

# Revisiting The Billy Meier case

With Michael Horn.

1  
00:00:04,550 --> 00:00:02,950  
welcome back my friends back to the

2  
00:00:06,950 --> 00:00:04,560  
midnight hour show

3  
00:00:08,470 --> 00:00:06,960  
my name is stephen cambion and i'll be

4  
00:00:11,110 --> 00:00:08,480  
your host tonight we're going to be

5  
00:00:13,509 --> 00:00:11,120  
skipping our usual intro and some of

6  
00:00:16,470 --> 00:00:13,519  
those things just to save as much time

7  
00:00:18,470 --> 00:00:16,480  
as possible for our interview tonight so

8  
00:00:21,189 --> 00:00:18,480  
here we go this is a conversation

9  
00:00:22,550 --> 00:00:21,199  
between michael horn the u.s media

10  
00:00:26,630 --> 00:00:22,560  
representative

11  
00:00:29,269 --> 00:00:26,640  
for billy meyer and myself previous to

12  
00:00:31,269 --> 00:00:29,279  
this conversation i had called billy

13  
00:00:33,270 --> 00:00:31,279

meyer a fraud a fake

14

00:00:35,510 --> 00:00:33,280

and i have to say most of the people on

15

00:00:38,389 --> 00:00:35,520

my show that i identify as a fraud a

16

00:00:39,910 --> 00:00:38,399

fake or a con man will not come on my

17

00:00:43,030 --> 00:00:39,920

show

18

00:00:45,190 --> 00:00:43,040

and no one from their camps

19

00:00:47,029 --> 00:00:45,200

will answer any questions

20

00:00:48,630 --> 00:00:47,039

this is a rare thing

21

00:00:51,590 --> 00:00:48,640

because

22

00:00:55,990 --> 00:00:51,600

in the billy meyer camp is michael horn

23

00:00:57,750 --> 00:00:56,000

the champion of billy myers case

24

00:00:59,750 --> 00:00:57,760

this guy really believes that billy

25

00:01:00,869 --> 00:00:59,760

meyer is the real deal

26

00:01:04,789 --> 00:01:00,879

and

27

00:01:06,310 --> 00:01:04,799

questions i have

28

00:01:07,910 --> 00:01:06,320

now i'm gonna try to fit in all the

29

00:01:10,070 --> 00:01:07,920

questions i can

30

00:01:11,910 --> 00:01:10,080

i'm gonna do everything i can to make it

31

00:01:13,830 --> 00:01:11,920

a great interview and worthy of

32

00:01:16,630 --> 00:01:13,840

listening to i don't have time for

33

00:01:19,429 --> 00:01:16,640

anything else so let's just get right to

34

00:01:21,270 --> 00:01:19,439

it this is me and michael horn

35

00:01:23,350 --> 00:01:21,280

and i'm so excited to be able to take

36

00:01:27,350 --> 00:01:23,360

you guys with me

37

00:01:31,990 --> 00:01:29,749

i am so pleased to finally get to speak

38

00:01:32,950 --> 00:01:32,000

to you in person

39

00:01:35,030 --> 00:01:32,960

me too

40

00:01:37,030 --> 00:01:35,040

all this silly stuff online

41

00:01:39,429 --> 00:01:37,040

tweeting and all the rest is good to

42

00:01:41,109 --> 00:01:39,439

have a little direct communication

43

00:01:43,590 --> 00:01:41,119

and i am

44

00:01:45,190 --> 00:01:43,600

going to be i hope delighted to try to

45

00:01:46,389 --> 00:01:45,200

give you some answers from my

46

00:01:48,710 --> 00:01:46,399

perspective

47

00:01:51,670 --> 00:01:48,720

and hopefully give you some

48

00:01:54,310 --> 00:01:51,680

resolution to some questions

49

00:01:57,109 --> 00:01:54,320

that would be excellent and i thought

50

00:01:59,350 --> 00:01:57,119

that in the spirit of cooperation we

51  
00:02:01,910 --> 00:01:59,360  
could start with something that i think

52  
00:02:04,389 --> 00:02:01,920  
we have common ground on before we get

53  
00:02:05,270 --> 00:02:04,399  
into the particulars of billy's case

54  
00:02:06,389 --> 00:02:05,280  
sure

55  
00:02:09,749 --> 00:02:06,399  
what's that

56  
00:02:11,990 --> 00:02:09,759  
that is i have previously uh spent a

57  
00:02:14,229 --> 00:02:12,000  
great deal of research time on the bob

58  
00:02:16,790 --> 00:02:14,239  
lazar case

59  
00:02:20,630 --> 00:02:16,800  
and and i am sufficiently convinced that

60  
00:02:23,190 --> 00:02:20,640  
it is all a money-making scam and has no

61  
00:02:25,110 --> 00:02:23,200  
basis in reality

62  
00:02:26,309 --> 00:02:25,120  
one of but one of the things that i

63  
00:02:28,869 --> 00:02:26,319

learned

64

00:02:29,830 --> 00:02:28,879

which i wanted to know if you agree with

65

00:02:32,390 --> 00:02:29,840

me

66

00:02:34,830 --> 00:02:32,400

and that is that john lee was on record

67

00:02:37,270 --> 00:02:34,840

several times saying

68

00:02:39,190 --> 00:02:37,280

that before

69

00:02:41,190 --> 00:02:39,200

bob lazar came out with a story gene

70

00:02:42,550 --> 00:02:41,200

huff and bob lazar visited john lear's

71

00:02:44,949 --> 00:02:42,560

home

72

00:02:47,030 --> 00:02:44,959

and did a real estate appraisal in

73

00:02:49,350 --> 00:02:47,040

exchange for

74

00:02:51,830 --> 00:02:49,360

all of the billy meyer material copies

75

00:02:52,550 --> 00:02:51,840

of all of the billy meyer material oh

76

00:02:55,350 --> 00:02:52,560

really

77

00:02:56,150 --> 00:02:55,360

yes this was directly before

78

00:02:58,229 --> 00:02:56,160

uh

79

00:03:01,270 --> 00:02:58,239

you know bob lazar came out with a story

80

00:03:02,390 --> 00:03:01,280

well uh a bit of time before

81

00:03:05,270 --> 00:03:02,400

and so

82

00:03:06,710 --> 00:03:05,280

1980s or what yes

83

00:03:08,869 --> 00:03:06,720

before before

84

00:03:10,550 --> 00:03:08,879

i guess 88 when he came out with a story

85

00:03:12,869 --> 00:03:10,560

so

86

00:03:15,190 --> 00:03:12,879

but my point is that's the first bit of

87

00:03:17,509 --> 00:03:15,200

evidence that bob lazar copied a great

88

00:03:19,509 --> 00:03:17,519

deal of things or that to me opened the

89

00:03:21,670 --> 00:03:19,519

door to to the speculation that bob

90

00:03:25,270 --> 00:03:21,680

lazar copied a great deal of things from

91

00:03:27,750 --> 00:03:25,280

the billy meyer case but next we get to

92

00:03:29,670 --> 00:03:27,760

the sport model which

93

00:03:31,270 --> 00:03:29,680

is exactly

94

00:03:33,270 --> 00:03:31,280

exactly like

95

00:03:35,110 --> 00:03:33,280

billy myers beam ship

96

00:03:36,470 --> 00:03:35,120

yeah it's a rendering of what they look

97

00:03:38,550 --> 00:03:36,480

like

98

00:03:41,350 --> 00:03:38,560

but it is exactly

99

00:03:44,309 --> 00:03:41,360

the only difference is that bob lazars

100

00:03:46,550 --> 00:03:44,319

model that he says he worked on had tiny

101  
00:03:48,710 --> 00:03:46,560  
seats for three foot tall humanoids or

102  
00:03:51,110 --> 00:03:48,720  
grays as many people would say and billy

103  
00:03:53,830 --> 00:03:51,120  
myers of course would have

104  
00:03:56,229 --> 00:03:53,840  
i i suppose would have seats or

105  
00:03:58,470 --> 00:03:56,239  
you know for full-size humans

106  
00:04:00,390 --> 00:03:58,480  
human-like humanoids

107  
00:04:03,589 --> 00:04:00,400  
right you know the the other thing is

108  
00:04:05,429 --> 00:04:03,599  
that actually the earliest mention of

109  
00:04:08,070 --> 00:04:05,439  
meyer and lazar

110  
00:04:11,110 --> 00:04:08,080  
that i recall seeing was in an interview

111  
00:04:12,949 --> 00:04:11,120  
in 1987 that george knapp did it's

112  
00:04:15,500 --> 00:04:12,959  
online somewhere i could probably find

113  
00:04:16,629 --> 00:04:15,510

it but he did mention

114

00:04:18,949 --> 00:04:16,639

[Music]

115

00:04:20,469 --> 00:04:18,959

bob lazar and and billy meyer in the

116

00:04:23,189 --> 00:04:20,479

same story

117

00:04:24,870 --> 00:04:23,199

and i i should also tell you that meyer

118

00:04:26,469 --> 00:04:24,880

was asked

119

00:04:28,550 --> 00:04:26,479

some years ago

120

00:04:30,629 --> 00:04:28,560

about lazar and he said well you know

121

00:04:32,950 --> 00:04:30,639

you should be suspicious of anything

122

00:04:35,110 --> 00:04:32,960

coming out of america about ufos he says

123

00:04:37,270 --> 00:04:35,120

you know just consider

124

00:04:40,550 --> 00:04:37,280

that bob lazar has not been bothered at

125

00:04:42,870 --> 00:04:40,560

all by anybody for supposedly releasing

126

00:04:45,189 --> 00:04:42,880

what would be probably top secret

127

00:04:47,030 --> 00:04:45,199

information if it's true

128

00:04:49,270 --> 00:04:47,040

you know it was there's a paragraph i

129

00:04:51,110 --> 00:04:49,280

have that somewhere too yes and i i

130

00:04:54,070 --> 00:04:51,120

absolutely agree with you and in my in

131

00:04:56,390 --> 00:04:54,080

my episode uh yeah i did like a bob

132

00:04:58,870 --> 00:04:56,400

lazar bombshells episode of my show here

133

00:05:00,310 --> 00:04:58,880

i i cited the same exact thing you know

134

00:05:02,390 --> 00:05:00,320

if you're a real whistleblower there's

135

00:05:04,550 --> 00:05:02,400

consequences look at edward snowden

136

00:05:06,950 --> 00:05:04,560

there's been no consequences for him

137

00:05:08,870 --> 00:05:06,960

other than uh continually trying to make

138

00:05:10,950 --> 00:05:08,880

money from the story despite him saying

139

00:05:14,390 --> 00:05:10,960

that he doesn't make any money his book

140

00:05:16,790 --> 00:05:14,400

comes out i believe in november now

141

00:05:18,550 --> 00:05:16,800

really his autobiography yes

142

00:05:21,590 --> 00:05:18,560

well you know stephen to be really

143

00:05:23,749 --> 00:05:21,600

pretty sure he's getting paid for that

144

00:05:26,390 --> 00:05:23,759

i have um

145

00:05:27,670 --> 00:05:26,400

not a lot of interest in what's you know

146

00:05:30,230 --> 00:05:27,680

would be

147

00:05:32,390 --> 00:05:30,240

contemporary ufology i've

148

00:05:34,870 --> 00:05:32,400

by name called out all of these people i

149

00:05:36,790 --> 00:05:34,880

have a video online a presentation i did

150

00:05:37,909 --> 00:05:36,800

in sedona and i had a

151

00:05:39,510 --> 00:05:37,919

you know

152

00:05:41,029 --> 00:05:39,520

yes and i want to i just want to i don't

153

00:05:42,870 --> 00:05:41,039

i i'm sorry i don't want to interrupt

154

00:05:44,310 --> 00:05:42,880

you but i want to mention that to my

155

00:05:46,629 --> 00:05:44,320

listeners because i'm sure they'll find

156

00:05:47,909 --> 00:05:46,639

it of interest it's called ufo liars

157

00:05:49,029 --> 00:05:47,919

fakes

158

00:05:59,990 --> 00:05:49,039

phonies

159

00:06:01,670 --> 00:06:00,000

agree with most of what this article

160

00:06:03,749 --> 00:06:01,680

states which is

161

00:06:04,790 --> 00:06:03,759

what i said maybe we have some common

162

00:06:06,390 --> 00:06:04,800

ground

163

00:06:08,550 --> 00:06:06,400

well i am

164

00:06:11,029 --> 00:06:08,560

i always feel that anybody

165

00:06:12,070 --> 00:06:11,039

who's truly truly looking for the real

166

00:06:14,150 --> 00:06:12,080

truth

167

00:06:17,189 --> 00:06:14,160

is on the same side i am because that's

168

00:06:19,590 --> 00:06:17,199

what i'm interested in uh you might find

169

00:06:21,909 --> 00:06:19,600

out surprisingly that i don't have any

170

00:06:24,870 --> 00:06:21,919

beliefs about anything in the meyer case

171

00:06:27,029 --> 00:06:24,880

i can tell you what i think anybody can

172

00:06:28,230 --> 00:06:27,039

prove is true and then i i'm glad to

173

00:06:30,710 --> 00:06:28,240

always say there are things that are

174

00:06:33,830 --> 00:06:30,720

completely as far as i'm concerned

175

00:06:34,790 --> 00:06:33,840

uh what's the word i uh speculative

176

00:06:37,749 --> 00:06:34,800

because

177

00:06:39,110 --> 00:06:37,759

i have not been able to nor have i seen

178

00:06:41,670 --> 00:06:39,120

proof of

179

00:06:43,990 --> 00:06:41,680

uh positive one way or the other about

180

00:06:46,150 --> 00:06:44,000

certain things i might uh

181

00:06:48,309 --> 00:06:46,160

certainly throw in my um

182

00:06:49,909 --> 00:06:48,319

you know if asked well would you better

183

00:06:51,909 --> 00:06:49,919

admire being accurate i'd say well of

184

00:06:54,870 --> 00:06:51,919

course and i'll give you the reasons for

185

00:06:58,150 --> 00:06:54,880

it but for mo for what's called ufology

186

00:07:00,150 --> 00:06:58,160

it's a terribly corrupt unscientific

187

00:07:02,710 --> 00:07:00,160

bogus field

188

00:07:04,950 --> 00:07:02,720

that is filled again with charlatans

189

00:07:06,870 --> 00:07:04,960

fakes phonies liars and frauds

190

00:07:08,790 --> 00:07:06,880

and i you know i named them when i

191

00:07:10,629 --> 00:07:08,800

presented a contact in the desert some

192

00:07:11,909 --> 00:07:10,639

of them worked at that event i don't

193

00:07:14,070 --> 00:07:11,919

think they were in the room with me but

194

00:07:16,710 --> 00:07:14,080

i i'll tell them their faces

195

00:07:19,270 --> 00:07:16,720

uh and i you know just to to beat that

196

00:07:20,629 --> 00:07:19,280

dead horse i'll tell you why i take such

197

00:07:24,230 --> 00:07:20,639

a dim view of it

198

00:07:26,469 --> 00:07:24,240

every one of the people jeremy corbell

199

00:07:29,909 --> 00:07:26,479

david wilcock the odious

200

00:07:32,070 --> 00:07:29,919

uh you know duo with corey goode emery

201

00:07:34,070 --> 00:07:32,080

smith michael i could go through the

202

00:07:37,110 --> 00:07:34,080

list every one of them nick pope and

203

00:07:39,270 --> 00:07:37,120

richard dolan i have personally

204

00:07:42,710 --> 00:07:39,280

over the years either sent to or in the

205

00:07:44,390 --> 00:07:42,720

case of stephen greer in a public forum

206

00:07:47,110 --> 00:07:44,400

offered him everything in the meyer case

207

00:07:49,350 --> 00:07:47,120

for free so that he could you know stop

208

00:07:51,029 --> 00:07:49,360

parading those nice people who sure they

209

00:07:52,950 --> 00:07:51,039

saw something but they have no idea what

210

00:07:54,869 --> 00:07:52,960

it is uh you know only that it's an

211

00:07:56,390 --> 00:07:54,879

unidentified fly here stephen he

212

00:07:57,909 --> 00:07:56,400

wouldn't even look in my direction

213

00:08:01,110 --> 00:07:57,919

wouldn't acknowledge it wouldn't even

214

00:08:03,110 --> 00:08:01,120

decline these people are phonies why

215

00:08:04,629 --> 00:08:03,120

because they've been presented with the

216

00:08:06,230 --> 00:08:04,639

singular truth of the thing that they

217

00:08:08,869 --> 00:08:06,240

all claim

218

00:08:12,390 --> 00:08:08,879

that they want to find and not a one of

219

00:08:14,469 --> 00:08:12,400

them will even mention it because to do

220

00:08:16,629 --> 00:08:14,479

so is to direct the attention there for

221

00:08:20,070 --> 00:08:16,639

people to check it out for themselves

222

00:08:23,670 --> 00:08:20,080

not a one of those people have one piece

223

00:08:26,869 --> 00:08:23,680

of evidence of anything of verifiable

224

00:08:29,110 --> 00:08:26,879

non-terrestrial if you will manufacture

225

00:08:31,749 --> 00:08:29,120

so i have

226

00:08:33,750 --> 00:08:31,759

zero respect for the you know so-called

227

00:08:35,350 --> 00:08:33,760

ufo community and all the

228

00:08:37,670 --> 00:08:35,360

the clunks and i know people don't like

229

00:08:39,110 --> 00:08:37,680

me and it doesn't matter to me i'm

230

00:08:41,750 --> 00:08:39,120

interested in finding out you know what

231

00:08:43,990 --> 00:08:41,760

the truth is and quite frankly i can

232

00:08:45,990 --> 00:08:44,000

give you the essence of the truth

233

00:08:49,110 --> 00:08:46,000

in 12 seconds and something i didn't

234

00:08:51,190 --> 00:08:49,120

even author about 12 seconds well you

235

00:08:54,070 --> 00:08:51,200

know before we do that

236

00:08:56,230 --> 00:08:54,080

i want to get back to that but i i i

237

00:08:59,110 --> 00:08:56,240

wanted to finish uh just a point with

238

00:09:00,389 --> 00:08:59,120

bob lazar copying a great deal of his

239

00:09:03,030 --> 00:09:00,399

story

240

00:09:05,350 --> 00:09:03,040

a great deal of material shall we say

241

00:09:08,150 --> 00:09:05,360

i mean i can prove that he got the

242

00:09:09,990 --> 00:09:08,160

material and watched it with gene huff

243

00:09:12,550 --> 00:09:10,000

and and you know went through it with

244

00:09:15,190 --> 00:09:12,560

gene huff because john lear gave copies

245

00:09:17,509 --> 00:09:15,200

of all the billy meyer material videos

246

00:09:19,509 --> 00:09:17,519

pictures you know

247

00:09:21,350 --> 00:09:19,519

printed materials all

248

00:09:23,590 --> 00:09:21,360

he john lear had it all and he had to

249

00:09:25,190 --> 00:09:23,600

copy it all to give to gene huff and you

250

00:09:27,269 --> 00:09:25,200

know so

251

00:09:29,670 --> 00:09:27,279

there's also a mention of anti-gravity

252

00:09:30,710 --> 00:09:29,680

engine in the beam ships

253

00:09:32,310 --> 00:09:30,720

i'm sorry

254

00:09:34,230 --> 00:09:32,320

an engine which was powered by

255

00:09:37,430 --> 00:09:34,240

anti-matter

256

00:09:40,710 --> 00:09:37,440

this is bob lazar's design for

257

00:09:42,790 --> 00:09:40,720

how his ships were powered as well

258

00:09:44,790 --> 00:09:42,800

so you know what do you think of the

259

00:09:47,350 --> 00:09:44,800

connection or the likelihood that bob

260

00:09:50,150 --> 00:09:47,360

lazar copied a great deal of his story

261

00:09:53,269 --> 00:09:50,160

from billy meyer's story well it's the

262

00:09:55,030 --> 00:09:53,279

same as it's true for people like the

263

00:09:57,829 --> 00:09:55,040

so-called you don't hear much about them

264

00:09:58,550 --> 00:09:57,839

anymore but so-called andromedan contact

265

00:10:00,949 --> 00:09:58,560

he

266

00:10:03,110 --> 00:10:00,959

uh alex collier

267

00:10:06,630 --> 00:10:03,120

whose real name is ralph emigron and is

268

00:10:07,829 --> 00:10:06,640

the person that gave me myers 1800 first

269

00:10:09,750 --> 00:10:07,839

pages of

270

00:10:12,630 --> 00:10:09,760

contact reports it's the same

271

00:10:14,630 --> 00:10:12,640

thing openminds tv

272

00:10:17,670 --> 00:10:14,640

they acquired

273

00:10:20,470 --> 00:10:17,680

uh from wendell stevens or his estate

274

00:10:22,230 --> 00:10:20,480

all of wendell stephen's original stuff

275

00:10:24,069 --> 00:10:22,240

and which included you know stuff on the

276

00:10:26,949 --> 00:10:24,079

meyer case and what they do is they

277

00:10:30,150 --> 00:10:26,959

publish posters and photographs and they

278

00:10:31,430 --> 00:10:30,160

then say it's all a hoax i mean

279

00:10:34,150 --> 00:10:31,440

this is

280

00:10:35,829 --> 00:10:34,160

of

281

00:10:38,470 --> 00:10:35,839

just unethical

282

00:10:40,389 --> 00:10:38,480

behavior lazar i'm sure right in there

283

00:10:42,230 --> 00:10:40,399

you just throw them all in there because

284

00:10:44,470 --> 00:10:42,240

they're all playing this game it is

285

00:10:45,509 --> 00:10:44,480

simply disinformation distraction and

286

00:10:47,269 --> 00:10:45,519

profit

287

00:10:49,509 --> 00:10:47,279

to me

288

00:10:52,069 --> 00:10:49,519

well uh couldn't the same be said for

289

00:10:54,389 --> 00:10:52,079

billy meyer profiting off of his story i

290

00:10:55,509 --> 00:10:54,399

mean no no i'll tell you why i mean i

291

00:10:57,590 --> 00:10:55,519

don't mean to jump too quickly but

292

00:11:00,550 --> 00:10:57,600

here's here's the reality of a lot of

293

00:11:02,550 --> 00:11:00,560

people say oh cult cultists and that

294

00:11:05,590 --> 00:11:02,560

billy meyer and his group he has a group

295

00:11:06,710 --> 00:11:05,600

of people he who like him operate

296

00:11:07,670 --> 00:11:06,720

within

297

00:11:23,750 --> 00:11:07,680

a

298

00:11:26,150 --> 00:11:23,760

i've gone now 20 times i didn't see it

299

00:11:28,550 --> 00:11:26,160

this year to be honest but uh every year

300

00:11:30,069 --> 00:11:28,560

at the monthly meeting in may

301  
00:11:31,750 --> 00:11:30,079  
for the international people you know

302  
00:11:33,350 --> 00:11:31,760  
group people that come from around the

303  
00:11:34,069 --> 00:11:33,360  
world to participate that's a small

304  
00:11:36,870 --> 00:11:34,079  
group

305  
00:11:39,430 --> 00:11:36,880  
they show their financials and it zeroes

306  
00:11:41,190 --> 00:11:39,440  
out you know what came in what was what

307  
00:11:43,509 --> 00:11:41,200  
came in from publishing or what

308  
00:11:44,870 --> 00:11:43,519  
donations and what were the costs and

309  
00:11:46,870 --> 00:11:44,880  
when they publish their books they

310  
00:11:48,790 --> 00:11:46,880  
publish very high quality books they're

311  
00:11:51,910 --> 00:11:48,800  
not inexpensive

312  
00:11:54,389 --> 00:11:51,920  
now you don't have to buy myers books in

313  
00:11:57,670 --> 00:11:54,399

order to get the gist of his writings

314

00:11:58,949 --> 00:11:57,680

because on several websites including

315

00:12:01,190 --> 00:11:58,959

mine including

316

00:12:03,190 --> 00:12:01,200

a very good one from britain called

317

00:12:06,310 --> 00:12:03,200

future of mankind

318

00:12:08,790 --> 00:12:06,320

they put up contact reports up into the

319

00:12:09,990 --> 00:12:08,800

700s which is now where we're at with

320

00:12:11,590 --> 00:12:10,000

those

321

00:12:13,030 --> 00:12:11,600

and we have

322

00:12:14,470 --> 00:12:13,040

lots of articles from what we call the

323

00:12:17,269 --> 00:12:14,480

spiritual teaching

324

00:12:18,629 --> 00:12:17,279

on my site uh and on other sites and

325

00:12:20,550 --> 00:12:18,639

there's other people

326

00:12:22,870 --> 00:12:20,560

internationally that put the information

327

00:12:26,069 --> 00:12:22,880

up for free well you know i do have a

328

00:12:28,790 --> 00:12:26,079

question though sure uh i i mentioned to

329

00:12:30,470 --> 00:12:28,800

you that when i was a child that was the

330

00:12:32,310 --> 00:12:30,480

time i first saw a billy meyer

331

00:12:34,710 --> 00:12:32,320

photograph and it was in a ufo book and

332

00:12:37,190 --> 00:12:34,720

i cannot recall what the book was i was

333

00:12:39,430 --> 00:12:37,200

so young when i first saw that

334

00:12:41,990 --> 00:12:39,440

and uh one of the things i wondered

335

00:12:44,069 --> 00:12:42,000

looking into this again

336

00:12:47,430 --> 00:12:44,079

is

337

00:12:50,629 --> 00:12:47,440

all of the photographs and and the films

338

00:12:52,629 --> 00:12:50,639

which are available online are very very

339

00:12:55,509 --> 00:12:52,639

terrible quality

340

00:12:57,670 --> 00:12:55,519

but i'm told that in the books they're

341

00:12:58,710 --> 00:12:57,680

really great quality the books that you

342

00:13:00,710 --> 00:12:58,720

purchase

343

00:13:03,590 --> 00:13:00,720

so what i i guess what i want to know is

344

00:13:05,670 --> 00:13:03,600

why can't we have an archive somewhere

345

00:13:07,670 --> 00:13:05,680

of the highest quality

346

00:13:10,310 --> 00:13:07,680

rescan the negatives if the negatives

347

00:13:12,870 --> 00:13:10,320

are available so that maybe a new

348

00:13:14,870 --> 00:13:12,880

generation of people can look at these

349

00:13:16,470 --> 00:13:14,880

sure instead of relying on instead of

350

00:13:18,670 --> 00:13:16,480

relying on

351

00:13:21,190 --> 00:13:18,680

the the word of people from like the

352

00:13:24,550 --> 00:13:21,200

1970s about their authenticity with

353

00:13:26,710 --> 00:13:24,560

their 1970s computers and equipment you

354

00:13:28,629 --> 00:13:26,720

know right well let me let me jump into

355

00:13:30,310 --> 00:13:28,639

that for you first of all

356

00:13:32,790 --> 00:13:30,320

there's uh some of the films are

357

00:13:34,790 --> 00:13:32,800

actually fairly good quality they may be

358

00:13:36,790 --> 00:13:34,800

a couple generations down and some of

359

00:13:38,870 --> 00:13:36,800

the stuff that's online and some of the

360

00:13:41,350 --> 00:13:38,880

photos a lot of the photos a matter of

361

00:13:43,269 --> 00:13:41,360

fact that you can just get you know for

362

00:13:45,269 --> 00:13:43,279

free are pretty good quality but

363

00:13:48,670 --> 00:13:45,279

recently what happened was within the

364

00:13:50,389 --> 00:13:48,680

last two years they digitized about

365

00:13:53,350 --> 00:13:50,399

617

366

00:13:54,870 --> 00:13:53,360

of myers primarily but not exclusively

367

00:13:56,389 --> 00:13:54,880

daytime photos

368

00:13:57,590 --> 00:13:56,399

and this is very interesting where this

369

00:13:59,670 --> 00:13:57,600

goes because

370

00:14:01,269 --> 00:13:59,680

uh they're in a book and you know sure

371

00:14:03,189 --> 00:14:01,279

it's an expensive book and all that but

372

00:14:05,189 --> 00:14:03,199

you can somebody is certainly going to

373

00:14:06,310 --> 00:14:05,199

at some point scan those in or whatever

374

00:14:09,110 --> 00:14:06,320

that's fine

375

00:14:11,829 --> 00:14:09,120

billy is not all that concerned with ufo

376

00:14:13,430 --> 00:14:11,839

photos and i know that firsthand now

377

00:14:15,189 --> 00:14:13,440

in those photos because the book

378

00:14:17,509 --> 00:14:15,199

whatever book you saw

379

00:14:19,269 --> 00:14:17,519

when you were younger didn't include

380

00:14:21,590 --> 00:14:19,279

some very very

381

00:14:23,670 --> 00:14:21,600

important photos of myers

382

00:14:25,509 --> 00:14:23,680

and so i do want to do that and i'll

383

00:14:28,550 --> 00:14:25,519

stay on this or any part of it you want

384

00:14:31,509 --> 00:14:28,560

i want to throw in the 12 second

385

00:14:33,590 --> 00:14:31,519

oh sure yes uh we we can definitely we

386

00:14:36,150 --> 00:14:33,600

can definitely go to that you say that

387

00:14:37,910 --> 00:14:36,160

you could sum up the truth of the billy

388

00:14:40,389 --> 00:14:37,920

meyer case in a in a very short

389

00:14:41,430 --> 00:14:40,399

sustained kind of way i would love to

390

00:14:43,829 --> 00:14:41,440

hear that

391

00:14:45,110 --> 00:14:43,839

here is a statement that i didn't author

392

00:14:46,470 --> 00:14:45,120

but i want you to

393

00:14:48,710 --> 00:14:46,480

pay attention to it then of course i've

394

00:14:50,470 --> 00:14:48,720

got the full article six pages online

395

00:14:52,710 --> 00:14:50,480

and i'll explain all about it but here's

396

00:14:55,350 --> 00:14:52,720

what's said by the person that wrote it

397

00:14:57,590 --> 00:14:55,360

now the first question in

398

00:15:00,310 --> 00:14:57,600

everyone's mind should be

399

00:15:07,590 --> 00:15:00,320

where did billy meyer get a photo album

400

00:15:12,629 --> 00:15:10,069

now this turns out to actually be the

401  
00:15:14,949 --> 00:15:12,639  
foundational evidence and it turns out

402  
00:15:16,310 --> 00:15:14,959  
to be ironclad so let me fill you in and

403  
00:15:18,470 --> 00:15:16,320  
i don't mind questions or challenges you

404  
00:15:20,550 --> 00:15:18,480  
know i make statements and people go oh

405  
00:15:23,030 --> 00:15:20,560  
he's over the top so let me see i i

406  
00:15:25,030 --> 00:15:23,040  
definitely want to get into some of this

407  
00:15:27,430 --> 00:15:25,040  
photographic evidence and the counter

408  
00:15:28,710 --> 00:15:27,440  
arguments for some of it as well sure

409  
00:15:30,790 --> 00:15:28,720  
because you also don't know that there

410  
00:15:33,910 --> 00:15:30,800  
have been recent state-of-the-art

411  
00:15:35,350 --> 00:15:33,920  
computer analysis of some of the most

412  
00:15:36,550 --> 00:15:35,360  
interesting and controversial for that i

413  
00:15:37,910 --> 00:15:36,560

would be very i have a background in

414

00:15:40,870 --> 00:15:37,920

computer science i would be very

415

00:15:42,389 --> 00:15:40,880

interested in that oh perfect and and

416

00:15:44,470 --> 00:15:42,399

we're going to get all this and i'll be

417

00:15:46,470 --> 00:15:44,480

able to send you links on everything

418

00:15:47,990 --> 00:15:46,480

we're speaking about so great

419

00:15:49,590 --> 00:15:48,000

here's what i want to tell you about the

420

00:15:51,110 --> 00:15:49,600

paragraph that i read the short

421

00:15:52,870 --> 00:15:51,120

paragraph

422

00:15:54,629 --> 00:15:52,880

this was authored by a man who

423

00:15:56,870 --> 00:15:54,639

approached me two and a half years ago

424

00:15:59,509 --> 00:15:56,880

on the phone i didn't know him an older

425

00:16:02,069 --> 00:15:59,519

guy gruff very intense he said his name

426

00:16:04,150 --> 00:16:02,079

was joe he said i'm an investigator are

427

00:16:06,389 --> 00:16:04,160

you michael horn i said yes i am do you

428

00:16:08,470 --> 00:16:06,399

want to talk about this billy meyer case

429

00:16:10,230 --> 00:16:08,480

with me i said sure that's what i do he

430

00:16:11,670 --> 00:16:10,240

said now are you sure because i think it

431

00:16:12,629 --> 00:16:11,680

could be a hoax i said yeah well let's

432

00:16:15,110 --> 00:16:12,639

go

433

00:16:17,110 --> 00:16:15,120

for three months we went back and forth

434

00:16:19,350 --> 00:16:17,120

every saturday morning the phone rang it

435

00:16:21,590 --> 00:16:19,360

was joe's about 8 30 or 9

436

00:16:23,189 --> 00:16:21,600

and he'd ask questions i could tell some

437

00:16:24,949 --> 00:16:23,199

of the answers weren't all that

438

00:16:27,430 --> 00:16:24,959

satisfying other ones were

439

00:16:29,269 --> 00:16:27,440

interesting so he disappears

440

00:16:30,710 --> 00:16:29,279

at the end of march

441

00:16:34,870 --> 00:16:30,720

then the phone rings at the end of

442

00:16:36,389 --> 00:16:34,880

august of 2017 and it's joe and joe says

443

00:16:37,990 --> 00:16:36,399

it's me he's still willing to talk to me

444

00:16:39,829 --> 00:16:38,000

he said yeah of course

445

00:16:41,670 --> 00:16:39,839

he said okay tell you what i want to do

446

00:16:43,110 --> 00:16:41,680

i want to tell you who i am and then i

447

00:16:46,069 --> 00:16:43,120

want to tell you about your billy myer

448

00:16:48,949 --> 00:16:46,079

case i said well fine he said i am

449

00:16:51,590 --> 00:16:48,959

formerly a top investigator

450

00:16:53,749 --> 00:16:51,600

with the usaf osi that's the united

451  
00:16:55,030 --> 00:16:53,759  
states air force office of special

452  
00:16:56,710 --> 00:16:55,040  
investigation

453  
00:16:58,230 --> 00:16:56,720  
uh we don't have anything to do with

454  
00:17:01,990 --> 00:16:58,240  
ufos but

455  
00:17:04,390 --> 00:17:02,000  
i have personally vetted i supervised

456  
00:17:06,230 --> 00:17:04,400  
investigated hundreds

457  
00:17:07,829 --> 00:17:06,240  
of people hundreds in

458  
00:17:09,909 --> 00:17:07,839  
in the room with them vetting them and

459  
00:17:11,510 --> 00:17:09,919  
their credibility and

460  
00:17:12,949 --> 00:17:11,520  
their nature and their character because

461  
00:17:15,270 --> 00:17:12,959  
a lot of these people could have their

462  
00:17:17,510 --> 00:17:15,280  
finger one day some of them anyhow

463  
00:17:19,510 --> 00:17:17,520

on the nuclear trigger these were

464

00:17:21,429 --> 00:17:19,520

people already in office running for

465

00:17:22,949 --> 00:17:21,439

office aspiring for higher office

466

00:17:24,949 --> 00:17:22,959

military people

467

00:17:27,669 --> 00:17:24,959

he said and also we would ferret out

468

00:17:29,750 --> 00:17:27,679

moles and spies and so he says i i know

469

00:17:32,549 --> 00:17:29,760

how to investigate and i took

470

00:17:34,549 --> 00:17:32,559

very standard investigative procedure to

471

00:17:36,310 --> 00:17:34,559

the information of the case but i did

472

00:17:39,590 --> 00:17:36,320

something a little different i said what

473

00:17:41,669 --> 00:17:39,600

he says i went right back to the 1964

474

00:17:43,430 --> 00:17:41,679

india photographs

475

00:17:45,590 --> 00:17:43,440

and that article

476

00:17:48,390 --> 00:17:45,600

published in that newspaper the delhi

477

00:17:50,549 --> 00:17:48,400

statesman in 1964 september

478

00:17:52,549 --> 00:17:50,559

and i said yeah he said well

479

00:17:54,950 --> 00:17:52,559

i researched that newspaper had been

480

00:17:57,430 --> 00:17:54,960

around for at least 100 years before

481

00:18:00,150 --> 00:17:57,440

highly credible the man who was the

482

00:18:02,870 --> 00:18:00,160

reporter also solid credentials there's

483

00:18:05,669 --> 00:18:02,880

billy myers photograph in there he's 27

484

00:18:07,590 --> 00:18:05,679

years old and this guy is telling how he

485

00:18:10,870 --> 00:18:07,600

meets this vagabond traveling around

486

00:18:13,029 --> 00:18:10,880

with a knapsack and an album with 80 ufo

487

00:18:16,390 --> 00:18:13,039

photos and you've got about a dozen of

488

00:18:18,310 --> 00:18:16,400

those photos to this day the same photos

489

00:18:19,430 --> 00:18:18,320

so all these skeptics that are attacking

490

00:18:20,870 --> 00:18:19,440

your case

491

00:18:22,070 --> 00:18:20,880

and that's what i just read you that

492

00:18:23,990 --> 00:18:22,080

whole thing

493

00:18:25,950 --> 00:18:24,000

the first question their mind should be

494

00:18:27,510 --> 00:18:25,960

where did billy meyer

495

00:18:30,789 --> 00:18:27,520

1964

496

00:18:34,630 --> 00:18:30,799

get a photo album with dozens of ufo

497

00:18:37,510 --> 00:18:34,640

photos taken back in 64. and by the way

498

00:18:39,830 --> 00:18:37,520

with a kodak bellows camera which my

499

00:18:40,710 --> 00:18:39,840

editorial here my father had one very

500

00:18:42,390 --> 00:18:40,720

very

501  
00:18:44,549 --> 00:18:42,400  
clumsy thing to operate

502  
00:18:46,950 --> 00:18:44,559  
no special effects possible with that

503  
00:18:48,549 --> 00:18:46,960  
thing uh you were lucky to you know when

504  
00:18:50,710 --> 00:18:48,559  
it got developed that you had nice good

505  
00:18:53,350 --> 00:18:50,720  
black and white photos he said look and

506  
00:18:56,230 --> 00:18:53,360  
then i looked into this woman pogba

507  
00:18:59,590 --> 00:18:56,240  
chang who at the time that meyer was in

508  
00:19:00,549 --> 00:18:59,600  
india was a young girl at the ashram of

509  
00:19:05,750 --> 00:19:00,559  
her

510  
00:19:07,669 --> 00:19:05,760  
ashram and that years later in 1995 or

511  
00:19:09,510 --> 00:19:07,679  
eight she came forward with another

512  
00:19:12,070 --> 00:19:09,520  
woman who had been there

513  
00:19:14,710 --> 00:19:12,080

and they just you know gave a

514

00:19:16,390 --> 00:19:14,720

press conference it's videotaped and she

515

00:19:18,549 --> 00:19:16,400

had nothing to gain neither of them did

516

00:19:20,470 --> 00:19:18,559

by coming forward to tell what they had

517

00:19:22,549 --> 00:19:20,480

seen that there were 100 eyewitnesses

518

00:19:24,310 --> 00:19:22,559

too often times when these craft were

519

00:19:26,710 --> 00:19:24,320

hovering there was a woman who walked

520

00:19:28,310 --> 00:19:26,720

the grounds you know i got one one thing

521

00:19:30,070 --> 00:19:28,320

that bothered me

522

00:19:32,470 --> 00:19:30,080

i'm sorry one thing that bothers me i've

523

00:19:34,630 --> 00:19:32,480

heard this story i i in fact i listened

524

00:19:36,230 --> 00:19:34,640

to her entire i listened to everything

525

00:19:38,870 --> 00:19:36,240

that i could find this woman speaking

526  
00:19:40,150 --> 00:19:38,880  
about the case one thing that bothers me

527  
00:19:42,710 --> 00:19:40,160  
though when you say well hundreds of

528  
00:19:45,270 --> 00:19:42,720  
people witness these craft

529  
00:19:46,549 --> 00:19:45,280  
there is not a single

530  
00:19:48,310 --> 00:19:46,559  
source

531  
00:19:49,669 --> 00:19:48,320  
of pictures or

532  
00:19:52,230 --> 00:19:49,679  
or evidence

533  
00:19:55,029 --> 00:19:52,240  
of that taking place from anyone other

534  
00:19:57,190 --> 00:19:55,039  
than billy meyer why has no one else

535  
00:19:58,630 --> 00:19:57,200  
independently taken a picture or

536  
00:20:00,789 --> 00:19:58,640  
provided there are

537  
00:20:03,750 --> 00:20:00,799  
five other friends i've heard i've heard

538  
00:20:06,149 --> 00:20:03,760

michael i've heard you say that too that

539

00:20:08,710 --> 00:20:06,159

oh hundreds of people witnessed this or

540

00:20:10,310 --> 00:20:08,720

or a small group was with billy when

541

00:20:12,310 --> 00:20:10,320

this beam ship came in and that beam

542

00:20:15,350 --> 00:20:12,320

ship i keep hearing that all these

543

00:20:17,430 --> 00:20:15,360

people we don't have a single photograph

544

00:20:19,750 --> 00:20:17,440

or from anyone other than billy meyer

545

00:20:22,070 --> 00:20:19,760

though i'll have to find them but there

546

00:20:24,549 --> 00:20:22,080

are there's also no independent

547

00:20:27,590 --> 00:20:24,559

photographers okay but there's also no

548

00:20:29,909 --> 00:20:27,600

other independent person outside of

549

00:20:31,350 --> 00:20:29,919

billy myers circle that has ever taken a

550

00:20:34,149 --> 00:20:31,360

picture of the

551

00:20:35,909 --> 00:20:34,159

same craft no that's what i'm saying

552

00:20:38,470 --> 00:20:35,919

there was somebody

553

00:20:40,549 --> 00:20:38,480

in another country who did

554

00:20:42,710 --> 00:20:40,559

accidentally capture one of the craft

555

00:20:44,710 --> 00:20:42,720

and sent found out about meyer and sent

556

00:20:46,549 --> 00:20:44,720

the photo for him to see you know they

557

00:20:49,190 --> 00:20:46,559

know you're right i do recall i do

558

00:20:51,590 --> 00:20:49,200

recall that one that yeah well

559

00:20:52,950 --> 00:20:51,600

and here's the thing there's over 125

560

00:20:54,470 --> 00:20:52,960

eyewitnesses right now if we want to

561

00:20:56,390 --> 00:20:54,480

talk about it i'm an eyewitness i've

562

00:20:59,110 --> 00:20:56,400

been within 20 feet of a crap but that's

563

00:21:02,470 --> 00:20:59,120

anecdotal so let me stop you right there

564

00:21:04,470 --> 00:21:02,480

uh that leads me to another question

565

00:21:07,750 --> 00:21:04,480

why has no one taken a picture of these

566

00:21:09,110 --> 00:21:07,760

craft with a modern digital camera

567

00:21:10,470 --> 00:21:09,120

well i'll tell you

568

00:21:11,430 --> 00:21:10,480

as meyer

569

00:21:13,350 --> 00:21:11,440

well you know

570

00:21:14,149 --> 00:21:13,360

let's we'll do the one allegedly because

571

00:21:15,909 --> 00:21:14,159

people

572

00:21:17,830 --> 00:21:15,919

uh you know there's i will just tell you

573

00:21:19,110 --> 00:21:17,840

according to the information of the case

574

00:21:21,510 --> 00:21:19,120

and then people can make up their own

575

00:21:24,149 --> 00:21:21,520

mind as an approach

576

00:21:26,149 --> 00:21:24,159

okay 1980 81

577

00:21:27,350 --> 00:21:26,159

meyer was talking to them after he took

578

00:21:29,190 --> 00:21:27,360

and i know you'll want to talk about

579

00:21:31,669 --> 00:21:29,200

this one the wedding craft but we can

580

00:21:34,470 --> 00:21:31,679

get to that he said something about some

581

00:21:36,310 --> 00:21:34,480

more photos or films and they said to

582

00:21:39,669 --> 00:21:36,320

him we're not going to do any more photo

583

00:21:42,950 --> 00:21:39,679

ops you have over 1200

584

00:21:44,390 --> 00:21:42,960

ufo photos eight films and a video

585

00:21:46,070 --> 00:21:44,400

you know all taken with pre-digital

586

00:21:47,350 --> 00:21:46,080

equipment and the problem is that we're

587

00:21:49,510 --> 00:21:47,360

entering

588

00:21:51,990 --> 00:21:49,520

the digital age on earth and you're

589

00:21:53,350 --> 00:21:52,000

going to be attacked anyhow for all of

590

00:21:55,590 --> 00:21:53,360

this stuff all of your evidence

591

00:21:58,390 --> 00:21:55,600

everything you wrote and it would be

592

00:21:59,430 --> 00:21:58,400

pointless if once digital equipment is

593

00:22:01,750 --> 00:21:59,440

available

594

00:22:03,830 --> 00:22:01,760

that we take photographs or allow

595

00:22:05,669 --> 00:22:03,840

photographs or films or what have you

596

00:22:08,310 --> 00:22:05,679

now this speaks also

597

00:22:11,909 --> 00:22:08,320

to the three new analyses that were done

598

00:22:12,630 --> 00:22:11,919

with 21st century technology and you'll

599

00:22:14,630 --> 00:22:12,640

we

600

00:22:16,230 --> 00:22:14,640

you know in regard to the photo evidence

601  
00:22:18,950 --> 00:22:16,240  
though i mean

602  
00:22:20,950 --> 00:22:18,960  
uh i i mean i have to be very

603  
00:22:22,710 --> 00:22:20,960  
i just blunt like

604  
00:22:24,950 --> 00:22:22,720  
a lot of people say they're just models

605  
00:22:26,789 --> 00:22:24,960  
on strings and oh

606  
00:22:29,029 --> 00:22:26,799  
first let me get to one one other point

607  
00:22:31,430 --> 00:22:29,039  
that i need to make you're saying that a

608  
00:22:32,470 --> 00:22:31,440  
retired osi

609  
00:22:34,149 --> 00:22:32,480  
officer

610  
00:22:35,270 --> 00:22:34,159  
investigated billy meyer and said yeah

611  
00:22:37,909 --> 00:22:35,280  
it's it's

612  
00:22:40,390 --> 00:22:37,919  
this this may be a genuine case and all

613  
00:22:43,190 --> 00:22:40,400

no he didn't say that he said he's

614

00:22:45,750 --> 00:22:43,200

genuine and he will take on any skeptics

615

00:22:47,510 --> 00:22:45,760

on my behalf he took on kevin randle

616

00:22:49,750 --> 00:22:47,520

that lasted two minutes and he took on a

617

00:22:51,750 --> 00:22:49,760

guy in india that lasted two minutes

618

00:22:54,470 --> 00:22:51,760

because none of these people in the ufo

619

00:22:56,870 --> 00:22:54,480

community are competent to discuss

620

00:22:59,190 --> 00:22:56,880

research well here let me let me let me

621

00:23:02,310 --> 00:22:59,200

see you one

622

00:23:03,990 --> 00:23:02,320

one air force osi

623

00:23:06,789 --> 00:23:04,000

investigator

624

00:23:09,430 --> 00:23:06,799

that says billy myers case is genuine i

625

00:23:12,149 --> 00:23:09,440

s i see you have that card and i will

626  
00:23:13,350 --> 00:23:12,159  
raise you my card which is in another

627  
00:23:15,830 --> 00:23:13,360  
air force

628  
00:23:18,390 --> 00:23:15,840  
office of special investigation

629  
00:23:21,110 --> 00:23:18,400  
uh former employee

630  
00:23:22,870 --> 00:23:21,120  
richard doty who says

631  
00:23:24,470 --> 00:23:22,880  
in an interview with that i conducted

632  
00:23:26,870 --> 00:23:24,480  
with him he

633  
00:23:28,390 --> 00:23:26,880  
was called in to look into the meyer

634  
00:23:30,870 --> 00:23:28,400  
case

635  
00:23:34,870 --> 00:23:33,029  
government officials from billy myers

636  
00:23:36,630 --> 00:23:34,880  
country

637  
00:23:40,149 --> 00:23:36,640  
they went and when they went out there

638  
00:23:41,269 --> 00:23:40,159

they found strings and things in in odd

639

00:23:43,909 --> 00:23:41,279

places

640

00:23:46,789 --> 00:23:43,919

and and many other things that let me so

641

00:23:49,909 --> 00:23:46,799

they had they had an uh the the photos

642

00:23:51,990 --> 00:23:49,919

analyzed and saw strings they had photos

643

00:23:53,269 --> 00:23:52,000

analyzed that said it was forced

644

00:23:57,029 --> 00:23:53,279

perspective

645

00:23:59,830 --> 00:23:57,039

it's a model there's miniatures this art

646

00:24:01,669 --> 00:23:59,840

these photos are fake so when but here's

647

00:24:03,350 --> 00:24:01,679

the thing michael when you say i you

648

00:24:06,549 --> 00:24:03,360

know you you make these statements like

649

00:24:08,950 --> 00:24:06,559

i have a an air force office of special

650

00:24:11,190 --> 00:24:08,960

investigations investigator that looked

651  
00:24:13,430 --> 00:24:11,200  
in and said this is a real case well

652  
00:24:15,510 --> 00:24:13,440  
there's a another guy that looked into

653  
00:24:25,550 --> 00:24:15,520  
it with the officials from billy myers

654  
00:24:25,560 --> 00:24:35,510  
[Music]

655  
00:24:38,950 --> 00:24:37,430  
the investigator said and i said to him

656  
00:24:40,230 --> 00:24:38,960  
well do you want to go on any show he

657  
00:24:42,710 --> 00:24:40,240  
says look

658  
00:24:44,549 --> 00:24:42,720  
i gave you an analysis

659  
00:24:47,830 --> 00:24:44,559  
that doesn't require

660  
00:24:49,669 --> 00:24:47,840  
me or anybody else anybody who knows how

661  
00:24:52,390 --> 00:24:49,679  
to think if they go through my six page

662  
00:24:54,870 --> 00:24:52,400  
article they will find how they can

663  
00:24:57,269 --> 00:24:54,880

determine the truth for themselves and

664

00:25:00,070 --> 00:24:57,279

he says that's why i'm telling you it's

665

00:25:01,669 --> 00:25:00,080

ironclad now he went into things like

666

00:25:03,430 --> 00:25:01,679

the films and the fact that wally

667

00:25:07,669 --> 00:25:03,440

gentleman who was the special effects

668

00:25:09,430 --> 00:25:07,679

director for 2001 did a whole thing

669

00:25:10,950 --> 00:25:09,440

he actually made a model for the

670

00:25:12,789 --> 00:25:10,960

investigators to take over to take

671

00:25:14,390 --> 00:25:12,799

photographs so they could compare them

672

00:25:16,710 --> 00:25:14,400

to myers photographs he said look

673

00:25:17,990 --> 00:25:16,720

gentleman says what about but but what

674

00:25:22,470 --> 00:25:18,000

about

675

00:25:25,350 --> 00:25:22,480

langdon on youtube because i work with

676

00:25:28,549 --> 00:25:25,360

phil langdon in 2009 to help him make

677

00:25:31,110 --> 00:25:28,559

his best efforts but phil langdon

678

00:25:32,710 --> 00:25:31,120

two things one way i should just i just

679

00:25:34,470 --> 00:25:32,720

i should just explain to my listeners

680

00:25:36,230 --> 00:25:34,480

very very very quickly i'll be very very

681

00:25:38,870 --> 00:25:36,240

quick phil langdon is a person on

682

00:25:40,789 --> 00:25:38,880

youtube that i believe he's devastated

683

00:25:42,789 --> 00:25:40,799

the videos and models and he's done it

684

00:25:45,110 --> 00:25:42,799

all using one arm

685

00:25:47,190 --> 00:25:45,120

because an argument has been made that a

686

00:25:49,430 --> 00:25:47,200

one-armed man couldn't hang the strings

687

00:25:51,510 --> 00:25:49,440

and build these models so he did this

688

00:25:53,350 --> 00:25:51,520

stuff with one arm steven how do you

689

00:25:55,909 --> 00:25:53,360

know he did it with one arm

690

00:25:58,149 --> 00:25:55,919

because i have some information that

691

00:25:59,350 --> 00:25:58,159

shows me he didn't and not only that let

692

00:26:01,990 --> 00:25:59,360

me go further

693

00:26:04,230 --> 00:26:02,000

i tried to help him to make his best

694

00:26:06,070 --> 00:26:04,240

efforts because i know the evidence is

695

00:26:08,390 --> 00:26:06,080

real and it's another matter but i said

696

00:26:11,029 --> 00:26:08,400

fine take your best shot he produced a

697

00:26:13,110 --> 00:26:11,039

video of the so-called famous pendulum

698

00:26:15,590 --> 00:26:13,120

craft and then i pointed out to him that

699

00:26:18,390 --> 00:26:15,600

he neglected to show that the craft

700

00:26:19,669 --> 00:26:18,400

suddenly stops at an angle going up to

701  
00:26:21,590 --> 00:26:19,679  
the left

702  
00:26:24,470 --> 00:26:21,600  
for about four seconds and then resumes

703  
00:26:27,269 --> 00:26:24,480  
its moment oh he attached another wire

704  
00:26:29,669 --> 00:26:27,279  
okay so how many wires would one arm

705  
00:26:31,830 --> 00:26:29,679  
billy meyer have to have to pull that

706  
00:26:33,750 --> 00:26:31,840  
off now let's go a little farther and

707  
00:26:35,590 --> 00:26:33,760  
phil langdon i said great phil you

708  
00:26:37,750 --> 00:26:35,600  
because phil langdon is a brilliant

709  
00:26:39,430 --> 00:26:37,760  
model maker i told him i said you're

710  
00:26:41,830 --> 00:26:39,440  
terrific you don't have you didn't

711  
00:26:44,310 --> 00:26:41,840  
duplicate meyer's stuff but you created

712  
00:26:46,549 --> 00:26:44,320  
a similar effect i said so

713  
00:26:49,830 --> 00:26:46,559

but i gotta i gotta tell you just just

714

00:26:52,070 --> 00:26:49,840

from my eyes it looks pretty close it

715

00:26:54,390 --> 00:26:52,080

looks really really nice yeah but your

716

00:26:57,110 --> 00:26:54,400

part but the the thing is like what you

717

00:26:59,510 --> 00:26:57,120

just said with this okay so in one video

718

00:27:01,909 --> 00:26:59,520

the the craft didn't make the exact

719

00:27:04,149 --> 00:27:01,919

movement that it made in mind

720

00:27:06,789 --> 00:27:04,159

i mean this is this is like

721

00:27:09,510 --> 00:27:06,799

steven tiny details wait a second hold

722

00:27:11,990 --> 00:27:09,520

on in all due respect i've i've spent 40

723

00:27:13,909 --> 00:27:12,000

years on this rolling it around thinking

724

00:27:16,070 --> 00:27:13,919

it's a hoax myself

725

00:27:17,909 --> 00:27:16,080

trying to trick meyer four times in

726

00:27:19,830 --> 00:27:17,919

three years oh so let me just back it up

727

00:27:22,310 --> 00:27:19,840

so you understand what i'm saying the

728

00:27:24,230 --> 00:27:22,320

guy can build a model and puts a little

729

00:27:26,549 --> 00:27:24,240

miniature tree out and he's got all the

730

00:27:29,190 --> 00:27:26,559

time in the world after looking at

731

00:27:31,110 --> 00:27:29,200

meyer's evidence fine you take your best

732

00:27:32,950 --> 00:27:31,120

shot at quote-unquote duplicating it and

733

00:27:35,190 --> 00:27:32,960

then i asked him a simple question after

734

00:27:37,669 --> 00:27:35,200

he couldn't do it the first time i said

735

00:27:39,990 --> 00:27:37,679

phil with all your nice video and

736

00:27:42,310 --> 00:27:40,000

photographs please have them analyze the

737

00:27:45,510 --> 00:27:42,320

same standards that myers were

738

00:27:47,750 --> 00:27:45,520

he wouldn't why because the camera

739

00:27:51,110 --> 00:27:47,760

analysis the computer analysis is going

740

00:27:53,350 --> 00:27:51,120

to show exactly what the facts are and

741

00:27:55,750 --> 00:27:53,360

it's going to show exactly what happened

742

00:27:57,669 --> 00:27:55,760

in the 19 late 70s when they brought a

743

00:27:59,430 --> 00:27:57,679

model over from mgm

744

00:28:00,950 --> 00:27:59,440

that was his name

745

00:28:02,950 --> 00:28:00,960

wally gentleman had supervised the

746

00:28:05,269 --> 00:28:02,960

production and they shot photographs in

747

00:28:07,909 --> 00:28:05,279

the same locations it will show that

748

00:28:09,269 --> 00:28:07,919

these are small models close to the

749

00:28:11,190 --> 00:28:09,279

camera

750

00:28:14,230 --> 00:28:11,200

and this is nothing that richard doty

751  
00:28:16,950 --> 00:28:14,240  
and all that bs these listen i had a guy

752  
00:28:18,470 --> 00:28:16,960  
come up to me in 2004

753  
00:28:20,070 --> 00:28:18,480  
and he said to me

754  
00:28:22,389 --> 00:28:20,080  
i want to tell you about something you

755  
00:28:24,149 --> 00:28:22,399  
know billy meyer's photos and claims

756  
00:28:25,909 --> 00:28:24,159  
about strings he says i have to

757  
00:28:27,830 --> 00:28:25,919  
apologize i said what are you talking

758  
00:28:29,830 --> 00:28:27,840  
about he says do you know who cal korff

759  
00:28:31,669 --> 00:28:29,840  
is i said sure calcorph is the biggest

760  
00:28:34,230 --> 00:28:31,679  
opponent of the case i was going to ask

761  
00:28:37,430 --> 00:28:34,240  
you about him yeah well my notes here

762  
00:28:40,149 --> 00:28:37,440  
yeah yeah well this is all connected

763  
00:28:41,750 --> 00:28:40,159

so he said to me well cal approached me

764

00:28:43,669 --> 00:28:41,760

when he was doing his book spaceship of

765

00:28:45,750 --> 00:28:43,679

the pleiades because i'm an illustrator

766

00:28:49,269 --> 00:28:45,760

and graphics and all he said what would

767

00:28:51,990 --> 00:28:49,279

it take to put some lines in here

768

00:28:54,870 --> 00:28:52,000

where these ufos are kind of show that

769

00:28:56,549 --> 00:28:54,880

they're suspended or moving

770

00:28:58,950 --> 00:28:56,559

and he says at first i was uncomfortable

771

00:29:00,870 --> 00:28:58,960

with it but i did it for him and he said

772

00:29:02,950 --> 00:29:00,880

if you don't believe me first of all

773

00:29:04,630 --> 00:29:02,960

here's cal's card he gave me kelkor

774

00:29:06,549 --> 00:29:04,640

scott i don't know if i still have it he

775

00:29:08,870 --> 00:29:06,559

said here's my card and his name is

776

00:29:11,110 --> 00:29:08,880

garrett morse and he since has written

777

00:29:12,950 --> 00:29:11,120

an expose about this he was approached

778

00:29:15,269 --> 00:29:12,960

by course to do it i had my own

779

00:29:16,870 --> 00:29:15,279

experience with corp i'll get to if it's

780

00:29:19,510 --> 00:29:16,880

interesting enough later on because i

781

00:29:21,830 --> 00:29:19,520

was warned by the imaginary play iron

782

00:29:24,070 --> 00:29:21,840

extraterrestrials through meyer about a

783

00:29:26,549 --> 00:29:24,080

trap that kalkoff was setting for me

784

00:29:28,310 --> 00:29:26,559

yeah i've heard you talk about that yes

785

00:29:29,350 --> 00:29:28,320

now but let's get back to the photos and

786

00:29:33,430 --> 00:29:29,360

stuff

787

00:29:35,990 --> 00:29:33,440

as i said i would take nothing away from

788

00:29:38,470 --> 00:29:36,000

oh phil langdon's making good models and

789

00:29:40,549 --> 00:29:38,480

nice forced perspective but he can't he

790

00:29:43,750 --> 00:29:40,559

won't have any of his photos tested

791

00:29:45,590 --> 00:29:43,760

because they won't hold up now can i ask

792

00:29:46,950 --> 00:29:45,600

can i ask you but can i ask an important

793

00:29:48,149 --> 00:29:46,960

question because

794

00:29:50,710 --> 00:29:48,159

this is something that i've wanted to

795

00:29:52,789 --> 00:29:50,720

ask you for a long time i i've heard you

796

00:29:55,590 --> 00:29:52,799

over and over again talk about the photo

797

00:29:58,310 --> 00:29:55,600

analysis and and i'm a data i'm a data

798

00:30:00,630 --> 00:29:58,320

guy i have never

799

00:30:01,510 --> 00:30:00,640

to be to be clear to my audience i have

800

00:30:03,350 --> 00:30:01,520

not

801  
00:30:05,350 --> 00:30:03,360  
purchased materials

802  
00:30:07,430 --> 00:30:05,360  
okay from billy meyer i have not

803  
00:30:09,669 --> 00:30:07,440  
purchased a book you know or

804  
00:30:11,909 --> 00:30:09,679  
or video or anything like that

805  
00:30:13,830 --> 00:30:11,919  
but i would be very very interested in

806  
00:30:16,389 --> 00:30:13,840  
seeing all of the data

807  
00:30:19,510 --> 00:30:16,399  
of all of the photo analysis

808  
00:30:20,830 --> 00:30:19,520  
in one in one place in one like three

809  
00:30:23,510 --> 00:30:20,840  
okay oh

810  
00:30:24,549 --> 00:30:23,520  
great here's what

811  
00:30:25,830 --> 00:30:24,559  
let me

812  
00:30:27,990 --> 00:30:25,840  
lock in on this because it's very

813  
00:30:28,950 --> 00:30:28,000

important although the ufos believe it

814

00:30:31,190 --> 00:30:28,960

or not

815

00:30:33,269 --> 00:30:31,200

at the least important aspect

816

00:30:34,630 --> 00:30:33,279

people are interested and and i know in

817

00:30:35,830 --> 00:30:34,640

our conversation we're going to get down

818

00:30:38,789 --> 00:30:35,840

to the nitty

819

00:30:40,630 --> 00:30:38,799

this is just to me the eye candy it's

820

00:30:42,950 --> 00:30:40,640

and why it's real now let's go back to

821

00:30:45,430 --> 00:30:42,960

something and we'll march through this

822

00:30:46,630 --> 00:30:45,440

we have in our six page document for mr

823

00:30:48,549 --> 00:30:46,640

tisk

824

00:30:50,710 --> 00:30:48,559

the basic and i had spoken about this

825

00:30:52,470 --> 00:30:50,720

even before i ever heard from him

826

00:30:53,750 --> 00:30:52,480

mmo the means the motive and the

827

00:30:55,110 --> 00:30:53,760

opportunity

828

00:30:57,509 --> 00:30:55,120

now

829

00:30:58,950 --> 00:30:57,519

because the skeptics cannot

830

00:31:02,029 --> 00:30:58,960

cannot show

831

00:31:04,549 --> 00:31:02,039

with any evidence credibly that meyer's

832

00:31:07,190 --> 00:31:04,559

1964 photos

833

00:31:09,029 --> 00:31:07,200

are not authentic you have to stop right

834

00:31:10,470 --> 00:31:09,039

there and say well wait a minute as tisk

835

00:31:13,350 --> 00:31:10,480

does

836

00:31:15,909 --> 00:31:13,360

if this is real is there really anything

837

00:31:18,230 --> 00:31:15,919

in it for meyer to hoax anything okay

838

00:31:19,110 --> 00:31:18,240

put that question aside but how come all

839

00:31:20,710 --> 00:31:19,120

of his

840

00:31:22,470 --> 00:31:20,720

photos and films and everything were

841

00:31:23,830 --> 00:31:22,480

better and he you know after he lost his

842

00:31:25,750 --> 00:31:23,840

arm i mean

843

00:31:26,549 --> 00:31:25,760

we have to be in the real world not in

844

00:31:30,870 --> 00:31:26,559

the

845

00:31:33,750 --> 00:31:30,880

who don't know crap about anything so

846

00:31:37,029 --> 00:31:33,760

let's come back to it

847

00:31:39,509 --> 00:31:37,039

12 of those 80 photos still exist

848

00:31:40,950 --> 00:31:39,519

we have them i think i've got a good

849

00:31:42,789 --> 00:31:40,960

number of them up on the website i

850

00:31:44,310 --> 00:31:42,799

certainly can find and send the stuff

851

00:31:46,230 --> 00:31:44,320

it's all free that you don't have to buy

852

00:31:48,230 --> 00:31:46,240

billy myers books yeah hey listen

853

00:31:50,310 --> 00:31:48,240

admittedly maybe i just wasn't looking

854

00:31:51,750 --> 00:31:50,320

in the right place you know okay i got

855

00:31:53,909 --> 00:31:51,760

it i'm offended to you

856

00:31:57,750 --> 00:31:53,919

when you see it's more what do you know

857

00:32:00,310 --> 00:31:57,760

more common ground well i am all about

858

00:32:02,630 --> 00:32:00,320

facts and evidence not hype now you have

859

00:32:04,549 --> 00:32:02,640

to just not give a nod to something

860

00:32:07,750 --> 00:32:04,559

we're talking about a guy in 64 that's

861

00:32:11,190 --> 00:32:07,760

got 80 ufo photos richard dolan corey

862

00:32:12,310 --> 00:32:11,200

good the rest of them one authentic no

863

00:32:14,549 --> 00:32:12,320

nothing

864

00:32:17,190 --> 00:32:14,559

this is why i really detest i have such

865

00:32:20,470 --> 00:32:17,200

contempt for this fraudulent thing that

866

00:32:21,909 --> 00:32:20,480

has done more harm to humankind i'm i

867

00:32:24,149 --> 00:32:21,919

will get into it what they have

868

00:32:25,430 --> 00:32:24,159

prevented from coming forward when we

869

00:32:27,669 --> 00:32:25,440

get into it

870

00:32:29,509 --> 00:32:27,679

we are now in i'll just jump to it for a

871

00:32:32,070 --> 00:32:29,519

second and i'll come back to the euro

872

00:32:35,029 --> 00:32:32,080

we are in a state of irreversible

873

00:32:38,389 --> 00:32:35,039

unstoppable climate destruction because

874

00:32:39,750 --> 00:32:38,399

these mfs to a large degree even worse

875

00:32:41,350 --> 00:32:39,760

than the government because these people

876

00:32:43,509 --> 00:32:41,360

were out there saying they're

877

00:32:45,830 --> 00:32:43,519

investigating and they're gonna get they

878

00:32:48,789 --> 00:32:45,840

have suppressed it all and do you know

879

00:32:51,909 --> 00:32:48,799

that starting in 1951 meyer is the first

880

00:32:54,630 --> 00:32:51,919

person i know of who forewarned about

881

00:32:56,470 --> 00:32:54,640

all of it not just climate change but

882

00:32:58,149 --> 00:32:56,480

unnatural global warming the damage to

883

00:32:59,830 --> 00:32:58,159

the ozone from the atomic testing the

884

00:33:01,990 --> 00:32:59,840

connection between extraction of

885

00:33:03,830 --> 00:33:02,000

petroleum natural gas mining of wars and

886

00:33:05,990 --> 00:33:03,840

earthquakes and buckets yes and let me

887

00:33:07,830 --> 00:33:06,000

stop you let me stop you and ask you a

888

00:33:09,669 --> 00:33:07,840

very important question all of that

889

00:33:11,509 --> 00:33:09,679

information all that information that

890

00:33:13,990 --> 00:33:11,519

you're talking about that is prophetic

891

00:33:16,070 --> 00:33:14,000

information apparently

892

00:33:17,990 --> 00:33:16,080

where did it come from did the aliens

893

00:33:20,549 --> 00:33:18,000

write it and give it to him did they

894

00:33:22,950 --> 00:33:20,559

inspire him to write it where did the

895

00:33:25,190 --> 00:33:22,960

writings all come from okay

896

00:33:27,350 --> 00:33:25,200

let's go according to the information

897

00:33:29,350 --> 00:33:27,360

in the case again it is said that meyer

898

00:33:32,149 --> 00:33:29,360

began his face-to-face voluntary

899

00:33:33,909 --> 00:33:32,159

contacts with these human beings when he

900

00:33:36,789 --> 00:33:33,919

was five years old that he was tutored

901  
00:33:39,509 --> 00:33:36,799  
for the first 11 years until he was 16

902  
00:33:41,750 --> 00:33:39,519  
by a man named spot okay what can we do

903  
00:33:44,230 --> 00:33:41,760  
with that all right whatever there it is

904  
00:33:47,990 --> 00:33:44,240  
svath gave him a tremendous amount of

905  
00:33:50,149 --> 00:33:48,000  
information and ostensibly also took him

906  
00:33:51,909 --> 00:33:50,159  
to see things one of the things that he

907  
00:33:53,509 --> 00:33:51,919  
reported seeing on the moon we didn't

908  
00:33:55,430 --> 00:33:53,519  
even discover until

909  
00:33:57,590 --> 00:33:55,440  
so much of this is where it gets really

910  
00:33:58,310 --> 00:33:57,600  
fascinating but let me let me lock in on

911  
00:33:59,430 --> 00:33:58,320  
that

912  
00:34:02,230 --> 00:33:59,440  
so

913  
00:34:04,310 --> 00:34:02,240

meyer is told and shown

914

00:34:06,870 --> 00:34:04,320

things that are going to come

915

00:34:08,790 --> 00:34:06,880

future events ostensibly

916

00:34:10,790 --> 00:34:08,800

that his teacher

917

00:34:12,310 --> 00:34:10,800

was able to determine through time

918

00:34:14,470 --> 00:34:12,320

travel which is a very depressing

919

00:34:15,909 --> 00:34:14,480

thought because it means they saw it

920

00:34:17,510 --> 00:34:15,919

like it happens

921

00:34:20,149 --> 00:34:17,520

if it's true

922

00:34:21,829 --> 00:34:20,159

and beginning in 51 when he's 14 years

923

00:34:24,230 --> 00:34:21,839

of age boy permeate

924

00:34:25,829 --> 00:34:24,240

when was he 14 yeah 51.

925

00:34:28,230 --> 00:34:25,839

he publishes

926  
00:34:31,190 --> 00:34:28,240  
the environmental warnings and these of

927  
00:34:33,109 --> 00:34:31,200  
course are things that he has also been

928  
00:34:35,109 --> 00:34:33,119  
taught to think quite well by the time

929  
00:34:37,030 --> 00:34:35,119  
he's seven he can think like a 35 year

930  
00:34:39,909 --> 00:34:37,040  
old man we're told okay

931  
00:34:41,990 --> 00:34:39,919  
so he has information especially now at

932  
00:34:44,790 --> 00:34:42,000  
this point for the first 11 years from

933  
00:34:47,589 --> 00:34:44,800  
this teacher and he's told to publish it

934  
00:34:49,109 --> 00:34:47,599  
he turns to a school teacher of his i

935  
00:34:51,190 --> 00:34:49,119  
think it was professor layman and

936  
00:34:54,550 --> 00:34:51,200  
another one who was also there they

937  
00:34:55,550 --> 00:34:54,560  
helped him send out 3 000 copies of this

938  
00:34:57,190 --> 00:34:55,560

stuff

939

00:34:58,150 --> 00:34:57,200

1951

940

00:35:00,069 --> 00:34:58,160

you know

941

00:35:01,750 --> 00:35:00,079

running it off maybe in a mimeograph

942

00:35:03,589 --> 00:35:01,760

machine or whatever and sending three

943

00:35:06,230 --> 00:35:03,599

thousand copies around the world to

944

00:35:08,230 --> 00:35:06,240

governments to scientists to people

945

00:35:10,310 --> 00:35:08,240

nobody's responding to this stuff and

946

00:35:12,470 --> 00:35:10,320

it's quite detailed and i have links to

947

00:35:13,990 --> 00:35:12,480

all of that it's all free

948

00:35:16,630 --> 00:35:14,000

and i'll just tell you something else

949

00:35:19,829 --> 00:35:16,640

for the people that may wonder i do all

950

00:35:22,310 --> 00:35:19,839

my work representing the case for free

951  
00:35:25,349 --> 00:35:22,320  
in other words meyer and his people do

952  
00:35:27,910 --> 00:35:25,359  
not pay me i don't pay them if anybody

953  
00:35:29,910 --> 00:35:27,920  
pays me to go and speak at a ufo event

954  
00:35:32,150 --> 00:35:29,920  
where i'm basically i call it persona or

955  
00:35:34,790 --> 00:35:32,160  
grotman at this point that's great i can

956  
00:35:35,750 --> 00:35:34,800  
get 150 bucks to show up at some event

957  
00:35:38,470 --> 00:35:35,760  
but

958  
00:35:40,710 --> 00:35:38,480  
i am i am doing this voluntarily because

959  
00:35:43,190 --> 00:35:40,720  
it was the only way i knew how to keep

960  
00:35:45,670 --> 00:35:43,200  
it clean so that the inevitable year in

961  
00:35:48,310 --> 00:35:45,680  
it for the money all this stuff wouldn't

962  
00:35:50,230 --> 00:35:48,320  
be true yeah and you know what i'm i'm

963  
00:35:52,790 --> 00:35:50,240

having the same battles with doing my

964

00:35:55,430 --> 00:35:52,800

show and monetizing it having the same

965

00:35:58,390 --> 00:35:55,440

kind of battles so i'm there with you

966

00:36:01,030 --> 00:35:58,400

look that more common ground well but

967

00:36:03,829 --> 00:36:01,040

here you know i want to ask you a couple

968

00:36:06,150 --> 00:36:03,839

of questions though

969

00:36:07,190 --> 00:36:06,160

the theory let's just call it a theory

970

00:36:10,230 --> 00:36:07,200

that these

971

00:36:13,349 --> 00:36:10,240

things in the pictures are not

972

00:36:14,390 --> 00:36:13,359

are models they are not full-size space

973

00:36:16,950 --> 00:36:14,400

okay

974

00:36:19,750 --> 00:36:16,960

all right the theory is pretty

975

00:36:21,190 --> 00:36:19,760

believable and people have pointed and

976  
00:36:23,109 --> 00:36:21,200  
and shown

977  
00:36:25,750 --> 00:36:23,119  
or let me let me be very clear with what

978  
00:36:26,710 --> 00:36:25,760  
i'm saying i i want to say it right

979  
00:36:29,430 --> 00:36:26,720  
people

980  
00:36:31,910 --> 00:36:29,440  
have accused uh billy meyer many times

981  
00:36:34,630 --> 00:36:31,920  
of using a trash can lid on the bottom

982  
00:36:36,150 --> 00:36:34,640  
of some of these so-called models if we

983  
00:36:39,349 --> 00:36:36,160  
love it okay

984  
00:36:41,750 --> 00:36:39,359  
and then and then

985  
00:36:44,630 --> 00:36:41,760  
you i i want to say

986  
00:36:46,630 --> 00:36:44,640  
billy and an alien that he spoke to

987  
00:36:48,950 --> 00:36:46,640  
explained why they looked like trash

988  
00:36:51,910 --> 00:36:48,960

cans by saying they inspired something

989

00:36:55,030 --> 00:36:51,920

in humanity and we misinterpreted and

990

00:36:57,109 --> 00:36:55,040

made the trash can lid look like

991

00:36:59,829 --> 00:36:57,119

what they were trying to inspire

992

00:37:02,150 --> 00:36:59,839

right let me jump on that okay so okay

993

00:37:04,150 --> 00:37:02,160

but just to be clear the skeptics say

994

00:37:04,870 --> 00:37:04,160

it's a trash can lid and then right you

995

00:37:07,030 --> 00:37:04,880

guys

996

00:37:09,510 --> 00:37:07,040

so your site sort of said well there's a

997

00:37:11,990 --> 00:37:09,520

reason why it looks like a trash can lid

998

00:37:13,750 --> 00:37:12,000

okay so let me please explain this to me

999

00:37:16,230 --> 00:37:13,760

first this is a very quick this is a

1000

00:37:18,150 --> 00:37:16,240

crazy part of this let's march back just

1001  
00:37:22,150 --> 00:37:18,160  
one or two sentences

1002  
00:37:24,230 --> 00:37:22,160  
models in 2006 now remember we've got

1003  
00:37:26,310 --> 00:37:24,240  
this whole analysis about why meyer is

1004  
00:37:28,150 --> 00:37:26,320  
authentic that anybody it doesn't

1005  
00:37:30,310 --> 00:37:28,160  
require an osi guide because it's

1006  
00:37:32,390 --> 00:37:30,320  
written for the state of making a case

1007  
00:37:35,670 --> 00:37:32,400  
based on evidence then we've got wally

1008  
00:37:37,589 --> 00:37:35,680  
gentleman 2001. we also have michael uh

1009  
00:37:40,069 --> 00:37:37,599  
malin who invented the mars orbiter

1010  
00:37:42,150 --> 00:37:40,079  
camera and a bunch of other people on

1011  
00:37:43,750 --> 00:37:42,160  
record published in books saying these

1012  
00:37:45,750 --> 00:37:43,760  
are good photos they represent a real

1013  
00:37:47,270 --> 00:37:45,760

phenomenon i don't know about these the

1014

00:37:49,310 --> 00:37:47,280

story about aliens but these are not

1015

00:37:52,310 --> 00:37:49,320

hoaxes okay we got a lot of that then in

1016

00:37:53,109 --> 00:37:52,320

2006 i personally went to a company

1017

00:37:54,950 --> 00:37:53,119

called

1018

00:37:59,349 --> 00:37:54,960

uncharted territory

1019

00:38:02,150 --> 00:37:59,359

the film that well phil langdon thought

1020

00:38:04,230 --> 00:38:02,160

he could duplicate and that also wally

1021

00:38:06,230 --> 00:38:04,240

gentleman also said well i can wally

1022

00:38:08,710 --> 00:38:06,240

gentleman said i can duplicate that film

1023

00:38:10,790 --> 00:38:08,720

and it would only cost me 50 000 this is

1024

00:38:12,790 --> 00:38:10,800

1978 or 80.

1025

00:38:14,790 --> 00:38:12,800

i would only need a crew of 15 people

1026

00:38:17,670 --> 00:38:14,800

and about 80 000

1027

00:38:19,510 --> 00:38:17,680

now i go in 2006

1028

00:38:20,790 --> 00:38:19,520

to the company called uncharted

1029

00:38:21,589 --> 00:38:20,800

territory

1030

00:38:23,910 --> 00:38:21,599

uh

1031

00:38:26,310 --> 00:38:23,920

volcker engel and mark something or

1032

00:38:30,390 --> 00:38:26,320

other okay these are the guys that won

1033

00:38:32,390 --> 00:38:30,400

the academy award for special effects

1034

00:38:34,630 --> 00:38:32,400

for independence day

1035

00:38:37,750 --> 00:38:34,640

very contemporaneous

1036

00:38:40,870 --> 00:38:37,760

21st century special effects

1037

00:38:42,710 --> 00:38:40,880

and so i said here watch this film

1038

00:38:45,670 --> 00:38:42,720

is that can you do what is that you know

1039

00:38:47,589 --> 00:38:45,680

model what is that they said well no

1040

00:38:48,870 --> 00:38:47,599

it's not a ma i said could you duplicate

1041

00:38:49,670 --> 00:38:48,880

that they said

1042

00:38:51,910 --> 00:38:49,680

well

1043

00:38:53,670 --> 00:38:51,920

uh we could but we'd have to go to cg on

1044

00:38:55,430 --> 00:38:53,680

that because

1045

00:38:57,829 --> 00:38:55,440

based on what we're looking at here it's

1046

00:38:59,349 --> 00:38:57,839

a real tree there's a farmer he would

1047

00:39:01,910 --> 00:38:59,359

need a crane

1048

00:39:04,069 --> 00:39:01,920

and a large object and several

1049

00:39:06,150 --> 00:39:04,079

wires being controlled and as wally

1050

00:39:08,790 --> 00:39:06,160

gentleman pointed out the thing the

1051  
00:39:11,190 --> 00:39:08,800  
problems with myers films and photos is

1052  
00:39:13,109 --> 00:39:11,200  
the sunlight is falling exactly where it

1053  
00:39:16,310 --> 00:39:13,119  
should if it's a real object i mean

1054  
00:39:18,470 --> 00:39:16,320  
these were p these are not ufo chatter

1055  
00:39:19,270 --> 00:39:18,480  
boxes i think i think just to be clear

1056  
00:39:21,270 --> 00:39:19,280  
though

1057  
00:39:23,030 --> 00:39:21,280  
because we can move we really have a lot

1058  
00:39:25,750 --> 00:39:23,040  
to cover is your point is they're not

1059  
00:39:28,790 --> 00:39:25,760  
models right so let's go to the wc ufo

1060  
00:39:31,589 --> 00:39:28,800  
the so-called trash can but first of all

1061  
00:39:34,230 --> 00:39:31,599  
when you do side-by-side analyses you

1062  
00:39:36,150 --> 00:39:34,240  
will find out that it's not the same

1063  
00:39:37,910 --> 00:39:36,160

thing yeah is it close

1064

00:39:39,750 --> 00:39:37,920

it's very interesting and close but

1065

00:39:42,870 --> 00:39:39,760

here's the problem but what about the

1066

00:39:45,270 --> 00:39:42,880

statement that the aliens inspired

1067

00:39:46,310 --> 00:39:45,280

humanity and yeah that's what i wanted

1068

00:39:49,030 --> 00:39:46,320

to get to

1069

00:39:51,430 --> 00:39:49,040

but let's because to be very honest to

1070

00:39:54,069 --> 00:39:51,440

be very honest michael and i i just

1071

00:39:56,870 --> 00:39:54,079

listen to me that explanation just

1072

00:39:58,950 --> 00:39:56,880

sounds like ridiculous it sounds like

1073

00:40:00,790 --> 00:39:58,960

you were trying to defend against what

1074

00:40:02,550 --> 00:40:00,800

people found to be true which was that

1075

00:40:04,470 --> 00:40:02,560

it was a trash can live because

1076  
00:40:06,230 --> 00:40:04,480  
because occam's razor what is the

1077  
00:40:07,910 --> 00:40:06,240  
simplest explanation that a guy made a

1078  
00:40:09,030 --> 00:40:07,920  
model out of a trash can later that

1079  
00:40:11,430 --> 00:40:09,040  
aliens

1080  
00:40:12,950 --> 00:40:11,440  
inspired humans and we somehow made the

1081  
00:40:15,670 --> 00:40:12,960  
trash can lid look like they're flying

1082  
00:40:19,750 --> 00:40:15,680  
saucers so that's all opinion stuff and

1083  
00:40:22,710 --> 00:40:19,760  
that's fine but let's go to this fact

1084  
00:40:23,990 --> 00:40:22,720  
the analysis the actual analysis of

1085  
00:40:26,309 --> 00:40:24,000  
myers photos and i'm going to get to

1086  
00:40:28,069 --> 00:40:26,319  
where you can find that and there's

1087  
00:40:30,230 --> 00:40:28,079  
you're going to have to do your own due

1088  
00:40:32,309 --> 00:40:30,240

diligence

1089

00:40:34,470 --> 00:40:32,319

i have a link on on the site where you

1090

00:40:36,230 --> 00:40:34,480

can take one of the

1091

00:40:38,470 --> 00:40:36,240

photos of that craft right off the

1092

00:40:40,230 --> 00:40:38,480

internet and drop into photoshop you

1093

00:40:42,710 --> 00:40:40,240

change the contrast you change the

1094

00:40:45,030 --> 00:40:42,720

brightness and this nighttime photo that

1095

00:40:47,430 --> 00:40:45,040

the skeptics say is a model against a

1096

00:40:49,910 --> 00:40:47,440

black background turns out to be a large

1097

00:40:51,109 --> 00:40:49,920

object hovering over a road now let me

1098

00:40:53,349 --> 00:40:51,119

back up

1099

00:40:55,430 --> 00:40:53,359

that object is determined to be there's

1100

00:40:58,309 --> 00:40:55,440

three that we're told in this case the

1101  
00:41:00,550 --> 00:40:58,319  
smallest one is seven feet in diameter

1102  
00:41:03,990 --> 00:41:00,560  
do you think that there is a seven foot

1103  
00:41:06,150 --> 00:41:04,000  
in diameter garbage can lid does anybody

1104  
00:41:08,150 --> 00:41:06,160  
have one well how do we know that's

1105  
00:41:09,829 --> 00:41:08,160  
really a seven foot odd you know

1106  
00:41:12,950 --> 00:41:09,839  
diameter object

1107  
00:41:15,589 --> 00:41:12,960  
in nineteen no in 2015 or so a guy named

1108  
00:41:18,950 --> 00:41:15,599  
raul zahi

1109  
00:41:20,710 --> 00:41:18,960  
did a 74-page analysis

1110  
00:41:22,470 --> 00:41:20,720  
state-of-the-art computer technology

1111  
00:41:25,030 --> 00:41:22,480  
that you will understand far better than

1112  
00:41:27,270 --> 00:41:25,040  
i i'm not a computer tech guy sure yeah

1113  
00:41:29,670 --> 00:41:27,280

he's google earth he triangulated he did

1114

00:41:32,710 --> 00:41:29,680

the whole thing and we have to remember

1115

00:41:35,910 --> 00:41:32,720

meyer took 64 photos and one five minute

1116

00:41:38,150 --> 00:41:35,920

video of this this a lot of work go

1117

00:41:40,309 --> 00:41:38,160

ahead and set up model shots at first

1118

00:41:41,670 --> 00:41:40,319

make your models of three different

1119

00:41:43,990 --> 00:41:41,680

sizes so they're going to appear at

1120

00:41:46,230 --> 00:41:44,000

least bigger in every case or smaller

1121

00:41:48,309 --> 00:41:46,240

and then set up 64 shots and then do a

1122

00:41:50,870 --> 00:41:48,319

five minute video of it okay broad

1123

00:41:52,790 --> 00:41:50,880

daylight by the way so what i leave you

1124

00:41:54,309 --> 00:41:52,800

with here is i don't care what people

1125

00:41:56,950 --> 00:41:54,319

say i don't even care what billy says

1126

00:41:58,150 --> 00:41:56,960

about it what's the analysis going to

1127

00:42:01,190 --> 00:41:58,160

reveal

1128

00:42:03,990 --> 00:42:01,200

there are two books at least now about

1129

00:42:05,829 --> 00:42:04,000

at least one and the oh no the 74 page

1130

00:42:07,510 --> 00:42:05,839

analysis which i have online you're

1131

00:42:08,790 --> 00:42:07,520

going to have all this this evening and

1132

00:42:11,109 --> 00:42:08,800

plenty of time

1133

00:42:12,550 --> 00:42:11,119

for you to do whatever you want with it

1134

00:42:14,550 --> 00:42:12,560

on your you know when you publish your

1135

00:42:16,390 --> 00:42:14,560

interview and i can put you in touch

1136

00:42:17,750 --> 00:42:16,400

with these people these people are not

1137

00:42:19,510 --> 00:42:17,760

you know hiding out anywhere they're

1138

00:42:21,990 --> 00:42:19,520

glad to talk to you but since you're a

1139

00:42:22,950 --> 00:42:22,000

computer guy you will understand two

1140

00:42:25,510 --> 00:42:22,960

things

1141

00:42:27,349 --> 00:42:25,520

when meyer took these photos

1142

00:42:30,470 --> 00:42:27,359

and they were analyzed with the state of

1143

00:42:33,270 --> 00:42:30,480

the art technology of the time meyer

1144

00:42:35,270 --> 00:42:33,280

didn't have access to that technology

1145

00:42:38,470 --> 00:42:35,280

and he didn't have access to the 21st

1146

00:42:39,950 --> 00:42:38,480

century technology and when the sounds

1147

00:42:42,790 --> 00:42:39,960

created

1148

00:42:45,109 --> 00:42:42,800

ostensibly by this what they call the wc

1149

00:42:47,430 --> 00:42:45,119

ufo or wedding craft ship were analyzed

1150

00:42:49,990 --> 00:42:47,440

in four different sound labs one of them

1151  
00:42:51,990 --> 00:42:50,000  
was the undersea lab at naval industry

1152  
00:42:55,109 --> 00:42:52,000  
lab at groton connecticut i have heard

1153  
00:42:57,270 --> 00:42:55,119  
this over and over and over again and uh

1154  
00:42:58,550 --> 00:42:57,280  
one thing that i have to say is i don't

1155  
00:43:01,589 --> 00:42:58,560  
know what to think about the sound

1156  
00:43:04,390 --> 00:43:01,599  
evidence except that i will say that to

1157  
00:43:06,870 --> 00:43:04,400  
my ears uh it sounds like an early

1158  
00:43:08,309 --> 00:43:06,880  
analog synthesizer being used to

1159  
00:43:09,430 --> 00:43:08,319  
generate this

1160  
00:43:10,870 --> 00:43:09,440  
ring

1161  
00:43:12,950 --> 00:43:10,880  
yeah but that's not what the scopes show

1162  
00:43:14,710 --> 00:43:12,960  
that's not what was determined in four

1163  
00:43:17,589 --> 00:43:14,720

separate sound lamps and let's go back

1164

00:43:19,990 --> 00:43:17,599

what is that sound evidence that's meyer

1165

00:43:22,710 --> 00:43:20,000

recording sounds coming down from the

1166

00:43:25,510 --> 00:43:22,720

freaking sky with as many as 17

1167

00:43:27,510 --> 00:43:25,520

eyewitnesses including an

1168

00:43:29,589 --> 00:43:27,520

an undercover policeman with people

1169

00:43:31,829 --> 00:43:29,599

coming from four kilometers away i've

1170

00:43:34,470 --> 00:43:31,839

been in one of those fields they're open

1171

00:43:38,309 --> 00:43:34,480

would you would you agree with me though

1172

00:43:39,190 --> 00:43:38,319

if i say that that sound sounds like

1173

00:43:45,750 --> 00:43:39,200

some

1174

00:43:47,910 --> 00:43:45,760

in a 1960s science fiction film

1175

00:43:49,230 --> 00:43:47,920

or am i wrong or am i wrong doesn't that

1176  
00:43:50,870 --> 00:43:49,240  
sound like a

1177  
00:43:53,190 --> 00:43:50,880  
1960s

1178  
00:43:54,710 --> 00:43:53,200  
sci-fi sound effect

1179  
00:43:57,430 --> 00:43:54,720  
great it sounds like it but let's find

1180  
00:43:59,349 --> 00:43:57,440  
out what it is and that's what you

1181  
00:44:01,190 --> 00:43:59,359  
you know the sound recording analyses

1182  
00:44:02,950 --> 00:44:01,200  
are on my website too i've got all this

1183  
00:44:04,470 --> 00:44:02,960  
stuff and you can go ahead and you can

1184  
00:44:06,230 --> 00:44:04,480  
try and duplicate

1185  
00:44:09,430 --> 00:44:06,240  
those sounds yourself and that means

1186  
00:44:12,069 --> 00:44:09,440  
anybody listening and scope them so that

1187  
00:44:14,309 --> 00:44:12,079  
on even the sound uh you know analyzers

1188  
00:44:16,309 --> 00:44:14,319

from the 1970s early 80s that you're

1189

00:44:18,710 --> 00:44:16,319

going to get the same interface of 24

1190

00:44:20,950 --> 00:44:18,720

audible um you know frequencies with

1191

00:44:23,589 --> 00:44:20,960

overtones indicating another eight

1192

00:44:25,030 --> 00:44:23,599

frequencies but go ahead do it can i ask

1193

00:44:26,550 --> 00:44:25,040

can i ask another question that i've

1194

00:44:30,309 --> 00:44:26,560

never heard but wait a minute before you

1195

00:44:32,550 --> 00:44:30,319

do we're crediting this one-armed guy

1196

00:44:35,349 --> 00:44:32,560

with the the ability

1197

00:44:36,710 --> 00:44:35,359

to do photographs models uh video

1198

00:44:39,349 --> 00:44:36,720

special effects

1199

00:44:41,670 --> 00:44:39,359

i have heard this argument from from you

1200

00:44:44,069 --> 00:44:41,680

and what i will say is this

1201  
00:44:47,750 --> 00:44:44,079  
is that from all that i have observed of

1202  
00:44:50,309 --> 00:44:47,760  
this man he is an incredibly intelligent

1203  
00:44:52,630 --> 00:44:50,319  
and resourceful man

1204  
00:44:54,150 --> 00:44:52,640  
yeah but why don't some of the people in

1205  
00:44:57,750 --> 00:44:54,160  
the audience i'm just saying and it's

1206  
00:44:59,990 --> 00:44:57,760  
it's within the realm of of possibility

1207  
00:45:02,630 --> 00:45:00,000  
that he has the human potential to do

1208  
00:45:04,870 --> 00:45:02,640  
these things while he's also raising a

1209  
00:45:07,109 --> 00:45:04,880  
family working as a night watchman

1210  
00:45:09,510 --> 00:45:07,119  
building literally building walls and

1211  
00:45:11,270 --> 00:45:09,520  
sidewalks in his property trying to pull

1212  
00:45:13,349 --> 00:45:11,280  
together people to help him disseminate

1213  
00:45:14,870 --> 00:45:13,359

the material going on the alleged

1214

00:45:16,470 --> 00:45:14,880

context

1215

00:45:18,470 --> 00:45:16,480

he was too busy

1216

00:45:20,870 --> 00:45:18,480

i get it oh my god no but it isn't even

1217

00:45:22,630 --> 00:45:20,880

just too busy you look i've been there

1218

00:45:24,710 --> 00:45:22,640

20 times i've been through every nook

1219

00:45:26,950 --> 00:45:24,720

and cranny on that property nobody there

1220

00:45:29,589 --> 00:45:26,960

is sitting around making sophisticated

1221

00:45:31,589 --> 00:45:29,599

little models they've got tractors and

1222

00:45:33,349 --> 00:45:31,599

and shears and

1223

00:45:36,150 --> 00:45:33,359

they they're you know they are people

1224

00:45:38,309 --> 00:45:36,160

that work on the land unlike farmers

1225

00:45:40,790 --> 00:45:38,319

sure yeah you know maybe like i think

1226

00:45:43,270 --> 00:45:40,800

you build your deck in your house they

1227

00:45:45,589 --> 00:45:43,280

build they take care of they maintain

1228

00:45:47,349 --> 00:45:45,599

they're swiss they do it like watches

1229

00:45:49,670 --> 00:45:47,359

and sure you can say well then billy

1230

00:45:51,750 --> 00:45:49,680

myers no no you're gonna

1231

00:45:54,470 --> 00:45:51,760

you've got to do a lot of look that's

1232

00:45:57,589 --> 00:45:54,480

why joe's article is so powerful it's

1233

00:45:58,790 --> 00:45:57,599

means it's motive and it's opportunity

1234

00:46:03,670 --> 00:45:58,800

the means

1235

00:46:06,710 --> 00:46:03,680

there the motive what's the promise

1236

00:46:08,950 --> 00:46:06,720

there's a guy who's gonna dodge death of

1237

00:46:11,030 --> 00:46:08,960

almost a couple dozen times who doesn't

1238

00:46:13,270 --> 00:46:11,040

go in the world who doesn't make deals

1239

00:46:15,829 --> 00:46:13,280

with with film companies who doesn't

1240

00:46:17,430 --> 00:46:15,839

start doing special effects for anybody

1241

00:46:18,950 --> 00:46:17,440

well he made a deal he made a deal with

1242

00:46:21,270 --> 00:46:18,960

at least one didn't he did do the

1243

00:46:23,589 --> 00:46:21,280

wendell stevens documentary

1244

00:46:26,230 --> 00:46:23,599

but that was a documentary he didn't go

1245

00:46:27,270 --> 00:46:26,240

he had three different offers like mgm i

1246

00:46:28,870 --> 00:46:27,280

think maybe

1247

00:46:30,790 --> 00:46:28,880

capital or somebody else there were two

1248

00:46:32,550 --> 00:46:30,800

and that operates for films that does

1249

00:46:33,910 --> 00:46:32,560

bring me to that does bring me to a

1250

00:46:35,829 --> 00:46:33,920

point that i think is very important

1251

00:46:38,150 --> 00:46:35,839

that i i just it's a it's the ugly

1252

00:46:40,069 --> 00:46:38,160

elephant in the room to me and i want to

1253

00:46:41,670 --> 00:46:40,079

i just want to say it

1254

00:46:42,630 --> 00:46:41,680

a lot of times i've heard you or other

1255

00:46:44,630 --> 00:46:42,640

people

1256

00:46:46,870 --> 00:46:44,640

uh mention that wendell stevens

1257

00:46:49,109 --> 00:46:46,880

documentary when citing you know all

1258

00:46:51,430 --> 00:46:49,119

this kind of proof or evidence but i

1259

00:46:53,910 --> 00:46:51,440

mean it's it's an absolute

1260

00:46:55,589 --> 00:46:53,920

verifiable fact that wendell stevens was

1261

00:46:57,030 --> 00:46:55,599

a convicted

1262

00:46:58,630 --> 00:46:57,040

child

1263

00:46:59,510 --> 00:46:58,640

pedophile

1264

00:47:01,990 --> 00:46:59,520

so

1265

00:47:04,230 --> 00:47:02,000

do we know that wendell stevens was a

1266

00:47:06,710 --> 00:47:04,240

pedophile or that he was convicted or do

1267

00:47:09,349 --> 00:47:06,720

we know we know that he was convicted of

1268

00:47:10,790 --> 00:47:09,359

a child related sexual offense let's

1269

00:47:13,030 --> 00:47:10,800

just leave it at that

1270

00:47:15,349 --> 00:47:13,040

and i have

1271

00:47:18,390 --> 00:47:15,359

i'm going to say six i want to be very

1272

00:47:20,150 --> 00:47:18,400

clear i mean i don't have the ex listen

1273

00:47:23,270 --> 00:47:20,160

uh i have

1274

00:47:25,109 --> 00:47:23,280

i would say four or more sources who

1275

00:47:28,069 --> 00:47:25,119

told me that

1276

00:47:30,309 --> 00:47:28,079

who know have known him for a long time

1277

00:47:32,950 --> 00:47:30,319

previous to his death that he always had

1278

00:47:34,870 --> 00:47:32,960

a problem with that he always had a

1279

00:47:36,710 --> 00:47:34,880

problem with that but my point is let's

1280

00:47:38,470 --> 00:47:36,720

just cut to the chase

1281

00:47:40,309 --> 00:47:38,480

what i'm saying is that

1282

00:47:42,470 --> 00:47:40,319

people citing people citing wendell

1283

00:47:44,790 --> 00:47:42,480

steve no it's not it's there's a public

1284

00:47:48,069 --> 00:47:44,800

records that he's a convicted pedophile

1285

00:47:50,069 --> 00:47:48,079

i have some hearsay too from meyer from

1286

00:47:52,710 --> 00:47:50,079

lee and brit elders who were can i just

1287

00:47:54,309 --> 00:47:52,720

make the point the point is that i hear

1288

00:47:56,549 --> 00:47:54,319

you and other people talk about this

1289

00:47:58,390 --> 00:47:56,559

wendell stevens documentary or wendell

1290

00:48:00,710 --> 00:47:58,400

stevens investigation like he's some

1291

00:48:03,030 --> 00:48:00,720

kind of person that we should trust

1292

00:48:04,230 --> 00:48:03,040

or believe in and that's what i have a

1293

00:48:06,390 --> 00:48:04,240

problem with

1294

00:48:08,790 --> 00:48:06,400

people citing that documentary and

1295

00:48:11,190 --> 00:48:08,800

saying well there's the proof you know

1296

00:48:12,549 --> 00:48:11,200

stevens thought that it was a real case

1297

00:48:14,390 --> 00:48:12,559

but wendell's

1298

00:48:16,470 --> 00:48:14,400

this is where you honestly you've got to

1299

00:48:18,630 --> 00:48:16,480

upgrade something one of the articles

1300

00:48:21,190 --> 00:48:18,640

that we have on the line i told you that

1301  
00:48:25,109 --> 00:48:21,200  
we quote people who are independent

1302  
00:48:28,309 --> 00:48:25,119  
connected with things like usgs jpl um

1303  
00:48:31,430 --> 00:48:28,319  
ibm mcdonald douglas they took the

1304  
00:48:34,230 --> 00:48:31,440  
evidence at the request of meijer to

1305  
00:48:37,270 --> 00:48:34,240  
be analyzed not by wendell stevens and

1306  
00:48:37,990 --> 00:48:37,280  
not by the clowns in the ufo world but

1307  
00:48:40,390 --> 00:48:38,000  
by

1308  
00:48:42,630 --> 00:48:40,400  
reputable laboratories and independent

1309  
00:48:44,710 --> 00:48:42,640  
experts yes and i've heard you claim you

1310  
00:48:48,150 --> 00:48:44,720  
you know there's a title to one of your

1311  
00:48:50,549 --> 00:48:48,160  
posts or something about nasa and proof

1312  
00:48:53,510 --> 00:48:50,559  
that billy nasa agrees or something like

1313  
00:48:55,589 --> 00:48:53,520

this that billy myers case is genuine

1314

00:48:59,109 --> 00:48:55,599

yeah you want to explain that one to me

1315

00:49:02,309 --> 00:48:59,119

because here's michael i i have i have

1316

00:49:03,750 --> 00:49:02,319

family and i have some contacts and i i

1317

00:49:06,390 --> 00:49:03,760

don't believe that that's an accurate

1318

00:49:09,030 --> 00:49:06,400

statement at all okay so let me give you

1319

00:49:11,910 --> 00:49:09,040

a a few little things about that

1320

00:49:13,510 --> 00:49:11,920

nasa has con you know consistently you

1321

00:49:15,109 --> 00:49:13,520

know made announcements about new

1322

00:49:16,630 --> 00:49:15,119

discoveries right can we agree on that

1323

00:49:17,990 --> 00:49:16,640

part yes absolutely scientifically

1324

00:49:20,390 --> 00:49:18,000

discovered okay

1325

00:49:21,750 --> 00:49:20,400

i have on several occasions and along

1326

00:49:24,790 --> 00:49:21,760

with other people

1327

00:49:27,270 --> 00:49:24,800

um had the experience to find that those

1328

00:49:30,309 --> 00:49:27,280

were not really new discoveries at all

1329

00:49:32,790 --> 00:49:30,319

that billy meyer had verifiably in

1330

00:49:35,510 --> 00:49:32,800

copyrighted books and documents

1331

00:49:37,430 --> 00:49:35,520

published that information this is where

1332

00:49:39,109 --> 00:49:37,440

we move it to what i like to call the

1333

00:49:40,549 --> 00:49:39,119

higher standard proof let me give you a

1334

00:49:42,710 --> 00:49:40,559

story about something happened about two

1335

00:49:44,390 --> 00:49:42,720

months ago maybe a little more

1336

00:49:48,230 --> 00:49:44,400

my girlfriend and i we went up to the

1337

00:49:50,230 --> 00:49:48,240

usgs here in flagstaff and we went to

1338

00:49:52,870 --> 00:49:50,240

them specifically because

1339

00:49:55,829 --> 00:49:52,880

there is the whole mars rover thing

1340

00:49:57,990 --> 00:49:55,839

there's a lot of that uh research being

1341

00:50:00,309 --> 00:49:58,000

done and new research on mars that's

1342

00:50:01,990 --> 00:50:00,319

being conducted out of flagstaff right

1343

00:50:04,230 --> 00:50:02,000

here where we also have the lowell

1344

00:50:06,470 --> 00:50:04,240

observatory and i took an impromptu

1345

00:50:08,230 --> 00:50:06,480

meeting with a very nice guy who was

1346

00:50:10,230 --> 00:50:08,240

kind enough to step away from his work

1347

00:50:12,390 --> 00:50:10,240

with no notice simply because i showed

1348

00:50:14,710 --> 00:50:12,400

up and said i want to talk to him and he

1349

00:50:16,710 --> 00:50:14,720

came out and his name is ken hirkenhoff

1350

00:50:19,430 --> 00:50:16,720

and he's heading up

1351  
00:50:20,870 --> 00:50:19,440  
this mars rover whole thing i said don't

1352  
00:50:23,190 --> 00:50:20,880  
say ken

1353  
00:50:25,270 --> 00:50:23,200  
right here in my hands i've got a few

1354  
00:50:26,870 --> 00:50:25,280  
papers of things that i published up for

1355  
00:50:28,069 --> 00:50:26,880  
you and i'm also going to send them to

1356  
00:50:30,390 --> 00:50:28,079  
you in email

1357  
00:50:31,430 --> 00:50:30,400  
and they are about specific information

1358  
00:50:33,990 --> 00:50:31,440  
on mars

1359  
00:50:35,990 --> 00:50:34,000  
that you guys now know

1360  
00:50:39,109 --> 00:50:36,000  
but that were published before you ever

1361  
00:50:41,030 --> 00:50:39,119  
discovered them and he looks at me

1362  
00:50:42,870 --> 00:50:41,040  
and i opened up the photo book a little

1363  
00:50:43,829 --> 00:50:42,880

briefly and he's really not too

1364

00:50:45,430 --> 00:50:43,839

interested he doesn't want to see these

1365

00:50:47,109 --> 00:50:45,440

photos i said fine

1366

00:50:48,950 --> 00:50:47,119

and i said i want you to take a look at

1367

00:50:50,870 --> 00:50:48,960

this stuff and send me an email so he

1368

00:50:52,150 --> 00:50:50,880

sends me an email and all this is on you

1369

00:50:54,230 --> 00:50:52,160

know i'll send you links to all these

1370

00:50:57,430 --> 00:50:54,240

articles so he sends me an email and he

1371

00:51:00,230 --> 00:50:57,440

says well maybe he's a good guesser

1372

00:51:02,790 --> 00:51:00,240

and i said i don't think that explains

1373

00:51:05,030 --> 00:51:02,800

all of these things about mars that have

1374

00:51:07,190 --> 00:51:05,040

more information in them

1375

00:51:09,670 --> 00:51:07,200

about the details there than nasa's

1376

00:51:12,069 --> 00:51:09,680

published yet and he says well um i've

1377

00:51:14,790 --> 00:51:12,079

never heard about lightning on mars and

1378

00:51:17,670 --> 00:51:14,800

so i went online and i looked up nasa

1379

00:51:19,829 --> 00:51:17,680

discovers lightning on mars 2009. of

1380

00:51:21,270 --> 00:51:19,839

course meyer had published it 20 some

1381

00:51:23,589 --> 00:51:21,280

years earlier

1382

00:51:25,990 --> 00:51:23,599

and here's one that happened

1383

00:51:29,270 --> 00:51:26,000

six years ago seven years ago i'm in las

1384

00:51:31,270 --> 00:51:29,280

vegas and all things i am at a mufon

1385

00:51:32,630 --> 00:51:31,280

event they gave me a table there while

1386

00:51:34,150 --> 00:51:32,640

they're showing one of my films and i'm

1387

00:51:35,670 --> 00:51:34,160

not they're lecturing they're showing

1388

00:51:37,589 --> 00:51:35,680

silent revolution of truth but they give

1389

00:51:39,030 --> 00:51:37,599

me a table and i've got it down the guy

1390

00:51:41,270 --> 00:51:39,040

walks up and you've probably heard the

1391

00:51:43,109 --> 00:51:41,280

story you can stop me anytime crush the

1392

00:51:44,710 --> 00:51:43,119

older guy and he says shaking his head

1393

00:51:47,109 --> 00:51:44,720

left to right i said you know can i help

1394

00:51:49,030 --> 00:51:47,119

you he said yeah i'm interested in ufos

1395

00:51:50,870 --> 00:51:49,040

but i think the meyer the spire thing is

1396

00:51:54,309 --> 00:51:50,880

a hoax i said really i said what do you

1397

00:51:56,549 --> 00:51:54,319

do i'm a retired judge i said okay so

1398

00:51:57,510 --> 00:51:56,559

you you're a judge can i step into your

1399

00:51:58,710 --> 00:51:57,520

courtroom

1400

00:52:00,790 --> 00:51:58,720

certainly

1401  
00:52:02,630 --> 00:52:00,800  
guy was cool didn't bat an eyelash he

1402  
00:52:04,790 --> 00:52:02,640  
knew i wanna i wanna

1403  
00:52:07,030 --> 00:52:04,800  
confront him step right in how can i

1404  
00:52:08,870 --> 00:52:07,040  
help you i said you know that nasa says

1405  
00:52:11,910 --> 00:52:08,880  
that they discovered that the reason

1406  
00:52:14,470 --> 00:52:11,920  
that the surface of the planet mercury

1407  
00:52:16,470 --> 00:52:14,480  
is contracting is because of the metal

1408  
00:52:19,589 --> 00:52:16,480  
core they discovered that just a few

1409  
00:52:21,030 --> 00:52:19,599  
years ago i said if i tell you that they

1410  
00:52:22,390 --> 00:52:21,040  
didn't discover it but my friend in

1411  
00:52:23,670 --> 00:52:22,400  
switzerland did would i have to prove

1412  
00:52:24,790 --> 00:52:23,680  
that to you he said of course you have

1413  
00:52:26,309 --> 00:52:24,800

to prove it

1414

00:52:28,710 --> 00:52:26,319

so i reached over and i got a book

1415

00:52:30,630 --> 00:52:28,720

copyright date and that was like 80

1416

00:52:32,950 --> 00:52:30,640

something or other and i scrolled

1417

00:52:36,470 --> 00:52:32,960

through to the uh some conversations

1418

00:52:39,430 --> 00:52:36,480

from 1976 and i said where this man

1419

00:52:41,670 --> 00:52:39,440

billy here billy myers asks this alleged

1420

00:52:43,349 --> 00:52:41,680

extraterrestrial woman what's the reason

1421

00:52:45,829 --> 00:52:43,359

for the contraction of the surface of

1422

00:52:47,990 --> 00:52:45,839

the planet mercury and she says well

1423

00:52:49,750 --> 00:52:48,000

that's easy it's really due to the fact

1424

00:52:52,710 --> 00:52:49,760

that the middle core of the planet i

1425

00:52:54,470 --> 00:52:52,720

said your honor in your courtroom

1426

00:52:56,309 --> 00:52:54,480

who prevails

1427

00:52:59,109 --> 00:52:56,319

and it took him about a half a second to

1428

00:53:00,630 --> 00:52:59,119

say two things one was you do and the

1429

00:53:03,030 --> 00:53:00,640

rest was how much are all these things

1430

00:53:04,710 --> 00:53:03,040

here now let me explain something to you

1431

00:53:08,549 --> 00:53:04,720

and to your audience

1432

00:53:11,750 --> 00:53:08,559

copyrights are the ironclad friggin

1433

00:53:14,309 --> 00:53:11,760

internationally recognized standard of

1434

00:53:16,549 --> 00:53:14,319

proof of first publication they don't

1435

00:53:18,710 --> 00:53:16,559

mean that what's copyrighted is true it

1436

00:53:19,589 --> 00:53:18,720

just means there it is whether it's a

1437

00:53:23,030 --> 00:53:19,599

song

1438

00:53:26,150 --> 00:53:23,040

a movie script or in this case a book

1439

00:53:27,829 --> 00:53:26,160

with transcripts between an earth man

1440

00:53:29,430 --> 00:53:27,839

and an alleged extraterrestrial a guy

1441

00:53:31,109 --> 00:53:29,440

could make it up himself how does he

1442

00:53:34,069 --> 00:53:31,119

know that before it's discovered what

1443

00:53:38,630 --> 00:53:34,079

about in 1978 of october when billy

1444

00:53:40,870 --> 00:53:38,640

meyer publishes information on io being

1445

00:53:43,589 --> 00:53:40,880

the most volcanically active body in the

1446

00:53:46,150 --> 00:53:43,599

solar system explains how high the

1447

00:53:48,870 --> 00:53:46,160

ejecta goes what it's composed of and

1448

00:53:50,710 --> 00:53:48,880

why that ejector which does not escape

1449

00:53:53,510 --> 00:53:50,720

the gravitational pull of that moon

1450

00:53:55,430 --> 00:53:53,520

falls back onto it and creates a smooth

1451  
00:53:59,750 --> 00:53:55,440  
unusually smooth surface for a

1452  
00:54:03,670 --> 00:54:01,750  
well michael we need to take a break for

1453  
00:54:05,030 --> 00:54:03,680  
station identification and a few words

1454  
00:54:07,430 --> 00:54:05,040  
from our sponsors

1455  
00:54:09,829 --> 00:54:07,440  
we'll be right back folks we are back

1456  
00:54:12,710 --> 00:54:09,839  
with my guest michael horn us media

1457  
00:54:14,710 --> 00:54:12,720  
representative for billy meyer let's get

1458  
00:54:16,870 --> 00:54:14,720  
on with some questions

1459  
00:54:18,710 --> 00:54:16,880  
billy meyer has made some prophetic

1460  
00:54:20,710 --> 00:54:18,720  
predictions that can be proven by

1461  
00:54:22,150 --> 00:54:20,720  
copyrights

1462  
00:54:25,990 --> 00:54:22,160  
that are accurate

1463  
00:54:27,510 --> 00:54:26,000

that but here's the problem that i have

1464

00:54:28,950 --> 00:54:27,520

with that i've looked at some of that

1465

00:54:31,430 --> 00:54:28,960

evidence

1466

00:54:33,510 --> 00:54:31,440

in in some detail and i agree with you

1467

00:54:36,549 --> 00:54:33,520

that it appears that he has made

1468

00:54:39,030 --> 00:54:36,559

predictions and copyrighted them before

1469

00:54:41,589 --> 00:54:39,040

those things were known

1470

00:54:43,430 --> 00:54:41,599

but the problem that i have with this

1471

00:54:45,349 --> 00:54:43,440

being used as here's proof that billy

1472

00:54:47,190 --> 00:54:45,359

meyer is genuine

1473

00:54:49,750 --> 00:54:47,200

is the same problem that i have with

1474

00:54:52,150 --> 00:54:49,760

edgar casey predictions

1475

00:54:54,630 --> 00:54:52,160

or or some other psychics because the

1476  
00:54:56,789 --> 00:54:54,640  
volume of what they've written and

1477  
00:54:58,470 --> 00:54:56,799  
published is so

1478  
00:54:59,589 --> 00:54:58,480  
ridiculously

1479  
00:55:01,990 --> 00:54:59,599  
large

1480  
00:55:04,309 --> 00:55:02,000  
that yeah i believe that if you write

1481  
00:55:06,710 --> 00:55:04,319  
enough material down

1482  
00:55:07,750 --> 00:55:06,720  
something's gonna hit and like for

1483  
00:55:09,589 --> 00:55:07,760  
example

1484  
00:55:13,190 --> 00:55:09,599  
the question that i have is

1485  
00:55:14,789 --> 00:55:13,200  
the bible for example is is about 785

1486  
00:55:16,710 --> 00:55:14,799  
000 words

1487  
00:55:17,910 --> 00:55:16,720  
how many words

1488  
00:55:20,390 --> 00:55:17,920

how much

1489

00:55:22,390 --> 00:55:20,400

has billy meyer published because you're

1490

00:55:24,309 --> 00:55:22,400

saying okay great we have i don't know

1491

00:55:27,670 --> 00:55:24,319

what did you just cite like six or seven

1492

00:55:30,230 --> 00:55:27,680

examples but no what is this what is the

1493

00:55:32,069 --> 00:55:30,240

what is the amount of the volume of

1494

00:55:36,150 --> 00:55:32,079

material that he has written in

1495

00:55:38,390 --> 00:55:36,160

predictions okay we have only had about

1496

00:55:40,630 --> 00:55:38,400

maybe five thousand of the forty five

1497

00:55:43,829 --> 00:55:40,640

thousand pages to work with in english

1498

00:55:46,390 --> 00:55:43,839

we have called 250 error-free examples

1499

00:55:48,630 --> 00:55:46,400

of specific detailed information

1500

00:55:50,390 --> 00:55:48,640

prophetically accurate on every planet

1501  
00:55:52,069 --> 00:55:50,400  
in the solar system on black hole speed

1502  
00:55:55,030 --> 00:55:52,079  
of light speed of gravity things that

1503  
00:55:56,870 --> 00:55:55,040  
are in biology in archaeology

1504  
00:55:59,349 --> 00:55:56,880  
anthropology now here's where i've got

1505  
00:56:01,510 --> 00:55:59,359  
to call you up short you see you keep on

1506  
00:56:03,670 --> 00:56:01,520  
trying to jump to something without

1507  
00:56:05,990 --> 00:56:03,680  
getting grasping something no michael

1508  
00:56:08,069 --> 00:56:06,000  
i'm asking you i'm asking you questions

1509  
00:56:10,630 --> 00:56:08,079  
and i'm and i'm expressing my i'm

1510  
00:56:12,470 --> 00:56:10,640  
expressing my doubts because

1511  
00:56:14,390 --> 00:56:12,480  
because i'm asking you to address my

1512  
00:56:15,990 --> 00:56:14,400  
doubts that's all i'm doing

1513  
00:56:18,950 --> 00:56:16,000

hey yeah great i think you're doing a

1514

00:56:20,390 --> 00:56:18,960

good job explaining this to me

1515

00:56:22,150 --> 00:56:20,400

i'm going to do even better because what

1516

00:56:23,990 --> 00:56:22,160

i'm going to do if you'd like i'm going

1517

00:56:27,190 --> 00:56:24,000

to bring up let's just say some of the

1518

00:56:28,390 --> 00:56:27,200

specific mars information just one or

1519

00:56:31,190 --> 00:56:28,400

two things

1520

00:56:33,430 --> 00:56:31,200

and and then i'll uh how did he know

1521

00:56:35,430 --> 00:56:33,440

okay and just just an aside you're

1522

00:56:37,190 --> 00:56:35,440

saying that you had access to 5 000

1523

00:56:39,270 --> 00:56:37,200

pages of material

1524

00:56:42,150 --> 00:56:39,280

okay and and just so that my listeners

1525

00:56:45,109 --> 00:56:42,160

can get an idea the bible is 1200 pages

1526  
00:56:47,430 --> 00:56:45,119  
so you're talking about five bibles full

1527  
00:56:49,270 --> 00:56:47,440  
of prophetic predictions

1528  
00:56:51,270 --> 00:56:49,280  
yeah um

1529  
00:56:53,510 --> 00:56:51,280  
i'm saying and you've got you've got how

1530  
00:56:54,710 --> 00:56:53,520  
many that have come true out of that

1531  
00:56:58,710 --> 00:56:54,720  
five

1532  
00:57:00,390 --> 00:56:58,720  
material that meyer has written all

1533  
00:57:02,630 --> 00:57:00,400  
right i'm trying to explain it to you

1534  
00:57:03,829 --> 00:57:02,640  
okay we have not found

1535  
00:57:05,589 --> 00:57:03,839  
any

1536  
00:57:08,630 --> 00:57:05,599  
erroneous

1537  
00:57:10,950 --> 00:57:08,640  
scientific information scientific not

1538  
00:57:13,349 --> 00:57:10,960

theoretical not uh someday a bird will

1539

00:57:16,470 --> 00:57:13,359

fly between two towers we're talking

1540

00:57:18,710 --> 00:57:16,480

about scientific information for let me

1541

00:57:19,990 --> 00:57:18,720

give you some of it and then you can try

1542

00:57:22,150 --> 00:57:20,000

to figure out because yes i'm going to

1543

00:57:24,870 --> 00:57:22,160

tell you again and your listeners he's

1544

00:57:28,309 --> 00:57:24,880

far ahead of nasa of course because his

1545

00:57:30,069 --> 00:57:28,319

in from how is it that in 2000 and oh my

1546

00:57:31,910 --> 00:57:30,079

gosh all right here we go i'm going to

1547

00:57:33,990 --> 00:57:31,920

give you some of this

1548

00:57:36,549 --> 00:57:34,000

i'll even give you the verbatim and on a

1549

00:57:39,349 --> 00:57:36,559

few and then people can look this up

1550

00:57:40,870 --> 00:57:39,359

and billy says while visiting mars

1551

00:57:43,190 --> 00:57:40,880

explained to me that mars had larger

1552

00:57:45,510 --> 00:57:43,200

amounts of water led into its rivers

1553

00:57:49,030 --> 00:57:45,520

which are now partially filled in by

1554

00:57:51,349 --> 00:57:49,040

dust and volcanic ash than what was ever

1555

00:57:54,549 --> 00:57:51,359

in addition uh

1556

00:57:56,789 --> 00:57:54,559

oh well that is uh was ever the case

1557

00:57:58,870 --> 00:57:56,799

with the largest rivers on earth in

1558

00:58:01,190 --> 00:57:58,880

addition he talked about the

1559

00:58:03,589 --> 00:58:01,200

thousand-fold more water than what is

1560

00:58:05,510 --> 00:58:03,599

found on the largest rivers on earth it

1561

00:58:07,030 --> 00:58:05,520

seems to be somewhat fantastic to me

1562

00:58:08,390 --> 00:58:07,040

which is why i think i misheard it

1563

00:58:10,309 --> 00:58:08,400

didn't listen properly

1564

00:58:12,069 --> 00:58:10,319

the the alleged quetzal says you

1565

00:58:13,990 --> 00:58:12,079

shouldn't a doubt you shouldn't doubt

1566

00:58:15,829 --> 00:58:14,000

your attention because you properly

1567

00:58:17,670 --> 00:58:15,839

understood everything that explained to

1568

00:58:19,589 --> 00:58:17,680

you the information about the enormous

1569

00:58:21,270 --> 00:58:19,599

quantities of water which were led into

1570

00:58:23,750 --> 00:58:21,280

the martian rivers corresponds to the

1571

00:58:26,230 --> 00:58:23,760

facts as well as the watercourses that

1572

00:58:28,230 --> 00:58:26,240

are partially filled in by sand dust and

1573

00:58:30,230 --> 00:58:28,240

volcanic ash which are generally called

1574

00:58:32,630 --> 00:58:30,240

canals on earth but which were truly

1575

00:58:34,710 --> 00:58:32,640

enormous rivers that were dozens and

1576

00:58:36,470 --> 00:58:34,720

even almost a hundred kilometers in

1577

00:58:38,789 --> 00:58:36,480

diameter and there were thousands of

1578

00:58:41,390 --> 00:58:38,799

kilometers in length now that was

1579

00:58:45,750 --> 00:58:41,400

published by meyer june 11th

1580

00:58:48,069 --> 00:58:45,760

1986 33 years ago there's another two

1581

00:58:50,390 --> 00:58:48,079

specific things about that and then in

1582

00:58:51,829 --> 00:58:50,400

the same in 1987

1583

00:58:52,870 --> 00:58:51,839

quetzal also

1584

00:58:54,789 --> 00:58:52,880

you know i'm going to tell you more here

1585

00:58:57,510 --> 00:58:54,799

about water at the south pole

1586

00:59:00,069 --> 00:58:57,520

specifically south pole waters on mars

1587

00:59:03,349 --> 00:59:00,079

and all this and then also quetzal tells

1588

00:59:04,789 --> 00:59:03,359

them the following um there was several

1589

00:59:06,789 --> 00:59:04,799

this will be the case in several times

1590

00:59:08,870 --> 00:59:06,799

in the coming reference to water namely

1591

00:59:11,510 --> 00:59:08,880

that large occurrences of water in the

1592

00:59:13,750 --> 00:59:11,520

form of ice and snow can be proven by

1593

00:59:15,349 --> 00:59:13,760

probes on mars but the final certainty

1594

00:59:17,670 --> 00:59:15,359

will first be attained at the beginning

1595

00:59:22,150 --> 00:59:17,680

of the third millennium and to be sure

1596

00:59:24,710 --> 00:59:22,160

by a mars probe that will be called 2001

1597

00:59:27,829 --> 00:59:24,720

mars odyssey as our look into the future

1598

00:59:30,829 --> 00:59:27,839

has revealed now of course that did

1599

00:59:33,750 --> 00:59:30,839

happen but here's our discoveries in

1600

00:59:35,750 --> 00:59:33,760

2001. scientists may have discovered the

1601  
00:59:38,549 --> 00:59:35,760  
largest flood channels in the solar

1602  
00:59:41,349 --> 00:59:38,559  
system on mars or a system of gigantic

1603  
00:59:43,589 --> 00:59:41,359  
ancient valleys some as much as 200

1604  
00:59:46,390 --> 00:59:43,599  
kilometers wide lie

1605  
00:59:49,430 --> 00:59:46,400  
partially buried under a veneer of

1606  
00:59:52,150 --> 00:59:49,440  
volcanic lava flows ash fall and

1607  
00:59:54,230 --> 00:59:52,160  
wind-blown dust in mars western

1608  
00:59:56,390 --> 00:59:54,240  
hemisphere the best explanations they

1609  
00:59:58,150 --> 00:59:56,400  
were formed by catastrophic floods that

1610  
01:00:01,670 --> 00:59:58,160  
at their peak potentially discharge as

1611  
01:00:04,870 --> 01:00:01,680  
much as 50 000 times the flow of the

1612  
01:00:07,430 --> 01:00:04,880  
amazon river okay i'll give you that he

1613  
01:00:09,589 --> 01:00:07,440

was right he was right but i can give

1614

01:00:12,309 --> 01:00:09,599

you 200 more

1615

01:00:15,030 --> 01:00:12,319

okay so 200 out of a stack of five

1616

01:00:17,109 --> 01:00:15,040

bibles though no no no no listen you're

1617

01:00:19,589 --> 01:00:17,119

misunderstanding something this isn't

1618

01:00:21,549 --> 01:00:19,599

billy with five thousand pages of

1619

01:00:24,470 --> 01:00:21,559

so-called predictions these are

1620

01:00:27,750 --> 01:00:24,480

conversations between billy and whoever

1621

01:00:30,069 --> 01:00:27,760

he's these people are that cover

1622

01:00:31,589 --> 01:00:30,079

they're talking about the most mundane

1623

01:00:34,069 --> 01:00:31,599

things in the world but would you agree

1624

01:00:36,549 --> 01:00:34,079

with me michael that if you have that

1625

01:00:38,069 --> 01:00:36,559

much material that it would be easy to

1626

01:00:45,030 --> 01:00:38,079

cherry pick

1627

01:00:48,870 --> 01:00:46,549

most of these things aren't even

1628

01:00:50,150 --> 01:00:48,880

presented to him as prophecies we've got

1629

01:00:51,990 --> 01:00:50,160

a whole bunch of prophecies and

1630

01:00:53,510 --> 01:00:52,000

predictions which are unfailingly

1631

01:00:55,670 --> 01:00:53,520

fulfilling i can give you those where

1632

01:00:57,589 --> 01:00:55,680

they're presented in prophecies what i

1633

01:01:00,069 --> 01:00:57,599

just read to you well the one thing the

1634

01:01:01,990 --> 01:01:00,079

one thing that i also question

1635

01:01:05,190 --> 01:01:02,000

with some of this stuff is

1636

01:01:07,349 --> 01:01:05,200

these these uh super intelligent beings

1637

01:01:12,150 --> 01:01:07,359

which are far in advance of us

1638

01:01:17,030 --> 01:01:14,470

so they're giving billy meyer very

1639

01:01:19,510 --> 01:01:17,040

specific information about

1640

01:01:21,990 --> 01:01:19,520

some of the planets in our solar system

1641

01:01:23,589 --> 01:01:22,000

which to me it doesn't seem like useful

1642

01:01:24,470 --> 01:01:23,599

information

1643

01:01:25,190 --> 01:01:24,480

really

1644

01:01:27,190 --> 01:01:25,200

so

1645

01:01:28,789 --> 01:01:27,200

what i what i wondered when i and i've

1646

01:01:30,710 --> 01:01:28,799

heard you talk about all of this stuff

1647

01:01:33,190 --> 01:01:30,720

and i've read a lot of this stuff but

1648

01:01:35,349 --> 01:01:33,200

what i've often wondered is why

1649

01:01:38,870 --> 01:01:35,359

can they not give us something more

1650

01:01:41,990 --> 01:01:38,880

meaningful like a formula but but let me

1651  
01:01:43,349 --> 01:01:42,000  
finish a formula to cure cancer and to

1652  
01:01:45,109 --> 01:01:43,359  
follow

1653  
01:01:46,789 --> 01:01:45,119  
you know there's been a challenge issued

1654  
01:01:49,670 --> 01:01:46,799  
to corey goode who claims he talks to

1655  
01:01:51,510 --> 01:01:49,680  
super advanced intelligent aliens that

1656  
01:01:52,390 --> 01:01:51,520  
if you if you're truly in contact with

1657  
01:01:56,789 --> 01:01:52,400  
them

1658  
01:01:58,789 --> 01:01:56,799  
cancer and in your case i'm going to be

1659  
01:02:01,430 --> 01:01:58,799  
selfish i'm going to be very selfish i

1660  
01:02:02,950 --> 01:02:01,440  
have an autistic child okay so what i

1661  
01:02:04,710 --> 01:02:02,960  
would ask is

1662  
01:02:06,390 --> 01:02:04,720  
if billy meyer is in contact with these

1663  
01:02:10,549 --> 01:02:06,400

intelligent

1664

01:02:12,230 --> 01:02:10,559

who by the way seem to really care about

1665

01:02:15,029 --> 01:02:12,240

humanity

1666

01:02:16,630 --> 01:02:15,039

i have a huge problem with my son being

1667

01:02:19,029 --> 01:02:16,640

autistic

1668

01:02:20,710 --> 01:02:19,039

he is non-verbal he cannot communicate

1669

01:02:22,230 --> 01:02:20,720

he's seven years old now cannot

1670

01:02:23,270 --> 01:02:22,240

communicate at all

1671

01:02:25,190 --> 01:02:23,280

and

1672

01:02:27,349 --> 01:02:25,200

what people need to realize about autism

1673

01:02:29,750 --> 01:02:27,359

is it's not just the child with the

1674

01:02:32,470 --> 01:02:29,760

autism that's the entire family suffers

1675

01:02:34,470 --> 01:02:32,480

to to help him through it you know so i

1676

01:02:36,870 --> 01:02:34,480

would be very selfish and say

1677

01:02:39,190 --> 01:02:36,880

this planetary information that's great

1678

01:02:41,750 --> 01:02:39,200

but can we have something that would

1679

01:02:43,349 --> 01:02:41,760

alleviate a tremendous amount of

1680

01:02:45,829 --> 01:02:43,359

suffering imagine

1681

01:02:48,309 --> 01:02:45,839

the suffering the amount of suffering

1682

01:02:49,670 --> 01:02:48,319

that would be lifted if

1683

01:02:52,150 --> 01:02:49,680

could come and give us a cure for

1684

01:02:54,309 --> 01:02:52,160

childhood autism well i can give you a

1685

01:02:56,150 --> 01:02:54,319

few answers that i'm going to give you a

1686

01:02:57,829 --> 01:02:56,160

couple number one

1687

01:02:59,349 --> 01:02:57,839

these are human beings who have gone

1688

01:03:01,510 --> 01:02:59,359

through their own evolutionary

1689

01:03:03,589 --> 01:03:01,520

challenges including

1690

01:03:04,630 --> 01:03:03,599

terribly destructive things to them and

1691

01:03:06,789 --> 01:03:04,640

to other

1692

01:03:08,870 --> 01:03:06,799

people and what they've learned is that

1693

01:03:10,789 --> 01:03:08,880

self-responsibility

1694

01:03:13,029 --> 01:03:10,799

is one of the core foundational

1695

01:03:13,990 --> 01:03:13,039

principles of life in this universe now

1696

01:03:15,910 --> 01:03:14,000

that doesn't mean that they're

1697

01:03:18,870 --> 01:03:15,920

indifferent and cold-hearted because if

1698

01:03:21,349 --> 01:03:18,880

the information is true on any number of

1699

01:03:23,270 --> 01:03:21,359

occasions they have gone so far as to

1700

01:03:25,190 --> 01:03:23,280

impulse if you will that means to

1701

01:03:28,390 --> 01:03:25,200

implant without the conscious knowledge

1702

01:03:30,309 --> 01:03:28,400

of the receiver information on medical

1703

01:03:32,470 --> 01:03:30,319

things they have published information

1704

01:03:34,870 --> 01:03:32,480

even on some of the causes on there's

1705

01:03:36,630 --> 01:03:34,880

information in this case about autism as

1706

01:03:37,990 --> 01:03:36,640

well and we will find out where that is

1707

01:03:39,829 --> 01:03:38,000

in there and you can read it some of

1708

01:03:41,430 --> 01:03:39,839

these things are genetically determined

1709

01:03:43,589 --> 01:03:41,440

and that it will be and they've also

1710

01:03:46,870 --> 01:03:43,599

pointed out many times that it's the

1711

01:03:49,589 --> 01:03:46,880

morons on earth who gripe about progress

1712

01:03:51,510 --> 01:03:49,599

in the form of genetic engineering and

1713

01:03:52,950 --> 01:03:51,520

think it's all bad because science of

1714

01:03:55,589 --> 01:03:52,960

course as we know is a double-edged

1715

01:03:57,349 --> 01:03:55,599

sword who who stifle

1716

01:03:59,589 --> 01:03:57,359

the progress for the tremendous

1717

01:04:01,829 --> 01:03:59,599

discoveries that competent scientists

1718

01:04:03,670 --> 01:04:01,839

and medical scientists could make to

1719

01:04:05,510 --> 01:04:03,680

cure most of these things i'm going to

1720

01:04:07,750 --> 01:04:05,520

back it up a little and you you know

1721

01:04:10,710 --> 01:04:07,760

because we all have you have a very

1722

01:04:12,309 --> 01:04:10,720

particular case of something highly

1723

01:04:14,470 --> 01:04:12,319

serious to you and important to you and

1724

01:04:17,510 --> 01:04:14,480

to many people who have children or

1725

01:04:20,309 --> 01:04:17,520

relatives who have a form of autism or

1726

01:04:22,870 --> 01:04:20,319

other illnesses or handicaps yes of

1727

01:04:24,470 --> 01:04:22,880

course but what they have said to us and

1728

01:04:27,029 --> 01:04:24,480

here's more about it think about the

1729

01:04:28,870 --> 01:04:27,039

implications if this is true they said

1730

01:04:31,750 --> 01:04:28,880

to meyer they said you know

1731

01:04:34,950 --> 01:04:31,760

if the catholic church if your library

1732

01:04:37,910 --> 01:04:34,960

at alexandria had not been burned and

1733

01:04:39,750 --> 01:04:37,920

all of the books and all of the what you

1734

01:04:42,150 --> 01:04:39,760

might call the secret sciences haven't

1735

01:04:45,990 --> 01:04:42,160

been destroyed

1736

01:04:46,710 --> 01:04:46,000

your world would come be composed now

1737

01:04:49,270 --> 01:04:46,720

of

1738

01:04:50,750 --> 01:04:49,280

space traveling human beings for the

1739

01:04:53,829 --> 01:04:50,760

past

1740

01:04:55,670 --> 01:04:53,839

200 years

1741

01:04:57,750 --> 01:04:55,680

you wouldn't be throwing tin cans at the

1742

01:05:00,230 --> 01:04:57,760

moon you would have solved the secrets

1743

01:05:02,710 --> 01:05:00,240

of actual space travel but your

1744

01:05:03,829 --> 01:05:02,720

religions and your politics and the

1745

01:05:06,309 --> 01:05:03,839

greed

1746

01:05:08,549 --> 01:05:06,319

of your world is so oppressive

1747

01:05:10,950 --> 01:05:08,559

we can't give certain information that

1748

01:05:13,190 --> 01:05:10,960

we'd love to because your scientists

1749

01:05:14,870 --> 01:05:13,200

their first application will be to

1750

01:05:17,829 --> 01:05:14,880

create weapons and if that isn't clear

1751  
01:05:19,510 --> 01:05:17,839  
to everybody now but i'm i'm not clear

1752  
01:05:21,510 --> 01:05:19,520  
on how a weapon

1753  
01:05:22,630 --> 01:05:21,520  
can be made from a cure for childhood

1754  
01:05:24,870 --> 01:05:22,640  
autism

1755  
01:05:28,150 --> 01:05:24,880  
yeah well and listen i know that this

1756  
01:05:29,510 --> 01:05:28,160  
whole line of uh debate between us seems

1757  
01:05:31,829 --> 01:05:29,520  
a little crazy

1758  
01:05:33,430 --> 01:05:31,839  
and selfish of me but this is something

1759  
01:05:35,349 --> 01:05:33,440  
that i've wondered about

1760  
01:05:37,589 --> 01:05:35,359  
if there's really a guy that's in touch

1761  
01:05:38,950 --> 01:05:37,599  
with these super advanced

1762  
01:05:41,349 --> 01:05:38,960  
humanoids

1763  
01:05:42,870 --> 01:05:41,359

that have all of this technology

1764

01:05:45,270 --> 01:05:42,880

that's a selfish thing for me to say

1765

01:05:47,190 --> 01:05:45,280

well can i have one thing

1766

01:05:49,910 --> 01:05:47,200

you want me to become a complete and

1767

01:05:52,390 --> 01:05:49,920

total believer overnight no i don't want

1768

01:05:54,630 --> 01:05:52,400

you to believe a damn thing

1769

01:05:56,710 --> 01:05:54,640

this is not belief this is a science

1770

01:05:57,670 --> 01:05:56,720

based stuff here's what i will say

1771

01:05:59,990 --> 01:05:57,680

michael

1772

01:06:03,109 --> 01:06:00,000

your your explanation for why they can't

1773

01:06:05,109 --> 01:06:03,119

is is to me an excuse because here's

1774

01:06:06,549 --> 01:06:05,119

the way that i reasoned through this for

1775

01:06:08,549 --> 01:06:06,559

my own

1776

01:06:11,510 --> 01:06:08,559

sort of analogy

1777

01:06:12,789 --> 01:06:11,520

if i was very interested in a race of

1778

01:06:14,789 --> 01:06:12,799

let's say

1779

01:06:17,270 --> 01:06:14,799

great apes and i went there and i

1780

01:06:20,069 --> 01:06:17,280

observed them and i was

1781

01:06:22,630 --> 01:06:20,079

you know i felt a certain way towards

1782

01:06:25,430 --> 01:06:22,640

them like i wanted the best for them

1783

01:06:28,230 --> 01:06:25,440

and i wanted to help them and i

1784

01:06:30,390 --> 01:06:28,240

started interacting with them

1785

01:06:34,309 --> 01:06:30,400

and then i saw

1786

01:06:35,430 --> 01:06:34,319

one of their tribe of apes in great

1787

01:06:37,510 --> 01:06:35,440

suffering

1788

01:06:40,309 --> 01:06:37,520

and i had the capability

1789

01:06:41,910 --> 01:06:40,319

to alleviate that suffering in that ape

1790

01:06:44,390 --> 01:06:41,920

that i have become

1791

01:06:46,549 --> 01:06:44,400

involved with and have been trying to

1792

01:06:48,470 --> 01:06:46,559

help for generations or for i'm not

1793

01:06:50,789 --> 01:06:48,480

generations for decades i've been trying

1794

01:06:53,910 --> 01:06:50,799

to help this group of apes i saw one

1795

01:06:56,630 --> 01:06:53,920

suffering terribly i had the power to

1796

01:06:58,630 --> 01:06:56,640

stop that suffering and for all my light

1797

01:07:00,549 --> 01:06:58,640

and love

1798

01:07:03,029 --> 01:07:00,559

i want to say propaganda

1799

01:07:05,990 --> 01:07:03,039

i i did nothing for that ape it doesn't

1800

01:07:08,309 --> 01:07:06,000

make sense i certainly i certainly would

1801  
01:07:10,549 --> 01:07:08,319  
stop the suffering of that age okay

1802  
01:07:14,230 --> 01:07:10,559  
that's very nice and i'm not as advanced

1803  
01:07:16,470 --> 01:07:14,240  
as those beings stephen you don't know

1804  
01:07:19,430 --> 01:07:16,480  
that all sorts of interventions to help

1805  
01:07:21,910 --> 01:07:19,440  
humankind haven't taken place but let me

1806  
01:07:24,390 --> 01:07:21,920  
now address it sure how about this as

1807  
01:07:27,510 --> 01:07:24,400  
much as you and other parents siblings

1808  
01:07:29,910 --> 01:07:27,520  
etc of autistic or handicapped children

1809  
01:07:32,150 --> 01:07:29,920  
would like to have an answer

1810  
01:07:34,309 --> 01:07:32,160  
completely understandable there's things

1811  
01:07:36,870 --> 01:07:34,319  
i'd like answers to would you settle

1812  
01:07:39,670 --> 01:07:36,880  
right now because you're a compassionate

1813  
01:07:42,710 --> 01:07:39,680

person would you settle for

1814

01:07:45,109 --> 01:07:42,720

help in saving the planet from utter

1815

01:07:47,349 --> 01:07:45,119

destruction in a specific way would you

1816

01:07:49,270 --> 01:07:47,359

settle for that for a starter that we

1817

01:07:52,230 --> 01:07:49,280

would like that these people would like

1818

01:07:53,829 --> 01:07:52,240

to help us avoid complete and total

1819

01:07:55,990 --> 01:07:53,839

destruction to the majority of our

1820

01:07:58,630 --> 01:07:56,000

planet and that they have provided that

1821

01:07:59,829 --> 01:07:58,640

information would you settle for that as

1822

01:08:01,510 --> 01:07:59,839

a starter

1823

01:08:03,829 --> 01:08:01,520

well that you know that's very good is

1824

01:08:05,430 --> 01:08:03,839

there no kind of it's the only spot do

1825

01:08:07,670 --> 01:08:05,440

you want it or not

1826

01:08:10,230 --> 01:08:07,680

sure what is the what is the answer how

1827

01:08:12,069 --> 01:08:10,240

do we get off this

1828

01:08:13,829 --> 01:08:12,079

freight train to destruction because i

1829

01:08:16,070 --> 01:08:13,839

agree with you on that the earth is not

1830

01:08:17,030 --> 01:08:16,080

doing well a lot of that and and right

1831

01:08:18,709 --> 01:08:17,040

now

1832

01:08:20,789 --> 01:08:18,719

a lot as i said a lot of it is

1833

01:08:22,870 --> 01:08:20,799

unstoppable all the environmentalists

1834

01:08:24,950 --> 01:08:22,880

with all their good intentions uh their

1835

01:08:27,269 --> 01:08:24,960

efforts now amount to a

1836

01:08:29,349 --> 01:08:27,279

an ant hill and they will because the

1837

01:08:31,510 --> 01:08:29,359

actual progression of the death of the

1838

01:08:33,510 --> 01:08:31,520

cities to atmospheric pollution to

1839

01:08:35,829 --> 01:08:33,520

environmental pollution to the it's

1840

01:08:37,030 --> 01:08:35,839

monumental and it isn't touched on by

1841

01:08:39,189 --> 01:08:37,040

any of these

1842

01:08:41,510 --> 01:08:39,199

organizations which have a donate button

1843

01:08:43,349 --> 01:08:41,520

as if giving money to any of these

1844

01:08:45,349 --> 01:08:43,359

phonies is going to make a dent in that

1845

01:08:47,030 --> 01:08:45,359

but let me give you the good news

1846

01:08:49,110 --> 01:08:47,040

something you could do

1847

01:08:51,430 --> 01:08:49,120

now bear with me and i'm going to take

1848

01:08:53,189 --> 01:08:51,440

you through it step by step but not too

1849

01:08:55,430 --> 01:08:53,199

too complicated

1850

01:08:58,309 --> 01:08:55,440

in 1981

1851  
01:09:00,630 --> 01:08:58,319  
billy meyer received some information

1852  
01:09:03,990 --> 01:09:00,640  
and he began to publish it

1853  
01:09:07,189 --> 01:09:04,000  
and what was that information about

1854  
01:09:12,309 --> 01:09:09,749  
it was about an object heading

1855  
01:09:16,789 --> 01:09:12,319  
towards the earth

1856  
01:09:20,390 --> 01:09:16,799  
and that

1857  
01:09:22,630 --> 01:09:20,400  
object they called the red meteor and

1858  
01:09:25,349 --> 01:09:22,640  
billy asked them what are you talking

1859  
01:09:27,749 --> 01:09:25,359  
about and they said there is an object

1860  
01:09:31,430 --> 01:09:27,759  
coming from the depths of space we call

1861  
01:09:33,030 --> 01:09:31,440  
it the red meteor on either april 13

1862  
01:09:35,030 --> 01:09:33,040  
2029

1863  
01:09:37,030 --> 01:09:35,040

or april 13

1864

01:09:39,910 --> 01:09:37,040

2036

1865

01:09:41,030 --> 01:09:39,920

it will slam into your earth

1866

01:09:43,669 --> 01:09:41,040

unless

1867

01:09:45,910 --> 01:09:43,679

the scientists of your world come

1868

01:09:47,110 --> 01:09:45,920

together they haven't discovered it yet

1869

01:09:49,189 --> 01:09:47,120

they will

1870

01:09:52,709 --> 01:09:49,199

and when they discover it they must get

1871

01:09:55,030 --> 01:09:52,719

immediately on to a concerted effort

1872

01:09:56,550 --> 01:09:55,040

to deflect this object wait and then

1873

01:09:59,350 --> 01:09:56,560

just to be clear you said it was it's

1874

01:10:02,870 --> 01:09:59,360

going to hit when is this going to hit

1875

01:10:06,870 --> 01:10:02,880

april 13th 2020

1876

01:10:08,149 --> 01:10:06,880

or april 13 2036

1877

01:10:09,830 --> 01:10:08,159

they said

1878

01:10:11,669 --> 01:10:09,840

there are different means that

1879

01:10:13,990 --> 01:10:11,679

scientists will think of

1880

01:10:16,229 --> 01:10:14,000

in order to deal with it but we don't

1881

01:10:18,229 --> 01:10:16,239

recommend one of the things which would

1882

01:10:21,830 --> 01:10:18,239

be to blow it up because it will simply

1883

01:10:24,310 --> 01:10:21,840

rain down then on the earth a solar sail

1884

01:10:27,270 --> 01:10:24,320

is not the best idea either our

1885

01:10:29,110 --> 01:10:27,280

recommendation you don't have to do it

1886

01:10:32,229 --> 01:10:29,120

our recommendation

1887

01:10:34,390 --> 01:10:32,239

is that they detonate a nuclear charge

1888

01:10:41,910 --> 01:10:34,400

at a particular point in the proper

1889

01:10:46,229 --> 01:10:43,110

okay now

1890

01:10:49,189 --> 01:10:46,239

that was in 1981.

1891

01:10:51,189 --> 01:10:49,199

in 2004

1892

01:10:52,630 --> 01:10:51,199

nasa

1893

01:10:54,950 --> 01:10:52,640

discovered

1894

01:10:56,630 --> 01:10:54,960

asteroid apophis

1895

01:10:58,470 --> 01:10:56,640

and they said it's

1896

01:11:00,790 --> 01:10:58,480

well it's probably going to pass by the

1897

01:11:02,310 --> 01:11:00,800

earth it's harmless it'll pass by the

1898

01:11:08,149 --> 01:11:02,320

earth either

1899

01:11:09,830 --> 01:11:08,159

april 13th 2029 or april 13th 2036.

1900

01:11:11,830 --> 01:11:09,840

oh okay and then

1901

01:11:13,350 --> 01:11:11,840

after a while a funny thing happened

1902

01:11:14,790 --> 01:11:13,360

they minimized that there was any

1903

01:11:16,390 --> 01:11:14,800

concern about it

1904

01:11:18,310 --> 01:11:16,400

something that's going to slam into the

1905

01:11:19,910 --> 01:11:18,320

and by the way the player and told meyer

1906

01:11:21,110 --> 01:11:19,920

exactly where it will hit if it isn't

1907

01:11:22,229 --> 01:11:21,120

deflected but we'll get to that in a

1908

01:11:23,189 --> 01:11:22,239

minute

1909

01:11:25,110 --> 01:11:23,199

but

1910

01:11:26,950 --> 01:11:25,120

nasa went

1911

01:11:29,350 --> 01:11:26,960

i don't know a year or so after their

1912

01:11:31,030 --> 01:11:29,360

discovery of it and they changed their

1913

01:11:38,630 --> 01:11:31,040

size estimate

1914

01:11:40,470 --> 01:11:38,640

25 meters of what billy meyer was told

1915

01:11:41,910 --> 01:11:40,480

now we can keep on doing it i don't know

1916

01:11:43,030 --> 01:11:41,920

about this and i don't know

1917

01:11:44,470 --> 01:11:43,040

the bible

1918

01:11:46,870 --> 01:11:44,480

look

1919

01:11:48,870 --> 01:11:46,880

if we can't think straight

1920

01:11:50,790 --> 01:11:48,880

we probably deserve for that thing to

1921

01:11:51,830 --> 01:11:50,800

slam in here

1922

01:11:54,709 --> 01:11:51,840

now

1923

01:11:56,630 --> 01:11:54,719

that is information we were given

1924

01:11:59,830 --> 01:11:56,640

23 years before

1925

01:12:01,830 --> 01:11:59,840

absolutely before nasa officially

1926

01:12:03,510 --> 01:12:01,840

discovered it nasa's been dragging their

1927

01:12:05,430 --> 01:12:03,520

feet shortly after we published

1928

01:12:08,709 --> 01:12:05,440

information and i had it personally at

1929

01:12:11,110 --> 01:12:08,719

my expense illustrated and translated

1930

01:12:13,110 --> 01:12:11,120

into six different languages and it's in

1931

01:12:15,189 --> 01:12:13,120

comic book form so that it's simple

1932

01:12:16,709 --> 01:12:15,199

enough even for a nasa scientist to

1933

01:12:19,270 --> 01:12:16,719

understand

1934

01:12:21,030 --> 01:12:19,280

and i'm tired of hearing crap from nasa

1935

01:12:22,630 --> 01:12:21,040

and seti and all these people that are

1936

01:12:25,270 --> 01:12:22,640

just working their paychecks and all the

1937

01:12:27,669 --> 01:12:25,280

rest of it when something that really is

1938

01:12:29,830 --> 01:12:27,679

a threat oh but billy meyer we can't

1939

01:12:31,669 --> 01:12:29,840

have that we can't have some guy in

1940

01:12:34,149 --> 01:12:31,679

switzerland

1941

01:12:36,950 --> 01:12:34,159

giving us information because after all

1942

01:12:39,750 --> 01:12:36,960

he's not the freaking american who knows

1943

01:12:42,630 --> 01:12:39,760

every goddamn thing pardon me

1944

01:12:45,830 --> 01:12:42,640

now this is real information and i this

1945

01:12:48,310 --> 01:12:45,840

is one of 250 things but it hasn't hit

1946

01:12:50,390 --> 01:12:48,320

yet it's just nasa corroborated it and

1947

01:12:52,870 --> 01:12:50,400

so when i say nasa proves that this is

1948

01:12:56,310 --> 01:12:52,880

real i mean the time and time and time

1949

01:12:59,189 --> 01:12:56,320

again nasa jpl usgs and

1950

01:13:02,070 --> 01:12:59,199

any you name it they're publishing new

1951

01:13:05,110 --> 01:13:02,080

discoveries that we all i read them i'll

1952

01:13:06,709 --> 01:13:05,120

give you some real direct experience in

1953

01:13:08,630 --> 01:13:06,719

1988.

1954

01:13:10,790 --> 01:13:08,640

i opened up a local newspaper in los

1955

01:13:12,950 --> 01:13:10,800

angeles and i read a new discovery from

1956

01:13:15,510 --> 01:13:12,960

lawrence livermore national westminster

1957

01:13:18,149 --> 01:13:15,520

just just just to remind my listeners

1958

01:13:20,229 --> 01:13:18,159

that this whole this whole thing was

1959

01:13:21,750 --> 01:13:20,239

really from the question

1960

01:13:24,470 --> 01:13:21,760

you've made statements that nasa

1961

01:13:27,189 --> 01:13:24,480

confirmed that the that the

1962

01:13:29,750 --> 01:13:27,199

case of billy meyer case is real

1963

01:13:31,830 --> 01:13:29,760

right but the problem is is no

1964

01:13:34,790 --> 01:13:31,840

no one from nasa came out and said yes

1965

01:13:37,030 --> 01:13:34,800

the billy meyer case is real

1966

01:13:39,750 --> 01:13:37,040

you're just what you're saying is that

1967

01:13:41,750 --> 01:13:39,760

he made prophecies about things that

1968

01:13:43,990 --> 01:13:41,760

nasa later discovered that's not the

1969

01:13:46,709 --> 01:13:44,000

same thing no he didn't make prop you

1970

01:13:48,709 --> 01:13:46,719

see i love using the term scientifically

1971

01:13:51,189 --> 01:13:48,719

accurate prophetically accurate he

1972

01:13:53,669 --> 01:13:51,199

published information for warning of

1973

01:13:55,510 --> 01:13:53,679

specific things that nasa then later

1974

01:13:57,590 --> 01:13:55,520

specifically discovers now i've got a

1975

01:13:59,750 --> 01:13:57,600

great idea here since you say nasa

1976

01:14:02,630 --> 01:13:59,760

didn't corroborate okay you know people

1977

01:14:04,630 --> 01:14:02,640

in nasa get them to go on the record

1978

01:14:06,630 --> 01:14:04,640

i was just interviewed by the you

1979

01:14:08,709 --> 01:14:06,640

realize that you realize the difficulty

1980

01:14:11,750 --> 01:14:08,719

in getting somebody from nasa to go on

1981

01:14:13,910 --> 01:14:11,760

the record on this case why you

1982

01:14:15,510 --> 01:14:13,920

you want to i agree with you i think

1983

01:14:17,590 --> 01:14:15,520

someone should be brave and if they're

1984

01:14:19,590 --> 01:14:17,600

going to say this is fake we don't

1985

01:14:22,310 --> 01:14:19,600

believe in any of this come on out and

1986

01:14:24,709 --> 01:14:22,320

say it if they i'll be glad to debate

1987

01:14:27,189 --> 01:14:24,719

any and uh take on six of their top

1988

01:14:29,910 --> 01:14:27,199

scientists on on a public stage with at

1989

01:14:31,750 --> 01:14:29,920

a skeptic's convention and i'll present

1990

01:14:33,830 --> 01:14:31,760

the meyer material and they can tell me

1991

01:14:35,669 --> 01:14:33,840

why it's not real can i get to can i get

1992

01:14:36,709 --> 01:14:35,679

to one of the other really big things

1993

01:14:38,870 --> 01:14:36,719

which is

1994

01:14:40,870 --> 01:14:38,880

the past destruction of the planet is

1995

01:14:43,030 --> 01:14:40,880

there something bigger than that i mean

1996

01:14:45,110 --> 01:14:43,040

well no i mean i'm one of the one of the

1997

01:14:47,110 --> 01:14:45,120

points of billy meyer's story that has

1998

01:14:48,550 --> 01:14:47,120

been debated so much and that is the

1999

01:14:51,030 --> 01:14:48,560

picture of

2000

01:14:54,070 --> 01:14:51,040

the pleiadian that turned out to be a

2001

01:14:56,310 --> 01:14:54,080

dancer on a television show

2002

01:14:58,390 --> 01:14:56,320

and i saw that you guys had a video of

2003

01:15:00,470 --> 01:14:58,400

that dancer who's kind of a believer in

2004

01:15:01,910 --> 01:15:00,480

billy my but but here's the question

2005

01:15:04,070 --> 01:15:01,920

that i have i have heard various

2006

01:15:04,790 --> 01:15:04,080

explanations and i wanted some clarity

2007

01:15:07,430 --> 01:15:04,800

on

2008

01:15:09,669 --> 01:15:07,440

this billy meyer takes a picture says

2009

01:15:12,149 --> 01:15:09,679

that it's a pleiadian woman and then

2010

01:15:14,229 --> 01:15:12,159

other people later said no that's a dean

2011

01:15:17,030 --> 01:15:14,239

martin dancer and here's the here's the

2012

01:15:18,709 --> 01:15:17,040

girl and then i've heard i've heard

2013

01:15:21,590 --> 01:15:18,719

varying explanations for why this

2014

01:15:23,430 --> 01:15:21,600

happened from from your side let's say

2015

01:15:25,110 --> 01:15:23,440

your side

2016

01:15:26,790 --> 01:15:25,120

and i want to be clear that's why i'm

2017

01:15:28,310 --> 01:15:26,800

just asking the question

2018

01:15:30,310 --> 01:15:28,320

because i thought i've heard that i

2019

01:15:32,310 --> 01:15:30,320

thought i've heard though

2020

01:15:34,470 --> 01:15:32,320

let me finish i thought i heard

2021

01:15:37,830 --> 01:15:34,480

an explanation that sort of the men in

2022

01:15:39,669 --> 01:15:37,840

black came and took the real picture and

2023

01:15:42,470 --> 01:15:39,679

put in a picture of the dancer to

2024

01:15:44,630 --> 01:15:42,480

discredit billy meyer well you can you

2025

01:15:46,229 --> 01:15:44,640

can actually figure it out yourself okay

2026

01:15:49,270 --> 01:15:46,239

what others have said but others have

2027

01:15:51,830 --> 01:15:49,280

said no that's he faked a picture of an

2028

01:15:53,669 --> 01:15:51,840

alien but yeah so that's what i want to

2029

01:15:56,630 --> 01:15:53,679

i just want to discuss this and see

2030

01:15:58,550 --> 01:15:56,640

where is your what exactly how do we get

2031

01:16:00,470 --> 01:15:58,560

to it okay sure we'll get to it because

2032

01:16:02,470 --> 01:16:00,480

i know you've got limited time i i want

2033

01:16:04,310 --> 01:16:02,480

to try and address 50 questions you've

2034

01:16:08,229 --> 01:16:04,320

got so i'm going to address this one

2035

01:16:10,390 --> 01:16:08,239

right away it goes like this in 1975

2036

01:16:11,990 --> 01:16:10,400

meyer was on again according to the

2037

01:16:14,630 --> 01:16:12,000

information case he's on a craft these

2038

01:16:16,149 --> 01:16:14,640

people these two non-pleiadian women

2039

01:16:18,390 --> 01:16:16,159

they were from another race but their

2040

01:16:21,270 --> 01:16:18,400

humans were there he

2041

01:16:23,110 --> 01:16:21,280

asked the blonde you're talking about is

2042

01:16:26,149 --> 01:16:23,120

said to have been his second teacher

2043

01:16:27,430 --> 01:16:26,159

starting from 16 on to 27 and he asks if

2044

01:16:30,070 --> 01:16:27,440

he can take their picture and they said

2045

01:16:32,070 --> 01:16:30,080

yes of course and then

2046

01:16:36,070 --> 01:16:32,080

and i'll tell you how i proved this hold

2047

01:16:37,590 --> 01:16:36,080

on but then uh he says to pata hey uh

2048

01:16:39,910 --> 01:16:37,600

that's really neat and potent says well

2049

01:16:42,149 --> 01:16:39,920

that's not all of it on earth there are

2050

01:16:44,790 --> 01:16:42,159

two women who are singers and dancers in

2051

01:16:46,550 --> 01:16:44,800

show business on earth who are basically

2052

01:16:48,070 --> 01:16:46,560

doubles for these two people he says

2053

01:16:49,669 --> 01:16:48,080

let's go i would take me there i want to

2054

01:16:52,470 --> 01:16:49,679

say they said

2055

01:16:54,149 --> 01:16:52,480

no it's not a good idea there for

2056

01:16:57,350 --> 01:16:54,159

certain reasons we're going to stay away

2057

01:17:00,229 --> 01:16:57,360

from that 13 years later

2058

01:17:02,550 --> 01:17:00,239

and i read this by the way in 1986 and

2059

01:17:03,669 --> 01:17:02,560

it's still in published documents so

2060

01:17:05,830 --> 01:17:03,679

nobody can

2061

01:17:07,510 --> 01:17:05,840

jiggle around that 13 years later

2062

01:17:09,830 --> 01:17:07,520

somebody says oh my gosh those are the

2063

01:17:11,910 --> 01:17:09,840

dean martin dancers then you have the

2064

01:17:13,910 --> 01:17:11,920

photos come out which billy throws in

2065

01:17:15,030 --> 01:17:13,920

shoe boxes and he puts them in his album

2066

01:17:16,870 --> 01:17:15,040

and they publish him well he doesn't pay

2067

01:17:18,870 --> 01:17:16,880

a lot of attention but then when you

2068

01:17:21,110 --> 01:17:18,880

look at the photos and i have it linked

2069

01:17:23,750 --> 01:17:21,120

online everybody can go

2070

01:17:26,310 --> 01:17:23,760

what do you know the photo it's supposed

2071

01:17:28,229 --> 01:17:26,320

to be of ask it and the one in the dean

2072

01:17:30,790 --> 01:17:28,239

martin supposed thing where they're

2073

01:17:32,790 --> 01:17:30,800

trying to got you on billy well they're

2074

01:17:35,669 --> 01:17:32,800

two different faces and what else do you

2075

01:17:38,070 --> 01:17:35,679

know it wasn't taken from a tv screen

2076

01:17:40,149 --> 01:17:38,080

there's no cathode ray tube lines there

2077

01:17:41,910 --> 01:17:40,159

well how did he do it well it would mean

2078

01:17:42,830 --> 01:17:41,920

that billy meyer in

2079

01:17:45,830 --> 01:17:42,840

what

2080

01:17:46,709 --> 01:17:45,840

1970 something when the dean martin show

2081

01:17:49,350 --> 01:17:46,719

is

2082

01:17:51,910 --> 01:17:49,360

broadcast or rebroadcast on a videotape

2083

01:17:54,070 --> 01:17:51,920

at some point or live at some point in

2084

01:17:56,390 --> 01:17:54,080

switzerland he's going to get his camera

2085

01:17:58,390 --> 01:17:56,400

with a viewfinder stuck at infinity put

2086

01:18:00,390 --> 01:17:58,400

it up in front of his tv set take a

2087

01:18:02,550 --> 01:18:00,400

photograph that not only has no cathode

2088

01:18:04,630 --> 01:18:02,560

ray tubes in it but when you examine it

2089

01:18:07,750 --> 01:18:04,640

shows that there's a double image

2090

01:18:10,550 --> 01:18:07,760

exposure where a man's collar has been

2091

01:18:12,390 --> 01:18:10,560

moved over the other woman's neck that

2092

01:18:14,470 --> 01:18:12,400

would require editing

2093

01:18:15,990 --> 01:18:14,480

from a video to

2094

01:18:19,350 --> 01:18:16,000

stephen

2095

01:18:22,310 --> 01:18:19,360

do the research before we jump into

2096

01:18:24,229 --> 01:18:22,320

castigating this man who's put his damn

2097

01:18:26,550 --> 01:18:24,239

life on the line for the morons in this

2098

01:18:29,270 --> 01:18:26,560

planet who so far don't even want to

2099

01:18:32,390 --> 01:18:29,280

know that yes this object coming towards

2100

01:18:34,070 --> 01:18:32,400

the earth is going to set back life on

2101

01:18:36,390 --> 01:18:34,080

earth if our

2102

01:18:38,390 --> 01:18:36,400

come on can we can we just talk about

2103

01:18:41,270 --> 01:18:38,400

one other photo i i appreciate your

2104

01:18:43,750 --> 01:18:41,280

explanation and i listen i i want to

2105

01:18:46,229 --> 01:18:43,760

just be clear on it before i go

2106

01:18:47,830 --> 01:18:46,239

dive in again and try to and try to make

2107

01:18:49,669 --> 01:18:47,840

a determination on that whole

2108

01:18:51,590 --> 01:18:49,679

controversy with that photo and this

2109

01:18:52,630 --> 01:18:51,600

dancer and whether it's real or whether

2110

01:18:54,550 --> 01:18:52,640

it's fake

2111

01:18:56,870 --> 01:18:54,560

the next photo that i've always had a

2112

01:18:58,709 --> 01:18:56,880

huge problem with is this time travel

2113

01:19:01,110 --> 01:18:58,719

photo of

2114

01:19:03,270 --> 01:19:01,120

i guess it's a pterodactyl and you're

2115

01:19:05,669 --> 01:19:03,280

going to tell me that's a genuine photo

2116

01:19:09,830 --> 01:19:05,679

okay billy meyer took when he was time

2117

01:19:13,990 --> 01:19:11,590

okay i'm gonna

2118

01:19:16,470 --> 01:19:14,000

do this with that no

2119

01:19:18,709 --> 01:19:16,480

that is not one of his photos what

2120

01:19:20,070 --> 01:19:18,719

happened is there had been at the time

2121

01:19:22,149 --> 01:19:20,080

that he published photos that had

2122

01:19:23,270 --> 01:19:22,159

already been quite a few attempts in his

2123

01:19:25,830 --> 01:19:23,280

life

2124

01:19:28,709 --> 01:19:25,840

a an intelligent person in the

2125

01:19:31,270 --> 01:19:28,719

intelligence industry is going to say

2126

01:19:34,070 --> 01:19:31,280

if we can't

2127

01:19:35,669 --> 01:19:34,080

kill this guy let's assassinate his

2128

01:19:38,630 --> 01:19:35,679

character let's

2129

01:19:40,709 --> 01:19:38,640

se put in photos that aren't his and

2130

01:19:42,790 --> 01:19:40,719

we'll start the whole thing okay so this

2131

01:19:45,110 --> 01:19:42,800

is the this is the men in black kind of

2132

01:19:46,870 --> 01:19:45,120

explanation that i think is convenient

2133

01:19:48,390 --> 01:19:46,880

but i will follow you down that road

2134

01:19:50,390 --> 01:19:48,400

let's let's hear about it let's hear

2135

01:19:52,149 --> 01:19:50,400

about i listen do i believe that the

2136

01:19:54,950 --> 01:19:52,159

government could do things like that

2137

01:20:00,630 --> 01:19:58,630

in real life things get messy a man who

2138

01:20:02,550 --> 01:20:00,640

lives in rural switzerland with no

2139

01:20:05,110 --> 01:20:02,560

technology to speak of

2140

01:20:09,030 --> 01:20:05,120

and we'll go back to joe tisc's analysis

2141

01:20:10,629 --> 01:20:09,040

who's published absolutely iron-clad

2142

01:20:11,830 --> 01:20:10,639

photos of extraterrestrial questions

2143

01:20:13,590 --> 01:20:11,840

just to be clear you're saying the

2144

01:20:15,350 --> 01:20:13,600

pterodactyl just to be clear you're

2145

01:20:17,110 --> 01:20:15,360

saying that the terrorist photo is not

2146

01:20:18,709 --> 01:20:17,120

his michael just to be clear you're

2147

01:20:20,470 --> 01:20:18,719

saying that the pterodactyl photo the

2148

01:20:24,790 --> 01:20:20,480

time travel photo he didn't take that

2149

01:20:29,430 --> 01:20:25,910

meyer

2150

01:20:32,229 --> 01:20:29,440

long ago actually about 75 or 78

2151  
01:20:34,550 --> 01:20:32,239  
disavowed all the photos that are called

2152  
01:20:37,350 --> 01:20:34,560  
the space photos the ask it nearer the

2153  
01:20:40,870 --> 01:20:37,360  
tech because they said while meyer took

2154  
01:20:42,149 --> 01:20:40,880  
1200 or 1800 photos on his trips with

2155  
01:20:45,990 --> 01:20:42,159  
them

2156  
01:20:48,390 --> 01:20:46,000  
weren't were manipulated and sent back

2157  
01:20:50,070 --> 01:20:48,400  
by intelligence services where they got

2158  
01:20:52,070 --> 01:20:50,080  
in and doctored photos or doctored

2159  
01:20:54,310 --> 01:20:52,080  
photos with the help of people who could

2160  
01:20:55,590 --> 01:20:54,320  
get to them you have to understand meyer

2161  
01:20:57,270 --> 01:20:55,600  
took photos

2162  
01:20:59,430 --> 01:20:57,280  
that he never could develop he had to

2163  
01:21:01,590 --> 01:20:59,440

take everything to a lab you've got to

2164

01:21:03,270 --> 01:21:01,600

do your real research and not just you

2165

01:21:04,790 --> 01:21:03,280

know if you're going to throw this stuff

2166

01:21:07,110 --> 01:21:04,800

then you're going to have a few thousand

2167

01:21:10,950 --> 01:21:07,120

pages to read and reason through

2168

01:21:12,950 --> 01:21:10,960

this is not a ufo case this is something

2169

01:21:16,070 --> 01:21:12,960

that goes far beyond it that has been

2170

01:21:17,030 --> 01:21:16,080

attacked and suppressed this is not the

2171

01:21:20,470 --> 01:21:17,040

meijer

2172

01:21:21,189 --> 01:21:20,480

dinosaur pterodactyl ascet photo case

2173

01:21:23,270 --> 01:21:21,199

okay

2174

01:21:25,030 --> 01:21:23,280

can i just go can i just ask about one

2175

01:21:27,110 --> 01:21:25,040

other photo because i want to i want the

2176  
01:21:29,270 --> 01:21:27,120  
same question is this a photo that billy

2177  
01:21:31,030 --> 01:21:29,280  
meyer took and claims is real and that

2178  
01:21:32,629 --> 01:21:31,040  
is the laser gun

2179  
01:21:33,830 --> 01:21:32,639  
photo yes

2180  
01:21:35,510 --> 01:21:33,840  
yes

2181  
01:21:37,750 --> 01:21:35,520  
and what do you say about the person

2182  
01:21:40,790 --> 01:21:37,760  
that found almost the exact

2183  
01:21:42,629 --> 01:21:40,800  
laser gun toy made around the time the

2184  
01:21:44,550 --> 01:21:42,639  
photograph was taken

2185  
01:21:46,229 --> 01:21:44,560  
you'd think so do you where did you get

2186  
01:21:47,669 --> 01:21:46,239  
that from because i'm going to tell you

2187  
01:21:49,189 --> 01:21:47,679  
that that isn't true

2188  
01:21:51,350 --> 01:21:49,199

and i'm going to tell you hold on i'm

2189

01:21:54,070 --> 01:21:51,360

going to find it here for you

2190

01:21:56,070 --> 01:21:54,080

i think we might have a little something

2191

01:21:57,510 --> 01:21:56,080

where that can be found yes i have a

2192

01:21:59,030 --> 01:21:57,520

site that i can definitely source i

2193

01:22:00,950 --> 01:21:59,040

don't have it in front of me so i

2194

01:22:02,629 --> 01:22:00,960

apologize

2195

01:22:05,030 --> 01:22:02,639

listen i appreciate you going through i

2196

01:22:06,790 --> 01:22:05,040

only have a few just those few photos

2197

01:22:08,709 --> 01:22:06,800

that i really had specific questions i'd

2198

01:22:10,629 --> 01:22:08,719

like to ask you about the wedding cake

2199

01:22:12,070 --> 01:22:10,639

thing too because that one i think is

2200

01:22:14,950 --> 01:22:12,080

ridiculous

2201

01:22:16,870 --> 01:22:14,960

we'll go back to that but let's do this

2202

01:22:18,310 --> 01:22:16,880

and this is a little long but you asked

2203

01:22:21,270 --> 01:22:18,320

for it and these people are saying it's

2204

01:22:23,510 --> 01:22:21,280

a lie and all that so bear with me and

2205

01:22:25,590 --> 01:22:23,520

uh this is from wendell stevens his

2206

01:22:27,110 --> 01:22:25,600

books whatever you think of him he's a

2207

01:22:30,310 --> 01:22:27,120

child molester you're going to say the

2208

01:22:32,629 --> 01:22:30,320

child molester as a source hold on

2209

01:22:34,470 --> 01:22:32,639

this is a man who along with two other

2210

01:22:36,709 --> 01:22:34,480

michael if the best source you have is a

2211

01:22:38,629 --> 01:22:36,719

child molester to defend your position

2212

01:22:40,229 --> 01:22:38,639

i'll let you use them i just want to be

2213

01:22:43,350 --> 01:22:40,239

clear in that you're citing a child

2214

01:22:45,830 --> 01:22:43,360

molester as a source

2215

01:22:47,430 --> 01:22:45,840

hey if you knew the truth about

2216

01:22:49,669 --> 01:22:47,440

everybody

2217

01:22:51,110 --> 01:22:49,679

did you i hope you never voted for bill

2218

01:22:53,510 --> 01:22:51,120

clinton would you agree with me that a

2219

01:22:55,270 --> 01:22:53,520

child molester cannot be trusted

2220

01:22:57,189 --> 01:22:55,280

can you say can we agree on that let's

2221

01:22:58,950 --> 01:22:57,199

get some common ground here

2222

01:23:01,430 --> 01:22:58,960

you're citing a child molester as a

2223

01:23:04,470 --> 01:23:01,440

source for proof i don't trust job

2224

01:23:06,629 --> 01:23:04,480

molesters stephen i'm an investigator

2225

01:23:08,550 --> 01:23:06,639

and i'm a research scientist and pardon

2226

01:23:10,709 --> 01:23:08,560

me if you want to run [h\_\_h] arguments

2227

01:23:11,910 --> 01:23:10,719

at me i'm just telling you what i feel

2228

01:23:13,750 --> 01:23:11,920

if you want to go ahead with your

2229

01:23:15,750 --> 01:23:13,760

argument using a child molester as a

2230

01:23:17,110 --> 01:23:15,760

source you can go ahead and do that i'm

2231

01:23:23,430 --> 01:23:17,120

just telling you what i feel you can go

2232

01:23:27,590 --> 01:23:25,590

then talk about the laser clinton let's

2233

01:23:29,910 --> 01:23:27,600

talk about it but i'm just saying you

2234

01:23:31,910 --> 01:23:29,920

you know following please

2235

01:23:32,950 --> 01:23:31,920

just hold that stuff

2236

01:23:35,030 --> 01:23:32,960

because

2237

01:23:38,229 --> 01:23:35,040

it's really unprofessional

2238

01:23:40,550 --> 01:23:38,239

okay michael i will i will i will agree

2239

01:23:42,629 --> 01:23:40,560

that i will not i won't go into that

2240

01:23:44,310 --> 01:23:42,639

territory anymore you can talk about him

2241

01:23:46,229 --> 01:23:44,320

any and use him as a source whatever you

2242

01:23:48,629 --> 01:23:46,239

want to do i'm i just want to be clear

2243

01:23:51,430 --> 01:23:48,639

in how i feel about him and and and

2244

01:23:53,189 --> 01:23:51,440

people citing him as a source we're good

2245

01:23:55,430 --> 01:23:53,199

let's go take a breath let's both take a

2246

01:23:57,510 --> 01:23:55,440

breath and step back remember that we're

2247

01:24:00,149 --> 01:23:57,520

trying to find common ground and i'm i'm

2248

01:24:02,870 --> 01:24:00,159

only asking you questions professional

2249

01:24:04,950 --> 01:24:02,880

okay well i apologize do not leave

2250

01:24:06,790 --> 01:24:04,960

children with him i don't know if the

2251

01:24:09,430 --> 01:24:06,800

guy down the street doing people's taxes

2252

01:24:11,110 --> 01:24:09,440

or the guy in the fixing cars is a child

2253

01:24:12,790 --> 01:24:11,120

mostly and there's plenty of them that

2254

01:24:15,030 --> 01:24:12,800

get outed and they're people in all

2255

01:24:17,110 --> 01:24:15,040

walks of life did the guy fix the damn

2256

01:24:18,870 --> 01:24:17,120

car did he do the taxes now that doesn't

2257

01:24:21,510 --> 01:24:18,880

mean i want to go to him now listen to

2258

01:24:23,750 --> 01:24:21,520

what was said in this investigation by

2259

01:24:26,070 --> 01:24:23,760

an investigator when i first saw these

2260

01:24:28,229 --> 01:24:26,080

child molesting investigator yes

2261

01:24:29,510 --> 01:24:28,239

are you going to keep doing that no okay

2262

01:24:30,950 --> 01:24:29,520

go ahead

2263

01:24:33,990 --> 01:24:30,960

no i'm not afraid of what you want to

2264

01:24:35,110 --> 01:24:34,000

know something about real life is messy

2265

01:24:37,510 --> 01:24:35,120

stephen

2266

01:24:40,149 --> 01:24:37,520

real life is messy but we choose we

2267

01:24:42,149 --> 01:24:40,159

choose what sources to trust we choose

2268

01:24:44,070 --> 01:24:42,159

we both have the we both have the right

2269

01:24:45,750 --> 01:24:44,080

to choose which sources we trust that's

2270

01:24:47,350 --> 01:24:45,760

awesome why don't you listen to the

2271

01:24:49,910 --> 01:24:47,360

evidence i will listen to you really

2272

01:24:52,709 --> 01:24:49,920

sincere and you go back and you tell me

2273

01:24:55,990 --> 01:24:52,719

you know what what joe tisc that guy

2274

01:24:59,510 --> 01:24:57,669

i will admit this to you michael i will

2275

01:25:02,070 --> 01:24:59,520

admit this to you every time somebody

2276

01:25:04,390 --> 01:25:02,080

cites him as a source i turn off i'm

2277

01:25:06,470 --> 01:25:04,400

sorry i apologize

2278

01:25:09,430 --> 01:25:06,480

it's just that's just the way i feel

2279

01:25:12,950 --> 01:25:09,440

about it and and so i have not exposed

2280

01:25:15,189 --> 01:25:12,960

myself to a lot of what he has found i

2281

01:25:16,950 --> 01:25:15,199

will admit that freely because because

2282

01:25:19,430 --> 01:25:16,960

of this situation so

2283

01:25:21,189 --> 01:25:19,440

i apologize and like i said let's both

2284

01:25:22,870 --> 01:25:21,199

take a step back and take a breath we're

2285

01:25:24,950 --> 01:25:22,880

trying to find common ground i'm just

2286

01:25:27,270 --> 01:25:24,960

asking questions let's get into the

2287

01:25:29,270 --> 01:25:27,280

laser gun photo then here it is when i

2288

01:25:31,430 --> 01:25:29,280

first saw these laser pistol photos i

2289

01:25:33,430 --> 01:25:31,440

had serious misgivings about them and

2290

01:25:35,750 --> 01:25:33,440

the whole story of the so-called ancient

2291

01:25:38,070 --> 01:25:35,760

weapon but then edward meyer took me to

2292

01:25:40,149 --> 01:25:38,080

a place in the frat nature preserve near

2293

01:25:42,310 --> 01:25:40,159

hinville where he had tested the first

2294

01:25:45,030 --> 01:25:42,320

one he showed me a seared line of

2295

01:25:47,750 --> 01:25:45,040

vegetation that went in a true straight

2296

01:25:49,990 --> 01:25:47,760

line until it struck an embankment and

2297

01:25:52,629 --> 01:25:50,000

stopped he showed me another and then a

2298

01:25:55,350 --> 01:25:52,639

limb high above our heads on a tall tree

2299

01:25:58,390 --> 01:25:55,360

over 60 feet tall that was severed

2300

01:26:00,709 --> 01:25:58,400

cleanly at a place about 45 feet above

2301

01:26:02,790 --> 01:26:00,719

the ground and 20 feet out from the

2302

01:26:05,110 --> 01:26:02,800

trunk where the branch was about one

2303

01:26:06,709 --> 01:26:05,120

inch in diameter the severed part of the

2304

01:26:08,550 --> 01:26:06,719

branch was still lying on the ground

2305

01:26:11,110 --> 01:26:08,560

where it had fallen and i picked it up

2306

01:26:12,950 --> 01:26:11,120

and examined it it was severed cleanly

2307

01:26:14,629 --> 01:26:12,960

without any fraying but the most

2308

01:26:17,189 --> 01:26:14,639

noticeable thing about it was the thin

2309

01:26:19,110 --> 01:26:17,199

layer of seared wood at the break the

2310

01:26:21,270 --> 01:26:19,120

charring was no more than one inch to

2311

01:26:23,510 --> 01:26:21,280

one and a quarter inches deep into the

2312

01:26:25,590 --> 01:26:23,520

wood all the way through the branch and

2313

01:26:27,750 --> 01:26:25,600

the searing of the bark was likewise

2314

01:26:29,910 --> 01:26:27,760

very narrow at the break and so sudden

2315

01:26:33,350 --> 01:26:29,920

and quick that the sap in the bark did

2316

01:26:35,430 --> 01:26:33,360

not bubble out and run certainly no no i

2317

01:26:37,669 --> 01:26:35,440

i take it back i have definitely heard

2318

01:26:41,030 --> 01:26:37,679

this whole explanation

2319

01:26:42,790 --> 01:26:41,040

several times i i have heard that have

2320

01:26:44,709 --> 01:26:42,800

you seen the hole in the tree yes but

2321

01:26:45,510 --> 01:26:44,719

what i've wondered is what i've wondered

2322

01:26:48,310 --> 01:26:45,520

is

2323

01:26:50,149 --> 01:26:48,320

yes i've seen a picture i believe i

2324

01:26:52,310 --> 01:26:50,159

believe i've seen a photograph of it and

2325

01:26:54,229 --> 01:26:52,320

my question about that is couldn't

2326

01:26:56,070 --> 01:26:54,239

somebody have done that with a drill and

2327

01:26:57,750 --> 01:26:56,080

a plumbing torch

2328

01:26:59,510 --> 01:26:57,760

i'll jump down

2329

01:27:01,910 --> 01:26:59,520

then there's the problem of the hole in

2330

01:27:04,149 --> 01:27:01,920

the tree the tree was a good 10 inches

2331

01:27:06,390 --> 01:27:04,159

to 12 inches in diameter and the tree

2332

01:27:08,790 --> 01:27:06,400

was green and full of stuff i got a 16

2333

01:27:11,350 --> 01:27:08,800

inch drill i mean how would a man with

2334

01:27:13,189 --> 01:27:11,360

one arm bore such a hole

2335

01:27:15,430 --> 01:27:13,199

an auger bit would have been impossible

2336

01:27:17,830 --> 01:27:15,440

because it would surely bind in a hole

2337

01:27:20,709 --> 01:27:17,840

that long in a living tree how would

2338

01:27:21,910 --> 01:27:20,719

meyer hold it so it was it was and then

2339

01:27:23,750 --> 01:27:21,920

and then the other question about the

2340

01:27:25,990 --> 01:27:23,760

laser gun so they gave him a laser gun

2341

01:27:27,990 --> 01:27:26,000

where's it at

2342

01:27:30,070 --> 01:27:28,000

they took it back you've got my time

2343

01:27:33,030 --> 01:27:30,080

steven and now god damn it listen to

2344

01:27:35,350 --> 01:27:33,040

this stuff and stop giving me bs michael

2345

01:27:36,950 --> 01:27:35,360

like i said let's take a breath

2346

01:27:38,709 --> 01:27:36,960

something i'm just trying to i'm just at

2347

01:27:40,390 --> 01:27:38,719

the other questions

2348

01:27:41,750 --> 01:27:40,400

you asked the question i don't know

2349

01:27:43,110 --> 01:27:41,760

we have a limited time that's all i'm

2350

01:27:45,669 --> 01:27:43,120

saying i'm trying to get to a few more

2351

01:27:46,390 --> 01:27:45,679

questions where would he get an auger

2352

01:27:49,189 --> 01:27:46,400

bit

2353

01:27:51,110 --> 01:27:49,199

12 inches long by one inch in diameter a

2354

01:27:53,189 --> 01:27:51,120

non-standard size that would have to be

2355

01:27:54,229 --> 01:27:53,199

a special order and made up by a tool

2356

01:27:55,910 --> 01:27:54,239

maker

2357

01:27:58,229 --> 01:27:55,920

this would leave tracks that could be

2358

01:28:00,310 --> 01:27:58,239

traced later and the hole in the tree

2359

01:28:01,990 --> 01:28:00,320

had to be made in 20 minutes or less and

2360

01:28:03,669 --> 01:28:02,000

all equipment removed and hidden never

2361

01:28:05,910 --> 01:28:03,679

to be discovered again

2362

01:28:07,990 --> 01:28:05,920

oh but there's more yes but he can't

2363

01:28:13,350 --> 01:28:08,000

produce the laser gun

2364

01:28:15,910 --> 01:28:13,360

can examine it check out its technology

2365

01:28:18,390 --> 01:28:15,920

maybe learn from it people don't jump

2366

01:28:20,870 --> 01:28:18,400

through hoops just because brain dead

2367

01:28:22,709 --> 01:28:20,880

human beings on earth decide brain daddy

2368

01:28:24,310 --> 01:28:22,719

said he had a laser gun i'd like to take

2369

01:28:26,870 --> 01:28:24,320

a look at the laser gun but there's a

2370

01:28:28,790 --> 01:28:26,880

convenient explanation for why he can't

2371

01:28:31,189 --> 01:28:28,800

let me look at the laser gun because

2372

01:28:34,790 --> 01:28:31,199

you're a nobody in the overall scheme

2373

01:28:36,470 --> 01:28:34,800

i'm a nobody i'm okay but so am i

2374

01:28:38,229 --> 01:28:36,480

so we've been given you're saying you

2375

01:28:40,390 --> 01:28:38,239

got listen this is like five-year-olds

2376

01:28:42,070 --> 01:28:40,400

on a playground if five-year-olds on a

2377

01:28:43,350 --> 01:28:42,080

playground if one five-year-old came up

2378

01:28:46,149 --> 01:28:43,360

to a group of five-year-olds on a

2379

01:28:48,149 --> 01:28:46,159

playground and said i got a laser gun

2380

01:28:50,790 --> 01:28:48,159

we don't want to see it why can't we see

2381

01:28:53,430 --> 01:28:50,800

the laser gun he said he had a laser gun

2382

01:28:56,229 --> 01:28:53,440

michael horn come on and you are using

2383

01:28:58,470 --> 01:28:56,239

five-year-olds on a playground thinking

2384

01:29:01,430 --> 01:28:58,480

it's the best analogy i could think of

2385

01:29:03,990 --> 01:29:01,440

and just like five-year-olds on a

2386

01:29:06,870 --> 01:29:04,000

playground if that kid went i do got a

2387

01:29:08,550 --> 01:29:06,880

laser gun but you can't see it

2388

01:29:11,189 --> 01:29:08,560

although all the five-year-olds would

2389

01:29:13,189 --> 01:29:11,199

think he was lying so it's it's a it's a

2390

01:29:13,990 --> 01:29:13,199

good analogy

2391

01:29:16,709 --> 01:29:14,000

um

2392

01:29:19,510 --> 01:29:16,719

it isn't a good analogy because you are

2393

01:29:22,149 --> 01:29:19,520

still doing the same thing

2394

01:29:25,430 --> 01:29:22,159

that everybody else does that wants that

2395

01:29:30,149 --> 01:29:28,229

i wish it was true i wish it was true i

2396

01:29:32,229 --> 01:29:30,159

grew up with the story i wanted to be

2397

01:29:34,870 --> 01:29:32,239

true i wish you did it your way out of a

2398

01:29:37,030 --> 01:29:34,880

paper bag here listen watch this then

2399

01:29:39,990 --> 01:29:37,040

the hole in the tree which a man could

2400

01:29:42,390 --> 01:29:40,000

insert his thumb into was not completely

2401

01:29:45,270 --> 01:29:42,400

round inside but somewhat

2402

01:29:47,990 --> 01:29:45,280

oval in some places like the hole made

2403

01:29:49,669 --> 01:29:48,000

by pouring hot water into a snow bank

2404

01:29:52,470 --> 01:29:49,679

and the charring through light and

2405

01:29:55,270 --> 01:29:52,480

penetrating into the wood no more than

2406

01:29:57,510 --> 01:29:55,280

one quarter inch or less was uniform

2407

01:29:59,590 --> 01:29:57,520

throughout including the front entrance

2408

01:30:02,149 --> 01:29:59,600

and the rear exit from the trunk and the

2409

01:30:04,870 --> 01:30:02,159

dark soil behind the tree in line of

2410

01:30:06,790 --> 01:30:04,880

sight through the hole was still smoking

2411

01:30:08,709 --> 01:30:06,800

and infused i'm not taking anybody

2412

01:30:10,310 --> 01:30:08,719

else's word for this because i was there

2413

01:30:13,830 --> 01:30:10,320

a short time later and personally

2414

01:30:15,270 --> 01:30:13,840

examined it all for myself now you don't

2415

01:30:17,910 --> 01:30:15,280

like it it's not good enough because

2416

01:30:19,750 --> 01:30:17,920

well you want the toy gun to appear they

2417

01:30:23,189 --> 01:30:19,760

found out that when they went looking

2418

01:30:25,830 --> 01:30:23,199

for the toy gun it didn't exist it

2419

01:30:28,229 --> 01:30:25,840

didn't exist it didn't exist in sporting

2420

01:30:30,390 --> 01:30:28,239

goods stores it didn't exist in

2421

01:30:32,629 --> 01:30:30,400

toy stores it didn't exist in anywhere

2422

01:30:34,790 --> 01:30:32,639

that they could find it and to this day

2423

01:30:37,110 --> 01:30:34,800

nobody's produced so what's actually

2424

01:30:39,189 --> 01:30:37,120

happening somebody's found that i saw i

2425

01:30:42,070 --> 01:30:39,199

saw a side by side comparison was that

2426

01:30:43,990 --> 01:30:42,080

inaccurate was that inaccurate

2427

01:30:46,149 --> 01:30:44,000

you produce the side by side because

2428

01:30:49,669 --> 01:30:46,159

i've seen every so-called side by side

2429

01:30:52,310 --> 01:30:49,679

and they explain how this works that it

2430

01:30:53,270 --> 01:30:52,320

isn't the same and they said

2431

01:30:55,270 --> 01:30:53,280

you know

2432

01:30:57,830 --> 01:30:55,280

one guy insisted the gun here is from

2433

01:30:59,990 --> 01:30:57,840

here was a plastic toy weapon and it

2434

01:31:02,149 --> 01:31:00,000

could be proved that the color of the

2435

01:31:04,550 --> 01:31:02,159

muzzle of the weapon was the same color

2436

01:31:06,950 --> 01:31:04,560

as the freshly painted red fence in

2437

01:31:07,750 --> 01:31:06,960

meyer's yard also seen in the pictures

2438

01:31:09,030 --> 01:31:07,760

okay

2439

01:31:11,270 --> 01:31:09,040

one more question and i mean this

2440

01:31:12,870 --> 01:31:11,280

sincerely so aliens give them the laser

2441

01:31:15,669 --> 01:31:12,880

gun and he just takes it like in his

2442

01:31:17,990 --> 01:31:15,679

backyard on a farm and and shoots a tree

2443

01:31:19,030 --> 01:31:18,000

like why i don't i don't understand the

2444

01:31:21,430 --> 01:31:19,040

logic

2445

01:31:23,590 --> 01:31:21,440

and because you've got a construct in

2446

01:31:25,910 --> 01:31:23,600

your mind that things have to happen a

2447

01:31:27,669 --> 01:31:25,920

certain way just like seti does they

2448

01:31:29,830 --> 01:31:27,679

think somebody's gonna babble to them in

2449

01:31:32,550 --> 01:31:29,840

mathematics and that's going to be

2450

01:31:34,310 --> 01:31:32,560

contact while billy meyer for 77 years

2451

01:31:36,390 --> 01:31:34,320

is talking to real people and they're

2452

01:31:38,149 --> 01:31:36,400

doing it in german so he can understand

2453

01:31:40,229 --> 01:31:38,159

it and transcribe it but

2454

01:31:42,790 --> 01:31:40,239

why would super intelligent aliens just

2455

01:31:44,950 --> 01:31:42,800

lend billy meyer a laser gun then

2456

01:31:45,830 --> 01:31:44,960

i mean why would they do that why would

2457

01:31:47,830 --> 01:31:45,840

they

2458

01:31:50,070 --> 01:31:47,840

lend him a laser gun well it looks to me

2459

01:31:52,149 --> 01:31:50,080

like it provoked some controversy don't

2460

01:31:53,750 --> 01:31:52,159

you think let me finish this thing about

2461

01:31:56,950 --> 01:31:53,760

the toy weapon

2462

01:31:58,550 --> 01:31:56,960

because it was not seen to be true in

2463

01:32:01,590 --> 01:31:58,560

the same photos for the fence was

2464

01:32:03,510 --> 01:32:01,600

painted with a glossy blood red enamel

2465

01:32:06,470 --> 01:32:03,520

whereas the muzzle of the weapon was a

2466

01:32:08,709 --> 01:32:06,480

flat rosy red color and they had

2467

01:32:11,189 --> 01:32:08,719

and nor did this guy know that we had

2468

01:32:13,990 --> 01:32:11,199

been to every toy supplier in

2469

01:32:16,390 --> 01:32:14,000

switzerland and failed to find any toy

2470

01:32:18,629 --> 01:32:16,400

weapon anything like the laser pistol

2471

01:32:20,870 --> 01:32:18,639

meyer photograph a search of sporting

2472

01:32:23,030 --> 01:32:20,880

goods stores was equally fruitless to

2473

01:32:24,950 --> 01:32:23,040

this day we've never found a match for

2474

01:32:26,870 --> 01:32:24,960

that in other words whatever you think

2475

01:32:29,669 --> 01:32:26,880

of the investigators or anything else

2476

01:32:31,430 --> 01:32:29,679

they did an investigation and they did a

2477

01:32:33,350 --> 01:32:31,440

very the i mean all the people that

2478

01:32:35,990 --> 01:32:33,360

participated there were many more people

2479

01:32:37,590 --> 01:32:36,000

than wendell stevens and the two of them

2480

01:32:39,510 --> 01:32:37,600

lee and bride elders were skeptics when

2481

01:32:41,430 --> 01:32:39,520

they went over there but

2482

01:32:43,030 --> 01:32:41,440

yeah and that that leads me to one other

2483

01:32:45,189 --> 01:32:43,040

question about that documentary is a lot

2484

01:32:48,229 --> 01:32:45,199

of people uh including you i believe

2485

01:32:49,750 --> 01:32:48,239

have cited jim delatoso's image analysis

2486

01:32:50,629 --> 01:32:49,760

and i have a huge problem with that

2487

01:32:52,229 --> 01:32:50,639

because

2488

01:32:55,270 --> 01:32:52,239

he he just

2489

01:32:57,270 --> 01:32:55,280

first of all like the 1970s

2490

01:32:59,350 --> 01:32:57,280

early 80s technology that he used to do

2491

01:33:01,350 --> 01:32:59,360

that analysis and second of all you know

2492

01:33:03,910 --> 01:33:01,360

he's been largely discredited with his

2493

01:33:07,110 --> 01:33:03,920

analysis of the phoenix lights being

2494

01:33:09,270 --> 01:33:07,120

completely and totally not science

2495

01:33:11,590 --> 01:33:09,280

and so you know that's one of those

2496

01:33:13,189 --> 01:33:11,600

things that always makes me

2497

01:33:15,350 --> 01:33:13,199

something wrong every time or is he

2498

01:33:17,270 --> 01:33:15,360

right every time how about neither well

2499

01:33:18,629 --> 01:33:17,280

but here's here's here's my concern

2500

01:33:20,790 --> 01:33:18,639

you've got you

2501  
01:33:23,590 --> 01:33:20,800  
you like to cite like this is proof and

2502  
01:33:24,870 --> 01:33:23,600  
you've got jim del tozo who

2503  
01:33:27,590 --> 01:33:24,880  
your most

2504  
01:33:28,470 --> 01:33:27,600  
professional image analyst would say

2505  
01:33:30,149 --> 01:33:28,480  
he's

2506  
01:33:31,830 --> 01:33:30,159  
you know it's junk science what he does

2507  
01:33:32,950 --> 01:33:31,840  
it's not real science so that's you're

2508  
01:33:34,790 --> 01:33:32,960  
saying that

2509  
01:33:36,470 --> 01:33:34,800  
you have photographic proof that's

2510  
01:33:38,070 --> 01:33:36,480  
that's the guy doing it and it's he's

2511  
01:33:39,189 --> 01:33:38,080  
been largely discredited

2512  
01:33:41,030 --> 01:33:39,199  
no and then you're saying the laser

2513  
01:33:42,310 --> 01:33:41,040

gun's real i have a child molester that

2514

01:33:44,149 --> 01:33:42,320

saw it

2515

01:33:46,950 --> 01:33:44,159

there you go again it's very

2516

01:33:48,950 --> 01:33:46,960

disingenuous thing to do you don't know

2517

01:33:50,709 --> 01:33:48,960

that the people that you rely on maybe

2518

01:33:52,629 --> 01:33:50,719

people in your own family or goddamn

2519

01:33:54,310 --> 01:33:52,639

child molesters how would you know until

2520

01:33:55,830 --> 01:33:54,320

they're outed maybe they've been living

2521

01:33:57,189 --> 01:33:55,840

these wonderful saints

2522

01:33:58,709 --> 01:33:57,199

i think you're missing the point my

2523

01:34:00,950 --> 01:33:58,719

point is that you're citing these people

2524

01:34:02,629 --> 01:34:00,960

as proof of your claims and once been

2525

01:34:04,550 --> 01:34:02,639

largely discredited and the other one is

2526

01:34:06,709 --> 01:34:04,560

not going to say it again

2527

01:34:08,390 --> 01:34:06,719

steven if you're going to do this no i

2528

01:34:10,149 --> 01:34:08,400

just want to move on

2529

01:34:11,990 --> 01:34:10,159

i'm going to give it plain and straight

2530

01:34:15,350 --> 01:34:12,000

from the beginning

2531

01:34:18,550 --> 01:34:15,360

an analysis using standard

2532

01:34:20,709 --> 01:34:18,560

protocols for determining evidence shows

2533

01:34:22,790 --> 01:34:20,719

the meyer case is authentic that's the

2534

01:34:25,510 --> 01:34:22,800

first thing you've yet to acknowledge

2535

01:34:27,830 --> 01:34:25,520

that because you're not willing to go

2536

01:34:29,590 --> 01:34:27,840

means motive and opportunity let me look

2537

01:34:30,790 --> 01:34:29,600

at that i didn't see that article even

2538

01:34:33,270 --> 01:34:30,800

though it's been on your website for two

2539

01:34:35,110 --> 01:34:33,280

and a half years michael and uh i don't

2540

01:34:37,189 --> 01:34:35,120

know i mean you're gonna i've been a

2541

01:34:39,189 --> 01:34:37,199

little behind on the billy meyer case

2542

01:34:41,510 --> 01:34:39,199

well then you don't have to what i will

2543

01:34:44,149 --> 01:34:41,520

say is this what i will say is that you

2544

01:34:46,229 --> 01:34:44,159

know i i'm trying to do my due diligence

2545

01:34:49,350 --> 01:34:46,239

i'm trying to understand what to me has

2546

01:34:51,990 --> 01:34:49,360

been a mystery since i was a child

2547

01:34:54,790 --> 01:34:52,000

i loved i do i like this i love the

2548

01:34:57,430 --> 01:34:54,800

story michael but forget the story where

2549

01:34:59,270 --> 01:34:57,440

i'm at is where i'm at is still stephen

2550

01:35:00,470 --> 01:34:59,280

do you understand

2551

01:35:02,470 --> 01:35:00,480

or not

2552

01:35:04,390 --> 01:35:02,480

yeah i'm having a conversation with you

2553

01:35:05,910 --> 01:35:04,400

here where you go into your feelings

2554

01:35:06,870 --> 01:35:05,920

every two minutes then you wanted to you

2555

01:35:10,629 --> 01:35:06,880

know

2556

01:35:12,310 --> 01:35:10,639

possible he wasn't it's possible that

2557

01:35:14,629 --> 01:35:12,320

what i was told by lee and brit elders

2558

01:35:16,709 --> 01:35:14,639

and other people was he was told to shut

2559

01:35:18,229 --> 01:35:16,719

the hell up or he was going to jail and

2560

01:35:20,149 --> 01:35:18,239

they were going to put him there and

2561

01:35:21,590 --> 01:35:20,159

that's what happened now i don't know

2562

01:35:23,750 --> 01:35:21,600

that it's true and i don't know that he

2563

01:35:25,990 --> 01:35:23,760

was a child moisture i have absolutely

2564

01:35:27,830 --> 01:35:26,000

no truck no patience with child

2565

01:35:29,910 --> 01:35:27,840

molesters i think they are the worst

2566

01:35:32,550 --> 01:35:29,920

people in the world but i heard and i

2567

01:35:34,470 --> 01:35:32,560

knew wendell for 20 years pardon me with

2568

01:35:36,870 --> 01:35:34,480

your you know your second and third hand

2569

01:35:39,030 --> 01:35:36,880

information and if you're going to be in

2570

01:35:40,830 --> 01:35:39,040

a public it's public records it's not

2571

01:35:42,070 --> 01:35:40,840

second and third-hand

2572

01:35:44,550 --> 01:35:42,080

information publicly

2573

01:35:46,390 --> 01:35:44,560

firsthand court documents that i got

2574

01:35:48,149 --> 01:35:46,400

here on him you know

2575

01:35:50,229 --> 01:35:48,159

everything's true right you read it on

2576

01:35:52,390 --> 01:35:50,239

that's the news that's the that's the

2577

01:35:54,070 --> 01:35:52,400

news so it's obviously true right i mean

2578

01:35:55,669 --> 01:35:54,080

i know that you know that it's true

2579

01:35:57,270 --> 01:35:55,679

because okay well let's just say this

2580

01:35:58,550 --> 01:35:57,280

anybody can read the court transcripts

2581

01:36:01,030 --> 01:35:58,560

their public records and make their own

2582

01:36:03,030 --> 01:36:01,040

determination of the of of the veracity

2583

01:36:05,109 --> 01:36:03,040

of the claims and his conviction and and

2584

01:36:06,550 --> 01:36:05,119

let's move on yeah so therefore

2585

01:36:09,109 --> 01:36:06,560

of course he was guilty we all know that

2586

01:36:11,109 --> 01:36:09,119

nobody's ever been wrongly accused

2587

01:36:13,830 --> 01:36:11,119

nobody's ever been wrongly convicted and

2588

01:36:15,669 --> 01:36:13,840

nobody's ever been wrongly jailed oh of

2589

01:36:17,669 --> 01:36:15,679

course

2590

01:36:19,990 --> 01:36:17,679

so why don't we go to the place where we

2591

01:36:21,750 --> 01:36:20,000

can discuss evidence in an intelligent

2592

01:36:24,470 --> 01:36:21,760

way let's go right back to the beginning

2593

01:36:26,310 --> 01:36:24,480

now in the very beginning i said to you

2594

01:36:27,910 --> 01:36:26,320

joe tisc

2595

01:36:31,510 --> 01:36:27,920

he happens to be

2596

01:36:33,750 --> 01:36:31,520

a stellar expert but he said himself

2597

01:36:36,790 --> 01:36:33,760

my credentials don't matter this is how

2598

01:36:38,870 --> 01:36:36,800

you analyze evidence i was a skeptic the

2599

01:36:41,910 --> 01:36:38,880

billy meyer case is authentic i'll take

2600

01:36:43,669 --> 01:36:41,920

on any skeptic and he did now you're one

2601  
01:36:45,830 --> 01:36:43,679  
of those skeptics that here wants to go

2602  
01:36:47,430 --> 01:36:45,840  
back and forth and tell me stories and

2603  
01:36:48,870 --> 01:36:47,440  
question this and when i try to explain

2604  
01:36:51,109 --> 01:36:48,880  
you want to interrupt it with something

2605  
01:36:52,870 --> 01:36:51,119  
else so let's go right back to

2606  
01:36:54,070 --> 01:36:52,880  
if billy meyer

2607  
01:36:55,189 --> 01:36:54,080  
published

2608  
01:36:58,629 --> 01:36:55,199  
80

2609  
01:37:01,510 --> 01:36:58,639  
photos in a photo album of ufos in 1964

2610  
01:37:03,109 --> 01:37:01,520  
tell me stephen where did he get him

2611  
01:37:04,950 --> 01:37:03,119  
well one

2612  
01:37:06,709 --> 01:37:04,960  
one theory suggests that he made the

2613  
01:37:08,629 --> 01:37:06,719

models and he took the pictures and he

2614

01:37:09,669 --> 01:37:08,639

hung them from strings

2615

01:37:11,510 --> 01:37:09,679

stephen

2616

01:37:13,590 --> 01:37:11,520

where did he get him i don't

2617

01:37:15,669 --> 01:37:13,600

we have a theory from kendall kevin

2618

01:37:17,590 --> 01:37:15,679

randall that he carried in a larger

2619

01:37:20,149 --> 01:37:17,600

around rural

2620

01:37:22,149 --> 01:37:20,159

uh india out on the outskirts of delhi

2621

01:37:23,750 --> 01:37:22,159

this is a guy verifiably travelling

2622

01:37:26,390 --> 01:37:23,760

around with the knapsack

2623

01:37:29,669 --> 01:37:26,400

an old camera hardly any money working

2624

01:37:32,470 --> 01:37:29,679

his way around it's 1964 and he has 80

2625

01:37:34,310 --> 01:37:32,480

clear ufo photos 12 he still exists and

2626

01:37:36,470 --> 01:37:34,320

one of them is mind-boggling anyhow it's

2627

01:37:39,189 --> 01:37:36,480

on the site where did he get them you're

2628

01:37:41,030 --> 01:37:39,199

the skeptic now you tell me not a theory

2629

01:37:43,030 --> 01:37:41,040

where did he get them he would not be

2630

01:37:44,229 --> 01:37:43,040

the first person to fake

2631

01:37:48,310 --> 01:37:44,239

photographs

2632

01:37:51,189 --> 01:37:48,320

yep he's in 1964 he's got 80 of them not

2633

01:37:52,149 --> 01:37:51,199

one or two okay so he's very diligent at

2634

01:37:54,070 --> 01:37:52,159

faking

2635

01:37:56,390 --> 01:37:54,080

so in other words you're saying in the

2636

01:37:58,709 --> 01:37:56,400

face i'm saying it's within the realm of

2637

01:38:01,030 --> 01:37:58,719

possibility that he faked them i am

2638

01:38:02,870 --> 01:38:01,040

willing to accept that the photos may be

2639

01:38:06,390 --> 01:38:02,880

real if you are willing to accept that

2640

01:38:09,270 --> 01:38:06,400

the photos may not be real no because

2641

01:38:10,950 --> 01:38:09,280

according to the oh my god i don't

2642

01:38:13,510 --> 01:38:10,960

i thought you were an intelligent guy

2643

01:38:15,189 --> 01:38:13,520

according to a discredited so-called

2644

01:38:17,590 --> 01:38:15,199

image animal no

2645

01:38:20,629 --> 01:38:17,600

listen who else stop interrupting it

2646

01:38:23,750 --> 01:38:20,639

according to the protocols used by

2647

01:38:26,390 --> 01:38:23,760

military and and police and others have

2648

01:38:28,470 --> 01:38:26,400

analyzed the images and have said oh my

2649

01:38:30,550 --> 01:38:28,480

god well let's go to let's go to the

2650

01:38:31,430 --> 01:38:30,560

let's go to michael schrad how about him

2651

01:38:33,669 --> 01:38:31,440

like

2652

01:38:35,830 --> 01:38:33,679

he did an excellent analysis of of the

2653

01:38:38,470 --> 01:38:35,840

photos and here's the problems that he

2654

01:38:40,790 --> 01:38:38,480

found multiple grouped ufos photographed

2655

01:38:43,030 --> 01:38:40,800

in the same shot ufo never photographed

2656

01:38:44,390 --> 01:38:43,040

on the ground these things landed why

2657

01:38:46,790 --> 01:38:44,400

were they never photographed on the

2658

01:38:49,990 --> 01:38:46,800

ground why why why objects too large or

2659

01:38:52,310 --> 01:38:50,000

disproportionate use of force or false

2660

01:38:54,550 --> 01:38:52,320

perspective technique that's an aircraft

2661

01:38:56,310 --> 01:38:54,560

historian that's making these statements

2662

01:38:57,910 --> 01:38:56,320

object perfectly centered in frame

2663

01:38:59,750 --> 01:38:57,920

object positioned perfectly about the

2664

01:39:01,510 --> 01:38:59,760

vertical axis

2665

01:39:03,590 --> 01:39:01,520

objects surrounded by trees are various

2666

01:39:06,870 --> 01:39:03,600

structures to obscure suspension rings

2667

01:39:08,709 --> 01:39:06,880

no they show the scale listen please do

2668

01:39:10,229 --> 01:39:08,719

what i'm saying is that for for the for

2669

01:39:12,390 --> 01:39:10,239

the for the evidence that you're saying

2670

01:39:14,149 --> 01:39:12,400

these are real there is counter evidence

2671

01:39:16,790 --> 01:39:14,159

and that these are fake

2672

01:39:19,510 --> 01:39:16,800

he's talking photos could be fake

2673

01:39:22,709 --> 01:39:19,520

he's talking 1975 photos i'm taking you

2674

01:39:25,189 --> 01:39:22,719

back to 64. and unless you give me as

2675

01:39:27,990 --> 01:39:25,199

you would have to give joe tisc unless

2676

01:39:29,510 --> 01:39:28,000

you sh tell me how not your theory not

2677

01:39:31,430 --> 01:39:29,520

what you think he could have done how

2678

01:39:34,470 --> 01:39:31,440

he's running around in rural india in a

2679

01:39:36,070 --> 01:39:34,480

dusty place and he's made models of ufos

2680

01:39:37,830 --> 01:39:36,080

and we have the photographs of the state

2681

01:39:39,910 --> 01:39:37,840

you tell me how he did it or you're

2682

01:39:41,669 --> 01:39:39,920

gonna have to admit that you don't know

2683

01:39:44,390 --> 01:39:41,679

how he did it and that it's more than

2684

01:39:46,629 --> 01:39:44,400

likely that a top military expert and

2685

01:39:48,790 --> 01:39:46,639

any other human being on the planet

2686

01:39:50,790 --> 01:39:48,800

following the protocols laid out in that

2687

01:39:53,350 --> 01:39:50,800

article will come to the same

2688

01:39:56,070 --> 01:39:53,360

inescapable conclusion the photos and

2689

01:39:59,270 --> 01:39:56,080

the films are real now you want to get

2690

01:40:02,149 --> 01:39:59,280

to the 75 photos and on there are three

2691

01:40:04,950 --> 01:40:02,159

relatively new analyses detailed using

2692

01:40:07,270 --> 01:40:04,960

state-of-the-art 21st century technology

2693

01:40:09,030 --> 01:40:07,280

and as i said you're gonna have those

2694

01:40:11,669 --> 01:40:09,040

but you better start

2695

01:40:12,870 --> 01:40:11,679

right at the beginning 1964.

2696

01:40:14,310 --> 01:40:12,880

you're telling me well he could have

2697

01:40:16,470 --> 01:40:14,320

this and he couldn't because you you

2698

01:40:18,070 --> 01:40:16,480

you're in fantasyland you haven't gone

2699

01:40:20,149 --> 01:40:18,080

to india you didn't stick your finger in

2700

01:40:21,430 --> 01:40:20,159

the goddamn hole in the tree you haven't

2701  
01:40:23,430 --> 01:40:21,440  
interviewed this man you haven't tried

2702  
01:40:24,550 --> 01:40:23,440  
to trick him you didn't interview 14 of

2703  
01:40:25,830 --> 01:40:24,560  
the people who's

2704  
01:40:27,990 --> 01:40:25,840  
michael if

2705  
01:40:30,470 --> 01:40:28,000  
somebody wants to pay my way to go

2706  
01:40:32,629 --> 01:40:30,480  
interview billy never mind yeah you want

2707  
01:40:34,229 --> 01:40:32,639  
me i get listen i i listen i'll be very

2708  
01:40:36,870 --> 01:40:34,239  
honest with you i would love to do that

2709  
01:40:38,709 --> 01:40:36,880  
i got a wife and kids and i have bills

2710  
01:40:40,470 --> 01:40:38,719  
and like you know it would be very

2711  
01:40:42,390 --> 01:40:40,480  
costly to go do that or i would love

2712  
01:40:44,550 --> 01:40:42,400  
that i've been there 20 times i figured

2713  
01:40:46,629 --> 01:40:44,560

out how to get there and i don't have a

2714

01:40:49,270 --> 01:40:46,639

salary and i don't have a retirement

2715

01:40:51,189 --> 01:40:49,280

pension so i don't want to hear bs from

2716

01:40:53,109 --> 01:40:51,199

people who are willing to impugn this

2717

01:40:54,149 --> 01:40:53,119

man's integrity with absolutely no

2718

01:40:56,629 --> 01:40:54,159

reason

2719

01:40:59,109 --> 01:40:56,639

anyone's integrity i'm asking questions

2720

01:41:00,950 --> 01:40:59,119

that's all we do here

2721

01:41:02,550 --> 01:41:00,960

you can't answer the hard questions and

2722

01:41:05,189 --> 01:41:02,560

neither can any of the parasites in

2723

01:41:07,270 --> 01:41:05,199

ufology because they don't want this to

2724

01:41:09,109 --> 01:41:07,280

be true they don't want to know that

2725

01:41:12,709 --> 01:41:09,119

what's coming to this world will be the

2726

01:41:15,669 --> 01:41:12,719

eruption of five volcanoes in italy

2727

01:41:17,510 --> 01:41:15,679

re-evolving into a doomsday cult here is

2728

01:41:19,350 --> 01:41:17,520

that happening

2729

01:41:22,229 --> 01:41:19,360

some people have called it a ufo call

2730

01:41:24,390 --> 01:41:22,239

you said that not me

2731

01:41:25,910 --> 01:41:24,400

stephen i'm trying to give you credit

2732

01:41:28,390 --> 01:41:25,920

for being intelligent you're making it

2733

01:41:32,229 --> 01:41:28,400

difficult when the man has information

2734

01:41:36,390 --> 01:41:32,239

given to him in 1948 and it says after

2735

01:41:39,990 --> 01:41:36,400

2015 and 6 2016 there will be precursor

2736

01:41:42,070 --> 01:41:40,000

earthquakes in italy prior to the major

2737

01:41:44,390 --> 01:41:42,080

eruptions that will take place later

2738

01:41:47,510 --> 01:41:44,400

around aetna monstrom

2739

01:41:49,750 --> 01:41:47,520

vesuvius and campy flagery and mount

2740

01:41:51,430 --> 01:41:49,760

marseille and then

2741

01:41:53,189 --> 01:41:51,440

also there will be heavy earthquake

2742

01:41:56,070 --> 01:41:53,199

activity in indonesia we will have a

2743

01:41:57,990 --> 01:41:56,080

caldera of campy flaglery opening up in

2744

01:41:59,910 --> 01:41:58,000

italy then the caldera in northern

2745

01:42:02,070 --> 01:41:59,920

germany known as the eiffel fields and

2746

01:42:06,470 --> 01:42:02,080

eventually the yellowstone in america

2747

01:42:08,950 --> 01:42:06,480

and it's 1948 and in 2015 2016 those

2748

01:42:11,430 --> 01:42:08,960

earthquakes started in italy well if you

2749

01:42:12,629 --> 01:42:11,440

don't want to know push that stuff aside

2750

01:42:15,350 --> 01:42:12,639

if you don't want to get one of your

2751  
01:42:17,830 --> 01:42:15,360  
friends at nasa to tell me that they can

2752  
01:42:20,310 --> 01:42:17,840  
show that billy meyer didn't publish

2753  
01:42:22,870 --> 01:42:20,320  
stuff 30 years before they did you see

2754  
01:42:25,750 --> 01:42:22,880  
we're dealing with a race or somebody if

2755  
01:42:28,310 --> 01:42:25,760  
you think meyer is a hoaxer who comes up

2756  
01:42:30,310 --> 01:42:28,320  
with all this stuff that's freaking iron

2757  
01:42:32,310 --> 01:42:30,320  
clad you can't stick a piece of paper in

2758  
01:42:34,550 --> 01:42:32,320  
it when you get down to nitty gritty but

2759  
01:42:37,030 --> 01:42:34,560  
intelligent people like you want to do

2760  
01:42:39,109 --> 01:42:37,040  
bs with me and i don't buy bs anymore

2761  
01:42:41,189 --> 01:42:39,119  
because this is too important you said

2762  
01:42:43,350 --> 01:42:41,199  
you had real questions i gave you in the

2763  
01:42:45,669 --> 01:42:43,360

first five minutes i gave you a 12

2764

01:42:47,910 --> 01:42:45,679

second answer that shows that this case

2765

01:42:50,470 --> 01:42:47,920

is real if you have the wit and the will

2766

01:42:52,229 --> 01:42:50,480

you will go to joe tisc's article you

2767

01:42:54,550 --> 01:42:52,239

will run through the protocol you will

2768

01:42:56,390 --> 01:42:54,560

go through the through new analyses you

2769

01:42:57,990 --> 01:42:56,400

will go through the older analyses that

2770

01:42:59,750 --> 01:42:58,000

were done at the sound labs and the

2771

01:43:01,990 --> 01:42:59,760

photographic analyses and all the rest

2772

01:43:04,070 --> 01:43:02,000

of it you will read marcel vogel's

2773

01:43:05,990 --> 01:43:04,080

credentials and his analysis of the

2774

01:43:07,590 --> 01:43:06,000

metal samples you will

2775

01:43:09,430 --> 01:43:07,600

take the photos and others have said

2776

01:43:11,830 --> 01:43:09,440

that those metal samples were ordinary

2777

01:43:14,390 --> 01:43:11,840

earth and aluminum and copper

2778

01:43:16,550 --> 01:43:14,400

well hey guess what if the preponderance

2779

01:43:18,870 --> 01:43:16,560

of evidence starts to show that this

2780

01:43:21,030 --> 01:43:18,880

guy's telling the truth and that really

2781

01:43:22,629 --> 01:43:21,040

credible scientists have put their you

2782

01:43:25,030 --> 01:43:22,639

know their names online

2783

01:43:27,109 --> 01:43:25,040

um well let's see if it's going to be a

2784

01:43:29,109 --> 01:43:27,119

duel and we know that the case is real

2785

01:43:30,790 --> 01:43:29,119

already we know that the case is real

2786

01:43:33,990 --> 01:43:30,800

and authentic because we've been given

2787

01:43:35,750 --> 01:43:34,000

them the friggin legal protocol the

2788

01:43:38,470 --> 01:43:35,760

military protocol the scientific

2789

01:43:40,790 --> 01:43:38,480

protocol and it establishes it in five

2790

01:43:43,109 --> 01:43:40,800

minutes for anybody that can think well

2791

01:43:44,950 --> 01:43:43,119

so-and-so says this photo is too good to

2792

01:43:46,870 --> 01:43:44,960

be true that one was wrong and it's

2793

01:43:49,430 --> 01:43:46,880

forced perspective but then when we have

2794

01:43:51,270 --> 01:43:49,440

the 21st century analysis with all the

2795

01:43:54,790 --> 01:43:51,280

computer technology they say

2796

01:43:56,470 --> 01:43:54,800

gee real large objects can i ask another

2797

01:43:59,189 --> 01:43:56,480

question about the photos why did his

2798

01:44:01,430 --> 01:43:59,199

ex-wife say that he faked the photos

2799

01:44:03,910 --> 01:44:01,440

you are still men now i realize that an

2800

01:44:05,510 --> 01:44:03,920

ex-wife may not be an entirely reliable

2801  
01:44:07,510 --> 01:44:05,520  
source she may be vengeful she may be

2802  
01:44:09,109 --> 01:44:07,520  
trying to take revenge but it's an

2803  
01:44:11,590 --> 01:44:09,119  
interesting part it's an interesting

2804  
01:44:13,510 --> 01:44:11,600  
part of the story that he gets divorced

2805  
01:44:18,149 --> 01:44:13,520  
he gets divorced she comes out and says

2806  
01:44:22,950 --> 01:44:20,310  
saying that it's real after she said

2807  
01:44:26,550 --> 01:44:22,960  
she's seen his son or one of his sons

2808  
01:44:28,470 --> 01:44:26,560  
also come out and and and sort of

2809  
01:44:30,709 --> 01:44:28,480  
said his son came out that didn't like

2810  
01:44:33,030 --> 01:44:30,719  
his dad but in the same thing he says oh

2811  
01:44:35,430 --> 01:44:33,040  
that's all the contexts are real i just

2812  
01:44:37,590 --> 01:44:35,440  
hate my dad the other son who is in a

2813  
01:44:38,470 --> 01:44:37,600

video as a kid along with the mother

2814

01:44:40,550 --> 01:44:38,480

showing

2815

01:44:42,709 --> 01:44:40,560

like a painting drawing that he made of

2816

01:44:45,189 --> 01:44:42,719

one of the craft that he saw this is the

2817

01:44:47,350 --> 01:44:45,199

problem with crap online and crap for

2818

01:44:49,430 --> 01:44:47,360

brains people that run around putting up

2819

01:44:51,510 --> 01:44:49,440

their skeptical shots who didn't look

2820

01:44:54,790 --> 01:44:51,520

into they didn't look into the fact that

2821

01:44:56,709 --> 01:44:54,800

his ex-wife suddenly became wealthy

2822

01:44:59,270 --> 01:44:56,719

after she left and started attacking

2823

01:45:01,990 --> 01:44:59,280

billy oh gosh this is where we want to

2824

01:45:03,510 --> 01:45:02,000

go you're not being scientific i'm

2825

01:45:05,270 --> 01:45:03,520

hammering away

2826  
01:45:06,709 --> 01:45:05,280  
and you're not going to get off on this

2827  
01:45:08,790 --> 01:45:06,719  
and neither would

2828  
01:45:11,189 --> 01:45:08,800  
zenzie's end my friend over there or

2829  
01:45:13,189 --> 01:45:11,199  
anybody else yeah he he told me that i

2830  
01:45:15,109 --> 01:45:13,199  
should ask you once again who wrote the

2831  
01:45:16,950 --> 01:45:15,119  
books where did they all come from was

2832  
01:45:18,310 --> 01:45:16,960  
it aliens yeah i think you've already

2833  
01:45:20,149 --> 01:45:18,320  
answered that question though you said

2834  
01:45:21,669 --> 01:45:20,159  
that that he had these experiences and

2835  
01:45:23,669 --> 01:45:21,679  
was shown these things and then he went

2836  
01:45:25,910 --> 01:45:23,679  
and wrote it down and then he published

2837  
01:45:27,590 --> 01:45:25,920  
books some are the spiritual teaching if

2838  
01:45:29,590 --> 01:45:27,600

you will some are books that meyer

2839

01:45:31,109 --> 01:45:29,600

himself authored some of these books

2840

01:45:33,590 --> 01:45:31,119

that are in the spiritual teaching meyer

2841

01:45:36,229 --> 01:45:33,600

says that the this comes to him from a

2842

01:45:37,590 --> 01:45:36,239

higher plane he transcribes it as it is

2843

01:45:39,830 --> 01:45:37,600

and he publishes it and he doesn't

2844

01:45:41,990 --> 01:45:39,840

change a letter of it people can do

2845

01:45:43,990 --> 01:45:42,000

without what they want i'm coming back

2846

01:45:45,910 --> 01:45:44,000

to the thing you and i are having this

2847

01:45:47,750 --> 01:45:45,920

discussion because you say you want to

2848

01:45:49,750 --> 01:45:47,760

know if the meyer case is real or not

2849

01:45:51,830 --> 01:45:49,760

i'm saying we've established that it's

2850

01:45:53,109 --> 01:45:51,840

real but you don't want to grasp that

2851

01:45:55,109 --> 01:45:53,119

nor do you want to grapple with it

2852

01:45:56,950 --> 01:45:55,119

because you still want it to be

2853

01:45:59,030 --> 01:45:56,960

something else why did the aliens do

2854

01:46:00,709 --> 01:45:59,040

this wouldn't shouldn't they done that

2855

01:46:03,270 --> 01:46:00,719

why and that leads me to another

2856

01:46:04,790 --> 01:46:03,280

question why only billy meyer you have

2857

01:46:07,830 --> 01:46:04,800

said that he's the only genuine

2858

01:46:09,430 --> 01:46:07,840

contactee okay here's a reversal so all

2859

01:46:11,990 --> 01:46:09,440

the other contactees all the other

2860

01:46:13,669 --> 01:46:12,000

people i will agree with you on one one

2861

01:46:15,430 --> 01:46:13,679

corey goode is not in contact with the

2862

01:46:16,790 --> 01:46:15,440

allies he's a total fraud so we have

2863

01:46:18,790 --> 01:46:16,800

some common ground there you've said

2864

01:46:20,950 --> 01:46:18,800

that anybody that claims that they're in

2865

01:46:23,430 --> 01:46:20,960

contact with aliens besides billy meyer

2866

01:46:25,590 --> 01:46:23,440

is a fraud and a fake a liar and a liar

2867

01:46:28,470 --> 01:46:25,600

and there is no other genuine why just

2868

01:46:31,350 --> 01:46:28,480

billy meyer then why him after that you

2869

01:46:33,910 --> 01:46:31,360

see you're asking me that question as if

2870

01:46:36,950 --> 01:46:33,920

you know of some evidence to the

2871

01:46:39,109 --> 01:46:36,960

contrary my answer is well give me

2872

01:46:41,590 --> 01:46:39,119

evidence to the contrary i have looked

2873

01:46:43,750 --> 01:46:41,600

at evidence over 40 years on so many

2874

01:46:47,109 --> 01:46:43,760

things and guess what

2875

01:46:50,390 --> 01:46:47,119

i don't find any nobody has presented

2876

01:46:52,870 --> 01:46:50,400

one piece of verifiable extraterrestrial

2877

01:46:55,430 --> 01:46:52,880

manufacture evidence not a single

2878

01:46:56,950 --> 01:46:55,440

paragraph of significant scientific

2879

01:46:58,709 --> 01:46:56,960

infra all these people that are in

2880

01:46:59,750 --> 01:46:58,719

contact with aliens

2881

01:47:01,910 --> 01:46:59,760

really

2882

01:47:03,669 --> 01:47:01,920

where is it and then i'll i'll start

2883

01:47:06,310 --> 01:47:03,679

talking about why

2884

01:47:08,390 --> 01:47:06,320

well gee i tell you what this evidence

2885

01:47:10,550 --> 01:47:08,400

that you have now brought to me stephen

2886

01:47:12,149 --> 01:47:10,560

let's have it compared to and tested

2887

01:47:14,229 --> 01:47:12,159

according to the same standards that

2888

01:47:17,590 --> 01:47:14,239

myers was but i'm hearing dead air here

2889

01:47:21,510 --> 01:47:19,910

well you know back to the model thing i

2890

01:47:23,830 --> 01:47:21,520

mean i'm looking right now at one

2891

01:47:26,149 --> 01:47:23,840

enlargement of one of the photos that

2892

01:47:29,350 --> 01:47:26,159

shows what some people think is

2893

01:47:30,629 --> 01:47:29,360

an eye screw that was used to

2894

01:47:32,709 --> 01:47:30,639

suspend the

2895

01:47:35,270 --> 01:47:32,719

model you mean the thing on top of the

2896

01:47:37,189 --> 01:47:35,280

craft that's because it's a perfect loop

2897

01:47:39,750 --> 01:47:37,199

like like you could use what that means

2898

01:47:41,910 --> 01:47:39,760

is obviously if it's a perfect loop it's

2899

01:47:43,270 --> 01:47:41,920

got to be an eye screw and despite the

2900

01:47:44,950 --> 01:47:43,280

fact that that's one of hundreds of

2901

01:47:47,030 --> 01:47:44,960

photos and some of them have the

2902

01:47:48,790 --> 01:47:47,040

so-called ice cream or an antenna where

2903

01:47:50,310 --> 01:47:48,800

that means that it's obviously a hoax

2904

01:47:51,030 --> 01:47:50,320

because all the people that brought that

2905

01:47:52,950 --> 01:47:51,040

up

2906

01:47:54,709 --> 01:47:52,960

in their their daytime job if they're

2907

01:47:56,629 --> 01:47:54,719

lucky they're flipping dick goddamn

2908

01:47:58,629 --> 01:47:56,639

burgers and now they're experts on what

2909

01:48:01,189 --> 01:47:58,639

an extraterrestrial cafe craft would

2910

01:48:02,390 --> 01:48:01,199

look like gosh so what about the wedding

2911

01:48:04,790 --> 01:48:02,400

photo because a lot of people are

2912

01:48:06,950 --> 01:48:04,800

critical of that i won't say you know i

2913

01:48:09,109 --> 01:48:06,960

i i think the wedding photo looks really

2914

01:48:10,550 --> 01:48:09,119

hokey and fake that's just my personal

2915

01:48:11,830 --> 01:48:10,560

opinion because you're right i don't

2916

01:48:13,189 --> 01:48:11,840

know what a spacecraft's supposed to

2917

01:48:13,910 --> 01:48:13,199

look like maybe that's what they look

2918

01:48:15,510 --> 01:48:13,920

like

2919

01:48:17,910 --> 01:48:15,520

so can you talk about the wedding photo

2920

01:48:19,590 --> 01:48:17,920

a little bit yes as i said and you will

2921

01:48:21,350 --> 01:48:19,600

have the link in time for you i'm sorry

2922

01:48:22,470 --> 01:48:21,360

to be clear it's the wedding cake photo

2923

01:48:24,149 --> 01:48:22,480

is what it's called if you google

2924

01:48:25,350 --> 01:48:24,159

wedding cake photo you'll see the exact

2925

01:48:27,590 --> 01:48:25,360

photos

2926

01:48:29,030 --> 01:48:27,600

yes so what you're going to have you

2927

01:48:30,790 --> 01:48:29,040

know what i will be sending you and you

2928

01:48:34,149 --> 01:48:30,800

got to give me a day or so because as i

2929

01:48:36,229 --> 01:48:34,159

said i've had a little assignment today

2930

01:48:38,229 --> 01:48:36,239

okay so what you're going to get

2931

01:48:41,350 --> 01:48:38,239

is you're going to get the 70

2932

01:48:43,350 --> 01:48:41,360

4-page report on that object and with

2933

01:48:46,950 --> 01:48:43,360

all of the protocols and technologies

2934

01:48:48,550 --> 01:48:46,960

used to analyze the wedding cake ufo

2935

01:48:51,270 --> 01:48:48,560

all the stuff and you're going to get a

2936

01:48:53,109 --> 01:48:51,280

link to a separate book that's published

2937

01:48:55,750 --> 01:48:53,119

about it and you're going to get a link

2938

01:48:58,149 --> 01:48:55,760

to the analysis of the craft going

2939

01:49:00,390 --> 01:48:58,159  
around the tree that two different

2940

01:49:02,709 --> 01:49:00,400  
special effects experts academy

2941

01:49:04,629 --> 01:49:02,719  
award-winning special of x effects

2942

01:49:06,629 --> 01:49:04,639  
experts say is not

2943

01:49:08,709 --> 01:49:06,639  
hope it's not a hoax it's not a model

2944

01:49:10,470 --> 01:49:08,719  
and it's not cgi or special effects can

2945

01:49:12,629 --> 01:49:10,480  
i ask one can i ask one question because

2946

01:49:15,270 --> 01:49:12,639  
i i don't seem to recall but this this

2947

01:49:17,350 --> 01:49:15,280  
particular model has a bunch of spheres

2948

01:49:18,790 --> 01:49:17,360  
around it what are the function some

2949

01:49:20,310 --> 01:49:18,800  
this is kind of a listener question

2950

01:49:22,390 --> 01:49:20,320  
actually what are the function of the

2951

01:49:24,149 --> 01:49:22,400

spheres because that

2952

01:49:25,589 --> 01:49:24,159

that wedding cake

2953

01:49:27,350 --> 01:49:25,599

ufo photo

2954

01:49:29,430 --> 01:49:27,360

has these spheres around the flying

2955

01:49:31,589 --> 01:49:29,440

saucer the rest of them do not have that

2956

01:49:33,510 --> 01:49:31,599

those spheres that's correct i can tell

2957

01:49:35,750 --> 01:49:33,520

you two things one i do not know for

2958

01:49:38,070 --> 01:49:35,760

certainty two i think it's robert

2959

01:49:40,709 --> 01:49:38,080

shellman from the naval undersea lab

2960

01:49:42,470 --> 01:49:40,719

only having heard the sound

2961

01:49:45,510 --> 01:49:42,480

of the craft and not seeing the photo

2962

01:49:47,030 --> 01:49:45,520

said the sound seems to be made by some

2963

01:49:49,910 --> 01:49:47,040

type of i think he said it was a

2964

01:49:52,470 --> 01:49:49,920

spherical thing uh for some kind of

2965

01:49:55,669 --> 01:49:52,480

magnetic things in resonance so he has

2966

01:49:56,709 --> 01:49:55,679

probably the best guess i do not know

2967

01:49:59,750 --> 01:49:56,719

and

2968

01:50:01,750 --> 01:49:59,760

ufos are irrelevant to us right now this

2969

01:50:03,350 --> 01:50:01,760

is what all these nice people better

2970

01:50:05,430 --> 01:50:03,360

understand

2971

01:50:07,830 --> 01:50:05,440

that object called apophis is coming

2972

01:50:10,070 --> 01:50:07,840

towards earth there are changes coming

2973

01:50:12,950 --> 01:50:10,080

on the planet that are unstoppable and

2974

01:50:14,550 --> 01:50:12,960

are going to affect everybody within the

2975

01:50:16,629 --> 01:50:14,560

next 10 years

2976

01:50:18,629 --> 01:50:16,639

you're not going to recognize the planet

2977

01:50:21,189 --> 01:50:18,639

but but just to be clear but

2978

01:50:23,109 --> 01:50:21,199

are you saying that then billy meyer and

2979

01:50:26,229 --> 01:50:23,119

these aliens can save us from this

2980

01:50:28,310 --> 01:50:26,239

coming catastrophe

2981

01:50:30,390 --> 01:50:28,320

no because

2982

01:50:33,270 --> 01:50:30,400

the contact with the play aaron was

2983

01:50:35,510 --> 01:50:33,280

offered in 1979

2984

01:50:39,030 --> 01:50:35,520

to the jimmy carter

2985

01:50:40,070 --> 01:50:39,040

administration which in its wisdom

2986

01:50:41,030 --> 01:50:40,080

turned

2987

01:50:42,070 --> 01:50:41,040

it

2988

01:50:45,030 --> 01:50:42,080

down

2989

01:50:47,350 --> 01:50:45,040

so that's bye-bye and the play arnold

2990

01:50:50,470 --> 01:50:47,360

said look we cannot we're not going to

2991

01:50:52,149 --> 01:50:50,480

extend that offer any further the people

2992

01:50:55,350 --> 01:50:52,159

in america

2993

01:50:58,149 --> 01:50:55,360

are incapable of reason

2994

01:50:59,830 --> 01:50:58,159

they simply do not understand

2995

01:51:02,470 --> 01:50:59,840

self-responsibility

2996

01:51:04,870 --> 01:51:02,480

they didn't understand that we've given

2997

01:51:07,189 --> 01:51:04,880

the warnings for decades and decades on

2998

01:51:10,070 --> 01:51:07,199

what's happening what's coming the cause

2999

01:51:12,550 --> 01:51:10,080

of it they over populate this planet as

3000

01:51:14,629 --> 01:51:12,560

well as the country of america itself

3001

01:51:17,149 --> 01:51:14,639

it's to such a high degree

3002

01:51:19,669 --> 01:51:17,159

that all of these consequences of the

3003

01:51:22,070 --> 01:51:19,679

overpopulation manifest in the

3004

01:51:23,990 --> 01:51:22,080

disruptions of the environment

3005

01:51:26,390 --> 01:51:24,000

sure there's some things that occur

3006

01:51:28,629 --> 01:51:26,400

naturally but environmental destruction

3007

01:51:31,589 --> 01:51:28,639

and climate change that's 75 percent

3008

01:51:33,830 --> 01:51:31,599

man-made now we don't have a clue about

3009

01:51:36,149 --> 01:51:33,840

it some of our scientists know many of

3010

01:51:38,709 --> 01:51:36,159

them been bought off to not say that

3011

01:51:41,430 --> 01:51:38,719

it's real but as billy published the

3012

01:51:43,109 --> 01:51:41,440

icebergs are melting as billy published

3013

01:51:45,189 --> 01:51:43,119

the damage to the ozone took place from

3014

01:51:47,030 --> 01:51:45,199

the atomic testing as billy published

3015

01:51:49,030 --> 01:51:47,040

published published from these people

3016

01:51:52,310 --> 01:51:49,040

because meyer himself in those early

3017

01:51:54,070 --> 01:51:52,320

years he himself didn't know all of that

3018

01:51:56,310 --> 01:51:54,080

he was shown it and some of it he

3019

01:51:58,310 --> 01:51:56,320

reasoned out himself

3020

01:52:00,790 --> 01:51:58,320

something jumped out at me on on your

3021

01:52:03,750 --> 01:52:00,800

site and that is this advertisement for

3022

01:52:04,709 --> 01:52:03,760

the arahat atherosata

3023

01:52:05,589 --> 01:52:04,719

is that

3024

01:52:07,270 --> 01:52:05,599

okay

3025

01:52:09,189 --> 01:52:07,280

you know i'm just going to ask this very

3026

01:52:10,790 --> 01:52:09,199

plainly there's some quotes and one of

3027

01:52:12,950 --> 01:52:10,800

them is after several cover to cover

3028

01:52:14,470 --> 01:52:12,960

readings of the of this book i became

3029

01:52:16,950 --> 01:52:14,480

able to neutralize or eliminate my

3030

01:52:18,470 --> 01:52:16,960

migraine headaches within seconds isn't

3031

01:52:21,189 --> 01:52:18,480

that illegal because you're making a

3032

01:52:22,950 --> 01:52:21,199

medical claim that a book can cure some

3033

01:52:26,229 --> 01:52:22,960

medical condition

3034

01:52:30,149 --> 01:52:26,239

no that is what somebody experienced and

3035

01:52:31,750 --> 01:52:30,159

i put their testimonial up people listen

3036

01:52:33,669 --> 01:52:31,760

it just seems like a bowl it just seems

3037

01:52:36,550 --> 01:52:33,679

like you're promising that if you read

3038

01:52:39,270 --> 01:52:36,560

this book you can cure migraines

3039

01:52:40,709 --> 01:52:39,280

god it's so hard you want to keep on i'm

3040

01:52:42,790 --> 01:52:40,719

trying to explain something if you

3041

01:52:44,550 --> 01:52:42,800

understood that the spiritual teaching

3042

01:52:46,550 --> 01:52:44,560

which is

3043

01:52:47,910 --> 01:52:46,560

a bunch of other things as well lots of

3044

01:52:52,229 --> 01:52:47,920

it for free now you don't have to buy a

3045

01:52:55,910 --> 01:52:52,239

book explains how you use your mind in

3046

01:52:58,470 --> 01:52:55,920

your life in those aspects of your life

3047

01:53:00,470 --> 01:52:58,480

that even includes your health your

3048

01:53:04,229 --> 01:53:00,480

peace of mind not everybody's going to

3049

01:53:06,709 --> 01:53:04,239

be able this is a guy who applied how to

3050

01:53:09,510 --> 01:53:06,719

think to a problem that he was having in

3051  
01:53:12,310 --> 01:53:09,520  
his own freaking head will everybody get

3052  
01:53:14,149 --> 01:53:12,320  
some no other people learn to do other

3053  
01:53:16,470 --> 01:53:14,159  
things by it they

3054  
01:53:18,629 --> 01:53:16,480  
find a way to be more effective in their

3055  
01:53:20,629 --> 01:53:18,639  
occupations or in their

3056  
01:53:22,629 --> 01:53:20,639  
relationships with their family or how

3057  
01:53:24,950 --> 01:53:22,639  
to deal with things in the outer world

3058  
01:53:27,189 --> 01:53:24,960  
and how to improve okay you know listen

3059  
01:53:29,510 --> 01:53:27,199  
i i understand i just that that really

3060  
01:53:32,070 --> 01:53:29,520  
just simple that kind of jumped out at

3061  
01:53:34,070 --> 01:53:32,080  
me is like this is a kind of a pretty

3062  
01:53:34,790 --> 01:53:34,080  
out there claim like you could read you

3063  
01:53:36,390 --> 01:53:34,800

know

3064

01:53:37,669 --> 01:53:36,400

but listen i want to give you the last

3065

01:53:39,750 --> 01:53:37,679

word i

3066

01:53:42,149 --> 01:53:39,760

i want to say this and make sure that

3067

01:53:44,310 --> 01:53:42,159

you hear and understand me i

3068

01:53:46,629 --> 01:53:44,320

am sincerely thankful that you took the

3069

01:53:48,790 --> 01:53:46,639

time to to do this with me because

3070

01:53:51,189 --> 01:53:48,800

people said you would never come on my

3071

01:53:54,070 --> 01:53:51,199

show i think we had a nice talk i'm

3072

01:53:56,070 --> 01:53:54,080

sorry if it got a little heated at times

3073

01:53:58,390 --> 01:53:56,080

we can continue to

3074

01:54:00,629 --> 01:53:58,400

agree to disagree on some points and i

3075

01:54:02,229 --> 01:54:00,639

will look into this thing more and now i

3076  
01:54:04,070 --> 01:54:02,239  
want to just let you have the last word

3077  
01:54:06,790 --> 01:54:04,080  
and we have just a few minutes at the

3078  
01:54:09,589 --> 01:54:06,800  
beginning of this program i presented to

3079  
01:54:11,750 --> 01:54:09,599  
you at least the first statement which

3080  
01:54:14,229 --> 01:54:11,760  
is pretty much sets the whole tone for

3081  
01:54:17,189 --> 01:54:14,239  
the iron-clad authenticity of the meyer

3082  
01:54:19,350 --> 01:54:17,199  
case how one themselves can march

3083  
01:54:21,270 --> 01:54:19,360  
through the steps scientifically

3084  
01:54:23,270 --> 01:54:21,280  
scientifically

3085  
01:54:25,189 --> 01:54:23,280  
legally if you will

3086  
01:54:27,669 --> 01:54:25,199  
and determine the authenticity of the

3087  
01:54:29,270 --> 01:54:27,679  
case themselves you will have a photo

3088  
01:54:30,870 --> 01:54:29,280

that you can play with you have all

3089

01:54:33,669 --> 01:54:30,880

sorts of things you can do

3090

01:54:36,229 --> 01:54:33,679

if after that you have an actual

3091

01:54:38,870 --> 01:54:36,239

question that challenges the analysis

3092

01:54:41,030 --> 01:54:38,880

that first one that proves the case real

3093

01:54:43,270 --> 01:54:41,040

please feel free to send it otherwise

3094

01:54:45,030 --> 01:54:43,280

i'm concluding the saying i have done

3095

01:54:47,109 --> 01:54:45,040

what you've asked and that is actually i

3096

01:54:49,189 --> 01:54:47,119

showed you that this has existed a long

3097

01:54:51,990 --> 01:54:49,199

time that the case is ironclad whether

3098

01:54:53,990 --> 01:54:52,000

you understand agree or not whether that

3099

01:54:55,510 --> 01:54:54,000

you can be anybody in the audience with

3100

01:54:58,470 --> 01:54:55,520

what the evidence is how it was done

3101

01:55:01,669 --> 01:54:58,480

blah blah blah it is what it is and if

3102

01:55:02,950 --> 01:55:01,679

people cannot credibly credibly refute

3103

01:55:05,030 --> 01:55:02,960

it not through what they believe and not

3104

01:55:07,910 --> 01:55:05,040

through their theories then it stands

3105

01:55:09,910 --> 01:55:07,920

and finally i'll say since you mentioned

3106

01:55:11,589 --> 01:55:09,920

knowing people in nasa and challenged

3107

01:55:14,149 --> 01:55:11,599

that nasa my claim that nasa

3108

01:55:16,629 --> 01:55:14,159

authenticated i stand behind that claim

3109

01:55:18,950 --> 01:55:16,639

and i i think it's a pure matter of

3110

01:55:21,189 --> 01:55:18,960

simple logic if meyer published it

3111

01:55:23,350 --> 01:55:21,199

before nasa and nasa came out they

3112

01:55:25,750 --> 01:55:23,360

corroborated meyer not the other way

3113

01:55:27,270 --> 01:55:25,760

around the points are there

3114

01:55:29,350 --> 01:55:27,280

nobody has to agree but if you're going

3115

01:55:30,870 --> 01:55:29,360

to tell me that my after this the meyer

3116

01:55:33,270 --> 01:55:30,880

case isn't real and his evidence isn't

3117

01:55:35,830 --> 01:55:33,280

real then either prove it folks or don't

3118

01:55:37,830 --> 01:55:35,840

even bother and if you have any evidence

3119

01:55:39,910 --> 01:55:37,840

that all of the frauds phonies liars

3120

01:55:42,149 --> 01:55:39,920

charlatans and cheats that i've called

3121

01:55:45,189 --> 01:55:42,159

out by name from nick pope to richard

3122

01:55:47,270 --> 01:55:45,199

dolan stephen greer michael salapal all

3123

01:55:48,550 --> 01:55:47,280

of them i'll say it to their face and

3124

01:55:50,629 --> 01:55:48,560

none of them will raise their voice

3125

01:55:52,870 --> 01:55:50,639

because they know as soon as they try to

3126

01:55:54,709 --> 01:55:52,880

address what i've said people go to the

3127

01:55:57,030 --> 01:55:54,719

meyer case and realize that not one of

3128

01:55:59,030 --> 01:55:57,040

those clowns who've been misleading them

3129

01:56:01,750 --> 01:55:59,040

for years or decades has one piece of

3130

01:56:03,830 --> 01:56:01,760

evidence and that speaks pretty poorly

3131

01:56:06,070 --> 01:56:03,840

for people who believe that load of crap

3132

01:56:08,390 --> 01:56:06,080

and you're not being abducted by aliens

3133

01:56:10,870 --> 01:56:08,400

if anything you're being messed with by

3134

01:56:12,070 --> 01:56:10,880

our secret military and we can do other

3135

01:56:13,510 --> 01:56:12,080

things on that

3136

01:56:15,109 --> 01:56:13,520

well michael we've run out the clock i

3137

01:56:17,589 --> 01:56:15,119

want to thank you and everyone else for

3138

01:56:19,910 --> 01:56:17,599

joining us tonight until next time folks

3139

01:56:21,430 --> 01:56:19,920

my name is stephen cambion reminding you

3140

01:56:24,070 --> 01:56:21,440

that it's better to get hurt by the
