WITH SPECIAL GUEST :  
STEVE LONG

1  
00:00:39,490 --> 00:00:11,190  
[Music]

2  
00:00:39,500 --> 00:00:44,030  
[Applause]

3  
00:00:44,040 --> 00:00:50,310  
[Music]

4  
00:00:50,320 --> 00:00:55,440  
so

5  
00:02:41,030 --> 00:01:33,430  
[Music]

6  
00:02:42,390 --> 00:02:41,040  
greetings and salutations friends and

7  
00:02:45,509 --> 00:02:42,400  
welcome back

8  
00:02:48,470 --> 00:02:45,519  
uh i should apologize for this glare and

9  
00:02:50,710 --> 00:02:48,480  
uh some of you most of you know uh i

10  
00:02:52,869 --> 00:02:50,720  
have mentioned that i'm in an attic sort

11  
00:02:54,869 --> 00:02:52,879  
of office here and right about at this

12  
00:02:56,309 --> 00:02:54,879  
time of year it gets unbearably hot in

13  
00:02:58,949 --> 00:02:56,319

here and i have to blast an air

14

00:03:00,710 --> 00:02:58,959

conditioner in here just to be able to

15

00:03:02,470 --> 00:03:00,720

work in here can't blast the air

16

00:03:04,470 --> 00:03:02,480

conditioner during the show but a

17

00:03:06,149 --> 00:03:04,480

compromise for the time being is that i

18

00:03:09,190 --> 00:03:06,159

took down the backdrop which usually

19

00:03:11,190 --> 00:03:09,200

covers the window and uh

20

00:03:13,509 --> 00:03:11,200

yeah i have to have the window open here

21

00:03:15,350 --> 00:03:13,519

so i don't die of heat stroke in two

22

00:03:18,149 --> 00:03:15,360

hours um

23

00:03:19,509 --> 00:03:18,159

this is temporary i started i we're

24

00:03:21,509 --> 00:03:19,519

supposed to have another streaming

25

00:03:24,229 --> 00:03:21,519

location up right now

26

00:03:25,830 --> 00:03:24,239

in my home but uh it's taking a lot

27

00:03:28,309 --> 00:03:25,840

longer than i thought it would so i

28

00:03:29,110 --> 00:03:28,319

apologize uh this will have to do for

29

00:03:31,270 --> 00:03:29,120

now

30

00:03:33,270 --> 00:03:31,280

so welcome to true seekers and welcome

31

00:03:34,630 --> 00:03:33,280

to the ufo report you guys know that

32

00:03:36,630 --> 00:03:34,640

every once in a while i like to bring

33

00:03:38,149 --> 00:03:36,640

somebody here and just talk about ufos

34

00:03:40,470 --> 00:03:38,159

in the current state

35

00:03:43,509 --> 00:03:40,480

of the world of ufos

36

00:03:45,589 --> 00:03:43,519

um i i like to follow different people

37

00:03:48,390 --> 00:03:45,599

and when i see somebody new

38

00:03:50,949 --> 00:03:48,400

or unknown to me i should say not new

39

00:03:53,429 --> 00:03:50,959

but uh you know and invite them here for

40

00:03:54,229 --> 00:03:53,439

a conversation instead of doing that off

41

00:03:57,190 --> 00:03:54,239

air

42

00:03:59,670 --> 00:03:57,200

uh i take all of you guys with me

43

00:04:02,309 --> 00:03:59,680

so uh tonight our special guest is steve

44

00:04:03,830 --> 00:04:02,319

long who i just saw in the louis kaitano

45

00:04:05,350 --> 00:04:03,840

podcast

46

00:04:07,030 --> 00:04:05,360

and he talks about a lot of things he

47

00:04:08,229 --> 00:04:07,040

and i have a lot of similar interests so

48

00:04:09,589 --> 00:04:08,239

i thought it would be an interesting

49

00:04:11,910 --> 00:04:09,599

conversation

50

00:04:14,869 --> 00:04:11,920

let's bring him in here welcome steve

51  
00:04:16,789 --> 00:04:14,879  
long good to see you hey steve thanks

52  
00:04:19,909 --> 00:04:16,799  
for having me on tonight i appreciate it

53  
00:04:22,310 --> 00:04:19,919  
yeah so i thought we would start i i ask

54  
00:04:24,390 --> 00:04:22,320  
everybody this when i first meet them

55  
00:04:26,310 --> 00:04:24,400  
that's interested in this topic

56  
00:04:30,150 --> 00:04:26,320  
and uh you can get as personal as you

57  
00:04:33,110 --> 00:04:30,160  
want or or not as personal but i wanted

58  
00:04:36,390 --> 00:04:33,120  
to know why do you have such an intense

59  
00:04:39,830 --> 00:04:36,400  
interest in ufos and aliens uh what got

60  
00:04:41,909 --> 00:04:39,840  
you started down this rabbit hole

61  
00:04:43,909 --> 00:04:41,919  
well i think like a lot of people that

62  
00:04:45,749 --> 00:04:43,919  
probably get into this community um you

63  
00:04:47,670 --> 00:04:45,759

know i had an experience uh when i was a

64

00:04:50,790 --> 00:04:47,680

kid when i was 11 years old

65

00:04:53,670 --> 00:04:50,800

uh i saw a triangle um the typical kind

66

00:04:56,550 --> 00:04:53,680

that people talk about about 300 feet

67

00:04:59,110 --> 00:04:56,560

per side and it was uh floating about

68

00:05:01,749 --> 00:04:59,120

100 feet off of the ground and about

69

00:05:04,230 --> 00:05:01,759

probably uh 200

70

00:05:05,110 --> 00:05:04,240

yards or so away from me at the most and

71

00:05:11,590 --> 00:05:05,120

uh

72

00:05:13,990 --> 00:05:11,600

a flashlight because as being 11 years

73

00:05:16,150 --> 00:05:14,000

old i was gonna signal uh this thing

74

00:05:17,990 --> 00:05:16,160

um

75

00:05:20,070 --> 00:05:18,000

come and get me

76

00:05:21,590 --> 00:05:20,080

coming in for a landing i would do that

77

00:05:23,990 --> 00:05:21,600

too yeah

78

00:05:26,469 --> 00:05:24,000

sure sure and when i came back it was

79

00:05:29,430 --> 00:05:26,479

gone and and i i probably was gone for

80

00:05:31,830 --> 00:05:29,440

less than 45 seconds i would imagine

81

00:05:33,909 --> 00:05:31,840

um and it was floating very slowly when

82

00:05:34,950 --> 00:05:33,919

i had seen it um i call it a walking

83

00:05:37,510 --> 00:05:34,960

pace

84

00:05:39,830 --> 00:05:37,520

um but that's you know that's what first

85

00:05:41,350 --> 00:05:39,840

uh got my interest i i guess you could

86

00:05:42,790 --> 00:05:41,360

say and um

87

00:05:43,670 --> 00:05:42,800

and brought me into the topic and

88

00:05:45,990 --> 00:05:43,680

although

89

00:05:47,909 --> 00:05:46,000  
you know having seen and i certainly had

90

00:05:50,710 --> 00:05:47,919  
had being a child of the 90s i'd heard

91

00:05:52,950 --> 00:05:50,720  
of ufos and undoubtedly heard of

92

00:05:55,270 --> 00:05:52,960  
triangle ufos probably just from unsaw

93

00:05:56,230 --> 00:05:55,280  
mysteries alone um

94

00:05:57,909 --> 00:05:56,240  
but

95

00:05:59,590 --> 00:05:57,919  
i certainly knew that it was something

96

00:06:00,950 --> 00:05:59,600  
that uh people

97

00:06:02,309 --> 00:06:00,960  
it was frowned upon when people said

98

00:06:05,909 --> 00:06:02,319  
that they had seen these things i didn't

99

00:06:07,909 --> 00:06:05,919  
tell anybody um about it for uh over

100

00:06:10,629 --> 00:06:07,919  
really 20 years i think my wife was the

101

00:06:12,150 --> 00:06:10,639

first person that i told um

102

00:06:14,790 --> 00:06:12,160

the next day when i went into school i

103

00:06:16,469 --> 00:06:14,800

did see uh a kid that was during recess

104

00:06:18,390 --> 00:06:16,479

telling a group of other kids that

105

00:06:19,510 --> 00:06:18,400

essentially he had seen the same same

106

00:06:21,670 --> 00:06:19,520

thing as me

107

00:06:23,189 --> 00:06:21,680

um and the kids around him they did not

108

00:06:26,150 --> 00:06:23,199

believe him and they weren't too

109

00:06:28,390 --> 00:06:26,160

receptive and um i almost went over to

110

00:06:29,990 --> 00:06:28,400

you know to talk to him um but i saw how

111

00:06:32,390 --> 00:06:30,000

it was going i just said now i'll keep

112

00:06:34,870 --> 00:06:32,400

this to myself but certainly having seen

113

00:06:36,710 --> 00:06:34,880

um you know i believed uh whether i

114

00:06:38,590 --> 00:06:36,720

believed that i was seeing an alien

115

00:06:40,629 --> 00:06:38,600

craft or some type of

116

00:06:43,110 --> 00:06:40,639

extraterrestrial technology that was

117

00:06:45,430 --> 00:06:43,120

being back engineered and being flown by

118

00:06:48,390 --> 00:06:45,440

mankind i certainly believe that to see

119

00:06:50,870 --> 00:06:48,400

something so large and so heavy uh

120

00:06:53,110 --> 00:06:50,880

effortlessly float in the sky

121

00:06:54,710 --> 00:06:53,120

um without barely moving uh you know i

122

00:06:58,390 --> 00:06:54,720

thought that this had to be some type of

123

00:07:00,150 --> 00:06:58,400

non-uh mankind technology and for a long

124

00:07:02,230 --> 00:07:00,160

time uh you know i had seen i had

125

00:07:04,550 --> 00:07:02,240

believed and uh that was good enough for

126

00:07:05,990 --> 00:07:04,560

me and although i would follow

127

00:07:08,550 --> 00:07:06,000

you know when it first happened i looked

128

00:07:10,550 --> 00:07:08,560

for some information naturally on what i

129

00:07:11,990 --> 00:07:10,560

saw and i really didn't find much of

130

00:07:16,550 --> 00:07:12,000

anything we're talking about the

131

00:07:18,469 --> 00:07:16,560

internet in the mid 90s and most of the

132

00:07:20,950 --> 00:07:18,479

information that i came on was very

133

00:07:23,909 --> 00:07:20,960

lacking um

134

00:07:24,710 --> 00:07:23,919

but i did uh attempt to find information

135

00:07:26,550 --> 00:07:24,720

and

136

00:07:28,550 --> 00:07:26,560

through that i peripherally like paid

137

00:07:29,990 --> 00:07:28,560

attention to the ufo community and i

138

00:07:32,309 --> 00:07:30,000

would see things that would come up and

139

00:07:34,390 --> 00:07:32,319

follow chat rooms from time to time and

140

00:07:36,629 --> 00:07:34,400

i would notice uh hoaxes and i was a big

141

00:07:39,589 --> 00:07:36,639

ancient aliens fan really it wasn't

142

00:07:41,909 --> 00:07:39,599

until the 2017 new york times story

143

00:07:44,070 --> 00:07:41,919

um that really my interest was peaked to

144

00:07:45,830 --> 00:07:44,080

a level where i said you know let me see

145

00:07:47,909 --> 00:07:45,840

uh what i can find out now maybe i can

146

00:07:50,950 --> 00:07:47,919

get a clearer picture or a better

147

00:07:52,869 --> 00:07:50,960

understanding of what i saw and possibly

148

00:07:54,790 --> 00:07:52,879

uh what you know what's going on with

149

00:07:56,629 --> 00:07:54,800

this this alien thing

150

00:07:58,710 --> 00:07:56,639

um

151  
00:08:00,550 --> 00:07:58,720  
my views have certainly changed uh since

152  
00:08:04,309 --> 00:08:00,560  
then um

153  
00:08:07,110 --> 00:08:04,319  
yeah i think i think you and i have been

154  
00:08:09,270 --> 00:08:07,120  
down a similar rabbit hole and found a

155  
00:08:12,150 --> 00:08:09,280  
few twists and turns that changed our

156  
00:08:14,550 --> 00:08:12,160  
minds on some things right

157  
00:08:17,029 --> 00:08:14,560  
sure undoubtedly and really what it

158  
00:08:19,350 --> 00:08:17,039  
became for me having already being

159  
00:08:21,830 --> 00:08:19,360  
accustomed to some of the ufo

160  
00:08:23,350 --> 00:08:21,840  
stories and lore that was out there and

161  
00:08:24,469 --> 00:08:23,360  
being a pretty much a full believer in

162  
00:08:26,790 --> 00:08:24,479  
all of them since i had my own

163  
00:08:28,710 --> 00:08:26,800

experience what i first started doing

164

00:08:31,670 --> 00:08:28,720

was going and taking deeper dives into

165

00:08:34,230 --> 00:08:31,680

each of those stories and um you know

166

00:08:36,790 --> 00:08:34,240

there's a i think an arc that happens in

167

00:08:37,670 --> 00:08:36,800

this research um

168

00:08:39,430 --> 00:08:37,680

that's

169

00:08:41,110 --> 00:08:39,440

that a lot of people can relate to and i

170

00:08:43,029 --> 00:08:41,120

think that we the notice is you know the

171

00:08:45,110 --> 00:08:43,039

more you dive into the stories and

172

00:08:47,030 --> 00:08:45,120

events and the popular lore of the ufo

173

00:08:49,670 --> 00:08:47,040

community over the last 80 years you

174

00:08:53,190 --> 00:08:49,680

find many uh inconsistencies

175

00:08:55,350 --> 00:08:53,200

and uh events where the the claims and

176

00:08:58,470 --> 00:08:55,360

the popular narratives don't line up to

177

00:09:01,110 --> 00:08:58,480

what are provable and verifiable facts

178

00:09:02,230 --> 00:09:01,120

and and that's certainly a recurring

179

00:09:04,389 --> 00:09:02,240

theme

180

00:09:06,070 --> 00:09:04,399

in all of those

181

00:09:08,630 --> 00:09:06,080

that's a nice way of saying a lot of

182

00:09:10,550 --> 00:09:08,640

this is [h\_\_h] but you said it much

183

00:09:12,550 --> 00:09:10,560

you say it better than me right i'm a

184

00:09:14,310 --> 00:09:12,560

little more blunt

185

00:09:17,190 --> 00:09:14,320

and you start did you start to notice a

186

00:09:19,269 --> 00:09:17,200

lot of patterns in some of the stories

187

00:09:21,670 --> 00:09:19,279

you know like for example

188

00:09:24,230 --> 00:09:21,680

people like to glob onto roswell with a

189

00:09:25,910 --> 00:09:24,240

new story but they attach it to roswell

190

00:09:28,150 --> 00:09:25,920

because that's accepted and i like that

191

00:09:30,949 --> 00:09:28,160

you use the word lore i use the word

192

00:09:32,310 --> 00:09:30,959

lure or mythology because this thing is

193

00:09:35,269 --> 00:09:32,320

its own

194

00:09:36,470 --> 00:09:35,279

sort of group of stories almost like you

195

00:09:39,350 --> 00:09:36,480

know uh

196

00:09:41,509 --> 00:09:39,360

mythology right and it builds over time

197

00:09:43,430 --> 00:09:41,519

and things people accept and other

198

00:09:45,990 --> 00:09:43,440

things people throw to the side and then

199

00:09:47,829 --> 00:09:46,000

people tack on the stories and add on

200

00:09:50,230 --> 00:09:47,839

right

201  
00:09:51,430 --> 00:09:50,240  
no certainly and and we even hear that

202  
00:09:53,430 --> 00:09:51,440  
coming from

203  
00:09:55,509 --> 00:09:53,440  
you know leaders of the current

204  
00:09:58,310 --> 00:09:55,519  
community you know ex-government figures

205  
00:10:00,389 --> 00:09:58,320  
like lou elizondo and whatnot when they

206  
00:10:02,550 --> 00:10:00,399  
uh say that you know this tic-tac

207  
00:10:05,110 --> 00:10:02,560  
technology has been being seen you know

208  
00:10:07,430 --> 00:10:05,120  
for 50 and 60 and 70 years and there's a

209  
00:10:09,350 --> 00:10:07,440  
conflation there that that's not

210  
00:10:11,350 --> 00:10:09,360  
it's not made clear

211  
00:10:13,590 --> 00:10:11,360  
um to say the least

212  
00:10:15,110 --> 00:10:13,600  
and that i think that happens for all

213  
00:10:18,470 --> 00:10:15,120

kinds of reasons

214

00:10:21,190 --> 00:10:18,480

and agendas um but it certainly does

215

00:10:23,670 --> 00:10:21,200

happen and it's it's a very

216

00:10:26,150 --> 00:10:23,680

it's a problem um it's something that is

217

00:10:27,750 --> 00:10:26,160

holding i think uh a lot of things back

218

00:10:28,870 --> 00:10:27,760

you know that people come here for

219

00:10:29,829 --> 00:10:28,880

different uh

220

00:10:32,550 --> 00:10:29,839

reasons

221

00:10:35,910 --> 00:10:32,560

and different purposes um you know i

222

00:10:37,829 --> 00:10:35,920

myself uh came to to find specific

223

00:10:39,670 --> 00:10:37,839

answers i guess and i think a lot of

224

00:10:42,630 --> 00:10:39,680

people do come here

225

00:10:45,110 --> 00:10:42,640

for that reason and certainly uh i think

226

00:10:46,710 --> 00:10:45,120

that that changes over time except

227

00:10:49,030 --> 00:10:46,720

maybe not looking for answers but the

228

00:10:50,949 --> 00:10:49,040

questions that are being asked change

229

00:10:52,710 --> 00:10:50,959

over time but i certainly recognize the

230

00:10:55,509 --> 00:10:52,720

fact that for many people when they get

231

00:10:57,829 --> 00:10:55,519

to that point in the research um

232

00:10:59,829 --> 00:10:57,839

essentially that's where it kind of ends

233

00:11:02,470 --> 00:10:59,839

for them i i think that they don't tend

234

00:11:04,470 --> 00:11:02,480

to go on and do lifelong research and

235

00:11:06,870 --> 00:11:04,480

talk about it in the community or try

236

00:11:08,949 --> 00:11:06,880

and uh speak to the the verifiable

237

00:11:10,710 --> 00:11:08,959

history and the patterns that have

238

00:11:13,269 --> 00:11:10,720

occurred and that's fine you know we all

239

00:11:15,110 --> 00:11:13,279

have our lives that we have to lead um

240

00:11:17,110 --> 00:11:15,120

but i think that it leaves the community

241

00:11:18,150 --> 00:11:17,120

vulnerable um

242

00:11:19,910 --> 00:11:18,160

when

243

00:11:22,550 --> 00:11:19,920

many are

244

00:11:27,110 --> 00:11:22,560

new newcomers so to speak or those that

245

00:11:30,550 --> 00:11:27,120

are not so initiated in doing uh years

246

00:11:32,230 --> 00:11:30,560

or even just months of solid research on

247

00:11:34,870 --> 00:11:32,240

these things and and that might not be

248

00:11:36,389 --> 00:11:34,880

why they're here um but certainly

249

00:11:38,470 --> 00:11:36,399

there's a faction of us that that are

250

00:11:40,470 --> 00:11:38,480

here to really try and get an answer uh

251  
00:11:43,670 --> 00:11:40,480  
on some things and the problem that we

252  
00:11:44,310 --> 00:11:43,680  
most run into is that the claims uh be

253  
00:11:53,110 --> 00:11:44,320  
it

254  
00:11:56,389 --> 00:11:53,120  
uh trying to further very specific uh

255  
00:11:58,550 --> 00:11:56,399  
policies and actions um the claims don't

256  
00:12:00,150 --> 00:11:58,560  
often match up to what some of the

257  
00:12:03,590 --> 00:12:00,160  
verifiable evidence

258  
00:12:05,670 --> 00:12:03,600  
surrounding that that situation is

259  
00:12:06,949 --> 00:12:05,680  
yeah i i have found the same thing and

260  
00:12:09,110 --> 00:12:06,959  
it's also

261  
00:12:11,670 --> 00:12:09,120  
you know there was a point where when i

262  
00:12:13,190 --> 00:12:11,680  
was new to sort of looking into these

263  
00:12:14,310 --> 00:12:13,200

stories and these conspiracy land

264

00:12:17,269 --> 00:12:14,320

characters

265

00:12:19,590 --> 00:12:17,279

i had no idea the level of like fakery

266

00:12:21,750 --> 00:12:19,600

fraudery and bullshittery you know like

267

00:12:22,949 --> 00:12:21,760

if i saw somebody do a ufo lecture and

268

00:12:26,069 --> 00:12:22,959

they said

269

00:12:28,389 --> 00:12:26,079

i i was a navy seal i believed them

270

00:12:31,350 --> 00:12:28,399

because i assumed that like a conference

271

00:12:33,350 --> 00:12:31,360

organizer somebody would look into them

272

00:12:35,590 --> 00:12:33,360

and vet them before letting them get on

273

00:12:37,910 --> 00:12:35,600

a stage and tell these stories

274

00:12:39,910 --> 00:12:37,920

i was sort of shocked and horrified when

275

00:12:42,870 --> 00:12:39,920

i started actually trying to verify

276

00:12:45,509 --> 00:12:42,880

people's education people's work history

277

00:12:47,910 --> 00:12:45,519

people's military claims i was kind of

278

00:12:50,629 --> 00:12:47,920

shocked by the number of of people that

279

00:12:54,069 --> 00:12:50,639

just made up their background to to sell

280

00:12:55,509 --> 00:12:54,079

a ufo story and this is a real huge

281

00:12:58,629 --> 00:12:55,519

problem in this thing and a lot of

282

00:13:01,110 --> 00:12:58,639

people don't even acknowledge it

283

00:13:03,750 --> 00:13:01,120

no and i think that that even speaks to

284

00:13:04,710 --> 00:13:03,760

the larger issue in the community that

285

00:13:07,430 --> 00:13:04,720

um

286

00:13:10,230 --> 00:13:07,440

that most of what we're we're going on

287

00:13:13,350 --> 00:13:10,240

and and and is is an appeal to authority

288

00:13:15,269 --> 00:13:13,360

that that's that's the overarching uh

289

00:13:16,870 --> 00:13:15,279

theme and

290

00:13:19,030 --> 00:13:16,880

you know i think that it's natural for

291

00:13:21,350 --> 00:13:19,040

people when they hear claims and

292

00:13:23,910 --> 00:13:21,360

statements coming from individuals that

293

00:13:27,190 --> 00:13:23,920

are uh you know accredited and uh

294

00:13:29,350 --> 00:13:27,200

respectful uh respected and high ranking

295

00:13:31,110 --> 00:13:29,360

that they give weight uh to those claims

296

00:13:32,629 --> 00:13:31,120

i don't think that's ununnatural i

297

00:13:34,710 --> 00:13:32,639

think what

298

00:13:37,430 --> 00:13:34,720

the point that needs to be made is uh

299

00:13:39,670 --> 00:13:37,440

that because of the history that we have

300

00:13:41,910 --> 00:13:39,680

in this subject uh

301  
00:13:44,790 --> 00:13:41,920  
that those claims should be viewed with

302  
00:13:46,949 --> 00:13:44,800  
scrutiny and verified no matter how

303  
00:13:49,110 --> 00:13:46,959  
credible the claimant may be or

304  
00:13:51,110 --> 00:13:49,120  
incredible the claim it may be simply

305  
00:13:53,430 --> 00:13:51,120  
because of the the verifiable history

306  
00:13:56,470 --> 00:13:53,440  
that time and time again information has

307  
00:13:57,430 --> 00:13:56,480  
been uh incorrect for all manner of

308  
00:13:59,750 --> 00:13:57,440  
reasons

309  
00:14:01,269 --> 00:13:59,760  
um and and we can see that time and time

310  
00:14:03,670 --> 00:14:01,279  
again and it's very important you know

311  
00:14:07,350 --> 00:14:03,680  
there's specific instances whether it be

312  
00:14:09,030 --> 00:14:07,360  
bob lazar or uh lou elizondo or

313  
00:14:10,949 --> 00:14:09,040

however far back you want to go and

314

00:14:13,910 --> 00:14:10,959

why'd you want to cast your net there's

315

00:14:14,790 --> 00:14:13,920

specific instances where uh they have

316

00:14:19,910 --> 00:14:14,800

not

317

00:14:22,470 --> 00:14:19,920

you know a misunderstanding of the facts

318

00:14:24,150 --> 00:14:22,480

and they were just simply wrong which

319

00:14:25,670 --> 00:14:24,160

you know that's that's been my pattern

320

00:14:28,790 --> 00:14:25,680

here trying to work with incomplete

321

00:14:31,030 --> 00:14:28,800

information and make uh our best my best

322

00:14:32,790 --> 00:14:31,040

speculation uh upon the best evidence

323

00:14:34,310 --> 00:14:32,800

you know often i'm wrong and i need to

324

00:14:36,550 --> 00:14:34,320

uh reassess

325

00:14:37,990 --> 00:14:36,560

my position and uh there seems to be a

326

00:14:39,670 --> 00:14:38,000

real

327

00:14:41,269 --> 00:14:39,680

lack of accountability when it comes to

328

00:14:43,350 --> 00:14:41,279

that in

329

00:14:44,550 --> 00:14:43,360

in the narrative and in the community in

330

00:14:46,790 --> 00:14:44,560

general

331

00:14:49,590 --> 00:14:46,800

and i'm not here to pick anybody apart

332

00:14:51,910 --> 00:14:49,600

for that um but simply i'm just here to

333

00:14:53,430 --> 00:14:51,920

hold people's claims and statements

334

00:14:55,269 --> 00:14:53,440

accountable to the evidence because

335

00:14:57,829 --> 00:14:55,279

we're talking about things that

336

00:14:59,590 --> 00:14:57,839

uh although this is a very small

337

00:15:02,069 --> 00:14:59,600

community we're talking about things

338

00:15:06,310 --> 00:15:02,079

that may be having very wide reaching

339

00:15:07,829 --> 00:15:06,320

effects um and people are apt to believe

340

00:15:09,430 --> 00:15:07,839

and to

341

00:15:11,430 --> 00:15:09,440

put weight in

342

00:15:14,710 --> 00:15:11,440

statements and claims that come from

343

00:15:16,870 --> 00:15:14,720

authoritative individuals um i i

344

00:15:19,189 --> 00:15:16,880

i just want to again repeat that uh that

345

00:15:20,870 --> 00:15:19,199

shouldn't be the default in this subject

346

00:15:22,710 --> 00:15:20,880

and i think that

347

00:15:23,829 --> 00:15:22,720

it's natural though isn't it isn't that

348

00:15:29,189 --> 00:15:23,839

natural

349

00:15:31,110 --> 00:15:29,199

i when i hear a navy pilot tell me about

350

00:15:33,350 --> 00:15:31,120

a ufo that he saw

351

00:15:34,710 --> 00:15:33,360

i instantly think well here's a trained

352

00:15:36,550 --> 00:15:34,720

military man

353

00:15:38,069 --> 00:15:36,560

you know he's been flying for this many

354

00:15:39,910 --> 00:15:38,079

number of years

355

00:15:41,829 --> 00:15:39,920

he's seen a lot of weird stuff in the

356

00:15:44,150 --> 00:15:41,839

sky he should be able to tell the

357

00:15:46,389 --> 00:15:44,160

difference between a regular

358

00:15:48,790 --> 00:15:46,399

aircraft and something

359

00:15:51,030 --> 00:15:48,800

a little more extraordinary i do put

360

00:15:52,710 --> 00:15:51,040

more weight you know but you're right

361

00:15:54,470 --> 00:15:52,720

that's a double-edged sword because we

362

00:15:56,150 --> 00:15:54,480

have things like corso

363

00:15:58,310 --> 00:15:56,160

you know well he worked for the foreign

364

00:16:00,550 --> 00:15:58,320

technology department and and you know

365

00:16:02,310 --> 00:16:00,560

he was high-ranking military

366

00:16:04,550 --> 00:16:02,320

and then he comes out with a fantastical

367

00:16:06,470 --> 00:16:04,560

story with absolutely no evidence or

368

00:16:09,269 --> 00:16:06,480

proof but we're supposed to trust him

369

00:16:10,470 --> 00:16:09,279

because of his authoritative position

370

00:16:13,749 --> 00:16:10,480

that's a really good point that i've

371

00:16:18,790 --> 00:16:16,790

yes no it's um

372

00:16:21,509 --> 00:16:18,800

again it's natural and i don't think

373

00:16:23,829 --> 00:16:21,519

even outside of uh ufology we can look

374

00:16:26,310 --> 00:16:23,839

in just the last 20 years at all kinds

375

00:16:30,069 --> 00:16:26,320

of instances uh whether it be weapons of

376

00:16:33,430 --> 00:16:30,079

mass destruction uh or nsa illegal

377

00:16:35,110 --> 00:16:33,440

illegally surveilling uh americans or uh

378

00:16:36,790 --> 00:16:35,120

trump russian collusion there's all

379

00:16:39,030 --> 00:16:36,800

kinds of things that we can point to i

380

00:16:41,110 --> 00:16:39,040

think where we can say that the claims

381

00:16:43,350 --> 00:16:41,120

fell short of the evidence and i think

382

00:16:45,590 --> 00:16:43,360

that we would uh be remiss to not take

383

00:16:47,269 --> 00:16:45,600

such lessons

384

00:16:49,670 --> 00:16:47,279

and apply them at least when we're

385

00:16:51,110 --> 00:16:49,680

considering the scope of possibilities

386

00:16:53,749 --> 00:16:51,120

and the level of probability that we're

387

00:16:56,550 --> 00:16:53,759

going to place in that

388

00:16:58,310 --> 00:16:56,560

yeah uh people are complimenting on you

389

00:17:00,069 --> 00:16:58,320

on your insight

390

00:17:01,110 --> 00:17:00,079

you know one of the other things i want

391

00:17:02,710 --> 00:17:01,120

to ask you

392

00:17:05,350 --> 00:17:02,720

this is a new question that i like to

393

00:17:08,150 --> 00:17:05,360

ask people that are into ufos how how

394

00:17:11,350 --> 00:17:08,160

many full-time people should be working

395

00:17:13,990 --> 00:17:11,360

on ufos as a full-time job do you think

396

00:17:16,710 --> 00:17:14,000

because i kind of see this especially

397

00:17:18,470 --> 00:17:16,720

since 2017 there's a hundred and fifty

398

00:17:21,189 --> 00:17:18,480

or three 000 new

399

00:17:22,870 --> 00:17:21,199

ufo podcasts there's all kinds of people

400

00:17:25,990 --> 00:17:22,880

running around calling themselves ufo

401  
00:17:27,350 --> 00:17:26,000  
investigators ufo researchers ufo

402  
00:17:29,830 --> 00:17:27,360  
lecturers

403  
00:17:32,549 --> 00:17:29,840  
and honestly i just i i maybe i'm

404  
00:17:34,549 --> 00:17:32,559  
cynical but i look around and i say

405  
00:17:36,470 --> 00:17:34,559  
is there really enough meat on the bones

406  
00:17:39,430 --> 00:17:36,480  
here that we have thousands of people

407  
00:17:41,590 --> 00:17:39,440  
trying to make a full-time living

408  
00:17:43,909 --> 00:17:41,600  
in one form or another out of this thing

409  
00:17:46,390 --> 00:17:43,919  
and by the way in full disclosure that

410  
00:17:47,990 --> 00:17:46,400  
includes me

411  
00:17:50,150 --> 00:17:48,000  
i don't know that i need i don't just

412  
00:17:54,070 --> 00:17:50,160  
don't think we need this many people and

413  
00:17:56,310 --> 00:17:54,080

there's a lot of money to be made too

414

00:17:58,390 --> 00:17:56,320

there's a lot of money to be made

415

00:18:00,310 --> 00:17:58,400

absolutely and i will you know i'm not

416

00:18:01,750 --> 00:18:00,320

going to cast judgment on how many

417

00:18:03,669 --> 00:18:01,760

people should be involved or what people

418

00:18:05,590 --> 00:18:03,679

should do with their lives that's up for

419

00:18:08,070 --> 00:18:05,600

everyone to to figure out for their own

420

00:18:10,150 --> 00:18:08,080

i guess but um certainly i'll say that

421

00:18:13,990 --> 00:18:10,160

there's there seems we seem to be very

422

00:18:16,789 --> 00:18:14,000

heavy um in sensationalism and very low

423

00:18:18,390 --> 00:18:16,799

in substance um and it seems that the

424

00:18:21,669 --> 00:18:18,400

people that are really producing the

425

00:18:24,630 --> 00:18:21,679

most substance and the most well uh

426

00:18:26,549 --> 00:18:24,640

evidenced information are often

427

00:18:28,470 --> 00:18:26,559

the quietest voices that are getting the

428

00:18:29,430 --> 00:18:28,480

least amount of light and it's because

429

00:18:35,990 --> 00:18:29,440

the

430

00:18:37,190 --> 00:18:36,000

mainstream narrative that runs through

431

00:18:39,430 --> 00:18:37,200

the community and the claims that are

432

00:18:41,270 --> 00:18:39,440

being presented and um you know you had

433

00:18:43,110 --> 00:18:41,280

just touched on when we were talking

434

00:18:45,750 --> 00:18:43,120

about appeals to authority you know when

435

00:18:46,950 --> 00:18:45,760

we heal when we hear um you know pilots

436

00:18:49,190 --> 00:18:46,960

saying that they

437

00:18:50,470 --> 00:18:49,200

saw something uh we consider them you

438

00:18:52,950 --> 00:18:50,480

know they're often called you know

439

00:18:54,870 --> 00:18:52,960

expert witnesses um and they're

440

00:18:56,390 --> 00:18:54,880

considered to be such but you know

441

00:18:58,470 --> 00:18:56,400

interestingly all the way back and i

442

00:19:00,710 --> 00:18:58,480

posted about this a few days ago um all

443

00:19:03,430 --> 00:19:00,720

the way back to jay allen heineck you

444

00:19:06,310 --> 00:19:03,440

know he had he had uh done a study back

445

00:19:09,190 --> 00:19:06,320

in the 60s that had found that um pilots

446

00:19:10,950 --> 00:19:09,200

in fact had the worst uh

447

00:19:14,230 --> 00:19:10,960

they were the worst of all categories

448

00:19:17,830 --> 00:19:14,240

listed for for being a class of witness

449

00:19:22,630 --> 00:19:19,110

he found that the best class of

450

00:19:24,470 --> 00:19:22,640

witnesses in fact had only a 50

451  
00:19:26,150 --> 00:19:24,480  
misperception rate that means you know

452  
00:19:28,150 --> 00:19:26,160  
one out of two times they're going to

453  
00:19:30,549 --> 00:19:28,160  
judge something wrong that was the best

454  
00:19:33,350 --> 00:19:30,559  
witnesses that they came across but they

455  
00:19:36,950 --> 00:19:33,360  
found that uh commercial pilots and

456  
00:19:38,549 --> 00:19:36,960  
military pilots scored 88 and nine uh 88

457  
00:19:40,950 --> 00:19:38,559  
and 89

458  
00:19:42,870 --> 00:19:40,960  
uh percent misperception rate the

459  
00:19:44,549 --> 00:19:42,880  
highest and worst of all categories

460  
00:19:47,590 --> 00:19:44,559  
taken into the study

461  
00:19:49,110 --> 00:19:47,600  
um and and pilots are certainly experts

462  
00:19:51,549 --> 00:19:49,120  
at what they do but

463  
00:19:53,590 --> 00:19:51,559

um to be an expert at something that is

464

00:19:56,870 --> 00:19:53,600

unidentified never been studied

465

00:19:58,950 --> 00:19:56,880

presented or schooled uh about who who

466

00:20:00,870 --> 00:19:58,960

could possibly be an expert on something

467

00:20:03,110 --> 00:20:00,880

like that

468

00:20:05,990 --> 00:20:03,120

yeah it makes me question a lot you know

469

00:20:08,310 --> 00:20:06,000

because previously i i heard about that

470

00:20:10,310 --> 00:20:08,320

and previously i just assumed yeah i

471

00:20:12,470 --> 00:20:10,320

mean it's a it's a trained pilot he

472

00:20:14,149 --> 00:20:12,480

knows what's up in the sky but they're

473

00:20:15,190 --> 00:20:14,159

they're they're human like everybody

474

00:20:16,789 --> 00:20:15,200

else so

475

00:20:18,789 --> 00:20:16,799

you know i think there's a large portion

476

00:20:20,630 --> 00:20:18,799

of this so-called phenomenon that's just

477

00:20:23,750 --> 00:20:20,640

misidentified we see it all the time you

478

00:20:27,029 --> 00:20:23,760

know we got bat balloons and uh you know

479

00:20:29,830 --> 00:20:27,039

drones getting misidentified we have uh

480

00:20:31,590 --> 00:20:29,840

advertising balloons

481

00:20:33,190 --> 00:20:31,600

blimps there's so many that are

482

00:20:35,590 --> 00:20:33,200

misidentified

483

00:20:37,750 --> 00:20:35,600

nothing special but people

484

00:20:40,149 --> 00:20:37,760

you know the sky can play tricks on your

485

00:20:43,190 --> 00:20:40,159

eyes too there's clouds there's you know

486

00:20:45,350 --> 00:20:43,200

haze whatever distance plays a large

487

00:20:50,950 --> 00:20:45,360

part of it so but how much do you think

488

00:20:54,870 --> 00:20:52,710

well i don't know how much but a large a

489

00:20:57,350 --> 00:20:54,880

large percentage and i would wager to

490

00:20:59,029 --> 00:20:57,360

say that um you know the military and

491

00:21:00,950 --> 00:20:59,039

the intelligence community feels the

492

00:21:03,110 --> 00:21:00,960

same way the actions that they're going

493

00:21:04,630 --> 00:21:03,120

through uh the last few years and

494

00:21:05,830 --> 00:21:04,640

hearings that are coming up i mean these

495

00:21:09,830 --> 00:21:05,840

things are very

496

00:21:12,789 --> 00:21:09,840

um very much defined as as as problems

497

00:21:14,870 --> 00:21:12,799

of safety and information collection and

498

00:21:16,710 --> 00:21:14,880

assessment um that's that's exactly what

499

00:21:18,710 --> 00:21:16,720

they're they're being called in plain

500

00:21:21,110 --> 00:21:18,720

language

501  
00:21:23,110 --> 00:21:21,120  
yeah well that's pretty interesting now

502  
00:21:24,950 --> 00:21:23,120  
as far as you're citing

503  
00:21:27,830 --> 00:21:24,960  
did you do any research into some of the

504  
00:21:29,430 --> 00:21:27,840  
black projects like stealth blimps and

505  
00:21:31,750 --> 00:21:29,440  
and other things

506  
00:21:34,070 --> 00:21:31,760  
and now that so much time has passed and

507  
00:21:36,149 --> 00:21:34,080  
you've had an opportunity to study

508  
00:21:39,590 --> 00:21:36,159  
sort of the mythology and the folklore

509  
00:21:42,149 --> 00:21:39,600  
and and try to find more information

510  
00:21:44,310 --> 00:21:42,159  
have you come to any conclusions about

511  
00:21:46,470 --> 00:21:44,320  
what what it is that you saw did do you

512  
00:21:48,630 --> 00:21:46,480  
lean more towards alien technology or

513  
00:21:50,870 --> 00:21:48,640

more towards a secret project government

514

00:21:53,830 --> 00:21:50,880

project or

515

00:21:57,830 --> 00:21:53,840

i did um again as part of

516

00:22:00,549 --> 00:21:57,840

uh the 2017 story and my um hardcore

517

00:22:02,710 --> 00:22:00,559

emergence into researching the topic um

518

00:22:04,310 --> 00:22:02,720

yeah triangles is a big part of what i

519

00:22:07,190 --> 00:22:04,320

like to research obviously because of my

520

00:22:09,430 --> 00:22:07,200

sighting and um my my views i've

521

00:22:12,230 --> 00:22:09,440

certainly changed since i started doing

522

00:22:15,350 --> 00:22:12,240

that and um

523

00:22:17,909 --> 00:22:15,360

again uh this was a very uh slow-moving

524

00:22:19,430 --> 00:22:17,919

uh floating thing um but when i saw it

525

00:22:22,310 --> 00:22:19,440

it was something that i

526

00:22:23,830 --> 00:22:22,320

felt was a very solid object it was

527

00:22:26,390 --> 00:22:23,840

um

528

00:22:29,190 --> 00:22:26,400

just solid and again i i now think that

529

00:22:32,549 --> 00:22:29,200

this is probably um some type of lighter

530

00:22:34,870 --> 00:22:32,559

than air uh dirigible and that's uh what

531

00:22:37,110 --> 00:22:34,880

i was seeing that day and there's all

532

00:22:39,110 --> 00:22:37,120

kinds of things that uh play into me

533

00:22:40,710 --> 00:22:39,120

thinking that one of the things when i

534

00:22:43,110 --> 00:22:40,720

when i had my sighting there was

535

00:22:46,310 --> 00:22:43,120

actually a red light on the back corner

536

00:22:47,909 --> 00:22:46,320

on the side uh of the the triangle and

537

00:22:49,590 --> 00:22:47,919

it was just a regular red light bulb

538

00:22:53,110 --> 00:22:49,600

like you see on an aircraft or an

539

00:22:54,470 --> 00:22:53,120  
airplane just uh faa style red light

540

00:22:55,990 --> 00:22:54,480  
the interesting thing that i found out

541

00:22:57,750 --> 00:22:56,000  
later when i did my research is that

542

00:22:59,669 --> 00:22:57,760  
that light was on the the right hand

543

00:23:01,029 --> 00:22:59,679  
side uh the starboard side of the craft

544

00:23:03,190 --> 00:23:01,039  
that was facing me

545

00:23:04,789 --> 00:23:03,200  
and uh faa regulations are very clear

546

00:23:06,149 --> 00:23:04,799  
that red lights are not supposed to be

547

00:23:08,070 --> 00:23:06,159  
on the right side they're either on the

548

00:23:09,350 --> 00:23:08,080  
left or the top and bottom of the craft

549

00:23:11,110 --> 00:23:09,360  
so i thought that was that was

550

00:23:14,390 --> 00:23:11,120  
interesting that there was a non-faa

551  
00:23:16,310 --> 00:23:14,400  
pattern light on this object but as i

552  
00:23:18,390 --> 00:23:16,320  
did uh deeper research i found that

553  
00:23:21,190 --> 00:23:18,400  
there's all kinds of things that we can

554  
00:23:24,549 --> 00:23:21,200  
point to in in patents uh and papers in

555  
00:23:27,590 --> 00:23:24,559  
the white world uh all kinds of

556  
00:23:29,669 --> 00:23:27,600  
interesting dirigible uh blimp like

557  
00:23:31,990 --> 00:23:29,679  
technologies and i think that in the jet

558  
00:23:34,230 --> 00:23:32,000  
age and in the space age people think

559  
00:23:36,230 --> 00:23:34,240  
that probably blimps are

560  
00:23:39,350 --> 00:23:36,240  
old technology and i don't think that

561  
00:23:41,590 --> 00:23:39,360  
it's realized uh how integral they are

562  
00:23:44,630 --> 00:23:41,600  
to the aerospace industry and and used

563  
00:23:46,390 --> 00:23:44,640

in all kinds of ways and um

564

00:23:48,230 --> 00:23:46,400

a lot of times i share some stuff about

565

00:23:50,070 --> 00:23:48,240

an interesting study i found this was a

566

00:23:51,350 --> 00:23:50,080

nid study that was done in the early

567

00:23:53,750 --> 00:23:51,360

2000s

568

00:23:55,350 --> 00:23:53,760

robert bigelow's nibs group

569

00:23:56,950 --> 00:23:55,360

and i point this out although i tell

570

00:23:59,350 --> 00:23:56,960

everybody to take it with a grain of

571

00:24:01,269 --> 00:23:59,360

salt and it's just something to point to

572

00:24:03,190 --> 00:24:01,279

for interest for people that are

573

00:24:05,510 --> 00:24:03,200

interested in black triangles but they

574

00:24:07,510 --> 00:24:05,520

did a study uh in the early 2000s they

575

00:24:09,830 --> 00:24:07,520

started in earnest in 2000 after the

576

00:24:12,950 --> 00:24:09,840

illinois black triangle sighting and

577

00:24:15,110 --> 00:24:12,960

they did a world or a country-wide study

578

00:24:17,029 --> 00:24:15,120

on black triangles for two years

579

00:24:19,990 --> 00:24:17,039

across sectioning all kinds of

580

00:24:20,950 --> 00:24:20,000

information and um essentially at the

581

00:24:23,190 --> 00:24:20,960

end of it

582

00:24:25,029 --> 00:24:23,200

including uh patents and witness reports

583

00:24:27,350 --> 00:24:25,039

and all kinds of things locations of

584

00:24:28,789 --> 00:24:27,360

military bases and again this is just

585

00:24:31,029 --> 00:24:28,799

something interesting to look at as a

586

00:24:32,870 --> 00:24:31,039

study but uh at the end they concluded

587

00:24:36,149 --> 00:24:32,880

that the black triangles actually were

588

00:24:39,350 --> 00:24:36,159

lighter than air uh divisibles that used

589

00:24:41,510 --> 00:24:39,360

uh an electrostatic motor of some kind

590

00:24:43,430 --> 00:24:41,520

and were used by the air force uh the

591

00:24:46,070 --> 00:24:43,440

air material command

592

00:24:47,750 --> 00:24:46,080

and those are very like specific uh

593

00:24:51,350 --> 00:24:47,760

conclusions to come to that that

594

00:24:53,750 --> 00:24:51,360

happened in 2002 two years later nids

595

00:24:56,630 --> 00:24:53,760

retracted that study in the conclusion

596

00:25:00,789 --> 00:24:56,640

without any reason why and disbanded

597

00:25:03,029 --> 00:25:00,799

essentially uh in 2004 just weeks later

598

00:25:04,710 --> 00:25:03,039

um but it's an interesting study to look

599

00:25:07,750 --> 00:25:04,720

at because it presents

600

00:25:09,909 --> 00:25:07,760

a possibility at least a possible answer

601  
00:25:11,510 --> 00:25:09,919  
for what some of these triangles could

602  
00:25:13,190 --> 00:25:11,520  
be based upon

603  
00:25:15,669 --> 00:25:13,200  
non

604  
00:25:18,310 --> 00:25:15,679  
physics breaking technology just a

605  
00:25:20,390 --> 00:25:18,320  
regular every old day technology that's

606  
00:25:23,110 --> 00:25:20,400  
very old that's applied in different

607  
00:25:24,630 --> 00:25:23,120  
ways with different new technology and i

608  
00:25:26,310 --> 00:25:24,640  
thought that was something that was very

609  
00:25:28,789 --> 00:25:26,320  
very interesting

610  
00:25:31,110 --> 00:25:28,799  
yeah i i myself have looked at some of

611  
00:25:33,029 --> 00:25:31,120  
the especially when they talk about you

612  
00:25:34,310 --> 00:25:33,039  
know the size of the craft and that it

613  
00:25:35,990 --> 00:25:34,320

was silent

614

00:25:38,310 --> 00:25:36,000

this could be explained by a lighter

615

00:25:40,470 --> 00:25:38,320

than aircraft that was powered by

616

00:25:42,630 --> 00:25:40,480

something like electrogravitix just or

617

00:25:45,750 --> 00:25:42,640

that ion wind just shooting out the back

618

00:25:48,070 --> 00:25:45,760

to make it move slowly and silently

619

00:25:50,549 --> 00:25:48,080

but i i think that people go straight to

620

00:25:51,909 --> 00:25:50,559

the alien explanation far too quickly

621

00:25:52,950 --> 00:25:51,919

you know

622

00:25:54,630 --> 00:25:52,960

absolutely

623

00:25:56,390 --> 00:25:54,640

look at some of these some of these

624

00:25:59,110 --> 00:25:56,400

things look like

625

00:26:01,029 --> 00:25:59,120

something otherworldly you know

626  
00:26:03,029 --> 00:26:01,039  
no and some of them are very very large

627  
00:26:06,549 --> 00:26:03,039  
and even much larger than the 300 foot

628  
00:26:09,909 --> 00:26:06,559  
per side triangle that i saw um but uh i

629  
00:26:11,830 --> 00:26:09,919  
think something that's interesting is um

630  
00:26:14,070 --> 00:26:11,840  
you know when i first came across

631  
00:26:16,070 --> 00:26:14,080  
that and and opened my mind to the

632  
00:26:18,470 --> 00:26:16,080  
possibility that what i saw could have

633  
00:26:19,750 --> 00:26:18,480  
been some type of blimp technology

634  
00:26:21,430 --> 00:26:19,760  
um

635  
00:26:23,029 --> 00:26:21,440  
it was almost like

636  
00:26:24,950 --> 00:26:23,039  
i was surprised that it wasn't something

637  
00:26:26,950 --> 00:26:24,960  
that had crossed my mind before but

638  
00:26:29,510 --> 00:26:26,960

again because that's never anything that

639

00:26:32,149 --> 00:26:29,520

i have heard posited in

640

00:26:34,710 --> 00:26:32,159

conversations with uh ufos or

641

00:26:36,710 --> 00:26:34,720

specifically black triangles um unless

642

00:26:38,630 --> 00:26:36,720

it's in a derogatory form balloons

643

00:26:41,669 --> 00:26:38,640

wasn't anything that i had even thought

644

00:26:43,669 --> 00:26:41,679

of say a flat triangular balloon of some

645

00:26:46,470 --> 00:26:43,679

kind but it's funny if you look at the

646

00:26:48,470 --> 00:26:46,480

history of black triangle reports again

647

00:26:50,950 --> 00:26:48,480

the the one that i saw in the mid 90s

648

00:26:52,470 --> 00:26:50,960

was very uh solid that the sides and the

649

00:26:53,909 --> 00:26:52,480

bottom were enclosed

650

00:26:56,470 --> 00:26:53,919

but if you look at some of the earliest

651  
00:26:57,669 --> 00:26:56,480  
reports going back to the you know 70s

652  
00:26:59,590 --> 00:26:57,679  
and 80s

653  
00:27:01,269 --> 00:26:59,600  
they don't actually follow that line so

654  
00:27:03,590 --> 00:27:01,279  
specifically some people talk about

655  
00:27:05,430 --> 00:27:03,600  
being able to see uh through you know

656  
00:27:07,350 --> 00:27:05,440  
inside the underneath of these triangles

657  
00:27:09,590 --> 00:27:07,360  
and to very clearly have seen uh what

658  
00:27:12,310 --> 00:27:09,600  
look to be girders and refrigeration

659  
00:27:13,990 --> 00:27:12,320  
type piping running throughout them um

660  
00:27:16,230 --> 00:27:14,000  
yeah there's some sort of there's some

661  
00:27:18,710 --> 00:27:16,240  
there's a lot of reports of that i know

662  
00:27:21,110 --> 00:27:18,720  
michael schrad has a lot of work on the

663  
00:27:24,149 --> 00:27:21,120

people seeing some sort of mechanical

664

00:27:25,510 --> 00:27:24,159

underlay underneath the craft which

665

00:27:27,830 --> 00:27:25,520

i don't i don't know what an alien

666

00:27:29,350 --> 00:27:27,840

spacecraft looks like but that makes me

667

00:27:31,830 --> 00:27:29,360

think that it's some sort of earthly

668

00:27:33,269 --> 00:27:31,840

technology and actually the only reason

669

00:27:35,590 --> 00:27:33,279

that i got

670

00:27:37,909 --> 00:27:35,600

so the only reason that i caught that a

671

00:27:40,950 --> 00:27:37,919

lot of these things could be dirigibles

672

00:27:41,750 --> 00:27:40,960

airships blimps is because my father was

673

00:27:42,470 --> 00:27:41,760

sort of

674

00:27:44,149 --> 00:27:42,480

an

675

00:27:47,190 --> 00:27:44,159

aviation buff

676  
00:27:48,789 --> 00:27:47,200  
and and he had a lot he had this huge

677  
00:27:51,909 --> 00:27:48,799  
you know uh

678  
00:27:54,789 --> 00:27:51,919  
sort of collection of pictures of weird

679  
00:27:56,789 --> 00:27:54,799  
dirigibles blimps and and other

680  
00:27:59,430 --> 00:27:56,799  
you know things that people were trying

681  
00:28:01,190 --> 00:27:59,440  
to develop that technology didn't die

682  
00:28:02,950 --> 00:28:01,200  
you know with the zeppelins

683  
00:28:04,950 --> 00:28:02,960  
that people are still trying to develop

684  
00:28:07,110 --> 00:28:04,960  
it

685  
00:28:09,190 --> 00:28:07,120  
no absolutely and i actually uh on

686  
00:28:11,510 --> 00:28:09,200  
twitter i often share some of the new uh

687  
00:28:13,590 --> 00:28:11,520  
dirigible technologies and there's quite

688  
00:28:16,070 --> 00:28:13,600

a few companies out there that are using

689

00:28:18,870 --> 00:28:16,080

dirigibles in all kinds of ways to put

690

00:28:19,990 --> 00:28:18,880

things uh into orbit and uh into into

691

00:28:23,110 --> 00:28:20,000

our sky

692

00:28:24,630 --> 00:28:23,120

and um at least this is a plausible

693

00:28:27,830 --> 00:28:24,640

explanation i think that could be

694

00:28:30,549 --> 00:28:27,840

posited with more uh evidence and

695

00:28:32,389 --> 00:28:30,559

historically based fact than say

696

00:28:35,110 --> 00:28:32,399

something more sensational like aliens

697

00:28:36,630 --> 00:28:35,120

or extraterrestrials ultra terrestrials

698

00:28:38,549 --> 00:28:36,640

and i think it's important because the

699

00:28:40,710 --> 00:28:38,559

conversation for some reason always

700

00:28:42,950 --> 00:28:40,720

escalates to that sensational level

701  
00:28:46,070 --> 00:28:42,960  
before first um

702  
00:28:47,190 --> 00:28:46,080  
eliminating other more less sensational

703  
00:28:49,510 --> 00:28:47,200  
things that could

704  
00:28:50,789 --> 00:28:49,520  
be probably factoring in

705  
00:28:51,830 --> 00:28:50,799  
um

706  
00:28:55,029 --> 00:28:51,840  
and

707  
00:28:57,029 --> 00:28:55,039  
i think it's important when we look at

708  
00:28:58,630 --> 00:28:57,039  
all kinds of things like in specifically

709  
00:29:00,710 --> 00:28:58,640  
triangles and even the story of

710  
00:29:03,350 --> 00:29:00,720  
rendersham and we see the way that that

711  
00:29:05,269 --> 00:29:03,360  
story has changed over the years yeah

712  
00:29:07,510 --> 00:29:05,279  
and they keep adding to it right they

713  
00:29:08,710 --> 00:29:07,520

keep adding to it like the binary

714

00:29:10,710 --> 00:29:08,720  
message

715

00:29:12,789 --> 00:29:10,720  
and and i i don't know i just don't

716

00:29:14,470 --> 00:29:12,799  
understand why time travelers or aliens

717

00:29:16,710 --> 00:29:14,480  
would come all this way

718

00:29:18,470 --> 00:29:16,720  
and then deliver a message in binary

719

00:29:20,070 --> 00:29:18,480  
that translates to

720

00:29:22,710 --> 00:29:20,080  
to english

721

00:29:25,110 --> 00:29:22,720  
it just you know and that was tacked on

722

00:29:28,149 --> 00:29:25,120  
and to this day i don't think he's

723

00:29:30,070 --> 00:29:28,159  
released one page of you know you got to

724

00:29:31,669 --> 00:29:30,080  
save something for later for that next

725

00:29:33,110 --> 00:29:31,679  
documentary he hasn't

726

00:29:34,789 --> 00:29:33,120

released the train i don't think that

727

00:29:37,590 --> 00:29:34,799

they've ever released the translation of

728

00:29:39,029 --> 00:29:37,600

the total message just a portion of it

729

00:29:41,430 --> 00:29:39,039

and i mean i have a background in

730

00:29:43,269 --> 00:29:41,440

computer science so i i

731

00:29:45,590 --> 00:29:43,279

jumped on that and went this just

732

00:29:47,190 --> 00:29:45,600

doesn't make any sense like

733

00:29:49,350 --> 00:29:47,200

i i don't i don't understand that

734

00:29:51,190 --> 00:29:49,360

message and i don't understand it

735

00:29:52,230 --> 00:29:51,200

tacking on and you write the change of

736

00:29:53,669 --> 00:29:52,240

story

737

00:29:55,110 --> 00:29:53,679

and we have some people involved in that

738

00:29:57,669 --> 00:29:55,120

story where people claim you weren't

739

00:29:59,510 --> 00:29:57,679

there you were there you you know you're

740

00:30:01,190 --> 00:29:59,520

on the periphery you don't know anything

741

00:30:02,630 --> 00:30:01,200

about it but they try to make a living

742

00:30:04,549 --> 00:30:02,640

out of it

743

00:30:06,549 --> 00:30:04,559

it's it's right

744

00:30:09,909 --> 00:30:06,559

and i i think that that's a great

745

00:30:12,630 --> 00:30:09,919

representation of ufology cases

746

00:30:16,310 --> 00:30:12,640

in general and you know when that binary

747

00:30:18,789 --> 00:30:16,320

was released um it was uh during the

748

00:30:20,630 --> 00:30:18,799

what 30th anniversary

749

00:30:22,389 --> 00:30:20,640

of the rental shows you know there was

750

00:30:26,230 --> 00:30:22,399

books coming out about it people are

751

00:30:29,350 --> 00:30:26,240

certainly capitalizing on these things

752

00:30:31,110 --> 00:30:29,360

and their stories and the the provable

753

00:30:32,950 --> 00:30:31,120

fact is that their stories change and

754

00:30:35,190 --> 00:30:32,960

are altered and even to the point uh

755

00:30:39,350 --> 00:30:35,200

with people like uh john burroughs who

756

00:30:42,230 --> 00:30:39,360

haven't perhaps been so um

757

00:30:43,430 --> 00:30:42,240

varying in in their story but even now

758

00:30:46,549 --> 00:30:43,440

you know he came out with a new book

759

00:30:48,310 --> 00:30:46,559

just a year ago um that talks about the

760

00:30:50,789 --> 00:30:48,320

story in a whole kind of different

761

00:30:52,149 --> 00:30:50,799

manner including possible uh you know

762

00:30:54,470 --> 00:30:52,159

secret weapons that could have been

763

00:30:56,310 --> 00:30:54,480

being used that night and in fact the

764

00:30:58,950 --> 00:30:56,320

title of his book is weaponization of a

765

00:31:00,710 --> 00:30:58,960

uap and it talks about you know possible

766

00:31:02,870 --> 00:31:00,720

injuries that he sustained that the

767

00:31:04,950 --> 00:31:02,880

government's not being forthcoming about

768

00:31:06,789 --> 00:31:04,960

and that this is just a much very a very

769

00:31:08,789 --> 00:31:06,799

much different story than the one that

770

00:31:11,509 --> 00:31:08,799

came out in the early 80s and that

771

00:31:13,269 --> 00:31:11,519

people know to this day from you know

772

00:31:14,630 --> 00:31:13,279

unsolved mysteries if they were to dive

773

00:31:16,470 --> 00:31:14,640

deeply into that case i think they'd be

774

00:31:18,389 --> 00:31:16,480

very surprised about all the other

775

00:31:20,470 --> 00:31:18,399

facets to it that are not

776

00:31:22,789 --> 00:31:20,480

included in the main stream narrative

777

00:31:24,710 --> 00:31:22,799

and instead things are picked up that

778

00:31:26,310 --> 00:31:24,720

are only consistent with each other and

779

00:31:28,389 --> 00:31:26,320

i think it's important to note that and

780

00:31:30,549 --> 00:31:28,399

to keep that in mind when we evaluate

781

00:31:34,950 --> 00:31:30,559

and assess things like the nimitz event

782

00:31:38,549 --> 00:31:34,960

again uh it's a ufo encounter that only

783

00:31:40,789 --> 00:31:38,559

has uh military witnesses that

784

00:31:42,870 --> 00:31:40,799

we can get this information from

785

00:31:45,430 --> 00:31:42,880

and uh i would just

786

00:31:46,950 --> 00:31:45,440

urge everybody to be a little skeptical

787

00:31:48,310 --> 00:31:46,960

and scrutinous when they're processing

788

00:31:50,870 --> 00:31:48,320

the information and none of that has to

789

00:31:53,669 --> 00:31:50,880

equate to pilots or liars none of that

790

00:31:55,590 --> 00:31:53,679

has to equate to pilots are in act um

791

00:31:57,830 --> 00:31:55,600

none of that has to equate to any of

792

00:32:00,310 --> 00:31:57,840

that and nor the fact that some of these

793

00:32:02,870 --> 00:32:00,320

people may truly believe the things that

794

00:32:05,269 --> 00:32:02,880

they're saying and and i think that

795

00:32:09,669 --> 00:32:05,279

a lot of times the skepticism can be

796

00:32:12,310 --> 00:32:09,679

conflated as an overall dismissal or um

797

00:32:13,830 --> 00:32:12,320

a rebuff of that person's character

798

00:32:14,870 --> 00:32:13,840

and that's not the case at all as i know

799

00:32:17,350 --> 00:32:14,880

your viewers

800

00:32:20,310 --> 00:32:17,360

know know full well

801  
00:32:21,750 --> 00:32:20,320  
yeah and you know a lot of people

802  
00:32:22,710 --> 00:32:21,760  
will say uh

803  
00:32:24,230 --> 00:32:22,720  
you know

804  
00:32:26,070 --> 00:32:24,240  
in regard to some of these characters

805  
00:32:29,430 --> 00:32:26,080  
that i've looked into

806  
00:32:31,990 --> 00:32:29,440  
you know uh it's just it's shocking the

807  
00:32:33,990 --> 00:32:32,000  
number of of people that are sort of in

808  
00:32:36,630 --> 00:32:34,000  
it for the money or

809  
00:32:38,789 --> 00:32:36,640  
can't be trusted you know and and like i

810  
00:32:39,750 --> 00:32:38,799  
said there's a lot of money to be made

811  
00:32:43,029 --> 00:32:39,760  
so

812  
00:32:44,630 --> 00:32:43,039  
maybe that's a problem you know because

813  
00:32:47,590 --> 00:32:44,640

i i think a lot of people think they can

814

00:32:49,430 --> 00:32:47,600

cash in and then once they do

815

00:32:51,190 --> 00:32:49,440

then they gotta attack on to the story

816

00:32:53,750 --> 00:32:51,200

because people like you know the

817

00:32:55,990 --> 00:32:53,760

original randallstrom story is one story

818

00:32:58,470 --> 00:32:56,000

then we tack on this extra stuff and

819

00:33:02,070 --> 00:32:58,480

there's binary messages and

820

00:33:05,830 --> 00:33:02,080

it just gets wilder and wilder you know

821

00:33:08,470 --> 00:33:05,840

yes the the in my mind the the main uh

822

00:33:10,470 --> 00:33:08,480

the common factor is is always money and

823

00:33:12,789 --> 00:33:10,480

profit and all of these stories and and

824

00:33:15,590 --> 00:33:12,799

again that that's even in in people that

825

00:33:17,669 --> 00:33:15,600

uh i i'm not saying are incredible or

826

00:33:19,830 --> 00:33:17,679

don't believe their their stories um

827

00:33:21,350 --> 00:33:19,840

this is very much a monetary thing and

828

00:33:24,149 --> 00:33:21,360

for instance when we talk about somebody

829

00:33:28,710 --> 00:33:24,159

like lou elizondo that's completely

830

00:33:30,310 --> 00:33:28,720

ignored uh or excused and again these

831

00:33:32,310 --> 00:33:30,320

these are things that are very dependent

832

00:33:33,029 --> 00:33:32,320

upon each other if someone's saying that

833

00:33:35,029 --> 00:33:33,039

they're

834

00:33:37,110 --> 00:33:35,039

uh they have no profit motives

835

00:33:40,389 --> 00:33:37,120

whatsoever and their only goal is to

836

00:33:42,389 --> 00:33:40,399

bring truth out and then there's plenty

837

00:33:44,310 --> 00:33:42,399

of evidence things that can be shown

838

00:33:45,509 --> 00:33:44,320

against that

839

00:33:47,190 --> 00:33:45,519

they need to be talked about they need

840

00:33:49,909 --> 00:33:47,200

to be addressed and whatever the answer

841

00:33:51,909 --> 00:33:49,919

is it should at least be included and

842

00:33:53,190 --> 00:33:51,919

looked for and factored into the overall

843

00:33:54,950 --> 00:33:53,200

conversation

844

00:33:57,830 --> 00:33:54,960

um

845

00:34:00,310 --> 00:33:57,840

yeah i think that jack has a good quote

846

00:34:02,549 --> 00:34:00,320

jack brewer has a great quote uh that i

847

00:34:04,230 --> 00:34:02,559

like to use and and he's just being

848

00:34:06,230 --> 00:34:04,240

broad and funny here but essentially you

849

00:34:08,389 --> 00:34:06,240

know it's it's all about money and

850

00:34:10,069 --> 00:34:08,399

everything else is to convince you that

851  
00:34:12,069 --> 00:34:10,079  
it's not and and i think a lot of people

852  
00:34:14,629 --> 00:34:12,079  
could probably relate like that uh or

853  
00:34:17,669 --> 00:34:14,639  
relate to that that comment and um i

854  
00:34:20,310 --> 00:34:17,679  
think that a lot of times when we have

855  
00:34:24,470 --> 00:34:20,320  
these kind of discussions it gets swept

856  
00:34:27,030 --> 00:34:24,480  
up into the broad um this you know

857  
00:34:29,270 --> 00:34:27,040  
label of uh conspiracy theory which in

858  
00:34:31,349 --> 00:34:29,280  
itself has always been funny to me in

859  
00:34:34,790 --> 00:34:31,359  
this topic which is essentially a giant

860  
00:34:38,149 --> 00:34:34,800  
conspiracy theory and um yeah

861  
00:34:40,149 --> 00:34:38,159  
for sure yeah absolutely for sure yeah

862  
00:34:41,030 --> 00:34:40,159  
or in regards

863  
00:34:42,149 --> 00:34:41,040

to

864

00:34:44,149 --> 00:34:42,159

i'm sorry

865

00:34:46,230 --> 00:34:44,159

in regard to elizondo you know you're

866

00:34:47,589 --> 00:34:46,240

right he's like well i don't want a

867

00:34:48,629 --> 00:34:47,599

penny from you

868

00:34:51,190 --> 00:34:48,639

and then

869

00:34:53,109 --> 00:34:51,200

he sent a letter to the pentagon

870

00:34:55,430 --> 00:34:53,119

complaining because they're not

871

00:34:57,589 --> 00:34:55,440

verifying his stories

872

00:35:00,710 --> 00:34:57,599

that he's going to have a hard time

873

00:35:03,030 --> 00:35:00,720

making a living for him and his family

874

00:35:05,109 --> 00:35:03,040

so it's almost as if he's scolding them

875

00:35:07,430 --> 00:35:05,119

like you're not confirming my ufo

876

00:35:09,190 --> 00:35:07,440

stories and because of that i'm going to

877

00:35:11,430 --> 00:35:09,200

have a hard time making a living for my

878

00:35:13,270 --> 00:35:11,440

family and the other thing is it seems

879

00:35:14,790 --> 00:35:13,280

like he's tried to cash in every chance

880

00:35:17,030 --> 00:35:14,800

that he got he certainly cashed in with

881

00:35:18,710 --> 00:35:17,040

ttsa they paid them while they were

882

00:35:19,589 --> 00:35:18,720

screwing all the investors out of their

883

00:35:23,349 --> 00:35:19,599

money

884

00:35:25,829 --> 00:35:23,359

and then we have this uh phenom ai non

885

00:35:27,270 --> 00:35:25,839

and who owns that i looked into that and

886

00:35:31,510 --> 00:35:27,280

actually that

887

00:35:33,829 --> 00:35:31,520

uh business this phenom ai non uh you

888

00:35:35,910 --> 00:35:33,839

know sort of database website it was

889

00:35:39,349 --> 00:35:35,920

registered to a law firm in sheridan

890

00:35:42,230 --> 00:35:39,359

wyoming which was this the same

891

00:35:44,230 --> 00:35:42,240

law firm that registered sky for i and

892

00:35:45,190 --> 00:35:44,240

i've looked it up and it's it's like a

893

00:35:49,030 --> 00:35:45,200

shitty

894

00:35:52,390 --> 00:35:49,040

llc office above a church uh and it's

895

00:35:54,710 --> 00:35:52,400

about 30 minute drive from lou's home

896

00:35:56,550 --> 00:35:54,720

and it's the closest attorney i think to

897

00:35:59,750 --> 00:35:56,560

lose home so i guess

898

00:36:02,470 --> 00:35:59,760

elizondo owns that uh

899

00:36:03,829 --> 00:36:02,480

but the problem is that that state that

900

00:36:05,910 --> 00:36:03,839

he lives in

901  
00:36:07,510 --> 00:36:05,920  
it's a registered agent state in other

902  
00:36:10,630 --> 00:36:07,520  
words you're allowed to you're allowed

903  
00:36:13,030 --> 00:36:10,640  
to hide who the owner of the company is

904  
00:36:15,030 --> 00:36:13,040  
who the owner of the llc but

905  
00:36:16,950 --> 00:36:15,040  
from my looking into it it seems pretty

906  
00:36:18,550 --> 00:36:16,960  
clear that he's one of the owners or

907  
00:36:20,390 --> 00:36:18,560  
he's heavily involved in it he's been

908  
00:36:22,630 --> 00:36:20,400  
promoting it and of course that's a

909  
00:36:24,950 --> 00:36:22,640  
for-profit site that's extremely

910  
00:36:26,550 --> 00:36:24,960  
problematic because people are finding

911  
00:36:28,870 --> 00:36:26,560  
in the terms and conditions

912  
00:36:31,670 --> 00:36:28,880  
if you upload anything to that site they

913  
00:36:33,589 --> 00:36:31,680

own it and you lose all your rights

914

00:36:35,910 --> 00:36:33,599

so it just seems like a lot of shady

915

00:36:38,470 --> 00:36:35,920

stuff going on and of course the money

916

00:36:40,230 --> 00:36:38,480

aspect as well

917

00:36:42,230 --> 00:36:40,240

yeah absolutely i think it's it would

918

00:36:44,710 --> 00:36:42,240

right now it's fair to put on the table

919

00:36:48,390 --> 00:36:44,720

that uh lou elizondo is involved with

920

00:36:50,390 --> 00:36:48,400

phenom ai uh nom or however you say it

921

00:36:52,710 --> 00:36:50,400

and as you pointed out this is just the

922

00:36:54,230 --> 00:36:52,720

latest in multiple

923

00:36:57,589 --> 00:36:54,240

short-term companies that have been

924

00:37:01,030 --> 00:36:57,599

formed to generate profit and from ttsa

925

00:37:02,950 --> 00:37:01,040

to this phenomena on um that is that is

926  
00:37:04,150 --> 00:37:02,960  
the goal and whether or not that goal is

927  
00:37:07,190 --> 00:37:04,160  
fulfilled

928  
00:37:08,550 --> 00:37:07,200  
uh doesn't erase that intention and i

929  
00:37:10,150 --> 00:37:08,560  
don't think that just because people are

930  
00:37:12,310 --> 00:37:10,160  
looking to make a profit that that

931  
00:37:14,310 --> 00:37:12,320  
somehow destroys their credibility or

932  
00:37:16,950 --> 00:37:14,320  
takes away from what they claim to be

933  
00:37:19,270 --> 00:37:16,960  
doing but if all kinds of other things

934  
00:37:20,550 --> 00:37:19,280  
take away from their credibility and do

935  
00:37:22,470 --> 00:37:20,560  
not mesh with the story that they're

936  
00:37:24,230 --> 00:37:22,480  
giving that that has to be taken into

937  
00:37:25,510 --> 00:37:24,240  
effect and like you said you know

938  
00:37:28,230 --> 00:37:25,520

elizondo

939

00:37:31,109 --> 00:37:28,240

uh is one of many people who often claim

940

00:37:33,510 --> 00:37:31,119

that you know the the united states uh

941

00:37:35,910 --> 00:37:33,520

their secrecy the government secrecy is

942

00:37:38,550 --> 00:37:35,920

itself an admission or an affirmation of

943

00:37:41,030 --> 00:37:38,560

their assertions and claims and that is

944

00:37:43,670 --> 00:37:41,040

very very far from the truth and you

945

00:37:46,069 --> 00:37:43,680

know absence of evidence is not absence

946

00:37:47,670 --> 00:37:46,079

of evidence is never evidence to me you

947

00:37:49,589 --> 00:37:47,680

know i i hate when people do that

948

00:37:51,109 --> 00:37:49,599

they're like well why wouldn't they why

949

00:37:53,030 --> 00:37:51,119

of course they're covering this up

950

00:37:55,190 --> 00:37:53,040

because we can't find any records about

951  
00:37:57,430 --> 00:37:55,200  
it doesn't mean they're it just

952  
00:37:58,790 --> 00:37:57,440  
it's that men in black that shadowy

953  
00:37:59,910 --> 00:37:58,800  
organization

954  
00:38:00,790 --> 00:37:59,920  
you know

955  
00:38:02,150 --> 00:38:00,800  
uh

956  
00:38:04,790 --> 00:38:02,160  
people are having a laugh about the

957  
00:38:08,230 --> 00:38:04,800  
felon five right now

958  
00:38:10,390 --> 00:38:08,240  
and i just want to thank lou from ucr

959  
00:38:12,230 --> 00:38:10,400  
for releasing private text messages

960  
00:38:15,349 --> 00:38:12,240  
where my name was mentioned and there

961  
00:38:17,670 --> 00:38:15,359  
was a discussion about felons in ufology

962  
00:38:20,069 --> 00:38:17,680  
because all week long this week i've had

963  
00:38:23,109 --> 00:38:20,079

to answer all these emails and messages

964

00:38:24,150 --> 00:38:23,119

no i'm not a felon i have zero criminal

965

00:38:26,630 --> 00:38:24,160

record

966

00:38:28,150 --> 00:38:26,640

and you know it was pretty irresponsible

967

00:38:30,550 --> 00:38:28,160

for somebody to release a message with

968

00:38:32,710 --> 00:38:30,560

my name on it talking about people being

969

00:38:35,510 --> 00:38:32,720

felons in this thing because now i have

970

00:38:37,829 --> 00:38:35,520

to i i feel like i i've been defending

971

00:38:39,030 --> 00:38:37,839

myself all week no i'm not a criminal

972

00:38:42,950 --> 00:38:39,040

i've never

973

00:38:45,990 --> 00:38:42,960

never had a criminal conviction i'm good

974

00:38:48,390 --> 00:38:46,000

and it you know this attack this is what

975

00:38:49,670 --> 00:38:48,400

he's been doing now is is basically lou

976

00:38:51,349 --> 00:38:49,680

elizondo

977

00:38:53,190 --> 00:38:51,359

i don't think it's a coincidence that

978

00:38:56,550 --> 00:38:53,200

all of his critics are being labeled as

979

00:38:58,870 --> 00:38:56,560

felons he's telling other podcast hosts

980

00:39:01,270 --> 00:38:58,880

and show hosts these are the people that

981

00:39:02,950 --> 00:39:01,280

you need to avoid

982

00:39:05,349 --> 00:39:02,960

maybe he just doesn't want them hearing

983

00:39:07,670 --> 00:39:05,359

the truth about him as he goes and does

984

00:39:08,790 --> 00:39:07,680

the circle jerk on some of these shows

985

00:39:10,870 --> 00:39:08,800

you know it's

986

00:39:12,550 --> 00:39:10,880

this is getting crazier and crazier this

987

00:39:15,270 --> 00:39:12,560

whole situation

988

00:39:17,190 --> 00:39:15,280

buffon also mentioned gufon was also

989

00:39:19,829 --> 00:39:17,200

mentioned in that message and he has

990

00:39:21,990 --> 00:39:19,839

zero criminal record too but people are

991

00:39:24,950 --> 00:39:22,000

are now accusing both of us of being

992

00:39:26,950 --> 00:39:24,960

convicted criminal felons because we ask

993

00:39:29,990 --> 00:39:26,960

questions because we didn't believe

994

00:39:31,829 --> 00:39:30,000

luella zondo's narrative and by the way

995

00:39:33,750 --> 00:39:31,839

i try not to be too harsh but anybody

996

00:39:36,150 --> 00:39:33,760

that does believe his narrative you got

997

00:39:37,030 --> 00:39:36,160

to do a lot of mental gymnastics you

998

00:39:39,589 --> 00:39:37,040

know

999

00:39:42,950 --> 00:39:39,599

i was i was ahead of this organization

1000

00:39:45,750 --> 00:39:42,960

no you weren't uh i had uh 22 million

1001

00:39:47,430 --> 00:39:45,760

dollars in funding no you didn't

1002

00:39:49,750 --> 00:39:47,440

and it gets worse and worse from there

1003

00:39:51,510 --> 00:39:49,760

he was just on fox news right like

1004

00:39:53,910 --> 00:39:51,520

quoting oh these are recently

1005

00:39:55,030 --> 00:39:53,920

declassified documents and it turns out

1006

00:39:56,870 --> 00:39:55,040

that they were

1007

00:39:59,030 --> 00:39:56,880

nothing burgers

1008

00:40:02,390 --> 00:39:59,040

and the tic tac he talked about was an

1009

00:40:05,109 --> 00:40:02,400

advertising blimp or balloon

1010

00:40:07,030 --> 00:40:05,119

yep and we could go on all day you know

1011

00:40:09,510 --> 00:40:07,040

it was like i know we're trying to stay

1012

00:40:12,630 --> 00:40:09,520

away from him yeah attend a 10-year

1013

00:40:15,829 --> 00:40:12,640

pentagon ufo investigation program to

1014

00:40:18,150 --> 00:40:15,839

now it's a portfolio you know a director

1015

00:40:20,550 --> 00:40:18,160

to it was just part of you know his

1016

00:40:22,790 --> 00:40:20,560

other duties and the bottom line is you

1017

00:40:24,790 --> 00:40:22,800

know we've we've seen now

1018

00:40:27,910 --> 00:40:24,800

thousands of documents related to the

1019

00:40:31,750 --> 00:40:27,920

ossat program we still have not seen one

1020

00:40:34,950 --> 00:40:31,760

document with atip on it whatsoever from

1021

00:40:36,390 --> 00:40:34,960

anywhere not the nsa not the dia not in

1022

00:40:38,790 --> 00:40:36,400

emails we've literally never seen

1023

00:40:41,349 --> 00:40:38,800

anything to confirm that that program

1024

00:40:44,390 --> 00:40:41,359

exists except for unsubstantiated

1025

00:40:47,990 --> 00:40:44,400

testimony of again authoritative figures

1026  
00:40:50,870 --> 00:40:48,000  
like elizondo and uh and harry reid and

1027  
00:40:53,910 --> 00:40:50,880  
um you know the conversation um about

1028  
00:40:56,950 --> 00:40:53,920  
what louisando is doing in um private

1029  
00:40:58,550 --> 00:40:56,960  
messages with people who influence the

1030  
00:41:00,390 --> 00:40:58,560  
you know community opinion and talk

1031  
00:41:01,750 --> 00:41:00,400  
about what's going on that's certainly

1032  
00:41:04,470 --> 00:41:01,760  
important and that's a discussion that

1033  
00:41:07,670 --> 00:41:04,480  
has to be you know i think met it out

1034  
00:41:09,270 --> 00:41:07,680  
and absolutely and understood

1035  
00:41:11,030 --> 00:41:09,280  
and the whole thing about the paperwork

1036  
00:41:13,829 --> 00:41:11,040  
that killed me is like

1037  
00:41:16,230 --> 00:41:13,839  
shortly before stanton freeman died i

1038  
00:41:19,190 --> 00:41:16,240

was talking to him i interviewed him a

1039

00:41:21,430 --> 00:41:19,200

few times and i asked him

1040

00:41:23,190 --> 00:41:21,440

i want to look into this louisando

1041

00:41:25,829 --> 00:41:23,200

because he's making a lot of claims here

1042

00:41:28,150 --> 00:41:25,839

but he doesn't have any paperwork and i

1043

00:41:30,710 --> 00:41:28,160

asked dan friedman who's an archive he

1044

00:41:31,349 --> 00:41:30,720

loved digging through government files

1045

00:41:38,230 --> 00:41:31,359

and

1046

00:41:39,910 --> 00:41:38,240

a mountain if this guy investigated ufos

1047

00:41:42,630 --> 00:41:39,920

for 10 years for the united states

1048

00:41:43,829 --> 00:41:42,640

government there would be a mountain of

1049

00:41:45,910 --> 00:41:43,839

paperwork

1050

00:41:48,150 --> 00:41:45,920

there would be a mountain of it and then

1051  
00:41:48,950 --> 00:41:48,160  
he said express the same concerns he

1052  
00:41:50,710 --> 00:41:48,960  
said

1053  
00:41:54,069 --> 00:41:50,720  
i haven't looked too deeply but i

1054  
00:41:56,069 --> 00:41:54,079  
haven't found anything no paper nothing

1055  
00:41:58,069 --> 00:41:56,079  
and and i agree with you like why is

1056  
00:42:00,550 --> 00:41:58,079  
there no papers it doesn't make any

1057  
00:42:02,630 --> 00:42:00,560  
sense if the guy did 10 years and and

1058  
00:42:05,270 --> 00:42:02,640  
you know people who support him they're

1059  
00:42:06,870 --> 00:42:05,280  
like well he investigated ufos or they

1060  
00:42:08,950 --> 00:42:06,880  
put him on a television show and they

1061  
00:42:10,309 --> 00:42:08,960  
say he investigated ufos for the us

1062  
00:42:11,910 --> 00:42:10,319  
government

1063  
00:42:14,309 --> 00:42:11,920

where's the reports where's the

1064

00:42:16,550 --> 00:42:14,319

paperwork where's the meeting notes

1065

00:42:19,030 --> 00:42:16,560

where's the you know uh

1066

00:42:20,950 --> 00:42:19,040

did he did he ever get up out of the

1067

00:42:22,950 --> 00:42:20,960

desk and go somewhere and investigate

1068

00:42:24,790 --> 00:42:22,960

anything i don't think so because there

1069

00:42:27,589 --> 00:42:24,800

would be paperwork and there just is

1070

00:42:29,030 --> 00:42:27,599

nothing i've looked i'm sure uh john

1071

00:42:30,710 --> 00:42:29,040

from the black vault has done a better

1072

00:42:33,109 --> 00:42:30,720

job at me at looking

1073

00:42:35,190 --> 00:42:33,119

nobody can find any papers about this

1074

00:42:36,950 --> 00:42:35,200

guy investigating ufos

1075

00:42:38,630 --> 00:42:36,960

and more importantly

1076

00:42:41,510 --> 00:42:38,640

you know and people can

1077

00:42:43,589 --> 00:42:41,520

use the excuse that um or you know put

1078

00:42:46,150 --> 00:42:43,599

for a reason of that that the government

1079

00:42:47,990 --> 00:42:46,160

is hiding it and uh objecting it and

1080

00:42:49,910 --> 00:42:48,000

it's the men in black yeah and that's

1081

00:42:51,829 --> 00:42:49,920

that's fine but that's been the story

1082

00:42:53,829 --> 00:42:51,839

for 80 years so for a lot of people i

1083

00:42:55,910 --> 00:42:53,839

think we have a hard time seeing that

1084

00:42:58,950 --> 00:42:55,920

elizondo would come into a community

1085

00:43:00,790 --> 00:42:58,960

that's had such a history of obfuscation

1086

00:43:01,829 --> 00:43:00,800

and hoaxes and claims of government

1087

00:43:04,550 --> 00:43:01,839

cover-up

1088

00:43:07,030 --> 00:43:04,560

and give a story like that that he was

1089

00:43:09,430 --> 00:43:07,040

the director of a 10-year ufo program

1090

00:43:12,470 --> 00:43:09,440

called atip without being prepared to

1091

00:43:14,710 --> 00:43:12,480

validate that with one piece of solid

1092

00:43:16,550 --> 00:43:14,720

unambiguous evidence to support his

1093

00:43:19,109 --> 00:43:16,560

story and it's not well he does have

1094

00:43:21,430 --> 00:43:19,119

that letter from ian he does have that

1095

00:43:23,990 --> 00:43:21,440

letter from harry reid who was close to

1096

00:43:25,430 --> 00:43:24,000

death and one of his friends again and

1097

00:43:27,589 --> 00:43:25,440

again there's no there's no

1098

00:43:29,670 --> 00:43:27,599

accountability for harry reid we can't

1099

00:43:31,990 --> 00:43:29,680

pick we can't pick up the phone and go

1100

00:43:34,309 --> 00:43:32,000

harry reid you said this can we see some

1101  
00:43:37,109 --> 00:43:34,319  
backup or some evidence that your claims

1102  
00:43:38,550 --> 00:43:37,119  
are correct about him or is is this

1103  
00:43:41,109 --> 00:43:38,560  
whole thing as many people have

1104  
00:43:43,510 --> 00:43:41,119  
suggested that lou elizondo had some

1105  
00:43:45,430 --> 00:43:43,520  
totally unrelated job but him and his

1106  
00:43:48,470 --> 00:43:45,440  
buddies in the pentagon were interested

1107  
00:43:50,550 --> 00:43:48,480  
in ufos so maybe they looked into some

1108  
00:43:54,069 --> 00:43:50,560  
things looked for some

1109  
00:43:56,069 --> 00:43:54,079  
documents videos paperwork on it but it

1110  
00:43:58,950 --> 00:43:56,079  
wasn't an official program because it

1111  
00:44:01,109 --> 00:43:58,960  
had no funding so it was basically i

1112  
00:44:02,790 --> 00:44:01,119  
think it was a bunch of guys that worked

1113  
00:44:05,829 --> 00:44:02,800

at the pentagon and

1114

00:44:08,069 --> 00:44:05,839

as a hobby in their spare time they

1115

00:44:11,349 --> 00:44:08,079

looked at the ufos a little bit inside

1116

00:44:13,430 --> 00:44:11,359

the pentagon but that and saying i ran a

1117

00:44:14,390 --> 00:44:13,440

program that investigated ufos for 10

1118

00:44:16,870 --> 00:44:14,400

years

1119

00:44:18,790 --> 00:44:16,880

it's just it's it's too different you

1120

00:44:21,109 --> 00:44:18,800

know if it was close with him i'd give

1121

00:44:22,870 --> 00:44:21,119

him a pass you know like what if they

1122

00:44:25,510 --> 00:44:22,880

came out and they said well

1123

00:44:27,349 --> 00:44:25,520

first he was involved then he ran it but

1124

00:44:29,510 --> 00:44:27,359

they didn't really do too much or or

1125

00:44:31,589 --> 00:44:29,520

whatever if we got some

1126  
00:44:34,309 --> 00:44:31,599  
some semblance of truth out of them and

1127  
00:44:36,309 --> 00:44:34,319  
all of the ambiguity like you said he

1128  
00:44:38,470 --> 00:44:36,319  
did run the program he didn't run it he

1129  
00:44:39,750 --> 00:44:38,480  
had no assigned responsibilities then

1130  
00:44:42,790 --> 00:44:39,760  
he's

1131  
00:44:45,349 --> 00:44:42,800  
filing ag reports or uh and you know he

1132  
00:44:47,109 --> 00:44:45,359  
wants them investigated for not backing

1133  
00:44:49,270 --> 00:44:47,119  
up his claims because he can't make a

1134  
00:44:51,670 --> 00:44:49,280  
living for him and his family

1135  
00:44:53,990 --> 00:44:51,680  
it's crazy

1136  
00:44:56,630 --> 00:44:54,000  
yep and again you know all we have to

1137  
00:44:58,870 --> 00:44:56,640  
support these are his unsubstantiated

1138  
00:45:01,430 --> 00:44:58,880

claims and other people that were you

1139

00:45:03,430 --> 00:45:01,440

know close to him and also are having a

1140

00:45:05,109 --> 00:45:03,440

part in this narrative and harry reid

1141

00:45:07,030 --> 00:45:05,119

didn't say you know he didn't present

1142

00:45:09,190 --> 00:45:07,040

that letter saying that

1143

00:45:10,790 --> 00:45:09,200

elizondo's claims were true and here's

1144

00:45:12,630 --> 00:45:10,800

some documents to prove it here's some

1145

00:45:15,430 --> 00:45:12,640

things to back it up again it was just

1146

00:45:17,910 --> 00:45:15,440

take my word i'm a politician you know

1147

00:45:19,910 --> 00:45:17,920

me i'm harry reid take my word and we're

1148

00:45:21,589 --> 00:45:19,920

just supposed to do that and if people

1149

00:45:23,349 --> 00:45:21,599

want to that's fine but there's many

1150

00:45:24,790 --> 00:45:23,359

other people that don't want to just

1151

00:45:27,270 --> 00:45:24,800

take someone's word because of the

1152

00:45:30,230 --> 00:45:27,280

history that we have in this topic and i

1153

00:45:33,270 --> 00:45:30,240

mean um i just really want to touch

1154

00:45:34,710 --> 00:45:33,280

on elizondo with the criminal

1155

00:45:36,150 --> 00:45:34,720

comment

1156

00:45:38,230 --> 00:45:36,160

what's going on in dms that's one

1157

00:45:41,190 --> 00:45:38,240

conversation but you know alexander has

1158

00:45:43,589 --> 00:45:41,200

been very plain in recent interviews uh

1159

00:45:46,150 --> 00:45:43,599

to be very broad with the the brush that

1160

00:45:48,550 --> 00:45:46,160

he paints people as criminals uh with

1161

00:45:50,390 --> 00:45:48,560

and essentially you know his critics

1162

00:45:52,470 --> 00:45:50,400

it's very specific about that i'm a

1163

00:45:54,390 --> 00:45:52,480

criminal because i ask questions yeah

1164

00:45:56,230 --> 00:45:54,400

i'm a criminal all i did is ask

1165

00:45:58,150 --> 00:45:56,240

questions

1166

00:45:59,349 --> 00:45:58,160

right right and the big problem you know

1167

00:46:01,589 --> 00:45:59,359

at least the

1168

00:46:04,150 --> 00:46:01,599

what he may be doing in dms is one thing

1169

00:46:06,069 --> 00:46:04,160

to be specifically naming people but in

1170

00:46:08,230 --> 00:46:06,079

interviews he does not name people it's

1171

00:46:09,190 --> 00:46:08,240

just a broad brush that you know his

1172

00:46:11,670 --> 00:46:09,200

critics

1173

00:46:13,750 --> 00:46:11,680

are you know criminals and bad people

1174

00:46:15,270 --> 00:46:13,760

and maybe not all of them but now we

1175

00:46:16,870 --> 00:46:15,280

don't know which ones he's even talking

1176

00:46:19,030 --> 00:46:16,880

about so it could literally be any of

1177

00:46:21,510 --> 00:46:19,040

them and it's just you know not for

1178

00:46:24,069 --> 00:46:21,520

nothing but you know one-third of

1179

00:46:25,510 --> 00:46:24,079

americans and adults in the uk have an

1180

00:46:27,430 --> 00:46:25,520

arrest record and i don't think that

1181

00:46:30,790 --> 00:46:27,440

they should be judged or would want to

1182

00:46:33,349 --> 00:46:30,800

be judged you know solely upon that and

1183

00:46:37,349 --> 00:46:33,359

unless this these are crimes uh of

1184

00:46:41,510 --> 00:46:39,430

yeah that's my thing like

1185

00:46:43,510 --> 00:46:41,520

there are some people within the ufo

1186

00:46:45,109 --> 00:46:43,520

community that pled guilty to fraud

1187

00:46:47,829 --> 00:46:45,119

related charges

1188

00:46:50,230 --> 00:46:47,839

and they're selling super sketchy

1189

00:46:51,910 --> 00:46:50,240

let's just say super sketchy medical

1190

00:46:54,870 --> 00:46:51,920

devices or

1191

00:46:57,910 --> 00:46:54,880

uh you know begging for money for a

1192

00:47:00,470 --> 00:46:57,920

non-profit organization and they have

1193

00:47:03,190 --> 00:47:00,480

pled guilty to fraud related charges in

1194

00:47:06,390 --> 00:47:03,200

their past in that circumstance if this

1195

00:47:07,910 --> 00:47:06,400

is relevant we can talk about that but

1196

00:47:10,470 --> 00:47:07,920

for somebody you know maybe somebody

1197

00:47:12,069 --> 00:47:10,480

made a mistake 10 years ago i don't

1198

00:47:13,750 --> 00:47:12,079

think we should crucify him and you're

1199

00:47:16,870 --> 00:47:13,760

right about the broad brush he's doing

1200

00:47:19,030 --> 00:47:16,880

this purposefully because now anybody

1201  
00:47:19,829 --> 00:47:19,040  
that questions lou elizondo

1202  
00:47:21,589 --> 00:47:19,839  
is

1203  
00:47:22,710 --> 00:47:21,599  
basically labeled they're probably a

1204  
00:47:25,910 --> 00:47:22,720  
criminal

1205  
00:47:27,750 --> 00:47:25,920  
right and and and it just so happens

1206  
00:47:30,230 --> 00:47:27,760  
that all of his critics a hundred

1207  
00:47:31,750 --> 00:47:30,240  
percent of his critics or people asking

1208  
00:47:32,549 --> 00:47:31,760  
the hard questions

1209  
00:47:35,030 --> 00:47:32,559  
he's

1210  
00:47:36,710 --> 00:47:35,040  
basically saying are all criminals this

1211  
00:47:38,950 --> 00:47:36,720  
is crazy

1212  
00:47:41,190 --> 00:47:38,960  
and this happened with corey good too it

1213  
00:47:42,950 --> 00:47:41,200

should be it should be noted this is why

1214

00:47:45,270 --> 00:47:42,960

you always study the history of this

1215

00:47:47,270 --> 00:47:45,280

thing because corey goode

1216

00:47:49,750 --> 00:47:47,280

lost his goddamn mind when people

1217

00:47:51,510 --> 00:47:49,760

started criticizing him and his wackadoo

1218

00:47:53,430 --> 00:47:51,520

buck rogers space science fiction

1219

00:47:55,829 --> 00:47:53,440

stories on the internet he started

1220

00:47:57,190 --> 00:47:55,839

saying all kinds of stuff oh my critics

1221

00:47:59,670 --> 00:47:57,200

they're cyber stalking me they're

1222

00:48:02,230 --> 00:47:59,680

getting investigated by the fbi the

1223

00:48:04,790 --> 00:48:02,240

police are involved they're criminals

1224

00:48:07,030 --> 00:48:04,800

he this is exactly from corey good's

1225

00:48:09,430 --> 00:48:07,040

playbook he cannot

1226

00:48:11,270 --> 00:48:09,440

he cannot withstand the questions

1227

00:48:13,670 --> 00:48:11,280

and he can't explain the questions and

1228

00:48:16,309 --> 00:48:13,680

all the inconsistencies away so what do

1229

00:48:18,470 --> 00:48:16,319

you do when you can't change the message

1230

00:48:20,870 --> 00:48:18,480

you gotta kill the messenger that's what

1231

00:48:23,829 --> 00:48:20,880

i think he's trying to do here

1232

00:48:25,910 --> 00:48:23,839

yeah and again it speaks to the appeal

1233

00:48:27,670 --> 00:48:25,920

to authority that this community and the

1234

00:48:29,349 --> 00:48:27,680

events and the credibility of

1235

00:48:32,150 --> 00:48:29,359

individuals is

1236

00:48:34,390 --> 00:48:32,160

solely based upon again no one whether

1237

00:48:36,470 --> 00:48:34,400

they have an arrest record or not

1238

00:48:38,710 --> 00:48:36,480

is always credible no one is always

1239

00:48:41,270 --> 00:48:38,720

right we are human beings we're fallible

1240

00:48:43,990 --> 00:48:41,280

and we're subject to all kinds of things

1241

00:48:46,230 --> 00:48:44,000

uh that does not make our credibility

1242

00:48:49,109 --> 00:48:46,240

constant so credibility has to be

1243

00:48:51,030 --> 00:48:49,119

reassessed and for every claim

1244

00:48:53,589 --> 00:48:51,040

regardless of the claimant per the

1245

00:48:55,430 --> 00:48:53,599

evidence and that's not something that

1246

00:48:57,670 --> 00:48:55,440

uh anybody wants to have a conversation

1247

00:48:59,910 --> 00:48:57,680

about because that would include

1248

00:49:02,069 --> 00:48:59,920

whether you're the director of the cia

1249

00:49:03,829 --> 00:49:02,079

or lou elizondo or someone who's a

1250

00:49:06,230 --> 00:49:03,839

criminal with a conviction for drunk

1251  
00:49:07,510 --> 00:49:06,240  
driving or even crimes of deception

1252  
00:49:09,510 --> 00:49:07,520  
again if someone has a crime of

1253  
00:49:11,750 --> 00:49:09,520  
deception that's a red flag that you

1254  
00:49:13,829 --> 00:49:11,760  
would want to very be very scrutinous

1255  
00:49:17,109 --> 00:49:13,839  
but we have a a long

1256  
00:49:19,190 --> 00:49:17,119  
uh evidenced history of instances where

1257  
00:49:21,109 --> 00:49:19,200  
these appeals to authority were just

1258  
00:49:22,710 --> 00:49:21,119  
flat wrong for all kinds of reasons and

1259  
00:49:24,790 --> 00:49:22,720  
that's why you know i get back to the

1260  
00:49:27,030 --> 00:49:24,800  
point where credibility is just it's not

1261  
00:49:29,109 --> 00:49:27,040  
constant no one's always credible you

1262  
00:49:32,150 --> 00:49:29,119  
know whether they're a reporter or a

1263  
00:49:33,990 --> 00:49:32,160

president or just an average joe um they

1264

00:49:35,109 --> 00:49:34,000

have to be held to the evidence and if

1265

00:49:37,190 --> 00:49:35,119

someone's saying that you know they

1266

00:49:38,549 --> 00:49:37,200

walked out to the garage and got their

1267

00:49:40,069 --> 00:49:38,559

rake yeah i'm probably not going to

1268

00:49:42,950 --> 00:49:40,079

verify that but when we're starting to

1269

00:49:45,510 --> 00:49:42,960

talk about very extreme sensational

1270

00:49:48,470 --> 00:49:45,520

claims like we're being visited people

1271

00:49:51,030 --> 00:49:48,480

are being affected abducted medically

1272

00:49:52,950 --> 00:49:51,040

affected um and we're now having

1273

00:49:54,950 --> 00:49:52,960

congressional hearings and possibly

1274

00:49:57,510 --> 00:49:54,960

spending lots of taxpayer money in the

1275

00:49:59,190 --> 00:49:57,520

next 10 years based upon this narrative

1276

00:50:01,349 --> 00:49:59,200

i think these are things that need to be

1277

00:50:04,150 --> 00:50:01,359

looked at with scrutiny as we don't have

1278

00:50:06,790 --> 00:50:04,160

any evidence of any of those claims ever

1279

00:50:07,670 --> 00:50:06,800

being true in 80 years

1280

00:50:09,990 --> 00:50:07,680

yeah

1281

00:50:11,589 --> 00:50:10,000

i i absolutely agree with you and i also

1282

00:50:14,230 --> 00:50:11,599

want to ask you because

1283

00:50:15,750 --> 00:50:14,240

i don't know you very well like so i

1284

00:50:16,630 --> 00:50:15,760

don't care if you agree with me or not

1285

00:50:18,950 --> 00:50:16,640

but

1286

00:50:20,950 --> 00:50:18,960

i have long said that there's a lot of

1287

00:50:22,870 --> 00:50:20,960

show hosts that are compromised and

1288

00:50:25,190 --> 00:50:22,880

they're in on the game

1289

00:50:29,349 --> 00:50:25,200

and and we see we just saw evidence of

1290

00:50:32,150 --> 00:50:29,359

this of a show saying use me like a tool

1291

00:50:34,390 --> 00:50:32,160

and and that was to me i don't know why

1292

00:50:37,109 --> 00:50:34,400

that guy released that text message like

1293

00:50:39,109 --> 00:50:37,119

that paints him as somebody who's just

1294

00:50:40,390 --> 00:50:39,119

willing to play along whatever the

1295

00:50:42,549 --> 00:50:40,400

agenda is

1296

00:50:45,349 --> 00:50:42,559

it's it's not an impartial person that

1297

00:50:47,990 --> 00:50:45,359

says let me be your tool

1298

00:50:50,630 --> 00:50:48,000

and your tool belt to help you

1299

00:50:52,549 --> 00:50:50,640

and and we see evidence of of this in

1300

00:50:54,950 --> 00:50:52,559

other shows you know i've talked about

1301  
00:50:58,950 --> 00:50:54,960  
this game where it's a big club and i

1302  
00:51:01,190 --> 00:50:58,960  
ain't in it you know obviously certain

1303  
00:51:02,309 --> 00:51:01,200  
ufo celebrities won't come here because

1304  
00:51:04,069 --> 00:51:02,319  
they know

1305  
00:51:06,230 --> 00:51:04,079  
that i have the goods on them and they

1306  
00:51:08,790 --> 00:51:06,240  
know i'm gonna ask them about

1307  
00:51:11,349 --> 00:51:08,800  
stuff they faked or you know whatever

1308  
00:51:12,549 --> 00:51:11,359  
but other show hosts play this game

1309  
00:51:14,950 --> 00:51:12,559  
it's like

1310  
00:51:16,950 --> 00:51:14,960  
i'm gonna softball you i'm not gonna

1311  
00:51:18,950 --> 00:51:16,960  
talk about the proof like how many shows

1312  
00:51:20,870 --> 00:51:18,960  
has nick pope been on and i've never

1313  
00:51:23,030 --> 00:51:20,880

seen anybody gotcha him with all those

1314

00:51:25,349 --> 00:51:23,040

documents from the british government

1315

00:51:26,950 --> 00:51:25,359

saying that he didn't investigate [h\_\_h]

1316

00:51:29,750 --> 00:51:26,960

for the british government you know

1317

00:51:30,950 --> 00:51:29,760

that's just one example and elizondo

1318

00:51:33,510 --> 00:51:30,960

it's well known

1319

00:51:36,069 --> 00:51:33,520

it's kind of accepted now that he

1320

00:51:38,470 --> 00:51:36,079

will only go on the shows that will play

1321

00:51:41,750 --> 00:51:38,480

along and do the circle jerk and not ask

1322

00:51:42,950 --> 00:51:41,760

him about all the inconsistencies

1323

00:51:44,230 --> 00:51:42,960

what do you think do you think that

1324

00:51:46,630 --> 00:51:44,240

there's a lot of

1325

00:51:49,190 --> 00:51:46,640

is it an op are they using these people

1326  
00:51:51,270 --> 00:51:49,200  
as useful idiots are people just doing

1327  
00:51:52,390 --> 00:51:51,280  
it for for the profit and the clicks and

1328  
00:51:55,190 --> 00:51:52,400  
the views

1329  
00:51:57,589 --> 00:51:55,200  
what's your take on this

1330  
00:51:59,030 --> 00:51:57,599  
well i think that again like people are

1331  
00:52:00,549 --> 00:51:59,040  
here for different reasons and people do

1332  
00:52:02,390 --> 00:52:00,559  
things for different reasons and have

1333  
00:52:04,950 --> 00:52:02,400  
different agendas and goals and

1334  
00:52:08,230 --> 00:52:04,960  
oftentimes we're seeing a very limited

1335  
00:52:09,829 --> 00:52:08,240  
intersecting picture of those things um

1336  
00:52:12,230 --> 00:52:09,839  
and we're being told that it's something

1337  
00:52:15,589 --> 00:52:12,240  
uh and we're just supposed to believe it

1338  
00:52:18,790 --> 00:52:15,599

and again uh do i think that elizondo

1339

00:52:21,190 --> 00:52:18,800

is selectively uh going on to only shows

1340

00:52:24,309 --> 00:52:21,200

that will be soft to him so that he can

1341

00:52:25,670 --> 00:52:24,319

uh dictate how the story is going to go

1342

00:52:28,230 --> 00:52:25,680

and the level of questioning and

1343

00:52:30,950 --> 00:52:28,240

scrutiny that's going to be involved

1344

00:52:33,349 --> 00:52:30,960

absolutely and whether elizondo 100

1345

00:52:36,069 --> 00:52:33,359

percent believes the things that he is

1346

00:52:39,190 --> 00:52:36,079

telling us and is fighting to get ufo

1347

00:52:40,870 --> 00:52:39,200

information to the public uh or whether

1348

00:52:43,510 --> 00:52:40,880

or not he doesn't believe it and he's

1349

00:52:45,430 --> 00:52:43,520

doing it for money or to further

1350

00:52:47,270 --> 00:52:45,440

government and aerospace desired

1351  
00:52:49,030 --> 00:52:47,280  
policies you know whatever the issue you

1352  
00:52:51,510 --> 00:52:49,040  
know intention doesn't really matter if

1353  
00:52:52,790 --> 00:52:51,520  
we can look and see that this thing has

1354  
00:52:55,190 --> 00:52:52,800  
happened if we can

1355  
00:52:57,030 --> 00:52:55,200  
actually say that he has been wrong or

1356  
00:52:59,190 --> 00:52:57,040  
excuse me has lied and has

1357  
00:53:01,109 --> 00:52:59,200  
misrepresented facts it doesn't really

1358  
00:53:02,870 --> 00:53:01,119  
matter what the intention behind that is

1359  
00:53:05,510 --> 00:53:02,880  
although i would be interested

1360  
00:53:06,390 --> 00:53:05,520  
to know in research that the provable

1361  
00:53:09,990 --> 00:53:06,400  
lie

1362  
00:53:11,829 --> 00:53:10,000  
is in itself enough and um as far as

1363  
00:53:14,230 --> 00:53:11,839

people that have their own shows and

1364

00:53:17,670 --> 00:53:14,240

have these guests on and are having back

1365

00:53:19,190 --> 00:53:17,680

room conversations to have

1366

00:53:21,990 --> 00:53:19,200

narratives that will be perhaps

1367

00:53:24,549 --> 00:53:22,000

favorable to them uh the guest

1368

00:53:25,910 --> 00:53:24,559

uh i can't i can't say as to why people

1369

00:53:28,710 --> 00:53:25,920

would do that again it could be because

1370

00:53:31,109 --> 00:53:28,720

they fully believe and uh have faith in

1371

00:53:33,109 --> 00:53:31,119

these people and they want to

1372

00:53:34,790 --> 00:53:33,119

be part of the the change and the

1373

00:53:36,870 --> 00:53:34,800

awakening but again if you're doing

1374

00:53:37,670 --> 00:53:36,880

something that is um

1375

00:53:41,270 --> 00:53:37,680

not

1376  
00:53:42,950 --> 00:53:41,280  
on the up and up and fully transparent

1377  
00:53:45,030 --> 00:53:42,960  
and that's what you claim to be

1378  
00:53:48,549 --> 00:53:45,040  
across the board that's that's a problem

1379  
00:53:51,030 --> 00:53:48,559  
and uh louis lozando again he he claims

1380  
00:53:53,270 --> 00:53:51,040  
to be transparent and accountable and

1381  
00:53:55,510 --> 00:53:53,280  
truthful and and asks people to hold him

1382  
00:53:56,470 --> 00:53:55,520  
to that but yet anybody who attempts to

1383  
00:53:58,309 --> 00:53:56,480  
do so

1384  
00:53:59,990 --> 00:53:58,319  
uh is rebuffed

1385  
00:54:01,670 --> 00:54:00,000  
yeah they're criminals they're they're

1386  
00:54:03,990 --> 00:54:01,680  
you you're you're you're asking

1387  
00:54:06,150 --> 00:54:04,000  
questions you must be a criminal you

1388  
00:54:08,309 --> 00:54:06,160

know like i i don't know and you know i

1389

00:54:10,309 --> 00:54:08,319

got to be honest in full disclosure and

1390

00:54:12,150 --> 00:54:10,319

say that i've listened to almost every

1391

00:54:14,069 --> 00:54:12,160

interview this guy gave and i always get

1392

00:54:16,230 --> 00:54:14,079

angry because

1393

00:54:18,390 --> 00:54:16,240

i listen to the interview and i listen

1394

00:54:20,390 --> 00:54:18,400

to the interviewer softball softball

1395

00:54:23,430 --> 00:54:20,400

softball you're so great lou you're done

1396

00:54:26,390 --> 00:54:23,440

so much for disclosure fanboy softball

1397

00:54:28,230 --> 00:54:26,400

fanboy softball and it pisses me off

1398

00:54:29,510 --> 00:54:28,240

because if i could get him in that in

1399

00:54:31,510 --> 00:54:29,520

that chair

1400

00:54:34,230 --> 00:54:31,520

we could learn something we could we

1401

00:54:36,549 --> 00:54:34,240

could get clarification on some things

1402

00:54:38,710 --> 00:54:36,559

and yeah i would i got a lot of

1403

00:54:41,430 --> 00:54:38,720

questions you know nobody's ever asked

1404

00:54:43,829 --> 00:54:41,440

him about Guantanamo Bay and by the way

1405

00:54:46,150 --> 00:54:43,839

he didn't just work at Guantanamo Bay he

1406

00:54:47,910 --> 00:54:46,160

worked at that section of Guantanamo Bay

1407

00:54:50,870 --> 00:54:47,920

that got hit with all those human rights

1408

00:54:53,030 --> 00:54:50,880

violations i think somebody should ask

1409

00:54:54,950 --> 00:54:53,040

him what did you do at Guantanamo Bay

1410

00:54:57,910 --> 00:54:54,960

and were you a part of all those human

1411

00:55:00,069 --> 00:54:57,920

rights violations nobody does that

1412

00:55:02,309 --> 00:55:00,079

why doesn't anybody ask him where's the

1413

00:55:04,390 --> 00:55:02,319

spaceship you and tom delong promised

1414

00:55:07,109 --> 00:55:04,400

investors you know

1415

00:55:09,270 --> 00:55:07,119

how much money did you make at ttsa

1416

00:55:12,150 --> 00:55:09,280

while the investors were getting

1417

00:55:14,390 --> 00:55:12,160

screwed out of every dime they put in

1418

00:55:16,710 --> 00:55:14,400

and and nobody asked these questions and

1419

00:55:18,309 --> 00:55:16,720

i get angry i every time i hear him

1420

00:55:20,710 --> 00:55:18,319

being interviewed

1421

00:55:23,270 --> 00:55:20,720

i get pissed off because i feel like

1422

00:55:25,430 --> 00:55:23,280

congratulations you useful idiot dummy

1423

00:55:28,309 --> 00:55:25,440

you just wasted the opportunity for us

1424

00:55:30,950 --> 00:55:28,319

to get some clarification and and hold

1425

00:55:32,829 --> 00:55:30,960

this guy accountable for his past for

1426

00:55:34,390 --> 00:55:32,839

his past claims

1427

00:55:36,470 --> 00:55:34,400

right

1428

00:55:39,270 --> 00:55:36,480

no absolutely and you know you said it

1429

00:55:41,589 --> 00:55:39,280

before he he won't go on shows that are

1430

00:55:43,589 --> 00:55:41,599

going to do that and we've seen when

1431

00:55:45,990 --> 00:55:43,599

curveballs are thrown by people like

1432

00:55:47,670 --> 00:55:46,000

rather be squidding um about his sock

1433

00:55:49,829 --> 00:55:47,680

puppets we've seen the reaction that he

1434

00:55:51,910 --> 00:55:49,839

that he gives and it's not one of

1435

00:55:53,990 --> 00:55:51,920

transparency and accountability it's

1436

00:55:55,109 --> 00:55:54,000

it's one of

1437

00:55:59,589 --> 00:55:55,119

come on

1438

00:56:02,150 --> 00:55:59,599

your mother was a hooker steve what if i

1439

00:56:03,910 --> 00:56:02,160

said your mother was a hooker would that

1440

00:56:06,230 --> 00:56:03,920

wouldn't i be allowed to use sock

1441

00:56:09,349 --> 00:56:06,240

puppets to shut you down call my mom a

1442

00:56:11,589 --> 00:56:09,359

hooker that's so this is so ridiculous

1443

00:56:14,069 --> 00:56:11,599

and the fact that a trained counter

1444

00:56:16,230 --> 00:56:14,079

intelligence officer is using fake

1445

00:56:17,270 --> 00:56:16,240

twitter accounts to argue with his

1446

00:56:19,190 --> 00:56:17,280

critics

1447

00:56:20,950 --> 00:56:19,200

it's ridiculous it's absolutely

1448

00:56:23,430 --> 00:56:20,960

ridiculous and it shows that there is

1449

00:56:26,150 --> 00:56:23,440

some attempt here at pushing a certain

1450

00:56:28,630 --> 00:56:26,160

narrative and controlling that narrative

1451

00:56:30,549 --> 00:56:28,640

to be exactly what they want it to be

1452

00:56:32,710 --> 00:56:30,559

it's perception management and this is

1453

00:56:35,030 --> 00:56:32,720

something that all intelligence officers

1454

00:56:36,549 --> 00:56:35,040

are trained in i'm sure including him

1455

00:56:38,870 --> 00:56:36,559

but for i i just think for an

1456

00:56:41,510 --> 00:56:38,880

intelligence officer he's kind of stupid

1457

00:56:43,910 --> 00:56:41,520

uh pardon my you know i just my opinion

1458

00:56:46,630 --> 00:56:43,920

because he keeps getting caught with his

1459

00:56:48,390 --> 00:56:46,640

pants down here looking like a fool and

1460

00:56:50,069 --> 00:56:48,400

and we're just supposed to forget that

1461

00:56:52,870 --> 00:56:50,079

and move on and all the all the

1462

00:56:55,589 --> 00:56:52,880

softballers don't bring it up it's crazy

1463

00:56:58,630 --> 00:56:55,599

and you're right one question i asked

1464

00:57:00,549 --> 00:56:58,640

for his tax returns through uh kurt from

1465

00:57:02,309 --> 00:57:00,559

theories of everything and he got all

1466

00:57:04,309 --> 00:57:02,319

pissed off and everybody attacked me

1467

00:57:05,990 --> 00:57:04,319

saying that wouldn't prove anything and

1468

00:57:07,510 --> 00:57:06,000

he didn't want to give his tax returns

1469

00:57:12,150 --> 00:57:07,520

though and there's a reason that he

1470

00:57:17,270 --> 00:57:14,950

abs absolutely um and again

1471

00:57:19,109 --> 00:57:17,280

the tax return is one thing but at least

1472

00:57:21,510 --> 00:57:19,119

you know to come out

1473

00:57:24,390 --> 00:57:21,520

with that sensational of a claim to

1474

00:57:26,789 --> 00:57:24,400

claim that you uh were director of the

1475

00:57:28,950 --> 00:57:26,799

pentagon's ufo investigation for 10

1476  
00:57:29,910 --> 00:57:28,960  
years and to not be able to evidence

1477  
00:57:33,109 --> 00:57:29,920  
that

1478  
00:57:34,710 --> 00:57:33,119  
whatsoever yet alone after five years

1479  
00:57:36,950 --> 00:57:34,720  
with all the other issues you know that

1480  
00:57:38,309 --> 00:57:36,960  
presents a problem and when you look at

1481  
00:57:41,349 --> 00:57:38,319  
the result

1482  
00:57:43,349 --> 00:57:41,359  
of and again intention and result don't

1483  
00:57:45,349 --> 00:57:43,359  
have to be the same thing but if you

1484  
00:57:47,510 --> 00:57:45,359  
look at the result of what's happened

1485  
00:57:50,150 --> 00:57:47,520  
since elizondo and chris mellon and

1486  
00:57:53,750 --> 00:57:50,160  
others uh have come and uh you know

1487  
00:57:57,910 --> 00:57:53,760  
promoted this this activism to to

1488  
00:58:00,150 --> 00:57:57,920

further various legislative actions um

1489

00:58:01,750 --> 00:58:00,160

we haven't seen that information has

1490

00:58:03,589 --> 00:58:01,760

become more publicly available we

1491

00:58:05,510 --> 00:58:03,599

haven't seen more of a disclosure in

1492

00:58:07,190 --> 00:58:05,520

fact the information has become more

1493

00:58:09,829 --> 00:58:07,200

highly classified more highly

1494

00:58:13,349 --> 00:58:09,839

centralized and the direct result of

1495

00:58:16,069 --> 00:58:13,359

these actions is to further the desired

1496

00:58:17,589 --> 00:58:16,079

information uh collection assessment and

1497

00:58:20,069 --> 00:58:17,599

compartmentalization

1498

00:58:23,190 --> 00:58:20,079

policies desired by the intelligence

1499

00:58:27,829 --> 00:58:23,200

community and uh i don't know if

1500

00:58:30,549 --> 00:58:27,839

elizondo is furthering uh their policies

1501

00:58:32,549 --> 00:58:30,559

in that manner or if he's unrelated

1502

00:58:33,589 --> 00:58:32,559

to that but that is the direct result

1503

00:58:36,150 --> 00:58:33,599

that we're seeing and that comes

1504

00:58:38,150 --> 00:58:36,160

directly from people that are putting in

1505

00:58:39,349 --> 00:58:38,160

the foias that are usually giving us the

1506

00:58:42,309 --> 00:58:39,359

good information you know keith

1507

00:58:44,549 --> 00:58:42,319

basterfield and marx cody and uh

1508

00:58:46,870 --> 00:58:44,559

john greenwald and and and these people

1509

00:58:49,670 --> 00:58:46,880

are telling us that the information has

1510

00:58:51,270 --> 00:58:49,680

only become harder to come by dave betty

1511

00:58:53,190 --> 00:58:51,280

yeah uh you know

1512

00:58:55,910 --> 00:58:53,200

that's getting great

1513

00:58:59,190 --> 00:58:55,920

story um you know information is not

1514

00:59:01,270 --> 00:58:59,200

becoming more disclosed it's the exact

1515

00:59:03,270 --> 00:59:01,280

opposite of that and these questions are

1516

00:59:05,829 --> 00:59:03,280

just not being addressed and again uh

1517

00:59:07,910 --> 00:59:05,839

elizondo and others will only go on to

1518

00:59:10,150 --> 00:59:07,920

interviews that will not approach these

1519

00:59:12,309 --> 00:59:10,160

things and they won't be discussed uh

1520

00:59:14,950 --> 00:59:12,319

therefore people on the whole won't know

1521

00:59:16,710 --> 00:59:14,960

them because although you know i and you

1522

00:59:19,990 --> 00:59:16,720

and a lot of other people you know will

1523

00:59:21,990 --> 00:59:20,000

listen to all of uh chris mellon or lou

1524

00:59:23,349 --> 00:59:22,000

elizondo or pretty much everybody will

1525

00:59:25,190 --> 00:59:23,359

listen to every one of their interviews

1526  
00:59:28,390 --> 00:59:25,200  
no matter how long or how painful they

1527  
00:59:31,030 --> 00:59:28,400  
are but at the same token uh

1528  
00:59:32,870 --> 00:59:31,040  
most people that uh believe in elizondo

1529  
00:59:35,349 --> 00:59:32,880  
and his message or want to further those

1530  
00:59:38,069 --> 00:59:35,359  
goals are not spending that amount of

1531  
00:59:40,549 --> 00:59:38,079  
time listening to critics or skeptics

1532  
00:59:41,670 --> 00:59:40,559  
and giving their points an honest uh

1533  
00:59:44,630 --> 00:59:41,680  
chance

1534  
00:59:47,589 --> 00:59:44,640  
um and you know i can relate i remember

1535  
00:59:49,030 --> 00:59:47,599  
um when i was a believer and i can

1536  
00:59:51,430 --> 00:59:49,040  
relate to the

1537  
00:59:52,789 --> 00:59:51,440  
uh this pitfall in my stomach that would

1538  
00:59:54,789 --> 00:59:52,799

happen when i would come across somebody

1539

00:59:56,230 --> 00:59:54,799

like uh phillip class and i certainly

1540

00:59:57,270 --> 00:59:56,240

would never think that

1541

01:00:02,470 --> 00:59:57,280

yeah

1542

01:00:04,390 --> 01:00:02,480

this guy's ruining it this guy's ruining

1543

01:00:06,549 --> 01:00:04,400

it i get a lot of that and you know what

1544

01:00:08,630 --> 01:00:06,559

makes me feel good though is that i have

1545

01:00:10,789 --> 01:00:08,640

gotten a lot of emails from people that

1546

01:00:13,589 --> 01:00:10,799

go something like steve campbell when i

1547

01:00:15,910 --> 01:00:13,599

first listened to you i hate your guts

1548

01:00:17,670 --> 01:00:15,920

but now i know that you were correct in

1549

01:00:19,349 --> 01:00:17,680

in the facts and evidence that you had

1550

01:00:21,670 --> 01:00:19,359

that proved that a lot of things that i

1551

01:00:24,630 --> 01:00:21,680

believed just aren't worth believing in

1552

01:00:26,390 --> 01:00:24,640

you know so it it's like that you know

1553

01:00:28,069 --> 01:00:26,400

eventually there comes acceptance and

1554

01:00:31,349 --> 01:00:28,079

ufo john doe with a kind of generous

1555

01:00:34,230 --> 01:00:31,359

dollar 99 super chat says use me baby

1556

viewer supported show you too can help

1559

01:00:41,829 --> 01:00:39,280

us

1560

01:00:44,309 --> 01:00:41,839

um praising the cash with that money

1561

01:00:48,870 --> 01:00:44,319

button really does help us uh thank you

1562

01:00:51,750 --> 01:00:50,470

where'd you guys create the guy's crazy

1563

01:00:54,069 --> 01:00:51,760

cash

1564

01:00:56,789 --> 01:00:54,079

thank you for your kindness thank you

1565

01:00:58,480 --> 01:00:56,799

for your generosity praise the cash

1566

01:01:05,030 --> 01:00:58,490

crazy cash raise the cash

1567

01:01:09,589 --> 01:01:06,789

okay thank you to

1568

01:01:11,990 --> 01:01:09,599

uh john and i also want to thank uh i

1569

01:01:14,230 --> 01:01:12,000

want to thank uh dr t for a cardinal

1570

01:01:16,150 --> 01:01:14,240

generous five dollar paypal donation and

1571

01:01:17,589 --> 01:01:16,160

allen for a kind of generous five dollar

1572

01:01:19,910 --> 01:01:17,599

paypal donation

1573

01:01:22,150 --> 01:01:19,920

and uh somebody in the live chat wanted

1574

01:01:23,190 --> 01:01:22,160

me to ask you and it's probably a good

1575

01:01:25,910 --> 01:01:23,200

question

1576

01:01:26,789 --> 01:01:25,920

we have this hearing coming up uh

1577

01:01:32,150 --> 01:01:26,799

and

1578

01:01:35,270 --> 01:01:32,160

it's it's this cycle of opium i call it

1579

01:01:36,870 --> 01:01:35,280

the cycle of hopium like the uap reports

1580

01:01:39,510 --> 01:01:36,880

coming out and we're finally gonna get

1581

01:01:41,589 --> 01:01:39,520

disclosure and then i predicted that

1582

01:01:43,270 --> 01:01:41,599

would be a nothing burger i'm predicting

1583

01:01:44,789 --> 01:01:43,280

right now that these hearings are gonna

1584

01:01:47,109 --> 01:01:44,799

be nothing burgers

1585

01:01:49,910 --> 01:01:47,119

but the the true believers think that

1586

01:01:53,190 --> 01:01:49,920

this is great and they they're crediting

1587

01:01:56,069 --> 01:01:53,200

elizondo or even lou from ucr you know

1588

01:01:58,789 --> 01:01:56,079

because he did a 24-hour stream

1589

01:02:01,430 --> 01:01:58,799

uh telling people to you know

1590

01:02:03,029 --> 01:02:01,440

uh write a letter to your congressman

1591

01:02:05,190 --> 01:02:03,039

they're they're taking this as like a

1592

01:02:07,670 --> 01:02:05,200

victory lap like see we're getting

1593

01:02:10,150 --> 01:02:07,680

hearings open hearings

1594

01:02:11,670 --> 01:02:10,160

i'm not hopeful what do you think about

1595

01:02:13,349 --> 01:02:11,680

these hearings coming up is this going

1596

01:02:16,150 --> 01:02:13,359

to be a nothing burger or is it going to

1597

01:02:18,390 --> 01:02:16,160

be something important with these

1598

01:02:20,390 --> 01:02:18,400

hearings

1599

01:02:22,950 --> 01:02:20,400

well i mean i'm

1600

01:02:26,710 --> 01:02:22,960

i'm admittedly ambivalent to the point

1601  
01:02:28,150 --> 01:02:26,720  
of cynical i guess about the hearings

1602  
01:02:30,630 --> 01:02:28,160  
i wouldn't say that they're going to be

1603  
01:02:32,309 --> 01:02:30,640  
a nothing burger undoubtedly um people

1604  
01:02:33,910 --> 01:02:32,319  
are going to say things and make

1605  
01:02:36,630 --> 01:02:33,920  
comments and statements and there will

1606  
01:02:38,470 --> 01:02:36,640  
be things to to research and i'm you

1607  
01:02:40,150 --> 01:02:38,480  
know excited to watch it and as somebody

1608  
01:02:41,910 --> 01:02:40,160  
that's been

1609  
01:02:43,190 --> 01:02:41,920  
in the ufos for a long time certainly

1610  
01:02:45,589 --> 01:02:43,200  
this is a

1611  
01:02:48,710 --> 01:02:45,599  
historical moment whether right or wrong

1612  
01:02:50,870 --> 01:02:48,720  
or what the intentions are and uh it's

1613  
01:02:53,589 --> 01:02:50,880

nice to be able to be here for that but

1614

01:02:55,029 --> 01:02:53,599

yeah i guess i call it like uh managed

1615

01:02:57,349 --> 01:02:55,039

disappointment like that's what it

1616

01:03:00,150 --> 01:02:57,359

always is no matter what what the result

1617

01:03:01,990 --> 01:03:00,160

is um it's something that's um

1618

01:03:04,069 --> 01:03:02,000

beforehand and the excitement in the

1619

01:03:06,950 --> 01:03:04,079

days leading up to it uh it's called a

1620

01:03:09,910 --> 01:03:06,960

win and uh then after that there's all

1621

01:03:12,870 --> 01:03:09,920

kinds of measured uh talk about the

1622

01:03:14,549 --> 01:03:12,880

shortcomings and how it's only um a step

1623

01:03:15,430 --> 01:03:14,559

you know on the road to

1624

01:03:18,309 --> 01:03:15,440

still

1625

01:03:20,870 --> 01:03:18,319

some yet to be defined uh disclosure and

1626

01:03:24,069 --> 01:03:20,880

and people continue to uh to rally

1627

01:03:26,390 --> 01:03:24,079

behind it and um you know the

1628

01:03:27,270 --> 01:03:26,400

congressional interest

1629

01:03:29,270 --> 01:03:27,280

again

1630

01:03:31,270 --> 01:03:29,280

if we look at what's been happening and

1631

01:03:34,549 --> 01:03:31,280

the result of past

1632

01:03:36,309 --> 01:03:34,559

uh actions over the last year or two um

1633

01:03:38,710 --> 01:03:36,319

some of which the community was called

1634

01:03:40,390 --> 01:03:38,720

as a whole to call into their congress

1635

01:03:42,309 --> 01:03:40,400

and support you know the end result of

1636

01:03:44,470 --> 01:03:42,319

that is not disclosure it's the

1637

01:03:47,270 --> 01:03:44,480

tightening of information and it's just

1638

01:03:49,589 --> 01:03:47,280

furthering policies that the emperor the

1639

01:03:51,349 --> 01:03:49,599

ic you know the intelligence community

1640

01:03:52,710 --> 01:03:51,359

and the government in the military see

1641

01:03:54,470 --> 01:03:52,720

as holes that need to be plugged and

1642

01:03:55,670 --> 01:03:54,480

things that need to be fixed to further

1643

01:03:57,910 --> 01:03:55,680

all kinds of things that have to do with

1644

01:04:00,309 --> 01:03:57,920

national security and national defense

1645

01:04:02,870 --> 01:04:00,319

and literally nothing to do with ufos

1646

01:04:05,109 --> 01:04:02,880

other than things that are unidentified

1647

01:04:07,109 --> 01:04:05,119

you know this isn't a step on the path

1648

01:04:09,109 --> 01:04:07,119

to finding out what the greatest mystery

1649

01:04:11,349 --> 01:04:09,119

on earth what the answer is that's not

1650

01:04:14,150 --> 01:04:11,359

why these people are meeting tomorrow

1651  
01:04:15,349 --> 01:04:14,160  
and you know already uh even people who

1652  
01:04:16,630 --> 01:04:15,359  
are um

1653  
01:04:18,470 --> 01:04:16,640  
proponents

1654  
01:04:20,630 --> 01:04:18,480  
um

1655  
01:04:22,789 --> 01:04:20,640  
of what's happening uh they'll admit

1656  
01:04:23,910 --> 01:04:22,799  
that too and they're already um you know

1657  
01:04:25,430 --> 01:04:23,920  
managing

1658  
01:04:29,430 --> 01:04:25,440  
the disappointment that certainly will

1659  
01:04:30,950 --> 01:04:29,440  
come uh from these uh these hearings um

1660  
01:04:32,950 --> 01:04:30,960  
but they have

1661  
01:04:33,990 --> 01:04:32,960  
there's all kinds of things that factor

1662  
01:04:35,029 --> 01:04:34,000  
into

1663  
01:04:36,950 --> 01:04:35,039

um

1664

01:04:38,069 --> 01:04:36,960

these hearings and things that are going

1665

01:04:39,190 --> 01:04:38,079

to happen

1666

01:04:42,069 --> 01:04:39,200

and uh

1667

01:04:45,190 --> 01:04:42,079

i shared something that that was from

1668

01:04:46,950 --> 01:04:45,200

uh the 1956 book the report on

1669

01:04:48,630 --> 01:04:46,960

uh unidentified flying objects from

1670

01:04:50,710 --> 01:04:48,640

edward rupel

1671

01:04:52,549 --> 01:04:50,720

yeah i saw that i like that i like that

1672

01:04:54,390 --> 01:04:52,559

very much i'm gonna try to find it here

1673

01:04:55,750 --> 01:04:54,400

for we'll share it yeah

1674

01:04:58,309 --> 01:04:55,760

great great

1675

01:05:01,510 --> 01:04:58,319

i love i love finding good nuggets from

1676

01:05:03,589 --> 01:05:01,520

old 50s and 60s books you know it makes

1677

01:05:04,870 --> 01:05:03,599

me happy like because because you know

1678

01:05:06,630 --> 01:05:04,880

usually when you find something from a

1679

01:05:09,430 --> 01:05:06,640

book that old

1680

01:05:10,230 --> 01:05:09,440

nobody else has seen that or or heard it

1681

01:05:11,990 --> 01:05:10,240

so

1682

01:05:14,230 --> 01:05:12,000

well actually the interesting thing was

1683

01:05:17,190 --> 01:05:14,240

this the excerpt that i shared was not

1684

01:05:19,109 --> 01:05:17,200

in the uh the published version of the

1685

01:05:21,910 --> 01:05:19,119

book but it was found

1686

01:05:24,230 --> 01:05:21,920

after notes later in his notes right in

1687

01:05:25,990 --> 01:05:24,240

the draft notes and actually robert

1688

01:05:27,349 --> 01:05:26,000

glazell did a recent article that i

1689

01:05:29,029 --> 01:05:27,359

found that in but i thought it was

1690

01:05:31,670 --> 01:05:29,039

interesting because it highlights the

1691

01:05:34,390 --> 01:05:31,680

exact problem uh that we have when we

1692

01:05:36,390 --> 01:05:34,400

talk about trying to get answers

1693

01:05:38,789 --> 01:05:36,400

information or even expecting that we

1694

01:05:40,950 --> 01:05:38,799

will from the government and from our

1695

01:05:43,270 --> 01:05:40,960

military and uh yeah you can see right

1696

01:05:46,069 --> 01:05:43,280

there essentially he said you know

1697

01:05:47,829 --> 01:05:46,079

um not so you know so long ago that

1698

01:05:50,150 --> 01:05:47,839

nobody knows why the government

1699

01:05:51,829 --> 01:05:50,160

established a policy not to comment on

1700

01:05:54,150 --> 01:05:51,839

anything that is written or said by

1701

01:05:56,230 --> 01:05:54,160

private citizens people uh can make

1702

01:05:59,270 --> 01:05:56,240

fantastic claims with a relatively high

1703

01:06:01,829 --> 01:05:59,280

degree of immunity to being exposed or

1704

01:06:03,670 --> 01:06:01,839

uh you know answered to and this policy

1705

01:06:05,670 --> 01:06:03,680

has been a bonanza

1706

01:06:08,630 --> 01:06:05,680

to writers of saucer lore and also

1707

01:06:11,109 --> 01:06:08,640

anybody that's pushing a ufo narrative

1708

01:06:13,910 --> 01:06:11,119

you know the basic concept of saucerism

1709

01:06:15,829 --> 01:06:13,920

versus the air force um is that you can

1710

01:06:17,829 --> 01:06:15,839

print or say anything as your proof of

1711

01:06:19,750 --> 01:06:17,839

honesty and dare the air force to

1712

01:06:21,829 --> 01:06:19,760

contradict you which of course they will

1713

01:06:24,230 --> 01:06:21,839

not and they will always give the most

1714

01:06:26,630 --> 01:06:24,240

limited answer with the most limited

1715

01:06:28,950 --> 01:06:26,640

amount of information and that has

1716

01:06:30,630 --> 01:06:28,960

nothing to do most likely with ufo

1717

01:06:32,789 --> 01:06:30,640

cover-ups but all kinds of things to do

1718

01:06:34,549 --> 01:06:32,799

with national security and defense and

1719

01:06:36,390 --> 01:06:34,559

the bottom line that you know what we

1720

01:06:38,710 --> 01:06:36,400

tell the general public

1721

01:06:40,870 --> 01:06:38,720

myself included taxpayers included we

1722

01:06:43,990 --> 01:06:40,880

also tell our adversaries so those

1723

01:06:44,870 --> 01:06:44,000

answers are very measured so anybody i

1724

01:06:46,950 --> 01:06:44,880

don't think

1725

01:06:48,390 --> 01:06:46,960

it would be fair to expect anything big

1726

01:06:50,470 --> 01:06:48,400

out of these hearings but more

1727

01:06:51,910 --> 01:06:50,480

particularly i think people should look

1728

01:06:54,390 --> 01:06:51,920

at exactly

1729

01:06:56,630 --> 01:06:54,400

uh who would benefit from these hearings

1730

01:06:58,630 --> 01:06:56,640

and exactly what's going to come out of

1731

01:07:00,630 --> 01:06:58,640

them and who's already been benefiting

1732

01:07:02,470 --> 01:07:00,640

from these legislative actions you know

1733

01:07:05,270 --> 01:07:02,480

we could talk about the politicians that

1734

01:07:07,349 --> 01:07:05,280

are involved um

1735

01:07:09,750 --> 01:07:07,359

possibly just for publicity and again

1736

01:07:11,910 --> 01:07:09,760

like the the congressional interest

1737

01:07:15,109 --> 01:07:11,920

itself doesn't really have to represent

1738

01:07:16,710 --> 01:07:15,119

anything other than uh writing a public

1739

01:07:20,230 --> 01:07:16,720

interest for all that it's worth you

1740

01:07:21,589 --> 01:07:20,240

know and um there's all kinds of funding

1741

01:07:24,470 --> 01:07:21,599

that will

1742

01:07:25,990 --> 01:07:24,480

possibly be made available maybe in the

1743

01:07:28,390 --> 01:07:26,000

trillions of dollars over the next

1744

01:07:30,630 --> 01:07:28,400

decade as a direct result of

1745

01:07:32,710 --> 01:07:30,640

these actions that are being implemented

1746

01:07:34,069 --> 01:07:32,720

right now there's all kinds of aerospace

1747

01:07:36,150 --> 01:07:34,079

companies and

1748

01:07:39,670 --> 01:07:36,160

all kinds of uh

1749

01:07:42,870 --> 01:07:39,680

entities that stand to gain a profit

1750

01:07:46,950 --> 01:07:42,880

from the government contracts that will

1751

01:07:49,190 --> 01:07:46,960

come from these actions um that's

1752

01:07:51,349 --> 01:07:49,200

you know just the bottom line and the

1753

01:07:54,549 --> 01:07:51,359

fact that none of that is being factored

1754

01:07:57,430 --> 01:07:54,559

into the conversation except for in in a

1755

01:08:00,789 --> 01:07:57,440

very minor way that only supports

1756

01:08:03,109 --> 01:08:00,799

uh the hope i think is is a disservice

1757

01:08:04,789 --> 01:08:03,119

to the conversation and to the reality

1758

01:08:06,549 --> 01:08:04,799

of the situation

1759

01:08:08,309 --> 01:08:06,559

you're very right ufo john doe with

1760

01:08:10,230 --> 01:08:08,319

another kind of gender star 99 super

1761

01:08:13,109 --> 01:08:10,240

chat asking me steve did you reach out

1762

01:08:15,750 --> 01:08:13,119

to ryan after the audrey podcast

1763

01:08:17,590 --> 01:08:15,760

no uh ryan threatened to sue me if i

1764

01:08:19,910 --> 01:08:17,600

didn't take that down

1765

01:08:21,990 --> 01:08:19,920

because uh well i i don't even want to

1766

01:08:25,189 --> 01:08:22,000

get into it but that guest threatened to

1767

01:08:26,630 --> 01:08:25,199

sue me if i didn't take it down and uh

1768

01:08:29,430 --> 01:08:26,640

even though i think i thought it was a

1769

01:08:31,749 --> 01:08:29,440

frivolous threat i just you know for the

1770

01:08:33,590 --> 01:08:31,759

30 cents i'm gonna make on his interview

1771

01:08:34,709 --> 01:08:33,600

on youtube i didn't feel like it was

1772

01:08:37,590 --> 01:08:34,719

worth

1773

01:08:39,349 --> 01:08:37,600

uh fighting over a possible lawsuit so i

1774

01:08:40,950 --> 01:08:39,359

took it down he's never welcome here

1775

01:08:43,590 --> 01:08:40,960

again the first time he got drunk the

1776

01:08:45,510 --> 01:08:43,600

second time he made a lot of accusations

1777

01:08:46,390 --> 01:08:45,520

uh against people with no evidence or

1778

01:08:48,070 --> 01:08:46,400

proof

1779

01:08:51,030 --> 01:08:48,080

and he didn't like the backlash from

1780

01:08:53,430 --> 01:08:51,040

that so we took that down unfortunately

1781

01:08:55,349 --> 01:08:53,440

you know these things happen

1782

01:08:56,470 --> 01:08:55,359

so the the yeah people are saying it's

1783

01:08:59,430 --> 01:08:56,480

the first

1784

01:09:01,590 --> 01:08:59,440

open hearings in you know 60 or 80 years

1785

01:09:04,550 --> 01:09:01,600

or whatever but what do we get from the

1786

01:09:05,430 --> 01:09:04,560

last hearing nothing you know like i i

1787

01:09:07,990 --> 01:09:05,440

just

1788

01:09:09,910 --> 01:09:08,000

i see this cycle of opium that's what i

1789

01:09:10,950 --> 01:09:09,920

call it where something's coming up and

1790

01:09:13,990 --> 01:09:10,960

all of the

1791

01:09:16,070 --> 01:09:14,000

all the pro this is definitely aliens

1792

01:09:17,749 --> 01:09:16,080

disclosure people start pumping it up

1793

01:09:19,430 --> 01:09:17,759

they start uh

1794

01:09:21,430 --> 01:09:19,440

making all these claims about what's

1795

01:09:23,430 --> 01:09:21,440

going to happen or what's what's going

1796

01:09:24,870 --> 01:09:23,440

to be revealed to us and endless

1797

01:09:26,470 --> 01:09:24,880

speculation

1798

01:09:28,789 --> 01:09:26,480

and and i agree with you though that

1799

01:09:31,510 --> 01:09:28,799

there may be some things that are

1800

01:09:34,709 --> 01:09:31,520

dropped that we can then investigate

1801  
01:09:37,349 --> 01:09:34,719  
maybe something worth investigating but

1802  
01:09:38,709 --> 01:09:37,359  
it seems to me that there's just a a

1803  
01:09:40,950 --> 01:09:38,719  
money machine and you're right about

1804  
01:09:42,789 --> 01:09:40,960  
that as well the military industrial

1805  
01:09:44,390 --> 01:09:42,799  
complex stands to gain a huge amount of

1806  
01:09:46,070 --> 01:09:44,400  
money because

1807  
01:09:48,070 --> 01:09:46,080  
if people start asking too many

1808  
01:09:49,749 --> 01:09:48,080  
questions about these ufos they're going

1809  
01:09:51,349 --> 01:09:49,759  
to have to upgrade things so they're

1810  
01:09:53,189 --> 01:09:51,359  
going to need better radar systems

1811  
01:09:55,270 --> 01:09:53,199  
better sensors they're going to

1812  
01:09:56,950 --> 01:09:55,280  
and there's there's a whole industry of

1813  
01:09:59,350 --> 01:09:56,960

people who do that so there's funding

1814

01:10:01,270 --> 01:09:59,360

for that there's going to be funding for

1815

01:10:03,350 --> 01:10:01,280

i guess some form of investigators

1816

01:10:05,189 --> 01:10:03,360

within the pentagon

1817

01:10:06,630 --> 01:10:05,199

there's going to be funding for training

1818

01:10:08,870 --> 01:10:06,640

i suppose because now we're going to

1819

01:10:11,189 --> 01:10:08,880

have to train our pilots and other

1820

01:10:13,830 --> 01:10:11,199

military personnel to make these reports

1821

01:10:15,669 --> 01:10:13,840

as accurately as possible

1822

01:10:17,350 --> 01:10:15,679

there's there's a money there's a money

1823

01:10:19,110 --> 01:10:17,360

trade involved here

1824

01:10:21,910 --> 01:10:19,120

absolutely and i think that there's also

1825

01:10:24,229 --> 01:10:21,920

a necessity that's happened with the

1826

01:10:27,270 --> 01:10:24,239

ubiquitous rise of drones over the last

1827

01:10:29,350 --> 01:10:27,280

10 years and the threat that it's posed

1828

01:10:30,390 --> 01:10:29,360

to national security in all kinds of

1829

01:10:32,470 --> 01:10:30,400

ways

1830

01:10:33,590 --> 01:10:32,480

um

1831

01:10:38,790 --> 01:10:33,600

that

1832

01:10:40,790 --> 01:10:38,800

filled can be

1833

01:10:42,470 --> 01:10:40,800

uh evidenced and described in all kinds

1834

01:10:45,189 --> 01:10:42,480

of ways that don't have to do with

1835

01:10:48,229 --> 01:10:45,199

anything uh non-human and that the

1836

01:10:51,189 --> 01:10:48,239

government seems to to be very um

1837

01:10:52,270 --> 01:10:51,199

concerned about the fact that even uh

1838

01:10:54,790 --> 01:10:52,280

very

1839

01:10:57,910 --> 01:10:54,800

non-high-tech things that don't cost

1840

01:10:59,590 --> 01:10:57,920

very much are posing uh threats to our

1841

01:11:01,750 --> 01:10:59,600

security and the security of our bases

1842

01:11:03,590 --> 01:11:01,760

and our training grounds

1843

01:11:06,630 --> 01:11:03,600

one of them is a quadcopter you know

1844

01:11:08,950 --> 01:11:06,640

like a walmart level quadcopter is

1845

01:11:11,910 --> 01:11:08,960

suddenly a big huge problem for an

1846

01:11:13,750 --> 01:11:11,920

aircraft carrier you know i mean i i

1847

01:11:16,310 --> 01:11:13,760

have been looking into something

1848

01:11:18,390 --> 01:11:16,320

uh called drone swarms and those are

1849

01:11:21,030 --> 01:11:18,400

concerning because if you

1850

01:11:22,950 --> 01:11:21,040

if you had just a drone that had enough

1851

01:11:25,350 --> 01:11:22,960

payload capacity to take some high

1852

01:11:26,870 --> 01:11:25,360

explosives on it and you flew 300 of

1853

01:11:28,790 --> 01:11:26,880

them into a ship

1854

01:11:31,510 --> 01:11:28,800

that that could be

1855

01:11:33,750 --> 01:11:31,520

a new form of 21st century terrorist

1856

01:11:35,590 --> 01:11:33,760

threat that's certainly worth looking

1857

01:11:37,750 --> 01:11:35,600

into but the fact i'm a little bit

1858

01:11:39,270 --> 01:11:37,760

disappointed that our governments i

1859

01:11:40,870 --> 01:11:39,280

thought they had better equipment i

1860

01:11:42,229 --> 01:11:40,880

thought they had better sensors you

1861

01:11:44,790 --> 01:11:42,239

don't know when you're looking at a

1862

01:11:47,669 --> 01:11:44,800

walmart quadcopter that anybody can go

1863

01:11:49,830 --> 01:11:47,679

buy for 99 at walmart

1864

01:11:51,669 --> 01:11:49,840

that is concerning to me

1865

01:11:53,110 --> 01:11:51,679

well i think one thing and that's a

1866

01:11:55,750 --> 01:11:53,120

great point and if we think about even

1867

01:11:56,630 --> 01:11:55,760

just just drones one of the many facets

1868

01:12:00,470 --> 01:11:56,640

of

1869

01:12:04,149 --> 01:12:00,480

just drones and we think about the

1870

01:12:06,070 --> 01:12:04,159

policy um of the military uh since the

1871

01:12:07,430 --> 01:12:06,080

end of blue book and that they really

1872

01:12:10,390 --> 01:12:07,440

weren't interested in having people

1873

01:12:11,990 --> 01:12:10,400

report what they saw and the things uh

1874

01:12:14,630 --> 01:12:12,000

that were that were happening that they

1875

01:12:16,870 --> 01:12:14,640

considered to be ufos um

1876

01:12:18,790 --> 01:12:16,880

the the the military in the government

1877

01:12:21,030 --> 01:12:18,800

is now taking a 180 on that and that

1878

01:12:23,030 --> 01:12:21,040

could be explained simply by

1879

01:12:24,630 --> 01:12:23,040

the problem that drones present and the

1880

01:12:26,630 --> 01:12:24,640

fact that you know drones don't even

1881

01:12:28,870 --> 01:12:26,640

have to be carrying weapons or

1882

01:12:31,189 --> 01:12:28,880

explosives to pose a problem to the

1883

01:12:33,750 --> 01:12:31,199

security of our military there's all

1884

01:12:36,390 --> 01:12:33,760

kinds of electronic information that's

1885

01:12:39,270 --> 01:12:36,400

um that can be collected simply by

1886

01:12:42,470 --> 01:12:39,280

having you know a very cheap quadcopter

1887

01:12:43,990 --> 01:12:42,480

or drone um pinging or intercepting and

1888

01:12:46,149 --> 01:12:44,000

you know involving itself with that

1889

01:12:48,950 --> 01:12:46,159

information just uh you know

1890

01:12:51,830 --> 01:12:48,960

surveillance and cameras um it could be

1891

01:12:53,590 --> 01:12:51,840

simply to see how we respond to these

1892

01:12:55,270 --> 01:12:53,600

threats so that next time our

1893

01:12:57,270 --> 01:12:55,280

adversaries can get you know get around

1894

01:12:58,630 --> 01:12:57,280

them and if they want to address all

1895

01:13:00,870 --> 01:12:58,640

these things they certainly aren't going

1896

01:13:02,790 --> 01:13:00,880

to be able to do it by having all

1897

01:13:04,630 --> 01:13:02,800

military personnel being afraid to

1898

01:13:06,550 --> 01:13:04,640

report anything that they see and can't

1899

01:13:08,390 --> 01:13:06,560

identify because they're going to be

1900

01:13:10,790 --> 01:13:08,400

afraid to you know have negative

1901

01:13:12,709 --> 01:13:10,800

consequences from that again i think a

1902

01:13:14,790 --> 01:13:12,719

lot of the actions that are that are

1903

01:13:17,510 --> 01:13:14,800

taking place can can be explained with

1904

01:13:20,550 --> 01:13:17,520

very worldly problems and worldly

1905

01:13:22,229 --> 01:13:20,560

technologies uh they're just not um

1906

01:13:23,510 --> 01:13:22,239

allowed to enter the conversation

1907

01:13:25,430 --> 01:13:23,520

usually

1908

01:13:27,270 --> 01:13:25,440

yeah i want to thank lord ludacris platt

1909

01:13:28,950 --> 01:13:27,280

for kind and generous 4.99 super chat

1910

01:13:31,830 --> 01:13:28,960

says awesome conversation and show

1911

01:13:33,590 --> 01:13:31,840

tonight well i'm glad i could take you

1912

01:13:35,510 --> 01:13:33,600

with me there

1913

01:13:40,830 --> 01:13:35,520

uh and thank you for your kindness your

1914

01:13:54,950 --> 01:13:52,630

[Music]

1915

01:13:57,350 --> 01:13:54,960

thank you lord ludacris and all of our

1916

01:14:00,870 --> 01:13:57,360

kind and generous uh supporters of the

1917

01:14:04,790 --> 01:14:03,110

yeah so i you know i i i don't want to

1918

01:14:07,189 --> 01:14:04,800

keep you too long here and i don't know

1919

01:14:08,310 --> 01:14:07,199

what else to ask you i i would like to

1920

01:14:10,149 --> 01:14:08,320

know

1921

01:14:12,149 --> 01:14:10,159

what what are you going to be focusing

1922

01:14:14,070 --> 01:14:12,159

on because i know that you are really

1923

01:14:16,310 --> 01:14:14,080

digging deep into some stuff and the

1924

01:14:19,350 --> 01:14:16,320

history i love the history i love the

1925

01:14:22,550 --> 01:14:19,360

contact ease i got all those books you

1926

01:14:24,630 --> 01:14:22,560

know i i we're just getting i i somehow

1927

01:14:27,669 --> 01:14:24,640

got involved in this billy meyer case

1928

01:14:28,790 --> 01:14:27,679

which is an old hokey ass it's a whole

1929

01:14:30,790 --> 01:14:28,800

circus

1930

01:14:32,630 --> 01:14:30,800

and uh by the way tonight at midnight

1931

01:14:34,870 --> 01:14:32,640

i'm i'm debuting here on the true

1932

01:14:36,950 --> 01:14:34,880

seekers channel my monologue about the

1933

01:14:39,430 --> 01:14:36,960

billy meyer case and michael horn and

1934

01:14:41,430 --> 01:14:39,440

getting off that crazy train but what is

1935

01:14:42,870 --> 01:14:41,440

it that you're going to be focused on

1936

01:14:44,630 --> 01:14:42,880

looking into

1937

01:14:46,310 --> 01:14:44,640

and for those that have an interest in

1938

01:14:47,990 --> 01:14:46,320

this subject what do you think people

1939

01:14:51,590 --> 01:14:48,000

should be focused on

1940

01:14:56,470 --> 01:14:53,669

um well

1941

01:14:58,149 --> 01:14:56,480

for you know first and foremost

1942

01:15:00,550 --> 01:14:58,159

past and current events and we have a

1943

01:15:04,550 --> 01:15:00,560

very limited picture and understanding

1944

01:15:06,709 --> 01:15:04,560

and an evidenced idea of exactly um what

1945

01:15:09,430 --> 01:15:06,719

what the truth is even just to the

1946

01:15:12,390 --> 01:15:09,440

programs such as asap and all chip uh a

1947

01:15:14,390 --> 01:15:12,400

tip and um seeing what happens with

1948

01:15:16,630 --> 01:15:14,400

these new uh developments obviously

1949

01:15:19,270 --> 01:15:16,640

that's a big part of a lot of people

1950

01:15:21,110 --> 01:15:19,280

like myself that follow this like you um

1951

01:15:24,709 --> 01:15:21,120

but specifically for the future

1952

01:15:26,310 --> 01:15:24,719

for this year i'd love to there's some

1953

01:15:28,229 --> 01:15:26,320

uh what i call people who are very

1954

01:15:30,950 --> 01:15:28,239

focused on burden of proof and standard

1955

01:15:33,030 --> 01:15:30,960

of evidence um and i want to have some

1956

01:15:34,790 --> 01:15:33,040

of these people on for a conversation uh

1957

01:15:36,709 --> 01:15:34,800

maybe something on like a monthly basis

1958

01:15:39,430 --> 01:15:36,719

over the next year uh that's one thing

1959

01:15:41,270 --> 01:15:39,440

i'm starting to to line up um

1960

01:15:43,030 --> 01:15:41,280

as far as my research into stuff that

1961

01:15:44,550 --> 01:15:43,040

has to do with history obviously black

1962

01:15:48,229 --> 01:15:44,560

triangles is a big

1963

01:15:50,950 --> 01:15:48,239

um passion of mine um also jamie

1964

01:15:53,030 --> 01:15:50,960

shandera is is a kind of a

1965

01:15:55,910 --> 01:15:53,040

a figure that is like a white whale for

1966

01:15:57,990 --> 01:15:55,920

me and i've always uh the past year i've

1967

01:15:59,910 --> 01:15:58,000

kind of dilly dallied and

1968

01:16:01,669 --> 01:15:59,920

tempted the waters into looking more

1969

01:16:04,470 --> 01:16:01,679

deeply into him but there's there's some

1970

01:16:06,950 --> 01:16:04,480

uh specific figures that i want to focus

1971

01:16:07,910 --> 01:16:06,960

on and do deeper dives i think leslie

1972

01:16:09,590 --> 01:16:07,920

kane

1973

01:16:13,110 --> 01:16:09,600

uh could probably be focused on a little

1974

01:16:15,669 --> 01:16:13,120

more uh than she is and given um

1975

01:16:17,350 --> 01:16:15,679

i think more of a scrutinous uh

1976

01:16:18,310 --> 01:16:17,360

look

1977

01:16:19,270 --> 01:16:18,320

um

1978

01:16:20,310 --> 01:16:19,280

yeah

1979

01:16:22,390 --> 01:16:20,320

those are things that i'm definitely

1980

01:16:24,149 --> 01:16:22,400

thinking thinking about right now

1981

01:16:26,790 --> 01:16:24,159

i want to thank ufo john doe for his

1982

01:16:28,709 --> 01:16:26,800

kind of generous 999 super chat and i

1983

01:16:30,709 --> 01:16:28,719

will also thank moonlick for a kindly

1984

01:16:33,590 --> 01:16:30,719

generous three dollar super sticker ufo

1985

01:16:36,470 --> 01:16:33,600

john doe asking you steve long what are

1986

01:16:39,910 --> 01:16:36,480

your thoughts on the aerial phenomenon

1987

01:16:41,510 --> 01:16:39,920

oh the ariel yeah you know

1988

01:16:44,550 --> 01:16:41,520

in pastimes i would have said that this

1989

01:16:47,110 --> 01:16:44,560

is one of the strongest uh cases that

1990

01:16:49,030 --> 01:16:47,120

that i've come across um as i've dived

1991

01:16:51,229 --> 01:16:49,040

deeper into it like many cases that that

1992

01:16:54,149 --> 01:16:51,239

has changed and i've found a lot of

1993

01:16:55,910 --> 01:16:54,159

inconsistencies um that

1994

01:16:57,830 --> 01:16:55,920

that are just not again not talked about

1995

01:17:00,310 --> 01:16:57,840

when we talk about the narrative of this

1996

01:17:04,790 --> 01:17:00,320

case um there was

1997

01:17:07,189 --> 01:17:04,800

there was a rocket or um

1998

01:17:09,350 --> 01:17:07,199

there was a a russian uh

1999

01:17:11,669 --> 01:17:09,360

either satellite i believe or portion of

2000

01:17:15,030 --> 01:17:11,679

a rocket that had fallen just the day

2001

01:17:17,750 --> 01:17:15,040

before and was widely reported that

2002

01:17:20,550 --> 01:17:17,760

night and kind of kicked off um

2003

01:17:23,510 --> 01:17:20,560

a spur of ufo sightings you know in the

2004

01:17:25,750 --> 01:17:23,520

days to follow of which ariel uh the

2005

01:17:28,310 --> 01:17:25,760

school was part of um

2006

01:17:31,189 --> 01:17:28,320

you know these children were from fairly

2007

01:17:32,870 --> 01:17:31,199

affluent families um and had access to

2008

01:17:34,790 --> 01:17:32,880

all kinds of you know television and

2009

01:17:36,870 --> 01:17:34,800

media and whatnot and certainly could

2010

01:17:39,590 --> 01:17:36,880

have heard about these things they

2011

01:17:41,910 --> 01:17:39,600

had heard undoubtedly and seen movies

2012

01:17:44,149 --> 01:17:41,920

having to do with aliens and ufos but

2013

01:17:46,310 --> 01:17:44,159

more specifically when we look at the

2014

01:17:48,630 --> 01:17:46,320

events of the case most of the children

2015

01:17:50,709 --> 01:17:48,640

present did not report seeing anything

2016

01:17:53,030 --> 01:17:50,719

there that day it was a small percentage

2017

01:17:54,870 --> 01:17:53,040

of the children there and more

2018

01:17:57,189 --> 01:17:54,880

importantly um

2019

01:17:59,590 --> 01:17:57,199

you know john mack didn't just go down

2020

01:18:01,990 --> 01:17:59,600

there right away there was two months of

2021

01:18:03,750 --> 01:18:02,000

time before he got involved in the case

2022

01:18:05,830 --> 01:18:03,760

and a lot of what people are seeing was

2023

01:18:08,550 --> 01:18:05,840

filmed and in that time the kids were

2024

01:18:11,030 --> 01:18:08,560

repeatedly you know held together in

2025

01:18:13,510 --> 01:18:11,040

groups and questioned and talked about

2026

01:18:17,110 --> 01:18:13,520

the experience and made to draw pictures

2027

01:18:18,310 --> 01:18:17,120

and all kinds of things that are just um

2028

01:18:24,390 --> 01:18:18,320

not

2029

01:18:26,790 --> 01:18:24,400

avenues for pollution of the case and

2030

01:18:28,950 --> 01:18:26,800

this case is just uh right with those

2031

01:18:31,110 --> 01:18:28,960

things um

2032

01:18:32,950 --> 01:18:31,120

the the just the descriptions of even

2033

01:18:34,310 --> 01:18:32,960

what happened the craft how many people

2034

01:18:36,390 --> 01:18:34,320

were there what they look like i mean

2035

01:18:39,110 --> 01:18:36,400

these things run the gamut none of them

2036

01:18:42,390 --> 01:18:39,120

are uh it's not like they're all similar

2037

01:18:44,229 --> 01:18:42,400

um and again i think that probably uh

2038

01:18:46,550 --> 01:18:44,239

now i would imagine that a lot of people

2039

01:18:47,750 --> 01:18:46,560

that experienced that um do believe that

2040

01:18:49,750 --> 01:18:47,760

it happened and i don't think that all

2041

01:18:52,070 --> 01:18:49,760

these people are lying to us but i think

2042

01:18:52,870 --> 01:18:52,080

that there is something to be said for

2043

01:18:55,110 --> 01:18:52,880

the

2044

01:18:58,070 --> 01:18:55,120

uh excitement that immediately built

2045

01:19:00,870 --> 01:18:58,080

around the case and um certainly i think

2046

01:19:03,270 --> 01:19:00,880

even young children recognize that um

2047

01:19:05,750 --> 01:19:03,280

hey if i didn't see anything i have no

2048

01:19:07,669 --> 01:19:05,760

part of this but if i did see something

2049

01:19:09,750 --> 01:19:07,679

i'm part of something special and and

2050

01:19:11,110 --> 01:19:09,760

i'm getting attention and that's again

2051

01:19:12,550 --> 01:19:11,120

never there's all kinds of things that i

2052

01:19:15,270 --> 01:19:12,560

think with this case are never addressed

2053

01:19:19,669 --> 01:19:15,280

and i don't know what the truth is um

2054

01:19:22,950 --> 01:19:20,470

oh

2055

01:19:24,149 --> 01:19:22,960

i think you froze there

2056

01:19:26,149 --> 01:19:24,159

uh-oh

2057

01:19:28,470 --> 01:19:26,159

one second let me see if we could pop

2058

01:19:31,270 --> 01:19:28,480

them out and pop them back

2059

01:19:34,229 --> 01:19:31,280

we might have just lost our guests here

2060

01:19:35,510 --> 01:19:34,239

yeah the ariel is an interesting case

2061

01:19:37,270 --> 01:19:35,520

for sure

2062

01:19:39,030 --> 01:19:37,280

um

2063

01:19:42,709 --> 01:19:39,040

i have been interested in that for a

2064

01:19:44,390 --> 01:19:42,719

while and and intrigued by the fact that

2065

01:19:46,550 --> 01:19:44,400

well let's pop them out of here until we

2066

01:19:48,709 --> 01:19:46,560

see if we can reconnect

2067

01:19:52,709 --> 01:19:48,719

i have been interested and intrigued by

2068

01:19:58,950 --> 01:19:55,270

since many of those children have been

2069

01:20:04,630 --> 01:20:01,750

re-interviewed years later and as adults

2070

01:20:05,990 --> 01:20:04,640

they stand by their story

2071

01:20:06,870 --> 01:20:06,000

uh

2072

01:20:09,990 --> 01:20:06,880

oh

2073

01:20:11,750 --> 01:20:10,000

there we go we got your back

2074

01:20:13,270 --> 01:20:11,760

sorry about that my my computer battery

2075

01:20:15,590 --> 01:20:13,280

just died

2076

01:20:18,870 --> 01:20:15,600

oh that'll do it yeah well what we're

2077

01:20:20,390 --> 01:20:18,880

going to wrap things up uh i i suppose i

2078

01:20:22,070 --> 01:20:20,400

do appreciate you doing this and i hope

2079

01:20:23,910 --> 01:20:22,080

you won't be a stranger we're going to

2080

01:20:25,430 --> 01:20:23,920

be doing a panel show which i'd like to

2081

01:20:27,189 --> 01:20:25,440

invite you to and i could talk to you

2082

01:20:29,510 --> 01:20:27,199

about off air

2083

01:20:32,070 --> 01:20:29,520

but in so far as the aerial case then

2084

01:20:34,950 --> 01:20:32,080

did you know that john mack was there a

2085

01:20:37,430 --> 01:20:34,960

few weeks i think before that event

2086

01:20:40,149 --> 01:20:37,440

for some kind of ufo conference and i

2087

01:20:41,750 --> 01:20:40,159

think that maybe some of the children

2088

01:20:44,830 --> 01:20:41,760

might have been on media that there was

2089

01:20:47,750 --> 01:20:44,840

this big ufo conference there or near

2090

01:20:49,350 --> 01:20:47,760

there you know i've always been suspect

2091

01:20:51,350 --> 01:20:49,360

of the fact that you're right it's only

2092

01:20:52,790 --> 01:20:51,360

a few of the children out of 100 or

2093

01:20:54,950 --> 01:20:52,800

whatever that were in the playground

2094

01:20:56,550 --> 01:20:54,960

that saw these things why didn't

2095

01:20:58,830 --> 01:20:56,560

everybody see it

2096

01:21:01,830 --> 01:20:58,840

which doesn't make sense to

2097

01:21:04,550 --> 01:21:01,840

me yeah no i did not know that um about

2098

01:21:06,550 --> 01:21:04,560

mac possibly being in the area before uh

2099

01:21:08,149 --> 01:21:06,560

weeks before i did not know that but

2100

01:21:10,470 --> 01:21:08,159

certainly i think that this case is

2101

01:21:12,390 --> 01:21:10,480

often misrepresented in all kinds of

2102

01:21:14,149 --> 01:21:12,400

ways including that this happened you

2103

01:21:16,790 --> 01:21:14,159

know in africa amongst people that

2104

01:21:18,950 --> 01:21:16,800

didn't have access to any type of media

2105

01:21:21,430 --> 01:21:18,960

or modern uh culture having to do with

2106

01:21:24,550 --> 01:21:21,440

ufos and um

2107

01:21:26,149 --> 01:21:24,560

again uh charlie wiser i i see can i see

2108

01:21:29,030 --> 01:21:26,159

she's here tonight but she's done a lot

2109

01:21:30,149 --> 01:21:29,040

of great work um i think absolutely

2110

01:21:32,390 --> 01:21:30,159

yeah

2111

01:21:34,390 --> 01:21:32,400

but there's um all kinds of reasons i

2112

01:21:36,390 --> 01:21:34,400

think for valid skepticism and again

2113

01:21:38,950 --> 01:21:36,400

none of this is to say that people are

2114

01:21:41,669 --> 01:21:38,960

outright lying and even me i i had a

2115

01:21:44,070 --> 01:21:41,679

sighting that i you know now talk about

2116

01:21:46,470 --> 01:21:44,080

but um i have to include in the

2117

01:21:49,030 --> 01:21:46,480

possibilities um the things that are

2118

01:21:50,950 --> 01:21:49,040

probable i have to include that that

2119

01:21:53,750 --> 01:21:50,960

sighting didn't happen that i missed

2120

01:21:55,990 --> 01:21:53,760

from you know surely no matter how well

2121

01:21:58,229 --> 01:21:56,000

i've tried to remember that event i am

2122

01:22:00,070 --> 01:21:58,239

misremembering things that happened so i

2123

01:22:01,910 --> 01:22:00,080

can understand why people would have

2124

01:22:04,310 --> 01:22:01,920

disparate uh

2125

01:22:05,990 --> 01:22:04,320

testimony as to what happened but also

2126

01:22:07,430 --> 01:22:06,000

you know it's quite possible that that

2127

01:22:08,950 --> 01:22:07,440

never happened that i'm remembering

2128

01:22:10,870 --> 01:22:08,960

something that's imagined i don't i

2129

01:22:13,910 --> 01:22:10,880

don't think that's the case but to be

2130

01:22:16,470 --> 01:22:13,920

fair and to be diligent i have to allow

2131

01:22:17,430 --> 01:22:16,480

that that is a possibility and again

2132

01:22:20,229 --> 01:22:17,440

it's just

2133

01:22:23,350 --> 01:22:20,239

everything's talked about very um

2134

01:22:25,189 --> 01:22:23,360

black or white and without nuance and

2135

01:22:28,629 --> 01:22:25,199

it doesn't service

2136

01:22:31,669 --> 01:22:28,639

uh truth or progress when that happens

2137

01:22:33,830 --> 01:22:31,679

yeah absolutely so i'm sure that some

2138

01:22:35,669 --> 01:22:33,840

people may want to uh

2139

01:22:37,430 --> 01:22:35,679

catch up with you

2140

01:22:40,550 --> 01:22:37,440

can you tell our viewers how they could

2141

01:22:42,709 --> 01:22:40,560

contact you or follow more of your uh

2142

01:22:44,870 --> 01:22:42,719

more of your journey

2143

01:22:47,350 --> 01:22:44,880

i know you're on twitter as

2144

01:22:49,430 --> 01:22:47,360

it's at uap or

2145

01:22:54,629 --> 01:22:49,440

i'm sorry one second i don't want to

2146

01:22:58,470 --> 01:22:56,310

on twitter is there anywhere else that

2147

01:23:00,229 --> 01:22:58,480

people can find you or i i think that

2148

01:23:03,350 --> 01:23:00,239

mar our chat room mods

2149

01:23:05,030 --> 01:23:03,360

shared a playlist of of you i think

2150

01:23:06,550 --> 01:23:05,040

doing interviews different interviews i

2151

01:23:09,030 --> 01:23:06,560

know you just did one with

2152

01:23:10,950 --> 01:23:09,040

louis cayetano right

2153

01:23:13,430 --> 01:23:10,960

yes correct i just did uh did one with

2154

01:23:15,669 --> 01:23:13,440

louis and uh i've also done uh strange

2155

01:23:17,189 --> 01:23:15,679

recon and uh erica luke's was nice

2156

01:23:19,830 --> 01:23:17,199

enough to bring me onto her show that's

2157

01:23:21,669 --> 01:23:19,840

what first got oh yeah i like erica

2158

01:23:23,669 --> 01:23:21,679

she's one of the good guys one of the

2159

01:23:24,950 --> 01:23:23,679

few good guys left so i'm glad you

2160

01:23:27,110 --> 01:23:24,960

hooked up with her

2161

01:23:29,590 --> 01:23:27,120

no i have a lot of respect for erica and

2162

01:23:31,750 --> 01:23:29,600

for the fact that she uh is willing to

2163

01:23:33,669 --> 01:23:31,760

to lay bare uh her vulnerabilities and

2164

01:23:35,990 --> 01:23:33,679

the fact that you know we're not always

2165

01:23:38,070 --> 01:23:36,000

right about this subject and uh i've

2166

01:23:39,990 --> 01:23:38,080

been wrong and i'll certainly be wrong

2167

01:23:42,310 --> 01:23:40,000

again and that's why it's so important

2168

01:23:44,310 --> 01:23:42,320

to hold everything to a burden of proof

2169

01:23:45,830 --> 01:23:44,320

uh and not just on belief or what you

2170

01:23:47,750 --> 01:23:45,840

feel is correct

2171

01:23:48,950 --> 01:23:47,760

um but if people want to reach me yeah

2172

01:23:52,310 --> 01:23:48,960

they can get uh they can find me on

2173

01:23:56,870 --> 01:23:52,320

twitter at uap or sap uh or they can

2174

01:23:58,390 --> 01:23:56,880

email me um at uap or sap at gmail uh

2175

01:24:00,390 --> 01:23:58,400

and they can also find my my youtube

2176

01:24:01,510 --> 01:24:00,400

channel through my twitter um but yeah

2177

01:24:02,950 --> 01:24:01,520

thanks thanks again for having me

2178

01:24:05,030 --> 01:24:02,960

tonight yeah and i'm sorry i'm a

2179

01:24:06,709 --> 01:24:05,040

terrible show host but after the show i

2180

01:24:09,350 --> 01:24:06,719

will get your youtube channel and it

2181

01:24:12,229 --> 01:24:09,360

will be in the description of this video

2182

01:24:15,189 --> 01:24:12,239

so that people can go subscribe and and

2183

01:24:17,189 --> 01:24:15,199

find you more easily on youtube but i i

2184

01:24:18,709 --> 01:24:17,199

really appreciate you doing this

2185

01:24:20,229 --> 01:24:18,719

uh you're gonna have to come back and

2186

01:24:23,030 --> 01:24:20,239

we're gonna have to find things that we

2187

01:24:24,310 --> 01:24:23,040

disagree on a hundred percent because

2188

01:24:27,270 --> 01:24:24,320

you and i are

2189

01:24:29,510 --> 01:24:27,280

really maybe too close on the same page

2190

01:24:31,510 --> 01:24:29,520

with many of these things but i'd like

2191

01:24:33,910 --> 01:24:31,520

to see what we disagree on that would be

2192

01:24:36,390 --> 01:24:33,920

an interesting talk as well

2193

01:24:38,070 --> 01:24:36,400

sure steve anytime i'd be honored to

2194

01:24:39,910 --> 01:24:38,080

okay well i'm going to throw you on out

2195

01:24:42,950 --> 01:24:39,920

of here thank you very much for your

2196

01:24:45,030 --> 01:24:42,960

participation i'd really appreciate it

2197

01:24:46,870 --> 01:24:45,040

all right friends so there we go if

2198

01:24:49,189 --> 01:24:46,880

you're just joining us i had to explain

2199

01:24:53,350 --> 01:24:49,199

i had to take the backdrop down because

2200

01:24:56,550 --> 01:24:53,360

it's 120 degrees in here uh

2201  
01:24:58,390 --> 01:24:56,560  
we're moving to a new streaming uh setup

2202  
01:25:01,590 --> 01:24:58,400  
within my household here

2203  
01:25:02,790 --> 01:25:01,600  
unfortunately for me um

2204  
01:25:04,870 --> 01:25:02,800  
i thought it was going to take a couple

2205  
01:25:07,510 --> 01:25:04,880  
of days to clear all the junk out of the

2206  
01:25:08,550 --> 01:25:07,520  
room that i'll be moving to

2207  
01:25:12,229 --> 01:25:08,560  
but

2208  
01:25:14,470 --> 01:25:12,239  
that didn't work out uh there is kid

2209  
01:25:16,390 --> 01:25:14,480  
toys there's these big ride on toys

2210  
01:25:19,590 --> 01:25:16,400  
they're gonna find a place to put

2211  
01:25:23,669 --> 01:25:19,600  
um but and and also

2212  
01:25:26,310 --> 01:25:23,679  
i am a hoarder of parts okay i i

2213  
01:25:28,950 --> 01:25:26,320

i am addicted to i can't throw out a

2214

01:25:32,870 --> 01:25:28,960

computer part you know video card from

2215

01:25:36,310 --> 01:25:32,880

1992 i might need that someday you know

2216

01:25:38,790 --> 01:25:36,320

uh power adapter from something broken i

2217

01:25:40,950 --> 01:25:38,800

might need that there is boxes my wife

2218

01:25:43,110 --> 01:25:40,960

hates this about me but there's

2219

01:25:45,189 --> 01:25:43,120

when we moved i threw them all in there

2220

01:25:46,950 --> 01:25:45,199

this is boxes and boxes full of little

2221

01:25:49,110 --> 01:25:46,960

computer parts and

2222

01:25:52,310 --> 01:25:49,120

um i don't know what all is in there

2223

01:25:55,189 --> 01:25:52,320

wires cables all kinds of parts there's

2224

01:25:55,910 --> 01:25:55,199

electronics parts there's robot parts

2225

01:26:00,709 --> 01:25:55,920

and

2226

01:26:02,310 --> 01:26:00,719

all of this stuff or

2227

01:26:04,229 --> 01:26:02,320

i just gotta start throwing it out by

2228

01:26:06,310 --> 01:26:04,239

the box because i haven't needed any of

2229

01:26:09,189 --> 01:26:06,320

that stuff in the three years we have

2230

01:26:11,910 --> 01:26:09,199

lived here probably don't need it yeah

2231

01:26:15,030 --> 01:26:11,920

matthew ryan says still got a 1200 modem

2232

01:26:16,390 --> 01:26:15,040

i found a box in there matthew riot with

2233

01:26:18,390 --> 01:26:16,400

you get this

2234

01:26:21,590 --> 01:26:18,400

i don't know why i still have it

2235

01:26:25,910 --> 01:26:21,600

but i've got three 300 baud modems a

2236

01:26:28,070 --> 01:26:25,920

bunch of 1200 and 2400 and about 5 57.6

2237

01:26:30,470 --> 01:26:28,080

modems all in a box

2238

01:26:33,110 --> 01:26:30,480

just in case i ever need a modem again

2239

01:26:34,629 --> 01:26:33,120

someday matthew riot right i'm never

2240

01:26:36,629 --> 01:26:34,639

going to need this stuff

2241

01:26:38,550 --> 01:26:36,639

in order to get the new streaming setup

2242

01:26:41,110 --> 01:26:38,560

done i'm really just gonna have to start

2243

01:26:44,070 --> 01:26:41,120

just throw this [h\_\_h] out i don't need it

2244

01:26:45,830 --> 01:26:44,080

right uh now there are some things in

2245

01:26:48,950 --> 01:26:45,840

there though like

2246

01:26:51,590 --> 01:26:48,960

matthew right i have old like um

2247

01:26:53,750 --> 01:26:51,600

i have some old voice synthesis chips

2248

01:26:56,390 --> 01:26:53,760

you know like for robot voices those are

2249

01:26:59,910 --> 01:26:56,400

worth some money those old 80s

2250

01:27:01,910 --> 01:26:59,920

you know uh voice synthesis chips and uh

2251  
01:27:05,430 --> 01:27:01,920  
i've got a bunch of weird old parts

2252  
01:27:07,990 --> 01:27:05,440  
those i'll be keeping uh if not

2253  
01:27:10,550 --> 01:27:08,000  
for the nostalgia i got a box full of

2254  
01:27:13,350 --> 01:27:10,560  
486 parts what am i ever going to need a

2255  
01:27:16,070 --> 01:27:13,360  
box of 46 parts i don't know my point is

2256  
01:27:17,750 --> 01:27:16,080  
that i have uh some

2257  
01:27:19,910 --> 01:27:17,760  
maybe that's what it is with me it's

2258  
01:27:21,990 --> 01:27:19,920  
like someday i may need that what if i

2259  
01:27:23,669 --> 01:27:22,000  
want to build a vintage pc to play old

2260  
01:27:24,709 --> 01:27:23,679  
games on i'm going to need those parts

2261  
01:27:25,990 --> 01:27:24,719  
right

2262  
01:27:30,870 --> 01:27:26,000  
um

2263  
01:27:37,590 --> 01:27:34,790

joe kay here's what i've been doing

2264

01:27:39,990 --> 01:27:37,600

patreon is a dollar or more a month

2265

01:27:42,149 --> 01:27:40,000

and you get all of the patreon benefits

2266

01:27:44,550 --> 01:27:42,159

the becoming a member here on youtube

2267

01:27:46,390 --> 01:27:44,560

gets you certain other perks and that's

2268

01:27:48,550 --> 01:27:46,400

five dollars but what i'm telling people

2269

01:27:51,030 --> 01:27:48,560

is if you become a member here on

2270

01:27:54,229 --> 01:27:51,040

youtube just email me

2271

01:27:56,149 --> 01:27:54,239

at truthseekershow gmail.com and i will

2272

01:27:57,830 --> 01:27:56,159

send you the patreon benefits every

2273

01:27:59,990 --> 01:27:57,840

month as well that's what we're trying

2274

01:28:02,550 --> 01:28:00,000

to do for all the members of getting an

2275

01:28:04,390 --> 01:28:02,560

email list together so in other words

2276

01:28:05,830 --> 01:28:04,400

if you're not on patreon and you become

2277

01:28:07,990 --> 01:28:05,840

a member here for five dollars you don't

2278

01:28:09,910 --> 01:28:08,000

need to do both either become a patreon

2279

01:28:11,669 --> 01:28:09,920

member or become a member here for the

2280

01:28:12,950 --> 01:28:11,679

five dollars you get a little more when

2281

01:28:14,870 --> 01:28:12,960

you become a member because if you

2282

01:28:17,910 --> 01:28:14,880

become a member here you get these

2283

01:28:19,910 --> 01:28:17,920

additional youtube perks and priority

2284

01:28:21,830 --> 01:28:19,920

this and you get a badge that says

2285

01:28:23,669 --> 01:28:21,840

you're a member and we recognize people

2286

01:28:25,270 --> 01:28:23,679

and take those questions or comments

2287

01:28:27,910 --> 01:28:25,280

first

2288

01:28:30,390 --> 01:28:27,920

and also you get the patreon benefits so

2289

01:28:32,070 --> 01:28:30,400

we're putting together this email list

2290

01:28:35,750 --> 01:28:32,080

and in other words

2291

01:28:37,270 --> 01:28:35,760

every time i post a video or anything to

2292

01:28:39,830 --> 01:28:37,280

patreon a song

2293

01:28:42,629 --> 01:28:39,840

i'm going to send that link out onto the

2294

01:28:45,350 --> 01:28:42,639

member's email list as well

2295

01:28:48,149 --> 01:28:45,360

so you get the patreon benefits with

2296

01:28:49,189 --> 01:28:48,159

your youtube membership

2297

01:28:52,310 --> 01:28:49,199

and

2298

01:28:55,430 --> 01:28:52,320

this month i'm going to

2299

01:28:57,830 --> 01:28:55,440

do a patreon only stream the last day of

2300

01:28:59,430 --> 01:28:57,840

the month going forward from now on

2301

01:29:02,790 --> 01:28:59,440

the last day of the month we're going to

2302

01:29:05,110 --> 01:29:02,800

do a patreon only stream

2303

01:29:06,629 --> 01:29:05,120

but i always feel terrible about putting

2304

01:29:09,189 --> 01:29:06,639

anything behind a paywall even though

2305

01:29:11,750 --> 01:29:09,199

it's only a dollar a month so the normal

2306

01:29:13,990 --> 01:29:11,760

rules apply and that is if you're having

2307

01:29:15,590 --> 01:29:14,000

a tough time i haven't given this speech

2308

01:29:16,950 --> 01:29:15,600

in a while but listen if you really like

2309

01:29:18,470 --> 01:29:16,960

the show here and you're having a tough

2310

01:29:20,709 --> 01:29:18,480

time and you can't afford the patreon or

2311

01:29:23,430 --> 01:29:20,719

the membership or send us any money

2312

01:29:25,830 --> 01:29:23,440

relax um there's other ways that you

2313

01:29:27,350 --> 01:29:25,840

could help us for the show here besides

2314

01:29:29,110 --> 01:29:27,360

throwing a couple of bucks in our hat so

2315

01:29:30,870 --> 01:29:29,120

if you're if you're experiencing a tough

2316

01:29:32,870 --> 01:29:30,880

time don't have the money but you'd

2317

01:29:35,110 --> 01:29:32,880

really like those benefits just email me

2318

01:29:37,270 --> 01:29:35,120

at truthseekershow.gmail.com

2319

01:29:39,430 --> 01:29:37,280

i keep a list of people that are just

2320

01:29:41,510 --> 01:29:39,440

fans of the show and and maybe don't

2321

01:29:42,470 --> 01:29:41,520

have a buck or two or whatever don't

2322

01:29:44,310 --> 01:29:42,480

tell me

2323

01:29:47,189 --> 01:29:44,320

you know the specifics just send me an

2324

01:29:49,510 --> 01:29:47,199

email and write in there you know uh i'd

2325

01:29:51,430 --> 01:29:49,520

like the patreon benefits having a tough

2326

01:29:53,750 --> 01:29:51,440

time or something like that

2327

01:29:55,750 --> 01:29:53,760

and i would be happy to afford those

2328

01:29:57,430 --> 01:29:55,760

along we don't really want to put things

2329

01:29:58,790 --> 01:29:57,440

behind a paywall here

2330

01:30:00,149 --> 01:29:58,800

uh even though it's only a dollar for

2331

01:30:01,910 --> 01:30:00,159

the patreon it's five dollars for the

2332

01:30:04,390 --> 01:30:01,920

membership but you know this keeps the

2333

01:30:05,669 --> 01:30:04,400

show going it pays the show bills

2334

01:30:08,229 --> 01:30:05,679

um

2335

01:30:10,070 --> 01:30:08,239

and and it keeps me uh

2336

01:30:12,390 --> 01:30:10,080

pushing forward with this thing so it

2337

01:30:14,550 --> 01:30:12,400

really does help but like i said i don't

2338

01:30:15,750 --> 01:30:14,560

want a couple of dollars to come between

2339

01:30:17,350 --> 01:30:15,760

you and those

2340

01:30:19,910 --> 01:30:17,360

extras we just do

2341

01:30:23,350 --> 01:30:19,920

patreon and the members just get some

2342

01:30:24,709 --> 01:30:23,360

extra content extra goodies uh like i

2343

01:30:28,310 --> 01:30:24,719

said if you're having a rough time just

2344

01:30:30,790 --> 01:30:28,320

email me at [truthseekersgmail.com](mailto:truthseekersgmail.com)

2345

01:30:32,430 --> 01:30:30,800

2346

01:30:33,750 --> 01:30:32,440

2348

of dollars get between you and those

2350

01:30:40,550 --> 01:30:38,880

extra goodies there's other ways you

2351  
01:30:42,709 --> 01:30:40,560

2352  
01:30:44,390 --> 01:30:42,719

i love the audience interaction it's not

2372

01:31:30,470 --> 01:31:28,400

just uh

2373

01:31:32,310 --> 01:31:30,480

2374

01:31:34,790 --> 01:31:32,320

there we go

2379

01:31:48,870 --> 01:31:47,040

we have a lot of interesting people here

2380

01:31:51,910 --> 01:31:48,880

and you would probably enjoy the live

2381

chats also going forward uh we have a

2382

01:32:03,430 --> 01:32:00,950

a viewer today asked me why can't you do

2383

01:32:05,590 --> 01:32:03,440

discord chats after every live show

2384

01:32:07,669 --> 01:32:05,600

certainly i'm willing to do that so

2385

01:32:10,229 --> 01:32:07,679

after every live show go on over to our

2386

01:32:12,390 --> 01:32:10,239

discord and we can continue the

2387

01:32:15,110 --> 01:32:12,400

conversation there

2388

01:32:17,430 --> 01:32:15,120

there you go thank you ufo john doe with

2389

01:32:19,110 --> 01:32:17,440

kind and generous 999 super chat very

2390

01:32:21,430 --> 01:32:19,120

generous folks out there all around the

2391

01:32:28,170 --> 01:32:21,440

world helping us to

2392

01:32:36,229 --> 01:32:33,990

[Music]

2393

01:32:38,070 --> 01:32:36,239

and thank you so ufo john doe just threw

2394

01:32:40,470 --> 01:32:38,080

in 10 bucks that covers 10 of you people

2395

01:32:42,310 --> 01:32:40,480

that are having a tough time more than

2396

01:32:43,830 --> 01:32:42,320

and and i don't need him to do that but

2397

01:32:46,470 --> 01:32:43,840

i appreciate that he would do that for

2398

01:32:49,270 --> 01:32:46,480

those listen since this

2399

01:32:51,990 --> 01:32:49,280

it's rough out there friends we had a

2400

01:32:54,470 --> 01:32:52,000

two-year global pandemic people got

2401

01:32:56,790 --> 01:32:54,480

locked down lost their jobs lost their

2402

01:32:58,709 --> 01:32:56,800

but me i lost my business

2403

01:33:00,229 --> 01:32:58,719

more or less i'm slowly trying to

2404

01:33:01,270 --> 01:33:00,239

rebuild it now

2405

01:33:05,030 --> 01:33:01,280

um

2406

01:33:06,070 --> 01:33:05,040

i just it cost me 57 to fill my gas tank

2407

01:33:08,629 --> 01:33:06,080

today

2408

01:33:11,590 --> 01:33:08,639

and i have a four-cylinder car

2409

01:33:13,990 --> 01:33:11,600

you know 57 to fill my gas tank now

2410

01:33:15,030 --> 01:33:14,000

granted i was already but still

2411

01:33:17,270 --> 01:33:15,040

um

2412

01:33:19,110 --> 01:33:17,280

everything is costing twice as much as

2413

01:33:21,270 --> 01:33:19,120

it did before the pandemic and we're all

2414

01:33:22,629 --> 01:33:21,280

supposed to still make ends meet so i

2415

01:33:25,669 --> 01:33:22,639

realize that a lot of people are having

2416

01:33:28,550 --> 01:33:25,679

a tough time we recognize that and uh we

2417

01:33:29,910 --> 01:33:28,560

want you to be a part of the show and uh

2418

01:33:31,350 --> 01:33:29,920

get those extra goodies if you're having

2419

01:33:34,149 --> 01:33:31,360

a tough time it's not a big deal just

2420

01:33:36,070 --> 01:33:34,159

email me at trueseeker show and

2421

01:33:38,310 --> 01:33:36,080

we'll include you in the email where we

2422

01:33:40,229 --> 01:33:38,320

send those benefits out

2423

01:33:42,390 --> 01:33:40,239

it's not always about money like i said

2424

01:33:44,629 --> 01:33:42,400

a great way to help us is to send some

2425

01:33:47,669 --> 01:33:44,639

of these videos to your friends that you

2426

01:33:48,830 --> 01:33:47,679

think may uh be interested in this

2427

01:33:50,390 --> 01:33:48,840

right

2428

01:33:52,310 --> 01:33:50,400

uh

2429

01:33:53,510 --> 01:33:52,320

let's see also

2430

01:33:55,830 --> 01:33:53,520

oh i got

2431

01:33:57,750 --> 01:33:55,840

i did not hear this

2432

01:33:59,830 --> 01:33:57,760

matthew right if you ran the background

2433

01:34:03,510 --> 01:33:59,840

on green street you probably ran one on

2434

01:34:06,790 --> 01:34:03,520

stephen cambium but you're here now so

2435

01:34:09,350 --> 01:34:06,800

uh yeah i matthew riot uh talk to me off

2436

01:34:10,550 --> 01:34:09,360

air if you indeed did this background

2437

01:34:12,390 --> 01:34:10,560

check or

2438

01:34:15,030 --> 01:34:12,400

maybe can shed some light on that

2439

01:34:16,070 --> 01:34:15,040

situation i'd be interested in hearing

2440

01:34:18,870 --> 01:34:16,080

about it

2441

01:34:20,629 --> 01:34:18,880

i for one uh can tell you

2442

01:34:24,470 --> 01:34:20,639

and i should you know i got to keep

2443

01:34:29,189 --> 01:34:27,350

i am not a criminal i've i haven't been

2444

01:34:30,629 --> 01:34:29,199

convicted of any criminal offense in my

2445

01:34:32,709 --> 01:34:30,639

life

2446

01:34:34,310 --> 01:34:32,719

um you know it kind of stayed out of

2447

01:34:37,189 --> 01:34:34,320

trouble right

2448

01:34:39,350 --> 01:34:37,199

um now like anybody i've got some dirt

2449

01:34:41,270 --> 01:34:39,360

in my past everybody does

2450

01:34:44,070 --> 01:34:41,280

um and people have tried to twist

2451

01:34:46,229 --> 01:34:44,080

something that happened to me

2452

01:34:47,350 --> 01:34:46,239

you know 10 years ago and to make me the

2453

01:34:48,709 --> 01:34:47,360

bad guy

2454

01:34:50,149 --> 01:34:48,719

you know these people that want to

2455

01:34:52,550 --> 01:34:50,159

discredit you they're going to find

2456

01:34:54,070 --> 01:34:52,560

something if it if it's not criminal you

2457

01:34:55,990 --> 01:34:54,080

know maybe they'll dig up an old

2458

01:34:59,109 --> 01:34:56,000

girlfriend that that'll say you were

2459

01:35:02,390 --> 01:34:59,119

abusive to her or whatever we see this

2460

01:35:05,109 --> 01:35:02,400

sort of cancel culture is out the wazoo

2461

01:35:07,030 --> 01:35:05,119

now it's easy to discredit people

2462

01:35:08,310 --> 01:35:07,040

it's easy to discredit people and it's

2463

01:35:11,430 --> 01:35:08,320

easy to

2464

01:35:13,030 --> 01:35:11,440

turn people against people right

2465

01:35:15,109 --> 01:35:13,040

scott hernandez with a kind of generous

2466

01:35:17,109 --> 01:35:15,119

dollar 99 super sticker

2467

01:35:19,030 --> 01:35:17,119

uh we thank you for your kindness your

2468

01:35:21,590 --> 01:35:19,040

generosity and your support and for

2469

01:35:23,669 --> 01:35:21,600

helping us to praise the cash

2470

01:35:25,669 --> 01:35:23,679

we thank all of our kind and generous

2471

01:35:27,750 --> 01:35:25,679

patreon supporters all you paypal

2472

01:35:29,750 --> 01:35:27,760

donators you people sending money

2473

01:35:31,830 --> 01:35:29,760

through cash app instructions to do all

2474

01:35:34,629 --> 01:35:31,840

that are in the description of the video

2475

01:35:41,350 --> 01:35:34,639

uh we certainly appreciate your help in

2476  
01:35:44,629 --> 01:35:43,510  
we haven't used the cash cap clown in a

2477  
01:35:46,149 --> 01:35:44,639  
while

2478  
01:35:48,790 --> 01:35:46,159  
i have some new

2479  
01:35:51,109 --> 01:35:48,800  
scott i've done some new uh videos of

2480  
01:35:53,189 --> 01:35:51,119  
him but we i haven't edit i have to fix

2481  
01:35:55,590 --> 01:35:53,199  
them and get them all together

2482  
01:35:57,750 --> 01:35:55,600  
and edit them before we'll have some new

2483  
01:36:00,709 --> 01:35:57,760  
ones and i know some of you prefer

2484  
01:36:04,149 --> 01:36:00,719  
trixie but hey we we gotta change things

2485  
01:36:07,830 --> 01:36:06,149  
yeah i agree with b baker seems like

2486  
01:36:09,270 --> 01:36:07,840  
going on a fishing expedition with

2487  
01:36:11,189 --> 01:36:09,280  
background checks the ethics are

2488  
01:36:12,390 --> 01:36:11,199

bothersome

2489

01:36:14,550 --> 01:36:12,400

and also

2490

01:36:17,109 --> 01:36:14,560

i just want to give a word of caution to

2491

01:36:18,629 --> 01:36:17,119

everybody that is you know saying well

2492

01:36:19,750 --> 01:36:18,639

pay one of these background check

2493

01:36:21,669 --> 01:36:19,760

companies

2494

01:36:24,149 --> 01:36:21,679

the information from background check

2495

01:36:26,470 --> 01:36:24,159

companies is often terrible they

2496

01:36:29,669 --> 01:36:26,480

conflate different people into one

2497

01:36:32,229 --> 01:36:29,679

report i got burnt myself

2498

01:36:33,590 --> 01:36:32,239

uh in a situation where you know i

2499

01:36:35,510 --> 01:36:33,600

thought somebody had all these criminal

2500

01:36:37,350 --> 01:36:35,520

convictions it turns out it wasn't him

2501

01:36:39,669 --> 01:36:37,360

but a same name

2502

01:36:41,510 --> 01:36:39,679

somebody with the same name as him

2503

01:36:42,550 --> 01:36:41,520

you gotta check the birth dates you

2504

01:36:43,669 --> 01:36:42,560

gotta check

2505

01:36:46,149 --> 01:36:43,679

you know

2506

01:36:49,270 --> 01:36:46,159

it's very problematic

2507

01:36:51,270 --> 01:36:49,280

for somebody to for example pay forty

2508

01:36:53,189 --> 01:36:51,280

dollars for a background check on

2509

01:36:55,510 --> 01:36:53,199

somebody and then run on the internet

2510

01:36:58,709 --> 01:36:55,520

and say see that guy's a criminal what i

2511

01:37:00,709 --> 01:36:58,719

would caution anybody is if you do that

2512

01:37:03,109 --> 01:37:00,719

background check their forty or fifty

2513

01:37:04,550 --> 01:37:03,119

dollars on the internet you gotta find

2514

01:37:06,550 --> 01:37:04,560

more sources so once you get the

2515

01:37:09,590 --> 01:37:06,560

background check if it says somebody is

2516

01:37:12,229 --> 01:37:09,600

a criminal you better call the court

2517

01:37:13,990 --> 01:37:12,239

uh that that criminal case was resolved

2518

01:37:16,629 --> 01:37:14,000

in and verify

2519

01:37:19,109 --> 01:37:16,639

that person's name date of birth

2520

01:37:20,870 --> 01:37:19,119

whatever you can to make sure that that

2521

01:37:21,910 --> 01:37:20,880

information in the background check is

2522

01:37:23,910 --> 01:37:21,920

accurate

2523

01:37:27,270 --> 01:37:23,920

i'm not supporting or defending

2524

01:37:29,030 --> 01:37:27,280

anybody's past criminal activity however

2525

01:37:29,990 --> 01:37:29,040

i just want to caution everybody that

2526

01:37:31,189 --> 01:37:30,000

those

2527

01:37:33,030 --> 01:37:31,199

pay

2528

01:37:36,149 --> 01:37:33,040

paid background checks there's tons of

2529

01:37:38,229 --> 01:37:36,159

them on the internet go look up you know

2530

01:37:42,070 --> 01:37:38,239

background check

2531

01:37:44,790 --> 01:37:42,080

you'll find hundreds of companies that

2532

01:37:47,109 --> 01:37:44,800

will give you a report on somebody

2533

01:37:48,709 --> 01:37:47,119

and i used some of those i thought the

2534

01:37:50,950 --> 01:37:48,719

one i was using was reputable but it

2535

01:37:52,709 --> 01:37:50,960

turns out that they conflate two

2536

01:37:54,070 --> 01:37:52,719

different people into one report and

2537

01:37:56,310 --> 01:37:54,080

you're looking at this thinking that

2538

01:37:58,070 --> 01:37:56,320

this person is the scum of the earth but

2539

01:37:59,590 --> 01:37:58,080

it turns out it was somebody with a name

2540

01:38:01,030 --> 01:37:59,600

similar to him that's the scum of the

2541

01:38:02,950 --> 01:38:01,040

earth not him

2542

01:38:04,950 --> 01:38:02,960

so you just have to be careful and

2543

01:38:07,510 --> 01:38:04,960

especially when you're gonna

2544

01:38:13,109 --> 01:38:07,520

call some you know reveal information

2545

01:38:17,430 --> 01:38:14,830

yeah matthew

2546

01:38:19,109 --> 01:38:17,440

uh good point someone claiming a dude

2547

01:38:20,629 --> 01:38:19,119

who has been a mormon most of his life

2548

01:38:22,470 --> 01:38:20,639

is a criminal it seems to be the

2549

01:38:23,510 --> 01:38:22,480

quickest route to prove or disprove that

2550

01:38:25,109 --> 01:38:23,520

statement

2551

01:38:27,030 --> 01:38:25,119

well just because somebody's religious

2552

01:38:28,950 --> 01:38:27,040

doesn't mean that they're not a criminal

2553

01:38:32,310 --> 01:38:28,960

you know i grew up catholic i knew a lot

2554

01:38:34,149 --> 01:38:32,320

of catholics that ended up in prison but

2555

01:38:35,750 --> 01:38:34,159

uh you're right it's something doesn't

2556

01:38:37,030 --> 01:38:35,760

seem right about this entire thing

2557

01:38:38,870 --> 01:38:37,040

matthew riot

2558

01:38:40,149 --> 01:38:38,880

uh and by the way long time no see

2559

01:38:41,270 --> 01:38:40,159

matthew wright good to see you in the

2560

01:38:42,149 --> 01:38:41,280

live chat

2561

01:38:43,830 --> 01:38:42,159

um

2562

01:38:45,910 --> 01:38:43,840

he hasn't been here a long time but he

2563

01:38:47,830 --> 01:38:45,920

liked the guest tonight so i guess i did

2564

01:38:51,350 --> 01:38:47,840

something right tonight we got matt we

2565

01:38:53,750 --> 01:38:51,360

got matthew riot back in the live chat

2566

01:38:55,270 --> 01:38:53,760

mark d truthseeker says we run checks

2567

01:38:56,950 --> 01:38:55,280

for truckers and it's pretty damn

2568

01:38:58,870 --> 01:38:56,960

accurate but relies on us collecting

2569

01:39:00,470 --> 01:38:58,880

identifications and permissions yeah

2570

01:39:03,030 --> 01:39:00,480

well it's different if you've got

2571

01:39:05,590 --> 01:39:03,040

somebody's social security number marked

2572

01:39:07,590 --> 01:39:05,600

the truth seeker then you're sure that

2573

01:39:09,430 --> 01:39:07,600

the information you can check that like

2574

01:39:11,270 --> 01:39:09,440

is this the guy social

2575

01:39:13,270 --> 01:39:11,280

but these background check companies

2576

01:39:15,830 --> 01:39:13,280

don't include a social usually you have

2577

01:39:19,189 --> 01:39:15,840

to rely on name address and date of

2578

01:39:22,950 --> 01:39:21,350

uh kate schneider says i remember cubies

2579

01:39:25,030 --> 01:39:22,960

were using those sites to pull up fake

2580

01:39:26,390 --> 01:39:25,040

or expressed arrest records on

2581

01:39:28,310 --> 01:39:26,400

celebrities yeah

2582

01:39:29,910 --> 01:39:28,320

that was a whole big thing and they

2583

01:39:31,750 --> 01:39:29,920

would go on they would go on a live

2584

01:39:35,510 --> 01:39:31,760

stream kate schneider like sherlock

2585

01:39:37,910 --> 01:39:35,520

holmes like i got the dirt on uh

2586

01:39:40,390 --> 01:39:37,920

tom hanks and it was some guy in

2587

01:39:43,109 --> 01:39:40,400

oklahoma named tom hanks not the actual

2588

01:39:44,950 --> 01:39:43,119

famous tom hanks that was a pedophile or

2589

01:39:46,390 --> 01:39:44,960

something it's just

2590

01:39:49,350 --> 01:39:46,400

i just am

2591

01:39:51,109 --> 01:39:49,360

you know look and the other thing is

2592

01:39:53,750 --> 01:39:51,119

i would not want to wrongly accuse

2593

01:39:56,470 --> 01:39:53,760

somebody of being a criminal so for me

2594

01:39:58,629 --> 01:39:56,480

i'm going to be very cautious if

2595

01:40:00,390 --> 01:39:58,639

about anything like that going forward i

2596

01:40:03,350 --> 01:40:00,400

mean and the other thing is is it

2597

01:40:06,229 --> 01:40:03,360

relevant you know for example

2598

01:40:08,870 --> 01:40:06,239

um if somebody pled guilty to a fraud

2599

01:40:10,950 --> 01:40:08,880

related offense and then they're selling

2600

01:40:12,629 --> 01:40:10,960

fake information i think it's relevant

2601  
01:40:14,870 --> 01:40:12,639  
to talk about that they're selling fake

2602  
01:40:17,030 --> 01:40:14,880  
stories they're selling fake alien

2603  
01:40:20,550 --> 01:40:17,040  
information that's not true

2604  
01:40:22,390 --> 01:40:20,560  
and they have pled guilty to a fraud in

2605  
01:40:24,229 --> 01:40:22,400  
their criminal past

2606  
01:40:25,189 --> 01:40:24,239  
then i think it's relevant

2607  
01:40:27,830 --> 01:40:25,199  
but

2608  
01:40:30,229 --> 01:40:27,840  
just because somebody asks inconvenient

2609  
01:40:32,229 --> 01:40:30,239  
questions to lou elizondo

2610  
01:40:34,870 --> 01:40:32,239  
maybe some people who are asking

2611  
01:40:36,709 --> 01:40:34,880  
questions had some kind of you know

2612  
01:40:38,550 --> 01:40:36,719  
problem with uh

2613  
01:40:40,149 --> 01:40:38,560

an arrest in their past it doesn't

2614

01:40:42,550 --> 01:40:40,159

automatically

2615

01:40:45,430 --> 01:40:42,560

i guess i i would take each situation on

2616

01:40:48,709 --> 01:40:45,440

a case-by-case basis right

2617

01:40:50,950 --> 01:40:48,719

but to go throwing around terms like

2618

01:40:53,830 --> 01:40:50,960

wife beater

2619

01:40:57,030 --> 01:40:53,840

when it's not you know i would never do

2620

01:40:59,750 --> 01:40:57,040

what this uh lou from ucr did in fact i

2621

01:41:02,470 --> 01:40:59,760

think he handled it extremely poorly if

2622

01:41:04,870 --> 01:41:02,480

an anonymous person came to me or not

2623

01:41:06,870 --> 01:41:04,880

anonymous let's say if any of you a show

2624

01:41:09,350 --> 01:41:06,880

viewer came to me

2625

01:41:11,109 --> 01:41:09,360

and i was having a guest um you know

2626

01:41:12,870 --> 01:41:11,119

we'll just use goofon for example if

2627

01:41:14,149 --> 01:41:12,880

goofon was coming here and one of my

2628

01:41:16,470 --> 01:41:14,159

viewers said

2629

01:41:19,189 --> 01:41:16,480

ask him if he beats women or was

2630

01:41:21,590 --> 01:41:19,199

arrested for beating women

2631

01:41:23,669 --> 01:41:21,600

i would first of all i would say

2632

01:41:25,590 --> 01:41:23,679

do you have i would ask that person do

2633

01:41:27,189 --> 01:41:25,600

you have evidence that this is true i'm

2634

01:41:29,030 --> 01:41:27,199

not just going to ask because even

2635

01:41:32,229 --> 01:41:29,040

asking that question

2636

01:41:34,070 --> 01:41:32,239

is throwing shade on that person what i

2637

01:41:37,590 --> 01:41:34,080

would have done in this situation with

2638

01:41:39,669 --> 01:41:37,600

that lou from ucr was in is he knew that

2639

01:41:41,350 --> 01:41:39,679

that was a question people wanted asked

2640

01:41:43,189 --> 01:41:41,360

before his interview

2641

01:41:45,270 --> 01:41:43,199

i would have done the background check

2642

01:41:48,390 --> 01:41:45,280

and checked with the courts and if i had

2643

01:41:49,430 --> 01:41:48,400

found a conviction for that then i would

2644

01:41:52,310 --> 01:41:49,440

ask him

2645

01:41:54,070 --> 01:41:52,320

but i wouldn't just ask a random guest

2646

01:41:55,830 --> 01:41:54,080

if they beat women that was

2647

01:41:58,229 --> 01:41:55,840

cringe-worthy

2648

01:42:00,550 --> 01:41:58,239

in his defense i have to be fair to this

2649

01:42:03,350 --> 01:42:00,560

lou from ucr

2650

01:42:05,510 --> 01:42:03,360

he's not a journalist and neither am i

2651  
01:42:08,709 --> 01:42:05,520  
i'm very fortunate though and that i do

2652  
01:42:09,669 --> 01:42:08,719  
happen to know a few real journalists

2653  
01:42:11,270 --> 01:42:09,679  
so

2654  
01:42:13,430 --> 01:42:11,280  
if i'm not sure how to handle a

2655  
01:42:15,109 --> 01:42:13,440  
situation like that i could pick up the

2656  
01:42:16,870 --> 01:42:15,119  
phone and ask

2657  
01:42:19,830 --> 01:42:16,880  
at least two different people that are

2658  
01:42:22,310 --> 01:42:19,840  
real writers in newspapers real

2659  
01:42:24,550 --> 01:42:22,320  
journalists like how what's the proper

2660  
01:42:26,870 --> 01:42:24,560  
or the ethical way to handle this

2661  
01:42:30,229 --> 01:42:26,880  
situation i don't want to not ask the

2662  
01:42:32,070 --> 01:42:30,239  
questions that my viewers want asked but

2663  
01:42:33,430 --> 01:42:32,080

when you get into wife beating and

2664

01:42:35,270 --> 01:42:33,440

criminality

2665

01:42:37,189 --> 01:42:35,280

i think that's a big

2666

01:42:39,030 --> 01:42:37,199

it's a big you know

2667

01:42:41,350 --> 01:42:39,040

it's it's a can of worms that you

2668

01:42:43,669 --> 01:42:41,360

shouldn't open unless you have to

2669

01:42:46,709 --> 01:42:43,679

lou from ucr could have just as easily

2670

01:42:48,229 --> 01:42:46,719

went did some research and found out if

2671

01:42:48,950 --> 01:42:48,239

there's any proof

2672

01:42:50,870 --> 01:42:48,960

to

2673

01:42:53,430 --> 01:42:50,880

these claims that people have made about

2674

01:42:54,950 --> 01:42:53,440

that person before asking the question

2675

01:42:57,270 --> 01:42:54,960

and i think

2676

01:42:59,430 --> 01:42:57,280

had he done his due diligence and done

2677

01:43:01,590 --> 01:42:59,440

the work

2678

01:43:03,270 --> 01:43:01,600

and then asked a question because there

2679

01:43:05,350 --> 01:43:03,280

was something there

2680

01:43:08,709 --> 01:43:05,360

in his past okay

2681

01:43:10,870 --> 01:43:08,719

but to just ask a guy if he beats women

2682

01:43:13,030 --> 01:43:10,880

and what is the evidence he may have

2683

01:43:14,229 --> 01:43:13,040

posted something sometime

2684

01:43:16,470 --> 01:43:14,239

years ago

2685

01:43:18,709 --> 01:43:16,480

saying something like if a woman

2686

01:43:20,470 --> 01:43:18,719

be you know punched me i would be i

2687

01:43:22,149 --> 01:43:20,480

would punch her back

2688

01:43:23,990 --> 01:43:22,159

that doesn't mean the guy's a wife

2689

01:43:26,470 --> 01:43:24,000

beater a criminal conviction for

2690

01:43:27,910 --> 01:43:26,480

domestic assault means he's probably a

2691

01:43:29,270 --> 01:43:27,920

wife you know

2692

01:43:32,229 --> 01:43:29,280

this whole

2693

01:43:34,629 --> 01:43:32,239

situation is ridiculous and again

2694

01:43:37,510 --> 01:43:34,639

i'm trying to be fair to this lou from

2695

01:43:39,030 --> 01:43:37,520

ucr but what i will say is that guy does

2696

01:43:42,229 --> 01:43:39,040

nothing but talk

2697

01:43:45,590 --> 01:43:42,239

could say whatever they want oh he did

2698

01:43:48,790 --> 01:43:45,600

that big phone home he's he's a champion

2699

01:43:51,270 --> 01:43:48,800

of disclosure [h\_\_h] [h\_\_h] for a

2700

01:43:54,709 --> 01:43:51,280

few years now that guy has sat there and

2701  
01:43:58,390 --> 01:43:54,719  
talked he does no research he does no

2702  
01:44:00,950 --> 01:43:58,400  
investigatory work he has not broken a

2703  
01:44:02,950 --> 01:44:00,960  
single story

2704  
01:44:05,030 --> 01:44:02,960  
since doing his show

2705  
01:44:07,830 --> 01:44:05,040  
and i'm not trying to toot my own horn

2706  
01:44:10,870 --> 01:44:07,840  
here but you can see that i have a

2707  
01:44:12,750 --> 01:44:10,880  
pattern of breaking new information of

2708  
01:44:14,870 --> 01:44:12,760  
bringing people you know of

2709  
01:44:17,189 --> 01:44:14,880  
investigating something and then

2710  
01:44:19,430 --> 01:44:17,199  
reporting on what i found through my

2711  
01:44:21,350 --> 01:44:19,440  
investigation and again not to throw

2712  
01:44:23,590 --> 01:44:21,360  
shade on this guy but he does nothing

2713  
01:44:26,709 --> 01:44:23,600

but sit there and talk

2714

01:44:29,109 --> 01:44:26,719

talk's not gonna help you know how long

2715

01:44:30,790 --> 01:44:29,119

how many hours of this guy talking and

2716

01:44:33,669 --> 01:44:30,800

not doing anything

2717

01:44:34,390 --> 01:44:33,679

is an audience gonna withstand

2718

01:44:40,950 --> 01:44:34,400

and

2719

01:44:43,030 --> 01:44:40,960

public he put out a public freaking

2720

01:44:45,109 --> 01:44:43,040

he put one of his private messages

2721

01:44:46,390 --> 01:44:45,119

between him and lou elizondo out there

2722

01:44:48,790 --> 01:44:46,400

on twitter

2723

01:44:51,350 --> 01:44:48,800

that talks about the felon five and then

2724

01:44:53,750 --> 01:44:51,360

my name is mentioned at the end as being

2725

01:44:56,070 --> 01:44:53,760

nuts or something but people are

2726

01:44:58,629 --> 01:44:56,080

conflating these things who's the felon

2727

01:45:00,229 --> 01:44:58,639

five steve campions mentioned there he

2728

01:45:03,590 --> 01:45:00,239

must be a criminal

2729

01:45:05,910 --> 01:45:03,600

so thanks lou you dumb [h\_\_h] because

2730

01:45:08,310 --> 01:45:05,920

i've had to answer people telling them

2731

01:45:10,070 --> 01:45:08,320

i'm not a criminal all week long because

2732

01:45:12,550 --> 01:45:10,080

you did that you could have adapted that

2733

01:45:14,950 --> 01:45:12,560

you could have blocked out my name

2734

01:45:16,629 --> 01:45:14,960

if i wasn't the one of the felon five

2735

01:45:19,590 --> 01:45:16,639

and that's another thing where's the

2736

01:45:22,310 --> 01:45:19,600

list show us the list lou of who lou

2737

01:45:24,310 --> 01:45:22,320

elizondo is passing around this list

2738

01:45:26,310 --> 01:45:24,320

these guys are all felons they're

2739

01:45:27,430 --> 01:45:26,320

criminals and wife beaters

2740

01:45:29,910 --> 01:45:27,440

don't

2741

01:45:31,910 --> 01:45:29,920

not release that list and then put my

2742

01:45:34,390 --> 01:45:31,920

name and check my name into it because

2743

01:45:36,550 --> 01:45:34,400

now i'm an [h\_\_h] criminal in some

2744

01:45:39,350 --> 01:45:36,560

people's eyes thanks to you

2745

01:45:41,430 --> 01:45:39,360

and granted i have a lot of detractors i

2746

01:45:42,709 --> 01:45:41,440

got a lot of haters so when they see

2747

01:45:44,870 --> 01:45:42,719

something like that they're going to

2748

01:45:47,990 --> 01:45:44,880

jump to a conclusion yeah like oh we

2749

01:45:49,990 --> 01:45:48,000

knew steve campbell was was a bad person

2750

01:45:52,629 --> 01:45:50,000

now we know he's a criminal that's one

2751

01:45:55,109 --> 01:45:52,639

of the emails i got i knew

2752

01:45:57,270 --> 01:45:55,119

you were a bad person steve campion i

2753

01:45:59,350 --> 01:45:57,280

knew you were a piece of [h\_\_\h] and now i

2754

01:46:00,310 --> 01:45:59,360

know that you're a criminal thanks to

2755

01:46:02,390 --> 01:46:00,320

lou

2756

01:46:04,870 --> 01:46:02,400

jimenez whatever his name is from

2757

01:46:07,910 --> 01:46:04,880

unidentified ass licking or i'm sorry

2758

01:46:09,990 --> 01:46:07,920

unidentified celebrity ass liquor show

2759

01:46:16,870 --> 01:46:10,000

thanks thanks that was really great of

2760

01:46:20,790 --> 01:46:19,109

yeah and somebody says thanks matthew

2761

01:46:22,790 --> 01:46:20,800

for not running checks without consent

2762

01:46:24,870 --> 01:46:22,800

and help make them public

2763

01:46:26,790 --> 01:46:24,880

this is a complicated issue

2764

01:46:30,310 --> 01:46:26,800

but uh

2765

01:46:32,229 --> 01:46:30,320

i i what i say is that if it's if

2766

01:46:34,229 --> 01:46:32,239

somebody's criminal history is relevant

2767

01:46:36,070 --> 01:46:34,239

to the story sure

2768

01:46:38,629 --> 01:46:36,080

but just because somebody's asking

2769

01:46:41,430 --> 01:46:38,639

questions that some people don't like

2770

01:46:44,070 --> 01:46:41,440

you know if they did their time and they

2771

01:46:47,030 --> 01:46:44,080

and they you know reformed

2772

01:46:49,030 --> 01:46:47,040

you know i know of uh i know of at least

2773

01:46:50,390 --> 01:46:49,040

one person in the ufo community that a

2774

01:46:52,229 --> 01:46:50,400

long time ago

2775

01:46:53,590 --> 01:46:52,239

got in some trouble right and i don't

2776  
01:46:55,910 --> 01:46:53,600  
even remember what he got charged with

2777  
01:46:57,750 --> 01:46:55,920  
but the point is he's a convicted felon

2778  
01:47:00,629 --> 01:46:57,760  
not one of the people that lou and lou

2779  
01:47:02,709 --> 01:47:00,639  
were talking about but still

2780  
01:47:05,030 --> 01:47:02,719  
since that criminal conviction that

2781  
01:47:07,990 --> 01:47:05,040  
person went to college

2782  
01:47:09,590 --> 01:47:08,000  
right late you know went to college got

2783  
01:47:12,709 --> 01:47:09,600  
a degree

2784  
01:47:15,510 --> 01:47:12,719  
started a business started a family has

2785  
01:47:18,709 --> 01:47:15,520  
three children is an excellent business

2786  
01:47:20,390 --> 01:47:18,719  
person he's an excellent researcher he's

2787  
01:47:23,830 --> 01:47:20,400  
an excellent

2788  
01:47:25,990 --> 01:47:23,840

father and provider for his family

2789

01:47:28,310 --> 01:47:26,000

whatever he did in his past to me he

2790

01:47:31,030 --> 01:47:28,320

paid he paid the price and it's not

2791

01:47:33,910 --> 01:47:31,040

relevant to to use that against him and

2792

01:47:35,590 --> 01:47:33,920

try to discredit him it's kind of shitty

2793

01:47:38,229 --> 01:47:35,600

right what about all the good things

2794

01:47:40,470 --> 01:47:38,239

good father good provider good husband

2795

01:47:43,430 --> 01:47:40,480

good business person right what about

2796

01:47:45,910 --> 01:47:43,440

all that that do we just do we just you

2797

01:47:47,590 --> 01:47:45,920

know paint with this broad brush okay

2798

01:47:50,310 --> 01:47:47,600

you're a convicted fellow you're a piece

2799

01:47:52,709 --> 01:47:50,320

of [h\_\_\h] i don't think so but i'm a

2800

01:47:54,149 --> 01:47:52,719

second chance person the problem that i

2801

01:47:55,830 --> 01:47:54,159

have though is

2802

01:47:57,270 --> 01:47:55,840

some people want two and three you know

2803

01:47:59,510 --> 01:47:57,280

if you if you

2804

01:48:01,669 --> 01:47:59,520

offend it and then you offend it again

2805

01:48:03,430 --> 01:48:01,679

and then you know like let's say you got

2806

01:48:04,629 --> 01:48:03,440

arrested for a felony a couple years

2807

01:48:05,830 --> 01:48:04,639

later you get arrested for another

2808

01:48:07,830 --> 01:48:05,840

felony couple years later you get

2809

01:48:09,990 --> 01:48:07,840

arrested for another felony you didn't

2810

01:48:12,229 --> 01:48:10,000

learn your lesson but some people get in

2811

01:48:14,390 --> 01:48:12,239

trouble they learn their lesson this is

2812

01:48:15,830 --> 01:48:14,400

not a good thing that i did i'm gonna

2813

01:48:17,350 --> 01:48:15,840

have to pay for this

2814

01:48:19,830 --> 01:48:17,360

you know there's gonna be consequences

2815

01:48:21,510 --> 01:48:19,840

here but i've learned from my mistake

2816

01:48:23,669 --> 01:48:21,520

and

2817

01:48:25,990 --> 01:48:23,679

you know

2818

01:48:31,430 --> 01:48:26,000

i've moved on from it i think that we

2819

01:48:34,310 --> 01:48:33,030

i don't know what's going on in the live

2820

01:48:36,229 --> 01:48:34,320

chat

2821

01:48:40,390 --> 01:48:36,239

we're having a somebody's having a

2822

01:48:45,669 --> 01:48:42,550

i can count several times you're making

2823

01:48:47,990 --> 01:48:45,679

super incorrect claims about stephen

2824

01:48:54,550 --> 01:48:48,000

are you talking to me

2825

01:49:01,430 --> 01:48:56,629

yeah so

2826

01:49:05,350 --> 01:49:03,270

and listen it's okay to disagree in the

2827

01:49:12,550 --> 01:49:05,360

live chat but let's try to remain civil

2828

01:49:16,870 --> 01:49:15,270

ufo john doe says oprah jiff you're a

2829

01:49:19,589 --> 01:49:16,880

felon and you're a felon and you're a

2830

01:49:22,229 --> 01:49:19,599

felon yeah and isn't it a coincidence

2831

01:49:23,589 --> 01:49:22,239

isn't it a coincidence that all of lou

2832

01:49:26,149 --> 01:49:23,599

elizondo's

2833

01:49:28,070 --> 01:49:26,159

critics or detractors or people asking

2834

01:49:32,229 --> 01:49:28,080

him hard questions are suddenly

2835

01:49:34,229 --> 01:49:32,239

criminals right i i i don't know

2836

01:49:36,550 --> 01:49:34,239

i i don't know i think it's a little

2837

01:49:38,950 --> 01:49:36,560

more than a coincidence that suddenly

2838

01:49:40,550 --> 01:49:38,960

there's this broad brush and all of

2839

01:49:42,950 --> 01:49:40,560

louis elizondo's critics are being

2840

01:49:43,750 --> 01:49:42,960

painted as criminals and wife beaters

2841

01:49:45,109 --> 01:49:43,760

right

2842

01:49:48,470 --> 01:49:45,119

i'm surprised they didn't pull out the

2843

01:49:53,830 --> 01:49:50,870

you know or nazi you're a nazi you're a

2844

01:49:54,830 --> 01:49:53,840

pedophile with no uh

2845

01:49:59,270 --> 01:49:54,840

with

2846

01:50:01,270 --> 01:49:59,280

no proof or evidence you know

2847

01:50:03,990 --> 01:50:01,280

so this is where we're at and this is

2848

01:50:05,910 --> 01:50:04,000

where we find ourselves i am going to

2849

01:50:08,229 --> 01:50:05,920

bounce on out of here friends it's been

2850

01:50:11,109 --> 01:50:08,239

a long day for me i again i apologize

2851

01:50:12,950 --> 01:50:11,119

for this wonky setup but

2852

01:50:15,830 --> 01:50:12,960

i have to have this window open or i'll

2853

01:50:18,709 --> 01:50:15,840

die in here it's about probably 90 or

2854

01:50:20,709 --> 01:50:18,719

more 95 degrees in here right now

2855

01:50:22,950 --> 01:50:20,719

i anticipate having the new streaming

2856

01:50:24,709 --> 01:50:22,960

setup sometime next week in the meantime

2857

01:50:27,030 --> 01:50:24,719
