

IS IT ALL CRASHING DOWN?

LUE ELIZONDO'S  
HOUSE OF CARDS!

THE FELON

1  
00:00:46,130 --> 00:00:36,200  
[Music]

2  
00:00:46,140 --> 00:00:50,720  
[Applause]

3  
00:01:05,660 --> 00:01:03,189  
[Music]

4  
00:01:40,640 --> 00:01:05,670  
so

5  
00:01:40,650 --> 00:02:20,309  
[Music]

6  
00:02:24,710 --> 00:02:23,110  
it's about truth it's about it's about

7  
00:02:27,910 --> 00:02:24,720  
disclosure it's about transparency and

8  
00:02:30,550 --> 00:02:27,920  
if it means that that that i i don't get

9  
00:02:31,509 --> 00:02:30,560  
my my day in the spotlight then that's

10  
00:02:33,030 --> 00:02:31,519  
okay

11  
00:02:34,470 --> 00:02:33,040  
because it's not about that never was

12  
00:02:36,710 --> 00:02:34,480  
about that i didn't leave the department

13  
00:02:38,390 --> 00:02:36,720

of defense because i wanted my day in

14

00:02:40,150 --> 00:02:38,400

the spotlight i left the dopa harbor in

15

00:02:41,509 --> 00:02:40,160

the defense ironically enough to finish

16

00:02:43,670 --> 00:02:41,519

the very mission they gave me in the

17

00:02:45,589 --> 00:02:43,680

first place i didn't ask for it i'm not

18

00:02:47,350 --> 00:02:45,599

a ufo guy i'm not a ufologist i never

19

00:02:49,589 --> 00:02:47,360

have been i never will be i'm a counter

20

00:02:51,750 --> 00:02:49,599

terrorism and counter espionage guy dude

21

00:02:53,910 --> 00:02:51,760

count intelligence counter insurgencies

22

00:02:55,830 --> 00:02:53,920

that's what i do and it just so happens

23

00:02:58,470 --> 00:02:55,840

that in 2008 i was asked to apply those

24

00:02:59,750 --> 00:02:58,480

same skill sets into the ufo community

25

00:03:02,790 --> 00:02:59,760

but

26

00:03:04,229 --> 00:03:02,800

i'm not a ufo guy and so for me it's all

27

00:03:07,190 --> 00:03:04,239

about the truth whether i'm hunting a

28

00:03:08,949 --> 00:03:07,200

terrorist or a spy or a ufo the bottom

29

00:03:09,990 --> 00:03:08,959

line is the truth is the truth

30

00:03:11,750 --> 00:03:10,000

i'm a counter-terrorism a

31

00:03:13,910 --> 00:03:11,760

counter-espionage guy dude

32

00:03:16,070 --> 00:03:13,920

counterintelligence counterinsurgencies

33

00:03:17,990 --> 00:03:16,080

that's what i do and it just so happens

34

00:03:20,790 --> 00:03:18,000

that in 2008 i was asked to apply those

35

00:03:22,070 --> 00:03:20,800

same skill sets into the ufo community

36

00:03:23,589 --> 00:03:22,080

the bottom line is the truth is the

37

00:03:25,589 --> 00:03:23,599

truth i'm a counter-terrorism and

38

00:03:27,830 --> 00:03:25,599

counter-espionage guy and that dude town

39

00:03:30,070 --> 00:03:27,840

intelligence counter insurgencies that's

40

00:03:31,830 --> 00:03:30,080

what i do and it just so happens that in

41

00:03:34,149 --> 00:03:31,840

2008 i was asked to apply those same

42

00:03:35,910 --> 00:03:34,159

skill sets into the ufo community the

43

00:03:38,390 --> 00:03:35,920

bottom line is the truth is the truth it

44

00:03:39,990 --> 00:03:38,400

just so happens that in 2008 i was asked

45

00:03:42,149 --> 00:03:40,000

to apply those same skill sets into the

46

00:03:44,070 --> 00:03:42,159

ufo community the bottom line is the

47

00:03:46,149 --> 00:03:44,080

truth isn't true i'm a counter-terrorism

48

00:03:48,390 --> 00:03:46,159

and counter-espionage

49

00:03:50,390 --> 00:03:48,400

intelligence counter insurgencies that's

50

00:03:52,070 --> 00:03:50,400

what i do the bottom line is the truth

51  
00:03:53,830 --> 00:03:52,080  
is the truth i'm a counter-terrorism and

52  
00:03:56,070 --> 00:03:53,840  
counter-espionage guy

53  
00:03:57,990 --> 00:03:56,080  
counterintelligence counter insurgencies

54  
00:04:00,070 --> 00:03:58,000  
that's what i do the bottom line is the

55  
00:04:01,990 --> 00:04:00,080  
truth is the truth it just so happens

56  
00:04:04,390 --> 00:04:02,000  
that in 2008 i was asked to apply those

57  
00:04:06,590 --> 00:04:04,400  
same skill sets into the ufo community

58  
00:04:12,390 --> 00:04:06,600  
the bottom line is the truth is a tree

59  
00:04:17,189 --> 00:04:14,070  
the central intelligence agency is set

60  
00:04:20,629 --> 00:04:17,199  
up to deceive that's what their

61  
00:04:24,230 --> 00:04:20,639  
job is in fact counter intelligence lieu

62  
00:04:26,070 --> 00:04:24,240  
counterintelligence means i have to lie

63  
00:04:28,469 --> 00:04:26,080

you know that's my job

64

00:04:30,150 --> 00:04:28,479

so uh what is counterintelligence what

65

00:04:33,030 --> 00:04:30,160

are some of the methods that's

66

00:04:35,670 --> 00:04:33,040

something that the ufo field could study

67

00:04:37,990 --> 00:04:35,680

instead of people going off about did

68

00:04:39,830 --> 00:04:38,000

lou make a comment you know that doesn't

69

00:04:41,590 --> 00:04:39,840

go anywhere what is that going to do for

70

00:04:44,870 --> 00:04:41,600

you who cares about louis louisando

71

00:04:45,749 --> 00:04:44,880

ultimately except as a pawn of the cia

72

00:04:46,710 --> 00:04:45,759

threat

73

00:04:48,870 --> 00:04:46,720

motion

74

00:04:49,749 --> 00:04:48,880

otherwise you know it's just dribble

75

00:04:52,230 --> 00:04:49,759

right

76

00:04:53,990 --> 00:04:52,240

so um and how you know it could be

77

00:04:55,830 --> 00:04:54,000

anybody they could have gotten someone

78

00:04:58,469 --> 00:04:55,840

else instead in that program and dressed

79

00:04:59,430 --> 00:04:58,479

them up for the part i don't think

80

00:05:01,510 --> 00:04:59,440

you know

81

00:05:03,350 --> 00:05:01,520

it's not a special kind of assignment

82

00:05:04,870 --> 00:05:03,360

that they got for lou i just think that

83

00:05:06,390 --> 00:05:04,880

he kind of fit what they were doing and

84

00:05:07,510 --> 00:05:06,400

they felt this is a guy who can pull it

85

00:05:08,870 --> 00:05:07,520

off he's done a lot of counter

86

00:05:12,150 --> 00:05:08,880

intelligence

87

00:05:13,749 --> 00:05:12,160

um but i think what's important is what

88

00:05:15,990 --> 00:05:13,759

is counterintelligence

89

00:05:17,830 --> 00:05:16,000

just in a nutshell

90

00:05:20,870 --> 00:05:17,840

i need to

91

00:05:23,710 --> 00:05:20,880

deceive another country about what my

92

00:05:25,270 --> 00:05:23,720

activities are militarily

93

00:05:26,390 --> 00:05:25,280

espionage-wise

94

00:05:27,749 --> 00:05:26,400

etc

95

00:05:29,830 --> 00:05:27,759

and i need them to believe that

96

00:05:32,230 --> 00:05:29,840

something is happening that's totally

97

00:05:34,870 --> 00:05:32,240

different what is actually happening

98

00:05:36,230 --> 00:05:34,880

so i need to create a counter narrative

99

00:05:39,350 --> 00:05:36,240

to the truth

100

00:05:42,230 --> 00:05:39,360

that's counterintelligence i need to lie

101

00:05:43,830 --> 00:05:42,240

to get people to believe

102

00:05:46,950 --> 00:05:43,840

so therefore

103

00:05:50,550 --> 00:05:46,960

um elizondo has a lot of experience he's

104

00:05:51,670 --> 00:05:50,560

a professional liar that's just a fact

105

00:05:54,390 --> 00:05:51,680

and

106

00:05:56,230 --> 00:05:54,400

you you know expecting the truth from

107

00:05:58,150 --> 00:05:56,240

people like that or the central

108

00:06:00,790 --> 00:05:58,160

intelligence agency counterintelligence

109

00:06:02,950 --> 00:06:00,800

agents in general is craziness who

110

00:06:05,270 --> 00:06:02,960

whoever thought of such a thing

111

00:06:06,790 --> 00:06:05,280

and um you know so the way they've

112

00:06:08,070 --> 00:06:06,800

rolled it out and packaged it up and put

113

00:06:09,990 --> 00:06:08,080

a lot of money behind it and the media

114

00:06:11,990 --> 00:06:10,000

behind it yes but

115

00:06:13,590 --> 00:06:12,000

you know i think we've come past a phase

116

00:06:15,670 --> 00:06:13,600

like you know we're all kind of

117

00:06:16,629 --> 00:06:15,680

graduating in our own awareness

118

00:06:18,870 --> 00:06:16,639

and

119

00:06:22,710 --> 00:06:18,880

this is pretty obvious you know so this

120

00:06:25,029 --> 00:06:22,720

one is getting pretty wobbly

121

00:06:26,629 --> 00:06:25,039

greetings and salutations friends and

122

00:06:30,469 --> 00:06:26,639

welcome back

123

00:06:34,230 --> 00:06:30,479

uh i'm here tonight uh to do with a few

124

00:06:35,110 --> 00:06:34,240

things on my to-do list the first is uh

125

00:06:37,189 --> 00:06:35,120

to

126

00:06:39,990 --> 00:06:37,199

remind people

127

00:06:44,309 --> 00:06:40,000

of some very important things

128

00:06:46,950 --> 00:06:44,319

uh since 2017 when louisando and tsa

129

00:06:49,990 --> 00:06:46,960

first uh came into

130

00:06:52,230 --> 00:06:50,000

uh the lexicon here

131

00:06:55,430 --> 00:06:52,240

i was very very critical

132

00:06:58,550 --> 00:06:55,440

and uh we've talked about this before

133

00:07:00,150 --> 00:06:58,560

and i'm sure we'll talk about it again

134

00:07:19,510 --> 00:07:00,160

i

135

00:07:22,390 --> 00:07:19,520

spoon-fed

136

00:07:24,550 --> 00:07:22,400

including uh through

137

00:07:26,150 --> 00:07:24,560

major media sources like the new york

138

00:07:27,510 --> 00:07:26,160

times

139

00:07:35,510 --> 00:07:27,520

we

140

00:07:38,309 --> 00:07:35,520

with a purpose it's very important that

141

00:07:41,510 --> 00:07:38,319

we realize some things first of all

142

00:07:44,390 --> 00:07:41,520

there was a purposeful effort and leslie

143

00:07:46,790 --> 00:07:44,400

keane talked about this she purposefully

144

00:07:48,469 --> 00:07:46,800

left out of her new york times article

145

00:07:49,990 --> 00:07:48,479

all the stuff

146

00:07:52,869 --> 00:07:50,000

uh that would make

147

00:07:54,710 --> 00:07:52,879

this whole asap a tip program look

148

00:07:56,710 --> 00:07:54,720

credible right

149

00:07:59,510 --> 00:07:56,720

don't talk about the dino beavers don't

150

00:08:02,070 --> 00:07:59,520

talk about the werewolves that they were

151  
00:08:03,510 --> 00:08:02,080  
studying the ghouls and the goblins and

152  
00:08:04,309 --> 00:08:03,520  
the ghosts

153  
00:08:07,589 --> 00:08:04,319  
no

154  
00:08:10,629 --> 00:08:07,599  
focus only on the ufo portion of the

155  
00:08:15,029 --> 00:08:10,639  
program but the problem is there was no

156  
00:08:19,830 --> 00:08:15,039  
ufo program we have seen that asap was

157  
00:08:22,390 --> 00:08:19,840  
paid money through harry reid right

158  
00:08:23,510 --> 00:08:22,400  
and that's another thing we'll get into

159  
00:08:26,550 --> 00:08:23,520  
tonight

160  
00:08:29,189 --> 00:08:26,560  
harry reid gave his good friend bob

161  
00:08:32,550 --> 00:08:29,199  
bigelow a no bid sweetheart deal

162  
00:08:34,949 --> 00:08:32,560  
contract from over 20 million dollars

163  
00:08:36,949 --> 00:08:34,959

bob bigelow had previously been a big

164

00:08:39,909 --> 00:08:36,959

campaign contributor

165

00:08:42,070 --> 00:08:39,919

and supporter harry reid suddenly harry

166

00:08:44,149 --> 00:08:42,080

reid is handing out 20 million plus

167

00:08:46,630 --> 00:08:44,159

dollar contracts with the government

168

00:08:48,630 --> 00:08:46,640

that nobody knew about or bid on there

169

00:08:50,470 --> 00:08:48,640

was only one bidder and that was bob

170

00:08:52,389 --> 00:08:50,480

bigelow's group

171

00:08:55,670 --> 00:08:52,399

so

172

00:08:58,710 --> 00:08:55,680

we have all been manipulated

173

00:09:01,110 --> 00:08:58,720

we have all been spoon-fed a carefully

174

00:09:05,030 --> 00:09:01,120

constructed narrative and that's what it

175

00:09:08,310 --> 00:09:05,040

is a carefully constructed narrative

176

00:09:10,790 --> 00:09:08,320

this is not the truth it is a construct

177

00:09:14,230 --> 00:09:10,800

a matrix of half-truths

178

00:09:15,750 --> 00:09:14,240

lies deceptions layers of deception and

179

00:09:18,150 --> 00:09:15,760

more

180

00:09:19,670 --> 00:09:18,160

and this is what we were spoon fed

181

00:09:23,350 --> 00:09:19,680

both by

182

00:09:26,310 --> 00:09:23,360

the mainstream media and also most

183

00:09:29,030 --> 00:09:26,320

disappointingly we were spoon fed the

184

00:09:32,790 --> 00:09:29,040

very same narrative by members of the

185

00:09:33,910 --> 00:09:32,800

alt media in fact i can count on one

186

00:09:36,949 --> 00:09:33,920

hand

187

00:09:39,350 --> 00:09:36,959

the members of the alt media who asked

188

00:09:42,550 --> 00:09:39,360

the same questions that i was asking

189

00:09:44,630 --> 00:09:42,560

since 2017 that would be off the top of

190

00:09:45,430 --> 00:09:44,640

my head walter bosley

191

00:09:49,030 --> 00:09:45,440

uh

192

00:09:51,190 --> 00:09:49,040

and i want to thank him for letting me

193

00:09:52,470 --> 00:09:51,200

use a clip from his show

194

00:09:55,670 --> 00:09:52,480

uh

195

00:09:58,070 --> 00:09:55,680

john from the black vault

196

00:10:01,590 --> 00:09:58,080

there was kalkor very very critical of

197

00:10:03,590 --> 00:10:01,600

ttsa right from the very beginning and i

198

00:10:04,389 --> 00:10:03,600

i struggle to

199

00:10:07,509 --> 00:10:04,399

remember

200

00:10:09,990 --> 00:10:07,519

anyone else from our alt media

201  
00:10:12,470 --> 00:10:10,000  
that covers these topics that asked

202  
00:10:15,750 --> 00:10:12,480  
actual real important questions or were

203  
00:10:17,670 --> 00:10:15,760  
critical of the cia spoon fed narrative

204  
00:10:19,910 --> 00:10:17,680  
that we were all

205  
00:10:22,710 --> 00:10:19,920  
they were shoveling at us

206  
00:10:24,550 --> 00:10:22,720  
for years now

207  
00:10:26,949 --> 00:10:24,560  
most disappointingly

208  
00:10:29,590 --> 00:10:26,959  
so many members of the so-called ufo

209  
00:10:31,910 --> 00:10:29,600  
research community jumped right on board

210  
00:10:34,949 --> 00:10:31,920  
with that spoon-fed narrative and those

211  
00:10:36,710 --> 00:10:34,959  
people should all have to answer some

212  
00:10:39,190 --> 00:10:36,720  
tough questions now

213  
00:10:42,870 --> 00:10:39,200

like leslie keane why did you manipulate

214

00:10:44,710 --> 00:10:42,880

us leslie why did you manipulate

215

00:10:47,509 --> 00:10:44,720

everyone in your article why did you

216

00:10:48,710 --> 00:10:47,519

purposefully leave out the parts of the

217

00:10:52,310 --> 00:10:48,720

truth

218

00:10:54,310 --> 00:10:52,320

that did not fit your agenda lose agenda

219

00:10:55,590 --> 00:10:54,320

tom delong's agenda help put off's

220

00:10:57,350 --> 00:10:55,600

agenda

221

00:10:59,829 --> 00:10:57,360

why did you why would you purposefully

222

00:11:02,949 --> 00:10:59,839

leave that out unless you your purpose

223

00:11:05,829 --> 00:11:02,959

was to manipulate everyone

224

00:11:08,150 --> 00:11:05,839

as far as members of the alt media

225

00:11:10,470 --> 00:11:08,160

uh it's very clear that people like

226

00:11:12,550 --> 00:11:10,480

richard dolan you know the guy who

227

00:11:15,829 --> 00:11:12,560

interviews dead people to sell fake

228

00:11:18,790 --> 00:11:15,839

alien stories the guy who calls a

229

00:11:21,829 --> 00:11:18,800

decorated navy admiral a criminal so

230

00:11:23,990 --> 00:11:21,839

that he could sell fake alien stories

231

00:11:26,790 --> 00:11:24,000

even though the navy admiral said this

232

00:11:28,949 --> 00:11:26,800

story is horse [h\_\_h]

233

00:11:31,670 --> 00:11:28,959

richard dolan has been

234

00:11:34,150 --> 00:11:31,680

pushing that dead horse up the hill for

235

00:11:36,230 --> 00:11:34,160

years now he has made more money off of

236

00:11:37,990 --> 00:11:36,240

these fake wilson documents than anybody

237

00:11:40,389 --> 00:11:38,000

i for one was happy that they mentioned

238

00:11:41,750 --> 00:11:40,399

the wilson documents in this ufo hearing

239

00:11:45,750 --> 00:11:41,760

maybe somebody's going to start asking

240

00:11:48,870 --> 00:11:45,760

some questions and people like wackadoo

241

00:11:51,829 --> 00:11:48,880

uh crackpot scientist eric davis who has

242

00:11:52,629 --> 00:11:51,839

been sucking off the teat of paranormal

243

00:11:54,790 --> 00:11:52,639

and

244

00:11:56,949 --> 00:11:54,800

fringe science programs for the

245

00:11:59,110 --> 00:11:56,959

government for decades

246

00:12:01,430 --> 00:11:59,120

will have to answer

247

00:12:03,990 --> 00:12:01,440

some questions under oath

248

00:12:06,389 --> 00:12:04,000

i'd love to see eric davis

249

00:12:08,870 --> 00:12:06,399

tell us all about those wilson documents

250

00:12:11,110 --> 00:12:08,880

under oath

251  
00:12:13,030 --> 00:12:11,120  
so the members of the alt media along

252  
00:12:15,030 --> 00:12:13,040  
with members of the

253  
00:12:17,269 --> 00:12:15,040  
first we could talk about the mainstream

254  
00:12:20,069 --> 00:12:17,279  
media and how the once that new york

255  
00:12:22,150 --> 00:12:20,079  
times article dropped it was as if

256  
00:12:24,150 --> 00:12:22,160  
hundreds of other news outlets simply

257  
00:12:26,949 --> 00:12:24,160  
copied and pasted everything in that

258  
00:12:28,949 --> 00:12:26,959  
article and reposted it change some

259  
00:12:31,110 --> 00:12:28,959  
words around to get past the copyright

260  
00:12:32,150 --> 00:12:31,120  
problems you know rewrite it a little

261  
00:12:34,790 --> 00:12:32,160  
bit

262  
00:12:38,230 --> 00:12:34,800  
literally hundreds and hundreds of news

263  
00:12:41,590 --> 00:12:38,240

agencies copied and pasted from that new

264

00:12:43,509 --> 00:12:41,600

york times article and ran with the very

265

00:12:44,949 --> 00:12:43,519

very same

266

00:12:53,829 --> 00:12:44,959

narrative

267

00:12:56,150 --> 00:12:53,839

some kind of pentagon whistleblower who

268

00:12:59,430 --> 00:12:56,160

quit in disgust because people weren't

269

00:13:02,870 --> 00:12:59,440

taking ufos seriously enough and he ran

270

00:13:03,910 --> 00:13:02,880

the government's secret ufo program

271

00:13:05,190 --> 00:13:03,920

except

272

00:13:07,990 --> 00:13:05,200

that program

273

00:13:09,910 --> 00:13:08,000

as described by lou elizondo

274

00:13:12,949 --> 00:13:09,920

never existed

275

00:13:17,190 --> 00:13:12,959

it was never a funded program he himself

276

00:13:18,310 --> 00:13:17,200

admitted in his ig complaint letter he

277

00:13:21,030 --> 00:13:18,320

said

278

00:13:22,069 --> 00:13:21,040

let's call it an activity not a program

279

00:13:23,990 --> 00:13:22,079

so

280

00:13:25,590 --> 00:13:24,000

a tip

281

00:13:28,069 --> 00:13:25,600

the last letter is p

282

00:13:31,030 --> 00:13:28,079

rest in peace the p and a tip it wasn't

283

00:13:32,870 --> 00:13:31,040

a program it was never a program no

284

00:13:35,350 --> 00:13:32,880

matter how many

285

00:13:37,829 --> 00:13:35,360

media hacks copied and pasted from

286

00:13:38,870 --> 00:13:37,839

leslie keane's article in the new york

287

00:13:41,590 --> 00:13:38,880

times

288

00:13:45,509 --> 00:13:41,600

and wanted this to be true it isn't

289

00:13:48,389 --> 00:13:45,519

there was no program it was a nickname

290

00:13:50,710 --> 00:13:48,399

for another program that lou elizando

291

00:13:53,030 --> 00:13:50,720

himself said he had nothing to do with

292

00:13:55,590 --> 00:13:53,040

osap but then of course he contradicts

293

00:13:57,269 --> 00:13:55,600

himself and says oh no i i did have some

294

00:13:59,030 --> 00:13:57,279

interaction with lakatsky and he asked

295

00:14:01,990 --> 00:13:59,040

me to be the new security director at

296

00:14:04,069 --> 00:14:02,000

one point

297

00:14:06,389 --> 00:14:04,079

i believe he later claimed that people

298

00:14:10,310 --> 00:14:06,399

uh told him that he should be the new

299

00:14:13,030 --> 00:14:10,320

program asap program manager

300

00:14:16,389 --> 00:14:13,040

the inconsistencies are absolutely

301

00:14:19,350 --> 00:14:16,399

positively ridiculous here and

302

00:14:21,910 --> 00:14:19,360

you know but let's get back to so we've

303

00:14:24,870 --> 00:14:21,920

covered how the mainstream media simply

304

00:14:28,069 --> 00:14:24,880

became an echo chamber

305

00:14:30,790 --> 00:14:28,079

copying and pasting this cia spoon fed

306

00:14:33,269 --> 00:14:30,800

narrative and how do we know it's a cia

307

00:14:35,910 --> 00:14:33,279

spoon fed narrative we can go back to

308

00:14:37,430 --> 00:14:35,920

ttsa

309

00:14:40,069 --> 00:14:37,440

dark journalist

310

00:14:42,310 --> 00:14:40,079

has pointed out and i researched each of

311

00:14:44,389 --> 00:14:42,320

the board members the original ttsa

312

00:14:46,470 --> 00:14:44,399

board members

313

00:14:47,350 --> 00:14:46,480

and he is correct in pointing out that

314

00:14:49,670 --> 00:14:47,360

if you

315

00:14:51,990 --> 00:14:49,680

take all of the tsa

316

00:14:54,790 --> 00:14:52,000

original board members and add up all

317

00:14:58,069 --> 00:14:54,800

their cia and intelligence experience

318

00:14:59,590 --> 00:14:58,079

it's 150 years of cia and intelligence

319

00:15:01,670 --> 00:14:59,600

experience

320

00:15:02,870 --> 00:15:01,680

so we're expected to believe that

321

00:15:05,110 --> 00:15:02,880

suddenly

322

00:15:06,629 --> 00:15:05,120

all of these former spooks

323

00:15:09,430 --> 00:15:06,639

and cia

324

00:15:11,910 --> 00:15:09,440

people and former lockheed people

325

00:15:13,590 --> 00:15:11,920

uh you know defense contractor people

326

00:15:15,030 --> 00:15:13,600

all of a sudden got together and said

327

00:15:16,310 --> 00:15:15,040

we're going to bring about ufo

328

00:15:19,030 --> 00:15:16,320

disclosure and we're going to bring

329

00:15:22,389 --> 00:15:19,040

people the truth about those aliens and

330

00:15:24,389 --> 00:15:22,399

we're also going to build a spaceship

331

00:15:26,069 --> 00:15:24,399

with a revolutionary power source that's

332

00:15:27,430 --> 00:15:26,079

going to change the world invest in our

333

00:15:29,910 --> 00:15:27,440

company today

334

00:15:31,910 --> 00:15:29,920

and then they delivered squat

335

00:15:33,030 --> 00:15:31,920

that they promised

336

00:15:36,150 --> 00:15:33,040

friends

337

00:15:38,310 --> 00:15:36,160

if you or i had stood on a stage

338

00:15:40,710 --> 00:15:38,320

and promised investors of our new

339

00:15:42,470 --> 00:15:40,720

company a spaceship

340

00:15:45,030 --> 00:15:42,480

and then never delivered on the

341

00:15:46,870 --> 00:15:45,040

spaceship and just stole two million

342

00:15:49,670 --> 00:15:46,880

dollars from the public

343

00:15:54,790 --> 00:15:49,680

based on we're building a spaceship we

344

00:15:59,189 --> 00:15:57,430

it's my speculation but it's fair and

345

00:16:02,949 --> 00:15:59,199

informed speculation that there's a

346

00:16:06,150 --> 00:16:02,959

reason that no one from ttsa to this day

347

00:16:10,069 --> 00:16:06,160

has been prosecuted for what is

348

00:16:11,910 --> 00:16:10,079

essentially been called a techno scan

349

00:16:14,870 --> 00:16:11,920

you tell people you have this amazing

350

00:16:18,150 --> 00:16:14,880

technology invest in our company we are

351

00:16:19,910 --> 00:16:18,160

going to change industries

352

00:16:23,030 --> 00:16:19,920

because this spaceship will let you fly

353

00:16:25,590 --> 00:16:23,040

from new york to los angeles in an hour

354

00:16:27,990 --> 00:16:25,600

if that technology existed and a company

355

00:16:30,470 --> 00:16:28,000

created that the investors

356

00:16:32,150 --> 00:16:30,480

in that company would become rich beyond

357

00:16:35,110 --> 00:16:32,160

their wildest dreams because it would

358

00:16:38,069 --> 00:16:35,120

affect the transportation industry it

359

00:16:41,509 --> 00:16:38,079

would affect air travel it would affect

360

00:16:42,550 --> 00:16:41,519

cars it would affect trucking and how

361

00:16:45,269 --> 00:16:42,560

goods

362

00:16:47,470 --> 00:16:45,279

it would affect shipping everything the

363

00:16:50,150 --> 00:16:47,480

entire global economy would be

364

00:16:52,629 --> 00:16:50,160

revitalized with this new amazing

365

00:16:55,430 --> 00:16:52,639

technology that tom delong

366

00:16:58,629 --> 00:16:55,440

hal put off steve justice and uh of

367

00:17:01,829 --> 00:16:58,639

course lou elizondo was in on that right

368

00:17:02,870 --> 00:17:01,839

that technology would change the entire

369

00:17:13,429 --> 00:17:02,880

world

370

00:17:19,750 --> 00:17:16,870

and they delivered nothing

371

00:17:21,669 --> 00:17:19,760

the investors in ttsa to this day i have

372

00:17:23,990 --> 00:17:21,679

yet to find a single person that even

373

00:17:25,829 --> 00:17:24,000

got their original investment money back

374

00:17:29,510 --> 00:17:25,839

or got any dividends

375

00:17:32,310 --> 00:17:29,520

it would appear that tom delong and ttsa

376

00:17:35,270 --> 00:17:32,320

members all they all made money but none

377

00:17:37,430 --> 00:17:35,280

of the investors did

378

00:17:39,510 --> 00:17:37,440

so

379

00:17:42,310 --> 00:17:39,520

my speculation is that one of the

380

00:17:43,110 --> 00:17:42,320

reasons that no one was prosecuted is

381

00:17:45,590 --> 00:17:43,120

because

382

00:17:47,669 --> 00:17:45,600

look at the class of people that was

383

00:17:49,750 --> 00:17:47,679

involved with that people with all the

384

00:17:51,909 --> 00:17:49,760

cia experience all of these former

385

00:17:54,150 --> 00:17:51,919

government spooks

386

00:17:55,669 --> 00:17:54,160

maybe just maybe

387

00:18:01,990 --> 00:17:55,679

the government didn't want to prosecute

388

00:18:08,950 --> 00:18:06,549

if tsa was truly a dod or cia psyop it

389

00:18:10,150 --> 00:18:08,960

stands to reason that

390

00:18:12,390 --> 00:18:10,160

it's a psyop they're not going to

391

00:18:14,549 --> 00:18:12,400

prosecute people for doing the stuff in

392

00:18:16,470 --> 00:18:14,559

the psyop that's part of the plan you do

393

00:18:17,990 --> 00:18:16,480

the psyop

394

00:18:19,190 --> 00:18:18,000

i still struggle

395

00:18:21,830 --> 00:18:19,200

with

396

00:18:23,990 --> 00:18:21,840

the reason for the psyop but we can

397

00:18:24,870 --> 00:18:24,000

think of many different reasons first of

398

00:18:26,470 --> 00:18:24,880

all

399

00:18:28,710 --> 00:18:26,480

there are

400

00:18:30,630 --> 00:18:28,720

there is what i believe could be called

401  
00:18:32,310 --> 00:18:30,640  
actionable intelligence that many of our

402  
00:18:36,230 --> 00:18:32,320  
adversaries are

403  
00:18:38,789 --> 00:18:36,240  
operating drones within our airspace

404  
00:18:41,590 --> 00:18:38,799  
and the government has called them ufos

405  
00:18:41,600 --> 00:18:43,909  
friends

406  
00:18:50,630 --> 00:18:47,350  
there's could be many reasons why a dod

407  
00:18:53,510 --> 00:18:50,640  
or cia psyop could be generated and we

408  
00:18:56,710 --> 00:18:53,520  
also need to look into history because

409  
00:18:58,710 --> 00:18:56,720  
there has been several times when we can

410  
00:19:00,390 --> 00:18:58,720  
prove with substantial and supportive

411  
00:19:03,830 --> 00:19:00,400  
evidence that the government has

412  
00:19:05,830 --> 00:19:03,840  
injected people into the ufo community

413  
00:19:07,909 --> 00:19:05,840

for one reason or another the most

414

00:19:10,789 --> 00:19:07,919

notable examples

415

00:19:14,390 --> 00:19:10,799

i could think of is richard doty

416

00:19:19,830 --> 00:19:17,190

and who was it that's one a prominent

417

00:19:22,150 --> 00:19:19,840

ufo researcher and roswell author once

418

00:19:24,150 --> 00:19:22,160

stood on a stage at a ufo conference and

419

00:19:26,070 --> 00:19:24,160

admitted that he had been feeding

420

00:19:27,990 --> 00:19:26,080

information to the government on

421

00:19:30,470 --> 00:19:28,000

different researchers people within the

422

00:19:33,590 --> 00:19:30,480

ufo community what people were talking

423

00:19:36,070 --> 00:19:33,600

about what people were um you know

424

00:19:38,470 --> 00:19:36,080

researching what pictures people had

425

00:19:40,630 --> 00:19:38,480

what conclusions people were drawing

426

00:19:43,669 --> 00:19:40,640

right

427

00:19:44,950 --> 00:19:43,679

so there's two prominent examples where

428

00:19:48,150 --> 00:19:44,960

the

429

00:19:50,630 --> 00:19:48,160

united states government has injected

430

00:19:52,470 --> 00:19:50,640

people into the ufo community to spy on

431

00:19:53,430 --> 00:19:52,480

the ufo community to find out what we

432

00:19:54,630 --> 00:19:53,440

know

433

00:19:57,110 --> 00:19:54,640

to

434

00:19:59,270 --> 00:19:57,120

manipulate people's opinions in the case

435

00:20:01,750 --> 00:19:59,280

of richard doty in the famous benowitz

436

00:20:03,830 --> 00:20:01,760

case he was seeing top secret drone

437

00:20:05,830 --> 00:20:03,840

technology being tested

438

00:20:07,510 --> 00:20:05,840

but they sent richard

439

00:20:10,710 --> 00:20:07,520

with all kinds of fake evidence to

440

00:20:13,430 --> 00:20:10,720

convince this poor man by the way

441

00:20:15,750 --> 00:20:13,440

richard doty literally drove him crazy

442

00:20:18,870 --> 00:20:15,760

in that psyop

443

00:20:21,909 --> 00:20:18,880

benowitz was manipulated to believe that

444

00:20:25,029 --> 00:20:21,919

what he was seeing was alien technology

445

00:20:27,669 --> 00:20:25,039

alien visitors not

446

00:20:32,230 --> 00:20:27,679

early top secret drone technology being

447

00:20:38,070 --> 00:20:34,710

so if we have two prominent examples

448

00:20:40,230 --> 00:20:38,080

provable examples there's no debate here

449

00:20:42,230 --> 00:20:40,240

at least twice that we're aware of i

450

00:20:45,110 --> 00:20:42,240

believe many more times

451  
00:20:47,990 --> 00:20:45,120  
um the united states government has sent

452  
00:20:50,070 --> 00:20:48,000  
people to manipulate people in the in

453  
00:20:51,909 --> 00:20:50,080  
the ufo community for one reason or

454  
00:20:54,630 --> 00:20:51,919  
another

455  
00:20:57,190 --> 00:20:54,640  
richard doty also uh famously

456  
00:20:59,669 --> 00:20:57,200  
manipulated linda molten howe

457  
00:21:02,149 --> 00:20:59,679  
and uh i once did an interview with that

458  
00:21:04,230 --> 00:21:02,159  
with him and he he laughed about it he

459  
00:21:05,990 --> 00:21:04,240  
laughed about how gullible and easy and

460  
00:21:08,630 --> 00:21:06,000  
stupid she was

461  
00:21:10,630 --> 00:21:08,640  
how easy she was to fool

462  
00:21:13,029 --> 00:21:10,640  
into believing whatever alien narrative

463  
00:21:15,190 --> 00:21:13,039

he would put in front of her

464

00:21:17,750 --> 00:21:15,200

so maybe that's three examples but two

465

00:21:20,710 --> 00:21:17,760

individuals that were sent into the ufo

466

00:21:22,149 --> 00:21:20,720

community to be disruptors of sorts

467

00:21:24,230 --> 00:21:22,159

spies

468

00:21:25,270 --> 00:21:24,240

to manipulate

469

00:21:30,789 --> 00:21:25,280

the

470

00:21:33,590 --> 00:21:30,799

into certain beliefs

471

00:21:35,510 --> 00:21:33,600

or to manipulate people seeing ufos into

472

00:21:37,110 --> 00:21:35,520

believing what the government wanted

473

00:21:39,750 --> 00:21:37,120

them to believe

474

00:21:42,870 --> 00:21:39,760

this is classic misdirection look here

475

00:21:43,750 --> 00:21:42,880

not here stop looking for top secret

476

00:21:47,190 --> 00:21:43,760

uh

477

00:21:49,430 --> 00:21:47,200

saps you know special access programs or

478

00:21:50,230 --> 00:21:49,440

usaps even more secret unacknowledged

479

00:21:53,110 --> 00:21:50,240

special

480

00:21:55,350 --> 00:21:53,120

assets projects stop looking for those

481

00:21:57,270 --> 00:21:55,360

don't look for the top secret technology

482

00:21:58,549 --> 00:21:57,280

that we're developing and testing right

483

00:22:01,190 --> 00:21:58,559

under your nose

484

00:22:03,350 --> 00:22:01,200

go chasing aliens

485

00:22:06,630 --> 00:22:03,360

so we see prominent examples of the

486

00:22:08,390 --> 00:22:06,640

government having done this in the past

487

00:22:10,950 --> 00:22:08,400

so is it any

488

00:22:15,029 --> 00:22:10,960

is it any surprise that some people are

489

00:22:17,750 --> 00:22:15,039

calling tsa and lou elizondo a dod or

490

00:22:19,830 --> 00:22:17,760

cia psyop

491

00:22:20,789 --> 00:22:19,840

we heard in the video i released earlier

492

00:22:22,870 --> 00:22:20,799

today

493

00:22:24,830 --> 00:22:22,880

and uh in the introduction to this

494

00:22:28,870 --> 00:22:24,840

broadcast

495

00:22:32,230 --> 00:22:28,880

uh counter intel liu literally admitting

496

00:22:33,990 --> 00:22:32,240

that in 2008 the department of defense

497

00:22:37,590 --> 00:22:34,000

asked him to employ his

498

00:22:40,230 --> 00:22:37,600

counterintelligence skills on the ufo

499

00:22:42,950 --> 00:22:40,240

community he said it in his own words in

500

00:22:46,310 --> 00:22:42,960

2008 the department of defense asked me

501  
00:22:47,350 --> 00:22:46,320  
to employ my counterintelligence skills

502  
00:22:50,870 --> 00:22:47,360  
into

503  
00:22:54,390 --> 00:22:52,470  
now because of his

504  
00:22:57,990 --> 00:22:54,400  
statement and one could

505  
00:22:59,830 --> 00:22:58,000  
speculate why exactly did lou elizondo

506  
00:23:01,990 --> 00:22:59,840  
on his way out the door

507  
00:23:04,789 --> 00:23:02,000  
i mean was that a freudian slip did he

508  
00:23:09,029 --> 00:23:04,799  
just say i've had enough of this

509  
00:23:09,830 --> 00:23:09,039  
and also you should all be aware that

510  
00:23:11,190 --> 00:23:09,840  
when

511  
00:23:14,230 --> 00:23:11,200  
someone who

512  
00:23:16,710 --> 00:23:14,240  
who is can a psyop against uh

513  
00:23:18,950 --> 00:23:16,720

an adversary let's say and we'll call

514

00:23:21,110 --> 00:23:18,960

the ufo community the adversary and the

515

00:23:23,510 --> 00:23:21,120

media the adversary

516

00:23:25,350 --> 00:23:23,520

once that asset

517

00:23:29,190 --> 00:23:25,360

gets found out

518

00:23:30,950 --> 00:23:29,200

or discovered or is no longer effective

519

00:23:33,430 --> 00:23:30,960

at the

520

00:23:35,430 --> 00:23:33,440

psychological operation being undertaken

521

00:23:37,350 --> 00:23:35,440

at the manipulation that they are trying

522

00:23:39,190 --> 00:23:37,360

to accomplish against members of the

523

00:23:40,870 --> 00:23:39,200

media or the ufo community or whoever it

524

00:23:43,510 --> 00:23:40,880

may be

525

00:23:44,950 --> 00:23:43,520

the the psy up drops them and they get

526

00:23:45,830 --> 00:23:44,960

somebody new

527

00:23:48,230 --> 00:23:45,840

so

528

00:23:51,750 --> 00:23:48,240

we should all keep an eye out for the

529

00:23:54,310 --> 00:23:51,760

next lieu because i am telling you

530

00:23:56,870 --> 00:23:54,320

lou's going to be dropped

531

00:23:59,909 --> 00:23:56,880

lou is going to become just another ufo

532

00:24:02,950 --> 00:23:59,919

grifter like richard dolan nick pope

533

00:24:04,710 --> 00:24:02,960

linda molten hal jimmy church and all of

534

00:24:07,029 --> 00:24:04,720

the other

535

00:24:11,110 --> 00:24:07,039

you know

536

00:24:14,230 --> 00:24:11,120

mainstay uh stars at the ufo conference

537

00:24:17,110 --> 00:24:14,240

circuit lou will become just another

538

00:24:18,950 --> 00:24:17,120

linda molten hattie duty just another

539

00:24:21,190 --> 00:24:18,960

richard likes to interview dead people

540

00:24:23,669 --> 00:24:21,200

dodie or sorry richard likes to

541

00:24:25,909 --> 00:24:23,679

interview dead people dolan right

542

00:24:27,269 --> 00:24:25,919

richard dos game

543

00:24:29,750 --> 00:24:27,279

he's going to become

544

00:24:32,470 --> 00:24:29,760

another frequent guest on fade to

545

00:24:34,230 --> 00:24:32,480

[h\_\_h] with jimmy needs church

546

00:24:36,149 --> 00:24:34,240

right

547

00:24:38,070 --> 00:24:36,159

i mentioned as well

548

00:24:40,630 --> 00:24:38,080

uh you know it's one thing to be

549

00:24:42,310 --> 00:24:40,640

disappointed in the mainstream media but

550

00:24:45,510 --> 00:24:42,320

i'm extremely disappointed in the

551  
00:24:47,909 --> 00:24:45,520  
so-called alt media who all

552  
00:24:51,350 --> 00:24:47,919  
they played along they played along with

553  
00:24:54,230 --> 00:24:51,360  
the spoon fed cia dod psyop whatever it

554  
00:24:56,470 --> 00:24:54,240  
was narrative that they were being spoon

555  
00:24:58,230 --> 00:24:56,480  
fed richard dolan went right along with

556  
00:24:59,990 --> 00:24:58,240  
it linda mull hal

557  
00:25:02,630 --> 00:25:00,000  
great this is great we're going to get

558  
00:25:04,470 --> 00:25:02,640  
disclosure from louis elizondo

559  
00:25:06,710 --> 00:25:04,480  
and tom de long

560  
00:25:08,710 --> 00:25:06,720  
as tom delong and lou elizondo were

561  
00:25:10,630 --> 00:25:08,720  
scamming the public out of some 2

562  
00:25:13,350 --> 00:25:10,640  
million dollars for a spaceship they

563  
00:25:14,870 --> 00:25:13,360

promised that they would never produce

564

00:25:15,909 --> 00:25:14,880

and let's see we have

565

00:25:17,750 --> 00:25:15,919

um

566

00:25:19,350 --> 00:25:17,760

jimmy needs church

567

00:25:21,510 --> 00:25:19,360

right how many times did jimmy church

568

00:25:24,390 --> 00:25:21,520

interview elizondo never asked him the

569

00:25:25,830 --> 00:25:24,400

right questions so not only have we been

570

00:25:27,830 --> 00:25:25,840

let down

571

00:25:30,149 --> 00:25:27,840

because none of them did their job by

572

00:25:33,110 --> 00:25:30,159

the mainstream media but we were let

573

00:25:36,070 --> 00:25:33,120

down by the alt media who largely

574

00:25:37,510 --> 00:25:36,080

all of these people nick pope um leslie

575

00:25:39,990 --> 00:25:37,520

keane

576

00:25:42,070 --> 00:25:40,000

george knapp i believe but george knapp

577

00:25:44,710 --> 00:25:42,080

has made a turn right he went with

578

00:25:46,630 --> 00:25:44,720

likkatsky to get to the real story but

579

00:25:48,549 --> 00:25:46,640

at first george knapp was all chips in

580

00:25:49,750 --> 00:25:48,559

on this tsa thing

581

00:25:51,510 --> 00:25:49,760

right

582

00:25:54,950 --> 00:25:51,520

jimmy church

583

00:25:58,070 --> 00:25:54,960

all of the uh most prominent members of

584

00:26:01,830 --> 00:25:58,080

the so-called ufo community jumped right

585

00:26:03,750 --> 00:26:01,840

into this spoon fed narrative of garbage

586

00:26:05,590 --> 00:26:03,760

nobody asked the right questions with

587

00:26:07,750 --> 00:26:05,600

very few exceptions

588

00:26:09,669 --> 00:26:07,760

nobody asked the right questions nobody

589

00:26:11,830 --> 00:26:09,679

questioned the narrative

590

00:26:14,789 --> 00:26:11,840

and that my friends is very very

591

00:26:16,549 --> 00:26:14,799

troubling and i think that those people

592

00:26:19,590 --> 00:26:16,559

should be held to account for their

593

00:26:21,510 --> 00:26:19,600

incredible failure because now

594

00:26:25,510 --> 00:26:21,520

now we have reached a point where the

595

00:26:27,510 --> 00:26:25,520

house of cards is crumbling it's falling

596

00:26:29,029 --> 00:26:27,520

it feels like a jenga game anybody play

597

00:26:31,269 --> 00:26:29,039

jenga you know when you pull out that

598

00:26:33,430 --> 00:26:31,279

piece that topples the whole thing it's

599

00:26:35,750 --> 00:26:33,440

going to take one more piece to topple

600

00:26:39,269 --> 00:26:35,760

the lua elizondo garbage narrative that

601  
00:26:41,750 --> 00:26:39,279  
he has been spoon feeding us all since

602  
00:26:43,430 --> 00:26:41,760  
2017.

603  
00:26:46,390 --> 00:26:43,440  
i've heard

604  
00:26:49,029 --> 00:26:46,400  
someone describe uh louisando's downfall

605  
00:26:50,870 --> 00:26:49,039  
as a death by a thousand cuts

606  
00:26:52,390 --> 00:26:50,880  
which is somewhat accurate because it

607  
00:26:57,590 --> 00:26:52,400  
hasn't been

608  
00:27:00,230 --> 00:26:57,600  
revelation that proves that he lied to

609  
00:27:02,470 --> 00:27:00,240  
everyone it's been these little things

610  
00:27:03,909 --> 00:27:02,480  
that just keep coming out

611  
00:27:06,149 --> 00:27:03,919  
over time

612  
00:27:07,590 --> 00:27:06,159  
right little by little by little oh the

613  
00:27:09,830 --> 00:27:07,600

pentagon says he had no assigned

614

00:27:10,789 --> 00:27:09,840

responsibilities for atip

615

00:27:13,590 --> 00:27:10,799

right

616

00:27:17,350 --> 00:27:13,600

he wasn't the director of atip

617

00:27:21,510 --> 00:27:19,669

really uh contributing to his own

618

00:27:23,510 --> 00:27:21,520

downfall by doing things like going well

619

00:27:25,669 --> 00:27:23,520

yeah i use soft puppet accounts i'm

620

00:27:26,710 --> 00:27:25,679

gonna i'm an intelligence guy

621

00:27:29,190 --> 00:27:26,720

and hey

622

00:27:30,789 --> 00:27:29,200

uh what if i called your mother a hooker

623

00:27:33,909 --> 00:27:30,799

rather be squidding

624

00:27:36,870 --> 00:27:33,919

it's so ridiculous he has uh been his

625

00:27:38,870 --> 00:27:36,880

own worst enemy at times and now

626

00:27:40,470 --> 00:27:38,880

lately we get this recent revelation

627

00:27:43,990 --> 00:27:40,480

that he is

628

00:27:45,510 --> 00:27:44,000

actively passing around lists of people

629

00:27:47,029 --> 00:27:45,520

that are critical of him that he's

630

00:27:49,110 --> 00:27:47,039

calling felons

631

00:27:51,029 --> 00:27:49,120

right

632

00:27:51,990 --> 00:27:51,039

he's calling them felons

633

00:27:54,630 --> 00:27:52,000

critics

634

00:27:57,750 --> 00:27:54,640

by the way i'm on the list but nobody it

635

00:28:00,710 --> 00:27:57,760

doesn't call me a felon but the the text

636

00:28:02,630 --> 00:28:00,720

of body that was released

637

00:28:04,549 --> 00:28:02,640

it basically says

638

00:28:07,830 --> 00:28:04,559

my critics are either felons or they're

639

00:28:09,990 --> 00:28:07,840

mentally unstable right so

640

00:28:12,710 --> 00:28:10,000

pick your poison i'm not a felon i guess

641

00:28:16,710 --> 00:28:12,720

i'm i'm one of those mentally unstable

642

00:28:20,070 --> 00:28:16,720

people and i i just want to tell cia lou

643

00:28:22,070 --> 00:28:20,080

listen buddy uh if i'm mentally unstable

644

00:28:23,430 --> 00:28:22,080

um

645

00:28:25,909 --> 00:28:23,440

yeah i would think that would be a

646

00:28:29,510 --> 00:28:25,919

problem right maybe i'm not so mentally

647

00:28:32,310 --> 00:28:29,520

unstable in fact maybe i am

648

00:28:34,549 --> 00:28:32,320

uh more stable than the people that you

649

00:28:37,269 --> 00:28:34,559

have been spoon feeding your garbage

650

00:28:39,830 --> 00:28:37,279

narrative to since 2017.

651  
00:28:41,110 --> 00:28:39,840  
stable enough to stand back and say you

652  
00:28:42,789 --> 00:28:41,120  
know

653  
00:28:45,190 --> 00:28:42,799  
this doesn't make sense and i'm going to

654  
00:28:46,549 --> 00:28:45,200  
ask some more questions

655  
00:28:49,110 --> 00:28:46,559  
and why

656  
00:28:51,510 --> 00:28:49,120  
would this bitter angry little man

657  
00:28:54,389 --> 00:28:51,520  
not just answer the questions why you

658  
00:28:56,070 --> 00:28:54,399  
know it's a classic case my friends of

659  
00:28:58,870 --> 00:28:56,080  
kill the messenger

660  
00:29:00,230 --> 00:28:58,880  
he cannot withstand hard questions so

661  
00:29:02,389 --> 00:29:00,240  
what does he do

662  
00:29:05,110 --> 00:29:02,399  
he does exactly what he did

663  
00:29:06,389 --> 00:29:05,120

this this last podcast this is my last

664

00:29:11,190 --> 00:29:06,399

podcast

665

00:29:12,470 --> 00:29:11,200

than a thousand

666

00:29:15,750 --> 00:29:12,480

subscribers

667

00:29:18,310 --> 00:29:15,760

who gushed over him we're we're huge

668

00:29:19,510 --> 00:29:18,320

fans of yours we are huge huge fans of

669

00:29:22,149 --> 00:29:19,520

yours

670

00:29:24,830 --> 00:29:22,159

that literally the host that show opened

671

00:29:28,389 --> 00:29:24,840

telling him what huge fan he is

672

00:29:31,190 --> 00:29:28,399

right so he goes to the

673

00:29:32,789 --> 00:29:31,200

he goes to the kind

674

00:29:37,110 --> 00:29:32,799

podcasts

675

00:29:39,029 --> 00:29:37,120

him any questions the ones that will

676

00:29:41,029 --> 00:29:39,039

do the ufo circle jerk and by the way

677

00:29:43,029 --> 00:29:41,039

this calling all beings did quite

678

00:29:44,470 --> 00:29:43,039

possibly the biggest ufo circle jerk

679

00:29:46,389 --> 00:29:44,480

with him i've ever seen

680

00:29:48,630 --> 00:29:46,399

you know let's all introduce ourselves

681

00:29:50,389 --> 00:29:48,640

to lou and let's all have a good time

682

00:29:52,870 --> 00:29:50,399

there's important questions to be asked

683

00:29:56,070 --> 00:29:52,880

what a failure of a show host that guy

684

00:29:58,389 --> 00:29:56,080

is what a ufo circle jerk nothing

685

00:30:00,549 --> 00:29:58,399

nonsense that guy is

686

00:30:02,549 --> 00:30:00,559

because he gets and another there's

687

00:30:04,549 --> 00:30:02,559

another issue with that guy

688

00:30:06,710 --> 00:30:04,559

another reason why lou elizondo went on

689

00:30:10,630 --> 00:30:06,720

his podcast is because he would agree to

690

00:30:12,789 --> 00:30:10,640

turn the comments and the live chat off

691

00:30:13,830 --> 00:30:12,799

because lou elizondo is such a bitter

692

00:30:15,990 --> 00:30:13,840

angry

693

00:30:18,310 --> 00:30:16,000

scared little man that he cannot

694

00:30:19,909 --> 00:30:18,320

withstand people in a live chat on a

695

00:30:23,590 --> 00:30:19,919

live stream

696

00:30:25,590 --> 00:30:23,600

being critical of him mr army guy right

697

00:30:28,470 --> 00:30:25,600

counterintelligence guy

698

00:30:30,549 --> 00:30:28,480

some say gitmo uh interrogator or

699

00:30:32,470 --> 00:30:30,559

intelligence officer

700

00:30:34,070 --> 00:30:32,480

he can't withstand questions in a live

701  
00:30:36,230 --> 00:30:34,080  
chat he can't withstand people

702  
00:30:38,470 --> 00:30:36,240  
commenting on a video where he does an

703  
00:30:41,029 --> 00:30:38,480  
interview asking questions or being

704  
00:30:43,269 --> 00:30:41,039  
critical of him so he has to force the

705  
00:30:44,870 --> 00:30:43,279  
host look i'll do your show but you

706  
00:30:47,190 --> 00:30:44,880  
gotta turn off the comments and you

707  
00:30:48,870 --> 00:30:47,200  
gotta turn off the live chat because i'm

708  
00:30:52,710 --> 00:30:48,880  
too much of a coward to withstand

709  
00:30:54,630 --> 00:30:52,720  
criticism this is a huge problem

710  
00:30:57,029 --> 00:30:54,640  
so i'm going to share a few things i'm

711  
00:30:59,830 --> 00:30:57,039  
going to put up my fair use banner uh

712  
00:31:01,669 --> 00:30:59,840  
and um i thought this was very very

713  
00:31:02,950 --> 00:31:01,679

interesting and i think kate schneider

714

00:31:06,789 --> 00:31:02,960

who sent me this

715

00:31:09,029 --> 00:31:06,799

uh i had no idea but apparently um

716

00:31:19,909 --> 00:31:09,039

apparently

717

00:31:21,990 --> 00:31:19,919

people asked him a hard question and he

718

00:31:24,070 --> 00:31:22,000

was ready for it oh we're going to watch

719

00:31:26,789 --> 00:31:24,080

this this is great so let me find my

720

00:31:28,549 --> 00:31:26,799

fair use banner

721

00:31:31,350 --> 00:31:28,559

we're going to be sharing a video this

722

00:31:33,830 --> 00:31:31,360

is a trans i hate sharing large media

723

00:31:35,350 --> 00:31:33,840

files because i always have to buy they

724

00:31:36,950 --> 00:31:35,360

always hit you with the copyright and

725

00:31:38,630 --> 00:31:36,960

then you have to file all this stuff but

726

00:31:40,549 --> 00:31:38,640

so this is a transformative work we're

727

00:31:42,470 --> 00:31:40,559

educating the public we're critiquing

728

00:31:44,149 --> 00:31:42,480

the video we are sharing

729

00:31:47,830 --> 00:31:44,159

and this is certainly covered under fair

730

00:31:50,070 --> 00:31:47,840

use and is allowable by law

731

00:31:52,230 --> 00:31:50,080

so uh luella zonda recently did an

732

00:31:55,269 --> 00:31:52,240

interview with megyn kelly who was well

733

00:31:57,029 --> 00:31:55,279

up on stephen greenstreet's recent piece

734

00:32:01,110 --> 00:31:57,039

for the new york post

735

00:32:03,190 --> 00:32:01,120

and the basement office and uh i i just

736

00:32:04,789 --> 00:32:03,200

think this piece is interesting

737

00:32:07,110 --> 00:32:04,799

because he's right ready with the

738

00:32:08,870 --> 00:32:07,120

defense and it's the harry reid and it's

739

00:32:15,029 --> 00:32:08,880

the dead man defense

740

00:32:19,590 --> 00:32:17,590

isn't it convenient that the only

741

00:32:21,830 --> 00:32:19,600

confirmation that he ran a program

742

00:32:24,789 --> 00:32:21,840

called atip comes from harry reid the

743

00:32:26,950 --> 00:32:24,799

same guy who gave the 22 million dollars

744

00:32:28,950 --> 00:32:26,960

to his buddy bob bigelow in a sweetheart

745

00:32:30,870 --> 00:32:28,960

no bid contract

746

00:32:33,750 --> 00:32:30,880

that's the guy that's going to you know

747

00:32:35,509 --> 00:32:33,760

back up louisando and by the way

748

00:32:37,029 --> 00:32:35,519

you know rest in peace but harry reid

749

00:32:39,430 --> 00:32:37,039

happens to be dead

750

00:32:41,669 --> 00:32:39,440

so nobody can ask him now that we have

751  
00:32:42,870 --> 00:32:41,679  
new revelations that a atip never

752  
00:32:45,350 --> 00:32:42,880  
existed

753  
00:32:48,230 --> 00:32:45,360  
as a program even from lou himself said

754  
00:32:51,269 --> 00:32:48,240  
it wasn't a program it was an activity

755  
00:32:53,990 --> 00:32:51,279  
we cannot go to harry reid and ask for

756  
00:32:56,470 --> 00:32:54,000  
clarification of that letter

757  
00:32:59,269 --> 00:32:56,480  
um

758  
00:33:01,430 --> 00:32:59,279  
i would uh challenge louisando get us a

759  
00:33:03,430 --> 00:33:01,440  
letter from a living senator that we can

760  
00:33:05,590 --> 00:33:03,440  
clarify things with that you ran a

761  
00:33:07,750 --> 00:33:05,600  
program called atip

762  
00:33:10,549 --> 00:33:07,760  
you're gonna sit there on megan you're

763  
00:33:13,029 --> 00:33:10,559

gonna sit there on a on a big interview

764

00:33:15,350 --> 00:33:13,039

and cl and still stick to your guns yeah

765

00:33:17,269 --> 00:33:15,360

i was the director of this a tip program

766

00:33:19,430 --> 00:33:17,279

harry reid said so

767

00:33:22,389 --> 00:33:19,440

there are conflicting statements that

768

00:33:24,870 --> 00:33:22,399

say that program never existed you

769

00:33:25,669 --> 00:33:24,880

yourself said it wasn't a program it was

770

00:33:31,190 --> 00:33:25,679

a

771

00:33:32,310 --> 00:33:31,200

oh this is

772

00:33:36,870 --> 00:33:32,320

it just gets

773

00:33:39,909 --> 00:33:36,880

ludicrous

774

00:33:42,710 --> 00:33:39,919

so i've got this queued up here this is

775

00:33:44,389 --> 00:33:42,720

from the megyn kelly show

776

00:33:45,590 --> 00:33:44,399

all right quick question for you on this

777

00:33:47,269 --> 00:33:45,600

program a tip that you've been

778

00:33:49,029 --> 00:33:47,279

mentioning because there was a new york

779

00:33:50,950 --> 00:33:49,039

post report

780

00:33:53,430 --> 00:33:50,960

kind of raising questions about this

781

00:33:55,029 --> 00:33:53,440

program and your role in it recently

782

00:33:57,190 --> 00:33:55,039

they released a video claiming that this

783

00:33:59,110 --> 00:33:57,200

program atip was actually

784

00:34:00,230 --> 00:33:59,120

that was just a nickname for a program

785

00:34:04,310 --> 00:34:00,240

called

786

00:34:06,070 --> 00:34:04,320

oswap or something like a wsscp awesome

787

00:34:10,069 --> 00:34:06,080

and that it wasn't really a program you

788

00:34:12,470 --> 00:34:10,079

led until after the funding had been cut

789

00:34:13,909 --> 00:34:12,480

and that this program this

790

00:34:14,869 --> 00:34:13,919

awes app

791

00:34:16,869 --> 00:34:14,879

was

792

00:34:18,310 --> 00:34:16,879

kind of out there that they were they

793

00:34:21,909 --> 00:34:18,320

were investigating something called the

794

00:34:23,190 --> 00:34:21,919

skin walker ranch in utah no known for

795

00:34:24,790 --> 00:34:23,200

paranormal

796

00:34:26,550 --> 00:34:24,800

type activities and they're basically

797

00:34:29,109 --> 00:34:26,560

trying to suggest i think

798

00:34:32,550 --> 00:34:29,119

that the skinwalker ranch is not quite

799

00:34:35,909 --> 00:34:32,560

as exciting as the project you've been

800

00:34:37,750 --> 00:34:35,919

discussing oh yeah this is great so i i

801  
00:34:39,349 --> 00:34:37,760  
i am not a fan of megyn kelly but the

802  
00:34:42,470 --> 00:34:39,359  
fact that she even knew about green

803  
00:34:44,710 --> 00:34:42,480  
street's uh work and and how uh the

804  
00:34:47,349 --> 00:34:44,720  
house of louis elizondo cards is coming

805  
00:34:49,750 --> 00:34:47,359  
crashing down and asked him this i think

806  
00:34:51,109 --> 00:34:49,760  
is great and maybe wasn't quite as

807  
00:34:52,629 --> 00:34:51,119  
legitimate

808  
00:34:54,869 --> 00:34:52,639  
um and that

809  
00:34:57,510 --> 00:34:54,879  
you kind of are overstating your role to

810  
00:34:59,829 --> 00:34:57,520  
legitimize ufos how do you respond to

811  
00:35:01,990 --> 00:34:59,839  
that well yeah i would say first of all

812  
00:35:04,550 --> 00:35:02,000  
you know if you're into tabloid news and

813  
00:35:05,990 --> 00:35:04,560

read the tabloids um i'd rather get it

814

00:35:08,310 --> 00:35:06,000

from the source so in front of me i have

815

00:35:10,550 --> 00:35:08,320

a letter um show your audience it is

816

00:35:13,750 --> 00:35:10,560

from uh senator harry reid

817

00:35:15,910 --> 00:35:13,760

yeah so he he's caught right he knew

818

00:35:17,510 --> 00:35:15,920

that she might ask him right or somebody

819

00:35:20,790 --> 00:35:17,520

might ask him about stephen

820

00:35:22,790 --> 00:35:20,800

greenstreet's recent expose making him

821

00:35:25,349 --> 00:35:22,800

look like a foolish liar

822

00:35:27,990 --> 00:35:25,359

so he's got the dead man defense letter

823

00:35:31,270 --> 00:35:28,000

from the guy who gave his friend the 22

824

00:35:33,030 --> 00:35:31,280

million dollar sweetheart deal and even

825

00:35:35,349 --> 00:35:33,040

senator harry reid has released

826

00:35:37,190 --> 00:35:35,359

conflicting statements and we'll look at

827

00:35:38,950 --> 00:35:37,200

that in a moment but isn't it convenient

828

00:35:39,829 --> 00:35:38,960

that he's got the dead man defense

829

00:35:42,630 --> 00:35:39,839

letter

830

00:35:44,710 --> 00:35:42,640

uh hey lou alzando we can't clarify

831

00:35:45,670 --> 00:35:44,720

things now that that you know we can't

832

00:35:47,510 --> 00:35:45,680

get

833

00:35:49,270 --> 00:35:47,520

harry reid's comments now that that

834

00:35:51,990 --> 00:35:49,280

stephen greenstreet report is out that

835

00:35:53,910 --> 00:35:52,000

makes you look like a foolish liar

836

00:35:56,870 --> 00:35:53,920

who was the actual sponsor of this

837

00:35:58,710 --> 00:35:56,880

program uh with his official letterhead

838

00:36:00,630 --> 00:35:58,720

um as you can see here

839

00:36:02,790 --> 00:36:00,640

and i'll just read just a short portion

840

00:36:05,190 --> 00:36:02,800

for you and then i'll let you decide

841

00:36:07,030 --> 00:36:05,200

as one of the original sponsors of atip

842

00:36:08,870 --> 00:36:07,040

i can state as a matter of record lou

843

00:36:11,109 --> 00:36:08,880

elizondo's involvement and leadership

844

00:36:13,510 --> 00:36:11,119

role in this program mr elizondo is a

845

00:36:15,510 --> 00:36:13,520

former intelligence officer has spent

846

00:36:17,510 --> 00:36:15,520

his career working tirelessly in the

847

00:36:20,150 --> 00:36:17,520

shadows on sensitive national security

848

00:36:22,310 --> 00:36:20,160

matters including investigating uaps as

849

00:36:24,710 --> 00:36:22,320

a head of atip okay

850

00:36:26,550 --> 00:36:24,720

right there harry reid is lying

851

00:36:28,230 --> 00:36:26,560

because remember

852

00:36:30,790 --> 00:36:28,240

louis lozando said that he ran the

853

00:36:33,829 --> 00:36:30,800

pentagon's ufo program for 10 years

854

00:36:37,990 --> 00:36:33,839

harry reid in this letter is saying

855

00:36:40,790 --> 00:36:38,000

that lou elizondo investigated ufos

856

00:36:42,870 --> 00:36:40,800

friends uaps or ufos friends if that

857

00:36:45,990 --> 00:36:42,880

were the case there would be a mountain

858

00:36:48,150 --> 00:36:46,000

of paperwork there would be a mountain

859

00:36:49,750 --> 00:36:48,160

of paperwork if he actually got up from

860

00:36:52,470 --> 00:36:49,760

a desk and went somewhere and

861

00:36:54,470 --> 00:36:52,480

investigated anything there is no

862

00:36:56,470 --> 00:36:54,480

substantial or supportive evidence in

863

00:37:00,710 --> 00:36:56,480

fact there's no evidence that lou

864

00:37:03,270 --> 00:37:00,720

elizondo ever investigated any ufo case

865

00:37:05,750 --> 00:37:03,280

ever period there's no paperwork there's

866

00:37:08,390 --> 00:37:05,760

no paper trail there's no reports with

867

00:37:10,470 --> 00:37:08,400

his name on it there's no

868

00:37:12,870 --> 00:37:10,480

witness testimony there's no witnesses

869

00:37:16,069 --> 00:37:12,880

coming forward saying that louisano

870

00:37:17,190 --> 00:37:16,079

interviewed them about their sightings

871

00:37:19,109 --> 00:37:17,200

none

872

00:37:22,470 --> 00:37:19,119

there would be a mountain of paperwork

873

00:37:24,069 --> 00:37:22,480

if this man investigated ufos or uaps

874

00:37:26,150 --> 00:37:24,079

for the pentagon

875

00:37:29,190 --> 00:37:26,160

i believe that he never did

876

00:37:31,589 --> 00:37:29,200

i believe that

877

00:37:33,349 --> 00:37:31,599

it's part of the psyop you gotta invent

878

00:37:36,390 --> 00:37:33,359

a figurehead

879

00:37:39,990 --> 00:37:36,400

and a mouthpiece that's what cia lou is

880

00:37:42,790 --> 00:37:40,000

here he is the mouthpiece of this psyop

881

00:37:43,750 --> 00:37:42,800

and it's all coming crashing down

882

00:37:45,430 --> 00:37:43,760

uh

883

00:37:47,030 --> 00:37:45,440

and you know

884

00:37:48,470 --> 00:37:47,040

talk to a few different people that know

885

00:37:49,990 --> 00:37:48,480

about counterintelligence and

886

00:37:52,630 --> 00:37:50,000

counterintelligence

887

00:37:56,150 --> 00:37:52,640

you know operations who told me

888

00:37:57,270 --> 00:37:56,160

that when a mouthpiece or figurehead of

889

00:38:00,069 --> 00:37:57,280

an op

890

00:38:01,829 --> 00:38:00,079

starts uh becoming no longer effective

891

00:38:04,230 --> 00:38:01,839

they get worried and they desperately

892

00:38:06,230 --> 00:38:04,240

try to do damage control or whatever

893

00:38:09,030 --> 00:38:06,240

they have to do to keep their

894

00:38:10,710 --> 00:38:09,040

effectiveness at the op going so that

895

00:38:13,670 --> 00:38:10,720

they keep their

896

00:38:14,710 --> 00:38:13,680

i suppose position within the government

897

00:38:19,750 --> 00:38:14,720

op

898

00:38:22,630 --> 00:38:19,760

he performed these duties admirably um

899

00:38:26,069 --> 00:38:22,640

this is the guy who owned the program so

900

00:38:29,670 --> 00:38:26,079

this is the gentleman who was the data

901

00:38:30,710 --> 00:38:29,680

uh it is april 26 2021 and i'll tell you

902

00:38:34,310 --> 00:38:30,720

what i'm just going to hold it up for

903

00:38:35,910 --> 00:38:34,320

you so you can see it and uh

904

00:38:37,270 --> 00:38:35,920

i don't know if that helps but uh yes

905

00:38:39,109 --> 00:38:37,280

i'm harry reid

906

00:38:41,270 --> 00:38:39,119

yeah one of the original sponsors of

907

00:38:43,349 --> 00:38:41,280

atip in other words the guy who gave his

908

00:38:45,589 --> 00:38:43,359

buddy bob bigelow and and his other

909

00:38:48,710 --> 00:38:45,599

friends a sweetheart

910

00:38:51,270 --> 00:38:48,720

20 million dollar plus deal who is dead

911

00:38:54,710 --> 00:38:51,280

now and cannot comment on all the recent

912

00:38:57,430 --> 00:38:54,720

revelations coming out that confirm

913

00:39:00,630 --> 00:38:57,440

more or less confirm that louis alzondo

914

00:39:03,109 --> 00:39:00,640

lied to his teeth there was no program

915

00:39:05,270 --> 00:39:03,119

called atip there was no funding for a

916

00:39:06,710 --> 00:39:05,280

program called atip there is not a

917

00:39:09,030 --> 00:39:06,720

single report there is not a single

918

00:39:11,829 --> 00:39:09,040

shred of paper there is no

919

00:39:14,550 --> 00:39:11,839

paperwork trail proving that he was a

920

00:39:16,790 --> 00:39:14,560

director of any pentagon ufo program

921

00:39:20,069 --> 00:39:16,800

and in fact if you look into ossap it

922

00:39:21,750 --> 00:39:20,079

wasn't a pentagon ufo program it was a

923

00:39:24,069 --> 00:39:21,760

nutter program if you ask me they're

924

00:39:26,390 --> 00:39:24,079

looking into werewolves and dino beavers

925

00:39:29,670 --> 00:39:26,400

and skinwalker ranch right which bob

926

00:39:31,750 --> 00:39:29,680

bigelow owned at one point

927

00:39:34,069 --> 00:39:31,760

sure so well and i have to say that um

928

00:39:35,750 --> 00:39:34,079

politico came out and and

929

00:39:36,630 --> 00:39:35,760

the reporter there said

930

00:39:38,150 --> 00:39:36,640

uh

931

00:39:39,750 --> 00:39:38,160

that they

932

00:39:42,150 --> 00:39:39,760

there's no surprise they said that

933

00:39:43,670 --> 00:39:42,160

you've never lied i still considered him

934

00:39:45,910 --> 00:39:43,680

a credible source

935

00:39:48,310 --> 00:39:45,920

that was brian bender who walked back a

936

00:39:51,270 --> 00:39:48,320

previous statement saying that he

937

00:39:54,069 --> 00:39:51,280

had been purposefully misled by lou

938

00:39:57,430 --> 00:39:54,079

elizondo brian bender first came out and

939

00:40:00,150 --> 00:39:57,440

said he had been purposefully misled

940

00:40:02,550 --> 00:40:00,160

by lou elizondo and company

941

00:40:04,470 --> 00:40:02,560

and so had others right

942

00:40:08,790 --> 00:40:04,480

and

943

00:40:09,990 --> 00:40:08,800

said well he's still a credible source i

944

00:40:11,430 --> 00:40:10,000

don't know that he lied to me

945

00:40:14,230 --> 00:40:11,440

intentionally

946

00:40:16,309 --> 00:40:14,240

it's it's a walk back it is a

947

00:40:19,109 --> 00:40:16,319

it is a walk back

948

00:40:20,790 --> 00:40:19,119

all right i gotta check in here

949

00:40:22,309 --> 00:40:20,800

i'm gonna check in with the live chat i

950

00:40:24,710 --> 00:40:22,319

want to thank uh

951  
00:40:26,710 --> 00:40:24,720  
joshua godson for kind of generous five

952  
00:40:29,030 --> 00:40:26,720  
dollar super chat says we need to figure

953  
00:40:30,870 --> 00:40:29,040  
out his true motive

954  
00:40:32,470 --> 00:40:30,880  
he is counterintelligent so what's he

955  
00:40:35,510 --> 00:40:32,480  
really trying to do

956  
00:40:38,069 --> 00:40:35,520  
um i'm gonna start looking into that uh

957  
00:40:40,790 --> 00:40:38,079  
joshua that is definitely on my list of

958  
00:40:42,710 --> 00:40:40,800  
things to do

959  
00:40:45,430 --> 00:40:42,720  
i want to thank you and all the kind and

960  
00:40:48,309 --> 00:40:45,440  
generous benefactors of our show kind of

961  
00:40:51,430 --> 00:40:48,319  
generous people thrown some pledges in

962  
00:40:54,069 --> 00:40:51,440  
to help us do this good work remember

963  
00:40:55,109 --> 00:40:54,079

that many many people in this so-called

964

00:40:58,069 --> 00:40:55,119

field

965

00:40:59,430 --> 00:40:58,079

many many of our alt media people made

966

00:41:01,670 --> 00:40:59,440

tons of money

967

00:41:02,710 --> 00:41:01,680

not asking the questions i'm asking

968

00:41:05,510 --> 00:41:02,720

tonight

969

00:41:08,069 --> 00:41:05,520

i lost money for asking the questions

970

00:41:10,550 --> 00:41:08,079

tonight i'm a data guy joshua and i can

971

00:41:12,790 --> 00:41:10,560

show you every time i've done a show

972

00:41:15,349 --> 00:41:12,800

that is very critical of lou elizondo i

973

00:41:17,109 --> 00:41:15,359

lose subscribers

974

00:41:18,829 --> 00:41:17,119

it's very clear

975

00:41:22,150 --> 00:41:18,839

people don't like

976

00:41:25,030 --> 00:41:22,160

to you know it's hard the real truth is

977

00:41:26,950 --> 00:41:25,040

a hard pill to swallow for many people

978

00:41:28,870 --> 00:41:26,960

and i get it people wanted to believe

979

00:41:31,270 --> 00:41:28,880

that this guy was some kind of ufo

980

00:41:33,430 --> 00:41:31,280

messiah but we've all seen it before

981

00:41:35,270 --> 00:41:33,440

right we've all seen that ufo messiah

982

00:41:36,390 --> 00:41:35,280

come along and promise us disclosure's

983

00:41:38,230 --> 00:41:36,400

going to be here we're going to get

984

00:41:40,069 --> 00:41:38,240

disclosure we're going to force the

985

00:41:42,069 --> 00:41:40,079

government to tell us their secrets and

986

00:41:44,309 --> 00:41:42,079

then nothing ever happens we get nothing

987

00:41:45,670 --> 00:41:44,319

burglary after nothing burger

988

00:41:48,550 --> 00:41:45,680

so

989

00:41:49,750 --> 00:41:48,560

that's uh you know sad and unfortunate

990

00:41:53,109 --> 00:41:49,760

but

991

00:41:55,750 --> 00:41:53,119

uh i appreciate very much people who are

992

00:41:58,150 --> 00:41:55,760

throwing a couple bucks in my hat to uh

993

00:42:01,589 --> 00:41:58,160

help us continue the show here thank you

994

00:42:02,790 --> 00:42:01,599

joshua and also thanks to karen

995

00:42:05,109 --> 00:42:02,800

rocha

996

00:42:06,870 --> 00:42:05,119

um i hope i'm saying that right karen

997

00:42:08,630 --> 00:42:06,880

who gave a five dollar super chat that i

998

00:42:10,710 --> 00:42:08,640

somehow missed yesterday so thank you

999

00:42:14,390 --> 00:42:10,720

both for helping us to praise the cash

1000

00:42:22,950 --> 00:42:16,530

right together

1001  
00:42:24,950 --> 00:42:22,960

[Music]

1002  
00:42:25,990 --> 00:42:24,960

thank you very very much

1003  
00:42:27,670 --> 00:42:26,000

uh so

1004  
00:42:28,550 --> 00:42:27,680

we're going to continue our discussion

1005  
00:42:30,470 --> 00:42:28,560

here

1006  
00:42:32,309 --> 00:42:30,480

i i said uh

1007  
00:42:36,069 --> 00:42:32,319

you know there was a few things on my

1008  
00:42:37,349 --> 00:42:36,079

to-do list tonight um one of them was to

1009  
00:42:39,829 --> 00:42:37,359

uh

1010  
00:42:42,069 --> 00:42:39,839

sort of remind people of just how many

1011  
00:42:44,950 --> 00:42:42,079

people in the so-called ufo community or

1012  
00:42:47,030 --> 00:42:44,960

all media community failed us entirely

1013  
00:42:48,710 --> 00:42:47,040

by jumping

1014

00:42:51,430 --> 00:42:48,720

you know some of these people jumped

1015

00:42:52,470 --> 00:42:51,440

right on to this ttsa louis zondo

1016

00:42:54,870 --> 00:42:52,480

narrative

1017

00:42:59,670 --> 00:42:54,880

in order to make money right

1018

00:43:03,430 --> 00:43:01,510

somebody tell me that true picks has

1019

00:43:04,630 --> 00:43:03,440

been blocked i didn't block them i

1020

00:43:06,309 --> 00:43:04,640

haven't seen him around in a while

1021

00:43:08,230 --> 00:43:06,319

though so makes sense maybe somebody

1022

00:43:10,150 --> 00:43:08,240

blocked him for something stupid he said

1023

00:43:12,630 --> 00:43:10,160

uh one of the mods can

1024

00:43:16,150 --> 00:43:12,640

unblock them or i don't know that

1025

00:43:20,550 --> 00:43:17,829

all right so my other purpose here

1026

00:43:23,030 --> 00:43:20,560

tonight is is going to be to remind

1027

00:43:25,510 --> 00:43:23,040

people that there were some good

1028

00:43:27,670 --> 00:43:25,520

researchers that got things right right

1029

00:43:29,990 --> 00:43:27,680

from the very start that asked the right

1030

00:43:32,309 --> 00:43:30,000

questions that were critical of this

1031

00:43:35,190 --> 00:43:32,319

spoon fed narrative that we were all

1032

00:43:36,390 --> 00:43:35,200

being spoon fed oh pixi's here he said

1033

00:43:37,510 --> 00:43:36,400

i'm not blocked

1034

00:43:39,430 --> 00:43:37,520

all right good to see you picks i

1035

00:43:41,030 --> 00:43:39,440

haven't seen you around in a while

1036

00:43:42,870 --> 00:43:41,040

uh pix is one of those people that loves

1037

00:43:45,750 --> 00:43:42,880

to argue with me so i'm sure that he has

1038

00:43:49,910 --> 00:43:45,760

some thoughts on how wrong i am today um

1039

00:43:51,670 --> 00:43:49,920

but i maintain that i have asked the uh

1040

00:43:53,109 --> 00:43:51,680

yeah goof on saying only i can unblock

1041

00:43:55,349 --> 00:43:53,119

somebody well that's probably a good

1042

00:43:57,349 --> 00:43:55,359

thing because if somebody's in

1043

00:43:59,270 --> 00:43:57,359

you know quite honestly we go out of our

1044

00:44:01,510 --> 00:43:59,280

way

1045

00:44:02,710 --> 00:44:01,520

to provide a

1046

00:44:15,829 --> 00:44:02,720

a

1047

00:44:17,510 --> 00:44:15,839

right

1048

00:44:19,270 --> 00:44:17,520

you don't have to do that but thank you

1049

00:44:21,190 --> 00:44:19,280

says keep up the great work steve we

1050

00:44:22,390 --> 00:44:21,200

need more critical minds in this field

1051

00:44:24,069 --> 00:44:22,400

well i appreciate

1052

00:44:27,190 --> 00:44:24,079

uh your kindness your generosity and

1053

00:44:28,550 --> 00:44:27,200

your support and i for one uh

1054

00:44:30,309 --> 00:44:28,560

for those who don't know josh and

1055

00:44:32,390 --> 00:44:30,319

artemis i'm not saying that they were on

1056

00:44:35,190 --> 00:44:32,400

the loot train but they kind of were on

1057

00:44:37,030 --> 00:44:35,200

the you know on the wrong side of things

1058

00:44:38,230 --> 00:44:37,040

for a while i'm glad to see them come

1059

00:44:40,710 --> 00:44:38,240

into the light

1060

00:44:42,470 --> 00:44:40,720

start asking real hard questions and we

1061

00:44:44,150 --> 00:44:42,480

all need more yeah you're right we need

1062

00:44:45,430 --> 00:44:44,160

more critical minds in the field we need

1063

00:44:47,349 --> 00:44:45,440

more people that are going to ask

1064

00:44:50,069 --> 00:44:47,359

questions not accept the [h\_\_h]

1065

00:44:51,910 --> 00:44:50,079

narratives that we are being spoon-fed

1066

00:44:53,829 --> 00:44:51,920

but thank you very much both to josh and

1067

00:44:55,430 --> 00:44:53,839

artemis i'm sure artemis has josh

1068

00:44:57,750 --> 00:44:55,440

chained up right now

1069

00:44:58,870 --> 00:44:57,760

or he would be here you know

1070

00:45:00,230 --> 00:44:58,880

i don't know

1071

00:45:02,390 --> 00:45:00,240

yeah

1072

00:45:04,150 --> 00:45:02,400

poor guy some poor guy from england

1073

00:45:06,550 --> 00:45:04,160

right he came over here to visit her and

1074

00:45:08,550 --> 00:45:06,560

she chained the guy in his basement

1075

00:45:12,150 --> 00:45:08,560

yeah but thank you for helping us to

1076

00:45:15,109 --> 00:45:13,750

all right you guys for the guys crazy

1077

00:45:17,030 --> 00:45:15,119

cash

1078

00:45:19,349 --> 00:45:17,040

thank you for your kindness

1079

00:45:21,850 --> 00:45:19,359

thank you for your generosity

1080

00:45:30,150 --> 00:45:21,860

crazy cash crazy cash raise the cash

1081

00:45:35,109 --> 00:45:32,790

yeah i just ordered some stuff to do

1082

00:45:37,109 --> 00:45:35,119

some new bumpers uh the cash clan wants

1083

00:45:39,349 --> 00:45:37,119

some money and i'm trying to teach him

1084

00:45:40,470 --> 00:45:39,359

for those that are not aware

1085

00:45:42,710 --> 00:45:40,480

um

1086

00:45:44,550 --> 00:45:42,720

i try to teach him that there's a value

1087

00:45:47,109 --> 00:45:44,560

to money and you don't just get things

1088

00:45:48,230 --> 00:45:47,119

for free so uh once a while i put him to

1089

00:45:50,710 --> 00:45:48,240

work here

1090

00:45:53,349 --> 00:45:50,720

uh off air of course he has no idea what

1091

00:45:54,550 --> 00:45:53,359

happens on the show he just uh will

1092

00:45:57,030 --> 00:45:54,560

stand there on a green screen or

1093

00:45:57,990 --> 00:45:57,040

something and and dress up and help me

1094

00:45:59,510 --> 00:45:58,000

uh

1095

00:46:01,510 --> 00:45:59,520

thank people for their kindness their

1096

00:46:04,550 --> 00:46:01,520

generosity and support

1097

00:46:06,710 --> 00:46:04,560

and um and and it really is good for him

1098

00:46:08,630 --> 00:46:06,720

because uh in the past couple of weeks

1099

00:46:10,390 --> 00:46:08,640

i've bought him a bunch of video games

1100

00:46:11,510 --> 00:46:10,400

he got a bunch of new games and things

1101

00:46:12,309 --> 00:46:11,520

like that

1102

00:46:14,069 --> 00:46:12,319

so

1103

00:46:16,230 --> 00:46:14,079

um and that's interesting because

1104

00:46:17,829 --> 00:46:16,240

there's a uh there's another show host i

1105

00:46:19,109 --> 00:46:17,839

mentioned this several times i'm gonna

1106

00:46:21,030 --> 00:46:19,119

keep mentioning it there's another show

1107

00:46:22,630 --> 00:46:21,040

host who has four or five slaves working

1108

00:46:24,390 --> 00:46:22,640

for him for free

1109

00:46:26,390 --> 00:46:24,400

i got a five-year-old that works for me

1110

00:46:28,150 --> 00:46:26,400

and he gets paid i'm just putting that

1111

00:46:30,069 --> 00:46:28,160

out there maybe that other show host

1112

00:46:32,630 --> 00:46:30,079

that screws everybody

1113

00:46:35,109 --> 00:46:32,640

should take my example i even pay a

1114

00:46:38,230 --> 00:46:35,119

five-year-old to work for me he does not

1115

00:46:41,430 --> 00:46:38,240

work here for free he gets paid

1116

00:46:42,950 --> 00:46:41,440

and uh he you know will say okay well i

1117

00:46:44,710 --> 00:46:42,960

have this you gave me this much money

1118

00:46:47,430 --> 00:46:44,720

daddy what can i buy or we take him to

1119

00:46:49,109 --> 00:46:47,440

the toy store he buys his own toys or

1120

00:46:51,349 --> 00:46:49,119

video games or whatever he wants from

1121

00:46:52,630 --> 00:46:51,359

the money that he is uh

1122

00:46:53,349 --> 00:46:52,640

earning

1123

00:46:54,790 --> 00:46:53,359

but

1124

00:46:57,190 --> 00:46:54,800

i don't think it's fair that i should

1125

00:46:59,030 --> 00:46:57,200

have to uh compete with some guy that's

1126  
00:47:00,069 --> 00:46:59,040  
got four or five slaves working for him

1127  
00:47:02,069 --> 00:47:00,079  
for free

1128  
00:47:03,990 --> 00:47:02,079  
another show host right i gotta compete

1129  
00:47:06,069 --> 00:47:04,000  
with a guy who's got four or five slaves

1130  
00:47:07,829 --> 00:47:06,079  
that ain't fair so we're taking

1131  
00:47:10,470 --> 00:47:07,839  
applications i'm going to start my own

1132  
00:47:12,710 --> 00:47:10,480  
slave labor sweatshop force truth seeker

1133  
00:47:15,190 --> 00:47:12,720  
sweatshop slaves and you're all going to

1134  
00:47:18,390 --> 00:47:15,200  
work for free and i'm going to keep all

1135  
00:47:20,069 --> 00:47:18,400  
of the money because that's fair right

1136  
00:47:21,670 --> 00:47:20,079  
all right so there's one other thing

1137  
00:47:24,150 --> 00:47:21,680  
that i wanted to do and that is to

1138  
00:47:25,750 --> 00:47:24,160

remind people that there were some good

1139

00:47:26,950 --> 00:47:25,760

people that were on the right side of

1140

00:47:27,829 --> 00:47:26,960

this thing

1141

00:47:29,670 --> 00:47:27,839

and

1142

00:47:31,589 --> 00:47:29,680

before i do this i want to make sure

1143

00:47:34,309 --> 00:47:31,599

that i'm very very clear

1144

00:47:36,710 --> 00:47:34,319

once in a while when i say hey these i

1145

00:47:38,790 --> 00:47:36,720

like these researchers people ask me and

1146

00:47:40,870 --> 00:47:38,800

i try not to say what researchers or

1147

00:47:43,109 --> 00:47:40,880

people that i like or trust because

1148

00:47:44,870 --> 00:47:43,119

people misconstrue that

1149

00:47:46,790 --> 00:47:44,880

my point is

1150

00:47:48,390 --> 00:47:46,800

just because i agree with them on

1151  
00:47:50,549 --> 00:47:48,400  
certain things doesn't mean i agree with

1152  
00:47:53,510 --> 00:47:50,559  
them on everything that they talk about

1153  
00:47:56,230 --> 00:47:53,520  
so please don't misconstrue it i uh but

1154  
00:47:58,470 --> 00:47:56,240  
i'm i'm sure that i more than agree with

1155  
00:48:01,270 --> 00:47:58,480  
these two on most things

1156  
00:48:03,829 --> 00:48:01,280  
so i wanted to remind everyone that

1157  
00:48:04,950 --> 00:48:03,839  
this is an interview from three years

1158  
00:48:06,390 --> 00:48:04,960  
ago

1159  
00:48:07,349 --> 00:48:06,400  
and it's from

1160  
00:48:16,950 --> 00:48:07,359  
uh

1161  
00:48:18,470 --> 00:48:16,960  
i just was i happened somebody sent me

1162  
00:48:20,549 --> 00:48:18,480  
this recently

1163  
00:48:22,470 --> 00:48:20,559

because i was talking about very few

1164

00:48:24,549 --> 00:48:22,480

people were asking the right questions

1165

00:48:26,630 --> 00:48:24,559

at the start of this thing and had to

1166

00:48:28,309 --> 00:48:26,640

and listen it took carriage for them

1167

00:48:29,990 --> 00:48:28,319

because just like me

1168

00:48:31,589 --> 00:48:30,000

people attacked them

1169

00:48:33,750 --> 00:48:31,599

for asking these questions people

1170

00:48:35,510 --> 00:48:33,760

attacked them for not going with the

1171

00:48:36,630 --> 00:48:35,520

we're getting disclosure any day nail

1172

00:48:39,349 --> 00:48:36,640

narrative

1173

00:48:41,430 --> 00:48:39,359

um and honestly i remember back then it

1174

00:48:42,790 --> 00:48:41,440

was extremely lonely and after a while i

1175

00:48:44,630 --> 00:48:42,800

just said i'm not going to talk about

1176

00:48:46,950 --> 00:48:44,640

ttsa or lou alzado or any of these

1177

00:48:49,349 --> 00:48:46,960

people anymore because every time i do

1178

00:48:51,670 --> 00:48:49,359

my uh

1179

00:48:53,829 --> 00:48:51,680

inbox fills up with hate mail i get all

1180

00:48:55,990 --> 00:48:53,839

these sock puppets tweeting nasty [h\_\_h]

1181

00:48:58,950 --> 00:48:56,000

at me even threatening me

1182

00:49:01,190 --> 00:48:58,960

uh like that's how heated and gross this

1183

00:49:02,470 --> 00:49:01,200

got but i wanted to remind everybody

1184

00:49:04,790 --> 00:49:02,480

we're just going to play a short portion

1185

00:49:06,470 --> 00:49:04,800

of this but i am going to put my uh fair

1186

00:49:07,910 --> 00:49:06,480

use banner

1187

00:49:09,670 --> 00:49:07,920

um

1188

00:49:11,270 --> 00:49:09,680

i don't you know it's funny you know

1189

00:49:12,470 --> 00:49:11,280

that saying like it's better to beg

1190

00:49:14,630 --> 00:49:12,480

permit or

1191

00:49:17,030 --> 00:49:14,640

beg forgiveness than ask permission i i

1192

00:49:18,390 --> 00:49:17,040

didn't know uh if dj dark journalist

1193

00:49:20,390 --> 00:49:18,400

would be okay with me using his clip so

1194

00:49:21,589 --> 00:49:20,400

i just did it earlier and then

1195

00:49:34,230 --> 00:49:21,599

i

1196

00:49:37,589 --> 00:49:34,240

people

1197

00:49:39,990 --> 00:49:37,599

got it right and look at this title even

1198

00:49:44,230 --> 00:49:40,000

look at this title oh my god this is

1199

00:49:45,270 --> 00:49:44,240

three years ago the date of this is uh

1200

00:49:49,109 --> 00:49:45,280

let's see

1201  
00:49:52,390 --> 00:49:49,119  
april 27 2019 three years ago and the

1202  
00:49:55,510 --> 00:49:52,400  
title is to the stars eight tips cia ufo

1203  
00:49:58,230 --> 00:49:55,520  
disclosure elizondo and de long and this

1204  
00:50:08,490 --> 00:49:58,240  
is with john a dark journalist and john

1205  
00:50:12,309 --> 00:50:10,710  
[Music]

1206  
00:50:13,990 --> 00:50:12,319  
yeah actually i just want to mention too

1207  
00:50:15,349 --> 00:50:14,000  
i'm kind of pissed off because dark

1208  
00:50:17,349 --> 00:50:15,359  
journalists can get an interview with

1209  
00:50:20,130 --> 00:50:17,359  
john greenwald but i've asked 10 times

1210  
00:50:28,309 --> 00:50:20,140  
and i can't so what's that about

1211  
00:50:32,069 --> 00:50:30,069  
hi this is dark journalist today i have

1212  
00:50:34,549 --> 00:50:32,079  
a special show for you on the cia

1213  
00:50:36,630 --> 00:50:34,559

takeover of the ufo file narrative our

1214

00:50:39,109 --> 00:50:36,640

special guest is john greenwald from the

1215

00:50:40,870 --> 00:50:39,119

black vault now john's been tracking the

1216

00:50:43,990 --> 00:50:40,880

statements put on the public record by

1217

00:50:45,910 --> 00:50:44,000

the to the stars academy or ttsa and its

1218

00:50:48,950 --> 00:50:45,920

founders former senior intelligence

1219

00:50:51,030 --> 00:50:48,960

agent luis elizondo an ex-blank 182

1220

00:50:53,190 --> 00:50:51,040

singer tom delong now john has

1221

00:50:54,470 --> 00:50:53,200

constructed an in-depth timeline of

1222

00:50:56,790 --> 00:50:54,480

obfuscation

1223

00:50:58,630 --> 00:50:56,800

inconsistencies and outright falsehoods

1224

00:51:00,950 --> 00:50:58,640

in the ttsa's narrative about the

1225

00:51:03,349 --> 00:51:00,960

advanced aerial threat identification

1226

00:51:05,750 --> 00:51:03,359

program or atip

1227

00:51:08,230 --> 00:51:05,760

with its top i also just want to mention

1228

00:51:09,990 --> 00:51:08,240

that when dark journalists did this and

1229

00:51:11,990 --> 00:51:10,000

when john greenwald started putting out

1230

00:51:14,470 --> 00:51:12,000

this stuff that contradicted all of what

1231

00:51:16,870 --> 00:51:14,480

tom delong and lou elizondo were saying

1232

00:51:19,270 --> 00:51:16,880

nobody really wanted to hear it even in

1233

00:51:20,950 --> 00:51:19,280

the alt community in the ufo community

1234

00:51:24,150 --> 00:51:20,960

people were like nope nope everybody put

1235

00:51:25,910 --> 00:51:24,160

their blinders on it's like that uh

1236

00:51:27,910 --> 00:51:25,920

it's like that statue with the three

1237

00:51:31,349 --> 00:51:27,920

monkeys you know like see no evil hear

1238

00:51:32,710 --> 00:51:31,359

no evil that people literally would just

1239

00:51:35,589 --> 00:51:32,720

i don't want to hear it i don't want to

1240

00:51:38,470 --> 00:51:35,599

hear it no i love tsa and i love tom de

1241

00:51:39,589 --> 00:51:38,480

long and i love lou elizondo and i'm not

1242

00:51:41,670 --> 00:51:39,599

going to hear

1243

00:51:43,510 --> 00:51:41,680

anything negative about them and it's

1244

00:51:46,069 --> 00:51:43,520

unfortunate that

1245

00:51:47,030 --> 00:51:46,079

more people did not listen to these two

1246

00:51:49,430 --> 00:51:47,040

me

1247

00:51:50,390 --> 00:51:49,440

kalkorf walter bosley

1248

00:51:51,829 --> 00:51:50,400

joseph

1249

00:51:53,829 --> 00:51:51,839

ferrell

1250

00:51:55,750 --> 00:51:53,839

dr pharrell i think was very one of

1251

00:51:58,470 --> 00:51:55,760

those people as well that was very

1252

00:51:59,670 --> 00:51:58,480

critical of this cia spoon fed narrative

1253

00:52:02,069 --> 00:51:59,680

at the time

1254

00:52:04,150 --> 00:52:02,079

and nobody wanted to hear it back then

1255

00:52:06,790 --> 00:52:04,160

but we're going to hear it now because

1256

00:52:09,270 --> 00:52:06,800

it's amazing how right they were

1257

00:52:12,069 --> 00:52:09,280

top tier dominated by cia officials the

1258

00:52:13,910 --> 00:52:12,079

question must be asked is the tsa just

1259

00:52:15,910 --> 00:52:13,920

a new government front in the war on

1260

00:52:21,200 --> 00:52:15,920

truth and the ufo file

1261

00:52:26,230 --> 00:52:24,630

[Music]

1262

00:52:28,790 --> 00:52:26,240

john it's great to have you here for our

1263

00:52:31,510 --> 00:52:28,800

in-depth discussion on the tsa and the

1264

00:52:33,589 --> 00:52:31,520

ufo file now before we get started i

1265

00:52:34,790 --> 00:52:33,599

know you have a new book out uh on the

1266

00:52:36,790 --> 00:52:34,800

black vault and the work that you've

1267

00:52:38,630 --> 00:52:36,800

been doing for the past two decades can

1268

00:52:41,030 --> 00:52:38,640

you tell us a little bit about it

1269

00:52:43,190 --> 00:52:41,040

this is my first big release i mean this

1270

00:52:47,510 --> 00:52:43,200

is uh this is very very cool it was

1271

00:52:49,270 --> 00:52:47,520

highlighted in a big uk book um a book

1272

00:52:51,670 --> 00:52:49,280

exposition that they had over there and

1273

00:52:54,549 --> 00:52:51,680

roman and littlefield profiled i think

1274

00:52:56,309 --> 00:52:54,559

there was a total of 10 10 books out of

1275

00:52:58,790 --> 00:52:56,319

the hundreds and hundreds that they have

1276

00:53:00,950 --> 00:52:58,800

right and mine was was on all of their

1277

00:53:02,950 --> 00:53:00,960

media and and big graphics and stuff

1278

00:53:05,349 --> 00:53:02,960

like that and then even in their in

1279

00:53:08,390 --> 00:53:05,359

their catalog when they started listing

1280

00:53:10,309 --> 00:53:08,400

books uh i'm on the first page so they

1281

00:53:13,349 --> 00:53:10,319

and again look the catalog is you know

1282

00:53:15,589 --> 00:53:13,359

60 plus pages of book after books after

1283

00:53:17,670 --> 00:53:15,599

after book and for them again to put

1284

00:53:20,549 --> 00:53:17,680

that kind of backing and belief in it

1285

00:53:22,150 --> 00:53:20,559

for this topic uh is is huge oh yeah we

1286

00:53:24,589 --> 00:53:22,160

can definitely observe a sea change

1287

00:53:27,430 --> 00:53:24,599

taking place there now your site the

1288

00:53:29,829 --> 00:53:27,440

blackvault.com is an excellent resource

1289

00:53:31,829 --> 00:53:29,839

for documents and has actually been

1290

00:53:34,150 --> 00:53:31,839

cited by major news organizations in

1291

00:53:36,950 --> 00:53:34,160

connection with various ufo stories

1292

00:53:38,790 --> 00:53:36,960

they've also used it for things like

1293

00:53:41,270 --> 00:53:38,800

mkultra research

1294

00:53:44,309 --> 00:53:41,280

docs to support these breaking stories

1295

00:53:45,910 --> 00:53:44,319

as well yeah i mean ufos obviously has

1296

00:53:47,829 --> 00:53:45,920

always been the most popular topic but

1297

00:53:51,190 --> 00:53:47,839

the black vault doesn't only deal with

1298

00:53:53,430 --> 00:53:51,200

that and in december of 2018

1299

00:53:55,430 --> 00:53:53,440

quite a bit of media publicity came

1300

00:53:58,790 --> 00:53:55,440

about for documents that i got on mk

1301  
00:54:00,790 --> 00:53:58,800  
ultra and the mk ultra experiments yeah

1302  
00:54:03,349 --> 00:54:00,800  
i just want to mention that i have been

1303  
00:54:05,270 --> 00:54:03,359  
going to the blackvault.com since

1304  
00:54:06,790 --> 00:54:05,280  
probably the first year or two that it

1305  
00:54:08,230 --> 00:54:06,800  
was in operation and people should be

1306  
00:54:09,910 --> 00:54:08,240  
aware

1307  
00:54:11,670 --> 00:54:09,920  
that john has been at this since he was

1308  
00:54:15,510 --> 00:54:11,680  
14 years old

1309  
00:54:17,349 --> 00:54:15,520  
i mean that's dedication i ca

1310  
00:54:19,589 --> 00:54:17,359  
what was i doing when i was 14 i was

1311  
00:54:21,349 --> 00:54:19,599  
playing with uh samplers and music and

1312  
00:54:22,630 --> 00:54:21,359  
synthesizers

1313  
00:54:24,870 --> 00:54:22,640

and he was

1314

00:54:27,190 --> 00:54:24,880

beating up the government at 14 and 15

1315

00:54:30,150 --> 00:54:27,200

years old trying to get secret documents

1316

00:54:32,069 --> 00:54:30,160

out of them uh and that's amazing well

1317

00:54:34,549 --> 00:54:32,079

it's amazing this program

1318

00:54:36,630 --> 00:54:34,559

so well hidden by the cia which then

1319

00:54:39,349 --> 00:54:36,640

director helms admitted to destroying

1320

00:54:41,990 --> 00:54:39,359

the files on was truly inhuman with

1321

00:54:43,750 --> 00:54:42,000

psychological torture and programming of

1322

00:54:45,829 --> 00:54:43,760

individuals you know it's one of the

1323

00:54:48,230 --> 00:54:45,839

darkest chapters in american history and

1324

00:54:50,309 --> 00:54:48,240

the cia continues to block access to

1325

00:54:51,510 --> 00:54:50,319

that information now right up to the

1326

00:54:53,990 --> 00:54:51,520

present day

1327

00:54:55,990 --> 00:54:54,000

yeah it was um it was it was quite it

1328

00:54:57,109 --> 00:54:56,000

was quite a revelation for me because it

1329

00:54:59,109 --> 00:54:57,119

shows

1330

00:55:00,870 --> 00:54:59,119

the lengths even though i already knew

1331

00:55:03,190 --> 00:55:00,880

this but it shows the lengths that

1332

00:55:05,510 --> 00:55:03,200

agencies like the cia will go to to

1333

00:55:08,230 --> 00:55:05,520

cover everything up yeah yeah they and

1334

00:55:10,150 --> 00:55:08,240

and he got some 4 000 documents or

1335

00:55:13,190 --> 00:55:10,160

something like that but remember that

1336

00:55:16,630 --> 00:55:13,200

they destroyed almost all of them so

1337

00:55:19,750 --> 00:55:16,640

as as shocking as the documents he got

1338

00:55:21,430 --> 00:55:19,760

were imagine what got burnt or shredded

1339

00:55:23,109 --> 00:55:21,440

or destroyed

1340

00:55:25,670 --> 00:55:23,119

you know and and they will tell you

1341

00:55:27,510 --> 00:55:25,680

things that are blatantly not true

1342

00:55:30,150 --> 00:55:27,520

well with the cia that's exactly what

1343

00:55:31,910 --> 00:55:30,160

we've seen repeatedly this deceptive

1344

00:55:33,829 --> 00:55:31,920

pattern and that leads us into

1345

00:55:36,630 --> 00:55:33,839

everything that's been going on around

1346

00:55:39,829 --> 00:55:36,640

the ufo file and in particular

1347

00:55:42,150 --> 00:55:39,839

the to the stars academy or ttsa

1348

00:55:44,710 --> 00:55:42,160

where the cia actually is out front

1349

00:55:47,430 --> 00:55:44,720

taking a lead role in this corporation

1350

00:55:49,109 --> 00:55:47,440

and former cia people are literally at

1351  
00:55:51,270 --> 00:55:49,119  
the top tier

1352  
00:55:53,109 --> 00:55:51,280  
ranks of this organization now you've

1353  
00:55:55,030 --> 00:55:53,119  
done some breakthrough research here i

1354  
00:55:57,270 --> 00:55:55,040  
would like to see that picture again but

1355  
00:55:59,430 --> 00:55:57,280  
with them all with all of their mug

1356  
00:56:01,510 --> 00:55:59,440  
shots for the techno scam

1357  
00:56:04,069 --> 00:56:01,520  
and the two million dollars that i

1358  
00:56:05,910 --> 00:56:04,079  
believe was allegedly i'm just going to

1359  
00:56:07,270 --> 00:56:05,920  
use that term

1360  
00:56:10,069 --> 00:56:07,280  
allegedly

1361  
00:56:13,190 --> 00:56:10,079  
uh collect it from investors and then

1362  
00:56:15,270 --> 00:56:13,200  
spend on whatever they wanted right

1363  
00:56:17,510 --> 00:56:15,280

no investors got any of their money back

1364

00:56:19,829 --> 00:56:17,520

to my knowledge so far if you have

1365

00:56:22,630 --> 00:56:19,839

invested in ttsa please email me at

1366

00:56:24,870 --> 00:56:22,640

truthseekershow gmail.com

1367

00:56:26,470 --> 00:56:24,880

i have put out that call many many times

1368

00:56:28,390 --> 00:56:26,480

i'm looking for somebody that invested

1369

00:56:29,910 --> 00:56:28,400

in ttsa they can tell us how much they

1370

00:56:31,750 --> 00:56:29,920

invested and how much money they got

1371

00:56:34,309 --> 00:56:31,760

back from their investment

1372

00:56:38,150 --> 00:56:34,319

right now tom delong from ttsa is

1373

00:56:39,109 --> 00:56:38,160

continuing in that ttsa investor

1374

00:56:42,950 --> 00:56:39,119

thing

1375

00:56:44,470 --> 00:56:42,960

and soliciting people for more

1376

00:56:46,950 --> 00:56:44,480

public investment

1377

00:56:49,910 --> 00:56:46,960

here that's very revealing you've

1378

00:56:51,829 --> 00:56:49,920

created a detailed timeline of the atip

1379

00:56:54,150 --> 00:56:51,839

program that's the advanced aerospace

1380

00:56:58,069 --> 00:56:54,160

threat identification program

1381

00:56:59,990 --> 00:56:58,079

so touted by tsa and run by one of its

1382

00:57:03,030 --> 00:57:00,000

founders senior counterintelligence

1383

00:57:05,750 --> 00:57:03,040

agent louis elizondo yeah now just a

1384

00:57:08,309 --> 00:57:05,760

brief outline here tsa is something

1385

00:57:11,510 --> 00:57:08,319

that tom delong the former blank 182

1386

00:57:13,510 --> 00:57:11,520

singer founded along with louis elizondo

1387

00:57:15,750 --> 00:57:13,520

former intelligence officer with the

1388

00:57:17,829 --> 00:57:15,760

idea being that a bunch of cia spooks

1389

00:57:21,270 --> 00:57:17,839

and lockheed martin guys are going to

1390

00:57:23,270 --> 00:57:21,280

make ufo disclosure easy as pie and they

1391

00:57:24,870 --> 00:57:23,280

have entertainment divisions for tv

1392

00:57:27,109 --> 00:57:24,880

shows and they raised over 2 million

1393

00:57:28,390 --> 00:57:27,119

dollars in a stock sale and they came

1394

00:57:30,950 --> 00:57:28,400

out with a major announcement

1395

00:57:33,670 --> 00:57:30,960

introducing the corporation in october

1396

00:57:35,750 --> 00:57:33,680

2017. that's correct yeah now initially

1397

00:57:38,150 --> 00:57:35,760

as i understand it you were very

1398

00:57:39,510 --> 00:57:38,160

enthusiastic and very open-minded about

1399

00:57:42,630 --> 00:57:39,520

what they were claiming they were going

1400

00:57:44,789 --> 00:57:42,640

to do yeah but this yeah i do remember

1401

00:57:46,150 --> 00:57:44,799

that john was sort of on the

1402

00:57:48,390 --> 00:57:46,160

you know well this could be a great

1403

00:57:50,230 --> 00:57:48,400

thing for the for the ufo community and

1404

00:57:52,150 --> 00:57:50,240

with all of their experience they may be

1405

00:57:54,150 --> 00:57:52,160

able to pry more out of the government

1406

00:57:55,750 --> 00:57:54,160

than somebody like me with foia could

1407

00:57:57,750 --> 00:57:55,760

like a regular citizen could because

1408

00:57:59,190 --> 00:57:57,760

they have all these connections within

1409

00:58:00,549 --> 00:57:59,200

the government and they still know

1410

00:58:01,910 --> 00:58:00,559

people and

1411

00:58:04,549 --> 00:58:01,920

but

1412

00:58:07,270 --> 00:58:04,559

uh once he began digging i think that he

1413

00:58:09,990 --> 00:58:07,280

did a complete 180 and that 180 has

1414

00:58:12,309 --> 00:58:10,000

continued to this day uh now i would

1415

00:58:14,549 --> 00:58:12,319

place him as being one of the biggest uh

1416

00:58:16,630 --> 00:58:14,559

critics of

1417

00:58:19,829 --> 00:58:16,640

uh tsa and

1418

00:58:21,829 --> 00:58:19,839

and lou elizondo and in fact uh he's on

1419

00:58:25,030 --> 00:58:21,839

the list uh you know he was on the list

1420

00:58:26,950 --> 00:58:25,040

of the felon five uh that louis elizondo

1421

00:58:29,270 --> 00:58:26,960

is passing around

1422

00:58:30,630 --> 00:58:29,280

uh and he's also on the list of the i

1423

00:58:33,589 --> 00:58:30,640

think there's a new list now and it's

1424

00:58:37,190 --> 00:58:33,599

like the 55 felons right he's on that

1425

00:58:39,670 --> 00:58:37,200

list as well and so am i a tip program

1426  
00:58:41,829 --> 00:58:39,680  
that elizondo claimed to be in charge of

1427  
00:58:45,190 --> 00:58:41,839  
and which was revealed by an article in

1428  
00:58:47,750 --> 00:58:45,200  
the new york times on december 16 2017

1429  
00:58:50,549 --> 00:58:47,760  
many inconsistencies arose almost

1430  
00:58:53,190 --> 00:58:50,559  
immediately about this atip program with

1431  
00:58:54,470 --> 00:58:53,200  
conflicting statements by the ttta and

1432  
00:58:56,710 --> 00:58:54,480  
their associates

1433  
00:58:57,829 --> 00:58:56,720  
to the point where now you've said that

1434  
00:59:00,710 --> 00:58:57,839  
atip

1435  
00:59:04,789 --> 00:59:00,720  
is in terms of actual facts

1436  
00:59:05,910 --> 00:59:04,799  
only a rumored ufo program yeah

1437  
00:59:07,190 --> 00:59:05,920  
yeah

1438  
00:59:09,030 --> 00:59:07,200

just to give a quick background you're

1439

00:59:12,710 --> 00:59:09,040

absolutely right i was

1440

00:59:13,990 --> 00:59:12,720

encouraged i was enthused by the october

1441

00:59:15,670 --> 00:59:14,000

press conference

1442

00:59:17,589 --> 00:59:15,680

uh not not because i wanted to be an

1443

00:59:19,910 --> 00:59:17,599

investor in tsa that part actually

1444

00:59:21,829 --> 00:59:19,920

wasn't of interest to me it was and i

1445

00:59:23,190 --> 00:59:21,839

wanted to follow it but i mean i didn't

1446

00:59:24,230 --> 00:59:23,200

really care to say i'm going to give the

1447

00:59:26,150 --> 00:59:24,240

200

1448

00:59:27,670 --> 00:59:26,160

to be a stockholder uh which is what

1449

00:59:29,910 --> 00:59:27,680

they were looking for

1450

00:59:32,630 --> 00:59:29,920

they put a man up there luis elizondo

1451  
00:59:34,630 --> 00:59:32,640  
who said that he had headed this

1452  
00:59:37,430 --> 00:59:34,640  
unidentified

1453  
00:59:40,309 --> 00:59:37,440  
aerospace threat program i i believe is

1454  
00:59:43,349 --> 00:59:40,319  
what his original quote was he never

1455  
00:59:45,109 --> 00:59:43,359  
said a tip in october of 2017. never

1456  
00:59:47,829 --> 00:59:45,119  
gave the definition of the acronym it

1457  
00:59:50,630 --> 00:59:47,839  
was just a rough overview of what this

1458  
00:59:52,870 --> 00:59:50,640  
threat identification program was

1459  
00:59:55,190 --> 00:59:52,880  
yeah and it's important to note

1460  
00:59:57,990 --> 00:59:55,200  
that he may have purposefully withheld

1461  
01:00:01,270 --> 00:59:58,000  
the name of the program that he ran

1462  
01:00:02,789 --> 01:00:01,280  
at first to prevent people from filing

1463  
01:00:05,030 --> 01:00:02,799

people like john

1464

01:00:07,670 --> 01:00:05,040

uh from filing the foia request asking

1465

01:00:10,230 --> 01:00:07,680

for documents about it

1466

01:00:11,510 --> 01:00:10,240

you need exact terminology to file these

1467

01:00:15,190 --> 01:00:11,520

foias

1468

01:00:17,430 --> 01:00:15,200

so i had in october of 2017 filed foia

1469

01:00:19,589 --> 01:00:17,440

requests being very encouraged that i

1470

01:00:22,470 --> 01:00:19,599

might find something that you know

1471

01:00:24,549 --> 01:00:22,480

supported what mr elizonda was saying

1472

01:00:27,910 --> 01:00:24,559

uh quite the contrary

1473

01:00:31,030 --> 01:00:27,920

i was given denials that uh the agency

1474

01:00:33,510 --> 01:00:31,040

that mr elizondo said he worked at said

1475

01:00:35,109 --> 01:00:33,520

no we have nothing on a program like

1476

01:00:37,030 --> 01:00:35,119

that now i

1477

01:00:39,030 --> 01:00:37,040

some people and here's let me address

1478

01:00:40,470 --> 01:00:39,040

this up front some skeptics out there

1479

01:00:41,589 --> 01:00:40,480

say well you didn't have the name you

1480

01:00:44,069 --> 01:00:41,599

just said it yourself and you're

1481

01:00:46,870 --> 01:00:44,079

absolutely right what i did was i used

1482

01:00:49,190 --> 01:00:46,880

the testimony and the descriptions from

1483

01:00:51,990 --> 01:00:49,200

mr elizondo himself

1484

01:00:53,990 --> 01:00:52,000

citing him by name saying this is how he

1485

01:00:56,470 --> 01:00:54,000

described the program so the way the

1486

01:00:58,230 --> 01:00:56,480

foia works is it really kind of doesn't

1487

01:01:00,630 --> 01:00:58,240

matter when you have that in-depth

1488

01:01:02,230 --> 01:01:00,640

detail from somebody who who worked on

1489

01:01:04,309 --> 01:01:02,240

the program

1490

01:01:07,510 --> 01:01:04,319

uh but let's give it the benefit of the

1491

01:01:09,349 --> 01:01:07,520

doubt um that that that's you know why

1492

01:01:11,349 --> 01:01:09,359

they gave a no records i don't believe

1493

01:01:14,630 --> 01:01:11,359

it that's not how the foia works but

1494

01:01:18,309 --> 01:01:14,640

let's move on december 2017 new york

1495

01:01:20,710 --> 01:01:18,319

times politico avalanche media publicity

1496

01:01:22,230 --> 01:01:20,720

started talking about this atip program

1497

01:01:24,230 --> 01:01:22,240

which was the same thing mr elizondo

1498

01:01:26,870 --> 01:01:24,240

talked about in october now we have a

1499

01:01:30,150 --> 01:01:26,880

name so i had filed an appeal

1500

01:01:32,549 --> 01:01:30,160

saying hey look now we have a name uh

1501  
01:01:34,549 --> 01:01:32,559  
let's you know search for records yeah

1502  
01:01:35,990 --> 01:01:34,559  
and to his credit i just want to mention

1503  
01:01:38,549 --> 01:01:36,000  
like

1504  
01:01:40,789 --> 01:01:38,559  
i i encourage everybody to file a foia

1505  
01:01:42,870 --> 01:01:40,799  
request at least once so that you could

1506  
01:01:45,109 --> 01:01:42,880  
see first of all how long it takes to

1507  
01:01:47,349 --> 01:01:45,119  
get any response and second of all you

1508  
01:01:49,589 --> 01:01:47,359  
know it's not it's not easy work and it

1509  
01:01:52,950 --> 01:01:49,599  
is boring to me it's boring as [h\_\_h] i

1510  
01:01:55,829 --> 01:01:52,960  
don't know how he does it and um

1511  
01:01:57,190 --> 01:01:55,839  
he refuses to take no for an answer

1512  
01:01:59,670 --> 01:01:57,200  
every time they tell him we don't have

1513  
01:02:01,510 --> 01:01:59,680

any records he files appeals and and

1514

01:02:03,430 --> 01:02:01,520

another appeal or whatever he has to do

1515

01:02:05,990 --> 01:02:03,440

to continue to push them

1516

01:02:08,470 --> 01:02:06,000

and and it's interesting that you almost

1517

01:02:10,309 --> 01:02:08,480

have to push the government you have to

1518

01:02:11,430 --> 01:02:10,319

force their hand

1519

01:02:13,510 --> 01:02:11,440

it's been called the freedom of

1520

01:02:14,789 --> 01:02:13,520

information act but i i've always called

1521

01:02:16,549 --> 01:02:14,799

it the freedom

1522

01:02:18,390 --> 01:02:16,559

uh you know i've always called it the

1523

01:02:22,390 --> 01:02:18,400

freedom

1524

01:02:23,829 --> 01:02:22,400

to get what we want you to get act you

1525

01:02:26,069 --> 01:02:23,839

know if they really don't want to give

1526

01:02:28,470 --> 01:02:26,079

it they make excuses they say we have no

1527

01:02:29,510 --> 01:02:28,480

records we we can't we can't locate

1528

01:02:32,069 --> 01:02:29,520

anything

1529

01:02:34,710 --> 01:02:32,079

relevant to your request

1530

01:02:36,069 --> 01:02:34,720

john doesn't he does not take no for an

1531

01:02:38,230 --> 01:02:36,079

answer they tell him no and then he

1532

01:02:40,870 --> 01:02:38,240

comes back and he goes okay try it this

1533

01:02:43,349 --> 01:02:40,880

way with these terms you know re do your

1534

01:02:46,390 --> 01:02:43,359

search again and uh i don't know i have

1535

01:02:48,390 --> 01:02:46,400

a lot of respect for him being so

1536

01:02:50,230 --> 01:02:48,400

you know determined and unwilling to

1537

01:02:51,589 --> 01:02:50,240

take no from an from a government

1538

01:02:53,750 --> 01:02:51,599

official

1539

01:02:56,069 --> 01:02:53,760

so i'll put a pin in that story right

1540

01:02:58,150 --> 01:02:56,079

there at the same time i was working on

1541

01:03:00,309 --> 01:02:58,160

a history channel show i work as a

1542

01:03:03,829 --> 01:03:00,319

writer producer and director janitor

1543

01:03:05,190 --> 01:03:03,839

whatever comes my way and so i

1544

01:03:07,109 --> 01:03:05,200

was able to pick up the telephone and

1545

01:03:09,589 --> 01:03:07,119

call the public affairs office

1546

01:03:12,309 --> 01:03:09,599

and so when i asked them about this you

1547

01:03:14,230 --> 01:03:12,319

know advanced uh what at first was

1548

01:03:16,549 --> 01:03:14,240

reported as the advanced aviation threat

1549

01:03:18,390 --> 01:03:16,559

identification program or excuse me

1550

01:03:20,230 --> 01:03:18,400

advanced aerospace threat identification

1551

01:03:22,309 --> 01:03:20,240

program she corrected me and she says no

1552

01:03:24,630 --> 01:03:22,319

no no it's aviation so it's advanced

1553

01:03:25,990 --> 01:03:24,640

aviation threat identification program

1554

01:03:27,990 --> 01:03:26,000

that started

1555

01:03:30,150 --> 01:03:28,000

in my mind like why are these

1556

01:03:32,789 --> 01:03:30,160

discrepancies there like i mean it's a

1557

01:03:35,670 --> 01:03:32,799

simple name i i couldn't you know figure

1558

01:03:38,150 --> 01:03:35,680

that part out and again i would suggest

1559

01:03:40,309 --> 01:03:38,160

that people purposefully

1560

01:03:43,829 --> 01:03:40,319

gave the wrong

1561

01:03:46,150 --> 01:03:43,839

words for that atip acronym to prevent

1562

01:03:50,069 --> 01:03:46,160

people from finding anything with foia

1563

01:03:51,430 --> 01:03:50,079

if you are calling it the wrong name

1564

01:03:53,109 --> 01:03:51,440

john got lucky

1565

01:03:55,589 --> 01:03:53,119

getting somebody on the phone who

1566

01:03:56,829 --> 01:03:55,599

clarified what the actual

1567

01:04:01,829 --> 01:03:56,839

name

1568

01:04:04,069 --> 01:04:01,839

program was but again now we know

1569

01:04:05,990 --> 01:04:04,079

there was no program it was a nickname

1570

01:04:07,750 --> 01:04:06,000

for another program

1571

01:04:09,670 --> 01:04:07,760

and uh

1572

01:04:12,390 --> 01:04:09,680

it had kind of

1573

01:04:14,630 --> 01:04:12,400

snowballed into much more of a debate

1574

01:04:16,630 --> 01:04:14,640

than i think was was worthy

1575

01:04:19,270 --> 01:04:16,640

there were many more pressing issues in

1576

01:04:21,029 --> 01:04:19,280

my mind that came up but that started

1577

01:04:22,950 --> 01:04:21,039

dialogue between me and the office of

1578

01:04:25,109 --> 01:04:22,960

secretary of defense

1579

01:04:27,270 --> 01:04:25,119

trying to unravel what mr elizondo was

1580

01:04:30,230 --> 01:04:27,280

saying and what the pentagon was saying

1581

01:04:31,990 --> 01:04:30,240

and as the months unfolded and the foia

1582

01:04:33,990 --> 01:04:32,000

responses were coming in

1583

01:04:36,870 --> 01:04:34,000

nothing was matching up

1584

01:04:39,750 --> 01:04:36,880

that no records response

1585

01:04:41,670 --> 01:04:39,760

stood until about three weeks ago and i

1586

01:04:42,789 --> 01:04:41,680

won that appeal it took that long to win

1587

01:04:44,710 --> 01:04:42,799

the appeal

1588

01:04:47,109 --> 01:04:44,720

and that's a big victory no matter what

1589

01:04:49,270 --> 01:04:47,119

your thoughts are on atip uh but that

1590

01:04:50,710 --> 01:04:49,280

being said the office of secretary of

1591

01:04:54,230 --> 01:04:50,720

defense said

1592

01:04:58,069 --> 01:04:54,240

anything related to the atip program

1593

01:05:00,150 --> 01:04:58,079

is under the defense intelligence agency

1594

01:05:01,589 --> 01:05:00,160

and or the dia

1595

01:05:02,710 --> 01:05:01,599

they're the ones that will release

1596

01:05:04,630 --> 01:05:02,720

everything

1597

01:05:06,950 --> 01:05:04,640

and so there's been

1598

01:05:10,230 --> 01:05:06,960

thousands of foia requests that are in

1599

01:05:12,710 --> 01:05:10,240

the backlog of the dia so sadly

1600

01:05:15,190 --> 01:05:12,720

there is a huge delay in getting

1601  
01:05:16,549 --> 01:05:15,200  
documents yeah it could take you years

1602  
01:05:18,710 --> 01:05:16,559  
to get documents from a four-year

1603  
01:05:21,589 --> 01:05:18,720  
request that's what sucks about it we

1604  
01:05:23,670 --> 01:05:21,599  
need reform on the foia system and so

1605  
01:05:26,150 --> 01:05:23,680  
it's a little bit of a waiting game at

1606  
01:05:29,510 --> 01:05:26,160  
this point on whether or not

1607  
01:05:32,069 --> 01:05:29,520  
this is truly a ufo program

1608  
01:05:35,190 --> 01:05:32,079  
or not but i will say that the pentagon

1609  
01:05:37,270 --> 01:05:35,200  
despite the name debacle because the dia

1610  
01:05:39,829 --> 01:05:37,280  
gives one name the pentagon gives

1611  
01:05:42,069 --> 01:05:39,839  
another name again that second word

1612  
01:05:44,789 --> 01:05:42,079  
aviation versus aerospace so we have a

1613  
01:05:47,430 --> 01:05:44,799

discrepancy there uh which again is very

1614

01:05:49,510 --> 01:05:47,440

very small the and also it's important

1615

01:05:51,910 --> 01:05:49,520

to note that that discrepancy appeared

1616

01:05:54,710 --> 01:05:51,920

in major media as well some media

1617

01:05:57,750 --> 01:05:54,720

outlets used the term aerospace some

1618

01:05:58,549 --> 01:05:57,760

media outlets use the term aviation

1619

01:06:00,710 --> 01:05:58,559

and

1620

01:06:04,230 --> 01:06:00,720

this is

1621

01:06:05,670 --> 01:06:04,240

part of what i believe is evidence of a

1622

01:06:07,910 --> 01:06:05,680

psyop or

1623

01:06:10,309 --> 01:06:07,920

an operation a counterintelligence

1624

01:06:11,910 --> 01:06:10,319

operation taking place they purposefully

1625

01:06:13,990 --> 01:06:11,920

muddy the waters

1626

01:06:15,750 --> 01:06:14,000

even with little things like that for

1627

01:06:18,549 --> 01:06:15,760

one reason or another i believe it was

1628

01:06:19,750 --> 01:06:18,559

to prevent foia requests a bigger

1629

01:06:22,390 --> 01:06:19,760

question

1630

01:06:24,870 --> 01:06:22,400

is whether or not this program was truly

1631

01:06:27,589 --> 01:06:24,880

what mr elizondo said it was

1632

01:06:30,789 --> 01:06:27,599

if it's being embellished wildly

1633

01:06:32,470 --> 01:06:30,799

or if possibly there are ufo aspects to

1634

01:06:35,109 --> 01:06:32,480

it but not

1635

01:06:37,270 --> 01:06:35,119

because of the government but yeah

1636

01:06:39,910 --> 01:06:37,280

that's a great statement and see how

1637

01:06:42,470 --> 01:06:39,920

right he got it maybe

1638

01:06:45,190 --> 01:06:42,480

you know he said here and at the time

1639

01:06:47,670 --> 01:06:45,200

maybe this story from elizondo is just

1640

01:06:50,230 --> 01:06:47,680

wildly embellishing what that program

1641

01:06:52,870 --> 01:06:50,240

was we now know that that program didn't

1642

01:06:54,950 --> 01:06:52,880

exist it was an unclassified nickname

1643

01:06:57,829 --> 01:06:54,960

for another program that lou elizondo

1644

01:06:59,589 --> 01:06:57,839

himself said he had zero

1645

01:07:00,950 --> 01:06:59,599

anything to do with

1646

01:07:02,150 --> 01:07:00,960

so

1647

01:07:04,309 --> 01:07:02,160

yeah

1648

01:07:06,870 --> 01:07:04,319

these guys got it right back then these

1649

01:07:09,510 --> 01:07:06,880

guys were asking the right questions

1650

01:07:11,510 --> 01:07:09,520

and uh you know they took the slings and

1651  
01:07:12,390 --> 01:07:11,520  
arrows just like me and a few other

1652  
01:07:14,549 --> 01:07:12,400  
people

1653  
01:07:16,630 --> 01:07:14,559  
who were raising these questions and

1654  
01:07:18,230 --> 01:07:16,640  
getting you know attacked viciously just

1655  
01:07:19,829 --> 01:07:18,240  
for asking the questions about these

1656  
01:07:21,829 --> 01:07:19,839  
inconsistencies

1657  
01:07:25,510 --> 01:07:21,839  
rather the private contractor through

1658  
01:07:27,670 --> 01:07:25,520  
bigelow aerospace's bass uh llc that

1659  
01:07:31,349 --> 01:07:27,680  
actually won the contract

1660  
01:07:32,630 --> 01:07:31,359  
so there is a lot to unravel here and

1661  
01:07:35,510 --> 01:07:32,640  
for

1662  
01:07:37,349 --> 01:07:35,520  
tom delong luis elizondo them saying

1663  
01:07:40,309 --> 01:07:37,359

that they were cleared to talk about

1664

01:07:41,109 --> 01:07:40,319

this and people on the inside want us to

1665

01:07:43,829 --> 01:07:41,119

know

1666

01:07:45,750 --> 01:07:43,839

on the surface that sounds great when

1667

01:07:47,270 --> 01:07:45,760

you scratch underneath the surface all

1668

01:07:49,109 --> 01:07:47,280

of a sudden you get this wildly

1669

01:07:51,109 --> 01:07:49,119

different story

1670

01:07:52,710 --> 01:07:51,119

and denial not only through the freedom

1671

01:07:54,150 --> 01:07:52,720

of information act but also the public

1672

01:07:57,510 --> 01:07:54,160

affairs offices

1673

01:07:58,549 --> 01:07:57,520

uh that that's not the reality of it

1674

01:08:01,190 --> 01:07:58,559

so

1675

01:08:04,150 --> 01:08:01,200

is the government lying possibly uh is

1676

01:08:06,150 --> 01:08:04,160

mr elizondo lying possibly yeah there

1677

01:08:07,829 --> 01:08:06,160

are too many people at this point that

1678

01:08:10,390 --> 01:08:07,839

are just doing what i call blind

1679

01:08:12,789 --> 01:08:10,400

allegiance or blind belief

1680

01:08:14,870 --> 01:08:12,799

into something that potentially is not

1681

01:08:17,030 --> 01:08:14,880

100 of the story

1682

01:08:19,990 --> 01:08:17,040

so not to babylon too long but what i

1683

01:08:22,229 --> 01:08:20,000

did is i created a timeline and i tried

1684

01:08:25,510 --> 01:08:22,239

to make sense out of all of the various

1685

01:08:28,149 --> 01:08:25,520

speeches lectures press statements and

1686

01:08:30,709 --> 01:08:28,159

so on primarily from to the stars

1687

01:08:32,229 --> 01:08:30,719

academy but i do add in you know the few

1688

01:08:33,590 --> 01:08:32,239

trickles of information that's come from

1689

01:08:36,149 --> 01:08:33,600

the government

1690

01:08:38,470 --> 01:08:36,159

and put it all on a timeline

1691

01:08:39,430 --> 01:08:38,480

and it is an absolute

1692

01:08:41,590 --> 01:08:39,440

mess

1693

01:08:45,189 --> 01:08:41,600

yeah and it's interesting to point out

1694

01:08:47,110 --> 01:08:45,199

that not only was the terminology wrong

1695

01:08:48,309 --> 01:08:47,120

in both mainstream and alt media

1696

01:08:49,110 --> 01:08:48,319

coverage

1697

01:08:51,990 --> 01:08:49,120

but

1698

01:08:55,030 --> 01:08:52,000

the dates were all wrong when did the

1699

01:08:57,110 --> 01:08:55,040

program start when did the program end

1700

01:09:00,229 --> 01:08:57,120

how much funding did the program have

1701

01:09:01,669 --> 01:09:00,239

all of these details were

1702

01:09:04,309 --> 01:09:01,679

wrong

1703

01:09:06,630 --> 01:09:04,319

and we have to remember that the main

1704

01:09:09,030 --> 01:09:06,640

source for the

1705

01:09:11,430 --> 01:09:09,040

new york times article was lou elizondo

1706

01:09:12,870 --> 01:09:11,440

so why is he giving them inaccurate

1707

01:09:15,430 --> 01:09:12,880

dates

1708

01:09:22,390 --> 01:09:15,440

inaccurate terminology inaccurate

1709

01:09:25,910 --> 01:09:23,749

you could take the government out of the

1710

01:09:27,829 --> 01:09:25,920

equation a hundred percent just ignore

1711

01:09:31,269 --> 01:09:27,839

everything that the government said

1712

01:09:34,470 --> 01:09:31,279

and use only mr luis elizondo

1713

01:09:37,030 --> 01:09:34,480

uh dr hal put off

1714

01:09:38,550 --> 01:09:37,040

i don't use outside of that with to the

1715

01:09:39,910 --> 01:09:38,560

stars academy simply because those are

1716

01:09:41,510 --> 01:09:39,920

the two names that were directly

1717

01:09:44,229 --> 01:09:41,520

involved with the program

1718

01:09:47,829 --> 01:09:44,239

and the media and the media outlets that

1719

01:09:51,110 --> 01:09:47,839

i only used were the direct contacts

1720

01:09:52,390 --> 01:09:51,120

with mr elizondo dr put off meaning

1721

01:09:55,189 --> 01:09:52,400

these were the journalists that were

1722

01:09:56,709 --> 01:09:55,199

working directly with the people that

1723

01:09:58,390 --> 01:09:56,719

worked on atip

1724

01:10:00,790 --> 01:09:58,400

and it's still a mess

1725

01:10:02,790 --> 01:10:00,800

yeah they got it all wrong

1726  
01:10:03,990 --> 01:10:02,800  
because they were given inaccurate

1727  
01:10:06,790 --> 01:10:04,000  
information

1728  
01:10:09,270 --> 01:10:06,800  
by these people lou elizondo

1729  
01:10:11,590 --> 01:10:09,280  
by tsa people

1730  
01:10:13,510 --> 01:10:11,600  
they were the sources that were pumping

1731  
01:10:16,550 --> 01:10:13,520  
the false misinformation and

1732  
01:10:19,110 --> 01:10:16,560  
disinformation for their own agenda

1733  
01:10:21,510 --> 01:10:19,120  
into the mainstream media

1734  
01:10:24,870 --> 01:10:21,520  
and that's a very important thing that

1735  
01:10:28,070 --> 01:10:24,880  
we have to remember and consider that

1736  
01:10:29,590 --> 01:10:28,080  
these people purposefully and willfully

1737  
01:10:31,350 --> 01:10:29,600  
misled

1738  
01:10:33,669 --> 01:10:31,360

members of the media

1739

01:10:36,070 --> 01:10:33,679

about what the program was when it

1740

01:10:38,709 --> 01:10:36,080

started when it ended what the program

1741

01:10:39,590 --> 01:10:38,719

did who ran the program what the program

1742

01:10:42,470 --> 01:10:39,600

did

1743

01:10:44,550 --> 01:10:42,480

oh uh lou elizondo says he investigated

1744

01:10:45,830 --> 01:10:44,560

ufos show me

1745

01:10:49,430 --> 01:10:45,840

a report

1746

01:10:51,910 --> 01:10:49,440

of him investigating a ufo case show me

1747

01:10:53,590 --> 01:10:51,920

a report of him interviewing witnesses

1748

01:10:57,669 --> 01:10:53,600

to ufo events

1749

01:11:01,430 --> 01:10:59,590

members of the media

1750

01:11:03,430 --> 01:11:01,440

including stephen greenstreet of the new

1751

01:11:06,310 --> 01:11:03,440

york post and uh

1752

01:11:09,030 --> 01:11:06,320

recently brian bender of politico have

1753

01:11:11,270 --> 01:11:09,040

both said that they were willfully and

1754

01:11:16,390 --> 01:11:11,280

purposefully misled

1755

01:11:19,430 --> 01:11:16,400

by tsa by tom the long by lou elizondo

1756

01:11:21,350 --> 01:11:19,440

primarily lou elizondo lou alizando was a

1757

01:11:23,990 --> 01:11:21,360

primary source of all of this

1758

01:11:26,790 --> 01:11:24,000

misinformation and disinformation and we

1759

01:11:28,630 --> 01:11:26,800

now know that it was misinformation

1760

01:11:32,229 --> 01:11:28,640

disinformation half truths

1761

01:11:34,709 --> 01:11:33,669

very important

1762

01:11:37,510 --> 01:11:34,719

that we

1763

01:11:39,910 --> 01:11:37,520

hold his feet to the fire why did he lie

1764

01:11:42,390 --> 01:11:39,920

to the new york times why did he lie to

1765

01:11:45,350 --> 01:11:42,400

leslie keane apparently why did leslie

1766

01:11:48,070 --> 01:11:45,360

keane manipulate the story she knew

1767

01:11:49,830 --> 01:11:48,080

that the program the pentagon program

1768

01:11:51,910 --> 01:11:49,840

that got the 22 million dollars was

1769

01:11:54,390 --> 01:11:51,920

investigating skinwalker she left that

1770

01:11:57,590 --> 01:11:54,400

out of the report purposefully all of

1771

01:12:01,110 --> 01:11:57,600

them perhaps colluded together to create

1772

01:12:03,030 --> 01:12:01,120

this narrative of a top secret ufo

1773

01:12:06,070 --> 01:12:03,040

pentagon you know

1774

01:12:07,830 --> 01:12:06,080

program headed by luis elizondo at one

1775

01:12:10,390 --> 01:12:07,840

point didn't he say that he ran that

1776

01:12:13,030 --> 01:12:10,400

program for 10 years

1777

01:12:15,830 --> 01:12:13,040

now we know that wasn't true

1778

01:12:17,830 --> 01:12:15,840

wow so my question is how can well first

1779

01:12:21,590 --> 01:12:17,840

of all there was no program it was an

1780

01:12:24,390 --> 01:12:21,600

activity an unfunded activity

1781

01:12:26,709 --> 01:12:24,400

you know programs need funding

1782

01:12:29,590 --> 01:12:26,719

there was no funding

1783

01:12:31,030 --> 01:12:29,600

so lou alzado himself said

1784

01:12:32,390 --> 01:12:31,040

don't call it a program call it an

1785

01:12:34,310 --> 01:12:32,400

activity

1786

01:12:36,390 --> 01:12:34,320

and

1787

01:12:39,110 --> 01:12:36,400

it's also interesting to note that lou

1788

01:12:40,790 --> 01:12:39,120

elizondo in his ig complaint you know

1789

01:12:43,270 --> 01:12:40,800

people ask me about well what is his

1790

01:12:45,189 --> 01:12:43,280

motive in all this lou elizondo i

1791

01:12:49,189 --> 01:12:45,199

believe that at least part of his motive

1792

01:12:51,510 --> 01:12:49,199

was generating lots and lots of money

1793

01:12:55,430 --> 01:12:51,520

right because even in the ig complaint

1794

01:12:57,030 --> 01:12:55,440

that lou elizondo filed he references

1795

01:12:58,709 --> 01:12:57,040

he says

1796

01:13:00,470 --> 01:12:58,719

you guys uh

1797

01:13:02,870 --> 01:13:00,480

at the pentagon are making it very

1798

01:13:04,790 --> 01:13:02,880

difficult for me to earn a living

1799

01:13:06,630 --> 01:13:04,800

for me and my family

1800

01:13:09,350 --> 01:13:06,640

so what he's saying there is i'm trying

1801  
01:13:11,510 --> 01:13:09,360  
to earn a living telling people that i

1802  
01:13:14,070 --> 01:13:11,520  
was the director of a top secret

1803  
01:13:16,790 --> 01:13:14,080  
pentagon ufo program

1804  
01:13:17,750 --> 01:13:16,800  
that we now know didn't exist

1805  
01:13:18,870 --> 01:13:17,760  
right

1806  
01:13:20,870 --> 01:13:18,880  
geez i don't know what's going on

1807  
01:13:23,350 --> 01:13:20,880  
there's all kinds of sirens and i want

1808  
01:13:25,910 --> 01:13:23,360  
to apologize to the audio files

1809  
01:13:27,910 --> 01:13:25,920  
i i'm here on my patio we're still

1810  
01:13:29,270 --> 01:13:27,920  
transitioning to a new streaming studio

1811  
01:13:33,990 --> 01:13:29,280  
i'm going to mute myself and we'll play

1812  
01:13:39,350 --> 01:13:37,750  
must be so mucked up uh in this muddy

1813  
01:13:41,350 --> 01:13:39,360

watered mess

1814

01:13:43,669 --> 01:13:41,360

on whether or not this was a ufo program

1815

01:13:46,630 --> 01:13:43,679

or not their own stories don't line up

1816

01:13:48,790 --> 01:13:46,640

never mind not at all yeah and it's not

1817

01:13:50,229 --> 01:13:48,800

it's not just semantics because some

1818

01:13:51,590 --> 01:13:50,239

might say well if they you know they're

1819

01:13:54,550 --> 01:13:51,600

just recollecting a story it might be a

1820

01:13:55,750 --> 01:13:54,560

memory lapse i'm talking about hardcore

1821

01:13:59,910 --> 01:13:55,760

facts

1822

01:14:01,990 --> 01:13:59,920

on the basic objectives of what atip was

1823

01:14:04,310 --> 01:14:02,000

when the name was created when the

1824

01:14:05,910 --> 01:14:04,320

project started i mean when when you've

1825

01:14:07,350 --> 01:14:05,920

got two people that work on the same

1826

01:14:09,430 --> 01:14:07,360

exact project

1827

01:14:11,510 --> 01:14:09,440

and they work together in a private in

1828

01:14:15,030 --> 01:14:11,520

the private sector and they're asking

1829

01:14:17,030 --> 01:14:15,040

you for your money so they can invest in

1830

01:14:19,590 --> 01:14:17,040

space planes and you know take the next

1831

01:14:21,510 --> 01:14:19,600

step with ufo research which is great i

1832

01:14:24,310 --> 01:14:21,520

wish them all the best of luck

1833

01:14:26,550 --> 01:14:24,320

but when you are doing that and you

1834

01:14:29,030 --> 01:14:26,560

can't get your story to align

1835

01:14:31,189 --> 01:14:29,040

in my opinion that's a huge issue and

1836

01:14:33,350 --> 01:14:31,199

that's something that we need to address

1837

01:14:34,870 --> 01:14:33,360

might be easy answers i've always been

1838

01:14:38,950 --> 01:14:34,880

open to that

1839

01:14:44,709 --> 01:14:41,830

as back to louisando's

1840

01:14:47,189 --> 01:14:44,719

complaint he basically says in it you

1841

01:14:49,830 --> 01:14:47,199

guys at the pentagon contradicting my

1842

01:14:52,310 --> 01:14:49,840

fake stories that i've been telling the

1843

01:14:53,990 --> 01:14:52,320

major media and alt media

1844

01:14:55,430 --> 01:14:54,000

um

1845

01:14:57,270 --> 01:14:55,440

i i

1846

01:15:00,149 --> 01:14:57,280

you're making it hard for me to make a

1847

01:15:02,630 --> 01:15:00,159

living for me and my family

1848

01:15:05,189 --> 01:15:02,640

i believe that that statement in his own

1849

01:15:07,750 --> 01:15:05,199

writing makes it very clear that when

1850

01:15:09,750 --> 01:15:07,760

lou alzonzo left the pentagon

1851

01:15:10,870 --> 01:15:09,760

he intended on

1852

01:15:14,390 --> 01:15:10,880

fully

1853

01:15:16,149 --> 01:15:14,400

making his full-time living off of ufos

1854

01:15:18,709 --> 01:15:16,159

and the pentagon contradicting his

1855

01:15:20,709 --> 01:15:18,719

stories telling people he didn't run the

1856

01:15:22,310 --> 01:15:20,719

program the program didn't exist now we

1857

01:15:24,870 --> 01:15:22,320

know it wasn't a program it was a

1858

01:15:27,030 --> 01:15:24,880

nickname for another program

1859

01:15:29,350 --> 01:15:27,040

and uh by that time by the time that

1860

01:15:30,630 --> 01:15:29,360

nickname popped up it was an unfunded

1861

01:15:32,070 --> 01:15:30,640

program

1862

01:15:32,950 --> 01:15:32,080

and we have the

1863

01:15:35,110 --> 01:15:32,960

uh

1864

01:15:37,510 --> 01:15:35,120

skinwalkers at the pentagon book by

1865

01:15:40,390 --> 01:15:37,520

lukatsky and george knapp that largely

1866

01:15:43,030 --> 01:15:40,400

contradicts all of um

1867

01:15:44,470 --> 01:15:43,040

of louis elizondo's stories that he

1868

01:15:46,070 --> 01:15:44,480

originally told

1869

01:15:49,669 --> 01:15:46,080

and now

1870

01:15:50,950 --> 01:15:49,679

lou elizondo is desperately trying to

1871

01:15:53,350 --> 01:15:50,960

you know

1872

01:15:55,510 --> 01:15:53,360

do damage control look i got a letter

1873

01:15:59,110 --> 01:15:55,520

from a dead senator that was involved in

1874

01:16:01,189 --> 01:15:59,120

what may be a scam to give his buddy 20

1875

01:16:03,270 --> 01:16:01,199

plus million dollars with a no bid

1876  
01:16:04,870 --> 01:16:03,280  
sweetheart deal contract and he said i

1877  
01:16:06,870 --> 01:16:04,880  
ran the program that the rest of the

1878  
01:16:08,790 --> 01:16:06,880  
people at the pentagon said does not

1879  
01:16:10,790 --> 01:16:08,800  
exist

1880  
01:16:12,310 --> 01:16:10,800  
the dead man defense that's what i call

1881  
01:16:13,750 --> 01:16:12,320  
it it's the dead man defense so i'm

1882  
01:16:15,669 --> 01:16:13,760  
going to share one more thing about that

1883  
01:16:18,229 --> 01:16:15,679  
dead man defense

1884  
01:16:21,110 --> 01:16:18,239  
and this is from steven green street

1885  
01:16:23,030 --> 01:16:21,120  
uh

1886  
01:16:25,189 --> 01:16:23,040  
stephen greenstreet tweeted i don't

1887  
01:16:27,669 --> 01:16:25,199  
consider senator reid a reliable source

1888  
01:16:30,070 --> 01:16:27,679

as he's changed his story previously and

1889

01:16:32,390 --> 01:16:30,080

played loose with facts i consider

1890

01:16:34,709 --> 01:16:32,400

citizen read an even less reliable

1891

01:16:37,350 --> 01:16:34,719

source also another letter from senator

1892

01:16:40,470 --> 01:16:37,360

reed contradicts this letter from

1893

01:16:41,430 --> 01:16:40,480

citizen read so senator reid says one

1894

01:16:45,350 --> 01:16:41,440

thing

1895

01:16:47,350 --> 01:16:45,360

in a letter about louis elizondo right

1896

01:16:50,310 --> 01:16:47,360

and

1897

01:16:52,870 --> 01:16:50,320

he says something completely different

1898

01:16:54,870 --> 01:16:52,880

look here in another he calls it an

1899

01:16:56,470 --> 01:16:54,880

unclassified nickname

1900

01:16:58,550 --> 01:16:56,480

it wasn't a program it was an

1901

01:17:00,470 --> 01:16:58,560

unclassified nickname for another

1902

01:17:02,550 --> 01:17:00,480

program

1903

01:17:04,709 --> 01:17:02,560

yeah and i i would tend to agree with

1904

01:17:07,189 --> 01:17:04,719

people i don't think that you know

1905

01:17:08,870 --> 01:17:07,199

holding up a letter from your friend the

1906

01:17:11,990 --> 01:17:08,880

senator who's dead

1907

01:17:14,709 --> 01:17:12,000

who was highly suspiciously involved in

1908

01:17:18,149 --> 01:17:14,719

the transfer of these funds from him

1909

01:17:20,870 --> 01:17:18,159

to his longtime campaign contributor

1910

01:17:23,750 --> 01:17:20,880

bob bigelow is a credible source of

1911

01:17:26,390 --> 01:17:23,760

information so i would challenge

1912

01:17:27,750 --> 01:17:26,400

lou elizondo

1913

01:17:33,030 --> 01:17:27,760

let's see

1914

01:17:35,590 --> 01:17:33,040

living senator that will confirm that

1915

01:17:36,709 --> 01:17:35,600

you ran the pentagon's top secret ufo

1916

01:17:37,669 --> 01:17:36,719

program

1917

01:17:39,110 --> 01:17:37,679

let's

1918

01:17:42,310 --> 01:17:39,120

see

1919

01:17:44,229 --> 01:17:42,320

additional provers

1920

01:17:46,229 --> 01:17:44,239

you know if you truly ran the

1921

01:17:47,750 --> 01:17:46,239

government's top secret pentagon ufo

1922

01:17:49,189 --> 01:17:47,760

program you should be able to get a

1923

01:17:51,750 --> 01:17:49,199

former boss

1924

01:17:54,229 --> 01:17:51,760

somebody within the pentagon that was uh

1925

01:17:56,950 --> 01:17:54,239

a co-worker somebody should be able to

1926

01:17:58,950 --> 01:17:56,960

show us what you actually investigated

1927

01:18:00,950 --> 01:17:58,960

what you actually did

1928

01:18:02,310 --> 01:18:00,960

now john from the black fold and others

1929

01:18:05,189 --> 01:18:02,320

have gotten

1930

01:18:07,669 --> 01:18:05,199

employment records that show clearly

1931

01:18:10,149 --> 01:18:07,679

ufos was never his full-time

1932

01:18:12,229 --> 01:18:10,159

responsibility never

1933

01:18:15,189 --> 01:18:12,239

that wasn't his job at the pentagon but

1934

01:18:16,470 --> 01:18:15,199

he misled everybody he embellished

1935

01:18:17,510 --> 01:18:16,480

things

1936

01:18:20,310 --> 01:18:17,520

and

1937

01:18:22,550 --> 01:18:20,320

pretended i suppose that he ran

1938

01:18:24,550 --> 01:18:22,560

a ufo program for the united states

1939

01:18:27,350 --> 01:18:24,560

government

1940

01:18:29,990 --> 01:18:27,360

i would call lying and saying that you

1941

01:18:32,470 --> 01:18:30,000

ran a program that you never ran and

1942

01:18:33,430 --> 01:18:32,480

then remember he's accepting money right

1943

01:18:35,590 --> 01:18:33,440

now

1944

01:18:38,149 --> 01:18:35,600

to do ufo conferences he's accepting

1945

01:18:39,270 --> 01:18:38,159

money for a book about his adventures

1946

01:18:42,149 --> 01:18:39,280

running up

1947

01:18:44,229 --> 01:18:42,159

a ufo pentagon program that we now know

1948

01:18:45,830 --> 01:18:44,239

does not exist he's accepting money for

1949

01:18:48,790 --> 01:18:45,840

all of these things

1950

01:18:51,270 --> 01:18:48,800

speaking at ufo conferences right he's

1951

01:18:53,430 --> 01:18:51,280

taking the money

1952

01:18:56,709 --> 01:18:53,440

and how did he get to that money by

1953

01:18:59,270 --> 01:18:56,719

embellishing by overstating things by

1954

01:19:00,870 --> 01:18:59,280

purposefully misleading by pretending he

1955

01:19:03,750 --> 01:19:00,880

ran a program

1956

01:19:05,669 --> 01:19:03,760

that he never ran

1957

01:19:07,350 --> 01:19:05,679

i would consider that

1958

01:19:09,510 --> 01:19:07,360

a form of fraud

1959

01:19:11,510 --> 01:19:09,520

but that's you know my opinion and i'm

1960

01:19:14,310 --> 01:19:11,520

entitled to it i'm not a law enforcement

1961

01:19:16,470 --> 01:19:14,320

officer i'm you know not a prosecutor

1962

01:19:18,630 --> 01:19:16,480

but i believe that there should be an

1963

01:19:21,110 --> 01:19:18,640

incredible amount of more scrutiny on

1964

01:19:22,470 --> 01:19:21,120

this man lou elizondo as he

1965

01:19:26,790 --> 01:19:22,480

goes forth

1966

01:19:29,350 --> 01:19:26,800

and continues right because listen

1967

01:19:31,590 --> 01:19:29,360

this is exactly i can tell you right now

1968

01:19:34,390 --> 01:19:31,600

exactly what's going to happen next

1969

01:19:37,830 --> 01:19:34,400

lou elizondo's house of cards is coming

1970

01:19:39,350 --> 01:19:37,840

crashing down it's crashing down so what

1971

01:19:44,070 --> 01:19:39,360

he's got to do

1972

01:19:47,270 --> 01:19:44,080

he's got to run around and try to grab

1973

01:19:49,669 --> 01:19:47,280

every ufo dollar that he can

1974

01:19:52,229 --> 01:19:49,679

before

1975

01:19:55,830 --> 01:19:52,239

it all comes crashing down he's going to

1976

01:19:57,430 --> 01:19:55,840

grab every ufo dollar that he can

1977

01:19:59,590 --> 01:19:57,440

before nobody

1978

01:20:02,149 --> 01:19:59,600

will be willing to pay him to listen to

1979

01:20:04,950 --> 01:20:02,159

him talk about ufos

1980

01:20:07,110 --> 01:20:04,960

and the ufo investigations that he never

1981

01:20:08,790 --> 01:20:07,120

ever did for the united states

1982

01:20:12,390 --> 01:20:08,800

government

1983

01:20:14,390 --> 01:20:12,400

now in in in fairness maybe lou alizando

1984

01:20:16,790 --> 01:20:14,400

had an interest in ufos he knew about

1985

01:20:19,030 --> 01:20:16,800

osap he knew about the

1986

01:20:20,950 --> 01:20:19,040

call the nickname

1987

01:20:23,189 --> 01:20:20,960

of the program

1988

01:20:25,030 --> 01:20:23,199

maybe in his spare time

1989

01:20:27,030 --> 01:20:25,040

sitting there at a desk at the pentagon

1990

01:20:29,830 --> 01:20:27,040

he looked some things up

1991

01:20:32,550 --> 01:20:29,840

we certainly know that he authorized the

1992

01:20:34,550 --> 01:20:32,560

release of ufo videos and by the way

1993

01:20:35,750 --> 01:20:34,560

those videos are terrible they prove

1994

01:20:37,350 --> 01:20:35,760

nothing

1995

01:20:39,030 --> 01:20:37,360

um

1996

01:20:41,189 --> 01:20:39,040

i i

1997

01:20:43,110 --> 01:20:41,199

think that what may have happened is

1998

01:20:45,030 --> 01:20:43,120

that he was sitting there

1999

01:20:46,629 --> 01:20:45,040

he's interested in ufos he talks to

2000

01:20:48,470 --> 01:20:46,639

other guys within the pentagon that are

2001

01:20:51,110 --> 01:20:48,480

interested in ufos

2002

01:20:52,950 --> 01:20:51,120

eventually he has enough juice to find

2003

01:20:54,229 --> 01:20:52,960

these videos and release these three

2004

01:20:57,189 --> 01:20:54,239

videos

2005

01:20:59,350 --> 01:20:57,199

um and some would say that that was

2006

01:21:01,189 --> 01:20:59,360

i've heard people describe that as not

2007

01:21:03,189 --> 01:21:01,199

legal what he did because after all

2008

01:21:04,629 --> 01:21:03,199

that's government property he authorized

2009

01:21:06,709 --> 01:21:04,639

the release of it

2010

01:21:08,149 --> 01:21:06,719

it wasn't supposed to be for the public

2011

01:21:10,310 --> 01:21:08,159

it was supposed to be for i believe

2012

01:21:13,590 --> 01:21:10,320

training purposes or something like that

2013

01:21:15,350 --> 01:21:13,600

that's why it was declassified suddenly

2014

01:21:18,470 --> 01:21:15,360

somebody runs out to the parking lot to

2015

01:21:22,070 --> 01:21:18,480

chris mellon another ttsa person

2016

01:21:23,350 --> 01:21:22,080

and ttsa runs with those videos and lou

2017

01:21:25,110 --> 01:21:23,360

elizondo

2018

01:21:27,750 --> 01:21:25,120

tom delong and all these other people

2019

01:21:29,270 --> 01:21:27,760

profit from those three government

2020

01:21:31,430 --> 01:21:29,280

videos for

2021

01:21:33,669 --> 01:21:31,440

years now

2022

01:21:36,470 --> 01:21:33,679

it's all very if not illegal it's all

2023

01:21:38,950 --> 01:21:36,480

very shady and the same goes for ttsa if

2024

01:21:41,590 --> 01:21:38,960

it's not illegal it's very shady and it

2025

01:21:43,910 --> 01:21:41,600

should be and the fact that

2026  
01:21:45,189 --> 01:21:43,920  
tom delong is right now

2027  
01:21:47,350 --> 01:21:45,199  
running around

2028  
01:21:48,390 --> 01:21:47,360  
soliciting investors

2029  
01:21:50,629 --> 01:21:48,400  
for his

2030  
01:21:53,030 --> 01:21:50,639  
failed company that's what 50 million

2031  
01:21:55,430 --> 01:21:53,040  
dollars in debt

2032  
01:21:57,510 --> 01:21:55,440  
the fact that he's allowed to just screw

2033  
01:22:00,070 --> 01:21:57,520  
the first two rounds of investors out of

2034  
01:22:02,629 --> 01:22:00,080  
every penny of their money and then just

2035  
01:22:05,350 --> 01:22:02,639  
ask for more investors i don't

2036  
01:22:07,510 --> 01:22:05,360  
understand it i think it's shady as hell

2037  
01:22:09,669 --> 01:22:07,520  
and that's where i'm at and this is

2038  
01:22:10,790 --> 01:22:09,679

where we find ourselves we find

2039

01:22:12,390 --> 01:22:10,800

ourselves

2040

01:22:13,669 --> 01:22:12,400

at a place

2041

01:22:16,310 --> 01:22:13,679

where

2042

01:22:18,070 --> 01:22:16,320

it would appear my friends it would

2043

01:22:21,750 --> 01:22:18,080

definitely appear

2044

01:22:25,030 --> 01:22:21,760

that the tsa lou elizondo

2045

01:22:27,030 --> 01:22:25,040

psyop house of cards is falling

2046

01:22:30,229 --> 01:22:27,040

and what i predict is more damage

2047

01:22:32,310 --> 01:22:30,239

control from lou elizondo or what's he

2048

01:22:34,629 --> 01:22:32,320

oh he's he's

2049

01:22:37,830 --> 01:22:34,639

suspiciously to me

2050

01:22:40,470 --> 01:22:37,840

maybe not coincidentally he is suddenly

2051

01:22:44,470 --> 01:22:40,480

he's taking a break from social media

2052

01:22:47,270 --> 01:22:44,480

yeah just as the heat gets turned up and

2053

01:22:49,750 --> 01:22:47,280

more and more revelations of how much he

2054

01:22:51,270 --> 01:22:49,760

lied and misled people

2055

01:22:53,830 --> 01:22:51,280

come to light

2056

01:22:56,229 --> 01:22:53,840

he is suddenly

2057

01:22:59,430 --> 01:22:56,239

going to take a break from social media

2058

01:23:01,669 --> 01:22:59,440

well and from doing podcasts but by the

2059

01:23:06,149 --> 01:23:01,679

way who cares if he doesn't do podcasts

2060

01:23:08,470 --> 01:23:06,159

anymore because he only did the ufo fan

2061

01:23:11,830 --> 01:23:08,480

podcasts that he knew would lick his

2062

01:23:13,270 --> 01:23:11,840

[h\_\_\h] and not ask him about any of the

2063

01:23:16,790 --> 01:23:13,280

things and not ask him any of the

2064

01:23:19,350 --> 01:23:16,800

questions i'm asking tonight

2065

01:23:21,590 --> 01:23:19,360

did you know that lou from unidentified

2066

01:23:23,669 --> 01:23:21,600

celebrity review who by the way he's the

2067

01:23:25,669 --> 01:23:23,679

guy who has a slave labor force working

2068

01:23:27,430 --> 01:23:25,679

for him what has he got three five four

2069

01:23:29,669 --> 01:23:27,440

five people work for him for free and he

2070

01:23:33,350 --> 01:23:29,679

keeps all the money from the show

2071

01:23:35,830 --> 01:23:33,360

he interviewed lou elizondo seven times

2072

01:23:37,430 --> 01:23:35,840

did you hear these questions that john

2073

01:23:41,669 --> 01:23:37,440

from the black fold and dark journalists

2074

01:23:47,510 --> 01:23:43,990

lou angeles from unidentified celebrity

2075

01:23:48,390 --> 01:23:47,520

review didn't ask louisando about any of

2076

01:23:51,110 --> 01:23:48,400

that

2077

01:23:53,669 --> 01:23:51,120

none of it he got

2078

01:23:55,270 --> 01:23:53,679

14 hours i think right i don't know if

2079

01:23:57,669 --> 01:23:55,280

they were all two-hour interviews but i

2080

01:24:00,870 --> 01:23:57,679

think they were so that would mean that

2081

01:24:03,830 --> 01:24:00,880

lou from ucr with a slave labor force

2082

01:24:06,070 --> 01:24:03,840

right he's got his slave sweatshop going

2083

01:24:07,990 --> 01:24:06,080

everybody's you know making graphics for

2084

01:24:09,990 --> 01:24:08,000

him i guess doing videos for him making

2085

01:24:11,910 --> 01:24:10,000

music for him co-hosting with them

2086

01:24:14,070 --> 01:24:11,920

they're all working for him for

2087

01:24:16,149 --> 01:24:14,080

absolutely for free

2088

01:24:17,750 --> 01:24:16,159

because he's got slave labor and by the

2089

01:24:19,590 --> 01:24:17,760

way i'm supposed to compete with a guy

2090

01:24:21,189 --> 01:24:19,600

who's got five slaves i don't think that

2091

01:24:23,189 --> 01:24:21,199

shit's fair why don't you pay your

2092

01:24:25,590 --> 01:24:23,199

people i got a five-year-old worker for

2093

01:24:28,390 --> 01:24:25,600

me and even he gets paid

2094

01:24:30,550 --> 01:24:28,400

but anyway my point about him lou

2095

01:24:33,189 --> 01:24:30,560

alizando is not doing podcasts anymore

2096

01:24:35,990 --> 01:24:33,199

but who cares because he did seven

2097

01:24:37,430 --> 01:24:36,000

appearances with weak

2098

01:24:40,070 --> 01:24:37,440

fanboy

2099

01:24:43,030 --> 01:24:40,080

ass lickers like lou

2100

01:24:46,709 --> 01:24:43,040

angelus from unidentified celebrity ass

2101  
01:24:48,550 --> 01:24:46,719  
liquor show celebrity review whatever

2102  
01:24:52,229 --> 01:24:48,560  
and

2103  
01:24:54,629 --> 01:24:52,239  
lou angeles did such a piss-poor job

2104  
01:24:57,270 --> 01:24:54,639  
doing seven interviews with lou elizondo

2105  
01:24:58,470 --> 01:24:57,280  
he just let him off the hook on all of

2106  
01:25:00,790 --> 01:24:58,480  
this stuff

2107  
01:25:02,149 --> 01:25:00,800  
that should be remembered

2108  
01:25:04,790 --> 01:25:02,159  
those people

2109  
01:25:07,830 --> 01:25:04,800  
like richard dolan like jimmy church

2110  
01:25:10,790 --> 01:25:07,840  
like christina gomez like los angeles

2111  
01:25:13,350 --> 01:25:10,800  
like calling all beings and and so many

2112  
01:25:15,189 --> 01:25:13,360  
others that did the ufo circle jerk with

2113  
01:25:16,470 --> 01:25:15,199

lou elizondo

2114

01:25:19,669 --> 01:25:16,480

we all

2115

01:25:23,669 --> 01:25:19,679

should hold them accountable for this

2116

01:25:27,189 --> 01:25:23,679

problem that we're in now they all

2117

01:25:28,149 --> 01:25:27,199

fell right in line with this psyop with

2118

01:25:31,510 --> 01:25:28,159

this

2119

01:25:32,310 --> 01:25:31,520

counter intelligence op whatever it is

2120

01:25:35,750 --> 01:25:32,320

or

2121

01:25:42,870 --> 01:25:41,270

attempt to profit from the ufo community

2122

01:25:45,590 --> 01:25:42,880

what did all these people do jimmy

2123

01:25:48,629 --> 01:25:45,600

church christina gomez uh

2124

01:25:51,030 --> 01:25:48,639

lou from ucr oh the fister idiot

2125

01:25:53,430 --> 01:25:51,040

what did they all do they sat there and

2126  
01:25:54,709 --> 01:25:53,440  
licked lou elizondo's [h\_\_h] right get

2127  
01:25:56,950 --> 01:25:54,719  
right in there

2128  
01:25:59,510 --> 01:25:56,960  
look at look at real good get in there

2129  
01:26:02,149 --> 01:25:59,520  
lick it real good you dummies

2130  
01:26:04,629 --> 01:26:02,159  
because you fell for it you jumped right

2131  
01:26:06,550 --> 01:26:04,639  
in line with that spoon fed narrative

2132  
01:26:07,750 --> 01:26:06,560  
that he fed everybody from the new york

2133  
01:26:10,709 --> 01:26:07,760  
times to

2134  
01:26:13,830 --> 01:26:10,719  
jimmy the slime ball church to

2135  
01:26:16,870 --> 01:26:13,840  
failed actor finally found a spotlight

2136  
01:26:19,669 --> 01:26:16,880  
lou from unidentified celebrity review

2137  
01:26:22,470 --> 01:26:19,679  
right that guy got 14 hours to interview

2138  
01:26:24,310 --> 01:26:22,480

him didn't ask him oh he did he didn't

2139

01:26:26,629 --> 01:26:24,320

ask him one hard question but his

2140

01:26:28,950 --> 01:26:26,639

so-called skeptic rather be squidding

2141

01:26:31,430 --> 01:26:28,960

did ask one hard question and lou lost

2142

01:26:34,310 --> 01:26:31,440

his goddamn mind because they dared to

2143

01:26:38,149 --> 01:26:34,320

ask one real question out of the 14

2144

01:27:37,669 --> 01:26:39,910

i

2145

01:27:41,110 --> 01:27:37,679

don't do any work don't ask hard

2146

01:27:45,430 --> 01:27:41,120

questions just go along with this

2147

01:27:47,990 --> 01:27:45,440

lou elizondo psyop narrative we have

2148

01:27:48,950 --> 01:27:48,000

seen at the top of the show tonight that

2149

01:27:50,070 --> 01:27:48,960

lou

2150

01:27:52,950 --> 01:27:50,080

literally

2151

01:27:54,550 --> 01:27:52,960

admitted that

2152

01:27:56,950 --> 01:27:54,560

he was asked to use his counter

2153

01:27:59,030 --> 01:27:56,960

intelligence skills on the ufo community

2154

01:28:01,270 --> 01:27:59,040

and what a great job he's doing he's

2155

01:28:04,070 --> 01:28:01,280

running around calling people in the ufo

2156

01:28:07,110 --> 01:28:04,080

community felons whether they are or not

2157

01:28:09,430 --> 01:28:07,120

you know he's calling his critics

2158

01:28:11,910 --> 01:28:09,440

mentally unstable whether they are or

2159

01:28:13,910 --> 01:28:11,920

not some would argue that people asking

2160

01:28:16,950 --> 01:28:13,920

real questions and not falling for the

2161

01:28:21,030 --> 01:28:16,960

psyop or more mentally stable than the

2162

01:28:24,709 --> 01:28:22,709

but this is where we're at and this is

2163

01:28:26,390 --> 01:28:24,719

where we find ourselves right and i'm

2164

01:28:28,070 --> 01:28:26,400

supposed to compete with that like i'm

2165

01:28:30,790 --> 01:28:28,080

just supposed to be okay with i'm gonna

2166

01:28:33,270 --> 01:28:30,800

lose money because i did my job the

2167

01:28:35,350 --> 01:28:33,280

right way it is my job to ask the hard

2168

01:28:37,030 --> 01:28:35,360

questions it is all our job to ask the

2169

01:28:38,790 --> 01:28:37,040

hard questions

2170

01:28:41,830 --> 01:28:38,800

oh i want to thank welcome to the show

2171

01:28:43,990 --> 01:28:41,840

i'm sorry i tried the the chat's going

2172

01:28:45,669 --> 01:28:44,000

wonky tonight and and actually i think i

2173

01:28:47,830 --> 01:28:45,679

figured out what it is

2174

01:28:49,590 --> 01:28:47,840

there's so many more people lately that

2175

01:28:51,270 --> 01:28:49,600

it's very difficult for me to put each

2176

01:28:52,629 --> 01:28:51,280

one up on the screen so i apologize

2177

01:28:55,990 --> 01:28:52,639

welcome to the show thank you for your

2178

01:28:58,950 --> 01:28:56,000

kind and generous 99 super sticker 99

2179

01:29:00,629 --> 01:28:58,960

pence i guess it's he's english

2180

01:29:02,790 --> 01:29:00,639

nice to have a friend here from over the

2181

01:29:04,550 --> 01:29:02,800

pond long time show supporter welcome to

2182

01:29:06,149 --> 01:29:04,560

the show thank you for your kindness

2183

01:29:08,310 --> 01:29:06,159

your generosity and your support of the

2184

01:29:10,550 --> 01:29:08,320

show there are people who appreciate

2185

01:29:12,790 --> 01:29:10,560

people like me who have integrity

2186

01:29:15,350 --> 01:29:12,800

hey lou from ucr why don't you try

2187

01:29:17,350 --> 01:29:15,360

having integrity right why don't you try

2188

01:29:19,189 --> 01:29:17,360

paying the people that are working for

2189

01:29:20,550 --> 01:29:19,199

you for free

2190

01:29:22,149 --> 01:29:20,560

why don't you try splitting them off

2191

01:29:24,470 --> 01:29:22,159

some of that money and stop being a

2192

01:29:26,950 --> 01:29:24,480

slime ball and just taking it all and by

2193

01:29:28,550 --> 01:29:26,960

the way lou from ucr

2194

01:29:32,070 --> 01:29:28,560

i heard that you're going to be hosting

2195

01:29:34,390 --> 01:29:32,080

the launch of that uap nft blockchain

2196

01:29:36,470 --> 01:29:34,400

thing and i've been looking into that

2197

01:29:38,709 --> 01:29:36,480

and boy you might want to reconsider

2198

01:29:40,950 --> 01:29:38,719

that [h\_\_h] because you think i've been

2199

01:29:42,790 --> 01:29:40,960

critical of you so far

2200

01:29:44,709 --> 01:29:42,800

wait till you host the launch of that

2201

01:29:47,590 --> 01:29:44,719

[h\_\_h] show

2202

01:29:50,310 --> 01:29:47,600

doesn't look good doesn't look real good

2203

01:29:52,629 --> 01:29:50,320

and maybe just maybe lou

2204

01:29:53,990 --> 01:29:52,639

from unidentified celebrity review

2205

01:29:56,149 --> 01:29:54,000

is okay

2206

01:29:57,830 --> 01:29:56,159

with not asking hard questions when

2207

01:30:00,229 --> 01:29:57,840

people like jimmy church come on his

2208

01:30:02,390 --> 01:30:00,239

show or lou elizando come on a show you

2209

01:30:04,229 --> 01:30:02,400

know people that are doing scammy [h\_\_h]

2210

01:30:06,070 --> 01:30:04,239

maybe he's okay with not asking people

2211

01:30:08,470 --> 01:30:06,080

that are doing scammy [h\_\_h] hard

2212

01:30:11,350 --> 01:30:08,480

questions because he might be up to his

2213

01:30:13,830 --> 01:30:11,360

own scammy [h\_\_\h] soon and i mean more

2214

01:30:17,669 --> 01:30:13,840

scammy than having five slaves work for

2215

01:30:19,430 --> 01:30:17,679

you that you don't pay right

2216

01:30:22,149 --> 01:30:19,440

but let's not forget

2217

01:30:24,070 --> 01:30:22,159

i'm not very funny and i and he could

2218

01:30:27,030 --> 01:30:24,080

see how i could be a felon based on my

2219

01:30:28,390 --> 01:30:27,040

behavior right that's what he said

2220

01:30:29,830 --> 01:30:28,400

well there's some people on that list i

2221

01:30:30,950 --> 01:30:29,840

could see being a felon based on their

2222

01:30:36,070 --> 01:30:30,960

behavior

2223

01:30:37,750 --> 01:30:36,080

oh i i he said something before that

2224

01:30:40,070 --> 01:30:37,760

like i yell and scream or something like

2225

01:30:42,550 --> 01:30:40,080

that and he doesn't like my delivery you

2226

01:30:44,629 --> 01:30:42,560

know uh that that's a valid criticism

2227

01:30:47,669 --> 01:30:44,639

but i'm passionate and when i see people

2228

01:30:50,709 --> 01:30:47,679

ripping people off here i get animated i

2229

01:30:53,510 --> 01:30:50,719

get pissed off and i call people out you

2230

01:30:56,149 --> 01:30:53,520

sit there like a dummy and play circle

2231

01:30:58,950 --> 01:30:56,159

jerk right you've circle jerked lou

2232

01:31:01,270 --> 01:30:58,960

elizondo for 14 hours straight you

2233

01:31:04,550 --> 01:31:01,280

circle jerk lou elizondo for so many

2234

01:31:07,910 --> 01:31:04,560

hours that your hand must hurt still to

2235

01:31:10,070 --> 01:31:07,920

this day dude so don't you start your

2236

01:31:11,990 --> 01:31:10,080

[h\_\_\h] saying that oh you don't like my

2237

01:31:13,669 --> 01:31:12,000

delivery i don't like yours i don't like

2238

01:31:17,030 --> 01:31:13,679

you sitting there like a dumbass with

2239

01:31:19,990 --> 01:31:17,040

christina gomez acting like she's great

2240

01:31:22,390 --> 01:31:20,000

and she she didn't do anything slimy her

2241

01:31:24,629 --> 01:31:22,400

co-host isn't slimy i'm not gonna ask

2242

01:31:27,110 --> 01:31:24,639

her about her slimy co-host and all the

2243

01:31:29,510 --> 01:31:27,120

slimy [h\_\_h] jimmy needs church has done

2244

01:31:32,470 --> 01:31:29,520

i'm just gonna sit here like a dummy and

2245

01:31:34,790 --> 01:31:32,480

smile and talk i'm gonna do zero

2246

01:31:36,870 --> 01:31:34,800

investigative work i'm gonna do zero

2247

01:31:38,870 --> 01:31:36,880

research on my guest in fact i'm just

2248

01:31:41,830 --> 01:31:38,880

gonna copy and paste questions from my

2249

01:31:43,590 --> 01:31:41,840

audience from from the uh from from the

2250

01:31:45,350 --> 01:31:43,600

discord an hour before i have to

2251  
01:31:47,669 --> 01:31:45,360  
interview somebody because i'm too lazy

2252  
01:31:49,750 --> 01:31:47,679  
to actually research a guest and ask you

2253  
01:31:51,270 --> 01:31:49,760  
know write down my own questions then

2254  
01:31:52,629 --> 01:31:51,280  
i'm gonna get co-hosts they can ask some

2255  
01:31:54,629 --> 01:31:52,639  
of the other questions because i'm too

2256  
01:31:58,390 --> 01:31:54,639  
lazy to do a whole interview by myself

2257  
01:32:00,629 --> 01:31:58,400  
that shit's hard lazy lou from ucr

2258  
01:32:02,310 --> 01:32:00,639  
doesn't like my delivery i i don't like

2259  
01:32:05,750 --> 01:32:02,320  
his i don't like his approach i don't

2260  
01:32:07,350 --> 01:32:05,760  
like him uh using people to succeed you

2261  
01:32:08,870 --> 01:32:07,360  
know how slimy it is to just say you

2262  
01:32:11,510 --> 01:32:08,880  
know what i'm just gonna have three to

2263  
01:32:13,030 --> 01:32:11,520

five people work for me for free

2264

01:32:15,189 --> 01:32:13,040

so that i could get ahead of my

2265

01:32:17,270 --> 01:32:15,199

competition and then he's going to give

2266

01:32:19,350 --> 01:32:17,280

people show advice right he gave rich

2267

01:32:22,470 --> 01:32:19,360

from use from a goof on a whole bunch of

2268

01:32:25,430 --> 01:32:22,480

advice and rich could be more successful

2269

01:32:27,430 --> 01:32:25,440

if he just did it lose way right i guess

2270

01:32:29,510 --> 01:32:27,440

rich rich you're gonna need a slave

2271

01:32:31,189 --> 01:32:29,520

labor force to compete equally and by

2272

01:32:33,910 --> 01:32:31,199

the way rich is only a little bit behind

2273

01:32:36,149 --> 01:32:33,920

him and granted um

2274

01:32:38,550 --> 01:32:36,159

lou from ucr has twice my subscribers

2275

01:32:40,709 --> 01:32:38,560

but he got there by cheating he cheated

2276

01:32:43,030 --> 01:32:40,719

by having a slave labor force work for

2277

01:32:45,590 --> 01:32:43,040

him for free for all this time and he

2278

01:32:48,709 --> 01:32:45,600

cheated by doing the ufo circle jerk and

2279

01:32:50,870 --> 01:32:48,719

he cheated by not asking his guests hard

2280

01:32:53,590 --> 01:32:50,880

questions he played the game

2281

01:32:55,990 --> 01:32:53,600

to win right let's just sit here let

2282

01:32:58,229 --> 01:32:56,000

these guests say anything get all these

2283

01:32:59,990 --> 01:32:58,239

you ufo celebrities on here just give

2284

01:33:02,950 --> 01:33:00,000

them all pass let them say whatever they

2285

01:33:05,270 --> 01:33:02,960

want don't do any research yeah he

2286

01:33:07,350 --> 01:33:05,280

doesn't like my delivery i i don't like

2287

01:33:09,910 --> 01:33:07,360

his lack of integrity i don't like him

2288

01:33:12,229 --> 01:33:09,920

using people to get ahead pay the people

2289

01:33:13,750 --> 01:33:12,239

that work for you you slime ball why

2290

01:33:15,510 --> 01:33:13,760

don't you get up off your ass and just

2291

01:33:17,430 --> 01:33:15,520

do the show yourself if you can't afford

2292

01:33:19,189 --> 01:33:17,440

to pay people how long are all those

2293

01:33:20,550 --> 01:33:19,199

people going to work for you for free

2294

01:33:22,470 --> 01:33:20,560

how long are you going to keep all the

2295

01:33:25,910 --> 01:33:22,480

money from your show and make people

2296

01:33:30,950 --> 01:33:28,229

patrick sheehan with a kind and generous

2297

01:33:33,110 --> 01:33:30,960

999 super chat says stay slime free

2298

01:33:35,750 --> 01:33:33,120

stephen i'm doing my very best patrick

2299

01:33:37,590 --> 01:33:35,760

and thank you a long time show supporter

2300

01:33:39,990 --> 01:33:37,600

always happy to see you patrick in the

2301

01:33:43,270 --> 01:33:40,000

live chat holding down a live chat

2302

01:33:45,910 --> 01:33:43,280

helping uh you know to uh keep things

2303

01:33:48,790 --> 01:33:45,920

going here i appreciate it immensely and

2304

01:33:50,790 --> 01:33:48,800

we have area 503 sending five dollars

2305

01:33:52,629 --> 01:33:50,800

and three cents says stephen keeping it

2306

01:33:55,270 --> 01:33:52,639

real love it dude well thank you very

2307

01:33:56,629 --> 01:33:55,280

much air and manny from area 503 and by

2308

01:33:59,189 --> 01:33:56,639

the way

2309

01:34:01,990 --> 01:33:59,199

i didn't get to um

2310

01:34:04,629 --> 01:34:02,000

to know manny until more recently but

2311

01:34:06,310 --> 01:34:04,639

i'm pretty sure that manny was also one

2312

01:34:08,629 --> 01:34:06,320

of the good alt researchers that was

2313

01:34:11,270 --> 01:34:08,639

asking the right questions you can check

2314

01:34:13,669 --> 01:34:11,280

out his film who's lou and also who's

2315

01:34:15,510 --> 01:34:13,679

ttsa

2316

01:34:17,510 --> 01:34:15,520

uh he knocked it out of the park i think

2317

01:34:20,709 --> 01:34:17,520

with both of them even though uh you

2318

01:34:24,070 --> 01:34:20,719

know what maddie lazy lou from ucr said

2319

01:34:25,910 --> 01:34:24,080

your movie was terrible right

2320

01:34:28,229 --> 01:34:25,920

you should have you should have had five

2321

01:34:30,790 --> 01:34:28,239

slaves editing it better that's what you

2322

01:34:33,270 --> 01:34:30,800

needed many from ucr you need it in

2323

01:34:35,030 --> 01:34:33,280

order to compete with lazy lou from ucr

2324

01:34:37,110 --> 01:34:35,040

that needs five slaves

2325

01:34:39,189 --> 01:34:37,120

you you needed five slaves to help you

2326

01:34:40,870 --> 01:34:39,199

edit it and put more parts in it make it

2327

01:34:42,149 --> 01:34:40,880

a little more dynamic

2328

01:34:43,430 --> 01:34:42,159

you know

2329

01:34:45,109 --> 01:34:43,440

that's what you need that's what you

2330

01:34:47,350 --> 01:34:45,119

needed to do you need to have five

2331

01:34:49,350 --> 01:34:47,360

slaves like lazy lou from ucr and then

2332

01:34:51,350 --> 01:34:49,360

your film would have been worth watching

2333

01:34:53,270 --> 01:34:51,360

according to him because you know he's

2334

01:34:54,629 --> 01:34:53,280

an actor and a comedian and he's a

2335

01:34:56,229 --> 01:34:54,639

filmmaker

2336

01:34:57,270 --> 01:34:56,239

um he was in

2337

01:35:00,629 --> 01:34:57,280

one

2338

01:35:03,189 --> 01:35:00,639

mentalist and he may have just been like

2339

01:35:04,870 --> 01:35:03,199

an extra i don't know i didn't you know

2340

01:35:06,390 --> 01:35:04,880

go look for it but i used to watch the

2341

01:35:07,430 --> 01:35:06,400

mentalist i don't remember ever seeing

2342

01:35:09,750 --> 01:35:07,440

him so

2343

01:35:11,350 --> 01:35:09,760

and and he was in some shitty movie in

2344

01:35:13,350 --> 01:35:11,360

2010

2345

01:35:15,510 --> 01:35:13,360

but he's a film critic now and he's a

2346

01:35:17,750 --> 01:35:15,520

filmmaker and a comedian and an actor

2347

01:35:20,550 --> 01:35:17,760

and he he he knows about film and your

2348

01:35:22,310 --> 01:35:20,560

film sucks manny from area 503 but thank

2349

01:35:24,550 --> 01:35:22,320

you for your kindness your generosity

2350

01:35:27,990 --> 01:35:24,560

and your support go get your slave labor

2351  
01:35:29,350 --> 01:35:28,000  
force before that next film drops right

2352  
01:35:31,510 --> 01:35:29,360  
before that next before you drop your

2353  
01:35:34,149 --> 01:35:31,520  
next film get your five slaves

2354  
01:35:36,149 --> 01:35:34,159  
three to five slaves like lou from ucr

2355  
01:35:38,470 --> 01:35:36,159  
and then you know you'll be able to

2356  
01:35:40,470 --> 01:35:38,480  
compete with him better manny you'll be

2357  
01:35:42,390 --> 01:35:40,480  
able you know you'll have a much better

2358  
01:35:43,270 --> 01:35:42,400  
product because you have the slave labor

2359  
01:35:45,430 --> 01:35:43,280  
force

2360  
01:35:47,109 --> 01:35:45,440  
doing all that hard work for you because

2361  
01:35:48,629 --> 01:35:47,119  
why should you do it yourself just be

2362  
01:35:51,030 --> 01:35:48,639  
like lazy lou

2363  
01:35:53,910 --> 01:35:51,040

right by the way manny

2364

01:35:56,629 --> 01:35:53,920

uh lou from ucr he made both of those

2365

01:35:58,629 --> 01:35:56,639

films completely and totally by himself

2366

01:36:00,229 --> 01:35:58,639

he didn't have five people helping him

2367

01:36:01,510 --> 01:36:00,239

he didn't have a slave labor force he

2368

01:36:02,550 --> 01:36:01,520

refused to pay

2369

01:36:05,030 --> 01:36:02,560

right

2370

01:36:06,470 --> 01:36:05,040

no he didn't he did it all himself so

2371

01:36:08,229 --> 01:36:06,480

you might not like his film but i

2372

01:36:09,590 --> 01:36:08,239

respect him more than i respect a slime

2373

01:36:11,990 --> 01:36:09,600

ball like you

2374

01:36:14,550 --> 01:36:12,000

right he did it all himself maybe maybe

2375

01:36:16,950 --> 01:36:14,560

he could have done many things better

2376

01:36:19,990 --> 01:36:16,960

but he did the best he could as a solo

2377

01:36:22,229 --> 01:36:20,000

act you ought to try that stop taking

2378

01:36:23,669 --> 01:36:22,239

advantage of three to five people making

2379

01:36:25,750 --> 01:36:23,679

them all work for free while you keep

2380

01:36:27,830 --> 01:36:25,760

all the money like a slime ball get up

2381

01:36:30,149 --> 01:36:27,840

off your ass and do your show yourself

2382

01:36:33,030 --> 01:36:30,159

until you can afford to pay for help

2383

01:36:34,709 --> 01:36:33,040

that's the way it's supposed to work

2384

01:36:36,149 --> 01:36:34,719

and you know no offense to the people

2385

01:36:38,550 --> 01:36:36,159

working for him for free but they're

2386

01:36:40,950 --> 01:36:38,560

stupid why would you invest all that

2387

01:36:43,189 --> 01:36:40,960

time and energy so that some slime ball

2388

01:36:45,430 --> 01:36:43,199

could keep all the money being generated

2389

01:36:47,030 --> 01:36:45,440

he's using you quit

2390

01:36:49,270 --> 01:36:47,040

he's using you

2391

01:36:51,510 --> 01:36:49,280

quit go do your own thing and keep the

2392

01:36:53,030 --> 01:36:51,520

money put your time and energy into your

2393

01:36:55,669 --> 01:36:53,040

own thing

2394

01:36:58,149 --> 01:36:55,679

do you know what it means

2395

01:37:00,310 --> 01:36:58,159

if you work for lou for from

2396

01:37:02,550 --> 01:37:00,320

unidentified celebrity review for free

2397

01:37:05,430 --> 01:37:02,560

do you know what it means

2398

01:37:08,790 --> 01:37:05,440

that he's not willing to pay you

2399

01:37:10,390 --> 01:37:08,800

he's saying that your time your energy

2400

01:37:13,350 --> 01:37:10,400

and your passion that you're

2401  
01:37:17,030 --> 01:37:13,360  
contributing to his project is worthless

2402  
01:37:18,550 --> 01:37:17,040  
to him it is worthless to him

2403  
01:37:20,390 --> 01:37:18,560  
he's telling you

2404  
01:37:22,310 --> 01:37:20,400  
you are worth exactly

2405  
01:37:23,430 --> 01:37:22,320  
what i am paying you

2406  
01:37:25,510 --> 01:37:23,440  
nothing

2407  
01:37:27,750 --> 01:37:25,520  
and that's ridiculous and it's also

2408  
01:37:31,750 --> 01:37:27,760  
ridiculous that this dumbass is going to

2409  
01:37:35,669 --> 01:37:33,830  
we all need slaves that's what that's

2410  
01:37:37,910 --> 01:37:35,679  
what we got to do to be successful hey

2411  
01:37:39,590 --> 01:37:37,920  
man i'm i'm going to get some slaves

2412  
01:37:41,510 --> 01:37:39,600  
we're taking applications email

2413  
01:37:43,189 --> 01:37:41,520

truthseeker show gmail.com i need a

2414

01:37:45,910 --> 01:37:43,199

video editor a bumper producer a

2415

01:37:47,590 --> 01:37:45,920

graphics guy a musician i need some

2416

01:37:50,470 --> 01:37:47,600

co-hosts

2417

01:37:52,310 --> 01:37:50,480

i think we may have one already and

2418

01:37:53,910 --> 01:37:52,320

but see i'm gonna do something different

2419

01:37:55,350 --> 01:37:53,920

i'm gonna be honest with my audience

2420

01:37:57,350 --> 01:37:55,360

about my sleeves i'm gonna make my

2421

01:37:59,669 --> 01:37:57,360

slaves wear like collars and chains and

2422

01:38:01,590 --> 01:37:59,679

[h\_\_h] that's what i'm gonna do so that

2423

01:38:03,510 --> 01:38:01,600

it's very obvious that i have slaves

2424

01:38:05,750 --> 01:38:03,520

working for me he tries to hide it but

2425

01:38:08,870 --> 01:38:05,760

he slipped up and admitted he keeps all

2426

01:38:09,830 --> 01:38:08,880

the money nobody else gets paid right

2427

01:38:12,790 --> 01:38:09,840

oh

2428

01:38:15,270 --> 01:38:12,800

gotta love it gotta love this slimy [h\_\_h]

2429

01:38:17,350 --> 01:38:15,280

in this community but you know what i

2430

01:38:18,550 --> 01:38:17,360

think lou from ucr is showing his true

2431

01:38:20,070 --> 01:38:18,560

colors he's hanging around with the

2432

01:38:22,709 --> 01:38:20,080

biggest slime ball

2433

01:38:25,189 --> 01:38:22,719

in the in in this entire field jimmy

2434

01:38:28,709 --> 01:38:25,199

church who by the way has platformed

2435

01:38:31,590 --> 01:38:28,719

more scammers and scuzz balls and and

2436

01:38:34,870 --> 01:38:31,600

douche bags than anybody right go look

2437

01:38:36,070 --> 01:38:34,880

at my uh report on david wilcox latest

2438

01:38:38,149 --> 01:38:36,080

live stream

2439

01:38:40,470 --> 01:38:38,159

lou from ucr

2440

01:38:43,270 --> 01:38:40,480

jimmy church is who brought us

2441

01:38:45,590 --> 01:38:43,280

promoted pumped up worked with worked

2442

01:38:48,629 --> 01:38:45,600

all these conferences with

2443

01:38:50,229 --> 01:38:48,639

david wilcock the fraud that is right

2444

01:38:51,750 --> 01:38:50,239

now telling people that the archangel

2445

01:38:53,510 --> 01:38:51,760

michael is telling him to lay in a

2446

01:38:55,030 --> 01:38:53,520

bathtub of his own piss so he can get

2447

01:38:57,109 --> 01:38:55,040

super powers

2448

01:38:58,790 --> 01:38:57,119

jimmy church brought us that guy jimmy

2449

01:39:00,149 --> 01:38:58,800

church platformed him interviewed him a

2450

01:39:02,310 --> 01:39:00,159

whole bunch of times worked with him a

2451

01:39:05,030 --> 01:39:02,320

whole bunch of times corey goode emery

2452

01:39:06,870 --> 01:39:05,040

smith all proven frauds jimmy church

2453

01:39:08,310 --> 01:39:06,880

pumped up and promoted them and jimmy

2454

01:39:11,030 --> 01:39:08,320

church comes on your show and what do

2455

01:39:13,350 --> 01:39:11,040

you do you smile and talk about some

2456

01:39:15,510 --> 01:39:13,360

[h\_\_\h] television show

2457

01:39:18,149 --> 01:39:15,520

you don't ask him about any of the slimy

2458

01:39:21,189 --> 01:39:18,159

people that he has pushed and pushed and

2459

01:39:23,750 --> 01:39:21,199

pushed into this community to profit

2460

01:39:26,229 --> 01:39:23,760

you just sit there cause you're lazy lou

2461

01:39:28,470 --> 01:39:26,239

it's awesome i'm gonna start being lazy

2462

01:39:30,870 --> 01:39:28,480

steve right i'm just gonna drink make my

2463

01:39:32,709 --> 01:39:30,880

slaves do all the [h\_\_h] for me right once

2464

01:39:35,189 --> 01:39:32,719

in a while say some [h\_\_h]

2465

01:39:37,590 --> 01:39:35,199

right i i don't understand this slimy

2466

01:39:38,790 --> 01:39:37,600

world i find myself in but this is where

2467

01:39:41,510 --> 01:39:38,800

we're at and this is where we find

2468

01:39:44,070 --> 01:39:41,520

ourselves i want to thank manny and uh

2469

01:39:45,430 --> 01:39:44,080

patrick and uh welcome to the show and

2470

01:39:47,590 --> 01:39:45,440

all the other kind of generous

2471

01:39:49,510 --> 01:39:47,600

benefactors and supporters

2472

01:39:55,430 --> 01:39:49,520

we appreciate you helping us praise the

2473

01:40:03,669 --> 01:40:01,430

[Music]

2474

01:40:05,510 --> 01:40:03,679

did you see that lazy lou from uh

2475

01:40:07,990 --> 01:40:05,520

unidentified celebrity review that's a

2476

01:40:10,870 --> 01:40:08,000

five-year-old my five-year-old that

2477

01:40:12,070 --> 01:40:10,880

works for me now i could be a slime ball

2478

01:40:14,629 --> 01:40:12,080

and just tell them you're gonna work for

2479

01:40:16,870 --> 01:40:14,639

free you you eat don't you right i could

2480

01:40:18,870 --> 01:40:16,880

do that i could say you know what you

2481

01:40:20,629 --> 01:40:18,880

eat and you got a bedroom and there's a

2482

01:40:23,109 --> 01:40:20,639

roof over your head get in that clown

2483

01:40:25,109 --> 01:40:23,119

suit no i'm teaching my son about the

2484

01:40:27,350 --> 01:40:25,119

value of money and the value of work and

2485

01:40:29,669 --> 01:40:27,360

how you have to work for things i even

2486

01:40:31,750 --> 01:40:29,679

pay a five-year-old on my show dude you

2487

01:40:33,590 --> 01:40:31,760

don't pay grown adults and i'm here

2488

01:40:34,950 --> 01:40:33,600

paying a five-year-old maybe that's what

2489

01:40:37,109 --> 01:40:34,960

i'm doing wrong

2490

01:40:39,350 --> 01:40:37,119

forget that five-year-old i'm gonna tell

2491

01:40:41,109 --> 01:40:39,360

him later he's he's gonna be one of the

2492

01:40:43,510 --> 01:40:41,119

new slaves i'm not paying him [h\_\_h] no

2493

01:40:44,870 --> 01:40:43,520

more because lazy lou from unidentified

2494

01:40:46,870 --> 01:40:44,880

celebrity review gets away with not

2495

01:40:48,470 --> 01:40:46,880

paying anybody i should too

2496

01:40:50,149 --> 01:40:48,480

all right we've gone off on quite a

2497

01:40:52,070 --> 01:40:50,159

tangent here but you know what sometimes

2498

01:40:53,990 --> 01:40:52,080

it's good to get things off your chest

2499

01:40:55,910 --> 01:40:54,000

it really is sometimes good to get

2500

01:41:02,950 --> 01:40:55,920

things off your chest

2501

01:41:07,270 --> 01:41:05,350

maybe not all right i'm gonna do i'm

2502

01:41:10,310 --> 01:41:07,280

gonna do something real quick here

2503

01:41:12,149 --> 01:41:10,320

just to make sure i don't miss anybody

2504

01:41:13,350 --> 01:41:12,159

by the way uh there's a few ways you can

2505

01:41:15,270 --> 01:41:13,360

support our show and one of the best

2506

01:41:19,830 --> 01:41:15,280

ways is to just throw money at us we

2507

01:41:22,070 --> 01:41:19,840

love that here uh very very much

2508

01:41:25,109 --> 01:41:22,080

and there's instructions you can do a

2509

01:41:27,910 --> 01:41:25,119

paypal donation uh and the instructions

2510

01:41:31,590 --> 01:41:27,920

to do that are in the in the description

2511

01:41:36,390 --> 01:41:33,830

yeah and

2512

01:41:38,709 --> 01:41:36,400

impersonator some seminium let me see if

2513

01:41:41,590 --> 01:41:38,719

i can find that i couldn't find that

2514

01:41:48,550 --> 01:41:41,600

i could not find it for some reason

2515

01:41:51,590 --> 01:41:50,229

so weird

2516

01:41:57,510 --> 01:41:51,600

you know what i'm just gonna put oh

2517

01:42:02,149 --> 01:42:00,470

in perster siminium bgn

2518

01:42:04,470 --> 01:42:02,159

kinda generous 10

2519

01:42:05,750 --> 01:42:04,480

super chat no message

2520

01:42:07,430 --> 01:42:05,760

well thank you for your kindness your

2521

01:42:12,800 --> 01:42:07,440

generosity and your support of the show

2522

01:42:27,189 --> 01:42:24,709

[Music]

2523

01:42:30,149 --> 01:42:27,199

thank you very very much

2524

01:42:31,350 --> 01:42:30,159

okay so uh look i i i kind of feel like

2525

01:42:33,350 --> 01:42:31,360

i accomplished what i wanted to

2526

01:42:35,830 --> 01:42:33,360

accomplish mostly which was to remind

2527

01:42:37,189 --> 01:42:35,840

people that there are some scummy ass

2528

01:42:39,830 --> 01:42:37,199

people

2529

01:42:41,350 --> 01:42:39,840

in this so-called ufo community i love

2530

01:42:44,310 --> 01:42:41,360

how people call it a community it's not

2531

01:42:46,709 --> 01:42:44,320

a community there's a big club of people

2532

01:42:50,149 --> 01:42:46,719

that are lying cheating and stealing

2533

01:42:51,830 --> 01:42:50,159

from people here to make money and we've

2534

01:42:54,070 --> 01:42:51,840

talked about some of them i mean we've

2535

01:42:55,510 --> 01:42:54,080

got literally you got show hosts using

2536

01:42:57,189 --> 01:42:55,520

slave labor

2537

01:42:59,669 --> 01:42:57,199

and [h\_\_h] people

2538

01:43:01,669 --> 01:42:59,679

and you know not paying people so that

2539

01:43:04,709 --> 01:43:01,679

they can keep all the money that is

2540

01:43:05,990 --> 01:43:04,719

slimy as [\h\_\_\h] we've got jimmy church i

2541

01:43:08,149 --> 01:43:06,000

don't even want to get started on jimmy

2542

01:43:09,750 --> 01:43:08,159

church and all the slimy [\h\_\_\h] he does we

2543

01:43:12,149 --> 01:43:09,760

had richard dolan interviewing a dead

2544

01:43:14,070 --> 01:43:12,159

man we had linda molten hale selling

2545

01:43:16,629 --> 01:43:14,080

people a video game cover claiming it

2546

01:43:18,550 --> 01:43:16,639

was a genuine gray alien picture taken

2547

01:43:21,590 --> 01:43:18,560

on the moon and more

2548

01:43:23,910 --> 01:43:21,600

the slimy [\h\_\_\h] in this

2549

01:43:27,430 --> 01:43:23,920

it's not a community there's a big club

2550

01:43:28,390 --> 01:43:27,440

of scammy slimy people and they

2551

01:43:30,709 --> 01:43:28,400

they

2552

01:43:34,790 --> 01:43:30,719

all it's a big club and i ain't in that

2553

01:43:36,709 --> 01:43:34,800

club right i am not in that club

2554

01:43:38,470 --> 01:43:36,719

it's unfortunate but

2555

01:43:40,550 --> 01:43:38,480

that's the truth and that's the truth

2556

01:43:41,910 --> 01:43:40,560

that nobody will uh

2557

01:43:43,750 --> 01:43:41,920

will well

2558

01:43:45,910 --> 01:43:43,760

we'll tell you about

2559

01:43:48,709 --> 01:43:45,920

impersonator seminum see our recent

2560

01:43:50,149 --> 01:43:48,719

video uh we did a whole breakdown david

2561

01:43:52,310 --> 01:43:50,159

wilcock claims that the archangel

2562

01:43:54,550 --> 01:43:52,320

michael told him that he has to lay in a

2563

01:43:56,229 --> 01:43:54,560

bathtub and piss in it and and put

2564

01:44:04,149 --> 01:43:56,239

lavender oil in it or something and then

2565

01:44:09,189 --> 01:44:07,669

oh complicated i i apologize again

2566

01:44:11,109 --> 01:44:09,199

actually let me see if it'll let me let

2567

01:44:13,430 --> 01:44:11,119

me see if it'll let me hold on one

2568

01:44:14,950 --> 01:44:13,440

second i i apologize to the paypal

2569

01:44:20,149 --> 01:44:14,960

donators let me see if like we could do

2570

01:44:25,590 --> 01:44:22,550

i'm on a new device so sometimes it like

2571

01:44:25,600 --> 01:44:29,669

oh wait a minute

2572

01:44:34,629 --> 01:44:31,510

oh yeah it's gonna let me great great

2573

01:44:38,950 --> 01:44:34,639

we'll call out the paypal right now oh

2574

01:44:43,830 --> 01:44:40,709

okay

2575

01:44:46,830 --> 01:44:43,840

wow look at this lots and lots of uh

2576

01:44:49,430 --> 01:44:46,840

very generous people we have richard

2577

01:44:51,350 --> 01:44:49,440

richard who says thank you for

2578

01:44:53,350 --> 01:44:51,360

entertaining me me with your work

2579

01:44:54,950 --> 01:44:53,360

especially over these past four days i

2580

01:44:57,669 --> 01:44:54,960

did a deep dive on your channel why i

2581

01:44:59,910 --> 01:44:57,679

laid in bed with covid laugh out loud

2582

01:45:01,270 --> 01:44:59,920

well richard get some rest rockstar i'm

2583

01:45:02,950 --> 01:45:01,280

sorry to hear that you came down with

2584

01:45:05,270 --> 01:45:02,960

the dreaded virus

2585

01:45:07,510 --> 01:45:05,280

but i hope that you got the mild one and

2586

01:45:08,470 --> 01:45:07,520

you are feeling much much better

2587

01:45:10,310 --> 01:45:08,480

right

2588

01:45:11,910 --> 01:45:10,320

and i'm glad that you could find us i

2589

01:45:13,910 --> 01:45:11,920

love finding a channel that i really

2590

01:45:15,430 --> 01:45:13,920

like when i have time to veg i hope you

2591

01:45:17,750 --> 01:45:15,440

had time to

2592

01:45:19,750 --> 01:45:17,760

really have a good time i'm i'm glad to

2593

01:45:21,669 --> 01:45:19,760

have that back catalog there for people

2594

01:45:22,870 --> 01:45:21,679

in your situation

2595

01:45:24,709 --> 01:45:22,880

and thank you for your kindness your

2596

01:45:26,870 --> 01:45:24,719

generosity and your support with a kind

2597

01:45:28,870 --> 01:45:26,880

and generous twenty dollar pledge

2598

01:45:31,030 --> 01:45:28,880

we've got dorothy hawkins with a kind

2599

01:45:33,430 --> 01:45:31,040

and generous two dollar pledge

2600

01:45:35,669 --> 01:45:33,440

says uh dorothy says i don't know why

2601

01:45:37,270 --> 01:45:35,679

but super chats don't work well they

2602

01:45:39,030 --> 01:45:37,280

work for most people so i'm not quite

2603

01:45:40,950 --> 01:45:39,040

sure what happened and we have comp

2604

01:45:42,550 --> 01:45:40,960

lizard with a kind of generous twenty

2605

01:45:44,550 --> 01:45:42,560

dollars who says hey stephen you should

2606

01:45:48,790 --> 01:45:44,560

get dark journalist plus alien scientist

2607

01:45:50,709 --> 01:45:48,800

plus goofon on one xxi episode take this

2608

01:45:53,030 --> 01:45:50,719

twenty dollars for beers and one buck

2609

01:45:55,109 --> 01:45:53,040

for lou alzate's book because that's

2610

01:45:57,750 --> 01:45:55,119

about all it's gonna be worth trash

2611

01:46:01,270 --> 01:45:57,760

retrieval and lying saucers thank you

2612

01:46:03,669 --> 01:46:01,280

complicare um long time show supporter

2613

01:46:06,870 --> 01:46:03,679

boy he's been there with me for years

2614

01:46:09,030 --> 01:46:06,880

since the midnight hour glad to see you

2615

01:46:10,790 --> 01:46:09,040

uh here in the live chat glad to have

2616

01:46:12,790 --> 01:46:10,800

your support and

2617

01:46:14,070 --> 01:46:12,800

i decided something too going forward

2618

01:46:16,550 --> 01:46:14,080

i'm going to call when somebody sends

2619

01:46:18,550 --> 01:46:16,560

some money our way pledges

2620

01:46:21,109 --> 01:46:18,560

it doesn't feel right to say donation

2621

01:46:23,109 --> 01:46:21,119

we're not a church i'm not a charity i

2622

01:46:24,709 --> 01:46:23,119

pay taxes on the money

2623

01:46:26,629 --> 01:46:24,719

so we're going to say pledges going

2624

01:46:28,470 --> 01:46:26,639

forward or super chats

2625

01:46:30,950 --> 01:46:28,480

uh and i want to thank all you kind of

2626

01:46:33,830 --> 01:46:30,960

generous patreon supporters as well

2627

01:46:35,109 --> 01:46:33,840

uh we uh the outpouring of support is

2628

01:46:37,510 --> 01:46:35,119

great you know every once while i'm

2629

01:46:39,669 --> 01:46:37,520

feeling down going there's another show

2630

01:46:41,189 --> 01:46:39,679

host that has slave labor that i'm i'm

2631

01:46:43,990 --> 01:46:41,199

supposed to compete with a guy that's

2632

01:46:46,229 --> 01:46:44,000

got five slaves that ain't fair and i

2633

01:46:48,310 --> 01:46:46,239

can't afford to pay five people so i

2634

01:46:49,910 --> 01:46:48,320

just do it myself for the most part you

2635

01:46:51,430 --> 01:46:49,920

know my son helps me

2636

01:46:53,270 --> 01:46:51,440

occasionally somebody will send in

2637

01:46:54,870 --> 01:46:53,280

something that i would consider like fan

2638

01:46:57,350 --> 01:46:54,880

art and we play it

2639

01:46:59,510 --> 01:46:57,360

um william for example doing those ufos

2640

01:47:01,510 --> 01:46:59,520

got talent um you know i'm gonna have to

2641

01:47:02,550 --> 01:47:01,520

send him some paypal to keep him doing

2642

01:47:05,030 --> 01:47:02,560

that

2643

01:47:06,950 --> 01:47:05,040

and i so i get discouraged sometimes and

2644

01:47:08,390 --> 01:47:06,960

then and then uh

2645

01:47:10,470 --> 01:47:08,400

i look at this

2646

01:47:12,709 --> 01:47:10,480

outpouring of generosity and support and

2647

01:47:14,229 --> 01:47:12,719

how everybody wants me to continue doing

2648

01:47:16,950 --> 01:47:14,239

this and by the way

2649

01:47:19,430 --> 01:47:16,960

uh oh richard richard became a patron

2650

01:47:21,510 --> 01:47:19,440

tonight congratulations new patron

2651  
01:47:23,750 --> 01:47:21,520  
member and there's another thing that

2652  
01:47:25,189 --> 01:47:23,760  
everybody can do you can now become a

2653  
01:47:26,390 --> 01:47:25,199  
member and listen you're going to have

2654  
01:47:27,510 --> 01:47:26,400  
to you guys are going to have to give me

2655  
01:47:31,750 --> 01:47:27,520  
this month

2656  
01:47:32,870 --> 01:47:31,760  
my best we're trying to integrate

2657  
01:47:34,550 --> 01:47:32,880  
the

2658  
01:47:36,870 --> 01:47:34,560  
i think i figured out how to do it but

2659  
01:47:40,790 --> 01:47:36,880  
we're trying to integrate the

2660  
01:47:42,629 --> 01:47:40,800  
uh the members with the paypal benefits

2661  
01:47:45,189 --> 01:47:42,639  
uh and as soon as i get it figured out

2662  
01:47:47,669 --> 01:47:45,199  
uh there'll be there's a members section

2663  
01:47:50,709 --> 01:47:47,679

here and you guys can sign up for as

2664

01:47:52,790 --> 01:47:50,719

little as or for five dollars a month

2665

01:47:54,950 --> 01:47:52,800

and you become a member

2666

01:47:56,709 --> 01:47:54,960

and once you're a member you also get

2667

01:47:57,910 --> 01:47:56,719

the paypal uh

2668

01:48:00,070 --> 01:47:57,920

the paypal

2669

01:48:01,669 --> 01:48:00,080

benefits so i want to give a shout out

2670

01:48:03,510 --> 01:48:01,679

to all our channel members carolyn

2671

01:48:05,030 --> 01:48:03,520

barnett is appraised the cash member

2672

01:48:07,030 --> 01:48:05,040

andy carter has appraised the cash

2673

01:48:09,430 --> 01:48:07,040

member fraps app is the praise the cash

2674

01:48:10,390 --> 01:48:09,440

member annie kurtz is appraised the cash

2675

01:48:13,109 --> 01:48:10,400

member

2676

01:48:17,510 --> 01:48:15,270

baba williamson is appraised to cash

2677

01:48:18,950 --> 01:48:17,520

member gary arnold is appraised the cash

2678

01:48:21,669 --> 01:48:18,960

member

2679

01:48:24,229 --> 01:48:21,679

oh this one's a tough one

2680

01:48:25,990 --> 01:48:24,239

fern ambulax is appraised to cash member

2681

01:48:28,149 --> 01:48:26,000

reload reload is appraised the cash

2682

01:48:30,229 --> 01:48:28,159

member and sidvich is appraised to cash

2683

01:48:32,390 --> 01:48:30,239

member thanks to all of our kind and

2684

01:48:34,070 --> 01:48:32,400

generous members that became a member

2685

01:48:37,430 --> 01:48:34,080

for five dollars a month to our channel

2686

01:48:39,350 --> 01:48:37,440

here i've just figured it out so now

2687

01:48:41,669 --> 01:48:39,360

this is what happens paypal is a dollar

2688

01:48:44,070 --> 01:48:41,679

or more a month don't sign up for both

2689

01:48:45,990 --> 01:48:44,080

be one or the other if you're feeling

2690

01:48:47,830 --> 01:48:46,000

generous become a member because if you

2691

01:48:49,669 --> 01:48:47,840

remember i'm going to post all the

2692

01:48:51,830 --> 01:48:49,679

paypal

2693

01:48:54,149 --> 01:48:51,840

videos and donation or

2694

01:48:55,669 --> 01:48:54,159

benefits to the members section of our

2695

01:48:56,709 --> 01:48:55,679

channel here that only members will get

2696

01:49:00,950 --> 01:48:56,719

to see

2697

01:49:06,070 --> 01:49:03,270

ha ha solar marshall says goofing i hope

2698

01:49:09,109 --> 01:49:06,080

you tell lou the slob off next time why

2699

01:49:13,030 --> 01:49:09,119

didn't you i have no idea oh no

2700

01:49:15,030 --> 01:49:13,040

let's let's try to refrain from uh

2701

01:49:17,910 --> 01:49:15,040

well i called him lazy lou so you call

2702

01:49:20,550 --> 01:49:17,920

him a slob is not much worse right lazy

2703

01:49:21,510 --> 01:49:20,560

lazy slob lou maybe i don't know

2704

01:49:25,189 --> 01:49:21,520

you know

2705

01:49:27,109 --> 01:49:25,199

i yeah and then and in total

2706

01:49:29,990 --> 01:49:27,119

transparency i was very pissed off at

2707

01:49:32,390 --> 01:49:30,000

that guy for releasing that list because

2708

01:49:34,790 --> 01:49:32,400

i literally had a family member

2709

01:49:37,030 --> 01:49:34,800

you know who's into conspiracies

2710

01:49:38,310 --> 01:49:37,040

he saw that and called me and wanted to

2711

01:49:40,550 --> 01:49:38,320

know if i

2712

01:49:42,390 --> 01:49:40,560

got arrested or something and didn't

2713

01:49:44,470 --> 01:49:42,400

tell him and all these people are

2714

01:49:45,750 --> 01:49:44,480

messaging me asking me if i'm a felon

2715

01:49:47,510 --> 01:49:45,760

right

2716

01:49:49,510 --> 01:49:47,520

uh

2717

01:49:50,950 --> 01:49:49,520

it just doesn't make any sense it makes

2718

01:49:52,790 --> 01:49:50,960

no sense to me that he would release

2719

01:49:55,430 --> 01:49:52,800

that list with my name on it that talks

2720

01:49:57,510 --> 01:49:55,440

about felons and not redact my name if i

2721

01:49:59,910 --> 01:49:57,520

was not one of the felons but he put it

2722

01:50:02,550 --> 01:49:59,920

out there thanks lazy lou

2723

01:50:04,629 --> 01:50:02,560

i really appreciate that so maybe uh

2724

01:50:05,990 --> 01:50:04,639

getting the business from me you earned

2725

01:50:07,910 --> 01:50:06,000

it right

2726

01:50:09,990 --> 01:50:07,920

but i'm kind of over it i forgive him

2727

01:50:11,750 --> 01:50:10,000

for that i don't forgive him for having

2728

01:50:13,669 --> 01:50:11,760

slaves work for him for free i think

2729

01:50:15,109 --> 01:50:13,679

that's slimy as [h\_\_\h]

2730

01:50:16,550 --> 01:50:15,119

and actually it's not up to me to

2731

01:50:18,709 --> 01:50:16,560

forgive him for that it's up to the

2732

01:50:20,470 --> 01:50:18,719

people that he's using and abusing to

2733

01:50:21,350 --> 01:50:20,480

forgive him for that

2734

01:50:25,189 --> 01:50:21,360

so

2735

01:50:26,870 --> 01:50:25,199

that's all i got for you friends um

2736

01:50:27,990 --> 01:50:26,880

solar marshall's still talking about lu

2737

01:50:29,830 --> 01:50:28,000

the slob

2738

01:50:32,070 --> 01:50:29,840

all right i'm going to bounce on out of

2739

01:50:34,390 --> 01:50:32,080

here friends listen what can i say

2740

01:50:37,589 --> 01:50:34,400

uh also i want to just remind everybody

2741

01:50:39,030 --> 01:50:37,599

that the new show schedule is as follows

2742

01:50:40,870 --> 01:50:39,040

everybody's telling me i have to have a

2743

01:50:42,950 --> 01:50:40,880

schedule i have to be consistent and

2744

01:50:44,310 --> 01:50:42,960

they're right when i've consistently

2745

01:50:46,070 --> 01:50:44,320

done shows at the same time and

2746

01:50:48,149 --> 01:50:46,080

everybody knows what the schedule is the

2747

01:50:50,229 --> 01:50:48,159

views are much much higher and we do

2748

01:50:53,189 --> 01:50:50,239

better so i'm going to try my very best

2749

01:50:55,270 --> 01:50:53,199

to do that and that means uh that there

2750

01:50:57,830 --> 01:50:55,280

will be shows

2751  
01:51:00,310 --> 01:50:57,840  
tuesday wednesday and thursday night at

2752  
01:51:02,390 --> 01:51:00,320  
9 00 pm that's three shows a week now

2753  
01:51:04,470 --> 01:51:02,400  
there's a caveat to that i will also be

2754  
01:51:07,589 --> 01:51:04,480  
releasing some premiere videos some

2755  
01:51:08,550 --> 01:51:07,599  
midnight hour show classic episodes and

2756  
01:51:10,550 --> 01:51:08,560  
also

2757  
01:51:13,109 --> 01:51:10,560  
um i will be

2758  
01:51:15,589 --> 01:51:13,119  
possibly doing additional live shows but

2759  
01:51:17,830 --> 01:51:15,599  
my commitment is at least three shows

2760  
01:51:19,350 --> 01:51:17,840  
now monday's tough for me just get back

2761  
01:51:20,629 --> 01:51:19,360  
from the cabin and all that stuff but if

2762  
01:51:22,870 --> 01:51:20,639  
i'm feeling up to it and i have

2763  
01:51:25,510 --> 01:51:22,880

something good to share with you i'll do

2764

01:51:28,229 --> 01:51:25,520

a show monday at 9 00 p.m my point is

2765

01:51:31,350 --> 01:51:28,239

during the week 9 p.m weekends i have no

2766

01:51:33,510 --> 01:51:31,360

idea but i i will try to be do at least

2767

01:51:35,350 --> 01:51:33,520

three shows i'm committing i will do at

2768

01:51:37,270 --> 01:51:35,360

least three shows maybe more and there

2769

01:51:39,990 --> 01:51:37,280

will be some other stuff thrown in every

2770

01:51:43,430 --> 01:51:40,000

week to sort of round out things

2771

01:51:44,229 --> 01:51:43,440

so that's what i got for you for tonight

2772

01:51:51,109 --> 01:51:44,239

uh

2773

01:51:53,270 --> 01:51:51,119

bald and manny area 503 rich from goof

2774

01:51:55,750 --> 01:51:53,280

on maybe cal korff walter bosley and a

2775

01:51:59,189 --> 01:51:55,760

few other people members of the alt

2776

01:52:00,070 --> 01:51:59,199

media who were not fooled by this

2777

01:52:02,229 --> 01:52:00,080

up

2778

01:52:04,709 --> 01:52:02,239

by this counterintelligence clown lou

2779

01:52:07,589 --> 01:52:04,719

elizondo that did ask the right question

2780

01:52:09,669 --> 01:52:07,599

even if they had to you know pay a price

2781

01:52:11,990 --> 01:52:09,679

for asking those questions instead of

2782

01:52:14,390 --> 01:52:12,000

profiting like everybody else right how

2783

01:52:16,629 --> 01:52:14,400

much did lou from ucr profit from

2784

01:52:19,030 --> 01:52:16,639

elizondo we should go through i should

2785

01:52:21,109 --> 01:52:19,040

go through and add up all of his uh

2786

01:52:23,109 --> 01:52:21,119

all of his views and see how much money

2787

01:52:25,270 --> 01:52:23,119

he made interviewing softball

2788

01:52:27,990 --> 01:52:25,280

interviewing licking the [h\_\_h] of

2789

01:52:29,990 --> 01:52:28,000

louisando seven times we know for a fact

2790

01:52:31,910 --> 01:52:30,000

that he got 2500 subs one of those

2791

01:52:33,830 --> 01:52:31,920

months a quarter of his subs came from

2792

01:52:36,950 --> 01:52:33,840

one of those times months that he

2793

01:52:39,589 --> 01:52:36,960

interviewed lou elizondo must be nice to

2794

01:52:41,510 --> 01:52:39,599

just get 20 that's hit that must be nice

2795

01:52:43,990 --> 01:52:41,520

man must be nice that's why i call him

2796

01:52:45,990 --> 01:52:44,000

lazy lou because why work for your subs

2797

01:52:47,910 --> 01:52:46,000

if lou elizondo can just hand them to

2798

01:52:49,430 --> 01:52:47,920

you or jimmy church can just hand them

2799

01:52:51,589 --> 01:52:49,440

to you kind of like jimmy church handed

2800

01:52:55,189 --> 01:52:51,599

those all those subs to uh christina

2801

01:52:58,070 --> 01:52:55,199

gomez your buddy right

2802

01:53:01,109 --> 01:52:58,080

yeah i'm i'm trying to stay on i'm

2803

01:53:03,430 --> 01:53:01,119

trying to not be disgusted by all this

2804

01:53:05,990 --> 01:53:03,440

right i'm trying to just laugh at it

2805

01:53:07,510 --> 01:53:06,000

because it's it's it really is funny

2806

01:53:09,510 --> 01:53:07,520

that the lengths that some of these

2807

01:53:11,750 --> 01:53:09,520

people are willing to go to the slime

2808

01:53:13,270 --> 01:53:11,760

ball nature of some of this stuff it's

2809

01:53:19,430 --> 01:53:13,280

just

2810

01:53:19,440 --> 01:53:25,109

all right

2811

01:53:25,119 --> 01:53:35,109

trying to find my outro bumper

2812

01:53:35,119 --> 01:53:37,830

no idea

2813

01:53:44,790 --> 01:53:39,189

geez i hope i didn't delete it by

2814

01:53:49,030 --> 01:53:45,990

there we go

2815

01:53:52,149 --> 01:53:49,040

all right so that's all i got for you

2816

01:53:54,070 --> 01:53:52,159

listen i'm going to the cabin tomorrow

2817

01:53:55,910 --> 01:53:54,080

depending on how things go there i may

2818

01:53:58,229 --> 01:53:55,920

do a stream sometime during the weekend

2819

01:53:59,589 --> 01:53:58,239

from the cabin if not i will see you

2820

01:54:01,030 --> 01:53:59,599

guys next week

2821

01:54:03,270 --> 01:54:01,040

until next time friends my name is

2822

01:54:07,750 --> 01:54:03,280

steven cambion good night and god bless

2823

01:54:56,310 --> 01:54:27,270

[Music]

2824

01:54:56,320 --> 01:55:02,370

so

2825

01:55:26,730 --> 01:55:23,510

[Music]

2826

01:56:12,190 --> 01:55:28,100

[Applause]
