

# REVISITING ROSWELL

WITH SPECIAL GUEST MICHAEL SCHRATT

1  
00:00:35,350 --> 00:00:25,430

[Music]

2  
00:00:35,360 --> 00:00:39,950

[Applause]

3  
00:01:54,950 --> 00:01:29,300

[Music]

4  
00:01:59,350 --> 00:01:57,590  
greetings and salutations friends and

5  
00:02:02,550 --> 00:01:59,360  
welcome back

6  
00:02:05,109 --> 00:02:02,560  
we tonight are going to finish a

7  
00:02:08,869 --> 00:02:05,119  
long-standing research project of mine

8  
00:02:11,190 --> 00:02:08,879  
for those unaware some time ago i began

9  
00:02:13,750 --> 00:02:11,200  
to gather the world's leading experts

10  
00:02:16,070 --> 00:02:13,760  
authors and researchers into what i

11  
00:02:18,790 --> 00:02:16,080  
believe is one of the greatest mysteries

12  
00:02:19,910 --> 00:02:18,800  
on planet earth and that is the roswell

13  
00:02:22,710 --> 00:02:19,920

mysteries

14

00:02:25,990 --> 00:02:22,720

mystery we are coming up right now on

15

00:02:28,150 --> 00:02:26,000

the 75th anniversary in july of the

16

00:02:31,110 --> 00:02:28,160

roswell event

17

00:02:32,790 --> 00:02:31,120

ahead of that anniversary i thought

18

00:02:35,430 --> 00:02:32,800

i would gather all of the world's

19

00:02:36,949 --> 00:02:35,440

leading experts authors researchers

20

00:02:39,750 --> 00:02:36,959

people who have really spent a great

21

00:02:41,030 --> 00:02:39,760

deal of time investigating the roswell

22

00:02:47,910 --> 00:02:41,040

mystery

23

00:02:50,710 --> 00:02:47,920

and it is one of the greatest mysteries

24

00:02:53,350 --> 00:02:50,720

on earth there is so much information to

25

00:02:55,430 --> 00:02:53,360

digest before you make up your mind and

26

00:02:57,270 --> 00:02:55,440

i thought i would bring together

27

00:02:59,670 --> 00:02:57,280

all the world's leading experts authors

28

00:03:01,589 --> 00:02:59,680

and researchers and then on the 75th

29

00:03:04,229 --> 00:03:01,599

anniversary for those underwear we are

30

00:03:06,309 --> 00:03:04,239

going to broadcast the entire series in

31

00:03:07,990 --> 00:03:06,319

its entirety every

32

00:03:09,990 --> 00:03:08,000

author researcher that i have

33

00:03:11,990 --> 00:03:10,000

interviewed every bit of roswell

34

00:03:13,350 --> 00:03:12,000

information that i can pack into that

35

00:03:15,750 --> 00:03:13,360

deep dive

36

00:03:18,309 --> 00:03:15,760

will be broadcast on the 75th

37

00:03:20,149 --> 00:03:18,319

anniversary of roswell now there is one

38

00:03:22,070 --> 00:03:20,159

person on my list that i have never been

39

00:03:25,750 --> 00:03:22,080

able to get to he's one of my favorite

40

00:03:29,190 --> 00:03:25,760

researchers he's a an author a ufo an

41

00:03:31,350 --> 00:03:29,200

aircraft historian lecturer and more

42

00:03:33,430 --> 00:03:31,360

but i knew that he had some additional

43

00:03:35,350 --> 00:03:33,440

information maybe information that none

44

00:03:37,350 --> 00:03:35,360

of us have heard before

45

00:03:39,190 --> 00:03:37,360

and i have never heard him

46

00:03:41,750 --> 00:03:39,200

speak i've heard him speak about roswell

47

00:03:43,589 --> 00:03:41,760

but it's usually part of a larger

48

00:03:45,430 --> 00:03:43,599

interview you know he'll he'll discuss

49

00:03:48,550 --> 00:03:45,440

roswell for 20 minutes and then move on

50

00:03:50,390 --> 00:03:48,560

to another topic so tonight we have

51  
00:03:53,589 --> 00:03:50,400  
michael schratt one of my favorite

52  
00:03:55,990 --> 00:03:53,599  
researchers here to help us wrap up

53  
00:03:58,789 --> 00:03:56,000  
uh this incredible series let's bring

54  
00:04:00,869 --> 00:03:58,799  
him in here michael schratt welcome hi

55  
00:04:03,670 --> 00:04:00,879  
stephen how are you doing the rock star

56  
00:04:04,550 --> 00:04:03,680  
of ufology michael schratt

57  
00:04:06,390 --> 00:04:04,560  
yeah

58  
00:04:08,470 --> 00:04:06,400  
good to have you here and and i want to

59  
00:04:10,630 --> 00:04:08,480  
thank you personally i've reached out to

60  
00:04:13,030 --> 00:04:10,640  
michael and i said i can't

61  
00:04:15,270 --> 00:04:13,040  
in good conscience i can't finish this

62  
00:04:17,909 --> 00:04:15,280  
series without including michael's

63  
00:04:19,749 --> 00:04:17,919

thoughts on roswell and really digging

64

00:04:21,189 --> 00:04:19,759

you know i want to dig into his brain on

65

00:04:24,070 --> 00:04:21,199

this thing and see

66

00:04:26,790 --> 00:04:24,080

what he thinks so michael what what do

67

00:04:28,950 --> 00:04:26,800

you think let's start there well stephen

68

00:04:31,909 --> 00:04:28,960

thank you very much uh i really like the

69

00:04:34,870 --> 00:04:31,919

work you do i really do you know you put

70

00:04:35,990 --> 00:04:34,880

some humor into it you you put education

71

00:04:37,830 --> 00:04:36,000

into it and

72

00:04:38,870 --> 00:04:37,840

i really get a lot out of your videos i

73

00:04:40,950 --> 00:04:38,880

really do

74

00:04:42,710 --> 00:04:40,960

well thanks i ditto to you i i you're

75

00:04:44,390 --> 00:04:42,720

one of my favorite researchers people

76  
00:04:46,629 --> 00:04:44,400  
ask me all the time what researchers do

77  
00:04:48,550 --> 00:04:46,639  
i trust i can count them on one hand

78  
00:04:52,550 --> 00:04:48,560  
this one's michael

79  
00:04:54,629 --> 00:04:52,560  
hand that i can count on researchers

80  
00:04:57,030 --> 00:04:54,639  
that i trust and think are providing

81  
00:04:59,189 --> 00:04:57,040  
accurate information

82  
00:05:02,150 --> 00:04:59,199  
so i thought what we would do today is i

83  
00:05:03,510 --> 00:05:02,160  
want to try to present the roswell case

84  
00:05:07,110 --> 00:05:03,520  
the best way

85  
00:05:09,430 --> 00:05:07,120  
i know how as is as presented by the

86  
00:05:11,590 --> 00:05:09,440  
researchers by the the reference words

87  
00:05:13,029 --> 00:05:11,600  
we're just going to run through the case

88  
00:05:16,870 --> 00:05:13,039

and we're going to present it kind of

89

00:05:18,469 --> 00:05:16,880

word for word as is and then later on

90

00:05:21,510 --> 00:05:18,479

when we're done i kind of want to

91

00:05:23,670 --> 00:05:21,520

provide a counterpoint and the reason

92

00:05:25,670 --> 00:05:23,680

why i want to do that is

93

00:05:29,029 --> 00:05:25,680

being a researcher

94

00:05:29,909 --> 00:05:29,039

it is our job it is our mandate

95

00:05:36,150 --> 00:05:29,919

to

96

00:05:37,350 --> 00:05:36,160

bandwagon a particular narrative so we

97

00:05:40,390 --> 00:05:37,360

have to be

98

00:05:43,270 --> 00:05:40,400

non-biased and neutral that's our job

99

00:05:46,950 --> 00:05:43,280

and in some cases if the truth is

100

00:05:50,469 --> 00:05:46,960

unpopular or it's inconvenient we still

101  
00:05:52,390 --> 00:05:50,479  
have to go down that road regardless

102  
00:05:54,150 --> 00:05:52,400  
that's that's the goal here

103  
00:05:56,070 --> 00:05:54,160  
i absolutely agree with you and i've

104  
00:05:58,469 --> 00:05:56,080  
tried to keep an open mind we've we've

105  
00:06:01,029 --> 00:05:58,479  
invited uh people who are true believers

106  
00:06:03,270 --> 00:06:01,039  
that it was an extraterrestrial event

107  
00:06:05,510 --> 00:06:03,280  
who are convinced of it we've invited

108  
00:06:07,029 --> 00:06:05,520  
kalkorf who's a huge skeptic who says

109  
00:06:09,510 --> 00:06:07,039  
it's nothing but a weather balloon and

110  
00:06:12,230 --> 00:06:09,520  
hype you know i try to keep an open mind

111  
00:06:16,870 --> 00:06:12,240  
and i i'm gonna make up my mind after i

112  
00:06:21,510 --> 00:06:18,790  
okay so why don't we go ahead and get

113  
00:06:23,909 --> 00:06:21,520

started and we'll share the screen now

114

00:06:26,309 --> 00:06:23,919

let's go ahead and share screen now

115

00:06:28,550 --> 00:06:26,319

and let's see if i can

116

00:06:31,029 --> 00:06:28,560

figure out how to do this here uh yes

117

00:06:32,790 --> 00:06:31,039

the center button there says share

118

00:06:34,629 --> 00:06:32,800

okay

119

00:06:39,270 --> 00:06:34,639

let me see

120

00:06:42,870 --> 00:06:40,309

okay

121

00:06:47,029 --> 00:06:42,880

all right share screen

122

00:06:50,469 --> 00:06:49,029

okay

123

00:06:52,150 --> 00:06:50,479

all right

124

00:06:56,070 --> 00:06:52,160

and

125

00:06:58,230 --> 00:06:56,080

what if i go to this can you see this

126  
00:07:00,070 --> 00:06:58,240  
no you have to go to the bottom and

127  
00:07:02,070 --> 00:07:00,080  
it'll say share

128  
00:07:03,830 --> 00:07:02,080  
okay

129  
00:07:06,950 --> 00:07:03,840  
uh the bottom right in the middle you'll

130  
00:07:08,710 --> 00:07:06,960  
see a a bar there it says mute stop cam

131  
00:07:11,029 --> 00:07:08,720  
setting share

132  
00:07:12,190 --> 00:07:11,039  
invite leave studio

133  
00:07:14,070 --> 00:07:12,200  
entire screen

134  
00:07:15,430 --> 00:07:14,080  
[Music]

135  
00:07:18,550 --> 00:07:15,440  
sure

136  
00:07:20,710 --> 00:07:18,560  
how about now there we go now here we go

137  
00:07:23,189 --> 00:07:20,720  
yeah and i can add it here to our stream

138  
00:07:24,950 --> 00:07:23,199

here there you see this is why i invite

139

00:07:26,710 --> 00:07:24,960

michael because i'm too lazy to do all

140

00:07:27,589 --> 00:07:26,720

these slides and i don't know i don't

141

00:07:29,990 --> 00:07:27,599

know

142

00:07:32,230 --> 00:07:30,000

he's got him he's got we gotta have

143

00:07:34,710 --> 00:07:32,240

visuals we gotta have visual aids here

144

00:07:36,950 --> 00:07:34,720

presentation and everything yeah so

145

00:07:39,350 --> 00:07:36,960

let's let's do kind of a roswell road

146

00:07:40,710 --> 00:07:39,360

trip report here and i want to take you

147

00:07:42,230 --> 00:07:40,720

through the town

148

00:07:44,390 --> 00:07:42,240

show you the

149

00:07:45,830 --> 00:07:44,400

some of the landmarks and

150

00:07:48,469 --> 00:07:45,840

trace the

151

00:07:50,390 --> 00:07:48,479

historical legacy of the of the event

152

00:07:52,150 --> 00:07:50,400

and then take you down main street which

153

00:07:53,830 --> 00:07:52,160

you can follow today you can follow the

154

00:07:56,629 --> 00:07:53,840

path of main street all the way to

155

00:07:58,230 --> 00:07:56,639

hangar p3 building 84 if you choose to

156

00:07:59,270 --> 00:07:58,240

do so so that's what we're going to do

157

00:08:00,150 --> 00:07:59,280

here

158

00:08:02,390 --> 00:08:00,160

and

159

00:08:03,749 --> 00:08:02,400

the first thing that we we need to look

160

00:08:06,390 --> 00:08:03,759

at

161

00:08:08,790 --> 00:08:06,400

is this map here

162

00:08:10,550 --> 00:08:08,800

and if you look at the bottom of the map

163

00:08:13,110 --> 00:08:10,560

you'll see roswell and we'll just kind

164

00:08:16,150 --> 00:08:13,120

of go through this slowly here

165

00:08:17,270 --> 00:08:16,160

upper on the upper left hand you've got

166

00:08:19,270 --> 00:08:17,280

corona

167

00:08:22,150 --> 00:08:19,280

and then you've got something called the

168

00:08:24,790 --> 00:08:22,160

debris field so in point effect we're

169

00:08:27,270 --> 00:08:24,800

talking about multiple events going on

170

00:08:29,189 --> 00:08:27,280

at the same time it's not just one crash

171

00:08:32,389 --> 00:08:29,199

here we've got multiple things we need

172

00:08:33,509 --> 00:08:32,399

to look at so the first thing

173

00:08:37,029 --> 00:08:33,519

is if you

174

00:08:39,350 --> 00:08:37,039

look north of this large circle with the

175

00:08:40,949 --> 00:08:39,360

arrow that i have pointed to it the

176

00:08:43,750 --> 00:08:40,959

debris field

177

00:08:46,070 --> 00:08:43,760

five miles north approximately five

178

00:08:48,630 --> 00:08:46,080

miles north of debris field

179

00:08:50,630 --> 00:08:48,640

which is 65 miles northwest of roswell

180

00:08:52,949 --> 00:08:50,640

is something called the touchdown site

181

00:08:55,269 --> 00:08:52,959

which almost no one ever talks about

182

00:08:58,550 --> 00:08:55,279

it's called the touchdown site and this

183

00:09:00,230 --> 00:08:58,560

is the location where lincoln lapaz and

184

00:09:01,190 --> 00:09:00,240

louis rickett

185

00:09:03,430 --> 00:09:01,200

found

186

00:09:07,269 --> 00:09:03,440

two interesting things

187

00:09:09,190 --> 00:09:07,279

they found fused glass fused sand

188

00:09:11,269 --> 00:09:09,200

which is indicative of high heat and

189

00:09:14,949 --> 00:09:11,279

they also found steven

190

00:09:16,710 --> 00:09:14,959

a seamless black box that is almost

191

00:09:18,870 --> 00:09:16,720

never talked about

192

00:09:21,670 --> 00:09:18,880

it so we we believe it to be about the

193

00:09:23,430 --> 00:09:21,680

size of a bread box it's seamless and to

194

00:09:26,070 --> 00:09:23,440

this day

195

00:09:28,790 --> 00:09:26,080

i don't think anyone knows if we've ever

196

00:09:30,389 --> 00:09:28,800

been able to open it we just don't know

197

00:09:32,949 --> 00:09:30,399

so those are the two things that were

198

00:09:35,509 --> 00:09:32,959

found five miles north of debris field

199

00:09:37,430 --> 00:09:35,519

at a place called the touchdown site now

200

00:09:40,550 --> 00:09:37,440

going south we've got the main debris

201  
00:09:42,710 --> 00:09:40,560  
field 65 miles north of roswell

202  
00:09:45,030 --> 00:09:42,720  
where we have mack brazil and

203  
00:09:48,389 --> 00:09:45,040  
seven-year-old timothy d proctor on the

204  
00:09:50,949 --> 00:09:48,399  
morning of july third 1947

205  
00:09:52,630 --> 00:09:50,959  
they discovered three types of debris

206  
00:09:54,870 --> 00:09:52,640  
which we're going to

207  
00:09:56,470 --> 00:09:54,880  
uh look at in the next few slides here

208  
00:09:59,190 --> 00:09:56,480  
now

209  
00:10:01,269 --> 00:09:59,200  
as the craft is traversing from the

210  
00:10:02,870 --> 00:10:01,279  
northwest to the southeast you can see

211  
00:10:04,470 --> 00:10:02,880  
the track that i've drawn here that's

212  
00:10:07,590 --> 00:10:04,480  
the flight path

213  
00:10:09,350 --> 00:10:07,600

this we have the main impact site now

214

00:10:11,750 --> 00:10:09,360

there were there were five bodies

215

00:10:14,550 --> 00:10:11,760

recovered and one was still alive

216

00:10:17,430 --> 00:10:14,560

and we've got the the impact site which

217

00:10:18,710 --> 00:10:17,440

was an egg-shaped craft the size of a

218

00:10:20,630 --> 00:10:18,720

volkswagen

219

00:10:23,750 --> 00:10:20,640

now west

220

00:10:26,389 --> 00:10:23,760

of the impact site

221

00:10:28,949 --> 00:10:26,399

i have a a small dot here now that dot

222

00:10:30,710 --> 00:10:28,959

should be moved further northwest i've

223

00:10:33,350 --> 00:10:30,720

already corrected it but i need to put

224

00:10:35,350 --> 00:10:33,360

that map into this powerpoint so take

225

00:10:37,350 --> 00:10:35,360

that smaller dart where i doubt where i

226  
00:10:39,590 --> 00:10:37,360  
say second body site that needs to be

227  
00:10:41,190 --> 00:10:39,600  
moved further to the west and that's

228  
00:10:43,509 --> 00:10:41,200  
also known as

229  
00:10:44,470 --> 00:10:43,519  
the d proctor site

230  
00:10:46,630 --> 00:10:44,480  
where

231  
00:10:49,350 --> 00:10:46,640  
in the mid-1990s

232  
00:10:52,310 --> 00:10:49,360  
timothy d proctor brought his mom to

233  
00:10:54,630 --> 00:10:52,320  
this site and told her this is where i

234  
00:10:57,430 --> 00:10:54,640  
found something else

235  
00:11:00,310 --> 00:10:57,440  
he did see the body at least one body he

236  
00:11:02,949 --> 00:11:00,320  
did see so this is a this is east of the

237  
00:11:04,550 --> 00:11:02,959  
debris field now we go to the crash site

238  
00:11:06,790 --> 00:11:04,560

we already talked about it five bodies

239

00:11:09,030 --> 00:11:06,800

recovered one was still alive

240

00:11:11,350 --> 00:11:09,040

and this is the

241

00:11:13,110 --> 00:11:11,360

this is kind of the technical layout of

242

00:11:14,630 --> 00:11:13,120

where we'll be kind of going through

243

00:11:16,630 --> 00:11:14,640

here now let's go to this one this was

244

00:11:19,750 --> 00:11:16,640

taken by don schmidt this is the

245

00:11:24,310 --> 00:11:19,760

vicinity of the impact site this is july

246

00:11:26,470 --> 00:11:24,320

2nd 1947 approximately 11 59 pm

247

00:11:28,949 --> 00:11:26,480

and if we go forward here so you can see

248

00:11:30,710 --> 00:11:28,959

there's no trees there's these low

249

00:11:32,790 --> 00:11:30,720

rolling hills

250

00:11:35,430 --> 00:11:32,800

it's remote by car but it's not remote

251  
00:11:37,750 --> 00:11:35,440  
by aircraft at all you can see whatever

252  
00:11:39,590 --> 00:11:37,760  
would crash here would be visible by

253  
00:11:42,150 --> 00:11:39,600  
someone flying over

254  
00:11:43,670 --> 00:11:42,160  
so this is now the morning of july 3rd

255  
00:11:46,069 --> 00:11:43,680  
1947

256  
00:11:48,550 --> 00:11:46,079  
we've got matt brazil and we've got

257  
00:11:51,590 --> 00:11:48,560  
seven-year-old timothy d proctor

258  
00:11:53,509 --> 00:11:51,600  
they come across this strange debris and

259  
00:11:54,949 --> 00:11:53,519  
they mentioned three types of debris

260  
00:11:57,829 --> 00:11:54,959  
number one

261  
00:12:00,310 --> 00:11:57,839  
they had debris that was

262  
00:12:02,150 --> 00:12:00,320  
basically you could call it debris that

263  
00:12:03,750 --> 00:12:02,160

could not be cut could not be burned

264

00:12:05,590 --> 00:12:03,760

could not be dented with a with a

265

00:12:07,110 --> 00:12:05,600

16-pound sledge hammer that was the

266

00:12:10,230 --> 00:12:07,120

first type of debris second type of

267

00:12:12,230 --> 00:12:10,240

debris is known as the holy grail or the

268

00:12:15,030 --> 00:12:12,240

memory metal this is the kind of debris

269

00:12:17,430 --> 00:12:15,040

where if you were standing by a table

270

00:12:19,910 --> 00:12:17,440

and you pick this debris off the table

271

00:12:22,310 --> 00:12:19,920

and you crinkle it up in your hand and

272

00:12:25,190 --> 00:12:22,320

let go of it it would spread out like

273

00:12:27,829 --> 00:12:25,200

liquid mercury and then slowly drop down

274

00:12:30,470 --> 00:12:27,839

to the table that's number two number

275

00:12:32,069 --> 00:12:30,480

three is these strange

276

00:12:33,750 --> 00:12:32,079

eye beams

277

00:12:35,910 --> 00:12:33,760

that have this very interesting

278

00:12:38,069 --> 00:12:35,920

hieroglyphic writing written on the

279

00:12:39,910 --> 00:12:38,079

inside wall so those are the three types

280

00:12:42,470 --> 00:12:39,920

of debris that

281

00:12:46,069 --> 00:12:42,480

were found this is the morning of july

282

00:12:48,069 --> 00:12:46,079

third 1947. okay so let's move on here

283

00:12:50,470 --> 00:12:48,079

and this is interesting because

284

00:12:53,509 --> 00:12:50,480

whatever this was

285

00:12:54,629 --> 00:12:53,519

was laying out in the new mexican desert

286

00:12:57,509 --> 00:12:54,639

area

287

00:13:00,310 --> 00:12:57,519

for the night of the second

288

00:13:02,629 --> 00:13:00,320

the third the fourth the fifth the sixth

289

00:13:05,430 --> 00:13:02,639

and the seventh so we've got like we're

290

00:13:08,150 --> 00:13:05,440

looking at five to six days that the

291

00:13:09,829 --> 00:13:08,160

debris the craft the bodies were already

292

00:13:11,990 --> 00:13:09,839

sitting out there before the military

293

00:13:15,590 --> 00:13:12,000

got involved so you can see we've got

294

00:13:17,590 --> 00:13:15,600

erosion we've got weather we've got

295

00:13:19,590 --> 00:13:17,600

not gonna happen in five days a lot can

296

00:13:21,269 --> 00:13:19,600

happen in five days that's right that's

297

00:13:23,350 --> 00:13:21,279

right so and and see now that's

298

00:13:26,230 --> 00:13:23,360

consistent because if you have a body

299

00:13:28,790 --> 00:13:26,240

that's decomposing over five six days

300

00:13:29,829 --> 00:13:28,800

and you've got animals nibbling on these

301  
00:13:32,470 --> 00:13:29,839

things

302  
00:13:35,590 --> 00:13:32,480

it's gonna start reeking really bad and

303  
00:13:37,750 --> 00:13:35,600

that's precisely the report that we got

304  
00:13:40,389 --> 00:13:37,760

from the members who on the retrieval

305  
00:13:43,269 --> 00:13:40,399

team they said that the stench of the

306  
00:13:45,829 --> 00:13:43,279

bodies permeated their uniforms and

307  
00:13:47,430 --> 00:13:45,839

their fabric on their clothes so bad

308  
00:13:48,949 --> 00:13:47,440

that their wives had to burn their

309  
00:13:51,350 --> 00:13:48,959

clothes

310  
00:13:53,110 --> 00:13:51,360

now someone tell me how a weather

311  
00:13:55,509 --> 00:13:53,120

balloon is going to do that

312  
00:13:56,710 --> 00:13:55,519

how how is that going to happen just

313  
00:13:58,310 --> 00:13:56,720

throwing it out there how is that going

314

00:13:59,590 --> 00:13:58,320

to happen okay so

315

00:14:01,910 --> 00:13:59,600

this is an illustration that i

316

00:14:03,030 --> 00:14:01,920

commissioned my friend tom bogan to do

317

00:14:05,750 --> 00:14:03,040

for me

318

00:14:07,590 --> 00:14:05,760

he's no longer with us so i'm preserving

319

00:14:09,910 --> 00:14:07,600

his legacy he gets the credit for this

320

00:14:12,629 --> 00:14:09,920

now this was done under the strict

321

00:14:15,430 --> 00:14:12,639

guidance of don schmidt don schmidt has

322

00:14:17,430 --> 00:14:15,440

reviewed these this is as close as we

323

00:14:18,389 --> 00:14:17,440

can possibly get to what it may have

324

00:14:20,949 --> 00:14:18,399

looked like

325

00:14:22,710 --> 00:14:20,959

now let's go on we'll go on to the left

326

00:14:24,389 --> 00:14:22,720

here we've got the ambulance truck we've

327

00:14:26,310 --> 00:14:24,399

got the survivor there above the

328

00:14:28,470 --> 00:14:26,320

ambulance truck we've got the 18 wheeler

329

00:14:31,110 --> 00:14:28,480

tractor trailer lowboy

330

00:14:33,509 --> 00:14:31,120

we've got a jeep here don schmidt also

331

00:14:36,790 --> 00:14:33,519

stated that where this craft came down

332

00:14:38,870 --> 00:14:36,800

was it was within very close proximity

333

00:14:41,269 --> 00:14:38,880

of a windmill

334

00:14:42,389 --> 00:14:41,279

and a small water tank so we've got that

335

00:14:44,949 --> 00:14:42,399

we've got the

336

00:14:46,470 --> 00:14:44,959

troop transport on the right hand side

337

00:14:47,829 --> 00:14:46,480

and then in the foreground to the right

338

00:14:49,670 --> 00:14:47,839

we've got this

339

00:14:51,990 --> 00:14:49,680

egg-shaped craft the size of a

340

00:14:53,829 --> 00:14:52,000

volkswagen with a whole breech and then

341

00:14:56,470 --> 00:14:53,839

a couple of other bodies

342

00:14:59,189 --> 00:14:56,480

so there's one thing in here that we did

343

00:15:01,750 --> 00:14:59,199

not add which almost no one knows about

344

00:15:05,030 --> 00:15:01,760

which don schmidt told me

345

00:15:07,670 --> 00:15:05,040

at roswell army airfield the 509th bomb

346

00:15:10,710 --> 00:15:07,680

group did not have a crane at the time

347

00:15:13,829 --> 00:15:10,720

of this incident so they brought in from

348

00:15:16,230 --> 00:15:13,839

downtown roswell a civilian crane to

349

00:15:18,069 --> 00:15:16,240

pick up the craft and put it on the 18

350

00:15:19,590 --> 00:15:18,079

wheeler tractor trailer we just didn't

351  
00:15:21,590 --> 00:15:19,600  
have enough real estate in this

352  
00:15:24,230 --> 00:15:21,600  
illustration to put that in but there

353  
00:15:26,550 --> 00:15:24,240  
should be a crane in this illustration

354  
00:15:28,870 --> 00:15:26,560  
to make it completely complete so let's

355  
00:15:29,749 --> 00:15:28,880  
move on to the next scene here

356  
00:15:31,990 --> 00:15:29,759  
now

357  
00:15:36,150 --> 00:15:32,000  
this is roswell main street military

358  
00:15:38,150 --> 00:15:36,160  
convoy july 8 1947 and we have this plus

359  
00:15:40,629 --> 00:15:38,160  
or minus five minutes because we've

360  
00:15:42,870 --> 00:15:40,639  
identified multiple eyewitnesses

361  
00:15:46,389 --> 00:15:42,880  
including two paper boys

362  
00:15:47,990 --> 00:15:46,399  
who saw a very interesting convoy going

363  
00:15:49,910 --> 00:15:48,000

right down main street and you can

364

00:15:52,310 --> 00:15:49,920

follow that route today all the way to

365

00:15:54,870 --> 00:15:52,320

the base so you've got a couple jeeps up

366

00:15:57,509 --> 00:15:54,880

front you've got that 18 wheeler tractor

367

00:15:59,829 --> 00:15:57,519

trailer that was at the crash site we've

368

00:16:02,710 --> 00:15:59,839

got a jeep in back but then there were

369

00:16:05,829 --> 00:16:02,720

multiple eyewitnesses that stated that

370

00:16:07,189 --> 00:16:05,839

there was this strange egg-shaped craft

371

00:16:10,230 --> 00:16:07,199

it was about

372

00:16:11,990 --> 00:16:10,240

12 13 feet across it might have been

373

00:16:13,829 --> 00:16:12,000

eight feet tall

374

00:16:16,230 --> 00:16:13,839

and they had a tarp over it

375

00:16:18,470 --> 00:16:16,240

they had ropes covering it

376

00:16:21,509 --> 00:16:18,480

and you could not see what was down here

377

00:16:23,829 --> 00:16:21,519

but it did resemble this egg-shaped

378

00:16:26,310 --> 00:16:23,839

craft and that's consistent with what we

379

00:16:29,430 --> 00:16:26,320

know about the actual crash site so

380

00:16:31,269 --> 00:16:29,440

these things seem to check out okay so

381

00:16:33,829 --> 00:16:31,279

we're tracking pretty good here so let's

382

00:16:36,150 --> 00:16:33,839

let's move i want to take you inside the

383

00:16:39,670 --> 00:16:36,160

hangar now so this is roswell army

384

00:16:42,550 --> 00:16:39,680

airfield hangar p3 building 84 this is

385

00:16:45,990 --> 00:16:42,560

approximately 15 minutes to 20 minutes

386

00:16:47,350 --> 00:16:46,000

after the two paper boys saw the convoy

387

00:16:50,389 --> 00:16:47,360

going down main street which you can

388

00:16:52,790 --> 00:16:50,399

follow today now in the foreground

389

00:16:54,389 --> 00:16:52,800

we've got a few bodies here

390

00:16:56,790 --> 00:16:54,399

over to the left we've got the child

391

00:16:59,350 --> 00:16:56,800

sized casket that was confirmed by glenn

392

00:17:01,430 --> 00:16:59,360

dennis who got the order for the child

393

00:17:03,189 --> 00:17:01,440

size caskets from the base which is

394

00:17:05,029 --> 00:17:03,199

interesting why if it's a weather

395

00:17:07,590 --> 00:17:05,039

balloon why would you have child sized

396

00:17:10,309 --> 00:17:07,600

cat that makes no sense whatsoever so

397

00:17:12,789 --> 00:17:10,319

the weather balloon explanation is is

398

00:17:13,909 --> 00:17:12,799

quickly deflating here it's quickly

399

00:17:16,069 --> 00:17:13,919

bursting

400

00:17:18,150 --> 00:17:16,079

uh off to the left we've got that troop

401  
00:17:19,590 --> 00:17:18,160  
transport with debris and here's the

402  
00:17:21,990 --> 00:17:19,600  
other thing

403  
00:17:25,429 --> 00:17:22,000  
if this was a weather balloon

404  
00:17:28,549 --> 00:17:25,439  
why would you have two teams of military

405  
00:17:30,950 --> 00:17:28,559  
police uh from other uh

406  
00:17:33,270 --> 00:17:30,960  
sections as well crisscrossing the

407  
00:17:35,350 --> 00:17:33,280  
debris field for at least

408  
00:17:36,630 --> 00:17:35,360  
two days on their hands and knees if

409  
00:17:40,070 --> 00:17:36,640  
this is just a weather balloon that

410  
00:17:41,750 --> 00:17:40,080  
doesn't make any sense now in the back

411  
00:17:43,909 --> 00:17:41,760  
you've got the wooden crate that they're

412  
00:17:47,029 --> 00:17:43,919  
building and they're going to put the

413  
00:17:48,950 --> 00:17:47,039

bodies in the caskets and the caskets go

414

00:17:50,549 --> 00:17:48,960

in the wooden crate off to the right

415

00:17:53,029 --> 00:17:50,559

you've got the 18 wheeler tractor

416

00:17:55,750 --> 00:17:53,039

trailer with the craft on there on the

417

00:17:59,110 --> 00:17:55,760

low blade now it's interesting to keep

418

00:18:02,070 --> 00:17:59,120

in mind that by the time

419

00:18:04,630 --> 00:18:02,080

we had the retrieval operation the

420

00:18:07,510 --> 00:18:04,640

civilians got to i'm going to back up a

421

00:18:11,510 --> 00:18:07,520

couple here civilians got here before

422

00:18:14,070 --> 00:18:11,520

the military and so what that means is

423

00:18:16,710 --> 00:18:14,080

to this day stephen i'll be willing to

424

00:18:19,110 --> 00:18:16,720

bet that there are still some people out

425

00:18:21,270 --> 00:18:19,120

here relatives of people who got to the

426

00:18:23,669 --> 00:18:21,280

debris field before

427

00:18:24,630 --> 00:18:23,679

the military got involved and the crash

428

00:18:26,310 --> 00:18:24,640

site

429

00:18:29,350 --> 00:18:26,320

they picked up a souvenir and they still

430

00:18:31,669 --> 00:18:29,360

have it today i'm sure i would agree

431

00:18:33,190 --> 00:18:31,679

with you that somebody's gotta have

432

00:18:35,990 --> 00:18:33,200

i think that somebody's got this

433

00:18:38,390 --> 00:18:36,000

material hidden away and after all these

434

00:18:41,190 --> 00:18:38,400

years uh i don't believe that they were

435

00:18:42,710 --> 00:18:41,200

able to get it all and and just to clear

436

00:18:44,070 --> 00:18:42,720

up a little bit of confusion because

437

00:18:46,950 --> 00:18:44,080

people are always confused by this

438

00:18:48,470 --> 00:18:46,960

there's two separate debris

439

00:18:50,230 --> 00:18:48,480  
sites right there's the one where

440

00:18:52,310 --> 00:18:50,240  
everything was destroyed and it was

441

00:18:53,990 --> 00:18:52,320  
literal little pieces that they had to

442

00:18:56,630 --> 00:18:54,000  
pick up and then there was the second

443

00:18:59,430 --> 00:18:56,640  
site with what some people believe with

444

00:19:02,630 --> 00:18:59,440  
some sort of escape pod or you know crew

445

00:19:04,549 --> 00:19:02,640  
pod that you're describing here but yeah

446

00:19:06,230 --> 00:19:04,559  
i would think that all those people

447

00:19:08,390 --> 00:19:06,240  
involved somebody would have put some of

448

00:19:10,950 --> 00:19:08,400  
that in their pocket some of them would

449

00:19:13,350 --> 00:19:10,960  
you know spirit it away put it away

450

00:19:16,470 --> 00:19:13,360  
because this was a huge event like this

451

00:19:18,710 --> 00:19:16,480

could be alien spacecraft parts yeah i

452

00:19:22,070 --> 00:19:18,720

would grab some someone's got physical

453

00:19:24,549 --> 00:19:22,080

evidence right now as we speak probably

454

00:19:26,789 --> 00:19:24,559

in the roswell area or they might have

455

00:19:28,710 --> 00:19:26,799

handed it to a relative or a cousin and

456

00:19:30,710 --> 00:19:28,720

then they moved away but

457

00:19:32,950 --> 00:19:30,720

you can bet your bottom dollar that

458

00:19:35,350 --> 00:19:32,960

somebody has something

459

00:19:37,190 --> 00:19:35,360

now they probably won't come forward it

460

00:19:39,110 --> 00:19:37,200

might be a death wish because now you're

461

00:19:41,110 --> 00:19:39,120

playing with the big boys

462

00:19:42,870 --> 00:19:41,120

we that's how

463

00:19:44,789 --> 00:19:42,880

you can get in trouble when you have

464

00:19:47,270 --> 00:19:44,799

physical evidence

465

00:19:49,750 --> 00:19:47,280

because the way this game is played is

466

00:19:51,669 --> 00:19:49,760

they don't care what you know

467

00:19:53,590 --> 00:19:51,679

they care what you can prove that's how

468

00:19:56,470 --> 00:19:53,600

this game is played and if you have a

469

00:19:57,590 --> 00:19:56,480

piece of actual physical hardware now

470

00:19:58,789 --> 00:19:57,600

you're in a completely different

471

00:20:00,630 --> 00:19:58,799

category

472

00:20:01,669 --> 00:20:00,640

so that's something to keep in mind and

473

00:20:03,750 --> 00:20:01,679

so

474

00:20:05,430 --> 00:20:03,760

we can we know why people haven't come

475

00:20:08,630 --> 00:20:05,440

forward because it's a very dangerous

476  
00:20:10,549 --> 00:20:08,640  
thing to do now let's keep in mind

477  
00:20:13,190 --> 00:20:10,559  
when this is all going on it was kind of

478  
00:20:15,350 --> 00:20:13,200  
a chaotic situation you had multiple

479  
00:20:18,230 --> 00:20:15,360  
things converging at the same time and

480  
00:20:20,549 --> 00:20:18,240  
by this time the first body flight had

481  
00:20:23,830 --> 00:20:20,559  
already departed roswell this was in a

482  
00:20:25,110 --> 00:20:23,840  
c-54 by papi henderson the other body

483  
00:20:25,990 --> 00:20:25,120  
flight that we're going to talk about

484  
00:20:29,430 --> 00:20:26,000  
later

485  
00:20:31,990 --> 00:20:29,440  
is the straight flush b-29 so by by this

486  
00:20:34,230 --> 00:20:32,000  
time we're preparing the bodies for

487  
00:20:36,230 --> 00:20:34,240  
getting out of here first body flight is

488  
00:20:37,990 --> 00:20:36,240

already gone went directly to right

489

00:20:40,710 --> 00:20:38,000

field dayton ohio

490

00:20:43,029 --> 00:20:40,720

okay so what they did next is they put

491

00:20:45,590 --> 00:20:43,039

the bodies in the caskets the small

492

00:20:48,149 --> 00:20:45,600

stature child-sized caskets

493

00:20:50,630 --> 00:20:48,159

those caskets were put into the wooden

494

00:20:53,270 --> 00:20:50,640

crate and the wooden crate was lowered

495

00:20:55,270 --> 00:20:53,280

into atomic bomb pit number one

496

00:20:58,070 --> 00:20:55,280

and then they this is interesting they

497

00:21:00,470 --> 00:20:58,080

put two perimeter screens around atomic

498

00:21:03,350 --> 00:21:00,480

bomb pick number one with mp stationed

499

00:21:05,990 --> 00:21:03,360

both inside and out of both rings and

500

00:21:08,390 --> 00:21:06,000

these mps will were told to shoot to

501  
00:21:11,029 --> 00:21:08,400  
kill anyone who tried to breach these

502  
00:21:13,909 --> 00:21:11,039  
perimeter screens now i argue

503  
00:21:15,430 --> 00:21:13,919  
how why in the world would you shoot to

504  
00:21:17,909 --> 00:21:15,440  
kill someone

505  
00:21:21,190 --> 00:21:17,919  
over with standing guard

506  
00:21:23,510 --> 00:21:21,200  
with a with a uh wooden crate that reeks

507  
00:21:26,149 --> 00:21:23,520  
of decomposing bodies if it's a weather

508  
00:21:28,470 --> 00:21:26,159  
balloon this doesn't make any sense

509  
00:21:30,470 --> 00:21:28,480  
even if it's a project mogul balloon it

510  
00:21:32,390 --> 00:21:30,480  
still doesn't make any sense

511  
00:21:34,390 --> 00:21:32,400  
yeah not shoot to kill it would have to

512  
00:21:36,870 --> 00:21:34,400  
be it would have to be something a

513  
00:21:38,789 --> 00:21:36,880

little more important and exotic than

514

00:21:40,310 --> 00:21:38,799

weather balloon parts or radar

515

00:21:42,630 --> 00:21:40,320

reflectors

516

00:21:45,029 --> 00:21:42,640

precisely precisely that's exactly

517

00:21:47,750 --> 00:21:45,039

correct all right so now

518

00:21:50,310 --> 00:21:47,760

we're moving on this is b-29 straight

519

00:21:52,870 --> 00:21:50,320

flush taxis over atomic bomb pit number

520

00:21:55,190 --> 00:21:52,880

one roswell army airfield wooden crate

521

00:21:58,070 --> 00:21:55,200

loaded into cargo bay this is july 9th

522

00:22:00,149 --> 00:21:58,080

1947 flown to 8th air force headquarters

523

00:22:02,470 --> 00:22:00,159

fort worth texas so you can see they're

524

00:22:04,950 --> 00:22:02,480

now bringing the crate up into the

525

00:22:06,230 --> 00:22:04,960

bombay the b-29 this is straight flush

526  
00:22:09,430 --> 00:22:06,240  
and what's interesting about straight

527  
00:22:11,950 --> 00:22:09,440  
flush is if this story is true

528  
00:22:14,149 --> 00:22:11,960  
if we really did recover

529  
00:22:17,110 --> 00:22:14,159  
extraterrestrial bodies

530  
00:22:18,870 --> 00:22:17,120  
why did they scrap this aircraft and

531  
00:22:21,510 --> 00:22:18,880  
it's the most significant historically

532  
00:22:23,830 --> 00:22:21,520  
significant aircraft in the world

533  
00:22:25,270 --> 00:22:23,840  
and they got rid of it this i don't get

534  
00:22:27,270 --> 00:22:25,280  
it i don't understand the logic this

535  
00:22:30,390 --> 00:22:27,280  
should be preserved for history if the

536  
00:22:31,990 --> 00:22:30,400  
story i would agree yeah absolutely it's

537  
00:22:33,110 --> 00:22:32,000  
it would be it would be one of the

538  
00:22:34,310 --> 00:22:33,120

biggest

539

00:22:36,230 --> 00:22:34,320

it would be one of the most important

540

00:22:38,950 --> 00:22:36,240

aircraft in aircraft history because it

541

00:22:41,990 --> 00:22:38,960

would have flown these biological

542

00:22:43,110 --> 00:22:42,000

bodies of otherworldly beings to ray

543

00:22:44,789 --> 00:22:43,120

patterson

544

00:22:47,270 --> 00:22:44,799

or i'm sorry this one was flown to air

545

00:22:50,390 --> 00:22:47,280

force headquarters for fort worth texas

546

00:22:52,149 --> 00:22:50,400

correct yep all right so now b-29

547

00:22:54,230 --> 00:22:52,159

straight flush flew the roswell bodies

548

00:22:57,430 --> 00:22:54,240

to eighth air force fort worth texas

549

00:22:59,350 --> 00:22:57,440

scrapped july 1954 so i just i just

550

00:23:02,070 --> 00:22:59,360

can't get over the fact that

551

00:23:04,710 --> 00:23:02,080

this is like the most significant

552

00:23:07,270 --> 00:23:04,720

airplane in who i mean arguably more

553

00:23:09,270 --> 00:23:07,280

significant than the right flyer that's

554

00:23:11,990 --> 00:23:09,280

hanging from the smithsonian right now

555

00:23:13,750 --> 00:23:12,000

the air space museum this is even more

556

00:23:16,789 --> 00:23:13,760

significant than that

557

00:23:18,549 --> 00:23:16,799

but yet it's gone okay well so this is

558

00:23:20,950 --> 00:23:18,559

the model aircraft display at the

559

00:23:23,510 --> 00:23:20,960

roswell air center and you can see all

560

00:23:26,070 --> 00:23:23,520

these really nice aircraft here

561

00:23:31,590 --> 00:23:26,080

but take a look on the top shelf here

562

00:23:36,630 --> 00:23:34,789

of straight flush victor 85 and and

563

00:23:39,110 --> 00:23:36,640

ladies and gentlemen this is all we got

564

00:23:42,630 --> 00:23:39,120

left all we have left of the most

565

00:23:44,470 --> 00:23:42,640

historic aircraft of all time is a scale

566

00:23:46,549 --> 00:23:44,480

plastic model that's it that's all we've

567

00:23:48,310 --> 00:23:46,559

got they absolutely should have

568

00:23:50,870 --> 00:23:48,320

preserved this it should have went to

569

00:23:52,870 --> 00:23:50,880

the air force museum in dayton ohio and

570

00:23:55,750 --> 00:23:52,880

they they wouldn't need to say what the

571

00:23:57,350 --> 00:23:55,760

cargo was people in the know would know

572

00:23:59,669 --> 00:23:57,360

but at the very least they could have

573

00:24:02,310 --> 00:23:59,679

saved it for us

574

00:24:05,190 --> 00:24:02,320

yeah and even even forget about roswell

575

00:24:07,510 --> 00:24:05,200

even just the history of

576

00:24:09,510 --> 00:24:07,520

the nuclear and atomic arsenal of the

577

00:24:11,909 --> 00:24:09,520

united states it was involved in that as

578

00:24:13,669 --> 00:24:11,919

well so it should be preserved it should

579

00:24:14,549 --> 00:24:13,679

be preserved that's correct that's

580

00:24:16,789 --> 00:24:14,559

correct

581

00:24:19,590 --> 00:24:16,799

okay so here's the uh

582

00:24:22,630 --> 00:24:19,600

nose art straight flush

583

00:24:25,029 --> 00:24:22,640

and then we should talk about the c 54

584

00:24:27,750 --> 00:24:25,039

now at least two bodies were flown

585

00:24:30,470 --> 00:24:27,760

directly from roswell airfield to right

586

00:24:32,470 --> 00:24:30,480

field dayton ohio it was not known as

587

00:24:34,549 --> 00:24:32,480

wright patterson air force base yet it

588

00:24:37,750 --> 00:24:34,559

was still known as right field and this

589

00:24:39,830 --> 00:24:37,760

was flown by pappy henderson

590

00:24:42,470 --> 00:24:39,840

uh who was a

591

00:24:44,230 --> 00:24:42,480

good good very good pilot

592

00:24:47,350 --> 00:24:44,240

his

593

00:24:49,990 --> 00:24:47,360

wife sappho had confirmed that he had

594

00:24:51,350 --> 00:24:50,000

told her the story later on so we got a

595

00:24:53,510 --> 00:24:51,360

kind of a second independent

596

00:24:55,590 --> 00:24:53,520

confirmation there and this is a drawing

597

00:24:57,990 --> 00:24:55,600

by my friend rudy gardea and here we've

598

00:25:00,390 --> 00:24:58,000

got pappy henderson overseeing the

599

00:25:02,710 --> 00:25:00,400

loading of the body

600

00:25:04,789 --> 00:25:02,720

into the c-54

601  
00:25:06,870 --> 00:25:04,799  
so we just wanted to kind of yeah and

602  
00:25:08,950 --> 00:25:06,880  
just just to be clear this is an on the

603  
00:25:11,350 --> 00:25:08,960  
record witness who gave his testimony

604  
00:25:12,870 --> 00:25:11,360  
that this is what he witnessed he he

605  
00:25:15,510 --> 00:25:12,880  
went on the record to say this is what

606  
00:25:17,269 --> 00:25:15,520  
he witnessed and he flew this

607  
00:25:19,990 --> 00:25:17,279  
where he flew it i mean

608  
00:25:22,750 --> 00:25:20,000  
he he told his wife sappho

609  
00:25:24,950 --> 00:25:22,760  
uh years later sometime around

610  
00:25:26,830 --> 00:25:24,960  
1983-86 time frame

611  
00:25:29,029 --> 00:25:26,840  
when they saw it on the supermarket

612  
00:25:31,269 --> 00:25:29,039  
checkout so

613  
00:25:33,669 --> 00:25:31,279

you know it's it all really boils down

614

00:25:35,510 --> 00:25:33,679

to eyewitness testimony in many cases

615

00:25:37,830 --> 00:25:35,520

when we don't have physical evidence how

616

00:25:40,149 --> 00:25:37,840

much do you trust your fellow man your

617

00:25:42,870 --> 00:25:40,159

fellow woman your fellow

618

00:25:45,110 --> 00:25:42,880

library research assistant

619

00:25:47,269 --> 00:25:45,120

uh reference librarian how how much do

620

00:25:49,350 --> 00:25:47,279

we actually trust these people

621

00:25:51,669 --> 00:25:49,360

i i just don't think that

622

00:25:53,990 --> 00:25:51,679

happy henderson would would be promoting

623

00:25:55,909 --> 00:25:54,000

a lie i mean is it ace

624

00:25:57,669 --> 00:25:55,919

this has always bothered me with the

625

00:25:59,110 --> 00:25:57,679

skeptics say well you know so these

626  
00:26:01,430 --> 00:25:59,120  
people said these things doesn't mean

627  
00:26:03,990 --> 00:26:01,440  
it's true or they made it up or they're

628  
00:26:06,950 --> 00:26:04,000  
trying this guy has not really profited

629  
00:26:08,470 --> 00:26:06,960  
from his story i always follow the money

630  
00:26:10,230 --> 00:26:08,480  
you know if somebody's coming out with a

631  
00:26:12,710 --> 00:26:10,240  
fantastical story and then they're all

632  
00:26:14,310 --> 00:26:12,720  
over you know at ufo conferences telling

633  
00:26:15,510 --> 00:26:14,320  
their story over and over again for

634  
00:26:17,350 --> 00:26:15,520  
money

635  
00:26:19,110 --> 00:26:17,360  
that doesn't hold as much weight to me

636  
00:26:21,269 --> 00:26:19,120  
as some of these roswell witnesses who

637  
00:26:23,029 --> 00:26:21,279  
right years later came out with their

638  
00:26:24,870 --> 00:26:23,039

story just

639

00:26:26,390 --> 00:26:24,880

i i don't believe that this guy would

640

00:26:28,310 --> 00:26:26,400

just make this up

641

00:26:30,789 --> 00:26:28,320

for for what reason correct because what

642

00:26:32,310 --> 00:26:30,799

would be the advantage really you know

643

00:26:34,390 --> 00:26:32,320

what would be the advantage okay then of

644

00:26:36,710 --> 00:26:34,400

course we've got the uh

645

00:26:39,110 --> 00:26:36,720

autopsy that perhaps took place in the

646

00:26:41,190 --> 00:26:39,120

foreign technology division right field

647

00:26:44,230 --> 00:26:41,200

dayton ohio this is sometime july 9th

648

00:26:47,110 --> 00:26:44,240

1947 we do not know the exact date so

649

00:26:49,590 --> 00:26:47,120

that's kind of the site picture here but

650

00:26:52,630 --> 00:26:49,600

what i want to do is i want to present

651

00:26:54,950 --> 00:26:52,640

what what is the best available

652

00:26:58,549 --> 00:26:54,960

witness testimony that we have that we

653

00:27:01,110 --> 00:26:58,559

can really drill down and and really

654

00:27:02,630 --> 00:27:01,120

trust someone reliable someone that's

655

00:27:04,470 --> 00:27:02,640

documented well

656

00:27:07,510 --> 00:27:04,480

we have something

657

00:27:08,950 --> 00:27:07,520

in the form of mr marion black mac

658

00:27:11,990 --> 00:27:08,960

magruder

659

00:27:14,070 --> 00:27:12,000

and he was a world war ii pilot he was a

660

00:27:15,190 --> 00:27:14,080

fantastic pilot he was deployed to

661

00:27:18,470 --> 00:27:15,200

england

662

00:27:21,190 --> 00:27:18,480

february 6 1943 to learn about knight

663

00:27:23,110 --> 00:27:21,200

fighting now prior to this time america

664

00:27:24,789 --> 00:27:23,120

didn't know a thing about night fighting

665

00:27:27,750 --> 00:27:24,799

so they had sent

666

00:27:29,269 --> 00:27:27,760

marion magruder over to england to learn

667

00:27:32,310 --> 00:27:29,279

about knight fighting come back to the

668

00:27:34,870 --> 00:27:32,320

us and then teach u.s pilots and

669

00:27:37,190 --> 00:27:34,880

military personnel exactly how to go

670

00:27:39,430 --> 00:27:37,200

about night fighting because we the the

671

00:27:41,590 --> 00:27:39,440

britons are the ones who invented the

672

00:27:44,870 --> 00:27:41,600

radar before the germans and americans

673

00:27:46,389 --> 00:27:44,880

and so we had to get kind of an intel so

674

00:27:48,630 --> 00:27:46,399

that we would know how to do it and so

675

00:27:50,710 --> 00:27:48,640

they said

676  
00:27:53,350 --> 00:27:50,720  
because because in england there was all

677  
00:27:56,789 --> 00:27:53,360  
those uh german bombing raids at night

678  
00:27:59,190 --> 00:27:56,799  
they got to be quickly got to be experts

679  
00:28:00,870 --> 00:27:59,200  
repelling you know invading forces and

680  
00:28:02,230 --> 00:28:00,880  
dog fighting at night

681  
00:28:04,149 --> 00:28:02,240  
and these things so it makes sense that

682  
00:28:06,389 --> 00:28:04,159  
we would send our pilots to the experts

683  
00:28:09,190 --> 00:28:06,399  
to learn it exactly that's precisely

684  
00:28:11,750 --> 00:28:09,200  
correct so here he is air war college

685  
00:28:13,269 --> 00:28:11,760  
1947 1948

686  
00:28:17,190 --> 00:28:13,279  
and then if i want to take you to

687  
00:28:20,070 --> 00:28:17,200  
montgomery field this is alabama now

688  
00:28:23,750 --> 00:28:20,080

he was at the air war college in april

689

00:28:26,310 --> 00:28:23,760

of 1948 and a very interesting call came

690

00:28:29,110 --> 00:28:26,320

in because this was about two groups of

691

00:28:31,190 --> 00:28:29,120

18 world war ii pilots the best of the

692

00:28:34,630 --> 00:28:31,200

best went to montgomery field this is

693

00:28:36,630 --> 00:28:34,640

april 1948 a strange call

694

00:28:39,190 --> 00:28:36,640

came in from right field

695

00:28:40,230 --> 00:28:39,200

right paterson air force base

696

00:28:42,789 --> 00:28:40,240

and

697

00:28:44,230 --> 00:28:42,799

it was urgent they needed to go to

698

00:28:46,230 --> 00:28:44,240

wright patterson air force base

699

00:28:48,070 --> 00:28:46,240

immediately so that there was a plane

700

00:28:49,110 --> 00:28:48,080

was provided for them they all got on

701  
00:28:50,389 --> 00:28:49,120  
the plane

702  
00:28:53,110 --> 00:28:50,399  
and they wanted to get their

703  
00:28:54,950 --> 00:28:53,120  
quote-unquote opinion on something very

704  
00:28:57,269 --> 00:28:54,960  
interesting they wanted to get an urgent

705  
00:28:59,350 --> 00:28:57,279  
opinion on something and so here's the

706  
00:29:02,149 --> 00:28:59,360  
air war college maxwell

707  
00:29:04,470 --> 00:29:02,159  
field montgomery alabama 1948 just to

708  
00:29:06,230 --> 00:29:04,480  
give a sight picture here and then we've

709  
00:29:09,190 --> 00:29:06,240  
got wright-patterson air force base

710  
00:29:11,750 --> 00:29:09,200  
april 1948 and this is the subject of

711  
00:29:12,950 --> 00:29:11,760  
where we're gonna drill down now so what

712  
00:29:14,310 --> 00:29:12,960  
happened is

713  
00:29:17,269 --> 00:29:14,320

they were brought

714

00:29:20,789 --> 00:29:17,279

to wright-patterson air force base

715

00:29:21,590 --> 00:29:20,799

this is according to mark magruder his

716

00:29:23,510 --> 00:29:21,600

son

717

00:29:27,029 --> 00:29:23,520

so i did about a two-hour interview with

718

00:29:28,549 --> 00:29:27,039

mark magruder and he provided the notes

719

00:29:30,470 --> 00:29:28,559

from his father

720

00:29:32,149 --> 00:29:30,480

where they talked about a very

721

00:29:34,630 --> 00:29:32,159

interesting encounter now so you can

722

00:29:36,470 --> 00:29:34,640

picture there's two teams of world war

723

00:29:37,830 --> 00:29:36,480

ii pilots they fly them to

724

00:29:39,510 --> 00:29:37,840

wright-patterson air force base they're

725

00:29:40,470 --> 00:29:39,520

brought into a room

726

00:29:42,549 --> 00:29:40,480

and then

727

00:29:45,909 --> 00:29:42,559

two men come in with a box and they

728

00:29:47,830 --> 00:29:45,919

start handing out debris which they said

729

00:29:49,110 --> 00:29:47,840

came from the roswell crack and a lot of

730

00:29:51,269 --> 00:29:49,120

these piles they didn't know anything

731

00:29:53,750 --> 00:29:51,279

about this they weren't even involved

732

00:29:55,990 --> 00:29:53,760

but they start handing out this debris

733

00:29:57,269 --> 00:29:56,000

and these pilots they're holding this

734

00:29:59,269 --> 00:29:57,279

debris in their hands and they're

735

00:30:01,269 --> 00:29:59,279

looking at it they're feeling it they're

736

00:30:04,149 --> 00:30:01,279

wondering where where actually it came

737

00:30:06,310 --> 00:30:04,159

from what its properties were now when

738

00:30:08,710 --> 00:30:06,320

all that was done the debris was

739

00:30:09,830 --> 00:30:08,720

gathered put back into the boxes

740

00:30:12,389 --> 00:30:09,840

and then

741

00:30:14,149 --> 00:30:12,399

this team of two teams of 18 world war

742

00:30:15,990 --> 00:30:14,159

ii pilots they are led down this

743

00:30:18,549 --> 00:30:16,000

corridor at wright-patterson air force

744

00:30:20,389 --> 00:30:18,559

base they make a left-hand turn and

745

00:30:23,269 --> 00:30:20,399

they're brought into this

746

00:30:24,870 --> 00:30:23,279

somewhat medium-sized room with no

747

00:30:26,870 --> 00:30:24,880

windows but on the

748

00:30:28,070 --> 00:30:26,880

back wall

749

00:30:29,110 --> 00:30:28,080

there's this

750

00:30:31,669 --> 00:30:29,120

one-way

751  
00:30:33,269 --> 00:30:31,679  
mirror where you could look inside but

752  
00:30:34,630 --> 00:30:33,279  
whatever was there could not look back

753  
00:30:37,750 --> 00:30:34,640  
to you

754  
00:30:41,110 --> 00:30:37,760  
and what they ended up seeing

755  
00:30:44,710 --> 00:30:41,120  
was the survivor so here's the survivor

756  
00:30:47,510 --> 00:30:44,720  
april 1948 drawing by rudy garcia can

757  
00:30:50,630 --> 00:30:47,520  
you imagine seeing the survivor

758  
00:30:53,990 --> 00:30:50,640  
of the roswell crash

759  
00:30:55,830 --> 00:30:54,000  
they also saw debris the survivor there

760  
00:30:57,509 --> 00:30:55,840  
were other bodies that were deceased

761  
00:30:59,350 --> 00:30:57,519  
that they also saw as well because i

762  
00:31:02,470 --> 00:30:59,360  
confirmed that with mark he

763  
00:31:03,430 --> 00:31:02,480

saw the survivor and

764

00:31:05,909 --> 00:31:03,440

the

765

00:31:09,029 --> 00:31:05,919

deceased corpses as well

766

00:31:11,029 --> 00:31:09,039

uh he would he was described as squiggly

767

00:31:12,789 --> 00:31:11,039

he kind of had this casper the ghost

768

00:31:13,750 --> 00:31:12,799

look oversized

769

00:31:16,070 --> 00:31:13,760

eyes

770

00:31:18,470 --> 00:31:16,080

kind of a uh two little dimples for a

771

00:31:20,710 --> 00:31:18,480

nose a slit for a mouth hairless three

772

00:31:22,870 --> 00:31:20,720

and a half to four feet tall and really

773

00:31:25,269 --> 00:31:22,880

having this squiggly

774

00:31:27,750 --> 00:31:25,279

uh long arms

775

00:31:30,230 --> 00:31:27,760

almost uh

776

00:31:32,710 --> 00:31:30,240

you could say muscle tone was very weak

777

00:31:35,110 --> 00:31:32,720

but that's what he described back in

778

00:31:37,269 --> 00:31:35,120

april 1948. now

779

00:31:39,990 --> 00:31:37,279

is there any evidence

780

00:31:41,509 --> 00:31:40,000

to back this up at all is there any

781

00:31:43,669 --> 00:31:41,519

paperwork well

782

00:31:46,549 --> 00:31:43,679

mark actually sent me

783

00:31:49,830 --> 00:31:46,559

his father's documentation for the air

784

00:31:51,990 --> 00:31:49,840

work college 1947 1940 and it turns out

785

00:31:54,470 --> 00:31:52,000

yes he was there

786

00:31:57,110 --> 00:31:54,480

he was there here's the actual air

787

00:31:59,430 --> 00:31:57,120

university college montgomery maxwell

788

00:32:01,909 --> 00:31:59,440

air force base montgomery alabama we've

789

00:32:03,350 --> 00:32:01,919

got the date here they talk about the

790

00:32:04,630 --> 00:32:03,360

seminars

791

00:32:06,710 --> 00:32:04,640

that they were

792

00:32:09,029 --> 00:32:06,720

yeah there's we've got a seminar looking

793

00:32:10,710 --> 00:32:09,039

at aliens but it's awesome that he has

794

00:32:12,950 --> 00:32:10,720

the paperwork back yeah we've got the

795

00:32:16,070 --> 00:32:12,960

paperwork that he was actually there it

796

00:32:18,230 --> 00:32:16,080

tells you what room it was in at right

797

00:32:20,230 --> 00:32:18,240

field at wright patterson air force base

798

00:32:22,070 --> 00:32:20,240

what the subject was

799

00:32:23,990 --> 00:32:22,080

and we'll go down here here's the the

800

00:32:26,630 --> 00:32:24,000

daily planner here so you got monday

801  
00:32:29,509 --> 00:32:26,640  
tuesday wednesday field trip uh to right

802  
00:32:30,310 --> 00:32:29,519  
field so this is confirming evidence

803  
00:32:33,269 --> 00:32:30,320  
that

804  
00:32:35,269 --> 00:32:33,279  
marion mac black magruder was indeed

805  
00:32:37,990 --> 00:32:35,279  
there the time that he stated that he

806  
00:32:39,590 --> 00:32:38,000  
was there this is pretty much bombshell

807  
00:32:41,190 --> 00:32:39,600  
conclusive evidence that they were

808  
00:32:43,750 --> 00:32:41,200  
actually they're here they even give you

809  
00:32:45,269 --> 00:32:43,760  
the names of the people involved some of

810  
00:32:48,389 --> 00:32:45,279  
the lecture uh

811  
00:32:49,990 --> 00:32:48,399  
descriptions here this is wednesday

812  
00:32:52,149 --> 00:32:50,000  
at 10 10.

813  
00:32:54,070 --> 00:32:52,159

lecture room number one current tactics

814

00:32:56,070 --> 00:32:54,080

of air operations

815

00:32:57,509 --> 00:32:56,080

and we can go through all these we won't

816

00:33:00,310 --> 00:32:57,519

read them all but

817

00:33:02,149 --> 00:33:00,320

it's very good evidence now here's mark

818

00:33:04,870 --> 00:33:02,159

magruder son of world war ii pilot

819

00:33:07,669 --> 00:33:04,880

marion magruder did a two-hour interview

820

00:33:08,549 --> 00:33:07,679

with him and here's the kentucky hall of

821

00:33:11,909 --> 00:33:08,559

fame

822

00:33:13,269 --> 00:33:11,919

marion milton magruder 1911 to 1997 so

823

00:33:15,509 --> 00:33:13,279

just to prove that

824

00:33:17,830 --> 00:33:15,519

i did interview the gentleman uh he's a

825

00:33:20,549 --> 00:33:17,840

real person here's some of the medals

826

00:33:23,029 --> 00:33:20,559

that he received as well

827

00:33:25,310 --> 00:33:23,039

and then we want to go to this one here

828

00:33:27,110 --> 00:33:25,320

so this is july 20th

829

00:33:30,870 --> 00:33:27,120

1969

830

00:33:31,830 --> 00:33:30,880

neil armstrong is uh this is this buzz

831

00:33:34,070 --> 00:33:31,840

but

832

00:33:37,110 --> 00:33:34,080

landing on the moon

833

00:33:39,750 --> 00:33:37,120

and right between a break in the

834

00:33:42,789 --> 00:33:39,760

coverage

835

00:33:45,350 --> 00:33:42,799

merit magruder another son of marion

836

00:33:47,430 --> 00:33:45,360

magruder they walk out to the porch

837

00:33:48,310 --> 00:33:47,440

and the son turns to the father and said

838

00:33:50,070 --> 00:33:48,320

you know

839

00:33:52,070 --> 00:33:50,080

i wonder they're looking at the moon i

840

00:33:53,669 --> 00:33:52,080

wonder if there's anybody out there i

841

00:33:55,830 --> 00:33:53,679

wonder if there's any

842

00:33:58,710 --> 00:33:55,840

other life in the universe

843

00:34:01,110 --> 00:33:58,720

and uh here's some of the statements

844

00:34:02,950 --> 00:34:01,120

that were made by marian black met

845

00:34:06,149 --> 00:34:02,960

magruder quote

846

00:34:07,190 --> 00:34:06,159

i just know i know for sure one day you

847

00:34:09,190 --> 00:34:07,200

will know

848

00:34:11,430 --> 00:34:09,200

we are not alone in this universe i

849

00:34:13,669 --> 00:34:11,440

can't tell you about it now someday

850

00:34:15,909 --> 00:34:13,679

maybe i can tell you statement to sun

851

00:34:19,430 --> 00:34:15,919

merit during apollo moonlighting july

852

00:34:21,750 --> 00:34:19,440

20th 1969 then he goes here quote i was

853

00:34:24,869 --> 00:34:21,760

at the air war college when all this

854

00:34:26,790 --> 00:34:24,879

happened i know all about it i want to

855

00:34:29,510 --> 00:34:26,800

see what the show is all about then

856

00:34:31,750 --> 00:34:29,520

maybe i can tell you more my whole class

857

00:34:33,990 --> 00:34:31,760

was made privy to that information we

858

00:34:36,230 --> 00:34:34,000

will watch the show i can't talk about

859

00:34:38,230 --> 00:34:36,240

it now it's top secret we will talk

860

00:34:40,869 --> 00:34:38,240

about it once i see what they reveal on

861

00:34:41,990 --> 00:34:40,879

the show so this is statement in 81 or

862

00:34:44,230 --> 00:34:42,000

82

863

00:34:47,430 --> 00:34:44,240

during a commercial break for dallas

864

00:34:49,990 --> 00:34:47,440

highlighting a promo regarding a break

865

00:34:52,790 --> 00:34:50,000

a break documentary on a possible ufo

866

00:34:54,230 --> 00:34:52,800

crash in roswell during 1947 so here

867

00:34:55,750 --> 00:34:54,240

he's talking about

868

00:34:58,230 --> 00:34:55,760

being there

869

00:35:00,790 --> 00:34:58,240

and being privy to the information

870

00:35:03,910 --> 00:35:00,800

let's go on here quote it was not like

871

00:35:07,190 --> 00:35:03,920

the aliens depicted on tv except for a

872

00:35:09,430 --> 00:35:07,200

large head instead of gray in color this

873

00:35:11,990 --> 00:35:09,440

being was more flesh-toned wearing a

874

00:35:14,710 --> 00:35:12,000

flight suit human-like but not like any

875

00:35:16,870 --> 00:35:14,720

human being i have ever seen squiggly

876

00:35:18,069 --> 00:35:16,880

clearly not from this planet he goes on

877

00:35:20,950 --> 00:35:18,079

here quote

878

00:35:23,030 --> 00:35:20,960

they were all small in stature so there

879

00:35:25,510 --> 00:35:23,040

you go right there he used the word they

880

00:35:27,829 --> 00:35:25,520

so that's more than one humanoid

881

00:35:30,390 --> 00:35:27,839

somewhat asian looking clearly they were

882

00:35:32,550 --> 00:35:30,400

not of this world we all knew they were

883

00:35:34,710 --> 00:35:32,560

not of this world they had extra long

884

00:35:35,990 --> 00:35:34,720

digits with suction cups at the end of

885

00:35:38,710 --> 00:35:36,000

their fingers

886

00:35:41,030 --> 00:35:38,720

their arms were this and long

887

00:35:43,829 --> 00:35:41,040

out of proportion longer than human

888

00:35:45,670 --> 00:35:43,839

their elbows were a lot further down

889

00:35:48,069 --> 00:35:45,680

they were like little children without

890

00:35:50,069 --> 00:35:48,079

any hair about four feet tall

891

00:35:52,310 --> 00:35:50,079

they had almond shaped eyes a little

892

00:35:55,990 --> 00:35:52,320

larger than human the mouth was just a

893

00:35:57,750 --> 00:35:56,000

small slit not much of a nose no ears

894

00:35:58,950 --> 00:35:57,760

like some of the drawings

895

00:36:01,349 --> 00:35:58,960

and then i thought this was very

896

00:36:03,829 --> 00:36:01,359

interesting quote they all think the

897

00:36:06,230 --> 00:36:03,839

bodies are at wright patterson air force

898

00:36:08,950 --> 00:36:06,240

base but they are at eglin air force

899

00:36:10,790 --> 00:36:08,960

base in vast underground cold storage

900

00:36:13,109 --> 00:36:10,800

vaults their statement after watching a

901  
00:36:14,550 --> 00:36:13,119  
documentary about roswell so he was

902  
00:36:15,829 --> 00:36:14,560  
privy to the fact that yeah that's

903  
00:36:17,670 --> 00:36:15,839  
interesting there was definitely

904  
00:36:19,270 --> 00:36:17,680  
something at right field but that's not

905  
00:36:21,589 --> 00:36:19,280  
the only location there was something

906  
00:36:24,069 --> 00:36:21,599  
going on at eglin air force base with

907  
00:36:26,470 --> 00:36:24,079  
bodies and then we've got pretty much

908  
00:36:29,270 --> 00:36:26,480  
confirming evidence indicating that

909  
00:36:31,910 --> 00:36:29,280  
other repositories for ufo crash

910  
00:36:34,230 --> 00:36:31,920  
retrievals and bodies are at the very

911  
00:36:36,790 --> 00:36:34,240  
least macdill air force base tampa

912  
00:36:39,109 --> 00:36:36,800  
florida langley air force base virginia

913  
00:36:41,270 --> 00:36:39,119

and homestead air force base florida as

914

00:36:43,670 --> 00:36:41,280

well so you can see that they spread

915

00:36:45,829 --> 00:36:43,680

these assets out so they don't have

916

00:36:47,990 --> 00:36:45,839

single point failure what would make

917

00:36:49,270 --> 00:36:48,000

sense wasn't it that they would first

918

00:36:51,829 --> 00:36:49,280

when this event happened they would

919

00:36:53,430 --> 00:36:51,839

first take it to a very secure location

920

00:36:55,910 --> 00:36:53,440

first before they figure out where the

921

00:36:58,150 --> 00:36:55,920

final destination is going to be and yes

922

00:36:59,109 --> 00:36:58,160

spreading it out so that they have you

923

00:37:01,750 --> 00:36:59,119

know

924

00:37:04,790 --> 00:37:01,760

they don't lose the uh they don't lose

925

00:37:06,550 --> 00:37:04,800

the samples of these biological entities

926  
00:37:08,710 --> 00:37:06,560  
i would want to spread them out as well

927  
00:37:09,990 --> 00:37:08,720  
and one to each if you have five bodies

928  
00:37:11,990 --> 00:37:10,000  
send one to

929  
00:37:14,790 --> 00:37:12,000  
send send them to five different bases

930  
00:37:16,230 --> 00:37:14,800  
so that we preserve them and isn't it

931  
00:37:17,829 --> 00:37:16,240  
interesting

932  
00:37:19,190 --> 00:37:17,839  
some of them may have went to florida

933  
00:37:22,310 --> 00:37:19,200  
because there's isn't there's that

934  
00:37:24,870 --> 00:37:22,320  
famous story of jackie gleason air force

935  
00:37:26,310 --> 00:37:24,880  
base we've got air force base yeah he

936  
00:37:27,910 --> 00:37:26,320  
claimed that

937  
00:37:28,870 --> 00:37:27,920  
jackie gleason claimed to have seen an

938  
00:37:31,270 --> 00:37:28,880

alien

939

00:37:32,790 --> 00:37:31,280

in an air force base

940

00:37:34,230 --> 00:37:32,800

and he was so upset he couldn't eat for

941

00:37:35,910 --> 00:37:34,240

weeks

942

00:37:38,230 --> 00:37:35,920

he was a changed man he was a changed

943

00:37:40,470 --> 00:37:38,240

man that's correct that's correct

944

00:37:42,950 --> 00:37:40,480

all right so then let's go to this uh

945

00:37:44,470 --> 00:37:42,960

southwest soaring museum so if you go to

946

00:37:46,310 --> 00:37:44,480

roswell there's a couple ways you can

947

00:37:49,270 --> 00:37:46,320

get there you can fly into albuquerque

948

00:37:50,470 --> 00:37:49,280

drive 200 miles or you can fly directly

949

00:37:53,109 --> 00:37:50,480

into

950

00:37:55,990 --> 00:37:53,119

the maintenance center the air center at

951  
00:37:58,630 --> 00:37:56,000  
roswell and then drive six miles and get

952  
00:38:00,310 --> 00:37:58,640  
there so it's a lot easier to go the uh

953  
00:38:01,349 --> 00:38:00,320  
shorter route but i took the longer

954  
00:38:03,510 --> 00:38:01,359  
route

955  
00:38:05,270 --> 00:38:03,520  
maybe it's good i did because i got to

956  
00:38:06,710 --> 00:38:05,280  
the soaring museum

957  
00:38:08,550 --> 00:38:06,720  
and i just hit you with a couple

958  
00:38:10,310 --> 00:38:08,560  
photographs here

959  
00:38:12,390 --> 00:38:10,320  
they've got it we've got some kind of uh

960  
00:38:14,790 --> 00:38:12,400  
tapping going on just to be aware of

961  
00:38:17,349 --> 00:38:14,800  
okay somebody in the live chat mentioned

962  
00:38:19,190 --> 00:38:17,359  
no problem so they've got conventional

963  
00:38:21,270 --> 00:38:19,200

designs they've got home built designs

964

00:38:22,550 --> 00:38:21,280

they've got foreign designs

965

00:38:24,710 --> 00:38:22,560

and uh

966

00:38:26,550 --> 00:38:24,720

i was there for about half an hour

967

00:38:28,870 --> 00:38:26,560

before they closed the guy let me in and

968

00:38:32,230 --> 00:38:28,880

i just wanted to take a a couple of

969

00:38:33,430 --> 00:38:32,240

pictures here just to document it but

970

00:38:35,349 --> 00:38:33,440

interesting

971

00:38:38,550 --> 00:38:35,359

that there's a very

972

00:38:40,790 --> 00:38:38,560

interesting antique auto and toy museum

973

00:38:42,950 --> 00:38:40,800

literally a thousand feet away from this

974

00:38:45,430 --> 00:38:42,960

uh sail plane museum

975

00:38:47,349 --> 00:38:45,440

and they were closing in 10 minutes

976

00:38:49,190 --> 00:38:47,359

and i just said can i look through this

977

00:38:51,430 --> 00:38:49,200

really quickly i'll be very quick and

978

00:38:52,870 --> 00:38:51,440

they let me go through i'll take you

979

00:38:54,470 --> 00:38:52,880

through a couple of the pictures here

980

00:38:56,870 --> 00:38:54,480

here's some of the toys they had on the

981

00:38:59,190 --> 00:38:56,880

wall nothing was for sale they had some

982

00:39:01,109 --> 00:38:59,200

old vintage cars on the interior and

983

00:39:04,150 --> 00:39:01,119

then they had dozens and dozens and

984

00:39:06,790 --> 00:39:04,160

dozens of these old rusty hulks model

985

00:39:09,190 --> 00:39:06,800

t's model a's they had trucks

986

00:39:10,710 --> 00:39:09,200

some of them probably could be restored

987

00:39:13,510 --> 00:39:10,720

and so of course

988

00:39:15,190 --> 00:39:13,520

since i was going to roswell i asked

989

00:39:18,310 --> 00:39:15,200

this gentleman who was kind of the

990

00:39:20,550 --> 00:39:18,320

curator here his name is archie lewis

991

00:39:22,150 --> 00:39:20,560

i said well are the rumors true

992

00:39:24,230 --> 00:39:22,160

and he said what rumors and i said well

993

00:39:27,270 --> 00:39:24,240

the rumors about roswell what was a

994

00:39:29,910 --> 00:39:27,280

craft recovered where bodies recovered

995

00:39:34,069 --> 00:39:29,920

and i got this guy on videotape and what

996

00:39:36,310 --> 00:39:34,079

he told me is he said in 1947 like on

997

00:39:38,230 --> 00:39:36,320

the literal same day

998

00:39:40,950 --> 00:39:38,240

that this event occurred which was the

999

00:39:43,990 --> 00:39:40,960

night of july 2nd 1947

1000

00:39:46,630 --> 00:39:44,000

his sister now deceased was riding

1001  
00:39:48,870 --> 00:39:46,640  
horseback with two other friends and

1002  
00:39:51,589 --> 00:39:48,880  
they were in uh

1003  
00:39:54,150 --> 00:39:51,599  
uh new mexico which is about 100 miles

1004  
00:39:56,710 --> 00:39:54,160  
north of roswell riding horseback and

1005  
00:39:59,750 --> 00:39:56,720  
all of a sudden the strange craft came

1006  
00:40:02,150 --> 00:39:59,760  
by them did one complete orbit around

1007  
00:40:04,870 --> 00:40:02,160  
and then departed and and he said that

1008  
00:40:07,270 --> 00:40:04,880  
they were shook into their core

1009  
00:40:09,109 --> 00:40:07,280  
they were absolutely terrified of

1010  
00:40:10,790 --> 00:40:09,119  
whatever this thing was now

1011  
00:40:13,349 --> 00:40:10,800  
technically i can't prove it was the

1012  
00:40:16,150 --> 00:40:13,359  
same crap but it's it's in going in the

1013  
00:40:17,030 --> 00:40:16,160

same direction it's the same day

1014

00:40:19,349 --> 00:40:17,040

uh

1015

00:40:21,829 --> 00:40:19,359

they didn't describe it in great detail

1016

00:40:24,309 --> 00:40:21,839

but there's a very high likelihood that

1017

00:40:26,870 --> 00:40:24,319

this was the same craft so we've got

1018

00:40:29,750 --> 00:40:26,880

independent confirmation

1019

00:40:31,670 --> 00:40:29,760

of another ufo which could be the exact

1020

00:40:33,670 --> 00:40:31,680

same craft that crashed

1021

00:40:35,030 --> 00:40:33,680

a hundred miles from north of roswell on

1022

00:40:36,630 --> 00:40:35,040

its way

1023

00:40:38,630 --> 00:40:36,640

to the crash site

1024

00:40:40,390 --> 00:40:38,640

so it's just an interesting data point

1025

00:40:42,390 --> 00:40:40,400

that i don't think most people have have

1026

00:40:44,309 --> 00:40:42,400

really heard about and again if this is

1027

00:40:45,270 --> 00:40:44,319

a weather balloon how does a weather

1028

00:40:47,589 --> 00:40:45,280

balloon

1029

00:40:49,829 --> 00:40:47,599

make a controlled descent in orbit

1030

00:40:52,550 --> 00:40:49,839

around three girls on horseback that

1031

00:40:55,109 --> 00:40:52,560

doesn't make any sense so just a little

1032

00:40:57,510 --> 00:40:55,119

piece of the puzzle here uh here is the

1033

00:40:59,510 --> 00:40:57,520

map of van and then you can see it's

1034

00:41:01,430 --> 00:40:59,520

about a hundred miles north of roswell

1035

00:41:02,790 --> 00:41:01,440

so that just gives you a location it was

1036

00:41:04,150 --> 00:41:02,800

definitely heading in the right

1037

00:41:06,950 --> 00:41:04,160

direction

1038

00:41:07,910 --> 00:41:06,960

okay this is kind of a a quick

1039

00:41:09,829 --> 00:41:07,920

uh

1040

00:41:11,990 --> 00:41:09,839

flyer that i put together

1041

00:41:13,510 --> 00:41:12,000

and because i was heading to roswell and

1042

00:41:14,870 --> 00:41:13,520

i thought well why don't i front load

1043

00:41:16,950 --> 00:41:14,880

this thing why don't i try to put

1044

00:41:19,190 --> 00:41:16,960

together a flyer

1045

00:41:21,670 --> 00:41:19,200

uh and i'm gonna send this out to all

1046

00:41:22,790 --> 00:41:21,680

the experimental aircraft association

1047

00:41:25,349 --> 00:41:22,800

chapters

1048

00:41:27,510 --> 00:41:25,359

in the entire state of new mexico so i i

1049

00:41:29,589 --> 00:41:27,520

actually did that i created this flyer

1050

00:41:32,390 --> 00:41:29,599

we'll go over it real quickly here and

1051  
00:41:34,630 --> 00:41:32,400  
it was in pdf format and i asked them to

1052  
00:41:36,069 --> 00:41:34,640  
please circulate this

1053  
00:41:38,390 --> 00:41:36,079  
to your

1054  
00:41:40,069 --> 00:41:38,400  
eaa chapter members i want yes you're

1055  
00:41:42,230 --> 00:41:40,079  
trying to find some additional witnesses

1056  
00:41:43,750 --> 00:41:42,240  
right exactly i'm trying to you know we

1057  
00:41:46,470 --> 00:41:43,760  
got to take the bull by the horns here

1058  
00:41:48,150 --> 00:41:46,480  
because if we don't another 75 years is

1059  
00:41:49,829 --> 00:41:48,160  
going to go by and we'll all be gone and

1060  
00:41:51,750 --> 00:41:49,839  
we'll still not know what actually

1061  
00:41:53,270 --> 00:41:51,760  
happened here so

1062  
00:41:55,990 --> 00:41:53,280  
i'm gonna rip through this really

1063  
00:41:58,309 --> 00:41:56,000

quickly here attention after more than

1064

00:42:00,230 --> 00:41:58,319

75 years the truth can finally be

1065

00:42:02,790 --> 00:42:00,240

revealed regarding what was

1066

00:42:06,150 --> 00:42:02,800

commonly been referred to as the roswell

1067

00:42:09,510 --> 00:42:06,160

incident on the night of july 2nd 1947

1068

00:42:11,109 --> 00:42:09,520

an egg-shaped object of unknown origin

1069

00:42:13,829 --> 00:42:11,119

crashed on the foster ranch

1070

00:42:15,750 --> 00:42:13,839

approximately 35 miles northwest of

1071

00:42:17,190 --> 00:42:15,760

roswell uh

1072

00:42:19,670 --> 00:42:17,200

of new mexico

1073

00:42:21,990 --> 00:42:19,680

the craft measured approximately 13 feet

1074

00:42:24,230 --> 00:42:22,000

across and had a brushed aluminum

1075

00:42:27,510 --> 00:42:24,240

exterior surface on the morning of july

1076  
00:42:29,270 --> 00:42:27,520  
3 local rancher mac brazil discovered

1077  
00:42:31,750 --> 00:42:29,280  
mysterious debris scattered over the

1078  
00:42:34,470 --> 00:42:31,760  
ranch the debris consisted of hundreds

1079  
00:42:36,790 --> 00:42:34,480  
of tin foil looking shreds of material

1080  
00:42:38,470 --> 00:42:36,800  
that spread out like liquid mercury

1081  
00:42:41,910 --> 00:42:38,480  
after being folded up by hand and

1082  
00:42:44,069 --> 00:42:41,920  
released other debris included extremely

1083  
00:42:46,309 --> 00:42:44,079  
thin material that could not be cut

1084  
00:42:47,910 --> 00:42:46,319  
cannot be burned or dented with a 16

1085  
00:42:50,550 --> 00:42:47,920  
pound sludge hammer

1086  
00:42:52,790 --> 00:42:50,560  
finally multiple small i-beam-shaped

1087  
00:42:55,430 --> 00:42:52,800  
debris was recovered which included

1088  
00:42:57,430 --> 00:42:55,440

strange hieroglyphic writing or symbols

1089

00:43:00,230 --> 00:42:57,440

on the inside wall

1090

00:43:02,390 --> 00:43:00,240

by july 8th military personnel from the

1091

00:43:04,790 --> 00:43:02,400

509th bomb group station at roswell

1092

00:43:07,190 --> 00:43:04,800

armory airfield arrived on the scene to

1093

00:43:09,190 --> 00:43:07,200

begin the retrieval operation they

1094

00:43:11,670 --> 00:43:09,200

discovered five bodies associated with

1095

00:43:15,190 --> 00:43:11,680

the crap and one was still alive

1096

00:43:17,750 --> 00:43:15,200

by 4 p.m on july 8 multiple eyewitnesses

1097

00:43:20,069 --> 00:43:17,760

in roswell observed a military convoy

1098

00:43:22,630 --> 00:43:20,079

traveling down main street heading in

1099

00:43:25,030 --> 00:43:22,640

the direction of the base this convoy

1100

00:43:27,109 --> 00:43:25,040

consisted of multiple jeeps and a lowboy

1101

00:43:29,190 --> 00:43:27,119

tractor-trailer which was carrying an

1102

00:43:31,510 --> 00:43:29,200

age-shaped craft concealed by a large

1103

00:43:34,069 --> 00:43:31,520

tarp minutes later

1104

00:43:36,550 --> 00:43:34,079

the convoy arrived at hangar p3 building

1105

00:43:38,150 --> 00:43:36,560

84 where the construction of a large

1106

00:43:40,550 --> 00:43:38,160

wooden crate began the remaining

1107

00:43:43,349 --> 00:43:40,560

deceased alien corpses were carefully

1108

00:43:45,430 --> 00:43:43,359

placed into child-sized caskets and

1109

00:43:47,589 --> 00:43:45,440

loaded into the crate on the morning of

1110

00:43:49,910 --> 00:43:47,599

july 9th the bodies contained within the

1111

00:43:52,069 --> 00:43:49,920

crate were loaded into the bombay of

1112

00:43:54,069 --> 00:43:52,079

b-29 straight flush and subsequently

1113

00:43:57,750 --> 00:43:54,079

flown to 8th air force headquarters fort

1114

00:44:00,870 --> 00:43:57,760

worth texas at least one body was flown

1115

00:44:02,710 --> 00:44:00,880

in a c-54 by pilot oliver pappy

1116

00:44:04,470 --> 00:44:02,720

henderson directly to the air medical

1117

00:44:06,710 --> 00:44:04,480

lab at right field dayton ohio for

1118

00:44:09,430 --> 00:44:06,720

autopsy if you

1119

00:44:10,950 --> 00:44:09,440

or someone you know has had first-hand

1120

00:44:13,510 --> 00:44:10,960

experience dealing with the roswell

1121

00:44:15,750 --> 00:44:13,520

debris crash ufo or extraterrestrial

1122

00:44:17,750 --> 00:44:15,760

bodies please preserve an important part

1123

00:44:20,069 --> 00:44:17,760

of our national history by contacting

1124

00:44:23,030 --> 00:44:20,079

military aerospace historian michael

1125

00:44:24,230 --> 00:44:23,040

schrad below okay so i sent all these

1126

00:44:29,270 --> 00:44:24,240

out

1127

00:44:31,910 --> 00:44:29,280

and guess what i got crickets

1128

00:44:33,589 --> 00:44:31,920

i got well but it stands to reason

1129

00:44:37,510 --> 00:44:33,599

because some of the witnesses would be

1130

00:44:40,069 --> 00:44:37,520

95 at this point yeah they are however i

1131

00:44:44,790 --> 00:44:40,079

got one response

1132

00:44:46,950 --> 00:44:44,800

this is from a gentleman who claimed

1133

00:44:48,829 --> 00:44:46,960

that he personally knew

1134

00:44:51,910 --> 00:44:48,839

timothy d

1135

00:44:54,790 --> 00:44:51,920

proctor uh d proctor was working for him

1136

00:44:57,670 --> 00:44:54,800

he was kind of a building contractor and

1137

00:44:59,990 --> 00:44:57,680

he was working so he actually knew deep

1138

00:45:02,309 --> 00:45:00,000

proctor so one of my flyers got to this

1139

00:45:03,670 --> 00:45:02,319

guy and so i called this guy up i

1140

00:45:05,109 --> 00:45:03,680

emailed him i interviewed him on the

1141

00:45:07,190 --> 00:45:05,119

phone twice

1142

00:45:08,069 --> 00:45:07,200

and i'm gonna hit you with the takeaway

1143

00:45:11,190 --> 00:45:08,079

here

1144

00:45:13,910 --> 00:45:11,200

witness who knew deep proctor number one

1145

00:45:16,470 --> 00:45:13,920

stated d told him that he had held the

1146

00:45:19,430 --> 00:45:16,480

roswell debris number two mentioned that

1147

00:45:21,510 --> 00:45:19,440

he had seen the bodies the d proctor's

1148

00:45:23,990 --> 00:45:21,520

second body site and number three

1149

00:45:25,829 --> 00:45:24,000

mentioned that dee told him he was not

1150

00:45:27,510 --> 00:45:25,839

threatened by the military but his

1151

00:45:29,510 --> 00:45:27,520

parents were

1152

00:45:31,589 --> 00:45:29,520

and that's what i got out of it it's

1153

00:45:33,270 --> 00:45:31,599

it's not much to go on but this is what

1154

00:45:35,270 --> 00:45:33,280

he told me well still another

1155

00:45:36,950 --> 00:45:35,280

corroborating witness another piece of

1156

00:45:38,950 --> 00:45:36,960

the evidence yes so

1157

00:45:41,990 --> 00:45:38,960

if roswell was nothing more than a

1158

00:45:43,109 --> 00:45:42,000

weather balloon then explain the bodies

1159

00:45:45,030 --> 00:45:43,119

number one

1160

00:45:47,910 --> 00:45:45,040

and number two explain the debris and

1161

00:45:50,150 --> 00:45:47,920

number three explain why the military

1162

00:45:53,430 --> 00:45:50,160

would threaten his family if it was just

1163

00:45:55,670 --> 00:45:53,440

a weather balloon doesn't make any sense

1164

00:45:57,349 --> 00:45:55,680

yeah and explain all of the wit all of

1165

00:45:58,550 --> 00:45:57,359

the all of the other witnesses who

1166

00:46:00,470 --> 00:45:58,560

claimed that they were threatened or

1167

00:46:03,430 --> 00:46:00,480

their families were threatened right

1168

00:46:05,030 --> 00:46:03,440

yeah and the death bed confessions

1169

00:46:07,030 --> 00:46:05,040

of people

1170

00:46:09,589 --> 00:46:07,040

something else you know we're not being

1171

00:46:12,230 --> 00:46:09,599

told here okay so now let's go to

1172

00:46:14,790 --> 00:46:12,240

roswell army airfield hangar p3 building

1173

00:46:17,750 --> 00:46:14,800

84 this is the current roswell air

1174

00:46:21,030 --> 00:46:17,760

center i want to give you some shots of

1175

00:46:23,190 --> 00:46:21,040

the uh the scene of the action here uh

1176  
00:46:24,870 --> 00:46:23,200  
here's the reverse image of the of the

1177  
00:46:26,710 --> 00:46:24,880  
hanger itself

1178  
00:46:29,030 --> 00:46:26,720  
and then i want to take you inside the

1179  
00:46:30,950 --> 00:46:29,040  
hanger as well so now we're walking up

1180  
00:46:32,950 --> 00:46:30,960  
into the hangar

1181  
00:46:34,870 --> 00:46:32,960  
and i i believe i can get you plus or

1182  
00:46:36,470 --> 00:46:34,880  
minus six inches of to where they

1183  
00:46:39,109 --> 00:46:36,480  
actually laid the bodies down on the

1184  
00:46:41,030 --> 00:46:39,119  
floor it's a very interesting vibe you

1185  
00:46:42,950 --> 00:46:41,040  
get from this place and

1186  
00:46:45,349 --> 00:46:42,960  
if you make the right connections you

1187  
00:46:47,430 --> 00:46:45,359  
can make an appointment with the

1188  
00:46:49,589 --> 00:46:47,440

uh the director of the maintenance

1189

00:46:51,829 --> 00:46:49,599

center and he'll take you inside the

1190

00:46:54,150 --> 00:46:51,839

hangar and drive you around the entire

1191

00:46:55,589 --> 00:46:54,160

base so now we'll go inside this is the

1192

00:46:57,750 --> 00:46:55,599

location here

1193

00:47:00,630 --> 00:46:57,760

and this building he told me was only

1194

00:47:02,950 --> 00:47:00,640

supposed to be there for 10 years

1195

00:47:04,630 --> 00:47:02,960

these are the original rafters

1196

00:47:06,230 --> 00:47:04,640

the original structure they did at a

1197

00:47:08,069 --> 00:47:06,240

notch cut out

1198

00:47:11,030 --> 00:47:08,079

but this building is still in good shape

1199

00:47:13,750 --> 00:47:11,040

after all these years after all these

1200

00:47:15,829 --> 00:47:13,760

years the building still stands

1201  
00:47:17,910 --> 00:47:15,839  
and here's the reverse side of it here

1202  
00:47:20,549 --> 00:47:17,920  
this would be the area where the uh

1203  
00:47:22,790 --> 00:47:20,559  
18-wheeler tractor trailer came in

1204  
00:47:24,790 --> 00:47:22,800  
and then now we're going to where we

1205  
00:47:27,589 --> 00:47:24,800  
believe the crate was built where the

1206  
00:47:29,750 --> 00:47:27,599  
caskets were and i want to take you

1207  
00:47:31,510 --> 00:47:29,760  
this is the location here

1208  
00:47:33,510 --> 00:47:31,520  
where we believe

1209  
00:47:35,589 --> 00:47:33,520  
probably plus or minus six feet maybe a

1210  
00:47:37,750 --> 00:47:35,599  
foot at the most where

1211  
00:47:39,349 --> 00:47:37,760  
probably four bodies were laid out on

1212  
00:47:41,190 --> 00:47:39,359  
the floor

1213  
00:47:43,349 --> 00:47:41,200

um the survivor

1214

00:47:45,589 --> 00:47:43,359

was kept somewhere else but

1215

00:47:48,150 --> 00:47:45,599

this is the location right here and it's

1216

00:47:50,230 --> 00:47:48,160

it's a strange vibe it kind of gives you

1217

00:47:52,630 --> 00:47:50,240

a sense of history but

1218

00:47:54,630 --> 00:47:52,640

if all things are created and we believe

1219

00:47:57,349 --> 00:47:54,640

that this is the location this is the

1220

00:47:59,430 --> 00:47:57,359

actual position of where the bodies were

1221

00:48:01,670 --> 00:47:59,440

were laid down on the floor now take you

1222

00:48:04,309 --> 00:48:01,680

through kind of the center here we could

1223

00:48:06,150 --> 00:48:04,319

not find the atomic bomb pits

1224

00:48:08,549 --> 00:48:06,160

where they lower the crate in uh that

1225

00:48:09,910 --> 00:48:08,559

was paved over so we couldn't find that

1226

00:48:11,430 --> 00:48:09,920

location

1227

00:48:13,109 --> 00:48:11,440

and well with standard reason that they

1228

00:48:14,870 --> 00:48:13,119

would pave over it they don't need those

1229

00:48:15,750 --> 00:48:14,880

pits in order they don't need those

1230

00:48:18,470 --> 00:48:15,760

bombs

1231

00:48:21,510 --> 00:48:18,480

so we could not find those but they've

1232

00:48:23,589 --> 00:48:21,520

got various 747s they've got l1011

1233

00:48:26,150 --> 00:48:23,599

they've got dc-10s

1234

00:48:27,190 --> 00:48:26,160

in various uh stages of being scrapped

1235

00:48:29,109 --> 00:48:27,200

and

1236

00:48:31,990 --> 00:48:29,119

saving some of the components

1237

00:48:36,069 --> 00:48:32,000

here you can see united airlines

1238

00:48:38,069 --> 00:48:36,079

now that takes us to elvis presley

1239

00:48:40,309 --> 00:48:38,079

what what in the world does elvis

1240

00:48:42,150 --> 00:48:40,319

presley have to do with roswell i mean

1241

00:48:44,630 --> 00:48:42,160

is this a joke here what in the world

1242

00:48:46,309 --> 00:48:44,640

does he have to do with anything well

1243

00:48:48,790 --> 00:48:46,319

turns out

1244

00:48:52,150 --> 00:48:48,800

that elvis jet

1245

00:48:54,470 --> 00:48:52,160

is still there i saw this i saw an art i

1246

00:48:56,790 --> 00:48:54,480

saw several articles on this it's sad

1247

00:48:58,710 --> 00:48:56,800

because what a beautiful airplane yeah

1248

00:49:01,670 --> 00:48:58,720

it's still there today i went up and

1249

00:49:04,870 --> 00:49:01,680

touched it it was cold but uh the paint

1250

00:49:07,910 --> 00:49:04,880

is faded it's kind of got opaque uh

1251

00:49:09,270 --> 00:49:07,920

windshields so the tires are flat it's

1252

00:49:11,670 --> 00:49:09,280

got the weeds growing up through the

1253

00:49:14,150 --> 00:49:11,680

cracks it's kind of got this ghostly

1254

00:49:16,790 --> 00:49:14,160

appeal though it does yeah well 20 30

1255

00:49:19,109 --> 00:49:16,800

years of sun of sun you know drenched

1256

00:49:21,589 --> 00:49:19,119

damage oh yeah and raining on it we'll

1257

00:49:23,510 --> 00:49:21,599

probably do that to any airplane it's

1258

00:49:26,470 --> 00:49:23,520

sad that they didn't uh preserve this

1259

00:49:28,630 --> 00:49:26,480

better yep now

1260

00:49:30,790 --> 00:49:28,640

i don't know if it could be salvaged to

1261

00:49:32,870 --> 00:49:30,800

fly again it would take millions but

1262

00:49:35,750 --> 00:49:32,880

it's maybe it's possible depending on

1263

00:49:38,309 --> 00:49:35,760

the structure integrity of the uh

1264

00:49:39,670 --> 00:49:38,319

the spars but uh it's possible and so i

1265

00:49:41,430 --> 00:49:39,680

asked the guy

1266

00:49:43,430 --> 00:49:41,440

what do you think did did

1267

00:49:45,910 --> 00:49:43,440

elvis know anything about it

1268

00:49:49,270 --> 00:49:45,920

and he told me that

1269

00:49:51,829 --> 00:49:49,280

with elvis's international connections

1270

00:49:54,710 --> 00:49:51,839

and his very good friendship

1271

00:49:56,790 --> 00:49:54,720

with richard nixon it's possible

1272

00:49:57,829 --> 00:49:56,800

that elvis knew something about roswell

1273

00:50:00,390 --> 00:49:57,839

but he never

1274

00:50:02,150 --> 00:50:00,400

admitted to it so i guess this question

1275

00:50:04,150 --> 00:50:02,160

is still out there

1276  
00:50:05,589 --> 00:50:04,160  
he could know something about it there

1277  
00:50:07,270 --> 00:50:05,599  
there might be there might have been

1278  
00:50:09,030 --> 00:50:07,280  
something there that that he knew but he

1279  
00:50:10,790 --> 00:50:09,040  
certainly never told anybody that we

1280  
00:50:12,710 --> 00:50:10,800  
know of anyway

1281  
00:50:14,390 --> 00:50:12,720  
interesting so there's a there's a

1282  
00:50:17,270 --> 00:50:14,400  
little bit of an elvis connection here

1283  
00:50:18,630 --> 00:50:17,280  
now if you go to the roswell ufo museum

1284  
00:50:20,630 --> 00:50:18,640  
and library

1285  
00:50:24,150 --> 00:50:20,640  
this is a kind of a view inside the

1286  
00:50:26,470 --> 00:50:24,160  
library and then these are the about 200

1287  
00:50:28,230 --> 00:50:26,480  
bank boxes of material

1288  
00:50:29,910 --> 00:50:28,240

and they also have these are kind of the

1289

00:50:32,470 --> 00:50:29,920

shots here it's it's a good they've done

1290

00:50:35,030 --> 00:50:32,480

a really good job at organizing this is

1291

00:50:37,510 --> 00:50:35,040

a first class operation here

1292

00:50:39,349 --> 00:50:37,520

and these carousels have some really

1293

00:50:41,190 --> 00:50:39,359

nice three ring binders and i only got

1294

00:50:42,950 --> 00:50:41,200

through the top of the one on the left

1295

00:50:46,870 --> 00:50:42,960

there's still a lot more research to go

1296

00:50:49,589 --> 00:50:46,880

here so that's just kind of a uh

1297

00:50:52,150 --> 00:50:49,599

highlight of the roswell trip now what i

1298

00:50:55,670 --> 00:50:52,160

want to do now steven is i want to

1299

00:50:57,430 --> 00:50:55,680

switch gears here and i'm going to go

1300

00:51:00,069 --> 00:50:57,440

through a couple of

1301

00:51:02,230 --> 00:51:00,079

your desktop is work is worsely

1302

00:51:03,750 --> 00:51:02,240

organized than mine there you go there

1303

00:51:06,710 --> 00:51:03,760

you go

1304

00:51:08,710 --> 00:51:06,720

well let's let's go into this

1305

00:51:10,870 --> 00:51:08,720

final revised

1306

00:51:13,589 --> 00:51:10,880

and i'm just going to run through a

1307

00:51:15,190 --> 00:51:13,599

couple of points here now this is kind

1308

00:51:17,829 --> 00:51:15,200

of uh

1309

00:51:20,309 --> 00:51:17,839

the questions i want to ask here

1310

00:51:21,750 --> 00:51:20,319

okay so i'm going to run through these

1311

00:51:24,309 --> 00:51:21,760

really quick

1312

00:51:26,150 --> 00:51:24,319

the roswell why questions this is what

1313

00:51:28,870 --> 00:51:26,160

i've titled this here

1314

00:51:30,870 --> 00:51:28,880

why were official government documents

1315

00:51:33,670 --> 00:51:30,880

relating to roswell army airfield in

1316

00:51:36,790 --> 00:51:33,680

1947 destroyed

1317

00:51:38,549 --> 00:51:36,800

that's interesting all right

1318

00:51:41,030 --> 00:51:38,559

yeah and i would think i would think

1319

00:51:43,589 --> 00:51:41,040

just the fact that they were the only

1320

00:51:45,670 --> 00:51:43,599

military base with nuclear with atomic

1321

00:51:47,589 --> 00:51:45,680

weapons at the time right

1322

00:51:49,829 --> 00:51:47,599

everything should be preserved from that

1323

00:51:51,990 --> 00:51:49,839

for the sake of

1324

00:51:54,069 --> 00:51:52,000

the sake of history even if forget the

1325

00:51:56,390 --> 00:51:54,079

alien stuff forget the roswell crash

1326

00:51:58,870 --> 00:51:56,400

just the fact that they that the that

1327

00:52:00,950 --> 00:51:58,880

bomb wing was the only

1328

00:52:03,430 --> 00:52:00,960

the only game in town for atomic weapons

1329

00:52:06,230 --> 00:52:03,440

right they dropped they dropped the

1330

00:52:08,710 --> 00:52:06,240

the bombs on japan and all that stuff i

1331

00:52:11,589 --> 00:52:08,720

would think every single paper should

1332

00:52:13,270 --> 00:52:11,599

have been preserved for history's sake

1333

00:52:15,510 --> 00:52:13,280

couldn't have said it better myself so

1334

00:52:17,910 --> 00:52:15,520

that includes the teletype messages

1335

00:52:19,670 --> 00:52:17,920

radiographs letters phone records and

1336

00:52:21,670 --> 00:52:19,680

invoice it's all gone where where are

1337

00:52:24,549 --> 00:52:21,680

those documents where are all those

1338

00:52:26,630 --> 00:52:24,559

written letters okay next one why were

1339

00:52:29,430 --> 00:52:26,640

all three letters written by stephen

1340

00:52:32,710 --> 00:52:29,440

schiff to les aspen requesting access to

1341

00:52:34,309 --> 00:52:32,720

all 1947 roswell files unanswered he

1342

00:52:37,670 --> 00:52:34,319

never got a reply

1343

00:52:41,030 --> 00:52:37,680

he did not even get a response

1344

00:52:43,190 --> 00:52:41,040

so that raises a red flag next one why

1345

00:52:45,109 --> 00:52:43,200

would so many death bed confessions by

1346

00:52:47,750 --> 00:52:45,119

both military and civilian witnesses

1347

00:52:49,829 --> 00:52:47,760

described non-human bodies recovered

1348

00:52:51,510 --> 00:52:49,839

rather than a weather balloon

1349

00:52:53,510 --> 00:52:51,520

not not one of them said that it was a

1350

00:52:55,829 --> 00:52:53,520

weather balloon so i think that's

1351

00:52:59,510 --> 00:52:55,839

interesting if the roswell craft was

1352

00:53:01,750 --> 00:52:59,520

only weather balloon why did former cic

1353

00:53:04,230 --> 00:53:01,760

drill worth combined in wicked years

1354

00:53:06,150 --> 00:53:04,240

after the crash quote honest to god they

1355

00:53:07,750 --> 00:53:06,160

still haven't figured out what that

1356

00:53:08,870 --> 00:53:07,760

stuff is

1357

00:53:10,710 --> 00:53:08,880

end quote

1358

00:53:14,069 --> 00:53:10,720

if the roswell craft was only a weather

1359

00:53:16,870 --> 00:53:14,079

balloon why would former provost marshal

1360

00:53:19,430 --> 00:53:16,880

edwin easley make reference to the

1361

00:53:22,309 --> 00:53:19,440

creatures just before he passed away at

1362

00:53:23,910 --> 00:53:22,319

parkland hospital in dallas texas

1363

00:53:27,750 --> 00:53:23,920

that's interesting

1364

00:53:31,829 --> 00:53:30,230

weather balloon to creatures

1365

00:53:33,589 --> 00:53:31,839

we're talking about something else here

1366

00:53:34,470 --> 00:53:33,599

we can't just be talking about a weather

1367

00:53:37,190 --> 00:53:34,480

balloon

1368

00:53:39,510 --> 00:53:37,200

why would former cia operator claire

1369

00:53:41,829 --> 00:53:39,520

miller who dispatched the funding for

1370

00:53:44,549 --> 00:53:41,839

the cleanup operation refused to talk to

1371

00:53:46,470 --> 00:53:44,559

cic member lewis rickett years after the

1372

00:53:48,470 --> 00:53:46,480

offend that's interesting

1373

00:53:51,430 --> 00:53:48,480

if the crash was only a weather balloon

1374

00:53:54,230 --> 00:53:51,440

why would sergeant fowlet jr with only

1375

00:53:56,790 --> 00:53:54,240

days to live confide in his daughter

1376  
00:53:59,829 --> 00:53:56,800  
that he was quote at roswell when they

1377  
00:54:02,309 --> 00:53:59,839  
recovered the spaceship i was involved

1378  
00:54:03,750 --> 00:54:02,319  
it's all true end quote

1379  
00:54:08,390 --> 00:54:03,760  
that's interesting

1380  
00:54:09,990 --> 00:54:08,400  
tend to

1381  
00:54:12,150 --> 00:54:10,000  
one of my favorite books on roswell is

1382  
00:54:14,069 --> 00:54:12,160  
this children of roswell

1383  
00:54:16,150 --> 00:54:14,079  
because it tells a lot of these death

1384  
00:54:17,670 --> 00:54:16,160  
bed confession stories and i just don't

1385  
00:54:19,030 --> 00:54:17,680  
see people at the end of their life

1386  
00:54:22,150 --> 00:54:19,040  
going you know what i'm going to do i'm

1387  
00:54:25,750 --> 00:54:22,160  
going to make up a story about aliens

1388  
00:54:27,589 --> 00:54:25,760

and and these people verifiedly were

1389

00:54:29,430 --> 00:54:27,599

stationed there at the time you can

1390

00:54:30,790 --> 00:54:29,440

check you know

1391

00:54:32,549 --> 00:54:30,800

it makes no sense that they would just

1392

00:54:34,470 --> 00:54:32,559

start making up stories about aliens on

1393

00:54:36,950 --> 00:54:34,480

their deathbed and tell their family and

1394

00:54:38,789 --> 00:54:36,960

in some cases the conversation goes like

1395

00:54:40,549 --> 00:54:38,799

i just want you to know this is what

1396

00:54:42,470 --> 00:54:40,559

happened and this is the truth and we're

1397

00:54:44,390 --> 00:54:42,480

not alone in the universe there's other

1398

00:54:46,309 --> 00:54:44,400

intelligent life out there and i know

1399

00:54:47,990 --> 00:54:46,319

because i've witnessed this event that

1400

00:54:50,549 --> 00:54:48,000

was covered up why would you tell your

1401

00:54:52,549 --> 00:54:50,559

children that on your deathbed exactly

1402

00:54:53,829 --> 00:54:52,559

it makes no sense to me

1403

00:54:57,349 --> 00:54:53,839

i agree

1404

00:54:59,190 --> 00:54:57,359

uh next one here myers juani oh no this

1405

00:55:03,190 --> 00:54:59,200

is where we want to go here uh captain

1406

00:55:06,309 --> 00:55:03,200

darwin e rug museum 718th bomb group

1407

00:55:08,549 --> 00:55:06,319

operations officer on his deathbed told

1408

00:55:09,990 --> 00:55:08,559

family members that the roswell incident

1409

00:55:12,710 --> 00:55:10,000

was true

1410

00:55:15,670 --> 00:55:12,720

and that four bodies were recovered

1411

00:55:18,390 --> 00:55:15,680

meyer's wani b-24 liberated pilot in

1412

00:55:21,349 --> 00:55:18,400

world war ii was ordered to roswell army

1413

00:55:23,589 --> 00:55:21,359

airfield to oversee the transport of a

1414

00:55:26,309 --> 00:55:23,599

top secret item from roswell to fort

1415

00:55:28,710 --> 00:55:26,319

worth by way of a b-29 in the final

1416

00:55:31,190 --> 00:55:28,720

years of his life juani told his

1417

00:55:33,510 --> 00:55:31,200

daughter that the roswell incident was

1418

00:55:36,069 --> 00:55:33,520

real and that he had flown the bodies

1419

00:55:38,150 --> 00:55:36,079

from roswell to fort worth he also

1420

00:55:40,150 --> 00:55:38,160

mentioned that there were three sites

1421

00:55:41,910 --> 00:55:40,160

and told his family quote whatever you

1422

00:55:43,349 --> 00:55:41,920

do don't believe the government it

1423

00:55:46,549 --> 00:55:43,359

really happened

1424

00:55:50,069 --> 00:55:46,559

so now we've got b-29 people talking

1425

00:55:52,069 --> 00:55:50,079

uh b24 liberator pilots see that that's

1426

00:55:53,270 --> 00:55:52,079

the caliber of witnesses that we want

1427

00:55:56,230 --> 00:55:53,280

here

1428

00:55:58,230 --> 00:55:56,240

next one why would cic captain sheridan

1429

00:56:00,710 --> 00:55:58,240

cabot refuse to talk about the roswell

1430

00:56:03,109 --> 00:56:00,720

events to family members with only days

1431

00:56:05,349 --> 00:56:03,119

to live if it was if what was recovered

1432

00:56:07,190 --> 00:56:05,359

was only a weather balloon if the crash

1433

00:56:09,670 --> 00:56:07,200

at roswell was only a weather balloon

1434

00:56:13,190 --> 00:56:09,680

why would sheridan kevin's csc air force

1435

00:56:14,789 --> 00:56:13,200

osi boss doyle reeves write him a letter

1436

00:56:16,789 --> 00:56:14,799

stating the following

1437

00:56:18,710 --> 00:56:16,799

when you call the press conference to

1438

00:56:21,430 --> 00:56:18,720

tell the world let me know because i

1439

00:56:23,589 --> 00:56:21,440

want to be there that's interesting

1440

00:56:25,829 --> 00:56:23,599

if it was only a weather balloon or top

1441

00:56:28,150 --> 00:56:25,839

secret american or german experimental

1442

00:56:30,870 --> 00:56:28,160

aircraft why could

1443

00:56:32,870 --> 00:56:30,880

why could werner von braun top german

1444

00:56:34,630 --> 00:56:32,880

rocket scientist not identify the

1445

00:56:37,109 --> 00:56:34,640

material when he arrived at the crash

1446

00:56:40,150 --> 00:56:37,119

site if the crash at roswell was only a

1447

00:56:43,910 --> 00:56:40,160

weather balloon why would 390th

1448

00:56:46,150 --> 00:56:43,920

ass mp leroy wallace who helped load the

1449

00:56:49,190 --> 00:56:46,160

bodies at the crash site need to

1450

00:56:51,589 --> 00:56:49,200

constantly bathe and wash his and bathe

1451

00:56:53,670 --> 00:56:51,599

his hand to rid himself of the terrible

1452

00:56:56,309 --> 00:56:53,680

stench that's what we talked about he

1453

00:57:00,789 --> 00:56:56,319

later burned his clothes and burned the

1454

00:57:04,789 --> 00:57:02,549

that's some pretty good evidence that's

1455

00:57:06,549 --> 00:57:04,799

some pretty good uh

1456

00:57:07,750 --> 00:57:06,559

yeah i've heard that before and i found

1457

00:57:10,069 --> 00:57:07,760

that i found that to be pretty

1458

00:57:12,150 --> 00:57:10,079

convincing evidence like what yeah

1459

00:57:15,270 --> 00:57:12,160

there wasn't if if there wasn't this

1460

00:57:16,950 --> 00:57:15,280

intense crazy you know stench and and

1461

00:57:18,950 --> 00:57:16,960

who knows what aliens smell like maybe

1462

00:57:21,190 --> 00:57:18,960

it's worse because this they've got some

1463

00:57:23,030 --> 00:57:21,200

kind of different enzymes than us or

1464

00:57:24,630 --> 00:57:23,040

different you know and they're laying

1465

00:57:26,549 --> 00:57:24,640

out there in the desert for five days

1466

00:57:27,750 --> 00:57:26,559

that's to wreak

1467

00:57:30,390 --> 00:57:27,760

absolutely

1468

00:57:32,950 --> 00:57:30,400

uh why would the u.s military conduct a

1469

00:57:35,910 --> 00:57:32,960

test flight of a top secret experimental

1470

00:57:37,270 --> 00:57:35,920

aircraft at night during a thunder storm

1471

00:57:39,270 --> 00:57:37,280

lightning storm

1472

00:57:41,750 --> 00:57:39,280

classified aircraft are tested at murrak

1473

00:57:44,390 --> 00:57:41,760

dry lake edwards air force base not near

1474

00:57:46,309 --> 00:57:44,400

roswell army airfield why did special

1475

00:57:48,150 --> 00:57:46,319

unscheduled flights arrive from

1476

00:57:50,549 --> 00:57:48,160

washington dc

1477

00:57:52,710 --> 00:57:50,559

white sands fort bliss and kirkland air

1478

00:57:55,190 --> 00:57:52,720

force base immediately after the debris

1479

00:57:57,349 --> 00:57:55,200

was recovered that's another good one

1480

00:57:59,750 --> 00:57:57,359

don schmidt knows about that very well

1481

00:58:01,510 --> 00:57:59,760

you've got immediately after this happen

1482

00:58:03,910 --> 00:58:01,520

you've got flights coming in from

1483

00:58:05,750 --> 00:58:03,920

washington white sands fort bliss

1484

00:58:08,789 --> 00:58:05,760

kirtland air force base

1485

00:58:10,069 --> 00:58:08,799

over a weather balloon

1486

00:58:12,470 --> 00:58:10,079

uh

1487

00:58:14,870 --> 00:58:12,480

why did senator dennis chavez phone

1488

00:58:17,430 --> 00:58:14,880

whitmore senior and advise him to do

1489

00:58:19,829 --> 00:58:17,440

what he was instructed by the fcc to not

1490

00:58:21,910 --> 00:58:19,839

broadcast a wire recorded interview with

1491

00:58:23,430 --> 00:58:21,920

matt russell that's a interesting point

1492

00:58:26,069 --> 00:58:23,440

that we've heard of before

1493

00:58:27,750 --> 00:58:26,079

why was barry goldwater denied access to

1494

00:58:29,270 --> 00:58:27,760

the quote-unquote blue room at

1495

00:58:31,750 --> 00:58:29,280

wright-patterson air force base by

1496

00:58:33,910 --> 00:58:31,760

general curtis lemay that's never

1497

00:58:36,549 --> 00:58:33,920

technically been answered uh let's

1498

00:58:38,549 --> 00:58:36,559

continue here why did mac brazil later

1499

00:58:41,750 --> 00:58:38,559

claim that he found the material on june

1500

00:58:43,990 --> 00:58:41,760

14th and that it consisted of rubber tin

1501  
00:58:46,390 --> 00:58:44,000  
foil tape and wooden sticks

1502  
00:58:48,950 --> 00:58:46,400  
why was matt brazile's son paul turned

1503  
00:58:51,190 --> 00:58:48,960  
away by mps 10 miles from the debris

1504  
00:58:53,109 --> 00:58:51,200  
field when he attempted to water the

1505  
00:58:55,109 --> 00:58:53,119  
horses on the ranch

1506  
00:58:57,829 --> 00:58:55,119  
if the crash was only a weather balloon

1507  
00:59:00,549 --> 00:58:57,839  
why would lewis rickett ask cabot if the

1508  
00:59:02,549 --> 00:59:00,559  
material was hot radioactive when he

1509  
00:59:04,630 --> 00:59:02,559  
traveled to the debris field what do you

1510  
00:59:06,230 --> 00:59:04,640  
think about that stephen

1511  
00:59:08,069 --> 00:59:06,240  
would that yeah

1512  
00:59:10,230 --> 00:59:08,079  
i i i don't understand why a weather

1513  
00:59:13,190 --> 00:59:10,240

balloon would have radioactive materials

1514

00:59:16,470 --> 00:59:13,200

included with it or even if it was a you

1515

00:59:19,510 --> 00:59:16,480

know a spy balloon or whatever you know

1516

00:59:21,109 --> 00:59:19,520

uh that makes no sense to me so it had

1517

00:59:23,510 --> 00:59:21,119

to be something more exotic than a

1518

00:59:25,910 --> 00:59:23,520

weather balloon to me right

1519

00:59:27,750 --> 00:59:25,920

uh why would cabin invite master

1520

00:59:28,870 --> 00:59:27,760

sergeant louis rickett to view the

1521

00:59:31,109 --> 00:59:28,880

debris

1522

00:59:33,030 --> 00:59:31,119

for an independent assessment opinion

1523

00:59:34,470 --> 00:59:33,040

regarding the strange wreckage if it was

1524

00:59:36,710 --> 00:59:34,480

only a weather balloon

1525

00:59:39,270 --> 00:59:36,720

why would the military return to max

1526  
00:59:40,069 --> 00:59:39,280  
house looking for any remaining debris a

1527  
00:59:43,190 --> 00:59:40,079  
full

1528  
00:59:45,829 --> 00:59:43,200  
two years after the event

1529  
00:59:48,950 --> 00:59:45,839  
that's a good one why would mac brazil's

1530  
00:59:51,829 --> 00:59:48,960  
uh storm out of the restaurant in 1959

1531  
00:59:53,829 --> 00:59:51,839  
after being asked about the 1947 events

1532  
00:59:56,069 --> 00:59:53,839  
in roswell by a former real estate

1533  
00:59:57,990 --> 00:59:56,079  
salesman howard skogen

1534  
01:00:00,789 --> 00:59:58,000  
if the roswell craft was only a weather

1535  
01:00:02,950 --> 01:00:00,799  
balloon why was sergeant frederick

1536  
01:00:05,109 --> 01:00:02,960  
benthal ordered to review the background

1537  
01:00:07,430 --> 01:00:05,119  
files on both robert oppenheimer and

1538  
01:00:09,990 --> 01:00:07,440

general curist lemay during his flight

1539

01:00:12,150 --> 01:00:10,000

to roswell in a b-25 for the purpose of

1540

01:00:14,390 --> 01:00:12,160

photographing the bodies

1541

01:00:16,789 --> 01:00:14,400

why would a mortician meet the crew of

1542

01:00:18,870 --> 01:00:16,799

straight flush on the tarmac once it

1543

01:00:20,870 --> 01:00:18,880

landed in fort worth

1544

01:00:24,230 --> 01:00:20,880

that's it yeah and speaking of

1545

01:00:26,069 --> 01:00:24,240

photographing bodies or debris

1546

01:00:28,309 --> 01:00:26,079

isn't it true that they brought in

1547

01:00:30,069 --> 01:00:28,319

outside photographers and wouldn't they

1548

01:00:33,030 --> 01:00:30,079

have their own why would they bring in

1549

01:00:34,950 --> 01:00:33,040

outside photographers from from outside

1550

01:00:36,470 --> 01:00:34,960

of the base that doesn't make any sense

1551  
01:00:37,829 --> 01:00:36,480  
if it was just a weather balloon you got

1552  
01:00:39,270 --> 01:00:37,839  
people on the base they're familiar with

1553  
01:00:41,109 --> 01:00:39,280  
weather balloons

1554  
01:00:43,190 --> 01:00:41,119  
send them to take the pictures and

1555  
01:00:44,630 --> 01:00:43,200  
that's not what that's not what happened

1556  
01:00:46,630 --> 01:00:44,640  
they brought in

1557  
01:00:49,510 --> 01:00:46,640  
photographers from other bases for some

1558  
01:00:51,430 --> 01:00:49,520  
reason uh that that sort of checks out

1559  
01:00:53,589 --> 01:00:51,440  
with a lot of the leonard stringfield

1560  
01:00:56,710 --> 01:00:53,599  
cases as well where

1561  
01:00:58,630 --> 01:00:56,720  
uh we have pilots that saw a strange

1562  
01:01:00,710 --> 01:00:58,640  
movie that was circulated around

1563  
01:01:01,510 --> 01:01:00,720

multiple bases

1564

01:01:04,309 --> 01:01:01,520

where

1565

01:01:07,270 --> 01:01:04,319

two alien corpses were seen on a slab

1566

01:01:09,109 --> 01:01:07,280

and then the movie just cut off so

1567

01:01:11,829 --> 01:01:09,119

you're talking about motion picture film

1568

01:01:14,549 --> 01:01:11,839

reel photographs absolutely it appears

1569

01:01:16,789 --> 01:01:14,559

that these things were taken

1570

01:01:19,910 --> 01:01:16,799

okay now if the crash was only a weather

1571

01:01:21,589 --> 01:01:19,920

balloon why was corporal william quincy

1572

01:01:23,750 --> 01:01:21,599

ordered to guard overnight a

1573

01:01:26,390 --> 01:01:23,760

tarp-covered atomic bomb pit complete

1574

01:01:28,950 --> 01:01:26,400

with four by five by twelve wooden crate

1575

01:01:30,630 --> 01:01:28,960

b29 and double row of protective screen

1576

01:01:32,950 --> 01:01:30,640

see that's it

1577

01:01:35,190 --> 01:01:32,960

that just does not add up to being a

1578

01:01:37,109 --> 01:01:35,200

weather balloon uh and we'll just kind

1579

01:01:39,109 --> 01:01:37,119

of wrap it up here if the roswell crash

1580

01:01:41,750 --> 01:01:39,119

was nothing more than a weather bloom

1581

01:01:45,510 --> 01:01:41,760

why would marcel make reference to see

1582

01:01:48,549 --> 01:01:45,520

white rubbery figures at the crash site

1583

01:01:51,910 --> 01:01:48,559

why did tj slowly executive secretary of

1584

01:01:54,710 --> 01:01:51,920

the fcc warn george roberts minority

1585

01:01:58,150 --> 01:01:54,720

owner of kgfl that if

1586

01:02:00,150 --> 01:01:58,160

uh they they air any portion of brazil's

1587

01:02:03,109 --> 01:02:00,160

previously recorded interview they would

1588

01:02:05,589 --> 01:02:03,119

lose their broadcasting like license

1589

01:02:08,510 --> 01:02:05,599

why would william blanchard roswell army

1590

01:02:10,789 --> 01:02:08,520

interface base commander leave his base

1591

01:02:13,510 --> 01:02:10,799

responsibilities to examine a weather

1592

01:02:14,870 --> 01:02:13,520

balloon there is a good point

1593

01:02:17,270 --> 01:02:14,880

he wouldn't bother

1594

01:02:19,190 --> 01:02:17,280

why was mack brazil abducted by mps

1595

01:02:21,670 --> 01:02:19,200

directly off the roswell downtown

1596

01:02:24,470 --> 01:02:21,680

streets why did brazil

1597

01:02:27,270 --> 01:02:24,480

bilbrazzle max sun state that his father

1598

01:02:29,510 --> 01:02:27,280

was never the same after the event

1599

01:02:31,670 --> 01:02:29,520

why did cic captain sheridan cabot

1600

01:02:33,270 --> 01:02:31,680

prohibit marcel from gaining access to

1601

01:02:35,670 --> 01:02:33,280

his official report

1602

01:02:38,150 --> 01:02:35,680

if the crash at roswell's was just a

1603

01:02:41,029 --> 01:02:38,160

weather bloom why did sheridan kevin

1604

01:02:42,710 --> 01:02:41,039

slam his fist down on the table and

1605

01:02:45,270 --> 01:02:42,720

storm out of the room during

1606

01:02:48,230 --> 01:02:45,280

thanksgiving dinner decades after the

1607

01:02:50,150 --> 01:02:48,240

event when his son joseph cabot asked

1608

01:02:53,349 --> 01:02:50,160

him what happened to the black box that

1609

01:02:56,150 --> 01:02:53,359

was recovered near the debris field so

1610

01:02:57,589 --> 01:02:56,160

when you put this all together

1611

01:02:59,270 --> 01:02:57,599

it's clear

1612

01:03:00,710 --> 01:02:59,280

we are not talking about a weather

1613

01:03:04,950 --> 01:03:00,720

balloon here there's something else

1614

01:03:06,870 --> 01:03:04,960

going on i would tend to agree with you

1615

01:03:08,470 --> 01:03:06,880

something else going on

1616

01:03:10,950 --> 01:03:08,480

uh okay now

1617

01:03:12,390 --> 01:03:10,960

a couple things that we want to do to be

1618

01:03:15,109 --> 01:03:12,400

neutral here

1619

01:03:18,230 --> 01:03:15,119

to be completely neutral let's look at a

1620

01:03:21,029 --> 01:03:18,240

couple of other pieces of evidence here

1621

01:03:22,630 --> 01:03:21,039

and i've kind of termed this roswell

1622

01:03:24,870 --> 01:03:22,640

part 10

1623

01:03:27,430 --> 01:03:24,880

in a long series that i did called

1624

01:03:29,270 --> 01:03:27,440

roswell revelation so in this

1625

01:03:31,270 --> 01:03:29,280

installment of roswell revelation we

1626  
01:03:33,670 --> 01:03:31,280  
will closely examine the quote-unquote

1627  
01:03:35,670 --> 01:03:33,680  
trickle-down technology list

1628  
01:03:37,829 --> 01:03:35,680  
the following breakthrough technologies

1629  
01:03:40,950 --> 01:03:37,839  
were allegedly a direct result of the

1630  
01:03:43,430 --> 01:03:40,960  
roswell crash of 1947 so here's the list

1631  
01:03:46,390 --> 01:03:43,440  
number one image intensifiers number two

1632  
01:03:49,270 --> 01:03:46,400  
fiber optics number three super tenacity

1633  
01:03:51,750 --> 01:03:49,280  
fibers number four lasers number five

1634  
01:03:54,390 --> 01:03:51,760  
molecular alignment and metallic alloys

1635  
01:03:57,430 --> 01:03:54,400  
number six integrated circuits number

1636  
01:04:00,470 --> 01:03:57,440  
seven heart number eight project horizon

1637  
01:04:02,870 --> 01:04:00,480  
number nine portable atomic generators

1638  
01:04:05,510 --> 01:04:02,880

number 10 irradiated food

1639

01:04:08,710 --> 01:04:05,520

number 11 third brain guidance systems

1640

01:04:11,750 --> 01:04:08,720

ebe headbands number 12 particle beams

1641

01:04:15,029 --> 01:04:11,760

star wars anti-missile energy weapons

1642

01:04:17,349 --> 01:04:15,039

13 electromagnetic propulsion systems 14

1643

01:04:19,589 --> 01:04:17,359

depleted uranium projectiles and number

1644

01:04:21,029 --> 01:04:19,599

15 velcro

1645

01:04:23,270 --> 01:04:21,039

so

1646

01:04:25,349 --> 01:04:23,280

however were these breakthroughs really

1647

01:04:27,910 --> 01:04:25,359

the product of reverse engineering and

1648

01:04:31,990 --> 01:04:27,920

alien spacecraft or did they have a more

1649

01:04:34,549 --> 01:04:32,000

earthly antecedent prior to so if we

1650

01:04:36,710 --> 01:04:34,559

look at the breakdown here

1651

01:04:39,990 --> 01:04:36,720

let's talk let's look at the first one

1652

01:04:41,829 --> 01:04:40,000

night vision we've got dr v k zorkin

1653

01:04:43,990 --> 01:04:41,839

father of night vision

1654

01:04:47,589 --> 01:04:44,000

night visions and infrared systems were

1655

01:04:50,230 --> 01:04:47,599

used on german panther takes prior to

1656

01:04:53,589 --> 01:04:50,240

roswell 1947 they were actually employed

1657

01:04:55,910 --> 01:04:53,599

in 1943 four years before the roswell

1658

01:05:00,069 --> 01:04:58,470

so we need to address that that's

1659

01:05:01,270 --> 01:05:00,079

something that has to be looked at next

1660

01:05:03,109 --> 01:05:01,280

one yeah these

1661

01:05:05,349 --> 01:05:03,119

michael these claims of technology

1662

01:05:06,630 --> 01:05:05,359

derived from the roswell crash i've

1663

01:05:08,789 --> 01:05:06,640

never believed because i've

1664

01:05:10,710 --> 01:05:08,799

independently it looks like you've done

1665

01:05:13,109 --> 01:05:10,720

some of the same work that i did i

1666

01:05:14,630 --> 01:05:13,119

independently looked into right

1667

01:05:16,470 --> 01:05:14,640

what i found is most of these

1668

01:05:18,390 --> 01:05:16,480

technologies either already existed or

1669

01:05:20,710 --> 01:05:18,400

they're well on their way to becoming

1670

01:05:23,910 --> 01:05:20,720

reality before or

1671

01:05:24,710 --> 01:05:23,920

nearly after the roswell event i know i

1672

01:05:29,109 --> 01:05:24,720

know

1673

01:05:32,390 --> 01:05:29,119

but we we can't deny it even if it's

1674

01:05:33,829 --> 01:05:32,400

unpopular we still have to examine

1675

01:05:36,069 --> 01:05:33,839

counterpoints

1676

01:05:38,630 --> 01:05:36,079

because we have to be neutral we have

1677

01:05:41,230 --> 01:05:38,640

absolutely have to be neutral uh we look

1678

01:05:44,870 --> 01:05:41,240

at fiber optics

1679

01:05:47,510 --> 01:05:44,880

1884 illustration of a quote light pipe

1680

01:05:50,390 --> 01:05:47,520

by alexander graham bell so the the

1681

01:05:53,750 --> 01:05:50,400

beginning workings of fiber optics date

1682

01:05:56,630 --> 01:05:53,760

back to 1884. here's the uh photo phone

1683

01:05:58,710 --> 01:05:56,640

they talk about this 1842 interesting

1684

01:06:00,549 --> 01:05:58,720

you got it further back than me then

1685

01:06:03,910 --> 01:06:00,559

okay

1686

01:06:06,230 --> 01:06:03,920

we've got lasers here roof weeder row

1687

01:06:09,029 --> 01:06:06,240

and this is the the document here quote

1688

01:06:10,549 --> 01:06:09,039

cascade principle described in document

1689

01:06:13,589 --> 01:06:10,559

german document

1690

01:06:15,910 --> 01:06:13,599

uh as far back as 1917

1691

01:06:18,710 --> 01:06:15,920

uh they studied uh studies in germany in

1692

01:06:21,589 --> 01:06:18,720

the late 1920s they they go into the

1693

01:06:24,069 --> 01:06:21,599

historical legacy of the

1694

01:06:26,390 --> 01:06:24,079

cascade principle which is a which is

1695

01:06:28,390 --> 01:06:26,400

the forerunner to the laser so they were

1696

01:06:30,069 --> 01:06:28,400

already looking at this

1697

01:06:33,430 --> 01:06:30,079

very early on

1698

01:06:36,950 --> 01:06:33,440

uh transistor and integrated circuits

1699

01:06:39,670 --> 01:06:36,960

german kleistown tube 1940 to 1941 and

1700

01:06:41,029 --> 01:06:39,680

then photographs of german semiconductor

1701

01:06:44,069 --> 01:06:41,039

chips

1702

01:06:46,390 --> 01:06:44,079

this predates roswell by six years

1703

01:06:47,750 --> 01:06:46,400

they already had these tubes and

1704

01:06:51,109 --> 01:06:47,760

beginning the workings of the

1705

01:06:54,630 --> 01:06:51,119

semiconductor chips prior to roswell so

1706

01:06:56,230 --> 01:06:54,640

to be fair we have to look at this other

1707

01:06:58,150 --> 01:06:56,240

evidence as well

1708

01:06:59,510 --> 01:06:58,160

and then one other quick point i want to

1709

01:07:00,789 --> 01:06:59,520

look at as well

1710

01:07:03,510 --> 01:07:00,799

is

1711

01:07:04,630 --> 01:07:03,520

i have a i have a source who i will not

1712

01:07:07,270 --> 01:07:04,640

name

1713

01:07:09,510 --> 01:07:07,280

but i will give you his word for word

1714

01:07:12,870 --> 01:07:09,520

description he he believes he knows

1715

01:07:15,910 --> 01:07:12,880

exactly what the roswell incident was it

1716

01:07:19,670 --> 01:07:15,920

was a quote-unquote stovepipe operation

1717

01:07:21,349 --> 01:07:19,680

to ferret out german spies that's his

1718

01:07:23,029 --> 01:07:21,359

impression of it now these are direct

1719

01:07:24,230 --> 01:07:23,039

statements i won't name them but this is

1720

01:07:27,029 --> 01:07:24,240

what he said

1721

01:07:29,670 --> 01:07:27,039

roswell disinfo was so successful at

1722

01:07:31,270 --> 01:07:29,680

smoking out spies and molds that eight

1723

01:07:33,029 --> 01:07:31,280

months after hearing that u.s

1724

01:07:35,750 --> 01:07:33,039

intelligence found their spies the

1725

01:07:37,430 --> 01:07:35,760

soviets created their own alien crash

1726

01:07:40,390 --> 01:07:37,440

the following year to do the same

1727

01:07:42,549 --> 01:07:40,400

because they feared u.s spies

1728

01:07:45,109 --> 01:07:42,559

then i asked him i go well how many he

1729

01:07:46,150 --> 01:07:45,119

said 12 were made three were used as

1730

01:07:48,230 --> 01:07:46,160

wreckage

1731

01:07:50,309 --> 01:07:48,240

eight to nine were used in hangars as

1732

01:07:51,510 --> 01:07:50,319

props to test military intel and

1733

01:07:54,549 --> 01:07:51,520

scientists

1734

01:07:57,349 --> 01:07:54,559

all were props incapable of flying they

1735

01:07:59,270 --> 01:07:57,359

sat in hangars and were moved around so

1736

01:08:01,349 --> 01:07:59,280

that personnel and satellites in

1737

01:08:02,230 --> 01:08:01,359

subsequent years thought they were

1738

01:08:04,630 --> 01:08:02,240

moving

1739

01:08:06,789 --> 01:08:04,640

since uh positions daily the text is a

1740

01:08:08,230 --> 01:08:06,799

little choppy here tested different

1741

01:08:10,190 --> 01:08:08,240

incoming shifts

1742

01:08:12,390 --> 01:08:10,200

we built those stovepipe is a

1743

01:08:13,349 --> 01:08:12,400

counterintelligence technique it's a

1744

01:08:15,589 --> 01:08:13,359

term

1745

01:08:18,149 --> 01:08:15,599

the craft were not called that the

1746

01:08:20,709 --> 01:08:18,159

detachment would use the fake models to

1747

01:08:22,149 --> 01:08:20,719

test incoming guys to where intel

1748

01:08:24,390 --> 01:08:22,159

flushed out at

1749

01:08:27,189 --> 01:08:24,400

back then it was cia

1750

01:08:29,590 --> 01:08:27,199

or be back before then it was cia they

1751

01:08:32,070 --> 01:08:29,600

used the oss which was the office of

1752

01:08:34,390 --> 01:08:32,080

strategic services would have used a

1753

01:08:36,829 --> 01:08:34,400

group called detachment 101 this is the

1754

01:08:39,990 --> 01:08:36,839

group that allegedly built these

1755

01:08:42,149 --> 01:08:40,000

mock-ups and quote-unquote crash them

1756

01:08:44,149 --> 01:08:42,159

when the war department was in charge of

1757

01:08:47,030 --> 01:08:44,159

everything they started a foreign

1758

01:08:50,229 --> 01:08:47,040

intelligent group called detachment 101

1759

01:08:52,229 --> 01:08:50,239

so when the oss started they already

1760

01:08:54,470 --> 01:08:52,239

was these guys already experienced in

1761

01:08:57,189 --> 01:08:54,480

foreign affairs and special activities

1762

01:09:00,070 --> 01:08:57,199

no laws and definitions back then was

1763

01:09:01,990 --> 01:09:00,080

the wild wild west of intelligence so

1764

01:09:04,630 --> 01:09:02,000

that's according to this source he

1765

01:09:07,030 --> 01:09:04,640

believes it was a stove piping operation

1766

01:09:09,110 --> 01:09:07,040

to smoke out german spies

1767

01:09:11,269 --> 01:09:09,120

and that's kind of the counter points i

1768

01:09:13,189 --> 01:09:11,279

wanted to bring up

1769

01:09:14,870 --> 01:09:13,199

interesting i've never heard of this you

1770

01:09:16,870 --> 01:09:14,880

know i've heard the annie jacobson

1771

01:09:17,910 --> 01:09:16,880

explanation which i don't find credible

1772

01:09:19,910 --> 01:09:17,920

at all

1773

01:09:21,110 --> 01:09:19,920

because her so-called witness told her

1774

01:09:22,870 --> 01:09:21,120

one thing

1775

01:09:24,870 --> 01:09:22,880

happened at roswell

1776

01:09:28,229 --> 01:09:24,880

with this uh you know

1777

01:09:29,910 --> 01:09:28,239

fake uh you know they back they uh

1778

01:09:31,110 --> 01:09:29,920

apparently according to annie jacobson's

1779

01:09:33,189 --> 01:09:31,120

witness they

1780

01:09:35,189 --> 01:09:33,199

you know did some kind of surgery or

1781

01:09:37,030 --> 01:09:35,199

already deformed children or something

1782

01:09:39,430 --> 01:09:37,040

like that and then crashed it on purpose

1783

01:09:40,950 --> 01:09:39,440

to scare us or whatever and he told

1784

01:09:43,950 --> 01:09:40,960

george knapp an entirely different

1785

01:09:45,990 --> 01:09:43,960

explanation of what happened at roswell

1786

01:09:48,630 --> 01:09:46,000

[Music]

1787

01:09:51,349 --> 01:09:48,640

let's see if i can get back to uh where

1788

01:09:53,030 --> 01:09:51,359

we're at here uh let's see here

1789

01:09:54,470 --> 01:09:53,040

can i get back to

1790

01:09:56,390 --> 01:09:54,480

to you here

1791

01:09:59,270 --> 01:09:56,400

uh oh do you want me to stop the screen

1792

01:10:02,390 --> 01:09:59,280

stop sharing at this point yeah see now

1793

01:10:05,350 --> 01:10:02,400

looking at looking at his information

1794

01:10:08,390 --> 01:10:05,360

it doesn't technically jive with what we

1795

01:10:11,189 --> 01:10:08,400

know about the bodies the the b-29

1796

01:10:14,470 --> 01:10:11,199

flights the the crates

1797

01:10:17,510 --> 01:10:14,480

see how do we factor all that in uh the

1798

01:10:19,830 --> 01:10:17,520

the stench of the bodies the b-29 flanks

1799

01:10:22,950 --> 01:10:19,840

so it's still kind of a mystery because

1800

01:10:24,630 --> 01:10:22,960

even his counterpoints don't technically

1801  
01:10:26,790 --> 01:10:24,640  
jive with what we know about miriam

1802  
01:10:28,870 --> 01:10:26,800  
black mac magruder so again

1803  
01:10:30,630 --> 01:10:28,880  
we're back to this thing about these

1804  
01:10:33,030 --> 01:10:30,640  
bodies again how do we

1805  
01:10:35,830 --> 01:10:33,040  
how do we actually describe

1806  
01:10:37,750 --> 01:10:35,840  
and account for the bodies if they were

1807  
01:10:39,590 --> 01:10:37,760  
making a mock-up

1808  
01:10:42,070 --> 01:10:39,600  
this is something that i'm sure would be

1809  
01:10:44,149 --> 01:10:42,080  
bent by a 16-pound sledgehammer but yet

1810  
01:10:45,990 --> 01:10:44,159  
the witnesses said that the debris could

1811  
01:10:48,870 --> 01:10:46,000  
not be gentle with a 16-pound sledge

1812  
01:10:51,110 --> 01:10:48,880  
number so even the counter points seem

1813  
01:10:53,030 --> 01:10:51,120

to kind of fall apart and we're back to

1814

01:10:54,550 --> 01:10:53,040

this going back to the original

1815

01:10:57,270 --> 01:10:54,560

witnesses again

1816

01:10:59,189 --> 01:10:57,280

yeah and and the most popular narrative

1817

01:11:01,510 --> 01:10:59,199

which is the narrative that it was an

1818

01:11:04,630 --> 01:11:01,520

alien spacecraft and bodies were

1819

01:11:07,830 --> 01:11:04,640

recovered and that the debris was

1820

01:11:09,990 --> 01:11:07,840

otherworldly therefore couldn't be cut

1821

01:11:12,630 --> 01:11:10,000

smashed whatever

1822

01:11:14,070 --> 01:11:12,640

and and interesting i i did have a a

1823

01:11:15,350 --> 01:11:14,080

question from the live chat that i

1824

01:11:17,350 --> 01:11:15,360

thought was interesting and since you're

1825

01:11:19,669 --> 01:11:17,360

an aircraft historian i thought you're

1826

01:11:21,189 --> 01:11:19,679

the perfect person to answer this and i

1827

01:11:23,110 --> 01:11:21,199

suppose they know that that's why

1828

01:11:24,830 --> 01:11:23,120

they're asking so

1829

01:11:27,350 --> 01:11:24,840

one second

1830

01:11:29,189 --> 01:11:27,360

um patrick sheehan

1831

01:11:31,830 --> 01:11:29,199

asks please ask michael about the

1832

01:11:34,390 --> 01:11:31,840

possible possibility that the roswell

1833

01:11:37,669 --> 01:11:34,400

incident involved u.s navy top secret

1834

01:11:39,510 --> 01:11:37,679

x5u program it was supposedly cancelled

1835

01:11:41,990 --> 01:11:39,520

in 1947

1836

01:11:44,709 --> 01:11:42,000

called the flying flapjack early scale

1837

01:11:45,669 --> 01:11:44,719

prototype was flown by lindbergh

1838

01:11:47,030 --> 01:11:45,679

yes

1839

01:11:48,870 --> 01:11:47,040

yeah that's

1840

01:11:51,110 --> 01:11:48,880

and we're talking about some of the

1841

01:11:54,070 --> 01:11:51,120

things that were done by zimmerman the

1842

01:11:54,870 --> 01:11:54,080

flying flapjack the other one which had

1843

01:12:07,830 --> 01:11:54,880

the

1844

01:12:10,149 --> 01:12:07,840

mechanism was too sophisticated and so

1845

01:12:12,229 --> 01:12:10,159

they never flew it but uh

1846

01:12:14,229 --> 01:12:12,239

jack pickett is of the belief that there

1847

01:12:17,030 --> 01:12:14,239

were jet powered

1848

01:12:18,790 --> 01:12:17,040

u.s air force jet flying wing aircraft

1849

01:12:20,790 --> 01:12:18,800

but since this is 47 that would have

1850

01:12:22,390 --> 01:12:20,800

been very early on very early i'm just

1851  
01:12:24,870 --> 01:12:22,400  
going to show a picture for people very

1852  
01:12:26,709 --> 01:12:24,880  
interesting airplane and i like weird uh

1853  
01:12:28,470 --> 01:12:26,719  
you know airplanes like this it's just

1854  
01:12:30,470 --> 01:12:28,480  
it's a nice it's a nice aircraft but

1855  
01:12:34,229 --> 01:12:30,480  
that that plane was never flown

1856  
01:12:35,510 --> 01:12:34,239  
it was not cool design though yeah sure

1857  
01:12:37,510 --> 01:12:35,520  
definitely a cool design so you don't

1858  
01:12:40,470 --> 01:12:37,520  
think this had anything to do with roger

1859  
01:12:42,390 --> 01:12:40,480  
there was not it was not this one

1860  
01:12:43,910 --> 01:12:42,400  
and one of my other questions for you

1861  
01:12:45,750 --> 01:12:43,920  
would be um

1862  
01:12:48,149 --> 01:12:45,760  
what do you think of some people believe

1863  
01:12:50,470 --> 01:12:48,159

that the russian fly or excuse me the

1864

01:12:52,310 --> 01:12:50,480

german flying wing aircraft that was

1865

01:12:54,390 --> 01:12:52,320

recovered may have had something to do

1866

01:12:56,630 --> 01:12:54,400

with roswell like maybe they reproduced

1867

01:12:58,630 --> 01:12:56,640

it they were doing tests and that's what

1868

01:12:59,430 --> 01:12:58,640

crashed

1869

01:13:01,270 --> 01:12:59,440

yeah

1870

01:13:03,669 --> 01:13:01,280

i know that uh

1871

01:13:06,229 --> 01:13:03,679

don schmidt had gone down that road and

1872

01:13:08,709 --> 01:13:06,239

he's absolutely convinced it has nothing

1873

01:13:11,110 --> 01:13:08,719

to do with a horton 229 because now

1874

01:13:13,510 --> 01:13:11,120

you've got jet engines you've got rivets

1875

01:13:15,669 --> 01:13:13,520

you've got sort of a composite aircraft

1876

01:13:17,189 --> 01:13:15,679

construction there were no rivets

1877

01:13:19,669 --> 01:13:17,199

whatever they described and you know we

1878

01:13:22,709 --> 01:13:19,679

can even go back to the black box

1879

01:13:24,790 --> 01:13:22,719

that black dock was completely seamless

1880

01:13:26,950 --> 01:13:24,800

so there were no rivets

1881

01:13:29,430 --> 01:13:26,960

there were no fasteners probably weren't

1882

01:13:32,070 --> 01:13:29,440

any weld marks and that has to be

1883

01:13:36,229 --> 01:13:32,080

explained if this was a mock-up if this

1884

01:13:39,110 --> 01:13:36,239

was a a fake crash built by oss

1885

01:13:41,030 --> 01:13:39,120

to ferret out german spies then how do

1886

01:13:43,030 --> 01:13:41,040

you account for this black box that was

1887

01:13:45,270 --> 01:13:43,040

recovered how do you account for the

1888

01:13:47,910 --> 01:13:45,280

fuse glass that they found indicative of

1889

01:13:50,390 --> 01:13:47,920

high heat so there's a lot more going on

1890

01:13:52,709 --> 01:13:50,400

here and i'm going to remain neutral i'm

1891

01:13:55,430 --> 01:13:52,719

not going to jump on you plus or minus

1892

01:13:57,830 --> 01:13:55,440

i'm going to continue doing the research

1893

01:14:00,070 --> 01:13:57,840

and wherever the truth leads whether

1894

01:14:01,990 --> 01:14:00,080

it's unpopular it's inconvenient i'm

1895

01:14:04,550 --> 01:14:02,000

gonna go with that

1896

01:14:06,390 --> 01:14:04,560

well i i appreciate that you uh are open

1897

01:14:07,430 --> 01:14:06,400

to all the possibilities too when you

1898

01:14:09,110 --> 01:14:07,440

don't just

1899

01:14:11,750 --> 01:14:09,120

you know i've seen some people just

1900

01:14:13,510 --> 01:14:11,760

reject evidence because it doesn't fit

1901

01:14:15,430 --> 01:14:13,520

what they believe and and i don't think

1902

01:14:17,990 --> 01:14:15,440

that's the right way to go about it i

1903

01:14:20,630 --> 01:14:18,000

think we should accept all of this

1904

01:14:22,470 --> 01:14:20,640

you know accept all of the uh

1905

01:14:25,189 --> 01:14:22,480

all of the information and i want to

1906

01:14:27,750 --> 01:14:25,199

thank lord ludacris who said uh

1907

01:14:30,149 --> 01:14:27,760

of michael schrad he said uh the very

1908

01:14:31,030 --> 01:14:30,159

best person to close the amazing series

1909

01:14:33,510 --> 01:14:31,040

out

1910

01:14:35,590 --> 01:14:33,520

uh the roswell series is one of my

1911

01:14:37,510 --> 01:14:35,600

favorite things you have done stephen

1912

01:14:39,830 --> 01:14:37,520

and michael i love your work and passion

1913

01:14:41,590 --> 01:14:39,840

so thank you lord ludacris

1914

01:14:43,350 --> 01:14:41,600

for your kind do you got a little bit of

1915

01:14:45,510 --> 01:14:43,360

time we can take if somebody has any

1916

01:14:48,229 --> 01:14:45,520

questions for you in the live chat

1917

01:14:51,030 --> 01:14:48,239

yeah see whatever the truth ultimately

1918

01:14:53,590 --> 01:14:51,040

comes out about roswell it has to answer

1919

01:14:56,149 --> 01:14:53,600

all the questions it can't answer some

1920

01:14:59,030 --> 01:14:56,159

it has to answer all it has to answer

1921

01:15:01,510 --> 01:14:59,040

the debris it has to answer the the

1922

01:15:03,189 --> 01:15:01,520

bodies it has to answer for all the

1923

01:15:04,709 --> 01:15:03,199

unknowns yeah the only explanation the

1924

01:15:05,750 --> 01:15:04,719

government provided for the bodies was

1925

01:15:07,990 --> 01:15:05,760

some kind of

1926

01:15:09,510 --> 01:15:08,000

you know tests high altitude tests where

1927

01:15:11,910 --> 01:15:09,520

they were dropping

1928

01:15:13,990 --> 01:15:11,920

mannequins and that doesn't right that

1929

01:15:15,830 --> 01:15:14,000

doesn't work because that didn't happen

1930

01:15:17,910 --> 01:15:15,840

until years later first of all and

1931

01:15:19,669 --> 01:15:17,920

second of all those were six foot tall

1932

01:15:21,990 --> 01:15:19,679

mannequins that doesn't explain the

1933

01:15:24,390 --> 01:15:22,000

bodies at all but according to some

1934

01:15:25,830 --> 01:15:24,400

skeptics well it was just mannequins

1935

01:15:27,189 --> 01:15:25,840

you know they were testing things they

1936

01:15:29,430 --> 01:15:27,199

dropped a bunch of mannequins out of

1937

01:15:31,669 --> 01:15:29,440

planes high altitude testing or

1938

01:15:34,550 --> 01:15:31,679

parachute testing or whatever

1939

01:15:36,310 --> 01:15:34,560

that explanation to me is is about as

1940

01:15:38,550 --> 01:15:36,320

credible as you know the swamp gas

1941

01:15:39,990 --> 01:15:38,560

explanation for some ufos it just

1942

01:15:44,630 --> 01:15:40,000

doesn't

1943

01:15:47,430 --> 01:15:44,640

to six foot two

1944

01:15:50,229 --> 01:15:47,440

wooden crash test dummy would not fit in

1945

01:15:53,189 --> 01:15:50,239

a child sized casket ain't gonna work

1946

01:15:56,149 --> 01:15:53,199

that's that's another one as well so now

1947

01:15:57,750 --> 01:15:56,159

that the 75th anniversary is coming up

1948

01:15:59,750 --> 01:15:57,760

the do you know they're doing some

1949

01:16:01,910 --> 01:15:59,760

special events for that as well for the

1950

01:16:03,350 --> 01:16:01,920

75th anniversary

1951

01:16:04,709 --> 01:16:03,360

um

1952

01:16:07,030 --> 01:16:04,719

to me it's just

1953

01:16:08,630 --> 01:16:07,040

this is the 75th anniversary of a great

1954

01:16:11,189 --> 01:16:08,640

great mystery do you think that we'll

1955

01:16:13,750 --> 01:16:11,199

ever get a definitive answer or that

1956

01:16:16,470 --> 01:16:13,760

this mystery will be ever solved

1957

01:16:18,390 --> 01:16:16,480

very good question without the physical

1958

01:16:21,030 --> 01:16:18,400

evidence we are just going to be

1959

01:16:23,350 --> 01:16:21,040

spinning our wheels that's it

1960

01:16:26,790 --> 01:16:23,360

without that physical evidence it's just

1961

01:16:28,709 --> 01:16:26,800

going to be another one of these legends

1962

01:16:31,270 --> 01:16:28,719

and that's why i think that the leonard

1963

01:16:34,390 --> 01:16:31,280

stringfield crash retrieval witnesses

1964

01:16:36,550 --> 01:16:34,400

are so important because it does

1965

01:16:39,590 --> 01:16:36,560

provide corroborating evidence for the

1966

01:16:41,510 --> 01:16:39,600

roswell incident because he's got about

1967

01:16:44,470 --> 01:16:41,520

119

1968

01:16:46,950 --> 01:16:44,480

retrieval cases within his seven status

1969

01:16:49,189 --> 01:16:46,960

reports that's about two inches thick

1970

01:16:51,430 --> 01:16:49,199

now can we rule some of them out

1971

01:16:54,310 --> 01:16:51,440

absolutely some of them are overlapping

1972

01:16:55,430 --> 01:16:54,320

no problem some of them are hoaxes no

1973

01:16:57,590 --> 01:16:55,440

problem

1974

01:16:59,430 --> 01:16:57,600

so let's just let's take 20 off the

1975

01:17:01,750 --> 01:16:59,440

batch right there let's let's go from

1976

01:17:05,030 --> 01:17:01,760

119 let's just go down to a hundred

1977

01:17:07,510 --> 01:17:05,040

conservatively conservatively so

1978

01:17:10,070 --> 01:17:07,520

it's like the odds are a hundred to one

1979

01:17:12,630 --> 01:17:10,080

all we need is one to be correct that's

1980

01:17:15,669 --> 01:17:12,640

all we need so if you took those odds to

1981

01:17:17,669 --> 01:17:15,679

vegas and you went to the roulette wheel

1982

01:17:20,630 --> 01:17:17,679

and there were like a hundred spots

1983

01:17:22,149 --> 01:17:20,640

there and you bet on 99 of them you're

1984

01:17:24,790 --> 01:17:22,159

going to win you're going to win every

1985

01:17:27,110 --> 01:17:24,800

single yeah that's good the odds are in

1986

01:17:28,149 --> 01:17:27,120

our favor all we need is one to be

1987

01:17:29,669 --> 01:17:28,159

correct

1988

01:17:31,910 --> 01:17:29,679

yeah we have an excellent question from

1989

01:17:33,750 --> 01:17:31,920

number six uh is michael coming out with

1990

01:17:36,709 --> 01:17:33,760

a printed art book

1991

01:17:38,149 --> 01:17:36,719

well i think my dark files book is my

1992

01:17:40,709 --> 01:17:38,159

printed art book

1993

01:17:42,630 --> 01:17:40,719

yes but at first that was an ebook i've

1994

01:17:44,229 --> 01:17:42,640

just nail learned that you've got it

1995

01:17:46,470 --> 01:17:44,239

you've got a printed version available

1996

01:17:47,910 --> 01:17:46,480

it's available on amazon right and it's

1997

01:17:50,390 --> 01:17:47,920

printed all right i'm a terrible show

1998

01:17:52,390 --> 01:17:50,400

host i will put the link to your amazon

1999

01:17:55,030 --> 01:17:52,400

book in the description of the video so

2000

01:17:57,750 --> 01:17:55,040

you can just search on amazon for dark

2001

01:17:59,350 --> 01:17:57,760

files michael shred i'll pull right up

2002

01:18:01,270 --> 01:17:59,360

darth vader

2003

01:18:02,950 --> 01:18:01,280

and i gotta tell you that i'm so glad

2004

01:18:05,350 --> 01:18:02,960

that you did a printed art book because

2005

01:18:07,270 --> 01:18:05,360

oh yeah i i like ebooks but i really

2006

01:18:09,669 --> 01:18:07,280

like to have the physical i like i heard

2007

01:18:12,709 --> 01:18:09,679

i like a book i can hold you know

2008

01:18:15,270 --> 01:18:12,719

yeah yeah absolutely and pix is here

2009

01:18:17,669 --> 01:18:15,280

surprisingly not arguing with me tonight

2010

01:18:19,590 --> 01:18:17,679

uh and and he says michael are there any

2011

01:18:22,229 --> 01:18:19,600

aspects of the story you would venture

2012

01:18:25,110 --> 01:18:22,239

to assert as true i think

2013

01:18:27,590 --> 01:18:25,120

i i would take the the word of the uh

2014

01:18:30,229 --> 01:18:27,600

world war ii pilots like marion black

2015

01:18:32,950 --> 01:18:30,239

magma i would i would bank on that when

2016

01:18:35,110 --> 01:18:32,960

he talks about things being

2017

01:18:37,350 --> 01:18:35,120

pulled at over to langley air force base

2018

01:18:38,790 --> 01:18:37,360

other locations other than right pattern

2019

01:18:40,149 --> 01:18:38,800

that checks out with some of the things

2020

01:18:41,350 --> 01:18:40,159

that leonard springfield had talked

2021

01:18:44,149 --> 01:18:41,360

about so

2022

01:18:45,510 --> 01:18:44,159

when coming from a world war ii pilot

2023

01:18:47,910 --> 01:18:45,520

that has no

2024

01:18:50,070 --> 01:18:47,920

dog in this race you know he's just

2025

01:18:52,070 --> 01:18:50,080

talking about what he experienced plus

2026

01:18:52,950 --> 01:18:52,080

we've got his records proving he was

2027

01:18:54,390 --> 01:18:52,960

there

2028

01:18:56,149 --> 01:18:54,400

so i

2029

01:18:57,910 --> 01:18:56,159

bank on his statements

2030

01:18:59,510 --> 01:18:57,920

yeah and i i'm not aware that you were

2031

01:19:01,430 --> 01:18:59,520

working on a lazar project but

2032

01:19:02,550 --> 01:19:01,440

somebody's asking when the lazar report

2033

01:19:04,950 --> 01:19:02,560

is coming

2034

01:19:06,790 --> 01:19:04,960

report came out been out years ago right

2035

01:19:08,630 --> 01:19:06,800

it came out ten years ago

2036

01:19:11,189 --> 01:19:08,640

yeah and uh i don't know if you're aware

2037

01:19:13,590 --> 01:19:11,199

michael but we have had uh on the record

2038

01:19:15,910 --> 01:19:13,600

sources from los alamos we talked about

2039

01:19:16,709 --> 01:19:15,920

this off air but just to inform that

2040

01:19:18,870 --> 01:19:16,719

that

2041

01:19:20,790 --> 01:19:18,880

you know his bosses at los alamos have

2042

01:19:22,550 --> 01:19:20,800

now been found and they gave on the

2043

01:19:24,870 --> 01:19:22,560

record statement saying that bob lazar

2044

01:19:27,430 --> 01:19:24,880

was never a scientist at los alamos he

2045

01:19:28,950 --> 01:19:27,440

was a low-level electronics technician

2046

01:19:32,310 --> 01:19:28,960

and we've also got on the record

2047

01:19:34,149 --> 01:19:32,320

interview with an area 51 security guard

2048

01:19:36,550 --> 01:19:34,159

who claims that bob lazar never stepped

2049

01:19:38,470 --> 01:19:36,560

foot on the base you did such a good job

2050

01:19:40,950 --> 01:19:38,480

on that i know well it wasn't my work

2051

01:19:42,790 --> 01:19:40,960

but i was able to find people who did

2052

01:19:44,470 --> 01:19:42,800

that work and allow me to and they came

2053

01:19:45,910 --> 01:19:44,480

here and and helped me to share it

2054

01:19:48,630 --> 01:19:45,920

because if you have a little bigger

2055

01:19:50,870 --> 01:19:48,640

bullhorn you know the question i have is

2056

01:19:54,630 --> 01:19:50,880

if that story is true

2057

01:19:58,950 --> 01:19:54,640

why have we not heard of even one

2058

01:20:01,270 --> 01:19:58,960

test pilot who flew out of that facility

2059

01:20:04,790 --> 01:20:01,280

stating that they saw a remote working

2060

01:20:07,350 --> 01:20:04,800

facility at papua's lake s4 not one test

2061

01:20:09,430 --> 01:20:07,360

pilot has ever come forward that was

2062

01:20:11,030 --> 01:20:09,440

stationed there and flew there prior to

2063

01:20:13,830 --> 01:20:11,040

and afterward we don't have the

2064

01:20:15,830 --> 01:20:13,840

testimony of even one test pilot stating

2065

01:20:17,750 --> 01:20:15,840

that there is an active

2066

01:20:19,110 --> 01:20:17,760

facility built into the side of the

2067

01:20:20,950 --> 01:20:19,120

mountain

2068

01:20:23,110 --> 01:20:20,960

not one has ever come forward yeah and

2069

01:20:24,390 --> 01:20:23,120

that area 51 security guard also said

2070

01:20:25,750 --> 01:20:24,400

that he'd been all over the base

2071

01:20:27,430 --> 01:20:25,760

including papoose lake and there's

2072

01:20:30,070 --> 01:20:27,440

nothing there that bob lazar described

2073

01:20:31,510 --> 01:20:30,080

no roads no guard shack no hangers in

2074

01:20:33,750 --> 01:20:31,520

the mountain and he was right next you

2075

01:20:36,149 --> 01:20:33,760

know he drove right next to that

2076

01:20:38,390 --> 01:20:36,159

and we have member fraps who says uh

2077

01:20:40,790 --> 01:20:38,400

with a great question i'd like to ask mr

2078

01:20:42,629 --> 01:20:40,800

schratt about the black and white film

2079

01:20:44,870 --> 01:20:42,639

showing supposed flight panel with

2080

01:20:46,629 --> 01:20:44,880

identification shaped like hands with

2081

01:20:49,110 --> 01:20:46,639

six fingers and the three fingers

2082

01:20:51,270 --> 01:20:49,120

description of the ebe i think you're

2083

01:20:53,510 --> 01:20:51,280

referring to the alien autopsy film that

2084

01:20:55,430 --> 01:20:53,520

came out decades ago that was it's a

2085

01:20:57,430 --> 01:20:55,440

tiny portion but people have cut that

2086

01:20:59,990 --> 01:20:57,440

out and re-uploaded it so i don't i

2087

01:21:01,669 --> 01:21:00,000

don't think that is credible absolutely

2088

01:21:03,030 --> 01:21:01,679

i would agree with you stephen i would

2089

01:21:04,950 --> 01:21:03,040

agree thank you for being a member of

2090

01:21:06,629 --> 01:21:04,960

fraps app and thank you for your

2091

01:21:08,149 --> 01:21:06,639

excellent question and i want to remind

2092

01:21:09,910 --> 01:21:08,159

our viewers that we're a viewer support

2093

01:21:12,470 --> 01:21:09,920

show you can now become a member or you

2094

01:21:14,709 --> 01:21:12,480

can join our patreon and either of those

2095

01:21:17,110 --> 01:21:14,719

two things you get all of the extra

2096

01:21:18,390 --> 01:21:17,120

goodies so i've now finally figured it

2097

01:21:20,310 --> 01:21:18,400

out and if you're a youtube channel

2098

01:21:22,629 --> 01:21:20,320

member you get all the patreon benefits

2099

01:21:24,790 --> 01:21:22,639

as well so thanks to our kind and

2100

01:21:26,229 --> 01:21:24,800

generous benefactors michael people all

2101  
01:21:28,149 --> 01:21:26,239  
over the world are sending me money to

2102  
01:21:30,550 --> 01:21:28,159  
keep doing this and that's really good

2103  
01:21:31,350 --> 01:21:30,560  
it's great

2104  
01:21:33,270 --> 01:21:31,360  
yeah

2105  
01:21:34,709 --> 01:21:33,280  
and mark toronto with a great question

2106  
01:21:36,470 --> 01:21:34,719  
who says if this debris was

2107  
01:21:38,950 --> 01:21:36,480  
indestructible how large must the

2108  
01:21:40,709 --> 01:21:38,960  
explosion have been to create it i know

2109  
01:21:42,709 --> 01:21:40,719  
uh don schmidt had questioned that too

2110  
01:21:45,590 --> 01:21:42,719  
and his answer to that is

2111  
01:21:48,070 --> 01:21:45,600  
we we don't know exactly how or why it

2112  
01:21:50,149 --> 01:21:48,080  
crashed but the lightning that may have

2113  
01:21:51,669 --> 01:21:50,159

struck it during the electrical storm

2114

01:21:53,350 --> 01:21:51,679

exceeded the tensile strength of the

2115

01:21:54,790 --> 01:21:53,360

material

2116

01:21:56,310 --> 01:21:54,800

so that makes a possibility you know a

2117

01:21:57,990 --> 01:21:56,320

lot of people are very critical saying

2118

01:21:59,750 --> 01:21:58,000

they came all the way here from another

2119

01:22:01,910 --> 01:21:59,760

world but they somehow crashed when they

2120

01:22:03,030 --> 01:22:01,920

got here but i would argue that all

2121

01:22:05,030 --> 01:22:03,040

machines

2122

01:22:07,030 --> 01:22:05,040

fail and the more complicated a machine

2123

01:22:07,830 --> 01:22:07,040

the more likelihood of failure

2124

01:22:09,430 --> 01:22:07,840

so

2125

01:22:11,350 --> 01:22:09,440

you know i get that argument though

2126  
01:22:13,990 --> 01:22:11,360  
right michael like they came from you

2127  
01:22:16,550 --> 01:22:14,000  
know 20 light years away and then they

2128  
01:22:19,189 --> 01:22:16,560  
crashed but atmospheric flying and

2129  
01:22:21,430 --> 01:22:19,199  
flying in space is two different things

2130  
01:22:23,510 --> 01:22:21,440  
you know i i can't really explain why it

2131  
01:22:25,590 --> 01:22:23,520  
crashed most people have said that this

2132  
01:22:27,350 --> 01:22:25,600  
huge lightning storm may have interfered

2133  
01:22:29,990 --> 01:22:27,360  
with their propulsion system or their

2134  
01:22:32,629 --> 01:22:30,000  
guidance system or whatever

2135  
01:22:34,870 --> 01:22:32,639  
or or an experimental radar system an

2136  
01:22:37,510 --> 01:22:34,880  
experimental high power radar could have

2137  
01:22:39,270 --> 01:22:37,520  
been involved which is what allegedly

2138  
01:22:41,350 --> 01:22:39,280

took down the kingman thing because that

2139

01:22:42,550 --> 01:22:41,360

was a soft landing that was not a crash

2140

01:22:45,030 --> 01:22:42,560

retrieval

2141

01:22:46,709 --> 01:22:45,040

and it really boils down to the crash

2142

01:22:48,870 --> 01:22:46,719

retrievals that's why i think that

2143

01:22:51,430 --> 01:22:48,880

leonard springfield got closer than any

2144

01:22:52,550 --> 01:22:51,440

of us had ever gotten because he

2145

01:22:55,270 --> 01:22:52,560

interviewed

2146

01:22:57,990 --> 01:22:55,280

the first-hand witnesses that were on

2147

01:23:01,110 --> 01:22:58,000

the retrieval teams recovering the craft

2148

01:23:03,030 --> 01:23:01,120

the debris the bodies so we've got

2149

01:23:04,470 --> 01:23:03,040

air traffic controllers astronauts

2150

01:23:06,790 --> 01:23:04,480

cosmonauts

2151  
01:23:08,790 --> 01:23:06,800  
high-level military bras who were on

2152  
01:23:11,430 --> 01:23:08,800  
these retrieval teams could they all be

2153  
01:23:13,590 --> 01:23:11,440  
lying could they all really be lying

2154  
01:23:15,430 --> 01:23:13,600  
yeah that's a very good point unknowns

2155  
01:23:17,750 --> 01:23:15,440  
unknown center has a good point strange

2156  
01:23:19,990 --> 01:23:17,760  
no one got sick from handling biological

2157  
01:23:21,990 --> 01:23:20,000  
aliens i'm sure maybe they had gloves

2158  
01:23:23,590 --> 01:23:22,000  
and masks or something right they

2159  
01:23:24,790 --> 01:23:23,600  
wouldn't have just picked the right i

2160  
01:23:26,790 --> 01:23:24,800  
don't think they would just pick them up

2161  
01:23:28,550 --> 01:23:26,800  
with their bare hands and

2162  
01:23:29,910 --> 01:23:28,560  
yeah because there'd be this very least

2163  
01:23:32,709 --> 01:23:29,920

it was a beer

2164

01:23:35,350 --> 01:23:32,719

no it was a nauseous smell being next to

2165

01:23:38,870 --> 01:23:35,360

those bodies that's what the witnesses

2166

01:23:46,870 --> 01:23:39,669

yeah

2167

01:23:49,189 --> 01:23:46,880

michael please put them in all caps that

2168

01:23:50,390 --> 01:23:49,199

makes it much easier for me to know so

2169

01:23:52,149 --> 01:23:50,400

but i think we're going to wrap things

2170

01:23:54,470 --> 01:23:52,159

up here michael i'm going to throw you

2171

01:23:56,149 --> 01:23:54,480

out but we are going to take a musical

2172

01:23:57,910 --> 01:23:56,159

break and then i'm going to return for

2173

01:23:59,350 --> 01:23:57,920

some other show business that i can cut

2174

01:24:01,830 --> 01:23:59,360

out of this later

2175

01:24:04,550 --> 01:24:01,840

but i certainly want to thank you for

2176

01:24:06,550 --> 01:24:04,560

coming here and shedding some more light

2177

01:24:08,870 --> 01:24:06,560

and you have brought us new and

2178

01:24:10,149 --> 01:24:08,880

interesting witnesses that no one else

2179

01:24:12,629 --> 01:24:10,159

had

2180

01:24:14,310 --> 01:24:12,639

and and new insight into this great

2181

01:24:16,629 --> 01:24:14,320

mystery

2182

01:24:18,550 --> 01:24:16,639

thank you stephen i appreciate it

2183

01:24:21,030 --> 01:24:18,560

yeah you are welcome here anytime my

2184

01:24:21,750 --> 01:24:21,040

friend so don't be a stranger i don't

2185

01:24:23,350 --> 01:24:21,760

know

2186

01:24:26,550 --> 01:24:23,360

excellent thank you michael we'll throw

2187

01:24:28,310 --> 01:24:26,560

you out of here great great guest uh one

2188

01:24:31,270 --> 01:24:28,320

of my favorite researchers he's so

2189

01:24:33,270 --> 01:24:31,280

thorough he's as obsessed as

2190

01:24:34,310 --> 01:24:33,280

anyone i've ever met when it comes to

2191

01:24:37,669 --> 01:24:34,320

this thing

2192

01:24:39,830 --> 01:24:37,679

and uh i gotta admire that that sort of

2193

01:24:41,590 --> 01:24:39,840

uh dedication that he has for those that

2194

01:24:42,790 --> 01:24:41,600

don't know michael travels all over the

2195

01:24:45,030 --> 01:24:42,800

country

2196

01:24:47,030 --> 01:24:45,040

like for example if a ufo researcher

2197

01:24:48,870 --> 01:24:47,040

dies and they have a lot of papers and

2198

01:24:50,229 --> 01:24:48,880

research materials and things they've

2199

01:24:52,390 --> 01:24:50,239

collected over the years michael goes

2200

01:24:54,950 --> 01:24:52,400

there and tries to preserve it all

2201

01:24:56,950 --> 01:24:54,960

um and then that that's an amazing thing

2202

01:24:59,270 --> 01:24:56,960

he really cares about the history

2203

01:25:00,950 --> 01:24:59,280

i've heard these rumors that he's got

2204

01:25:03,910 --> 01:25:00,960

well he told me himself i think he has

2205

01:25:06,470 --> 01:25:03,920

two storage spaces full of ufo material

2206

01:25:08,470 --> 01:25:06,480

that he has collected over the years

2207

01:25:09,990 --> 01:25:08,480

very very interesting stuff

2208

01:25:11,430 --> 01:25:10,000

so here's what we're going to do friends

2209

01:25:13,270 --> 01:25:11,440

we're going to take a short musical

2210

01:25:15,110 --> 01:25:13,280

break and when i return

2211

01:25:17,030 --> 01:25:15,120

i'm going to read any remaining super

2212

01:25:19,750 --> 01:25:17,040

chats i think we've read what we had but

2213

01:25:20,950 --> 01:25:19,760

if there's any new ones get them in now

2214

01:25:23,270 --> 01:25:20,960

we will be

2215

01:25:24,229 --> 01:25:23,280

reading those when i return

2216

01:25:28,950 --> 01:25:24,239

and

2217

01:25:30,310 --> 01:25:28,960

guess sort of show related business you

2218

01:25:44,010 --> 01:25:30,320

could say

2219

01:25:44,020 --> 01:25:51,270

[Music]

2220

01:25:54,350 --> 01:25:52,709

the pictures

2221

01:26:07,510 --> 01:25:54,360

the letters

2222

01:26:07,520 --> 01:26:22,550

very

2223

01:26:22,560 --> 01:26:32,050

is

2224

01:26:47,030 --> 01:26:34,250

[Applause]

2225

01:26:52,550 --> 01:26:49,590

i wish i could let go

2226

01:26:57,229 --> 01:26:52,560

just walk out of this prison

2227

01:26:57,239 --> 01:27:09,270

surrounded by

2228

01:27:09,280 --> 01:27:42,870

is

2229

01:27:48,310 --> 01:27:46,310

i cannot be true

2230

01:28:32,470 --> 01:27:48,320

is

2231

01:28:32,480 --> 01:28:41,570

yes

2232

01:28:41,580 --> 01:28:53,910

[Applause]

2233

01:28:58,870 --> 01:28:56,950

and we are back so uh just a little bit

2234

01:29:01,030 --> 01:28:58,880

of uh sort of

2235

01:29:02,070 --> 01:29:01,040

announcements and show business i

2236

01:29:03,430 --> 01:29:02,080

suppose

2237

01:29:05,110 --> 01:29:03,440

um

2238

01:29:07,350 --> 01:29:05,120

recently in the past week or so there's

2239

01:29:09,990 --> 01:29:07,360

been all this extra drama that i really

2240

01:29:13,270 --> 01:29:10,000

don't need and granted i created a lot

2241

01:29:15,510 --> 01:29:13,280

of it but uh part of the uh

2242

01:29:17,030 --> 01:29:15,520

problem i suppose is that you know i

2243

01:29:18,629 --> 01:29:17,040

thought a lot about it and it seems like

2244

01:29:21,270 --> 01:29:18,639

most of this

2245

01:29:23,750 --> 01:29:21,280

extra drama comes from my guest

2246

01:29:25,910 --> 01:29:23,760

appearing elsewhere

2247

01:29:28,149 --> 01:29:25,920

and uh honestly i don't have time i

2248

01:29:30,470 --> 01:29:28,159

don't have time for all this extra drama

2249

01:29:31,510 --> 01:29:30,480

uh i i have a

2250

01:29:33,430 --> 01:29:31,520

really

2251

01:29:35,430 --> 01:29:33,440

sort of double down and there's a lot of

2252

01:29:37,350 --> 01:29:35,440

different projects for the show that i

2253

01:29:39,110 --> 01:29:37,360

am undertaking by the way this is our

2254

01:29:41,669 --> 01:29:39,120

first broadcast from our new streaming

2255

01:29:43,510 --> 01:29:41,679

location in my home which i'm extremely

2256

01:29:45,030 --> 01:29:43,520

excited about i would pan around and

2257

01:29:47,270 --> 01:29:45,040

show you but i'm still cleaning this

2258

01:29:48,790 --> 01:29:47,280

entire room out we've got this huge room

2259

01:29:51,270 --> 01:29:48,800

here

2260

01:29:53,510 --> 01:29:51,280

and we are going to have a green screen

2261

01:29:56,390 --> 01:29:53,520

uh streaming and filming

2262

01:29:58,390 --> 01:29:56,400

permanent setup off to my uh

2263

01:30:00,870 --> 01:29:58,400

left here off to my right we're going to

2264

01:30:02,470 --> 01:30:00,880

have an additional set that i can stand

2265

01:30:04,149 --> 01:30:02,480

on and

2266

01:30:08,550 --> 01:30:04,159

do presentations

2267

01:30:10,950 --> 01:30:08,560

it's just a world's better uh setup

2268

01:30:14,070 --> 01:30:10,960

and i'm not in a tiny little attic room

2269

01:30:16,550 --> 01:30:14,080

that is uh unbearably hot and you know i

2270

01:30:18,870 --> 01:30:16,560

used to last year i

2271

01:30:20,629 --> 01:30:18,880

uh would take breaks and blast the air

2272

01:30:22,550 --> 01:30:20,639

conditioner for five minutes or ten

2273

01:30:24,790 --> 01:30:22,560

minutes just to get through the two-hour

2274

01:30:28,870 --> 01:30:24,800

show it's just not the right room

2275

01:30:30,870 --> 01:30:28,880

uh for that so i um we've you know

2276

01:30:33,350 --> 01:30:30,880

cleaned out this huge room in my house

2277

01:30:34,629 --> 01:30:33,360

which will become the new studio

2278

01:30:37,430 --> 01:30:34,639

um

2279

01:30:39,110 --> 01:30:37,440

i'm going to maintain the other room and

2280

01:30:42,149 --> 01:30:39,120

and also a good thing is that i didn't

2281

01:30:44,229 --> 01:30:42,159

move anything from my original studio

2282

01:30:46,149 --> 01:30:44,239

and set up to here we're setting up all

2283

01:30:47,669 --> 01:30:46,159

new equipment and new things

2284

01:30:48,390 --> 01:30:47,679

so that i'll have both rooms to work

2285

01:30:50,550 --> 01:30:48,400

from

2286

01:30:52,310 --> 01:30:50,560

after summer's over i could return there

2287

01:30:54,790 --> 01:30:52,320

and be very comfortable

2288

01:30:57,110 --> 01:30:54,800

but until then

2289

01:30:58,390 --> 01:30:57,120

but back to the drama rama

2290

01:30:59,990 --> 01:30:58,400

you know

2291

01:31:02,790 --> 01:31:00,000

i'm going to try to speak in general

2292

01:31:03,669 --> 01:31:02,800

terms but here's what i will say several

2293

01:31:07,110 --> 01:31:03,679

people

2294

01:31:09,510 --> 01:31:07,120

uh have really disappointed me and and i

2295

01:31:11,830 --> 01:31:09,520

i guess maybe this is a cautionary tale

2296

01:31:13,669 --> 01:31:11,840

and that is you know

2297

01:31:16,470 --> 01:31:13,679

i don't know for some

2298

01:31:18,310 --> 01:31:16,480

reason i have sort of made friends or

2299

01:31:20,390 --> 01:31:18,320

been friendly with other show hosts but

2300

01:31:22,709 --> 01:31:20,400

some of those other show hosts have

2301

01:31:25,669 --> 01:31:22,719

really kind of uh

2302

01:31:28,310 --> 01:31:25,679

just surprised me with their support of

2303

01:31:30,470 --> 01:31:28,320

certain people who uh huckster garbage

2304

01:31:32,390 --> 01:31:30,480

into the community and i get the

2305

01:31:34,390 --> 01:31:32,400

argument that uh you know some people

2306

01:31:37,350 --> 01:31:34,400

make mistakes and they deserve a second

2307

01:31:39,430 --> 01:31:37,360

chance but when you're on chance 300

2308

01:31:40,310 --> 01:31:39,440

and i can prove you know people say oh

2309

01:31:42,310 --> 01:31:40,320

they

2310

01:31:44,229 --> 01:31:42,320

certain people haven't done any hoaxing

2311

01:31:46,229 --> 01:31:44,239

in the past five years and i can show

2312

01:31:49,430 --> 01:31:46,239

you one from february that is an

2313

01:31:52,790 --> 01:31:49,440

absolute positively it's a manufactured

2314

01:31:54,229 --> 01:31:52,800

hoax a manipulated situation to sell

2315

01:31:55,590 --> 01:31:54,239

fake ufo

2316

01:31:57,189 --> 01:31:55,600

garbage

2317

01:32:01,030 --> 01:31:57,199

i'm just not going to support those show

2318

01:32:03,030 --> 01:32:01,040

hosts or those people and additionally

2319

01:32:05,510 --> 01:32:03,040

i'm not going to go on other shows

2320

01:32:07,669 --> 01:32:05,520

either at all anymore or as much because

2321

01:32:10,830 --> 01:32:07,679

that's what

2322

01:32:13,350 --> 01:32:10,840

some of it

2323

01:32:15,990 --> 01:32:13,360

is i mean i don't want to read too much

2324

01:32:17,590 --> 01:32:16,000

into it but essentially a lot of uh

2325

01:32:19,590 --> 01:32:17,600

things is

2326

01:32:21,750 --> 01:32:19,600

has been

2327

01:32:23,830 --> 01:32:21,760

yeah somebody's already fact checking me

2328

01:32:26,070 --> 01:32:23,840

can you prove that they hoax things 300

2329

01:32:28,310 --> 01:32:26,080

times well i can prove that they hoax

2330

01:32:29,189 --> 01:32:28,320

things 25 times and that's too much for

2331

01:32:32,229 --> 01:32:29,199

me

2332

01:32:33,510 --> 01:32:32,239

so um you know but the situation is

2333

01:32:35,669 --> 01:32:33,520

really that

2334

01:32:37,189 --> 01:32:35,679

i'm disappointed in other people and i

2335

01:32:39,110 --> 01:32:37,199

also like i said i don't want to read

2336

01:32:41,189 --> 01:32:39,120

too much into things but it would appear

2337

01:32:43,590 --> 01:32:41,199

to me that some people have their own

2338

01:32:45,510 --> 01:32:43,600

agenda and they want me to be a guest so

2339

01:32:48,149 --> 01:32:45,520

that i can come on their show and get in

2340

01:32:49,110 --> 01:32:48,159

an argument so they can get views

2341

01:32:50,950 --> 01:32:49,120

um

2342

01:32:52,310 --> 01:32:50,960

i don't wanna i don't wanna do it

2343

01:32:54,070 --> 01:32:52,320

anymore i don't wanna take part in that

2344

01:32:56,629 --> 01:32:54,080

i don't wanna feel like i'm manipulated

2345

01:32:57,669 --> 01:32:56,639

into helping other people create drama

2346

01:32:58,629 --> 01:32:57,679

or

2347

01:32:59,830 --> 01:32:58,639

you know

2348

01:33:01,750 --> 01:32:59,840

um

2349

01:33:04,149 --> 01:33:01,760

and you know it's unfortunate because

2350

01:33:05,030 --> 01:33:04,159

this is a lonely

2351  
01:33:06,470 --> 01:33:05,040  
you know

2352  
01:33:08,229 --> 01:33:06,480  
situation

2353  
01:33:10,709 --> 01:33:08,239  
you know i could have my nose buried in

2354  
01:33:13,430 --> 01:33:10,719  
research for a month and not speak to a

2355  
01:33:14,790 --> 01:33:13,440  
single person except my family i suppose

2356  
01:33:17,430 --> 01:33:14,800  
uh that's

2357  
01:33:20,229 --> 01:33:17,440  
it's a lonely situation so i guess it's

2358  
01:33:22,550 --> 01:33:20,239  
natural you get friendly with people but

2359  
01:33:24,709 --> 01:33:22,560  
ask anybody that knows me or has been my

2360  
01:33:27,510 --> 01:33:24,719  
real friend in real life right i have

2361  
01:33:30,070 --> 01:33:27,520  
very few close friends my best friend is

2362  
01:33:32,149 --> 01:33:30,080  
uh across the street from my cabin

2363  
01:33:33,990 --> 01:33:32,159

and i'm happy with that you know i don't

2364

01:33:35,510 --> 01:33:34,000

really need other friends because i find

2365

01:33:37,750 --> 01:33:35,520

that most

2366

01:33:39,189 --> 01:33:37,760

most people let you down that's probably

2367

01:33:41,590 --> 01:33:39,199

why i've always been more comfortable

2368

01:33:42,870 --> 01:33:41,600

with books or machines

2369

01:33:45,189 --> 01:33:42,880

um

2370

01:33:47,669 --> 01:33:45,199

i i don't

2371

01:33:49,590 --> 01:33:47,679

i don't deal well with people i don't

2372

01:33:51,030 --> 01:33:49,600

deal well with backstabbing i don't deal

2373

01:33:53,430 --> 01:33:51,040

well with

2374

01:33:56,149 --> 01:33:53,440

just interpersonal relationships

2375

01:33:58,709 --> 01:33:56,159

one of my doctors has suggested that i'm

2376

01:34:01,189 --> 01:33:58,719

on the spectrum myself and i do have

2377

01:34:03,030 --> 01:34:01,199

some uh definite signs of that maybe

2378

01:34:06,310 --> 01:34:03,040

that's one of the other reasons why i

2379

01:34:08,310 --> 01:34:06,320

don't do well socially with other people

2380

01:34:10,550 --> 01:34:08,320

i just avoid people there's very few

2381

01:34:13,350 --> 01:34:10,560

people that i like to spend time with

2382

01:34:15,189 --> 01:34:13,360

besides my family and a few very close

2383

01:34:17,750 --> 01:34:15,199

friends that i have i don't

2384

01:34:20,790 --> 01:34:17,760

and and let's not conflate things an

2385

01:34:23,110 --> 01:34:20,800

internet friend is not the same thing as

2386

01:34:25,750 --> 01:34:23,120

a real life friend right

2387

01:34:27,830 --> 01:34:25,760

but my point is that you know

2388

01:34:29,430 --> 01:34:27,840

let people get close to you

2389

01:34:34,709 --> 01:34:29,440

and

2390

01:34:36,629 --> 01:34:34,719

choose which sources of information we

2391

01:34:38,790 --> 01:34:36,639

believe are credible

2392

01:34:40,390 --> 01:34:38,800

some people cannot be

2393

01:34:42,229 --> 01:34:40,400

objective when it comes to that because

2394

01:34:43,910 --> 01:34:42,239

they're making money from the same

2395

01:34:46,390 --> 01:34:43,920

scammers that are out there scamming

2396

01:34:47,990 --> 01:34:46,400

people with their fake garbage and i'm

2397

01:34:50,390 --> 01:34:48,000

just not going to support people that

2398

01:34:51,430 --> 01:34:50,400

support people doing that any longer at

2399

01:34:54,390 --> 01:34:51,440

all

2400

01:34:55,350 --> 01:34:54,400

um you know i'm not gonna i'm not gonna

2401

01:34:58,629 --> 01:34:55,360

you know

2402

01:34:59,590 --> 01:34:58,639

start a big flame war here uh or show

2403

01:35:03,750 --> 01:34:59,600

war

2404

01:35:06,550 --> 01:35:03,760

host i'm just not gonna i'm not gonna

2405

01:35:08,310 --> 01:35:06,560

participate in in that drama

2406

01:35:10,070 --> 01:35:08,320

if you believe that somebody who has

2407

01:35:12,390 --> 01:35:10,080

literally been caught hoaxing things at

2408

01:35:13,590 --> 01:35:12,400

least 10 or 25 times let's be

2409

01:35:15,990 --> 01:35:13,600

conservative

2410

01:35:18,470 --> 01:35:16,000

is is a good source of information then

2411

01:35:20,229 --> 01:35:18,480

you're not somebody i want to

2412

01:35:21,910 --> 01:35:20,239

converse with you're not somebody i want

2413

01:35:24,629 --> 01:35:21,920

to pal around with because you're

2414

01:35:25,750 --> 01:35:24,639

supporting garbage and i do not support

2415

01:35:29,590 --> 01:35:25,760

garbage

2416

01:35:31,109 --> 01:35:29,600

and by the way uh i

2417

01:35:33,510 --> 01:35:31,119

not only am i not going to support

2418

01:35:35,430 --> 01:35:33,520

garbage but i won't be bought off some

2419

01:35:36,950 --> 01:35:35,440

people there's a lot of stuff that goes

2420

01:35:38,629 --> 01:35:36,960

on behind the scenes that you people

2421

01:35:40,870 --> 01:35:38,639

don't know about and there are some less

2422

01:35:43,350 --> 01:35:40,880

than scrupulous people pushing their

2423

01:35:44,310 --> 01:35:43,360

garbage into the community

2424

01:35:46,790 --> 01:35:44,320

who

2425

01:35:48,870 --> 01:35:46,800

a tactic of theirs is to buy off people

2426

01:35:50,629 --> 01:35:48,880

that are very critical of them some

2427

01:35:52,390 --> 01:35:50,639

people may know that one certain show

2428

01:35:53,830 --> 01:35:52,400

hosts used to be very critical of some

2429

01:35:56,310 --> 01:35:53,840

people and then suddenly they're getting

2430

01:35:57,830 --> 01:35:56,320

paid by them and now those people are

2431

01:36:00,709 --> 01:35:57,840

great researchers and they're really

2432

01:36:02,149 --> 01:36:00,719

trying to do better

2433

01:36:04,550 --> 01:36:02,159

it's

2434

01:36:06,550 --> 01:36:04,560

um and nobody can sit there with a

2435

01:36:07,590 --> 01:36:06,560

straight face and say that they can be

2436

01:36:09,830 --> 01:36:07,600

credible

2437

01:36:12,310 --> 01:36:09,840

or that they can be objective about a

2438

01:36:13,510 --> 01:36:12,320

certain information supplier

2439

01:36:16,229 --> 01:36:13,520

when

2440

01:36:19,109 --> 01:36:16,239

they're getting paid by them

2441

01:36:21,990 --> 01:36:19,119

he can't tell you the truth i can

2442

01:36:23,510 --> 01:36:22,000

and in full disclosure the same people

2443

01:36:25,590 --> 01:36:23,520

that bought off some people in our

2444

01:36:27,830 --> 01:36:25,600

community tried to buy me off and they

2445

01:36:29,030 --> 01:36:27,840

thought i was gonna go cheap right that

2446

01:36:31,030 --> 01:36:29,040

was uh

2447

01:36:32,790 --> 01:36:31,040

that's very offensive you thought i was

2448

01:36:35,109 --> 01:36:32,800

gonna go that cheap you were gonna buy

2449

01:36:37,830 --> 01:36:35,119

my silence about your garbage

2450

01:36:39,430 --> 01:36:37,840

peddling for you know some spec deal for

2451  
01:36:41,590 --> 01:36:39,440  
those who don't know here's a spec deal

2452  
01:36:43,669 --> 01:36:41,600  
work real hard for us for free

2453  
01:36:45,510 --> 01:36:43,679  
and then if we make any money we'll cut

2454  
01:36:47,669 --> 01:36:45,520  
you off some of the youtube pennies from

2455  
01:36:50,229 --> 01:36:47,679  
these projects no thank you

2456  
01:36:52,470 --> 01:36:50,239  
do i really want to chase somebody

2457  
01:36:54,709 --> 01:36:52,480  
around remember the youtube pennies come

2458  
01:36:56,950 --> 01:36:54,719  
in on those videos mostly at the start

2459  
01:36:58,229 --> 01:36:56,960  
but later there there's residuals am i

2460  
01:37:00,310 --> 01:36:58,239  
going to chase somebody around for

2461  
01:37:02,229 --> 01:37:00,320  
youtube pennies for the rest of my life

2462  
01:37:03,910 --> 01:37:02,239  
and then i have to keep my mail shut

2463  
01:37:07,109 --> 01:37:03,920

about all the fakery fraudery and

2464

01:37:09,189 --> 01:37:07,119

bullshittery no i am uh

2465

01:37:11,430 --> 01:37:09,199

can be completely objective and when i

2466

01:37:13,750 --> 01:37:11,440

tell you something

2467

01:37:15,430 --> 01:37:13,760

about a certain information source

2468

01:37:17,830 --> 01:37:15,440

i don't have a motive i don't have a

2469

01:37:19,910 --> 01:37:17,840

financial i'm not getting paid to say

2470

01:37:22,550 --> 01:37:19,920

those people are okay i'm not getting

2471

01:37:24,870 --> 01:37:22,560

paid from anyone other than you viewers

2472

01:37:27,350 --> 01:37:24,880

uh and and the patreon supporters or

2473

01:37:28,390 --> 01:37:27,360

whatever i

2474

01:37:32,709 --> 01:37:28,400

have

2475

01:37:33,510 --> 01:37:32,719

race but my own

2476

01:37:36,950 --> 01:37:33,520

so

2477

01:37:37,990 --> 01:37:36,960

because they're paid off they're getting

2478

01:37:39,669 --> 01:37:38,000

money

2479

01:37:41,830 --> 01:37:39,679

they're not going to say these people

2480

01:37:43,830 --> 01:37:41,840

are slime balls and no matter how much

2481

01:37:45,590 --> 01:37:43,840

evidence look i thought about like oh i

2482

01:37:47,030 --> 01:37:45,600

could show all this evidence that these

2483

01:37:48,550 --> 01:37:47,040

people are slime balls and here's all

2484

01:37:51,189 --> 01:37:48,560

the slimy stuff they've done for the

2485

01:37:52,870 --> 01:37:51,199

past couple of years or whatever

2486

01:37:54,629 --> 01:37:52,880

it's not going to change the opinion of

2487

01:37:57,109 --> 01:37:54,639

somebody who's getting paid by those

2488

01:37:59,430 --> 01:37:57,119

people to say that they're good people

2489

01:38:02,390 --> 01:37:59,440

or to say you know oh they're they're

2490

01:38:05,030 --> 01:38:02,400

changed we just

2491

01:38:06,950 --> 01:38:05,040

look at the last video before tonight

2492

01:38:08,550 --> 01:38:06,960

that we debuted earlier

2493

01:38:10,629 --> 01:38:08,560

you know somebody talking about on the

2494

01:38:13,590 --> 01:38:10,639

side of their mouth saying uh they don't

2495

01:38:15,430 --> 01:38:13,600

pay me oh here's how they pay me in the

2496

01:38:16,950 --> 01:38:15,440

same sentence is not somebody you can

2497

01:38:19,030 --> 01:38:16,960

trust about that information source

2498

01:38:21,350 --> 01:38:19,040

first of all they're paying him

2499

01:38:23,189 --> 01:38:21,360

i i just don't get it so you know i'm

2500

01:38:25,830 --> 01:38:23,199

just gonna divorce myself from most of

2501

01:38:28,550 --> 01:38:25,840

this and i'm going to double down

2502

01:38:30,629 --> 01:38:28,560

triple down on working really hard

2503

01:38:34,470 --> 01:38:30,639

getting great guests doing great work

2504

01:38:36,790 --> 01:38:34,480

here and if you know if

2505

01:38:39,350 --> 01:38:36,800

people uh you know wanna wanna support

2506

01:38:40,709 --> 01:38:39,360

garbage peddlers i i don't i don't need

2507

01:38:42,550 --> 01:38:40,719

to support them

2508

01:38:44,870 --> 01:38:42,560

and you know that's unfortunate but this

2509

01:38:47,830 --> 01:38:44,880

is just the way the world works i i have

2510

01:38:48,870 --> 01:38:47,840

no time you know somebody said uh you

2511

01:38:50,229 --> 01:38:48,880

know people made all kinds of

2512

01:38:51,830 --> 01:38:50,239

suggestions about all that drama

2513

01:38:53,270 --> 01:38:51,840

somebody said that i was drunk when i

2514

01:38:56,149 --> 01:38:53,280

said certain things about a certain

2515

01:38:58,149 --> 01:38:56,159

garbage peddler channel i had three

2516

01:39:00,709 --> 01:38:58,159

beers on that show for those that don't

2517

01:39:03,669 --> 01:39:00,719

know i'm irish i had three beers total i

2518

01:39:05,109 --> 01:39:03,679

started beers when that show started and

2519

01:39:06,790 --> 01:39:05,119

then i had three beers and then i

2520

01:39:08,550 --> 01:39:06,800

bounced out i didn't say anything on

2521

01:39:11,109 --> 01:39:08,560

that show that i wouldn't say

2522

01:39:13,270 --> 01:39:11,119

uh completely sober on my own show maybe

2523

01:39:15,510 --> 01:39:13,280

i didn't say it kindly enough

2524

01:39:18,149 --> 01:39:15,520

whatever that's another thing uh why do

2525

01:39:19,910 --> 01:39:18,159

you have to be so mean steven i have no

2526

01:39:22,629 --> 01:39:19,920

energy to be nice to people who are

2527

01:39:25,109 --> 01:39:22,639

scamming people manipulating videos and

2528

01:39:27,109 --> 01:39:25,119

situations to sell garbage information

2529

01:39:29,350 --> 01:39:27,119

to people i don't have to be nice to

2530

01:39:30,149 --> 01:39:29,360

them i refuse to be nice to people doing

2531

01:39:31,990 --> 01:39:30,159

that

2532

01:39:32,950 --> 01:39:32,000

i have no

2533

01:39:35,030 --> 01:39:32,960

you know

2534

01:39:37,590 --> 01:39:35,040

there's no reason for me to waste energy

2535

01:39:39,430 --> 01:39:37,600

if you are hoaxing things if you are

2536

01:39:41,910 --> 01:39:39,440

selling hoaxes if you were selling

2537

01:39:43,750 --> 01:39:41,920

documentaries full of fairy tales and i

2538

01:39:45,669 --> 01:39:43,760

can prove there's fairy tales in some of

2539

01:39:49,189 --> 01:39:45,679

that garbage i don't have to be nice to

2540

01:39:51,030 --> 01:39:49,199

you you're a garbage peddler right

2541

01:39:52,790 --> 01:39:51,040

uh yeah

2542

01:39:54,229 --> 01:39:52,800

okay uh so we'll take some comments and

2543

01:39:55,990 --> 01:39:54,239

questions from the live chat and then

2544

01:39:57,430 --> 01:39:56,000

i'm going to bounce on out of here now

2545

01:40:00,149 --> 01:39:57,440

of course i'm going to cut this section

2546

01:40:01,990 --> 01:40:00,159

from our roswell project i want to thank

2547

01:40:03,350 --> 01:40:02,000

michael stratt once again i'm so glad

2548

01:40:04,870 --> 01:40:03,360

that we got him in here tonight because

2549

01:40:06,870 --> 01:40:04,880

i knew he had new witnesses new

2550

01:40:09,030 --> 01:40:06,880

information new breakdowns new

2551  
01:40:11,510 --> 01:40:09,040  
perspective into this roswell mystery

2552  
01:40:12,950 --> 01:40:11,520  
and i didn't want to

2553  
01:40:13,910 --> 01:40:12,960  
i don't want to finish for those that

2554  
01:40:16,870 --> 01:40:13,920  
don't know

2555  
01:40:19,030 --> 01:40:16,880  
july 7th i guess uh is the 75th

2556  
01:40:20,550 --> 01:40:19,040  
anniversary of roswell and on that day

2557  
01:40:22,950 --> 01:40:20,560  
we are going to broadcast i think it's

2558  
01:40:24,470 --> 01:40:22,960  
going to be 10 or 12 hours long a 10 or

2559  
01:40:26,550 --> 01:40:24,480  
12 hour long

2560  
01:40:29,109 --> 01:40:26,560  
comprehensive complete and total deep

2561  
01:40:31,590 --> 01:40:29,119  
dive into the roswell mystery rabbit

2562  
01:40:34,070 --> 01:40:31,600  
hole like i've never seen i did this for

2563  
01:40:37,910 --> 01:40:34,080

me it was a selfish endeavor but i'm

2564

01:40:39,669 --> 01:40:37,920

gonna share it with all of you right

2565

01:40:41,910 --> 01:40:39,679

so comments and questions for me put

2566

01:40:44,550 --> 01:40:41,920

them in all caps big fat creep is here

2567

01:40:46,709 --> 01:40:44,560

and says i'm just here for the ufos yeah

2568

01:40:49,109 --> 01:40:46,719

i don't you know here's the thing about

2569

01:40:50,709 --> 01:40:49,119

the drama though it does drive views

2570

01:40:52,470 --> 01:40:50,719

i'll give those people that are trying

2571

01:40:55,189 --> 01:40:52,480

to create the drama

2572

01:40:57,510 --> 01:40:55,199

you know uh

2573

01:40:59,910 --> 01:40:57,520

i give those people

2574

01:41:03,109 --> 01:40:59,920

a pass i guess because they're right

2575

01:41:04,950 --> 01:41:03,119

drama people love drama oh this show

2576

01:41:06,229 --> 01:41:04,960

host is talking on this show host

2577

01:41:09,270 --> 01:41:06,239

that's another thing i'm going to try to

2578

01:41:11,830 --> 01:41:09,280

avoid all that too you know

2579

01:41:13,510 --> 01:41:11,840

let let people do slimy if other

2580

01:41:15,350 --> 01:41:13,520

people don't realize they're doing slimy

2581

01:41:16,229 --> 01:41:15,360

me pointing it out

2582

01:41:18,629 --> 01:41:16,239

you know

2583

01:41:20,550 --> 01:41:18,639

me pointing it out doesn't help it just

2584

01:41:22,550 --> 01:41:20,560

creates a rift and then i'm i'm an

2585

01:41:24,550 --> 01:41:22,560

because i said this guy's doing

2586

01:41:26,709 --> 01:41:24,560

this or this guy's doing that and yeah

2587

01:41:28,629 --> 01:41:26,719

i'm human so sometimes i get pissed off

2588

01:41:30,550 --> 01:41:28,639

like i'm supposed to compete with people

2589

01:41:33,030 --> 01:41:30,560

doing all this slimy

2590

01:41:35,270 --> 01:41:33,040

but you know what the world is filled

2591

01:41:37,990 --> 01:41:35,280

with slimy people doing slimy things

2592

01:41:39,350 --> 01:41:38,000

this this thing is no different and me

2593

01:41:41,030 --> 01:41:39,360

pointing it out and bitching about it

2594

01:41:42,629 --> 01:41:41,040

isn't going to change anything

2595

01:41:45,189 --> 01:41:42,639

kate schneider says if that's drunk you

2596

01:41:47,189 --> 01:41:45,199

don't want to see me drunk no man i i'm

2597

01:41:49,350 --> 01:41:47,199

irish kate three beers is not gonna get

2598

01:41:52,070 --> 01:41:49,360

me drunk and make me start screaming at

2599

01:41:54,149 --> 01:41:52,080

people i just naturally scream at stupid

2600

01:41:56,070 --> 01:41:54,159

people i guess you know i lose my

2601

01:41:57,669 --> 01:41:56,080

patience with stupid people

2602

01:41:59,990 --> 01:41:57,679

and you know what another thing is i'm

2603

01:42:00,870 --> 01:42:00,000

just tired of all the excuses for that

2604

01:42:02,950 --> 01:42:00,880

channel

2605

01:42:05,510 --> 01:42:02,960

you know and you will notice that it's

2606

01:42:07,270 --> 01:42:05,520

only people who are getting paid or are

2607

01:42:09,350 --> 01:42:07,280

just entering into deals with them to

2608

01:42:11,510 --> 01:42:09,360

get paid in the future that will defend

2609

01:42:13,430 --> 01:42:11,520

them nobody else defends that channel

2610

01:42:14,870 --> 01:42:13,440

they peddle garbage they've peddled

2611

01:42:18,229 --> 01:42:14,880

garbage since they began they've been

2612

01:42:19,830 --> 01:42:18,239

caught faking this caught faking that

2613

01:42:22,790 --> 01:42:19,840

caught standing there

2614

01:42:25,030 --> 01:42:22,800

uh saying we're in the philippines uh

2615

01:42:26,870 --> 01:42:25,040

covering this exclusive story and then

2616

01:42:28,870 --> 01:42:26,880

somebody checked on google maps and

2617

01:42:30,550 --> 01:42:28,880

found out that they were in hawaii 20

2618

01:42:32,709 --> 01:42:30,560

minutes from their house

2619

01:42:35,189 --> 01:42:32,719

that's garbage peddlers that's who does

2620

01:42:37,270 --> 01:42:35,199

that garbage peddlers do that and no

2621

01:42:39,510 --> 01:42:37,280

excuse you come up with for why they did

2622

01:42:42,070 --> 01:42:39,520

that is sufficient that's peddling

2623

01:42:43,590 --> 01:42:42,080

garbage

2624

01:42:45,189 --> 01:42:43,600

ludacris says i always appreciate your

2625

01:42:48,390 --> 01:42:45,199

honesty you didn't sound drunk to me i

2626

01:42:51,270 --> 01:42:48,400

had a blast on that panel yes so well

2627

01:42:52,950 --> 01:42:51,280

i didn't i i felt like you know somebody

2628

01:42:54,310 --> 01:42:52,960

didn't tell me they were gonna be there

2629

01:42:55,910 --> 01:42:54,320

and uh i didn't even know they were

2630

01:42:57,910 --> 01:42:55,920

there i just started popping off about

2631

01:42:59,669 --> 01:42:57,920

the garbage documentary with the fairy

2632

01:43:02,310 --> 01:42:59,679

tales in it

2633

01:43:05,030 --> 01:43:02,320

uh you know

2634

01:43:07,030 --> 01:43:05,040

davina so am i i'm half irish and half

2635

01:43:09,510 --> 01:43:07,040

polish davina says i'm irish and polish

2636

01:43:10,950 --> 01:43:09,520

so i get drunk and do stupid stuff

2637

01:43:15,510 --> 01:43:10,960

yeah

2638

01:43:17,030 --> 01:43:15,520

with these two uh no comment

2639

01:43:19,350 --> 01:43:17,040

uh i don't care what's going on with

2640

01:43:20,950 --> 01:43:19,360

them they're garbage peddlers too

2641

01:43:22,470 --> 01:43:20,960

and uh you know

2642

01:43:24,550 --> 01:43:22,480

uh

2643

01:43:26,550 --> 01:43:24,560

you know but we we have to recognize

2644

01:43:27,510 --> 01:43:26,560

here or something that's very important

2645

01:43:34,950 --> 01:43:27,520

i'm not

2646

01:43:36,870 --> 01:43:34,960

people who are just like rah-rah-rah

2647

01:43:38,709 --> 01:43:36,880

aliens are real and all these stories

2648

01:43:41,590 --> 01:43:38,719

are true have

2649

01:43:43,430 --> 01:43:41,600

twice the subscriber base than i do

2650

01:43:45,590 --> 01:43:43,440

but i think that that

2651

01:43:47,990 --> 01:43:45,600

leads people you know this is

2652

01:43:49,750 --> 01:43:48,000

this is a dark and slimy world sometimes

2653

01:43:52,310 --> 01:43:49,760

and some of these people realize if i

2654

01:43:54,470 --> 01:43:52,320

just sit there and rah-rah-rah the

2655

01:43:56,390 --> 01:43:54,480

aliens are really visiting us and this

2656

01:43:58,709 --> 01:43:56,400

all these stories are true

2657

01:44:02,070 --> 01:43:58,719

and ignore all the evidence that so much

2658

01:44:03,590 --> 01:44:02,080

of this is fake fraud and

2659

01:44:04,870 --> 01:44:03,600

i don't think you're doing anything good

2660

01:44:06,790 --> 01:44:04,880

for the world

2661

01:44:09,030 --> 01:44:06,800

you know when i look back on my run here

2662

01:44:11,189 --> 01:44:09,040

in the show however long i do it

2663

01:44:13,350 --> 01:44:11,199

um i want to be proud of the work that i

2664

01:44:15,510 --> 01:44:13,360

did 10 years from now i wouldn't be

2665

01:44:17,430 --> 01:44:15,520

proud of peddling garbage or talking

2666

01:44:19,430 --> 01:44:17,440

about stories that i know are fake just

2667

01:44:20,790 --> 01:44:19,440

because i need to fill some time

2668

01:44:21,990 --> 01:44:20,800

it's just

2669

01:44:25,750 --> 01:44:22,000

you know and that's another thing i

2670

01:44:27,830 --> 01:44:25,760

would like to mention is that in july

2671

01:44:29,750 --> 01:44:27,840

or in june rather next month we're

2672

01:44:31,590 --> 01:44:29,760

coming up on the two-year anniversary to

2673

01:44:33,109 --> 01:44:31,600

the show and i gotta tell you the truth

2674

01:44:35,750 --> 01:44:33,119

because i'm always honest with my

2675

01:44:39,270 --> 01:44:35,760

audience i am seriously considering

2676

01:44:41,270 --> 01:44:39,280

ending our run in june we've done uh

2677

01:44:42,870 --> 01:44:41,280

excellent work here there's more work

2678

01:44:45,669 --> 01:44:42,880

that i would like to do

2679

01:44:48,390 --> 01:44:45,679

but part of me thinks um

2680

01:44:50,790 --> 01:44:48,400

that i should just you know

2681

01:44:53,270 --> 01:44:50,800

exit stage left in june

2682

01:44:55,189 --> 01:44:53,280

because uh because of these handicaps i

2683

01:44:56,790 --> 01:44:55,199

talked about i'm always going to be the

2684

01:44:58,870 --> 01:44:56,800

guy with half the subs of the other

2685

01:45:00,470 --> 01:44:58,880

people with and that means with half of

2686

01:45:02,390 --> 01:45:00,480

the money of the people that are just

2687

01:45:04,070 --> 01:45:02,400

willing to lie to people the people that

2688

01:45:05,910 --> 01:45:04,080

are willing to mislead people the people

2689

01:45:07,350 --> 01:45:05,920

that are willing to sell garbage stories

2690

01:45:10,149 --> 01:45:07,360

constantly

2691

01:45:12,550 --> 01:45:10,159

i i i'm gonna have to be running this

2692

01:45:14,629 --> 01:45:12,560

marathon with two broken legs and that's

2693

01:45:17,910 --> 01:45:14,639

really not fair you know i could go

2694

01:45:19,830 --> 01:45:17,920

cover true crime and and i'd be at a uh

2695

01:45:22,070 --> 01:45:19,840

level playing field with everybody else

2696

01:45:23,830 --> 01:45:22,080

covering true crime now i'm sure some of

2697

01:45:25,510 --> 01:45:23,840

those people embellish or what you know

2698

01:45:28,470 --> 01:45:25,520

i i don't know i don't know what to

2699

01:45:30,950 --> 01:45:28,480

think about this right

2700

01:45:32,470 --> 01:45:30,960

kill boy 2100 saying you being bought

2701  
01:45:34,310 --> 01:45:32,480  
out i don't think there's enough money

2702  
01:45:36,390 --> 01:45:34,320  
to buy me out people have attempted to

2703  
01:45:38,870 --> 01:45:36,400  
buy my silence about their fraudery

2704  
01:45:42,830 --> 01:45:38,880  
fakery and bullshittery and in each case

2705  
01:45:45,030 --> 01:45:42,840  
i declined that um offer and for those

2706  
01:45:47,109 --> 01:45:45,040  
unaware there's a lot of that slimy

2707  
01:45:49,109 --> 01:45:47,119  
stuff going on where somebody that's a

2708  
01:45:50,790 --> 01:45:49,119  
faker frauder and hoaxer

2709  
01:45:52,550 --> 01:45:50,800  
if they get a big critic they will get

2710  
01:45:54,709 --> 01:45:52,560  
them aside and say oh you know we all

2711  
01:45:56,950 --> 01:45:54,719  
got to work together and and this is

2712  
01:45:58,950 --> 01:45:56,960  
counterproductive and how about you come

2713  
01:46:01,350 --> 01:45:58,960

and be in our new documentary or come

2714

01:46:03,030 --> 01:46:01,360

and work with us and we'll pay you but

2715

01:46:05,350 --> 01:46:03,040

you gotta you know you gotta soften your

2716

01:46:07,109 --> 01:46:05,360

tone or even defend us when people say

2717

01:46:08,790 --> 01:46:07,119

that we're not doing good work or what

2718

01:46:10,229 --> 01:46:08,800

you know i'm not getting involved in any

2719

01:46:13,030 --> 01:46:10,239

of that

2720

01:46:14,709 --> 01:46:13,040

it's a slimy world out there right

2721

01:46:16,790 --> 01:46:14,719

lord ludacris says there has to be an

2722

01:46:18,390 --> 01:46:16,800

opposing voice and i've been that voice

2723

01:46:20,229 --> 01:46:18,400

for two years maybe it's somebody else's

2724

01:46:22,470 --> 01:46:20,239

turn to step up and uh

2725

01:46:23,910 --> 01:46:22,480

and do that cowboy says everybody has a

2726

01:46:26,870 --> 01:46:23,920

price yeah

2727

01:46:28,229 --> 01:46:26,880

uh even me razor resolution your opinion

2728

01:46:31,270 --> 01:46:28,239

is important

2729

01:46:34,870 --> 01:46:31,280

yeah and i you know i will say this

2730

01:46:36,870 --> 01:46:34,880

it's a big club and i ain't in it and uh

2731

01:46:39,109 --> 01:46:36,880

but here's the thing there's this is why

2732

01:46:41,030 --> 01:46:39,119

i'm uh not gonna be on any other shows

2733

01:46:44,070 --> 01:46:41,040

anymore because it seems like there's

2734

01:46:48,390 --> 01:46:44,080

new clubs forming right maybe it's not

2735

01:46:50,229 --> 01:46:48,400

the original og ufo huckster club that i

2736

01:46:52,470 --> 01:46:50,239

keep saying it's a big club and i'm not

2737

01:46:54,790 --> 01:46:52,480

and now there's these new clubs forming

2738

01:46:56,870 --> 01:46:54,800

right and clicks i never liked those

2739

01:46:58,470 --> 01:46:56,880

click things you know like no i'm going

2740

01:47:03,109 --> 01:46:58,480

to hang out with these people and not

2741

01:47:08,550 --> 01:47:06,390

yeah shady uh shady uh has a very good

2742

01:47:09,990 --> 01:47:08,560

point steven try to tell us more of your

2743

01:47:11,830 --> 01:47:10,000

thoughts on the phenomenon rather than

2744

01:47:13,830 --> 01:47:11,840

what others are doing catching hoax

2745

01:47:15,750 --> 01:47:13,840

hoaxes is not very interesting people

2746

01:47:18,070 --> 01:47:15,760

can judge for themselves yeah you may be

2747

01:47:19,990 --> 01:47:18,080

right but then again i do get emails all

2748

01:47:22,149 --> 01:47:20,000

the time of people thanking me because

2749

01:47:23,750 --> 01:47:22,159

they like me or once true believers but

2750

01:47:26,149 --> 01:47:23,760

once you dig a little deeper start

2751

01:47:28,550 --> 01:47:26,159

peeling back the layers of deception

2752

01:47:30,310 --> 01:47:28,560

and you see all the scummy side of this

2753

01:47:36,629 --> 01:47:30,320

you feel differently you know and i

2754

01:47:40,229 --> 01:47:38,149

yeah

2755

01:47:42,310 --> 01:47:40,239

cowboy says i like the show only thing

2756

01:47:45,030 --> 01:47:42,320

is bitching about scam on other people

2757

01:47:46,709 --> 01:47:45,040

let them hang themselves right

2758

01:47:48,950 --> 01:47:46,719

operation shutdown hopes i stick around

2759

01:47:51,350 --> 01:47:48,960

for a long time you know i'm gonna i'm

2760

01:47:53,189 --> 01:47:51,360

gonna i'm gonna spend a a good deal of

2761

01:47:56,310 --> 01:47:53,199

time thinking about my decision but you

2762

01:47:59,669 --> 01:47:56,320

got to remember that we all must realize

2763

01:48:02,629 --> 01:47:59,679

that we are not infinite right i'm not

2764

01:48:04,629 --> 01:48:02,639

uh i only have so many years right and

2765

01:48:06,310 --> 01:48:04,639

i've spent two years of my life really

2766

01:48:08,310 --> 01:48:06,320

focused on this

2767

01:48:10,709 --> 01:48:08,320

um

2768

01:48:13,350 --> 01:48:10,719

so i have to decide if i want to spend

2769

01:48:15,910 --> 01:48:13,360

another year doing it then uh

2770

01:48:18,070 --> 01:48:15,920

or two or five you know i have to decide

2771

01:48:19,990 --> 01:48:18,080

or if i'm going to say i did what i

2772

01:48:22,229 --> 01:48:20,000

could i'm proud of my work and i'm going

2773

01:48:23,510 --> 01:48:22,239

to exit stage left

2774

01:48:25,030 --> 01:48:23,520

the other thing is always leave the

2775

01:48:26,950 --> 01:48:25,040

morning more right i don't think it's a

2776

01:48:28,310 --> 01:48:26,960

good idea to wear out your welcome you

2777

01:48:29,750 --> 01:48:28,320

know there's people doing five and six

2778

01:48:33,669 --> 01:48:29,760

shows a week

2779

01:48:35,590 --> 01:48:33,679

i i'm not that guy right

2780

01:48:37,109 --> 01:48:35,600

uh mike rotunda is here and says stephen

2781

01:48:38,629 --> 01:48:37,119

the community is done i know how you

2782

01:48:40,709 --> 01:48:38,639

feel it stinks the people in this

2783

01:48:42,709 --> 01:48:40,719

community don't want the truth

2784

01:48:44,950 --> 01:48:42,719

they don't care that they are being used

2785

01:48:46,629 --> 01:48:44,960

yeah and that's makes me sad and i think

2786

01:48:49,189 --> 01:48:46,639

about that sometime i think that some

2787

01:48:50,709 --> 01:48:49,199

people just want to be entertained with

2788

01:48:53,270 --> 01:48:50,719

you know

2789

01:48:55,350 --> 01:48:53,280

pretty lies and fairy tales and i'm not

2790

01:48:57,910 --> 01:48:55,360

willing to go that route so we have a

2791

01:49:01,430 --> 01:48:57,920

natural disadvantage here right

2792

01:49:03,510 --> 01:49:01,440

devina says uh

2793

01:49:05,430 --> 01:49:03,520

worrying about drama and altering what

2794

01:49:06,550 --> 01:49:05,440

you want to express is what drama people

2795

01:49:09,990 --> 01:49:06,560

want

2796

01:49:12,149 --> 01:49:10,000

uh i suppose and davina says

2797

01:49:13,669 --> 01:49:12,159

you do have to be careful who you so you

2798

01:49:15,030 --> 01:49:13,679

associate yourself with because when

2799

01:49:16,790 --> 01:49:15,040

they go down you're guilty by

2800

01:49:19,030 --> 01:49:16,800

association too

2801  
01:49:21,109 --> 01:49:19,040  
well not according to some people you

2802  
01:49:23,030 --> 01:49:21,119  
know i i heard from another show host

2803  
01:49:24,470 --> 01:49:23,040  
you know i asked him hey you had jimmy

2804  
01:49:26,629 --> 01:49:24,480  
needs church on why don't you ask him

2805  
01:49:28,390 --> 01:49:26,639  
about all the scummy he does or has

2806  
01:49:30,870 --> 01:49:28,400  
been involved in or all this total

2807  
01:49:33,270 --> 01:49:30,880  
scammers that he has pushed

2808  
01:49:35,910 --> 01:49:33,280  
and pumped up and promoted and pushed

2809  
01:49:37,030 --> 01:49:35,920  
into the community as a good information

2810  
01:49:38,870 --> 01:49:37,040  
source when it turns out they were

2811  
01:49:41,669 --> 01:49:38,880  
complete and total frauds oh i don't

2812  
01:49:43,109 --> 01:49:41,679  
believe in guilt by association

2813  
01:49:44,870 --> 01:49:43,119

so

2814

01:49:47,350 --> 01:49:44,880

you know i think birds of a feather if

2815

01:49:50,070 --> 01:49:47,360

you are actively promoting scammers

2816

01:49:51,750 --> 01:49:50,080

constantly what does that make you

2817

01:49:53,350 --> 01:49:51,760

right

2818

01:49:55,109 --> 01:49:53,360

jay roach is here

2819

01:49:57,830 --> 01:49:55,119

uh do you believe that we have been

2820

01:50:00,550 --> 01:49:57,840

visited by ets and

2821

01:50:02,870 --> 01:50:00,560

we have back engineered ufos

2822

01:50:04,870 --> 01:50:02,880

well we heard from roswell tonight and

2823

01:50:06,790 --> 01:50:04,880

uh of all the cases i am a strong

2824

01:50:09,030 --> 01:50:06,800

believer that if one

2825

01:50:12,550 --> 01:50:09,040

is likely aliens

2826

01:50:13,990 --> 01:50:12,560

it's roswell uh i i you know i disagree

2827

01:50:16,470 --> 01:50:14,000

with some of the skeptics including

2828

01:50:18,229 --> 01:50:16,480

kalkwarf you know he he he is very

2829

01:50:19,990 --> 01:50:18,239

adamant it was just a weather balloon

2830

01:50:21,350 --> 01:50:20,000

there's nothing to it

2831

01:50:22,870 --> 01:50:21,360

i disagree

2832

01:50:24,870 --> 01:50:22,880

with based on all of the witness

2833

01:50:26,950 --> 01:50:24,880

testimony of people that saw bodies and

2834

01:50:28,950 --> 01:50:26,960

aliens i i don't think you can explain

2835

01:50:30,310 --> 01:50:28,960

that away there's too many people have

2836

01:50:33,350 --> 01:50:30,320

seen

2837

01:50:35,030 --> 01:50:33,360

too many

2838

01:50:36,870 --> 01:50:35,040

sons and daughters of people who have

2839

01:50:38,790 --> 01:50:36,880

seen those bodies have been told about

2840

01:50:40,149 --> 01:50:38,800

it it's just

2841

01:50:44,629 --> 01:50:40,159

not

2842

01:50:47,910 --> 01:50:44,639

me that all that all of these people

2843

01:50:49,750 --> 01:50:47,920

would just make up stories about bodies

2844

01:50:52,229 --> 01:50:49,760

yes stephen some just seem to want the

2845

01:50:54,550 --> 01:50:52,239

fantasy island treatment yeah and you

2846

01:50:56,550 --> 01:50:54,560

know mark the other thing is is that i

2847

01:50:58,470 --> 01:50:56,560

never set out to be a debunker channel

2848

01:51:01,669 --> 01:50:58,480

it just kind of organically went that

2849

01:51:03,109 --> 01:51:01,679

way because so much of this stuff

2850

01:51:07,669 --> 01:51:03,119

is

2851

01:51:09,750 --> 01:51:07,679

by stupid hucksters

2852

01:51:11,750 --> 01:51:09,760

who just want to make money and they

2853

01:51:14,310 --> 01:51:11,760

don't care if the story is true they

2854

01:51:15,430 --> 01:51:14,320

manufacture evidence they manipulate

2855

01:51:16,470 --> 01:51:15,440

everything

2856

01:51:18,149 --> 01:51:16,480

you know

2857

01:51:20,149 --> 01:51:18,159

one of the things that i that i really

2858

01:51:23,030 --> 01:51:20,159

don't like especially when people post

2859

01:51:25,510 --> 01:51:23,040

ufo videos like this is a video of a ufo

2860

01:51:28,629 --> 01:51:25,520

they all do the same thing and that is

2861

01:51:32,629 --> 01:51:28,639

they put a thumbnail of a really clear

2862

01:51:34,070 --> 01:51:32,639

beautiful image of what looks like a ufo

2863

01:51:36,310 --> 01:51:34,080

and then you see the footage that they

2864

01:51:38,070 --> 01:51:36,320

posted it's a light in the sky or all

2865

01:51:40,870 --> 01:51:38,080

grainy and and it's nothing like

2866

01:51:43,589 --> 01:51:40,880

the thumbnails this is manipulation this

2867

01:51:45,270 --> 01:51:43,599

is look at how cool this ufo looks click

2868

01:51:47,189 --> 01:51:45,280

on the video and watch it and then you

2869

01:51:49,910 --> 01:51:47,199

watch the video and find out that the

2870

01:51:51,990 --> 01:51:49,920

thumbnail was just manufactured garbage

2871

01:51:55,109 --> 01:51:52,000

to make you click on it and i mean this

2872

01:51:56,470 --> 01:51:55,119

is one of those things right

2873

01:51:58,470 --> 01:51:56,480

oh

2874

01:52:01,270 --> 01:51:58,480

god damn it windows 10

2875

01:52:03,189 --> 01:52:01,280

windows 10 for for those that don't know

2876

01:52:05,030 --> 01:52:03,199

has been telling me to reboot and

2877

01:52:07,669 --> 01:52:05,040

install updates since this interview

2878

01:52:09,910 --> 01:52:07,679

began that's the fourth notice i got i

2879

01:52:12,870 --> 01:52:09,920

snoozed it each time

2880

01:52:15,430 --> 01:52:12,880

we're going back to linux for production

2881

01:52:17,830 --> 01:52:15,440

very very soon here al warrior is here

2882

01:52:19,910 --> 01:52:17,840

and says stephen great work man you go

2883

01:52:21,910 --> 01:52:19,920

balls to the wall stick to your guns and

2884

01:52:23,750 --> 01:52:21,920

that's another thing

2885

01:52:26,310 --> 01:52:23,760

one of the reasons i'm considering uh

2886

01:52:27,990 --> 01:52:26,320

exiting stage left is because

2887

01:52:31,030 --> 01:52:28,000

i don't want it to get to the point

2888

01:52:33,109 --> 01:52:31,040

where i do just turn my you know

2889

01:52:34,310 --> 01:52:33,119

credibility in to get the clicks to get

2890

01:52:36,709 --> 01:52:34,320

the views

2891

01:52:38,229 --> 01:52:36,719

you know i just have seen

2892

01:52:40,550 --> 01:52:38,239

people that a year ago would have

2893

01:52:43,030 --> 01:52:40,560

blasted that channel along with me

2894

01:52:45,030 --> 01:52:43,040

totally defending them and then i come

2895

01:52:47,270 --> 01:52:45,040

to find out that that show host entered

2896

01:52:48,629 --> 01:52:47,280

into a business relationship with the

2897

01:52:51,270 --> 01:52:48,639

scammer channel

2898

01:52:52,709 --> 01:52:51,280

uh with the hoaxer channel so

2899

01:52:54,950 --> 01:52:52,719

you know

2900

01:52:57,270 --> 01:52:54,960

some people will go as long as i get

2901  
01:52:59,030 --> 01:52:57,280  
some money i'll defend these people i

2902  
01:53:00,870 --> 01:52:59,040  
don't want it to reach that point and

2903  
01:53:02,390 --> 01:53:00,880  
you know i will say in some people's

2904  
01:53:05,270 --> 01:53:02,400  
defense is

2905  
01:53:07,030 --> 01:53:05,280  
um i have other sources of income this

2906  
01:53:08,870 --> 01:53:07,040  
is only one of my i've always been

2907  
01:53:11,270 --> 01:53:08,880  
really big on this the best financial

2908  
01:53:13,910 --> 01:53:11,280  
advice i could give people is

2909  
01:53:15,589 --> 01:53:13,920  
have multiple revenue streams don't put

2910  
01:53:18,070 --> 01:53:15,599  
all your eggs in one basket like a

2911  
01:53:20,070 --> 01:53:18,080  
full-time job i mean some people have to

2912  
01:53:22,229 --> 01:53:20,080  
but i've always found that having

2913  
01:53:24,229 --> 01:53:22,239

multiple revenue streams gives you

2914

01:53:27,750 --> 01:53:24,239

freedom and flexibility

2915

01:53:29,510 --> 01:53:27,760

my point is since i have multiple

2916

01:53:32,310 --> 01:53:29,520

income streams and multiple streams of

2917

01:53:33,589 --> 01:53:32,320

revenue i don't need to sell out i don't

2918

01:53:35,430 --> 01:53:33,599

need

2919

01:53:36,870 --> 01:53:35,440

you know the youtube pennies i'm not

2920

01:53:38,229 --> 01:53:36,880

going to sell my soul for youtube

2921

01:53:40,070 --> 01:53:38,239

pennies because that's the only income

2922

01:53:41,030 --> 01:53:40,080

stream i have i have other ways to make

2923

01:53:42,709 --> 01:53:41,040

money

2924

01:53:45,510 --> 01:53:42,719

so that i can

2925

01:53:48,390 --> 01:53:45,520

keep my own integrity intact and i'm

2926

01:53:51,910 --> 01:53:48,400

sorry if other people are so broke that

2927

01:53:53,430 --> 01:53:51,920

they have to sell their souls for this

2928

01:53:57,109 --> 01:53:53,440

you know into this

2929

01:53:58,470 --> 01:53:57,119

cesspool of let's just um

2930

01:54:05,109 --> 01:53:58,480

let's just

2931

01:54:07,350 --> 01:54:05,119

sell garbage i'm not gonna do it and

2932

01:54:09,830 --> 01:54:07,360

again one of the reasons why

2933

01:54:12,550 --> 01:54:09,840

i am thinking of just bouncing on out of

2934

01:54:14,709 --> 01:54:12,560

here and exiting stage left is because i

2935

01:54:15,510 --> 01:54:14,719

don't want to become one of those people

2936

01:54:17,589 --> 01:54:15,520

and

2937

01:54:20,070 --> 01:54:17,599

i just saw somebody become one of those

2938

01:54:22,390 --> 01:54:20,080

people who never would do that and never

2939

01:54:24,470 --> 01:54:22,400

would be like that and you know and but

2940

01:54:26,310 --> 01:54:24,480

i get it he's probably tired he's

2941

01:54:28,629 --> 01:54:26,320

probably tired of having his handicaps

2942

01:54:31,030 --> 01:54:28,639

of only telling you know trying to do it

2943

01:54:32,629 --> 01:54:31,040

the right way trying to uh not sell

2944

01:54:34,310 --> 01:54:32,639

garbage and you see all these people

2945

01:54:35,830 --> 01:54:34,320

selling garbage and making three times

2946

01:54:38,149 --> 01:54:35,840

more money than you and after a while

2947

01:54:40,310 --> 01:54:38,159

you must go you know what we'll sell a

2948

01:54:42,310 --> 01:54:40,320

little bit of garbage i'll embellish

2949

01:54:45,430 --> 01:54:42,320

this story a little bit i'll do the

2950

01:54:48,709 --> 01:54:45,440

thumbnail i'll do the uh the click bait

2951

01:54:50,470 --> 01:54:48,719

thing i'll do all that you know i i

2952

01:54:54,550 --> 01:54:50,480

could see how people would get there you

2953

01:54:58,470 --> 01:54:56,390

big fat creep wants me to make youtube

2954

01:55:00,629 --> 01:54:58,480

backyard videos again

2955

01:55:02,709 --> 01:55:00,639

uh divina says are you taking the

2956

01:55:03,830 --> 01:55:02,719

channel in another direction well one of

2957

01:55:05,589 --> 01:55:03,840

the things davina that i've been

2958

01:55:09,109 --> 01:55:05,599

thinking about is it was never my

2959

01:55:11,030 --> 01:55:09,119

intention to solely cover ufos

2960

01:55:12,950 --> 01:55:11,040

we were supposed to be a mix this show

2961

01:55:16,070 --> 01:55:12,960

was supposed to be a mix between art

2962

01:55:19,109 --> 01:55:16,080

bell unsolved mysteries and maybe howard

2963

01:55:20,950 --> 01:55:19,119

stern when he was good you know supposed

2964

01:55:22,870 --> 01:55:20,960

to be a little shocking supposed to be

2965

01:55:24,870 --> 01:55:22,880

mysterious we were going to cover all

2966

01:55:27,430 --> 01:55:24,880

different mysteries and somehow

2967

01:55:29,589 --> 01:55:27,440

organically it just went to ufos mostly

2968

01:55:31,669 --> 01:55:29,599

because that was one of my greatest

2969

01:55:34,310 --> 01:55:31,679

interests in the paranormal as ufos i

2970

01:55:35,990 --> 01:55:34,320

had my own experience as a child and i

2971

01:55:37,910 --> 01:55:36,000

thought uh

2972

01:55:39,109 --> 01:55:37,920

i thought

2973

01:55:42,149 --> 01:55:39,119

i i

2974

01:55:44,310 --> 01:55:42,159

i'll i know all these ufo people so

2975

01:55:47,189 --> 01:55:44,320

naturally the show went the way of weak

2976

01:55:48,709 --> 01:55:47,199

cover ufos a lot more than we cover the

2977

01:55:51,030 --> 01:55:48,719

other mysteries we're going to get back

2978

01:55:53,510 --> 01:55:51,040

to some other mysteries

2979

01:55:55,669 --> 01:55:53,520

steve long says that's why the topic is

2980

01:55:57,430 --> 01:55:55,679

what it is cash over credibility yeah

2981

01:55:59,430 --> 01:55:57,440

thanks steve along and by the way i got

2982

01:56:02,310 --> 01:55:59,440

i got so much steve long was a guest

2983

01:56:04,950 --> 01:56:02,320

here go look at look up his recent

2984

01:56:07,270 --> 01:56:04,960

very well spoken young man a very

2985

01:56:08,790 --> 01:56:07,280

credible person there's not many out

2986

01:56:10,070 --> 01:56:08,800

there that are got a lot of great

2987

01:56:13,589 --> 01:56:10,080

compliments from your appearance here

2988

01:56:13,599 --> 01:56:16,229

okay

2989

01:56:20,870 --> 01:56:18,629

razer revolution how did secure team 10

2990

01:56:22,709 --> 01:56:20,880

get so many subscribers by faking a lot

2991

01:56:25,109 --> 01:56:22,719

of that guy got caught interviewing

2992

01:56:27,270 --> 01:56:25,119

himself with a voice disguiser

2993

01:56:30,550 --> 01:56:27,280

you know again i i don't want to turn

2994

01:56:33,430 --> 01:56:30,560

into that i would rather just disappear

2995

01:56:36,149 --> 01:56:33,440

and uh the legacy of the show that i

2996

01:56:37,189 --> 01:56:36,159

created will be around and i will have

2997

01:56:39,510 --> 01:56:37,199

never

2998

01:56:42,229 --> 01:56:39,520

gone down that dark road

2999

01:56:44,390 --> 01:56:42,239

i'd rather quit than end up like these

3000

01:56:46,470 --> 01:56:44,400

people just selling garbage or defending

3001  
01:56:48,550 --> 01:56:46,480  
people selling garbage making excuses

3002  
01:56:50,229 --> 01:56:48,560  
for people selling garbage

3003  
01:56:51,830 --> 01:56:50,239  
don't leave people don't leave

3004  
01:56:53,189 --> 01:56:51,840  
completely people come to watch you the

3005  
01:56:54,550 --> 01:56:53,199  
stories and hoaxes you cover is

3006  
01:56:55,750 --> 01:56:54,560  
secondary you could be right lord

3007  
01:56:57,669 --> 01:56:55,760  
ludacris

3008  
01:56:59,350 --> 01:56:57,679  
and i'm usually an all chips in kind of

3009  
01:57:00,629 --> 01:56:59,360  
guy i'm not looking for attention saying

3010  
01:57:01,830 --> 01:57:00,639  
that i'm just being honest with the

3011  
01:57:03,669 --> 01:57:01,840  
audience that's something that i'm

3012  
01:57:04,790 --> 01:57:03,679  
considering i realize we're coming up on

3013  
01:57:06,870 --> 01:57:04,800

two years

3014

01:57:08,870 --> 01:57:06,880

and i have to make a serious decision

3015

01:57:10,629 --> 01:57:08,880

and and it does also relate i can be

3016

01:57:12,070 --> 01:57:10,639

honest with this too it also relates to

3017

01:57:13,189 --> 01:57:12,080

the financial end

3018

01:57:15,109 --> 01:57:13,199

um

3019

01:57:18,310 --> 01:57:15,119

not complaining but you know we're not

3020

01:57:20,390 --> 01:57:18,320

making a mint here doing this so

3021

01:57:22,149 --> 01:57:20,400

you know could i take those same hours

3022

01:57:24,470 --> 01:57:22,159

that i put into the show every week and

3023

01:57:27,109 --> 01:57:24,480

make more money in other areas

3024

01:57:29,510 --> 01:57:27,119

absolutely absolutely i could would i

3025

01:57:31,750 --> 01:57:29,520

enjoy doing those other things as much

3026

01:57:33,910 --> 01:57:31,760

probably not so you could see it's a

3027

01:57:36,470 --> 01:57:33,920

very difficult decision to make

3028

01:57:39,430 --> 01:57:36,480

right and we're coming up right on two

3029

01:57:41,270 --> 01:57:39,440

hours right so we are going to bounce on

3030

01:57:43,830 --> 01:57:41,280

out of here i want to remind you of a

3031

01:57:46,310 --> 01:57:43,840

few things first a great way to support

3032

01:57:47,990 --> 01:57:46,320

us is is throwing a couple of bucks in

3033

01:57:49,669 --> 01:57:48,000

our hat there's instructions to send a

3034

01:57:53,109 --> 01:57:49,679

paypal donation

3035

01:57:54,950 --> 01:57:53,119

in the description of the video actually

3036

01:57:56,709 --> 01:57:54,960

while i'm here we're gonna we're gonna

3037

01:58:00,070 --> 01:57:56,719

check into the paypal

3038

01:58:01,669 --> 01:58:00,080

kind and generous paypal donators

3039

01:58:03,750 --> 01:58:01,679

that you can give a super chat during

3040

01:58:05,750 --> 01:58:03,760

the live shows but if we're not

3041

01:58:07,189 --> 01:58:05,760

broadcasting live at the time another

3042

01:58:08,950 --> 01:58:07,199

great way to support us is to just send

3043

01:58:11,910 --> 01:58:08,960

a paypal donation

3044

01:58:14,550 --> 01:58:11,920

and it's to truth seeker show gmail.com

3045

01:58:16,470 --> 01:58:14,560

and add a note put whatever message that

3046

01:58:20,870 --> 01:58:16,480

you want us to share

3047

01:58:22,629 --> 01:58:20,880

and we uh we will read out your message

3048

01:58:26,709 --> 01:58:22,639

kind and generous

3049

01:58:32,229 --> 01:58:29,910

one second 404 kind of generous donation

3050

01:58:35,109 --> 01:58:32,239

from joinery john who says great show

3051

01:58:37,030 --> 01:58:35,119

thanks from joining rejohn we have uh

3052

01:58:38,870 --> 01:58:37,040

rochelle with kind and generous five

3053

01:58:40,870 --> 01:58:38,880

dollar paypal donation says great show

3054

01:58:42,470 --> 01:58:40,880

last night love how you featured dj he

3055

01:58:44,709 --> 01:58:42,480

rocks and so do you

3056

01:58:46,950 --> 01:58:44,719

and it's from shell shock

3057

01:58:48,870 --> 01:58:46,960

um

3058

01:58:50,950 --> 01:58:48,880

we have uh

3059

01:58:52,790 --> 01:58:50,960

dennis with a con generous 20 paypal

3060

01:58:54,629 --> 01:58:52,800

donation says hey stephen you should get

3061

01:58:57,750 --> 01:58:54,639

dark journalists alien scientists goof

3062

01:58:59,189 --> 01:58:57,760

on all one xxi episode take this twenty

3063

01:59:00,629 --> 01:58:59,199

dollars for beers and one buck for

3064

01:59:02,550 --> 01:59:00,639

luella's on his book because that's

3065

01:59:05,270 --> 01:59:02,560

about all it's going to be worth

3066

01:59:07,350 --> 01:59:05,280

trash retrieval and lying saucers yes

3067

01:59:09,830 --> 01:59:07,360

and dorothy with kite and generous

3068

01:59:12,470 --> 01:59:09,840

dollar 50 says don't know why but super

3069

01:59:13,910 --> 01:59:12,480

chats and richard uh with a kind and

3070

01:59:15,270 --> 01:59:13,920

generous 20

3071

01:59:17,830 --> 01:59:15,280

paypal donation thank you for

3072

01:59:21,030 --> 01:59:17,840

entertaining me with your work

3073

01:59:22,390 --> 01:59:21,040

great so uh we're all caught up uh and i

3074

01:59:24,709 --> 01:59:22,400

want to remind people you can also

3075

01:59:26,709 --> 01:59:24,719

become a patreon member where you get a

3076

01:59:28,229 --> 01:59:26,719

backstage pass and i upload extra

3077

01:59:29,990 --> 01:59:28,239

content you just get a couple extra

3078

01:59:32,149 --> 01:59:30,000

goodies that's a dollar a month and our

3079

01:59:33,669 --> 01:59:32,159

new thing is youtube memberships for

3080

01:59:34,950 --> 01:59:33,679

five dollars a month you get a youtube

3081

01:59:37,270 --> 01:59:34,960

member badge

3082

01:59:39,589 --> 01:59:37,280

you get priority in the live chat and

3083

01:59:41,750 --> 01:59:39,599

and with messages and you get the

3084

01:59:44,390 --> 01:59:41,760

members only section here

3085

01:59:47,589 --> 01:59:44,400

where i upload extra goodies including

3086

01:59:49,350 --> 01:59:47,599

all of the patreon benefits but the

3087

01:59:51,270 --> 01:59:49,360

the youtube members get the patreon

3088

01:59:54,390 --> 01:59:51,280

benefits and a few other extras and

3089

01:59:55,910 --> 01:59:54,400

that's five bucks a month the other way

3090

01:59:57,990 --> 01:59:55,920

of course i realize that everybody's

3091

02:00:00,950 --> 01:59:58,000

having a tough time it's rough out there

3092

02:00:02,470 --> 02:00:00,960

brother can you spare a dollar

3093

02:00:04,870 --> 02:00:02,480

that's why i'm begging for money on the

3094

02:00:06,550 --> 02:00:04,880

internet but

3095

02:00:08,470 --> 02:00:06,560

but the other way

3096

02:00:10,709 --> 02:00:08,480

that you could definitely help us is to

3097

02:00:12,790 --> 02:00:10,719

like comment subscribe and share these

3098

02:00:16,149 --> 02:00:12,800

videos it really does help

3099

02:00:18,629 --> 02:00:16,159

my life is being run by an ai algorithm

3100

02:00:20,870 --> 02:00:18,639

and in other words uh that ai algorithm

3101  
02:00:23,669 --> 02:00:20,880  
is deciding whether i will be successful

3102  
02:00:25,830 --> 02:00:23,679  
or be a failure and one of the ways that

3103  
02:00:28,390 --> 02:00:25,840  
we can tip the scale put our thumb on

3104  
02:00:30,550 --> 02:00:28,400  
the scale and get that algorithm to

3105  
02:00:32,470 --> 02:00:30,560  
really help us is to like comment

3106  
02:00:34,629 --> 02:00:32,480  
subscribe and share hit the like button

3107  
02:00:36,709 --> 02:00:34,639  
on the way out it really does help raise

3108  
02:00:37,669 --> 02:00:36,719  
us in the search engine the ai algorithm

3109  
02:00:39,669 --> 02:00:37,679  
loves

3110  
02:00:40,950 --> 02:00:39,679  
interaction too so leave some comments

3111  
02:00:42,790 --> 02:00:40,960  
what did you think of tonight's guest

3112  
02:00:44,390 --> 02:00:42,800  
michael schratt what did you think of

3113  
02:00:47,109 --> 02:00:44,400

what do you think about roswell leave

3114

02:00:49,030 --> 02:00:47,119

some comments in the in the video here

3115

02:00:51,030 --> 02:00:49,040

it really really does help

3116

02:00:53,109 --> 02:00:51,040

and uh i appreciate all of the

3117

02:00:57,510 --> 02:00:53,119

interaction and

3118

02:01:01,350 --> 02:00:57,520

um and uh helping us to uh to continue

3119

02:01:01,360 --> 02:01:08,470

uh let's see

3120

02:01:08,480 --> 02:01:13,510

one second here

3121

02:01:16,629 --> 02:01:15,270

yeah and the sixth sense is reminding

3122

02:01:19,030 --> 02:01:16,639

everybody that truthseekers has a

3123

02:01:21,030 --> 02:01:19,040

patreon with bonus content and you get

3124

02:01:23,910 --> 02:01:21,040

the same bonus content

3125

02:01:25,750 --> 02:01:23,920

and more uh with with a youtube

3126

02:01:27,510 --> 02:01:25,760

membership there's a join button here

3127

02:01:31,109 --> 02:01:27,520

and that's how you join and become a

3128

02:01:35,589 --> 02:01:33,750

yeah kill boy did i miss i'm making sure

3129

02:01:37,270 --> 02:01:35,599

i did not miss

3130

02:01:39,510 --> 02:01:37,280

one second let me check just to make

3131

02:01:43,189 --> 02:01:39,520

sure i make sure i didn't miss any super

3132

02:01:48,229 --> 02:01:45,109

yeah we already read those so we're good

3133

02:01:50,550 --> 02:01:48,239

i'm i am good to bounce on out of here

3134

02:01:52,629 --> 02:01:50,560

uh lots of stuff going on i hear that

3135

02:01:55,750 --> 02:01:52,639

louis lozano is going to be on uh a

3136

02:01:56,790 --> 02:01:55,760

certain guy who needs church uh radio

3137

02:02:02,550 --> 02:01:56,800

show

3138

02:02:06,629 --> 02:02:04,390

kate schneider is here mrs dark

3139

02:02:09,189 --> 02:02:06,639

journalist tell him i said hello

3140

02:02:10,870 --> 02:02:09,199

and i'm still looking for my interview

3141

02:02:13,350 --> 02:02:10,880

kate schneider

3142

02:02:14,870 --> 02:02:13,360

he always tells me he's too busy

3143

02:02:16,629 --> 02:02:14,880

so someday i'm going to show up at your

3144

02:02:18,310 --> 02:02:16,639

house kate schneider with a microphone

3145

02:02:20,149 --> 02:02:18,320

and a camera and be like nope you're

3146

02:02:23,109 --> 02:02:20,159

giving me the interview right now dude i

3147

02:02:24,390 --> 02:02:23,119

don't care what you're doing right

3148

02:02:26,709 --> 02:02:24,400

i don't think he would appreciate me

3149

02:02:28,149 --> 02:02:26,719

ambushing him at his house right and by

3150

02:02:30,390 --> 02:02:28,159

the way i'm only kidding kid schneider i

3151

02:02:35,030 --> 02:02:30,400

would i wouldn't do that

3152

02:02:40,790 --> 02:02:36,709

lord ludacris says it was only sean

3153

02:02:43,430 --> 02:02:41,830

good

3154

02:02:44,870 --> 02:02:43,440

luck not on

3155

02:02:48,629 --> 02:02:44,880

fade to black yeah because isn't that

3156

02:02:50,229 --> 02:02:48,639

weird he goes all right i'm done i'm not

3157

02:02:51,910 --> 02:02:50,239

going to be on any other shows and then

3158

02:02:53,589 --> 02:02:51,920

he books himself the very next week

3159

02:02:55,350 --> 02:02:53,599

right

3160

02:02:57,030 --> 02:02:55,360

anthony peterson with a kind of generous

3161

02:02:59,270 --> 02:02:57,040

five dollar super chat says hope you

3162

02:03:00,550 --> 02:02:59,280

stay on the field needs your voice well

3163

02:03:02,310 --> 02:03:00,560

i appreciate your kindness your

3164

02:03:04,310 --> 02:03:02,320

generosity and your support and i'm

3165

02:03:05,990 --> 02:03:04,320

leaning towards continuing but i have to

3166

02:03:11,910 --> 02:03:06,000

convince myself

3167

02:03:13,830 --> 02:03:11,920

and uh you know i was joking but i think

3168

02:03:16,229 --> 02:03:13,840

one of the things that we might do is

3169

02:03:18,310 --> 02:03:16,239

we're gonna close out what i will call

3170

02:03:20,470 --> 02:03:18,320

season one of truth seekers

3171

02:03:24,149 --> 02:03:20,480

um in june and then i'll take a few

3172

02:03:27,109 --> 02:03:24,159

weeks off and we'll do a fundraiser for

3173

02:03:29,830 --> 02:03:27,119

season two and i'll do a grubathon

3174

02:03:31,990 --> 02:03:29,840

and i'll have uh like televangelists

3175

02:03:33,750 --> 02:03:32,000

asking for money and i'll have other

3176

02:03:35,750 --> 02:03:33,760

people come here and beg everybody for

3177

02:03:38,070 --> 02:03:35,760

money maybe we'll do like a truth

3178

02:03:41,350 --> 02:03:38,080

seekers got talent and people can come

3179

02:03:43,189 --> 02:03:41,360

here like the gong show right

3180

02:03:45,350 --> 02:03:43,199

but thank you uh all you kind of

3181

02:03:46,950 --> 02:03:45,360

generous benefactors for helping us to

3182

02:03:49,589 --> 02:03:46,960

praise the cash

3183

02:03:51,430 --> 02:03:49,599

uh it really it really really does help

3184

02:03:54,550 --> 02:03:51,440

thank you all of you kind of generous

3185

02:03:56,629 --> 02:03:54,560

benefactors thank him for uh helping us

3186

02:03:58,390 --> 02:03:56,639

praise the cash trigger this is trixie

3187

02:04:01,830 --> 02:03:58,400

from truth seekers

3188

02:04:05,589 --> 02:04:01,840

thanking you for your generosity

3189

02:04:07,990 --> 02:04:05,599

i'm gonna praise the cash so hard i'm

3190

02:04:12,870 --> 02:04:08,000

gonna teleport myself

3191

02:04:14,069 --> 02:04:12,880

on board a sexy tic tac ufo

3192

02:04:18,629 --> 02:04:14,079

thank you

3193

02:04:23,910 --> 02:04:21,669

also i should mention that

3194

02:04:26,310 --> 02:04:23,920

you guys like this ufo's got talent that

3195

02:04:28,870 --> 02:04:26,320

my friend william corundum i think i'm

3196

02:04:31,189 --> 02:04:28,880

saying that right has been doing i cut

3197

02:04:32,550 --> 02:04:31,199

all of them together into one

3198

02:04:35,109 --> 02:04:32,560

long

3199

02:04:37,510 --> 02:04:35,119

ufo's got talent episode it is right now

3200

02:04:39,350 --> 02:04:37,520

on patreon and it is in the members

3201

02:04:41,830 --> 02:04:39,360

section here if you are a youtube

3202

02:04:43,830 --> 02:04:41,840

channel member you get a preview we'll

3203

02:04:45,589 --> 02:04:43,840

be debuting that later in the week but

3204

02:04:48,390 --> 02:04:45,599

you guys get a backstage pass and you

3205

02:04:50,870 --> 02:04:48,400

get a preview of the new goodies uh

3206

02:04:52,870 --> 02:04:50,880

he's doing a new uh version of it with

3207

02:04:54,870 --> 02:04:52,880

different people but i'm i'm hopeful

3208

02:04:57,430 --> 02:04:54,880

that i'm still going to be in it i think

3209

02:05:00,390 --> 02:04:58,950

kate schneider says dark journalist

3210

02:05:02,470 --> 02:05:00,400

hasn't done an interview in over two

3211

02:05:03,589 --> 02:05:02,480

years he's not avoiding you i don't

3212

02:05:06,390 --> 02:05:03,599

believe you

3213

02:05:08,790 --> 02:05:06,400

i promise okay i'll take your word for i

3214

02:05:10,229 --> 02:05:08,800

know you know what key uh i always tell

3215

02:05:12,709 --> 02:05:10,239

people this when they ask me to do an

3216

02:05:14,629 --> 02:05:12,719

interview i say the worst person that

3217

02:05:16,550 --> 02:05:14,639

you could ask to do an interview

3218

02:05:18,550 --> 02:05:16,560

especially a long form like a two-hour

3219

02:05:20,069 --> 02:05:18,560

interview is somebody that has their own

3220

02:05:22,069 --> 02:05:20,079

show because they're too busy worrying

3221

02:05:24,229 --> 02:05:22,079

about their own show every week

3222

02:05:26,550 --> 02:05:24,239

to spend the two hours you know talking

3223

02:05:27,589 --> 02:05:26,560

on another show about whatever

3224

02:05:28,629 --> 02:05:27,599

um

3225

02:05:30,950 --> 02:05:28,639

yeah

3226

02:05:33,270 --> 02:05:30,960

and uh worst lover fat says so many

3227

02:05:35,750 --> 02:05:33,280

shows to catch up on yeah it's been a

3228

02:05:37,750 --> 02:05:35,760

pretty busy week right

3229

02:05:39,430 --> 02:05:37,760

yeah davina says let's get a guy for us

3230

02:05:41,990 --> 02:05:39,440

women i'm working on that i'm going to

3231

02:05:43,109 --> 02:05:42,000

have one done soon i promise

3232

02:05:45,189 --> 02:05:43,119

you know

3233

02:05:47,669 --> 02:05:45,199

i i know the ladies have been saying hey

3234

02:05:50,310 --> 02:05:47,679

where's the buff dude with a shirt all

3235

02:05:53,589 --> 02:05:50,320

for us i'm i'm gonna make it happen i

3236

02:05:55,430 --> 02:05:53,599

will make it happen right

3237

02:05:58,870 --> 02:05:55,440

operation showdown hope you have trixie

3238

02:06:00,629 --> 02:05:58,880

help with the fundraiser yes i will i i

3239

02:06:04,390 --> 02:06:00,639

absolutely will

3240

02:06:05,990 --> 02:06:04,400

and

3241

02:06:08,470 --> 02:06:06,000

you know um

3242

02:06:11,669 --> 02:06:08,480

you know the news isn't all bad though

3243

02:06:14,229 --> 02:06:11,679

you know i i uh like i said we're mo we

3244

02:06:16,470 --> 02:06:14,239

removed into this new uh streaming

3245

02:06:18,550 --> 02:06:16,480

studio here which is huge

3246

02:06:20,950 --> 02:06:18,560

it's four times the size four or five

3247

02:06:22,870 --> 02:06:20,960

times uh the size in here of my previous

3248

02:06:23,830 --> 02:06:22,880

streaming studio which was a tiny little

3249

02:06:26,069 --> 02:06:23,840

office

3250

02:06:28,390 --> 02:06:26,079

so it gives us more possibilities and it

3251  
02:06:30,629 --> 02:06:28,400  
gives us more digital power to work with

3252  
02:06:32,870 --> 02:06:30,639  
we're gonna have multiple sets in here

3253  
02:06:34,310 --> 02:06:32,880  
then maybe one night i'll use that set

3254  
02:06:37,510 --> 02:06:34,320  
over there and the other night i'll use

3255  
02:06:39,990 --> 02:06:37,520  
the set on this side three sets all all

3256  
02:06:42,069 --> 02:06:40,000  
set up permanently

3257  
02:06:44,149 --> 02:06:42,079  
and we have the old set so as soon as

3258  
02:06:46,229 --> 02:06:44,159  
summer is over and i'm able to stand it

3259  
02:06:47,750 --> 02:06:46,239  
in there i can use that as well

3260  
02:06:49,750 --> 02:06:47,760  
we're giving ourselves lots of new

3261  
02:06:52,069 --> 02:06:49,760  
capabilities all by the way provided by

3262  
02:06:53,430 --> 02:06:52,079  
you kind and generous benefactors i'm

3263  
02:06:54,950 --> 02:06:53,440

proud to say that every piece of

3264

02:06:57,189 --> 02:06:54,960

equipment in here every piece of

3265

02:06:59,910 --> 02:06:57,199

equipment in the old streaming setup was

3266

02:07:01,589 --> 02:06:59,920

all purchased from the youtube income

3267

02:07:03,910 --> 02:07:01,599

here and the members and the patreon

3268

02:07:05,830 --> 02:07:03,920

benefits and the paypal donators so you

3269

02:07:08,069 --> 02:07:05,840

have my gratitude for all of your help

3270

02:07:09,750 --> 02:07:08,079

and assistance i have everything i need

3271

02:07:12,629 --> 02:07:09,760

to continue this journey except the

3272

02:07:14,870 --> 02:07:12,639

right attitude and i i'm working on it

3273

02:07:17,589 --> 02:07:14,880

i think i just need to convince myself

3274

02:07:19,990 --> 02:07:17,599

to do another year but i'm i'm partly

3275

02:07:21,669 --> 02:07:20,000

there and we'll see what happens so i

3276

02:07:23,589 --> 02:07:21,679

want to thank my guest michael schrat

3277

02:07:25,750 --> 02:07:23,599

one of my favorite guys michael schratt

3278

02:07:27,589 --> 02:07:25,760

one of my favorite researchers so glad

3279

02:07:29,510 --> 02:07:27,599

i'm so glad i almost wrapped up that

3280

02:07:31,189 --> 02:07:29,520

roswell thing going oh i got enough and

3281

02:07:33,510 --> 02:07:31,199

then i remembered michael schrad has got

3282

02:07:35,510 --> 02:07:33,520

to have some things and new perspectives

3283

02:07:37,589 --> 02:07:35,520

to add on roswell never heard him talk

3284

02:07:39,350 --> 02:07:37,599

that long on roswell

3285

02:07:40,390 --> 02:07:39,360

it was a selfish thing

3286

02:07:42,790 --> 02:07:40,400

to get him

3287

02:07:44,870 --> 02:07:42,800

to come and do this for me but i got to

3288

02:07:46,390 --> 02:07:44,880

take you guys with me along for the

3289

02:07:48,550 --> 02:07:46,400

journey so

3290

02:07:50,470 --> 02:07:48,560

that's all i got for you until next time

3291

02:07:59,510 --> 02:07:50,480

friends my name is stephen campion good

3292

02:07:59,520 --> 02:08:05,460

so

3293

02:08:05,470 --> 02:08:13,030

[Music]

3294

02:08:15,870 --> 02:08:14,840

so

3295

02:08:43,290 --> 02:08:15,880

[Music]

3296

02:09:14,450 --> 02:08:43,300

so

3297

02:09:16,140 --> 02:09:14,460

[Music]

3298

02:10:02,600 --> 02:09:16,150

[Applause]
