

1
00:00:31,269 --> 00:00:00,630
[Music]

2
00:00:36,200 --> 00:00:33,270
welcome back my friends

3
00:00:39,110 --> 00:00:36,210
back to the midnight hour show

4
00:00:42,510 --> 00:00:39,120
[Music]

5
00:00:46,389 --> 00:00:42,520
we are having another beautiful

6
00:00:47,510 --> 00:00:46,399
star-filled sky kind of an evening

7
00:00:49,910 --> 00:00:47,520
here

8
00:00:52,229 --> 00:00:49,920
at my little tiny

9
00:00:55,910 --> 00:00:52,239
almost off the grid cabin in the

10
00:01:01,590 --> 00:00:59,430
and here under the stars i suppose i've

11
00:01:04,789 --> 00:01:01,600
been thinking about

12
00:01:06,149 --> 00:01:04,799
to the stars academy

13
00:01:08,950 --> 00:01:06,159

a lot of people

14
00:01:12,149 --> 00:01:08,960
have been asking me an incredible amount

15
00:01:14,789 --> 00:01:12,159
of questions about to the stars academy

16
00:01:15,430 --> 00:01:14,799
for quite some time now

17
00:01:16,630 --> 00:01:15,440
the truth

18
00:01:20,230 --> 00:01:16,640
[Music]

19
00:01:23,749 --> 00:01:20,240
my friends is i am on the fence

20
00:01:26,070 --> 00:01:23,759
have been for a long time

21
00:01:28,149 --> 00:01:26,080
sort of like how i felt with the bob

22
00:01:29,749 --> 00:01:28,159
lazar story

23
00:01:34,390 --> 00:01:29,759
i truly

24
00:01:38,710 --> 00:01:34,400
wanted to believe these tsa people

25
00:01:40,550 --> 00:01:38,720
including 90s rock star tom delong who's

26

00:01:43,429 --> 00:01:40,560

running this thing

27

00:01:45,350 --> 00:01:43,439

apparently or at the very least started

28

00:01:49,190 --> 00:01:45,360

it

29

00:01:53,190 --> 00:01:50,469

that

30

00:01:56,310 --> 00:01:53,200

these people were kind of on the level

31

00:01:58,870 --> 00:01:56,320

look at all these government experts and

32

00:02:04,469 --> 00:01:58,880

very well educated people all coming

33

00:02:09,109 --> 00:02:06,149

i don't know folks

34

00:02:10,550 --> 00:02:09,119

sounds good until you dig into the

35

00:02:11,750 --> 00:02:10,560

particulars

36

00:02:15,030 --> 00:02:11,760

of this

37

00:02:17,430 --> 00:02:15,040

story and the way that this

38

00:02:21,880 --> 00:02:17,440

to the stars academy

39

00:02:23,270 --> 00:02:21,890

is supposed to have formed

40

00:02:25,430 --> 00:02:23,280

[Music]

41

00:02:27,030 --> 00:02:25,440

things start looking a little shady

42

00:02:28,229 --> 00:02:27,040

right away

43

00:02:33,670 --> 00:02:28,239

when

44

00:02:39,910 --> 00:02:36,710

because to the stars academy

45

00:02:41,350 --> 00:02:39,920

allowed people the public to invest in

46

00:02:43,190 --> 00:02:41,360

their company

47

00:02:45,350 --> 00:02:43,200

they have to release

48

00:02:47,750 --> 00:02:45,360

a financial statement

49

00:02:50,550 --> 00:02:47,760

and on one

50

00:02:53,190 --> 00:02:50,560

i was sort of shocked to read what i

51
00:02:57,430 --> 00:02:55,270
and that would be that to the stars

52
00:02:59,340 --> 00:02:57,440
academy was over a million dollars in

53
00:03:02,470 --> 00:02:59,350
debt already

54
00:03:05,030 --> 00:03:02,480
[Music]

55
00:03:07,670 --> 00:03:05,040
to my knowledge they

56
00:03:11,350 --> 00:03:07,680
so far have produced a book by tom

57
00:03:13,030 --> 00:03:11,360
delong maybe two i think i'm really

58
00:03:14,229 --> 00:03:13,040
uncertain

59
00:03:16,229 --> 00:03:14,239
they've produced

60
00:03:20,229 --> 00:03:16,239
a book or two

61
00:03:22,710 --> 00:03:20,239
this tom delonge secret machines

62
00:03:27,270 --> 00:03:22,720
and they've produced this history

63
00:03:29,350 --> 00:03:27,280

channel documentary six episodes of that

64

00:03:31,030 --> 00:03:29,360

and that's it

65

00:03:33,190 --> 00:03:31,040

that's what they've produced they've

66

00:03:35,589 --> 00:03:33,200

made an incredible amount of promises

67

00:03:37,670 --> 00:03:35,599

about all kinds of things

68

00:03:39,830 --> 00:03:37,680

building spacecraft that could travel to

69

00:03:42,309 --> 00:03:39,840

the stars

70

00:03:45,990 --> 00:03:42,319

they've made claims about having

71

00:03:50,149 --> 00:03:46,000

possibly alien materials recovered from

72

00:03:50,159 --> 00:03:54,229

or did they

73

00:03:58,229 --> 00:03:55,910

they've made claims that they were going

74

00:04:00,550 --> 00:03:58,239

to bring about disclosure that was tom

75

00:04:02,550 --> 00:04:00,560

delong's whole

76

00:04:04,789 --> 00:04:02,560

selling point he's gonna get to the

77

00:04:08,149 --> 00:04:04,799

bottom of this thing and he's gonna

78

00:04:09,990 --> 00:04:08,159

release that information to the public

79

00:04:13,110 --> 00:04:10,000

but we're gonna need you to invest in my

80

00:04:14,470 --> 00:04:13,120

company so that i can do that

81

00:04:15,670 --> 00:04:14,480

the money

82

00:04:16,870 --> 00:04:15,680

friends

83

00:04:21,189 --> 00:04:16,880

always

84

00:04:22,790 --> 00:04:21,199

doing an investigation into something

85

00:04:23,830 --> 00:04:22,800

you're unsure of

86

00:04:32,790 --> 00:04:23,840

follow

87

00:04:34,880 --> 00:04:32,800

things began to trouble me

88

00:04:36,870 --> 00:04:34,890

and trouble me a great deal

89

00:04:38,950 --> 00:04:36,880

[Music]

90

00:04:41,430 --> 00:04:38,960

remember when i said that they were more

91

00:04:44,070 --> 00:04:41,440

than a million dollars in debt

92

00:04:47,189 --> 00:04:44,080

and according to that same financial

93

00:04:50,070 --> 00:04:47,199

statement they had very very little

94

00:04:52,310 --> 00:04:50,080

income while having a million dollars in

95

00:04:54,469 --> 00:04:52,320

debt

96

00:04:58,150 --> 00:04:54,479

also remember that while there are a

97

00:05:00,629 --> 00:04:58,160

million dollars in debt win lose or draw

98

00:05:02,870 --> 00:05:00,639

tom delong gets paid a hundred thousand

99

00:05:04,469 --> 00:05:02,880

dollars a year

100

00:05:07,430 --> 00:05:04,479

it doesn't matter if the company makes

101
00:05:09,749 --> 00:05:07,440
any money that's his deal apparently

102
00:05:11,830 --> 00:05:09,759
you know it's not performance based he's

103
00:05:14,230 --> 00:05:11,840
not he's not on a commission like i'll

104
00:05:17,029 --> 00:05:14,240
take 50 of the investment money for

105
00:05:19,510 --> 00:05:17,039
doing my part apparently he gets

106
00:05:21,430 --> 00:05:19,520
100 000

107
00:05:23,270 --> 00:05:21,440
now i've heard

108
00:05:25,990 --> 00:05:23,280
many people argue

109
00:05:28,550 --> 00:05:26,000
well he walked away from a multi-million

110
00:05:29,909 --> 00:05:28,560
dollar music career he didn't need to do

111
00:05:31,909 --> 00:05:29,919
this and there's

112
00:05:35,430 --> 00:05:31,919
quite honestly all of

113
00:05:36,950 --> 00:05:35,440

what i call these ttsa fanboys and it

114

00:05:38,550 --> 00:05:36,960

doesn't matter

115

00:05:40,790 --> 00:05:38,560

what you bring up

116

00:05:43,990 --> 00:05:40,800

even if you're right you're wrong when

117

00:05:45,670 --> 00:05:44,000

you ask questions about this ttsa thing

118

00:05:47,830 --> 00:05:45,680

in tom delong

119

00:05:49,670 --> 00:05:47,840

and to the people who continually keep

120

00:05:53,830 --> 00:05:49,680

pushing that that he's left a

121

00:05:56,710 --> 00:05:53,840

multi-million dollar rock star career

122

00:05:58,950 --> 00:05:56,720

to do this and he didn't need to do that

123

00:06:02,790 --> 00:05:58,960

well i don't know what to tell you folks

124

00:06:04,870 --> 00:06:02,800

but you know his last hit song was quite

125

00:06:08,230 --> 00:06:04,880

a long time ago

126
00:06:10,230 --> 00:06:08,240
and ask anyone in the music business

127
00:06:12,070 --> 00:06:10,240
who's making money currently in the

128
00:06:16,070 --> 00:06:12,080
music business right now and i mean

129
00:06:18,629 --> 00:06:16,080
making good money or making millions

130
00:06:20,629 --> 00:06:18,639
is is tom delong making millions in the

131
00:06:23,029 --> 00:06:20,639
music industry right now

132
00:06:24,469 --> 00:06:23,039
of course he's not

133
00:06:25,270 --> 00:06:24,479
and to anybody

134
00:06:35,430 --> 00:06:25,280
that

135
00:06:36,469 --> 00:06:35,440
has not made millions for a long

136
00:06:46,230 --> 00:06:36,479
long

137
00:06:48,469 --> 00:06:46,240
television show he said

138
00:06:50,390 --> 00:06:48,479

well you know i have kids and i didn't

139

00:06:52,230 --> 00:06:50,400

want to be touring and away from them

140

00:06:55,270 --> 00:06:52,240

for like a year at a time and the only

141

00:06:58,790 --> 00:06:55,280

other thing i knew was ufos

142

00:07:04,950 --> 00:07:02,230

does that sound like a guy whose sole

143

00:07:07,189 --> 00:07:04,960

reason for doing all this is to bring

144

00:07:08,550 --> 00:07:07,199

about disclosure

145

00:07:15,990 --> 00:07:08,560

to

146

00:07:18,550 --> 00:07:16,000

like a childhood fantasy i guess

147

00:07:20,629 --> 00:07:18,560

does that seem like that kind of

148

00:07:23,589 --> 00:07:20,639

does it seem like a person with those

149

00:07:24,790 --> 00:07:23,599

intentions with very good intentions

150

00:07:27,029 --> 00:07:24,800

would sort of

151

00:07:28,629 --> 00:07:27,039

make a selfish statement like that like

152

00:07:31,589 --> 00:07:28,639

well yeah you know i don't really want

153

00:07:33,990 --> 00:07:31,599

to tour anymore so i'm going to do this

154

00:07:35,189 --> 00:07:34,000

i don't get it it doesn't make sense to

155

00:07:37,270 --> 00:07:35,199

me

156

00:07:39,830 --> 00:07:37,280

it's it's very inconsistent with the

157

00:07:42,790 --> 00:07:39,840

stated goals

158

00:07:44,629 --> 00:07:42,800

and on the hundred thousand dollars

159

00:07:47,990 --> 00:07:44,639

i don't care what anybody says a hundred

160

00:07:50,070 --> 00:07:48,000

thousand dollars is a lot of money

161

00:07:51,589 --> 00:07:50,080

especially to a company that's a million

162

00:07:53,350 --> 00:07:51,599

dollars in debt

163

00:07:55,029 --> 00:07:53,360

how is a company that's already a

164

00:07:57,510 --> 00:07:55,039

million dollars in debt

165

00:07:59,510 --> 00:07:57,520

supposed to pay time to long 100 dollars

166

00:08:02,629 --> 00:07:59,520

a year as a salary

167

00:08:04,230 --> 00:08:02,639

where is that money coming from

168

00:08:06,950 --> 00:08:04,240

what

169

00:08:08,710 --> 00:08:06,960

is the source of the revenue

170

00:08:12,150 --> 00:08:08,720

from which he's taking a hundred

171

00:08:14,629 --> 00:08:12,160

thousand dollars from

172

00:08:16,710 --> 00:08:14,639

also on the point of following the money

173

00:08:19,350 --> 00:08:16,720

if they're over a million dollars in

174

00:08:20,230 --> 00:08:19,360

debt and several sources have told me

175

00:08:22,550 --> 00:08:20,240

that

176

00:08:25,670 --> 00:08:22,560

the history channel documentary series

177

00:08:27,430 --> 00:08:25,680

is not that incredibly profitable and

178

00:08:29,670 --> 00:08:27,440

they were paid something like ten

179

00:08:32,870 --> 00:08:29,680

thousand dollars per episode which would

180

00:08:34,870 --> 00:08:32,880

be sixty thousand dollars if this source

181

00:08:37,269 --> 00:08:34,880

is correct

182

00:08:40,149 --> 00:08:37,279

i honestly i can't imagine it that it

183

00:08:40,949 --> 00:08:40,159

would be much more than that

184

00:08:42,389 --> 00:08:40,959

but

185

00:08:43,670 --> 00:08:42,399

you know let's say it's double that

186

00:08:45,190 --> 00:08:43,680

let's say it's a hundred and twenty

187

00:08:46,870 --> 00:08:45,200

thousand dollars

188

00:08:49,430 --> 00:08:46,880

for those six episodes that would be

189

00:08:52,070 --> 00:08:49,440

twenty thousand dollars each

190

00:08:53,110 --> 00:08:52,080

folks they're that's their only income

191

00:08:54,470 --> 00:08:53,120

right now

192

00:08:56,150 --> 00:08:54,480

to my knowledge

193

00:08:57,509 --> 00:08:56,160

and to anyone's knowledge that i've

194

00:09:01,030 --> 00:08:57,519

asked

195

00:09:03,509 --> 00:09:01,040

they won't respond to inquiries

196

00:09:06,070 --> 00:09:03,519

if i ask a question about

197

00:09:07,829 --> 00:09:06,080

you know how much were you paid

198

00:09:10,310 --> 00:09:07,839

from you know or what's your source of

199

00:09:12,870 --> 00:09:11,030

but

200

00:09:14,389 --> 00:09:12,880

near as i can tell the history channel

201
00:09:17,190 --> 00:09:14,399
documentary is all they've produced

202
00:09:18,710 --> 00:09:17,200
except for this secret machines book

203
00:09:20,389 --> 00:09:18,720
i don't know folks even if we say

204
00:09:24,070 --> 00:09:20,399
they're making twenty thousand dollars

205
00:09:25,590 --> 00:09:24,080
an episode that would be 120 000

206
00:09:28,870 --> 00:09:25,600
they would need

207
00:09:31,190 --> 00:09:28,880
you know roughly over 10 seasons of that

208
00:09:33,910 --> 00:09:31,200
show they'd have to produce that i don't

209
00:09:35,269 --> 00:09:33,920
know if a season is once a year

210
00:09:37,430 --> 00:09:35,279
i don't know

211
00:09:39,509 --> 00:09:37,440
but even if they you know

212
00:09:41,910 --> 00:09:39,519
did it back to back and fired them out

213
00:09:44,070 --> 00:09:41,920

as quickly as possible if the season's

214

00:09:46,070 --> 00:09:44,080

six episodes they would need ten

215

00:09:47,829 --> 00:09:46,080

episodes of this show

216

00:09:50,550 --> 00:09:47,839

just to break even

217

00:09:53,910 --> 00:09:50,560

with their last reported level of actual

218

00:09:56,790 --> 00:09:55,430

of course this is not taking into

219

00:09:59,350 --> 00:09:56,800

consideration

220

00:10:00,949 --> 00:09:59,360

the funds generated from tom delong's

221

00:10:02,389 --> 00:10:00,959

book

222

00:10:04,790 --> 00:10:02,399

but uh

223

00:10:07,350 --> 00:10:04,800

i don't know i asked around what is even

224

00:10:11,110 --> 00:10:07,360

a pretty good selling book online

225

00:10:13,030 --> 00:10:11,120

net you and it's not much money folks

226

00:10:16,389 --> 00:10:13,040

and remember that

227

00:10:19,030 --> 00:10:16,399

for the books tom delong had a co-writer

228

00:10:19,829 --> 00:10:19,040

so that guy gets half i don't think that

229

00:10:23,670 --> 00:10:19,839

guy

230

00:10:25,910 --> 00:10:23,680

is just giving his money to tsa

231

00:10:28,870 --> 00:10:25,920

for the book deal

232

00:10:30,949 --> 00:10:28,880

but this is speculation

233

00:10:33,910 --> 00:10:30,959

so the money trail my friends is very

234

00:10:34,870 --> 00:10:33,920

troubling when you look into

235

00:10:38,630 --> 00:10:34,880

the

236

00:10:41,030 --> 00:10:38,640

it's very troubling

237

00:10:42,310 --> 00:10:41,040

when you realize that tom delong he's

238

00:10:45,110 --> 00:10:42,320

got to get paid a hundred thousand

239

00:10:46,949 --> 00:10:45,120

dollars for money that doesn't exist

240

00:10:48,550 --> 00:10:46,959

really

241

00:10:50,949 --> 00:10:48,560

from a company that's one million

242

00:10:53,829 --> 00:10:50,959

dollars in debt

243

00:10:55,910 --> 00:10:53,839

that that does not sound like a company

244

00:10:58,069 --> 00:10:55,920

that's on the up and up to me

245

00:11:00,230 --> 00:10:58,079

but i could be wrong

246

00:11:01,350 --> 00:11:00,240

and to be quite honest i hope that i'm

247

00:11:05,110 --> 00:11:01,360

wrong

248

00:11:07,110 --> 00:11:05,120

the problem that i have however is that

249

00:11:08,389 --> 00:11:07,120

you're really not allowed to ask

250

00:11:12,310 --> 00:11:08,399

questions

251
00:11:15,430 --> 00:11:12,320
to tsa or especially to tom delong

252
00:11:17,670 --> 00:11:15,440
you're not allowed to ask questions

253
00:11:21,590 --> 00:11:17,680
and if you do ask questions

254
00:11:23,910 --> 00:11:21,600
i'm telling you there is like a swarm of

255
00:11:26,230 --> 00:11:23,920
fans of theirs or

256
00:11:30,069 --> 00:11:26,240
whatever you want to call them followers

257
00:11:33,350 --> 00:11:30,079
of theirs who will smack you down

258
00:11:38,389 --> 00:11:33,360
tweet some questions

259
00:11:40,230 --> 00:11:38,399
their financial dealings

260
00:11:42,790 --> 00:11:40,240
tweet some questions about the people

261
00:11:44,949 --> 00:11:42,800
involved in this organization

262
00:11:46,389 --> 00:11:44,959
or put on your facebook i don't know

263
00:11:48,550 --> 00:11:46,399

hasn't happened on facebook because i

264

00:11:50,470 --> 00:11:48,560

haven't talked about it there but

265

00:11:53,829 --> 00:11:50,480

on twitter

266

00:11:57,030 --> 00:11:53,839

anytime i commented or asked a question

267

00:11:59,509 --> 00:11:57,040

about tsa it's like i got swarmed by a

268

00:12:02,470 --> 00:11:59,519

bunch of followers that would uh

269

00:12:04,629 --> 00:12:02,480

you know tell me how wrong i am

270

00:12:07,190 --> 00:12:04,639

i i just have to question i don't know

271

00:12:09,670 --> 00:12:07,200

if i'm wrong understand

272

00:12:11,750 --> 00:12:09,680

mr delong

273

00:12:14,069 --> 00:12:11,760

i should direct it directly to you mr

274

00:12:16,069 --> 00:12:14,079

delong right

275

00:12:18,790 --> 00:12:16,079

i don't understand

276

00:12:20,870 --> 00:12:18,800

why am i not

277

00:12:23,509 --> 00:12:20,880

supposed to ask questions

278

00:12:27,509 --> 00:12:23,519

about the financial dealings

279

00:12:33,590 --> 00:12:31,110

public company it's a public company

280

00:12:36,150 --> 00:12:33,600

and i gotta tell you

281

00:12:38,150 --> 00:12:36,160

mr delong

282

00:12:39,190 --> 00:12:38,160

that might have been a mistake on your

283

00:12:40,470 --> 00:12:39,200

part

284

00:12:42,949 --> 00:12:40,480

if

285

00:12:44,389 --> 00:12:42,959

you either were unwilling

286

00:12:47,990 --> 00:12:44,399

or unable

287

00:12:48,870 --> 00:12:48,000

to answer questions about the finances

288

00:12:51,110 --> 00:12:48,880

of

289

00:12:54,710 --> 00:12:51,120

what is a public

290

00:12:59,829 --> 00:12:58,069

you cannot my friends form

291

00:13:02,310 --> 00:12:59,839

a public company

292

00:13:04,389 --> 00:13:02,320

and simply refuse to answer any

293

00:13:08,389 --> 00:13:04,399

questions about

294

00:13:13,910 --> 00:13:11,269

but it seems as if they sort of refuse

295

00:13:16,389 --> 00:13:13,920

to answer any questions or address any

296

00:13:21,110 --> 00:13:16,399

concerns that people

297

00:13:23,750 --> 00:13:21,120

have in regard to their organization

298

00:13:26,790 --> 00:13:23,760

that's very troubling to me and sort of

299

00:13:27,990 --> 00:13:26,800

a red flag to me that something is not

300

00:13:29,750 --> 00:13:28,000

right

301
00:13:32,790 --> 00:13:29,760
after all my friends

302
00:13:35,110 --> 00:13:32,800
i am very fond of the saying

303
00:13:37,030 --> 00:13:35,120
the only people who have something to

304
00:13:41,829 --> 00:13:37,040
fear from questions

305
00:13:46,629 --> 00:13:44,470
and it is with that

306
00:13:50,069 --> 00:13:46,639
mindset i suppose

307
00:13:53,670 --> 00:13:50,079
that i'm going to be going forward

308
00:13:54,790 --> 00:13:53,680
as i continue to learn more about tom

309
00:13:59,430 --> 00:13:54,800
delong

310
00:14:04,150 --> 00:14:02,230
i think that someone needs to ask some

311
00:14:05,829 --> 00:14:04,160
questions

312
00:14:07,189 --> 00:14:05,839
and i think

313
00:14:10,470 --> 00:14:07,199

that

314

00:14:12,230 --> 00:14:10,480

right

315

00:14:13,350 --> 00:14:12,240

to ask the questions

316

00:14:15,189 --> 00:14:13,360

and

317

00:14:18,150 --> 00:14:15,199

additionally

318

00:14:20,230 --> 00:14:18,160

have a right to get answers

319

00:14:22,550 --> 00:14:20,240

to those questions

320

00:14:27,670 --> 00:14:22,560

considering this is a public

321

00:14:33,030 --> 00:14:29,750

now i don't know

322

00:14:36,629 --> 00:14:33,040

if tom delong has good intentions

323

00:14:38,790 --> 00:14:36,639

i would truly like to think that he does

324

00:14:40,310 --> 00:14:38,800

i mean one thing i'll say about him is

325

00:14:42,389 --> 00:14:40,320

that he seems very

326

00:14:45,910 --> 00:14:42,399

excited about

327

00:14:49,590 --> 00:14:45,920

ufos right and he seems like he has a

328

00:14:52,310 --> 00:14:49,600

genuine interest in ufos

329

00:14:54,389 --> 00:14:52,320

though the problem that i have is this

330

00:14:57,189 --> 00:14:54,399

ufo messiah

331

00:14:59,030 --> 00:14:57,199

kind of thing

332

00:15:01,670 --> 00:14:59,040

which we can relate to his previous

333

00:15:02,710 --> 00:15:01,680

career right as a rock star

334

00:15:05,430 --> 00:15:02,720

so now

335

00:15:07,829 --> 00:15:05,440

tom belong i suppose is the rock star of

336

00:15:09,990 --> 00:15:07,839

ufos right

337

00:15:11,670 --> 00:15:10,000

and he's gonna get to the truth

338

00:15:12,949 --> 00:15:11,680

and he's gonna give it to us but you got

339

00:15:14,870 --> 00:15:12,959

to invest in his company because he

340

00:15:16,949 --> 00:15:14,880

needs money to do that

341

00:15:18,230 --> 00:15:16,959

i suppose he does need money to do that

342

00:15:22,870 --> 00:15:18,240

but

343

00:15:27,430 --> 00:15:25,189

it seems even stranger to me when i

344

00:15:29,990 --> 00:15:27,440

consider some of the opinions of

345

00:15:32,790 --> 00:15:30,000

researchers that i consider a hundred

346

00:15:36,069 --> 00:15:32,800

times smarter than me

347

00:15:37,030 --> 00:15:36,079

people like grant cameron

348

00:15:39,749 --> 00:15:37,040

who

349

00:15:41,350 --> 00:15:39,759

has theorized many things in fact he's

350

00:15:46,629 --> 00:15:41,360

been

351
00:15:51,829 --> 00:15:49,110
and grant cameron believes that this is

352
00:15:54,710 --> 00:15:51,839
all happens before

353
00:15:56,949 --> 00:15:54,720
and having gone down the rabbit hole of

354
00:15:59,990 --> 00:15:56,959
what he was thinking about which was the

355
00:16:01,509 --> 00:16:00,000
aviary and bill moore

356
00:16:02,629 --> 00:16:01,519
this

357
00:16:04,629 --> 00:16:02,639
story

358
00:16:06,470 --> 00:16:04,639
that a bunch of government agents are

359
00:16:08,790 --> 00:16:06,480
going to get together

360
00:16:11,829 --> 00:16:08,800
with a central character

361
00:16:14,550 --> 00:16:11,839
and bring about disclosure

362
00:16:15,269 --> 00:16:14,560
it's it's a story my friends

363
00:16:18,629 --> 00:16:15,279

that

364

00:16:20,629 --> 00:16:18,639

is sort of a re-run

365

00:16:23,430 --> 00:16:20,639

it's been done before

366

00:16:25,749 --> 00:16:23,440

it's definitely been done before

367

00:16:29,509 --> 00:16:25,759

and the last time it was done it was

368

00:16:31,350 --> 00:16:29,519

bill moore and the aviary

369

00:16:33,509 --> 00:16:31,360

bill moore was a prominent ufo

370

00:16:36,790 --> 00:16:33,519

researcher in fact he was one of the

371

00:16:39,749 --> 00:16:36,800

leading researchers of his day

372

00:16:41,189 --> 00:16:39,759

and so the story sort of goes that bill

373

00:16:45,509 --> 00:16:41,199

moore

374

00:16:51,749 --> 00:16:46,949

and

375

00:16:53,829 --> 00:16:51,759

it's

376

00:16:55,829 --> 00:16:53,839

kind of ridiculous now

377

00:16:59,110 --> 00:16:55,839

but i guess it seemed like a good james

378

00:17:01,509 --> 00:16:59,120

bond kind of story like here's this ufo

379

00:17:03,030 --> 00:17:01,519

researcher and he's got all these top

380

00:17:04,949 --> 00:17:03,040

level

381

00:17:06,230 --> 00:17:04,959

insiders that used to work for the

382

00:17:07,429 --> 00:17:06,240

government or still work for the

383

00:17:09,590 --> 00:17:07,439

government

384

00:17:11,189 --> 00:17:09,600

together they're going to get the ufo

385

00:17:14,069 --> 00:17:11,199

truth

386

00:17:16,829 --> 00:17:14,079

that was the gist of the narrative uh my

387

00:17:19,510 --> 00:17:16,839

friends that i believe was being

388

00:17:22,150 --> 00:17:19,520

pushed and a lot of this story sort of

389

00:17:25,429 --> 00:17:22,160

culminated with something called ufo

390

00:17:27,510 --> 00:17:25,439

cover up live which was a big deal when

391

00:17:30,070 --> 00:17:27,520

it aired

392

00:17:31,669 --> 00:17:30,080

and if you get a chance you should check

393

00:17:33,350 --> 00:17:31,679

that out

394

00:17:35,430 --> 00:17:33,360

i believe you can watch it free on

395

00:17:38,070 --> 00:17:35,440

youtube

396

00:17:39,270 --> 00:17:38,080

i gotta say watch that

397

00:17:41,590 --> 00:17:39,280

and then

398

00:17:43,909 --> 00:17:41,600

sort of replay in your head this whole

399

00:17:48,390 --> 00:17:43,919

tom delonge narrative

400

00:17:50,150 --> 00:17:48,400

that he's got all these insiders and

401
00:17:51,590 --> 00:17:50,160
top people and

402
00:17:54,310 --> 00:17:51,600
you know

403
00:17:56,230 --> 00:17:54,320
black projects and former government

404
00:17:59,510 --> 00:17:56,240
insiders and he's going to bring about

405
00:18:01,909 --> 00:17:59,520
disclosure wait a minute it's yeah

406
00:18:03,110 --> 00:18:01,919
boy it sounds really familiar when you

407
00:18:05,270 --> 00:18:03,120
look at it

408
00:18:08,310 --> 00:18:05,280
through this lens

409
00:18:09,830 --> 00:18:08,320
sometimes my friends it's good

410
00:18:14,470 --> 00:18:09,840
to see

411
00:18:19,590 --> 00:18:16,390
sometimes you have to walk away for a

412
00:18:24,390 --> 00:18:19,600
while and gain a different perspective

413
00:18:31,350 --> 00:18:28,230

and if you do that my friends

414

00:18:33,190 --> 00:18:31,360

just that one thing that it's a repeat

415

00:18:35,909 --> 00:18:33,200

narrative

416

00:18:37,270 --> 00:18:35,919

with government insider should

417

00:18:42,549 --> 00:18:37,280

kind of

418

00:18:47,430 --> 00:18:42,559

wonder

419

00:18:52,390 --> 00:18:50,150

it's time to long for real

420

00:18:53,669 --> 00:18:52,400

is he really

421

00:18:56,230 --> 00:18:53,679

and truly

422

00:19:00,470 --> 00:18:56,240

gonna try to bring about ufo disclosure

423

00:19:03,110 --> 00:19:00,480

with all of his government insiders

424

00:19:04,950 --> 00:19:03,120

or my friends is he just gonna make a

425

00:19:06,549 --> 00:19:04,960

bunch of money

426

00:19:09,669 --> 00:19:06,559

from this thing

427

00:19:15,669 --> 00:19:12,230

and roll on if it all comes crashing

428

00:19:20,870 --> 00:19:17,830

and i got to tell you the more i think

429

00:19:23,750 --> 00:19:20,880

about it the more questions i have

430

00:19:25,669 --> 00:19:23,760

this is a very interesting story

431

00:19:27,350 --> 00:19:25,679

that some former rock star would

432

00:19:30,150 --> 00:19:27,360

suddenly start hooking up with

433

00:19:33,350 --> 00:19:30,160

government insiders and

434

00:19:35,430 --> 00:19:33,360

try to get to the ufo truth

435

00:19:38,390 --> 00:19:35,440

it's a hell of a story

436

00:19:40,789 --> 00:19:38,400

regardless of his

437

00:19:43,110 --> 00:19:40,799

actual intent here

438

00:19:45,590 --> 00:19:43,120

regardless of the outcome of what

439

00:19:50,470 --> 00:19:45,600

happens with this

440

00:19:57,430 --> 00:19:53,029

this guy walks away from a multi-million

441

00:20:03,029 --> 00:20:00,630

again folks more questions there's more

442

00:20:04,630 --> 00:20:03,039

questions than answers when you start

443

00:20:08,710 --> 00:20:04,640

thinking about this

444

00:20:16,470 --> 00:20:12,549

troubling questions begin to arise

445

00:20:24,310 --> 00:20:18,710

and i think we should all be thinking

446

00:20:30,950 --> 00:20:28,710

is this a ufo attainment company

447

00:20:36,390 --> 00:20:30,960

whose sole

448

00:20:40,310 --> 00:20:38,149

from their projects

449

00:20:41,909 --> 00:20:40,320

and tom de long has talked about many

450

00:20:42,789 --> 00:20:41,919

many projects that they're going to be

451
00:20:45,510 --> 00:20:42,799
doing

452
00:20:48,789 --> 00:20:45,520
documentary series and

453
00:20:52,950 --> 00:20:48,799
books and television shows fiction

454
00:20:57,270 --> 00:20:52,960
television shows fiction movies

455
00:20:58,950 --> 00:20:57,280
documentary movies books and more

456
00:21:01,510 --> 00:20:58,960
it's a lot of products that he's

457
00:21:06,950 --> 00:21:05,029
i don't know how a guy who's truly

458
00:21:10,230 --> 00:21:06,960
his mission in life is to bring about

459
00:21:13,909 --> 00:21:10,240
ufo disclosure is gonna have time to do

460
00:21:16,470 --> 00:21:13,919
all those entertaining things

461
00:21:20,070 --> 00:21:16,480
being an entertainer if he's if his true

462
00:21:20,900 --> 00:21:20,080
purpose is to do ufo disclosure

463
00:21:22,630 --> 00:21:20,910

i would think

464

00:21:24,950 --> 00:21:22,640

[Music]

465

00:21:27,590 --> 00:21:24,960

i don't know from the research that i've

466

00:21:31,350 --> 00:21:27,600

done and the time that i know that it

467

00:21:33,510 --> 00:21:31,360

takes to do any credible and real and

468

00:21:36,710 --> 00:21:33,520

meaningful research

469

00:21:39,510 --> 00:21:36,720

you don't have time for anything else

470

00:21:41,510 --> 00:21:39,520

and that makes me very cautious

471

00:21:44,070 --> 00:21:41,520

even if he has the very best people

472

00:21:46,630 --> 00:21:44,080

around him and he delegates off tons of

473

00:21:49,190 --> 00:21:46,640

different stuff

474

00:21:51,350 --> 00:21:49,200

this man's time is going to be pretty

475

00:21:53,110 --> 00:21:51,360

short

476
00:21:57,190 --> 00:21:53,120
i don't know how one man would have the

477
00:22:01,510 --> 00:21:59,350
i mean i'm not saying it's impossible

478
00:22:03,750 --> 00:22:01,520
but i just i know i wouldn't be able to

479
00:22:05,750 --> 00:22:03,760
do juggle all those balls

480
00:22:06,870 --> 00:22:05,760
and do all those things

481
00:22:11,669 --> 00:22:06,880
and

482
00:22:14,789 --> 00:22:11,679
bring about ufo government disclosure

483
00:22:18,630 --> 00:22:14,799
but is that really his mission

484
00:22:23,430 --> 00:22:20,710
i think that the

485
00:22:25,669 --> 00:22:23,440
ttsa if they truly want to become a

486
00:22:28,390 --> 00:22:25,679
professional organization probably need

487
00:22:30,710 --> 00:22:28,400
some kind of spokesperson that could

488
00:22:33,190 --> 00:22:30,720

communicate what their mission is what

489

00:22:35,430 --> 00:22:33,200

are they trying to do

490

00:22:38,230 --> 00:22:35,440

instead i think we get some vague

491

00:22:40,390 --> 00:22:38,240

narrative that they're trying to push

492

00:22:43,430 --> 00:22:40,400

without really

493

00:22:45,029 --> 00:22:43,440

nailling down specifics or being too

494

00:22:46,789 --> 00:22:45,039

specific

495

00:22:48,710 --> 00:22:46,799

and things change they make a public

496

00:22:50,310 --> 00:22:48,720

statement saying one thing they delete

497

00:22:53,750 --> 00:22:50,320

that and they change the wording

498

00:22:55,590 --> 00:22:53,760

slightly and put it out again and

499

00:22:58,710 --> 00:22:55,600

i don't know folks

500

00:23:01,270 --> 00:22:58,720

it's very very strange the whole story

501
00:23:03,590 --> 00:23:01,280
and the more i look into it honestly the

502
00:23:05,510 --> 00:23:03,600
more i get a little more interested in

503
00:23:09,029 --> 00:23:05,520
finding out more about what it is

504
00:23:11,190 --> 00:23:09,039
they're doing what are they really doing

505
00:23:12,950 --> 00:23:11,200
we have reports

506
00:23:14,789 --> 00:23:12,960
previously that

507
00:23:17,590 --> 00:23:14,799
they had

508
00:23:19,110 --> 00:23:17,600
alien possibly alien

509
00:23:19,990 --> 00:23:19,120
material from

510
00:23:24,070 --> 00:23:20,000
crash

511
00:23:25,990 --> 00:23:24,080
landed ufos and all of these things

512
00:23:27,990 --> 00:23:26,000
so they start a new project for

513
00:23:32,070 --> 00:23:28,000

analyzing those things

514

00:23:33,350 --> 00:23:32,080

and we get nothing but a very short clip

515

00:23:35,669 --> 00:23:33,360

about that

516

00:23:38,710 --> 00:23:35,679

on youtube and then we get no lab

517

00:23:41,350 --> 00:23:38,720

reports no analysis reports no

518

00:23:44,230 --> 00:23:41,360

scholarly papers written on the

519

00:23:45,269 --> 00:23:44,240

supposed ufo debris

520

00:23:48,230 --> 00:23:45,279

which

521

00:23:51,750 --> 00:23:48,240

another issue that i have is they're

522

00:23:54,470 --> 00:23:51,760

hyping the term meta materials

523

00:23:58,070 --> 00:23:54,480

and i truly believe that many people are

524

00:24:00,630 --> 00:23:58,080

using meta materials as meaning alien

525

00:24:02,870 --> 00:24:00,640

made materials

526

00:24:04,310 --> 00:24:02,880

universally sort of like when they're

527

00:24:06,070 --> 00:24:04,320

saying meta materials that's what

528

00:24:08,149 --> 00:24:06,080

they're meaning

529

00:24:09,909 --> 00:24:08,159

and many people that i've talked to have

530

00:24:11,029 --> 00:24:09,919

asked me questions about some of this

531

00:24:14,230 --> 00:24:11,039

material

532

00:24:15,990 --> 00:24:14,240

it's got to be alien

533

00:24:20,870 --> 00:24:16,000

we can't make those

534

00:24:23,350 --> 00:24:20,880

yeah we can of course we can and it's

535

00:24:25,909 --> 00:24:23,360

there are definitely earthly materials

536

00:24:27,430 --> 00:24:25,919

that are meta materials we make meta

537

00:24:28,789 --> 00:24:27,440

materials

538

00:24:31,029 --> 00:24:28,799

here on earth

539

00:24:32,870 --> 00:24:31,039

us stupid monkeys

540

00:24:33,590 --> 00:24:32,880

okay

541

00:24:36,230 --> 00:24:33,600

so

542

00:24:38,230 --> 00:24:36,240

if us stupid monkeys can make meta

543

00:24:40,230 --> 00:24:38,240

materials

544

00:24:43,750 --> 00:24:40,240

and folks just because it's a meta

545

00:24:46,149 --> 00:24:43,760

material that does not mean at all

546

00:24:48,789 --> 00:24:46,159

that it must have come from a super

547

00:24:51,110 --> 00:24:48,799

advanced alien race

548

00:24:54,549 --> 00:24:51,120

because my friends us

549

00:24:58,710 --> 00:24:54,559

the dumb monkeys here on planet earth

550

00:25:02,630 --> 00:25:00,789

so this is a misconception that's being

551
00:25:04,870 --> 00:25:02,640
pushed

552
00:25:06,950 --> 00:25:04,880
and i don't know why why would someone

553
00:25:09,110 --> 00:25:06,960
sort of push that misconception that

554
00:25:11,590 --> 00:25:09,120
metamaterial must be alien

555
00:25:14,630 --> 00:25:11,600
i have seen some very intelligent people

556
00:25:17,190 --> 00:25:14,640
pushing that narrative and statements

557
00:25:19,269 --> 00:25:17,200
that they make on social media and i ca

558
00:25:22,149 --> 00:25:19,279
i just can't believe it

559
00:25:23,590 --> 00:25:22,159
i mean folks look up meta materials

560
00:25:25,029 --> 00:25:23,600
so this term

561
00:25:26,630 --> 00:25:25,039
meta materials has sort of become a

562
00:25:30,230 --> 00:25:26,640
buzzword

563
00:25:32,630 --> 00:25:30,240

like also meaning alien materials no no

564

00:25:34,470 --> 00:25:32,640

folks it doesn't mean that

565

00:25:36,710 --> 00:25:34,480

if someone's going to tell you

566

00:25:39,350 --> 00:25:36,720

that meta materials must have been made

567

00:25:41,269 --> 00:25:39,360

by an alien race ask them where the

568

00:25:43,430 --> 00:25:41,279

proof of that is

569

00:25:45,350 --> 00:25:43,440

ask them why we dumb monkeys can make

570

00:25:48,070 --> 00:25:45,360

metamaterials

571

00:25:49,909 --> 00:25:48,080

ask them why it's not okay to point out

572

00:25:52,230 --> 00:25:49,919

that metamaterials does not

573

00:25:54,230 --> 00:25:52,240

automatically mean

574

00:25:55,750 --> 00:25:54,240

alien in origin

575

00:25:57,830 --> 00:25:55,760

because you should be able to tell

576
00:26:00,390 --> 00:25:57,840
people that fact

577
00:26:02,470 --> 00:26:00,400
and not get attacked for it

578
00:26:05,830 --> 00:26:02,480
and lately what i've been seeing is just

579
00:26:09,269 --> 00:26:05,840
people getting attacked for things

580
00:26:12,630 --> 00:26:09,279
for asking questions about this stuff

581
00:26:15,830 --> 00:26:12,640
for asking any questions really about

582
00:26:17,830 --> 00:26:15,840
this to the stars academy and

583
00:26:20,390 --> 00:26:17,840
their goings on what they're doing what

584
00:26:22,789 --> 00:26:20,400
they're up to

585
00:26:25,350 --> 00:26:22,799
there's a lot of red flags here

586
00:26:28,149 --> 00:26:25,360
and i keep finding more

587
00:26:30,870 --> 00:26:28,159
so recently tom delong tweeted an

588
00:26:32,870 --> 00:26:30,880

announcement about these meta materials

589

00:26:34,310 --> 00:26:32,880

that his organization had in their

590

00:26:35,350 --> 00:26:34,320

possession

591

00:26:37,190 --> 00:26:35,360

and i'm going to read you that

592

00:26:38,950 --> 00:26:37,200

announcement

593

00:26:40,950 --> 00:26:38,960

straight from

594

00:26:44,230 --> 00:26:40,960

the man himself

595

00:26:48,870 --> 00:26:46,470

and in that announcement

596

00:26:51,190 --> 00:26:48,880

it says announcement to the stars

597

00:26:54,470 --> 00:26:51,200

academy has acquired meta materials

598

00:26:57,990 --> 00:26:54,480

reported to have come from a uap

599

00:27:00,870 --> 00:26:58,000

unidentified aerial phenomenon

600

00:27:02,149 --> 00:27:00,880

that's what uap stands for

601
00:27:05,110 --> 00:27:02,159
so come from

602
00:27:07,110 --> 00:27:05,120
a uap with composition showing advanced

603
00:27:09,909 --> 00:27:07,120
engineering capabilities

604
00:27:12,470 --> 00:27:09,919
this acquisition will allow us to expand

605
00:27:18,710 --> 00:27:12,480
the scope of our atom research project

606
00:27:23,029 --> 00:27:20,950
so

607
00:27:24,789 --> 00:27:23,039
i don't get it

608
00:27:27,830 --> 00:27:24,799
i just don't get it

609
00:27:31,750 --> 00:27:29,830
investors as they're making this

610
00:27:33,830 --> 00:27:31,760
announcement

611
00:27:35,830 --> 00:27:33,840
that they have

612
00:27:38,470 --> 00:27:35,840
acquired meta materials reported to have

613
00:27:42,149 --> 00:27:38,480

come from a uap with composition showing

614

00:27:44,230 --> 00:27:42,159

advanced engineering capabilities

615

00:27:47,510 --> 00:27:44,240

and in the tweet

616

00:27:48,950 --> 00:27:47,520

and the announcement was a stock picture

617

00:27:51,510 --> 00:27:48,960

of

618

00:27:53,909 --> 00:27:51,520

a common earthly rock

619

00:27:59,269 --> 00:27:56,630

so of course

620

00:28:00,870 --> 00:27:59,279

i was suspicious of this announcement

621

00:28:03,830 --> 00:28:00,880

with a picture

622

00:28:05,990 --> 00:28:03,840

of a common earthly rock

623

00:28:07,510 --> 00:28:06,000

that came with this announcement

624

00:28:10,070 --> 00:28:07,520

why would you announce that you had

625

00:28:15,590 --> 00:28:10,080

these super advanced materials that came

626
00:28:19,269 --> 00:28:18,310
and show a picture of an earth rock cut

627
00:28:21,990 --> 00:28:19,279
it

628
00:28:23,830 --> 00:28:22,000
cut open because

629
00:28:26,070 --> 00:28:23,840
that's what they did

630
00:28:28,630 --> 00:28:26,080
and it was a stock image that you could

631
00:28:32,310 --> 00:28:28,640
get on one of these stock image

632
00:28:36,230 --> 00:28:33,110
now

633
00:28:38,389 --> 00:28:36,240
i raised concerns about that

634
00:28:40,149 --> 00:28:38,399
as soon as i saw it

635
00:28:42,789 --> 00:28:40,159
why would they do that it just doesn't

636
00:28:45,110 --> 00:28:42,799
make any sense that they would be

637
00:28:50,389 --> 00:28:45,120
soliciting investors with

638
00:28:57,190 --> 00:28:52,789

so i had concerns

639

00:28:59,110 --> 00:28:57,200

and i posted my concerns on twitter

640

00:29:01,590 --> 00:28:59,120

i probably should stay off of twitter

641

00:29:02,310 --> 00:29:01,600

folks i'm i'm not as bad as donald trump

642

00:29:03,909 --> 00:29:02,320

but

643

00:29:06,310 --> 00:29:03,919

i gotta stay off of twitter because it

644

00:29:07,430 --> 00:29:06,320

gets me into trouble

645

00:29:09,990 --> 00:29:07,440

right

646

00:29:12,950 --> 00:29:10,000

it's probably sometimes not good to even

647

00:29:14,630 --> 00:29:12,960

broadcast your thoughts to the universe

648

00:29:16,389 --> 00:29:14,640

because

649

00:29:18,950 --> 00:29:16,399

sometimes people

650

00:29:22,470 --> 00:29:18,960

don't want to hear

651
00:29:22,480 --> 00:29:27,029
but you put it out anyway right

652
00:29:30,470 --> 00:29:28,710
sometimes that's a good decision and

653
00:29:31,909 --> 00:29:30,480
sometimes that's probably a stupid

654
00:29:34,310 --> 00:29:31,919
decision and you should have just stayed

655
00:29:35,669 --> 00:29:34,320
in bed and not

656
00:29:37,909 --> 00:29:35,679
thought about it

657
00:29:40,310 --> 00:29:37,919
not cared enough to broadcast that

658
00:29:42,389 --> 00:29:40,320
thought out into the universe but in

659
00:29:44,950 --> 00:29:42,399
this case i did

660
00:29:46,149 --> 00:29:44,960
i suppose

661
00:29:48,230 --> 00:29:46,159
and so

662
00:29:50,470 --> 00:29:48,240
when i see this

663
00:29:51,510 --> 00:29:50,480

announcement

664

00:29:54,870 --> 00:29:51,520

i

665

00:29:57,269 --> 00:29:54,880

reacted and uh

666

00:29:58,310 --> 00:29:57,279

mostly because i couldn't believe that

667

00:30:01,430 --> 00:29:58,320

they were

668

00:30:04,230 --> 00:30:01,440

a public company soliciting investors

669

00:30:06,710 --> 00:30:04,240

talking about advanced meta materials

670

00:30:07,590 --> 00:30:06,720

and showing a picture of a common earth

671

00:30:08,950 --> 00:30:07,600

rock

672

00:30:09,990 --> 00:30:08,960

split open

673

00:30:16,630 --> 00:30:10,000

from a

674

00:30:20,230 --> 00:30:18,549

i don't know folks i had a big problem

675

00:30:24,789 --> 00:30:20,240

with this

676
00:30:26,230 --> 00:30:24,799
and so i voiced my concerns about it and

677
00:30:27,750 --> 00:30:26,240
uh

678
00:30:31,029 --> 00:30:27,760
basically

679
00:30:33,110 --> 00:30:31,039
i said before all you ttsa fans get so

680
00:30:35,590 --> 00:30:33,120
excited about today's announcement i may

681
00:30:38,230 --> 00:30:35,600
have some bad new news for you compare

682
00:30:40,870 --> 00:30:38,240
for yourself one is a picture of what

683
00:30:43,750 --> 00:30:40,880
ttsa claims is an unknown meta material

684
00:30:46,070 --> 00:30:43,760
of possibly alien origin the other

685
00:30:49,190 --> 00:30:46,080
picture is of a common earth

686
00:30:52,389 --> 00:30:49,200
malachite stone be cautious and there

687
00:30:54,470 --> 00:30:52,399
are two pictures that match

688
00:30:57,509 --> 00:30:54,480

there was some color changes to the one

689

00:30:59,830 --> 00:30:57,519

that tsa used but

690

00:31:02,470 --> 00:30:59,840

that's it it's just a

691

00:31:03,430 --> 00:31:02,480

royalty-free stock image from a place

692

00:31:05,750 --> 00:31:03,440

like

693

00:31:07,590 --> 00:31:05,760

shutterstock or any of these other

694

00:31:11,669 --> 00:31:07,600

online places

695

00:31:14,470 --> 00:31:11,679

they changed it to a grayscale image but

696

00:31:17,669 --> 00:31:16,230

so

697

00:31:19,990 --> 00:31:17,679

later

698

00:31:23,430 --> 00:31:20,000

because i tweeted this i believe tom

699

00:31:25,990 --> 00:31:23,440

delong deleted the original post with

700

00:31:27,909 --> 00:31:26,000

that picture of some common

701
00:31:31,110 --> 00:31:27,919
earth stone

702
00:31:33,350 --> 00:31:31,120
and replaced the picture with

703
00:31:39,029 --> 00:31:33,360
another picture of something that looks

704
00:31:45,110 --> 00:31:42,870
and so i got attacked pretty ruthlessly

705
00:31:47,029 --> 00:31:45,120
by people that are fans of this

706
00:31:49,029 --> 00:31:47,039
organization

707
00:31:51,750 --> 00:31:49,039
and the defense was

708
00:31:53,509 --> 00:31:51,760
everybody uses royalty free stock images

709
00:31:56,549 --> 00:31:53,519
and news stories you just have to put a

710
00:31:58,549 --> 00:31:56,559
graphic to the announcement

711
00:32:01,669 --> 00:31:58,559
it doesn't mean that he was saying that

712
00:32:04,389 --> 00:32:01,679
was the stuff that was the materials

713
00:32:06,549 --> 00:32:04,399

i don't know folks that seems weak to me

714

00:32:08,230 --> 00:32:06,559

i don't know why someone would purposely

715

00:32:09,190 --> 00:32:08,240

put out an announcement and use a

716

00:32:10,950 --> 00:32:09,200

picture

717

00:32:15,430 --> 00:32:10,960

of something completely and totally

718

00:32:20,789 --> 00:32:17,269

on purpose

719

00:32:24,950 --> 00:32:22,630

i don't know that it was an accident i

720

00:32:26,470 --> 00:32:24,960

don't know that they did it on purpose

721

00:32:28,950 --> 00:32:26,480

i don't know

722

00:32:30,789 --> 00:32:28,960

whether it was on purpose or by accident

723

00:32:33,110 --> 00:32:30,799

it seems very strange to me that they

724

00:32:35,750 --> 00:32:33,120

would do that after all

725

00:32:36,950 --> 00:32:35,760

if it was done by accident these are

726
00:32:38,710 --> 00:32:36,960
supposed to be

727
00:32:41,509 --> 00:32:38,720
top secret

728
00:32:43,909 --> 00:32:41,519
intelligence guys and

729
00:32:46,789 --> 00:32:43,919
government insiders and these very

730
00:32:48,789 --> 00:32:46,799
educated scientists and why would they

731
00:32:50,710 --> 00:32:48,799
do that by accident

732
00:32:54,549 --> 00:32:50,720
are they incompetent it's a fair

733
00:32:59,590 --> 00:32:56,470
and to be clear they've been caught

734
00:33:01,990 --> 00:32:59,600
doing things like this in what i call

735
00:33:03,350 --> 00:33:02,000
their ufo circus

736
00:33:05,509 --> 00:33:03,360
before

737
00:33:08,830 --> 00:33:05,519
they showed a mylar balloon and claimed

738
00:33:12,149 --> 00:33:08,840

it was an unidentified aerial

739

00:33:15,110 --> 00:33:12,159

vehicle no it was a mylar balloon it was

740

00:33:16,950 --> 00:33:15,120

a picture of a mylar balloon

741

00:33:19,430 --> 00:33:16,960

and they never really

742

00:33:21,750 --> 00:33:19,440

apologized for that or explained it

743

00:33:23,509 --> 00:33:21,760

adequately

744

00:33:25,269 --> 00:33:23,519

and people either

745

00:33:27,509 --> 00:33:25,279

attacked them for

746

00:33:30,149 --> 00:33:27,519

being stupid enough to use a hoax

747

00:33:33,590 --> 00:33:31,590

or they

748

00:33:35,509 --> 00:33:33,600

forgave them and said like it was just

749

00:33:37,509 --> 00:33:35,519

an accident just move on you know

750

00:33:39,830 --> 00:33:37,519

they're trying to do good things and

751
00:33:41,909 --> 00:33:39,840
they're going to bring about disclosure

752
00:33:43,750 --> 00:33:41,919
who cares if they use what what what

753
00:33:45,269 --> 00:33:43,760
methods they use or what pictures they

754
00:33:47,590 --> 00:33:45,279
use

755
00:33:50,310 --> 00:33:47,600
all right if you want to believe that

756
00:33:53,909 --> 00:33:50,320
i'm not sure i do

757
00:33:56,149 --> 00:33:53,919
so i tweet this picture of what they

758
00:33:58,149 --> 00:33:56,159
used in their announcement and the

759
00:33:59,909 --> 00:33:58,159
picture that was the

760
00:34:02,230 --> 00:33:59,919
stock image

761
00:34:04,950 --> 00:34:02,240
that matched it and you know told people

762
00:34:06,389 --> 00:34:04,960
to be cautious about investing

763
00:34:08,710 --> 00:34:06,399

because that was the point of the

764

00:34:11,589 --> 00:34:08,720

announcement it's like hey we have this

765

00:34:13,510 --> 00:34:11,599

stuff invest with us

766

00:34:15,430 --> 00:34:13,520

and

767

00:34:17,270 --> 00:34:15,440

i don't know it seems suspect to me that

768

00:34:20,230 --> 00:34:17,280

they're using a stock picture while

769

00:34:23,030 --> 00:34:20,240

soliciting money from people as a public

770

00:34:28,310 --> 00:34:26,069

so when i tweeted about that i got

771

00:34:29,430 --> 00:34:28,320

my inbox blew up and twitter was blowing

772

00:34:32,550 --> 00:34:29,440

up

773

00:34:34,710 --> 00:34:32,560

with me my phone i turned my phone off

774

00:34:35,829 --> 00:34:34,720

because it turned into this big thing

775

00:34:38,470 --> 00:34:35,839

like

776

00:34:39,589 --> 00:34:38,480

oh well they just used that because uh

777

00:34:41,430 --> 00:34:39,599

they didn't want to show the real

778

00:34:43,829 --> 00:34:41,440

materials

779

00:34:45,510 --> 00:34:43,839

i don't know if that's the case

780

00:34:47,430 --> 00:34:45,520

it's so top secret that they can't show

781

00:34:49,829 --> 00:34:47,440

a picture of the stuff while they're

782

00:34:52,470 --> 00:34:49,839

soliciting money from investors

783

00:34:53,990 --> 00:34:52,480

for a public company

784

00:34:55,990 --> 00:34:54,000

so these people are out there saying

785

00:34:58,790 --> 00:34:56,000

they didn't do anything wrong you know

786

00:34:59,510 --> 00:34:58,800

if they're just using a stock image

787

00:35:01,349 --> 00:34:59,520

well

788

00:35:04,490 --> 00:35:01,359

if that's the case then why delete to

789

00:35:05,670 --> 00:35:04,500

tweet and then put another picture

790

00:35:07,990 --> 00:35:05,680

[Music]

791

00:35:09,349 --> 00:35:08,000

so you know i have to say that people

792

00:35:11,109 --> 00:35:09,359

always

793

00:35:12,790 --> 00:35:11,119

have been asking me questions about this

794

00:35:15,030 --> 00:35:12,800

ttsa thing

795

00:35:16,870 --> 00:35:15,040

like first of all i'm no authority on

796

00:35:19,670 --> 00:35:16,880

anything

797

00:35:23,990 --> 00:35:19,680

you should form your own opinions

798

00:35:27,109 --> 00:35:26,069

i suppose my aim is just to give you

799

00:35:29,190 --> 00:35:27,119

some

800

00:35:31,750 --> 00:35:29,200

points to think about and you can decide

801
00:35:34,390 --> 00:35:31,760
for yourself

802
00:35:36,550 --> 00:35:34,400
use your discernment

803
00:35:38,230 --> 00:35:36,560
i'm just going to tell you what i think

804
00:35:40,150 --> 00:35:38,240
and mostly what i think is that people

805
00:35:41,750 --> 00:35:40,160
shouldn't come to me for answers because

806
00:35:44,310 --> 00:35:41,760
i don't have any

807
00:35:46,950 --> 00:35:44,320
because all i have is questions really

808
00:35:49,750 --> 00:35:46,960
that's all i have is

809
00:35:52,630 --> 00:35:50,630
like

810
00:35:54,630 --> 00:35:52,640
i question

811
00:35:55,990 --> 00:35:54,640
the financial motives behind this whole

812
00:35:57,430 --> 00:35:56,000
thing

813
00:35:59,990 --> 00:35:57,440

i question

814

00:36:01,190 --> 00:36:00,000

to some extent the financial

815

00:36:05,510 --> 00:36:01,200

dealings

816

00:36:09,829 --> 00:36:07,670

i question a bunch of super well

817

00:36:10,790 --> 00:36:09,839

educated people not knowing that they

818

00:36:13,030 --> 00:36:10,800

were

819

00:36:17,190 --> 00:36:13,040

showing people a picture of a mylar

820

00:36:19,990 --> 00:36:17,200

balloon claiming that it was a ufo

821

00:36:25,670 --> 00:36:22,150

that tom de long walked away from a

822

00:36:28,390 --> 00:36:25,680

super lucrative multi-million dollar

823

00:36:29,990 --> 00:36:28,400

rock star life to do this

824

00:36:33,990 --> 00:36:30,000

for just a hundred thousand dollars a

825

00:36:38,230 --> 00:36:36,470

i question why they would use a stock

826
00:36:41,510 --> 00:36:38,240
image

827
00:36:44,710 --> 00:36:41,520
of a common earth rock while they are

828
00:36:47,910 --> 00:36:44,720
soliciting people for money

829
00:36:49,990 --> 00:36:47,920
to invest in their company based on

830
00:36:52,150 --> 00:36:50,000
their amazing announcement of having

831
00:36:55,190 --> 00:36:52,160
these incredible materials while showing

832
00:36:56,790 --> 00:36:55,200
us a picture of a rock folks an earth

833
00:36:59,589 --> 00:36:56,800
rock

834
00:37:01,910 --> 00:36:59,599
i questioned that

835
00:37:05,510 --> 00:37:01,920
i questioned if that was okay to do why

836
00:37:07,750 --> 00:37:05,520
did they delete their original tweet

837
00:37:13,109 --> 00:37:07,760
and then replace it with

838
00:37:16,310 --> 00:37:15,030

i question why

839

00:37:17,829 --> 00:37:16,320

when someone

840

00:37:20,630 --> 00:37:17,839

got

841

00:37:23,589 --> 00:37:20,640

a pentagon spokesperson to

842

00:37:25,349 --> 00:37:23,599

say that louis elizondo

843

00:37:27,349 --> 00:37:25,359

one of the members of this

844

00:37:28,790 --> 00:37:27,359

organization one of the front people

845

00:37:29,990 --> 00:37:28,800

really

846

00:37:32,710 --> 00:37:30,000

did not

847

00:37:35,750 --> 00:37:32,720

in fact run the program that he claims

848

00:37:35,760 --> 00:37:39,030

i question that

849

00:37:44,790 --> 00:37:41,349

i question when we don't get a very

850

00:37:46,870 --> 00:37:44,800

direct reply to that pentagon

851
00:37:49,109 --> 00:37:46,880
spokesperson

852
00:37:51,990 --> 00:37:49,119
and their claims

853
00:37:54,710 --> 00:37:52,000
publicly quickly and directly

854
00:37:56,950 --> 00:37:54,720
i question that

855
00:37:59,510 --> 00:37:56,960
and the truth is i'm still

856
00:38:02,310 --> 00:37:59,520
not sure

857
00:38:05,030 --> 00:38:03,990
they claimed that it was under a

858
00:38:06,790 --> 00:38:05,040
different

859
00:38:08,630 --> 00:38:06,800
organization

860
00:38:12,230 --> 00:38:08,640
it was under the defense intelligence

861
00:38:16,310 --> 00:38:14,310
so that we have more smoke and mirrors

862
00:38:18,950 --> 00:38:16,320
now

863
00:38:21,030 --> 00:38:18,960

instead of a direct answer

864

00:38:24,390 --> 00:38:21,040

to the question

865

00:38:27,270 --> 00:38:24,400

did he work for this program

866

00:38:32,470 --> 00:38:27,280

did he in fact run it he claimed that he

867

00:38:34,390 --> 00:38:32,480

ran the program to say you run a program

868

00:38:36,390 --> 00:38:34,400

i would think means that you were the

869

00:38:38,870 --> 00:38:36,400

head of it

870

00:38:41,430 --> 00:38:38,880

the pentagon comes out and says no

871

00:38:45,349 --> 00:38:41,440

he was not the head of the program and

872

00:38:45,359 --> 00:38:49,109

related to that program

873

00:38:54,310 --> 00:38:52,470

up until his resignation

874

00:38:56,870 --> 00:38:54,320

that is

875

00:38:58,710 --> 00:38:56,880

the question that i have

876

00:39:01,109 --> 00:38:58,720

i question

877

00:39:03,589 --> 00:39:01,119

why they can't just tell us a straight

878

00:39:05,829 --> 00:39:03,599

answer about all this

879

00:39:08,470 --> 00:39:05,839

i question why no one's fact checking

880

00:39:11,430 --> 00:39:08,480

them on some of the claims that they've

881

00:39:14,150 --> 00:39:11,440

made and things that they're saying

882

00:39:17,670 --> 00:39:14,160

i question why a las vegas reporter gave

883

00:39:23,430 --> 00:39:20,470

but was an early investor

884

00:39:28,069 --> 00:39:23,440

in this organization

885

00:39:30,550 --> 00:39:28,079

is that a conflict of interest

886

00:39:32,950 --> 00:39:30,560

reporter invests

887

00:39:34,870 --> 00:39:32,960

in the company becomes an early investor

888

00:39:37,829 --> 00:39:34,880

in the company and then

889

00:39:44,870 --> 00:39:37,839

proceeds to do story after story after

890

00:39:48,950 --> 00:39:47,030

would that not generate publicity for

891

00:39:50,230 --> 00:39:48,960

them and

892

00:39:53,750 --> 00:39:50,240

the reporter

893

00:39:56,870 --> 00:39:53,760

may profit from that publicity

894

00:39:58,550 --> 00:39:56,880

i have questions about someone doing

895

00:40:00,150 --> 00:39:58,560

that and why

896

00:40:03,030 --> 00:40:00,160

i suppose

897

00:40:06,069 --> 00:40:03,040

i question people's motives

898

00:40:08,950 --> 00:40:06,079

in this organization

899

00:40:10,870 --> 00:40:08,960

i question why a man like louis elizondo

900

00:40:12,470 --> 00:40:10,880

would say that he ran a government

901
00:40:14,710 --> 00:40:12,480
program

902
00:40:17,030 --> 00:40:14,720
if he did not

903
00:40:21,510 --> 00:40:17,040
what would his motive be

904
00:40:28,790 --> 00:40:23,510
that he ran that program what is his

905
00:40:34,390 --> 00:40:31,109
what is tom delong's motive what does he

906
00:40:36,230 --> 00:40:34,400
really want to get out of this

907
00:40:38,470 --> 00:40:36,240
is he really some

908
00:40:40,790 --> 00:40:38,480
rich guy that is just playing some

909
00:40:43,030 --> 00:40:40,800
childhood fantasy out hiring all these

910
00:40:44,470 --> 00:40:43,040
guys and paying them

911
00:40:45,510 --> 00:40:44,480
promising them that they're gonna get

912
00:40:47,589 --> 00:40:45,520
paid

913
00:40:50,829 --> 00:40:47,599

so that he can

914

00:40:54,150 --> 00:40:50,839

be the ufo messiah and bring us

915

00:40:57,190 --> 00:40:54,160

all government disclosure of alien

916

00:41:00,550 --> 00:40:58,630

is that his motive

917

00:41:02,790 --> 00:41:00,560

does he really want to be the ufo

918

00:41:05,030 --> 00:41:02,800

messiah

919

00:41:06,790 --> 00:41:05,040

and listen there's already a ufo jesus

920

00:41:09,589 --> 00:41:06,800

he so i guess he's gonna have to be the

921

00:41:11,670 --> 00:41:09,599

ufo messiah and that's something worthy

922

00:41:13,990 --> 00:41:11,680

of mention this character and it is a

923

00:41:15,910 --> 00:41:14,000

character ufo jesus

924

00:41:19,430 --> 00:41:15,920

the guy's on youtube and twitter and

925

00:41:22,470 --> 00:41:19,440

facebook and he is a huge huge supporter

926

00:41:25,030 --> 00:41:22,480

of to the stars academy and everything

927

00:41:26,550 --> 00:41:25,040

they're doing is wonderful and correct

928

00:41:28,230 --> 00:41:26,560

and right and

929

00:41:30,550 --> 00:41:28,240

they are definitely going to bring about

930

00:41:32,630 --> 00:41:30,560

disclosure here

931

00:41:35,030 --> 00:41:32,640

and i got to tell you it's he's like a

932

00:41:35,910 --> 00:41:35,040

brainwashed cult member or something

933

00:41:38,390 --> 00:41:35,920

because

934

00:41:40,550 --> 00:41:38,400

he is so firm in his belief that they

935

00:41:43,990 --> 00:41:40,560

are the ufo messiahs here they're going

936

00:41:47,589 --> 00:41:44,000

to bring us disclosure any day now and

937

00:41:49,670 --> 00:41:47,599

he's an ardent supporter and listen

938

00:41:51,829 --> 00:41:49,680

if that guy's on a level and like i

939

00:41:54,550 --> 00:41:51,839

don't know how how to take a guy that

940

00:41:57,510 --> 00:41:54,560

calls himself ufo jesus seriously but if

941

00:41:59,109 --> 00:41:57,520

he's serious and he truly believes

942

00:42:01,750 --> 00:41:59,119

in his

943

00:42:03,430 --> 00:42:01,760

heart and soul that tom de delong and to

944

00:42:05,990 --> 00:42:03,440

the stars academy are going to bring us

945

00:42:07,510 --> 00:42:06,000

ufo disclosure good for him if he

946

00:42:09,190 --> 00:42:07,520

believes that

947

00:42:11,190 --> 00:42:09,200

and is preaching that because he

948

00:42:14,069 --> 00:42:11,200

believes that you know because he's ufo

949

00:42:16,390 --> 00:42:14,079

jesus so he's got to preach the gospel

950

00:42:19,109 --> 00:42:16,400

of to the stars academy

951
00:42:21,589 --> 00:42:19,119
and isn't that enough strangeness that

952
00:42:25,270 --> 00:42:21,599
their biggest supporter on social media

953
00:42:27,109 --> 00:42:25,280
platforms is named ufo jesus

954
00:42:30,150 --> 00:42:27,119
where the robe like jesus kind of looks

955
00:42:33,589 --> 00:42:30,160
like jesus

956
00:42:38,150 --> 00:42:33,599
that's their biggest supporter

957
00:42:38,160 --> 00:42:41,349
it's crazy

958
00:42:45,270 --> 00:42:43,349
it's a circus folks

959
00:42:46,710 --> 00:42:45,280
but you gotta remember

960
00:42:49,990 --> 00:42:46,720
people pay

961
00:42:53,990 --> 00:42:50,000
to go to the circus maybe that's the

962
00:42:59,430 --> 00:42:54,000
motive behind some of these things folks

963
00:43:03,430 --> 00:42:59,440

people pay to see a circus

964

00:43:05,990 --> 00:43:03,440

and maybe just maybe tom delong is

965

00:43:08,230 --> 00:43:06,000

the ring master

966

00:43:10,069 --> 00:43:08,240

and he's going to bring you a circus

967

00:43:13,910 --> 00:43:10,079

complete with

968

00:43:16,150 --> 00:43:13,920

a ufo jesus spouting the gospel

969

00:43:17,430 --> 00:43:16,160

of to the stars academy

970

00:43:20,309 --> 00:43:17,440

complete with

971

00:43:23,349 --> 00:43:20,319

materials that may have been recovered

972

00:43:26,390 --> 00:43:23,359

from a flying saucer a ufo

973

00:43:29,510 --> 00:43:26,400

or will use a very vague new term

974

00:43:32,790 --> 00:43:29,520

unidentified aerial phenomenon

975

00:43:35,270 --> 00:43:32,800

that may be of alien origin

976
00:43:36,870 --> 00:43:35,280
our circus is going to have the guy who

977
00:43:39,109 --> 00:43:36,880
used to run

978
00:43:42,309 --> 00:43:39,119
the government's top secret program

979
00:43:44,390 --> 00:43:42,319
investigating ufos

980
00:43:46,630 --> 00:43:44,400
our circus is going to have

981
00:43:48,790 --> 00:43:46,640
scientists who have been involved in all

982
00:43:53,030 --> 00:43:48,800
kinds of ufo stuff

983
00:43:55,510 --> 00:43:53,040
yeah ufo stuff we got scientists

984
00:43:57,750 --> 00:43:55,520
they did ufo stuff

985
00:44:00,309 --> 00:43:57,760
our circus is gonna have a show on the

986
00:44:03,190 --> 00:44:00,319
history channel yeah you remember that

987
00:44:06,150 --> 00:44:03,200
awesome show ancient aliens well we're

988
00:44:08,470 --> 00:44:06,160

gonna be like their replacement man

989

00:44:10,309 --> 00:44:08,480

we're gonna be the next big deal on the

990

00:44:12,790 --> 00:44:10,319

history channel

991

00:44:14,790 --> 00:44:12,800

about aliens bro

992

00:44:17,030 --> 00:44:14,800

our circus is going to have scientists

993

00:44:20,390 --> 00:44:17,040

are going to analyze these crazy metals

994

00:44:21,589 --> 00:44:20,400

that we got from ufos

995

00:44:23,190 --> 00:44:21,599

and they're going to tell you that this

996

00:44:27,270 --> 00:44:23,200

couldn't have been made on planet earth

997

00:44:28,790 --> 00:44:27,280

because the isotopic ratios are all off

998

00:44:32,390 --> 00:44:28,800

they're all off they couldn't be made

999

00:44:34,630 --> 00:44:32,400

here on earth the isotopic ratios

1000

00:44:36,470 --> 00:44:34,640

our circus when it comes to the metals

1001
00:44:38,150 --> 00:44:36,480
gonna have a lot of talk about isotopic

1002
00:44:41,910 --> 00:44:38,160
ratios folks

1003
00:44:43,910 --> 00:44:41,920
our circus is gonna have concert tours

1004
00:44:46,550 --> 00:44:43,920
what other ufo group

1005
00:44:49,430 --> 00:44:46,560
has concert tours man

1006
00:44:51,270 --> 00:44:49,440
our circus is gonna have ufo concert

1007
00:44:53,750 --> 00:44:51,280
tours

1008
00:44:56,550 --> 00:44:53,760
my point is

1009
00:44:58,390 --> 00:44:56,560
apparently folks it's a circus

1010
00:45:00,309 --> 00:44:58,400
and tom delonge is going to bring us

1011
00:45:01,990 --> 00:45:00,319
that circus

1012
00:45:04,309 --> 00:45:02,000
he's going to be the lead character of

1013
00:45:06,710 --> 00:45:04,319

the circus that we've all been invited

1014

00:45:11,270 --> 00:45:08,710

and i gotta say it's a tempting

1015

00:45:14,309 --> 00:45:11,280

invitation

1016

00:45:15,829 --> 00:45:14,319

sounds like a fun circus to me

1017

00:45:19,829 --> 00:45:15,839

right

1018

00:45:22,069 --> 00:45:19,839

that sounds like an entertaining circus

1019

00:45:24,630 --> 00:45:22,079

even if it's a circus i may have been to

1020

00:45:27,190 --> 00:45:24,640

before back when bill moore was running

1021

00:45:28,470 --> 00:45:27,200

that circus

1022

00:45:32,390 --> 00:45:28,480

but still

1023

00:45:34,630 --> 00:45:32,400

a very very entertaining circus folks

1024

00:45:37,750 --> 00:45:34,640

is waiting for us

1025

00:45:40,309 --> 00:45:37,760

at to the stars academy

1026
00:45:42,790 --> 00:45:40,319
you know maybe that's the point here

1027
00:45:44,950 --> 00:45:42,800
folks it's entertaining it's

1028
00:45:46,630 --> 00:45:44,960
entertainment

1029
00:45:48,870 --> 00:45:46,640
maybe we just

1030
00:45:50,550 --> 00:45:48,880
some of us take this stuff way too

1031
00:45:52,550 --> 00:45:50,560
seriously

1032
00:45:55,030 --> 00:45:52,560
and it should just be

1033
00:45:56,790 --> 00:45:55,040
fun entertainment

1034
00:45:59,910 --> 00:45:56,800
like

1035
00:46:02,309 --> 00:45:59,920
those newspapers in the checkout aisle

1036
00:46:07,430 --> 00:46:02,319
with stories about aliens

1037
00:46:12,390 --> 00:46:11,190
but it's an escape from reality

1038
00:46:15,910 --> 00:46:12,400

and maybe that's what they're going to

1039

00:46:17,349 --> 00:46:15,920

provide maybe that is the product

1040

00:46:19,990 --> 00:46:17,359

and not

1041

00:46:22,069 --> 00:46:20,000

anything else

1042

00:46:22,950 --> 00:46:22,079

and besides tweeting about

1043

00:46:25,270 --> 00:46:22,960

these

1044

00:46:28,390 --> 00:46:25,280

so-called meta materials

1045

00:46:30,150 --> 00:46:28,400

and their use of a stock image in that

1046

00:46:32,950 --> 00:46:30,160

announcement

1047

00:46:35,750 --> 00:46:32,960

i also tweeted about the materials

1048

00:46:37,430 --> 00:46:35,760

themselves

1049

00:46:41,109 --> 00:46:37,440

because

1050

00:46:42,710 --> 00:46:41,119

where these materials came from is also

1051
00:46:45,589 --> 00:46:42,720
suspect

1052
00:46:47,910 --> 00:46:45,599
and i should say where at least some of

1053
00:46:50,390 --> 00:46:47,920
these materials came from

1054
00:46:53,349 --> 00:46:50,400
is very suspect

1055
00:47:01,670 --> 00:46:53,359
and that is because my friends they are

1056
00:47:01,680 --> 00:47:05,510
an anonymous source

1057
00:47:10,470 --> 00:47:07,589
said that he got

1058
00:47:12,069 --> 00:47:10,480
pieces of alien metal from his

1059
00:47:13,349 --> 00:47:12,079
grandfather

1060
00:47:14,710 --> 00:47:13,359
that

1061
00:47:16,950 --> 00:47:14,720
worked

1062
00:47:20,470 --> 00:47:16,960
in or around roswell

1063
00:47:24,069 --> 00:47:20,480

and got these materials from the ufo

1064

00:47:26,069 --> 00:47:24,079

crash at roswell

1065

00:47:28,790 --> 00:47:26,079

remember our previous coverage of

1066

00:47:32,950 --> 00:47:28,800

roswell when we talked about

1067

00:47:34,870 --> 00:47:32,960

how a lot of ufo hoaxers love to attach

1068

00:47:36,870 --> 00:47:34,880

their

1069

00:47:39,589 --> 00:47:36,880

con if it is a con

1070

00:47:41,109 --> 00:47:39,599

to roswell we've had the alien autopsy

1071

00:47:47,670 --> 00:47:41,119

we've had

1072

00:47:49,910 --> 00:47:47,680

all kinds of less than scrupulous but

1073

00:47:52,390 --> 00:47:49,920

we've had alien interview

1074

00:47:54,870 --> 00:47:52,400

the victor tape connected to roswell

1075

00:47:57,670 --> 00:47:54,880

we've had there's so many hoaxes that

1076
00:47:59,510 --> 00:47:57,680
people love to attach the roswell slides

1077
00:48:01,349 --> 00:47:59,520
there's so many hoaxes folks where

1078
00:48:03,510 --> 00:48:01,359
people love to attach

1079
00:48:06,069 --> 00:48:03,520
their story to roswell

1080
00:48:09,990 --> 00:48:06,079
so this is an anonymous guy who just

1081
00:48:12,390 --> 00:48:10,000
sent some pieces of metal to art bell

1082
00:48:15,349 --> 00:48:12,400
and that happened uh

1083
00:48:16,790 --> 00:48:15,359
back in 1996

1084
00:48:18,710 --> 00:48:16,800
or belle for those who don't know was

1085
00:48:21,510 --> 00:48:18,720
the host of coast to coast

1086
00:48:23,829 --> 00:48:21,520
the most popular

1087
00:48:27,270 --> 00:48:23,839
ufo show ever

1088
00:48:29,349 --> 00:48:27,280

paranormal show ever i should say

1089

00:48:31,670 --> 00:48:29,359

so he sends the materials to linda

1090

00:48:33,670 --> 00:48:31,680

moulton hale somehow

1091

00:48:36,309 --> 00:48:33,680

who's gonna

1092

00:48:39,109 --> 00:48:36,319

get scientists and they're gonna

1093

00:48:41,270 --> 00:48:39,119

analyze the materials

1094

00:48:43,190 --> 00:48:41,280

so the scientists you first get does

1095

00:48:45,990 --> 00:48:43,200

that and is

1096

00:48:48,950 --> 00:48:46,000

not very impressed he has to reproduce

1097

00:48:53,910 --> 00:48:48,960

the materials and he does

1098

00:48:59,510 --> 00:48:57,030

certainly there was no proof

1099

00:49:01,510 --> 00:48:59,520

that they were alien materials or

1100

00:49:03,109 --> 00:49:01,520

originated from any source other than

1101
00:49:05,190 --> 00:49:03,119
earth

1102
00:49:07,750 --> 00:49:05,200
he's asked to reproduce it

1103
00:49:09,910 --> 00:49:07,760
and he does

1104
00:49:11,990 --> 00:49:09,920
linda multnow was unwilling to accept

1105
00:49:14,390 --> 00:49:12,000
his findings so she hires other

1106
00:49:17,030 --> 00:49:14,400
scientists

1107
00:49:18,710 --> 00:49:17,040
apparently who are more

1108
00:49:20,230 --> 00:49:18,720
to her liking as far as their

1109
00:49:23,270 --> 00:49:20,240
conclusions

1110
00:49:25,270 --> 00:49:23,280
linda multnow went on to sell this stuff

1111
00:49:27,109 --> 00:49:25,280
as alien materials

1112
00:49:28,630 --> 00:49:27,119
for a long time making the ufo

1113
00:49:30,470 --> 00:49:28,640

conference circuit

1114

00:49:33,670 --> 00:49:30,480

speaking about it

1115

00:49:37,430 --> 00:49:35,910

and you know folks that was quite a long

1116

00:49:40,390 --> 00:49:37,440

time ago

1117

00:49:42,710 --> 00:49:40,400

and i have to ask you a question

1118

00:49:45,190 --> 00:49:42,720

if what linda milton hale really found

1119

00:49:48,390 --> 00:49:45,200

was alien materials

1120

00:49:50,390 --> 00:49:48,400

materials made from an alien race

1121

00:49:52,549 --> 00:49:50,400

wouldn't we all have heard about that

1122

00:49:54,710 --> 00:49:52,559

stuff back then

1123

00:49:56,630 --> 00:49:54,720

but no folks we didn't

1124

00:49:59,109 --> 00:49:56,640

largely most of us

1125

00:50:00,710 --> 00:49:59,119

did not hear about that

1126
00:50:01,310 --> 00:50:00,720
and there's a reason

1127
00:50:02,549 --> 00:50:01,320
i believe

1128
00:50:03,829 --> 00:50:02,559
[Music]

1129
00:50:05,670 --> 00:50:03,839
to believe that there's nothing

1130
00:50:08,069 --> 00:50:05,680
remarkable about those materials and

1131
00:50:09,589 --> 00:50:08,079
that the first scientist was correct in

1132
00:50:13,109 --> 00:50:09,599
his analysis

1133
00:50:15,430 --> 00:50:13,119
and his expert opinion that they were

1134
00:50:17,349 --> 00:50:15,440
earthly materials

1135
00:50:21,750 --> 00:50:17,359
and that they could be reproduced on

1136
00:50:25,750 --> 00:50:23,589
so it's

1137
00:50:28,390 --> 00:50:25,760
my belief that

1138
00:50:30,150 --> 00:50:28,400

she didn't like what he said

1139

00:50:31,030 --> 00:50:30,160

there's no story

1140

00:50:32,309 --> 00:50:31,040

if

1141

00:50:34,950 --> 00:50:32,319

we get

1142

00:50:36,470 --> 00:50:34,960

parts from an anonymous source that says

1143

00:50:39,349 --> 00:50:36,480

they're from the roswell crash and then

1144

00:50:41,270 --> 00:50:39,359

we analyze them and a scientist says no

1145

00:50:42,710 --> 00:50:41,280

they're very unremarkable and not yes i

1146

00:50:45,990 --> 00:50:42,720

can reproduce them

1147

00:50:47,910 --> 00:50:46,000

there's no story to sell there folks

1148

00:50:50,630 --> 00:50:47,920

and so i guess

1149

00:50:53,349 --> 00:50:50,640

she just continued until she could sell

1150

00:50:55,109 --> 00:50:53,359

the story

1151

00:50:56,630 --> 00:50:55,119

and whether to her credit or her

1152

00:51:00,230 --> 00:50:56,640

detriment

1153

00:51:02,309 --> 00:51:00,240

let's just be clear that's what lis miss

1154

00:51:07,349 --> 00:51:02,319

linda molten how does

1155

00:51:07,359 --> 00:51:13,109

kind of like mother goose

1156

00:51:19,910 --> 00:51:17,030

i try to not be so cynical

1157

00:51:22,230 --> 00:51:19,920

and i try to not be so negative because

1158

00:51:24,230 --> 00:51:22,240

i feel that negative energy when i think

1159

00:51:27,190 --> 00:51:24,240

about these things

1160

00:51:30,790 --> 00:51:27,200

this woman sells stories

1161

00:51:30,800 --> 00:51:35,589

fairy tales

1162

00:51:41,270 --> 00:51:38,150

because the truth

1163

00:51:44,230 --> 00:51:41,280

folks is unremarkable

1164

00:51:47,109 --> 00:51:44,240

and the truth is uninspiring

1165

00:51:48,790 --> 00:51:47,119

and uninteresting the truth is often

1166

00:51:50,790 --> 00:51:48,800

boring

1167

00:51:53,829 --> 00:51:50,800

these materials just regular earthly

1168

00:51:56,230 --> 00:51:53,839

materials and we can make them reproduce

1169

00:52:00,390 --> 00:51:57,589

there's nothing to suggest that these

1170

00:52:01,430 --> 00:52:00,400

are alien materials

1171

00:52:05,670 --> 00:52:01,440

boring

1172

00:52:10,309 --> 00:52:08,470

so maybe the sensationalization of these

1173

00:52:12,150 --> 00:52:10,319

things

1174

00:52:14,309 --> 00:52:12,160

and the fact that

1175

00:52:15,510 --> 00:52:14,319

mainstream media never picked up the

1176
00:52:18,549 --> 00:52:15,520
story

1177
00:52:23,990 --> 00:52:18,559
should tell you

1178
00:52:29,109 --> 00:52:27,190
and now my friends tsa is in possession

1179
00:52:30,230 --> 00:52:29,119
of that material

1180
00:52:31,430 --> 00:52:30,240
and they're

1181
00:52:33,750 --> 00:52:31,440
saying

1182
00:52:36,549 --> 00:52:33,760
at first that they have

1183
00:52:38,390 --> 00:52:36,559
possibly alien materials

1184
00:52:40,630 --> 00:52:38,400
and then the story sort of changes and

1185
00:52:42,309 --> 00:52:40,640
gets watered down and now it's we have

1186
00:52:47,990 --> 00:52:42,319
meta materials

1187
00:52:52,950 --> 00:52:50,390
and these are the same materials that

1188
00:52:56,630 --> 00:52:52,960

linda molten howe was running around

1189

00:53:02,470 --> 00:52:58,549

now

1190

00:53:04,390 --> 00:53:02,480

to be clear i believe that ttsa has said

1191

00:53:06,150 --> 00:53:04,400

and many of their fans have told me no

1192

00:53:09,510 --> 00:53:06,160

no that's just one piece of what they

1193

00:53:13,750 --> 00:53:09,520

have they have many pieces of things

1194

00:53:17,430 --> 00:53:13,760

but at least one of these came from

1195

00:53:18,710 --> 00:53:17,440

definitely a known hoax

1196

00:53:24,470 --> 00:53:18,720

supporter

1197

00:53:25,750 --> 00:53:24,480

i won't say promoter or con person

1198

00:53:27,109 --> 00:53:25,760

you know

1199

00:53:30,870 --> 00:53:27,119

i'll say

1200

00:53:34,390 --> 00:53:30,880

a hoax supporter because she or a hoax

1201

00:53:36,950 --> 00:53:34,400

story seller that's probably better

1202

00:53:39,829 --> 00:53:36,960

the best term that i could think of

1203

00:53:43,349 --> 00:53:39,839

to be as fair as possible to her is that

1204

00:53:47,670 --> 00:53:43,359

she's a hoax story seller she sells

1205

00:53:52,710 --> 00:53:50,630

and she sold the story of these

1206

00:53:54,150 --> 00:53:52,720

materials

1207

00:53:56,630 --> 00:53:54,160

as if they were

1208

00:53:58,950 --> 00:53:56,640

some remarkable material that came from

1209

00:54:00,950 --> 00:53:58,960

a crashed flying saucer in roswell in

1210

00:54:03,349 --> 00:54:00,960

1947

1211

00:54:06,549 --> 00:54:03,359

that have these incredible properties

1212

00:54:08,870 --> 00:54:06,559

and could not have been made on earth

1213

00:54:11,030 --> 00:54:08,880

so years and years later we get tsa

1214

00:54:13,270 --> 00:54:11,040

with the same material making incredible

1215

00:54:14,950 --> 00:54:13,280

claims

1216

00:54:18,069 --> 00:54:14,960

telling us they're going to bring us the

1217

00:54:22,309 --> 00:54:21,190

and here's some of that proof

1218

00:54:24,630 --> 00:54:22,319

is this

1219

00:54:27,190 --> 00:54:24,640

beginning to sound like another rerun to

1220

00:54:31,270 --> 00:54:27,200

you because it is to me

1221

00:54:33,589 --> 00:54:31,280

and i think i know how this story ends

1222

00:54:36,789 --> 00:54:33,599

at least as far as the piece of

1223

00:54:37,589 --> 00:54:36,799

so-called alien materials that came from

1224

00:54:40,710 --> 00:54:37,599

one

1225

00:54:43,030 --> 00:54:40,720

miss linda moulton howe

1226
00:54:47,589 --> 00:54:43,040
and is now in the possession of to the

1227
00:54:49,270 --> 00:54:47,599
stars academy who are promoting it

1228
00:54:51,430 --> 00:54:49,280
but hey folks

1229
00:54:55,430 --> 00:54:51,440
when you're building a great big circus

1230
00:54:58,309 --> 00:54:55,440
sometimes you gotta reuse materials

1231
00:55:00,470 --> 00:54:58,319
to get that circus put on you know the

1232
00:55:02,630 --> 00:55:00,480
show must go on

1233
00:55:04,630 --> 00:55:02,640
so when it comes to the stars academy

1234
00:55:07,270 --> 00:55:04,640
and people keep asking me so many

1235
00:55:09,829 --> 00:55:07,280
questions about what i think about it

1236
00:55:12,150 --> 00:55:09,839
that's it folks i think

1237
00:55:14,390 --> 00:55:12,160
that it's a circus and the show must go

1238
00:55:16,150 --> 00:55:14,400

on

1239

00:55:19,430 --> 00:55:16,160

those are the two biggest takeaways that

1240

00:55:22,630 --> 00:55:21,670

but the circus my friends is not over

1241

00:55:26,789 --> 00:55:22,640

yet

1242

00:55:29,270 --> 00:55:26,799

so i'm going to hold my applause until

1243

00:55:31,910 --> 00:55:29,280

that circus ends

1244

00:55:33,430 --> 00:55:31,920

well friends i see we are coming up on

1245

00:55:34,950 --> 00:55:33,440

our first hour

1246

00:55:37,109 --> 00:55:34,960

so we're going to take a break right

1247

00:55:40,390 --> 00:55:37,119

here for station identification and a

1248

00:55:42,390 --> 00:55:40,400

few words from our sponsors i'll be

1249

00:55:44,549 --> 00:55:42,400

right back

1250

00:55:46,150 --> 00:55:44,559

every saturday at midnight here on the

1251
00:55:49,270 --> 00:55:46,160
fringe fm

1252
00:55:51,510 --> 00:55:49,280
you can join me stephen candy the host

1253
00:55:54,789 --> 00:55:51,520
of the midnight hour show

1254
00:55:57,430 --> 00:55:54,799
on my show we explore paranormal topics

1255
00:55:59,430 --> 00:55:57,440
with a skeptical view

1256
00:56:03,910 --> 00:55:59,440
we search for evidence we search for

1257
00:56:06,390 --> 00:56:03,920
proof we search for the truth

1258
00:56:09,670 --> 00:56:06,400
because who better than me my friends a

1259
00:56:12,309 --> 00:56:09,680
magician a man trained in the art of

1260
00:56:15,270 --> 00:56:12,319
deception and misdirection

1261
00:56:18,549 --> 00:56:15,280
who better than me to investigate for

1262
00:56:22,590 --> 00:56:18,559
you some of the greatest mysteries on

1263
00:56:24,470 --> 00:56:22,600

planet earth and i hope you will join me

1264

00:56:26,710 --> 00:56:24,480

[Music]

1265

00:56:29,030 --> 00:56:26,720

every saturday night

1266

00:56:31,750 --> 00:56:29,040

here on the fringe fm

1267

00:56:35,910 --> 00:56:31,760

at midnight eastern standard time for

1268

00:56:37,990 --> 00:56:35,920

the midnight hour show 9 p.m pacific

1269

00:56:39,910 --> 00:56:38,000

i want you to join me here every

1270

00:56:42,549 --> 00:56:39,920

saturday night at midnight for an

1271

00:56:44,250 --> 00:56:42,559

incredible journey to consider yourself

1272

00:56:48,549 --> 00:56:44,260

invited

1273

00:56:51,270 --> 00:56:48,559

[Music]

1274

00:56:54,470 --> 00:56:51,280

brand new episodes of the midnight hour

1275

00:56:55,750 --> 00:56:54,480

show available exclusively every

1276
00:56:58,710 --> 00:56:55,760
saturday night

1277
00:57:04,230 --> 00:56:58,720
here on the fringe fm

1278
00:57:14,549 --> 00:57:07,320
join us

1279
00:57:20,230 --> 00:57:17,270
this is steven kennedy and you are

1280
00:57:22,250 --> 00:57:20,240
listening to the fridge

1281
00:57:26,230 --> 00:57:22,260
for the fridge

1282
00:57:30,789 --> 00:57:28,230
back my friends

1283
00:57:33,430 --> 00:57:30,799
my name is steven cambion you are

1284
00:57:36,870 --> 00:57:33,440
listening to the midnight hour show and

1285
00:57:39,589 --> 00:57:36,880
tonight we've been talking about

1286
00:57:43,349 --> 00:57:39,599
to the stars academy

1287
00:57:46,630 --> 00:57:43,359
is it a legitimate effort to bring forth

1288
00:57:48,230 --> 00:57:46,640

disclosure about ufos and alien

1289

00:57:50,950 --> 00:57:48,240

visitations

1290

00:57:53,270 --> 00:57:50,960

or is it simply

1291

00:57:55,910 --> 00:57:53,280

a money machine to make money for those

1292

00:58:01,270 --> 00:57:58,710

i said before that i'm on the fence

1293

00:58:03,589 --> 00:58:01,280

and before i continue i do want to take

1294

00:58:04,870 --> 00:58:03,599

a moment to say that when this thing

1295

00:58:09,670 --> 00:58:04,880

started

1296

00:58:10,950 --> 00:58:09,680

i wish them the very best

1297

00:58:13,109 --> 00:58:10,960

one

1298

00:58:18,150 --> 00:58:13,119

can't help but be a little impressed at

1299

00:58:19,510 --> 00:58:18,160

the team that one tom delong assembled

1300

00:58:21,670 --> 00:58:19,520

and so

1301

00:58:23,430 --> 00:58:21,680

people were talking like disclosures

1302

00:58:25,430 --> 00:58:23,440

just around the corner

1303

00:58:28,309 --> 00:58:25,440

and these guys have the information and

1304

00:58:30,309 --> 00:58:28,319

they're gonna release it

1305

00:58:33,910 --> 00:58:30,319

and i gotta say that i

1306

00:58:38,870 --> 00:58:36,710

almost obsessively like any

1307

00:58:40,309 --> 00:58:38,880

information that i could get about them

1308

00:58:42,309 --> 00:58:40,319

what they were planning what they were

1309

00:58:44,150 --> 00:58:42,319

going to do

1310

00:58:46,950 --> 00:58:44,160

but the problem came

1311

00:58:50,230 --> 00:58:46,960

really with me the problems that i i had

1312

00:58:53,910 --> 00:58:50,240

with them and how they operate started

1313

00:58:55,030 --> 00:58:53,920

with the tom delong continually making

1314

00:58:56,870 --> 00:58:55,040

these

1315

00:58:58,150 --> 00:58:56,880

big claims

1316

00:59:01,510 --> 00:58:58,160

like

1317

00:59:03,430 --> 00:59:01,520

big bombs are going to drop

1318

00:59:05,589 --> 00:59:03,440

you won't believe what's going to happen

1319

00:59:08,710 --> 00:59:05,599

next and all of these

1320

00:59:10,789 --> 00:59:08,720

this hype machine that he was trying to

1321

00:59:12,950 --> 00:59:10,799

roll out

1322

00:59:14,630 --> 00:59:12,960

and we have this

1323

00:59:16,870 --> 00:59:14,640

amazing announcement we're going to be

1324

00:59:19,030 --> 00:59:16,880

making

1325

00:59:20,150 --> 00:59:19,040

and i was before they even had this

1326

00:59:22,069 --> 00:59:20,160

first

1327

00:59:23,750 --> 00:59:22,079

press conference i don't want to call it

1328

00:59:25,670 --> 00:59:23,760

a press conference because it wasn't a

1329

00:59:28,549 --> 00:59:25,680

press conference it was a

1330

00:59:30,829 --> 00:59:28,559

sort of staged

1331

00:59:34,150 --> 00:59:30,839

announcement

1332

00:59:36,390 --> 00:59:34,160

event which by itself to me

1333

00:59:37,589 --> 00:59:36,400

i i thought was a little bit suspicious

1334

00:59:38,870 --> 00:59:37,599

because

1335

00:59:39,910 --> 00:59:38,880

why would you

1336

00:59:41,990 --> 00:59:39,920

you know

1337

00:59:44,230 --> 00:59:42,000

rent this place with this big stage and

1338

00:59:47,750 --> 00:59:44,240

make it look like this was a big event

1339

00:59:49,190 --> 00:59:47,760

and it's just you and the guys with you

1340

00:59:51,190 --> 00:59:49,200

talking about this thing that you're

1341

00:59:54,950 --> 00:59:51,200

doing and no

1342

00:59:57,670 --> 00:59:54,960

members of the media are present

1343

00:59:59,510 --> 00:59:57,680

seemed strange to me and it still seems

1344

01:00:00,870 --> 00:59:59,520

strange to me

1345

01:00:03,510 --> 01:00:00,880

a lot of people

1346

01:00:05,990 --> 01:00:03,520

not me because i'm not one to go to this

1347

01:00:08,150 --> 01:00:06,000

explanation

1348

01:00:10,150 --> 01:00:08,160

uh very often or

1349

01:00:11,270 --> 01:00:10,160

especially not go to this explanation

1350

01:00:13,430 --> 01:00:11,280

quickly

1351

01:00:18,069 --> 01:00:13,440

but people started accusing

1352

01:00:21,670 --> 01:00:18,079

tom delong and his team of being a psyop

1353

01:00:25,109 --> 01:00:21,680

of the deep state to control the ufo

1354

01:00:30,150 --> 01:00:27,349

and some of these people were citing the

1355

01:00:32,390 --> 01:00:30,160

fact that they had this sort of fake

1356

01:00:33,349 --> 01:00:32,400

press conference

1357

01:00:37,829 --> 01:00:33,359

it was

1358

01:00:38,950 --> 01:00:37,839

definitely something like a staged event

1359

01:00:40,950 --> 01:00:38,960

which

1360

01:00:42,230 --> 01:00:40,960

i don't know myself i don't really blame

1361

01:00:43,670 --> 01:00:42,240

them for that if they wanted to get

1362

01:00:44,630 --> 01:00:43,680

attention

1363

01:00:46,710 --> 01:00:44,640

you know

1364

01:00:48,630 --> 01:00:46,720

gain media attention

1365

01:00:49,430 --> 01:00:48,640

get publicity

1366

01:00:52,630 --> 01:00:49,440

and

1367

01:00:54,950 --> 01:00:52,640

uh especially if they wanted to attract

1368

01:00:58,549 --> 01:00:54,960

investors because that was the point of

1369

01:01:00,230 --> 01:00:58,559

their sort of uh launching is to say hey

1370

01:01:02,309 --> 01:01:00,240

we're going to be this public company

1371

01:01:05,190 --> 01:01:02,319

and you can invest

1372

01:01:07,990 --> 01:01:05,200

then as for me i don't automatically

1373

01:01:10,549 --> 01:01:08,000

think because they staged that event

1374

01:01:13,750 --> 01:01:10,559

that it was uh some kind of government's

1375

01:01:17,430 --> 01:01:13,760

you know psychological operation a psyop

1376

01:01:21,750 --> 01:01:19,990

i did not think that i thought it was a

1377

01:01:23,750 --> 01:01:21,760

little strange that they staged the

1378

01:01:25,270 --> 01:01:23,760

event but i don't blame them for that

1379

01:01:27,990 --> 01:01:25,280

given that they were trying to get

1380

01:01:29,750 --> 01:01:28,000

publicity and especially attract

1381

01:01:31,510 --> 01:01:29,760

investment

1382

01:01:33,750 --> 01:01:31,520

from the public

1383

01:01:36,549 --> 01:01:33,760

gotta make it look big

1384

01:01:38,870 --> 01:01:36,559

the world is a stage my friend so i

1385

01:01:41,349 --> 01:01:38,880

don't blame them for that but i gotta

1386

01:01:43,190 --> 01:01:41,359

i would be uh

1387

01:01:45,589 --> 01:01:43,200

you know it would not be right if i

1388

01:01:48,390 --> 01:01:45,599

didn't mention that that's what i've got

1389

01:01:51,750 --> 01:01:48,400

emails from people like did you see this

1390

01:01:54,390 --> 01:01:51,760

fake psyop that tom delong is running

1391

01:01:57,029 --> 01:01:54,400

it's so staged and fake

1392

01:01:59,190 --> 01:01:57,039

it's got to be deep state

1393

01:02:00,630 --> 01:01:59,200

trying to control the ufos

1394

01:02:02,309 --> 01:02:00,640

narrative

1395

01:02:03,829 --> 01:02:02,319

control disclosure they're not going to

1396

01:02:06,470 --> 01:02:03,839

give us disclosure they're going to

1397

01:02:09,270 --> 01:02:06,480

control disclosure

1398

01:02:13,750 --> 01:02:09,280

and you know i withheld judgment i did

1399

01:02:18,950 --> 01:02:15,990

then it sort of gets revealed that they

1400

01:02:21,430 --> 01:02:18,960

used a picture of a mylar balloon in

1401

01:02:25,190 --> 01:02:21,440

that presentation that was

1402

01:02:26,870 --> 01:02:25,200

thoroughly debunked as yes this is

1403

01:02:29,589 --> 01:02:26,880

not a real ufo

1404

01:02:30,950 --> 01:02:29,599

certainly not alien in origin it was a

1405

01:02:34,150 --> 01:02:30,960

number one

1406

01:02:36,549 --> 01:02:34,160

silver mylar balloon

1407

01:02:38,549 --> 01:02:36,559

the kind you get at a dollar store

1408

01:02:41,190 --> 01:02:38,559

you know and i'm very familiar with

1409

01:02:43,910 --> 01:02:41,200

those because i have kids and i'm sure

1410

01:02:47,349 --> 01:02:43,920

that when my child was one we got the

1411

01:02:50,470 --> 01:02:47,359

almost exact same balloon a silver mylar

1412

01:02:52,710 --> 01:02:50,480

one helium balloon for his first

1413

01:02:54,470 --> 01:02:52,720

birthday party

1414

01:02:56,470 --> 01:02:54,480

you know but i have to be honest i

1415

01:02:58,870 --> 01:02:56,480

didn't recognize it as that i didn't

1416

01:03:01,270 --> 01:02:58,880

even know that they had used it until

1417

01:03:03,750 --> 01:03:01,280

someone else sort of caught them and

1418

01:03:05,109 --> 01:03:03,760

called the mail why are you using a

1419

01:03:07,270 --> 01:03:05,119

picture

1420

01:03:09,829 --> 01:03:07,280

of a fake ufo that's been debunked

1421

01:03:10,549 --> 01:03:09,839

thoroughly in your presentation calling

1422

01:03:16,870 --> 01:03:10,559

it

1423

01:03:17,829 --> 01:03:16,880

an unidentified aerial phenomenon craft

1424

01:03:20,549 --> 01:03:17,839

as

1425

01:03:25,430 --> 01:03:20,559

described in their

1426

01:03:30,630 --> 01:03:26,870

now

1427

01:03:32,950 --> 01:03:30,640

their response to this was i truly feel

1428

01:03:33,829 --> 01:03:32,960

inadequate

1429

01:03:35,750 --> 01:03:33,839

they

1430

01:03:38,230 --> 01:03:35,760

just sort of blew it off like was just

1431

01:03:41,190 --> 01:03:38,240

an error you know

1432

01:03:43,589 --> 01:03:41,200

but when you look at the fact that this

1433

01:03:46,950 --> 01:03:43,599

team that is supposed to be all working

1434

01:03:49,430 --> 01:03:46,960

on this thing is some of the most highly

1435

01:03:52,789 --> 01:03:49,440

intelligent and educated people

1436

01:03:55,430 --> 01:03:52,799

in you know the fields of

1437

01:03:58,870 --> 01:03:55,440

government intelligence in the fields of

1438

01:04:01,829 --> 01:03:58,880

the aerospace industry in the fields of

1439

01:04:05,750 --> 01:04:01,839

science like that is a tremendously

1440

01:04:07,750 --> 01:04:05,760

crazy mistake to make

1441

01:04:08,950 --> 01:04:07,760

when you're trying to be serious and

1442

01:04:11,349 --> 01:04:08,960

tell people that you're going to be a

1443

01:04:12,710 --> 01:04:11,359

scientific organization

1444

01:04:15,990 --> 01:04:12,720

and you're gonna

1445

01:04:19,750 --> 01:04:16,000

bring about ufo disclosure

1446

01:04:21,109 --> 01:04:19,760

it does not give people confidence that

1447

01:04:22,789 --> 01:04:21,119

apparently

1448

01:04:24,829 --> 01:04:22,799

all of these people were either too

1449

01:04:27,109 --> 01:04:24,839

careless too dumb

1450

01:04:30,470 --> 01:04:27,119

or simply

1451

01:04:33,589 --> 01:04:30,480

too unintelligent to know not to use a

1452

01:04:37,829 --> 01:04:33,599

fake picture of a fake ufo

1453

01:04:45,270 --> 01:04:40,710

people emailed me after that

1454

01:04:46,390 --> 01:04:45,280

saying see see see what a scam this is

1455

01:04:48,549 --> 01:04:46,400

they don't even know the difference

1456

01:04:49,829 --> 01:04:48,559

between a mylar balloon and a ufo how

1457

01:04:51,750 --> 01:04:49,839

are they going to bring us ufo

1458

01:04:52,870 --> 01:04:51,760

disclosure because i gotta tell you

1459

01:04:54,789 --> 01:04:52,880

early on

1460

01:04:56,390 --> 01:04:54,799

you know i was watching this closely and

1461

01:04:57,750 --> 01:04:56,400

everybody knew that i was kind of hoping

1462

01:04:59,109 --> 01:04:57,760

for the best

1463

01:05:01,109 --> 01:04:59,119

and i have to say that that big

1464

01:05:03,029 --> 01:05:01,119

announcement that tom delong kept saying

1465

01:05:04,630 --> 01:05:03,039

was going to be made i thought was going

1466

01:05:06,870 --> 01:05:04,640

to be some kind of proof

1467

01:05:08,710 --> 01:05:06,880

of disclosure some kind of

1468

01:05:11,270 --> 01:05:08,720

you know definite

1469

01:05:12,230 --> 01:05:11,280

undisputable proof of alien presence on

1470

01:05:13,829 --> 01:05:12,240

earth

1471

01:05:16,069 --> 01:05:13,839

i kind of thought he might have the

1472

01:05:18,069 --> 01:05:16,079

goods

1473

01:05:20,150 --> 01:05:18,079

strange as that may be

1474

01:05:23,270 --> 01:05:20,160

i did believe it for a little bit

1475

01:05:25,589 --> 01:05:23,280

because i thought this guy's really

1476

01:05:27,829 --> 01:05:25,599

really pushing that this major

1477

01:05:29,910 --> 01:05:27,839

announcement is going to happen

1478

01:05:31,670 --> 01:05:29,920

he must have something incredible or he

1479

01:05:33,190 --> 01:05:31,680

wouldn't be talking like this and then

1480

01:05:34,069 --> 01:05:33,200

we find out that the announcement is

1481

01:05:35,910 --> 01:05:34,079

just

1482

01:05:37,750 --> 01:05:35,920

here's this company i'm forming and you

1483

01:05:40,150 --> 01:05:37,760

can invest

1484

01:05:43,430 --> 01:05:40,160

to say that it was a bit of a letdown

1485

01:05:45,029 --> 01:05:43,440

for me would be an understatement

1486

01:05:47,910 --> 01:05:45,039

but to his credit

1487

01:05:49,670 --> 01:05:47,920

you know even with the balloon fiasco

1488

01:05:52,789 --> 01:05:49,680

i still said

1489

01:05:54,710 --> 01:05:52,799

good for him if he's following

1490

01:05:56,549 --> 01:05:54,720

you know his

1491

01:05:58,150 --> 01:05:56,559

bliss

1492

01:06:00,549 --> 01:05:58,160

if he's doing what

1493

01:06:02,470 --> 01:06:00,559

he wants to do

1494

01:06:04,470 --> 01:06:02,480

then good for him

1495

01:06:05,670 --> 01:06:04,480

can't lie if i had a whole bunch of

1496

01:06:07,829 --> 01:06:05,680

money

1497

01:06:09,670 --> 01:06:07,839

and a lot of time on my hands since i

1498

01:06:11,430 --> 01:06:09,680

you know sort of retired from being a

1499

01:06:12,710 --> 01:06:11,440

rock star i guess

1500

01:06:24,309 --> 01:06:12,720

i

1501

01:06:25,910 --> 01:06:24,319

so

1502

01:06:28,789 --> 01:06:25,920

you know i was disappointed in the

1503

01:06:31,430 --> 01:06:28,799

announcement i was disappointed in the

1504

01:06:33,750 --> 01:06:31,440

press conference thing because of the

1505

01:06:35,510 --> 01:06:33,760

staginess of it

1506

01:06:39,109 --> 01:06:35,520

i was disappointed that the announcement

1507

01:06:40,309 --> 01:06:39,119

wasn't something more substantial

1508

01:06:42,549 --> 01:06:40,319

and uh

1509

01:06:46,309 --> 01:06:42,559

i don't know i guess disappointment is

1510

01:06:47,589 --> 01:06:46,319

the key word when it comes to this thing

1511

01:06:49,910 --> 01:06:47,599

seems to be

1512

01:06:52,789 --> 01:06:49,920

a lot of let down a lot of hype and then

1513

01:06:54,390 --> 01:06:52,799

a big letdown

1514

01:06:56,710 --> 01:06:54,400

and that seems to be

1515

01:07:00,390 --> 01:06:56,720

part of the circus you know promise

1516

01:07:02,230 --> 01:07:00,400

promise promise and then under deliver

1517

01:07:03,990 --> 01:07:02,240

you know a long time ago i learned that

1518

01:07:06,470 --> 01:07:04,000

it's always best

1519

01:07:07,430 --> 01:07:06,480

in anything whether it's in

1520

01:07:09,349 --> 01:07:07,440

you know

1521

01:07:11,109 --> 01:07:09,359

relationships

1522

01:07:12,470 --> 01:07:11,119

family friends

1523

01:07:15,750 --> 01:07:12,480

business

1524

01:07:18,789 --> 01:07:15,760

in entertainment even it is always best

1525

01:07:21,029 --> 01:07:18,799

to under promise and over deliver

1526

01:07:23,109 --> 01:07:21,039

than to do the opposite if you hype too

1527

01:07:25,029 --> 01:07:23,119

much and then you

1528

01:07:26,230 --> 01:07:25,039

let people down

1529

01:07:30,069 --> 01:07:26,240

they

1530

01:07:32,309 --> 01:07:30,079

another chance right

1531

01:07:33,589 --> 01:07:32,319

you high pipe high pipe and then what

1532

01:07:35,750 --> 01:07:33,599

you deliver

1533

01:07:38,950 --> 01:07:35,760

is not up to the hype

1534

01:07:39,990 --> 01:07:38,960

people know you know they remember that

1535

01:07:44,549 --> 01:07:40,000

they feel

1536

01:07:47,510 --> 01:07:44,559

betrayed

1537

01:07:49,430 --> 01:07:47,520

because they believed in your hype

1538

01:07:52,630 --> 01:07:49,440

and then you don't deliver

1539

01:07:57,190 --> 01:07:52,640

or you i should say you under deliver

1540

01:07:58,789 --> 01:07:57,200

based on the level of hype that you had

1541

01:08:00,470 --> 01:07:58,799

and this is

1542

01:08:02,230 --> 01:08:00,480

sort of

1543

01:08:04,470 --> 01:08:02,240

i don't know it's kind of like the

1544

01:08:06,789 --> 01:08:04,480

pattern here like

1545

01:08:07,910 --> 01:08:06,799

we've got the goods no we don't we don't

1546

01:08:10,470 --> 01:08:07,920

really have the goods but we have this

1547

01:08:11,430 --> 01:08:10,480

little thing here

1548

01:08:13,510 --> 01:08:11,440

so

1549

01:08:15,990 --> 01:08:13,520

the next i would say

1550

01:08:18,709 --> 01:08:16,000

really big thing that made me question

1551
01:08:22,309 --> 01:08:18,719
everything about this organization and

1552
01:08:25,189 --> 01:08:22,319
tom delong himself was tom delong's

1553
01:08:28,390 --> 01:08:25,199
i would call it a disastrous appearance

1554
01:08:31,030 --> 01:08:28,400
on the joe rogan podcast

1555
01:08:32,309 --> 01:08:31,040
and listen i'm i'm being as polite as

1556
01:08:34,229 --> 01:08:32,319
possible

1557
01:08:36,870 --> 01:08:34,239
he really

1558
01:08:38,630 --> 01:08:36,880
that was a disaster folks him going on

1559
01:08:41,189 --> 01:08:38,640
joe rogan

1560
01:08:42,470 --> 01:08:41,199
and pulling up

1561
01:08:45,189 --> 01:08:42,480
a video

1562
01:08:49,110 --> 01:08:45,199
that was a hoax and a proven hoax

1563
01:08:50,630 --> 01:08:49,120

to show joe the proof of the tr-3b

1564

01:08:53,430 --> 01:08:50,640

is sort of

1565

01:08:57,669 --> 01:08:53,440

another big huge red flag and

1566

01:09:02,390 --> 01:08:59,669

many other people

1567

01:09:05,189 --> 01:09:02,400

also mocked him for

1568

01:09:07,749 --> 01:09:05,199

getting researcher of the year award

1569

01:09:09,269 --> 01:09:07,759

when no one was quite sure where any of

1570

01:09:11,349 --> 01:09:09,279

his research was

1571

01:09:13,349 --> 01:09:11,359

or what research he had done to get that

1572

01:09:16,470 --> 01:09:13,359

award

1573

01:09:17,910 --> 01:09:16,480

but that is a whole other story i guess

1574

01:09:22,470 --> 01:09:17,920

and it's just

1575

01:09:23,990 --> 01:09:22,480

you know listen any subculture and don't

1576

01:09:27,510 --> 01:09:24,000

don't

1577

01:09:30,070 --> 01:09:27,520

ever forget that the ufo thing is its

1578

01:09:32,390 --> 01:09:30,080

own subculture

1579

01:09:33,590 --> 01:09:32,400

every subculture i've ever been involved

1580

01:09:35,349 --> 01:09:33,600

in

1581

01:09:38,070 --> 01:09:35,359

you know had

1582

01:09:39,990 --> 01:09:38,080

this sort of

1583

01:09:41,669 --> 01:09:40,000

i can't even describe it but i guess

1584

01:09:44,789 --> 01:09:41,679

like

1585

01:09:48,149 --> 01:09:44,799

you know politics and nonsense

1586

01:09:51,430 --> 01:09:48,159

and uh let's give our friends a trophy

1587

01:09:53,590 --> 01:09:51,440

or a plaque right and honor them

1588

01:09:55,750 --> 01:09:53,600

and it's really just bootlicking and

1589

01:09:58,870 --> 01:09:55,760

it's just

1590

01:10:01,030 --> 01:09:58,880

that's just politics you know so why did

1591

01:10:03,270 --> 01:10:01,040

he get an award for being a researcher

1592

01:10:05,030 --> 01:10:03,280

of the year when nobody ever heard any

1593

01:10:06,149 --> 01:10:05,040

of his research or saw any of his

1594

01:10:07,270 --> 01:10:06,159

research

1595

01:10:08,790 --> 01:10:07,280

and

1596

01:10:11,590 --> 01:10:08,800

i think it's fair in saying that he

1597

01:10:15,030 --> 01:10:11,600

probably didn't do any research to get a

1598

01:10:17,189 --> 01:10:15,040

researcher of the year award

1599

01:10:18,070 --> 01:10:17,199

at least no published research

1600

01:10:21,830 --> 01:10:18,080

no

1601
01:10:23,189 --> 01:10:21,840
and say wow that was great research you

1602
01:10:25,669 --> 01:10:23,199
did tom delong

1603
01:10:27,430 --> 01:10:25,679
there's nothing there was nothing there

1604
01:10:29,430 --> 01:10:27,440
so why did he get an award for

1605
01:10:31,189 --> 01:10:29,440
researcher of the year

1606
01:10:33,830 --> 01:10:31,199
you know i think it's just boot licking

1607
01:10:35,590 --> 01:10:33,840
and politics

1608
01:10:37,750 --> 01:10:35,600
let's honor this guy because he's going

1609
01:10:40,310 --> 01:10:37,760
to be one of the big names in

1610
01:10:42,790 --> 01:10:40,320
so-called ufology now and we want to get

1611
01:10:46,550 --> 01:10:42,800
on his good side if you want the truth

1612
01:10:49,830 --> 01:10:48,070
and to be clear

1613
01:10:52,149 --> 01:10:49,840

i could care less about getting any kind

1614

01:10:53,510 --> 01:10:52,159

of award myself or anything that i do

1615

01:10:54,790 --> 01:10:53,520

here i've

1616

01:10:57,510 --> 01:10:54,800

long since

1617

01:11:00,229 --> 01:10:57,520

figured out that number one i'm probably

1618

01:11:03,750 --> 01:11:00,239

never gonna make any money doing this

1619

01:11:05,510 --> 01:11:03,760

uh and number two i'm not gonna you know

1620

01:11:08,470 --> 01:11:05,520

i'm not gonna be lining my walls with

1621

01:11:09,750 --> 01:11:08,480

accolades from my peers

1622

01:11:12,149 --> 01:11:09,760

for doing this

1623

01:11:15,270 --> 01:11:12,159

and i'm okay with that you know like i'm

1624

01:11:17,669 --> 01:11:15,280

very at peace with what i do i know what

1625

01:11:18,709 --> 01:11:17,679

it is that i do and how people receive

1626

01:11:21,189 --> 01:11:18,719

it

1627

01:11:25,110 --> 01:11:21,199

a lot of people really hate what i do

1628

01:11:26,950 --> 01:11:25,120

especially their fraud fake storytelling

1629

01:11:28,709 --> 01:11:26,960

fairy tale people

1630

01:11:30,870 --> 01:11:28,719

they don't want me out here

1631

01:11:32,470 --> 01:11:30,880

telling people the truth

1632

01:11:34,310 --> 01:11:32,480

fact checking them

1633

01:11:36,550 --> 01:11:34,320

they don't want me here

1634

01:11:38,950 --> 01:11:36,560

so you know listen i never won any

1635

01:11:40,709 --> 01:11:38,960

popularity contests in high school and

1636

01:11:42,950 --> 01:11:40,719

i'm certainly not going to win any

1637

01:11:45,910 --> 01:11:42,960

popularity contests with a bunch of ufo

1638

01:11:47,910 --> 01:11:45,920

dorks and i'm perfectly okay with that

1639

01:11:49,910 --> 01:11:47,920

i'm good so i don't want

1640

01:11:51,590 --> 01:11:49,920

i mean the reason i i'm talking about

1641

01:11:54,550 --> 01:11:51,600

this is i just don't want someone to

1642

01:11:56,709 --> 01:11:54,560

think that i'm jealous of tom delong

1643

01:11:59,189 --> 01:11:56,719

for winning a researcher of the year

1644

01:12:01,510 --> 01:11:59,199

award without doing any research

1645

01:12:04,709 --> 01:12:01,520

i'm not jealous one bit i do think it's

1646

01:12:06,310 --> 01:12:04,719

a little suspect that you know we can't

1647

01:12:08,470 --> 01:12:06,320

look at a book of his research that he

1648

01:12:10,470 --> 01:12:08,480

did that year for winning that award

1649

01:12:12,870 --> 01:12:10,480

i think it's interesting and i think

1650

01:12:15,750 --> 01:12:12,880

it's part of tom delong's circus it's

1651

01:12:18,390 --> 01:12:15,760

part of this crazy story and it's worthy

1652

01:12:19,990 --> 01:12:18,400

of talking about how do you get a

1653

01:12:24,070 --> 01:12:20,000

researcher a year award when you've

1654

01:12:27,669 --> 01:12:25,510

strange thing

1655

01:12:29,669 --> 01:12:27,679

and you know some people these fans of

1656

01:12:32,630 --> 01:12:29,679

theirs that come out attacking me like

1657

01:12:34,070 --> 01:12:32,640

crazy anytime i ask a question or raise

1658

01:12:36,070 --> 01:12:34,080

a concern

1659

01:12:37,990 --> 01:12:36,080

you know i've heard people say like

1660

01:12:41,270 --> 01:12:38,000

tom's heart's in the right place and he

1661

01:12:42,070 --> 01:12:41,280

knows so much about this whole field and

1662

01:12:45,990 --> 01:12:42,080

like

1663

01:12:49,030 --> 01:12:46,000

i'm sorry no he doesn't if he knew a lot

1664

01:12:51,830 --> 01:12:49,040

about this field he wouldn't have okayed

1665

01:12:54,070 --> 01:12:51,840

or stood up there on a stage while a

1666

01:12:55,430 --> 01:12:54,080

fake ufo picture was being used to

1667

01:12:57,430 --> 01:12:55,440

represent an

1668

01:12:59,990 --> 01:12:57,440

what they're calling an unidentified

1669

01:13:01,910 --> 01:13:00,000

aerial phenomenon in one of their

1670

01:13:04,630 --> 01:13:01,920

released videos

1671

01:13:06,470 --> 01:13:04,640

and he wouldn't go on a podcast

1672

01:13:08,790 --> 01:13:06,480

and when joe rogan asked for proof of

1673

01:13:09,910 --> 01:13:08,800

the tr3b pull up

1674

01:13:12,550 --> 01:13:09,920

a proven

1675

01:13:14,310 --> 01:13:12,560

fake fraud video

1676

01:13:15,350 --> 01:13:14,320

made by a hoax

1677

01:13:18,630 --> 01:13:15,360

person

1678

01:13:20,310 --> 01:13:18,640

of a supposed tr3b craft and show it to

1679

01:13:23,910 --> 01:13:20,320

joe rogan and say see there's the

1680

01:13:27,669 --> 01:13:23,920

smoking gun proof look at this video

1681

01:13:29,590 --> 01:13:27,679

joe rogan famously when he saw this said

1682

01:13:31,430 --> 01:13:29,600

if this was a movie i think i'd want my

1683

01:13:34,709 --> 01:13:31,440

money back he

1684

01:13:37,350 --> 01:13:34,719

even joe rogan instantly recognized it

1685

01:13:40,229 --> 01:13:37,360

as a complete and total fake

1686

01:13:42,390 --> 01:13:40,239

and you know joe rogan's

1687

01:13:44,790 --> 01:13:42,400

a great guy but i don't think he's that

1688

01:13:46,709 --> 01:13:44,800

incredibly well read and researched into

1689

01:13:49,510 --> 01:13:46,719

the whole topic he's definitely

1690

01:13:52,630 --> 01:13:49,520

interested in it but

1691

01:13:55,430 --> 01:13:52,640

he instantly recognized this is fake

1692

01:13:57,590 --> 01:13:55,440

and here tom delong is

1693

01:14:00,550 --> 01:13:57,600

thinking that's real proof that's real

1694

01:14:01,430 --> 01:14:00,560

evidence it's a hoax video folks

1695

01:14:03,669 --> 01:14:01,440

and it's

1696

01:14:06,790 --> 01:14:03,679

you know honestly when he when he went

1697

01:14:10,070 --> 01:14:06,800

on joe rogan i felt terrible for him i

1698

01:14:12,149 --> 01:14:10,080

did i'm human i have empathy for him

1699

01:14:15,270 --> 01:14:12,159

and i kind of thought look if he's

1700

01:14:17,430 --> 01:14:15,280

really trying to do this he just

1701
01:14:20,149 --> 01:14:17,440
you know shot himself in the foot on joe

1702
01:14:21,669 --> 01:14:20,159
rogan in front of millions of people and

1703
01:14:22,630 --> 01:14:21,679
looked

1704
01:14:26,149 --> 01:14:22,640
very

1705
01:14:29,350 --> 01:14:26,159
uninformed and looked

1706
01:14:33,189 --> 01:14:29,360
not like the ufo messiah he has been

1707
01:14:35,110 --> 01:14:33,199
trying to portray himself as

1708
01:14:36,950 --> 01:14:35,120
this is the guy that's going to bring us

1709
01:14:38,870 --> 01:14:36,960
government disclosure a guy who can't

1710
01:14:41,189 --> 01:14:38,880
tell the difference between a fake video

1711
01:14:43,830 --> 01:14:41,199
and a real video

1712
01:14:48,070 --> 01:14:43,840
the guy who never took the time to look

1713
01:14:50,709 --> 01:14:48,080

into that video before showing it to

1714

01:14:52,709 --> 01:14:50,719

the biggest podcaster in the world and

1715

01:14:55,110 --> 01:14:52,719

going on a show and showing it to

1716

01:14:56,550 --> 01:14:55,120

millions and millions of viewers as

1717

01:14:59,030 --> 01:14:56,560

proof of

1718

01:15:00,709 --> 01:14:59,040

this tr-3b

1719

01:15:02,470 --> 01:15:00,719

now folks

1720

01:15:04,310 --> 01:15:02,480

he should have known better he shouldn't

1721

01:15:07,430 --> 01:15:04,320

have done that but like i said

1722

01:15:09,350 --> 01:15:07,440

i felt bad for him and i thought

1723

01:15:11,110 --> 01:15:09,360

you know what i thought right after that

1724

01:15:13,350 --> 01:15:11,120

show

1725

01:15:15,030 --> 01:15:13,360

what i thought would happen is exactly

1726

01:15:17,270 --> 01:15:15,040

what happened

1727

01:15:19,750 --> 01:15:17,280

tom delong was forced to pull back from

1728

01:15:21,750 --> 01:15:19,760

the public spotlight not talk so much

1729

01:15:24,950 --> 01:15:21,760

certainly not continue the rounds going

1730

01:15:26,870 --> 01:15:24,960

on shows trying to promote tsa

1731

01:15:29,030 --> 01:15:26,880

if i had to guess i would think someone

1732

01:15:30,550 --> 01:15:29,040

within their organization pulled him

1733

01:15:32,390 --> 01:15:30,560

aside and said

1734

01:15:34,390 --> 01:15:32,400

you just shot yourself and all of us in

1735

01:15:36,870 --> 01:15:34,400

the foot here you can't go on any more

1736

01:15:37,590 --> 01:15:36,880

shows until we straighten this out until

1737

01:15:39,270 --> 01:15:37,600

we

1738

01:15:40,390 --> 01:15:39,280

sort of i don't know

1739

01:15:42,470 --> 01:15:40,400

that maybe

1740

01:15:44,870 --> 01:15:42,480

everybody's telling me that he's got

1741

01:15:47,189 --> 01:15:44,880

handlers right whatever that means does

1742

01:15:48,709 --> 01:15:47,199

that mean government people

1743

01:15:50,390 --> 01:15:48,719

he's the one saying that he's got all

1744

01:15:52,390 --> 01:15:50,400

these government contacts people are

1745

01:15:54,310 --> 01:15:52,400

saying he's got handlers and that the

1746

01:15:57,189 --> 01:15:54,320

handlers pulled him back

1747

01:15:57,990 --> 01:15:57,199

and said look you can't go do that again

1748

01:16:00,709 --> 01:15:58,000

and

1749

01:16:02,709 --> 01:16:00,719

you know honestly if anybody within his

1750

01:16:04,550 --> 01:16:02,719

organization did that i wouldn't i

1751

01:16:08,149 --> 01:16:04,560

wouldn't blame them if they're trying to

1752

01:16:10,470 --> 01:16:08,159

get investors and the so-called head of

1753

01:16:15,110 --> 01:16:10,480

your organization goes on a podcast and

1754

01:16:19,110 --> 01:16:17,110

doesn't look good for your organization

1755

01:16:20,630 --> 01:16:19,120

it's not going to attract

1756

01:16:24,310 --> 01:16:20,640

investors and it's not going to give

1757

01:16:25,830 --> 01:16:24,320

people confidence in your so-called

1758

01:16:27,110 --> 01:16:25,840

mission

1759

01:16:29,350 --> 01:16:27,120

you know

1760

01:16:31,350 --> 01:16:29,360

which brings me to another point

1761

01:16:32,950 --> 01:16:31,360

a few people have asked me

1762

01:16:34,550 --> 01:16:32,960

what is their what is their mission

1763

01:16:35,910 --> 01:16:34,560

statement like what are they trying to

1764

01:16:37,430 --> 01:16:35,920

accomplish

1765

01:16:38,630 --> 01:16:37,440

well you can

1766

01:16:40,709 --> 01:16:38,640

go and

1767

01:16:43,030 --> 01:16:40,719

listen to that original

1768

01:16:44,630 --> 01:16:43,040

sort of

1769

01:16:45,990 --> 01:16:44,640

i don't know uh

1770

01:16:48,070 --> 01:16:46,000

you know this

1771

01:16:50,630 --> 01:16:48,080

press conference announcement thing they

1772

01:16:51,910 --> 01:16:50,640

did and and sort of get an idea of what

1773

01:16:53,990 --> 01:16:51,920

they're trying to do

1774

01:16:55,910 --> 01:16:54,000

they apparently want to get into many

1775

01:16:58,870 --> 01:16:55,920

things entertainment they want to get

1776
01:17:01,910 --> 01:16:58,880
into building spacecraft and researching

1777
01:17:04,950 --> 01:17:01,920
anti-gravity and they want to get into

1778
01:17:06,470 --> 01:17:04,960
researching supposed ufo crash

1779
01:17:07,830 --> 01:17:06,480
materials

1780
01:17:09,189 --> 01:17:07,840
and

1781
01:17:12,550 --> 01:17:09,199
books

1782
01:17:15,270 --> 01:17:12,560
tv shows movies documentaries

1783
01:17:18,709 --> 01:17:15,280
i mean it's a tall order

1784
01:17:19,590 --> 01:17:18,719
so part of me forgives them for any kind

1785
01:17:21,990 --> 01:17:19,600
of

1786
01:17:25,030 --> 01:17:22,000
embarrassing things that they've done to

1787
01:17:26,470 --> 01:17:25,040
embarrass themselves really

1788
01:17:28,310 --> 01:17:26,480

because

1789

01:17:30,709 --> 01:17:28,320

i guess the

1790

01:17:31,990 --> 01:17:30,719

mission that they have is a daunting one

1791

01:17:33,510 --> 01:17:32,000

i wouldn't want to be in charge of

1792

01:17:36,790 --> 01:17:33,520

something like that

1793

01:17:37,830 --> 01:17:36,800

quite honestly uh that is

1794

01:17:39,910 --> 01:17:37,840

you know i don't want to say it's a

1795

01:17:40,709 --> 01:17:39,920

fool's mission but it is

1796

01:17:42,709 --> 01:17:40,719

to

1797

01:17:44,310 --> 01:17:42,719

juggle all those balls do all those

1798

01:17:46,229 --> 01:17:44,320

things

1799

01:17:49,270 --> 01:17:46,239

and again we get back to the point of

1800

01:17:50,390 --> 01:17:49,280

over hyping and under delivering

1801

01:17:51,510 --> 01:17:50,400

so far

1802

01:17:53,189 --> 01:17:51,520

they're saying they're gonna do all

1803

01:17:55,270 --> 01:17:53,199

these things and what we get is a

1804

01:17:56,149 --> 01:17:55,280

history channel documentary that took i

1805

01:17:58,470 --> 01:17:56,159

don't know

1806

01:18:00,149 --> 01:17:58,480

a year or two to produce six

1807

01:18:02,310 --> 01:18:00,159

episodes of

1808

01:18:05,669 --> 01:18:02,320

and and a book from tom de long written

1809

01:18:08,070 --> 01:18:05,679

by him and a co-author and

1810

01:18:12,470 --> 01:18:08,080

that's pretty much all we've gotten

1811

01:18:15,270 --> 01:18:12,480

as far as output from his company

1812

01:18:17,669 --> 01:18:15,280

and to me that is definitely over hyping

1813

01:18:19,510 --> 01:18:17,679

and under delivering now maybe they

1814

01:18:21,750 --> 01:18:19,520

should have been more clear in their

1815

01:18:23,750 --> 01:18:21,760

announcements of their plans and say

1816

01:18:26,310 --> 01:18:23,760

like hey this might take 10 years but

1817

01:18:28,229 --> 01:18:26,320

we're going to slowly you know we're

1818

01:18:30,149 --> 01:18:28,239

going to slowly work on

1819

01:18:32,310 --> 01:18:30,159

this project or that project and try to

1820

01:18:33,990 --> 01:18:32,320

get these things going i'd be a little

1821

01:18:35,350 --> 01:18:34,000

more forgiving of the fact that they

1822

01:18:36,790 --> 01:18:35,360

promised

1823

01:18:38,550 --> 01:18:36,800

or at least announced they were going to

1824

01:18:41,030 --> 01:18:38,560

do all these things and then

1825

01:18:44,070 --> 01:18:41,040

their output was actually

1826

01:18:48,709 --> 01:18:47,110

and not to make light of uh you know the

1827

01:18:50,149 --> 01:18:48,719

accomplishments that they have had

1828

01:18:52,390 --> 01:18:50,159

because hey

1829

01:18:55,030 --> 01:18:52,400

i know for a fact producing a television

1830

01:18:57,510 --> 01:18:55,040

show is no small task and that takes a

1831

01:18:59,510 --> 01:18:57,520

tremendous amount of time energy

1832

01:19:01,430 --> 01:18:59,520

dedication and money

1833

01:19:03,669 --> 01:19:01,440

you're not doing uh you're not doing a

1834

01:19:05,189 --> 01:19:03,679

television show on a budget of zero with

1835

01:19:07,030 --> 01:19:05,199

uh you know

1836

01:19:09,110 --> 01:19:07,040

you and your buddies

1837

01:19:11,270 --> 01:19:09,120

uh it just it's well you can but it's

1838

01:19:12,550 --> 01:19:11,280

gonna look like you know you and your

1839

01:19:14,630 --> 01:19:12,560

buddies

1840

01:19:16,470 --> 01:19:14,640

did it on a budget of nothing into their

1841

01:19:19,590 --> 01:19:16,480

credit the television show

1842

01:19:21,750 --> 01:19:19,600

i'm not a fan i watched it uh

1843

01:19:23,990 --> 01:19:21,760

again i i think we can go back to the

1844

01:19:26,470 --> 01:19:24,000

over promise and under deliver

1845

01:19:28,149 --> 01:19:26,480

i i think they did in the case of this

1846

01:19:29,110 --> 01:19:28,159

television show

1847

01:19:30,709 --> 01:19:29,120

uh

1848

01:19:33,350 --> 01:19:30,719

definitely over promise and under

1849

01:19:35,030 --> 01:19:33,360

deliver there's pretty much nothing new

1850

01:19:37,110 --> 01:19:35,040

in the entire show that we didn't

1851
01:19:39,350 --> 01:19:37,120
already know before the television show

1852
01:19:42,070 --> 01:19:39,360
started hearing

1853
01:19:43,590 --> 01:19:42,080
and you know i keep hearing this defense

1854
01:19:45,270 --> 01:19:43,600
of them by

1855
01:19:46,870 --> 01:19:45,280
many many people who say like well

1856
01:19:49,510 --> 01:19:46,880
you're missing the point because this is

1857
01:19:51,910 --> 01:19:49,520
not for people interested in ufos this

1858
01:19:54,310 --> 01:19:51,920
is for the general public

1859
01:19:56,310 --> 01:19:54,320
i don't know folks

1860
01:19:57,510 --> 01:19:56,320
i don't know many members of the general

1861
01:19:58,390 --> 01:19:57,520
public

1862
01:20:01,510 --> 01:19:58,400
who

1863
01:20:04,390 --> 01:20:01,520

will go hey there's a ufo show on the

1864

01:20:06,870 --> 01:20:04,400

history channel i should watch that

1865

01:20:09,750 --> 01:20:06,880

no folks it's people that are interested

1866

01:20:11,510 --> 01:20:09,760

in ufos that say hey there's a ufo show

1867

01:20:12,390 --> 01:20:11,520

on the history channel i'm gonna watch

1868

01:20:14,390 --> 01:20:12,400

that

1869

01:20:16,870 --> 01:20:14,400

so this argument

1870

01:20:18,629 --> 01:20:16,880

constantly i hear it constantly over and

1871

01:20:20,390 --> 01:20:18,639

over and over again

1872

01:20:22,470 --> 01:20:20,400

people say well this isn't for the ufo

1873

01:20:24,470 --> 01:20:22,480

community this is for

1874

01:20:26,229 --> 01:20:24,480

you know the general public to become

1875

01:20:27,510 --> 01:20:26,239

interested and acclimated to these

1876

01:20:29,430 --> 01:20:27,520

things

1877

01:20:31,430 --> 01:20:29,440

and that's you know almost another

1878

01:20:34,149 --> 01:20:31,440

fallacy that's being pushed that they're

1879

01:20:36,229 --> 01:20:34,159

somehow getting the public ready for

1880

01:20:38,149 --> 01:20:36,239

the government disclosure that's coming

1881

01:20:40,790 --> 01:20:38,159

any day and hey

1882

01:20:44,070 --> 01:20:40,800

if that's true and i find out later how

1883

01:20:46,390 --> 01:20:44,080

wrong i am about this organization their

1884

01:20:49,189 --> 01:20:46,400

mission and and their future

1885

01:20:51,669 --> 01:20:49,199

accomplishments i my friends will be the

1886

01:20:54,470 --> 01:20:51,679

first person i will shake tom funk's

1887

01:20:57,910 --> 01:20:54,480

hand thank him for bringing about ufo

1888

01:20:59,350 --> 01:20:57,920

disclosure and apologize to his face

1889

01:21:00,550 --> 01:20:59,360

because i'm a man

1890

01:21:03,270 --> 01:21:00,560

and i would

1891

01:21:07,669 --> 01:21:03,280

certainly be willing to apologize if i

1892

01:21:11,510 --> 01:21:09,590

am i wrong

1893

01:21:13,430 --> 01:21:11,520

well folks i guess we're gonna have to

1894

01:21:14,790 --> 01:21:13,440

wait and see what happens

1895

01:21:17,030 --> 01:21:14,800

but so far

1896

01:21:20,470 --> 01:21:17,040

everything i've seen about what i call

1897

01:21:22,149 --> 01:21:20,480

this tsa tom delong circus

1898

01:21:23,750 --> 01:21:22,159

doesn't look good

1899

01:21:26,470 --> 01:21:23,760

it just doesn't

1900

01:21:28,310 --> 01:21:26,480

it doesn't look good and like i said

1901

01:21:30,550 --> 01:21:28,320

there are many many people saying that

1902

01:21:32,550 --> 01:21:30,560

this is a

1903

01:21:35,189 --> 01:21:32,560

government operation

1904

01:21:37,669 --> 01:21:35,199

or cia run

1905

01:21:39,510 --> 01:21:37,679

operation

1906

01:21:41,270 --> 01:21:39,520

and if that's true

1907

01:21:44,470 --> 01:21:41,280

boy isn't that that's even a better

1908

01:21:45,270 --> 01:21:44,480

story see the story has many layers

1909

01:21:48,870 --> 01:21:45,280

and

1910

01:21:50,149 --> 01:21:48,880

i can't help but be interested in it

1911

01:21:52,709 --> 01:21:50,159

whether

1912

01:21:56,070 --> 01:21:52,719

i'm right and it's just a circus

1913

01:21:58,310 --> 01:21:56,080

designed to draw in circus goers who are

1914

01:22:00,070 --> 01:21:58,320

going to pay for their circus tickets

1915

01:22:01,830 --> 01:22:00,080

and make a lot of money

1916

01:22:05,910 --> 01:22:01,840

or these other people are right and this

1917

01:22:07,830 --> 01:22:05,920

is some kind of cia disinformation group

1918

01:22:10,790 --> 01:22:07,840

out there

1919

01:22:13,110 --> 01:22:10,800

for one reason or another i mean

1920

01:22:15,510 --> 01:22:13,120

when i think about this being some kind

1921

01:22:17,669 --> 01:22:15,520

of government funded government-run

1922

01:22:19,430 --> 01:22:17,679

organization

1923

01:22:22,149 --> 01:22:19,440

i have a whole lot of questions like

1924

01:22:23,110 --> 01:22:22,159

what would the motive for that be

1925

01:22:24,950 --> 01:22:23,120

are they

1926

01:22:27,350 --> 01:22:24,960

you know some people

1927

01:22:28,550 --> 01:22:27,360

told me well

1928

01:22:32,790 --> 01:22:28,560

if you

1929

01:22:35,189 --> 01:22:32,800

remember what verna brahm von braun said

1930

01:22:39,110 --> 01:22:35,199

that you know they're gonna do a false

1931

01:22:42,790 --> 01:22:39,120

flag alien invasion and

1932

01:22:46,070 --> 01:22:42,800

that will be the way that

1933

01:22:48,070 --> 01:22:46,080

the powers that be maintain control

1934

01:22:49,750 --> 01:22:48,080

and get a one world government and be

1935

01:22:52,310 --> 01:22:49,760

able to control all of us because

1936

01:22:54,310 --> 01:22:52,320

they're gonna fake an alien threat i

1937

01:22:55,750 --> 01:22:54,320

mean it's a little far-fetched friends

1938

01:22:58,149 --> 01:22:55,760

to think that

1939

01:23:00,629 --> 01:22:58,159

that's really gonna happen so the cia

1940

01:23:03,590 --> 01:23:00,639

put former rock star tom de long in

1941

01:23:06,229 --> 01:23:03,600

charge of a bunch of government agents

1942

01:23:08,550 --> 01:23:06,239

to prepare us for this fake alien

1943

01:23:09,430 --> 01:23:08,560

invasion that's gonna come

1944

01:23:12,709 --> 01:23:09,440

but

1945

01:23:14,629 --> 01:23:12,719

i gotta tell you as crazy as that sounds

1946

01:23:16,790 --> 01:23:14,639

a fake alien invasion you know with

1947

01:23:18,390 --> 01:23:16,800

holograms people have told me it's gonna

1948

01:23:20,709 --> 01:23:18,400

happen with holograms folks they're

1949

01:23:22,470 --> 01:23:20,719

gonna project holograms big alien

1950

01:23:23,990 --> 01:23:22,480

spaceships into the sky and all the

1951

01:23:25,669 --> 01:23:24,000

major cities and we're all going to be

1952

01:23:29,030 --> 01:23:25,679

convinced that aliens are coming to

1953

01:23:30,310 --> 01:23:29,040

earth to destroy us all

1954

01:23:34,149 --> 01:23:30,320

folks

1955

01:23:36,950 --> 01:23:34,159

as crazy as i think that whole idea is i

1956

01:23:40,070 --> 01:23:36,960

gotta tell you because of von braun and

1957

01:23:42,470 --> 01:23:40,080

what he said i would be very suspect if

1958

01:23:44,390 --> 01:23:42,480

there was suddenly an alien invasion i'd

1959

01:23:46,790 --> 01:23:44,400

want to be sure that this was really a

1960

01:23:48,470 --> 01:23:46,800

real alien invasion before i would start

1961

01:23:51,430 --> 01:23:48,480

panicking and

1962

01:23:54,870 --> 01:23:51,440

especially before i would start trusting

1963

01:23:57,270 --> 01:23:54,880

the government to do something about it

1964

01:23:58,390 --> 01:23:57,280

uh yeah

1965

01:24:03,510 --> 01:23:58,400

i mean

1966

01:24:06,229 --> 01:24:03,520

would be one hell of a false flag event

1967

01:24:07,990 --> 01:24:06,239

if something like that happened and

1968

01:24:10,709 --> 01:24:08,000

you know i have a lot of friends and

1969

01:24:12,149 --> 01:24:10,719

they point to this project moon beam you

1970

01:24:15,110 --> 01:24:12,159

can look it up

1971

01:24:19,110 --> 01:24:15,120

it has to do with holograms and people

1972

01:24:20,870 --> 01:24:19,120

say that they tested it on 911 and

1973

01:24:23,030 --> 01:24:20,880

i don't know folks

1974

01:24:25,189 --> 01:24:23,040

see i believe that the problem with

1975

01:24:27,910 --> 01:24:25,199

people that are into conspiracy theories

1976

01:24:30,229 --> 01:24:27,920

if you really think about it and and hey

1977

01:24:31,910 --> 01:24:30,239

i gotta admit i'm probably one of them

1978

01:24:34,149 --> 01:24:31,920

but the problem with people that are

1979

01:24:36,470 --> 01:24:34,159

into all these conspiracy theories is

1980

01:24:38,229 --> 01:24:36,480

that they see that everything is a

1981

01:24:44,470 --> 01:24:38,239

conspiracy

1982

01:24:46,790 --> 01:24:44,480

got mk ultra they're trying to control

1983

01:24:49,750 --> 01:24:46,800

our minds with cell phone

1984

01:24:52,310 --> 01:24:49,760

towers and you know we've got harp and

1985

01:24:53,830 --> 01:24:52,320

we've got you know weather modification

1986

01:24:56,390 --> 01:24:53,840

and

1987

01:24:59,350 --> 01:24:56,400

folks it gets it just gets crazy you

1988

01:25:01,110 --> 01:24:59,360

know to me you know i love conspiracy

1989

01:25:03,990 --> 01:25:01,120

theory stuff i can't

1990

01:25:05,990 --> 01:25:04,000

i can't deny that i love it but i'm a

1991

01:25:07,990 --> 01:25:06,000

little bit more grounded

1992

01:25:10,390 --> 01:25:08,000

and i want to see actual proof and

1993

01:25:11,750 --> 01:25:10,400

evidence of these things so when people

1994

01:25:14,310 --> 01:25:11,760

run around saying that they're a

1995

01:25:17,510 --> 01:25:14,320

government psyop or they're a cia

1996

01:25:19,270 --> 01:25:17,520

controlled disinformation front

1997

01:25:20,550 --> 01:25:19,280

you know i want to see the evidence of

1998

01:25:27,430 --> 01:25:20,560

that

1999

01:25:30,310 --> 01:25:27,440

if you look into the members of this

2000

01:25:31,990 --> 01:25:30,320

ttsa organization it's very easy to

2001

01:25:33,990 --> 01:25:32,000

believe that this is some kind of

2002

01:25:36,470 --> 01:25:34,000

government disinformation campaign

2003

01:25:38,470 --> 01:25:36,480

because the organization is filled with

2004

01:25:41,430 --> 01:25:38,480

former intelligence people and i have to

2005

01:25:44,070 --> 01:25:41,440

tell you that intelligence people lie

2006

01:25:46,390 --> 01:25:44,080

for a living folks that's what they do

2007

01:25:49,430 --> 01:25:46,400

they lie for a living for years and

2008

01:25:50,390 --> 01:25:49,440

years and years like a magician which i

2009

01:25:55,350 --> 01:25:50,400

can't

2010

01:25:57,990 --> 01:25:55,360

that's their job to lie

2011

01:26:01,590 --> 01:25:58,000

the exact same way it's a magician's job

2012

01:26:04,950 --> 01:26:03,830

beautifully see i think that's the

2013

01:26:07,669 --> 01:26:04,960

difference

2014

01:26:09,990 --> 01:26:07,679

a magician will lie to you beautifully

2015

01:26:12,950 --> 01:26:10,000

and and show you

2016

01:26:15,510 --> 01:26:12,960

something beautifully deceptive

2017

01:26:17,750 --> 01:26:15,520

but you know it's deception and you know

2018

01:26:20,229 --> 01:26:17,760

it's not real

2019

01:26:23,669 --> 01:26:20,239

where you know intelligence officers and

2020

01:26:25,350 --> 01:26:23,679

cia people they lie

2021

01:26:27,430 --> 01:26:25,360

i don't know

2022

01:26:29,510 --> 01:26:27,440

they lie supposedly

2023

01:26:31,270 --> 01:26:29,520

in the in the

2024

01:26:32,629 --> 01:26:31,280

national security interests of our

2025

01:26:34,950 --> 01:26:32,639

country

2026

01:26:36,950 --> 01:26:34,960

but i don't always believe that because

2027

01:26:39,910 --> 01:26:36,960

there's been a lot of false flag events

2028

01:26:43,189 --> 01:26:39,920

that the cia was up to their eyeballs in

2029

01:26:46,390 --> 01:26:43,199

especially things like the gulf war and

2030

01:26:50,070 --> 01:26:48,470

i just have no trust of government

2031

01:26:53,030 --> 01:26:50,080

people

2032

01:26:54,790 --> 01:26:53,040

especially former government operatives

2033

01:27:00,229 --> 01:26:54,800

former government

2034

01:27:02,629 --> 01:27:00,239

officers especially

2035

01:27:05,270 --> 01:27:02,639

i have no trust in those people

2036

01:27:09,270 --> 01:27:05,280

and i'm very suspect of them and you

2037

01:27:12,149 --> 01:27:09,280

should be too because of things like

2038

01:27:17,030 --> 01:27:12,159

the gulf of tonkin and the persian gulf

2039

01:27:21,990 --> 01:27:19,990

it's good to be skeptical

2040

01:27:27,510 --> 01:27:22,000

now

2041

01:27:29,110 --> 01:27:27,520

the theories uh are either

2042

01:27:31,189 --> 01:27:29,120

the theories that are going around these

2043

01:27:33,110 --> 01:27:31,199

aren't all my theories i i've told you

2044

01:27:36,070 --> 01:27:33,120

what i believe this is just tom belong

2045

01:27:38,390 --> 01:27:36,080

running a circus to sell circus tickets

2046

01:27:40,390 --> 01:27:38,400

and make a lot of money

2047

01:27:43,270 --> 01:27:40,400

that's the best guess that i have right

2048

01:27:45,750 --> 01:27:43,280

now and again if i'm wrong i'll shake

2049

01:27:47,350 --> 01:27:45,760

his hand and apologize

2050

01:27:49,110 --> 01:27:47,360

and time will tell

2051
01:27:51,110 --> 01:27:49,120
the other theory is that this is some

2052
01:27:53,510 --> 01:27:51,120
sort of government disinformation

2053
01:27:54,950 --> 01:27:53,520
campaign designed to get us ready for

2054
01:27:57,350 --> 01:27:54,960
something or

2055
01:27:58,830 --> 01:27:57,360
to control

2056
01:28:01,669 --> 01:27:58,840
the ufo

2057
01:28:03,830 --> 01:28:01,679
disclosure i don't know that i buy that

2058
01:28:06,790 --> 01:28:03,840
but it's easy like i said to believe

2059
01:28:08,629 --> 01:28:06,800
that when that whole organization is

2060
01:28:09,910 --> 01:28:08,639
filled with people

2061
01:28:12,629 --> 01:28:09,920
that are

2062
01:28:13,590 --> 01:28:12,639
government agents or former government

2063
01:28:15,590 --> 01:28:13,600

agents

2064

01:28:17,669 --> 01:28:15,600

and i gotta tell you ask anybody that's

2065

01:28:19,189 --> 01:28:17,679

been an intelligence officer

2066

01:28:21,830 --> 01:28:19,199

when you leave

2067

01:28:24,790 --> 01:28:21,840

you kind of maintain your contacts you

2068

01:28:28,470 --> 01:28:24,800

don't really ever leave the cia ask

2069

01:28:30,629 --> 01:28:28,480

anybody that has actually been a member

2070

01:28:32,870 --> 01:28:30,639

of an intelligence organization like the

2071

01:28:34,390 --> 01:28:32,880

dia or the cia

2072

01:28:36,470 --> 01:28:34,400

you can retire

2073

01:28:38,950 --> 01:28:36,480

you can quit

2074

01:28:40,550 --> 01:28:38,960

but you never truly get out

2075

01:28:42,790 --> 01:28:40,560

not really

2076

01:28:44,310 --> 01:28:42,800

so that of course gives me some concerns

2077

01:28:47,270 --> 01:28:44,320

and one of the other things that gives

2078

01:28:49,750 --> 01:28:47,280

me an incredible amount of concern

2079

01:28:52,950 --> 01:28:49,760

is one of their team members

2080

01:28:54,390 --> 01:28:52,960

one dr hal put off

2081

01:28:57,189 --> 01:28:54,400

uh

2082

01:28:59,030 --> 01:28:57,199

who i have to say that i sort of

2083

01:29:01,110 --> 01:28:59,040

followed for a while because he's been

2084

01:29:02,790 --> 01:29:01,120

involved in all kinds of paranormal

2085

01:29:04,070 --> 01:29:02,800

research

2086

01:29:06,870 --> 01:29:04,080

but

2087

01:29:08,310 --> 01:29:06,880

the reason that i think dr puthoff is

2088

01:29:11,990 --> 01:29:08,320

not credible

2089

01:29:14,470 --> 01:29:12,000

or believable or worthy of being taken

2090

01:29:15,750 --> 01:29:14,480

seriously is because

2091

01:29:18,790 --> 01:29:15,760

this man

2092

01:29:20,950 --> 01:29:18,800

sort of certified that one uri geller

2093

01:29:23,110 --> 01:29:20,960

had supernatural powers

2094

01:29:24,870 --> 01:29:23,120

and i have to tell you folks

2095

01:29:26,149 --> 01:29:24,880

that uri geller

2096

01:29:27,510 --> 01:29:26,159

is

2097

01:29:29,430 --> 01:29:27,520

not a psychic

2098

01:29:32,629 --> 01:29:29,440

he was a stage magician before he

2099

01:29:36,070 --> 01:29:32,639

decided to play fake psychic in israel

2100

01:29:38,550 --> 01:29:36,080

before his career as a spoon bending

2101

01:29:41,189 --> 01:29:38,560

uh you know fake psychic

2102

01:29:41,199 --> 01:29:43,669

and

2103

01:29:47,990 --> 01:29:45,910

rorry geller was studied by this doctor

2104

01:29:49,830 --> 01:29:48,000

put off dr putoff yeah he's got

2105

01:29:51,590 --> 01:29:49,840

supernatural powers we don't know how

2106

01:29:53,030 --> 01:29:51,600

he's doing this stuff

2107

01:29:56,229 --> 01:29:53,040

i gotta tell you

2108

01:29:58,550 --> 01:29:56,239

dr put off i know how he did that stuff

2109

01:30:00,550 --> 01:29:58,560

and it's called magic tricks something

2110

01:30:02,310 --> 01:30:00,560

he studied before he decided he was a

2111

01:30:04,310 --> 01:30:02,320

fake psychic

2112

01:30:07,189 --> 01:30:04,320

and you know i know a lot of people are

2113

01:30:09,910 --> 01:30:07,199

gonna attack me for saying this but

2114

01:30:12,870 --> 01:30:09,920

i don't really care

2115

01:30:15,669 --> 01:30:12,880

dr put off was fooled by

2116

01:30:18,390 --> 01:30:15,679

a mediocre magician that's what rory

2117

01:30:20,149 --> 01:30:18,400

geller is a magician actually i won't

2118

01:30:21,590 --> 01:30:20,159

even i wouldn't say mediocre that's

2119

01:30:23,430 --> 01:30:21,600

probably a

2120

01:30:25,990 --> 01:30:23,440

really wrong thing to say he's a pretty

2121

01:30:28,229 --> 01:30:26,000

good magician if he fooled a couple of

2122

01:30:30,629 --> 01:30:28,239

scientists into believing that he had

2123

01:30:32,629 --> 01:30:30,639

supernatural abilities using nothing

2124

01:30:34,950 --> 01:30:32,639

more than standard

2125

01:30:37,830 --> 01:30:34,960

conjurer's magic tricks right out of

2126
01:30:40,229 --> 01:30:37,840
magic books that i own my friends

2127
01:30:42,550 --> 01:30:40,239
and i can tell you with a hundred

2128
01:30:45,590 --> 01:30:42,560
percent degree of certainty that uri

2129
01:30:48,470 --> 01:30:45,600
geller has no supernatural powers and

2130
01:30:51,270 --> 01:30:48,480
uses magic tricks because

2131
01:30:54,070 --> 01:30:51,280
later in his career

2132
01:30:56,070 --> 01:30:54,080
he sort of admitted to the so-called

2133
01:30:58,149 --> 01:30:56,080
magic fraternity

2134
01:30:59,830 --> 01:30:58,159
that yeah i'm just a magician i'm an

2135
01:31:03,510 --> 01:30:59,840
entertainer

2136
01:31:05,990 --> 01:31:03,520
and he's also been lately producing

2137
01:31:09,430 --> 01:31:06,000
dvds teaching

2138
01:31:13,030 --> 01:31:09,440

trickery methods to other magicians

2139

01:31:15,510 --> 01:31:13,040

now i gotta ask you my friends why would

2140

01:31:17,590 --> 01:31:15,520

somebody who had true real supernatural

2141

01:31:18,950 --> 01:31:17,600

powers later in his career come out and

2142

01:31:20,790 --> 01:31:18,960

tell

2143

01:31:22,790 --> 01:31:20,800

all the magicians in the world yeah you

2144

01:31:26,229 --> 01:31:22,800

know i'm a magician and i use trickery

2145

01:31:28,470 --> 01:31:26,239

and i'm gonna make some dvds and uh show

2146

01:31:30,709 --> 01:31:28,480

you some of my methods

2147

01:31:33,910 --> 01:31:30,719

there's no reason that a real

2148

01:31:36,149 --> 01:31:33,920

supernatural endowed psychic

2149

01:31:37,189 --> 01:31:36,159

powered person would do that

2150

01:31:39,990 --> 01:31:37,199

okay

2151
01:31:41,910 --> 01:31:40,000
he was

2152
01:31:44,470 --> 01:31:41,920
a stage magician in israel before his

2153
01:31:46,149 --> 01:31:44,480
fake psychic career started he was a

2154
01:31:48,390 --> 01:31:46,159
magician when he was pretending to be a

2155
01:31:50,550 --> 01:31:48,400
fake psychic he was famously busted by

2156
01:31:53,669 --> 01:31:50,560
the amazing randy on

2157
01:31:55,750 --> 01:31:53,679
johnny carson look that up

2158
01:31:58,390 --> 01:31:55,760
so i don't know what the so-called

2159
01:32:00,870 --> 01:31:58,400
laboratory conditions that

2160
01:32:03,270 --> 01:32:00,880
this hal put off put or a geller under

2161
01:32:06,070 --> 01:32:03,280
but i can tell you even under laboratory

2162
01:32:08,629 --> 01:32:06,080
conditions in the presence of scientists

2163
01:32:10,709 --> 01:32:08,639

many magicians can still fool people i'd

2164

01:32:12,709 --> 01:32:10,719

like to believe i'm one of them

2165

01:32:14,390 --> 01:32:12,719

and one of my favorites who's also a

2166

01:32:16,310 --> 01:32:14,400

friend of mine you can look him up who

2167

01:32:18,709 --> 01:32:16,320

did exactly that

2168

01:32:22,149 --> 01:32:18,719

was one banach look him up

2169

01:32:26,149 --> 01:32:24,070

he's the man who fooled scientists

2170

01:32:28,229 --> 01:32:26,159

pretending to be a fake psychic when he

2171

01:32:29,990 --> 01:32:28,239

did nothing more than use

2172

01:32:31,189 --> 01:32:30,000

magic tricks

2173

01:32:33,030 --> 01:32:31,199

look him up

2174

01:32:35,510 --> 01:32:33,040

i just want to mention him for those who

2175

01:32:36,870 --> 01:32:35,520

say rory geller must be genuine he

2176
01:32:38,870 --> 01:32:36,880
couldn't have fooled scientists you

2177
01:32:40,790 --> 01:32:38,880
can't fool scientists under laboratory

2178
01:32:43,350 --> 01:32:40,800
conditions while another man did it at

2179
01:32:46,149 --> 01:32:43,360
least one other man i know of several

2180
01:32:48,070 --> 01:32:46,159
stage magicians that have indeed been

2181
01:32:50,550 --> 01:32:48,080
placed in laboratory conditions and

2182
01:32:52,390 --> 01:32:50,560
tested for psychic abilities that fooled

2183
01:32:55,030 --> 01:32:52,400
the scientists into believing yes they

2184
01:32:56,629 --> 01:32:55,040
had supernatural powers and dr hale put

2185
01:32:58,310 --> 01:32:56,639
off as one of those people that got

2186
01:33:00,149 --> 01:32:58,320
fooled

2187
01:33:01,910 --> 01:33:00,159
now that's not the only reason why i

2188
01:33:03,189 --> 01:33:01,920

don't think he's credible but that's one

2189

01:33:05,510 --> 01:33:03,199

of them

2190

01:33:07,910 --> 01:33:05,520

because folks i did

2191

01:33:09,990 --> 01:33:07,920

stage magic shows for many years

2192

01:33:12,229 --> 01:33:10,000

anybody can be fooled and it's not a

2193

01:33:13,830 --> 01:33:12,239

matter of intelligence actually ask most

2194

01:33:16,149 --> 01:33:13,840

magicians the more intelligent people

2195

01:33:18,229 --> 01:33:16,159

are it's sort of easier to fool them

2196

01:33:19,430 --> 01:33:18,239

because they don't see misdirection as

2197

01:33:21,990 --> 01:33:19,440

quickly and they're thinking of

2198

01:33:23,830 --> 01:33:22,000

complicated explanations for how you're

2199

01:33:26,229 --> 01:33:23,840

doing things when the answer is usually

2200

01:33:27,990 --> 01:33:26,239

quite simple

2201

01:33:29,350 --> 01:33:28,000

so how put off

2202

01:33:30,870 --> 01:33:29,360

studies

2203

01:33:33,270 --> 01:33:30,880

yuri geller for the united states

2204

01:33:34,790 --> 01:33:33,280

government and he says at the end of the

2205

01:33:36,790 --> 01:33:34,800

study

2206

01:33:39,830 --> 01:33:36,800

yuri geller has

2207

01:33:43,110 --> 01:33:39,840

genuine psychic abilities

2208

01:33:46,310 --> 01:33:43,120

and he was wrong folks so wrong

2209

01:33:49,350 --> 01:33:46,320

absolutely wrong in the case of one or a

2210

01:33:52,550 --> 01:33:50,790

but that's not the only reason i'm

2211

01:33:55,590 --> 01:33:52,560

suspect of him i'm suspect of him

2212

01:33:57,189 --> 01:33:55,600

because he always seems to be

2213

01:34:00,229 --> 01:33:57,199

involved in

2214

01:34:02,629 --> 01:34:00,239

paranormal research and into

2215

01:34:05,189 --> 01:34:02,639

you know getting government money for

2216

01:34:07,590 --> 01:34:05,199

conducting these studies and finding

2217

01:34:10,629 --> 01:34:07,600

paranormal proof

2218

01:34:12,390 --> 01:34:10,639

but none of that stuff is ever credible

2219

01:34:14,950 --> 01:34:12,400

that he's done

2220

01:34:17,910 --> 01:34:14,960

not to my knowledge i could be wrong

2221

01:34:19,830 --> 01:34:17,920

someone can send me something correct me

2222

01:34:23,830 --> 01:34:19,840

again i'll be the first to apologize to

2223

01:34:25,430 --> 01:34:23,840

one dr hal put off i won't apologize for

2224

01:34:28,629 --> 01:34:25,440

what i believe about

2225

01:34:30,870 --> 01:34:28,639

yuri geller because i know i'm right

2226
01:34:33,830 --> 01:34:30,880
about yuri geller being a stage magician

2227
01:34:36,550 --> 01:34:33,840
because i have used some of the same

2228
01:34:38,709 --> 01:34:36,560
techniques for a while i did

2229
01:34:40,470 --> 01:34:38,719
what is called a mentalism show which is

2230
01:34:42,390 --> 01:34:40,480
kind of like a psychic show except that

2231
01:34:45,669 --> 01:34:42,400
people know that you're not a real

2232
01:34:48,310 --> 01:34:45,679
psychic but i in that show i bent metal

2233
01:34:50,470 --> 01:34:48,320
i predicted the future i

2234
01:34:52,870 --> 01:34:50,480
you know drew drawings that people were

2235
01:34:54,390 --> 01:34:52,880
just thinking of in their head

2236
01:35:01,270 --> 01:34:54,400
i

2237
01:35:04,070 --> 01:35:01,280
bent metal

2238
01:35:05,910 --> 01:35:04,080

all kinds of so-called psychic phenomena

2239

01:35:08,070 --> 01:35:05,920

i talked to the dead in that show and

2240

01:35:10,390 --> 01:35:08,080

people were convinced i was talking to

2241

01:35:11,510 --> 01:35:10,400

their dead relatives

2242

01:35:14,390 --> 01:35:11,520

folks

2243

01:35:16,870 --> 01:35:14,400

a stage magician can fool anybody

2244

01:35:18,229 --> 01:35:16,880

even a scientist and yuri geller did

2245

01:35:19,910 --> 01:35:18,239

exactly that

2246

01:35:23,030 --> 01:35:19,920

and he used

2247

01:35:24,390 --> 01:35:23,040

that fooling those scientists as

2248

01:35:26,149 --> 01:35:24,400

sort of

2249

01:35:28,310 --> 01:35:26,159

a gateway

2250

01:35:30,149 --> 01:35:28,320

into bigger better things that happened

2251
01:35:32,550 --> 01:35:30,159
very early on when he was very young

2252
01:35:35,669 --> 01:35:32,560
just starting his fake psychic career

2253
01:35:37,270 --> 01:35:35,679
and for years after he would put in all

2254
01:35:39,350 --> 01:35:37,280
of his materials

2255
01:35:40,790 --> 01:35:39,360
that government scientists studied him

2256
01:35:43,430 --> 01:35:40,800
and found his

2257
01:35:47,270 --> 01:35:43,440
psychic powers to be genuine

2258
01:35:49,750 --> 01:35:47,280
it sort of went into the mythology he

2259
01:35:54,830 --> 01:35:49,760
had created for himself

2260
01:35:54,840 --> 01:36:02,070
gateway to bigger money to bigger stages

2261
01:36:06,870 --> 01:36:05,510
how put off was also involved in many

2262
01:36:08,790 --> 01:36:06,880
other

2263
01:36:10,709 --> 01:36:08,800

research efforts let's just call them

2264

01:36:12,709 --> 01:36:10,719

research efforts into paranormal

2265

01:36:14,950 --> 01:36:12,719

phenomenon

2266

01:36:18,070 --> 01:36:14,960

and i don't know folks i'm just very

2267

01:36:19,510 --> 01:36:18,080

suspect of him because i i think that he

2268

01:36:31,030 --> 01:36:19,520

is

2269

01:36:33,510 --> 01:36:31,040

when he tells you something you can't

2270

01:36:35,990 --> 01:36:33,520

trust him completely as telling you the

2271

01:36:38,629 --> 01:36:36,000

accurate truth because he's too biased

2272

01:36:40,790 --> 01:36:38,639

on the side of all these things are real

2273

01:36:42,070 --> 01:36:40,800

and to me that does not strike me as a

2274

01:36:47,990 --> 01:36:42,080

scientist

2275

01:36:51,669 --> 01:36:48,000

should be curious and skeptical

2276
01:36:52,870 --> 01:36:51,679
of claims especially paranormal claims

2277
01:36:54,709 --> 01:36:52,880
i mean

2278
01:36:57,510 --> 01:36:54,719
most scientists are much better armed

2279
01:37:00,149 --> 01:36:57,520
than me with knowledge of physics and

2280
01:37:02,070 --> 01:37:00,159
how you know the universe works

2281
01:37:05,030 --> 01:37:02,080
so for somebody like

2282
01:37:07,109 --> 01:37:05,040
this doctor put off to be fooled by

2283
01:37:09,750 --> 01:37:07,119
really just magic tricks that i learned

2284
01:37:12,629 --> 01:37:09,760
when i was 12 and 15 years old

2285
01:37:13,910 --> 01:37:12,639
i i i just have no confidence in him and

2286
01:37:16,149 --> 01:37:13,920
he's

2287
01:37:18,310 --> 01:37:16,159
one of those people that tom delong puts

2288
01:37:20,709 --> 01:37:18,320

out there is like well we've got dr l

2289

01:37:23,109 --> 01:37:20,719

put off on our team that's not a badge

2290

01:37:25,109 --> 01:37:23,119

of honor if that guy was fooled by a

2291

01:37:28,870 --> 01:37:25,119

stage magician then what's to say he's

2292

01:37:30,709 --> 01:37:28,880

not going to be fooled by a ufo hoaxer

2293

01:37:33,430 --> 01:37:30,719

just like tom de long i suppose was

2294

01:37:37,189 --> 01:37:33,440

fooled by a ufo hoaxer posting fake

2295

01:37:39,109 --> 01:37:37,199

videos of tr3b to youtube

2296

01:37:42,229 --> 01:37:39,119

and so just to be clear on how put off

2297

01:37:44,070 --> 01:37:42,239

declaring a completely and totally

2298

01:37:45,109 --> 01:37:44,080

fake psychic who is actually a stage

2299

01:37:47,189 --> 01:37:45,119

magician

2300

01:37:50,390 --> 01:37:47,199

a real psychic i'm gonna play a clip

2301

01:37:53,510 --> 01:37:50,400

here of him talking about that

2302

01:37:57,109 --> 01:37:53,520

let's take a listen and i will cite fair

2303

01:38:01,270 --> 01:37:58,870

they were specifically interested in

2304

01:38:03,750 --> 01:38:01,280

whether individuals could

2305

01:38:04,950 --> 01:38:03,760

extract information or get information

2306

01:38:14,870 --> 01:38:04,960

from

2307

01:38:17,830 --> 01:38:17,030

and so it was critical to them to find

2308

01:38:19,669 --> 01:38:17,840

out

2309

01:38:21,669 --> 01:38:19,679

you know just what abilities do people

2310

01:38:23,669 --> 01:38:21,679

have

2311

01:38:25,510 --> 01:38:23,679

word had reached the cia about an

2312

01:38:27,910 --> 01:38:25,520

israeli stage performer who had the

2313

01:38:29,910 --> 01:38:27,920

talents they were looking for

2314

01:38:31,830 --> 01:38:29,920

urigella was brought to the prestigious

2315

01:38:33,910 --> 01:38:31,840

stanford research institute in san

2316

01:38:36,310 --> 01:38:33,920

francisco for testing

2317

01:38:39,910 --> 01:38:36,320

two laser physicists subjected geller to

2318

01:38:42,470 --> 01:38:39,920

a long series of controlled experiments

2319

01:38:45,270 --> 01:38:42,480

in march 1973 they went public with

2320

01:38:47,990 --> 01:38:45,280

their results the film contains some

2321

01:38:50,470 --> 01:38:48,000

astonishing claims

2322

01:38:52,870 --> 01:38:50,480

the scientists said that time after time

2323

01:38:56,229 --> 01:38:52,880

geller was able to telepathically detect

2324

01:38:58,709 --> 01:38:56,239

a hidden object you will note he is very

2325

01:39:00,950 --> 01:38:58,719

pleased with finding this target using

2326

01:39:02,870 --> 01:39:00,960

his psychic powers he was apparently

2327

01:39:03,910 --> 01:39:02,880

able to change the weight of a piece of

2328

01:39:06,149 --> 01:39:03,920

metal

2329

01:39:08,390 --> 01:39:06,159

the upper two traces are apparently due

2330

01:39:11,669 --> 01:39:08,400

to geller's effort and over lunch in the

2331

01:39:13,510 --> 01:39:11,679

sri canteen geller bent dozens of spoons

2332

01:39:16,070 --> 01:39:13,520

for the scientists

2333

01:39:18,470 --> 01:39:16,080

but his most incredible success was his

2334

01:39:19,520 --> 01:39:18,480

apparent ability to telepathically read

2335

01:39:20,950 --> 01:39:19,530

hidden drawings

2336

01:39:23,189 --> 01:39:20,960

[Music]

2337

01:39:25,669 --> 01:39:23,199

certainly with regard to the ability to

2338

01:39:27,430 --> 01:39:25,679

reproduce hidden material there's no

2339

01:39:28,229 --> 01:39:27,440

doubt in our mind that yellow could do

2340

01:39:32,629 --> 01:39:28,239

that

2341

01:39:33,830 --> 01:39:32,639

to correspond to the target object as

2342

01:39:35,669 --> 01:39:33,840

you can see

2343

01:39:38,470 --> 01:39:35,679

he is quite elated about getting the

2344

01:39:40,070 --> 01:39:38,480

right answer we had no idea about how

2345

01:39:41,669 --> 01:39:40,080

this stuff could be done we're sort of

2346

01:39:43,510 --> 01:39:41,679

like where were people with gravity

2347

01:39:44,709 --> 01:39:43,520

before newton came along i mean gravity

2348

01:39:47,350 --> 01:39:44,719

worked

2349

01:39:49,510 --> 01:39:47,360

clearly but no one had an idea how

2350

01:39:51,750 --> 01:39:49,520

so similarly here's some things that we

2351

01:39:54,950 --> 01:39:51,760

saw worked and happened

2352

01:39:57,510 --> 01:39:54,960

but no idea how

2353

01:39:58,950 --> 01:39:57,520

lori geller left sri with the stamp of

2354

01:40:00,950 --> 01:39:58,960

credibility

2355

01:40:04,070 --> 01:40:00,960

leading scientists believed he did

2356

01:40:06,550 --> 01:40:04,080

indeed possess unexplainable powers

2357

01:40:08,950 --> 01:40:06,560

so we have here folks really is proof

2358

01:40:10,229 --> 01:40:08,960

that to the stars academy's big

2359

01:40:13,830 --> 01:40:10,239

scientist

2360

01:40:16,229 --> 01:40:13,840

was fooled by uh common magic tricks

2361

01:40:18,070 --> 01:40:16,239

into believing that a man had psychic

2362

01:40:21,109 --> 01:40:18,080

powers

2363

01:40:25,590 --> 01:40:21,119

and did you catch that part in this clip

2364

01:40:29,350 --> 01:40:25,600

where they said that in the cafeteria

2365

01:40:33,270 --> 01:40:29,360

yuri geller would bend dozens of spoons

2366

01:40:34,870 --> 01:40:33,280

well that sounds like a very informal

2367

01:40:37,990 --> 01:40:34,880

kind of a thing like maybe they were

2368

01:40:41,669 --> 01:40:38,000

having lunch and he did a demonstration

2369

01:40:43,590 --> 01:40:41,679

this is something a magician would do

2370

01:40:45,510 --> 01:40:43,600

their guard was let down

2371

01:40:47,030 --> 01:40:45,520

they weren't under laboratory conditions

2372

01:40:48,310 --> 01:40:47,040

they're probably just eating lunch look

2373

01:40:51,030 --> 01:40:48,320

i'm going to show you that i'm going to

2374

01:40:51,990 --> 01:40:51,040

bend this spoon by psychic powers

2375

01:40:54,149 --> 01:40:52,000

and

2376

01:40:55,189 --> 01:40:54,159

i'm not going to begin to

2377

01:40:57,430 --> 01:40:55,199

reveal

2378

01:41:00,149 --> 01:40:57,440

how that's done but there's a hundred

2379

01:41:01,990 --> 01:41:00,159

magic trick ways to bend a spoon without

2380

01:41:04,390 --> 01:41:02,000

somebody seeing you bend a spoon and

2381

01:41:05,590 --> 01:41:04,400

claim that you did it with psychic

2382

01:41:07,830 --> 01:41:05,600

abilities

2383

01:41:10,470 --> 01:41:07,840

look up spoon bending on youtube or

2384

01:41:13,750 --> 01:41:10,480

secrets of spoon bending and you too can

2385

01:41:19,030 --> 01:41:13,760

be a psychic who can bend spoons with

2386

01:41:22,470 --> 01:41:20,709

i think that

2387

01:41:26,149 --> 01:41:22,480

yuri geller played them

2388

01:41:28,390 --> 01:41:26,159

like a good stage magician would

2389

01:41:30,229 --> 01:41:28,400

and like i said folks if you don't

2390

01:41:31,830 --> 01:41:30,239

believe that scientists can be fooled by

2391

01:41:34,149 --> 01:41:31,840

a stage magician pretending to have

2392

01:41:35,030 --> 01:41:34,159

psychic abilities just look up banick my

2393

01:41:38,070 --> 01:41:35,040

friend

2394

01:41:39,990 --> 01:41:38,080

who did exactly that

2395

01:41:44,149 --> 01:41:40,000

and

2396

01:41:46,229 --> 01:41:44,159

to say that like when i present some

2397

01:41:48,310 --> 01:41:46,239

things like this

2398

01:41:50,790 --> 01:41:48,320

you know i've at least

2399

01:41:53,030 --> 01:41:50,800

have a lifetime of experience in magic

2400

01:41:55,669 --> 01:41:53,040

tricks so when i tell you that yuri

2401

01:41:57,590 --> 01:41:55,679

geller is a magician i mean even yuri

2402

01:41:59,270 --> 01:41:57,600

geller has told other magicians that he

2403

01:42:01,830 --> 01:41:59,280

was a magician and didn't have psychic

2404

01:42:03,990 --> 01:42:01,840

powers

2405

01:42:05,590 --> 01:42:04,000

i hope that you trust and believe me but

2406

01:42:06,470 --> 01:42:05,600

some people are still gonna argue with

2407

01:42:08,950 --> 01:42:06,480

me

2408

01:42:09,910 --> 01:42:08,960

and you know i'm tired of arguing with

2409

01:42:12,390 --> 01:42:09,920

people

2410

01:42:13,990 --> 01:42:12,400

when i present evidence when i have the

2411

01:42:15,669 --> 01:42:14,000

knowledge and expertise to make a

2412

01:42:17,830 --> 01:42:15,679

factual statement

2413

01:42:22,149 --> 01:42:17,840

and people still want to argue with me

2414

01:42:23,990 --> 01:42:22,159

go ahead argue with me i guess

2415

01:42:26,390 --> 01:42:24,000

and i have to say that even some people

2416

01:42:28,550 --> 01:42:26,400

that i really admire and respect believe

2417

01:42:30,790 --> 01:42:28,560

that you're yuri geller had psychic

2418

01:42:32,790 --> 01:42:30,800

powers i mean i kind of went back and

2419

01:42:34,629 --> 01:42:32,800

forth with grant cameron on that guy

2420

01:42:36,870 --> 01:42:34,639

because grant cameron

2421

01:42:38,790 --> 01:42:36,880

uh posted some stuff about yuri geller

2422

01:42:41,750 --> 01:42:38,800

and i said grant come on you know that

2423

01:42:44,550 --> 01:42:41,760

guy was a magician he was a fake right

2424

01:42:46,950 --> 01:42:44,560

and uh i don't know grant and i have to

2425

01:42:48,390 --> 01:42:46,960

talk about it and someday i hope that

2426

01:42:51,910 --> 01:42:48,400

we'll do that

2427

01:42:52,950 --> 01:42:51,920

but see men you know like me and grant

2428

01:42:54,790 --> 01:42:52,960

cameron

2429

01:42:57,270 --> 01:42:54,800

we're men we can

2430

01:42:59,830 --> 01:42:57,280

you know agree to disagree

2431

01:43:01,510 --> 01:42:59,840

and still be civil with each other and

2432

01:43:02,709 --> 01:43:01,520

respect each other

2433

01:43:05,590 --> 01:43:02,719

when i

2434

01:43:07,189 --> 01:43:05,600

said what i said about yuri geller

2435

01:43:08,629 --> 01:43:07,199

you know great

2436

01:43:10,550 --> 01:43:08,639

cameron to his credit might have

2437

01:43:13,350 --> 01:43:10,560

disagreed with me but he didn't block me

2438

01:43:15,030 --> 01:43:13,360

on social media he didn't go on some you

2439

01:43:17,270 --> 01:43:15,040

know

2440

01:43:19,750 --> 01:43:17,280

tirade against me

2441

01:43:21,750 --> 01:43:19,760

tell me how wrong i was he just said

2442

01:43:23,830 --> 01:43:21,760

i disagree

2443

01:43:26,229 --> 01:43:23,840

and we kind of left it at that and like

2444

01:43:28,390 --> 01:43:26,239

i said i hope someday that he and i can

2445

01:43:31,030 --> 01:43:28,400

talk in more detail about that and come

2446

01:43:33,189 --> 01:43:31,040

to some mutual understanding more than

2447

01:43:36,149 --> 01:43:33,199

just a disagreement

2448

01:43:37,590 --> 01:43:36,159

but my point about men just agreeing to

2449

01:43:40,070 --> 01:43:37,600

disagree

2450

01:43:42,950 --> 01:43:40,080

is because there's some

2451

01:43:44,790 --> 01:43:42,960

common thread with ufo

2452

01:43:45,830 --> 01:43:44,800

hucksters then that's what i'm going to

2453

01:43:48,310 --> 01:43:45,840

call them

2454

01:43:50,709 --> 01:43:48,320

people who attempt to make money and

2455

01:43:52,870 --> 01:43:50,719

make a living especially people that are

2456

01:43:55,669 --> 01:43:52,880

attempting to make a full-time living

2457

01:43:58,229 --> 01:43:55,679

from ufos or or paranormal phenomenon

2458

01:44:00,709 --> 01:43:58,239

they don't like questions

2459

01:44:03,590 --> 01:44:00,719

they don't like it when you point out

2460

01:44:04,950 --> 01:44:03,600

facts to their audience and so what many

2461

01:44:07,350 --> 01:44:04,960

of them do

2462

01:44:10,629 --> 01:44:07,360

and have done especially to me

2463

01:44:11,590 --> 01:44:10,639

is block me on social media because i

2464

01:44:14,629 --> 01:44:11,600

asked

2465

01:44:19,990 --> 01:44:17,910

and recently tom de long blocked me on

2466

01:44:21,910 --> 01:44:20,000

social media which i think is really

2467

01:44:24,229 --> 01:44:21,920

funny because he and i

2468

01:44:27,109 --> 01:44:24,239

i thought were okay

2469

01:44:29,510 --> 01:44:27,119

and uh suddenly no we're not because i

2470

01:44:32,470 --> 01:44:29,520

asked the you know somebody asked me

2471

01:44:33,270 --> 01:44:32,480

because i posted about him blocking me

2472

01:44:34,629 --> 01:44:33,280

well

2473

01:44:36,709 --> 01:44:34,639

what did you do

2474

01:44:39,189 --> 01:44:36,719

and i said i asked the wrong question

2475

01:44:39,990 --> 01:44:39,199

and then i paused for a moment and i

2476

01:44:43,189 --> 01:44:40,000

said

2477

01:44:44,790 --> 01:44:43,199

or maybe i asked the right question

2478

01:44:46,709 --> 01:44:44,800

in either case

2479

01:44:49,910 --> 01:44:46,719

if your claims

2480

01:44:57,189 --> 01:44:51,990

that they cannot withstand

2481

01:45:01,830 --> 01:44:59,430

like i put forth

2482

01:45:03,430 --> 01:45:01,840

then maybe your claims

2483

01:45:05,510 --> 01:45:03,440

are not worthy

2484

01:45:07,590 --> 01:45:05,520

of consideration

2485

01:45:10,390 --> 01:45:07,600

because people who are making claims

2486

01:45:14,070 --> 01:45:10,400

that cannot withstand statements of fact

2487

01:45:16,070 --> 01:45:14,080

about them or questions about them

2488

01:45:17,830 --> 01:45:16,080

to me they're just not credible people

2489

01:45:20,390 --> 01:45:17,840

that you should trust if they have to

2490

01:45:23,109 --> 01:45:20,400

control the narrative and let's

2491

01:45:26,390 --> 01:45:23,119

not mistake things folks

2492

01:45:28,709 --> 01:45:26,400

when someone blocks me on social media

2493

01:45:31,830 --> 01:45:28,719

because i ask a question about something

2494

01:45:34,229 --> 01:45:31,840

they posted

2495

01:45:36,310 --> 01:45:34,239

you better believe that they don't want

2496

01:45:38,310 --> 01:45:36,320

people to see that question and that's

2497

01:45:39,669 --> 01:45:38,320

why they're deleting my comment and

2498

01:45:41,590 --> 01:45:39,679

blocking me

2499

01:45:44,149 --> 01:45:41,600

preventing me from asking any more

2500

01:45:45,350 --> 01:45:44,159

questions they don't want their audience

2501
01:45:47,189 --> 01:45:45,360
to see

2502
01:45:49,830 --> 01:45:47,199
and i've we've been over this time and

2503
01:45:52,149 --> 01:45:49,840
time again folks i have no

2504
01:45:54,310 --> 01:45:52,159
respect for anybody that attempts to

2505
01:45:56,629 --> 01:45:54,320
control the narrative that means that

2506
01:45:59,109 --> 01:45:56,639
one they're an intellectual weakling and

2507
01:46:01,590 --> 01:45:59,119
their claims cannot withstand debate

2508
01:46:04,310 --> 01:46:01,600
and two it means they're coward because

2509
01:46:06,310 --> 01:46:04,320
a man would stand up if what he believed

2510
01:46:09,590 --> 01:46:06,320
in was true

2511
01:46:11,270 --> 01:46:09,600
a man would stand up and say

2512
01:46:15,109 --> 01:46:11,280
i understand your question here's the

2513
01:46:20,390 --> 01:46:17,510

or if i stated a fact and i was

2514

01:46:22,070 --> 01:46:20,400

inaccurately stating a fact

2515

01:46:23,270 --> 01:46:22,080

then correct me

2516

01:46:25,189 --> 01:46:23,280

talk to me

2517

01:46:26,950 --> 01:46:25,199

tell me i'm wrong and why

2518

01:46:29,270 --> 01:46:26,960

let's talk like men

2519

01:46:31,590 --> 01:46:29,280

and not like little girls go run and

2520

01:46:33,350 --> 01:46:31,600

block each other on social media i've

2521

01:46:35,910 --> 01:46:33,360

said it before folks i'll say it again i

2522

01:46:36,950 --> 01:46:35,920

have not blocked anyone on social media

2523

01:46:38,229 --> 01:46:36,960

i never

2524

01:46:39,830 --> 01:46:38,239

do that

2525

01:46:41,030 --> 01:46:39,840

if you have a problem with something i'm

2526

01:46:43,430 --> 01:46:41,040

presenting

2527

01:46:45,350 --> 01:46:43,440

then you're free to talk to me

2528

01:46:46,390 --> 01:46:45,360

and my audience is free to see what you

2529

01:46:48,629 --> 01:46:46,400

said

2530

01:46:50,550 --> 01:46:48,639

because i'm open to the debate

2531

01:46:53,750 --> 01:46:50,560

about all of these things and i'm not

2532

01:46:56,149 --> 01:46:53,760

trying to control some narrative

2533

01:46:58,470 --> 01:46:56,159

if i'm wrong about something if i

2534

01:47:01,109 --> 01:46:58,480

misspeak if i present

2535

01:47:03,910 --> 01:47:01,119

evidence that's not factually backed up

2536

01:47:05,669 --> 01:47:03,920

by you know good research and you can

2537

01:47:06,550 --> 01:47:05,679

see that i did something

2538

01:47:09,750 --> 01:47:06,560

come

2539

01:47:12,070 --> 01:47:09,760

my twitter

2540

01:47:13,669 --> 01:47:12,080

say what you're going to say correct me

2541

01:47:15,669 --> 01:47:13,679

set the record straight

2542

01:47:17,910 --> 01:47:15,679

i would not

2543

01:47:19,510 --> 01:47:17,920

take offense to that if i'm wrong i'm

2544

01:47:21,189 --> 01:47:19,520

wrong and i'm going to be a man and

2545

01:47:23,590 --> 01:47:21,199

admit that i'm wrong i'm not going to

2546

01:47:25,750 --> 01:47:23,600

try to control things

2547

01:47:27,990 --> 01:47:25,760

but here's the deal folks

2548

01:47:29,910 --> 01:47:28,000

i don't make any money from this

2549

01:47:31,669 --> 01:47:29,920

in fact

2550

01:47:34,070 --> 01:47:31,679

i gotta i have to point something out

2551
01:47:35,590 --> 01:47:34,080
and this is important actually i've said

2552
01:47:36,870 --> 01:47:35,600
on a previous show i don't make any

2553
01:47:39,830 --> 01:47:36,880
money from this

2554
01:47:43,590 --> 01:47:39,840
and somebody sent me a very nasty email

2555
01:47:46,470 --> 01:47:43,600
message mentioning that the few

2556
01:47:49,189 --> 01:47:46,480
there is literally besides the station

2557
01:47:51,430 --> 01:47:49,199
ids there is about four minutes of

2558
01:47:52,950 --> 01:47:51,440
actual commercials and

2559
01:47:54,629 --> 01:47:52,960
they come in the middle of the show so

2560
01:47:56,629 --> 01:47:54,639
you get an hour and then there's four

2561
01:47:58,950 --> 01:47:56,639
minutes of commercials

2562
01:48:00,629 --> 01:47:58,960
and a station id comes out to about five

2563
01:48:01,910 --> 01:48:00,639

minutes usually or i try to make it

2564

01:48:05,430 --> 01:48:01,920

about that

2565

01:48:07,030 --> 01:48:05,440

and then you get another hour show okay

2566

01:48:08,310 --> 01:48:07,040

now let's just break down those

2567

01:48:12,310 --> 01:48:08,320

commercials

2568

01:48:15,030 --> 01:48:12,320

provided by my distributor and i put

2569

01:48:16,550 --> 01:48:15,040

them in to support my distributor so let

2570

01:48:20,070 --> 01:48:16,560

me be very clear

2571

01:48:23,350 --> 01:48:20,080

i'm not financially gaining from those

2572

01:48:25,990 --> 01:48:23,360

commercials those commercials support my

2573

01:48:28,550 --> 01:48:26,000

distributor who distributes my show and

2574

01:48:30,870 --> 01:48:28,560

they should be getting some financial

2575

01:48:32,790 --> 01:48:30,880

support for all they're doing to

2576

01:48:35,669 --> 01:48:32,800

spread my show

2577

01:48:37,270 --> 01:48:35,679

broadcast my show archive my show

2578

01:48:38,390 --> 01:48:37,280

they're doing all these things for my

2579

01:48:42,149 --> 01:48:38,400

show

2580

01:48:44,070 --> 01:48:42,159

so i i'm not taking any money now

2581

01:48:46,310 --> 01:48:44,080

i keep getting told that i'm free to put

2582

01:48:48,149 --> 01:48:46,320

in as many commercials as i want so if i

2583

01:48:50,790 --> 01:48:48,159

want to go get sponsors to financially

2584

01:48:54,470 --> 01:48:50,800

benefit myself i'm free to do that but

2585

01:48:56,790 --> 01:48:54,480

so far have chosen not to do that

2586

01:48:59,109 --> 01:48:56,800

my point here folks is sometimes you

2587

01:49:01,910 --> 01:48:59,119

have to follow the money and people can

2588

01:49:03,030 --> 01:49:01,920

be nasty to me people can say nasty

2589

01:49:06,550 --> 01:49:03,040

things

2590

01:49:08,390 --> 01:49:06,560

like well you're making money look at

2591

01:49:10,709 --> 01:49:08,400

all those somebody actually said this to

2592

01:49:11,510 --> 01:49:10,719

me look at all those commercials on your

2593

01:49:13,589 --> 01:49:11,520

show

2594

01:49:16,149 --> 01:49:13,599

you're making money at it no

2595

01:49:18,790 --> 01:49:16,159

let's let's be very clear let's set the

2596

01:49:20,470 --> 01:49:18,800

record straight no i'm not making that

2597

01:49:24,070 --> 01:49:20,480

money i'm donating that to my

2598

01:49:25,750 --> 01:49:24,080

distributor and and they deserve it they

2599

01:49:27,350 --> 01:49:25,760

they deserve more than that they deserve

2600

01:49:29,350 --> 01:49:27,360

much more than that

2601

01:49:31,510 --> 01:49:29,360

i wish that i could financially benefit

2602

01:49:33,910 --> 01:49:31,520

the distributor more for all they do for

2603

01:49:36,310 --> 01:49:33,920

our show here

2604

01:49:37,910 --> 01:49:36,320

so let's be very clear on that and set

2605

01:49:39,830 --> 01:49:37,920

that record straight

2606

01:49:41,669 --> 01:49:39,840

if you're gonna if you're gonna

2607

01:49:43,030 --> 01:49:41,679

talk smack at least know what you're

2608

01:49:45,189 --> 01:49:43,040

talking about

2609

01:49:46,870 --> 01:49:45,199

you know if you're gonna insult me and

2610

01:49:49,270 --> 01:49:46,880

the other thing i would like to say is

2611

01:49:52,629 --> 01:49:49,280

that there are some shows

2612

01:49:54,149 --> 01:49:52,639

uh on similar topics that i cover that

2613

01:49:56,709 --> 01:49:54,159

you can listen to and there is

2614

01:49:59,910 --> 01:49:56,719

commercials every five minutes sound

2615

01:50:02,149 --> 01:49:59,920

coffee and nonsense and fake vitamins

2616

01:50:03,669 --> 01:50:02,159

and you know or just cheap chinese

2617

01:50:05,109 --> 01:50:03,679

vitamins i guess i don't want to say

2618

01:50:07,109 --> 01:50:05,119

fake vitamins

2619

01:50:09,189 --> 01:50:07,119

worthless vitamins how about let's put

2620

01:50:11,830 --> 01:50:09,199

put it that way worthless coffee where's

2621

01:50:13,910 --> 01:50:11,840

list vitamins t-shirts mugs

2622

01:50:15,430 --> 01:50:13,920

you know

2623

01:50:17,430 --> 01:50:15,440

all kinds of stuff that people are

2624

01:50:19,669 --> 01:50:17,440

selling on their show every five minutes

2625

01:50:21,430 --> 01:50:19,679

my show has doesn't even have five

2626
01:50:23,350 --> 01:50:21,440
minutes of commercials for a two-hour

2627
01:50:26,229 --> 01:50:23,360
show i think that's pretty reasonable to

2628
01:50:28,149 --> 01:50:26,239
support my distributor and i hope my

2629
01:50:30,070 --> 01:50:28,159
listeners the good people listening

2630
01:50:32,149 --> 01:50:30,080
don't mind those few short minutes of

2631
01:50:34,870 --> 01:50:32,159
commercials to support my distributor

2632
01:50:36,870 --> 01:50:34,880
and make the show possible as for me i'm

2633
01:50:39,350 --> 01:50:36,880
not getting any of that money and come

2634
01:50:41,109 --> 01:50:39,360
on folks anybody that listens to shows

2635
01:50:42,709 --> 01:50:41,119
like mine know that i'm right there are

2636
01:50:44,870 --> 01:50:42,719
some shows there's commercials every

2637
01:50:46,550 --> 01:50:44,880
five minutes four or five minutes okay

2638
01:50:48,070 --> 01:50:46,560

there's you know it's a two-hour show

2639

01:50:49,589 --> 01:50:48,080

and there's 40 minutes for commercials

2640

01:50:50,310 --> 01:50:49,599

maybe an hour of commercials i don't

2641

01:50:52,390 --> 01:50:50,320

know

2642

01:50:53,910 --> 01:50:52,400

we have less than five minutes

2643

01:50:55,350 --> 01:50:53,920

i'm sorry that you have to sit through

2644

01:50:56,790 --> 01:50:55,360

that but we try to put them right in the

2645

01:50:58,790 --> 01:50:56,800

middle so it's just a quick break and

2646

01:51:00,790 --> 01:50:58,800

we're back

2647

01:51:02,310 --> 01:51:00,800

now as for the whole to the stars

2648

01:51:05,270 --> 01:51:02,320

academy

2649

01:51:07,589 --> 01:51:05,280

everybody keeps on asking me what do i

2650

01:51:09,669 --> 01:51:07,599

think about them so i hope tonight i got

2651
01:51:11,750 --> 01:51:09,679
to share with you some of what i think

2652
01:51:13,990 --> 01:51:11,760
about them

2653
01:51:15,990 --> 01:51:14,000
did you know that a congressperson just

2654
01:51:18,229 --> 01:51:16,000
brought them up as a concern for why

2655
01:51:21,109 --> 01:51:18,239
they have to change the investment laws

2656
01:51:23,750 --> 01:51:21,119
in this country

2657
01:51:25,430 --> 01:51:23,760
that's troubling too

2658
01:51:27,350 --> 01:51:25,440
and another thing

2659
01:51:30,470 --> 01:51:27,360
you know when people dig up

2660
01:51:32,149 --> 01:51:30,480
information that is detrimental to

2661
01:51:34,870 --> 01:51:32,159
this to the stars academy they get

2662
01:51:36,950 --> 01:51:34,880
attacked mercilessly and uh john

2663
01:51:38,310 --> 01:51:36,960

greenwald over the black vault is the

2664

01:51:39,910 --> 01:51:38,320

one that founded you know got the

2665

01:51:42,149 --> 01:51:39,920

document from the pentagon saying that

2666

01:51:44,709 --> 01:51:42,159

louis elizondo was never in charge of

2667

01:51:47,910 --> 01:51:44,719

the a-tip program this guy got

2668

01:51:50,709 --> 01:51:47,920

swarmed and attacked mercilessly for

2669

01:51:52,709 --> 01:51:50,719

bringing out information and for

2670

01:51:54,229 --> 01:51:52,719

telling the truth

2671

01:51:56,950 --> 01:51:54,239

come on

2672

01:51:59,189 --> 01:51:56,960

don't control the narrative

2673

01:52:01,270 --> 01:51:59,199

don't attack people for bringing

2674

01:52:04,149 --> 01:52:01,280

information forward

2675

01:52:05,750 --> 01:52:04,159

we should be all free to do that

2676

01:52:07,589 --> 01:52:05,760

and if we're not

2677

01:52:08,870 --> 01:52:07,599

then i don't know what's going to happen

2678

01:52:11,430 --> 01:52:08,880

to this country we're supposed to have

2679

01:52:14,070 --> 01:52:11,440

free speech here guys we're supposed to

2680

01:52:16,229 --> 01:52:14,080

and you know what just just

2681

01:52:18,550 --> 01:52:16,239

coming from the standpoint of being a

2682

01:52:20,629 --> 01:52:18,560

respectful human being

2683

01:52:22,550 --> 01:52:20,639

like i said

2684

01:52:24,310 --> 01:52:22,560

i truly wanted to believe tom belong was

2685

01:52:26,390 --> 01:52:24,320

going to be this ufo messiah and bring

2686

01:52:28,229 --> 01:52:26,400

us the truth

2687

01:52:30,550 --> 01:52:28,239

i don't know the more things the more

2688

01:52:33,189 --> 01:52:30,560

time goes on and the more

2689

01:52:35,109 --> 01:52:33,199

things they do you know why is tom

2690

01:52:36,390 --> 01:52:35,119

delong always tweeting things and

2691

01:52:38,629 --> 01:52:36,400

deleting them

2692

01:52:42,149 --> 01:52:38,639

that's suspect to me

2693

01:52:44,709 --> 01:52:42,159

the longer this circus goes on the less

2694

01:52:45,750 --> 01:52:44,719

i'm inclined to buy a ticket

2695

01:52:48,550 --> 01:52:45,760

that's

2696

01:52:49,830 --> 01:52:48,560

what i will say about to the stars

2697

01:52:51,510 --> 01:52:49,840

academy

2698

01:52:54,229 --> 01:52:51,520

and for those people that keep on asking

2699

01:52:57,109 --> 01:52:54,239

me what do i think is this the real deal

2700

01:52:59,990 --> 01:52:57,119

i hope tonight gave you some insight

2701
01:53:01,990 --> 01:53:00,000
into my thinking on this whole thing

2702
01:53:03,990 --> 01:53:02,000
because the truth is i still don't know

2703
01:53:06,149 --> 01:53:04,000
what to think i'm gonna watch with the

2704
01:53:08,229 --> 01:53:06,159
interest along with you

2705
01:53:11,990 --> 01:53:08,239
i may continue to report on the

2706
01:53:13,990 --> 01:53:12,000
goings-on of one to the stars academy

2707
01:53:15,990 --> 01:53:14,000
and we'll see where it goes

2708
01:53:17,510 --> 01:53:16,000
and you know what i truly hope it's not

2709
01:53:19,430 --> 01:53:17,520
just a circus

2710
01:53:21,830 --> 01:53:19,440
to sell circus tickets as i have

2711
01:53:24,070 --> 01:53:21,840
described i hope i'm wrong i hope they

2712
01:53:26,950 --> 01:53:24,080
prove me wrong and like i said i'll be

2713
01:53:29,589 --> 01:53:26,960

the first to apologize to tom delong

2714

01:53:31,669 --> 01:53:29,599

and all the members of his group and and

2715

01:53:33,750 --> 01:53:31,679

to all the ttsa fanboys who keep

2716

01:53:37,109 --> 01:53:33,760

swarming me and attacking me for stating

2717

01:53:38,709 --> 01:53:37,119

facts and asking questions

2718

01:53:41,589 --> 01:53:38,719

so

2719

01:53:42,950 --> 01:53:41,599

that's it folks you guys keep on asking

2720

01:53:45,270 --> 01:53:42,960

me what i think about to the stars

2721

01:53:47,910 --> 01:53:45,280

academy i wanted to do this for you i

2722

01:53:50,229 --> 01:53:47,920

can see that our time is once again

2723

01:53:51,189 --> 01:53:50,239

running short here on the midnight hour

2724

01:53:53,109 --> 01:53:51,199

show

2725

01:53:56,870 --> 01:53:53,119

i want to thank you

2726

01:53:59,750 --> 01:53:56,880

for joining me here on the fringe fm

2727

01:54:02,950 --> 01:53:59,760

i'm stephen cambion reminding you that

2728

01:54:05,189 --> 01:54:02,960

deception is a form of seduction

2729

01:54:08,390 --> 01:54:05,199

the seat can only succeed if the

2730

01:54:09,830 --> 01:54:08,400

deceived party is willing in some way to

2731

01:54:11,560 --> 01:54:09,840

be deceived
