00:00:13,990 --> 00:00:11,990

[Music]

2
00:00:15,910 --> 00:00:14,000

welcome back my friends it's time for

3
00:00:18,150 --> 00:00:15,920

the midnight hour show last week we

4
00:00:19,990 --> 00:00:18,160

heard from michael horn billy meyer's

5
00:00:22,230 --> 00:00:20,000

biggest supporter and u.s media

6
00:00:24,310 --> 00:00:22,240

representative this week i thought we'd

7
00:00:26,950 --> 00:00:24,320

flip the coin and let you hear from the

8
00:00:28,470 --> 00:00:26,960

case's biggest detractor and skeptic

9
00:00:32,790 --> 00:00:28,480

kalkorf

10
00:00:34,950 --> 00:00:32,800

let's get into it folks

11
00:00:36,470 --> 00:00:34,960

listen uh i i don't know uh i don't

12
00:00:38,150 --> 00:00:36,480

really have a game plan except that we

13
00:00:40,229 --> 00:00:38,160

could start with billy meyer and then

14

00:00:41,750 --> 00:00:40,239

i'd like to ask you some i'd like to

15

00:00:43,270 --> 00:00:41,760

talk to you a little bit about roswell

16

00:00:45,029 --> 00:00:43,280

maybe we can get in this annie jacobs

17

00:00:46,470 --> 00:00:45,039

stuff and some of the other stuff that

18

00:00:48,069 --> 00:00:46,480

i've heard you've been talking about on

19

00:00:49,910 --> 00:00:48,079

your show

20

00:00:51,990 --> 00:00:49,920

anything you want yeah i got all your

21

00:00:53,830 --> 00:00:52,000

books i got to tell you it's i'm so

22

00:00:55,189 --> 00:00:53,840

happy to get to talk to you in person

23

00:00:57,590 --> 00:00:55,199

because uh

24

00:00:59,750 --> 00:00:57,600

you know i started my show and then it

25

00:01:02,150 --> 00:00:59,760

just sort of organically went the way of

26
00:01:03,189 --> 00:01:02,160
let's bust cosmic con men and fakes and

27
00:01:05,509 --> 00:01:03,199
frauds

28
00:01:08,070 --> 00:01:05,519
and everybody kept mentioning you to me

29
00:01:09,429 --> 00:01:08,080
and i kept saying yeah i got his books

30
00:01:11,270 --> 00:01:09,439
as one of the people that kind of

31
00:01:13,190 --> 00:01:11,280
inspired me to look deep into some of

32
00:01:16,230 --> 00:01:13,200
these people and see through the

33
00:01:18,789 --> 00:01:16,240
deception and the profiteering

34
00:01:20,310 --> 00:01:18,799
to get to the truth you know

35
00:01:22,710 --> 00:01:20,320
and place them aside and you've been

36
00:01:25,109 --> 00:01:22,720
doing this forever how did you get

37
00:01:29,990 --> 00:01:25,119
started with that kind of thing

38
00:01:32,230 --> 00:01:30,000

uh i started um on october 17 1973. um

39

00:01:34,870 --> 00:01:32,240

i officially make the 19th as my

40

00:01:37,350 --> 00:01:34,880

so-called anniversary meaning

41

00:01:38,149 --> 00:01:37,360

um i was in sixth grade i was 11 years

42

00:01:41,350 --> 00:01:38,159

young

43

00:01:43,190 --> 00:01:41,360

and at that time in our class every

44

00:01:45,830 --> 00:01:43,200

student had to bring in a newspaper

45

00:01:47,910 --> 00:01:45,840

clipping of whatever was going on in in

46

00:01:50,469 --> 00:01:47,920

the news it was up to you you picked

47

00:01:51,990 --> 00:01:50,479

whatever the subject you had to tell the

48

00:01:54,149 --> 00:01:52,000

teacher you know they went around the

49

00:01:55,910 --> 00:01:54,159

room every morning called on you you had

50

00:01:58,069 --> 00:01:55,920

to spend 30 seconds to summarize it like

51
00:02:01,030 --> 00:01:58,079
you were a little newscast or whatever

52
00:02:04,789 --> 00:02:01,040
so one day on october 17th and through

53
00:02:06,069 --> 00:02:04,799
the 18th 19th 1973 for the next few days

54
00:02:08,550 --> 00:02:06,079
everybody

55
00:02:11,270 --> 00:02:08,560
without exception brings in articles and

56
00:02:13,270 --> 00:02:11,280
ufos i mean what the hell is going on

57
00:02:14,470 --> 00:02:13,280
you know i don't know what's going on

58
00:02:16,949 --> 00:02:14,480
and

59
00:02:19,350 --> 00:02:16,959
i i i was our family was the only one

60
00:02:21,030 --> 00:02:19,360
who didn't subscribe to a newspaper my

61
00:02:24,949 --> 00:02:21,040
dad just didn't want to pay 10 cents a

62
00:02:27,030 --> 00:02:24,959
day for one and he would like that

63
00:02:28,710 --> 00:02:27,040

yeah he just um you know he watched the

64

00:02:31,589 --> 00:02:28,720

news on tv in the evening when he got

65

00:02:33,670 --> 00:02:31,599

home and that was his thing and uh

66

00:02:36,309 --> 00:02:33,680

i listened to the radio

67

00:02:38,229 --> 00:02:36,319

uh so what happened is um i collected

68

00:02:40,390 --> 00:02:38,239

all these new newspaper clippings and i

69

00:02:42,710 --> 00:02:40,400

have many of them still today

70

00:02:44,949 --> 00:02:42,720

and there was this one case and you may

71

00:02:46,869 --> 00:02:44,959

remember it it was quite famous and it's

72

00:02:49,430 --> 00:02:46,879

since pretty much disappeared off the

73

00:02:53,350 --> 00:02:49,440

radar this was a case in falkville

74

00:02:56,229 --> 00:02:53,360

alabama in 1973 on october 19th or our

75

00:02:57,509 --> 00:02:56,239

17th where police chief named jeffrey

76

00:02:59,670 --> 00:02:57,519

greenhaw

77

00:03:00,390 --> 00:02:59,680

he claims he got a phone call to go out

78

00:03:02,390 --> 00:03:00,400

to

79

00:03:06,070 --> 00:03:02,400

investigate this ufo

80

00:03:08,149 --> 00:03:06,080

report out in the boonies goes out there

81

00:03:10,309 --> 00:03:08,159

sees this creature standing on the road

82

00:03:12,710 --> 00:03:10,319

takes four polaroid photos

83

00:03:14,790 --> 00:03:12,720

from a distance of as close as about 10

84

00:03:16,630 --> 00:03:14,800

feet away the last two photos then the

85

00:03:19,430 --> 00:03:16,640

creature supposedly runs away the

86

00:03:20,949 --> 00:03:19,440

policeman chases him spins out this is

87

00:03:24,229 --> 00:03:20,959

the chief of police

88

00:03:26,630 --> 00:03:24,239

so that case hooked me because

89

00:03:28,710 --> 00:03:26,640

even as being 11 years old i'm thinking

90

00:03:32,949 --> 00:03:28,720

okay either it's real

91

00:03:34,789 --> 00:03:32,959

or it's not duh at least we can know and

92

00:03:37,190 --> 00:03:34,799

if it is real

93

00:03:39,190 --> 00:03:37,200

the ramifications of this are

94

00:03:41,030 --> 00:03:39,200

infinite if it isn't real

95

00:03:43,030 --> 00:03:41,040

we're really screwed up

96

00:03:45,350 --> 00:03:43,040

uh because there's

97

00:03:47,509 --> 00:03:45,360

there's this mass delusion hallucination

98

00:03:49,589 --> 00:03:47,519

whatever you want to call it going on

99

00:03:51,750 --> 00:03:49,599

globally especially in the us though

100

00:03:53,670 --> 00:03:51,760

about aliens ufos and so on some

101
00:03:54,869 --> 00:03:53,680
hysteria we've got nuclear weapons not a

102
00:03:56,789 --> 00:03:54,879
good combo

103
00:03:58,869 --> 00:03:56,799
so that's what what got me interested

104
00:04:01,830 --> 00:03:58,879
because i thought that no matter what

105
00:04:03,910 --> 00:04:01,840
the answer was to the ufo issue

106
00:04:06,550 --> 00:04:03,920
and it must be considered on a

107
00:04:08,550 --> 00:04:06,560
case-by-case basis there's no single

108
00:04:10,710 --> 00:04:08,560
answer for everything it's not peanut

109
00:04:12,949 --> 00:04:10,720
butter here um

110
00:04:14,710 --> 00:04:12,959
we can only learn from that and then

111
00:04:16,550 --> 00:04:14,720
that's why uh

112
00:04:18,390 --> 00:04:16,560
the fears i had back then even as a

113
00:04:22,310 --> 00:04:18,400

young kid of this uh

114

00:04:24,150 --> 00:04:22,320

belief in in crazy stupid things uh lack

115

00:04:25,430 --> 00:04:24,160

of critical thinking if it became

116

00:04:26,629 --> 00:04:25,440

mainstream

117

00:04:29,189 --> 00:04:26,639

it can really

118

00:04:30,469 --> 00:04:29,199

implode a country and that's what we see

119

00:04:32,230 --> 00:04:30,479

happening we

120

00:04:34,310 --> 00:04:32,240

we're the divided states of america

121

00:04:36,230 --> 00:04:34,320

we've never been more polarized

122

00:04:38,070 --> 00:04:36,240

yeah i noticed on your show i was kind

123

00:04:39,909 --> 00:04:38,080

of surprised because i know you from

124

00:04:41,590 --> 00:04:39,919

your books i didn't know that you were

125

00:04:43,749 --> 00:04:41,600

so interested in politics and so i

126

00:04:48,150 --> 00:04:43,759

started recently sort of binge catching

127

00:04:53,350 --> 00:04:49,110

is that

128

00:04:55,270 --> 00:04:53,360

opposed to some of the other research

129

00:04:57,030 --> 00:04:55,280

that you've done in the past

130

00:04:59,110 --> 00:04:57,040

you know thanks for asking that question

131

00:05:01,189 --> 00:04:59,120

uh and and again i appreciate being on

132

00:05:02,870 --> 00:05:01,199

your show and and um

133

00:05:04,870 --> 00:05:02,880

uh love the fact that we're doing this

134

00:05:07,749 --> 00:05:04,880

free form on unrehearsed

135

00:05:10,629 --> 00:05:07,759

uh to me it's really the evolution of

136

00:05:12,469 --> 00:05:10,639

the overall issue of let's call it the

137

00:05:13,909 --> 00:05:12,479

human condition whatever you want to

138

00:05:14,950 --> 00:05:13,919

call it whatever's going on with the

139

00:05:17,270 --> 00:05:14,960

human

140

00:05:20,230 --> 00:05:17,280

evolution de-evolution maybe

141

00:05:21,670 --> 00:05:20,240

versus how i started off uh you know as

142

00:05:24,310 --> 00:05:21,680

somebody who grew up with bill moore and

143

00:05:26,150 --> 00:05:24,320

stan friedman and was pro-ufo was a

144

00:05:27,749 --> 00:05:26,160

friedman night until things came between

145

00:05:28,870 --> 00:05:27,759

us which we can come back to a little

146

00:05:29,749 --> 00:05:28,880

bit later

147

00:05:32,390 --> 00:05:29,759

um

148

00:05:35,749 --> 00:05:32,400

it it really is an evolution of not only

149

00:05:38,150 --> 00:05:35,759

the journalism but life journey because

150

00:05:40,790 --> 00:05:38,160

again i left the us in the year 2000 and

151
00:05:43,670 --> 00:05:40,800
i went to you know 27 different

152
00:05:45,430 --> 00:05:43,680
countries was gone out of the u.s for

153
00:05:48,230 --> 00:05:45,440
nearly 20 years

154
00:05:49,909 --> 00:05:48,240
and i learned a lot of stuff and

155
00:05:52,150 --> 00:05:49,919
of course being the only american and

156
00:05:53,990 --> 00:05:52,160
then being a jew in some areas around

157
00:05:55,590 --> 00:05:54,000
the world and being in some really crazy

158
00:05:56,790 --> 00:05:55,600
remote areas around the world that we're

159
00:05:59,189 --> 00:05:56,800
not safe

160
00:06:01,510 --> 00:05:59,199
i did a lot of journalism on everything

161
00:06:03,590 --> 00:06:01,520
but the paranormal and ufos because i

162
00:06:05,430 --> 00:06:03,600
learned very quickly that nobody really

163
00:06:07,670 --> 00:06:05,440

cares about those subjects once you get

164

00:06:09,909 --> 00:06:07,680

outside the u.s and that's just a fact

165

00:06:11,590 --> 00:06:09,919

the interest level goes way down and i

166

00:06:13,749 --> 00:06:11,600

often got teased

167

00:06:15,670 --> 00:06:13,759

about my interest in it because people

168

00:06:16,710 --> 00:06:15,680

would find out who i was overseas or

169

00:06:18,710 --> 00:06:16,720

whatever

170

00:06:21,270 --> 00:06:18,720

and when i started writing for daily

171

00:06:23,909 --> 00:06:21,280

posts daily world over the years

172

00:06:26,070 --> 00:06:23,919

thousands of articles full-page specials

173

00:06:29,110 --> 00:06:26,080

a lot of stuff on terrorism

174

00:06:30,790 --> 00:06:29,120

because i left the united states my last

175

00:06:33,670 --> 00:06:30,800

memory of the us

176

00:06:36,469 --> 00:06:33,680

was standing in seattle downtown at the

177

00:06:38,790 --> 00:06:36,479

space needle on the uh millennial

178

00:06:40,710 --> 00:06:38,800

anniversary of 2000.

179

00:06:44,710 --> 00:06:40,720

and

180

00:06:45,909 --> 00:06:44,720

deliberately because the area was closed

181

00:06:46,870 --> 00:06:45,919

down

182

00:06:49,029 --> 00:06:46,880

and

183

00:06:50,870 --> 00:06:49,039

they had caught a terrorist connected to

184

00:06:52,230 --> 00:06:50,880

al-qaeda that had come in through the

185

00:06:54,710 --> 00:06:52,240

canadian border

186

00:06:55,990 --> 00:06:54,720

and he was gonna bomb the space needle

187

00:06:57,350 --> 00:06:56,000

or la

188

00:06:58,469 --> 00:06:57,360

international they weren't quite sure at

189

00:07:00,790 --> 00:06:58,479

that time

190

00:07:02,550 --> 00:07:00,800

and i told my wife at the time i said

191

00:07:04,870 --> 00:07:02,560

you know i'm not going to let bin laden

192

00:07:06,629 --> 00:07:04,880

tell me what kind of holiday to have i'm

193

00:07:09,749 --> 00:07:06,639

this is the one and only millennial

194

00:07:11,670 --> 00:07:09,759

millennium we're going down there

195

00:07:14,070 --> 00:07:11,680

and i was working at boeing at the time

196

00:07:15,430 --> 00:07:14,080

and i knew that this terrorism thing was

197

00:07:17,110 --> 00:07:15,440

going to break it was kind of obvious

198

00:07:19,749 --> 00:07:17,120

and i knew it wasn't just an israeli

199

00:07:21,350 --> 00:07:19,759

jewish thing that's just plain stupidity

200

00:07:22,390 --> 00:07:21,360

but america had its head up it's you

201

00:07:24,710 --> 00:07:22,400

know what

202

00:07:26,390 --> 00:07:24,720

concerning terrorism and bill clinton

203

00:07:27,749 --> 00:07:26,400

led bin laden off the hook he could have

204

00:07:29,589 --> 00:07:27,759

killed him a couple times should have

205

00:07:31,510 --> 00:07:29,599

taken the shot but didn't

206

00:07:33,430 --> 00:07:31,520

and of course we must remember that

207

00:07:36,150 --> 00:07:33,440

shortly after bill clinton became

208

00:07:39,029 --> 00:07:36,160

president the first world trade center

209

00:07:39,830 --> 00:07:39,039

bombing occurred and that was related to

210

00:07:42,469 --> 00:07:39,840

uh

211

00:07:45,110 --> 00:07:42,479

eventually the second al qaeda attack

212

00:07:47,029 --> 00:07:45,120

because it was uh uh khalid sheikh

213

00:07:49,029 --> 00:07:47,039

mohammed's nephew ramsay yosef who did

214

00:07:51,990 --> 00:07:49,039

that bombing they just went back to

215

00:07:54,869 --> 00:07:52,000

finish the job on 9 11. yeah and so

216

00:07:55,990 --> 00:07:54,879

yeah so all this was going on and and

217

00:07:58,469 --> 00:07:56,000

i saw

218

00:08:01,189 --> 00:07:58,479

millennial madness uh creeping in and

219

00:08:03,110 --> 00:08:01,199

you you remember it there was the this

220

00:08:05,670 --> 00:08:03,120

huge explosion of

221

00:08:07,270 --> 00:08:05,680

crazy paranormal obsessive programming

222

00:08:09,909 --> 00:08:07,280

on american tv around the 50th

223

00:08:12,550 --> 00:08:09,919

anniversary of roswell in 1997

224

00:08:14,309 --> 00:08:12,560

there was the heavens gate cult

225

00:08:17,029 --> 00:08:14,319

uh where uh you know the people had

226

00:08:19,670 --> 00:08:17,039

killed themselves and i was warning

227

00:08:21,189 --> 00:08:19,680

uh the media we did a fox special

228

00:08:22,950 --> 00:08:21,199

world's greatest hoaxes where we warn

229

00:08:25,350 --> 00:08:22,960

people even about the billy meyer cult

230

00:08:27,670 --> 00:08:25,360

this idea that this is the only place in

231

00:08:30,150 --> 00:08:27,680

in the world where people are going to

232

00:08:32,949 --> 00:08:30,160

gather and be safe when the world ends

233

00:08:36,230 --> 00:08:32,959

you know what's coming back by the way

234

00:08:38,070 --> 00:08:36,240

um according to michael horn any day now

235

00:08:40,550 --> 00:08:38,080

you know yeah

236

00:08:42,149 --> 00:08:40,560

we we have a sort of

237

00:08:43,990 --> 00:08:42,159

it's evolving

238

00:08:46,150 --> 00:08:44,000

but i realized when he was telling me

239

00:08:47,509 --> 00:08:46,160

this that this wasn't the first rodeo

240

00:08:49,110 --> 00:08:47,519

that they've been to

241

00:08:51,750 --> 00:08:49,120

it was

242

00:08:55,509 --> 00:08:51,760

they they pulled this in 2000 and again

243

00:08:57,430 --> 00:08:55,519

in 2012 the same kind of thing so

244

00:09:01,190 --> 00:08:57,440

yeah you're right about that and the

245

00:09:03,750 --> 00:09:01,200

meyer cult ultimately is a doomsday cult

246

00:09:05,110 --> 00:09:03,760

and and when i say that what i mean is

247

00:09:07,110 --> 00:09:05,120

they're not like counting down the

248

00:09:09,110 --> 00:09:07,120

minutes but here you've got a guy that's

249

00:09:10,790 --> 00:09:09,120

their so-called prophet you know he's

250

00:09:12,470 --> 00:09:10,800

due to reincarnate soon right because

251

00:09:14,150 --> 00:09:12,480

it's not going to be around much longer

252

00:09:15,750 --> 00:09:14,160

they've got you know everyone only lives

253

00:09:17,430 --> 00:09:15,760

a certain age according to their

254

00:09:19,910 --> 00:09:17,440

whatever made up stuff

255

00:09:22,550 --> 00:09:19,920

so uh it

256

00:09:24,710 --> 00:09:22,560

what you have is a guy who claims to you

257

00:09:26,790 --> 00:09:24,720

know be a prophet of the new age and

258

00:09:27,590 --> 00:09:26,800

he's complete hoaxer and fraud

259

00:09:30,630 --> 00:09:27,600

um

260

00:09:34,070 --> 00:09:30,640

before we get into admirer if i can uh

261

00:09:36,630 --> 00:09:34,080

uh as i was you know growing up again as

262

00:09:38,310 --> 00:09:36,640

a young kid the first thing i did was i

263

00:09:41,110 --> 00:09:38,320

read every book i could get my hands on

264

00:09:42,949 --> 00:09:41,120

i met stanton friedman and got to know

265

00:09:45,430 --> 00:09:42,959

janelle and heinek because there was no

266

00:09:47,350 --> 00:09:45,440

internet and we had to do things with

267

00:09:50,230 --> 00:09:47,360

the old smith chrono typewriter back

268

00:09:52,389 --> 00:09:50,240

then and we used snail mail um i

269

00:09:54,310 --> 00:09:52,399

corresponded and got to know all the top

270

00:09:55,829 --> 00:09:54,320

researchers as newspaper clippings from

271

00:09:58,389 --> 00:09:55,839

that time prove

272

00:10:00,630 --> 00:09:58,399

and only friedman and just one or two

273

00:10:02,150 --> 00:10:00,640

others knew i was a little kid

274

00:10:04,710 --> 00:10:02,160

all these other people

275

00:10:06,150 --> 00:10:04,720

that's kind of funny yeah yeah because

276

00:10:07,990 --> 00:10:06,160

i'd write them letters you know i'd see

277

00:10:09,910 --> 00:10:08,000

some article by carl sagan i'd say well

278

00:10:12,470 --> 00:10:09,920

i'd have an opinion on that i'd write

279

00:10:13,509 --> 00:10:12,480

him and i'd reference someone we both

280

00:10:19,670 --> 00:10:13,519

knew

281

00:10:21,829 --> 00:10:19,680

ironically

282

00:10:22,870 --> 00:10:21,839

um knew my age they thought i was an

283

00:10:24,630 --> 00:10:22,880

adult

284

00:10:27,190 --> 00:10:24,640

which was funny

285

00:10:29,430 --> 00:10:27,200

and then i tried to get the media to

286

00:10:30,790 --> 00:10:29,440

hide my age but they wouldn't do that of

287

00:10:33,430 --> 00:10:30,800

course because they said that's the

288

00:10:35,030 --> 00:10:33,440

story and and i said that's ridiculous

289

00:10:36,470 --> 00:10:35,040

it should be the data not not the

290

00:10:37,430 --> 00:10:36,480

messenger you know

291

00:10:42,310 --> 00:10:37,440

so

292

00:10:44,630 --> 00:10:42,320

as i got to know wendell stevens in high

293

00:10:47,350 --> 00:10:44,640

school so i've known him way before

294

00:10:49,509 --> 00:10:47,360

meyer case even happened

295

00:10:51,990 --> 00:10:49,519

uh we traded ufo photos i had the third

296

00:10:53,910 --> 00:10:52,000

largest photo collection at that time

297

00:10:55,350 --> 00:10:53,920

and gave it up basically when i left the

298

00:11:00,389 --> 00:10:55,360

us

299

00:11:02,389 --> 00:11:00,399

plane and uh what happened was um this

300

00:11:05,590 --> 00:11:02,399

meyer thing came up and i'd heard about

301
00:11:07,910 --> 00:11:05,600
it independent of um

302
00:11:11,269 --> 00:11:07,920
wendell i was friends with major coleman

303
00:11:13,590 --> 00:11:11,279
von kavitsky of the old icufon network

304
00:11:15,829 --> 00:11:13,600
of hans jacob who was the official

305
00:11:17,269 --> 00:11:15,839
keeper of the minor photo

306
00:11:19,030 --> 00:11:17,279
binder

307
00:11:21,110 --> 00:11:19,040
he lived uh at the bottom of the

308
00:11:23,509 --> 00:11:21,120
mountains where meyer

309
00:11:25,670 --> 00:11:23,519
lives and his his cult is so i knew

310
00:11:28,710 --> 00:11:25,680
these european researchers

311
00:11:30,069 --> 00:11:28,720
and we all knew each other and um

312
00:11:32,389 --> 00:11:30,079
wendell and i

313
00:11:34,790 --> 00:11:32,399

you know studied cases together

314

00:11:36,150 --> 00:11:34,800

corresponded and then i said hey how can

315

00:11:38,069 --> 00:11:36,160

i help with the meyer thing you know i

316

00:11:40,790 --> 00:11:38,079

even speak german you don't

317

00:11:43,030 --> 00:11:40,800

and uh because i i did in high school

318

00:11:46,150 --> 00:11:43,040

and um for the first time ever wendell

319

00:11:47,670 --> 00:11:46,160

was defensive and very guarded

320

00:11:49,269 --> 00:11:47,680

and that just didn't seem like the

321

00:11:51,350 --> 00:11:49,279

window i knew

322

00:11:53,750 --> 00:11:51,360

so something was going on and then a

323

00:11:55,829 --> 00:11:53,760

friend of mine brought their book that

324

00:11:58,069 --> 00:11:55,839

had just come out ufo contact from the

325

00:11:59,030 --> 00:11:58,079

pleiades volume one

326

00:12:00,710 --> 00:11:59,040

and

327

00:12:03,430 --> 00:12:00,720

i looked at the back section on the

328

00:12:06,470 --> 00:12:03,440

computer analysis of ufo photos that was

329

00:12:09,350 --> 00:12:06,480

in that book and i saw immediately that

330

00:12:10,949 --> 00:12:09,360

either the person who laid out the book

331

00:12:13,269 --> 00:12:10,959

didn't know what they were doing

332

00:12:14,550 --> 00:12:13,279

or the people who laid out the book knew

333

00:12:15,990 --> 00:12:14,560

what they were doing they're committing

334

00:12:17,590 --> 00:12:16,000

fraud

335

00:12:19,670 --> 00:12:17,600

because all the right words were there

336

00:12:21,030 --> 00:12:19,680

technically but the images didn't match

337

00:12:22,790 --> 00:12:21,040

the technical

338

00:12:24,629 --> 00:12:22,800

bs under them

339

00:12:26,150 --> 00:12:24,639

so there are only two ways to explain it

340

00:12:28,310 --> 00:12:26,160

wendell admitted to me he was a

341

00:12:30,710 --> 00:12:28,320

one-fourth partner in genesis 3

342

00:12:33,910 --> 00:12:30,720

productions the company that did it

343

00:12:36,230 --> 00:12:33,920

and it turned out that that whole

344

00:12:38,710 --> 00:12:36,240

publication of that book was basically a

345

00:12:40,230 --> 00:12:38,720

scam it went to court as i showed in my

346

00:12:42,150 --> 00:12:40,240

expose book

347

00:12:44,069 --> 00:12:42,160

um spacious of the pleiades the billy

348

00:12:46,150 --> 00:12:44,079

myers story yeah if anybody is

349

00:12:48,629 --> 00:12:46,160

interested i have to say if anybody is

350

00:12:51,509 --> 00:12:48,639

interested in how do you

351

00:12:53,750 --> 00:12:51,519

get to the truth behind what i term as

352

00:12:55,750 --> 00:12:53,760

some of these cosmic con men and billy

353

00:12:56,470 --> 00:12:55,760

meyer is one of the original cosmic con

354

00:12:57,350 --> 00:12:56,480

men

355

00:13:00,470 --> 00:12:57,360

uh

356

00:13:02,230 --> 00:13:00,480

cal's book is amazing it's amazing the

357

00:13:04,629 --> 00:13:02,240

work that you did to kind of prove that

358

00:13:06,790 --> 00:13:04,639

this was all fake and fraudery and

359

00:13:08,389 --> 00:13:06,800

fakery and and uh

360

00:13:10,389 --> 00:13:08,399

i remember

361

00:13:11,110 --> 00:13:10,399

uh getting that book

362

00:13:13,350 --> 00:13:11,120

and

363

00:13:14,710 --> 00:13:13,360

being a mix this is a long i don't i

364

00:13:17,269 --> 00:13:14,720

don't know when i read it but it was a

365

00:13:18,710 --> 00:13:17,279

mix of being let down i mean anybody i

366

00:13:20,629 --> 00:13:18,720

could look at the photographs and go

367

00:13:22,949 --> 00:13:20,639

these are models i built models as a kid

368

00:13:24,629 --> 00:13:22,959

not ufo models but it seems pretty

369

00:13:26,629 --> 00:13:24,639

obvious to me that these are fake photos

370

00:13:28,310 --> 00:13:26,639

and everything but when i got your book

371

00:13:30,629 --> 00:13:28,320

it was amazing to me

372

00:13:33,350 --> 00:13:30,639

all the work that you did to prove that

373

00:13:36,949 --> 00:13:33,360

this was all con

374

00:13:39,269 --> 00:13:36,959

oh thank you uh yeah that book evolved

375

00:13:41,670 --> 00:13:39,279

quite by accident um

376

00:13:44,069 --> 00:13:41,680

and i'm again i thank you for bringing

377

00:13:46,790 --> 00:13:44,079

up that point uh because what happened

378

00:13:49,189 --> 00:13:46,800

is when wendell was defensive and here

379

00:13:51,670 --> 00:13:49,199

i'm i'm in high school and i know him

380

00:13:55,269 --> 00:13:51,680

i'm starting to write a magazine column

381

00:13:57,990 --> 00:13:55,279

in the old saga ufo uh report magazine

382

00:14:00,710 --> 00:13:58,000

called ufo photo file and hayden hughes

383

00:14:03,030 --> 00:14:00,720

used to write it and i took it over with

384

00:14:05,269 --> 00:14:03,040

bill spaulding and we use computers to

385

00:14:07,189 --> 00:14:05,279

look at computer imagery and of course i

386

00:14:09,110 --> 00:14:07,199

live near nasa ames

387

00:14:11,269 --> 00:14:09,120

and i knew dr andrew grotowski dr

388

00:14:13,990 --> 00:14:11,279

richard haynes knew everybody again and

389

00:14:16,389 --> 00:14:14,000

they knew my age one of the few people

390

00:14:18,150 --> 00:14:16,399

and what happened was um

391

00:14:20,069 --> 00:14:18,160

when i started looking at different

392

00:14:22,470 --> 00:14:20,079

versions of the meyer photos that were

393

00:14:25,509 --> 00:14:22,480

coming from europe that were uncropped

394

00:14:26,470 --> 00:14:25,519

unedited they weren't color corrected

395

00:14:28,710 --> 00:14:26,480

uh

396

00:14:31,670 --> 00:14:28,720

photos from natural binders i started to

397

00:14:34,069 --> 00:14:31,680

see problems and one of the things that

398

00:14:36,949 --> 00:14:34,079

you can see if you look at the original

399

00:14:39,189 --> 00:14:36,959

ufo contact from the pleiades books and

400

00:14:41,509 --> 00:14:39,199

it was ray stanford of all people who

401
00:14:44,069 --> 00:14:41,519
first told me about this he deserves

402
00:14:45,990 --> 00:14:44,079
credit for it i mentioned it in the book

403
00:14:48,069 --> 00:14:46,000
if you look at the big photos you know

404
00:14:49,430 --> 00:14:48,079
in their big photo book if you look very

405
00:14:51,430 --> 00:14:49,440
carefully you'll see these little round

406
00:14:52,790 --> 00:14:51,440
dots in the background and those are

407
00:14:55,430 --> 00:14:52,800
balloons

408
00:14:58,550 --> 00:14:55,440
and the question is what are those

409
00:15:00,310 --> 00:14:58,560
balloons doing back there either they're

410
00:15:01,670 --> 00:15:00,320
very large balloons that happen to be

411
00:15:03,910 --> 00:15:01,680
there at the right time the right place

412
00:15:08,150 --> 00:15:03,920
while the pleiadians are there too

413
00:15:09,990 --> 00:15:08,160

or they're part of the uh you know hoax

414

00:15:11,590 --> 00:15:10,000

and what i found out when i went there

415

00:15:14,389 --> 00:15:11,600

is that helium is imported in

416

00:15:15,430 --> 00:15:14,399

switzerland 100 percent it is

417

00:15:20,069 --> 00:15:15,440

they don't

418

00:15:22,870 --> 00:15:20,079

and there's only one place it comes into

419

00:15:23,990 --> 00:15:22,880

pan gas pond gas p-a-m-g-a-s they're in

420

00:15:27,430 --> 00:15:24,000

zurich and then of course it's

421

00:15:29,670 --> 00:15:27,440

distributed from zurich out to nearby um

422

00:15:31,430 --> 00:15:29,680

vinta tour which is their hindustan roti

423

00:15:32,629 --> 00:15:31,440

and vets khan and so on

424

00:15:34,389 --> 00:15:32,639

and it

425

00:15:35,670 --> 00:15:34,399

they have all these little festivals

426

00:15:36,629 --> 00:15:35,680

going on we were able to get it quite

427

00:15:38,629 --> 00:15:36,639

easily

428

00:15:41,269 --> 00:15:38,639

and of course everyone recognized them

429

00:15:43,350 --> 00:15:41,279

our photos and

430

00:15:46,790 --> 00:15:43,360

he's become a bit of a tourist thing up

431

00:15:49,269 --> 00:15:46,800

there so what happened is i simply wrote

432

00:15:52,069 --> 00:15:49,279

an article about the meyer case it was

433

00:15:54,389 --> 00:15:52,079

the lead cover story of uh sauga ufo

434

00:15:56,389 --> 00:15:54,399

report i think in december of 1980 i

435

00:15:58,550 --> 00:15:56,399

might have the uh year an issue wrong

436

00:15:59,430 --> 00:15:58,560

but it was the main story and at that

437

00:16:00,550 --> 00:15:59,440

point

438

00:16:03,189 --> 00:16:00,560

um

439

00:16:05,749 --> 00:16:03,199

people began to hate me uh suddenly i

440

00:16:07,910 --> 00:16:05,759

was a cia dis info agent suddenly i was

441

00:16:10,949 --> 00:16:07,920

a bunker i know something about that

442

00:16:12,710 --> 00:16:10,959

i've been called a disinformation agent

443

00:16:14,790 --> 00:16:12,720

and i'm just trying to throw people off

444

00:16:17,189 --> 00:16:14,800

the trail and you know yeah

445

00:16:19,030 --> 00:16:17,199

if they can't argue with the messenger

446

00:16:21,110 --> 00:16:19,040

and the evidence the messenger presents

447

00:16:22,870 --> 00:16:21,120

then they try to kill the messenger and

448

00:16:24,150 --> 00:16:22,880

i'm sure you've gotten it 10 times worse

449

00:16:26,069 --> 00:16:24,160

than me

450

00:16:27,990 --> 00:16:26,079

well yeah i mean even these ridiculous

451
00:16:29,350 --> 00:16:28,000
you know death threats you get which uh

452
00:16:32,230 --> 00:16:29,360
you know i just turn them over to the

453
00:16:33,269 --> 00:16:32,240
right people like the police but uh the

454
00:16:34,829 --> 00:16:33,279
um

455
00:16:38,310 --> 00:16:34,839
uh

456
00:16:41,189 --> 00:16:38,320
so right away this is a red flag because

457
00:16:43,590 --> 00:16:41,199
you know here i am exposing one case a

458
00:16:45,910 --> 00:16:43,600
single case it's an elaborate hoax he's

459
00:16:47,430 --> 00:16:45,920
done it many times but it's a hoax it's

460
00:16:49,110 --> 00:16:47,440
a case

461
00:16:50,550 --> 00:16:49,120
as a hoax

462
00:16:52,389 --> 00:16:50,560
and then everybody thinks i'm saying

463
00:16:54,150 --> 00:16:52,399

there's no ufos no life anywhere in the

464

00:16:55,829 --> 00:16:54,160

universe we're it folks take it or leave

465

00:16:57,829 --> 00:16:55,839

it no where the hell does any of that

466

00:17:00,870 --> 00:16:57,839

have to do with anything nothing

467

00:17:02,389 --> 00:17:00,880

but people are that much of being stupid

468

00:17:05,510 --> 00:17:02,399

about this because they don't think

469

00:17:06,870 --> 00:17:05,520

critically they they're letting emotions

470

00:17:10,230 --> 00:17:06,880

lead them around

471

00:17:12,630 --> 00:17:10,240

and so this is what i've noticed and

472

00:17:14,949 --> 00:17:12,640

so i wrote this article and then all of

473

00:17:17,429 --> 00:17:14,959

a sudden after it comes out um

474

00:17:20,150 --> 00:17:17,439

i get a phone call from genesis you know

475

00:17:22,309 --> 00:17:20,160

they were mad wendell was mad

476

00:17:24,390 --> 00:17:22,319

and what happened is they started they

477

00:17:26,630 --> 00:17:24,400

came to the bay area uh in a thing

478

00:17:29,190 --> 00:17:26,640

called ufo 80 conference

479

00:17:30,310 --> 00:17:29,200

and we went there was you know close by

480

00:17:32,390 --> 00:17:30,320

and i met

481

00:17:34,950 --> 00:17:32,400

jim de la tozo for the first time

482

00:17:38,150 --> 00:17:34,960

wendell was there so on

483

00:17:39,669 --> 00:17:38,160

and then um we got into it there as i

484

00:17:42,230 --> 00:17:39,679

wrote in the book

485

00:17:44,070 --> 00:17:42,240

and then i wrote uh i added to this

486

00:17:48,070 --> 00:17:44,080

paper i had written

487

00:17:49,350 --> 00:17:48,080

and uh then i met marcelo vogel uh i

488

00:17:51,909 --> 00:17:49,360

actually met him when i wrote the

489

00:17:54,070 --> 00:17:51,919

original expose paper he actually showed

490

00:17:55,350 --> 00:17:54,080

me a piece of the metal from the meyer

491

00:17:56,870 --> 00:17:55,360

spacecraft

492

00:17:58,630 --> 00:17:56,880

uh

493

00:18:01,430 --> 00:17:58,640

it's obvious to me why it later

494

00:18:03,909 --> 00:18:01,440

disappeared so to speak because

495

00:18:05,750 --> 00:18:03,919

this scientist who wasn't a

496

00:18:07,830 --> 00:18:05,760

metallurgist he was a chemist so he

497

00:18:10,390 --> 00:18:07,840

wasn't qualified to do the metal

498

00:18:13,190 --> 00:18:10,400

analysis they'd given credit for

499

00:18:14,870 --> 00:18:13,200

not only could marco vogel claim he you

500

00:18:17,669 --> 00:18:14,880

know could bend metal with his mind it's

501
00:18:19,590 --> 00:18:17,679
like powers he was a fraud that way

502
00:18:21,750 --> 00:18:19,600
but you know what a little coin purse is

503
00:18:23,270 --> 00:18:21,760
that you squeeze with your hand and then

504
00:18:25,110 --> 00:18:23,280
you can reach in there and grab a penny

505
00:18:27,190 --> 00:18:25,120
or two sure well

506
00:18:29,669 --> 00:18:27,200
this is where he kept the meyer samples

507
00:18:31,990 --> 00:18:29,679
i'm not making this up uh when he handed

508
00:18:33,750 --> 00:18:32,000
him to me he reaches in his pocket grabs

509
00:18:35,110 --> 00:18:33,760
this little coin pouch and i'm thinking

510
00:18:36,870 --> 00:18:35,120
he's going to hand me some coins i'm

511
00:18:38,630 --> 00:18:36,880
like i don't know why

512
00:18:40,549 --> 00:18:38,640
and then he pulls out this little piece

513
00:18:42,390 --> 00:18:40,559

of metal and says here it is

514

00:18:44,150 --> 00:18:42,400

and he says uh meyer's a hoaxer but

515

00:18:45,590 --> 00:18:44,160

samyazi is real

516

00:18:47,110 --> 00:18:45,600

and i'm like oh god how am i going to

517

00:18:50,789 --> 00:18:47,120

record that

518

00:18:53,510 --> 00:18:50,799

so i i i reported it so all of a sudden

519

00:18:55,590 --> 00:18:53,520

my article goes to being around 120

520

00:18:56,390 --> 00:18:55,600

something pages or whatever

521

00:18:58,630 --> 00:18:56,400

and

522

00:19:01,190 --> 00:18:58,640

then the genesis people after we met in

523

00:19:04,150 --> 00:19:01,200

oakland and got into it they called jim

524

00:19:06,470 --> 00:19:04,160

delato comes out to sunnyvale

525

00:19:09,029 --> 00:19:06,480

uh two weeks later spends all day with

526
00:19:11,190 --> 00:19:09,039
us i'll read barbara reed myself

527
00:19:14,150 --> 00:19:11,200
we all knew the heinicks

528
00:19:16,150 --> 00:19:14,160
as in dr heineck and um

529
00:19:18,230 --> 00:19:16,160
he tries to convince us to go to his

530
00:19:20,470 --> 00:19:18,240
side we recorded the whole thing the

531
00:19:22,630 --> 00:19:20,480
verbatim transcript appears in the book

532
00:19:24,390 --> 00:19:22,640
and as soon as delato left i could tell

533
00:19:26,310 --> 00:19:24,400
he was lying in the interview i started

534
00:19:29,590 --> 00:19:26,320
uh checking what he said and then i

535
00:19:31,909 --> 00:19:29,600
reported a retort after every

536
00:19:33,350 --> 00:19:31,919
paragraph in the book and suddenly bill

537
00:19:35,350 --> 00:19:33,360
moore he tells me he says you know you

538
00:19:36,870 --> 00:19:35,360

have enough material here for a book

539

00:19:39,669 --> 00:19:36,880

i'll publish the book for you i'll pay

540

00:19:41,750 --> 00:19:39,679

for it uh why don't we do it and that's

541

00:19:45,029 --> 00:19:41,760

how the first book the meyer incident

542

00:19:47,590 --> 00:19:45,039

came out in high school uh 128 pages or

543

00:19:50,470 --> 00:19:47,600

something it's collector's item today

544

00:19:53,110 --> 00:19:50,480

and it sold out um went through a couple

545

00:19:54,470 --> 00:19:53,120

printings and i told bill moore i don't

546

00:19:56,710 --> 00:19:54,480

like the book i want to go to

547

00:19:59,350 --> 00:19:56,720

switzerland and go to the scene of the

548

00:20:00,630 --> 00:19:59,360

crime so to speak and he said well i'm

549

00:20:01,909 --> 00:20:00,640

not going to do that because i'm not

550

00:20:03,029 --> 00:20:01,919

going to pay for that and i wasn't going

551
00:20:04,950 --> 00:20:03,039
to pay for it

552
00:20:07,669 --> 00:20:04,960
and i'm uh you know just getting out of

553
00:20:10,549 --> 00:20:07,679
high school i've got other things to do

554
00:20:13,830 --> 00:20:10,559
but i want to do that and so i had a

555
00:20:17,190 --> 00:20:13,840
chance to years later in 91

556
00:20:19,270 --> 00:20:17,200
uh go to switzerland undercover

557
00:20:22,230 --> 00:20:19,280
by then people knew where my stand was

558
00:20:24,710 --> 00:20:22,240
and i was able to get a lot more stuff

559
00:20:27,350 --> 00:20:24,720
this time i went to switzerland

560
00:20:29,909 --> 00:20:27,360
undercover that's what the book is about

561
00:20:30,710 --> 00:20:29,919
and i was given original meyer evidence

562
00:20:32,870 --> 00:20:30,720
that

563
00:20:35,110 --> 00:20:32,880

was from the 70s

564

00:20:36,310 --> 00:20:35,120

given by meyer himself his handwriting's

565

00:20:37,510 --> 00:20:36,320

on the back of the

566

00:20:39,590 --> 00:20:37,520

photos

567

00:20:41,270 --> 00:20:39,600

got all that stuff posed as a believer

568

00:20:43,350 --> 00:20:41,280

named steve thomas

569

00:20:45,430 --> 00:20:43,360

who went there uh to get evidence

570

00:20:47,110 --> 00:20:45,440

against count korff they cooperated not

571

00:20:48,630 --> 00:20:47,120

knowing it was really me

572

00:20:50,470 --> 00:20:48,640

that's amazing yeah

573

00:20:52,950 --> 00:20:50,480

that is an amazing part of the story

574

00:20:54,149 --> 00:20:52,960

that i think is

575

00:20:56,149 --> 00:20:54,159

i just want to say that you have

576

00:20:57,669 --> 00:20:56,159

tremendous balls let's just leave it at

577

00:20:58,710 --> 00:20:57,679

that because i don't think that i would

578

00:21:00,710 --> 00:20:58,720

have

579

00:21:03,270 --> 00:21:00,720

i've had a few problems because even

580

00:21:05,830 --> 00:21:03,280

just audio wise like i've tried to make

581

00:21:07,350 --> 00:21:05,840

phone calls as someone else and things

582

00:21:09,110 --> 00:21:07,360

and and people

583

00:21:10,549 --> 00:21:09,120

sort of pick up on it you know like

584

00:21:12,310 --> 00:21:10,559

maybe i'm just not good at undercover

585

00:21:13,430 --> 00:21:12,320

work but that's amazing that you went

586

00:21:16,390 --> 00:21:13,440

there

587

00:21:19,510 --> 00:21:16,400

and did that and they didn't catch on or

588

00:21:21,190 --> 00:21:19,520

anything and they're giving you evidence

589

00:21:23,909 --> 00:21:21,200

yeah i'd like to explain how that

590

00:21:26,310 --> 00:21:23,919

happened because i get falsely accused

591

00:21:29,110 --> 00:21:26,320

and mikey hornis one of the people who

592

00:21:32,710 --> 00:21:29,120

likes to spread this lie i'll be blunt

593

00:21:34,789 --> 00:21:32,720

um i didn't go there to play games and

594

00:21:37,510 --> 00:21:34,799

be melodramatic and

595

00:21:39,590 --> 00:21:37,520

sell a book and all that stuff uh i knew

596

00:21:41,510 --> 00:21:39,600

i would write up whatever i found i had

597

00:21:43,430 --> 00:21:41,520

no idea what i was gonna find i just

598

00:21:44,950 --> 00:21:43,440

know i was gonna go there

599

00:21:46,789 --> 00:21:44,960

had an opportunity to go there

600

00:21:48,230 --> 00:21:46,799

undercover secretly without their

601
00:21:50,710 --> 00:21:48,240
knowledge

602
00:21:52,390 --> 00:21:50,720
which means that the barriers that would

603
00:21:53,909 --> 00:21:52,400
be there if they're not telling the

604
00:21:55,190 --> 00:21:53,919
truth or they're holding something

605
00:21:56,710 --> 00:21:55,200
hiding something

606
00:21:59,190 --> 00:21:56,720
they wouldn't be there theoretically as

607
00:22:00,950 --> 00:21:59,200
opposed to coming in scalp gorf and i

608
00:22:02,390 --> 00:22:00,960
couldn't go as kalkorf i tried to go

609
00:22:04,870 --> 00:22:02,400
through the front door through window

610
00:22:06,950 --> 00:22:04,880
that that was as good as it got

611
00:22:09,350 --> 00:22:06,960
um but it wouldn't work because they

612
00:22:11,510 --> 00:22:09,360
were not honest people they were pulling

613
00:22:12,630 --> 00:22:11,520

a scam consumer fraud is what it is when

614

00:22:14,789 --> 00:22:12,640

you

615

00:22:15,990 --> 00:22:14,799

knowingly sell something that is not

616

00:22:18,549 --> 00:22:16,000

what you

617

00:22:20,549 --> 00:22:18,559

represented to be by choice regardless

618

00:22:23,029 --> 00:22:20,559

of the subject that is by law consumer

619

00:22:24,549 --> 00:22:23,039

fraud when you are charging money for it

620

00:22:26,630 --> 00:22:24,559

it's illegal to tell someone you're a

621

00:22:28,630 --> 00:22:26,640

psychic in charge of money and give them

622

00:22:30,310 --> 00:22:28,640

a reading and all that because you're

623

00:22:33,350 --> 00:22:30,320

selling something that isn't true in

624

00:22:34,710 --> 00:22:33,360

this case it's uh fake ufo photos

625

00:22:36,149 --> 00:22:34,720

so

626

00:22:37,909 --> 00:22:36,159

i've always said this is theft by

627

00:22:39,990 --> 00:22:37,919

deception and it should be considered a

628

00:22:42,950 --> 00:22:40,000

crime especially if you know that it's

629

00:22:45,110 --> 00:22:42,960

fake you know well well it actually is a

630

00:22:47,270 --> 00:22:45,120

crime there's no question what has not

631

00:22:49,029 --> 00:22:47,280

happened is people have not been

632

00:22:51,350 --> 00:22:49,039

prosecuted

633

00:22:54,549 --> 00:22:51,360

as they should even though the laws in

634

00:22:56,870 --> 00:22:54,559

the u.s even in liberal california

635

00:22:58,630 --> 00:22:56,880

are very clear this is consumer front

636

00:23:01,270 --> 00:22:58,640

and all it's going to take is for some

637

00:23:03,669 --> 00:23:01,280

formal complaint at some point to happen

638

00:23:05,590 --> 00:23:03,679

and i think that's going to happen

639

00:23:09,029 --> 00:23:05,600

uh because i think things are reaching a

640

00:23:11,029 --> 00:23:09,039

critical mass people are investing now

641

00:23:12,549 --> 00:23:11,039

like in tsa and they're getting ripped

642

00:23:14,710 --> 00:23:12,559

off and we can come back to that a

643

00:23:16,070 --> 00:23:14,720

little bit later but back to the meijer

644

00:23:17,830 --> 00:23:16,080

thing

645

00:23:20,390 --> 00:23:17,840

what happened is i knew i couldn't go as

646

00:23:22,789 --> 00:23:20,400

kalkwarf through the front door

647

00:23:25,590 --> 00:23:22,799

i wanted to go there and you know do the

648

00:23:27,350 --> 00:23:25,600

investigation i always wanted to do

649

00:23:28,470 --> 00:23:27,360

and so i thought well how do i get in

650

00:23:30,710 --> 00:23:28,480

there

651
00:23:33,190 --> 00:23:30,720
and i knew they hated me because i had

652
00:23:35,350 --> 00:23:33,200
uh you know had my run-ins with them

653
00:23:37,350 --> 00:23:35,360
and i thought okay what i'll do is i'll

654
00:23:39,430 --> 00:23:37,360
pretend to be a believer they love

655
00:23:41,909 --> 00:23:39,440
believers and of course i'll give them

656
00:23:43,830 --> 00:23:41,919
money they love money and i was very

657
00:23:44,789 --> 00:23:43,840
that's always that's one way to convince

658
00:23:46,549 --> 00:23:44,799
them yeah

659
00:23:48,470 --> 00:23:46,559
oh yeah i mean i threw the swiss francs

660
00:23:51,750 --> 00:23:48,480
around rather liberally

661
00:23:53,909 --> 00:23:51,760
and um what uh and then i said you know

662
00:23:56,630 --> 00:23:53,919
um there is this bastard back in the us

663
00:23:58,310 --> 00:23:56,640

and kalkwarf uh my name is steve thomas

664

00:24:00,230 --> 00:23:58,320

i can go back and get him for you just

665

00:24:02,230 --> 00:24:00,240

give me all your best stuff against him

666

00:24:04,470 --> 00:24:02,240

i'll go do the stuff you guys can i'm

667

00:24:05,909 --> 00:24:04,480

american you guys aren't nobody will

668

00:24:07,510 --> 00:24:05,919

know you know

669

00:24:08,710 --> 00:24:07,520

uh you guys fingerprints won't even be

670

00:24:11,110 --> 00:24:08,720

there you know

671

00:24:13,750 --> 00:24:11,120

and uh they they loved it and um they

672

00:24:17,029 --> 00:24:13,760

invited me to join their cult

673

00:24:19,909 --> 00:24:17,039

and uh what happened is uh

674

00:24:21,909 --> 00:24:19,919

i had established contact secretly

675

00:24:24,230 --> 00:24:21,919

with the jakob family

676

00:24:27,029 --> 00:24:24,240

and they were the people who knew meyer

677

00:24:29,590 --> 00:24:27,039

and han jiakov was a swiss ufo

678

00:24:31,669 --> 00:24:29,600

researcher of long standing

679

00:24:33,430 --> 00:24:31,679

and he was the official keeper of the

680

00:24:36,070 --> 00:24:33,440

meyer photos he

681

00:24:38,870 --> 00:24:36,080

uh went out on some of the contacts and

682

00:24:41,110 --> 00:24:38,880

all that stuff appears in uh some of the

683

00:24:43,430 --> 00:24:41,120

photos that meyer took which were double

684

00:24:45,510 --> 00:24:43,440

exposures where he's standing there in

685

00:24:47,590 --> 00:24:45,520

the photo and the ufo appears above

686

00:24:49,430 --> 00:24:47,600

their head and i talked to everybody who

687

00:24:50,870 --> 00:24:49,440

was there that day

688

00:24:52,870 --> 00:24:50,880

there was no ufo there was double

689

00:24:55,269 --> 00:24:52,880

exposure you can clearly see it is in

690

00:24:57,990 --> 00:24:55,279

these original photos

691

00:25:01,029 --> 00:24:58,000

and so what happened is um

692

00:25:03,669 --> 00:25:01,039

i stayed with the yonko family secretly

693

00:25:05,430 --> 00:25:03,679

and uh was going up to the minor cold

694

00:25:08,070 --> 00:25:05,440

all the time we went out to the same

695

00:25:10,470 --> 00:25:08,080

locations we could walk to many of them

696

00:25:12,710 --> 00:25:10,480

uh i was surprised how close everything

697

00:25:15,190 --> 00:25:12,720

was within walking distance

698

00:25:17,350 --> 00:25:15,200

if you look at the way the meijer photos

699

00:25:19,029 --> 00:25:17,360

are deceptively marketed especially in

700

00:25:21,190 --> 00:25:19,039

the photo journals you think that these

701

00:25:23,350 --> 00:25:21,200

contacts occurred all over different

702

00:25:25,430 --> 00:25:23,360

parts of switzerland meaning you know

703

00:25:26,310 --> 00:25:25,440

it's a ways away from one location to

704

00:25:28,630 --> 00:25:26,320

the other

705

00:25:31,190 --> 00:25:28,640

no in fact we could there were three or

706

00:25:33,190 --> 00:25:31,200

four locations where different contacts

707

00:25:34,630 --> 00:25:33,200

and photos had been faked

708

00:25:36,950 --> 00:25:34,640

that are in the book where we went to

709

00:25:40,070 --> 00:25:36,960

those locations there's a particular

710

00:25:43,110 --> 00:25:40,080

photo taken at until where he supposedly

711

00:25:44,710 --> 00:25:43,120

went up you know uh three ten thousand

712

00:25:45,909 --> 00:25:44,720

feet in the air for the first time on

713

00:25:48,789 --> 00:25:45,919

the board ship

714

00:25:51,590 --> 00:25:48,799

for the purpose of taking photos from

715

00:25:53,269 --> 00:25:51,600

inside the palladian spaceship and i

716

00:25:54,710 --> 00:25:53,279

found that location and it's a little

717

00:25:56,950 --> 00:25:54,720

hill

718

00:25:58,549 --> 00:25:56,960

overlooking a house with a bench that

719

00:26:00,390 --> 00:25:58,559

you can sit there

720

00:26:02,549 --> 00:26:00,400

and all we did is hold the model out

721

00:26:03,750 --> 00:26:02,559

above the uh lake fefecon in the

722

00:26:05,510 --> 00:26:03,760

background

723

00:26:07,110 --> 00:26:05,520

just on our hand i had tina layton who

724

00:26:08,470 --> 00:26:07,120

was with me uh she worked at lawrence

725

00:26:12,149 --> 00:26:08,480

berkeley lab i worked at lawrence

726
00:26:13,990 --> 00:26:12,159
livermore lab that's how we met and um

727
00:26:16,149 --> 00:26:14,000
she held the model out i photographed it

728
00:26:18,710 --> 00:26:16,159
from the same angle meyer used and then

729
00:26:19,590 --> 00:26:18,720
it looks using this forced perspective

730
00:26:21,750 --> 00:26:19,600
trick

731
00:26:23,510 --> 00:26:21,760
where a small object close to the camera

732
00:26:25,510 --> 00:26:23,520
looks bigger than it really is that's

733
00:26:27,110 --> 00:26:25,520
how we fake the photo and there's no

734
00:26:29,029 --> 00:26:27,120
question they're fakes you can line up

735
00:26:31,590 --> 00:26:29,039
the lake everything and i'll tell you

736
00:26:33,269 --> 00:26:31,600
the one location which of course is the

737
00:26:34,549 --> 00:26:33,279
most controversial one

738
00:26:37,510 --> 00:26:34,559

in the series but it was the most

739

00:26:41,669 --> 00:26:37,520

interesting was the location

740

00:26:44,470 --> 00:26:41,679

uh at uh where the tree had disappeared

741

00:26:47,830 --> 00:26:44,480

uh that later you know was zapped back

742

00:26:51,029 --> 00:26:47,840

in time if you know that case uh you may

743

00:26:52,630 --> 00:26:51,039

remember this uh ufo sequence where the

744

00:26:54,230 --> 00:26:52,640

meyer took these photos of this thing

745

00:26:56,950 --> 00:26:54,240

going around the tree

746

00:26:58,549 --> 00:26:56,960

well i went to that location the tree

747

00:26:59,350 --> 00:26:58,559

has never been there

748

00:27:03,510 --> 00:26:59,360

and

749

00:27:05,909 --> 00:27:03,520

the whis family which is which is the

750

00:27:07,590 --> 00:27:05,919

farm family i i was the first one to

751

00:27:09,269 --> 00:27:07,600

name them

752

00:27:11,269 --> 00:27:09,279

and they told me point blank there's

753

00:27:12,950 --> 00:27:11,279

never been a tree there yes they know

754

00:27:14,789 --> 00:27:12,960

about this stupid claim because people

755

00:27:16,870 --> 00:27:14,799

once in a while knock on their door and

756

00:27:18,070 --> 00:27:16,880

say where's the tree you know

757

00:27:19,510 --> 00:27:18,080

and uh

758

00:27:22,230 --> 00:27:19,520

i saw that

759

00:27:24,470 --> 00:27:22,240

yeah and i saw family photos from their

760

00:27:26,630 --> 00:27:24,480

albums over the years back in the 70s

761

00:27:29,110 --> 00:27:26,640

black and whites there's no tree there

762

00:27:29,909 --> 00:27:29,120

and they do grow corn there

763

00:27:32,470 --> 00:27:29,919

and

764

00:27:35,110 --> 00:27:32,480

the reason that the lake moved so to

765

00:27:37,590 --> 00:27:35,120

speak and the tree moved in the photos

766

00:27:39,990 --> 00:27:37,600

is because in some of the photos there's

767

00:27:41,669 --> 00:27:40,000

a road that's really close by on the

768

00:27:43,750 --> 00:27:41,679

highway that goes up there that goes up

769

00:27:45,990 --> 00:27:43,760

the mountain to the minor place

770

00:27:47,990 --> 00:27:46,000

and you can be seen from that road with

771

00:27:49,029 --> 00:27:48,000

a little ufo model or whatever you're

772

00:27:51,350 --> 00:27:49,039

doing

773

00:27:52,549 --> 00:27:51,360

so what meyer had to do and you can only

774

00:27:53,669 --> 00:27:52,559

figure this out by going to that

775

00:27:55,830 --> 00:27:53,679

location

776
00:27:57,830 --> 00:27:55,840
and we did that with models is you have

777
00:27:58,710 --> 00:27:57,840
to go further up the hill towards the

778
00:28:00,070 --> 00:27:58,720
bench

779
00:28:01,909 --> 00:28:00,080
and that's where you can sit down

780
00:28:04,630 --> 00:28:01,919
there's a couple of them there and enjoy

781
00:28:06,710 --> 00:28:04,640
the view panoramic view of lake fefecon

782
00:28:08,470 --> 00:28:06,720
and then he set up the tree and and shot

783
00:28:10,070 --> 00:28:08,480
down into the valley and

784
00:28:12,549 --> 00:28:10,080
from this hill and that's how we faked

785
00:28:15,350 --> 00:28:12,559
those photos and we know that because

786
00:28:16,549 --> 00:28:15,360
the clouds in the background change

787
00:28:18,149 --> 00:28:16,559
so fast

788
00:28:20,710 --> 00:28:18,159

that you can tell these were taken over

789

00:28:22,789 --> 00:28:20,720

a period of uh several minutes not just

790

00:28:25,029 --> 00:28:22,799

you know 30 seconds or a minute like he

791

00:28:27,269 --> 00:28:25,039

claimed that's just not true clouds

792

00:28:29,750 --> 00:28:27,279

don't move that fast in that area

793

00:28:31,510 --> 00:28:29,760

um you know and then of course

794

00:28:33,510 --> 00:28:31,520

with the tree disappearing there is no

795

00:28:35,510 --> 00:28:33,520

tree to the left of those hills that's

796

00:28:37,110 --> 00:28:35,520

an entirely different direction that you

797

00:28:39,269 --> 00:28:37,120

can still see today but you have to go

798

00:28:41,430 --> 00:28:39,279

there to see it in fact now

799

00:28:44,070 --> 00:28:41,440

actually uh i did this a couple years

800

00:28:45,830 --> 00:28:44,080

ago in europe you can use google earth

801
00:28:48,549 --> 00:28:45,840
to zoom down to these locations and

802
00:28:50,310 --> 00:28:48,559
easily destroy the meyer photos

803
00:28:52,710 --> 00:28:50,320
yeah i've done some google earthing

804
00:28:55,190 --> 00:28:52,720
around that location and and i was kind

805
00:28:56,830 --> 00:28:55,200
of surprised at how similar some of

806
00:28:59,190 --> 00:28:56,840
those scenes still

807
00:29:01,190 --> 00:28:59,200
look into some of the meijer photos it's

808
00:29:03,110 --> 00:29:01,200
like the land of time for god or

809
00:29:05,190 --> 00:29:03,120
something you know when i had michael

810
00:29:07,750 --> 00:29:05,200
horn on my show i really pressed him on

811
00:29:10,549 --> 00:29:07,760
this one point which was that people

812
00:29:13,430 --> 00:29:10,559
have identified the trashcan lid that

813
00:29:15,909 --> 00:29:13,440

comprise the models and in defense of

814

00:29:17,830 --> 00:29:15,919

that there's some ridiculous explanation

815

00:29:19,909 --> 00:29:17,840

that they came out with that the aliens

816

00:29:22,070 --> 00:29:19,919

tried to inspire us

817

00:29:24,230 --> 00:29:22,080

with their beam ship designs and somehow

818

00:29:27,110 --> 00:29:24,240

we misinterpreted that and

819

00:29:29,350 --> 00:29:27,120

made them into trashcan lids or

820

00:29:31,669 --> 00:29:29,360

something crazy like that and michael

821

00:29:34,070 --> 00:29:31,679

one really did not explain that he just

822

00:29:37,350 --> 00:29:34,080

kind of you know blew off because i have

823

00:29:39,510 --> 00:29:37,360

a screenshot of them explaining why the

824

00:29:41,830 --> 00:29:39,520

trash can you know why someone is able

825

00:29:43,750 --> 00:29:41,840

to say it's this exact manufactured

826
00:29:46,149 --> 00:29:43,760
trash can lid

827
00:29:47,830 --> 00:29:46,159
yeah because and i've seen it in many

828
00:29:50,870 --> 00:29:47,840
countries uh

829
00:29:53,510 --> 00:29:50,880
it's standard it's the standard

830
00:29:55,590 --> 00:29:53,520
everybody uses it's it's very iconic in

831
00:29:58,389 --> 00:29:55,600
europe in fact it's the standard they

832
00:30:00,549 --> 00:29:58,399
use in india it comes in different sizes

833
00:30:01,909 --> 00:30:00,559
that's a very popular size

834
00:30:03,350 --> 00:30:01,919
um

835
00:30:05,110 --> 00:30:03,360
you know

836
00:30:05,990 --> 00:30:05,120
some of the explanations that have come

837
00:30:08,710 --> 00:30:06,000
up

838
00:30:11,669 --> 00:30:08,720

with meyer unquestionably have been made

839

00:30:14,149 --> 00:30:11,679

up on the fly and and i can prove that

840

00:30:16,549 --> 00:30:14,159

he's just outright lied

841

00:30:19,190 --> 00:30:16,559

for example um i don't know if you

842

00:30:22,549 --> 00:30:19,200

remember this uh it was short-lived

843

00:30:24,870 --> 00:30:22,559

but back in prague years ago uh when i

844

00:30:27,669 --> 00:30:24,880

was first doing the uh original uh

845

00:30:29,669 --> 00:30:27,679

council corner show on exxon i announced

846

00:30:32,310 --> 00:30:29,679

that michael horn and i were going to

847

00:30:35,190 --> 00:30:32,320

work on a dvd project

848

00:30:37,110 --> 00:30:35,200

and i knew michael horn wasn't going to

849

00:30:38,549 --> 00:30:37,120

really do that project with me i knew he

850

00:30:40,549 --> 00:30:38,559

was lying

851
00:30:43,590 --> 00:30:40,559
and michael horn for the record this is

852
00:30:46,230 --> 00:30:43,600
my constitutionally protected opinion

853
00:30:48,549 --> 00:30:46,240
uh i believe is one of the most based on

854
00:30:50,950 --> 00:30:48,559
my direct interactions with him one of

855
00:30:54,710 --> 00:30:50,960
the most dishonest

856
00:30:56,789 --> 00:30:54,720
deceptive fraudulent ufo promoters out

857
00:30:58,950 --> 00:30:56,799
there and he absolutely is the right

858
00:31:01,350 --> 00:30:58,960
person to promote the billy meyer fraud

859
00:31:03,430 --> 00:31:01,360
because that's what he does

860
00:31:04,870 --> 00:31:03,440
the guy has no ethics no morals no

861
00:31:07,190 --> 00:31:04,880
scruples

862
00:31:10,630 --> 00:31:07,200
the last debate i had with him on the

863
00:31:12,950 --> 00:31:10,640

exo show which rob mcconnell hosted was

864

00:31:15,190 --> 00:31:12,960

stopped halfway through that show

865

00:31:17,830 --> 00:31:15,200

because he couldn't control his temper

866

00:31:19,669 --> 00:31:17,840

couldn't control his behavior yeah i i

867

00:31:21,669 --> 00:31:19,679

just interviewed him and he really lost

868

00:31:23,909 --> 00:31:21,679

it a few times and i had i had to back

869

00:31:26,470 --> 00:31:23,919

myself up and say look let's both take a

870

00:31:27,669 --> 00:31:26,480

step back calm down and we'll continue

871

00:31:29,909 --> 00:31:27,679

because

872

00:31:31,669 --> 00:31:29,919

it's kind of like when you confront him

873

00:31:33,990 --> 00:31:31,679

with uh with

874

00:31:37,110 --> 00:31:34,000

evidence he gets upset yeah he would get

875

00:31:39,350 --> 00:31:37,120

upset and but i will i will say this

876

00:31:41,509 --> 00:31:39,360

in defense of him the the one thing i'll

877

00:31:44,149 --> 00:31:41,519

say in defense of him is that

878

00:31:46,549 --> 00:31:44,159

he is probably one of the only people

879

00:31:48,389 --> 00:31:46,559

who had the courage to come on my show

880

00:31:51,190 --> 00:31:48,399

and at least answer the questions did he

881

00:31:53,669 --> 00:31:51,200

answer them to my satisfaction no

882

00:31:55,990 --> 00:31:53,679

and uh you know and he would talk for 20

883

00:31:57,830 --> 00:31:56,000

minutes when i asked one question which

884

00:31:59,350 --> 00:31:57,840

is difficult but

885

00:32:01,350 --> 00:31:59,360

at least he would come on my show and

886

00:32:03,669 --> 00:32:01,360

and now he wants to do a part two and

887

00:32:05,590 --> 00:32:03,679

i'm kind of like i i kind of got what i

888

00:32:07,350 --> 00:32:05,600

needed you know i kind of the first

889

00:32:09,750 --> 00:32:07,360

interview was enough you know there's

890

00:32:12,310 --> 00:32:09,760

not much more there to talk about

891

00:32:14,310 --> 00:32:12,320

we just agree to disagree you know

892

00:32:16,549 --> 00:32:14,320

yeah then if you've been able to wrap it

893

00:32:19,430 --> 00:32:16,559

up in only one show i congratulate you

894

00:32:21,750 --> 00:32:19,440

and um you're certainly familiar with

895

00:32:23,350 --> 00:32:21,760

the case uh most of the media people

896

00:32:25,029 --> 00:32:23,360

i've talked to over the years don't

897

00:32:27,269 --> 00:32:25,039

really know the meyer case so michael's

898

00:32:28,950 --> 00:32:27,279

able to play all kinds of games well you

899

00:32:31,269 --> 00:32:28,960

know i have to say i kind of grew up

900

00:32:33,509 --> 00:32:31,279

with that and uh one of the first ufo

901
00:32:35,110 --> 00:32:33,519
books i've ever got i ever got was that

902
00:32:36,470 --> 00:32:35,120
one of their books

903
00:32:38,710 --> 00:32:36,480
and uh

904
00:32:41,029 --> 00:32:38,720
even as a child though getting this book

905
00:32:43,350 --> 00:32:41,039
i remember going these photos don't look

906
00:32:45,509 --> 00:32:43,360
real you know and later when i got older

907
00:32:47,029 --> 00:32:45,519
i looked into it again and then once in

908
00:32:48,870 --> 00:32:47,039
a while you're going down these rabbit

909
00:32:51,029 --> 00:32:48,880
holes and here comes a video from

910
00:32:52,549 --> 00:32:51,039
michael horn or someone else or these i

911
00:32:54,310 --> 00:32:52,559
even yeah i watched michael horn's

912
00:32:56,789 --> 00:32:54,320
documentaries and

913
00:32:59,190 --> 00:32:56,799

i just disagreed with him you know but

914

00:33:02,230 --> 00:32:59,200

i'm very familiar with a lot of the

915

00:33:04,950 --> 00:33:02,240

i even made some models of my own and

916

00:33:07,190 --> 00:33:04,960

put them on fishing string and i found a

917

00:33:09,190 --> 00:33:07,200

lot of different methods that i borrowed

918

00:33:11,029 --> 00:33:09,200

from magic tricks believe it or not to

919

00:33:12,310 --> 00:33:11,039

make them even better probably than some

920

00:33:13,990 --> 00:33:12,320

of the billy myers people don't know

921

00:33:17,110 --> 00:33:14,000

this but if you take fishing string and

922

00:33:19,190 --> 00:33:17,120

you dot it in black with a marker it

923

00:33:20,950 --> 00:33:19,200

breaks up the line and it's much much

924

00:33:23,190 --> 00:33:20,960

harder to detect it

925

00:33:24,789 --> 00:33:23,200

in the in the finished photos and a lot

926

00:33:26,470 --> 00:33:24,799

of different i did a lot of stuff like

927

00:33:28,950 --> 00:33:26,480

that on this case to kind of convince

928

00:33:31,190 --> 00:33:28,960

myself am i right that it's fake but i

929

00:33:32,950 --> 00:33:31,200

just kept coming back to occam's razor

930

00:33:34,950 --> 00:33:32,960

what is the most likely

931

00:33:37,669 --> 00:33:34,960

explanation that this guy's had lifelong

932

00:33:39,110 --> 00:33:37,679

contact with aliens and only him and

933

00:33:40,149 --> 00:33:39,120

another problem i have with michael horn

934

00:33:42,230 --> 00:33:40,159

is that

935

00:33:44,710 --> 00:33:42,240

he kind of calls everyone else as a

936

00:33:46,789 --> 00:33:44,720

fraud except billy meyer billy murray is

937

00:33:49,590 --> 00:33:46,799

the only genuine case everyone else is a

938

00:33:52,630 --> 00:33:49,600

fraud and that's problematic because

939

00:33:54,870 --> 00:33:52,640

it's this it's ju that is an earmark of

940

00:33:55,909 --> 00:33:54,880

a cult we're the only truth we're the

941

00:33:57,590 --> 00:33:55,919

only people that could give you the

942

00:33:59,350 --> 00:33:57,600

truth everyone else is a fake and a

943

00:34:01,350 --> 00:33:59,360

fraud and a liar and you'll you won't

944

00:34:02,950 --> 00:34:01,360

get the truth from them but we have it

945

00:34:04,789 --> 00:34:02,960

you know

946

00:34:07,110 --> 00:34:04,799

yeah and uh let me share with you two

947

00:34:08,869 --> 00:34:07,120

real examples of and and these are smoky

948

00:34:10,629 --> 00:34:08,879

gun examples of how they just make up

949

00:34:13,349 --> 00:34:10,639

stuff when they're busted

950

00:34:15,510 --> 00:34:13,359

uh back to the dvd project uh i knew

951
00:34:19,030 --> 00:34:15,520
michael warren was never gonna really do

952
00:34:22,950 --> 00:34:19,040
this the idea was and it was my idea

953
00:34:25,349 --> 00:34:22,960
was to do one two dvds uh one dvd would

954
00:34:27,190 --> 00:34:25,359
be my best case against the meyer case

955
00:34:28,710 --> 00:34:27,200
whatever the evidence was it's not just

956
00:34:30,550 --> 00:34:28,720
me it's other people

957
00:34:32,310 --> 00:34:30,560
the best evidence on one dvd and then

958
00:34:35,109 --> 00:34:32,320
the best evidence for it on the other

959
00:34:37,030 --> 00:34:35,119
left by michael whatever he wants

960
00:34:38,710 --> 00:34:37,040
and i thought honestly this was a

961
00:34:41,270 --> 00:34:38,720
win-win because no matter what you

962
00:34:43,349 --> 00:34:41,280
believe about the case you've got the

963
00:34:45,750 --> 00:34:43,359

prosecution and the defense this is

964

00:34:47,270 --> 00:34:45,760

their best evidence and i still would do

965

00:34:49,669 --> 00:34:47,280

this today

966

00:34:52,149 --> 00:34:49,679

i remember when this when this happened

967

00:34:54,550 --> 00:34:52,159

and i do i vaguely recall that he claims

968

00:34:55,669 --> 00:34:54,560

that aliens warned him not to do it or

969

00:34:58,470 --> 00:34:55,679

something like that that you were going

970

00:35:00,790 --> 00:34:58,480

to gotcha him or something yeah

971

00:35:02,470 --> 00:35:00,800

yeah and this this is where he just made

972

00:35:03,510 --> 00:35:02,480

it up because

973

00:35:05,750 --> 00:35:03,520

um

974

00:35:08,069 --> 00:35:05,760

i told my people and i can name them

975

00:35:10,550 --> 00:35:08,079

i'll do it right now

976
00:35:12,310 --> 00:35:10,560
phil langdon for example i said okay we

977
00:35:14,550 --> 00:35:12,320
know what he's going to do he's going to

978
00:35:16,790 --> 00:35:14,560
move the goal post we don't know exactly

979
00:35:19,030 --> 00:35:16,800
what yet but there's no way he's going

980
00:35:20,790 --> 00:35:19,040
to do this what we have to do in our end

981
00:35:22,790 --> 00:35:20,800
is completely document that we're not

982
00:35:25,190 --> 00:35:22,800
going to do anything but what we said

983
00:35:26,870 --> 00:35:25,200
and we really wanted to do this because

984
00:35:29,670 --> 00:35:26,880
i was looking forward to saying this is

985
00:35:31,510 --> 00:35:29,680
this is all i can say i'm done

986
00:35:33,270 --> 00:35:31,520
have a nice day because i'm tired of

987
00:35:35,750 --> 00:35:33,280
this i got a life

988
00:35:38,150 --> 00:35:35,760

and so um

989

00:35:40,870 --> 00:35:38,160

what we did is we duplicated every

990

00:35:43,349 --> 00:35:40,880

single major meyer photo

991

00:35:44,790 --> 00:35:43,359

that is out there including the wedding

992

00:35:47,910 --> 00:35:44,800

cake photos

993

00:35:50,710 --> 00:35:47,920

uh we even put together a how to build

994

00:35:52,870 --> 00:35:50,720

your own pleiadian fake ships and we

995

00:35:55,990 --> 00:35:52,880

we're going to call this fake ships of

996

00:35:57,270 --> 00:35:56,000

the pleiades the silly meyer story

997

00:35:59,349 --> 00:35:57,280

okay

998

00:36:01,190 --> 00:35:59,359

and and we had another working title

999

00:36:02,790 --> 00:36:01,200

light yarns

1000

00:36:04,870 --> 00:36:02,800

fake ships of the pleiades of silly mars

1001

00:36:08,069 --> 00:36:04,880

story it's too long of a title

1002

00:36:11,030 --> 00:36:08,079

and so what happened is uh we duplicated

1003

00:36:12,550 --> 00:36:11,040

everything including the uh ufo in front

1004

00:36:14,230 --> 00:36:12,560

of the tree where the sun is bouncing

1005

00:36:16,710 --> 00:36:14,240

off of it all that

1006

00:36:18,150 --> 00:36:16,720

and um we're done and i contacted

1007

00:36:20,870 --> 00:36:18,160

michael and i said okay michael we're

1008

00:36:23,430 --> 00:36:20,880

ready to go waiting for your stuff so i

1009

00:36:24,790 --> 00:36:23,440

can put together the master images send

1010

00:36:26,710 --> 00:36:24,800

them to you

1011

00:36:28,230 --> 00:36:26,720

so you know we can start putting this

1012

00:36:29,510 --> 00:36:28,240

together because he knows how to make a

1013

00:36:31,670 --> 00:36:29,520

dvd

1014

00:36:33,349 --> 00:36:31,680

and uh then he says well let me check

1015

00:36:35,910 --> 00:36:33,359

with billy meyer one more time yeah you

1016

00:36:36,710 --> 00:36:35,920

do that okay so billy meyer goes off and

1017

00:36:46,710 --> 00:36:36,720

he

1018

00:36:49,190 --> 00:36:46,720

you know doing whatever ins make up

1019

00:36:51,349 --> 00:36:49,200

whatever you want and none of it's true

1020

00:36:53,430 --> 00:36:51,359

and then when he comes back and he says

1021

00:36:54,950 --> 00:36:53,440

you know billy meyer has said you're

1022

00:36:56,790 --> 00:36:54,960

going to do this you're going to do this

1023

00:36:59,190 --> 00:36:56,800

and they've warned him about you and i'm

1024

00:37:02,470 --> 00:36:59,200

just like yeah right whatever go back to

1025

00:37:04,230 --> 00:37:02,480

smoking whatever it's all [h__h] so um

1026

00:37:06,630 --> 00:37:04,240

it never happened you can blame mikey

1027

00:37:09,190 --> 00:37:06,640

for it and if mikey disagrees with this

1028

00:37:11,109 --> 00:37:09,200

and wants to lie and say i'm not telling

1029

00:37:12,950 --> 00:37:11,119

the truth he can sue me for life of

1030

00:37:14,790 --> 00:37:12,960

slander defamation which he won't

1031

00:37:17,349 --> 00:37:14,800

because he can't afford to go under oath

1032

00:37:20,069 --> 00:37:17,359

or penalty of perjury and i would still

1033

00:37:23,109 --> 00:37:20,079

do this video with him today or dvd

1034

00:37:25,349 --> 00:37:23,119

because i've got nothing to hide he does

1035

00:37:27,589 --> 00:37:25,359

so that was one example let me give you

1036

00:37:29,910 --> 00:37:27,599

another one that happened because of the

1037

00:37:32,069 --> 00:37:29,920

publication of the book spacious of the

1038

00:37:34,230 --> 00:37:32,079

pleiades the billy meyer story

1039

00:37:36,630 --> 00:37:34,240

that book was the first one to publish

1040

00:37:38,630 --> 00:37:36,640

the dinosaur time travel photos they had

1041

00:37:41,109 --> 00:37:38,640

never been public before

1042

00:37:43,750 --> 00:37:41,119

i came back with those photos that meyer

1043

00:37:46,790 --> 00:37:43,760

himself had given the jakob family and

1044

00:37:48,870 --> 00:37:46,800

again meyer's writing is on the back of

1045

00:37:50,390 --> 00:37:48,880

the several of these pictures

1046

00:37:52,069 --> 00:37:50,400

so we published them

1047

00:37:54,470 --> 00:37:52,079

and then of course they were shocked to

1048

00:37:56,710 --> 00:37:54,480

find out it was really me there was no

1049

00:37:58,470 --> 00:37:56,720

steve thomas they were really pissed

1050

00:38:01,349 --> 00:37:58,480

and uh first they said i wasn't there

1051

00:38:04,150 --> 00:38:01,359

they lied then they saw the book

1052

00:38:05,589 --> 00:38:04,160

couldn't argue with the fact i was there

1053

00:38:07,910 --> 00:38:05,599

and then all of a sudden meyer has a

1054

00:38:09,829 --> 00:38:07,920

contact with sannyasi and she says well

1055

00:38:11,670 --> 00:38:09,839

we got some bad news for you

1056

00:38:13,670 --> 00:38:11,680

you know you were sick and

1057

00:38:15,510 --> 00:38:13,680

those time travel photos their hoaxes

1058

00:38:17,430 --> 00:38:15,520

the men in black switched them on you

1059

00:38:18,870 --> 00:38:17,440

set you up sorry about that we didn't

1060

00:38:20,630 --> 00:38:18,880

want to tell you

1061

00:38:21,750 --> 00:38:20,640

they literally made up that contact to

1062

00:38:23,750 --> 00:38:21,760

explain

1063

00:38:26,310 --> 00:38:23,760

how these dinosaur photos and all these

1064

00:38:29,349 --> 00:38:26,320

time travel things could exist when i

1065

00:38:31,190 --> 00:38:29,359

had traced them back to nasa images

1066

00:38:32,630 --> 00:38:31,200

various shows the dean martin pictures

1067

00:38:34,710 --> 00:38:32,640

all that stuff you know

1068

00:38:36,630 --> 00:38:34,720

uh just for the benefit of my audience

1069

00:38:38,870 --> 00:38:36,640

for those who don't know there there's a

1070

00:38:41,670 --> 00:38:38,880

pretty famous picture of a pterodactyl

1071

00:38:43,750 --> 00:38:41,680

which it was basically someone took a

1072

00:38:45,829 --> 00:38:43,760

photograph out of a nature book of a

1073

00:38:48,150 --> 00:38:45,839

pterodactyl and it can be proven that

1074

00:38:50,150 --> 00:38:48,160

this is the same image and this was

1075

00:38:51,589 --> 00:38:50,160

supposed to be originally a picture that

1076
00:38:52,710 --> 00:38:51,599
billy meyer took when he was time

1077
00:38:53,829 --> 00:38:52,720
traveling

1078
00:38:57,589 --> 00:38:53,839
and when

1079
00:38:59,270 --> 00:38:57,599
when cal gotcha them and said no uh this

1080
00:39:01,030 --> 00:38:59,280
is where it came from then they come up

1081
00:39:03,030 --> 00:39:01,040
with this explanation

1082
00:39:05,589 --> 00:39:03,040
and it's the convenient i call it the

1083
00:39:07,190 --> 00:39:05,599
very convenient men in black explanation

1084
00:39:08,710 --> 00:39:07,200
and it's not just billy meyer that uses

1085
00:39:09,589 --> 00:39:08,720
this explanation

1086
00:39:11,750 --> 00:39:09,599
you know

1087
00:39:14,230 --> 00:39:11,760
we have bob lazar and many others like

1088
00:39:16,390 --> 00:39:14,240

oh they stole that element 51 back out

1089

00:39:18,310 --> 00:39:16,400

of my house or you know yeah it's very

1090

00:39:20,069 --> 00:39:18,320

convenient just pull out it's like

1091

00:39:22,390 --> 00:39:20,079

everybody goes to the same cosmic con

1092

00:39:23,910 --> 00:39:22,400

man school of conning people

1093

00:39:25,030 --> 00:39:23,920

and when you really got your back to the

1094

00:39:27,109 --> 00:39:25,040

wall what you got to do is you got to

1095

00:39:28,310 --> 00:39:27,119

pull out the men in black and it's their

1096

00:39:30,390 --> 00:39:28,320

fault they came and they stole the

1097

00:39:32,310 --> 00:39:30,400

material they they took the good photos

1098

00:39:34,069 --> 00:39:32,320

and replaced them with fake ones i

1099

00:39:36,470 --> 00:39:34,079

pressed michael horn on this and he says

1100

00:39:38,790 --> 00:39:36,480

that those are fakes and frauds and that

1101
00:39:40,630 --> 00:39:38,800
they were they were put in to discredit

1102
00:39:43,510 --> 00:39:40,640
billy meyer or something like that and

1103
00:39:45,510 --> 00:39:43,520
yes the men in black explanation

1104
00:39:47,990 --> 00:39:45,520
yeah so you know here's two examples

1105
00:39:50,710 --> 00:39:48,000
where you can prove in a court of law

1106
00:39:54,069 --> 00:39:50,720
easily and by any scientific standard

1107
00:39:57,349 --> 00:39:54,079
that these explanations are [h__h]

1108
00:39:58,870 --> 00:39:57,359
those photos uh came out because i got

1109
00:39:59,990 --> 00:39:58,880
them personally from switzerland brought

1110
00:40:02,230 --> 00:40:00,000
them back put them in the book

1111
00:40:04,230 --> 00:40:02,240
prometheus books published that book

1112
00:40:06,390 --> 00:40:04,240
and then they had some explaining to do

1113
00:40:08,069 --> 00:40:06,400

they had spin to do so of course they go

1114

00:40:10,710 --> 00:40:08,079

off and come up with a contact that

1115

00:40:13,190 --> 00:40:10,720

explains why these photos are hoaxes but

1116

00:40:16,630 --> 00:40:13,200

it's not their fault their hoaxes billy

1117

00:40:18,390 --> 00:40:16,640

meyer was host he's that stupid to have

1118

00:40:20,950 --> 00:40:18,400

dozens and dozens there were what 70 or

1119

00:40:22,790 --> 00:40:20,960

87 pictures from these stupid things and

1120

00:40:25,109 --> 00:40:22,800

they were images collected from all

1121

00:40:26,870 --> 00:40:25,119

kinds of different sources from fans and

1122

00:40:28,230 --> 00:40:26,880

tv over in europe

1123

00:40:30,630 --> 00:40:28,240

went down there

1124

00:40:32,230 --> 00:40:30,640

to the station hunted it down all that

1125

00:40:34,550 --> 00:40:32,240

stuff

1126

00:40:37,270 --> 00:40:34,560

and i wasn't the only one to find it a

1127

00:40:39,510 --> 00:40:37,280

dean martin fan had recognized that

1128

00:40:41,990 --> 00:40:39,520

and i will tell you um

1129

00:40:43,109 --> 00:40:42,000

how much of a liar billy meyer was

1130

00:40:46,150 --> 00:40:43,119

um

1131

00:40:47,510 --> 00:40:46,160

most people have never heard the story

1132

00:40:49,750 --> 00:40:47,520

because i've never really shared it in

1133

00:40:50,870 --> 00:40:49,760

detail of this the second major trip i

1134

00:40:53,910 --> 00:40:50,880

did

1135

00:40:55,910 --> 00:40:53,920

to expose meijer for fox tv for world's

1136

00:40:58,790 --> 00:40:55,920

greatest hoaxes and this was in the late

1137

00:41:00,790 --> 00:40:58,800

90s this is years after the uh a couple

1138

00:41:02,710 --> 00:41:00,800

years after the meyer expose book had

1139

00:41:04,630 --> 00:41:02,720

come out from prometheus

1140

00:41:06,710 --> 00:41:04,640

and what happened is i was working with

1141

00:41:08,390 --> 00:41:06,720

bob kiviati

1142

00:41:10,390 --> 00:41:08,400

and i i knew him and he had been

1143

00:41:14,230 --> 00:41:10,400

pitching a show called world's greatest

1144

00:41:15,670 --> 00:41:14,240

uh hoaxes uh for years and secrets

1145

00:41:16,790 --> 00:41:15,680

finally revealed that was a working

1146

00:41:17,910 --> 00:41:16,800

title

1147

00:41:19,270 --> 00:41:17,920

it was really going to be world's

1148

00:41:21,589 --> 00:41:19,280

greatest we weren't quite sure what it

1149

00:41:23,910 --> 00:41:21,599

was going to be and i said well you know

1150

00:41:26,710 --> 00:41:23,920

you got to put billy meyer in there

1151

00:41:30,069 --> 00:41:26,720

and i had heard that billy meyer had

1152

00:41:32,710 --> 00:41:30,079

gotten pregnant a follower of his uh i

1153

00:41:34,710 --> 00:41:32,720

think her name was ava bieri

1154

00:41:37,430 --> 00:41:34,720

might not have the right name but a

1155

00:41:39,030 --> 00:41:37,440

young woman and it caused a problem with

1156

00:41:42,390 --> 00:41:39,040

meyer's wife of course

1157

00:41:43,829 --> 00:41:42,400

so she had moved out and i had a chance

1158

00:41:46,150 --> 00:41:43,839

to meet her

1159

00:41:48,309 --> 00:41:46,160

and talk to her and

1160

00:41:50,870 --> 00:41:48,319

lay the evidence out before her if she

1161

00:41:52,390 --> 00:41:50,880

was interested against her husband

1162

00:41:53,589 --> 00:41:52,400

i assume billy didn't tell her

1163

00:41:56,069 --> 00:41:53,599

everything

1164

00:41:57,910 --> 00:41:56,079

uh those that's the reports i'd gotten

1165

00:42:01,270 --> 00:41:57,920

from many people in europe that

1166

00:42:02,790 --> 00:42:01,280

billy basically considered her uh

1167

00:42:04,470 --> 00:42:02,800

he never involved her in the hoax i'll

1168

00:42:06,069 --> 00:42:04,480

just put it that way i never found any

1169

00:42:09,510 --> 00:42:06,079

evidence of that

1170

00:42:11,670 --> 00:42:09,520

so what happens is um we um

1171

00:42:13,430 --> 00:42:11,680

before i went under

1172

00:42:15,190 --> 00:42:13,440

after fox greenlighted the show they

1173

00:42:19,030 --> 00:42:15,200

gave us six weeks to do the whole

1174

00:42:21,270 --> 00:42:19,040

special and i was given a budget to go

1175

00:42:22,150 --> 00:42:21,280

over undercover again

1176

00:42:24,390 --> 00:42:22,160

to

1177

00:42:26,230 --> 00:42:24,400

get billy meyer's wife on camera if

1178

00:42:28,470 --> 00:42:26,240

possible if not

1179

00:42:30,230 --> 00:42:28,480

come back with the imagery of the

1180

00:42:32,069 --> 00:42:30,240

garbage can lid for the wedding king

1181

00:42:34,230 --> 00:42:32,079

photos i promised him i could at least

1182

00:42:35,589 --> 00:42:34,240

get that because we had found that

1183

00:42:37,670 --> 00:42:35,599

imagery

1184

00:42:39,030 --> 00:42:37,680

so what happened is um the phoenix

1185

00:42:40,150 --> 00:42:39,040

lights and these other things were going

1186

00:42:40,950 --> 00:42:40,160

on

1187

00:42:45,589 --> 00:42:40,960

and

1188

00:42:47,990 --> 00:42:45,599

on the warpath against me

1189

00:42:49,750 --> 00:42:48,000

and they wanted to do a debate on the

1190

00:42:52,790 --> 00:42:49,760

art bell show

1191

00:42:54,230 --> 00:42:52,800

about uh billy meyer and phoenix lights

1192

00:42:55,829 --> 00:42:54,240

or whatever

1193

00:42:58,069 --> 00:42:55,839

and i agreed to be on that show we

1194

00:42:59,589 --> 00:42:58,079

debated delawato and i for three and a

1195

00:43:01,030 --> 00:42:59,599

half hours

1196

00:43:04,069 --> 00:43:01,040

it was a live

1197

00:43:06,309 --> 00:43:04,079

debate with a credibility poll

1198

00:43:08,309 --> 00:43:06,319

that was a credibility meter that was

1199

00:43:10,470 --> 00:43:08,319

based on audience reactions

1200

00:43:13,270 --> 00:43:10,480

by the time the show was done

1201
00:43:15,750 --> 00:43:13,280
i won the debate 81 percent to nine

1202
00:43:16,950 --> 00:43:15,760
percent for de la tosa nine percent

1203
00:43:19,510 --> 00:43:16,960
undecided

1204
00:43:22,069 --> 00:43:19,520
and in that debate de la tusso admitted

1205
00:43:23,030 --> 00:43:22,079
uh an art pinned him on it and he agreed

1206
00:43:25,109 --> 00:43:23,040
with me

1207
00:43:27,750 --> 00:43:25,119
that de la toso had lied about having a

1208
00:43:30,950 --> 00:43:27,760
phd from mcgill university that he had

1209
00:43:31,750 --> 00:43:30,960
committed fraud using nasa stationery

1210
00:43:34,390 --> 00:43:31,760
uh

1211
00:43:36,710 --> 00:43:34,400
with a document that implied that it was

1212
00:43:38,470 --> 00:43:36,720
an endorsement when there wasn't

1213
00:43:41,030 --> 00:43:38,480

uh there was other stuff you know in

1214

00:43:42,950 --> 00:43:41,040

there people can listen to the tape

1215

00:43:44,950 --> 00:43:42,960

meyer people don't like to talk about it

1216

00:43:48,390 --> 00:43:44,960

people who hate me and attack me

1217

00:43:50,069 --> 00:43:48,400

i think i'm some crazy ufo evil debunker

1218

00:43:51,670 --> 00:43:50,079

see i disinfo

1219

00:43:53,270 --> 00:43:51,680

whatever i don't know i can't relate to

1220

00:43:55,750 --> 00:43:53,280

what they say

1221

00:43:58,230 --> 00:43:55,760

you can still find that show on youtube

1222

00:43:59,270 --> 00:43:58,240

and it's amazing it's amazing listen to

1223

00:44:01,190 --> 00:43:59,280

that

1224

00:44:03,589 --> 00:44:01,200

you should be able to i mean even art

1225

00:44:06,470 --> 00:44:03,599

bell who started out against me on the

1226

00:44:08,470 --> 00:44:06,480

show uh we ended up being friends and he

1227

00:44:10,630 --> 00:44:08,480

uh said i scored a knockout blow quote

1228

00:44:12,309 --> 00:44:10,640

unquote he said that on the show

1229

00:44:14,150 --> 00:44:12,319

and um

1230

00:44:15,990 --> 00:44:14,160

for those who don't know michael horn is

1231

00:44:19,430 --> 00:44:16,000

very quick to always

1232

00:44:21,829 --> 00:44:19,440

uh say all these image analysts uh

1233

00:44:23,670 --> 00:44:21,839

determined the photos are real and what

1234

00:44:25,829 --> 00:44:23,680

he's really saying is jim delatoso

1235

00:44:27,910 --> 00:44:25,839

determined the photos are real

1236

00:44:30,150 --> 00:44:27,920

and as cal has pointed out the guy had a

1237

00:44:32,870 --> 00:44:30,160

fake education i have a background in

1238

00:44:35,030 --> 00:44:32,880

computer science and i uh can tell you

1239

00:44:37,829 --> 00:44:35,040

that he knows a good deal about

1240

00:44:40,069 --> 00:44:37,839

computers but he's not an image analyst

1241

00:44:40,790 --> 00:44:40,079

not by any stretch of the imagination

1242

00:44:42,950 --> 00:44:40,800

and

1243

00:44:44,790 --> 00:44:42,960

even he's been discredited many many

1244

00:44:47,030 --> 00:44:44,800

times his phoenix lights

1245

00:44:49,270 --> 00:44:47,040

if you ask a real image analyst his

1246

00:44:51,430 --> 00:44:49,280

analysis of that is a joke

1247

00:44:53,270 --> 00:44:51,440

and so this is just a source that can't

1248

00:44:56,150 --> 00:44:53,280

be trusted you know if you have a guy

1249

00:44:57,430 --> 00:44:56,160

who's faking his education who's faking

1250

00:44:58,630 --> 00:44:57,440

nasa

1251
00:45:00,790 --> 00:44:58,640
involvement

1252
00:45:02,390 --> 00:45:00,800
and he says the photos are real i think

1253
00:45:05,589 --> 00:45:02,400
you have to consider the source in

1254
00:45:07,430 --> 00:45:05,599
fairness to him i you know i i don't

1255
00:45:09,829 --> 00:45:07,440
know what his analysis methods where he

1256
00:45:12,150 --> 00:45:09,839
learned them but he did not

1257
00:45:15,270 --> 00:45:12,160
he's just not a valid image analyst that

1258
00:45:17,270 --> 00:45:15,280
you should trust when he says something

1259
00:45:19,589 --> 00:45:17,280
yeah it's uh there's a good expose of

1260
00:45:21,990 --> 00:45:19,599
him and some of the other people he was

1261
00:45:24,550 --> 00:45:22,000
doing stuff with at that time

1262
00:45:26,790 --> 00:45:24,560
in the 90s it's a

1263
00:45:29,030 --> 00:45:26,800

rather it's it's the main story in the

1264

00:45:31,510 --> 00:45:29,040

phoenix new times called the hack and

1265

00:45:34,150 --> 00:45:31,520

the quack it's about the phoenix night

1266

00:45:35,510 --> 00:45:34,160

uh lights and delitoso and francis

1267

00:45:36,870 --> 00:45:35,520

farwood and all that stuff that was

1268

00:45:39,670 --> 00:45:36,880

going on

1269

00:45:42,710 --> 00:45:39,680

uh at the time and uh it's an expose

1270

00:45:43,829 --> 00:45:42,720

written by tony ortega and he verified

1271

00:45:45,510 --> 00:45:43,839

everything

1272

00:45:47,990 --> 00:45:45,520

and i'm quoted in there others are

1273

00:45:50,710 --> 00:45:48,000

quoted in there uh there's no question

1274

00:45:53,510 --> 00:45:50,720

and in fact what michael does is he you

1275

00:45:56,550 --> 00:45:53,520

know lies about me he says oh calcorphan

1276

00:45:59,349 --> 00:45:56,560

admitted liar i'm not an admitted liar

1277

00:46:01,270 --> 00:45:59,359

what he's referring to is when i

1278

00:46:03,829 --> 00:46:01,280

had said on

1279

00:46:05,910 --> 00:46:03,839

jeff renz's show that art bell

1280

00:46:07,510 --> 00:46:05,920

was trying to keep me off the air about

1281

00:46:08,550 --> 00:46:07,520

the phoenix lights

1282

00:46:09,829 --> 00:46:08,560

from a

1283

00:46:11,270 --> 00:46:09,839

radio show i was supposed to do in

1284

00:46:13,430 --> 00:46:11,280

phoenix

1285

00:46:15,270 --> 00:46:13,440

and it turns out that art bell had

1286

00:46:17,270 --> 00:46:15,280

contacted that show

1287

00:46:19,109 --> 00:46:17,280

but it was jim delatoso who had sent the

1288

00:46:20,870 --> 00:46:19,119

facts that

1289

00:46:21,910 --> 00:46:20,880

said if you put kalkorf on there i'll

1290

00:46:24,550 --> 00:46:21,920

sue you

1291

00:46:27,349 --> 00:46:24,560

and the person who told me this uh

1292

00:46:29,589 --> 00:46:27,359

didn't know about de la toso being the

1293

00:46:31,990 --> 00:46:29,599

person who had written the facts

1294

00:46:33,910 --> 00:46:32,000

and got the two mixed up and i shared

1295

00:46:36,150 --> 00:46:33,920

that information on the news and then

1296

00:46:38,150 --> 00:46:36,160

when art said no it wasn't me

1297

00:46:39,829 --> 00:46:38,160

and we found out it was delitosa we had

1298

00:46:41,670 --> 00:46:39,839

the two or three page facts it was on

1299

00:46:43,589 --> 00:46:41,680

the internet many years ago

1300

00:46:45,510 --> 00:46:43,599

then i agreed to go on art show and

1301
00:46:47,670 --> 00:46:45,520
apologize because what i said was not

1302
00:46:49,430 --> 00:46:47,680
accurate but as i also said it was jim

1303
00:46:50,710 --> 00:46:49,440
delato there's no question and when

1304
00:46:53,349 --> 00:46:50,720
there where there was smoke there was

1305
00:46:55,030 --> 00:46:53,359
fire and de la tusso had no right to try

1306
00:46:56,710 --> 00:46:55,040
to keep me off that show

1307
00:46:58,230 --> 00:46:56,720
show put me on anyway and said go ahead

1308
00:46:59,349 --> 00:46:58,240
and sue us and of course that didn't

1309
00:47:01,910 --> 00:46:59,359
happen

1310
00:47:03,430 --> 00:47:01,920
so um uh that's different than making

1311
00:47:06,150 --> 00:47:03,440
something up in line

1312
00:47:08,870 --> 00:47:06,160
and then i went on art's show later for

1313
00:47:11,190 --> 00:47:08,880

three and a half hours at his request

1314

00:47:13,750 --> 00:47:11,200

debating delatoso and the rest is

1315

00:47:15,990 --> 00:47:13,760

history so michael horn if he doesn't

1316

00:47:18,150 --> 00:47:16,000

tell you that he's lying as usual and

1317

00:47:19,990 --> 00:47:18,160

michael does that

1318

00:47:22,230 --> 00:47:20,000

as far as

1319

00:47:24,069 --> 00:47:22,240

the second trip that i have done

1320

00:47:26,549 --> 00:47:24,079

i had a problem on my hands in that i

1321

00:47:29,190 --> 00:47:26,559

couldn't go as steve thomas

1322

00:47:30,870 --> 00:47:29,200

uh when i went to steve thomas can you

1323

00:47:32,549 --> 00:47:30,880

tell us who you went as this time

1324

00:47:34,230 --> 00:47:32,559

because i think this is an amazing part

1325

00:47:36,309 --> 00:47:34,240

of your story

1326

00:47:39,349 --> 00:47:36,319

yeah uh and i didn't plan this it just

1327

00:47:41,589 --> 00:47:39,359

worked out that way um so here's what we

1328

00:47:43,910 --> 00:47:41,599

were really doing and and this is going

1329

00:47:45,750 --> 00:47:43,920

to come out in an updated expose on my

1330

00:47:47,589 --> 00:47:45,760

meyer book that is going to be out next

1331

00:47:49,670 --> 00:47:47,599

year

1332

00:47:51,190 --> 00:47:49,680

but let me i've never talked about this

1333

00:47:54,069 --> 00:47:51,200

publicly

1334

00:47:56,069 --> 00:47:54,079

um again the meyer case was only going

1335

00:47:58,630 --> 00:47:56,079

to be covered if

1336

00:48:00,950 --> 00:47:58,640

something new or some breakthrough could

1337

00:48:03,190 --> 00:48:00,960

occur because we had alien autopsy loch

1338

00:48:04,870 --> 00:48:03,200

ness bigfoot all this other good stuff

1339

00:48:07,349 --> 00:48:04,880

to expose

1340

00:48:09,349 --> 00:48:07,359

so what's new on meyer well his wife

1341

00:48:11,430 --> 00:48:09,359

okay she maybe she knows something the

1342

00:48:13,349 --> 00:48:11,440

garbage can lid is there that's the

1343

00:48:14,230 --> 00:48:13,359

minimum we got that

1344

00:48:16,390 --> 00:48:14,240

all right

1345

00:48:18,630 --> 00:48:16,400

so i can't go with steve thomas

1346

00:48:21,270 --> 00:48:18,640

and when i had gone as steve thomas one

1347

00:48:23,109 --> 00:48:21,280

of the reasons i had to keep it a secret

1348

00:48:25,109 --> 00:48:23,119

is because i was on the

1349

00:48:27,510 --> 00:48:25,119

hypercard software development team at

1350

00:48:31,190 --> 00:48:27,520

that time at apple polaris

1351

00:48:33,589 --> 00:48:31,200

and the main guy on our team

1352

00:48:35,589 --> 00:48:33,599

was a guy named ed rosensweig

1353

00:48:37,430 --> 00:48:35,599

and he was uh

1354

00:48:39,750 --> 00:48:37,440

in charge of writing the color routines

1355

00:48:41,430 --> 00:48:39,760

to convert hypercard from being a black

1356

00:48:43,670 --> 00:48:41,440

and white program so that it could be

1357

00:48:46,150 --> 00:48:43,680

color quicktime was a new thing that was

1358

00:48:48,790 --> 00:48:46,160

coming up i was part of that effort

1359

00:48:51,349 --> 00:48:48,800

and rosensweig owned a new age bookstore

1360

00:48:53,829 --> 00:48:51,359

in uh i think it was sausalito

1361

00:48:56,630 --> 00:48:53,839

south san francisco maybe marin

1362

00:48:58,470 --> 00:48:56,640

and he knew wendell stevens

1363

00:49:00,549 --> 00:48:58,480

and i'm like oh my god i can't tell my

1364

00:49:01,589 --> 00:49:00,559

friends what i'm going to do

1365

00:49:03,750 --> 00:49:01,599

because

1366

00:49:05,670 --> 00:49:03,760

they know wendell i'm like oh god this

1367

00:49:07,109 --> 00:49:05,680

is what are the odds and then here's

1368

00:49:09,109 --> 00:49:07,119

where it gets really

1369

00:49:10,150 --> 00:49:09,119

almost paranormal for lack of a better

1370

00:49:11,990 --> 00:49:10,160

term

1371

00:49:13,430 --> 00:49:12,000

our boss

1372

00:49:14,870 --> 00:49:13,440

uh

1373

00:49:16,950 --> 00:49:14,880

bill duvall

1374

00:49:19,990 --> 00:49:16,960

who ran the hypercar team

1375

00:49:22,069 --> 00:49:20,000

he had moved from sun valley idaho

1376

00:49:23,270 --> 00:49:22,079

and in my job interview to be part of

1377

00:49:25,829 --> 00:49:23,280

that team

1378

00:49:26,870 --> 00:49:25,839

uh he said to me you know i've heard

1379

00:49:29,910 --> 00:49:26,880

about you

1380

00:49:31,910 --> 00:49:29,920

i there's a guy i know who's into ufos

1381

00:49:35,030 --> 00:49:31,920

too he just wrote a book called light

1382

00:49:36,870 --> 00:49:35,040

years he's my neighbor gary kinder

1383

00:49:39,270 --> 00:49:36,880

i'm like oh my god

1384

00:49:41,750 --> 00:49:39,280

all right so now my boss is gary

1385

00:49:43,670 --> 00:49:41,760

kinder's neighbor

1386

00:49:45,270 --> 00:49:43,680

on the hypercar team

1387

00:49:48,069 --> 00:49:45,280

and he has moved from

1388

00:49:49,910 --> 00:49:48,079

idaho to silicon valley and ed

1389

00:49:50,950 --> 00:49:49,920

rosensweig is part of the hypercar team

1390

00:49:53,430 --> 00:49:50,960

from apple

1391

00:49:56,630 --> 00:49:53,440

we're all one group now

1392

00:49:59,750 --> 00:49:56,640

and i'm supposed to go undercover

1393

00:50:00,630 --> 00:49:59,760

to blow open the meyer case

1394

00:50:02,630 --> 00:50:00,640

where

1395

00:50:04,549 --> 00:50:02,640

i can't tell my boss why i'm going to

1396

00:50:07,030 --> 00:50:04,559

europe for my vacation

1397

00:50:08,630 --> 00:50:07,040

cal never takes a vacation wow

1398

00:50:10,950 --> 00:50:08,640

this is how

1399

00:50:13,349 --> 00:50:10,960

secret this whole thing had to be

1400

00:50:14,950 --> 00:50:13,359

and my roommate roy neal at apple

1401

00:50:17,349 --> 00:50:14,960

clara's at the time

1402

00:50:19,990 --> 00:50:17,359

he's the one who worked with me to make

1403

00:50:22,870 --> 00:50:20,000

the models and test them in the heels

1404

00:50:24,870 --> 00:50:22,880

with with the balloons and experiment in

1405

00:50:27,030 --> 00:50:24,880

the bay area before we took them to

1406

00:50:29,030 --> 00:50:27,040

switzerland and we had held from a guy

1407

00:50:30,549 --> 00:50:29,040

named steve horse who made props for

1408

00:50:31,349 --> 00:50:30,559

star trek

1409

00:50:32,630 --> 00:50:31,359

yeah

1410

00:50:34,470 --> 00:50:32,640

so uh

1411

00:50:35,910 --> 00:50:34,480

yeah so all this was going on and this

1412

00:50:39,349 --> 00:50:35,920

is why i have the photos in the book of

1413

00:50:40,470 --> 00:50:39,359

the models you know that i took with me

1414

00:50:42,630 --> 00:50:40,480

okay so

1415

00:50:44,309 --> 00:50:42,640

now i'm supposed to go back there

1416

00:50:46,549 --> 00:50:44,319

years later and and again the first time

1417

00:50:48,150 --> 00:50:46,559

i grew my hair and beard for over a year

1418

00:50:50,470 --> 00:50:48,160

about a year and a half without cutting

1419

00:50:51,510 --> 00:50:50,480

it people were thinking i was losing my

1420

00:50:53,109 --> 00:50:51,520

mind

1421

00:50:54,309 --> 00:50:53,119

but i was trying to hide my face and

1422

00:50:55,510 --> 00:50:54,319

everything so that i wouldn't be

1423

00:50:58,150 --> 00:50:55,520

recognized

1424

00:50:59,750 --> 00:50:58,160

i had my pink hyper card shoe laces i

1425

00:51:02,069 --> 00:50:59,760

had my klingon

1426

00:51:03,750 --> 00:51:02,079

star trek new ag type look

1427

00:51:06,549 --> 00:51:03,760

uh there's photos of me on the internet

1428

00:51:08,790 --> 00:51:06,559

looking all hippy like

1429

00:51:10,309 --> 00:51:08,800

my steve thomas you know persona

1430

00:51:11,510 --> 00:51:10,319

now all these years later i'm going back

1431

00:51:13,270 --> 00:51:11,520

there again

1432

00:51:14,710 --> 00:51:13,280

i got to get to know meyer's wife

1433

00:51:16,390 --> 00:51:14,720

hopefully we'll hit it off i don't know

1434

00:51:18,150 --> 00:51:16,400

what she's going to say if she'll even

1435

00:51:20,950 --> 00:51:18,160

talk to me at all can't go with steve

1436

00:51:22,710 --> 00:51:20,960

thomas can't grow my beard and hair

1437

00:51:24,870 --> 00:51:22,720

so i went the opposite i shaved

1438

00:51:26,069 --> 00:51:24,880

everything off

1439

00:51:28,069 --> 00:51:26,079

short

1440

00:51:29,670 --> 00:51:28,079

and i

1441

00:51:31,430 --> 00:51:29,680

decided well

1442

00:51:33,910 --> 00:51:31,440

um

1443

00:51:35,910 --> 00:51:33,920

i got to come up with a name okay what

1444

00:51:38,790 --> 00:51:35,920

name am i going to use and i thought

1445

00:51:41,589 --> 00:51:38,800

well i've i've gotten to know the meyer

1446

00:51:43,670 --> 00:51:41,599

cult more since the expose came out

1447

00:51:45,349 --> 00:51:43,680

years ago and they really revere the

1448

00:51:47,190 --> 00:51:45,359

name meyer

1449

00:51:49,829 --> 00:51:47,200

which is stupid again it's more evidence

1450

00:51:51,589 --> 00:51:49,839

of being a cult it's like somebody who

1451
00:51:53,670 --> 00:51:51,599
names their kid jesus because they

1452
00:51:55,109 --> 00:51:53,680
admire jesus okay fine that doesn't mean

1453
00:51:58,470 --> 00:51:55,119
you're jesus

1454
00:51:59,430 --> 00:51:58,480
so i thought okay meyer what

1455
00:52:00,390 --> 00:51:59,440
so

1456
00:52:02,230 --> 00:52:00,400
um

1457
00:52:03,910 --> 00:52:02,240
what happened is i didn't expect to get

1458
00:52:06,069 --> 00:52:03,920
my name at all because normally they

1459
00:52:07,829 --> 00:52:06,079
don't really pay attention to that

1460
00:52:10,150 --> 00:52:07,839
but what happened is a a man named

1461
00:52:12,710 --> 00:52:10,160
christian i think fenner was his name

1462
00:52:14,950 --> 00:52:12,720
might have the wrong name uh last name

1463
00:52:17,670 --> 00:52:14,960

i guess i was told that he's

1464

00:52:19,109 --> 00:52:17,680

at that time he was basically

1465

00:52:21,109 --> 00:52:19,119

one of his roles at the cult was to

1466

00:52:23,589 --> 00:52:21,119

monitor what i do

1467

00:52:25,510 --> 00:52:23,599

and what happened is he recognized me

1468

00:52:26,950 --> 00:52:25,520

and he said that's kalkoff and here i am

1469

00:52:28,309 --> 00:52:26,960

in the minor cult

1470

00:52:30,790 --> 00:52:28,319

the second time

1471

00:52:32,950 --> 00:52:30,800

and i'm posing as uh

1472

00:52:35,349 --> 00:52:32,960

i made up a name they asked me my name

1473

00:52:37,430 --> 00:52:35,359

and i said my name is oscar

1474

00:52:40,390 --> 00:52:37,440

they said oscar white

1475

00:52:43,270 --> 00:52:40,400

and i said oscar meyer

1476
00:52:44,230 --> 00:52:43,280
and they're like oh your last name is

1477
00:52:46,390 --> 00:52:44,240
meyer

1478
00:52:48,470 --> 00:52:46,400
and they their face lit up you know like

1479
00:52:49,750 --> 00:52:48,480
billy meyer i said no my middle name's

1480
00:52:51,190 --> 00:52:49,760
meyer

1481
00:52:52,790 --> 00:52:51,200
and they said what's your last name and

1482
00:52:57,670 --> 00:52:52,800
i said wiener

1483
00:52:58,710 --> 00:52:57,680
you know and i speak german so i said

1484
00:53:02,069 --> 00:52:58,720
uh

1485
00:53:04,309 --> 00:53:02,079
you know oscar maya veena

1486
00:53:06,710 --> 00:53:04,319
and there and they just kept focusing on

1487
00:53:08,549 --> 00:53:06,720
the middle name meyer and i explained to

1488
00:53:11,030 --> 00:53:08,559

him it was spelt differently it wasn't

1489

00:53:12,549 --> 00:53:11,040

m-e-i-r's m-e-y-e-r

1490

00:53:14,309 --> 00:53:12,559

and they had no idea that i was

1491

00:53:15,510 --> 00:53:14,319

referring to the hot dog of course in

1492

00:53:17,990 --> 00:53:15,520

america

1493

00:53:19,910 --> 00:53:18,000

and i i did that because i had to have

1494

00:53:22,230 --> 00:53:19,920

some sanity in the middle of this i'm

1495

00:53:24,230 --> 00:53:22,240

now busted in this cult

1496

00:53:26,150 --> 00:53:24,240

and i remember years ago them telling me

1497

00:53:28,309 --> 00:53:26,160

you know that if i asked him i said what

1498

00:53:29,349 --> 00:53:28,319

would you do if someone kalkorf ever

1499

00:53:30,790 --> 00:53:29,359

came here

1500

00:53:33,430 --> 00:53:30,800

and they told me they would either never

1501

00:53:35,990 --> 00:53:33,440

let me in or never let me leave

1502

00:53:37,430 --> 00:53:36,000

and uh whether they mean it literally or

1503

00:53:40,470 --> 00:53:37,440

not you'd have to ask the morons who

1504

00:53:42,230 --> 00:53:40,480

said that but here i am now busted and i

1505

00:53:45,190 --> 00:53:42,240

gotta find a way to get out of there

1506

00:53:47,270 --> 00:53:45,200

because they asked me to go get my id

1507

00:53:48,710 --> 00:53:47,280

because i of course didn't have it on me

1508

00:53:51,750 --> 00:53:48,720

and there's two other people with me

1509

00:53:54,230 --> 00:53:51,760

undercover at this point in the cult

1510

00:53:56,710 --> 00:53:54,240

and we were posing as three americans

1511

00:53:58,470 --> 00:53:56,720

who happen to meet uh

1512

00:54:00,710 --> 00:53:58,480

the other two people who were with me

1513

00:54:02,470 --> 00:54:00,720

one was a woman one was a man

1514

00:54:04,710 --> 00:54:02,480

they were posing as a husband and wife

1515

00:54:07,990 --> 00:54:04,720

they were part of my undercover team

1516

00:54:09,670 --> 00:54:08,000

and we had prepared a plan b a c and a d

1517

00:54:10,710 --> 00:54:09,680

to escape out of there if something went

1518

00:54:13,030 --> 00:54:10,720

wrong

1519

00:54:15,670 --> 00:54:13,040

and what we were trying to do we already

1520

00:54:17,670 --> 00:54:15,680

had the photo of the trash can

1521

00:54:19,589 --> 00:54:17,680

what we were trying to do with my hidden

1522

00:54:22,069 --> 00:54:19,599

cameras and some of the footage aired in

1523

00:54:23,510 --> 00:54:22,079

the fox special it was the first time a

1524

00:54:25,430 --> 00:54:23,520

a digital high eight camera had been

1525

00:54:28,630 --> 00:54:25,440

used for a fox special

1526

00:54:29,910 --> 00:54:28,640

um we're trying to find that trash can

1527

00:54:33,349 --> 00:54:29,920

on a

1528

00:54:35,190 --> 00:54:33,359

compound

1529

00:54:40,470 --> 00:54:35,200

uh snaking around

1530

00:54:42,309 --> 00:54:40,480

and uh we couldn't find it uh the reason

1531

00:54:43,670 --> 00:54:42,319

we were looking for it is because when

1532

00:54:46,789 --> 00:54:43,680

they said

1533

00:54:48,390 --> 00:54:46,799

that this was inspired by the aliens so

1534

00:54:49,990 --> 00:54:48,400

it's okay to have it out here in the

1535

00:54:51,990 --> 00:54:50,000

open but there's no connection it

1536

00:54:53,430 --> 00:54:52,000

doesn't prove the photos were faked with

1537

00:54:55,349 --> 00:54:53,440

the trashcan

1538

00:54:58,230 --> 00:54:55,359

you know this [h__h] they make up and

1539

00:54:59,750 --> 00:54:58,240

and it makes you think they make it up

1540

00:55:01,190 --> 00:54:59,760

with the idea that if someone's stupid

1541

00:55:03,510 --> 00:55:01,200

enough to believe it

1542

00:55:05,589 --> 00:55:03,520

keep building them for more money

1543

00:55:06,950 --> 00:55:05,599

if they aren't dumb enough to believe it

1544

00:55:08,390 --> 00:55:06,960

then we don't care there's always

1545

00:55:09,349 --> 00:55:08,400

someone who will be dumb enough to

1546

00:55:10,950 --> 00:55:09,359

believe it

1547

00:55:14,549 --> 00:55:10,960

so what happened is i was looking for

1548

00:55:16,150 --> 00:55:14,559

the trash can wandering around by myself

1549

00:55:17,910 --> 00:55:16,160

pretending i

1550

00:55:20,630 --> 00:55:17,920

i'm just walking around i know where i'm

1551

00:55:22,950 --> 00:55:20,640

going and familiar with the place

1552

00:55:24,309 --> 00:55:22,960

and i'm just about to walk into billy

1553

00:55:25,829 --> 00:55:24,319

myers house

1554

00:55:27,910 --> 00:55:25,839

when they stop me

1555

00:55:30,150 --> 00:55:27,920

and that's when

1556

00:55:31,990 --> 00:55:30,160

i pretended not to know where i was

1557

00:55:33,589 --> 00:55:32,000

supposed to go and everything then they

1558

00:55:34,789 --> 00:55:33,599

guided me back to the area where the

1559

00:55:37,109 --> 00:55:34,799

visitors are

1560

00:55:39,030 --> 00:55:37,119

made me sign and my signature's

1561

00:55:40,150 --> 00:55:39,040

illegible anyway so i signed my normal

1562

00:55:42,710 --> 00:55:40,160

signature

1563

00:55:44,789 --> 00:55:42,720

and then um when

1564

00:55:46,789 --> 00:55:44,799

christian said

1565

00:55:48,789 --> 00:55:46,799

i think that's kalkorf

1566

00:55:51,109 --> 00:55:48,799

that's when they asked me to get my id

1567

00:55:52,950 --> 00:55:51,119

and at this point um a lady sits down

1568

00:55:54,549 --> 00:55:52,960

next to me and believe it or not her

1569

00:55:56,309 --> 00:55:54,559

name was brune hilda

1570

00:55:58,390 --> 00:55:56,319

and i'm not making it up but it reminds

1571

00:56:00,829 --> 00:55:58,400

me of a fairy tale

1572

00:56:04,390 --> 00:56:00,839

and i had sat next to her years ago

1573

00:56:06,230 --> 00:56:04,400

undercover and she looks at me and

1574

00:56:07,510 --> 00:56:06,240

i'm looking at her and i'm thinking boy

1575

00:56:09,990 --> 00:56:07,520

this is this is funny because you have

1576

00:56:11,030 --> 00:56:10,000

no idea who i am but i remember you

1577

00:56:17,030 --> 00:56:11,040

and

1578

00:56:17,910 --> 00:56:17,040

to say all three names again in case

1579

00:56:20,230 --> 00:56:17,920

somebody

1580

00:56:21,510 --> 00:56:20,240

knew what an oscar meyer weiner was

1581

00:56:23,190 --> 00:56:21,520

and

1582

00:56:24,069 --> 00:56:23,200

i said yeah go get my passport no

1583

00:56:25,750 --> 00:56:24,079

problem

1584

00:56:27,589 --> 00:56:25,760

so i uh

1585

00:56:29,990 --> 00:56:27,599

left to go get my passport and these two

1586

00:56:31,670 --> 00:56:30,000

goons they start following me and i took

1587

00:56:35,030 --> 00:56:31,680

advantage of the fact that the road was

1588

00:56:36,870 --> 00:56:35,040

curved so that when i rounded a corner i

1589

00:56:37,750 --> 00:56:36,880

would run a little bit and then slow

1590

00:56:39,510 --> 00:56:37,760

down

1591

00:56:42,230 --> 00:56:39,520

so that by the time they got to that

1592

00:56:44,309 --> 00:56:42,240

corner i was much further ahead

1593

00:56:46,789 --> 00:56:44,319

and i had made a point to park the car

1594

00:56:48,789 --> 00:56:46,799

our so-called getaway car in a way where

1595

00:56:50,230 --> 00:56:48,799

i could easily get in there and leave so

1596

00:56:52,870 --> 00:56:50,240

i told him i have to go to my car get my

1597

00:56:53,750 --> 00:56:52,880

passport be right back so i went there

1598

00:56:55,829 --> 00:56:53,760

and

1599

00:56:57,990 --> 00:56:55,839

i'm in the car at this point

1600

00:56:59,430 --> 00:56:58,000

and i lean over pretending like i'm

1601
00:57:01,750 --> 00:56:59,440
going to get my glove compartment to get

1602
00:57:03,910 --> 00:57:01,760
my passport and i start the engine and

1603
00:57:07,190 --> 00:57:03,920
turn around and leave

1604
00:57:09,109 --> 00:57:07,200
now at this point uh they're gone and to

1605
00:57:10,710 --> 00:57:09,119
make sure nobody followed me i threw a

1606
00:57:13,109 --> 00:57:10,720
bunch of ninja spikes i'm not making

1607
00:57:14,789 --> 00:57:13,119
this up out the back window

1608
00:57:16,309 --> 00:57:14,799
this way they couldn't get in the car

1609
00:57:19,030 --> 00:57:16,319
and follow me on this

1610
00:57:20,309 --> 00:57:19,040
road which is narrow down the hill

1611
00:57:21,510 --> 00:57:20,319
because they're going to have a flat

1612
00:57:23,190 --> 00:57:21,520
tire

1613
00:57:25,109 --> 00:57:23,200

but now i have a problem in that two of

1614

00:57:27,109 --> 00:57:25,119

my people are there and they had

1615

00:57:29,829 --> 00:57:27,119

instructions on how to get out of there

1616

00:57:31,589 --> 00:57:29,839

gracefully if there was a problem

1617

00:57:33,349 --> 00:57:31,599

so what i'm about to share with you now

1618

00:57:34,950 --> 00:57:33,359

is what they told me happened because i

1619

00:57:37,109 --> 00:57:34,960

wasn't there i'm gone

1620

00:57:39,030 --> 00:57:37,119

i went to the rendezvous point which was

1621

00:57:41,750 --> 00:57:39,040

around a mountain bin

1622

00:57:43,510 --> 00:57:41,760

down a corner or down a hill

1623

00:57:46,230 --> 00:57:43,520

so that you couldn't see it from various

1624

00:57:48,549 --> 00:57:46,240

angles of the cult

1625

00:57:50,950 --> 00:57:48,559

and but you could see it if you had gone

1626
00:57:53,270 --> 00:57:50,960
a certain distance around

1627
00:57:55,630 --> 00:57:53,280
down past this uh the one and only

1628
00:57:57,910 --> 00:57:55,640
restaurant in that small town

1629
00:57:59,109 --> 00:57:57,920
industries like maybe eleven hundred

1630
00:58:00,710 --> 00:57:59,119
people

1631
00:58:02,710 --> 00:58:00,720
if you're rounded up

1632
00:58:04,710 --> 00:58:02,720
and uh so what happened is they said

1633
00:58:06,829 --> 00:58:04,720
that they came back the guys came back

1634
00:58:09,589 --> 00:58:06,839
running and said that is kalkorf he just

1635
00:58:11,030 --> 00:58:09,599
left and they wanted to know what to do

1636
00:58:12,870 --> 00:58:11,040
and um

1637
00:58:14,870 --> 00:58:12,880
they said something like find out what

1638
00:58:16,710 --> 00:58:14,880

he's doing whatever that means i don't

1639

00:58:17,990 --> 00:58:16,720

know how they're going to do that right

1640

00:58:20,950 --> 00:58:18,000

and then

1641

00:58:23,750 --> 00:58:20,960

my two people said uh is there a problem

1642

00:58:25,589 --> 00:58:23,760

and they said yes this guy came in and

1643

00:58:28,309 --> 00:58:25,599

they didn't really explain who i was but

1644

00:58:29,750 --> 00:58:28,319

they said i'm a troublemaker and he's

1645

00:58:32,069 --> 00:58:29,760

here doing something they don't know

1646

00:58:33,750 --> 00:58:32,079

what and they said well we'll just come

1647

00:58:35,510 --> 00:58:33,760

back tomorrow during the official visit

1648

00:58:36,710 --> 00:58:35,520

day

1649

00:58:39,190 --> 00:58:36,720

you know we don't want any problems they

1650

00:58:40,950 --> 00:58:39,200

said yeah please do so they left

1651
00:58:43,349 --> 00:58:40,960
and then uh they went to the rendezvous

1652
00:58:44,789 --> 00:58:43,359
point and uh we all got in the car and

1653
00:58:46,150 --> 00:58:44,799
we left

1654
00:58:47,270 --> 00:58:46,160
and then um

1655
00:58:49,030 --> 00:58:47,280
we uh

1656
00:58:51,349 --> 00:58:49,040
went to innsbruck austria because we

1657
00:58:52,789 --> 00:58:51,359
were done at that point

1658
00:58:55,510 --> 00:58:52,799
and uh oh

1659
00:58:58,870 --> 00:58:55,520
well at least with the uh meyer cult and

1660
00:59:00,710 --> 00:58:58,880
then the next thing was to um

1661
00:59:02,870 --> 00:59:00,720
visit meyer's wife

1662
00:59:05,430 --> 00:59:02,880
and we decided we would visit

1663
00:59:07,430 --> 00:59:05,440

the cult first then meyer's wife because

1664

00:59:09,270 --> 00:59:07,440

if meyer's wife and i didn't hit it off

1665

00:59:10,950 --> 00:59:09,280

i didn't want her alerting billy meyer

1666

00:59:13,270 --> 00:59:10,960

that i was in town

1667

00:59:15,829 --> 00:59:13,280

so what happened is um we worked with a

1668

00:59:17,910 --> 00:59:15,839

friend of mine named luke borderline

1669

00:59:21,030 --> 00:59:17,920

wonderful researcher

1670

00:59:21,910 --> 00:59:21,040

very incredible guy and he knew calliope

1671

00:59:24,069 --> 00:59:21,920

meyer

1672

00:59:27,030 --> 00:59:24,079

and he told her i'm not

1673

00:59:28,710 --> 00:59:27,040

a bad guy and he said i want to i want

1674

00:59:30,829 --> 00:59:28,720

to come over and meet you

1675

00:59:32,630 --> 00:59:30,839

and he didn't tell her that he brought

1676

00:59:33,910 --> 00:59:32,640

us so

1677

00:59:36,309 --> 00:59:33,920

um

1678

00:59:37,829 --> 00:59:36,319

the three of us met calliope meyer at

1679

00:59:40,150 --> 00:59:37,839

her house

1680

00:59:42,390 --> 00:59:40,160

and uh with us was a

1681

00:59:44,630 --> 00:59:42,400

a pickup crew from germany we brought in

1682

00:59:47,030 --> 00:59:44,640

to film it in addition to the cameras

1683

00:59:48,950 --> 00:59:47,040

and my camera and there's some footage

1684

00:59:51,430 --> 00:59:48,960

of this has leaked on the internet

1685

00:59:53,670 --> 00:59:51,440

and at this point we had the videotape

1686

00:59:56,309 --> 00:59:53,680

of the dean martin girls who we were

1687

01:00:00,390 --> 00:59:56,319

told were pleiadians and and plearans

1688

01:00:01,750 --> 01:00:00,400

and uh asking it in near uh these alien

1689

01:00:03,829 --> 01:00:01,760

women they were really dancers from the

1690

01:00:05,589 --> 01:00:03,839

dean martin variety show and we had the

1691

01:00:07,430 --> 01:00:05,599

tape to prove it

1692

01:00:08,789 --> 01:00:07,440

so

1693

01:00:10,950 --> 01:00:08,799

i met

1694

01:00:11,910 --> 01:00:10,960

cali opie meyer she was very cautious at

1695

01:00:13,750 --> 01:00:11,920

first

1696

01:00:16,230 --> 01:00:13,760

and she said she heard the most horrible

1697

01:00:17,030 --> 01:00:16,240

things about me from billy meyer

1698

01:00:21,750 --> 01:00:17,040

and

1699

01:00:22,870 --> 01:00:21,760

that i was like out to destroy her

1700

01:00:25,829 --> 01:00:22,880

husband

1701

01:00:27,910 --> 01:00:25,839

ci disinfo mib guy type

1702

01:00:29,990 --> 01:00:27,920

mib type guy all kinds of stuff that's

1703

01:00:32,309 --> 01:00:30,000

not true

1704

01:00:34,710 --> 01:00:32,319

and i said well you know we're here to

1705

01:00:36,710 --> 01:00:34,720

expose the truth and and

1706

01:00:39,990 --> 01:00:36,720

let me show you this tape

1707

01:00:42,630 --> 01:00:40,000

so she always thought that billy meyer

1708

01:00:44,789 --> 01:00:42,640

at least had some true experiences

1709

01:00:46,069 --> 01:00:44,799

he really lied to her to that level

1710

01:00:49,030 --> 01:00:46,079

imagine

1711

01:00:51,990 --> 01:00:49,040

you fake ufo contacts

1712

01:00:53,670 --> 01:00:52,000

and you use a ufo hoax to write your own

1713

01:00:56,230 --> 01:00:53,680

religion basically and these messages

1714

01:00:57,270 --> 01:00:56,240
are really your spiritual [h__h] but

1715

01:00:59,510 --> 01:00:57,280
because

1716

01:01:01,190 --> 01:00:59,520
you want to fool people and say

1717

01:01:03,430 --> 01:01:01,200
these are from space people instead of

1718

01:01:05,430 --> 01:01:03,440
i'm just a swiss farmer with an opinion

1719

01:01:07,430 --> 01:01:05,440
follow me give me money

1720

01:01:09,510 --> 01:01:07,440
you fake all this stuff

1721

01:01:13,589 --> 01:01:09,520
she saw the tape

1722

01:01:16,309 --> 01:01:13,599
and she was shocked she was oh man

1723

01:01:17,270 --> 01:01:16,319
it was like

1724

01:01:19,750 --> 01:01:17,280
she was

1725

01:01:21,109 --> 01:01:19,760
heartbroken because she realized at that

1726

01:01:23,109 --> 01:01:21,119

point

1727

01:01:24,789 --> 01:01:23,119

and that's what she said on the fox

1728

01:01:26,950 --> 01:01:24,799

special when she holds up my book and

1729

01:01:29,510 --> 01:01:26,960

says this is the truth

1730

01:01:30,950 --> 01:01:29,520

uh that her husband had lied to her to

1731

01:01:33,430 --> 01:01:30,960

that degree

1732

01:01:35,270 --> 01:01:33,440

to the point where he's filming [h__h] off

1733

01:01:37,670 --> 01:01:35,280

tv

1734

01:01:39,349 --> 01:01:37,680

telling his wife these are aliens

1735

01:01:41,190 --> 01:01:39,359

selling it to the public

1736

01:01:42,630 --> 01:01:41,200

but your own wife

1737

01:01:43,990 --> 01:01:42,640

if the public is stupid enough to

1738

01:01:45,030 --> 01:01:44,000

believe it

1739

01:01:48,789 --> 01:01:45,040

okay

1740

01:01:50,789 --> 01:01:48,799

mean but your own wife

1741

01:01:53,589 --> 01:01:50,799

the woman who has bore you three

1742

01:01:55,829 --> 01:01:53,599

children and you name them atlantis

1743

01:01:59,190 --> 01:01:55,839

socrates and methuselah

1744

01:02:01,430 --> 01:01:59,200

so gee who's running the roost there

1745

01:02:04,150 --> 01:02:01,440

it was really

1746

01:02:07,029 --> 01:02:04,160

eye-opening moment because i felt for

1747

01:02:09,510 --> 01:02:07,039

her she was clearly an abused woman

1748

01:02:11,750 --> 01:02:09,520

cheated on he's viewed as a god there

1749

01:02:12,950 --> 01:02:11,760

she talked about that

1750

01:02:15,430 --> 01:02:12,960

and

1751

01:02:17,430 --> 01:02:15,440

they'll do anything he asked them to uh

1752

01:02:20,789 --> 01:02:17,440

and that is scary

1753

01:02:23,270 --> 01:02:20,799

um so it was interesting seeing her

1754

01:02:24,150 --> 01:02:23,280

and she was not doing well because not

1755

01:02:25,829 --> 01:02:24,160

only

1756

01:02:28,069 --> 01:02:25,839

was her life over

1757

01:02:31,270 --> 01:02:28,079

but her daughter their one and only

1758

01:02:32,630 --> 01:02:31,280

daughter had been in an accident and was

1759

01:02:34,230 --> 01:02:32,640

brain damaged

1760

01:02:36,870 --> 01:02:34,240

and she was going to devote the rest of

1761

01:02:39,270 --> 01:02:36,880

her life to taking care of her daughter

1762

01:02:41,109 --> 01:02:39,280

or billy meyer could care less

1763

01:02:42,390 --> 01:02:41,119

wow that's terrible cal

1764

01:02:43,670 --> 01:02:42,400

you know we're going to have to take a

1765

01:02:45,829 --> 01:02:43,680

break right here for station

1766

01:02:53,109 --> 01:02:45,839

identification and a few words from our

1767

01:02:53,119 --> 01:02:59,700

this is

1768

01:02:59,710 --> 01:03:06,150

[Music]

1769

01:03:09,750 --> 01:03:07,589

we're back my friends and before the

1770

01:03:11,910 --> 01:03:09,760

break we were talking with kalkorf about

1771

01:03:14,069 --> 01:03:11,920

billy meyer's wife

1772

01:03:15,510 --> 01:03:14,079

let's get back to it

1773

01:03:17,430 --> 01:03:15,520

and it's got to be terrible for her to

1774

01:03:19,029 --> 01:03:17,440

have that illusion shattered if she

1775

01:03:20,950 --> 01:03:19,039

believed that at least

1776

01:03:22,710 --> 01:03:20,960

some of his contacts were real because

1777

01:03:24,150 --> 01:03:22,720

i've heard i've heard several people say

1778

01:03:25,990 --> 01:03:24,160

that they believe some of his contacts

1779

01:03:28,069 --> 01:03:26,000

were real but he needed more material so

1780

01:03:30,390 --> 01:03:28,079

he started faking stuff that's another

1781

01:03:32,309 --> 01:03:30,400

explanation some people give for the

1782

01:03:33,510 --> 01:03:32,319

stuff that could be easily proven fake

1783

01:03:38,150 --> 01:03:33,520

you know

1784

01:03:39,430 --> 01:03:38,160

have looked very hard at that issue

1785

01:03:41,510 --> 01:03:39,440

because uh

1786

01:03:43,270 --> 01:03:41,520

i think it's human nature to want to

1787

01:03:44,549 --> 01:03:43,280

find at least

1788

01:03:46,950 --> 01:03:44,559

one silver

1789

01:03:49,670 --> 01:03:46,960

lining somewhere but to be blunt

1790

01:03:52,069 --> 01:03:49,680

everything i have looked at shows no

1791

01:03:53,910 --> 01:03:52,079

evidence of that and

1792

01:03:56,230 --> 01:03:53,920

not even a sighting of an airplane that

1793

01:03:58,309 --> 01:03:56,240

he was mistaken on these so-called

1794

01:04:01,349 --> 01:03:58,319

contacts going back when he was five or

1795

01:04:02,870 --> 01:04:01,359

seven with spot that's all retro

1796

01:04:04,470 --> 01:04:02,880

revisionist stuff you know there's no

1797

01:04:06,549 --> 01:04:04,480

stuff at that time yeah he used to say

1798

01:04:08,230 --> 01:04:06,559

that he retconned that it's kind of a

1799

01:04:10,470 --> 01:04:08,240

comic book character where they changed

1800

01:04:11,990 --> 01:04:10,480

the you know now we're doing a movie so

1801

01:04:14,309 --> 01:04:12,000

we have to have more backstory let's

1802

01:04:15,990 --> 01:04:14,319

retcon this and there's there's two

1803

01:04:17,510 --> 01:04:16,000

questions that i'd still like to ask you

1804

01:04:20,069 --> 01:04:17,520

on the billy meyer case and maybe we can

1805

01:04:21,190 --> 01:04:20,079

move on to some other things

1806

01:04:22,789 --> 01:04:21,200

and that is

1807

01:04:24,870 --> 01:04:22,799

the first is that michael horn

1808

01:04:27,029 --> 01:04:24,880

constantly cites

1809

01:04:28,309 --> 01:04:27,039

these prophecies that billy meyer

1810

01:04:30,549 --> 01:04:28,319

apparently wrote and says that

1811

01:04:32,230 --> 01:04:30,559

copyrights prove that he wrote that

1812

01:04:34,309 --> 01:04:32,240

before but

1813

01:04:36,870 --> 01:04:34,319

when he was on my show we learned that

1814

01:04:41,190 --> 01:04:36,880

he has written the equivalent of five

1815

01:04:43,270 --> 01:04:41,200

bibles worth of predictions so my uh

1816

01:04:45,349 --> 01:04:43,280

my explanation for if he does get any

1817

01:04:47,109 --> 01:04:45,359

hits is just the same explanation that i

1818

01:04:48,950 --> 01:04:47,119

have for some of the edgar cayce stuff

1819

01:04:51,109 --> 01:04:48,960

is that the volume of if you write

1820

01:04:53,910 --> 01:04:51,119

enough predictions sure you're going to

1821

01:04:56,549 --> 01:04:53,920

get 20 or 30 hits and michael horn gave

1822

01:04:58,789 --> 01:04:56,559

us five or six of them that he says

1823

01:05:00,230 --> 01:04:58,799

these are because these were written and

1824

01:05:02,549 --> 01:05:00,240

copyrighted

1825

01:05:04,309 --> 01:05:02,559

but do you have any explanation for why

1826

01:05:05,750 --> 01:05:04,319

he does get a few hits on these

1827

01:05:07,670 --> 01:05:05,760

prophecies

1828

01:05:09,829 --> 01:05:07,680

yeah and you know i will tell you that

1829

01:05:11,990 --> 01:05:09,839

we addressed this uh

1830

01:05:14,069 --> 01:05:12,000

this was another thing that i documented

1831

01:05:16,870 --> 01:05:14,079

in the book because it happened uh

1832

01:05:18,470 --> 01:05:16,880

basically before i went the first time

1833

01:05:20,829 --> 01:05:18,480

undercover with tina layton to

1834

01:05:25,029 --> 01:05:20,839

switzerland in uh

1835

01:05:27,510 --> 01:05:25,039

1991 um i was briefed very thoroughly by

1836

01:05:29,109 --> 01:05:27,520

a man named stan sweihart who of course

1837

01:05:30,630 --> 01:05:29,119

is a swiss

1838

01:05:33,109 --> 01:05:30,640

and uh

1839

01:05:35,190 --> 01:05:33,119

because meyer didn't live in a area that

1840

01:05:40,309 --> 01:05:35,200

was easily accessible and he had to go

1841

01:05:44,470 --> 01:05:42,309

i had very detailed information about

1842

01:05:47,270 --> 01:05:44,480

the area and i also wanted to visit many

1843

01:05:48,950 --> 01:05:47,280

of the locations of course

1844

01:05:51,589 --> 01:05:48,960

so having this

1845

01:05:53,029 --> 01:05:51,599

kind of detailed commando type plan

1846

01:05:55,670 --> 01:05:53,039

thoroughly familiar with the area with

1847

01:05:58,390 --> 01:05:55,680

these detailed maps

1848

01:06:00,789 --> 01:05:58,400

unfortunately on none of them was

1849

01:06:03,190 --> 01:06:00,799

hintish maduroti and that's where mayer

1850

01:06:04,390 --> 01:06:03,200

lived there was maduroti but not hindus

1851

01:06:06,230 --> 01:06:04,400

maduroti

1852

01:06:08,549 --> 01:06:06,240

they didn't go down to one fifteen

1853

01:06:10,710 --> 01:06:08,559

hundredth uh

1854

01:06:13,109 --> 01:06:10,720

elevation scale or something just a hair

1855

01:06:16,470 --> 01:06:13,119

above it and the way this flips through

1856

01:06:19,029 --> 01:06:16,480

their maps is you can have a town called

1857

01:06:21,430 --> 01:06:19,039

and hinta means behind like the backside

1858

01:06:24,549 --> 01:06:21,440

of the mountain there's

1859

01:06:26,789 --> 01:06:24,559

an uber that means above or below until

1860

01:06:28,069 --> 01:06:26,799

above or below the tree you know

1861

01:06:29,029 --> 01:06:28,079

so uh

1862

01:06:30,789 --> 01:06:29,039

hindus

1863

01:06:32,950 --> 01:06:30,799

means that meyer lives on the ass side

1864

01:06:34,549 --> 01:06:32,960

or the back side of schmidt

1865

01:06:36,470 --> 01:06:34,559

so a lot of maps aren't going to bother

1866

01:06:39,109 --> 01:06:36,480

putting hinta in there

1867

01:06:41,349 --> 01:06:39,119

so realizing that i need

1868

01:06:44,069 --> 01:06:41,359

that kind of granular detail here i am

1869

01:06:46,630 --> 01:06:44,079

in vetsacon i'm with tina layton and i

1870

01:06:49,190 --> 01:06:46,640

said you know we need a local map that

1871

01:06:50,230 --> 01:06:49,200

maybe we'll have down to 100 meters

1872

01:06:51,910 --> 01:06:50,240

maybe

1873

01:06:55,270 --> 01:06:51,920

so we go into this bookstore called

1874

01:06:56,710 --> 01:06:55,280

schnarviler which was the only bookstore

1875

01:06:58,230 --> 01:06:56,720

in the town

1876

01:07:01,270 --> 01:06:58,240

and um

1877

01:07:03,990 --> 01:07:01,280

i said to the clerk i i s who i think

1878

01:07:06,870 --> 01:07:04,000

her name was elsie schroeder as i recall

1879

01:07:08,710 --> 01:07:06,880

i said uh you know i'm looking for uh

1880

01:07:10,950 --> 01:07:08,720

hint of schmidt i'm looking for a map

1881

01:07:13,510 --> 01:07:10,960

that shows me instruments

1882

01:07:15,990 --> 01:07:13,520

where can i get one and she says oh you

1883

01:07:18,150 --> 01:07:16,000

must be here to see mr meyer

1884

01:07:20,470 --> 01:07:18,160

i said well yeah i am actually and i'm

1885

01:07:22,789 --> 01:07:20,480

thinking wow what are the odds

1886

01:07:24,870 --> 01:07:22,799

i said i said yes i am i said i'm a big

1887

01:07:27,270 --> 01:07:24,880

fan of his in fact

1888

01:07:29,430 --> 01:07:27,280

i want to i want to buy all the books he

1889

01:07:31,829 --> 01:07:29,440

buys here she says yes he's our big

1890

01:07:33,190 --> 01:07:31,839

customer he has an account here at her

1891

01:07:35,270 --> 01:07:33,200

store

1892

01:07:36,870 --> 01:07:35,280

wow that's interesting i'm thinking to

1893

01:07:38,870 --> 01:07:36,880

myself because

1894

01:07:41,430 --> 01:07:38,880

do you have an account at a bookstore do

1895

01:07:43,589 --> 01:07:41,440

you know anybody who does no

1896

01:07:46,069 --> 01:07:43,599

no but here's the leader

1897

01:07:48,710 --> 01:07:46,079

yeah amazon account that's about it you

1898

01:07:50,549 --> 01:07:48,720

know okay but you know this is a

1899

01:07:51,510 --> 01:07:50,559

bookstore sells books and maps old

1900

01:07:52,870 --> 01:07:51,520

school

1901

01:07:53,589 --> 01:07:52,880

i don't even know if it's still around

1902

01:07:55,430 --> 01:07:53,599

there

1903

01:07:57,589 --> 01:07:55,440

uh and um

1904

01:08:00,309 --> 01:07:57,599

he has an account there

1905

01:08:03,029 --> 01:08:00,319

i said okay i said well um

1906

01:08:05,190 --> 01:08:03,039

uh interesting i said uh she says yes

1907

01:08:07,109 --> 01:08:05,200

and she loved talking about him she says

1908

01:08:09,430 --> 01:08:07,119

i said how do you know how did you know

1909

01:08:11,510 --> 01:08:09,440

i wanted to see mr meyer and she says

1910

01:08:13,029 --> 01:08:11,520

because only people who want to go to

1911

01:08:15,829 --> 01:08:13,039

hindi schmidt

1912

01:08:18,070 --> 01:08:15,839

are here to see mr meyer and she

1913

01:08:20,070 --> 01:08:18,080

explained why where he lives all that

1914

01:08:22,789 --> 01:08:20,080

she's very familiar with them she said

1915

01:08:25,110 --> 01:08:22,799

that he and his followers would come

1916

01:08:27,030 --> 01:08:25,120

down every four to six weeks and buy all

1917

01:08:29,269 --> 01:08:27,040

kinds of books and that's why they had

1918

01:08:31,110 --> 01:08:29,279

an account and i said well can you show

1919

01:08:33,030 --> 01:08:31,120

me the books that they buy

1920

01:08:35,749 --> 01:08:33,040

because i want to i want to be just like

1921

01:08:38,390 --> 01:08:35,759

billy i'm such a fanboy

1922

01:08:40,229 --> 01:08:38,400

i want to buy his stuff you know

1923

01:08:43,269 --> 01:08:40,239

so she takes me around and she shows me

1924

01:08:45,990 --> 01:08:43,279

these books on astronomy

1925

01:08:48,070 --> 01:08:46,000

outer space exploration history

1926

01:08:51,349 --> 01:08:48,080

and i'm like oh man this is golden i

1927

01:08:54,550 --> 01:08:51,359

said this woman has no idea that she is

1928

01:08:57,030 --> 01:08:54,560

mapping his contact subjects here for me

1929

01:08:57,990 --> 01:08:57,040

and uh that's where he gets a lot of his

1930

01:08:59,590 --> 01:08:58,000

stuff

1931

01:09:02,229 --> 01:08:59,600

and

1932

01:09:03,910 --> 01:09:02,239

i say that you have to ignore the

1933

01:09:05,110 --> 01:09:03,920

prophecy stuff because

1934

01:09:06,870 --> 01:09:05,120

they've shifted the goalposts they'd

1935

01:09:09,030 --> 01:09:06,880

never used to talk about prophecies

1936

01:09:10,709 --> 01:09:09,040

until the photos started to fall apart

1937

01:09:12,709 --> 01:09:10,719

but the meyer people will tell you and i

1938

01:09:14,630 --> 01:09:12,719

quoted them in the book they told steve

1939

01:09:16,870 --> 01:09:14,640

thomas meaning me

1940

01:09:18,870 --> 01:09:16,880

that the photos are not important that

1941

01:09:21,349 --> 01:09:18,880

they're just props to get people to talk

1942

01:09:23,030 --> 01:09:21,359

about the messages from the pleiadians

1943

01:09:24,950 --> 01:09:23,040

that's the important stuff and that's

1944

01:09:27,510 --> 01:09:24,960

why this is a cult because these

1945

01:09:29,110 --> 01:09:27,520

messages aren't from any aliens or from

1946

01:09:31,269 --> 01:09:29,120

billy meyer's ego

1947

01:09:33,910 --> 01:09:31,279

and that's where they're from

1948

01:09:35,669 --> 01:09:33,920

yeah and i guess the the last question

1949

01:09:37,669 --> 01:09:35,679

or really something that i would like

1950

01:09:40,229 --> 01:09:37,679

for you to explain to my audience is

1951

01:09:41,749 --> 01:09:40,239

this this science fiction

1952

01:09:43,990 --> 01:09:41,759

space sound

1953

01:09:46,950 --> 01:09:44,000

because uh besides computers you know i

1954

01:09:49,269 --> 01:09:46,960

grew up being a musician

1955

01:09:51,110 --> 01:09:49,279

i took piano lessons but later i moved

1956

01:09:53,510 --> 01:09:51,120

to synthesizers much more interesting

1957

01:09:55,990 --> 01:09:53,520

and to me that sound that they always

1958

01:09:59,189 --> 01:09:56,000

say can't be identified it just sounds

1959

01:10:01,669 --> 01:09:59,199

like an early analog synthesizer to me

1960

01:10:03,830 --> 01:10:01,679

can you explain to us where you think

1961

01:10:06,950 --> 01:10:03,840

that sound came from

1962

01:10:08,630 --> 01:10:06,960

yes and um i didn't find it uh phil

1963

01:10:11,590 --> 01:10:08,640

langdon didn't it was a complete

1964

01:10:12,630 --> 01:10:11,600

accidental discovery and it's amazing

1965

01:10:15,189 --> 01:10:12,640

um

1966

01:10:17,830 --> 01:10:15,199

do you remember the sequence where the

1967

01:10:19,910 --> 01:10:17,840

object is is it's from a movie he took

1968

01:10:21,750 --> 01:10:19,920

where the object is flying over the pine

1969

01:10:23,750 --> 01:10:21,760

tree and the house is in the background

1970

01:10:26,709 --> 01:10:23,760

and it's brushing the top of the pine

1971

01:10:27,830 --> 01:10:26,719

tree and and the top of the pine tree is

1972

01:10:31,189 --> 01:10:27,840

moving because it's supposedly a

1973

01:10:33,830 --> 01:10:31,199

backwash from the object okay well not

1974

01:10:35,430 --> 01:10:33,840

only is the tree not there again and the

1975

01:10:37,270 --> 01:10:35,440

family who owned the house in the

1976

01:10:38,950 --> 01:10:37,280

background said again there's never been

1977

01:10:40,070 --> 01:10:38,960

a tree there so this is a second

1978

01:10:41,110 --> 01:10:40,080

instance

1979

01:10:42,149 --> 01:10:41,120

but

1980

01:10:45,910 --> 01:10:42,159

um

1981

01:10:47,110 --> 01:10:45,920

it turns out that the fishing line

1982

01:10:48,950 --> 01:10:47,120

that was

1983

01:10:50,870 --> 01:10:48,960

uh when we when phil langdon was

1984

01:10:53,030 --> 01:10:50,880

recreating that sequence and and i can

1985

01:10:55,030 --> 01:10:53,040

send it to you uh for your show it's

1986

01:10:56,550 --> 01:10:55,040

identical you see him standing there

1987

01:10:58,470 --> 01:10:56,560

next to the potted tree then he walks

1988

01:10:59,830 --> 01:10:58,480

out of frame and you see it's identical

1989

01:11:02,310 --> 01:10:59,840

to meyers at that image that he's

1990

01:11:04,950 --> 01:11:02,320

pulling on the fishing line

1991

01:11:07,030 --> 01:11:04,960

well that fishing line when it comes up

1992

01:11:10,390 --> 01:11:07,040

against the microphone

1993

01:11:12,630 --> 01:11:10,400

on the video camera makes this

1994

01:11:15,910 --> 01:11:12,640

synthesizer type noise it's the wind

1995

01:11:18,870 --> 01:11:15,920

coiling up in the strings

1996

01:11:22,310 --> 01:11:18,880

and it makes this noise and it and we it

1997

01:11:24,870 --> 01:11:22,320

was an accidental discovery this noise

1998

01:11:27,350 --> 01:11:24,880

um because it brushed against the

1999

01:11:29,830 --> 01:11:27,360

microphone of the camera

2000

01:11:30,630 --> 01:11:29,840

uh is the one that um

2001

01:11:32,470 --> 01:11:30,640

uh

2002

01:11:34,470 --> 01:11:32,480

this fishing line creates this noise

2003

01:11:37,430 --> 01:11:34,480

when it's coiled up and in the wind it's

2004

01:11:38,709 --> 01:11:37,440

identical it was eerie and it was an

2005

01:11:40,550 --> 01:11:38,719

accidental discovery because it was

2006

01:11:42,470 --> 01:11:40,560

really windy that day in england when he

2007

01:11:44,229 --> 01:11:42,480

was filming that sequence

2008

01:11:45,110 --> 01:11:44,239

um i think he's wearing a jacket that

2009

01:11:46,709 --> 01:11:45,120

day

2010

01:11:49,110 --> 01:11:46,719

but i can send you this stuff it was an

2011

01:11:50,709 --> 01:11:49,120

accident

2012

01:11:52,630 --> 01:11:50,719

my point is when michael horn says that

2013

01:11:56,070 --> 01:11:52,640

nobody's ever been able to recreate the

2014

01:11:58,229 --> 01:11:56,080

sound or identify it that's not

2015

01:12:01,189 --> 01:11:58,239

that's not factually correct if somebody

2016

01:12:03,350 --> 01:12:01,199

has got one that's almost exact and uh

2017

01:12:05,830 --> 01:12:03,360

you know i can i can if you have if you

2018

01:12:07,430 --> 01:12:05,840

have like audio recording of yours i can

2019

01:12:09,270 --> 01:12:07,440

put them both in an audio editor and

2020

01:12:11,110 --> 01:12:09,280

look at the waveforms and see how close

2021

01:12:13,270 --> 01:12:11,120

it is or yeah

2022

01:12:15,350 --> 01:12:13,280

yeah it it it sounds the same i know

2023

01:12:17,189 --> 01:12:15,360

that when you start digitally profiling

2024

01:12:19,430 --> 01:12:17,199

it then you have a problem that uh the

2025

01:12:23,590 --> 01:12:19,440

digital source can induce artifacts and

2026

01:12:26,950 --> 01:12:25,669

enough to me i'm sure that it's the same

2027

01:12:29,189 --> 01:12:26,960

sound

2028

01:12:31,270 --> 01:12:29,199

yeah it actually when you think about it

2029

01:12:33,830 --> 01:12:31,280

you know have you ever taken a reel of a

2030

01:12:35,590 --> 01:12:33,840

fishing line as a kid and it it it

2031

01:12:37,669 --> 01:12:35,600

spools out of control and you end up

2032

01:12:38,550 --> 01:12:37,679

with a bunch of coil coming off of the

2033

01:12:41,750 --> 01:12:38,560

thing

2034

01:12:44,310 --> 01:12:41,760

well when you put that in the wind and

2035

01:12:46,310 --> 01:12:44,320

brush it near a microphone

2036

01:12:48,070 --> 01:12:46,320

that's the sound you get

2037

01:12:50,790 --> 01:12:48,080

and it makes sense

2038

01:12:53,590 --> 01:12:50,800

that meyer when he was pulling on this

2039

01:12:55,910 --> 01:12:53,600

probably accidentally you know

2040

01:12:57,750 --> 01:12:55,920

did this and like wow that sounds cool

2041

01:12:59,270 --> 01:12:57,760

now i'm not saying somebody may not have

2042

01:13:02,229 --> 01:12:59,280

played with the synthesizer later

2043

01:13:03,430 --> 01:13:02,239

because uh you you can't accept the

2044

01:13:05,350 --> 01:13:03,440

so-called

2045

01:13:08,310 --> 01:13:05,360

audio recording is evidence of anything

2046

01:13:10,310 --> 01:13:08,320

because without a control science cannot

2047

01:13:12,870 --> 01:13:10,320

be applied you have to go back to the

2048

01:13:14,470 --> 01:13:12,880

photos and this is what they keep now

2049

01:13:16,950 --> 01:13:14,480

trying to avoid

2050

01:13:18,950 --> 01:13:16,960

uh which is the photos they used to say

2051
01:13:21,350 --> 01:13:18,960
nobody could duplicate them if anybody

2052
01:13:23,030 --> 01:13:21,360
duplicates them we'll say it's a hoax

2053
01:13:24,550 --> 01:13:23,040
you know window used to say that well

2054
01:13:26,229 --> 01:13:24,560
then they started to get duplicated and

2055
01:13:28,310 --> 01:13:26,239
they said well just because you can

2056
01:13:30,390 --> 01:13:28,320
duplicate it doesn't improve it's a hoax

2057
01:13:32,310 --> 01:13:30,400
they keep moving the goal posts the

2058
01:13:34,709 --> 01:13:32,320
photos are a fraud there's no question

2059
01:13:35,990 --> 01:13:34,719
yeah and somewhere someone has even on

2060
01:13:38,070 --> 01:13:36,000
youtube

2061
01:13:40,790 --> 01:13:38,080
built the models hung them and

2062
01:13:42,550 --> 01:13:40,800
photographed them with an with one arm

2063
01:13:45,669 --> 01:13:42,560

tied behind his back

2064

01:13:47,590 --> 01:13:45,679

yeah phil langdon has done that uh

2065

01:13:49,030 --> 01:13:47,600

i wasn't with him it's amazing to watch

2066

01:13:51,030 --> 01:13:49,040

this stuff

2067

01:13:53,110 --> 01:13:51,040

yeah it is and um

2068

01:13:55,430 --> 01:13:53,120

michael has tried to discredit phil

2069

01:13:58,470 --> 01:13:55,440

langdon and he has not been able to do

2070

01:13:59,510 --> 01:13:58,480

it and so one of the projects i'm going

2071

01:14:02,070 --> 01:13:59,520

to do

2072

01:14:04,950 --> 01:14:02,080

sometime next year it's not number one

2073

01:14:07,189 --> 01:14:04,960

is i'm going to update the uh

2074

01:14:09,189 --> 01:14:07,199

spaceships of the pleiades book the new

2075

01:14:13,430 --> 01:14:09,199

title is going to be called fake ships

2076

01:14:15,430 --> 01:14:13,440

of the pleiades with fake in all caps

2077

01:14:17,910 --> 01:14:15,440

and the i can send you cover the book

2078

01:14:20,550 --> 01:14:17,920

it's already done and it shows our

2079

01:14:23,270 --> 01:14:20,560

recreation of these uh sunset photos

2080

01:14:25,430 --> 01:14:23,280

i'll send you a copy of the book and uh

2081

01:14:27,830 --> 01:14:25,440

because phil and i are friends i was

2082

01:14:30,070 --> 01:14:27,840

going to write it up and add his stuff

2083

01:14:31,910 --> 01:14:30,080

and send it to him and have him give

2084

01:14:34,470 --> 01:14:31,920

whatever inputs and then we can you know

2085

01:14:36,709 --> 01:14:34,480

release it but i wanted michael tried to

2086

01:14:38,470 --> 01:14:36,719

imply that he helped phil langdon try to

2087

01:14:40,310 --> 01:14:38,480

recreate the photos or something like

2088

01:14:41,830 --> 01:14:40,320

that which i found kind of odd why would

2089

01:14:43,669 --> 01:14:41,840

he want to help a guy who's trying to

2090

01:14:46,550 --> 01:14:43,679

debunk the

2091

01:14:48,310 --> 01:14:46,560

no what michael has done is he's put his

2092

01:14:51,189 --> 01:14:48,320

two cents worth but that doesn't mean

2093

01:14:55,990 --> 01:14:53,669

i have all of uh phil's photos he's

2094

01:14:57,830 --> 01:14:56,000

given me the use of them unconditionally

2095

01:15:00,070 --> 01:14:57,840

and the agreement i have with him is if

2096

01:15:01,830 --> 01:15:00,080

i ever do anything with them i'm gonna

2097

01:15:03,510 --> 01:15:01,840

split whatever with him because you know

2098

01:15:05,189 --> 01:15:03,520

i should he's he's been a buddy and a

2099

01:15:07,270 --> 01:15:05,199

partner you know and the motive isn't

2100

01:15:09,430 --> 01:15:07,280

money anyway if i wanted to make money

2101

01:15:10,790 --> 01:15:09,440

off this stuff i'd say it's all real

2102

01:15:12,870 --> 01:15:10,800

yeah

2103

01:15:14,470 --> 01:15:12,880

you know i i wanted to know if we could

2104

01:15:15,669 --> 01:15:14,480

get into some of your other books

2105

01:15:17,830 --> 01:15:15,679

because one of the other books that i

2106

01:15:21,430 --> 01:15:17,840

thought was amazing was the roswell ufo

2107

01:15:24,790 --> 01:15:21,440

crash what they don't want you to know

2108

01:15:27,189 --> 01:15:24,800

what is the bottom line that you got for

2109

01:15:28,790 --> 01:15:27,199

writing that book what is it that most

2110

01:15:31,110 --> 01:15:28,800

people what is it that they don't want

2111

01:15:33,830 --> 01:15:31,120

us to know about the roswell case that

2112

01:15:35,750 --> 01:15:33,840

that you talk about in the book

2113

01:15:37,750 --> 01:15:35,760

well i'm one of the four original

2114

01:15:40,470 --> 01:15:37,760

roswell researchers and this is

2115

01:15:42,550 --> 01:15:40,480

something that drives these uh

2116

01:15:44,550 --> 01:15:42,560

right-click wonders today nuts because

2117

01:15:46,390 --> 01:15:44,560

they can't take this out of the universe

2118

01:15:48,070 --> 01:15:46,400

they can only deny it

2119

01:15:49,669 --> 01:15:48,080

so again i'm one of the four original

2120

01:15:52,470 --> 01:15:49,679

researchers uh bill moore stanton

2121

01:15:55,750 --> 01:15:52,480

friedman being two of the other four

2122

01:15:58,149 --> 01:15:55,760

and we all know each other and um

2123

01:15:59,270 --> 01:15:58,159

stanton of course passed away earlier

2124

01:16:02,229 --> 01:15:59,280

this year

2125

01:16:04,870 --> 01:16:02,239

and what happened is um

2126
01:16:06,470 --> 01:16:04,880
when i was in high school there were two

2127
01:16:08,709 --> 01:16:06,480
major incidents that happened between

2128
01:16:11,590 --> 01:16:08,719
friedman and i one was the betty hill

2129
01:16:13,669 --> 01:16:11,600
case benny barney hill ufo case because

2130
01:16:15,430 --> 01:16:13,679
um in the current issue of the skeptical

2131
01:16:17,430 --> 01:16:15,440
inquirer which just came out in the

2132
01:16:20,229 --> 01:16:17,440
november december issue i have an

2133
01:16:22,550 --> 01:16:20,239
article called from cosmic watergate to

2134
01:16:23,590 --> 01:16:22,560
cosmic watermelon the stan friedman i

2135
01:16:25,270 --> 01:16:23,600
knew

2136
01:16:26,709 --> 01:16:25,280
and in this article it shows a

2137
01:16:30,070 --> 01:16:26,719
photograph from the san francisco

2138
01:16:31,590 --> 01:16:30,080

examiner newspaper of me shocked

2139

01:16:32,790 --> 01:16:31,600

you see the look on my face when i'm

2140

01:16:35,030 --> 01:16:32,800

looking at friedman because i can't

2141

01:16:37,830 --> 01:16:35,040

believe the [h__\h] i'm hearing

2142

01:16:40,149 --> 01:16:37,840

and what he's telling me in the media at

2143

01:16:41,669 --> 01:16:40,159

a press event that i arranged when i

2144

01:16:43,750 --> 01:16:41,679

invited him to lecture with me when i

2145

01:16:45,590 --> 01:16:43,760

was in high school i started lecturing

2146

01:16:47,510 --> 01:16:45,600

when i was just 13 years of age and

2147

01:16:49,910 --> 01:16:47,520

being in the media and all that stuff as

2148

01:16:51,669 --> 01:16:49,920

a so-called prodigy child and friedman

2149

01:16:54,390 --> 01:16:51,679

was a mentor of mine

2150

01:16:55,669 --> 01:16:54,400

and uh what happened is um

2151

01:16:57,669 --> 01:16:55,679

uh

2152

01:16:59,590 --> 01:16:57,679

he started saying that the space shuttle

2153

01:17:01,110 --> 01:16:59,600

was going up in space now and that would

2154

01:17:03,590 --> 01:17:01,120

bring down the aliens because we were

2155

01:17:05,189 --> 01:17:03,600

joining the galactic federation and

2156

01:17:07,430 --> 01:17:05,199

they would read us the rules of the

2157

01:17:09,270 --> 01:17:07,440

universe blah blah blah and this would

2158

01:17:11,270 --> 01:17:09,280

bring down the aliens because you know

2159

01:17:12,790 --> 01:17:11,280

we're regularly

2160

01:17:14,550 --> 01:17:12,800

you know uh

2161

01:17:16,470 --> 01:17:14,560

joining whatever he thought was going on

2162

01:17:17,910 --> 01:17:16,480

i'm like do you really think so you know

2163

01:17:19,270 --> 01:17:17,920

and that's the start of corpus the

2164

01:17:21,830 --> 01:17:19,280

article show

2165

01:17:23,750 --> 01:17:21,840

and then what happened is um in october

2166

01:17:25,430 --> 01:17:23,760

1976

2167

01:17:27,430 --> 01:17:25,440

official ufo magazine published an

2168

01:17:30,310 --> 01:17:27,440

article by bob schaefer

2169

01:17:32,229 --> 01:17:30,320

destroying the betty hill star map the

2170

01:17:33,750 --> 01:17:32,239

work of marjory fish

2171

01:17:35,510 --> 01:17:33,760

make a long story short the article

2172

01:17:37,910 --> 01:17:35,520

showed that another astronomer charles

2173

01:17:40,310 --> 01:17:37,920

atterberg had found a better map

2174

01:17:41,750 --> 01:17:40,320

a match for the hill star map

2175

01:17:44,550 --> 01:17:41,760

the fact that there was more than one

2176

01:17:45,669 --> 01:17:44,560

match meant the map was a rorschach now

2177

01:17:47,030 --> 01:17:45,679

in other words the one thing that

2178

01:17:48,870 --> 01:17:47,040

distinguished the hill case from all the

2179

01:17:51,510 --> 01:17:48,880

other abductions was a so-called alien

2180

01:17:53,990 --> 01:17:51,520

starmap that friedman always promoted

2181

01:17:56,149 --> 01:17:54,000

as their from zeta reticuli we know this

2182

01:17:58,870 --> 01:17:56,159

because of the work she did well it

2183

01:18:00,630 --> 01:17:58,880

turns out that's not true and modern

2184

01:18:03,270 --> 01:18:00,640

astronomical data from the hipparcos

2185

01:18:05,110 --> 01:18:03,280

satellite launched in the 90s which was

2186

01:18:06,390 --> 01:18:05,120

launched to measure the distances of

2187

01:18:08,790 --> 01:18:06,400

stars

2188

01:18:10,229 --> 01:18:08,800

totally destroyed the hill star map so

2189

01:18:13,030 --> 01:18:10,239

friedman knew

2190

01:18:15,669 --> 01:18:13,040

that the hill star map was not credible

2191

01:18:18,070 --> 01:18:15,679

he died lying to the public about it the

2192

01:18:20,229 --> 01:18:18,080

article is about that it exposes it it

2193

01:18:22,470 --> 01:18:20,239

proves it so this happened between

2194

01:18:25,590 --> 01:18:22,480

freeman and i when i was in high school

2195

01:18:27,590 --> 01:18:25,600

because when i found out from schaefer

2196

01:18:29,910 --> 01:18:27,600

that atterberg had done this i was

2197

01:18:31,430 --> 01:18:29,920

pissed off crushed because i believed in

2198

01:18:35,590 --> 01:18:31,440

the hill case i believed what freeman

2199

01:18:37,830 --> 01:18:35,600

said i uh i really was upset when i saw

2200

01:18:39,750 --> 01:18:37,840

the information

2201

01:18:41,830 --> 01:18:39,760

there's a there's more i think there's

2202

01:18:43,430 --> 01:18:41,840

more than just what you're citing as

2203

01:18:45,669 --> 01:18:43,440

proof oh yeah

2204

01:18:47,030 --> 01:18:45,679

star map is not accurate at all and i

2205

01:18:49,270 --> 01:18:47,040

had always thought

2206

01:18:51,590 --> 01:18:49,280

while there's actual scientific proof

2207

01:18:53,669 --> 01:18:51,600

here and data we can look at it and it

2208

01:18:55,910 --> 01:18:53,679

matches and how did this woman has no

2209

01:18:57,990 --> 01:18:55,920

astronomy knowledge get this star map

2210

01:19:00,390 --> 01:18:58,000

and you know and i was upset because it

2211

01:19:02,229 --> 01:19:00,400

was just that disappointment that you

2212

01:19:04,310 --> 01:19:02,239

get like you know and i've had the same

2213

01:19:06,470 --> 01:19:04,320

kind of thing with bob lazar and others

2214

01:19:09,189 --> 01:19:06,480

that i thought at first were real you

2215

01:19:10,950 --> 01:19:09,199

know same kind of disappointment and i

2216

01:19:13,350 --> 01:19:10,960

knew stanton uh

2217

01:19:15,110 --> 01:19:13,360

nowhere near as well as you but you know

2218

01:19:17,590 --> 01:19:15,120

towards the end of his life we used to

2219

01:19:19,510 --> 01:19:17,600

talk on the phone a lot and uh

2220

01:19:20,310 --> 01:19:19,520

i once pressed him on that stuff and he

2221

01:19:23,350 --> 01:19:20,320

said

2222

01:19:25,430 --> 01:19:23,360

uh well there's multiple interpretations

2223

01:19:27,830 --> 01:19:25,440

then of of what and we can agree to

2224

01:19:30,950 --> 01:19:27,840

disagree i believe that the that the

2225

01:19:33,110 --> 01:19:30,960

hill case is real and the star map shows

2226

01:19:35,030 --> 01:19:33,120

what i believe it shows and since he was

2227

01:19:37,110 --> 01:19:35,040

an you know since he's a nuclear

2228

01:19:39,270 --> 01:19:37,120

physicist and much more educated than me

2229

01:19:40,070 --> 01:19:39,280

i just kind of i didn't press him on it

2230

01:19:42,790 --> 01:19:40,080

you know

2231

01:19:44,870 --> 01:19:42,800

i wanted to remain friends and uh yeah

2232

01:19:47,430 --> 01:19:44,880

and have that sort of he was kind of

2233

01:19:49,030 --> 01:19:47,440

mentoring me as well you know

2234

01:19:51,910 --> 01:19:49,040

right when i started my show i started

2235

01:19:53,910 --> 01:19:51,920

talking to him and um you know

2236

01:19:56,310 --> 01:19:53,920

we were friends and and and then i was

2237

01:19:57,750 --> 01:19:56,320

respectful enough of him that i didn't

2238

01:19:59,430 --> 01:19:57,760

press him on it do you know what i mean

2239

01:20:00,390 --> 01:19:59,440

like i didn't want to yeah

2240

01:20:04,550 --> 01:20:00,400

you know

2241

01:20:06,229 --> 01:20:04,560

yeah i understand i uh when my uh so the

2242

01:20:07,990 --> 01:20:06,239

second thing that happened with us which

2243

01:20:09,350 --> 01:20:08,000

is a in line with what you're just

2244

01:20:11,350 --> 01:20:09,360

saying and i thank you for sharing that

2245

01:20:13,590 --> 01:20:11,360

because i think people need to know the

2246

01:20:14,790 --> 01:20:13,600

genesis of your involvement with him

2247

01:20:17,030 --> 01:20:14,800

and there's nothing wrong with that i

2248

01:20:19,910 --> 01:20:17,040

mean uh we remain friends as well but we

2249

01:20:21,910 --> 01:20:19,920

agreed to disagree but in my case i

2250

01:20:24,310 --> 01:20:21,920

could say in front of a judge and i've

2251

01:20:26,950 --> 01:20:24,320

got the files from the 70s still

2252

01:20:28,149 --> 01:20:26,960

i've published some images of them

2253

01:20:29,910 --> 01:20:28,159

in fact from the atterberg

2254

01:20:32,310 --> 01:20:29,920

correspondents because what i did was i

2255

01:20:34,950 --> 01:20:32,320

told stan i said schaefer both of you

2256

01:20:36,870 --> 01:20:34,960

can't be right one of you is wrong

2257

01:20:39,270 --> 01:20:36,880

i will be the guy in the middle to run

2258

01:20:40,470 --> 01:20:39,280

the trap and whatever the truth is we'll

2259

01:20:44,310 --> 01:20:40,480

deal with it

2260

01:20:47,510 --> 01:20:44,320

so i wrote atterberg every week for over

2261

01:20:50,149 --> 01:20:47,520

a year with the smith corona typewriter

2262

01:20:51,990 --> 01:20:50,159

those files have now been found after

2263

01:20:54,070 --> 01:20:52,000

all these years and they're carbon

2264

01:20:55,350 --> 01:20:54,080

copies of the letters originals

2265

01:20:57,669 --> 01:20:55,360

and um

2266

01:20:59,350 --> 01:20:57,679

i threw everything everything that

2267

01:21:02,470 --> 01:20:59,360

anybody had because i went to everybody

2268

01:21:04,229 --> 01:21:02,480

carl sagan friedman you name it schaefer

2269

01:21:06,550 --> 01:21:04,239

threw it all there was the guy in the

2270

01:21:09,430 --> 01:21:06,560

middle and i

2271

01:21:11,270 --> 01:21:09,440

got frustrated with friedman i said

2272

01:21:12,229 --> 01:21:11,280

don't tell me you're not an astronomer i

2273

01:21:14,709 --> 01:21:12,239

don't know

2274

01:21:16,709 --> 01:21:14,719

and then you promote the fish thing

2275

01:21:19,830 --> 01:21:16,719

he has nailed it and he's done it in a

2276

01:21:22,790 --> 01:21:19,840

way where anybody anybody can prove it

2277

01:21:24,470 --> 01:21:22,800

he's right he used more updated data and

2278

01:21:26,629 --> 01:21:24,480

it wasn't fish's fault the gliese star

2279

01:21:29,189 --> 01:21:26,639

catalog got updated every five years

2280

01:21:30,550 --> 01:21:29,199

back then now it's pretty much real time

2281

01:21:32,550 --> 01:21:30,560

from space

2282

01:21:34,149 --> 01:21:32,560

and then when the parkour satellite was

2283

01:21:35,830 --> 01:21:34,159

was uh matched

2284

01:21:37,590 --> 01:21:35,840

i think it was uh

2285

01:21:40,470 --> 01:21:37,600

16 of the 20

2286

01:21:43,350 --> 01:21:40,480

odd stars fell apart so it just isn't

2287

01:21:45,669 --> 01:21:43,360

true and he knew this so his claim

2288

01:21:47,590 --> 01:21:45,679

agreed to disagree whatever i'm sorry he

2289

01:21:49,030 --> 01:21:47,600

wasn't telling you the truth

2290

01:21:51,270 --> 01:21:49,040

now the second thing that happened was

2291

01:21:53,030 --> 01:21:51,280

much more serious and that led to the

2292

01:21:56,310 --> 01:21:53,040

roswell book

2293

01:21:59,669 --> 01:21:56,320

what happened is um in high school bill

2294

01:22:02,790 --> 01:21:59,679

moore comes to visit me we

2295

01:22:05,030 --> 01:22:02,800

interview uh before the press

2296

01:22:07,910 --> 01:22:05,040

bill moore brings out for the first time

2297

01:22:09,510 --> 01:22:07,920

for i'm seeing them the uncropped 8x10

2298

01:22:11,750 --> 01:22:09,520

images of the roswell debris

2299

01:22:12,950 --> 01:22:11,760

photographed in rainey's office and i've

2300

01:22:14,070 --> 01:22:12,960

seen them in the book but they were

2301

01:22:15,990 --> 01:22:14,080

cropped

2302

01:22:19,510 --> 01:22:16,000

and i noticed in the book that there was

2303

01:22:21,830 --> 01:22:19,520

some text on the memo in raymie's hand

2304

01:22:23,910 --> 01:22:21,840

and now i'm looking at the eight by tens

2305

01:22:26,870 --> 01:22:23,920

that are uncropped the best copies out

2306

01:22:28,550 --> 01:22:26,880

there that friedman has and more have

2307

01:22:30,709 --> 01:22:28,560

and i said bill can i have these photos

2308

01:22:32,870 --> 01:22:30,719

i said i think i can blow this up here

2309

01:22:34,790 --> 01:22:32,880

and read that memo okay

2310

01:22:36,790 --> 01:22:34,800

uh there's something there

2311

01:22:38,870 --> 01:22:36,800

and um that's why i laugh today when

2312

01:22:41,350 --> 01:22:38,880

people are looking at that memo today as

2313

01:22:43,750 --> 01:22:41,360

if it was an original discovery recent

2314

01:22:45,590 --> 01:22:43,760

you know it's [h__h] uh we we solved

2315

01:22:47,510 --> 01:22:45,600

that in the in the 80s

2316

01:22:49,910 --> 01:22:47,520

and so what happened is um i took it to

2317

01:22:51,669 --> 01:22:49,920

al reid i took the photos we put it on

2318

01:22:53,669 --> 01:22:51,679

the uh

2319

01:22:56,149 --> 01:22:53,679

stat camera blew it up

2320

01:22:58,390 --> 01:22:56,159

got it down to the grain of the photo

2321

01:23:00,390 --> 01:22:58,400

and we could tell that it was basically

2322

01:23:02,629 --> 01:23:00,400

a press dispatch

2323

01:23:06,390 --> 01:23:02,639

and it didn't it wasn't some secret

2324

01:23:09,830 --> 01:23:06,400

order to um you know cover this up

2325

01:23:11,590 --> 01:23:09,840

and i told stan i said stan

2326

01:23:12,870 --> 01:23:11,600

these are the original roswell photos

2327

01:23:15,110 --> 01:23:12,880

you have them

2328

01:23:18,550 --> 01:23:15,120

this is not the debris from a spaceship

2329

01:23:19,990 --> 01:23:18,560

this is a kite it's aluminum look

2330

01:23:22,310 --> 01:23:20,000

come on you're gonna tell me you

2331

01:23:24,310 --> 01:23:22,320

couldn't tear this or dent it with a 16

2332

01:23:26,390 --> 01:23:24,320

pound sledgehammer and here it is

2333

01:23:29,030 --> 01:23:26,400

crumpled dented broken

2334

01:23:31,270 --> 01:23:29,040

and this black stuff is a balloon that's

2335

01:23:33,430 --> 01:23:31,280

been in the sun for weeks hello

2336

01:23:35,430 --> 01:23:33,440

it's right there at his feet

2337

01:23:38,229 --> 01:23:35,440

and then friedman looks at me and you

2338

01:23:40,550 --> 01:23:38,239

know he wore those glasses right yeah

2339

01:23:43,350 --> 01:23:40,560

and his eyes got big and i could see

2340

01:23:45,510 --> 01:23:43,360

them big through the glasses

2341

01:23:46,830 --> 01:23:45,520

and he says there must have been a

2342

01:23:50,709 --> 01:23:46,840

debris

2343

01:23:53,110 --> 01:23:50,719

switch and i was like oh my god

2344

01:23:55,110 --> 01:23:53,120

oh my god this is this is this is the

2345

01:23:57,270 --> 01:23:55,120

father of roswell

2346

01:23:58,870 --> 01:23:57,280

and i'm crushed at this point i i'm a

2347

01:24:01,750 --> 01:23:58,880

kid i'm crushed

2348

01:24:03,590 --> 01:24:01,760

i'm like oh my god this is a photo the

2349

01:24:05,189 --> 01:24:03,600

uncropped stuff and you're telling me

2350

01:24:07,030 --> 01:24:05,199

they switched the debris because you

2351

01:24:09,990 --> 01:24:07,040

don't want to face the fact that there's

2352

01:24:12,629 --> 01:24:10,000

no spaceship debris here

2353

01:24:15,270 --> 01:24:12,639

right yeah so

2354

01:24:17,350 --> 01:24:15,280

roswell was solved at that point

2355

01:24:19,030 --> 01:24:17,360

and then do you stand

2356

01:24:20,790 --> 01:24:19,040

do you still believe that it was just a

2357

01:24:22,709 --> 01:24:20,800

weather balloon and what do you think of

2358

01:24:24,629 --> 01:24:22,719

those people that have blown up that

2359

01:24:27,350 --> 01:24:24,639

memo and gotten

2360

01:24:29,270 --> 01:24:27,360

part of the sentences that mentioned uh

2361

01:24:32,470 --> 01:24:29,280

you know bodies and debris and things

2362

01:24:34,550 --> 01:24:32,480

like that there's been a lot of image

2363

01:24:37,189 --> 01:24:34,560

there there has been but but you have to

2364

01:24:40,070 --> 01:24:37,199

back up for a couple of things um

2365

01:24:41,990 --> 01:24:40,080

so now uh years go by and roswell

2366

01:24:45,430 --> 01:24:42,000

because of unsolved mysteries

2367

01:24:47,270 --> 01:24:45,440

um gets a second life frank kaufman all

2368

01:24:48,950 --> 01:24:47,280

these people come out glenn dennis who

2369

01:24:50,629 --> 01:24:48,960

were never there before

2370

01:24:53,750 --> 01:24:50,639

uh they're not in the original roswell

2371

01:24:55,830 --> 01:24:53,760

incident book with by burlitz and warren

2372

01:24:56,709 --> 01:24:55,840

they came out after unsolved mysteries

2373

01:24:58,629 --> 01:24:56,719

aired

2374

01:25:00,310 --> 01:24:58,639

and that's what really surprised me

2375

01:25:02,229 --> 01:25:00,320

because having been involved in the

2376

01:25:03,990 --> 01:25:02,239

original investigation

2377

01:25:05,510 --> 01:25:04,000

we would have found some of these people

2378

01:25:08,070 --> 01:25:05,520

you couldn't miss a glen dennis if he

2379

01:25:09,510 --> 01:25:08,080

really had been involved from day one

2380

01:25:11,510 --> 01:25:09,520

so what because you know it's a small

2381

01:25:13,189 --> 01:25:11,520

town they all knew each other and fred

2382

01:25:15,110 --> 01:25:13,199

kaufman was the president of the roswell

2383

01:25:16,390 --> 01:25:15,120

chamber of commerce how freaking

2384

01:25:19,510 --> 01:25:16,400

convenient

2385

01:25:22,950 --> 01:25:19,520

so what happened was um

2386

01:25:24,149 --> 01:25:22,960

1995 is 1997's coming up and i talked to

2387

01:25:25,350 --> 01:25:24,159

prometheus

2388

01:25:27,189 --> 01:25:25,360

and i said what are you doing for the

2389

01:25:29,270 --> 01:25:27,199

50th anniversary of roswell because the

2390

01:25:31,110 --> 01:25:29,280

media's going to go nuts

2391

01:25:32,470 --> 01:25:31,120

they said we're not doing anything i

2392

01:25:36,070 --> 01:25:32,480

said why

2393

01:25:38,310 --> 01:25:36,080

i said you don't have a second 50th

2394

01:25:39,590 --> 01:25:38,320

and i appreciated the anniversary stuff

2395

01:25:41,510 --> 01:25:39,600

because i've been to larry king on the

2396

01:25:43,910 --> 01:25:41,520

30th anniversary kennedy's murder

2397

01:25:45,830 --> 01:25:43,920

solving that case and i appreciate the

2398

01:25:49,750 --> 01:25:45,840

fact that we're an anniversary society

2399

01:25:51,750 --> 01:25:49,760

unfortunately and 50th is a big deal

2400

01:25:53,669 --> 01:25:51,760

so prometheus says we don't have a book

2401

01:25:56,149 --> 01:25:53,679

that says anything incredible about it

2402

01:25:57,990 --> 01:25:56,159

we've got carl flock's book and he says

2403

01:25:59,189 --> 01:25:58,000

this is what flock had said i'm not

2404

01:26:01,590 --> 01:25:59,199

making it up

2405

01:26:04,550 --> 01:26:01,600

that a mogul balloon slammed into a

2406

01:26:07,030 --> 01:26:04,560

spaceship and both came down

2407

01:26:08,950 --> 01:26:07,040

i said that's freaking ridiculous

2408

01:26:11,110 --> 01:26:08,960

you might as well say it was just aliens

2409

01:26:13,189 --> 01:26:11,120

it's more credible

2410

01:26:15,669 --> 01:26:13,199

so prometheus rejected his book i said

2411

01:26:16,950 --> 01:26:15,679

look i'll i'll write it i'll oh i know

2412

01:26:19,830 --> 01:26:16,960

the answers

2413

01:26:21,350 --> 01:26:19,840

i'll write it i'll i'll do the book

2414

01:26:23,110 --> 01:26:21,360

and they said well

2415

01:26:24,470 --> 01:26:23,120

you got to get it to us in 30 days man

2416

01:26:26,709 --> 01:26:24,480

it's october

2417

01:26:27,910 --> 01:26:26,719

so i got it i got them i got it in 30

2418

01:26:29,430 --> 01:26:27,920

days to them

2419

01:26:30,790 --> 01:26:29,440

it was probably i think four and a half

2420

01:26:32,070 --> 01:26:30,800

weeks

2421

01:26:34,070 --> 01:26:32,080

and that's why i kind of laugh when

2422

01:26:36,310 --> 01:26:34,080

people have said when they review it

2423

01:26:39,189 --> 01:26:36,320

they said fast-paced book i didn't have

2424

01:26:42,149 --> 01:26:39,199

a lot of time so it was one big brain

2425

01:26:45,110 --> 01:26:42,159

dump i i i got a little macintosh sat in

2426

01:26:47,030 --> 01:26:45,120

the basement for a month pounded it out

2427

01:26:48,830 --> 01:26:47,040

and uh that's that's the book and and to

2428

01:26:51,270 --> 01:26:48,840

my shock it became it is the

2429

01:26:52,070 --> 01:26:51,280

best-selling expose of roswell of all

2430

01:26:54,070 --> 01:26:52,080

time

2431

01:26:56,070 --> 01:26:54,080

so the original title was the roswell

2432

01:26:58,550 --> 01:26:56,080

ufo crash exposed prometheus says

2433

01:27:00,310 --> 01:26:58,560

that'll never work

2434

01:27:02,149 --> 01:27:00,320

instead it's going to be what they don't

2435

01:27:03,350 --> 01:27:02,159

want you to know and i said well who's

2436

01:27:05,030 --> 01:27:03,360

they

2437

01:27:06,870 --> 01:27:05,040

well it's all the conspiracy nutters

2438

01:27:09,750 --> 01:27:06,880

because it's they it's not the

2439

01:27:12,790 --> 01:27:09,760

government but people because they have

2440

01:27:15,350 --> 01:27:12,800

a bias towards conspiracies they're so

2441

01:27:17,270 --> 01:27:15,360

suspicious they're disposed to them

2442

01:27:19,669 --> 01:27:17,280

they think they is whoever they want

2443

01:27:22,709 --> 01:27:19,679

they to be sure and people bought the

2444

01:27:25,510 --> 01:27:22,719

book on that title took it home only to

2445

01:27:29,750 --> 01:27:27,350

if you if you want my

2446

01:27:32,790 --> 01:27:29,760

my honest take on it when i read that is

2447

01:27:34,790 --> 01:27:32,800

i was thoroughly disappointed and then i

2448

01:27:37,510 --> 01:27:34,800

guess i would ask you see what happened

2449

01:27:39,350 --> 01:27:37,520

in my case is i read the probably the

2450

01:27:42,149 --> 01:27:39,360

older books that were sort of supporting

2451

01:27:43,990 --> 01:27:42,159

the alien hypothesis first

2452

01:27:45,510 --> 01:27:44,000

then i read your book and i went man

2453

01:27:47,910 --> 01:27:45,520

what a letdown

2454

01:27:50,229 --> 01:27:47,920

and then i read uh some books by don

2455

01:27:52,709 --> 01:27:50,239

schmidt and a few others and what do you

2456

01:27:53,990 --> 01:27:52,719

say to some of the people because i had

2457

01:27:56,310 --> 01:27:54,000

don schmidt on my show and he's very

2458

01:27:57,990 --> 01:27:56,320

convincing and his books are

2459

01:27:59,590 --> 01:27:58,000

i thought they were well researched

2460

01:28:01,910 --> 01:27:59,600

where he's and don schmidt will

2461

01:28:03,590 --> 01:28:01,920

basically say i can tell you the name of

2462

01:28:04,950 --> 01:28:03,600

the pilots that took the debris to

2463

01:28:07,110 --> 01:28:04,960

wright patterson i could tell you the

2464

01:28:08,709 --> 01:28:07,120

name of people who picked up the debris

2465

01:28:11,030 --> 01:28:08,719

and said there's no way it was a weather

2466

01:28:13,270 --> 01:28:11,040

balloon and things like that so my

2467

01:28:15,830 --> 01:28:13,280

journey in roswell kind of went yeah i

2468

01:28:17,750 --> 01:28:15,840

believe it it had to be alien and then

2469

01:28:20,070 --> 01:28:17,760

we get to your book and i went man what

2470

01:28:21,830 --> 01:28:20,080

a letdown but that's probably the the

2471

01:28:23,430 --> 01:28:21,840

simplest explanation

2472

01:28:26,310 --> 01:28:23,440

and then we get to further books that

2473

01:28:27,270 --> 01:28:26,320

support the alien hypothesis and then

2474

01:28:28,790 --> 01:28:27,280

the the

2475

01:28:31,110 --> 01:28:28,800

you know the work that was done on that

2476

01:28:32,870 --> 01:28:31,120

memo seems convincing to me but you're

2477

01:28:34,709 --> 01:28:32,880

still convinced that it was an ordinary

2478

01:28:36,470 --> 01:28:34,719

event that's just been blown and turned

2479

01:28:38,310 --> 01:28:36,480

into a myth

2480

01:28:41,510 --> 01:28:38,320

yeah i'll tell you the biggest problem

2481

01:28:43,990 --> 01:28:41,520

with the so-called cosmic watergate and

2482

01:28:45,669 --> 01:28:44,000

i think if you really uh and of course i

2483

01:28:47,270 --> 01:28:45,679

wish you the best going forward in

2484

01:28:50,229 --> 01:28:47,280

whatever shows you do in the future with

2485

01:28:52,709 --> 01:28:50,239

any ufo researchers but going forward i

2486

01:28:55,590 --> 01:28:52,719

would ask you to consider

2487

01:28:56,629 --> 01:28:55,600

asking all future guests this one

2488

01:28:58,229 --> 01:28:56,639

question

2489

01:29:00,149 --> 01:28:58,239

and i'm going to revisit this issue at

2490

01:29:02,390 --> 01:29:00,159

in my upcoming media event on november

2491

01:29:05,669 --> 01:29:02,400

22nd where i'm launching a series that

2492

01:29:07,510 --> 01:29:05,679

takes out the kennedy conspiracy bs

2493

01:29:09,030 --> 01:29:07,520

um got to do it on the anniversary of

2494

01:29:11,350 --> 01:29:09,040

course starting with the grass you know

2495

01:29:13,590 --> 01:29:11,360

eyewitnesses they all get eliminated

2496

01:29:16,870 --> 01:29:13,600

uh credibility wise here's the issue i

2497

01:29:19,030 --> 01:29:16,880

call it the mossad problem

2498

01:29:22,070 --> 01:29:19,040

any conspiracy person even friedman

2499

01:29:24,629 --> 01:29:22,080

would admit mo assad is the biggest

2500

01:29:26,070 --> 01:29:24,639

badass intel agency on the planet hands

2501
01:29:28,470 --> 01:29:26,080
down

2502
01:29:31,510 --> 01:29:28,480
okay having said that

2503
01:29:33,750 --> 01:29:31,520
if roswell really happened

2504
01:29:35,830 --> 01:29:33,760
or any ufo crash

2505
01:29:37,350 --> 01:29:35,840
or any of these incidents are out there

2506
01:29:39,110 --> 01:29:37,360
and the government has

2507
01:29:41,910 --> 01:29:39,120
military data

2508
01:29:44,550 --> 01:29:41,920
smoking gun images radar trackings

2509
01:29:47,030 --> 01:29:44,560
landings physical evidence anything

2510
01:29:49,430 --> 01:29:47,040
that they can take to the bank analyze

2511
01:29:52,229 --> 01:29:49,440
reverse engineer whatever

2512
01:29:55,830 --> 01:29:52,239
where are the secret mossad ufo roswell

2513
01:29:57,590 --> 01:29:55,840

files or any ufo files where are they

2514

01:30:01,030 --> 01:29:57,600

where are there any defectors from

2515

01:30:03,910 --> 01:30:01,040

mossad or any other intelligence agency

2516

01:30:06,790 --> 01:30:03,920

post-cold war there's been tens of

2517

01:30:08,550 --> 01:30:06,800

thousands of them literally hundreds of

2518

01:30:11,590 --> 01:30:08,560

thousands of them

2519

01:30:12,709 --> 01:30:11,600

who have released all kinds of stuff

2520

01:30:15,430 --> 01:30:12,719

we have

2521

01:30:17,510 --> 01:30:15,440

the complete engineering designs of all

2522

01:30:19,030 --> 01:30:17,520

russian warheads

2523

01:30:21,110 --> 01:30:19,040

yeah right about that

2524

01:30:23,189 --> 01:30:21,120

okay so

2525

01:30:24,149 --> 01:30:23,199

where are the people who had to study

2526

01:30:25,830 --> 01:30:24,159

this

2527

01:30:27,270 --> 01:30:25,840

their replacements when they were

2528

01:30:29,510 --> 01:30:27,280

transferred when they gave their

2529

01:30:32,390 --> 01:30:29,520

briefings how many departments

2530

01:30:34,870 --> 01:30:32,400

over 70 something years there would have

2531

01:30:36,870 --> 01:30:34,880

to be thousands of people

2532

01:30:38,390 --> 01:30:36,880

but where are they where's their secret

2533

01:30:41,110 --> 01:30:38,400

diaries left behind

2534

01:30:44,070 --> 01:30:41,120

where's any leaks it's not there

2535

01:30:45,750 --> 01:30:44,080

so when mossad starts caring about the

2536

01:30:47,910 --> 01:30:45,760

ufo subject

2537

01:30:49,830 --> 01:30:47,920

kalkorf is going to start caring when

2538

01:30:52,070 --> 01:30:49,840

they care about aliens

2539

01:30:54,870 --> 01:30:52,080

until then i'm sorry

2540

01:30:57,350 --> 01:30:54,880

it can't you can't have it both ways

2541

01:30:59,189 --> 01:30:57,360

and this problem is very real because

2542

01:31:01,030 --> 01:30:59,199

when i left the u.s

2543

01:31:03,510 --> 01:31:01,040

and i started hanging out with all kinds

2544

01:31:05,990 --> 01:31:03,520

of people who were the right people at

2545

01:31:08,070 --> 01:31:06,000

the time in the cold war

2546

01:31:10,070 --> 01:31:08,080

who were the people who either would

2547

01:31:12,070 --> 01:31:10,080

have blown up this planet or not

2548

01:31:13,510 --> 01:31:12,080

in a nuclear holocaust they were on the

2549

01:31:16,709 --> 01:31:13,520

front line

2550

01:31:18,709 --> 01:31:16,719

to a person there's nothing there

2551
01:31:20,629 --> 01:31:18,719
you don't have top secret german

2552
01:31:22,709 --> 01:31:20,639
intelligence files

2553
01:31:24,229 --> 01:31:22,719
russian files all this other stuff it's

2554
01:31:26,629 --> 01:31:24,239
not there

2555
01:31:30,709 --> 01:31:26,639
and if you go to mossad

2556
01:31:32,390 --> 01:31:30,719
the entity it's not there so contrary to

2557
01:31:34,390 --> 01:31:32,400
what friedman said

2558
01:31:35,270 --> 01:31:34,400
absence of evidence

2559
01:31:36,470 --> 01:31:35,280
is

2560
01:31:38,950 --> 01:31:36,480
at times

2561
01:31:41,350 --> 01:31:38,960
indeed evidence of absence there's a

2562
01:31:44,870 --> 01:31:41,360
distinct absence of evidence

2563
01:31:46,470 --> 01:31:44,880

as to why pigs don't fly because they

2564

01:31:47,350 --> 01:31:46,480

don't fly

2565

01:31:49,910 --> 01:31:47,360

okay

2566

01:31:52,149 --> 01:31:49,920

so what really woke me up was when i

2567

01:31:53,510 --> 01:31:52,159

went to work at lawrence livermore lab

2568

01:31:54,470 --> 01:31:53,520

and i'll share with you something i've

2569

01:31:56,550 --> 01:31:54,480

never

2570

01:31:59,350 --> 01:31:56,560

talked in public about before but i can

2571

01:32:01,669 --> 01:31:59,360

prove it what happened is i had been

2572

01:32:03,110 --> 01:32:01,679

hired at lawrence livermore lab

2573

01:32:05,110 --> 01:32:03,120

and i was the only person there who

2574

01:32:07,030 --> 01:32:05,120

didn't have a degree and i'm overseeing

2575

01:32:09,910 --> 01:32:07,040

people who have phds and all this and i

2576

01:32:11,350 --> 01:32:09,920

got into all kinds of stuff from sdi to

2577

01:32:12,629 --> 01:32:11,360

hypermedia

2578

01:32:14,629 --> 01:32:12,639

and what happened is the sounds like

2579

01:32:16,310 --> 01:32:14,639

mercury news calls me and they said cal

2580

01:32:19,189 --> 01:32:16,320

we haven't done a story on you in a few

2581

01:32:21,910 --> 01:32:19,199

years wondering what you're doing

2582

01:32:24,629 --> 01:32:21,920

um can i come out and see you and

2583

01:32:26,629 --> 01:32:24,639

we'll just wing it i said sure

2584

01:32:27,910 --> 01:32:26,639

so this lady comes over

2585

01:32:29,750 --> 01:32:27,920

nice reporter

2586

01:32:32,149 --> 01:32:29,760

and she writes this uh

2587

01:32:34,390 --> 01:32:32,159

big story it's a on two different pages

2588

01:32:36,390 --> 01:32:34,400

in the paper front uh big story and it

2589

01:32:37,510 --> 01:32:36,400

says ufo buffs which is his attention to

2590

01:32:40,149 --> 01:32:37,520

computers

2591

01:32:42,070 --> 01:32:40,159

and it talks about how i was in the ufos

2592

01:32:44,229 --> 01:32:42,080

and how i'm really now into hyper media

2593

01:32:45,830 --> 01:32:44,239

i'm a multimedia pioneer

2594

01:32:47,350 --> 01:32:45,840

on the hypercard team and doing the

2595

01:32:48,550 --> 01:32:47,360

stuff at lawrence livermore lab and i'm

2596

01:32:50,550 --> 01:32:48,560

going to

2597

01:32:52,310 --> 01:32:50,560

bring hypermedia to the government and

2598

01:32:54,390 --> 01:32:52,320

what i ended up doing is writing the

2599

01:32:56,629 --> 01:32:54,400

classified view graph system

2600

01:32:57,990 --> 01:32:56,639

using hypercard because i was horrified

2601
01:33:00,629 --> 01:32:58,000
to find out

2602
01:33:02,310 --> 01:33:00,639
when i went into an area under escort in

2603
01:33:04,870 --> 01:33:02,320
the sdi program

2604
01:33:07,110 --> 01:33:04,880
that there was no classified view graph

2605
01:33:09,189 --> 01:33:07,120
tracking system people could go in and

2606
01:33:10,709 --> 01:33:09,199
grab classified slides

2607
01:33:13,350 --> 01:33:10,719
take them out

2608
01:33:14,229 --> 01:33:13,360
and bring them back on their honor

2609
01:33:16,950 --> 01:33:14,239
and

2610
01:33:19,510 --> 01:33:16,960
if they were spies nobody would know

2611
01:33:20,870 --> 01:33:19,520
and that really bugged me so i wrote

2612
01:33:24,870 --> 01:33:20,880
that system

2613
01:33:27,030 --> 01:33:24,880

i had access to real indexes because we

2614

01:33:28,790 --> 01:33:27,040

were using hyper card it was a brand new

2615

01:33:31,350 --> 01:33:28,800

thing the hyperlink the fact that you

2616

01:33:33,669 --> 01:33:31,360

could click on a document name and it

2617

01:33:36,550 --> 01:33:33,679

would go and open that document

2618

01:33:37,590 --> 01:33:36,560

back then we were using arpanet darpanet

2619

01:33:40,149 --> 01:33:37,600

and

2620

01:33:43,590 --> 01:33:40,159

a network called octopus which was the

2621

01:33:45,430 --> 01:33:43,600

internal uh classified intranet is what

2622

01:33:47,030 --> 01:33:45,440

they would call it today this is again

2623

01:33:48,950 --> 01:33:47,040

back in the 80s

2624

01:33:51,110 --> 01:33:48,960

so what happens is this article comes

2625

01:33:55,110 --> 01:33:51,120

out and it talks about how i'm going to

2626

01:33:57,189 --> 01:33:55,120

do hypercard hypermedia and that one day

2627

01:33:59,030 --> 01:33:57,199

people will read about me on a hypercard

2628

01:34:00,870 --> 01:33:59,040

the internet browser had not been

2629

01:34:03,110 --> 01:34:00,880

invented yet and it's all in this

2630

01:34:05,350 --> 01:34:03,120

article and it's never been

2631

01:34:07,590 --> 01:34:05,360

on the web because i never uploaded it

2632

01:34:09,669 --> 01:34:07,600

it's it's not uh part of the archives

2633

01:34:12,310 --> 01:34:09,679

online and sounds like mercury news i

2634

01:34:14,310 --> 01:34:12,320

can post it anytime my photos there both

2635

01:34:15,430 --> 01:34:14,320

of them shows me on the computer all

2636

01:34:18,709 --> 01:34:15,440

that stuff

2637

01:34:20,709 --> 01:34:18,719

so make a long story short i looked at

2638

01:34:22,470 --> 01:34:20,719

all the activity that was going on in

2639

01:34:24,790 --> 01:34:22,480

the late 40s

2640

01:34:26,629 --> 01:34:24,800

up to roswell there were no other

2641

01:34:29,990 --> 01:34:26,639

aviation incidents that could account

2642

01:34:31,669 --> 01:34:30,000

for the roswell story but you have to go

2643

01:34:34,229 --> 01:34:31,679

back to the beginning

2644

01:34:36,149 --> 01:34:34,239

as i said in the book and it is

2645

01:34:37,750 --> 01:34:36,159

something that don schmidt cannot get

2646

01:34:39,910 --> 01:34:37,760

away from or anybody

2647

01:34:41,430 --> 01:34:39,920

the original roswell witnesses never

2648

01:34:43,109 --> 01:34:41,440

described as [h__\h]

2649

01:34:45,109 --> 01:34:43,119

never described a body

2650

01:34:47,910 --> 01:34:45,119

in fact of the seven so-called original

2651
01:34:49,910 --> 01:34:47,920
witnesses loretta proctor never held any

2652
01:34:52,470 --> 01:34:49,920
debris she made it clear she never did

2653
01:34:54,310 --> 01:34:52,480
when her husband died floyd

2654
01:34:56,390 --> 01:34:54,320
she made up a story that she held it

2655
01:34:57,590 --> 01:34:56,400
tried to bend it twisted so she's not

2656
01:34:59,750 --> 01:34:57,600
credible

2657
01:35:02,070 --> 01:34:59,760
jesse marcel i was the first one to get

2658
01:35:04,470 --> 01:35:02,080
his military file with bob todd

2659
01:35:06,550 --> 01:35:04,480
first one to publish it i had no idea in

2660
01:35:09,270 --> 01:35:06,560
high school and neither did friedman

2661
01:35:11,830 --> 01:35:09,280
that marcel was a bullshitter

2662
01:35:14,070 --> 01:35:11,840
um he wasn't a

2663
01:35:16,149 --> 01:35:14,080

guy who shot down five enemy aircraft he

2664

01:35:18,709 --> 01:35:16,159

didn't have a degree in physics he never

2665

01:35:21,030 --> 01:35:18,719

went to that school

2666

01:35:23,189 --> 01:35:21,040

it says in his evaluation

2667

01:35:25,510 --> 01:35:23,199

right after roswell he has a tendency to

2668

01:35:26,790 --> 01:35:25,520

magnify problems he's confronted with he

2669

01:35:28,709 --> 01:35:26,800

exaggerated

2670

01:35:30,390 --> 01:35:28,719

general ramy noted his career was

2671

01:35:32,070 --> 01:35:30,400

limited if he wasn't going to be a real

2672

01:35:34,390 --> 01:35:32,080

pilot so he could not have flown the

2673

01:35:37,189 --> 01:35:34,400

debris he wasn't a pilot

2674

01:35:40,310 --> 01:35:37,199

in the only nuclear air base at the area

2675

01:35:42,390 --> 01:35:40,320

which was full of the top gun pilots so

2676

01:35:44,390 --> 01:35:42,400

all this is true it doesn't matter what

2677

01:35:47,830 --> 01:35:44,400

don schmidt says

2678

01:35:51,430 --> 01:35:47,840

and we know that dr andrew um uh

2679

01:35:52,709 --> 01:35:51,440

takowski uh dr kowsky he looked at that

2680

01:35:54,550 --> 01:35:52,719

debris

2681

01:35:56,629 --> 01:35:54,560

made a phone call said this looks like

2682

01:35:58,790 --> 01:35:56,639

the stuff you're flying down there i

2683

01:36:00,470 --> 01:35:58,800

interviewed professor charles moore and

2684

01:36:02,470 --> 01:36:00,480

professor charles moore told me point

2685

01:36:05,350 --> 01:36:02,480

blank that he met with friedman and

2686

01:36:07,350 --> 01:36:05,360

berliner in socorro they had run an ad

2687

01:36:08,390 --> 01:36:07,360

in the paper soliciting roswell

2688

01:36:10,709 --> 01:36:08,400

witnesses

2689

01:36:12,870 --> 01:36:10,719

he went there to tell them it was mobile

2690

01:36:14,629 --> 01:36:12,880

not a weather balloon but mobile very

2691

01:36:15,510 --> 01:36:14,639

different issue the idea is a weather

2692

01:36:17,350 --> 01:36:15,520

balloon

2693

01:36:20,550 --> 01:36:17,360

is a false

2694

01:36:22,550 --> 01:36:20,560

phony straw man it wasn't it was a spy

2695

01:36:23,590 --> 01:36:22,560

device

2696

01:36:26,310 --> 01:36:23,600

period

2697

01:36:28,950 --> 01:36:26,320

long bigger than the washington monument

2698

01:36:31,109 --> 01:36:28,960

okay which is 555 feet tall it's about

2699

01:36:32,149 --> 01:36:31,119

650 feet tall

2700

01:36:34,470 --> 01:36:32,159

and

2701

01:36:35,669 --> 01:36:34,480

uh irving newton who was there who posed

2702

01:36:38,390 --> 01:36:35,679

with the debris

2703

01:36:40,629 --> 01:36:38,400

he later went to moore's house

2704

01:36:43,030 --> 01:36:40,639

and this is all documented on film

2705

01:36:45,350 --> 01:36:43,040

saw the original material that it was

2706

01:36:47,590 --> 01:36:45,360

still kept from there

2707

01:36:49,109 --> 01:36:47,600

and said yes this is exactly what i held

2708

01:36:50,229 --> 01:36:49,119

in the office

2709

01:36:52,790 --> 01:36:50,239

it's there

2710

01:36:54,550 --> 01:36:52,800

so so the explanation that

2711

01:36:55,990 --> 01:36:54,560

even he gave that the debris was

2712

01:36:58,229 --> 01:36:56,000

switched later

2713

01:37:01,109 --> 01:36:58,239

you know with that famous photo he was

2714

01:37:02,790 --> 01:37:01,119

forced to sort of you know the story

2715

01:37:05,109 --> 01:37:02,800

their story kind of goes that he was

2716

01:37:07,590 --> 01:37:05,119

forced to to kind of play the government

2717

01:37:10,870 --> 01:37:07,600

line and and you know uh

2718

01:37:13,189 --> 01:37:10,880

pose with this debris that's not what he

2719

01:37:15,430 --> 01:37:13,199

cle he claimed that was not what he saw

2720

01:37:17,750 --> 01:37:15,440

at the debris field

2721

01:37:18,870 --> 01:37:17,760

well the debris switch you're saying is

2722

01:37:23,350 --> 01:37:18,880

is not

2723

01:37:25,669 --> 01:37:23,360

no in fact general dubose who was there

2724

01:37:28,070 --> 01:37:25,679

said quote oh bold there was no debris

2725

01:37:30,149 --> 01:37:28,080

switch and i quoted him in the interview

2726

01:37:30,870 --> 01:37:30,159

and ironically i used the interview that

2727

01:37:32,709 --> 01:37:30,880

uh

2728

01:37:34,709 --> 01:37:32,719

kevin randle gave with him because i

2729

01:37:36,629 --> 01:37:34,719

wanted people to realize that the truth

2730

01:37:38,390 --> 01:37:36,639

about roswell is out there

2731

01:37:40,070 --> 01:37:38,400

if you really

2732

01:37:40,870 --> 01:37:40,080

research the books

2733

01:37:43,350 --> 01:37:40,880

that

2734

01:37:45,669 --> 01:37:43,360

[h__\h] everybody on it um

2735

01:37:47,109 --> 01:37:45,679

i take out 22 of them including randall

2736

01:37:48,390 --> 01:37:47,119

and schmidt there's a reason randall

2737

01:37:50,229 --> 01:37:48,400

doesn't deal with schmidt anymore

2738

01:37:51,830 --> 01:37:50,239

randall's more credible than schmidt but

2739

01:37:54,709 --> 01:37:51,840

randall has his issues

2740

01:37:57,030 --> 01:37:54,719

um randall used to endorse kaufman i i

2741

01:37:59,590 --> 01:37:57,040

debated both of them on abc tv they lost

2742

01:38:01,750 --> 01:37:59,600

the debate i pointed out a simple fact

2743

01:38:02,870 --> 01:38:01,760

he wasn't in the military at the time of

2744

01:38:05,030 --> 01:38:02,880

roswell

2745

01:38:06,950 --> 01:38:05,040

game over so don't tell me about your

2746

01:38:09,669 --> 01:38:06,960

military career roswell when you weren't

2747

01:38:10,550 --> 01:38:09,679

even in the service at the time

2748

01:38:11,510 --> 01:38:10,560

come on

2749

01:38:15,510 --> 01:38:11,520

hello

2750

01:38:17,189 --> 01:38:15,520

yeah yeah i i did i'm sure that i have

2751

01:38:19,590 --> 01:38:17,199

you know

2752

01:38:21,990 --> 01:38:19,600

sort of observed that the story just

2753

01:38:23,430 --> 01:38:22,000

grew and grew as the myth and the legend

2754

01:38:26,149 --> 01:38:23,440

of it grew and i think you're right in

2755

01:38:27,910 --> 01:38:26,159

that that unsolved mysteries i remember

2756

01:38:29,990 --> 01:38:27,920

seeing that as a kid and that just blew

2757

01:38:32,470 --> 01:38:30,000

that whole story up and then suddenly

2758

01:38:33,750 --> 01:38:32,480

there's all these new witnesses and

2759

01:38:35,830 --> 01:38:33,760

you know

2760

01:38:37,510 --> 01:38:35,840

yeah that's what happened and um it's

2761

01:38:38,390 --> 01:38:37,520

amazing because

2762

01:38:40,470 --> 01:38:38,400

uh

2763

01:38:42,149 --> 01:38:40,480

when you look at surveys that were done

2764

01:38:45,750 --> 01:38:42,159

you know with kennedy being the big

2765

01:38:48,149 --> 01:38:45,760

grand conspiracy uh to this day uh

2766

01:38:50,149 --> 01:38:48,159

now i think only 61 of americans believe

2767

01:38:51,910 --> 01:38:50,159

it instead of 81

2768

01:38:53,430 --> 01:38:51,920

but there's there's valid reasons why

2769

01:38:56,229 --> 01:38:53,440

they did and didn't believe in it the

2770

01:38:58,390 --> 01:38:56,239

government was its own worst enemy uh

2771

01:38:59,510 --> 01:38:58,400

they were absolutely covering things up

2772

01:39:01,030 --> 01:38:59,520

and then when the government finally

2773

01:39:02,709 --> 01:39:01,040

starts telling the truth people are so

2774

01:39:04,629 --> 01:39:02,719

jaded they're like well i don't believe

2775

01:39:07,590 --> 01:39:04,639

you you know and it's reached that point

2776

01:39:10,830 --> 01:39:07,600

now and i'll tell you what destroyed my

2777

01:39:12,709 --> 01:39:10,840

childhood on october 19

2778

01:39:15,430 --> 01:39:12,719

1973. is

2779

01:39:17,590 --> 01:39:15,440

i'm looking at the greenhouse photos

2780

01:39:19,430 --> 01:39:17,600

and either it shows a real alien or it

2781

01:39:21,189 --> 01:39:19,440

doesn't either people are liars

2782

01:39:23,270 --> 01:39:21,199

including the chief of police

2783

01:39:25,350 --> 01:39:23,280

or we're being visited and we need to

2784

01:39:27,910 --> 01:39:25,360

know this either way

2785

01:39:29,430 --> 01:39:27,920

the ramifications i thought as a young

2786

01:39:31,270 --> 01:39:29,440

kid were profound

2787

01:39:32,229 --> 01:39:31,280

and i thought okay

2788

01:39:34,550 --> 01:39:32,239

um

2789

01:39:36,550 --> 01:39:34,560

now i go down to the library and i start

2790

01:39:38,390 --> 01:39:36,560

reading books by adamski and there's

2791

01:39:40,390 --> 01:39:38,400

aliens on the backside of the moon and

2792

01:39:41,830 --> 01:39:40,400

on venus and on saturn i'm like

2793

01:39:44,629 --> 01:39:41,840

i know better

2794

01:39:46,870 --> 01:39:44,639

like my god adults outright lie

2795

01:39:48,870 --> 01:39:46,880

hell of a thing for a kid to realize

2796

01:39:51,669 --> 01:39:48,880

and i thought you know

2797

01:39:52,550 --> 01:39:51,679

if this sickness

2798

01:39:54,870 --> 01:39:52,560

this

2799

01:39:56,950 --> 01:39:54,880

belief in stupidity where you just

2800

01:39:59,510 --> 01:39:56,960

abandon any pretense of critical

2801
01:40:01,189 --> 01:39:59,520
thinking becomes mainstream and jumps

2802
01:40:03,590 --> 01:40:01,199
from the fringe

2803
01:40:05,750 --> 01:40:03,600
to mainstream society

2804
01:40:07,189 --> 01:40:05,760
and it just takes enough of the percent

2805
01:40:08,790 --> 01:40:07,199
of the people to do that especially if

2806
01:40:11,430 --> 01:40:08,800
they vote

2807
01:40:13,430 --> 01:40:11,440
um that's scary then we're doomed as a

2808
01:40:14,629 --> 01:40:13,440
species and that's what i see going on

2809
01:40:17,990 --> 01:40:14,639
now

2810
01:40:20,310 --> 01:40:18,000
to me the polarization in the politics

2811
01:40:21,669 --> 01:40:20,320
is just a symptom of the fact that

2812
01:40:23,590 --> 01:40:21,679
people

2813
01:40:26,229 --> 01:40:23,600

are suspicious of everything don't trust

2814

01:40:27,910 --> 01:40:26,239

anything you name it it may be trump

2815

01:40:29,830 --> 01:40:27,920

today but it's another subject tomorrow

2816

01:40:32,790 --> 01:40:29,840

same principle

2817

01:40:34,229 --> 01:40:32,800

and this is why we're losing it because

2818

01:40:36,470 --> 01:40:34,239

we're not thinking critically and we're

2819

01:40:38,950 --> 01:40:36,480

not going back to fundamentals and

2820

01:40:41,669 --> 01:40:38,960

basics of who what where

2821

01:40:43,990 --> 01:40:41,679

why when and how when you nail those

2822

01:40:45,669 --> 01:40:44,000

down you've got clear understanding

2823

01:40:47,750 --> 01:40:45,679

clear communication

2824

01:40:50,310 --> 01:40:47,760

and the greatest thing about facts is

2825

01:40:52,709 --> 01:40:50,320

that they can be verified by anybody

2826

01:40:56,390 --> 01:40:52,719

wishing to do so yeah i'm really and i

2827

01:40:58,870 --> 01:40:56,400

am hugely big on uh citing sources

2828

01:41:01,030 --> 01:40:58,880

uh that anybody can go after me

2829

01:41:03,590 --> 01:41:01,040

and find the same thing and i

2830

01:41:05,430 --> 01:41:03,600

i hear you talk about uh this thing

2831

01:41:07,590 --> 01:41:05,440

called right-click researchers because

2832

01:41:09,189 --> 01:41:07,600

you know us younger guys

2833

01:41:10,870 --> 01:41:09,199

you know we have the benefit of the

2834

01:41:13,189 --> 01:41:10,880

internet but it seems to me that like

2835

01:41:15,350 --> 01:41:13,199

nobody does things on the ground nobody

2836

01:41:18,470 --> 01:41:15,360

i have done amazing work just picking up

2837

01:41:20,709 --> 01:41:18,480

the phone and i'm amazed that the

2838

01:41:23,910 --> 01:41:20,719

younger crowd does not just pick up the

2839

01:41:25,590 --> 01:41:23,920

phone try to talk to people witnesses or

2840

01:41:28,310 --> 01:41:25,600

sources and get

2841

01:41:29,990 --> 01:41:28,320

their story direct on the phone we even

2842

01:41:31,510 --> 01:41:30,000

have an aversion to that and you talk

2843

01:41:33,270 --> 01:41:31,520

about this thing called right click

2844

01:41:34,629 --> 01:41:33,280

researchers which i think is so funny

2845

01:41:35,990 --> 01:41:34,639

it's like if it's not on the internet

2846

01:41:37,590 --> 01:41:36,000

they don't do it

2847

01:41:39,510 --> 01:41:37,600

you know yeah it's it's not only that

2848

01:41:41,910 --> 01:41:39,520

it's even worse and you're absolutely

2849

01:41:43,350 --> 01:41:41,920

right on all the points you make because

2850

01:41:44,950 --> 01:41:43,360

um

2851

01:41:46,870 --> 01:41:44,960

first of all most people have their

2852

01:41:49,270 --> 01:41:46,880

browser set for the top 10 hits that's

2853

01:41:51,830 --> 01:41:49,280

it okay and then as you know there's

2854

01:41:54,550 --> 01:41:51,840

games with the indexing of these things

2855

01:41:56,629 --> 01:41:54,560

if i want to pay money i can publish

2856

01:41:58,310 --> 01:41:56,639

[h__h] on the internet and and it'll

2857

01:42:00,950 --> 01:41:58,320

be the number one hit if you search on

2858

01:42:03,750 --> 01:42:00,960

my [h__h] i just gotta pay google you

2859

01:42:04,950 --> 01:42:03,760

know and pat it with the right metadata

2860

01:42:06,629 --> 01:42:04,960

and then there's the other thing and

2861

01:42:09,030 --> 01:42:06,639

well it's not on the internet i search

2862

01:42:11,510 --> 01:42:09,040

on google so it must not be true so one

2863

01:42:13,270 --> 01:42:11,520

recent example is i i told people that

2864

01:42:14,950 --> 01:42:13,280

there's a

2865

01:42:16,629 --> 01:42:14,960

complaint being put together against

2866

01:42:17,510 --> 01:42:16,639

ttsa

2867

01:42:19,350 --> 01:42:17,520

and

2868

01:42:21,830 --> 01:42:19,360

people said well i checked it it's not

2869

01:42:23,669 --> 01:42:21,840

true oh really who did you check with

2870

01:42:25,430 --> 01:42:23,679

you didn't ask me and i'm the guy who

2871

01:42:27,350 --> 01:42:25,440

knows about it

2872

01:42:30,550 --> 01:42:27,360

and i've got first hand info on it i

2873

01:42:33,270 --> 01:42:30,560

recently did an expose an update on bob

2874

01:42:33,990 --> 01:42:33,280

kiviat's lawsuit against uh upcoming up

2875

01:42:37,109 --> 01:42:34,000

uh

2876

01:42:38,950 --> 01:42:37,119

where it implicates ci disinfo guy

2877

01:42:41,350 --> 01:42:38,960

dr ron pandolfi

2878

01:42:44,229 --> 01:42:41,360

congressman marriott and joe farmage and

2879

01:42:46,790 --> 01:42:44,239

his techno scam at internasa

2880

01:42:48,790 --> 01:42:46,800

similar to tsa again how plutoff has

2881

01:42:50,629 --> 01:42:48,800

been involved in that scam as well so

2882

01:42:53,030 --> 01:42:50,639

that's now going to court i updated that

2883

01:42:55,590 --> 01:42:53,040

expose the idea that pendelphi will go

2884

01:42:57,669 --> 01:42:55,600

under oath penalty perjury is quite

2885

01:42:59,189 --> 01:42:57,679

exciting because uh

2886

01:43:00,629 --> 01:42:59,199

one way to hold these guys accountable

2887

01:43:02,149 --> 01:43:00,639

is to put them under oath a penalty of

2888

01:43:03,750 --> 01:43:02,159

perjury they can't afford to have that

2889

01:43:05,109 --> 01:43:03,760

happen that would include people like

2890

01:43:07,910 --> 01:43:05,119

michael warren because there's

2891

01:43:09,669 --> 01:43:07,920

consequences when you try to do that

2892

01:43:11,669 --> 01:43:09,679

and in this case here there had been a

2893

01:43:13,910 --> 01:43:11,679

settlement in the case

2894

01:43:16,070 --> 01:43:13,920

agreed to by the court and then they

2895

01:43:18,070 --> 01:43:16,080

basically by the court and now the court

2896

01:43:19,910 --> 01:43:18,080

has vacated it and they're going to

2897

01:43:21,910 --> 01:43:19,920

court unless something

2898

01:43:25,189 --> 01:43:21,920

settles out of the blue this is an

2899

01:43:26,950 --> 01:43:25,199

exciting story uh

2900

01:43:28,629 --> 01:43:26,960

there's another expose coming up about

2901

01:43:30,709 --> 01:43:28,639

harry reid there's some inside

2902

01:43:32,310 --> 01:43:30,719

whistleblower info about him and and the

2903

01:43:33,750 --> 01:43:32,320

atip scam

2904

01:43:37,109 --> 01:43:33,760

and where the money went and all that

2905

01:43:39,750 --> 01:43:37,119

other stuff i'm working out very quietly

2906

01:43:43,030 --> 01:43:39,760

it's amazing to me that so many ufo

2907

01:43:44,470 --> 01:43:43,040

stories lead to bob bigelow which i'm

2908

01:43:48,390 --> 01:43:44,480

he's kind of like

2909

01:43:49,990 --> 01:43:48,400

he comes off like a james bond villain

2910

01:43:52,149 --> 01:43:50,000

or like a movie character because he's

2911

01:43:54,709 --> 01:43:52,159

this billionaire and he's got his hands

2912

01:43:57,830 --> 01:43:54,719

in so many different ufo stories from

2913

01:43:59,990 --> 01:43:57,840

bob lazar to this a-tip thing to the

2914

01:44:02,310 --> 01:44:00,000

skinwalker ranch he's a pretty

2915

01:44:04,470 --> 01:44:02,320

fascinating character

2916

01:44:06,470 --> 01:44:04,480

yes but i think that

2917

01:44:08,870 --> 01:44:06,480

it's easy to explain because he's got

2918

01:44:11,910 --> 01:44:08,880

hal put off as his main guy and of

2919

01:44:13,350 --> 01:44:11,920

course putoff has his homeboy eric davis

2920

01:44:15,430 --> 01:44:13,360

those two guys have been involved in

2921

01:44:16,629 --> 01:44:15,440

techno scams for years going back to the

2922

01:44:18,629 --> 01:44:16,639

70s

2923

01:44:21,109 --> 01:44:18,639

when i was in high school as the press

2924

01:44:24,470 --> 01:44:21,119

articles from that time prove

2925

01:44:26,950 --> 01:44:24,480

i was the assistant director of research

2926

01:44:28,550 --> 01:44:26,960

uh for parapsychology

2927

01:44:31,350 --> 01:44:28,560

at the institute of paranormal science

2928

01:44:34,470 --> 01:44:31,360

which worked with sri at that time

2929

01:44:37,270 --> 01:44:34,480

so i know going back to high school uh

2930

01:44:38,709 --> 01:44:37,280

that the stuff with yuri geller and and

2931

01:44:40,790 --> 01:44:38,719

a lot of the stuff they were doing there

2932

01:44:43,669 --> 01:44:40,800

was just pure frauds and of course back

2933

01:44:45,350 --> 01:44:43,679

then how put off was pushing the e-meter

2934

01:44:47,350 --> 01:44:45,360

in scientology

2935

01:44:49,189 --> 01:44:47,360

and you can't you can't you can't take

2936

01:44:51,669 --> 01:44:49,199

that out of the universe he says oh i'm

2937

01:44:53,990 --> 01:44:51,679

not one anymore doesn't matter

2938

01:44:56,950 --> 01:44:54,000

same problem different scam

2939

01:44:59,189 --> 01:44:56,960

so um i've been in touch with people in

2940

01:45:00,149 --> 01:44:59,199

dc there are investigators working on

2941

01:45:02,709 --> 01:45:00,159

this

2942

01:45:05,430 --> 01:45:02,719

i've been very clear that in december

2943

01:45:07,990 --> 01:45:05,440

there will be this uh

2944

01:45:10,070 --> 01:45:08,000

complaint that will be sent to

2945

01:45:12,790 --> 01:45:10,080

ttsa they will have

2946

01:45:15,030 --> 01:45:12,800

i've been told 45 days to respond to it

2947

01:45:16,950 --> 01:45:15,040

if they don't respond to it then

2948

01:45:18,709 --> 01:45:16,960

it'll get interesting yeah the problem

2949

01:45:20,470 --> 01:45:18,719

the big problem that i you know a lot of

2950

01:45:22,870 --> 01:45:20,480

my listeners asked me i did a show on

2951

01:45:23,910 --> 01:45:22,880

ttsa and i did a lot of digging and

2952

01:45:25,350 --> 01:45:23,920

you know

2953

01:45:27,350 --> 01:45:25,360

the biggest problem that i have with

2954

01:45:28,830 --> 01:45:27,360

them is they're a public they're

2955

01:45:32,229 --> 01:45:28,840

supposed to be a public benefit

2956

01:45:34,550 --> 01:45:32,239

corporation and and uh if you look into

2957

01:45:35,990 --> 01:45:34,560

their finances and they have to file

2958

01:45:38,950 --> 01:45:36,000

some kind of finance you know they have

2959

01:45:41,270 --> 01:45:38,960

to give a balance sheet it's very

2960

01:45:44,470 --> 01:45:41,280

troubling that they're soliciting money

2961

01:45:46,070 --> 01:45:44,480

when they are spending it on crazy stuff

2962

01:45:48,070 --> 01:45:46,080

apparently when you look at the balance

2963

01:45:50,870 --> 01:45:48,080

sheet and it just doesn't nothing adds

2964

01:45:52,470 --> 01:45:50,880

up financially it just does not add up

2965

01:45:54,790 --> 01:45:52,480

like where's the money coming from where

2966

01:45:57,189 --> 01:45:54,800

is it going and when are these people

2967

01:46:00,149 --> 01:45:57,199

that gave you money to invest gonna get

2968

01:46:01,750 --> 01:46:00,159

their dividends or whatever and it just

2969

01:46:03,750 --> 01:46:01,760

doesn't seem

2970

01:46:07,109 --> 01:46:03,760

on the level to me

2971

01:46:08,709 --> 01:46:07,119

yeah it it based on what i've seen i

2972

01:46:10,229 --> 01:46:08,719

have made the claim and i think i can

2973

01:46:12,149 --> 01:46:10,239

defend this and if it turns out it's not

2974

01:46:13,669 --> 01:46:12,159

true i'll be happy to correct the record

2975

01:46:15,189 --> 01:46:13,679

but it gives every appearance of being a

2976

01:46:16,149 --> 01:46:15,199

pump and dump scheme

2977

01:46:17,510 --> 01:46:16,159

and

2978

01:46:19,750 --> 01:46:17,520

there's two things that have happened

2979

01:46:21,590 --> 01:46:19,760

recently and it has caused uh some

2980

01:46:23,990 --> 01:46:21,600

changes to be made to the complaint and

2981

01:46:25,030 --> 01:46:24,000

again i i have access to whistleblower

2982

01:46:27,270 --> 01:46:25,040

info

2983

01:46:30,950 --> 01:46:27,280

just like i have named the whistleblower

2984

01:46:32,470 --> 01:46:30,960

in the upcoming uh pindolphi uh issue uh

2985

01:46:34,470 --> 01:46:32,480

whistleblower there and

2986

01:46:36,310 --> 01:46:34,480

there's recordings of gandalfi perjuring

2987

01:46:37,109 --> 01:46:36,320

himself i've got those

2988

01:46:39,510 --> 01:46:37,119

uh

2989

01:46:42,310 --> 01:46:39,520

original emails everything it's it's a

2990

01:46:44,229 --> 01:46:42,320

open and shut case so i have been

2991

01:46:47,189 --> 01:46:44,239

sending this stuff back east including

2992

01:46:48,950 --> 01:46:47,199

two uh different investigators with

2993

01:46:50,470 --> 01:46:48,960

i'll just say the right three-letter

2994

01:46:52,229 --> 01:46:50,480

agencies that can trace this down

2995

01:46:55,669 --> 01:46:52,239

because the issue is is pin dolphy doing

2996

01:46:57,030 --> 01:46:55,679

this on his own or has he gone rogue

2997

01:46:59,350 --> 01:46:57,040

whenever you have a former deputy

2998

01:47:00,470 --> 01:46:59,360

director of the cia involved in techno

2999

01:47:02,790 --> 01:47:00,480

scams

3000

01:47:04,870 --> 01:47:02,800

it is a potential uh

3001
01:47:06,629 --> 01:47:04,880
security issue for the country when you

3002
01:47:08,629 --> 01:47:06,639
have gandalfi claiming he briefs

3003
01:47:10,310 --> 01:47:08,639
president trump when he doesn't

3004
01:47:12,629 --> 01:47:10,320
secret service needs to know about that

3005
01:47:14,070 --> 01:47:12,639
if i claim i brief trump and i don't i

3006
01:47:15,350 --> 01:47:14,080
need to be reported to the secret

3007
01:47:18,950 --> 01:47:15,360
service

3008
01:47:20,790 --> 01:47:18,960
that's just reality so back to tsa um

3009
01:47:22,709 --> 01:47:20,800
issue is

3010
01:47:25,270 --> 01:47:22,719
the one thing you can say based on their

3011
01:47:27,830 --> 01:47:25,280
filings is that the money goes to tom

3012
01:47:28,790 --> 01:47:27,840
delong he got money again for the arts

3013
01:47:31,109 --> 01:47:28,800

parts

3014

01:47:32,709 --> 01:47:31,119

i'm sorry as the person who exposed arts

3015

01:47:34,229 --> 01:47:32,719

parts i was the one to do it in my book

3016

01:47:35,830 --> 01:47:34,239

the roswell ufo crash what they don't

3017

01:47:37,430 --> 01:47:35,840

want you to know you can get it on

3018

01:47:39,350 --> 01:47:37,440

amazon

3019

01:47:41,669 --> 01:47:39,360

that this thing was exposed in the 90s

3020

01:47:43,669 --> 01:47:41,679

even art bell knew it was a hoax he

3021

01:47:45,910 --> 01:47:43,679

admitted later was

3022

01:47:47,510 --> 01:47:45,920

open and shut case it makes no sense but

3023

01:47:49,350 --> 01:47:47,520

linda molten how is in there these

3024

01:47:52,790 --> 01:47:49,360

people are not credible but one thing i

3025

01:47:56,149 --> 01:47:52,800

noticed um they now have a guy on their

3026
01:47:57,750 --> 01:47:56,159
board who has a tainted track record of

3027
01:47:58,950 --> 01:47:57,760
pump and dump he's been under

3028
01:48:01,910 --> 01:47:58,960
investigation

3029
01:48:04,470 --> 01:48:01,920
by the sec in fact when i talked to sec

3030
01:48:06,229 --> 01:48:04,480
about tsa they told me point blank that

3031
01:48:08,470 --> 01:48:06,239
one of the things they've started to do

3032
01:48:10,229 --> 01:48:08,480
was check all intelligence databases

3033
01:48:11,669 --> 01:48:10,239
around the world

3034
01:48:13,990 --> 01:48:11,679
now that that's something they normally

3035
01:48:15,510 --> 01:48:14,000
don't bother with because they have a

3036
01:48:18,550 --> 01:48:15,520
real concern that this is a pump and

3037
01:48:20,629 --> 01:48:18,560
dump scam and this guy that he's been

3038
01:48:21,750 --> 01:48:20,639

brought on now i think his last name is

3039

01:48:24,229 --> 01:48:21,760

miser

3040

01:48:26,709 --> 01:48:24,239

interesting last name uh

3041

01:48:28,629 --> 01:48:26,719

they are now targeting medical devices

3042

01:48:30,629 --> 01:48:28,639

and that is potentially horrifying

3043

01:48:32,629 --> 01:48:30,639

because if you have the

3044

01:48:34,790 --> 01:48:32,639

so-called uh standards of science for

3045

01:48:37,990 --> 01:48:34,800

arts parts applied to a medical device

3046

01:48:41,510 --> 01:48:39,669

think about it this this this whole

3047

01:48:43,910 --> 01:48:41,520

thing is crazy to me because i remember

3048

01:48:46,149 --> 01:48:43,920

following arts parts originally and

3049

01:48:47,270 --> 01:48:46,159

again coming out disappointed that you

3050

01:48:49,189 --> 01:48:47,280

know

3051

01:48:51,030 --> 01:48:49,199

linamo now is a terrible source that

3052

01:48:52,310 --> 01:48:51,040

can't be trusted so as soon as i heard

3053

01:48:54,390 --> 01:48:52,320

that the

3054

01:48:56,229 --> 01:48:54,400

source of these so-called and they

3055

01:48:58,070 --> 01:48:56,239

basically said that these are possibly

3056

01:48:59,669 --> 01:48:58,080

alien materials then they backpedaled

3057

01:49:01,910 --> 01:48:59,679

and i got in trouble because i caught

3058

01:49:03,270 --> 01:49:01,920

them using a stock image

3059

01:49:05,669 --> 01:49:03,280

of a

3060

01:49:07,750 --> 01:49:05,679

common earthly rock when they're making

3061

01:49:10,390 --> 01:49:07,760

these announcements and to me why are

3062

01:49:11,270 --> 01:49:10,400

you posting a picture of a common earth

3063

01:49:13,350 --> 01:49:11,280

rock

3064

01:49:15,189 --> 01:49:13,360

when it's supposed to be alien materials

3065

01:49:17,910 --> 01:49:15,199

you know but it's just a picture that

3066

01:49:20,070 --> 01:49:17,920

looks good so

3067

01:49:21,990 --> 01:49:20,080

the tsa fanboys i call them have

3068

01:49:23,510 --> 01:49:22,000

attacked me mercilessly i kind of

3069

01:49:24,870 --> 01:49:23,520

stopped talking about it because i just

3070

01:49:26,470 --> 01:49:24,880

i don't want you know i'm kind of

3071

01:49:28,149 --> 01:49:26,480

waiting to see what happens because i

3072

01:49:31,350 --> 01:49:28,159

think it's going to crash and burn

3073

01:49:32,709 --> 01:49:31,360

that's my that's my best guess

3074

01:49:35,270 --> 01:49:32,719

yeah i think it's going to crash and

3075

01:49:36,709 --> 01:49:35,280

burn for the only reason that matters i

3076

01:49:38,790 --> 01:49:36,719

think you're right on this is because

3077

01:49:40,070 --> 01:49:38,800

there's nothing there if not you know

3078

01:49:43,270 --> 01:49:40,080

you can only

3079

01:49:44,870 --> 01:49:43,280

amount of time

3080

01:49:47,830 --> 01:49:44,880

so let's say it does crash and burn a

3081

01:49:49,589 --> 01:49:47,840

year from now just to make up an example

3082

01:49:51,830 --> 01:49:49,599

then what are you left with you're left

3083

01:49:54,149 --> 01:49:51,840

with people who got ripped off so what

3084

01:49:56,629 --> 01:49:54,159

i'm trying to do is

3085

01:49:57,830 --> 01:49:56,639

focus the media and doing my part as a

3086

01:49:59,669 --> 01:49:57,840

journalist and working with

3087

01:50:01,589 --> 01:49:59,679

investigators in dc

3088

01:50:03,189 --> 01:50:01,599

you know i've i've done

3089

01:50:05,270 --> 01:50:03,199

over the

3090

01:50:07,270 --> 01:50:05,280

decades i have worked with different

3091

01:50:09,270 --> 01:50:07,280

government agencies and things of mutual

3092

01:50:11,430 --> 01:50:09,280

interest i was one of the people who

3093

01:50:13,830 --> 01:50:11,440

found evidence uh independent of anybody

3094

01:50:15,430 --> 01:50:13,840

else that iran had a rogue nuclear

3095

01:50:17,270 --> 01:50:15,440

weapons program i turned over that

3096

01:50:19,109 --> 01:50:17,280

evidence and software that they were

3097

01:50:21,030 --> 01:50:19,119

using to avoid sanctions

3098

01:50:23,270 --> 01:50:21,040

to various intelligence agencies

3099

01:50:25,589 --> 01:50:23,280

including mossad for example because i

3100

01:50:27,350 --> 01:50:25,599

know israel needed to know that info

3101

01:50:28,870 --> 01:50:27,360

and i was in a position to get it in

3102

01:50:30,390 --> 01:50:28,880

prague and i did and it's a matter of

3103

01:50:32,470 --> 01:50:30,400

record and i have a copy of that

3104

01:50:34,229 --> 01:50:32,480

software to protect my ass because at

3105

01:50:35,910 --> 01:50:34,239

the time the obama administration didn't

3106

01:50:37,669 --> 01:50:35,920

want to hear it you know

3107

01:50:40,229 --> 01:50:37,679

everything was good with iran which is

3108

01:50:41,589 --> 01:50:40,239

nonsense so anyway i've been involved in

3109

01:50:43,910 --> 01:50:41,599

all this stuff so i have been dealing

3110

01:50:46,070 --> 01:50:43,920

with investigators back east and there's

3111

01:50:47,350 --> 01:50:46,080

one thing that was rather interesting in

3112

01:50:50,310 --> 01:50:47,360

the recent

3113

01:50:52,149 --> 01:50:50,320

change to the board personnel with ttsa

3114

01:50:53,830 --> 01:50:52,159

which again has caused investigators to

3115

01:50:55,189 --> 01:50:53,840

look at this

3116

01:50:58,950 --> 01:50:55,199

i wondered

3117

01:51:00,790 --> 01:50:58,960

why it was that a media savvy president

3118

01:51:02,550 --> 01:51:00,800

trump in this case

3119

01:51:04,629 --> 01:51:02,560

all this stuff's going on about ufos

3120

01:51:06,629 --> 01:51:04,639

ttsa history channel all that new york

3121

01:51:09,750 --> 01:51:06,639

times and the white house is largely

3122

01:51:11,990 --> 01:51:09,760

silent look how long it was steve

3123

01:51:14,709 --> 01:51:12,000

before trump finally said something

3124

01:51:16,149 --> 01:51:14,719

about ufos it was well over a year yeah

3125

01:51:18,550 --> 01:51:16,159

after the new york times story that's

3126
01:51:21,270 --> 01:51:18,560
strange too because he is definitely the

3127
01:51:23,589 --> 01:51:21,280
most media savvy president and and also

3128
01:51:25,350 --> 01:51:23,599
a manipulator a master manipulator i

3129
01:51:28,390 --> 01:51:25,360
would say of the media

3130
01:51:30,550 --> 01:51:28,400
absolutely just ignore that absolutely

3131
01:51:33,589 --> 01:51:30,560
absolutely so he missed an opportunity

3132
01:51:35,430 --> 01:51:33,599
to miss an opportunity which you know

3133
01:51:36,390 --> 01:51:35,440
you can interpret that one or two ways

3134
01:51:38,149 --> 01:51:36,400
with trump

3135
01:51:38,950 --> 01:51:38,159
so now

3136
01:51:40,950 --> 01:51:38,960
so

3137
01:51:42,470 --> 01:51:40,960
the only way that that would be possible

3138
01:51:43,910 --> 01:51:42,480

is if somebody in the white house

3139

01:51:47,669 --> 01:51:43,920

communications

3140

01:51:50,229 --> 01:51:47,679

uh hierarchy made the determination not

3141

01:51:51,589 --> 01:51:50,239

to allow this data to boil up to the

3142

01:51:52,709 --> 01:51:51,599

point where the president would get a

3143

01:51:54,870 --> 01:51:52,719

whiff of it

3144

01:51:56,950 --> 01:51:54,880

because you know he other than the stuff

3145

01:51:59,270 --> 01:51:56,960

he looks at himself there are people who

3146

01:52:01,589 --> 01:51:59,280

screen and filter his stuff that's what

3147

01:52:02,870 --> 01:52:01,599

they do for big guys okay

3148

01:52:07,189 --> 01:52:02,880

well

3149

01:52:11,030 --> 01:52:07,199

that one of the the newest member of

3150

01:52:12,709 --> 01:52:11,040

ttsa was a former deputy big shot in the

3151
01:52:13,990 --> 01:52:12,719
communications director of the white

3152
01:52:16,870 --> 01:52:14,000
house

3153
01:52:18,790 --> 01:52:16,880
for 18 months and he left right after

3154
01:52:22,070 --> 01:52:18,800
the history channel did their thing and

3155
01:52:24,229 --> 01:52:22,080
now he's with tsa what are the odds

3156
01:52:25,830 --> 01:52:24,239
yeah i'm right there with you do you i

3157
01:52:26,790 --> 01:52:25,840
want to encourage my listeners you can

3158
01:52:30,070 --> 01:52:26,800
just

3159
01:52:32,310 --> 01:52:30,080
search on amazon to get cal's books uh

3160
01:52:34,070 --> 01:52:32,320
but if if you want people to contact you

3161
01:52:35,589 --> 01:52:34,080
is there a way that people can get in

3162
01:52:37,830 --> 01:52:35,599
touch with you

3163
01:52:40,390 --> 01:52:37,840

yeah my facebook page is open to the

3164

01:52:42,790 --> 01:52:40,400

public so most people have facebook you

3165

01:52:46,070 --> 01:52:42,800

can easily find me also if you want to

3166

01:52:47,510 --> 01:52:46,080

email me it's calcorf at yahoo.com

3167

01:52:49,350 --> 01:52:47,520

um had it

3168

01:52:50,470 --> 01:52:49,360

that email address forever

3169

01:52:52,390 --> 01:52:50,480

um

3170

01:52:54,070 --> 01:52:52,400

you know pretty reachable guy also you

3171

01:52:57,030 --> 01:52:54,080

can click on some of the links for

3172

01:52:59,430 --> 01:52:57,040

articles like on my medium page so

3173

01:53:02,229 --> 01:52:59,440

uh or if they want to try to reach you

3174

01:53:04,550 --> 01:53:02,239

uh me through you that's fine i have not

3175

01:53:06,390 --> 01:53:04,560

reactivated my web pages because i'm

3176

01:53:08,229 --> 01:53:06,400

just not sure they're needed because

3177

01:53:10,830 --> 01:53:08,239

they're redundant i got i put everything

3178

01:53:12,709 --> 01:53:10,840

on my facebook page uh why should i have

3179

01:53:14,550 --> 01:53:12,719

a face uh

3180

01:53:16,950 --> 01:53:14,560

calport.com page even though i have that

3181

01:53:18,390 --> 01:53:16,960

domain that says the same thing i don't

3182

01:53:20,030 --> 01:53:18,400

know i mean

3183

01:53:22,470 --> 01:53:20,040

i'm right there with you i just

3184

01:53:24,709 --> 01:53:22,480

directed.com to go to the facebook page

3185

01:53:26,470 --> 01:53:24,719

because it's so much easier yeah than

3186

01:53:27,669 --> 01:53:26,480

maintaining the web page and stuff like

3187

01:53:29,990 --> 01:53:27,679

that

3188

01:53:31,910 --> 01:53:30,000

yeah exactly and so uh when these

3189

01:53:33,830 --> 01:53:31,920

updates come out uh we'll have all this

3190

01:53:37,109 --> 01:53:33,840

figured out because we've got partners

3191

01:53:39,189 --> 01:53:37,119

um i have coming out on november 22nd it

3192

01:53:40,790 --> 01:53:39,199

should be on amazon the upcoming expose

3193

01:53:42,709 --> 01:53:40,800

on annie jacobson

3194

01:53:43,990 --> 01:53:42,719

and i had written that seven eight years

3195

01:53:47,030 --> 01:53:44,000

ago and it was published in the

3196

01:53:50,550 --> 01:53:47,040

newspapers but it's alive again because

3197

01:53:53,189 --> 01:53:50,560

again lack of opposition so i decided to

3198

01:53:55,910 --> 01:53:53,199

expand it to a book get it out there and

3199

01:53:58,070 --> 01:53:55,920

then i'm done with that issue uh but at

3200

01:54:00,070 --> 01:53:58,080

least when people search on her

3201

01:54:02,550 --> 01:54:00,080

she'll be able to find out that uh you

3202

01:54:04,390 --> 01:54:02,560

know her book is not true

3203

01:54:06,950 --> 01:54:04,400

well my friends that music means that

3204

01:54:10,550 --> 01:54:06,960

our time is running out here on the

3205

01:54:15,669 --> 01:54:13,270

in these past couple of weeks together

3206

01:54:17,830 --> 01:54:15,679

we have gone down the rabbit hole of the

3207

01:54:19,910 --> 01:54:17,840

billy meyer case

3208

01:54:23,830 --> 01:54:19,920

and i don't know about you but i am

3209

01:54:25,750 --> 01:54:23,840

sufficiently convinced after this time

3210

01:54:27,030 --> 01:54:25,760

that there's not much to the billy meyer

3211

01:54:29,350 --> 01:54:27,040

case

3212

01:54:32,310 --> 01:54:29,360

i think the evidence just isn't there it

3213

01:54:34,310 --> 01:54:32,320

falls apart under all scrutiny

3214

01:54:37,030 --> 01:54:34,320

and our guest tonight kalkworth to his

3215

01:54:39,910 --> 01:54:37,040

credit has pointed me in the direction

3216

01:54:42,790 --> 01:54:39,920

of what i believe is the truth

3217

01:54:46,070 --> 01:54:42,800

tonight i tried to get to the truth and

3218

01:54:48,390 --> 01:54:46,080

i took you with me on this journey until
