With Manny from AREA503

00:01:47,109 --> 00:00:44,830
[Music]

2
00:01:47,119 --> 00:01:53,370
so

3
00:02:40,300 --> 00:02:06,770
[Music]

4
00:02:40,310 --> 00:02:44,890
[Applause]

5
00:02:58,650 --> 00:02:56,150
[Music]

6
00:03:34,730 --> 00:02:58,660
so

7
00:03:34,740 --> 00:03:59,990
[Music]

8
00:04:04,949 --> 00:04:02,550
greetings and salutations friends and

9
00:04:07,509 --> 00:04:04,959
welcome back to truth seekers tonight is

10
00:04:09,429 --> 00:04:07,519
going to be um

11
00:04:11,830 --> 00:04:09,439
i don't want to say a victory lap of

12
00:04:13,030 --> 00:04:11,840
sorts but maybe because some of you may

13
00:04:13,869 --> 00:04:13,040

remember

14

00:04:17,990 --> 00:04:13,879

in

15

00:04:21,349 --> 00:04:18,000

2017 former rock star

16

00:04:25,189 --> 00:04:21,359

of blink 182 fan tom delong started a

17

00:04:27,749 --> 00:04:25,199

public benefit company and solicited

18

00:04:30,550 --> 00:04:27,759

investors for money and i started

19

00:04:32,790 --> 00:04:30,560

raising alarm bells right away from the

20

00:04:34,550 --> 00:04:32,800

very beginning from the first press

21

00:04:37,189 --> 00:04:34,560

conference because in the first press

22

00:04:38,629 --> 00:04:37,199

conference and uh there are clips of me

23

00:04:40,310 --> 00:04:38,639

bringing this up

24

00:04:43,030 --> 00:04:40,320

back then

25

00:04:44,310 --> 00:04:43,040

tom delong famously promised investors

26

00:04:47,270 --> 00:04:44,320

that they were going to create a

27

00:04:49,030 --> 00:04:47,280

revolutionary or a spaceship with a

28

00:04:50,550 --> 00:04:49,040

revolutionary power source which would

29

00:04:51,990 --> 00:04:50,560

change the world

30

00:04:53,830 --> 00:04:52,000

now

31

00:04:56,230 --> 00:04:53,840

because of various jobs i had i knew a

32

00:04:58,469 --> 00:04:56,240

little bit about a public companies and

33

00:05:01,909 --> 00:04:58,479

invest investment and

34

00:05:03,909 --> 00:05:01,919

i had a real problem with them promising

35

00:05:05,350 --> 00:05:03,919

people a spaceship

36

00:05:08,790 --> 00:05:05,360

right off the bat

37

00:05:10,230 --> 00:05:08,800

and i uh commented that tom delong and

38

00:05:11,909 --> 00:05:10,240

his friends better come through with

39

00:05:13,510 --> 00:05:11,919

this spaceship that they're promising

40

00:05:15,430 --> 00:05:13,520

while they're soliciting public

41

00:05:18,230 --> 00:05:15,440

investment money because that's going to

42

00:05:21,029 --> 00:05:18,240

be a real problem for them with the sec

43

00:05:22,870 --> 00:05:21,039

if they don't indeed follow through with

44

00:05:24,790 --> 00:05:22,880

what they're promising the investors

45

00:05:26,390 --> 00:05:24,800

while invest you know

46

00:05:27,270 --> 00:05:26,400

taking their money

47

00:05:30,310 --> 00:05:27,280

um

48

00:05:33,909 --> 00:05:30,320

and at various times i have spoken up

49

00:05:36,550 --> 00:05:33,919

and out and against tsa um

50

00:05:38,310 --> 00:05:36,560

haven't gone as strongly as some people

51
00:05:40,469 --> 00:05:38,320
like dark journalists who called it a

52
00:05:43,510 --> 00:05:40,479
cia psyop even though they had a

53
00:05:46,070 --> 00:05:43,520
combined experience of 150 years of

54
00:05:48,790 --> 00:05:46,080
experience in the cia

55
00:05:51,029 --> 00:05:48,800
on their board and various uh

56
00:05:53,749 --> 00:05:51,039
people involved with ttsa you could add

57
00:05:55,990 --> 00:05:53,759
it up dark journalists did 150 years of

58
00:05:59,270 --> 00:05:56,000
cia experience between all of the

59
00:06:01,749 --> 00:05:59,280
members of the ttsa board etc

60
00:06:02,550 --> 00:06:01,759
now i tried several times to get through

61
00:06:05,749 --> 00:06:02,560
these

62
00:06:08,070 --> 00:06:05,759
sec filings they're very confusing and i

63
00:06:10,710 --> 00:06:08,080

didn't want to misspeak or say something

64

00:06:13,110 --> 00:06:10,720

wrong i'm not a forensic accountant most

65

00:06:15,270 --> 00:06:13,120

people aren't and i tried two or three

66

00:06:18,629 --> 00:06:15,280

times to get through these i wasn't able

67

00:06:21,110 --> 00:06:18,639

to but i had been talking to manny and

68

00:06:23,749 --> 00:06:21,120

uh from area 503 you may remember him

69

00:06:25,430 --> 00:06:23,759

from the who's lou documentary um last

70

00:06:28,230 --> 00:06:25,440

time he was here right after that is

71

00:06:30,230 --> 00:06:28,240

when all the [h__\h] started

72

00:06:32,230 --> 00:06:30,240

so i'm kind of bracing myself like what

73

00:06:34,629 --> 00:06:32,240

kind of [h__\h] is going to start this time

74

00:06:37,110 --> 00:06:34,639

with this controversial son of a [h__\h]

75

00:06:39,029 --> 00:06:37,120

but i love him uh because he does great

76

00:06:40,870 --> 00:06:39,039

work and we've got him back in our green

77

00:06:41,590 --> 00:06:40,880

room right now we're getting him sobered

78

00:06:45,590 --> 00:06:41,600

up

79

00:06:47,270 --> 00:06:45,600

um yeah no i think he's ready all right

80

00:06:49,189 --> 00:06:47,280

so there you go

81

00:06:50,070 --> 00:06:49,199

is the [h__\h] gonna start

82

00:06:52,550 --> 00:06:50,080

again

83

00:06:54,469 --> 00:06:52,560

um yeah probably i'm just calling it

84

00:06:56,629 --> 00:06:54,479

real bad it's probably gonna start again

85

00:06:58,230 --> 00:06:56,639

you know like we just yeah it seems like

86

00:06:59,749 --> 00:06:58,240

whenever you rock the boat a little bit

87

00:07:01,430 --> 00:06:59,759

with this particular group that there's

88

00:07:04,309 --> 00:07:01,440

always some kind of backlash because

89

00:07:05,749 --> 00:07:04,319

it's so confrontational and and warlike

90

00:07:07,189 --> 00:07:05,759

and stuff with these people that they

91

00:07:08,629 --> 00:07:07,199

just have to respond in that way they

92

00:07:10,230 --> 00:07:08,639

can't just sit down and be like oh

93

00:07:11,909 --> 00:07:10,240

here's counter facts here's a counter

94

00:07:13,670 --> 00:07:11,919

argument that that is intelligent you

95

00:07:16,309 --> 00:07:13,680

know that's logical or whatever they

96

00:07:17,510 --> 00:07:16,319

just have to go to war you know so um

97

00:07:19,110 --> 00:07:17,520

whatever we don't have to sink to that

98

00:07:20,950 --> 00:07:19,120

level you know like that's i've tried

99

00:07:23,510 --> 00:07:20,960

not to you know we'll just keep our

100

00:07:25,589 --> 00:07:23,520

heads up moving on but do you remember

101
00:07:28,870 --> 00:07:25,599
though back then in 28

102
00:07:32,629 --> 00:07:28,880
2017 2018 2019

103
00:07:34,550 --> 00:07:32,639
this tsa we called them tsa fanboys

104
00:07:37,749 --> 00:07:34,560
and they were all over ufo twitter and

105
00:07:41,270 --> 00:07:37,759
all over twitter and you could not even

106
00:07:44,309 --> 00:07:41,280
question tsa or you would get

107
00:07:45,990 --> 00:07:44,319
like hounded by a hundred different i

108
00:07:48,629 --> 00:07:46,000
don't know if they were sock puppets or

109
00:07:51,749 --> 00:07:48,639
accounts some people have suggested

110
00:07:55,110 --> 00:07:51,759
that the attack dogs all over twitter

111
00:07:56,390 --> 00:07:55,120
anytime you question tsa were cia psyop

112
00:07:58,230 --> 00:07:56,400
they don't want people knowing that the

113
00:08:00,150 --> 00:07:58,240

psyop is a psyop and there's all kinds

114

00:08:01,749 --> 00:08:00,160

of conspiracy theories because it was

115

00:08:03,589 --> 00:08:01,759

just so venomous like you couldn't even

116

00:08:05,189 --> 00:08:03,599

ask a question

117

00:08:05,909 --> 00:08:05,199

about that you know like i started going

118

00:08:07,830 --> 00:08:05,919

where

119

00:08:09,350 --> 00:08:07,840

i can't wait to see the spaceship i want

120

00:08:11,670 --> 00:08:09,360

to take a ride in it and they would all

121

00:08:13,589 --> 00:08:11,680

jump all over me and it would be this

122

00:08:15,749 --> 00:08:13,599

big thing and now

123

00:08:16,950 --> 00:08:15,759

it's funny like where are all those

124

00:08:19,830 --> 00:08:16,960

rabid

125

00:08:21,909 --> 00:08:19,840

you know fans now that it is

126

00:08:23,830 --> 00:08:21,919

by the way i put the description to

127

00:08:25,110 --> 00:08:23,840

manny's video which he just premiered he

128

00:08:27,350 --> 00:08:25,120

just came over here straight from the

129

00:08:29,110 --> 00:08:27,360

premiere we arranged it this way but

130

00:08:31,589 --> 00:08:29,120

there

131

00:08:34,230 --> 00:08:31,599

in his video is a point-by-point

132

00:08:37,350 --> 00:08:34,240

breakdown of exactly how they and i'm

133

00:08:39,509 --> 00:08:37,360

going to say this ttsa [h__h] all the

134

00:08:42,630 --> 00:08:39,519

investors everybody who invested money

135

00:08:45,430 --> 00:08:42,640

in ttsa got literally bent over and

136

00:08:47,829 --> 00:08:45,440

[h__h] by tom delong lou elizondo and

137

00:08:49,910 --> 00:08:47,839

everybody in ttsa

138

00:08:52,070 --> 00:08:49,920

uh because they do like you could

139

00:08:54,870 --> 00:08:52,080

explain it better but they they diluted

140

00:08:57,590 --> 00:08:54,880

the stock so much that it became

141

00:08:59,829 --> 00:08:57,600

just worthless right

142

00:09:01,350 --> 00:08:59,839

right and you know if you remember it

143

00:09:03,509 --> 00:09:01,360

started out pretty worthless at like

144

00:09:04,230 --> 00:09:03,519

three one thousandth of a penny's value

145

00:09:06,230 --> 00:09:04,240

per

146

00:09:08,710 --> 00:09:06,240

uh share that they sold for five dollars

147

00:09:10,230 --> 00:09:08,720

u.s you know so it started out worse

148

00:09:11,990 --> 00:09:10,240

like i said in the video and or it

149

00:09:13,110 --> 00:09:12,000

started out horrible and it got worse as

150

00:09:15,190 --> 00:09:13,120

time went on

151
00:09:16,630 --> 00:09:15,200
and you know like

152
00:09:18,070 --> 00:09:16,640
let me touch on a couple of things that

153
00:09:19,670 --> 00:09:18,080
you said and you know like while i was

154
00:09:21,750 --> 00:09:19,680
backstage there you know like you said

155
00:09:23,750 --> 00:09:21,760
that you one have been calling this out

156
00:09:26,310 --> 00:09:23,760
since day one and i'm glad that you have

157
00:09:28,230 --> 00:09:26,320
been because um not a lot of people did

158
00:09:29,590 --> 00:09:28,240
you know like i i wasn't real vocal

159
00:09:31,750 --> 00:09:29,600
about it back in day one i wasn't

160
00:09:33,350 --> 00:09:31,760
digging through sec filings back then

161
00:09:35,990 --> 00:09:33,360
you know that wasn't until recently that

162
00:09:37,910 --> 00:09:36,000
i started doing this spaceship promises

163
00:09:40,630 --> 00:09:37,920

it was the spaceship promises that did

164

00:09:42,790 --> 00:09:40,640

it to me i went there's no way that this

165

00:09:44,389 --> 00:09:42,800

is way over promising and under

166

00:09:46,630 --> 00:09:44,399

delivering you can't do that while

167

00:09:48,230 --> 00:09:46,640

you're in while you're so right way too

168

00:09:49,910 --> 00:09:48,240

many groups

169

00:09:51,110 --> 00:09:49,920

yeah it seemed like a pump and dump scam

170

00:09:53,030 --> 00:09:51,120

like they were going to promise the

171

00:09:55,110 --> 00:09:53,040

world get all the money and blow it all

172

00:09:56,949 --> 00:09:55,120

on whatever and basically what i

173

00:09:58,150 --> 00:09:56,959

predicted happened they spent all the

174

00:10:00,389 --> 00:09:58,160

money

175

00:10:03,110 --> 00:10:00,399

and then some right and they just didn't

176

00:10:05,110 --> 00:10:03,120

deliver anything except entertainment

177

00:10:07,590 --> 00:10:05,120

[h__\h]

178

00:10:09,509 --> 00:10:07,600

yeah so they they did have a like i said

179

00:10:11,110 --> 00:10:09,519

the illustra rapid response was

180

00:10:13,829 --> 00:10:11,120

something that they actually produced

181

00:10:16,550 --> 00:10:13,839

for the krata but the significant amount

182

00:10:17,509 --> 00:10:16,560

of their money a movie truck yeah great

183

00:10:18,389 --> 00:10:17,519

great

184

00:10:20,150 --> 00:10:18,399

yeah

185

00:10:21,670 --> 00:10:20,160

oh on that point on what moonlick is

186

00:10:23,350 --> 00:10:21,680

saying there and on what dark

187

00:10:26,470 --> 00:10:23,360

journalists said i think the number is

188

00:10:28,310 --> 00:10:26,480

actually a lot higher than 150 because a

189

00:10:29,670 --> 00:10:28,320

lot of the advisors that they have in

190

00:10:32,310 --> 00:10:29,680

these little committees and stuff are

191

00:10:34,150 --> 00:10:32,320

all like cia too and so you start adding

192

00:10:35,670 --> 00:10:34,160

that up

193

00:10:37,509 --> 00:10:35,680

you know

194

00:10:39,110 --> 00:10:37,519

yeah it might even be here or even

195

00:10:40,790 --> 00:10:39,120

significantly more you know like you

196

00:10:43,509 --> 00:10:40,800

just don't even know but there's a lot

197

00:10:45,030 --> 00:10:43,519

of those people that i said yesterday on

198

00:10:47,030 --> 00:10:45,040

the josh and artemis show we talked

199

00:10:49,110 --> 00:10:47,040

about it briefly and i said you know the

200

00:10:51,269 --> 00:10:49,120

place crawls and it does it crawls with

201
00:10:52,470 --> 00:10:51,279
cia people all over the back of the

202
00:10:54,550 --> 00:10:52,480
house it's like the front of the house

203
00:10:56,630 --> 00:10:54,560
is tom delong the entertainment stuff

204
00:10:58,310 --> 00:10:56,640
which we're still seeing um i think in

205
00:11:00,069 --> 00:10:58,320
february he finished shooting monsters

206
00:11:01,269 --> 00:11:00,079
of california so it's in post-production

207
00:11:03,269 --> 00:11:01,279
we'll see that by the end of the year

208
00:11:04,710 --> 00:11:03,279
hopefully um and hopefully it's a big

209
00:11:07,590 --> 00:11:04,720
smash for them because i think they own

210
00:11:09,350 --> 00:11:07,600
that but the problem with tsa is as i

211
00:11:11,269 --> 00:11:09,360
outlined in the video is that all the

212
00:11:13,350 --> 00:11:11,279
money they get ends up getting gobbled

213
00:11:15,350 --> 00:11:13,360

up by the long man he just takes a snack

214

00:11:17,509 --> 00:11:15,360

out of everything yeah

215

00:11:19,990 --> 00:11:17,519

i have a big i have a big problem with

216

00:11:24,310 --> 00:11:20,000

the fact that he he out of investor

217

00:11:27,509 --> 00:11:24,320

money he paid his sister 150 000 a year

218

00:11:31,430 --> 00:11:27,519

to be a public relations person have you

219

00:11:34,150 --> 00:11:31,440

manny ever emailed her or them to try to

220

00:11:36,150 --> 00:11:34,160

get questions answered she got paid a

221

00:11:38,949 --> 00:11:36,160

hundred and fifty thousand dollars a

222

00:11:41,030 --> 00:11:38,959

year for how many years now

223

00:11:42,949 --> 00:11:41,040

right is it fine well i think the salary

224

00:11:45,190 --> 00:11:42,959

on the board the the paperwork that i

225

00:11:47,350 --> 00:11:45,200

saw said that her salary was 100 000 for

226
00:11:49,030 --> 00:11:47,360
being on the board and that she was one

227
00:11:50,550 --> 00:11:49,040
of two people who were drawing a salary

228
00:11:52,550 --> 00:11:50,560
here at this point but that doesn't mean

229
00:11:53,990 --> 00:11:52,560
that they haven't before because other

230
00:11:55,509 --> 00:11:54,000
people have drawn salaries and that's

231
00:11:56,790 --> 00:11:55,519
something that i need that i wanted to

232
00:11:58,470 --> 00:11:56,800
touch on do you like you said so many

233
00:12:00,790 --> 00:11:58,480
things right at the get-go like would

234
00:12:04,069 --> 00:12:00,800
you say that this is a twisted web dude

235
00:12:05,910 --> 00:12:04,079
it is a twisted twisted web and you know

236
00:12:07,350 --> 00:12:05,920
i really had to take that snapshot of

237
00:12:08,870 --> 00:12:07,360
that period that they were those first

238
00:12:11,269 --> 00:12:08,880

two years that they were offering stocks

239

00:12:13,350 --> 00:12:11,279

to try to get just something locked down

240

00:12:15,750 --> 00:12:13,360

that we could look at because there's so

241

00:12:17,670 --> 00:12:15,760

much willy-nilly back and forth

242

00:12:19,590 --> 00:12:17,680

maneuverings behind the scenes with the

243

00:12:22,230 --> 00:12:19,600

corporations and the contracts and the

244

00:12:24,550 --> 00:12:22,240

licensing and all of that stuff that

245

00:12:26,069 --> 00:12:24,560

it's just so dang confusing like you say

246

00:12:28,069 --> 00:12:26,079

you start to get into it and you and you

247

00:12:29,829 --> 00:12:28,079

try to draw a road map of it and it

248

00:12:31,509 --> 00:12:29,839

looks like you know a three-year-old's

249

00:12:34,069 --> 00:12:31,519

crayon drawing because things are just

250

00:12:36,949 --> 00:12:34,079

going everywhere yeah i feel like and he

251
00:12:38,710 --> 00:12:36,959
folded it and he had all that 400 000

252
00:12:41,590 --> 00:12:38,720
of his own debt

253
00:12:43,350 --> 00:12:41,600
into tsa somehow right so there's four

254
00:12:45,509 --> 00:12:43,360
so he's like watch this thing and it

255
00:12:48,629 --> 00:12:45,519
goes hey everybody i need you to invest

256
00:12:50,710 --> 00:12:48,639
in my new company i'm gonna take 400 000

257
00:12:52,310 --> 00:12:50,720
of my debt though and start the company

258
00:12:54,629 --> 00:12:52,320
right there four hundred thousand

259
00:12:55,430 --> 00:12:54,639
dollars in debt that's a huge problem

260
00:12:57,670 --> 00:12:55,440
right

261
00:12:59,430 --> 00:12:57,680
i i just don't understand but you know

262
00:13:01,430 --> 00:12:59,440
and i think i was wrong on the on the

263
00:13:03,110 --> 00:13:01,440

salary it could be a hundred thousand

264

00:13:04,470 --> 00:13:03,120

let's but let's go with a hundred

265

00:13:06,949 --> 00:13:04,480

thousand dollars

266

00:13:08,629 --> 00:13:06,959

tom delong you raised two

267

00:13:10,550 --> 00:13:08,639

two million a little over two million

268

00:13:13,269 --> 00:13:10,560

dollars in investor funds

269

00:13:16,629 --> 00:13:13,279

total and that would mean that he paid

270

00:13:19,110 --> 00:13:16,639

his his sister a half a million of that

271

00:13:21,430 --> 00:13:19,120

two million race so she got a quarter of

272

00:13:24,150 --> 00:13:21,440

the money in this past five years of the

273

00:13:26,949 --> 00:13:24,160

total invest investor money raised

274

00:13:28,710 --> 00:13:26,959

and she doesn't reply to emails she's

275

00:13:30,870 --> 00:13:28,720

supposed to be a pr person for them she

276

00:13:32,949 --> 00:13:30,880

won't answer questions she doesn't she

277

00:13:34,790 --> 00:13:32,959

doesn't respond to emails i have i

278

00:13:37,350 --> 00:13:34,800

emailed them a ton of times asking for

279

00:13:39,590 --> 00:13:37,360

interviews with each person asking for

280

00:13:41,509 --> 00:13:39,600

asking questions about the spaceship

281

00:13:43,509 --> 00:13:41,519

where are they at in development every

282

00:13:45,430 --> 00:13:43,519

six months i would like you know like an

283

00:13:47,670 --> 00:13:45,440

[h__h] i'm like oh wow where's the

284

00:13:49,430 --> 00:13:47,680

spaceship can we see pictures of the

285

00:13:51,430 --> 00:13:49,440

spaceship you're developing because i'm

286

00:13:53,750 --> 00:13:51,440

a troublemaking [h__h] so i would do

287

00:13:56,069 --> 00:13:53,760

that never got a reply so what is she

288

00:13:58,230 --> 00:13:56,079

getting paid all this money for half a

289

00:14:01,269 --> 00:13:58,240

million dollars in the past five years

290

00:14:03,030 --> 00:14:01,279

well she doesn't require emails

291

00:14:04,470 --> 00:14:03,040

from what i understand she's do she's

292

00:14:06,069 --> 00:14:04,480

the one who does all this you know like

293

00:14:08,069 --> 00:14:06,079

she runs the business so when we're

294

00:14:09,430 --> 00:14:08,079

talking about sec filings and different

295

00:14:11,750 --> 00:14:09,440

contracts and things like that i'm

296

00:14:13,590 --> 00:14:11,760

thinking that's her and if so i mean

297

00:14:15,189 --> 00:14:13,600

she's a very clever business person i

298

00:14:17,030 --> 00:14:15,199

have a profound respect for what they've

299

00:14:19,110 --> 00:14:17,040

done there i mean it's it's it's

300

00:14:21,350 --> 00:14:19,120

difficult to find

301

00:14:23,509 --> 00:14:21,360

quasi-legal ways to just completely

302

00:14:25,269 --> 00:14:23,519

bleed a company dry of all of its money

303

00:14:27,990 --> 00:14:25,279

that's coming in but yet they've managed

304

00:14:30,550 --> 00:14:28,000

to do it which is savvy business 101 you

305

00:14:31,990 --> 00:14:30,560

know like good for them but people need

306

00:14:33,509 --> 00:14:32,000

to be you know like that doesn't mean

307

00:14:35,110 --> 00:14:33,519

that people have to invest in it and

308

00:14:36,790 --> 00:14:35,120

that's what i'm hoping people are wise

309

00:14:39,269 --> 00:14:36,800

to you know like i can't believe they're

310

00:14:41,670 --> 00:14:39,279

trying to get new investors now like oh

311

00:14:43,750 --> 00:14:41,680

we we spent all that money the first

312

00:14:46,629 --> 00:14:43,760

dummies gave us we're looking for new

313

00:14:48,230 --> 00:14:46,639

stupid people who are going to invest in

314

00:14:49,750 --> 00:14:48,240

in you know

315

00:14:51,509 --> 00:14:49,760

and give us more money that we could

316

00:14:54,389 --> 00:14:51,519

give to give away to our friends and

317

00:14:56,389 --> 00:14:54,399

family it doesn't this is crazy and i

318

00:15:00,069 --> 00:14:56,399

listen many i've given you a promise

319

00:15:02,389 --> 00:15:00,079

i'm i know one person at the sec i'm

320

00:15:04,230 --> 00:15:02,399

calling him i'm sending him your video

321

00:15:07,030 --> 00:15:04,240

and i know him enough to know that he's

322

00:15:08,949 --> 00:15:07,040

an interested and he's interested in in

323

00:15:10,790 --> 00:15:08,959

scammy stuff like i've contacted him

324

00:15:12,710 --> 00:15:10,800

before about different things like the

325

00:15:15,030 --> 00:15:12,720

pump and dumb scam that pete peterson

326

00:15:17,590 --> 00:15:15,040

dave david wilcox uh

327

00:15:19,269 --> 00:15:17,600

fraud fake source was involved in and he

328

00:15:22,069 --> 00:15:19,279

looked into that but then pete peterson

329

00:15:23,910 --> 00:15:22,079

died so he you know he couldn't but i'm

330

00:15:26,470 --> 00:15:23,920

gonna send it to him and then i went and

331

00:15:29,110 --> 00:15:26,480

on i went on the record comments from

332

00:15:32,069 --> 00:15:29,120

somebody at the sec i want them to watch

333

00:15:34,389 --> 00:15:32,079

this one hour it's very concise here's

334

00:15:36,870 --> 00:15:34,399

your explanation of what they did tell

335

00:15:39,509 --> 00:15:36,880

me how this is legal tell me is there an

336

00:15:41,509 --> 00:15:39,519

open investigation into tom de long

337

00:15:43,189 --> 00:15:41,519

louis elizondo hal put off and all these

338

00:15:45,189 --> 00:15:43,199

guys or

339

00:15:46,710 --> 00:15:45,199

why isn't there an open

340

00:15:50,230 --> 00:15:46,720

investigation into this because it's

341

00:15:51,990 --> 00:15:50,240

clearly something's not right here

342

00:15:53,509 --> 00:15:52,000

yeah it sure doesn't seem that way and i

343

00:15:55,509 --> 00:15:53,519

and i said that too i said well it's a

344

00:15:57,590 --> 00:15:55,519

public benefit corporation it seems like

345

00:15:59,430 --> 00:15:57,600

it's structured to pretty much just

346

00:16:01,269 --> 00:15:59,440

benefit along the most and then the

347

00:16:03,269 --> 00:16:01,279

other board members because you know

348

00:16:04,949 --> 00:16:03,279

like they all the way that they do it is

349

00:16:06,949 --> 00:16:04,959

they give themselves those stocks and

350

00:16:09,590 --> 00:16:06,959

they play willy nilly with those stocks

351
00:16:11,829 --> 00:16:09,600
and what i mean by willy nilly well you

352
00:16:14,710 --> 00:16:11,839
know like there's one point where they

353
00:16:16,629 --> 00:16:14,720
say that jim semivan and hal put off

354
00:16:19,189 --> 00:16:16,639
relinquished a whole bunch of stocks

355
00:16:21,269 --> 00:16:19,199
back to the company um but what they

356
00:16:23,269 --> 00:16:21,279
don't tell you is that most likely

357
00:16:25,110 --> 00:16:23,279
there's another part of the filing where

358
00:16:27,509 --> 00:16:25,120
they were compensated for that in some

359
00:16:29,350 --> 00:16:27,519
form um examples

360
00:16:31,749 --> 00:16:29,360
along doing the same thing yeah like

361
00:16:33,189 --> 00:16:31,759
last year where he he took one of their

362
00:16:34,790 --> 00:16:33,199
pieces of um

363
00:16:36,629 --> 00:16:34,800

i think they had a holding company

364

00:16:39,350 --> 00:16:36,639

called love movie inc that held some of

365

00:16:40,310 --> 00:16:39,360

their intellectual property and he gave

366

00:16:43,509 --> 00:16:40,320

back

367

00:16:45,430 --> 00:16:43,519

uh 300 000 in stock as part of a deal

368

00:16:47,189 --> 00:16:45,440

you know for like 100 bucks so in one

369

00:16:49,189 --> 00:16:47,199

filing you see oh tom delong gave back

370

00:16:51,110 --> 00:16:49,199

300 000 of these stocks for 100 bucks

371

00:16:53,829 --> 00:16:51,120

he's trying to you know make the

372

00:16:55,829 --> 00:16:53,839

investors money worth more

373

00:16:57,189 --> 00:16:55,839

offset that dilution to the value of

374

00:16:58,230 --> 00:16:57,199

their stock that we talked about in the

375

00:17:00,710 --> 00:16:58,240

film

376

00:17:02,470 --> 00:17:00,720

documentary whatever it is yeah

377

00:17:05,029 --> 00:17:02,480

oh and let me tell you something about

378

00:17:05,750 --> 00:17:05,039

that number the number that in the in

379

00:17:10,789 --> 00:17:05,760

the

380

00:17:12,870 --> 00:17:10,799

of an average number because that number

381

00:17:14,470 --> 00:17:12,880

fluctuates as they play

382

00:17:15,429 --> 00:17:14,480

what i call playing grab ass with the

383

00:17:16,710 --> 00:17:15,439

stock

384

00:17:17,909 --> 00:17:16,720

where they give each other a bunch of

385

00:17:19,669 --> 00:17:17,919

stock and they give it back for

386

00:17:21,669 --> 00:17:19,679

something else and do all this stuff

387

00:17:24,150 --> 00:17:21,679

behind the scene i've seen that number

388

00:17:26,949 --> 00:17:24,160

as high as i think 60 million where

389

00:17:29,750 --> 00:17:26,959

there were 60 million shares um

390

00:17:31,590 --> 00:17:29,760

outstanding owed or totally owned by the

391

00:17:36,230 --> 00:17:31,600

board and all them you know where the

392

00:17:38,470 --> 00:17:36,240

public investors have 440 000 and um

393

00:17:40,230 --> 00:17:38,480

yeah so the numbers go up and down daily

394

00:17:41,750 --> 00:17:40,240

in fact they just posted the last little

395

00:17:44,950 --> 00:17:41,760

bit of their second or what they're

396

00:17:47,750 --> 00:17:44,960

calling their third round of um stock uh

397

00:17:50,390 --> 00:17:47,760

sales you know what's that

398

00:17:53,029 --> 00:17:50,400

i i only like all the green

399

00:17:54,950 --> 00:17:53,039

i almost want to buy uh just the minimum

400

00:17:56,870 --> 00:17:54,960

amount of stock this way i could be a

401
00:17:59,110 --> 00:17:56,880
stockholder and then i could start

402
00:18:00,549 --> 00:17:59,120
demanding [h__h] do you know what i mean

403
00:18:02,789 --> 00:18:00,559
like start calling them up on the phone

404
00:18:05,190 --> 00:18:02,799
every day i'm an investor what's going

405
00:18:06,870 --> 00:18:05,200
on with the money they have to tell you

406
00:18:07,750 --> 00:18:06,880
good investor they got to do something

407
00:18:09,270 --> 00:18:07,760
so

408
00:18:11,430 --> 00:18:09,280
listen everybody we're going to have a

409
00:18:13,270 --> 00:18:11,440
special project here i'm going to buy

410
00:18:14,950 --> 00:18:13,280
the the minimum i think it's three

411
00:18:17,430 --> 00:18:14,960
hundred dollars i'm gonna buy the

412
00:18:19,669 --> 00:18:17,440
minimum amount of this one's 750.

413
00:18:21,590 --> 00:18:19,679

oh 750. this will have a fundraiser yeah

414

00:18:23,510 --> 00:18:21,600

this so that we can become if we can

415

00:18:24,789 --> 00:18:23,520

have fundraising we'll split into that

416

00:18:27,750 --> 00:18:24,799

yeah we'll become the money you want to

417

00:18:29,669 --> 00:18:27,760

split it up yeah yeah and then we're

418

00:18:31,990 --> 00:18:29,679

going to be stockholders so we can bust

419

00:18:33,190 --> 00:18:32,000

their balls every day about where the

420

00:18:34,950 --> 00:18:33,200

money going

421

00:18:37,270 --> 00:18:34,960

why am i not getting money back on my

422

00:18:39,190 --> 00:18:37,280

750 dollar investment because we just

423

00:18:41,270 --> 00:18:39,200

saw through your phone well they made

424

00:18:44,230 --> 00:18:41,280

two trillion dollars and then the

425

00:18:45,750 --> 00:18:44,240

stockholders got what a nickel

426

00:18:47,270 --> 00:18:45,760

well they would that was a hypothetical

427

00:18:49,270 --> 00:18:47,280

situation i was saying they didn't even

428

00:18:50,630 --> 00:18:49,280

get one billion dollars

429

00:18:51,510 --> 00:18:50,640

they didn't even get the net i don't

430

00:18:52,789 --> 00:18:51,520

know what

431

00:18:54,150 --> 00:18:52,799

yeah i don't know i haven't talked to an

432

00:18:56,390 --> 00:18:54,160

investor who said that they got any

433

00:18:58,789 --> 00:18:56,400

profit sharing at all so i don't i don't

434

00:19:00,630 --> 00:18:58,799

know if they've and the thing is like

435

00:19:02,070 --> 00:19:00,640

and i and i went over this in my live

436

00:19:03,350 --> 00:19:02,080

stream that i did a couple months back

437

00:19:05,350 --> 00:19:03,360

on this where i first started really

438

00:19:08,070 --> 00:19:05,360

digging into the paperwork on this you

439

00:19:09,430 --> 00:19:08,080

know um i think that um

440

00:19:10,710 --> 00:19:09,440

i don't know like

441

00:19:11,909 --> 00:19:10,720

it's hard to explain what's going on

442

00:19:14,630 --> 00:19:11,919

over there it's just so freaking

443

00:19:17,110 --> 00:19:14,640

complicated you know like

444

00:19:18,310 --> 00:19:17,120

sec is corrupted sorry

445

00:19:20,549 --> 00:19:18,320

i was reading one of the the chat

446

00:19:22,549 --> 00:19:20,559

comments there are money

447

00:19:24,390 --> 00:19:22,559

nobody likes the sec but they're a very

448

00:19:25,830 --> 00:19:24,400

necessary body

449

00:19:27,590 --> 00:19:25,840

even though they don't do [h__h] about all

450

00:19:29,590 --> 00:19:27,600

the congressmen and senators that are

451

00:19:32,789 --> 00:19:29,600

insider trading i want to know about

452

00:19:34,789 --> 00:19:32,799

that too like jesus christ

453

00:19:36,710 --> 00:19:34,799

openly insider trading you know our

454

00:19:39,830 --> 00:19:36,720

whole system you just go to the sec page

455

00:19:41,190 --> 00:19:39,840

and look yeah yeah it's not it's

456

00:19:42,470 --> 00:19:41,200

it needs an overhaul but what are you

457

00:19:43,669 --> 00:19:42,480

going to do like it's the only thing we

458

00:19:45,270 --> 00:19:43,679

have so

459

00:19:48,470 --> 00:19:45,280

yeah

460

00:19:50,310 --> 00:19:48,480

and i mentioned those tsa fanboys

461

00:19:52,150 --> 00:19:50,320

first i want to know where they all went

462

00:19:53,190 --> 00:19:52,160

because now i'm like i told you so

463

00:19:55,029 --> 00:19:53,200

dummies

464

00:19:56,950 --> 00:19:55,039

right and number two

465

00:19:59,350 --> 00:19:56,960

you know this is pr this is extremely

466

00:20:02,470 --> 00:19:59,360

problematic for lou elizondo and all the

467

00:20:05,029 --> 00:20:02,480

lou elizondo fans because he was there

468

00:20:06,549 --> 00:20:05,039

as at the first sign that the investors

469

00:20:09,590 --> 00:20:06,559

were getting screwed over he could have

470

00:20:11,909 --> 00:20:09,600

resigned he did not do that he he sat

471

00:20:15,590 --> 00:20:11,919

there and got his money and let that

472

00:20:18,230 --> 00:20:15,600

happen that speaks amazing volumes about

473

00:20:21,110 --> 00:20:18,240

his character about his ethics about his

474

00:20:23,190 --> 00:20:21,120

sense of morality about his honesty

475

00:20:25,190 --> 00:20:23,200

honestly and that's my opinion and i'm

476

00:20:27,669 --> 00:20:25,200

entitled to it so the fanboys are going

477

00:20:29,510 --> 00:20:27,679

to go ape [h__h] now because there's more

478

00:20:31,350 --> 00:20:29,520

evidence that lou elizondo is not

479

00:20:34,310 --> 00:20:31,360

somebody you should trust

480

00:20:36,149 --> 00:20:34,320

but especially not with your money he

481

00:20:38,470 --> 00:20:36,159

was there when he spoke he was

482

00:20:40,310 --> 00:20:38,480

endorsing a product yeah

483

00:20:42,149 --> 00:20:40,320

i mean he had to be and in fact it was

484

00:20:43,830 --> 00:20:42,159

you know it kind of goes further than

485

00:20:45,270 --> 00:20:43,840

that because this is a stock scheme you

486

00:20:46,230 --> 00:20:45,280

know they really did

487

00:20:48,230 --> 00:20:46,240

try to

488

00:20:49,750 --> 00:20:48,240

like you say pump and dump man they they

489

00:20:51,590 --> 00:20:49,760

represented that these stocks were going

490

00:20:53,190 --> 00:20:51,600

to make you rich how can you not expect

491

00:20:54,870 --> 00:20:53,200

to get rich if you're going to disrupt

492

00:20:56,549 --> 00:20:54,880

the automotive industry the internet

493

00:20:59,830 --> 00:20:56,559

continental travel industry

494

00:21:01,430 --> 00:20:59,840

transportation shipping all of it i mean

495

00:21:02,950 --> 00:21:01,440

like these are trillion dollar

496

00:21:03,990 --> 00:21:02,960

industries any one of them and you add

497

00:21:05,190 --> 00:21:04,000

them all together and they're going to

498

00:21:08,070 --> 00:21:05,200

say well we're just going to take these

499

00:21:09,669 --> 00:21:08,080

over with this technology that is i mean

500

00:21:11,350 --> 00:21:09,679

seemingly green i mean did you see the

501
00:21:12,630 --> 00:21:11,360
car there was no exhaust on their flying

502
00:21:15,190 --> 00:21:12,640
car it didn't look like it ran off of

503
00:21:16,310 --> 00:21:15,200
gas to me it had an exotic power source

504
00:21:18,950 --> 00:21:16,320
that was going to revolutionize the

505
00:21:21,029 --> 00:21:18,960
world and it was all

506
00:21:22,870 --> 00:21:21,039
garbage man it was all garbage it's the

507
00:21:25,350 --> 00:21:22,880
same garbage that's been being fed to us

508
00:21:27,750 --> 00:21:25,360
from years you know david and i call it

509
00:21:29,590 --> 00:21:27,760
wilcox david wilcox stole their scam

510
00:21:31,510 --> 00:21:29,600
because david wilcock went wait they

511
00:21:33,669 --> 00:21:31,520
promised people flying cars and they

512
00:21:36,390 --> 00:21:33,679
made two million dollars then david

513
00:21:38,390 --> 00:21:36,400

wilcox started promising right that's

514

00:21:39,669 --> 00:21:38,400

what's happening right now friends david

515

00:21:41,510 --> 00:21:39,679

well you know what will come i'd

516

00:21:43,430 --> 00:21:41,520

actually try to put the money into

517

00:21:44,789 --> 00:21:43,440

some kind of like science at least

518

00:21:46,070 --> 00:21:44,799

though at least he won't just dump it in

519

00:21:48,070 --> 00:21:46,080

everybody

520

00:21:50,390 --> 00:21:48,080

put it into a scam company that's never

521

00:21:51,750 --> 00:21:50,400

going to produce anything and tommy g is

522

00:21:54,230 --> 00:21:51,760

here yeah i just want to i want to

523

00:21:55,990 --> 00:21:54,240

clarify this because he said tsa is a

524

00:21:58,390 --> 00:21:56,000

total scam did george knapp get any

525

00:21:59,830 --> 00:21:58,400

dividends no george knapp got screwed

526

00:22:02,789 --> 00:21:59,840

because george knapp was one of the

527

00:22:04,710 --> 00:22:02,799

early investors so george knapp bought

528

00:22:05,909 --> 00:22:04,720

stock and he got screwed and didn't make

529

00:22:07,830 --> 00:22:05,919

any money just like all the other

530

00:22:09,669 --> 00:22:07,840

stockholders unless he had a separate

531

00:22:14,789 --> 00:22:09,679

deal i'm not aware of he got screwed

532

00:22:18,630 --> 00:22:16,710

george knapp was an early investor and

533

00:22:21,510 --> 00:22:18,640

then he gave them all kinds of publicity

534

00:22:22,870 --> 00:22:21,520

which for me is a is an ethical problem

535

00:22:24,630 --> 00:22:22,880

he should have disclosed at the

536

00:22:27,430 --> 00:22:24,640

beginning of every time he did a story

537

00:22:29,750 --> 00:22:27,440

on them by the way i'm an investor you

538

00:22:31,190 --> 00:22:29,760

should know that before investing or

539

00:22:33,510 --> 00:22:31,200

something and he didn't do that he just

540

00:22:36,630 --> 00:22:33,520

gave him tons of publicity and tv

541

00:22:38,230 --> 00:22:36,640

stories and and blog posts or whatever

542

00:22:40,870 --> 00:22:38,240

the mystery wire

543

00:22:44,149 --> 00:22:40,880

videos interviews you know he helped

544

00:22:47,909 --> 00:22:44,159

publicize the stock offering

545

00:22:50,470 --> 00:22:47,919

he did and he also was promoting the um

546

00:22:52,549 --> 00:22:50,480

seattle press event i think a month

547

00:22:54,390 --> 00:22:52,559

early so he definitely

548

00:22:56,310 --> 00:22:54,400

had some kind of prior knowledge what

549

00:22:57,590 --> 00:22:56,320

that was it may have been limited they

550

00:22:59,270 --> 00:22:57,600

might have just drip fed him something

551
00:23:01,110 --> 00:22:59,280
said hey something's coming but he was

552
00:23:02,390 --> 00:23:01,120
promoting it early even before those

553
00:23:05,190 --> 00:23:02,400
those um

554
00:23:06,789 --> 00:23:05,200
those uh videos were taken by elizondo

555
00:23:09,350 --> 00:23:06,799
and melon from the pentagon he was

556
00:23:11,029 --> 00:23:09,360
promoting it on twitter you know so um

557
00:23:12,870 --> 00:23:11,039
there were people that may have had been

558
00:23:14,470 --> 00:23:12,880
in on it but the level is yeah or you

559
00:23:16,310 --> 00:23:14,480
have to ask how what level were they you

560
00:23:17,750 --> 00:23:16,320
know you know how far were they in on it

561
00:23:19,190 --> 00:23:17,760
how far did they know

562
00:23:21,190 --> 00:23:19,200
now i want to thank william carr for

563
00:23:23,110 --> 00:23:21,200

kind generous five dollar canadian super

564

00:23:24,710 --> 00:23:23,120

sticker thank you for your kindness your

565

00:23:25,990 --> 00:23:24,720

generosity and your support there's a

566

00:23:27,669 --> 00:23:26,000

money button down there if you want to

567

00:23:29,750 --> 00:23:27,679

support the show we're a viewer support

568

00:23:32,549 --> 00:23:29,760

show i can't just steal money from

569

00:23:35,590 --> 00:23:32,559

investors you know

570

00:23:38,310 --> 00:23:35,600

so uh and we have trixie to thank you

571

00:23:40,070 --> 00:23:38,320

for the cash there you go this is trixie

572

00:23:43,510 --> 00:23:40,080

from truth seekers

573

00:23:47,269 --> 00:23:43,520

thanking you for your generosity

574

00:23:49,669 --> 00:23:47,279

i'm gonna praise the cash so hard i'm

575

00:23:54,630 --> 00:23:49,679

gonna teleport myself

576

00:24:04,710 --> 00:23:55,750

thank you

577

00:24:06,870 --> 00:24:04,720

very very kind of you

578

00:24:07,750 --> 00:24:06,880

so where does this go from here though

579

00:24:09,190 --> 00:24:07,760

because

580

00:24:11,669 --> 00:24:09,200

i don't understand how they're

581

00:24:13,669 --> 00:24:11,679

soliciting new donations or new

582

00:24:15,510 --> 00:24:13,679

investors when they're so how much are

583

00:24:17,190 --> 00:24:15,520

they in debt right now

584

00:24:19,750 --> 00:24:17,200

do you can even tell

585

00:24:23,110 --> 00:24:19,760

that to the best of my knowledge they're

586

00:24:25,510 --> 00:24:23,120

they're physically about five million in

587

00:24:27,510 --> 00:24:25,520

debt where they have you know real costs

588

00:24:30,390 --> 00:24:27,520

that have run under and then the rest of

589

00:24:33,110 --> 00:24:30,400

that 56 million dollar or deficit so you

590

00:24:34,230 --> 00:24:33,120

know whatever that is 46 million that

591

00:24:37,110 --> 00:24:34,240

that's um

592

00:24:39,590 --> 00:24:37,120

or you know whatever sorry 51 million

593

00:24:40,950 --> 00:24:39,600

that's the stock benefit uh program

594

00:24:43,510 --> 00:24:40,960

where they gave everybody a bunch of

595

00:24:45,990 --> 00:24:43,520

stocks and did some other uh things like

596

00:24:48,149 --> 00:24:46,000

royalties consulting fees people are

597

00:24:50,630 --> 00:24:48,159

getting all kinds of consulting fees out

598

00:24:51,590 --> 00:24:50,640

of there you know uh hal jim all of them

599

00:24:52,710 --> 00:24:51,600

get connected

600

00:24:54,230 --> 00:24:52,720

contracts

601
00:24:56,070 --> 00:24:54,240
i want to i want to make sure that i

602
00:24:57,909 --> 00:24:56,080
discuss this with you like there's a lot

603
00:24:59,430 --> 00:24:57,919
of people that are huge fans of hal put

604
00:25:01,510 --> 00:24:59,440
off like well he's been investigating

605
00:25:02,710 --> 00:25:01,520
the paranormal for many for decades for

606
00:25:04,950 --> 00:25:02,720
the government

607
00:25:08,310 --> 00:25:04,960
what people need to know about

608
00:25:10,630 --> 00:25:08,320
mr dr put off is that he works on

609
00:25:12,870 --> 00:25:10,640
nonsensical fringe science he doesn't

610
00:25:16,149 --> 00:25:12,880
have a lot of published work and

611
00:25:18,870 --> 00:25:16,159
um one thing that he's famous for is and

612
00:25:22,149 --> 00:25:18,880
this is this is embarrassing for him he

613
00:25:24,630 --> 00:25:22,159

wasted millions of dollars at the sri

614

00:25:27,269 --> 00:25:24,640

from i guess investors i don't know

615

00:25:29,669 --> 00:25:27,279

but i'm told uh

616

00:25:32,789 --> 00:25:29,679

that he wasted tons of money

617

00:25:35,190 --> 00:25:32,799

studying psychics and he declared yuri

618

00:25:37,750 --> 00:25:35,200

geller a 100

619

00:25:40,310 --> 00:25:37,760

genuine real psychic that he had super

620

00:25:42,549 --> 00:25:40,320

powers years later of course yuri geller

621

00:25:44,390 --> 00:25:42,559

would come out and admit he just used

622

00:25:47,029 --> 00:25:44,400

magic tricks to full help put off and

623

00:25:50,310 --> 00:25:47,039

everybody else so put off wasted his

624

00:25:52,710 --> 00:25:50,320

time his money and maybe investors money

625

00:25:55,110 --> 00:25:52,720

studying this fake magic trick psychic

626
00:25:56,549 --> 00:25:55,120
that was doing kids magic tricks for him

627
00:25:57,590 --> 00:25:56,559
but you know frame him a little

628
00:26:00,310 --> 00:25:57,600
different

629
00:26:02,470 --> 00:26:00,320
and he got fooled and he wasted all that

630
00:26:04,230 --> 00:26:02,480
money so hal put off is not a credible

631
00:26:06,870 --> 00:26:04,240
person those people who think he's

632
00:26:08,549 --> 00:26:06,880
incredible scientists think again he is

633
00:26:10,789 --> 00:26:08,559
a crackpot

634
00:26:13,269 --> 00:26:10,799
in my opinion

635
00:26:15,190 --> 00:26:13,279
yeah yeah i think he's he's spreading

636
00:26:17,029 --> 00:26:15,200
some misinformation you know i think

637
00:26:18,390 --> 00:26:17,039
that's what it is and that's probably

638
00:26:20,149 --> 00:26:18,400

why they're being allowed to do what

639

00:26:21,909 --> 00:26:20,159

they're do or to do what they're doing

640

00:26:23,990 --> 00:26:21,919

is because you know there is something

641

00:26:26,549 --> 00:26:24,000

in it for the government to kind of be a

642

00:26:28,149 --> 00:26:26,559

little uh lethargic as far as stopping

643

00:26:30,630 --> 00:26:28,159

this thing goes because they are getting

644

00:26:33,029 --> 00:26:30,640

their misinformation quota filled for

645

00:26:35,430 --> 00:26:33,039

free by these clowns you know yeah and

646

00:26:37,750 --> 00:26:35,440

he'll put off as a scientologist or was

647

00:26:40,390 --> 00:26:37,760

yeah he's a scientologist yeah just

648

00:26:42,470 --> 00:26:40,400

means nutter to me when i really

649

00:26:44,870 --> 00:26:42,480

apparently he's a high ranking so he's

650

00:26:47,909 --> 00:26:44,880

in on the whole xenu and the you know

651
00:26:50,070 --> 00:26:47,919
the aliens and all that stuff

652
00:26:51,669 --> 00:26:50,080
and hal got his coaching from i think

653
00:26:52,710 --> 00:26:51,679
it's kit green or maybe not maybe

654
00:26:54,710 --> 00:26:52,720
they've just been

655
00:26:57,590 --> 00:26:54,720
associating for so long that they they

656
00:26:59,669 --> 00:26:57,600
feed off each other's uh scabs you know

657
00:27:01,590 --> 00:26:59,679
or whatever but i don't know all these

658
00:27:03,830 --> 00:27:01,600
there's a few of these scientists uh

659
00:27:06,149 --> 00:27:03,840
what is it dr eric davis is another one

660
00:27:08,549 --> 00:27:06,159
and they always want money to do their

661
00:27:10,789 --> 00:27:08,559
crackpot research but they never they

662
00:27:12,230 --> 00:27:10,799
never show us anything that works it's

663
00:27:13,909 --> 00:27:12,240

just like well i'm gonna write some

664

00:27:16,070 --> 00:27:13,919

theoretical papers

665

00:27:17,669 --> 00:27:16,080

for your money you know like like the

666

00:27:19,909 --> 00:27:17,679

bass stuff you're right

667

00:27:21,269 --> 00:27:19,919

22 million dollars we got a bunch of

668

00:27:23,750 --> 00:27:21,279

whack-a-doo

669

00:27:26,149 --> 00:27:23,760

crackpot science papers that were

670

00:27:28,470 --> 00:27:26,159

largely theoretical from that put off

671

00:27:30,870 --> 00:27:28,480

and the government paid that for paid

672

00:27:32,950 --> 00:27:30,880

him for that right like

673

00:27:34,710 --> 00:27:32,960

yeah that's crazy you know like

674

00:27:36,549 --> 00:27:34,720

somebody mentioned serpo in the chat and

675

00:27:38,070 --> 00:27:36,559

i'm glad that they did and that's that's

676
00:27:40,549 --> 00:27:38,080
you know there are echoes of these same

677
00:27:42,310 --> 00:27:40,559
misinformation campaigns in this where

678
00:27:44,470 --> 00:27:42,320
you know like they they go out and there

679
00:27:46,389 --> 00:27:44,480
might be one you know anywhere from five

680
00:27:48,710 --> 00:27:46,399
or ten percent truth to this whole story

681
00:27:51,190 --> 00:27:48,720
or maybe no none but it's definitely not

682
00:27:53,029 --> 00:27:51,200
all true you know like and i remember

683
00:27:54,789 --> 00:27:53,039
when those papers were actually released

684
00:27:58,310 --> 00:27:54,799
and i was calling i did a video on them

685
00:28:00,310 --> 00:27:58,320
and there was um uh rtp's russia today

686
00:28:01,590 --> 00:28:00,320
news uh piece where i was like they were

687
00:28:03,750 --> 00:28:01,600
laughing about it you know they're like

688
00:28:05,430 --> 00:28:03,760

oh the u.s is gonna if aliens attack

689

00:28:07,430 --> 00:28:05,440

they're studying warp fields and work

690

00:28:08,870 --> 00:28:07,440

bubbles and invisibility cloaks that's

691

00:28:10,950 --> 00:28:08,880

another one people forget about remember

692

00:28:14,549 --> 00:28:10,960

the invisible yeah

693

00:28:17,750 --> 00:28:16,310

weird science but this is what you know

694

00:28:19,350 --> 00:28:17,760

like you notice

695

00:28:21,350 --> 00:28:19,360

you know let's shift gears a little bit

696

00:28:23,830 --> 00:28:21,360

you notice how like it seems like dr

697

00:28:25,510 --> 00:28:23,840

greer and now elizondo how they're kind

698

00:28:27,350 --> 00:28:25,520

of sounding like they're talking the

699

00:28:31,190 --> 00:28:27,360

same with this weird voodoo magic stuff

700

00:28:33,269 --> 00:28:31,200

and science and consciousness

701

00:28:34,549 --> 00:28:33,279

and dealing with the pacs and that's

702

00:28:36,549 --> 00:28:34,559

what you know what i think that might be

703

00:28:39,669 --> 00:28:36,559

my next piece let's look into these half

704

00:28:41,269 --> 00:28:39,679

a dozen or so ufo slash disclosure

705

00:28:43,029 --> 00:28:41,279

political action committees that are out

706

00:28:44,549 --> 00:28:43,039

there and let's see who's really behind

707

00:28:46,470 --> 00:28:44,559

those because i'm kind of curious you

708

00:28:47,110 --> 00:28:46,480

know where does that money come from is

709

00:28:49,110 --> 00:28:47,120

it

710

00:28:50,950 --> 00:28:49,120

shady dark money from a you know defense

711

00:28:53,029 --> 00:28:50,960

industry contractor is it from something

712

00:28:54,230 --> 00:28:53,039

else and why is this such a good thing

713

00:28:55,830 --> 00:28:54,240

and who who you know who are they

714

00:28:57,190 --> 00:28:55,840

representing because that's really what

715

00:28:58,470 --> 00:28:57,200

those folks are talking about you know

716

00:29:00,149 --> 00:28:58,480

like they're saying oh we're lobbying

717

00:29:01,029 --> 00:29:00,159

congress and stuff and even dr greer has

718

00:29:02,789 --> 00:29:01,039

mentioned

719

00:29:04,710 --> 00:29:02,799

the pacs and i'm thinking god why would

720

00:29:05,669 --> 00:29:04,720

you want to get involved with those

721

00:29:06,870 --> 00:29:05,679

yeah

722

00:29:08,549 --> 00:29:06,880

it's funny that you mentioned that

723

00:29:11,269 --> 00:29:08,559

because you know

724

00:29:12,950 --> 00:29:11,279

a while ago i interviewed one of those

725

00:29:14,389 --> 00:29:12,960

disclosure advocates that's always

726

00:29:16,389 --> 00:29:14,399

begging for money

727

00:29:18,149 --> 00:29:16,399

and and you know it sounded real good

728

00:29:20,149 --> 00:29:18,159

right like yeah i'm going to lobby

729

00:29:22,389 --> 00:29:20,159

congress and i'm going to be here i want

730

00:29:23,669 --> 00:29:22,399

to be here in washington stephen bassett

731

00:29:26,389 --> 00:29:23,679

that's who it was

732

00:29:28,389 --> 00:29:26,399

and uh you know he talks a good game but

733

00:29:30,710 --> 00:29:28,399

then at the end of the interview he did

734

00:29:33,269 --> 00:29:30,720

like a 10 or 20 minute pitch begging

735

00:29:35,750 --> 00:29:33,279

everybody to give him something like you

736

00:29:37,510 --> 00:29:35,760

know 20 or 30 000 so that he could stay

737

00:29:40,070 --> 00:29:37,520

in washington for a few months and talk

738

00:29:42,470 --> 00:29:40,080

to congressmen about disclosure and i

739

00:29:45,510 --> 00:29:42,480

was like that's not going to do [h__h]

740

00:29:48,149 --> 00:29:45,520

except give you a nice long vacation in

741

00:29:48,870 --> 00:29:48,159

washington d.c all expenses paid you

742

00:29:51,830 --> 00:29:48,880

know

743

00:29:53,350 --> 00:29:51,840

captain corrupted overpriced lease

744

00:29:55,269 --> 00:29:53,360

look at this one

745

00:29:57,110 --> 00:29:55,279

kind and generous five dollar super chat

746

00:29:59,830 --> 00:29:57,120

captain corrosive says this is a hundred

747

00:30:02,149 --> 00:29:59,840

times what you'd make off one tsa stock

748

00:30:03,269 --> 00:30:02,159

thank you i'm very fortunate

749

00:30:04,630 --> 00:30:03,279

thank you for your kindness your

750

00:30:06,310 --> 00:30:04,640

generosity

751
00:30:08,230 --> 00:30:06,320
and your support of the show is much

752
00:30:11,669 --> 00:30:08,240
appreciated

753
00:30:14,630 --> 00:30:11,679
this is trixie at the exclusive truth

754
00:30:21,350 --> 00:30:14,640
seekers ufo desk

755
00:30:24,870 --> 00:30:22,710
the down

756
00:30:28,180 --> 00:30:24,880
every time you donate

757
00:30:29,669 --> 00:30:28,190
i'm gonna get down

758
00:30:43,110 --> 00:30:29,679
[Music]

759
00:30:47,190 --> 00:30:45,350
so i i don't

760
00:30:49,029 --> 00:30:47,200
i don't i want to encourage people to

761
00:30:50,310 --> 00:30:49,039
make sure that they watch the video that

762
00:30:52,070 --> 00:30:50,320
you just produced

763
00:30:53,430 --> 00:30:52,080

the link to it is in the description of

764

00:30:55,190 --> 00:30:53,440

this video

765

00:30:57,909 --> 00:30:55,200

because you really worked hard on it

766

00:30:59,990 --> 00:30:57,919

it's clear right

767

00:31:02,230 --> 00:31:00,000

yeah yeah i spent a lot of time uh

768

00:31:04,070 --> 00:31:02,240

digging through those sec filings and

769

00:31:06,070 --> 00:31:04,080

having to learn you know different

770

00:31:07,190 --> 00:31:06,080

things by you know just stopping in the

771

00:31:08,389 --> 00:31:07,200

middle of research because i didn't

772

00:31:09,909 --> 00:31:08,399

understand something and going out

773

00:31:11,830 --> 00:31:09,919

figuring out what that meant and then

774

00:31:13,669 --> 00:31:11,840

coming back to it later and you know

775

00:31:15,350 --> 00:31:13,679

like any big data project like this you

776

00:31:17,350 --> 00:31:15,360

just got to kind of soak it all up and

777

00:31:18,549 --> 00:31:17,360

then kind of kick back for a week or two

778

00:31:19,830 --> 00:31:18,559

and kind of clear your head and come

779

00:31:22,230 --> 00:31:19,840

back and look at it and then just be

780

00:31:25,110 --> 00:31:22,240

like okay here we go boom you know and

781

00:31:26,870 --> 00:31:25,120

it just takes time you know but um i do

782

00:31:28,389 --> 00:31:26,880

you know i i would encourage people if

783

00:31:29,830 --> 00:31:28,399

they like the work if they if they go

784

00:31:32,389 --> 00:31:29,840

out and watch it then to go back and

785

00:31:34,389 --> 00:31:32,399

watch the live stream that i did you

786

00:31:36,310 --> 00:31:34,399

know where it's about three hours of me

787

00:31:38,070 --> 00:31:36,320

doing research because there's a lot of

788

00:31:39,430 --> 00:31:38,080

different tactics in there that i teach

789

00:31:41,190 --> 00:31:39,440

you know that people can learn from

790

00:31:43,029 --> 00:31:41,200

about how to do this reach research for

791

00:31:44,149 --> 00:31:43,039

themselves you know and i say that at

792

00:31:46,310 --> 00:31:44,159

the beginning of the video too i'm

793

00:31:47,990 --> 00:31:46,320

trying to educate the public and also

794

00:31:49,750 --> 00:31:48,000

encourage you know stimulate other

795

00:31:51,590 --> 00:31:49,760

researchers into doing their own further

796

00:31:54,549 --> 00:31:51,600

investigation you know take my work and

797

00:31:57,509 --> 00:31:54,559

run with it you know um so hopefully i'm

798

00:31:58,950 --> 00:31:57,519

successful in those endeavors

799

00:32:01,750 --> 00:31:58,960

yeah and it's the mark of a good

800

00:32:04,310 --> 00:32:01,760

researcher to be able to say that

801
00:32:06,149 --> 00:32:04,320
anybody can go after me

802
00:32:07,830 --> 00:32:06,159
with the materials i've provided and

803
00:32:09,830 --> 00:32:07,840
you'll probably come to the same

804
00:32:12,470 --> 00:32:09,840
conclusions that i have

805
00:32:14,549 --> 00:32:12,480
i tried to get through those sec filings

806
00:32:17,029 --> 00:32:14,559
and it was just like i don't know it's

807
00:32:19,110 --> 00:32:17,039
just this big maze of money being moved

808
00:32:21,830 --> 00:32:19,120
around it's a shell game that's exactly

809
00:32:24,070 --> 00:32:21,840
what it is or three card money you know

810
00:32:26,870 --> 00:32:24,080
find the queen they just keep shuffling

811
00:32:29,750 --> 00:32:26,880
money around and i it just seems

812
00:32:31,830 --> 00:32:29,760
far too complicated to me like i

813
00:32:34,470 --> 00:32:31,840

i don't know i you know i run a business

814

00:32:37,430 --> 00:32:34,480

and i have two columns expenses and

815

00:32:39,590 --> 00:32:37,440

income and that's it but they got 25

816

00:32:41,830 --> 00:32:39,600

columns of like here's debt from this

817

00:32:43,269 --> 00:32:41,840

other company that tom delong owns and

818

00:32:45,350 --> 00:32:43,279

we're going to shift some money over

819

00:32:47,190 --> 00:32:45,360

here oh and there's some assets

820

00:32:48,549 --> 00:32:47,200

and what a lot of people don't know is

821

00:32:52,549 --> 00:32:48,559

that tom delong

822

00:32:54,549 --> 00:32:52,559

folded his band into ttsa so basically

823

00:32:57,430 --> 00:32:54,559

investors were paying him

824

00:32:59,509 --> 00:32:57,440

to go play rockstar with what what i

825

00:33:02,310 --> 00:32:59,519

will say i'll say i'll use the word

826
00:33:03,750 --> 00:33:02,320
allegedly a failing

827
00:33:06,230 --> 00:33:03,760
music endeavor

828
00:33:08,950 --> 00:33:06,240
i don't believe that he's making

829
00:33:11,909 --> 00:33:08,960
real money with that uh band of his

830
00:33:12,549 --> 00:33:11,919
without the blink 182 name attached to

831
00:33:14,789 --> 00:33:12,559
it

832
00:33:16,789 --> 00:33:14,799
i think he's failing

833
00:33:17,830 --> 00:33:16,799
and there's evidence for that you know

834
00:33:18,710 --> 00:33:17,840
i'm not just

835
00:33:20,950 --> 00:33:18,720
you know

836
00:33:23,430 --> 00:33:20,960
i'm not doing research by proclamation

837
00:33:26,630 --> 00:33:23,440
i've seen live videos of his band

838
00:33:28,870 --> 00:33:26,640

performing in pretty large venues where

839

00:33:30,950 --> 00:33:28,880

it was half full or something

840

00:33:32,389 --> 00:33:30,960

and i'm told from a friend

841

00:33:34,230 --> 00:33:32,399

that they were doing something called

842

00:33:36,630 --> 00:33:34,240

four walling manny if you don't know

843

00:33:39,509 --> 00:33:36,640

what that is for walling means you've

844

00:33:41,509 --> 00:33:39,519

rent the venue so the venue may say hey

845

00:33:43,990 --> 00:33:41,519

we'll give you light sound and a doorman

846

00:33:45,509 --> 00:33:44,000

whatever and the venue the stage hands

847

00:33:47,990 --> 00:33:45,519

for twenty thousand dollars for the

848

00:33:49,269 --> 00:33:48,000

night and then you sell tickets whatever

849

00:33:51,750 --> 00:33:49,279

you make over the twenty thousand

850

00:33:54,149 --> 00:33:51,760

dollars you keep but a lot of bands that

851

00:33:56,070 --> 00:33:54,159

do that fail because they don't even

852

00:33:59,029 --> 00:33:56,080

make enough to pay for the venue for

853

00:34:01,110 --> 00:33:59,039

that night so i'd love to see a detailed

854

00:34:03,269 --> 00:34:01,120

examination of just his banned books and

855

00:34:06,230 --> 00:34:03,279

how the hell is he folding all that debt

856

00:34:08,710 --> 00:34:06,240

into ttsa and making investors cover for

857

00:34:10,790 --> 00:34:08,720

his fail you know basically investors

858

00:34:13,669 --> 00:34:10,800

can can be forced to pay for

859

00:34:15,190 --> 00:34:13,679

his business failures right and and and

860

00:34:17,349 --> 00:34:15,200

vanity projects

861

00:34:19,430 --> 00:34:17,359

will always lose money if if it's a

862

00:34:21,109 --> 00:34:19,440

vanity project it's going to lose money

863

00:34:24,310 --> 00:34:21,119

right

864

00:34:26,069 --> 00:34:24,320

accounts and if the company overall is

865

00:34:28,389 --> 00:34:26,079

losing money i think it's safe to assume

866

00:34:30,389 --> 00:34:28,399

that angels and airwaves is losing money

867

00:34:33,349 --> 00:34:30,399

because it seems to be the predominant

868

00:34:34,950 --> 00:34:33,359

part of the company you know um as well

869

00:34:37,190 --> 00:34:34,960

as all the t-shirts and all that i mean

870

00:34:38,869 --> 00:34:37,200

like you know the the sales that they

871

00:34:40,550 --> 00:34:38,879

have through their online merchandise is

872

00:34:42,550 --> 00:34:40,560

all you know that seems to be pretty

873

00:34:44,629 --> 00:34:42,560

much their main form of income you know

874

00:34:46,629 --> 00:34:44,639

they only got 25 grand from the credit

875

00:34:48,149 --> 00:34:46,639

that i could tell um they didn't produce

876
00:34:49,750 --> 00:34:48,159
anything else that i could that i could

877
00:34:51,589 --> 00:34:49,760
find uh to

878
00:34:54,069 --> 00:34:51,599
you know generate income so it's pretty

879
00:34:55,990 --> 00:34:54,079
much just the the website and if you

880
00:34:57,750 --> 00:34:56,000
look um during the time frame where they

881
00:34:59,270 --> 00:34:57,760
said oh we had increased sales well

882
00:35:00,550 --> 00:34:59,280
that's because they raised the prices on

883
00:35:03,430 --> 00:35:00,560
things and put out some pretty high

884
00:35:05,589 --> 00:35:03,440
price like um box album sets and things

885
00:35:07,910 --> 00:35:05,599
like that you know so they really are

886
00:35:09,829 --> 00:35:07,920
taking this yeah

887
00:35:11,750 --> 00:35:09,839
yeah so they're taking a very small

888
00:35:13,589 --> 00:35:11,760

market that they have and they are

889

00:35:15,589 --> 00:35:13,599

bleeding these guys dry as far as the

890

00:35:17,829 --> 00:35:15,599

merchandise goes they're just maximizing

891

00:35:19,190 --> 00:35:17,839

every little bit of it i mean 60 bucks

892

00:35:21,349 --> 00:35:19,200

for a t-shirt or whatever it is on the

893

00:35:23,349 --> 00:35:21,359

website to me is ridiculous you know a

894

00:35:25,109 --> 00:35:23,359

t-shirt should be yeah five or 20 bucks

895

00:35:28,150 --> 00:35:25,119

if you can get away with it yeah i mean

896

00:35:29,510 --> 00:35:28,160

tops 20 nowadays if you have to but

897

00:35:30,790 --> 00:35:29,520

well i mean for a merch piece because

898

00:35:32,069 --> 00:35:30,800

you're you're paying for other stuff but

899

00:35:33,190 --> 00:35:32,079

these guys are producing their own

900

00:35:35,109 --> 00:35:33,200

things so their overhead should be

901
00:35:36,630 --> 00:35:35,119
pretty low because they're paying to buy

902
00:35:38,870 --> 00:35:36,640
these things in batches and housing and

903
00:35:40,550 --> 00:35:38,880
stuff which incurs other costs but you

904
00:35:42,390 --> 00:35:40,560
know as i think i illustrated the

905
00:35:44,069 --> 00:35:42,400
majority of those operating costs are

906
00:35:45,510 --> 00:35:44,079
all going back to tom delong for some

907
00:35:47,270 --> 00:35:45,520
different wink nudge thing and like you

908
00:35:49,030 --> 00:35:47,280
said they're doing the shell game with

909
00:35:50,550 --> 00:35:49,040
the money and that's what makes it hard

910
00:35:52,470 --> 00:35:50,560
to really follow it so you just got to

911
00:35:54,470 --> 00:35:52,480
kind of you got to kind of assimilate it

912
00:35:56,150 --> 00:35:54,480
all step back

913
00:35:57,910 --> 00:35:56,160

you know blow away all the smoke and

914

00:35:59,829 --> 00:35:57,920

garbage and just look at the at the

915

00:36:01,670 --> 00:35:59,839

bottom line you know and so the bottom

916

00:36:03,910 --> 00:36:01,680

line was that they have a 56 million

917

00:36:06,550 --> 00:36:03,920

dollar deficit they have a 5 million

918

00:36:07,510 --> 00:36:06,560

dollar real debt deficiency and then

919

00:36:09,270 --> 00:36:07,520

they have

920

00:36:11,670 --> 00:36:09,280

all these weird stocks and things and

921

00:36:13,990 --> 00:36:11,680

meanwhile the whole time thomas delong's

922

00:36:16,310 --> 00:36:14,000

been running this company to a

923

00:36:18,790 --> 00:36:16,320

you know a real a real debt of what a

924

00:36:21,510 --> 00:36:18,800

million and a quarter a year to get you

925

00:36:22,870 --> 00:36:21,520

know uh five million over four years and

926

00:36:24,630 --> 00:36:22,880

um you know he's going to try to be like

927

00:36:26,630 --> 00:36:24,640

well it's not dead it's all deficit it's

928

00:36:28,630 --> 00:36:26,640

this it's stock you know but we see what

929

00:36:29,430 --> 00:36:28,640

they do with the stock tom delong gave

930

00:36:32,150 --> 00:36:29,440

back

931

00:36:34,310 --> 00:36:32,160

300 000 or so of the stock as part of a

932

00:36:36,069 --> 00:36:34,320

a weak nudge thing to get love movie inc

933

00:36:37,589 --> 00:36:36,079

and get some of his royalties paid off

934

00:36:39,750 --> 00:36:37,599

now let's let's talk about that where's

935

00:36:41,510 --> 00:36:39,760

all that operating money going de long's

936

00:36:43,270 --> 00:36:41,520

getting his agreement i think originally

937

00:36:46,470 --> 00:36:43,280

was a hundred thousand a year guaranteed

938

00:36:51,270 --> 00:36:49,349

he's gotten half of it so basically

939

00:36:52,950 --> 00:36:51,280

oh for sure just from that one he's

940

00:36:55,109 --> 00:36:52,960

gotten a half a million dollars in the

941

00:36:57,030 --> 00:36:55,119

past five years of the initial 2 million

942

00:36:59,430 --> 00:36:57,040

invested and his sister has gotten a

943

00:37:01,270 --> 00:36:59,440

half a million dollars of the 2 million

944

00:37:04,390 --> 00:37:01,280

initially raised in in their stock

945

00:37:06,310 --> 00:37:04,400

offering so they him and his sister took

946

00:37:07,589 --> 00:37:06,320

right off the top half of the money for

947

00:37:09,349 --> 00:37:07,599

their salaries

948

00:37:10,710 --> 00:37:09,359

or whatever benefit package they're

949

00:37:12,950 --> 00:37:10,720

getting right but there's more money

950

00:37:14,710 --> 00:37:12,960

that comes out than years it's a half a

951
00:37:16,390 --> 00:37:14,720
million dollars a hundred thousand for

952
00:37:18,870 --> 00:37:16,400
five years for each of them you know

953
00:37:20,550 --> 00:37:18,880
right and her for her 100 000 salary is

954
00:37:22,550 --> 00:37:20,560
what you're saying yeah so then you have

955
00:37:24,630 --> 00:37:22,560
another salary which was their secretary

956
00:37:26,230 --> 00:37:24,640
that had a salary then you've got leases

957
00:37:28,069 --> 00:37:26,240
on places you know which they had they

958
00:37:30,550 --> 00:37:28,079
had the encinitis the beach shack as i

959
00:37:32,230 --> 00:37:30,560
called it the encinitas joint um you

960
00:37:34,069 --> 00:37:32,240
know but they got to buy their way out

961
00:37:36,069 --> 00:37:34,079
of the lease on that with the ppp check

962
00:37:38,630 --> 00:37:36,079
as we discovered the in the live stream

963
00:37:41,430 --> 00:37:38,640

that i did yeah for everything else

964

00:37:45,109 --> 00:37:41,440

he took ppp money right he took the he

965

00:37:46,310 --> 00:37:45,119

took the yeah close to 100k money

966

00:37:47,910 --> 00:37:46,320

thank you very much

967

00:37:49,430 --> 00:37:47,920

for kindness your generosity and your

968

00:37:51,510 --> 00:37:49,440

support he says great work manny and

969

00:37:52,630 --> 00:37:51,520

steven for continuous exposing these

970

00:37:54,630 --> 00:37:52,640

frauds

971

00:37:56,710 --> 00:37:54,640

thank you uh long time thank you al

972

00:37:58,710 --> 00:37:56,720

warrior we appreciate it

973

00:38:00,870 --> 00:37:58,720

yeah i i don't understand i don't

974

00:38:02,790 --> 00:38:00,880

understand how somebody is in jail or

975

00:38:05,109 --> 00:38:02,800

somebody's not getting investigated here

976

00:38:07,030 --> 00:38:05,119

like this just seems like

977

00:38:09,030 --> 00:38:07,040

you know and then but then sometimes i

978

00:38:10,870 --> 00:38:09,040

go maybe i'm naive and this is just what

979

00:38:13,270 --> 00:38:10,880

some of these rich people get away with

980

00:38:14,790 --> 00:38:13,280

you know that you know

981

00:38:16,390 --> 00:38:14,800

you you know i'm afraid that my dad

982

00:38:19,270 --> 00:38:16,400

stephen really you know because you're a

983

00:38:20,470 --> 00:38:19,280

working class guy you know look me or

984

00:38:22,390 --> 00:38:20,480

you

985

00:38:24,710 --> 00:38:22,400

working class guy we get caught stealing

986

00:38:27,349 --> 00:38:24,720

a couple thousand dollars from somebody

987

00:38:29,190 --> 00:38:27,359

what whatever an employer whatever they

988

00:38:31,510 --> 00:38:29,200

throw the book at us man there's gonna

989

00:38:34,310 --> 00:38:31,520

be jail time you're gonna be [h__\h]

990

00:38:35,829 --> 00:38:34,320

these rich people they steal millions

991

00:38:38,150 --> 00:38:35,839

and and there's somehow there's all

992

00:38:40,710 --> 00:38:38,160

these legal loopholes and oh no it's

993

00:38:43,990 --> 00:38:40,720

okay and i have heard a lot of these

994

00:38:45,910 --> 00:38:44,000

defenders of tsa when i said oh there's

995

00:38:47,349 --> 00:38:45,920

you know there's 60 million dollars in

996

00:38:49,510 --> 00:38:47,359

debt they're like no you just don't

997

00:38:51,510 --> 00:38:49,520

understand how stocks work

998

00:38:54,230 --> 00:38:51,520

stephen you don't understand i'm like

999

00:38:56,470 --> 00:38:54,240

well who cares how stocks work they're

1000

00:38:58,069 --> 00:38:56,480

60 they have 60 million dollars in

1001

00:39:00,069 --> 00:38:58,079

liabilities they're debt on their

1002

00:39:02,150 --> 00:39:00,079

balance sheet and they screwed all the

1003

00:39:03,829 --> 00:39:02,160

investors and made the stocks for the

1004

00:39:06,630 --> 00:39:03,839

people who did give them money

1005

00:39:08,230 --> 00:39:06,640

absolutely worthless right

1006

00:39:10,310 --> 00:39:08,240

yeah i mean they pretty much they

1007

00:39:11,589 --> 00:39:10,320

started out at three one thousandth of a

1008

00:39:12,950 --> 00:39:11,599

penny the stocks did and when they

1009

00:39:15,270 --> 00:39:12,960

diluted them they just went down from

1010

00:39:17,349 --> 00:39:15,280

there and again how much they're diluted

1011

00:39:20,630 --> 00:39:17,359

changes on an investment basis it's

1012

00:39:22,390 --> 00:39:20,640

going to be like a 1 1000 uh your stock

1013

00:39:23,910 --> 00:39:22,400

is now worth one one thousandths of a

1014

00:39:25,349 --> 00:39:23,920

penny per share

1015

00:39:27,750 --> 00:39:25,359

thank you carl and barnett kind of

1016

00:39:29,670 --> 00:39:27,760

generous 9.99 carolyn barnett's a member

1017

00:39:31,589 --> 00:39:29,680

we have memberships now

1018

00:39:33,349 --> 00:39:31,599

uh says thanks steve and many for doing

1019

00:39:35,750 --> 00:39:33,359

the research and giving us the actual

1020

00:39:37,510 --> 00:39:35,760

truth now i failed at the research

1021

00:39:38,710 --> 00:39:37,520

several times ask people people have

1022

00:39:40,550 --> 00:39:38,720

asked me why don't you go through the

1023

00:39:42,950 --> 00:39:40,560

sec filing steve you'll figure this [h__\h]

1024

00:39:45,589 --> 00:39:42,960

out i tried and i got a headache every

1025

00:39:47,990 --> 00:39:45,599

time i started looking doing it again i

1026

00:39:49,589 --> 00:39:48,000

just couldn't get through it it's tough

1027

00:39:51,510 --> 00:39:49,599

you know yeah the way that i had to do

1028

00:39:53,510 --> 00:39:51,520

it was just set out with my composition

1029

00:39:55,270 --> 00:39:53,520

pad and start doing timelines and

1030

00:39:56,870 --> 00:39:55,280

documenting dates and starting to put

1031

00:39:58,550 --> 00:39:56,880

together you know so you've got these

1032

00:40:00,390 --> 00:39:58,560

timelines through that period and as i

1033

00:40:02,150 --> 00:40:00,400

found significant events during the

1034

00:40:03,589 --> 00:40:02,160

timeline i'd add them to the timeline

1035

00:40:05,910 --> 00:40:03,599

and that's the only way that i could try

1036

00:40:08,069 --> 00:40:05,920

to get a big picture about what was

1037

00:40:10,230 --> 00:40:08,079

going on because it is so complicated

1038

00:40:11,589 --> 00:40:10,240

you know um and i did have to spend

1039

00:40:13,030 --> 00:40:11,599

quite a bit of time learning new things

1040

00:40:14,550 --> 00:40:13,040

but i'm glad i did it because now i can

1041

00:40:16,390 --> 00:40:14,560

look at that stuff and rip right through

1042

00:40:17,670 --> 00:40:16,400

it you know like i i have no problem

1043

00:40:20,390 --> 00:40:17,680

reading these things and cutting right

1044

00:40:22,870 --> 00:40:20,400

to the to the chase you know and

1045

00:40:24,230 --> 00:40:22,880

but it is complicated and you know every

1046

00:40:25,910 --> 00:40:24,240

day i go back there and look at these

1047

00:40:27,030 --> 00:40:25,920

documents i discover something new that

1048

00:40:28,870 --> 00:40:27,040

i missed the first time so i'm not

1049

00:40:31,190 --> 00:40:28,880

trying to say that i'm you know joe

1050

00:40:32,630 --> 00:40:31,200

mister amazing researcher of the

1051

00:40:34,150 --> 00:40:32,640

universe you know like

1052

00:40:36,230 --> 00:40:34,160

it's not no you were this is what i

1053

00:40:38,470 --> 00:40:36,240

found yeah i i would put my research

1054

00:40:40,150 --> 00:40:38,480

skills against yours but i think that

1055

00:40:42,470 --> 00:40:40,160

you were just you beat me on the

1056

00:40:44,390 --> 00:40:42,480

determination part you know because you

1057

00:40:45,990 --> 00:40:44,400

i know from previous things i've done

1058

00:40:48,630 --> 00:40:46,000

you got to just say i'm getting through

1059

00:40:50,550 --> 00:40:48,640

this [h__\h] no matter what i have to do

1060

00:40:52,790 --> 00:40:50,560

and it was a mountain of paperwork and

1061

00:40:53,510 --> 00:40:52,800

nonsense and spreadsheets and all kinds

1062

00:40:57,910 --> 00:40:53,520

of

1063

00:41:01,030 --> 00:40:57,920

and manny made a documentary

1064

00:41:03,270 --> 00:41:01,040

yeah yes 60 60 60 pages of [h__\h] i think

1065

00:41:07,430 --> 00:41:03,280

it's 59 or 60. yeah well no it's

1066

00:41:10,950 --> 00:41:09,030

pages of [h__\h] he had to go through

1067

00:41:13,270 --> 00:41:10,960

hundreds of pages of [h__\h] to get to to

1068

00:41:16,390 --> 00:41:13,280

get us the truth about this [h__\h]

1069

00:41:18,550 --> 00:41:16,400

so i forgot that last filing was 140

1070

00:41:20,470 --> 00:41:18,560

yeah oh my god yeah hundreds and

1071

00:41:23,030 --> 00:41:20,480

hundreds of pages of [h__\h] manny had to

1072

00:41:25,270 --> 00:41:23,040

go through to to try to figure this out

1073

00:41:26,470 --> 00:41:25,280

and explain it all to us right

1074

00:41:28,309 --> 00:41:26,480

um

1075

00:41:30,069 --> 00:41:28,319

lord ludacris wants to know does manny

1076

00:41:33,990 --> 00:41:30,079

think tom was involved with bringing the

1077

00:41:35,990 --> 00:41:34,000

dvds out of the pentagon to melon

1078

00:41:37,990 --> 00:41:36,000

i don't think he was directly involved

1079

00:41:39,910 --> 00:41:38,000

but i think he definitely was part of

1080

00:41:41,910 --> 00:41:39,920

the and i'll just say it a conspiracy to

1081

00:41:43,190 --> 00:41:41,920

agree to do it otherwise he wouldn't

1082

00:41:45,430 --> 00:41:43,200

have filed for all the stocks and made

1083

00:41:47,190 --> 00:41:45,440

all the plays that he did a month ahead

1084

00:41:49,190 --> 00:41:47,200

of time you know or two months or three

1085

00:41:50,790 --> 00:41:49,200

months like he was definitely

1086

00:41:53,349 --> 00:41:50,800

i think he was definitely knew it was

1087

00:41:54,790 --> 00:41:53,359

coming so um you know there's no other

1088

00:41:56,470 --> 00:41:54,800

logical explanation with all the

1089

00:41:58,390 --> 00:41:56,480

evidence i mean i don't think he was at

1090

00:42:01,030 --> 00:41:58,400

the pentagon and physically handed him

1091

00:42:02,870 --> 00:42:01,040

from elizondo to melon no but the

1092

00:42:04,470 --> 00:42:02,880

smoking gun bit that i that you see at

1093

00:42:07,270 --> 00:42:04,480

the end there where i played the melon

1094

00:42:09,430 --> 00:42:07,280

clip and show the dvds that says it all

1095

00:42:12,150 --> 00:42:09,440

right there you got the stock you've got

1096

00:42:14,390 --> 00:42:12,160

elizondo getting the discs on the fifth

1097

00:42:16,390 --> 00:42:14,400

handed them over to melon on the seventh

1098

00:42:18,150 --> 00:42:16,400

and then the stock offering on the 29th

1099

00:42:20,230 --> 00:42:18,160

which had begun you know

1100

00:42:22,150 --> 00:42:20,240

six or eight weeks earlier in july you

1101
00:42:24,069 --> 00:42:22,160
know like so so mel you know like they

1102
00:42:25,910 --> 00:42:24,079
were all involved in it they had to be

1103
00:42:28,309 --> 00:42:25,920
you know this if there ever was a case

1104
00:42:30,630 --> 00:42:28,319
of at least three people conspiring to

1105
00:42:32,230 --> 00:42:30,640
do something i'm not sure how you can

1106
00:42:34,309 --> 00:42:32,240
make a conspiracy case if they can't

1107
00:42:35,910 --> 00:42:34,319
make one here but it's yeah and i i

1108
00:42:38,470 --> 00:42:35,920
don't understand i don't i don't

1109
00:42:41,030 --> 00:42:38,480
understand the dvd thing because

1110
00:42:43,030 --> 00:42:41,040
i i gotta imagine that i always use this

1111
00:42:45,510 --> 00:42:43,040
example let's say for example i worked

1112
00:42:49,750 --> 00:42:45,520
in the pentagon and i had enough juice

1113
00:42:52,230 --> 00:42:49,760

authority to release three drone videos

1114

00:42:54,630 --> 00:42:52,240

of attacks in let's say iraq or

1115

00:42:55,589 --> 00:42:54,640

afghanistan if i had enough juice to

1116

00:42:58,550 --> 00:42:55,599

release

1117

00:43:01,349 --> 00:42:58,560

declassify those three then i handed

1118

00:43:03,670 --> 00:43:01,359

them off to a business associate of mine

1119

00:43:04,870 --> 00:43:03,680

quit my job and then me and my business

1120

00:43:07,109 --> 00:43:04,880

associate

1121

00:43:09,510 --> 00:43:07,119

start this company and we did nothing

1122

00:43:12,309 --> 00:43:09,520

but profit from those videos that i

1123

00:43:15,270 --> 00:43:12,319

declassified and got out of the pentagon

1124

00:43:17,510 --> 00:43:15,280

for for five years we just profit profit

1125

00:43:20,550 --> 00:43:17,520

profit based on what i took out of the

1126

00:43:23,910 --> 00:43:20,560

pentagon which is owned by the taxpayers

1127

00:43:26,550 --> 00:43:23,920

and then it got a tv show deal based on

1128

00:43:28,950 --> 00:43:26,560

those three videos and the the videos

1129

00:43:30,790 --> 00:43:28,960

were in the tv show which is property of

1130

00:43:33,190 --> 00:43:30,800

the government so how do they get

1131

00:43:35,430 --> 00:43:33,200

released to be on television none of

1132

00:43:38,150 --> 00:43:35,440

this [h__h] makes any sense that's why

1133

00:43:40,390 --> 00:43:38,160

people say cia ops sometimes because if

1134

00:43:44,150 --> 00:43:40,400

it is a cia op they're not getting

1135

00:43:46,870 --> 00:43:44,160

prosecuted it's a cia op

1136

00:43:48,230 --> 00:43:46,880

well yeah but can you have a caa up

1137

00:43:50,630 --> 00:43:48,240

domestically i mean not unless it's

1138

00:43:52,150 --> 00:43:50,640

attached to a domestic investigation i

1139

00:43:54,550 --> 00:43:52,160

mean by their charter they're barred

1140

00:43:56,550 --> 00:43:54,560

from operating on american soil you know

1141

00:43:58,309 --> 00:43:56,560

so um

1142

00:44:00,150 --> 00:43:58,319

if it is a cia thing it's an off the

1143

00:44:02,550 --> 00:44:00,160

books one which might it might just be

1144

00:44:04,630 --> 00:44:02,560

it might be one of these wink nudge job

1145

00:44:06,390 --> 00:44:04,640

programs they set up for retired agents

1146

00:44:07,829 --> 00:44:06,400

to kick them back a bunch of money under

1147

00:44:10,230 --> 00:44:07,839

kratas and things like that that we're

1148

00:44:12,069 --> 00:44:10,240

not seeing um but i don't get that

1149

00:44:13,349 --> 00:44:12,079

feeling i really don't i think that this

1150

00:44:14,630 --> 00:44:13,359

is more

1151
00:44:16,870 --> 00:44:14,640
something that they're running off the

1152
00:44:19,030 --> 00:44:16,880
books and that mimics

1153
00:44:20,470 --> 00:44:19,040
because you mentioned it in your

1154
00:44:22,870 --> 00:44:20,480
documentary too and i think some people

1155
00:44:25,190 --> 00:44:22,880
might be unfamiliar with that

1156
00:44:26,790 --> 00:44:25,200
the corrupt the krata is the cooperative

1157
00:44:27,589 --> 00:44:26,800
research and development agreement that

1158
00:44:34,550 --> 00:44:27,599
the

1159
00:44:36,470 --> 00:44:34,560
programs systems things like that and

1160
00:44:38,230 --> 00:44:36,480
it's something that is required to work

1161
00:44:40,230 --> 00:44:38,240
on any sort of project that's going to

1162
00:44:41,030 --> 00:44:40,240
have a classification level if you're

1163
00:44:43,270 --> 00:44:41,040

not

1164

00:44:45,430 --> 00:44:43,280

it's part of the process to getting that

1165

00:44:47,030 --> 00:44:45,440

classification so that you can you know

1166

00:44:49,270 --> 00:44:47,040

handle sensitive information or

1167

00:44:50,870 --> 00:44:49,280

technologies or whatever so they've

1168

00:44:53,349 --> 00:44:50,880

instilled themselves there but what as

1169

00:44:55,190 --> 00:44:53,359

we see is how are these crowds abused

1170

00:44:57,030 --> 00:44:55,200

they're abused by companies like bass

1171

00:44:59,589 --> 00:44:57,040

who get 22 million dollars for junk

1172

00:45:01,510 --> 00:44:59,599

science voodoo magic papers that

1173

00:45:03,270 --> 00:45:01,520

they just simply subcontract out to help

1174

00:45:05,910 --> 00:45:03,280

put off and eric davis who both happen

1175

00:45:07,510 --> 00:45:05,920

to work for hal's company uh earth

1176

00:45:08,550 --> 00:45:07,520

whatever earth tech or whatever sky

1177

00:45:11,030 --> 00:45:08,560

whatever it's called i forget the name

1178

00:45:12,230 --> 00:45:11,040

of the company um but you know so those

1179

00:45:14,069 --> 00:45:12,240

guys all work there and that's what they

1180

00:45:15,510 --> 00:45:14,079

do you know and it's really kind of do

1181

00:45:17,430 --> 00:45:15,520

you remember in who's lou how i talked

1182

00:45:18,710 --> 00:45:17,440

about inmar technologies how lockheed

1183

00:45:20,550 --> 00:45:18,720

had kind of done anything like that for

1184

00:45:22,069 --> 00:45:20,560

their employees so this is that same

1185

00:45:23,990 --> 00:45:22,079

kind of thing that they would set up for

1186

00:45:26,230 --> 00:45:24,000

a retiring agent or a retirement in the

1187

00:45:28,390 --> 00:45:26,240

case of lockheed it was a retired in a

1188

00:45:30,390 --> 00:45:28,400

retiring engineer the guy goes sets up

1189

00:45:32,309 --> 00:45:30,400

his his private engineering company or

1190

00:45:33,910 --> 00:45:32,319

boat company and then they let him use

1191

00:45:35,190 --> 00:45:33,920

those patents that he helped work on for

1192

00:45:36,790 --> 00:45:35,200

lockheed martin

1193

00:45:39,430 --> 00:45:36,800

once they've been declassified by some

1194

00:45:40,870 --> 00:45:39,440

guy but like lou you know like then that

1195

00:45:42,550 --> 00:45:40,880

they could be you know

1196

00:45:44,069 --> 00:45:42,560

sold you know and that's how they give

1197

00:45:45,910 --> 00:45:44,079

money back to people and give them

1198

00:45:47,190 --> 00:45:45,920

kickbacks and things like that or you

1199

00:45:49,349 --> 00:45:47,200

know i think it's all legal but it's

1200

00:45:50,710 --> 00:45:49,359

just kind of it's big business man it's

1201

00:45:52,069 --> 00:45:50,720

real shady and i don't think a lot of

1202

00:45:52,950 --> 00:45:52,079

people understand what's going on with

1203

00:45:55,109 --> 00:45:52,960

it and i don't think people are going to

1204

00:45:56,950 --> 00:45:55,119

be happy when they when they do

1205

00:45:59,030 --> 00:45:56,960

you know

1206

00:46:01,190 --> 00:45:59,040

i can't i can't get over that this is

1207

00:46:03,349 --> 00:46:01,200

they're able to get away with this it

1208

00:46:05,670 --> 00:46:03,359

just it bothers my mind that's what i

1209

00:46:08,069 --> 00:46:05,680

kept thinking look and i didn't even get

1210

00:46:09,750 --> 00:46:08,079

all the way through the the financials

1211

00:46:10,950 --> 00:46:09,760

but i got enough through them that i

1212

00:46:13,750 --> 00:46:10,960

understood

1213

00:46:15,349 --> 00:46:13,760

generally what you got to but a little i

1214

00:46:17,589 --> 00:46:15,359

didn't quite get to the finish line but

1215

00:46:19,030 --> 00:46:17,599

i knew about the stock delusion and that

1216

00:46:21,030 --> 00:46:19,040

alone to me

1217

00:46:23,109 --> 00:46:21,040

basically says

1218

00:46:25,990 --> 00:46:23,119

we don't care about you people and the

1219

00:46:28,069 --> 00:46:26,000

fact that lou elizondo was apparently uh

1220

00:46:29,589 --> 00:46:28,079

perfectly okay with this system of

1221

00:46:31,829 --> 00:46:29,599

arrangement where they would take money

1222

00:46:33,829 --> 00:46:31,839

from the public and then [h__h] the same

1223

00:46:36,390 --> 00:46:33,839

public who was giving them the money

1224

00:46:37,510 --> 00:46:36,400

which he was benefiting from and here's

1225

00:46:39,349 --> 00:46:37,520

another thing

1226
00:46:41,030 --> 00:46:39,359
you you know that i'm sick of people

1227
00:46:42,470 --> 00:46:41,040
that don't ask lou elizondo real

1228
00:46:45,109 --> 00:46:42,480
questions now that we have these

1229
00:46:47,589 --> 00:46:45,119
revelations about ttsa if somebody

1230
00:46:50,550 --> 00:46:47,599
interviews him and they don't ask him

1231
00:46:52,309 --> 00:46:50,560
why were you okay with this techno scam

1232
00:46:54,550 --> 00:46:52,319
that you were involved with

1233
00:46:56,230 --> 00:46:54,560
explain to me why it was morally or

1234
00:46:58,630 --> 00:46:56,240
ethically okay for you to take those

1235
00:47:01,030 --> 00:46:58,640
videos out of the pentagon and profit

1236
00:47:04,390 --> 00:47:01,040
from them for five years and then [h__\h]

1237
00:47:06,630 --> 00:47:04,400
the investors over with ttsa and and how

1238
00:47:08,790 --> 00:47:06,640

much money did you get from tssa in

1239

00:47:10,870 --> 00:47:08,800

total that's a valid question hey lou

1240

00:47:12,870 --> 00:47:10,880

elizondo while these investors were

1241

00:47:15,109 --> 00:47:12,880

getting screwed and their their

1242

00:47:17,030 --> 00:47:15,119

investment diluted to be absolutely

1243

00:47:19,030 --> 00:47:17,040

worst and worthless

1244

00:47:21,109 --> 00:47:19,040

how much money did you make

1245

00:47:22,790 --> 00:47:21,119

and didn't you find a problem with that

1246

00:47:26,069 --> 00:47:22,800

like didn't you think maybe this isn't

1247

00:47:27,589 --> 00:47:26,079

right like a moral or an ethical man

1248

00:47:29,589 --> 00:47:27,599

you know and and the other thing is that

1249

00:47:31,349 --> 00:47:29,599

guy's former military and i got to tell

1250

00:47:33,829 --> 00:47:31,359

you that military people have you know

1251

00:47:35,190 --> 00:47:33,839

like that military code of honor they

1252

00:47:37,670 --> 00:47:35,200

have to pay their bills they're not

1253

00:47:39,990 --> 00:47:37,680

allowed to cheat people lie or steal

1254

00:47:42,150 --> 00:47:40,000

from people it's it's it's part of being

1255

00:47:45,190 --> 00:47:42,160

a military man so i'm kind of shocked

1256

00:47:47,510 --> 00:47:45,200

that he was involved in this and didn't

1257

00:47:48,950 --> 00:47:47,520

raise objections or resign as soon as he

1258

00:47:51,109 --> 00:47:48,960

realized that all the investors were

1259

00:47:52,950 --> 00:47:51,119

getting screwed

1260

00:47:55,030 --> 00:47:52,960

i think as long as melon was there with

1261

00:47:56,790 --> 00:47:55,040

them and is in the same boat as him he's

1262

00:47:58,230 --> 00:47:56,800

feels okay because he knows that you

1263

00:48:00,069 --> 00:47:58,240

know there's that political protection

1264

00:48:02,390 --> 00:48:00,079

that comes from being attached at the

1265

00:48:04,630 --> 00:48:02,400

hip to christopher millen um

1266

00:48:06,790 --> 00:48:04,640

but uh his family does have more money

1267

00:48:08,710 --> 00:48:06,800

than god

1268

00:48:10,630 --> 00:48:08,720

yeah those are legitimate questions you

1269

00:48:12,150 --> 00:48:10,640

know like in a real world scenario

1270

00:48:18,150 --> 00:48:12,160

people should be asking lou those

1271

00:48:21,670 --> 00:48:19,750

i don't answer anything about he won't

1272

00:48:24,390 --> 00:48:21,680

answer anything about ttsa he refers all

1273

00:48:26,470 --> 00:48:24,400

questions about ttsa to ttsa and the

1274

00:48:28,150 --> 00:48:26,480

reason that is is because it chris and

1275

00:48:29,349 --> 00:48:28,160

him still have that loose affiliation

1276

00:48:31,589 --> 00:48:29,359

probably not him because i gather that

1277

00:48:33,990 --> 00:48:31,599

he didn't that he kind of rubbed uh you

1278

00:48:35,430 --> 00:48:34,000

know barbs with tom de long you know if

1279

00:48:37,030 --> 00:48:35,440

there's one thing a narcissist hates

1280

00:48:38,470 --> 00:48:37,040

it's another narcissist in the room with

1281

00:48:40,309 --> 00:48:38,480

them you know so the two of them

1282

00:48:42,150 --> 00:48:40,319

probably got along like you know oil and

1283

00:48:43,829 --> 00:48:42,160

water but uh

1284

00:48:46,390 --> 00:48:43,839

you know maybe not narcissists but

1285

00:48:48,790 --> 00:48:46,400

strong personalities let's just say that

1286

00:48:50,950 --> 00:48:48,800

centers of attention

1287

00:48:53,510 --> 00:48:50,960

world and chaos lifetime show supporter

1288

00:48:55,910 --> 00:48:53,520

i want to thank them uh world and chaos

1289

00:48:58,230 --> 00:48:55,920

uh here this is the message they sent me

1290

00:49:00,309 --> 00:48:58,240

on paypal welding chaos here steven your

1291

00:49:02,950 --> 00:49:00,319

work is much appreciated praise the cash

1292

00:49:04,790 --> 00:49:02,960

30 paypal yes praise the cast thank you

1293

00:49:07,030 --> 00:49:04,800

very much world of chaos it is much much

1294

00:49:09,030 --> 00:49:07,040

appreciated and uh we're a viewer

1295

00:49:11,190 --> 00:49:09,040

supported show and it's not all about

1296

00:49:13,270 --> 00:49:11,200

the money friends you know it's not you

1297

00:49:15,670 --> 00:49:13,280

know we're not just here for the money

1298

00:49:17,270 --> 00:49:15,680

and there's no subliminal messages or

1299

00:49:19,190 --> 00:49:17,280

anything on my show we don't use any

1300

00:49:21,109 --> 00:49:19,200

gimmicks

1301
00:49:23,109 --> 00:49:21,119
no thank you very much world chaos for

1302
00:49:25,430 --> 00:49:23,119
helping us to praise the cash

1303
00:49:27,910 --> 00:49:25,440
so you you listen you just got done two

1304
00:49:29,270 --> 00:49:27,920
massive projects manny and people ask me

1305
00:49:31,829 --> 00:49:29,280
what are you doing next what are you

1306
00:49:33,750 --> 00:49:31,839
going to be working on next

1307
00:49:35,270 --> 00:49:33,760
well i'm continuing to follow this story

1308
00:49:37,349 --> 00:49:35,280
until something happens with it you know

1309
00:49:38,549 --> 00:49:37,359
and i'll keep digging into it and trying

1310
00:49:39,990 --> 00:49:38,559
to push

1311
00:49:41,750 --> 00:49:40,000
to get something done about it i think

1312
00:49:42,630 --> 00:49:41,760
that's my next big step is to really

1313
00:49:43,990 --> 00:49:42,640

start

1314

00:49:46,069 --> 00:49:44,000

you know banging on some government

1315

00:49:47,589 --> 00:49:46,079

doors and saying hey people you you are

1316

00:49:49,270 --> 00:49:47,599

the only ones who can investigate this

1317

00:49:51,430 --> 00:49:49,280

and do something about it and if you're

1318

00:49:53,430 --> 00:49:51,440

not going to i want to know why you know

1319

00:49:55,430 --> 00:49:53,440

like as a taxpayer who's paid for this

1320

00:49:57,829 --> 00:49:55,440

stuff as a as a you know another

1321

00:49:59,990 --> 00:49:57,839

taxpayer who is getting built by this

1322

00:50:01,750 --> 00:50:00,000

techno scam and this this you know even

1323

00:50:03,670 --> 00:50:01,760

if it's only 25 grand for that one

1324

00:50:04,790 --> 00:50:03,680

contract we saw in the in the video that

1325

00:50:06,309 --> 00:50:04,800

they're they're gonna you know they're

1326
00:50:08,470 --> 00:50:06,319
expecting the crowd to bring in at least

1327
00:50:09,990 --> 00:50:08,480
a million bucks a year you know so i

1328
00:50:11,510 --> 00:50:10,000
don't want to pay that i want that

1329
00:50:12,549 --> 00:50:11,520
little bit of my tax money to go to

1330
00:50:14,309 --> 00:50:12,559
something that's

1331
00:50:16,870 --> 00:50:14,319
legit and not some

1332
00:50:18,710 --> 00:50:16,880
you know money farm for whatever reason

1333
00:50:21,829 --> 00:50:18,720
for to pay for a losing a ban that's

1334
00:50:23,990 --> 00:50:21,839
losing money or or whatever but

1335
00:50:26,069 --> 00:50:24,000
yeah that's interesting um so lord

1336
00:50:28,790 --> 00:50:26,079
ludacris said that in the last 15

1337
00:50:31,190 --> 00:50:28,800
minutes of ucr and green street green

1338
00:50:32,950 --> 00:50:31,200

street said that lou sent out an email

1339

00:50:34,870 --> 00:50:32,960

with five names and called them the

1340

00:50:37,510 --> 00:50:34,880

felon five i i don't know what that's

1341

00:50:42,870 --> 00:50:37,520

about so you have to explain

1342

00:50:46,790 --> 00:50:44,870

because there are a lot of uh there are

1343

00:50:47,990 --> 00:50:46,800

a lot of criminals involved in this

1344

00:50:49,910 --> 00:50:48,000

subculture

1345

00:50:52,710 --> 00:50:49,920

and for anybody that suggests otherwise

1346

00:50:54,630 --> 00:50:52,720

hasn't dug enough into the characters

1347

00:50:56,630 --> 00:50:54,640

in this conspiracy it's my opinion that

1348

00:50:58,309 --> 00:50:56,640

elizondo's a criminal he stole footage

1349

00:51:00,309 --> 00:50:58,319

from that he conspired to steal footage

1350

00:51:02,150 --> 00:51:00,319

from the pentagon and actively colluded

1351
00:51:04,390 --> 00:51:02,160
to steal footage from the pentagon he's

1352
00:51:05,829 --> 00:51:04,400
a he is a criminal i mean come on that's

1353
00:51:07,589 --> 00:51:05,839
the definition of a criminal anyone who

1354
00:51:09,910 --> 00:51:07,599
broke a law whether you're prosecuted or

1355
00:51:11,670 --> 00:51:09,920
not one could argue that it wasn't

1356
00:51:14,150 --> 00:51:11,680
unethical but i'm not sure it was

1357
00:51:16,309 --> 00:51:14,160
illegal if he had the authority to

1358
00:51:19,030 --> 00:51:16,319
declassify them and then once

1359
00:51:21,430 --> 00:51:19,040
declassified anybody could see them and

1360
00:51:23,910 --> 00:51:21,440
he just copied them and took them out

1361
00:51:25,270 --> 00:51:23,920
but i i want to get to a pentagon person

1362
00:51:26,549 --> 00:51:25,280
i'll i'm going to talk to you off here

1363
00:51:27,829 --> 00:51:26,559

because i know you have a better email

1364

00:51:29,829 --> 00:51:27,839

than me

1365

00:51:30,950 --> 00:51:29,839

i'm going to start handling them i want

1366

00:51:32,309 --> 00:51:30,960

answers

1367

00:51:34,470 --> 00:51:32,319

because you know one of the things i

1368

00:51:36,309 --> 00:51:34,480

notice about government people is you

1369

00:51:38,150 --> 00:51:36,319

got to hammer them sometimes they don't

1370

00:51:39,750 --> 00:51:38,160

want to do their jobs you got to make

1371

00:51:41,109 --> 00:51:39,760

them you got to you got to be in their

1372

00:51:43,270 --> 00:51:41,119

ear and look i'm going to be i'm going

1373

00:51:45,750 --> 00:51:43,280

to email you every day until you help me

1374

00:51:47,589 --> 00:51:45,760

i'm going to call you every day like you

1375

00:51:49,030 --> 00:51:47,599

almost have to get nasty with them

1376
00:51:52,230 --> 00:51:49,040
before they'll do what they're supposed

1377
00:51:54,710 --> 00:51:52,240
to do and i've reached a point where

1378
00:51:56,710 --> 00:51:54,720
i'm past the send an email get no reply

1379
00:51:59,109 --> 00:51:56,720
forget about it for a few months period

1380
00:52:00,870 --> 00:51:59,119
now i'm gonna start hammering these

1381
00:52:03,109 --> 00:52:00,880
people that are supposed to be

1382
00:52:05,430 --> 00:52:03,119
government spokesperson why can't we get

1383
00:52:07,750 --> 00:52:05,440
a pentagon spokesperson to just tell us

1384
00:52:09,510 --> 00:52:07,760
what lou elizondo's day-to-day

1385
00:52:13,910 --> 00:52:09,520
responsibilities were at the pentagon

1386
00:52:16,309 --> 00:52:15,430
yeah go ahead go ahead

1387
00:52:18,630 --> 00:52:16,319
right now

1388
00:52:21,190 --> 00:52:18,640

yeah it was a bio defense man up until

1389

00:52:23,910 --> 00:52:21,200

at least 2010 like he didn't and he

1390

00:52:25,589 --> 00:52:23,920

volunteered at atip he was not at all he

1391

00:52:28,069 --> 00:52:25,599

i mean which totally syncs with his

1392

00:52:29,990 --> 00:52:28,079

background and his his his degrees and

1393

00:52:31,510 --> 00:52:30,000

everything like the guy and you know of

1394

00:52:33,430 --> 00:52:31,520

course in the early 2000s he probably

1395

00:52:35,750 --> 00:52:33,440

did his little stint and you know went

1396

00:52:38,150 --> 00:52:35,760

overseas for a bit but you know other

1397

00:52:40,309 --> 00:52:38,160

than that you know he he did not he was

1398

00:52:42,230 --> 00:52:40,319

not assigned to atip and then he

1399

00:52:43,670 --> 00:52:42,240

volunteered there which is commonplace

1400

00:52:44,710 --> 00:52:43,680

there you know if you've got clearance

1401
00:52:46,470 --> 00:52:44,720
for someone to be like yeah i can do

1402
00:52:49,829 --> 00:52:46,480
that i'm cleared for it go help out on a

1403
00:52:51,430 --> 00:52:49,839
project um it's not it's not uh doesn't

1404
00:52:53,589 --> 00:52:51,440
mean he was a moulder doesn't mean he

1405
00:52:55,510 --> 00:52:53,599
was you know um some kind of super

1406
00:52:57,270 --> 00:52:55,520
soldier but he didn't he didn't do you

1407
00:52:59,270 --> 00:52:57,280
know and besides you know like i say

1408
00:53:01,670 --> 00:52:59,280
this all the time who really cares like

1409
00:53:03,829 --> 00:53:01,680
the guy if we get the truth today are

1410
00:53:05,270 --> 00:53:03,839
people gonna be like oh we we were wrong

1411
00:53:06,950 --> 00:53:05,280
i mean like i don't i don't see the new

1412
00:53:09,430 --> 00:53:06,960
york times in the washington post eating

1413
00:53:11,030 --> 00:53:09,440

crow on this one just out of hubris you

1414

00:53:12,390 --> 00:53:11,040

know because they don't want to they

1415

00:53:14,069 --> 00:53:12,400

don't want to admit that they were wrong

1416

00:53:14,710 --> 00:53:14,079

but maybe maybe we'll see it maybe we'll

1417

00:53:16,710 --> 00:53:14,720

see

1418

00:53:18,710 --> 00:53:16,720

mainstream and i haven't been listening

1419

00:53:20,790 --> 00:53:18,720

to a little bit of stephen green street

1420

00:53:21,829 --> 00:53:20,800

and he basically said

1421

00:53:23,910 --> 00:53:21,839

i think he

1422

00:53:25,829 --> 00:53:23,920

he broke it down beautifully he he got

1423

00:53:28,230 --> 00:53:25,839

involved at the tail end of it

1424

00:53:30,870 --> 00:53:28,240

when he just assumed that the other

1425

00:53:33,910 --> 00:53:30,880

journalists did their jobs and like

1426
00:53:36,950 --> 00:53:33,920
verified that there was a tip he was the

1427
00:53:40,069 --> 00:53:36,960
director he did investigate ufos so he

1428
00:53:40,829 --> 00:53:40,079
started there not realizing that a lot

1429
00:53:42,309 --> 00:53:40,839
of these

1430
00:53:44,150 --> 00:53:42,319
journalists was all bs

1431
00:53:45,910 --> 00:53:44,160
yeah it was just like well they said it

1432
00:53:48,390 --> 00:53:45,920
so i'm just going to copy and paste it

1433
00:53:50,390 --> 00:53:48,400
to my article and it became this echo

1434
00:53:51,750 --> 00:53:50,400
chamber of misinformation about lou

1435
00:53:54,309 --> 00:53:51,760
elizondo

1436
00:53:57,030 --> 00:53:54,319
and everybody just recorded that

1437
00:53:59,510 --> 00:53:57,040
yeah it's so lazy yeah it's lazy

1438
00:54:01,750 --> 00:53:59,520

calls and got that statement that lu

1439

00:54:03,430 --> 00:54:01,760

elizondo had no response i'm still

1440

00:54:05,349 --> 00:54:03,440

always unclear on that he got a

1441

00:54:07,190 --> 00:54:05,359

statement lou elizondo had no

1442

00:54:09,190 --> 00:54:07,200

responsibilities for a tip but then i

1443

00:54:11,270 --> 00:54:09,200

think they walked that back

1444

00:54:12,790 --> 00:54:11,280

later right

1445

00:54:14,710 --> 00:54:12,800

no they clarified it to say that he

1446

00:54:16,470 --> 00:54:14,720

volunteered there that he did they said

1447

00:54:18,069 --> 00:54:16,480

he did volunteer at some point because

1448

00:54:20,870 --> 00:54:18,079

people there was so much backlash about

1449

00:54:23,270 --> 00:54:20,880

susan uh go or goff or however susan

1450

00:54:25,510 --> 00:54:23,280

goff i think it is um saying that he had

1451

00:54:27,349 --> 00:54:25,520

no official position there but i believe

1452

00:54:29,190 --> 00:54:27,359

her when he said when she said that he

1453

00:54:30,390 --> 00:54:29,200

had no official position there that

1454

00:54:31,990 --> 00:54:30,400

syncs with all the evidence we have

1455

00:54:34,069 --> 00:54:32,000

because nobody could show me one single

1456

00:54:36,309 --> 00:54:34,079

document that says that he did you know

1457

00:54:37,589 --> 00:54:36,319

there's nothing and there's not even i

1458

00:54:39,109 --> 00:54:37,599

mean like it

1459

00:54:41,349 --> 00:54:39,119

the guy lied to us he said he ran the

1460

00:54:43,589 --> 00:54:41,359

ufo program for 10 years at the pentagon

1461

00:54:45,990 --> 00:54:43,599

george knapp said it to us too leslie

1462

00:54:47,910 --> 00:54:46,000

keane said it to us uh blumenthal said

1463

00:54:51,109 --> 00:54:47,920

it to us they all said it to us and they

1464

00:54:53,510 --> 00:54:51,119

all were wrong they were wrong he did

1465

00:54:55,829 --> 00:54:53,520

not run a pentagon ufo program for close

1466

00:54:57,430 --> 00:54:55,839

to a decade that is wrong and where's

1467

00:54:58,630 --> 00:54:57,440

the retraction on it even if it's four

1468

00:55:00,230 --> 00:54:58,640

years later

1469

00:55:01,430 --> 00:55:00,240

they won't give it you know they won't

1470

00:55:03,829 --> 00:55:01,440

admit that they made a mistake and

1471

00:55:06,230 --> 00:55:03,839

instead they're perpetuating it by still

1472

00:55:07,829 --> 00:55:06,240

running him as a credible journalist or

1473

00:55:10,710 --> 00:55:07,839

as an incredible source

1474

00:55:12,630 --> 00:55:10,720

you know abby gigi abby is pointing out

1475

00:55:14,309 --> 00:55:12,640

that doctor knows interviewed john w

1476

00:55:16,630 --> 00:55:14,319

warner author about his cousin chris

1477

00:55:19,349 --> 00:55:16,640

mellon even he says the guy is shady and

1478

00:55:20,789 --> 00:55:19,359

gigi i did interview him as well and he

1479

00:55:25,829 --> 00:55:20,799

said some of the same things on my

1480

00:55:28,870 --> 00:55:28,150

yeah there's an interview

1481

00:55:32,630 --> 00:55:28,880

and

1482

00:55:37,589 --> 00:55:33,430

yeah

1483

00:55:40,069 --> 00:55:37,599

his family members is telling you he's

1484

00:55:41,510 --> 00:55:40,079

not such a you know stand-up guy well

1485

00:55:43,190 --> 00:55:41,520

that might oh yeah we need a ufo

1486

00:55:45,190 --> 00:55:43,200

ministry of truth and somebody is

1487

00:55:45,990 --> 00:55:45,200

appointing us to

1488

00:55:47,190 --> 00:55:46,000

right

1489

00:55:48,549 --> 00:55:47,200

wow

1490

00:55:50,470 --> 00:55:48,559

yeah i'm not sure how what that would

1491

00:55:52,710 --> 00:55:50,480

mean but

1492

00:55:54,390 --> 00:55:52,720

straight truth that would mean a lot of

1493

00:55:56,710 --> 00:55:54,400

[h__\h] would get thrown out of this

1494

00:55:58,870 --> 00:55:56,720

thing on the first day right like if you

1495

00:56:01,510 --> 00:55:58,880

have three strikes for hoaxes or fake

1496

00:56:03,589 --> 00:56:01,520

stories you're out of here you're done

1497

00:56:05,270 --> 00:56:03,599

no more you know you don't get any more

1498

00:56:08,069 --> 00:56:05,280

how do we get here stephen though where

1499

00:56:09,990 --> 00:56:08,079

people take a guy like luella zondo at

1500

00:56:12,150 --> 00:56:10,000

his freaking word with three little

1501
00:56:13,829 --> 00:56:12,160
sketchy pieces of video that since he

1502
00:56:16,230 --> 00:56:13,839
brought him out have pretty much been

1503
00:56:18,390 --> 00:56:16,240
discounted debunked or even if they are

1504
00:56:20,309 --> 00:56:18,400
what he says they are unimpressive at

1505
00:56:22,230 --> 00:56:20,319
best you know i can show you a dozen

1506
00:56:23,750 --> 00:56:22,240
different signings to look better

1507
00:56:25,430 --> 00:56:23,760
i think it has a lot to do with the

1508
00:56:28,150 --> 00:56:25,440
hunger i always talk about this there's

1509
00:56:30,390 --> 00:56:28,160
a huge hunger for this information for

1510
00:56:32,309 --> 00:56:30,400
these stories to be true

1511
00:56:35,030 --> 00:56:32,319
people really want to believe that the

1512
00:56:36,870 --> 00:56:35,040
government has these advanced maybe some

1513
00:56:39,109 --> 00:56:36,880

crash maybe they got bodies maybe they

1514

00:56:41,990 --> 00:56:39,119

had a live one and they know all the

1515

00:56:43,910 --> 00:56:42,000

truth about these visitors it's so sexy

1516

00:56:45,270 --> 00:56:43,920

to believe that and people so

1517

00:56:47,190 --> 00:56:45,280

desperately want to believe it when

1518

00:56:49,990 --> 00:56:47,200

alone comes this guy

1519

00:56:52,950 --> 00:56:50,000

and it seems like a great story right

1520

00:56:54,870 --> 00:56:52,960

but i am i was suspicious of him from

1521

00:56:56,390 --> 00:56:54,880

the very beginning because i went the

1522

00:56:58,150 --> 00:56:56,400

whole narrative that we've all been

1523

00:56:59,589 --> 00:56:58,160

taught in this thing called ufos the

1524

00:57:01,910 --> 00:56:59,599

government has been lying to us and

1525

00:57:04,150 --> 00:57:01,920

covering this all up for 70 plus years

1526

00:57:04,950 --> 00:57:04,160

so why would they suddenly send this guy

1527

00:57:06,390 --> 00:57:04,960

out

1528

00:57:08,789 --> 00:57:06,400

now they're going to tell us the truth

1529

00:57:11,910 --> 00:57:08,799

right so i don't know i called [h__h]

1530

00:57:13,190 --> 00:57:11,920

from the start and it's interesting i

1531

00:57:16,950 --> 00:57:13,200

think

1532

00:57:18,630 --> 00:57:16,960

some of these

1533

00:57:21,190 --> 00:57:18,640

uh really big

1534

00:57:22,950 --> 00:57:21,200

uh lou alexander supporters

1535

00:57:24,950 --> 00:57:22,960

they're not turning on him yet but

1536

00:57:26,630 --> 00:57:24,960

they're starting to like you know

1537

00:57:28,630 --> 00:57:26,640

they're starting to ask a few more

1538

00:57:30,950 --> 00:57:28,640

questions than they did a year ago or

1539

00:57:32,789 --> 00:57:30,960

six months ago because i think that they

1540

00:57:34,789 --> 00:57:32,799

know that certain people

1541

00:57:36,710 --> 00:57:34,799

like you and me i would like to believe

1542

00:57:38,789 --> 00:57:36,720

when history plays out are going to be

1543

00:57:41,270 --> 00:57:38,799

known and remembered for being on the

1544

00:57:43,109 --> 00:57:41,280

right side of this guy's story and other

1545

00:57:46,390 --> 00:57:43,119

people are going to not be known for

1546

00:57:48,150 --> 00:57:46,400

pumping up a bullshitter

1547

00:57:50,069 --> 00:57:48,160

yeah yeah i think that's where the dusk

1548

00:57:52,069 --> 00:57:50,079

is going to settle on this one you know

1549

00:57:53,990 --> 00:57:52,079

um but you know people the rich and

1550

00:57:55,670 --> 00:57:54,000

powerful sometimes can rewrite history

1551
00:57:58,390 --> 00:57:55,680
you know like it's been known to happen

1552
00:58:00,950 --> 00:57:58,400
so uh you know that kind of shows what

1553
00:58:02,150 --> 00:58:00,960
um right i think elizano's actions kind

1554
00:58:03,829 --> 00:58:02,160
of show that he thinks that's what he

1555
00:58:05,589 --> 00:58:03,839
expects to happen like whatever he calls

1556
00:58:07,670 --> 00:58:05,599
a win is a win whatever he says is the

1557
00:58:10,710 --> 00:58:07,680
reality oh disclosure already happened

1558
00:58:12,549 --> 00:58:10,720
manny disclosure already happened

1559
00:58:14,230 --> 00:58:12,559
when they said

1560
00:58:16,230 --> 00:58:14,240
he stood there and said the phenomenon

1561
00:58:18,230 --> 00:58:16,240
is real that was disclosure see

1562
00:58:20,150 --> 00:58:18,240
disclosure already happened you just got

1563
00:58:22,870 --> 00:58:20,160

to move the goal posts around so that it

1564

00:58:25,349 --> 00:58:22,880

seems like a win or that uap report he

1565

00:58:27,349 --> 00:58:25,359

said that was a big win like

1566

00:58:30,390 --> 00:58:27,359

yeah they're they're always

1567

00:58:32,950 --> 00:58:30,400

six pages of nothing nothing but

1568

00:58:34,309 --> 00:58:32,960

the not the burger is a win yeah

1569

00:58:36,390 --> 00:58:34,319

because he didn't want to tell the world

1570

00:58:38,069 --> 00:58:36,400

that that 180 day report was a slap in

1571

00:58:39,990 --> 00:58:38,079

the face to him from the pentagon he

1572

00:58:42,230 --> 00:58:40,000

didn't want to admit that they [h__\h]

1573

00:58:44,789 --> 00:58:42,240

slapped him in front of the world with

1574

00:58:47,109 --> 00:58:44,799

that vacuum by only including data that

1575

00:58:49,829 --> 00:58:47,119

he had access to you know like it's

1576

00:58:51,670 --> 00:58:49,839

crazy it is so funny man the guy just

1577

00:58:53,190 --> 00:58:51,680

won't admit anything you know like

1578

00:58:54,789 --> 00:58:53,200

what's his second rule isn't that the

1579

00:58:56,789 --> 00:58:54,799

one where he says i'll admit my mistakes

1580

00:58:58,150 --> 00:58:56,799

and hold myself accountable blah blah

1581

00:58:59,910 --> 00:58:58,160

blah blah

1582

00:59:01,670 --> 00:58:59,920

yeah never trust the guy whose number

1583

00:59:04,950 --> 00:59:01,680

one rule is i will always tell you the

1584

00:59:06,710 --> 00:59:04,960

truth folks because i mean it's

1585

00:59:08,710 --> 00:59:06,720

seriously it's like i can't believe this

1586

00:59:09,910 --> 00:59:08,720

we still have that pinned on his twitter

1587

00:59:11,670 --> 00:59:09,920

now that he know

1588

00:59:13,510 --> 00:59:11,680

now that we all know how many times he

1589

00:59:15,349 --> 00:59:13,520

lied to the press the public and

1590

00:59:17,589 --> 00:59:15,359

everyone else he might still pinned on

1591

00:59:19,030 --> 00:59:17,599

his twitter i think right i'm to check

1592

00:59:20,390 --> 00:59:19,040

he just might

1593

00:59:22,630 --> 00:59:20,400

go ahead and take it

1594

00:59:24,390 --> 00:59:22,640

yeah it's it's just it's comedy it's

1595

00:59:26,230 --> 00:59:24,400

like inviting someone over to your house

1596

00:59:27,829 --> 00:59:26,240

for dinner and they walk in the door and

1597

00:59:29,030 --> 00:59:27,839

they're like hi i'm here for dinner

1598

00:59:31,589 --> 00:59:29,040

don't worry i'm not going to steal your

1599

00:59:32,950 --> 00:59:31,599

silverware and you're like

1600

00:59:34,710 --> 00:59:32,960

dude the first thing i'm doing when you

1601
00:59:38,309 --> 00:59:34,720
turn around is counting my [h__\h] forks

1602
00:59:42,470 --> 00:59:40,549
she's been caught lying how many times

1603
00:59:44,549 --> 00:59:42,480
in the past couple of months now we know

1604
00:59:46,630 --> 00:59:44,559
he lied about so many different things

1605
00:59:48,630 --> 00:59:46,640
it's crazy it's still pinned like this

1606
00:59:50,950 --> 00:59:48,640
guy has no shame i'll always tell you

1607
00:59:53,030 --> 00:59:50,960
the truth is pinned to the top of his

1608
00:59:55,270 --> 00:59:53,040
twitter you got caught lying about how

1609
00:59:58,150 --> 00:59:55,280
much funding ate to pad you got lying

1610
01:00:01,190 --> 00:59:58,160
about running the program you got lying

1611
01:00:03,510 --> 01:00:01,200
basically stealing uh the story of asap

1612
01:00:06,789 --> 01:00:03,520
and pretending it was your story

1613
01:00:08,789 --> 01:00:06,799

i will always tell you the truth

1614

01:00:10,549 --> 01:00:08,799

i will own my mistakes and hold myself

1615

01:00:12,870 --> 01:00:10,559

accountable why isn't he saying gee i'm

1616

01:00:14,789 --> 01:00:12,880

sorry i lied to the new york times i'm

1617

01:00:16,309 --> 01:00:14,799

sorry i lied to those reporters did you

1618

01:00:17,670 --> 01:00:16,319

see there's reporters now that are

1619

01:00:19,589 --> 01:00:17,680

coming out and telling everybody that

1620

01:00:21,829 --> 01:00:19,599

they feel like they got manipulated

1621

01:00:23,030 --> 01:00:21,839

misled and lied to sure

1622

01:00:24,789 --> 01:00:23,040

they should yeah they're starting to

1623

01:00:26,470 --> 01:00:24,799

come out of the woodwork now it's not

1624

01:00:28,710 --> 01:00:26,480

just green street and others like other

1625

01:00:30,870 --> 01:00:28,720

people are coming out and saying i feel

1626
01:00:33,190 --> 01:00:30,880
like i got manipulated misled and lied

1627
01:00:34,870 --> 01:00:33,200
to by this man louie elizondo it's

1628
01:00:36,870 --> 01:00:34,880
amazing

1629
01:00:38,789 --> 01:00:36,880
i like this one too

1630
01:00:42,150 --> 01:00:38,799
hatred towards others will not be

1631
01:00:44,630 --> 01:00:42,160
tolerated and meanwhile he's he's sixth

1632
01:00:46,630 --> 01:00:44,640
his fanboy goon squad on me to threaten

1633
01:00:49,190 --> 01:00:46,640
me my family they even came in the live

1634
01:00:51,670 --> 01:00:49,200
chat and threatened my wife by name but

1635
01:00:53,670 --> 01:00:51,680
he's saying abuse or hatred and and he

1636
01:00:55,990 --> 01:00:53,680
knows that happened he could he could

1637
01:00:57,670 --> 01:00:56,000
have uh you know said i don't condone or

1638
01:00:59,030 --> 01:00:57,680

support that and people shouldn't do

1639

01:01:01,190 --> 01:00:59,040

that sort of thing

1640

01:01:03,589 --> 01:01:01,200

all i did was host some [h__h] who made

1641

01:01:05,990 --> 01:01:03,599

a movie about him and suddenly i'm

1642

01:01:07,589 --> 01:01:06,000

getting threats in the mail like people

1643

01:01:09,589 --> 01:01:07,599

are saying i know where you live

1644

01:01:11,829 --> 01:01:09,599

[h__h] all this stuff happened

1645

01:01:14,309 --> 01:01:11,839

manny it's you've got you're a [h__h]

1646

01:01:16,069 --> 01:01:14,319

starter all this [h__h] started because of

1647

01:01:17,829 --> 01:01:16,079

you manny

1648

01:01:19,430 --> 01:01:17,839

not me man i didn't do it i didn't step

1649

01:01:21,270 --> 01:01:19,440

on stage in front of the world and lie

1650

01:01:23,190 --> 01:01:21,280

to him and tell him i ran a ufo program

1651

01:01:25,190 --> 01:01:23,200

for close to a decade and the phenomenon

1652

01:01:27,030 --> 01:01:25,200

was real that was me man that was

1653

01:01:28,549 --> 01:01:27,040

somebody else and he was just a spoke in

1654

01:01:30,150 --> 01:01:28,559

the wheel you know we all kind of

1655

01:01:32,230 --> 01:01:30,160

thought it was lou at the beginning but

1656

01:01:34,309 --> 01:01:32,240

we all know now it's not lou's just he's

1657

01:01:36,230 --> 01:01:34,319

the brawn you know the brains is melon

1658

01:01:39,109 --> 01:01:36,240

you know and maybe even bigger than him

1659

01:01:41,270 --> 01:01:39,119

i don't know i can't why is he even if

1660

01:01:44,230 --> 01:01:41,280

he is what does he care about

1661

01:01:45,990 --> 01:01:44,240

yeah he's right he's got that care

1662

01:01:47,589 --> 01:01:46,000

right like you say he's got fu money he

1663

01:01:49,270 --> 01:01:47,599

could you know he doesn't need he

1664

01:01:50,390 --> 01:01:49,280

doesn't need money and to be honest with

1665

01:01:51,990 --> 01:01:50,400

you i haven't seen where he's gotten a

1666

01:01:54,789 --> 01:01:52,000

dime for anything i haven't seen his

1667

01:01:56,390 --> 01:01:54,799

name on stocks or it's not just it's not

1668

01:01:58,069 --> 01:01:56,400

just melon that's loaded you know

1669

01:02:00,549 --> 01:01:58,079

warner's loaded too right he's a

1670

01:02:02,470 --> 01:02:00,559

billionaire john warner

1671

01:02:05,270 --> 01:02:02,480

and i got to tell you what's so funny he

1672

01:02:07,990 --> 01:02:05,280

uh he's a weird and cool guy he sent my

1673

01:02:10,309 --> 01:02:08,000

kids two cases of astronaut ice cream

1674

01:02:12,630 --> 01:02:10,319

for christmas and they fought over it

1675

01:02:14,710 --> 01:02:12,640

was so good i mean these big boxes of

1676

01:02:16,549 --> 01:02:14,720

[h__\h] i was like what's this

1677

01:02:17,750 --> 01:02:16,559

and it was that's cool

1678

01:02:22,870 --> 01:02:17,760

and he's like don't worry about it i'm

1679

01:02:26,470 --> 01:02:24,549

yeah john says that lou had the

1680

01:02:30,150 --> 01:02:26,480

opportunity to talk to me and that's

1681

01:02:31,990 --> 01:02:30,160

absolutely 100 correct you know i spent

1682

01:02:33,349 --> 01:02:32,000

a good solid month publicly trying to

1683

01:02:35,109 --> 01:02:33,359

get a hold of him after trying to send

1684

01:02:36,309 --> 01:02:35,119

him private emails you know through the

1685

01:02:38,789 --> 01:02:36,319

course of the project to get his

1686

01:02:41,109 --> 01:02:38,799

interview and he did not respond to me

1687

01:02:43,349 --> 01:02:41,119

in any way shape or form he ignored me

1688

01:02:45,349 --> 01:02:43,359

um he got onto his

1689

01:02:46,950 --> 01:02:45,359

sock accounts as people i come sock

1690

01:02:48,390 --> 01:02:46,960

puppets i guess i'm old school but he

1691

01:02:50,390 --> 01:02:48,400

got onto his alternate accounts and

1692

01:02:52,230 --> 01:02:50,400

harassed me i mean one of them i knew i

1693

01:02:54,150 --> 01:02:52,240

had said something earlier in fact i

1694

01:02:56,150 --> 01:02:54,160

wanted to say this to you there was i

1695

01:02:58,390 --> 01:02:56,160

knew it was him because they

1696

01:02:59,910 --> 01:02:58,400

i had said you know i said i said i'm

1697

01:03:01,430 --> 01:02:59,920

trying to get a hold of you there's some

1698

01:03:02,630 --> 01:03:01,440

information in this documentary i'd

1699

01:03:03,829 --> 01:03:02,640

rather not put in there if you can help

1700

01:03:05,349 --> 01:03:03,839

me exclude it you know because it's

1701

01:03:07,670 --> 01:03:05,359

going to make you look bad i just said

1702

01:03:09,109 --> 01:03:07,680

it's embarrassing um you know straight

1703

01:03:10,549 --> 01:03:09,119

up and they were like they were yelling

1704

01:03:12,230 --> 01:03:10,559

at me saying like oh you're trying to

1705

01:03:14,390 --> 01:03:12,240

blackmail him that stuff and i'm like no

1706

01:03:16,789 --> 01:03:14,400

this is a professional courtesy i don't

1707

01:03:18,630 --> 01:03:16,799

have to get any notice you know um and

1708

01:03:20,950 --> 01:03:18,640

then another weird account came on and

1709

01:03:23,430 --> 01:03:20,960

said you better go talk to an attorney

1710

01:03:25,029 --> 01:03:23,440

before you print anything about lou

1711

01:03:26,309 --> 01:03:25,039

you know and i and i thought to myself i

1712

01:03:27,829 --> 01:03:26,319

was like god of all the threats i've

1713

01:03:30,789 --> 01:03:27,839

heard these people yell that seemed

1714

01:03:32,470 --> 01:03:30,799

really weird to threaten a lawsuit like

1715

01:03:34,950 --> 01:03:32,480

you know i've had my people threaten to

1716

01:03:36,630 --> 01:03:34,960

blow my house and you know steal my cat

1717

01:03:39,829 --> 01:03:36,640

but i've never had any

1718

01:03:41,270 --> 01:03:39,839

lawsuit you know like um so i go and

1719

01:03:43,349 --> 01:03:41,280

look at the account

1720

01:03:45,430 --> 01:03:43,359

and it's a strange shock account that

1721

01:03:46,950 --> 01:03:45,440

only follows i think eight or nine

1722

01:03:49,829 --> 01:03:46,960

people and one of them was me one of

1723

01:03:52,710 --> 01:03:49,839

them was you one of them was rich guffan

1724

01:03:54,870 --> 01:03:52,720

and a couple of the other more vocal um

1725

01:03:56,630 --> 01:03:54,880

people that are you know critics of

1726

01:03:59,109 --> 01:03:56,640

blues and then you argue with them

1727

01:04:01,990 --> 01:03:59,119

because i'm a [h__\h] and i won't with my

1728

01:04:04,470 --> 01:04:02,000

real name and face but i can't might

1729

01:04:05,829 --> 01:04:04,480

google and it wasn't faceless bureaucrat

1730

01:04:07,910 --> 01:04:05,839

it wasn't the one that everybody you

1731

01:04:10,150 --> 01:04:07,920

know the one that he's got yeah it was a

1732

01:04:12,230 --> 01:04:10,160

different one he's gotta have a huge

1733

01:04:14,710 --> 01:04:12,240

narcissistic personality disorder or

1734

01:04:16,870 --> 01:04:14,720

something to be so thin skinned that he

1735

01:04:18,789 --> 01:04:16,880

can't stand anybody asking questions or

1736

01:04:20,710 --> 01:04:18,799

criticizing him so he's got to make a

1737

01:04:22,549 --> 01:04:20,720

fake twitter account to go yell at the

1738

01:04:24,870 --> 01:04:22,559

guy because that's basically what it

1739

01:04:27,670 --> 01:04:24,880

amounts to i was looking around i left

1740

01:04:29,750 --> 01:04:27,680

this those sock puppets i used in the

1741

01:04:31,670 --> 01:04:29,760

last video i gave to my son so they're

1742

01:04:33,670 --> 01:04:31,680

not here yeah facebook those were

1743

01:04:35,270 --> 01:04:33,680

hilarious man

1744

01:04:36,950 --> 01:04:35,280

nobody's if you people haven't seen that

1745

01:04:38,630 --> 01:04:36,960

they have to go back and watch the bit

1746

01:04:41,990 --> 01:04:38,640

that you did last night about lou

1747

01:04:44,390 --> 01:04:42,000

lialato it was absolutely hysterical i

1748

01:04:46,470 --> 01:04:44,400

watched it twice and i laughed

1749

01:04:48,630 --> 01:04:46,480

all the way through it from beginning to

1750

01:04:50,549 --> 01:04:48,640

end it was just pure comedy man and it

1751

01:04:52,950 --> 01:04:50,559

was caught yeah and the good news is

1752

01:04:56,069 --> 01:04:52,960

because the good news is i had a guest

1753

01:04:57,990 --> 01:04:56,079

cancel like 15 or 20 minutes before and

1754

01:04:59,750 --> 01:04:58,000

i always had that set but i was gonna

1755

01:05:01,430 --> 01:04:59,760

write more or do something i had to

1756

01:05:03,430 --> 01:05:01,440

improv most of that

1757

01:05:04,870 --> 01:05:03,440

from the top of my head so that worked

1758

01:05:07,190 --> 01:05:04,880

out pretty good

1759

01:05:08,710 --> 01:05:07,200

yeah so if there's questions

1760

01:05:10,950 --> 01:05:08,720

if there's questions for comments from

1761

01:05:12,630 --> 01:05:10,960

manny we said we'd do a q a so we do if

1762

01:05:16,230 --> 01:05:12,640

there's questions or comments from manny

1763

01:05:17,990 --> 01:05:16,240

about his new film uh all about ttsa

1764

01:05:21,670 --> 01:05:18,000

techno scam i think you should just call

1765

01:05:23,190 --> 01:05:21,680

it who's ttsa or what's ttsa maybe or no

1766

01:05:25,910 --> 01:05:23,200

who's better because now you can have a

1767

01:05:27,589 --> 01:05:25,920

whole series the next you know scamming

1768

01:05:29,510 --> 01:05:27,599

person that you do a whole documentary

1769

01:05:31,829 --> 01:05:29,520

on your who's that person the next

1770

01:05:33,430 --> 01:05:31,839

person who's that person right yeah i

1771

01:05:34,789 --> 01:05:33,440

like the who's series i think that's

1772

01:05:36,230 --> 01:05:34,799

great that's a great way to link it all

1773

01:05:37,430 --> 01:05:36,240

together so we'll just keep running with

1774

01:05:39,430 --> 01:05:37,440

it and go from there

1775

01:05:40,870 --> 01:05:39,440

world chaos that she left her face off

1776

01:05:43,029 --> 01:05:40,880

i'm glad everybody liked it because it

1777

01:05:44,630 --> 01:05:43,039

was really like that's one of those evil

1778

01:05:46,390 --> 01:05:44,640

knieval man you're old enough to

1779

01:05:48,390 --> 01:05:46,400

remember evil knieval that's one of

1780

01:05:50,549 --> 01:05:48,400

those evil knieval shows because evil

1781

01:05:52,950 --> 01:05:50,559

knieval somebody once asked him like

1782

01:05:55,349 --> 01:05:52,960

aren't like isn't there sometimes like a

1783

01:05:56,710 --> 01:05:55,359

50 50 chance that you're gonna spill and

1784

01:06:01,190 --> 01:05:56,720

you know

1785

01:06:03,750 --> 01:06:01,200

that's why people show up because

1786

01:06:06,309 --> 01:06:03,760

there's a 50 50 shot this is going to be

1787

01:06:09,270 --> 01:06:06,319

terrible so i'm just glad that an evil

1788

01:06:11,190 --> 01:06:09,280

knivel show like that worked out right

1789

01:06:13,349 --> 01:06:11,200

yeah yeah it was great man everyone

1790

01:06:15,270 --> 01:06:13,359

should check it out i love that oh look

1791

01:06:18,549 --> 01:06:15,280

at this dude this is ridiculous look at

1792

01:06:21,029 --> 01:06:18,559

that one 5 dm it was sent to a group

1793

01:06:22,470 --> 01:06:21,039

i listen i will tell everybody right now

1794

01:06:26,390 --> 01:06:22,480

on the record

1795

01:06:29,589 --> 01:06:26,400

i have zero felony convictions in fact i

1796

01:06:32,870 --> 01:06:29,599

have zero criminal convictions i have

1797

01:06:35,990 --> 01:06:32,880

never been convicted of a crime

1798

01:06:38,710 --> 01:06:36,000

maybe uh traffic tickets or minor things

1799

01:06:41,190 --> 01:06:38,720

in my life like everyone has i've never

1800

01:06:43,990 --> 01:06:41,200

ever been convicted of a crime

1801

01:06:45,910 --> 01:06:44,000

and if lou elizondo is telling people

1802

01:06:48,950 --> 01:06:45,920

that i have been that would be

1803

01:06:50,230 --> 01:06:48,960

considered a real big problem for louis

1804

01:06:52,230 --> 01:06:50,240

elizondo

1805

01:06:54,230 --> 01:06:52,240

to try to discredit me by telling people

1806

01:06:56,870 --> 01:06:54,240

that i'm a felon

1807

01:06:58,390 --> 01:06:56,880

not gonna happen now now uh we're gonna

1808

01:07:00,870 --> 01:06:58,400

have to investigate this because i'm not

1809

01:07:02,549 --> 01:07:00,880

having anybody see

1810

01:07:05,349 --> 01:07:02,559

steve's going to say it man the dude's a

1811

01:07:07,510 --> 01:07:05,359

freaking coward man man ellis is like i

1812

01:07:09,910 --> 01:07:07,520

told you this shit's going to start i

1813

01:07:12,069 --> 01:07:09,920

told you if i host you again this shit's

1814

01:07:15,510 --> 01:07:12,079

all going to start again now i'm on a

1815

01:07:17,910 --> 01:07:16,870

of people oh no

1816

01:07:20,150 --> 01:07:17,920

oh no

1817

01:07:21,910 --> 01:07:20,160

loose list

1818

01:07:23,910 --> 01:07:21,920

oh i'm shaking in my boots lou

1819

01:07:25,990 --> 01:07:23,920

elizondo's a freaking coward descent is

1820

01:07:28,950 --> 01:07:26,000

lightweight to deal with anyone who's

1821

01:07:31,910 --> 01:07:28,960

challenging him he is a weak weak person

1822

01:07:33,829 --> 01:07:31,920

somebody just asked why he won't go on

1823

01:07:37,430 --> 01:07:33,839

we gotta we gotta yeah so apparently

1824

01:07:40,549 --> 01:07:37,440

they dm'd and the dm included members or

1825

01:07:42,710 --> 01:07:40,559

hosts of of of this ucr show

1826

01:07:44,549 --> 01:07:42,720

so i just want to tell them

1827

01:07:47,029 --> 01:07:44,559

you have a responsibility to forward

1828

01:07:48,630 --> 01:07:47,039

that to me because i'm on it if he's

1829

01:07:50,950 --> 01:07:48,640

sending you messages telling you that

1830

01:07:53,109 --> 01:07:50,960

i'm a convicted felon you better send

1831

01:07:54,789 --> 01:07:53,119

that to me because i have a right to

1832

01:07:56,870 --> 01:07:54,799

defend myself

1833

01:07:58,710 --> 01:07:56,880

i am i've never been convicted of a

1834

01:08:00,390 --> 01:07:58,720

crime

1835

01:08:01,910 --> 01:08:00,400

i think lew's really just proving a lot

1836

01:08:03,670 --> 01:08:01,920

of people's points here about how he's

1837

01:08:05,349 --> 01:08:03,680

going to try to you know discredit

1838

01:08:07,029 --> 01:08:05,359

critics and then how he's got his little

1839

01:08:08,390 --> 01:08:07,039

good boy club where that him and his

1840

01:08:10,470 --> 01:08:08,400

little friends just sit around in

1841

01:08:12,150 --> 01:08:10,480

private messages and talk trash and

1842

01:08:14,870 --> 01:08:12,160

figure out how to destroy the enemy and

1843

01:08:17,430 --> 01:08:14,880

all that stuff it's absolutely pathetic

1844

01:08:20,149 --> 01:08:17,440

lou elizondo you're running an operation

1845

01:08:22,789 --> 01:08:20,159

on the american [h__h] public you swore

1846

01:08:26,550 --> 01:08:22,799

an oath to uphold the constitution

1847

01:08:29,189 --> 01:08:26,560

do it do it you [h__h] coward or come

1848

01:08:33,030 --> 01:08:29,199

and face me face rich goof on or face

1849

01:08:35,030 --> 01:08:33,040

stephen campion you [h__h] coward

1850

01:08:37,349 --> 01:08:35,040

there quit sending people like lou

1851

01:08:40,149 --> 01:08:37,359

angeles and tom fessler and your little

1852

01:08:42,390 --> 01:08:40,159

facebook faceless bureaucrat sock puppet

1853

01:08:43,910 --> 01:08:42,400

account after people and have a backbone

1854

01:08:45,829 --> 01:08:43,920

and face your critics if you've got

1855

01:08:47,829 --> 01:08:45,839

nothing to hide or continue to run and

1856

01:08:49,189 --> 01:08:47,839

prove them right continue to hide and

1857

01:08:50,630 --> 01:08:49,199

prove them right

1858

01:08:52,149 --> 01:08:50,640

weak

1859

01:08:57,910 --> 01:08:52,159

i have a good

1860

01:08:59,669 --> 01:08:57,920

besides me and maybe you and rich

1861

01:09:01,030 --> 01:08:59,679

right

1862

01:09:02,870 --> 01:09:01,040

yeah i don't know and i don't really

1863

01:09:04,709 --> 01:09:02,880

care he can kiss my ass with this list

1864

01:09:07,349 --> 01:09:04,719

i've got a list of

1865

01:09:09,349 --> 01:09:07,359

chris mellon lou elizondo tom delong hal

1866

01:09:11,430 --> 01:09:09,359

put off and jim semivan that's a little

1867

01:09:13,669 --> 01:09:11,440

bit more impressive list than whatever

1868

01:09:15,669 --> 01:09:13,679

he's trying to do i'm sick of his bully

1869

01:09:17,749 --> 01:09:15,679

[h__h] man lou you want to run and

1870

01:09:19,110 --> 01:09:17,759

hide do it do it but don't set your

1871

01:09:21,110 --> 01:09:19,120

lightweight after me man cause i'll

1872

01:09:23,269 --> 01:09:21,120

steamroll right over them like i did tom

1873

01:09:25,349 --> 01:09:23,279

fessler i'll leave him right in the dirt

1874

01:09:27,990 --> 01:09:25,359

and you know what i'm done with this uh

1875

01:09:31,590 --> 01:09:28,000

if that if if it's true that lou

1876

01:09:34,229 --> 01:09:31,600

elizondo sent a dm to this lou angeles

1877

01:09:36,470 --> 01:09:34,239

from unidentified celebrity review and

1878

01:09:38,470 --> 01:09:36,480

my name is on it

1879

01:09:41,349 --> 01:09:38,480

he has a responsibility to reach out to

1880

01:09:42,789 --> 01:09:41,359

me give me a copy of that because i'm

1881

01:09:44,470 --> 01:09:42,799

here to tell you i've never been

1882

01:09:46,870 --> 01:09:44,480

convicted of a felony and if louis

1883

01:09:49,349 --> 01:09:46,880

elizondo is telling people that i am

1884

01:09:52,229 --> 01:09:49,359

that's a huge problem for lou elizondo

1885

01:09:54,390 --> 01:09:52,239

because i i can i can go and get a copy

1886

01:09:56,310 --> 01:09:54,400

of all of my records and prove that

1887

01:09:59,189 --> 01:09:56,320

there's no criminal convictions on my

1888

01:10:01,430 --> 01:09:59,199

records period and by the way i worked

1889

01:10:04,390 --> 01:10:01,440

in accounting and and

1890

01:10:05,590 --> 01:10:04,400

and uh at my last job i worked at a very

1891

01:10:07,669 --> 01:10:05,600

high-end

1892

01:10:09,189 --> 01:10:07,679

uh computer place

1893

01:10:11,669 --> 01:10:09,199

with tons of

1894

01:10:13,910 --> 01:10:11,679

expensive equipment everywhere if i was

1895

01:10:15,590 --> 01:10:13,920

convicted of a felony there's no way i

1896

01:10:17,590 --> 01:10:15,600

would be able to work in accounting

1897

01:10:18,870 --> 01:10:17,600

because you have access to financial

1898

01:10:20,630 --> 01:10:18,880

information they're not giving that to

1899

01:10:22,470 --> 01:10:20,640

somebody that's a felon and the same

1900

01:10:24,790 --> 01:10:22,480

thing for the other jobs i've had when

1901

01:10:26,310 --> 01:10:24,800

i've worked for other people so for

1902

01:10:28,709 --> 01:10:26,320

somebody to suggest that show some

1903

01:10:30,070 --> 01:10:28,719

desperation on his part like he's he's

1904

01:10:32,229 --> 01:10:30,080

got a book to sell and he's going to

1905

01:10:34,229 --> 01:10:32,239

just he's just going to [h__\h] all over

1906

01:10:36,870 --> 01:10:34,239

anybody that's critical to try to

1907

01:10:39,030 --> 01:10:36,880

destroy them their reputation they can't

1908

01:10:41,750 --> 01:10:39,040

kill the message so they got to kill the

1909

01:10:44,790 --> 01:10:41,760

messenger you know

1910

01:10:46,310 --> 01:10:44,800

yeah yeah well it's pretty typical

1911

01:10:48,550 --> 01:10:46,320

i appreciate your

1912

01:10:50,630 --> 01:10:48,560

generosity and your support

1913

01:10:52,310 --> 01:10:50,640

uh and i'd much prefer the support i

1914

01:10:54,070 --> 01:10:52,320

appreciate your two dollars but i'd much

1915

01:10:55,669 --> 01:10:54,080

prefer the support of you explaining

1916

01:10:57,510 --> 01:10:55,679

this you got to fill me in

1917

01:11:00,229 --> 01:10:57,520

as soon as we get off air here you can

1918

01:11:02,070 --> 01:11:00,239

call me on my cell phone lord ludacris

1919

01:11:03,270 --> 01:11:02,080

you know stephen that ties into what we

1920

01:11:05,030 --> 01:11:03,280

were talking about in the chat during

1921

01:11:06,709 --> 01:11:05,040

the premiere about los angeles you know

1922

01:11:08,709 --> 01:11:06,719

about going on there or him trying to

1923

01:11:09,910 --> 01:11:08,719

debate us or something like there is no

1924

01:11:11,910 --> 01:11:09,920

people are trying to act like there's

1925

01:11:14,229 --> 01:11:11,920

this organized conspiracy to fight lou

1926

01:11:15,590 --> 01:11:14,239

and it's not because i don't like lou

1927

01:11:17,750 --> 01:11:15,600

and you don't like lew and think his

1928

01:11:19,750 --> 01:11:17,760

story is you know full of crap and so

1929

01:11:22,070 --> 01:11:19,760

does uh rich goof on all of a sudden

1930

01:11:23,510 --> 01:11:22,080

it's a conspiracy you know like it's not

1931

01:11:25,270 --> 01:11:23,520

there's just a group of people who

1932

01:11:26,709 --> 01:11:25,280

happen to think the same way on one

1933

01:11:29,189 --> 01:11:26,719

subject well maybe what does this mean

1934

01:11:32,070 --> 01:11:29,199

maybe we're going to counter cia op

1935

01:11:34,229 --> 01:11:32,080

manny like maybe you know yeah

1936

01:11:36,070 --> 01:11:34,239

people have accused me i don't know

1937

01:11:37,910 --> 01:11:36,080

you're a disinformation lew's trying to

1938

01:11:40,229 --> 01:11:37,920

bring us the truth about those aliens

1939

01:11:42,310 --> 01:11:40,239

and you're a cia disinformation agent

1940

01:11:43,990 --> 01:11:42,320

trying to discredit him so you can keep

1941

01:11:46,149 --> 01:11:44,000

the goal who's had five years to bring

1942

01:11:47,990 --> 01:11:46,159

his truth and just to do anything and he

1943

01:11:50,310 --> 01:11:48,000

hasn't he hasn't done it in four plus

1944

01:11:52,950 --> 01:11:51,830

he brought us three grainy ass videos

1945

01:11:54,950 --> 01:11:52,960

that don't prove anything that he's

1946

01:11:57,270 --> 01:11:54,960

profited from for five years

1947

01:11:58,630 --> 01:11:57,280

you know yeah well and yeah and he found

1948

01:12:00,470 --> 01:11:58,640

you know he's getting money and blah

1949

01:12:01,430 --> 01:12:00,480

blah blah whatever

1950

01:12:03,110 --> 01:12:01,440

but yeah

1951

01:12:04,709 --> 01:12:03,120

i don't know it's um

1952

01:12:05,830 --> 01:12:04,719

if it's just that's why i don't want to

1953

01:12:06,709 --> 01:12:05,840

go on there and that's what i want to

1954

01:12:10,630 --> 01:12:06,719

face

1955

01:12:12,870 --> 01:12:10,640

gonna be

1956

01:12:14,390 --> 01:12:12,880

delegated off to lose lightweight i you

1957

01:12:15,830 --> 01:12:14,400

know like i've done my work and if lou

1958

01:12:17,270 --> 01:12:15,840

wants to come and face me then he can

1959

01:12:19,110 --> 01:12:17,280

face me if he doesn't want to if he's

1960

01:12:20,390 --> 01:12:19,120

too much of a coward that's on him you

1961

01:12:22,070 --> 01:12:20,400

know and that's how i'm ending it i'm

1962

01:12:24,390 --> 01:12:22,080

not gonna i'm not gonna go and debate

1963

01:12:26,630 --> 01:12:24,400

tom fessler or lou angeles or anybody

1964

01:12:28,709 --> 01:12:26,640

else in his stead that's not worth my

1965

01:12:30,870 --> 01:12:28,719

time okay

1966

01:12:32,790 --> 01:12:30,880

he basically wants to send a lackey and

1967

01:12:35,270 --> 01:12:32,800

for all we know that was gonna be a

1968

01:12:36,390 --> 01:12:35,280

gotcha like i'm gonna go on there and of

1969

01:12:37,990 --> 01:12:36,400

course

1970

01:12:39,430 --> 01:12:38,000

who's going to convict me is going to

1971

01:12:40,390 --> 01:12:39,440

say you're a convicted felon when i'm

1972

01:12:42,870 --> 01:12:40,400

not

1973

01:12:44,630 --> 01:12:42,880

show me the same way so

1974

01:12:46,229 --> 01:12:44,640

whatever you got

1975

01:12:47,990 --> 01:12:46,239

so eliza is going to stack all the

1976

01:12:49,910 --> 01:12:48,000

questions he wants to ask to get his

1977

01:12:51,830 --> 01:12:49,920

intel on lou angelus but not have to

1978

01:12:54,229 --> 01:12:51,840

face any of the counter questions or or

1979

01:12:55,590 --> 01:12:54,239

give anything for it he kissed my ass

1980

01:12:57,750 --> 01:12:55,600

what does he think that i owe him

1981

01:12:59,510 --> 01:12:57,760

anything for that guy owes me a bunch

1982

01:13:01,830 --> 01:12:59,520

like an apology for what he sent his

1983

01:13:04,070 --> 01:13:01,840

[h__\h] fans to do on his behalf how

1984

01:13:06,310 --> 01:13:04,080

about an apology for the disrespect of

1985

01:13:07,830 --> 01:13:06,320

ignoring me for three months before i

1986

01:13:09,590 --> 01:13:07,840

you know put that documentary out and

1987

01:13:11,430 --> 01:13:09,600

tried to get his side of the you know

1988

01:13:13,510 --> 01:13:11,440

the story where he wouldn't let me do it

1989

01:13:16,070 --> 01:13:13,520

i don't know him anything and you know

1990

01:13:18,470 --> 01:13:16,080

and honestly i told lou angeles a long

1991

01:13:20,070 --> 01:13:18,480

time ago i said i'll come on ucr anytime

1992

01:13:21,830 --> 01:13:20,080

you want to talk about my point of view

1993

01:13:23,110 --> 01:13:21,840

or you can come onto my show or i'll do

1994

01:13:25,430 --> 01:13:23,120

a live stream and we can do it on my

1995

01:13:26,950 --> 01:13:25,440

channel and we can do the same so

1996

01:13:28,310 --> 01:13:26,960

i don't get why it's got to be some

1997

01:13:31,030 --> 01:13:28,320

weird thing and i'm not going to walk

1998

01:13:32,950 --> 01:13:31,040

into a situation where you know elizondo

1999

01:13:35,030 --> 01:13:32,960

sends in this proxy with a bunch of

2000

01:13:37,430 --> 01:13:35,040

rhetoric and garbage who doesn't have

2001

01:13:38,870 --> 01:13:37,440

any real answers what's in it for me

2002

01:13:41,110 --> 01:13:38,880

what the hell is lou angeles going to

2003

01:13:42,630 --> 01:13:41,120

give me that that that i want i want

2004

01:13:45,110 --> 01:13:42,640

answers from elizondo he's not going to

2005

01:13:46,870 --> 01:13:45,120

have them so no lou if you're too much

2006

01:13:48,870 --> 01:13:46,880

elizondo if you're too much of a coward

2007

01:13:50,630 --> 01:13:48,880

to face me i'm not gonna deal with your

2008

01:13:52,950 --> 01:13:50,640

little minions man you can keep your

2009

01:13:55,110 --> 01:13:52,960

plebes at home where they go yay lou

2010

01:13:56,390 --> 01:13:55,120

you're awesome lose awesome you know

2011

01:13:57,750 --> 01:13:56,400

like i don't i don't deal with

2012

01:13:59,430 --> 01:13:57,760

lightweight man

2013

01:14:01,270 --> 01:13:59,440

scrubs

2014

01:14:03,189 --> 01:14:01,280

yeah and you know what i wonder how some

2015

01:14:04,390 --> 01:14:03,199

of these fanboys like fessler and the

2016

01:14:05,750 --> 01:14:04,400

other idiots

2017

01:14:07,270 --> 01:14:05,760

like how are they dealing with these

2018

01:14:09,910 --> 01:14:07,280

revelations

2019

01:14:11,590 --> 01:14:09,920

that uh you know louis lozando lied to

2020

01:14:13,270 --> 01:14:11,600

so many people and lied about so many

2021

01:14:14,790 --> 01:14:13,280

specifics and and now we have the

2022

01:14:16,550 --> 01:14:14,800

revelation that he was involved in this

2023

01:14:19,430 --> 01:14:16,560

ttsa thing

2024

01:14:23,350 --> 01:14:19,440

so you know like

2025

01:14:24,790 --> 01:14:23,360

i don't know it's crazy to me you know

2026

01:14:26,229 --> 01:14:24,800

yeah yeah

2027

01:14:27,350 --> 01:14:26,239

i don't know man some people just want

2028

01:14:28,709 --> 01:14:27,360

to believe and they'll believe it no

2029

01:14:30,709 --> 01:14:28,719

matter what and i've stopped trying to

2030

01:14:31,990 --> 01:14:30,719

reach anybody like that but there's a

2031

01:14:33,750 --> 01:14:32,000

lot of people who were on the fence and

2032

01:14:35,110 --> 01:14:33,760

didn't know which way to go and i feel

2033

01:14:36,870 --> 01:14:35,120

like most of them have had their eyes

2034

01:14:38,229 --> 01:14:36,880

open you know one way or the other but

2035

01:14:39,750 --> 01:14:38,239

we've come to the point where there's

2036

01:14:40,870 --> 01:14:39,760

just enough information out there for

2037

01:14:42,149 --> 01:14:40,880

you got to say

2038

01:14:43,350 --> 01:14:42,159

sorry folks there's no more fence

2039

01:14:45,030 --> 01:14:43,360

sitting it's time to pick a side the

2040

01:14:47,270 --> 01:14:45,040

guy's full of crap or you're full full

2041

01:14:49,669 --> 01:14:47,280

of full-on loofology at this point you

2042

01:14:51,189 --> 01:14:49,679

know like uh because he hasn't brought

2043

01:14:53,189 --> 01:14:51,199

anything new but if you don't stop him

2044

01:14:54,870 --> 01:14:53,199

now he's gonna he's gonna use the fact

2045

01:14:56,790 --> 01:14:54,880

that nobody stopped him for a year to

2046

01:14:58,390 --> 01:14:56,800

say that his claim that disclosure's

2047

01:15:00,229 --> 01:14:58,400

been here and that it's here and you

2048

01:15:01,590 --> 01:15:00,239

know that's all we're gonna get and you

2049

01:15:03,669 --> 01:15:01,600

know like he's gonna write his own

2050

01:15:05,910 --> 01:15:03,679

reality so it's just time for people to

2051
01:15:07,510 --> 01:15:05,920
stand up and say enough is enough man

2052
01:15:09,110 --> 01:15:07,520
we're not going by your little narrow

2053
01:15:11,030 --> 01:15:09,120
world view and i'm not gonna subscribe

2054
01:15:12,070 --> 01:15:11,040
to what you say is truth because you say

2055
01:15:13,189 --> 01:15:12,080
it's true

2056
01:15:14,790 --> 01:15:13,199
you know he's had

2057
01:15:16,790 --> 01:15:14,800
almost five years to provide evidence

2058
01:15:18,790 --> 01:15:16,800
and has failed

2059
01:15:20,229 --> 01:15:18,800
books closed on elizondo as far as i'm

2060
01:15:21,830 --> 01:15:20,239
concerned you know he's kind of like

2061
01:15:23,430 --> 01:15:21,840
like that guy who robbed the convenience

2062
01:15:24,950 --> 01:15:23,440
store and got shot on the way out but

2063
01:15:26,709 --> 01:15:24,960

still has three steps of life at him

2064

01:15:29,350 --> 01:15:26,719

before he hits the ground

2065

01:15:30,229 --> 01:15:29,360

he just doesn't know he's dead yet

2066

01:15:32,870 --> 01:15:30,239

sorry

2067

01:15:34,280 --> 01:15:32,880

you know like

2068

01:15:36,709 --> 01:15:34,290

why are we still talking about luke

2069

01:15:38,550 --> 01:15:36,719

[Laughter]

2070

01:15:40,229 --> 01:15:38,560

i don't know myself sometimes but i

2071

01:15:42,630 --> 01:15:40,239

think it's like force a habit or

2072

01:15:43,910 --> 01:15:42,640

something it's been like well no

2073

01:15:45,350 --> 01:15:43,920

you're right though because some people

2074

01:15:46,870 --> 01:15:45,360

have really clinged to that thing you

2075

01:15:48,310 --> 01:15:46,880

know to that image and say oh he's still

2076

01:15:49,669 --> 01:15:48,320

our champion of disclosure he's still

2077

01:15:50,870 --> 01:15:49,679

the big guy and you're like folks i'm

2078

01:15:53,030 --> 01:15:50,880

sorry but he's

2079

01:15:54,790 --> 01:15:53,040

he's done you know like his story's full

2080

01:15:57,189 --> 01:15:54,800

of crap he's full of crap you know he's

2081

01:15:59,189 --> 01:15:57,199

been exposed as as everything but what

2082

01:16:00,550 --> 01:15:59,199

he says he was you know and he can't he

2083

01:16:01,910 --> 01:16:00,560

doesn't have a lick evidence to support

2084

01:16:03,590 --> 01:16:01,920

his story other than what he's already

2085

01:16:05,590 --> 01:16:03,600

provided on day one which were these

2086

01:16:07,990 --> 01:16:05,600

three pieces of shoddy video you know

2087

01:16:10,470 --> 01:16:08,000

that's it so

2088

01:16:12,310 --> 01:16:10,480

but close onto the log and tsa and all

2089

01:16:14,630 --> 01:16:12,320

the other rest of the players that's all

2090

01:16:16,870 --> 01:16:14,640

we get after all this time right that's

2091

01:16:18,709 --> 01:16:16,880

all we get it's amazing to me that

2092

01:16:19,830 --> 01:16:18,719

that's all we get

2093

01:16:21,430 --> 01:16:19,840

well what are we going to do when the

2094

01:16:22,790 --> 01:16:21,440

guy won't ever go into a hardball

2095

01:16:24,229 --> 01:16:22,800

interview question i mean he's supposed

2096

01:16:26,390 --> 01:16:24,239

to be some kind of super soldier that

2097

01:16:27,590 --> 01:16:26,400

can talk around you know there's no way

2098

01:16:28,790 --> 01:16:27,600

you're going to manipulate him into

2099

01:16:30,630 --> 01:16:28,800

saying something he doesn't want to say

2100

01:16:32,950 --> 01:16:30,640

because that's his job right but yet

2101
01:16:35,270 --> 01:16:32,960
he's afraid to face even the most i hate

2102
01:16:37,189 --> 01:16:35,280
to say it i'm just a joe nobody man why

2103
01:16:38,390 --> 01:16:37,199
won't he talk to me you know like he

2104
01:16:39,750 --> 01:16:38,400
doesn't want to put he doesn't want me

2105
01:16:41,590 --> 01:16:39,760
to put his back into a corner and make

2106
01:16:43,750 --> 01:16:41,600
him look like a fool for all the lies

2107
01:16:45,350 --> 01:16:43,760
he's told for years maybe you know like

2108
01:16:46,950 --> 01:16:45,360
because it'll happen i've got all the

2109
01:16:48,149 --> 01:16:46,960
documents i've got all the screenshots

2110
01:16:49,830 --> 01:16:48,159
you know i've been following this for

2111
01:16:52,390 --> 01:16:49,840
years you've been following it since day

2112
01:16:54,470 --> 01:16:52,400
one you know like i mean

2113
01:16:55,990 --> 01:16:54,480

he just won't he won't face anybody who

2114

01:16:57,430 --> 01:16:56,000

questions his story like i said in the

2115

01:16:59,270 --> 01:16:57,440

documentary that's why he does a scratch

2116

01:17:02,229 --> 01:16:59,280

and sniff let's see who what they like

2117

01:17:03,590 --> 01:17:02,239

who they are and whatever so yeah

2118

01:17:04,950 --> 01:17:03,600

whatever

2119

01:17:06,390 --> 01:17:04,960

if he doesn't want to face one of us

2120

01:17:08,390 --> 01:17:06,400

what are we going to do i'm not going

2121

01:17:10,390 --> 01:17:08,400

after his chump change

2122

01:17:11,590 --> 01:17:10,400

well it's one thing to send your goon

2123

01:17:13,110 --> 01:17:11,600

squad

2124

01:17:16,550 --> 01:17:13,120

it's one thing to send

2125

01:17:18,709 --> 01:17:16,560

your goon squad out to dox people or to

2126

01:17:20,229 --> 01:17:18,719

threaten or harass their family but it's

2127

01:17:21,990 --> 01:17:20,239

a whole other thing to start making

2128

01:17:23,910 --> 01:17:22,000

claims that they're you know convicted

2129

01:17:26,390 --> 01:17:23,920

criminals if they indeed are not or

2130

01:17:28,790 --> 01:17:26,400

whatever and doing it directly or

2131

01:17:30,950 --> 01:17:28,800

sending it to other show hosts

2132

01:17:32,709 --> 01:17:30,960

if that's true uh that's more

2133

01:17:33,750 --> 01:17:32,719

problematic than a lot of the things

2134

01:17:35,110 --> 01:17:33,760

that

2135

01:17:37,990 --> 01:17:35,120

he's been there's all kinds of legal

2136

01:17:40,390 --> 01:17:38,000

issues there but just moral issues like

2137

01:17:42,149 --> 01:17:40,400

what a [h__h] scumbag really

2138

01:17:43,750 --> 01:17:42,159

really this is how he's gonna respond to

2139

01:17:46,070 --> 01:17:43,760

people who ask him serious questions

2140

01:17:46,950 --> 01:17:46,080

about the holes in his stories based up

2141

01:17:48,950 --> 01:17:46,960

in the

2142

01:17:51,430 --> 01:17:48,960

on the you know public records found on

2143

01:17:52,870 --> 01:17:51,440

the internet that anybody who has some

2144

01:17:54,709 --> 01:17:52,880

fingers in a computer and internet

2145

01:17:56,830 --> 01:17:54,719

access can go find is that he's going to

2146

01:17:59,510 --> 01:17:56,840

try to wreck them

2147

01:18:01,189 --> 01:17:59,520

personally listen he said everyone will

2148

01:18:03,030 --> 01:18:01,199

be treated with respect no matter what

2149

01:18:05,910 --> 01:18:03,040

their position and abuse or hatred

2150

01:18:07,830 --> 01:18:05,920

towards others will not be tolerated

2151
01:18:09,830 --> 01:18:07,840
well yeah and he's a liar you know like

2152
01:18:11,110 --> 01:18:09,840
every word out of his mouth is a lie

2153
01:18:13,110 --> 01:18:11,120
you know you just got to flip it on its

2154
01:18:14,870 --> 01:18:13,120
head and you see what i mean like come

2155
01:18:16,550 --> 01:18:14,880
on that's just that was the first of his

2156
01:18:18,310 --> 01:18:16,560
lies as i said in the newsletter

2157
01:18:20,070 --> 01:18:18,320
documentary i will always you know you

2158
01:18:22,070 --> 01:18:20,080
know what you know what these other the

2159
01:18:23,990 --> 01:18:22,080
other thing is that these lou elizondo

2160
01:18:25,830 --> 01:18:24,000
big cheerleader supporters they're

2161
01:18:28,709 --> 01:18:25,840
[h__h] they're [h__h] right now i'm

2162
01:18:31,430 --> 01:18:28,719
going to say this go look at their views

2163
01:18:33,350 --> 01:18:31,440

if they do a show solo without lou

2164

01:18:35,990 --> 01:18:33,360

and then go look at the views when they

2165

01:18:36,950 --> 01:18:36,000

do a solo when they do a show with lou

2166

01:18:41,110 --> 01:18:36,960

it's like

2167

01:18:43,110 --> 01:18:41,120

orders of magnitude they'll get they'll

2168

01:18:45,030 --> 01:18:43,120

get three four five hundred eight

2169

01:18:46,470 --> 01:18:45,040

hundred views by themselves or with a

2170

01:18:48,470 --> 01:18:46,480

little known guest

2171

01:18:50,550 --> 01:18:48,480

but when they have lou they get twenty

2172

01:18:52,830 --> 01:18:50,560

thousand views so they gotta keep

2173

01:18:55,510 --> 01:18:52,840

pushing this cart this loose card of

2174

01:18:58,390 --> 01:18:55,520

[h__\h] to get the views they have no

2175

01:19:00,550 --> 01:18:58,400

other way to get that kind of views

2176

01:19:02,390 --> 01:19:00,560

yeah well they they rode the cash cow

2177

01:19:04,390 --> 01:19:02,400

the cash cow has been you know it's done

2178

01:19:06,870 --> 01:19:04,400

it's over the train grave train's over

2179

01:19:08,790 --> 01:19:06,880

um you know but part of that

2180

01:19:10,950 --> 01:19:08,800

steven is the youtube algorithm and you

2181

01:19:12,950 --> 01:19:10,960

know how when things become

2182

01:19:14,390 --> 01:19:12,960

popular recommends them more and more

2183

01:19:16,790 --> 01:19:14,400

you know so uh

2184

01:19:18,390 --> 01:19:16,800

you know and there's ways to to

2185

01:19:20,470 --> 01:19:18,400

manipulate that algorithm especially if

2186

01:19:22,470 --> 01:19:20,480

you have money and resources behind you

2187

01:19:24,390 --> 01:19:22,480

but you know it really just echoes what

2188

01:19:26,630 --> 01:19:24,400

was going on in the mainstream media

2189

01:19:28,390 --> 01:19:26,640

lazy click bait reporting people

2190

01:19:30,310 --> 01:19:28,400

repeating old stories because they were

2191

01:19:32,310 --> 01:19:30,320

old and not bothering to research them

2192

01:19:34,149 --> 01:19:32,320

you know just citing them as fact and

2193

01:19:35,750 --> 01:19:34,159

and going on because it was a quick way

2194

01:19:37,270 --> 01:19:35,760

to get an article up on a web page or a

2195

01:19:40,070 --> 01:19:37,280

segment out on your local piece or

2196

01:19:41,750 --> 01:19:40,080

whatever and that's something that um

2197

01:19:44,229 --> 01:19:41,760

you know in the interview

2198

01:19:45,990 --> 01:19:44,239

this is very i believe this to be true i

2199

01:19:48,149 --> 01:19:46,000

i'm entitled to my opinion captain

2200

01:19:50,390 --> 01:19:48,159

corrosive is here on live chat says he

2201

01:19:52,709 --> 01:19:50,400

knows what his fans do he endorses it

2202

01:19:54,870 --> 01:19:52,719

clearly thanks them for their support as

2203

01:19:57,750 --> 01:19:54,880

they harass people and dox them there

2204

01:20:00,390 --> 01:19:57,760

were replies on on the on the videos

2205

01:20:02,070 --> 01:20:00,400

with the fister of people informing him

2206

01:20:03,590 --> 01:20:02,080

that fister and his crew were doxing

2207

01:20:05,910 --> 01:20:03,600

people harassing people threatening

2208

01:20:08,709 --> 01:20:05,920

people with screenshots

2209

01:20:10,709 --> 01:20:08,719

so he was informed that that show host

2210

01:20:13,430 --> 01:20:10,719

was doing that what does he do go back

2211

01:20:15,030 --> 01:20:13,440

on that show show to thank him for

2212

01:20:17,910 --> 01:20:15,040

getting to those critics because he

2213

01:20:20,390 --> 01:20:17,920

can't openly do that kind of [h__\h] so he

2214

01:20:22,229 --> 01:20:20,400

needs he needs pawns

2215

01:20:23,830 --> 01:20:22,239

and useful why are people so shocked

2216

01:20:25,750 --> 01:20:23,840

when they get when a scumbag acts like a

2217

01:20:27,270 --> 01:20:25,760

scumbag people are like oh i'm so

2218

01:20:29,430 --> 01:20:27,280

shocked that lou would do that i'm like

2219

01:20:31,750 --> 01:20:29,440

i'm not he's a scumbag i mean come on

2220

01:20:33,669 --> 01:20:31,760

look at look at how he reacts to any any

2221

01:20:36,790 --> 01:20:33,679

of the smallest criticism if you

2222

01:20:38,790 --> 01:20:36,800

challenge his his superhero image he

2223

01:20:41,110 --> 01:20:38,800

just drops a [h__\h] bomb on you he tells

2224

01:20:44,310 --> 01:20:41,120

you how about a hot cup of shut the f up

2225

01:20:46,950 --> 01:20:44,320

you know like god what a basic basic

2226

01:20:48,790 --> 01:20:46,960

dude like and it's not like

2227

01:20:50,229 --> 01:20:48,800

why and why do we why would we care like

2228

01:20:51,750 --> 01:20:50,239

why would we even put up with it you

2229

01:20:52,870 --> 01:20:51,760

know like anybody else like that acts in

2230

01:20:54,070 --> 01:20:52,880

the world you just be like god what a

2231

01:20:56,070 --> 01:20:54,080

blowhard i'm not going to hang out with

2232

01:20:57,910 --> 01:20:56,080

that person but for you know he

2233

01:21:00,070 --> 01:20:57,920

infiltrated our community and he got his

2234

01:21:02,070 --> 01:21:00,080

hooks in you know and he's you know i

2235

01:21:04,310 --> 01:21:02,080

don't get how people follow him when he

2236

01:21:06,470 --> 01:21:04,320

says straight up i ran this thing like

2237

01:21:08,070 --> 01:21:06,480

an operation you know he's like he's

2238

01:21:10,070 --> 01:21:08,080

admitting that he's running an operation

2239

01:21:11,430 --> 01:21:10,080

on the public in the world and nobody

2240

01:21:21,830 --> 01:21:11,440

seems to care

2241

01:21:25,430 --> 01:21:23,590

and i've seen people tag him and stuff

2242

01:21:27,750 --> 01:21:25,440

that he does like that and he turns a

2243

01:21:29,110 --> 01:21:27,760

damn blind eye to it you know and what i

2244

01:21:31,590 --> 01:21:29,120

wanted to say this earlier about him and

2245

01:21:34,149 --> 01:21:31,600

his sock puppets that just speaks to the

2246

01:21:36,149 --> 01:21:34,159

level of arrogance that this man has man

2247

01:21:38,149 --> 01:21:36,159

that he thinks that he can come into a

2248

01:21:40,229 --> 01:21:38,159

genre like ufology which honestly is

2249

01:21:41,830 --> 01:21:40,239

about that big you know like we all kind

2250

01:21:44,310 --> 01:21:41,840

of know each other it's a tiny

2251

01:21:45,990 --> 01:21:44,320

subculture right i don't know a person i

2252

01:21:48,550 --> 01:21:46,000

know some of their friends that's how

2253

01:21:50,709 --> 01:21:48,560

tiny damn straight there's one degree of

2254

01:21:52,709 --> 01:21:50,719

separation between all of us here in

2255

01:21:54,310 --> 01:21:52,719

this thing right but he thinks he's

2256

01:21:56,390 --> 01:21:54,320

gonna come in here and take this thing

2257

01:21:58,390 --> 01:21:56,400

over and nobody's gonna notice his sock

2258

01:22:00,629 --> 01:21:58,400

puppet accounts and his manipulation and

2259

01:22:02,070 --> 01:22:00,639

his [h__h] i mean why would you choose

2260

01:22:03,990 --> 01:22:02,080

a skeptic community that's full of

2261

01:22:05,669 --> 01:22:04,000

researchers to try to infiltrate unless

2262

01:22:07,990 --> 01:22:05,679

you think you are just god's gift to the

2263

01:22:09,270 --> 01:22:08,000

intelligence agent you know and maybe

2264

01:22:10,310 --> 01:22:09,280

that's it maybe it's just his own

2265

01:22:12,950 --> 01:22:10,320

arrogance that's going to be his

2266

01:22:14,550 --> 01:22:12,960

downfall once again you know but uh i

2267

01:22:16,790 --> 01:22:14,560

can't i just know the latest he's

2268

01:22:19,350 --> 01:22:16,800

emailing people claiming that i'm a i'm

2269

01:22:21,270 --> 01:22:19,360

a criminal male great yeah

2270

01:22:23,750 --> 01:22:21,280

just great that doesn't surprise me that

2271

01:22:25,830 --> 01:22:23,760

they i haven't suffered enough abuse for

2272

01:22:28,149 --> 01:22:25,840

being honest about him you know i've

2273

01:22:30,229 --> 01:22:28,159

been docs threatened and all kinds of

2274

01:22:32,070 --> 01:22:30,239

nonsense people are coming to my live

2275

01:22:33,669 --> 01:22:32,080

chat threatening my family members by

2276

01:22:35,350 --> 01:22:33,679

name because you know

2277

01:22:37,189 --> 01:22:35,360

these right click researchers are such

2278

01:22:39,750 --> 01:22:37,199

geniuses they know how to look me up on

2279

01:22:41,990 --> 01:22:39,760

facebook and find family members of mine

2280

01:22:44,229 --> 01:22:42,000

this is ridiculous and

2281

01:22:46,229 --> 01:22:44,239

uh you know i have to say that uh i know

2282

01:22:48,390 --> 01:22:46,239

at least one person many who who

2283

01:22:50,629 --> 01:22:48,400

suffered this kind of [h__h] that i'm

2284

01:22:52,390 --> 01:22:50,639

going through here but it was related to

2285

01:22:55,110 --> 01:22:52,400

corey goode and

2286

01:22:57,270 --> 01:22:55,120

in his case he got it it

2287

01:22:59,110 --> 01:22:57,280

it got him so much that he just quit he

2288

01:23:01,189 --> 01:22:59,120

just said i'm not going to do anything

2289

01:23:02,790 --> 01:23:01,199

on youtube anymore i'm done with this

2290

01:23:05,030 --> 01:23:02,800

and everybody misses that guy to this

2291

01:23:07,430 --> 01:23:05,040

day he did amazing great work he always

2292

01:23:10,149 --> 01:23:07,440

told the truth he did great research he

2293

01:23:12,550 --> 01:23:10,159

showed everybody what he found and it

2294

01:23:14,950 --> 01:23:12,560

painted some of these cosmic con artists

2295

01:23:17,430 --> 01:23:14,960

like lou elizondo

2296

01:23:19,350 --> 01:23:17,440

alleged cosmic con artists i don't get

2297

01:23:21,910 --> 01:23:19,360

threatened with another lawyer

2298

01:23:23,750 --> 01:23:21,920

but that guy would would show people

2299

01:23:25,590 --> 01:23:23,760

that the truth behind some of these

2300

01:23:28,629 --> 01:23:25,600

conspiracy land characters and their

2301

01:23:30,310 --> 01:23:28,639

claims he got harassed so much they

2302

01:23:32,470 --> 01:23:30,320

found out where he worked he

2303

01:23:34,390 --> 01:23:32,480

i think he lost his job because there

2304

01:23:36,870 --> 01:23:34,400

was hundreds of people calling screaming

2305

01:23:38,470 --> 01:23:36,880

at people at his job that why are you

2306

01:23:40,470 --> 01:23:38,480

why are you letting that guy work there

2307

01:23:41,430 --> 01:23:40,480

and all this stuff he got so pissed off

2308

01:23:43,350 --> 01:23:41,440

he quit

2309

01:23:44,790 --> 01:23:43,360

so that's what they want though in the

2310

01:23:46,229 --> 01:23:44,800

case of people like you and me they

2311

01:23:48,070 --> 01:23:46,239

don't want people out there telling the

2312

01:23:49,430 --> 01:23:48,080

truth about this [h__h] they want people

2313

01:23:51,830 --> 01:23:49,440

that are just going to play along with

2314

01:23:53,750 --> 01:23:51,840

the ufo circle jerk give them the

2315

01:23:56,149 --> 01:23:53,760

softball questions like keep pushing

2316

01:23:58,629 --> 01:23:56,159

their [h__\h] cart down the road yeah

2317

01:24:00,470 --> 01:23:58,639

it's ridiculous well i'm not i know

2318

01:24:02,310 --> 01:24:00,480

you're not playing along and i know that

2319

01:24:03,990 --> 01:24:02,320

i'm not going to play along i know i

2320

01:24:05,110 --> 01:24:04,000

know rich goof i'm not speaking for but

2321

01:24:06,149 --> 01:24:05,120

i know he ain't going to play along and

2322

01:24:08,229 --> 01:24:06,159

there's other people too that aren't

2323

01:24:10,470 --> 01:24:08,239

going to play along you know and and

2324

01:24:12,470 --> 01:24:10,480

i'll tell you this too man like um as

2325

01:24:14,070 --> 01:24:12,480

far as retaliation goes they've already

2326

01:24:15,590 --> 01:24:14,080

done everything to me that they can so i

2327

01:24:18,149 --> 01:24:15,600

don't give a [\h__\h] what they think they

2328

01:24:20,790 --> 01:24:18,159

can do next time you know like i'm over

2329

01:24:23,350 --> 01:24:20,800

it right i'm over it i'm over it all

2330

01:24:25,750 --> 01:24:23,360

they did was release any reservations

2331

01:24:27,750 --> 01:24:25,760

yeah so somebody like somebody somebody

2332

01:24:29,510 --> 01:24:27,760

else docks me and actually in her

2333

01:24:31,990 --> 01:24:29,520

defense she didn't realize that she

2334

01:24:34,950 --> 01:24:32,000

anjali released some audio recording and

2335

01:24:36,629 --> 01:24:34,960

doxed me again like a week or two ago

2336

01:24:38,470 --> 01:24:36,639

by but she did it by accident and then

2337

01:24:39,990 --> 01:24:38,480

she offered to take it down and what i

2338

01:24:41,669 --> 01:24:40,000

said was no

2339

01:24:43,430 --> 01:24:41,679

uh i've already been doxxed three or

2340

01:24:45,590 --> 01:24:43,440

four times in the past couple of months

2341

01:24:47,590 --> 01:24:45,600

so it's already out there somebody

2342

01:24:49,430 --> 01:24:47,600

really wants it and if anybody really

2343

01:24:50,950 --> 01:24:49,440

wanted to find me they could but i do

2344

01:24:53,350 --> 01:24:50,960

find it interesting that in seven or

2345

01:24:55,270 --> 01:24:53,360

eight years nobody ever docks me nobody

2346

01:24:57,990 --> 01:24:55,280

ever failed me and just a few weeks

2347

01:25:01,189 --> 01:24:58,000

after i had to give legal papers to

2348

01:25:03,189 --> 01:25:01,199

youtube to a false copyright claim whose

2349

01:25:05,189 --> 01:25:03,199

buddies with some of these [h__\h]

2350

01:25:06,709 --> 01:25:05,199

suddenly everybody's got all my personal

2351

01:25:09,110 --> 01:25:06,719

information my home address and

2352

01:25:10,870 --> 01:25:09,120

everything it's great

2353

01:25:12,709 --> 01:25:10,880

yeah it's great yeah yeah yeah i saw

2354

01:25:14,470 --> 01:25:12,719

that too they did you know they they use

2355

01:25:16,790 --> 01:25:14,480

these systems to get our information you

2356

01:25:18,629 --> 01:25:16,800

know um that was not very cool of this

2357

01:25:20,310 --> 01:25:18,639

person to jump in and get involved where

2358

01:25:23,030 --> 01:25:20,320

he didn't need to and he you know that

2359

01:25:24,550 --> 01:25:23,040

just kind of makes him look bad um but

2360

01:25:26,229 --> 01:25:24,560

you know like

2361

01:25:27,830 --> 01:25:26,239

we just we can't be responsible for how

2362

01:25:29,110 --> 01:25:27,840

other people act ultimately they need to

2363

01:25:30,870 --> 01:25:29,120

take accountability for their own

2364

01:25:32,550 --> 01:25:30,880

actions and then the people who put them

2365

01:25:33,830 --> 01:25:32,560

up to it like elizondo and who turn a

2366

01:25:35,669 --> 01:25:33,840

blind eye to it while they do it they

2367

01:25:38,229 --> 01:25:35,679

need to be held accountable too um

2368

01:25:39,830 --> 01:25:38,239

that's just the bottom line but uh

2369

01:25:41,110 --> 01:25:39,840

yeah i need to take just a quick break

2370

01:25:43,189 --> 01:25:41,120

man i need to run to the restroom real

2371

01:25:44,870 --> 01:25:43,199

quick all right i'm gonna i'll i'll pop

2372

01:25:46,470 --> 01:25:44,880

you out in there for a minute there yeah

2373

01:25:48,070 --> 01:25:46,480

we'll take a we'll take a quick break

2374

01:25:50,070 --> 01:25:48,080

we're gonna be wrapping things up here

2375

01:25:52,790 --> 01:25:50,080

soon anyway uh

2376

01:25:55,590 --> 01:25:52,800

i keep saying that this is my last show

2377

01:25:58,149 --> 01:25:55,600

in the not my latest show this is my

2378

01:26:00,149 --> 01:25:58,159

last show in my office studio here for

2379

01:26:01,990 --> 01:26:00,159

those that don't know i'm in a tiny

2380

01:26:02,950 --> 01:26:02,000

little attic room that is above our

2381

01:26:04,550 --> 01:26:02,960

kitchen

2382

01:26:06,470 --> 01:26:04,560

and it's the hottest room in the house

2383

01:26:09,270 --> 01:26:06,480

there's only one tiny window and it's

2384

01:26:11,350 --> 01:26:09,280

behind the backdrop even if i run the

2385

01:26:13,030 --> 01:26:11,360

air conditioner it's almost uh

2386

01:26:15,270 --> 01:26:13,040

unbearable in here but i can't run the

2387

01:26:15,990 --> 01:26:15,280

air conditioner with the microphones at

2388

01:26:18,310 --> 01:26:16,000

all

2389

01:26:20,470 --> 01:26:18,320

so that means that this

2390

01:26:22,629 --> 01:26:20,480

studio is going to be completely and

2391

01:26:25,350 --> 01:26:22,639

totally unusable uh

2392

01:26:27,350 --> 01:26:25,360

for the next few months last year i

2393

01:26:28,870 --> 01:26:27,360

tried my very best and what i used to do

2394

01:26:30,709 --> 01:26:28,880

is pull the backdrop down put the air

2395

01:26:32,070 --> 01:26:30,719

conditioner thing

2396

01:26:33,910 --> 01:26:32,080

it's one of those portable ones to go on

2397

01:26:36,149 --> 01:26:33,920

the floor but anyway i used to blast the

2398

01:26:37,910 --> 01:26:36,159

air conditioner for five or six hours

2399

01:26:39,830 --> 01:26:37,920

and then come in here disconnect the air

2400

01:26:41,590 --> 01:26:39,840

conditioner put the backdrop back up and

2401

01:26:43,830 --> 01:26:41,600

try to get through an hour or two hours

2402

01:26:44,950 --> 01:26:43,840

show without melting and it didn't work

2403

01:26:47,830 --> 01:26:44,960

out so well

2404

01:26:50,149 --> 01:26:47,840

so i'm starting a new studio

2405

01:26:51,510 --> 01:26:50,159

in another area of the house which i'm

2406

01:26:52,470 --> 01:26:51,520

actually excited about because it's a

2407

01:26:54,310 --> 01:26:52,480

huge

2408

01:26:56,310 --> 01:26:54,320

space compared to this

2409

01:26:59,430 --> 01:26:56,320

and it's actually the space i wanted to

2410

01:27:01,430 --> 01:26:59,440

do this show studio first but i just

2411

01:27:04,070 --> 01:27:01,440

kind of went this small room will work

2412

01:27:05,270 --> 01:27:04,080

for now and then what pisses me off is

2413

01:27:08,070 --> 01:27:05,280

that

2414

01:27:09,750 --> 01:27:08,080

i have four cameras in here all working

2415

01:27:10,870 --> 01:27:09,760

everything is perfect in here now but

2416

01:27:12,629 --> 01:27:10,880

now i have to

2417

01:27:16,709 --> 01:27:12,639

i have to escape

2418

01:27:20,070 --> 01:27:16,719

uh the the two hot studio and build a

2419

01:27:22,229 --> 01:27:20,080

and i guess studio b and then

2420

01:27:24,229 --> 01:27:22,239

this room will still be fine for doing

2421

01:27:25,430 --> 01:27:24,239

video editing or research or whatever as

2422

01:27:27,110 --> 01:27:25,440

long as i have an air conditioner

2423

01:27:29,510 --> 01:27:27,120

blasting in here the whole time i'm in

2424

01:27:31,750 --> 01:27:29,520

here but i can't i can't use this for

2425

01:27:35,750 --> 01:27:31,760

shows so i keep saying tonight is the

2426

01:27:37,110 --> 01:27:35,760

last show from our our first studio here

2427

01:27:38,070 --> 01:27:37,120

um

2428

01:27:40,070 --> 01:27:38,080

but

2429

01:27:41,590 --> 01:27:40,080

then the next day i do another you know

2430

01:27:44,830 --> 01:27:41,600

i made it through the week but i'm

2431

01:27:48,550 --> 01:27:44,840

melting in here right now it's

2432

01:27:50,629 --> 01:27:48,560

terrible i guess uh but you know

2433

01:27:53,110 --> 01:27:50,639

i'm kind of like on the fence

2434

01:27:54,550 --> 01:27:53,120

right there's uh there's two sides to

2435

01:27:56,149 --> 01:27:54,560

every coin like part of me is like well

2436

01:27:57,910 --> 01:27:56,159

it's good you know uh

2437

01:28:00,870 --> 01:27:57,920

we'll uh

2438

01:28:02,470 --> 01:28:00,880

we'll we'll be like um you know new

2439

01:28:03,830 --> 01:28:02,480

beginnings and all that kind of stuff

2440

01:28:05,270 --> 01:28:03,840

but the other part of me is like well i

2441

01:28:05,990 --> 01:28:05,280

don't want new beginnings everything

2442

01:28:07,750 --> 01:28:06,000

that

2443

01:28:09,669 --> 01:28:07,760

in this room works great

2444

01:28:11,990 --> 01:28:09,679

but environmentally it's just not going

2445

01:28:13,910 --> 01:28:12,000

to work

2446

01:28:16,550 --> 01:28:13,920

oh listen josh and artemis is here and

2447

01:28:18,310 --> 01:28:16,560

says there's so much uh there's so much

2448

01:28:19,669 --> 01:28:18,320

of that going on lou used the faceless

2449

01:28:22,229 --> 01:28:19,679

bureaucrat account to brief his

2450

01:28:24,470 --> 01:28:22,239

supporters on who to target that was a

2451
01:28:26,470 --> 01:28:24,480
big slip up from lou earlier i wonder

2452
01:28:28,709 --> 01:28:26,480
who else is on the list

2453
01:28:30,470 --> 01:28:28,719
lord ludacris yeah

2454
01:28:32,390 --> 01:28:30,480
there we go man he's back

2455
01:28:33,830 --> 01:28:32,400
he's freshly pissed

2456
01:28:37,189 --> 01:28:33,840
right

2457
01:28:38,709 --> 01:28:37,199
recharged man ready to do battle

2458
01:28:40,629 --> 01:28:38,719
wait where's there's nobody to battle

2459
01:28:42,149 --> 01:28:40,639
with

2460
01:28:42,950 --> 01:28:42,159
kate schneider's talking about all kinds

2461
01:28:45,910 --> 01:28:42,960
of stuff

2462
01:28:48,149 --> 01:28:45,920
well i think that that mr elizondo may

2463
01:28:49,830 --> 01:28:48,159

be unraveling because you got to

2464

01:28:51,669 --> 01:28:49,840

remember that he's been setting this up

2465

01:28:53,510 --> 01:28:51,679

for the long play for a while and that

2466

01:28:55,910 --> 01:28:53,520

book of his is coming out and all this

2467

01:28:57,990 --> 01:28:55,920

dirt is coming out on him right before

2468

01:29:00,310 --> 01:28:58,000

the book comes out that can't be good

2469

01:29:02,470 --> 01:29:00,320

for book sales uh just my opinion i

2470

01:29:04,390 --> 01:29:02,480

don't know i you know

2471

01:29:05,990 --> 01:29:04,400

i think maybe the documentary might have

2472

01:29:07,189 --> 01:29:06,000

pushed back the the book a little bit

2473

01:29:09,510 --> 01:29:07,199

where they had to go and fact check

2474

01:29:10,870 --> 01:29:09,520

things a little bit maybe or or you know

2475

01:29:12,950 --> 01:29:10,880

maybe yeah

2476

01:29:14,709 --> 01:29:12,960

i don't know take [h__h] out of the book

2477

01:29:16,950 --> 01:29:14,719

god damn it i gotta take all this [h__h]

2478

01:29:19,350 --> 01:29:16,960

out because now people know it's fake

2479

01:29:20,950 --> 01:29:19,360

yeah yeah when it comes out i'll find

2480

01:29:22,310 --> 01:29:20,960

out who the ghostwriter is in contact

2481

01:29:24,229 --> 01:29:22,320

and maybe they'll we can talk about it

2482

01:29:26,310 --> 01:29:24,239

after the fact yeah i wanted to just

2483

01:29:27,830 --> 01:29:26,320

mention to everybody that uh we're going

2484

01:29:29,510 --> 01:29:27,840

to be wrapping things up here shortly

2485

01:29:31,990 --> 01:29:29,520

but i wanted to mention everybody that i

2486

01:29:33,669 --> 01:29:32,000

have put out more videos this week than

2487

01:29:35,350 --> 01:29:33,679

i ever did but i was able to do that

2488

01:29:37,110 --> 01:29:35,360

because we put out three interviews from

2489

01:29:39,510 --> 01:29:37,120

my previous show the midnight hour

2490

01:29:41,830 --> 01:29:39,520

tonight at midnight at the midnight hour

2491

01:29:43,270 --> 01:29:41,840

eastern standard time is my interview

2492

01:29:45,110 --> 01:29:43,280

with grant cameron it's one of my

2493

01:29:47,430 --> 01:29:45,120

favorite interviews i know a lot of

2494

01:29:50,310 --> 01:29:47,440

people are like he's too woo now but i

2495

01:29:52,149 --> 01:29:50,320

love the guy because i he is doggedly

2496

01:29:53,189 --> 01:29:52,159

out there looking for what the truth is

2497

01:29:55,030 --> 01:29:53,199

behind this

2498

01:29:57,590 --> 01:29:55,040

everything to do with aliens flying

2499

01:29:59,270 --> 01:29:57,600

saucers ufos i love the guy midnight

2500

01:30:01,510 --> 01:29:59,280

tonight i'll be in the live chat come

2501

01:30:03,830 --> 01:30:01,520

back and and join us for that

2502

01:30:06,229 --> 01:30:03,840

so many what what what's next for you

2503

01:30:07,510 --> 01:30:06,239

we'll end on that what what's next going

2504

01:30:09,910 --> 01:30:07,520

to disneyland

2505

01:30:12,870 --> 01:30:09,920

yeah i'm going to go

2506

01:30:14,870 --> 01:30:12,880

oh you said it was a victory lap

2507

01:30:16,310 --> 01:30:14,880

for me disneyland's vegas anyways i

2508

01:30:17,830 --> 01:30:16,320

don't i don't go to disneyland i go to

2509

01:30:18,950 --> 01:30:17,840

vegas to relax i don't know i don't know

2510

01:30:21,750 --> 01:30:18,960

what's next so i'm going to keep running

2511

01:30:23,510 --> 01:30:21,760

this down uh you know um the interview

2512

01:30:25,270 --> 01:30:23,520

on josh and artemis show last night uh

2513

01:30:26,550 --> 01:30:25,280

bob kivia popped on for a little bit we

2514

01:30:27,990 --> 01:30:26,560

talked a little bit about a project that

2515

01:30:30,149 --> 01:30:28,000

we're gonna be working on yeah i saw

2516

01:30:32,310 --> 01:30:30,159

that it's interesting

2517

01:30:33,750 --> 01:30:32,320

i hope you guys get somebody get me his

2518

01:30:35,830 --> 01:30:33,760

contact information i'd love to

2519

01:30:37,669 --> 01:30:35,840

interview that guy

2520

01:30:39,270 --> 01:30:37,679

he's yeah we'll be seeing a lot more bob

2521

01:30:40,390 --> 01:30:39,280

i think here in the future here i think

2522

01:30:43,030 --> 01:30:40,400

he's gonna be coming out talking a

2523

01:30:44,629 --> 01:30:43,040

little bit more so that's always good um

2524

01:30:46,149 --> 01:30:44,639

yeah so working on that but always

2525

01:30:47,830 --> 01:30:46,159

following this story you know there's

2526

01:30:49,910 --> 01:30:47,840

more involved here there's we still

2527

01:30:51,270 --> 01:30:49,920

don't know you know there's a third

2528

01:30:52,790 --> 01:30:51,280

round of stock that they just offered

2529

01:30:55,430 --> 01:30:52,800

that tsa just offered so i'm going to

2530

01:30:56,709 --> 01:30:55,440

be following that um i was kind of half

2531

01:30:58,790 --> 01:30:56,719

joking but i'm kind of half serious

2532

01:31:00,390 --> 01:30:58,800

steven if you want to go in and buy a

2533

01:31:01,270 --> 01:31:00,400

section of stock then we can do that

2534

01:31:03,510 --> 01:31:01,280

become

2535

01:31:05,030 --> 01:31:03,520

we can each own half a share

2536

01:31:06,550 --> 01:31:05,040

no you got to buy a certain number of

2537

01:31:07,990 --> 01:31:06,560

shares but it amounts to seven yeah it's

2538

01:31:12,390 --> 01:31:08,000

120

2539

01:31:14,149 --> 01:31:12,400

could do that and that way we would get

2540

01:31:16,310 --> 01:31:14,159

access to the financials well not only

2541

01:31:17,830 --> 01:31:16,320

that but if we started calling the sec

2542

01:31:19,990 --> 01:31:17,840

if we started calling the sec

2543

01:31:21,510 --> 01:31:20,000

complaining as shareholders that we want

2544

01:31:23,350 --> 01:31:21,520

information and they're not giving it to

2545

01:31:26,390 --> 01:31:23,360

us they'd have to give us the

2546

01:31:27,510 --> 01:31:26,400

information mr cattfish 20 yeah

2547

01:31:28,550 --> 01:31:27,520

kind of generously you got to give them

2548

01:31:29,590 --> 01:31:28,560

a chance

2549

01:31:31,030 --> 01:31:29,600

hey we love

2550

01:31:32,550 --> 01:31:31,040

a chance to give you information though

2551

01:31:35,510 --> 01:31:32,560

you know like you can't just

2552

01:31:36,709 --> 01:31:35,520

stop and pilot so yeah i don't know like

2553

01:31:38,470 --> 01:31:36,719

well it'd be interesting we'll talk

2554

01:31:41,750 --> 01:31:38,480

about we'll talk about some more and uh

2555

01:31:43,189 --> 01:31:41,760

see about the logistics of doing that um

2556

01:31:44,390 --> 01:31:43,199

so because there is another offering

2557

01:31:45,669 --> 01:31:44,400

that's up this year you know like

2558

01:31:48,149 --> 01:31:45,679

they're going to be offering another

2559

01:31:49,590 --> 01:31:48,159

trying to get another 30 million um you

2560

01:31:50,870 --> 01:31:49,600

know bob said something last night about

2561

01:31:52,470 --> 01:31:50,880

him or somebody else had said something

2562

01:31:54,390 --> 01:31:52,480

about him sitting down with the you know

2563

01:31:56,149 --> 01:31:54,400

they're trying to get billionaire angel

2564

01:31:57,669 --> 01:31:56,159

investors and that's

2565

01:31:58,950 --> 01:31:57,679

follows what i found in the paperwork

2566

01:32:01,110 --> 01:31:58,960

where it says pretty much hey we'll take

2567

01:32:04,550 --> 01:32:01,120

money from anywhere angel investment

2568

01:32:06,229 --> 01:32:04,560

outside investors public investors um

2569

01:32:07,910 --> 01:32:06,239

the stork if the stork wants to bring us

2570

01:32:09,990 --> 01:32:07,920

a bag mark to loot we'll take it you

2571

01:32:11,189 --> 01:32:10,000

know like i don't think they care but

2572

01:32:12,550 --> 01:32:11,199

why do they need a lot of money why are

2573

01:32:14,390 --> 01:32:12,560

they burning through it so quick where

2574

01:32:15,990 --> 01:32:14,400

is it all going i hope i proved to

2575

01:32:17,590 --> 01:32:16,000

everyone it's all mostly going to tom de

2576

01:32:19,590 --> 01:32:17,600

long you know it looks like it's going

2577

01:32:21,110 --> 01:32:19,600

to be former home to me

2578

01:32:23,750 --> 01:32:21,120

yeah yeah

2579

01:32:25,189 --> 01:32:23,760

so um yeah so i'll be following that and

2580

01:32:26,709 --> 01:32:25,199

you know trying to expose some more

2581

01:32:29,350 --> 01:32:26,719

things and then looking at some other

2582

01:32:30,470 --> 01:32:29,360

stuff and trying to um

2583

01:32:32,310 --> 01:32:30,480

yeah just figure out what's going on

2584

01:32:33,750 --> 01:32:32,320

with this whole agenda this group as i

2585

01:32:35,590 --> 01:32:33,760

see it and

2586

01:32:37,510 --> 01:32:35,600

you know from there it's detailing how

2587

01:32:39,189 --> 01:32:37,520

they got here what was the perfect storm

2588

01:32:40,709 --> 01:32:39,199

of events that let everything happen

2589

01:32:43,110 --> 01:32:40,719

here or made everything happen because

2590

01:32:45,270 --> 01:32:43,120

it's not a big orchestra it sure seems

2591

01:32:47,510 --> 01:32:45,280

like they had an easy time manipulating

2592

01:32:49,910 --> 01:32:47,520

the media into doing their bidding too

2593

01:32:51,510 --> 01:32:49,920

it's amazing to me nobody could pick up

2594

01:32:53,270 --> 01:32:51,520

the phone and verify some of their

2595

01:32:56,229 --> 01:32:53,280

shitty claims right

2596

01:32:59,030 --> 01:32:56,239

it's like 70 fear of missing out fomo

2597

01:33:01,270 --> 01:32:59,040

and 30 you know lazy clickbait reporting

2598

01:33:03,110 --> 01:33:01,280

i mean i don't know i i just don't know

2599

01:33:05,350 --> 01:33:03,120

because from day one like you said you

2600

01:33:07,590 --> 01:33:05,360

were suspicious the very first video

2601
01:33:09,510 --> 01:33:07,600
that i ever did that mentioned tsa and

2602
01:33:11,669 --> 01:33:09,520
lou elizondo i think what i said about

2603
01:33:13,189 --> 01:33:11,679
elizondo was i don't that guy doesn't

2604
01:33:15,030 --> 01:33:13,199
look like we can trust him as far as we

2605
01:33:16,870 --> 01:33:15,040
can throw him and he's a stocky dude so

2606
01:33:19,990 --> 01:33:16,880
we probably can't pitch him very far

2607
01:33:21,990 --> 01:33:20,000
yeah like um

2608
01:33:24,149 --> 01:33:22,000
like and there's other people too whose

2609
01:33:26,149 --> 01:33:24,159
intuition was just spot on you know who

2610
01:33:27,669 --> 01:33:26,159
just you know there was uh gigi had said

2611
01:33:29,430 --> 01:33:27,679
something in the chat she said from day

2612
01:33:30,950 --> 01:33:29,440
one she felt off about this whole group

2613
01:33:32,950 --> 01:33:30,960

of people you know so other people

2614

01:33:34,629 --> 01:33:32,960

caught it there was a uh keith claude

2615

01:33:36,629 --> 01:33:34,639

done a piece about it back in the day

2616

01:33:38,390 --> 01:33:36,639

you know calling out elizondo as maybe

2617

01:33:39,830 --> 01:33:38,400

being a little questionable you know he

2618

01:33:41,669 --> 01:33:39,840

said like i just didn't really like the

2619

01:33:43,590 --> 01:33:41,679

vibe you know like and there were some

2620

01:33:45,430 --> 01:33:43,600

other journalists but it was the

2621

01:33:47,270 --> 01:33:45,440

unpopular opinion and it wasn't the one

2622

01:33:49,669 --> 01:33:47,280

that got the clickbaity clickety clicks

2623

01:33:51,990 --> 01:33:49,679

and all the the slaps on the backs and

2624

01:33:54,070 --> 01:33:52,000

you know all that so um what are you

2625

01:33:55,510 --> 01:33:54,080

gonna say you know like do you want to

2626

01:33:57,510 --> 01:33:55,520

be right or do you want to make money i

2627

01:33:59,669 --> 01:33:57,520

mean i'd rather be truthful and tell the

2628

01:34:02,390 --> 01:33:59,679

the right story than you know have a

2629

01:34:03,910 --> 01:34:02,400

clicky clicky you know 17 000 views

2630

01:34:06,310 --> 01:34:03,920

because you put alexander

2631

01:34:08,709 --> 01:34:06,320

no i i think it's totally okay to just

2632

01:34:10,310 --> 01:34:08,719

make mistakes like i i gained a lot of

2633

01:34:12,629 --> 01:34:10,320

respect for the stephen green street

2634

01:34:14,310 --> 01:34:12,639

because he was kind of on board at first

2635

01:34:15,030 --> 01:34:14,320

reporting it as if it was true but then

2636

01:34:18,790 --> 01:34:15,040

he

2637

01:34:20,790 --> 01:34:18,800

digging and going i can't believe that

2638

01:34:22,870 --> 01:34:20,800

nobody found this stuff that i found

2639

01:34:25,590 --> 01:34:22,880

nobody picked up the phone and now he's

2640

01:34:28,390 --> 01:34:25,600

changed his team i respect him more for

2641

01:34:31,110 --> 01:34:28,400

for saying hey you know i i didn't go i

2642

01:34:32,470 --> 01:34:31,120

i started at the wrong point and and now

2643

01:34:34,070 --> 01:34:32,480

i'm going to be covering this he's going

2644

01:34:35,510 --> 01:34:34,080

to be covering this whole thing a lot

2645

01:34:38,550 --> 01:34:35,520

differently i can't wait for those new

2646

01:34:40,229 --> 01:34:38,560

episodes you know yeah i agree with you

2647

01:34:43,270 --> 01:34:40,239

and i think that that's the sign of a

2648

01:34:45,189 --> 01:34:43,280

critically thinking rational person if

2649

01:34:46,470 --> 01:34:45,199

they can look at new evidence and say oh

2650

01:34:48,070 --> 01:34:46,480

here's more evidence

2651

01:34:49,910 --> 01:34:48,080

i'm going to consider that now that's

2652

01:34:51,990 --> 01:34:49,920

what we should all be doing plus he's

2653

01:34:53,990 --> 01:34:52,000

just funny did you see on his birthday

2654

01:34:56,629 --> 01:34:54,000

he got those batman balloons and he

2655

01:34:58,950 --> 01:34:56,639

tweeted himself with the batman balloons

2656

01:35:00,390 --> 01:34:58,960

that was awesome yeah

2657

01:35:02,470 --> 01:35:00,400

yeah yeah you gotta have a sense of

2658

01:35:04,709 --> 01:35:02,480

humor man come on you got to it'll go

2659

01:35:07,350 --> 01:35:04,719

crazy trying to cover this [h__h] you know

2660

01:35:09,350 --> 01:35:07,360

okay after a while i i gotta

2661

01:35:10,790 --> 01:35:09,360

i gotta go back to really good people

2662

01:35:12,310 --> 01:35:10,800

that are involved in this every once in

2663

01:35:15,030 --> 01:35:12,320

a while because i spent too much time

2664

01:35:17,189 --> 01:35:15,040

digging in dirty slimy people's business

2665

01:35:19,109 --> 01:35:17,199

you know and i have to go yeah remind

2666

01:35:21,109 --> 01:35:19,119

myself there's good people here

2667

01:35:23,350 --> 01:35:21,119

uh you know that are telling people the

2668

01:35:25,270 --> 01:35:23,360

truth doing good research right

2669

01:35:27,189 --> 01:35:25,280

it's crazy huh

2670

01:35:29,669 --> 01:35:27,199

yeah you need a pallet cleanser has

2671

01:35:30,950 --> 01:35:29,679

something to just rinse off that

2672

01:35:32,390 --> 01:35:30,960

you know like

2673

01:35:33,830 --> 01:35:32,400

yeah that's how i feel about doing

2674

01:35:35,350 --> 01:35:33,840

something like this you know like i just

2675

01:35:36,790 --> 01:35:35,360

want to go do some comedy or make some

2676

01:35:38,629 --> 01:35:36,800

music or something and just do something

2677

01:35:40,470 --> 01:35:38,639

fun and lighthearted for a little bit

2678

01:35:42,149 --> 01:35:40,480

and then uh get back to the back to the

2679

01:35:43,990 --> 01:35:42,159

grind get get cracking on the rest of

2680

01:35:45,830 --> 01:35:44,000

the story and you know figuring out

2681

01:35:49,030 --> 01:35:45,840

where where we're gonna go from here but

2682

01:35:50,709 --> 01:35:49,040

um yeah uh i hope we don't have as much

2683

01:35:52,790 --> 01:35:50,719

fallout over this one as we did who's

2684

01:35:54,870 --> 01:35:52,800

lou yeah every time i have you on my

2685

01:35:56,870 --> 01:35:54,880

show this [h__h] starts many this [h__h]

2686

01:35:58,550 --> 01:35:56,880

already started you come on my show now

2687

01:36:00,629 --> 01:35:58,560

people are sending lists around saying

2688

01:36:02,229 --> 01:36:00,639

i'm a criminal and [\h__\h] look at this

2689

01:36:04,550 --> 01:36:02,239

[\h__\h] and it was because they knew you

2690

01:36:06,550 --> 01:36:04,560

were coming on here that's what it was

2691

01:36:08,950 --> 01:36:06,560

like we gotta yeah i'm not i'm not doing

2692

01:36:09,669 --> 01:36:08,960

i'm not playing that game man i'm not

2693

01:36:11,590 --> 01:36:09,679

will gonna

2694

01:36:14,149 --> 01:36:11,600

send an email to one of his plebian

2695

01:36:16,070 --> 01:36:14,159

little worshipers and send them off off

2696

01:36:18,950 --> 01:36:16,080

after me or you or anybody else that is

2697

01:36:20,709 --> 01:36:18,960

just ridiculous

2698

01:36:22,709 --> 01:36:20,719

to handle it himself forget it this is a

2699

01:36:25,109 --> 01:36:22,719

huge problem for him because he has to

2700

01:36:27,109 --> 01:36:25,119

think of what is an outsider

2701
01:36:28,550 --> 01:36:27,119
looking in going to think of him sending

2702
01:36:30,470 --> 01:36:28,560
around this list

2703
01:36:33,109 --> 01:36:30,480
and you know if anything becomes a legal

2704
01:36:35,350 --> 01:36:33,119
situation people can subpoena his emails

2705
01:36:37,430 --> 01:36:35,360
and his messages to all these other show

2706
01:36:39,109 --> 01:36:37,440
hosts and then make it public what's

2707
01:36:42,070 --> 01:36:39,119
that going to make him look like like

2708
01:36:45,350 --> 01:36:42,080
this is a big this is a big [h__\h] storm

2709
01:36:46,790 --> 01:36:45,360
about to erupt right here you know

2710
01:36:48,470 --> 01:36:46,800
it makes him look like

2711
01:36:50,310 --> 01:36:48,480
the scumbag that he is i mean what do

2712
01:36:51,669 --> 01:36:50,320
you want me to say i mean like you know

2713
01:36:53,350 --> 01:36:51,679

you can't i mean everyone's like oh that

2714

01:36:55,270 --> 01:36:53,360

guy's a hero oh he's a patriot how can

2715

01:36:57,590 --> 01:36:55,280

you say that i'm like hey

2716

01:37:00,470 --> 01:36:57,600

man have you been paying attention yeah

2717

01:37:03,510 --> 01:37:00,480

yeah gq great the men's fashion magazine

2718

01:37:07,510 --> 01:37:03,520

in the uk said he was why did gq uh us

2719

01:37:09,189 --> 01:37:07,520

give him that why was it gk gq uh uk i

2720

01:37:11,030 --> 01:37:09,199

wonder why do you have to go abroad to

2721

01:37:12,629 --> 01:37:11,040

get a kudos

2722

01:37:13,910 --> 01:37:12,639

maybe he can't uh maybe the people over

2723

01:37:15,750 --> 01:37:13,920

here know he's

2724

01:37:16,870 --> 01:37:15,760

not important

2725

01:37:18,709 --> 01:37:16,880

yeah

2726

01:37:20,229 --> 01:37:18,719

well josh and artemis i appreciate you

2727

01:37:22,070 --> 01:37:20,239

guys saying that they said who's lou

2728

01:37:23,910 --> 01:37:22,080

changed the conversation i really do

2729

01:37:26,470 --> 01:37:23,920

appreciate you saying that because i put

2730

01:37:28,550 --> 01:37:26,480

a lot of effort into it and um it

2731

01:37:30,790 --> 01:37:28,560

received a you know it got kind of a

2732

01:37:33,910 --> 01:37:30,800

[h__\h] stick as far as as that goes the

2733

01:37:35,430 --> 01:37:33,920

response goes uh but you know right now

2734

01:37:37,030 --> 01:37:35,440

but now it's a part of the history of

2735

01:37:40,070 --> 01:37:37,040

this thing though you should be proud of

2736

01:37:42,229 --> 01:37:40,080

it regardless of you counts or i am they

2737

01:37:44,950 --> 01:37:42,239

told listen for those that don't know

2738

01:37:46,790 --> 01:37:44,960

manny got completely screwed over

2739

01:37:48,950 --> 01:37:46,800

because what they did he had all this

2740

01:37:51,270 --> 01:37:48,960

momentum leading up to the release right

2741

01:37:53,189 --> 01:37:51,280

after the release all these slimy people

2742

01:37:56,310 --> 01:37:53,199

started copyright claiming it to get it

2743

01:37:58,870 --> 01:37:56,320

taken off of youtube and that took what

2744

01:38:01,590 --> 01:37:58,880

weeks to resolve it a couple weeks and

2745

01:38:03,669 --> 01:38:01,600

almost like a month over a month yeah

2746

01:38:06,070 --> 01:38:03,679

all the momentum he had built

2747

01:38:08,709 --> 01:38:06,080

for the film and for the release got

2748

01:38:10,870 --> 01:38:08,719

screwed over by the fister

2749

01:38:13,270 --> 01:38:10,880

[h__\h] gang and all the and loose

2750

01:38:15,830 --> 01:38:13,280

goons and all these other people and and

2751

01:38:17,910 --> 01:38:15,840

el uh wasn't it uh tom de copyright

2752

01:38:19,910 --> 01:38:17,920

claims so much yeah it was also the tsa

2753

01:38:22,149 --> 01:38:19,920

and the history channel all three of

2754

01:38:24,390 --> 01:38:22,159

them conspired to to attack me to shut

2755

01:38:25,510 --> 01:38:24,400

it down yeah yeah totally they all had

2756

01:38:27,590 --> 01:38:25,520

me at the same time trying to get me

2757

01:38:30,870 --> 01:38:27,600

taken off of youtube actually they they

2758

01:38:35,189 --> 01:38:33,270

yeah yeah so yeah and i'm kind of that

2759

01:38:36,870 --> 01:38:35,199

you know i'm expecting them to you know

2760

01:38:38,709 --> 01:38:36,880

do something like that here you know

2761

01:38:40,229 --> 01:38:38,719

they didn't um

2762

01:38:42,149 --> 01:38:40,239

everyone should go check out the rs

2763

01:38:43,830 --> 01:38:42,159

technica article that when they were you

2764

01:38:45,910 --> 01:38:43,840

know 37 million in debt when it wasn't

2765

01:38:48,070 --> 01:38:45,920

56 but um

2766

01:38:49,830 --> 01:38:48,080

you know they uh what would walter say i

2767

01:38:51,910 --> 01:38:49,840

just saw that regarding the virginia

2768

01:38:53,830 --> 01:38:51,920

talking about who yeah regarding the

2769

01:38:56,550 --> 01:38:53,840

virtue of all veterans i was a federal

2770

01:38:58,709 --> 01:38:56,560

agent in the u.s air force dod who do

2771

01:38:59,910 --> 01:38:58,719

you think we investigate it yeah it's

2772

01:39:01,750 --> 01:38:59,920

just because somebody's a military

2773

01:39:04,229 --> 01:39:01,760

person doesn't mean that they have good

2774

01:39:05,350 --> 01:39:04,239

ethics or morality i guess but i know

2775

01:39:07,109 --> 01:39:05,360

there's that you know i have a huge

2776

01:39:08,229 --> 01:39:07,119

respect for walter man i like i love

2777

01:39:10,229 --> 01:39:08,239

walter yeah

2778

01:39:11,430 --> 01:39:10,239

i think i would like to get his he's one

2779

01:39:14,070 --> 01:39:11,440

of the good guys i'd love to get his

2780

01:39:15,270 --> 01:39:14,080

opinion on on lou and all that and and

2781

01:39:17,189 --> 01:39:15,280

the other stuff that's going on around

2782

01:39:19,510 --> 01:39:17,199

reach out to him he's he's not one of

2783

01:39:21,270 --> 01:39:19,520

those rock stars he'll he'll message you

2784

01:39:23,510 --> 01:39:21,280

or he'll talk to you he's one of the

2785

01:39:25,189 --> 01:39:23,520

good guys uh i've known that since the

2786

01:39:27,750 --> 01:39:25,199

very beginning of my journey in this

2787

01:39:30,149 --> 01:39:27,760

adventure the good guys are are are

2788

01:39:31,270 --> 01:39:30,159

really easy to spot usually

2789

01:39:33,430 --> 01:39:31,280

and uh

2790

01:39:34,870 --> 01:39:33,440

sometimes not so much but he has been

2791

01:39:36,070 --> 01:39:34,880

one of the good guys

2792

01:39:38,229 --> 01:39:36,080

and uh

2793

01:39:40,149 --> 01:39:38,239

glad to know and friend of the show

2794

01:39:42,149 --> 01:39:40,159

veteran does not mean always ethical

2795

01:39:44,149 --> 01:39:42,159

yeah but i was just saying walter bosley

2796

01:39:46,470 --> 01:39:44,159

that there is that universal code of

2797

01:39:48,790 --> 01:39:46,480

honor in the military you can't not pay

2798

01:39:50,950 --> 01:39:48,800

your bills you can't lie and cheat and

2799

01:39:53,109 --> 01:39:50,960

steal you know like they they have

2800

01:39:54,790 --> 01:39:53,119

certain rules that military people live

2801

01:39:55,830 --> 01:39:54,800

by or are supposed to

2802

01:39:57,270 --> 01:39:55,840

but i guess once you get out of the

2803

01:39:59,189 --> 01:39:57,280

military you can just go well i'll start

2804

01:40:01,030 --> 01:39:59,199

being a slime ball now like i played by

2805

01:40:02,629 --> 01:40:01,040

the rules long enough

2806

01:40:03,990 --> 01:40:02,639

and walter says he doesn't believe lose

2807

01:40:06,310 --> 01:40:04,000

thing from the start

2808

01:40:09,030 --> 01:40:06,320

well i'm curious to know what walter

2809

01:40:10,709 --> 01:40:09,040

thinks about um the the fact that lou

2810

01:40:12,870 --> 01:40:10,719

left the army after three years and

2811

01:40:14,870 --> 01:40:12,880

worked for possibly a private contractor

2812

01:40:17,590 --> 01:40:14,880

the whole time after that that he wasn't

2813

01:40:19,590 --> 01:40:17,600

um an actual dod employee or not i'm not

2814

01:40:22,550 --> 01:40:19,600

sure how that would work if that's even

2815

01:40:24,870 --> 01:40:22,560

what happened or not but um

2816

01:40:27,109 --> 01:40:24,880

you know i filming god says

2817

01:40:28,629 --> 01:40:27,119

was fantastic in my opinion yeah i think

2818

01:40:31,990 --> 01:40:28,639

he did a great job

2819

01:40:33,830 --> 01:40:32,000

i think he did an excellent job on it

2820

01:40:35,669 --> 01:40:33,840

all right well thank you

2821

01:40:39,030 --> 01:40:35,679

i'm starting to melt so i at least got

2822

01:40:40,629 --> 01:40:39,040

to get out of here and open my door

2823

01:40:41,830 --> 01:40:40,639

i want to thank you for doing this manny

2824

01:40:43,590 --> 01:40:41,840

i want to thank you for your hard work

2825

01:40:45,910 --> 01:40:43,600

both on the who's lou film and on this

2826

01:40:47,830 --> 01:40:45,920

2827

01:40:49,990 --> 01:40:47,840

what a

2834

01:41:06,550 --> 01:41:04,719

alleged techno scam ttsa truly was how

2835

01:41:08,310 --> 01:41:06,560

they screwed the investors over diluting

2836

01:41:09,750 --> 01:41:08,320

the stock how tom delong and all his

2837

01:41:12,629 --> 01:41:09,760

buddies made all this money but

2838

01:41:14,149 --> 01:41:12,639

everybody else the investors not so much

2839

01:41:17,109 --> 01:41:14,159

right

2840

01:41:18,550 --> 01:41:17,119

watch the video support support support

2841

01:41:19,990 --> 01:41:18,560

good research

2842

01:41:21,830 --> 01:41:20,000

all right manny i'm going to talk to you

2843

2844

01:41:26,070 --> 01:41:24,239

well yeah yeah i'll hang out in the back

2845

01:41:28,229 --> 01:41:26,080

okay we'll be right back

2846

01:41:29,030 --> 01:41:28,239

or or i'll be right back to you all

2847

01:41:33,350 --> 01:41:29,040

right

2848

01:41:35,430 --> 01:41:33,360

been a rough week here

2849

01:41:37,189 --> 01:41:35,440

i am proud of myself though because we

2850

01:41:40,390 --> 01:41:37,199

managed to release more videos this week

2851
01:41:44,550 --> 01:41:40,400
than any week of our youtube channel uh

2852
01:41:47,430 --> 01:41:44,560
we recently hit 5000 subscribers and uh

2853
01:41:48,390 --> 01:41:47,440
i think 400 000 views or something like

2854
01:41:50,310 --> 01:41:48,400
that

2855
01:41:53,030 --> 01:41:50,320
the show is growing by leaps and bounds

2856
01:41:55,350 --> 01:41:53,040
i'm gonna uh have more good news about

2857
01:41:57,109 --> 01:41:55,360
the show growing to uh share with you

2858
01:41:59,350 --> 01:41:57,119
soon but i want to finalize everything

2859
01:42:02,149 --> 01:41:59,360
before i start flapping my gums

2860
01:42:03,750 --> 01:42:02,159
uh we've got some new

2861
01:42:05,910 --> 01:42:03,760
um

2862
01:42:08,310 --> 01:42:05,920
i guess i could say we've got some new

2863
01:42:09,510 --> 01:42:08,320

plans for increased distribution that's

2864

01:42:12,070 --> 01:42:09,520

really gonna

2865

01:42:14,950 --> 01:42:12,080

take our show to i think new heights i'm

2866

01:42:17,590 --> 01:42:14,960

excited about that i've got a new studio

2867

01:42:19,430 --> 01:42:17,600

under construction in a different area

2868

01:42:21,750 --> 01:42:19,440

of my house here

2869

01:42:24,390 --> 01:42:21,760

uh i'll be posting some pictures and

2870

01:42:26,149 --> 01:42:24,400

updates about that uh in

2871

01:42:28,629 --> 01:42:26,159

when there's something that actually you

2872

01:42:29,910 --> 01:42:28,639

know show you

2873

01:42:31,669 --> 01:42:29,920

right now i'm trying to clean all the

2874

01:42:34,790 --> 01:42:31,679

junk out of that area

2875

01:42:35,750 --> 01:42:34,800

all right so uh

2876

01:42:37,430 --> 01:42:35,760

boy

2877

01:42:39,270 --> 01:42:37,440

i it is true that every time i have

2878

01:42:41,510 --> 01:42:39,280

maddie on my show all this this [h__\h]

2879

01:42:43,669 --> 01:42:41,520

storm of controversy and drama starts

2880

01:42:46,229 --> 01:42:43,679

but i'm not complaining i kind of like

2881

01:42:47,910 --> 01:42:46,239

that you know keeps life interesting

2882

01:42:50,629 --> 01:42:47,920

and uh all the other [h__\h] storms went

2883

01:42:52,470 --> 01:42:50,639

away for a while so i guess you know

2884

01:42:54,629 --> 01:42:52,480

i guess i'm due for another [h__\h] storm

2885

01:42:57,830 --> 01:42:54,639

of drama controversy

2886

01:43:00,149 --> 01:42:57,840

and uh internet trolling i guess

2887

01:43:02,310 --> 01:43:00,159

what can i say friends uh

2888

01:43:04,149 --> 01:43:02,320

this is kind of par for the course right

2889

01:43:06,310 --> 01:43:04,159

it comes with the territory

2890

01:43:08,070 --> 01:43:06,320

so that's all we got for you tonight

2891

01:43:09,750 --> 01:43:08,080
