Open C3 Subcommittee
Hearing on Unidentified
Aerial Phenomena
2022-05-17

ANOTHER BIG NOTHING BURGER!

1
00:00:36,549 --> 00:00:27,020
[Music]

2
00:00:36,559 --> 00:00:41,250
so

3
00:00:41,260 --> 00:01:04,310
[Music]

4
00:01:30,820 --> 00:01:05,440
so

5
00:03:02,949 --> 00:01:59,640
[Music]

6
00:03:14,150 --> 00:03:04,280
wow

7
00:04:36,850 --> 00:03:17,110
[Music]

8
00:04:45,120 --> 00:04:36,860
so

9
00:06:05,670 --> 00:05:00,070
[Music]

10
00:06:10,950 --> 00:06:08,629
greetings and salutations old friends

11
00:06:13,270 --> 00:06:10,960
and hopefully some new friends if you're

12
00:06:16,710 --> 00:06:13,280
new to the channel welcome

13
00:06:19,590 --> 00:06:16,720

uh today has been quite a journey uh you

14

00:06:22,790 --> 00:06:19,600

may notice we're not in our usual space

15

00:06:26,150 --> 00:06:22,800

i'm actually on my patio because the

16

00:06:29,749 --> 00:06:26,160

transition to a new streaming studio has

17

00:06:31,590 --> 00:06:29,759

been um a nightmare

18

00:06:33,670 --> 00:06:31,600

basically i thought i could clean an

19

00:06:36,230 --> 00:06:33,680

entire room full of junk in a few days

20

00:06:38,710 --> 00:06:36,240

and be moved in there sometime i don't

21

00:06:41,270 --> 00:06:38,720

know last week uh late last week early

22

00:06:43,430 --> 00:06:41,280

this week just hasn't happened yet i'm

23

00:06:45,990 --> 00:06:43,440

hopeful that tomorrow i will finish the

24

00:06:47,510 --> 00:06:46,000

clean up and clean out and be just

25

00:06:49,990 --> 00:06:47,520

setting things up

26
00:06:52,150 --> 00:06:50,000
we have uh some new equipment to move in

27
00:06:54,150 --> 00:06:52,160
there i didn't want to rip apart the

28
00:06:55,189 --> 00:06:54,160
existing

29
00:06:58,070 --> 00:06:55,199
office

30
00:06:59,749 --> 00:06:58,080
or studio to um you know i just don't

31
00:07:01,510 --> 00:06:59,759
want to move everything and then have to

32
00:07:04,070 --> 00:07:01,520
move it all back so

33
00:07:05,749 --> 00:07:04,080
we're all set up to to

34
00:07:07,749 --> 00:07:05,759
set up the new studio i just have to

35
00:07:09,909 --> 00:07:07,759
finish a great many things

36
00:07:11,189 --> 00:07:09,919
so welcome one and all you may have

37
00:07:13,990 --> 00:07:11,199
noticed that for the first time in a

38
00:07:16,469 --> 00:07:14,000

long time i posted the invitation link

39

00:07:18,790 --> 00:07:16,479

to tonight's show you too can you know

40

00:07:20,870 --> 00:07:18,800

don't just be a part

41

00:07:22,790 --> 00:07:20,880

don't just listen to the story don't

42

00:07:25,110 --> 00:07:22,800

just listen to the show don't just watch

43

00:07:25,990 --> 00:07:25,120

the show you too can come and be a part

44

00:07:27,589 --> 00:07:26,000

of it

45

00:07:29,430 --> 00:07:27,599

everyone is most welcome here the one

46

00:07:30,469 --> 00:07:29,440

thing i ask if you join the show no

47

00:07:33,350 --> 00:07:30,479

nudity

48

00:07:35,830 --> 00:07:33,360

on on your webcam please

49

00:07:37,749 --> 00:07:35,840

and yes i have to say that

50

00:07:39,430 --> 00:07:37,759

so today

51
00:07:41,589 --> 00:07:39,440
for the first time and what is it 60

52
00:07:45,189 --> 00:07:41,599
years we got an open congressional

53
00:07:48,309 --> 00:07:45,199
hearing about ufos and i try to manage

54
00:07:51,510 --> 00:07:48,319
my expectations uh you know i i expect

55
00:07:54,230 --> 00:07:51,520
the worst hope for the best

56
00:07:56,230 --> 00:07:54,240
and and i got pretty much the worst you

57
00:07:57,350 --> 00:07:56,240
know there was only a few things that

58
00:07:59,430 --> 00:07:57,360
were

59
00:08:01,670 --> 00:07:59,440
that i took away from today the first is

60
00:08:04,469 --> 00:08:01,680
that the government basically showed us

61
00:08:07,430 --> 00:08:04,479
uh what appears to be a balloon

62
00:08:10,070 --> 00:08:07,440
taken from an iphone camera uh of

63
00:08:11,909 --> 00:08:10,080

somebody in an f-16 or you know

64

00:08:13,430 --> 00:08:11,919

two-seater airplane you know the guy in

65

00:08:14,309 --> 00:08:13,440

the back seat

66

00:08:17,029 --> 00:08:14,319

um

67

00:08:19,189 --> 00:08:17,039

i i thought we had better imaging on

68

00:08:20,790 --> 00:08:19,199

those on those fighter aircraft i don't

69

00:08:23,430 --> 00:08:20,800

know why we're getting cell phone

70

00:08:26,390 --> 00:08:23,440

footage of what appears to be or very

71

00:08:28,629 --> 00:08:26,400

likely could be a balloon

72

00:08:31,110 --> 00:08:28,639

the other takeaway is that

73

00:08:32,550 --> 00:08:31,120

right in the open congressional hearing

74

00:08:35,670 --> 00:08:32,560

they basically said that jeremy

75

00:08:37,509 --> 00:08:35,680

corbell's triangle video was fake it was

76

00:08:40,070 --> 00:08:37,519

boca just as

77

00:08:42,070 --> 00:08:40,080

uh people including most notably mick

78

00:08:43,190 --> 00:08:42,080

west had described that it's a boca

79

00:08:44,550 --> 00:08:43,200

effect

80

00:08:45,750 --> 00:08:44,560

um

81

00:08:48,790 --> 00:08:45,760

now i'm sure

82

00:08:50,470 --> 00:08:48,800

mr cowbell is going to try to spin this

83

00:08:53,190 --> 00:08:50,480

he is the master of spin you know he's

84

00:08:55,030 --> 00:08:53,200

going to say my work is so important i

85

00:08:56,949 --> 00:08:55,040

it got mentioned in the ufo

86

00:08:59,590 --> 00:08:56,959

congressional hearings

87

00:09:02,550 --> 00:08:59,600

but basically they they all but said

88

00:09:05,350 --> 00:09:02,560

that he put out a fake video

89

00:09:08,550 --> 00:09:05,360

it's boca friends just as many have

90

00:09:10,550 --> 00:09:08,560

described it is balloons and drones

91

00:09:12,150 --> 00:09:10,560

that's what we got from the united

92

00:09:14,230 --> 00:09:12,160

states uh

93

00:09:17,190 --> 00:09:14,240

from the united states and

94

00:09:19,670 --> 00:09:17,200

by the way i am aware that some stupid

95

00:09:23,030 --> 00:09:19,680

people are saying about jeremy corbell's

96

00:09:26,230 --> 00:09:23,040

video oh no no there's there's testimony

97

00:09:27,509 --> 00:09:26,240

of people who saw a pyramid shaped ufo

98

00:09:30,310 --> 00:09:27,519

no there isn't

99

00:09:32,949 --> 00:09:30,320

show us jeremy corbell drop

100

00:09:34,949 --> 00:09:32,959

whatever you have he's got nothing

101
00:09:36,949 --> 00:09:34,959
this is what likely happened somebody

102
00:09:39,509 --> 00:09:36,959
sent him that video

103
00:09:41,990 --> 00:09:39,519
he ran with it this is definitely aliens

104
00:09:44,630 --> 00:09:42,000
look it's pyramid-shaped ufos no it's

105
00:09:46,389 --> 00:09:44,640
not it's garbage because that's what

106
00:09:49,350 --> 00:09:46,399
jeremy corbell is

107
00:09:50,389 --> 00:09:49,360
a ufo garbage peddler and he has been

108
00:09:54,150 --> 00:09:50,399
peddling

109
00:09:56,870 --> 00:09:54,160
garbage for his entire so-called career

110
00:09:58,870 --> 00:09:56,880
the guy that was uh basically a failed

111
00:10:01,750 --> 00:09:58,880
what like failed mma

112
00:10:04,150 --> 00:10:01,760
instructor right a failed artist now

113
00:10:06,310 --> 00:10:04,160

he's going to be a ufo expert on fox

114

00:10:08,550 --> 00:10:06,320

news and other news channels and by the

115

00:10:10,710 --> 00:10:08,560

way i don't know how they vet somebody

116

00:10:13,350 --> 00:10:10,720

on these mainstream media channels and

117

00:10:15,590 --> 00:10:13,360

say this is a ufo expert

118

00:10:18,470 --> 00:10:15,600

they need better vetting because for a

119

00:10:20,710 --> 00:10:18,480

ufo expert that guy believes anything he

120

00:10:23,269 --> 00:10:20,720

believes that a convicted pimp with a

121

00:10:25,110 --> 00:10:23,279

fake education who by the way never

122

00:10:27,430 --> 00:10:25,120

worked where he said oh he did work

123

00:10:29,509 --> 00:10:27,440

where he said he worked los alamos labs

124

00:10:31,829 --> 00:10:29,519

but he was never a scientist there as he

125

00:10:33,829 --> 00:10:31,839

claimed he was a low-level technician

126

00:10:36,150 --> 00:10:33,839

we've got all the proof that bob lazar

127

00:10:38,310 --> 00:10:36,160

is a fraud here on our channel we've got

128

00:10:40,870 --> 00:10:38,320

an on the record interview with an area

129

00:10:43,670 --> 00:10:40,880

51 security guard that says he never

130

00:10:46,150 --> 00:10:43,680

stepped foot on area 51 base and that

131

00:10:49,030 --> 00:10:46,160

there is nothing at the so-called s4

132

00:10:51,269 --> 00:10:49,040

location then we've got on the record

133

00:10:53,430 --> 00:10:51,279

sources that worked at los alamos saying

134

00:10:55,590 --> 00:10:53,440

that bob lazar lied to everybody he was

135

00:10:58,230 --> 00:10:55,600

never a physicist there he was never a

136

00:10:59,990 --> 00:10:58,240

scientist bob lazar was the guy you

137

00:11:02,310 --> 00:11:00,000

called when your computer wasn't working

138

00:11:05,190 --> 00:11:02,320

right he was a low-level electronics

139

00:11:07,910 --> 00:11:05,200

technician and this dumbass jeremy

140

00:11:11,910 --> 00:11:07,920

corbell has been pushing that bob lazar

141

00:11:14,710 --> 00:11:11,920

[h__\h] cart for 10 years now right

142

00:11:15,670 --> 00:11:14,720

maybe not 10 years but i'm a great many

143

00:11:19,269 --> 00:11:15,680

years

144

00:11:20,790 --> 00:11:19,279

and the the fact that he is an expert a

145

00:11:24,150 --> 00:11:20,800

man who who

146

00:11:25,509 --> 00:11:24,160

basically here's how jeremy corbell's

147

00:11:28,389 --> 00:11:25,519

deal works

148

00:11:31,030 --> 00:11:28,399

he gets a story he likes he shows you

149

00:11:34,150 --> 00:11:31,040

all the evidence it may be true and then

150

00:11:35,990 --> 00:11:34,160

he purposefully leaves out all of the

151
00:11:38,630 --> 00:11:36,000
other information that proves that the

152
00:11:40,550 --> 00:11:38,640
story is fake this is what a lot of the

153
00:11:43,269 --> 00:11:40,560
ufo hucksters do

154
00:11:47,190 --> 00:11:43,279
including jeremy corbell a lie by

155
00:11:49,750 --> 00:11:47,200
omission is still a lie myself jeremy

156
00:11:52,069 --> 00:11:49,760
rise alien scientist um

157
00:11:54,470 --> 00:11:52,079
solar marshall and other researchers

158
00:11:56,550 --> 00:11:54,480
sent jeremy corbell sufficient

159
00:11:58,550 --> 00:11:56,560
overwhelming i think overwhelming

160
00:12:01,430 --> 00:11:58,560
evidence that bob lazar was a fraud and

161
00:12:03,829 --> 00:12:01,440
a liar before he made his bob lazar film

162
00:12:05,829 --> 00:12:03,839
and he used to talk to us

163
00:12:07,590 --> 00:12:05,839

as soon as he realized that all the

164

00:12:09,509 --> 00:12:07,600

information that we had completely

165

00:12:12,150 --> 00:12:09,519

disproved the story he didn't want to

166

00:12:14,790 --> 00:12:12,160

talk to any of us anymore and by the way

167

00:12:16,790 --> 00:12:14,800

my last communication with mr corbell

168

00:12:18,389 --> 00:12:16,800

was that he said

169

00:12:21,670 --> 00:12:18,399

straight to me

170

00:12:23,910 --> 00:12:21,680

steve if the story is fake there is no

171

00:12:27,269 --> 00:12:23,920

documentary there's no there's no movie

172

00:12:29,269 --> 00:12:27,279

deal if i just say the story is fake

173

00:12:30,629 --> 00:12:29,279

so that should give you

174

00:12:33,590 --> 00:12:30,639

some

175

00:12:35,910 --> 00:12:33,600

indicator of the truthfulness the

176

00:12:39,990 --> 00:12:35,920

integrity of this person named jeremy

177

00:12:42,629 --> 00:12:40,000

corbell he is a ufo garbage peddler

178

00:12:45,190 --> 00:12:42,639

that's what he does he peddles garbage

179

00:12:48,150 --> 00:12:45,200

ufo stories that are fake

180

00:12:49,990 --> 00:12:48,160

bob lazar is fake he peddled that uh i

181

00:12:51,269 --> 00:12:50,000

believe that largely he peddled

182

00:12:53,110 --> 00:12:51,279

skinwalker

183

00:12:54,470 --> 00:12:53,120

which there is

184

00:12:56,310 --> 00:12:54,480

so much

185

00:12:58,230 --> 00:12:56,320

there's so many stories there but

186

00:12:59,829 --> 00:12:58,240

there's no proof or evidence of any of

187

00:13:02,870 --> 00:12:59,839

this stuff people have been studying

188

00:13:05,670 --> 00:13:02,880

that location for what 20 years now

189

00:13:08,550 --> 00:13:05,680

bob bigelow spent millions studying

190

00:13:10,069 --> 00:13:08,560

we apparently the us government spent 22

191

00:13:11,350 --> 00:13:10,079

million peddling

192

00:13:13,430 --> 00:13:11,360

uh

193

00:13:15,269 --> 00:13:13,440

apparently the u.s government

194

00:13:17,990 --> 00:13:15,279

spent a portion of that 22 million

195

00:13:21,030 --> 00:13:18,000

dollars for osap studying werewolves

196

00:13:22,629 --> 00:13:21,040

goblins and dino beavers at skinwalker

197

00:13:24,710 --> 00:13:22,639

ranch

198

00:13:27,030 --> 00:13:24,720

jeremy corbell is about as credible as

199

00:13:30,389 --> 00:13:27,040

jerry springer he is the jerry springer

200

00:13:33,430 --> 00:13:30,399

of the ufo world he does no research he

201
00:13:35,190 --> 00:13:33,440
does not include any information

202
00:13:37,910 --> 00:13:35,200
that would prove that the story that

203
00:13:40,470 --> 00:13:37,920
he's peddling is fake he does this time

204
00:13:42,550 --> 00:13:40,480
and time again and we've seen it again

205
00:13:45,430 --> 00:13:42,560
look at these garbage videos that he's

206
00:13:47,750 --> 00:13:45,440
been pushing this past year right

207
00:13:50,230 --> 00:13:47,760
one of them is lights in the sky that

208
00:13:53,590 --> 00:13:50,240
could be anything another one is

209
00:13:56,470 --> 00:13:53,600
pyramid-shaped ufos garbage garbage

210
00:13:59,350 --> 00:13:56,480
jeremy corbell is a garbage peddler and

211
00:14:01,509 --> 00:13:59,360
even though the congressional hearing

212
00:14:02,949 --> 00:14:01,519
basically said that at least that vocal

213
00:14:05,269 --> 00:14:02,959

video is

214

00:14:07,430 --> 00:14:05,279

identifiable drones

215

00:14:09,910 --> 00:14:07,440

taken through a night vision just as the

216

00:14:12,230 --> 00:14:09,920

skeptics and the debunkers said it was

217

00:14:15,350 --> 00:14:12,240

but jeremy corbell is most likely going

218

00:14:17,430 --> 00:14:15,360

to spin this i know he is the master of

219

00:14:19,750 --> 00:14:17,440

spin he's gonna spin it my work is so

220

00:14:21,910 --> 00:14:19,760

important it was mentioned in the

221

00:14:24,470 --> 00:14:21,920

congressional hearings yeah mentioned to

222

00:14:26,230 --> 00:14:24,480

say that there are people out there did

223

00:14:28,230 --> 00:14:26,240

you realize there was another takeaway

224

00:14:29,750 --> 00:14:28,240

from today is that they basically asked

225

00:14:32,389 --> 00:14:29,760

what about all these people peddling

226

00:14:34,389 --> 00:14:32,399

disinformation for their own agenda is

227

00:14:36,389 --> 00:14:34,399

there any legal consequences for those

228

00:14:39,030 --> 00:14:36,399

people and i think there should be

229

00:14:40,710 --> 00:14:39,040

if jeremy corbell does no research and

230

00:14:43,990 --> 00:14:40,720

just puts out a video and says it's

231

00:14:46,949 --> 00:14:44,000

pyramid aliens it's aliens and he knows

232

00:14:49,030 --> 00:14:46,959

better he did no research on that and

233

00:14:51,829 --> 00:14:49,040

people are saying no no not so fast he's

234

00:14:54,470 --> 00:14:51,839

got witness testimony drop it drop it

235

00:14:56,629 --> 00:14:54,480

let's hear it and drop names don't use

236

00:14:59,590 --> 00:14:56,639

anonymous sources or some other [h__\h]

237

00:15:02,230 --> 00:14:59,600

way to keep pushing that ufo [h__\h]

238

00:15:04,310 --> 00:15:02,240

cart down the road buddy give us their

239

00:15:05,750 --> 00:15:04,320

names and let other people interview and

240

00:15:07,509 --> 00:15:05,760

talk to these people

241

00:15:09,030 --> 00:15:07,519

i don't think they exist i think they

242

00:15:11,110 --> 00:15:09,040

only exist in jeremy corbell's

243

00:15:13,189 --> 00:15:11,120

imagination and the imagination of

244

00:15:15,750 --> 00:15:13,199

anybody stupid enough to believe jeremy

245

00:15:18,629 --> 00:15:15,760

corbell is a credible researcher

246

00:15:20,230 --> 00:15:18,639

or filmmaker whatever

247

00:15:21,430 --> 00:15:20,240

so tonight we're going to be having a

248

00:15:24,389 --> 00:15:21,440

discussion here we're going to be

249

00:15:27,189 --> 00:15:24,399

breaking all of this down joining me as

250

00:15:29,829 --> 00:15:27,199

my sort of co-host tonight is our

251
00:15:32,550 --> 00:15:29,839
uh lead chat room moderator here friend

252
00:15:33,509 --> 00:15:32,560
of the show and uh fellow

253
00:15:35,110 --> 00:15:33,519
uh

254
00:15:38,069 --> 00:15:35,120
i don't even know what you would call

255
00:15:40,949 --> 00:15:38,079
them uh fellow

256
00:15:43,829 --> 00:15:40,959
ufo interested party who is unwilling to

257
00:15:46,230 --> 00:15:43,839
accept the ufo [h__\h] card that has

258
00:15:47,350 --> 00:15:46,240
been pushed down all of our throats for

259
00:15:49,910 --> 00:15:47,360
the past

260
00:15:52,069 --> 00:15:49,920
at least since 2017

261
00:15:55,350 --> 00:15:52,079
and by the way that's another takeaway

262
00:15:57,749 --> 00:15:55,360
that i got from this hearing you know i

263
00:15:59,430 --> 00:15:57,759

there's a there's a whole new crop of

264

00:16:02,150 --> 00:15:59,440

interested people interested in this

265

00:16:04,310 --> 00:16:02,160

phenomenon and i call them the 2017ers

266

00:16:05,829 --> 00:16:04,320

before 2017 in that new york times

267

00:16:07,829 --> 00:16:05,839

article they never really cared about

268

00:16:10,710 --> 00:16:07,839

ufos but suddenly there is this huge

269

00:16:13,189 --> 00:16:10,720

influx of people that think

270

00:16:15,990 --> 00:16:13,199

that 70 years of government cover-up and

271

00:16:17,990 --> 00:16:16,000

secrecy is over and now there are good

272

00:16:19,829 --> 00:16:18,000

people that worked in the government

273

00:16:22,389 --> 00:16:19,839

that are tired of the secrecy and they

274

00:16:25,430 --> 00:16:22,399

want to bring us disclosure in the ufo

275

00:16:27,749 --> 00:16:25,440

truth [h__h] [h__h] we've seen these

276

00:16:29,670 --> 00:16:27,759

ufo messiahs come and go

277

00:16:32,470 --> 00:16:29,680

the government is not your friend they

278

00:16:34,550 --> 00:16:32,480

do not want to tell you anything but

279

00:16:37,509 --> 00:16:34,560

joining us here and the first of our

280

00:16:38,230 --> 00:16:37,519

panel members is the sixth sense this is

281

00:16:39,829 --> 00:16:38,240

here

282

00:16:43,269 --> 00:16:39,839

hey what's up uh

283

00:16:46,230 --> 00:16:43,279

aside of being put on the the 55 uh

284

00:16:48,790 --> 00:16:46,240

felon list there oh yeah

285

00:16:50,710 --> 00:16:48,800

or lou hater slash right you know yeah

286

00:16:52,949 --> 00:16:50,720

yeah i have that we're going to share

287

00:16:55,749 --> 00:16:52,959

that and it's it's so interesting to me

288

00:16:58,310 --> 00:16:55,759

that uh lou lizelotto

289

00:17:00,550 --> 00:16:58,320

lou the liar elizondo

290

00:17:02,710 --> 00:17:00,560

um is is

291

00:17:05,110 --> 00:17:02,720

you know listen after just admitting

292

00:17:06,549 --> 00:17:05,120

that he uses his sock accounts

293

00:17:08,470 --> 00:17:06,559

right and why are all these sake

294

00:17:11,029 --> 00:17:08,480

accounts that put out this information

295

00:17:13,829 --> 00:17:11,039

that is negative to his critics why are

296

00:17:16,390 --> 00:17:13,839

they always brand new nameless faceless

297

00:17:18,949 --> 00:17:16,400

accounts on twitter you know it's never

298

00:17:20,870 --> 00:17:18,959

somebody that's real defending louis

299

00:17:23,270 --> 00:17:20,880

elizondo it is

300

00:17:25,750 --> 00:17:23,280

a nameless faceless uh

301

00:17:27,669 --> 00:17:25,760

soccer tale you know i i don't doubt

302

00:17:29,190 --> 00:17:27,679

that he he isn't still running them

303

00:17:31,190 --> 00:17:29,200

because i you know i'm looking at the

304

00:17:32,789 --> 00:17:31,200

way that these things are structured and

305

00:17:35,029 --> 00:17:32,799

that's how i do it you know i look at

306

00:17:37,029 --> 00:17:35,039

how somebody posts something and what

307

00:17:39,190 --> 00:17:37,039

kind of things they include and maybe

308

00:17:41,029 --> 00:17:39,200

how they say or how they punctuate i

309

00:17:42,710 --> 00:17:41,039

swear that he's still out there doing

310

00:17:44,789 --> 00:17:42,720

this stuff you know look at both of us

311

00:17:47,350 --> 00:17:44,799

around here the success yeah yeah i'm

312

00:17:49,669 --> 00:17:47,360

here as well and uh it should be noted

313

00:17:52,070 --> 00:17:49,679

that the original post said

314

00:17:53,750 --> 00:17:52,080

what did it say lou elizondo haters the

315

00:17:56,549 --> 00:17:53,760

con squad

316

00:17:59,350 --> 00:17:56,559

yeah and this and this piece of

317

00:18:01,669 --> 00:17:59,360

disinformation garbage comes

318

00:18:03,669 --> 00:18:01,679

directly after lou elizondo is

319

00:18:05,190 --> 00:18:03,679

distributing a list that he called the

320

00:18:07,510 --> 00:18:05,200

felon five

321

00:18:10,710 --> 00:18:07,520

then this list comes out of people that

322

00:18:14,230 --> 00:18:10,720

supposedly hate lou elizondo and are the

323

00:18:16,230 --> 00:18:14,240

quote khan squad so what does con squad

324

00:18:18,470 --> 00:18:16,240

mean does that mean uh me and you are

325

00:18:21,110 --> 00:18:18,480

conor yeah

326

00:18:22,549 --> 00:18:21,120

or that were ex-cons the use of the word

327

00:18:25,510 --> 00:18:22,559

khan

328

00:18:26,950 --> 00:18:25,520

was not accidental here there is a

329

00:18:29,750 --> 00:18:26,960

purposeful

330

00:18:31,830 --> 00:18:29,760

real attempt here by lou elizondo i

331

00:18:33,750 --> 00:18:31,840

believe i'm entitled to my opinion i

332

00:18:37,350 --> 00:18:33,760

believe that this all of this the felon

333

00:18:40,390 --> 00:18:37,360

5 this list it's all been undertaken by

334

00:18:42,549 --> 00:18:40,400

luella zondo and his merry squad of

335

00:18:44,549 --> 00:18:42,559

idiots and that's what they are lou

336

00:18:46,230 --> 00:18:44,559

alexander your house of cards is falling

337

00:18:47,270 --> 00:18:46,240

down why don't you just answer hard

338

00:18:49,909 --> 00:18:47,280

questions

339

00:18:51,750 --> 00:18:49,919

you ufo circle jerk king why doesn't he

340

00:18:54,390 --> 00:18:51,760

just answer hard questions instead of

341

00:18:56,630 --> 00:18:54,400

going on podcasts with 500 views or

342

00:18:58,390 --> 00:18:56,640

excuse me 500 subscribers that will

343

00:19:01,270 --> 00:18:58,400

softball

344

00:19:01,990 --> 00:19:01,280

it makes no sense

345

00:19:04,390 --> 00:19:02,000

yeah

346

00:19:05,750 --> 00:19:04,400

his game is he's losing his game you

347

00:19:08,070 --> 00:19:05,760

know and it's pissing him off so he's

348

00:19:10,070 --> 00:19:08,080

got to do something and that's the thing

349

00:19:12,630 --> 00:19:10,080

it's terrible timing for this too

350

00:19:14,150 --> 00:19:12,640

because he's gonna drop a book anytime

351
00:19:16,710 --> 00:19:14,160
look he should have dropped that book a

352
00:19:18,710 --> 00:19:16,720
year ago because a year ago

353
00:19:21,510 --> 00:19:18,720
a year ago he was in a much better

354
00:19:23,990 --> 00:19:21,520
position now we've got real and serious

355
00:19:26,549 --> 00:19:24,000
researchers ripping him apart that

356
00:19:28,070 --> 00:19:26,559
stephen green street piece was glorious

357
00:19:28,870 --> 00:19:28,080
and now he's got to explain all that

358
00:19:31,270 --> 00:19:28,880
[h__\h]

359
00:19:33,510 --> 00:19:31,280
you know oh it was a program oh no it

360
00:19:35,590 --> 00:19:33,520
wasn't it was activity

361
00:19:36,789 --> 00:19:35,600
success it was i was just i was doing

362
00:19:38,950 --> 00:19:36,799
activities

363
00:19:41,270 --> 00:19:38,960

during

364

00:19:42,549 --> 00:19:41,280

yeah yeah yeah

365

00:19:44,870 --> 00:19:42,559

it's ridiculous because they don't

366

00:19:47,350 --> 00:19:44,880

really have anything but here they can

367

00:19:49,669 --> 00:19:47,360

say it and then never offer any proof

368

00:19:51,669 --> 00:19:49,679

that that anybody on that list is a is a

369

00:19:53,990 --> 00:19:51,679

con you know i mean i'm sure that

370

00:19:55,750 --> 00:19:54,000

there's quite a few people on there that

371

00:19:57,590 --> 00:19:55,760

just plain don't like lou i mean that

372

00:19:59,750 --> 00:19:57,600

that's the thing you know i mean

373

00:20:00,789 --> 00:19:59,760

yeah you know but is that enough to go

374

00:20:02,789 --> 00:20:00,799

ahead and

375

00:20:04,470 --> 00:20:02,799

and try to discredit everybody and

376

00:20:06,390 --> 00:20:04,480

that's the thing this is an effort to go

377

00:20:07,830 --> 00:20:06,400

ahead and discredit every single person

378

00:20:11,110 --> 00:20:07,840

with the exception of the taliban in the

379

00:20:15,830 --> 00:20:13,909

it's nice i'm on a list i'm on a list

380

00:20:18,789 --> 00:20:15,840

and that's that's another that was

381

00:20:20,390 --> 00:20:18,799

another subtle way to imply remember uh

382

00:20:23,750 --> 00:20:20,400

luelle zonda said that he doesn't

383

00:20:28,710 --> 00:20:26,390

there's this subtle word play this looks

384

00:20:31,190 --> 00:20:28,720

like an intelligence ah

385

00:20:32,870 --> 00:20:31,200

we we put out this list of felons and by

386

00:20:35,430 --> 00:20:32,880

the way when we put out the list of

387

00:20:37,430 --> 00:20:35,440

felons we won't identify who the phone

388

00:20:39,669 --> 00:20:37,440

five are but we'll mention a bunch of my

389

00:20:42,070 --> 00:20:39,679

critics names in there including rich

390

00:20:45,270 --> 00:20:42,080

from goofon and steve cambion

391

00:20:48,710 --> 00:20:45,280

and really that list says either

392

00:20:51,510 --> 00:20:48,720

success either i'm a convicted felon or

393

00:20:53,270 --> 00:20:51,520

i'm mentally unstable it's one of the

394

00:20:57,350 --> 00:20:53,280

other right well you could you could be

395

00:21:00,630 --> 00:20:57,360

both i suppose maybe i'm so mentally

396

00:21:04,070 --> 00:21:00,640

unstable and then we have uh we have

397

00:21:05,029 --> 00:21:04,080

luciar who is still making apologies for

398

00:21:07,669 --> 00:21:05,039

his

399

00:21:10,230 --> 00:21:07,679

licking the [h__h] that's what blue cr

400

00:21:13,110 --> 00:21:10,240

does lou from ucr you have been licking

401
00:21:14,470 --> 00:21:13,120
the [h__h] of lou elizondo where is he

402
00:21:16,870 --> 00:21:14,480
on that list

403
00:21:20,149 --> 00:21:16,880
interviews now right seven interviews

404
00:21:22,470 --> 00:21:20,159
you licked his [h__h] he lou you are

405
00:21:24,470 --> 00:21:22,480
part of the problem you were why we are

406
00:21:25,350 --> 00:21:24,480
here buddy because you didn't do your

407
00:21:27,510 --> 00:21:25,360
job

408
00:21:28,950 --> 00:21:27,520
yeah lou angelous is the last stream

409
00:21:31,029 --> 00:21:28,960
that i seen him in he's pretty much

410
00:21:32,549 --> 00:21:31,039
crying and saying and i and i did

411
00:21:33,909 --> 00:21:32,559
capture some of that so i'll get it out

412
00:21:35,750 --> 00:21:33,919
here at some point

413
00:21:37,510 --> 00:21:35,760

he's pretty much saying i wish i really

414

00:21:39,110 --> 00:21:37,520

never did that to lou you know i'd say

415

00:21:41,270 --> 00:21:39,120

hey you know what the best thing to do

416

00:21:44,470 --> 00:21:41,280

is to you know just come back lou just

417

00:21:46,950 --> 00:21:44,480

come back please come back and i guess

418

00:21:49,270 --> 00:21:46,960

your mic was up at like 200 percent so

419

00:21:51,590 --> 00:21:49,280

i've dropped oh [h__h] oh sorry buddy

420

00:21:53,830 --> 00:21:51,600

sorry if we were overdriven and also

421

00:21:55,830 --> 00:21:53,840

okay those people who are listening in

422

00:21:58,149 --> 00:21:55,840

audio podcast lane i'm just

423

00:22:01,270 --> 00:21:58,159

mentioning that you may hear some dogs

424

00:22:03,430 --> 00:22:01,280

barking or some weird birds or some i'm

425

00:22:06,230 --> 00:22:03,440

outside on my patio we're in the middle

426

00:22:08,630 --> 00:22:06,240

of moving to a new coyote

427

00:22:10,630 --> 00:22:08,640

yeah and we've got a few more panel

428

00:22:12,390 --> 00:22:10,640

members joining us here

429

00:22:15,270 --> 00:22:12,400

so this is gonna get good

430

00:22:19,029 --> 00:22:15,280

but i i would like to just finish of

431

00:22:21,190 --> 00:22:19,039

this luciar basically said uh he also

432

00:22:23,350 --> 00:22:21,200

said a bunch of nasty [h__h] because what

433

00:22:25,190 --> 00:22:23,360

he said was well there's a few people

434

00:22:27,110 --> 00:22:25,200

mentioned in that that i could i could

435

00:22:30,470 --> 00:22:27,120

imagine her felons because they have

436

00:22:34,070 --> 00:22:30,480

unstable behavior again i have unstable

437

00:22:37,190 --> 00:22:34,080

behavior or i'm uh you know what was it

438

00:22:39,750 --> 00:22:37,200

you're me i'm mentally unstable lou says

439

00:22:41,909 --> 00:22:39,760

i mean crazy crazy lou

440

00:22:43,909 --> 00:22:41,919

says i'm either a felon or a mentally

441

00:22:45,750 --> 00:22:43,919

unstable in that message and one or the

442

00:22:48,070 --> 00:22:45,760

other one of the other there's two

443

00:22:49,590 --> 00:22:48,080

groups of people that critique him or

444

00:22:52,470 --> 00:22:49,600

are critical of him or have too many

445

00:22:54,870 --> 00:22:52,480

questions about his [h__h] stories

446

00:22:57,990 --> 00:22:54,880

the first are felons and the second

447

00:23:01,430 --> 00:22:58,000

people are mentally unstable then lou

448

00:23:03,350 --> 00:23:01,440

ucr goes on a show and says well i could

449

00:23:05,750 --> 00:23:03,360

i could imagine that some people on that

450

00:23:08,630 --> 00:23:05,760

list are felons because because of their

451

00:23:11,350 --> 00:23:08,640

unstable behavior it's like this is an

452

00:23:13,110 --> 00:23:11,360

op this whole thing is an op right i

453

00:23:14,870 --> 00:23:13,120

don't know how many times it's not right

454

00:23:16,789 --> 00:23:14,880

here right yeah i don't i don't know how

455

00:23:18,710 --> 00:23:16,799

many times lou angelus and just to

456

00:23:20,310 --> 00:23:18,720

clarify this lewis and that's another

457

00:23:21,990 --> 00:23:20,320

thing hey lou angeles why don't you

458

00:23:23,990 --> 00:23:22,000

start paying the people that work for

459

00:23:25,669 --> 00:23:24,000

you you piece of [h__\h] why don't you

460

00:23:27,510 --> 00:23:25,679

start paying the people that way he

461

00:23:29,669 --> 00:23:27,520

takes it out for himself he said that

462

00:23:32,230 --> 00:23:29,679

all the money yeah

463

00:23:35,270 --> 00:23:32,240

dumbasses send him a super chat he

464

00:23:38,070 --> 00:23:35,280

smiles and the people that work for him

465

00:23:39,990 --> 00:23:38,080

cry because they don't get a penny of

466

00:23:41,669 --> 00:23:40,000

those super chats they don't get a penny

467

00:23:43,510 --> 00:23:41,679

of the patreon he keeps it all for

468

00:23:45,669 --> 00:23:43,520

himself and by the way isn't that

469

00:23:48,149 --> 00:23:45,679

illegal you can't just make people work

470

00:23:49,510 --> 00:23:48,159

for you for free for years

471

00:23:51,830 --> 00:23:49,520

right

472

00:23:53,909 --> 00:23:51,840

he's giving people show advice he's

473

00:23:55,990 --> 00:23:53,919

telling people what they need this is

474

00:23:58,149 --> 00:23:56,000

what you need to do to be successful be

475

00:24:00,390 --> 00:23:58,159

like me so i just want to put this out

476
00:24:03,510 --> 00:24:00,400
there oh wait i'm going to do something

477
00:24:05,669 --> 00:24:03,520
real fast here okay one second

478
00:24:07,830 --> 00:24:05,679
i just want to put this out there uh

479
00:24:12,070 --> 00:24:07,840
truthseekers is currently seeking some

480
00:24:15,110 --> 00:24:12,080
show slaves like uh lou angeles from uh

481
00:24:17,510 --> 00:24:15,120
unidentified ass licking review

482
00:24:20,070 --> 00:24:17,520
lou angeles from unidentified celebrity

483
00:24:22,390 --> 00:24:20,080
ass liquor show has slaves working for

484
00:24:24,950 --> 00:24:22,400
him he has a producer a musician he's

485
00:24:27,190 --> 00:24:24,960
got two or three co-hosts and nobody

486
00:24:28,950 --> 00:24:27,200
gets paid with him i don't think i

487
00:24:31,029 --> 00:24:28,960
should be able why should i have to

488
00:24:34,149 --> 00:24:31,039

compete with a guy who has four slaves

489

00:24:36,549 --> 00:24:34,159

working for free that shit's not fair i

490

00:24:38,710 --> 00:24:36,559

want some slaves of my own so to apply

491

00:24:40,630 --> 00:24:38,720

to be a true seeker slave we need four

492

00:24:43,830 --> 00:24:40,640

or five of them so that i could level

493

00:24:46,390 --> 00:24:43,840

the playing field with lou from united

494

00:24:49,510 --> 00:24:46,400

celebrity ass lickers or ufo celebrity

495

00:24:52,070 --> 00:24:49,520

ass liquor show i need four or five

496

00:24:54,070 --> 00:24:52,080

slaves just like he has it's not fair

497

00:24:56,149 --> 00:24:54,080

that i as a show host i'm supposed to

498

00:24:59,029 --> 00:24:56,159

compete with a show host that has four

499

00:25:01,750 --> 00:24:59,039

or five slaves that he does not pay it's

500

00:25:04,630 --> 00:25:01,760

not fair that's some [h__h] so to

501
00:25:05,909 --> 00:25:04,640
apply to be a true secret slave oh by

502
00:25:08,310 --> 00:25:05,919
the way sixth sense you're gonna be the

503
00:25:10,070 --> 00:25:08,320
first one just moderating the chat as a

504
00:25:12,070 --> 00:25:10,080
volunteer is not enough i'm gonna need

505
00:25:12,870 --> 00:25:12,080
more slave labor from you

506
00:25:15,269 --> 00:25:12,880
okay

507
00:25:17,909 --> 00:25:15,279
we gotta i have to compete with a guy

508
00:25:21,110 --> 00:25:17,919
with five slaves i don't think that [\h__\h]

509
00:25:23,110 --> 00:25:21,120
is fair joining us to comment on whether

510
00:25:25,590 --> 00:25:23,120
he would like to be a new true secret

511
00:25:28,390 --> 00:25:25,600
slave is my buddy ron

512
00:25:30,230 --> 00:25:28,400
from cosmic neighbors i already am you

513
00:25:33,029 --> 00:25:30,240

already got my 3d printers and all that

514

00:25:34,710 --> 00:25:33,039

stuff oh yeah you're right no but no but

515

00:25:36,630 --> 00:25:34,720

you got to put in like you got to put in

516

00:25:38,710 --> 00:25:36,640

like 20 30 hours a week on the true

517

00:25:40,470 --> 00:25:38,720

secret show forget your own channel

518

00:25:42,789 --> 00:25:40,480

don't worry about that you got to work

519

00:25:46,230 --> 00:25:42,799

for me ron i need four or five slaves so

520

00:25:48,070 --> 00:25:46,240

i could compete with lou angeles from uh

521

00:25:50,149 --> 00:25:48,080

unidentified

522

00:25:53,029 --> 00:25:50,159

like celebrity ass liquor show will you

523

00:25:54,789 --> 00:25:53,039

at least tell people i'm a good person

524

00:25:57,110 --> 00:25:54,799

yes you're a good person yeah absolutely

525

00:25:59,029 --> 00:25:57,120

i'll my slaves that are going to work

526
00:26:01,510 --> 00:25:59,039
for me for free are all very good people

527
00:26:03,510 --> 00:26:01,520
they care about me succeeding and being

528
00:26:06,149 --> 00:26:03,520
able to compete equally with lou from

529
00:26:08,390 --> 00:26:06,159
ucr so they're going to work for me for

530
00:26:10,149 --> 00:26:08,400
free so that i can compete

531
00:26:12,310 --> 00:26:10,159
because this guy's running around giving

532
00:26:15,110 --> 00:26:12,320
people show advice while he had slave

533
00:26:17,350 --> 00:26:15,120
labor right you know some do we call the

534
00:26:19,510 --> 00:26:17,360
labor board like this guy's got five

535
00:26:21,269 --> 00:26:19,520
slaves are they changing

536
00:26:24,149 --> 00:26:21,279
this guy is running around giving

537
00:26:27,110 --> 00:26:24,159
everybody he's given uh a bridge from

538
00:26:28,870 --> 00:26:27,120

goof on show advice and others and i

539

00:26:31,029 --> 00:26:28,880

think that's kind of [h__h] like come

540

00:26:33,110 --> 00:26:31,039

on man because he's an actor he's an

541

00:26:37,510 --> 00:26:33,120

actor like he says you know

542

00:26:42,630 --> 00:26:40,149

you know i'm not funny but he is i've

543

00:26:44,390 --> 00:26:42,640

never heard the guy be funny and you you

544

00:26:46,390 --> 00:26:44,400

know something just to jump in for a

545

00:26:48,149 --> 00:26:46,400

second so with all that drama that was

546

00:26:50,870 --> 00:26:48,159

happening right with the green street

547

00:26:52,789 --> 00:26:50,880

stuff so i kept hearing about being

548

00:26:54,310 --> 00:26:52,799

mentioned from goof on about that there

549

00:26:56,390 --> 00:26:54,320

was this

550

00:26:57,990 --> 00:26:56,400

uh podcast they did where they were

551
00:27:00,390 --> 00:26:58,000
meeting and i couldn't find it and then

552
00:27:01,430 --> 00:27:00,400
yesterday i finally found it on alien

553
00:27:03,590 --> 00:27:01,440
attic

554
00:27:05,669 --> 00:27:03,600
so i decided to watch some of it and i

555
00:27:07,590 --> 00:27:05,679
ended up watching the whole thing i was

556
00:27:08,870 --> 00:27:07,600
supposed to be on that i don't know

557
00:27:10,630 --> 00:27:08,880
i don't know wish i would have been on

558
00:27:12,870 --> 00:27:10,640
there i would have pushed him a little

559
00:27:14,950 --> 00:27:12,880
further i seen your question pop up a

560
00:27:16,710 --> 00:27:14,960
couple of times like that popped up on

561
00:27:19,590 --> 00:27:16,720
the bottom but i don't know that guy

562
00:27:21,269 --> 00:27:19,600
from a whole lot i i think i watched uh

563
00:27:23,190 --> 00:27:21,279

parts of the show a couple of times

564

00:27:25,430 --> 00:27:23,200

because of the squidding guy

565

00:27:27,350 --> 00:27:25,440

and so i was just seeing what was going

566

00:27:29,269 --> 00:27:27,360

on and i gotta tell you

567

00:27:31,190 --> 00:27:29,279

again i don't know this guy but he was

568

00:27:33,669 --> 00:27:31,200

frustrating me because

569

00:27:34,789 --> 00:27:33,679

it was like i kept thinking who made you

570

00:27:36,549 --> 00:27:34,799

mayor

571

00:27:38,710 --> 00:27:36,559

like where in a matter of fact that

572

00:27:39,590 --> 00:27:38,720

other guy rich

573

00:27:42,549 --> 00:27:39,600

came out

574

00:27:44,470 --> 00:27:42,559

like who made you the argument of truth

575

00:27:46,549 --> 00:27:44,480

like like you're the guy that tells

576

00:27:49,350 --> 00:27:46,559

people like this is what's good and this

577

00:27:51,510 --> 00:27:49,360

is what's bad like who named you mayor

578

00:27:53,029 --> 00:27:51,520

to be saying all this stuff and if

579

00:27:55,190 --> 00:27:53,039

somebody

580

00:27:57,669 --> 00:27:55,200

made him the mayor yeah but the mayor of

581

00:28:00,950 --> 00:27:57,679

the ufo circle jerk it was just so

582

00:28:03,029 --> 00:28:00,960

disingenuous oh disingenuous when he's

583

00:28:05,590 --> 00:28:03,039

saying like oh i want you to do good no

584

00:28:07,990 --> 00:28:05,600

you don't and and then every time

585

00:28:10,549 --> 00:28:08,000

somebody he criticized or he pointed out

586

00:28:13,029 --> 00:28:10,559

stuff as soon as it came back to him he

587

00:28:14,950 --> 00:28:13,039

can't take criticism that guy yeah and

588

00:28:16,870 --> 00:28:14,960

like he he was getting all tight and

589

00:28:17,830 --> 00:28:16,880

bent up and start like

590

00:28:19,909 --> 00:28:17,840

like

591

00:28:22,230 --> 00:28:19,919

[h__h] you know what i find funny now that

592

00:28:24,630 --> 00:28:22,240

you say that is is he's going ahead and

593

00:28:26,310 --> 00:28:24,640

doing the social justice warrior [h__h]

594

00:28:28,310 --> 00:28:26,320

you know which is ridiculous and it's

595

00:28:30,310 --> 00:28:28,320

okay for him to do it but then when it

596

00:28:31,590 --> 00:28:30,320

comes to the go ahead and he's he's

597

00:28:33,269 --> 00:28:31,600

saying all this

598

00:28:35,350 --> 00:28:33,279

well we shouldn't be doing this kind of

599

00:28:38,789 --> 00:28:35,360

thing this kind of thing is his co-host

600

00:28:41,110 --> 00:28:38,799

there goes ahead and says that he is or

601
00:28:42,389 --> 00:28:41,120
no no i got that backwards his co-host

602
00:28:45,029 --> 00:28:42,399
is saying we shouldn't be doing this

603
00:28:46,310 --> 00:28:45,039
stuff yet lou just did it just just two

604
00:28:47,830 --> 00:28:46,320
seconds before and i'm like this is

605
00:28:49,510 --> 00:28:47,840
[h__h] ridiculous and you want to be a

606
00:28:51,510 --> 00:28:49,520
social justice warrior how about paying

607
00:28:53,190 --> 00:28:51,520
the people that worked for you for free

608
00:28:55,590 --> 00:28:53,200
that would be some social justice she

609
00:28:57,590 --> 00:28:55,600
admitted that that's okay okay and

610
00:29:00,149 --> 00:28:57,600
that's another thing somebody checked i

611
00:29:01,029 --> 00:29:00,159
think it was area 503 checked and in one

612
00:29:06,470 --> 00:29:01,039
month

613
00:29:09,909 --> 00:29:06,480

elizondo interviews he got 2500 of his

614

00:29:12,470 --> 00:29:09,919

10 000 subscribers that's 25 of his

615

00:29:14,310 --> 00:29:12,480

subscribers he got in one month so for

616

00:29:16,789 --> 00:29:14,320

him to be selling out advice on how to

617

00:29:18,950 --> 00:29:16,799

have a better show yeah he did the ufo

618

00:29:21,190 --> 00:29:18,960

circle jerk with lou elizondo seven

619

00:29:23,510 --> 00:29:21,200

times that's where those subs came from

620

00:29:24,789 --> 00:29:23,520

and feeding people that opium garbage

621

00:29:26,630 --> 00:29:24,799

you know

622

00:29:29,430 --> 00:29:26,640

that's what everybody has them on for

623

00:29:31,430 --> 00:29:29,440

because that's for anybody that's a

624

00:29:33,750 --> 00:29:31,440

quick hundred subs for somebody or

625

00:29:35,909 --> 00:29:33,760

whatever and that's why when you see

626
00:29:38,389 --> 00:29:35,919
like how many times

627
00:29:49,190 --> 00:29:38,399
like i'm sorry

628
00:29:53,669 --> 00:29:51,590
how many times can elizon go you keep

629
00:29:54,789 --> 00:29:53,679
seeing announcements he's on his podcast

630
00:29:56,389 --> 00:29:54,799
and i

631
00:29:59,669 --> 00:29:56,399
like how many times can you listen to

632
00:30:01,430 --> 00:29:59,679
that and he said nothing yeah same thing

633
00:30:04,230 --> 00:30:01,440
yeah yeah same thing over and over it's

634
00:30:06,789 --> 00:30:04,240
just a repeat but the cracks have shown

635
00:30:09,590 --> 00:30:06,799
now that some things have been revealed

636
00:30:12,870 --> 00:30:09,600
like his nastiness is coming out and

637
00:30:15,190 --> 00:30:12,880
everything and you know it is what it is

638
00:30:16,870 --> 00:30:15,200

i just will be proven soon i think the

639

00:30:18,149 --> 00:30:16,880

only actually you know the last

640

00:30:19,590 --> 00:30:18,159

broadcast that i've seen that he had

641

00:30:21,830 --> 00:30:19,600

there the only thing that he actually

642

00:30:23,830 --> 00:30:21,840

said was that he regretted you know

643

00:30:26,310 --> 00:30:23,840

losing lou

644

00:30:28,549 --> 00:30:26,320

you know it and and i think that

645

00:30:30,630 --> 00:30:28,559

was here as well welcome josh the show

646

00:30:32,710 --> 00:30:30,640

and that's another thing i guarantee

647

00:30:35,190 --> 00:30:32,720

that he he better hope luella zondo

648

00:30:36,710 --> 00:30:35,200

comes back because if not his numbers

649

00:30:38,310 --> 00:30:36,720

are going to be in the [h__h] because

650

00:30:40,950 --> 00:30:38,320

suddenly you

651
00:30:42,870 --> 00:30:40,960
his co-host asked lou elizondo one hard

652
00:30:45,190 --> 00:30:42,880
question and now all the loot lovers are

653
00:30:47,669 --> 00:30:45,200
attacking them that that was a setup and

654
00:30:49,510 --> 00:30:47,679
you guys are turning on lou and all this

655
00:30:52,389 --> 00:30:49,520
[h__\h] so they're

656
00:30:54,310 --> 00:30:52,399
view count is about to go in the [h__\h]

657
00:30:56,230 --> 00:30:54,320
they're there there's nothing wrong with

658
00:30:58,789 --> 00:30:56,240
this but this is a true statement their

659
00:31:01,110 --> 00:30:58,799
numbers are guest driven

660
00:31:02,710 --> 00:31:01,120
look at his numbers from a year ago him

661
00:31:04,549 --> 00:31:02,720
sitting there talking by himself got

662
00:31:06,230 --> 00:31:04,559
three or five hundred views

663
00:31:09,190 --> 00:31:06,240

he's not getting ten thousand views

664

00:31:10,470 --> 00:31:09,200

without louis elizondo or some other ufo

665

00:31:12,070 --> 00:31:10,480

celebrity

666

00:31:13,830 --> 00:31:12,080

you know to sit there and lift the

667

00:31:15,350 --> 00:31:13,840

[h__\h] of

668

00:31:16,789 --> 00:31:15,360

nothing

669

00:31:18,789 --> 00:31:16,799

i'm sorry go ahead bud

670

00:31:20,630 --> 00:31:18,799

you know if he did if he did lou like

671

00:31:22,549 --> 00:31:20,640

you know when he first started or when

672

00:31:24,950 --> 00:31:22,559

you you start seeing his his videos

673

00:31:27,830 --> 00:31:24,960

there and then he never did him from

674

00:31:30,149 --> 00:31:27,840

there you're going to lose people

675

00:31:31,430 --> 00:31:30,159

clicking because you know it's been 10

676

00:31:34,230 --> 00:31:31,440

years since you well i don't know how

677

00:31:36,710 --> 00:31:34,240

many years has been 10 years since they

678

00:31:38,149 --> 00:31:36,720

even looked at your channel so

679

00:31:40,149 --> 00:31:38,159

you know i think that the number thing

680

00:31:41,669 --> 00:31:40,159

is kind of misleading in a way but if

681

00:31:43,430 --> 00:31:41,679

it's something recent and it's a recent

682

00:31:45,430 --> 00:31:43,440

topic you know

683

00:31:47,350 --> 00:31:45,440

apparently ufos is a recent topic

684

00:31:48,070 --> 00:31:47,360

especially of you know concerning today

685

00:31:50,310 --> 00:31:48,080

but

686

00:31:52,149 --> 00:31:50,320

yeah i'm thinking that

687

00:31:53,990 --> 00:31:52,159

if he had done lou years and years and

688

00:31:56,789 --> 00:31:54,000

years ago and then haven't hadn't done

689

00:31:58,549 --> 00:31:56,799

him for like 10 years or so well five

690

00:32:01,830 --> 00:31:58,559

years let's say

691

00:32:03,590 --> 00:32:01,840

i don't think his numbers would you know

692

00:32:05,509 --> 00:32:03,600

you know be increased just because he

693

00:32:08,389 --> 00:32:05,519

had lou but being that he had him on

694

00:32:10,070 --> 00:32:08,399

recently he's seen oh [h__h] look at you

695

00:32:12,630 --> 00:32:10,080

look at how much better i was doing when

696

00:32:14,149 --> 00:32:12,640

i had lou now that lou was gone because

697

00:32:17,590 --> 00:32:14,159

you all scared him away blaming

698

00:32:20,230 --> 00:32:19,190

you know i i just don't think that

699

00:32:22,870 --> 00:32:20,240

that's

700

00:32:23,830 --> 00:32:22,880

i think also that was

701

00:32:26,310 --> 00:32:23,840

like

702

00:32:28,389 --> 00:32:26,320

i i watched that show with green street

703

00:32:31,269 --> 00:32:28,399

because i like steven green street and

704

00:32:34,470 --> 00:32:31,279

so that's when i tuned in and i got to

705

00:32:37,350 --> 00:32:34,480

be honest i was just walking away from

706

00:32:39,269 --> 00:32:37,360

the computer and i heard the question

707

00:32:41,350 --> 00:32:39,279

and it made me turn around like did i

708

00:32:43,750 --> 00:32:41,360

just hear that like what did he just ask

709

00:32:46,389 --> 00:32:43,760

him and that's when i seen stephen's

710

00:32:48,470 --> 00:32:46,399

face i rewinded it and i can tell

711

00:32:50,149 --> 00:32:48,480

totally off guard and i looked at lou

712

00:32:52,710 --> 00:32:50,159

when i look at it

713

00:32:54,789 --> 00:32:52,720

i look at that guy whose face i think he

714

00:32:56,470 --> 00:32:54,799

knows he messed up i don't

715

00:32:57,269 --> 00:32:56,480

i don't think

716

00:33:06,630 --> 00:32:57,279

it

717

00:33:09,190 --> 00:33:06,640

guy just gave you a nice interview a

718

00:33:12,149 --> 00:33:09,200

long thing and then at the end to ask

719

00:33:14,950 --> 00:33:12,159

that but when stephen came back and when

720

00:33:16,630 --> 00:33:14,960

he said the guy what he said like oh

721

00:33:19,269 --> 00:33:16,640

it's it's not an email it wasn't an

722

00:33:20,950 --> 00:33:19,279

email you can i can tell that he was

723

00:33:22,630 --> 00:33:20,960

being truthful there like he was caught

724

00:33:25,350 --> 00:33:22,640

off guard yeah but that's another thing

725

00:33:27,190 --> 00:33:25,360

he did he did a cartwheel on that alien

726

00:33:29,029 --> 00:33:27,200

addict show like it was the truth it

727

00:33:31,190 --> 00:33:29,039

wasn't an email it was a text message

728

00:33:32,230 --> 00:33:31,200

come on man that's that's like a white

729

00:33:35,350 --> 00:33:32,240

lie though

730

00:33:39,430 --> 00:33:35,360

that's deceptive still right

731

00:33:41,990 --> 00:33:39,440

i stole cw chainers content uh okay uh

732

00:33:43,909 --> 00:33:42,000

cw where is he at now he's doing doll

733

00:33:46,230 --> 00:33:43,919

videos right now he didn't want to do

734

00:33:48,070 --> 00:33:46,240

this anymore and he and i are okay so

735

00:33:50,389 --> 00:33:48,080

people should not try to start [h__h]

736

00:33:53,029 --> 00:33:50,399

between the two of us you know what i i

737

00:33:55,269 --> 00:33:53,039

was i was uh he

738

00:33:57,269 --> 00:33:55,279

covered corey good i covered many

739

00:33:59,909 --> 00:33:57,279

different people and corey good and no

740

00:34:02,230 --> 00:33:59,919

offense but i'll put my investigatory uh

741

00:34:04,870 --> 00:34:02,240

pieces against his lack of any

742

00:34:06,950 --> 00:34:04,880

investigatory pieces you know it's

743

00:34:07,830 --> 00:34:06,960

apples and oranges you know whatever

744

00:34:10,470 --> 00:34:07,840

okay

745

00:34:12,629 --> 00:34:10,480

uh i did content similar to another

746

00:34:15,030 --> 00:34:12,639

content creator on youtube where i

747

00:34:17,030 --> 00:34:15,040

covered similar topics we're interested

748

00:34:19,589 --> 00:34:17,040

in similar topics so

749

00:34:22,470 --> 00:34:19,599

you know right but i don't but here's

750

00:34:24,149 --> 00:34:22,480

one thing i don't have free slave labor

751
00:34:25,589 --> 00:34:24,159
i don't have four people working for me

752
00:34:28,149 --> 00:34:25,599
for free

753
00:34:31,589 --> 00:34:28,159
and i don't have ufo celebrities getting

754
00:34:34,869 --> 00:34:31,599
me 2 500 subscribers in in a in one

755
00:34:37,270 --> 00:34:34,879
month and a pop i actually like the i i

756
00:34:38,950 --> 00:34:37,280
actually liked the format kind of like

757
00:34:41,190 --> 00:34:38,960
of the setup and everything of the show

758
00:34:43,190 --> 00:34:41,200
and i think that would have a potential

759
00:34:45,430 --> 00:34:43,200
except for the joe alexander stuff i

760
00:34:47,589 --> 00:34:45,440
understand that but like when i watch

761
00:34:49,589 --> 00:34:47,599
again again i'm really not trying i

762
00:34:50,869 --> 00:34:49,599
really don't know this guy i never spoke

763
00:34:52,629 --> 00:34:50,879

when i'm chatting with him anything so

764

00:34:54,069 --> 00:34:52,639

i'm not trying to like it sounds like

765

00:34:55,750 --> 00:34:54,079

i'm really banging him but i'm not just

766

00:34:58,230 --> 00:34:55,760

giving my opinion what i seen the other

767

00:35:00,710 --> 00:34:58,240

night and i was like who is this dude

768

00:35:02,470 --> 00:35:00,720

like he's like really off then he was

769

00:35:04,630 --> 00:35:02,480

like everybody

770

00:35:06,950 --> 00:35:04,640

and especially with goof on like with

771

00:35:09,109 --> 00:35:06,960

rich like because i watch rich too just

772

00:35:12,230 --> 00:35:09,119

like you can be and all that

773

00:35:14,069 --> 00:35:12,240

and um you know i don't know it was just

774

00:35:15,750 --> 00:35:14,079

it was a frustrating thing to watch

775

00:35:18,230 --> 00:35:15,760

because he kept preaching everybody but

776
00:35:19,910 --> 00:35:18,240
here's a question i have for you all you

777
00:35:22,870 --> 00:35:19,920
and everybody in the chat

778
00:35:24,630 --> 00:35:22,880
so now with this

779
00:35:26,790 --> 00:35:24,640
historic

780
00:35:29,589 --> 00:35:26,800
public uap hearing

781
00:35:31,510 --> 00:35:29,599
so do we thank lou elizondo for it yeah

782
00:35:33,829 --> 00:35:31,520
we thank him for that nothing burger

783
00:35:37,190 --> 00:35:33,839
he's gonna take a bow though like i did

784
00:35:39,030 --> 00:35:37,200
that you you got us a worthless hearing

785
00:35:39,910 --> 00:35:39,040
where it was pretty clear

786
00:35:41,190 --> 00:35:39,920
you know

787
00:35:42,390 --> 00:35:41,200
here's a problem that i have with the

788
00:35:44,150 --> 00:35:42,400

government if they're gonna have

789

00:35:46,230 --> 00:35:44,160

somebody that's supposed to study a

790

00:35:47,910 --> 00:35:46,240

topic they should be knowledgeable on

791

00:35:49,430 --> 00:35:47,920

that topic these guys seem like they

792

00:35:53,270 --> 00:35:49,440

didn't know

793

00:35:55,030 --> 00:35:53,280

documents were what was that other air

794

00:35:57,670 --> 00:35:55,040

air force incident

795

00:35:59,589 --> 00:35:57,680

uh they didn't know the

796

00:36:01,589 --> 00:35:59,599

is a famous ufo incident oh we're not

797

00:36:03,109 --> 00:36:01,599

familiar we don't have any that was

798

00:36:05,670 --> 00:36:03,119

shocking when you talk about missile

799

00:36:07,190 --> 00:36:05,680

silos and all that stuff and like oh the

800

00:36:09,990 --> 00:36:07,200

first i'm hearing of it

801
00:36:11,190 --> 00:36:10,000
and the way he brushed it off uh ronald

802
00:36:12,950 --> 00:36:11,200
when he said

803
00:36:14,310 --> 00:36:12,960
yeah but like things in the news like

804
00:36:15,510 --> 00:36:14,320
we're not gonna

805
00:36:18,310 --> 00:36:15,520
so right there

806
00:36:20,710 --> 00:36:18,320
you see something about our missiles

807
00:36:22,630 --> 00:36:20,720
our missile bases or nuclear

808
00:36:25,270 --> 00:36:22,640
it's because it's a paper somewhere

809
00:36:27,670 --> 00:36:25,280
you'll just dismiss that and like

810
00:36:29,990 --> 00:36:27,680
i almost think he at least initially he

811
00:36:31,990 --> 00:36:30,000
dismissed that as a conspiracy theory

812
00:36:33,349 --> 00:36:32,000
type thing so it's like i'm not even

813
00:36:35,109 --> 00:36:33,359

going to acknowledge this i mean who

814

00:36:37,109 --> 00:36:35,119

hasn't if you're if you're in the ufo

815

00:36:38,950 --> 00:36:37,119

field you've heard of it right you know

816

00:36:40,790 --> 00:36:38,960

how could you not have heard of it i

817

00:36:43,510 --> 00:36:40,800

think initially he started off saying

818

00:36:45,910 --> 00:36:43,520

something like uh like um well it wasn't

819

00:36:47,990 --> 00:36:45,920

given to us okay fair enough it wasn't

820

00:36:49,990 --> 00:36:48,000

given to you to review because it's

821

00:36:52,150 --> 00:36:50,000

already been reviewed by everybody else

822

00:37:02,870 --> 00:36:52,160

and it looks like [h__h] you know

823

00:37:08,790 --> 00:37:05,349

did you enjoy your nothing burger today

824

00:37:11,430 --> 00:37:08,800

did you enjoy that nothing burger i did

825

00:37:13,589 --> 00:37:11,440

i did i was shocked that they

826

00:37:15,750 --> 00:37:13,599

brought up the wilson davis documents

827

00:37:17,510 --> 00:37:15,760

and then the guy called him eric wilson

828

00:37:20,150 --> 00:37:17,520

i think he got his name wrong unless

829

00:37:22,630 --> 00:37:20,160

yeah he can play with wilson and

830

00:37:25,670 --> 00:37:22,640

and i thought so yeah he said eric

831

00:37:28,150 --> 00:37:25,680

wilson but i'm surprised that they

832

00:37:28,950 --> 00:37:28,160

submitted that that's you know like

833

00:37:32,310 --> 00:37:28,960

also

834

00:37:34,150 --> 00:37:32,320

that dig about people who purposefully

835

00:37:35,910 --> 00:37:34,160

float misinformation for their own

836

00:37:37,829 --> 00:37:35,920

agenda could just as could have been

837

00:37:39,349 --> 00:37:37,839

about jeremy corbell and other ufo

838

00:37:41,990 --> 00:37:39,359

grifters but it just as easily could

839

00:37:44,710 --> 00:37:42,000

have been about eric davis

840

00:37:46,470 --> 00:37:44,720

pushing this this fake story that he met

841

00:37:49,270 --> 00:37:46,480

with an admiral that was trying to get

842

00:37:51,589 --> 00:37:49,280

to the ufo truth and find the bodies and

843

00:37:53,589 --> 00:37:51,599

the wreckage and all this [h__h]

844

00:37:55,910 --> 00:37:53,599

because eric davis has been trying to

845

00:37:57,990 --> 00:37:55,920

suck off the t of government

846

00:38:00,470 --> 00:37:58,000

money for how long now

847

00:38:04,230 --> 00:38:00,480

you know he was part of this uh garbage

848

00:38:05,190 --> 00:38:04,240

awesome studying werewolves and garbage

849

00:38:07,510 --> 00:38:05,200

i don't know what the legal

850

00:38:09,670 --> 00:38:07,520

ramifications would be for

851

00:38:11,990 --> 00:38:09,680

before that knowing that this stuff is

852

00:38:14,230 --> 00:38:12,000

just totally fake um you can always

853

00:38:16,230 --> 00:38:14,240

consider it entertainment purposes this

854

00:38:17,750 --> 00:38:16,240

and this and this and that i mean but

855

00:38:19,030 --> 00:38:17,760

would they ever charge somebody like

856

00:38:21,670 --> 00:38:19,040

that

857

00:38:23,109 --> 00:38:21,680

knowingly i mean you gotta prove intent

858

00:38:25,030 --> 00:38:23,119

and that's always like the most

859

00:38:26,230 --> 00:38:25,040

difficult thing to prove

860

00:38:28,550 --> 00:38:26,240

uh yeah

861

00:38:30,950 --> 00:38:28,560

i i question whether they can actually

862

00:38:33,030 --> 00:38:30,960

legally prosecute these people i mean i

863

00:38:35,589 --> 00:38:33,040

don't know i think there needs to be new

864

00:38:38,069 --> 00:38:35,599

laws though

865

00:38:40,630 --> 00:38:38,079

i for one think that if especially when

866

00:38:41,910 --> 00:38:40,640

people do things that are

867

00:38:44,550 --> 00:38:41,920

obviously

868

00:38:47,190 --> 00:38:44,560

uh a fraud you know like if you if you

869

00:38:49,670 --> 00:38:47,200

sell a video game cover as a picture of

870

00:38:51,510 --> 00:38:49,680

a quote a genuine grey alien taken on

871

00:38:52,950 --> 00:38:51,520

the moon and then you put it behind a

872

00:38:55,349 --> 00:38:52,960

paywall and you take everybody's three

873

00:38:56,630 --> 00:38:55,359

dollars to get behind the paywall to me

874

00:38:59,109 --> 00:38:56,640

that's considered

875

00:39:01,349 --> 00:38:59,119

but you guys are really really careful

876

00:39:03,589 --> 00:39:01,359

with this and i'll tell you why i don't

877

00:39:05,990 --> 00:39:03,599

think they were talking about show hosts

878

00:39:08,310 --> 00:39:06,000

like yourself and go front of that but

879

00:39:09,750 --> 00:39:08,320

why you have to be careful what you wish

880

00:39:12,390 --> 00:39:09,760

for is

881

00:39:14,950 --> 00:39:12,400

um you see what they did with like the

882

00:39:17,829 --> 00:39:14,960

political podcasts and all that right

883

00:39:20,870 --> 00:39:17,839

when the election time and all that

884

00:39:22,550 --> 00:39:20,880

uh youtube made a decision the year

885

00:39:24,950 --> 00:39:22,560

prior or whatever that they were gonna

886

00:39:28,069 --> 00:39:24,960

give preference to actual news

887

00:39:31,190 --> 00:39:28,079

media outlets known ones and everybody

888

00:39:32,950 --> 00:39:31,200

else to trickle down like that so with

889

00:39:35,670 --> 00:39:32,960

this you don't want them like starting

890

00:39:37,589 --> 00:39:35,680

to scrutinize all the ufology channels

891

00:39:39,670 --> 00:39:37,599

and all that because they'll start

892

00:39:41,670 --> 00:39:39,680

really centering and

893

00:39:44,390 --> 00:39:41,680

and like locking stuff out if they start

894

00:39:46,390 --> 00:39:44,400

picking that it's it's like real fine

895

00:39:48,470 --> 00:39:46,400

line and i hate that when they put their

896

00:39:50,310 --> 00:39:48,480

note but i agree with you with the the

897

00:39:51,589 --> 00:39:50,320

hulk stuff and the phony and it's like

898

00:39:54,310 --> 00:39:51,599

here's the one thing and i'll let you

899

00:39:55,829 --> 00:39:54,320

guys talk this is what aggravated me you

900

00:39:58,310 --> 00:39:55,839

remember when the whole thing came out

901
00:40:00,790 --> 00:39:58,320
about people report that the people were

902
00:40:03,349 --> 00:40:00,800
getting sick from ufos and all that it

903
00:40:06,069 --> 00:40:03,359
was on twitter for days then court bell

904
00:40:08,470 --> 00:40:06,079
comes out of nowhere tweets retweets the

905
00:40:11,190 --> 00:40:08,480
story and in two hours he's on every

906
00:40:14,069 --> 00:40:11,200
news channel talking about that so he

907
00:40:15,910 --> 00:40:14,079
must have a contact but like i retweet

908
00:40:18,390 --> 00:40:15,920
stories and then goes out there and

909
00:40:20,150 --> 00:40:18,400
spews his expert crap like that

910
00:40:22,150 --> 00:40:20,160
how much of the news is totally fake

911
00:40:25,030 --> 00:40:22,160
anyways why not go to another fake

912
00:40:27,349 --> 00:40:25,040
source that that supplies even more fake

913
00:40:28,870 --> 00:40:27,359

you know [\h__\h] yeah yeah yeah okay

914

00:40:31,349 --> 00:40:28,880

yeah i'm sure that they got connections

915

00:40:33,990 --> 00:40:31,359

there yeah yeah it's or it's obvious

916

00:40:35,670 --> 00:40:34,000

always on within hours like whenever he

917

00:40:37,430 --> 00:40:35,680

retweets some

918

00:40:40,069 --> 00:40:37,440

important story or could be of

919

00:40:41,589 --> 00:40:40,079

importance he's like guaranteed within

920

00:40:43,589 --> 00:40:41,599

hours he's posting a link that he was

921

00:40:46,230 --> 00:40:43,599

just on channel five or this one like

922

00:40:47,990 --> 00:40:46,240

that every single time

923

00:40:51,030 --> 00:40:48,000

yeah well yeah and so i just want to

924

00:40:53,349 --> 00:40:51,040

mention for the viewers that we uh we're

925

00:40:56,630 --> 00:40:53,359

moving this is going to be our new time

926

00:40:58,710 --> 00:40:56,640

slot or i believe so 9 p.m uh still

927

00:41:01,670 --> 00:40:58,720

working on a new schedule and and i'll

928

00:41:03,510 --> 00:41:01,680

have that out but uh this 7 p.m is too

929

00:41:05,510 --> 00:41:03,520

hectic for me because my wife doesn't

930

00:41:08,230 --> 00:41:05,520

get home till 6 or 6 30 i'm trying to

931

00:41:11,030 --> 00:41:08,240

feed my kids get the show booted up and

932

00:41:13,510 --> 00:41:11,040

and rolling by 7 p.m this is a little

933

00:41:15,430 --> 00:41:13,520

easier today was nicer i got to have

934

00:41:18,150 --> 00:41:15,440

dinner with my family relax a little bit

935

00:41:20,790 --> 00:41:18,160

and then jump into show mode so join us

936

00:41:22,630 --> 00:41:20,800

9 p.m tomorrow night we're going to be

937

00:41:24,150 --> 00:41:22,640

talking about david wilcock and his new

938

00:41:27,990 --> 00:41:24,160

super powers

939

00:41:32,390 --> 00:41:30,150

i need the content come on champion

940

00:41:40,150 --> 00:41:32,400

let's do this

941

00:41:44,069 --> 00:41:42,150

i looked at him crying and i wanted to

942

00:41:46,390 --> 00:41:44,079

say at first you know okay it's just an

943

00:41:49,270 --> 00:41:46,400

act but then i kind of said well it's a

944

00:41:51,589 --> 00:41:49,280

pretty good act and is he is he really

945

00:41:53,510 --> 00:41:51,599

what but what is he really crying about

946

00:41:55,589 --> 00:41:53,520

is he crying because people are turning

947

00:41:57,430 --> 00:41:55,599

away from him saying look you're you're

948

00:41:59,990 --> 00:41:57,440

not making any more sense here dude you

949

00:42:02,710 --> 00:42:00,000

know i mean look look what happened

950

00:42:05,109 --> 00:42:02,720

and and he basically listen

951
00:42:07,990 --> 00:42:05,119
that stream made me want to go take a

952
00:42:10,470 --> 00:42:08,000
shower it was so gross because he he

953
00:42:13,030 --> 00:42:10,480
basically said that as a child he was

954
00:42:13,750 --> 00:42:13,040
like abducted by aliens and they ate

955
00:42:17,270 --> 00:42:13,760
them

956
00:42:21,589 --> 00:42:19,190
and then he starts crying and then he

957
00:42:22,950 --> 00:42:21,599
says like i'm not making this up but

958
00:42:25,109 --> 00:42:22,960
listen

959
00:42:27,430 --> 00:42:25,119
look if you're if you've been a victim

960
00:42:30,069 --> 00:42:27,440
of sexual abuse as a child i think one

961
00:42:32,069 --> 00:42:30,079
of the last things that you would do is

962
00:42:33,910 --> 00:42:32,079
go on a live stream

963
00:42:35,750 --> 00:42:33,920

that's monetized while you're getting

964

00:42:38,230 --> 00:42:35,760

super chats and tell everybody all about

965

00:42:41,270 --> 00:42:38,240

how you were molested by aliens patrick

966

00:42:42,870 --> 00:42:41,280

sheehan with a kind of generous 999 says

967

00:42:45,990 --> 00:42:42,880

share with your indentured servant

968

00:42:48,390 --> 00:42:46,000

stephen no i keep all the money nobody

969

00:42:50,390 --> 00:42:48,400

else gets any of the money and i missed

970

00:42:52,790 --> 00:42:50,400

another super chat i'm going to scroll

971

00:42:54,309 --> 00:42:52,800

through and find it so i apologize but

972

00:42:56,550 --> 00:42:54,319

thank you patrick c and for helping us

973

00:42:59,910 --> 00:42:56,560

to praise the cashier all the money's

974

00:43:01,589 --> 00:42:59,920

for me the slave labor works great

975

00:43:03,349 --> 00:43:01,599

stephen gives us a break we did a

976
00:43:06,069 --> 00:43:03,359
three-minute break every day i'm okay

977
00:43:07,750 --> 00:43:06,079
with that eh i'm canadian so i'm okay

978
00:43:08,950 --> 00:43:07,760
with that i'm used to getting screwed

979
00:43:10,870 --> 00:43:08,960
out in the ass you know what i'm saying

980
00:43:15,030 --> 00:43:10,880
no that's all i'm saying

981
00:43:18,230 --> 00:43:16,550
listen we i just want to make sure

982
00:43:20,309 --> 00:43:18,240
everybody understands we thank every

983
00:43:22,470 --> 00:43:20,319
single super chatter thank you tony

984
00:43:23,510 --> 00:43:22,480
mccleary kind of generous five pounds

985
00:43:26,309 --> 00:43:23,520
thank you for your kindness your

986
00:43:29,349 --> 00:43:26,319
generosity and support of the show um

987
00:43:31,510 --> 00:43:29,359
you know i uh i i need the money the

988
00:43:33,190 --> 00:43:31,520

slaves don't get any that's that's the

989

00:43:35,910 --> 00:43:33,200

way it works here we're gonna go with

990

00:43:38,309 --> 00:43:35,920

the ucr model of running a show by the

991

00:43:40,950 --> 00:43:38,319

way i need free musicians and i need a

992

00:43:43,190 --> 00:43:40,960

free producer as well sixth sense maybe

993

00:43:45,349 --> 00:43:43,200

you could be the free producer

994

00:43:47,510 --> 00:43:45,359

i can do a little bit of that

995

00:43:49,910 --> 00:43:47,520

man we got basic stuff no i have not if

996

00:43:52,870 --> 00:43:49,920

somebody's asking about where trixie is

997

00:43:55,190 --> 00:43:52,880

of course trixie is here uh and uh she's

998

00:43:58,630 --> 00:43:55,200

gonna thank everybody

999

00:44:01,589 --> 00:43:58,640

this is trixie at the exclusive truth

1000

00:44:04,230 --> 00:44:01,599

seekers ufo desk

1001
00:44:06,950 --> 00:44:04,240
and i like nothing more

1002
00:44:11,910 --> 00:44:09,750
and down the cash

1003
00:44:13,270 --> 00:44:11,920
every time you donate

1004
00:44:16,710 --> 00:44:13,280
i'm gonna get down

1005
00:44:28,069 --> 00:44:16,720
[Music]

1006
00:44:31,510 --> 00:44:29,750
praise the cash

1007
00:44:33,430 --> 00:44:31,520
ladies and gentlemen

1008
00:44:35,990 --> 00:44:33,440
you know i'd like to say one thing real

1009
00:44:38,230 --> 00:44:36,000
quick i noticed earlier with when they

1010
00:44:40,790 --> 00:44:38,240
were showing the hearings that fox news

1011
00:44:42,790 --> 00:44:40,800
was pretty much the only one that showed

1012
00:44:43,829 --> 00:44:42,800
like they said almost the entirety this

1013
00:44:45,430 --> 00:44:43,839

morning

1014

00:44:48,550 --> 00:44:45,440

and then this afternoon you know they

1015

00:44:51,349 --> 00:44:48,560

had underwood was on they had corbell on

1016

00:44:53,270 --> 00:44:51,359

and i think lou was on last night

1017

00:44:54,950 --> 00:44:53,280

i noticed that just flipping through

1018

00:44:56,470 --> 00:44:54,960

some channels that was kind of

1019

00:44:59,109 --> 00:44:56,480

interesting

1020

00:45:01,109 --> 00:44:59,119

yeah and from what i understand

1021

00:45:02,230 --> 00:45:01,119

i don't know if this is true or not but

1022

00:45:03,270 --> 00:45:02,240

i'm told

1023

00:45:05,190 --> 00:45:03,280

that

1024

00:45:07,190 --> 00:45:05,200

fox news pays

1025

00:45:09,270 --> 00:45:07,200

for certain guests

1026
00:45:11,750 --> 00:45:09,280
so you know people are like oh he does

1027
00:45:14,230 --> 00:45:11,760
these podcasts for free you know okay

1028
00:45:15,829 --> 00:45:14,240
but the fox news may be paying him he's

1029
00:45:17,990 --> 00:45:15,839
making money from confidence they always

1030
00:45:19,990 --> 00:45:18,000
do they pay they pay them if they don't

1031
00:45:22,230 --> 00:45:20,000
have an appearance contract some of them

1032
00:45:25,589 --> 00:45:22,240
get that they usually get from my buddy

1033
00:45:27,270 --> 00:45:25,599
that works in one of those 250 a pop is

1034
00:45:29,990 --> 00:45:27,280
usually what it is these short little

1035
00:45:32,150 --> 00:45:30,000
appearances now does it receive a w-2

1036
00:45:34,309 --> 00:45:32,160
for for just that for each appearance

1037
00:45:36,790 --> 00:45:34,319
let's say for instance who knows

1038
00:45:39,910 --> 00:45:36,800

what is it like a retainer no i think i

1039

00:45:42,470 --> 00:45:39,920

think they'll probably 1099 it like that

1040

00:45:45,510 --> 00:45:42,480

well i know okay i know from i know from

1041

00:45:47,670 --> 00:45:45,520

uh my experience that even even those

1042

00:45:50,230 --> 00:45:47,680

local morning raid like

1043

00:45:52,870 --> 00:45:50,240

local morning television shows you know

1044

00:45:54,790 --> 00:45:52,880

like in philly and chicago and baltimore

1045

00:45:57,190 --> 00:45:54,800

and bigger cities

1046

00:45:58,790 --> 00:45:57,200

they pay guests i've been paid to be on

1047

00:46:00,550 --> 00:45:58,800

local television

1048

00:46:02,630 --> 00:46:00,560

morning shows and they're always

1049

00:46:04,550 --> 00:46:02,640

terrible but you know and then some of

1050

00:46:06,309 --> 00:46:04,560

them just expect you to do it for free

1051
00:46:08,230 --> 00:46:06,319
to promote you know like if you're in

1052
00:46:09,670 --> 00:46:08,240
town doing a show

1053
00:46:11,109 --> 00:46:09,680
they want you to come and talk about the

1054
00:46:13,109 --> 00:46:11,119
show or something or do a little

1055
00:46:15,990 --> 00:46:13,119
something to promote the show but i

1056
00:46:18,950 --> 00:46:16,000
always went i'm not doing them because

1057
00:46:21,109 --> 00:46:18,960
my target audience is not up at 8 00 a.m

1058
00:46:23,109 --> 00:46:21,119
or 9 00 a.m you know

1059
00:46:25,670 --> 00:46:23,119
looking for what i was selling

1060
00:46:29,430 --> 00:46:25,680
essentially so i only did the paid ones

1061
00:46:34,309 --> 00:46:31,190
i'm sorry even if he's even if he's

1062
00:46:36,470 --> 00:46:34,319
doing it for free now it's perfect it's

1063
00:46:38,790 --> 00:46:36,480

you know uh like pr stuff or when his

1064

00:46:40,790 --> 00:46:38,800

book comes out you know

1065

00:46:42,710 --> 00:46:40,800

yeah he'll be all right

1066

00:46:44,309 --> 00:46:42,720

i think his timing is terrible he should

1067

00:46:45,990 --> 00:46:44,319

have dropped that book a year ago i

1068

00:46:48,550 --> 00:46:46,000

think that's why he said he was going to

1069

00:46:50,309 --> 00:46:48,560

step away from social media for a while

1070

00:46:53,030 --> 00:46:50,319

he's got to figure out how to do damage

1071

00:46:55,349 --> 00:46:53,040

control the heat was rising so you know

1072

00:46:56,870 --> 00:46:55,359

it's usually out of sight out of mind

1073

00:46:58,230 --> 00:46:56,880

like that i think that's what he wanted

1074

00:47:00,870 --> 00:46:58,240

to pull off but i don't know yeah that's

1075

00:47:04,309 --> 00:47:00,880

another thing those are taxpayer-funded

1076

00:47:06,950 --> 00:47:04,319

ufo videos and corbell is licensing them

1077

00:47:08,150 --> 00:47:06,960

he's watermarked them and every time i

1078

00:47:10,069 --> 00:47:08,160

believe

1079

00:47:12,950 --> 00:47:10,079

and corbell can correct me if i'm wrong

1080

00:47:14,870 --> 00:47:12,960

he knows where to reach me um every time

1081

00:47:17,030 --> 00:47:14,880

fox news or somebody plays one of his

1082

00:47:19,589 --> 00:47:17,040

videos he gets some money how is that

1083

00:47:21,510 --> 00:47:19,599

some [h__h] how is that his property

1084

00:47:22,630 --> 00:47:21,520

the government belongs to the government

1085

00:47:24,950 --> 00:47:22,640

yeah

1086

00:47:27,910 --> 00:47:24,960

has acknowledged and confirmed that it

1087

00:47:29,270 --> 00:47:27,920

was filmed by navy personnel

1088

00:47:31,030 --> 00:47:29,280

they have got it could have been

1089

00:47:34,069 --> 00:47:31,040

personal it could have been personal

1090

00:47:35,670 --> 00:47:34,079

phones yes i only did do the pay once

1091

00:47:37,589 --> 00:47:35,680

i don't i don't want to work for free

1092

00:47:39,349 --> 00:47:37,599

and i don't think anybody i don't think

1093

00:47:41,349 --> 00:47:39,359

anybody should work for free including

1094

00:47:42,390 --> 00:47:41,359

people working on unidentified celebrity

1095

00:47:45,349 --> 00:47:42,400

review

1096

00:47:47,829 --> 00:47:45,359

i'm gonna i did a i have a foyer i got a

1097

00:47:49,990 --> 00:47:47,839

response on about that i actually sent

1098

00:47:52,390 --> 00:47:50,000

the foyer in to ask about

1099

00:47:55,030 --> 00:47:52,400

was corbella anybody investigated over

1100

00:47:56,309 --> 00:47:55,040

those leaked videos it isn't

1101
00:47:57,910 --> 00:47:56,319
and they said

1102
00:47:59,829 --> 00:47:57,920
telling me that they have no

1103
00:48:02,710 --> 00:47:59,839
investigations going

1104
00:48:04,710 --> 00:48:02,720
and one of the guys um

1105
00:48:06,309 --> 00:48:04,720
that works with greenwald and all that

1106
00:48:08,870 --> 00:48:06,319
one of those other reports i forgot his

1107
00:48:10,950 --> 00:48:08,880
name he told me he gave me some other

1108
00:48:13,109 --> 00:48:10,960
agencies i should for you for that

1109
00:48:15,109 --> 00:48:13,119
information but they came back and said

1110
00:48:17,349 --> 00:48:15,119
we have no investigations going nothing

1111
00:48:18,950 --> 00:48:17,359
else well here's here's an experiment

1112
00:48:20,390 --> 00:48:18,960
that i was gonna do

1113
00:48:23,190 --> 00:48:20,400

and uh

1114

00:48:26,150 --> 00:48:23,200

i i still have to do it and that is

1115

00:48:27,430 --> 00:48:26,160

those three videos that lou elizondo

1116

00:48:30,150 --> 00:48:27,440

i don't want to say stole out of the

1117

00:48:31,910 --> 00:48:30,160

pentagon authorized to be released even

1118

00:48:35,750 --> 00:48:31,920

though they weren't authorized for white

1119

00:48:37,829 --> 00:48:35,760

for public viewing or whatever

1120

00:48:40,630 --> 00:48:37,839

in one form or another

1121

00:48:42,470 --> 00:48:40,640

ttsa and lou elizondo profit it from

1122

00:48:45,270 --> 00:48:42,480

those videos which are government

1123

00:48:48,069 --> 00:48:45,280

property so what i want to know is if i

1124

00:48:50,069 --> 00:48:48,079

take those same videos and take the ttsa

1125

00:48:51,990 --> 00:48:50,079

watermark off of it put them on my

1126

00:48:55,030 --> 00:48:52,000

channel and monetize it and make money

1127

00:48:57,349 --> 00:48:55,040

off of them will that be okay or will

1128

00:48:58,069 --> 00:48:57,359

somebody copyright strike me

1129

00:49:01,270 --> 00:48:58,079

yep

1130

00:49:02,790 --> 00:49:01,280

go to navi navair to the navy's uh

1131

00:49:04,390 --> 00:49:02,800

reading room before you read a room you

1132

00:49:05,910 --> 00:49:04,400

don't have to take no watermark off you

1133

00:49:07,990 --> 00:49:05,920

could download them right from there go

1134

00:49:09,510 --> 00:49:08,000

fast oh good yeah yeah they're all right

1135

00:49:12,069 --> 00:49:09,520

there so that's why help me out with

1136

00:49:13,750 --> 00:49:12,079

some links i'm curious

1137

00:49:14,790 --> 00:49:13,760

if anybody yeah i want to do i'm gonna

1138

00:49:16,470 --> 00:49:14,800

get it

1139

00:49:17,190 --> 00:49:16,480

i'm gonna do it this week

1140

00:49:19,430 --> 00:49:17,200

yeah

1141

00:49:21,990 --> 00:49:19,440

and uh and i'll report the results i'll

1142

00:49:23,510 --> 00:49:22,000

i'll take one strike to uh if somebody

1143

00:49:25,829 --> 00:49:23,520

hard strikes it i'll take it i don't

1144

00:49:27,589 --> 00:49:25,839

know they would i just posted a bunch of

1145

00:49:29,829 --> 00:49:27,599

clips on a video i uploaded about the

1146

00:49:31,270 --> 00:49:29,839

hearing today and i put a bunch of clips

1147

00:49:32,630 --> 00:49:31,280

from it and when i put it through the

1148

00:49:34,470 --> 00:49:32,640

youtube thing

1149

00:49:36,950 --> 00:49:34,480

no copyrights nothing when it comes to

1150

00:49:39,270 --> 00:49:36,960

the congress that's true fair use

1151

00:49:41,829 --> 00:49:39,280

so with those videos i mean you can't

1152

00:49:43,990 --> 00:49:41,839

just rebroadcast them without any kind

1153

00:49:45,750 --> 00:49:44,000

of commentary or something like just

1154

00:49:48,069 --> 00:49:45,760

repost them like that especially if your

1155

00:49:49,990 --> 00:49:48,079

channel's monetized but if you're on

1156

00:49:51,270 --> 00:49:50,000

there and you talk about it or there's a

1157

00:49:53,109 --> 00:49:51,280

reason for it

1158

00:49:54,150 --> 00:49:53,119

educational you know that whole crap and

1159

00:49:55,829 --> 00:49:54,160

everything

1160

00:49:58,309 --> 00:49:55,839

yeah there's something but just because

1161

00:50:00,390 --> 00:49:58,319

somebody puts their instagram yeah i'll

1162

00:50:02,470 --> 00:50:00,400

enter that video and talk about it at

1163

00:50:04,390 --> 00:50:02,480

the end i'll introduce it talk about it

1164

00:50:05,990 --> 00:50:04,400

and then i'll play it uh i'll play the

1165

00:50:07,750 --> 00:50:06,000

video and then i'll talk about it leave

1166

00:50:09,910 --> 00:50:07,760

a transparent window of you in the

1167

00:50:11,109 --> 00:50:09,920

corner or something yeah that's all you

1168

00:50:13,510 --> 00:50:11,119

have to do

1169

00:50:15,670 --> 00:50:13,520

didn't uh tom tom delong do that thing

1170

00:50:18,309 --> 00:50:15,680

where he says uh he's collecting money

1171

00:50:19,510 --> 00:50:18,319

or royalties because of his likeness or

1172

00:50:21,670 --> 00:50:19,520

something i can't think of the

1173

00:50:23,190 --> 00:50:21,680

terminology for that i mean is that

1174

00:50:25,270 --> 00:50:23,200

anytime you show his face you have to

1175

00:50:26,790 --> 00:50:25,280

pay him royalties is that what he's

1176
00:50:27,589 --> 00:50:26,800
saying

1177
00:50:28,950 --> 00:50:27,599
yeah

1178
00:50:31,510 --> 00:50:28,960
oh no

1179
00:50:33,270 --> 00:50:31,520
they have to pay him for his likeness

1180
00:50:34,950 --> 00:50:33,280
right but somehow

1181
00:50:37,270 --> 00:50:34,960
i'm not sure what they've been music and

1182
00:50:40,230 --> 00:50:37,280
everything blinking and the balls are

1183
00:50:42,069 --> 00:50:40,240
long the ball's on time the long hi we

1184
00:50:44,230 --> 00:50:42,079
took two rounds of investment totaling

1185
00:50:46,630 --> 00:50:44,240
about two million dollars none of the

1186
00:50:48,390 --> 00:50:46,640
first two two rounds of investors made a

1187
00:50:51,190 --> 00:50:48,400
penny but i'm going to tell you how

1188
00:50:52,309 --> 00:50:51,200

great we are and then solicit more

1189

00:50:53,990 --> 00:50:52,319

investment

1190

00:50:55,910 --> 00:50:54,000

which will further dilute the stock

1191

00:50:58,549 --> 00:50:55,920

which will further ensure that the first

1192

00:50:59,589 --> 00:50:58,559

two rounds of investors get paid squat

1193

00:51:02,069 --> 00:50:59,599

nothing

1194

00:51:04,549 --> 00:51:02,079

it's a it's like a ponzi scheme just

1195

00:51:07,030 --> 00:51:04,559

taking new money to spend [h__h] the old

1196

00:51:09,030 --> 00:51:07,040

investors who you know nobody got i

1197

00:51:11,270 --> 00:51:09,040

cannot find a single investor that will

1198

00:51:13,510 --> 00:51:11,280

even talk to me because i think that

1199

00:51:15,430 --> 00:51:13,520

most of the people who gave them money

1200

00:51:17,670 --> 00:51:15,440

are embarrassed because it was it

1201

00:51:19,349 --> 00:51:17,680

basically maybe they feel like they got

1202

00:51:21,910 --> 00:51:19,359

conned or scammed and they don't want to

1203

00:51:23,910 --> 00:51:21,920

talk about it you know but i'm i i know

1204

00:51:25,670 --> 00:51:23,920

of at least one person i was told that

1205

00:51:27,589 --> 00:51:25,680

this person gave them fifty thousand

1206

00:51:29,750 --> 00:51:27,599

dollars

1207

00:51:32,470 --> 00:51:29,760

and i don't get to go for that penny

1208

00:51:34,230 --> 00:51:32,480

back i don't think you got anything back

1209

00:51:37,030 --> 00:51:34,240

well it's obviously these people are

1210

00:51:38,470 --> 00:51:37,040

making money off uh stuff that isn't

1211

00:51:40,870 --> 00:51:38,480

what it is i mean

1212

00:51:42,230 --> 00:51:40,880

you know i mean look look what what uh

1213

00:51:44,630 --> 00:51:42,240

mick west had said there you know with

1214

00:51:46,950 --> 00:51:44,640

the green pyramid thing the thing is it

1215

00:51:49,589 --> 00:51:46,960

it wasn't what it was but yet he still

1216

00:51:52,069 --> 00:51:49,599

made money off it so in that way is it

1217

00:51:53,829 --> 00:51:52,079

entertainment purposes only and and i

1218

00:51:56,470 --> 00:51:53,839

know one of these research or these

1219

00:51:58,150 --> 00:51:56,480

people these frauds started putting that

1220

00:52:00,790 --> 00:51:58,160

on their channel in their in their uh

1221

00:52:02,150 --> 00:52:00,800

description for entertainment purposes i

1222

00:52:05,030 --> 00:52:02,160

can't remember which one i'll have to

1223

00:52:06,790 --> 00:52:05,040

let get back on you with that but and

1224

00:52:10,470 --> 00:52:06,800

i'm wondering if that's the reason for

1225

00:52:11,670 --> 00:52:10,480

it you know because they know about that

1226
00:52:13,589 --> 00:52:11,680
oh sorry

1227
00:52:14,549 --> 00:52:13,599
i'll go ahead lord yeah they opened up

1228
00:52:16,549 --> 00:52:14,559
now

1229
00:52:18,630 --> 00:52:16,559
they talked about that yeah they talked

1230
00:52:20,950 --> 00:52:18,640
about that in the hearing about they

1231
00:52:23,030 --> 00:52:20,960
called it amateur but amateur could be

1232
00:52:27,270 --> 00:52:23,040
anyone even if they recently stepped

1233
00:52:30,710 --> 00:52:27,280
down from let's say a pentagon position

1234
00:52:34,069 --> 00:52:30,720
you know because he's doing those uh

1235
00:52:38,549 --> 00:52:36,470
disappointing with that whole hearing

1236
00:52:40,230 --> 00:52:38,559
i'm sorry i thought you would i'm i

1237
00:52:41,829 --> 00:52:40,240
apologize um

1238
00:52:42,870 --> 00:52:41,839

sometimes you got to slap me to shut me

1239

00:52:43,990 --> 00:52:42,880

up um

1240

00:52:45,510 --> 00:52:44,000

was that

1241

00:52:46,630 --> 00:52:45,520

you know you have

1242

00:52:51,829 --> 00:52:46,640

the two

1243

00:52:53,589 --> 00:52:51,839

all the congressmen they're reading from

1244

00:52:55,750 --> 00:52:53,599

their notes of course i don't expect

1245

00:52:57,510 --> 00:52:55,760

them to memorize some you can tell who's

1246

00:52:59,670 --> 00:52:57,520

really been handed a card and hasn't

1247

00:53:01,589 --> 00:52:59,680

seen anything yet how they're reading

1248

00:53:03,510 --> 00:53:01,599

word for word everything

1249

00:53:05,349 --> 00:53:03,520

but you would think knowing that these

1250

00:53:07,750 --> 00:53:05,359

hearings were coming up

1251

00:53:09,750 --> 00:53:07,760

that they would have looked to

1252

00:53:11,430 --> 00:53:09,760

online because don't think that none of

1253

00:53:13,270 --> 00:53:11,440

them know about the community or

1254

00:53:15,750 --> 00:53:13,280

anything like that and look to see how

1255

00:53:18,069 --> 00:53:15,760

to who may be a prominent

1256

00:53:20,309 --> 00:53:18,079

person scientific wise or whatever that

1257

00:53:21,190 --> 00:53:20,319

they could have also called in or at

1258

00:53:22,950 --> 00:53:21,200

least

1259

00:53:24,470 --> 00:53:22,960

got questions i don't expect them to

1260

00:53:26,870 --> 00:53:24,480

testify next to

1261

00:53:29,829 --> 00:53:26,880

uh the dod and all that stuff and o and

1262

00:53:31,510 --> 00:53:29,839

i but i mean at least get some questions

1263

00:53:33,510 --> 00:53:31,520

say like hey

1264

00:53:34,950 --> 00:53:33,520

like what can i really present out there

1265

00:53:37,430 --> 00:53:34,960

instead of just like talking about

1266

00:53:39,109 --> 00:53:37,440

wilson memos and stuff like that that's

1267

00:53:40,870 --> 00:53:39,119

the kind of stuff we don't want to keep

1268

00:53:43,829 --> 00:53:40,880

bringing up that crap

1269

00:53:45,750 --> 00:53:43,839

you know yeah

1270

00:53:48,069 --> 00:53:45,760

people people are doing victory laps

1271

00:53:49,430 --> 00:53:48,079

like they discussed the wilson documents

1272

00:53:52,630 --> 00:53:49,440

in this hearing

1273

00:53:54,230 --> 00:53:52,640

oh god like they're such [h__\h] the

1274

00:53:56,950 --> 00:53:54,240

admiral and

1275

00:53:59,030 --> 00:53:56,960

listen the admiral mentioned in them

1276
00:54:02,470 --> 00:53:59,040
said that they were a work of fiction

1277
00:54:04,230 --> 00:54:02,480
and also uh there was another person uh

1278
00:54:07,190 --> 00:54:04,240
mentioned in

1279
00:54:09,829 --> 00:54:07,200
richard dolan's you know 18-hour trying

1280
00:54:11,829 --> 00:54:09,839
to prove their real explanation with his

1281
00:54:14,470 --> 00:54:11,839
anonymous sources and another anonymous

1282
00:54:16,549 --> 00:54:14,480
source that other admiral that was

1283
00:54:18,950 --> 00:54:16,559
mentioned as possibly being involved

1284
00:54:21,910 --> 00:54:18,960
said we have nothing we don't have any

1285
00:54:23,829 --> 00:54:21,920
crash retrievals we don't have anything

1286
00:54:25,750 --> 00:54:23,839
you know and and even in this hearing

1287
00:54:27,750 --> 00:54:25,760
they said we have nothing

1288
00:54:30,069 --> 00:54:27,760

which i'm not sure

1289

00:54:31,270 --> 00:54:30,079

i mean yeah that's what he said but it's

1290

00:54:34,790 --> 00:54:31,280

all great

1291

00:54:37,510 --> 00:54:34,800

that the ufos that the ufo community are

1292

00:54:40,950 --> 00:54:37,520

all rah-rah-rah you will also we have

1293

00:54:43,510 --> 00:54:40,960

biological samples we have crashed you

1294

00:54:45,270 --> 00:54:43,520

know we have uh exotic materials and

1295

00:54:47,990 --> 00:54:45,280

then the hearing takes place we don't

1296

00:54:51,109 --> 00:54:48,000

have anything the o and i came right out

1297

00:54:53,589 --> 00:54:51,119

and just said he says no we do not have

1298

00:54:55,510 --> 00:54:53,599

anything that's non-terrestrial

1299

00:54:58,549 --> 00:54:55,520

in our possession right he said it

1300

00:55:00,230 --> 00:54:58,559

straight out like now of course

1301
00:55:01,430 --> 00:55:00,240
do you believe him or not that's the

1302
00:55:03,430 --> 00:55:01,440
question of course you're going to have

1303
00:55:04,789 --> 00:55:03,440
people that say he's just lying you're

1304
00:55:07,030 --> 00:55:04,799
going to have people say he's telling

1305
00:55:08,549 --> 00:55:07,040
the truth but he did address that and i

1306
00:55:11,190 --> 00:55:08,559
was just happy about that because

1307
00:55:12,870 --> 00:55:11,200
there's so many times whenever officials

1308
00:55:14,950 --> 00:55:12,880
are asked not in a public hearing of

1309
00:55:17,270 --> 00:55:14,960
course but out there that they gloss

1310
00:55:19,190 --> 00:55:17,280
right over and just say other or things

1311
00:55:21,589 --> 00:55:19,200
like that at least this time

1312
00:55:24,230 --> 00:55:21,599
they did address the words extra

1313
00:55:25,829 --> 00:55:24,240

terrestrial and all that so but it

1314

00:55:27,990 --> 00:55:25,839

didn't state that

1315

00:55:29,829 --> 00:55:28,000

there's nothing at least he knows of but

1316

00:55:32,470 --> 00:55:29,839

but here's something did you guys catch

1317

00:55:34,710 --> 00:55:32,480

it too and ladies out there

1318

00:55:36,150 --> 00:55:34,720

i found interesting was

1319

00:55:37,750 --> 00:55:36,160

um

1320

00:55:40,230 --> 00:55:37,760

the the other gentleman what is it

1321

00:55:42,069 --> 00:55:40,240

mootree ronald moultrie is his name you

1322

00:55:44,710 --> 00:55:42,079

know i'm pronouncing the wrong tree or

1323

00:55:46,829 --> 00:55:44,720

whatever um where he said when he was

1324

00:55:48,630 --> 00:55:46,839

asked about

1325

00:55:54,069 --> 00:55:48,640

um

1326

00:55:56,390 --> 00:55:54,079

not just about crash retrievals or

1327

00:55:58,309 --> 00:55:56,400

anything but he said that nothing i that

1328

00:56:00,390 --> 00:55:58,319

we have on contract

1329

00:56:02,150 --> 00:56:00,400

or whatever in other words saying

1330

00:56:04,309 --> 00:56:02,160

nothing i don't know about anything

1331

00:56:06,789 --> 00:56:04,319

that's official but like that leaves the

1332

00:56:08,950 --> 00:56:06,799

door opens of like anything that's on

1333

00:56:11,109 --> 00:56:08,960

the books i don't know about but in

1334

00:56:13,190 --> 00:56:11,119

other words can they be black ops going

1335

00:56:15,030 --> 00:56:13,200

on

1336

00:56:17,829 --> 00:56:15,040

did you know that you talked about blue

1337

00:56:19,270 --> 00:56:17,839

on blue they mentioned the blue on blue

1338

00:56:20,630 --> 00:56:19,280

you know but i'm kind of surprised and i

1339

00:56:23,109 --> 00:56:20,640

was hoping somebody was going to ask him

1340

00:56:24,470 --> 00:56:23,119

about that 23 minute video

1341

00:56:25,829 --> 00:56:24,480

like you're going to ask about wilson

1342

00:56:27,990 --> 00:56:25,839

davis but you're not going to ask about

1343

00:56:30,309 --> 00:56:28,000

the 23-minute video

1344

00:56:32,069 --> 00:56:30,319

which which lou did mention and i got

1345

00:56:33,589 --> 00:56:32,079

the recording of it he did mention it so

1346

00:56:35,510 --> 00:56:33,599

he can say that he didn't mention it i

1347

00:56:36,630 --> 00:56:35,520

mean or or other people can say that he

1348

00:56:39,670 --> 00:56:36,640

didn't mention it but he definitely

1349

00:56:43,270 --> 00:56:39,680

mentioned it no doubt no doubt

1350

00:56:46,549 --> 00:56:45,190

with the military base with the nukes i

1351
00:56:48,390 --> 00:56:46,559
mean those guys didn't know that 10

1352
00:56:49,670 --> 00:56:48,400
nukes got shut down even if it was in

1353
00:56:51,270 --> 00:56:49,680
the past i mean you would think that

1354
00:56:55,190 --> 00:56:51,280
that would be something that would

1355
00:56:57,510 --> 00:56:55,200
exactly exactly like i was shocked

1356
00:57:00,630 --> 00:56:57,520
yeah that's odd isn't it very odd that

1357
00:57:02,950 --> 00:57:00,640
we say nothing about that

1358
00:57:04,710 --> 00:57:02,960
no i was glad that he'd come out and he

1359
00:57:07,270 --> 00:57:04,720
he said it straight up like you said

1360
00:57:10,150 --> 00:57:07,280
there von you know terrestrial not

1361
00:57:12,150 --> 00:57:10,160
extraterrestrial terrestrial you know

1362
00:57:14,470 --> 00:57:12,160
and then then i i guess at some point

1363
00:57:16,470 --> 00:57:14,480

later it was something like um

1364

00:57:17,750 --> 00:57:16,480

um it's something to quell the people

1365

00:57:19,829 --> 00:57:17,760

that are like saying oh there's a

1366

00:57:21,670 --> 00:57:19,839

mystery no we're not just saying this

1367

00:57:25,430 --> 00:57:21,680

because we're lying it's because it's

1368

00:57:27,109 --> 00:57:25,440

the truth you know in in so many words

1369

00:57:29,510 --> 00:57:27,119

i i think

1370

00:57:31,829 --> 00:57:29,520

i i i you know i know a lot of look put

1371

00:57:33,990 --> 00:57:31,839

it this way when the triangle the

1372

00:57:35,750 --> 00:57:34,000

pyramid thing when i had made a video

1373

00:57:36,950 --> 00:57:35,760

about that i think i told stevens a

1374

00:57:39,270 --> 00:57:36,960

while back

1375

00:57:40,710 --> 00:57:39,280

and i said when i see mick west and i

1376

00:57:42,870 --> 00:57:40,720

said he made a point with the boca

1377

00:57:45,109 --> 00:57:42,880

effect but i said i believe it's a drone

1378

00:57:47,030 --> 00:57:45,119

you know with the faa regulation

1379

00:57:49,349 --> 00:57:47,040

blinking and whatever

1380

00:57:51,829 --> 00:57:49,359

and i received one of those disposable

1381

00:57:54,950 --> 00:57:51,839

emails that disappear like in 10 minutes

1382

00:57:57,190 --> 00:57:54,960

telling me about how

1383

00:57:59,349 --> 00:57:57,200

it's not a it's not a triangle it was a

1384

00:58:01,990 --> 00:57:59,359

pyramid you idiot that's what they tell

1385

00:58:04,470 --> 00:58:02,000

me and then they leave it off by saying

1386

00:58:16,069 --> 00:58:04,480

and may your kids die of cancer like

1387

00:58:20,549 --> 00:58:17,910

and if you don't have kids may they be

1388

00:58:22,470 --> 00:58:20,559

born with it and i just shook it off but

1389

00:58:24,230 --> 00:58:22,480

then that stuck in my crawl for a while

1390

00:58:25,750 --> 00:58:24,240

and i was like i want to make a video

1391

00:58:27,750 --> 00:58:25,760

actually telling the person to come to

1392

00:58:30,230 --> 00:58:27,760

queens but i said i ain't going to go

1393

00:58:32,950 --> 00:58:30,240

there i was just like

1394

00:58:36,390 --> 00:58:34,710

that is this is the great this is the

1395

00:58:37,349 --> 00:58:36,400

great evidence we got today in the

1396

00:58:38,069 --> 00:58:37,359

hearing

1397

00:59:08,950 --> 00:58:38,079

a

1398

00:59:11,510 --> 00:59:08,960

driving

1399

00:59:13,030 --> 00:59:11,520

but you can somehow you could fly a 30

1400

00:59:15,510 --> 00:59:13,040

million

1401

00:59:17,670 --> 00:59:15,520

aircraft that mach 2 and be on your

1402

00:59:20,710 --> 00:59:17,680

iphone filming balloons and that's

1403

00:59:22,390 --> 00:59:20,720

perfectly okay it doesn't make any sense

1404

00:59:24,069 --> 00:59:22,400

yes mark that is your picture thank you

1405

00:59:26,710 --> 00:59:24,079

for emailing that to me i don't think

1406

00:59:28,549 --> 00:59:26,720

they have popo up in the sky so

1407

00:59:30,390 --> 00:59:28,559

really you could do whatever you want

1408

00:59:33,109 --> 00:59:30,400

you know what i'm saying like

1409

00:59:35,190 --> 00:59:33,119

who's gonna stop you at that point like

1410

00:59:37,589 --> 00:59:35,200

no no cops gonna pull these side jingle

1411

00:59:42,390 --> 00:59:37,599

uh excuse you sir you know

1412

00:59:51,829 --> 00:59:44,549

a hearing on the house floor and they're

1413

00:59:56,950 --> 00:59:54,069

and the best part was when they showed

1414

00:59:59,109 --> 00:59:56,960

that right when when mr pray goes and

1415

01:00:02,230 --> 00:59:59,119

i'm gonna show you this new one and it

1416

01:00:04,309 --> 01:00:02,240

goes he goes you see there it is

1417

01:00:06,230 --> 01:00:04,319

just keep going didn't even stop to say

1418

01:00:07,670 --> 01:00:06,240

let's rewind that i think adam schiff

1419

01:00:09,990 --> 01:00:07,680

had to ask

1420

01:00:12,630 --> 01:00:10,000

can you show us that because like he

1421

01:00:14,549 --> 01:00:12,640

just went and there it is like that

1422

01:00:18,870 --> 01:00:14,559

could have put the media player in slow

1423

01:00:21,589 --> 01:00:18,880

motion you know at least at least

1424

01:00:23,430 --> 01:00:21,599

yeah i i don't know i don't understand i

1425

01:00:25,990 --> 01:00:23,440

don't understand all the all the fan

1426

01:00:27,990 --> 01:00:26,000

boys that are like you know they're

1427

01:00:29,990 --> 01:00:28,000

they're i saw earlier people are trying

1428

01:00:33,030 --> 01:00:30,000

to spin it as a big win

1429

01:00:33,750 --> 01:00:33,040

and to me uh it's not a win it's a it's

1430

01:01:16,390 --> 01:00:33,760

a

1431

01:01:17,990 --> 01:01:16,400

2001 when i'm telling you everybody in

1432

01:01:19,589 --> 01:01:18,000

the ufos was

1433

01:01:21,349 --> 01:01:19,599

swearing up and down

1434

01:01:22,710 --> 01:01:21,359

that steven greer was going to do this

1435

01:01:25,510 --> 01:01:22,720

disclosure

1436

01:01:27,589 --> 01:01:25,520

uh you know event at the national press

1437

01:01:29,109 --> 01:01:27,599

club and then all the lawmakers were

1438

01:01:30,549 --> 01:01:29,119

going to be forced the congressmen the

1439

01:01:32,069 --> 01:01:30,559

senators are all going to be forced to

1440

01:01:35,990 --> 01:01:32,079

hold open hearings and we're going to

1441

01:01:38,549 --> 01:01:36,000

get disclosure that was 2001 man

1442

01:01:40,870 --> 01:01:38,559

and then 2017 rolls around and tom

1443

01:01:42,150 --> 01:01:40,880

delong he's got all these government

1444

01:01:44,630 --> 01:01:42,160

friends he's going to bring us

1445

01:01:46,390 --> 01:01:44,640

disclosure that was five years ago

1446

01:01:48,549 --> 01:01:46,400

now we've got the lou

1447

01:01:50,870 --> 01:01:48,559

fan club that think lou elizondo is

1448

01:01:52,470 --> 01:01:50,880

somehow going to bring us disclosure

1449

01:01:54,789 --> 01:01:52,480

i i think the people who haven't been

1450

01:01:57,430 --> 01:01:54,799

here long enough haven't seen this this

1451

01:01:59,430 --> 01:01:57,440

sort of looping pattern it's coming any

1452

01:02:01,109 --> 01:01:59,440

day now you know and then

1453

01:02:03,829 --> 01:02:01,119

here's what you get with the disclosure

1454

01:02:05,029 --> 01:02:03,839

crowd looping pattern you get a bunch of

1455

01:02:06,470 --> 01:02:05,039

people

1456

01:02:08,950 --> 01:02:06,480

hying up an event

1457

01:02:11,430 --> 01:02:08,960

like these hearings today for example or

1458

01:02:13,589 --> 01:02:11,440

that uap report there was the same level

1459

01:02:15,670 --> 01:02:13,599

of hype hying that all up this is going

1460

01:02:18,950 --> 01:02:15,680

to be some big deal and then what you

1461

01:02:20,789 --> 01:02:18,960

actually get is a big old nothing burger

1462

01:02:23,349 --> 01:02:20,799

and then everybody scurries away and

1463

01:02:25,589 --> 01:02:23,359

makes excuses kicks the can no no the

1464

01:02:28,470 --> 01:02:25,599

next hearing is going to be the big one

1465

01:02:29,510 --> 01:02:28,480

this was just an opening you know

1466

01:02:33,990 --> 01:02:29,520

it's just

1467

01:02:35,910 --> 01:02:34,000

it is that's weird

1468

01:02:38,630 --> 01:02:35,920

have faith it's coming disclosure's

1469

01:02:41,349 --> 01:02:38,640

coming any day now you know i don't know

1470

01:02:44,390 --> 01:02:41,359

i was hyped up over remember obviously

1471

01:02:47,510 --> 01:02:44,400

stephen greer but i remember back in the

1472

01:02:49,750 --> 01:02:47,520

90s right so i'm 51.

1473

01:02:52,549 --> 01:02:49,760

so i've seen all these cycles this is

1474

01:02:54,549 --> 01:02:52,559

going back many decades so it just keeps

1475

01:02:56,470 --> 01:02:54,559

coming and i ended up at the end of the

1476

01:02:57,910 --> 01:02:56,480

eighties it was bob lazar for a while i

1477

01:02:58,950 --> 01:02:57,920

was gonna bring us and i was on that

1478

01:03:00,950 --> 01:02:58,960

train

1479

01:03:03,829 --> 01:03:00,960

they've gotta they've gotta admit it

1480

01:03:06,230 --> 01:03:03,839

because we've got a whistleblower

1481

01:03:08,230 --> 01:03:06,240

now a scientist a former government

1482

01:03:10,390 --> 01:03:08,240

scientist years later you find out that

1483

01:03:12,950 --> 01:03:10,400

he was a convicted fake scientist with a

1484

01:03:15,829 --> 01:03:12,960

fake education that fixed computers at a

1485

01:03:18,069 --> 01:03:15,839

lab as a subcontractor that's that's the

1486

01:03:20,390 --> 01:03:18,079

expensive you know and bob don't make

1487

01:03:23,670 --> 01:03:20,400

the the fight the failing list either

1488

01:03:26,390 --> 01:03:25,029

yeah yeah

1489

01:03:28,230 --> 01:03:26,400

but that's why they don't want to that's

1490

01:03:30,789 --> 01:03:28,240

why they want to stop it you know they

1491

01:03:32,789 --> 01:03:30,799

don't want anything before 2004 because

1492

01:03:34,870 --> 01:03:32,799

if you go back this is reminiscent of

1493

01:03:37,349 --> 01:03:34,880

like the 60s when they did the blue book

1494

01:03:40,150 --> 01:03:37,359

condom report all that stuff you know

1495

01:03:42,230 --> 01:03:40,160

what i mean it's like here crowd we'll

1496

01:03:44,470 --> 01:03:42,240

throw you some crumbs because you know

1497

01:03:46,470 --> 01:03:44,480

we know you want some crap or not yeah i

1498

01:03:48,950 --> 01:03:46,480

gotta take in front of schneider don't

1499

01:03:51,910 --> 01:03:48,960

share that dumb [h__\h] in my live chat

1500

01:03:55,510 --> 01:03:51,920

that's the dumb [h__\h] who doxed me

1501

01:03:58,309 --> 01:03:55,520

uh and uh released my legal name and

1502

01:04:01,109 --> 01:03:58,319

street address and then or no i'm sorry

1503

01:04:02,630 --> 01:04:01,119

he released my legal name and my street

1504

01:04:05,029 --> 01:04:02,640

name

1505

01:04:06,789 --> 01:04:05,039

but then he said i didn't dox you like

1506

01:04:08,470 --> 01:04:06,799

anybody couldn't take those two things

1507

01:04:11,670 --> 01:04:08,480

and put them right into google first

1508

01:04:14,390 --> 01:04:11,680

result is my address yes he doxed me

1509

01:04:16,870 --> 01:04:14,400

and the fister goon squad

1510

01:04:19,029 --> 01:04:16,880

uh yeah by the way the sister goon squad

1511

01:04:20,470 --> 01:04:19,039

is doing cartwheels about that list they

1512

01:04:23,829 --> 01:04:20,480

love it they love it and they're

1513

01:04:26,069 --> 01:04:23,839

spreading disinformation this this dumb

1514

01:04:28,630 --> 01:04:26,079

[h__\h] sister said everybody on that

1515

01:04:30,549 --> 01:04:28,640

list doesn't believe ufos and uap are

1516

01:04:33,190 --> 01:04:30,559

real they're all posers or something

1517

01:04:35,750 --> 01:04:33,200

like that and i mean stephen greer's on

1518

01:04:38,630 --> 01:04:35,760

that list there's 50 people on this list

1519

01:04:39,510 --> 01:04:38,640

that are all covering ufos i'm pretty

1520

01:04:40,870 --> 01:04:39,520

sure

1521

01:04:43,109 --> 01:04:40,880

that most of the people in there at

1522

01:04:45,029 --> 01:04:43,119

least believe in the possibility of ufos

1523

01:04:46,630 --> 01:04:45,039

but this is the uh

1524

01:04:49,349 --> 01:04:46,640

this is the

1525

01:04:52,230 --> 01:04:49,359

disinformation that's being spread

1526

01:04:57,349 --> 01:04:52,240

i keep hearing that the taliban

1527

01:05:01,910 --> 01:04:59,349

did you see the talibans on the list in

1528

01:05:03,829 --> 01:05:01,920

the bottom right

1529

01:05:05,349 --> 01:05:03,839

yeah they took that off they took that

1530

01:05:07,349 --> 01:05:05,359

off and it was good

1531

01:05:09,349 --> 01:05:07,359

oh did they argue with them to take that

1532

01:05:12,549 --> 01:05:09,359

off because that's implying we're all

1533

01:05:15,750 --> 01:05:15,029

which which lou had said something on

1534

01:05:19,829 --> 01:05:15,760

the

1535

01:05:21,910 --> 01:05:19,839

really like 80 real researchers and

1536

01:05:24,069 --> 01:05:21,920

stuff so so think of this if there's

1537

01:05:26,549 --> 01:05:24,079

only 80 and i don't remember which lou

1538

01:05:27,750 --> 01:05:26,559

said it there's only 80 and there's 55

1539

01:05:29,990 --> 01:05:27,760

in that list that means that there's

1540

01:05:31,910 --> 01:05:30,000

what the 30 25

1541

01:05:33,829 --> 01:05:31,920

left over that are actually telling the

1542

01:05:36,470 --> 01:05:33,839

truth that aren't frauds that aren't

1543

01:05:38,789 --> 01:05:36,480

felons

1544

01:05:40,870 --> 01:05:38,799

said this is history in the making yeah

1545

01:05:43,829 --> 01:05:40,880

it's another nothing burger in the

1546

01:05:46,390 --> 01:05:43,839

history of ufos that means nothing will

1547

01:05:47,910 --> 01:05:46,400

lead to nothing and will change nothing

1548

01:05:49,270 --> 01:05:47,920

good

1549

01:05:52,230 --> 01:05:49,280

you know what i see come out of this

1550

01:05:54,150 --> 01:05:52,240

this this hearing for uaps is okay you

1551

01:05:55,910 --> 01:05:54,160

got one of two things the government's

1552

01:05:57,430 --> 01:05:55,920

lying oh yeah that's that's always going

1553

01:05:58,950 --> 01:05:57,440

to be there and then you got the other

1554

01:06:01,349 --> 01:05:58,960

side that says see i told you they were

1555

01:06:04,390 --> 01:06:01,359

fake you know it's actually causing more

1556

01:06:06,309 --> 01:06:04,400

division if you think of it at least

1557

01:06:07,670 --> 01:06:06,319

that's how i see it josh and artemis is

1558

01:06:09,829 --> 01:06:07,680

asking me does anybody know who made

1559

01:06:12,150 --> 01:06:09,839

that list yes it was a brand new

1560

01:06:14,069 --> 01:06:12,160

nameless faceless twitter account that

1561

01:06:14,950 --> 01:06:14,079

only posts pro

1562

01:06:20,230 --> 01:06:14,960

lou

1563

01:06:22,630 --> 01:06:20,240

elizondo is the savior of disclosure in

1564

01:06:24,710 --> 01:06:22,640

the ufo world and everybody that doesn't

1565

01:06:26,230 --> 01:06:24,720

like him is a terrorist maybe it was

1566

01:06:27,589 --> 01:06:26,240

richard butt

1567

01:06:29,750 --> 01:06:27,599

yeah

1568

01:06:31,029 --> 01:06:29,760

josh i'll send you the or josh an artist

1569

01:06:32,309 --> 01:06:31,039

i'll send you the name there i'm not

1570

01:06:34,390 --> 01:06:32,319

going to link it in here i'm not going

1571

01:06:35,910 --> 01:06:34,400

to link any of those fools you know i

1572

01:06:37,990 --> 01:06:35,920

don't even want any attention brought to

1573

01:06:40,069 --> 01:06:38,000

these fools you know as far as

1574

01:06:42,710 --> 01:06:40,079

i appreciate that you know and i do know

1575

01:06:44,390 --> 01:06:42,720

that some people i think vessler was

1576

01:06:46,230 --> 01:06:44,400

suspended off of twitter but i don't

1577

01:06:47,029 --> 01:06:46,240

know if that that was related i don't

1578

01:06:51,349 --> 01:06:47,039

know

1579

01:06:53,750 --> 01:06:51,359

can get away with doxing people

1580

01:06:56,470 --> 01:06:53,760

directing people to crowdstrike other

1581

01:06:59,750 --> 01:06:56,480

youtube channels that they disagree with

1582

01:07:01,270 --> 01:06:59,760

if this is just a wild west out here

1583

01:07:03,510 --> 01:07:01,280

i can't get away with any of that [\h__\h]

1584

01:07:05,750 --> 01:07:03,520

if i did any of that i would get my

1585

01:07:07,430 --> 01:07:05,760

channel would be deleted instantly

1586

01:07:08,789 --> 01:07:07,440

yes you would think somebody was telling

1587

01:07:10,630 --> 01:07:08,799

you about life

1588

01:07:12,390 --> 01:07:10,640

the way they go about this it's just

1589

01:07:14,630 --> 01:07:12,400

insane

1590

01:07:16,230 --> 01:07:14,640

like that i had somebody wish death on

1591

01:07:18,390 --> 01:07:16,240

my kids would be born with cancer

1592

01:07:19,589 --> 01:07:18,400

because i said a freaking thing might be

1593

01:07:21,750 --> 01:07:19,599

a drone

1594

01:07:24,069 --> 01:07:21,760

i get emails like that and did you know

1595

01:07:27,349 --> 01:07:24,079

around somebody and i suspect it's from

1596

01:07:28,950 --> 01:07:27,359

that same crew of lose goons somebody

1597

01:07:31,430 --> 01:07:28,960

came in my live chat and actually

1598

01:07:33,029 --> 01:07:31,440

threatened my family and my wife by name

1599

01:07:34,630 --> 01:07:33,039

you know they said something like oh she

1600

01:07:37,270 --> 01:07:34,640

looks great tonight i'm outside your

1601

01:07:37,280 --> 01:07:40,789

i lost my goddamn mind

1602

01:07:44,390 --> 01:07:42,630

somebody somebody

1603

01:07:46,309 --> 01:07:44,400

made a new youtube account came in the

1604

01:07:48,470 --> 01:07:46,319

live chat and did that and then deleted

1605

01:07:51,029 --> 01:07:48,480

the youtube account so that the messages

1606

01:07:53,029 --> 01:07:51,039

were no longer in the live chat

1607

01:07:55,670 --> 01:07:53,039

but youtube still has that though

1608

01:07:57,270 --> 01:07:55,680

believe that they do perhaps yeah

1609

01:07:59,029 --> 01:07:57,280

yeah legally they have to keep those

1610

01:08:01,190 --> 01:07:59,039

things for well it used to be two years

1611

01:08:03,190 --> 01:08:01,200

i think they jumped it up to five years

1612

01:08:05,029 --> 01:08:03,200

yeah compliance records yes

1613

01:08:06,789 --> 01:08:05,039

yep so so even though these people

1614

01:08:08,390 --> 01:08:06,799

delete these files and it doesn't matter

1615

01:08:09,510 --> 01:08:08,400

if it's on twitter facebook youtube

1616

01:08:11,750 --> 01:08:09,520

doesn't matter

1617

01:08:14,069 --> 01:08:11,760

all of them have to comply with this you

1618

01:08:18,229 --> 01:08:14,079

they have to retain the records of every

1619

01:08:22,390 --> 01:08:20,470

there's another issue with this dumb

1620

01:08:24,149 --> 01:08:22,400

[h__\h] louis elizondo releasing

1621

01:08:25,990 --> 01:08:24,159

private messages without permission of

1622

01:08:28,870 --> 01:08:26,000

both parties i don't know if that's

1623

01:08:29,910 --> 01:08:28,880

legal but not in california i know that

1624

01:08:31,669 --> 01:08:29,920

the

1625

01:08:33,590 --> 01:08:31,679

a few people mentioned on that list were

1626

01:08:35,510 --> 01:08:33,600

throwing around legal terms like libel

1627

01:08:38,229 --> 01:08:35,520

and slander if somebody were to sue lou

1628

01:08:40,709 --> 01:08:38,239

elizondo they would get subpoena rights

1629

01:08:43,189 --> 01:08:40,719

and they would also get the right to

1630

01:08:45,269 --> 01:08:43,199

depose him he would have to sit there

1631

01:08:47,349 --> 01:08:45,279

all day and answer any questions that

1632

01:08:49,030 --> 01:08:47,359

they wanted him to i don't think he

1633

01:08:51,510 --> 01:08:49,040

wants to go

1634

01:08:53,189 --> 01:08:51,520

go tell a judge i have an nda i can't

1635

01:08:55,910 --> 01:08:53,199

talk about that

1636

01:08:58,550 --> 01:08:55,920

don't tell a judge that right and if if

1637

01:09:01,030 --> 01:08:58,560

people start subpoenaing subpoenaing

1638

01:09:04,229 --> 01:09:01,040

things like personal private messages

1639

01:09:07,269 --> 01:09:04,239

that mention me in lou elizondo's emails

1640

01:09:08,950 --> 01:09:07,279

or personal private emails or his phone

1641

01:09:11,669 --> 01:09:08,960

records or

1642

01:09:13,829 --> 01:09:11,679

you can get everything a subpoena he

1643

01:09:16,149 --> 01:09:13,839

doesn't want to open that can of worms

1644

01:09:18,309 --> 01:09:16,159

he ought to back off and stop doing

1645

01:09:20,550 --> 01:09:18,319

slimy things like that because he could

1646

01:09:22,149 --> 01:09:20,560

get people in trouble too because you

1647

01:09:25,430 --> 01:09:22,159

never know i'm sure he still has

1648

01:09:27,669 --> 01:09:25,440

contacts within the government oh yeah

1649

01:09:29,910 --> 01:09:27,679

no i'm just saying they're speculating

1650

01:09:32,309 --> 01:09:29,920

but um i would feel pretty confident

1651

01:09:33,990 --> 01:09:32,319

that he reaches out to people and that

1652

01:09:36,070 --> 01:09:34,000

could come out and get people in trouble

1653

01:09:37,910 --> 01:09:36,080

who maybe he's handed him information on

1654

01:09:39,990 --> 01:09:37,920

people that shouldn't be doing that you

1655

01:09:42,550 --> 01:09:40,000

know what i mean so it's it's really bad

1656

01:09:45,110 --> 01:09:42,560

i just think that for him

1657

01:09:46,630 --> 01:09:45,120

and again i don't know eliza like

1658

01:09:49,030 --> 01:09:46,640

most of us don't know him from a hole in

1659

01:09:51,189 --> 01:09:49,040

the wall personally but like for the guy

1660

01:09:53,510 --> 01:09:51,199

that came out with all that stuff to now

1661

01:09:54,950 --> 01:09:53,520

like how he condones his stuff and

1662

01:09:56,790 --> 01:09:54,960

everything and instead of just stepping

1663

01:09:58,790 --> 01:09:56,800

away or ignoring it like

1664

01:10:00,229 --> 01:09:58,800

i see a lot of issues well he did is the

1665

01:10:02,630 --> 01:10:00,239

one that came out and said he wants to

1666

01:10:04,229 --> 01:10:02,640

tear and burn down ufology and people

1667

01:10:06,070 --> 01:10:04,239

say oh it was just a metaphor or

1668

01:10:08,229 --> 01:10:06,080

something well he's doing a good job of

1669

01:10:10,950 --> 01:10:08,239

it he's providing people he's turning

1670

01:10:13,910 --> 01:10:10,960

people against each other he's turning

1671

01:10:16,709 --> 01:10:13,920

people against content creators who he

1672

01:10:19,030 --> 01:10:16,719

disagrees with or doesn't like and you

1673

01:10:21,430 --> 01:10:19,040

know i i have a huge problem with that

1674

01:10:23,350 --> 01:10:21,440

like if be a man lou elizondo why don't

1675

01:10:25,750 --> 01:10:23,360

you why don't you grow a set of balls

1676

01:10:28,149 --> 01:10:25,760

you're five foot one [h__h] right why

1677

01:10:30,870 --> 01:10:28,159

don't you grow a set of balls you bitter

1678

01:10:33,350 --> 01:10:30,880

he is a bitter angry little man he is

1679

01:10:36,229 --> 01:10:33,360

why don't you come and face your critics

1680

01:10:38,630 --> 01:10:36,239

answer some hard questions and not do

1681

01:10:41,110 --> 01:10:38,640

all this slimy shady [h__h] in the

1682

01:10:42,870 --> 01:10:41,120

background or have your goon squad do it

1683

01:10:44,709 --> 01:10:42,880

for you because

1684

01:10:47,430 --> 01:10:44,719

listen i think that people are starting

1685

01:10:49,990 --> 01:10:47,440

to realize that he's he may be a lot

1686

01:10:52,709 --> 01:10:50,000

more involved with all of this than than

1687

01:10:55,910 --> 01:10:52,719

he can deny right why would all these

1688

01:10:57,910 --> 01:10:55,920

people be viciously viciously

1689

01:11:01,430 --> 01:10:57,920

trying to discredit anybody asking

1690

01:11:03,990 --> 01:11:01,440

questions viciously viciously trying to

1691

01:11:05,990 --> 01:11:04,000

turn people against people asking

1692

01:11:08,870 --> 01:11:06,000

questions

1693

01:11:10,790 --> 01:11:08,880

damaging people's reputation my name's

1694

01:11:13,270 --> 01:11:10,800

out there all these people are asking me

1695

01:11:15,669 --> 01:11:13,280

if i'm a criminal no i'm not i'm not a

1696

01:11:18,390 --> 01:11:15,679

felon i i must be one of the mentally

1697

01:11:20,149 --> 01:11:18,400

unstable people that he mentioned

1698

01:11:22,229 --> 01:11:20,159

i'm mentally unstable because i don't

1699

01:11:24,229 --> 01:11:22,239

believe his [h__\h]

1700

01:11:27,110 --> 01:11:24,239

and if anybody wants to know what lou

1701

01:11:29,750 --> 01:11:27,120

alzando's true motive is read the letter

1702

01:11:32,229 --> 01:11:29,760

to the ag that he wrote complaining

1703

01:11:33,270 --> 01:11:32,239

because they would not verify his fake

1704

01:11:35,750 --> 01:11:33,280

[h__\h]

1705

01:11:37,750 --> 01:11:35,760

job as a director of a pentagon ufo

1706

01:11:41,510 --> 01:11:37,760

program that did not even exist it was

1707

01:11:43,910 --> 01:11:41,520

on cnn tonight yeah in the letter

1708

01:11:45,590 --> 01:11:43,920

he specifically says in that letter you

1709

01:11:47,669 --> 01:11:45,600

guys doing this

1710

01:11:49,910 --> 01:11:47,679

is is uh

1711

01:11:52,550 --> 01:11:49,920

making it very difficult for me to make

1712

01:11:54,709 --> 01:11:52,560

a living for myself and my family so

1713

01:11:57,750 --> 01:11:54,719

basically what he says in this letter is

1714

01:11:59,990 --> 01:11:57,760

if you guys don't verify my fake role in

1715

01:12:02,390 --> 01:12:00,000

a fake pentagon program that does not

1716

01:12:04,229 --> 01:12:02,400

exist as the director you know it was a

1717

01:12:06,870 --> 01:12:04,239

program oh it was an activity not a

1718

01:12:09,030 --> 01:12:06,880

program if you guys don't start backing

1719

01:12:11,510 --> 01:12:09,040

up my fake ufo claims i'm gonna have a

1720

01:12:13,510 --> 01:12:11,520

hard time making a living so he's

1721

01:12:15,910 --> 01:12:13,520

spelling out i'm trying to make money

1722

01:12:18,870 --> 01:12:15,920

off of ufos and you pentagon people

1723

01:12:20,870 --> 01:12:18,880

telling people i had no direct role i

1724

01:12:23,510 --> 01:12:20,880

didn't have a leadership role the

1725

01:12:24,950 --> 01:12:23,520

program lou was not in the program he

1726

01:12:28,390 --> 01:12:24,960

wasn't the director of the program

1727

01:12:30,550 --> 01:12:28,400

they're messing up his ufo grant that's

1728

01:12:31,750 --> 01:12:30,560

what it's about here it's about the ufo

1729

01:12:33,270 --> 01:12:31,760

powers

1730

01:12:35,350 --> 01:12:33,280

he was counting on being able to have

1731

01:12:37,350 --> 01:12:35,360

that dirt which it's already stuck to

1732

01:12:39,910 --> 01:12:37,360

his name but

1733

01:12:42,070 --> 01:12:39,920

now he's saying or sean cahill saying he

1734

01:12:44,310 --> 01:12:42,080

was the director for 24 hours while i

1735

01:12:46,470 --> 01:12:44,320

changed hands and he was

1736

01:12:49,750 --> 01:12:46,480

at the counter intelligence parts it

1737

01:12:52,310 --> 01:12:49,760

sounds like i was the boss for 24 hours

1738

01:12:53,590 --> 01:12:52,320

he said he was ahead of it for 10 years

1739

01:12:56,310 --> 01:12:53,600

he said he was the head of that

1740

01:12:58,470 --> 01:12:56,320

government's ufo pentagon program for 10

1741

01:13:00,630 --> 01:12:58,480

years he's trying to get that he's

1742

01:13:03,350 --> 01:13:00,640

trying to get the ufo dollars get it

1743

01:13:06,070 --> 01:13:03,360

grab him while you can well zondo all

1744

01:13:08,390 --> 01:13:06,080

those ufo dollars are going away there's

1745

01:13:11,990 --> 01:13:08,400

cracks everywhere the house of cards is

1746

01:13:13,910 --> 01:13:12,000

falling down it's all going away and in

1747

01:13:16,229 --> 01:13:13,920

two years here's my prediction in two

1748

01:13:18,870 --> 01:13:16,239

years louis elizado is going to be just

1749

01:13:21,910 --> 01:13:18,880

another ufo grifter like linda mont

1750

01:13:22,870 --> 01:13:21,920

hattie duty or like

1751

01:13:25,030 --> 01:13:22,880

let's see

1752

01:13:26,870 --> 01:13:25,040

uh richard dolan or any of the other

1753

01:13:28,550 --> 01:13:26,880

people running around all the ufo

1754

01:13:30,630 --> 01:13:28,560

conferences telling their fairy tales

1755

01:13:32,950 --> 01:13:30,640

with their fake dead sources or their

1756

01:13:35,510 --> 01:13:32,960

fake witnesses their fake anonymous

1757

01:13:38,149 --> 01:13:35,520

sources tell him ufo huckster you know

1758

01:13:39,590 --> 01:13:38,159

telling ufo fairy tales that's what he's

1759

01:13:42,310 --> 01:13:39,600

going to be in two years he's going to

1760

01:13:44,709 --> 01:13:42,320

be just another one of these ufo

1761

01:13:48,070 --> 01:13:44,719

celebrity grifters and joining us is

1762

01:13:49,590 --> 01:13:48,080

jeremy rise alien scientist is here

1763

01:13:50,630 --> 01:13:49,600

hey what's up man

1764

01:13:52,070 --> 01:13:50,640

what's happening

1765

01:13:54,149 --> 01:13:52,080

how's it going eh

1766

01:13:57,030 --> 01:13:54,159

a real scientist just to see that hey

1767

01:14:00,630 --> 01:13:57,040

this is an awesome day uh we look

1768

01:14:04,630 --> 01:14:00,640

forward to this one all year huh

1769

01:14:06,550 --> 01:14:04,640

nothing burger man oh [h__h] you butt

1770

01:14:08,310 --> 01:14:06,560

how can we know more about this subject

1771

01:14:10,390 --> 01:14:08,320

than the people you know briefing

1772

01:14:11,990 --> 01:14:10,400

congress

1773

01:14:13,669 --> 01:14:12,000

in the house like

1774

01:14:14,390 --> 01:14:13,679

you know exactly jeremy could you

1775

01:14:16,470 --> 01:14:14,400

imagine

1776

01:14:18,229 --> 01:14:16,480

if you and i got to sit there together

1777

01:14:20,709 --> 01:14:18,239

and you and i got to talk through what

1778

01:14:23,270 --> 01:14:20,719

we would show them and tell them like we

1779

01:14:25,669 --> 01:14:23,280

would just destroy all these ufo

1780

01:14:28,470 --> 01:14:25,679

celebrities like all of this this is

1781

01:14:30,950 --> 01:14:28,480

boca why is this guy getting paid on fox

1782

01:14:33,110 --> 01:14:30,960

news for showing people fake ufo footage

1783

01:14:34,870 --> 01:14:33,120

claiming it's alien pyramids

1784

01:14:37,189 --> 01:14:34,880

why is louis elizondo allowed to

1785

01:14:39,990 --> 01:14:37,199

basically you know uh

1786

01:14:41,830 --> 01:14:40,000

borrow pentagon ufo videos and then

1787

01:14:44,149 --> 01:14:41,840

profit from them for five years straight

1788

01:14:46,950 --> 01:14:44,159

and then cry when the pentagon

1789

01:14:48,870 --> 01:14:46,960

contradicts his story

1790

01:14:51,270 --> 01:14:48,880

they would have been crying when we were

1791

01:14:53,030 --> 01:14:51,280

done if we got an hour to brief these

1792

01:14:55,590 --> 01:14:53,040

senators about what's really going on

1793

01:15:00,630 --> 01:14:59,110

yeah it's it's true um i

1794

01:15:02,550 --> 01:15:00,640

i like almost

1795

01:15:04,390 --> 01:15:02,560

i've been written to all my senators and

1796

01:15:06,149 --> 01:15:04,400

all my congressmen locally here in rhode

1797

01:15:07,590 --> 01:15:06,159

island it's a small state and i figured

1798

01:15:09,430 --> 01:15:07,600

if any of them were interested in it

1799

01:15:11,030 --> 01:15:09,440

like then i'd have their attention

1800

01:15:12,630 --> 01:15:11,040

because with the emails that i've sent

1801
01:15:13,669 --> 01:15:12,640
them you know and the information that

1802
01:15:15,350 --> 01:15:13,679
i've put

1803
01:15:16,149 --> 01:15:15,360
in those emails

1804
01:15:17,830 --> 01:15:16,159
um

1805
01:15:21,189 --> 01:15:17,840
but i don't know i've just had no

1806
01:15:23,350 --> 01:15:21,199
interest i've had no response here and

1807
01:15:25,430 --> 01:15:23,360
you know uh

1808
01:15:27,189 --> 01:15:25,440
what do you think about the

1809
01:15:29,030 --> 01:15:27,199
you have this um

1810
01:15:34,709 --> 01:15:29,040
i

1811
01:15:39,270 --> 01:15:34,719
um

1812
01:15:40,870 --> 01:15:39,280
what's what was his name the uh the the

1813
01:15:42,870 --> 01:15:40,880

one that was saying

1814

01:15:46,950 --> 01:15:42,880

that yeah what are the consequences for

1815

01:15:50,790 --> 01:15:49,110

yeah purposefully yeah i like that

1816

01:15:53,430 --> 01:15:50,800

pushing misinformation for their own

1817

01:15:56,149 --> 01:15:53,440

agenda i think some of the senators may

1818

01:15:58,630 --> 01:15:56,159

have looked into this and gotten a sense

1819

01:16:01,590 --> 01:15:58,640

that people like louisando or people

1820

01:16:02,550 --> 01:16:01,600

like jeremy corbell are purposefully

1821

01:16:04,630 --> 01:16:02,560

getting

1822

01:16:06,870 --> 01:16:04,640

at least those two have purposefully

1823

01:16:09,430 --> 01:16:06,880

gotten government property and pushed it

1824

01:16:10,390 --> 01:16:09,440

as something that it clearly is not

1825

01:16:12,470 --> 01:16:10,400

yeah

1826

01:16:14,870 --> 01:16:12,480

i feel they addressed that though i

1827

01:16:15,990 --> 01:16:14,880

thought that they addressed that by them

1828

01:16:17,430 --> 01:16:16,000

saying

1829

01:16:18,630 --> 01:16:17,440

that

1830

01:16:20,630 --> 01:16:18,640

they're they're

1831

01:16:22,790 --> 01:16:20,640

lying they're straight up line and they

1832

01:16:24,390 --> 01:16:22,800

don't care what they're doing because

1833

01:16:26,630 --> 01:16:24,400

it's not

1834

01:16:28,630 --> 01:16:26,640

what they're saying it is so the

1835

01:16:30,470 --> 01:16:28,640

government does not care

1836

01:16:32,390 --> 01:16:30,480

they're not going to pursue it

1837

01:16:35,030 --> 01:16:32,400

lou better watch out he's got adam

1838

01:16:37,669 --> 01:16:35,040

russiagate shift on the case so

1839

01:16:39,910 --> 01:16:37,679

you better watch out

1840

01:16:41,110 --> 01:16:39,920

yeah i thought that was funny too this

1841

01:16:42,390 --> 01:16:41,120

guy

1842

01:16:43,590 --> 01:16:42,400

shifted he stopped being in a

1843

01:16:45,270 --> 01:16:43,600

congressional hearing where they're

1844

01:16:47,350 --> 01:16:45,280

talking about misinformation he's like

1845

01:16:48,470 --> 01:16:47,360

the king of the fake russian

1846

01:16:50,550 --> 01:16:48,480

whole thing

1847

01:16:52,070 --> 01:16:50,560

and and he has still never i heard

1848

01:16:53,830 --> 01:16:52,080

somebody ask him about that and he's

1849

01:16:55,910 --> 01:16:53,840

still kind of double down he's he's not

1850

01:16:58,149 --> 01:16:55,920

willing to let that go

1851

01:17:00,229 --> 01:16:58,159

it was all russian misinformation same

1852

01:17:14,470 --> 01:17:00,239

thing it looks like a guy from toy story

1853

01:17:20,229 --> 01:17:17,510

this was like the in-person uap report

1854

01:17:22,630 --> 01:17:20,239

remember we got the nine-page public one

1855

01:17:25,350 --> 01:17:22,640

and then the annex the classified annex

1856

01:17:27,669 --> 01:17:25,360

and that was today we get the public

1857

01:17:29,350 --> 01:17:27,679

hearing and then they get the

1858

01:17:31,510 --> 01:17:29,360

classified one

1859

01:17:33,750 --> 01:17:31,520

and it's just corny because

1860

01:17:36,229 --> 01:17:33,760

i would love to know though like you

1861

01:17:38,149 --> 01:17:36,239

know when they did bring up the

1862

01:17:39,910 --> 01:17:38,159

underwater sensors

1863

01:17:42,390 --> 01:17:39,920

like of course you know subs and all

1864

01:17:44,229 --> 01:17:42,400

that stuff i i would like i'm curious

1865

01:17:46,550 --> 01:17:44,239

like what we got going on under there

1866

01:17:49,350 --> 01:17:46,560

because like somebody said before

1867

01:17:51,590 --> 01:17:49,360

we know more way more about the

1868

01:17:54,070 --> 01:17:51,600

landscape of mars than we do of our own

1869

01:17:55,830 --> 01:17:54,080

oceans i think i know like less than ten

1870

01:17:58,070 --> 01:17:55,840

percent of

1871

01:18:01,189 --> 01:17:58,080

that from what i the last that stats i

1872

01:18:02,870 --> 01:18:01,199

heard which is insane but

1873

01:18:05,590 --> 01:18:02,880

i mean i don't know we can ask you

1874

01:18:08,470 --> 01:18:05,600

what's 10 million miles away with a

1875

01:18:10,149 --> 01:18:08,480

uh washing machine size probe but we

1876

01:18:12,709 --> 01:18:10,159

can't figure out something to go down

1877

01:18:15,189 --> 01:18:12,719

under pressure

1878

01:18:19,270 --> 01:18:15,199

i think it was the 1950s the look up so

1879

01:18:21,350 --> 01:18:19,280

far s-o-f-a-r and they had triangulation

1880

01:18:23,270 --> 01:18:21,360

on this so far channel there's a spot

1881

01:18:25,910 --> 01:18:23,280

the sweet spot down in the ocean where

1882

01:18:27,590 --> 01:18:25,920

there's a sound channel where sound

1883

01:18:29,510 --> 01:18:27,600

that's where the whales go down to to

1884

01:18:32,149 --> 01:18:29,520

actually communicate over many many

1885

01:18:34,149 --> 01:18:32,159

miles of distance uh on those really low

1886

01:18:35,830 --> 01:18:34,159

frequencies and so they have a lot of

1887

01:18:38,310 --> 01:18:35,840

these uh systems set up with

1888

01:18:39,910 --> 01:18:38,320

triangulation in across the pacific

1889

01:18:41,590 --> 01:18:39,920

ocean they had them set up during world

1890

01:18:42,630 --> 01:18:41,600

war ii uh

1891

01:18:44,470 --> 01:18:42,640

as a

1892

01:18:46,070 --> 01:18:44,480

to detect you know crap

1893

01:18:48,709 --> 01:18:46,080

any type of a boat would sink or an

1894

01:18:49,910 --> 01:18:48,719

airplane would crash or lost sailors and

1895

01:18:52,149 --> 01:18:49,920

um

1896

01:18:53,990 --> 01:18:52,159

they in their emergency kits if they got

1897

01:18:56,950 --> 01:18:54,000

stranded at sea they used to have these

1898

01:18:59,270 --> 01:18:56,960

um small spheres these just metal

1899

01:19:01,830 --> 01:18:59,280

spheres they were called sofar spheres

1900

01:19:03,669 --> 01:19:01,840

sofar and they would just they were

1901

01:19:05,430 --> 01:19:03,679

instructed to drop one into the water

1902

01:19:07,350 --> 01:19:05,440

and and then wait another half an hour

1903

01:19:10,390 --> 01:19:07,360

and drop another one into the water

1904

01:19:11,990 --> 01:19:10,400

and um and then

1905

01:19:13,350 --> 01:19:12,000

what those spheres would do is like a

1906

01:19:14,709 --> 01:19:13,360

depth charge it will go down to a

1907

01:19:17,110 --> 01:19:14,719

certain light it will go down to that so

1908

01:19:18,390 --> 01:19:17,120

far channel and implode and it will

1909

01:19:20,790 --> 01:19:18,400

and that

1910

01:19:23,189 --> 01:19:20,800

noise will be picked up by these

1911

01:19:25,350 --> 01:19:23,199

these microphone systems that are in pla

1912

01:19:27,510 --> 01:19:25,360

that were in place during world war ii

1913

01:19:29,270 --> 01:19:27,520

so i mean just imagine what they have

1914

01:19:31,590 --> 01:19:29,280

now with the the amount of funding you

1915

01:19:32,950 --> 01:19:31,600

know i could if me and my scientists

1916

01:19:34,550 --> 01:19:32,960

friends had to sit there and think about

1917

01:19:36,310 --> 01:19:34,560

how do we build detectors to track

1918

01:19:37,510 --> 01:19:36,320

what's moving around in our oceans you

1919

01:19:39,990 --> 01:19:37,520

damn well we could come up with some

1920

01:19:41,590 --> 01:19:40,000

pretty ingenious stuff of course i mean

1921

01:19:43,590 --> 01:19:41,600

baker is saying that sean cahill was

1922

01:19:45,030 --> 01:19:43,600

being interviewed with blue on some show

1923

01:19:47,110 --> 01:19:45,040

sean started insulting people in the

1924

01:19:49,030 --> 01:19:47,120

chat room during the interview and uh

1925

01:19:51,510 --> 01:19:49,040

there's new information i heard on this

1926

01:19:53,910 --> 01:19:51,520

uh josh and artemis show that uh

1927

01:19:55,030 --> 01:19:53,920

louis elizondo is doing an interview

1928

01:19:56,950 --> 01:19:55,040

this week

1929

01:19:59,510 --> 01:19:56,960

with somebody that is turning off the

1930

01:20:02,470 --> 01:19:59,520

live chat and the comments

1931

01:20:05,030 --> 01:20:02,480

because i i guess lou elizondo is is

1932

01:20:07,350 --> 01:20:05,040

such a bitter angry little man that he

1933

01:20:09,030 --> 01:20:07,360

can't take and when he was on uh

1934

01:20:10,790 --> 01:20:09,040

theories of everything he was people

1935

01:20:13,350 --> 01:20:10,800

were people were talking [h__h] on me in

1936

01:20:15,110 --> 01:20:13,360

the live chat people are attacking me

1937

01:20:17,030 --> 01:20:15,120

it's so ridiculous that a former

1938

01:20:18,310 --> 01:20:17,040

military man has such a thin skin that

1939

01:20:20,870 --> 01:20:18,320

he needs yeah

1940

01:20:23,030 --> 01:20:20,880

he's got to argue with people

1941

01:20:25,830 --> 01:20:23,040

i swear maybe he's cracking up maybe he

1942

01:20:27,750 --> 01:20:25,840

sits there with actual sock puppets like

1943

01:20:29,510 --> 01:20:27,760

he's gonna say some [h__h] about me i'm

1944

01:20:30,790 --> 01:20:29,520

gonna post some [h__h] on you on twitter

1945

01:20:32,709 --> 01:20:30,800

yeah

1946

01:20:35,750 --> 01:20:32,719

i'm looking at what jeremy was talking

1947

01:20:36,550 --> 01:20:35,760

about i'm on this so far ocean dot com

1948

01:20:38,149 --> 01:20:36,560

well

1949

01:20:39,669 --> 01:20:38,159

but they're showing like the devices

1950

01:20:40,950 --> 01:20:39,679

like these

1951

01:20:45,430 --> 01:20:40,960

it's pretty cool

1952

01:20:49,669 --> 01:20:47,270

i'm curious think about that five

1953

01:20:52,629 --> 01:20:49,679

percent of the oceans so we always talk

1954

01:20:54,790 --> 01:20:52,639

about ufos what about usos

1955

01:20:56,950 --> 01:20:54,800

right well when they when they brought

1956

01:20:59,110 --> 01:20:56,960

that up in the in the hearing about the

1957

01:21:01,350 --> 01:20:59,120

well what about the underwater stuff or

1958

01:21:02,790 --> 01:21:01,360

the the trans medium stuff they they

1959

01:21:05,990 --> 01:21:02,800

hush straight up they're like uh we'll

1960

01:21:08,149 --> 01:21:06,000

have to speak uh in closed doors yeah

1961

01:21:10,470 --> 01:21:08,159

that was like i'm like oh yeah well be

1962

01:21:15,430 --> 01:21:10,480

part of that conversation yeah

1963

01:21:19,110 --> 01:21:17,110

fly in the room right

1964

01:21:21,350 --> 01:21:19,120

yeah that would have been something

1965

01:21:22,229 --> 01:21:21,360

should have said something about it you

1966

01:21:24,390 --> 01:21:22,239

know

1967

01:21:27,350 --> 01:21:24,400

at least lie about it for crying out

1968

01:21:30,070 --> 01:21:27,360

loud something but nothing

1969

01:21:32,390 --> 01:21:30,080

i i really feel that that

1970

01:21:33,590 --> 01:21:32,400

one you have not the triangle jeremy

1971

01:21:35,750 --> 01:21:33,600

stuff crap

1972

01:21:37,830 --> 01:21:35,760

though the first one they showed that

1973

01:21:39,990 --> 01:21:37,840

the only thing they showed that little

1974

01:21:42,310 --> 01:21:40,000

orb or balloon whatever it was

1975

01:21:43,910 --> 01:21:42,320

i think that was kind of like okay the

1976

01:21:45,669 --> 01:21:43,920

public ufo community they've been

1977

01:21:47,350 --> 01:21:45,679

screaming they want public hearings here

1978

01:21:49,110 --> 01:21:47,360

give us a little nugget and i'll now

1979

01:21:51,270 --> 01:21:49,120

shut up that's it

1980

01:21:53,590 --> 01:21:51,280

like david yeah nobody else has seen it

1981

01:21:57,510 --> 01:21:53,600

right nobody else has seen that

1982

01:22:02,149 --> 01:21:59,350

i mean i've seen a balloon at high

1983

01:22:03,030 --> 01:22:02,159

altitude in an airplane before and it's

1984

01:22:04,790 --> 01:22:03,040

you know

1985

01:22:06,310 --> 01:22:04,800

if you don't know what you're looking at

1986

01:22:08,149 --> 01:22:06,320

it's easy to mistake it as something

1987

01:22:09,750 --> 01:22:08,159

more than it is right

1988

01:22:11,030 --> 01:22:09,760

could it also be an attempt i mean i

1989

01:22:13,110 --> 01:22:11,040

just thought of this could also be an

1990

01:22:15,189 --> 01:22:13,120

attempt to say look how ridiculous this

1991

01:22:17,350 --> 01:22:15,199

study is i mean you know i mean we're

1992

01:22:19,910 --> 01:22:17,360

we're we're looking at balloons floating

1993

01:22:23,350 --> 01:22:19,920

in the air and that's how we you know

1994

01:22:24,390 --> 01:22:23,360

like like there you go like that it was

1995

01:22:26,870 --> 01:22:24,400

you know

1996

01:22:29,110 --> 01:22:26,880

i'm curious if that video the one that's

1997

01:22:31,430 --> 01:22:29,120

the balloon going by out by the cockpit

1998

01:22:34,149 --> 01:22:31,440

if that's the video that lou was talking

1999

01:22:36,229 --> 01:22:34,159

about being in a war zone

2000

01:22:37,030 --> 01:22:36,239

some of them get right up by the cockpit

2001

01:22:39,510 --> 01:22:37,040

you know

2002

01:22:41,110 --> 01:22:39,520

yeah talking about your war zone

2003

01:22:44,310 --> 01:22:41,120

so i'm curious if that's the one that he

2004

01:22:46,310 --> 01:22:44,320

was talking about you know back way back

2005

01:22:48,550 --> 01:22:46,320

but did you i don't know i'm just tired

2006

01:22:51,110 --> 01:22:48,560

of nothing burgers from that guy no but

2007

01:22:53,590 --> 01:22:51,120

wait we do have three videos in five

2008

01:22:55,270 --> 01:22:53,600

years that prove nothing and and you're

2009

01:22:57,030 --> 01:22:55,280

at the top of the game of this thing

2010

01:22:58,390 --> 01:22:57,040

it's it's absolutely ridiculous to me

2011

01:23:00,709 --> 01:22:58,400

come on man but did you hear the

2012

01:23:03,510 --> 01:23:00,719

congressman talk about he was bringing

2013

01:23:05,669 --> 01:23:03,520

up the five observables and they said

2014

01:23:06,790 --> 01:23:05,679

that they don't have data on anything

2015

01:23:09,910 --> 01:23:06,800

that

2016

01:23:11,669 --> 01:23:09,920

are like hitting those five observables

2017

01:23:12,709 --> 01:23:11,679

you know the ones that lou alexander

2018

01:23:15,910 --> 01:23:12,719

about

2019

01:23:17,030 --> 01:23:15,920

uh what was it trans medium this the

2020

01:23:17,830 --> 01:23:17,040

angles

2021

01:23:19,350 --> 01:23:17,840

and

2022

01:23:21,510 --> 01:23:19,360

out of the data because they went from

2023

01:23:24,149 --> 01:23:21,520

100 and something reports now they have

2024

01:23:27,350 --> 01:23:24,159

400 but they don't have anything

2025

01:23:29,669 --> 01:23:27,360

on those five observables or did i hear

2026

01:23:31,110 --> 01:23:29,679

that wrong i don't know

2027

01:23:33,270 --> 01:23:31,120

that's what i thought he said and i

2028

01:23:35,430 --> 01:23:33,280

thought he said that some of that 400 or

2029

01:23:36,950 --> 01:23:35,440

older cases also

2030

01:23:39,350 --> 01:23:36,960

yeah and that's the thing i was telling

2031

01:23:42,629 --> 01:23:39,360

you before between project blue book up

2032

01:23:44,229 --> 01:23:42,639

to 2004 in between that's when the

2033

01:23:47,189 --> 01:23:44,239

ronald moultrie said

2034

01:23:50,550 --> 01:23:47,199

um he doesn't know of anything like

2035

01:23:53,030 --> 01:23:50,560

on like officially

2036

01:23:54,390 --> 01:23:53,040

that's what he said so anything black op

2037

01:23:56,310 --> 01:23:54,400

or whatever

2038

01:23:57,430 --> 01:23:56,320

but he just said officially no i don't

2039

01:23:59,110 --> 01:23:57,440

know nothing

2040

01:24:01,830 --> 01:23:59,120

well you mentioned something too about

2041

01:24:03,830 --> 01:24:01,840

contractors or special access programs

2042

01:24:04,870 --> 01:24:03,840

but i don't remember what all the sats

2043

01:24:07,350 --> 01:24:04,880

of course

2044

01:24:08,709 --> 01:24:07,360

yeah yeah

2045

01:24:10,390 --> 01:24:08,719

i didn't think somebody asked him are

2046

01:24:12,149 --> 01:24:10,400

you sure it's not ours you know and

2047

01:24:14,470 --> 01:24:12,159

we're testing it on ourselves and he

2048

01:24:15,270 --> 01:24:14,480

gave some vague answer about contractors

2049

01:24:20,229 --> 01:24:15,280

and

2050

01:24:21,110 --> 01:24:20,239

something about blue on blue

2051

01:24:24,229 --> 01:24:21,120

yeah

2052

01:24:27,430 --> 01:24:24,239

a lot of interesting talk about you know

2053

01:24:29,430 --> 01:24:27,440

programs that are or things that are

2054

01:24:31,350 --> 01:24:29,440

going on that are you know even ongoing

2055

01:24:32,629 --> 01:24:31,360

programs that are not you know what they

2056

01:24:33,990 --> 01:24:32,639

said that they were for and there's

2057

01:24:36,310 --> 01:24:34,000

other stuff going on under those

2058

01:24:39,030 --> 01:24:36,320

programs that even the directors and and

2059

01:24:41,669 --> 01:24:39,040

stuff aren't even aware of so

2060

01:24:42,950 --> 01:24:41,679

i like that it highlighted um a lot of

2061

01:24:45,990 --> 01:24:42,960

that

2062

01:24:47,750 --> 01:24:46,000

because i don't know there's more to the

2063

01:24:50,390 --> 01:24:47,760

the secrecy and how this everything's

2064

01:24:52,390 --> 01:24:50,400

compartmentalized and i have my own

2065

01:24:54,870 --> 01:24:52,400

theories that and my own information

2066

01:24:56,390 --> 01:24:54,880

that i've gotten through investigations

2067

01:24:57,910 --> 01:24:56,400

you know like

2068

01:25:00,390 --> 01:24:57,920

they talked about these metals they said

2069

01:25:02,550 --> 01:25:00,400

we have no debris or materials it's like

2070

01:25:04,709 --> 01:25:02,560

yeah we do we have documented cases

2071

01:25:06,550 --> 01:25:04,719

going back to 1947 where you've

2072

01:25:08,390 --> 01:25:06,560

recovered you know pieces of metal from

2073

01:25:09,270 --> 01:25:08,400

ufc something yeah you've recovered

2074

01:25:11,590 --> 01:25:09,280

something

2075

01:25:12,470 --> 01:25:11,600

so listen look at keksburg you know but

2076

01:25:16,229 --> 01:25:12,480

i think

2077

01:25:18,390 --> 01:25:16,239

that maybe there is some there is

2078

01:25:20,790 --> 01:25:18,400

certainly they've recovered

2079

01:25:23,189 --> 01:25:20,800

you know foreign technology but maybe

2080

01:25:25,669 --> 01:25:23,199

not that for it you know maybe it's it's

2081

01:25:27,430 --> 01:25:25,679

russian technology with satellite crash

2082

01:25:29,110 --> 01:25:27,440

they go and they pick it up of course

2083

01:25:31,510 --> 01:25:29,120

they're going to want to pick it apart

2084

01:25:33,990 --> 01:25:31,520

and see what it's made of what they have

2085

01:25:38,950 --> 01:25:36,629

classified by now though

2086

01:25:42,629 --> 01:25:38,960

that's what the question was

2087

01:25:44,149 --> 01:25:42,639

this next month roswell 75 years ago

2088

01:25:45,990 --> 01:25:44,159

they questioned whether there was

2089

01:25:47,750 --> 01:25:46,000

something from the air that crashed into

2090

01:25:49,669 --> 01:25:47,760

the ground and did you recover it and it

2091

01:25:51,110 --> 01:25:49,679

was no but then when they asked if was

2092

01:25:54,950 --> 01:25:51,120

there something in the oceans and

2093

01:25:59,510 --> 01:25:57,430

yeah and thank you vitzka 4.99 super

2094

01:26:00,950 --> 01:25:59,520

sticker praise the cash thank you for

2095

01:26:02,950 --> 01:26:00,960

your kindness your generosity and your

2096

01:26:04,870 --> 01:26:02,960

support of the show viewer supported

2097

01:26:06,550 --> 01:26:04,880

show the best way to do that is to throw

2098

01:26:09,590 --> 01:26:06,560

money at us right

2099

01:26:11,590 --> 01:26:09,600

and uh jeremy you and i always we we

2100

01:26:13,990 --> 01:26:11,600

have talked off air about this that it

2101
01:26:16,070 --> 01:26:14,000
is very frustrating that all of these

2102
01:26:19,669 --> 01:26:16,080
clowns make millions of dollars for

2103
01:26:22,950 --> 01:26:19,679
lying to people or misleading people or

2104
01:26:24,790 --> 01:26:22,960
lying by omission and and meanwhile you

2105
01:26:26,950 --> 01:26:24,800
know there are people that are really

2106
01:26:29,110 --> 01:26:26,960
really doing good work and researching

2107
01:26:31,830 --> 01:26:29,120
and trying to get to the truth but not

2108
01:26:33,750 --> 01:26:31,840
willing to lie to their audience and we

2109
01:26:35,510 --> 01:26:33,760
have it's like running it's like trying

2110
01:26:36,950 --> 01:26:35,520
to run a marathon with two broken legs

2111
01:26:39,590 --> 01:26:36,960
trying to do this honestly isn't it

2112
01:26:41,270 --> 01:26:39,600
jeremy like you know

2113
01:26:43,110 --> 01:26:41,280

a lie will go around the world seven

2114

01:26:45,110 --> 01:26:43,120

times before the truth can put its shoes

2115

01:26:47,270 --> 01:26:45,120

on

2116

01:26:48,310 --> 01:26:47,280

way to put it yeah i've heard that yeah

2117

01:26:50,390 --> 01:26:48,320

yeah

2118

01:26:53,030 --> 01:26:50,400

it's true

2119

01:26:56,149 --> 01:26:53,040

it is unfortunately

2120

01:26:58,149 --> 01:26:56,159

yeah i i'm very discouraged by

2121

01:27:01,590 --> 01:26:58,159

you know i'm very discouraged by the

2122

01:27:03,430 --> 01:27:01,600

fact that like you know i just i it's

2123

01:27:04,950 --> 01:27:03,440

natural i try not to be jealous but i

2124

01:27:06,550 --> 01:27:04,960

see some of these numbers some of these

2125

01:27:08,709 --> 01:27:06,560

guys get and i see the money that

2126

01:27:10,870 --> 01:27:08,719

they're making we've got corey good made

2127

01:27:12,709 --> 01:27:10,880

750 000

2128

01:27:14,870 --> 01:27:12,719

from one course that he didn't even

2129

01:27:17,030 --> 01:27:14,880

write somebody wrote the course for him

2130

01:27:18,310 --> 01:27:17,040

he just did like a zoom session with

2131

01:27:22,550 --> 01:27:18,320

everybody that bought the course and

2132

01:27:25,189 --> 01:27:22,560

read off a script he made 750 000

2133

01:27:27,669 --> 01:27:25,199

meanwhile uh jeremy i want to get i used

2134

01:27:30,310 --> 01:27:27,679

to say i want to talk about wages i'm at

2135

01:27:33,189 --> 01:27:30,320

the level of taco bell wages now i want

2136

01:27:35,910 --> 01:27:33,199

home depot or like lowe's wages that's

2137

01:27:38,470 --> 01:27:35,920

my next goal get a bump up i got a

2138

01:27:40,550 --> 01:27:38,480

little bit off put by by mr lahood's

2139

01:27:43,350 --> 01:27:40,560

comments during uh that that's that

2140

01:27:45,030 --> 01:27:43,360

hearing about about sending people to

2141

01:27:46,870 --> 01:27:45,040

jail who spread misinformation or

2142

01:27:48,629 --> 01:27:46,880

disinformation yeah because what does he

2143

01:27:50,310 --> 01:27:48,639

mean he can mean us

2144

01:27:51,350 --> 01:27:50,320

i know that's because he disagrees with

2145

01:27:52,070 --> 01:27:51,360

them

2146

01:28:07,350 --> 01:27:52,080

i

2147

01:28:09,030 --> 01:28:07,360

no not under oath he'd have to tell

2148

01:28:11,110 --> 01:28:09,040

everybody where his anonymous sources

2149

01:28:13,189 --> 01:28:11,120

were getting this [h__h] and you know did

2150

01:28:15,510 --> 01:28:13,199

you really find uh

2151

01:28:17,590 --> 01:28:15,520

mike figpen on facebook like you said

2152

01:28:19,430 --> 01:28:17,600

you claimed

2153

01:28:21,350 --> 01:28:19,440

yeah and you know you know what jeremy

2154

01:28:23,350 --> 01:28:21,360

it's always awesome to me that right

2155

01:28:25,270 --> 01:28:23,360

here on my channel we have definitive

2156

01:28:28,470 --> 01:28:25,280

proof that bob lazar never stepped foot

2157

01:28:30,709 --> 01:28:28,480

on area 51 in a on the record interview

2158

01:28:33,189 --> 01:28:30,719

and we have definitive proof from all of

2159

01:28:35,510 --> 01:28:33,199

bob lazar supervisors at los alamos that

2160

01:28:36,629 --> 01:28:35,520

he was never a physicist he was a

2161

01:28:38,870 --> 01:28:36,639

technician

2162

01:28:41,270 --> 01:28:38,880

somebody got to the supervisors got on

2163

01:28:43,350 --> 01:28:41,280

the record comments jeremy corbell has

2164

01:28:45,590 --> 01:28:43,360

never commented on that

2165

01:28:49,030 --> 01:28:45,600

why would you not comment on your whole

2166

01:28:50,550 --> 01:28:49,040

story crashing to the ground

2167

01:28:51,270 --> 01:28:50,560

because he's going to ride it all the

2168

01:28:53,590 --> 01:28:51,280

way

2169

01:28:55,990 --> 01:28:53,600

it's the cosmic con shuffle i i i talk

2170

01:28:58,790 --> 01:28:56,000

about this in here

2171

01:29:01,030 --> 01:28:58,800

information and the ufo fairy tales

2172

01:29:02,629 --> 01:29:01,040

and then you make all the money and

2173

01:29:04,390 --> 01:29:02,639

after a little while though people start

2174

01:29:06,950 --> 01:29:04,400

picking apart the story and the story

2175

01:29:09,430 --> 01:29:06,960

falls apart and you just shuffle on and

2176

01:29:12,070 --> 01:29:09,440

you find a new fake story they all do it

2177

01:29:14,149 --> 01:29:12,080

that's what they all do right

2178

01:29:16,070 --> 01:29:14,159

when you recycle them the same old ones

2179

01:29:17,830 --> 01:29:16,080

10 years later because people forget and

2180

01:29:20,070 --> 01:29:17,840

then there's a new generation that's

2181

01:29:21,750 --> 01:29:20,080

into it you know the 20 year olds who

2182

01:29:23,910 --> 01:29:21,760

grew up and they became 30 and they got

2183

01:29:25,910 --> 01:29:23,920

into ufos or that he is asking a great

2184

01:29:28,149 --> 01:29:25,920

question have the jfa assassination

2185

01:29:30,629 --> 01:29:28,159

records ever been fully released no

2186

01:29:31,830 --> 01:29:30,639

wasn't last year a deadline uh 20 i

2187

01:29:33,590 --> 01:29:31,840

think

2188

01:29:35,270 --> 01:29:33,600

trump was supposed to release those and

2189

01:29:38,470 --> 01:29:35,280

there's a very interesting story about

2190

01:29:41,990 --> 01:29:38,480

judge neapolis that guy judge

2191

01:29:47,590 --> 01:29:45,189

he was friends with trump and he said

2192

01:29:48,950 --> 01:29:47,600

what are you doing donald trump you

2193

01:29:51,110 --> 01:29:48,960

promised you were going to release those

2194

01:29:53,430 --> 01:29:51,120

files you have to and donald trump's

2195

01:29:55,669 --> 01:29:53,440

exact words were if you saw what was in

2196

01:29:57,590 --> 01:29:55,679

those files you would understand why

2197

01:29:59,510 --> 01:29:57,600

there's no way on earth i could release

2198

01:30:01,510 --> 01:29:59,520

them so there are some there's got to be

2199

01:30:03,910 --> 01:30:01,520

some bombs

2200

01:30:06,070 --> 01:30:03,920

yeah they they then release the what or

2201

01:30:08,550 --> 01:30:06,080

what they call the jfk files it's around

2202

01:30:10,070 --> 01:30:08,560

a little bit over 400 megabytes of

2203

01:30:11,510 --> 01:30:10,080

pdf

2204

01:30:13,350 --> 01:30:11,520

a lot of people still don't know about

2205

01:30:15,510 --> 01:30:13,360

the the work that was done by sean

2206

01:30:17,350 --> 01:30:15,520

o'shaughnessy i think his name was on

2207

01:30:20,629 --> 01:30:17,360

the titan did push the deadline back to

2208

01:30:23,750 --> 01:30:20,639

2025. he touched the deadline rfk

2209

01:30:25,510 --> 01:30:23,760

assassination in 1968 there was a they

2210

01:30:27,830 --> 01:30:25,520

they have pictures from the hotel where

2211

01:30:30,070 --> 01:30:27,840

they've identified gordon campbell uh

2212

01:30:32,390 --> 01:30:30,080

george joe nedes and david sanchez

2213

01:30:35,030 --> 01:30:32,400

morales all three cia agents involved in

2214

01:30:37,189 --> 01:30:35,040

like the assassinations program and they

2215

01:30:38,950 --> 01:30:37,199

said that the the security guard at the

2216

01:30:40,629 --> 01:30:38,960

haute the ambassador hotel that night

2217

01:30:43,030 --> 01:30:40,639

was a guy named uh

2218

01:30:46,229 --> 01:30:43,040

uh caesar

2219

01:30:49,110 --> 01:30:46,239

um see uh and he was a lockheed martin

2220

01:30:51,350 --> 01:30:49,120

um security guard and for and he was

2221

01:30:53,430 --> 01:30:51,360

just hired at the hotel several weeks

2222

01:30:55,510 --> 01:30:53,440

before the assassination isn't that

2223

01:30:57,750 --> 01:30:55,520

convenient there was seven bullet holes

2224

01:31:00,070 --> 01:30:57,760

in in the autopsy the final kill shot

2225

01:31:01,830 --> 01:31:00,080

came from up and behind so i said sir

2226

01:31:03,910 --> 01:31:01,840

han sarhan was standing in front with a

2227

01:31:05,590 --> 01:31:03,920

six-shot revolver so there was a seventh

2228

01:31:08,229 --> 01:31:05,600

shot that that killed him and it came

2229

01:31:10,709 --> 01:31:08,239

from behind and and that was that this

2230

01:31:12,950 --> 01:31:10,719

lockheed martin skunk works uh security

2231

01:31:23,990 --> 01:31:12,960

guard that was escorting him into the uh

2232

01:31:28,830 --> 01:31:26,470

bobby kennedy junior uh talks about it

2233

01:31:31,430 --> 01:31:28,840

and even he thinks

2234

01:31:33,510 --> 01:31:31,440

yeah that's his father and his uncle

2235

01:31:35,270 --> 01:31:33,520

that we're both he believes i think that

2236

01:31:36,709 --> 01:31:35,280

he believes and knows they were killed

2237

01:31:39,189 --> 01:31:36,719

by the cia

2238

01:31:41,270 --> 01:31:39,199

allegedly and he wants all files

2239

01:31:43,350 --> 01:31:41,280

released if the family of the murder

2240

01:31:44,629 --> 01:31:43,360

victim wants all the files released yeah

2241

01:31:46,149 --> 01:31:44,639

i don't think the government should be

2242

01:31:47,910 --> 01:31:46,159

allowed to hold on

2243

01:31:49,590 --> 01:31:47,920

and trump can't be the one to do it

2244

01:31:51,590 --> 01:31:49,600

because he you know he was the president

2245

01:31:53,910 --> 01:31:51,600

and he's like dude

2246

01:31:56,310 --> 01:31:53,920

i don't want no part of this

2247

01:31:58,149 --> 01:31:56,320

yeah dude that was a shot reagan or

2248

01:32:01,430 --> 01:31:58,159

tried to shoot reagan he's he was

2249

01:32:04,870 --> 01:32:01,440

recently out of jail yeah he was playing

2250

01:32:09,270 --> 01:32:04,880

yeah yeah i saw he was playing at a uh

2251
01:32:12,550 --> 01:32:11,430
somewhere in new york yeah it's weird it

2252
01:32:14,709 --> 01:32:12,560
was weird

2253
01:32:17,270 --> 01:32:14,719
when i saw the article yeah he had some

2254
01:32:18,310 --> 01:32:17,280
weird cia connections too yeah neil bush

2255
01:32:19,350 --> 01:32:18,320
or something

2256
01:32:21,590 --> 01:32:19,360
yeah yeah

2257
01:32:23,669 --> 01:32:21,600
see even with the release or the the

2258
01:32:25,590 --> 01:32:23,679
latest release of the jfk files it

2259
01:32:27,750 --> 01:32:25,600
really didn't shine much more light on

2260
01:32:30,070 --> 01:32:27,760
to it if anything it wasn't really all

2261
01:32:32,550 --> 01:32:30,080
that much so what they said the dates up

2262
01:32:34,709 --> 01:32:32,560
to 2025 though let's see when we get

2263
01:32:36,310 --> 01:32:34,719

there i guess not too far away

2264

01:32:38,830 --> 01:32:36,320

you know they're gonna push it back

2265

01:32:41,990 --> 01:32:38,840

again they're gonna wait till

2266

01:32:44,790 --> 01:32:42,000

everybody from that generation a little

2267

01:32:46,629 --> 01:32:44,800

after born 16 i know that is all dead

2268

01:32:49,270 --> 01:32:46,639

yeah they keep saying it's uh national

2269

01:32:51,110 --> 01:32:49,280

security reasons why i mean

2270

01:32:52,870 --> 01:32:51,120

what about the ufo stuff when they say

2271

01:32:54,550 --> 01:32:52,880

sources and methods i understand that

2272

01:32:57,030 --> 01:32:54,560

but what about stuff

2273

01:32:59,110 --> 01:32:57,040

from the 50s that that that's like

2274

01:33:01,910 --> 01:32:59,120

obsolete technology or whatever they use

2275

01:33:03,990 --> 01:33:01,920

why can't we see stuff that they

2276

01:33:06,070 --> 01:33:04,000

have from then we only see

2277

01:33:08,390 --> 01:33:06,080

triple zero copies of papers that they

2278

01:33:10,149 --> 01:33:08,400

say best copy and that's it that's what

2279

01:33:12,149 --> 01:33:10,159

we get to read yeah we have recordings

2280

01:33:14,070 --> 01:33:12,159

of the so far channel that go back to

2281

01:33:15,430 --> 01:33:14,080

the 50s so like where are those like

2282

01:33:17,350 --> 01:33:15,440

we've got to have like some some

2283

01:33:18,790 --> 01:33:17,360

unidentified noises and i know i've

2284

01:33:20,229 --> 01:33:18,800

heard a couple from you know there's a

2285

01:33:22,870 --> 01:33:20,239

couple out there these noises that

2286

01:33:24,390 --> 01:33:22,880

they've recorded um that they don't know

2287

01:33:26,790 --> 01:33:24,400

what they are the mystery this isn't

2288

01:33:29,669 --> 01:33:26,800

stuff what can we possibly be given up

2289

01:33:30,470 --> 01:33:29,679

from seven decades ago you know what i

2290

01:33:31,669 --> 01:33:30,480

mean

2291

01:33:33,990 --> 01:33:31,679

yeah well

2292

01:33:35,910 --> 01:33:34,000

look jeremy you had td barnes on which

2293

01:33:37,590 --> 01:33:35,920

was an amazing interview man that was

2294

01:33:40,070 --> 01:33:37,600

awesome and there was still seth that he

2295

01:33:41,990 --> 01:33:40,080

wouldn't talk about from way back then

2296

01:33:45,910 --> 01:33:42,000

he said that some of that stuff was so

2297

01:33:47,910 --> 01:33:45,920

possibly classified i believe didn't he

2298

01:33:49,510 --> 01:33:47,920

he was he was like ah this kid knows the

2299

01:33:50,950 --> 01:33:49,520

right questions to ask

2300

01:33:53,270 --> 01:33:50,960

yeah yeah

2301

01:33:54,790 --> 01:33:53,280

it was really smiling he said he hit his

2302

01:33:56,790 --> 01:33:54,800

smile from ear to ear throughout that

2303

01:33:58,709 --> 01:33:56,800

whole interview yeah i thought that was

2304

01:34:01,350 --> 01:33:58,719

great you did a great job because i

2305

01:34:03,110 --> 01:34:01,360

think he really you even the fact that

2306

01:34:06,149 --> 01:34:03,120

he was unwilling to answer questions

2307

01:34:07,669 --> 01:34:06,159

about events so long ago is very telling

2308

01:34:10,149 --> 01:34:07,679

you know it's it's

2309

01:34:12,229 --> 01:34:10,159

yeah evidence it's still identified

2310

01:34:14,790 --> 01:34:12,239

absence of evidence is not evidence but

2311

01:34:16,830 --> 01:34:14,800

when a guy like that is is like well i

2312

01:34:18,310 --> 01:34:16,840

can't talk about that some of

2313

01:34:22,390 --> 01:34:18,320

these are like

2314

01:34:24,229 --> 01:34:22,400

these nbas are lifelong yeah

2315

01:34:27,030 --> 01:34:24,239

good meaning that we'll never we'll

2316

01:34:29,110 --> 01:34:27,040

never hear anything everyone here

2317

01:34:35,189 --> 01:34:29,120

back to the hearings should be called

2318

01:34:40,390 --> 01:34:38,629

of confession and give it to their son

2319

01:34:43,669 --> 01:34:40,400

what does everybody think of the hearing

2320

01:34:46,390 --> 01:34:43,679

and and this new group forming now

2321

01:34:47,830 --> 01:34:46,400

is is this just going to uh another kick

2322

01:34:49,590 --> 01:34:47,840

that can and we're never gonna get

2323

01:34:51,669 --> 01:34:49,600

anything out i don't believe we're ever

2324

01:34:53,189 --> 01:34:51,679

gonna get anything out of the government

2325

01:34:56,070 --> 01:34:53,199

they're not gonna tell us

2326

01:34:59,669 --> 01:34:57,910

isn't it for aren't they gonna review

2327

01:35:01,270 --> 01:34:59,679

like all the military footage and all

2328

01:35:02,709 --> 01:35:01,280

that stuff to make sure that it doesn't

2329

01:35:03,830 --> 01:35:02,719

get released

2330

01:35:06,629 --> 01:35:03,840

they're going to make sure all things

2331

01:35:07,910 --> 01:35:06,639

are like that are classified

2332

01:35:09,350 --> 01:35:07,920

or they're going to push that threat

2333

01:35:12,709 --> 01:35:09,360

narrative

2334

01:35:14,229 --> 01:35:12,719

that's what they're doing that's it

2335

01:35:16,390 --> 01:35:14,239

that's all they go for they're not going

2336

01:35:18,310 --> 01:35:16,400

to release anything because

2337

01:35:20,709 --> 01:35:18,320

everything they catch

2338

01:35:22,390 --> 01:35:20,719

it's going to be on sensitive equipment

2339

01:35:23,990 --> 01:35:22,400

which is sources and methods which

2340

01:35:25,669 --> 01:35:24,000

they're not going to they already made

2341

01:35:27,510 --> 01:35:25,679

that perfectly clear

2342

01:35:29,750 --> 01:35:27,520

we're never going to see anything from

2343

01:35:32,950 --> 01:35:29,760

the government the only way is

2344

01:35:34,629 --> 01:35:32,960

is an outside project like galileo

2345

01:35:36,390 --> 01:35:34,639

project i had hoped for until they

2346

01:35:37,910 --> 01:35:36,400

brought certain people in

2347

01:35:40,310 --> 01:35:37,920

that are affiliated with the government

2348

01:35:41,750 --> 01:35:40,320

that's that now you know but

2349

01:35:42,790 --> 01:35:41,760

i don't think i personally don't think

2350

01:35:43,990 --> 01:35:42,800

stuff is going to come out of the

2351
01:35:46,629 --> 01:35:44,000
government

2352
01:35:49,030 --> 01:35:46,639
even they said even uh even they said

2353
01:35:51,750 --> 01:35:49,040
that well we're going to limit what we

2354
01:35:54,310 --> 01:35:51,760
give you now you know what because of

2355
01:35:56,390 --> 01:35:54,320
military secrets uh you know national

2356
01:35:58,229 --> 01:35:56,400
security it all comes down to that every

2357
01:36:00,550 --> 01:35:58,239
single time national security national

2358
01:36:02,550 --> 01:36:00,560
security no matter what it is

2359
01:36:03,350 --> 01:36:02,560
and every word they're gonna catch uh i

2360
01:36:05,109 --> 01:36:03,360
think they're worried they're gonna

2361
01:36:06,310 --> 01:36:05,119
catch some top secret satellites up

2362
01:36:07,990 --> 01:36:06,320
there

2363
01:36:10,950 --> 01:36:08,000

and they don't want those getting

2364

01:36:12,790 --> 01:36:10,960

broadcast out i don't know if you i read

2365

01:36:14,629 --> 01:36:12,800

this abby loeb's book and it's kind of a

2366

01:36:16,550 --> 01:36:14,639

hard read but

2367

01:36:18,629 --> 01:36:16,560

at least it was for me i i don't know

2368

01:36:20,550 --> 01:36:18,639

but you know he does give some really

2369

01:36:22,950 --> 01:36:20,560

convincing arguments for this and move

2370

01:36:25,270 --> 01:36:22,960

it being an artificial construct and not

2371

01:36:27,750 --> 01:36:25,280

a natural like a it's not a comet it's

2372

01:36:30,390 --> 01:36:27,760

not an asteroid and here's why

2373

01:36:33,109 --> 01:36:30,400

you know the things sped up the thing

2374

01:36:36,950 --> 01:36:33,119

the thing behaved in ways that would not

2375

01:36:38,870 --> 01:36:36,960

conform to what gravity in that

2376

01:36:41,990 --> 01:36:38,880

part of the solar system would do to a

2377

01:36:44,470 --> 01:36:42,000

natural object it like changed course

2378

01:36:47,510 --> 01:36:44,480

flies right by earth like

2379

01:36:48,470 --> 01:36:47,520

i think abby's an intelligent man but

2380

01:36:49,430 --> 01:36:48,480

a

2381

01:36:51,590 --> 01:36:49,440

judge

2382

01:36:53,510 --> 01:36:51,600

with the gripper squad so he's ruined

2383

01:36:55,750 --> 01:36:53,520

well well that's what i'm saying he was

2384

01:36:59,510 --> 01:36:55,760

always considered by his colleagues as

2385

01:37:02,229 --> 01:36:59,520

rogue because he never liked the the the

2386

01:37:04,629 --> 01:37:02,239

the traditional physics model he he

2387

01:37:06,870 --> 01:37:04,639

ignored it he's like we need to expand

2388

01:37:08,709 --> 01:37:06,880

over here okay that's fine and dandy go

2389

01:37:10,390 --> 01:37:08,719

ahead and explore new areas but don't

2390

01:37:13,270 --> 01:37:10,400

say that the the

2391

01:37:15,350 --> 01:37:13,280

traditional uh model was wrong can you

2392

01:37:17,350 --> 01:37:15,360

prove that it was wrong i mean isn't

2393

01:37:19,430 --> 01:37:17,360

you know and that's why i don't like avi

2394

01:37:21,990 --> 01:37:19,440

loeb i mean granted i think he's a smart

2395

01:37:23,430 --> 01:37:22,000

intelligent guy and i i think he knows

2396

01:37:25,189 --> 01:37:23,440

what he's looking at and what he's

2397

01:37:27,750 --> 01:37:25,199

talking about but

2398

01:37:30,550 --> 01:37:27,760

does he tell you the truth or does he

2399

01:37:32,870 --> 01:37:30,560

tell you some crazy story he just come

2400

01:37:34,629 --> 01:37:32,880

up in his mind that's outside of the the

2401

01:37:36,790 --> 01:37:34,639

natural physics you know or the

2402

01:37:38,550 --> 01:37:36,800

traditional physics and i just hate when

2403

01:37:40,950 --> 01:37:38,560

right after they come out with a book

2404

01:37:43,430 --> 01:37:40,960

that's the thing that always bothers me

2405

01:37:46,470 --> 01:37:43,440

yeah what i mean i always

2406

01:37:48,550 --> 01:37:46,480

throws mud on stuff and you you know he

2407

01:37:49,750 --> 01:37:48,560

is brilliant but that's the only thing

2408

01:37:51,430 --> 01:37:49,760

that bothers me when all these people

2409

01:37:53,350 --> 01:37:51,440

always come out with a book right after

2410

01:37:55,430 --> 01:37:53,360

something yeah i mean i don't think it's

2411

01:37:58,070 --> 01:37:55,440

about the i don't think it's about the

2412

01:37:59,830 --> 01:37:58,080

book sales though um you know because

2413

01:38:01,270 --> 01:37:59,840

that book like he said it's a hard read

2414

01:38:03,189 --> 01:38:01,280

it's probably written for you know

2415

01:38:04,790 --> 01:38:03,199

specific audiences that just want like

2416

01:38:07,510 --> 01:38:04,800

any information

2417

01:38:09,270 --> 01:38:07,520

and uh honestly with harvard he's got

2418

01:38:10,629 --> 01:38:09,280

enough funding there

2419

01:38:12,310 --> 01:38:10,639

he doesn't have to worry about any of

2420

01:38:15,430 --> 01:38:12,320

that harvard has so much money even

2421

01:38:17,109 --> 01:38:15,440

during deep recessions like 2008 i was

2422

01:38:18,709 --> 01:38:17,119

working in harvard it's all rich kids

2423

01:38:20,149 --> 01:38:18,719

that go there so of course they always

2424

01:38:21,590 --> 01:38:20,159

have money

2425

01:38:24,550 --> 01:38:21,600

yeah yeah

2426

01:38:26,709 --> 01:38:24,560

can all the rich daddies buy a new lab

2427

01:38:28,390 --> 01:38:26,719

for them or a new library or build a new

2428

01:38:29,910 --> 01:38:28,400

but i'm not saying that he did it for

2429

01:38:32,550 --> 01:38:29,920

the money i just said i hate when that

2430

01:38:35,430 --> 01:38:32,560

happens like right after it always like

2431

01:38:37,590 --> 01:38:35,440

his point it just puts all the naysayers

2432

01:38:39,590 --> 01:38:37,600

on that you know what i mean

2433

01:38:41,910 --> 01:38:39,600

but um

2434

01:38:43,270 --> 01:38:41,920

it came in if you ever make a book i

2435

01:38:45,270 --> 01:38:43,280

would buy it

2436

01:38:47,270 --> 01:38:45,280

you should make a book

2437

01:38:49,030 --> 01:38:47,280

i'm just saying hey i could sell it to

2438

01:38:50,709 --> 01:38:49,040

these people my neighbors and stuff hey

2439

01:38:53,990 --> 01:38:50,719

they're all nice here right

2440

01:38:59,990 --> 01:38:54,870

actually

2441

01:39:02,709 --> 01:39:00,000

book that i'm so far titling the great

2442

01:39:04,550 --> 01:39:02,719

cosmic con what the ufo people don't

2443

01:39:08,149 --> 01:39:04,560

want you to know about and it's about

2444

01:39:10,070 --> 01:39:08,159

all of this slimy scammy [h__h] that i can

2445

01:39:11,990 --> 01:39:10,080

prove these people have done like

2446

01:39:13,910 --> 01:39:12,000

interviewing dead people to sell a fake

2447

01:39:15,990 --> 01:39:13,920

story about aliens or

2448

01:39:18,149 --> 01:39:16,000

or uh you know people with their fake

2449

01:39:19,510 --> 01:39:18,159

military sources or people you know

2450

01:39:21,270 --> 01:39:19,520

murderers and

2451
01:39:22,709 --> 01:39:21,280
molesters and rapists yeah that's what

2452
01:39:23,750 --> 01:39:22,719
i'm saying

2453
01:39:25,750 --> 01:39:23,760
you gotta have

2454
01:39:29,030 --> 01:39:25,760
a bending space eisenhower brought us

2455
01:39:31,510 --> 01:39:29,040
out to area 51. just just as a celebrity

2456
01:39:33,990 --> 01:39:31,520
okay just as a selling point

2457
01:39:36,629 --> 01:39:34,000
you have to call the book in canada good

2458
01:39:38,950 --> 01:39:36,639
shitty and it would sell like

2459
01:39:40,790 --> 01:39:38,960
it's all pretty good

2460
01:39:43,350 --> 01:39:40,800
here in canada anyway yeah and people

2461
01:39:45,590 --> 01:39:43,360
haven't asked me about this cia that's

2462
01:39:47,350 --> 01:39:45,600
better like well if the guy was dead

2463
01:39:49,590 --> 01:39:47,360

then who did they interview was that an

2464

01:39:51,189 --> 01:39:49,600

actor or was i you gotta ask richard

2465

01:39:53,830 --> 01:39:51,199

dolan and jeremy corbell they're the

2466

01:39:55,189 --> 01:39:53,840

ones that did the hoax not me i don't

2467

01:39:56,870 --> 01:39:55,199

know who they interviewed but the

2468

01:39:59,430 --> 01:39:56,880

original source they claimed they were

2469

01:40:00,550 --> 01:39:59,440

interviewing died five years before that

2470

01:40:01,430 --> 01:40:00,560

interview

2471

01:40:02,390 --> 01:40:01,440

so

2472

01:40:04,390 --> 01:40:02,400

you know

2473

01:40:07,109 --> 01:40:04,400

but i like that idea for a book because

2474

01:40:08,709 --> 01:40:07,119

it's it's kind of like showing

2475

01:40:11,510 --> 01:40:08,719

i don't know maybe i've focused too much

2476

01:40:14,310 --> 01:40:11,520

on the slimy side of ufos but what

2477

01:40:16,709 --> 01:40:14,320

that's it that's the reader's choice

2478

01:40:18,870 --> 01:40:16,719

right but that yeah but that like listen

2479

01:40:20,550 --> 01:40:18,880

i'm gonna write this book because i wish

2480

01:40:22,950 --> 01:40:20,560

that somebody had given me a book like

2481

01:40:24,709 --> 01:40:22,960

that when i first got into this really

2482

01:40:26,709 --> 01:40:24,719

heavily because i could have saved

2483

01:40:28,390 --> 01:40:26,719

myself hundreds of hours of listening to

2484

01:40:37,270 --> 01:40:28,400

people like linda molten howe or richard

2485

01:40:43,350 --> 01:40:39,990

you know and then with each source or

2486

01:40:46,310 --> 01:40:43,360

lecturer or ufo personality i have to

2487

01:40:48,629 --> 01:40:46,320

digest all their material and then

2488

01:40:50,149 --> 01:40:48,639

do some research fact check them and

2489

01:40:51,669 --> 01:40:50,159

figure out if they're on the level if

2490

01:40:53,430 --> 01:40:51,679

they're garbage

2491

01:40:55,189 --> 01:40:53,440

it would be better if there was a book

2492

01:40:58,229 --> 01:40:55,199

and you could just go through the book

2493

01:41:00,149 --> 01:40:58,239

and read all the trash garbage peddler

2494

01:41:10,870 --> 01:41:00,159

stuff yeah there you go

2495

01:41:14,790 --> 01:41:13,189

i'm actually because um sixth sense put

2496

01:41:17,510 --> 01:41:14,800

a link to your page and i'm glad he did

2497

01:41:19,910 --> 01:41:17,520

because i'm subbing to your channel now

2498

01:41:21,350 --> 01:41:19,920

um i was interested is i actually made a

2499

01:41:23,750 --> 01:41:21,360

video and i'm glad you did i want to

2500

01:41:27,270 --> 01:41:23,760

watch it you know after this um

2501

01:41:28,470 --> 01:41:27,280

about 20 is that about the 2014 um

2502

01:41:34,149 --> 01:41:28,480

the

2503

01:41:37,189 --> 01:41:34,159

ocean

2504

01:41:39,030 --> 01:41:37,199

2014 that alvi lobe i think they they a

2505

01:41:40,870 --> 01:41:39,040

paper that was held back by the

2506

01:41:43,030 --> 01:41:40,880

government

2507

01:41:45,030 --> 01:41:43,040

i don't know when it came out uh i don't

2508

01:41:47,669 --> 01:41:45,040

i didn't hear that backstory no you made

2509

01:41:50,149 --> 01:41:47,679

a video it says three weeks ago streamed

2510

01:41:52,870 --> 01:41:50,159

about harvard astrophysicists says alien

2511

01:41:54,790 --> 01:41:52,880

tech crashed into the pacific ocean

2512

01:41:57,350 --> 01:41:54,800

yeah i guess some pieces uh they tracked

2513

01:41:58,470 --> 01:41:57,360

that fell off of uh

2514

01:42:00,629 --> 01:41:58,480

um

2515

01:42:02,709 --> 01:42:00,639

actually wound their way in and crashed

2516

01:42:04,390 --> 01:42:02,719

somewhere was it from omaha because they

2517

01:42:07,510 --> 01:42:04,400

said i think those pieces were traveling

2518

01:42:09,430 --> 01:42:07,520

over 100 000 miles an hour yeah

2519

01:42:12,470 --> 01:42:09,440

they tried their pieces that fell off

2520

01:42:13,990 --> 01:42:12,480

for fragments that fell off and um avi

2521

01:42:15,430 --> 01:42:14,000

thinks because it changed you know

2522

01:42:16,950 --> 01:42:15,440

direction and all those other weird

2523

01:42:18,950 --> 01:42:16,960

anomalies that that they could have been

2524

01:42:21,430 --> 01:42:18,960

probes that were sent out you know oh

2525

01:42:23,270 --> 01:42:21,440

wow well that's scary cool that means

2526

01:42:25,669 --> 01:42:23,280

that the region could be coming today

2527

01:42:29,990 --> 01:42:25,679

now jeremy

2528

01:42:33,750 --> 01:42:31,830

i talked about in that video is i

2529

01:42:35,189 --> 01:42:33,760

basically say like that yeah we have

2530

01:42:37,030 --> 01:42:35,199

some of these systems i talk about the

2531

01:42:39,270 --> 01:42:37,040

so far stuff i talk about some of these

2532

01:42:41,109 --> 01:42:39,280

other systems that we have for you know

2533

01:42:43,750 --> 01:42:41,119

tracking objects that fall into the

2534

01:42:45,910 --> 01:42:43,760

ocean and that you know if if the navy

2535

01:42:47,350 --> 01:42:45,920

doesn't have a recovery team on that and

2536

01:42:49,189 --> 01:42:47,360

didn't have a recovery team on it and

2537

01:42:51,910 --> 01:42:49,199

they're not doing their jobs

2538

01:42:53,669 --> 01:42:51,920

you know yeah okay yeah

2539

01:42:56,070 --> 01:42:53,679

i'm gonna watch that yeah yeah there

2540

01:42:58,070 --> 01:42:56,080

were some scientists that found uh that

2541

01:42:59,669 --> 01:42:58,080

track two meteorites that landed in the

2542

01:43:02,390 --> 01:42:59,679

mississippi river and they were able to

2543

01:43:04,149 --> 01:43:02,400

go find them which is crazy that they

2544

01:43:06,390 --> 01:43:04,159

were able to find them see what avi loeb

2545

01:43:09,189 --> 01:43:06,400

did originally there is he said the

2546

01:43:12,390 --> 01:43:09,199

reasoning why it was accelerating and

2547

01:43:13,750 --> 01:43:12,400

being unusual was because it could have

2548

01:43:16,149 --> 01:43:13,760

been uh

2549

01:43:19,669 --> 01:43:16,159

some alien craft or something that was

2550

01:43:21,910 --> 01:43:19,679

propelled or or yeah propelled by uh

2551
01:43:23,510 --> 01:43:21,920
solar sails and that was his explanation

2552
01:43:25,830 --> 01:43:23,520
originally which when you do the

2553
01:43:28,470 --> 01:43:25,840
research you find out that he was on a

2554
01:43:30,470 --> 01:43:28,480
board he was the head of the board that

2555
01:43:32,390 --> 01:43:30,480
that was selling solar sail so i'm like

2556
01:43:33,990 --> 01:43:32,400
saying it this just doesn't you know

2557
01:43:36,629 --> 01:43:34,000
that's that's conflict the interest in

2558
01:43:41,990 --> 01:43:36,639
my mind yeah i mean it's right there

2559
01:43:45,669 --> 01:43:44,070
because if the navy had to have gone and

2560
01:43:47,189 --> 01:43:45,679
looked for that already you know abby

2561
01:43:49,350 --> 01:43:47,199
love says he wants money to go and look

2562
01:43:52,149 --> 01:43:49,360
for and track where those objects went

2563
01:43:53,750 --> 01:43:52,159

look for him but come on wasn't like

2564

01:43:55,750 --> 01:43:53,760

someone should do some foyers and see if

2565

01:43:57,270 --> 01:43:55,760

the navy knows anything small objects

2566

01:43:59,030 --> 01:43:57,280

dropped in the middle of the ocean and

2567

01:44:00,390 --> 01:43:59,040

you want to go find it good luck you

2568

01:44:01,669 --> 01:44:00,400

know talk about funding you're going to

2569

01:44:04,070 --> 01:44:01,679

need an awful lot of fun we're going to

2570

01:44:06,629 --> 01:44:04,080

watch that video and i'll do that i'll

2571

01:44:08,149 --> 01:44:06,639

i'll put some foyers in i'll do that

2572

01:44:09,830 --> 01:44:08,159

i thought it was uh

2573

01:44:11,669 --> 01:44:09,840

probably the most incredible part of the

2574

01:44:13,910 --> 01:44:11,679

hearing to me was that

2575

01:44:15,830 --> 01:44:13,920

they have these these uaps coming in and

2576

01:44:17,910 --> 01:44:15,840

out of our airspace and we were told to

2577

01:44:19,750 --> 01:44:17,920

essentially believe that if you get in

2578

01:44:22,310 --> 01:44:19,760

those restricted airspaces we won't even

2579

01:44:24,629 --> 01:44:22,320

simply honk at you let alone shoot at

2580

01:44:25,910 --> 01:44:24,639

you or try to get in communication isn't

2581

01:44:28,470 --> 01:44:25,920

that interesting

2582

01:44:29,189 --> 01:44:28,480

yeah how they denied communicating with

2583

01:44:31,270 --> 01:44:29,199

them

2584

01:44:32,830 --> 01:44:31,280

right it's like did you communicate with

2585

01:44:35,030 --> 01:44:32,840

them and they're like

2586

01:44:36,550 --> 01:44:35,040

no like

2587

01:44:38,310 --> 01:44:36,560

why not

2588

01:44:39,669 --> 01:44:38,320

you know there was also no detectable

2589

01:44:40,470 --> 01:44:39,679

form of

2590

01:44:42,229 --> 01:44:40,480

uh

2591

01:44:44,550 --> 01:44:42,239

propellant you know or what was actually

2592

01:44:46,870 --> 01:44:44,560

making it move or if it was moving at

2593

01:44:48,950 --> 01:44:46,880

all well i thought bray's excuse this

2594

01:44:51,590 --> 01:44:48,960

was very odd he said well they they seem

2595

01:44:52,950 --> 01:44:51,600

to be unpiloted how could you even make

2596

01:44:55,030 --> 01:44:52,960

an assumption if you don't even know

2597

01:44:57,030 --> 01:44:55,040

what they are right or done those

2598

01:44:59,590 --> 01:44:57,040

procedures can you try to communicate

2599

01:45:02,229 --> 01:44:59,600

with it see what's intentions are wasn't

2600

01:45:03,189 --> 01:45:02,239

there anything you know

2601
01:45:04,390 --> 01:45:03,199
something

2602
01:45:05,910 --> 01:45:04,400
yeah

2603
01:45:07,510 --> 01:45:05,920
i mean there's no way they haven't tried

2604
01:45:09,750 --> 01:45:07,520
to say hey to him

2605
01:45:11,270 --> 01:45:09,760
there's no way i it was it was kind of

2606
01:45:13,350 --> 01:45:11,280
the silliest thing to lie about it

2607
01:45:15,830 --> 01:45:13,360
seemed like well i'm sure i'm sure you

2608
01:45:18,229 --> 01:45:15,840
know listen uh my father was a military

2609
01:45:20,070 --> 01:45:18,239
man and and i'm sure that he talked a

2610
01:45:22,310 --> 01:45:20,080
little bit about ufos with me when i was

2611
01:45:23,910 --> 01:45:22,320
younger and and he mentioned that the

2612
01:45:25,510 --> 01:45:23,920
first thing a pilot does when they have

2613
01:45:27,910 --> 01:45:25,520

an unidentified

2614

01:45:29,350 --> 01:45:27,920

near them or on their scope is

2615

01:45:31,669 --> 01:45:29,360

is you know

2616

01:45:34,550 --> 01:45:31,679

try to communicate with them you know

2617

01:45:36,070 --> 01:45:34,560

like unknown craft that this bearing

2618

01:45:37,750 --> 01:45:36,080

you know

2619

01:45:38,950 --> 01:45:37,760

they try to communicate with them but

2620

01:45:40,390 --> 01:45:38,960

who's to say

2621

01:45:42,830 --> 01:45:40,400

if it's a drone

2622

01:45:45,350 --> 01:45:42,840

nobody's hearing that you

2623

01:45:49,189 --> 01:45:45,360

know right drones or advanced

2624

01:45:50,790 --> 01:45:49,199

you know hypersonic drones or whatever

2625

01:45:52,390 --> 01:45:50,800

it has your question do you really

2626

01:45:53,990 --> 01:45:52,400

believe that the military would let

2627

01:45:56,470 --> 01:45:54,000

these things hang around them and i've

2628

01:45:57,990 --> 01:45:56,480

seen the report for two years you know

2629

01:45:59,750 --> 01:45:58,000

they were seeing these things and they

2630

01:46:01,430 --> 01:45:59,760

just stayed there every day you know i'm

2631

01:46:03,910 --> 01:46:01,440

like saying wait a minute here wouldn't

2632

01:46:05,669 --> 01:46:03,920

you make some attempt to go identify

2633

01:46:07,189 --> 01:46:05,679

them wouldn't you go make some attempt

2634

01:46:09,669 --> 01:46:07,199

to say hey look at this is restricted

2635

01:46:11,910 --> 01:46:09,679

airspace

2636

01:46:13,590 --> 01:46:11,920

this is i think this is problematic from

2637

01:46:14,870 --> 01:46:13,600

a defense standpoint because they're

2638

01:46:17,910 --> 01:46:14,880

basically the united states is

2639

01:46:20,550 --> 01:46:17,920

telegraphing to its adversaries and

2640

01:46:22,310 --> 01:46:20,560

and enemies that you can fly drones over

2641

01:46:23,910 --> 01:46:22,320

our restricted airspace

2642

01:46:24,870 --> 01:46:23,920

we won't shoot them down we won't do

2643

01:46:26,629 --> 01:46:24,880

anything

2644

01:46:29,590 --> 01:46:26,639

why have they not tried to shoot them

2645

01:46:31,830 --> 01:46:29,600

down stephen i'm sorry i i have to jump

2646

01:46:33,510 --> 01:46:31,840

off so sure

2647

01:46:35,669 --> 01:46:33,520

thank you for letting me everyone having

2648

01:46:37,270 --> 01:46:35,679

me after that printer you got me started

2649

01:46:38,950 --> 01:46:37,280

and then i bought a big one and now i

2650

01:46:41,270 --> 01:46:38,960

got two of them going at once at all

2651

01:46:43,189 --> 01:46:41,280

times invest in it i just bought an

2652

01:46:46,790 --> 01:46:43,199

airbrush system so if you want to paint

2653

01:46:48,470 --> 01:46:46,800

them up definitely get into the airbrush

2654

01:46:50,070 --> 01:46:48,480

you're all fair about the 3d printing

2655

01:46:52,390 --> 01:46:50,080

stuff but listen

2656

01:46:53,990 --> 01:46:52,400

my goal is my goal is reach now because

2657

01:46:55,990 --> 01:46:54,000

i finally got started with 3d printing

2658

01:46:58,390 --> 01:46:56,000

and i'm able to 3d print my prototype

2659

01:47:00,149 --> 01:46:58,400

computers cases awesome

2660

01:47:01,830 --> 01:47:00,159

awesome well took a lot of figuring out

2661

01:47:03,669 --> 01:47:01,840

awesome and i have a friend helping me

2662

01:47:05,830 --> 01:47:03,679

to do it in blender but we're going to

2663

01:47:07,350 --> 01:47:05,840

get that computer case made and now i'm

2664

01:47:09,669 --> 01:47:07,360

going to be under the gun i got to get

2665

01:47:10,550 --> 01:47:09,679

the the circuit boards and the inside of

2666

01:47:12,629 --> 01:47:10,560

this

2667

01:47:15,590 --> 01:47:12,639

maniac thing i'm working on done thanks

2668

01:47:17,750 --> 01:47:15,600

to you and check out besides cura and

2669

01:47:19,910 --> 01:47:17,760

blender mata control is actually a real

2670

01:47:21,669 --> 01:47:19,920

simplified one i like mata controls i've

2671

01:47:24,070 --> 01:47:21,679

heard of it i'm still in blender we'll

2672

01:47:25,910 --> 01:47:24,080

figure that one out at a time right all

2673

01:47:27,270 --> 01:47:25,920

right well anyway i'm sorry to jump like

2674

01:47:28,550 --> 01:47:27,280

that but thank you all so much for

2675

01:47:30,229 --> 01:47:28,560

letting me know good for being here

2676

01:47:32,390 --> 01:47:30,239

everybody check out ron from cosmic

2677

01:47:33,990 --> 01:47:32,400

neighbors uh just just put ro just put

2678

01:47:36,550 --> 01:47:34,000

cosmic neighbors in the youtube search

2679

01:47:39,350 --> 01:47:36,560

bar you'll find his channel excellent

2680

01:47:41,030 --> 01:47:39,360

research and work and commentary on ufos

2681

01:47:43,189 --> 01:47:41,040

he's one of the good guys not one of the

2682

01:47:45,750 --> 01:47:43,199

huckster liars

2683

01:47:48,629 --> 01:47:45,760

sounds like good shitty so yeah yeah

2684

01:47:52,390 --> 01:47:48,639

yeah good [h__\h] hey good night

2685

01:47:55,669 --> 01:47:54,310

have a good one dude

2686

01:47:56,950 --> 01:47:55,679

yeah we're going to be wrapping things

2687

01:47:59,590 --> 01:47:56,960

up here i think

2688

01:48:01,270 --> 01:47:59,600

i think mostly um you know i didn't want

2689

01:48:02,950 --> 01:48:01,280

to do when i told you so and i didn't

2690

01:48:04,470 --> 01:48:02,960

really i didn't say this was going to be

2691

01:48:05,990 --> 01:48:04,480

a nothing burger but i said that i

2692

01:48:07,830 --> 01:48:06,000

expected the worst

2693

01:48:09,270 --> 01:48:07,840

but i would hope for the best

2694

01:48:10,709 --> 01:48:09,280

i thought we were going to get a little

2695

01:48:13,830 --> 01:48:10,719

something i thought we were going to get

2696

01:48:14,950 --> 01:48:13,840

at least one decent quality video

2697

01:48:16,790 --> 01:48:14,960

something

2698

01:48:19,270 --> 01:48:16,800

we got nothing i thought it was

2699

01:48:21,669 --> 01:48:19,280

interesting of of why even bring a video

2700

01:48:23,750 --> 01:48:21,679

that was worse quality than the nimitz

2701
01:48:25,430 --> 01:48:23,760
three videos already like what would be

2702
01:48:26,790 --> 01:48:25,440
the point in bringing a lesser video

2703
01:48:29,910 --> 01:48:26,800
great

2704
01:48:31,910 --> 01:48:29,920
that was horrible that was a disaster

2705
01:48:33,830 --> 01:48:31,920
no it was it was history making today

2706
01:48:36,070 --> 01:48:33,840
according to

2707
01:48:37,750 --> 01:48:36,080
some stupid people today was today we

2708
01:48:39,750 --> 01:48:37,760
made history

2709
01:48:42,070 --> 01:48:39,760
okay what what do other countries think

2710
01:48:43,990 --> 01:48:42,080
of this you know or the countries that

2711
01:48:46,790 --> 01:48:44,000
might know eight ones

2712
01:48:49,189 --> 01:48:46,800
talk to people from england because

2713
01:48:51,430 --> 01:48:49,199

ollie from alien addict and he's got

2714

01:48:53,990 --> 01:48:51,440

other english people that are you know

2715

01:48:55,270 --> 01:48:54,000

on his show a lot they basically said

2716

01:48:57,590 --> 01:48:55,280

that this is the united states

2717

01:49:01,430 --> 01:48:57,600

phenomenon they don't hear nothing about

2718

01:49:02,790 --> 01:49:01,440

ufos in england at all nobody cares this

2719

01:49:06,229 --> 01:49:02,800

is a

2720

01:49:08,790 --> 01:49:06,239

united states uh focused interest you

2721

01:49:09,990 --> 01:49:08,800

know and all their ufo information they

2722

01:49:11,030 --> 01:49:10,000

have to get out of the united states

2723

01:49:13,270 --> 01:49:11,040

because that's where it's all coming

2724

01:49:16,629 --> 01:49:13,280

from there's not much in other countries

2725

01:49:17,990 --> 01:49:16,639

what about you uh corundum in canada

2726

01:49:20,470 --> 01:49:18,000

what what is this

2727

01:49:22,229 --> 01:49:20,480

it's we because we're so attached right

2728

01:49:24,310 --> 01:49:22,239

so um

2729

01:49:26,310 --> 01:49:24,320

we do get sightings here

2730

01:49:29,030 --> 01:49:26,320

and the mint

2731

01:49:30,390 --> 01:49:29,040

uh they make these like collector coins

2732

01:49:32,870 --> 01:49:30,400

and stuff

2733

01:49:35,350 --> 01:49:32,880

and one year they made one with a famous

2734

01:49:36,870 --> 01:49:35,360

ufo crash on it

2735

01:49:39,669 --> 01:49:36,880

and so

2736

01:49:43,750 --> 01:49:39,679

you could buy this coin this gold coin

2737

01:49:46,790 --> 01:49:43,760

with a ufo crash on it and uh

2738

01:49:48,390 --> 01:49:46,800

we're aware of it in canada is it talked

2739

01:49:50,629 --> 01:49:48,400

about

2740

01:49:53,990 --> 01:49:50,639

i don't know maybe not it's a lot of

2741

01:49:58,390 --> 01:49:54,000

american uh americanized right so

2742

01:50:03,430 --> 01:50:00,390

do you think maybe maybe england has

2743

01:50:07,109 --> 01:50:03,440

this type of anti-fraud type law that

2744

01:50:10,629 --> 01:50:08,709

i kind of wondered that why are all

2745

01:50:13,109 --> 01:50:10,639

these other countries so interested in

2746

01:50:15,189 --> 01:50:13,119

our ufo research and not their own and

2747

01:50:17,109 --> 01:50:15,199

maybe that answers it

2748

01:50:18,310 --> 01:50:17,119

hey thank you anthony peterson for your

2749

01:50:20,229 --> 01:50:18,320

kind of generous five dollars says

2750

01:50:22,390 --> 01:50:20,239

thanks for putting together the panel i

2751

01:50:25,189 --> 01:50:22,400

don't do anything i just post a link i'm

2752

01:50:26,310 --> 01:50:25,199

i'm so i just worked for free um

2753

01:50:29,430 --> 01:50:26,320

did you hear that

2754

01:50:34,470 --> 01:50:31,270

we're gonna have five i'm gonna have

2755

01:50:36,229 --> 01:50:34,480

five new uh slaves on my show uh alien

2756

01:50:38,070 --> 01:50:36,239

scientist because i need to be able to

2757

01:50:40,629 --> 01:50:38,080

compete with other ufo shows that have

2758

01:50:42,149 --> 01:50:40,639

five people doing slave labor for free i

2759

01:50:43,430 --> 01:50:42,159

don't think that's fair

2760

01:50:45,270 --> 01:50:43,440

i'm putting out

2761

01:50:47,589 --> 01:50:45,280

putting out the call if you want to be a

2762

01:50:49,750 --> 01:50:47,599

slave for the show email me and let me

2763

01:50:50,790 --> 01:50:49,760

know you've got to do 30 hours a week

2764

01:50:52,229 --> 01:50:50,800

though

2765

01:50:54,229 --> 01:50:52,239

i was thinking that since you know

2766

01:50:57,189 --> 01:50:54,239

alexander's accusing us all of being

2767

01:50:58,070 --> 01:50:57,199

this well organized team that's you know

2768

01:50:59,430 --> 01:50:58,080

uh

2769

01:51:01,189 --> 01:50:59,440

yeah i read that message i thought it

2770

01:51:03,189 --> 01:51:01,199

was great

2771

01:51:03,990 --> 01:51:03,199

that certain people did not reply to

2772

01:51:05,830 --> 01:51:04,000

that

2773

01:51:07,510 --> 01:51:05,840

you know and i was going to talk to you

2774

01:51:09,270 --> 01:51:07,520

i was going to call you i just been

2775

01:51:10,709 --> 01:51:09,280

crazy busy trying to move the stream and

2776
01:51:13,030 --> 01:51:10,719
set up and you all got to come up with

2777
01:51:14,950 --> 01:51:13,040
like the organ the the

2778
01:51:17,669 --> 01:51:14,960
counter encounter intelligence

2779
01:51:19,990 --> 01:51:17,679
organization i guess you'd call it and

2780
01:51:22,310 --> 01:51:20,000
uh to really stick it to these counter

2781
01:51:23,910 --> 01:51:22,320
intelligence agents misinforming

2782
01:51:26,709 --> 01:51:23,920
everyone and and

2783
01:51:30,870 --> 01:51:26,719
about the reality you know here and

2784
01:51:35,990 --> 01:51:33,830
oh yeah jeremy let's end on this i said

2785
01:51:38,070 --> 01:51:36,000
earlier i don't know if you heard but

2786
01:51:40,550 --> 01:51:38,080
that i think corbell is going to spin

2787
01:51:41,990 --> 01:51:40,560
that and say see my work is so important

2788
01:51:43,669 --> 01:51:42,000

that they mentioned it in the

2789

01:51:45,350 --> 01:51:43,679

congressional hearings

2790

01:51:47,350 --> 01:51:45,360

when really they were saying this is

2791

01:51:50,310 --> 01:51:47,360

fake as [h__h] and somebody's putting out

2792

01:51:56,709 --> 01:51:52,709

putting people like him in jail for this

2793

01:51:59,350 --> 01:51:56,719

which yes i approve of that message

2794

01:52:01,189 --> 01:51:59,360

yeah he's already doubling down

2795

01:52:03,350 --> 01:52:01,199

at some point i think that some people

2796

01:52:05,510 --> 01:52:03,360

have in the ufo community selling their

2797

01:52:07,990 --> 01:52:05,520

fake stories knowingly and willingly

2798

01:52:09,510 --> 01:52:08,000

hoaxing things or faking things to me

2799

01:52:11,189 --> 01:52:09,520

that's consumer fraud you're saying this

2800

01:52:13,189 --> 01:52:11,199

is a true story and you know it's

2801
01:52:14,629 --> 01:52:13,199
[h__\h] or you know it's boca or you

2802
01:52:17,990 --> 01:52:14,639
know it's drones

2803
01:52:19,510 --> 01:52:18,000
with faa lights you know it's disgusting

2804
01:52:22,070 --> 01:52:19,520
what's getting worse is that i think

2805
01:52:28,310 --> 01:52:22,080
that i have this deep sick feeling that

2806
01:52:32,870 --> 01:52:30,070
today with jimmy church and christina

2807
01:52:34,950 --> 01:52:32,880
gomez and listen there may be a reason

2808
01:52:37,030 --> 01:52:34,960
that lou from ucr doesn't want to call

2809
01:52:39,430 --> 01:52:37,040
out jimmy church for all the fraudsters

2810
01:52:42,229 --> 01:52:39,440
and hucksters and fakers that he has

2811
01:52:44,470 --> 01:52:42,239
promoted and pumped up and worked with

2812
01:52:46,950 --> 01:52:44,480
over the years that's all i'll say

2813
01:52:50,550 --> 01:52:46,960

there's a reason that he won't do that

2814

01:52:53,030 --> 01:52:50,560

and it's not because uh you know he uh

2815

01:52:55,430 --> 01:52:53,040

doesn't know about it

2816

01:52:58,550 --> 01:52:55,440

listen jimmy church has promoted and

2817

01:53:01,109 --> 01:52:58,560

profited from let's see emery smith

2818

01:53:03,270 --> 01:53:01,119

david wilcock and corey goode

2819

01:53:05,589 --> 01:53:03,280

three biggest bullshitters three biggest

2820

01:53:07,109 --> 01:53:05,599

[h__\h] he's he's a really smart guy

2821

01:53:09,510 --> 01:53:07,119

you know i called into it i called into

2822

01:53:10,550 --> 01:53:09,520

jimmy church on the live i heard that

2823

01:53:12,470 --> 01:53:10,560

yeah

2824

01:53:13,990 --> 01:53:12,480

and uh and you know so he knew about

2825

01:53:17,510 --> 01:53:14,000

wheeler he knew about some of this other

2826

01:53:19,189 --> 01:53:17,520

stuff so he's he's not a stupid guy

2827

01:53:21,030 --> 01:53:19,199

yeah but he like he loves to promote

2828

01:53:23,830 --> 01:53:21,040

fakers and fraudsters and people like

2829

01:53:26,470 --> 01:53:23,840

sarah adams selling stargates to sick

2830

01:53:28,870 --> 01:53:26,480

vulnerable people oh i'm sorry she sells

2831

01:53:31,350 --> 01:53:28,880

courses in how to open a stargate and

2832

01:53:33,189 --> 01:53:31,360

she also sells med bed sessions and then

2833

01:53:35,430 --> 01:53:33,199

she made a med bed out of a tanning

2834

01:53:36,950 --> 01:53:35,440

booth jimmy church platformed her didn't

2835

01:53:38,470 --> 01:53:36,960

even ask her about the tanning booth

2836

01:53:40,470 --> 01:53:38,480

with the magnets glued in it that she

2837

01:53:42,390 --> 01:53:40,480

was going to be selling sessions

2838

01:53:45,189 --> 01:53:42,400

when he interviewed her well i'm sorry

2839

01:53:47,189 --> 01:53:45,199

raise the cash you know somebody should

2840

01:53:48,950 --> 01:53:47,199

somebody cozying up to him or having him

2841

01:53:51,430 --> 01:53:48,960

as a guest and not asking him about

2842

01:53:53,270 --> 01:53:51,440

these issues is is a cop out

2843

01:53:54,790 --> 01:53:53,280

it is it is

2844

01:53:56,310 --> 01:53:54,800

you know and then and then to put on

2845

01:53:58,310 --> 01:53:56,320

your channel like your source for

2846

01:54:01,189 --> 01:53:58,320

credible news

2847

01:54:04,310 --> 01:54:01,199

okay very credible not asking him about

2848

01:54:05,990 --> 01:54:04,320

any of that fraudery fakery right yeah b

2849

01:54:11,669 --> 01:54:06,000

baker says blink twice if steven is

2850

01:54:14,870 --> 01:54:13,430

thanks for reminding me i'm an alien i

2851
01:54:16,950 --> 01:54:14,880
have to i have to remember to blink

2852
01:54:18,470 --> 01:54:16,960
every once in a while so yeah yeah

2853
01:54:20,390 --> 01:54:18,480
you're like martin

2854
01:54:22,470 --> 01:54:20,400
you got to be reminded oh i got a blink

2855
01:54:23,750 --> 01:54:22,480
appear human drink some water

2856
01:54:25,669 --> 01:54:23,760
pure human

2857
01:54:26,950 --> 01:54:25,679
the last couple of times christina was

2858
01:54:29,669 --> 01:54:26,960
on ucr

2859
01:54:31,109 --> 01:54:29,679
he was on there which is weird like yeah

2860
01:54:32,950 --> 01:54:31,119
but you know and that's another thing it

2861
01:54:35,270 --> 01:54:32,960
seems like that he's got somebody on

2862
01:54:36,870 --> 01:54:35,280
your show that is actively promoting

2863
01:54:38,709 --> 01:54:36,880

things that are proven

2864

01:54:40,629 --> 01:54:38,719

fake fraud

2865

01:54:42,229 --> 01:54:40,639

stories like the montauk project which

2866

01:54:44,470 --> 01:54:42,239

was about a dude that liked to watch

2867

01:54:46,390 --> 01:54:44,480

other dudes jerk off in a chair that's

2868

01:54:47,109 --> 01:54:46,400

what that story is about

2869

01:54:48,629 --> 01:54:47,119

yeah

2870

01:54:52,470 --> 01:54:48,639

big part of that story sounds like a

2871

01:54:56,550 --> 01:54:54,550

that story man you know i i you know you

2872

01:54:59,669 --> 01:54:56,560

don't know that if they were doing real

2873

01:55:02,390 --> 01:54:59,679

research for mk ultra on sub project 68

2874

01:55:04,950 --> 01:55:02,400

on electronic waves and interaction with

2875

01:55:06,709 --> 01:55:04,960

brain uh brains or biological systems

2876

01:55:08,149 --> 01:55:06,719

and stuff which i don't doubt that they

2877

01:55:10,070 --> 01:55:08,159

did because we know about project

2878

01:55:10,950 --> 01:55:10,080

rainbow and all these other projects oh

2879

01:55:13,189 --> 01:55:10,960

yeah

2880

01:55:14,550 --> 01:55:13,199

they analyze this stuff you know maybe

2881

01:55:16,229 --> 01:55:14,560

we're just looking at them different we

2882

01:55:18,229 --> 01:55:16,239

should look on them differently like the

2883

01:55:21,109 --> 01:55:18,239

twilight zone you know when you watch

2884

01:55:22,149 --> 01:55:21,119

the twilight zone that's ucr i'm just

2885

01:55:23,350 --> 01:55:22,159

saying

2886

01:55:25,350 --> 01:55:23,360

it's like if we're gonna do all this

2887

01:55:27,270 --> 01:55:25,360

crazy you know secret research and stuff

2888

01:55:29,350 --> 01:55:27,280

let's let's let's also throw on some

2889

01:55:32,390 --> 01:55:29,360

some other stuff we can use to discredit

2890

01:55:34,870 --> 01:55:32,400

it you know entertainment right

2891

01:55:36,229 --> 01:55:34,880

jimmy says that's everything on the show

2892

01:55:37,990 --> 01:55:36,239

three times aren't they saying that

2893

01:55:39,830 --> 01:55:38,000

that's what we do anyways we're we're

2894

01:55:41,750 --> 01:55:39,840

throwing in stuff to just discredit it

2895

01:55:42,870 --> 01:55:41,760

and that's our only mission not to go

2896

01:55:44,870 --> 01:55:42,880

ahead and

2897

01:55:46,709 --> 01:55:44,880

you know do real research and say okay

2898

01:55:48,470 --> 01:55:46,719

look it's [h__h] no we're only there

2899

01:55:50,390 --> 01:55:48,480

to discredit it and we're getting paid

2900

01:55:52,390 --> 01:55:50,400

from somewhere look i've been on the

2901

01:55:54,709 --> 01:55:52,400

internet literally since it began you

2902

01:55:57,669 --> 01:55:54,719

know i'm not gonna age myself i guess

2903

01:56:02,390 --> 01:55:57,679

but the thing is is look i've never not

2904

01:56:06,950 --> 01:56:04,950

i've never made a single penny online

2905

01:56:09,189 --> 01:56:06,960

ever ever because now you're gonna be a

2906

01:56:11,189 --> 01:56:09,199

slave for my show and you're not getting

2907

01:56:19,189 --> 01:56:11,199

paid i need four more of you to

2908

01:56:23,030 --> 01:56:20,950

what did you say to jeremy i'm sorry i

2909

01:56:30,470 --> 01:56:23,040

cut you off yeah i said i also had aol

2910

01:56:33,589 --> 01:56:32,390

do you remember not being able to get on

2911

01:56:35,189 --> 01:56:33,599

because there was too many people in

2912

01:56:37,510 --> 01:56:35,199

your local accent yeah yeah you had to

2913

01:56:39,109 --> 01:56:37,520

keep trying oh yeah

2914

01:56:41,109 --> 01:56:39,119

remember you would get what i only have

2915

01:56:42,629 --> 01:56:41,119

the audrey

2916

01:56:44,950 --> 01:56:42,639

i used to have this block program called

2917

01:56:46,870 --> 01:56:44,960

ao hell and and you could you could do

2918

01:56:48,629 --> 01:56:46,880

all kinds of like

2919

01:56:51,030 --> 01:56:48,639

you could do all kinds of spam hacking

2920

01:56:52,870 --> 01:56:51,040

fishing all the kinds of crap on on aol

2921

01:56:54,550 --> 01:56:52,880

it was like made for like amateur

2922

01:56:56,470 --> 01:56:54,560

hackers and stuff you know what i even

2923

01:56:59,990 --> 01:56:56,480

have the original nt when it first come

2924

01:57:02,229 --> 01:57:00,000

out on the floppy and in the uh the the

2925

01:57:03,430 --> 01:57:02,239

manual and stuff still in its case i

2926
01:57:04,870 --> 01:57:03,440
mean i didn't need it because i already

2927
01:57:05,910 --> 01:57:04,880
had a copy you know when i found that

2928
01:57:08,470 --> 01:57:05,920
you know what i found when i was

2929
01:57:14,149 --> 01:57:08,480
cleaning my garage and and this was

2930
01:57:18,390 --> 01:57:14,159
i had uh ibm os3 or ibm os2

2931
01:57:20,310 --> 01:57:18,400
and it's 45 floppies and i remember

2932
01:57:23,030 --> 01:57:20,320
trying to install that and go and please

2933
01:57:24,950 --> 01:57:23,040
god let every all 45 of these floppies

2934
01:57:25,910 --> 01:57:24,960
not have a read error because it would

2935
01:57:28,470 --> 01:57:25,920
fail

2936
01:57:30,149 --> 01:57:28,480
in the middle of a 45 floppy install and

2937
01:57:32,149 --> 01:57:30,159
you had to start all over again it had

2938
01:57:33,270 --> 01:57:32,159

to happen with three point one three

2939

01:57:35,350 --> 01:57:33,280

point one

2940

01:57:37,030 --> 01:57:35,360

pop down

2941

01:57:39,270 --> 01:57:37,040

so i had to go on my friend's computer

2942

01:57:40,950 --> 01:57:39,280

and go ahead and download that one desk

2943

01:57:42,870 --> 01:57:40,960

and then make a copy of it i'm turning

2944

01:57:46,470 --> 01:57:42,880

into an old man too jeremy in sixth

2945

01:57:48,629 --> 01:57:46,480

sense my kid was playing xbox 360 and uh

2946

01:57:50,550 --> 01:57:48,639

that's the latest console i have i don't

2947

01:57:52,470 --> 01:57:50,560

i don't play games much but

2948

01:57:54,229 --> 01:57:52,480

he's playing red dead redemption one

2949

01:57:56,550 --> 01:57:54,239

because that's all you can play on that

2950

01:57:58,390 --> 01:57:56,560

you can't play two on the xbox 360. and

2951

01:58:00,629 --> 01:57:58,400

he goes daddy these graphics are so

2952

01:58:04,390 --> 01:58:00,639

shitty red dead redemption 2 is so much

2953

01:58:06,149 --> 01:58:04,400

better on playstation 5. and i go

2954

01:58:08,390 --> 01:58:06,159

wait right here and i went and got that

2955

01:58:10,310 --> 01:58:08,400

atari flashback and i put the atari

2956

01:58:11,750 --> 01:58:10,320

flashback on and i'm like play this [h__\h]

2957

01:58:15,270 --> 01:58:11,760

for a while tell me about shitty

2958

01:58:17,430 --> 01:58:16,470

before you end up shutting this thing

2959

01:58:19,189 --> 01:58:17,440

down

2960

01:58:20,950 --> 01:58:19,199

sounds like you guys are doing that soon

2961

01:58:22,629 --> 01:58:20,960

what's the story going forward are they

2962

01:58:23,830 --> 01:58:22,639

doing more of these hearings or is it

2963

01:58:25,589 --> 01:58:23,840

just backwards

2964

01:58:27,430 --> 01:58:25,599

paperwork or what

2965

01:58:29,109 --> 01:58:27,440

i think it's it's probably just gonna be

2966

01:58:30,709 --> 01:58:29,119

this nothing burger again and then

2967

01:58:32,870 --> 01:58:30,719

they're gonna like forget about it for a

2968

01:58:34,950 --> 01:58:32,880

while and you know gas will continue to

2969

01:58:37,189 --> 01:58:34,960

go through the roof because look at that

2970

01:58:39,990 --> 01:58:37,199

look at that 180 page report or i think

2971

01:58:41,030 --> 01:58:40,000

it was 180 pages or 150 pages it was

2972

01:58:43,430 --> 01:58:41,040

useless

2973

01:58:44,790 --> 01:58:43,440

i mean that didn't do it

2974

01:58:46,310 --> 01:58:44,800

do you think they ever trying to grab

2975

01:58:47,430 --> 01:58:46,320

elizondo you think they ever try to

2976

01:58:49,270 --> 01:58:47,440

bring them in

2977

01:58:51,350 --> 01:58:49,280

they won't they won't touch him because

2978

01:58:53,430 --> 01:58:51,360

he's not doing nothing wrong he's pretty

2979

01:58:55,430 --> 01:58:53,440

[h__\h] and because the government

2980

01:58:56,709 --> 01:58:55,440

people know that he lied and said that's

2981

01:58:58,310 --> 01:58:56,719

right

2982

01:59:00,229 --> 01:58:58,320

he will not attack him he's not doing

2983

01:59:01,750 --> 01:59:00,239

nothing wrong how crazy was that when

2984

01:59:03,589 --> 01:59:01,760

that when he kept saying uh the

2985

01:59:05,189 --> 01:59:03,599

congressman kept saying a tip how cringe

2986

01:59:07,109 --> 01:59:05,199

was that it's like see please say

2987

01:59:09,189 --> 01:59:07,119

awesome already yeah i mean did you guys

2988

01:59:11,430 --> 01:59:09,199

look into this at all i mean

2989

01:59:13,350 --> 01:59:11,440

he did say that a couple things

2990

01:59:16,149 --> 01:59:13,360

that senator probably read the new york

2991

01:59:17,589 --> 01:59:16,159

times article from 2017 this morning

2992

01:59:19,030 --> 01:59:17,599

before the hearing and thought he knew

2993

01:59:20,870 --> 01:59:19,040

what he was talking about well he's the

2994

01:59:22,629 --> 01:59:20,880

same guy that brought up the uh the

2995

01:59:23,830 --> 01:59:22,639

wilson document too and they they put

2996

01:59:27,990 --> 01:59:23,840

that in the record which is pretty

2997

01:59:31,270 --> 01:59:29,109

he got eric

2998

01:59:33,510 --> 01:59:31,280

name i bet that eric davis is sweating

2999

01:59:35,589 --> 01:59:33,520

wilson all right

3000

01:59:37,589 --> 01:59:35,599

sweating right now oh [h__h] i might have

3001

01:59:39,189 --> 01:59:37,599

to answer for this [h__h] story that

3002

01:59:40,149 --> 01:59:39,199

i've been paddling that's why they said

3003

01:59:41,189 --> 01:59:40,159

they didn't know anything about it

3004

01:59:45,830 --> 01:59:41,199

because they don't know about eric

3005

01:59:50,790 --> 01:59:48,149

they seem staged to lead into other

3006

01:59:51,910 --> 01:59:50,800

things you know what i mean like

3007

01:59:53,750 --> 01:59:51,920

i don't know it seemed like it was

3008

01:59:56,070 --> 01:59:53,760

choreographed to go

3009

02:00:02,550 --> 01:59:56,080

in a certain direction and release the

3010

02:00:06,070 --> 02:00:04,470

they don't seem very knowledgeable about

3011

02:00:09,270 --> 02:00:06,080

anything they don't

3012

02:00:10,310 --> 02:00:09,280

think well it's bad man they don't yeah

3013

02:00:12,709 --> 02:00:10,320

what did you think of stephen

3014

02:00:15,109 --> 02:00:12,719

greenstreet's uh recent thing steve i

3015

02:00:16,070 --> 02:00:15,119

thought i thought i i said this on my on

3016

02:00:18,390 --> 02:00:16,080

my show

3017

02:00:20,470 --> 02:00:18,400

previously and i will say it again

3018

02:00:22,229 --> 02:00:20,480

i think that it was well researched it

3019

02:00:23,990 --> 02:00:22,239

was incredibly well edited it was

3020

02:00:26,870 --> 02:00:24,000

artistic i think he knocked it out of

3021

02:00:30,229 --> 02:00:26,880

the park and i think that the the cracks

3022

02:00:33,910 --> 02:00:30,239

in that luelezzando dam began really

3023

02:00:36,149 --> 02:00:33,920

there like that was very very damaging

3024

02:00:37,990 --> 02:00:36,159

to his so-called credibility or any

3025

02:00:39,830 --> 02:00:38,000

credibility he has left

3026

02:00:43,270 --> 02:00:39,840

now people are going to question and i'm

3027

02:00:46,950 --> 02:00:45,669

anytime somebody asks me about louisando

3028

02:00:48,550 --> 02:00:46,960

now i'm just going to send him to

3029

02:00:50,550 --> 02:00:48,560

stephen greenstreet's link i'm not going

3030

02:00:52,070 --> 02:00:50,560

to try to explain it to them he did a

3031

02:00:53,990 --> 02:00:52,080

great job putting all these pieces

3032

02:00:55,830 --> 02:00:54,000

together explaining the counter

3033

02:00:58,390 --> 02:00:55,840

narrative that wasn't a program that it

3034

02:01:00,709 --> 02:00:58,400

was you know all the inconsistencies and

3035

02:01:02,470 --> 02:01:00,719

louisando's story

3036

02:01:04,229 --> 02:01:02,480

and by the way

3037

02:01:06,229 --> 02:01:04,239

if i was little elizondo right now i'd

3038

02:01:09,669 --> 02:01:06,239

be sweating because that's the first

3039

02:01:11,910 --> 02:01:09,679

episode of his new season or run of the

3040

02:01:14,070 --> 02:01:11,920

basement office and i have a feeling

3041

02:01:18,149 --> 02:01:14,080

that stephen greenstreet is all wound up

3042

02:01:20,950 --> 02:01:18,159

now and and focused on keep pushing that

3043

02:01:23,030 --> 02:01:20,960

damn keep punching that damn

3044

02:01:25,109 --> 02:01:23,040

this lou alexander damn i think that was

3045

02:01:27,669 --> 02:01:25,119

just the opening salvo

3046

02:01:30,550 --> 02:01:27,679

i i i don't know stephen greenstreet at

3047

02:01:32,790 --> 02:01:30,560

all but i i got the sense that he's got

3048

02:01:33,830 --> 02:01:32,800

a lot more for lou elizondo going

3049

02:01:41,990 --> 02:01:33,840

forward

3050

02:01:45,109 --> 02:01:43,750

i just don't think that the bad press is

3051

02:01:46,229 --> 02:01:45,119

really what's going to bother him at

3052

02:01:47,750 --> 02:01:46,239

this point he's already going to make

3053

02:01:49,750 --> 02:01:47,760

the money it's already over he's a

3054

02:01:52,229 --> 02:01:49,760

celebrity it's done yeah he signed the

3055

02:01:54,229 --> 02:01:52,239

book deal and said that did you see uh

3056

02:01:57,189 --> 02:01:54,239

steven you need to watch um green

3057

02:01:58,870 --> 02:01:57,199

street's interview with uh

3058

02:02:00,550 --> 02:01:58,880

junior really yeah

3059

02:02:02,629 --> 02:02:00,560

he talks about you know somebody

3060

02:02:04,470 --> 02:02:02,639

somebody made a point too

3061

02:02:06,870 --> 02:02:04,480

that book originally people said was

3062

02:02:08,870 --> 02:02:06,880

going to be out in april so i have a

3063

02:02:10,709 --> 02:02:08,880

feeling that it may be printed and

3064

02:02:13,189 --> 02:02:10,719

sitting in warehouses waiting to go to

3065

02:02:14,310 --> 02:02:13,199

distributors already so i kind of feel

3066

02:02:16,310 --> 02:02:14,320

like

3067

02:02:18,310 --> 02:02:16,320

if if there was anything earth

3068

02:02:19,750 --> 02:02:18,320

shattering or groundbreaking or really

3069

02:02:21,510 --> 02:02:19,760

important in that book it would have

3070

02:02:23,270 --> 02:02:21,520

leaked by now and it happened he would

3071

02:02:25,350 --> 02:02:23,280

already have talked about it something

3072

02:02:27,109 --> 02:02:25,360

about it right hinted at something he's

3073

02:02:28,950 --> 02:02:27,119

uh all his interviews have honestly been

3074

02:02:30,390 --> 02:02:28,960

the same thing for two years and he acts

3075

02:02:31,669 --> 02:02:30,400

like we're all mad that he's leaving

3076

02:02:33,589 --> 02:02:31,679

it's like dude you don't say anything

3077

02:02:34,550 --> 02:02:33,599

and for two years who cares

3078

02:02:38,149 --> 02:02:34,560

you know

3079

02:02:41,830 --> 02:02:38,159

he's doing a conference in 2023

3080

02:02:44,070 --> 02:02:41,840

he's doing with some wackadoos that

3081

02:02:45,430 --> 02:02:44,080

so i liked uh i love john greenwald's

3082

02:02:47,030 --> 02:02:45,440

interview with stephen green street and

3083

02:02:49,430 --> 02:02:47,040

i like what they're doing with with all

3084

02:02:51,189 --> 02:02:49,440

this but it just seems to me that none

3085

02:02:52,470 --> 02:02:51,199

of these none of those guys are really

3086

02:02:54,149 --> 02:02:52,480

into the science and really have the

3087

02:02:56,950 --> 02:02:54,159

science background to understand well

3088

02:02:58,870 --> 02:02:56,960

that's your job here jeremy yeah yeah

3089

02:03:00,390 --> 02:02:58,880

that's true man i know man there's one

3090

02:03:02,629 --> 02:03:00,400

thing that's really missing from this

3091

02:03:04,709 --> 02:03:02,639

conversation which if this was an

3092

02:03:06,709 --> 02:03:04,719

intelli intel operator

3093

02:03:08,950 --> 02:03:06,719

counter intelligence operation that was

3094

02:03:11,109 --> 02:03:08,960

run like from the top down

3095

02:03:13,910 --> 02:03:11,119

then this is the point where um louis

3096

02:03:15,189 --> 02:03:13,920

lozando his cover story has has come up

3097

02:03:17,350 --> 02:03:15,199

and is now

3098

02:03:19,350 --> 02:03:17,360

it's now peak it's now peaked his

3099

02:03:21,430 --> 02:03:19,360

popularity is peaked right now i would i

3100

02:03:22,870 --> 02:03:21,440

would argue yeah and i argued this in

3101

02:03:24,709 --> 02:03:22,880

the video that i did on it and i said

3102

02:03:26,229 --> 02:03:24,719

like this is downhill from here pulling

3103

02:03:29,109 --> 02:03:26,239

the trigger on something else and the

3104

02:03:30,629 --> 02:03:29,119

next stage is that whole asap thing with

3105

02:03:32,470 --> 02:03:30,639

uh where they're going to say that all

3106

02:03:35,030 --> 02:03:32,480

that all this was there was this ufo

3107

02:03:37,189 --> 02:03:35,040

program but it was also about you know

3108

02:03:40,310 --> 02:03:37,199

poltergeists and ghosts and werewolves

3109

02:03:43,189 --> 02:03:40,320

and big beavers and

3110

02:03:46,229 --> 02:03:43,199

oh yeah yeah dino beavers oh they're

3111

02:03:47,910 --> 02:03:46,239

deadly be careful yes so

3112

02:03:50,229 --> 02:03:47,920

you know what i also love about green

3113

02:03:52,629 --> 02:03:50,239

industry is that he does have

3114

02:03:54,870 --> 02:03:52,639

he he edited that whole thing himself i

3115

02:03:57,109 --> 02:03:54,880

i know that but he does have some

3116

02:03:58,750 --> 02:03:57,119

resources working for the new york post

3117

02:04:00,310 --> 02:03:58,760

so

3118

02:04:01,510 --> 02:04:00,320

[Music]

3119

02:04:03,750 --> 02:04:01,520

part of me

3120

02:04:06,310 --> 02:04:03,760

i think it was interesting

3121

02:04:08,390 --> 02:04:06,320

imagine he had to go to his bosses at

3122

02:04:11,030 --> 02:04:08,400

the new york post and say

3123

02:04:13,830 --> 02:04:11,040

i'm going to need you guys to

3124

02:04:16,149 --> 02:04:13,840

uh sign off on this funding form because

3125

02:04:18,870 --> 02:04:16,159

i have to get an animation done of a

3126

02:04:21,109 --> 02:04:18,880

dino beaver for this piece i'm working

3127

02:04:22,790 --> 02:04:21,119

on like could you imagine being his boss

3128

02:04:25,830 --> 02:04:22,800

like wait you want me to pay for an

3129

02:04:28,149 --> 02:04:25,840

animation of what a dino beaver there's

3130

02:04:29,189 --> 02:04:28,159

an animation of a dino beaver in his

3131

02:04:31,030 --> 02:04:29,199

feet yeah

3132

02:04:32,709 --> 02:04:31,040

i'll be curious if he paid for that or

3133

02:04:34,550 --> 02:04:32,719

where he got it that's that's funny the

3134

02:04:36,709 --> 02:04:34,560

dino beaver animation it had to be

3135

02:04:39,990 --> 02:04:36,719

custom who can you i don't think you can

3136

02:04:41,750 --> 02:04:40,000

find a stock video of a dino beaver i

3137

02:04:43,350 --> 02:04:41,760

don't know i don't know i respect the

3138

02:04:44,790 --> 02:04:43,360

hell out of it i don't know

3139

02:04:46,790 --> 02:04:44,800

i respect yeah

3140

02:04:48,709 --> 02:04:46,800

i just feel like this was the disinfo

3141

02:04:50,790 --> 02:04:48,719

beaver um more than anything i think

3142

02:04:52,390 --> 02:04:50,800

that this is the disinfo honey pot part

3143

02:04:54,390 --> 02:04:52,400

of the trap that was hidden in the whole

3144

02:04:55,830 --> 02:04:54,400

mess to begin with so that when it

3145

02:04:57,750 --> 02:04:55,840

finally blew up and came and got

3146

02:04:59,589 --> 02:04:57,760

anywhere in the intelligence world that

3147

02:05:01,510 --> 02:04:59,599

all this was gonna all this comes out on

3148

02:05:03,270 --> 02:05:01,520

the table and then it just it

3149

02:05:06,310 --> 02:05:03,280

it just poison it it's just poisoning

3150

02:05:08,709 --> 02:05:06,320

the world yeah talked about it like it's

3151

02:05:10,629 --> 02:05:08,719

always like like bob lazar he he rode

3152

02:05:12,550 --> 02:05:10,639

that thing for a long time and then

3153

02:05:14,790 --> 02:05:12,560

slowly people started picking apart the

3154

02:05:17,430 --> 02:05:14,800

story and then it all falls apart this

3155

02:05:20,629 --> 02:05:17,440

is exactly what we've seen before in so

3156

02:05:21,350 --> 02:05:20,639

many different places from you know uh

3157

02:05:24,870 --> 02:05:21,360

from

3158

02:05:26,790 --> 02:05:24,880

stephen greer to corey goode to to this

3159

02:05:29,990 --> 02:05:26,800

this is just the latest iteration

3160

02:05:31,830 --> 02:05:30,000

absolutely and meanwhile 21 trillion 21

3161

02:05:34,550 --> 02:05:31,840

trillion are missing from the pentagon

3162

02:05:36,709 --> 02:05:34,560

budget and uh we don't know where we're

3163

02:05:40,790 --> 02:05:36,719

saying i couldn't buy that much hookers

3164

02:05:44,229 --> 02:05:42,950

come to canada i'll spend it we can

3165

02:05:46,310 --> 02:05:44,239

always try

3166

02:05:48,870 --> 02:05:46,320

yeah right

3167

02:05:50,470 --> 02:05:48,880

yeah i mean i'd have some you i'd have a

3168

02:05:52,550 --> 02:05:50,480

little at least a little bit of ufo

3169

02:05:55,030 --> 02:05:52,560

technology and with that some of that

3170

02:05:57,270 --> 02:05:55,040

money you know come on

3171

02:05:58,550 --> 02:05:57,280

would you buy twitter would you buy

3172

02:06:13,910 --> 02:05:58,560

twitter though

3173

02:06:18,550 --> 02:06:15,910

that's a lot too but two billion that's

3174

02:06:21,189 --> 02:06:18,560

a lot two trillion i don't know you

3175

02:06:22,310 --> 02:06:21,199

gotta make dino b for t-shirts now and

3176

02:06:24,149 --> 02:06:22,320

sell them

3177

02:06:26,149 --> 02:06:24,159

damn think what you could do in a third

3178

02:06:32,069 --> 02:06:26,159

world country just have the dino beaver

3179

02:06:36,390 --> 02:06:33,669

well listen i want to thank i want to

3180

02:06:38,149 --> 02:06:36,400

thank each of my panel members i uh i

3181

02:06:40,790 --> 02:06:38,159

got all this i'm trying to get the new

3182

02:06:43,589 --> 02:06:40,800

streaming studio up i'm out of my patio

3183

02:06:46,149 --> 02:06:43,599

it's kind of chill i went from in a in a

3184

02:06:49,430 --> 02:06:46,159

dusty attic room that's so hot you'll

3185

02:06:51,910 --> 02:06:49,440

die in there for two hours to out on my

3186

02:06:54,390 --> 02:06:51,920

patio freezing so i'm gonna wrap things

3187

02:06:56,390 --> 02:06:54,400

up here and try to get my new setup

3188

02:06:57,589 --> 02:06:56,400

going tonight i've said it's gonna be

3189

02:06:59,109 --> 02:06:57,599

done

3190

02:07:01,109 --> 02:06:59,119

for two weeks now

3191

02:07:02,870 --> 02:07:01,119

it turned out it's a lot harder

3192

02:07:04,870 --> 02:07:02,880

jeremy i was cleaning out boxes and

3193

02:07:06,629 --> 02:07:04,880

boxes of old parts

3194

02:07:09,189 --> 02:07:06,639

so you know something about that kind of

3195

02:07:11,109 --> 02:07:09,199

thing like i have like 20 years worth of

3196

02:07:13,750 --> 02:07:11,119

boxes of parts and i can't just throw

3197

02:07:15,750 --> 02:07:13,760

the whole box away because i might need

3198

02:07:18,470 --> 02:07:15,760

some of that [h__h] someday but i'm proud

3199

02:07:20,790 --> 02:07:18,480

of myself i threw out like five boxes

3200

02:07:22,629 --> 02:07:20,800

full of wires and cables and like i'll

3201

02:07:24,229 --> 02:07:22,639

buy new ones i don't care i need to make

3202

02:07:27,589 --> 02:07:24,239

space you know

3203

02:07:29,830 --> 02:07:27,599

yeah yeah you get the 10 10 pin up old

3204

02:07:31,990 --> 02:07:29,840

printer cables it's like

3205

02:07:34,149 --> 02:07:32,000

yeah serial cables i found a box of

3206

02:07:35,990 --> 02:07:34,159

serial cables like when am i ever going

3207

02:07:37,510 --> 02:07:36,000

to need to hook up a modem again i don't

3208

02:07:39,430 --> 02:07:37,520

think modern pcc

3209

02:07:41,109 --> 02:07:39,440

just think the ribbons will be uh

3210

02:07:43,350 --> 02:07:41,119

obsolete soon right because now they

3211

02:07:45,350 --> 02:07:43,360

have hard drives everything's connected

3212

02:07:46,550 --> 02:07:45,360

to the board what do you need a ribbon

3213

02:07:49,109 --> 02:07:46,560

for

3214

02:07:51,910 --> 02:07:49,119

yeah it's a reminder that right who has

3215

02:07:55,109 --> 02:07:51,920

any any cassettes recorded on tape or or

3216

02:07:57,189 --> 02:07:55,119

vhs or any kind of magnetic tape like

3217

02:07:58,229 --> 02:07:57,199

old videos but make sure you digitize

3218

02:08:00,310 --> 02:07:58,239

and back those up because we have a

3219

02:08:01,910 --> 02:08:00,320

shelf life of about 30 years and all of

3220

02:08:03,589 --> 02:08:01,920

it's going to be bad

3221

02:08:06,229 --> 02:08:03,599

and yeah and be able to recover your

3222

02:08:09,189 --> 02:08:06,239

family you know uh you know your family

3223

02:08:11,350 --> 02:08:09,199

recorded home videos so get that stuff

3224

02:08:13,910 --> 02:08:11,360

backed up and

3225

02:08:15,910 --> 02:08:13,920

it's important but yeah

3226

02:08:17,430 --> 02:08:15,920

i said they started seeing roms were

3227

02:08:19,030 --> 02:08:17,440

forever and then you find out they

3228

02:08:20,790 --> 02:08:19,040

aren't well the thing is is they would

3229

02:08:22,870 --> 02:08:20,800

have been forever if they kept the

3230

02:08:25,189 --> 02:08:22,880

backing there that little foil backing

3231

02:08:27,270 --> 02:08:25,199

if they put that uh extra layer on that

3232

02:08:29,189 --> 02:08:27,280

side yeah sure it made it take a sense

3233

02:08:31,589 --> 02:08:29,199

of tape to screw everybody out of their

3234

02:08:33,270 --> 02:08:31,599

memories so yeah those will last for a

3235

02:08:35,430 --> 02:08:33,280

long time not those ones without no

3236

02:08:37,589 --> 02:08:35,440

backing thanks for the conversation guys

3237

02:08:39,750 --> 02:08:37,599

and uh real quick jeremy at the uh

3238

02:08:40,950 --> 02:08:39,760

sarfati interview was was awesome man

3239

02:08:42,870 --> 02:08:40,960

yeah that was a great one that was

3240

02:08:44,629 --> 02:08:42,880

really really good dude i was surprised

3241

02:08:46,149 --> 02:08:44,639

he showed up because i really just sent

3242

02:08:47,750 --> 02:08:46,159

the email to him like five minutes

3243

02:08:49,510 --> 02:08:47,760

before that but he had just sent out

3244

02:08:50,870 --> 02:08:49,520

another email with like related to it

3245

02:08:51,910 --> 02:08:50,880

because he was just watching it and he

3246

02:08:53,350 --> 02:08:51,920

was like

3247

02:08:55,750 --> 02:08:53,360

ranting and i'm like oh i'm gonna give

3248

02:08:57,350 --> 02:08:55,760

this guy a platform to just go

3249

02:08:58,709 --> 02:08:57,360

i was glad to hear him cussing and stuff

3250

02:09:00,069 --> 02:08:58,719

it's always funny to see them down to

3251

02:09:01,350 --> 02:09:00,079

earth like that he seemed like a really

3252

02:09:04,229 --> 02:09:01,360

cool guy

3253

02:09:06,470 --> 02:09:04,239

channel which is focused mostly on the

3258

02:09:18,550 --> 02:09:16,560

science behind ufos and uap anti-gravity

3259

02:09:19,669 --> 02:09:18,560

free energy all of these things jeremy

3260

02:09:22,550 --> 02:09:19,679

3261

02:09:24,470 --> 02:09:22,560

like crazy into i love it

3262

02:09:26,550 --> 02:09:24,480

uh it hurts my head sometimes though

3263

02:09:28,629 --> 02:09:26,560

when he starts talking about protons and

3264

02:09:30,629 --> 02:09:28,639

some of the people that we get

3265

02:09:33,030 --> 02:09:30,639

3273

02:09:47,990 --> 02:09:45,440

the chinese just made a breakthrough in

3274

02:09:49,430 --> 02:09:48,000

quantum messaging from satellites

3275

02:09:50,790 --> 02:09:49,440

to the us

3276

02:09:52,870 --> 02:09:50,800

something you might want to check out

3277

02:09:55,030 --> 02:09:52,880

yeah they have those encrypted

3278

02:09:57,109 --> 02:09:55,040

entanglement satellites with the the

3279

02:09:59,589 --> 02:09:57,119

quantum encryption and the chinese have

3280

02:10:02,390 --> 02:09:59,599

been working on that for a while man yes

3281

02:10:04,629 --> 02:10:02,400

chinese yeah freaking crazy

3282

02:10:06,470 --> 02:10:04,639

good hey thanks for the conversation

3283

night and jeremy

3292

02:10:30,470 --> 02:10:29,119

we'll have to try what was that that we

3293

02:10:32,149 --> 02:10:30,480

were going to talk about and we were

3294

02:10:34,229 --> 02:10:32,159

going to have you on and we got to get

3295

02:10:35,669 --> 02:10:34,239

we got to get a show about lou and talk

3296

02:10:37,350 --> 02:10:35,679

about all the stuff that's going on

3297

02:10:39,030 --> 02:10:37,360

because all right yeah well let's do it

3298

02:10:40,709 --> 02:10:39,040

i got as soon as i get this streaming

3299

02:10:42,629 --> 02:10:40,719

setup i'm a little busy i'm still

3300

02:10:44,870 --> 02:10:42,639

working on this cabin and some other i'm

3301

02:10:47,350 --> 02:10:44,880

so busy right now the busiest i've ever

3302

02:10:50,149 --> 02:10:47,360

been and then my kids keep having days

3303

02:10:51,990 --> 02:10:50,159

off which you know that just

3304

02:10:54,310 --> 02:10:52,000

try getting anything done with a 5 and a

3305

02:10:56,470 --> 02:10:54,320

10 year old running around like maniacs

3306

02:10:58,069 --> 02:10:56,480

right and i can't leave them alone

3307

02:11:00,790 --> 02:10:58,079

because they're two boys if i leave them

3308

02:11:02,550 --> 02:11:00,800

alone for five minutes bad [h__h] happens

3309

02:11:05,750 --> 02:11:02,560

you know

3310

02:11:08,550 --> 02:11:05,760

a half

3311

02:11:10,149 --> 02:11:08,560

yeah so yeah

3312

02:11:11,830 --> 02:11:10,159

all right well keep up the good fight

3313

02:11:13,990 --> 02:11:11,840

good to see you here tonight it was a

3314

02:11:16,550 --> 02:11:14,000

great surprise to have you and we'll

3315

02:11:18,470 --> 02:11:16,560

talk soon yeah this is a great day man

3316

02:11:21,510 --> 02:11:18,480

this is epic

3317

02:11:25,910 --> 02:11:21,520

great thing of nothing burger i know

3318

02:11:30,229 --> 02:11:28,629

all right all right yes i hear

3319

02:11:32,709 --> 02:11:30,239

that there is a great deal of things

3320

02:11:35,669 --> 02:11:32,719

going on behind the scenes uh related to

3321

02:11:37,669 --> 02:11:35,679

ttsa that may involve some legal

3322

02:11:39,510 --> 02:11:37,679

maneuvers or other things and when i

3323

02:11:42,629 --> 02:11:39,520

have more information on that we're

3324

02:11:43,669 --> 02:11:42,639

going to be uh doing a show on it uh

3325

02:11:46,470 --> 02:11:43,679

i've got

3326

02:11:48,950 --> 02:11:46,480

two excellent sources researchers who

3327

02:11:51,510 --> 02:11:48,960

are telling me that there's uh some some

3328

02:11:55,189 --> 02:11:51,520

things going on with that

3329

02:11:57,750 --> 02:11:55,199

and with the entire ttsa debacle now

3330

02:11:59,990 --> 02:11:57,760

things may be imploding for more than

3331

02:12:01,750 --> 02:12:00,000

just lou elizondo i mean lou alexander

3332

02:12:04,069 --> 02:12:01,760

was involved with ttsa and a lot of

3333

02:12:05,510 --> 02:12:04,079

people are gonna start asking a lot more

3334

02:12:07,910 --> 02:12:05,520

questions lately

3335

02:12:09,830 --> 02:12:07,920

um and and i think that's a good thing

3336

02:12:11,750 --> 02:12:09,840

and you know i've said this before i'm

3337

02:12:13,270 --> 02:12:11,760

going to say it again lou alexander

3338

02:12:15,350 --> 02:12:13,280

instead of doing all these slimy things

3339

02:12:16,390 --> 02:12:15,360

like calling people felons or cons or

3340

02:12:18,790 --> 02:12:16,400

whatever

3341

02:12:20,709 --> 02:12:18,800

maybe just maybe you should grow a set

3342

02:12:22,870 --> 02:12:20,719

of balls be a man and just answer

3343

02:12:24,709 --> 02:12:22,880

people's questions

3344

02:12:26,709 --> 02:12:24,719

the only people

3345

02:12:28,470 --> 02:12:26,719

i've said it before and i will continue

3346

02:12:30,550 --> 02:12:28,480

saying that the only people who fear

3347

02:12:31,750 --> 02:12:30,560

questions are people with something to

3348

02:12:33,109 --> 02:12:31,760

hide

3349

02:12:35,910 --> 02:12:33,119

so

3350

02:12:38,310 --> 02:12:35,920

what do you have to hide lazando

3351

02:12:39,750 --> 02:12:38,320

what's so important that you would

3352

02:12:42,709 --> 02:12:39,760

actively

3353

02:12:45,109 --> 02:12:42,719

damage people's reputations call people

3354

02:12:47,750 --> 02:12:45,119

felons call people mentally unstable be

3355

02:12:49,669 --> 02:12:47,760

passing around these hit lists

3356

02:12:52,470 --> 02:12:49,679

directing people there's another thing

3357

02:12:54,870 --> 02:12:52,480

they have he ha and his and his crew i

3358

02:12:56,870 --> 02:12:54,880

suppose have actively told people you

3359

02:12:58,390 --> 02:12:56,880

need to stay away from this person you

3360

02:13:00,470 --> 02:12:58,400

need to stay away from this show you

3361

02:13:02,870 --> 02:13:00,480

need to stay away from that show all the

3362

02:13:03,990 --> 02:13:02,880

shows that are asking him the hard

3363

02:13:06,550 --> 02:13:04,000

questions

3364

02:13:08,950 --> 02:13:06,560

what is he afraid of the only people my

3365

02:13:11,109 --> 02:13:08,960

friends who fear questions are people

3366

02:13:12,870 --> 02:13:11,119

with something to hide and i think in

3367

02:13:15,510 --> 02:13:12,880

the coming

3368

02:13:17,750 --> 02:13:15,520

short time maybe six months to a year

3369

02:13:20,470 --> 02:13:17,760

we're gonna find out more about what lou

3370

02:13:22,229 --> 02:13:20,480

elizondo has been hiding from all of us

3371

02:13:24,550 --> 02:13:22,239

so

3372

02:13:26,310 --> 02:13:24,560
