344

00:17:50,070 --> 00:17:47,760

obama presidential library was so

345

00:17:51,590 --> 00:17:50,080

interesting it got mainstream media

346

00:17:53,270 --> 00:17:51,600

coverage

347

00:17:56,630 --> 00:17:53,280

um

348

00:17:58,310 --> 00:17:56,640

now let me see if i could find this

349

00:18:00,390 --> 00:17:58,320

yeah this is an article from the black

350

00:18:02,549 --> 00:18:00,400

vault again we're citing fair use

351

00:18:05,029 --> 00:18:02,559

ufo files at the barack obama

352

00:18:07,029 --> 00:18:05,039

presidential library now you may

353

00:18:09,029 --> 00:18:07,039

remember that podesta

354

00:18:12,150 --> 00:18:09,039

was involved with the

355

00:18:14,710 --> 00:18:12,160

obama administration and he

356

00:18:16,950 --> 00:18:14,720

famously was outed by wikileaks for

357

00:18:19,590 --> 00:18:16,960

talking to tom delong about ufos and

358

00:18:21,750 --> 00:18:19,600

other people about ufos

359

00:18:24,950 --> 00:18:21,760

podesta is intensely interested

360

00:18:27,669 --> 00:18:24,960

apparently in the subject of ufos and uh

361

00:18:28,950 --> 00:18:27,679

looked into all that he could for barack

362

00:18:30,630 --> 00:18:28,960

obama

363

00:18:35,190 --> 00:18:30,640

um

364

00:18:37,430 --> 00:18:35,200

some light on what

365

00:18:39,110 --> 00:18:37,440

podesta and others within the obama

366

00:18:42,230 --> 00:18:39,120

administration did

367

00:18:43,590 --> 00:18:42,240

to try to get to the truth about the ufo

368

00:18:45,510 --> 00:18:43,600

file

369

00:18:47,350 --> 00:18:45,520

i uh

370

00:18:50,470 --> 00:18:47,360

like many people believe that there is

371

00:18:51,750 --> 00:18:50,480

some secret shadow

372

00:18:55,430 --> 00:18:51,760

government

373

00:18:58,549 --> 00:18:55,440

that is in control of the ufo files

374

00:19:00,789 --> 00:18:58,559

and even withholding information from

375

00:19:03,350 --> 00:19:00,799

sitting presidents but

376

00:19:05,830 --> 00:19:03,360

you know you can believe what you will

377

00:19:07,430 --> 00:19:05,840

so uh john says the obama presidential

378

00:19:09,070 --> 00:19:07,440

library just informed me that they have

379

00:19:13,990 --> 00:19:09,080

approximately 3

380

00:19:17,350 --> 00:19:14,000

440 pages and 26 271 electronic files

381

00:19:21,270 --> 00:19:17,360

that pertain to my request for a tip ufo

382

00:19:24,230 --> 00:19:21,280

uap and osap information if true

383

00:19:26,870 --> 00:19:24,240

john states i am absolutely floored that

384

00:19:28,230 --> 00:19:26,880

the obama administ presidential library

385

00:19:30,310 --> 00:19:28,240

has that

386

00:19:32,630 --> 00:19:30,320

i posted this fact on twitter and to my

387

00:19:35,029 --> 00:19:32,640

surprise international media exposure

388

00:19:37,510 --> 00:19:35,039

quickly followed vice news huffington

389

00:19:39,750 --> 00:19:37,520

post and build from germany and many

390

00:19:41,270 --> 00:19:39,760

others have picked up the story below

391

00:19:42,230 --> 00:19:41,280

you will find the actual letters

392

00:19:43,430 --> 00:19:42,240

published

393

00:19:46,390 --> 00:19:43,440

in full

394

00:19:48,390 --> 00:19:46,400

which is the heart of the story

395

00:19:50,070 --> 00:19:48,400

uh they sent him a letter this letter is

396

00:19:52,549 --> 00:19:50,080

response to your freedom of information

397

00:19:54,549 --> 00:19:52,559

act request dated january twenty third

398

00:19:56,789 --> 00:19:54,559

twenty twenty two for access to uh

399

00:19:57,990 --> 00:19:56,799

barack obama presidential records

400

00:20:00,870 --> 00:19:58,000

pertaining to documents and

401
00:20:03,669 --> 00:20:00,880
communications about advanced aerospace

402
00:20:05,350 --> 00:20:03,679
threat identification program and photos

403
00:20:07,590 --> 00:20:05,360
and videos of unidentified flying

404
00:20:09,669 --> 00:20:07,600
objects unidentified aerial phenomenon

405
00:20:10,950 --> 00:20:09,679
and the advanced aerospace weapons

406
00:20:13,029 --> 00:20:10,960
systems

407
00:20:15,750 --> 00:20:13,039
application program the barack obama

408
00:20:17,909 --> 00:20:15,760
presidential library received a request

409
00:20:19,909 --> 00:20:17,919
on this date the fourier request for

410
00:20:21,990 --> 00:20:19,919
barack obama presidential records are

411
00:20:24,549 --> 00:20:22,000
processed and reviewed for access under

412
00:20:26,549 --> 00:20:24,559
provisions in 1978 presidential

413
00:20:28,950 --> 00:20:26,559

records act

414

00:20:32,390 --> 00:20:28,960

yeah but the interesting part of this is

415

00:20:34,870 --> 00:20:32,400

not that they have all of these

416

00:20:36,230 --> 00:20:34,880

you you saw here we have

417

00:20:38,870 --> 00:20:36,240

not just

418

00:20:39,990 --> 00:20:38,880

documents they have electronic files

419

00:20:42,390 --> 00:20:40,000

which

420

00:20:45,110 --> 00:20:42,400

really made me very interested because

421

00:20:47,750 --> 00:20:45,120

that could mean that there are

422

00:20:51,270 --> 00:20:47,760

videos ufo videos

423

00:20:54,710 --> 00:20:51,280

somehow in the presidential records and

424

00:20:56,070 --> 00:20:54,720

library that the public could soon have

425

00:20:58,390 --> 00:20:56,080

access to

426

00:21:00,230 --> 00:20:58,400

i think john does a great job at going

427

00:21:02,470 --> 00:21:00,240

after these things and trying to keep

428

00:21:04,149 --> 00:21:02,480

our government honest and

429

00:21:07,750 --> 00:21:04,159

you know he should be applauded for that

430

00:21:07,760 --> 00:21:10,070

but

431

00:21:15,750 --> 00:21:12,950

so the good news is there is a literal

432

00:21:18,390 --> 00:21:15,760

treasure trove of documents and

433

00:21:20,870 --> 00:21:18,400

electronic files which could be

434

00:21:21,909 --> 00:21:20,880

radar data it could be

435

00:21:28,149 --> 00:21:21,919

video

436

00:21:30,390 --> 00:21:28,159

could be many many things

437

00:21:31,909 --> 00:21:30,400

but the good news is there's a treasure

438

00:21:33,669 --> 00:21:31,919

trove there and they

439

00:21:36,149 --> 00:21:33,679

told john greenwald jr that they're

440

00:21:38,630 --> 00:21:36,159

going to get him the documents that he

441

00:21:41,750 --> 00:21:38,640

that he requested

442

00:21:43,590 --> 00:21:41,760

uh but here is the bad news uh this

443

00:21:45,510 --> 00:21:43,600

second letter to him says as stated in

444

00:21:47,909 --> 00:21:45,520

our letter dated february 18th part of

445

00:21:49,830 --> 00:21:47,919

the request has been piggybacked onto a

446

00:21:52,230 --> 00:21:49,840

foia request previously submitted for

447

00:21:54,230 --> 00:21:52,240

similar records the request that yours

448

00:21:56,390 --> 00:21:54,240

is piggyback onto is a complex

449

00:21:58,950 --> 00:21:56,400

unclassified electronic cue and there

450

00:22:01,669 --> 00:21:58,960

are 64 requests ahead of it ahead of

451
00:22:04,789 --> 00:22:01,679
this cue our best estimate at this time

452
00:22:05,830 --> 00:22:04,799
is it may be completed in approximately

453
00:22:07,270 --> 00:22:05,840
12

454
00:22:07,470 --> 00:22:07,280
years

455
00:22:09,350 --> 00:22:07,480
so

456
00:22:10,710 --> 00:22:09,360
[Music]

457
00:22:13,510 --> 00:22:10,720
apparently

458
00:22:17,110 --> 00:22:13,520
the obama presidential library has this

459
00:22:19,430 --> 00:22:17,120
treasure trove of information about ufos

460
00:22:21,990 --> 00:22:19,440
uaps a tip

461
00:22:24,710 --> 00:22:22,000
the government's ufo programs and more

462
00:22:26,549 --> 00:22:24,720
and all of these electronic files

463
00:22:28,789 --> 00:22:26,559

but it's going to take them

464

00:22:29,909 --> 00:22:28,799

approximately 12 years to complete the

465

00:22:31,830 --> 00:22:29,919

request

466

00:22:35,669 --> 00:22:31,840

and give john

467

00:22:37,669 --> 00:22:35,679

these documents and these files

468

00:22:40,149 --> 00:22:37,679

next they go on to say as stated in our

469

00:22:42,470 --> 00:22:40,159

letter dated march 10 2022 part of the

470

00:22:44,870 --> 00:22:42,480

request is in the complex unclassified

471

00:22:47,990 --> 00:22:44,880

electronic queue and there are 87

472

00:22:49,909 --> 00:22:48,000

requests ahead of yours in this queue

473

00:22:53,190 --> 00:22:49,919

so for part of it it's going to take

474

00:22:55,029 --> 00:22:53,200

them 12 years to get john the documents

475

00:22:58,070 --> 00:22:55,039

and released the files

476

00:23:00,549 --> 00:22:58,080

uh the next uh part of the of his

477

00:23:01,909 --> 00:23:00,559

request is in a different queue here

478

00:23:03,990 --> 00:23:01,919

they say

479

00:23:06,870 --> 00:23:04,000

uh part of complex electronic queue and

480

00:23:08,470 --> 00:23:06,880

there'll be 87 records uh requests ahead

481

00:23:10,470 --> 00:23:08,480

of yours in his queue

482

00:23:12,230 --> 00:23:10,480

they say that our best estimate at this

483

00:23:13,669 --> 00:23:12,240

time is that it may be completed in

484

00:23:15,909 --> 00:23:13,679

approximately

485

00:23:20,630 --> 00:23:15,919

16 years

486

00:23:22,630 --> 00:23:20,640

to take them 12 years to get to john

487

00:23:25,750 --> 00:23:22,640

from the black vault the other half are

488

00:23:27,430 --> 00:23:25,760

going to take 16 years

489

00:23:29,029 --> 00:23:27,440

next uh if you have any questions

490

00:23:30,950 --> 00:23:29,039

regarding your foia please contact the

491

00:23:31,669 --> 00:23:30,960

staff

492

00:23:33,590 --> 00:23:31,679

so

493

00:23:35,669 --> 00:23:33,600

to his credit john from the black vault

494

00:23:37,830 --> 00:23:35,679

then went back to them uh there's a

495

00:23:39,750 --> 00:23:37,840

little bit of a follow-up to this story

496

00:23:41,830 --> 00:23:39,760

so john from the black belt here's these

497

00:23:43,750 --> 00:23:41,840

estimates of 12 and 16 years and he's

498

00:23:46,710 --> 00:23:43,760

like wait a minute that's crazy

499

00:23:49,110 --> 00:23:46,720

so john goes back to them and he says uh

500

00:23:50,950 --> 00:23:49,120

let's take out any public

501
00:23:52,870 --> 00:23:50,960
media because sometimes in the

502
00:23:54,230 --> 00:23:52,880
presidential library and documents

503
00:23:57,029 --> 00:23:54,240
they'll just be

504
00:23:59,430 --> 00:23:57,039
copies of news stories or stuff like

505
00:24:00,549 --> 00:23:59,440
that so john went back and said hey uh

506
00:24:06,149 --> 00:24:00,559
let's

507
00:24:07,510 --> 00:24:06,159
take out anything that is already public

508
00:24:09,750 --> 00:24:07,520
information

509
00:24:11,110 --> 00:24:09,760
just give me the stuff that has not been

510
00:24:13,830 --> 00:24:11,120
made public

511
00:24:15,029 --> 00:24:13,840
and they came back to him and basically

512
00:24:16,950 --> 00:24:15,039
said

513
00:24:18,390 --> 00:24:16,960

you know uh that'll take a little bit of

514

00:24:21,430 --> 00:24:18,400

time off but it's still going to take us

515

00:24:23,990 --> 00:24:21,440

12 or 16 years to fulfill this request

516

00:24:27,430 --> 00:24:24,000

i don't know about you but uh you know

517

00:24:29,830 --> 00:24:27,440

when people say there's no ufo cover up

518

00:24:32,710 --> 00:24:29,840

i love to point to stories like these

519

00:24:34,230 --> 00:24:32,720

because if there's no ufo cover up and

520

00:24:37,110 --> 00:24:34,240

the government truly wants to be

521

00:24:39,269 --> 00:24:37,120

transparent and honest as in in so far

522

00:24:42,390 --> 00:24:39,279

as what they actually know

523

00:24:44,549 --> 00:24:42,400

about the ufo phenomenon or you know

524

00:24:47,430 --> 00:24:44,559

aliens or whatever

525

00:24:49,350 --> 00:24:47,440

why do they do things like well we do

526

00:24:51,830 --> 00:24:49,360

have these records that you want but

527

00:24:53,110 --> 00:24:51,840

it's going to take us 12 to 16 years to

528

00:24:55,590 --> 00:24:53,120

get them to you

529

00:24:57,909 --> 00:24:55,600

i mean what's the point of having a foia

530

00:24:59,990 --> 00:24:57,919

right what is the point of having a

531

00:25:01,110 --> 00:25:00,000

four-year request

532

00:25:02,950 --> 00:25:01,120

if

533

00:25:05,830 --> 00:25:02,960

it's taking use it's going to take them

534

00:25:07,909 --> 00:25:05,840

16 years to get these documents and and

535

00:25:10,230 --> 00:25:07,919

listen to his credit

536

00:25:11,830 --> 00:25:10,240

john kind of goes and spurs i've noticed

537

00:25:13,190 --> 00:25:11,840

like he'll request a lot of stuff and

538

00:25:15,750 --> 00:25:13,200

then the government will say well that's

539

00:25:17,029 --> 00:25:15,760

going to take us nine years or something

540

00:25:19,590 --> 00:25:17,039

and he just

541

00:25:22,710 --> 00:25:19,600

goes okay i still want the documents and

542

00:25:25,269 --> 00:25:22,720

then interestingly years later sometimes

543

00:25:26,789 --> 00:25:25,279

he will post that oh look at i finally

544

00:25:28,549 --> 00:25:26,799

got this for you

545

00:25:31,909 --> 00:25:28,559

uh i finally got the information i

546

00:25:33,990 --> 00:25:31,919

requested through foia eight years ago

547

00:25:35,830 --> 00:25:34,000

you know it's kind of funny

548

00:25:37,830 --> 00:25:35,840

look at that bex with a kind and

549

00:25:40,549 --> 00:25:37,840

generous uh

550

00:25:42,870 --> 00:25:40,559

50 and okay i think that's norwegian

551

00:25:44,870 --> 00:25:42,880

money i i'm not really sure

552

00:25:49,190 --> 00:25:44,880

i think i think it is

553

00:25:52,789 --> 00:25:51,190

yes that's about six bucks so thank you

554

00:25:53,750 --> 00:25:52,799

for kindness and generosity and your

555

00:25:55,430 --> 00:25:53,760

support

556

00:25:57,029 --> 00:25:55,440

uh you'll notice a money button down

557

00:25:58,630 --> 00:25:57,039

there if anybody is feeling generous you

558

00:25:59,750 --> 00:25:58,640

can throw a couple of bucks in our hat

559

00:26:02,549 --> 00:25:59,760

and keep us

560

00:26:04,950 --> 00:26:02,559

uh producing this great content here

561

00:26:07,110 --> 00:26:04,960

thank you very much and okay

562

00:26:09,269 --> 00:26:07,120

knock for your kindness your generosity

563

00:26:10,710 --> 00:26:09,279

and your support it is much much

564

00:26:12,789 --> 00:26:10,720

appreciated we're a viewer supported

565

00:26:15,029 --> 00:26:12,799

show and the best way that some of the

566

00:26:16,470 --> 00:26:15,039

best ways there's a few good ways that

567

00:26:18,230 --> 00:26:16,480

you can support our show the first to

568

00:26:19,909 --> 00:26:18,240

become a patreon supporter for as little

569

00:26:22,789 --> 00:26:19,919

as a dollar a month and get the extra

570

00:26:24,950 --> 00:26:22,799

content that i don't make public or that

571

00:26:27,269 --> 00:26:24,960

is on patreon before it is made public

572

00:26:30,710 --> 00:26:27,279

you get kind of a backstage pass

573

00:26:33,029 --> 00:26:30,720

get things first extra content as well

574

00:26:34,870 --> 00:26:33,039

we do a monthly show journal sort of a

575

00:26:37,750 --> 00:26:34,880

backstage pass of what's going on behind

576
00:26:40,710 --> 00:26:37,760
the show and more plus all my music you

577
00:26:41,669 --> 00:26:40,720
can send a paypal donation and you can

578
00:26:42,870 --> 00:26:41,679
also

579
00:26:44,230 --> 00:26:42,880
um

580
00:26:47,029 --> 00:26:44,240
throw a couple of books in our hat

581
00:26:48,789 --> 00:26:47,039
through cash app it's truth seeker show

582
00:26:54,789 --> 00:26:48,799
one word

583
00:26:59,510 --> 00:26:57,669
one second friends

584
00:27:02,310 --> 00:26:59,520
yeah i had this strange thing happen

585
00:27:04,789 --> 00:27:02,320
right before showtime i i think that the

586
00:27:06,789 --> 00:27:04,799
chrome browser updated itself

587
00:27:08,789 --> 00:27:06,799
you know without asking me

588
00:27:10,950 --> 00:27:08,799

if it could if it should update and then

589

00:27:12,710 --> 00:27:10,960

all my passwords all my autosaves

590

00:27:14,149 --> 00:27:12,720

passwords got wiped

591

00:27:15,750 --> 00:27:14,159

so i almost thought i wasn't going to be

592

00:27:17,830 --> 00:27:15,760

able to do the show because i have

593

00:27:19,510 --> 00:27:17,840

two-step verification and it wasn't send

594

00:27:22,070 --> 00:27:19,520

in the code to my phone i had to reboot

595

00:27:23,029 --> 00:27:22,080

my phone and suddenly i got it back into

596

00:27:26,310 --> 00:27:23,039

everything

597

00:27:28,070 --> 00:27:26,320

but um i want to thank

598

00:27:31,590 --> 00:27:28,080

initials

599

00:27:33,909 --> 00:27:31,600

db for kind and generous 50 dollar

600

00:27:36,470 --> 00:27:33,919

paypal donation by the way instructions

601
00:27:39,350 --> 00:27:36,480
for uh how to do a paypal donation are

602
00:27:40,470 --> 00:27:39,360
in the description of this video

603
00:27:43,110 --> 00:27:40,480
and he

604
00:27:45,990 --> 00:27:43,120
db writes a note me just came home from

605
00:27:47,909 --> 00:27:46,000
work did lit a camel hit the remote

606
00:27:49,830 --> 00:27:47,919
control twice he went upstairs to grab a

607
00:27:51,350 --> 00:27:49,840
fresh pair of aaa batteries and hit the

608
00:27:53,190 --> 00:27:51,360
remote a third time

609
00:27:55,190 --> 00:27:53,200
hard on

610
00:27:58,070 --> 00:27:55,200
but the vcr did not shut down that's

611
00:28:01,110 --> 00:27:58,080
when we realized immediately this was no

612
00:28:02,870 --> 00:28:01,120
there was no vhs tape inside

613
00:28:04,389 --> 00:28:02,880

i i tell everybody i'll read whatever

614

00:28:06,630 --> 00:28:04,399

message you send i don't know where this

615

00:28:09,430 --> 00:28:06,640

is going it was my number one favorite

616

00:28:11,669 --> 00:28:09,440

ufo show broody on youtube live stream

617

00:28:13,990 --> 00:28:11,679

mr stephen campion with a super sexy

618

00:28:14,950 --> 00:28:14,000

girl named trixie which i fell in love

619

00:28:17,430 --> 00:28:14,960

with

620

00:28:19,190 --> 00:28:17,440

on my own what great wise cool amazing

621

00:28:20,950 --> 00:28:19,200

hero show host you are the ultimate best

622

00:28:23,510 --> 00:28:20,960

show host in the universe

623

00:28:26,070 --> 00:28:23,520

and the underverse out there deutschland

624

00:28:28,149 --> 00:28:26,080

lead truth seekers i believe that means

625

00:28:29,909 --> 00:28:28,159

germany loves truth seekers

626

00:28:32,310 --> 00:28:29,919

well thank you very much he goes on to

627

00:28:34,549 --> 00:28:32,320

say me just came home from work yeah

628

00:28:37,350 --> 00:28:34,559

okay so that that was it

629

00:28:39,830 --> 00:28:37,360

so if you send me a paypal donation put

630

00:28:42,389 --> 00:28:39,840

your chat room user id add a note and

631

00:28:43,510 --> 00:28:42,399

anything you want me to read on air

632

00:28:44,870 --> 00:28:43,520

and uh

633

00:28:47,269 --> 00:28:44,880

i will

634

00:28:48,710 --> 00:28:47,279

read your message however strange or

635

00:28:49,669 --> 00:28:48,720

however weird

636

00:28:51,909 --> 00:28:49,679

right

637

00:28:53,669 --> 00:28:51,919

accomplish there it says

638

00:28:55,430 --> 00:28:53,679

no vhs tape

639

00:28:58,870 --> 00:28:55,440

yeah i don't know if he was trying to

640

00:29:00,389 --> 00:28:58,880

tape truth seekers on a vcrs i don't i

641

00:29:01,909 --> 00:29:00,399

don't understand that

642

00:29:05,350 --> 00:29:01,919

uh but yeah

643

00:29:10,070 --> 00:29:08,310

interesting that we have canada is so

644

00:29:11,990 --> 00:29:10,080

quick to release all their ufo

645

00:29:15,029 --> 00:29:12,000

information and the united states wants

646

00:29:17,669 --> 00:29:15,039

to take apparently wants to take 16

647

00:29:18,630 --> 00:29:17,679

years to release the same amount to

648

00:29:20,310 --> 00:29:18,640

release

649

00:29:21,669 --> 00:29:20,320

you know i don't know not the same

650

00:29:23,190 --> 00:29:21,679

amount but you know what i mean it's

651
00:29:25,190 --> 00:29:23,200
just interesting to me the candidate is

652
00:29:27,190 --> 00:29:25,200
like yeah you want these reports here

653
00:29:29,269 --> 00:29:27,200
here they are here's all we got

654
00:29:31,190 --> 00:29:29,279
and the barack obama presidential

655
00:29:33,350 --> 00:29:31,200
library is telling john

656
00:29:35,029 --> 00:29:33,360
greenwald from the black vault hey we

657
00:29:37,909 --> 00:29:35,039
have all this information but there's

658
00:29:40,950 --> 00:29:37,919
people ahead of you bro so it's going to

659
00:29:42,149 --> 00:29:40,960
take 16 years before we can get you the

660
00:29:45,029 --> 00:29:42,159
files

661
00:29:46,630 --> 00:29:45,039
amazing like how i'm calling the

662
00:29:48,870 --> 00:29:46,640
presidential i'm calling the barack

663
00:29:51,510 --> 00:29:48,880

obama library myself

664

00:29:54,230 --> 00:29:51,520

uh tomorrow and i want them to explain

665

00:29:56,870 --> 00:29:54,240

to me why it's going to take 16 years

666

00:29:59,830 --> 00:29:56,880

and if i don't get a sufficient answer

667

00:30:02,070 --> 00:29:59,840

then i'm gonna keep going up the chain

668

00:30:04,310 --> 00:30:02,080

and asking for supervisors or who who

669

00:30:06,070 --> 00:30:04,320

who's your boss go to that guy's boss no

670

00:30:08,789 --> 00:30:06,080

no really why is it going to take 16

671

00:30:09,750 --> 00:30:08,799

years i'd like to know how it takes 16

672

00:30:12,870 --> 00:30:09,760

years

673

00:30:15,590 --> 00:30:12,880

to print some documents scan them and

674

00:30:19,110 --> 00:30:15,600

then send them right

675

00:30:22,549 --> 00:30:21,029

check one yeah

676

00:30:25,269 --> 00:30:22,559

i heard that

677

00:30:27,750 --> 00:30:25,279

something usb plugged or unplugged and i

678

00:30:29,750 --> 00:30:27,760

was concerned about the microphone so

679

00:30:31,669 --> 00:30:29,760

we're good now uh

680

00:30:34,149 --> 00:30:31,679

uh interestingly i mentioned at the

681

00:30:36,230 --> 00:30:34,159

start of this broadcast that we have

682

00:30:38,070 --> 00:30:36,240

david wilcock and corey goode are

683

00:30:40,950 --> 00:30:38,080

apparently back making regular

684

00:30:42,789 --> 00:30:40,960

appearances on the internet at least and

685

00:30:45,190 --> 00:30:42,799

videos uh

686

00:30:47,350 --> 00:30:45,200

interestingly uh there's some drama

687

00:30:51,830 --> 00:30:47,360

developing between

688

00:30:55,510 --> 00:30:53,590

there's some interesting drama between

689

00:30:56,549 --> 00:30:55,520

corey good and billy carson because

690

00:30:59,350 --> 00:30:56,559

apparently

691

00:31:02,070 --> 00:30:59,360

corey goode is uh

692

00:31:03,509 --> 00:31:02,080

advertising some event where he is

693

00:31:05,509 --> 00:31:03,519

saying that

694

00:31:08,630 --> 00:31:05,519

billy carson will be

695

00:31:14,230 --> 00:31:11,430

there's a thread on twitter about this

696

00:31:17,190 --> 00:31:14,240

lots of kinky kundalini presentation and

697

00:31:19,590 --> 00:31:17,200

a splash of billy carson not even the

698

00:31:22,310 --> 00:31:19,600

movie worthy

699

00:31:25,350 --> 00:31:22,320

this is the rama festival temple of

700

00:31:26,710 --> 00:31:25,360

spring presenter lineup and corey goode

701
00:31:28,230 --> 00:31:26,720
is

702
00:31:30,149 --> 00:31:28,240
one of the i don't know if he's the

703
00:31:32,070 --> 00:31:30,159
event organizer or if he's just one of

704
00:31:33,430 --> 00:31:32,080
the speakers but apparently this event

705
00:31:35,830 --> 00:31:33,440
is saying

706
00:31:36,789 --> 00:31:35,840
that billy carson is also appearing

707
00:31:38,710 --> 00:31:36,799
there

708
00:31:41,190 --> 00:31:38,720
and billy carson went on twitter and

709
00:31:44,389 --> 00:31:41,200
says i am not in that event i have no

710
00:31:45,190 --> 00:31:44,399
idea what that event is and i have never

711
00:31:47,990 --> 00:31:45,200
uh

712
00:31:50,070 --> 00:31:48,000
i have i never have and never will work

713
00:31:52,070 --> 00:31:50,080

with corey good if they are using my

714

00:31:53,909 --> 00:31:52,080

name for ticket sales then my attorneys

715

00:31:56,149 --> 00:31:53,919

will be sending a letter

716

00:31:57,830 --> 00:31:56,159

so what's the deal um i've got to dig

717

00:31:58,630 --> 00:31:57,840

into this a little bit more is corey

718

00:31:59,509 --> 00:31:58,640

good

719

00:32:01,110 --> 00:31:59,519

just

720

00:32:03,110 --> 00:32:01,120

saying that people are appearing at a

721

00:32:05,430 --> 00:32:03,120

conference he's organizing or running

722

00:32:07,990 --> 00:32:05,440

and they don't even know that they're at

723

00:32:11,110 --> 00:32:08,000

the appearance they're appearing there

724

00:32:13,990 --> 00:32:11,120

very strange part of the story

725

00:32:15,350 --> 00:32:14,000

next we get back to uh david wilcock

726

00:32:17,269 --> 00:32:15,360

which is

727

00:32:19,750 --> 00:32:17,279

i i i don't know what's going on with

728

00:32:21,350 --> 00:32:19,760

that guy uh but it's very interesting

729

00:32:22,870 --> 00:32:21,360

that he is

730

00:32:25,590 --> 00:32:22,880

um

731

00:32:28,470 --> 00:32:25,600

making these bizarre videos

732

00:32:30,389 --> 00:32:28,480

um also worthy of note i wanted to just

733

00:32:31,830 --> 00:32:30,399

make sure that we mention this because

734

00:32:32,950 --> 00:32:31,840

it's important

735

00:32:34,230 --> 00:32:32,960

um

736

00:32:36,549 --> 00:32:34,240

apparently

737

00:32:39,509 --> 00:32:36,559

project unity

738

00:32:40,830 --> 00:32:39,519

recently just interviewed admiral bobby

739

00:32:44,230 --> 00:32:40,840

ray inman

740

00:32:46,630 --> 00:32:44,240

intelligence officer and admiral

741

00:32:48,070 --> 00:32:46,640

and i just want to mention this hey

742

00:32:51,430 --> 00:32:48,080

richard dolan

743

00:32:52,470 --> 00:32:51,440

your wilson documents just fell apart

744

00:32:55,590 --> 00:32:52,480

again

745

00:32:57,029 --> 00:32:55,600

because for those that don't recall

746

00:32:59,750 --> 00:32:57,039

richard dolan called the wilson

747

00:33:02,230 --> 00:32:59,760

documents the ufo leak of the century

748

00:33:04,149 --> 00:33:02,240

then he had somebody named mr x his

749

00:33:06,549 --> 00:33:04,159

anonymous source come on and try to

750

00:33:08,230 --> 00:33:06,559

explain why they're real first of all

751

00:33:10,950 --> 00:33:08,240

the whole story starts with stephen

752

00:33:12,549 --> 00:33:10,960

greer who is about as credible as jerry

753

00:33:14,870 --> 00:33:12,559

springer when it comes to real

754

00:33:16,630 --> 00:33:14,880

information you know the man who lied

755

00:33:18,470 --> 00:33:16,640

and said he briefed sitting presidents

756

00:33:19,590 --> 00:33:18,480

but never did the man who lied and said

757

00:33:21,750 --> 00:33:19,600

he

758

00:33:24,630 --> 00:33:21,760

briefed sitting vice presidents but

759

00:33:27,350 --> 00:33:24,640

never did cia directors but never did

760

00:33:31,990 --> 00:33:27,360

you know stephen greer the guy who used

761

00:33:33,990 --> 00:33:32,000

a dead baby to scam people out of money

762

00:33:35,830 --> 00:33:34,000

claiming it was an alien the whole

763

00:33:38,070 --> 00:33:35,840

wilson document story starts with

764

00:33:40,310 --> 00:33:38,080

stephen grier so forgive me if i'm a

765

00:33:43,509 --> 00:33:40,320

little skeptical of that story

766

00:33:45,350 --> 00:33:43,519

first the nro document that proponents

767

00:33:47,269 --> 00:33:45,360

and supporters of the wilson document

768

00:33:48,389 --> 00:33:47,279

story say

769

00:33:51,269 --> 00:33:48,399

prompted

770

00:33:53,190 --> 00:33:51,279

admiral wilson to go look for those ufo

771

00:33:54,549 --> 00:33:53,200

programs turned out to be completely and

772

00:33:57,190 --> 00:33:54,559

totally fake

773

00:33:58,789 --> 00:33:57,200

as if some four star admiral doesn't

774

00:34:00,789 --> 00:33:58,799

know the difference between a real

775

00:34:03,029 --> 00:34:00,799

classified document and a completely

776

00:34:05,430 --> 00:34:03,039

bogus fake made up one

777

00:34:06,789 --> 00:34:05,440

the whole wilson document story is

778

00:34:08,230 --> 00:34:06,799

[h__\h]

779

00:34:11,030 --> 00:34:08,240

but

780

00:34:13,829 --> 00:34:11,040

i find it i found it so funny uh that

781

00:34:15,109 --> 00:34:13,839

this admiral bobby ray inman gave an

782

00:34:17,669 --> 00:34:15,119

interview

783

00:34:20,869 --> 00:34:17,679

uh to project unity in which basically

784

00:34:22,710 --> 00:34:20,879

he said there is no crash retrievals

785

00:34:24,389 --> 00:34:22,720

i would have known there are none of

786

00:34:26,869 --> 00:34:24,399

that's true

787

00:34:29,349 --> 00:34:26,879

so uh gee

788

00:34:31,109 --> 00:34:29,359

richard dolan and his fake anonymous

789

00:34:34,069 --> 00:34:31,119

source mr x

790

00:34:36,629 --> 00:34:34,079

claimed that bobby ray inman was in on

791

00:34:38,950 --> 00:34:36,639

some of that wilson document stuff in

792

00:34:40,710 --> 00:34:38,960

some of the meetings with admiral wilson

793

00:34:43,190 --> 00:34:40,720

and if we could just get to that bobby

794

00:34:46,389 --> 00:34:43,200

ray inman he might be able to confirm

795

00:34:48,629 --> 00:34:46,399

these crash retrieval stories well

796

00:34:51,030 --> 00:34:48,639

now we have our answer because basically

797

00:34:53,510 --> 00:34:51,040

admiral bobby ray inman who happens to

798

00:34:56,310 --> 00:34:53,520

be in his 90s right now god bless him

799

00:34:58,950 --> 00:34:56,320

had a very distinguished amazing career

800

00:35:00,150 --> 00:34:58,960

in military intelligence for most of his

801
00:35:03,109 --> 00:35:00,160
life

802
00:35:06,390 --> 00:35:03,119
um he was asked about crash retrievals

803
00:35:09,109 --> 00:35:06,400
and basically said first of all uh i was

804
00:35:10,870 --> 00:35:09,119
in on a lot of things at

805
00:35:14,870 --> 00:35:10,880
uh lanl

806
00:35:17,349 --> 00:35:14,880
and uh the jpl jet propulsion laboratory

807
00:35:18,870 --> 00:35:17,359
there is no signs of life anywhere in

808
00:35:22,230 --> 00:35:18,880
our solar system

809
00:35:24,390 --> 00:35:22,240
and as far as crash retrievals no

810
00:35:28,069 --> 00:35:24,400
no never happened

811
00:35:29,349 --> 00:35:28,079
so here is another

812
00:35:32,069 --> 00:35:29,359
really

813
00:35:33,990 --> 00:35:32,079

shocking indicator that richard dolan is

814

00:35:36,630 --> 00:35:34,000

pushing garbage along with his fake

815

00:35:39,990 --> 00:35:36,640

anonymous source friends right and he

816

00:35:41,670 --> 00:35:40,000

gotta love a guy who has such balls as

817

00:35:43,670 --> 00:35:41,680

richard dolan like richard dolan's got

818

00:35:46,470 --> 00:35:43,680

balls he's like here's what i'm gonna do

819

00:35:48,950 --> 00:35:46,480

i am going to bring on a completely

820

00:35:51,510 --> 00:35:48,960

anonymous source on my show and then

821

00:35:53,430 --> 00:35:51,520

that anonymous source is going to say

822

00:35:55,589 --> 00:35:53,440

that bobby ray inman was in on these

823

00:35:57,670 --> 00:35:55,599

meetings about the crash retrievals and

824

00:36:00,630 --> 00:35:57,680

then my anonymous source is going to say

825

00:36:02,790 --> 00:36:00,640

that bobby ray inman and and admiral

826

00:36:04,550 --> 00:36:02,800

wilson were good friends and they were

827

00:36:07,109 --> 00:36:04,560

they were both interested in the search

828

00:36:09,670 --> 00:36:07,119

for the ufo truth right

829

00:36:12,230 --> 00:36:09,680

basically richard dolan

830

00:36:14,790 --> 00:36:12,240

brought in an anonymous source who

831

00:36:17,030 --> 00:36:14,800

ascribes all kinds of things

832

00:36:19,589 --> 00:36:17,040

to bobby ray inman trying to prove those

833

00:36:21,030 --> 00:36:19,599

wilson documents are real

834

00:36:23,750 --> 00:36:21,040

but see this is the problem with

835

00:36:26,230 --> 00:36:23,760

anonymous sources and also the problem

836

00:36:29,750 --> 00:36:26,240

with some clown like richard dolan you

837

00:36:32,710 --> 00:36:29,760

know ufo league of the century yet piece

838

00:36:34,069 --> 00:36:32,720

by piece that entire story has come

839

00:36:36,230 --> 00:36:34,079

crashing down

840

00:36:38,230 --> 00:36:36,240

but it has been i will have to say that

841

00:36:40,470 --> 00:36:38,240

that wilson document story didn't come

842

00:36:41,349 --> 00:36:40,480

crashing down like a house of cards it

843

00:36:43,829 --> 00:36:41,359

came

844

00:36:46,710 --> 00:36:43,839

crashing down like a slow motion house

845

00:36:48,950 --> 00:36:46,720

of cards first we lose the nro document

846

00:36:51,349 --> 00:36:48,960

and turns out that that whole reason

847

00:36:53,589 --> 00:36:51,359

that they said admiral wilson went

848

00:36:55,910 --> 00:36:53,599

running around looking for the ufo crash

849

00:36:58,069 --> 00:36:55,920

retrieval program is because of this nro

850

00:37:00,069 --> 00:36:58,079

document that stephen greer gave him

851
00:37:02,150 --> 00:37:00,079
then we find out that that nro document

852
00:37:04,069 --> 00:37:02,160
is completely and totally fake and

853
00:37:05,829 --> 00:37:04,079
richard dolan missed that

854
00:37:07,750 --> 00:37:05,839
how does a man who's supposed to be a

855
00:37:09,990 --> 00:37:07,760
student of history and classified

856
00:37:12,950 --> 00:37:10,000
projects not know

857
00:37:15,430 --> 00:37:12,960
that that an obviously fake document is

858
00:37:17,829 --> 00:37:15,440
fake i'm no expert but i looked at it

859
00:37:19,430 --> 00:37:17,839
and knew it was fake

860
00:37:23,109 --> 00:37:19,440
i don't get it

861
00:37:25,589 --> 00:37:23,119
then richard dolan brings on mr x an

862
00:37:27,430 --> 00:37:25,599
anonymous source who by the way this is

863
00:37:29,430 --> 00:37:27,440

the first time i've ever heard this is

864

00:37:31,589 --> 00:37:29,440

why i say richard dolan's got balls

865

00:37:35,030 --> 00:37:31,599

because he brings on an anonymous source

866

00:37:36,950 --> 00:37:35,040

who then cites more anonymous sources

867

00:37:39,109 --> 00:37:36,960

to prove that those documents are

868

00:37:40,630 --> 00:37:39,119

anything other than fiction

869

00:37:43,030 --> 00:37:40,640

and by the way the documents were

870

00:37:45,510 --> 00:37:43,040

reportedly written by eric davis after

871

00:37:47,589 --> 00:37:45,520

he had a meeting with admiral wilson but

872

00:37:48,390 --> 00:37:47,599

he won't confirm or deny that he wrote

873

00:37:53,510 --> 00:37:48,400

them

874

00:37:58,069 --> 00:37:55,109

admiral wilson

875

00:38:00,390 --> 00:37:58,079

has declared them a work of fiction and

876

00:38:02,710 --> 00:38:00,400

no matter how much mental gymnastics or

877

00:38:05,829 --> 00:38:02,720

anonymous sources that clown

878

00:38:07,510 --> 00:38:05,839

uh richard dolan brings in right hey

879

00:38:09,910 --> 00:38:07,520

richard dolan or what are you gonna do

880

00:38:11,589 --> 00:38:09,920

have mr x site seven more anonymous

881

00:38:14,870 --> 00:38:11,599

sources i'm not kidding you if you

882

00:38:16,710 --> 00:38:14,880

listen through to this saga mr x richard

883

00:38:19,670 --> 00:38:16,720

dolan's anonymous source

884

00:38:21,829 --> 00:38:19,680

not only does he cite more and more and

885

00:38:23,750 --> 00:38:21,839

more and more anonymous sources i think

886

00:38:25,910 --> 00:38:23,760

four or five so we got richard dolan

887

00:38:27,910 --> 00:38:25,920

trying to prove these documents are real

888

00:38:30,310 --> 00:38:27,920

by bringing in an anonymous source who

889

00:38:34,069 --> 00:38:30,320

says they're real who then cites

890

00:38:36,310 --> 00:38:34,079

four or five more anonymous sources then

891

00:38:38,790 --> 00:38:36,320

richard dolan's anonymous source lies

892

00:38:40,870 --> 00:38:38,800

through his teeth and says that admiral

893

00:38:42,069 --> 00:38:40,880

bobby ray inman was in some of these

894

00:38:45,109 --> 00:38:42,079

meetings

895

00:38:47,910 --> 00:38:45,119

about the crash retrievals and what knew

896

00:38:51,349 --> 00:38:47,920

about admiral wilson's search for the

897

00:38:54,390 --> 00:38:51,359

truth about alien crash retrievals

898

00:38:57,030 --> 00:38:54,400

then we we somebody gets to admiral

899

00:38:59,190 --> 00:38:57,040

bobby ray inman and isn't it interesting

900

00:39:02,550 --> 00:38:59,200

when asked about crash retrievals he

901
00:39:05,349 --> 00:39:02,560
said none of that happened

902
00:39:10,069 --> 00:39:05,359
no there's no crash retrievals we we

903
00:39:12,630 --> 00:39:10,079
have not retrieved anything alien

904
00:39:14,069 --> 00:39:12,640
interesting but again

905
00:39:16,230 --> 00:39:14,079
this is where we're at and this is where

906
00:39:18,470 --> 00:39:16,240
we find ourselves clown richard dolan

907
00:39:20,230 --> 00:39:18,480
can make i don't know thousands tens of

908
00:39:23,910 --> 00:39:20,240
thousands of dollars selling a

909
00:39:28,790 --> 00:39:23,920
completely fake made-up story right

910
00:39:34,470 --> 00:39:31,670
closes the door zach

911
00:39:37,270 --> 00:39:34,480
close the door

912
00:39:38,390 --> 00:39:37,280
my son zach is at the door so uh you

913
00:39:40,150 --> 00:39:38,400

know

914

00:39:45,750 --> 00:39:40,160

this is where we're at and this is where

915

00:39:49,510 --> 00:39:47,589

i'll see you later zach i don't know

916

00:39:50,710 --> 00:39:49,520

zach's in a getting mood today he's been

917

00:39:52,950 --> 00:39:50,720

laughing and running around like a

918

00:39:54,790 --> 00:39:52,960

maniac since he got home from school

919

00:39:56,390 --> 00:39:54,800

so

920

00:39:58,310 --> 00:39:56,400

i just find it interesting

921

00:40:00,630 --> 00:39:58,320

and i by the way i'm going to reach out

922

00:40:03,109 --> 00:40:00,640

to that bobby ray inman and try to get

923

00:40:05,829 --> 00:40:03,119

an interview and i'm going to play for

924

00:40:08,150 --> 00:40:05,839

him exactly what clown richard dolan's

925

00:40:10,390 --> 00:40:08,160

idiot mr x said

926

00:40:13,589 --> 00:40:10,400

everything that all the things that that

927

00:40:15,990 --> 00:40:13,599

guy said that bobby inman was in this

928

00:40:18,309 --> 00:40:16,000

admiral was in on to try to prove those

929

00:40:20,390 --> 00:40:18,319

documents are or anything but fake i'm

930

00:40:23,190 --> 00:40:20,400

gonna play it all for him and then i

931

00:40:25,510 --> 00:40:23,200

want him to listen to that and tell us

932

00:40:28,150 --> 00:40:25,520

if if he has any knowledge of the

933

00:40:30,230 --> 00:40:28,160

[h__h] that richard dolan and his fake

934

00:40:32,150 --> 00:40:30,240

anonymous sources have been pushing

935

00:40:34,470 --> 00:40:32,160

about those fake wilson documents hey

936

00:40:37,510 --> 00:40:34,480

richard dolan time to get a real job

937

00:40:40,870 --> 00:40:37,520

buddy you suck at this richard dolan

938

00:40:44,470 --> 00:40:40,880

sucks balls at this all richard dolan

939

00:40:46,790 --> 00:40:44,480

can do is rehash old [h__h] stories

940

00:40:49,910 --> 00:40:46,800

and try to convince you that his new

941

00:40:51,670 --> 00:40:49,920

[h__h] stories have any validity but

942

00:40:53,990 --> 00:40:51,680

they all come crashing down under

943

00:40:54,870 --> 00:40:54,000

scrutiny here we have

944

00:40:57,829 --> 00:40:54,880

this

945

00:40:59,990 --> 00:40:57,839

admiral that richard dolan's anonymous

946

00:41:02,390 --> 00:41:00,000

source ascribed all kinds of oh yeah

947

00:41:05,190 --> 00:41:02,400

bobby inman he was in on this we're sure

948

00:41:07,030 --> 00:41:05,200

of it he was in on all this really

949

00:41:10,950 --> 00:41:07,040

when asked about crash retrievals we

950

00:41:12,470 --> 00:41:10,960

have not retrieved any alien nope nope

951
00:41:15,670 --> 00:41:12,480
nothing

952
00:41:18,069 --> 00:41:15,680
great great job richard dolan you clown

953
00:41:20,069 --> 00:41:18,079
why don't you get a real job bro

954
00:41:22,150 --> 00:41:20,079
right how much how many millions of

955
00:41:24,150 --> 00:41:22,160
dollars have richard dolan made selling

956
00:41:26,550 --> 00:41:24,160
fake alien stories how much money did

957
00:41:28,630 --> 00:41:26,560
you get paid for those fake roswell

958
00:41:31,349 --> 00:41:28,640
slides that story you were pushing for

959
00:41:33,589 --> 00:41:31,359
how long right or what about the fake

960
00:41:35,910 --> 00:41:33,599
cia deathbed confession video that

961
00:41:39,030 --> 00:41:35,920
richard dolan interviewed i don't know

962
00:41:41,589 --> 00:41:39,040
three or four years after the guy died

963
00:41:43,670 --> 00:41:41,599

that was amazing that's amazing what

964

00:41:45,670 --> 00:41:43,680

balls richard dolan has you know what

965

00:41:47,589 --> 00:41:45,680

this is a great story about aliens but

966

00:41:49,589 --> 00:41:47,599

the problem is the primary or principal

967

00:41:51,670 --> 00:41:49,599

source of the story died several years

968

00:41:54,710 --> 00:41:51,680

ago but me and jeremy corbell are going

969

00:41:56,550 --> 00:41:54,720

to go interview him anyway

970

00:41:58,630 --> 00:41:56,560

oh and i have more information on that

971

00:42:01,030 --> 00:41:58,640

that i'll be dropping soon

972

00:42:03,270 --> 00:42:01,040

doesn't paint either jeremy corbell or

973

00:42:06,069 --> 00:42:03,280

richard dolan in a good light

974

00:42:07,750 --> 00:42:06,079

no they're ufo profiteering hucksters

975

00:42:09,670 --> 00:42:07,760

that's what they are they don't care if

976

00:42:11,589 --> 00:42:09,680

the story's true they don't care if the

977

00:42:13,349 --> 00:42:11,599

guy who originally told the story died

978

00:42:15,589 --> 00:42:13,359

already they're still going to push the

979

00:42:18,870 --> 00:42:15,599

story and make some money off of it

980

00:42:21,430 --> 00:42:18,880

amazing amazing

981

00:42:24,069 --> 00:42:21,440

but you know why does anybody actually

982

00:42:27,109 --> 00:42:24,079

expect credibility in this thing right

983

00:42:30,470 --> 00:42:27,119

you know i think a long time ago

984

00:42:32,630 --> 00:42:30,480

back in the day there were some people

985

00:42:36,710 --> 00:42:32,640

who you could consider credible

986

00:42:39,750 --> 00:42:36,720

researchers but i think the longer that

987

00:42:42,790 --> 00:42:39,760

you know the smoking gun evidence was

988

00:42:45,430 --> 00:42:42,800

never found the more con artist types

989

00:42:47,190 --> 00:42:45,440

rushed into this thing to say hey uh you

990

00:42:48,950 --> 00:42:47,200

know there's lots of money to be made

991

00:42:49,990 --> 00:42:48,960

here who cares if any of this [h__h] is

992

00:42:51,750 --> 00:42:50,000

true

993

00:42:53,910 --> 00:42:51,760

and this is where we're at and this is

994

00:42:58,309 --> 00:42:53,920

where we find ourselves right

995

00:43:01,510 --> 00:42:58,319

i i i think that uh anybody expecting

996

00:43:04,150 --> 00:43:01,520

credibility out of anybody in this thing

997

00:43:07,349 --> 00:43:04,160

is going to be sorely disappointed

998

00:43:11,670 --> 00:43:07,359

um and let's see in other news of ufo

999

00:43:12,870 --> 00:43:11,680

clowns right uh lou elizondo recently he

1000

00:43:14,230 --> 00:43:12,880

just

1001
00:43:18,390 --> 00:43:14,240
posted

1002
00:43:19,430 --> 00:43:18,400
a uh a ufo report by a private company

1003
00:43:22,230 --> 00:43:19,440
right

1004
00:43:25,750 --> 00:43:22,240
and we all know uh that

1005
00:43:28,950 --> 00:43:25,760
louis lozando is not a good researcher

1006
00:43:30,870 --> 00:43:28,960
in fact i think that he has barely read

1007
00:43:32,390 --> 00:43:30,880
anything on this subject the more that i

1008
00:43:34,870 --> 00:43:32,400
listen to him talk

1009
00:43:37,190 --> 00:43:34,880
right it just appears to me

1010
00:43:39,270 --> 00:43:37,200
that he is not very knowledgeable on

1011
00:43:41,829 --> 00:43:39,280
this subject and continually gets caught

1012
00:43:44,150 --> 00:43:41,839
posting [h__\h] as something valid

1013
00:43:46,710 --> 00:43:44,160

right we've seen him

1014

00:43:49,349 --> 00:43:46,720

recently uh he was citing the sun

1015

00:43:50,390 --> 00:43:49,359

newspaper which is basically like you

1016

00:43:51,750 --> 00:43:50,400

know

1017

00:43:53,030 --> 00:43:51,760

aliens

1018

00:43:55,990 --> 00:43:53,040

uh

1019

00:43:57,829 --> 00:43:56,000

aliens stole my baby you know elvis is

1020

00:44:00,790 --> 00:43:57,839

alive that's what the sun newspaper is

1021

00:44:01,750 --> 00:44:00,800

all about and louis elizondo is posting

1022

00:44:03,349 --> 00:44:01,760

uh

1023

00:44:09,030 --> 00:44:03,359

that right

1024

00:44:13,510 --> 00:44:10,870

recently he posted

1025

00:44:17,430 --> 00:44:13,520

a ufo report that contained

1026

00:44:18,790 --> 00:44:17,440

absolutely totally fake images

1027

00:44:20,230 --> 00:44:18,800

and i guess he didn't know that there

1028

00:44:22,390 --> 00:44:20,240

was a bunch of fake images in that

1029

00:44:24,550 --> 00:44:22,400

report that he is saying oh good

1030

00:44:27,030 --> 00:44:24,560

this is really a good report and it's

1031

00:44:29,270 --> 00:44:27,040

it's very transparent transparency is

1032

00:44:32,150 --> 00:44:29,280

increasing about these things

1033

00:44:34,950 --> 00:44:32,160

well uh transparency of people pushing

1034

00:44:38,309 --> 00:44:34,960

fake ufo photos

1035

00:44:39,589 --> 00:44:38,319

included in the report were pictures of

1036

00:46:01,270 --> 00:44:39,599

a

1037

00:46:04,230 --> 00:46:01,280

spend it

1038

00:46:06,550 --> 00:46:04,240

because i can't i i can't find a single

1039

00:46:09,349 --> 00:46:06,560

investor in tsa

1040

00:46:11,750 --> 00:46:09,359

uh that made any money

1041

00:46:13,589 --> 00:46:11,760

but we sure see time to loan made money

1042

00:46:15,829 --> 00:46:13,599

i guess christopher mellon made money

1043

00:46:16,790 --> 00:46:15,839

lou elizondo made some money

1044

00:46:18,710 --> 00:46:16,800

right

1045

00:46:20,630 --> 00:46:18,720

then he got a television deal out of it

1046

00:46:23,349 --> 00:46:20,640

for releasing those videos and the and

1047

00:46:25,349 --> 00:46:23,359

the television show was largely based on

1048

00:46:27,270 --> 00:46:25,359

the videos that he basically stole from

1049

00:46:29,430 --> 00:46:27,280

the pentagon if you ask me

1050

00:46:30,870 --> 00:46:29,440

uh videos which by the way are reported

1051
00:46:32,710 --> 00:46:30,880
to be drones

1052
00:46:37,109 --> 00:46:32,720
by people in the know

1053
00:46:41,190 --> 00:46:38,069
so

1054
00:46:44,630 --> 00:46:41,200
where's the ufo messiah and why is this

1055
00:46:47,109 --> 00:46:44,640
guy a ufo celebrity right why is he

1056
00:46:49,670 --> 00:46:47,119
getting book deals why why is he getting

1057
00:46:53,109 --> 00:46:49,680
book deals why is he getting tv show

1058
00:46:54,950 --> 00:46:53,119
deals based on videos which largely

1059
00:47:02,790 --> 00:46:54,960
prove nothing

1060
00:47:08,069 --> 00:47:05,430
yeah i was trying to find the uh

1061
00:47:09,670 --> 00:47:08,079
can at the moment due to my uh

1062
00:47:11,829 --> 00:47:09,680
i had this like i said i had this tech

1063
00:47:13,990 --> 00:47:11,839

problem right before start

1064

00:47:16,550 --> 00:47:14,000

um

1065

00:47:28,309 --> 00:47:16,560

one second i'm gonna try to

1066

00:47:33,030 --> 00:47:30,549

okay i think i got it

1067

00:47:34,950 --> 00:47:33,040

thank god for history and it was michael

1068

00:47:37,109 --> 00:47:34,960

huntington who pointed out that somebody

1069

00:47:39,270 --> 00:47:37,119

ought to somebody ought to explain to

1070

00:47:41,270 --> 00:47:39,280

lou elizondo that he just shared some

1071

00:47:43,510 --> 00:47:41,280

stupid ufo report which by the way it's

1072

00:47:44,470 --> 00:47:43,520

from a private organization i never

1073

00:47:46,710 --> 00:47:44,480

heard of

1074

00:47:49,910 --> 00:47:46,720

uh but it is what it is and included in

1075

00:47:54,150 --> 00:47:52,309

michael huntington is you know i don't

1076
00:47:56,069 --> 00:47:54,160
know that guy but i like him because

1077
00:47:57,510 --> 00:47:56,079
he's right there to correct people on

1078
00:47:59,510 --> 00:47:57,520
their [h__\h]

1079
00:48:01,829 --> 00:47:59,520
michael huntington writes is your

1080
00:48:05,030 --> 00:48:01,839
favorite uap guru aware that these

1081
00:48:09,349 --> 00:48:05,040
belgian wave ufo picks are admitted hoax

1082
00:48:14,069 --> 00:48:12,230
so the ufo messiah uh you know the guy

1083
00:48:16,549 --> 00:48:14,079
who's gonna bring us disclosure when all

1084
00:48:19,510 --> 00:48:16,559
he did so far is bring us some shitty

1085
00:48:21,670 --> 00:48:19,520
quality drone videos yeah that guy who's

1086
00:48:23,190 --> 00:48:21,680
gonna bring us disclosure is sharing

1087
00:48:25,750 --> 00:48:23,200
more fake [h__\h]

1088
00:48:28,549 --> 00:48:25,760

just like he stood there on a stage uh

1089

00:48:31,430 --> 00:48:28,559

at that ttsa fake press conference to an

1090

00:48:33,510 --> 00:48:31,440

empty auditorium uh where they showed

1091

00:48:35,750 --> 00:48:33,520

pictures of balloons that they claimed

1092

00:48:39,510 --> 00:48:35,760

were tic tac ufos

1093

00:48:41,270 --> 00:48:39,520

now he's sharing fake tr3b images in a

1094

00:48:43,430 --> 00:48:41,280

report

1095

00:48:44,549 --> 00:48:43,440

and doesn't know that they're fake tr3b

1096

00:48:46,790 --> 00:48:44,559

images

1097

00:48:48,950 --> 00:48:46,800

or apparently doesn't care you know some

1098

00:48:51,349 --> 00:48:48,960

of these guys are so desperate to look

1099

00:48:53,349 --> 00:48:51,359

like they're in and know about secrets

1100

00:48:55,190 --> 00:48:53,359

about ufos that they're basically

1101
00:48:56,230 --> 00:48:55,200
willing to share anything

1102
00:48:57,270 --> 00:48:56,240
right

1103
00:48:58,630 --> 00:48:57,280
uh

1104
00:49:00,309 --> 00:48:58,640
lou

1105
00:49:02,870 --> 00:49:00,319
these are fake pictures you shouldn't be

1106
00:49:05,829 --> 00:49:02,880
sharing fake [h__h] you look like a dummy

1107
00:49:08,710 --> 00:49:05,839
now lou alzado you look like a dummy

1108
00:49:10,790 --> 00:49:08,720
sharing a report with this fake [h__h] and

1109
00:49:13,430 --> 00:49:10,800
by the way i looked over that report and

1110
00:49:14,790 --> 00:49:13,440
it's really uh you know it looks to me

1111
00:49:17,990 --> 00:49:14,800
like a bunch of

1112
00:49:19,670 --> 00:49:18,000
a bunch of uh ufo dorks got together to

1113
00:49:21,270 --> 00:49:19,680

write up this report

1114

00:49:23,589 --> 00:49:21,280

and there's a

1115

00:49:25,670 --> 00:49:23,599

information in there that i guess

1116

00:49:28,790 --> 00:49:25,680

somebody should verify

1117

00:49:30,710 --> 00:49:28,800

uh and and uh the images that they're

1118

00:49:32,790 --> 00:49:30,720

using are largely

1119

00:49:34,790 --> 00:49:32,800

fake as we see here

1120

00:49:37,030 --> 00:49:34,800

in this report so what what is lou

1121

00:49:39,109 --> 00:49:37,040

elizondo bringing us oh that's right

1122

00:49:41,829 --> 00:49:39,119

he's bringing us a ufo report written by

1123

00:49:43,270 --> 00:49:41,839

a private company nobody ever heard of

1124

00:49:45,910 --> 00:49:43,280

that includes

1125

00:49:47,829 --> 00:49:45,920

fake pictures of ufos like this what

1126

00:49:50,549 --> 00:49:47,839

what is how does that help disclosure

1127

00:49:53,190 --> 00:49:50,559

shared fake [h__h] lou elizondo why are

1128

00:49:55,349 --> 00:49:53,200

you sharing fake [h__h]

1129

00:49:56,790 --> 00:49:55,359

i just i i don't understand

1130

00:49:58,390 --> 00:49:56,800

i don't get it

1131

00:50:00,470 --> 00:49:58,400

um yeah

1132

00:50:04,069 --> 00:50:00,480

so

1133

00:50:06,230 --> 00:50:04,079

back to uh our favorite uh

1134

00:50:09,510 --> 00:50:06,240

i don't know new age con artist fake

1135

00:50:11,990 --> 00:50:09,520

psychic david wilcock um i was so

1136

00:50:13,510 --> 00:50:12,000

shocked and surprised by this video i

1137

00:50:15,589 --> 00:50:13,520

don't know if he's trying to like

1138

00:50:17,430 --> 00:50:15,599

humanize himself like look i i'm a

1139

00:50:19,430 --> 00:50:17,440

regular guy here's me hanging out in my

1140

00:50:21,510 --> 00:50:19,440

house and now somebody just sent me i

1141

00:50:24,309 --> 00:50:21,520

see that he's like posting pic

1142

00:50:26,309 --> 00:50:24,319

videos of like a moose in his backyard i

1143

00:50:28,069 --> 00:50:26,319

mean good for you you live in colorado

1144

00:50:30,069 --> 00:50:28,079

there's moose right but i don't

1145

00:50:31,750 --> 00:50:30,079

understand him posting that

1146

00:50:33,510 --> 00:50:31,760

um but

1147

00:50:34,950 --> 00:50:33,520

i'm gonna say fair use once again we're

1148

00:50:37,270 --> 00:50:34,960

gonna share just a little bit of this

1149

00:50:39,510 --> 00:50:37,280

bizarre video he posted of how to

1150

00:50:42,150 --> 00:50:39,520

survive a snowpocalypse

1151

00:50:44,390 --> 00:50:42,160

look david what kind of

1152

00:50:47,030 --> 00:50:44,400

are you that much of like a i don't know

1153

00:50:49,589 --> 00:50:47,040

if he's like a woman or just a feminist

1154

00:50:52,549 --> 00:50:49,599

or you know actually that's insulting to

1155

00:50:54,470 --> 00:50:52,559

women is he just effeminate like six

1156

00:50:56,630 --> 00:50:54,480

inches of snow is enough to make him

1157

00:50:59,109 --> 00:50:56,640

lose his [h__\h] mind

1158

00:51:01,430 --> 00:50:59,119

you know like you live in colorado in

1159

00:51:03,829 --> 00:51:01,440

the mountains bro you should get six

1160

00:51:06,950 --> 00:51:03,839

inches of snow once a week

1161

00:51:10,710 --> 00:51:06,960

it's not a big deal but in true

1162

00:51:13,109 --> 00:51:10,720

melodrama drama queen fashion as usual

1163

00:51:14,549 --> 00:51:13,119

david wilcock turns this into some big

1164

00:51:16,950 --> 00:51:14,559

huge event

1165

00:51:19,670 --> 00:51:16,960

we've had a snowpocalypse and the power

1166

00:51:21,270 --> 00:51:19,680

is out oh my god how will i survive i'm

1167

00:51:22,790 --> 00:51:21,280

gonna have to light a fire or i'll

1168

00:51:23,670 --> 00:51:22,800

freeze to death

1169

00:51:27,349 --> 00:51:23,680

and

1170

00:51:29,750 --> 00:51:27,359

here's where things get stupid okay

1171

00:51:32,309 --> 00:51:29,760

david wilcock lives in a fourth house i

1172

00:51:33,589 --> 00:51:32,319

think it's a 4 000 square foot log cabin

1173

00:51:36,069 --> 00:51:33,599

mansion

1174

00:51:38,390 --> 00:51:36,079

um and he is in his garage in this

1175

00:51:41,589 --> 00:51:38,400

bizarre video showing people his massive

1176
00:51:44,150 --> 00:51:41,599
supply of firewood which turns out to be

1177
00:51:46,470 --> 00:51:44,160
one wheelbarrow

1178
00:51:50,790 --> 00:51:46,480
you know what a wheelbarrow is one

1179
00:51:52,710 --> 00:51:50,800
wheelbarrow full of old dry looks like

1180
00:51:55,589 --> 00:51:52,720
rotted wood to me

1181
00:51:59,190 --> 00:51:55,599
then he goes on to state in the video

1182
00:52:00,870 --> 00:51:59,200
that this wood is probably 10 or more

1183
00:52:03,910 --> 00:52:00,880
years old

1184
00:52:06,309 --> 00:52:03,920
and remember that during the video he's

1185
00:52:09,190 --> 00:52:06,319
giving people advice on how to survive a

1186
00:52:11,030 --> 00:52:09,200
snowpocalypse when the power is out and

1187
00:52:13,589 --> 00:52:11,040
and i'm here to tell you david wilcock

1188
00:52:16,069 --> 00:52:13,599

you look ridiculous and childish and

1189

00:52:18,230 --> 00:52:16,079

stupid for you to go tell people you

1190

00:52:20,150 --> 00:52:18,240

know what you do just go to your garage

1191

00:52:23,030 --> 00:52:20,160

where you got one wheel barrel full of

1192

00:52:24,069 --> 00:52:23,040

10 year old dry as [h__h]

1193

00:52:25,829 --> 00:52:24,079

wood

1194

00:52:27,829 --> 00:52:25,839

and you'll survive

1195

00:52:30,549 --> 00:52:27,839

first of all listen

1196

00:52:33,670 --> 00:52:30,559

i have a cabin in the mountains and one

1197

00:52:36,150 --> 00:52:33,680

wheelbarrow of firewood would last me

1198

00:52:39,430 --> 00:52:36,160

one day in a very

1199

00:52:41,270 --> 00:52:39,440

tiny cabin you know

1200

00:52:44,309 --> 00:52:41,280

it's it's uh

1201
00:52:46,470 --> 00:52:44,319
less than a thousand square feet so

1202
00:52:49,109 --> 00:52:46,480
one wheelbarrow of wood would last me

1203
00:52:51,190 --> 00:52:49,119
one day and one night probably if i you

1204
00:52:53,430 --> 00:52:51,200
know stoked the fire just right and

1205
00:52:55,910 --> 00:52:53,440
didn't burn it too hot

1206
00:52:58,390 --> 00:52:55,920
kept the damper down

1207
00:53:01,349 --> 00:52:58,400
one wheelbarrow full of wood is enough

1208
00:53:04,309 --> 00:53:01,359
for one day and one night

1209
00:53:05,430 --> 00:53:04,319
this guy has got a 4 000 square foot

1210
00:53:08,390 --> 00:53:05,440
mansion

1211
00:53:09,430 --> 00:53:08,400
and he's got one wheelbarrow full of

1212
00:53:13,190 --> 00:53:09,440
wood

1213
00:53:15,589 --> 00:53:13,200

that's 10 years old this is bizarre land

1214

00:53:17,670 --> 00:53:15,599

but somehow he's going to tell you how

1215

00:53:19,910 --> 00:53:17,680

to survive a snowpocalypse and he's

1216

00:53:22,309 --> 00:53:19,920

teaching people how to start a fire

1217

00:53:26,069 --> 00:53:22,319

uh with 10 year old wood do you know how

1218

00:53:28,390 --> 00:53:26,079

fast 10 year old dry as [h__\h] wood burns

1219

00:53:30,069 --> 00:53:28,400

and i found it funny and interesting

1220

00:53:32,390 --> 00:53:30,079

that throughout this two and a half

1221

00:53:33,990 --> 00:53:32,400

three hour video that he posted he's

1222

00:53:35,109 --> 00:53:34,000

lighting a fire like three different

1223

00:53:37,430 --> 00:53:35,119

times

1224

00:53:39,510 --> 00:53:37,440

it must be that he lights the fire and

1225

00:53:41,829 --> 00:53:39,520

that dryest [h__\h] wood that he has from

1226
00:53:44,230 --> 00:53:41,839
10 years ago that the previous owner

1227
00:53:46,870 --> 00:53:44,240
left him somewhere on his property

1228
00:53:50,390 --> 00:53:46,880
is so dry that it burns out in an hour

1229
00:53:52,470 --> 00:53:50,400
and again he's lighting a new fire

1230
00:53:53,670 --> 00:53:52,480
and here's another thing

1231
00:53:56,549 --> 00:53:53,680
you know

1232
00:53:59,190 --> 00:53:56,559
he he he's acting like he's an expert in

1233
00:54:01,990 --> 00:53:59,200
how to survive this kind of a situation

1234
00:54:04,470 --> 00:54:02,000
he couldn't get his generator running

1235
00:54:05,750 --> 00:54:04,480
demand has a huge gasoline power

1236
00:54:09,750 --> 00:54:05,760
generator

1237
00:54:11,430 --> 00:54:09,760
or 20 thousand dollars to go with the

1238
00:54:14,069 --> 00:54:11,440

big house

1239

00:54:16,150 --> 00:54:14,079

it's it's it's very common

1240

00:54:18,069 --> 00:54:16,160

if you live in a home

1241

00:54:19,349 --> 00:54:18,079

or an area that has frequent power

1242

00:54:21,750 --> 00:54:19,359

failures

1243

00:54:23,430 --> 00:54:21,760

people especially rich people will get

1244

00:54:25,270 --> 00:54:23,440

one of those ten or twenty thousand 000

1245

00:54:27,109 --> 00:54:25,280

huge generators you put it on the

1246

00:54:28,630 --> 00:54:27,119

outside of your house

1247

00:54:30,230 --> 00:54:28,640

when the power's out you go out there

1248

00:54:32,710 --> 00:54:30,240

and you start it and then you've got

1249

00:54:33,750 --> 00:54:32,720

power until power is restored

1250

00:54:34,870 --> 00:54:33,760

um

1251

00:54:38,150 --> 00:54:34,880

apparently

1252

00:54:40,470 --> 00:54:38,160

david wilcock the man with the 180 iq

1253

00:54:42,549 --> 00:54:40,480

who's smarter than einstein the man who

1254

00:54:45,510 --> 00:54:42,559

is going to invent and bring the world

1255

00:54:47,430 --> 00:54:45,520

free energy devices and hover cars and

1256

00:54:49,589 --> 00:54:47,440

anti-gravity technology

1257

00:54:53,990 --> 00:54:49,599

can't figure out how to start a

1258

00:54:54,000 --> 00:54:57,190

let's just let that sink in

1259

00:55:01,990 --> 00:54:59,430

he can't start a generator

1260

00:55:04,150 --> 00:55:02,000

uh not that i'm surprised

1261

00:55:07,109 --> 00:55:04,160

you know he even mentions oh i've got to

1262

00:55:09,109 --> 00:55:07,119

get the instructions out right

1263

00:55:11,190 --> 00:55:09,119

like dude there's a switch

1264

00:55:13,270 --> 00:55:11,200

it's not

1265

00:55:15,270 --> 00:55:13,280

i've seen big generators like that it's

1266

00:55:17,190 --> 00:55:15,280

not rocket science there's a switch

1267

00:55:18,870 --> 00:55:17,200

somewhere david and there's usually a

1268

00:55:21,109 --> 00:55:18,880

switch in the house

1269

00:55:23,910 --> 00:55:21,119

by your electrical box too

1270

00:55:25,829 --> 00:55:23,920

where you have to switch from grid power

1271

00:55:27,990 --> 00:55:25,839

to generator power

1272

00:55:29,750 --> 00:55:28,000

so you know maybe that'll help david

1273

00:55:32,150 --> 00:55:29,760

wilcock and he'll be able to you know

1274

00:55:35,990 --> 00:55:32,160

get get his generator going and power

1275

00:55:37,829 --> 00:55:36,000

back on but i'm gonna uh we are going to

1276

00:55:39,510 --> 00:55:37,839

cite fair use once again this is a

1277

00:55:41,349 --> 00:55:39,520

transformative work we're educating the

1278

00:55:42,950 --> 00:55:41,359

public about how david wilcock the man

1279

00:55:45,510 --> 00:55:42,960

with the 180 iq

1280

00:55:47,270 --> 00:55:45,520

father of free energy and hover cars

1281

00:55:49,510 --> 00:55:47,280

can't work a generator

1282

00:55:51,670 --> 00:55:49,520

uh and apparently doesn't know [h__h]

1283

00:55:53,910 --> 00:55:51,680

about firewood and heating your home

1284

00:55:55,030 --> 00:55:53,920

with wood

1285

00:55:58,230 --> 00:55:55,040

friends

1286

00:56:00,309 --> 00:55:58,240

in a 4 000 square foot house a one wheel

1287

00:56:03,190 --> 00:56:00,319

barrel full of 10 year old dry rotted

1288

00:56:04,950 --> 00:56:03,200

wood is going to last you two hours okay

1289

00:56:05,990 --> 00:56:04,960

i'm just putting that out there i'm no

1290

00:56:09,109 --> 00:56:06,000

expert

1291

00:56:11,510 --> 00:56:09,119

uh but apparently uh even i know a lot

1292

00:56:13,910 --> 00:56:11,520

more about fires fireplaces

1293

00:56:16,950 --> 00:56:13,920

and wood heating than david living in a

1294

00:56:20,309 --> 00:56:16,960

two million dollar mansion wilcock

1295

00:56:25,750 --> 00:56:22,390

so let's share part of his bizarre new

1296

00:56:28,710 --> 00:56:25,760

video david wilcock hangout snowmageddon

1297

00:56:33,829 --> 00:56:28,720

blackout at 8600

1298

00:56:33,839 --> 00:56:40,950

so here we go again

1299

00:56:40,960 --> 00:56:43,430

so

1300

00:56:48,230 --> 00:56:45,750

here's his massive wood supply look at

1301
00:56:49,190 --> 00:56:48,240
it it's not even a full wheelbarrow full

1302
00:56:50,470 --> 00:56:49,200
of wood

1303
00:56:52,390 --> 00:56:50,480
and he's going to survive a

1304
00:56:54,309 --> 00:56:52,400
snowpocalypse with this little bit of

1305
00:56:56,230 --> 00:56:54,319
firewood

1306
00:57:00,069 --> 00:56:56,240
we have a luggage

1307
00:57:01,829 --> 00:57:00,079
container this is like carry-on luggage

1308
00:57:04,309 --> 00:57:01,839
you know what's interesting my wife just

1309
00:57:06,549 --> 00:57:04,319
got me one of those it's it's a it's

1310
00:57:07,990 --> 00:57:06,559
basically a big long thing with straps

1311
00:57:09,990 --> 00:57:08,000
on each end and you put the firewood in

1312
00:57:11,430 --> 00:57:10,000
there makes it easier to carry it in for

1313
00:57:13,430 --> 00:57:11,440

that i agree with them and you're gonna

1314

00:57:15,109 --> 00:57:13,440

load this up

1315

00:57:16,789 --> 00:57:15,119

carefully

1316

00:57:18,390 --> 00:57:16,799

and since i don't have gloves on right

1317

00:57:20,390 --> 00:57:18,400

now you really have to be very very

1318

00:57:23,030 --> 00:57:20,400

careful about splinters this

1319

00:57:26,150 --> 00:57:23,040

by the way this is an amazing

1320

00:57:27,829 --> 00:57:26,160

amazing piece of bark

1321

00:57:30,789 --> 00:57:27,839

i mean that sucker is going to burn like

1322

00:57:33,190 --> 00:57:30,799

you can't you cannot imagine

1323

00:57:34,630 --> 00:57:33,200

yeah all this wood if it's truly 10

1324

00:57:37,190 --> 00:57:34,640

years old is going to burn in about

1325

00:57:38,390 --> 00:57:37,200

three minutes david will [h__h] you jesus

1326

00:57:39,829 --> 00:57:38,400

christ

1327

00:57:42,549 --> 00:57:39,839

maybe we'll burn that together that'll

1328

00:57:44,390 --> 00:57:42,559

be great let's do that at the beginning

1329

00:57:46,470 --> 00:57:44,400

okay

1330

00:57:48,549 --> 00:57:46,480

so you just kind of

1331

00:57:50,470 --> 00:57:48,559

get this thing loaded up here now just

1332

00:57:53,270 --> 00:57:50,480

for context let me remind you that david

1333

00:57:54,710 --> 00:57:53,280

wilcock lives in a 4 000 square foot log

1334

00:57:57,270 --> 00:57:54,720

cabin mansion

1335

00:58:00,150 --> 00:57:57,280

and apparently the only fire what he has

1336

00:58:05,349 --> 00:58:00,160

is a half a wheel barrel of 10 year old

1337

00:58:08,789 --> 00:58:07,030

and you can put a lot in this i mean i

1338

00:58:11,030 --> 00:58:08,799

you know

1339

00:58:16,950 --> 00:58:11,040

effective that way so

1340

00:58:20,470 --> 00:58:18,630

all this stuff has been sitting in my

1341

00:58:23,190 --> 00:58:20,480

yard

1342

00:58:25,910 --> 00:58:23,200

probably for at least

1343

00:58:28,950 --> 00:58:25,920

and i'm just going to guess

1344

00:58:33,349 --> 00:58:31,030

david wilcock is trying to survive a

1345

00:58:36,390 --> 00:58:33,359

snowpocalypse that's what he called it

1346

00:58:38,549 --> 00:58:36,400

which is six inches of snow

1347

00:58:40,789 --> 00:58:38,559

he's trying to survive a snowpocalypse

1348

00:58:43,829 --> 00:58:40,799

with ten-year-old wood

1349

00:58:46,230 --> 00:58:43,839

a half a wheelbarrow load but remember

1350

00:58:48,549 --> 00:58:46,240

david wilcock is an expert on prepping

1351

00:58:51,349 --> 00:58:48,559

and how to survive in grid down

1352

00:58:53,030 --> 00:58:51,359

situations sure he is really use this

1353

00:58:54,789 --> 00:58:53,040

firewood

1354

00:58:56,549 --> 00:58:54,799

and it's just been sitting around maybe

1355

00:58:59,270 --> 00:58:56,559

even since they built the house around

1356

00:59:01,990 --> 00:58:59,280

2000 2002

1357

00:59:05,910 --> 00:59:02,000

so this wood may actually be

1358

00:59:08,549 --> 00:59:05,920

20 years old it probably is

1359

00:59:13,109 --> 00:59:08,559

but it's still amazingly enough

1360

00:59:17,829 --> 00:59:15,109

burns wonderfully well look at it it

1361

00:59:19,670 --> 00:59:17,839

looks like dry erotic i would throw that

1362

00:59:21,990 --> 00:59:19,680

in a campfire outside i wouldn't even

1363

00:59:24,549 --> 00:59:22,000

burn that inside my house it's so bad a

1364

00:59:26,150 --> 00:59:24,559

little bit moist

1365

00:59:27,750 --> 00:59:26,160

at this point

1366

00:59:29,349 --> 00:59:27,760

he said moist

1367

00:59:30,829 --> 00:59:29,359

and everything smells wonderful by the

1368

00:59:33,190 --> 00:59:30,839

way i need to smell right

1369

00:59:35,670 --> 00:59:33,200

now that's great

1370

00:59:37,750 --> 00:59:35,680

okay so now i've got

1371

00:59:39,430 --> 00:59:37,760

the whole thing

1372

00:59:41,349 --> 00:59:39,440

however

1373

00:59:43,829 --> 00:59:41,359

this is a two-handed carry there's no

1374

00:59:45,829 --> 00:59:43,839

way i can do this in film so we'll cut

1375

00:59:48,069 --> 00:59:45,839

this and end up in the fireplace area

1376

00:59:49,190 --> 00:59:48,079

with the wood

1377

00:59:52,309 --> 00:59:49,200

we are back

1378

00:59:54,069 --> 00:59:52,319

and uh we have now got our

1379

00:59:55,349 --> 00:59:54,079

firewood ready

1380

00:59:57,910 --> 00:59:55,359

and i cleaned it up a little bit

1381

00:59:59,990 --> 00:59:57,920

although my muddy boots have

1382

01:00:02,390 --> 01:00:00,000

created quite an enormous mess on our

1383

01:00:04,549 --> 01:00:02,400

hardwood floor that's easy to clean

1384

01:00:07,510 --> 01:00:04,559

nothing to worry about at all oh it's

1385

01:00:09,270 --> 01:00:07,520

nothing it looks terrible but it will

1386

01:00:11,109 --> 01:00:09,280

clean right up in no time yeah maybe

1387

01:00:12,630 --> 01:00:11,119

maybe if your wife was still there she

1388

01:00:13,990 --> 01:00:12,640

would tell you to take your shoes off

1389

01:00:16,549 --> 01:00:14,000

before you come in the house with muddy

1390

01:00:18,630 --> 01:00:16,559

boots bro in a million dollar mansion

1391

01:00:20,789 --> 01:00:18,640

so uh

1392

01:00:22,950 --> 01:00:20,799

we have uh

1393

01:00:25,589 --> 01:00:22,960

in the burn pile here we have a copy of

1394

01:00:26,870 --> 01:00:25,599

the epoch times uh

1395

01:00:28,710 --> 01:00:26,880

you know

1396

01:00:29,990 --> 01:00:28,720

in case i ever

1397

01:00:31,510 --> 01:00:30,000

or maybe i'm just going to read it i

1398

01:00:34,069 --> 01:00:31,520

don't know it's there all right it's

1399

01:00:36,230 --> 01:00:34,079

there so was that a dig at the former

1400

01:00:38,710 --> 01:00:36,240

cult that used to help him spread his

1401

01:00:40,309 --> 01:00:38,720

alien messages

1402

01:00:41,750 --> 01:00:40,319

maybe

1403

01:00:44,230 --> 01:00:41,760

trump's going to make sure that we do

1404

01:00:46,069 --> 01:00:44,240

this right

1405

01:00:50,710 --> 01:00:46,079

so

1406

01:00:53,109 --> 01:00:50,720

they're all wet that's the problem from

1407

01:00:55,430 --> 01:00:53,119

from snow

1408

01:00:58,789 --> 01:00:55,440

so not only does he have 10 year old dry

1409

01:01:01,510 --> 01:00:58,799

rotted rotted wood it's also wet great

1410

01:01:03,270 --> 01:01:01,520

great what an expert on starting fires

1411

01:01:05,670 --> 01:01:03,280

and surviving a grid down situation

1412

01:01:07,670 --> 01:01:05,680

david wilcock is this is this is pretty

1413

01:01:09,109 --> 01:01:07,680

good

1414

01:01:11,349 --> 01:01:09,119

okay

1415

01:01:13,190 --> 01:01:11,359

so uh

1416

01:01:14,309 --> 01:01:13,200

see what he's gonna be happy with here

1417

01:01:16,630 --> 01:01:14,319

so yeah this got a little bit of

1418

01:01:18,630 --> 01:01:16,640

moisture in it but not too much

1419

01:01:20,470 --> 01:01:18,640

and then of course we got

1420

01:01:22,630 --> 01:01:20,480

bubba kush

1421

01:01:24,470 --> 01:01:22,640

that's what i've chosen to name him oh

1422

01:01:26,630 --> 01:01:24,480

my god he's just gonna light up like you

1423

01:01:28,390 --> 01:01:26,640

can't imagine so we're gonna put him in

1424

01:01:30,390 --> 01:01:28,400

there

1425

01:01:32,789 --> 01:01:30,400

and by the way this is like the third

1426

01:01:35,589 --> 01:01:32,799

video of him making a fire

1427

01:01:37,829 --> 01:01:35,599

in one video uh

1428

01:01:39,510 --> 01:01:37,839

i don't i don't understand him one bit

1429

01:01:41,589 --> 01:01:39,520

bubba's gonna go see they

1430

01:01:44,309 --> 01:01:41,599

you start the fire in the morning and

1431

01:01:46,870 --> 01:01:44,319

then you have good firewood and you load

1432

01:01:47,750 --> 01:01:46,880

the wood box as needed

1433

01:01:49,510 --> 01:01:47,760

right

1434

01:01:51,510 --> 01:01:49,520

you don't let it go out every time you

1435

01:01:52,710 --> 01:01:51,520

start a fire and then light another one

1436

01:01:55,349 --> 01:01:52,720

there

1437

01:01:57,750 --> 01:01:55,359

and then we'll put uh

1438

01:02:00,870 --> 01:01:57,760

some additional bark underneath him

1439

01:02:02,789 --> 01:02:00,880

to bolster the effect

1440

01:02:04,950 --> 01:02:02,799

i'm so glad david wilcox going to teach

1441

01:02:06,710 --> 01:02:04,960

us all how to start a fire i would have

1442

01:02:09,270 --> 01:02:06,720

never known how to do this if not for

1443

01:02:10,789 --> 01:02:09,280

david wilcox kindness and generosity and

1444

01:02:13,109 --> 01:02:10,799

and sharing his

1445

01:02:15,029 --> 01:02:13,119

advanced knowledge of survival skills

1446

01:02:18,470 --> 01:02:15,039

with us like how to light a fire with 10

1447

01:02:23,349 --> 01:02:20,789

and then bubba's going to dry everybody

1448

01:02:25,910 --> 01:02:23,359

this is so bizarre

1449

01:02:27,990 --> 01:02:25,920

why am i watching this

1450

01:02:30,069 --> 01:02:28,000

pack other stuff

1451

01:02:31,829 --> 01:02:30,079

you want it to be up there yeah

1452

01:02:33,990 --> 01:02:31,839

from the killer cabal tree to try to

1453

01:02:35,270 --> 01:02:34,000

take them out some smoldering embers in

1454

01:02:36,870 --> 01:02:35,280

here so

1455

01:02:38,150 --> 01:02:36,880

i could probably even blow on it but you

1456

01:02:42,390 --> 01:02:38,160

don't want to do that because then it's

1457

01:02:49,270 --> 01:02:45,990

this is so bizarre this guy

1458

01:02:51,190 --> 01:02:49,280

this guy is the one i really want to

1459

01:02:53,109 --> 01:02:51,200

make into a spectacle

1460

01:02:55,510 --> 01:02:53,119

cocky or what

1461

01:02:57,349 --> 01:02:55,520

oh it's getting stranger and stranger

1462

01:02:58,630 --> 01:02:57,359

this is gonna be incredible i'm burning

1463

01:03:00,470 --> 01:02:58,640

this piece

1464

01:03:03,670 --> 01:03:00,480

i will wipe his ass on the hardwood

1465

01:03:08,150 --> 01:03:06,230

kind of on its side

1466

01:03:09,750 --> 01:03:08,160

yeah wedge it right in like that that's

1467

01:03:11,670 --> 01:03:09,760

perfect

1468

01:03:14,950 --> 01:03:11,680

you got bubba

1469

01:03:16,710 --> 01:03:14,960

oh my god yeah first of all i gotta stop

1470

01:03:18,950 --> 01:03:16,720

this not least put this i gotta stop

1471

01:03:20,549 --> 01:03:18,960

this look at how big the pieces of wood

1472

01:03:22,630 --> 01:03:20,559

he's put look

1473

01:03:25,990 --> 01:03:22,640

david wilcox you gotta start with small

1474

01:03:28,069 --> 01:03:26,000

pieces it's called kindling look it up

1475

01:03:31,349 --> 01:03:28,079

right

1476

01:03:33,029 --> 01:03:31,359

oh my god i'm behind bubba

1477

01:03:41,349 --> 01:03:33,039

get some

1478

01:03:45,670 --> 01:03:42,829

all

1479

01:03:48,390 --> 01:03:45,680

right what else can we do we we

1480

01:03:50,549 --> 01:03:48,400

definitely don't want to burn

1481

01:03:51,510 --> 01:03:50,559

president donald trump i i don't think

1482

01:03:53,910 --> 01:03:51,520

that's

1483

01:03:56,309 --> 01:03:53,920

that shouldn't be in the burning pile

1484

01:03:58,870 --> 01:03:56,319

it's america's revival i mean come on

1485

01:04:00,789 --> 01:03:58,880

so let's take uh just uh oh look at that

1486

01:04:03,750 --> 01:04:00,799

he's got fire start bricks that's

1487

01:04:06,870 --> 01:04:03,760

cheating david welcome random

1488

01:04:06,880 --> 01:04:10,870

that's what you're here for

1489

01:04:14,710 --> 01:04:12,710

only david wilcox

1490

01:04:16,549 --> 01:04:14,720

is such a narcissist that he thinks

1491

01:04:19,589 --> 01:04:16,559

everybody wants to watch him light three

1492

01:04:21,510 --> 01:04:19,599

fires with old rotten wood

1493

01:04:24,390 --> 01:04:21,520

and then let's

1494

01:04:26,710 --> 01:04:24,400

stick that sucker right in there

1495

01:04:29,750 --> 01:04:26,720

and that's gonna make bubba

1496

01:04:34,069 --> 01:04:29,760

light up from the front and the back

1497

01:04:40,549 --> 01:04:37,349

this is so cringe man

1498

01:04:42,710 --> 01:04:40,559

this is looking pretty juicy

1499

01:04:44,150 --> 01:04:42,720

what do you think do i do i add anything

1500

01:04:45,829 --> 01:04:44,160

else

1501
01:04:48,630 --> 01:04:45,839
i'm just probably gonna work yeah why

1502
01:04:50,470 --> 01:04:48,640
don't you add some real firewood dude

1503
01:04:51,990 --> 01:04:50,480
you know i almost feel bad for a poor

1504
01:04:53,670 --> 01:04:52,000
guy his wife left him he's sitting

1505
01:04:56,789 --> 01:04:53,680
around a two million dollar mansion with

1506
01:04:58,470 --> 01:04:56,799
no power which in many cases means the

1507
01:04:59,990 --> 01:04:58,480
heater doesn't work

1508
01:05:01,670 --> 01:05:00,000
because you need the spark to start the

1509
01:05:03,510 --> 01:05:01,680
igniters and

1510
01:05:04,789 --> 01:05:03,520
many are electric ignition

1511
01:05:07,430 --> 01:05:04,799
so he's sitting around in his two

1512
01:05:10,549 --> 01:05:07,440
million dollar mansion he's got firewood

1513
01:05:13,190 --> 01:05:10,559

that i would throw in the trash

1514

01:05:15,349 --> 01:05:13,200

and but you know like the ridiculousness

1515

01:05:17,109 --> 01:05:15,359

of him telling people that he's gonna uh

1516

01:05:19,829 --> 01:05:17,119

heat his four thousand square foot

1517

01:05:22,950 --> 01:05:19,839

mansion with ten-year-old dry rot it

1518

01:05:25,349 --> 01:05:22,960

would it's just ridiculous man if i if i

1519

01:05:28,870 --> 01:05:25,359

just torch up that

1520

01:05:31,430 --> 01:05:28,880

that brown paper bag over here

1521

01:05:33,430 --> 01:05:31,440

and then over here

1522

01:05:34,789 --> 01:05:33,440

maybe i'm gonna let's let's beef up the

1523

01:05:37,190 --> 01:05:34,799

uh

1524

01:05:38,870 --> 01:05:37,200

backside bubba

1525

01:05:40,549 --> 01:05:38,880

a little bit more

1526

01:05:46,390 --> 01:05:40,559

i don't even know why i'm watching this

1527

01:05:49,990 --> 01:05:48,069

and by the way you can tell his wife is

1528

01:05:55,750 --> 01:05:50,000

going because this whole place looks

1529

01:05:58,870 --> 01:05:57,430

this way we're gonna get quite the

1530

01:06:01,430 --> 01:05:58,880

[Music]

1531

01:06:05,270 --> 01:06:01,440

fire delight

1532

01:06:10,710 --> 01:06:08,230

there now that is just crazy

1533

01:06:12,950 --> 01:06:10,720

okay look at the

1534

01:06:14,950 --> 01:06:12,960

potential that resides and by the way

1535

01:06:17,430 --> 01:06:14,960

even with the blower he's not heating a

1536

01:06:20,870 --> 01:06:17,440

4 000 square foot house with this little

1537

01:06:22,710 --> 01:06:20,880

wood burning insert fireplace no way

1538

01:06:24,630 --> 01:06:22,720

even with good firewood and he's got

1539

01:06:26,230 --> 01:06:24,640

garbage that he's trying to you know

1540

01:06:27,750 --> 01:06:26,240

he'd be better off like

1541

01:06:29,670 --> 01:06:27,760

you know cutting up some of his wood

1542

01:06:32,630 --> 01:06:29,680

furniture and throwing that in there and

1543

01:06:34,630 --> 01:06:32,640

what's gonna happen like that on fire

1544

01:06:36,309 --> 01:06:34,640

you got that crazy crazy big piece of

1545

01:06:38,309 --> 01:06:36,319

bark back there

1546

01:06:40,870 --> 01:06:38,319

bubba as we called him

1547

01:06:42,950 --> 01:06:40,880

we got a few pieces of wood now

1548

01:06:45,349 --> 01:06:42,960

all right

1549

01:06:49,670 --> 01:06:45,359

so this is starting to get

1550

01:06:52,950 --> 01:06:51,349

then

1551
01:06:55,510 --> 01:06:52,960
once it gets going we'll take some of

1552
01:06:57,990 --> 01:06:55,520
these other pieces in fact

1553
01:07:02,710 --> 01:06:58,000
it's not really a terrible idea

1554
01:07:09,190 --> 01:07:04,549
let's do that

1555
01:07:14,470 --> 01:07:12,069
oh man it will eventually burn

1556
01:07:16,309 --> 01:07:14,480
maybe it'll burn right away

1557
01:07:18,630 --> 01:07:16,319
all right this just gives us even more

1558
01:07:20,390 --> 01:07:18,640
opportunity and more potential to be

1559
01:07:21,670 --> 01:07:20,400
incredible

1560
01:07:23,670 --> 01:07:21,680
are you ready

1561
01:07:24,950 --> 01:07:23,680
yeah he should burn his books to stay

1562
01:07:27,270 --> 01:07:24,960
warm

1563
01:07:31,349 --> 01:07:27,280

we're gonna do it at the bottom

1564

01:07:39,270 --> 01:07:33,190

oh yeah

1565

01:07:44,549 --> 01:07:42,789

until there's just no other way oh i

1566

01:07:46,500 --> 01:07:44,559

agree with this

1567

01:07:55,109 --> 01:07:46,510

i'm gonna close the door up

1568

01:08:02,230 --> 01:07:57,510

will they burn

1569

01:08:07,190 --> 01:08:04,309

it's starting to

1570

01:08:08,829 --> 01:08:07,200

starting to say yes

1571

01:08:12,789 --> 01:08:08,839

starting to say

1572

01:08:19,510 --> 01:08:12,799

yes math torch maybe yeah i don't know

1573

01:08:22,470 --> 01:08:20,789

good point i didn't think about that i

1574

01:08:25,590 --> 01:08:22,480

was so stupid i didn't open the thing

1575

01:08:27,990 --> 01:08:25,600

that's why i not doing any good

1576

01:08:29,189 --> 01:08:28,000

okay now that the smoke can get out

1577

01:08:30,950 --> 01:08:29,199

now it's really going to go because you

1578

01:08:33,189 --> 01:08:30,960

see this curling smoke on the door you

1579

01:08:35,829 --> 01:08:33,199

really don't want that

1580

01:08:37,990 --> 01:08:35,839

because that's where you get creosote

1581

01:08:39,510 --> 01:08:38,000

and this [h__h] well nobody wants to buy

1582

01:08:41,030 --> 01:08:39,520

his books you might as well do something

1583

01:08:42,470 --> 01:08:41,040

with that

1584

01:08:44,070 --> 01:08:42,480

so we're going to open it up a little

1585

01:08:47,590 --> 01:08:44,080

bit

1586

01:08:50,870 --> 01:08:47,600

just give it some ventilation up top

1587

01:08:50,880 --> 01:08:54,390

all right smoke is gone

1588

01:08:59,829 --> 01:08:57,030

and we close it again

1589

01:09:05,030 --> 01:09:02,390

he's starting to fire he's surviving our

1590

01:09:06,950 --> 01:09:05,040

fire is happy with 10 year old wood and

1591

01:09:08,309 --> 01:09:06,960

you see i forgot to do the things i told

1592

01:09:10,550 --> 01:09:08,319

you and look at what happened to me i

1593

01:09:12,470 --> 01:09:10,560

got all smoked out

1594

01:09:15,189 --> 01:09:12,480

well i'm on twit i had to do this twice

1595

01:09:19,110 --> 01:09:15,199

carolyn barnett so

1596

01:09:20,870 --> 01:09:19,120

the morning fire ceremony can proceed

1597

01:09:22,709 --> 01:09:20,880

i don't know how bubba is doing back

1598

01:09:24,870 --> 01:09:22,719

there he uh oh he hasn't been really

1599

01:09:26,390 --> 01:09:24,880

caught on yet

1600

01:09:28,470 --> 01:09:26,400

but oh yeah no he's burning from the

1601

01:09:30,950 --> 01:09:28,480

back definitely

1602

01:09:33,910 --> 01:09:30,960

yeah this is gonna be great all right

1603

01:09:36,709 --> 01:09:33,920

fire engines yeah okay so uh now that

1604

01:09:39,349 --> 01:09:36,719

we've got our fire situated

1605

01:09:41,590 --> 01:09:39,359

it's time for the hero breakfast

1606

01:09:44,550 --> 01:09:41,600

and the first breakfast that you have is

1607

01:09:47,030 --> 01:09:44,560

not a breakfast it's actually a shake

1608

01:09:48,709 --> 01:09:47,040

so i've got everything laid out here

1609

01:09:51,030 --> 01:09:48,719

all right we're going to rock this bird

1610

01:09:53,590 --> 01:09:51,040

i'm going to show you exactly

1611

01:09:55,910 --> 01:09:53,600

what to do how i do it yeah here's how

1612

01:09:57,990 --> 01:09:55,920

to survive in a grid down situation

1613

01:10:01,189 --> 01:09:58,000

you've got to have frozen red

1614

01:10:04,229 --> 01:10:01,199

raspberries frozen blueberries

1615

01:10:06,950 --> 01:10:04,239

uh rice milk

1616

01:10:10,470 --> 01:10:06,960

and frozen cherries

1617

01:10:13,510 --> 01:10:10,480

looks like frozen peaches maybe and uh

1618

01:10:15,270 --> 01:10:13,520

coconut smoothie milk you know all these

1619

01:10:16,950 --> 01:10:15,280

things that need to be refrigerated this

1620

01:10:18,070 --> 01:10:16,960

is what you need in a grid down

1621

01:10:20,229 --> 01:10:18,080

situation

1622

01:10:22,790 --> 01:10:20,239

again the ridiculousness of david

1623

01:10:25,030 --> 01:10:22,800

wilcock it's just

1624

01:10:27,350 --> 01:10:25,040

it's just too much for me man i i don't

1625

01:10:30,470 --> 01:10:29,030

yeah

1626

01:10:32,550 --> 01:10:30,480

so

1627

01:10:35,669 --> 01:10:32,560

i don't really want to see him uh you

1628

01:10:40,550 --> 01:10:38,630

i would get more more with the wood

1629

01:10:43,189 --> 01:10:40,560

and bringing wood in the house is kind

1630

01:10:47,830 --> 01:10:45,270

i'm gonna give it a lot of

1631

01:10:48,709 --> 01:10:47,840

a lot of good fuel for our fun

1632

01:10:50,870 --> 01:10:48,719

oh

1633

01:10:53,430 --> 01:10:50,880

all right we're done

1634

01:10:55,750 --> 01:10:53,440

so apparently uh david wilcock is an

1635

01:10:57,430 --> 01:10:55,760

expert in how to survive in a grid down

1636

01:10:59,669 --> 01:10:57,440

situation

1637

01:11:01,510 --> 01:10:59,679

uh rebecca is asking if he has no power

1638

01:11:03,430 --> 01:11:01,520

how is he blending that up he had a

1639

01:11:05,350 --> 01:11:03,440

little portable uh

1640

01:11:07,030 --> 01:11:05,360

power station the kind that you plug in

1641

01:11:09,830 --> 01:11:07,040

and it includes a battery and an

1642

01:11:12,070 --> 01:11:09,840

inverter so you can run small devices or

1643

01:11:12,870 --> 01:11:12,080

charge your phone i believe that's how

1644

01:11:18,229 --> 01:11:12,880

he

1645

01:11:22,630 --> 01:11:20,149

yeah b baker mentioning his place is a

1646

01:11:25,110 --> 01:11:22,640

mess well in in his defense you should

1647

01:11:26,630 --> 01:11:25,120

see my cabin it turns into it looks like

1648

01:11:27,590 --> 01:11:26,640

a frat house

1649

01:11:29,430 --> 01:11:27,600

right

1650

01:11:30,550 --> 01:11:29,440

it looks like a frat house while my wife

1651
01:11:32,310 --> 01:11:30,560
is not there

1652
01:11:34,630 --> 01:11:32,320
every once in a while though b baker i

1653
01:11:35,669 --> 01:11:34,640
get disgusted enough that i clean up so

1654
01:11:40,950 --> 01:11:35,679
uh

1655
01:11:45,510 --> 01:11:43,110
amy collins says food stash like that

1656
01:11:47,830 --> 01:11:45,520
will only invite him to be the food

1657
01:11:50,470 --> 01:11:47,840
that's not food that's what food eats

1658
01:11:55,189 --> 01:11:53,030
oh yeah exactly he's the father of free

1659
01:11:55,990 --> 01:11:55,199
energy why does he need a generator at

1660
01:12:04,070 --> 01:11:56,000
all

1661
01:12:07,669 --> 01:12:05,990
yeah he had two backups from what i had

1662
01:12:09,910 --> 01:12:07,679
seen yeah these little portable power

1663
01:12:12,070 --> 01:12:09,920

stations but

1664

01:12:14,470 --> 01:12:12,080

interesting that he's going to teach

1665

01:12:16,229 --> 01:12:14,480

everybody this is how arrogant and

1666

01:12:18,310 --> 01:12:16,239

narcissistic he is he's going to teach

1667

01:12:20,870 --> 01:12:18,320

everybody how to survive in a grid down

1668

01:12:22,709 --> 01:12:20,880

situation and he's given people terrible

1669

01:12:24,630 --> 01:12:22,719

advice like hey

1670

01:12:27,110 --> 01:12:24,640

you want to heat your 4 000 square foot

1671

01:12:29,910 --> 01:12:27,120

mansion just use 10 just use half a

1672

01:12:33,910 --> 01:12:29,920

wheel barrel full of 10 year old rod it

1673

01:12:38,229 --> 01:12:35,669

i i don't understand people who live in

1674

01:12:40,390 --> 01:12:38,239

two million dollar mansions uh in the

1675

01:12:43,430 --> 01:12:40,400

first place let alone two million dollar

1676

01:12:46,470 --> 01:12:43,440

log cabin uh mansions

1677

01:12:48,790 --> 01:12:46,480

um and i certainly don't understand

1678

01:12:51,350 --> 01:12:48,800

somebody not having

1679

01:12:53,510 --> 01:12:51,360

adequate firewood if power goes out

1680

01:12:56,709 --> 01:12:53,520

frequently in your area

1681

01:12:59,590 --> 01:12:56,719

um you can use a good

1682

01:13:02,310 --> 01:12:59,600

fireplace or wood burning stove to heat

1683

01:13:03,510 --> 01:13:02,320

your house and cook on until the power

1684

01:13:05,830 --> 01:13:03,520

gets restored

1685

01:13:07,510 --> 01:13:05,840

we've we've done that here uh where i

1686

01:13:09,189 --> 01:13:07,520

live the power goes down occasionally

1687

01:13:11,590 --> 01:13:09,199

but i have

1688

01:13:14,390 --> 01:13:11,600

i've got a huge supply of firewood both

1689

01:13:16,790 --> 01:13:14,400

in the backyard and in the garage here

1690

01:13:19,350 --> 01:13:16,800

there's a whole wall

1691

01:13:20,630 --> 01:13:19,360

is stacked top to bottom with good

1692

01:13:23,430 --> 01:13:20,640

firewood

1693

01:13:26,149 --> 01:13:23,440

um and i keep that here because

1694

01:13:28,070 --> 01:13:26,159

occasionally the power will go out and

1695

01:13:30,229 --> 01:13:28,080

with the power that means we have no hot

1696

01:13:32,149 --> 01:13:30,239

water and no uh heat

1697

01:13:33,669 --> 01:13:32,159

and i have children and i'm a father

1698

01:13:36,310 --> 01:13:33,679

it's my responsibility to make sure

1699

01:13:38,229 --> 01:13:36,320

they're not cold our wood burner here is

1700

01:13:39,030 --> 01:13:38,239

plenty sufficient to heat the whole home

1701
01:13:40,870 --> 01:13:39,040
here

1702
01:13:42,950 --> 01:13:40,880
um but you know i'm not living in a two

1703
01:13:44,149 --> 01:13:42,960
million dollar mansion

1704
01:13:46,630 --> 01:13:44,159
um

1705
01:13:49,189 --> 01:13:46,640
it is what it is uh now the final bit of

1706
01:13:52,149 --> 01:13:49,199
business is that corey goode is back

1707
01:13:54,070 --> 01:13:52,159
that's right the biggest garbage man of

1708
01:13:57,669 --> 01:13:54,080
ufo information

1709
01:14:01,510 --> 01:13:57,679
secret space fake stories and more

1710
01:14:04,709 --> 01:14:01,520
is back and he's done two interviews uh

1711
01:14:07,030 --> 01:14:04,719
recently and uh we can talk for a moment

1712
01:14:08,310 --> 01:14:07,040
about how desperate corey good must be

1713
01:14:09,990 --> 01:14:08,320

because

1714

01:14:11,430 --> 01:14:10,000

first of all he's not looking good and

1715

01:14:14,630 --> 01:14:11,440

second of all

1716

01:14:17,830 --> 01:14:14,640

he is now doing interviews with someone

1717

01:14:22,630 --> 01:14:17,840

called the missing link jesse h who has

1718

01:14:24,070 --> 01:14:22,640

just over 1 000 subscribers

1719

01:14:26,790 --> 01:14:24,080

and

1720

01:14:29,110 --> 01:14:26,800

that may tell you something about how

1721

01:14:31,590 --> 01:14:29,120

desperate corey good is to continue his

1722

01:14:34,390 --> 01:14:32,470

work

1723

01:14:36,070 --> 01:14:34,400

i was going to say con job

1724

01:14:38,790 --> 01:14:36,080

um

1725

01:14:40,709 --> 01:14:38,800

he's going on shows that have 1 000

1726

01:14:43,510 --> 01:14:40,719

subscribers

1727

01:14:45,510 --> 01:14:43,520

okay um boy how far the mighty have

1728

01:14:48,070 --> 01:14:45,520

fallen right he used to have edge of

1729

01:14:49,110 --> 01:14:48,080

wonder to push his garbage and they went

1730

01:14:51,270 --> 01:14:49,120

away

1731

01:14:53,189 --> 01:14:51,280

before that he had gaia pumping millions

1732

01:14:54,870 --> 01:14:53,199

of dollars into his fake stories and

1733

01:14:57,350 --> 01:14:54,880

then he burnt them

1734

01:14:59,830 --> 01:14:57,360

now he's down to

1735

01:15:02,709 --> 01:14:59,840

doing interviews with random youtube

1736

01:15:05,030 --> 01:15:02,719

channels uh with a thousand subscribers

1737

01:15:06,630 --> 01:15:05,040

and i gotta say this guy who interviewed

1738

01:15:08,470 --> 01:15:06,640

him is just as

1739

01:15:10,390 --> 01:15:08,480

big if not bigger of a character than

1740

01:15:12,229 --> 01:15:10,400

corey good because he's got these big

1741

01:15:14,149 --> 01:15:12,239

wide eyes and he's just sucking up

1742

01:15:16,870 --> 01:15:14,159

everything corey good is saying and it

1743

01:15:18,550 --> 01:15:16,880

is comical we're gonna um once again

1744

01:15:20,470 --> 01:15:18,560

we're gonna cite fair use this is

1745

01:15:21,510 --> 01:15:20,480

transformative work we're educating the

1746

01:15:24,630 --> 01:15:21,520

public

1747

01:15:26,149 --> 01:15:24,640

and uh sharing and discussing what we

1748

01:15:29,270 --> 01:15:26,159

are sharing

1749

01:15:31,669 --> 01:15:29,280

uh yeah welcome welcome welcome welcome

1750

01:15:34,149 --> 01:15:31,679

everybody here back to the list missing

1751

01:15:35,990 --> 01:15:34,159

link here we are today we are excited

1752

01:15:38,470 --> 01:15:36,000

we're honored to have corey good from

1753

01:15:40,630 --> 01:15:38,480

the secret space program here with us

1754

01:15:42,550 --> 01:15:40,640

today how are you today brother

1755

01:15:45,030 --> 01:15:42,560

hey how's it going i'm doing well how

1756

01:15:47,030 --> 01:15:45,040

about you i'm doing really really good

1757

01:15:47,830 --> 01:15:47,040

really i like i said happy honor to have

1758

01:15:56,550 --> 01:15:47,840

you

1759

01:15:58,149 --> 01:15:56,560

been verified and uh

1760

01:16:00,149 --> 01:15:58,159

what's been verified

1761

01:16:03,030 --> 01:16:00,159

he's been connected with so many

1762

01:16:05,270 --> 01:16:03,040

different things here with us um today

1763

01:16:07,110 --> 01:16:05,280

uh maybe you could start off with uh for

1764

01:16:09,350 --> 01:16:07,120

anybody who may not know who you are

1765

01:16:11,669 --> 01:16:09,360

tell us about you know your journey five

1766

01:16:14,310 --> 01:16:11,679

years old six years old you know when

1767

01:16:16,070 --> 01:16:14,320

you first kind of have memories of this

1768

01:16:18,470 --> 01:16:16,080

whole secret space program and what

1769

01:16:23,189 --> 01:16:18,480

you've gone through

1770

01:16:26,630 --> 01:16:25,110

look at this interviewer it happened

1771

01:16:29,110 --> 01:16:26,640

with uh

1772

01:16:30,870 --> 01:16:29,120

what my grandfather um i had two

1773

01:16:33,189 --> 01:16:30,880

grandfathers of course

1774

01:16:34,950 --> 01:16:33,199

uh one of them was in the navy and

1775

01:16:36,149 --> 01:16:34,960

served in the special forces in the

1776

01:16:38,470 --> 01:16:36,159

pacific

1777

01:16:40,310 --> 01:16:38,480

and has some heroin stories

1778

01:16:42,390 --> 01:16:40,320

and my other grandfather was a

1779

01:16:44,070 --> 01:16:42,400

conscientious objector

1780

01:16:46,709 --> 01:16:44,080

and i think he was a seventh-day

1781

01:16:47,669 --> 01:16:46,719

adventist and he but he still wanted to

1782

01:16:50,310 --> 01:16:47,679

serve

1783

01:16:51,990 --> 01:16:50,320

and he was a proud you know american

1784

01:16:53,830 --> 01:16:52,000

and he went in

1785

01:16:55,189 --> 01:16:53,840

one of these projects i know this guy's

1786

01:16:57,590 --> 01:16:55,199

bizarre

1787

01:16:58,390 --> 01:16:57,600

type projects where they come in and

1788

01:17:00,470 --> 01:16:58,400

uh

1789

01:17:01,990 --> 01:17:00,480

for what from what he's told he's told

1790

01:17:03,750 --> 01:17:02,000

that he's going to reject you with

1791

01:17:06,229 --> 01:17:03,760

different ailments that

1792

01:17:07,510 --> 01:17:06,239

soldiers get on the battlefield and

1793

01:17:09,270 --> 01:17:07,520

we're going to come up with ways to

1794

01:17:11,110 --> 01:17:09,280

treat it and

1795

01:17:13,990 --> 01:17:11,120

he agreed to do that

1796

01:17:16,550 --> 01:17:14,000

but what he didn't know was that don't

1797

01:17:18,550 --> 01:17:16,560

stare at me like that bro

1798

01:17:20,310 --> 01:17:18,560

those viruses were carrying genetic

1799

01:17:21,350 --> 01:17:20,320

changes that were going to turn on and

1800

01:17:23,270 --> 01:17:21,360

turn off

1801
01:17:24,070 --> 01:17:23,280
certain genes

1802
01:17:24,790 --> 01:17:24,080
and

1803
01:17:30,229 --> 01:17:24,800
they

1804
01:17:32,709 --> 01:17:30,239
uh kept a close eye on all of the family

1805
01:17:33,669 --> 01:17:32,719
members and were looking for people who

1806
01:17:35,669 --> 01:17:33,679
would

1807
01:17:36,790 --> 01:17:35,679
pop up with some sort of an anomaly or

1808
01:17:37,830 --> 01:17:36,800
ability

1809
01:17:39,910 --> 01:17:37,840
yeah

1810
01:17:41,910 --> 01:17:39,920
yes this joker's back

1811
01:17:44,709 --> 01:17:41,920
i popped up about five or six on their

1812
01:17:47,830 --> 01:17:44,719
radar look at this interviewer oh my god

1813
01:17:50,310 --> 01:17:47,840

started bringing me into this program

1814

01:17:51,669 --> 01:17:50,320

i watched a good hour of this so far

1815

01:17:55,110 --> 01:17:51,679

we're going to cover the whole thing but

1816

01:17:57,669 --> 01:17:55,120

uh in the future this this guy jesse hal

1817

01:17:59,669 --> 01:17:57,679

is wide-eyed licking

1818

01:18:02,390 --> 01:17:59,679

up everything corey good is saying the

1819

01:18:06,229 --> 01:18:02,400

entire time it is bizarre and look at

1820

01:18:08,070 --> 01:18:06,239

corey good the garbage man of ufos and

1821

01:18:09,270 --> 01:18:08,080

the secret space program fake

1822

01:18:13,669 --> 01:18:09,280

information

1823

01:18:15,750 --> 01:18:13,679

this this

1824

01:18:17,350 --> 01:18:15,760

it's pathetic during the day instead of

1825

01:18:19,430 --> 01:18:17,360

going to school they would take me to

1826

01:18:21,510 --> 01:18:19,440

carswell air force base

1827

01:18:23,910 --> 01:18:21,520

and i went for about 10 years there of

1828

01:18:26,790 --> 01:18:23,920

training what they what we call the my

1829

01:18:28,470 --> 01:18:26,800

lab military abduction program

1830

01:18:29,350 --> 01:18:28,480

i don't believe so

1831

01:18:35,110 --> 01:18:29,360

um

1832

01:18:37,990 --> 01:18:35,120

not up until the point to where they

1833

01:18:40,470 --> 01:18:38,000

drafted me into the secret space program

1834

01:18:42,229 --> 01:18:40,480

for a 20-year tour and say where you

1835

01:18:44,229 --> 01:18:42,239

serve 20 years

1836

01:18:45,350 --> 01:18:44,239

into that 20 years you're brought back

1837

01:18:48,310 --> 01:18:45,360

in time

1838

01:18:50,470 --> 01:18:48,320

uh blank slated your mind is wiped of

1839

01:18:52,390 --> 01:18:50,480

the memories and you're reinserted right

1840

01:18:54,310 --> 01:18:52,400

back in that

1841

01:18:56,630 --> 01:18:54,320

point to where you left to where there's

1842

01:18:59,830 --> 01:18:56,640

it's seamless

1843

01:19:01,910 --> 01:18:59,840

and so that was the uh

1844

01:19:03,510 --> 01:19:01,920

project that i was sort of forced to

1845

01:19:04,950 --> 01:19:03,520

partake in

1846

01:19:06,950 --> 01:19:04,960

and um

1847

01:19:08,950 --> 01:19:06,960

look at this guy licking it up he's like

1848

01:19:11,590 --> 01:19:08,960

oh so amazing

1849

01:19:13,669 --> 01:19:11,600

i just had bits and pieces uh

1850

01:19:17,189 --> 01:19:13,679

no real clear picture

1851

01:19:19,510 --> 01:19:17,199
until i had an eye injury went in

1852

01:19:21,510 --> 01:19:19,520
and i had a detached retina

1853

01:19:24,149 --> 01:19:21,520
and they had to do surgery they injected

1854

01:19:26,470 --> 01:19:24,159
my eye and when they did it caused some

1855

01:19:28,390 --> 01:19:26,480
sort of trauma recall to where all of

1856

01:19:29,830 --> 01:19:28,400
the memories came back

1857

01:19:31,990 --> 01:19:29,840
and uh

1858

01:19:33,270 --> 01:19:32,000
not too long after that

1859

01:19:34,709 --> 01:19:33,280
look at this guy

1860

01:19:35,750 --> 01:19:34,719
but it was well i was trying to give

1861

01:19:36,950 --> 01:19:35,760
this information to people in the

1862

01:19:38,950 --> 01:19:36,960
background

1863

01:19:40,149 --> 01:19:38,960

but i was brought out against my will

1864

01:19:43,510 --> 01:19:40,159

publicly

1865

01:19:45,110 --> 01:19:43,520

and since then i did a tv show for a

1866

01:19:46,310 --> 01:19:45,120

little over three years that was a hit

1867

01:19:48,390 --> 01:19:46,320

tv show

1868

01:19:50,470 --> 01:19:48,400

i've done a couple of documentaries that

1869

01:19:51,510 --> 01:19:50,480

have been big hits

1870

01:19:52,950 --> 01:19:51,520

and

1871

01:19:55,510 --> 01:19:52,960

i'm doing a bunch of other exciting

1872

01:19:59,430 --> 01:19:55,520

things to get all this action out to the

1873

01:20:02,470 --> 01:19:59,440

public in whatever fashion i can

1874

01:20:06,470 --> 01:20:02,480

so uh like a long time ago they say that

1875

01:20:08,870 --> 01:20:06,480

enki was genetically modified humans um

1876

01:20:10,790 --> 01:20:08,880

they've been kind of doing this to us

1877

01:20:12,310 --> 01:20:10,800

genetically modifying us so is that kind

1878

01:20:15,430 --> 01:20:12,320

of what you went through they

1879

01:20:17,270 --> 01:20:15,440

genetically modified you know split by

1880

01:20:19,830 --> 01:20:17,280

injecting some stuff into your grandpa

1881

01:20:22,070 --> 01:20:19,840

you were technically more modified than

1882

01:20:24,070 --> 01:20:22,080

what other humans would be

1883

01:20:26,470 --> 01:20:24,080

i think what it was doing is they had

1884

01:20:28,149 --> 01:20:26,480

this uh

1885

01:20:30,070 --> 01:20:28,159

chemical method

1886

01:20:31,590 --> 01:20:30,080

of

1887

01:20:32,709 --> 01:20:31,600

turning on

1888

01:20:34,709 --> 01:20:32,719

genes

1889

01:20:35,750 --> 01:20:34,719

they would inject my grandfather with

1890

01:20:38,390 --> 01:20:35,760

this

1891

01:20:41,189 --> 01:20:38,400

and it would turn on certain genes

1892

01:20:42,310 --> 01:20:41,199

that were just latent within him

1893

01:20:44,629 --> 01:20:42,320

that

1894

01:20:47,590 --> 01:20:44,639

would trigger certain abilities

1895

01:20:48,629 --> 01:20:47,600

now those abilities may not pop out in

1896

01:20:51,590 --> 01:20:48,639

helm

1897

01:20:55,350 --> 01:20:51,600

but their watches both of his son

1898

01:20:56,390 --> 01:20:55,360

i know so cringe and actually

1899

01:20:59,350 --> 01:20:56,400

one

1900

01:21:01,990 --> 01:20:59,360

usually pops very strong

1901
01:21:03,030 --> 01:21:02,000
with any number of different abilities

1902
01:21:05,590 --> 01:21:03,040
and

1903
01:21:07,910 --> 01:21:05,600
when the kids show those abilities

1904
01:21:10,070 --> 01:21:07,920
they're immediately there they consider

1905
01:21:11,990 --> 01:21:10,080
you government property because it was a

1906
01:21:13,430 --> 01:21:12,000
government project that your grandfather

1907
01:21:15,350 --> 01:21:13,440
agreed to

1908
01:21:16,229 --> 01:21:15,360
you know generations ago

1909
01:21:19,110 --> 01:21:16,239
yeah

1910
01:21:20,390 --> 01:21:19,120
look he's so wide-eyed modified you and

1911
01:21:22,709 --> 01:21:20,400
all of this so

1912
01:21:24,390 --> 01:21:22,719
you know they have their own beliefs on

1913
01:21:25,430 --> 01:21:24,400

how why they can

1914

01:21:27,189 --> 01:21:25,440

um

1915

01:21:30,149 --> 01:21:27,199

do things against your will you know

1916

01:21:31,910 --> 01:21:30,159

they always dehumanize people maybe he's

1917

01:21:34,070 --> 01:21:31,920

a robot should be able to justify very

1918

01:21:36,310 --> 01:21:34,080

good using robots that's one of the

1919

01:21:38,550 --> 01:21:36,320

scary things about uh what they've been

1920

01:21:40,629 --> 01:21:38,560

injecting into a lot of people right now

1921

01:21:42,550 --> 01:21:40,639

is that they're saying that you know

1922

01:21:45,430 --> 01:21:42,560

technically there may be genetically

1923

01:21:47,990 --> 01:21:45,440

modified which if that's the case then

1924

01:21:50,310 --> 01:21:48,000

now they are certified owned by a

1925

01:21:52,550 --> 01:21:50,320

company that could own that patent that

1926

01:21:55,110 --> 01:21:52,560

human is oh god this guy's too dumb i

1927

01:21:56,709 --> 01:21:55,120

can't listen any more of this so

1928

01:21:58,709 --> 01:21:56,719

uh well we're going to bounce out of

1929

01:22:01,110 --> 01:21:58,719

this but geez

1930

01:22:02,550 --> 01:22:01,120

cringe-worthy interview absolutely

1931

01:22:04,709 --> 01:22:02,560

cringe-worthy and it gets worse from

1932

01:22:06,870 --> 01:22:04,719

here friends it gets much worse but

1933

01:22:10,790 --> 01:22:06,880

we're going to probably cover this on a

1934

01:22:15,590 --> 01:22:10,800

future show in more detail right

1935

01:22:19,910 --> 01:22:17,270

the only genes that were modified were

1936

01:22:22,830 --> 01:22:19,920

his levi's yeah they are now government

1937

01:22:26,390 --> 01:22:22,840

property i guess we all are now

1938

01:22:27,430 --> 01:22:26,400

right well i i don't

1939

01:22:30,709 --> 01:22:27,440

i i

1940

01:22:33,830 --> 01:22:30,719

yeah we do uh andrew says you need to

1941

01:22:36,310 --> 01:22:33,840

get jesse hal on your show

1942

01:22:40,709 --> 01:22:36,320

yeah i i just found this whole thing

1943

01:22:40,719 --> 01:22:45,430

revenge of the body snatchers

1944

01:22:48,950 --> 01:22:47,350

what the hell is happening i know this

1945

01:22:51,270 --> 01:22:48,960

is this is the world that we find

1946

01:22:53,910 --> 01:22:51,280

ourselves i mentioned the circus

1947

01:22:56,149 --> 01:22:53,920

this whole thing is a circus it's

1948

01:22:59,590 --> 01:22:56,159

absolutely a circus here

1949

01:23:02,390 --> 01:22:59,600

um and so catching up uh you know there

1950

01:23:05,350 --> 01:23:02,400

are a few good stories about ufo related

1951

01:23:07,510 --> 01:23:05,360

information being released recently but

1952

01:23:09,270 --> 01:23:07,520

mostly what we get

1953

01:23:12,550 --> 01:23:09,280

here is

1954

01:23:14,629 --> 01:23:12,560

uh the circus continuing the

1955

01:23:17,910 --> 01:23:14,639

the grifters out there like david

1956

01:23:20,790 --> 01:23:17,920

wilcock and corey goode oh um

1957

01:23:22,390 --> 01:23:20,800

one more thing to share

1958

01:23:25,189 --> 01:23:22,400

i'm going to cite fair use even though

1959

01:23:27,990 --> 01:23:25,199

this is coming from his public website

1960

01:23:30,870 --> 01:23:28,000

but corey good has a new course

1961

01:23:33,430 --> 01:23:30,880

surviving ascension spiritual warfare

1962

01:23:35,430 --> 01:23:33,440

relationships and cutting cords

1963

01:23:36,790 --> 01:23:35,440

online course by corey good and stacy

1964

01:23:39,110 --> 01:23:36,800

good and i just want to ask what is

1965

01:23:41,270 --> 01:23:39,120

stacy good's qualification to teach any

1966

01:23:43,430 --> 01:23:41,280

online course about anything

1967

01:23:45,669 --> 01:23:43,440

uh she's married to a guy who tells a

1968

01:23:47,430 --> 01:23:45,679

lot of fairy tale stories about aliens

1969

01:23:49,189 --> 01:23:47,440

so somehow she's qualified to teach a

1970

01:23:50,629 --> 01:23:49,199

course on surviving

1971

01:23:51,590 --> 01:23:50,639

ascension

1972

01:23:53,669 --> 01:23:51,600

um

1973

01:23:55,990 --> 01:23:53,679

i don't know i'm going to read this

1974

01:23:57,830 --> 01:23:56,000

welcome to surviving ascension an

1975

[Music]

2060
01:27:17,270 --> 01:27:15,600
and more testimonials from corey's

2061
01:27:19,189 --> 01:27:17,280
previous course students and let's

2062
01:27:20,229 --> 01:27:19,199
remember that the last course that he

2063
01:27:22,070 --> 01:27:20,239

ran

2064

01:27:24,149 --> 01:27:22,080

uh the lawyer

2065

01:27:25,590 --> 01:27:24,159

liz luery apparently wrote the whole

2066

01:27:28,070 --> 01:27:25,600

course for him so he didn't even write

2067

01:27:30,470 --> 01:27:28,080

the course that people are commenting on

2068

01:27:34,070 --> 01:27:30,480

uh here somebody else wrote the last

2069

01:27:37,830 --> 01:27:36,709

isn't that interesting

2070

01:27:40,229 --> 01:27:37,840

corey good is one of the most

2071

01:27:42,070 --> 01:27:40,239

controversial figures in ufology today

2072

01:27:44,550 --> 01:27:42,080

due to the scope and scale of his life

2073

01:27:46,950 --> 01:27:44,560

experiences working with the space

2074

01:27:47,830 --> 01:27:46,960

secret space programs extraterrestrial

2075

01:27:49,350 --> 01:27:47,840

groups

2076
01:27:51,510 --> 01:27:49,360
through the history of his formal work

2077
01:27:54,149 --> 01:27:51,520
within ssps originally occurred many

2078
01:27:56,390 --> 01:27:54,159
years ago a series of unexpected events

2079
01:27:57,350 --> 01:27:56,400
have pushed corey into the public view

2080
01:27:59,430 --> 01:27:57,360
and have

2081
01:28:01,669 --> 01:27:59,440
brought him into the unusual role of

2082
01:28:03,350 --> 01:28:01,679
serving as a messenger for et groups who

2083
01:28:04,790 --> 01:28:03,360
needed someone with his background to

2084
01:28:07,110 --> 01:28:04,800
work with

2085
01:28:09,189 --> 01:28:07,120
2011 corey began to experience dream

2086
01:28:14,070 --> 01:28:09,199
encounters with strange blue avian

2087
01:28:17,669 --> 01:28:16,070
he later learned

2088
01:28:19,350 --> 01:28:17,679

that interactions in the dream state

2089

01:28:24,070 --> 01:28:19,360

were part of a preparation course to get

2090

01:28:26,830 --> 01:28:25,030

from

2091

01:28:29,590 --> 01:28:26,840

2014 to

2092

01:28:31,910 --> 01:28:29,600

2017 corey experienced otherworldly

2093

01:28:33,910 --> 01:28:31,920

physical meetings with the blue avians

2094

01:28:35,830 --> 01:28:33,920

who confirmed to him

2095

01:28:39,590 --> 01:28:35,840

they were absolutely the source of the

2096

01:28:44,629 --> 01:28:41,830

so you too can take the garbage man's

2097

01:28:46,950 --> 01:28:44,639

course for one payment of 233 or three

2098

01:28:54,629 --> 01:28:46,960

payments of 77

2099

01:28:58,070 --> 01:28:56,390

it's interesting to me

2100

01:28:59,189 --> 01:28:58,080

you know i know people say things like

2101
01:29:01,750 --> 01:28:59,199
well

2102
01:29:04,629 --> 01:29:01,760
why you dog on people who sell courses

2103
01:29:06,470 --> 01:29:04,639
you know uh people need to make a living

2104
01:29:08,790 --> 01:29:06,480
and you know i'm okay with people making

2105
01:29:10,390 --> 01:29:08,800
a living but

2106
01:29:13,030 --> 01:29:10,400
this guy corey good has been telling

2107
01:29:15,910 --> 01:29:13,040
fairy tales for five or six years now

2108
01:29:17,830 --> 01:29:15,920
um and look at his schedule okay so he's

2109
01:29:20,310 --> 01:29:17,840
doing one interview

2110
01:29:22,229 --> 01:29:20,320
every wednesday now that's his work

2111
01:29:25,750 --> 01:29:22,239
schedule work

2112
01:29:27,350 --> 01:29:25,760
one interview one so he works two hours

2113
01:29:29,270 --> 01:29:27,360

a week

2114

01:29:31,510 --> 01:29:29,280

and we're all supposed to buy his

2115

01:29:33,990 --> 01:29:31,520

courses buy his comic books by his

2116

01:29:36,870 --> 01:29:34,000

garbage so that he can live a

2117

01:29:40,070 --> 01:29:36,880

millionaire's lifestyle and only quote

2118

01:29:42,149 --> 01:29:40,080

work unquote two hours a week

2119

01:29:44,149 --> 01:29:42,159

interesting isn't that

2120

01:29:45,830 --> 01:29:44,159

that's very interesting but we've seen

2121

01:29:47,910 --> 01:29:45,840

time and time again that corey good as

2122

01:29:49,590 --> 01:29:47,920

one of the laziest people i've ever seen

2123

01:29:51,750 --> 01:29:49,600

just like david wilcock corey good just

2124

01:29:53,990 --> 01:29:51,760

thinks the world owes him free money

2125

01:29:55,750 --> 01:29:54,000

where he could just tell fairy tales and

2126

01:29:58,229 --> 01:29:55,760

people just throw money at him and he

2127

01:30:00,550 --> 01:29:58,239

can live a millionaires lifestyle

2128

01:30:02,870 --> 01:30:00,560

uh we've seen this sense of entitlement

2129

01:30:05,110 --> 01:30:02,880

with david wilcock with him and with

2130

01:30:07,270 --> 01:30:05,120

many many others

2131

01:30:08,950 --> 01:30:07,280

carolyn says i doubt he's working too

2132

01:30:10,629 --> 01:30:08,960

yeah well look i'm giving him the

2133

01:30:12,149 --> 01:30:10,639

benefit of the doubt

2134

01:30:14,070 --> 01:30:12,159

um but

2135

01:30:16,390 --> 01:30:14,080

my point is if he's only doing this for

2136

01:30:18,229 --> 01:30:16,400

two hours a week how does he not have

2137

01:30:20,070 --> 01:30:18,239

time to get a real job

2138

01:30:21,910 --> 01:30:20,080

right how does he not have time to work

2139

01:30:25,510 --> 01:30:21,920

somewhere i don't care if he works at

2140

01:30:28,070 --> 01:30:25,520

like walmart or amazon or home depot or

2141

01:30:30,149 --> 01:30:28,080

go uber for 40 hours a week but dude get

2142

01:30:33,030 --> 01:30:30,159

up off your butt and you know

2143

01:30:34,950 --> 01:30:33,040

earn and some honest money no it's much

2144

01:30:37,430 --> 01:30:34,960

easier to just go online and con people

2145

01:30:39,189 --> 01:30:37,440

with these stupid courses and your comic

2146

01:30:40,310 --> 01:30:39,199

book nonsense

2147

01:30:41,910 --> 01:30:40,320

by the way

2148

01:30:45,110 --> 01:30:41,920

uh corey good was selling that comic

2149

01:30:47,669 --> 01:30:45,120

book for five years and now in april

2150

01:30:49,430 --> 01:30:47,679

it'll finally be available

2151

01:30:51,430 --> 01:30:49,440

so all that money that he took from

2152

01:30:53,189 --> 01:30:51,440

people for five years he's going to have

2153

01:30:56,070 --> 01:30:53,199

to send out all those comic books or

2154

01:30:57,750 --> 01:30:56,080

there's going to be problems probably

2155

01:30:59,350 --> 01:30:57,760

but what do i know

2156

01:31:01,910 --> 01:30:59,360

you know i was told by law enforcement a

2157

01:31:04,310 --> 01:31:01,920

long time ago that unless they can prove

2158

01:31:06,229 --> 01:31:04,320

that he never had any intention of

2159

01:31:08,629 --> 01:31:06,239

delivering a product there's no crime

2160

01:31:10,470 --> 01:31:08,639

there even if he did make people wait

2161

01:31:12,550 --> 01:31:10,480

three four years

2162

01:31:15,030 --> 01:31:12,560

after they purchased it to actually send

2163

01:31:17,110 --> 01:31:15,040

the comic book

2164

01:31:18,790 --> 01:31:17,120

huh so we'll take a few comments and

2165

01:31:20,550 --> 01:31:18,800

questions from the live chat otherwise

2166

01:31:23,430 --> 01:31:20,560

i'm going to bounce on out of here but

2167

01:31:25,590 --> 01:31:23,440

we've got um more for you tomorrow uh

2168

01:31:27,350 --> 01:31:25,600

that's something that i should mention

2169

01:31:28,870 --> 01:31:27,360

and i'll get to that right after this i

2170

01:31:30,629 --> 01:31:28,880

wonder how many people actually sign up

2171

01:31:32,950 --> 01:31:30,639

for his classes i wonder if he's able to

2172

01:31:35,590 --> 01:31:32,960

survive off of this con job

2173

01:31:38,310 --> 01:31:35,600

well carolyn according to the lawyer liz

2174

01:31:39,990 --> 01:31:38,320

laurie who wrote the last course

2175

01:31:41,830 --> 01:31:40,000

he made

2176

01:31:42,790 --> 01:31:41,840

750

2177

01:31:45,430 --> 01:31:42,800

000

2178

01:31:48,310 --> 01:31:45,440

from the last course that he sold

2179

01:31:49,510 --> 01:31:48,320

um which isn't that hard to do i guess

2180

01:31:52,950 --> 01:31:49,520

it's like

2181

01:31:56,149 --> 01:31:52,960

every three people that sign up is uh

2182

01:31:58,950 --> 01:31:56,159

is you know a thousand dollars at 333 or

2183

01:32:00,870 --> 01:31:58,960

more than that so he only needed

2184

01:32:03,990 --> 01:32:00,880

you know

2185

01:32:05,990 --> 01:32:04,000

thousand people to sign up for the

2186

01:32:08,390 --> 01:32:06,000

course and he made seven hundred and

2187

01:32:12,709 --> 01:32:08,400

fifty thousand dollars

2188

01:32:15,669 --> 01:32:13,910

long

2189

01:32:17,669 --> 01:32:15,679

wrong line of work

2190

01:32:19,430 --> 01:32:17,679

v i thought he was on disability for his

2191

01:32:21,669 --> 01:32:19,440

concussion and detached retina from the

2192

01:32:23,750 --> 01:32:21,679

computer falling on his head at work the

2193

01:32:25,110 --> 01:32:23,760

whole lawsuit against his employer no i

2194

01:32:27,430 --> 01:32:25,120

think that what happened in that

2195

01:32:29,110 --> 01:32:27,440

situation and i could be wrong but to

2196

01:32:30,870 --> 01:32:29,120

the best of my recollection is that he

2197

01:32:32,790 --> 01:32:30,880

claimed he was disabled and he was

2198

01:32:35,030 --> 01:32:32,800

refusing to work and that's what started

2199

01:32:36,950 --> 01:32:35,040

the problems with his previous employer

2200

01:32:39,110 --> 01:32:36,960

who sent him to their doctor who said no

2201

01:32:40,470 --> 01:32:39,120

you're fine go back to work

2202

01:32:43,510 --> 01:32:40,480

but i could be wrong it's been a year

2203

01:32:47,270 --> 01:32:43,520

since i've looked into that situation

2204

01:32:50,870 --> 01:32:48,870

tic-tac-toe asking will you be hosting

2205

01:32:53,030 --> 01:32:50,880

goof on uh

2206

01:32:54,870 --> 01:32:53,040

lives or live soon steve you're you

2207

01:32:56,149 --> 01:32:54,880

enrich our good team well he's welcome

2208

01:32:57,990 --> 01:32:56,159

here whatever

2209

01:32:59,270 --> 01:32:58,000

right carolyn says i'm in the wrong

2210

01:33:00,070 --> 01:32:59,280

profession

2211

01:33:02,229 --> 01:33:00,080

yeah

2212

01:33:04,390 --> 01:33:02,239

me too

2213

01:33:05,430 --> 01:33:04,400

yeah i'm gonna start my own courses

2214

01:33:06,790 --> 01:33:05,440

william k

2215

01:33:08,629 --> 01:33:06,800

um

2216

01:33:10,870 --> 01:33:08,639

i mean technically i already did but

2217

01:33:13,030 --> 01:33:10,880

mine is free it's called the mind hack

2218

01:33:15,750 --> 01:33:13,040

project and it's available right here on

2219

01:33:17,669 --> 01:33:15,760

our on our youtube channel and it's 100

2220

01:33:20,790 --> 01:33:17,679

free i mean you might have to skip some

2221

01:33:23,030 --> 01:33:20,800

ads but otherwise it's free you know

2222

01:33:25,669 --> 01:33:23,040

okay so uh i mentioned something about

2223

01:33:28,870 --> 01:33:25,679

tomorrow you know some time ago some

2224

01:33:31,110 --> 01:33:28,880

bully crybaby [h__\h] uh cried

2225

01:33:33,030 --> 01:33:31,120

complained and literally bullied one of

2226

01:33:35,510 --> 01:33:33,040

my guests here to the point where she

2227

01:33:37,430 --> 01:33:35,520

didn't want to participate here anymore

2228

01:33:40,070 --> 01:33:37,440

and that would be one stephanie from

2229

01:33:42,070 --> 01:33:40,080

willow unity uh who

2230

01:33:44,070 --> 01:33:42,080

reads tarot cards

2231

01:33:45,990 --> 01:33:44,080

apparently the fact that i hosted a

2232

01:33:47,830 --> 01:33:46,000

tarot card reader here triggered some

2233

01:33:49,910 --> 01:33:47,840

[h__\h] so much that they lost their

2234

01:33:51,910 --> 01:33:49,920

mind and created like 40 hours of

2235

01:33:54,070 --> 01:33:51,920

content crying about me having a tarot

2236

01:33:56,070 --> 01:33:54,080

card reader and how i was a sellout and

2237

01:33:56,870 --> 01:33:56,080

all this other nonsense

2238

01:33:58,790 --> 01:33:56,880

um

2239

01:34:00,390 --> 01:33:58,800

but anyway

2240

01:34:02,550 --> 01:34:00,400

uh you know it was an unfortunate

2241

01:34:05,189 --> 01:34:02,560

situation but i didn't

2242

01:34:07,669 --> 01:34:05,199

want to you know convince her to keep

2243

01:34:09,510 --> 01:34:07,679

coming back here but when these idiots

2244

01:34:12,070 --> 01:34:09,520

would come in a live chat and say really

2245

01:34:14,149 --> 01:34:12,080

nasty terrible stuff and try to bully

2246

01:34:16,950 --> 01:34:14,159

her into not being here

2247

01:34:18,870 --> 01:34:16,960

so we just let it go and uh she took

2248

01:34:21,350 --> 01:34:18,880

you know some time off the show but

2249

01:34:23,270 --> 01:34:21,360

we're bringing her back here because

2250

01:34:25,830 --> 01:34:23,280

you know it's not a good idea to let

2251

01:34:27,750 --> 01:34:25,840

other people dictate i will never again

2252

01:34:30,070 --> 01:34:27,760

let other people dictate who i can and

2253

01:34:32,149 --> 01:34:30,080

cannot have as a guest here

2254

01:34:36,550 --> 01:34:32,159

the way our tarot card tuesdays used to

2255

01:34:38,950 --> 01:34:36,560

work is this you come here in the uh

2256

01:34:40,629 --> 01:34:38,960

into our live chat and we'll have a

2257

01:34:43,510 --> 01:34:40,639

tarot card reader here in the form of

2258

01:34:46,470 --> 01:34:43,520

stephanie live here on air during a live

2259

01:34:48,790 --> 01:34:46,480

broadcast and you can ask for a tarot

2260

01:34:50,950 --> 01:34:48,800

card reading and she will be giving free

2261

01:34:52,149 --> 01:34:50,960

tarot card readings to everyone in the

2262

01:34:53,669 --> 01:34:52,159

live chat

2263

01:34:54,629 --> 01:34:53,679

time permitting

2264

01:34:56,629 --> 01:34:54,639

um

2265

01:34:59,590 --> 01:34:56,639

space exposure is here and says i like

2266

01:35:01,750 --> 01:34:59,600

tarot cards yeah me too uh and you know

2267

01:35:03,109 --> 01:35:01,760

i i do have a little bit of a conflict

2268

01:35:05,109 --> 01:35:03,119

of interest because according to

2269

01:35:07,669 --> 01:35:05,119

christianity you're not supposed to

2270

01:35:10,229 --> 01:35:07,679

engage in things like tarot cards

2271

01:35:12,790 --> 01:35:10,239

necromancy divination but i don't really

2272

01:35:15,189 --> 01:35:12,800

see the harm in it myself and i'm

2273

01:35:18,470 --> 01:35:15,199

interested in the topic of tarot cards

2274

01:35:20,310 --> 01:35:18,480

and these sort of things are mysterious

2275

01:35:23,109 --> 01:35:20,320

things so we will

2276

01:35:25,510 --> 01:35:23,119

um continue to

2277

01:35:27,270 --> 01:35:25,520

host guests that are interested in

2278

01:35:29,750 --> 01:35:27,280

similar topics stephanie will be here

2279

01:35:31,910 --> 01:35:29,760

tomorrow we'll be having tarot card

2280

01:35:34,470 --> 01:35:31,920

tuesday we'll return to our normal

2281

01:35:37,990 --> 01:35:34,480

coverage on wednesday uh there will be a

2282

01:35:41,430 --> 01:35:38,000

show tomorrow wednesday thursday and

2283

01:35:43,830 --> 01:35:41,440

possibly friday depending on

2284

01:35:45,270 --> 01:35:43,840

depending on my schedule

2285

01:35:47,830 --> 01:35:45,280

i actually have

2286

01:35:51,350 --> 01:35:47,840

um a bunch of shows prepared we have a

2287

01:35:55,030 --> 01:35:51,360

few enduring mysteries two on bigfoot

2288

01:35:57,990 --> 01:35:55,040

and one on um crop circles two so that's

2289

01:35:59,910 --> 01:35:58,000

three enduring mystery shows and more

2290

01:36:03,430 --> 01:35:59,920

and i've also at the request of many

2291

01:36:06,310 --> 01:36:03,440

people started looking into uh bigfoot

2292

01:36:07,990 --> 01:36:06,320

and uh more specifically uh

2293

01:36:09,350 --> 01:36:08,000

so we've got an enduring mystery show

2294

01:36:11,189 --> 01:36:09,360

where we're gonna be talking about the

2295

01:36:13,109 --> 01:36:11,199

whole history of bigfoot the first

2296

01:36:14,149 --> 01:36:13,119

reports and sightings and newspaper

2297

01:36:15,109 --> 01:36:14,159

articles

2298

01:36:17,430 --> 01:36:15,119

from

2299

01:36:19,669 --> 01:36:17,440

you know many many years ago a few

2300

01:36:20,870 --> 01:36:19,679

hundred years in some cases but anyway

2301

01:36:23,750 --> 01:36:20,880

uh

2302

01:36:25,189 --> 01:36:23,760

and also i'm beginning an investigation

2303

01:36:27,750 --> 01:36:25,199

into

2304

01:36:30,629 --> 01:36:27,760

um generally the world of bigfoot

2305

01:36:31,910 --> 01:36:30,639

researchers and specifically some of the

2306

01:36:34,709 --> 01:36:31,920

greatest

2307

01:36:36,830 --> 01:36:34,719

i would say hoaxers like todd standing

2308

01:36:40,790 --> 01:36:36,840

and others

2309

01:36:42,629 --> 01:36:40,800

um but i've just begun looking into that

2310

01:36:44,790 --> 01:36:42,639

and that will be a little bit of time

2311

01:36:47,109 --> 01:36:44,800

but it's going to be sort of a deep dive

2312

01:36:49,350 --> 01:36:47,119

and it's interesting that i see many

2313

01:36:52,310 --> 01:36:49,360

many parallels between the bigfoot

2314

01:36:54,470 --> 01:36:52,320

research community and the ufo community

2315

01:36:56,629 --> 01:36:54,480

got a lot of profiteering hoaxers we got

2316

01:36:58,070 --> 01:36:56,639

a lot of people pushing [h__h] in both

2317

01:37:00,950 --> 01:36:58,080

of those fields

2318

01:37:02,310 --> 01:37:00,960

it's very very similar eerily similar

2319

01:37:05,350 --> 01:37:02,320

and we're going to be breaking some of

2320

01:37:07,350 --> 01:37:05,360

that down as we continue i sort of got

2321

01:37:10,870 --> 01:37:07,360

sucked back into the bigfoot the world

2322

01:37:12,870 --> 01:37:10,880

of bigfoot by a friend that i made by

2323

01:37:15,189 --> 01:37:12,880

accident who is

2324

01:37:18,229 --> 01:37:15,199

deep deep deep in the bigfoot research

2325

01:37:21,189 --> 01:37:18,239

community and has been for you know 20

2326

01:37:24,550 --> 01:37:21,199

or 30 years so uh he's kind of going to

2327

01:37:27,430 --> 01:37:24,560

help me be be my tour guide into

2328

01:37:30,070 --> 01:37:27,440

the world of bigfoot and and sort of

2329

01:37:31,030 --> 01:37:30,080

help me to break down some of the hoaxes

2330

01:37:32,310 --> 01:37:31,040

and

2331

01:37:34,390 --> 01:37:32,320

other things

2332

01:37:36,709 --> 01:37:34,400

there have been some amazing hoaxes

2333

01:37:38,709 --> 01:37:36,719

people putting costumes and freezers

2334

01:37:41,030 --> 01:37:38,719

claiming they shot a bigfoot

2335

01:37:43,030 --> 01:37:41,040

uh we have this rick dyer

2336

01:37:45,270 --> 01:37:43,040

who did a whole tour where he put a fake

2337

01:37:46,709 --> 01:37:45,280

bigfoot in a display case in a trailer

2338

01:37:48,550 --> 01:37:46,719

and he was running around charging

2339

01:37:51,430 --> 01:37:48,560

admission to see it

2340

01:37:53,270 --> 01:37:51,440

all kinds of things like that

2341

01:37:55,430 --> 01:37:53,280

uh

2342

01:37:57,910 --> 01:37:55,440

but it's interesting to me that the two

2343

01:38:01,109 --> 01:37:57,920

worlds the world of ufos and the world

2344

01:38:02,790 --> 01:38:01,119

of bigfoot are so incredibly similar

2345

01:38:04,390 --> 01:38:02,800

so uh

2346

01:38:06,390 --> 01:38:04,400

that's what we've got coming up i've got

2347

01:38:09,510 --> 01:38:06,400

an awful lot more for you i'm feeling

2348

01:38:12,629 --> 01:38:09,520

kind of re-energized about uh

2349

01:38:15,669 --> 01:38:12,639

i guess about many things

2350

01:38:18,790 --> 01:38:15,679

and uh having new plans for the show for

2351
01:38:21,910 --> 01:38:18,800
some expansion that we will talk about

2352
01:38:24,790 --> 01:38:21,920
um when things are more solid but we

2353
01:38:27,510 --> 01:38:24,800
have been looking into the possibility

2354
01:38:30,550 --> 01:38:27,520
uh the very real possibility of a truth

2355
01:38:33,510 --> 01:38:30,560
seekers television channel

2356
01:38:34,709 --> 01:38:33,520
now that would be still streaming but

2357
01:38:38,550 --> 01:38:34,719
um

2358
01:38:40,830 --> 01:38:38,560
may be available on amazon prime or hulu

2359
01:38:42,070 --> 01:38:40,840
or other outlets

2360
01:38:44,950 --> 01:38:42,080
[Music]

2361
01:38:47,910 --> 01:38:44,960
we're looking into it and uh we've got

2362
01:38:48,709 --> 01:38:47,920
hundreds and hundreds of shows here

2363
01:38:50,870 --> 01:38:48,719

so

2364

01:38:53,350 --> 01:38:50,880

if i can make that happen i will and

2365

01:38:55,030 --> 01:38:53,360

then we will hopefully soon be available

2366

01:38:57,910 --> 01:38:55,040

on different television

2367

01:39:00,229 --> 01:38:57,920

streaming networks uh and we're in talks

2368

01:39:01,430 --> 01:39:00,239

to do that and i'm excited by that

2369

01:39:03,669 --> 01:39:01,440

because

2370

01:39:05,430 --> 01:39:03,679

that could mean hundreds and hundreds of

2371

01:39:07,830 --> 01:39:05,440

thousands of views

2372

01:39:09,030 --> 01:39:07,840

for us um

2373

01:39:11,430 --> 01:39:09,040

and

2374

01:39:13,590 --> 01:39:11,440

one other thing i would like to mention

2375

01:39:15,109 --> 01:39:13,600

it's always good to recognize these

2376

01:39:19,830 --> 01:39:15,119

little

2377

01:39:22,709 --> 01:39:19,840

things that mean that actually do mean a

2378

01:39:24,870 --> 01:39:22,719

lot um

2379

01:39:27,590 --> 01:39:24,880

just sort of things we're just about to

2380

01:39:30,629 --> 01:39:27,600

hit i want to remind everybody please do

2381

01:39:32,870 --> 01:39:30,639

like comment and subscribe uh it's very

2382

01:39:37,030 --> 01:39:32,880

very important because we're about to

2383

01:39:39,510 --> 01:39:37,040

reach a major milestone and uh

2384

01:39:42,550 --> 01:39:39,520

that would be to hit 5 000 subscribers

2385

01:39:44,709 --> 01:39:42,560

we're just under that now

2386

01:39:50,550 --> 01:39:44,719

we are at four thousand eight hundred

2387

01:39:52,950 --> 01:39:50,560

and eight so i need uh 188 more of you

2388

01:39:54,390 --> 01:39:52,960

182 more of you

2389

01:39:57,350 --> 01:39:54,400

sorry whatever

2390

01:40:00,550 --> 01:39:57,360

just a few hundred more and we'll be at

2391

01:40:03,109 --> 01:40:00,560

5 000 and also we missed a major

2392

01:40:04,550 --> 01:40:03,119

milestone we passed

2393

01:40:06,830 --> 01:40:04,560

our channel here

2394

01:40:10,870 --> 01:40:06,840

we have passed

2395

01:40:13,750 --> 01:40:10,880

um 350 000 views

2396

01:40:15,990 --> 01:40:13,760

unbelievable to me 350 000 times

2397

01:40:16,790 --> 01:40:16,000

somebody tuned in to watch what we do

2398

01:40:19,510 --> 01:40:16,800

here

2399

01:40:21,350 --> 01:40:19,520

uh actually we're just about to hit 380

2400

01:40:25,189 --> 01:40:21,360

we're at 379

2401

01:40:27,109 --> 01:40:25,199

855 views that's a big deal for us

2402

01:40:28,870 --> 01:40:27,119

a very big deal

2403

01:40:29,990 --> 01:40:28,880

and i can't thank you all enough for

2404

01:40:32,950 --> 01:40:30,000

tuning in

2405

01:40:35,030 --> 01:40:32,960

and helping us to reach these goals

2406

01:40:36,310 --> 01:40:35,040

right it is uh

2407

01:40:38,790 --> 01:40:36,320

just uh

2408

01:40:39,910 --> 01:40:38,800

amazing journey that we have undertaken

2409

01:40:41,430 --> 01:40:39,920

here

2410

01:40:42,870 --> 01:40:41,440

um

2411

01:40:45,750 --> 01:40:42,880

and then there was something else which

2412

01:40:47,990 --> 01:40:45,760

i am forgetting

2413

01:40:49,510 --> 01:40:48,000

we are vultures no we don't we want real

2414

01:40:50,550 --> 01:40:49,520

subscribers

2415

01:40:53,910 --> 01:40:50,560

not

2416

01:40:55,350 --> 01:40:53,920

doesn't help

2417

01:40:57,910 --> 01:40:55,360

accomplish here reminding everybody

2418

01:41:00,229 --> 01:40:57,920

subscribe subscribe subscribe be baker

2419

01:41:03,270 --> 01:41:00,239

five thousand woo hoo

2420

01:41:07,109 --> 01:41:05,750

yeah so uh you know things are moving

2421

01:41:08,870 --> 01:41:07,119

along here

2422

01:41:11,030 --> 01:41:08,880

um there's a final thing that i would

2423

01:41:12,870 --> 01:41:11,040

like to mention too and that is that we

2424

01:41:15,669 --> 01:41:12,880

have this sort of

2425

01:41:17,350 --> 01:41:15,679

homemade because i made it uh

2426

01:41:18,390 --> 01:41:17,360

distribution network

2427

01:41:20,310 --> 01:41:18,400

where

2428

01:41:24,149 --> 01:41:20,320

we said that we were going to be on bit

2429

01:41:25,830 --> 01:41:24,159

shoot and rumble and uh daily motion and

2430

01:41:28,470 --> 01:41:25,840

a few other sites

2431

01:41:30,950 --> 01:41:28,480

and odyssey and uh

2432

01:41:32,709 --> 01:41:30,960

you know other destinations

2433

01:41:34,310 --> 01:41:32,719

and

2434

01:41:35,430 --> 01:41:34,320

some of that has been a tremendous

2435

01:41:38,950 --> 01:41:35,440

success

2436

01:41:40,550 --> 01:41:38,960

uh odyssey to me is the best because i

2437

01:41:43,030 --> 01:41:40,560

just linked my youtube account to

2438

01:41:44,870 --> 01:41:43,040

odyssey i don't have to do anything and

2439

01:41:47,430 --> 01:41:44,880

it might take a day or two but after a

2440

01:41:49,910 --> 01:41:47,440

broadcast here the videos here end up on

2441

01:41:51,990 --> 01:41:49,920

odyssey meaning i don't have to do

2442

01:41:54,070 --> 01:41:52,000

anything they copy the text description

2443

01:41:56,310 --> 01:41:54,080

they copy the title they copy the video

2444

01:41:59,350 --> 01:41:56,320

and they put it on my odyssey channel

2445

01:42:00,390 --> 01:41:59,360

excellent great technology now

2446

01:42:03,510 --> 01:42:00,400

rumble

2447

01:42:06,950 --> 01:42:03,520

bit shoot and the others require me to

2448

01:42:09,350 --> 01:42:06,960

upload videos one by one and

2449

01:42:11,669 --> 01:42:09,360

as much as i try to tell myself i'm

2450

01:42:13,350 --> 01:42:11,679

gonna catch up i never do

2451
01:42:15,030 --> 01:42:13,360
so um

2452
01:42:19,270 --> 01:42:15,040
until

2453
01:42:21,510 --> 01:42:19,280
more

2454
01:42:24,470 --> 01:42:21,520
streaming locations i'm going to just

2455
01:42:27,350 --> 01:42:24,480
drop rumble and bit shoot for now now i

2456
01:42:28,950 --> 01:42:27,360
may we've got the channels i may find

2457
01:42:30,070 --> 01:42:28,960
some time and start uploading to them

2458
01:42:33,030 --> 01:42:30,080
again

2459
01:42:36,070 --> 01:42:33,040
but just to note that

2460
01:42:38,229 --> 01:42:36,080
we want to uh be honest and say hey we

2461
01:42:40,390 --> 01:42:38,239
tried some things that i've decided to

2462
01:42:44,149 --> 01:42:40,400
do here worked very well the audio

2463
01:42:46,470 --> 01:42:44,159

podcast works great i just download the

2464

01:42:48,390 --> 01:42:46,480

audio from each show upload it to

2465

01:42:51,750 --> 01:42:48,400

spreaker and spreaker shoots it out to

2466

01:42:53,669 --> 01:42:51,760

the 15 or so audio podcast destinations

2467

01:42:56,310 --> 01:42:53,679

i don't have to do very much

2468

01:42:58,149 --> 01:42:56,320

but this rumble bit shoot and others and

2469

01:43:00,070 --> 01:42:58,159

then they're they each have specific

2470

01:43:02,070 --> 01:43:00,080

requirements so sometimes the videos

2471

01:43:03,350 --> 01:43:02,080

have to be converted before they'll take

2472

01:43:06,709 --> 01:43:03,360

them and

2473

01:43:07,910 --> 01:43:06,719

all manner of problems um you know

2474

01:43:11,430 --> 01:43:07,920

we

2475

01:43:13,590 --> 01:43:11,440

want to uh increase our distribution

2476

01:43:15,030 --> 01:43:13,600

here but not at the not at the cost of

2477

01:43:17,030 --> 01:43:15,040

tremendous time

2478

01:43:19,510 --> 01:43:17,040

because i mean honestly bet you we were

2479

01:43:20,550 --> 01:43:19,520

doing pretty good with views um rumble

2480

01:43:22,310 --> 01:43:20,560

terrible

2481

01:43:24,310 --> 01:43:22,320

you know i would upload a video and get

2482

01:43:26,390 --> 01:43:24,320

three views it's not worth an hour for

2483

01:43:27,910 --> 01:43:26,400

me to convert a video to the rumble

2484

01:43:30,790 --> 01:43:27,920

preferred format

2485

01:43:33,189 --> 01:43:30,800

and upload it copy and paste all the

2486

01:43:35,750 --> 01:43:33,199

text and all that stuff to get three

2487

01:43:38,790 --> 01:43:35,760

views it's just not worth the time

2488

01:43:40,950 --> 01:43:38,800

but what i will say is we will be

2489

01:43:44,790 --> 01:43:40,960

expanding our software here to do two

2490

01:43:48,070 --> 01:43:44,800

things the first is hd video um for

2491

01:43:50,790 --> 01:43:48,080

whatever reason stream yard at the

2492

01:43:54,790 --> 01:43:50,800

initial buy in whatever that costs

2493

01:43:57,350 --> 01:43:54,800

only allows you to do 720p not 1080.

2494

01:43:59,590 --> 01:43:57,360

i've got all my webcams are 1080 we

2495

01:44:01,510 --> 01:43:59,600

should be doing 1080

2496

01:44:03,669 --> 01:44:01,520

but they require us to pay them more for

2497

01:44:06,229 --> 01:44:03,679

that and the other thing is we can only

2498

01:44:08,149 --> 01:44:06,239

do three streaming live destinations so

2499

01:44:09,910 --> 01:44:08,159

we're doing facebook live

2500

01:44:10,870 --> 01:44:09,920

we were doing twitch but switched to

2501
01:44:12,550 --> 01:44:10,880
twitter

2502
01:44:14,709 --> 01:44:12,560
and uh

2503
01:44:16,550 --> 01:44:14,719
and of course youtube

2504
01:44:19,590 --> 01:44:16,560
if we upgrade our software which i'm

2505
01:44:20,629 --> 01:44:19,600
hoping to do soon funds permitting here

2506
01:44:22,310 --> 01:44:20,639
um

2507
01:44:25,030 --> 01:44:22,320
if we upgrade the software we will have

2508
01:44:26,709 --> 01:44:25,040
eight streaming destinations so we will

2509
01:44:28,390 --> 01:44:26,719
put back

2510
01:44:29,669 --> 01:44:28,400
uh rumble

2511
01:44:31,590 --> 01:44:29,679
bit shoot

2512
01:44:34,550 --> 01:44:31,600
twitch and other

2513
01:44:37,189 --> 01:44:34,560

destinations but it'll be automatic

2514

01:44:40,149 --> 01:44:37,199

i'll set it up and then we will just

2515

01:44:42,470 --> 01:44:40,159

stream to like eight locations at once

2516

01:44:44,629 --> 01:44:42,480

and then when the show ends it's there

2517

01:44:46,790 --> 01:44:44,639

with the text description in other words

2518

01:44:48,950 --> 01:44:46,800

if we upgrade the software everything

2519

01:44:49,910 --> 01:44:48,960

will be much more automated and we won't

2520

01:44:52,310 --> 01:44:49,920

have to

2521

01:44:54,310 --> 01:44:52,320

you know manually upload to these

2522

01:44:55,750 --> 01:44:54,320

different sites so

2523

01:44:58,470 --> 01:44:55,760

um

2524

01:45:01,030 --> 01:44:58,480

yeah that's right pragmatic i'm i'm i'm

2525

01:45:04,229 --> 01:45:01,040

much more handsome at 1080p

2526

01:45:06,229 --> 01:45:04,239

now my wife says that the darker it is

2527

01:45:07,590 --> 01:45:06,239

the more handsome i get pragmatic so

2528

01:45:10,629 --> 01:45:07,600

maybe we shouldn't upgrade maybe it

2529

01:45:13,430 --> 01:45:10,639

should downgrade like stream at 240 p or

2530

01:45:16,709 --> 01:45:15,750

yeah i agree six cents sentences 1080p

2531

01:45:18,790 --> 01:45:16,719

is better

2532

01:45:20,709 --> 01:45:18,800

than 720 when text is being displayed

2533

01:45:22,709 --> 01:45:20,719

for sure yeah

2534

01:45:24,229 --> 01:45:22,719

so that's where we're at that's where we

2535

01:45:26,870 --> 01:45:24,239

find ourselves we've got lots of new

2536

01:45:28,470 --> 01:45:26,880

upgrades coming many new shows uh people

2537

01:45:31,510 --> 01:45:28,480

have already asked where trixie was

2538

01:45:33,189 --> 01:45:31,520

tonight uh she's stripping okay

2539

01:45:35,830 --> 01:45:33,199

uh trixie's not gonna be here every

2540

01:45:37,270 --> 01:45:35,840

night um you know

2541

01:45:39,990 --> 01:45:37,280

she has her own

2542

01:45:42,709 --> 01:45:40,000

things going on but um

2543

01:45:45,590 --> 01:45:42,719

hopefully we'll hear from trixie

2544

01:45:47,990 --> 01:45:45,600

trixie loose our new ufo news desk

2545

01:45:48,630 --> 01:45:48,000

correspondent very very soon

2546

01:45:49,830 --> 01:45:48,640

um

2547

01:45:51,750 --> 01:45:49,840

[Music]

2548

01:45:53,030 --> 01:45:51,760

so that's about it that's what i got for

2549

01:45:53,990 --> 01:45:53,040

you tonight

2550

01:45:55,830 --> 01:45:54,000

um

2551

01:46:00,390 --> 01:45:55,840

i wish i could mention a few other

2552

01:46:03,430 --> 01:46:00,400

things but i um i want to keep things oh

2553

01:46:06,470 --> 01:46:03,440

thursday this thursday we will have la

2554

01:46:08,070 --> 01:46:06,480

marzulli at 7 p.m you may remember that

2555

01:46:10,149 --> 01:46:08,080

we had an interview schedule with him

2556

01:46:12,629 --> 01:46:10,159

and he got stuck on a plane this

2557

01:46:15,189 --> 01:46:12,639

thursday night 7 pm eastern time we'll

2558

01:46:18,070 --> 01:46:15,199

be interviewing l.a marzulli who you may

2559

01:46:20,229 --> 01:46:18,080

be aware from the watchers series and he

2560

01:46:23,270 --> 01:46:20,239

has a very christian perspective into

2561

01:46:25,270 --> 01:46:23,280

the whole ufo and alien phenomenon and

2562

01:46:27,109 --> 01:46:25,280

we're anxious to hear from him

2563

01:46:32,070 --> 01:46:27,119

i'm also uh

2564

01:46:35,430 --> 01:46:33,350

several other

2565

01:46:38,870 --> 01:46:35,440

people which were trying to book as

2566

01:46:40,470 --> 01:46:38,880

guests including whitley streiber

2567

01:46:41,910 --> 01:46:40,480

i'd sure like to hear from him because

2568

01:46:44,229 --> 01:46:41,920

of course growing up i read the book

2569

01:46:46,310 --> 01:46:44,239

communion and other things uh i'm going

2570

01:46:48,790 --> 01:46:46,320

to email him as soon as we get off here

2571

01:46:50,790 --> 01:46:48,800

and and try to nail it down he's agreed

2572

01:46:53,350 --> 01:46:50,800

to an interview we just have to figure

2573

01:46:55,990 --> 01:46:53,360

out our schedules and get that you know

2574

01:46:57,750 --> 01:46:56,000

get it to work uh

2575

01:46:59,510 --> 01:46:57,760

you know how it is

2576

01:47:01,189 --> 01:46:59,520

so

2577

01:47:03,510 --> 01:47:01,199

that's it that's what i got for you i'm

2578

01:47:05,430 --> 01:47:03,520

going to bounce on out of here

2579

01:47:07,030 --> 01:47:05,440

i want to take a moment to remind

2580
