

1
00:00:31,990 --> 00:00:11,350

[Music]

2
00:00:35,830 --> 00:00:34,389

welcome back my friends

3
00:00:39,590 --> 00:00:35,840

it's midnight

4
00:00:42,389 --> 00:00:39,600

welcome to the midnight hour show

5
00:00:46,229 --> 00:00:42,399

tonight my guest will be

6
00:00:47,910 --> 00:00:46,239

the always interesting mr jason quit

7
00:00:50,150 --> 00:00:47,920

now i have to mention

8
00:00:51,430 --> 00:00:50,160

that tonight i have decided to do

9
00:00:53,270 --> 00:00:51,440

something

10
00:00:57,270 --> 00:00:53,280

a little differently and that is to put

11
00:00:59,910 --> 00:00:57,280

away my usual skepticism towards people

12
00:01:02,470 --> 00:00:59,920

that have amazing stories without a lot

13
00:01:04,549 --> 00:01:02,480

of evidentiary support

14

00:01:07,510 --> 00:01:04,559
and the reason for that is simple

15

00:01:10,230 --> 00:01:07,520
i read jason quit's book

16

00:01:12,870 --> 00:01:10,240
and i found it to be

17

00:01:14,789 --> 00:01:12,880
a great deal more compelling

18

00:01:16,310 --> 00:01:14,799
and thought-provoking and even a little

19

00:01:18,230 --> 00:01:16,320
scary

20

00:01:20,230 --> 00:01:18,240
it just wasn't what i expected when i

21

00:01:21,910 --> 00:01:20,240
read this book

22

00:01:24,310 --> 00:01:21,920
so i decided

23

00:01:26,950 --> 00:01:24,320
i would like to talk to this guy to hear

24

00:01:30,550 --> 00:01:26,960
more about his story but in order to do

25

00:01:33,109 --> 00:01:30,560
this right and respectfully i have to

26

00:01:35,030 --> 00:01:33,119

put away my usual

27

00:01:37,510 --> 00:01:35,040

some would say pushy nature

28

00:01:40,390 --> 00:01:37,520

my usual skepticism i have to put a lot

29

00:01:43,429 --> 00:01:40,400

of that aside and just try to explore

30

00:01:46,310 --> 00:01:43,439

his story for my listeners to find out

31

00:01:49,030 --> 00:01:46,320

more about his amazing

32

00:01:51,109 --> 00:01:49,040

some would even say scary experiences

33

00:01:54,469 --> 00:01:51,119

that he has been having

34

00:01:55,670 --> 00:01:54,479

for a long time now

35

00:01:58,230 --> 00:01:55,680

his story

36

00:02:00,069 --> 00:01:58,240

is compelling it is thought provoking

37

00:02:02,709 --> 00:02:00,079

and it is

38

00:02:05,990 --> 00:02:02,719

it's an amazing story of amazing

39

00:02:09,830 --> 00:02:08,150

several people including grant cameron

40

00:02:11,589 --> 00:02:09,840

who i interviewed recently have

41

00:02:14,390 --> 00:02:11,599

encouraged me

42

00:02:17,510 --> 00:02:14,400

to put away my usual skepticism and look

43

00:02:18,869 --> 00:02:17,520

more into the consciousness

44

00:02:22,309 --> 00:02:18,879

component

45

00:02:24,790 --> 00:02:22,319

of these strange phenomenon

46

00:02:25,990 --> 00:02:24,800

considering his unique

47

00:02:27,270 --> 00:02:26,000

and

48

00:02:30,150 --> 00:02:27,280

incredible

49

00:02:33,030 --> 00:02:30,160

honestly experiences i thought

50

00:02:36,229 --> 00:02:33,040

that jason quit would be one of the

51
00:02:37,830 --> 00:02:36,239
perfect people for me to explore those

52
00:02:40,390 --> 00:02:37,840
avenues with

53
00:02:42,150 --> 00:02:40,400
so tonight i'm going to invite you

54
00:02:44,949 --> 00:02:42,160
to like me

55
00:02:47,030 --> 00:02:44,959
put aside your usual

56
00:02:50,070 --> 00:02:47,040
skepticism

57
00:02:51,350 --> 00:02:50,080
and let's go on a journey here let's

58
00:02:53,830 --> 00:02:51,360
listen

59
00:02:55,830 --> 00:02:53,840
to this man's experiences let's

60
00:02:58,710 --> 00:02:55,840
explore them

61
00:03:00,869 --> 00:02:58,720
and see where it goes

62
00:03:03,910 --> 00:03:00,879
standing by my friends on the mystery

63
00:03:05,910 --> 00:03:03,920

phone is jason quit i want to save as

64

00:03:06,949 --> 00:03:05,920

much time as possible for the actual

65

00:03:09,820 --> 00:03:06,959

interview

66

00:03:12,470 --> 00:03:09,830

let's get into it

67

00:03:15,030 --> 00:03:12,480

[Music]

68

00:03:17,830 --> 00:03:15,040

yeah i don't know quite where to begin

69

00:03:19,910 --> 00:03:17,840

so neither do i i never prepare for any

70

00:03:21,750 --> 00:03:19,920

of these i thought of an interesting

71

00:03:24,070 --> 00:03:21,760

thought experiment and i thought you

72

00:03:24,869 --> 00:03:24,080

would be the guy to do it with me

73

00:03:26,789 --> 00:03:24,879

okay

74

00:03:28,550 --> 00:03:26,799

and here's the deal

75

00:03:31,270 --> 00:03:28,560

and i want to get something off my off

76

00:03:33,990 --> 00:03:31,280

my chest first so like all cards on the

77

00:03:36,550 --> 00:03:34,000

table i had a friend uh who read your

78

00:03:38,229 --> 00:03:36,560

book come to me and say

79

00:03:39,990 --> 00:03:38,239

what do you think of this guy

80

00:03:41,110 --> 00:03:40,000

you think he's on the level he's telling

81

00:03:42,789 --> 00:03:41,120

the truth

82

00:03:43,990 --> 00:03:42,799

and i said

83

00:03:47,110 --> 00:03:44,000

uh

84

00:03:48,710 --> 00:03:47,120

honestly if i had to guess

85

00:03:50,789 --> 00:03:48,720

do i believe

86

00:03:53,910 --> 00:03:50,799

that he believes everything he is saying

87

00:03:55,589 --> 00:03:53,920

and firmly believes it is truth

88

00:03:58,390 --> 00:03:55,599

absolutely

89

00:04:03,990 --> 00:03:58,400

beyond that it's a mystery it's a total

90

00:04:05,589 --> 00:04:04,000

mystery to me and usually when i have

91

00:04:08,229 --> 00:04:05,599

encountered people

92

00:04:09,110 --> 00:04:08,239

there's all these telltale signs that

93

00:04:11,830 --> 00:04:09,120

you can

94

00:04:13,030 --> 00:04:11,840

sort of pick their story and go

95

00:04:15,509 --> 00:04:13,040

well

96

00:04:18,870 --> 00:04:15,519

this here's why they're lying or you

97

00:04:20,390 --> 00:04:18,880

know yeah and honestly in your case i

98

00:04:22,790 --> 00:04:20,400

can't find

99

00:04:24,710 --> 00:04:22,800

a great deal supportive evidence

100

00:04:27,430 --> 00:04:24,720

of your story

101

00:04:29,909 --> 00:04:27,440

there's but i don't find you to be like

102

00:04:31,430 --> 00:04:29,919

one of those guys that is just out there

103

00:04:32,550 --> 00:04:31,440

spinning yarns

104

00:04:34,390 --> 00:04:32,560

so

105

00:04:35,749 --> 00:04:34,400

for the thought experiment i thought

106

00:04:37,909 --> 00:04:35,759

instead of

107

00:04:39,110 --> 00:04:37,919

from a skeptical viewpoint

108

00:04:42,230 --> 00:04:39,120

i want to go

109

00:04:43,670 --> 00:04:42,240

and ask you questions as if i believe

110

00:04:45,110 --> 00:04:43,680

that you're telling the truth about

111

00:04:46,550 --> 00:04:45,120

everything in your book everything that

112

00:04:48,710 --> 00:04:46,560

you talk about

113

00:04:51,270 --> 00:04:48,720

and see where that goes because

114

00:04:52,629 --> 00:04:51,280

sometimes i'm not very open-minded to

115

00:04:53,590 --> 00:04:52,639

some of these things

116

00:04:58,550 --> 00:04:53,600

sure

117

00:05:00,150 --> 00:04:58,560

it's like

118

00:05:02,550 --> 00:05:00,160

in this community

119

00:05:04,550 --> 00:05:02,560

when i hear stories of people trying to

120

00:05:06,870 --> 00:05:04,560

get into this community i know a lot of

121

00:05:09,350 --> 00:05:06,880

liars in this community

122

00:05:10,469 --> 00:05:09,360

it boggles my mind because coming out

123

00:05:12,550 --> 00:05:10,479

with this [h__h]

124

00:05:15,990 --> 00:05:12,560

ruined my life

125

00:05:19,270 --> 00:05:17,510

my family

126

00:05:20,710 --> 00:05:19,280

makes your life a little difficult when

127

00:05:23,590 --> 00:05:20,720

you start talking about being a

128

00:05:26,230 --> 00:05:23,600

multi-dimensional time traveler

129

00:05:28,230 --> 00:05:26,240

yeah and i never actually

130

00:05:29,990 --> 00:05:28,240

said it like that it was bob mitchell

131

00:05:31,270 --> 00:05:30,000

who said you're a multi-dimensional time

132

00:05:33,270 --> 00:05:31,280

traveler

133

00:05:35,749 --> 00:05:33,280

okay that's cool i was gonna ask you

134

00:05:37,350 --> 00:05:35,759

just to tell us about bob mitchell

135

00:05:39,990 --> 00:05:37,360

because if a lot of people don't know

136

00:05:42,310 --> 00:05:40,000

about bob mitchell he's written

137

00:05:45,029 --> 00:05:42,320

a whole bunch of books and people really

138

00:05:47,110 --> 00:05:45,039

like his work but he did it in a strange

139

00:05:49,189 --> 00:05:47,120

sort of way which was to go

140

00:05:51,029 --> 00:05:49,199

i don't know if i believe any of this

141

00:05:52,950 --> 00:05:51,039

from any of these people but i'm gonna

142

00:05:55,430 --> 00:05:52,960

write i'm gonna i'm gonna make sure that

143

00:05:57,590 --> 00:05:55,440

i record these these these people's

144

00:05:59,430 --> 00:05:57,600

testimony and put it out there and let

145

00:06:01,830 --> 00:05:59,440

people glean from it what they will

146

00:06:02,870 --> 00:06:01,840

enjoy it if they enjoy it

147

00:06:05,749 --> 00:06:02,880

you know

148

00:06:07,510 --> 00:06:05,759

but this is exactly what we talked about

149

00:06:09,110 --> 00:06:07,520

me and bob because

150

00:06:11,189 --> 00:06:09,120

he really didn't believe a lot of these

151
00:06:13,029 --> 00:06:11,199
stories

152
00:06:14,469 --> 00:06:13,039
but the people were sincere why would

153
00:06:16,070 --> 00:06:14,479
they be lying

154
00:06:18,629 --> 00:06:16,080
and

155
00:06:20,629 --> 00:06:18,639
there's a definite phenomenon going on

156
00:06:22,550 --> 00:06:20,639
that we can't understand

157
00:06:24,950 --> 00:06:22,560
and

158
00:06:27,110 --> 00:06:24,960
it's like there's some type of beings or

159
00:06:29,510 --> 00:06:27,120
channeling or some type of influence on

160
00:06:30,469 --> 00:06:29,520
people that are literally lying to

161
00:06:34,469 --> 00:06:30,479
people

162
00:06:35,990 --> 00:06:34,479
and

163
00:06:39,029 --> 00:06:36,000

this is what we were trying to figure

164

00:06:42,070 --> 00:06:39,039

out from the beginning is like why

165

00:06:45,670 --> 00:06:42,080

um are people getting visions prophetic

166

00:06:47,670 --> 00:06:45,680

uh channelings like all this stuff

167

00:06:48,550 --> 00:06:47,680

but it's not true it's like what's the

168

00:06:50,469 --> 00:06:48,560

point

169

00:06:52,070 --> 00:06:50,479

of this type i come from a religious

170

00:06:54,629 --> 00:06:52,080

background in fact a lot of people don't

171

00:06:58,070 --> 00:06:54,639

know but i almost became a priest i was

172

00:07:00,230 --> 00:06:58,080

in a seminary and everything so for for

173

00:07:02,629 --> 00:07:00,240

my family and our religion and our

174

00:07:04,550 --> 00:07:02,639

tradition we would say demonic forces

175

00:07:06,309 --> 00:07:04,560

are trying to deceive people and that's

176

00:07:07,909 --> 00:07:06,319

what a lot of people even in new age

177

00:07:10,230 --> 00:07:07,919

community believe that some of the

178

00:07:12,950 --> 00:07:10,240

phenomenon is some sort of demonic or

179

00:07:15,589 --> 00:07:12,960

dark deceptive presence

180

00:07:18,469 --> 00:07:15,599

and i completely agree too i completely

181

00:07:21,749 --> 00:07:18,479

agree i've had beings come to talk to me

182

00:07:23,510 --> 00:07:21,759

and it just doesn't feel right

183

00:07:25,510 --> 00:07:23,520

and you know i was having a conversation

184

00:07:27,110 --> 00:07:25,520

with someone today and

185

00:07:28,230 --> 00:07:27,120

we were saying that like these beings

186

00:07:29,749 --> 00:07:28,240

whatever they are they're trying to

187

00:07:31,510 --> 00:07:29,759

convince us that the end of the world is

188

00:07:32,230 --> 00:07:31,520

coming for some reason

189

00:07:33,589 --> 00:07:32,240

but

190

00:07:35,749 --> 00:07:33,599

maybe it's because they just want us to

191

00:07:38,390 --> 00:07:35,759

kill kill each other

192

00:07:40,629 --> 00:07:38,400

and get off get us off this planet

193

00:07:42,870 --> 00:07:40,639

but all that stuff is [h__\h]

194

00:07:46,230 --> 00:07:42,880

is what i believe

195

00:07:49,589 --> 00:07:46,240

so it's very strange

196

00:07:52,390 --> 00:07:49,599

uh coming into this community because

197

00:07:54,230 --> 00:07:52,400

i'm literally

198

00:07:55,830 --> 00:07:54,240

i know it doesn't sound like it but i am

199

00:07:58,230 --> 00:07:55,840

a real skeptic

200

00:08:00,469 --> 00:07:58,240

and i told you i'm like a satirist now

201
00:08:02,790 --> 00:08:00,479
like i just go online and i just write

202
00:08:04,629 --> 00:08:02,800
dumb stuff to people

203
00:08:06,950 --> 00:08:04,639
because like i don't buy a lot of these

204
00:08:07,830 --> 00:08:06,960
things coming out

205
00:08:08,950 --> 00:08:07,840
so

206
00:08:11,670 --> 00:08:08,960
there you go

207
00:08:13,350 --> 00:08:11,680
yeah and i i don't know so i guess you

208
00:08:14,869 --> 00:08:13,360
know continuing with with what i was

209
00:08:16,469 --> 00:08:14,879
talking about

210
00:08:18,629 --> 00:08:16,479
assuming that what

211
00:08:22,390 --> 00:08:18,639
what you have been talking about and

212
00:08:23,909 --> 00:08:22,400
what this book is about yeah is true

213
00:08:24,869 --> 00:08:23,919

that you uh

214

00:08:26,629 --> 00:08:24,879

you know

215

00:08:29,350 --> 00:08:26,639

are in contact with multi-dimensional

216

00:08:31,270 --> 00:08:29,360

beings and i would ask what what are

217

00:08:34,149 --> 00:08:31,280

they what do they want why are they

218

00:08:35,029 --> 00:08:34,159

contacting you specifically

219

00:08:37,990 --> 00:08:35,039

yeah

220

00:08:40,230 --> 00:08:38,000

that's fine uh when do you want to start

221

00:08:42,709 --> 00:08:40,240

what are they let's start oh

222

00:08:46,550 --> 00:08:42,719

what are they i have no idea

223

00:08:49,350 --> 00:08:46,560

i literally have no idea what they are

224

00:08:51,110 --> 00:08:49,360

all i know is

225

00:08:52,389 --> 00:08:51,120

i don't get messages like i'm not a

226

00:08:54,150 --> 00:08:52,399

channeler

227

00:08:56,310 --> 00:08:54,160

so i don't get messages like someone

228

00:08:57,910 --> 00:08:56,320

could just sit down and open their mind

229

00:09:00,949 --> 00:08:57,920

and just receive

230

00:09:01,990 --> 00:09:00,959

a message like that just does not happen

231

00:09:03,990 --> 00:09:02,000

to me

232

00:09:06,550 --> 00:09:04,000

for me it's

233

00:09:09,829 --> 00:09:06,560

something that i can't control

234

00:09:11,350 --> 00:09:09,839

which is an out of body experience

235

00:09:12,949 --> 00:09:11,360

and i started to do this and when i

236

00:09:15,110 --> 00:09:12,959

would leave my body

237

00:09:17,750 --> 00:09:15,120

these beings would then become visible

238

00:09:20,150 --> 00:09:17,760

to me so for me they're not physical for

239

00:09:21,990 --> 00:09:20,160

me they're dimensional or spiritual in

240

00:09:23,990 --> 00:09:22,000

nature

241

00:09:26,550 --> 00:09:24,000

and they never

242

00:09:28,790 --> 00:09:26,560

almost never tell me their name

243

00:09:30,710 --> 00:09:28,800

they usually just come and

244

00:09:32,470 --> 00:09:30,720

let's say take me on a journey they

245

00:09:35,430 --> 00:09:32,480

usually don't speak

246

00:09:39,190 --> 00:09:35,440

it's usually more experienced in showing

247

00:09:41,190 --> 00:09:39,200

when they do speak it's extremely short

248

00:09:42,389 --> 00:09:41,200

it's like a very fast

249

00:09:46,389 --> 00:09:42,399

message

250

00:09:48,870 --> 00:09:46,399

or a warning or you need to do this

251
00:09:51,910 --> 00:09:48,880
and that's it or

252
00:09:53,990 --> 00:09:51,920
like um i would say a past life memory

253
00:09:56,550 --> 00:09:54,000
those are the ways that these beings

254
00:09:58,550 --> 00:09:56,560
will communicate to with me

255
00:10:00,230 --> 00:09:58,560
um

256
00:10:02,150 --> 00:10:00,240
and what brought me into the ufo

257
00:10:04,790 --> 00:10:02,160
community in the first place because

258
00:10:06,389 --> 00:10:04,800
first i i was in the consciousness

259
00:10:09,190 --> 00:10:06,399
community i was doing work with

260
00:10:10,790 --> 00:10:09,200
different shamans and different healers

261
00:10:12,630 --> 00:10:10,800
and what brought me into the ufo

262
00:10:14,069 --> 00:10:12,640
community and

263
00:10:15,509 --> 00:10:14,079

got me writing this book with bob

264

00:10:18,550 --> 00:10:15,519

mitchell

265

00:10:20,949 --> 00:10:18,560

is that i would have experiences where

266

00:10:22,389 --> 00:10:20,959

in these out of body altered states of

267

00:10:24,870 --> 00:10:22,399

awareness

268

00:10:26,710 --> 00:10:24,880

i would come in contact with beings that

269

00:10:29,190 --> 00:10:26,720

people would describe

270

00:10:31,350 --> 00:10:29,200

in alien abductions

271

00:10:33,350 --> 00:10:31,360

and this blew my mind because i knew it

272

00:10:35,269 --> 00:10:33,360

wasn't physical

273

00:10:36,790 --> 00:10:35,279

and me and bob mitchell used to talk

274

00:10:39,590 --> 00:10:36,800

about this all the time

275

00:10:41,829 --> 00:10:39,600

that an abduction scenario

276

00:10:44,069 --> 00:10:41,839

is not a physical thing

277

00:10:44,829 --> 00:10:44,079

you know your physical body is laying in

278

00:10:47,670 --> 00:10:44,839

bed

279

00:10:50,949 --> 00:10:47,680

sleeping and what happens is that when

280

00:10:52,870 --> 00:10:50,959

you go to sleep your brain waves change

281

00:10:55,110 --> 00:10:52,880

and you enter into this altered state of

282

00:10:56,710 --> 00:10:55,120

awareness where your consciousness could

283

00:10:58,230 --> 00:10:56,720

actually be taken

284

00:11:00,150 --> 00:10:58,240

out of your body

285

00:11:01,990 --> 00:11:00,160

and taking on this experience like an

286

00:11:03,350 --> 00:11:02,000

out-of-body experience or a near-death

287

00:11:05,910 --> 00:11:03,360

experience

288

00:11:08,069 --> 00:11:05,920

and when this occurs if someone's never

289

00:11:10,150 --> 00:11:08,079

had this experience

290

00:11:12,150 --> 00:11:10,160

being out of body

291

00:11:14,230 --> 00:11:12,160

you can't tell the difference

292

00:11:15,829 --> 00:11:14,240

it's like when you leave your body

293

00:11:17,670 --> 00:11:15,839

everything is the same it's like you're

294

00:11:20,150 --> 00:11:17,680

in your bedroom

295

00:11:21,590 --> 00:11:20,160

um your body is frozen you feel like

296

00:11:24,230 --> 00:11:21,600

there's a vibration you feel like

297

00:11:26,389 --> 00:11:24,240

there's noises going on in the room

298

00:11:28,389 --> 00:11:26,399

you rise up from the bed

299

00:11:30,069 --> 00:11:28,399

and then you can pass through the window

300

00:11:31,990 --> 00:11:30,079

you could pass through the wall and pass

301
00:11:33,030 --> 00:11:32,000
through the ceiling

302
00:11:35,990 --> 00:11:33,040
and

303
00:11:37,910 --> 00:11:36,000
after

304
00:11:40,389 --> 00:11:37,920
um going over a lot of abduction

305
00:11:43,990 --> 00:11:40,399
experiences that it was exactly the same

306
00:11:46,550 --> 00:11:44,000
phenomenon as near-death experience

307
00:11:48,389 --> 00:11:46,560
and out-of-body experience

308
00:11:50,389 --> 00:11:48,399
so these people that were reporting

309
00:11:52,550 --> 00:11:50,399
being taken by aliens

310
00:11:54,230 --> 00:11:52,560
now has this whole other meaning it's

311
00:11:57,509 --> 00:11:54,240
more of a spiritual thing it's not a

312
00:11:59,350 --> 00:11:57,519
physical thing at all and

313
00:12:01,269 --> 00:11:59,360

this is what me and bob

314

00:12:03,430 --> 00:12:01,279

were working on was trying to figure

315

00:12:05,430 --> 00:12:03,440

this out

316

00:12:06,790 --> 00:12:05,440

yeah well i you know i'll talk a little

317

00:12:08,310 --> 00:12:06,800

bit about

318

00:12:13,269 --> 00:12:08,320

bob mitchell

319

00:12:15,990 --> 00:12:13,279

um a very well-known

320

00:12:17,190 --> 00:12:16,000

crime writer for the toronto star

321

00:12:19,269 --> 00:12:17,200

he worked for

322

00:12:21,269 --> 00:12:19,279

40 years he did a lot of stuff with the

323

00:12:22,870 --> 00:12:21,279

mafia he's a wrestler he's a really

324

00:12:24,389 --> 00:12:22,880

that's why i asked you to talk about him

325

00:12:26,710 --> 00:12:24,399

because i would have liked to meet him

326

00:12:28,949 --> 00:12:26,720

he was a really interesting character

327

00:12:31,030 --> 00:12:28,959

yeah so he spent his whole career

328

00:12:33,509 --> 00:12:31,040

literally in courtrooms

329

00:12:35,670 --> 00:12:33,519

seeing who's you know all the bad guys

330

00:12:38,310 --> 00:12:35,680

writing about these things he even

331

00:12:40,790 --> 00:12:38,320

helped the police like he would go to

332

00:12:43,190 --> 00:12:40,800

all the courts listen and he would even

333

00:12:45,030 --> 00:12:43,200

figure stuff out by being present in the

334

00:12:46,790 --> 00:12:45,040

courtroom and he would work with the

335

00:12:50,550 --> 00:12:46,800

police

336

00:12:51,430 --> 00:12:50,560

so he was a real investigator

337

00:12:54,790 --> 00:12:51,440

and

338

00:12:59,509 --> 00:12:54,800

when he retired from the toronto star

339

00:13:02,550 --> 00:12:59,519

um he was very interested in uh mufon

340

00:13:06,069 --> 00:13:02,560

because he had an experience

341

00:13:07,829 --> 00:13:06,079

and he tells this experience a lot where

342

00:13:09,750 --> 00:13:07,839

it's like one night

343

00:13:13,030 --> 00:13:09,760

him and his wife were at home

344

00:13:15,829 --> 00:13:13,040

and there was like a crazy storm outside

345

00:13:17,430 --> 00:13:15,839

and when he looked outside he saw like

346

00:13:19,110 --> 00:13:17,440

everything was blowing around his

347

00:13:22,310 --> 00:13:19,120

backyard

348

00:13:24,230 --> 00:13:22,320

and he went outside to kind of like grab

349

00:13:25,670 --> 00:13:24,240

stuff to make sure they wouldn't fly

350

00:13:28,150 --> 00:13:25,680

around the backyard

351

00:13:29,910 --> 00:13:28,160

and he said he went outside

352

00:13:31,590 --> 00:13:29,920

and when he looked up in the sky it was

353

00:13:34,470 --> 00:13:31,600

very strange it was like the whole

354

00:13:37,269 --> 00:13:34,480

backyard was lit by this blue light

355

00:13:39,829 --> 00:13:37,279

well that's creepy

356

00:13:41,829 --> 00:13:39,839

and um

357

00:13:44,230 --> 00:13:41,839

his wife was there

358

00:13:46,629 --> 00:13:44,240

his neighbors were out too

359

00:13:48,310 --> 00:13:46,639

and his wife was i think yelling at him

360

00:13:49,750 --> 00:13:48,320

to come back to bed and just leave it

361

00:13:52,069 --> 00:13:49,760

alone

362

00:13:53,350 --> 00:13:52,079

anyways he comes back he goes back to

363

00:13:55,829 --> 00:13:53,360

sleep

364

00:13:58,870 --> 00:13:55,839

the more next morning he wakes up he has

365

00:14:01,670 --> 00:13:58,880

no memory of that night

366

00:14:03,910 --> 00:14:01,680

and something reminded him that oh yeah

367

00:14:05,750 --> 00:14:03,920

he went outside last night and then he

368

00:14:08,310 --> 00:14:05,760

asked his wife and it was almost like

369

00:14:10,710 --> 00:14:08,320

they were recalling these memories that

370

00:14:12,629 --> 00:14:10,720

they were erased but he never remembers

371

00:14:14,310 --> 00:14:12,639

going back to bed

372

00:14:16,389 --> 00:14:14,320

you know yeah that's a little don't get

373

00:14:18,470 --> 00:14:16,399

me interested in the ufo phenomenon

374

00:14:19,670 --> 00:14:18,480

something like that happening to you

375

00:14:21,509 --> 00:14:19,680

right so

376

00:14:24,310 --> 00:14:21,519

so he had this experience and he started

377

00:14:26,550 --> 00:14:24,320

to talk to mufon and uh he lives in a

378

00:14:31,350 --> 00:14:26,560

small or he did live in a small

379

00:14:33,910 --> 00:14:31,360

community called brantford ontario and

380

00:14:35,350 --> 00:14:33,920

he put out an advertisement

381

00:14:36,790 --> 00:14:35,360

this is crazy he put out an

382

00:14:39,670 --> 00:14:36,800

advertisement

383

00:14:41,350 --> 00:14:39,680

to people that had experiences

384

00:14:44,710 --> 00:14:41,360

if they wanted to come forward and talk

385

00:14:46,949 --> 00:14:44,720

to a journalist about these experiences

386

00:14:49,590 --> 00:14:46,959

and to meet him at the local tim hortons

387

00:14:52,629 --> 00:14:49,600

which is like a starbucks

388

00:14:54,629 --> 00:14:52,639

and he recounted the story that

389

00:14:56,870 --> 00:14:54,639

he didn't think anybody would show up to

390

00:14:59,670 --> 00:14:56,880

talk to him and when he pulled up to the

391

00:15:02,230 --> 00:14:59,680

tim hortons there was a lineup of people

392

00:15:05,430 --> 00:15:02,240

waiting outside tim hortons to talk to

393

00:15:07,269 --> 00:15:05,440

him oh my gosh that's crazy yeah

394

00:15:09,829 --> 00:15:07,279

so that's how he got into you know i can

395

00:15:12,550 --> 00:15:09,839

tell you the same kind of thing like i

396

00:15:14,710 --> 00:15:12,560

was given given my email address out

397

00:15:15,990 --> 00:15:14,720

every show like one especially when i

398

00:15:17,829 --> 00:15:16,000

first started because you don't need

399

00:15:19,750 --> 00:15:17,839

material you don't have any guests

400

00:15:21,829 --> 00:15:19,760

nobody knew who you are so you're not

401
00:15:23,910 --> 00:15:21,839
getting guests you know so i just put my

402
00:15:26,150 --> 00:15:23,920
email at a few times and my god it was

403
00:15:27,590 --> 00:15:26,160
like a flood of stuff but it was good

404
00:15:28,710 --> 00:15:27,600
because i get to meet some new people

405
00:15:30,470 --> 00:15:28,720
and you know

406
00:15:32,790 --> 00:15:30,480
but yeah

407
00:15:34,389 --> 00:15:32,800
those kind of things can be uh can be

408
00:15:35,590 --> 00:15:34,399
bigger than you think they're gonna be

409
00:15:38,949 --> 00:15:35,600
you know

410
00:15:40,470 --> 00:15:38,959
so he was shocked and he thought he was

411
00:15:42,550 --> 00:15:40,480
going to hear a bunch of crazy stories

412
00:15:44,230 --> 00:15:42,560
and he really wasn't a believer he

413
00:15:46,150 --> 00:15:44,240

really wasn't

414

00:15:47,829 --> 00:15:46,160

and so he sat down and started to talk

415

00:15:50,230 --> 00:15:47,839

to all these people

416

00:15:52,069 --> 00:15:50,240

and he was shocked because he's very

417

00:15:53,590 --> 00:15:52,079

good at reading people

418

00:15:54,790 --> 00:15:53,600

and he did this for a living in the

419

00:15:56,389 --> 00:15:54,800

courts

420

00:15:59,269 --> 00:15:56,399

and he's like

421

00:16:01,110 --> 00:15:59,279

these people were absolutely sincere

422

00:16:03,990 --> 00:16:01,120

they had tons of emotion when they

423

00:16:07,110 --> 00:16:04,000

talked they were recalling memories

424

00:16:08,470 --> 00:16:07,120

and he was blown away so he started to

425

00:16:10,550 --> 00:16:08,480

document

426
00:16:12,710 --> 00:16:10,560
all these cases

427
00:16:13,910 --> 00:16:12,720
of just random people that wanted to

428
00:16:15,110 --> 00:16:13,920
tell him

429
00:16:17,590 --> 00:16:15,120
and that's how he started to put

430
00:16:18,550 --> 00:16:17,600
together his books

431
00:16:20,629 --> 00:16:18,560
and

432
00:16:22,949 --> 00:16:20,639
a lot of these stories contradicted each

433
00:16:23,749 --> 00:16:22,959
other

434
00:16:28,150 --> 00:16:23,759
yeah

435
00:16:29,430 --> 00:16:28,160
exactly and for him it was just like an

436
00:16:31,030 --> 00:16:29,440
investigative

437
00:16:33,430 --> 00:16:31,040
journalist type of thing to do where he

438
00:16:34,949 --> 00:16:33,440

was just documenting and i think that

439

00:16:37,350 --> 00:16:34,959

was the beautiful thing about bob

440

00:16:39,030 --> 00:16:37,360

mittell he never judged anybody he was

441

00:16:41,590 --> 00:16:39,040

the sweetest man

442

00:16:44,150 --> 00:16:41,600

and he just allowed people to tell their

443

00:16:46,230 --> 00:16:44,160

truth whatever that truth is

444

00:16:47,829 --> 00:16:46,240

and he didn't edit it he didn't stop

445

00:16:49,509 --> 00:16:47,839

them he just let them give their

446

00:16:52,069 --> 00:16:49,519

testimony

447

00:16:54,629 --> 00:16:52,079

and so then he put out a couple books

448

00:16:57,030 --> 00:16:54,639

based on that type of style

449

00:16:58,470 --> 00:16:57,040

and um how i got to meet him that's

450

00:17:00,470 --> 00:16:58,480

definitely that's definitely an

451
00:17:02,470 --> 00:17:00,480
interesting way to do it because

452
00:17:05,029 --> 00:17:02,480
i have a tendency to overthink things to

453
00:17:07,510 --> 00:17:05,039
death and go down every avenue that i

454
00:17:10,470 --> 00:17:07,520
can you know and like just prove this

455
00:17:12,150 --> 00:17:10,480
disprove this person and then honestly i

456
00:17:15,270 --> 00:17:12,160
have a problem with this now because the

457
00:17:17,669 --> 00:17:15,280
show because before for my own personal

458
00:17:19,909 --> 00:17:17,679
way of doing it i would

459
00:17:21,750 --> 00:17:19,919
hear about somebody lecturer author

460
00:17:24,069 --> 00:17:21,760
speaker

461
00:17:26,470 --> 00:17:24,079
whatever witness to you know and then go

462
00:17:28,549 --> 00:17:26,480
down the whole rabbit hole figure it out

463
00:17:30,789 --> 00:17:28,559

is this is this useful information to me

464

00:17:32,470 --> 00:17:30,799

or is this person a con or whatever

465

00:17:34,710 --> 00:17:32,480

i want to know right away and and just

466

00:17:35,990 --> 00:17:34,720

move on you know because the show now

467

00:17:38,310 --> 00:17:36,000

though you're going to keep going back

468

00:17:40,390 --> 00:17:38,320

in this loop and prove it again and

469

00:17:41,350 --> 00:17:40,400

prove it again and prove it some more

470

00:17:43,430 --> 00:17:41,360

and and

471

00:17:45,750 --> 00:17:43,440

i do kind of like the idea of just let

472

00:17:47,750 --> 00:17:45,760

people tell their story and

473

00:17:49,830 --> 00:17:47,760

let let the listeners decide and i know

474

00:17:50,789 --> 00:17:49,840

a lot of guys do their shows like that

475

00:17:53,430 --> 00:17:50,799

like

476

00:17:55,350 --> 00:17:53,440

just let let the guys

477

00:17:57,990 --> 00:17:55,360

tell this deal and the audience can

478

00:17:59,430 --> 00:17:58,000

figure it out

479

00:18:01,990 --> 00:17:59,440

i don't know which way is the better way

480

00:18:03,350 --> 00:18:02,000

to go maybe the middle ground right i

481

00:18:04,789 --> 00:18:03,360

don't know

482

00:18:07,590 --> 00:18:04,799

i think the middle ground is very

483

00:18:10,150 --> 00:18:07,600

important because like bob was very

484

00:18:11,990 --> 00:18:10,160

forward and he would say

485

00:18:13,990 --> 00:18:12,000

you know thank you and he'll even go

486

00:18:16,710 --> 00:18:14,000

public like i remember he did a whole

487

00:18:19,190 --> 00:18:16,720

talk about this lady who gave a story

488

00:18:21,510 --> 00:18:19,200

about um the graves

489

00:18:23,110 --> 00:18:21,520

and she was saying that um she's in

490

00:18:25,830 --> 00:18:23,120

contact and this was like a police

491

00:18:27,430 --> 00:18:25,840

officer telling this story

492

00:18:29,029 --> 00:18:27,440

that makes i love when you hear stuff

493

00:18:31,350 --> 00:18:29,039

like that because it's not just some

494

00:18:32,310 --> 00:18:31,360

random you know

495

00:18:34,070 --> 00:18:32,320

yeah

496

00:18:36,310 --> 00:18:34,080

like you're saying you risk a lot coming

497

00:18:38,950 --> 00:18:36,320

out with these kind of stories you know

498

00:18:42,310 --> 00:18:38,960

yes and this police officer

499

00:18:44,470 --> 00:18:42,320

has this contact with a group of greys

500

00:18:46,630 --> 00:18:44,480

and he documented the whole story of

501
00:18:49,029 --> 00:18:46,640
this person

502
00:18:50,870 --> 00:18:49,039
but the person was saying that

503
00:18:53,270 --> 00:18:50,880
she's the only person

504
00:18:54,549 --> 00:18:53,280
that has contact with the greys oh

505
00:18:56,549 --> 00:18:54,559
that's

506
00:18:57,830 --> 00:18:56,559
kind of like billy meyer

507
00:18:59,590 --> 00:18:57,840
exactly

508
00:19:03,190 --> 00:18:59,600
yeah coming off and talking to michael

509
00:19:04,870 --> 00:19:03,200
horn and i had a big problem

510
00:19:06,549 --> 00:19:04,880
forget the problems that i have with the

511
00:19:08,549 --> 00:19:06,559
rest of the case

512
00:19:10,950 --> 00:19:08,559
but for the fact that he's going to say

513
00:19:13,750 --> 00:19:10,960

that billy meyer is the only

514

00:19:15,669 --> 00:19:13,760

person in contact with extraterrestrials

515

00:19:17,510 --> 00:19:15,679

and everyone else is a fraud and a fake

516

00:19:19,430 --> 00:19:17,520

and a liar and a con man

517

00:19:21,750 --> 00:19:19,440

only billy meyer so this is the same

518

00:19:24,070 --> 00:19:21,760

kind of thing it's exactly the same

519

00:19:26,870 --> 00:19:24,080

thing but it's about the grays and it's

520

00:19:28,950 --> 00:19:26,880

like they're saying that the grays

521

00:19:30,549 --> 00:19:28,960

only talk to this person and anybody

522

00:19:32,470 --> 00:19:30,559

else that talks about grays is

523

00:19:34,470 --> 00:19:32,480

completely wrong

524

00:19:36,710 --> 00:19:34,480

or delusional it's exactly the same

525

00:19:40,630 --> 00:19:38,630

so it's strange so bob would come out

526

00:19:43,270 --> 00:19:40,640

and tell that story

527

00:19:45,750 --> 00:19:43,280

like word for word about this person but

528

00:19:48,230 --> 00:19:45,760

at the end of it he says i don't believe

529

00:19:49,430 --> 00:19:48,240

this story because they said this this

530

00:19:52,549 --> 00:19:49,440

this and this

531

00:19:54,470 --> 00:19:52,559

but leave it up to you so he did tell

532

00:19:55,590 --> 00:19:54,480

people he didn't believe of certain

533

00:19:56,630 --> 00:19:55,600

stories

534

00:19:57,750 --> 00:19:56,640

okay

535

00:20:00,310 --> 00:19:57,760

and

536

00:20:02,310 --> 00:20:00,320

so he he gave his opinion as well

537

00:20:03,750 --> 00:20:02,320

because it just didn't fit with other uh

538

00:20:05,510 --> 00:20:03,760

testimonies

539

00:20:07,190 --> 00:20:05,520

and that's a really funny thing with uh

540

00:20:09,590 --> 00:20:07,200

michael horn as well

541

00:20:12,470 --> 00:20:09,600

and i'm so i'm so happy you did an

542

00:20:14,630 --> 00:20:12,480

interview with him yeah i actually i i

543

00:20:16,789 --> 00:20:14,640

really i really try to be respectful to

544

00:20:19,270 --> 00:20:16,799

him and i and you know what actually

545

00:20:21,909 --> 00:20:19,280

we're at the end of it we

546

00:20:24,230 --> 00:20:21,919

are okay we got common ground it was

547

00:20:26,230 --> 00:20:24,240

pretty heated i mean

548

00:20:27,750 --> 00:20:26,240

yeah there was a lot of fireworks but it

549

00:20:29,510 --> 00:20:27,760

was good because at the end of it we

550

00:20:30,710 --> 00:20:29,520

kind of shook hands and said agree to

551
00:20:32,549 --> 00:20:30,720
disagree

552
00:20:35,110 --> 00:20:32,559
you know and everybody can listen to

553
00:20:38,070 --> 00:20:35,120
that and figure out what they believe

554
00:20:41,190 --> 00:20:38,080
i actually like him as a person

555
00:20:44,710 --> 00:20:41,200
he's a very funny guy like he he's very

556
00:20:47,830 --> 00:20:44,720
sweet he has he's a great sense of humor

557
00:20:50,149 --> 00:20:47,840
but he is very rigid in his belief

558
00:20:51,990 --> 00:20:50,159
systems which is fine you know that's

559
00:20:53,190 --> 00:20:52,000
that's up to him

560
00:20:54,950 --> 00:20:53,200
but

561
00:20:57,430 --> 00:20:54,960
yeah when you go out and start calling

562
00:20:59,909 --> 00:20:57,440
people delusional or liars

563
00:21:02,149 --> 00:20:59,919

or disinformation agents when people are

564

00:21:04,230 --> 00:21:02,159

trying to express something that's

565

00:21:06,549 --> 00:21:04,240

happened to them i think that's that's

566

00:21:07,350 --> 00:21:06,559

not a good way to go about that

567

00:21:09,669 --> 00:21:07,360

yeah

568

00:21:12,470 --> 00:21:09,679

and you know i i kind of think

569

00:21:14,870 --> 00:21:12,480

i'm i i'm very much like that sometimes

570

00:21:17,669 --> 00:21:14,880

i'm too harsh i'm too quick to do that

571

00:21:19,990 --> 00:21:17,679

and honestly until uh

572

00:21:22,390 --> 00:21:20,000

i think i i really got influenced to

573

00:21:24,310 --> 00:21:22,400

start talking to more experiencers

574

00:21:26,310 --> 00:21:24,320

because of grant cameron and

575

00:21:28,390 --> 00:21:26,320

all this talking about it's all

576
00:21:29,750 --> 00:21:28,400
consciousness all of this phenomenon

577
00:21:31,830 --> 00:21:29,760
it's all related conscious i never

578
00:21:33,029 --> 00:21:31,840
thought about i was nuts and bolts and

579
00:21:35,029 --> 00:21:33,039
when i heard

580
00:21:37,350 --> 00:21:35,039
an alien abduction story somebody

581
00:21:39,830 --> 00:21:37,360
talking about multi-dimensional travel

582
00:21:41,190 --> 00:21:39,840
time travel any of that stuff i went

583
00:21:52,230 --> 00:21:41,200
no

584
00:21:54,230 --> 00:21:52,240
started talking to more and and and

585
00:21:55,270 --> 00:21:54,240
the similarities in some of the stories

586
00:21:58,310 --> 00:21:55,280
are too

587
00:21:59,430 --> 00:21:58,320
incredible to me so that's now i'm

588
00:22:01,909 --> 00:21:59,440

hooked

589

00:22:04,070 --> 00:22:01,919

so now now i'm gonna go and check the

590

00:22:05,430 --> 00:22:04,080

other side of the deal maybe the other

591

00:22:07,190 --> 00:22:05,440

side of the coin it might not be nuts

592

00:22:09,430 --> 00:22:07,200

and bolts it might be something that's

593

00:22:11,909 --> 00:22:09,440

all consciousness-based

594

00:22:15,190 --> 00:22:11,919

you've never had a paranormal experience

595

00:22:17,110 --> 00:22:15,200

i saw a ufo when i was a child and uh

596

00:22:19,430 --> 00:22:17,120

that's what got me down the rabbit hole

597

00:22:20,630 --> 00:22:19,440

and i can only describe it as a typical

598

00:22:21,590 --> 00:22:20,640

ufo

599

00:22:25,029 --> 00:22:21,600

round

600

00:22:26,950 --> 00:22:25,039

shape no sound hovered over the forest i

601
00:22:29,270 --> 00:22:26,960
was in at the time

602
00:22:31,830 --> 00:22:29,280
nice it was incredible and uh to this

603
00:22:34,950 --> 00:22:31,840
day i want to know what that was

604
00:22:37,510 --> 00:22:34,960
and so i began looking for what that was

605
00:22:40,630 --> 00:22:37,520
when i was a kid even like what you know

606
00:22:43,270 --> 00:22:40,640
they had like 1950s and 60s ufo books in

607
00:22:45,590 --> 00:22:43,280
the school library you know so i hate it

608
00:22:48,149 --> 00:22:45,600
but i was trying to figure it out and i

609
00:22:49,830 --> 00:22:48,159
guess i still am

610
00:22:51,669 --> 00:22:49,840
that's what i love about this community

611
00:22:53,270 --> 00:22:51,679
there's so many experts but yet nobody

612
00:22:55,750 --> 00:22:53,280
knows a thing

613
00:22:57,750 --> 00:22:55,760

yeah about yes

614

00:22:59,590 --> 00:22:57,760

a friend that told me that if if

615

00:23:02,070 --> 00:22:59,600

somebody tells you they know the truth

616

00:23:04,390 --> 00:23:02,080

of this phenomenon they're lying you

617

00:23:06,549 --> 00:23:04,400

know because even all this

618

00:23:07,990 --> 00:23:06,559

all this government i i truly believe

619

00:23:10,310 --> 00:23:08,000

that they don't know anything more than

620

00:23:12,710 --> 00:23:10,320

we do that's what i believe

621

00:23:14,870 --> 00:23:12,720

yeah i've been cover-up there's nobody

622

00:23:17,350 --> 00:23:14,880

hiding the you know the stuff in a

623

00:23:19,750 --> 00:23:17,360

basement somewhere they don't know

624

00:23:22,549 --> 00:23:19,760

and that terrifies them

625

00:23:24,470 --> 00:23:22,559

i think so i i've come to the conclusion

626
00:23:26,710 --> 00:23:24,480
that

627
00:23:30,070 --> 00:23:26,720
whatever the truth is

628
00:23:32,230 --> 00:23:30,080
um we are so invested in our beliefs

629
00:23:34,070 --> 00:23:32,240
of what this phenomenon is that we

630
00:23:36,710 --> 00:23:34,080
actually place our beliefs

631
00:23:39,270 --> 00:23:36,720
on top of this whole community

632
00:23:40,950 --> 00:23:39,280
and it's it ruins everything it distorts

633
00:23:42,950 --> 00:23:40,960
all the truth

634
00:23:44,390 --> 00:23:42,960
well we're told about it what we believe

635
00:23:47,590 --> 00:23:44,400
about it

636
00:23:49,350 --> 00:23:47,600
um i've been fortunate like i live up in

637
00:23:51,590 --> 00:23:49,360
canada here

638
00:23:53,269 --> 00:23:51,600

and you can go out any night and look up

639

00:23:54,470 --> 00:23:53,279

at the stars and you'll see stuff moving

640

00:23:56,230 --> 00:23:54,480

around

641

00:23:57,669 --> 00:23:56,240

it's definitely not satellites because

642

00:23:59,430 --> 00:23:57,679

they don't stop they don't change

643

00:24:01,669 --> 00:23:59,440

direction yeah you know it's funny i

644

00:24:04,470 --> 00:24:01,679

have this cabin in upstate pa and i said

645

00:24:06,870 --> 00:24:04,480

this exact same thing on my show that

646

00:24:08,390 --> 00:24:06,880

there's stuff up there and i'm way high

647

00:24:10,710 --> 00:24:08,400

up in the mountains of pennsylvania

648

00:24:13,830 --> 00:24:10,720

where the cabin is like the altitude is

649

00:24:14,870 --> 00:24:13,840

ridiculous so you're so much closer to

650

00:24:17,190 --> 00:24:14,880

you know

651
00:24:19,430 --> 00:24:17,200
it's just uh there's so much so much to

652
00:24:21,430 --> 00:24:19,440
see there that you don't see and i and

653
00:24:23,510 --> 00:24:21,440
the conv the other side of the coin was

654
00:24:25,750 --> 00:24:23,520
i was in the city i was in philadelphia

655
00:24:26,950 --> 00:24:25,760
and it's a huge city like you know

656
00:24:28,630 --> 00:24:26,960
if there's so much light police you

657
00:24:30,549 --> 00:24:28,640
don't see anything and you're and you're

658
00:24:32,390 --> 00:24:30,559
lower you know in a valley so yeah

659
00:24:35,590 --> 00:24:32,400
there's so much stuff in canada is even

660
00:24:38,549 --> 00:24:35,600
more great wide open you know

661
00:24:41,110 --> 00:24:38,559
yeah so we see stuff all the time and

662
00:24:42,470 --> 00:24:41,120
there it's too high up like

663
00:24:44,549 --> 00:24:42,480

i don't know what it is it just looks

664

00:24:46,549 --> 00:24:44,559

like a moving star

665

00:24:47,590 --> 00:24:46,559

i've had i was actually fortunate i've

666

00:24:49,990 --> 00:24:47,600

seen

667

00:24:52,070 --> 00:24:50,000

some amazing ships up here and with some

668

00:24:54,230 --> 00:24:52,080

of my best sightings is there's a lake

669

00:24:56,470 --> 00:24:54,240

just down the street from me

670

00:24:59,190 --> 00:24:56,480

and i went to go see a concert by the

671

00:25:01,990 --> 00:24:59,200

park there and over the lake there was

672

00:25:03,909 --> 00:25:02,000

this beautiful ship and it wasn't

673

00:25:05,669 --> 00:25:03,919

metallic it was like what we would call

674

00:25:08,310 --> 00:25:05,679

like a light ship

675

00:25:10,870 --> 00:25:08,320

it looked like a glowing

676
00:25:11,909 --> 00:25:10,880
reddish amber

677
00:25:13,669 --> 00:25:11,919
light

678
00:25:16,149 --> 00:25:13,679
that had form and it was just kind of

679
00:25:18,310 --> 00:25:16,159
hovering over the lake

680
00:25:19,830 --> 00:25:18,320
and there was tons of witnesses because

681
00:25:21,269 --> 00:25:19,840
we were at a concert so we were all

682
00:25:22,310 --> 00:25:21,279
looking up at the sky and looking at

683
00:25:25,430 --> 00:25:22,320
this

684
00:25:27,430 --> 00:25:25,440
and it didn't fly away

685
00:25:28,950 --> 00:25:27,440
in fact it did something very very

686
00:25:30,390 --> 00:25:28,960
strange

687
00:25:31,750 --> 00:25:30,400
it looked like you know like a dimmer

688
00:25:35,909 --> 00:25:31,760

switch on a light where you can just

689

00:25:38,950 --> 00:25:35,919

like lower the dimmer sure yeah it just

690

00:25:41,990 --> 00:25:38,960

it just it just like turned off

691

00:25:44,070 --> 00:25:42,000

like it just turned off into nothing it

692

00:25:47,029 --> 00:25:44,080

was the strangest thing

693

00:25:50,470 --> 00:25:47,039

you know that's an odd thing to see

694

00:25:51,990 --> 00:25:50,480

yeah and uh so and i've seen um like we

695

00:25:54,390 --> 00:25:52,000

were sitting up at the dock with a bunch

696

00:25:57,269 --> 00:25:54,400

of my friends and it's up that you know

697

00:25:58,870 --> 00:25:57,279

we're in high school uh we're obviously

698

00:26:00,549 --> 00:25:58,880

like drinking and you know we're just

699

00:26:01,750 --> 00:26:00,559

having a good time down on the dock by

700

00:26:04,149 --> 00:26:01,760

the lake

701
00:26:05,190 --> 00:26:04,159
and there was this really bright star in

702
00:26:07,269 --> 00:26:05,200
the sky

703
00:26:08,870 --> 00:26:07,279
and it was so bright that we're like oh

704
00:26:11,590 --> 00:26:08,880
yeah that's the north star because

705
00:26:14,149 --> 00:26:11,600
there's like this glow this light coming

706
00:26:17,029 --> 00:26:14,159
down on all of us like a spotlight

707
00:26:18,870 --> 00:26:17,039
and that spotlight was there for like

708
00:26:20,710 --> 00:26:18,880
10 15 minutes

709
00:26:22,390 --> 00:26:20,720
and we all were talking about wow that's

710
00:26:25,669 --> 00:26:22,400
a beautiful star

711
00:26:27,430 --> 00:26:25,679
and then suddenly it just turned off

712
00:26:31,269 --> 00:26:27,440
and we're like

713
00:26:33,350 --> 00:26:31,279

um okay maybe that wasn't a star

714

00:26:35,110 --> 00:26:33,360

yeah do you think though that like a lot

715

00:26:36,870 --> 00:26:35,120

of this stuff

716

00:26:38,310 --> 00:26:36,880

one theory that i have is that a lot of

717

00:26:39,269 --> 00:26:38,320

the things that people are seeing are

718

00:26:41,510 --> 00:26:39,279

advanced

719

00:26:43,510 --> 00:26:41,520

military drones and that there's

720

00:26:45,430 --> 00:26:43,520

hundreds of more things up there in the

721

00:26:48,230 --> 00:26:45,440

sky than they want us to know about

722

00:26:49,110 --> 00:26:48,240

doing all manner of things

723

00:26:53,590 --> 00:26:49,120

i

724

00:26:55,830 --> 00:26:53,600

a hundred

725

00:26:57,830 --> 00:26:55,840

hundred percent in fact that's what i

726
00:26:59,110 --> 00:26:57,840
think the secret spro secret space

727
00:27:01,750 --> 00:26:59,120
program is

728
00:27:04,950 --> 00:27:01,760
is just the uh the militarization of

729
00:27:06,310 --> 00:27:04,960
space and spy satellites and different

730
00:27:08,070 --> 00:27:06,320
things that are going to work without

731
00:27:10,710 --> 00:27:08,080
the secret space program even the stuff

732
00:27:13,190 --> 00:27:10,720
we know is scary like they have this

733
00:27:15,269 --> 00:27:13,200
x-37b it was just in space for what like

734
00:27:18,149 --> 00:27:15,279
18 months or something just came back

735
00:27:19,110 --> 00:27:18,159
what was it doing we can't tell you

736
00:27:20,630 --> 00:27:19,120
right

737
00:27:23,830 --> 00:27:20,640
sorry we can't tell you what it was

738
00:27:26,549 --> 00:27:23,840

doing in space for 18 months there's it

739

00:27:28,310 --> 00:27:26,559

costs money to keep a controlled object

740

00:27:30,070 --> 00:27:28,320

in space for that long like they

741

00:27:31,990 --> 00:27:30,080

wouldn't just be letting it do a

742

00:27:35,029 --> 00:27:32,000

loop-de-loop you know it had to be doing

743

00:27:37,110 --> 00:27:35,039

something for 18 months in space

744

00:27:38,310 --> 00:27:37,120

you know what was it doing we can't tell

745

00:27:43,909 --> 00:27:38,320

you

746

00:27:45,669 --> 00:27:43,919

if if people do speak about the secret

747

00:27:47,350 --> 00:27:45,679

space program

748

00:27:49,750 --> 00:27:47,360

it's something that's been around for a

749

00:27:52,149 --> 00:27:49,760

very long time so we don't know

750

00:27:55,590 --> 00:27:52,159

how much is up there or how far out it

751
00:27:57,190 --> 00:27:55,600
goes or what type of technology it is

752
00:27:58,470 --> 00:27:57,200
do i think that they're working with

753
00:28:00,630 --> 00:27:58,480
aliens

754
00:28:04,149 --> 00:28:00,640
me personally i don't

755
00:28:06,389 --> 00:28:04,159
i don't i think it's purely military

756
00:28:09,430 --> 00:28:06,399
and i think that um

757
00:28:11,350 --> 00:28:09,440
the stuff that comes out into

758
00:28:15,190 --> 00:28:11,360
the community

759
00:28:18,789 --> 00:28:16,389
old channing

760
00:28:20,070 --> 00:28:18,799
old channeling material

761
00:28:22,230 --> 00:28:20,080
like a lot of the stuff that's being

762
00:28:24,070 --> 00:28:22,240
repeated and repeated i've heard for

763
00:28:26,630 --> 00:28:24,080

like 20 plus years

764

00:28:29,269 --> 00:28:26,640

it's just now taken that material and

765

00:28:31,269 --> 00:28:29,279

added this whole spacey uh secret space

766

00:28:34,149 --> 00:28:31,279

pro program two

767

00:28:35,269 --> 00:28:34,159

that old channeled material

768

00:28:36,950 --> 00:28:35,279

so i i don't

769

00:28:38,630 --> 00:28:36,960

yeah and then you kind of

770

00:28:40,870 --> 00:28:38,640

when you construct your con in that

771

00:28:43,350 --> 00:28:40,880

manner you kind of uh you get two

772

00:28:46,070 --> 00:28:43,360

audiences because they're gonna be the

773

00:28:48,230 --> 00:28:46,080

new age people and the ufo people you

774

00:28:50,389 --> 00:28:48,240

know yeah so you're gonna get a bigger

775

00:28:52,470 --> 00:28:50,399

audience

776

00:28:54,470 --> 00:28:52,480

but i you know if you ask me do i

777

00:28:55,830 --> 00:28:54,480

believe in it do i believe in the secret

778

00:28:57,590 --> 00:28:55,840

space program

779

00:29:00,230 --> 00:28:57,600

you don't have to believe it's it's

780

00:29:02,230 --> 00:29:00,240

common knowledge yeah yeah yeah i always

781

00:29:04,230 --> 00:29:02,240

just talk about that it's funny to me

782

00:29:05,350 --> 00:29:04,240

when somebody tells me like just like

783

00:29:06,870 --> 00:29:05,360

they'll say like oh there's no such

784

00:29:09,110 --> 00:29:06,880

thing as ufos people say there's no such

785

00:29:11,110 --> 00:29:09,120

thing as a secret space program just ask

786

00:29:13,590 --> 00:29:11,120

them if they know with that x37 that's

787

00:29:14,789 --> 00:29:13,600

public we know they have it you know

788

00:29:17,350 --> 00:29:14,799

we're not allowed to know what they're

789

00:29:18,789 --> 00:29:17,360

doing with it but we know they have it

790

00:29:21,510 --> 00:29:18,799

most people don't even know that that

791

00:29:23,990 --> 00:29:21,520

exists you know

792

00:29:26,950 --> 00:29:24,000

so we live in a scary

793

00:29:28,789 --> 00:29:26,960

futuristic world and

794

00:29:30,230 --> 00:29:28,799

you know i speak a lot with people about

795

00:29:31,669 --> 00:29:30,240

this

796

00:29:35,350 --> 00:29:31,679

and

797

00:29:36,789 --> 00:29:35,360

i personally believe that the next

798

00:29:39,269 --> 00:29:36,799

wars is

799

00:29:41,669 --> 00:29:39,279

going to be in space

800

00:29:44,149 --> 00:29:41,679

domination of space

801
00:29:46,549 --> 00:29:44,159
and these satellites whatever they are

802
00:29:48,310 --> 00:29:46,559
they are weaponized the military has

803
00:29:50,630 --> 00:29:48,320
told us that they have

804
00:29:52,310 --> 00:29:50,640
weaponized satellites

805
00:29:54,230 --> 00:29:52,320
and

806
00:29:55,750 --> 00:29:54,240
i'm just wondering if those weapons are

807
00:29:58,149 --> 00:29:55,760
pointed down at earth

808
00:29:59,590 --> 00:29:58,159
and they most likely are

809
00:30:01,430 --> 00:29:59,600
so this is another that's another

810
00:30:02,149 --> 00:30:01,440
cheerful thought

811
00:30:04,549 --> 00:30:02,159
well

812
00:30:07,510 --> 00:30:04,559
talking about dirty little secrets we

813
00:30:10,070 --> 00:30:07,520

have these things pointed right at you

814

00:30:11,669 --> 00:30:10,080

and you're gonna do what we say

815

00:30:17,750 --> 00:30:11,679

shut up

816

00:30:20,149 --> 00:30:17,760

jobs with the lower and lower pay

817

00:30:22,549 --> 00:30:20,159

with those shrinking benefits with that

818

00:30:25,430 --> 00:30:22,559

disappearing pension

819

00:30:26,950 --> 00:30:25,440

because we got these things you know

820

00:30:29,990 --> 00:30:26,960

it could be

821

00:30:32,389 --> 00:30:30,000

yeah um it's like a james bond movie but

822

00:30:34,630 --> 00:30:32,399

i think it's reality in

823

00:30:37,190 --> 00:30:34,640

in a context

824

00:30:38,789 --> 00:30:37,200

so that's where we're at and

825

00:30:40,789 --> 00:30:38,799

yeah i guess i wanted to get back to the

826
00:30:41,510 --> 00:30:40,799
multi-dimensional experiences that you

827
00:30:43,190 --> 00:30:41,520
had

828
00:30:44,630 --> 00:30:43,200
let's do this you talked about what are

829
00:30:47,350 --> 00:30:44,640
they and uh

830
00:30:50,149 --> 00:30:47,360
and you you're kind of it's a mystery

831
00:30:51,909 --> 00:30:50,159
why are they communicating to you

832
00:30:54,549 --> 00:30:51,919
because do you know how we talked about

833
00:30:57,669 --> 00:30:55,750
this

834
00:30:59,110 --> 00:30:57,679
thing with billy meyer like aliens are

835
00:31:01,269 --> 00:30:59,120
only talking to him and everybody else

836
00:31:03,110 --> 00:31:01,279
is a fraud and this woman the same thing

837
00:31:05,430 --> 00:31:03,120
with her oh the aliens only talk to me

838
00:31:08,070 --> 00:31:05,440

anybody you know

839

00:31:10,389 --> 00:31:08,080

when when i hear somebody tell

840

00:31:12,630 --> 00:31:10,399

some of the

841

00:31:15,509 --> 00:31:12,640

kind of material that you're

842

00:31:17,269 --> 00:31:15,519

talking about and it's in your book i go

843

00:31:20,630 --> 00:31:17,279

that's pretty bold

844

00:31:22,070 --> 00:31:20,640

and why or why him why not me because

845

00:31:24,310 --> 00:31:22,080

you and i are made of the same kind of

846

00:31:25,669 --> 00:31:24,320

dna we might have had a lot of similar

847

00:31:26,870 --> 00:31:25,679

experiences

848

00:31:29,430 --> 00:31:26,880

similar

849

00:31:31,350 --> 00:31:29,440

ability to comprehend things maybe i

850

00:31:32,789 --> 00:31:31,360

don't know so it always makes me wonder

851
00:31:34,389 --> 00:31:32,799
why them

852
00:31:36,950 --> 00:31:34,399
and not somebody else

853
00:31:38,070 --> 00:31:36,960
or is it many of you

854
00:31:40,789 --> 00:31:38,080
in that way

855
00:31:42,230 --> 00:31:40,799
i think there's millions of us

856
00:31:44,389 --> 00:31:42,240
um and ever since i came out with that

857
00:31:46,230 --> 00:31:44,399
book i get emails all the time about

858
00:31:48,149 --> 00:31:46,240
people saying the same thing happened to

859
00:31:50,230 --> 00:31:48,159
them

860
00:31:51,590 --> 00:31:50,240
and at first i was very alone to talk

861
00:31:54,470 --> 00:31:51,600
about this

862
00:31:58,630 --> 00:31:54,480
but you know people ask me why me

863
00:32:01,830 --> 00:31:59,590

not like

864

00:32:04,389 --> 00:32:01,840

reading people but yeah

865

00:32:06,630 --> 00:32:04,399

i would have paranormal experiences

866

00:32:08,549 --> 00:32:06,640

growing up as a child and i'd have past

867

00:32:10,389 --> 00:32:08,559

life memories and out-of-body

868

00:32:12,710 --> 00:32:10,399

experiences as a child

869

00:32:13,750 --> 00:32:12,720

but that went away

870

00:32:15,990 --> 00:32:13,760

um

871

00:32:16,870 --> 00:32:16,000

around the age of like 11 that just went

872

00:32:21,990 --> 00:32:16,880

away

873

00:32:26,789 --> 00:32:24,230

in my early 20s

874

00:32:29,669 --> 00:32:26,799

i really believed i was dying

875

00:32:32,950 --> 00:32:29,679

i was very sick

876

00:32:35,590 --> 00:32:32,960

and i think that when a person is sick

877

00:32:39,430 --> 00:32:35,600

and things are not going well

878

00:32:43,430 --> 00:32:41,350

i would say the bond to this world is

879

00:32:44,789 --> 00:32:43,440

weakened

880

00:32:47,190 --> 00:32:44,799

maybe when you're when you're in that

881

00:32:48,789 --> 00:32:47,200

situation the edges of reality fray a

882

00:32:50,470 --> 00:32:48,799

little bit for you

883

00:32:52,870 --> 00:32:50,480

that's right

884

00:32:54,789 --> 00:32:52,880

and uh this is

885

00:32:57,350 --> 00:32:54,799

the biggest message that i talk about in

886

00:32:59,830 --> 00:32:57,360

my book because it wasn't this grand

887

00:33:03,110 --> 00:32:59,840

message for humanity it was the messages

888

00:33:05,430 --> 00:33:03,120

i received were very specific to me

889

00:33:07,909 --> 00:33:05,440

and they were specific on you need to

890

00:33:10,789 --> 00:33:07,919

get better you need to heal yourself

891

00:33:14,470 --> 00:33:10,799

because right now you're not good

892

00:33:17,350 --> 00:33:14,480

so whatever these beings were

893

00:33:18,870 --> 00:33:17,360

they were concerned about my overall

894

00:33:21,190 --> 00:33:18,880

health

895

00:33:23,029 --> 00:33:21,200

and that's why

896

00:33:24,870 --> 00:33:23,039

i talk about it because for me it was a

897

00:33:26,950 --> 00:33:24,880

positive experience because what if i

898

00:33:28,789 --> 00:33:26,960

didn't have that type of intervention

899

00:33:31,110 --> 00:33:28,799

would i continue to get sick and then

900

00:33:33,430 --> 00:33:31,120

eventually die

901
00:33:36,149 --> 00:33:33,440
because as i got better

902
00:33:38,149 --> 00:33:36,159
those experiences stopped

903
00:33:41,430 --> 00:33:38,159
you know it's like i had my foot in both

904
00:33:43,830 --> 00:33:41,440
worlds so it was easy for me to kind of

905
00:33:45,350 --> 00:33:43,840
leave my body and navigate those worlds

906
00:33:46,470 --> 00:33:45,360
and have conversations with different

907
00:33:49,509 --> 00:33:46,480
beings

908
00:33:53,269 --> 00:33:49,519
but as i got stronger and healthier

909
00:33:54,630 --> 00:33:53,279
i came back and became more grounded

910
00:33:57,269 --> 00:33:54,640
you know so

911
00:33:59,190 --> 00:33:57,279
that kind of makes sense

912
00:34:00,710 --> 00:33:59,200
so you think you think it was because of

913
00:34:02,710 --> 00:34:00,720

that experience that you had that you

914

00:34:03,590 --> 00:34:02,720

could open that door

915

00:34:05,269 --> 00:34:03,600

yeah

916

00:34:06,710 --> 00:34:05,279

and some people don't have that door

917

00:34:09,109 --> 00:34:06,720

open for them or have a similar

918

00:34:10,389 --> 00:34:09,119

experience so maybe yeah that's like the

919

00:34:11,990 --> 00:34:10,399

catalyst

920

00:34:14,310 --> 00:34:12,000

you see a lot of people have these

921

00:34:16,389 --> 00:34:14,320

experiences through trauma

922

00:34:18,629 --> 00:34:16,399

uh like someone who has a near-death

923

00:34:22,069 --> 00:34:18,639

experience or a car accident or

924

00:34:24,869 --> 00:34:22,079

something bad happens to them physically

925

00:34:29,030 --> 00:34:26,950

have these type of experiences

926
00:34:30,869 --> 00:34:29,040
and i don't know if you know this about

927
00:34:32,950 --> 00:34:30,879
me but two years ago

928
00:34:37,750 --> 00:34:32,960
i nearly died again

929
00:34:39,510 --> 00:34:37,760
and i broke my back in three places

930
00:34:41,829 --> 00:34:39,520
oh that's incredible no i didn't hear

931
00:34:43,750 --> 00:34:41,839
that i didn't hear about this yeah so i

932
00:34:46,869 --> 00:34:43,760
have uh two

933
00:34:49,750 --> 00:34:46,879
titanium rods literally from the base of

934
00:34:52,950 --> 00:34:49,760
my rib cage up to my shoulders

935
00:34:55,109 --> 00:34:52,960
um i've done 10 titanium screws doing

936
00:34:59,109 --> 00:34:55,119
that going down the vertebrae oh you've

937
00:35:01,349 --> 00:34:59,119
got to have a lot of fun at airports man

938
00:35:03,750 --> 00:35:01,359

yeah and

939

00:35:05,510 --> 00:35:03,760

but that was a an injury

940

00:35:07,190 --> 00:35:05,520

that uh they called it a three-tier

941

00:35:09,670 --> 00:35:07,200

break where

942

00:35:11,750 --> 00:35:09,680

um if i fell again or if i moved the

943

00:35:13,510 --> 00:35:11,760

wrong way i could sever my spinal cord

944

00:35:16,550 --> 00:35:13,520

and just die

945

00:35:19,349 --> 00:35:16,560

so so that's how close i was again

946

00:35:21,760 --> 00:35:19,359

to death and i'm telling you when i was

947

00:35:23,030 --> 00:35:21,770

in the hospital

948

00:35:25,829 --> 00:35:23,040

[Music]

949

00:35:28,150 --> 00:35:25,839

i was really going deep into altered

950

00:35:30,630 --> 00:35:28,160

states of awareness like i was like

951
00:35:34,630 --> 00:35:30,640
totally out there i could go inside my

952
00:35:36,310 --> 00:35:34,640
body have these mystical experiences

953
00:35:38,630 --> 00:35:36,320
and i knew that i was able to do that

954
00:35:41,190 --> 00:35:38,640
because i was broken literally i was in

955
00:35:42,550 --> 00:35:41,200
that really bad place

956
00:35:44,950 --> 00:35:42,560
then as i start to heal those

957
00:35:47,589 --> 00:35:44,960
experiences start to stop again

958
00:35:50,870 --> 00:35:47,599
wow that's kind of that's kind of freaky

959
00:35:53,270 --> 00:35:50,880
but it makes sense like when the body is

960
00:35:55,750 --> 00:35:53,280
is kind of shutting down the mind

961
00:35:57,750 --> 00:35:55,760
expands

962
00:36:00,870 --> 00:35:57,760
yeah

963
00:36:03,109 --> 00:36:00,880

um have you ever had sleep paralysis

964

00:36:05,190 --> 00:36:03,119

yes i have and i found it to be a

965

00:36:07,750 --> 00:36:05,200

somewhat disturbing but not

966

00:36:09,670 --> 00:36:07,760

life-altering experience i had like one

967

00:36:12,470 --> 00:36:09,680

time i woke up in my you know i kind of

968

00:36:13,829 --> 00:36:12,480

like went to go out of bed and like fell

969

00:36:16,230 --> 00:36:13,839

on my face

970

00:36:18,710 --> 00:36:16,240

i was totally like my body just was

971

00:36:20,790 --> 00:36:18,720

totally out like pins and needles from

972

00:36:21,750 --> 00:36:20,800

head to toe and i didn't realize it and

973

00:36:23,190 --> 00:36:21,760

i'm like

974

00:36:29,589 --> 00:36:23,200

you know

975

00:36:31,670 --> 00:36:29,599

even still for a few maybe 30 seconds i

976

00:36:34,150 --> 00:36:31,680

didn't really routine you know

977

00:36:36,310 --> 00:36:34,160

but that's to me like people talk about

978

00:36:37,829 --> 00:36:36,320

this sleep paralysis like it's some big

979

00:36:39,190 --> 00:36:37,839

i guess because for me it was like a

980

00:36:41,910 --> 00:36:39,200

one-time

981

00:36:43,750 --> 00:36:41,920

yeah one time thing you know like some

982

00:36:46,790 --> 00:36:43,760

people it happens to a lot and that

983

00:36:48,230 --> 00:36:46,800

would be terrifying to me especially the

984

00:36:49,430 --> 00:36:48,240

the way some people describe that you're

985

00:36:51,990 --> 00:36:49,440

conscious

986

00:36:54,230 --> 00:36:52,000

you know but you can't move anything you

987

00:36:55,829 --> 00:36:54,240

know that's a scary yeah like loss of

988

00:36:56,950 --> 00:36:55,839

control kind of feeling i don't think i

989

00:36:59,990 --> 00:36:56,960

would

990

00:37:02,790 --> 00:37:00,000

like that very much most people know

991

00:37:04,230 --> 00:37:02,800

it's absolutely terrifying and it would

992

00:37:05,670 --> 00:37:04,240

happen it was happening to me in my

993

00:37:08,630 --> 00:37:05,680

early 20s

994

00:37:09,990 --> 00:37:08,640

and what happened to me almost every

995

00:37:11,750 --> 00:37:10,000

single night

996

00:37:13,589 --> 00:37:11,760

so you could understand

997

00:37:16,390 --> 00:37:13,599

how crazy it was

998

00:37:18,870 --> 00:37:16,400

and i would be frozen in the bed

999

00:37:21,190 --> 00:37:18,880

can't move but i would be screaming in

1000

00:37:22,790 --> 00:37:21,200

my mind to wake up

1001

00:37:24,790 --> 00:37:22,800

um it

1002

00:37:27,750 --> 00:37:24,800

it's not a good place to be it's very

1003

00:37:30,069 --> 00:37:27,760

scary and what's worse is

1004

00:37:31,430 --> 00:37:30,079

i started to sense that i wasn't alone

1005

00:37:35,589 --> 00:37:31,440

in the room so this is how it all

1006

00:37:39,829 --> 00:37:36,550

so

1007

00:37:42,150 --> 00:37:39,839

room

1008

00:37:43,190 --> 00:37:42,160

like i could feel it

1009

00:37:45,750 --> 00:37:43,200

and

1010

00:37:48,550 --> 00:37:45,760

it bothered me so much but look i don't

1011

00:37:52,630 --> 00:37:48,560

have a religious background

1012

00:37:54,390 --> 00:37:52,640

i was a normal person like literally

1013

00:37:55,589 --> 00:37:54,400

i didn't know anything about this

1014

00:37:56,710 --> 00:37:55,599

subject

1015

00:37:58,310 --> 00:37:56,720

so

1016

00:37:59,510 --> 00:37:58,320

when this was happening to me where does

1017

00:38:01,510 --> 00:37:59,520

the mind go

1018

00:38:03,750 --> 00:38:01,520

it goes right to what we see in media

1019

00:38:06,230 --> 00:38:03,760

which is alien abduction

1020

00:38:07,750 --> 00:38:06,240

or demonic possession that's exactly

1021

00:38:09,270 --> 00:38:07,760

what i thought when this was happening

1022

00:38:11,109 --> 00:38:09,280

to me

1023

00:38:12,550 --> 00:38:11,119

so i was freaking out i didn't know what

1024

00:38:14,310 --> 00:38:12,560

to do

1025

00:38:16,310 --> 00:38:14,320

and

1026

00:38:18,470 --> 00:38:16,320

i started to get into this state where

1027

00:38:19,589 --> 00:38:18,480

the body is frozen

1028

00:38:22,390 --> 00:38:19,599

and it

1029

00:38:25,670 --> 00:38:22,400

felt like there was a body within the

1030

00:38:28,710 --> 00:38:25,680

body it's a very strange feeling

1031

00:38:30,870 --> 00:38:28,720

and in fact i could actually move around

1032

00:38:32,870 --> 00:38:30,880

inside my body it's like the body

1033

00:38:34,230 --> 00:38:32,880

becomes your sarcophagus there's

1034

00:38:36,150 --> 00:38:34,240

something else inside that you could

1035

00:38:39,270 --> 00:38:36,160

move yeah i've heard you describe this

1036

00:38:42,069 --> 00:38:39,280

before and it's really uh it's really

1037

00:38:43,430 --> 00:38:42,079

i don't know it makes me have anxiety

1038

00:38:44,829 --> 00:38:43,440

just here

1039

00:38:45,829 --> 00:38:44,839

it really does

1040

00:38:49,270 --> 00:38:45,839

because it's

1041

00:38:52,790 --> 00:38:50,870

it's terrifying

1042

00:38:54,630 --> 00:38:52,800

but i see i didn't know what i was doing

1043

00:38:56,870 --> 00:38:54,640

that's the thing i had no idea what i

1044

00:38:58,390 --> 00:38:56,880

was doing i could just feel it and

1045

00:38:59,990 --> 00:38:58,400

experience it

1046

00:39:00,870 --> 00:39:00,000

and it's like you're trapped in your

1047

00:39:02,550 --> 00:39:00,880

body

1048

00:39:05,030 --> 00:39:02,560

it's like you're in a coma and screaming

1049

00:39:06,710 --> 00:39:05,040

for help and i was shaking inside my

1050

00:39:08,790 --> 00:39:06,720

body so hard

1051
00:39:10,310 --> 00:39:08,800
that i popped myself out and i would say

1052
00:39:12,230 --> 00:39:10,320
that was my first

1053
00:39:14,550 --> 00:39:12,240
out-of-body experience conscious

1054
00:39:16,550 --> 00:39:14,560
out-of-body experience

1055
00:39:18,950 --> 00:39:16,560
and i rose up above the bed just like

1056
00:39:21,510 --> 00:39:18,960
people described i could literally see

1057
00:39:23,589 --> 00:39:21,520
myself laying in bed

1058
00:39:25,750 --> 00:39:23,599
and it was very freaky because i was

1059
00:39:29,270 --> 00:39:25,760
like straight as a board on my back and

1060
00:39:30,870 --> 00:39:29,280
my eyes were opened okay it was scary

1061
00:39:33,270 --> 00:39:30,880
seeing that

1062
00:39:38,150 --> 00:39:35,589
right away i knew this was not a dream

1063
00:39:40,230 --> 00:39:38,160

it was like a slap of reality in my face

1064

00:39:41,670 --> 00:39:40,240

that i'm dead like literally that's what

1065

00:39:43,750 --> 00:39:41,680

i thought

1066

00:39:46,230 --> 00:39:43,760

and then i looked at the foot of my bed

1067

00:39:47,510 --> 00:39:46,240

and i could see this giant shadow which

1068

00:39:49,190 --> 00:39:47,520

looked like

1069

00:39:50,870 --> 00:39:49,200

what we people would describe as a grim

1070

00:39:52,870 --> 00:39:50,880

reaper but it was just like a giant

1071

00:39:55,670 --> 00:39:52,880

shadow with form

1072

00:39:58,230 --> 00:39:55,680

and that scared me so much

1073

00:40:00,069 --> 00:39:58,240

that i got sucked back in my body and i

1074

00:40:02,390 --> 00:40:00,079

woke up you know obviously heart is

1075

00:40:03,270 --> 00:40:02,400

pounding out of my chest

1076
00:40:06,230 --> 00:40:03,280
but

1077
00:40:07,910 --> 00:40:06,240
once that happened to me

1078
00:40:09,910 --> 00:40:07,920
it stopped

1079
00:40:12,950 --> 00:40:09,920
once i had that out of body experience

1080
00:40:14,230 --> 00:40:12,960
my sleep paralysis ended at that day and

1081
00:40:16,309 --> 00:40:14,240
time

1082
00:40:17,430 --> 00:40:16,319
and ever since then

1083
00:40:18,710 --> 00:40:17,440
it's like

1084
00:40:21,750 --> 00:40:18,720
something

1085
00:40:23,670 --> 00:40:21,760
has awoken in me or activated or a door

1086
00:40:25,030 --> 00:40:23,680
has been opened the only way i could

1087
00:40:28,390 --> 00:40:25,040
describe it

1088
00:40:29,510 --> 00:40:28,400

where as i'm going to sleep

1089

00:40:31,510 --> 00:40:29,520

this is like

1090

00:40:33,430 --> 00:40:31,520

altered states of awareness it's like as

1091

00:40:36,550 --> 00:40:33,440

you're going to sleep there's this sweet

1092

00:40:38,470 --> 00:40:36,560

spot between waking and dreaming

1093

00:40:40,390 --> 00:40:38,480

and it's in this sweet spot that the

1094

00:40:42,309 --> 00:40:40,400

body shuts down it goes into sleep

1095

00:40:44,630 --> 00:40:42,319

paralysis mode

1096

00:40:47,430 --> 00:40:44,640

and what science says is absolutely true

1097

00:40:49,670 --> 00:40:47,440

i completely believe what science says

1098

00:40:51,430 --> 00:40:49,680

is that you know the body shuts off so

1099

00:40:53,270 --> 00:40:51,440

that you're not running in your sleep

1100

00:40:55,910 --> 00:40:53,280

basically

1101
00:40:58,230 --> 00:40:55,920
so the body turns off

1102
00:40:59,589 --> 00:40:58,240
but there's this tiny moment

1103
00:41:01,750 --> 00:40:59,599
where

1104
00:41:04,390 --> 00:41:01,760
you can actually push yourself out and

1105
00:41:06,630 --> 00:41:04,400
have this out of body experience again

1106
00:41:09,510 --> 00:41:06,640
and that's what i was doing i was

1107
00:41:11,829 --> 00:41:09,520
recreating that experience because

1108
00:41:13,829 --> 00:41:11,839
you know once you get a taste of it

1109
00:41:15,910 --> 00:41:13,839
it's almost like

1110
00:41:18,150 --> 00:41:15,920
this you have to go back there again

1111
00:41:21,510 --> 00:41:18,160
it's it's too interesting you have to

1112
00:41:23,670 --> 00:41:21,520
feel it and experience it again

1113
00:41:26,069 --> 00:41:23,680

and at first i would just kind of leave

1114

00:41:29,910 --> 00:41:26,079

my body and stay in my bedroom because i

1115

00:41:32,069 --> 00:41:29,920

was too fearful of doing anything else

1116

00:41:33,829 --> 00:41:32,079

and eventually i got up the courage to

1117

00:41:35,109 --> 00:41:33,839

kind of leave

1118

00:41:37,349 --> 00:41:35,119

the bedroom

1119

00:41:38,870 --> 00:41:37,359

like walk around the house which is not

1120

00:41:40,630 --> 00:41:38,880

walking you're basically just floating

1121

00:41:42,710 --> 00:41:40,640

around the house

1122

00:41:44,390 --> 00:41:42,720

and it's very strange because

1123

00:41:46,150 --> 00:41:44,400

you have no mouth

1124

00:41:48,069 --> 00:41:46,160

it's like you can't speak the way you

1125

00:41:50,150 --> 00:41:48,079

normally speak you don't breathe and

1126

00:41:54,069 --> 00:41:50,160

your eyes are different you have

1127

00:41:55,430 --> 00:41:54,079

360 view and it's um you can zoom in and

1128

00:41:56,870 --> 00:41:55,440

out of things it's the only way to

1129

00:41:58,870 --> 00:41:56,880

describe it

1130

00:42:00,550 --> 00:41:58,880

it sounds like it sounds like

1131

00:42:03,589 --> 00:42:00,560

i hate to say this but it's a great

1132

00:42:05,670 --> 00:42:03,599

analogy it sounds like god mode on some

1133

00:42:07,670 --> 00:42:05,680

video games

1134

00:42:08,309 --> 00:42:07,680

yeah where you can just you can fly up

1135

00:42:10,950 --> 00:42:08,319

and

1136

00:42:13,109 --> 00:42:10,960

into the sky or whatever you want to do

1137

00:42:14,950 --> 00:42:13,119

survey anything

1138

00:42:16,870 --> 00:42:14,960

go over that's basically what it feels

1139

00:42:18,550 --> 00:42:16,880

like

1140

00:42:20,870 --> 00:42:18,560

yeah i can't imagine that that could be

1141

00:42:23,190 --> 00:42:20,880

quite an addicting thing you were saying

1142

00:42:25,750 --> 00:42:23,200

you want to keep going back there

1143

00:42:28,069 --> 00:42:25,760

yeah you it's like it's difficult it's

1144

00:42:29,829 --> 00:42:28,079

actually really difficult and i would

1145

00:42:31,829 --> 00:42:29,839

struggle trying to get back there but i

1146

00:42:32,790 --> 00:42:31,839

knew that i could

1147

00:42:34,230 --> 00:42:32,800

and

1148

00:42:35,990 --> 00:42:34,240

this is when

1149

00:42:37,109 --> 00:42:36,000

i would say everything started to happen

1150

00:42:39,750 --> 00:42:37,119

to me

1151

00:42:44,150 --> 00:42:41,750

it's almost like

1152

00:42:48,710 --> 00:42:44,160

the beings whoever these beings are that

1153

00:42:54,069 --> 00:42:50,710

they see that you're awake

1154

00:42:56,069 --> 00:42:54,079

and traveling in this new space

1155

00:42:57,589 --> 00:42:56,079

and at first

1156

00:43:00,309 --> 00:42:57,599

it's almost like

1157

00:43:01,750 --> 00:43:00,319

they want to scare the crap out of you

1158

00:43:03,589 --> 00:43:01,760

hurt you

1159

00:43:05,829 --> 00:43:03,599

so that you don't go back in that world

1160

00:43:07,750 --> 00:43:05,839

ever again

1161

00:43:10,470 --> 00:43:07,760

so a lot of people that go into that

1162

00:43:12,150 --> 00:43:10,480

well that's not very welcoming so

1163

00:43:13,510 --> 00:43:12,160

that's not lead me to believe that

1164

00:43:16,069 --> 00:43:13,520

they're uh

1165

00:43:18,790 --> 00:43:16,079

i don't know negative entities

1166

00:43:20,870 --> 00:43:18,800

and is that positive entities as well in

1167

00:43:22,630 --> 00:43:20,880

this space

1168

00:43:24,870 --> 00:43:22,640

um there is

1169

00:43:27,430 --> 00:43:24,880

there is but it feels like

1170

00:43:29,910 --> 00:43:27,440

the first thing that you kind of it's a

1171

00:43:32,150 --> 00:43:29,920

mix but when i would do it it would be

1172

00:43:34,309 --> 00:43:32,160

more negative there'd be more negative

1173

00:43:35,670 --> 00:43:34,319

entities

1174

00:43:36,950 --> 00:43:35,680

attracted

1175

00:43:38,630 --> 00:43:36,960

to me

1176

00:43:40,470 --> 00:43:38,640

and

1177

00:43:43,349 --> 00:43:40,480

it was actually terrifying

1178

00:43:44,790 --> 00:43:43,359

and terrible because you know you go to

1179

00:43:45,670 --> 00:43:44,800

sleep at night and it would feel like

1180

00:43:48,230 --> 00:43:45,680

this

1181

00:43:50,309 --> 00:43:48,240

being would walk up on your bed

1182

00:43:52,150 --> 00:43:50,319

and it looks like a shadow with mass and

1183

00:43:53,829 --> 00:43:52,160

it would just kind of lay on top of you

1184

00:43:56,150 --> 00:43:53,839

and it feels like it's crushing you and

1185

00:43:58,470 --> 00:43:56,160

suffocating you you can't really do

1186

00:44:00,870 --> 00:43:58,480

anything about it it's really freaky

1187

00:44:02,870 --> 00:44:00,880

like you never get used to that yeah i

1188

00:44:03,990 --> 00:44:02,880

can imagine

1189

00:44:05,670 --> 00:44:04,000

and

1190

00:44:08,630 --> 00:44:05,680

so you're kind of trying to fight this

1191

00:44:10,630 --> 00:44:08,640

thing off you and wake up

1192

00:44:12,470 --> 00:44:10,640

and sometimes these beings will try to

1193

00:44:14,550 --> 00:44:12,480

pull you out of your body

1194

00:44:16,550 --> 00:44:14,560

they'll try to actually push inside your

1195

00:44:18,150 --> 00:44:16,560

body like literally you feel like this

1196

00:44:19,910 --> 00:44:18,160

thing is trying to push inside of you

1197

00:44:21,670 --> 00:44:19,920

and you're fighting back trying to push

1198

00:44:23,349 --> 00:44:21,680

it back out

1199

00:44:24,309 --> 00:44:23,359

so i went through that for about five

1200

00:44:26,790 --> 00:44:24,319

years

1201

00:44:29,990 --> 00:44:26,800

fighting with these things

1202

00:44:32,790 --> 00:44:30,000

and i could tell you um

1203

00:44:34,710 --> 00:44:32,800

i don't know why i didn't go insane

1204

00:44:36,710 --> 00:44:34,720

but it's almost like i kind of knew what

1205

00:44:38,230 --> 00:44:36,720

was going on yeah you know since you

1206

00:44:39,829 --> 00:44:38,240

opened the door and i don't want you to

1207

00:44:41,990 --> 00:44:39,839

take this the wrong way i really don't

1208

00:44:42,950 --> 00:44:42,000

yeah because you know

1209

00:44:44,870 --> 00:44:42,960

but

1210

00:44:47,190 --> 00:44:44,880

the two questions when i hear some

1211

00:44:49,349 --> 00:44:47,200

things like this yes you're absolutely

1212

00:44:51,270 --> 00:44:49,359

positively sure that this is not just

1213

00:44:53,510 --> 00:44:51,280

dreaming or maybe a form of lucid

1214

00:44:56,550 --> 00:44:53,520

dreaming that you're directing

1215

00:44:58,550 --> 00:44:56,560

and number no and number two

1216

00:45:00,790 --> 00:44:58,560

yeah some people

1217

00:45:02,550 --> 00:45:00,800

hearing this would say

1218

00:45:05,589 --> 00:45:02,560

maybe he needs to speak to a

1219

00:45:07,190 --> 00:45:05,599

psychiatrist or a psychologist

1220

00:45:10,150 --> 00:45:07,200

and did you

1221

00:45:11,910 --> 00:45:10,160

i gotta ask did you did you think that

1222

00:45:13,670 --> 00:45:11,920

may be a possibility when some of this

1223

00:45:15,910 --> 00:45:13,680

stuff started happening and did you ever

1224

00:45:18,870 --> 00:45:15,920

seek out help or do were you just sure

1225

00:45:21,349 --> 00:45:18,880

that you knew what the deal was

1226

00:45:24,069 --> 00:45:21,359

well it's like

1227

00:45:29,910 --> 00:45:26,550

for some reason it's like

1228

00:45:31,430 --> 00:45:29,920

i knew i knew what i was dealing with

1229

00:45:33,589 --> 00:45:31,440

was real

1230

00:45:35,589 --> 00:45:33,599

but i didn't want to go seek

1231

00:45:38,470 --> 00:45:35,599

help in the way of

1232

00:45:40,790 --> 00:45:38,480

normal psychologists or psychiatrists

1233

00:45:44,390 --> 00:45:40,800

in fact

1234

00:45:47,430 --> 00:45:44,400

i kept it really bottled up inside of me

1235

00:45:49,589 --> 00:45:47,440

and one night it actually i couldn't

1236

00:45:52,069 --> 00:45:49,599

keep it in anymore and i told my father

1237

00:45:54,309 --> 00:45:52,079

what was happening to me

1238

00:45:56,550 --> 00:45:54,319

and uh

1239

00:45:58,069 --> 00:45:56,560

the next week i went back to see him and

1240

00:45:59,109 --> 00:45:58,079

i went on his computer to check some

1241

00:46:01,589 --> 00:45:59,119

email

1242

00:46:03,750 --> 00:46:01,599

my dad my dad would say you need jesus

1243

00:46:06,069 --> 00:46:03,760

son get in the car we're going to see

1244

00:46:08,550 --> 00:46:06,079

the monsignor i'm not kidding you like

1245

00:46:12,230 --> 00:46:08,560

that's how my dad was you know

1246

00:46:15,589 --> 00:46:12,240

well my father um basically bookmarked a

1247

00:46:16,470 --> 00:46:15,599

bunch of pages on schizophrenia

1248

00:46:18,470 --> 00:46:16,480

and

1249

00:46:19,670 --> 00:46:18,480

wanted me to see a psychiatrist right

1250

00:46:20,950 --> 00:46:19,680

away

1251
00:46:23,270 --> 00:46:20,960
and i knew

1252
00:46:26,069 --> 00:46:23,280
i just knew inside of me that

1253
00:46:29,030 --> 00:46:26,079
i kind of had to deal with this myself

1254
00:46:31,670 --> 00:46:29,040
and i was very grounded stable and i i

1255
00:46:33,829 --> 00:46:31,680
knew it was crazy

1256
00:46:36,790 --> 00:46:33,839
i absolutely knew what was happening to

1257
00:46:38,950 --> 00:46:36,800
was like bonkers crazy

1258
00:46:41,109 --> 00:46:38,960
but for some reason i i knew that i

1259
00:46:42,309 --> 00:46:41,119
could deal with it and handle it myself

1260
00:46:44,630 --> 00:46:42,319
and i think that's just kind of my

1261
00:46:45,750 --> 00:46:44,640
personality

1262
00:46:48,309 --> 00:46:45,760
but

1263
00:46:51,109 --> 00:46:48,319

this is when

1264

00:46:52,230 --> 00:46:51,119

communication started with a being or

1265

00:46:54,870 --> 00:46:52,240

beings

1266

00:46:56,870 --> 00:46:54,880

i can they don't look like anything like

1267

00:46:57,829 --> 00:46:56,880

people say they they look like this or

1268

00:46:59,990 --> 00:46:57,839

that

1269

00:47:01,190 --> 00:47:00,000

they literally looked like either

1270

00:47:03,349 --> 00:47:01,200

shadows

1271

00:47:04,550 --> 00:47:03,359

or invisible like the you ever see like

1272

00:47:05,990 --> 00:47:04,560

the predator

1273

00:47:07,829 --> 00:47:06,000

where it's like they have that shimmer

1274

00:47:09,589 --> 00:47:07,839

you can see through them that's what

1275

00:47:11,910 --> 00:47:09,599

they looked like to me

1276

00:47:15,349 --> 00:47:11,920

or they were like cloaks

1277

00:47:17,430 --> 00:47:15,359

almost like a monk or like a jedi cloak

1278

00:47:21,990 --> 00:47:17,440

you know and you never ever saw their

1279

00:47:25,750 --> 00:47:24,069

those are like the only ones that kind

1280

00:47:27,349 --> 00:47:25,760

of communicated

1281

00:47:29,990 --> 00:47:27,359

with me

1282

00:47:32,230 --> 00:47:30,000

and basically what they said to me

1283

00:47:37,109 --> 00:47:32,240

was

1284

00:47:40,870 --> 00:47:37,119

me would definitely continue

1285

00:47:43,349 --> 00:47:40,880

because my energy body

1286

00:47:44,230 --> 00:47:43,359

they call it the energy body

1287

00:47:45,829 --> 00:47:44,240

was

1288

00:47:47,510 --> 00:47:45,839

very weak

1289

00:47:49,589 --> 00:47:47,520

and distorted

1290

00:47:52,950 --> 00:47:49,599

and they're saying this is what allows

1291

00:47:55,990 --> 00:47:52,960

these beings to manipulate influence

1292

00:47:57,910 --> 00:47:56,000

attack whatever you want to call it

1293

00:47:59,510 --> 00:47:57,920

and that i had to kind of strengthen my

1294

00:48:00,549 --> 00:47:59,520

energy field

1295

00:48:03,910 --> 00:48:00,559

to

1296

00:48:06,150 --> 00:48:03,920

protect myself in this world

1297

00:48:08,790 --> 00:48:06,160

so that's what i did and they basically

1298

00:48:11,270 --> 00:48:08,800

they guided me into uh qigong that's

1299

00:48:14,470 --> 00:48:11,280

what i started i started to do um

1300

00:48:16,790 --> 00:48:14,480

it was a chinese qigong called chilao i

1301

00:48:18,710 --> 00:48:16,800

was going to ask how do you break how do

1302

00:48:20,630 --> 00:48:18,720

you do that

1303

00:48:22,069 --> 00:48:20,640

yeah it was uh it was just a practice

1304

00:48:24,470 --> 00:48:22,079

called qigong

1305

00:48:27,109 --> 00:48:24,480

and um it's basically

1306

00:48:29,990 --> 00:48:27,119

what you're doing with qigong is you're

1307

00:48:31,670 --> 00:48:30,000

trying to move energy through your body

1308

00:48:34,309 --> 00:48:31,680

that's all qigong is

1309

00:48:35,349 --> 00:48:34,319

so there's the electromagnetic fields of

1310

00:48:37,589 --> 00:48:35,359

the earth

1311

00:48:39,829 --> 00:48:37,599

you're an electromagnetic being

1312

00:48:41,510 --> 00:48:39,839

you're tapped into the earth's magnetic

1313

00:48:44,630 --> 00:48:41,520

field and all you're doing is trying to

1314

00:48:47,190 --> 00:48:44,640

circulate that energy around your body

1315

00:48:48,390 --> 00:48:47,200

and the more you do that the more you

1316

00:48:50,710 --> 00:48:48,400

start to strengthen your own

1317

00:48:53,910 --> 00:48:50,720

electromagnetic fields in the body

1318

00:48:55,589 --> 00:48:53,920

that's the whole concept of qigong

1319

00:48:57,270 --> 00:48:55,599

you know you take out all the belief

1320

00:48:58,549 --> 00:48:57,280

systems that's just what you're doing

1321

00:49:00,790 --> 00:48:58,559

i'm sure i've heard of something like

1322

00:49:02,710 --> 00:49:00,800

this called grounding which is to make

1323

00:49:03,829 --> 00:49:02,720

sure that you you know

1324

00:49:05,349 --> 00:49:03,839

bare feet

1325

00:49:08,069 --> 00:49:05,359

walk on the earth

1326

00:49:08,710 --> 00:49:08,079

on the grass yes on the tr you know

1327

00:49:11,190 --> 00:49:08,720

and

1328

00:49:12,230 --> 00:49:11,200

it sort of grounds you or something like

1329

00:49:14,549 --> 00:49:12,240

that right

1330

00:49:16,470 --> 00:49:14,559

yeah well i'll give a better definition

1331

00:49:18,710 --> 00:49:16,480

it's um

1332

00:49:21,349 --> 00:49:18,720

we live in an atmosphere

1333

00:49:23,430 --> 00:49:21,359

and the atmosphere has ions in it and in

1334

00:49:25,750 --> 00:49:23,440

the air you have mostly positive

1335

00:49:27,109 --> 00:49:25,760

ionization of the air it has electricity

1336

00:49:30,390 --> 00:49:27,119

in the air

1337

00:49:33,430 --> 00:49:30,400

the earth they call it ground or neutral

1338

00:49:35,589 --> 00:49:33,440

and it has a negative polarity as well

1339

00:49:37,670 --> 00:49:35,599

so that when you have your feet

1340

00:49:38,950 --> 00:49:37,680

touching the earth

1341

00:49:39,910 --> 00:49:38,960

you have this

1342

00:49:43,910 --> 00:49:39,920

pull

1343

00:49:45,829 --> 00:49:43,920

earth and when you have your hands out

1344

00:49:47,910 --> 00:49:45,839

into the air you're touching the

1345

00:49:49,430 --> 00:49:47,920

positive ionization of the air so you're

1346

00:49:51,270 --> 00:49:49,440

creating this kind of

1347

00:49:52,549 --> 00:49:51,280

circuit with the spine

1348

00:49:54,150 --> 00:49:52,559

to allow

1349

00:49:56,950 --> 00:49:54,160

this kind of

1350

00:49:59,670 --> 00:49:56,960

circulation of ions through the body and

1351
00:50:01,349 --> 00:49:59,680
you know what some people

1352
00:50:02,870 --> 00:50:01,359
of different beliefs

1353
00:50:04,470 --> 00:50:02,880
may do that

1354
00:50:08,549 --> 00:50:04,480
hands to the sky

1355
00:50:11,270 --> 00:50:08,559
and feet on the earth to pray this is

1356
00:50:12,549 --> 00:50:11,280
in my belief an excellent way to pray if

1357
00:50:14,870 --> 00:50:12,559
you have to pray

1358
00:50:15,910 --> 00:50:14,880
this is a good way to pray

1359
00:50:17,910 --> 00:50:15,920
yes

1360
00:50:20,069 --> 00:50:17,920
yeah if because you're tapping into the

1361
00:50:22,150 --> 00:50:20,079
earth's magnetic field which allows you

1362
00:50:24,230 --> 00:50:22,160
to expand whatever

1363
00:50:25,349 --> 00:50:24,240

energy you have and people talk about

1364

00:50:27,990 --> 00:50:25,359

energy

1365

00:50:30,950 --> 00:50:28,000

as this mystical

1366

00:50:32,870 --> 00:50:30,960

subject it's not mystical at all

1367

00:50:34,069 --> 00:50:32,880

i mean if your body

1368

00:50:36,069 --> 00:50:34,079

is weak think about like an

1369

00:50:37,829 --> 00:50:36,079

electromagnet all right you have a

1370

00:50:39,589 --> 00:50:37,839

magnet and when you have a current of

1371

00:50:42,230 --> 00:50:39,599

electricity through that magnet it could

1372

00:50:45,270 --> 00:50:42,240

stick on anything right

1373

00:50:48,230 --> 00:50:45,280

the body is just like an electromagnet

1374

00:50:50,230 --> 00:50:48,240

and what it's actually holding is your

1375

00:50:52,630 --> 00:50:50,240

we can call it your consciousness

1376

00:50:54,630 --> 00:50:52,640

all right so when the body has this

1377

00:50:55,589 --> 00:50:54,640

electrical current going through the

1378

00:50:56,549 --> 00:50:55,599

body

1379

00:50:59,270 --> 00:50:56,559

it

1380

00:51:01,910 --> 00:50:59,280

holds your consciousness into your body

1381

00:51:03,510 --> 00:51:01,920

when that electrical current stops the

1382

00:51:05,109 --> 00:51:03,520

consciousness is released like an

1383

00:51:06,470 --> 00:51:05,119

electromagnetic

1384

00:51:08,470 --> 00:51:06,480

and this is why

1385

00:51:11,349 --> 00:51:08,480

in qigong philosophy

1386

00:51:13,589 --> 00:51:11,359

they say chi or energy

1387

00:51:15,589 --> 00:51:13,599

follows your circulatory system it

1388

00:51:16,790 --> 00:51:15,599

follows your blood

1389

00:51:19,589 --> 00:51:16,800

and there's very so there's something

1390

00:51:22,870 --> 00:51:19,599

very very special about blood

1391

00:51:26,230 --> 00:51:22,880

is that it's very high in iron

1392

00:51:27,990 --> 00:51:26,240

so as your heart pumps the iron through

1393

00:51:30,630 --> 00:51:28,000

your veins it's creating this

1394

00:51:33,589 --> 00:51:30,640

electromagnetic field

1395

00:51:35,670 --> 00:51:33,599

so this is this is not mystical

1396

00:51:36,790 --> 00:51:35,680

this is science this is how the body

1397

00:51:38,710 --> 00:51:36,800

works

1398

00:51:41,910 --> 00:51:38,720

and it can be measured

1399

00:51:43,750 --> 00:51:41,920

so if we are weak if we are weak in this

1400

00:51:45,990 --> 00:51:43,760

electromagnetic field

1401
00:51:47,670 --> 00:51:46,000
our soul or spirit or consciousness

1402
00:51:49,589 --> 00:51:47,680
whatever you want to call it

1403
00:51:52,309 --> 00:51:49,599
is more free

1404
00:51:55,510 --> 00:51:52,319
to explore and this is why i say

1405
00:51:57,510 --> 00:51:55,520
when i'm sick or near death it's easy

1406
00:51:59,349 --> 00:51:57,520
for me to go out of my body yeah that

1407
00:52:00,390 --> 00:51:59,359
makes a lot of that actually makes a lot

1408
00:52:02,470 --> 00:52:00,400
of sense

1409
00:52:04,950 --> 00:52:02,480
because if like i said if the body is

1410
00:52:07,910 --> 00:52:04,960
weak this spirit expands or the soul

1411
00:52:12,950 --> 00:52:07,920
expands or maybe the boundaries decrease

1412
00:52:16,549 --> 00:52:15,589
it is and um i know there's a lot of

1413
00:52:23,030 --> 00:52:16,559

people

1414

00:52:27,510 --> 00:52:26,710

i've gotten so many emails and ebooks

1415

00:52:30,549 --> 00:52:27,520

and

1416

00:52:32,870 --> 00:52:30,559

all these offers yes

1417

00:52:36,950 --> 00:52:32,880

this is my trigger word

1418

00:52:38,549 --> 00:52:36,960

my trigger word is raise your vibration

1419

00:52:39,990 --> 00:52:38,559

because

1420

00:52:41,589 --> 00:52:40,000

you know i've heard a lot of people

1421

00:52:43,829 --> 00:52:41,599

especially healers who are supposed to

1422

00:52:45,589 --> 00:52:43,839

be very compassionate and forgiving and

1423

00:52:47,270 --> 00:52:45,599

and there for a person

1424

00:52:49,670 --> 00:52:47,280

literally tell somebody who's in the

1425

00:52:50,950 --> 00:52:49,680

hospital and sick the reason you're sick

1426

00:52:52,710 --> 00:52:50,960

in here is because you have low

1427

00:52:55,589 --> 00:52:52,720

vibration

1428

00:52:58,950 --> 00:52:55,599

you know that is like when i hear that

1429

00:53:05,990 --> 00:53:03,510

okay um spiritual experience this is

1430

00:53:08,230 --> 00:53:06,000

what i want people to understand

1431

00:53:10,069 --> 00:53:08,240

it's actually happens

1432

00:53:12,710 --> 00:53:10,079

when you lower

1433

00:53:14,790 --> 00:53:12,720

your brain wave patterns

1434

00:53:17,829 --> 00:53:14,800

okay so you actually need a lower

1435

00:53:19,589 --> 00:53:17,839

brainwave frequency to tap into anything

1436

00:53:21,109 --> 00:53:19,599

good that these people are talking about

1437

00:53:22,549 --> 00:53:21,119

that's that's an interesting thing that

1438

00:53:23,670 --> 00:53:22,559

i've never heard but it makes sense to

1439

00:53:25,589 --> 00:53:23,680

me because

1440

00:53:28,309 --> 00:53:25,599

you know brain states and

1441

00:53:30,069 --> 00:53:28,319

alpha beta

1442

00:53:31,430 --> 00:53:30,079

i know a lot about meditation in those

1443

00:53:32,630 --> 00:53:31,440

brain states

1444

00:53:35,510 --> 00:53:32,640

and uh

1445

00:53:37,670 --> 00:53:35,520

yeah that makes more sense to me lower

1446

00:53:39,910 --> 00:53:37,680

lower your operation you have to lower

1447

00:53:40,950 --> 00:53:39,920

the brain waves and quiet the conscious

1448

00:53:44,549 --> 00:53:40,960

mind

1449

00:53:47,109 --> 00:53:44,559

yes to low alpha and right when you kind

1450

00:53:49,510 --> 00:53:47,119

of get in those theta waves up

1451

00:53:51,270 --> 00:53:49,520

that's when the spiritual

1452

00:53:53,109 --> 00:53:51,280

experiences start to happen that's when

1453

00:53:54,470 --> 00:53:53,119

out of body travel starts to happen is

1454

00:53:56,870 --> 00:53:54,480

in the theta

1455

00:53:59,109 --> 00:53:56,880

and low alpha which is very low

1456

00:54:01,190 --> 00:53:59,119

frequency it's between

1457

00:54:05,670 --> 00:54:01,200

uh it's between four

1458

00:54:07,670 --> 00:54:05,680

and 11 hertz brain wave cycles

1459

00:54:09,829 --> 00:54:07,680

so you have to calm the mind and calm

1460

00:54:12,549 --> 00:54:09,839

the energy of the body to actually

1461

00:54:15,190 --> 00:54:12,559

change the vibration into a lower

1462

00:54:17,430 --> 00:54:15,200

frequency because in that lower

1463

00:54:19,990 --> 00:54:17,440

frequency brain state your brain

1464

00:54:22,309 --> 00:54:20,000

actually produces the chemistry through

1465

00:54:24,470 --> 00:54:22,319

the body that allows your body to shut

1466

00:54:26,390 --> 00:54:24,480

down as in entering into the altered

1467

00:54:28,549 --> 00:54:26,400

states of sleep

1468

00:54:31,270 --> 00:54:28,559

and this is where that area of

1469

00:54:32,710 --> 00:54:31,280

consciousness is where people have this

1470

00:54:34,630 --> 00:54:32,720

experience

1471

00:54:36,630 --> 00:54:34,640

well that's pretty funny to me so now

1472

00:54:38,150 --> 00:54:36,640

every time somebody every time i hear

1473

00:54:39,750 --> 00:54:38,160

razor vibration from now on i'm going to

1474

00:54:43,190 --> 00:54:39,760

think of your explanation which i think

1475

00:54:45,430 --> 00:54:43,200

is much better one yeah

1476

00:54:47,829 --> 00:54:45,440

and you know if when people say you know

1477

00:54:49,510 --> 00:54:47,839

how do i raise my vibration my only

1478

00:54:51,910 --> 00:54:49,520

answer is

1479

00:54:53,430 --> 00:54:51,920

be a better human being yeah that's a

1480

00:54:54,630 --> 00:54:53,440

pretty simple that's a pretty simple

1481

00:54:56,789 --> 00:54:54,640

answer

1482

00:54:58,710 --> 00:54:56,799

be humble be truthful

1483

00:55:00,710 --> 00:54:58,720

uh you mean i don't i don't need a

1484

00:55:03,670 --> 00:55:00,720

two-week course that cost six hundred

1485

00:55:05,829 --> 00:55:03,680

dollars for that come on no just don't

1486

00:55:08,150 --> 00:55:05,839

be an [h__\h] yeah that's a pretty good

1487

00:55:10,069 --> 00:55:08,160

way to go about life i think that's good

1488

00:55:11,990 --> 00:55:10,079

advice

1489

00:55:13,589 --> 00:55:12,000

and you know i was going to ask you too

1490

00:55:15,510 --> 00:55:13,599

about

1491

00:55:18,150 --> 00:55:15,520

so the

1492

00:55:19,750 --> 00:55:18,160

multi-dimensional travel

1493

00:55:21,349 --> 00:55:19,760

you're talking

1494

00:55:24,150 --> 00:55:21,359

in terms of

1495

00:55:27,190 --> 00:55:24,160

brain states astral travel

1496

00:55:30,870 --> 00:55:27,200

different dimensions what

1497

00:55:32,470 --> 00:55:30,880

i have nowhere i i have no definitions

1498

00:55:34,309 --> 00:55:32,480

of it like it's not like you leave your

1499

00:55:37,109 --> 00:55:34,319

body and they say welcome to the fifth

1500

00:55:39,109 --> 00:55:37,119

dimension yeah i was gonna say yeah yeah

1501
00:55:40,789 --> 00:55:39,119
they never talked about it for each one

1502
00:55:42,789 --> 00:55:40,799
no but you feel that there's been

1503
00:55:44,230 --> 00:55:42,799
specific different dimensions that

1504
00:55:47,430 --> 00:55:44,240
you've traveled to

1505
00:55:49,589 --> 00:55:47,440
the only way i could describe it is once

1506
00:55:51,829 --> 00:55:49,599
you leave your body and let's just call

1507
00:55:53,510 --> 00:55:51,839
it the astral world because this is what

1508
00:55:55,109 --> 00:55:53,520
most people call it like once you leave

1509
00:55:56,789 --> 00:55:55,119
your body you enter into the astral

1510
00:56:01,589 --> 00:55:56,799
world

1511
00:56:03,589 --> 00:56:01,599
can jump to anywhere

1512
00:56:05,990 --> 00:56:03,599
so for me it's not dimension one two

1513
00:56:06,789 --> 00:56:06,000

three four five it's like you enter into

1514

00:56:09,589 --> 00:56:06,799

that

1515

00:56:11,430 --> 00:56:09,599

state or dimension outside your body and

1516

00:56:13,430 --> 00:56:11,440

from that space

1517

00:56:15,190 --> 00:56:13,440

it everything opens up

1518

00:56:17,750 --> 00:56:15,200

as one thing

1519

00:56:19,030 --> 00:56:17,760

so it's like i could jump to different

1520

00:56:21,589 --> 00:56:19,040

places

1521

00:56:24,150 --> 00:56:21,599

different time periods

1522

00:56:29,829 --> 00:56:26,870

i have a selfish request

1523

00:56:31,990 --> 00:56:29,839

sure a very selfish request actually but

1524

00:56:34,950 --> 00:56:32,000

i i talked about thought experiments

1525

00:56:36,549 --> 00:56:34,960

when we started talking and the second

1526

00:56:38,630 --> 00:56:36,559

thing that i thought of

1527

00:56:40,549 --> 00:56:38,640

with and for you like if i could do

1528

00:56:42,230 --> 00:56:40,559

anything with jason

1529

00:56:44,789 --> 00:56:42,240

what would i do

1530

00:56:48,309 --> 00:56:44,799

and i started thinking about it today

1531

00:56:49,589 --> 00:56:48,319

and then i i found the perfect thing

1532

00:56:52,150 --> 00:56:49,599

and if i

1533

00:56:54,630 --> 00:56:52,160

offend you by asking you this

1534

00:56:56,150 --> 00:56:54,640

and you want no part of it i understand

1535

00:56:59,190 --> 00:56:56,160

well part is friends but here's what i

1536

00:57:01,270 --> 00:56:59,200

would love to do with you yeah

1537

00:57:03,270 --> 00:57:01,280

i would love to place five boxes

1538

00:57:07,829 --> 00:57:03,280

somewhere in the world

1539

00:57:10,789 --> 00:57:09,670

some place on earth

1540

00:57:12,549 --> 00:57:10,799

yeah

1541

00:57:15,270 --> 00:57:12,559

i'll even maybe i'll give you the

1542

00:57:17,910 --> 00:57:15,280

coordinates of each box even

1543

00:57:20,069 --> 00:57:17,920

the gps coordinates of each box as long

1544

00:57:21,829 --> 00:57:20,079

as i'm sure that the physical box will

1545

00:57:24,150 --> 00:57:21,839

not be tampered with and i can take some

1546

00:57:25,349 --> 00:57:24,160

steps to make sure that would happen

1547

00:57:27,670 --> 00:57:25,359

and then we could

1548

00:57:29,510 --> 00:57:27,680

just kind of see what you could do and i

1549

00:57:30,470 --> 00:57:29,520

don't mean this and like let's test

1550

00:57:33,190 --> 00:57:30,480

jason

1551

00:57:35,109 --> 00:57:33,200

i would love to see what you could do i

1552

00:57:36,789 --> 00:57:35,119

just would from a personal interest

1553

00:57:39,270 --> 00:57:36,799

perspective to like

1554

00:57:40,549 --> 00:57:39,280

let's see this in action what would

1555

00:57:42,470 --> 00:57:40,559

happen

1556

00:57:43,990 --> 00:57:42,480

well then i've already failed i've

1557

00:57:46,069 --> 00:57:44,000

already failed then

1558

00:57:48,789 --> 00:57:46,079

because

1559

00:57:50,789 --> 00:57:48,799

even though i could leave like i could

1560

00:57:54,150 --> 00:57:50,799

will myself out

1561

00:57:56,789 --> 00:57:54,160

once you're out it's almost like you

1562

00:57:57,910 --> 00:57:56,799

lose all control after you start to

1563

00:58:00,950 --> 00:57:57,920

leave

1564

00:58:03,349 --> 00:58:00,960

and it's more like you have

1565

00:58:07,270 --> 00:58:03,359

sorry i thought i had that turned off

1566

00:58:10,870 --> 00:58:08,710

all right i don't want to turn that off

1567

00:58:12,309 --> 00:58:10,880

but once you leave your body it's like

1568

00:58:14,470 --> 00:58:12,319

you become

1569

00:58:15,670 --> 00:58:14,480

the observer and you're taken for the

1570

00:58:18,390 --> 00:58:15,680

ride

1571

00:58:20,710 --> 00:58:18,400

so it's almost like you are taken i have

1572

00:58:24,950 --> 00:58:20,720

coco to any time and place

1573

00:58:28,150 --> 00:58:26,470

say that that's what the exactly what

1574

00:58:30,230 --> 00:58:28,160

they could do you go to any time any

1575

00:58:31,270 --> 00:58:30,240

space observe any anything you want to

1576

00:58:33,349 --> 00:58:31,280

observe

1577

00:58:36,549 --> 00:58:33,359

and so i thought that remote viewing

1578

00:58:38,710 --> 00:58:36,559

kind of would be uh

1579

00:58:40,390 --> 00:58:38,720

i guess included in that ability but

1580

00:58:42,230 --> 00:58:40,400

you're saying that you don't you don't

1581

00:58:46,390 --> 00:58:42,240

have a choice

1582

00:58:48,309 --> 00:58:46,400

are just getting on the bus

1583

00:58:50,150 --> 00:58:48,319

and being taken somewhere that's a good

1584

00:58:51,829 --> 00:58:50,160

then i'm glad we did this because now at

1585

00:58:53,510 --> 00:58:51,839

least i have more understanding of

1586

00:58:55,270 --> 00:58:53,520

what's going on

1587

00:58:57,910 --> 00:58:55,280

if i could delete if i could just leave

1588

00:59:00,230 --> 00:58:57,920

and go anywhere i want that's the

1589

00:59:01,510 --> 00:59:00,240

craziest superpower anybody could have i

1590

00:59:02,829 --> 00:59:01,520

think

1591

00:59:03,030 --> 00:59:02,839

it's kind

1592

00:59:05,750 --> 00:59:03,040

huge you could go anywhere do anything

1593

00:59:08,789 --> 00:59:07,589

see anything i guess

1594

00:59:10,789 --> 00:59:08,799

like

1595

00:59:12,789 --> 00:59:10,799

i feel

1596

00:59:14,309 --> 00:59:12,799

and this is just my thinking of this

1597

00:59:16,470 --> 00:59:14,319

because i'm trying to figure out the

1598

00:59:17,670 --> 00:59:16,480

phenomenon as well

1599

00:59:19,670 --> 00:59:17,680

and

1600

00:59:21,109 --> 00:59:19,680

it's almost like there is this

1601
00:59:22,789 --> 00:59:21,119
intelligence

1602
00:59:24,789 --> 00:59:22,799
you know many people could give it a

1603
00:59:26,950 --> 00:59:24,799
word like a guide or an angel or a

1604
00:59:28,710 --> 00:59:26,960
higher self whatever word feels

1605
00:59:30,950 --> 00:59:28,720
comfortable to you

1606
00:59:32,549 --> 00:59:30,960
but for me it just feels like there's

1607
00:59:35,349 --> 00:59:32,559
this intelligence

1608
00:59:38,390 --> 00:59:35,359
that's allowing you it's like literally

1609
00:59:39,750 --> 00:59:38,400
allowing you to stay conscious in these

1610
00:59:41,190 --> 00:59:39,760
journeys

1611
00:59:43,030 --> 00:59:41,200
either to

1612
00:59:44,829 --> 00:59:43,040
teach you something or show you

1613
00:59:46,470 --> 00:59:44,839

something or for you to remember

1614

00:59:47,510 --> 00:59:46,480

something

1615

00:59:49,910 --> 00:59:47,520

and

1616

00:59:51,990 --> 00:59:49,920

that's it for me

1617

00:59:53,829 --> 00:59:52,000

like it's really like that and a lot of

1618

00:59:56,789 --> 00:59:53,839

people say well like tell me what you

1619

01:00:01,270 --> 00:59:58,789

i would say almost a hundred percent of

1620

01:00:03,589 --> 01:00:01,280

the time it's personal

1621

01:00:05,030 --> 01:00:03,599

it's really personal like uh

1622

01:00:06,309 --> 01:00:05,040

a lot of the times when i go on these

1623

01:00:08,870 --> 01:00:06,319

journeys

1624

01:00:11,270 --> 01:00:08,880

it's like i'm going somewhere to be with

1625

01:00:13,670 --> 01:00:11,280

somebody that's dying

1626

01:00:16,789 --> 01:00:13,680

like literally it's like i'll go to

1627

01:00:17,670 --> 01:00:16,799

witness somebody's death

1628

01:00:19,589 --> 01:00:17,680

and

1629

01:00:22,950 --> 01:00:19,599

it's almost like

1630

01:00:25,109 --> 01:00:22,960

i i don't know who this person is

1631

01:00:26,789 --> 01:00:25,119

but for some reason there's a connection

1632

01:00:28,630 --> 01:00:26,799

there and you're supposed to observe

1633

01:00:31,510 --> 01:00:28,640

this

1634

01:00:34,390 --> 01:00:31,520

not just observe it but i feel like i'm

1635

01:00:35,829 --> 01:00:34,400

part of it like i'm part of the

1636

01:00:37,270 --> 01:00:35,839

assisting

1637

01:00:39,510 --> 01:00:37,280

this person

1638

01:00:40,630 --> 01:00:39,520

to leave

1639

01:00:43,270 --> 01:00:40,640

and

1640

01:00:46,069 --> 01:00:43,280

maybe we can call it like a soul family

1641

01:00:48,470 --> 01:00:46,079

or i could even call it uh that could be

1642

01:00:50,950 --> 01:00:48,480

another version of me in some other

1643

01:00:52,309 --> 01:00:50,960

world or timeline or simultaneous

1644

01:00:54,150 --> 01:00:52,319

reality

1645

01:00:57,670 --> 01:00:54,160

and i'm dying

1646

01:00:58,789 --> 01:00:57,680

in that body and it's like i go there to

1647

01:01:01,030 --> 01:00:58,799

be there

1648

01:01:05,109 --> 01:01:01,040

when that happens

1649

01:01:07,430 --> 01:01:05,119

um another time a lot of times i'll go

1650

01:01:09,990 --> 01:01:07,440

it's almost like observing myself and

1651
01:01:11,589 --> 01:01:10,000
past life dying and when i talk about

1652
01:01:14,470 --> 01:01:11,599
people with past lives they're like oh

1653
01:01:16,309 --> 01:01:14,480
yeah i was the king or i was this person

1654
01:01:18,309 --> 01:01:16,319
i was that person like really i always

1655
01:01:21,190 --> 01:01:18,319
say this like you never hear somebody

1656
01:01:24,069 --> 01:01:21,200
that says i was the janitor in ancient

1657
01:01:27,030 --> 01:01:24,079
rome that cleaned up after uh a poor

1658
01:01:28,870 --> 01:01:27,040
family or you know a mid middle class

1659
01:01:31,030 --> 01:01:28,880
family or you know it's always i was

1660
01:01:33,430 --> 01:01:31,040
napoleon i was

1661
01:01:35,430 --> 01:01:33,440
king you know

1662
01:01:38,549 --> 01:01:35,440
alexander the great it was it's always

1663
01:01:41,270 --> 01:01:38,559

some famous historical figure not it not

1664

01:01:43,910 --> 01:01:41,280

a nobody and if reincarnation was real i

1665

01:01:46,069 --> 01:01:43,920

think that people would remember mundane

1666

01:01:47,670 --> 01:01:46,079

boring past lives and you never hear the

1667

01:01:50,230 --> 01:01:47,680

story of that

1668

01:01:51,510 --> 01:01:50,240

no it's the when you remember a past

1669

01:01:53,270 --> 01:01:51,520

life and i'll just say from my

1670

01:01:54,950 --> 01:01:53,280

experience

1671

01:01:57,910 --> 01:01:54,960

it's

1672

01:02:00,549 --> 01:01:57,920

re-experiencing

1673

01:02:02,710 --> 01:02:00,559

the moment of death of that person it's

1674

01:02:05,270 --> 01:02:02,720

not the life

1675

01:02:06,710 --> 01:02:05,280

it's like every past life i've ever had

1676

01:02:09,670 --> 01:02:06,720

come back to me

1677

01:02:11,349 --> 01:02:09,680

it's always like the leading up part to

1678

01:02:12,789 --> 01:02:11,359

the person dying

1679

01:02:15,190 --> 01:02:12,799

you mean those are the memories that you

1680

01:02:17,109 --> 01:02:15,200

retain yes yes

1681

01:02:19,190 --> 01:02:17,119

so it's like i remember the death yeah i

1682

01:02:20,870 --> 01:02:19,200

don't think if i if i had a choice i

1683

01:02:22,630 --> 01:02:20,880

would those would be the ones i would

1684

01:02:24,789 --> 01:02:22,640

want right you would want to remember

1685

01:02:27,829 --> 01:02:24,799

like the first kiss again of that life

1686

01:02:30,150 --> 01:02:27,839

or like no you know

1687

01:02:31,990 --> 01:02:30,160

getting married having children born in

1688

01:02:35,109 --> 01:02:32,000

that life what you accomplished in that

1689

01:02:37,349 --> 01:02:35,119

life the highs you know not the lows the

1690

01:02:39,910 --> 01:02:37,359

death i i don't think that would be what

1691

01:02:42,230 --> 01:02:39,920

i would pick you know to remember

1692

01:02:45,270 --> 01:02:42,240

but that's that's the only things i

1693

01:02:46,630 --> 01:02:45,280

would say like 95 of all past lives that

1694

01:02:49,670 --> 01:02:46,640

i've remembered

1695

01:02:52,230 --> 01:02:49,680

it's that leading up to them leaving

1696

01:02:55,430 --> 01:02:52,240

that world

1697

01:02:57,109 --> 01:02:55,440

you know and i i don't know why

1698

01:02:58,789 --> 01:02:57,119

it's like that

1699

01:03:01,109 --> 01:02:58,799

but that's exactly how it's been

1700

01:03:03,670 --> 01:03:01,119

happening since i was a child

1701
01:03:05,990 --> 01:03:03,680
is just re-experiencing the death and

1702
01:03:07,430 --> 01:03:06,000
going through that death

1703
01:03:09,910 --> 01:03:07,440
process again

1704
01:03:11,829 --> 01:03:09,920
and when i'm in that person

1705
01:03:14,230 --> 01:03:11,839
or observing that person

1706
01:03:16,390 --> 01:03:14,240
even though i don't remember or even

1707
01:03:17,670 --> 01:03:16,400
know the name of that person or where i

1708
01:03:20,309 --> 01:03:17,680
am

1709
01:03:23,750 --> 01:03:20,319
i know immediately that this is me i

1710
01:03:26,549 --> 01:03:23,760
know immediately that i'm going to die

1711
01:03:29,589 --> 01:03:26,559
and i'm like re-experiencing it

1712
01:03:35,430 --> 01:03:33,109
yeah that's not a that's that's not

1713
01:03:37,109 --> 01:03:35,440

i don't know that's very deep and uh and

1714

01:03:39,109 --> 01:03:37,119

meaningful i guess right it's kind of

1715

01:03:41,670 --> 01:03:39,119

life-changing i have to go through that

1716

01:03:43,510 --> 01:03:41,680

kind of experience and what does it mean

1717

01:03:46,630 --> 01:03:43,520

why are you having that experience you

1718

01:03:48,789 --> 01:03:46,640

know like dealing with the

1719

01:03:50,470 --> 01:03:48,799

i don't know just the psychology of that

1720

01:03:51,990 --> 01:03:50,480

alone having that kind of experience i

1721

01:03:53,829 --> 01:03:52,000

don't know how you would deal with it

1722

01:03:55,109 --> 01:03:53,839

and and again

1723

01:03:57,270 --> 01:03:55,119

this is another question i would really

1724

01:03:58,470 --> 01:03:57,280

like to ask and with great respect

1725

01:04:00,069 --> 01:03:58,480

because of course

1726

01:04:01,750 --> 01:04:00,079

it's another interest of mine when it

1727

01:04:03,270 --> 01:04:01,760

comes to things like consciousness but i

1728

01:04:04,950 --> 01:04:03,280

want to ask you

1729

01:04:08,309 --> 01:04:04,960

if any of your experience has been on

1730

01:04:11,589 --> 01:04:08,319

mind-altering substances of any kind and

1731

01:04:14,630 --> 01:04:11,599

what do you think of this whole

1732

01:04:15,829 --> 01:04:14,640

thought of antigens or like purposefully

1733

01:04:17,190 --> 01:04:15,839

trying to

1734

01:04:19,349 --> 01:04:17,200

fray that

1735

01:04:21,349 --> 01:04:19,359

you know get there

1736

01:04:24,390 --> 01:04:21,359

well i am with some help

1737

01:04:27,109 --> 01:04:24,400

well i am an expert on all of that too

1738

01:04:30,549 --> 01:04:27,119

and it's really funny because

1739

01:04:31,430 --> 01:04:30,559

i only started to do that stuff after

1740

01:04:34,230 --> 01:04:31,440

um

1741

01:04:36,309 --> 01:04:34,240

years after having these experiences

1742

01:04:38,390 --> 01:04:36,319

after years of trying to explain how

1743

01:04:41,589 --> 01:04:38,400

this works i got into terence mckenna

1744

01:04:42,870 --> 01:04:41,599

who's a huge hero of mine

1745

01:04:47,190 --> 01:04:42,880

and

1746

01:04:49,750 --> 01:04:47,200

i started to experiment with mushrooms

1747

01:04:53,510 --> 01:04:49,760

and i did have an altered state

1748

01:04:55,109 --> 01:04:53,520

experience multiple times on mushrooms

1749

01:04:57,109 --> 01:04:55,119

and what i found very interesting with

1750

01:05:01,430 --> 01:04:57,119

these substances

1751
01:05:03,510 --> 01:05:01,440
is that i was doing these things without

1752
01:05:04,549 --> 01:05:03,520
the use of these

1753
01:05:06,069 --> 01:05:04,559
plants

1754
01:05:09,430 --> 01:05:06,079
like i was actually having the same

1755
01:05:11,430 --> 01:05:09,440
experiences but it was almost like

1756
01:05:12,549 --> 01:05:11,440
taking those plants i could actually do

1757
01:05:13,349 --> 01:05:12,559
it again

1758
01:05:15,990 --> 01:05:13,359
but

1759
01:05:17,430 --> 01:05:16,000
it happened rarely it happened rarely

1760
01:05:19,109 --> 01:05:17,440
like i would let's say i would take

1761
01:05:20,710 --> 01:05:19,119
mushrooms

1762
01:05:22,870 --> 01:05:20,720
it would just kind of put me in a very

1763
01:05:24,549 --> 01:05:22,880

good meditative state you know you would

1764

01:05:27,109 --> 01:05:24,559

have like the visuals where you could

1765

01:05:28,950 --> 01:05:27,119

see like the colors and things

1766

01:05:30,789 --> 01:05:28,960

but i wasn't having like contact

1767

01:05:34,549 --> 01:05:30,799

experience i wasn't getting messages of

1768

01:05:42,710 --> 01:05:36,789

only one time

1769

01:05:45,829 --> 01:05:42,720

i had an out of body experience and went

1770

01:05:48,309 --> 01:05:45,839

to another world which was very strange

1771

01:05:51,750 --> 01:05:48,319

and that was only once

1772

01:05:53,910 --> 01:05:51,760

i even went to peru and um i did

1773

01:05:57,670 --> 01:05:53,920

ayahuasca

1774

01:05:59,589 --> 01:05:57,680

and that's a whole show right there

1775

01:06:02,309 --> 01:05:59,599

yeah

1776

01:06:04,710 --> 01:06:02,319

well my friends we're just over halfway

1777

01:06:07,190 --> 01:06:04,720

through our journey together

1778

01:06:09,670 --> 01:06:07,200

now would be a good time to take a very

1779

01:06:12,150 --> 01:06:09,680

short break for station identification

1780

01:06:14,950 --> 01:06:12,160

and a few words from our sponsors

1781

01:06:18,390 --> 01:06:14,960

my name is steven cambion

1782

01:06:25,430 --> 01:06:18,400

and you are listening to the fringe fm

1783

01:06:28,870 --> 01:06:27,029

welcome back friends

1784

01:06:31,270 --> 01:06:28,880

before the break we were talking with

1785

01:06:32,470 --> 01:06:31,280

our guests tonight jason quit about

1786

01:06:39,510 --> 01:06:32,480

ayahuasca

1787

01:06:44,630 --> 01:06:41,670

have a friend that had addiction issues

1788

01:06:46,549 --> 01:06:44,640

terribly terribly his entire life and it

1789

01:06:48,710 --> 01:06:46,559

was that friend that you go

1790

01:06:51,190 --> 01:06:48,720

oh here he goes again back to rehab come

1791

01:06:52,470 --> 01:06:51,200

on let's go be supportive and you know

1792

01:06:54,630 --> 01:06:52,480

really hope

1793

01:06:57,349 --> 01:06:54,640

it sticks this time and it never did and

1794

01:06:59,670 --> 01:06:57,359

i mean 20 years back and forth just

1795

01:07:02,630 --> 01:06:59,680

terrible destroyed his family destroyed

1796

01:07:05,750 --> 01:07:02,640

his friendships destroyed his life

1797

01:07:08,549 --> 01:07:05,760

and as wit's end it was i'm gonna blow

1798

01:07:10,630 --> 01:07:08,559

my brains out because i have destroyed

1799

01:07:12,549 --> 01:07:10,640

my entire life over this addiction or

1800

01:07:16,230 --> 01:07:12,559

i'm gonna go to try that

1801
01:07:19,430 --> 01:07:16,240
he tried that never touched drugs again

1802
01:07:20,870 --> 01:07:19,440
realized all of the uh we'll never trump

1803
01:07:23,349 --> 01:07:20,880
opioids

1804
01:07:25,990 --> 01:07:23,359
you know obviously that's a drug but

1805
01:07:28,309 --> 01:07:26,000
he never touched drugs again

1806
01:07:30,630 --> 01:07:28,319
cleaned up his entire life realized the

1807
01:07:33,789 --> 01:07:30,640
hurt that he had caused and went back to

1808
01:07:36,230 --> 01:07:33,799
everyone ever i mean it was like a total

1809
01:07:38,470 --> 01:07:36,240
transformation and so it's funny when i

1810
01:07:40,230 --> 01:07:38,480
think about that being illegal in the

1811
01:07:42,630 --> 01:07:40,240
united states

1812
01:07:45,029 --> 01:07:42,640
after he had his family sent him a bunch

1813
01:07:47,190 --> 01:07:45,039

of times to rehab that's 10 grand a shot

1814

01:07:49,430 --> 01:07:47,200

or something you know 30 day program

1815

01:07:51,829 --> 01:07:49,440

whatever you know

1816

01:07:53,829 --> 01:07:51,839

people had spent tons of money you know

1817

01:07:54,630 --> 01:07:53,839

helping trying to help him get there he

1818

01:07:58,870 --> 01:07:54,640

went

1819

01:08:00,069 --> 01:07:58,880

and he's still good

1820

01:08:01,990 --> 01:08:00,079

well

1821

01:08:02,870 --> 01:08:02,000

on ayahuasca

1822

01:08:04,309 --> 01:08:02,880

uh

1823

01:08:05,990 --> 01:08:04,319

yeah you have like

1824

01:08:07,430 --> 01:08:06,000

colors and visuals it's almost like you

1825

01:08:08,829 --> 01:08:07,440

have night vision like it's just

1826

01:08:12,710 --> 01:08:08,839

everything is

1827

01:08:14,630 --> 01:08:12,720

light i didn't have any

1828

01:08:17,189 --> 01:08:14,640

contact experience or out of body

1829

01:08:20,149 --> 01:08:17,199

experience on ayahuasca for me

1830

01:08:22,070 --> 01:08:20,159

it was extremely physical

1831

01:08:25,430 --> 01:08:22,080

like i felt this thing moving through my

1832

01:08:27,430 --> 01:08:25,440

body and i was just purging so

1833

01:08:29,590 --> 01:08:27,440

you know it's i would say

1834

01:08:31,269 --> 01:08:29,600

it's the most disgusting process you can

1835

01:08:33,269 --> 01:08:31,279

go through thank god there was a

1836

01:08:34,309 --> 01:08:33,279

washroom there

1837

01:08:38,070 --> 01:08:34,319

but

1838

01:08:40,229 --> 01:08:38,080

like you said when i came back to canada

1839

01:08:41,669 --> 01:08:40,239

even if my friend was smoking a joint

1840

01:08:43,590 --> 01:08:41,679

next to me

1841

01:08:46,390 --> 01:08:43,600

just the smoke

1842

01:08:50,829 --> 01:08:46,400

of that uh joint

1843

01:08:53,990 --> 01:08:50,839

would send me off into ayahuasca land

1844

01:08:55,829 --> 01:08:54,000

i would be so sick

1845

01:08:57,829 --> 01:08:55,839

that it's like this

1846

01:08:58,789 --> 01:08:57,839

thing whatever this plant medicine did

1847

01:09:01,110 --> 01:08:58,799

to me

1848

01:09:03,590 --> 01:09:01,120

is it like made me allergic to things

1849

01:09:05,430 --> 01:09:03,600

like if i drank coffee

1850

01:09:06,390 --> 01:09:05,440

this is a great story i came back from

1851

01:09:08,630 --> 01:09:06,400

peru

1852

01:09:10,390 --> 01:09:08,640

and like i'm up in the mountains

1853

01:09:12,070 --> 01:09:10,400

and i'm chewing you know i got the coca

1854

01:09:13,590 --> 01:09:12,080

leaves in my my mouth i'm freaking

1855

01:09:15,030 --> 01:09:13,600

chewing cocoa leaves for like three

1856

01:09:17,030 --> 01:09:15,040

weeks straight

1857

01:09:18,309 --> 01:09:17,040

and doing ayahuasca

1858

01:09:21,349 --> 01:09:18,319

and

1859

01:09:22,630 --> 01:09:21,359

when i come back to canada i um i was i

1860

01:09:25,269 --> 01:09:22,640

was going to meet somebody and i was

1861

01:09:26,149 --> 01:09:25,279

standing outside of the mcdonald's

1862

01:09:28,229 --> 01:09:26,159

all right

1863

01:09:29,990 --> 01:09:28,239

and this is when mcdonald's was offering

1864

01:09:31,269 --> 01:09:30,000

their coffee for free it was the new

1865

01:09:33,110 --> 01:09:31,279

thing

1866

01:09:34,950 --> 01:09:33,120

um so i said okay i'll just go in and

1867

01:09:36,470 --> 01:09:34,960

i'm waiting i'll get a coffee i drank

1868

01:09:38,630 --> 01:09:36,480

this coffee

1869

01:09:41,269 --> 01:09:38,640

and i swear to you i can feel the coffee

1870

01:09:43,669 --> 01:09:41,279

going through my veins like ants oh

1871

01:09:46,149 --> 01:09:43,679

that's not good wow that's weird

1872

01:09:48,550 --> 01:09:46,159

it was cram like i can't drink this like

1873

01:09:50,229 --> 01:09:48,560

i'm freaking out it's too much i could

1874

01:09:51,269 --> 01:09:50,239

feel it going through my body like a

1875

01:09:52,709 --> 01:09:51,279

drug

1876

01:09:54,229 --> 01:09:52,719

i'm like i'm in the mountains chewing

1877

01:09:56,310 --> 01:09:54,239

cocoa leaf

1878

01:09:58,310 --> 01:09:56,320

for three weeks straight

1879

01:10:00,790 --> 01:09:58,320

this coffee is

1880

01:10:02,709 --> 01:10:00,800

more of a drug

1881

01:10:04,229 --> 01:10:02,719

than this stuff in the mountains yeah

1882

01:10:07,350 --> 01:10:04,239

it's weird maybe it has some kind of

1883

01:10:08,229 --> 01:10:07,360

effect on other drugs you know yeah

1884

01:10:10,310 --> 01:10:08,239

yeah

1885

01:10:12,630 --> 01:10:10,320

so it stopped it literally stopped me

1886

01:10:14,870 --> 01:10:12,640

dead in my tracks and even if i wanted

1887

01:10:17,350 --> 01:10:14,880

to do mushrooms or wanted to smoke a

1888

01:10:19,110 --> 01:10:17,360

joint or even wanted to drink a beer

1889

01:10:20,950 --> 01:10:19,120

i couldn't

1890

01:10:22,630 --> 01:10:20,960

it made me ill

1891

01:10:24,870 --> 01:10:22,640

if i were to do that

1892

01:10:26,709 --> 01:10:24,880

it's kind of like suboxone or something

1893

01:10:29,270 --> 01:10:26,719

whatever you call that drug that opioid

1894

01:10:31,189 --> 01:10:29,280

users sometimes take drug like that and

1895

01:10:33,510 --> 01:10:31,199

it makes them just sick and they can't

1896

01:10:35,350 --> 01:10:33,520

get high it blocks the opioid receptors

1897

01:10:37,189 --> 01:10:35,360

yeah yeah

1898

01:10:38,870 --> 01:10:37,199

so that's that's what ayahuasca did to

1899

01:10:41,270 --> 01:10:38,880

me so yes

1900

01:10:42,950 --> 01:10:41,280

what your question was plant medicines

1901

01:10:45,910 --> 01:10:42,960

can assist

1902

01:10:47,110 --> 01:10:45,920

but i think it's not the best way of

1903

01:10:48,790 --> 01:10:47,120

doing it

1904

01:10:51,669 --> 01:10:48,800

it's it's hit and miss

1905

01:10:52,870 --> 01:10:51,679

it really is hit and miss

1906

01:10:54,390 --> 01:10:52,880

so

1907

01:10:56,310 --> 01:10:54,400

we kind of covered

1908

01:10:59,510 --> 01:10:56,320

your

1909

01:11:01,270 --> 01:10:59,520

having these experiences and what

1910

01:11:04,470 --> 01:11:01,280

what do you think they mean

1911

01:11:07,350 --> 01:11:04,480

have you come to some conclusions

1912

01:11:11,270 --> 01:11:07,360

yeah um i really believe

1913

01:11:13,669 --> 01:11:11,280

that these experiences are very personal

1914

01:11:16,229 --> 01:11:13,679

they're different for everybody

1915

01:11:20,870 --> 01:11:16,239

and for me it was a way of learning how

1916

01:11:23,350 --> 01:11:20,880

to heal myself heal my mind heal my body

1917

01:11:25,430 --> 01:11:23,360

and release fear i think that was the

1918

01:11:26,790 --> 01:11:25,440

most important thing

1919

01:11:28,390 --> 01:11:26,800

it's like

1920

01:11:30,229 --> 01:11:28,400

now when

1921

01:11:32,470 --> 01:11:30,239

i'm out of my body and let's say there's

1922

01:11:34,070 --> 01:11:32,480

an entity or a being that's

1923

01:11:35,990 --> 01:11:34,080

not very good

1924

01:11:38,229 --> 01:11:36,000

i have zero fear

1925

01:11:40,870 --> 01:11:38,239

from it

1926

01:11:41,990 --> 01:11:40,880

if i die tomorrow i die tomorrow

1927

01:11:43,270 --> 01:11:42,000

you know

1928

01:11:44,790 --> 01:11:43,280

that's

1929

01:11:47,110 --> 01:11:44,800

it doesn't make a difference to me like

1930

01:11:50,149 --> 01:11:47,120

i have no fear going forward in life and

1931

01:11:52,229 --> 01:11:50,159

that's very freeing it's very freeing

1932

01:11:55,110 --> 01:11:52,239

so you're not afraid to die

1933

01:11:56,709 --> 01:11:55,120

no i've already died a couple times

1934

01:11:58,870 --> 01:11:56,719

oh that that is

1935

01:12:00,630 --> 01:11:58,880

you are right you did say that

1936

01:12:01,350 --> 01:12:00,640

no fear of death though

1937

01:12:03,189 --> 01:12:01,360

no

1938

01:12:04,630 --> 01:12:03,199

does it pop in your mind once in a while

1939

01:12:06,070 --> 01:12:04,640

do you think like gee i'm mortal i

1940

01:12:10,870 --> 01:12:06,080

better get this done though do you have

1941

01:12:15,430 --> 01:12:13,350

i i would say that

1942

01:12:17,669 --> 01:12:15,440

it actually

1943

01:12:19,510 --> 01:12:17,679

when it really comes down to it

1944

01:12:21,430 --> 01:12:19,520

it makes you a better person that's

1945

01:12:23,270 --> 01:12:21,440

that's all i can say

1946

01:12:25,350 --> 01:12:23,280

it's like

1947

01:12:26,630 --> 01:12:25,360

having these experiences and getting to

1948

01:12:29,590 --> 01:12:26,640

learn about

1949

01:12:31,669 --> 01:12:29,600

other states of consciousness

1950

01:12:34,709 --> 01:12:31,679

learning that there is

1951

01:12:37,350 --> 01:12:34,719

i would say past lives

1952

01:12:39,350 --> 01:12:37,360

and your consciousness lives after death

1953

01:12:41,750 --> 01:12:39,360

it's not for me it's not a belief system

1954

01:12:44,149 --> 01:12:41,760

anymore before it was a belief system

1955

01:12:46,229 --> 01:12:44,159

for me it wouldn't for me now it's

1956

01:12:47,350 --> 01:12:46,239

experience

1957

01:12:49,430 --> 01:12:47,360

so

1958

01:12:51,350 --> 01:12:49,440

it's very freeing and it's made me more

1959

01:12:53,590 --> 01:12:51,360

compassionate to other people it's made

1960

01:12:55,669 --> 01:12:53,600

me a better person and that's

1961

01:12:57,750 --> 01:12:55,679

how i could see it affected me

1962

01:12:59,750 --> 01:12:57,760

well i guess then then

1963

01:13:00,950 --> 01:12:59,760

you've had largely positive experiences

1964

01:13:03,669 --> 01:13:00,960

but what do you think of the people that

1965

01:13:05,910 --> 01:13:03,679

have had similar experiences to you but

1966

01:13:08,229 --> 01:13:05,920

their their experience

1967

01:13:11,430 --> 01:13:08,239

have been all negative like people alien

1968

01:13:14,229 --> 01:13:11,440

abduction victims or

1969

01:13:16,790 --> 01:13:14,239

i i would say that's one stage

1970

01:13:19,030 --> 01:13:16,800

of this game it's one level

1971

01:13:21,910 --> 01:13:19,040

and like i was saying earlier the first

1972

01:13:23,910 --> 01:13:21,920

five plus years of me doing this i was

1973

01:13:26,470 --> 01:13:23,920

basically being attacked

1974

01:13:30,229 --> 01:13:26,480

constantly so i had

1975

01:13:32,630 --> 01:13:30,239

years of negative experiences

1976

01:13:34,149 --> 01:13:32,640

but the more i did it it's actually very

1977

01:13:35,990 --> 01:13:34,159

strange

1978

01:13:38,950 --> 01:13:36,000

um

1979

01:13:40,070 --> 01:13:38,960

when you get attacked every single day

1980

01:13:44,390 --> 01:13:40,080

all right

1981

01:13:47,350 --> 01:13:44,400

every single day a being messes with you

1982

01:13:48,550 --> 01:13:47,360

at first you're so scared of what's

1983

01:13:50,630 --> 01:13:48,560

going on

1984

01:13:52,149 --> 01:13:50,640

and then after a while it becomes

1985

01:13:54,630 --> 01:13:52,159

routine

1986

01:13:57,669 --> 01:13:54,640

and you get used to it and instead of

1987

01:13:59,350 --> 01:13:57,679

being fearful you just get annoyed

1988

01:14:01,110 --> 01:13:59,360

so it's like these beings would come and

1989

01:14:04,390 --> 01:14:01,120

i'll just be like

1990

01:14:06,229 --> 01:14:04,400

oh you guys are here again all right

1991

01:14:08,310 --> 01:14:06,239

let's get this over with you know you

1992

01:14:11,030 --> 01:14:08,320

become less fearful

1993

01:14:12,870 --> 01:14:11,040

and you start to not care that it's

1994

01:14:14,390 --> 01:14:12,880

happening to you

1995

01:14:16,709 --> 01:14:14,400

and it's like once

1996

01:14:19,669 --> 01:14:16,719

i got to that stage

1997

01:14:21,830 --> 01:14:19,679

everything started to change where

1998

01:14:24,229 --> 01:14:21,840

i didn't go into fear

1999

01:14:25,830 --> 01:14:24,239

in those worlds and once i stopped going

2000

01:14:28,630 --> 01:14:25,840

into fear

2001
01:14:30,550 --> 01:14:28,640
everything changed in my experience in

2002
01:14:32,070 --> 01:14:30,560
those worlds

2003
01:14:34,550 --> 01:14:32,080
so i stopped being attacked that if i

2004
01:14:38,229 --> 01:14:34,560
did get attacked i wouldn't go into fear

2005
01:14:40,870 --> 01:14:38,239
either i would kind of stay strong in my

2006
01:14:42,470 --> 01:14:40,880
peaceful energy as all i can say and by

2007
01:14:44,709 --> 01:14:42,480
staying in my peaceful energy these

2008
01:14:46,229 --> 01:14:44,719
things just left

2009
01:14:48,070 --> 01:14:46,239
well this is

2010
01:14:49,830 --> 01:14:48,080
another question i'm kind of hesitant to

2011
01:14:52,390 --> 01:14:49,840
ask you i'm looking at my list of

2012
01:14:54,790 --> 01:14:52,400
questions here what do you say

2013
01:14:56,709 --> 01:14:54,800

and i would

2014

01:15:00,470 --> 01:14:56,719

be one of those kind of people a lot of

2015

01:15:01,910 --> 01:15:00,480

times when someone asks you that

2016

01:15:02,950 --> 01:15:01,920

all the things you talk about sound

2017

01:15:05,110 --> 01:15:02,960

great

2018

01:15:09,110 --> 01:15:05,120

but what about

2019

01:15:13,510 --> 01:15:10,950

what do you say when people say they

2020

01:15:15,110 --> 01:15:13,520

want more proof or evidence that that

2021

01:15:17,590 --> 01:15:15,120

your experiences are

2022

01:15:19,590 --> 01:15:17,600

real and not imagined or

2023

01:15:22,470 --> 01:15:19,600

drug-induced or

2024

01:15:25,510 --> 01:15:22,480

fantasies or delusions

2025

01:15:26,790 --> 01:15:25,520

i would just say until you experience it

2026

01:15:29,430 --> 01:15:26,800

yourself

2027

01:15:31,430 --> 01:15:29,440

i'm going to disappoint you

2028

01:15:32,630 --> 01:15:31,440

and i do have faith

2029

01:15:34,950 --> 01:15:32,640

that people

2030

01:15:37,590 --> 01:15:34,960

do have these experiences and do have

2031

01:15:39,669 --> 01:15:37,600

paranormal experiences that mirror what

2032

01:15:42,149 --> 01:15:39,679

i've been through

2033

01:15:45,110 --> 01:15:42,159

and this is why

2034

01:15:46,470 --> 01:15:45,120

my story has reached such a large mass

2035

01:15:49,430 --> 01:15:46,480

is because

2036

01:15:51,430 --> 01:15:49,440

it's not people that are

2037

01:15:53,270 --> 01:15:51,440

skeptics or curious about this a lot of

2038

01:15:55,030 --> 01:15:53,280

the people that read my book

2039

01:15:57,110 --> 01:15:55,040

or listen to my shows

2040

01:15:59,669 --> 01:15:57,120

are people that have been dealing with

2041

01:16:02,310 --> 01:15:59,679

exactly what i've been dealing with but

2042

01:16:05,990 --> 01:16:02,320

they really don't i do i do have to say

2043

01:16:07,750 --> 01:16:06,000

that i was impressed by the reviews of

2044

01:16:10,310 --> 01:16:07,760

this book just

2045

01:16:11,590 --> 01:16:10,320

go and and look up this book

2046

01:16:13,750 --> 01:16:11,600

because

2047

01:16:15,510 --> 01:16:13,760

if you read the reviews of the book

2048

01:16:17,510 --> 01:16:15,520

that's when it's like

2049

01:16:20,310 --> 01:16:17,520

you know uh and of course i'm talking

2050

01:16:22,870 --> 01:16:20,320

about the forbidden knowledge book

2051

01:16:24,390 --> 01:16:22,880

with bob mitchell and jason quit

2052

01:16:26,630 --> 01:16:24,400

and

2053

01:16:28,709 --> 01:16:26,640

go look at the reviews on amazon of this

2054

01:16:30,870 --> 01:16:28,719

book folks because

2055

01:16:32,950 --> 01:16:30,880

i was kind of blown away by the reviews

2056

01:16:36,470 --> 01:16:32,960

because

2057

01:16:38,950 --> 01:16:36,480

they're overwhelmingly positive

2058

01:16:41,430 --> 01:16:38,960

and then this led me down a terrible

2059

01:16:43,990 --> 01:16:41,440

rabbit hole which is to say

2060

01:16:46,550 --> 01:16:44,000

if if all these people are connecting

2061

01:16:49,430 --> 01:16:46,560

with what jason is talking about and

2062

01:16:51,270 --> 01:16:49,440

they're all very supportive of him in

2063

01:16:54,870 --> 01:16:51,280

these com all these comments these

2064

01:16:57,270 --> 01:16:54,880

reviews don't wait you'll love it

2065

01:16:59,430 --> 01:16:57,280

this is open and awake

2066

01:17:00,310 --> 01:16:59,440

knowledge

2067

01:17:03,270 --> 01:17:00,320

yeah

2068

01:17:05,030 --> 01:17:03,280

love this book it just struck me well

2069

01:17:07,110 --> 01:17:05,040

this is what struck me

2070

01:17:09,189 --> 01:17:07,120

so this is the cards on the table again

2071

01:17:10,550 --> 01:17:09,199

moment because i

2072

01:17:12,310 --> 01:17:10,560

ordinarily

2073

01:17:14,070 --> 01:17:12,320

a lot of times when i hear some stories

2074

01:17:15,669 --> 01:17:14,080

like yours would say

2075

01:17:16,790 --> 01:17:15,679

there's no proof there's no evidence

2076

01:17:18,630 --> 01:17:16,800

this isn't

2077

01:17:20,470 --> 01:17:18,640

this this is

2078

01:17:22,630 --> 01:17:20,480

you know

2079

01:17:24,310 --> 01:17:22,640

just not helpful

2080

01:17:26,709 --> 01:17:24,320

but then i look at the reviews of the

2081

01:17:29,110 --> 01:17:26,719

book and i go

2082

01:17:31,350 --> 01:17:29,120

all these people think it's helpful

2083

01:17:32,630 --> 01:17:31,360

who am i to say that you need proof or

2084

01:17:35,510 --> 01:17:32,640

evidence

2085

01:17:36,870 --> 01:17:35,520

to be helpful to people i guess right or

2086

01:17:38,870 --> 01:17:36,880

what i mean is

2087

01:17:41,110 --> 01:17:38,880

it's i'm kind of making a

2088

01:17:42,470 --> 01:17:41,120

stupid apology to you that's what i'm

2089

01:17:43,830 --> 01:17:42,480

making because

2090

01:17:46,790 --> 01:17:43,840

quite honestly a lot of the stuff that

2091

01:17:48,950 --> 01:17:46,800

you talked about in this book i went

2092

01:17:49,750 --> 01:17:48,960

this sounds great i love it

2093

01:17:50,870 --> 01:17:49,760

but

2094

01:17:54,709 --> 01:17:50,880

you know

2095

01:17:56,390 --> 01:17:54,719

i just wanted more meat on the bones

2096

01:17:59,669 --> 01:17:56,400

that was my

2097

01:18:01,990 --> 01:17:59,679

kind of interpretation but then i see

2098

01:18:03,430 --> 01:18:02,000

how helpful this book has been so many

2099

01:18:05,350 --> 01:18:03,440

people who like you said are

2100

01:18:07,910 --> 01:18:05,360

experiencing maybe similar things or

2101

01:18:09,910 --> 01:18:07,920

struggling with similar issues

2102

01:18:10,950 --> 01:18:09,920

and that's where i'm at

2103

01:18:12,950 --> 01:18:10,960

yeah

2104

01:18:13,990 --> 01:18:12,960

and you also have to remember people

2105

01:18:14,950 --> 01:18:14,000

change

2106

01:18:20,870 --> 01:18:14,960

i

2107

01:18:22,390 --> 01:18:20,880

not the same person

2108

01:18:25,669 --> 01:18:22,400

that wrote that book

2109

01:18:28,070 --> 01:18:25,679

that book is over five years old

2110

01:18:30,310 --> 01:18:28,080

i have matured a lot i've changed a lot

2111

01:18:32,149 --> 01:18:30,320

even some of the ideas that me and bob

2112

01:18:35,030 --> 01:18:32,159

talked about in that book

2113

01:18:36,470 --> 01:18:35,040

i'm starting to actually change my ideas

2114

01:18:37,910 --> 01:18:36,480

on some of the some of the things we

2115

01:18:40,790 --> 01:18:37,920

wrote about

2116

01:18:42,630 --> 01:18:40,800

so it's like my journey is not done

2117

01:18:45,590 --> 01:18:42,640

either and this is why i do so many

2118

01:18:49,030 --> 01:18:45,600

shows to to talk about it on the radio

2119

01:18:51,430 --> 01:18:49,040

or on on podcasts because

2120

01:18:52,830 --> 01:18:51,440

as i'm learning and as i'm growing i'm

2121

01:18:55,270 --> 01:18:52,840

sharing that

2122

01:18:57,110 --> 01:18:55,280

information and

2123

01:18:59,669 --> 01:18:57,120

obviously the journey is not done i'm

2124

01:19:01,030 --> 01:18:59,679

still here i'm still learning

2125

01:19:02,790 --> 01:19:01,040

but

2126
01:19:05,669 --> 01:19:02,800
here's the thing and this is what i

2127
01:19:08,790 --> 01:19:05,679
would tell you a skeptic

2128
01:19:11,110 --> 01:19:08,800
i would say

2129
01:19:14,550 --> 01:19:11,120
if you have a dream

2130
01:19:17,430 --> 01:19:14,560
and that dream was so profound

2131
01:19:19,270 --> 01:19:17,440
that the moment you woke up the next day

2132
01:19:21,030 --> 01:19:19,280
that dream forced you to change your

2133
01:19:22,870 --> 01:19:21,040
life

2134
01:19:25,030 --> 01:19:22,880
instantly you were a different person

2135
01:19:29,350 --> 01:19:25,040
the moment you woke up that day that's

2136
01:19:33,590 --> 01:19:31,350
isn't that positive

2137
01:19:35,270 --> 01:19:33,600
yeah i would think that it would be

2138
01:19:36,790 --> 01:19:35,280

if you changed your life in the positive

2139

01:19:38,950 --> 01:19:36,800

if you had a dream that changed you

2140

01:19:41,270 --> 01:19:38,960

profoundly and then you went off on a

2141

01:19:44,470 --> 01:19:41,280

coke and [h__h] binge and left your

2142

01:19:46,070 --> 01:19:44,480

family and went doing heroin because the

2143

01:19:47,110 --> 01:19:46,080

dream was telling you you haven't lived

2144

01:19:49,669 --> 01:19:47,120

enough

2145

01:19:51,750 --> 01:19:49,679

well then it would be negative of course

2146

01:19:53,990 --> 01:19:51,760

yeah i'm going more to the positive

2147

01:19:55,189 --> 01:19:54,000

thing i'm saying that uh

2148

01:19:58,310 --> 01:19:55,199

you know if

2149

01:20:00,790 --> 01:19:58,320

uh if if a dream had the power to change

2150

01:20:03,189 --> 01:20:00,800

you for the better

2151
01:20:04,630 --> 01:20:03,199
what else do you need

2152
01:20:06,790 --> 01:20:04,640
you know

2153
01:20:08,310 --> 01:20:06,800
so i can only tell you what i

2154
01:20:09,830 --> 01:20:08,320
experienced

2155
01:20:12,070 --> 01:20:09,840
and for me

2156
01:20:14,790 --> 01:20:12,080
it was very real it still is real and

2157
01:20:16,950 --> 01:20:14,800
that is the reality that i live in

2158
01:20:19,510 --> 01:20:16,960
and that's how i see and experience the

2159
01:20:21,270 --> 01:20:19,520
world

2160
01:20:23,270 --> 01:20:21,280
there are many others

2161
01:20:26,790 --> 01:20:23,280
that see the world and experience the

2162
01:20:27,830 --> 01:20:26,800
world exactly the way i do

2163
01:20:29,590 --> 01:20:27,840

so

2164

01:20:32,870 --> 01:20:29,600

there's been a lot of fear of coming

2165

01:20:36,470 --> 01:20:32,880

forward being labeled like you're crazy

2166

01:20:38,070 --> 01:20:36,480

and i have to say that

2167

01:20:40,229 --> 01:20:38,080

a lot of people that go through these

2168

01:20:42,149 --> 01:20:40,239

experiences

2169

01:20:46,390 --> 01:20:42,159

they end up going crazy

2170

01:20:47,430 --> 01:20:46,400

this is a real concern this stuff is not

2171

01:20:52,709 --> 01:20:47,440

easy

2172

01:20:55,669 --> 01:20:52,719

it's really trauma

2173

01:20:57,750 --> 01:20:55,679

and people that don't have a good

2174

01:21:00,390 --> 01:20:57,760

sense

2175

01:21:01,990 --> 01:21:00,400

they can lose it going through this i've

2176

01:21:04,550 --> 01:21:02,000

seen it when you talk about this it

2177

01:21:05,510 --> 01:21:04,560

reminds me of a lot of hp lovecraft

2178

01:21:07,590 --> 01:21:05,520

because

2179

01:21:09,590 --> 01:21:07,600

if if you've read any hp lovecraft

2180

01:21:10,870 --> 01:21:09,600

novels it's kind of like the more the

2181

01:21:16,709 --> 01:21:10,880

people

2182

01:21:19,189 --> 01:21:16,719

into an experience with that mythos they

2183

01:21:21,030 --> 01:21:19,199

just progressively go crazy it drives

2184

01:21:23,110 --> 01:21:21,040

them crazy because

2185

01:21:25,910 --> 01:21:23,120

the frayed reality

2186

01:21:29,910 --> 01:21:25,920

and lines crossing and

2187

01:21:31,910 --> 01:21:29,920

maybe things connecting and this is why

2188

01:21:35,030 --> 01:21:31,920

a practice like

2189

01:21:37,590 --> 01:21:35,040

chi gong and like you said grounding

2190

01:21:38,629 --> 01:21:37,600

you need to be here

2191

01:21:41,430 --> 01:21:38,639

all right

2192

01:21:45,030 --> 01:21:41,440

people talk about ascension

2193

01:21:47,270 --> 01:21:45,040

you're here to live a physical life

2194

01:21:49,590 --> 01:21:47,280

you're here to be human you're here to

2195

01:21:51,030 --> 01:21:49,600

live in this matrix reality whatever you

2196

01:21:52,310 --> 01:21:51,040

want to call it you've got to pay your

2197

01:21:54,149 --> 01:21:52,320

taxes

2198

01:21:56,629 --> 01:21:54,159

you got to be a good citizen a good

2199

01:21:59,110 --> 01:21:56,639

person you have responsibilities

2200

01:22:01,590 --> 01:21:59,120

physically in this world

2201
01:22:02,709 --> 01:22:01,600
a lot of new age spirituality is

2202
01:22:05,590 --> 01:22:02,719
literally

2203
01:22:06,390 --> 01:22:05,600
another version of escapism

2204
01:22:08,950 --> 01:22:06,400
it's

2205
01:22:11,030 --> 01:22:08,960
shutting out responsibility shutting out

2206
01:22:12,950 --> 01:22:11,040
emotions and saying

2207
01:22:14,629 --> 01:22:12,960
i don't want to look at it i want to

2208
01:22:17,189 --> 01:22:14,639
leave my body i want to have spiritual

2209
01:22:22,950 --> 01:22:17,199
experiences contact aliens ascend to

2210
01:22:29,750 --> 01:22:27,030
it for me it's hilarious because

2211
01:22:31,990 --> 01:22:29,760
when i'm having these experiences and

2212
01:22:34,950 --> 01:22:32,000
i'm speaking or communicating with an

2213
01:22:40,229 --> 01:22:37,590

all they're trying to say to me is

2214

01:22:41,910 --> 01:22:40,239

you need to learn about physicality

2215

01:22:43,510 --> 01:22:41,920

so it's like all the stuff like when

2216

01:22:46,229 --> 01:22:43,520

you're out there in these spiritual

2217

01:22:48,950 --> 01:22:46,239

experiences it's more like

2218

01:22:52,550 --> 01:22:48,960

get back down to earth and be

2219

01:22:54,149 --> 01:22:52,560

physical and learn about that world

2220

01:22:55,910 --> 01:22:54,159

you know so

2221

01:22:57,830 --> 01:22:55,920

for me

2222

01:22:59,350 --> 01:22:57,840

the whole spiritual experience is a

2223

01:23:03,030 --> 01:22:59,360

natural

2224

01:23:08,149 --> 01:23:05,590

but we're here not to look up at the

2225

01:23:10,229 --> 01:23:08,159

stars we're here to look at the ground

2226

01:23:12,149 --> 01:23:10,239

and be grounded and physical and

2227

01:23:14,310 --> 01:23:12,159

understand how to master this world and

2228

01:23:16,149 --> 01:23:14,320

that's my belief

2229

01:23:17,830 --> 01:23:16,159

and some would also call that being

2230

01:23:19,910 --> 01:23:17,840

present in the moment

2231

01:23:21,910 --> 01:23:19,920

yes because the other thing i was going

2232

01:23:23,669 --> 01:23:21,920

to ask you is

2233

01:23:26,550 --> 01:23:23,679

don't you kind of feel that some of this

2234

01:23:28,070 --> 01:23:26,560

is in a form of escapism for you

2235

01:23:29,669 --> 01:23:28,080

like i get your impression that like

2236

01:23:31,910 --> 01:23:29,679

you're just kind of a guy that there's

2237

01:23:33,110 --> 01:23:31,920

not much down here for you there's not

2238

01:23:35,590 --> 01:23:33,120

much

2239

01:23:36,709 --> 01:23:35,600

holding your interest here

2240

01:23:38,229 --> 01:23:36,719

no i

2241

01:23:39,669 --> 01:23:38,239

i love

2242

01:23:42,310 --> 01:23:39,679

my life

2243

01:23:44,629 --> 01:23:42,320

and i don't know if you see it's like i

2244

01:23:46,310 --> 01:23:44,639

grew up i had recording studios i'm an

2245

01:23:49,709 --> 01:23:46,320

artist

2246

01:23:52,310 --> 01:23:49,719

i love technology i love video uh

2247

01:23:54,470 --> 01:23:52,320

synthesizers yeah you're like my brother

2248

01:23:55,910 --> 01:23:54,480

from another mother man you and i are a

2249

01:23:57,189 --> 01:23:55,920

lot of life it's strange that's one of

2250

01:23:58,470 --> 01:23:57,199

the reasons that

2251

01:24:02,070 --> 01:23:58,480

i can't tell you how many people are

2252

01:24:03,669 --> 01:24:02,080

like you gotta go talk to jason quit

2253

01:24:05,750 --> 01:24:03,679

yeah it's interesting and i had

2254

01:24:07,510 --> 01:24:05,760

recording studios and uh

2255

01:24:09,910 --> 01:24:07,520

you know i ran a commercial one for a

2256

01:24:12,229 --> 01:24:09,920

while that was fun but there was a fatal

2257

01:24:14,550 --> 01:24:12,239

flaw in my business plan

2258

01:24:17,590 --> 01:24:14,560

musicians never have any money

2259

01:24:19,990 --> 01:24:17,600

that's right but i will say this i more

2260

01:24:22,790 --> 01:24:20,000

than paid for the studio with

2261

01:24:24,870 --> 01:24:22,800

at the time you could still sell

2262

01:24:25,590 --> 01:24:24,880

cds you know like

2263

01:24:27,910 --> 01:24:25,600

so

2264

01:24:30,870 --> 01:24:27,920

i more than made my money invested in

2265

01:24:33,590 --> 01:24:30,880

the studio back making my own projects

2266

01:24:35,590 --> 01:24:33,600

like triple doubled whatever you know i

2267

01:24:37,030 --> 01:24:35,600

was just so happy to be able to do that

2268

01:24:38,709 --> 01:24:37,040

with the money that i put in to build

2269

01:24:40,950 --> 01:24:38,719

the studio that the

2270

01:24:43,590 --> 01:24:40,960

recording these other bands was just a

2271

01:24:46,550 --> 01:24:43,600

bonus little bit of money you know

2272

01:24:47,990 --> 01:24:46,560

no i i'm the opposite i wake up every

2273

01:24:50,229 --> 01:24:48,000

single day

2274

01:24:53,030 --> 01:24:50,239

and i want to work

2275

01:24:55,669 --> 01:24:53,040

physically i want to get stuff done

2276

01:24:57,510 --> 01:24:55,679

um if i have an experience at night i

2277

01:24:59,350 --> 01:24:57,520

have an experience at night

2278

01:25:01,189 --> 01:24:59,360

it's that's just what it is it's an

2279

01:25:02,629 --> 01:25:01,199

experience it's not

2280

01:25:03,750 --> 01:25:02,639

um

2281

01:25:06,870 --> 01:25:03,760

you know

2282

01:25:09,830 --> 01:25:06,880

a lot of the experiences now are just

2283

01:25:11,510 --> 01:25:09,840

very um personal to me like i said like

2284

01:25:14,470 --> 01:25:11,520

either dealing with some stuff i need to

2285

01:25:15,510 --> 01:25:14,480

work on or being called to some other

2286

01:25:17,189 --> 01:25:15,520

thing

2287

01:25:20,070 --> 01:25:17,199

it's not like i could write another book

2288

01:25:22,390 --> 01:25:20,080

about those experiences and in fact

2289

01:25:25,669 --> 01:25:22,400

forbid a knowledge book i only wrote

2290

01:25:28,390 --> 01:25:25,679

down the experiences that i thought

2291

01:25:29,910 --> 01:25:28,400

had that story element that would make

2292

01:25:31,830 --> 01:25:29,920

a point

2293

01:25:33,750 --> 01:25:31,840

or have some type of

2294

01:25:35,350 --> 01:25:33,760

connection to other people

2295

01:25:37,510 --> 01:25:35,360

there is hundreds and hundreds of

2296

01:25:39,189 --> 01:25:37,520

experiences that are not in that book

2297

01:25:40,950 --> 01:25:39,199

because

2298

01:25:42,629 --> 01:25:40,960

you know you leave how many times you

2299

01:25:44,310 --> 01:25:42,639

leave your body

2300

01:25:45,590 --> 01:25:44,320

you know it's the same thing over and

2301
01:25:47,910 --> 01:25:45,600
over again it brings me to another

2302
01:25:49,510 --> 01:25:47,920
important question because yeah

2303
01:25:50,629 --> 01:25:49,520
somebody else asked me this actually so

2304
01:25:51,590 --> 01:25:50,639
we're going to call it a listener

2305
01:25:52,550 --> 01:25:51,600
question

2306
01:25:54,550 --> 01:25:52,560
sure

2307
01:25:58,470 --> 01:25:54,560
they wanted to know how

2308
01:26:01,590 --> 01:25:58,480
often are you having these experiences

2309
01:26:03,830 --> 01:26:01,600
in my early 20s from the age of 22 to

2310
01:26:06,310 --> 01:26:03,840
about 27

2311
01:26:09,830 --> 01:26:06,320
it was happening at least once or twice

2312
01:26:12,550 --> 01:26:09,840
a week so that's a lot

2313
01:26:14,709 --> 01:26:12,560

after 27

2314

01:26:16,629 --> 01:26:14,719

my life changed

2315

01:26:18,390 --> 01:26:16,639

i met my wife i got married had

2316

01:26:23,830 --> 01:26:18,400

responsibilities

2317

01:26:26,790 --> 01:26:25,830

right yeah yeah talk to her yeah nice

2318

01:26:27,830 --> 01:26:26,800

girl

2319

01:26:29,990 --> 01:26:27,840

thank you

2320

01:26:32,629 --> 01:26:30,000

so beautiful well too man there's hope

2321

01:26:34,229 --> 01:26:32,639

for us all that's all i have to say

2322

01:26:36,390 --> 01:26:34,239

okay i'm not gonna say one of these

2323

01:26:37,350 --> 01:26:36,400

things is not like the other but come on

2324

01:26:39,430 --> 01:26:37,360

jason

2325

01:26:41,270 --> 01:26:39,440

you did real good

2326

01:26:45,910 --> 01:26:41,280

i did do real good

2327

01:26:49,510 --> 01:26:46,870

but

2328

01:26:51,750 --> 01:26:49,520

um i would say the experiences went from

2329

01:26:53,510 --> 01:26:51,760

a couple times to a week to like maybe

2330

01:26:56,790 --> 01:26:53,520

once a month

2331

01:26:59,270 --> 01:26:56,800

and then once every couple months

2332

01:27:01,189 --> 01:26:59,280

and then i said when i hurt myself again

2333

01:27:03,669 --> 01:27:01,199

like when i broke my back that's when

2334

01:27:06,790 --> 01:27:03,679

the experiences went up again

2335

01:27:07,910 --> 01:27:06,800

so i i do relate it to

2336

01:27:09,350 --> 01:27:07,920

trauma

2337

01:27:11,189 --> 01:27:09,360

and being ill

2338

01:27:12,870 --> 01:27:11,199

wow that's really weird

2339

01:27:16,229 --> 01:27:12,880

it's kind of like it's kind of like a

2340

01:27:17,910 --> 01:27:16,239

bad superpower though like

2341

01:27:19,910 --> 01:27:17,920

when the body gets weak then you can

2342

01:27:22,790 --> 01:27:19,920

actually project

2343

01:27:23,590 --> 01:27:22,800

yeah but sometimes it just happens like

2344

01:27:28,629 --> 01:27:23,600

there's

2345

01:27:31,270 --> 01:27:28,639

like i i left my body a couple nights

2346

01:27:33,590 --> 01:27:31,280

ago and i spoke about it on the radio

2347

01:27:35,430 --> 01:27:33,600

and it was very strange because

2348

01:27:37,910 --> 01:27:35,440

it was just sleeping

2349

01:27:40,229 --> 01:27:37,920

and i just got ripped

2350

01:27:41,590 --> 01:27:40,239

i just totally got ripped out of my body

2351
01:27:43,430 --> 01:27:41,600
very quickly

2352
01:27:45,189 --> 01:27:43,440
and into some portal

2353
01:27:48,390 --> 01:27:45,199
i don't know where i went

2354
01:27:52,870 --> 01:27:50,629
it it shocked me it didn't scare me but

2355
01:27:55,110 --> 01:27:52,880
it shocked me of the speed of how fast i

2356
01:27:57,590 --> 01:27:55,120
was pulled out of my body

2357
01:27:58,830 --> 01:27:57,600
and i know that

2358
01:28:02,550 --> 01:27:58,840
there is an

2359
01:28:05,510 --> 01:28:02,560
effect on the human consciousness

2360
01:28:08,229 --> 01:28:05,520
when there's a solar event

2361
01:28:11,270 --> 01:28:08,239
when the solar winds from the sun

2362
01:28:13,350 --> 01:28:11,280
hit the earth's magnetic field

2363
01:28:16,709 --> 01:28:13,360

i don't know man

2364

01:28:19,189 --> 01:28:16,719
sometimes if it hits the right way

2365

01:28:21,669 --> 01:28:19,199
you could have a spiritual experience

2366

01:28:23,669 --> 01:28:21,679
just by sleeping

2367

01:28:26,070 --> 01:28:23,679
so i definitely think there is an

2368

01:28:28,550 --> 01:28:26,080
environmental cause to some of these

2369

01:28:30,310 --> 01:28:28,560
experiences

2370

01:28:32,070 --> 01:28:30,320
well i don't know i'm looking at my

2371

01:28:33,350 --> 01:28:32,080
notes here i didn't i don't want to keep

2372

01:28:35,270 --> 01:28:33,360
you too long

2373

01:28:36,390 --> 01:28:35,280
i know you're very busy i wanted to ask

2374

01:28:38,070 --> 01:28:36,400
you though

2375

01:28:40,470 --> 01:28:38,080
yeah i was going to say like what what

2376

01:28:42,790 --> 01:28:40,480

is what are your current plans like what

2377

01:28:43,669 --> 01:28:42,800

are you doing now because you're right

2378

01:28:45,189 --> 01:28:43,679

this

2379

01:28:46,950 --> 01:28:45,199

are you writing another book are you

2380

01:28:48,310 --> 01:28:46,960

gonna

2381

01:28:51,030 --> 01:28:48,320

right now

2382

01:28:52,709 --> 01:28:51,040

um i'm kind of evolving

2383

01:28:53,830 --> 01:28:52,719

my business

2384

01:28:57,030 --> 01:28:53,840

and

2385

01:28:58,950 --> 01:28:57,040

like i said i originally started in

2386

01:29:01,750 --> 01:28:58,960

music production

2387

01:29:03,669 --> 01:29:01,760

so i'm rebuilding my studio

2388

01:29:04,950 --> 01:29:03,679

i'm going to start

2389

01:29:07,669 --> 01:29:04,960

producing

2390

01:29:10,950 --> 01:29:07,679

music which is a passion of mine

2391

01:29:12,870 --> 01:29:10,960

and the beautiful thing about uh music

2392

01:29:14,390 --> 01:29:12,880

now is that

2393

01:29:15,990 --> 01:29:14,400

i could do whatever i want i'm not

2394

01:29:18,709 --> 01:29:16,000

trying to sell records i'm just trying

2395

01:29:21,189 --> 01:29:18,719

to do it for myself so this is like my

2396

01:29:23,430 --> 01:29:21,199

own i just did quite a project like that

2397

01:29:25,910 --> 01:29:23,440

for the last few years i said

2398

01:29:27,270 --> 01:29:25,920

i had this idea that

2399

01:29:29,110 --> 01:29:27,280

well actually i had this kind of weird

2400

01:29:31,110 --> 01:29:29,120

thing to have you ever like step out on

2401

01:29:31,910 --> 01:29:31,120

on the street and almost get hit by a

2402

01:29:33,830 --> 01:29:31,920

car

2403

01:29:36,830 --> 01:29:33,840

that kind of happened to me

2404

01:29:39,910 --> 01:29:36,840

and and it gave me this weird feeling

2405

01:29:42,629 --> 01:29:39,920

like uh you know what also

2406

01:29:44,390 --> 01:29:42,639

when a when a songwriter dies like any

2407

01:29:45,430 --> 01:29:44,400

any famous songwriter or songwriter i've

2408

01:29:47,430 --> 01:29:45,440

enjoyed

2409

01:29:50,310 --> 01:29:47,440

i hate that i'm so selfish but one of my

2410

01:29:53,110 --> 01:29:50,320

first thoughts besides jade sadie died

2411

01:29:55,270 --> 01:29:53,120

is oh man how many great songs did that

2412

01:29:57,189 --> 01:29:55,280

guy have left in him that he didn't get

2413

01:29:59,189 --> 01:29:57,199

around to recording so i had this thing

2414

01:30:01,189 --> 01:29:59,199

where i stepped off the curb and almost

2415

01:30:03,590 --> 01:30:01,199

got hit by a truck and it made me go

2416

01:30:05,669 --> 01:30:03,600

you know what what if i just dumped

2417

01:30:06,390 --> 01:30:05,679

everything that i got in my skull right

2418

01:30:08,629 --> 01:30:06,400

now

2419

01:30:11,350 --> 01:30:08,639

and not care not had fear like you were

2420

01:30:14,629 --> 01:30:11,360

saying don't live in fear and i just

2421

01:30:16,790 --> 01:30:14,639

plowed out all this material and it's a

2422

01:30:19,910 --> 01:30:16,800

great feeling so i

2423

01:30:21,590 --> 01:30:19,920

tell you do it do it yeah do it now love

2424

01:30:23,030 --> 01:30:21,600

it you're gonna love it

2425

01:30:25,590 --> 01:30:23,040

see i'll

2426

01:30:27,110 --> 01:30:25,600

i'll share with you so you get inside my

2427

01:30:29,750 --> 01:30:27,120

mind a little

2428

01:30:31,990 --> 01:30:29,760

when i broke my back and i woke up after

2429

01:30:33,430 --> 01:30:32,000

surgery

2430

01:30:38,870 --> 01:30:33,440

my left

2431

01:30:41,350 --> 01:30:38,880

paralyzed like it was curled up my arm

2432

01:30:44,229 --> 01:30:41,360

it was the scariest thing right

2433

01:30:46,870 --> 01:30:44,239

and the first thought that came into my

2434

01:30:50,629 --> 01:30:46,880

head when i was paralyzed

2435

01:30:53,510 --> 01:30:50,639

was i will never play guitar again

2436

01:30:55,270 --> 01:30:53,520

that was the first thought wow yeah

2437

01:30:57,430 --> 01:30:55,280

and it's like when i regained the

2438

01:30:59,110 --> 01:30:57,440

strength in my arm

2439

01:31:01,189 --> 01:30:59,120

and i s it's

2440

01:31:03,270 --> 01:31:01,199

i still first thought again right okay

2441

01:31:05,270 --> 01:31:03,280

yeah i can tell that's going to take

2442

01:31:06,229 --> 01:31:05,280

some work but i'll be able to do that

2443

01:31:08,709 --> 01:31:06,239

again

2444

01:31:11,270 --> 01:31:08,719

right right so it's like

2445

01:31:14,390 --> 01:31:11,280

um after that injury

2446

01:31:15,750 --> 01:31:14,400

dude i went out and bought my favorite

2447

01:31:17,669 --> 01:31:15,760

guitars

2448

01:31:19,750 --> 01:31:17,679

as like

2449

01:31:21,590 --> 01:31:19,760

said okay now i just bought the guitars

2450

01:31:22,709 --> 01:31:21,600

of my dream

2451

01:31:25,510 --> 01:31:22,719

um

2452

01:31:28,709 --> 01:31:25,520

i better learn how to play again because

2453

01:31:30,709 --> 01:31:28,719

i freaking lost that arm for a while and

2454

01:31:33,270 --> 01:31:30,719

i need to learn again

2455

01:31:34,390 --> 01:31:33,280

yeah yeah

2456

01:31:36,470 --> 01:31:34,400

yeah it's good sir you're going to be

2457

01:31:37,910 --> 01:31:36,480

working on music but when i when i said

2458

01:31:39,669 --> 01:31:37,920

like i mean like are you going to write

2459

01:31:41,350 --> 01:31:39,679

another book about these experiences are

2460

01:31:43,590 --> 01:31:41,360

you going to let it go with this because

2461

01:31:45,590 --> 01:31:43,600

this right now i think that people talk

2462

01:31:47,350 --> 01:31:45,600

about and it's

2463

01:31:49,510 --> 01:31:47,360

you know i feel like how do you where do

2464

01:31:51,030 --> 01:31:49,520

you go from there do you just do like an

2465

01:31:53,189 --> 01:31:51,040

update here's what's been happening for

2466

01:31:55,270 --> 01:31:53,199

the past five years or or are you gonna

2467

01:31:57,189 --> 01:31:55,280

let us i would i think i'm just gonna

2468

01:31:59,510 --> 01:31:57,199

let it play but also

2469

01:32:01,590 --> 01:31:59,520

i've changed my perspective on so many

2470

01:32:03,350 --> 01:32:01,600

things and maybe i need to write a

2471

01:32:05,189 --> 01:32:03,360

second book

2472

01:32:08,870 --> 01:32:05,199

almost like a continuation of that book

2473

01:32:10,070 --> 01:32:08,880

to show the evolution of thought

2474

01:32:12,470 --> 01:32:10,080

that i'm at

2475

01:32:16,390 --> 01:32:12,480

when it comes to that material

2476
01:32:18,070 --> 01:32:16,400
and also i'm also into video production

2477
01:32:20,229 --> 01:32:18,080
um i was just

2478
01:32:23,030 --> 01:32:20,239
working in italy uh filming a

2479
01:32:25,510 --> 01:32:23,040
documentary so hopefully i can

2480
01:32:27,030 --> 01:32:25,520
hunker down and get that edited and done

2481
01:32:28,870 --> 01:32:27,040
now that's gonna be a lot of time and

2482
01:32:31,189 --> 01:32:28,880
people don't realize that i know people

2483
01:32:33,030 --> 01:32:31,199
don't realize the time video editing is

2484
01:32:35,189 --> 01:32:33,040
rough man it's like

2485
01:32:36,870 --> 01:32:35,199
you know i've done some projects in the

2486
01:32:38,149 --> 01:32:36,880
past where it was like eight hours a

2487
01:32:42,310 --> 01:32:38,159
minute

2488
01:32:44,310 --> 01:32:42,320

the video wow you know

2489

01:32:46,550 --> 01:32:44,320

mostly music video projects like all the

2490

01:32:48,310 --> 01:32:46,560

cutting and you know yeah you gotta have

2491

01:32:50,070 --> 01:32:48,320

lots and lots of cuts especially the

2492

01:32:51,590 --> 01:32:50,080

faster the song more cuts you gotta

2493

01:32:53,510 --> 01:32:51,600

throw more cuts in there you could you

2494

01:32:54,390 --> 01:32:53,520

could splice a few more you know that

2495

01:32:56,229 --> 01:32:54,400

over

2496

01:32:58,310 --> 01:32:56,239

because when i learned everybody was

2497

01:33:00,149 --> 01:32:58,320

doing that style of like that media

2498

01:33:01,510 --> 01:33:00,159

overload you know

2499

01:33:03,990 --> 01:33:01,520

now i think i would do things a little

2500

01:33:05,669 --> 01:33:04,000

more subtly but that's the way it was

2501

01:33:08,149 --> 01:33:05,679

and even for documentaries now you know

2502

01:33:10,149 --> 01:33:08,159

things speed up it's not you gotta cut

2503

01:33:11,990 --> 01:33:10,159

cut cut cut to hold their interest now

2504

01:33:13,510 --> 01:33:12,000

because everybody's used to that

2505

01:33:14,390 --> 01:33:13,520

nonstop exactly

2506

01:33:16,709 --> 01:33:14,400

so

2507

01:33:19,830 --> 01:33:16,719

overload you know

2508

01:33:21,669 --> 01:33:19,840

absolutely so i have to kind of get into

2509

01:33:23,590 --> 01:33:21,679

video production mode

2510

01:33:25,110 --> 01:33:23,600

hopefully this week

2511

01:33:29,350 --> 01:33:25,120

and

2512

01:33:31,110 --> 01:33:29,360

i have furniture coming in here soon

2513

01:33:33,830 --> 01:33:31,120

i've been asked to do

2514

01:33:36,310 --> 01:33:33,840

some type of youtube show for years and

2515

01:33:38,550 --> 01:33:36,320

i've always been pushing it to the side

2516

01:33:39,750 --> 01:33:38,560

and i think with the setup that i'm

2517

01:33:41,830 --> 01:33:39,760

going to be putting together i could

2518

01:33:43,750 --> 01:33:41,840

easily just go live or pre-record

2519

01:33:45,669 --> 01:33:43,760

something so i think i'm going to have

2520

01:33:47,669 --> 01:33:45,679

some fun doing that

2521

01:33:49,110 --> 01:33:47,679

yeah yeah good that's kind of some of

2522

01:33:51,110 --> 01:33:49,120

the things that i've been working on too

2523

01:33:53,189 --> 01:33:51,120

because i gotta

2524

01:33:55,510 --> 01:33:53,199

like the radio thing is great and that's

2525

01:33:57,510 --> 01:33:55,520

what i started off wanting to do

2526
01:33:59,350 --> 01:33:57,520
and then everybody keeps hassling well

2527
01:34:01,430 --> 01:33:59,360
not hassling me that sounds terrible

2528
01:34:03,110 --> 01:34:01,440
everybody is like why

2529
01:34:05,830 --> 01:34:03,120
why is there no video when you post a

2530
01:34:08,229 --> 01:34:05,840
show well this is just i put some you

2531
01:34:10,470 --> 01:34:08,239
know spectrographs on it and a picture

2532
01:34:12,550 --> 01:34:10,480
and it was on the radio so that's the

2533
01:34:14,790 --> 01:34:12,560
way i'm gonna put it on you know

2534
01:34:15,910 --> 01:34:14,800
but uh i'm gonna be moving to video

2535
01:34:16,790 --> 01:34:15,920
because i think

2536
01:34:20,709 --> 01:34:16,800
that

2537
01:34:22,709 --> 01:34:20,719
so like

2538
01:34:24,310 --> 01:34:22,719

jason people might not hear you for like

2539

01:34:26,310 --> 01:34:24,320

six weeks from now

2540

01:34:27,990 --> 01:34:26,320

you know there's a so

2541

01:34:29,430 --> 01:34:28,000

when there's something topical i love

2542

01:34:30,870 --> 01:34:29,440

the idea of live streaming because i

2543

01:34:33,430 --> 01:34:30,880

could just go on

2544

01:34:36,229 --> 01:34:33,440

say what i need to say get a message out

2545

01:34:37,350 --> 01:34:36,239

and yeah and the technology now

2546

01:34:41,910 --> 01:34:37,360

i didn't

2547

01:34:43,590 --> 01:34:41,920

powerful you look around now and it's so

2548

01:34:46,149 --> 01:34:43,600

so much better than it was it's easier

2549

01:34:47,669 --> 01:34:46,159

to do it now there's so many tools now

2550

01:34:49,430 --> 01:34:47,679

and like

2551
01:34:52,070 --> 01:34:49,440
people have shows that look great that

2552
01:34:55,510 --> 01:34:52,080
look totally professionally produced and

2553
01:34:56,629 --> 01:34:55,520
it's just like obs and some time

2554
01:35:01,910 --> 01:34:56,639
yeah

2555
01:35:03,830 --> 01:35:01,920
the documentary film industry

2556
01:35:06,709 --> 01:35:03,840
i have the gear

2557
01:35:09,750 --> 01:35:06,719
and it's just sitting here um i might as

2558
01:35:12,229 --> 01:35:09,760
well just set it up i hate you jason i

2559
01:35:14,950 --> 01:35:12,239
hate you because i am a poor father of

2560
01:35:16,870 --> 01:35:14,960
two children so like my

2561
01:35:18,550 --> 01:35:16,880
ability i really need some new cameras

2562
01:35:20,629 --> 01:35:18,560
and stuff you know like some of my i

2563
01:35:23,270 --> 01:35:20,639

have hd cameras but they're like early

2564

01:35:25,270 --> 01:35:23,280

hd cameras you know they're not great

2565

01:35:27,189 --> 01:35:25,280

and everybody's moving everything moves

2566

01:35:29,430 --> 01:35:27,199

so fast it's like well that's really not

2567

01:35:30,310 --> 01:35:29,440

enough now you need a 4k camera and you

2568

01:35:33,030 --> 01:35:30,320

know

2569

01:35:34,550 --> 01:35:33,040

well you can go and buy an 8k camera

2570

01:35:36,470 --> 01:35:34,560

right now

2571

01:35:38,709 --> 01:35:36,480

and

2572

01:35:41,189 --> 01:35:38,719

but the technology is getting really

2573

01:35:43,270 --> 01:35:41,199

good and really cheap in fact a lot of

2574

01:35:45,910 --> 01:35:43,280

people are recording with their new

2575

01:35:47,350 --> 01:35:45,920

iphone yeah and people have made movies

2576

01:35:48,709 --> 01:35:47,360

when i heard that for that was a few

2577

01:35:50,390 --> 01:35:48,719

years ago that somebody went the quality

2578

01:35:53,109 --> 01:35:50,400

is good enough let's do a movie and use

2579

01:35:55,189 --> 01:35:53,119

the iphone as the camera for the whole

2580

01:35:57,510 --> 01:35:55,199

thing it's amazing

2581

01:35:59,910 --> 01:35:57,520

yeah and if you're good at uh production

2582

01:36:01,830 --> 01:35:59,920

if you're good at like color correcting

2583

01:36:04,390 --> 01:36:01,840

and editing

2584

01:36:06,790 --> 01:36:04,400

um you could literally make a movie with

2585

01:36:08,390 --> 01:36:06,800

your iphone yeah that's amazing

2586

01:36:09,669 --> 01:36:08,400

technology to me and you probably

2587

01:36:11,189 --> 01:36:09,679

experience the same kind of thing with

2588

01:36:12,390 --> 01:36:11,199

audio do you remember when everybody

2589

01:36:13,510 --> 01:36:12,400

sort of went

2590

01:36:15,189 --> 01:36:13,520

tape

2591

01:36:17,510 --> 01:36:15,199

you know i'll just do it at home on my

2592

01:36:19,430 --> 01:36:17,520

computer i was such an early adopter of

2593

01:36:20,950 --> 01:36:19,440

that like i did it before anybody knew

2594

01:36:22,629 --> 01:36:20,960

that you could even make music on a

2595

01:36:24,950 --> 01:36:22,639

computer people were like you can record

2596

01:36:27,510 --> 01:36:24,960

on a compute yeah

2597

01:36:30,229 --> 01:36:27,520

you know like four or eight bit tracks

2598

01:36:32,390 --> 01:36:30,239

or something when i started oh yeah and

2599

01:36:34,550 --> 01:36:32,400

that's ridiculous you have unlimited

2600

01:36:36,629 --> 01:36:34,560

anything you want

2601

01:36:39,350 --> 01:36:36,639

see i'm the opposite is like

2602

01:36:41,830 --> 01:36:39,360

i grew up making music on the computer

2603

01:36:44,629 --> 01:36:41,840

like i first started making music on dos

2604

01:36:46,149 --> 01:36:44,639

that's how long ago yeah yeah me too and

2605

01:36:47,910 --> 01:36:46,159

when i first started actually i was

2606

01:36:48,790 --> 01:36:47,920

fortunate though because when i first

2607

01:36:51,430 --> 01:36:48,800

started

2608

01:36:52,390 --> 01:36:51,440

everything was just starting to move to

2609

01:36:54,149 --> 01:36:52,400

to digital

2610

01:36:57,030 --> 01:36:54,159

but all the recording studios that you

2611

01:36:59,669 --> 01:36:57,040

went to were still tapes but i got a job

2612

01:37:00,870 --> 01:36:59,679

in one and i got to learn how to record

2613

01:37:02,149 --> 01:37:00,880

because i don't think if i would have

2614

01:37:03,189 --> 01:37:02,159

learned that if i would have just

2615

01:37:07,430 --> 01:37:03,199

started with a computer i would have

2616

01:37:09,750 --> 01:37:07,440

been much worse off you know yeah so now

2617

01:37:11,910 --> 01:37:09,760

it's like i'm moving away from digital

2618

01:37:14,629 --> 01:37:11,920

which is crazy to me because i love

2619

01:37:17,910 --> 01:37:14,639

analog love analog and i just got a

2620

01:37:19,910 --> 01:37:17,920

whole setup of preamps and

2621

01:37:21,669 --> 01:37:19,920

uh yeah i'm still big on using i'm still

2622

01:37:23,510 --> 01:37:21,679

big on using two preamps even though i

2623

01:37:25,990 --> 01:37:23,520

record everything into a computer i love

2624

01:37:27,830 --> 01:37:26,000

two preamps and little boxes and fuzz

2625

01:37:29,669 --> 01:37:27,840

boxes and you know

2626

01:37:31,510 --> 01:37:29,679

you gotta do something besides just

2627

01:37:34,070 --> 01:37:31,520

digital yeah

2628

01:37:36,470 --> 01:37:34,080

exactly so that's my new addiction in

2629

01:37:37,430 --> 01:37:36,480

life that's my new passion in life or

2630

01:37:39,910 --> 01:37:37,440

just

2631

01:37:41,910 --> 01:37:39,920

reamping the old passions

2632

01:37:44,070 --> 01:37:41,920

and i

2633

01:37:45,750 --> 01:37:44,080

you know people say why are we here why

2634

01:37:47,910 --> 01:37:45,760

are we on this earth

2635

01:37:49,189 --> 01:37:47,920

the only answer i could think of is to

2636

01:37:51,590 --> 01:37:49,199

create

2637

01:37:54,310 --> 01:37:51,600

that's it you're a creator go out be an

2638

01:37:55,590 --> 01:37:54,320

artist write music

2639

01:37:57,590 --> 01:37:55,600

paint

2640

01:37:59,430 --> 01:37:57,600

you know even speaking is using the

2641

01:38:00,229 --> 01:37:59,440

creative art

2642

01:38:02,550 --> 01:38:00,239

so

2643

01:38:04,550 --> 01:38:02,560

that's why i'm here it's just to create

2644

01:38:06,229 --> 01:38:04,560

and be here yeah i think don't you think

2645

01:38:07,990 --> 01:38:06,239

people are most happy when they're doing

2646

01:38:10,629 --> 01:38:08,000

that i believe so

2647

01:38:13,109 --> 01:38:10,639

i i got this crazy cabin i'm building

2648

01:38:15,669 --> 01:38:13,119

and it's really like a just a crazy

2649

01:38:18,629 --> 01:38:15,679

you know i i'm in my glory there people

2650

01:38:20,629 --> 01:38:18,639

are like that's so much work i love it i

2651

01:38:22,470 --> 01:38:20,639

love get me over there i gotta get over

2652

01:38:23,270 --> 01:38:22,480

there this weekend and get something

2653

01:38:25,750 --> 01:38:23,280

done

2654

01:38:28,149 --> 01:38:25,760

and get this thing going you know

2655

01:38:30,229 --> 01:38:28,159

and it's fun exactly and it's creative

2656

01:38:32,229 --> 01:38:30,239

so that's where i'm most happy i realize

2657

01:38:33,990 --> 01:38:32,239

that lately that's where i'm most happy

2658

01:38:35,910 --> 01:38:34,000

give me something fun and creative to do

2659

01:38:37,430 --> 01:38:35,920

that really interests me

2660

01:38:39,350 --> 01:38:37,440

you know i think a lot of people are

2661

01:38:41,750 --> 01:38:39,360

like that though but you know people are

2662

01:38:43,510 --> 01:38:41,760

stuck in that cubicle you know you know

2663

01:38:47,430 --> 01:38:43,520

or something like that

2664

01:38:49,590 --> 01:38:47,440

like i'll travel around the world and

2665

01:38:50,870 --> 01:38:49,600

literally everybody that comes up to

2666

01:38:53,910 --> 01:38:50,880

talk to me

2667

01:38:55,590 --> 01:38:53,920

they want to know what their purpose is

2668

01:38:58,709 --> 01:38:55,600

you know what's my purpose in life what

2669

01:39:00,470 --> 01:38:58,719

do i do like i'm some type of psychic

2670

01:39:02,550 --> 01:39:00,480

that's going to tell them what they

2671

01:39:04,870 --> 01:39:02,560

should be doing in this world

2672

01:39:06,149 --> 01:39:04,880

and i always give everybody the same

2673

01:39:08,790 --> 01:39:06,159

answer

2674

01:39:11,350 --> 01:39:08,800

your purpose in this world is to follow

2675

01:39:14,550 --> 01:39:11,360

what interests you and what your passion

2676

01:39:17,030 --> 01:39:14,560

is if you don't have that in your life

2677

01:39:17,910 --> 01:39:17,040

you're going to be lost

2678

01:39:21,590 --> 01:39:17,920

yeah

2679

01:39:23,430 --> 01:39:21,600

that when i was like a lot of people

2680

01:39:25,350 --> 01:39:23,440

just i'm sure you're the same way like

2681

01:39:27,030 --> 01:39:25,360

just creative artistic person i'm not

2682

01:39:28,470 --> 01:39:27,040

going to sit and watch television for 10

2683

01:39:29,910 --> 01:39:28,480

hours a day i'm going to go build

2684

01:39:32,390 --> 01:39:29,920

something i'm going to go make something

2685

01:39:34,070 --> 01:39:32,400

i'm going to go write something or yeah

2686

01:39:36,390 --> 01:39:34,080

but i guess some people are just just

2687

01:39:37,350 --> 01:39:36,400

not there they're just kind of like

2688

01:39:39,350 --> 01:39:37,360

you know

2689

01:39:41,910 --> 01:39:39,360

go to my cubicle job and come home and

2690

01:39:44,390 --> 01:39:41,920

watch television 10 hours a day or

2691

01:39:46,709 --> 01:39:44,400

whatever people do to escape video games

2692

01:39:48,790 --> 01:39:46,719

that's a huge escape now

2693

01:39:51,189 --> 01:39:48,800

i've been in this room

2694

01:39:53,030 --> 01:39:51,199

for three days straight morning tonight

2695

01:39:56,870 --> 01:39:53,040

i've been in this room

2696

01:39:57,830 --> 01:39:56,880

painting putting up the sound stuff

2697

01:40:00,310 --> 01:39:57,840

uh

2698

01:40:01,750 --> 01:40:00,320

setting up the equipment yeah and you

2699

01:40:04,149 --> 01:40:01,760

loved every minute of it didn't you

2700

01:40:06,390 --> 01:40:04,159

every minute of it it was incredible you

2701
01:40:07,910 --> 01:40:06,400
got to follow your bliss

2702
01:40:11,030 --> 01:40:07,920
exactly

2703
01:40:12,629 --> 01:40:11,040
so yeah no i um

2704
01:40:14,870 --> 01:40:12,639
i want to thank you

2705
01:40:16,629 --> 01:40:14,880
uh for reaching out to me

2706
01:40:19,270 --> 01:40:16,639
because i know that you have a different

2707
01:40:20,950 --> 01:40:19,280
audience than what i'm usually um

2708
01:40:22,390 --> 01:40:20,960
talking to yeah and i want to thank you

2709
01:40:25,189 --> 01:40:22,400
for coming on because

2710
01:40:29,350 --> 01:40:26,870
i don't want to have a bad reputation

2711
01:40:31,510 --> 01:40:29,360
but you know a lot of people were like

2712
01:40:33,510 --> 01:40:31,520
no that guy's gonna

2713
01:40:35,510 --> 01:40:33,520

gonna jump all over me about this or

2714

01:40:37,270 --> 01:40:35,520

that you know i do get a little bit of a

2715

01:40:39,990 --> 01:40:37,280

reputation for being

2716

01:40:42,310 --> 01:40:40,000

tough but i wanted to be honest and say

2717

01:40:44,790 --> 01:40:42,320

like i want to be more open and say

2718

01:40:46,790 --> 01:40:44,800

and like i said get this book everybody

2719

01:40:49,669 --> 01:40:46,800

finds it helpful

2720

01:40:53,510 --> 01:40:49,679

i who am i to say that it's not

2721

01:40:55,510 --> 01:40:53,520

yeah and it's all about

2722

01:40:56,870 --> 01:40:55,520

building bridges that's what a lot of

2723

01:40:58,950 --> 01:40:56,880

people in this community don't

2724

01:41:01,830 --> 01:40:58,960

understand and that's why i love that

2725

01:41:04,709 --> 01:41:01,840

you interviewed michael horn

2726

01:41:06,950 --> 01:41:04,719

i i did the cw chandra show i sat right

2727

01:41:08,709 --> 01:41:06,960

next to him in contact in the desert

2728

01:41:10,390 --> 01:41:08,719

yeah yeah i know that i watched that i

2729

01:41:14,790 --> 01:41:10,400

think okay cause

2730

01:41:16,310 --> 01:41:14,800

because you need to open dialogue

2731

01:41:18,229 --> 01:41:16,320

with everybody

2732

01:41:20,550 --> 01:41:18,239

yeah you do yeah and i have i have this

2733

01:41:23,430 --> 01:41:20,560

real problem when i ask questions and

2734

01:41:25,430 --> 01:41:23,440

people block me on social media

2735

01:41:27,430 --> 01:41:25,440

do you know what i mean like if i tweet

2736

01:41:29,590 --> 01:41:27,440

somebody a question and they're a public

2737

01:41:31,109 --> 01:41:29,600

figure they wrote a book they made a

2738

01:41:33,109 --> 01:41:31,119

documentary

2739

01:41:35,830 --> 01:41:33,119

whatever the case may be you know

2740

01:41:38,149 --> 01:41:35,840

they're running around the ufo circuit

2741

01:41:40,149 --> 01:41:38,159

telling stories doing lectures

2742

01:41:42,390 --> 01:41:40,159

if they're if i should be able to tweet

2743

01:41:45,030 --> 01:41:42,400

you a question and you not block me on

2744

01:41:47,510 --> 01:41:45,040

social media because i asked either the

2745

01:41:49,590 --> 01:41:47,520

wrong question or the right question

2746

01:41:51,990 --> 01:41:49,600

that's there's only two answers to why

2747

01:41:54,070 --> 01:41:52,000

you blocked me on social media

2748

01:41:56,310 --> 01:41:54,080

right after i asked you a question

2749

01:41:57,990 --> 01:41:56,320

and this is the problem that i have

2750

01:42:00,070 --> 01:41:58,000

but if someone like you or michael

2751
01:42:02,229 --> 01:42:00,080
horner anybody wants to have an open

2752
01:42:05,109 --> 01:42:02,239
dialogue and be a man and we'll talk

2753
01:42:07,270 --> 01:42:05,119
like men right like this wasn't

2754
01:42:09,590 --> 01:42:07,280
this wasn't too bad like right it was

2755
01:42:11,030 --> 01:42:09,600
okay no yes this was perfect yeah that's

2756
01:42:12,950 --> 01:42:11,040
the way i think it should be i should be

2757
01:42:15,669 --> 01:42:12,960
allowed to ask questions as long as i'm

2758
01:42:17,430 --> 01:42:15,679
respectful and not like mocking of you

2759
01:42:19,590 --> 01:42:17,440
or like you know

2760
01:42:21,590 --> 01:42:19,600
but i think it's incredibly important

2761
01:42:22,390 --> 01:42:21,600
for someone like me

2762
01:42:24,390 --> 01:42:22,400
to

2763
01:42:26,390 --> 01:42:24,400

have that open dialogue and take those

2764

01:42:29,750 --> 01:42:26,400

questions because

2765

01:42:31,030 --> 01:42:29,760

in my mind in my reality these things

2766

01:42:33,590 --> 01:42:31,040

happened

2767

01:42:34,470 --> 01:42:33,600

and it's weird

2768

01:42:40,149 --> 01:42:34,480

and

2769

01:42:41,830 --> 01:42:40,159

it it's like

2770

01:42:43,750 --> 01:42:41,840

why aren't we looking in those

2771

01:42:45,830 --> 01:42:43,760

directions and that's why i'm talking

2772

01:42:47,750 --> 01:42:45,840

about these things

2773

01:42:49,750 --> 01:42:47,760

yeah i think it's good and i have a lot

2774

01:42:51,030 --> 01:42:49,760

of respect for you coming on because you

2775

01:42:53,590 --> 01:42:51,040

know like i said a lot of people just

2776

01:42:54,550 --> 01:42:53,600

don't want to answer any questions

2777

01:42:56,149 --> 01:42:54,560

it's like

2778

01:42:57,990 --> 01:42:56,159

to me if you don't want to answer any

2779

01:43:00,149 --> 01:42:58,000

questions you have something to hide why

2780

01:43:02,070 --> 01:43:00,159

would you be afraid of questions and i'm

2781

01:43:02,950 --> 01:43:02,080

telling you i really am respectful at

2782

01:43:05,270 --> 01:43:02,960

first

2783

01:43:06,790 --> 01:43:05,280

when i asked a question and

2784

01:43:08,950 --> 01:43:06,800

but sometimes i get back something

2785

01:43:10,709 --> 01:43:08,960

snarky and i'm human and i'll say

2786

01:43:13,189 --> 01:43:10,719

something snarky back and that turns

2787

01:43:15,350 --> 01:43:13,199

into this big thing and you know

2788

01:43:16,390 --> 01:43:15,360

trying to avoid these these negative

2789

01:43:18,229 --> 01:43:16,400

circles

2790

01:43:19,510 --> 01:43:18,239

that's what i'm saying

2791

01:43:21,590 --> 01:43:19,520

so you're right maybe i should start

2792

01:43:24,229 --> 01:43:21,600

building bridges anybody wants to build

2793

01:43:26,310 --> 01:43:24,239

a bridge there you can contact me and

2794

01:43:28,310 --> 01:43:26,320

and i would be happy to die i can't

2795

01:43:30,709 --> 01:43:28,320

believe that i interviewed michael ward

2796

01:43:32,310 --> 01:43:30,719

either like i never in a million years

2797

01:43:34,390 --> 01:43:32,320

would have believed that

2798

01:43:36,950 --> 01:43:34,400

he would sit and answer my questions but

2799

01:43:40,149 --> 01:43:36,960

he did to his credit he did

2800

01:43:41,030 --> 01:43:40,159

i'm not gonna you know i i don't know i

2801

01:43:43,430 --> 01:43:41,040

don't

2802

01:43:45,830 --> 01:43:43,440

believe that that case has any merit

2803

01:43:47,669 --> 01:43:45,840

whatsoever but he's a true believer and

2804

01:43:48,470 --> 01:43:47,679

he answered every question

2805

01:44:00,790 --> 01:43:48,480

i

2806

01:44:02,950 --> 01:44:00,800

myers

2807

01:44:05,109 --> 01:44:02,960

like he did have some type of experience

2808

01:44:06,629 --> 01:44:05,119

some type of contact he did see some

2809

01:44:09,189 --> 01:44:06,639

types of ships

2810

01:44:09,910 --> 01:44:09,199

but what i think happened is

2811

01:44:12,070 --> 01:44:09,920

he

2812

01:44:14,790 --> 01:44:12,080

created hoaxes

2813

01:44:17,109 --> 01:44:14,800

to align with his story

2814

01:44:18,709 --> 01:44:17,119

and i think that's what his downfall is

2815

01:44:20,709 --> 01:44:18,719

could be yeah i've never heard that

2816

01:44:22,790 --> 01:44:20,719

theory about him never heard that most

2817

01:44:23,750 --> 01:44:22,800

people are either true believers of that

2818

01:44:25,830 --> 01:44:23,760

case

2819

01:44:28,070 --> 01:44:25,840

or this is so hokey look at some of

2820

01:44:29,270 --> 01:44:28,080

these crazy pictures that were obviously

2821

01:44:31,430 --> 01:44:29,280

faked and

2822

01:44:33,590 --> 01:44:31,440

it's obviously faked but also if you

2823

01:44:36,229 --> 01:44:33,600

read the channelings like michael horne

2824

01:44:38,470 --> 01:44:36,239

posts a lot of channelings translated

2825

01:44:39,750 --> 01:44:38,480

and when you actually hear the messages

2826

01:44:43,590 --> 01:44:39,760

from these

2827

01:44:47,430 --> 01:44:45,590

they sen some of them sound immature

2828

01:44:49,350 --> 01:44:47,440

some of them speak in a way that it's

2829

01:44:51,430 --> 01:44:49,360

like wait a second an advance being

2830

01:44:53,030 --> 01:44:51,440

would not speak like this

2831

01:44:54,229 --> 01:44:53,040

so it's like you have to kind of really

2832

01:44:55,830 --> 01:44:54,239

read

2833

01:44:57,669 --> 01:44:55,840

uh what these uh

2834

01:44:59,990 --> 01:44:57,679

messages are i've tried to read through

2835

01:45:03,270 --> 01:45:00,000

some of it but my brain just starts

2836

01:45:07,270 --> 01:45:03,280

exploding and i go oh man i can't i

2837

01:45:10,470 --> 01:45:08,629

yeah so

2838

01:45:11,830 --> 01:45:10,480

it's like i that's what i feel i feel

2839

01:45:13,189 --> 01:45:11,840

like

2840

01:45:15,590 --> 01:45:13,199

when some people have genuine

2841

01:45:17,350 --> 01:45:15,600

experiences they need that story to

2842

01:45:19,109 --> 01:45:17,360

continue because they've already said

2843

01:45:22,149 --> 01:45:19,119

too much and then they have to continue

2844

01:45:24,470 --> 01:45:22,159

this kind of narrative forward and

2845

01:45:26,550 --> 01:45:24,480

you know i think a lot of yeah i call

2846

01:45:28,790 --> 01:45:26,560

that there's also what i call ufo

2847

01:45:30,550 --> 01:45:28,800

disease it's like sometimes guys come

2848

01:45:32,709 --> 01:45:30,560

and they have their story and they stick

2849

01:45:34,070 --> 01:45:32,719

to it but then you gotta keep making

2850

01:45:35,510 --> 01:45:34,080

that conference circuit money and

2851

01:45:36,950 --> 01:45:35,520

everybody's sick of that

2852

01:45:39,030 --> 01:45:36,960

lecture that you've been given for a few

2853

01:45:41,910 --> 01:45:39,040

years so now you gotta come up with

2854

01:45:43,990 --> 01:45:41,920

these new stories

2855

01:45:46,950 --> 01:45:44,000

it's absolutely true because think about

2856

01:45:49,990 --> 01:45:46,960

it like i'll go up on stage i contact in

2857

01:45:51,830 --> 01:45:50,000

the desert and i'll discuss my story

2858

01:45:53,750 --> 01:45:51,840

and then they'll say well jay we want

2859

01:45:55,430 --> 01:45:53,760

you back next year and we need a new

2860

01:45:57,830 --> 01:45:55,440

topic

2861

01:46:00,229 --> 01:45:57,840

you obviously want to go back there you

2862

01:46:02,070 --> 01:46:00,239

obviously want to do that event again so

2863

01:46:04,390 --> 01:46:02,080

you say of course and then you come up

2864

01:46:07,750 --> 01:46:04,400

with a new topic

2865

01:46:08,790 --> 01:46:07,760

but you know a lot of people just

2866

01:46:12,229 --> 01:46:08,800

i don't know

2867

01:46:14,310 --> 01:46:12,239

that's why i just got to stick to the

2868

01:46:16,629 --> 01:46:14,320

story stick to your own experience and

2869

01:46:18,149 --> 01:46:16,639

don't over cross that line because once

2870

01:46:20,229 --> 01:46:18,159

you start saying you know i've

2871

01:46:22,390 --> 01:46:20,239

researched this i researched that it's

2872

01:46:23,510 --> 01:46:22,400

like anybody can go and research these

2873

01:46:25,510 --> 01:46:23,520

things

2874

01:46:27,430 --> 01:46:25,520

if they really want to yeah i'm really

2875

01:46:28,229 --> 01:46:27,440

big on the concept of

2876

01:46:29,910 --> 01:46:28,239

uh

2877

01:46:33,270 --> 01:46:29,920

of just

2878

01:46:35,910 --> 01:46:33,280

if i do a story like i i'm really big on

2879

01:46:37,270 --> 01:46:35,920

here's the sources here's the source of

2880

01:46:39,270 --> 01:46:37,280

who told me this here's a source who

2881

01:46:42,709 --> 01:46:39,280

told me that

2882

01:46:45,350 --> 01:46:42,719

anyone can go after i'm done

2883

01:46:48,070 --> 01:46:45,360

right after me and call back the same

2884

01:46:49,109 --> 01:46:48,080

sources or look up the same thing and

2885

01:46:53,350 --> 01:46:49,119

say

2886

01:46:55,590 --> 01:46:53,360

anybody can go after me and it seems to

2887

01:46:57,990 --> 01:46:55,600

be a huge problem that there's just not

2888

01:47:01,030 --> 01:46:58,000

those citable sources for most people

2889

01:47:04,709 --> 01:47:01,040

there's nothing you can't go after them

2890

01:47:06,550 --> 01:47:04,719

and verify any of their claims so

2891

01:47:11,270 --> 01:47:06,560

yeah

2892

01:47:13,830 --> 01:47:11,280

and i'll just put this out there

2893

01:47:17,270 --> 01:47:14,870

i think

2894

01:47:19,590 --> 01:47:17,280

it's catching on and people are starting

2895

01:47:23,669 --> 01:47:19,600

to see through the cracks

2896

01:47:26,229 --> 01:47:23,679

of different storylines and narratives

2897

01:47:29,109 --> 01:47:26,239

that continue to come into our community

2898

01:47:33,189 --> 01:47:29,119

and continue to be hoaxes

2899

01:47:35,109 --> 01:47:33,199

and especially someone like me who's

2900

01:47:37,189 --> 01:47:35,119

i've been researching this when i

2901

01:47:39,430 --> 01:47:37,199

started to have my experiences

2902

01:47:40,950 --> 01:47:39,440

before youtube there wasn't youtube when

2903

01:47:43,109 --> 01:47:40,960

i started to research this remember when

2904

01:47:45,669 --> 01:47:43,119

you had to go to the library or go to i

2905

01:47:47,590 --> 01:47:45,679

did go i went to the main philadelphia

2906

01:47:49,109 --> 01:47:47,600

branch library

2907

01:47:50,709 --> 01:47:49,119

got very friendly with all the

2908

01:47:53,189 --> 01:47:50,719

librarians there because you could

2909

01:47:55,510 --> 01:47:53,199

request books from anywhere in the city

2910

01:47:56,709 --> 01:47:55,520

so i i need a list of all the books on

2911

01:47:58,550 --> 01:47:56,719

aliens

2912

01:48:01,430 --> 01:47:58,560

space travel

2913

01:48:03,910 --> 01:48:01,440

you know ancient civilizations and boy

2914

01:48:05,750 --> 01:48:03,920

do these ladies deliver you know i had a

2915

01:48:07,910 --> 01:48:05,760

treasure trove but yeah you just have to

2916

01:48:10,629 --> 01:48:07,920

do that folks you have to go someplace

2917

01:48:14,149 --> 01:48:10,639

and get some books or book stores or

2918

01:48:15,350 --> 01:48:14,159

but thank god i did that so long ago

2919

01:48:17,430 --> 01:48:15,360

because

2920

01:48:19,590 --> 01:48:17,440

every couple years

2921

01:48:21,830 --> 01:48:19,600

you'll hear a new story coming out and

2922

01:48:25,030 --> 01:48:21,840

people think it's a new story

2923

01:48:27,669 --> 01:48:25,040

it's not a new story

2924

01:48:30,870 --> 01:48:27,679

it's been around for a very long time

2925

01:48:32,390 --> 01:48:30,880

they just change the people involved

2926

01:48:34,070 --> 01:48:32,400

they just changed the narrative a little

2927

01:48:36,149 --> 01:48:34,080

but it's exactly that same story

2928

01:48:38,950 --> 01:48:36,159

involved in a very deeply rooted

2929

01:48:42,229 --> 01:48:38,960

discussion a lively discussion on these

2930

01:48:44,550 --> 01:48:42,239

arts parts who first came to prominence

2931

01:48:46,790 --> 01:48:44,560

on our bell show and then linda molten

2932

01:48:49,669 --> 01:48:46,800

hal ran around selling that story i

2933

01:48:52,229 --> 01:48:49,679

believe in 1996 because i followed it

2934

01:48:54,229 --> 01:48:52,239

incredibly closely at the time and i was

2935

01:48:56,229 --> 01:48:54,239

convinced to find the truth what's going

2936

01:48:59,350 --> 01:48:56,239

on with these parts are they really from

2937

01:49:01,510 --> 01:48:59,360

an alien spaceship and i remember

2938

01:49:03,910 --> 01:49:01,520

the excitement that i had and the

2939

01:49:07,590 --> 01:49:03,920

interest that i had in it and then

2940

01:49:09,350 --> 01:49:07,600

slowly after due diligence

2941

01:49:11,510 --> 01:49:09,360

these are earthly materials there's

2942

01:49:14,709 --> 01:49:11,520

nothing special about them

2943

01:49:16,629 --> 01:49:14,719

she hides the guy who says there

2944

01:49:19,189 --> 01:49:16,639

there's nothing special about this and i

2945

01:49:21,189 --> 01:49:19,199

can recreate it and this is just earthly

2946

01:49:22,629 --> 01:49:21,199

regular material somewhat strange the

2947

01:49:24,709 --> 01:49:22,639

way they lay the material but i can

2948

01:49:27,350 --> 01:49:24,719

reproduce that he does it gives it to

2949

01:49:29,030 --> 01:49:27,360

her she hides that guy and finds new

2950

01:49:31,109 --> 01:49:29,040

guys

2951

01:49:32,310 --> 01:49:31,119

keeps on selling the story even after

2952

01:49:35,189 --> 01:49:32,320

being told it's regular earthly

2953

01:49:38,070 --> 01:49:35,199

materials and now this story is coming

2954

01:49:42,310 --> 01:49:38,080

back because nail arts parts have ended

2955

01:49:44,310 --> 01:49:42,320

up with one tom belong at tsa and he's

2956

01:49:46,870 --> 01:49:44,320

getting government contracts with the

2957

01:49:49,350 --> 01:49:46,880

united states army based on these parts

2958

01:49:52,790 --> 01:49:49,360

that were proven to be

2959

01:49:55,030 --> 01:49:52,800

earthly regular materials in 1996. at

2960

01:49:57,189 --> 01:49:55,040

least this is my understanding of what's

2961

01:49:58,709 --> 01:49:57,199

going on here so you're right the story

2962

01:50:01,589 --> 01:49:58,719

is back

2963

01:50:03,669 --> 01:50:01,599

yes and there is a scientific term to

2964

01:50:04,550 --> 01:50:03,679

this and it's the uh

2965

01:50:06,550 --> 01:50:04,560

um

2966

01:50:08,629 --> 01:50:06,560

what is it called the 20-year nostalgic

2967

01:50:09,750 --> 01:50:08,639

loop

2968

01:50:11,669 --> 01:50:09,760

yeah

2969

01:50:13,830 --> 01:50:11,679

is that is that a real scientific term

2970

01:50:16,870 --> 01:50:13,840

or is that cw chandra's thing

2971

01:50:18,470 --> 01:50:16,880

i think i think he's a scientist right

2972

01:50:19,990 --> 01:50:18,480

because that's pretty amazing what he's

2973

01:50:21,350 --> 01:50:20,000

figured out

2974

01:50:23,270 --> 01:50:21,360

yeah

2975

01:50:24,709 --> 01:50:23,280

i thought he was a lawyer but

2976

01:50:26,709 --> 01:50:24,719

if you look

2977

01:50:28,229 --> 01:50:26,719

i i joked on twitter

2978

01:50:31,109 --> 01:50:28,239

about this 20-year nostalgia loop and

2979

01:50:33,109 --> 01:50:31,119

what i said to him directly was

2980

01:50:35,030 --> 01:50:33,119

now every time something happens i have

2981

01:50:37,109 --> 01:50:35,040

to check the 20-year nostalgia loop and

2982

01:50:38,950 --> 01:50:37,119

i'm not sure whether i want to hug him

2983

01:50:39,750 --> 01:50:38,960

for showing me that or punch him in his

2984

01:50:41,669 --> 01:50:39,760

face

2985

01:50:44,070 --> 01:50:41,679

because it's a powerful thing every 20

2986

01:50:47,030 --> 01:50:44,080

years is here we go it's coming back

2987

01:50:49,510 --> 01:50:47,040

look into futurama and look into the

2988

01:50:52,550 --> 01:50:49,520

simpsons yeah that's crazy

2989

01:50:54,149 --> 01:50:52,560

and it's like futurama for sure it's

2990

01:50:56,470 --> 01:50:54,159

like a lot of the things that were

2991

01:50:57,830 --> 01:50:56,480

written in futurama and the simpsons

2992

01:50:59,510 --> 01:50:57,840

back then

2993

01:51:02,229 --> 01:50:59,520

it's like we're talking about that stuff

2994

01:51:03,030 --> 01:51:02,239

now it's it's insane

2995

01:51:05,589 --> 01:51:03,040

so

2996

01:51:08,229 --> 01:51:05,599

believe

2997

01:51:10,070 --> 01:51:08,239

yeah well listen

2998

01:51:12,149 --> 01:51:10,080

do you have some projects that you want

2999

01:51:13,990 --> 01:51:12,159

to tell people about or or way for

3000

01:51:16,149 --> 01:51:14,000

people to contact you if they have more

3001
01:51:18,830 --> 01:51:16,159
interest or what they should do besides

3002
01:51:22,149 --> 01:51:18,840
get your book on amazon which i would

3003
01:51:23,910 --> 01:51:22,159
recommend um i would say

3004
01:51:25,910 --> 01:51:23,920
um

3005
01:51:27,669 --> 01:51:25,920
actually i'm doing an event in florida

3006
01:51:31,109 --> 01:51:27,679
coming up

3007
01:51:32,550 --> 01:51:31,119
and i believe it's the january 11th

3008
01:51:34,550 --> 01:51:32,560
weekend

3009
01:51:37,910 --> 01:51:34,560
but other than that

3010
01:51:39,589 --> 01:51:37,920
um i'm just hunkering down here so

3011
01:51:40,790 --> 01:51:39,599
the best way to find me is through

3012
01:51:47,189 --> 01:51:40,800
twitter

3013
01:51:49,910 --> 01:51:47,199

and i run a bunch of uh facebook pages

3014

01:51:51,109 --> 01:51:49,920

uh called jason quit the crystal sun on

3015

01:51:53,109 --> 01:51:51,119

facebook

3016

01:51:54,709 --> 01:51:53,119

and that's the best way to keep in touch

3017

01:51:55,589 --> 01:51:54,719

with me

3018

01:51:57,589 --> 01:51:55,599

great

3019

01:52:00,550 --> 01:51:57,599

well my friends that music means that

3020

01:52:03,430 --> 01:52:00,560

our time on our journey is

3021

01:52:06,229 --> 01:52:03,440

running short at least for tonight

3022

01:52:07,750 --> 01:52:06,239

i want to thank my guest jason quit for

3023

01:52:09,990 --> 01:52:07,760

joining me

3024

01:52:11,270 --> 01:52:10,000

and i want to thank you for joining the

3025

01:52:14,310 --> 01:52:11,280

both of us

3026

01:52:16,790 --> 01:52:14,320

on this journey

3027

01:52:17,589 --> 01:52:16,800

i want to encourage my listeners

3028

01:52:19,589 --> 01:52:17,599

to

3029

01:52:22,070 --> 01:52:19,599

follow me on twitter just search for

3030

01:52:24,149 --> 01:52:22,080

stephen campion and also

3031

01:52:26,709 --> 01:52:24,159

please my friends our show could use

3032

01:52:28,310 --> 01:52:26,719

your support please find us on patreon

3033

01:52:31,430 --> 01:52:28,320

where you can support my show for as

3034

01:52:33,830 --> 01:52:31,440

little as a dollar

3035

01:52:36,229 --> 01:52:33,840

my friends

3036

01:52:38,790 --> 01:52:36,239

for as little as a dollar you can get

3037

01:52:41,189 --> 01:52:38,800

early show access for as little as a

3038

01:52:43,270 --> 01:52:41,199

dollar you can get

3039

01:52:45,030 --> 01:52:43,280

exclusive extras like a show journal

3040

01:52:47,189 --> 01:52:45,040

every month that

3041

01:52:50,550 --> 01:52:47,199

our regular listeners do not get access

3042

01:52:51,910 --> 01:52:50,560

to exclusive previews of the mind hack

3043

01:52:54,709 --> 01:52:51,920

project

3044

01:52:55,830 --> 01:52:54,719

the altos alternative operating system

3045

01:52:59,030 --> 01:52:55,840

project

3046

01:53:00,870 --> 01:52:59,040

and much much more i want to thank my

3047

01:53:03,589 --> 01:53:00,880

current patrons

3048

01:53:05,109 --> 01:53:03,599

for their kindness and their generosity

3049

01:53:07,510 --> 01:53:05,119

for helping me

3050

01:53:09,910 --> 01:53:07,520

raise a little bit of coin

3051
01:53:12,550 --> 01:53:09,920
and and this money is being used to buy

3052
01:53:13,750 --> 01:53:12,560
a few new things like microphones and a

3053
01:53:16,229 --> 01:53:13,760
webcam

3054
01:53:18,470 --> 01:53:16,239
and things we need

3055
01:53:20,870 --> 01:53:18,480
i'm so glad that you guys

3056
01:53:22,629 --> 01:53:20,880
uh so many of you guys have

3057
01:53:24,229 --> 01:53:22,639
found the patreon page just go to

3058
01:53:26,870 --> 01:53:24,239
patreon.com

3059
01:53:29,270 --> 01:53:26,880
search for steven cambion in the in the

3060
01:53:31,589 --> 01:53:29,280
little artist search box you'll find my

3061
01:53:33,109 --> 01:53:31,599
page stephen campion at the midnight

3062
01:53:34,870 --> 01:53:33,119
hour show

3063
01:53:39,109 --> 01:53:34,880

and for as little

3064

01:53:41,350 --> 01:53:39,119

as a dollar my friends a single dollar

3065

01:53:45,510 --> 01:53:41,360

you can really help us

3066

01:53:48,709 --> 01:53:45,520

to continue to bring this show to you

3067

01:53:50,629 --> 01:53:48,719

and i would sincerely appreciate your

3068

01:53:53,350 --> 01:53:50,639

support

3069

01:53:55,350 --> 01:53:53,360

until next time folks my name is stephen

3070

01:53:57,589 --> 01:53:55,360

campbell reminding you

3071

01:53:59,189 --> 01:53:57,599

that our similarities bring us to a

3072

01:54:01,669 --> 01:53:59,199

common ground

3073

01:54:03,669 --> 01:54:01,679

but our differences allow us to be

3074

01:54:06,100 --> 01:54:03,679

fascinated by each other

3075

01:54:13,669 --> 01:54:06,110

good night folks

3076

01:54:28,070 --> 01:54:13,679

[Music]

3077

01:54:28,080 --> 01:54:31,660

do
