

THE UFO REPORT WITH RICHUFOTECH

Truth Seekers

1
00:01:33,590 --> 00:00:22,700

[Music]

2
00:01:48,430 --> 00:01:34,830

so

3
00:01:48,440 --> 00:02:09,109

[Music]

4
00:02:13,510 --> 00:02:11,029
greetings and salutations friends and

5
00:02:15,910 --> 00:02:13,520
welcome back to truth seekers

6
00:02:17,990 --> 00:02:15,920
um before we begin today i just wanted

7
00:02:20,390 --> 00:02:18,000
to uh make a note

8
00:02:22,630 --> 00:02:20,400
that uh we're we're we've moved to a new

9
00:02:25,190 --> 00:02:22,640
streaming studio so i apologize for the

10
00:02:27,110 --> 00:02:25,200
audio or microphone quality yesterday

11
00:02:30,229 --> 00:02:27,120
obviously moving to a whole new studio

12
00:02:32,229 --> 00:02:30,239
uh there's a lot of dials to set in and

13
00:02:34,070 --> 00:02:32,239

one of them was set horribly wrong so

14

00:02:35,589 --> 00:02:34,080

these mistakes will happen i've switched

15

00:02:37,670 --> 00:02:35,599

back to the microphone that people

16

00:02:40,949 --> 00:02:37,680

complain the least about

17

00:02:43,589 --> 00:02:40,959

uh and i think those issues are resolved

18

00:02:45,750 --> 00:02:43,599

um thanks to those who reached out to me

19

00:02:47,670 --> 00:02:45,760

uh you know letting me know

20

00:02:49,589 --> 00:02:47,680

i know as soon as i heard it or heard

21

00:02:51,830 --> 00:02:49,599

the playback so

22

00:02:55,990 --> 00:02:51,840

hopefully we've got these things handled

23

00:02:57,750 --> 00:02:56,000

uh so tonight we have a friend of rich

24

00:02:59,430 --> 00:02:57,760

ufo tech

25

00:03:01,750 --> 00:02:59,440

who i've seen on

26

00:03:04,149 --> 00:03:01,760

uh alien addicts show and recently on

27

00:03:04,869 --> 00:03:04,159

josh and artemis

28

00:03:06,710 --> 00:03:04,879

and

29

00:03:08,790 --> 00:03:06,720

you know one of the things that he

30

00:03:10,710 --> 00:03:08,800

mentioned had mentioned is this

31

00:03:12,790 --> 00:03:10,720

difference in both

32

00:03:16,949 --> 00:03:12,800

the reporting of and almost the

33

00:03:19,910 --> 00:03:16,959

perception of uf ufos or uaps across the

34

00:03:21,430 --> 00:03:19,920

pond there in great britain

35

00:03:23,670 --> 00:03:21,440

and i found that interesting we want to

36

00:03:26,229 --> 00:03:23,680

explore that a little more

37

00:03:29,030 --> 00:03:26,239

uh so we want to bring him here

38

00:03:31,030 --> 00:03:29,040

to uh to give us some of insight into

39

00:03:32,390 --> 00:03:31,040

the differences in

40

00:03:34,470 --> 00:03:32,400

and and also

41

00:03:36,390 --> 00:03:34,480

i'd just like to know more about him and

42

00:03:39,830 --> 00:03:36,400

how he fell into the rabbit hole let's

43

00:03:41,110 --> 00:03:39,840

get into it friends here's rich ufo tech

44

00:03:44,550 --> 00:03:41,120

good to see you

45

00:03:45,430 --> 00:03:44,560

my friend from across the pond

46

00:03:46,630 --> 00:03:45,440

yeah

47

00:03:48,949 --> 00:03:46,640

so were

48

00:03:51,589 --> 00:03:48,959

yeah how's it going okay

49

00:03:53,350 --> 00:03:51,599

great great you know i'm uh it was my

50

00:03:55,750 --> 00:03:53,360

birthday yesterday i'm having a great

51
00:03:57,190 --> 00:03:55,760
week i'm getting a lot of things done

52
00:03:58,949 --> 00:03:57,200
uh and and

53
00:04:01,429 --> 00:03:58,959
talking to you has been on my list for a

54
00:04:03,509 --> 00:04:01,439
while because i was intrigued by this

55
00:04:05,110 --> 00:04:03,519
difference you know

56
00:04:06,949 --> 00:04:05,120
here in the united states i don't think

57
00:04:09,110 --> 00:04:06,959
that a lot of people know that we're

58
00:04:11,270 --> 00:04:09,120
getting deluged you know we're getting

59
00:04:13,509 --> 00:04:11,280
just hammered with ufo stories in the

60
00:04:16,310 --> 00:04:13,519
mainstream media even

61
00:04:18,069 --> 00:04:16,320
let alone the alternative media

62
00:04:20,870 --> 00:04:18,079
and and you know there's a huge

63
00:04:23,110 --> 00:04:20,880

difference in in the way that's handled

64

00:04:25,030 --> 00:04:23,120

in other countries but but the first

65

00:04:28,310 --> 00:04:25,040

question i have for you i ask everybody

66

00:04:30,469 --> 00:04:28,320

this on their first time in here is why

67

00:04:32,710 --> 00:04:30,479

the intense interest how did you fall

68

00:04:33,830 --> 00:04:32,720

down this rabbit hole and what keeps you

69

00:04:35,749 --> 00:04:33,840

here

70

00:04:38,870 --> 00:04:35,759

uh well i've been interested for a long

71

00:04:41,909 --> 00:04:38,880

time uh i uh i

72

00:04:44,550 --> 00:04:41,919

started off i would guess when i first

73

00:04:46,070 --> 00:04:44,560

when i was very very young and i read um

74

00:04:48,590 --> 00:04:46,080

chariots of the gods

75

00:04:51,510 --> 00:04:48,600

back in the late

76
00:04:52,629 --> 00:04:51,520
1970s book which which fascinated me my

77
00:04:55,110 --> 00:04:52,639
parents

78
00:04:57,350 --> 00:04:55,120
well my mum had it on her

79
00:04:59,990 --> 00:04:57,360
on her dresser one day so

80
00:05:03,110 --> 00:05:00,000
i i just nicked it and read it

81
00:05:04,629 --> 00:05:03,120
and uh was uh fascinated from that

82
00:05:07,029 --> 00:05:04,639
moment on

83
00:05:09,510 --> 00:05:07,039
um i guess i guess

84
00:05:12,150 --> 00:05:09,520
a bit further on down the line you know

85
00:05:14,070 --> 00:05:12,160
we all got pulled in with the bob lazar

86
00:05:16,629 --> 00:05:14,080
story

87
00:05:20,629 --> 00:05:16,639
yeah yeah that's so funny because in the

88
00:05:22,629 --> 00:05:20,639

early 80s or maybe 85 i read cherry to

89

00:05:24,710 --> 00:05:22,639

the gods and i was intensely interested

90

00:05:26,950 --> 00:05:24,720

in that because i thought i grew up

91

00:05:28,710 --> 00:05:26,960

catholic and i thought this answers so

92

00:05:30,390 --> 00:05:28,720

many questions that i've had that the

93

00:05:32,230 --> 00:05:30,400

priests can't answer and it made a lot

94

00:05:34,469 --> 00:05:32,240

of sense to me at the time and then the

95

00:05:36,390 --> 00:05:34,479

very next story i got

96

00:05:38,150 --> 00:05:36,400

completely obsessed with was bob lazar

97

00:05:40,710 --> 00:05:38,160

in 1989.

98

00:05:44,469 --> 00:05:40,720

of course you know so so bubbles are

99

00:05:46,870 --> 00:05:44,479

lands and uh that's fascinating on vhs

100

00:05:48,790 --> 00:05:46,880

videos and things like that

101
00:05:50,390 --> 00:05:48,800
you could buy them

102
00:05:52,390 --> 00:05:50,400
um

103
00:05:55,749 --> 00:05:52,400
and then and then of course

104
00:05:58,790 --> 00:05:55,759
the the next one was uh uh stephen greer

105
00:06:01,909 --> 00:05:58,800
landing with uh his uh uh

106
00:06:04,150 --> 00:06:01,919
you know disclosure uh uh project the

107
00:06:06,629 --> 00:06:04,160
public hearing that he did

108
00:06:08,870 --> 00:06:06,639
and that was fascinating and and i

109
00:06:11,270 --> 00:06:08,880
followed that for a while and

110
00:06:12,550 --> 00:06:11,280
and and

111
00:06:13,990 --> 00:06:12,560
uh

112
00:06:16,150 --> 00:06:14,000
there was then there was a big

113
00:06:18,790 --> 00:06:16,160

convergence people were starting to talk

114

00:06:22,150 --> 00:06:18,800

about more about the technical stuff

115

00:06:23,830 --> 00:06:22,160

and i i kind of realized personally that

116

00:06:26,469 --> 00:06:23,840

that that there was a

117

00:06:28,390 --> 00:06:26,479

i found what bob lazar was saying a lot

118

00:06:30,390 --> 00:06:28,400

problematic and then

119

00:06:33,510 --> 00:06:30,400

and then grier started coming out where

120

00:06:35,430 --> 00:06:33,520

the c5 stuff

121

00:06:37,110 --> 00:06:35,440

which was also a little sort of

122

00:06:38,150 --> 00:06:37,120

far-fetched for me

123

00:06:40,469 --> 00:06:38,160

um

124

00:06:42,710 --> 00:06:40,479

but at the same time i was looking for

125

00:06:43,749 --> 00:06:42,720

uh other things so i got into martial

126

00:06:47,270 --> 00:06:43,759

arts

127

00:06:51,350 --> 00:06:47,280

and um and consciousness stuff i went

128

00:06:53,110 --> 00:06:51,360

over to china i went over to america to

129

00:06:56,309 --> 00:06:53,120

virginia a place called the monroe

130

00:06:58,629 --> 00:06:56,319

institute where they did do uh out of

131

00:07:00,710 --> 00:06:58,639

body experiences and remote viewing so

132

00:07:04,550 --> 00:07:00,720

i've been around looking for all kinds

133

00:07:05,589 --> 00:07:04,560

of different truths you know and uh once

134

00:07:13,909 --> 00:07:05,599

uh

135

00:07:15,350 --> 00:07:13,919

me back into the ufo subject again and

136

00:07:18,390 --> 00:07:15,360

i've been following it ever since

137

00:07:19,990 --> 00:07:18,400

because uh it's really exploded you know

138

00:07:20,950 --> 00:07:20,000

there's lots of different people in the

139

00:07:22,309 --> 00:07:20,960

field

140

00:07:27,029 --> 00:07:22,319

uh

141

00:07:30,390 --> 00:07:27,039

people like chris leto coming in and

142

00:07:32,230 --> 00:07:30,400

chucking balloons up in the air and i

143

00:07:33,510 --> 00:07:32,240

always admire people that are that are

144

00:07:35,270 --> 00:07:33,520

wanting to

145

00:07:38,070 --> 00:07:35,280

at least try and get some data

146

00:07:41,670 --> 00:07:38,080

themselves and go into the field and

147

00:07:44,309 --> 00:07:41,680

and and do stuff you know um yeah yeah

148

00:07:47,029 --> 00:07:44,319

that is a that's like a missed there's

149

00:07:49,189 --> 00:07:47,039

no field researchers anymore you know it

150

00:07:51,270 --> 00:07:49,199

used to be that there was a ufo sighting

151
00:07:53,510 --> 00:07:51,280
and a ufo investigator

152
00:07:55,110 --> 00:07:53,520
would physically get in his car he would

153
00:07:56,150 --> 00:07:55,120
go there he would try to interview

154
00:07:58,469 --> 00:07:56,160
witnesses

155
00:08:00,950 --> 00:07:58,479
now i i think that's sort of a lost art

156
00:08:03,189 --> 00:08:00,960
form i try to do that and i've tried to

157
00:08:04,950 --> 00:08:03,199
do it sometimes but it's very difficult

158
00:08:06,950 --> 00:08:04,960
most people if it's not on the internet

159
00:08:09,270 --> 00:08:06,960
now they don't they don't know about it

160
00:08:12,550 --> 00:08:09,280
or they don't find it you know

161
00:08:15,270 --> 00:08:12,560
yeah and people people in uh have gotten

162
00:08:17,749 --> 00:08:15,280
to uh a bad rep with this because very

163
00:08:20,150 --> 00:08:17,759

often people like get a

164

00:08:22,469 --> 00:08:20,160

a uh

165

00:08:24,230 --> 00:08:22,479

they get in trouble with the uh aviation

166

00:08:27,189 --> 00:08:24,240

people for uh

167

00:08:28,790 --> 00:08:27,199

shining lasers at pilots and things like

168

00:08:30,869 --> 00:08:28,800

that and

169

00:08:33,829 --> 00:08:30,879

i think i think grey's got a lot to do

170

00:08:35,990 --> 00:08:33,839

with that uh because he advocates using

171

00:08:38,550 --> 00:08:36,000

laser pointers doesn't he to signal to

172

00:08:40,709 --> 00:08:38,560

ufos and that could be very problematic

173

00:08:42,870 --> 00:08:40,719

if you're an airplane pilot yeah it's

174

00:08:45,110 --> 00:08:42,880

dangerous as hell

175

00:08:47,430 --> 00:08:45,120

yeah yeah and uh

176

00:08:49,990 --> 00:08:47,440

and i've spoken to quite a few sort of

177

00:08:52,829 --> 00:08:50,000

amateur pilots because my my youngest

178

00:08:56,389 --> 00:08:52,839

daughter is learning to fly

179

00:08:59,030 --> 00:08:56,399

and they they say it's terrible they

180

00:09:02,070 --> 00:08:59,040

they they definitely don't want to have

181

00:09:02,949 --> 00:09:02,080

laser pointers at them you know

182

00:09:08,150 --> 00:09:02,959

yeah

183

00:09:09,910 --> 00:09:08,160

pundit uh i'm finding my way through the

184

00:09:11,430 --> 00:09:09,920

field uh

185

00:09:13,350 --> 00:09:11,440

watching out for

186

00:09:15,509 --> 00:09:13,360

opportunities to reach out to people

187

00:09:17,110 --> 00:09:15,519

like you to discuss things

188

00:09:19,030 --> 00:09:17,120

you know because it's a fascinating

189

00:09:21,670 --> 00:09:19,040

subject

190

00:09:22,389 --> 00:09:21,680

and one of the observations that i'm

191

00:09:24,870 --> 00:09:22,399

getting

192

00:09:28,150 --> 00:09:24,880

from from it at the moment is that

193

00:09:30,550 --> 00:09:28,160

that the ufo community is is is very

194

00:09:33,990 --> 00:09:30,560

diverse but also uh

195

00:09:37,190 --> 00:09:34,000

i think quite a a um

196

00:09:40,550 --> 00:09:37,200

a vulnerable community and uh people are

197

00:09:43,350 --> 00:09:40,560

very vulnerable to all kinds of uh uh

198

00:09:45,509 --> 00:09:43,360

capture snake oil salesmen you know

199

00:09:48,710 --> 00:09:45,519

people that can come along and and and

200

00:09:50,630 --> 00:09:48,720

take the money and gatekeep and pretend

201
00:09:51,990 --> 00:09:50,640
they know more than they do and things

202
00:09:54,550 --> 00:09:52,000
like that so

203
00:09:57,750 --> 00:09:54,560
uh i'm i'm going to be starting putting

204
00:10:01,509 --> 00:09:57,760
out information in terms of how to spot

205
00:10:04,230 --> 00:10:01,519
um charlatans and leave people at it

206
00:10:06,630 --> 00:10:04,240
yeah i call them cosmic con artists or

207
00:10:08,230 --> 00:10:06,640
cosmic con men you know because you're

208
00:10:10,310 --> 00:10:08,240
right they seem to have a lot of things

209
00:10:11,990 --> 00:10:10,320
in common like they all pretend that

210
00:10:13,350 --> 00:10:12,000
they have some secret knowledge that

211
00:10:15,110 --> 00:10:13,360
they're going to be willing to share

212
00:10:17,910 --> 00:10:15,120
with you it usually involves you paying

213
00:10:19,110 --> 00:10:17,920

them for a course or a book or or

214

00:10:20,069 --> 00:10:19,120

something

215

00:10:21,269 --> 00:10:20,079

that there's

216

00:10:23,030 --> 00:10:21,279

it's like

217

00:10:25,350 --> 00:10:23,040

they're all made from the same mold a

218

00:10:27,910 --> 00:10:25,360

lot of them you know

219

00:10:30,150 --> 00:10:27,920

yeah yeah and and uh

220

00:10:32,710 --> 00:10:30,160

steven griez fascinating because you

221

00:10:35,350 --> 00:10:32,720

know he started with his own experiences

222

00:10:37,670 --> 00:10:35,360

then then he drags other people into it

223

00:10:39,990 --> 00:10:37,680

with his disclosure project

224

00:10:43,190 --> 00:10:40,000

and then eventually

225

00:10:44,710 --> 00:10:43,200

what happens with all of them is that

226

00:10:47,350 --> 00:10:44,720

the big problem is there's not enough

227

00:10:49,030 --> 00:10:47,360

data there is never enough

228

00:10:51,590 --> 00:10:49,040

uh new

229

00:10:52,870 --> 00:10:51,600

information coming through so so they

230

00:10:53,990 --> 00:10:52,880

almost

231

00:10:56,470 --> 00:10:54,000

always

232

00:10:58,550 --> 00:10:56,480

then jump off to consciousness

233

00:11:00,630 --> 00:10:58,560

you know and and that's the big thing

234

00:11:02,630 --> 00:11:00,640

there that they always say oh it's about

235

00:11:04,550 --> 00:11:02,640

consciousness now you know well you were

236

00:11:06,150 --> 00:11:04,560

talking about ufos before and people and

237

00:11:08,389 --> 00:11:06,160

now it's consciousness what's all that

238

00:11:10,230 --> 00:11:08,399

about wells when it's in people's heads

239

00:11:12,470 --> 00:11:10,240

you know

240

00:11:14,550 --> 00:11:12,480

it's never ending after that

241

00:11:16,470 --> 00:11:14,560

um you're right i've seen i've seen

242

00:11:18,389 --> 00:11:16,480

steven grier do that i've seen grant

243

00:11:21,590 --> 00:11:18,399

cameron do that and at least a few other

244

00:11:22,870 --> 00:11:21,600

people that really began as like nuts

245

00:11:26,630 --> 00:11:22,880

and bolts

246

00:11:29,110 --> 00:11:26,640

these things are machines from aliens

247

00:11:31,509 --> 00:11:29,120

to somehow they're you know

248

00:11:32,230 --> 00:11:31,519

generated by consciousness or or you

249

00:11:34,630 --> 00:11:32,240

know

250

00:11:37,590 --> 00:11:34,640

mental powers controlled by them you fly

251

00:11:40,389 --> 00:11:37,600

the ship with your mind

252

00:11:42,710 --> 00:11:40,399

it's maybe it's a lack of material right

253

00:11:44,389 --> 00:11:42,720

there's a such a lack of nuts and bolts

254

00:11:46,389 --> 00:11:44,399

evidence or material that eventually

255

00:11:48,310 --> 00:11:46,399

they get to that you know

256

00:11:50,389 --> 00:11:48,320

yeah yeah absolutely so so i think

257

00:11:53,670 --> 00:11:50,399

there's definite progression

258

00:11:55,750 --> 00:11:53,680

you know from from experience to pulling

259

00:11:58,389 --> 00:11:55,760

other people in when you run out of

260

00:12:01,190 --> 00:11:58,399

people to pull into then it's it's it's

261

00:12:04,550 --> 00:12:01,200

time to go into sort of uh consciousness

262

00:12:05,990 --> 00:12:04,560

or pseudo religion religious aspects

263

00:12:07,509 --> 00:12:06,000

and

264

00:12:09,030 --> 00:12:07,519

that there are there are some people

265

00:12:11,910 --> 00:12:09,040

that that still keep hold of the

266

00:12:13,750 --> 00:12:11,920

technology technology terms and i think

267

00:12:15,590 --> 00:12:13,760

grey still does that you know he still

268

00:12:17,990 --> 00:12:15,600

talks about the technology well there

269

00:12:19,990 --> 00:12:18,000

are other people that almost go sort of

270

00:12:22,550 --> 00:12:20,000

pseudo religious and they might talk

271

00:12:24,629 --> 00:12:22,560

about things like biblical stuff like

272

00:12:26,230 --> 00:12:24,639

the rapture and things like that and

273

00:12:30,069 --> 00:12:26,240

they start pulling

274

00:12:33,110 --> 00:12:30,079

uh ancient texts in and and it's all

275

00:12:33,990 --> 00:12:33,120

different hooks to get people

276

00:12:35,269 --> 00:12:34,000

uh

277

00:12:36,550 --> 00:12:35,279

talking

278

00:12:39,350 --> 00:12:36,560

but

279

00:12:42,710 --> 00:12:39,360

and it's fascinating how some people

280

00:12:45,829 --> 00:12:42,720

look at ufos and from a technological

281

00:12:48,470 --> 00:12:45,839

perspective and those that that use a

282

00:12:51,269 --> 00:12:48,480

religious religious names for exactly

283

00:12:52,550 --> 00:12:51,279

the same thing and they judge each other

284

00:12:54,150 --> 00:12:52,560

but they're actually talking about the

285

00:12:56,870 --> 00:12:54,160

same thing but they're just using

286

00:12:59,030 --> 00:12:56,880

different nomenclature or words you know

287

00:13:00,870 --> 00:12:59,040

uh

288

00:13:04,069 --> 00:13:00,880

i love your accent yeah

289

00:13:06,710 --> 00:13:04,079

say that no no what the main cliché

290

00:13:07,509 --> 00:13:06,720

yeah we say that differently here

291

00:13:10,310 --> 00:13:07,519

really

292

00:13:12,069 --> 00:13:10,320

yeah but that's cool

293

00:13:13,269 --> 00:13:12,079

i can't even say it now because i'm

294

00:13:15,990 --> 00:13:13,279

tongue-tied

295

00:13:18,150 --> 00:13:16,000

nomenclature is it nomenclature that's

296

00:13:20,870 --> 00:13:18,160

how we say nomenclature yeah see english

297

00:13:22,389 --> 00:13:20,880

guys you got you i think i think you

298

00:13:24,280 --> 00:13:22,399

english guys just make everything sound

299

00:13:27,750 --> 00:13:24,290

fancy on purpose right

300

00:13:29,750 --> 00:13:27,760

[Laughter]

301
00:13:32,150 --> 00:13:29,760
you know american accents must sound

302
00:13:35,910 --> 00:13:32,160
really bizarre to you guys too right

303
00:13:37,430 --> 00:13:35,920
it just sounds bizarre right no no we uh

304
00:13:40,069 --> 00:13:37,440
we like

305
00:13:41,990 --> 00:13:40,079
yeah yeah well most of our movies

306
00:13:43,990 --> 00:13:42,000
we've got american accents you know we

307
00:13:48,629 --> 00:13:44,000
we get all of your movies so so we're

308
00:13:53,189 --> 00:13:50,710
yeah i grew up with a father who liked

309
00:13:55,829 --> 00:13:53,199
english humor and he got a satellite

310
00:13:58,310 --> 00:13:55,839
dish early on just to get english you

311
00:14:00,470 --> 00:13:58,320
know like monty python and that what was

312
00:14:03,350 --> 00:14:00,480
that space show that you guys had

313
00:14:05,670 --> 00:14:03,360

besides doctor who yeah he loved english

314

00:14:08,150 --> 00:14:05,680

humor so he got a satellite dish to get

315

00:14:10,230 --> 00:14:08,160

to get the english english television

316

00:14:11,990 --> 00:14:10,240

you know it's it's world different than

317

00:14:15,910 --> 00:14:12,000

over here

318

00:14:18,629 --> 00:14:15,920

yeah yeah it is it is different and um

319

00:14:19,990 --> 00:14:18,639

but i i think you're i think american

320

00:14:22,870 --> 00:14:20,000

television

321

00:14:25,430 --> 00:14:22,880

is leading the world at the moment uh uh

322

00:14:26,629 --> 00:14:25,440

british television is isn't as good as

323

00:14:28,550 --> 00:14:26,639

it used to be

324

00:14:30,310 --> 00:14:28,560

it's taken a bit of a dive

325

00:14:32,470 --> 00:14:30,320

uh everybody everybody tunes into

326

00:14:34,949 --> 00:14:32,480

netflix now i think that's the big

327

00:14:37,350 --> 00:14:34,959

leader definitely in our country yeah

328

00:14:39,189 --> 00:14:37,360

yeah you mentioned your fascination with

329

00:14:40,949 --> 00:14:39,199

greer did you know

330

00:14:43,269 --> 00:14:40,959

this latest documentary i thought it was

331

00:14:45,430 --> 00:14:43,279

really funny that he's talking about

332

00:14:48,310 --> 00:14:45,440

free energy being suppressed and how

333

00:14:49,829 --> 00:14:48,320

people are hiding it and he had a free

334

00:14:51,910 --> 00:14:49,839

energy

335

00:14:53,829 --> 00:14:51,920

charity for a while and raised a half a

336

00:14:55,509 --> 00:14:53,839

million dollars and never produced

337

00:14:56,949 --> 00:14:55,519

anything with that half a million

338

00:14:59,430 --> 00:14:56,959

dollars

339

00:15:02,310 --> 00:14:59,440

well that that that's another

340

00:15:04,710 --> 00:15:02,320

of my exploitation red flags that that's

341

00:15:06,629 --> 00:15:04,720

two things uh firstly that's the

342

00:15:08,310 --> 00:15:06,639

conspiracy that there's that there's

343

00:15:10,550 --> 00:15:08,320

unseen evil

344

00:15:12,389 --> 00:15:10,560

around you know and and that goes back

345

00:15:16,550 --> 00:15:12,399

to religious times when people would

346

00:15:17,509 --> 00:15:16,560

talk about the devil as being a sort of

347

00:15:19,350 --> 00:15:17,519

uh

348

00:15:22,389 --> 00:15:19,360

particular being that was causing

349

00:15:26,710 --> 00:15:22,399

trouble well now it's unseen people

350

00:15:29,509 --> 00:15:26,720

um and secondly dark alliance yes

351
00:15:30,550 --> 00:15:29,519
and and then secondly you've got people

352
00:15:35,030 --> 00:15:30,560
uh

353
00:15:37,509 --> 00:15:35,040
a utopia

354
00:15:39,910 --> 00:15:37,519
you know so so when when greer talks

355
00:15:40,629 --> 00:15:39,920
about this free energy

356
00:15:44,550 --> 00:15:40,639
he

357
00:15:46,790 --> 00:15:44,560
seeing sort of

358
00:15:48,710 --> 00:15:46,800
drone footage of

359
00:15:51,110 --> 00:15:48,720
waterfalls and

360
00:15:52,710 --> 00:15:51,120
rainforests and stuff like that you know

361
00:15:54,550 --> 00:15:52,720
that's

362
00:15:55,749 --> 00:15:54,560
you've got to save the world with greer

363
00:15:57,749 --> 00:15:55,759

and uh

364

00:16:00,150 --> 00:15:57,759

i think i asked third phase a while ago

365

00:16:01,749 --> 00:16:00,160

i was talking to uh

366

00:16:05,350 --> 00:16:01,759

um uh

367

00:16:07,829 --> 00:16:05,360

uh blake and uh i i asked him uh so so

368

00:16:08,870 --> 00:16:07,839

great wants to save the world is that

369

00:16:13,189 --> 00:16:08,880

who's

370

00:16:14,230 --> 00:16:13,199

and what makes him think that he's going

371

00:16:17,030 --> 00:16:14,240

to

372

00:16:19,670 --> 00:16:17,040

you know um and this is these are these

373

00:16:21,430 --> 00:16:19,680

people trying to sell a utopia again you

374

00:16:23,110 --> 00:16:21,440

know they're trying to save the world

375

00:16:24,790 --> 00:16:23,120

the world needs saving does it yeah and

376

00:16:26,870 --> 00:16:24,800

you're right about the utopia because

377

00:16:29,829 --> 00:16:26,880

they say if we just had these

378

00:16:32,550 --> 00:16:29,839

technologies you know uh we'd have free

379

00:16:34,230 --> 00:16:32,560

energy so we would no longer have war

380

00:16:37,189 --> 00:16:34,240

you're exactly right they're selling you

381

00:16:39,590 --> 00:16:37,199

a utopia usually based on free energy or

382

00:16:41,350 --> 00:16:39,600

some sort of alien technology you know

383

00:16:43,749 --> 00:16:41,360

we'll have any gravity we'll have all

384

00:16:46,069 --> 00:16:43,759

this crazy medical technology age

385

00:16:48,389 --> 00:16:46,079

regression we'll have free energy so

386

00:16:51,430 --> 00:16:48,399

that'll mean no more war and

387

00:16:53,030 --> 00:16:51,440

and we'll live in a new eden sort of and

388

00:16:54,870 --> 00:16:53,040

that's what they're selling people but

389

00:16:56,710 --> 00:16:54,880

they're over promising for sure and

390

00:16:58,069 --> 00:16:56,720

under delivering nobody ever delivers on

391

00:16:59,910 --> 00:16:58,079

anything that they

392

00:17:01,749 --> 00:16:59,920

promise you know

393

00:17:03,990 --> 00:17:01,759

but they always need money they always

394

00:17:06,470 --> 00:17:04,000

need the money though send me the money

395

00:17:08,069 --> 00:17:06,480

yeah but it's seductive isn't it do you

396

00:17:10,309 --> 00:17:08,079

know what i mean because because we all

397

00:17:12,789 --> 00:17:10,319

have our better nature we all we all see

398

00:17:13,750 --> 00:17:12,799

that yes this is a great thing to happen

399

00:17:17,270 --> 00:17:13,760

you know

400

00:17:20,470 --> 00:17:17,280

um and it's very easy to buy into that

401
00:17:22,870 --> 00:17:20,480
um particularly tsa for instance you

402
00:17:26,549 --> 00:17:22,880
know who who are starting

403
00:17:27,350 --> 00:17:26,559
back on their uh road to uh getting more

404
00:17:28,630 --> 00:17:27,360
uh

405
00:17:31,750 --> 00:17:28,640
investments

406
00:17:34,390 --> 00:17:31,760
in in what they are doing uh and and i

407
00:17:36,549 --> 00:17:34,400
note that they've got they've got uh

408
00:17:38,789 --> 00:17:36,559
that they're trying to put in a

409
00:17:40,630 --> 00:17:38,799
environmental clause in it

410
00:17:42,390 --> 00:17:40,640
this time as well so when you invest

411
00:17:45,430 --> 00:17:42,400
some of that goes to environmental

412
00:17:47,190 --> 00:17:45,440
causes i'm not sure how that works but i

413
00:17:50,950 --> 00:17:47,200

haven't looked into it too much but once

414

00:17:53,190 --> 00:17:50,960

again it's utopias it's everybody's

415

00:17:56,150 --> 00:17:53,200

everybody's trying to tie into that even

416

00:17:57,909 --> 00:17:56,160

normal businesses you know

417

00:17:59,669 --> 00:17:57,919

ben and jerry's they make ice cream but

418

00:18:01,350 --> 00:17:59,679

they're also saving the world as well

419

00:18:03,510 --> 00:18:01,360

you know they are

420

00:18:05,350 --> 00:18:03,520

yeah if you didn't know it already being

421

00:18:07,510 --> 00:18:05,360

uh from england they are the most

422

00:18:09,750 --> 00:18:07,520

political one of the most political

423

00:18:11,669 --> 00:18:09,760

companies in the united states

424

00:18:12,870 --> 00:18:11,679

they're always injecting themselves into

425

00:18:15,350 --> 00:18:12,880

political

426

00:18:16,710 --> 00:18:15,360

situations you know like something will

427

00:18:18,470 --> 00:18:16,720

happen and they'll you know i'm

428

00:18:21,350 --> 00:18:18,480

surprised they're not making like mass

429

00:18:22,870 --> 00:18:21,360

murder uh you know prevention ice cream

430

00:18:24,789 --> 00:18:22,880

right now or something they're always

431

00:18:26,070 --> 00:18:24,799

injecting themselves in

432

00:18:28,789 --> 00:18:26,080

but it works for them it made them

433

00:18:31,590 --> 00:18:28,799

famous actually you know

434

00:18:33,590 --> 00:18:31,600

yeah yeah yeah and so it does work this

435

00:18:34,710 --> 00:18:33,600

ideological capture

436

00:18:36,710 --> 00:18:34,720

and

437

00:18:39,909 --> 00:18:36,720

but i think the ufo community is

438

00:18:42,070 --> 00:18:39,919

particularly particularly um

439

00:18:43,990 --> 00:18:42,080

susceptible to it and and the reason

440

00:18:47,430 --> 00:18:44,000

being is that that

441

00:18:48,710 --> 00:18:47,440

everybody's living in this space between

442

00:18:53,750 --> 00:18:48,720

um

443

00:18:56,630 --> 00:18:53,760

there's this little bit in the middle

444

00:18:59,190 --> 00:18:56,640

that says the facts hint at this

445

00:19:00,549 --> 00:18:59,200

but they're not enough to actually

446

00:19:01,669 --> 00:19:00,559

uh

447

00:19:04,230 --> 00:19:01,679

prove it

448

00:19:06,950 --> 00:19:04,240

and that's the problem so we all we all

449

00:19:09,029 --> 00:19:06,960

want to move the facts into

450

00:19:11,510 --> 00:19:09,039

this area that proves that we're being

451
00:19:13,590 --> 00:19:11,520
visited and

452
00:19:17,430 --> 00:19:13,600
that's that makes us particularly

453
00:19:20,070 --> 00:19:17,440
susceptible to people i think you know

454
00:19:23,350 --> 00:19:20,080
yeah and i also think you know i

455
00:19:26,150 --> 00:19:23,360
i i know for me

456
00:19:27,510 --> 00:19:26,160
yeah i know for me

457
00:19:28,789 --> 00:19:27,520
for one second

458
00:19:31,190 --> 00:19:28,799
no no

459
00:19:33,430 --> 00:19:31,200
i'm sorry i i was playing my own stream

460
00:19:37,190 --> 00:19:33,440
and it was doubling back to me sorry i

461
00:19:38,630 --> 00:19:37,200
uh i know for me that you know i i go

462
00:19:40,630 --> 00:19:38,640
i've i've

463
00:19:41,750 --> 00:19:40,640

some would say wasted i've spent so much

464

00:19:43,830 --> 00:19:41,760

time

465

00:19:45,029 --> 00:19:43,840

looking into so many of these different

466

00:19:46,950 --> 00:19:45,039

stories

467

00:19:49,190 --> 00:19:46,960

that when a new one comes along i feel

468

00:19:51,270 --> 00:19:49,200

almost obligated you know like well i've

469

00:19:53,190 --> 00:19:51,280

gone this far down a rabbit hole we'll

470

00:19:55,350 --> 00:19:53,200

we'll get into this story too and see if

471

00:19:57,750 --> 00:19:55,360

there's anything to this or if this is

472

00:20:00,789 --> 00:19:57,760

another hoax or garbage pedal

473

00:20:02,630 --> 00:20:00,799

pedal nonsense story you know

474

00:20:04,230 --> 00:20:02,640

it's about investment you don't want to

475

00:20:06,390 --> 00:20:04,240

admit that it's all [h__\h] if you've

476

00:20:09,909 --> 00:20:06,400

invested this much time into it but i'm

477

00:20:12,230 --> 00:20:09,919

quick i'm getting there you know

478

00:20:14,549 --> 00:20:12,240

well you know uh

479

00:20:17,190 --> 00:20:14,559

investing all this time isn't isn't

480

00:20:18,230 --> 00:20:17,200

wasted you know if you if you meet good

481

00:20:20,950 --> 00:20:18,240

people

482

00:20:23,350 --> 00:20:20,960

and and you you extend

483

00:20:25,350 --> 00:20:23,360

you know the hand of friendship and even

484

00:20:28,710 --> 00:20:25,360

if you disagree with people you know

485

00:20:30,549 --> 00:20:28,720

disagreement isn't hate you know and

486

00:20:32,830 --> 00:20:30,559

that that's always been my mantra as

487

00:20:35,909 --> 00:20:32,840

well uh there are plenty of people that

488

00:20:38,310 --> 00:20:35,919

try uh you just exist on twitter for

489

00:20:40,310 --> 00:20:38,320

more i've only been on twitter for

490

00:20:42,630 --> 00:20:40,320

about a week and a half two weeks you

491

00:20:46,149 --> 00:20:42,640

know and

492

00:20:48,549 --> 00:20:46,159

the ad hominem flies in you know people

493

00:20:51,750 --> 00:20:48,559

it is toxic over there man i just

494

00:20:54,870 --> 00:20:51,760

blocked i just blocked a very well known

495

00:20:56,870 --> 00:20:54,880

uh twitter ufo twitter troll and all he

496

00:20:58,470 --> 00:20:56,880

spends 10 hours a day arguing with

497

00:20:59,990 --> 00:20:58,480

people on twitter and i just said i'm

498

00:21:01,590 --> 00:21:00,000

not going to waste my time with this

499

00:21:03,029 --> 00:21:01,600

idiot his mind is made up don't bother

500

00:21:03,830 --> 00:21:03,039

him with the facts

501
00:21:06,070 --> 00:21:03,840
so

502
00:21:08,230 --> 00:21:06,080
and and you know if this guy were to

503
00:21:10,390 --> 00:21:08,240
communicate with me respectfully i i

504
00:21:13,110 --> 00:21:10,400
would never block anybody even if we

505
00:21:14,630 --> 00:21:13,120
disagree but if it's always like let me

506
00:21:17,750 --> 00:21:14,640
tweet something

507
00:21:18,789 --> 00:21:17,760
to uh to humiliate stephen campion or to

508
00:21:21,270 --> 00:21:18,799
you know

509
00:21:23,190 --> 00:21:21,280
tell people how stupid he is i'm not

510
00:21:25,590 --> 00:21:23,200
gonna i'm not gonna get involved in that

511
00:21:26,870 --> 00:21:25,600
anymore and that's what ufo twitter is

512
00:21:29,590 --> 00:21:26,880
to a large extent but there's good

513
00:21:31,029 --> 00:21:29,600

people too that i like hearing from so i

514

00:21:34,630 --> 00:21:31,039

stay

515

00:21:36,390 --> 00:21:34,640

yeah yeah absolutely um so but as i say

516

00:21:38,549 --> 00:21:36,400

one of the one of those other things

517

00:21:41,669 --> 00:21:38,559

that that i'm particularly concerned of

518

00:21:46,070 --> 00:21:41,679

at the moment is um

519

00:21:47,750 --> 00:21:46,080

the the activism that that's going on uh

520

00:21:59,270 --> 00:21:47,760

i

521

00:22:00,870 --> 00:21:59,280

the cause of ufology

522

00:22:02,710 --> 00:22:00,880

in let's say a more politically

523

00:22:05,110 --> 00:22:02,720

aggressive manner

524

00:22:07,669 --> 00:22:05,120

than there has been before uh

525

00:22:09,669 --> 00:22:07,679

that there's there's a trend at the

526
00:22:11,830 --> 00:22:09,679
moment where people are

527
00:22:14,630 --> 00:22:11,840
escalating

528
00:22:16,549 --> 00:22:14,640
minority issues for for their own

529
00:22:18,870 --> 00:22:16,559
purposes

530
00:22:20,789 --> 00:22:18,880
and that's that's a concern of mine a

531
00:22:22,549 --> 00:22:20,799
little bit that we might make enemies

532
00:22:23,669 --> 00:22:22,559
from people

533
00:22:26,630 --> 00:22:23,679
that that

534
00:22:30,870 --> 00:22:26,640
that aren't made by us but by people

535
00:22:34,310 --> 00:22:32,470
yeah you're right though about you know

536
00:22:36,390 --> 00:22:34,320
some people are so passionate about this

537
00:22:38,710 --> 00:22:36,400
that it seems like that they could

538
00:22:40,710 --> 00:22:38,720

you know i worry about things like that

539

00:22:42,549 --> 00:22:40,720

and i worry about the cult-like aspect

540

00:22:44,870 --> 00:22:42,559

of many of these

541

00:22:47,190 --> 00:22:44,880

you know sort of ufo gurus or ufo

542

00:22:49,350 --> 00:22:47,200

messiahs because some of these people

543

00:22:51,590 --> 00:22:49,360

it's like this could turn into heaven's

544

00:22:52,549 --> 00:22:51,600

gate real fast with

545

00:22:58,310 --> 00:22:52,559

the

546

00:23:00,950 --> 00:22:58,320

mentality and

547

00:23:02,870 --> 00:23:00,960

you know attacking critics and it's kind

548

00:23:05,830 --> 00:23:02,880

of crazy

549

00:23:08,310 --> 00:23:05,840

yeah yeah so

550

00:23:11,350 --> 00:23:08,320

what what i'm trying to foster with what

551

00:23:14,470 --> 00:23:11,360

i'm doing is is obviously discussion

552

00:23:17,190 --> 00:23:14,480

uh arming people with with the tools to

553

00:23:19,350 --> 00:23:17,200

see through these things not necessarily

554

00:23:21,270 --> 00:23:19,360

you know naming names when i do it i

555

00:23:22,549 --> 00:23:21,280

just leave it up to people read it or

556

00:23:25,270 --> 00:23:22,559

whatever

557

00:23:29,190 --> 00:23:25,280

but it is interesting how quickly you

558

00:23:31,029 --> 00:23:29,200

know people reach out to uh try to

559

00:23:33,669 --> 00:23:31,039

sort of

560

00:23:35,510 --> 00:23:33,679

try to defend their position you know

561

00:23:38,549 --> 00:23:35,520

another red flag for me is people who

562

00:23:39,669 --> 00:23:38,559

pretend that quantum physics is somehow

563

00:23:41,269 --> 00:23:39,679

um

564

00:23:43,590 --> 00:23:41,279

makes

565

00:23:45,269 --> 00:23:43,600

their fantasies come true

566

00:23:47,110 --> 00:23:45,279

you know um

567

00:23:48,830 --> 00:23:47,120

somebody tried to tell me

568

00:23:51,510 --> 00:23:48,840

just today that

569

00:23:54,549 --> 00:23:51,520

um that

570

00:23:56,710 --> 00:23:54,559

that two cars uh went through each other

571

00:23:59,269 --> 00:23:56,720

and passed out the other side and

572

00:24:01,510 --> 00:23:59,279

neither car was uh

573

00:24:03,350 --> 00:24:01,520

uh harmed

574

00:24:05,190 --> 00:24:03,360

so i said well prove it or it never

575

00:24:05,909 --> 00:24:05,200

happened where's the thing

576
00:24:08,310 --> 00:24:05,919
yeah

577
00:24:11,350 --> 00:24:08,320
it's quantum physics rich that's what it

578
00:24:12,950 --> 00:24:11,360
is yeah physics makes it possible but on

579
00:24:14,950 --> 00:24:12,960
a serious note

580
00:24:16,390 --> 00:24:14,960
i will say that i

581
00:24:18,310 --> 00:24:16,400
have done a lot of reading i've got a

582
00:24:19,830 --> 00:24:18,320
lot of books on physics here in this big

583
00:24:21,190 --> 00:24:19,840
bookshelf of mine

584
00:24:23,590 --> 00:24:21,200
and uh

585
00:24:25,350 --> 00:24:23,600
that that i'm able to wrap my brain

586
00:24:26,950 --> 00:24:25,360
around is pretty fascinating and i've

587
00:24:29,590 --> 00:24:26,960
often thought that

588
00:24:32,149 --> 00:24:29,600

given that the speed of light between

589

00:24:35,510 --> 00:24:32,159

worlds is even too slow that there may

590

00:24:36,630 --> 00:24:35,520

be if if aliens are real they may have

591

00:24:38,390 --> 00:24:36,640

developed things like quantum

592

00:24:39,909 --> 00:24:38,400

communication devices that they can

593

00:24:41,430 --> 00:24:39,919

communicate across

594

00:24:43,110 --> 00:24:41,440

you know hundreds of light years

595

00:24:44,630 --> 00:24:43,120

instantaneously through some sort of

596

00:24:46,710 --> 00:24:44,640

quantum connection

597

00:24:48,549 --> 00:24:46,720

or something like that that stuff is

598

00:24:51,350 --> 00:24:48,559

fascinating but you're right these guys

599

00:24:53,830 --> 00:24:51,360

for a while quantum was a buzzword that

600

00:24:55,669 --> 00:24:53,840

these ufo grifters would put in front of

601
00:24:57,830 --> 00:24:55,679
everything they would call it like

602
00:25:00,870 --> 00:24:57,840
quantum consciousness

603
00:25:03,029 --> 00:25:00,880
you know quantum energy quantum you know

604
00:25:05,669 --> 00:25:03,039
ascension they would just put quantum in

605
00:25:08,710 --> 00:25:05,679
front of it like that made it legitimate

606
00:25:10,630 --> 00:25:08,720
yeah cool bell jeremy corbell had his uh

607
00:25:13,029 --> 00:25:10,640
quantum martial arts didn't he because

608
00:25:17,110 --> 00:25:14,710
he used to teach something yeah i

609
00:25:20,230 --> 00:25:17,120
remember rightly and he he actually

610
00:25:24,390 --> 00:25:20,240
he actually pushed it as quantum yeah

611
00:25:25,750 --> 00:25:24,400
so yeah it it happens and um

612
00:25:28,149 --> 00:25:25,760
yeah

613
00:25:32,310 --> 00:25:28,159

so so i i go through and i put up these

614

00:25:34,149 --> 00:25:32,320

red flags and uh somebody dived into my

615

00:25:38,549 --> 00:25:34,159

uh

616

00:25:40,230 --> 00:25:38,559

saying hey it's not true that it's not

617

00:25:43,430 --> 00:25:40,240

true

618

00:25:45,750 --> 00:25:43,440

okay all right

619

00:25:48,149 --> 00:25:45,760

yeah if you if if

620

00:25:50,149 --> 00:25:48,159

if you would just like to have arguments

621

00:25:52,070 --> 00:25:50,159

a lot of arguments twitter is the best

622

00:25:54,710 --> 00:25:52,080

place for you to be if you like to argue

623

00:25:57,350 --> 00:25:54,720

with people all day needlessly it's the

624

00:25:58,710 --> 00:25:57,360

greatest place to be you know i i've

625

00:26:01,029 --> 00:25:58,720

learned my lesson though i try to not

626

00:26:02,710 --> 00:26:01,039

get sucked in now i just okay i'm gonna

627

00:26:04,950 --> 00:26:02,720

ignore this person being real nasty to

628

00:26:07,269 --> 00:26:04,960

me or saying i'm an idiot or whatever

629

00:26:09,029 --> 00:26:07,279

you know because if i do reply then

630

00:26:11,110 --> 00:26:09,039

he'll reply and i'll reply and i'm gonna

631

00:26:12,789 --> 00:26:11,120

be there for two hours arguing with

632

00:26:15,269 --> 00:26:12,799

somebody i don't even know who's

633

00:26:16,950 --> 00:26:15,279

probably a fake account anyway you know

634

00:26:18,789 --> 00:26:16,960

there's so many brand new twitter

635

00:26:21,190 --> 00:26:18,799

accounts with like no you know with like

636

00:26:23,430 --> 00:26:21,200

an alien picture for uh

637

00:26:25,269 --> 00:26:23,440

you know for for uh like an alien

638

00:26:27,269 --> 00:26:25,279

picture for the profile and and they

639

00:26:29,110 --> 00:26:27,279

just signed up last month

640

00:26:32,149 --> 00:26:29,120

yeah and it's

641

00:26:35,430 --> 00:26:32,159

that's just terrible well well manny

642

00:26:38,310 --> 00:26:35,440

manny you know area 502 uh

643

00:26:40,630 --> 00:26:38,320

he he called out that there was some uh

644

00:26:42,630 --> 00:26:40,640

twitter activism where it seemed that

645

00:26:44,390 --> 00:26:42,640

there were people i think there's about

646

00:26:46,310 --> 00:26:44,400

four that i saw that were people were

647

00:26:48,789 --> 00:26:46,320

putting uh

648

00:26:50,630 --> 00:26:48,799

why is nobody talking about the ufo

649

00:26:51,590 --> 00:26:50,640

hearings

650

00:26:53,909 --> 00:26:51,600

and

651
00:26:55,190 --> 00:26:53,919
when you drilled into the likes that sat

652
00:26:56,470 --> 00:26:55,200
underneath it

653
00:27:03,029 --> 00:26:56,480
there were

654
00:27:06,470 --> 00:27:03,039
yeah yeah he called that out so so

655
00:27:08,630 --> 00:27:06,480
elon's right uh twitter is rife with uh

656
00:27:10,549 --> 00:27:08,640
manufactured outrage i think you know

657
00:27:11,269 --> 00:27:10,559
and not all of it um

658
00:27:12,549 --> 00:27:11,279
yeah

659
00:27:14,230 --> 00:27:12,559
human

660
00:27:16,310 --> 00:27:14,240
yeah and that twitter that whole twitter

661
00:27:18,230 --> 00:27:16,320
deal might get shelved if if they don't

662
00:27:20,230 --> 00:27:18,240
fess up about just how many bots are on

663
00:27:22,630 --> 00:27:20,240

the platform because it seems like they

664

00:27:24,230 --> 00:27:22,640

said it was five percent and he

665

00:27:25,990 --> 00:27:24,240

i think did some sort of independent

666

00:27:27,029 --> 00:27:26,000

audit and found out it's more like 25

667

00:27:27,830 --> 00:27:27,039

percent

668

00:27:29,909 --> 00:27:27,840

of

669

00:27:32,389 --> 00:27:29,919

people on twitter are bots or fake or

670

00:27:34,310 --> 00:27:32,399

doubles of other people or sock accounts

671

00:27:38,470 --> 00:27:34,320

that's a lot

672

00:27:41,029 --> 00:27:38,480

absolutely absolutely and uh

673

00:27:43,110 --> 00:27:41,039

you your average user won't even sort of

674

00:27:45,750 --> 00:27:43,120

pick that up

675

00:27:48,070 --> 00:27:45,760

but but we can spot it fairly quick

676
00:27:50,389 --> 00:27:48,080
because we we're a small community so

677
00:27:54,310 --> 00:27:50,399
all of a sudden you see lots of

678
00:27:56,470 --> 00:27:54,320
lots of uh uh likes piling in by uh

679
00:27:58,230 --> 00:27:56,480
accounts that have only just had one or

680
00:28:00,870 --> 00:27:58,240
two tweets against them you know that

681
00:28:03,669 --> 00:28:00,880
that's a different to us you know

682
00:28:05,750 --> 00:28:03,679
yeah yeah so it seems to me that there's

683
00:28:07,590 --> 00:28:05,760
definitely some manipulation of the ufo

684
00:28:09,909 --> 00:28:07,600
community that goes on

685
00:28:12,070 --> 00:28:09,919
with bots and and other you know it

686
00:28:15,350 --> 00:28:12,080
almost seems like a psyop to me like why

687
00:28:18,230 --> 00:28:15,360
would people spend time and resources to

688
00:28:19,750 --> 00:28:18,240

to do that it's bizarro land to me you

689

00:28:20,789 --> 00:28:19,760

know

690

00:28:22,310 --> 00:28:20,799

well

691

00:28:23,990 --> 00:28:22,320

i've been thinking about this you know

692

00:28:25,750 --> 00:28:24,000

when we're talking about ideological

693

00:28:29,029 --> 00:28:25,760

capture and we're talking about some

694

00:28:31,190 --> 00:28:29,039

people gatekeeping uh in terms of uh

695

00:28:33,029 --> 00:28:31,200

their knowledge about ufos and things

696

00:28:35,750 --> 00:28:33,039

like that

697

00:28:38,870 --> 00:28:35,760

what's happening at the moment the big

698

00:28:40,710 --> 00:28:38,880

the big ticket thing is the um ufo

699

00:28:43,990 --> 00:28:40,720

hearings isn't it

700

00:28:46,549 --> 00:28:44,000

and who's who's going to be gatekeeping

701
00:28:48,549 --> 00:28:46,559
against the government well that's uh

702
00:28:50,950 --> 00:28:48,559
that's going to be mr elizondo and maybe

703
00:28:53,190 --> 00:28:50,960
the dod as well so

704
00:28:54,630 --> 00:28:53,200
are we are we seeing a capture of the

705
00:28:57,110 --> 00:28:54,640
government by the

706
00:28:58,789 --> 00:28:57,120
military and the secret services yeah i

707
00:29:01,350 --> 00:28:58,799
saw your tweet about that you said

708
00:29:02,870 --> 00:29:01,360
gatekeeping they all have they have all

709
00:29:04,549 --> 00:29:02,880
the secrets they hint at knowing

710
00:29:05,830 --> 00:29:04,559
something that is always out of reach

711
00:29:08,389 --> 00:29:05,840
but somehow

712
00:29:10,389 --> 00:29:08,399
if you do what they ask you might uh get

713
00:29:13,430 --> 00:29:10,399

to find out sound familiar you've been

714

00:29:14,870 --> 00:29:13,440

captured yeah

715

00:29:16,549 --> 00:29:14,880

yeah that does seem to be these

716

00:29:18,070 --> 00:29:16,559

gatekeepers too

717

00:29:19,990 --> 00:29:18,080

and and that relates to other things

718

00:29:22,950 --> 00:29:20,000

like gatekeepers of this secret

719

00:29:25,110 --> 00:29:22,960

knowledge right there's some people that

720

00:29:28,230 --> 00:29:25,120

this elizondo drives me nuts because he

721

00:29:30,630 --> 00:29:28,240

always seems to imply that he's got the

722

00:29:32,549 --> 00:29:30,640

smoking gun evidence and proof you know

723

00:29:35,190 --> 00:29:32,559

but he can't talk about it because of

724

00:29:37,110 --> 00:29:35,200

his security oath then why bring it up

725

00:29:39,510 --> 00:29:37,120

why hint around about it you know it

726
00:29:42,549 --> 00:29:39,520
seems convenient to me

727
00:29:45,830 --> 00:29:42,559
yeah yeah um i i mean i

728
00:29:47,669 --> 00:29:45,840
i fell for it for a while um and

729
00:29:49,750 --> 00:29:47,679
uh you know

730
00:29:52,830 --> 00:29:49,760
you don't know he might be telling the

731
00:29:56,310 --> 00:29:52,840
truth he he might be but

732
00:29:58,710 --> 00:29:56,320
but i i still don't think that they've

733
00:30:01,750 --> 00:29:58,720
got the right uh conditions for him to

734
00:30:05,110 --> 00:30:01,760
be for for us to be able to

735
00:30:06,870 --> 00:30:05,120
uh drill into what he actually

736
00:30:08,470 --> 00:30:06,880
wants to talk about because at the

737
00:30:11,510 --> 00:30:08,480
moment he'll go and sit before

738
00:30:14,549 --> 00:30:11,520

conference congress and he will still

739

00:30:17,750 --> 00:30:14,559

hide behind his nda because

740

00:30:18,789 --> 00:30:17,760

they need to put some legislation in

741

00:30:21,430 --> 00:30:18,799

to

742

00:30:24,470 --> 00:30:21,440

give him some kind of immunity

743

00:30:27,669 --> 00:30:24,480

so that he can talk with impunity and

744

00:30:32,710 --> 00:30:27,679

they can actually get from him

745

00:30:35,430 --> 00:30:32,720

what he knows or what he thinks he knows

746

00:30:36,950 --> 00:30:35,440

without his nda blocking it

747

00:30:38,470 --> 00:30:36,960

because he's he's just going to hide

748

00:30:40,310 --> 00:30:38,480

otherwise you know

749

00:30:42,070 --> 00:30:40,320

and i agree with you 100

750

00:30:44,549 --> 00:30:42,080

gatekeeping yeah i just heard him

751

00:30:46,789 --> 00:30:44,559

talking to a senator and and he said

752

00:30:48,950 --> 00:30:46,799

nothing for an hour you know he kind of

753

00:30:51,190 --> 00:30:48,960

talked in certain same same act he

754

00:30:53,110 --> 00:30:51,200

always does it kind of talks in circles

755

00:30:54,630 --> 00:30:53,120

you know there's this unknown threat

756

00:30:57,590 --> 00:30:54,640

we're not doing enough we have to do

757

00:31:00,310 --> 00:30:57,600

more we have to you know uh this could

758

00:31:02,310 --> 00:31:00,320

be a a big threat we have to do more to

759

00:31:05,509 --> 00:31:02,320

find out what's in our skies

760

00:31:07,430 --> 00:31:05,519

you know it's talking in circles though

761

00:31:08,470 --> 00:31:07,440

if he really you know i i don't

762

00:31:10,789 --> 00:31:08,480

understand

763

00:31:13,110 --> 00:31:10,799

i try to put myself in other people's

764

00:31:15,350 --> 00:31:13,120

places like if i was this guy and i

765

00:31:17,750 --> 00:31:15,360

really had smoking gun proof that these

766

00:31:19,990 --> 00:31:17,760

things are aliens visiting earth would i

767

00:31:23,029 --> 00:31:20,000

let an nda stop me from dropping that

768

00:31:24,230 --> 00:31:23,039

proof i i don't think i would i think

769

00:31:26,630 --> 00:31:24,240

you know what are they going to do to

770

00:31:28,789 --> 00:31:26,640

him if it's really true and he drops

771

00:31:30,310 --> 00:31:28,799

the proof that it's true

772

00:31:33,430 --> 00:31:30,320

what could they do to him you know

773

00:31:35,110 --> 00:31:33,440

arrest them by that the people would be

774

00:31:36,710 --> 00:31:35,120

people would the whole world would

775

00:31:37,509 --> 00:31:36,720

change and they wouldn't be able to put

776
00:31:40,149 --> 00:31:37,519
that

777
00:31:41,509 --> 00:31:40,159
you know uh toothpaste back in the tube

778
00:31:43,750 --> 00:31:41,519
you know

779
00:31:46,950 --> 00:31:43,760
yeah yeah um

780
00:31:48,789 --> 00:31:46,960
i i get it i i do get it and and i

781
00:31:51,750 --> 00:31:48,799
understand why

782
00:31:54,710 --> 00:31:51,760
he he could sit in this this little

783
00:31:55,750 --> 00:31:54,720
hinterland between sort of like fact and

784
00:31:58,070 --> 00:31:55,760
rumor

785
00:32:02,070 --> 00:31:58,080
uh because

786
00:32:04,389 --> 00:32:02,080
because that's where he he he's working

787
00:32:05,990 --> 00:32:04,399
and there is a danger to that i mean we

788
00:32:09,029 --> 00:32:06,000

saw what happened to chelsea manning we

789

00:32:11,190 --> 00:32:09,039

know we saw we saw what happened to uh

790

00:32:13,269 --> 00:32:11,200

julian assange you know

791

00:32:15,590 --> 00:32:13,279

uh if if a government really wants to

792

00:32:19,190 --> 00:32:15,600

get their teeth into someone they will

793

00:32:21,590 --> 00:32:19,200

but let's be honest um

794

00:32:23,830 --> 00:32:21,600

i don't see that happening to lou i

795

00:32:26,310 --> 00:32:23,840

really don't you know i don't see the

796

00:32:29,509 --> 00:32:26,320

kind of oppression

797

00:32:30,549 --> 00:32:29,519

that happened to gary mckinnon as well

798

00:32:32,710 --> 00:32:30,559

um

799

00:32:36,230 --> 00:32:32,720

happening to lou and he's been all over

800

00:32:37,509 --> 00:32:36,240

the movies and uh all over tv shows and

801
00:32:40,149 --> 00:32:37,519
things like that

802
00:32:43,269 --> 00:32:40,159
nobody's hooked him to one side and said

803
00:32:46,070 --> 00:32:43,279
stop it you know not that we know of

804
00:32:49,750 --> 00:32:46,080
anyway he hasn't mentioned it he

805
00:32:51,430 --> 00:32:49,760
certainly mentioned people are upset but

806
00:32:53,110 --> 00:32:51,440
has he been arrested has he been

807
00:32:54,789 --> 00:32:53,120
detained

808
00:32:56,710 --> 00:32:54,799
no yeah that's what i think about bob

809
00:32:58,149 --> 00:32:56,720
lazar as well if he was really dropping

810
00:33:00,149 --> 00:32:58,159
top secret information they would have

811
00:33:02,149 --> 00:33:00,159
rested his ass a long time ago

812
00:33:06,950 --> 00:33:02,159
and there seems to be at least here in

813
00:33:07,990 --> 00:33:06,960

the united states there seems to be uh

814

00:33:10,470 --> 00:33:08,000

this

815

00:33:12,630 --> 00:33:10,480

people use the term whistleblower now

816

00:33:15,190 --> 00:33:12,640

like completely loosely like luella

817

00:33:17,350 --> 00:33:15,200

zondo is a whistleblower corey goode is

818

00:33:18,470 --> 00:33:17,360

a secret space program whistleblower

819

00:33:20,630 --> 00:33:18,480

like that's

820

00:33:23,830 --> 00:33:20,640

garbage because real whistleblowers like

821

00:33:26,389 --> 00:33:23,840

chelsea manning or you know

822

00:33:28,149 --> 00:33:26,399

snowden they have consequences for their

823

00:33:29,669 --> 00:33:28,159

actions and these people never have any

824

00:33:31,990 --> 00:33:29,679

consequences but they claim to be

825

00:33:33,909 --> 00:33:32,000

whistleblowers what information are they

826

00:33:35,669 --> 00:33:33,919

giving us it's garbage information if it

827

00:33:36,470 --> 00:33:35,679

was real the government would prosecute

828

00:33:42,070 --> 00:33:36,480

them

829

00:33:45,909 --> 00:33:42,080

yeah exactly exactly so um it it's

830

00:33:48,230 --> 00:33:45,919

it just seems a bit bit strange so

831

00:33:51,669 --> 00:33:48,240

what we have to think about is

832

00:33:53,830 --> 00:33:51,679

why are they doing it what's their goal

833

00:33:55,990 --> 00:33:53,840

and and i don't think that's clear to us

834

00:33:57,590 --> 00:33:56,000

yet you know i mean they talk about this

835

00:33:59,029 --> 00:33:57,600

they took they they say they want

836

00:34:01,190 --> 00:33:59,039

disclosure

837

00:34:02,549 --> 00:34:01,200

uh but at the same breath and they say

838

00:34:05,110 --> 00:34:02,559

it already has someone who says it's

839

00:34:06,710 --> 00:34:05,120

already happened yeah yeah

840

00:34:10,069 --> 00:34:06,720

the double speak

841

00:34:12,389 --> 00:34:10,079

yeah yeah yeah it it it's very very

842

00:34:15,109 --> 00:34:12,399

strange you know um

843

00:34:16,790 --> 00:34:15,119

yeah to me disclosure would be 100

844

00:34:19,190 --> 00:34:16,800

smoking gun proof

845

00:34:20,869 --> 00:34:19,200

that aliens are visiting earth

846

00:34:22,470 --> 00:34:20,879

that to me would be

847

00:34:24,149 --> 00:34:22,480

disclosure but for them to say it's

848

00:34:25,909 --> 00:34:24,159

already happened why because we got

849

00:34:28,149 --> 00:34:25,919

three grainy videos out of the pentagon

850

00:34:30,230 --> 00:34:28,159

that proved nothing i i it's just part

851
00:34:32,710 --> 00:34:30,240
of their narrative though i guess

852
00:34:33,589 --> 00:34:32,720
yeah yeah but what are they after that's

853
00:34:37,270 --> 00:34:33,599
the

854
00:34:39,190 --> 00:34:37,280
bottom dollar question to me

855
00:34:40,790 --> 00:34:39,200
oh there you just said it the they're

856
00:34:41,909 --> 00:34:40,800
after the bottom dollar apparently

857
00:34:43,430 --> 00:34:41,919
because

858
00:34:45,030 --> 00:34:43,440
one thing you'll notice that all these

859
00:34:46,869 --> 00:34:45,040
characters in

860
00:34:49,190 --> 00:34:46,879
ufo land especially

861
00:34:50,629 --> 00:34:49,200
i view it as a pyramid

862
00:34:51,909 --> 00:34:50,639
and there's people at the top of that

863
00:34:54,069 --> 00:34:51,919

pyramid those are the people that are

864

00:34:55,270 --> 00:34:54,079

making literally millions of dollars off

865

00:34:56,869 --> 00:34:55,280

of this

866

00:34:58,550 --> 00:34:56,879

so to me

867

00:35:00,950 --> 00:34:58,560

once you're making millions of dollars

868

00:35:02,390 --> 00:35:00,960

at a certain profession even if it's all

869

00:35:04,230 --> 00:35:02,400

garbage information

870

00:35:06,710 --> 00:35:04,240

you're not going to stop you know look

871

00:35:08,470 --> 00:35:06,720

at greer he's made millions of dollars

872

00:35:09,670 --> 00:35:08,480

he comes out with a new documentary

873

00:35:12,390 --> 00:35:09,680

every year

874

00:35:14,550 --> 00:35:12,400

and he just repeats for 90 of the the

875

00:35:15,990 --> 00:35:14,560

new documentary he repeats the same crap

876

00:35:17,910 --> 00:35:16,000

that he's been saying for 20 years

877

00:35:18,710 --> 00:35:17,920

without evidence or proof

878

00:35:20,310 --> 00:35:18,720

and

879

00:35:22,230 --> 00:35:20,320

but i guess people keep buying it so he

880

00:35:25,430 --> 00:35:22,240

keeps putting them out

881

00:35:27,430 --> 00:35:25,440

yeah yeah yeah it's uh

882

00:35:29,589 --> 00:35:27,440

if there's people paying for it they'll

883

00:35:32,790 --> 00:35:29,599

they'll do it but

884

00:35:36,230 --> 00:35:32,800

i don't i don't know uh i think i mean

885

00:35:38,230 --> 00:35:36,240

lou's always talking about uh

886

00:35:41,910 --> 00:35:38,240

other other people acting behind the

887

00:35:43,349 --> 00:35:41,920

scenes with all of this so is

888

00:35:45,990 --> 00:35:43,359

is this still

889

00:35:48,630 --> 00:35:46,000

a secret services thing

890

00:35:51,030 --> 00:35:48,640

and if it is it wouldn't just be for

891

00:35:52,790 --> 00:35:51,040

money for them it would be

892

00:35:55,030 --> 00:35:52,800

some kind of

893

00:35:57,349 --> 00:35:55,040

objective that they're going for

894

00:35:58,470 --> 00:35:57,359

no i can't think it is i mean some

895

00:36:01,349 --> 00:35:58,480

people sit

896

00:36:04,390 --> 00:36:01,359

talk talk in the ufo community about uh

897

00:36:06,069 --> 00:36:04,400

they want to confuse the ufo community

898

00:36:07,510 --> 00:36:06,079

or they want to

899

00:36:10,150 --> 00:36:07,520

um

900

00:36:13,349 --> 00:36:10,160

damage the ufo community

901
00:36:15,670 --> 00:36:13,359
it's too small we're not a very big

902
00:36:17,670 --> 00:36:15,680
bunch of people really are we you know

903
00:36:18,950 --> 00:36:17,680
small subculture yeah

904
00:36:21,270 --> 00:36:18,960
yeah so

905
00:36:22,790 --> 00:36:21,280
what's the point

906
00:36:26,710 --> 00:36:22,800
everybody thinks

907
00:36:29,349 --> 00:36:26,720
most of us are crazy anyway so

908
00:36:32,150 --> 00:36:29,359
we're not listened to anyway

909
00:36:33,510 --> 00:36:32,160
other than other than maybe

910
00:36:36,470 --> 00:36:33,520
there's there's a few things that i've

911
00:36:39,990 --> 00:36:36,480
got in my head that could could be

912
00:36:42,710 --> 00:36:40,000
uh the first one could be that that

913
00:36:46,310 --> 00:36:42,720

there's been a leak at some point

914

00:36:47,589 --> 00:36:46,320

of of information that's got out

915

00:36:49,589 --> 00:36:47,599

uh

916

00:36:51,589 --> 00:36:49,599

or or

917

00:36:53,349 --> 00:36:51,599

as a community

918

00:36:55,750 --> 00:36:53,359

watch the military too much and they

919

00:36:56,790 --> 00:36:55,760

don't want us to

920

00:36:58,550 --> 00:36:56,800

so

921

00:37:00,630 --> 00:36:58,560

does that

922

00:37:03,430 --> 00:37:00,640

i think there's another one along the

923

00:37:08,550 --> 00:37:06,390

they might want to

924

00:37:10,630 --> 00:37:08,560

authorize more surveillance

925

00:37:12,550 --> 00:37:10,640

of of

926
00:37:14,150 --> 00:37:12,560
the country

927
00:37:16,470 --> 00:37:14,160
you know and they could do that under

928
00:37:18,870 --> 00:37:16,480
the guise of uh

929
00:37:21,510 --> 00:37:18,880
searching for ufos

930
00:37:23,270 --> 00:37:21,520
so it might be that one agency has got a

931
00:37:25,349 --> 00:37:23,280
set of data

932
00:37:27,430 --> 00:37:25,359
and another agency's got another set of

933
00:37:29,589 --> 00:37:27,440
data and they've got governance that

934
00:37:31,510 --> 00:37:29,599
prevents them from joining it together

935
00:37:33,270 --> 00:37:31,520
and having total mass spectrum

936
00:37:34,310 --> 00:37:33,280
surveillance

937
00:37:35,990 --> 00:37:34,320
you know

938
00:37:38,710 --> 00:37:36,000

you're right and a lot of people aren't

939

00:37:40,870 --> 00:37:38,720

aware i i study black projects as well

940

00:37:43,670 --> 00:37:40,880

as ufos and i've done a lot of research

941

00:37:45,430 --> 00:37:43,680

into black projects a lot of people uh i

942

00:37:47,750 --> 00:37:45,440

don't know about in england but in the

943

00:37:49,829 --> 00:37:47,760

united states people are totally unaware

944

00:37:52,470 --> 00:37:49,839

that the united states military right

945

00:37:55,349 --> 00:37:52,480

now has things like stealth blimps

946

00:37:57,750 --> 00:37:55,359

and uh you know all these crazy projects

947

00:37:59,349 --> 00:37:57,760

trillions of dollars being spent

948

00:38:01,430 --> 00:37:59,359

i believe that they have an incredible

949

00:38:04,390 --> 00:38:01,440

amount more surveillance than they than

950

00:38:05,990 --> 00:38:04,400

they let on that they have you know

951
00:38:08,310 --> 00:38:06,000
and wreaking havoc with the kind in

952
00:38:09,910 --> 00:38:08,320
generous 999 super chat says we all see

953
00:38:11,109 --> 00:38:09,920
how corrupt governments can be and how

954
00:38:15,829 --> 00:38:11,119
someone

955
00:38:17,910 --> 00:38:15,839
government says about uaps to me it's a

956
00:38:19,349 --> 00:38:17,920
huge nothing burger and i agree with you

957
00:38:20,950 --> 00:38:19,359
wreaking havoc thanks for your kindness

958
00:38:21,750 --> 00:38:20,960
generosity and support and the other

959
00:38:22,870 --> 00:38:21,760
thing

960
00:38:24,470 --> 00:38:22,880
is that

961
00:38:26,310 --> 00:38:24,480
the narrative used to be that the

962
00:38:28,390 --> 00:38:26,320
government's covering this all up but

963
00:38:29,829 --> 00:38:28,400

lately we're told that former government

964

00:38:31,990 --> 00:38:29,839

people are going to tell us the truth

965

00:38:34,069 --> 00:38:32,000

about those aliens it just it doesn't

966

00:38:36,390 --> 00:38:34,079

make any sense

967

00:38:38,870 --> 00:38:36,400

the narrative switched you know and now

968

00:38:40,550 --> 00:38:38,880

the narrative is sort of like well yeah

969

00:38:41,990 --> 00:38:40,560

the government did cover it up but there

970

00:38:44,150 --> 00:38:42,000

are good

971

00:38:46,150 --> 00:38:44,160

good people within the government that

972

00:38:47,910 --> 00:38:46,160

want the secret to come out so they're

973

00:38:49,270 --> 00:38:47,920

working behind the scenes to make that

974

00:38:50,790 --> 00:38:49,280

happen and they're fighting with the

975

00:38:51,510 --> 00:38:50,800

people that don't want it to come out

976

00:38:53,109 --> 00:38:51,520

and

977

00:38:55,670 --> 00:38:53,119

it's bizarre

978

00:38:58,310 --> 00:38:55,680

i've heard another one that one one of

979

00:39:02,310 --> 00:38:58,320

the emerging ones is that there that

980

00:39:04,550 --> 00:39:02,320

there is technology that's being held by

981

00:39:06,470 --> 00:39:04,560

a private contractor

982

00:39:08,710 --> 00:39:06,480

and its government

983

00:39:10,550 --> 00:39:08,720

its government people that are trying to

984

00:39:13,190 --> 00:39:10,560

wrestle that technology out of that

985

00:39:15,430 --> 00:39:13,200

contractors grasp

986

00:39:18,150 --> 00:39:15,440

um that that's another one that seems to

987

00:39:20,069 --> 00:39:18,160

be uh floated at the moment

988

00:39:21,190 --> 00:39:20,079

um

989

00:39:24,870 --> 00:39:21,200

yeah

990

00:39:26,870 --> 00:39:24,880

reasons i brought you here i'm sorry i

991

00:39:29,510 --> 00:39:26,880

got a little sidetracked is

992

00:39:32,630 --> 00:39:29,520

i was surprised to know that

993

00:39:35,349 --> 00:39:32,640

there's not this deluge of ufo stories

994

00:39:37,109 --> 00:39:35,359

in england that all of the ufo stuff you

995

00:39:39,349 --> 00:39:37,119

guys get is mostly coming out of the

996

00:39:42,710 --> 00:39:39,359

united states isn't that right

997

00:39:44,550 --> 00:39:42,720

yeah yeah the majority and uh and very

998

00:39:45,270 --> 00:39:44,560

often

999

00:39:51,109 --> 00:39:45,280

we

1000

00:39:53,829 --> 00:39:51,119

you know the guardian covers it uh the

1001
00:39:55,750 --> 00:39:53,839
sun the mail you know so so for those

1002
00:39:57,430 --> 00:39:55,760
that don't know guardians particularly

1003
00:40:00,710 --> 00:39:57,440
sort of like

1004
00:40:02,390 --> 00:40:00,720
left-wing son and the male

1005
00:40:04,150 --> 00:40:02,400
male's a little more

1006
00:40:07,190 --> 00:40:04,160
uh you got then you've got the right

1007
00:40:09,670 --> 00:40:07,200
wing like the cern and the express they

1008
00:40:12,150 --> 00:40:09,680
all have articles on and they all tend

1009
00:40:14,069 --> 00:40:12,160
to sort of reflect the personality of

1010
00:40:15,510 --> 00:40:14,079
the papers you know so

1011
00:40:18,470 --> 00:40:15,520
some of them are a little more

1012
00:40:21,109 --> 00:40:18,480
sensational um

1013
00:40:23,349 --> 00:40:21,119

and and then you have the uh

1014

00:40:25,030 --> 00:40:23,359

the the guardian that's that's quite a

1015

00:40:28,150 --> 00:40:25,040

lot more skeptical

1016

00:40:29,349 --> 00:40:28,160

um bbc didn't cover it until alex

1017

00:40:31,589 --> 00:40:29,359

dietrich

1018

00:40:33,670 --> 00:40:31,599

uh came forward to talk about it you

1019

00:40:35,829 --> 00:40:33,680

know because she was female and the bbc

1020

00:40:38,790 --> 00:40:35,839

are quite a feminist type

1021

00:40:40,069 --> 00:40:38,800

organization so they always say

1022

00:40:42,390 --> 00:40:40,079

i didn't know that so they're very

1023

00:40:43,910 --> 00:40:42,400

liberal and feminist and yeah yeah and

1024

00:40:47,030 --> 00:40:43,920

woke sort of

1025

00:40:49,190 --> 00:40:47,040

yeah yeah very much so so so once they

1026

00:40:51,030 --> 00:40:49,200

found once they found somebody that they

1027

00:40:53,109 --> 00:40:51,040

could identify with a bit more you know

1028

00:40:54,950 --> 00:40:53,119

they they started covering it and they

1029

00:40:57,349 --> 00:40:54,960

actually did quite quite an interesting

1030

00:40:59,430 --> 00:40:57,359

job with it and they brought in they

1031

00:41:02,710 --> 00:40:59,440

brought an indian guy in who i'd never

1032

00:41:04,309 --> 00:41:02,720

seen before to uh speak about it

1033

00:41:06,870 --> 00:41:04,319

um and

1034

00:41:09,750 --> 00:41:06,880

he spoke on a very sort of like high

1035

00:41:13,190 --> 00:41:09,760

level nebulous pseudo-religious

1036

00:41:14,790 --> 00:41:13,200

uh aspects of it um

1037

00:41:16,870 --> 00:41:14,800

so there is that's what he mentioned

1038

00:41:21,589 --> 00:41:16,880

consciousness

1039

00:41:25,030 --> 00:41:21,599

but um

1040

00:41:28,390 --> 00:41:25,040

the most interesting recent one has been

1041

00:41:29,750 --> 00:41:28,400

i suppose it was it was the uh bill

1042

00:41:33,030 --> 00:41:29,760

nelson

1043

00:41:36,230 --> 00:41:33,040

uh announcement that uh nasa was going

1044

00:41:38,950 --> 00:41:36,240

to be uh moving in and investigating

1045

00:41:40,550 --> 00:41:38,960

and i think that came up around the 27th

1046

00:41:43,109 --> 00:41:40,560

of may uh

1047

00:41:47,270 --> 00:41:43,119

recently

1048

00:41:50,309 --> 00:41:47,280

so so they are keeping they are keeping

1049

00:41:54,230 --> 00:41:51,349

but

1050

00:41:55,910 --> 00:41:54,240

i i guess the most interesting thing

1051
00:41:57,349 --> 00:41:55,920
that happened officially was i think

1052
00:41:58,950 --> 00:41:57,359
last year

1053
00:42:00,950 --> 00:41:58,960
they talked about it in the house of

1054
00:42:02,790 --> 00:42:00,960
lords

1055
00:42:04,309 --> 00:42:02,800
somebody was asking questions in the

1056
00:42:07,589 --> 00:42:04,319
house of lords and they brought somebody

1057
00:42:08,710 --> 00:42:07,599
in from the military to talk about uaps

1058
00:42:11,190 --> 00:42:08,720
because it was

1059
00:42:12,309 --> 00:42:11,200
it was on the back of the uh

1060
00:42:14,309 --> 00:42:12,319
um

1061
00:42:15,349 --> 00:42:14,319
the uap report

1062
00:42:17,109 --> 00:42:15,359
and

1063
00:42:19,910 --> 00:42:17,119

the military just said

1064

00:42:21,990 --> 00:42:19,920

there's no such thing as ufos we don't

1065

00:42:23,510 --> 00:42:22,000

we don't explore it at all end of

1066

00:42:25,670 --> 00:42:23,520

subject

1067

00:42:28,390 --> 00:42:25,680

uh it was literally just

1068

00:42:31,030 --> 00:42:28,400

shut up we don't do this and that was it

1069

00:42:33,030 --> 00:42:31,040

very very blunt

1070

00:42:34,470 --> 00:42:33,040

yeah you know one of the other

1071

00:42:36,790 --> 00:42:34,480

characters that i do when i ask you

1072

00:42:39,270 --> 00:42:36,800

about is nick pope because

1073

00:42:42,870 --> 00:42:39,280

i'm kind of fascinated by

1074

00:42:45,589 --> 00:42:42,880

i suppose the lack of uh

1075

00:42:46,950 --> 00:42:45,599

fact checking or research that the the

1076

00:42:49,030 --> 00:42:46,960

u.s

1077

00:42:51,750 --> 00:42:49,040

mainstream media does because i've seen

1078

00:42:53,510 --> 00:42:51,760

them on 100 different news stations

1079

00:42:56,550 --> 00:42:53,520

or not a hundred but i've seen them with

1080

00:42:58,309 --> 00:42:56,560

10 different mainstream media news

1081

00:42:59,589 --> 00:42:58,319

outlets and they put right under his

1082

00:43:01,990 --> 00:42:59,599

name

1083

00:43:03,190 --> 00:43:02,000

ran the british ufo

1084

00:43:05,589 --> 00:43:03,200

you know

1085

00:43:08,550 --> 00:43:05,599

british ufo investigator or ran the

1086

00:43:10,470 --> 00:43:08,560

british the secret british ufo

1087

00:43:12,790 --> 00:43:10,480

investigation group

1088

00:43:15,109 --> 00:43:12,800

and you know phil male and others got to

1089

00:43:17,349 --> 00:43:15,119

the british government who put out

1090

00:43:20,470 --> 00:43:17,359

letters that said he didn't investigate

1091

00:43:22,950 --> 00:43:20,480

ufos you know he was

1092

00:43:25,190 --> 00:43:22,960

he was a basically like a secretary he

1093

00:43:26,630 --> 00:43:25,200

was an administrative assistant

1094

00:43:30,309 --> 00:43:26,640

at in in

1095

00:43:32,390 --> 00:43:30,319

in a mod office ministry of defense so

1096

00:43:34,630 --> 00:43:32,400

what is the perception of him over there

1097

00:43:36,790 --> 00:43:34,640

is he perceived as credible over there

1098

00:43:37,670 --> 00:43:36,800

or because he is here and i don't know

1099

00:43:39,589 --> 00:43:37,680

why

1100

00:43:40,550 --> 00:43:39,599

he lied about his background yeah

1101

00:43:42,870 --> 00:43:40,560

well

1102

00:43:45,109 --> 00:43:42,880

nick pope is just nick pope you know

1103

00:43:46,710 --> 00:43:45,119

what i mean uh he's i think he's more in

1104

00:43:50,470 --> 00:43:46,720

america than he is in the uk

1105

00:43:53,190 --> 00:43:50,480

occasionally he's on but pretty much

1106

00:43:55,829 --> 00:43:53,200

he's he's in america uh

1107

00:43:57,670 --> 00:43:55,839

doesn't have much to do with the uk now

1108

00:43:59,910 --> 00:43:57,680

um

1109

00:44:02,470 --> 00:43:59,920

i mean i suppose it would be

1110

00:44:05,190 --> 00:44:02,480

a parallel would be i i used to work as

1111

00:44:07,589 --> 00:44:05,200

a clinical archivist

1112

00:44:08,390 --> 00:44:07,599

so i used to scan documents

1113

00:44:12,069 --> 00:44:08,400

all day

1114

00:44:17,670 --> 00:44:14,790

that would be the same as me saying that

1115

00:44:18,790 --> 00:44:17,680

i i was a scientist working on clinical

1116

00:44:20,150 --> 00:44:18,800

trials

1117

00:44:22,150 --> 00:44:20,160

you know

1118

00:44:24,550 --> 00:44:22,160

that's exactly the i think that's the

1119

00:44:26,710 --> 00:44:24,560

level that nick pope was in do you know

1120

00:44:29,510 --> 00:44:26,720

to me and he he he was an admin

1121

00:44:31,829 --> 00:44:29,520

assistant he was an archivist so ufo

1122

00:44:33,670 --> 00:44:31,839

reports might have gone over his desk he

1123

00:44:35,990 --> 00:44:33,680

might have filed them i don't think it's

1124

00:44:38,470 --> 00:44:36,000

any more than that yeah but you're right

1125

00:44:40,550 --> 00:44:38,480

he he sort of embellishes it

1126

00:44:42,470 --> 00:44:40,560

and even says he's like the british fox

1127

00:44:44,710 --> 00:44:42,480

mulder which would indicate that he like

1128

00:44:47,109 --> 00:44:44,720

jumped up from his desk ran out and

1129

00:44:49,270 --> 00:44:47,119

investigated those aliens you know

1130

00:44:52,069 --> 00:44:49,280

alien sightings or alien abductions or

1131

00:44:53,510 --> 00:44:52,079

ufo sightings and he never did any of

1132

00:44:55,589 --> 00:44:53,520

those things

1133

00:44:58,470 --> 00:44:55,599

and i'm kind of shocked that

1134

00:45:00,550 --> 00:44:58,480

the united states media just accepts him

1135

00:45:03,030 --> 00:45:00,560

for what he says you know it makes me

1136

00:45:04,950 --> 00:45:03,040

want to go say you know i don't know i

1137

00:45:05,910 --> 00:45:04,960

could go say i'm a you know

1138

00:45:08,550 --> 00:45:05,920

i don't know

1139

00:45:10,230 --> 00:45:08,560

nuclear physicist expert or something

1140

00:45:12,150 --> 00:45:10,240

you know like would they check

1141

00:45:14,230 --> 00:45:12,160

apparently not because they just put

1142

00:45:15,990 --> 00:45:14,240

right under his name like british ufo

1143

00:45:17,589 --> 00:45:16,000

expert okay

1144

00:45:19,510 --> 00:45:17,599

yeah you

1145

00:45:21,910 --> 00:45:19,520

i suppose if you if you're studying the

1146

00:45:24,150 --> 00:45:21,920

field you're a ufo expert aren't you you

1147

00:45:27,270 --> 00:45:24,160

know it doesn't really mean much

1148

00:45:30,550 --> 00:45:27,280

ufo experts then yeah yeah yeah you know

1149

00:45:32,710 --> 00:45:30,560

my my definition of an expert an ex is a

1150

00:45:34,630 --> 00:45:32,720

has been that the spurt is a drip under

1151

00:45:36,309 --> 00:45:34,640

pressure

1152

00:45:38,069 --> 00:45:36,319

somebody's mentioning that nick pope

1153

00:45:40,630 --> 00:45:38,079

charges 50 dollars a question i don't

1154

00:45:42,550 --> 00:45:40,640

know about that but he he did for a time

1155

00:45:44,069 --> 00:45:42,560

i have the screenshots of it he did for

1156

00:45:46,630 --> 00:45:44,079

a time offer

1157

00:45:50,069 --> 00:45:46,640

that you could get a skype call from him

1158

00:45:52,710 --> 00:45:50,079

for fifty dollars for five minutes

1159

00:45:54,470 --> 00:45:52,720

and at some of his ufo appearances you

1160

00:45:55,990 --> 00:45:54,480

can you could take a picture with him

1161

00:45:57,430 --> 00:45:56,000

and do a meet and greet for fifty

1162

00:45:58,470 --> 00:45:57,440

dollars or something like that that's

1163

00:46:00,630 --> 00:45:58,480

where this

1164

00:46:02,550 --> 00:46:00,640

these rumors of of nick pope he really

1165

00:46:03,990 --> 00:46:02,560

needs fifty dollars because he charges

1166

00:46:06,230 --> 00:46:04,000

people fifty dollars for like a

1167

00:46:08,710 --> 00:46:06,240

handshake and an autograph

1168

00:46:11,030 --> 00:46:08,720

at some of these ufo conferences

1169

00:46:12,790 --> 00:46:11,040

that's that's some ufo celebrity [h__h]

1170

00:46:15,750 --> 00:46:12,800

right there you know i'm in the wrong

1171

00:46:18,390 --> 00:46:15,760

business yeah wow fifty dollars for five

1172

00:46:19,670 --> 00:46:18,400

minutes wow

1173

00:46:24,390 --> 00:46:19,680

yeah

1174

00:46:26,069 --> 00:46:24,400

either well uh lindemont hell charges a

1175

00:46:28,790 --> 00:46:26,079

hundred dollars for an autograph on our

1176

00:46:30,630 --> 00:46:28,800

books at those conferences

1177

00:46:32,150 --> 00:46:30,640

that's interesting yeah you got to pay

1178

00:46:35,510 --> 00:46:32,160

her a hundred dollars to sign the book

1179

00:46:39,510 --> 00:46:37,750

good grief i really am in the wrong

1180

00:46:42,390 --> 00:46:39,520

business yeah

1181

00:46:44,230 --> 00:46:42,400

yeah so i i didn't realize that

1182

00:46:46,950 --> 00:46:44,240

and this is once again what i was saying

1183

00:46:48,870 --> 00:46:46,960

about people vulnerable to to this kind

1184

00:46:49,670 --> 00:46:48,880

of capture

1185

00:46:52,390 --> 00:46:49,680

um

1186

00:46:54,150 --> 00:46:52,400

most celebrities will sit in waterstones

1187

00:46:56,710 --> 00:46:54,160

or someplace like that and happily sign

1188

00:46:59,190 --> 00:46:56,720

off books and then then walk off

1189

00:47:00,870 --> 00:46:59,200

people don't need to pay it so

1190

00:47:04,470 --> 00:47:00,880

why wouldn't

1191

00:47:06,550 --> 00:47:04,480

uh linda molten how do it you know

1192

00:47:08,470 --> 00:47:06,560

yeah somebody's mentioning she's another

1193

00:47:09,829 --> 00:47:08,480

oh and thank you anthony peterson for

1194

00:47:11,910 --> 00:47:09,839

your kind of generous two dollar super

1195

00:47:13,829 --> 00:47:11,920

chat he says i want to believe

1196

00:47:16,390 --> 00:47:13,839

so do i but all these con artists make

1197

00:47:18,309 --> 00:47:16,400

it really hard to after a while i think

1198

00:47:20,069 --> 00:47:18,319

i'm getting bitter and jaded rich i

1199

00:47:22,790 --> 00:47:20,079

really am getting bitten jaded you know

1200

00:47:27,430 --> 00:47:22,800

with like each new revelation okay this

1201

00:47:32,150 --> 00:47:29,510

well do you know what i find though it

1202

00:47:33,829 --> 00:47:32,160

really has expanded my my sort of

1203

00:47:35,589 --> 00:47:33,839

knowledge because

1204

00:47:38,470 --> 00:47:35,599

you you have somebody coming along and

1205

00:47:39,349 --> 00:47:38,480

they're going to make ludicrous claims

1206

00:47:41,670 --> 00:47:39,359

uh

1207

00:47:44,309 --> 00:47:41,680

and what do you do you

1208

00:47:45,670 --> 00:47:44,319

you you go away and you research

1209

00:47:47,990 --> 00:47:45,680

so you

1210

00:47:50,390 --> 00:47:48,000

someone someone goes on about

1211

00:47:52,470 --> 00:47:50,400

quantum physics so i go okay

1212

00:47:54,470 --> 00:47:52,480

let me go and look up quantum physics so

1213

00:47:56,069 --> 00:47:54,480

i go and look it up and i find there's

1214

00:47:58,549 --> 00:47:56,079

tons and tons of different theories

1215

00:47:59,910 --> 00:47:58,559

about it so i follow them and i actually

1216

00:48:01,109 --> 00:47:59,920

know quite

1217

00:48:03,829 --> 00:48:01,119

a lot about

1218

00:48:05,670 --> 00:48:03,839

quantum physics in fact enough about it

1219

00:48:06,470 --> 00:48:05,680

to know that i don't know anything about

1220

00:48:08,069 --> 00:48:06,480

it

1221

00:48:09,750 --> 00:48:08,079

that's how i feel and i've read a lot of

1222

00:48:14,069 --> 00:48:09,760

books i still can't get my brain around

1223

00:48:17,510 --> 00:48:14,079

some of it yeah yeah so so if i if i

1224

00:48:19,910 --> 00:48:17,520

delve into it and i can't find in it

1225

00:48:21,349 --> 00:48:19,920

anywhere to do with what these people

1226

00:48:22,630 --> 00:48:21,359

claim

1227

00:48:27,910 --> 00:48:22,640

then

1228

00:48:29,910 --> 00:48:27,920

i've learned something throughout this

1229

00:48:32,309 --> 00:48:29,920

so i'm quite happy for people to come

1230

00:48:35,750 --> 00:48:32,319

and make ridiculous claims you know uh

1231

00:48:39,109 --> 00:48:35,760

and if it if it means that i can go away

1232

00:48:41,270 --> 00:48:39,119

and learn more for myself then

1233

00:48:43,670 --> 00:48:41,280

all that's all good you know i'm quite

1234

00:48:46,470 --> 00:48:43,680

happy i've come out of it

1235

00:48:48,950 --> 00:48:46,480

cleverer than i went in

1236

00:48:50,470 --> 00:48:48,960

yeah get i i suppose you're right and i

1237

00:48:53,030 --> 00:48:50,480

certainly enjoy

1238

00:48:54,790 --> 00:48:53,040

i i really enjoy my time like uh

1239

00:48:57,109 --> 00:48:54,800

researching things and investigating

1240

00:49:00,069 --> 00:48:57,119

them no matter what the outcome of of

1241

00:49:02,390 --> 00:49:00,079

the situation i i have a good time i do

1242

00:49:03,750 --> 00:49:02,400

a lot of phone work which is weird i get

1243

00:49:06,150 --> 00:49:03,760

a lot of information just from picking

1244

00:49:07,990 --> 00:49:06,160

up the phone and calling people and

1245

00:49:09,750 --> 00:49:08,000

seems like if it's not like i said i

1246

00:49:11,190 --> 00:49:09,760

call them right click researchers if

1247

00:49:13,349 --> 00:49:11,200

it's not on the internet people don't

1248

00:49:14,790 --> 00:49:13,359

find it you can get a lot of information

1249

00:49:16,710 --> 00:49:14,800

just call picking up the phone and

1250

00:49:18,710 --> 00:49:16,720

calling people within the government or

1251

00:49:21,270 --> 00:49:18,720

you know i've i've talked to police i've

1252

00:49:22,630 --> 00:49:21,280

talked to fbi i'm surprised

1253

00:49:23,990 --> 00:49:22,640

and uh

1254

00:49:25,349 --> 00:49:24,000

you know and i'm kind of self-taught

1255

00:49:26,630 --> 00:49:25,359

like i don't know how to do that so i

1256

00:49:29,430 --> 00:49:26,640

just tell them that i'm working on a

1257

00:49:30,790 --> 00:49:29,440

story they don't really ask for who most

1258

00:49:31,910 --> 00:49:30,800

of the time and they're willing to help

1259

00:49:33,829 --> 00:49:31,920

you you know

1260

00:49:35,670 --> 00:49:33,839

it's interesting but yeah i've enjoyed

1261

00:49:38,230 --> 00:49:35,680

my time even if i find out that people

1262

00:49:40,150 --> 00:49:38,240

are full [h__h] or the story's fake

1263

00:49:42,549 --> 00:49:40,160

yeah yeah i feel accomplished like okay

1264

00:49:44,950 --> 00:49:42,559

i've gotten that i've established here's

1265

00:49:46,630 --> 00:49:44,960

the reasons we found that the story is

1266

00:49:48,069 --> 00:49:46,640

fake and i can report it back to the

1267

00:49:50,470 --> 00:49:48,079

audience and

1268

00:49:52,069 --> 00:49:50,480

you know it's one more off the list you

1269

00:49:54,230 --> 00:49:52,079

know

1270

00:49:56,829 --> 00:49:54,240

and and this this is the value of doing

1271

00:49:58,390 --> 00:49:56,839

all of this you know um

1272

00:50:02,549 --> 00:49:58,400

and

1273

00:50:05,829 --> 00:50:02,559

if if people can just get over

1274

00:50:08,150 --> 00:50:05,839

their beliefs and and just realize that

1275

00:50:10,870 --> 00:50:08,160

that it is a belief and it's okay to

1276

00:50:13,990 --> 00:50:10,880

have a belief and it's okay to accept

1277

00:50:16,069 --> 00:50:14,000

that that belief might not be right

1278

00:50:19,109 --> 00:50:16,079

you know and and if you can do that then

1279

00:50:21,910 --> 00:50:19,119

this journey becomes a lot more easier

1280

00:50:22,790 --> 00:50:21,920

and a lot more um

1281

00:50:24,710 --> 00:50:22,800

uh

1282

00:50:26,630 --> 00:50:24,720

maybe more enjoyable it may be more

1283

00:50:28,710 --> 00:50:26,640

enjoyable they're not like bitter and

1284

00:50:30,470 --> 00:50:28,720

angry about it you know

1285

00:50:32,150 --> 00:50:30,480

yeah yeah because

1286

00:50:35,349 --> 00:50:32,160

because at the end of the day it is a

1287

00:50:36,870 --> 00:50:35,359

belief the facts don't support what we

1288

00:50:39,030 --> 00:50:36,880

all want to happen

1289

00:50:41,190 --> 00:50:39,040

they just don't you know

1290

00:50:44,150 --> 00:50:41,200

they're almost there and there's plenty

1291

00:50:47,270 --> 00:50:44,160

of innuendo and rumor there's

1292

00:50:50,230 --> 00:50:47,280

possibilities yeah yeah absolutely and

1293

00:50:53,430 --> 00:50:50,240

we can't say it can't happen because we

1294

00:50:54,470 --> 00:50:53,440

don't know what is impossible you know

1295

00:51:01,589 --> 00:50:54,480

so

1296

00:51:03,670 --> 00:51:01,599

have to say it's a belief and

1297

00:51:05,750 --> 00:51:03,680

that's it you know it's like a religion

1298

00:51:08,549 --> 00:51:05,760

you're right like i can't i can't prove

1299

00:51:11,190 --> 00:51:08,559

to you that jesus even existed i believe

1300

00:51:13,589 --> 00:51:11,200

it though i believe it but i can't 100

1301
00:51:15,430 --> 00:51:13,599
percent even prove that that that man

1302
00:51:17,670 --> 00:51:15,440
called jesus christ actually walked the

1303
00:51:19,430 --> 00:51:17,680
earth and existed as people said he did

1304
00:51:21,589 --> 00:51:19,440
i could show you evidence that he did i

1305
00:51:24,150 --> 00:51:21,599
could show you the scriptures but at the

1306
00:51:25,990 --> 00:51:24,160
end of the day i i have to go on faith

1307
00:51:28,150 --> 00:51:26,000
and that's how a lot of this works too

1308
00:51:29,750 --> 00:51:28,160
you know the problem is when you get to

1309
00:51:31,270 --> 00:51:29,760
these people that

1310
00:51:32,150 --> 00:51:31,280
i call it like

1311
00:51:33,990 --> 00:51:32,160
you know

1312
00:51:35,510 --> 00:51:34,000
some of these people are like

1313
00:51:37,750 --> 00:51:35,520

they don't have evidence or proof and

1314

00:51:40,390 --> 00:51:37,760

it's just like dude trust me this is

1315

00:51:42,309 --> 00:51:40,400

true you know that's not enough for me i

1316

00:51:43,589 --> 00:51:42,319

gotta have more you know i gotta have

1317

00:51:46,150 --> 00:51:43,599

some kind of

1318

00:51:48,309 --> 00:51:46,160

verifiable evidence

1319

00:51:51,030 --> 00:51:48,319

and this is the problem with with some

1320

00:51:53,510 --> 00:51:51,040

of the test testimony that we're getting

1321

00:51:56,390 --> 00:51:53,520

at the moment from the military uh

1322

00:51:58,790 --> 00:51:56,400

people just sit there and go is an f if

1323

00:52:00,309 --> 00:51:58,800

he's an f 18 pilot

1324

00:52:03,190 --> 00:52:00,319

you know what

1325

00:52:05,510 --> 00:52:03,200

uh are you going to take his word over

1326

00:52:07,829 --> 00:52:05,520

it and i go well his word is more

1327

00:52:08,710 --> 00:52:07,839

informed than most people

1328

00:52:10,790 --> 00:52:08,720

you know

1329

00:52:12,950 --> 00:52:10,800

but but at the end of the day it's still

1330

00:52:15,430 --> 00:52:12,960

an appeal to authority

1331

00:52:16,950 --> 00:52:15,440

you know which is a logical fallacy

1332

00:52:18,870 --> 00:52:16,960

um

1333

00:52:21,349 --> 00:52:18,880

at the end of the day everybody can make

1334

00:52:24,470 --> 00:52:21,359

a mistake or somebody can look at

1335

00:52:25,670 --> 00:52:24,480

something and it may look and move like

1336

00:52:28,230 --> 00:52:25,680

a a

1337

00:52:30,710 --> 00:52:28,240

an alien spaceship or you think it was

1338

00:52:32,870 --> 00:52:30,720

an alien spaceship but it might not be

1339

00:52:33,750 --> 00:52:32,880

you know it might be something else you

1340

00:52:35,829 --> 00:52:33,760

know

1341

00:52:37,190 --> 00:52:35,839

it could be counter measures

1342

00:52:39,430 --> 00:52:37,200

it could be

1343

00:52:42,390 --> 00:52:39,440

drone technology that that somebody's

1344

00:52:44,870 --> 00:52:42,400

deployed you know we don't know yet you

1345

00:52:46,549 --> 00:52:44,880

know um

1346

00:52:48,470 --> 00:52:46,559

and and that's that's a different thing

1347

00:52:50,150 --> 00:52:48,480

as well that everybody

1348

00:52:52,950 --> 00:52:50,160

everybody says

1349

00:52:55,430 --> 00:52:52,960

that the these ufos are aliens and they

1350

00:52:57,510 --> 00:52:55,440

always have been aliens since time

1351
00:52:59,670 --> 00:52:57,520
immemorial now it might be that some in

1352
00:53:01,670 --> 00:52:59,680
the past might have been the ones that

1353
00:53:03,670 --> 00:53:01,680
we're looking at now might not be they

1354
00:53:05,670 --> 00:53:03,680
might be something else

1355
00:53:08,069 --> 00:53:05,680
you know um that there's a lot of

1356
00:53:09,430 --> 00:53:08,079
different things that it could be and it

1357
00:53:12,230 --> 00:53:09,440
could have been at different things at

1358
00:53:14,470 --> 00:53:12,240
different times you know

1359
00:53:16,309 --> 00:53:14,480
yeah absolutely right i i

1360
00:53:18,790 --> 00:53:16,319
and also i have a real problem with

1361
00:53:20,790 --> 00:53:18,800
those people who go right to

1362
00:53:22,390 --> 00:53:20,800
go right to aliens you know it seems

1363
00:53:24,870 --> 00:53:22,400

like some people just want to believe so

1364

00:53:27,829 --> 00:53:24,880

badly we're seeing videos that are very

1365

00:53:29,990 --> 00:53:27,839

clearly birds with flapping wings but

1366

00:53:31,910 --> 00:53:30,000

people are saying no it's it's uap and

1367

00:53:34,470 --> 00:53:31,920

people are still on twitter right now as

1368

00:53:36,470 --> 00:53:34,480

we speak arguing that those aren't birds

1369

00:53:38,549 --> 00:53:36,480

if you zoom in on the on the objects in

1370

00:53:40,790 --> 00:53:38,559

the video you very clearly see something

1371

00:53:41,589 --> 00:53:40,800

flapping so to me

1372

00:53:46,309 --> 00:53:41,599

it's

1373

00:53:48,390 --> 00:53:46,319

but to some of these people that are so

1374

00:53:49,270 --> 00:53:48,400

invested in believing

1375

00:53:52,069 --> 00:53:49,280

you know

1376

00:53:57,030 --> 00:53:52,079

but this is this is nyuap discussion

1377

00:54:00,710 --> 00:53:57,829

yeah

1378

00:54:05,270 --> 00:54:00,720

i'm a bit concerned that that

1379

00:54:07,270 --> 00:54:05,280

i i i dropped him a note and i said uh

1380

00:54:10,390 --> 00:54:07,280

i suppose you'd have to tell me how much

1381

00:54:12,630 --> 00:54:10,400

but can you tell me did you pay i saw

1382

00:54:15,270 --> 00:54:12,640

that yeah and he didn't say anything he

1383

00:54:18,390 --> 00:54:15,280

hasn't replied so i'm i'm not going to

1384

00:54:20,870 --> 00:54:18,400

imply anything but i am concerned that

1385

00:54:23,510 --> 00:54:20,880

you know himself and people like jeremy

1386

00:54:25,510 --> 00:54:23,520

corbell you know

1387

00:54:27,349 --> 00:54:25,520

there's this there's possibly people

1388

00:54:29,270 --> 00:54:27,359

going look

1389

00:54:31,510 --> 00:54:29,280

took me a couple of thousand bucks and

1390

00:54:34,630 --> 00:54:31,520

i'll give you uh uh

1391

00:54:37,510 --> 00:54:34,640

a uap video and you can you can

1392

00:54:39,430 --> 00:54:37,520

sell it on the internet or whatever

1393

00:54:41,349 --> 00:54:39,440

i do i do wonder whether that some of

1394

00:54:42,789 --> 00:54:41,359

that financial exploitation might be

1395

00:54:44,069 --> 00:54:42,799

going on to some of these smaller

1396

00:54:45,829 --> 00:54:44,079

channels

1397

00:54:47,670 --> 00:54:45,839

yeah and there's a there's another issue

1398

00:54:50,470 --> 00:54:47,680

with that and that is that

1399

00:54:53,829 --> 00:54:50,480

i am questioning right now

1400

00:54:57,270 --> 00:54:53,839

what is the legality of taking a u.s

1401

00:54:59,349 --> 00:54:57,280

government funded video

1402

00:55:01,589 --> 00:54:59,359

that the taxpayers are paying the bill

1403

00:55:03,990 --> 00:55:01,599

for and then giving it to a private

1404

00:55:06,470 --> 00:55:04,000

individual who will then sell it at a

1405

00:55:08,870 --> 00:55:06,480

ufo conference for cash

1406

00:55:11,349 --> 00:55:08,880

i don't i don't know how that's legal

1407

00:55:13,109 --> 00:55:11,359

except that i doubt there's a law that

1408

00:55:15,589 --> 00:55:13,119

covers that you know what i mean like

1409

00:55:18,309 --> 00:55:15,599

they're not they didn't anticipate ufo

1410

00:55:20,230 --> 00:55:18,319

grifters so there's there's probably

1411

00:55:21,829 --> 00:55:20,240

no law that covers it but it just

1412

00:55:24,309 --> 00:55:21,839

doesn't make sense to me

1413

00:55:25,990 --> 00:55:24,319

you know oh and thanks martin wright as

1414

00:55:27,510 --> 00:55:26,000

well i just wanted to make sure that we

1415

00:55:28,870 --> 00:55:27,520

got all the super chats we always share

1416

00:55:31,190 --> 00:55:28,880

them all we've got

1417

00:55:33,270 --> 00:55:31,200

anthony peterson want to believe

1418

00:55:35,030 --> 00:55:33,280

yeah we did get them all

1419

00:55:37,109 --> 00:55:35,040

so i i know that you're short on time

1420

00:55:39,270 --> 00:55:37,119

and so am i today so we're going to wrap

1421

00:55:41,510 --> 00:55:39,280

things up here what what is it that

1422

00:55:43,510 --> 00:55:41,520

you're going to be this is my last

1423

00:55:44,390 --> 00:55:43,520

question and thanks uh wreaking havoc as

1424

00:55:46,710 --> 00:55:44,400

well

1425

00:55:48,950 --> 00:55:46,720

what is it that you're going to be

1426

00:55:51,109 --> 00:55:48,960

focused on or looking into in the next

1427

00:55:52,630 --> 00:55:51,119

couple of months

1428

00:55:54,549 --> 00:55:52,640

well

1429

00:55:56,710 --> 00:55:54,559

i suppose a lot of my

1430

00:55:59,910 --> 00:55:56,720

is a couple of things really the the

1431

00:56:03,349 --> 00:55:59,920

first thing is that we need to keep a

1432

00:56:06,789 --> 00:56:03,359

close eye on the disclosure process as

1433

00:56:09,030 --> 00:56:06,799

it's happening at the moment with uh

1434

00:56:11,750 --> 00:56:09,040

elizondo and is there going to be any

1435

00:56:13,910 --> 00:56:11,760

other hearings and who they're going to

1436

00:56:16,390 --> 00:56:13,920

call in etc that kind of thing that's

1437

00:56:18,549 --> 00:56:16,400

going to be fascinating

1438

00:56:20,150 --> 00:56:18,559

i'd i'd like

1439

00:56:23,270 --> 00:56:20,160

to

1440

00:56:26,470 --> 00:56:23,280

engage more with the ufo community

1441

00:56:29,430 --> 00:56:26,480

and i'll put it out on this channel here

1442

00:56:33,349 --> 00:56:31,910

do you feel vulnerable or exploited

1443

00:56:35,829 --> 00:56:33,359

sometime

1444

00:56:38,549 --> 00:56:35,839

you know uh let's have a discussion

1445

00:56:39,990 --> 00:56:38,559

let's have a discussion around this um i

1446

00:56:44,950 --> 00:56:40,000

don't want to

1447

00:56:47,910 --> 00:56:44,960

expose anybody or or or hurt them but if

1448

00:56:50,950 --> 00:56:47,920

people feel that they are under

1449

00:56:51,990 --> 00:56:50,960

uh pressure from somebody to

1450

00:56:55,430 --> 00:56:52,000

uh

1451
00:56:58,069 --> 00:56:55,440
be an activist or spread the word

1452
00:56:59,430 --> 00:56:58,079
or or do any of these things that that

1453
00:57:01,510 --> 00:56:59,440
that occult

1454
00:57:02,470 --> 00:57:01,520
type activities

1455
00:57:03,670 --> 00:57:02,480
you know

1456
00:57:07,030 --> 00:57:03,680
let me know

1457
00:57:07,910 --> 00:57:07,040
um and let's and and let's just discuss

1458
00:57:08,789 --> 00:57:07,920
it

1459
00:57:10,789 --> 00:57:08,799
um

1460
00:57:13,750 --> 00:57:10,799
it's it's important

1461
00:57:17,270 --> 00:57:13,760
that we we don't

1462
00:57:20,549 --> 00:57:17,280
become exploited either financially uh

1463
00:57:22,950 --> 00:57:20,559

politically or personally

1464

00:57:24,789 --> 00:57:22,960

yeah or emotionally like a lot of cults

1465

00:57:27,430 --> 00:57:24,799

will play on your emotions there's got

1466

00:57:28,549 --> 00:57:27,440

to be a reason you know i i've seen some

1467

00:57:34,150 --> 00:57:28,559

rabid

1468

00:57:35,430 --> 00:57:34,160

people's critics you know like we've

1469

00:57:38,950 --> 00:57:35,440

seen this

1470

00:57:41,510 --> 00:57:38,960

doxxing and harassmment and and it is

1471

00:57:42,950 --> 00:57:41,520

crazy it's it's cult-like that somebody

1472

00:57:45,430 --> 00:57:42,960

would go you know what i'm gonna do i'm

1473

00:57:46,950 --> 00:57:45,440

gonna perform an illegal act because i

1474

00:57:48,470 --> 00:57:46,960

don't like what that guy said about my

1475

00:57:50,950 --> 00:57:48,480

ufo hero

1476
00:57:53,190 --> 00:57:50,960
but that happens so that those people

1477
00:57:55,670 --> 00:57:53,200
are being manipulated and exploited

1478
00:57:57,910 --> 00:57:55,680
somehow to get to that point of

1479
00:57:59,589 --> 00:57:57,920
fervent you know adoration that they're

1480
00:58:02,870 --> 00:57:59,599
willing to risk

1481
00:58:04,950 --> 00:58:02,880
committing a crime to attack somebody's

1482
00:58:06,309 --> 00:58:04,960
critics it's crazy well we could see

1483
00:58:09,190 --> 00:58:06,319
what was happening to stephen green

1484
00:58:12,870 --> 00:58:09,200
street couldn't we you know with um

1485
00:58:15,349 --> 00:58:12,880
uh on on the uh uh

1486
00:58:18,950 --> 00:58:15,359
what's his name uh lou

1487
00:58:21,670 --> 00:58:18,960
from ucr yeah yeah ucr you know and uh

1488
00:58:25,270 --> 00:58:21,680

him getting notes to

1489

00:58:27,910 --> 00:58:25,280

say that he was a felon you know and

1490

00:58:29,589 --> 00:58:27,920

i don't know if somebody's done a crime

1491

00:58:33,589 --> 00:58:29,599

and they've done their time

1492

00:58:36,710 --> 00:58:35,190

let him get on with it so dragging up

1493

00:58:39,030 --> 00:58:36,720

someone's passion well i i actually

1494

00:58:41,109 --> 00:58:39,040

don't think that he is in fact

1495

00:58:42,390 --> 00:58:41,119

of the three people mentioned on that

1496

00:58:44,069 --> 00:58:42,400

list

1497

00:58:46,470 --> 00:58:44,079

or i'm sorry of the five people

1498

00:58:48,390 --> 00:58:46,480

mentioned in that text exchange i

1499

00:58:50,390 --> 00:58:48,400

verified with three of them

1500

00:58:52,549 --> 00:58:50,400

they're not convicted felons i haven't

1501
00:58:53,829 --> 00:58:52,559
heard back from two of them right but

1502
00:58:56,069 --> 00:58:53,839
i've got

1503
00:58:58,069 --> 00:58:56,079
messages on the record statements from

1504
00:59:00,549 --> 00:58:58,079
two of them which i guess i mean i could

1505
00:59:02,630 --> 00:59:00,559
say it's blake and brent cousins they

1506
00:59:05,829 --> 00:59:02,640
said it live on air with me they're not

1507
00:59:07,829 --> 00:59:05,839
felons and uh john from the black vault

1508
00:59:09,750 --> 00:59:07,839
told me no i'm not a felon and i'll pay

1509
00:59:11,430 --> 00:59:09,760
you if you want to do a background check

1510
00:59:12,630 --> 00:59:11,440
and prove it i'll pay for the background

1511
00:59:14,390 --> 00:59:12,640
check so

1512
00:59:15,910 --> 00:59:14,400
there's three of the five people

1513
00:59:18,390 --> 00:59:15,920

mentioned on that list that leaves green

1514

00:59:20,069 --> 00:59:18,400

street and greer who honestly i just

1515

00:59:21,750 --> 00:59:20,079

doubt they're both felons greer because

1516

00:59:23,510 --> 00:59:21,760

he was a medical doctor

1517

00:59:24,789 --> 00:59:23,520

i mean he may be but i don't think so

1518

00:59:26,470 --> 00:59:24,799

and and

1519

00:59:28,230 --> 00:59:26,480

you know a lot of people gave green

1520

00:59:29,510 --> 00:59:28,240

street flack for just not answering the

1521

00:59:31,109 --> 00:59:29,520

question

1522

00:59:32,390 --> 00:59:31,119

but it's his right to keep his privacy

1523

00:59:34,230 --> 00:59:32,400

and say i'm just not going to answer

1524

00:59:38,069 --> 00:59:34,240

this it's it's garbage you know

1525

00:59:39,829 --> 00:59:38,079

certainly exactly you know and um

1526

00:59:41,109 --> 00:59:39,839

yeah it's

1527

00:59:43,750 --> 00:59:41,119

say it's

1528

00:59:45,589 --> 00:59:43,760

it's just let let's just keep talking

1529

00:59:47,990 --> 00:59:45,599

let's keep looking after each other

1530

00:59:48,870 --> 00:59:48,000

let's keep but you know if somebody

1531

00:59:50,710 --> 00:59:48,880

feels

1532

00:59:52,309 --> 00:59:50,720

under any pressure or something like

1533

00:59:54,390 --> 00:59:52,319

that let's

1534

00:59:57,190 --> 00:59:54,400

let's bring this into the light

1535

00:59:59,750 --> 00:59:57,200

and and back people up if they are being

1536

01:00:01,670 --> 00:59:59,760

knocked down or or anything like that

1537

01:00:03,349 --> 01:00:01,680

you know

1538

01:00:05,670 --> 01:00:03,359

yeah i mean i'm fine with disagreements

1539

01:00:07,589 --> 01:00:05,680

but sometimes people take this just a

1540

01:00:09,670 --> 01:00:07,599

simple disagreement way too far and i

1541

01:00:12,150 --> 01:00:09,680

mean i'm passionate i'm guilty of that

1542

01:00:14,150 --> 01:00:12,160

myself you know right

1543

01:00:16,789 --> 01:00:14,160

it gets it gets out of hand when people

1544

01:00:19,270 --> 01:00:16,799

start uh really trying to damage the

1545

01:00:23,270 --> 01:00:19,280

other person you know

1546

01:00:24,870 --> 01:00:23,280

yeah yeah i i agree it can get tough and

1547

01:00:26,230 --> 01:00:24,880

um

1548

01:00:29,349 --> 01:00:26,240

i

1549

01:00:31,510 --> 01:00:29,359

to be honest because

1550

01:00:33,349 --> 01:00:31,520

um

1551

01:00:34,870 --> 01:00:33,359

it's

1552

01:00:37,349 --> 01:00:34,880

some sometimes

1553

01:00:38,150 --> 01:00:37,359

things get escalated too high don't they

1554

01:00:40,069 --> 01:00:38,160

and

1555

01:00:42,710 --> 01:00:40,079

uh yeah it's hard to pull it back yeah

1556

01:00:46,069 --> 01:00:42,720

it's hard it's it is hard to back down i

1557

01:00:50,069 --> 01:00:48,150

right well listen now we're right on the

1558

01:00:51,750 --> 01:00:50,079

hour here so i know it's like by the way

1559

01:00:53,430 --> 01:00:51,760

i just want to thank you but for the

1560

01:00:55,510 --> 01:00:53,440

audience that doesn't know it's like

1561

01:00:57,510 --> 01:00:55,520

three o'clock in the morning where rich

1562

01:00:58,309 --> 01:00:57,520

is right now and he still agreed to do

1563

01:01:00,470 --> 01:00:58,319

this

1564

01:01:01,990 --> 01:01:00,480

uh a really good guy and i'm glad that

1565

01:01:04,309 --> 01:01:02,000

you did this don't be a stranger i hope

1566

01:01:07,030 --> 01:01:04,319

you come back we're gonna do a big panel

1567

01:01:09,349 --> 01:01:07,040

for uh our two year anniversary july 5th

1568

01:01:11,589 --> 01:01:09,359

you're welcome to come to that as well

1569

01:01:13,990 --> 01:01:11,599

we'd like to welcome back all previous

1570

01:01:15,670 --> 01:01:14,000

guests to that big panel show

1571

01:01:17,030 --> 01:01:15,680

so you're welcome

1572

01:01:18,470 --> 01:01:17,040

thank you

1573

01:01:21,030 --> 01:01:18,480

all right i'm going to throw you on out

1574

01:01:22,710 --> 01:01:21,040

of here feel free to bounce on out

1575

01:01:24,390 --> 01:01:22,720

thank you rich

1576

01:01:27,349 --> 01:01:24,400

all right so now we've got a little more

1577

01:01:29,190 --> 01:01:27,359

perspective from over the pond

1578

01:01:30,309 --> 01:01:29,200

and uh interesting

1579

01:01:32,870 --> 01:01:30,319

that

1580

01:01:34,470 --> 01:01:32,880

maybe uh

1581

01:01:36,150 --> 01:01:34,480

it's interesting to me he's got

1582

01:01:38,390 --> 01:01:36,160

interesting perspectives into a lot of

1583

01:01:39,750 --> 01:01:38,400

this i like to see other people's

1584

01:01:42,549 --> 01:01:39,760

sort of

1585

01:01:45,190 --> 01:01:42,559

what they think is going on and and how

1586

01:01:46,069 --> 01:01:45,200

they perceive some of these things

1587

01:01:47,829 --> 01:01:46,079

uh

1588

01:01:50,710 --> 01:01:47,839

interesting to hear some of his thoughts

1589

01:01:54,710 --> 01:01:53,349

yeah so i've got just a few i got a

1590

01:01:56,630 --> 01:01:54,720

little bit more time if there's any

1591

01:01:59,029 --> 01:01:56,640

questions or comments from me please put

1592

01:02:00,309 --> 01:01:59,039

them in all caps we want to thank each

1593

01:02:02,789 --> 01:02:00,319

and every one of you for joining us we

1594

01:02:06,390 --> 01:02:02,799

want to thank our wonderful guests rich

1595

01:02:08,630 --> 01:02:06,400

ufo tech from across the pond

1596

01:02:12,069 --> 01:02:08,640

and we definitely want to thank our

1597

01:02:13,750 --> 01:02:12,079

patreon supporters paypal donators we'll

1598

01:02:15,990 --> 01:02:13,760

check in with that as well for those

1599

01:02:18,069 --> 01:02:16,000

unaware you can send a paypal donation

1600

01:02:19,510 --> 01:02:18,079

you can become a patreon supporter for

1601

01:02:22,710 --> 01:02:19,520

as little as a dollar a month you can

1602

01:02:24,549 --> 01:02:22,720

send a paypal donation or you can use

1603

01:02:29,349 --> 01:02:24,559

that money button down there while we're

1604

01:02:31,750 --> 01:02:29,359

live the paypal however you can uh use

1605

01:02:41,349 --> 01:02:31,760

paypal even if we're not broadcasting so

1606

01:02:45,510 --> 01:02:43,510

well i got a kind and generous donation

1607

01:02:47,910 --> 01:02:45,520

from speaker anyway

1608

01:02:49,829 --> 01:02:47,920

for fifty dollars so that's always nice

1609

01:02:51,109 --> 01:02:49,839

thank you speaker it's not a donation

1610

01:02:53,109 --> 01:02:51,119

that's the uh

1611

01:02:55,190 --> 01:02:53,119

audio ads

1612

01:02:56,309 --> 01:02:55,200

cash praise the cash for that though

1613

01:02:58,630 --> 01:02:56,319

right

1614

01:03:00,630 --> 01:02:58,640

uh and we want to thank mikey for kind

1615

01:03:01,750 --> 01:03:00,640

of generous two dollar

1616

01:03:03,430 --> 01:03:01,760

uh

1617

01:03:05,589 --> 01:03:03,440

donation i'm not sure that we called

1618

01:03:09,190 --> 01:03:05,599

that out before

1619

01:03:11,510 --> 01:03:09,200

uh or i'm sorry kind and generous

1620

01:03:12,950 --> 01:03:11,520

250 so thank you very much for your

1621

01:03:15,589 --> 01:03:12,960

kindness your generosity and your

1622

01:03:16,710 --> 01:03:15,599

support for those are aware i do extra

1623

01:03:18,870 --> 01:03:16,720

content

1624

01:03:21,029 --> 01:03:18,880

on patreon we need to put things behind

1625

01:03:22,230 --> 01:03:21,039

a paywall but the paywall is only a

1626

01:03:23,589 --> 01:03:22,240

dollar

1627

01:03:25,270 --> 01:03:23,599

so you could join patreon for as little

1628

01:03:27,910 --> 01:03:25,280

as a dollar a month and you get the

1629

01:03:30,789 --> 01:03:27,920

extra goodies uh this month i put up

1630

01:03:32,870 --> 01:03:30,799

some songs you've got a couple of videos

1631

01:03:35,430 --> 01:03:32,880

and a couple of videos

1632

01:03:36,789 --> 01:03:35,440

preview before they were debuted on the

1633

01:03:39,109 --> 01:03:36,799

main channel

1634

01:03:41,910 --> 01:03:39,119

also we have memberships now there is a

1635

01:03:44,870 --> 01:03:41,920

join button and i'm going to

1636

01:03:47,510 --> 01:03:44,880

honor those kind and generous members of

1637

01:03:50,470 --> 01:03:47,520

our channel every show that i remember

1638

01:03:53,270 --> 01:03:50,480

pardon me if i don't and we will call

1639

01:03:55,270 --> 01:03:53,280

out our our members on each and every

1640

01:03:57,029 --> 01:03:55,280

show to thank them for their kindness

1641

01:04:00,150 --> 01:03:57,039

their generosity and their support of

1642

01:04:02,069 --> 01:04:00,160

the show so the uh the paypal is a

1643

01:04:04,549 --> 01:04:02,079

dollar you get all these extra goodies

1644

01:04:07,750 --> 01:04:04,559

and the member the channel membership is

1645

01:04:10,069 --> 01:04:07,760

five dollars a month but you get some

1646

01:04:11,589 --> 01:04:10,079

youtube benefits and priority you get a

1647

01:04:14,230 --> 01:04:11,599

member badge

1648

01:04:16,549 --> 01:04:14,240

and you also get all of the patreon

1649

01:04:18,069 --> 01:04:16,559

benefits which i post to our members

1650

01:04:20,870 --> 01:04:18,079

section here

1651

01:04:23,190 --> 01:04:20,880

let me look at our members here

1652

01:04:25,510 --> 01:04:23,200

i'm going to see all our members thanks

1653

01:04:29,109 --> 01:04:25,520

to member tina

1654

01:04:32,710 --> 01:04:29,119

teeden carolyn burnett andy cartier

1655

01:04:34,950 --> 01:04:32,720

fraps app annie kurtz

1656

01:04:36,390 --> 01:04:34,960

babbs williamson

1657

01:04:38,710 --> 01:04:36,400

uh

1658

01:04:41,150 --> 01:04:38,720

is appraised the cash member gary arnold

1659

01:04:43,430 --> 01:04:41,160

has appraised the cash member we have

1660

01:04:45,829 --> 01:04:43,440

fernandulax and i'm doing much better at

1661

01:04:48,549 --> 01:04:45,839

pronouncing that for an ambulance every

1662

01:04:50,789 --> 01:04:48,559

time i say it thank you to reload reload

1663

01:04:52,069 --> 01:04:50,799

and also sid vich for being a channel

1664

01:04:54,390 --> 01:04:52,079

member

1665

01:04:55,670 --> 01:04:54,400

uh this is a viewer supported show

1666

01:04:58,789 --> 01:04:55,680

uh so

1667

01:05:00,950 --> 01:04:58,799

it really does help to uh to support the

1668

01:05:01,829 --> 01:05:00,960

show and keep the show going

1669

01:05:05,430 --> 01:05:01,839

so

1670

01:05:06,950 --> 01:05:05,440

uh success is reminding everyone how you

1671

01:05:09,109 --> 01:05:06,960

can become a member

1672

01:05:12,230 --> 01:05:09,119

and of course the link to join patreon

1673

01:05:14,309 --> 01:05:12,240

as well is in the about section or is in

1674

01:05:15,910 --> 01:05:14,319

the about of this video in the

1675

01:05:17,750 --> 01:05:15,920

description also

1676
01:05:19,910 --> 01:05:17,760
important to let people know that since

1677
01:05:21,670 --> 01:05:19,920
i hate putting people behind a paywall

1678
01:05:22,950 --> 01:05:21,680
and it's only a dollar if you really

1679
01:05:25,109 --> 01:05:22,960
like the show and you're having a tough

1680
01:05:27,589 --> 01:05:25,119
time all you have to do is email me at

1681
01:05:30,069 --> 01:05:27,599
trueseekershow gmail.com

1682
01:05:32,230 --> 01:05:30,079
and i will include you we have an email

1683
01:05:33,029 --> 01:05:32,240
list for people that are you know

1684
01:05:38,309 --> 01:05:33,039
uh

1685
01:05:39,829 --> 01:05:38,319
realize it is really you know tough out

1686
01:05:40,710 --> 01:05:39,839
there right now so

1687
01:05:41,990 --> 01:05:40,720
look

1688
01:05:44,150 --> 01:05:42,000

i hate putting these things behind a

1689

01:05:45,510 --> 01:05:44,160

paywall even though it's a dollar so if

1690

01:05:47,029 --> 01:05:45,520

you're really a big supporter of the

1691

01:05:49,390 --> 01:05:47,039

show and you'd like to get those

1692

01:05:52,549 --> 01:05:49,400

benefits just email me at

1693

01:05:54,150 --> 01:05:52,559

truthseekershow gmail.com i don't need

1694

01:05:55,670 --> 01:05:54,160

to know all the specifics just say hey

1695

01:05:59,349 --> 01:05:55,680

having a tough time i would like to be

1696

01:06:01,829 --> 01:05:59,359

on the patreon email list and every

1697

01:06:04,630 --> 01:06:01,839

month when i post the email or patreon

1698

01:06:06,630 --> 01:06:04,640

benefits i i send out to those people on

1699

01:06:08,710 --> 01:06:06,640

the email list

1700

01:06:11,670 --> 01:06:08,720

the same benefits and and again that's

1701

01:06:13,910 --> 01:06:11,680

true seeker show gmail.com

1702

01:06:15,190 --> 01:06:13,920

also looking for new guests so

1703

01:06:17,190 --> 01:06:15,200

if you have

1704

01:06:19,349 --> 01:06:17,200

an interest in strange and esoteric

1705

01:06:22,230 --> 01:06:19,359

subjects if you have had strange and

1706

01:06:23,990 --> 01:06:22,240

esoteric experiences or mysterious

1707

01:06:26,069 --> 01:06:24,000

experiences

1708

01:06:30,309 --> 01:06:26,079

please do email me at truthseekershow

1709

01:06:36,390 --> 01:06:33,990

to tarot is saying he'll email me great

1710

01:06:39,109 --> 01:06:36,400

and he's in the live chat or excuse me

1711

01:06:41,589 --> 01:06:39,119

he's in the facebook live chat welcome

1712

01:06:43,510 --> 01:06:41,599

to all our facebook live viewers

1713

01:06:45,430 --> 01:06:43,520

doterra heller is there and says i keep

1714

01:06:47,750 --> 01:06:45,440

an eye open my friends promise me that

1715

01:06:49,510 --> 01:06:47,760

if it looks bad grab your beautiful

1716

01:06:51,270 --> 01:06:49,520

family and head to the cabin i agree

1717

01:06:53,510 --> 01:06:51,280

that's one of the reasons i have it uh

1718

01:06:55,829 --> 01:06:53,520

jatero heller is

1719

01:06:58,230 --> 01:06:55,839

having a bug out location it's very safe

1720

01:07:00,150 --> 01:06:58,240

at my cabin and also there's plenty of

1721

01:07:03,029 --> 01:07:00,160

protein walking around in those woods

1722

01:07:05,510 --> 01:07:03,039

there is deer galore we've got pheasants

1723

01:07:08,069 --> 01:07:05,520

we've got wild turkey in a survival

1724

01:07:11,589 --> 01:07:08,079

situation oh and there's lakes all over

1725

01:07:14,230 --> 01:07:11,599

all around the cabin filled with uh bass

1726

01:07:15,829 --> 01:07:14,240

and trout and catfish and all kind of

1727

01:07:18,470 --> 01:07:15,839

fish so

1728

01:07:19,510 --> 01:07:18,480

if i was in a survival situation i

1729

01:07:21,430 --> 01:07:19,520

take

1730

01:07:23,349 --> 01:07:21,440

that very seriously when it comes to my

1731

01:07:25,750 --> 01:07:23,359

children and my family no matter what

1732

01:07:27,750 --> 01:07:25,760

happens my children still have to eat so

1733

01:07:29,990 --> 01:07:27,760

one of the reasons i have the cabin is

1734

01:07:32,470 --> 01:07:30,000

because it's perfect it's situated

1735

01:07:34,069 --> 01:07:32,480

perfectly in a survival situation we've

1736

01:07:37,430 --> 01:07:34,079

got hunting supplies there fishing

1737

01:07:39,029 --> 01:07:37,440

supplies there prepping supplies there

1738

01:07:41,910 --> 01:07:39,039

you know i've got extra batteries we've

1739

01:07:44,630 --> 01:07:41,920

got a solar system there

1740

01:07:45,990 --> 01:07:44,640

if i was in a survival situation

1741

01:07:49,190 --> 01:07:46,000

that would be

1742

01:07:51,589 --> 01:07:49,200

a dream place to be it's well stocked

1743

01:07:54,309 --> 01:07:51,599

and prepared for just such an event

1744

01:07:57,910 --> 01:07:54,319

and i try to not be too

1745

01:08:00,390 --> 01:07:57,920

uh apocalyptic but i will tell you all

1746

01:08:01,910 --> 01:08:00,400

my friends and audience members that

1747

01:08:03,750 --> 01:08:01,920

there are several things that are going

1748

01:08:04,870 --> 01:08:03,760

to be happening in the next six months

1749

01:08:07,589 --> 01:08:04,880

or a year

1750

01:08:08,950 --> 01:08:07,599

uh which i am very concerned with i

1751

01:08:10,630 --> 01:08:08,960

believe

1752

01:08:13,670 --> 01:08:10,640

that they're gonna and this is my

1753

01:08:15,190 --> 01:08:13,680

personal belief based on my own research

1754

01:08:17,349 --> 01:08:15,200

and logic

1755

01:08:18,709 --> 01:08:17,359

your opinion may vary feel free to

1756

01:08:20,390 --> 01:08:18,719

disagree with me

1757

01:08:21,829 --> 01:08:20,400

but i believe that there is going to be

1758

01:08:23,829 --> 01:08:21,839

food shortages

1759

01:08:25,430 --> 01:08:23,839

the likes of which the united states has

1760

01:08:27,189 --> 01:08:25,440

never seen before

1761

01:08:27,990 --> 01:08:27,199

and and it's coming

1762

01:08:29,669 --> 01:08:28,000

uh

1763

01:08:31,590 --> 01:08:29,679

a lot of people aren't aware but you

1764

01:08:33,349 --> 01:08:31,600

know ukraine

1765

01:08:35,189 --> 01:08:33,359

makes a lot of wheat for the rest of the

1766

01:08:37,030 --> 01:08:35,199

world we don't get our meat from them

1767

01:08:38,789 --> 01:08:37,040

but a lot of others do

1768

01:08:40,309 --> 01:08:38,799

so it's not going to be just the united

1769

01:08:43,189 --> 01:08:40,319

states food shortage it's going to be a

1770

01:08:44,870 --> 01:08:43,199

worldwide food shortage

1771

01:08:46,550 --> 01:08:44,880

also

1772

01:08:48,309 --> 01:08:46,560

russia is one of the world's leading

1773

01:08:49,749 --> 01:08:48,319

suppliers of

1774

01:08:51,590 --> 01:08:49,759

fertilizer

1775

01:08:53,669 --> 01:08:51,600

and

1776

01:08:55,990 --> 01:08:53,679

that's a big problem

1777

01:08:58,550 --> 01:08:56,000

because of the sanctions on russia

1778

01:09:00,550 --> 01:08:58,560

uh you can't get fertilizer from russia

1779

01:09:02,070 --> 01:09:00,560

meaning that a lot of farmers aren't

1780

01:09:04,630 --> 01:09:02,080

getting the fertilizer they need to

1781

01:09:06,470 --> 01:09:04,640

produce these huge massive amounts of

1782

01:09:07,669 --> 01:09:06,480

food that we all need here on this

1783

01:09:09,349 --> 01:09:07,679

planet

1784

01:09:11,669 --> 01:09:09,359

there's a lot of other reasons but those

1785

01:09:13,590 --> 01:09:11,679

are the two two of the major the other

1786

01:09:16,390 --> 01:09:13,600

the other thing is that

1787

01:09:19,990 --> 01:09:16,400

there are going to be continuing climbs

1788

01:09:22,309 --> 01:09:20,000

in pricing for for fuel and diesel fuel

1789

01:09:23,669 --> 01:09:22,319

especially and

1790

01:09:26,229 --> 01:09:23,679

people don't realize this but when

1791

01:09:28,390 --> 01:09:26,239

diesel fuel goes up in price everything

1792

01:09:31,189 --> 01:09:28,400

does because you need the diesel fuel to

1793

01:09:32,950 --> 01:09:31,199

get to put in the trucks to to truck

1794

01:09:35,349 --> 01:09:32,960

food everywhere

1795

01:09:36,950 --> 01:09:35,359

there's a whole lot of reasons but

1796

01:09:40,630 --> 01:09:36,960

i truly believe that we're heading

1797

01:09:43,590 --> 01:09:42,390

[h__\h] store that's that's the best way

1798

01:09:46,309 --> 01:09:43,600

that i could put it i think just gonna

1799

01:09:47,430 --> 01:09:46,319

be you think that prices are high right

1800

01:09:49,430 --> 01:09:47,440

now

1801

01:09:50,789 --> 01:09:49,440

i i think that you're in the next six

1802

01:09:54,070 --> 01:09:50,799

months to a year you're going to be

1803

01:09:55,830 --> 01:09:54,080

shocked at how crazy this inflation gets

1804

01:09:58,550 --> 01:09:55,840

and it there doesn't seem to be any end

1805

01:10:00,550 --> 01:09:58,560

in sight to these raising prices or the

1806

01:10:02,470 --> 01:10:00,560

way things are going here

1807

01:10:05,030 --> 01:10:02,480

gas keeps going up

1808

01:10:08,229 --> 01:10:05,040

and uh

1809

01:10:10,709 --> 01:10:08,239

food keeps going up you know

1810

01:10:12,910 --> 01:10:10,719

oh thank you aximus row with a kind and

1811

01:10:15,590 --> 01:10:12,920

generous ten dollars australian says a

1812

01:10:17,270 --> 01:10:15,600

contribution towards your email support

1813

01:10:18,950 --> 01:10:17,280

thanks for what you do steve busting

1814

01:10:20,550 --> 01:10:18,960

balls takes balls

1815

01:10:22,470 --> 01:10:20,560

thank you i appreciate your kindness

1816

01:10:23,270 --> 01:10:22,480

your generosity and your support of the

1817

01:10:25,030 --> 01:10:23,280

show

1818

01:10:26,950 --> 01:10:25,040

very very kind of you

1819

01:10:28,310 --> 01:10:26,960

uh we're going to find the cash clown

1820

01:10:30,310 --> 01:10:28,320

here to thank you

1821

01:10:32,470 --> 01:10:30,320

i'm still working on the new bumpers but

1822

01:10:34,950 --> 01:10:32,480

we'll have those soon in the meantime

1823

01:10:36,550 --> 01:10:34,960

here's our cash clown to thank you xmas

1824

01:10:41,030 --> 01:10:36,560

row and everybody else for helping us

1825

01:10:46,070 --> 01:10:42,830

right you guys praise the guys crazy

1826

01:10:48,149 --> 01:10:46,080

cash thank you for your kindness thank

1827

01:10:50,670 --> 01:10:48,159

you for your generosity

1828

01:10:57,830 --> 01:10:50,680

crazy cash crazy cash raise the cash

1829

01:11:02,470 --> 01:11:00,630

thank you very much xmas

1830

01:11:04,390 --> 01:11:02,480

there in florida says i feel it in my

1831

01:11:07,430 --> 01:11:04,400

gut i'm not sure what you feel in your

1832

01:11:09,350 --> 01:11:07,440

gut i missed the previous message

1833

01:11:11,430 --> 01:11:09,360

uh

1834

01:11:13,590 --> 01:11:11,440

yeah unknown center that's another issue

1835

01:11:15,750 --> 01:11:13,600

russia is stealing ukraine's wheat what

1836

01:11:16,950 --> 01:11:15,760

they planted this year they did not

1837

01:11:18,470 --> 01:11:16,960

plant

1838

01:11:20,070 --> 01:11:18,480

uh

1839

01:11:22,550 --> 01:11:20,080

they did not plant

1840

01:11:24,470 --> 01:11:22,560

as much wheat this year obviously as

1841

01:11:27,270 --> 01:11:24,480

they usually would

1842

01:11:29,910 --> 01:11:27,280

because of the of the war that's going

1843

01:11:32,470 --> 01:11:29,920

on right now but what we was there

1844

01:11:34,470 --> 01:11:32,480

russia is stealing by the shipload right

1845

01:11:36,149 --> 01:11:34,480

now that's why they want the donbass

1846

01:11:38,790 --> 01:11:36,159

region so that they can land lock

1847

01:11:40,390 --> 01:11:38,800

ukraine off take whatever resources they

1848

01:11:41,830 --> 01:11:40,400

want

1849

01:11:43,750 --> 01:11:41,840

and you know uh

1850

01:11:47,110 --> 01:11:43,760

that whole situation is very sad there's

1851
01:11:49,669 --> 01:11:47,120
millions of refugees these people these

1852
01:11:50,550 --> 01:11:49,679
i'm not taking sides who's right who's

1853
01:11:51,830 --> 01:11:50,560
wrong

1854
01:11:53,669 --> 01:11:51,840
but

1855
01:11:55,590 --> 01:11:53,679
i have seen all these news reports of

1856
01:11:57,910 --> 01:11:55,600
russians bombing schools and

1857
01:11:59,189 --> 01:11:57,920
kindergartens and hospitals

1858
01:12:01,350 --> 01:11:59,199
it's horrific

1859
01:12:02,870 --> 01:12:01,360
you know people sort of forget we're so

1860
01:12:03,990 --> 01:12:02,880
far removed

1861
01:12:05,910 --> 01:12:04,000
and

1862
01:12:08,390 --> 01:12:05,920
you know i would say if you're a praying

1863
01:12:10,550 --> 01:12:08,400

person pray for those people that are in

1864

01:12:12,310 --> 01:12:10,560

the war zone because war is hell it's

1865

01:12:17,669 --> 01:12:12,320

literally hell these people are going

1866

01:12:22,390 --> 01:12:20,790

yeah alex jones was right

1867

01:12:24,070 --> 01:12:22,400

and by the way i believe alex jones

1868

01:12:25,510 --> 01:12:24,080

predicted the russian war but that

1869

01:12:28,550 --> 01:12:25,520

wasn't hard to do while they were

1870

01:12:31,430 --> 01:12:28,560

amassing hundreds of thousands of troops

1871

01:12:33,510 --> 01:12:31,440

uh you know on the border of the country

1872

01:12:36,310 --> 01:12:33,520

they were intending to invade but still

1873

01:12:39,270 --> 01:12:36,320

he did predict that they would uh lord

1874

01:12:41,990 --> 01:12:39,280

ludacris i'd i don't believe so that not

1875

01:12:43,910 --> 01:12:42,000

that i have heard of but uh here in the

1876

01:12:45,750 --> 01:12:43,920

united states of course we've got a baby

1877

01:12:47,030 --> 01:12:45,760

formula shortage which is horrific if

1878

01:12:48,630 --> 01:12:47,040

you're a parent

1879

01:12:50,870 --> 01:12:48,640

me and my wife were just talking saying

1880

01:12:53,430 --> 01:12:50,880

that we're both so glad that

1881

01:12:57,669 --> 01:12:53,440

our children are above you know bottle

1882

01:13:01,510 --> 01:12:59,350

that's horrific imagine if you have a

1883

01:13:04,310 --> 01:13:01,520

baby and what if you have a baby and you

1884

01:13:06,070 --> 01:13:04,320

just can't breastfeed some women can't

1885

01:13:07,910 --> 01:13:06,080

for whatever reasons health reasons

1886

01:13:09,830 --> 01:13:07,920

whatever

1887

01:13:12,310 --> 01:13:09,840

you know

1888

01:13:14,790 --> 01:13:12,320

not being able to get baby formula for

1889

01:13:16,870 --> 01:13:14,800

your child it's horrific what's going on

1890

01:13:18,550 --> 01:13:16,880

in this country i

1891

01:13:20,149 --> 01:13:18,560

you know have lived through many things

1892

01:13:22,310 --> 01:13:20,159

911 and

1893

01:13:24,550 --> 01:13:22,320

you know all these wars

1894

01:13:26,630 --> 01:13:24,560

that never ended and and many other

1895

01:13:29,990 --> 01:13:26,640

things but

1896

01:13:32,870 --> 01:13:30,000

i have never been more concerned about

1897

01:13:34,870 --> 01:13:32,880

the future than i am right now

1898

01:13:37,030 --> 01:13:34,880

but part of that could be because i've

1899

01:13:39,110 --> 01:13:37,040

got two children and that makes you

1900

01:13:40,630 --> 01:13:39,120

worry a lot you know when it was just me

1901

01:13:42,950 --> 01:13:40,640

i was kind of like whatever happens

1902

01:13:44,790 --> 01:13:42,960

happens i'll survive i'll deal with it

1903

01:13:46,630 --> 01:13:44,800

but once you add those children and wife

1904

01:13:48,149 --> 01:13:46,640

to the equation

1905

01:13:49,750 --> 01:13:48,159

i take very seriously a man's

1906

01:13:52,790 --> 01:13:49,760

responsibility to protect to be the

1907

01:13:56,390 --> 01:13:52,800

protector and provider to the family

1908

01:13:58,870 --> 01:13:56,400

so uh i'm the worrying sort i guess too

1909

01:14:02,149 --> 01:13:58,880

but you know the cabin that i built has

1910

01:14:04,149 --> 01:14:02,159

made me worry a lot less because

1911

01:14:05,830 --> 01:14:04,159

everything there is designed that we

1912

01:14:08,149 --> 01:14:05,840

could survive

1913

01:14:10,229 --> 01:14:08,159

there on nothing you know

1914

01:14:13,030 --> 01:14:10,239

there's wood everywhere so there's wood

1915

01:14:15,110 --> 01:14:13,040

heaters we can always be warm

1916

01:14:16,870 --> 01:14:15,120

we can always cook our food there's

1917

01:14:18,950 --> 01:14:16,880

water nearby

1918

01:14:22,149 --> 01:14:18,960

um you know there's plenty of protein

1919

01:14:24,070 --> 01:14:22,159

walking around the cabin is well stocked

1920

01:14:27,110 --> 01:14:24,080

and that makes me worry less and then i

1921

01:14:29,350 --> 01:14:27,120

know that's a little strange right but

1922

01:14:31,590 --> 01:14:29,360

it's it's a feeling of comfort to me to

1923

01:14:33,590 --> 01:14:31,600

know that no matter what happens

1924

01:14:35,830 --> 01:14:33,600

uh in this country i have a place to

1925

01:14:37,669 --> 01:14:35,840

take my family to although be safe and

1926

01:14:39,430 --> 01:14:37,679

warm and hopefully fed

1927

01:14:40,550 --> 01:14:39,440

uh well-fed

1928

01:14:41,510 --> 01:14:40,560

yeah

1929

01:14:42,630 --> 01:14:41,520

so

1930

01:14:46,790 --> 01:14:42,640

uh

1931

01:14:49,189 --> 01:14:46,800

i wanted to mention that we're going to

1932

01:14:51,510 --> 01:14:49,199

be having these huge i just mentioned it

1933

01:14:53,510 --> 01:14:51,520

for a patreon video last night

1934

01:14:59,270 --> 01:14:53,520

i'm wrapping up these huge projects by

1935

01:15:04,070 --> 01:15:02,070

yeah shout out to

1936

01:15:05,990 --> 01:15:04,080

walter bosley from the walter bosley

1937

01:15:08,070 --> 01:15:06,000

channel wanted to find his uh he says be

1938

01:15:10,470 --> 01:15:08,080

cautious of news reports want to let

1939

01:15:13,030 --> 01:15:10,480

walter bosley and all of you know that

1940

01:15:16,310 --> 01:15:13,040

the the 75th anniversary of roswell is

1941

01:15:18,870 --> 01:15:16,320

coming up and uh i did a good thing and

1942

01:15:20,790 --> 01:15:18,880

i planned ahead i started interviewing

1943

01:15:23,189 --> 01:15:20,800

some time ago all the world's leading

1944

01:15:24,790 --> 01:15:23,199

experts on the roswell event

1945

01:15:27,350 --> 01:15:24,800

we've got walter bosley in there we've

1946

01:15:29,750 --> 01:15:27,360

got alien scientists in there we've got

1947

01:15:33,430 --> 01:15:29,760

don schmidt in there cal korff is in

1948

01:15:36,630 --> 01:15:33,440

there we've got tom carey we've got now

1949

01:15:41,590 --> 01:15:36,640

we've got michael schratt in there

1950

01:15:44,149 --> 01:15:41,600

and and uh kevin randle is interviewed

1951

01:15:46,470 --> 01:15:44,159

i had this selfish desire and thought

1952

01:15:47,990 --> 01:15:46,480

that if i uh

1953

01:15:49,830 --> 01:15:48,000

if i uh

1954

01:15:51,830 --> 01:15:49,840

if i could

1955

01:15:53,430 --> 01:15:51,840

i would inter like to interview all the

1956

01:15:56,070 --> 01:15:53,440

world's leading experts authors and

1957

01:15:57,750 --> 01:15:56,080

researchers on roswell and i was sure

1958

01:15:59,669 --> 01:15:57,760

that if i could just get to talk to all

1959

01:16:02,229 --> 01:15:59,679

those guys i could finally know the

1960

01:16:03,350 --> 01:16:02,239

truth and and make up my mind and to be

1961

01:16:05,030 --> 01:16:03,360

honest

1962

01:16:07,830 --> 01:16:05,040

i'm still on the fence but most of me

1963

01:16:10,149 --> 01:16:07,840

leads towards the alien hypothesis

1964

01:16:12,149 --> 01:16:10,159

for various reasons but anyway

1965

01:16:14,390 --> 01:16:12,159

the 75th anniversary of roswell is

1966

01:16:16,630 --> 01:16:14,400

coming up in just a few short weeks

1967

01:16:18,390 --> 01:16:16,640

really it's july 7th

1968

01:16:21,350 --> 01:16:18,400

most people would say you know some

1969

01:16:23,510 --> 01:16:21,360

people say that crashed earlier whatever

1970

01:16:26,950 --> 01:16:23,520

what whatever the official anniversary

1971

01:16:28,870 --> 01:16:26,960

is we're gonna broadcast all together

1972

01:16:30,870 --> 01:16:28,880

all the world's leading experts on the

1973

01:16:33,270 --> 01:16:30,880

roswell event i haven't decided what i'm

1974

01:16:36,310 --> 01:16:33,280

gonna call it yet i just think maybe

1975

01:16:38,310 --> 01:16:36,320

they're revisiting roswell the deep dive

1976

01:16:40,390 --> 01:16:38,320

because this thing's going to be like 12

1977

01:16:42,310 --> 01:16:40,400

or 14 hours long

1978

01:16:44,470 --> 01:16:42,320

and we're going to broadcast it on the

1979

01:16:46,550 --> 01:16:44,480

75th anniversary of roswell which i'm

1980

01:16:48,709 --> 01:16:46,560

very very excited about i think that it

1981

01:16:51,110 --> 01:16:48,719

could pick up some steam given the

1982

01:16:52,229 --> 01:16:51,120

attention that roswell gets hey if you

1983

01:16:54,950 --> 01:16:52,239

really want to know what happened at

1984

01:16:56,470 --> 01:16:54,960

roswell here's one thing that you can

1985

01:16:58,229 --> 01:16:56,480

sit through and i know it's going to be

1986

01:17:01,189 --> 01:16:58,239

long but some people like that it's

1987

01:17:03,270 --> 01:17:01,199

going to be super long here's one huge

1988

01:17:04,149 --> 01:17:03,280

broadcast that you can sit through and

1989

01:17:06,070 --> 01:17:04,159

hear

1990

01:17:08,550 --> 01:17:06,080

the opinion of all the world's leading

1991

01:17:10,229 --> 01:17:08,560

experts on the roswell event

1992

01:17:11,750 --> 01:17:10,239

we've also got this honest ufo

1993

01:17:14,149 --> 01:17:11,760

conference coming up which will be

1994

01:17:17,270 --> 01:17:14,159

several hours long and that has taken

1995

01:17:19,030 --> 01:17:17,280

together all of the masks and character

1996

01:17:20,470 --> 01:17:19,040

projects that we have done here over the

1997

01:17:23,110 --> 01:17:20,480

past two years

1998

01:17:24,630 --> 01:17:23,120

and we're putting them together

1999

01:17:28,070 --> 01:17:24,640

finally uh

2000

01:17:30,709 --> 01:17:28,080

two on june 5th it will be our just four

2001

01:17:33,030 --> 01:17:30,719

days from now june 5th this coming

2002

01:17:35,990 --> 01:17:33,040

sunday it will be our two year

2003

01:17:38,229 --> 01:17:36,000

anniversary of our show here and so

2004

01:17:40,070 --> 01:17:38,239

we're gonna do uh a sort of a

2005

01:17:43,030 --> 01:17:40,080

celebration and a panel show we're

2006

01:17:45,030 --> 01:17:43,040

inviting back all previous guests all

2007

01:17:46,950 --> 01:17:45,040

previous panel members or even new panel

2008

01:17:49,030 --> 01:17:46,960

members if you'd like to participate in

2009

01:17:51,030 --> 01:17:49,040

the panel show you can email me at

2010

01:17:52,550 --> 01:17:51,040

truseekershow gmail.com but we're

2011

01:17:55,270 --> 01:17:52,560

really going to open it up and just put

2012

01:17:58,149 --> 01:17:55,280

the invitation to join the stream

2013

01:17:59,510 --> 01:17:58,159

and join the party in the live chat and

2014

01:18:01,669 --> 01:17:59,520

on twitter

2015

01:18:03,750 --> 01:18:01,679

uh the only thing we ask is no nudity

2016

01:18:05,990 --> 01:18:03,760

and yes i have to say that kate

2017

01:18:09,110 --> 01:18:06,000

schneider is here i call her mrs dark

2018

01:18:13,669 --> 01:18:11,189

uh yeah how's that where's that

2019

01:18:15,830 --> 01:18:13,679

interview how's that interview going he

2020

01:18:18,630 --> 01:18:15,840

bust his balls for me again i know he's

2021

01:18:21,110 --> 01:18:18,640

busy he's i think wait isn't he

2022

01:18:22,390 --> 01:18:21,120

broadcasting right now doesn't he have a

2023

01:18:23,910 --> 01:18:22,400

show right now

2024

01:18:25,590 --> 01:18:23,920

because if you're in my live chat

2025

01:18:27,910 --> 01:18:25,600

instead of his he probably isn't going

2026

01:18:30,550 --> 01:18:27,920

to like that

2027

01:18:32,870 --> 01:18:30,560

we have mrs dark journalist here kate

2028

01:18:34,630 --> 01:18:32,880

schneider

2029

01:18:37,270 --> 01:18:34,640

yeah he's live right now and you're in

2030

01:18:39,350 --> 01:18:37,280

my live chat oh you're in trouble girl

2031

01:18:41,189 --> 01:18:39,360

you're in trouble now

2032

01:18:43,510 --> 01:18:41,199

okay schneider says i'll bring the wine

2033

01:18:45,030 --> 01:18:43,520

great great i'm gonna get some beer i'm

2034

01:18:46,149 --> 01:18:45,040

not a wine guy

2035

01:18:48,070 --> 01:18:46,159

oh okay

2036

01:18:50,870 --> 01:18:48,080

kate says she's going in and out of both

2037

01:18:52,870 --> 01:18:50,880

streams yeah that might be and thank him

2038

01:18:55,910 --> 01:18:52,880

for me that might be why we had low

2039

01:18:59,270 --> 01:18:55,920

numbers tonight kate

2040

01:19:00,950 --> 01:18:59,280

son of a [h__h] take my audience members

2041

01:19:02,870 --> 01:19:00,960

uh my audience members will catch the

2042

01:19:03,990 --> 01:19:02,880

replay though so i'm i'm kind of okay

2043

01:19:10,709 --> 01:19:04,000

with it

2044

01:19:12,149 --> 01:19:10,719

you know i'd like to hang out with him

2045

01:19:13,669 --> 01:19:12,159

someday i'm gonna have a beer i'm gonna

2046

01:19:16,550 --> 01:19:13,679

buy him a beer i'm gonna come to boston

2047

01:19:19,350 --> 01:19:16,560

and buy him a beer uh i'd like to see

2048

01:19:20,630 --> 01:19:19,360

him out out of that uh you know men in

2049

01:19:22,709 --> 01:19:20,640

black suit

2050

01:19:25,990 --> 01:19:22,719

right i'd like to see him in his pajamas

2051

01:19:28,630 --> 01:19:26,000

just because i'm twisted like that kate

2052

01:19:30,709 --> 01:19:28,640

she says he's dark journalist is very

2053

01:19:33,669 --> 01:19:30,719

chill well good for him

2054

01:19:34,950 --> 01:19:33,679

he's a lucky guy i'll tell you that

2055

01:19:36,790 --> 01:19:34,960

all right

2056

01:19:38,149 --> 01:19:36,800

so uh that's all i got for you folks

2057

01:19:41,030 --> 01:19:38,159

we're going to bounce on out of here

2058

01:19:43,590 --> 01:19:41,040

call this a short one i uh

2059

01:19:45,189 --> 01:19:43,600

i want to thank our guest rich ufo tech

2060

01:19:47,110 --> 01:19:45,199

i'm sure he's going to be back i've

2061

01:19:49,669 --> 01:19:47,120

heard him talking

2062

01:19:51,430 --> 01:19:49,679

on other shows and i thought this guy's

2063

01:19:53,830 --> 01:19:51,440

pretty smart and he has a lot of good

2064

01:19:56,229 --> 01:19:53,840

insights into this whole phenomenon and

2065

01:19:57,669 --> 01:19:56,239

the characters inside conspiracy land i

2066

01:19:59,830 --> 01:19:57,679

want to talk to him

2067

01:20:01,990 --> 01:19:59,840

this show is wonderful in that it gives

2068

01:20:03,830 --> 01:20:02,000

me an opportunity it gives me a passport

2069

01:20:05,430 --> 01:20:03,840

really to talk to some interesting and

2070

01:20:07,590 --> 01:20:05,440

amazing people

2071

01:20:09,430 --> 01:20:07,600

by the way you audio files we'll see i

2072

01:20:11,990 --> 01:20:09,440

did something i hate to do the

2073

01:20:15,110 --> 01:20:12,000

microphone is right in the shot i don't

2074

01:20:17,270 --> 01:20:15,120

like it in the shot but you know given

2075

01:20:19,270 --> 01:20:17,280

the terrible audio quality and i get it

2076

01:20:21,350 --> 01:20:19,280

yesterday was terrible we had all these

2077

01:20:23,030 --> 01:20:21,360

settings were wrong and i didn't know it

2078

01:20:26,629 --> 01:20:23,040

i just went live

2079

01:20:28,790 --> 01:20:26,639

not knowing it and uh you know

2080

01:20:30,310 --> 01:20:28,800

these things happen with a new studio uh

2081

01:20:32,149 --> 01:20:30,320

it's a live show we're gonna roll with

2082

01:20:34,310 --> 01:20:32,159

the punches i'll see if i can't filter

2083

01:20:37,750 --> 01:20:34,320

it up for the audio podcast or fix it

2084

01:20:39,189 --> 01:20:37,760

somehow but i think it's pretty terrible

2085

01:20:41,669 --> 01:20:39,199

and also

2086

01:20:44,390 --> 01:20:41,679

you guys might want to see my my 10 lies

2087

01:20:47,030 --> 01:20:44,400

rant uh thanks to spooky

2088

01:20:47,990 --> 01:20:47,040

somebody asked me if spooky's back and

2089

01:20:50,229 --> 01:20:48,000

uh

2090

01:20:51,270 --> 01:20:50,239

i don't know i think yeah we have to

2091

01:20:52,310 --> 01:20:51,280

talk about it

2092

01:20:54,629 --> 01:20:52,320

uh

2093

01:20:56,709 --> 01:20:54,639

spooky is very very busy person

2094

01:20:59,510 --> 01:20:56,719

uh but once in a while i guess uh may

2095

01:21:02,070 --> 01:20:59,520

have time to to help us so these

2096

01:21:04,709 --> 01:21:02,080

thumbnails these excellent yeah somebody

2097

01:21:06,870 --> 01:21:04,719

met yeah thanks spooky somebody said the

2098

01:21:09,270 --> 01:21:06,880

shitty thumbnails are gone spooky must

2099

01:21:19,990 --> 01:21:09,280

be back yeah look i'm not that great at

2100

01:21:26,870 --> 01:21:22,070

did he did he

2101

01:21:31,830 --> 01:21:29,750

uh as man she's going back

2102

01:21:33,669 --> 01:21:31,840

kate schneider is dark journalist's

2103

01:21:35,430 --> 01:21:33,679

girlfriend i call her mrs dark

2104

01:21:37,270 --> 01:21:35,440

journalist and i was making fun of her

2105

01:21:38,709 --> 01:21:37,280

because dark journalist is broadcasting

2106

01:21:41,189 --> 01:21:38,719

right now and she's here in our live

2107

01:21:42,950 --> 01:21:41,199

chat but in her defense she said she's

2108

01:21:44,950 --> 01:21:42,960

bouncing back and forth between the two

2109

01:21:47,669 --> 01:21:44,960

live chats so

2110

01:21:53,270 --> 01:21:50,709

kevin uh email me some more information

2111

01:21:55,590 --> 01:21:53,280

or links about that i would be i would

2112

01:21:56,950 --> 01:21:55,600

love to know more about it

2113

01:21:58,709 --> 01:21:56,960

i think i've heard of that but i'm not

2114

01:22:00,950 --> 01:21:58,719

very familiar so email me at

2115

01:22:03,110 --> 01:22:00,960

truthseekershow gmail.com i'd like to

2116

01:22:07,189 --> 01:22:03,120

look into that for you

2117

01:22:08,870 --> 01:22:07,199

and uh ufo google's

2118

01:22:10,149 --> 01:22:08,880

ufos

2119

01:22:12,390 --> 01:22:10,159

if

2120

01:22:16,229 --> 01:22:12,400

get me a time stamp i'm trying to let

2121

01:22:24,390 --> 01:22:17,990

uh yeah

2122

01:22:29,430 --> 01:22:26,470

you know and also what's funny uh kate

2123

01:22:31,669 --> 01:22:29,440

schneider is that a journalist recently

2124

01:22:33,510 --> 01:22:31,679

is milking me for a story he's writing

2125

01:22:34,550 --> 01:22:33,520

uh and i mean like a newspaper

2126
01:22:35,510 --> 01:22:34,560
journalist

2127
01:22:37,030 --> 01:22:35,520
and uh

2128
01:22:39,350 --> 01:22:37,040
i was trying to explain a story to them

2129
01:22:41,590 --> 01:22:39,360
and i'm like they're like who's this

2130
01:22:43,350 --> 01:22:41,600
other guy in this video with

2131
01:22:45,350 --> 01:22:43,360
with uh louis alexander i'm like that's

2132
01:22:46,870 --> 01:22:45,360
dr journalist and i just said it like

2133
01:22:49,110 --> 01:22:46,880
that like

2134
01:22:50,950 --> 01:22:49,120
it's just dark journalists and and he's

2135
01:22:52,790 --> 01:22:50,960
like i don't understand

2136
01:22:54,950 --> 01:22:52,800
what's a dark journalist who's a dart

2137
01:22:56,149 --> 01:22:54,960
who's who's is that his name and i'm

2138
01:22:57,110 --> 01:22:56,159

like yeah

2139

01:22:59,830 --> 01:22:57,120

uh

2140

01:23:01,669 --> 01:22:59,840

it's just we forget sometimes being here

2141

01:23:03,910 --> 01:23:01,679

in conspiracy land that not everybody

2142

01:23:06,310 --> 01:23:03,920

knows who dark journalist is i just

2143

01:23:08,550 --> 01:23:06,320

assumed he would know but he had he had

2144

01:23:09,350 --> 01:23:08,560

no idea

2145

01:23:10,550 --> 01:23:09,360

yeah

2146

01:23:12,070 --> 01:23:10,560

so uh

2147

01:23:13,270 --> 01:23:12,080

yeah that's all i got for you friends

2148

01:23:15,590 --> 01:23:13,280

i'm gonna bounce on out of here we're

2149

01:23:17,669 --> 01:23:15,600

gonna be back tomorrow night i think i

2150

01:23:19,510 --> 01:23:17,679

got a lot to do tomorrow so maybe not

2151
01:23:21,990 --> 01:23:19,520
but if at all possible i do have a show

2152
01:23:22,790 --> 01:23:22,000
prepped planned and and ready to go for

2153
01:23:24,470 --> 01:23:22,800
you

2154
01:23:28,149 --> 01:23:24,480
um

2155
01:23:29,910 --> 01:23:28,159
and and if we do it will be 9 pm eastern

2156
01:23:32,709 --> 01:23:29,920
standard time

2157
01:23:33,990 --> 01:23:32,719
so that's all i got for you

2158
01:23:35,990 --> 01:23:34,000
again we want to thank our kind and

2159
01:23:38,229 --> 01:23:36,000
generous benefactors thank this

2160
01:23:39,830 --> 01:23:38,239
wonderful audience that we have i'm so

2161
01:23:42,070 --> 01:23:39,840
happy there's an audience every time i

2162
01:23:43,110 --> 01:23:42,080
show up it's great thank you guys for

2163
01:23:45,430 --> 01:23:43,120

being here

2164

01:23:46,790 --> 01:23:45,440

so that's it that's all i got for you

2165

01:23:48,790 --> 01:23:46,800

until next time friends my name is

2166

01:23:52,660 --> 01:23:48,800

stephen cambion good night and god bless

2167

01:23:52,670 --> 01:24:23,030

[Music]

2168

01:24:23,040 --> 01:24:43,630

so

2169

01:25:22,810 --> 01:24:51,220

[Music]

2170

01:26:00,190 --> 01:25:22,820

[Applause]
