

Truth Seekers

@STEVEN CAMBIAN

AS THE FLYING SAUCER TURNS!

ATTACK OF THE UFO DRAMA QUEEN LIARS!

1
00:02:06,630 --> 00:00:19,550
[Music]

2
00:02:06,640 --> 00:02:11,650
so

3
00:02:15,590 --> 00:02:13,110
[Music]

4
00:02:30,040 --> 00:02:15,600
so

5
00:02:30,050 --> 00:02:41,670
[Music]

6
00:02:50,240 --> 00:02:43,430
so

7
00:02:50,250 --> 00:03:37,910
[Music]

8
00:03:37,920 --> 00:03:41,110
so

9
00:04:25,270 --> 00:03:53,140
[Music]

10
00:04:32,310 --> 00:04:27,590
greetings and salutations friends and

11
00:04:35,749 --> 00:04:32,320
welcome back it is tuesday may 31st 2022

12
00:04:39,189 --> 00:04:35,759
which also happens to be my birthday uh

13
00:04:42,550 --> 00:04:39,199

first just a a really big note of thanks

14

00:04:44,629 --> 00:04:42,560

uh my phone was blown up all day and

15

00:04:47,270 --> 00:04:44,639

facebook and twitter blew up all day

16

00:04:49,030 --> 00:04:47,280

with all of those uh

17

00:04:51,510 --> 00:04:49,040

wonderful people

18

00:04:54,230 --> 00:04:51,520

from all around the world uh wishing me

19

00:04:56,230 --> 00:04:54,240

a happy birthday and it really was one a

20

00:04:57,270 --> 00:04:56,240

very simple birthday which is what i

21

00:05:00,469 --> 00:04:57,280

prefer

22

00:05:04,390 --> 00:05:00,479

i had a nice dinner with my children and

23

00:05:06,550 --> 00:05:04,400

wife and cake and cupcakes with the boys

24

00:05:09,350 --> 00:05:06,560

who sang me happy birthday

25

00:05:11,510 --> 00:05:09,360

and it was awesome and a side note my

26
00:05:13,510 --> 00:05:11,520
these are new glasses i know they look

27
00:05:16,390 --> 00:05:13,520
like the old ones but they're brand new

28
00:05:17,510 --> 00:05:16,400
uh xavier my youngest son found these

29
00:05:20,469 --> 00:05:17,520
and said

30
00:05:22,310 --> 00:05:20,479
uh these are like daddy wears and it's

31
00:05:25,270 --> 00:05:22,320
his birthday we gotta get these for a

32
00:05:27,270 --> 00:05:25,280
mom so thank you xavier kind and uh

33
00:05:29,189 --> 00:05:27,280
thoughtful gift you know like he knew

34
00:05:31,270 --> 00:05:29,199
exactly what i would like always need

35
00:05:33,909 --> 00:05:31,280
extra pears too so

36
00:05:36,150 --> 00:05:33,919
so there we have it it's my birthday i

37
00:05:38,550 --> 00:05:36,160
had a very busy weekend at the cabin

38
00:05:40,469 --> 00:05:38,560

which explains why i'm behind in many

39

00:05:42,390 --> 00:05:40,479

things and i thought i would broadcast

40

00:05:44,629 --> 00:05:42,400

last night but i got in late from the

41

00:05:46,070 --> 00:05:44,639

cabin and other things

42

00:05:49,749 --> 00:05:46,080

um

43

00:05:52,310 --> 00:05:49,759

just been extremely extremely busy

44

00:05:55,110 --> 00:05:52,320

so i titled tonight's show as the flying

45

00:05:56,710 --> 00:05:55,120

saucer turns attack of the ufo drama

46

00:05:58,950 --> 00:05:56,720

queen liars

47

00:06:02,150 --> 00:05:58,960

uh because it would appear that the

48

00:06:03,350 --> 00:06:02,160

drama continues and uh it gets worse and

49

00:06:04,870 --> 00:06:03,360

worse

50

00:06:07,670 --> 00:06:04,880

but we're going to start off tonight

51
00:06:11,270 --> 00:06:07,680
actually with an example that doesn't

52
00:06:12,790 --> 00:06:11,280
involve me for once of ufo drama uh

53
00:06:14,550 --> 00:06:12,800
because there are people all over

54
00:06:17,110 --> 00:06:14,560
twitter that are right now

55
00:06:18,550 --> 00:06:17,120
uh claiming that john greenwald from uh

56
00:06:21,590 --> 00:06:18,560
junior from

57
00:06:25,749 --> 00:06:21,600
the black vult is creating drama over

58
00:06:28,230 --> 00:06:25,759
this new york uap discussion video

59
00:06:30,070 --> 00:06:28,240
uh and i i we're going to share it and

60
00:06:31,189 --> 00:06:30,080
we're going to talk about it because i i

61
00:06:32,150 --> 00:06:31,199
think that

62
00:06:34,469 --> 00:06:32,160
you know

63
00:06:36,710 --> 00:06:34,479

it's interesting that people accuse

64

00:06:39,189 --> 00:06:36,720

people of creating drama when all

65

00:06:42,230 --> 00:06:39,199

they're doing is commenting on the

66

00:06:44,309 --> 00:06:42,240

[h__h] that people have pushed their

67

00:06:46,390 --> 00:06:44,319

own self into

68

00:06:49,749 --> 00:06:46,400

for those unaware of this new york uap

69

00:06:52,550 --> 00:06:49,759

discussion guy he over hyped and under

70

00:06:54,230 --> 00:06:52,560

delivered we've talked about this before

71

00:06:55,909 --> 00:06:54,240

in order to get a big following you

72

00:06:58,150 --> 00:06:55,919

gotta over hype

73

00:06:59,990 --> 00:06:58,160

and inevitably that means that you're

74

00:07:03,110 --> 00:07:00,000

gonna under deliver

75

00:07:05,270 --> 00:07:03,120

so apparently uh new york uap discussion

76

00:07:07,510 --> 00:07:05,280

was in possession of some

77

00:07:09,670 --> 00:07:07,520

government taxpayer-funded footage and

78

00:07:11,670 --> 00:07:09,680

he sold it back to the people

79

00:07:13,189 --> 00:07:11,680

in the form of hype and tickets at

80

00:07:15,110 --> 00:07:13,199

something called

81

00:07:17,189 --> 00:07:15,120

ufo megacon

82

00:07:20,309 --> 00:07:17,199

and i just want to say that i make this

83

00:07:22,550 --> 00:07:20,319

joke every year when both aliencon and

84

00:07:24,629 --> 00:07:22,560

megacon come up

85

00:07:27,110 --> 00:07:24,639

i always say the same thing

86

00:07:29,589 --> 00:07:27,120

did they name it on purpose so that they

87

00:07:31,350 --> 00:07:29,599

could say we have truth in advertising

88

00:07:33,830 --> 00:07:31,360

asking for a friend

89

00:07:36,790 --> 00:07:33,840

and yes i've heard it all before i know

90

00:07:39,350 --> 00:07:36,800

khan is short for convention but when

91

00:07:43,430 --> 00:07:39,360

you are the purveyor of something called

92

00:07:46,230 --> 00:07:43,440

ufo megacon and you endlessly hype up

93

00:07:48,550 --> 00:07:46,240

some garbage ufo footage and then it

94

00:07:50,309 --> 00:07:48,560

turns out to be garbage ufo footage when

95

00:07:53,350 --> 00:07:50,319

everybody sees it and by the way i

96

00:07:56,070 --> 00:07:53,360

haven't seen all four i've seen the one

97

00:07:57,350 --> 00:07:56,080

which turns out to most likely be

98

00:08:02,390 --> 00:07:57,360

burbs

99

00:08:05,270 --> 00:08:02,400

you can clearly see flapping when you

100

00:08:07,670 --> 00:08:05,280

zoom in on the so-called uaps

101
00:08:09,189 --> 00:08:07,680
if you can clearly see flapping and a

102
00:08:11,909 --> 00:08:09,199
white object

103
00:08:14,629 --> 00:08:11,919
when somebody's claiming that it's uaps

104
00:08:16,390 --> 00:08:14,639
it's pretty likely that it's birds man

105
00:08:17,909 --> 00:08:16,400
and so uh

106
00:08:19,589 --> 00:08:17,919
i'm gonna share my screen i don't know

107
00:08:22,230 --> 00:08:19,599
that i need to cite fair use but we will

108
00:08:25,510 --> 00:08:22,240
anyway this is public twitter posts

109
00:08:26,469 --> 00:08:25,520
um so sometimes this ufo drama

110
00:08:28,710 --> 00:08:26,479
i think

111
00:08:31,589 --> 00:08:28,720
there needs to be drama somebody needs

112
00:08:33,589 --> 00:08:31,599
to say things right and and kudos to

113
00:08:35,909 --> 00:08:33,599

john for having some balls and saying

114

00:08:37,990 --> 00:08:35,919

this is garbage essentially

115

00:08:39,670 --> 00:08:38,000

but we're going to see the post and read

116

00:08:40,870 --> 00:08:39,680

some of the thread replies because i

117

00:08:43,269 --> 00:08:40,880

thought this was funny people are

118

00:08:46,470 --> 00:08:43,279

accusing him of creating drama when all

119

00:08:48,470 --> 00:08:46,480

he's doing is commenting that uh well

120

00:08:51,750 --> 00:08:48,480

here we'll we'll read it

121

00:08:53,910 --> 00:08:51,760

uh okay so new york uap discussion says

122

00:08:56,310 --> 00:08:53,920

thank you everyone i know it's not the

123

00:08:58,150 --> 00:08:56,320

hd footage many want but every little

124

00:08:59,910 --> 00:08:58,160

step forward brings us closer to the

125

00:09:03,590 --> 00:08:59,920

answers we seek

126

00:09:05,430 --> 00:09:03,600

boy what a great way uh to

127

00:09:07,829 --> 00:09:05,440

spin this

128

00:09:10,070 --> 00:09:07,839

the debrief media has been critical at

129

00:09:12,310 --> 00:09:10,080

making this happen and they delivered in

130

00:09:14,310 --> 00:09:12,320

a major way also a big thanks to carl

131

00:09:15,829 --> 00:09:14,320

vibe for all he has done

132

00:09:17,190 --> 00:09:15,839

first of all

133

00:09:19,670 --> 00:09:17,200

i i

134

00:09:23,509 --> 00:09:19,680

tried to read the debrief article

135

00:09:27,110 --> 00:09:23,519

uh and i count it on one page of a maybe

136

00:09:29,829 --> 00:09:27,120

300 or 400 word article

137

00:09:33,269 --> 00:09:29,839

about this footage there is something

138

00:09:36,389 --> 00:09:33,279

like 16 animated ads

139

00:09:39,110 --> 00:09:36,399

and i i just want to tell the debrief or

140

00:09:40,790 --> 00:09:39,120

anybody else if you're going to go and

141

00:09:44,310 --> 00:09:40,800

and be in

142

00:09:46,070 --> 00:09:44,320

legacy multimedia and that's what i call

143

00:09:48,470 --> 00:09:46,080

these people who are still

144

00:09:50,710 --> 00:09:48,480

writing things it's a it's a multimedia

145

00:09:53,590 --> 00:09:50,720

world nobody wants to read

146

00:09:55,430 --> 00:09:53,600

anymore remember blogs those are gone

147

00:09:57,030 --> 00:09:55,440

right nobody wants to read anymore

148

00:10:00,550 --> 00:09:57,040

people want videos

149

00:10:04,389 --> 00:10:00,560

but there are these legacy sites

150

00:10:06,389 --> 00:10:04,399

that will still print articles and then

151

00:10:08,870 --> 00:10:06,399

they fill them with so many ads that

152

00:10:10,790 --> 00:10:08,880

it's an incredible annoyance to just

153

00:10:13,910 --> 00:10:10,800

read a very short article i'm not going

154

00:10:15,670 --> 00:10:13,920

to do it so we would share it here but

155

00:10:18,790 --> 00:10:15,680

there's so many ads on it it's

156

00:10:21,030 --> 00:10:18,800

unviewable it's unreadable so john

157

00:10:22,790 --> 00:10:21,040

greenwald jr says it's not the hd

158

00:10:25,350 --> 00:10:22,800

footage people wanted because it was

159

00:10:27,590 --> 00:10:25,360

hyped as something it wasn't

160

00:10:30,790 --> 00:10:27,600

i got numerous emails to buy tickets to

161

00:10:33,110 --> 00:10:30,800

a conference called megacon to see this

162

00:10:35,030 --> 00:10:33,120

to see it to see the footage

163

00:10:38,590 --> 00:10:35,040

and and here is something that we should

164

00:10:41,110 --> 00:10:38,600

talk about john says you took government

165

00:10:43,110 --> 00:10:41,120

taxpayer-funded footage and sold it back

166

00:10:45,990 --> 00:10:43,120

to the people in the form of hype and

167

00:10:48,389 --> 00:10:46,000

tickets for those that don't recall new

168

00:10:51,350 --> 00:10:48,399

york uap discussion was hyping up this

169

00:10:52,949 --> 00:10:51,360

footage for months and months and months

170

00:10:54,150 --> 00:10:52,959

and then somehow

171

00:10:56,949 --> 00:10:54,160

he gets to

172

00:10:58,949 --> 00:10:56,959

speak at ufo megacon and if you buy a

173

00:11:01,990 --> 00:10:58,959

ticket to ufo megacon you're going to

174

00:11:03,350 --> 00:11:02,000

see this incredible new footage

175

00:11:05,590 --> 00:11:03,360

and again

176

00:11:08,230 --> 00:11:05,600

the footage turned out to be

177

00:11:11,430 --> 00:11:08,240

i believe it's birds and we'll show uh

178

00:11:14,069 --> 00:11:11,440

some of this video

179

00:11:16,150 --> 00:11:14,079

yeah and uh people here are largely

180

00:11:18,310 --> 00:11:16,160

agreeing with uh

181

00:11:20,310 --> 00:11:18,320

largely agreeing with john asking how

182

00:11:21,670 --> 00:11:20,320

did abby loeb get on board for this

183

00:11:24,230 --> 00:11:21,680

fiasco

184

00:11:27,269 --> 00:11:24,240

maybe he's a grifter like everyone else

185

00:11:29,110 --> 00:11:27,279

somebody is attacking him uh john

186

00:11:31,350 --> 00:11:29,120

because you know

187

00:11:33,430 --> 00:11:31,360

uh he's calling this person out for

188

00:11:34,550 --> 00:11:33,440

asking for money for this garbage bird

189

00:11:36,389 --> 00:11:34,560

footage

190

00:11:38,550 --> 00:11:36,399

john says i don't require super chats to

191

00:11:40,470 --> 00:11:38,560

ask me anyway that's voluntary and i

192

00:11:42,310 --> 00:11:40,480

show what it goes to

193

00:11:44,389 --> 00:11:42,320

if you know anything about my channel i

194

00:11:46,630 --> 00:11:44,399

have shows where i do nothing but take

195

00:11:49,030 --> 00:11:46,640

toll-free calls uh that pay me nothing

196

00:11:52,629 --> 00:11:49,040

and i have a great time thank you take

197

00:11:55,110 --> 00:11:52,639

your unfounded accusations elsewhere

198

00:11:58,470 --> 00:11:55,120

uh witness citizen even says i agree

199

00:12:00,389 --> 00:11:58,480

with john for the most part on this one

200

00:12:02,550 --> 00:12:00,399

uh

201
00:12:05,750 --> 00:12:02,560
debrief advocates the need for the I and

202
00:12:07,829 --> 00:12:05,760
move on the video effin sucks

203
00:12:10,710 --> 00:12:07,839
of course we want hd we've been looking

204
00:12:12,949 --> 00:12:10,720
at the same trash footage for years

205
00:12:15,430 --> 00:12:12,959
this is the parent that privately hypes

206
00:12:18,310 --> 00:12:15,440
up the star player gets hurt so their

207
00:12:20,150 --> 00:12:18,320
kid has uh secretly hopes that their

208
00:12:22,389 --> 00:12:20,160
star player gets hurt so their kid has a

209
00:12:24,389 --> 00:12:22,399
shot at more playing time

210
00:12:25,590 --> 00:12:24,399
this person's throwing shade of course

211
00:12:28,710 --> 00:12:25,600
on uh

212
00:12:30,710 --> 00:12:28,720
john from the black vault and uh stephen

213
00:12:32,949 --> 00:12:30,720

green street you know because god forbid

214

00:12:35,750 --> 00:12:32,959

we we call out the

215

00:12:38,150 --> 00:12:35,760

bullshittery in in this so-called ufo

216

00:12:40,310 --> 00:12:38,160

community i love that term ufo community

217

00:12:42,949 --> 00:12:40,320

it's not a community i keep on saying

218

00:12:44,710 --> 00:12:42,959

this and i'm gonna keep on hammered home

219

00:12:46,629 --> 00:12:44,720

this is not a community

220

00:12:48,389 --> 00:12:46,639

it is a bunch of

221

00:12:52,550 --> 00:12:48,399

money grubbing

222

00:12:55,509 --> 00:12:52,560

scammers and victims that's what it is

223

00:12:58,069 --> 00:12:55,519

brian david says despicable people

224

00:13:01,030 --> 00:12:58,079

chase cootes uh says this and this one

225

00:13:03,590 --> 00:13:01,040

made me laugh like crack up uh laugh out

226

00:13:06,150 --> 00:13:03,600

loud really he says look it's the best

227

00:13:07,350 --> 00:13:06,160

footage we have of bad footage of birds

228

00:13:10,069 --> 00:13:07,360

okay

229

00:13:14,310 --> 00:13:10,079

somebody else uh remembering jaime

230

00:13:15,670 --> 00:13:14,320

moussan's uh 99 pay-per-view right

231

00:13:16,790 --> 00:13:15,680

so

232

00:13:19,269 --> 00:13:16,800

is is

233

00:13:21,350 --> 00:13:19,279

what do you guys think is john from the

234

00:13:23,269 --> 00:13:21,360

black folk creating this drama or is he

235

00:13:26,629 --> 00:13:23,279

just commenting on

236

00:13:27,829 --> 00:13:26,639

the whole that this person new york uap

237

00:13:29,910 --> 00:13:27,839

discussion

238

00:13:32,829 --> 00:13:29,920

pushed them so this guy like pushed

239

00:13:35,509 --> 00:13:32,839

himself off his own cliff hyping up this

240

00:13:37,350 --> 00:13:35,519

footage and we can see this time and

241

00:13:39,350 --> 00:13:37,360

time again all these guys do it you

242

00:13:41,590 --> 00:13:39,360

gotta over hype and under deliver

243

00:13:43,750 --> 00:13:41,600

remember jeremy corbell with these big

244

00:13:45,910 --> 00:13:43,760

oh this big drop is coming this friday

245

00:13:47,590 --> 00:13:45,920

turns out to be garbage footage

246

00:13:50,069 --> 00:13:47,600

of something that it's not and it's

247

00:13:53,030 --> 00:13:50,079

hyped up as something that it's not this

248

00:13:55,750 --> 00:13:53,040

is is what i've been saying these people

249

00:13:57,350 --> 00:13:55,760

all hype things up as something it's not

250

00:13:59,829 --> 00:13:57,360

they have to do that because they have

251
00:14:00,790 --> 00:13:59,839
to over promise and they have to under

252
00:14:02,949 --> 00:14:00,800
deliver

253
00:14:04,710 --> 00:14:02,959
now as far as the footage i don't

254
00:14:05,990 --> 00:14:04,720
understand how anybody could have looked

255
00:14:07,269 --> 00:14:06,000
at that and thought you know what i'm

256
00:14:09,189 --> 00:14:07,279
gonna do

257
00:14:11,590 --> 00:14:09,199
i am going to

258
00:14:13,509 --> 00:14:11,600
sell this footage to people

259
00:14:16,389 --> 00:14:13,519
i'm gonna i'm gonna

260
00:14:19,670 --> 00:14:16,399
get involved with the ufo convention and

261
00:14:22,150 --> 00:14:19,680
i am going to ask for people's money to

262
00:14:23,910 --> 00:14:22,160
see this incredible footage that i have

263
00:14:25,670 --> 00:14:23,920

again we're going to cite fair use uh

264

00:14:27,509 --> 00:14:25,680

let me put up my fair use better i don't

265

00:14:30,790 --> 00:14:27,519

know this person and

266

00:14:33,910 --> 00:14:30,800

you know people love to uh

267

00:14:35,110 --> 00:14:33,920

copyright strike if you're critical of

268

00:14:37,509 --> 00:14:35,120

their garbage

269

00:14:39,269 --> 00:14:37,519

and this footage i haven't seen the

270

00:14:41,350 --> 00:14:39,279

other three because i i guess you still

271

00:14:43,750 --> 00:14:41,360

have to pay to see those i i don't know

272

00:14:45,670 --> 00:14:43,760

if anybody knows let me know inbox me

273

00:14:46,629 --> 00:14:45,680

how can we see the other three pieces of

274

00:14:48,949 --> 00:14:46,639

footage

275

00:14:51,269 --> 00:14:48,959

because unless those other three put it

276

00:14:53,670 --> 00:14:51,279

pieces of footage are really really

277

00:14:56,310 --> 00:14:53,680

substantially incredible

278

00:14:58,790 --> 00:14:56,320

brehtaking even i would say that this

279

00:15:01,750 --> 00:14:58,800

borders on consumer fraud first of all

280

00:15:04,470 --> 00:15:01,760

the videos are taxpayer funded those are

281

00:15:07,189 --> 00:15:04,480

government videos this person selling

282

00:15:10,230 --> 00:15:07,199

them to a ufo convention does not own

283

00:15:12,430 --> 00:15:10,240

the rights to these videos we all do we

284

00:15:14,310 --> 00:15:12,440

all paid for them in the form of

285

00:15:17,829 --> 00:15:14,320

taxpayer-funded

286

00:15:19,030 --> 00:15:17,839

whatever it's it's it's plain footage

287

00:15:23,110 --> 00:15:19,040

from

288

00:15:25,430 --> 00:15:23,120

a government helicopter

289

00:15:27,829 --> 00:15:25,440

uh somebody getting that footage giving

290

00:15:29,509 --> 00:15:27,839

it to a ufo guy who then sells it to

291

00:15:31,990 --> 00:15:29,519

people

292

00:15:33,030 --> 00:15:32,000

there's got to be something uh wrong

293

00:15:34,870 --> 00:15:33,040

with that

294

00:15:36,949 --> 00:15:34,880

are you just allowed to take government

295

00:15:39,590 --> 00:15:36,959

taxpayer funded footage and make money

296

00:15:41,269 --> 00:15:39,600

off of it i don't know ask this guy ask

297

00:15:42,470 --> 00:15:41,279

jeremy corbell because that's what these

298

00:15:44,470 --> 00:15:42,480

people are doing they're taking

299

00:15:46,870 --> 00:15:44,480

government funded footage

300

00:15:49,110 --> 00:15:46,880

and then they're profiting from it and

301
00:15:51,350 --> 00:15:49,120
they all do the same thing take this

302
00:15:53,509 --> 00:15:51,360
shitty government grainy ass footage

303
00:15:55,910 --> 00:15:53,519
hype it up is something it's not and

304
00:15:57,749 --> 00:15:55,920
then make money off of it and when you

305
00:16:00,150 --> 00:15:57,759
get caught over promising and under

306
00:16:02,069 --> 00:16:00,160
delivering you got to do the cosmic con

307
00:16:04,710 --> 00:16:02,079
shuffle shuffle off for a little while

308
00:16:07,030 --> 00:16:04,720
and find some new stupid fake stories to

309
00:16:08,550 --> 00:16:07,040
sell the true believers

310
00:16:10,550 --> 00:16:08,560
this is where we're at and this is where

311
00:16:13,269 --> 00:16:10,560
we find ourselves now about that footage

312
00:16:16,069 --> 00:16:13,279
uh before anybody harshly judge judges

313
00:16:18,470 --> 00:16:16,079

john from the black belt or

314

00:16:20,230 --> 00:16:18,480
says he's drumming up drama

315

00:16:21,509 --> 00:16:20,240
uh we're going to take a look at it and

316

00:16:23,110 --> 00:16:21,519
this is fair use this is a

317

00:16:24,949 --> 00:16:23,120
transformative work we're educating the

318

00:16:26,550 --> 00:16:24,959
public and i believe that we're

319

00:16:28,269 --> 00:16:26,560
perfectly within our rights to share

320

00:16:30,629 --> 00:16:28,279
this video considering it's a

321

00:16:32,870 --> 00:16:30,639
taxpayer-funded video and that person

322

00:16:35,350 --> 00:16:32,880
new york uap discussion does not own

323

00:16:37,110 --> 00:16:35,360
this footage the taxpayers own this

324

00:16:39,670 --> 00:16:37,120
footage

325

00:16:40,949 --> 00:16:39,680
so here we go

326

00:16:52,629 --> 00:16:40,959

all right

327

00:16:56,790 --> 00:16:55,110

yeah those little specks in the distance

328

00:16:58,870 --> 00:16:56,800

that's what that's what we're seeing now

329

00:17:01,829 --> 00:16:58,880

we'll see it zoomed

330

00:17:03,990 --> 00:17:01,839

clearly you see flapping wings

331

00:17:05,510 --> 00:17:04,000

when the footage is zoomed in even just

332

00:17:07,270 --> 00:17:05,520

a little bit

333

00:17:12,870 --> 00:17:07,280

now

334

00:17:13,669 --> 00:17:12,880

this new york uap

335

00:17:14,789 --> 00:17:13,679

guy

336

00:17:16,309 --> 00:17:14,799

do that

337

00:17:18,069 --> 00:17:16,319

he doesn't have a video editor he

338

00:17:20,710 --> 00:17:18,079

couldn't zoom in on it a little bit and

339

00:17:23,110 --> 00:17:20,720

then go oh i see flapping wings this is

340

00:17:26,390 --> 00:17:23,120

just birds i won't sell this to people

341

00:17:28,549 --> 00:17:26,400

for cash because it's not a uap

342

00:17:30,549 --> 00:17:28,559

it's a bird

343

00:17:33,190 --> 00:17:30,559

right and people are still arguing over

344

00:17:35,110 --> 00:17:33,200

whether it's birds or not clearly you

345

00:17:36,470 --> 00:17:35,120

can see flapping wings when you zoom in

346

00:17:38,470 --> 00:17:36,480

on this footage

347

00:17:40,870 --> 00:17:38,480

so i i don't understand how this isn't

348

00:17:43,590 --> 00:17:40,880

consumer fraud hyping this up for months

349

00:17:46,789 --> 00:17:43,600

as ufo or uap footage from the

350

00:17:48,630 --> 00:17:46,799

government and this guy went on a real

351

00:17:50,950 --> 00:17:48,640

limb here because he said he had

352

00:17:53,909 --> 00:17:50,960

physicists and image analysts look at it

353

00:17:56,150 --> 00:17:53,919

and they all said it wasn't birds

354

00:17:58,150 --> 00:17:56,160

i'd like their names who are these

355

00:17:59,750 --> 00:17:58,160

physicists who are these image analysts

356

00:18:01,270 --> 00:17:59,760

who are telling you this isn't birds

357

00:18:02,310 --> 00:18:01,280

because i'm no image analyst or

358

00:18:03,750 --> 00:18:02,320

physicist

359

00:18:08,310 --> 00:18:03,760

but clearly we're going to see in a

360

00:18:12,470 --> 00:18:10,230

when this footage is zoomed in even just

361

00:18:13,990 --> 00:18:12,480

a little bit you clearly see flapping

362

00:18:18,630 --> 00:18:14,000

wings

363

00:18:22,150 --> 00:18:20,789

i'm guessing seagulls

364

00:18:23,029 --> 00:18:22,160

i'd like to know where the footage was

365

00:18:27,669 --> 00:18:23,039

taken

366

00:18:29,510 --> 00:18:27,679

ocean there's a there's a major

367

00:18:31,669 --> 00:18:29,520

possibility that this footage is just

368

00:18:34,310 --> 00:18:31,679

seagulls

369

00:18:36,789 --> 00:18:34,320

but hey don't let that stop the uap

370

00:18:39,110 --> 00:18:36,799

money train you gotta sell it no it's

371

00:18:42,470 --> 00:18:39,120

not birds it's uap

372

00:18:45,350 --> 00:18:42,480

it's it's it's a ufo man this must be

373

00:18:48,230 --> 00:18:45,360

aliens there's no other explanation

374

00:18:51,350 --> 00:18:48,240

and the flapping wings is a giveaway

375

00:18:53,510 --> 00:18:51,360

that there is another explanation this

376

00:18:56,310 --> 00:18:53,520

is garbage so what do we think

377

00:18:59,270 --> 00:18:56,320

is jonathan the blackfault at fault for

378

00:19:01,110 --> 00:18:59,280

creating drama here he created this

379

00:19:03,270 --> 00:19:01,120

drama or

380

00:19:05,990 --> 00:19:03,280

is it clear that he's just commenting on

381

00:19:09,110 --> 00:19:06,000

the drama that this idiot

382

00:19:11,909 --> 00:19:09,120

caused himself by overhyping and under

383

00:19:14,070 --> 00:19:11,919

delivering garbage footage of birds

384

00:19:16,470 --> 00:19:14,080

taken from a gun camera footage and

385

00:19:19,190 --> 00:19:16,480

profiting from it

386

00:19:23,750 --> 00:19:22,230

i think that some people uh are worthy

387

00:19:24,950 --> 00:19:23,760

of a little bit of drama thrown their

388

00:19:26,710 --> 00:19:24,960

way

389

00:19:29,270 --> 00:19:26,720

they created

390

00:19:31,830 --> 00:19:29,280

you know when you set yourself up

391

00:19:33,990 --> 00:19:31,840

you set yourself up for things like this

392

00:19:36,070 --> 00:19:34,000

if you over promise and you under

393

00:19:38,950 --> 00:19:36,080

deliver now look at that jason m with a

394

00:19:40,710 --> 00:19:38,960

kind and generous uh

395

00:19:41,990 --> 00:19:40,720

1999 thank you very much for your

396

00:19:43,510 --> 00:19:42,000

kindness your generosity and your

397

00:19:45,430 --> 00:19:43,520

support he says true seekers is the

398

00:19:47,430 --> 00:19:45,440

voice of truth and reason we all need

399

00:19:49,430 --> 00:19:47,440

thank you i appreciate that very much

400

00:19:51,110 --> 00:19:49,440

well according to some people i'm a liar

401
00:19:53,110 --> 00:19:51,120
and a hoaxer and we're going to get into

402
00:19:56,310 --> 00:19:53,120
that next jason m

403
00:19:58,789 --> 00:19:56,320
uh because the drama rama continues and

404
00:20:01,750 --> 00:19:58,799
uh like i said that

405
00:20:03,990 --> 00:20:01,760
this last week i got attacked

406
00:20:05,590 --> 00:20:04,000
it's the attack of the ufo drama queen

407
00:20:07,830 --> 00:20:05,600
liars right

408
00:20:09,430 --> 00:20:07,840
now granted i create some of my own

409
00:20:11,110 --> 00:20:09,440
drama i do

410
00:20:12,470 --> 00:20:11,120
uh well thank you jason for your

411
00:20:15,270 --> 00:20:12,480
kindness your generosity and your

412
00:20:18,390 --> 00:20:15,280
support let us not forget to thank you

413
00:20:21,270 --> 00:20:18,400

for praising the cash friends uh praise

414

00:20:22,390 --> 00:20:21,280

the cash this is trixie from truth

415

00:20:25,830 --> 00:20:22,400

seekers

416

00:20:29,590 --> 00:20:25,840

thanking you for your generosity

417

00:20:31,990 --> 00:20:29,600

i'm gonna praise the cash so hard i'm

418

00:20:36,950 --> 00:20:32,000

gonna teleport myself

419

00:20:41,430 --> 00:20:38,070

thank you

420

00:20:44,549 --> 00:20:41,440

for your generosity

421

00:20:47,430 --> 00:20:44,559

thank you very much trixie and thank you

422

00:20:49,110 --> 00:20:47,440

to all our kind and generous benefactors

423

00:20:50,390 --> 00:20:49,120

which reminds me i always say i'm going

424

00:20:51,590 --> 00:20:50,400

to do this we're going to do it tonight

425

00:20:54,230 --> 00:20:51,600

i want to remind everybody that you can

426

00:20:55,750 --> 00:20:54,240

become a member on patreon or excuse me

427

00:20:56,870 --> 00:20:55,760

you can become a member on patreon for

428

00:21:00,230 --> 00:20:56,880

as little as a dollar a month but you

429

00:21:03,590 --> 00:21:00,240

can become a channel member now here

430

00:21:06,390 --> 00:21:03,600

and that will enable you to also get the

431

00:21:08,070 --> 00:21:06,400

paypal benefits plus some youtube

432

00:21:11,909 --> 00:21:08,080

uh benefits

433

00:21:15,190 --> 00:21:13,669

i'm gonna see my members here so we're

434

00:21:17,270 --> 00:21:15,200

gonna shout out all our kind and

435

00:21:20,149 --> 00:21:17,280

generous members they've become praised

436

00:21:21,909 --> 00:21:20,159

cash members we have tina teden is a

437

00:21:24,470 --> 00:21:21,919

member we have carolyn barnett is a

438

00:21:26,789 --> 00:21:24,480

member we have andy cartier we have

439

00:21:28,950 --> 00:21:26,799

fraps app we have annie kurtz

440

00:21:31,510 --> 00:21:28,960

we have babs williamson we have gary

441

00:21:33,830 --> 00:21:31,520

arnold we have firm bulacs we have

442

00:21:35,270 --> 00:21:33,840

reload reload and sid vic have become

443

00:21:37,430 --> 00:21:35,280

channel members and they get the patreon

444

00:21:39,990 --> 00:21:37,440

benefits plus some additional channel

445

00:21:41,909 --> 00:21:40,000

memberships and they get a member badge

446

00:21:44,870 --> 00:21:41,919

and priority in the live chat and all

447

00:21:46,630 --> 00:21:44,880

that all those goodies uh so thank thank

448

00:21:48,149 --> 00:21:46,640

you for all all of you guys for your

449

00:21:49,110 --> 00:21:48,159

kindness your generosity and your

450

00:21:50,950 --> 00:21:49,120

support

451
00:21:52,470 --> 00:21:50,960
so another one here let me see if we can

452
00:21:54,070 --> 00:21:52,480
find that

453
00:21:56,630 --> 00:21:54,080
lord ludacris platt is here with the

454
00:21:58,789 --> 00:21:56,640
kind and generous 999 super chat says

455
00:22:00,149 --> 00:21:58,799
happy birthday and cheers thank you for

456
00:22:01,510 --> 00:22:00,159
kindness your generosity and your

457
00:22:03,750 --> 00:22:01,520
support as well

458
00:22:06,149 --> 00:22:03,760
um long time show supporter lord

459
00:22:09,750 --> 00:22:06,159
ludacris plaid much much appreciate it

460
00:22:15,830 --> 00:22:13,270
david bucky says hey uh we can uh all be

461
00:22:17,590 --> 00:22:15,840
right they could be blue avian ets

462
00:22:20,549 --> 00:22:17,600
flying around up there

463
00:22:23,110 --> 00:22:20,559

uh but i doubt it but i doubt it uh so

464

00:22:26,149 --> 00:22:23,120

back to the dramarama you know

465

00:22:28,149 --> 00:22:26,159

i i'm at a loss and it's my birthday i'm

466

00:22:30,710 --> 00:22:28,159

not gonna get pissed off today uh you

467

00:22:32,950 --> 00:22:30,720

know i'm in too good a mood but when

468

00:22:35,350 --> 00:22:32,960

people are out there flapping their gums

469

00:22:37,430 --> 00:22:35,360

talking [h__\h] and just straight lying and

470

00:22:39,350 --> 00:22:37,440

said you said [h__\h] you never said you

471

00:22:40,710 --> 00:22:39,360

have to defend yourself

472

00:22:43,350 --> 00:22:40,720

right

473

00:22:45,510 --> 00:22:43,360

and so you know for those unaware that

474

00:22:47,750 --> 00:22:45,520

you know there's a there's a timeline to

475

00:22:49,590 --> 00:22:47,760

what happened here i got an argument and

476
00:22:50,630 --> 00:22:49,600
i got in an argument with third phase of

477
00:22:52,870 --> 00:22:50,640
moon

478
00:22:54,950 --> 00:22:52,880
and that was last week

479
00:22:56,390 --> 00:22:54,960
um

480
00:22:58,950 --> 00:22:56,400
yeah so

481
00:23:00,950 --> 00:22:58,960
after that rich from goofon decided to

482
00:23:02,789 --> 00:23:00,960
put me on blast then he told everybody

483
00:23:05,750 --> 00:23:02,799
that i started this

484
00:23:08,789 --> 00:23:05,760
uh first of all no i had a disagreement

485
00:23:10,390 --> 00:23:08,799
or an argument with your puppet masters

486
00:23:11,909 --> 00:23:10,400
third phase of moon

487
00:23:14,070 --> 00:23:11,919
you weren't there

488
00:23:16,310 --> 00:23:14,080

had nothing to do with you truly though

489

00:23:18,549 --> 00:23:16,320

i will i would tell them to his face

490

00:23:20,630 --> 00:23:18,559

that he carries their water he makes

491

00:23:22,390 --> 00:23:20,640

excuses for all the fake [h__h] they keep

492

00:23:25,190 --> 00:23:22,400

getting caught with

493

00:23:26,870 --> 00:23:25,200

and you know he defends them constantly

494

00:23:28,230 --> 00:23:26,880

no matter how

495

00:23:30,390 --> 00:23:28,240

you know

496

00:23:32,870 --> 00:23:30,400

terrible a thing they get caught doing

497

00:23:34,950 --> 00:23:32,880

no matter how stupid and fake something

498

00:23:35,669 --> 00:23:34,960

they get caught pushing as more than it

499

00:23:38,070 --> 00:23:35,679

is

500

00:23:40,230 --> 00:23:38,080

turns out to be rich from goof on has to

501
00:23:42,230 --> 00:23:40,240
defend them but i didn't get in an

502
00:23:44,230 --> 00:23:42,240
argument with rich from goof on i got an

503
00:23:46,789 --> 00:23:44,240
argument with third phase of moon on

504
00:23:49,190 --> 00:23:46,799
alien scientist channel i put a clip of

505
00:23:51,590 --> 00:23:49,200
that on our show here i don't even think

506
00:23:55,430 --> 00:23:51,600
i mentioned rich and if i did i may have

507
00:23:57,669 --> 00:23:55,440
just said rich defends your garbage

508
00:24:00,230 --> 00:23:57,679
but my argument was with third phase of

509
00:24:02,149 --> 00:24:00,240
moon so he can lie and say that i

510
00:24:03,830 --> 00:24:02,159
started this disagreement between us i

511
00:24:05,830 --> 00:24:03,840
didn't start any disagreement between me

512
00:24:08,549 --> 00:24:05,840
and rich he started that disagreement

513
00:24:09,430 --> 00:24:08,559

when he put me on blast for two days

514

00:24:12,070 --> 00:24:09,440

so

515

00:24:14,470 --> 00:24:12,080

uh you know one of the things here too

516

00:24:16,630 --> 00:24:14,480

that's very important is that rich is

517

00:24:19,269 --> 00:24:16,640

just simply not a man of his word

518

00:24:20,870 --> 00:24:19,279

because rich said hey uh they're

519

00:24:22,950 --> 00:24:20,880

of course you've got to use the talking

520

00:24:25,029 --> 00:24:22,960

points they haven't hoaxed anything in

521

00:24:27,430 --> 00:24:25,039

five years he all but admits they used

522

00:24:29,029 --> 00:24:27,440

to hoax a lot of [h__h] and fake a lot of

523

00:24:31,190 --> 00:24:29,039

[h__h] but they haven't done it in five

524

00:24:33,430 --> 00:24:31,200

years so somehow we're all supposed to

525

00:24:36,149 --> 00:24:33,440

forgive them and move on and i believe

526

00:24:38,149 --> 00:24:36,159

every man deserves a road to redemption

527

00:24:40,070 --> 00:24:38,159

but when you say you've changed when you

528

00:24:42,230 --> 00:24:40,080

say you're doing things the right way

529

00:24:43,909 --> 00:24:42,240

and yet you still keep getting caught

530

00:24:46,390 --> 00:24:43,919

pushing fake [h__h]

531

00:24:48,710 --> 00:24:46,400

that proves you're full [h__h] you didn't

532

00:24:52,950 --> 00:24:48,720

change at all you're lying to everybody

533

00:24:55,110 --> 00:24:52,960

to try to continue with the grift

534

00:24:56,549 --> 00:24:55,120

so one of the things that rich said was

535

00:24:58,950 --> 00:24:56,559

that if he

536

00:25:00,870 --> 00:24:58,960

uh if they had been caught faking things

537

00:25:03,110 --> 00:25:00,880

or hoaxing things anytime in the past

538

00:25:05,269 --> 00:25:03,120

few years while he was with them he just

539

00:25:09,990 --> 00:25:05,279

couldn't associate with them

540

00:25:13,110 --> 00:25:10,000

if they got caught

541

00:25:15,269 --> 00:25:13,120

pushing a hoax or fake [h__h] now i'm sure

542

00:25:17,029 --> 00:25:15,279

the excuses are gonna come now he's

543

00:25:18,230 --> 00:25:17,039

gonna say well they didn't intentionally

544

00:25:21,430 --> 00:25:18,240

hoax

545

00:25:23,750 --> 00:25:21,440

[h__h] they manipulate everything they

546

00:25:26,230 --> 00:25:23,760

hype up things that in five minutes that

547

00:25:28,230 --> 00:25:26,240

you could tell in five minutes for some

548

00:25:30,230 --> 00:25:28,240

of the [h__h] that they put out it's fake

549

00:25:33,350 --> 00:25:30,240

it's not what they say it is

550

00:25:35,590 --> 00:25:33,360

any decent researcher or investigator

551
00:25:37,110 --> 00:25:35,600
could spend five minutes and figure it

552
00:25:38,630 --> 00:25:37,120
out tonight we're gonna see an example

553
00:25:41,590 --> 00:25:38,640
of that and he's gonna have to make new

554
00:25:44,149 --> 00:25:41,600
excuses i love it get those excuses

555
00:25:46,390 --> 00:25:44,159
ready suddenly somebody's gonna need a

556
00:25:48,630 --> 00:25:46,400
day off while he gets the talking points

557
00:25:50,950 --> 00:25:48,640
for how to defend the latest garbage

558
00:25:52,630 --> 00:25:50,960
[h__\h] and by the way he lied to

559
00:25:54,390 --> 00:25:52,640
everybody and said i had to go back

560
00:25:56,870 --> 00:25:54,400
eight years to find examples of them

561
00:25:59,190 --> 00:25:56,880
faking [h__\h] uh no

562
00:26:00,549 --> 00:25:59,200
i did find examples of them faking [h__\h]

563
00:26:01,990 --> 00:26:00,559

and lying through their teeth eight

564

00:26:03,590 --> 00:26:02,000
years ago saying they were in an

565

00:26:06,549 --> 00:26:03,600
entirely different country than they

566

00:26:08,870 --> 00:26:06,559
were actually in doing a special report

567

00:26:12,549 --> 00:26:08,880
uh but that wasn't the point i actually

568

00:26:16,390 --> 00:26:12,559
found something from february of 2022 a

569

00:26:22,149 --> 00:26:18,870
but rich says they haven't i can't find

570

00:26:25,029 --> 00:26:22,159
any examples of recent fakery fraudery

571

00:26:27,190 --> 00:26:25,039
or bullshittery that's what he says

572

00:26:28,630 --> 00:26:27,200
and he says that if they got caught

573

00:26:30,149 --> 00:26:28,640
doing any of that he just couldn't

574

00:26:32,549 --> 00:26:30,159
associate with them

575

00:26:35,430 --> 00:26:32,559
right here you can see that this is a

576
00:26:37,190 --> 00:26:35,440
weasel maneuver this is a weasel thing

577
00:26:39,190 --> 00:26:37,200
to do right because now he's going to

578
00:26:41,110 --> 00:26:39,200
slither out of this [h__\h] but we got it

579
00:26:43,590 --> 00:26:41,120
clipped here's what he said

580
00:26:45,990 --> 00:26:43,600
about if anybody could catch

581
00:26:47,590 --> 00:26:46,000
third face faking [h__\h] hoax and [h__\h] or

582
00:26:52,149 --> 00:26:47,600
pushing fake [h__\h] here's what he

583
00:26:57,110 --> 00:26:54,630
and uh you know

584
00:26:58,710 --> 00:26:57,120
it is what it is now the last five years

585
00:27:00,950 --> 00:26:58,720
i've been a part of it for just about

586
00:27:04,230 --> 00:27:00,960
three

587
00:27:06,310 --> 00:27:04,240
if if there were any hopes is by them

588
00:27:09,830 --> 00:27:06,320

i just i wouldn't be able to associate

589

00:27:13,110 --> 00:27:09,840

with them at least business-wise

590

00:27:15,190 --> 00:27:13,120

if if there were any hoaxes by them

591

00:27:17,750 --> 00:27:15,200

i just i wouldn't be able to associate

592

00:27:19,960 --> 00:27:17,760

with them at least business-wise

593

00:27:41,110 --> 00:27:19,970

and uh they don't pay me

594

00:27:44,710 --> 00:27:42,870

by the way i love the laughing lions i

595

00:27:47,510 --> 00:27:44,720

see a lot of laughing

596

00:27:49,190 --> 00:27:47,520

lions in rich's future if he continues

597

00:27:51,350 --> 00:27:49,200

down this dark and dangerous path

598

00:27:53,590 --> 00:27:51,360

especially calling me a liar

599

00:27:56,389 --> 00:27:53,600

misleading people putting words in my

600

00:27:59,029 --> 00:27:56,399

mouth saying i said [h__h] i never said

601
00:28:01,990 --> 00:27:59,039
going on that defense tour we got to go

602
00:28:03,909 --> 00:28:02,000
on other friendly shows to third phase

603
00:28:05,430 --> 00:28:03,919
and tell them all that steve cambion is

604
00:28:09,430 --> 00:28:05,440
the bad guy

605
00:28:11,669 --> 00:28:09,440
point out that they faked a lot of [h__h]

606
00:28:14,870 --> 00:28:11,679
he's the he's the problem

607
00:28:16,389 --> 00:28:14,880
not not my puppet masters

608
00:28:18,389 --> 00:28:16,399
that's what he said

609
00:28:20,470 --> 00:28:18,399
and by the way after he said they don't

610
00:28:22,789 --> 00:28:20,480
pay me he then went on to explain

611
00:28:25,190 --> 00:28:22,799
exactly how they pay him you see the

612
00:28:27,750 --> 00:28:25,200
double speak right you gotta you gotta

613
00:28:30,070 --> 00:28:27,760

shovel everything in you gotta construct

614

00:28:32,310 --> 00:28:30,080

a carefully constructed narrative so

615

00:28:35,430 --> 00:28:32,320

that you could do the damage control and

616

00:28:37,990 --> 00:28:35,440

continue to reap the benefits of all of

617

00:28:40,789 --> 00:28:38,000

that third phase i guess

618

00:28:43,029 --> 00:28:40,799

subscribers and views that he gets from

619

00:28:45,830 --> 00:28:43,039

them and by the way he also took a shot

620

00:28:48,310 --> 00:28:45,840

at my numbers hey bro i don't have a

621

00:28:50,870 --> 00:28:48,320

channel with 800 000 subscribers

622

00:28:53,430 --> 00:28:50,880

shoveling subscribers and views my way

623

00:28:55,830 --> 00:28:53,440

you do and your your numbers are not

624

00:28:57,830 --> 00:28:55,840

much better than mine bro and i'm doing

625

00:29:00,950 --> 00:28:57,840

all this [h__\h] myself and i haven't sold

626

00:29:03,990 --> 00:29:00,960

my soul to fakers frauders and

627

00:29:07,110 --> 00:29:04,950

but

628

00:29:09,990 --> 00:29:07,120

remember let's get back to the fact that

629

00:29:12,470 --> 00:29:10,000

he said i have to go back eight years to

630

00:29:14,310 --> 00:29:12,480

find examples of them faking or hoaxing

631

00:29:17,029 --> 00:29:14,320

[h__\h] but before we do

632

00:29:19,990 --> 00:29:17,039

realize the language the language is

633

00:29:22,630 --> 00:29:20,000

very important because he said if if

634

00:29:24,310 --> 00:29:22,640

they were hoaxing things and now he's

635

00:29:26,470 --> 00:29:24,320

gonna weasel that's what he's gonna do

636

00:29:28,230 --> 00:29:26,480

he's gonna weasel and slither like a

637

00:29:30,230 --> 00:29:28,240

snake out of that comment that's what

638

00:29:32,870 --> 00:29:30,240

he's gonna do with her he's gonna just

639

00:29:34,710 --> 00:29:32,880

keep slithering around slither around

640

00:29:37,190 --> 00:29:34,720

what he said oh well they didn't

641

00:29:38,950 --> 00:29:37,200

intentionally hoax it oh well that story

642

00:29:41,430 --> 00:29:38,960

may have been fake but somebody else

643

00:29:43,430 --> 00:29:41,440

said it to them oh the video may have

644

00:29:45,029 --> 00:29:43,440

been fake but somebody else sent it to

645

00:29:47,190 --> 00:29:45,039

them they didn't know it was fake when

646

00:29:49,590 --> 00:29:47,200

they put it out even though five minutes

647

00:29:51,430 --> 00:29:49,600

of research could show you that the

648

00:29:53,029 --> 00:29:51,440

video was fake and they don't do five

649

00:29:55,269 --> 00:29:53,039

minutes of research

650

00:29:57,590 --> 00:29:55,279

and look

651
00:29:59,430 --> 00:29:57,600
telling people lying through your teeth

652
00:30:02,070 --> 00:29:59,440
and telling people that they've changed

653
00:30:05,750 --> 00:30:02,080
and that people can't find

654
00:30:07,269 --> 00:30:05,760
recent examples of them faking [h__h] is

655
00:30:09,909 --> 00:30:07,279
disingenuous

656
00:30:12,549 --> 00:30:09,919
it's to the audience it's it's dishonest

657
00:30:15,029 --> 00:30:12,559
to the audience and he knows he knows

658
00:30:17,510 --> 00:30:15,039
this to be the case they fake things

659
00:30:20,230 --> 00:30:17,520
constantly they put out fake stories

660
00:30:22,950 --> 00:30:20,240
that are manipulated nonsense that they

661
00:30:25,830 --> 00:30:22,960
know aren't what they claim they are

662
00:30:27,830 --> 00:30:25,840
uh so you know

663
00:30:29,430 --> 00:30:27,840

here's what i predicted last week i said

664

00:30:32,070 --> 00:30:29,440

more people are going to reach out to me

665

00:30:35,190 --> 00:30:32,080

and show me recent examples and we have

666

00:30:36,389 --> 00:30:35,200

one now we have astral citizens with an

667

00:30:38,230 --> 00:30:36,399

incredible

668

00:30:40,070 --> 00:30:38,240

video uh

669

00:30:42,230 --> 00:30:40,080

and it's called debunking random

670

00:30:45,510 --> 00:30:42,240

internet ufos now there's three random

671

00:30:48,789 --> 00:30:45,520

ufo uh videos in this that he debunks

672

00:30:51,669 --> 00:30:48,799

and two of the three of them are recent

673

00:30:54,870 --> 00:30:51,679

fake [h__\h] videos put out by third phase

674

00:30:56,710 --> 00:30:54,880

moon but remember i'm the bad guy here

675

00:31:00,630 --> 00:30:56,720

because i'm telling my audience the

676
00:31:03,509 --> 00:31:00,640
truth he's gotta [h__h] weave and dodge

677
00:31:05,750 --> 00:31:03,519
and you know make up all these excuses

678
00:31:08,950 --> 00:31:05,760
and come up with reasons for why they

679
00:31:11,269 --> 00:31:08,960
got caught with another fake story how

680
00:31:13,190 --> 00:31:11,279
many fake stories is third phase going

681
00:31:16,710 --> 00:31:13,200
to get caught with and how many times is

682
00:31:18,070 --> 00:31:16,720
rich going to come to their defense

683
00:31:19,990 --> 00:31:18,080
why don't you let them fight their own

684
00:31:21,430 --> 00:31:20,000
battles why don't you just say yeah that

685
00:31:24,710 --> 00:31:21,440
video is fake they shouldn't have done

686
00:31:27,509 --> 00:31:25,909
but

687
00:31:30,149 --> 00:31:27,519
this is where we're at and this is where

688
00:31:33,190 --> 00:31:30,159

we find ourselves so uh

689

00:31:35,509 --> 00:31:33,200

i did not uh i don't think that this

690

00:31:37,269 --> 00:31:35,519

person's gonna mind us

691

00:31:39,350 --> 00:31:37,279

sharing but i'm still gonna say fair use

692

00:31:41,029 --> 00:31:39,360

this is transformative work by the way

693

00:31:42,950 --> 00:31:41,039

i'm a terrible show host so here's what

694

00:31:45,750 --> 00:31:42,960

i'm gonna do

695

00:31:47,110 --> 00:31:45,760

uh it's called astral citizens

696

00:31:48,149 --> 00:31:47,120

and i'm gonna put

697

00:31:50,310 --> 00:31:48,159

the

698

00:31:52,310 --> 00:31:50,320

i'm gonna right now before i forget see

699

00:31:54,230 --> 00:31:52,320

i i sometimes say i'm gonna do things

700

00:31:57,750 --> 00:31:54,240

and then i forget so i you'll forgive me

701
00:32:00,070 --> 00:31:57,760
i have to do it live on air right now

702
00:32:02,470 --> 00:32:00,080
i'm gonna edit my own video description

703
00:32:03,669 --> 00:32:02,480
and i'm going to put his

704
00:32:15,190 --> 00:32:03,679
video

705
00:32:17,669 --> 00:32:15,200
and this this way you can go

706
00:32:20,310 --> 00:32:17,679
into the description of this video

707
00:32:21,990 --> 00:32:20,320
watch the video in its entirety and then

708
00:32:24,070 --> 00:32:22,000
you can subscribe to him for telling

709
00:32:25,909 --> 00:32:24,080
people the truth because he's like me

710
00:32:27,269 --> 00:32:25,919
he's a one-man army apparently and he's

711
00:32:30,789 --> 00:32:27,279
telling people the truth he's a good

712
00:32:33,110 --> 00:32:30,799
investigator good researcher you know

713
00:32:34,950 --> 00:32:33,120

we get we get told these there's this

714

00:32:36,950 --> 00:32:34,960

whole narrative that third phase

715

00:32:39,190 --> 00:32:36,960

generated like well now we've got real

716

00:32:41,830 --> 00:32:39,200

professional ufo investigators and

717

00:32:43,350 --> 00:32:41,840

researchers working on our team then why

718

00:32:45,509 --> 00:32:43,360

do you keep putting out garbage if

719

00:32:49,269 --> 00:32:45,519

there's five of you why do you keep

720

00:32:51,509 --> 00:32:49,279

putting out obvious garbage fake [h__h] if

721

00:32:54,149 --> 00:32:51,519

there's five of you that could do the

722

00:32:56,149 --> 00:32:54,159

research in five minutes in many cases

723

00:32:58,950 --> 00:32:56,159

and find out that the video is not what

724

00:33:00,789 --> 00:32:58,960

you think it is or saying it is how many

725

00:33:04,549 --> 00:33:00,799

every time they see a triangle it's a

726

00:33:06,549 --> 00:33:04,559

tr3b no other explanation right

727

00:33:09,350 --> 00:33:06,559

so i put that in the description of the

728

00:33:12,470 --> 00:33:09,360

video again uh the

729

00:33:13,509 --> 00:33:12,480

the channel is called astral citizens

730

00:33:15,750 --> 00:33:13,519

and i've

731

00:33:18,789 --> 00:33:15,760

besides this video i've watched a few of

732

00:33:21,750 --> 00:33:18,799

his videos i'm subscribing right now and

733

00:33:23,509 --> 00:33:21,760

i highly recommend that you do as well

734

00:33:24,950 --> 00:33:23,519

all right we're gonna

735

00:33:26,549 --> 00:33:24,960

with sighted fair use this is

736

00:33:29,190 --> 00:33:26,559

transformative work we're educating the

737

00:33:31,430 --> 00:33:29,200

public about how wrong rich from goof on

738

00:33:33,110 --> 00:33:31,440

is when he says they don't fake anything

739

00:33:35,430 --> 00:33:33,120

they haven't hoaxed anything in the past

740

00:33:37,830 --> 00:33:35,440

five years and again

741

00:33:39,750 --> 00:33:37,840

we're gonna get a lot of excuses and

742

00:33:42,389 --> 00:33:39,760

language we're gonna we're gonna see

743

00:33:44,389 --> 00:33:42,399

them bobbing and weaving around language

744

00:33:47,190 --> 00:33:44,399

well it's not a hoax because we didn't

745

00:33:49,830 --> 00:33:47,200

create the video we just pushed it as

746

00:33:52,310 --> 00:33:49,840

something it wasn't that's not a hoax we

747

00:33:55,350 --> 00:33:52,320

were just wrong there's always these

748

00:33:58,549 --> 00:33:55,360

convenient excuses when third phase gets

749

00:34:00,230 --> 00:33:58,559

caught with garbage stories they're

750

00:34:02,230 --> 00:34:00,240

garbage peddlers

751

00:34:04,549 --> 00:34:02,240

and by the way that's another lie rich

752

00:34:06,870 --> 00:34:04,559

said that uh i said if he associates

753

00:34:09,430 --> 00:34:06,880

with third phase they're hoaxers so he

754

00:34:11,750 --> 00:34:09,440

must be too show me a clip rich you

755

00:34:13,909 --> 00:34:11,760

can't because i never said that he just

756

00:34:16,550 --> 00:34:13,919

used that as some [h__h] excuse to

757

00:34:19,349 --> 00:34:16,560

imply that i have pedophile friends and

758

00:34:22,069 --> 00:34:19,359

i myself may be a pedophile as well

759

00:34:24,149 --> 00:34:22,079

great great job great job defending

760

00:34:27,109 --> 00:34:24,159

third phase when all else fails just

761

00:34:28,790 --> 00:34:27,119

call the critic a pedo or imply he may

762

00:34:31,510 --> 00:34:28,800

be that's enough that's enough just

763

00:34:33,750 --> 00:34:31,520

throw that sling that mud on him

764

00:34:37,270 --> 00:34:33,760

make people wonder is he is is his

765

00:34:38,869 --> 00:34:37,280

friends pedos is he a pedo great job

766

00:34:41,270 --> 00:34:38,879

all right this is called debunking

767

00:34:43,829 --> 00:34:41,280

random internet ufo videos and again

768

00:34:46,069 --> 00:34:43,839

it's by astral citizens who i i am

769

00:34:48,310 --> 00:34:46,079

really enjoying i highly recommend

770

00:34:50,869 --> 00:34:48,320

i have selected randomly oh wait one

771

00:34:55,829 --> 00:34:50,879

second let me do this one more time

772

00:35:00,470 --> 00:34:57,910

nope we got it okay

773

00:35:02,630 --> 00:35:00,480

wasn't aware

774

00:35:05,829 --> 00:35:02,640

i have selected randomly the first three

775

00:35:08,550 --> 00:35:05,839

ufo videos that appeared in my feed

776

00:35:09,990 --> 00:35:08,560

two videos derived from third phase of

777

00:35:12,630 --> 00:35:10,000

moon

778

00:35:14,069 --> 00:35:12,640

no one knows more about ufos than third

779

00:35:16,150 --> 00:35:14,079

phase of moon

780

00:35:18,710 --> 00:35:16,160

according to their about us information

781

00:35:22,069 --> 00:35:18,720

they have handled thousands of cases

782

00:35:23,589 --> 00:35:22,079

from 2008 to today

783

00:35:25,589 --> 00:35:23,599

they share their information with the

784

00:35:26,870 --> 00:35:25,599

world through videos on their youtube

785

00:35:28,470 --> 00:35:26,880

channel with nearly 1 million

786

00:35:29,589 --> 00:35:28,480

subscribers

787

00:35:32,150 --> 00:35:29,599

they are

788

00:35:33,589 --> 00:35:32,160

surrounded by a team of professional ufo

789

00:35:36,390 --> 00:35:33,599

investigators

790

00:35:37,829 --> 00:35:36,400

to make sure you get the real deal yeah

791

00:35:40,550 --> 00:35:37,839

we're gonna play that again because this

792

00:35:43,349 --> 00:35:40,560

is an iconic clip of ritz walking with

793

00:35:46,150 --> 00:35:43,359

them like yeah i'm on the channel by a

794

00:35:48,710 --> 00:35:46,160

team of professional ufo investigators

795

00:35:53,430 --> 00:35:48,720

surrounded by a team of professional ufo

796

00:35:58,310 --> 00:35:55,510

but somehow they don't know when

797

00:36:00,950 --> 00:35:58,320

something is

798

00:36:03,349 --> 00:36:00,960

not aliens right the only explanation is

799

00:36:06,230 --> 00:36:03,359

it must be aliens

800

00:36:09,270 --> 00:36:06,240

to make sure you get the real deal

801
00:36:14,150 --> 00:36:11,910
this is astral citizens brought to you

802
00:36:16,230 --> 00:36:14,160
by heathcliff spencer peters the last

803
00:36:17,510 --> 00:36:16,240
time you saw a ufo you might have

804
00:36:20,950 --> 00:36:17,520
believed it

805
00:36:24,069 --> 00:36:20,960
but how easy is it to fake ufo videos

806
00:36:26,630 --> 00:36:24,079
how do you know if they are real or fake

807
00:36:28,870 --> 00:36:26,640
what if they changing the footage

808
00:36:30,950 --> 00:36:28,880
or the narrative

809
00:36:31,910 --> 00:36:30,960
but why would someone

810
00:36:34,150 --> 00:36:31,920
fake

811
00:36:36,790 --> 00:36:34,160
ufo video there are people who are

812
00:36:38,310 --> 00:36:36,800
dedicated to fake ufo videos

813
00:36:40,150 --> 00:36:38,320

i just want to mention

814

00:36:41,270 --> 00:36:40,160

that one reason that some people would

815

00:36:43,589 --> 00:36:41,280

fake

816

00:36:45,190 --> 00:36:43,599

even if they know that a video that they

817

00:36:47,589 --> 00:36:45,200

are in possession of is nothing

818

00:36:49,829 --> 00:36:47,599

extraordinary they will push it and fake

819

00:36:51,510 --> 00:36:49,839

it and pretend it's something it's not

820

00:36:53,349 --> 00:36:51,520

simply for money on youtube and we're

821

00:36:56,550 --> 00:36:53,359

gonna see some examples of just how much

822

00:36:58,310 --> 00:36:56,560

money third phase has made pushing what

823

00:37:00,870 --> 00:36:58,320

we can now prove

824

00:37:01,589 --> 00:37:00,880

to be 100 percent

825

00:37:06,790 --> 00:37:01,599

not

826

00:37:08,470 --> 00:37:06,800

push it as that so that they can make

827

00:37:12,470 --> 00:37:08,480

the money

828

00:37:18,150 --> 00:37:15,270

a strange sight in the sky last night

829

00:37:20,790 --> 00:37:18,160

over oahu caught the attention of many

830

00:37:22,950 --> 00:37:20,800

people what was it what did people see

831

00:37:24,630 --> 00:37:22,960

we did receive a lot of reports via our

832

00:37:26,870 --> 00:37:24,640

reported feature on our website a lot of

833

00:37:29,430 --> 00:37:26,880

viewers wondering what those lights were

834

00:37:31,190 --> 00:37:29,440

over west oahu wahoo hard to tell from

835

00:37:33,270 --> 00:37:31,200

his vantage point definitely really

836

00:37:34,870 --> 00:37:33,280

unusual to see

837

00:37:38,630 --> 00:37:34,880

they were super bright

838

00:37:42,470 --> 00:37:40,870

get the projected it was my camera since

839

00:37:44,600 --> 00:37:42,480

it was so far away but it was really

840

00:37:48,230 --> 00:37:44,610

really bright

841

00:37:53,910 --> 00:37:50,790

strange light spotted over oh

842

00:37:56,230 --> 00:37:53,920

it's a video of a ufo sighting over oho

843

00:37:58,790 --> 00:37:56,240

hawaii in 2017.

844

00:38:01,270 --> 00:37:58,800

a man named mashattaya woke up at around

845

00:38:03,190 --> 00:38:01,280

2 30 in the morning to get some water

846

00:38:08,190 --> 00:38:03,200

and he saw suddenly bright lights in the

847

00:38:08,200 --> 00:38:11,349

[Music]

848

00:38:14,870 --> 00:38:13,589

the new best way to make part of me

849

00:38:27,670 --> 00:38:14,880

friends

850

00:38:32,470 --> 00:38:29,030

one second

851

00:38:34,550 --> 00:38:32,480

i will share that again

852

00:38:42,550 --> 00:38:34,560

i should have uh i should have clipped

853

00:38:47,270 --> 00:38:44,069

but there is nothing strange about this

854

00:38:49,349 --> 00:38:47,280

video the us army actually confirmed to

855

00:38:52,310 --> 00:38:49,359

the news organization that these lights

856

00:38:55,190 --> 00:38:52,320

were actually illumination rounds being

857

00:38:57,349 --> 00:38:55,200

fired from the training units at night

858

00:38:59,990 --> 00:38:57,359

so what does this video mean

859

00:39:02,310 --> 00:39:00,000

it means that this ufo sighting is spot

860

00:39:03,990 --> 00:39:02,320

even though it looks weird it's just a

861

00:39:05,270 --> 00:39:04,000

bunch of soldiers playing with their

862

00:39:07,510 --> 00:39:05,280

toys

863

00:39:09,990 --> 00:39:07,520

maybe this one is not a hope

864

00:39:13,109 --> 00:39:10,000

but when it comes to laziness

865

00:39:15,750 --> 00:39:13,119

people do little to nothing to perform

866

00:39:17,589 --> 00:39:15,760

research yeah and this is the point you

867

00:39:20,069 --> 00:39:17,599

can make one phone call

868

00:39:22,790 --> 00:39:20,079

to the local military bases and ask them

869

00:39:24,710 --> 00:39:22,800

if this was military exercises and find

870

00:39:25,829 --> 00:39:24,720

out that it indeed was

871

00:39:27,670 --> 00:39:25,839

and then

872

00:39:29,829 --> 00:39:27,680

it's it's

873

00:39:32,710 --> 00:39:29,839

case closed it's not a ufo it's not

874

00:39:34,710 --> 00:39:32,720

unidentified you know exactly what it is

875

00:39:37,510 --> 00:39:34,720

but that's not what people do

876

00:39:39,589 --> 00:39:37,520

because why ruin a good story

877

00:39:41,910 --> 00:39:39,599

with doing things like five minutes of

878

00:39:44,150 --> 00:39:41,920

research why ruin a good story you could

879

00:39:46,230 --> 00:39:44,160

make money off of

880

00:39:49,109 --> 00:39:46,240

by doing five minutes of research and

881

00:39:52,310 --> 00:39:49,119

debunking it as nothing extraordinary

882

00:39:55,349 --> 00:39:52,320

what all you gotta do is a lie by

883

00:39:57,589 --> 00:39:55,359

omission and a lie by omission is still

884

00:39:59,270 --> 00:39:57,599

a lie

885

00:40:00,870 --> 00:39:59,280

i'm pretty sure they have phones they

886

00:40:02,550 --> 00:40:00,880

can pick up the phone

887

00:40:05,270 --> 00:40:02,560

any of these people putting out these

888

00:40:07,430 --> 00:40:05,280

garbage videos can pick up the phone and

889

00:40:09,670 --> 00:40:07,440

ask some questions none of them do it

890

00:40:11,990 --> 00:40:09,680

because it would ruin the

891

00:40:18,069 --> 00:40:12,000

capability of making money off of

892

00:40:22,230 --> 00:40:20,230

military helicopter hot pursuit of

893

00:40:23,990 --> 00:40:22,240

crashing ufo

894

00:40:26,230 --> 00:40:24,000

the second video appeared on third phase

895

00:40:28,790 --> 00:40:26,240

of moon and they acted this is something

896

00:40:31,510 --> 00:40:28,800

mysterious

897

00:40:34,150 --> 00:40:31,520

military helicopter high pursuit

898

00:40:36,870 --> 00:40:34,160

of crashing ufo do you see the

899

00:40:38,630 --> 00:40:36,880

manipulation here

900

00:40:41,349 --> 00:40:38,640

this is a carefully constructed

901
00:40:43,109 --> 00:40:41,359
narrative click baited to get people to

902
00:40:45,750 --> 00:40:43,119
click on it so that they could make

903
00:40:48,870 --> 00:40:45,760
money off of something that's not

904
00:40:50,630 --> 00:40:48,880
extraordinary something that's indeed

905
00:40:54,309 --> 00:40:50,640
pretty ordinary

906
00:40:56,550 --> 00:40:54,319
and uh i agree with astral citizen here

907
00:40:58,390 --> 00:40:56,560
with what this actually is

908
00:41:00,309 --> 00:40:58,400
i tracked it down i didn't feel like

909
00:41:02,470 --> 00:41:00,319
getting an argument with third phase or

910
00:41:04,630 --> 00:41:02,480
with rich who by the way rich was

911
00:41:06,309 --> 00:41:04,640
playing this on his show too

912
00:41:09,829 --> 00:41:06,319
rich was making money off of this

913
00:41:10,710 --> 00:41:09,839

[h__h] too this garbage

914

00:41:12,950 --> 00:41:10,720

because

915

00:41:14,870 --> 00:41:12,960

hey if third phase can make money

916

00:41:16,069 --> 00:41:14,880

peddling this garbage i'm their buddy

917

00:41:19,109 --> 00:41:16,079

they'll let me

918

00:41:20,790 --> 00:41:19,119

replay this garbage on my show and i can

919

00:41:22,710 --> 00:41:20,800

make money from it too

920

00:41:24,950 --> 00:41:22,720

that's how this

921

00:41:26,870 --> 00:41:24,960

uh circus works

922

00:41:29,589 --> 00:41:26,880

but it only took me five minutes to

923

00:41:31,349 --> 00:41:29,599

figure out what it is five minutes i

924

00:41:35,030 --> 00:41:31,359

discovered this video today this video

925

00:41:37,430 --> 00:41:35,040

was published april 14th 2022

926
00:41:39,829 --> 00:41:37,440
and the day i debunked this video

927
00:41:41,589 --> 00:41:39,839
by the way uh remember rich said that we

928
00:41:43,589 --> 00:41:41,599
have to go back eight years to catch

929
00:41:44,950 --> 00:41:43,599
them pushing fake [h__\h]

930
00:41:46,550 --> 00:41:44,960
or hoaxes

931
00:41:47,750 --> 00:41:46,560
this is april

932
00:41:49,670 --> 00:41:47,760
of

933
00:41:51,990 --> 00:41:49,680
this is last month

934
00:41:53,910 --> 00:41:52,000
here they are pushing a fake false

935
00:41:57,030 --> 00:41:53,920
narrative

936
00:41:59,510 --> 00:41:57,040
of something entirely ordinary that they

937
00:42:01,430 --> 00:41:59,520
hyped up as a helicopter chasing a

938
00:42:03,750 --> 00:42:01,440

crashing ufo

939

00:42:05,349 --> 00:42:03,760

and rich was on board with this one rich

940

00:42:08,390 --> 00:42:05,359

was right on board with this one to

941

00:42:11,270 --> 00:42:08,400

share it on his show and make money from

942

00:42:13,190 --> 00:42:11,280

a false narrative a manufactured false

943

00:42:16,230 --> 00:42:13,200

narrative with no evidence or proof that

944

00:42:17,430 --> 00:42:16,240

this was a helicopter chasing a crashing

945

00:42:21,430 --> 00:42:17,440

ufo

946

00:42:23,190 --> 00:42:21,440

i call [h__h] on this one and i didn't

947

00:42:25,349 --> 00:42:23,200

want to get in a big argument with him i

948

00:42:27,510 --> 00:42:25,359

knew what this video was i seen him play

949

00:42:29,430 --> 00:42:27,520

it on his show and i just shook my head

950

00:42:31,109 --> 00:42:29,440

like this guy's falling to the dark side

951
00:42:34,069 --> 00:42:31,119
he's pushing this garbage along with

952
00:42:35,510 --> 00:42:34,079
third phase but remember i'm the bad guy

953
00:42:38,550 --> 00:42:35,520
here and i'm the guy that might have

954
00:42:40,630 --> 00:42:38,560
pedo friends and i may be a pedo myself

955
00:42:42,829 --> 00:42:40,640
because i've got facts and evidence and

956
00:42:46,630 --> 00:42:42,839
he's got garbage

957
00:42:49,349 --> 00:42:46,640
manufactured fake evidence with no no

958
00:42:51,829 --> 00:42:49,359
backup evidence no no truth to it

959
00:42:53,510 --> 00:42:51,839
there's just no truth to it so even

960
00:42:55,990 --> 00:42:53,520
though some people may argue well it's

961
00:42:57,910 --> 00:42:56,000
not a hoax well yeah it is it's a hoax

962
00:43:00,309 --> 00:42:57,920
if you could do five minutes of research

963
00:43:02,710 --> 00:43:00,319

and find out what it actually is but you

964

00:43:05,190 --> 00:43:02,720

choose not to there are two there are

965

00:43:07,750 --> 00:43:05,200

two possibilities here either they did

966

00:43:09,270 --> 00:43:07,760

know what it was and they just lied by

967

00:43:10,829 --> 00:43:09,280

omissions so that they could make the

968

00:43:13,430 --> 00:43:10,839

money

969

00:43:14,950 --> 00:43:13,440

or they were so lazy

970

00:43:16,630 --> 00:43:14,960

they didn't care to do the five minutes

971

00:43:18,710 --> 00:43:16,640

of research it took to find out where

972

00:43:20,550 --> 00:43:18,720

the video actually came from what it

973

00:43:23,109 --> 00:43:20,560

actually was

974

00:43:25,829 --> 00:43:23,119

the fire brigade is conducting a fire

975

00:43:28,390 --> 00:43:25,839

drill with a firefighting helicopter in

976

00:43:29,430 --> 00:43:28,400

daevil's island in dordrecht the

977

00:43:31,430 --> 00:43:29,440

netherlands

978

00:43:34,309 --> 00:43:31,440

four years ago the logistics for web

979

00:43:35,910 --> 00:43:34,319

shops company monta packing was on fire

980

00:43:38,550 --> 00:43:35,920

and dordrecht has been practicing

981

00:43:40,550 --> 00:43:38,560

preventive since then

982

00:43:42,470 --> 00:43:40,560

the fact that this took me five minutes

983

00:43:43,510 --> 00:43:42,480

and third phase of moon just spit this

984

00:43:47,670 --> 00:43:43,520

out

985

00:43:48,950 --> 00:43:47,680

ufology but

986

00:43:53,190 --> 00:43:48,960

money

987

00:43:55,510 --> 00:43:53,200

all about but you know what i mean

988

00:43:58,390 --> 00:43:55,520

the thing is if you want to publish real

989

00:43:59,750 --> 00:43:58,400

ufo videos you simply

990

00:44:02,069 --> 00:43:59,760

don't have a show

991

00:44:04,550 --> 00:44:02,079

yeah i agree with that if you actually

992

00:44:07,109 --> 00:44:04,560

do the work every time a weird video

993

00:44:08,790 --> 00:44:07,119

comes along that may be unidentified

994

00:44:11,190 --> 00:44:08,800

like this bird video is a perfect

995

00:44:13,430 --> 00:44:11,200

example if you actually zoom in on it

996

00:44:15,430 --> 00:44:13,440

you go there's flapping wings most

997

00:44:17,589 --> 00:44:15,440

likely that's a bird i shouldn't put

998

00:44:20,069 --> 00:44:17,599

this out as a ufo but that's not what

999

00:44:21,349 --> 00:44:20,079

people do

1000

00:44:23,349 --> 00:44:21,359

please note

1001
00:44:24,470 --> 00:44:23,359
third phase from moon has been informed

1002
00:44:26,069 --> 00:44:24,480
about this

1003
00:44:27,829 --> 00:44:26,079
but never ever

1004
00:44:29,990 --> 00:44:27,839
inform their subscribers

1005
00:44:32,390 --> 00:44:30,000
yeah and isn't that great

1006
00:44:34,550 --> 00:44:32,400
this person heathcliff

1007
00:44:37,030 --> 00:44:34,560
spencer peters emailed them and he

1008
00:44:39,430 --> 00:44:37,040
showed them exactly what that video was

1009
00:44:42,230 --> 00:44:39,440
did they do a retraction did they make a

1010
00:44:44,550 --> 00:44:42,240
video going gee we got it wrong

1011
00:44:47,030 --> 00:44:44,560
did they give the money back

1012
00:44:49,349 --> 00:44:47,040
from that fake false narrative that they

1013
00:44:51,430 --> 00:44:49,359

were pushing from that fake false story

1014

00:44:53,910 --> 00:44:51,440

did they give the money back of course

1015

00:44:56,710 --> 00:44:53,920

not of course not they didn't even

1016

00:44:59,270 --> 00:44:56,720

inform their subscribers that this was

1017

00:45:00,069 --> 00:44:59,280

fake that this was just

1018

00:45:02,470 --> 00:45:00,079

a

1019

00:45:06,550 --> 00:45:02,480

firefighting exercise

1020

00:45:11,510 --> 00:45:08,710

this my friends

1021

00:45:12,630 --> 00:45:11,520

is the definition of a hoax

1022

00:45:15,030 --> 00:45:12,640

right

1023

00:45:16,470 --> 00:45:15,040

i believe you know everybody's got their

1024

00:45:18,630 --> 00:45:16,480

own

1025

00:45:20,710 --> 00:45:18,640

set of standards to me this is

1026

00:45:22,790 --> 00:45:20,720

absolutely positively a hoax if you

1027

00:45:25,109 --> 00:45:22,800

could go and check what the video

1028

00:45:27,430 --> 00:45:25,119

actually was in five minutes and find

1029

00:45:29,750 --> 00:45:27,440

out that it was nothing extraordinary

1030

00:45:31,030 --> 00:45:29,760

then maybe just maybe you shouldn't put

1031

00:45:33,910 --> 00:45:31,040

it up with a click

1032

00:45:35,270 --> 00:45:33,920

title like helicopter chasing crashing

1033

00:45:37,829 --> 00:45:35,280

ufo

1034

00:45:40,390 --> 00:45:37,839

you see how they manipulate things to

1035

00:45:42,630 --> 00:45:40,400

make the money you see how they lie by

1036

00:45:45,030 --> 00:45:42,640

omission do you see how they just

1037

00:45:47,430 --> 00:45:45,040

conveniently can't do five minutes of

1038

00:45:49,990 --> 00:45:47,440

research to find out what the video is

1039

00:45:53,190 --> 00:45:50,000

before they run to post it to make the

1040

00:45:57,910 --> 00:45:53,200

money that's how this circus works and

1041

00:46:03,510 --> 00:46:01,750

the ufos are not hiding anymore

1042

00:46:06,470 --> 00:46:03,520

what is a hoax

1043

00:46:09,270 --> 00:46:06,480

is that when you make a fake video to

1044

00:46:10,710 --> 00:46:09,280

entice people for money or whatever at

1045

00:46:11,510 --> 00:46:10,720

revenue

1046

00:46:14,309 --> 00:46:11,520

no

1047

00:46:17,109 --> 00:46:14,319

the meaning of a hoax is to trick into

1048

00:46:20,470 --> 00:46:17,119

believing or accepting something false

1049

00:46:23,270 --> 00:46:20,480

as real that's the definition of hope

1050

00:46:25,270 --> 00:46:23,280

by that definition this is a hoax rich

1051
00:46:26,950 --> 00:46:25,280
do you remember what you said if they

1052
00:46:29,030 --> 00:46:26,960
had hoaxed anything in the past couple

1053
00:46:30,069 --> 00:46:29,040
of years i i just couldn't associate

1054
00:46:32,710 --> 00:46:30,079
with them

1055
00:46:34,069 --> 00:46:32,720
business-wise at least

1056
00:46:36,390 --> 00:46:34,079
but now we're going to see that he's

1057
00:46:38,950 --> 00:46:36,400
going to make new excuses for this

1058
00:46:41,270 --> 00:46:38,960
garbage fake story that third phase

1059
00:46:43,510 --> 00:46:41,280
peddled he's going to

1060
00:46:46,230 --> 00:46:43,520
bob and weave and come up with some new

1061
00:46:48,950 --> 00:46:46,240
[h__\h] to cover why they got caught

1062
00:46:51,190 --> 00:46:48,960
with this [h__\h]

1063
00:46:53,430 --> 00:46:51,200

the first video is also a video from

1064

00:46:55,510 --> 00:46:53,440

third phase of moon and begins with the

1065

00:46:56,390 --> 00:46:55,520

opening quote

1066

00:46:58,550 --> 00:46:56,400

future

1067

00:46:59,670 --> 00:46:58,560

and how third phase moon rolls out the

1068

00:47:02,069 --> 00:46:59,680

evidence

1069

00:47:03,430 --> 00:47:02,079

as it comes in due to the fact

1070

00:47:04,390 --> 00:47:03,440

adequate

1071

00:47:07,589 --> 00:47:04,400

nature

1072

00:47:10,790 --> 00:47:07,599

of how much there is out there and how

1073

00:47:12,309 --> 00:47:10,800

we receive it on a daily basis so

1074

00:47:14,710 --> 00:47:12,319

guys i'm just wanting to get your

1075

00:47:17,109 --> 00:47:14,720

opinions as we roll this tonight with

1076

00:47:17,829 --> 00:47:17,119

the evidence yeah this is the cop out

1077

00:47:19,670 --> 00:47:17,839

too

1078

00:47:21,430 --> 00:47:19,680

we just want to get your opinions we

1079

00:47:23,270 --> 00:47:21,440

don't want to actually do five minutes

1080

00:47:25,109 --> 00:47:23,280

of research ourselves to figure out that

1081

00:47:26,470 --> 00:47:25,119

the video somebody sent us that's

1082

00:47:28,309 --> 00:47:26,480

another thing

1083

00:47:30,069 --> 00:47:28,319

where is the proof or evidence that

1084

00:47:32,470 --> 00:47:30,079

people are sending them these videos and

1085

00:47:34,870 --> 00:47:32,480

they're not manufacturing them still as

1086

00:47:36,470 --> 00:47:34,880

many people claim they did for the first

1087

00:47:39,589 --> 00:47:36,480

i don't know five years they were in

1088

00:47:42,390 --> 00:47:39,599

existence or more right

1089

00:47:44,230 --> 00:47:42,400

okay so i'm going to show you some facts

1090

00:47:46,230 --> 00:47:44,240

from which i can conclude that this

1091

00:47:49,030 --> 00:47:46,240

video is a hope

1092

00:47:50,309 --> 00:47:49,040

number one the claim the video was shot

1093

00:47:51,349 --> 00:47:50,319

with a drug

1094

00:47:55,430 --> 00:47:51,359

two

1095

00:48:00,150 --> 00:47:56,950

three you can't hear the noise of the

1096

00:48:01,910 --> 00:48:00,160

drone motors or propellers at all

1097

00:48:03,589 --> 00:48:01,920

yeah they're claiming this is a drone

1098

00:48:10,710 --> 00:48:03,599

this is a video from a drone but there's

1099

00:48:15,030 --> 00:48:12,710

which suggests that this was not shot

1100

00:48:17,670 --> 00:48:15,040

with a drone because drones have allowed

1101
00:48:21,430 --> 00:48:17,680
motors yeah ask anybody who actually has

1102
00:48:23,910 --> 00:48:21,440
a camera drone when you take uh

1103
00:48:25,190 --> 00:48:23,920
any video from a camera drone you can

1104
00:48:27,990 --> 00:48:25,200
clearly hear

1105
00:48:30,150 --> 00:48:28,000
the camera drone motor noise in it you

1106
00:48:32,950 --> 00:48:30,160
don't hear any of that here

1107
00:48:35,510 --> 00:48:32,960
so again this video was misrepresented

1108
00:48:37,589 --> 00:48:35,520
as something it isn't

1109
00:48:39,920 --> 00:48:37,599
and propellers that are easily audible

1110
00:48:43,349 --> 00:48:39,930
in videos taken by drone

1111
00:48:50,790 --> 00:48:43,359
[Music]

1112
00:48:56,790 --> 00:48:54,069
they used a loop of wind

1113
00:48:59,670 --> 00:48:56,800

oh by the way uh just to be clear

1114

00:49:01,430 --> 00:48:59,680

i don't know who manipulated this video

1115

00:49:03,750 --> 00:49:01,440

now again we're gonna get a bunch of

1116

00:49:06,150 --> 00:49:03,760

excuses from rich like somebody sent it

1117

00:49:08,630 --> 00:49:06,160

to them they didn't fake the audio in

1118

00:49:11,589 --> 00:49:08,640

the video they shared whoever sent it to

1119

00:49:13,750 --> 00:49:11,599

them must have did it sure sure sure

1120

00:49:16,390 --> 00:49:13,760

more excuses but

1121

00:49:19,829 --> 00:49:16,400

this person uh could analyze the

1122

00:49:23,190 --> 00:49:19,839

waveform and show that there is a loop

1123

00:49:26,549 --> 00:49:23,200

of wind being used in the video that's

1124

00:49:29,750 --> 00:49:26,559

manipulation right there to sell a story

1125

00:49:33,510 --> 00:49:29,760

that's someone purposefully manipulating

1126
00:49:36,150 --> 00:49:33,520
a video to make it something it is not

1127
00:49:37,910 --> 00:49:36,160
if you got to use sound effects loops

1128
00:49:39,510 --> 00:49:37,920
to claim that there's wind noise in the

1129
00:49:41,990 --> 00:49:39,520
video yeah there's wind noise in the

1130
00:50:05,589 --> 00:49:42,000
video sure there is because somebody put

1131
00:50:14,410 --> 00:50:06,850
same loop

1132
00:50:17,910 --> 00:50:16,309
[Music]

1133
00:50:19,990 --> 00:50:17,920
i mean you could clearly see it in the

1134
00:50:29,349 --> 00:50:20,000
waveforms

1135
00:50:33,030 --> 00:50:31,270
and this is something that someone who

1136
00:50:38,950 --> 00:50:33,040
is manipulating things could you please

1137
00:50:42,950 --> 00:50:40,950
one second i'll share it in a moment

1138
00:50:46,309 --> 00:50:42,960

we'll get right back to it

1139

00:50:48,549 --> 00:50:46,319

manipulated wind this is great

1140

00:50:50,069 --> 00:50:48,559

fake wind in a video that they put out

1141

00:50:51,910 --> 00:50:50,079

claiming well you can hear the wind

1142

00:50:54,549 --> 00:50:51,920

noise sure you can because somebody put

1143

00:50:55,750 --> 00:50:54,559

it in there and anybody with an audio

1144

00:50:57,910 --> 00:50:55,760

editor

1145

00:51:16,309 --> 00:50:57,920

could look at the waveform and see that

1146

00:51:19,430 --> 00:51:18,150

and actually i want to applaud this heat

1147

00:51:21,270 --> 00:51:19,440

clip because

1148

00:51:23,190 --> 00:51:21,280

look how easy this was for him to pick

1149

00:51:25,270 --> 00:51:23,200

apart right

1150

00:51:26,790 --> 00:51:25,280

that's that's what a real researcher

1151

00:51:28,549 --> 00:51:26,800

does that's what a real investigator

1152

00:51:30,390 --> 00:51:28,559

does these guys are not researchers

1153

00:51:32,390 --> 00:51:30,400

they're not investigators they can claim

1154

00:51:34,710 --> 00:51:32,400

they got a team of professional ufo

1155

00:51:43,510 --> 00:51:34,720

investigators if that's the case their

1156

00:52:00,549 --> 00:51:45,910

you know so he shows the manipulation of

1157

00:52:04,710 --> 00:52:03,030

clearly manipulated audio

1158

00:52:06,710 --> 00:52:04,720

exactly the same

1159

00:52:10,030 --> 00:52:06,720

hoax exposed

1160

00:52:12,630 --> 00:52:10,040

and i think if people are intentionally

1161

00:52:15,510 --> 00:52:12,640

misrepresenting the audio in a video

1162

00:52:17,670 --> 00:52:15,520

file or generating it or manipulating it

1163

00:52:20,069 --> 00:52:17,680

or you know copying and pasting it in

1164

00:52:22,950 --> 00:52:20,079

there four the blue arrows

1165

00:52:25,990 --> 00:52:22,960

show the sun direction of the scenario

1166

00:52:28,870 --> 00:52:26,000

five we can see two cars moving

1167

00:52:33,750 --> 00:52:28,880

the green arrow shows the sun direction

1168

00:52:35,670 --> 00:52:33,760

and that does not match the scenario

1169

00:52:38,069 --> 00:52:35,680

shadow of the flying object does not

1170

00:52:39,829 --> 00:52:38,079

match the scenario but matches the green

1171

00:52:45,109 --> 00:52:39,839

arrows meaning

1172

00:52:48,230 --> 00:52:45,119

the cars and the ufo are not real

1173

00:52:50,710 --> 00:52:48,240

seven according to mr mbb triple three

1174

00:52:53,589 --> 00:52:50,720

this video material is from ali khan

1175

00:52:56,470 --> 00:52:53,599

published on his channel on may 24 20.

1176

00:52:58,470 --> 00:52:56,480

oh so here we go remember rich told you

1177

00:53:00,950 --> 00:52:58,480

that you can't find videos that they

1178

00:53:03,589 --> 00:53:00,960

faked or hoaxed

1179

00:53:05,270 --> 00:53:03,599

for the past five years so far just in

1180

00:53:07,510 --> 00:53:05,280

this short period of time in this past

1181

00:53:09,109 --> 00:53:07,520

week we've shown you a highly

1182

00:53:11,349 --> 00:53:09,119

manipulated

1183

00:53:14,630 --> 00:53:11,359

or hoaxed video

1184

00:53:16,630 --> 00:53:14,640

uh with a clickbait garbage title with

1185

00:53:19,829 --> 00:53:16,640

no evidence where they claimed it was a

1186

00:53:22,470 --> 00:53:19,839

tr-3b that was from february

1187

00:53:24,870 --> 00:53:22,480

then we have one from april

1188

00:53:26,069 --> 00:53:24,880

shown here in heathcliff's video

1189

00:53:28,150 --> 00:53:26,079

that again

1190

00:53:30,790 --> 00:53:28,160

was nothing extraordinary but they

1191

00:53:36,230 --> 00:53:30,800

clickbait titled it saying it was a

1192

00:53:41,109 --> 00:53:39,349

that's april now we got one from may

1193

00:53:44,069 --> 00:53:41,119

and i'm sure if we look through their

1194

00:53:45,270 --> 00:53:44,079

videos we can pick one apart from march

1195

00:53:48,549 --> 00:53:45,280

so that would be

1196

00:53:51,030 --> 00:53:48,559

uh february march april may there's four

1197

00:53:53,190 --> 00:53:51,040

well there's three examples right now

1198

00:53:57,030 --> 00:53:53,200

if we want four examples we can go with

1199

00:53:58,950 --> 00:53:57,040

the garbage story of uh the s4 pins

1200

00:54:02,390 --> 00:53:58,960

and by the way for those that don't

1201
00:54:04,630 --> 00:54:02,400
remember rich once blasted that guy uh

1202
00:54:06,790 --> 00:54:04,640
ufo proof or whatever his name is right

1203
00:54:09,430 --> 00:54:06,800
the guy who faked terminal cancer and

1204
00:54:12,230 --> 00:54:09,440
then stole from his own cancer benefit

1205
00:54:15,109 --> 00:54:12,240
he once put that guy on blast for being

1206
00:54:17,270 --> 00:54:15,119
a criminal and faking terminal cancer

1207
00:54:19,510 --> 00:54:17,280
but as soon as third phase started

1208
00:54:21,270 --> 00:54:19,520
milking that guy as a source for a story

1209
00:54:23,349 --> 00:54:21,280
they could make money from

1210
00:54:26,069 --> 00:54:23,359
rich suddenly jumped to that guy's

1211
00:54:28,470 --> 00:54:26,079
defense and he deserves a second chance

1212
00:54:30,870 --> 00:54:28,480
this is the manipulation

1213
00:54:33,190 --> 00:54:30,880

anybody that listens to these clowns is

1214

00:54:35,430 --> 00:54:33,200

being manipulated by them how does that

1215

00:54:37,910 --> 00:54:35,440

feel to know that they continually

1216

00:54:40,789 --> 00:54:37,920

manipulate the stories manipulate the

1217

00:54:42,470 --> 00:54:40,799

titles possibly manipulate the sound

1218

00:54:45,829 --> 00:54:42,480

manipulate the videos possibly

1219

00:54:48,150 --> 00:54:45,839

manufacture videos out of satellite maps

1220

00:54:50,390 --> 00:54:48,160

or people sending them

1221

00:54:51,990 --> 00:54:50,400

stuff like this do that and they're too

1222

00:54:53,270 --> 00:54:52,000

dumb to know that they're being

1223

00:54:55,670 --> 00:54:53,280

manipulated

1224

00:54:58,470 --> 00:54:55,680

i don't buy that they're too dumb

1225

00:55:00,870 --> 00:54:58,480

i i think that they know they know it's

1226

00:55:02,870 --> 00:55:00,880

fake they don't care as long as they can

1227

00:55:05,030 --> 00:55:02,880

slap a click bait title on it and make

1228

00:55:07,510 --> 00:55:05,040

some money before anybody gets wise to

1229

00:55:08,390 --> 00:55:07,520

it 20 22

1230

00:55:10,150 --> 00:55:08,400

8

1231

00:55:15,750 --> 00:55:10,160

but this video ended first on the

1232

00:55:17,990 --> 00:55:15,760

channel alien planet on january 3rd 2020

1233

00:55:20,950 --> 00:55:18,000

so two year old video and they're hyping

1234

00:55:22,150 --> 00:55:20,960

it up as some brand new startling new

1235

00:55:24,309 --> 00:55:22,160

information

1236

00:55:26,390 --> 00:55:24,319

it's garbage somebody's copying and

1237

00:55:28,150 --> 00:55:26,400

pasting do they own the rights are they

1238

00:55:30,549 --> 00:55:28,160

allowed to just copy and paste from

1239

00:55:33,030 --> 00:55:30,559

other people's

1240

00:55:35,030 --> 00:55:33,040

created videos who knows

1241

00:55:38,390 --> 00:55:35,040

no basic information has been made

1242

00:55:40,309 --> 00:55:38,400

available such as when it was reported

1243

00:55:42,789 --> 00:55:40,319

where it was recorded

1244

00:55:44,710 --> 00:55:42,799

why was he shooting with a drone and two

1245

00:55:46,710 --> 00:55:44,720

years later there is no video material

1246

00:55:48,549 --> 00:55:46,720

available on alikon's channel for

1247

00:55:52,150 --> 00:55:48,559

example with the drone recording

1248

00:55:58,950 --> 00:55:52,160

indicating that only this piece of video

1249

00:56:01,829 --> 00:55:59,990

amazing

1250

00:56:04,150 --> 00:56:01,839

time for the animation showcase i'm

1251
00:56:05,270 --> 00:56:04,160
going to show you what a shadow should

1252
00:56:07,589 --> 00:56:05,280
look like

1253
00:56:09,349 --> 00:56:07,599
animation one yeah and and here he goes

1254
00:56:10,950 --> 00:56:09,359
on to show you how the shadows in that

1255
00:56:13,829 --> 00:56:10,960
video are all wrong

1256
00:56:17,109 --> 00:56:13,839
and that it is manipulated it is not a

1257
00:56:20,069 --> 00:56:17,119
real video of a drone it is most likely

1258
00:56:22,789 --> 00:56:20,079
a manufactured video made from some

1259
00:56:24,710 --> 00:56:22,799
animations and

1260
00:56:26,870 --> 00:56:24,720
manipulating the

1261
00:56:29,750 --> 00:56:26,880
satellite map to make it appear as

1262
00:56:33,109 --> 00:56:29,760
though it is being shot from a drone

1263
00:56:35,670 --> 00:56:33,119

in other words this is a garbage video a

1264

00:56:38,390 --> 00:56:35,680

garbage cgi fake video remember they

1265

00:56:40,470 --> 00:56:38,400

said oh any indication of cgi

1266

00:56:41,589 --> 00:56:40,480

they didn't know the cars may be cgi

1267

00:56:43,589 --> 00:56:41,599

they didn't know this might be a

1268

00:56:46,069 --> 00:56:43,599

manipulated map

1269

00:56:47,430 --> 00:56:46,079

still image that somebody overlaid these

1270

00:56:49,430 --> 00:56:47,440

things on

1271

00:56:51,750 --> 00:56:49,440

and uh heathcliff did a great job

1272

00:56:52,789 --> 00:56:51,760

showing that the the shadows are all

1273

00:56:54,470 --> 00:56:52,799

wrong

1274

00:56:57,190 --> 00:56:54,480

and uh yeah

1275

00:56:59,750 --> 00:56:57,200

another fake story another fake

1276

00:57:01,589 --> 00:56:59,760

click-baited garbage story pushed by

1277

00:57:03,510 --> 00:57:01,599

third phase of moon

1278

00:57:05,349 --> 00:57:03,520

and uh i'm sure rich will defend this

1279

00:57:09,990 --> 00:57:05,359

one and come up with excuses for them

1280

00:57:12,950 --> 00:57:10,000

the ufo and the moving cars are cgi

1281

00:57:14,710 --> 00:57:12,960

cgi copyright disclaimer that's just to

1282

00:57:17,349 --> 00:57:14,720

scare people away

1283

00:57:19,670 --> 00:57:17,359

my work clearly falls on the fair use

1284

00:57:21,430 --> 00:57:19,680

let's face it the people who follow

1285

00:57:24,230 --> 00:57:21,440

third phase of moon

1286

00:57:29,430 --> 00:57:24,240

or their team existing of professional

1287

00:57:34,549 --> 00:57:31,910

including third phase of moon and their

1288

00:57:37,270 --> 00:57:34,559

highly professional investigative ufo

1289

00:57:39,750 --> 00:57:37,280

team yeah how come their highly

1290

00:57:41,990 --> 00:57:39,760

professional investigative ufo team

1291

00:57:43,589 --> 00:57:42,000

can't catch this stuff but any competent

1292

00:57:45,190 --> 00:57:43,599

researcher or investigator that looks

1293

00:57:47,270 --> 00:57:45,200

into the videos can prove it pretty

1294

00:57:49,510 --> 00:57:47,280

quickly i mean look at this this stuff

1295

00:57:51,750 --> 00:57:49,520

is from april and may we're at the end

1296

00:57:54,950 --> 00:57:51,760

of may and it's already busted as fake

1297

00:57:56,870 --> 00:57:54,960

click bait garbage

1298

00:57:59,349 --> 00:57:56,880

at the beginning of the video i quoted

1299

00:58:01,349 --> 00:57:59,359

first phase moon's words

1300

00:58:03,670 --> 00:58:01,359

for a reason

1301
00:58:04,870 --> 00:58:03,680
there is not a shred of responsibility

1302
00:58:06,950 --> 00:58:04,880
in this channel

1303
00:58:09,990 --> 00:58:06,960
it's a deceptive

1304
00:58:12,150 --> 00:58:10,000
channel how do we know well

1305
00:58:13,349 --> 00:58:12,160
we have a word for that it's called

1306
00:58:15,829 --> 00:58:13,359
hoaxing

1307
00:58:17,589 --> 00:58:15,839
the meaning of a hoax is to trick into

1308
00:58:18,870 --> 00:58:17,599
believing or accepting something false

1309
00:58:21,430 --> 00:58:18,880
as real

1310
00:58:23,910 --> 00:58:21,440
nothing more nothing less

1311
00:58:25,990 --> 00:58:23,920
and this is not a new finding

1312
00:58:27,990 --> 00:58:26,000
every debunker

1313
00:58:29,670 --> 00:58:28,000

do you want to play video games again

1314

00:58:30,789 --> 00:58:29,680

how many ads are in this

1315

00:58:33,349 --> 00:58:30,799

geez

1316

00:58:35,030 --> 00:58:33,359

one second friends next time i promise i

1317

00:58:37,589 --> 00:58:35,040

will just clip the whole video so we can

1318

00:58:39,910 --> 00:58:37,599

play it ad free i apologize

1319

00:58:44,549 --> 00:58:39,920

let me skip the ad and we'll

1320

00:58:48,630 --> 00:58:47,030

one second let me cue it back all right

1321

00:58:50,710 --> 00:58:48,640

we're going to go back we're citing fair

1322

00:58:53,430 --> 00:58:50,720

use transformative work thanks to

1323

00:58:57,190 --> 00:58:53,440

asheville citizens we're sharing this

1324

00:58:59,109 --> 00:58:57,200

beautiful work uh debunking more garbage

1325

00:59:00,549 --> 00:58:59,119

from third phase moon and richmond we

1326

00:59:02,829 --> 00:59:00,559

know well

1327

00:59:05,750 --> 00:59:02,839

we have a word for that it's called

1328

00:59:07,430 --> 00:59:05,760

hoaxing the meaning of a hoax is to

1329

00:59:09,430 --> 00:59:07,440

trick into believing or accepting

1330

00:59:11,990 --> 00:59:09,440

something false as real

1331

00:59:14,789 --> 00:59:12,000

nothing more nothing less

1332

00:59:16,630 --> 00:59:14,799

and and if we go by uh heathcliff's

1333

00:59:19,030 --> 00:59:16,640

definition of a hoax which i believe is

1334

00:59:20,549 --> 00:59:19,040

a fair assessment of what a hoax is

1335

00:59:23,589 --> 00:59:20,559

uh then again

1336

00:59:25,430 --> 00:59:23,599

you know look uh what did rich say if

1337

00:59:27,270 --> 00:59:25,440

they have been caught hoaxing things in

1338

00:59:29,829 --> 00:59:27,280

the past couple of years he he couldn't

1339

00:59:32,560 --> 00:59:29,839

associate with them right let's let's

1340

00:59:34,630 --> 00:59:32,570

play that again

1341

00:59:37,190 --> 00:59:34,640

[Music]

1342

00:59:39,589 --> 00:59:37,200

and uh you know

1343

00:59:41,270 --> 00:59:39,599

it is what it is now the last five years

1344

00:59:43,430 --> 00:59:41,280

i've been a part of it for just about

1345

00:59:46,710 --> 00:59:43,440

three

1346

00:59:48,789 --> 00:59:46,720

if if there were any hoaxes by them

1347

00:59:52,309 --> 00:59:48,799

i just i wouldn't be able to associate

1348

00:59:55,589 --> 00:59:52,319

with them at least business-wise

1349

00:59:57,670 --> 00:59:55,599

if if there were any hoaxes by them

1350

01:00:00,230 --> 00:59:57,680

i just i wouldn't be able to associate

1351
01:00:14,260 --> 01:00:00,240
with them at least business-wise

1352
01:00:14,270 --> 01:00:21,990
[Laughter]

1353
01:00:26,309 --> 01:00:23,990
all right back to uh heathcliff's

1354
01:00:27,589 --> 01:00:26,319
excellent video here this isn't so but

1355
01:00:29,510 --> 01:00:27,599
my point is

1356
01:00:31,510 --> 01:00:29,520
you know rich is going to shuck he's

1357
01:00:34,230 --> 01:00:31,520
going to shuck and jive he's going to

1358
01:00:35,750 --> 01:00:34,240
bob and weave around that word hoax he's

1359
01:00:37,750 --> 01:00:35,760
going to come up with his own definition

1360
01:00:39,829 --> 01:00:37,760
of what he meant by them being caught

1361
01:00:42,069 --> 01:00:39,839
hoaxing something but according to most

1362
01:00:44,549 --> 01:00:42,079
people's definition of hoaxing these are

1363
01:00:45,990 --> 01:00:44,559

hoaxes they're clearly manipulated to

1364

01:00:48,069 --> 01:00:46,000

make people believe that there's

1365

01:00:50,069 --> 01:00:48,079

something they're not

1366

01:00:53,109 --> 01:00:50,079

not a new finding

1367

01:00:56,309 --> 01:00:53,119

every debunker asked every debunker of

1368

01:00:58,309 --> 01:00:56,319

fact checker for a new southplant year

1369

01:01:01,270 --> 01:00:58,319

after year their claims has been

1370

01:01:04,789 --> 01:01:01,280

debunked that even the word hoax has

1371

01:01:11,270 --> 01:01:08,870

then the professional ufo investigators

1372

01:01:13,750 --> 01:01:11,280

they are like housewives the type of

1373

01:01:16,390 --> 01:01:13,760

people who watch gossip programs because

1374

01:01:18,549 --> 01:01:16,400

one thing they are good at is gossiping

1375

01:01:19,670 --> 01:01:18,559

about other people because they have no

1376

01:01:22,470 --> 01:01:19,680

life

1377

01:01:24,710 --> 01:01:22,480

they seek drama because they are bored

1378

01:01:26,789 --> 01:01:24,720

to death and i can believe that

1379

01:01:29,030 --> 01:01:26,799

some still live with the mummy and stalk

1380

01:01:31,030 --> 01:01:29,040

female youtubers because of the level of

1381

01:01:32,549 --> 01:01:31,040

envy and jealousy

1382

01:01:34,549 --> 01:01:32,559

i'm going to tell you the difference

1383

01:01:36,950 --> 01:01:34,559

between those ufo investigators

1384

01:01:38,549 --> 01:01:36,960

affiliated with the hoaxes third phase

1385

01:01:41,270 --> 01:01:38,559

of moon and me

1386

01:01:44,870 --> 01:01:41,280

i know how to research and the quality

1387

01:01:45,750 --> 01:01:44,880

of my videos is movie production

1388

01:01:47,750 --> 01:01:45,760

and

1389

01:01:51,670 --> 01:01:47,760

here it goes

1390

01:01:54,549 --> 01:01:51,680

i'm a lone wolf i do this all by myself

1391

01:01:57,750 --> 01:01:54,559

they just making stuff up

1392

01:02:01,190 --> 01:01:57,760

they have no credibility at all

1393

01:02:03,510 --> 01:02:01,200

they are no investigators at all

1394

01:02:06,870 --> 01:02:03,520

they are just people that allow them to

1395

01:02:10,549 --> 01:02:06,880

be affiliated with them with hoaxes and

1396

01:02:13,510 --> 01:02:10,559

give a blind eye too easily to explain

1397

01:02:18,069 --> 01:02:15,270

i have a name for them

1398

01:02:20,230 --> 01:02:18,079

hoax supporters

1399

01:02:22,150 --> 01:02:20,240

i think that's fair assessment if you

1400

01:02:24,069 --> 01:02:22,160

are knowingly and willingly making

1401
01:02:25,029 --> 01:02:24,079
excuses for people constantly getting

1402
01:02:26,789 --> 01:02:25,039
caught

1403
01:02:29,430 --> 01:02:26,799
pushing these fake narratives with these

1404
01:02:30,710 --> 01:02:29,440
clickbait titles manipulated videos

1405
01:02:32,710 --> 01:02:30,720
pretending there's something that

1406
01:02:34,789 --> 01:02:32,720
they're not trying to convince people

1407
01:02:37,510 --> 01:02:34,799
that they're more uh you know

1408
01:02:39,109 --> 01:02:37,520
extraordinary when they clearly are not

1409
01:02:41,910 --> 01:02:39,119
that i think that fits i think that's

1410
01:02:45,190 --> 01:02:41,920
fair that's not an investigator

1411
01:02:47,270 --> 01:02:45,200
an investigator finds facts and evidence

1412
01:02:50,789 --> 01:02:47,280
and then puts it out there for others to

1413
01:02:53,029 --> 01:02:50,799

see it makes informed decisions on what

1414

01:02:55,589 --> 01:02:53,039

they believe or don't believe based on

1415

01:02:57,349 --> 01:02:55,599

this evidence presented by an expert

1416

01:02:59,910 --> 01:02:57,359

investigator

1417

01:03:02,549 --> 01:02:59,920

not clowns

1418

01:03:05,190 --> 01:03:02,559

i'm an og on youtube i originally

1419

01:03:07,750 --> 01:03:05,200

started in 2007

1420

01:03:08,710 --> 01:03:07,760

i have seen people come and go come and

1421

01:03:12,309 --> 01:03:08,720

go

1422

01:03:15,270 --> 01:03:12,319

moon works

1423

01:03:17,109 --> 01:03:15,280

they visit small ufo youtube channels

1424

01:03:20,150 --> 01:03:17,119

during the live stream

1425

01:03:22,549 --> 01:03:20,160

and they got really really horny and

1426
01:03:24,549 --> 01:03:22,559
then they see this as an opportunity to

1427
01:03:25,430 --> 01:03:24,559
get big on youtube

1428
01:03:26,309 --> 01:03:25,440
and they

1429
01:03:29,670 --> 01:03:26,319
see

1430
01:03:32,150 --> 01:03:29,680
dollars one by one all of them

1431
01:03:34,710 --> 01:03:32,160
most of them promised to change

1432
01:03:37,750 --> 01:03:34,720
third phase of moon as yeah you notice

1433
01:03:39,829 --> 01:03:37,760
that he he is clearly locked onto the

1434
01:03:42,309 --> 01:03:39,839
same thing that i have is that they are

1435
01:03:44,150 --> 01:03:42,319
using smaller channels to push this

1436
01:03:45,670 --> 01:03:44,160
narrative that they have changed and

1437
01:03:47,510 --> 01:03:45,680
they're doing things the right way now

1438
01:03:49,910 --> 01:03:47,520

they may have made some mistakes it's

1439

01:03:51,510 --> 01:03:49,920

talking points that they're handing out

1440

01:03:53,589 --> 01:03:51,520

to these other people and what do they

1441

01:03:56,390 --> 01:03:53,599

get in exchange these people who defend

1442

01:03:57,910 --> 01:03:56,400

them they get fed subscribers they get

1443

01:04:00,950 --> 01:03:57,920

fed views and did you hear how

1444

01:04:03,589 --> 01:04:00,960

heathcliff said that he is uh you know

1445

01:04:06,309 --> 01:04:03,599

he's like me he's a one-man army he has

1446

01:04:09,750 --> 01:04:06,319

nobody to answer to he doesn't have a

1447

01:04:12,549 --> 01:04:09,760

motive to lie to you he just follows the

1448

01:04:15,190 --> 01:04:12,559

facts and shows you what the truth is

1449

01:04:17,990 --> 01:04:15,200

and that my friends is what you should

1450

01:04:20,549 --> 01:04:18,000

aspire to and that's what i aspire to

1451

01:04:22,549 --> 01:04:20,559

but these people who are clearly

1452

01:04:24,950 --> 01:04:22,559

benefiting from their relationship with

1453

01:04:26,870 --> 01:04:24,960

third phase in the form of subscribers

1454

01:04:28,789 --> 01:04:26,880

and views and help

1455

01:04:30,549 --> 01:04:28,799

they're gonna they're gonna do whatever

1456

01:04:32,789 --> 01:04:30,559

they have to do to make excuses for

1457

01:04:34,870 --> 01:04:32,799

third phase and third phase of moon

1458

01:04:36,950 --> 01:04:34,880

desperately wants something that i

1459

01:04:39,430 --> 01:04:36,960

believe that i have and i believe this

1460

01:04:41,430 --> 01:04:39,440

heath cliff from astral citizens have

1461

01:04:43,430 --> 01:04:41,440

and that is integrity

1462

01:04:45,190 --> 01:04:43,440

that people can trust when i'm i'm

1463

01:04:47,109 --> 01:04:45,200

telling you something it's based on

1464

01:04:49,670 --> 01:04:47,119

facts and evidence i'm not just pulling

1465

01:04:53,029 --> 01:04:49,680

things out of my ass like talking points

1466

01:04:56,150 --> 01:04:53,039

i was told to tell my audience to save

1467

01:04:59,670 --> 01:04:56,160

face when third phase gets caught faking

1468

01:05:01,829 --> 01:04:59,680

more [h__h] and this guy is dangerous too

1469

01:05:03,990 --> 01:05:01,839

because he's not affiliated with them

1470

01:05:04,950 --> 01:05:04,000

he's not benefiting from a relationship

1471

01:05:08,069 --> 01:05:04,960

with them

1472

01:05:09,430 --> 01:05:08,079

it's a sword for alibi to collaborate

1473

01:05:10,630 --> 01:05:09,440

with them

1474

01:05:12,150 --> 01:05:10,640

but that

1475

01:05:14,950 --> 01:05:12,160

never ever happened

1476

01:05:21,190 --> 01:05:18,710

third phase of moon try this on me too

1477

01:05:22,789 --> 01:05:21,200

a long time ago look they try to recruit

1478

01:05:25,430 --> 01:05:22,799

him too and by the way they try to

1479

01:05:28,470 --> 01:05:25,440

recruit me as well but they thought i

1480

01:05:31,510 --> 01:05:28,480

was going to go super cheap right yeah

1481

01:05:37,190 --> 01:05:34,390

business about ufos this whole business

1482

01:05:40,150 --> 01:05:37,200

about ufos this whole business about

1483

01:05:42,309 --> 01:05:40,160

ufos business business

1484

01:05:43,910 --> 01:05:42,319

you know it's

1485

01:05:45,750 --> 01:05:43,920

it's basically

1486

01:05:47,990 --> 01:05:45,760

journalism on this ufo phenomenon

1487

01:05:50,549 --> 01:05:48,000

without claiming we know exactly what it

1488

01:05:52,950 --> 01:05:50,559

is

1489

01:05:55,430 --> 01:05:52,960

so for example that's uh the video of uh

1490

01:05:56,549 --> 01:05:55,440

the michael jackson move uh the superman

1491

01:05:57,590 --> 01:05:56,559

video

1492

01:05:58,789 --> 01:05:57,600

well yeah okay

1493

01:06:00,549 --> 01:05:58,799

[Music]

1494

01:06:03,029 --> 01:06:00,559

is that a fake video or is that a real

1495

01:06:04,710 --> 01:06:03,039

video yeah is it a fake video or is it

1496

01:06:06,470 --> 01:06:04,720

real exactly let me finish on my own

1497

01:06:07,349 --> 01:06:06,480

channel

1498

01:06:11,430 --> 01:06:07,359

um

1499

01:06:12,710 --> 01:06:11,440

we spent almost 10 minutes on the

1500

01:06:15,750 --> 01:06:12,720

superman

1501

01:06:18,150 --> 01:06:15,760

move while we all know you can children

1502

01:06:21,190 --> 01:06:18,160

know this age that this is the michael

1503

01:06:24,230 --> 01:06:22,630

my opinion

1504

01:06:25,750 --> 01:06:24,240

i'm honest

1505

01:06:27,190 --> 01:06:25,760

uh i don't like you guys what you're

1506

01:06:28,630 --> 01:06:27,200

doing ask the question in that

1507

01:06:30,390 --> 01:06:28,640

particular video that you're talking

1508

01:06:33,190 --> 01:06:30,400

about the the man with the superhero

1509

01:06:35,589 --> 01:06:33,200

powers by the way this video that he's

1510

01:06:37,910 --> 01:06:35,599

referencing they hyped up a video a

1511

01:06:40,230 --> 01:06:37,920

random video off of the internet of

1512

01:06:42,870 --> 01:06:40,240

someone doing something that i'm very

1513

01:06:44,950 --> 01:06:42,880

familiar with it's a magic illusion and

1514

01:06:46,630 --> 01:06:44,960

it's called the lean

1515

01:06:49,670 --> 01:06:46,640

go look it up

1516

01:06:51,990 --> 01:06:49,680

the lean illusion michael jackson is the

1517

01:06:54,710 --> 01:06:52,000

most famous person who has used this in

1518

01:06:56,870 --> 01:06:54,720

fact i know i believe i know

1519

01:06:59,670 --> 01:06:56,880

who created that lean illusion for

1520

01:07:00,870 --> 01:06:59,680

michael jackson it was franz harari

1521

01:07:03,510 --> 01:07:00,880

well-known

1522

01:07:05,430 --> 01:07:03,520

uh illusionist that is uh

1523

01:07:06,870 --> 01:07:05,440

on the caliber of david copperfield he's

1524

01:07:08,710 --> 01:07:06,880

such a great illusionist worked for

1525

01:07:10,630 --> 01:07:08,720

michael jackson for a time

1526

01:07:12,309 --> 01:07:10,640

brought in a whole bunch of illusions

1527

01:07:14,789 --> 01:07:12,319

and illusion equipment for michael

1528

01:07:17,109 --> 01:07:14,799

jackson to use in his victory tour and

1529

01:07:19,670 --> 01:07:17,119

michael jackson famously did this lean

1530

01:07:22,630 --> 01:07:19,680

illusion but it's a very common illusion

1531

01:07:24,789 --> 01:07:22,640

it's in hundreds of magic shows they had

1532

01:07:27,589 --> 01:07:24,799

to know that this is just a stage

1533

01:07:29,750 --> 01:07:27,599

illusion but they found a random video

1534

01:07:31,990 --> 01:07:29,760

of somebody doing it and they claimed

1535

01:07:34,390 --> 01:07:32,000

that the man had supernatural powers and

1536

01:07:36,470 --> 01:07:34,400

they click baited that garbage

1537

01:07:39,270 --> 01:07:36,480

and apparently this is many years ago

1538

01:07:42,150 --> 01:07:39,280

but he clicked uh actual citizen caught

1539

01:07:44,309 --> 01:07:42,160

them faking that and hyping that up as

1540

01:07:45,910 --> 01:07:44,319

something it wasn't as well if this

1541

01:07:47,589 --> 01:07:45,920

could be some kind of trick the guy's

1542

01:07:49,029 --> 01:07:47,599

pulling off we said it loud and clear we

1543

01:07:51,190 --> 01:07:49,039

didn't say oh my god

1544

01:07:53,190 --> 01:07:51,200

could this be a trick yeah go ask any

1545

01:07:55,670 --> 01:07:53,200

magician any magician could look at that

1546

01:07:57,750 --> 01:07:55,680

and tell you yes third phase of moon

1547

01:07:59,910 --> 01:07:57,760

that's a magic illusion that's a trick

1548

01:08:02,309 --> 01:07:59,920

it's called the lean

1549

01:08:04,150 --> 01:08:02,319

very famous illusion you could see it in

1550

01:08:06,470 --> 01:08:04,160

las vegas you could see it in stage

1551

01:08:08,470 --> 01:08:06,480

shows all over the country i can cite

1552

01:08:10,309 --> 01:08:08,480

for you 15 different magicians off the

1553

01:08:12,470 --> 01:08:10,319

top of my head who have used that

1554

01:08:13,349 --> 01:08:12,480

illusion i never have one of my friends

1555

01:08:16,390 --> 01:08:13,359

did

1556

01:08:18,709 --> 01:08:16,400

uh local in philadelphia even use that

1557

01:08:20,309 --> 01:08:18,719

illusion it's a magic trick

1558

01:08:22,390 --> 01:08:20,319

they should have known that but what did

1559

01:08:24,709 --> 01:08:22,400

they do hyped it up as a guy with

1560

01:08:26,550 --> 01:08:24,719

superhuman supernatural powers he must

1561

01:08:28,550 --> 01:08:26,560

have superman powers to be able to pull

1562

01:08:30,789 --> 01:08:28,560

this off we believe that this guy has

1563

01:08:34,070 --> 01:08:30,799

superhuman powers we're just look

1564

01:08:38,070 --> 01:08:35,510

not the video i'm going this is

1565

01:08:40,870 --> 01:08:38,080

interesting could it be we never said

1566

01:08:46,309 --> 01:08:43,590

what the hell superhuman man displays

1567

01:08:49,349 --> 01:08:46,319

extraordinary powers then they claim it

1568

01:08:51,590 --> 01:08:49,359

was a military cover-up superhuman man

1569

01:08:54,149 --> 01:08:51,600

displays extraordinary powers military

1570

01:08:55,189 --> 01:08:54,159

cover-up this is from 2017. so i'm sure

1571

01:08:56,390 --> 01:08:55,199

rich is going to have a problem with

1572

01:08:58,550 --> 01:08:56,400

that because that's not within his

1573

01:09:00,309 --> 01:08:58,560

five-year oh no it is right that would

1574

01:09:01,430 --> 01:09:00,319

be within his five-year window right

1575

01:09:05,669 --> 01:09:01,440

wouldn't it

1576

01:09:07,829 --> 01:09:05,679

maybe just about 17 18 19 20 21 22

1577

01:09:10,309 --> 01:09:07,839

that's within your five year window this

1578

01:09:11,430 --> 01:09:10,319

is another absolutely ridiculous hoax

1579

01:09:13,990 --> 01:09:11,440

that they

1580

01:09:16,149 --> 01:09:14,000

took something extremely ordinary like a

1581

01:09:18,309 --> 01:09:16,159

guy doing a magic trick and listen to

1582

01:09:20,470 --> 01:09:18,319

this what the hell superhuman man

1583

01:09:22,149 --> 01:09:20,480

displays extraordinary powers military

1584

01:09:23,590 --> 01:09:22,159

cover-up

1585

01:09:26,229 --> 01:09:23,600

third phase of moon shares your

1586

01:09:29,349 --> 01:09:26,239

incredible ufo videos to the world what

1587

01:09:31,269 --> 01:09:29,359

the hell superhuman man they claim in

1588

01:09:33,590 --> 01:09:31,279

the title it was a superhuman man

1589

01:09:37,110 --> 01:09:33,600

displaying extraordinary powers and that

1590

01:09:38,789 --> 01:09:37,120

there was a military cover-up [h__h]

1591

01:09:42,229 --> 01:09:38,799

rich you're going to explain this one

1592

01:09:45,349 --> 01:09:42,239

away too rich is this a hoax

1593

01:09:47,030 --> 01:09:45,359

is this [h__h] is this garbage or what

1594

01:09:48,709 --> 01:09:47,040

what

1595

01:09:51,669 --> 01:09:48,719

the questions every time we say could

1596

01:09:54,870 --> 01:09:51,679

this be cgi could this be a

1597

01:09:56,390 --> 01:09:54,880

a flare or yeah here is the cop-outs you

1598

01:09:58,630 --> 01:09:56,400

gotta have the cop-outs when you get

1599

01:10:01,350 --> 01:09:58,640

caught pushing something completely

1600

01:10:03,350 --> 01:10:01,360

ordinary like a magic trick as a guy

1601

01:10:07,430 --> 01:10:03,360

with superhuman powers in a military

1602

01:10:11,270 --> 01:10:09,430

we ask questions all the time question

1603

01:10:13,510 --> 01:10:11,280

you don't have to ask that question oh

1604

01:10:15,110 --> 01:10:13,520

what is it superman

1605

01:10:17,669 --> 01:10:15,120

you are oak

1606

01:10:20,229 --> 01:10:17,679

blake

1607

01:10:22,070 --> 01:10:20,239

oh he hung up

1608

01:10:24,390 --> 01:10:22,080

apparently uh blake couldn't take the

1609

01:10:26,070 --> 01:10:24,400

heat when questioned about that garbage

1610

01:10:27,910 --> 01:10:26,080

video that they pushed as something it

1611

01:10:29,830 --> 01:10:27,920

wasn't

1612

01:10:31,669 --> 01:10:29,840

yeah you know what blake stick your [h__\h]

1613

01:10:34,709 --> 01:10:31,679

up her ass

1614

01:10:36,870 --> 01:10:34,719

part of me uh for the foul language uh

1615

01:10:37,990 --> 01:10:36,880

we apologize that's about it for this

1616

01:10:40,709 --> 01:10:38,000

video

1617

01:10:42,149 --> 01:10:40,719

uh but i encourage you to go and and

1618

01:10:45,189 --> 01:10:42,159

subscribe

1619

01:10:47,590 --> 01:10:45,199

so there we have it we've gotten

1620

01:10:49,590 --> 01:10:47,600

uh three more examples of garbage

1621

01:10:51,910 --> 01:10:49,600

stories peddled by third phase of moon

1622

01:10:53,830 --> 01:10:51,920

but remember i'm the bad guy for saying

1623

01:10:56,550 --> 01:10:53,840

uh that they're

1624

01:10:57,270 --> 01:10:56,560

that they're garbage

1625

01:10:59,430 --> 01:10:57,280

so

1626

01:11:01,430 --> 01:10:59,440

that's where we're at but i do have a

1627

01:11:03,510 --> 01:11:01,440

little bit more for you

1628

01:11:05,990 --> 01:11:03,520

uh because rich is constantly telling

1629

01:11:08,470 --> 01:11:06,000

people he's going on this you know uh

1630

01:11:10,149 --> 01:11:08,480

tirade both on his own channel and on

1631

01:11:11,270 --> 01:11:10,159

other people's channel claiming that i

1632

01:11:12,870 --> 01:11:11,280

lied

1633

01:11:15,750 --> 01:11:12,880

uh

1634

01:11:17,990 --> 01:11:15,760

and and you know i just picked my

1635

01:11:19,669 --> 01:11:18,000

my favorite 10 or 11 lies that he's

1636

01:11:20,630 --> 01:11:19,679

telling about me right now so we'll go

1637

01:11:22,390 --> 01:11:20,640

through them

1638

01:11:25,030 --> 01:11:22,400

i'm trying to wrap this up as quickly as

1639

01:11:26,709 --> 01:11:25,040

possible because honestly i forgot that

1640

01:11:28,630 --> 01:11:26,719

it's the last day of the month and it's

1641

01:11:31,510 --> 01:11:28,640

my birthday and i still have to make the

1642

01:11:33,990 --> 01:11:31,520

the show's um

1643

01:11:36,470 --> 01:11:34,000

monthly uh show journal for you patreon

1644

01:11:37,510 --> 01:11:36,480

supporters i haven't missed one yet i'm

1645

01:11:40,870 --> 01:11:37,520

going to do that

1646

01:11:43,189 --> 01:11:40,880

as soon as i end i'm gonna do that uh

1647

01:11:45,750 --> 01:11:43,199

and tonight's broadcast

1648

01:11:47,110 --> 01:11:45,760

number one rich lied and said that i

1649

01:11:49,350 --> 01:11:47,120

would sue him

1650

01:11:50,950 --> 01:11:49,360

not true show me a clip rich where i

1651
01:11:53,350 --> 01:11:50,960
said i would sue you somebody in the

1652
01:11:56,229 --> 01:11:53,360
live chat suggested that i should sue

1653
01:11:59,350 --> 01:11:56,239
him for slander or liable and why did i

1654
01:12:01,990 --> 01:11:59,360
do that or why did they say that

1655
01:12:04,070 --> 01:12:02,000
see he's making excuses now and he had

1656
01:12:05,430 --> 01:12:04,080
to take his video down because i

1657
01:12:07,110 --> 01:12:05,440
informed him that it was a community

1658
01:12:08,630 --> 01:12:07,120
guideline strike i didn't say i was

1659
01:12:10,390 --> 01:12:08,640
going to strike his channel i didn't say

1660
01:12:12,390 --> 01:12:10,400
i was going to sue him show me a clip of

1661
01:12:14,390 --> 01:12:12,400
me saying that but he's going to go on

1662
01:12:16,870 --> 01:12:14,400
other channels and lie through his teeth

1663
01:12:17,990 --> 01:12:16,880

saying that i'm the liar here that's lie

1664

01:12:20,470 --> 01:12:18,000

number one

1665

01:12:22,470 --> 01:12:20,480

and uh here here's the clip of what he

1666

01:12:24,149 --> 01:12:22,480

actually said in regard to the pedo

1667

01:12:25,430 --> 01:12:24,159

comment i should be very clear in

1668

01:12:27,110 --> 01:12:25,440

pointing out

1669

01:12:30,470 --> 01:12:27,120

saying something like this

1670

01:12:32,630 --> 01:12:30,480

is a slime ball thing to do and they've

1671

01:12:34,310 --> 01:12:32,640

done it or you know i'll play it in a

1672

01:12:35,430 --> 01:12:34,320

moment

1673

01:12:37,910 --> 01:12:35,440

number two

1674

01:12:39,430 --> 01:12:37,920

lyden said i would strike his channel

1675

01:12:41,669 --> 01:12:39,440

not true i never said i was going to

1676
01:12:43,030 --> 01:12:41,679
strike his channel i did advise him that

1677
01:12:44,870 --> 01:12:43,040
what he said

1678
01:12:47,270 --> 01:12:44,880
in that video he was forced to take off

1679
01:12:49,669 --> 01:12:47,280
of youtube was

1680
01:12:51,189 --> 01:12:49,679
a community guidelines strike

1681
01:12:53,189 --> 01:12:51,199
because it is

1682
01:12:55,590 --> 01:12:53,199
i never said that i would strike his

1683
01:12:57,350 --> 01:12:55,600
channel myself i just

1684
01:12:59,830 --> 01:12:57,360
told him you know what you did that's a

1685
01:13:01,750 --> 01:12:59,840
community guideline strike rich

1686
01:13:04,070 --> 01:13:01,760
so he lied and said that i said i would

1687
01:13:05,350 --> 01:13:04,080
strike his channel never happened show

1688
01:13:06,790 --> 01:13:05,360

me a clip

1689

01:13:08,950 --> 01:13:06,800

number three

1690

01:13:11,189 --> 01:13:08,960

lyden said that i had to go back eight

1691

01:13:12,709 --> 01:13:11,199

years to find examples of third phase

1692

01:13:15,709 --> 01:13:12,719

pushing fake [h__h]

1693

01:13:18,550 --> 01:13:15,719

no i used an example from february of

1694

01:13:20,390 --> 01:13:18,560

2022 just a few short months ago

1695

01:13:22,070 --> 01:13:20,400

tonight he's going to keep going that's

1696

01:13:24,070 --> 01:13:22,080

one of the talking points

1697

01:13:25,750 --> 01:13:24,080

that we haven't faked anything in a long

1698

01:13:27,510 --> 01:13:25,760

time and these people that are critics

1699

01:13:29,830 --> 01:13:27,520

they have to go back eight years or

1700

01:13:32,790 --> 01:13:29,840

seven years or five years to find

1701

01:13:35,430 --> 01:13:32,800

examples of us faking things no i just

1702

01:13:38,070 --> 01:13:35,440

showed you or last week an example from

1703

01:13:41,030 --> 01:13:38,080

february of 2022 tonight we saw an

1704

01:13:45,110 --> 01:13:41,040

example from april of 2022 and may of

1705

01:13:47,030 --> 01:13:45,120

2022 of them pushing fake garbage so

1706

01:13:48,709 --> 01:13:47,040

don't lie to your teeth rich and tell

1707

01:13:50,709 --> 01:13:48,719

people that we've got to go back eight

1708

01:13:51,990 --> 01:13:50,719

years to find examples of third phase

1709

01:13:54,950 --> 01:13:52,000

pushing [h__h]

1710

01:13:56,950 --> 01:13:54,960

that you're working for them and you're

1711

01:13:59,590 --> 01:13:56,960

lying through your teeth telling people

1712

01:14:03,110 --> 01:13:59,600

if they got caught uh with hoaxing

1713

01:14:05,910 --> 01:14:03,120

things i couldn't associate with them

1714

01:14:07,590 --> 01:14:05,920

okay number uh four

1715

01:14:08,950 --> 01:14:07,600

he lied and said

1716

01:14:12,229 --> 01:14:08,960

uh that

1717

01:14:15,669 --> 01:14:12,239

i said that they stole that fake tr3

1718

01:14:19,189 --> 01:14:15,679

b video no i didn't i never said that

1719

01:14:21,830 --> 01:14:19,199

third phase stole the tr3

1720

01:14:25,189 --> 01:14:21,840

tr3 b video that we caught them with

1721

01:14:27,669 --> 01:14:25,199

from february 2022 hoaxing or faking or

1722

01:14:30,390 --> 01:14:27,679

click baiting garbage i never said that

1723

01:14:33,189 --> 01:14:30,400

they stole it the original uploader of

1724

01:14:36,070 --> 01:14:33,199

the video made a video accusing them of

1725

01:14:38,310 --> 01:14:36,080

stealing it and by the way he contacted

1726

01:14:41,750 --> 01:14:38,320

them crickets

1727

01:14:44,390 --> 01:14:41,760

number five uh rich lied and said that

1728

01:14:46,790 --> 01:14:44,400

if that i said if you hang out with

1729

01:14:49,189 --> 01:14:46,800

hoaxers you must be a hoaxer too

1730

01:14:52,310 --> 01:14:49,199

wrong i never said that rich show me the

1731

01:14:54,709 --> 01:14:52,320

clip he used me saying if he hangs out

1732

01:14:57,030 --> 01:14:54,719

with hoaxers he must be a hoaxer too as

1733

01:14:58,950 --> 01:14:57,040

a justification for his pedo comments

1734

01:14:59,669 --> 01:14:58,960

about perhaps

1735

01:15:02,390 --> 01:14:59,679

me

1736

01:15:04,870 --> 01:15:02,400

stephen has friends that are pedos and

1737

01:15:07,110 --> 01:15:04,880

and apparently that could make me a pedo

1738

01:15:09,830 --> 01:15:07,120

wrong i never said that show me a clip

1739

01:15:12,310 --> 01:15:09,840

of me saying that rich you can't that's

1740

01:15:13,990 --> 01:15:12,320

just [h__h] excuse for saying that i

1741

01:15:16,709 --> 01:15:14,000

may have friends that are pedos and

1742

01:15:17,510 --> 01:15:16,719

implying that i may be a pedo myself and

1743

01:15:19,189 --> 01:15:17,520

oh

1744

01:15:21,510 --> 01:15:19,199

just so everybody's aware they

1745

01:15:23,510 --> 01:15:21,520

previously called the out their channel

1746

01:15:25,750 --> 01:15:23,520

third phase i'm told previously called

1747

01:15:28,390 --> 01:15:25,760

the out there channel a pedo for being

1748

01:15:30,630 --> 01:15:28,400

critical of their garbage hoaxes or fake

1749

01:15:32,390 --> 01:15:30,640

stories or click bait garbage

1750

01:15:34,550 --> 01:15:32,400

and for pedaling fake manipulated

1751

01:15:36,470 --> 01:15:34,560

stories he came out as a critic against

1752

01:15:38,149 --> 01:15:36,480

them started showing how they fake [h__h]

1753

01:15:39,750 --> 01:15:38,159

and this is fake and this is fake

1754

01:15:42,149 --> 01:15:39,760

suddenly third phase is calling them a

1755

01:15:44,470 --> 01:15:42,159

pedo so i believe that this was

1756

01:15:46,709 --> 01:15:44,480

intentional this is part of their game

1757

01:15:49,110 --> 01:15:46,719

plan this is part of their playbook if

1758

01:15:50,310 --> 01:15:49,120

you can't kill the message kill the

1759

01:15:52,470 --> 01:15:50,320

messenger

1760

01:15:54,470 --> 01:15:52,480

imply to everybody or just tell them

1761

01:15:56,070 --> 01:15:54,480

that he may be a pedo

1762

01:15:58,390 --> 01:15:56,080

you know uh maybe they're gonna call

1763

01:16:00,790 --> 01:15:58,400

astral citizens this heathcliff a pedo

1764

01:16:02,630 --> 01:16:00,800

next but oh wait they can't because now

1765

01:16:05,270 --> 01:16:02,640

they're caught using those tactics and

1766

01:16:08,149 --> 01:16:05,280

good i say good for that and for those

1767

01:16:09,830 --> 01:16:08,159

some people said i overreacted i'm gonna

1768

01:16:11,590 --> 01:16:09,840

play you the clip of what he actually

1769

01:16:13,270 --> 01:16:11,600

said in regard what rich said in regard

1770

01:16:15,510 --> 01:16:13,280

to these pedo comments and you're gonna

1771

01:16:17,350 --> 01:16:15,520

tell me that i'm the bad guy here for

1772

01:16:19,910 --> 01:16:17,360

calling him out and saying that that was

1773

01:16:22,149 --> 01:16:19,920

slimy and a wrong thing to do i have a

1774

01:16:25,030 --> 01:16:22,159

wife i have children and i volunteer for

1775

01:16:28,070 --> 01:16:25,040

children's charities and this dumbass

1776

01:16:31,189 --> 01:16:28,080

this [h__h] rich from goof on he goes on

1777

01:16:34,470 --> 01:16:31,199

a public live stream and he says this

1778

01:16:36,229 --> 01:16:34,480

about me a guy who has wife and children

1779

01:16:38,070 --> 01:16:36,239

a stand-up member of the community who

1780

01:16:41,510 --> 01:16:38,080

by the way i also volunteer for

1781

01:16:44,229 --> 01:16:41,520

children's charities you dumbass

1782

01:16:49,910 --> 01:16:46,709

you could be friends uh stephen with a

1783

01:16:57,990 --> 01:16:51,350

you know

1784

01:16:58,000 --> 01:17:01,430

maybe it does

1785

01:17:05,830 --> 01:17:04,709

and i'm sorry but the analogy excuses it

1786

01:17:08,390 --> 01:17:05,840

doesn't no

1787

01:17:10,790 --> 01:17:08,400

he claims he used that analogy because i

1788

01:17:13,189 --> 01:17:10,800

said if he hangs out with hoaxers that

1789

01:17:15,430 --> 01:17:13,199

makes him a hoaxer too i never said that

1790

01:17:17,590 --> 01:17:15,440

i said if he works for them and

1791

01:17:19,590 --> 01:17:17,600

constantly defends their fraudery fakery

1792

01:17:22,149 --> 01:17:19,600

and bullshittery that impedes his

1793

01:17:24,229 --> 01:17:22,159

reputation and no one can argue with

1794

01:17:26,630 --> 01:17:24,239

that and the fact that rich he just

1795

01:17:28,630 --> 01:17:26,640

spent two days putting jeremy corbell on

1796

01:17:29,510 --> 01:17:28,640

blast saying that he's lying and faking

1797

01:17:31,669 --> 01:17:29,520

[h__\h]

1798

01:17:33,590 --> 01:17:31,679

first of all there's no proof yet

1799

01:17:35,270 --> 01:17:33,600

that jeremy corbell actually lied in

1800

01:17:37,030 --> 01:17:35,280

fake [h__\h] he could have done some

1801

01:17:39,110 --> 01:17:37,040

research and proved it by calling the

1802

01:17:41,830 --> 01:17:39,120

military and saying have you guys been

1803

01:17:43,830 --> 01:17:41,840

shooting at ufos every day for weeks now

1804

01:17:46,390 --> 01:17:43,840

or whatever corbell said he didn't do

1805

01:17:48,709 --> 01:17:46,400

any research he just went

1806

01:17:50,709 --> 01:17:48,719

and did the rambling rich act where he's

1807

01:17:54,310 --> 01:17:50,719

going to just tell you he lied without

1808

01:17:56,470 --> 01:17:54,320

proving he lied and where is rich does

1809

01:17:59,110 --> 01:17:56,480

he have the moral high ground

1810

01:18:00,550 --> 01:17:59,120

that's what my point is my point to him

1811

01:18:02,310 --> 01:18:00,560

was if you're gonna hang out with third

1812

01:18:04,470 --> 01:18:02,320

phase and constantly defend them and

1813

01:18:06,390 --> 01:18:04,480

work for them you don't have the moral

1814

01:18:07,590 --> 01:18:06,400

high ground to call other people liars

1815

01:18:09,830 --> 01:18:07,600

or fakers

1816

01:18:11,750 --> 01:18:09,840

that's what i said i didn't say if you

1817

01:18:15,910 --> 01:18:11,760

hang out with hoaxers that makes you a

1818

01:18:17,830 --> 01:18:15,920

hoaxer too never said that never

1819

01:18:20,070 --> 01:18:17,840

let's get back to the rest of the lies

1820

01:18:21,430 --> 01:18:20,080

uh we'll put my fair use banner down as

1821

01:18:29,270 --> 01:18:21,440

well

1822

01:18:33,270 --> 01:18:30,790

number six

1823

01:18:35,910 --> 01:18:33,280

he lied and clickbaited people saying

1824

01:18:38,149 --> 01:18:35,920

that i was a hoaxer in his video title

1825

01:18:40,550 --> 01:18:38,159

to cheat views and click bait people to

1826

01:18:43,189 --> 01:18:40,560

click on his video he will not prove

1827

01:18:45,430 --> 01:18:43,199

that i ever hoaxed anything he can't

1828

01:18:46,390 --> 01:18:45,440

prove that because that is a bold-faced

1829

01:18:48,709 --> 01:18:46,400

lie

1830

01:18:51,030 --> 01:18:48,719

strictly designed to discredit me he

1831

01:18:52,870 --> 01:18:51,040

wants to turn people against me and save

1832

01:18:54,950 --> 01:18:52,880

face while he and his garbage peddling

1833

01:18:57,830 --> 01:18:54,960

employers keep making more and more

1834

01:18:59,750 --> 01:18:57,840

money peddling all this fake [h__h] trying

1835

01:19:01,830 --> 01:18:59,760

to discredit their critics is what they

1836

01:19:03,669 --> 01:19:01,840

do they've done it before and they're

1837

01:19:07,510 --> 01:19:03,679

gonna do it again

1838

01:19:08,950 --> 01:19:07,520

so no uh and and you know listen this is

1839

01:19:12,390 --> 01:19:08,960

absolutely

1840

01:19:14,709 --> 01:19:12,400

uh manipulation of of the audience this

1841

01:19:16,870 --> 01:19:14,719

is click bait garbage but you know what

1842

01:19:19,270 --> 01:19:16,880

he learned it from the best how do you

1843

01:19:20,149 --> 01:19:19,280

click bait how do you force manipulate

1844

01:19:24,149 --> 01:19:20,159

people

1845

01:19:25,510 --> 01:19:24,159

into uh into clicking on your video so

1846

01:19:27,350 --> 01:19:25,520

that you could get more views remember

1847

01:19:30,070 --> 01:19:27,360

he was busting my balls that i had lower

1848

01:19:32,790 --> 01:19:30,080

views than him i don't do [h__h] like this

1849

01:19:35,750 --> 01:19:32,800

and i've noticed he does this constantly

1850

01:19:37,430 --> 01:19:35,760

he tweaks the video he puts out one

1851

01:19:40,070 --> 01:19:37,440

you know title

1852

01:19:42,950 --> 01:19:40,080

this was the original title i believe

1853

01:19:45,430 --> 01:19:42,960

right watch goof on live uh or i'm sorry

1854

01:19:48,470 --> 01:19:45,440

review of skinwalker ranch

1855

01:19:51,350 --> 01:19:48,480

episode 4 ufo vortexes and then it says

1856

01:19:53,510 --> 01:19:51,360

line debunkers worse than hoaxers then

1857

01:19:55,669 --> 01:19:53,520

he changed it to say this

1858

01:19:58,790 --> 01:19:55,679

review of skinwalker ranch ufo boris

1859

01:20:00,149 --> 01:19:58,800

texas truth seekers is a hoaxter

1860

01:20:02,630 --> 01:20:00,159

that's what he did

1861

01:20:04,070 --> 01:20:02,640

he put that in his title and

1862

01:20:06,149 --> 01:20:04,080

i didn't tell him i was gonna strike his

1863

01:20:07,910 --> 01:20:06,159

channel but i did tell him that could be

1864

01:20:09,750 --> 01:20:07,920

another community guideline strike

1865

01:20:11,830 --> 01:20:09,760

putting that in your title

1866

01:20:13,910 --> 01:20:11,840

if you can't indeed prove that i ever

1867

01:20:16,229 --> 01:20:13,920

hoaxed anything and he can't

1868

01:20:18,870 --> 01:20:16,239

the closest he could come is to lie and

1869

01:20:21,430 --> 01:20:18,880

say that i hosted a hoaxer in the form

1870

01:20:22,950 --> 01:20:21,440

of anjali i stand by what we did with

1871

01:20:24,870 --> 01:20:22,960

anjali

1872

01:20:26,550 --> 01:20:24,880

we actually investigated her story and

1873

01:20:28,229 --> 01:20:26,560

it's largely because of me and a few

1874

01:20:30,629 --> 01:20:28,239

other researchers

1875

01:20:37,189 --> 01:20:30,639

that we know she faked

1876

01:20:39,750 --> 01:20:38,470

but

1877

01:20:44,149 --> 01:20:39,760

this

1878

01:20:46,629 --> 01:20:44,159

from rambling rich he's gonna do

1879

01:20:49,030 --> 01:20:46,639

anything he can to try to get people to

1880

01:20:50,709 --> 01:20:49,040

click on his videos because

1881

01:20:53,750 --> 01:20:50,719

he's an intellectual weakling and a

1882

01:20:55,830 --> 01:20:53,760

coward he can't argue with me with facts

1883

01:20:57,669 --> 01:20:55,840

and evidence and you know honestly i

1884

01:20:59,830 --> 01:20:57,679

feel sorry for him because he's not

1885

01:21:02,790 --> 01:20:59,840

smart enough to do this with me he's

1886

01:21:04,950 --> 01:21:02,800

just not smart enough to do this with me

1887

01:21:06,950 --> 01:21:04,960

but he's going to keep trying right keep

1888

01:21:08,629 --> 01:21:06,960

on trying rich

1889

01:21:11,510 --> 01:21:08,639

terrible thing to call somebody a hoaxer

1890

01:21:13,830 --> 01:21:11,520

with no evidence or no proof why because

1891

01:21:16,149 --> 01:21:13,840

i called his employers hoaxers with

1892

01:21:20,390 --> 01:21:16,159

evidence and with proof

1893

01:21:24,149 --> 01:21:22,149

all right number seven

1894

01:21:25,669 --> 01:21:24,159

he lied and said i did a terrible job of

1895

01:21:28,229 --> 01:21:25,679

interviewing richard doughty because i

1896

01:21:30,629 --> 01:21:28,239

didn't ask about the benowitz case again

1897

01:21:32,310 --> 01:21:30,639

a bold-faced lie because he cited uh

1898

01:21:33,750 --> 01:21:32,320

sometime that richard doty just popped

1899

01:21:35,910 --> 01:21:33,760

on for a few minutes with a friend of

1900

01:21:38,550 --> 01:21:35,920

mine eric the awakening man and that was

1901
01:21:40,390 --> 01:21:38,560
after our first interview conveniently

1902
01:21:42,310 --> 01:21:40,400
he left out when he was talking [\h__\h] on

1903
01:21:44,229 --> 01:21:42,320
me or forgot to tell everybody that

1904
01:21:46,550 --> 01:21:44,239
while he was talking [\h__\h] on me that in

1905
01:21:47,750 --> 01:21:46,560
my original interview with dodie and by

1906
01:21:49,430 --> 01:21:47,760
the way that's in the description of

1907
01:21:51,910 --> 01:21:49,440
this video if you want to listen to that

1908
01:21:54,149 --> 01:21:51,920
you can clearly see that i asked many

1909
01:21:56,470 --> 01:21:54,159
questions about that whole event so he

1910
01:21:59,030 --> 01:21:56,480
lied to everyone again or at least

1911
01:22:01,350 --> 01:21:59,040
attempted to alter history and facts to

1912
01:22:03,189 --> 01:22:01,360
fit his narrative what's his narrative

1913
01:22:05,669 --> 01:22:03,199

i'm a bad researcher i'm a bad

1914

01:22:07,270 --> 01:22:05,679

investigator i'm the bad guy here for

1915

01:22:09,750 --> 01:22:07,280

pointing out that his buddies third

1916

01:22:11,830 --> 01:22:09,760

phase are constantly faking [h__h]

1917

01:22:14,790 --> 01:22:11,840

number eight he lied and claimed i

1918

01:22:17,189 --> 01:22:14,800

hosted on julie who was a hoaxer wrong i

1919

01:22:19,590 --> 01:22:17,199

did host her i investigated her and with

1920

01:22:21,510 --> 01:22:19,600

the help of some other researchers i got

1921

01:22:23,590 --> 01:22:21,520

that interview and proved that she was

1922

01:22:26,149 --> 01:22:23,600

lying about most of her entire

1923

01:22:28,070 --> 01:22:26,159

experience and her original story was

1924

01:22:30,629 --> 01:22:28,080

filled with lies embellishments

1925

01:22:32,709 --> 01:22:30,639

inaccuracies and fabrications that was

1926

01:22:34,629 --> 01:22:32,719

good work he has no work like that

1927

01:22:37,189 --> 01:22:34,639

because he doesn't investigate anything

1928

01:22:40,149 --> 01:22:37,199

all he does is [h__\h] talk other people

1929

01:22:41,430 --> 01:22:40,159

and talk over everyone else's actual

1930

01:22:43,510 --> 01:22:41,440

work why

1931

01:22:46,870 --> 01:22:43,520

because he's rambling rich and he has no

1932

01:22:49,510 --> 01:22:46,880

investigations of his own to share none

1933

01:22:52,550 --> 01:22:49,520

number nine he lied and made excuses for

1934

01:22:55,270 --> 01:22:52,560

them pretending to be in an entirely

1935

01:22:57,510 --> 01:22:55,280

other country third phase he lied and

1936

01:22:59,750 --> 01:22:57,520

said a guy who faked terminal cancer was

1937

01:23:01,990 --> 01:22:59,760

suddenly credible after he first put him

1938

01:23:04,229 --> 01:23:02,000

on blast when he previously trashed that

1939

01:23:06,790 --> 01:23:04,239

guy you know that was before third phase

1940

01:23:08,790 --> 01:23:06,800

started making money off of a probable

1941

01:23:11,590 --> 01:23:08,800

criminal and drug addict

1942

01:23:14,629 --> 01:23:11,600

he lied to make excuses for the tr3

1943

01:23:17,990 --> 01:23:14,639

3b video and hey i'm sure he's gonna lie

1944

01:23:20,149 --> 01:23:18,000

and make excuses for third phase for the

1945

01:23:23,110 --> 01:23:20,159

three fake stories we've shown that

1946

01:23:25,750 --> 01:23:23,120

they've pushed tonight

1947

01:23:27,910 --> 01:23:25,760

um number 10 he lied and said if i had

1948

01:23:30,550 --> 01:23:27,920

been hoaxing anything these past few

1949

01:23:32,790 --> 01:23:30,560

years he wouldn't associate with them

1950

01:23:35,110 --> 01:23:32,800

he stood there on a webcam and a

1951

01:23:36,870 --> 01:23:35,120

microphone and he said if third phase

1952

01:23:39,590 --> 01:23:36,880

have been hoaxing anything these past

1953

01:23:42,310 --> 01:23:39,600

few years i wouldn't associate with them

1954

01:23:44,310 --> 01:23:42,320

now we're going to see the excuses come

1955

01:23:46,310 --> 01:23:44,320

we're going to see play with words well

1956

01:23:48,070 --> 01:23:46,320

is it really a hoax what they did or was

1957

01:23:50,310 --> 01:23:48,080

it just a mistake and they're sorry they

1958

01:23:51,590 --> 01:23:50,320

made a mistake

1959

01:23:53,750 --> 01:23:51,600

next

1960

01:23:55,510 --> 01:23:53,760

he lied this is the most important part

1961

01:23:57,189 --> 01:23:55,520

of this whole thing

1962

01:24:00,629 --> 01:23:57,199

this disagreement between the two of us

1963

01:24:03,350 --> 01:24:00,639

he lied and said i started this and no

1964

01:24:05,030 --> 01:24:03,360

the timeline is very clear rich you lied

1965

01:24:07,030 --> 01:24:05,040

to make things fit your narrative and

1966

01:24:09,030 --> 01:24:07,040

gain sympathy like i started this

1967

01:24:10,870 --> 01:24:09,040

disagreement between the two of us i

1968

01:24:12,550 --> 01:24:10,880

didn't start any disagreement between

1969

01:24:13,350 --> 01:24:12,560

the two of us i

1970

01:24:15,110 --> 01:24:13,360

know

1971

01:24:17,590 --> 01:24:15,120

i had an argument with third phase of

1972

01:24:19,590 --> 01:24:17,600

moon aliens on alien scientist channel

1973

01:24:21,270 --> 01:24:19,600

you weren't even there and to the best

1974

01:24:23,910 --> 01:24:21,280

of my recollection i didn't even mention

1975

01:24:26,629 --> 01:24:23,920

you that was an argument between me and

1976

01:24:29,830 --> 01:24:26,639

third phase of moon not you that was may

1977

01:24:31,830 --> 01:24:29,840

19th on may 22nd and may 23rd on your

1978

01:24:33,189 --> 01:24:31,840

show you put me on blast making up all

1979

01:24:35,110 --> 01:24:33,199

kinds of [h__\h]

1980

01:24:37,910 --> 01:24:35,120

and making all kinds of excuses for

1981

01:24:40,229 --> 01:24:37,920

third phase and blaming me

1982

01:24:43,430 --> 01:24:40,239

your cavalcade of lies really did begin

1983

01:24:45,189 --> 01:24:43,440

there rich and i i had no i i had an

1984

01:24:47,510 --> 01:24:45,199

argument or disagreement with third

1985

01:24:50,390 --> 01:24:47,520

phase may 19th the timeline is very

1986

01:24:53,669 --> 01:24:50,400

clear you chose to get involved and put

1987

01:24:55,350 --> 01:24:53,679

me on blast several days later you chose

1988

01:24:56,550 --> 01:24:55,360

to start this disagreement between the

1989

01:24:59,430 --> 01:24:56,560

two of us

1990

01:25:01,350 --> 01:24:59,440

before that i would tell him to his face

1991

01:25:02,870 --> 01:25:01,360

i think you're doing more good harm than

1992

01:25:03,990 --> 01:25:02,880

good to yourself being involved with

1993

01:25:06,310 --> 01:25:04,000

these people

1994

01:25:08,229 --> 01:25:06,320

uh but you know i did try to pull

1995

01:25:11,350 --> 01:25:08,239

punches and not be

1996

01:25:13,110 --> 01:25:11,360

you know nasty about it publicly to him

1997

01:25:15,590 --> 01:25:13,120

because i i figured he must really need

1998

01:25:17,830 --> 01:25:15,600

the money to get involved with these

1999

01:25:20,310 --> 01:25:17,840

with these third phase clowns and let

2000

01:25:22,470 --> 01:25:20,320

them become his puppet overlords

2001

01:25:25,189 --> 01:25:22,480

you didn't have to put me on blast rich

2002

01:25:27,430 --> 01:25:25,199

you chose to do that so no rich you

2003

01:25:29,910 --> 01:25:27,440

started this disagreement between us it

2004

01:25:32,629 --> 01:25:29,920

wasn't me my disagreement was with third

2005

01:25:38,790 --> 01:25:32,639

phase on may 19th and on

2006

01:25:42,790 --> 01:25:40,709

you attempted to paint me as the bad guy

2007

01:25:45,030 --> 01:25:42,800

simply for pointing out the third phase

2008

01:25:48,229 --> 01:25:45,040

pedals garbage fake information

2009

01:25:49,590 --> 01:25:48,239

misinformation hoaxes and ufo fairy

2010

01:25:51,030 --> 01:25:49,600

tales

2011

01:25:53,270 --> 01:25:51,040

and that's where we're at and that's

2012

01:25:54,390 --> 01:25:53,280

where i find myself friends

2013

01:25:57,590 --> 01:25:54,400

so

2014

01:25:58,950 --> 01:25:57,600

uh i apologize if i missed any uh of the

2015

01:26:01,430 --> 01:25:58,960

super chats we'll check in with the

2016

01:26:03,590 --> 01:26:01,440

super chats and the paypal donators

2017

01:26:05,189 --> 01:26:03,600

and you know look it's it's it's

2018

01:26:07,510 --> 01:26:05,199

unfortunate that this had to happen but

2019

01:26:09,830 --> 01:26:07,520

he chose this path by putting me on

2020

01:26:12,550 --> 01:26:09,840

blast by this by defending his puppet

2021

01:26:14,070 --> 01:26:12,560

overlords those are his employers he's

2022

01:26:16,229 --> 01:26:14,080

going to defend them no matter what

2023

01:26:17,990 --> 01:26:16,239

remember what i predicted now we've got

2024

01:26:20,550 --> 01:26:18,000

three or four more examples of them

2025

01:26:23,350 --> 01:26:20,560

peddling fake garbage stories what's he

2026

01:26:25,510 --> 01:26:23,360

going to do probably wait to get his

2027

01:26:27,830 --> 01:26:25,520

talking points for how to explain each

2028

01:26:30,550 --> 01:26:27,840

one whatever third phase says like

2029

01:26:35,270 --> 01:26:30,560

here's the excuses for this fake story

2030

01:26:38,149 --> 01:26:35,280

that's a hell i wouldn't wish on anybody

2031

01:26:40,870 --> 01:26:38,159

good luck climbing out of this [h__\h]

2032

01:26:41,990 --> 01:26:40,880

that you create it for yourself

2033

01:26:43,510 --> 01:26:42,000

right

2034

01:26:45,669 --> 01:26:43,520

that's where we're at

2035

01:26:48,310 --> 01:26:45,679

all right

2036

01:26:50,070 --> 01:26:48,320

one second here let me check in uh and

2037

01:26:51,750 --> 01:26:50,080

we'll check in with the live chat

2038

01:26:54,709 --> 01:26:51,760

questions or comments for me please put

2039

01:26:58,229 --> 01:26:54,719

them in all capital letters

2040

01:27:01,830 --> 01:26:59,830

oh wow that's very nice of you you

2041

01:27:03,590 --> 01:27:01,840

didn't have to do that so uh we have

2042

01:27:05,750 --> 01:27:03,600

astro citizens who was here in the live

2043

01:27:07,830 --> 01:27:05,760

chat with a kind and generous 10 10 euro

2044

01:27:09,830 --> 01:27:07,840

he says you never walk alone happy

2045

01:27:11,110 --> 01:27:09,840

birthday steve yeah let's talk off air

2046

01:27:12,870 --> 01:27:11,120

i'd like to have you here as a guest

2047

01:27:14,390 --> 01:27:12,880

i'll come on your show as a guest

2048

01:27:16,950 --> 01:27:14,400

whatever we have to do

2049

01:27:19,350 --> 01:27:16,960

uh but i really appreciate what you did

2050

01:27:22,070 --> 01:27:19,360

i think that that was very fact-based

2051
01:27:24,310 --> 01:27:22,080
and evidence-based

2052
01:27:25,990 --> 01:27:24,320
well yeah we'll see

2053
01:27:27,990 --> 01:27:26,000
rich from goof on is a low life is

2054
01:27:30,310 --> 01:27:28,000
inexcusable to have inferred that about

2055
01:27:32,390 --> 01:27:30,320
truth seekers simply disgusting yeah and

2056
01:27:34,229 --> 01:27:32,400
he would rather you forget it but i'm

2057
01:27:35,590 --> 01:27:34,239
not gonna let him forget it i'm not

2058
01:27:38,390 --> 01:27:35,600
gonna let him forget it just so

2059
01:27:40,390 --> 01:27:38,400
everybody understands i have a wife i

2060
01:27:43,110 --> 01:27:40,400
have children i'm an upstanding member

2061
01:27:45,430 --> 01:27:43,120
of the community i have neighbors i have

2062
01:27:47,350 --> 01:27:45,440
family some of which are into conspiracy

2063
01:27:49,270 --> 01:27:47,360

land and may hear this [h__h]

2064

01:27:51,830 --> 01:27:49,280

i and i volunteer for children's

2065

01:27:54,149 --> 01:27:51,840

charities and i believe he knew all of

2066

01:27:57,110 --> 01:27:54,159

this he knew all of this when he made

2067

01:27:59,750 --> 01:27:57,120

this comment let's play it one more time

2068

01:28:05,510 --> 01:28:02,310

you could be friends uh stephen with a

2069

01:28:13,590 --> 01:28:07,030

you know

2070

01:28:13,600 --> 01:28:16,790

maybe it does

2071

01:28:21,270 --> 01:28:19,030

you see the malice and the anger in his

2072

01:28:23,110 --> 01:28:21,280

face right there honestly when i saw

2073

01:28:25,189 --> 01:28:23,120

that i was like there it is right there

2074

01:28:28,629 --> 01:28:25,199

that's rich from goof on falling to the

2075

01:28:31,510 --> 01:28:28,639

dark side right there right now

2076

01:28:33,750 --> 01:28:31,520

uh that wasn't him using some example

2077

01:28:36,870 --> 01:28:33,760

and by the way you know could have used

2078

01:28:39,110 --> 01:28:36,880

any other example in the world you know

2079

01:28:41,669 --> 01:28:39,120

i could be a thief i could be a

2080

01:28:43,590 --> 01:28:41,679

you know i don't know

2081

01:28:45,990 --> 01:28:43,600

i could be a murderer even would be

2082

01:28:47,110 --> 01:28:46,000

better than the example that he used

2083

01:28:52,070 --> 01:28:47,120

right

2084

01:28:58,229 --> 01:28:56,070

he calls me to the dark side i know

2085

01:29:00,070 --> 01:28:58,239

they try to recruit me and i said no

2086

01:29:02,390 --> 01:29:00,080

because i did not want to lose

2087

01:29:04,629 --> 01:29:02,400

my uh

2088

01:29:07,189 --> 01:29:04,639

objectivity i did not want to lose my

2089

01:29:08,629 --> 01:29:07,199

objectivity i did not want to

2090

01:29:11,030 --> 01:29:08,639

uh suddenly

2091

01:29:12,229 --> 01:29:11,040

start having to defend uh third phase of

2092

01:29:13,669 --> 01:29:12,239

moon because they're giving me a little

2093

01:29:16,870 --> 01:29:13,679

bit of money or a little bit of

2094

01:29:18,950 --> 01:29:16,880

subscribers or a little bit of uh views

2095

01:29:25,510 --> 01:29:18,960

or whatever to me it's not worth

2096

01:29:28,870 --> 01:29:27,270

ghost rider says i stopped watching goof

2097

01:29:31,430 --> 01:29:28,880

on when he was core belling the google

2098

01:29:33,189 --> 01:29:31,440

maps nonsense with the kyle guy yeah and

2099

01:29:35,990 --> 01:29:33,199

let's remember that that kyle guy was

2100

01:29:38,070 --> 01:29:36,000

the devil he was a low-life scumball

2101

01:29:39,750 --> 01:29:38,080

rich it put him on blast he was a

2102

01:29:41,590 --> 01:29:39,760

low-life scumball that faked terminal

2103

01:29:43,750 --> 01:29:41,600

cancer all of a sudden when there's a

2104

01:29:45,830 --> 01:29:43,760

story that rich and third phase could

2105

01:29:48,310 --> 01:29:45,840

make money from suddenly that guy was a

2106

01:29:50,470 --> 01:29:48,320

good guy again isn't that convenient

2107

01:29:52,229 --> 01:29:50,480

talk about manipulation and you know

2108

01:29:55,110 --> 01:29:52,239

what i'm over all this i'm kind of

2109

01:29:57,669 --> 01:29:55,120

laughing about it now it's my birthday

2110

01:29:59,189 --> 01:29:57,679

i'm feeling good i'm looking good i'm

2111

01:30:02,470 --> 01:29:59,199

smelling good

2112

01:30:04,390 --> 01:30:02,480

uh today i ate real good my wife uh got

2113

01:30:06,870 --> 01:30:04,400

me a cheesecake the kids had cheesecake

2114

01:30:10,070 --> 01:30:06,880

and cupcakes we had a really nice time

2115

01:30:11,830 --> 01:30:10,080

and uh you know i'm sort of beyond being

2116

01:30:14,229 --> 01:30:11,840

pissed off about all this because i'm

2117

01:30:16,470 --> 01:30:14,239

laughing at this and the hole that this

2118

01:30:17,350 --> 01:30:16,480

dumbass dug for himself

2119

01:30:20,709 --> 01:30:17,360

because

2120

01:30:22,550 --> 01:30:20,719

uh ask anybody that knows me like i will

2121

01:30:24,709 --> 01:30:22,560

go to the ends of the earth to help my

2122

01:30:27,189 --> 01:30:24,719

friends i really will

2123

01:30:27,990 --> 01:30:27,199

but once you burn me especially like

2124

01:30:30,790 --> 01:30:28,000

that

2125

01:30:32,550 --> 01:30:30,800

holy [h__\h] i will cut you out of my life

2126
01:30:33,750 --> 01:30:32,560
like a cancer

2127
01:30:35,350 --> 01:30:33,760
and

2128
01:30:37,430 --> 01:30:35,360
really

2129
01:30:39,270 --> 01:30:37,440
it's you know i always say this i

2130
01:30:40,790 --> 01:30:39,280
sometimes i'm quick to anger but quick

2131
01:30:42,950 --> 01:30:40,800
to forgive

2132
01:30:45,590 --> 01:30:42,960
uh

2133
01:30:48,229 --> 01:30:45,600
yeah astral citizens yeah and so same

2134
01:30:50,790 --> 01:30:48,239
for lionsgate i used lionsgate

2135
01:30:53,430 --> 01:30:50,800
information when i ran a story on my

2136
01:30:55,110 --> 01:30:53,440
channel here about the cancer hoaxer

2137
01:30:56,950 --> 01:30:55,120
and it turns out that the story gets

2138
01:30:58,390 --> 01:30:56,960

even worse because some people are in

2139

01:31:00,470 --> 01:30:58,400

possession of

2140

01:31:03,830 --> 01:31:00,480

uh letters from his girlfriend talking

2141

01:31:05,590 --> 01:31:03,840

about how he is a mess and doing heroin

2142

01:31:07,350 --> 01:31:05,600

and can't take care of their child and

2143

01:31:09,750 --> 01:31:07,360

she has to work all day and all he does

2144

01:31:12,550 --> 01:31:09,760

is do heroin and all this stuff it's

2145

01:31:14,149 --> 01:31:12,560

it's a terribly sad story um you know i

2146

01:31:16,470 --> 01:31:14,159

could share those but i thought that's a

2147

01:31:19,030 --> 01:31:16,480

sad enough story i don't want to pile on

2148

01:31:23,830 --> 01:31:21,669

yeah jerry says there's

2149

01:31:26,470 --> 01:31:23,840

showed himself badly on that one no no

2150

01:31:28,709 --> 01:31:26,480

coming back from that one yeah and then

2151
01:31:31,430 --> 01:31:28,719
listen after all this [\h__\h] talk and he

2152
01:31:33,669 --> 01:31:31,440
did sort of sideways apologize you're

2153
01:31:35,030 --> 01:31:33,679
going to tell 10 or more lies about me

2154
01:31:36,870 --> 01:31:35,040
and then

2155
01:31:39,110 --> 01:31:36,880
you know go oh you know but i'm really

2156
01:31:41,830 --> 01:31:39,120
sorry that this happened i apologize to

2157
01:31:42,870 --> 01:31:41,840
him after you lied like hell and talked

2158
01:31:45,830 --> 01:31:42,880
all this [\h__\h] you think you're just

2159
01:31:48,470 --> 01:31:45,840
going gonna apologize and get get away

2160
01:31:50,550 --> 01:31:48,480
like you just gotta scurry off right you

2161
01:31:53,030 --> 01:31:50,560
just gotta weasel off after you said all

2162
01:31:55,350 --> 01:31:53,040
that [\h__\h] lied ten times and made me the

2163
01:31:57,430 --> 01:31:55,360

bad guy telling everybody i started this

2164

01:31:58,790 --> 01:31:57,440

[h__h] i didn't start nothing i start well

2165

01:31:59,750 --> 01:31:58,800

i did start the argument with third

2166

01:32:02,709 --> 01:31:59,760

phase

2167

01:32:06,870 --> 01:32:04,870

yeah astral citizen says the moment they

2168

01:32:08,790 --> 01:32:06,880

exposed him my cousin died of cancer and

2169

01:32:10,709 --> 01:32:08,800

they mocked me for that that's terrible

2170

01:32:13,430 --> 01:32:10,719

yeah i lost several family members to

2171

01:32:15,189 --> 01:32:13,440

cancer so i feel for you heathcliff what

2172

01:32:18,149 --> 01:32:15,199

a cool name too heathcliff i've never

2173

01:32:26,709 --> 01:32:18,159

had i've in the united states look up

2174

01:32:30,390 --> 01:32:28,790

i mean i know it's a real name but

2175

01:32:32,629 --> 01:32:30,400

i've never known anybody that was

2176
01:32:39,430 --> 01:32:32,639
actually named that it's a it's a great

2177
01:32:42,470 --> 01:32:41,030
the sixth sense

2178
01:32:44,470 --> 01:32:42,480
people that do

2179
01:32:46,629 --> 01:32:44,480
are only out for one thing

2180
01:32:48,070 --> 01:32:46,639
to destroy someone ventral

2181
01:32:50,470 --> 01:32:48,080
and then he played it off like he didn't

2182
01:32:52,870 --> 01:32:50,480
intend it yet right he totally did no i

2183
01:32:55,189 --> 01:32:52,880
think that was intentional

2184
01:32:57,430 --> 01:32:55,199
i think that was entirely intentional to

2185
01:32:58,310 --> 01:32:57,440
throw mud on me

2186
01:33:01,350 --> 01:32:58,320
yeah

2187
01:33:03,510 --> 01:33:01,360
heathcliff was another cat a cartoon cat

2188
01:33:05,750 --> 01:33:03,520

like garfield i think garfield was much

2189

01:33:07,750 --> 01:33:05,760

more popular but heathcliff was

2190

01:33:12,070 --> 01:33:07,760

in the sunday comics every every day

2191

01:33:12,080 --> 01:33:16,550

lord ludacris welcoming solar marshall

2192

01:33:24,709 --> 01:33:18,070

so any comments or questions for me

2193

01:33:28,629 --> 01:33:26,790

yeah he he said it was a bad choice of

2194

01:33:29,830 --> 01:33:28,639

words but he could have used a thousand

2195

01:33:31,430 --> 01:33:29,840

other words

2196

01:33:33,910 --> 01:33:31,440

and knowing that i have a wife and

2197

01:33:36,149 --> 01:33:33,920

children and using that as an example

2198

01:33:37,669 --> 01:33:36,159

and again we they have a history of that

2199

01:33:38,950 --> 01:33:37,679

the third phase of moon apparently

2200

01:33:40,790 --> 01:33:38,960

called another of their critics a

2201

01:33:42,790 --> 01:33:40,800

pedophile so i think that's in the

2202

01:33:44,709 --> 01:33:42,800

playbook that's what i think and that's

2203

01:33:46,229 --> 01:33:44,719

my opinion that's my speculation i'm

2204

01:33:47,270 --> 01:33:46,239

entitled to my opinion about what

2205

01:33:48,310 --> 01:33:47,280

happened

2206

01:33:50,310 --> 01:33:48,320

um

2207

01:33:53,030 --> 01:33:50,320

i'm sorry to hear that john p adventures

2208

01:33:55,350 --> 01:33:53,040

um says his father died of cancer yeah

2209

01:33:58,229 --> 01:33:55,360

my grandfather died of lung cancer

2210

01:34:00,149 --> 01:33:58,239

and mark toronto yeah many many cancer

2211

01:34:02,390 --> 01:34:00,159

many many people are affected by cancer

2212

01:34:04,709 --> 01:34:02,400

so for somebody to fake terminal cancer

2213

01:34:13,750 --> 01:34:04,719

and make some money that is just low

2214

01:34:17,910 --> 01:34:15,910

i like this hoax team 10 left at three

2215

01:34:19,669 --> 01:34:17,920

hoaxes by noon when they offered him a

2216

01:34:24,550 --> 01:34:19,679

job

2217

01:34:27,510 --> 01:34:25,910

yeah so uh

2218

01:34:29,030 --> 01:34:27,520

it's been a long day friends we're gonna

2219

01:34:29,990 --> 01:34:29,040

bounce on out of here and what i'm gonna

2220

01:34:32,790 --> 01:34:30,000

do is

2221

01:34:34,390 --> 01:34:32,800

uh tomorrow night we uh have an an

2222

01:34:36,550 --> 01:34:34,400

interview scheduled

2223

01:34:37,590 --> 01:34:36,560

at 9 00 p.m eastern time by the way my

2224

01:34:39,350 --> 01:34:37,600

children are going to be out of school

2225

01:34:40,149 --> 01:34:39,360

and we may switch to an earlier time

2226

01:34:41,669 --> 01:34:40,159

soon

2227

01:34:43,669 --> 01:34:41,679

uh but for for right now we're going to

2228

01:34:48,950 --> 01:34:43,679

stay at the 9 pm

2229

01:34:53,109 --> 01:34:51,350

tomorrow night at 9 00 pm my friend from

2230

01:34:54,390 --> 01:34:53,119

across the pond we're going to be

2231

01:34:57,430 --> 01:34:54,400

speaking with

2232

01:34:59,430 --> 01:34:57,440

rich ufo tech uh and getting his

2233

01:35:01,109 --> 01:34:59,440

perspective uh being

2234

01:35:03,350 --> 01:35:01,119

you know from great britain

2235

01:35:06,709 --> 01:35:03,360

what i was surprised to hear that things

2236

01:35:08,550 --> 01:35:06,719

are so different there right

2237

01:35:10,470 --> 01:35:08,560

stephen he claimed just because you had

2238

01:35:12,390 --> 01:35:10,480

angelia on your show you automatically

2239

01:35:13,990 --> 01:35:12,400

supported her well wait he had fessler

2240

01:35:15,350 --> 01:35:14,000

on his show so what does that mean he is

2241

01:35:20,390 --> 01:35:15,360

a

2242

01:35:21,189 --> 01:35:20,400

trying to move on from this right

2243

01:35:22,790 --> 01:35:21,199

hey

2244

01:35:24,149 --> 01:35:22,800

solar marshall happy birthday steve i'm

2245

01:35:26,790 --> 01:35:24,159

with you all the way thank you i

2246

01:35:28,310 --> 01:35:26,800

appreciate your support solar marshall

2247

01:35:29,910 --> 01:35:28,320

yeah so we're going to bounce on out of

2248

01:35:32,629 --> 01:35:29,920

here if you're a patreon member you

2249

01:35:35,990 --> 01:35:32,639

should know that i have

2250

01:35:38,310 --> 01:35:36,000

the uh i'm going to do the the

2251
01:35:39,830 --> 01:35:38,320
monthly show journal for the patreon

2252
01:35:42,070 --> 01:35:39,840
supporters as soon as i end this

2253
01:35:44,629 --> 01:35:42,080
broadcast

2254
01:35:46,950 --> 01:35:44,639
robert redman says uh have a great rest

2255
01:35:48,709 --> 01:35:46,960
of your birthday yes i will i had a

2256
01:35:50,390 --> 01:35:48,719
great time with my children my son gave

2257
01:35:51,830 --> 01:35:50,400
me these sunglasses which i thought was

2258
01:35:53,750 --> 01:35:51,840
a very thoughtful gift because he knew

2259
01:35:55,830 --> 01:35:53,760
they were just like the ones

2260
01:35:57,590 --> 01:35:55,840
that i use these are the glasses that i

2261
01:35:59,590 --> 01:35:57,600
prefer some people call them amber

2262
01:36:00,550 --> 01:35:59,600
vision glasses

2263
01:36:04,950 --> 01:36:00,560

because

2264

01:36:08,470 --> 01:36:06,470

rich stole a saying of mine i was

2265

01:36:10,229 --> 01:36:08,480

posting everywhere for a video title and

2266

01:36:11,830 --> 01:36:10,239

it felt icky but i ain't run an answer

2267

01:36:13,510 --> 01:36:11,840

in bigger things and all yeah i hope

2268

01:36:15,510 --> 01:36:13,520

you're doing well

2269

01:36:17,430 --> 01:36:15,520

sometimes you just let things go but i

2270

01:36:20,310 --> 01:36:17,440

mean when somebody reaches the point of

2271

01:36:21,910 --> 01:36:20,320

10 lie they've got 10 or 12 lies about

2272

01:36:23,350 --> 01:36:21,920

you that they're pushing in the

2273

01:36:25,830 --> 01:36:23,360

narrative form

2274

01:36:29,830 --> 01:36:25,840

it's almost like this was manufactured

2275

01:36:32,470 --> 01:36:29,840

you know uh manufactured and a narrative

2276

01:36:33,510 --> 01:36:32,480

you know i'm the bad guy here i started

2277

01:36:35,669 --> 01:36:33,520

it all

2278

01:36:37,510 --> 01:36:35,679

he only said the pedo comment because i

2279

01:36:39,910 --> 01:36:37,520

said if he hangs out with hoaxers he

2280

01:36:41,830 --> 01:36:39,920

he's a hoaxer too and i never said that

2281

01:36:43,669 --> 01:36:41,840

that's a bad excuse for

2282

01:36:45,430 --> 01:36:43,679

using that pedo comment

2283

01:36:47,350 --> 01:36:45,440

you know

2284

01:36:49,750 --> 01:36:47,360

yeah robert it was sweet and thoughtful

2285

01:36:51,669 --> 01:36:49,760

of him his mom said that he insisted he

2286

01:36:55,590 --> 01:36:51,679

was so excited when he saw these

2287

01:37:01,430 --> 01:36:57,750

ventral can we get trixie on the show

2288

01:37:04,070 --> 01:37:01,440

absolutely actually we've got uh

2289

01:37:06,550 --> 01:37:04,080

we've got a ufo report from trixie but i

2290

01:37:08,790 --> 01:37:06,560

think you mean her as a guest so

2291

01:37:10,790 --> 01:37:08,800

yeah we'll do that but for right now

2292

01:37:13,590 --> 01:37:10,800

here's a ufo report from trixie just for

2293

01:37:16,470 --> 01:37:13,600

you this is an exclusive just coming in

2294

01:37:17,830 --> 01:37:16,480

from our ufo exclusive desk here at

2295

01:37:19,910 --> 01:37:17,840

truth seekers

2296

01:37:23,350 --> 01:37:19,920

suspicious lights have been spotted

2297

01:37:26,070 --> 01:37:23,360

above the white house and i need you all

2298

01:37:28,229 --> 01:37:26,080

to get out your telescopes and point

2299

01:37:30,550 --> 01:37:28,239

them in the direction of the white house

2300

01:37:32,830 --> 01:37:30,560

because i think you are going to see

2301

01:37:36,070 --> 01:37:32,840

something absolutely

2302

01:37:39,109 --> 01:37:36,080

incredible and totally real

2303

01:37:42,070 --> 01:37:39,119

that sounds like such a plausible story

2304

01:37:43,109 --> 01:37:42,080

that us untruth seekers have just got to

2305

01:37:47,430 --> 01:37:43,119

cover it

2306

01:37:51,669 --> 01:37:49,510

there's a ufo report from trixie just

2307

01:37:53,270 --> 01:37:51,679

for you

2308

01:37:54,470 --> 01:37:53,280

prank magic wishing me a happy birthday

2309

01:37:57,030 --> 01:37:54,480

yeah thanks everybody for all the

2310

01:38:00,070 --> 01:37:57,040

birthday wishes i had another great i

2311

01:38:01,910 --> 01:38:00,080

had another great birthday uh i survived

2312

01:38:04,070 --> 01:38:01,920

above ground for another year that's

2313

01:38:06,070 --> 01:38:04,080

always reason to celebrate especially

2314

01:38:07,750 --> 01:38:06,080

because i had a life-threatening illness

2315

01:38:09,350 --> 01:38:07,760

not long ago that some of you may know

2316

01:38:11,669 --> 01:38:09,360

caused the

2317

01:38:15,990 --> 01:38:11,679

paralysis in one of my eyes

2318

01:38:21,109 --> 01:38:18,709

interestingly i had to explain to my son

2319

01:38:23,590 --> 01:38:21,119

that what was going on with my eye he

2320

01:38:24,950 --> 01:38:23,600

finally realized that one of my eyes was

2321

01:38:26,629 --> 01:38:24,960

not quite right

2322

01:38:28,870 --> 01:38:26,639

but he took it very well you know i just

2323

01:38:30,310 --> 01:38:28,880

said hey some people have

2324

01:38:32,229 --> 01:38:30,320

some people have things that are not the

2325

01:38:35,669 --> 01:38:32,239

same um

2326

01:38:39,189 --> 01:38:35,679

also today my son started trying to fly

2327

01:38:40,709 --> 01:38:39,199

drones which was exciting uh

2328

01:38:42,149 --> 01:38:40,719

robert redman with a kind of generous

2329

01:38:43,910 --> 01:38:42,159

two dollar super sticker thank you for

2330

01:38:45,350 --> 01:38:43,920

your kindness your generosity and your

2331

01:38:47,750 --> 01:38:45,360

support of the show

2332

01:38:51,030 --> 01:38:47,760

uh much much appreciated praise the cash

2333

01:38:54,470 --> 01:38:51,040

friend this is trixie from truth seekers

2334

01:38:58,229 --> 01:38:54,480

thanking you for your generosity

2335

01:39:00,629 --> 01:38:58,239

i'm gonna praise the cash so hard i'm

2336

01:39:05,510 --> 01:39:00,639

gonna teleport myself

2337

01:39:06,709 --> 01:39:05,520

on board a sexy tic tac ufo

2338

01:39:16,950 --> 01:39:06,719

thank you

2339

01:39:19,270 --> 01:39:16,960

know that um

2340

01:39:21,750 --> 01:39:19,280

there will be new episodes of ufo's got

2341

01:39:24,390 --> 01:39:21,760

talent and robert remin says praise the

2342

01:39:26,310 --> 01:39:24,400

cash yes absolutely wes with uh birthday

2343

01:39:28,149 --> 01:39:26,320

wishes thank you all i got so many

2344

01:39:30,629 --> 01:39:28,159

birthday wishes today

2345

01:39:33,189 --> 01:39:30,639

especially on facebook um it was just

2346

01:39:35,510 --> 01:39:33,199

all day long notifications i turned my

2347

01:39:38,149 --> 01:39:35,520

phone off with the notifications because

2348

01:39:41,430 --> 01:39:39,189

all day

2349

01:39:42,950 --> 01:39:41,440

but uh

2350

01:39:44,310 --> 01:39:42,960

cloudy with a chance of ufos happy

2351

01:39:46,310 --> 01:39:44,320

birthday stephen

2352

01:39:49,590 --> 01:39:46,320

very kind of you

2353

01:39:51,510 --> 01:39:49,600

i had a uh just a wonderful birthday

2354

01:39:53,669 --> 01:39:51,520

i'm very blessed with uh two beautiful

2355

01:39:55,750 --> 01:39:53,679

children and a beautiful wife she uh got

2356

01:39:56,550 --> 01:39:55,760

me a card and some gifts with the boys

2357

01:39:59,990 --> 01:39:56,560

and

2358

01:40:03,750 --> 01:40:01,750

it's kind of relaxing we just had dinner

2359

01:40:05,350 --> 01:40:03,760

and you know cheesecake and some

2360

01:40:07,270 --> 01:40:05,360

cupcakes for the boys you gotta have

2361

01:40:09,189 --> 01:40:07,280

both they'll eat the cheesecake and the

2362

01:40:10,870 --> 01:40:09,199

cupcakes i'm not a cupcake guy i've

2363

01:40:12,709 --> 01:40:10,880

never liked like regular like birthday

2364

01:40:14,229 --> 01:40:12,719

cake so every year my wife gets a

2365

01:40:15,830 --> 01:40:14,239

cheesecake for me because that's my

2366

01:40:20,229 --> 01:40:15,840

favorite thing that's my favorite

2367

01:40:24,149 --> 01:40:22,310

yeah and sixth sense recognizing special

2368

01:40:26,229 --> 01:40:24,159

thanks to asheville citizens debunking

2369

01:40:28,790 --> 01:40:26,239

random internet ufo videos actual

2370

01:40:29,910 --> 01:40:28,800

citizens youtube channel is here and we

2371

01:40:33,350 --> 01:40:29,920

put it

2372

01:40:37,350 --> 01:40:33,360

uh we put the video in the description

2373

01:40:42,229 --> 01:40:40,229

so go on over there and subscribe

2374

01:40:44,709 --> 01:40:42,239

if you want to get people that will give

2375

01:40:46,550 --> 01:40:44,719

you real facts real evidence and not

2376

01:40:49,270 --> 01:40:46,560

garbage ghostwriters happy birthday

2377

01:40:52,550 --> 01:40:50,950

yeah jumpy adventures have a relaxing

2378

01:40:55,510 --> 01:40:52,560

time you deserve some holiday well my

2379

01:40:57,750 --> 01:40:55,520

wife also got me a birthday six pack

2380

01:41:00,390 --> 01:40:57,760

of uh one of my favorite beers is just

2381

01:41:01,750 --> 01:41:00,400

sam adams boston lager that's the only

2382

01:41:03,350 --> 01:41:01,760

beer that i ever buy that you need a

2383

01:41:05,750 --> 01:41:03,360

bottle opener for and i couldn't find

2384

01:41:07,910 --> 01:41:05,760

one she found that too so i've got a six

2385

01:41:10,070 --> 01:41:07,920

pack wait for me i'm gonna make the

2386

01:41:11,830 --> 01:41:10,080

patreon uh

2387

01:41:15,510 --> 01:41:11,840

the patreon video

2388

01:41:18,070 --> 01:41:15,520

and uh we're gonna roll on out of may uh

2389

01:41:20,470 --> 01:41:18,080

already in june here i can't believe it

2390

01:41:22,790 --> 01:41:20,480

i've got just a few more weekends to get

2391

01:41:25,350 --> 01:41:22,800

the cabin ready before we're uh there

2392

01:41:27,350 --> 01:41:25,360

every weekend so i'm racing with that

2393

01:41:30,229 --> 01:41:27,360

you know that's another thing uh

2394

01:41:32,390 --> 01:41:30,239

uh tell us about your birthday cake uh

2395

01:41:35,910 --> 01:41:32,400

it wasn't it was cheesecake

2396

01:41:36,709 --> 01:41:35,920

uh like a variety cheesecake you know

2397

01:41:38,070 --> 01:41:36,719

uh

2398

01:41:39,109 --> 01:41:38,080

it's one of those cheesecakes i don't

2399

01:41:40,950 --> 01:41:39,119

know if they have where you're at but

2400

01:41:42,870 --> 01:41:40,960

where we're at you get this big

2401

01:41:44,950 --> 01:41:42,880

cheesecake and it's got like

2402

01:41:46,870 --> 01:41:44,960

a couple of slices of cherry cheesecake

2403

01:41:48,629 --> 01:41:46,880

a couple of slices of chocolate

2404

01:41:50,070 --> 01:41:48,639

cheesecake a couple of slices of some

2405

01:41:52,310 --> 01:41:50,080

other kind of cheesecake and it's all in

2406

01:41:53,830 --> 01:41:52,320

one thing so everybody can

2407

01:41:56,310 --> 01:41:53,840

have whatever kind of cheesecake they

2408

01:41:58,709 --> 01:41:56,320

like it's my favorite i had a fight with

2409

01:42:04,550 --> 01:41:58,719

my son over this the cherry cheesecake

2410

01:42:10,070 --> 01:42:07,109

ah yeah that is it's it's

2411

01:42:15,270 --> 01:42:10,080

it's really loaded right try dutch yeah

2412

01:42:19,510 --> 01:42:17,189

jason says i've seen his bad side for a

2413

01:42:21,350 --> 01:42:19,520

long time it comes off in little things

2414

01:42:23,750 --> 01:42:21,360

he says all the time

2415

01:42:25,750 --> 01:42:23,760

well you know best of luck to him but

2416

01:42:26,629 --> 01:42:25,760

he's lost any support that he once had

2417

01:42:28,470 --> 01:42:26,639

from me

2418

01:42:30,149 --> 01:42:28,480

and and you know i'm kind of glad though

2419

01:42:32,470 --> 01:42:30,159

because i'm happy now i don't have to

2420

01:42:34,470 --> 01:42:32,480

make he's got to make excuses for third

2421

01:42:36,550 --> 01:42:34,480

phase of moon and there was a time there

2422

01:42:38,950 --> 01:42:36,560

that i had to make excuses for him

2423

01:42:41,350 --> 01:42:38,960

making excuses for third phase of moon

2424

01:42:48,070 --> 01:42:41,360

to keep whatever kind of peace

2425

01:42:51,750 --> 01:42:50,149

i uh i'm just glad i don't have to make

2426

01:42:54,070 --> 01:42:51,760

excuses for anybody anymore i'm a

2427

01:42:55,830 --> 01:42:54,080

one-man army here a lot like heathcliff

2428

01:42:56,950 --> 01:42:55,840

for national citizens you know i do my

2429

01:42:59,030 --> 01:42:56,960

own research we actually do

2430

01:43:00,310 --> 01:42:59,040

investigatory work

2431

01:43:02,229 --> 01:43:00,320

um

2432

01:43:04,229 --> 01:43:02,239

cosmic neighbor says there are so many

2433

01:43:06,709 --> 01:43:04,239

different words she could have used oh

2434

01:43:09,189 --> 01:43:06,719

yeah yeah absolutely cosmic neighbors

2435

01:43:11,270 --> 01:43:09,199

look on my twitter you'll see the first

2436

01:43:12,870 --> 01:43:11,280

alien bust that i printed but i had a

2437

01:43:15,109 --> 01:43:12,880

problem with that

2438

01:43:15,990 --> 01:43:15,119

3d i had a

2439

01:43:19,430 --> 01:43:16,000

wii

2440

01:43:21,590 --> 01:43:19,440

me my neighbor really anyway

2441

01:43:24,149 --> 01:43:21,600

had a problem with the lattice printing

2442

01:43:26,550 --> 01:43:24,159

a 3d alien bust with the

2443

01:43:28,790 --> 01:43:26,560

glow-in-the-dark uh filament so we had

2444

01:43:31,189 --> 01:43:28,800

to print it solid but it is heavy and it

2445

01:43:33,030 --> 01:43:31,199

almost tips over when you put it it's so

2446

01:43:35,669 --> 01:43:33,040

heavy look on my twitter you'll see the

2447

01:43:37,510 --> 01:43:35,679

first alien bust that i did with the

2448

01:43:38,950 --> 01:43:37,520

with the with the bigger pro we actually

2449

01:43:40,070 --> 01:43:38,960

did it with the bigger printer but we

2450

01:43:42,229 --> 01:43:40,080

could have done it i think with the

2451

01:43:44,070 --> 01:43:42,239

smaller one that i got from you we've

2452

01:43:48,070 --> 01:43:44,080

got both of them set up and constantly

2453

01:43:52,070 --> 01:43:50,310

yeah that's my team my team is stephen

2454

01:43:53,910 --> 01:43:52,080

and family the only people that i really

2455

01:43:54,709 --> 01:43:53,920

answer to or care about are my children

2456

01:43:57,510 --> 01:43:54,719

or

2457

01:43:59,910 --> 01:43:57,520

uh my wife everybody else you know get

2458

01:44:01,270 --> 01:43:59,920

in line right

2459

01:44:02,950 --> 01:44:01,280

get in line

2460

01:44:04,310 --> 01:44:02,960

um but this is where we're at and this

2461

01:44:05,910 --> 01:44:04,320

is where we find ourselves and you know

2462

01:44:08,390 --> 01:44:05,920

sometimes you just grow beyond certain

2463

01:44:10,870 --> 01:44:08,400

people and you just say you he can't go

2464

01:44:13,189 --> 01:44:10,880

where we're going here he can't and

2465

01:44:15,109 --> 01:44:13,199

that's another thing every time that he

2466

01:44:18,149 --> 01:44:15,119

puts somebody on blast or call somebody

2467

01:44:21,350 --> 01:44:18,159

a faker a fraud or a you know a

2468

01:44:23,189 --> 01:44:21,360

bullshitter a hoaxter that he's handed

2469

01:44:25,510 --> 01:44:23,199

them the perfect defense

2470

01:44:28,709 --> 01:44:25,520

all anybody he is ever critical of has

2471

01:44:31,510 --> 01:44:28,719

to say is but you work for third phase

2472

01:44:32,470 --> 01:44:31,520

so your opinion is garbage and doesn't

2473

01:44:34,470 --> 01:44:32,480

matter

2474

01:44:36,470 --> 01:44:34,480

right and i get he says he's been in

2475

01:44:38,310 --> 01:44:36,480

this for 18 years or so well where is

2476

01:44:41,109 --> 01:44:38,320

all your work

2477

01:44:44,390 --> 01:44:41,119

i don't mean talking i mean actual work

2478

01:44:47,669 --> 01:44:45,510

i don't know

2479

01:44:49,030 --> 01:44:47,679

you know

2480

01:44:51,990 --> 01:44:49,040

but it is what it is and this is where

2481

01:44:54,070 --> 01:44:52,000

we find ourselves i'm and like i said

2482

01:44:56,870 --> 01:44:54,080

he can't go where we're going nobody

2483

01:44:59,270 --> 01:44:56,880

owns me i can tell people the truth i

2484

01:45:02,070 --> 01:44:59,280

can tell my audience the truth he can't

2485

01:45:04,790 --> 01:45:02,080

say that he has to make a [h__h]

2486

01:45:07,030 --> 01:45:04,800

excuses for these people

2487

01:45:12,709 --> 01:45:07,040

must really need the money and you know

2488

01:45:16,149 --> 01:45:14,629

i i think it would be kind of hell to

2489

01:45:18,470 --> 01:45:16,159

try to wake up every day and like i

2490

01:45:20,390 --> 01:45:18,480

gotta find some ufo [h__h] or i'm not

2491

01:45:22,709 --> 01:45:20,400

gonna eat today

2492

01:45:24,070 --> 01:45:22,719

uh

2493

01:45:26,310 --> 01:45:24,080

i'm not sure which video you're

2494

01:45:29,270 --> 01:45:26,320

referencing cosmic neighbors i i think

2495

01:45:35,030 --> 01:45:31,910

i think i think i did and we may have

2496

01:45:36,950 --> 01:45:35,040

used that already uh let me see

2497

01:45:38,390 --> 01:45:36,960

unless you sent it just in the last

2498

01:45:39,910 --> 01:45:38,400

couple of hours while we've been

2499

01:45:42,390 --> 01:45:39,920

broadcasting

2500

01:45:45,270 --> 01:45:42,400

i'm not aware of uh what video you're

2501

01:45:46,790 --> 01:45:45,280

talking about so you know

2502

01:45:48,229 --> 01:45:46,800

you know i don't see anything new from

2503

01:45:51,189 --> 01:45:48,239

you

2504

01:45:56,229 --> 01:45:51,199

about so

2505

01:45:56,239 --> 01:46:02,310

steven's team rocks yeah we're uh

2506

01:46:07,189 --> 01:46:04,550

b baker says apologizing for third phase

2507

01:46:09,270 --> 01:46:07,199

moon is a full-time job

2508

01:46:10,790 --> 01:46:09,280

oh the corbell won

2509

01:46:14,070 --> 01:46:10,800

no send it to me again i don't think

2510

01:46:17,830 --> 01:46:16,310

did you make you made like your own cut

2511

01:46:20,390 --> 01:46:17,840

or edit of it yeah send it to me again

2512

01:46:21,990 --> 01:46:20,400

we'll do it tomorrow

2513

01:46:24,070 --> 01:46:22,000

john p adventures you said it you're a

2514

01:46:26,149 --> 01:46:24,080

one-man team yeah and you know that's

2515

01:46:27,189 --> 01:46:26,159

what makes people like me or astral

2516

01:46:30,629 --> 01:46:27,199

citizens

2517

01:46:32,709 --> 01:46:30,639

dangerous because we're not you know

2518

01:46:34,950 --> 01:46:32,719

beholden to anybody i don't have to make

2519

01:46:36,470 --> 01:46:34,960

excuses when people put out fake [h__\h] i

2520

01:46:39,990 --> 01:46:36,480

could just sit here and tell you the

2521

01:46:42,709 --> 01:46:40,000

truth this is fake [h__\h] and here's why

2522

01:46:44,470 --> 01:46:42,719

it's got to be a special hell on earth

2523

01:46:46,229 --> 01:46:44,480

and you know right now he's probably

2524

01:46:48,470 --> 01:46:46,239

like trying to he's probably on the

2525

01:46:50,790 --> 01:46:48,480

phone right now right how are we going

2526

01:46:52,950 --> 01:46:50,800

to damage control this one we can't call

2527

01:46:55,910 --> 01:46:52,960

him a pedo again that didn't go well

2528

01:46:58,310 --> 01:46:55,920

that turned people against me i can't

2529

01:47:00,310 --> 01:46:58,320

imply that he may be a pedo or have pedo

2530

01:47:01,990 --> 01:47:00,320

friends again how are we gonna

2531

01:47:04,229 --> 01:47:02,000

battle this back

2532

01:47:06,870 --> 01:47:04,239

and how what narrative are we gonna tell

2533

01:47:08,870 --> 01:47:06,880

now now i predicted last week

2534

01:47:11,350 --> 01:47:08,880

if i find a whole bunch of more fake

2535

01:47:14,149 --> 01:47:11,360

[h__h] that third phase of moon pushed

2536

01:47:19,430 --> 01:47:14,159

he's gonna make excuses for it all

2537

01:47:25,669 --> 01:47:23,669

yeah so you know i i'm good you know

2538

01:47:27,750 --> 01:47:25,679

like i said i'm looking good i'm

2539

01:47:29,270 --> 01:47:27,760

smelling good i'm feeling good i'm about

2540

01:47:32,149 --> 01:47:29,280

to be feeling better once i get this

2541

01:47:34,470 --> 01:47:32,159

boston lager in me can't

2542

01:47:37,990 --> 01:47:34,480

can't not like uh

2543

01:47:39,510 --> 01:47:38,000

sam adams that guy's a genius man

2544

01:47:43,430 --> 01:47:39,520

there's something about that beer it's

2545

01:47:45,189 --> 01:47:43,440

just worlds above everything else uh

2546

01:47:47,590 --> 01:47:45,199

it's one of my favorites

2547

01:47:49,750 --> 01:47:47,600

that and uh yingling lager are my two

2548

01:47:51,430 --> 01:47:49,760

go-to's but i'm getting too fat so i'm

2549

01:47:54,149 --> 01:47:51,440

not drinking yellowing lager anymore i'm

2550

01:47:55,990 --> 01:47:54,159

drinking grody light beer which to me

2551
01:47:57,750 --> 01:47:56,000
light beer tastes like regular beer

2552
01:48:00,149 --> 01:47:57,760
somebody just poured half of it out and

2553
01:48:02,950 --> 01:48:00,159
poured water into and it tastes like

2554
01:48:07,109 --> 01:48:02,960
that too and i can't get over

2555
01:48:09,669 --> 01:48:07,119
i can't get over that i just can't like

2556
01:48:12,310 --> 01:48:09,679
i'm not i'm not a fan of light beer

2557
01:48:15,590 --> 01:48:12,320
but i'm also not a fan of getting fat so

2558
01:48:17,669 --> 01:48:15,600
you know it's a constant battle here

2559
01:48:19,669 --> 01:48:17,679
once in a while i have a few real beers

2560
01:48:22,709 --> 01:48:19,679
to start and then i switch to the light

2561
01:48:33,270 --> 01:48:24,709
i'm trying to find why can i not i can

2562
01:48:38,950 --> 01:48:36,310
now i got it all right so today is my

2563
01:48:41,830 --> 01:48:38,960

birthday uh it's almost 11 p.m i gotta

2564

01:48:44,149 --> 01:48:41,840

hurry up and make this uh patreon

2565

01:48:45,830 --> 01:48:44,159

video for this month's show journal i

2566

01:48:47,030 --> 01:48:45,840

haven't missed one yet and i refuse to

2567

01:48:48,709 --> 01:48:47,040

miss one

2568

01:48:51,350 --> 01:48:48,719

next month i'm going to be sure to do a

2569

01:48:53,189 --> 01:48:51,360

lot more patreon benefits and by the way

2570

01:48:55,350 --> 01:48:53,199

if you're a member i'll be posting that

2571

01:48:57,990 --> 01:48:55,360

in our members section here there's

2572

01:48:59,910 --> 01:48:58,000

there's a join button now and you get

2573

01:49:01,510 --> 01:48:59,920

if you're a patreon member it's it's a

2574

01:49:03,189 --> 01:49:01,520

dollar a month or more and you get some

2575

01:49:05,510 --> 01:49:03,199

extra content and goodies over on

2576

01:49:07,270 --> 01:49:05,520

patreon but if you're a channel member i

2577

01:49:09,189 --> 01:49:07,280

post those very same links in our

2578

01:49:11,590 --> 01:49:09,199

members section here and you get

2579

01:49:13,430 --> 01:49:11,600

additional benefits that's five dollars

2580

01:49:14,950 --> 01:49:13,440

a month and i want to thank all of our

2581

01:49:18,070 --> 01:49:14,960

kind and generous benefactors people

2582

01:49:19,510 --> 01:49:18,080

from all over the world who appreciate a

2583

01:49:21,830 --> 01:49:19,520

independent

2584

01:49:24,390 --> 01:49:21,840

real voice that is not bought off and

2585

01:49:27,270 --> 01:49:24,400

paid for that doesn't have an agenda

2586

01:49:30,390 --> 01:49:27,280

that is not pushing a false narrative

2587

01:49:33,189 --> 01:49:30,400

the one thing i i wanted to include that

2588

01:49:35,430 --> 01:49:33,199

i i forgot about is that

2589

01:49:38,470 --> 01:49:35,440

we can show you

2590

01:49:41,189 --> 01:49:38,480

for example that fake video that they

2591

01:49:45,030 --> 01:49:41,199

said was a helicopter

2592

01:49:47,750 --> 01:49:45,040

a a crashing ufo got 50 000 views

2593

01:49:49,990 --> 01:49:47,760

that means they made i believe somewhere

2594

01:49:52,229 --> 01:49:50,000

between four and five hundred dollars

2595

01:49:52,950 --> 01:49:52,239

just from that fake video

2596

01:49:54,950 --> 01:49:52,960

so

2597

01:49:57,910 --> 01:49:54,960

there's the motive right there

2598

01:49:59,910 --> 01:49:57,920

they and they look they know especially

2599

01:50:02,310 --> 01:49:59,920

after tonight that that's a fake video

2600

01:50:04,470 --> 01:50:02,320

will they take that fake video down no

2601
01:50:06,149 --> 01:50:04,480
probably not keep it up get some more

2602
01:50:07,910 --> 01:50:06,159
views on that [h__\h]

2603
01:50:09,910 --> 01:50:07,920
they've already made most of their money

2604
01:50:12,470 --> 01:50:09,920
though the four or five hundred dollars

2605
01:50:13,430 --> 01:50:12,480
came from from that fake video that was

2606
01:50:16,149 --> 01:50:13,440
not

2607
01:50:19,350 --> 01:50:16,159
a helicopter chasing a crashed ufo it

2608
01:50:20,790 --> 01:50:19,360
was a fire exercise

2609
01:50:23,990 --> 01:50:20,800
and um

2610
01:50:25,750 --> 01:50:24,000
that's just one example one example uh

2611
01:50:27,589 --> 01:50:25,760
how much money do they make from the

2612
01:50:31,270 --> 01:50:27,599
fake pin story how much money did they

2613
01:50:34,070 --> 01:50:31,280

make from the superman doing uh the lean

2614

01:50:36,550 --> 01:50:34,080

it's a magic trick look it up

2615

01:50:38,470 --> 01:50:36,560

at some point you know you gotta say

2616

01:50:40,470 --> 01:50:38,480

this is not net this is not simply

2617

01:50:42,790 --> 01:50:40,480

negligence the reason they're making all

2618

01:50:45,910 --> 01:50:42,800

this money with this fake [h__h] it's it's

2619

01:50:48,229 --> 01:50:45,920

most likely in my opinion intentional

2620

01:50:51,270 --> 01:50:48,239

they leave out facts and evidence they

2621

01:50:52,629 --> 01:50:51,280

craft a narrative they craft a fake

2622

01:50:54,310 --> 01:50:52,639

garbage

2623

01:50:56,470 --> 01:50:54,320

click fake title that people are gonna

2624

01:50:58,310 --> 01:50:56,480

click on to see what it's about

2625

01:51:01,189 --> 01:50:58,320

and they know it's not what they're

2626

01:51:03,030 --> 01:51:01,199

saying it is in my opinion

2627

01:51:04,950 --> 01:51:03,040

and uh

2628

01:51:06,790 --> 01:51:04,960

i don't know i just don't understand it

2629

01:51:09,109 --> 01:51:06,800

you know the one thing that

2630

01:51:10,870 --> 01:51:09,119

and it's unfortunate because

2631

01:51:12,709 --> 01:51:10,880

you know they can make more money it

2632

01:51:15,669 --> 01:51:12,719

with one fake

2633

01:51:17,830 --> 01:51:15,679

garbage uh project like like the ones

2634

01:51:19,030 --> 01:51:17,840

i've described than i can make here all

2635

01:51:21,109 --> 01:51:19,040

month

2636

01:51:23,510 --> 01:51:21,119

but i have this handicap i can't lie to

2637

01:51:26,070 --> 01:51:23,520

you and i can't click bait stuff i know

2638

01:51:27,589 --> 01:51:26,080

is not what i'm saying it is we don't do

2639

01:51:29,430 --> 01:51:27,599

that here

2640

01:51:31,589 --> 01:51:29,440

um

2641

01:51:33,510 --> 01:51:31,599

you know it makes me sad

2642

01:51:35,669 --> 01:51:33,520

that does make me sad they can do one

2643

01:51:38,070 --> 01:51:35,679

garbage video and make more money than i

2644

01:51:40,870 --> 01:51:38,080

can make in a month off of youtube

2645

01:51:43,030 --> 01:51:40,880

and that's unfortunate but the one thing

2646

01:51:45,109 --> 01:51:43,040

that makes me feel better is that you

2647

01:51:47,669 --> 01:51:45,119

you know how they're recruiting other

2648

01:51:49,830 --> 01:51:47,679

channels and manipulating other channels

2649

01:51:51,589 --> 01:51:49,840

and using other show hosts to push their

2650

01:51:53,510 --> 01:51:51,599

narrative that they've changed and

2651
01:51:55,109 --> 01:51:53,520
they're doing better now and they're

2652
01:51:57,270 --> 01:51:55,119
getting better at this and they're going

2653
01:51:59,270 --> 01:51:57,280
to try to do it the right way

2654
01:52:00,790 --> 01:51:59,280
they're buying support

2655
01:52:02,870 --> 01:52:00,800
and the reason they're doing that is

2656
01:52:04,950 --> 01:52:02,880
because they desperately want something

2657
01:52:06,950 --> 01:52:04,960
they can never have

2658
01:52:09,510 --> 01:52:06,960
integrity

2659
01:52:11,030 --> 01:52:09,520
people know they're garbage peddlers and

2660
01:52:13,669 --> 01:52:11,040
no matter how much

2661
01:52:15,350 --> 01:52:13,679
what narrative they try to push they

2662
01:52:17,589 --> 01:52:15,360
started as garbage peddlers and

2663
01:52:19,589 --> 01:52:17,599

clickbaiters they're going to end that

2664

01:52:22,149 --> 01:52:19,599

way because that's all they know

2665

01:52:24,470 --> 01:52:22,159

that fake narrative that rich and others

2666

01:52:26,950 --> 01:52:24,480

try to push that they've really tried to

2667

01:52:29,589 --> 01:52:26,960

change and do better falls apart under

2668

01:52:30,790 --> 01:52:29,599

scrutiny just tonight and last week

2669

01:52:33,189 --> 01:52:30,800

we've seen a

2670

01:52:35,589 --> 01:52:33,199

fake garbage story they peddled from

2671

01:52:37,350 --> 01:52:35,599

february we've seen one from april one

2672

01:52:39,830 --> 01:52:37,360

from may i'm gonna go look for a march

2673

01:52:41,589 --> 01:52:39,840

one so we can have a four in the set

2674

01:52:43,109 --> 01:52:41,599

and then there's the other older

2675

01:52:44,629 --> 01:52:43,119

examples

2676

01:52:46,870 --> 01:52:44,639

no you haven't changed you've just

2677

01:52:49,189 --> 01:52:46,880

gotten better at pretending that you're

2678

01:52:51,589 --> 01:52:49,199

credible you're not and you never will

2679

01:52:54,229 --> 01:52:51,599

be you won't put that toothpaste back in

2680

01:52:56,470 --> 01:52:54,239

the bottle you start as a hoaxer you end

2681

01:52:58,390 --> 01:52:56,480

as a hoaxer you're not

2682

01:53:02,070 --> 01:52:58,400

doing that much damage control to get

2683

01:53:04,629 --> 01:53:02,080

around all of this and unfortunately

2684

01:53:06,790 --> 01:53:04,639

rich has decided to you know

2685

01:53:10,310 --> 01:53:06,800

hitch his trailer to that

2686

01:53:12,550 --> 01:53:10,320

dying horse good luck with that

2687

01:53:14,070 --> 01:53:12,560

so i'm gonna bounce on out of here

2688

01:53:15,510 --> 01:53:14,080

i i want to thank each and every one of

2689

01:53:18,470 --> 01:53:15,520

you for joining us we'll be back

2690

01:53:21,030 --> 01:53:18,480

tomorrow night at 9 00 pm eastern time

2691

01:53:23,189 --> 01:53:21,040

with my friend from across the pond uh a

2692

01:53:24,310 --> 01:53:23,199

different rich

2693

01:53:25,910 --> 01:53:24,320

yeah

2694

01:53:27,589 --> 01:53:25,920

i hope you will join us so until next

2695

01:53:29,990 --> 01:53:27,599

time friends my name is steven cambion

2696

01:53:32,070 --> 01:53:30,000

good night and god bless all of you even

2697

01:53:33,990 --> 01:53:32,080

you rich i hope you find a road to

2698

01:53:36,390 --> 01:53:34,000

redemption but you're not going to find

2699

01:53:39,270 --> 01:53:36,400

that road making excuses for all this

2700

01:53:43,190 --> 01:53:39,280

fakery fraudery and bullshittery

2701
01:53:43,200 --> 01:54:13,430
[Music]

2702
01:54:13,440 --> 01:54:19,800
so

2703
01:54:43,030 --> 01:54:41,990
[Music]

2704
01:55:02,090 --> 01:54:43,040
so

2705
01:55:03,450 --> 01:55:02,100
[Music]

2706
01:55:40,380 --> 01:55:03,460
[Applause]
