

1
00:00:05,450 --> 00:00:02,990
next to the CIA director you have wolves

2
00:00:07,430 --> 00:00:05,460
and all that stuff and pissed Woolsey

3
00:00:08,570 --> 00:00:07,440
also bad that he had put a note out

4
00:00:10,669 --> 00:00:08,580
about it but

5
00:00:12,770 --> 00:00:10,679
do you remember to have a good name

6
00:00:14,930 --> 00:00:12,780
dropper and he doesn't do you hear the

7
00:00:17,510 --> 00:00:14,940
latest documentary he claimed that he

8
00:00:20,390 --> 00:00:17,520
was in an airport flying to the secret

9
00:00:22,730 --> 00:00:20,400
underground base and there Billy Gibbons

10
00:00:26,050 --> 00:00:22,740
from ZZ Top met him and knew that he was

11
00:00:29,210 --> 00:00:26,060
going on a secret mission tour

12
00:00:34,820 --> 00:00:29,220
man I'm still trying to get I'm still

13
00:00:34,830 --> 00:00:49,750

[Music]

14

00:00:53,350 --> 00:00:52,069

why don't you get Billy Gibbons on

15

00:00:56,450 --> 00:00:53,360

camera

16

00:00:58,250 --> 00:00:56,460

Stephen Greer's fake story you Fraud's

17

00:01:00,110 --> 00:00:58,260

learning that fake story it's like all

18

00:01:02,389 --> 00:01:00,120

those fake [h__h] videos you guys put

19

00:01:11,109 --> 00:01:02,399

out for years yeah five years of putting

20

00:01:15,770 --> 00:01:13,910

did you see last night's video I don't

21

00:01:18,249 --> 00:01:15,780

pay attention to your stuff dude so

22

00:01:22,929 --> 00:01:18,259

you're blind then

23

00:01:27,550 --> 00:01:25,550

800 times but then you're nice to me

24

00:01:29,810 --> 00:01:27,560

once

25

00:01:31,490 --> 00:01:29,820

but I'm just asking a simple question

26

00:01:33,410 --> 00:01:31,500

I'm not attacking I'm just saying hey

27

00:01:35,170 --> 00:01:33,420

look what did Billy have to say that's

28

00:01:37,910 --> 00:01:35,180

all right

29

00:01:39,770 --> 00:01:37,920

I'm putting it on the show and I'm not

30

00:01:41,390 --> 00:01:39,780

gonna drop it here for you all right

31

00:01:43,490 --> 00:01:41,400

yeah you're the one that made a

32

00:01:45,350 --> 00:01:43,500

documentary you dumbass saying that some

33

00:01:51,130 --> 00:01:45,360

guy went on a secret mission with a guy

34

00:01:59,889 --> 00:01:53,810

came out of his mouth you you didn't

35

00:02:04,069 --> 00:02:02,209

well Stephen Greer wouldn't have done

36

00:02:06,350 --> 00:02:04,079

the documentary if they fact checked

37

00:02:09,229 --> 00:02:06,360

everything he said so I guess you just

38

00:02:11,150 --> 00:02:09,239

make videos with Liars because you don't

39

00:02:13,070 --> 00:02:11,160

want to fact check anybody I thought

40

00:02:15,050 --> 00:02:13,080

something went on his secret mission

41

00:02:17,210 --> 00:02:15,060

with Billy Gibbons from ZZ Top you

42

00:02:21,369 --> 00:02:17,220

[h__h] and you put it in a documentary

43

00:02:26,930 --> 00:02:23,990

I'm sorry I won't curse anymore I think

44

00:02:28,690 --> 00:02:26,940

we need to uh to uh how much money did

45

00:02:31,490 --> 00:02:28,700

you make

46

00:02:34,990 --> 00:02:31,500

you couldn't check with Billy Gibbons

47

00:02:37,490 --> 00:02:35,000

people if he went on a secret mission

48

00:02:40,130 --> 00:02:37,500

I don't have Billy's phone number

49

00:02:41,330 --> 00:02:40,140

neither do I celebrities are hard people

50

00:02:44,869 --> 00:02:41,340

to get to

51
00:02:47,390 --> 00:02:44,879
whoa really okay so there you go so

52
00:02:48,949 --> 00:02:47,400
Greer said it Greer versus Billy it's up

53
00:02:51,350 --> 00:02:48,959
to Billy to make a statement we're just

54
00:02:55,030 --> 00:02:51,360
there filming and they're important

55
00:03:00,660 --> 00:02:58,190
if it was last night's video Stephen

56
00:03:08,990 --> 00:03:00,670
okay okay LOL

57
00:03:12,890 --> 00:03:11,149
I I think Rich played it on his show

58
00:03:15,949 --> 00:03:12,900
you're talking about the uh the guy with

59
00:03:16,540 --> 00:03:15,959
the gun scope no no no no I'm not siding

60
00:03:21,190 --> 00:03:16,550
over Hawaii

61
00:03:26,030 --> 00:03:23,750
four different camera angles yeah look

62
00:03:27,770 --> 00:03:26,040
at it it looks just like space debris

63
00:03:29,210 --> 00:03:27,780

dropping out of the air I'm sure China

64

00:03:31,430 --> 00:03:29,220

or somebody will admit they had a

65

00:03:33,490 --> 00:03:31,440

satellite that de-orbited sooner or

66

00:03:36,050 --> 00:03:33,500

later

67

00:03:39,430 --> 00:03:36,060

it's not exactly sure we had physicists

68

00:03:58,210 --> 00:03:39,440

look at that pretty sure yeah

69

00:04:03,289 --> 00:04:00,710

and by the way what about that video you

70

00:04:05,149 --> 00:04:03,299

stole off that guy recently I got the

71

00:04:07,250 --> 00:04:05,159

video on that I'm gonna do a show on it

72

00:04:09,530 --> 00:04:07,260

next week when you stole a video from

73

00:04:12,800 --> 00:04:09,540

someone without permission and it was a

74

00:04:12,810 --> 00:04:32,650

[Music]

75

00:04:36,890 --> 00:04:34,850

yeah there you go

76

00:04:39,350 --> 00:04:36,900

so this is uh

77

00:04:41,390 --> 00:04:39,360

space debris

78

00:04:44,110 --> 00:04:41,400

no that's a physical object in the sky

79

00:04:47,689 --> 00:04:44,120

it could be I mean who knows what it is

80

00:04:50,510 --> 00:04:47,699

well of course they asked him a question

81

00:04:52,310 --> 00:04:50,520

uh this this though I thought you stated

82

00:04:53,870 --> 00:04:52,320

that this one of them was from a

83

00:04:55,790 --> 00:04:53,880

different time though wasn't it or was

84

00:05:00,430 --> 00:04:55,800

this no no this has all happened the

85

00:05:05,270 --> 00:05:02,749

from a different night though honestly

86

00:05:06,590 --> 00:05:05,280

no that's all the same same night on the

87

00:05:11,510 --> 00:05:06,600

same night and it's from uh it's all

88

00:05:13,969 --> 00:05:11,520

from Hawaii yes from Oahu Kaneohe all

89

00:05:16,490 --> 00:05:13,979

the people you know it's our state so we

90

00:05:18,409 --> 00:05:16,500

have a lot of connections resources

91

00:05:21,650 --> 00:05:18,419

yeah are you saying that's definitely

92

00:05:23,810 --> 00:05:21,660

aliens I never said it was aliens no he

93

00:05:24,350 --> 00:05:23,820

does the cocktail he does the cosmicon

94

00:05:26,770 --> 00:05:24,360

shuffle

95

00:05:37,870 --> 00:05:26,780

[Music]

96

00:05:42,469 --> 00:05:40,490

from the European space agency that

97

00:05:45,350 --> 00:05:42,479

video I just posted in the private chat

98

00:05:48,170 --> 00:05:45,360

uh show that looks an awful lot like

99

00:05:50,689 --> 00:05:48,180

that different height but uh so you're

100

00:05:52,310 --> 00:05:50,699

arguing again this is interesting it's a

101

00:05:54,590 --> 00:05:52,320

lot of debris it's far too close

102

00:05:56,330 --> 00:05:54,600

together why would why would why would

103

00:05:58,930 --> 00:05:56,340

something fly that close together I

104

00:06:03,830 --> 00:05:58,940

don't know I'm like don't ask me

105

00:06:06,670 --> 00:06:03,840

it just looks like debris yeah so there

106

00:06:10,309 --> 00:06:06,680

was a uh there was a Russian

107

00:06:12,890 --> 00:06:10,319

satellite that uh G orbited uh does it

108

00:06:15,730 --> 00:06:12,900

look like that that's fine just hold on

109

00:06:18,469 --> 00:06:15,740

wait to it oh there we go

110

00:06:20,050 --> 00:06:18,479

that's not our video that's this is

111

00:06:22,749 --> 00:06:20,060

space degree

112

00:06:25,809 --> 00:06:22,759

but hold on a minute

113

00:06:32,930 --> 00:06:29,350

just using this for a comparison

114

00:06:35,809 --> 00:06:32,940

it's a great comparison 100 good job on

115

00:06:39,730 --> 00:06:35,819

the comparison I call this uh you know

116

00:06:41,809 --> 00:06:39,740

UFO if you would go I call it Aerospace

117

00:06:43,309 --> 00:06:41,819

now it's starting to really look like it

118

00:06:46,309 --> 00:06:43,319

but you can see that's much more in

119

00:06:48,170 --> 00:06:46,319

focus and it's much closer uh what you'd

120

00:06:51,610 --> 00:06:48,180

filmed yeah and your video is much much

121

00:07:11,870 --> 00:06:51,620

further away exactly his videos

122

00:07:15,650 --> 00:07:13,850

for what could be you're selling dude

123

00:07:17,689 --> 00:07:15,660

it's just interesting you got four

124

00:07:21,430 --> 00:07:17,699

different angles of this thing it seems

125

00:07:24,230 --> 00:07:21,440

like when you find out when you find out

126

00:07:26,450 --> 00:07:24,240

it's gonna drive you nuts right yeah

127

00:07:36,370 --> 00:07:26,460

play a guy that stole from his own

128

00:07:40,730 --> 00:07:38,990

these lights are very sporadic they're

129

00:07:42,230 --> 00:07:40,740

not they're not consistent like what

130

00:07:45,850 --> 00:07:42,240

we're looking at over in Hawaii not even

131

00:07:49,369 --> 00:07:48,110

we're just looking at a few seconds of

132

00:07:51,170 --> 00:07:49,379

it if you keep looking and looking

133

00:07:52,730 --> 00:07:51,180

there's four different angles some last

134

00:07:54,589 --> 00:07:52,740

longer than others we'll take what we

135

00:07:56,689 --> 00:07:54,599

could get you're killing the messenger

136

00:07:58,369 --> 00:07:56,699

what's wrong here okay what is it then

137

00:08:03,369 --> 00:07:58,379

what are you showing up what is it what

138

00:08:08,450 --> 00:08:05,210

in the sky

139

00:08:11,210 --> 00:08:08,460

worthy of further study right and I was

140

00:08:13,150 --> 00:08:11,220

like we need more I don't see the trails

141

00:08:15,589 --> 00:08:13,160

yeah

142

00:08:19,490 --> 00:08:15,599

but I don't see like the trail the

143

00:08:20,809 --> 00:08:19,500

trails on on no not yeah

144

00:08:22,850 --> 00:08:20,819

it has not

145

00:08:23,990 --> 00:08:22,860

has not been up long enough you have to

146

00:08:25,850 --> 00:08:24,000

keep looking it depends on where it's

147

00:08:28,010 --> 00:08:25,860

coming back into the Earth at also man

148

00:08:31,029 --> 00:08:28,020

there's tons of these videos bro I've

149

00:08:33,469 --> 00:08:31,039

seen that same type of video before

150

00:08:34,850 --> 00:08:33,479

I like solar I'm sorry do you remember

151
00:08:36,649 --> 00:08:34,860
the one where they had filmed it and

152
00:08:40,449 --> 00:08:36,659
then it was squid at that one that squid

153
00:08:45,430 --> 00:08:42,709
there's all kinds of stuff that can

154
00:08:47,750 --> 00:08:45,440
happen it's very strange yeah

155
00:08:49,910 --> 00:08:47,760
though four different sources people

156
00:08:52,030 --> 00:08:49,920
shocked on the ground catching it and

157
00:08:54,590 --> 00:08:52,040
they're yeah

158
00:08:56,769 --> 00:08:54,600
why do you guys ever do the work before

159
00:08:58,790 --> 00:08:56,779
you put the video hold on a sec wait

160
00:09:01,250 --> 00:08:58,800
we've interviewed thousands of

161
00:09:03,610 --> 00:09:01,260
eyewitnesses we have video testimonies

162
00:09:05,329 --> 00:09:03,620
along with their videos

163
00:09:07,009 --> 00:09:05,339

I don't know what you're talking about

164

00:09:09,790 --> 00:09:07,019

doing the homework what do you want to

165

00:09:16,870 --> 00:09:09,800

do everything

166

00:09:20,750 --> 00:09:19,550

we actually had brightness contrast we

167

00:09:22,730 --> 00:09:20,760

slow it down

168

00:09:23,930 --> 00:09:22,740

this is our enhancement of the

169

00:09:26,470 --> 00:09:23,940

government but is that the government

170

00:09:29,329 --> 00:09:26,480

couldn't even enhance themselves

171

00:09:31,910 --> 00:09:29,339

we're enhancing the footage as best as

172

00:09:33,769 --> 00:09:31,920

we can oh that thing there I can't even

173

00:09:36,190 --> 00:09:33,779

believe they even showed that damn I'm

174

00:09:38,750 --> 00:09:36,200

sorry that thing is just not worth it

175

00:09:41,050 --> 00:09:38,760

the video you should last night's much

176

00:09:43,670 --> 00:09:41,060

better but it's way too thank you

177

00:09:45,410 --> 00:09:43,680

we have thousands of those videos that

178

00:09:52,030 --> 00:09:45,420

are much better than what we've got

179

00:09:57,290 --> 00:09:54,829

guys they had better videos than the

180

00:09:59,650 --> 00:09:57,300

Pentagon show yes they did [h__h]

181

00:10:02,509 --> 00:09:59,660

lutely they did man yeah

182

00:10:03,829 --> 00:10:02,519

hundreds and thousands of videos with

183

00:10:06,590 --> 00:10:03,839

connections and the sources what's

184

00:10:08,090 --> 00:10:06,600

ridiculous is is that anybody thinks the

185

00:10:09,769 --> 00:10:08,100

Pentagon is going to show us anything we

186

00:10:11,750 --> 00:10:09,779

don't know the only videos they must

187

00:10:14,930 --> 00:10:11,760

have are about that's in in their Hall

188

00:10:18,590 --> 00:10:14,940

they need to show us can I ask Steve

189

00:10:21,470 --> 00:10:18,600

Jobs which should we say

190

00:10:23,269 --> 00:10:21,480

and what you can give me it uh I just

191

00:10:27,009 --> 00:10:23,279

don't respect what you do because you

192

00:10:29,630 --> 00:10:27,019

shovel so much garbage fake [h__h]

193

00:10:33,190 --> 00:10:29,640

five years you put out videos claiming

194

00:10:38,690 --> 00:10:36,310

all over Hawaii

195

00:10:40,550 --> 00:10:38,700

you guys don't remember when you had the

196

00:10:49,210 --> 00:10:40,560

alien hang on under the bumper of the

197

00:10:52,320 --> 00:10:51,889

you guys made a lot of money doing a

198

00:10:55,269 --> 00:10:52,330

Joseph

199

00:10:58,240 --> 00:10:55,279

[Music]

200

00:11:00,370 --> 00:10:58,250

collecting this evidence

201

00:11:02,810 --> 00:11:00,380

[Music]

202

00:11:05,090 --> 00:11:02,820

told me you guys have changed and I've

203

00:11:07,430 --> 00:11:05,100

watched you guys you have changed but I

204

00:11:12,009 --> 00:11:07,440

still thinking of the [h__h] if you

205

00:11:15,170 --> 00:11:12,019

have to you know what you know

206

00:11:16,970 --> 00:11:15,180

hey they got to they got to 800 000

207

00:11:18,650 --> 00:11:16,980

subscribers yeah

208

00:11:21,050 --> 00:11:18,660

[Music]

209

00:11:23,470 --> 00:11:21,060

through Gardens out every week I could

210

00:11:26,690 --> 00:11:23,480

probably do that too if I didn't right

211

00:11:30,110 --> 00:11:26,700

yeah right Stephen you know out of all

212

00:11:33,350 --> 00:11:30,120

of the wells in uh in that are out there

213

00:11:36,530 --> 00:11:33,360

uh the ufology well has been poisoned

214

00:11:39,650 --> 00:11:36,540

the most so it's like you need extreme

215

00:11:40,370 --> 00:11:39,660

filters and like even make any sense of

216

00:11:42,769 --> 00:11:40,380

it

217

00:11:45,350 --> 00:11:42,779

so as Jeremy stated we have better

218

00:11:47,389 --> 00:11:45,360

evidence than the Pentagon has submitted

219

00:11:51,290 --> 00:11:47,399

and we have thousands of these videos

220

00:11:53,030 --> 00:11:51,300

and we're calling out the the the thing

221

00:11:55,790 --> 00:11:53,040

that's happening in social media where

222

00:11:57,490 --> 00:11:55,800

they're the ones that are really guilty

223

00:11:59,629 --> 00:11:57,500

because they're doing it on a major

224

00:12:01,910 --> 00:11:59,639

massive scale

225

00:12:04,370 --> 00:12:01,920

and they're showing Jeremy Corbell video

226

00:12:08,769 --> 00:12:04,380

that we've debunked years ago that this

227

00:12:16,970 --> 00:12:14,110

garbage yeah right his stuff's garbage

228

00:12:19,790 --> 00:12:16,980

and also the major media is putting up

229

00:12:25,750 --> 00:12:19,800

this garbage over and over again and we

230

00:12:30,710 --> 00:12:29,210

when we see any indication of CGI we

231

00:12:32,750 --> 00:12:30,720

throw it in the trash

232

00:12:34,490 --> 00:12:32,760

and we'll call that out if it gets too

233

00:12:35,870 --> 00:12:34,500

big on the internet just to Bunk it

234

00:12:37,790 --> 00:12:35,880

because somebody has to do it with a

235

00:12:40,009 --> 00:12:37,800

baby let me ask you this man let's say

236

00:12:41,870 --> 00:12:40,019

we find some some bunk because you got a

237

00:12:43,550 --> 00:12:41,880

ton of

238

00:12:45,350 --> 00:12:43,560

time if you find some straight up bunk

239

00:12:46,850 --> 00:12:45,360

and I contact you and I'll get a hold of

240

00:12:48,850 --> 00:12:46,860

Mike tratt because he's one of my best

241

00:12:52,629 --> 00:12:48,860

friends and I say my buddy

242

00:12:56,389 --> 00:12:52,639

can you put 50 words

243

00:12:59,569 --> 00:12:56,399

dude I'm serious about this you guys can

244

00:13:02,750 --> 00:12:59,579

can can what you can do is you can come

245

00:13:04,550 --> 00:13:02,760

back into people's lives by saying hey

246

00:13:06,590 --> 00:13:04,560

look we did make some mistakes years ago

247

00:13:07,970 --> 00:13:06,600

we did what we did for production we

248

00:13:10,730 --> 00:13:07,980

were trying to get our channel built up

249

00:13:13,610 --> 00:13:10,740

we we've changed our ways we're actually

250

00:13:15,410 --> 00:13:13,620

debunking and truthing at this point and

251

00:13:17,750 --> 00:13:15,420

maybe debunk some of this bull crap

252

00:13:19,069 --> 00:13:17,760

that's out there yeah we have over and

253

00:13:22,009 --> 00:13:19,079

over and over again you don't watch

254

00:13:23,509 --> 00:13:22,019

world because that's a big picture I

255

00:13:25,069 --> 00:13:23,519

have it guys I'm not gonna lie there's

256

00:13:27,769 --> 00:13:25,079

just so much on the internet these days

257

00:13:31,030 --> 00:13:27,779

and I work 10 hours a day bro it's one

258

00:13:34,190 --> 00:13:31,040

of the most compelling guys in this

259

00:13:36,650 --> 00:13:34,200

Fielding you mean we're coming into this

260

00:13:38,389 --> 00:13:36,660

man back in disclosure project back in

261

00:13:40,069 --> 00:13:38,399

the day I saw you know I can't you know

262

00:13:42,290 --> 00:13:40,079

it's something I I disagree with this

263

00:13:44,449 --> 00:13:42,300

exactly where did get a lot of people

264

00:13:47,930 --> 00:13:44,459

involved in this as well as third phase

265

00:13:50,750 --> 00:13:47,940

of moon into this topic but we're as in

266

00:13:52,850 --> 00:13:50,760

the UFO hungry or not the UFO Congress

267

00:13:55,990 --> 00:13:52,860

that what was it the national Press Club

268

00:14:02,210 --> 00:13:59,750

he had 400 people backing him up yes and

269

00:14:06,009 --> 00:14:02,220

he had a lot of fraudsters in that yeah

270

00:14:08,689 --> 00:14:06,019

I'm sure not epic this is a field

271

00:14:11,030 --> 00:14:08,699

of our experts that we used to look up

272

00:14:12,769 --> 00:14:11,040

to have turned out not to be and we know

273

00:14:16,069 --> 00:14:12,779

a lot of these guys and they haven't

274

00:14:18,590 --> 00:14:16,079

changed they're continuing to spread at

275

00:14:19,730 --> 00:14:18,600

least hey like we've admitted we've made

276

00:14:22,269 --> 00:14:19,740

mistakes

277

00:14:24,530 --> 00:14:22,279

we're looking at this a lot more

278

00:14:27,170 --> 00:14:24,540

specifically in what kind of content we

279

00:14:29,509 --> 00:14:27,180

put out this is and we've been conscious

280

00:14:31,189 --> 00:14:29,519

of this for a long time but then you put

281

00:14:33,410 --> 00:14:31,199

in a documentary with Stephen Greer

282

00:14:35,629 --> 00:14:33,420

saying that an entire engineering firm

283

00:14:38,329 --> 00:14:35,639

got murdered over a free energy device

284

00:14:40,310 --> 00:14:38,339

in a certain State anybody can look at

285

00:14:42,590 --> 00:14:40,320

public records and see that it wasn't a

286

00:14:44,750 --> 00:14:42,600

mass murder of an entire company in that

287

00:14:46,449 --> 00:14:44,760

state and you didn't do that you just

288

00:14:48,710 --> 00:14:46,459

put that

289

00:14:51,170 --> 00:14:48,720

outfit shooting it wasn't like an office

290

00:14:52,970 --> 00:14:51,180

shooting like you're claiming but he

291

00:14:55,250 --> 00:14:52,980

said that all but one person in the

292

00:14:56,930 --> 00:14:55,260

entire company got murdered and you're

293

00:14:58,250 --> 00:14:56,940

acting like it's an office shooting like

294

00:15:01,269 --> 00:14:58,260

somebody came in and murdered them all

295

00:15:05,990 --> 00:15:03,889

you backpedal and now we have an

296

00:15:07,310 --> 00:15:06,000

explanation well I know the explanation

297

00:15:09,470 --> 00:15:07,320

should have been in the documentary we

298

00:15:10,970 --> 00:15:09,480

should have you so you should have asked

299

00:15:13,189 --> 00:15:10,980

Stephen Greer what was the name of the

300

00:15:14,750 --> 00:15:13,199

company looked it up and found out if

301
00:15:16,990 --> 00:15:14,760
anybody from that company got murdered

302
00:15:19,670 --> 00:15:17,000
you did yeah

303
00:15:21,889 --> 00:15:19,680
take information into the community

304
00:15:23,629 --> 00:15:21,899
because you Prof you you filled your

305
00:15:25,610 --> 00:15:23,639
pockets with that career money good for

306
00:15:28,069 --> 00:15:25,620
you if that's the goal that you have

307
00:15:30,590 --> 00:15:28,079
congratulations you you make money very

308
00:15:34,970 --> 00:15:30,600
well shoveling garbage into the UFO

309
00:15:37,129 --> 00:15:34,980
Community that's and listen I I I I know

310
00:15:38,569 --> 00:15:37,139
we've talked on the phone and I felt

311
00:15:40,730 --> 00:15:38,579
differently after we talked on the phone

312
00:15:42,730 --> 00:15:40,740
because I fell for that we're trying to

313
00:15:45,710 --> 00:15:42,740

change that was before

314

00:15:47,389 --> 00:15:45,720

when I saw that garbage documentary and

315

00:15:49,430 --> 00:15:47,399

thought no you didn't change because if

316

00:15:51,889 --> 00:15:49,440

you changed you put this garbage into

317

00:15:53,749 --> 00:15:51,899

the community it was garbage and I'll

318

00:15:57,170 --> 00:15:53,759

tell you this it was extremely well

319

00:16:00,230 --> 00:15:57,180

filmed great music incredible editing

320

00:16:02,569 --> 00:16:00,240

very enthusiastic but the information in

321

00:16:04,629 --> 00:16:02,579

it was garbage all the information and

322

00:16:08,410 --> 00:16:04,639

it was illnesses

323

00:16:11,090 --> 00:16:08,420

this latest Greer documentary with them

324

00:16:13,370 --> 00:16:11,100

you owe me thirteen dollars too I paid

325

00:16:16,249 --> 00:16:13,380

13.

326

00:16:18,050 --> 00:16:16,259

if I ever see you I'm gonna shake you

327

00:16:21,009 --> 00:16:18,060

I'm gonna turn you both upside down and

328

00:16:24,050 --> 00:16:21,019

Shake you until I get my 13.

329

00:16:26,509 --> 00:16:24,060

is this it yeah that's it play the

330

00:16:28,670 --> 00:16:26,519

trailer go ahead and hit it let's see it

331

00:16:31,850 --> 00:16:28,680

what about letting us all watch it

332

00:16:40,569 --> 00:16:31,860

because it's free right now

333

00:16:44,870 --> 00:16:43,249

I mean if you start if he's already made

334

00:16:46,490 --> 00:16:44,880

your money off it let's play it for free

335

00:16:49,090 --> 00:16:46,500

right no that's how bad it is it's not

336

00:16:52,389 --> 00:16:49,100

even gonna drop the price on it

337

00:16:55,129 --> 00:16:52,399

there's my boy Michael

338

00:16:58,269 --> 00:16:55,139

if we can play it you guys won't flag it

339

00:17:03,110 --> 00:17:01,370

oh that was a suck if you flagged it oh

340

00:17:11,390 --> 00:17:03,120

come on we don't play games like that

341

00:17:20,710 --> 00:17:14,210

let me uh let me let me re-share this

342

00:17:28,029 --> 00:17:24,829

about Top Secrets all right you ready

343

00:17:30,409 --> 00:17:28,039

roll it roll it yeah

344

00:17:36,830 --> 00:17:30,419

okay if the impression retrievals are

345

00:17:36,840 --> 00:17:41,169

is back

346

00:17:47,630 --> 00:17:44,990

where the real power is

347

00:17:51,010 --> 00:17:47,640

it's not a 1600 Pennsylvania

348

00:17:54,110 --> 00:17:51,020

Avenue the reality is

349

00:18:05,160 --> 00:17:54,120

they've been working on this for 60 70

350

00:18:05,170 --> 00:18:13,210

[Music]

351
00:18:18,350 --> 00:18:15,710
they're made by product corporations

352
00:18:22,370 --> 00:18:18,360
somewhere on this planet technology from

353
00:18:24,049 --> 00:18:22,380
Roswell from 1947. as well actually it

354
00:19:00,130 --> 00:18:24,059
held back for us

355
00:19:07,430 --> 00:19:04,029
the media is keeping secrets works

356
00:19:09,650 --> 00:19:07,440
these are lethal efficiency and I'm

357
00:19:12,710 --> 00:19:09,660
focused on exposing an extraordinary

358
00:19:14,510 --> 00:19:12,720
technology so they want to be safer no

359
00:19:18,490 --> 00:19:14,520
aspect of life on Earth will be

360
00:19:23,990 --> 00:19:21,289
[Music]

361
00:19:25,850 --> 00:19:24,000
uh Stephen Greer yeah it took us about

362
00:19:27,890 --> 00:19:25,860
four months traveled across the country

363
00:19:31,610 --> 00:19:27,900

twice to accomplish that different

364

00:19:34,490 --> 00:19:31,620

locations Arizona Virginia and Los

365

00:19:36,110 --> 00:19:34,500

Angeles and I I actually thought this is

366

00:19:38,330 --> 00:19:36,120

what I will say I applaud their

367

00:19:41,750 --> 00:19:38,340

filmmaking and their production skills

368

00:19:44,090 --> 00:19:41,760

but the fact that this is two hours of

369

00:19:46,130 --> 00:19:44,100

almost all repeated information that was

370

00:19:48,650 --> 00:19:46,140

in previous projects with Stephen Greer

371

00:19:51,710 --> 00:19:48,660

and that the two big New pieces of

372

00:19:53,510 --> 00:19:51,720

information were that Steven Greer went

373

00:19:56,330 --> 00:19:53,520

on a secret mission with Billy Gibbons

374

00:20:00,049 --> 00:19:56,340

from ZZ Top to underground base where he

375

00:20:02,210 --> 00:20:00,059

saw Limbs regrown and that an entire

376

00:20:04,789 --> 00:20:02,220

engineering firm in a certain State I

377

00:20:07,430 --> 00:20:04,799

can't recall was murdered because they

378

00:20:09,770 --> 00:20:07,440

were pursuing the free energy technology

379

00:20:11,990 --> 00:20:09,780

the fact that you didn't check those two

380

00:20:14,149 --> 00:20:12,000

you know that's all I'm saying like

381

00:20:15,649 --> 00:20:14,159

maybe you need somebody like me and once

382

00:20:18,169 --> 00:20:15,659

you make a project you bring in somebody

383

00:20:21,049 --> 00:20:18,179

at the end if you had brought in

384

00:20:24,049 --> 00:20:21,059

somebody at the end of this thing that

385

00:20:25,850 --> 00:20:24,059

would say you know this this may not be

386

00:20:27,470 --> 00:20:25,860

true or something you know tell the

387

00:20:29,029 --> 00:20:27,480

other side of it and the other thing is

388

00:20:31,909 --> 00:20:29,039

you've got two people here with very

389

00:20:34,909 --> 00:20:31,919

questionable tasks or claims of their

390

00:20:36,770 --> 00:20:34,919

pasts in the form of Billy Carson and

391

00:20:38,690 --> 00:20:36,780

John de Souza did you know John de Souza

392

00:20:40,909 --> 00:20:38,700

was a lawyer for the FBI he didn't

393

00:20:44,570 --> 00:20:40,919

investigate anything paranormal we sat

394

00:20:46,549 --> 00:20:44,580

at a desk working on uh warrants and

395

00:20:49,130 --> 00:20:46,559

things like that Visa warrants for the

396

00:20:51,409 --> 00:20:49,140

FBI didn't investigate paranormal stuff

397

00:20:54,890 --> 00:20:51,419

he he puts himself out there as some FBI

398

00:21:01,450 --> 00:20:54,900

box Mulder guy because he former FBI he

399

00:21:05,270 --> 00:21:03,409

well actually you have to be very

400

00:21:07,250 --> 00:21:05,280

careful because Billy Carson is not

401
00:21:08,350 --> 00:21:07,260
technically a convicted felon he played

402
00:21:10,909 --> 00:21:08,360
right

403
00:21:13,430 --> 00:21:10,919
and then he got a special deal with the

404
00:21:15,130 --> 00:21:13,440
judge that if he completed his jaundice

405
00:21:18,289 --> 00:21:15,140
information

406
00:21:19,789 --> 00:21:18,299
Comey himself in regards to trying to

407
00:21:22,190 --> 00:21:19,799
take his pension away from what I'm

408
00:21:24,830 --> 00:21:22,200
aware of and uh he won against uh Cody

409
00:21:27,669 --> 00:21:24,840
the head of the FBI at the time under

410
00:21:32,029 --> 00:21:29,930
that doesn't make him somebody that I

411
00:21:33,970 --> 00:21:32,039
should trust about UFOs and aliens

412
00:21:37,430 --> 00:21:33,980
though okay

413
00:21:40,490 --> 00:21:37,440

who should we talk to this evening I

414

00:21:42,590 --> 00:21:40,500

don't know I I like I do like Jim in the

415

00:21:43,730 --> 00:21:42,600

life and I do like Michael schrat and I

416

00:21:45,350 --> 00:21:43,740

think you should have given them a

417

00:21:46,930 --> 00:21:45,360

little air time in the video and less

418

00:21:48,970 --> 00:21:46,940

time to Stephen

419

00:21:52,310 --> 00:21:48,980

Storyteller career

420

00:21:53,990 --> 00:21:52,320

look here's the thing too I I know that

421

00:21:55,370 --> 00:21:54,000

some people just lose their objectivity

422

00:21:56,310 --> 00:21:55,380

either hanging out with them you're

423

00:22:00,430 --> 00:21:56,320

eating lunch with them

424

00:22:04,909 --> 00:22:03,470

if you didn't think what he was telling

425

00:22:06,470 --> 00:22:04,919

these stories that maybe this is

426

00:22:08,090 --> 00:22:06,480

[\h__\h] and we should look into it

427

00:22:09,950 --> 00:22:08,100

before you've just jammed into the film

428

00:22:12,529 --> 00:22:09,960

that's all I'm saying I'm trying to be

429

00:22:15,110 --> 00:22:12,539

dirty I really am oh there it's fair

430

00:22:17,510 --> 00:22:15,120

enough but it's true and I wish we could

431

00:22:20,169 --> 00:22:17,520

investigate every single thing that

432

00:22:22,909 --> 00:22:20,179

people bring up every single year

433

00:22:25,130 --> 00:22:22,919

the next documentary that you make you

434

00:22:26,810 --> 00:22:25,140

let me come and be the skeptic and

435

00:22:29,090 --> 00:22:26,820

investigate the claims that people make

436

00:22:30,529 --> 00:22:29,100

why don't we do that I'll do that with

437

00:22:32,330 --> 00:22:30,539

you I don't want to work for you in any

438

00:22:34,090 --> 00:22:32,340

other capacity though because I feel

439

00:22:37,190 --> 00:22:34,100

like I use my objects

440

00:22:40,450 --> 00:22:37,200

he's a researcher so let me in care me

441

00:22:43,730 --> 00:22:40,460

be the researchers bro yeah

442

00:22:45,230 --> 00:22:43,740

oh no that'd be a nightmare holy [h__\h] we
