18

00:06:29,930 --> 00:06:26,629

greetings and salutations friends and

19

00:06:32,930 --> 00:06:29,940

welcome back to truth Seekers previously

20

00:06:35,990 --> 00:06:32,940

we have uh covered some of the things

21

00:06:37,249 --> 00:06:36,000

that tonight's guest talks about that

22

00:06:41,930 --> 00:06:37,259

would be

23

00:06:44,390 --> 00:06:41,940

um his belief in the Nephilim and uh the

24

00:06:45,830 --> 00:06:44,400

fallen angels and the biblical evidence

25

00:06:48,170 --> 00:06:45,840

for

26

00:06:50,150 --> 00:06:48,180

some ancient Mysteries

27

00:06:53,029 --> 00:06:50,160

um we're standing by waiting for him has

28

00:06:55,189 --> 00:06:53,039

not arrived yet so in the meantime I

29

00:06:58,010 --> 00:06:55,199

thought that we could talk about uh some

30

00:07:02,450 --> 00:06:58,020

of his work he may be familiar with LA

31

00:07:05,089 --> 00:07:02,460

Marzulli and his uh books the link to

32

00:07:09,770 --> 00:07:05,099

check out his books is in the

33

00:07:13,189 --> 00:07:09,780

description of this video uh further we

34

00:07:16,249 --> 00:07:13,199

have uh also

35

00:07:20,870 --> 00:07:16,259

there is a link to his website in the

36

00:07:25,129 --> 00:07:20,880

description of this video and

37

00:07:27,170 --> 00:07:25,139

also a link to his uh YouTube channel

38

00:07:29,029 --> 00:07:27,180

which I highly

39

00:07:31,550 --> 00:07:29,039

I highly recommend it I've been sort of

40

00:07:35,870 --> 00:07:31,560

binge watching a lot of what he does uh

41

00:07:38,930 --> 00:07:35,880

he has a um a series called on the trail

42

00:07:40,370 --> 00:07:38,940

of the Nephilim uh for those unaware the

43

00:07:43,790 --> 00:07:40,380

Nephilim or if you missed our previous

44

00:07:46,129 --> 00:07:43,800

coverage the Nephilim are the

45

00:07:49,309 --> 00:07:46,139

sons of

46

00:07:50,869 --> 00:07:49,319

they are the hybrid species that the

47

00:07:54,010 --> 00:07:50,879

Bible talks about

48

00:07:58,430 --> 00:07:54,020

apparently according to biblical texts

49

00:08:01,029 --> 00:07:58,440

the sons of God the angels and Fallen

50

00:08:06,529 --> 00:08:01,039

Angels more specifically

51  
00:08:10,249 --> 00:08:06,539  
they lusted after the son the daughters

52  
00:08:13,189 --> 00:08:10,259  
of men they found them Fair desired them

53  
00:08:17,390 --> 00:08:13,199  
and took them as wives

54  
00:08:20,570 --> 00:08:17,400  
and The Offspring of these sons of God

55  
00:08:21,950 --> 00:08:20,580  
were the fallen angels and the daughters

56  
00:08:26,029 --> 00:08:21,960  
of men

57  
00:08:28,909 --> 00:08:26,039  
were called the Nephilim or the Giants

58  
00:08:32,209 --> 00:08:28,919  
it is an incredibly interesting subject

59  
00:08:36,649 --> 00:08:32,219  
to me I grew up Catholic and therefore I

60  
00:08:38,990 --> 00:08:36,659  
had uh and I had 10 years of

61  
00:08:42,350 --> 00:08:39,000  
Catholic school I was actually educated

62  
00:08:44,509 --> 00:08:42,360  
by Jesuit priests and nuns and brothers

63  
00:08:46,850 --> 00:08:44,519

and uh

64

00:08:50,090 --> 00:08:46,860

had a great deal of scripture study I

65

00:08:52,190 --> 00:08:50,100

always had an intense interest in

66

00:08:55,190 --> 00:08:52,200

um Angelic beings and the relationship

67

00:08:58,009 --> 00:08:55,200

between God and angels and Men

68

00:09:00,410 --> 00:08:58,019

and it was always fascinating to me of

69

00:09:05,269 --> 00:09:00,420

course that God created

70

00:09:07,850 --> 00:09:05,279

the Angels first and then created man

71

00:09:12,829 --> 00:09:07,860

um and that was always a bit puzzling to

72

00:09:16,850 --> 00:09:12,839

me because uh angels are immortal

73

00:09:19,130 --> 00:09:16,860

Spirit creatures and men are mortal

74

00:09:20,750 --> 00:09:19,140

and it just always seemed a little odd

75

00:09:22,790 --> 00:09:20,760

to me that you would create a mortal

76

00:09:24,650 --> 00:09:22,800

being after you created a bunch of

77

00:09:26,990 --> 00:09:24,660

immortal beings

78

00:09:28,630 --> 00:09:27,000

uh Angelic beings

79

00:09:33,170 --> 00:09:28,640

so

80

00:09:37,550 --> 00:09:33,180

along with LA marzulli's biblical

81

00:09:39,230 --> 00:09:37,560

studies comes uh physical actual studies

82

00:09:41,930 --> 00:09:39,240

of real things one of the things that

83

00:09:43,490 --> 00:09:41,940

fascinates me about him is his ability

84

00:09:49,310 --> 00:09:43,500

to

85

00:09:52,250 --> 00:09:49,320

and real research now one of the things

86

00:09:55,250 --> 00:09:52,260

that he is quite famous for is his study

87

00:09:57,470 --> 00:09:55,260

of the paracas skulls in Peru

88

00:09:59,810 --> 00:09:57,480

for those unaware these are the

89

00:10:00,949 --> 00:09:59,820

elongated skulls that you often may see

90

00:10:04,250 --> 00:10:00,959

pictures of

91

00:10:08,090 --> 00:10:04,260

many people have claimed that these

92

00:10:11,930 --> 00:10:08,100

skulls or these beings came from Aliens

93

00:10:13,910 --> 00:10:11,940

or alien hybrids somehow but Mr Marzulli

94

00:10:17,930 --> 00:10:13,920

has a different Theory which is

95

00:10:19,730 --> 00:10:17,940

supported both by uh biblical texts and

96

00:10:22,389 --> 00:10:19,740

evidence biblical evidence and

97

00:10:25,670 --> 00:10:22,399

apparently it is also

98

00:10:28,550 --> 00:10:25,680

responsible or excuse me it is also

99

00:10:29,750 --> 00:10:28,560

possibly Now supported by actual DNA

100

00:10:32,829 --> 00:10:29,760

evidence

101

00:10:37,009 --> 00:10:32,839

and that would be Mr Marzulli

102

00:10:40,190 --> 00:10:37,019

points to biblical texts which show that

103

00:10:43,430 --> 00:10:40,200

the Nephilim were in the promised land

104

00:10:46,670 --> 00:10:43,440

and uh some of the Israelites sent

105

00:10:50,269 --> 00:10:46,680

people to check them out to investigate

106

00:10:55,329 --> 00:10:50,279

and they failed these Giants these

107

00:10:59,389 --> 00:10:55,339

Nephilim these hybrid tribes of people

108

00:11:01,970 --> 00:10:59,399

God ordered that the Nephilim be

109

00:11:05,329 --> 00:11:01,980

destroyed as an Abomination apparently

110

00:11:08,090 --> 00:11:05,339

God never intended for the sons of God

111

00:11:11,269 --> 00:11:08,100

or the fallen angels and

112

00:11:14,389 --> 00:11:11,279

the daughters of men to interbreed

113

00:11:18,949 --> 00:11:14,399

God considered this an abomination

114

00:11:22,850 --> 00:11:18,959

was uh and ordered the Israelites

115

00:11:25,850 --> 00:11:22,860

and his people his chosen people to

116

00:11:27,889 --> 00:11:25,860

murder them all which

117

00:11:30,350 --> 00:11:27,899

you know I always have a little bit of a

118

00:11:32,449 --> 00:11:30,360

problem with uh with God giving orders

119

00:11:35,930 --> 00:11:32,459

uh to do things like

120

00:11:38,090 --> 00:11:35,940

you know extinguish an entire species on

121

00:11:40,130 --> 00:11:38,100

a planet Earth but one can understand if

122

00:11:43,370 --> 00:11:40,140

this was truly an Abomination and never

123

00:11:46,370 --> 00:11:43,380

meant to happen and insult an affront to

124

00:11:50,810 --> 00:11:46,380

God that he would tell his people to

125

00:11:52,490 --> 00:11:50,820

remedy that so the Nephilim in ancient

126  
00:11:55,550 --> 00:11:52,500  
Israel

127  
00:11:59,050 --> 00:11:55,560  
there's biblical supportive texts to

128  
00:12:01,970 --> 00:11:59,060  
these stories uh

129  
00:12:05,449 --> 00:12:01,980  
Israelites and God's chosen people began

130  
00:12:09,050 --> 00:12:05,459  
to kill them the

131  
00:12:10,970 --> 00:12:09,060  
Brothers of David one of the most famous

132  
00:12:16,129 --> 00:12:10,980  
biblical stories of the Nephilim is of

133  
00:12:17,889 --> 00:12:16,139  
course Goliath David and Goliath David

134  
00:12:20,810 --> 00:12:17,899  
slew Goliath

135  
00:12:23,269 --> 00:12:20,820  
and apparently the brothers of David

136  
00:12:27,730 --> 00:12:23,279  
according to biblical texts went out

137  
00:12:30,889 --> 00:12:27,740  
into these tribes of the Nephilim and

138  
00:12:32,030 --> 00:12:30,899

they killed them or began Exterminating

139

00:12:34,670 --> 00:12:32,040

them

140

00:12:37,190 --> 00:12:34,680

LA Marzulli has very interesting Theory

141

00:12:38,949 --> 00:12:37,200

which is supported by some biblical text

142

00:12:41,750 --> 00:12:38,959

that the Nephilim

143

00:12:45,110 --> 00:12:41,760

fearing for their lives and being slowly

144

00:12:48,889 --> 00:12:45,120

exterminated by human men

145

00:12:52,009 --> 00:12:48,899

fled the promised land of Israel and the

146

00:12:56,750 --> 00:12:52,019

Middle East and went to believe it or

147

00:12:59,210 --> 00:12:56,760

not the United States and South America

148

00:13:02,509 --> 00:12:59,220

now many people scoffed at this Theory

149

00:13:07,069 --> 00:13:02,519

or you know non-believers in the Bible

150

00:13:09,410 --> 00:13:07,079

or the biblical texts will tell you that

151

00:13:11,750 --> 00:13:09,420

you know these are just stories these

152

00:13:14,269 --> 00:13:11,760

are myths these you know this is not to

153

00:13:16,610 --> 00:13:14,279

be taken literally literally other

154

00:13:18,829 --> 00:13:16,620

people do take biblical text as literal

155

00:13:20,569 --> 00:13:18,839

truth or history

156

00:13:23,329 --> 00:13:20,579

um I'm a little bit on both sides of the

157

00:13:25,850 --> 00:13:23,339

fence uh on that issue by the way but

158

00:13:28,970 --> 00:13:25,860

it's interesting to note that

159

00:13:30,949 --> 00:13:28,980

um Ellie Marzulli has done more work on

160

00:13:32,210 --> 00:13:30,959

these paracas skulls I'm going to share

161

00:13:34,730 --> 00:13:32,220

my screen here

162

00:13:37,430 --> 00:13:34,740

more work on these paracas skulls than

163

00:13:40,850 --> 00:13:37,440

any any other person maybe him and Brian

164

00:13:42,949 --> 00:13:40,860

Forrest are are both the most famous uh

165

00:13:44,150 --> 00:13:42,959

people who have actually went there and

166

00:13:48,129 --> 00:13:44,160

investigated

167

00:13:53,269 --> 00:13:48,139

and interestingly they were able to get

168

00:13:55,129 --> 00:13:53,279

DNA samples extracted here we see a an

169

00:13:58,670 --> 00:13:55,139

image of what one of these people might

170

00:14:02,090 --> 00:13:59,930

and

171

00:14:03,050 --> 00:14:02,100

this is very fascinating

172

00:14:05,210 --> 00:14:03,060

um

173

00:14:07,970 --> 00:14:05,220

fascinating

174

00:14:10,610 --> 00:14:07,980

story to me because there's this

175

00:14:12,889 --> 00:14:10,620

physical evidence now the critics of the

176

00:14:15,530 --> 00:14:12,899

Caracas skulls will tell you that this

177

00:14:19,250 --> 00:14:15,540

is all just cranial headboarding

178

00:14:21,650 --> 00:14:19,260

however it has been proven by I believe

179

00:14:24,110 --> 00:14:21,660

Mr Marzulli and Brian Forrester and

180

00:14:26,750 --> 00:14:24,120

other researchers that some of these are

181

00:14:29,750 --> 00:14:26,760

not cranial headboarding some of these

182

00:14:31,009 --> 00:14:29,760

were apparently born and just grew this

183

00:14:34,069 --> 00:14:31,019

way

184

00:14:36,650 --> 00:14:34,079

there is also some peculiar uh

185

00:14:39,530 --> 00:14:36,660

anatomical differences between these

186

00:14:42,230 --> 00:14:39,540

skulls and a typical or quote normal

187

00:14:43,610 --> 00:14:42,240

unquote human skull

188

00:14:46,550 --> 00:14:43,620

and

189

00:14:49,670 --> 00:14:46,560

um there is no sagittal sutures on some

190

00:14:51,530 --> 00:14:49,680

of these which makes absolutely no sense

191

00:14:54,170 --> 00:14:51,540

this is one of those things like this

192

00:14:57,170 --> 00:14:54,180

should not be happening

193

00:14:59,750 --> 00:14:57,180

and also you'll have to excuse me I was

194

00:15:01,189 --> 00:14:59,760

hoping our expert LA Marzulli which by

195

00:15:04,370 --> 00:15:01,199

the way we're standing by waiting for

196

00:15:06,050 --> 00:15:04,380

him to arrive still uh I was hoping that

197

00:15:09,110 --> 00:15:06,060

he could explain more of this you know

198

00:15:11,689 --> 00:15:09,120

I'm not a biologist I'm not that uh up

199

00:15:14,210 --> 00:15:11,699

on human anatomy but there's also some

200

00:15:17,689 --> 00:15:14,220

peculiar differences uh for example

201

00:15:20,689 --> 00:15:17,699

where the spinal cord goes into the head

202

00:15:23,269 --> 00:15:20,699

in these skulls is a few inches off of

203

00:15:24,650 --> 00:15:23,279

where a normal human is supposed to have

204

00:15:28,430 --> 00:15:24,660

that opening

205

00:15:31,490 --> 00:15:28,440

uh and there is much more to the mystery

206

00:15:34,970 --> 00:15:31,500

now certainly uh some of the paracas

207

00:15:37,009 --> 00:15:34,980

goals are most certainly created by

208

00:15:40,910 --> 00:15:37,019

cranial headboarding but this does not

209

00:15:44,329 --> 00:15:40,920

explain others which appear to be

210

00:15:45,350 --> 00:15:44,339

anatomically just designed to grow that

211

00:15:47,930 --> 00:15:45,360

way

212

00:15:51,949 --> 00:15:47,940

and of course people have related these

213

00:15:53,810 --> 00:15:51,959

to aliens and uh because of their I

214

00:15:55,730 --> 00:15:53,820

suppose uh

215

00:15:59,150 --> 00:15:55,740

you know because of the way that they

216

00:16:01,430 --> 00:15:59,160

resemble the typical gray big head big

217

00:16:03,949 --> 00:16:01,440

eye sockets

218

00:16:06,650 --> 00:16:03,959

um this is just an interesting mystery

219

00:16:09,829 --> 00:16:06,660

to me and Mr Marzulli has done more work

220

00:16:11,810 --> 00:16:09,839

on this than uh most other people

221

00:16:14,329 --> 00:16:11,820

sorry I'm just checking it with my phone

222

00:16:17,030 --> 00:16:14,339

I'm not sure if he's having uh technical

223

00:16:20,509 --> 00:16:17,040

difficulties uh still not in our green

224

00:16:22,370 --> 00:16:20,519

room here so I apologize for that

225

00:16:23,930 --> 00:16:22,380

sent him a message letting him know that

226

00:16:26,030 --> 00:16:23,940

the stream is live and we're waiting for

227

00:16:29,210 --> 00:16:26,040

him hopefully we didn't get our wires

228

00:16:30,829 --> 00:16:29,220

crossed uh

229

00:16:35,569 --> 00:16:30,839

hahaha

230

00:16:37,790 --> 00:16:35,579

so uh what is it that fascinates me so

231

00:16:40,069 --> 00:16:37,800

much about Mr Marzulli and his theories

232

00:16:43,310 --> 00:16:40,079

well apparently Mr Marzulli believes

233

00:16:45,490 --> 00:16:43,320

that these some of these practice skulls

234

00:16:48,590 --> 00:16:45,500

or the people

235

00:16:51,650 --> 00:16:48,600

imperakis may be descendants of the

236

00:16:55,490 --> 00:16:51,660

legendary biblical

237

00:16:58,730 --> 00:16:55,500

the legendary and biblical Nephilim the

238

00:17:00,889 --> 00:16:58,740

hybrid race of giants

239

00:17:02,990 --> 00:17:00,899

um and you know Giants is a loaded term

240

00:17:05,210 --> 00:17:03,000

because because of the Hebrew

241

00:17:10,130 --> 00:17:05,220

translation

242

00:17:12,049 --> 00:17:10,140

um men of renown may be a better uh a

243

00:17:14,990 --> 00:17:12,059

better explanation than the use of the

244

00:17:17,090 --> 00:17:15,000

word giant uh though some were rumored

245

00:17:20,390 --> 00:17:17,100

to be some of these Nephilim were

246

00:17:22,490 --> 00:17:20,400

rumored to be eight or 12 foot tall and

247

00:17:25,730 --> 00:17:22,500

interestingly many have

248

00:17:28,250 --> 00:17:25,740

six fingers and six toes

249

00:17:30,669 --> 00:17:28,260

I'm not sure what the extra digit what

250

00:17:37,010 --> 00:17:30,679

the significance of that but there are

251  
00:17:42,230 --> 00:17:37,020  
also uh tribes of Native Americans who

252  
00:17:45,169 --> 00:17:42,240  
lived in fear of a race of cannibalistic

253  
00:17:46,730 --> 00:17:45,179  
Giants giant men

254  
00:17:50,570 --> 00:17:46,740  
who

255  
00:17:52,490 --> 00:17:50,580  
had six fingers and six toes and in fact

256  
00:17:53,930 --> 00:17:52,500  
the Native American Greeting of holding

257  
00:17:56,450 --> 00:17:53,940  
the hand up

258  
00:17:59,750 --> 00:17:56,460  
apparently according to Mr Marzulli and

259  
00:18:02,710 --> 00:17:59,760  
other researchers was meant to show I

260  
00:18:06,350 --> 00:18:02,720  
have five fingers I'm not one of those

261  
00:18:09,350 --> 00:18:06,360  
cannibalistic man-eating monsters I'm

262  
00:18:12,529 --> 00:18:09,360  
you know I I'm safe

263  
00:18:14,690 --> 00:18:12,539

um and that's interesting that an entire

264

00:18:16,669 --> 00:18:14,700

culture would have a greeting to show

265

00:18:20,029 --> 00:18:16,679

hey I'm not one of those six-fingered

266

00:18:24,409 --> 00:18:20,039

six-toed uh cannibalistic monsters

267

00:18:27,710 --> 00:18:24,419

so uh interestingly uh

268

00:18:33,830 --> 00:18:27,720

Mr Marzulli has apparently found a

269

00:18:37,669 --> 00:18:36,470

a genetic some genetic evidence and a

270

00:18:40,430 --> 00:18:37,679

genetic link

271

00:18:43,370 --> 00:18:40,440

that may seem to indicate that some of

272

00:18:47,090 --> 00:18:43,380

the biblical stories of the nephilim

273

00:18:49,430 --> 00:18:47,100

the Nephilim fleeing the Middle East to

274

00:18:51,289 --> 00:18:49,440

other areas of the world fleeing for

275

00:18:55,310 --> 00:18:51,299

their lives while they were

276

00:18:57,710 --> 00:18:55,320

systematically being exterminated uh at

277

00:19:01,850 --> 00:18:57,720

the order of God apparently

278

00:19:04,250 --> 00:19:01,860

he may have found DNA evidence

279

00:19:06,049 --> 00:19:04,260

in the form of these practical skulls

280

00:19:08,750 --> 00:19:06,059

which supports the biblical evidence

281

00:19:11,029 --> 00:19:08,760

that that may be indeed exactly what

282

00:19:12,049 --> 00:19:11,039

these things are and what indeed

283

00:19:15,110 --> 00:19:12,059

happened

284

00:19:20,930 --> 00:19:15,120

you know what's also interesting that uh

285

00:19:26,390 --> 00:19:23,930

go counter to many people in the UFO

286

00:19:28,190 --> 00:19:26,400

Community I just spent some time he has

287

00:19:30,650 --> 00:19:28,200

a documentary which you should check out

288

00:19:31,909 --> 00:19:30,660

called the UFO disclosure the great

289

00:19:36,289 --> 00:19:31,919

deception

290

00:19:40,669 --> 00:19:36,299

and um apparently Mr marzulli's theory

291

00:19:43,490 --> 00:19:40,679

on Aliens and what they are is a lot

292

00:19:46,669 --> 00:19:43,500

darker than most researchers in fact I

293

00:19:49,909 --> 00:19:46,679

have not heard any other UFO researchers

294

00:19:54,190 --> 00:19:49,919

really push his hypothesis and his

295

00:19:57,770 --> 00:19:54,200

theory which is that aliens are not

296

00:20:00,590 --> 00:19:57,780

otherworldly beings from other planets

297

00:20:02,570 --> 00:20:00,600

or other solar systems they're not

298

00:20:06,110 --> 00:20:02,580

aliens

299

00:20:08,690 --> 00:20:06,120

as we would understand them to be that

300

00:20:10,370 --> 00:20:08,700

is intelligent walking talking creatures

301  
00:20:12,649 --> 00:20:10,380  
from other planets and other star

302  
00:20:16,130 --> 00:20:12,659  
systems but rather

303  
00:20:19,730 --> 00:20:16,140  
that these entities are in fact demonic

304  
00:20:24,169 --> 00:20:19,740  
entities which are deceiving Mankind and

305  
00:20:27,110 --> 00:20:24,179  
pretending to be technological gods

306  
00:20:29,029 --> 00:20:27,120  
now before you dismiss that theory uh

307  
00:20:30,169 --> 00:20:29,039  
you know I used to be very dismissive of

308  
00:20:32,510 --> 00:20:30,179  
that theory

309  
00:20:34,970 --> 00:20:32,520  
but I have to say uh

310  
00:20:38,390 --> 00:20:34,980  
the longer that I am involved in this

311  
00:20:41,450 --> 00:20:38,400  
research the more I am starting to be

312  
00:20:46,610 --> 00:20:41,460  
open to different possibilities because

313  
00:20:49,549 --> 00:20:46,620

as crazy as the theory that other

314

00:20:50,810 --> 00:20:49,559

intelligent entities somehow came from

315

00:20:55,190 --> 00:20:50,820

space

316

00:21:00,230 --> 00:20:58,130

Traverse the vast distances and travel

317

00:21:03,950 --> 00:21:00,240

light years

318

00:21:06,409 --> 00:21:03,960

to visit us here on planet Earth I mean

319

00:21:09,049 --> 00:21:06,419

that's pretty far out there belief but

320

00:21:09,770 --> 00:21:09,059

many many people believe that

321

00:21:13,789 --> 00:21:09,780

um

322

00:21:18,049 --> 00:21:13,799

that's exactly what these UFOs are

323

00:21:20,330 --> 00:21:18,059

outer space people who have come from

324

00:21:22,669 --> 00:21:20,340

other planets

325

00:21:24,890 --> 00:21:22,679

that's pretty out there belief but many

326

00:21:27,070 --> 00:21:24,900

many people believe it now many

327

00:21:29,390 --> 00:21:27,080

Christians and I've noticed especially

328

00:21:31,070 --> 00:21:29,400

fundamentalist Christians

329

00:21:33,970 --> 00:21:31,080

the fundamentalists are generally people

330

00:21:38,690 --> 00:21:33,980

who take the Bible quite literally

331

00:21:39,590 --> 00:21:38,700

many of them believe as Ellie Marzulli

332

00:21:42,649 --> 00:21:39,600

does

333

00:21:43,610 --> 00:21:42,659

apparently that

334

00:21:47,029 --> 00:21:43,620

um

335

00:21:49,630 --> 00:21:47,039

these creatures are not

336

00:21:53,450 --> 00:21:49,640

aliens from other planets but in fact

337

00:21:56,270 --> 00:21:53,460

demonic entities masquerading as aliens

338

00:21:59,390 --> 00:21:56,280

from other planets popsicle ocean is

339

00:22:01,669 --> 00:21:59,400

asking where is La uh I still don't know

340

00:22:03,710 --> 00:22:01,679

I'm I'm monitoring my email I told him

341

00:22:06,110 --> 00:22:03,720

if he has any problem connecting to let

342

00:22:09,590 --> 00:22:06,120

me know the only thing I can imagine is

343

00:22:11,930 --> 00:22:09,600

that we have gotten our uh

344

00:22:13,730 --> 00:22:11,940

yeah we have gotten our I'm going to

345

00:22:35,870 --> 00:22:13,740

mute this for a moment just so that I

346

00:22:42,230 --> 00:22:39,049

okay I apologize so I I let him know if

347

00:22:44,390 --> 00:22:42,240

he's having uh trouble connecting and if

348

00:22:45,590 --> 00:22:44,400

he's monitoring this broadcast uh Mr

349

00:22:47,330 --> 00:22:45,600

Marzulli if you're having trouble

350

00:22:49,370 --> 00:22:47,340

connecting just call me on my cell phone

351

00:22:51,950 --> 00:22:49,380

and I will just Pat you in

352

00:22:55,730 --> 00:22:51,960

uh to the show that way

353

00:23:02,690 --> 00:22:58,070

the possibility

354

00:23:04,250 --> 00:23:02,700

is is is that theory uh is that theory

355

00:23:07,610 --> 00:23:04,260

crazy

356

00:23:10,669 --> 00:23:07,620

uh I I don't think so anymore

357

00:23:13,010 --> 00:23:10,679

um especially the more that I have

358

00:23:14,630 --> 00:23:13,020

studied some of the people involved in

359

00:23:17,090 --> 00:23:14,640

this UFO

360

00:23:20,630 --> 00:23:17,100

world and seeing how deceptive

361

00:23:25,430 --> 00:23:20,640

manipulative many of the people are

362

00:23:27,950 --> 00:23:25,440

it would almost seem correct to me that

363

00:23:30,110 --> 00:23:27,960

maybe demons or demonic entities are

364

00:23:33,169 --> 00:23:30,120

involved based on the number of people

365

00:23:34,970 --> 00:23:33,179

that I see who are deceiving people and

366

00:23:36,830 --> 00:23:34,980

stealing money from people selling fake

367

00:23:39,409 --> 00:23:36,840

stories right

368

00:23:43,190 --> 00:23:41,630

all right so uh friends we're gonna take

369

00:23:44,990 --> 00:23:43,200

a short musical break I'm going to call

370

00:23:47,570 --> 00:23:45,000

our guests on my cell phone and see if

371

00:23:49,549 --> 00:23:47,580

we could just patch them in that way uh

372

00:23:51,769 --> 00:23:49,559

if he's having trouble connecting that

373

00:23:54,890 --> 00:23:51,779

might be uh the best way that we could

374

00:23:56,750 --> 00:23:54,900

do it let me see if I can find a

375

00:23:59,210 --> 00:23:56,760

I have a brake bumper here I haven't

376

00:24:02,810 --> 00:23:59,220

used it in ages so just bear with me

377

00:24:09,169 --> 00:24:05,570

I did have one maybe I maybe I deleted

378

00:24:14,630 --> 00:24:13,130

and then I apologize uh

379

00:24:16,610 --> 00:24:14,640

all right we're just gonna play a

380

00:24:17,930 --> 00:24:16,620

musical guest so I'll be right back

381

00:24:19,490 --> 00:24:17,940

we're going to try to see if we can get

382

00:24:25,540 --> 00:24:19,500

this guest here

383

00:25:02,649 --> 00:24:39,700

[Music]

384

00:25:02,659 --> 00:25:34,880

farther away

385

00:26:09,470 --> 00:25:37,730

[Music]

386

00:26:09,480 --> 00:26:36,130

connected

387

00:26:53,269 --> 00:26:43,800

[Music]

388

00:26:53,279 --> 00:27:23,380

this is

389

00:28:00,010 --> 00:27:30,950

[Music]

390

00:28:03,430 --> 00:28:02,090

sometimes in the sky

391

00:28:05,270 --> 00:28:03,440

[Music]

392

00:28:10,610 --> 00:28:05,280

didn't go

393

00:28:37,630 --> 00:28:10,620

[Music]

394

00:28:37,640 --> 00:28:50,530

the Stars

395

00:29:07,269 --> 00:28:57,140

[Music]

396

00:29:07,279 --> 00:29:23,840

destroy us

397

00:29:44,830 --> 00:29:34,140

[Music]

398

00:29:57,230 --> 00:29:44,840

there are aerodynamic

399

00:29:59,890 --> 00:29:57,240

[Music]

400

00:30:09,590 --> 00:29:59,900

levels

401  
00:30:56,820 --> 00:30:11,460  
foreign

402  
00:31:20,360 --> 00:31:18,950  
[Music]

403  
00:31:36,410 --> 00:31:20,370  
foreign

404  
00:31:55,940 --> 00:31:43,150  
[Music]

405  
00:31:55,950 --> 00:32:01,850  
[Applause]

406  
00:32:11,320 --> 00:32:03,710  
oh

407  
00:33:26,750 --> 00:32:21,620  
[Music]

408  
00:33:26,760 --> 00:33:29,710  
foreign

409  
00:34:04,190 --> 00:33:45,260  
[Music]

410  
00:34:04,200 --> 00:34:27,870  
foreign

411  
00:34:27,880 --> 00:34:42,649  
[Music]

412  
00:34:42,659 --> 00:35:14,750  
changes

413  
00:35:14,760 --> 00:35:18,410

through the river

414

00:35:18,420 --> 00:35:56,870

praise

415

00:35:56,880 --> 00:36:09,600

begin to realize the difference

416

00:36:33,170 --> 00:36:29,060

[Music]

417

00:36:33,180 --> 00:36:36,540

foreign

418

00:38:19,990 --> 00:36:46,570

[Music]

419

00:38:31,069 --> 00:38:20,000

[Applause]

420

00:38:31,079 --> 00:38:36,170

got a call back from Mr marzole

421

00:38:36,180 --> 00:38:39,829

on another

422

00:38:44,750 --> 00:38:41,990

I'm not sure why we got our

423

00:38:47,270 --> 00:38:44,760

wires crossed and I sincerely apologize

424

00:38:51,050 --> 00:38:47,280

we had rescheduled this

425

00:38:53,030 --> 00:38:51,060

uh before to tonight and I always put

426

00:38:55,630 --> 00:38:53,040

Eastern Standard time but apparently

427

00:38:58,970 --> 00:38:55,640

that was the you know he's in California

428

00:39:00,710 --> 00:38:58,980

so I apologize sincerely Our Guest is

429

00:39:03,109 --> 00:39:00,720

not making it considering he's on

430

00:39:06,829 --> 00:39:03,119

another show for the UFO Congress that

431

00:39:12,230 --> 00:39:09,650

um so I thought we could do is just make

432

00:39:13,010 --> 00:39:12,240

this an open discussion then

433

00:39:16,310 --> 00:39:13,020

um

434

00:39:19,370 --> 00:39:16,320

and uh I apologize for a lack of guests

435

00:39:20,870 --> 00:39:19,380

I will read I'm gonna go and edit this

436

00:39:23,089 --> 00:39:20,880

uh

437

00:39:24,650 --> 00:39:23,099

I guess I'll edit the title at the

438

00:39:27,230 --> 00:39:24,660

description I don't want to mislead

439

00:39:31,490 --> 00:39:27,240

people into thinking that it a guest is

440

00:39:34,250 --> 00:39:31,500

here when they are not uh so I will just

441

00:39:36,890 --> 00:39:34,260

take out LA Marzulli interview and leave

442

00:39:38,930 --> 00:39:36,900

it as the paracas skulls the Nephilim

443

00:39:41,750 --> 00:39:38,940

and more anybody who wants to come on

444

00:39:44,450 --> 00:39:41,760

tonight and have a discussion I'm not

445

00:39:46,190 --> 00:39:44,460

ready to throw in the towel just yet we

446

00:39:49,609 --> 00:39:46,200

roll with the punches here it's a live

447

00:39:52,730 --> 00:39:49,619

show that's what we do and uh you can

448

00:39:53,510 --> 00:39:52,740

help me uh by becoming a part of the

449

00:39:57,410 --> 00:39:53,520

show

450

00:39:59,510 --> 00:39:57,420

otherwise we will simply take a

451  
00:40:01,490 --> 00:39:59,520  
questions and comments and have a

452  
00:40:03,410 --> 00:40:01,500  
discussion with the live chat which is

453  
00:40:05,990 --> 00:40:03,420  
kind of something we have not done very

454  
00:40:10,910 --> 00:40:06,000  
much I'm going to put the link to join

455  
00:40:16,309 --> 00:40:12,950  
and please

456  
00:40:17,890 --> 00:40:16,319  
wear headphones and the one rule here is

457  
00:40:20,510 --> 00:40:17,900  
no nudity

458  
00:40:24,349 --> 00:40:20,520  
and it's strange that I have to say that

459  
00:40:26,870 --> 00:40:24,359  
but yes I do have to say that uh yeah

460  
00:40:29,450 --> 00:40:26,880  
YouTube doesn't like naked bodies so

461  
00:40:31,490 --> 00:40:29,460  
please don't stream in here naked I

462  
00:40:35,150 --> 00:40:31,500  
happen to be visually impaired and I

463  
00:40:37,250 --> 00:40:35,160

wouldn't be able to tell very well uh oh

464

00:40:40,490 --> 00:40:37,260

yeah and let me let me take a moment to

465

00:40:43,250 --> 00:40:40,500

thank the super Chatters we had Lee

466

00:40:44,870 --> 00:40:43,260

badge I believe one second let me get

467

00:40:46,309 --> 00:40:44,880

back there way back in the beginning of

468

00:40:49,790 --> 00:40:46,319

the show

469

00:40:51,829 --> 00:40:49,800

let me try to get uh we'll recognize

470

00:40:54,290 --> 00:40:51,839

those kind and generous people this is a

471

00:40:56,089 --> 00:40:54,300

viewer supported show and uh people all

472

00:40:58,370 --> 00:40:56,099

over the world throw a few bucks in our

473

00:41:00,710 --> 00:40:58,380

hat to help us keep doing this great

474

00:41:02,630 --> 00:41:00,720

work uh it was welcome to the show with

475

00:41:04,370 --> 00:41:02,640

a Kind and Generous 99 pound super

476

00:41:06,650 --> 00:41:04,380

sticker purchase thank you for your

477

00:41:08,990 --> 00:41:06,660

kindness your generosity and your

478

00:41:12,650 --> 00:41:09,000

support of the show it is much much

479

00:41:15,650 --> 00:41:12,660

appreciated and uh let's see who else

480

00:41:17,089 --> 00:41:15,660

did we have we had one more here that I

481

00:41:20,329 --> 00:41:17,099

just saw

482

00:41:22,730 --> 00:41:20,339

then Bob with a Kind and Generous 13.99

483

00:41:24,230 --> 00:41:22,740

uh Super Chat very generous of you thank

484

00:41:26,569 --> 00:41:24,240

you for your kindness your generosity

485

00:41:29,150 --> 00:41:26,579

and your continued support of the show

486

00:41:31,970 --> 00:41:29,160

both of these people are long time show

487

00:41:34,130 --> 00:41:31,980

supporters thank you for supporting the

488

00:41:39,770 --> 00:41:34,140

show and for helping us to praise the

489

00:41:44,300 --> 00:41:41,950

[Music]

490

00:41:54,050 --> 00:41:44,310

thank you for your generosity

491

00:41:59,210 --> 00:41:57,170

uh yes this is live uh single wide

492

00:42:01,130 --> 00:41:59,220

Samurai which is the problem we were

493

00:42:04,790 --> 00:42:01,140

supposed to have our guest tonight Ellie

494

00:42:06,770 --> 00:42:04,800

Marzulli got uh our wires crossed

495

00:42:10,010 --> 00:42:06,780

somehow and he was actually on another

496

00:42:12,950 --> 00:42:10,020

show uh to promote this UFO Congress

497

00:42:15,829 --> 00:42:12,960

that he is a part of uh

498

00:42:18,890 --> 00:42:15,839

uh right now when he was uh scheduled to

499

00:42:20,569 --> 00:42:18,900

be here as well so it's just a uh

500

00:42:25,069 --> 00:42:20,579

scheduling

501  
00:42:26,809 --> 00:42:25,079  
conflict uh Gunner 65 yes I have and uh

502  
00:42:29,569 --> 00:42:26,819  
you know I get that you disagree with

503  
00:42:31,250 --> 00:42:29,579  
him however I can't be wrong about all

504  
00:42:34,130 --> 00:42:31,260  
of it and he has been right about a

505  
00:42:36,170 --> 00:42:34,140  
great number of things including

506  
00:42:39,670 --> 00:42:36,180  
um getting the DNA evidence on those

507  
00:42:42,950 --> 00:42:39,680  
Caracas skulls which may in fact rewrite

508  
00:42:45,410 --> 00:42:42,960  
literally rewrite human history because

509  
00:42:46,970 --> 00:42:45,420  
you know I I really wanted him to

510  
00:42:49,550 --> 00:42:46,980  
explain this but apparently the

511  
00:42:51,349 --> 00:42:49,560  
haplotype of the DNA of those paracos

512  
00:42:54,290 --> 00:42:51,359  
goals came back as

513  
00:42:56,569 --> 00:42:54,300

## Middle Eastern European

514

00:42:58,849 --> 00:42:56,579

which makes no sense because that would

515

00:43:01,790 --> 00:42:58,859

mean that thousands of years before

516

00:43:04,430 --> 00:43:01,800

Columbus apparently

517

00:43:08,390 --> 00:43:04,440

someone from the Middle East or Europe

518

00:43:12,829 --> 00:43:08,400

made their way to paracas South America

519

00:43:14,990 --> 00:43:12,839

those people show DNA of Middle Eastern

520

00:43:17,150 --> 00:43:15,000

European people

521

00:43:20,109 --> 00:43:17,160

how does that happen they're separated

522

00:43:25,930 --> 00:43:20,119

by an ocean and we're told by our actual

523

00:43:28,609 --> 00:43:25,940

supposedly real history that you

524

00:43:31,490 --> 00:43:28,619

these cultures never interacted they

525

00:43:33,710 --> 00:43:31,500

were separated by an ocean

526

00:43:36,890 --> 00:43:33,720

have you read the studies gutter 65

527

00:43:40,010 --> 00:43:36,900

because I have uh but you know I'm not a

528

00:43:42,349 --> 00:43:40,020

geneticist but I've read the reports

529

00:43:45,589 --> 00:43:42,359

yeah visas makes perfect sense and

530

00:43:48,470 --> 00:43:45,599

explains the red hair yeah I absolutely

531

00:43:53,030 --> 00:43:48,480

positively agree with that I think that

532

00:43:55,130 --> 00:43:53,040

it uh it raises more questions than than

533

00:43:58,670 --> 00:43:55,140

it provides answers for though the like

534

00:44:01,190 --> 00:43:58,680

how how did these people get from the

535

00:44:03,349 --> 00:44:01,200

Middle East or Europe all the way to

536

00:44:05,089 --> 00:44:03,359

paracas South America thousands and

537

00:44:07,550 --> 00:44:05,099

thousands of years before we're told

538

00:44:10,849 --> 00:44:07,560

that the people in the Middle East or

539

00:44:13,670 --> 00:44:10,859

Europe even knew that a continent was

540

00:44:16,609 --> 00:44:13,680

there across the ocean

541

00:44:18,109 --> 00:44:16,619

but I I like this

542

00:44:20,510 --> 00:44:18,119

sort of

543

00:44:22,849 --> 00:44:20,520

combination of evidence we have biblical

544

00:44:24,950 --> 00:44:22,859

evidence for the Nephilim

545

00:44:27,109 --> 00:44:24,960

fleeing their homes because they were

546

00:44:30,170 --> 00:44:27,119

getting slowly exterminated by David

547

00:44:32,210 --> 00:44:30,180

King David his brothers his tribe were

548

00:44:35,510 --> 00:44:32,220

running around Exterminating these

549

00:44:38,690 --> 00:44:35,520

hybrid beings right

550

00:44:45,530 --> 00:44:42,109

it's it's crazy it's a crazy mystery

551  
00:44:51,410 --> 00:44:47,690  
yeah water on Manoa we weren't allowed

552  
00:44:55,130 --> 00:44:53,510  
and drubas is here and says true Seekers

553  
00:44:56,990 --> 00:44:55,140  
maybe the Giants the Native Americans

554  
00:44:59,930 --> 00:44:57,000  
came across were Vikings not sure about

555  
00:45:02,270 --> 00:44:59,940  
the six-finger thing though yeah I just

556  
00:45:05,030 --> 00:45:02,280  
saw the Scott Walter America Unearthed

557  
00:45:06,050 --> 00:45:05,040  
episode uh where they looked for a Norse

558  
00:45:08,930 --> 00:45:06,060  
Giant

559  
00:45:10,510 --> 00:45:08,940  
and um that's was very frustrating to me

560  
00:45:12,950 --> 00:45:10,520  
because apparently

561  
00:45:16,849 --> 00:45:12,960  
Scott Walter found a guy in the middle

562  
00:45:18,890 --> 00:45:16,859  
of uh I think it was Minnesota who was

563  
00:45:21,290 --> 00:45:18,900

doing some digging on his farm and he

564

00:45:23,750 --> 00:45:21,300

found an eight foot plus tall giant

565

00:45:25,670 --> 00:45:23,760

skeleton the state archaeologist came

566

00:45:28,430 --> 00:45:25,680

out uh because there were two other

567

00:45:30,109 --> 00:45:28,440

bodies uh and they were all believed to

568

00:45:31,490 --> 00:45:30,119

be Native American and you're not

569

00:45:35,170 --> 00:45:31,500

allowed to dig

570

00:45:38,030 --> 00:45:35,180

so they covered all of the

571

00:45:39,770 --> 00:45:38,040

skeletons up there was three of them and

572

00:45:41,750 --> 00:45:39,780

then you're forbidden from digging there

573

00:45:43,849 --> 00:45:41,760

again and the state archaeologist claims

574

00:45:45,650 --> 00:45:43,859

no no this wasn't eight foot tall giant

575

00:45:48,530 --> 00:45:45,660

it was five foot tall

576

00:45:50,569 --> 00:45:48,540

but this farmer was adamant he saw it

577

00:45:53,089 --> 00:45:50,579

and said there's no way that it was any

578

00:45:55,730 --> 00:45:53,099

less than eight feet plus tall

579

00:45:58,069 --> 00:45:55,740

and Scott Walters there and he's there

580

00:46:00,770 --> 00:45:58,079

and they're like well uh it's right here

581

00:46:02,809 --> 00:46:00,780

but we're not allowed to dig it up again

582

00:46:04,849 --> 00:46:02,819

I'm sorry but if that was on my property

583

00:46:07,430 --> 00:46:04,859

a mystery like that I would not be able

584

00:46:11,450 --> 00:46:07,440

to not dig it up again even if it was

585

00:46:13,010 --> 00:46:11,460

illegal I think I mean just that kind of

586

00:46:15,349 --> 00:46:13,020

a mystery sitting right there on your

587

00:46:18,050 --> 00:46:15,359

property right

588

00:46:20,809 --> 00:46:18,060

world of chaos says Lord pie did great

589

00:46:23,089 --> 00:46:20,819

research rest in peace yeah I I agree

590

00:46:26,809 --> 00:46:23,099

with you somewhat World chaos I think he

591

00:46:29,510 --> 00:46:26,819

was very passionate but uh he was also a

592

00:46:32,390 --> 00:46:29,520

science denier in other words when the

593

00:46:34,790 --> 00:46:32,400

DNA came back with something showing you

594

00:46:36,829 --> 00:46:34,800

know anomalies or something that

595

00:46:38,450 --> 00:46:36,839

supported his theories he liked the DNA

596

00:46:42,050 --> 00:46:38,460

results when it came back and said no no

597

00:46:45,770 --> 00:46:42,060

this was just human and nothing else no

598

00:46:48,710 --> 00:46:45,780

one uh you know he he would argue with

599

00:46:51,470 --> 00:46:48,720

the scientists that they were wrong and

600

00:46:54,530 --> 00:46:51,480

you know I think to deny good science

601  
00:46:58,490 --> 00:46:54,540  
just because you have a theory

602  
00:47:00,170 --> 00:46:58,500  
um is not a good idea

603  
00:47:02,510 --> 00:47:00,180  
and I'm going to put it in the the

604  
00:47:04,370 --> 00:47:02,520  
stream one more time invitation to join

605  
00:47:05,770 --> 00:47:04,380  
the show panel

606  
00:47:08,690 --> 00:47:05,780  
beer

607  
00:47:10,970 --> 00:47:08,700  
uh there you go and otherwise we're

608  
00:47:13,790 --> 00:47:10,980  
going to wrap things up honestly I'm not

609  
00:47:15,950 --> 00:47:13,800  
I'm feeling under the weather today

610  
00:47:18,410 --> 00:47:15,960  
for those of you as some of you know

611  
00:47:20,690 --> 00:47:18,420  
that I had a brain aneurysm I woke up

612  
00:47:24,109 --> 00:47:20,700  
today with a splitting migraine headache

613  
00:47:26,030 --> 00:47:24,119

and uh I never get headaches uh let

614

00:47:28,970 --> 00:47:26,040

alone really bad migraine headaches and

615

00:47:30,730 --> 00:47:28,980

I mean a typical migraine I knew it was

616

00:47:34,490 --> 00:47:30,740

some sort of migraine right away because

617

00:47:37,010 --> 00:47:34,500

I had a really hard time with light like

618

00:47:38,569 --> 00:47:37,020

light hurt my head

619

00:47:40,130 --> 00:47:38,579

um

620

00:47:42,650 --> 00:47:40,140

what what

621

00:47:48,109 --> 00:47:42,660

it is I don't know but I'm feeling a

622

00:47:51,950 --> 00:47:50,450

uh welcome to the show did goofan drop a

623

00:47:54,230 --> 00:47:51,960

show last night he wasn't on alien

624

00:47:56,329 --> 00:47:54,240

addict also everything okay yeah I

625

00:47:58,250 --> 00:47:56,339

believe that he fell asleep uh Rich has

626

00:47:59,870 --> 00:47:58,260

a tendency to do that he's like yeah I

627

00:48:01,490 --> 00:47:59,880

know I had a show scheduled but I slept

628

00:48:03,609 --> 00:48:01,500

through it sorry guys I'll do the show

629

00:48:06,890 --> 00:48:03,619

at midnight that's what happened

630

00:48:10,490 --> 00:48:06,900

uh yeah the Rogue status is here to save

631

00:48:13,069 --> 00:48:10,500

the day hey what's up pal

632

00:48:14,750 --> 00:48:13,079

well I was expecting somebody else but I

633

00:48:16,670 --> 00:48:14,760

am glad to see you thanks for coming in

634

00:48:19,549 --> 00:48:16,680

here so what do you think of all this

635

00:48:22,430 --> 00:48:19,559

stuff honestly I just got here but I I

636

00:48:24,530 --> 00:48:22,440

caught the tail end of it but I did see

637

00:48:26,089 --> 00:48:24,540

some very interesting things about where

638

00:48:29,030 --> 00:48:26,099

um there's there's a few Native American

639

00:48:30,710 --> 00:48:29,040

tribes in our country right that they're

640

00:48:33,589 --> 00:48:30,720

they're like alphabet

641

00:48:39,309 --> 00:48:33,599

when you compare to like old Hebrew is

642

00:48:43,190 --> 00:48:41,569

yeah you got to send me some links to

643

00:48:45,109 --> 00:48:43,200

that stuff I will I will that's pretty

644

00:48:47,150 --> 00:48:45,119

cool yeah it's interesting that many

645

00:48:48,829 --> 00:48:47,160

Native Americans that had no written

646

00:48:50,870 --> 00:48:48,839

language

647

00:48:53,390 --> 00:48:50,880

you know they did everything by uh

648

00:48:55,670 --> 00:48:53,400

verbal you know uh

649

00:48:57,349 --> 00:48:55,680

what is that like uh oral tradition

650

00:48:59,990 --> 00:48:57,359

that's what they call it

651  
00:49:01,790 --> 00:49:00,000  
right yeah

652  
00:49:03,710 --> 00:49:01,800  
yeah so I I don't know what to think

653  
00:49:05,750 --> 00:49:03,720  
about some some of this stuff but the

654  
00:49:08,150 --> 00:49:05,760  
but the DNA evidence in these practice

655  
00:49:10,670 --> 00:49:08,160  
skulls is crazy because that would mean

656  
00:49:14,530 --> 00:49:10,680  
that somewhere thousands of years before

657  
00:49:18,290 --> 00:49:14,540  
we thought anybody got to the Americas

658  
00:49:19,910 --> 00:49:18,300  
Eastern uh or I'm sorry European and

659  
00:49:22,010 --> 00:49:19,920  
Middle Eastern people

660  
00:49:24,049 --> 00:49:22,020  
made their way to South America

661  
00:49:26,089 --> 00:49:24,059  
thousands of years before Columbus or

662  
00:49:27,470 --> 00:49:26,099  
anybody else and that would explain yeah

663  
00:49:30,890 --> 00:49:27,480

I find it hard to believe it all I mean

664

00:49:33,109 --> 00:49:30,900

think about the the human Spirit of like

665

00:49:34,130 --> 00:49:33,119

to to you know to explore you know

666

00:49:35,690 --> 00:49:34,140

there's people doing it thousands of

667

00:49:38,809 --> 00:49:35,700

years ago

668

00:49:41,150 --> 00:49:38,819

yeah I mean I I don't know though I

669

00:49:43,190 --> 00:49:41,160

if you have any experience on boats in

670

00:49:45,470 --> 00:49:43,200

the ocean because I've been on a boat in

671

00:49:48,290 --> 00:49:45,480

the ocean a big sailboat and it is scary

672

00:49:50,930 --> 00:49:48,300

I couldn't imagine crossing over to

673

00:49:53,870 --> 00:49:50,940

Europe on a sailboat that's crazy

674

00:49:57,650 --> 00:49:53,880

I mean no personally I'm not a seafaring

675

00:49:59,210 --> 00:49:57,660

animal not at all I belong on land

676  
00:50:02,690 --> 00:49:59,220  
yeah

677  
00:50:04,609 --> 00:50:02,700  
mean there's a will there's a way right

678  
00:50:07,549 --> 00:50:04,619  
I don't know I find it hard to believe

679  
00:50:09,410 --> 00:50:07,559  
that I don't know just history just so

680  
00:50:11,510 --> 00:50:09,420  
suspect you know what I mean it's always

681  
00:50:13,970 --> 00:50:11,520  
very sanitized I feel

682  
00:50:16,250 --> 00:50:13,980  
yeah and it is interesting there was

683  
00:50:18,290 --> 00:50:16,260  
also a lot of evidence that anytime

684  
00:50:21,770 --> 00:50:18,300  
anything is discovered that goes against

685  
00:50:24,230 --> 00:50:21,780  
the uh darwinian evolution

686  
00:50:26,569 --> 00:50:24,240  
they cover it up or you know there's all

687  
00:50:28,130 --> 00:50:26,579  
these giant there's all these if you

688  
00:50:30,049 --> 00:50:28,140

look into it there's all these newspaper

689

00:50:32,450 --> 00:50:30,059

articles about giant skeletons being

690

00:50:34,609 --> 00:50:32,460

found and then somebody from the

691

00:50:36,530 --> 00:50:34,619

Smithsonian comes and then it all

692

00:50:37,849 --> 00:50:36,540

disappears and nobody knows what happens

693

00:50:39,890 --> 00:50:37,859

to it all

694

00:50:41,870 --> 00:50:39,900

I want to look into that and I want to

695

00:50:43,430 --> 00:50:41,880

get somebody from the Smithsonian on an

696

00:50:45,109 --> 00:50:43,440

interview because I want to show them

697

00:50:47,870 --> 00:50:45,119

all the articles that I've found

698

00:50:50,329 --> 00:50:47,880

throughout history that say a giant

699

00:50:52,309 --> 00:50:50,339

skeleton was found and then somebody and

700

00:50:53,990 --> 00:50:52,319

then the Smithsonian got involved and

701  
00:50:55,609 --> 00:50:54,000  
then what happened to the skeleton

702  
00:50:57,170 --> 00:50:55,619  
nobody knows according to them they

703  
00:50:59,569 --> 00:50:57,180  
don't have any

704  
00:51:01,370 --> 00:50:59,579  
but I've got 10 articles which state

705  
00:51:04,010 --> 00:51:01,380  
that they got involved and and were

706  
00:51:07,490 --> 00:51:04,020  
studying that the found artifact or

707  
00:51:10,549 --> 00:51:07,500  
skeleton and then we don't there's no

708  
00:51:13,329 --> 00:51:10,559  
you know there's no giant skeletons on

709  
00:51:16,430 --> 00:51:13,339  
display at the Smithsonian Institute

710  
00:51:18,589 --> 00:51:16,440  
they just disappear they disappear

711  
00:51:19,370 --> 00:51:18,599  
exactly right see I don't know see

712  
00:51:22,190 --> 00:51:19,380  
that's the other thing because there's

713  
00:51:24,890 --> 00:51:22,200

so many coincidences like that V says

714

00:51:28,609 --> 00:51:24,900

Smithsonian Men In Black is real I think

715

00:51:30,950 --> 00:51:28,619

it is from what I've seen be yeah

716

00:51:32,510 --> 00:51:30,960

uh anyway I just want to say hello and

717

00:51:34,670 --> 00:51:32,520

uh good stream I will catch the rest of

718

00:51:36,410 --> 00:51:34,680

it later yeah we're gonna bounce on out

719

00:51:38,329 --> 00:51:36,420

of here so all right I'll throw you out

720

00:51:41,150 --> 00:51:38,339

of here thanks for coming later man

721

00:51:44,390 --> 00:51:41,160

we'll talk soon all right there we we

722

00:51:47,809 --> 00:51:44,400

have Rogue status uh chiming in

723

00:51:50,569 --> 00:51:47,819

so uh yeah the Watcher says they

724

00:51:52,790 --> 00:51:50,579

destroyed all the bones I I

725

00:51:54,530 --> 00:51:52,800

you know these newspaper articles you

726  
00:51:57,230 --> 00:51:54,540  
can look them up online where people

727  
00:52:00,710 --> 00:51:57,240  
find a giant skeleton suddenly the

728  
00:52:01,910 --> 00:52:00,720  
Smithsonian Institute gets involved and

729  
00:52:09,890 --> 00:52:01,920  
the

730  
00:52:15,049 --> 00:52:09,900  
treaties concerning Native American

731  
00:52:19,549 --> 00:52:17,569  
Tony UK there exists a lot of photos

732  
00:52:21,470 --> 00:52:19,559  
look it up if the skeletons were real

733  
00:52:23,930 --> 00:52:21,480  
why did nobody photo them there actually

734  
00:52:27,410 --> 00:52:23,940  
exists uh

735  
00:52:30,170 --> 00:52:27,420  
a lot of newspaper articles with

736  
00:52:34,069 --> 00:52:30,180  
pictures of giant skeletons and like I

737  
00:52:37,549 --> 00:52:34,079  
said the Smithsonian gets involved

738  
00:52:40,069 --> 00:52:37,559

it's it's they all disappear

739

00:52:42,170 --> 00:52:40,079

if he says hydrate hydrate Stephen

740

00:52:45,049 --> 00:52:42,180

unplug feel better yeah I'm gonna go

741

00:52:46,430 --> 00:52:45,059

take a nap you know I still have a

742

00:52:48,710 --> 00:52:46,440

little bit of a headache I'm gonna go

743

00:52:51,290 --> 00:52:48,720

take some Motrin and take a nap I'm

744

00:52:52,970 --> 00:52:51,300

hoping that it's just a weird you know I

745

00:52:55,430 --> 00:52:52,980

get a headache like once every couple of

746

00:52:59,630 --> 00:52:55,440

years but they when I get a headache I

747

00:53:01,370 --> 00:52:59,640

get nervous because you know I the one

748

00:53:03,109 --> 00:53:01,380

time I got a real bad headache I ended

749

00:53:06,710 --> 00:53:03,119

up in the hospital for a long time with

750

00:53:08,510 --> 00:53:06,720

brain aneurysm and uh I'm always worried

751

00:53:13,790 --> 00:53:08,520

that there is another one or you know

752

00:53:17,630 --> 00:53:15,950

yeah and there wasn't many cameras at

753

00:53:20,329 --> 00:53:17,640

the time for the public back in the

754

00:53:22,910 --> 00:53:20,339

1800s for sure

755

00:53:24,770 --> 00:53:22,920

Beck says they dumped those skeletons in

756

00:53:27,710 --> 00:53:24,780

the ocean

757

00:53:29,770 --> 00:53:27,720

Holly Bagley is praying for me in my

758

00:53:32,030 --> 00:53:29,780

head and yeshua's name

759

00:53:33,890 --> 00:53:32,040

I'm feeling much better than this

760

00:53:36,170 --> 00:53:33,900

morning though I I couldn't find any

761

00:53:38,510 --> 00:53:36,180

ibuprofen I took some Acetaminophen I

762

00:53:40,010 --> 00:53:38,520

don't know if that does anything or did

763

00:53:41,510 --> 00:53:40,020

anything but I do feel a little bit

764

00:53:43,190 --> 00:53:41,520

better

765

00:53:45,290 --> 00:53:43,200

um just one of those weird things like I

766

00:53:47,630 --> 00:53:45,300

woke up with a splitting splitting

767

00:53:49,730 --> 00:53:47,640

headache

768

00:53:52,010 --> 00:53:49,740

some of you aware that there's some uh

769

00:53:55,069 --> 00:53:52,020

Dramarama and another show host said

770

00:53:57,530 --> 00:53:55,079

that uh I don't know the uh sort of

771

00:53:59,089 --> 00:53:57,540

lumped me in with another show uh that

772

00:54:02,930 --> 00:53:59,099

they're beefing with and all this

773

00:54:05,390 --> 00:54:02,940

nonsense and they should look up the

774

00:54:07,309 --> 00:54:05,400

they're just very misinformed because I

775

00:54:09,710 --> 00:54:07,319

want people to I want everyone to be

776

00:54:12,770 --> 00:54:09,720

clear that I don't agree with Mr Fister

777

00:54:16,069 --> 00:54:12,780

or Uncle Fester well you know that guy's

778

00:54:18,530 --> 00:54:16,079

a piece of [h\_\_\h] and uh you know for

779

00:54:19,970 --> 00:54:18,540

people to sort of insinuate that I'm on

780

00:54:21,490 --> 00:54:19,980

that guy's side is completely and

781

00:54:25,670 --> 00:54:21,500

totally wrong

782

00:54:29,089 --> 00:54:25,680

uh that is the show which doxed me

783

00:54:30,950 --> 00:54:29,099

threatened me harassed me and I believe

784

00:54:33,950 --> 00:54:30,960

it was someone from their show who even

785

00:54:35,750 --> 00:54:33,960

came in our live chat here and made

786

00:54:37,670 --> 00:54:35,760

a bunch of threats

787

00:54:40,609 --> 00:54:37,680

so I'm certainly no fan of that person

788

00:54:43,309 --> 00:54:40,619

sort of lumped me in with that guy

789

00:54:45,289 --> 00:54:43,319

wrong idea and there's a lot more that I

790

00:54:48,650 --> 00:54:45,299

could say about that show in specific

791

00:54:51,530 --> 00:54:48,660

slagging me uh maybe they ought to stop

792

00:54:54,950 --> 00:54:51,540

licking UFO celebrities [\h\_\_\h] and do

793

00:54:57,589 --> 00:54:54,960

some real work before they comment on uh

794

00:55:00,770 --> 00:54:57,599

my level of talent but you know

795

00:55:02,750 --> 00:55:00,780

it is what it is right some jerk off

796

00:55:04,430 --> 00:55:02,760

that needs three co-hosts and all these

797

00:55:07,849 --> 00:55:04,440

people working for him to produce the

798

00:55:10,730 --> 00:55:07,859

show I do it myself you have no right to

799

00:55:13,309 --> 00:55:10,740

comment on my level of talent pal

800

00:55:15,049 --> 00:55:13,319

or what I'm doing here because you know

801  
00:55:17,750 --> 00:55:15,059  
it's so funny the guy has three or four

802  
00:55:19,849 --> 00:55:17,760  
show hosts co-hosts I'm sorry is it

803  
00:55:21,609 --> 00:55:19,859  
three or four I don't know and he's got

804  
00:55:24,289 --> 00:55:21,619  
to have one or two people to interview

805  
00:55:26,690 --> 00:55:24,299  
or he can't do a show and he's

806  
00:55:29,150 --> 00:55:26,700  
commenting on my level of talent when

807  
00:55:30,829 --> 00:55:29,160  
I'm a one-man Army here I booked the

808  
00:55:34,670 --> 00:55:30,839  
guests I do the graphics I do the

809  
00:55:37,549 --> 00:55:34,680  
research I uh host the show I do the

810  
00:55:39,950 --> 00:55:37,559  
interviews I uh do the graphics and the

811  
00:55:42,049 --> 00:55:39,960  
video editing and everything here the

812  
00:55:44,569 --> 00:55:42,059  
social media promotion everything I do

813  
00:55:47,569 --> 00:55:44,579

it all by myself so for some jerk off

814

00:55:49,670 --> 00:55:47,579

who has an army a literal you know what

815

00:55:52,069 --> 00:55:49,680

has he got five or seven people helping

816

00:55:55,849 --> 00:55:52,079

him produce his show he's gonna

817

00:55:58,250 --> 00:55:55,859

take a shot at me dude uh why don't you

818

00:55:59,990 --> 00:55:58,260

and and by the way that show's not doing

819

00:56:02,569 --> 00:56:00,000

so much better than me in views

820

00:56:04,670 --> 00:56:02,579

considering that level of help that that

821

00:56:07,609 --> 00:56:04,680

guy has that's an awful lot of help

822

00:56:11,270 --> 00:56:07,619

three co-hosts right

823

00:56:13,069 --> 00:56:11,280

and you gotta you gotta make sure if

824

00:56:15,289 --> 00:56:13,079

you're this guy that you gotta put your

825

00:56:18,289 --> 00:56:15,299

morals and your ethics in the literal

826

00:56:20,270 --> 00:56:18,299

trash this is a man who has interviewed

827

00:56:23,210 --> 00:56:20,280

or gotten access to interview Lou

828

00:56:24,770 --> 00:56:23,220

alzano more than anybody hey buddy uh

829

00:56:26,930 --> 00:56:24,780

why don't you ask him what he did at

830

00:56:28,630 --> 00:56:26,940

Guantanamo Bay right want to ask him

831

00:56:32,450 --> 00:56:28,640

some hard questions why do you ask them

832

00:56:34,430 --> 00:56:32,460

uh does he feel bad that tsa the

833

00:56:37,190 --> 00:56:34,440

organization he was a part of scammed

834

00:56:38,930 --> 00:56:37,200

every investor and never

835

00:56:41,329 --> 00:56:38,940

gave any of the money back to the

836

00:56:43,849 --> 00:56:41,339

investors hey uh why didn't he ask Lou

837

00:56:45,770 --> 00:56:43,859

Alexander where does spaceship tsa

838

00:56:48,049 --> 00:56:45,780

promised everybody was and does he feel

839

00:56:50,329 --> 00:56:48,059

any responsibility to apologize to

840

00:56:52,309 --> 00:56:50,339

investors because he stood there on a

841

00:56:54,109 --> 00:56:52,319

stage while Tom DeLonge promised

842

00:56:56,390 --> 00:56:54,119

everybody a spaceship and never

843

00:56:59,390 --> 00:56:56,400

delivered right ask some hard questions

844

00:57:01,430 --> 00:56:59,400

buddy don't take shots at me because I

845

00:57:03,890 --> 00:57:01,440

can go through your guest list oh oh

846

00:57:07,430 --> 00:57:03,900

deep Prasad you interviewed deep Prasad

847

00:57:10,190 --> 00:57:07,440

right did you or did you not ask him

848

00:57:12,109 --> 00:57:10,200

about his company that he claims has

849

00:57:16,490 --> 00:57:12,119

millions and millions of dollars worth

850

00:57:19,730 --> 00:57:16,500

of investment that is a goddamn P.O box

851  
00:57:23,690 --> 00:57:19,740  
I'm sorry to tell you Mr celebrity show

852  
00:57:26,510 --> 00:57:23,700  
host idiot but if your company is a P.O

853  
00:57:29,930 --> 00:57:26,520  
box you do not have millions of dollars

854  
00:57:32,150 --> 00:57:29,940  
of Investments that's a lie you did zero

855  
00:57:34,370 --> 00:57:32,160  
research on that guest and you gave them

856  
00:57:36,650 --> 00:57:34,380  
the UFO circle jerk now I haven't been

857  
00:57:39,230 --> 00:57:36,660  
through his guest list but they do the

858  
00:57:41,690 --> 00:57:39,240  
UFO circle jerk to everybody and it just

859  
00:57:44,150 --> 00:57:41,700  
so happens that recently at least one of

860  
00:57:46,609 --> 00:57:44,160  
the co-hosts of his show grew a set of

861  
00:57:48,589 --> 00:57:46,619  
balls and asked one real question and

862  
00:57:52,010 --> 00:57:48,599  
there was a big Fallout from that right

863  
00:57:55,849 --> 00:57:52,020

and now the Fister and this other UFO

864

00:57:56,630 --> 00:57:55,859

celebrity idiot interview show they are

865

00:57:58,789 --> 00:57:56,640

gonna

866

00:58:00,950 --> 00:57:58,799

fight I believe they're fighting over

867

00:58:02,690 --> 00:58:00,960

Lou Elizondo that's what I think because

868

00:58:04,910 --> 00:58:02,700

look at their views when they don't have

869

00:58:07,069 --> 00:58:04,920

Elizondo then look at their views when

870

00:58:11,390 --> 00:58:07,079

they have Elizondo oh show with no

871

00:58:14,089 --> 00:58:11,400

Elizondo oh okay we get uh you know 1500

872

00:58:18,170 --> 00:58:14,099

views which is not far off of my

873

00:58:20,690 --> 00:58:18,180

averages then they have Elizondo 15 000

874

00:58:22,970 --> 00:58:20,700

views so is it any wonder that these two

875

00:58:24,710 --> 00:58:22,980

shows are are don't go on that guy's

876

00:58:26,390 --> 00:58:24,720

show they're [h\_\_h] then the other

877

00:58:28,430 --> 00:58:26,400

show goes don't go on that guy's show

878

00:58:31,789 --> 00:58:28,440

they were [h\_\_h] they asked you a hard

879

00:58:36,049 --> 00:58:31,799

question it's a joke Here Comes Sixth

880

00:58:37,910 --> 00:58:36,059

Sense hey what's up greetings um yeah I

881

00:58:40,370 --> 00:58:37,920

think that that took them off there with

882

00:58:43,010 --> 00:58:40,380

that squidding had said there

883

00:58:44,750 --> 00:58:43,020

um because because apparently I mean he

884

00:58:47,270 --> 00:58:44,760

said it during that last show too that

885

00:58:49,789 --> 00:58:47,280

he pretty much supported let's just say

886

00:58:51,829 --> 00:58:49,799

pretty much supported Lou so that was

887

00:58:53,630 --> 00:58:51,839

like an insult that his co-host went

888

00:58:55,430 --> 00:58:53,640

ahead and just went the other way on him

889

00:58:58,010 --> 00:58:55,440

yeah how much you want to bet if they

890

00:58:59,630 --> 00:58:58,020

get if they if Lou Elizondo goes on that

891

00:59:06,549 --> 00:58:59,640

show again how much you want to bet that

892

00:59:11,450 --> 00:59:09,589

yeah yeah get rid of them get rid of the

893

00:59:14,450 --> 00:59:11,460

opposition because that's how Lou Works

894

00:59:16,789 --> 00:59:14,460

he will not go on to a show that that

895

00:59:19,430 --> 00:59:16,799

you know has especially co-host against

896

00:59:21,470 --> 00:59:19,440

him or or the majority of the audiences

897

00:59:23,990 --> 00:59:21,480

against them you know he wants to the

898

00:59:25,750 --> 00:59:24,000

kiss ass people I mean they they face it

899

00:59:28,309 --> 00:59:25,760

that's what it is

900

00:59:31,309 --> 00:59:28,319

he went on shows that had less than a

901  
00:59:33,289 --> 00:59:31,319  
thousand subscribers meanwhile he could

902  
00:59:34,549 --> 00:59:33,299  
go on third phase of moon that has what

903  
00:59:36,530 --> 00:59:34,559  
seven or eight hundred thousand

904  
00:59:38,650 --> 00:59:36,540  
subscribers or dark journalists which

905  
00:59:40,670 --> 00:59:38,660  
has a hundred plus thousand subscribers

906  
00:59:43,010 --> 00:59:40,680  
they've both said they'll be very

907  
00:59:45,890 --> 00:59:43,020  
respectful we'll have a gentleman's

908  
00:59:48,950 --> 00:59:45,900  
debate he won't do it no no of course

909  
00:59:50,870 --> 00:59:48,960  
not no then then then he'd have more

910  
00:59:52,910 --> 00:59:50,880  
enemies and more people that knew the

911  
00:59:54,890 --> 00:59:52,920  
truth of what you know what he's like

912  
00:59:56,569 --> 00:59:54,900  
and what he's doing you know and here

913  
00:59:59,270 --> 00:59:56,579

here's the thing you know I was in the

914

00:59:59,990 --> 00:59:59,280

Stream last night was it last night yeah

915

01:00:02,109 --> 01:00:00,000

um

916

01:00:04,430 --> 01:00:02,119

and you know I'm perfectly respected

917

01:00:06,470 --> 01:00:04,440

respectable and you know and I thought

918

01:00:07,970 --> 01:00:06,480

everything was going pretty well and

919

01:00:10,309 --> 01:00:07,980

then when he started going ahead and

920

01:00:13,010 --> 01:00:10,319

hitting you know and and rich in you and

921

01:00:16,549 --> 01:00:13,020

I was like yeah what the hell do I have

922

01:00:18,650 --> 01:00:16,559

to do with it yeah right right you know

923

01:00:21,109 --> 01:00:18,660

right and by the way they said that I

924

01:00:24,349 --> 01:00:21,119

was that one girl said oh that's not

925

01:00:26,450 --> 01:00:24,359

funny that's one person's opinion and no

926

01:00:28,250 --> 01:00:26,460

offense but art is subjective look at

927

01:00:30,890 --> 01:00:28,260

the comments to that video that they

928

01:00:32,569 --> 01:00:30,900

were saying he's not funny everybody in

929

01:00:34,370 --> 01:00:32,579

the comments was like oh my God this was

930

01:00:37,430 --> 01:00:34,380

so funny I Pissed My Pants oh my God

931

01:00:39,650 --> 01:00:37,440

this is hilarious you know so I'm sorry

932

01:00:41,030 --> 01:00:39,660

if they don't like it but why don't they

933

01:00:42,589 --> 01:00:41,040

get up off their ass and do some

934

01:00:45,410 --> 01:00:42,599

sketches instead of just sitting there

935

01:00:46,549 --> 01:00:45,420

all that show has is talk they have no

936

01:00:49,670 --> 01:00:46,559

research

937

01:00:51,530 --> 01:00:49,680

no Saturday Night Live can do this all

938

01:00:53,750 --> 01:00:51,540

day long and and nobody has a problem

939

01:00:56,569 --> 01:00:53,760

with it well some people will obviously

940

01:00:58,190 --> 01:00:56,579

but see I'm not a fan of SNL because I

941

01:01:00,289 --> 01:00:58,200

just don't like it but you know George

942

01:01:02,930 --> 01:01:00,299

Carlin perfectly fine I mean as he ever

943

01:01:04,670 --> 01:01:02,940

said you know if he [h\_\_h] I thought

944

01:01:05,809 --> 01:01:04,680

that that was the most the most messed

945

01:01:08,210 --> 01:01:05,819

up thing I'm trying to hold my language

946

01:01:10,010 --> 01:01:08,220

oh yeah yeah this is this is important

947

01:01:11,990 --> 01:01:10,020

for those unaware

948

01:01:14,089 --> 01:01:12,000

I think somebody in Sydney in Sydney

949

01:01:16,069 --> 01:01:14,099

they insinuated either rich or I called

950

01:01:18,890 --> 01:01:16,079

women [h\_\_h] or something and the only

951  
01:01:23,210 --> 01:01:18,900  
women I call [h\_\_h] are the girls bro

952  
01:01:25,190 --> 01:01:23,220  
Brian uh anyway I call a couple of my

953  
01:01:27,530 --> 01:01:25,200  
friends from that one time I was

954  
01:01:29,930 --> 01:01:27,540  
abducted by aliens I joke with them and

955  
01:01:31,670 --> 01:01:29,940  
I call them Crystal hippie [h\_\_h] they

956  
01:01:33,829 --> 01:01:31,680  
laugh about it they think it's funny

957  
01:01:36,230 --> 01:01:33,839  
because they are crystal happy [h\_\_h]

958  
01:01:37,730 --> 01:01:36,240  
I'm not insulting them they're my

959  
01:01:39,950 --> 01:01:37,740  
friends or I'd like to consider them

960  
01:01:41,690 --> 01:01:39,960  
friends and they they totally took it

961  
01:01:43,549 --> 01:01:41,700  
like that and that's that's why I said

962  
01:01:46,370 --> 01:01:43,559  
you know I said it's it's just it's

963  
01:01:48,349 --> 01:01:46,380

non-factual what you said is non-factual

964

01:01:50,150 --> 01:01:48,359

granted look it's okay to have your

965

01:01:52,490 --> 01:01:50,160

opinion hey that's that's perfectly fine

966

01:01:54,589 --> 01:01:52,500

but don't say things that aren't you

967

01:01:56,329 --> 01:01:54,599

know actually real you know or or state

968

01:01:58,430 --> 01:01:56,339

them as your opinion this is my opinion

969

01:02:01,370 --> 01:01:58,440

that I didn't really like this you know

970

01:02:03,470 --> 01:02:01,380

and and I could see in that that girl's

971

01:02:07,930 --> 01:02:03,480

eye there uh I don't want to say her

972

01:02:12,710 --> 01:02:10,490

I don't know her and I I've never

973

01:02:15,349 --> 01:02:12,720

checked out our show but apparently you

974

01:02:17,750 --> 01:02:15,359

know uh they needed a female show host

975

01:02:20,870 --> 01:02:17,760

so she got a job there you know like

976

01:02:23,329 --> 01:02:20,880

okay diversity I'm not funny but I

977

01:02:24,529 --> 01:02:23,339

didn't get my job because I have boobs

978

01:02:29,450 --> 01:02:24,539

you know

979

01:02:31,010 --> 01:02:29,460

give me a chance give me a chance give

980

01:02:32,930 --> 01:02:31,020

me a chance I mean that's what I got

981

01:02:34,430 --> 01:02:32,940

from it and here's the thing you know I

982

01:02:36,529 --> 01:02:34,440

was respectable the whole way through

983

01:02:39,049 --> 01:02:36,539

and I actually all the way to the end

984

01:02:40,970 --> 01:02:39,059

you know and you know but I I didn't

985

01:02:43,069 --> 01:02:40,980

hold back from saying wait a minute here

986

01:02:44,870 --> 01:02:43,079

what's going on with this and you know

987

01:02:47,029 --> 01:02:44,880

and we we do have some people right here

988

01:02:48,589 --> 01:02:47,039

even today that that stood up for you

989

01:02:50,450 --> 01:02:48,599

guys and said wait a minute that's not

990

01:02:53,630 --> 01:02:50,460

the way they are and the thing is is

991

01:02:55,370 --> 01:02:53,640

look you could go ahead and say that and

992

01:02:57,289 --> 01:02:55,380

then they'll just mute your Vania and

993

01:02:59,150 --> 01:02:57,299

stuff so so you don't poison their

994

01:03:01,670 --> 01:02:59,160

little audience and stuff you know so

995

01:03:04,309 --> 01:03:01,680

you gotta kind of forward it a certain

996

01:03:07,190 --> 01:03:04,319

way I guess and that's unfortunate I

997

01:03:10,370 --> 01:03:07,200

mean granted look at you oh look at this

998

01:03:13,910 --> 01:03:10,380

capsa says Lewis said with no shame his

999

01:03:16,130 --> 01:03:13,920

research is the interviews yeah he did a

1000

01:03:18,470 --> 01:03:16,140

great job asking deep Prasad about his

1001  
01:03:20,990 --> 01:03:18,480  
fake quantum computer company that he

1002  
01:03:23,390 --> 01:03:21,000  
claims millions of he's got millions and

1003  
01:03:26,809 --> 01:03:23,400  
millions in investors for that's a

1004  
01:03:29,150 --> 01:03:26,819  
goddamn P.O box or was run out of his

1005  
01:03:32,270 --> 01:03:29,160  
college dorm for a time that guy does

1006  
01:03:33,529 --> 01:03:32,280  
not have a company it's a joke he is a

1007  
01:03:35,270 --> 01:03:33,539  
joke

1008  
01:03:37,069 --> 01:03:35,280  
you know how often does it happen that

1009  
01:03:38,630 --> 01:03:37,079  
these people just come out of nowhere I

1010  
01:03:40,789 --> 01:03:38,640  
mean granted look at you know he's got

1011  
01:03:43,010 --> 01:03:40,799  
what 17K or something following I don't

1012  
01:03:45,410 --> 01:03:43,020  
know how you manage that but I haven't

1013  
01:03:46,849 --> 01:03:45,420

seen him and you know the the the most

1014

01:03:48,349 --> 01:03:46,859

recent that I've seen them before and

1015

01:03:50,630 --> 01:03:48,359

I've Just Seen A mention of them was

1016

01:03:52,370 --> 01:03:50,640

probably a couple weeks ago other than

1017

01:03:55,430 --> 01:03:52,380

that I don't have no idea who these

1018

01:03:56,870 --> 01:03:55,440

people are you know nor I thought Jane

1019

01:03:58,970 --> 01:03:56,880

actually looked familiar and I don't

1020

01:04:01,250 --> 01:03:58,980

know where I seen her before but you

1021

01:04:03,230 --> 01:04:01,260

know to to say that those that the UFO

1022

01:04:05,990 --> 01:04:03,240

girls there were upset with it that's

1023

01:04:10,069 --> 01:04:06,000

just this is [h\_\_h] and they were

1024

01:04:13,370 --> 01:04:10,079

awesome and by the way by the way while

1025

01:04:17,029 --> 01:04:13,380

while he's bitching about Fister uh

1026

01:04:19,069 --> 01:04:17,039

being misogynistic or nasty to women I

1027

01:04:20,930 --> 01:04:19,079

was one of the few people that supported

1028

01:04:23,510 --> 01:04:20,940

them when all that stuff originally

1029

01:04:26,569 --> 01:04:23,520

started happening and then I said you

1030

01:04:29,450 --> 01:04:26,579

know uh we did a joke thing about it the

1031

01:04:31,789 --> 01:04:29,460

coochie UFO controversy like but I said

1032

01:04:35,270 --> 01:04:31,799

I support women if you can't compete

1033

01:04:37,010 --> 01:04:35,280

with them don't cry you know and then we

1034

01:04:40,789 --> 01:04:37,020

made a joke about it with the Trixie

1035

01:04:42,890 --> 01:04:40,799

thing right that's wrong so he's so this

1036

01:04:46,309 --> 01:04:42,900

guy is going to slag me or include me in

1037

01:04:49,190 --> 01:04:46,319

his [h\_\_h] Fest like I I'm supportive of

1038

01:04:51,230 --> 01:04:49,200

those women I came out in there and and

1039

01:04:53,809 --> 01:04:51,240

defended them when people were doing

1040

01:04:55,609 --> 01:04:53,819

that [\h\_\_\h] and that's the thing I went

1041

01:04:57,710 --> 01:04:55,619

and I watched that whole video earlier

1042

01:05:00,410 --> 01:04:57,720

today I watched it just to go ahead and

1043

01:05:01,970 --> 01:05:00,420

see what their their reaction was they

1044

01:05:03,770 --> 01:05:01,980

they totally enjoyed it and this is

1045

01:05:05,450 --> 01:05:03,780

here's the thing if you if you have

1046

01:05:09,490 --> 01:05:05,460

questions whether they were insults or

1047

01:05:12,170 --> 01:05:09,500

not ask them ask them you know yeah

1048

01:05:14,690 --> 01:05:12,180

that's just such [\h\_\_\h] yeah no I

1049

01:05:17,270 --> 01:05:14,700

don't know I I don't know this Artemis

1050

01:05:19,730 --> 01:05:17,280

very well but I'm friendly friendly with

1051

01:05:21,529 --> 01:05:19,740

her and we're okay I think like I never

1052

01:05:24,010 --> 01:05:21,539

said anything about her boobs or you

1053

01:05:27,829 --> 01:05:24,020

know whatever and I support her

1054

01:05:29,210 --> 01:05:27,839

uh hosting a show boobs or no boobs I

1055

01:05:30,829 --> 01:05:29,220

don't care about you know I care about

1056

01:05:32,450 --> 01:05:30,839

the information that they're presenting

1057

01:05:35,210 --> 01:05:32,460

I don't really care about their

1058

01:05:37,490 --> 01:05:35,220

appearances right and and uh Kelly I

1059

01:05:40,569 --> 01:05:37,500

think I'm okay with I joked with her and

1060

01:05:43,430 --> 01:05:40,579

supported her and you know it just

1061

01:05:45,170 --> 01:05:43,440

Dramarama though yeah yeah and that's it

1062

01:05:47,390 --> 01:05:45,180

but but and that's what I'm trying to

1063

01:05:51,049 --> 01:05:47,400

bang around in my head for what reason

1064

01:05:52,789 --> 01:05:51,059

would they have to even go that way you

1065

01:05:54,650 --> 01:05:52,799

know sure I mean look at look at there's

1066

01:05:56,510 --> 01:05:54,660

enough information out there to see what

1067

01:05:59,029 --> 01:05:56,520

festival has been doing I mean anybody

1068

01:06:00,710 --> 01:05:59,039

can search it you know I mean it can

1069

01:06:02,029 --> 01:06:00,720

they find the exact stuff well hopefully

1070

01:06:05,450 --> 01:06:02,039

they can I'm sure that that's around

1071

01:06:07,549 --> 01:06:05,460

there somewhere but for what reason did

1072

01:06:10,490 --> 01:06:07,559

he go ahead and attack the U.N Rich for

1073

01:06:12,650 --> 01:06:10,500

for what reason I I don't know I well I

1074

01:06:16,130 --> 01:06:12,660

think he needed the dirt on fesler so I

1075

01:06:18,049 --> 01:06:16,140

can I can almost understand rich but uh

1076

01:06:20,390 --> 01:06:18,059

you know he said a lot of mean stuff

1077

01:06:29,349 --> 01:06:20,400

about rich too and you know but that's

1078

01:06:34,609 --> 01:06:31,609

I mean in my opinion I'm gonna say it

1079

01:06:36,410 --> 01:06:34,619

like that in my opinion uh Bessler is

1080

01:06:38,210 --> 01:06:36,420

the probably one of the most vital

1081

01:06:40,430 --> 01:06:38,220

channels I mean and then I'm going to

1082

01:06:42,410 --> 01:06:40,440

include the audience that supports them

1083

01:06:44,829 --> 01:06:42,420

and maybe that's wrong but the thing is

1084

01:06:49,309 --> 01:06:44,839

is the people that support that kind of

1085

01:06:51,529 --> 01:06:49,319

uh hey hey you know and vile hate and

1086

01:06:53,630 --> 01:06:51,539

just disgusting I mean you can't even

1087

01:06:55,730 --> 01:06:53,640

repeat the repeat the words I have to

1088

01:06:57,950 --> 01:06:55,740

hold them accountable you know I mean if

1089

01:06:59,510 --> 01:06:57,960

you support that kind of [h\_\_h] well guess

1090

01:07:01,250 --> 01:06:59,520

what you're going to be you're going to

1091

01:07:02,690 --> 01:07:01,260

be like he he tried to do with you

1092

01:07:04,490 --> 01:07:02,700

you're going to be grouped in with that

1093

01:07:06,289 --> 01:07:04,500

here's here's that's the thing though

1094

01:07:08,630 --> 01:07:06,299

they can say oh well

1095

01:07:10,789 --> 01:07:08,640

um I only go there because

1096

01:07:12,710 --> 01:07:10,799

um you know I want to see what he has to

1097

01:07:17,450 --> 01:07:12,720

say okay that might be a fair argument

1098

01:07:20,450 --> 01:07:17,460

but when you join in on the hate and the

1099

01:07:22,250 --> 01:07:20,460

vile talk you you got no excuse for that

1100

01:07:24,529 --> 01:07:22,260

and that's the thing go if you look at

1101

01:07:25,849 --> 01:07:24,539

the chat that they've done I mean I

1102

01:07:27,370 --> 01:07:25,859

don't think there's any rules of what

1103

01:07:30,890 --> 01:07:27,380

anybody can say

1104

01:07:33,170 --> 01:07:30,900

and that's the thing though you know and

1105

01:07:35,690 --> 01:07:33,180

and you have to subscribe in order to

1106

01:07:38,390 --> 01:07:35,700

even go in his chat oh it is encryption

1107

01:07:40,490 --> 01:07:38,400

only now yeah and everybody that's in

1108

01:07:43,309 --> 01:07:40,500

that chat is a moderator every single

1109

01:07:45,430 --> 01:07:43,319

person but we did that sort of we had to

1110

01:07:47,630 --> 01:07:45,440

pull back on that yeah

1111

01:07:50,569 --> 01:07:47,640

I think the whole thing is kind of

1112

01:07:52,549 --> 01:07:50,579

ridiculous and uh it you know as far as

1113

01:07:54,470 --> 01:07:52,559

this Fister guy like I don't know how he

1114

01:07:56,089 --> 01:07:54,480

still has a YouTube channel when he's on

1115

01:07:57,770 --> 01:07:56,099

public live streams telling people to

1116

01:07:59,750 --> 01:07:57,780

crowdstrike channels he doesn't like

1117

01:08:01,670 --> 01:07:59,760

when he's on public live streams telling

1118

01:08:05,930 --> 01:08:01,680

people to go after these people make

1119

01:08:07,150 --> 01:08:05,940

them pay like I don't get it and doxing

1120

01:08:09,710 --> 01:08:07,160

everybody

1121

01:08:11,569 --> 01:08:09,720

you gotta wonder what's what's happening

1122

01:08:14,089 --> 01:08:11,579

behind the scenes I mean and that's

1123

01:08:16,370 --> 01:08:14,099

speculation but really you got to wonder

1124

01:08:19,370 --> 01:08:16,380

what the hell is going on how is he able

1125

01:08:21,649 --> 01:08:19,380

to do this stuff and blatantly with no

1126

01:08:23,030 --> 01:08:21,659

care in the world and still have a

1127

01:08:24,590 --> 01:08:23,040

channel I don't understand that neither

1128

01:08:26,269 --> 01:08:24,600

I want to take a moment to think

1129

01:08:29,030 --> 01:08:26,279

popsicle ocean for a Kind and Generous

1130

01:08:31,010 --> 01:08:29,040

10 super chat says Anjali is a Nephilim

1131

01:08:35,030 --> 01:08:31,020

well that's a better explanation than

1132

01:08:36,649 --> 01:08:35,040

her story Maybe so yeah I think I think

1133

01:08:41,050 --> 01:08:36,659

you're probably right thanks for helping

1134

01:08:47,139 --> 01:08:45,410

[Music]

1135

01:08:53,390 --> 01:08:47,149

praise

1136

01:08:55,070 --> 01:08:53,400

[Music]

1137

01:08:56,689 --> 01:08:55,080

thank you for your kindness popsicle

1138

01:09:00,410 --> 01:08:56,699

ocean and that reminds me six cents

1139

01:09:02,809 --> 01:09:00,420

that's show host Fister went after uh me

1140

01:09:05,149 --> 01:09:02,819

for using those bumpers I just played

1141

01:09:06,709 --> 01:09:05,159

and he told everybody to crowdstrike my

1142

01:09:09,349 --> 01:09:06,719

channel get me taken off of YouTube

1143

01:09:11,510 --> 01:09:09,359

because I wasn't allowed to use a child

1144

01:09:14,390 --> 01:09:11,520

on an adult show but we looked into it

1145

01:09:17,390 --> 01:09:14,400

and uh Conan O'Brien used his children

1146

01:09:18,890 --> 01:09:17,400

on his adult show and and Jimmy Kimmel

1147

01:09:20,990 --> 01:09:18,900

and all these other people the rule is

1148

01:09:22,970 --> 01:09:21,000

you can't expose them to any adult

1149

01:09:25,010 --> 01:09:22,980

content he films that in a room by

1150

01:09:27,110 --> 01:09:25,020

himself with me and he doesn't even know

1151

01:09:29,930 --> 01:09:27,120

what's going on in the show we've got

1152

01:09:31,789 --> 01:09:29,940

Lord Ludacris joining us and as the

1153

01:09:34,610 --> 01:09:31,799

willow grows

1154

01:09:35,870 --> 01:09:34,620

good stuff Stephanie yeah how you doing

1155

01:09:38,809 --> 01:09:35,880

good

1156

01:09:40,249 --> 01:09:38,819

I want to comment on the crystal hippie

1157

01:09:43,370 --> 01:09:40,259

[h\_\_\h] because I'm

1158

01:09:56,350 --> 01:09:43,380

so I can I can fly like you're is

1159

01:09:59,990 --> 01:09:58,669

you know I just want to put my two cents

1160

01:10:02,090 --> 01:10:00,000

into that and you're just an awesome

1161

01:10:04,430 --> 01:10:02,100

show host I mean you you're incredible

1162

01:10:05,930 --> 01:10:04,440

just to have me on you know and it's

1163

01:10:08,030 --> 01:10:05,940

like I just want to tell everybody I

1164

01:10:09,950 --> 01:10:08,040

know it's like kind of hard for Steven

1165

01:10:11,870 --> 01:10:09,960

like you know in general just to have

1166

01:10:14,209 --> 01:10:11,880

like I guess you can say a psychic or a

1167

01:10:15,770 --> 01:10:14,219

territor but at the end of the day it's

1168

01:10:17,630 --> 01:10:15,780

all fun it's all entertainment it's

1169

01:10:19,370 --> 01:10:17,640

nothing should be taken seriously yes

1170

01:10:21,709 --> 01:10:19,380

the advice that I give to everybody in

1171

01:10:23,630 --> 01:10:21,719

the in the chat it's it's from the heart

1172

01:10:24,770 --> 01:10:23,640

it's not like out of my ass you know

1173

01:10:26,390 --> 01:10:24,780

what I mean

1174

01:10:28,610 --> 01:10:26,400

um no I think you did a great job and

1175

01:10:31,130 --> 01:10:28,620

yeah you did I thought a lot about it

1176

01:10:33,590 --> 01:10:31,140

and that like I will never ever let

1177

01:10:35,990 --> 01:10:33,600

somebody bully me and to decide not that

1178

01:10:38,270 --> 01:10:36,000

I did it was just kind of like we were

1179

01:10:40,070 --> 01:10:38,280

both sick of the the drama every time

1180

01:10:42,169 --> 01:10:40,080

Stephanie would come on this other show

1181

01:10:45,470 --> 01:10:42,179

would start bitching and crying and

1182

01:10:47,570 --> 01:10:45,480

start all this [h\_\_h] and cry and you know

1183

01:10:49,070 --> 01:10:47,580

so we just went ah forget it we're not

1184

01:10:51,050 --> 01:10:49,080

gonna do this and she got busy and

1185

01:10:53,030 --> 01:10:51,060

whatever but you know if I want to have

1186

01:10:54,530 --> 01:10:53,040

a guest I'm just going to have the guest

1187

01:10:56,510 --> 01:10:54,540

and that's the way it's going to be yeah

1188

01:10:58,310 --> 01:10:56,520

you know what it almost looked like it

1189

01:11:00,350 --> 01:10:58,320

almost looked like he was doing the same

1190

01:11:02,810 --> 01:11:00,360

thing as fessler was doing you know

1191

01:11:05,450 --> 01:11:02,820

trying to cut down other channels for

1192

01:11:07,910 --> 01:11:05,460

what for what reason are you doing this

1193

01:11:09,470 --> 01:11:07,920

you know and and he tried to pull pull

1194

01:11:10,910 --> 01:11:09,480

this deal where

1195

01:11:12,709 --> 01:11:10,920

um he was on Richard's show so that

1196

01:11:15,649 --> 01:11:12,719

shows that rich supports him and what

1197

01:11:17,810 --> 01:11:15,659

he's doing now which I mean he condemned

1198

01:11:20,149 --> 01:11:17,820

him for it where do you get that [h\_\_\h]

1199

01:11:22,070 --> 01:11:20,159

from you know yeah and those two had a

1200

01:11:22,910 --> 01:11:22,080

huge falling out so they're not they're

1201

01:11:24,709 --> 01:11:22,920

not

1202

01:11:27,110 --> 01:11:24,719

you know and that was the other thing I

1203

01:11:28,669 --> 01:11:27,120

felt like it was it was misleading for

1204

01:11:30,709 --> 01:11:28,679

him to put me up on the screen and talk

1205

01:11:33,169 --> 01:11:30,719

about me too like I was on that guy's

1206

01:11:35,570 --> 01:11:33,179

team somehow or on his side somehow and

1207

01:11:37,070 --> 01:11:35,580

I'm an [h\_\_h] too I think that was the

1208

01:11:40,010 --> 01:11:37,080

intention that was the intention that's

1209

01:11:42,590 --> 01:11:40,020

what I got from it well well you know I

1210

01:11:44,570 --> 01:11:42,600

I I said my piece you know what I'm glad

1211

01:11:46,970 --> 01:11:44,580

they did that to him though because

1212

01:11:48,770 --> 01:11:46,980

it's never good to punch down and I I

1213

01:11:50,330 --> 01:11:48,780

wanted to [h\_\_\h] about that guy but I

1214

01:11:52,450 --> 01:11:50,340

thought I'm not going to give him the

1215

01:11:55,669 --> 01:11:52,460

attention you know and now we are

1216

01:11:58,370 --> 01:11:55,679

you know you know but but now that

1217

01:12:01,490 --> 01:11:58,380

they've done it uh you know good for

1218

01:12:03,709 --> 01:12:01,500

them they they punch down a lot and uh

1219

01:12:05,689 --> 01:12:03,719

you know I I don't know I think I think

1220

01:12:07,850 --> 01:12:05,699

that uh the ties are turning you can

1221

01:12:09,410 --> 01:12:07,860

only do so many [h\_\_\h] things for so

1222

01:12:11,570 --> 01:12:09,420

long before people start turning on

1223

01:12:14,030 --> 01:12:11,580

you've seen it you're a [h\_\_\h] like oh

1224

01:12:15,950 --> 01:12:14,040

you dox people that you disagree with

1225

01:12:18,290 --> 01:12:15,960

you're a [h\_\_\h] oh you harass people

1226

01:12:21,229 --> 01:12:18,300

you threaten people's family and wives

1227

01:12:23,810 --> 01:12:21,239

you're a [h\_\_h] you're a dick head

1228

01:12:24,770 --> 01:12:23,820

yeah and you know what's funny to me too

1229

01:12:28,570 --> 01:12:24,780

is like

1230

01:12:31,370 --> 01:12:28,580

I'm sorry you know what's funny to me

1231

01:12:33,590 --> 01:12:31,380

yeah oh it's not toxic but look you know

1232

01:12:36,950 --> 01:12:33,600

what's funny to me is this guy fat

1233

01:12:39,410 --> 01:12:36,960

shames people oh my God he boob shames

1234

01:12:42,950 --> 01:12:39,420

women calls him [h\_\_h] and [h\_\_h] and all

1235

01:12:45,950 --> 01:12:42,960

this wow this guy is a gay man what

1236

01:12:48,350 --> 01:12:45,960

would happen if people started busting

1237

01:12:52,250 --> 01:12:48,360

his balls for being a gay man right yeah

1238

01:12:54,530 --> 01:12:52,260

he would lose his goddamn mind right Mr

1239

01:12:56,570 --> 01:12:54,540

social justice Warrior you can't call me

1240

01:12:59,810 --> 01:12:56,580

gay that's discrimination you can't call

1241

01:13:02,149 --> 01:12:59,820

me the f word or you know whatever but

1242

01:13:06,110 --> 01:13:02,159

somehow he's able to keep calling a fat

1243

01:13:08,689 --> 01:13:06,120

guy fat and women [h\_\_h] constantly and

1244

01:13:10,250 --> 01:13:08,699

that's just okay and docks people that

1245

01:13:12,649 --> 01:13:10,260

he disagrees with and all this other

1246

01:13:13,970 --> 01:13:12,659

stuff and that's just okay somehow and

1247

01:13:15,709 --> 01:13:13,980

apparently it's okay with his audience

1248

01:13:17,030 --> 01:13:15,719

they're egging him on Dorothy Hawkins

1249

01:13:19,270 --> 01:13:17,040

with a kind of generous two dollars

1250

01:13:24,709 --> 01:13:19,280

thanks for discussing this issue

1251

01:13:24,719 --> 01:13:29,229

stop

1252

01:13:34,630 --> 01:13:32,750

right you know I didn't mean to talk

1253

01:13:37,850 --> 01:13:34,640

over you Lord ludicrous

1254

01:13:40,430 --> 01:13:37,860

you have the floor no but yeah yeah the

1255

01:13:43,490 --> 01:13:40,440

man justifies it by saying here's the

1256

01:13:45,590 --> 01:13:43,500

definition for doxing I didn't give

1257

01:13:48,110 --> 01:13:45,600

anybody's bank account number I didn't

1258

01:13:49,970 --> 01:13:48,120

do this well you did everything except

1259

01:13:51,950 --> 01:13:49,980

that you know what I mean like just

1260

01:13:54,169 --> 01:13:51,960

because the definition says doxing

1261

01:13:56,209 --> 01:13:54,179

includes turning over bank account

1262

01:13:57,890 --> 01:13:56,219

numbers calling employers stuff like

1263

01:13:59,750 --> 01:13:57,900

that and you didn't do that doesn't mean

1264

01:14:01,729 --> 01:13:59,760

you didn't dock somebody that didn't

1265

01:14:04,030 --> 01:14:01,739

want their information out there yeah

1266

01:14:06,490 --> 01:14:04,040

yeah you're right

1267

01:14:11,450 --> 01:14:06,500

in my case

1268

01:14:13,669 --> 01:14:11,460

because they did not release my actual

1269

01:14:17,030 --> 01:14:13,679

physical address they just released my

1270

01:14:19,610 --> 01:14:17,040

legal name and my street name right like

1271

01:14:22,070 --> 01:14:19,620

it's not going to take Sherlock Holmes

1272

01:14:24,590 --> 01:14:22,080

to to Google those two things and find

1273

01:14:26,570 --> 01:14:24,600

my physical street address you dummy yes

1274

01:14:28,910 --> 01:14:26,580

you did and they knew that and they knew

1275

01:14:30,350 --> 01:14:28,920

that that was the whole intention and

1276

01:14:33,350 --> 01:14:30,360

that's that's the problem with that's

1277

01:14:34,970 --> 01:14:33,360

harassment digital harassment you can't

1278

01:14:37,430 --> 01:14:34,980

just you can't do it with the intention

1279

01:14:39,830 --> 01:14:37,440

of harming somebody whether that might

1280

01:14:41,689 --> 01:14:39,840

be financially or physically you know or

1281

01:14:44,390 --> 01:14:41,699

even mentally I mean you just can't do

1282

01:14:46,689 --> 01:14:44,400

that that's the uh that's against the

1283

01:14:49,430 --> 01:14:46,699

law I mean

1284

01:14:52,130 --> 01:14:49,440

they spent five minutes or seven minutes

1285

01:14:53,930 --> 01:14:52,140

on how lewd didn't technically say he

1286

01:14:56,390 --> 01:14:53,940

was faceless bureaucrat so that means

1287

01:14:58,550 --> 01:14:56,400

that he wasn't he didn't completely you

1288

01:15:00,590 --> 01:14:58,560

know he didn't deny it he didn't say he

1289

01:15:02,149 --> 01:15:00,600

was so therefore he's not I mean you got

1290

01:15:04,669 --> 01:15:02,159

to look at it I think he all but a

1291

01:15:06,470 --> 01:15:04,679

minute are you kidding me how I read how

1292

01:15:08,450 --> 01:15:06,480

I listen to that he all but admitted it

1293

01:15:10,490 --> 01:15:08,460

he didn't say yes that was me but he

1294

01:15:13,729 --> 01:15:10,500

started justifying all of faceless

1295

01:15:15,890 --> 01:15:13,739

bureaucrats actions justifying all of

1296

01:15:17,810 --> 01:15:15,900

that and what is a grown man doing with

1297

01:15:20,030 --> 01:15:17,820

a bunch fake accounts arguing with

1298

01:15:21,890 --> 01:15:20,040

people that that talk [h\_\_\h] on him that

1299

01:15:36,310 --> 01:15:21,900

is so childish

1300

01:15:41,270 --> 01:15:39,110

account by accident several times yes

1301  
01:15:43,850 --> 01:15:41,280  
and people screamed you people

1302  
01:15:46,250 --> 01:15:43,860  
screenshoted it so so what's that to

1303  
01:15:47,930 --> 01:15:46,260  
say that that I mean and of course this

1304  
01:15:49,850 --> 01:15:47,940  
is speculation what's that say that Lou

1305  
01:15:51,830 --> 01:15:49,860  
didn't go ahead and and do all this

1306  
01:15:53,450 --> 01:15:51,840  
behind the scenes [h\_\_h] and get these

1307  
01:15:55,790 --> 01:15:53,460  
people to do this to shut y'all up

1308  
01:15:57,770 --> 01:15:55,800  
because clearly look it's the people

1309  
01:16:00,110 --> 01:15:57,780  
that are talking about him which is a

1310  
01:16:01,490 --> 01:16:00,120  
small group of people how do how do the

1311  
01:16:07,810 --> 01:16:01,500  
ones that are talking about them get all

1312  
01:16:13,729 --> 01:16:11,090  
look in the UFO Community we need to

1313  
01:16:15,470 --> 01:16:13,739

just stick with the UFOs and the aliens

1314

01:16:18,350 --> 01:16:15,480

because that's way more interesting Than

1315

01:16:19,790 --> 01:16:18,360

People bickering like little girls

1316

01:16:20,930 --> 01:16:19,800

um you know and this guy I don't know

1317

01:16:23,270 --> 01:16:20,940

who you guys are talking about I've

1318

01:16:25,010 --> 01:16:23,280

never I just know from what Stephen's

1319

01:16:28,010 --> 01:16:25,020

saying but you know at the end of the

1320

01:16:30,169 --> 01:16:28,020

day when people talk crap about others

1321

01:16:31,790 --> 01:16:30,179

or in general is when they have low

1322

01:16:33,770 --> 01:16:31,800

self-esteem two they're projecting on

1323

01:16:35,689 --> 01:16:33,780

how they actually feel inside and they

1324

01:16:37,490 --> 01:16:35,699

want to just make themselves feel good

1325

01:16:39,169 --> 01:16:37,500

at the end of the day this is do we live

1326

01:16:40,310 --> 01:16:39,179

in a world of Duality right so there's

1327

01:16:42,590 --> 01:16:40,320

always like the negative and the

1328

01:16:44,750 --> 01:16:42,600

positive side of the side of everything

1329

01:16:46,669 --> 01:16:44,760

um and it's it's inevitable like as much

1330

01:16:48,709 --> 01:16:46,679

as we want to continue on talking about

1331

01:16:50,390 --> 01:16:48,719

UFOs and talking about aliens and stuff

1332

01:16:52,130 --> 01:16:50,400

like that there's still going to be a

1333

01:16:54,350 --> 01:16:52,140

nasty side of it where people want to

1334

01:16:56,030 --> 01:16:54,360

have Fame out of it right so if they

1335

01:16:58,130 --> 01:16:56,040

find something really awesome it's like

1336

01:17:00,290 --> 01:16:58,140

oh they want to go ahead and like make

1337

01:17:02,090 --> 01:17:00,300

it known and like be famous for it but

1338

01:17:04,729 --> 01:17:02,100

that's not what this is about we're in

1339

01:17:07,070 --> 01:17:04,739

really crazy times in life right now and

1340

01:17:09,290 --> 01:17:07,080

there's going to be more crazy sightings

1341

01:17:11,149 --> 01:17:09,300

I feel like as time goes on and it's

1342

01:17:13,850 --> 01:17:11,159

going to be very inevitable and just the

1343

01:17:16,390 --> 01:17:13,860

fact that Steven actually brings out the

1344

01:17:18,890 --> 01:17:16,400

truth of it all and shares it with us is

1345

01:17:20,750 --> 01:17:18,900

good or bad I always say that sometimes

1346

01:17:22,310 --> 01:17:20,760

the truth is ugly but I'm going to give

1347

01:17:24,590 --> 01:17:22,320

it to you anyway I'm going to give it to

1348

01:17:27,050 --> 01:17:24,600

you anyway right which I we appreciate

1349

01:17:29,390 --> 01:17:27,060

that 100 yeah look look who's left

1350

01:17:31,430 --> 01:17:29,400

untouched with all this you know all the

1351

01:17:33,470 --> 01:17:31,440

all the scan the biggest frauds in the

1352

01:17:35,570 --> 01:17:33,480

in the in ufology they're totally

1353

01:17:37,850 --> 01:17:35,580

Untouched by this you know I mean that's

1354

01:17:39,590 --> 01:17:37,860

what I'm saying doesn't it seem like

1355

01:17:41,510 --> 01:17:39,600

that was the intention of all this throw

1356

01:17:43,370 --> 01:17:41,520

of wrench and all these guys little

1357

01:17:46,250 --> 01:17:43,380

group here you know throw a wrench in

1358

01:17:49,250 --> 01:17:46,260

there cause some chaos you know and that

1359

01:17:52,310 --> 01:17:49,260

I I can't get by thinking that that is

1360

01:17:53,930 --> 01:17:52,320

the actual case that it was intentional

1361

01:17:56,090 --> 01:17:53,940

that they that they caused all this

1362

01:17:58,250 --> 01:17:56,100

little High School drama [h\_\_h] yeah and

1363

01:18:00,770 --> 01:17:58,260

it's yeah I totally agree with you there

1364

01:18:02,450 --> 01:18:00,780

Willow yeah and the other the other

1365

01:18:04,189 --> 01:18:02,460

issue is that you know I thought a

1366

01:18:06,770 --> 01:18:04,199

little bit about this like why would a

1367

01:18:09,950 --> 01:18:06,780

show host and all their co-hosts go

1368

01:18:11,750 --> 01:18:09,960

doxing people that uh are critical of

1369

01:18:13,370 --> 01:18:11,760

one of their guests I think that they

1370

01:18:15,890 --> 01:18:13,380

were trying to show that guess like see

1371

01:18:17,870 --> 01:18:15,900

we're in your corner you should come and

1372

01:18:19,490 --> 01:18:17,880

be our buddy and be on our show all the

1373

01:18:21,169 --> 01:18:19,500

time so we get all those clicks and

1374

01:18:24,229 --> 01:18:21,179

Views so we're going to do all this

1375

01:18:25,790 --> 01:18:24,239

shady [h\_\_h] to attack your critics so you

1376

01:18:27,649 --> 01:18:25,800

don't have to because we know you can't

1377

01:18:30,050 --> 01:18:27,659

do it publicly but we can go after those

1378

01:18:31,790 --> 01:18:30,060

[h\_\_h] for you well not that everybody

1379

01:18:35,090 --> 01:18:31,800

was here but you know what I mean and

1380

01:18:37,490 --> 01:18:35,100

now and now we have UCR and Fister both

1381

01:18:39,290 --> 01:18:37,500

basically trying to show Lou Elizondo

1382

01:18:44,649 --> 01:18:39,300

why they shouldn't go on each other's

1383

01:18:51,169 --> 01:18:47,950

that's what it is

1384

01:18:54,110 --> 01:18:51,179

generally I think the Fister he's good

1385

01:18:56,870 --> 01:18:54,120

for like 500 or 600 views without a huge

1386

01:18:59,270 --> 01:18:56,880

guess like Lou he does gets Lou and has

1387

01:19:00,950 --> 01:18:59,280

you know 15 000 views of course he wants

1388

01:19:03,290 --> 01:19:00,960

he wants him on his show every day

1389

01:19:05,390 --> 01:19:03,300

fister's whole show has turned into the

1390

01:19:08,810 --> 01:19:05,400

let's lick Lou elizondo's ass Chef

1391

01:19:11,649 --> 01:19:08,820

that's what his show is everything so

1392

01:19:14,870 --> 01:19:11,659

Lord Ludacris is back he bounced down

1393

01:19:16,130 --> 01:19:14,880

sorry about internet issues yeah he

1394

01:19:17,770 --> 01:19:16,140

shouldn't rename his show the Lou

1395

01:19:20,930 --> 01:19:17,780

Alexander show

1396

01:19:22,910 --> 01:19:20,940

every night it's every night maybe well

1397

01:19:25,610 --> 01:19:22,920

listen I at the risk of getting myself

1398

01:19:27,649 --> 01:19:25,620

in trouble Fister is a gay man maybe

1399

01:19:28,729 --> 01:19:27,659

he's in love with Lou Elizondo and

1400

01:19:30,970 --> 01:19:28,739

really he doesn't want to lick his

1401

01:19:33,890 --> 01:19:30,980

[h\_\_\h] that's what I think

1402

01:19:36,470 --> 01:19:33,900

I'm allowed to have speculation as to

1403

01:19:38,930 --> 01:19:36,480

why all this is happening love does

1404

01:19:40,910 --> 01:19:38,940

strange things to people right

1405

01:19:43,490 --> 01:19:40,920

that's true you're not wrong about that

1406

01:19:46,729 --> 01:19:43,500

but at the end of the day I think you

1407

01:19:48,470 --> 01:19:46,739

know over and then all this crap is not

1408

01:19:49,910 --> 01:19:48,480

gonna it's not gonna matter later on and

1409

01:19:52,610 --> 01:19:49,920

then it's going to be another you know

1410

01:19:54,669 --> 01:19:52,620

but I actually I want I do want to go

1411

01:19:56,689 --> 01:19:54,679

back on what the show was about earlier

1412

01:19:58,430 --> 01:19:56,699

uh I think that's really interesting

1413

01:20:00,890 --> 01:19:58,440

with the Netherlands because I know with

1414

01:20:02,510 --> 01:20:00,900

the Book of Enoch they talk about the

1415

01:20:05,990 --> 01:20:02,520

Netherlands and all that I haven't dived

1416

01:20:08,270 --> 01:20:06,000

into it but I want to and

1417

01:20:10,850 --> 01:20:08,280

um it's just very interesting you know

1418

01:20:13,790 --> 01:20:10,860

back way back in the day how these

1419

01:20:15,410 --> 01:20:13,800

beings used to roam Earth and who knows

1420

01:20:17,450 --> 01:20:15,420

I don't know if it's true if they still

1421

01:20:19,610 --> 01:20:17,460

roam but it's like even if they did like

1422

01:20:21,950 --> 01:20:19,620

I think Humanity would go ape [h\_\_h] if

1423

01:20:23,209 --> 01:20:21,960

that was so to see something like that I

1424

01:20:24,709 --> 01:20:23,219

don't think Humanity would be able to

1425

01:20:26,510 --> 01:20:24,719

handle that just because of the way that

1426

01:20:29,570 --> 01:20:26,520

we've been living for so long you know

1427

01:20:31,610 --> 01:20:29,580

without them so yeah the Book of Enoch

1428

01:20:34,490 --> 01:20:31,620

is interesting popsicle ocean says and I

1429

01:20:36,530 --> 01:20:34,500

agree I think that the apocryphal books

1430

01:20:38,570 --> 01:20:36,540

or the so-called lost books of the Bible

1431

01:20:40,129 --> 01:20:38,580

those are the books that at the Council

1432

01:20:42,410 --> 01:20:40,139

of nice see you for those that don't

1433

01:20:44,090 --> 01:20:42,420

know of all of the Christians got

1434

01:20:46,910 --> 01:20:44,100

together and decided this is going to go

1435

01:20:49,310 --> 01:20:46,920

in our Bible and this scripture is going

1436

01:20:51,169 --> 01:20:49,320

to be taken out I think the ones they

1437

01:20:53,689 --> 01:20:51,179

took out are far more interesting than

1438

01:20:55,610 --> 01:20:53,699

the ones they put in like the Gospel of

1439

01:20:57,890 --> 01:20:55,620

Thomas is a perfect example because

1440

01:21:00,770 --> 01:20:57,900

that's one of the books they took out in

1441

01:21:03,410 --> 01:21:00,780

the gospel Atomic of Thomas Jesus talks

1442

01:21:05,810 --> 01:21:03,420

about don't have a building don't build

1443

01:21:09,129 --> 01:21:05,820

churches don't build temples worship

1444

01:21:11,510 --> 01:21:09,139

outside in nature that's what Jesus said

1445

01:21:13,250 --> 01:21:11,520

so of course they got to take that out

1446

01:21:16,010 --> 01:21:13,260

because if there's no church there's no

1447

01:21:18,169 --> 01:21:16,020

church donations

1448

01:21:21,110 --> 01:21:18,179

there's no excuse to constantly be

1449

01:21:22,370 --> 01:21:21,120

begging for money right true you know

1450

01:21:24,830 --> 01:21:22,380

what was that what was that group of

1451

01:21:27,229 --> 01:21:24,840

people that used to to tie their heads

1452

01:21:28,610 --> 01:21:27,239

and they would make it look elongated I

1453

01:21:30,470 --> 01:21:28,620

can't there's a lot of different

1454

01:21:32,270 --> 01:21:30,480

cultures that did that so I'm in Africa

1455

01:21:34,610 --> 01:21:32,280

some in South America yeah maybe that's

1456

01:21:36,590 --> 01:21:34,620

it see the thing is every time I every

1457

01:21:38,390 --> 01:21:36,600

time I think of them I always think of

1458

01:21:40,010 --> 01:21:38,400

the people that did that yeah I think

1459

01:21:42,110 --> 01:21:40,020

Africa was one of them that that had

1460

01:21:43,910 --> 01:21:42,120

done it

1461

01:21:46,310 --> 01:21:43,920

I can't get that out of my mind every

1462

01:21:49,490 --> 01:21:46,320

time I I see the the pictures of the the

1463

01:21:50,990 --> 01:21:49,500

Nephilim or the elongated ads so and of

1464

01:21:54,709 --> 01:21:51,000

course that's the argument that I've

1465

01:21:57,649 --> 01:21:54,719

noticed anyway so I mean uh could they

1466

01:21:59,810 --> 01:21:57,659

have been I don't know I don't know I

1467

01:22:01,729 --> 01:21:59,820

mean look at run Dia they can't do DNA

1468

01:22:04,070 --> 01:22:01,739

on these things or have they have they

1469

01:22:07,010 --> 01:22:04,080

done DNA testing on the the elongated

1470

01:22:09,950 --> 01:22:07,020

that on many of them they have and and

1471

01:22:11,629 --> 01:22:09,960

uh see part of me is like when you hear

1472

01:22:13,070 --> 01:22:11,639

the DNA results part of it is very

1473

01:22:14,990 --> 01:22:13,080

disappointing because I always wanted

1474

01:22:17,689 --> 01:22:15,000

them to do the DNA and find out that

1475

01:22:19,550 --> 01:22:17,699

there's some kind of alien DNA in there

1476

01:22:22,610 --> 01:22:19,560

that they can't explain but that didn't

1477

01:22:24,950 --> 01:22:22,620

happen it comes back human but what was

1478

01:22:27,410 --> 01:22:24,960

interesting is that the hapload type or

1479

01:22:31,070 --> 01:22:27,420

you know race type comes back as Middle

1480

01:22:32,870 --> 01:22:31,080

Eastern European in South America in

1481

01:22:35,629 --> 01:22:32,880

skulls that are thousands and thousands

1482

01:22:39,070 --> 01:22:35,639

of years old that's crazy that means

1483

01:22:42,110 --> 01:22:39,080

that according to the DNA you

1484

01:22:44,629 --> 01:22:42,120

European Middle Eastern people had to

1485

01:22:46,970 --> 01:22:44,639

migrate from the Middle East or Europe

1486

01:22:49,370 --> 01:22:46,980

all the way to South America thousands

1487

01:22:50,709 --> 01:22:49,380

of years before Columbus that rewrites

1488

01:22:53,030 --> 01:22:50,719

human history

1489

01:22:55,669 --> 01:22:53,040

totally well in the Catholic Church

1490

01:22:58,189 --> 01:22:55,679

isn't it too that like there's so much

1491

01:23:00,410 --> 01:22:58,199

more information that they don't want to

1492

01:23:02,629 --> 01:23:00,420

share either like yeah they have the

1493

01:23:05,390 --> 01:23:02,639

whole Arc they have a archive in the

1494

01:23:06,950 --> 01:23:05,400

Vatican for a reason yeah it's like

1495

01:23:10,370 --> 01:23:06,960

interesting I'm like man it's like

1496

01:23:12,410 --> 01:23:10,380

there's just so much more to uh more

1497

01:23:13,790 --> 01:23:12,420

information than meets the eye and I for

1498

01:23:15,229 --> 01:23:13,800

some whatever reason they don't want to

1499

01:23:17,090 --> 01:23:15,239

share it to us it could be that maybe if

1500

01:23:19,850 --> 01:23:17,100

we knew the information we'd become more

1501

01:23:21,830 --> 01:23:19,860

powerful as a human as a human being

1502

01:23:24,410 --> 01:23:21,840

than they want us to be so that's

1503

01:23:26,450 --> 01:23:24,420

something that I feel like is um kind of

1504

01:23:28,550 --> 01:23:26,460

weird that they withheld a lot of

1505

01:23:29,570 --> 01:23:28,560

information from us including like you

1506

01:23:31,129 --> 01:23:29,580

said you know with the with the

1507

01:23:32,870 --> 01:23:31,139

nephilims and how it like these books

1508

01:23:34,669 --> 01:23:32,880

have that information but they don't

1509

01:23:36,890 --> 01:23:34,679

talk about it they don't teach it you

1510

01:23:38,689 --> 01:23:36,900

know in in churches so I don't know it's

1511

01:23:42,110 --> 01:23:38,699

pretty interesting to me

1512

01:23:44,750 --> 01:23:42,120

yeah they've got quite a lot of uh they

1513

01:23:48,169 --> 01:23:44,760

have I think it's 10 stories underground

1514

01:23:50,209 --> 01:23:48,179

oh wow and it's it's uh environmentally

1515

01:23:52,010 --> 01:23:50,219

controlled so that the books stay

1516

01:23:53,990 --> 01:23:52,020

perfect you know they're at the perfect

1517

01:23:57,590 --> 01:23:54,000

temperature and humidity and all of this

1518

01:24:00,169 --> 01:23:57,600

stuff tense ten stories deep

1519

01:24:03,530 --> 01:24:00,179

is the Vatican archive full of

1520

01:24:05,750 --> 01:24:03,540

historical information historical books

1521

01:24:08,330 --> 01:24:05,760

all kinds of secret knowledge I would

1522

01:24:10,250 --> 01:24:08,340

assume where does this connecting with

1523

01:24:12,890 --> 01:24:10,260

the Templar knights

1524

01:24:17,810 --> 01:24:12,900

you know is that even the same religion

1525

01:24:21,290 --> 01:24:17,820

yeah it is the nice Templar uh got uh

1526

01:24:23,689 --> 01:24:21,300

got two two more power and a one famous

1527

01:24:25,430 --> 01:24:23,699

Pope owed them way too much money so he

1528

01:24:27,290 --> 01:24:25,440

suddenly decided that they were demonic

1529

01:24:28,209 --> 01:24:27,300

and luciferian and ordered them all

1530

01:24:30,290 --> 01:24:28,219

killed

1531

01:24:33,229 --> 01:24:30,300

well that's what I'm saying how much of

1532

01:24:35,149 --> 01:24:33,239

the information I mean as as said how

1533

01:24:37,070 --> 01:24:35,159

much of the information was held back or

1534

01:24:39,229 --> 01:24:37,080

or nobody else can see it I mean and

1535

01:24:42,530 --> 01:24:39,239

that's at least the story that that I

1536

01:24:45,410 --> 01:24:42,540

got from from the Knights Templar yeah I

1537

01:24:47,870 --> 01:24:45,420

mean it's interesting we don't know what

1538

01:24:49,850 --> 01:24:47,880

they're not sharing right only the

1539

01:24:52,370 --> 01:24:49,860

people that have only the people that

1540

01:24:54,530 --> 01:24:52,380

have access to these archives full

1541

01:24:56,450 --> 01:24:54,540

access no and that's very few people

1542

01:24:59,330 --> 01:24:56,460

even within the Catholic Church there's

1543

01:25:02,930 --> 01:24:59,340

activists yeah there's archivists that

1544

01:25:03,890 --> 01:25:02,940

work there and uh I I even heard a story

1545

01:25:06,410 --> 01:25:03,900

that

1546

01:25:08,510 --> 01:25:06,420

they they compartmentalize the

1547

01:25:10,490 --> 01:25:08,520

archivists so that they know don't get

1548

01:25:12,709 --> 01:25:10,500

access to everything just their little

1549

01:25:15,410 --> 01:25:12,719

section so they might have a little

1550

01:25:17,930 --> 01:25:15,420

section that they maintain but that's it

1551

01:25:22,629 --> 01:25:17,940

they don't get to to roam around and

1552

01:25:27,110 --> 01:25:24,709

like with the Vatican I'm sorry to cut

1553

01:25:28,490 --> 01:25:27,120

you off uh to be like sworn in like you

1554

01:25:30,950 --> 01:25:28,500

know how like to become a priest or

1555

01:25:33,229 --> 01:25:30,960

whatever to be up there you have to like

1556

01:25:34,790 --> 01:25:33,239

promise that you can't say anything too

1557

01:25:37,129 --> 01:25:34,800

because I remember hearing this guy

1558

01:25:38,689 --> 01:25:37,139

saying that he was going in there and

1559

01:25:40,669 --> 01:25:38,699

like actually wanting to become a priest

1560

01:25:43,129 --> 01:25:40,679

himself and like he got out of it

1561

01:25:45,649 --> 01:25:43,139

because it got too crazy like it got too

1562

01:25:47,330 --> 01:25:45,659

weird after a while and like he was

1563

01:25:49,010 --> 01:25:47,340

about to like get the keys to get into

1564

01:25:50,510 --> 01:25:49,020

those books but he couldn't because it

1565

01:25:52,070 --> 01:25:50,520

was just too much for him like the

1566

01:25:52,970 --> 01:25:52,080

energy and like everything that he was

1567

01:25:54,290 --> 01:25:52,980

going through and all the information

1568

01:25:56,629 --> 01:25:54,300

they were telling him like it was just

1569

01:25:58,669 --> 01:25:56,639

way too much like kind of evil I guess

1570

01:26:00,229 --> 01:25:58,679

you can say I don't know something like

1571

01:26:02,030 --> 01:26:00,239

that and along the lines of that but I'm

1572

01:26:03,050 --> 01:26:02,040

not sure if it's true or not but that's

1573

01:26:05,270 --> 01:26:03,060

what I heard

1574

01:26:07,310 --> 01:26:05,280

I can say from the from what I've

1575

01:26:09,590 --> 01:26:07,320

researched in just the stuff that I've

1576

01:26:11,689 --> 01:26:09,600

watched about it is like with the

1577

01:26:14,270 --> 01:26:11,699

Vatican it's like a foia type situation

1578

01:26:17,450 --> 01:26:14,280

like you have to request what you want

1579

01:26:18,950 --> 01:26:17,460

to read they get just that material you

1580

01:26:20,810 --> 01:26:18,960

sit down and they give you like two

1581

01:26:23,750 --> 01:26:20,820

hours you can't take anything with you

1582

01:26:25,370 --> 01:26:23,760

sometimes you can't even take notes and

1583

01:26:27,110 --> 01:26:25,380

I mean this is just from people that

1584

01:26:29,810 --> 01:26:27,120

I've watched on TV that have talked

1585

01:26:31,550 --> 01:26:29,820

about you know and people that are you

1586

01:26:33,229 --> 01:26:31,560

have to have like a doctorate in you

1587

01:26:35,330 --> 01:26:33,239

have to have a reason for being in there

1588

01:26:38,149 --> 01:26:35,340

for studying it they don't just let

1589

01:26:40,250 --> 01:26:38,159

people go in there you know like a

1590

01:26:42,590 --> 01:26:40,260

Presidential Library just look at Seth

1591

01:26:44,149 --> 01:26:42,600

the deep deep so you have to have a

1592

01:26:45,950 --> 01:26:44,159

specific reason someone as well

1593

01:26:47,930 --> 01:26:45,960

requested signed off on and all that

1594

01:26:49,850 --> 01:26:47,940

stuff it's wild so what would be the

1595

01:26:51,830 --> 01:26:49,860

purpose of holding that information back

1596

01:26:54,110 --> 01:26:51,840

from people I mean you think that if

1597

01:26:57,050 --> 01:26:54,120

this is something extremely apparently

1598

01:26:59,090 --> 01:26:57,060

as historical that everyone in the world

1599

01:27:01,370 --> 01:26:59,100

should have access to it you know what

1600

01:27:04,189 --> 01:27:01,380

what is the reasoning

1601  
01:27:07,070 --> 01:27:04,199  
I agree I don't know it could just be

1602  
01:27:08,990 --> 01:27:07,080  
that it information again to

1603  
01:27:12,350 --> 01:27:09,000  
power and control

1604  
01:27:17,209 --> 01:27:14,390  
that we knew the information of where we

1605  
01:27:19,250 --> 01:27:17,219  
really what happened back in the day and

1606  
01:27:21,050 --> 01:27:19,260  
and what we really are as human beings

1607  
01:27:23,090 --> 01:27:21,060  
then it's inevitable then they won't

1608  
01:27:24,709 --> 01:27:23,100  
have that type of control anymore the

1609  
01:27:27,770 --> 01:27:24,719  
whole point of religion for the most

1610  
01:27:30,590 --> 01:27:27,780  
part is to control you is to get you in

1611  
01:27:32,450 --> 01:27:30,600  
a mode of like you know in fear you know

1612  
01:27:34,250 --> 01:27:32,460  
and that's for me that's why I got out

1613  
01:27:37,310 --> 01:27:34,260

of out of the church right and I think

1614

01:27:38,750 --> 01:27:37,320

that's also too yeah do this do this or

1615

01:27:40,729 --> 01:27:38,760

you're not making it to the afterlife

1616

01:27:43,669 --> 01:27:40,739

kind of thing yeah I I always found that

1617

01:27:45,830 --> 01:27:43,679

that was offensive you know at least for

1618

01:27:48,050 --> 01:27:45,840

me I mean for other people it's it's

1619

01:27:50,510 --> 01:27:48,060

it's a beautiful thing you know and

1620

01:27:52,490 --> 01:27:50,520

that's okay that's okay with you know if

1621

01:27:55,370 --> 01:27:52,500

that's what they believe I mean I I

1622

01:27:59,629 --> 01:27:55,380

myself I need proof I need proof for

1623

01:28:04,430 --> 01:28:01,850

oh as I said there's a cool documentary

1624

01:28:06,110 --> 01:28:04,440

about uh Tesla and all his stuff that

1625

01:28:09,110 --> 01:28:06,120

got shipped back over to where he was

1626

01:28:11,030 --> 01:28:09,120

born his own country and it's kind of

1627

01:28:14,270 --> 01:28:11,040

treated like the Vatican like there was

1628

01:28:16,810 --> 01:28:14,280

a uh I think Netflix or Discovery one of

1629

01:28:19,729 --> 01:28:16,820

these and the guy went yeah

1630

01:28:21,530 --> 01:28:19,739

yeah that was awesome but that's a lot

1631

01:28:23,030 --> 01:28:21,540

of the way like how the Vatican is is he

1632

01:28:24,649 --> 01:28:23,040

had to request specific things that he

1633

01:28:27,350 --> 01:28:24,659

wanted to read and there was somebody

1634

01:28:30,110 --> 01:28:27,360

there and yeah thank you Stephen that

1635

01:28:31,370 --> 01:28:30,120

was yeah that was really cool uh Tesla

1636

01:28:32,810 --> 01:28:31,380

files is really cool thing but he's not

1637

01:28:36,709 --> 01:28:32,820

ever watched it

1638

01:28:40,850 --> 01:28:39,050

yeah I don't know I'm a lover of books

1639

01:28:42,410 --> 01:28:40,860

and especially old books and secret

1640

01:28:44,830 --> 01:28:42,420

knowledge so I think I would have it

1641

01:28:48,169 --> 01:28:44,840

orgasm if they let me in there

1642

01:28:50,950 --> 01:28:48,179

and cream in my pants like oh my God all

1643

01:28:54,530 --> 01:28:50,960

this stuff about Fallen Angels

1644

01:28:59,149 --> 01:28:56,450

I can't be saying stuff like that Steve

1645

01:29:01,330 --> 01:28:59,159

and people are recording this [h\_\_h] oh no

1646

01:29:04,550 --> 01:29:01,340

they're gonna hold it against me

1647

01:29:09,910 --> 01:29:04,560

to Catholic faith or something you know

1648

01:29:14,510 --> 01:29:11,990

well you know hey at least another

1649

01:29:16,189 --> 01:29:14,520

Channel got the Wrath of the fessler you

1650

01:29:18,350 --> 01:29:16,199

know the channel that tried to always

1651  
01:29:20,149 --> 01:29:18,360  
stay in the middle now they get to see

1652  
01:29:23,510 --> 01:29:20,159  
what type of person that wrestler always

1653  
01:29:26,209 --> 01:29:23,520  
is oh I I fully predicted they are gonna

1654  
01:29:29,629 --> 01:29:26,219  
go after those guys big time that's what

1655  
01:29:32,209 --> 01:29:29,639  
I think based on what I've seen he'll

1656  
01:29:34,970 --> 01:29:32,219  
get doxed I'm sure I mean that poor guy

1657  
01:29:37,850 --> 01:29:34,980  
all for asking a question and saying

1658  
01:29:41,930 --> 01:29:37,860  
that he felt disrespected and that Lou

1659  
01:29:43,850 --> 01:29:41,940  
was lying all that nonsense over just

1660  
01:29:46,910 --> 01:29:43,860  
that you imagine

1661  
01:29:48,410 --> 01:29:46,920  
I know it's like ridiculous I just I

1662  
01:29:49,189 --> 01:29:48,420  
just can't even imagine it's kind of

1663  
01:29:50,629 --> 01:29:49,199

like

1664

01:29:53,390 --> 01:29:50,639

you know I've had a lot of different

1665

01:29:55,430 --> 01:29:53,400

guests on my show here and once in a

1666

01:29:57,649 --> 01:29:55,440

while somebody will say something really

1667

01:29:59,750 --> 01:29:57,659

mean and nasty about a guest I've had or

1668

01:30:01,910 --> 01:29:59,760

to me like how dare you have that guest

1669

01:30:03,709 --> 01:30:01,920

and here's what he did 20 years ago and

1670

01:30:06,110 --> 01:30:03,719

I don't like that you know but I would

1671

01:30:07,910 --> 01:30:06,120

never go start doxing those people or

1672

01:30:10,250 --> 01:30:07,920

harassing them or attacking them I just

1673

01:30:12,110 --> 01:30:10,260

go sorry I like the guests you know

1674

01:30:14,030 --> 01:30:12,120

tune in next time maybe you'll like the

1675

01:30:17,510 --> 01:30:14,040

next guest I I just don't get it yeah

1676

01:30:21,350 --> 01:30:17,520

the only way to to fight that battle is

1677

01:30:23,450 --> 01:30:21,360

with facts actual real facts not this oh

1678

01:30:24,950 --> 01:30:23,460

well I think they meant this I think

1679

01:30:27,709 --> 01:30:24,960

they meant that I think that you know

1680

01:30:29,450 --> 01:30:27,719

this this loose uh who anybody can

1681

01:30:32,209 --> 01:30:29,460

interpret it any way they want you know

1682

01:30:34,310 --> 01:30:32,219

show the facts you know it's the only

1683

01:30:35,990 --> 01:30:34,320

way to beat these kind of people is I

1684

01:30:37,729 --> 01:30:36,000

mean and are you really beating them

1685

01:30:38,590 --> 01:30:37,739

when they when they never actually go

1686

01:30:41,629 --> 01:30:38,600

away

1687

01:30:44,629 --> 01:30:41,639

you know that channel doesn't operate on

1688

01:30:46,250 --> 01:30:44,639

facts their facts are reading between

1689

01:30:48,229 --> 01:30:46,260

the lines and oh this is what he said

1690

01:30:50,510 --> 01:30:48,239

they they think that what Lou said about

1691

01:30:53,209 --> 01:30:50,520

still oh they add them they add things

1692

01:30:55,550 --> 01:30:53,219

cattle mutilations lose stepping away

1693

01:30:57,950 --> 01:30:55,560

because of people he thinks it's because

1694

01:31:01,910 --> 01:30:57,960

of everybody else he doesn't yeah I've

1695

01:31:03,530 --> 01:31:01,920

noticed that about that yeah every yeah

1696

01:31:06,110 --> 01:31:03,540

you're absolutely right every time that

1697

01:31:07,669 --> 01:31:06,120

Lou Elizondo says anything there's all

1698

01:31:09,590 --> 01:31:07,679

these people there to read the tea

1699

01:31:12,110 --> 01:31:09,600

leaves well what he really meant was

1700

01:31:14,090 --> 01:31:12,120

this yeah you know but he can't say that

1701  
01:31:17,209 --> 01:31:14,100  
because of his NDA or he's trying to

1702  
01:31:19,610 --> 01:31:17,219  
he's trying to drop these bread crumbs

1703  
01:31:21,290 --> 01:31:19,620  
no he's not just say it bro yeah you

1704  
01:31:23,510 --> 01:31:21,300  
know and didn't Lou mention something

1705  
01:31:25,430 --> 01:31:23,520  
about that that there's these these well

1706  
01:31:26,570 --> 01:31:25,440  
he pretty much insulted people these

1707  
01:31:27,709 --> 01:31:26,580  
people that really don't know what

1708  
01:31:29,510 --> 01:31:27,719  
they're talking about and they're

1709  
01:31:31,250 --> 01:31:29,520  
they're taking my words out of context

1710  
01:31:33,229 --> 01:31:31,260  
and saying that I meant this no I did

1711  
01:31:34,729 --> 01:31:33,239  
not mean this I mean I it was not too

1712  
01:31:37,189 --> 01:31:34,739  
long ago that I seen him in an interview

1713  
01:31:38,870 --> 01:31:37,199

where he was speaking of that and it's

1714

01:31:41,209 --> 01:31:38,880

like dude you're the one that caused all

1715

01:31:43,310 --> 01:31:41,219

this you know you're you're the reason

1716

01:31:45,649 --> 01:31:43,320

why they're doing this you know and

1717

01:31:47,750 --> 01:31:45,659

apparently that that that escapes them

1718

01:31:51,430 --> 01:31:47,760

somehow you know like like you don't

1719

01:31:56,990 --> 01:31:55,129

right are you kidding they because he

1720

01:31:59,090 --> 01:31:57,000

can't stick up for himself so we have to

1721

01:32:01,550 --> 01:31:59,100

do it for him Jesus Christ the man was

1722

01:32:03,350 --> 01:32:01,560

part of Guantanamo Bay and God knows

1723

01:32:05,450 --> 01:32:03,360

what torture programs and [h\_\_\h] like that

1724

01:32:07,729 --> 01:32:05,460

he can't handle somebody asking him yeah

1725

01:32:09,770 --> 01:32:07,739

he said something about that like I

1726

01:32:13,129 --> 01:32:09,780

spent half my life destroying people

1727

01:32:14,990 --> 01:32:13,139

nice yeah you know yeah yeah you're

1728

01:32:16,850 --> 01:32:15,000

right he did say that you know and this

1729

01:32:18,470 --> 01:32:16,860

is this is what I kind of wondered you

1730

01:32:20,629 --> 01:32:18,480

know people that are outside of the

1731

01:32:22,910 --> 01:32:20,639

United States obviously don't have to

1732

01:32:25,669 --> 01:32:22,920

follow United States laws although there

1733

01:32:27,950 --> 01:32:25,679

is some you know a crossover in

1734

01:32:29,209 --> 01:32:27,960

international laws between countries I

1735

01:32:31,610 --> 01:32:29,219

think the reason why some of these

1736

01:32:34,490 --> 01:32:31,620

people do this [h\_\_\h] is because in their

1737

01:32:35,930 --> 01:32:34,500

country it isn't illegal here it is so

1738

01:32:39,470 --> 01:32:35,940

they're free to do whatever they want

1739

01:32:41,390 --> 01:32:39,480

which is why I wonder does YouTube look

1740

01:32:43,250 --> 01:32:41,400

at this and say well it's not illegal in

1741

01:32:45,649 --> 01:32:43,260

their country to dox people it's not

1742

01:32:49,070 --> 01:32:45,659

illegal to to insult you know to

1743

01:32:50,450 --> 01:32:49,080

blatantly harass somebody so we're not

1744

01:32:53,110 --> 01:32:50,460

going to take their Channel I mean I

1745

01:32:55,910 --> 01:32:53,120

kind of wonder that

1746

01:32:57,890 --> 01:32:55,920

this is interesting Mark uh oh I'm sorry

1747

01:33:00,709 --> 01:32:57,900

Mark is saying that there was long drawn

1748

01:33:03,470 --> 01:33:00,719

out dead air on uh Fister show last

1749

01:33:05,209 --> 01:33:03,480

night and this act didn't show up after

1750

01:33:07,669 --> 01:33:05,219

the hateful message is about lose weight

1751

01:33:09,169 --> 01:33:07,679

and Rob wouldn't show his face that's

1752

01:33:12,430 --> 01:33:09,179

interesting

1753

01:33:16,070 --> 01:33:12,440

yeah right I just want to say and then

1754

01:33:18,229 --> 01:33:16,080

Rob had his email up and he took it down

1755

01:33:20,030 --> 01:33:18,239

I just wanted to notice that and the

1756

01:33:21,890 --> 01:33:20,040

thing is is because he's afraid to get

1757

01:33:23,990 --> 01:33:21,900

docs himself you know that's the only

1758

01:33:25,790 --> 01:33:24,000

reason I can see why did you take that

1759

01:33:28,189 --> 01:33:25,800

down away from your your YouTube page

1760

01:33:30,590 --> 01:33:28,199

you know I did notice that and I did see

1761

01:33:32,689 --> 01:33:30,600

it before the thing is I'm not sharing

1762

01:33:34,070 --> 01:33:32,699

that with anybody I don't and I'm not

1763

01:33:35,510 --> 01:33:34,080

interested in sharing that with that you

1764

01:33:38,270 --> 01:33:35,520

know one one thing that I should put on

1765

01:33:43,490 --> 01:33:38,280

the record here is that uh this other

1766

01:33:46,850 --> 01:33:43,500

show and and his co-hosts doxed me doxed

1767

01:33:49,850 --> 01:33:46,860

Manny the the guy who created the uh the

1768

01:33:52,729 --> 01:33:49,860

who's loot documentary Doc's dark sky

1769

01:33:55,550 --> 01:33:52,739

files for disagreeing with them uh

1770

01:33:57,290 --> 01:33:55,560

harassed rich said everybody should

1771

01:33:59,090 --> 01:33:57,300

crowdstrike him said everybody should

1772

01:34:02,689 --> 01:33:59,100

crowdstrike me and all this other stuff

1773

01:34:05,510 --> 01:34:02,699

and people are replying to Lou

1774

01:34:07,550 --> 01:34:05,520

elizondo's Twitter threads showing him

1775

01:34:10,250 --> 01:34:07,560

this showing him screenshots of them

1776

01:34:11,450 --> 01:34:10,260

doing all this so if if he goes on that

1777

01:34:14,149 --> 01:34:11,460

show again

1778

01:34:16,250 --> 01:34:14,159

he's endorsing all that behavior and I

1779

01:34:18,169 --> 01:34:16,260

believe that he wants them to do that to

1780

01:34:20,030 --> 01:34:18,179

his school even tweeted that though he

1781

01:34:21,830 --> 01:34:20,040

says he says look if there's a problem

1782

01:34:23,629 --> 01:34:21,840

show it here and there was a thread that

1783

01:34:25,430 --> 01:34:23,639

he has on his Twitter I'd have to

1784

01:34:26,870 --> 01:34:25,440

search for it right now that he said if

1785

01:34:28,910 --> 01:34:26,880

there's a problem with all this drama

1786

01:34:30,649 --> 01:34:28,920

stuff show me what people are doing and

1787

01:34:32,689 --> 01:34:30,659

and that's the thing people are showing

1788

01:34:34,729 --> 01:34:32,699

them exactly showing them exactly what's

1789

01:34:37,010 --> 01:34:34,739

happening and he don't apparently don't

1790

01:34:39,470 --> 01:34:37,020

care you know and he still supports

1791

01:34:43,010 --> 01:34:39,480

still even after all that stuff that he

1792

01:34:46,070 --> 01:34:43,020

was shown he still read he still tweeted

1793

01:34:48,169 --> 01:34:46,080

um uh fessler's Channel you know I mean

1794

01:34:50,450 --> 01:34:48,179

what did you even look at the show or

1795

01:34:53,090 --> 01:34:50,460

don't you care and and all of this

1796

01:34:55,490 --> 01:34:53,100

doxing and harassment and threats you

1797

01:34:57,830 --> 01:34:55,500

know all this stuff happened after his

1798

01:35:00,590 --> 01:34:57,840

first appearance there and then

1799

01:35:02,090 --> 01:35:00,600

everybody shows Lou Elizondo all the

1800

01:35:04,970 --> 01:35:02,100

proof and evidence that that show host

1801  
01:35:07,850 --> 01:35:04,980  
and and his idiot co-hosts did all of

1802  
01:35:09,649 --> 01:35:07,860  
that he goes on the show again after

1803  
01:35:11,930 --> 01:35:09,659  
it's all in his Twitter threads people

1804  
01:35:13,970 --> 01:35:11,940  
showed them they docs many his

1805  
01:35:15,709 --> 01:35:13,980  
girlfriend with the information that

1806  
01:35:17,750 --> 01:35:15,719  
they got from false copyright strikes

1807  
01:35:20,330 --> 01:35:17,760  
which is completely against terms of

1808  
01:35:22,490 --> 01:35:20,340  
service and illegal it tells you when

1809  
01:35:25,010 --> 01:35:22,500  
you get that information that this is

1810  
01:35:27,410 --> 01:35:25,020  
for legal purposes only not to be used

1811  
01:35:29,629 --> 01:35:27,420  
for anything else they took that

1812  
01:35:31,850 --> 01:35:29,639  
information from Manny Manny's

1813  
01:35:34,490 --> 01:35:31,860

girlfriend's name and address and all of

1814

01:35:36,590 --> 01:35:34,500

that and docs to her publicly

1815

01:35:39,050 --> 01:35:36,600

you know what's funny is they they use

1816

01:35:40,850 --> 01:35:39,060

UCR and they made sure to do it right at

1817

01:35:42,950 --> 01:35:40,860

nine seconds because they were scared to

1818

01:35:44,870 --> 01:35:42,960

death that they were going to get

1819

01:35:47,570 --> 01:35:44,880

copyright struck

1820

01:35:49,729 --> 01:35:47,580

you know doing a rebuttal to you with

1821

01:35:51,890 --> 01:35:49,739

Lou and it's like

1822

01:35:53,629 --> 01:35:51,900

you made a big deal about using people's

1823

01:35:55,189 --> 01:35:53,639

information you know their show stuff

1824

01:35:57,830 --> 01:35:55,199

without their permission oh no this

1825

01:35:59,750 --> 01:35:57,840

idiot Rob Heatherly told me told me that

1826

01:36:02,570 --> 01:35:59,760

they're allowed to steal they literally

1827

01:36:04,609 --> 01:36:02,580

have stolen news reports about UFOs from

1828

01:36:06,169 --> 01:36:04,619

all over the world and just posted them

1829

01:36:08,149 --> 01:36:06,179

on their YouTube channel as if they

1830

01:36:10,010 --> 01:36:08,159

owned that content and it's all

1831

01:36:12,590 --> 01:36:10,020

monetized that's against the terms of

1832

01:36:14,870 --> 01:36:12,600

service that's not fair use you can't

1833

01:36:17,090 --> 01:36:14,880

just take a news report from some local

1834

01:36:20,090 --> 01:36:17,100

television station and you know let's

1835

01:36:21,470 --> 01:36:20,100

say Austin Texas somebody saw a UFO and

1836

01:36:23,390 --> 01:36:21,480

there's a local news report you can't

1837

01:36:25,250 --> 01:36:23,400

just take that and put it on your

1838

01:36:26,990 --> 01:36:25,260

YouTube channel and monetize it that's

1839

01:36:29,570 --> 01:36:27,000

against the terms of service that's not

1840

01:36:31,310 --> 01:36:29,580

fair use and it's stealing ad revenue

1841

01:36:34,850 --> 01:36:31,320

from the people who actually own the

1842

01:36:36,290 --> 01:36:34,860

content but this idiot Rob says oh no uh

1843

01:36:39,050 --> 01:36:36,300

that's fair use you're allowed to do

1844

01:36:40,910 --> 01:36:39,060

that but you can't take a Show's uh

1845

01:36:42,470 --> 01:36:40,920

that's our intellectual property you

1846

01:36:44,149 --> 01:36:42,480

can't take our intellectual property

1847

01:36:45,709 --> 01:36:44,159

while they're stealing intellectual

1848

01:36:48,350 --> 01:36:45,719

property from all these news

1849

01:36:51,350 --> 01:36:48,360

organizations it's ridiculous and why is

1850

01:36:53,330 --> 01:36:51,360

that channel still up crazy

1851  
01:36:55,790 --> 01:36:53,340  
I don't know I mean it would ultimately

1852  
01:36:58,609 --> 01:36:55,800  
be up to whoever the copyright holder

1853  
01:37:00,109 --> 01:36:58,619  
was to to to you know make it maybe

1854  
01:37:01,729 --> 01:37:00,119  
they're not aware yeah maybe they're not

1855  
01:37:04,129 --> 01:37:01,739  
maybe they're just not aware of it right

1856  
01:37:06,470 --> 01:37:04,139  
yeah well hey I was going to say this on

1857  
01:37:08,870 --> 01:37:06,480  
a side note has anyone seen the the

1858  
01:37:11,930 --> 01:37:08,880  
article that the hill did it's got John

1859  
01:37:14,330 --> 01:37:11,940  
Greenwald Jr in it it dropped today it's

1860  
01:37:16,070 --> 01:37:14,340  
on YouTube it's really good but it's got

1861  
01:37:18,669 --> 01:37:16,080  
like the DNR or somebody in it and

1862  
01:37:22,129 --> 01:37:18,679  
they're talking about uh

1863  
01:37:23,330 --> 01:37:22,139

going to congress to collect data on all

1864

01:37:24,890 --> 01:37:23,340

this stuff right

1865

01:37:26,870 --> 01:37:24,900

and the first thing that popped in my

1866

01:37:29,330 --> 01:37:26,880

head was skyport because that's what

1867

01:37:31,629 --> 01:37:29,340

skyport does

1868

01:37:34,129 --> 01:37:31,639

so I was just saying watch the hill

1869

01:37:36,709 --> 01:37:34,139

article it's like nine minutes if you go

1870

01:37:39,050 --> 01:37:36,719

on there on YouTube it's got Greenwald

1871

01:37:41,450 --> 01:37:39,060

but yeah they talk about I did I did see

1872

01:37:43,550 --> 01:37:41,460

that today yeah yeah they were presented

1873

01:37:45,050 --> 01:37:43,560

with Congress right oh yeah I think it's

1874

01:37:46,370 --> 01:37:45,060

awesome the green world's on there but

1875

01:37:47,450 --> 01:37:46,380

it made me think of skyport because

1876

01:37:50,930 --> 01:37:47,460

they're wanting to do the same thing

1877

01:37:52,669 --> 01:37:50,940

take videos from citizens upload it and

1878

01:37:55,430 --> 01:37:52,679

it'll tell you if it's a UFO or not well

1879

01:37:57,109 --> 01:37:55,440

all that data goes to somewhere

1880

01:37:58,250 --> 01:37:57,119

you know it's all part of data

1881

01:37:59,629 --> 01:37:58,260

collection I think that they're doing

1882

01:38:01,570 --> 01:37:59,639

that to make sure that their projects

1883

01:38:04,669 --> 01:38:01,580

and stuff don't get recorded

1884

01:38:07,209 --> 01:38:04,679

yes catch or to catch is you know the

1885

01:38:09,770 --> 01:38:07,219

Chinese spot you know yeah

1886

01:38:12,890 --> 01:38:09,780

some Russian drones yeah wouldn't that

1887

01:38:15,530 --> 01:38:12,900

expand their ability to monitor the the

1888

01:38:18,709 --> 01:38:15,540

world yeah 100 and then you've got

1889

01:38:21,050 --> 01:38:18,719

citizens doing National Intelligence

1890

01:38:22,550 --> 01:38:21,060

jobs essentially for you know because

1891

01:38:24,050 --> 01:38:22,560

they think that they're looking for UFOs

1892

01:38:27,169 --> 01:38:24,060

but they're helping with National

1893

01:38:28,850 --> 01:38:27,179

Intelligence and National Security and

1894

01:38:31,129 --> 01:38:28,860

they don't even know it

1895

01:38:32,090 --> 01:38:31,139

I forgot to ask you which is one of my

1896

01:38:34,310 --> 01:38:32,100

opinions

1897

01:38:36,770 --> 01:38:34,320

sixes did you have a chance to see those

1898

01:38:38,570 --> 01:38:36,780

videos that I sent you yeah yeah I

1899

01:38:40,550 --> 01:38:38,580

checked them out yeah yeah listen uh

1900

01:38:42,530 --> 01:38:40,560

we'll do a little bit of a preview uh is

1901

01:38:45,290 --> 01:38:42,540

this the face of Bigfoot so we have an

1902

01:38:47,750 --> 01:38:45,300

investigation going uh and I just for

1903

01:38:49,910 --> 01:38:47,760

those that are patreon supporters I just

1904

01:38:53,149 --> 01:38:49,920

uploaded four videos that are the money

1905

01:38:56,870 --> 01:38:53,159

shots from Todd Standings documentary

1906

01:38:59,510 --> 01:38:56,880

discovering Bigfoot uh and I took the I

1907

01:39:02,330 --> 01:38:59,520

took the footage I zoomed in I increased

1908

01:39:05,270 --> 01:39:02,340

the contrast or the color saturation

1909

01:39:07,070 --> 01:39:05,280

enhanced it as much as I could and we're

1910

01:39:09,830 --> 01:39:07,080

going to be doing a full-blown

1911

01:39:13,010 --> 01:39:09,840

investigation into Todd Standings

1912

01:39:15,050 --> 01:39:13,020

alleged face of Bigfoot is this the face

1913

01:39:18,830 --> 01:39:15,060

of Bigfoot or is this an elaborate

1914

01:39:20,810 --> 01:39:18,840

Fantastical hoax yeah it's also

1915

01:39:23,689 --> 01:39:20,820

yeah what do you think of the footage

1916

01:39:25,750 --> 01:39:23,699

Sixth Sense yeah yeah the eyes looked

1917

01:39:28,850 --> 01:39:25,760

very very weird

1918

01:39:30,410 --> 01:39:28,860

you know I mean if that was a mask it

1919

01:39:33,050 --> 01:39:30,420

would have had to have been something uh

1920

01:39:35,450 --> 01:39:33,060

you know extremely Hollywood because the

1921

01:39:38,390 --> 01:39:35,460

way that the it was so close to the eyes

1922

01:39:40,790 --> 01:39:38,400

I mean if it was a mask it was

1923

01:39:43,010 --> 01:39:40,800

definitely looked natural to me I mean I

1924

01:39:44,570 --> 01:39:43,020

don't know that that they are real I did

1925

01:39:47,270 --> 01:39:44,580

look at them

1926

01:39:50,090 --> 01:39:47,280

um and let's let's look at this photo

1927

01:39:52,010 --> 01:39:50,100

before you decide though because uh here

1928

01:39:54,950 --> 01:39:52,020

here is the face of Bigfoot in one of

1929

01:39:57,470 --> 01:39:54,960

the money shots uh and here is somebody

1930

01:40:01,370 --> 01:39:57,480

did an analysis of Todd standing's face

1931

01:40:05,629 --> 01:40:01,380

and the face of Bigfoot look at that

1932

01:40:07,370 --> 01:40:05,639

ah it's the same face six sense I kind

1933

01:40:09,709 --> 01:40:07,380

of wondered that when I looked at it

1934

01:40:11,510 --> 01:40:09,719

actually I kind of wanted I don't want

1935

01:40:13,430 --> 01:40:11,520

to give I don't want to give too much

1936

01:40:14,870 --> 01:40:13,440

about our investigation I don't want to

1937

01:40:16,370 --> 01:40:14,880

get too much better investigation away

1938

01:40:18,290 --> 01:40:16,380

that's going to take place next week

1939

01:40:21,229 --> 01:40:18,300

sometime it's going to be called is this

1940

01:40:23,030 --> 01:40:21,239

the face of Bigfoot and uh I'm a little

1941

01:40:24,830 --> 01:40:23,040

worried though because I think that Todd

1942

01:40:27,410 --> 01:40:24,840

Standing is going to copyright claim or

1943

01:40:30,050 --> 01:40:27,420

strike us for using that footage but to

1944

01:40:33,169 --> 01:40:30,060

me it's fair use because if this is

1945

01:40:35,390 --> 01:40:33,179

truly an unknown hominid species that's

1946

01:40:37,970 --> 01:40:35,400

you know this would be this would be

1947

01:40:41,270 --> 01:40:37,980

huge news this would be ground changing

1948

01:40:42,890 --> 01:40:41,280

you know world-changing event I I would

1949

01:40:46,490 --> 01:40:42,900

think we should be allowed to use that

1950

01:40:48,470 --> 01:40:46,500

and talk about it and analyze it so I've

1951

01:40:50,209 --> 01:40:48,480

got legal letters standing by we're

1952

01:40:51,530 --> 01:40:50,219

gonna we're gonna show the footage I

1953

01:40:54,350 --> 01:40:51,540

don't think people should have to buy

1954

01:40:55,790 --> 01:40:54,360

his documentary to see this footage and

1955

01:40:57,709 --> 01:40:55,800

to decide whether they think it's real

1956

01:41:02,030 --> 01:40:57,719

or not

1957

01:41:03,890 --> 01:41:02,040

I mean yeah you're right Bigfoot

1958

01:41:05,930 --> 01:41:03,900

I mean if that was the case Harry and

1959

01:41:09,169 --> 01:41:05,940

the Hendersons would have the copyright

1960

01:41:11,810 --> 01:41:09,179

yeah they do actually that's where I fix

1961

01:41:14,510 --> 01:41:11,820

it I almost thought it was a great movie

1962

01:41:16,970 --> 01:41:14,520

too real I mean the detail was

1963

01:41:20,090 --> 01:41:16,980

incredible I mean you enough to zoom up

1964

01:41:22,669 --> 01:41:20,100

I mean granted look optical zoom is way

1965

01:41:25,310 --> 01:41:22,679

way better than digital digital Zoom is

1966

01:41:27,470 --> 01:41:25,320

it's just zooming up pixels you're not

1967

01:41:29,030 --> 01:41:27,480

you're not actually increasing it you

1968

01:41:31,370 --> 01:41:29,040

know which I'm never a fan you know when

1969

01:41:33,590 --> 01:41:31,380

I take pictures that I take pictures I

1970

01:41:35,629 --> 01:41:33,600

love the optical zoom I the digital Zoom

1971

01:41:38,090 --> 01:41:35,639

I shot that [h\_\_\h] out there's no need for

1972

01:41:41,149 --> 01:41:38,100

it you know and and I thought that the

1973

01:41:45,189 --> 01:41:41,159

detail was so incredible you know it's

1974

01:41:51,290 --> 01:41:48,770

and by the way that that that

1975

01:41:52,790 --> 01:41:51,300

um that first shot that I just previewed

1976

01:41:55,129 --> 01:41:52,800

and showed everybody that's the money

1977

01:41:58,070 --> 01:41:55,139

that's the best one there are some

1978

01:42:00,770 --> 01:41:58,080

others that look really to me I mean I

1979

01:42:02,629 --> 01:42:00,780

build puppets my whole life there's some

1980

01:42:04,970 --> 01:42:02,639

others that look like a puppet it head

1981

01:42:06,950 --> 01:42:04,980

on a stick because there's no blinking

1982

01:42:09,350 --> 01:42:06,960

for some of the other shots you know

1983

01:42:11,990 --> 01:42:09,360

you're talking about you're watching

1984

01:42:14,330 --> 01:42:12,000

this so-called you know ape-like

1985

01:42:16,790 --> 01:42:14,340

creature for 30 or 40 seconds and it

1986

01:42:19,970 --> 01:42:16,800

doesn't blink once to me that's a debt

1987

01:42:21,709 --> 01:42:19,980

giveaway so you know and and there were

1988

01:42:23,770 --> 01:42:21,719

some other stuff

1989

01:42:27,109 --> 01:42:23,780

no no

1990

01:42:30,470 --> 01:42:27,119

yeah yeah like a like a GoPro I would

1991

01:42:33,530 --> 01:42:30,480

think okay okay and also

1992

01:42:36,109 --> 01:42:33,540

um and also there is there is another

1993

01:42:37,910 --> 01:42:36,119

issue which is that Jeff Meldrum the

1994

01:42:41,030 --> 01:42:37,920

famous Anthropologist and he's into

1995

01:42:42,649 --> 01:42:41,040

Bigfoot he is in the in the documentary

1996

01:42:44,810 --> 01:42:42,659

and and I would think that if you're

1997

01:42:46,790 --> 01:42:44,820

gonna have this kind of footage and this

1998

01:42:49,669 --> 01:42:46,800

guy that has a PHD and is an

1999

01:42:51,410 --> 01:42:49,679

anthropologist and extremely interested

2000

01:42:53,209 --> 01:42:51,420

in Bigfoot that you would sit him down

2001

01:42:54,830 --> 01:42:53,219

show them the footage and say do you

2002

01:42:57,350 --> 01:42:54,840

think this is real do you think is this

2003

01:42:59,629 --> 01:42:57,360

is genuine and he didn't do that in the

2004

01:43:01,850 --> 01:42:59,639

film and so I reached out to Jeff

2005

01:43:04,070 --> 01:43:01,860

Meldrum today I was kind of surprised I

2006

01:43:05,990 --> 01:43:04,080

got his phone number and left it's him

2007

01:43:08,570 --> 01:43:06,000

on the voicemail saying I can't get my

2008

01:43:10,430 --> 01:43:08,580

phone right now so I've asked him I want

2009

01:43:12,590 --> 01:43:10,440

him to comment he was in the documentary

2010

01:43:15,530 --> 01:43:12,600

does he think this is real footage or

2011

01:43:17,629 --> 01:43:15,540

does he think this is a hoax right

2012

01:43:20,570 --> 01:43:17,639

I'd like to know that because I think

2013

01:43:23,270 --> 01:43:20,580

that Todd Standing was using him to kind

2014

01:43:25,609 --> 01:43:23,280

of sell the film like here a PhD is in

2015

01:43:28,129 --> 01:43:25,619

my film this must be real but he doesn't

2016

01:43:29,570 --> 01:43:28,139

say it's real remember that National one

2017

01:43:31,790 --> 01:43:29,580

I can't remember their name there was a

2018

01:43:33,350 --> 01:43:31,800

national Bigfoot Association or

2019

01:43:35,149 --> 01:43:33,360

something like that and they ended up

2020

01:43:36,890 --> 01:43:35,159

getting caught because they were staging

2021

01:43:39,050 --> 01:43:36,900

all the footage remember they they had a

2022

01:43:41,030 --> 01:43:39,060

piece of his fur and they had him in a

2023

01:43:44,390 --> 01:43:41,040

freezer and it was at the South Carolina

2024

01:43:47,810 --> 01:43:44,400

I don't wanna I don't know actually yeah

2025

01:43:49,970 --> 01:43:47,820

yeah there's a guy named Rick Dyer and

2026

01:43:51,229 --> 01:43:49,980

Rick Dyer was involved in two separate

2027

01:43:52,790 --> 01:43:51,239

Bigfoot hoaxes we're going to cover

2028

01:43:56,689 --> 01:43:52,800

those two because they are beautiful

2029

01:43:58,250 --> 01:43:56,699

hoaxes first they got a Bigfoot suit and

2030

01:44:01,430 --> 01:43:58,260

they filled it with like chicken parts

2031

01:44:03,410 --> 01:44:01,440

and guts and [h\_\_\h] and like livers and

2032

01:44:05,930 --> 01:44:03,420

then they threw it in a freezer and

2033

01:44:07,550 --> 01:44:05,940

froze it and they had a bunch of

2034

01:44:08,930 --> 01:44:07,560

different Bigfoot researchers fooled

2035

01:44:11,629 --> 01:44:08,940

they would take them and show the thing

2036

01:44:13,550 --> 01:44:11,639

in the freezer they were on CNN they

2037

01:44:15,770 --> 01:44:13,560

held press conferences it all turned out

2038

01:44:18,709 --> 01:44:15,780

to be a Bigfoot suit inside a freezer

2039

01:44:20,810 --> 01:44:18,719

that's Rick Dyer hoax number one and

2040

01:44:23,270 --> 01:44:20,820

then Rick Dyer hoax number two was even

2041

01:44:25,250 --> 01:44:23,280

better he waited a couple of years then

2042

01:44:27,770 --> 01:44:25,260

he decided to tell everybody that he

2043

01:44:31,010 --> 01:44:27,780

shot a Bigfoot and he got this big

2044

01:44:34,070 --> 01:44:31,020

trailer and put this fake Bigfoot body

2045

01:44:35,629 --> 01:44:34,080

under glass and he was running around at

2046

01:44:37,790 --> 01:44:35,639

chopping walls and you could pay five

2047

01:44:40,910 --> 01:44:37,800

bucks to go in and see the Bigfoot

2048

01:44:42,709 --> 01:44:40,920

creature he shot but then the guy who

2049

01:44:47,830 --> 01:44:42,719

made the dummy for him came out and

2050

01:44:53,629 --> 01:44:50,450

no I really didn't then he started that

2051

01:44:55,970 --> 01:44:53,639

the those those excuses no no I did

2052

01:44:59,750 --> 01:44:55,980

shoot a real Bigfoot but for security

2053

01:45:02,270 --> 01:44:59,760

reasons we made a a duplicate and we put

2054

01:45:04,609 --> 01:45:02,280

a duplicate a facsimile in the display

2055

01:45:06,350 --> 01:45:04,619

case but we've got the real one and

2056

01:45:08,450 --> 01:45:06,360

someday we're going to show scientists

2057

01:45:11,209 --> 01:45:08,460

the real one sure he has that was like

2058

01:45:14,890 --> 01:45:11,219

five years ago he hasn't done that yet

2059

01:45:20,770 --> 01:45:14,900

look uh look at Wiki list them Oak sir

2060

01:45:26,570 --> 01:45:24,410

they show Discovery dude recently and

2061

01:45:28,850 --> 01:45:26,580

they did it over quarantine it was a guy

2062

01:45:31,430 --> 01:45:28,860

and the girl and they went in Kentucky

2063

01:45:32,810 --> 01:45:31,440

mount in the Kentucky mountains and I

2064

01:45:34,729 --> 01:45:32,820

used to go four-wheeling up there where

2065

01:45:38,689 --> 01:45:34,739

they were doing their big putt Bigfoot

2066

01:45:40,189 --> 01:45:38,699

in Harlan on Black Mountain it's crazy I

2067

01:45:42,250 --> 01:45:40,199

mean those mountains are spooky but

2068

01:45:47,890 --> 01:45:42,260

there's no Bigfoot in those mountains

2069

01:45:52,310 --> 01:45:50,570

they were walking on four-wheeler trails

2070

01:45:53,810 --> 01:45:52,320

and stuff up there pretending like they

2071

01:45:56,090 --> 01:45:53,820

were hiking through the mountains up

2072

01:45:57,970 --> 01:45:56,100

there dude it was I mean I think I saw

2073

01:46:00,109 --> 01:45:57,980

them out and I knew where it was exactly

2074

01:46:02,510 --> 01:46:00,119

wasn't it in Dyer he was taking

2075

01:46:06,129 --> 01:46:02,520

donations or something for Research into

2076

01:46:06,139 --> 01:46:10,030

donations

2077

01:46:15,109 --> 01:46:12,129

this is

2078

01:46:17,930 --> 01:46:15,119

the chick was a doctor like a skeptic

2079

01:46:19,609 --> 01:46:17,940

and he kind of changed her mind this

2080

01:46:23,950 --> 01:46:19,619

looks like Captain Caveman from the

2081

01:46:29,870 --> 01:46:27,950

crazy here's the first folks here's the

2082

01:46:32,830 --> 01:46:29,880

first hoax with the freezer with the

2083

01:46:36,669 --> 01:46:32,840

Bigfoot suit in a freezer

2084

01:46:40,430 --> 01:46:38,570

that's a different guy that's a

2085

01:46:42,290 --> 01:46:40,440

different guy yeah that that made the

2086

01:46:43,729 --> 01:46:42,300

national headlines I remember seeing

2087

01:46:45,970 --> 01:46:43,739

that I was like and I'm looking at it

2088

01:46:56,950 --> 01:46:45,980

I'm like that don't even look real man

2089

01:47:01,669 --> 01:46:59,629

oh I'm sorry dude at least standing

2090

01:47:04,370 --> 01:47:01,679

standings was a little bit more

2091

01:47:06,530 --> 01:47:04,380

believable this one just looks

2092

01:47:09,709 --> 01:47:06,540

ridiculous that does look ridiculous

2093

01:47:12,050 --> 01:47:09,719

yeah it's horrible you know that's funny

2094

01:47:14,570 --> 01:47:12,060

sixth sense I I might there's a there's

2095

01:47:16,729 --> 01:47:14,580

a guy and I and I know a friend of mine

2096

01:47:19,010 --> 01:47:16,739

that I used to work with I sat we sat

2097

01:47:21,649 --> 01:47:19,020

right next to each other in this cubicle

2098

01:47:23,629 --> 01:47:21,659

corporate office while this Rick Dyer

2099

01:47:25,729 --> 01:47:23,639

scam was going on I was watching Rick

2100

01:47:27,410 --> 01:47:25,739

Dyer videos every day and cursing and

2101  
01:47:29,689 --> 01:47:27,420  
bitching under my breath like this son

2102  
01:47:31,070 --> 01:47:29,699  
of a [\h\_\_\h] look at this fake [\h\_\_\h] I

2103  
01:47:32,810 --> 01:47:31,080  
can't believe this guy's making all this

2104  
01:47:35,030 --> 01:47:32,820  
money with this stupid place it's so

2105  
01:47:36,830 --> 01:47:35,040  
fake and the guy next to me he started

2106  
01:47:38,450 --> 01:47:36,840  
getting into it too and following it

2107  
01:47:40,430 --> 01:47:38,460  
because it was so ridiculous guys

2108  
01:47:43,370 --> 01:47:40,440  
running around with this big trailer

2109  
01:47:45,350 --> 01:47:43,380  
with I've seen a body of Bigfoot painted

2110  
01:47:51,310 --> 01:47:45,360  
on the side of it and all of this stuff

2111  
01:47:55,910 --> 01:47:54,050  
from the Moon you know that that Asian

2112  
01:47:59,270 --> 01:47:55,920  
chick that they found it kind of looks

2113  
01:48:01,629 --> 01:47:59,280

like that Bigfoot yeah Bigfoot dude kind

2114

01:48:04,770 --> 01:48:01,639

of looks like maybe they're related yeah

2115

01:48:06,250 --> 01:48:04,780

you remember that hoax yeah

2116

01:48:09,590 --> 01:48:06,260

[Music]

2117

01:48:11,570 --> 01:48:09,600

with three boobs or whatever

2118

01:48:14,870 --> 01:48:11,580

they did a great job on that though

2119

01:48:17,629 --> 01:48:14,880

because listen I I talked to somebody at

2120

01:48:19,129 --> 01:48:17,639

work buildings and everything I showed

2121

01:48:21,890 --> 01:48:19,139

that footage to somebody that actually

2122

01:48:24,109 --> 01:48:21,900

worked on the Apollo Moon Landers and he

2123

01:48:26,870 --> 01:48:24,119

said whoever did that really did their

2124

01:48:29,930 --> 01:48:26,880

research because the you know they

2125

01:48:31,790 --> 01:48:29,940

showed them inside the moonlander like

2126

01:48:33,530 --> 01:48:31,800

and all the buttons were in the right

2127

01:48:36,290 --> 01:48:33,540

place and everything was historically

2128

01:48:38,330 --> 01:48:36,300

looked right so whoever did that did a

2129

01:48:41,689 --> 01:48:38,340

great job on that but the the actual

2130

01:48:43,189 --> 01:48:41,699

alien dummy looked hokey as [h\_\_h] and it

2131

01:48:44,390 --> 01:48:43,199

looked wax it looked like it was made

2132

01:48:48,530 --> 01:48:44,400

out of Wax

2133

01:48:50,570 --> 01:48:48,540

yeah it didn't so it was wow

2134

01:48:53,570 --> 01:48:50,580

look there was people that would have

2135

01:48:54,970 --> 01:48:53,580

fell for it though I mean I don't

2136

01:48:57,050 --> 01:48:54,980

remember how many

2137

01:48:58,790 --> 01:48:57,060

they had those little buildings those

2138

01:49:00,050 --> 01:48:58,800

little glass buildings that they were

2139

01:49:03,430 --> 01:49:00,060

walking to

2140

01:49:06,790 --> 01:49:03,440

yeah yeah here I see from The Daily Mail

2141

01:49:10,669 --> 01:49:06,800

big frog man

2142

01:49:12,410 --> 01:49:10,679

look at this big fraud man who raked in

2143

01:49:14,570 --> 01:49:12,420

Sixty thousand dollars charging public

2144

01:49:16,729 --> 01:49:14,580

to see the body of a Bigfoot admits the

2145

01:49:19,250 --> 01:49:16,739

corpse is a hoax made from camel hair

2146

01:49:21,850 --> 01:49:19,260

and latex just like the scam he pulled

2147

01:49:26,510 --> 01:49:21,860

in 2008.

2148

01:49:30,350 --> 01:49:26,520

he wasn't done yeah yeah he's doing a

2149

01:49:33,890 --> 01:49:30,360

Wilcock here trying a new scams

2150

01:49:37,490 --> 01:49:33,900

back then that's like 90k now man yeah

2151

01:49:39,530 --> 01:49:37,500

that's a lot of money yeah used car

2152

01:49:41,330 --> 01:49:39,540

salesman he's a used car salesman that

2153

01:49:43,970 --> 01:49:41,340

makes the the whole hoax even funnier

2154

01:49:45,890 --> 01:49:43,980

Rick Dyer with the body of Bigfoot on

2155

01:49:47,570 --> 01:49:45,900

display in Houston Dyer claimed that he

2156

01:49:50,570 --> 01:49:47,580

shot and killed the Sasquatch he called

2157

01:49:52,669 --> 01:49:50,580

Hank in San Antonio in September 2012.

2158

01:49:56,810 --> 01:49:52,679

he has admitted that it is not true now

2159

01:50:02,270 --> 01:49:58,970

that's so

2160

01:50:08,410 --> 01:50:05,270

traditional Yeti is like a yeti in the

2161

01:50:16,370 --> 01:50:10,609

depending on where they are in the world

2162

01:50:19,609 --> 01:50:17,990

but there was a dude on Joe Rogan

2163

01:50:21,649 --> 01:50:19,619

recently that climbed he did a

2164

01:50:23,689 --> 01:50:21,659

documentary where we climbed

2165

01:50:26,330 --> 01:50:23,699

a bunch of these crazy Mountain tall

2166

01:50:28,250 --> 01:50:26,340

mountains and he got oxygen deprived and

2167

01:50:30,470 --> 01:50:28,260

he said he saw Yeti and everybody in his

2168

01:50:33,709 --> 01:50:30,480

group saw Yeti and they were all oxygen

2169

01:50:35,450 --> 01:50:33,719

deprived and they all saw the same thing

2170

01:50:37,850 --> 01:50:35,460

well that's interesting

2171

01:50:42,410 --> 01:50:37,860

why why does The Daily Mail got this is

2172

01:50:46,450 --> 01:50:42,420

Dr Christopher Dyer and not Rick Dyer I

2173

01:50:52,070 --> 01:50:49,430

yeah I don't I have no idea but that's

2174

01:50:55,189 --> 01:50:52,080

just two of my favorite hoaxes from the

2175

01:50:57,290 --> 01:50:55,199

same guy you know yeah and the fact that

2176

01:50:59,089 --> 01:50:57,300

like people still a lot of people that

2177

01:51:01,189 --> 01:50:59,099

were into Bigfoot still believed him the

2178

01:51:05,390 --> 01:51:01,199

second time even after he got caught the

2179

01:51:07,070 --> 01:51:05,400

first time it's it's just stupid right

2180

01:51:09,410 --> 01:51:07,080

it doesn't make it's like people still

2181

01:51:13,510 --> 01:51:09,420

having Richard Dodie on saying he's

2182

01:51:19,070 --> 01:51:16,550

as soon as he got on Gaia TV I said well

2183

01:51:21,229 --> 01:51:19,080

I can't I can't listen to anything that

2184

01:51:23,149 --> 01:51:21,239

that he says ever again

2185

01:51:25,609 --> 01:51:23,159

they started talking about Wendell

2186

01:51:27,290 --> 01:51:25,619

Stevens is one of my best friends I said

2187

01:51:29,209 --> 01:51:27,300

oh man these poor people they don't know

2188

01:51:30,709 --> 01:51:29,219

nothing about Wendell Stevens he's tired

2189

01:51:32,990 --> 01:51:30,719

he talked about Wendell Stevens on

2190

01:51:36,350 --> 01:51:33,000

fesler show

2191

01:51:39,890 --> 01:51:36,360

I mean I'm just like was it was a guy

2192

01:51:41,870 --> 01:51:39,900

and and professor and Professor sat

2193

01:51:43,550 --> 01:51:41,880

there like an idiot not going you know

2194

01:51:52,149 --> 01:51:43,560

that guy was a twice convicted child

2195

01:51:56,990 --> 01:51:54,530

some years ago

2196

01:51:59,810 --> 01:51:57,000

it was a Gaia that uh had some

2197

01:52:01,430 --> 01:51:59,820

investments in on The Epic Times because

2198

01:52:03,470 --> 01:52:01,440

all of their articles obviously

2199

01:52:06,109 --> 01:52:03,480

supported what Gaia said even regardless

2200

01:52:07,850 --> 01:52:06,119

of how how many times

2201  
01:52:10,250 --> 01:52:07,860  
did you do you remember that that was

2202  
01:52:12,109 --> 01:52:10,260  
something five years ago maybe I didn't

2203  
01:52:13,970 --> 01:52:12,119  
know that and I think that Dodie talked

2204  
01:52:16,070 --> 01:52:13,980  
about it on fessler's show about how The

2205  
01:52:19,910 --> 01:52:16,080  
Epic Times and and Gaia work together

2206  
01:52:23,750 --> 01:52:21,770  
they were working together in some way

2207  
01:52:25,430 --> 01:52:23,760  
or fashion I can't remember exactly but

2208  
01:52:27,850 --> 01:52:25,440  
I always thought that that was weird how

2209  
01:52:30,709 --> 01:52:27,860  
many of these people are working with

2210  
01:52:32,629 --> 01:52:30,719  
you know these specialized sites you

2211  
01:52:35,030 --> 01:52:32,639  
know these sites that obviously promote

2212  
01:52:36,830 --> 01:52:35,040  
a bunch of [h\_\_h] you know I mean how

2213  
01:52:39,169 --> 01:52:36,840

many are actually donating to them

2214

01:52:41,750 --> 01:52:39,179

saying hey let this story slide you know

2215

01:52:42,770 --> 01:52:41,760

here here's a little bonus if you get a

2216

01:52:45,470 --> 01:52:42,780

lot of views

2217

01:52:47,390 --> 01:52:45,480

Mark is asking what does the what does

2218

01:52:50,450 --> 01:52:47,400

the panel think of the Patterson gimlin

2219

01:52:52,370 --> 01:52:50,460

Bigfoot film I I always wished and and

2220

01:52:55,310 --> 01:52:52,380

wanted to believe it was real even

2221

01:52:57,050 --> 01:52:55,320

though uh the that one guy passed

2222

01:52:58,669 --> 01:52:57,060

several lie detector tests saying that

2223

01:53:00,410 --> 01:52:58,679

he was the guy in the suit and then

2224

01:53:02,510 --> 01:53:00,420

there was somebody from Morris costumes

2225

01:53:04,910 --> 01:53:02,520

who came out and said that was my suit I

2226

01:53:07,390 --> 01:53:04,920

sold it to them I still want to believe

2227

01:53:09,589 --> 01:53:07,400

it's real I do want to believe it's real

2228

01:53:11,689 --> 01:53:09,599

I think it's a hoax you can see the

2229

01:53:14,750 --> 01:53:11,699

weight I do think it's a hoax yeah there

2230

01:53:17,629 --> 01:53:14,760

were so many people doing uh uh uh

2231

01:53:20,990 --> 01:53:17,639

reviewing the video and you know overall

2232

01:53:23,990 --> 01:53:21,000

I mean or on the majority chose hey look

2233

01:53:25,850 --> 01:53:24,000

at this really can't be real I mean you

2234

01:53:27,589 --> 01:53:25,860

know if that thing was that big and that

2235

01:53:30,109 --> 01:53:27,599

tall it wouldn't be walking like it is

2236

01:53:32,390 --> 01:53:30,119

or something I mean oh they they totally

2237

01:53:36,310 --> 01:53:32,400

went over inch by inch by inch of that

2238

01:53:40,430 --> 01:53:36,320

film and I you know I gotta agree I

2239

01:53:44,510 --> 01:53:42,770

yeah well at that time bigfoot was in

2240

01:53:47,089 --> 01:53:44,520

and so were alien abductions look at

2241

01:53:49,010 --> 01:53:47,099

Travis Walton you know which somebody

2242

01:53:51,709 --> 01:53:49,020

brought up the other night about how how

2243

01:53:54,890 --> 01:53:51,719

Hollywood gets in on this and stuff and

2244

01:53:57,950 --> 01:53:54,900

and I and I agree with that I think I

2245

01:54:00,470 --> 01:53:57,960

think the reason the the reason why UFO

2246

01:54:02,149 --> 01:54:00,480

or ufology is what it is today is

2247

01:54:04,370 --> 01:54:02,159

because of Hollywood I mean they they

2248

01:54:06,709 --> 01:54:04,380

get this this thing inserted in your

2249

01:54:08,990 --> 01:54:06,719

head saying it must be alien if you

2250

01:54:11,750 --> 01:54:09,000

can't identify it that that's nonsense I

2251

01:54:14,270 --> 01:54:11,760

mean it's more than likely human but

2252

01:54:16,430 --> 01:54:14,280

they they get this in people's uh mind

2253

01:54:19,010 --> 01:54:16,440

saying you know just assume that it's an

2254

01:54:21,169 --> 01:54:19,020

alien automatically without any proof at

2255

01:54:22,669 --> 01:54:21,179

all and I've always had a problem with

2256

01:54:26,689 --> 01:54:22,679

that kind of thing and

2257

01:54:28,669 --> 01:54:26,699

yeah and Andrew bus is

2258

01:54:30,229 --> 01:54:28,679

Andrew bus is saying truth Seekers I

2259

01:54:31,970 --> 01:54:30,239

don't care if Bigfoot is real or not I

2260

01:54:34,850 --> 01:54:31,980

find it funny it brings me a lot of Joy

2261

01:54:35,629 --> 01:54:34,860

me too I love Bigfoot I have since I was

2262

01:54:38,109 --> 01:54:35,639

a little kid there's just something

2263

01:54:40,910 --> 01:54:38,119

about it I just like it

2264

01:54:43,310 --> 01:54:40,920

I also listen to Bigfoot you know

2265

01:54:44,930 --> 01:54:43,320

podcast stories you can probably be sure

2266

01:54:46,910 --> 01:54:44,940

that there's speeches

2267

01:54:49,370 --> 01:54:46,920

there's species out there that we just

2268

01:54:51,589 --> 01:54:49,380

haven't found well just a few years ago

2269

01:54:53,510 --> 01:54:51,599

we discovered a new species of giant

2270

01:54:56,030 --> 01:54:53,520

chimpanzee that they never knew existed

2271

01:54:58,070 --> 01:54:56,040

so who knows what's out there we don't

2272

01:55:00,109 --> 01:54:58,080

know and that's an awful big animal for

2273

01:55:02,089 --> 01:55:00,119

them it's like it's it's it's like

2274

01:55:04,129 --> 01:55:02,099

halfway between a gorilla and a

2275

01:55:06,649 --> 01:55:04,139

chimpanzee in size and weight they're

2276  
01:55:10,550 --> 01:55:06,659  
huge they're monstrous and they just

2277  
01:55:12,950 --> 01:55:10,560  
discovered that like five six years ago

2278  
01:55:21,770 --> 01:55:12,960  
yeah that survivor guy goes out there

2279  
01:55:26,169 --> 01:55:23,870  
standing even Bigfoot people think he's

2280  
01:55:28,430 --> 01:55:26,179  
full of [h\_\_\h] how bad is that

2281  
01:55:30,609 --> 01:55:28,440  
before people believe a lot of stuff

2282  
01:55:33,109 --> 01:55:30,619  
they believe that guy's full of [h\_\_\h]

2283  
01:55:36,229 --> 01:55:33,119  
any tree even like Tom he treated him

2284  
01:55:39,350 --> 01:55:36,239  
like Tom's along but still

2285  
01:55:40,490 --> 01:55:39,360  
it's you know you never know but what I

2286  
01:55:42,709 --> 01:55:40,500  
was saying earlier about the guy that

2287  
01:55:45,109 --> 01:55:42,719  
hiked he was insinuating it was

2288  
01:55:47,649 --> 01:55:45,119

something with oxygen deprivation is

2289

01:55:50,030 --> 01:55:47,659

what he believed it could have been yeah

2290

01:55:52,430 --> 01:55:50,040

the the Sherpas and a lot of those

2291

01:55:54,109 --> 01:55:52,440

people believe that as when you've not

2292

01:55:57,050 --> 01:55:54,119

had enough oxygen and stuff like that

2293

01:56:00,169 --> 01:55:57,060

that that's what you said yeah yeah you

2294

01:56:02,030 --> 01:56:00,179

you run viciously for you know so long

2295

01:56:03,770 --> 01:56:02,040

before you you can start feeling your

2296

01:56:06,169 --> 01:56:03,780

head getting light I mean that that's

2297

01:56:08,149 --> 01:56:06,179

just you know a physically you can see

2298

01:56:11,709 --> 01:56:08,159

all kinds of stuff out there he said

2299

01:56:19,430 --> 01:56:14,629

any place that remote has a possibility

2300

01:56:22,689 --> 01:56:20,990

it's almost like uh what was that down

2301  
01:56:25,790 --> 01:56:22,699  
in Texas

2302  
01:56:28,609 --> 01:56:25,800  
oxygen I mean you know you're at 25

2303  
01:56:30,530 --> 01:56:28,619  
000 26 28 000 feet you don't have oxygen

2304  
01:56:32,810 --> 01:56:30,540  
I mean

2305  
01:56:34,850 --> 01:56:32,820  
you're up there what was that wolf like

2306  
01:56:36,950 --> 01:56:34,860  
thing down in Texas a couple years back

2307  
01:56:39,430 --> 01:56:36,960  
I mean I've been thinking five couple of

2308  
01:56:41,810 --> 01:56:39,440  
years for me is like five years

2309  
01:56:43,370 --> 01:56:41,820  
uh it was like a gackle or something

2310  
01:56:46,370 --> 01:56:43,380  
like that and they were saying that it

2311  
01:56:47,990 --> 01:56:46,380  
was one of those uh uh an experiment

2312  
01:56:50,330 --> 01:56:48,000  
gone wrong I can't even think what's the

2313  
01:56:53,030 --> 01:56:50,340

one that has all the animals mixed then

2314

01:56:56,330 --> 01:56:53,040

ah God I can't think of it there was one

2315

01:57:00,470 --> 01:56:56,340

that they thought was a chupacabra yeah

2316

01:57:05,390 --> 01:57:02,629

that was in a Texas or something like

2317

01:57:09,589 --> 01:57:07,129

well they went ahead and did studies on

2318

01:57:11,570 --> 01:57:09,599

it and it was just like a local wolf or

2319

01:57:13,010 --> 01:57:11,580

something or or a fox or I can't

2320

01:57:14,109 --> 01:57:13,020

remember exactly Jackal I don't know

2321

01:57:16,550 --> 01:57:14,119

what it was

2322

01:57:19,930 --> 01:57:16,560

but it wasn't what they were saying it

2323

01:57:22,910 --> 01:57:19,940

was and you know you never know

2324

01:57:23,930 --> 01:57:22,920

that they were drinking the fluoride in

2325

01:57:26,209 --> 01:57:23,940

the water

2326

01:57:28,010 --> 01:57:26,219

yeah there's more things under heaven

2327

01:57:30,169 --> 01:57:28,020

and earth right we never know what's

2328

01:57:31,669 --> 01:57:30,179

happening oh there's you know and that

2329

01:57:34,310 --> 01:57:31,679

that's that's kind of the thing whenever

2330

01:57:37,070 --> 01:57:34,320

I think about space exploration I think

2331

01:57:38,890 --> 01:57:37,080

why haven't they explored our oceans I

2332

01:57:41,629 --> 01:57:38,900

mean they're like 10 not even 10

2333

01:57:44,089 --> 01:57:41,639

explored you know we know less about our

2334

01:57:46,250 --> 01:57:44,099

our own Ocean than we do about the moon

2335

01:57:47,750 --> 01:57:46,260

or Mars for that matter you know and I

2336

01:57:50,089 --> 01:57:47,760

and I always found that that was weird

2337

01:57:52,790 --> 01:57:50,099

granted I'm not I understand the dangers

2338

01:57:55,010 --> 01:57:52,800

of going so deep and stuff but you know

2339

01:57:57,830 --> 01:57:55,020

just the other day somebody had posted a

2340

01:57:59,270 --> 01:57:57,840

and I seen in the news a UFO found on

2341

01:58:02,209 --> 01:57:59,280

Google or it's just off the coast of

2342

01:58:04,490 --> 01:58:02,219

Peru I believe and if you and it's

2343

01:58:06,649 --> 01:58:04,500

circular there's no doubt in I think it

2344

01:58:09,890 --> 01:58:06,659

was seven meters wide or something like

2345

01:58:12,890 --> 01:58:09,900

that the thing is is it definitely looks

2346

01:58:16,430 --> 01:58:12,900

round very very round you know I mean

2347

01:58:18,589 --> 01:58:16,440

the how much of what what's under the

2348

01:58:20,209 --> 01:58:18,599

ocean do we not know that's there I mean

2349

01:58:22,850 --> 01:58:20,219

species alone I mean there's probably

2350

01:58:25,729 --> 01:58:22,860

Millions you know across the whole world

2351

01:58:28,370 --> 01:58:25,739

or some insane amount I mean we're

2352

01:58:32,149 --> 01:58:28,380

constantly finding new new uh creatures

2353

01:58:37,669 --> 01:58:35,050

yeah I mean like I said the the the

2354

01:58:39,649 --> 01:58:37,679

giant chimpanzees they produce their own

2355

01:58:41,870 --> 01:58:39,659

light and

2356

01:58:44,689 --> 01:58:41,880

it's so cool

2357

01:58:47,330 --> 01:58:44,699

yeah the ocean's another one we have no

2358

01:58:50,290 --> 01:58:47,340

idea what's taller than yeah looking up

2359

01:58:55,250 --> 01:58:53,330

we have no idea what is down in the

2360

01:58:57,709 --> 01:58:55,260

deepest depths of the ocean no idea

2361

01:58:59,450 --> 01:58:57,719

whatsoever oh that's right the truth

2362

01:59:01,010 --> 01:58:59,460

Searcher here says no Nye the Science

2363

01:59:02,830 --> 01:59:01,020

Guy doesn't even have a degree in

2364

01:59:05,149 --> 01:59:02,840

science you're correct

2365

01:59:06,830 --> 01:59:05,159

I think it's in marketing or something

2366

01:59:09,350 --> 01:59:06,840

like that or what

2367

01:59:12,410 --> 01:59:09,360

how then that's why I question when you

2368

01:59:14,930 --> 01:59:12,420

see something like like him on TV you

2369

01:59:17,209 --> 01:59:14,940

know uh you know quoted as the science

2370

01:59:20,030 --> 01:59:17,219

guy the guy the guy doesn't even have a

2371

01:59:22,729 --> 01:59:20,040

degree in science at all you know I just

2372

01:59:25,189 --> 01:59:22,739

I don't believe what Hollywood's showing

2373

01:59:27,290 --> 01:59:25,199

us you know you know if it's something

2374

01:59:29,990 --> 01:59:27,300

that says you know

2375

01:59:32,689 --> 01:59:30,000

come on Bill Gates fishing vaccines and

2376

01:59:35,450 --> 01:59:32,699

and uh we're not talking about that

2377

01:59:37,790 --> 01:59:35,460

stuff yeah we don't talk about it right

2378

01:59:39,530 --> 01:59:37,800

here let's see guys sorry I'm just

2379

01:59:42,729 --> 01:59:39,540

saying since we're talking about people

2380

01:59:46,609 --> 01:59:42,739

with fake degrees or whatever

2381

01:59:49,070 --> 01:59:46,619

yeah it's relevant what is that guy I

2382

01:59:51,169 --> 01:59:49,080

just think it's funny yeah but we have

2383

01:59:53,750 --> 01:59:51,179

the invent we have the CEO of the

2384

01:59:55,850 --> 01:59:53,760

company that that marketed the operating

2385

01:59:58,129 --> 01:59:55,860

system that has the most viruses on

2386

02:00:02,030 --> 01:59:58,139

planet Earth is somehow going to help me

2387

02:00:04,970 --> 02:00:02,040

with uh with human viruses I don't get

2388

02:00:06,530 --> 02:00:04,980

it I I don't get it that that's it like

2389

02:00:08,149 --> 02:00:06,540

these celebrities that are all of a

2390

02:00:09,950 --> 02:00:08,159

sudden now they're Physicians and now

2391

02:00:12,350 --> 02:00:09,960

they're you know really do you even have

2392

02:00:15,229 --> 02:00:12,360

any clue do you have any education at

2393

02:00:17,629 --> 02:00:15,239

even 12. I do

2394

02:00:19,669 --> 02:00:17,639

yeah and I've always found that that was

2395

02:00:21,050 --> 02:00:19,679

weird you know whenever I'd seen that

2396

02:00:23,089 --> 02:00:21,060

when a celebrity speaks up about

2397

02:00:24,649 --> 02:00:23,099

something especially political I'm like

2398

02:00:27,050 --> 02:00:24,659

yeah what do you got to gain from this

2399

02:00:28,790 --> 02:00:27,060

because that's who you're supporting you

2400

02:00:30,770 --> 02:00:28,800

know and I I don't believe them

2401

02:00:33,290 --> 02:00:30,780

celebrities at all you know everything's

2402

02:00:36,050 --> 02:00:33,300

a Kardashian oh man and they get their

2403

02:00:37,970 --> 02:00:36,060

news on Twitter they get their news well

2404

02:00:40,189 --> 02:00:37,980

we're just we just passed the two-hour

2405

02:00:42,709 --> 02:00:40,199

Mark so uh I'm gonna throw you people

2406

02:00:44,390 --> 02:00:42,719

out of here to wrap things up I

2407

02:00:46,729 --> 02:00:44,400

appreciate you coming on to the panel

2408

02:00:48,229 --> 02:00:46,739

save the day with the missing guest you

2409

02:00:49,910 --> 02:00:48,239

know and and actually I'm glad we did

2410

02:00:52,129 --> 02:00:49,920

this because I was just gonna

2411

02:00:53,689 --> 02:00:52,139

I was just going to call it but you know

2412

02:00:55,250 --> 02:00:53,699

we learned a roll with the punches here

2413

02:00:57,109 --> 02:00:55,260

these things happen I hope the audience

2414

02:00:59,870 --> 02:00:57,119

understands the guests didn't make it so

2415

02:01:02,990 --> 02:00:59,880

we talked about other stuff tonight and

2416

02:01:04,729 --> 02:01:03,000

still put out a well I would say it was

2417

02:01:06,410 --> 02:01:04,739

a decent show but Sixth Sense was here

2418

02:01:09,010 --> 02:01:06,420

so that just ruined it for a lot of

2419

02:01:11,390 --> 02:01:09,020

people really yeah

2420

02:01:13,450 --> 02:01:11,400

thank you guys I'm gonna throw you out

2421

02:01:16,189 --> 02:01:13,460

of here um

2422

02:01:18,169 --> 02:01:16,199

Steve in there is there a date on when

2423

02:01:19,970 --> 02:01:18,179

you're gonna have or a time schedule

2424

02:01:24,410 --> 02:01:19,980

when you're going to have not Todd

2425

02:01:27,530 --> 02:01:24,420

Standing or no no he has not agree he

2426  
02:01:29,629 --> 02:01:27,540  
has not agreed to an interview I'm I am

2427  
02:01:33,410 --> 02:01:29,639  
going to just go through his footage and

2428  
02:01:35,990 --> 02:01:33,420  
do an analysis of it all and uh and show

2429  
02:01:38,750 --> 02:01:36,000  
what I believe is really in the footage

2430  
02:01:40,970 --> 02:01:38,760  
versus what he's showing or purporting

2431  
02:01:42,890 --> 02:01:40,980  
it to be yeah okay that's what we're

2432  
02:01:45,410 --> 02:01:42,900  
doing and I'm trying to get uh Jeff

2433  
02:01:48,229 --> 02:01:45,420  
Meldrum and that other PhD scientist who

2434  
02:01:49,669 --> 02:01:48,239  
was in the documentary to chime in on

2435  
02:01:51,770 --> 02:01:49,679  
whether that footage is that they

2436  
02:01:55,070 --> 02:01:51,780  
believe that footage is a genuine real

2437  
02:01:58,490 --> 02:01:55,080  
live animal or you know human animal

2438  
02:02:01,669 --> 02:01:58,500

hybrid whatever is it a real creature or

2439

02:02:04,129 --> 02:02:01,679

is it a hoax is it masks is it you know

2440

02:02:06,890 --> 02:02:04,139

something we've got to do it that way

2441

02:02:08,689 --> 02:02:06,900

Hey Stephen thank you for allowing me to

2442

02:02:10,270 --> 02:02:08,699

to speak and ruin your show oh yeah

2443

02:02:12,770 --> 02:02:10,280

you're always welcome here

2444

02:02:15,470 --> 02:02:12,780

all right dude we'll we'll catch you

2445

02:02:17,209 --> 02:02:15,480

later all right thank you six cents so I

2446

02:02:19,669 --> 02:02:17,219

you know again I apologize that our

2447

02:02:21,770 --> 02:02:19,679

guests tonight LA Marzulli did not make

2448

02:02:24,169 --> 02:02:21,780

it he was he double booked himself he's

2449

02:02:26,750 --> 02:02:24,179

a very busy guy I you know I understand

2450

02:02:28,189 --> 02:02:26,760

I forgive him these things happen he

2451

02:02:29,930 --> 02:02:28,199

said I just talked to him on the phone

2452

02:02:31,910 --> 02:02:29,940

while we were on the break and he said

2453

02:02:33,530 --> 02:02:31,920

you know call me tomorrow and we'll

2454

02:02:35,870 --> 02:02:33,540

definitely schedule something I'll make

2455

02:02:39,109 --> 02:02:35,880

sure you know this will be the third

2456

02:02:40,189 --> 02:02:39,119

time is the charm I guess uh I want to

2457

02:02:41,689 --> 02:02:40,199

thank each and every one of you for

2458

02:02:43,430 --> 02:02:41,699

joining us I want to thank Our Kind and

2459

02:02:45,410 --> 02:02:43,440

Generous benefactors as a viewer

2460

02:02:47,510 --> 02:02:45,420

supported show a few ways that you can

2461

02:02:50,750 --> 02:02:47,520

support the show is to sign up on

2462

02:02:53,990 --> 02:02:50,760

patreon I just posted the money shots uh

2463

02:02:56,570 --> 02:02:54,000

the enhanced digitally enhanced money

2464

02:02:59,930 --> 02:02:56,580

shots from this Bigfoot documentary

2465

02:03:02,629 --> 02:02:59,940

discovering Bigfoot on patreon so you

2466

02:03:04,609 --> 02:03:02,639

get a sneak peek at that before we air

2467

02:03:07,490 --> 02:03:04,619

the actual show that will include those

2468

02:03:09,649 --> 02:03:07,500

videos and my analysis of them it's sort

2469

02:03:10,910 --> 02:03:09,659

of a backstage pass being on our patreon

2470

02:03:13,609 --> 02:03:10,920

for as little as a dollar a month

2471

02:03:16,189 --> 02:03:13,619

everything we do here I try to post it

2472

02:03:19,669 --> 02:03:16,199

early on patreon so that you guys get a

2473

02:03:22,669 --> 02:03:19,679

backstage pass and an advance uh

2474

02:03:24,950 --> 02:03:22,679

screening of what we're working on you

2475

02:03:27,649 --> 02:03:24,960

also get my music all my music I put on

2476

02:03:30,410 --> 02:03:27,659

patreon for a long time before it

2477

02:03:32,330 --> 02:03:30,420

becomes public uh and we do a monthly

2478

02:03:34,850 --> 02:03:32,340

show journal sometimes we do patreon

2479

02:03:36,169 --> 02:03:34,860

only streams and more bonus content for

2480

02:03:38,629 --> 02:03:36,179

as little as a dollar a month the other

2481

02:03:40,669 --> 02:03:38,639

way of course is to throw a couple of

2482

02:03:43,729 --> 02:03:40,679

bucks in the Hat uh you can either make

2483

02:03:46,910 --> 02:03:43,739

a PayPal donation cash app or use the

2484

02:03:48,470 --> 02:03:46,920

super chats uh down there in the live

2485

02:03:49,490 --> 02:03:48,480

chat

2486

02:03:52,129 --> 02:03:49,500

um

2487

02:03:54,109 --> 02:03:52,139

we read every single Super Chat we read

2488

02:03:58,490 --> 02:03:54,119

every single PayPal donation just be

2489

02:04:00,649 --> 02:03:58,500

sure to add a note and uh and when you

2490

02:04:02,569 --> 02:04:00,659

add a note give us your chat room user

2491

02:04:06,229 --> 02:04:02,579

ID and any message that you'd like us to

2492

02:04:07,970 --> 02:04:06,239

read on air for you and we will do that

2493

02:04:10,910 --> 02:04:07,980

um and I want to thank every one of the

2494

02:04:14,209 --> 02:04:10,920

kind and generous benefactors we have uh

2495

02:04:18,050 --> 02:04:14,219

initials aw with a Kind and Generous 10

2496

02:04:20,330 --> 02:04:18,060

Great Britain pound uh

2497

02:04:23,390 --> 02:04:20,340

Great Britain pound

2498

02:04:25,250 --> 02:04:23,400

uh PayPal donation no message but

2499

02:04:28,189 --> 02:04:25,260

initials aw thank you for your kindness

2500

02:04:29,569 --> 02:04:28,199

and your generosity and your support

2501

02:04:32,629 --> 02:04:29,579

um we had

2502

02:04:37,010 --> 02:04:32,639

from Bex we had

2503

02:04:41,209 --> 02:04:39,350

Beck sent a Kind and Generous Eight

2504

02:04:43,430 --> 02:04:41,219

dollar twenty Cent

2505

02:04:45,290 --> 02:04:43,440

PayPal donation so thank you for your

2506

02:04:47,030 --> 02:04:45,300

kindness your generosity and your

2507

02:04:49,370 --> 02:04:47,040

continued support of the show it is much

2508

02:04:51,410 --> 02:04:49,380

much appreciated friends uh the other

2509

02:04:54,290 --> 02:04:51,420

way that you can support the show here

2510

02:04:55,970 --> 02:04:54,300

is uh this is my Mantra what am I always

2511

02:04:59,450 --> 02:04:55,980

saying oh

2512

02:05:01,569 --> 02:04:59,460

like and share these videos with your

2513

02:05:05,410 --> 02:05:01,579

friends your family your co-workers

2514

02:05:07,729 --> 02:05:05,420

complete total strangers I don't care no

2515

02:05:09,890 --> 02:05:07,739

uh if you know somebody that may be

2516

02:05:11,510 --> 02:05:09,900

interested in this strange and esoteric

2517

02:05:15,350 --> 02:05:11,520

and mysterious subjects that we cover

2518

02:05:19,910 --> 02:05:15,360

here then please by all means do go on

2519

02:05:22,010 --> 02:05:19,920

over and copy and paste this video and

2520

02:05:23,510 --> 02:05:22,020

send it to some of your friends who may

2521

02:05:25,310 --> 02:05:23,520

be similarly interested if you're

2522

02:05:26,750 --> 02:05:25,320

interested in this weird [h\_\_h] you

2523

02:05:29,750 --> 02:05:26,760

probably got weird friends that are

2524

02:05:31,729 --> 02:05:29,760

interested in it also be sure if you

2525

02:05:33,830 --> 02:05:31,739

haven't already to smash the Subscribe

2526

02:05:35,209 --> 02:05:33,840

button hit that notification Bell so you

2527

02:05:36,950 --> 02:05:35,219

too will know when we're having a live

2528

02:05:38,870 --> 02:05:36,960

chat you see we take comments and

2529

02:05:41,750 --> 02:05:38,880

questions from the live chat we have a

2530

02:05:43,250 --> 02:05:41,760

very interactive show here and you are

2531

02:05:45,470 --> 02:05:43,260

most welcome if you happen to be

2532

02:05:47,330 --> 02:05:45,480

listening in audio podcast land you're

2533

02:05:49,189 --> 02:05:47,340

missing half the fun we welcome you to

2534

02:05:51,709 --> 02:05:49,199

come on over to YouTube where we do the

2535

02:05:54,229 --> 02:05:51,719

live tapings for the podcast put truth

2536

02:05:56,209 --> 02:05:54,239

Seekers one word into the YouTube search

2537

02:05:59,870 --> 02:05:56,219

bar look for me the weirdo with the

2538

02:06:01,370 --> 02:05:59,880

sunglasses that's me your host smash the

2539

02:06:03,830 --> 02:06:01,380

Subscribe button hit the notification

2540

02:06:05,750 --> 02:06:03,840

Bell and you too can come here and be a

2541

02:06:08,030 --> 02:06:05,760

part of the show don't just listen to

2542

02:06:11,149 --> 02:06:08,040

the show don't just watch the show come

2543

02:06:12,470 --> 02:06:11,159

here and be a part of the show you are

2544

02:06:14,569 --> 02:06:12,480

most welcome

2545

02:06:16,609 --> 02:06:14,579

what else can I say I'm always happy

2546

02:06:18,890 --> 02:06:16,619

when there's an audience uh I can

2547

02:06:20,390 --> 02:06:18,900

apologize again for uh this is the

2548

02:06:22,910 --> 02:06:20,400

second time we've tried this that it

2549

02:06:24,830 --> 02:06:22,920

didn't work uh last time Mr Marzulli

2550

02:06:26,870 --> 02:06:24,840

canceled and we said we would reschedule

2551

02:06:29,990 --> 02:06:26,880

it for tonight this time he double

2552

02:06:31,370 --> 02:06:30,000

booked himself somehow uh so you know

2553

02:06:33,410 --> 02:06:31,380

when he apologized he doesn't have a

2554

02:06:36,470 --> 02:06:33,420

secretary sometimes you know things get

2555

02:06:38,330 --> 02:06:36,480

screwed up no worries uh I'm determined

2556

02:06:41,089 --> 02:06:38,340

to get this interview well the third

2557

02:06:42,649 --> 02:06:41,099

time's a charm uh I will try to book

2558

02:06:45,890 --> 02:06:42,659

that with him tomorrow and let you guys

2559

02:06:48,169 --> 02:06:45,900

know when he'll be here next week we've

2560

02:06:50,149 --> 02:06:48,179

got a bang-up show week for you I've got

2561

02:06:52,069 --> 02:06:50,159

a lot of cool things planned a lot of

2562

02:06:53,510 --> 02:06:52,079

production videos that we're going to be

2563

02:06:56,689 --> 02:06:53,520

debuting

2564

02:06:58,010 --> 02:06:56,699

um and also tonight tonight my friends

2565

02:06:59,510 --> 02:06:58,020

uh

2566

02:07:01,010 --> 02:06:59,520

or you know what we're going to do that

2567

02:07:04,069 --> 02:07:01,020

tomorrow we're going to do a Midnight

2568

02:07:06,050 --> 02:07:04,079

Hour show tomorrow sometime I'm going to

2569

02:07:07,910 --> 02:07:06,060

be uh heading to the cabin as long as

2570

02:07:09,589 --> 02:07:07,920

I'm feeling better I have a feeling I'm

2571

02:07:11,209 --> 02:07:09,599

getting some kind of weird cold flu

2572

02:07:13,609 --> 02:07:11,219

thing or something that's causing this

2573

02:07:15,290 --> 02:07:13,619

headache this morning I don't know

2574

02:07:16,609 --> 02:07:15,300

um but if I feel up to it I'm going to

2575

02:07:19,129 --> 02:07:16,619

the cabin tomorrow but we're going to do

2576

02:07:21,709 --> 02:07:19,139

a Midnight Hour show which is is a

2577

02:07:23,810 --> 02:07:21,719

replay but the next Midnight Hour show

2578

02:07:26,149 --> 02:07:23,820

up in the queue talks about Tom DeLong

2579

02:07:28,729 --> 02:07:26,159

ttsa and the money grab that they did

2580

02:07:30,830 --> 02:07:28,739

and it was it was recorded several years

2581

02:07:33,290 --> 02:07:30,840

ago and it's still very very relevant

2582

02:07:35,270 --> 02:07:33,300

and I think especially from a historical

2583

02:07:38,870 --> 02:07:35,280

standpoint it's very very interesting

2584

02:07:40,609 --> 02:07:38,880

and we should uh all enjoy that so

2585

02:07:42,649 --> 02:07:40,619

you're welcome to come and visit us

2586

02:07:45,290 --> 02:07:42,659

tomorrow here in the live chat for a

2587

02:07:47,569 --> 02:07:45,300

Midnight Hour show which is a replay but

2588

02:07:49,189 --> 02:07:47,579

I'm always in the live chat as well to

2589

02:07:52,790 --> 02:07:49,199

take comments or questions or answer

2590

02:07:54,410 --> 02:07:52,800

questions you are most welcome so that's

2591

02:07:56,030 --> 02:07:54,420

all I got for you tonight friends what

2592

02:07:57,589 --> 02:07:56,040

else can I say always happy when there's

2593

02:08:01,430 --> 02:07:57,599

an audience thank you so much for coming

2594

02:08:04,490 --> 02:08:01,440

here tonight and being a part of mine

2595

02:08:05,810 --> 02:08:04,500

uh the journey continues here and and

2596

02:08:07,970 --> 02:08:05,820

I've got to tell you I'm feeling

2597

02:08:10,970 --> 02:08:07,980

re-energized and looking forward to many

2598

02:08:12,950 --> 02:08:10,980

things uh I've been wanting to do this

2599

02:08:14,689 --> 02:08:12,960

Todd Standing is this the face of

2600

02:08:16,189 --> 02:08:14,699

Bigfoot thing for a while but it's very

2601

02:08:19,129 --> 02:08:16,199

difficult for me to go through all this

2602

02:08:21,470 --> 02:08:19,139

footage enhance it uh you know try to

2603

02:08:23,930 --> 02:08:21,480

turn up the contrast get more detail out

2604

02:08:25,729 --> 02:08:23,940

of it I think I did a great job on the

2605

02:08:27,709 --> 02:08:25,739

actual footage we're going to be doing

2606

02:08:30,410 --> 02:08:27,719

that next week as well as a few more

2607

02:08:33,290 --> 02:08:30,420

surprises uh we're going to be debuting

2608

02:08:36,350 --> 02:08:33,300

a brand new character here

2609

02:08:39,970 --> 02:08:36,360

yeah a brand new character and uh doing

2610

02:08:43,550 --> 02:08:39,980

a sketch uh about a former Pentagon

2611

02:08:46,069 --> 02:08:43,560

employee who may or may not have uh

2612

02:08:47,810 --> 02:08:46,079

studied UFOs who knows you know

2613

02:08:49,189 --> 02:08:47,820

so

2614

02:08:50,810 --> 02:08:49,199

always happy when there's an audience

2615

02:08:53,689 --> 02:08:50,820

thank you for coming here tonight and

2616

02:08:55,490 --> 02:08:53,699

spending some time here with me no place

2617

02:08:57,830 --> 02:08:55,500

that I would rather be than right here

2618

02:08:59,629 --> 02:08:57,840

with you so until next time friends my

2619

02:09:03,990 --> 02:08:59,639

name is Stephen Camby and good night and

2620

02:10:00,850 --> 02:09:24,270

[Music]

2621

02:10:22,860 --> 02:10:03,820

thank you

2622

02:10:24,220 --> 02:10:22,870

[Music]

2623

02:10:42,010 --> 02:10:24,230

[Applause]

2624

02:10:43,220 --> 02:10:42,020

[Music]

2625

02:10:46,790 --> 02:10:43,230

thank you

2626

02:10:48,040 --> 02:10:46,800

[Music]

2627

02:11:02,840 --> 02:10:48,050

foreign

2628

02:11:26,270 --> 02:11:21,660

[Music]
