

COSMIC CON DEBUNKING

WITH ZZENN
from
UNSPIRITUALITY

1
00:00:33,110 --> 00:00:00,630

[Music]

2
00:00:38,069 --> 00:00:36,470

welcome back old friends and maybe a few

3
00:00:40,549 --> 00:00:38,079

new friends

4
00:00:43,430 --> 00:00:40,559

my name is stephen cambion

5
00:00:46,310 --> 00:00:43,440

and you have reached us here

6
00:00:48,630 --> 00:00:46,320

on the midnight hour show

7
00:00:50,310 --> 00:00:48,640

tonight we'll be talking to zen from

8
00:00:53,010 --> 00:00:50,320

unspirituality

9
00:00:54,709 --> 00:00:53,020

who does a lot of amazing work

10
00:00:56,229 --> 00:00:54,719

[Music]

11
00:00:57,270 --> 00:00:56,239

zen does a lot

12
00:01:00,470 --> 00:00:57,280

to

13
00:01:03,830 --> 00:01:00,480

cast a lot of doubt on many of the new

14

00:01:05,910 --> 00:01:03,840

age woo-woo crazy people out there

15

00:01:08,310 --> 00:01:05,920

trying to

16

00:01:10,830 --> 00:01:08,320

steal money from people for what is

17

00:01:13,750 --> 00:01:10,840

essentially fairy tales and

18

00:01:16,789 --> 00:01:13,760

nonsense he does a great

19

00:01:19,990 --> 00:01:16,799

amount of work exposing these frauds

20

00:01:21,990 --> 00:01:20,000

and i thought that he and i

21

00:01:28,550 --> 00:01:22,000

should talk

22

00:01:32,550 --> 00:01:30,550

the first question i would like to ask

23

00:01:35,670 --> 00:01:32,560

you i got a whole list of questions for

24

00:01:37,510 --> 00:01:35,680

you but people ask me this all the time

25

00:01:38,710 --> 00:01:37,520

and so i wanted to hear someone else's

26

00:01:41,030 --> 00:01:38,720

perspective

27

00:01:43,510 --> 00:01:41,040

and and the question would be

28

00:01:46,469 --> 00:01:43,520

why do you feel that it's important

29

00:01:48,149 --> 00:01:46,479

to investigate some of these new age and

30

00:01:50,870 --> 00:01:48,159

ufo frauds

31

00:01:53,429 --> 00:01:50,880

and cons and and let people know about

32

00:01:54,950 --> 00:01:53,439

it why is that so important well to me

33

00:01:56,230 --> 00:01:54,960

yeah okay i was going to say that

34

00:01:57,749 --> 00:01:56,240

there's i'm sure there's probably

35

00:01:59,990 --> 00:01:57,759

different reasons

36

00:02:01,910 --> 00:02:00,000

for different people for me specifically

37

00:02:04,630 --> 00:02:01,920

it has always been the

38

00:02:05,429 --> 00:02:04,640

effects of dualism

39

00:02:09,029 --> 00:02:05,439

and

40

00:02:10,949 --> 00:02:09,039

so dualism substance dualism this idea

41

00:02:13,750 --> 00:02:10,959

weren't really born out of the infancy

42

00:02:15,990 --> 00:02:13,760

of our species

43

00:02:18,150 --> 00:02:16,000

descartes

44

00:02:19,430 --> 00:02:18,160

talked about substance dualism which

45

00:02:23,270 --> 00:02:19,440

there were two

46

00:02:24,710 --> 00:02:23,280

substances a physical and a mental

47

00:02:27,350 --> 00:02:24,720

and so everything that they couldn't

48

00:02:30,070 --> 00:02:27,360

explain with feelings and thoughts and

49

00:02:32,869 --> 00:02:30,080

all this all the subjective content

50

00:02:34,790 --> 00:02:32,879

uh you know came from another place

51
00:02:36,070 --> 00:02:34,800
and then there was a physical so they

52
00:02:37,910 --> 00:02:36,080
basically separated it because they

53
00:02:39,830 --> 00:02:37,920
didn't understand and then plato had you

54
00:02:41,430 --> 00:02:39,840
know i think he had multiple souls like

55
00:02:44,390 --> 00:02:41,440
all the content inside were like you

56
00:02:46,150 --> 00:02:44,400
know you know we all have different uh

57
00:02:48,390 --> 00:02:46,160
different creatures and

58
00:02:50,229 --> 00:02:48,400
so to speak or different entities or

59
00:02:52,949 --> 00:02:50,239
beings you know different personalities

60
00:02:56,070 --> 00:02:52,959
different personas and so you know these

61
00:02:58,869 --> 00:02:56,080
were called you know various souls and i

62
00:03:00,630 --> 00:02:58,879
think that that uh also uh you know

63
00:03:02,949 --> 00:03:00,640

elrond hubbard from scientology also

64

00:03:05,110 --> 00:03:02,959

picked up on that with the painting

65

00:03:07,509 --> 00:03:05,120

and the funny thing about that is you

66

00:03:09,670 --> 00:03:07,519

know in our inner world uh if you you

67

00:03:11,190 --> 00:03:09,680

know a person starts taking the dive

68

00:03:14,550 --> 00:03:11,200

uh they'll discover all sorts of

69

00:03:15,990 --> 00:03:14,560

interesting things in here but so for me

70

00:03:17,990 --> 00:03:16,000

specifically

71

00:03:20,149 --> 00:03:18,000

um when i came out with my first book

72

00:03:22,229 --> 00:03:20,159

permission to be human it was an all-out

73

00:03:25,509 --> 00:03:22,239

assault on

74

00:03:27,350 --> 00:03:25,519

uh dualism because i saw throughout the

75

00:03:29,110 --> 00:03:27,360

history i wanted to find out like what

76

00:03:31,509 --> 00:03:29,120

is the one thing

77

00:03:33,350 --> 00:03:31,519

that all the religions have in common

78

00:03:35,110 --> 00:03:33,360

that has

79

00:03:37,670 --> 00:03:35,120

affected our species and that was

80

00:03:42,149 --> 00:03:37,680

dualism that was separating a human

81

00:03:46,309 --> 00:03:42,159

primate a human animal into two parts

82

00:03:47,910 --> 00:03:46,319

and so your actual true core self it has

83

00:03:49,830 --> 00:03:47,920

nothing to do with your body your body

84

00:03:52,149 --> 00:03:49,840

is a vehicle

85

00:03:53,910 --> 00:03:52,159

and so what this did uh it was

86

00:03:55,589 --> 00:03:53,920

dissociate the person and which makes

87

00:03:56,949 --> 00:03:55,599

them start to do and believe in crazy

88

00:03:58,309 --> 00:03:56,959

things

89

00:04:00,949 --> 00:03:58,319

now

90

00:04:02,550 --> 00:04:00,959

which you can clearly see in religion

91

00:04:04,949 --> 00:04:02,560

because if they didn't if they didn't

92

00:04:07,830 --> 00:04:04,959

dissociate they wouldn't be doing the

93

00:04:08,949 --> 00:04:07,840

crazy things they're they're doing

94

00:04:11,429 --> 00:04:08,959

but uh

95

00:04:14,550 --> 00:04:11,439

when it came to the new age

96

00:04:18,229 --> 00:04:14,560

specifically i saw it in the creature

97

00:04:20,550 --> 00:04:18,239

reality belief system which is

98

00:04:22,469 --> 00:04:20,560

um that you know someone gets raped they

99

00:04:26,870 --> 00:04:22,479

chose to be raped

100

00:04:31,590 --> 00:04:29,189

you know the jews and the holocaust all

101

00:04:33,830 --> 00:04:31,600

chose that children choose

102

00:04:34,710 --> 00:04:33,840

child abuse you know all these awful

103

00:04:37,189 --> 00:04:34,720

things

104

00:04:39,430 --> 00:04:37,199

and it just goes on and on and on with

105

00:04:42,870 --> 00:04:39,440

the crazy belief system so that

106

00:04:47,909 --> 00:04:42,880

primarily was uh and still is the main

107

00:04:53,189 --> 00:04:50,790

and i i followed some of the work that

108

00:04:54,870 --> 00:04:53,199

you did on david wilcock

109

00:04:57,030 --> 00:04:54,880

and and i have to say i found some of

110

00:04:59,510 --> 00:04:57,040

the same things that you found what do

111

00:05:02,230 --> 00:04:59,520

you think the end game for a guy like

112

00:05:05,189 --> 00:05:02,240

that is like his he hasn't made a

113

00:05:07,350 --> 00:05:05,199

correct prediction since he started

114

00:05:09,830 --> 00:05:07,360

and he's been edgar casey reincarnated

115

00:05:12,390 --> 00:05:09,840

in a time traveler and now like you know

116

00:05:13,430 --> 00:05:12,400

some kind of deep state insider

117

00:05:14,390 --> 00:05:13,440

cue

118

00:05:16,710 --> 00:05:14,400

person

119

00:05:20,310 --> 00:05:16,720

yeah what is it just a long con for

120

00:05:23,510 --> 00:05:22,629

that's a simple answer

121

00:05:26,310 --> 00:05:23,520

yes

122

00:05:28,950 --> 00:05:26,320

um he's kind of like what i believe yeah

123

00:05:31,350 --> 00:05:28,960

he's got so many holes in his game he's

124

00:05:33,590 --> 00:05:31,360

been at it a long time

125

00:05:36,390 --> 00:05:33,600

and uh i know people who know him

126

00:05:39,749 --> 00:05:36,400

personally and you know um

127

00:05:41,110 --> 00:05:39,759

my opinion is it's all about the money

128

00:05:43,189 --> 00:05:41,120

and uh

129

00:05:43,990 --> 00:05:43,199

you know he he made it he was one of

130

00:05:49,350 --> 00:05:44,000

those

131

00:05:50,550 --> 00:05:49,360

times bestsellers so he's cashed in

132

00:05:52,390 --> 00:05:50,560

so i

133

00:05:54,710 --> 00:05:52,400

i see him at some point

134

00:05:56,950 --> 00:05:54,720

you know figuring out a way to sort of

135

00:05:58,629 --> 00:05:56,960

fade away out of the scene as it gets

136

00:06:00,870 --> 00:05:58,639

worse and worse for someone like corey

137

00:06:03,830 --> 00:06:00,880

good and and i can't prove this of

138

00:06:04,830 --> 00:06:03,840

course but if i was a betting man

139

00:06:07,510 --> 00:06:04,840

i would

140

00:06:09,430 --> 00:06:07,520

bet that cory good and david wilcox were

141

00:06:11,029 --> 00:06:09,440

sitting around one evening knocking down

142

00:06:14,070 --> 00:06:11,039

some beers

143

00:06:15,590 --> 00:06:14,080

and david wilcock told corey goode he

144

00:06:17,189 --> 00:06:15,600

said hey man

145

00:06:19,590 --> 00:06:17,199

they'll believe anything you say i've

146

00:06:21,590 --> 00:06:19,600

been doing it for decades

147

00:06:23,430 --> 00:06:21,600

look if you want to get in this you got

148

00:06:24,629 --> 00:06:23,440

a little bit of time left

149

00:06:26,550 --> 00:06:24,639

because we're still in the back end that

150

00:06:27,990 --> 00:06:26,560

we're about on the back end of this

151
00:06:30,230 --> 00:06:28,000
but if you take you know make up a good

152
00:06:32,870 --> 00:06:30,240
enough story and you push this thing and

153
00:06:34,629 --> 00:06:32,880
then quickly get something out you know

154
00:06:36,309 --> 00:06:34,639
like your comic strips or something get

155
00:06:37,830 --> 00:06:36,319
that out as soon as you can

156
00:06:41,029 --> 00:06:37,840
and then you should be able to make

157
00:06:42,150 --> 00:06:41,039
enough money to get you into you know

158
00:06:44,790 --> 00:06:42,160
your

159
00:06:46,309 --> 00:06:44,800
later years uh but the bad thing for

160
00:06:47,430 --> 00:06:46,319
corey goode

161
00:06:49,909 --> 00:06:47,440
is now

162
00:06:52,950 --> 00:06:49,919
i think i don't think they expected

163
00:06:55,029 --> 00:06:52,960

you know people like me and many others

164

00:06:56,710 --> 00:06:55,039

uh that are really coming down on this

165

00:07:00,390 --> 00:06:56,720

scam and i i don't think it's going to

166

00:07:02,710 --> 00:07:00,400

survive very long to be honest with you

167

00:07:04,710 --> 00:07:02,720

i mean i'm kind of hopeful myself i've

168

00:07:05,830 --> 00:07:04,720

been doing a lot of uh i've been doing a

169

00:07:07,670 --> 00:07:05,840

lot of just

170

00:07:10,230 --> 00:07:07,680

fact checking

171

00:07:13,270 --> 00:07:10,240

of his earthly claims corey good

172

00:07:15,430 --> 00:07:13,280

so and and and what i keep finding and i

173

00:07:18,070 --> 00:07:15,440

and i fact check him and then i can cite

174

00:07:18,870 --> 00:07:18,080

the source so you know he's got claims

175

00:07:21,510 --> 00:07:18,880

like

176

00:07:23,270 --> 00:07:21,520

cps the child protective services were

177

00:07:25,909 --> 00:07:23,280

called on his family

178

00:07:28,150 --> 00:07:25,919

by you know his enemies and there's no

179

00:07:30,870 --> 00:07:28,160

paperwork of that there's no record of

180

00:07:32,309 --> 00:07:30,880

that whatsoever so when you go and you

181

00:07:34,790 --> 00:07:32,319

fact check this guy just about his

182

00:07:36,710 --> 00:07:34,800

earthly claims everything turns out to

183

00:07:38,230 --> 00:07:36,720

be false everything that he says that

184

00:07:40,469 --> 00:07:38,240

can be fact checked turns out to be

185

00:07:43,990 --> 00:07:40,479

false right so to me it's like it's a

186

00:07:46,070 --> 00:07:44,000

big jump from like okay cps

187

00:07:48,390 --> 00:07:46,080

you know called me about my kids being

188

00:07:51,589 --> 00:07:48,400

in an unsafe environment

189

00:07:53,830 --> 00:07:51,599

to i you know traveled into the stars

190

00:07:55,909 --> 00:07:53,840

and i time traveled like if you can't

191

00:07:58,469 --> 00:07:55,919

even believe just an earthly claim of

192

00:08:01,189 --> 00:07:58,479

his that's my new running theory and and

193

00:08:03,270 --> 00:08:01,199

for convincing to help convince people

194

00:08:05,189 --> 00:08:03,280

why it's a fraud and why it's a con you

195

00:08:07,270 --> 00:08:05,199

can't trust the guy when he says an

196

00:08:08,950 --> 00:08:07,280

earthly claim that can be verified yeah

197

00:08:11,110 --> 00:08:08,960

so how can you trust him when he's

198

00:08:13,909 --> 00:08:11,120

making all these ridiculous claims and i

199

00:08:16,390 --> 00:08:13,919

know you know i think that people like

200

00:08:17,909 --> 00:08:16,400

you and cw channel and others are having

201

00:08:19,589 --> 00:08:17,919

an effect

202

00:08:22,150 --> 00:08:19,599

on the con like you're saying i think

203

00:08:25,350 --> 00:08:22,160

that there's a there's like a resistance

204

00:08:27,990 --> 00:08:25,360

kind of to this stuff now oh yeah no i

205

00:08:29,589 --> 00:08:28,000

definitely i think that uh

206

00:08:30,790 --> 00:08:29,599

i mean the stuff that i've presented

207

00:08:33,589 --> 00:08:30,800

recently

208

00:08:36,310 --> 00:08:33,599

ncw but i just speak for myself

209

00:08:38,469 --> 00:08:36,320

you know i mean has really been

210

00:08:40,630 --> 00:08:38,479

uh a real

211

00:08:42,550 --> 00:08:40,640

when i want to say expose on so many

212

00:08:44,550 --> 00:08:42,560

different topics like just the raw

213

00:08:46,710 --> 00:08:44,560

material you know

214

00:08:47,910 --> 00:08:46,720

i mean i clearly i clearly showed how

215

00:08:49,750 --> 00:08:47,920

they didn't even they don't even know

216

00:08:51,829 --> 00:08:49,760

what it what it is they don't even know

217

00:08:54,470 --> 00:08:51,839

what she teaches and

218

00:08:58,470 --> 00:08:54,480

so they're messengers of this so there's

219

00:09:01,269 --> 00:08:58,480

just so many holes across the board

220

00:09:03,030 --> 00:09:01,279

of this it's uh

221

00:09:05,190 --> 00:09:03,040

it's really jaw-dropping that it can

222

00:09:06,870 --> 00:09:05,200

continue and that's why i say this thing

223

00:09:09,430 --> 00:09:06,880

isn't going to last i really don't see

224

00:09:12,470 --> 00:09:09,440

the disclosure thing

225

00:09:14,470 --> 00:09:12,480

that i don't see that it's going to last

226

00:09:15,670 --> 00:09:14,480

out of all the things i think that

227

00:09:18,230 --> 00:09:15,680

you know

228

00:09:23,910 --> 00:09:20,630

religious the religious meme repackaged

229

00:09:25,910 --> 00:09:23,920

into new age spirituality i think that's

230

00:09:28,070 --> 00:09:25,920

going to last a while because there's

231

00:09:30,949 --> 00:09:28,080

some look there's some good

232

00:09:32,949 --> 00:09:30,959

in meditation you know and if people

233

00:09:35,430 --> 00:09:32,959

understand what's going on which is what

234

00:09:38,550 --> 00:09:35,440

i teach in the in the zen temple which

235

00:09:41,670 --> 00:09:38,560

is really in its infancy but if you

236

00:09:43,750 --> 00:09:41,680

understand it from a uh really a union

237

00:09:45,190 --> 00:09:43,760

uh slash body based perspective then

238

00:09:47,350 --> 00:09:45,200

your inner world all the magic and

239

00:09:51,430 --> 00:09:47,360

everything is there it's there's few but

240

00:09:53,750 --> 00:09:51,440

dualism serves as a as a um

241

00:09:55,509 --> 00:09:53,760

i want to say

242

00:09:58,230 --> 00:09:55,519

a pain reliever

243

00:10:00,790 --> 00:09:58,240

for death anxiety

244

00:10:04,389 --> 00:10:00,800

so i don't see that going away i just

245

00:10:06,870 --> 00:10:04,399

see it kind of lingering around

246

00:10:07,670 --> 00:10:06,880

for quite a long time

247

00:10:08,630 --> 00:10:07,680

um

248

00:10:11,350 --> 00:10:08,640

you know

249

00:10:13,829 --> 00:10:11,360

until people

250

00:10:14,790 --> 00:10:13,839

you know grow tired of it i think that's

251
00:10:16,790 --> 00:10:14,800
what's going to happen with the

252
00:10:18,949 --> 00:10:16,800
disclosure thing i think all these

253
00:10:20,389 --> 00:10:18,959
people promising all these things

254
00:10:22,389 --> 00:10:20,399
eventually people are going to tire of

255
00:10:23,750 --> 00:10:22,399
nothing happening

256
00:10:25,430 --> 00:10:23,760
let's hope

257
00:10:28,150 --> 00:10:25,440
but human

258
00:10:30,790 --> 00:10:28,160
human monkeys are not the smartest

259
00:10:34,069 --> 00:10:30,800
creatures in the tree

260
00:10:36,630 --> 00:10:34,079
in general we're dumb we're pretty dumb

261
00:10:38,790 --> 00:10:36,640
creatures um and well that i agree with

262
00:10:41,110 --> 00:10:38,800
you yeah and every now and then there's

263
00:10:43,350 --> 00:10:41,120

a smart one that pops up you know

264

00:10:45,110 --> 00:10:43,360

uh but we're

265

00:10:47,670 --> 00:10:45,120

highly susceptible to trans

266

00:10:50,870 --> 00:10:47,680

hallucination

267

00:10:52,710 --> 00:10:50,880

and mainly mainly where you see

268

00:10:54,310 --> 00:10:52,720

this is not you have to see it in

269

00:10:56,550 --> 00:10:54,320

spirituality religion you can just see

270

00:10:58,630 --> 00:10:56,560

it in the family unit

271

00:10:59,509 --> 00:10:58,640

you know and the effects of child abuse

272

00:11:03,430 --> 00:10:59,519

and

273

00:11:06,230 --> 00:11:03,440

got people hallucinating you know the

274

00:11:07,829 --> 00:11:06,240

guy thinks his wife is cheating on

275

00:11:09,590 --> 00:11:07,839

you know it's like

276

00:11:11,910 --> 00:11:09,600

you know or somebody says something they

277

00:11:13,750 --> 00:11:11,920

believe the story or you know something

278

00:11:15,750 --> 00:11:13,760

their believing brain kicks in about

279

00:11:18,550 --> 00:11:15,760

their child or whatever their wife or

280

00:11:19,670 --> 00:11:18,560

their job and then they're instantly

281

00:11:22,310 --> 00:11:19,680

you know

282

00:11:25,030 --> 00:11:22,320

reacting to it

283

00:11:27,110 --> 00:11:25,040

and then i think also the fact that just

284

00:11:28,710 --> 00:11:27,120

being in denial

285

00:11:29,829 --> 00:11:28,720

of who we are

286

00:11:31,350 --> 00:11:29,839

because people you know running around

287

00:11:32,710 --> 00:11:31,360

the question like who we are where did

288

00:11:34,310 --> 00:11:32,720

we come from all this stuff it's like

289

00:11:36,790 --> 00:11:34,320

you're an ape

290

00:11:38,230 --> 00:11:36,800

look at your thumb

291

00:11:39,990 --> 00:11:38,240

the question is answered questions

292

00:11:42,150 --> 00:11:40,000

exactly yeah question is answered do you

293

00:11:44,150 --> 00:11:42,160

want people people are people aren't

294

00:11:46,870 --> 00:11:44,160

satisfied with that so that's why we

295

00:11:48,630 --> 00:11:46,880

have things like god and ancient alien

296

00:11:50,310 --> 00:11:48,640

theory and all of these other things

297

00:11:52,710 --> 00:11:50,320

yeah i believe anyway there's an

298

00:11:54,790 --> 00:11:52,720

inherent shame in it

299

00:11:56,550 --> 00:11:54,800

from our from our mythic past the

300

00:11:58,710 --> 00:11:56,560

religious past you know you're born in

301
00:12:01,509 --> 00:11:58,720
sin and all this stuff but you know you

302
00:12:03,190 --> 00:12:01,519
want to understand youtube activity just

303
00:12:04,870 --> 00:12:03,200
go look at the rhesus monkeys and the

304
00:12:06,870 --> 00:12:04,880
bonneville monkeys

305
00:12:08,230 --> 00:12:06,880
just watch what they do i mean the most

306
00:12:09,750 --> 00:12:08,240
popular thing

307
00:12:12,069 --> 00:12:09,760
the people that are making a lot of

308
00:12:14,470 --> 00:12:12,079
money on youtube are the people that are

309
00:12:16,230 --> 00:12:14,480
you know are you know what farting on

310
00:12:19,350 --> 00:12:16,240
camera i mean just

311
00:12:21,269 --> 00:12:19,360
goofy [h__\h] yeah you know i heard you i

312
00:12:23,509 --> 00:12:21,279
heard you complaining about this and i

313
00:12:25,110 --> 00:12:23,519

wanted to tell you that i'm on it's on a

314

00:12:27,430 --> 00:12:25,120

break like you were talking about

315

00:12:28,949 --> 00:12:27,440

needing to recharge your battery so

316

00:12:30,230 --> 00:12:28,959

i i didn't want to miss this opportunity

317

00:12:31,269 --> 00:12:30,240

to talk to you so i'm supposed to be on

318

00:12:33,590 --> 00:12:31,279

a break but

319

00:12:35,990 --> 00:12:33,600

i'm i went through the same exact thing

320

00:12:38,710 --> 00:12:36,000

i started looking at youtube going why

321

00:12:42,389 --> 00:12:38,720

is this person getting a million views

322

00:12:44,310 --> 00:12:42,399

what kills me is the unboxing guys there

323

00:12:45,990 --> 00:12:44,320

are guys on youtube

324

00:12:48,629 --> 00:12:46,000

that um that take

325

00:12:50,710 --> 00:12:48,639

toys out of a box and show the toy who

326
00:12:52,470 --> 00:12:50,720
have a million subscribers their videos

327
00:12:54,629 --> 00:12:52,480
get a million views

328
00:12:56,710 --> 00:12:54,639
and i feel exactly the same way as you

329
00:12:57,910 --> 00:12:56,720
like you i could tell anybody could tell

330
00:13:00,470 --> 00:12:57,920
from your show you put all this

331
00:13:03,110 --> 00:13:00,480
tremendous time research energy effort

332
00:13:06,550 --> 00:13:03,120
into it and there's some guy opening

333
00:13:09,110 --> 00:13:06,560
boxes of toys that is lapping both of us

334
00:13:11,350 --> 00:13:09,120
150 times over

335
00:13:12,870 --> 00:13:11,360
and it's it's very discouraging but you

336
00:13:15,110 --> 00:13:12,880
know i i

337
00:13:17,670 --> 00:13:15,120
i decided like you that i just needed to

338
00:13:19,910 --> 00:13:17,680

take a break for a while rest do some

339

00:13:23,030 --> 00:13:19,920

other projects recharge my batteries and

340

00:13:25,110 --> 00:13:23,040

then go back at it because like you i

341

00:13:28,550 --> 00:13:25,120

must enjoy it because it's not a money

342

00:13:29,910 --> 00:13:28,560

yeah for me either well the question is

343

00:13:31,910 --> 00:13:29,920

why

344

00:13:33,350 --> 00:13:31,920

and i didn't get a chance to answer that

345

00:13:36,550 --> 00:13:33,360

one because i didn't think of asking

346

00:13:38,150 --> 00:13:36,560

that one on on on a live stream

347

00:13:39,590 --> 00:13:38,160

and the question the thing is so i say

348

00:13:41,670 --> 00:13:39,600

look at the bonnevillie monkeys and the

349

00:13:43,670 --> 00:13:41,680

rhesus monkeys okay i think i'm

350

00:13:46,389 --> 00:13:43,680

pronouncing those right i may not

351

00:13:48,470 --> 00:13:46,399

uh watch them they're they're they're

352

00:13:52,069 --> 00:13:48,480

humored by really silly stuff

353

00:13:53,910 --> 00:13:52,079

you know in places like india and uh um

354

00:13:55,590 --> 00:13:53,920

bali and stuff you know you can't look

355

00:13:58,470 --> 00:13:55,600

them in the eyes so they'll attack you

356

00:14:00,230 --> 00:13:58,480

they steal from everybody

357

00:14:01,750 --> 00:14:00,240

uh i think oh yeah i think yeah i've

358

00:14:04,150 --> 00:14:01,760

seen that stuff yeah i think they throw

359

00:14:07,590 --> 00:14:04,160

feces and so

360

00:14:10,150 --> 00:14:07,600

when you look at what excites

361

00:14:12,150 --> 00:14:10,160

you you know why humans are are you know

362

00:14:15,189 --> 00:14:12,160

we like to open things i mean it's all

363

00:14:17,189 --> 00:14:15,199

monkey stuff really and like when people

364

00:14:19,509 --> 00:14:17,199

this thing's the revelation i got in

365

00:14:21,030 --> 00:14:19,519

2012 when i had my human awakening

366

00:14:22,870 --> 00:14:21,040

all of a sudden everything made sense

367

00:14:25,430 --> 00:14:22,880

because i had never studied evolution

368

00:14:27,910 --> 00:14:25,440

because i had been raised in you know

369

00:14:30,150 --> 00:14:27,920

from catholic to christian to you know i

370

00:14:31,430 --> 00:14:30,160

was always in the i'm not a body and

371

00:14:33,670 --> 00:14:31,440

when i

372

00:14:36,069 --> 00:14:33,680

finally yeah i was raised catholic i was

373

00:14:37,110 --> 00:14:36,079

raised catholic too altar boy everything

374

00:14:39,509 --> 00:14:37,120

right yeah

375

00:14:42,470 --> 00:14:39,519

and actually my i got sent away to the

376

00:14:43,750 --> 00:14:42,480

seminary for all these weekends

377

00:14:45,910 --> 00:14:43,760

when i was in high school they were

378

00:14:48,550 --> 00:14:45,920

trying to get me to be a priest

379

00:14:50,870 --> 00:14:48,560

and uh that was enough for me

380

00:14:52,550 --> 00:14:50,880

like that was enough yeah i mean you

381

00:14:54,230 --> 00:14:52,560

know i still like going into catholic

382

00:14:56,710 --> 00:14:54,240

churches and sitting in there i like the

383

00:14:59,189 --> 00:14:56,720

smell brings back you know memories and

384

00:15:01,189 --> 00:14:59,199

stuff of uh i don't know

385

00:15:04,310 --> 00:15:01,199

it's a weird thing for me it's sort of a

386

00:15:06,389 --> 00:15:04,320

nostalgic thing but point being is when

387

00:15:08,470 --> 00:15:06,399

i understood the human monkey the human

388

00:15:09,990 --> 00:15:08,480

primate whatever it calls

389

00:15:12,629 --> 00:15:10,000

everything made sense

390

00:15:16,389 --> 00:15:12,639

like i'm not in mystery anymore i'm not

391

00:15:19,189 --> 00:15:16,399

in bafflement i understand why so and so

392

00:15:20,949 --> 00:15:19,199

has 12 million views

393

00:15:22,230 --> 00:15:20,959

you know and he's farting on camera you

394

00:15:23,829 --> 00:15:22,240

know what i mean like it's because it's

395

00:15:25,750 --> 00:15:23,839

humorous to the monkeys the monkeys

396

00:15:26,389 --> 00:15:25,760

think it's funny they get a kick out of

397

00:15:27,750 --> 00:15:26,399

it

398

00:15:28,949 --> 00:15:27,760

and uh

399

00:15:30,949 --> 00:15:28,959

that's it

400

00:15:33,189 --> 00:15:30,959

you know

401
00:15:33,910 --> 00:15:33,199
not to say that there isn't bonafide you

402
00:15:35,670 --> 00:15:33,920
know

403
00:15:37,910 --> 00:15:35,680
websites out there for particular

404
00:15:39,030 --> 00:15:37,920
markets of course but i'm just saying

405
00:15:41,749 --> 00:15:39,040
when you see

406
00:15:44,150 --> 00:15:41,759
people doing pranks for instance pranks

407
00:15:45,509 --> 00:15:44,160
okay it's funny the monkeys like it and

408
00:15:48,710 --> 00:15:45,519
again look at the behavior of these

409
00:15:50,389 --> 00:15:48,720
other of these of our primate cousins

410
00:15:52,550 --> 00:15:50,399
they're always doing little silly [h__h]

411
00:15:55,590 --> 00:15:52,560
to each other you know they're poking

412
00:15:57,990 --> 00:15:55,600
and they're running away and it's funny

413
00:16:00,949 --> 00:15:59,350

now i'm going to be thinking about

414

00:16:02,790 --> 00:16:00,959

monkeys every time i see somebody

415

00:16:04,790 --> 00:16:02,800

laughing at something stupid so thank

416

00:16:06,389 --> 00:16:04,800

you for that well i will tell you it

417

00:16:08,550 --> 00:16:06,399

will also change your whole

418

00:16:10,470 --> 00:16:08,560

consciousness once you really start

419

00:16:12,150 --> 00:16:10,480

looking at human beings for what they

420

00:16:13,990 --> 00:16:12,160

actually are

421

00:16:15,749 --> 00:16:14,000

like just when you're talking to one you

422

00:16:17,749 --> 00:16:15,759

know

423

00:16:19,749 --> 00:16:17,759

it's just

424

00:16:22,629 --> 00:16:19,759

it's an enlightenment that's all i know

425

00:16:23,670 --> 00:16:22,639

you know and i'm i'm proud you know i

426
00:16:25,110 --> 00:16:23,680
mean

427
00:16:27,110 --> 00:16:25,120
you know

428
00:16:29,430 --> 00:16:27,120
i got songs and i'm not

429
00:16:31,590 --> 00:16:29,440
i'm not you know

430
00:16:33,509 --> 00:16:31,600
so yeah you know it's funny because i i

431
00:16:35,509 --> 00:16:33,519
have often joked that i'm just a stupid

432
00:16:37,990 --> 00:16:35,519
monkey and can't understand these things

433
00:16:40,150 --> 00:16:38,000
when talking about like

434
00:16:41,910 --> 00:16:40,160
really advanced math i've been in

435
00:16:43,990 --> 00:16:41,920
computer science for a long time so i

436
00:16:45,910 --> 00:16:44,000
always i have joked in the past like

437
00:16:48,230 --> 00:16:45,920
right i'm a stupid monkey i can't i

438
00:16:50,230 --> 00:16:48,240

can't understand these complex things

439

00:16:52,629 --> 00:16:50,240

you have to explain it to me so monkey

440

00:16:54,550 --> 00:16:52,639

but i understand it but i will yeah but

441

00:16:56,550 --> 00:16:54,560

i will just if i could add in there

442

00:16:58,870 --> 00:16:56,560

though i think it's very important that

443

00:17:00,949 --> 00:16:58,880

people don't

444

00:17:03,509 --> 00:17:00,959

that they also realize everything that's

445

00:17:06,069 --> 00:17:03,519

wonderful about us

446

00:17:07,029 --> 00:17:06,079

everything that we create in magic

447

00:17:08,549 --> 00:17:07,039

art

448

00:17:09,990 --> 00:17:08,559

uh or uh

449

00:17:12,549 --> 00:17:10,000

social ethics

450

00:17:14,630 --> 00:17:12,559

uh creativity all of this

451
00:17:15,990 --> 00:17:14,640
is created by this

452
00:17:18,230 --> 00:17:16,000
wonderful

453
00:17:20,390 --> 00:17:18,240
biological

454
00:17:21,750 --> 00:17:20,400
create you know creation this this this

455
00:17:22,470 --> 00:17:21,760
primate

456
00:17:24,390 --> 00:17:22,480
so

457
00:17:26,390 --> 00:17:24,400
you know it's i think this is part of

458
00:17:28,390 --> 00:17:26,400
why people don't like to be called it

459
00:17:30,630 --> 00:17:28,400
because they think of

460
00:17:33,590 --> 00:17:30,640
funny monkey this is another reason why

461
00:17:35,430 --> 00:17:33,600
you won't see on social media you won't

462
00:17:37,990 --> 00:17:35,440
you'll see the lion you'll see that

463
00:17:39,669 --> 00:17:38,000

everybody go oh look at the lion oh look

464

00:17:41,110 --> 00:17:39,679

at the tiger how beautiful is you're

465

00:17:42,230 --> 00:17:41,120

never going to see them say look at the

466

00:17:44,310 --> 00:17:42,240

monkey

467

00:17:46,549 --> 00:17:44,320

and the reason is because

468

00:17:48,630 --> 00:17:46,559

i mean because we're related and it

469

00:17:49,669 --> 00:17:48,640

freaks us out on a subconscious level

470

00:17:52,230 --> 00:17:49,679

because

471

00:17:55,029 --> 00:17:52,240

you know they're they act funny

472

00:17:58,150 --> 00:17:55,039

they do funny things and they look funny

473

00:18:00,390 --> 00:17:58,160

um so just just to complete this thought

474

00:18:03,190 --> 00:18:00,400

because i wanted to insert it was

475

00:18:05,590 --> 00:18:03,200

um so i will say the monkeys i will say

476
00:18:07,830 --> 00:18:05,600
the herd i will say the zombies

477
00:18:09,430 --> 00:18:07,840
so what i'm talking about is

478
00:18:11,110 --> 00:18:09,440
sleepers

479
00:18:13,190 --> 00:18:11,120
uh people that

480
00:18:15,110 --> 00:18:13,200
haven't really initiated their life

481
00:18:17,190 --> 00:18:15,120
waking up out of the

482
00:18:20,310 --> 00:18:17,200
you know the the roach

483
00:18:23,430 --> 00:18:20,320
thinking the the trance state

484
00:18:26,230 --> 00:18:23,440
and so we are capable as a species as a

485
00:18:28,230 --> 00:18:26,240
human this incredible human animal we

486
00:18:30,390 --> 00:18:28,240
are are capable of tremendous things you

487
00:18:31,669 --> 00:18:30,400
know kundalini awakening massive

488
00:18:33,669 --> 00:18:31,679

creativity

489

00:18:36,390 --> 00:18:33,679

changing and transforming our world

490

00:18:38,710 --> 00:18:36,400

creating our life so this is the part

491

00:18:40,310 --> 00:18:38,720

that i've been introducing into this

492

00:18:42,630 --> 00:18:40,320

whole scene

493

00:18:43,909 --> 00:18:42,640

because you typically when you have when

494

00:18:45,669 --> 00:18:43,919

you go in this direction especially out

495

00:18:48,070 --> 00:18:45,679

of spirituality typically people will

496

00:18:49,270 --> 00:18:48,080

swing all the way over to atheism

497

00:18:51,270 --> 00:18:49,280

and uh

498

00:18:53,909 --> 00:18:51,280

i had so many subjective amazing

499

00:18:55,510 --> 00:18:53,919

experiences that i had i you know i

500

00:18:58,070 --> 00:18:55,520

couldn't just drop that so that's where

501
00:19:00,070 --> 00:18:58,080
i discovered and redefined the internal

502
00:19:01,750 --> 00:19:00,080
world from a natural biological

503
00:19:04,630 --> 00:19:01,760
perspective so

504
00:19:06,470 --> 00:19:04,640
it's a gradient and i i say people have

505
00:19:07,350 --> 00:19:06,480
to really kind of wake up to their dummy

506
00:19:09,029 --> 00:19:07,360
hood

507
00:19:10,950 --> 00:19:09,039
and then realize that they're actually

508
00:19:13,190 --> 00:19:10,960
wired to become more intelligent does

509
00:19:15,190 --> 00:19:13,200
that make sense

510
00:19:16,549 --> 00:19:15,200
yeah that makes absolute sense i don't

511
00:19:18,549 --> 00:19:16,559
know i think i might have went through

512
00:19:20,710 --> 00:19:18,559
something similar to that what you're

513
00:19:23,590 --> 00:19:20,720

describing some time ago i just decided

514

00:19:26,230 --> 00:19:23,600

like i didn't want to waste time on like

515

00:19:28,150 --> 00:19:26,240

fiction or television or you know like

516

00:19:30,470 --> 00:19:28,160

anything like that i everything that i

517

00:19:31,270 --> 00:19:30,480

read i wanted to be like a how-to or

518

00:19:33,669 --> 00:19:31,280

like

519

00:19:35,750 --> 00:19:33,679

you know for a long time i just sort of

520

00:19:37,669 --> 00:19:35,760

changed the input stream that i was

521

00:19:39,110 --> 00:19:37,679

getting right and i think that was

522

00:19:41,110 --> 00:19:39,120

beneficial

523

00:19:43,029 --> 00:19:41,120

right

524

00:19:45,029 --> 00:19:43,039

yeah you know the other thing that i i

525

00:19:47,270 --> 00:19:45,039

really wanted to ask you about lately

526

00:19:50,549 --> 00:19:47,280

you've been covering david ike

527

00:19:52,470 --> 00:19:50,559

and uh i i have not i i never looked

528

00:19:54,710 --> 00:19:52,480

into him much because as soon as i heard

529

00:19:56,870 --> 00:19:54,720

him talking about reptilian aliens

530

00:19:58,470 --> 00:19:56,880

ruling the world i thought this guy's

531

00:19:59,909 --> 00:19:58,480

nuts and i just

532

00:20:02,310 --> 00:19:59,919

wrote him off right

533

00:20:04,710 --> 00:20:02,320

isn't his net worth in the millions this

534

00:20:06,950 --> 00:20:04,720

guy and he claimed to be jesus and it

535

00:20:09,590 --> 00:20:06,960

just gets crazier and crazier how does

536

00:20:12,549 --> 00:20:09,600

this guy have a career worth millions

537

00:20:13,909 --> 00:20:12,559

well he didn't forever you know he he

538

00:20:16,070 --> 00:20:13,919

was broke

539

00:20:18,230 --> 00:20:16,080

for the long this thing this only

540

00:20:20,630 --> 00:20:18,240

happened the past so many years

541

00:20:24,310 --> 00:20:20,640

uh all of a sudden his whole thing had

542

00:20:27,510 --> 00:20:24,320

been working for for you know decades uh

543

00:20:28,789 --> 00:20:27,520

it caught somehow and uh you know next

544

00:20:31,350 --> 00:20:28,799

thing you know he's in wembley

545

00:20:32,070 --> 00:20:31,360

auditorium like overnight

546

00:20:34,070 --> 00:20:32,080

so

547

00:20:35,029 --> 00:20:34,080

i think it was just a critical time

548

00:20:36,789 --> 00:20:35,039

where

549

00:20:38,549 --> 00:20:36,799

you know yes the social media and maybe

550

00:20:39,510 --> 00:20:38,559

it was just the development of social

551
00:20:41,909 --> 00:20:39,520
media

552
00:20:44,390 --> 00:20:41,919
um because nobody you know i mean i was

553
00:20:46,950 --> 00:20:44,400
reading one of his his first book

554
00:20:50,950 --> 00:20:46,960
uh first

555
00:20:52,070 --> 00:20:50,960
his first uh book he really got into the

556
00:20:53,750 --> 00:20:52,080
and he took all the material from

557
00:20:55,909 --> 00:20:53,760
somebody else a number of different

558
00:20:57,990 --> 00:20:55,919
sources but anyway he was hard he was

559
00:20:59,750 --> 00:20:58,000
hard he wasn't yeah he wasn't known much

560
00:21:01,750 --> 00:20:59,760
in in the 90s

561
00:21:03,350 --> 00:21:01,760
uh and you know he wasn't he was kind of

562
00:21:06,070 --> 00:21:03,360
one of those

563
00:21:07,029 --> 00:21:06,080

rogue researchers but yeah i i think it

564

00:21:09,029 --> 00:21:07,039

was

565

00:21:09,750 --> 00:21:09,039

social media got the point that it blew

566

00:21:12,710 --> 00:21:09,760

up

567

00:21:13,830 --> 00:21:12,720

and he was interesting enough

568

00:21:16,230 --> 00:21:13,840

to

569

00:21:17,990 --> 00:21:16,240

you know attract a lot of people i mean

570

00:21:19,909 --> 00:21:18,000

the stuff he says is interesting i get

571

00:21:21,510 --> 00:21:19,919

it and that's why i followed him for so

572

00:21:22,950 --> 00:21:21,520

long um

573

00:21:26,390 --> 00:21:22,960

but

574

00:21:30,710 --> 00:21:26,400

you know you know people just can't see

575

00:21:32,710 --> 00:21:30,720

the whole package is all you know

576

00:21:34,950 --> 00:21:32,720

but i i don't understand with him what

577

00:21:37,029 --> 00:21:34,960

his whole package is is it just tying

578

00:21:38,710 --> 00:21:37,039

together uh you know thousands of

579

00:21:40,950 --> 00:21:38,720

different

580

00:21:43,990 --> 00:21:40,960

unrelated things and calling it a grand

581

00:21:46,630 --> 00:21:44,000

conspiracy that's it

582

00:21:48,630 --> 00:21:46,640

well that's it in a nutshell right like

583

00:21:52,390 --> 00:21:48,640

everybody does that let's just put it

584

00:21:54,149 --> 00:21:52,400

all repackage this previous material and

585

00:21:55,750 --> 00:21:54,159

change it a little bit

586

00:21:58,470 --> 00:21:55,760

yeah it's the same thing he's just got

587

00:22:00,310 --> 00:21:58,480

his cocktail that works and

588

00:22:02,070 --> 00:22:00,320

he's good at fitting together and of

589

00:22:04,549 --> 00:22:02,080

course in the series i just did you know

590

00:22:06,630 --> 00:22:04,559

you see the childhood motivation from

591

00:22:09,669 --> 00:22:06,640

his his childhood and

592

00:22:12,230 --> 00:22:09,679

and then his his early affiliation with

593

00:22:13,590 --> 00:22:12,240

the alice bailey work which is all what

594

00:22:16,070 --> 00:22:13,600

all this stuff is rooted on in fact i

595

00:22:17,990 --> 00:22:16,080

think i'm gonna do a live stream on that

596

00:22:19,669 --> 00:22:18,000

actually i wanna i wanted to see if you

597

00:22:20,470 --> 00:22:19,679

can explain to me

598

00:22:21,350 --> 00:22:20,480

how

599

00:22:27,510 --> 00:22:21,360

what

600

00:22:30,310 --> 00:22:27,520

psychologically to do because i'm still

601
00:22:33,029 --> 00:22:30,320
a little unclear on that like you had a

602
00:22:35,190 --> 00:22:33,039
great breakdown of what what his like

603
00:22:36,789 --> 00:22:35,200
psychological motivations for all this

604
00:22:38,710 --> 00:22:36,799
are well i don't really know if i can

605
00:22:40,870 --> 00:22:38,720
get in all the details right now you

606
00:22:42,070 --> 00:22:40,880
know because i really i just produced

607
00:22:42,950 --> 00:22:42,080
that and

608
00:22:44,310 --> 00:22:42,960
um

609
00:22:46,390 --> 00:22:44,320
so i i

610
00:22:48,710 --> 00:22:46,400
sure i'd almost have to have that cued

611
00:22:50,390 --> 00:22:48,720
so i could kind of run through each part

612
00:22:51,990 --> 00:22:50,400
but you know some basic stuff he had

613
00:22:53,510 --> 00:22:52,000

some problems with his father his father

614

00:22:55,750 --> 00:22:53,520

was domineering

615

00:22:59,029 --> 00:22:55,760

he was also raised poor

616

00:23:00,789 --> 00:22:59,039

uh his mother was sort of the the savior

617

00:23:02,789 --> 00:23:00,799

there's just a beautiful perfect savior

618

00:23:04,870 --> 00:23:02,799

of everything

619

00:23:07,029 --> 00:23:04,880

and he

620

00:23:09,190 --> 00:23:07,039

basically turned off in school because

621

00:23:12,549 --> 00:23:09,200

of this poverty and control there's this

622

00:23:14,870 --> 00:23:12,559

number it's a cocktail a family cocktail

623

00:23:18,070 --> 00:23:14,880

and which caused him to completely space

624

00:23:20,310 --> 00:23:18,080

out in school so he at an early age was

625

00:23:22,710 --> 00:23:20,320

he was already wanting to be somewhere

626

00:23:24,310 --> 00:23:22,720

else he is already looking as the

627

00:23:26,310 --> 00:23:24,320

dreamer out there

628

00:23:29,510 --> 00:23:26,320

so there's two kinds of dreamers you

629

00:23:32,789 --> 00:23:29,520

know there's the dreamer that grows

630

00:23:35,110 --> 00:23:32,799

organically integrating the child

631

00:23:37,510 --> 00:23:35,120

life with the adult life

632

00:23:38,789 --> 00:23:37,520

who focuses their dreams on creating

633

00:23:39,830 --> 00:23:38,799

things that are very useful for the

634

00:23:43,269 --> 00:23:39,840

world

635

00:23:45,510 --> 00:23:43,279

you know new inventions new stuff

636

00:23:48,310 --> 00:23:45,520

uh and of course our imagination is

637

00:23:50,149 --> 00:23:48,320

there so that we can foresee things

638

00:23:51,750 --> 00:23:50,159

you know we can work things out before

639

00:23:53,110 --> 00:23:51,760

we which was what i've been doing all

640

00:23:54,630 --> 00:23:53,120

day um

641

00:23:57,110 --> 00:23:54,640

with my website

642

00:24:00,870 --> 00:23:57,120

i just sit there i sit there and i just

643

00:24:03,029 --> 00:24:00,880

run like you know every direction i can

644

00:24:05,029 --> 00:24:03,039

before i get up there and work on it you

645

00:24:07,669 --> 00:24:05,039

know just everyone you know

646

00:24:09,350 --> 00:24:07,679

the natural evolutionary trait uh so we

647

00:24:11,830 --> 00:24:09,360

didn't get eaten

648

00:24:14,070 --> 00:24:11,840

or we would try things out before we

649

00:24:17,190 --> 00:24:14,080

went out on a hunt or something

650

00:24:19,750 --> 00:24:17,200

but um so he um

651

00:24:21,909 --> 00:24:19,760

so there's two kinds is that that kind

652

00:24:24,950 --> 00:24:21,919

and then there's the other dreamer who

653

00:24:27,110 --> 00:24:24,960

for whatever purpose reasons has is

654

00:24:29,590 --> 00:24:27,120

literally dreaming off into another

655

00:24:31,110 --> 00:24:29,600

universe completely dissociating from

656

00:24:33,029 --> 00:24:31,120

life

657

00:24:34,549 --> 00:24:33,039

in an effort to get away

658

00:24:36,470 --> 00:24:34,559

so

659

00:24:38,870 --> 00:24:36,480

as they begin doing this

660

00:24:40,149 --> 00:24:38,880

in escaping well in order to continue to

661

00:24:41,990 --> 00:24:40,159

validate

662

00:24:43,269 --> 00:24:42,000

this escapism they have to come up with

663

00:24:45,669 --> 00:24:43,279

reasons

664

00:24:47,750 --> 00:24:45,679

why they're escaping and then they have

665

00:24:49,909 --> 00:24:47,760

to call their escaping this whole you

666

00:24:52,149 --> 00:24:49,919

know really divine

667

00:24:54,310 --> 00:24:52,159

you know they become divine messengers

668

00:24:59,750 --> 00:24:54,320

of their own illusions

669

00:25:03,430 --> 00:25:01,590

yeah that's an excellent description of

670

00:25:06,070 --> 00:25:03,440

of what i think takes place with a lot

671

00:25:07,830 --> 00:25:06,080

of these cosmic con men and frauds and

672

00:25:09,430 --> 00:25:07,840

new age gurus

673

00:25:11,110 --> 00:25:09,440

yeah not all of them i mean i really

674

00:25:12,950 --> 00:25:11,120

think david ike is one of those who's

675

00:25:14,870 --> 00:25:12,960

sincere

676

00:25:15,830 --> 00:25:14,880

i mean i i really do think he's i think

677

00:25:25,350 --> 00:25:15,840

he's

678

00:25:26,230 --> 00:25:25,360

i i mean i have more respect for rocks

679

00:25:29,029 --> 00:25:26,240

but

680

00:25:30,230 --> 00:25:29,039

and they also have

681

00:25:31,669 --> 00:25:30,240

i have

682

00:25:34,950 --> 00:25:31,679

empathy for him

683

00:25:35,909 --> 00:25:34,960

because i do understand the sincere

684

00:25:37,909 --> 00:25:35,919

seeker

685

00:25:39,830 --> 00:25:37,919

um but then there are ti i think one of

686

00:25:41,590 --> 00:25:39,840

his downfalls though

687

00:25:43,909 --> 00:25:41,600

which i don't have empathy for is he's

688

00:25:45,909 --> 00:25:43,919

developed a certain arrogance

689

00:25:47,110 --> 00:25:45,919

and everything that has been come

690

00:25:48,950 --> 00:25:47,120

against him

691

00:25:50,230 --> 00:25:48,960

he's looked at as confirmation of his

692

00:25:53,029 --> 00:25:50,240

messiah

693

00:25:53,990 --> 00:25:53,039

so this is why i call him dumb

694

00:25:56,470 --> 00:25:54,000

because

695

00:25:59,110 --> 00:25:56,480

he hasn't a sign of intelligent people

696

00:26:00,310 --> 00:25:59,120

is the willingness to be wrong

697

00:26:01,029 --> 00:26:00,320

and uh

698

00:26:11,029 --> 00:26:01,039

he

699

00:26:13,510 --> 00:26:11,039

you know an expert on everything i mean

700

00:26:15,430 --> 00:26:13,520

he talks about quantum physics you know

701
00:26:17,190 --> 00:26:15,440
he talks about genetics he talks about

702
00:26:18,390 --> 00:26:17,200
all this stuff and glues them all

703
00:26:20,070 --> 00:26:18,400
together

704
00:26:21,750 --> 00:26:20,080
and finally when he got on stage at

705
00:26:24,070 --> 00:26:21,760
wembley auditorium

706
00:26:27,269 --> 00:26:24,080
there he is he finally made it you know

707
00:26:29,909 --> 00:26:27,279
the self-proclaimed messiah there

708
00:26:32,470 --> 00:26:29,919
he is big big big staining the people

709
00:26:33,269 --> 00:26:32,480
you know he finally achieved

710
00:26:36,630 --> 00:26:33,279
it

711
00:26:40,070 --> 00:26:36,640
was so

712
00:26:42,950 --> 00:26:40,080
you know this is this is classic

713
00:26:44,149 --> 00:26:42,960

the classic ultimate verification of

714

00:26:46,390 --> 00:26:44,159
somebody

715

00:26:48,070 --> 00:26:46,400
through thick and thin

716

00:26:49,909 --> 00:26:48,080
you know went

717

00:26:52,230 --> 00:26:49,919
no matter what

718

00:26:53,669 --> 00:26:52,240
to fulfill

719

00:26:55,190 --> 00:26:53,679
and uh

720

00:26:57,269 --> 00:26:55,200
confirm

721

00:26:59,190 --> 00:26:57,279
and to validate

722

00:27:01,110 --> 00:26:59,200
their fantasy

723

00:27:02,870 --> 00:27:01,120
and there he is you know and he just

724

00:27:05,750 --> 00:27:02,880
can't see it

725

00:27:07,830 --> 00:27:05,760
so no matter how ridiculous it is i mean

726
00:27:10,310 --> 00:27:07,840
you know all scientists are bad you know

727
00:27:13,909 --> 00:27:10,320
and i'm right when i'm talking about you

728
00:27:16,950 --> 00:27:13,919
know missouri you know emoto's

729
00:27:18,389 --> 00:27:16,960
rice experiments

730
00:27:19,669 --> 00:27:18,399
are you serious

731
00:27:22,710 --> 00:27:19,679
rice

732
00:27:25,110 --> 00:27:22,720
you put happy happy on one jar and you

733
00:27:26,870 --> 00:27:25,120
put fat on one jar and

734
00:27:29,350 --> 00:27:26,880
the jar that has the word sat on it

735
00:27:30,870 --> 00:27:29,360
supposed to grow more mold

736
00:27:32,310 --> 00:27:30,880
you know

737
00:27:35,909 --> 00:27:32,320
that's why i say this is it's like

738
00:27:39,669 --> 00:27:37,669

yeah but you know what's funny is that

739

00:27:41,430 --> 00:27:39,679

when you wrap some kind of pseudo

740

00:27:43,669 --> 00:27:41,440

science in something you know that's

741

00:27:44,710 --> 00:27:43,679

like how they make it believable i guess

742

00:27:47,029 --> 00:27:44,720

like

743

00:27:48,870 --> 00:27:47,039

oh yeah we did these experiments come on

744

00:27:50,389 --> 00:27:48,880

man that's you're right that's crazy

745

00:27:52,389 --> 00:27:50,399

i've heard of these rice experiments i

746

00:27:54,630 --> 00:27:52,399

think it's it's ludicrous

747

00:27:56,230 --> 00:27:54,640

yeah well it it's you know again all you

748

00:27:58,310 --> 00:27:56,240

have to do is oh you have to think a

749

00:28:00,230 --> 00:27:58,320

little bit just try it with bananas you

750

00:28:01,430 --> 00:28:00,240

know try it with eggs you know nobody

751

00:28:02,950 --> 00:28:01,440

thinks of that

752

00:28:05,990 --> 00:28:02,960

you know why don't you try it with

753

00:28:07,750 --> 00:28:06,000

friends just tape the word happy on

754

00:28:08,710 --> 00:28:07,760

their forehead and get another friend

755

00:28:11,430 --> 00:28:08,720

and

756

00:28:13,350 --> 00:28:11,440

they do

757

00:28:15,510 --> 00:28:13,360

just like don't tell them what the words

758

00:28:17,990 --> 00:28:15,520

are just tape it onto their forehead and

759

00:28:20,950 --> 00:28:18,000

say we'll see in a couple hours you know

760

00:28:23,510 --> 00:28:20,960

it's just you know now there are also

761

00:28:26,789 --> 00:28:23,520

people that i i believe

762

00:28:28,710 --> 00:28:26,799

are they know exactly what they're doing

763

00:28:31,669 --> 00:28:28,720

and i would put corey good and david

764

00:28:34,230 --> 00:28:31,679

wilcock on that and quite a few others i

765

00:28:36,549 --> 00:28:34,240

think i think darylenka bashar

766

00:28:38,950 --> 00:28:36,559

i think he knows exactly what he's doing

767

00:28:41,830 --> 00:28:38,960

uh but

768

00:28:42,830 --> 00:28:41,840

you know i don't think david ike

769

00:28:44,710 --> 00:28:42,840

is

770

00:28:46,950 --> 00:28:44,720

intentionally

771

00:28:48,710 --> 00:28:46,960

i you know that's what i think

772

00:28:50,630 --> 00:28:48,720

i met him once

773

00:28:53,430 --> 00:28:50,640

i i just think that

774

00:28:56,310 --> 00:28:53,440

he is so desperate and felt so called

775

00:28:58,470 --> 00:28:56,320

and so special and his integrity was

776

00:29:00,389 --> 00:28:58,480

blended in with all that but he felt

777

00:29:03,350 --> 00:29:00,399

entitled to take

778

00:29:05,350 --> 00:29:03,360

everybody's published work and mix it

779

00:29:07,029 --> 00:29:05,360

all into his big package

780

00:29:08,310 --> 00:29:07,039

and i think he knew

781

00:29:10,310 --> 00:29:08,320

you know i think he knew if he promoted

782

00:29:12,870 --> 00:29:10,320

it before anyone else uh heavily that

783

00:29:14,630 --> 00:29:12,880

here's a good chance that you know he

784

00:29:15,830 --> 00:29:14,640

would

785

00:29:19,110 --> 00:29:15,840

you know

786

00:29:21,190 --> 00:29:19,120

be the messiah of the world

787

00:29:22,310 --> 00:29:21,200

you know one of my other favorite cosmic

788

00:29:24,070 --> 00:29:22,320

con men

789

00:29:25,029 --> 00:29:24,080

is billy meyer

790

00:29:27,830 --> 00:29:25,039

and uh

791

00:29:30,470 --> 00:29:27,840

i i'm gonna i'm gonna ask you for some

792

00:29:32,789 --> 00:29:30,480

advice briefly because i said i never

793

00:29:33,990 --> 00:29:32,799

would do it but i i'm gonna get a chance

794

00:29:36,389 --> 00:29:34,000

to interview

795

00:29:37,990 --> 00:29:36,399

michael horn well you know i you know i

796

00:29:41,029 --> 00:29:38,000

interviewed him i

797

00:29:43,269 --> 00:29:41,039

yes and listen i s i listened to like uh

798

00:29:45,990 --> 00:29:43,279

i listened to the first video and then i

799

00:29:48,070 --> 00:29:46,000

thought i don't i don't want to finish

800

00:29:49,830 --> 00:29:48,080

this until after i talk to him because i

801
00:29:51,909 --> 00:29:49,840
kind of had my own plan of attack and i

802
00:29:54,310 --> 00:29:51,919
didn't want to be too influenced but if

803
00:29:56,149 --> 00:29:54,320
you could give me some advice how do you

804
00:29:57,750 --> 00:29:56,159
interview michael horn

805
00:29:59,830 --> 00:29:57,760
now are you if you talk to him are you

806
00:30:02,310 --> 00:29:59,840
planning an interview

807
00:30:03,350 --> 00:30:02,320
oh yeah it's already set it's it's next

808
00:30:04,870 --> 00:30:03,360
week

809
00:30:05,990 --> 00:30:04,880
wow how did you oh how'd you get ahold

810
00:30:07,750 --> 00:30:06,000
of him

811
00:30:09,269 --> 00:30:07,760
just to his website just through twitter

812
00:30:11,909 --> 00:30:09,279
oh okay interesting just through twitter

813
00:30:14,470 --> 00:30:11,919

well you know he's um

814

00:30:16,149 --> 00:30:14,480

uh well let me see here and you said you

815

00:30:18,549 --> 00:30:16,159

want you watch true believers you said

816

00:30:20,710 --> 00:30:18,559

you watched my interview

817

00:30:22,870 --> 00:30:20,720

yeah the first one okay

818

00:30:24,549 --> 00:30:22,880

well you had multiple part videos so i

819

00:30:26,710 --> 00:30:24,559

watched the first part of it yeah only

820

00:30:27,590 --> 00:30:26,720

yeah it was just one interview we were

821

00:30:30,549 --> 00:30:27,600

gonna

822

00:30:32,310 --> 00:30:30,559

we obviously did we think about

823

00:30:34,149 --> 00:30:32,320

uh

824

00:30:35,669 --> 00:30:34,159

i forget what oh i think we were yeah

825

00:30:37,830 --> 00:30:35,679

because he and i have had a love-hate

826

00:30:39,990 --> 00:30:37,840

relationship and uh

827

00:30:41,750 --> 00:30:40,000

i think after that interview yes i heard

828

00:30:44,149 --> 00:30:41,760

that yeah yeah

829

00:30:46,389 --> 00:30:44,159

yeah he um after that interview

830

00:30:48,789 --> 00:30:46,399

he didn't like what i did but you know

831

00:30:50,789 --> 00:30:48,799

he made he he didn't make himself look

832

00:30:52,789 --> 00:30:50,799

very good in that interview because he

833

00:30:55,029 --> 00:30:52,799

wouldn't ask one question in a two-hour

834

00:30:57,029 --> 00:30:55,039

interview which i kept on asking him uh

835

00:30:59,110 --> 00:30:57,039

he kept on avoiding it and i was very

836

00:31:00,870 --> 00:30:59,120

direct with him so afterwards he you

837

00:31:04,310 --> 00:31:00,880

know we got into it and so that was it

838

00:31:07,190 --> 00:31:04,320

and then somewhere along i forget how um

839

00:31:08,149 --> 00:31:07,200

we ended up kissing and making up and

840

00:31:10,149 --> 00:31:08,159

um

841

00:31:11,990 --> 00:31:10,159

have talked about having lunch sometimes

842

00:31:14,549 --> 00:31:12,000

it comes down to sedona but

843

00:31:15,509 --> 00:31:14,559

i mean you know i i as a person i like

844

00:31:18,549 --> 00:31:15,519

the guy

845

00:31:21,909 --> 00:31:18,559

um but boy is he

846

00:31:24,310 --> 00:31:21,919

i mean he's like talking to uh you know

847

00:31:25,909 --> 00:31:24,320

it's a seventh-day adventist or a mormon

848

00:31:27,430 --> 00:31:25,919

when it comes to the billy meyer story

849

00:31:30,549 --> 00:31:27,440

there's just no

850

00:31:37,110 --> 00:31:30,559

you know room so i don't know you know

851
00:31:42,149 --> 00:31:39,669
you know i i would recommend just being

852
00:31:44,470 --> 00:31:42,159
on your toes and not letting him talk

853
00:31:47,350 --> 00:31:44,480
over you the whole time and being

854
00:31:48,789 --> 00:31:47,360
assertive to be very specific on your

855
00:31:50,470 --> 00:31:48,799
questions

856
00:31:53,110 --> 00:31:50,480
um

857
00:31:55,029 --> 00:31:53,120
you know one of those if you saw mine

858
00:31:57,110 --> 00:31:55,039
which would be great if you took the

859
00:32:00,870 --> 00:31:57,120
torch

860
00:32:02,230 --> 00:32:00,880
is uh is ask him you know so

861
00:32:09,590 --> 00:32:02,240
you know

862
00:32:12,149 --> 00:32:09,600
all these specific questions about yeah

863
00:32:13,590 --> 00:32:12,159

actions specifically

864

00:32:14,870 --> 00:32:13,600

yeah so where did the books come from

865

00:32:17,110 --> 00:32:14,880

that was the thing where did the books

866

00:32:18,630 --> 00:32:17,120

come from did they come from the aliens

867

00:32:20,470 --> 00:32:18,640

that was the question i kept saying that

868

00:32:21,990 --> 00:32:20,480

he would not answer and then

869

00:32:23,669 --> 00:32:22,000

after the interview

870

00:32:25,350 --> 00:32:23,679

i just took 10 minutes and found the

871

00:32:27,669 --> 00:32:25,360

answer online it was it was clear as a

872

00:32:29,590 --> 00:32:27,679

bell that billy meyer

873

00:32:30,870 --> 00:32:29,600

had been visited by an alien when he was

874

00:32:32,870 --> 00:32:30,880

a kid

875

00:32:35,029 --> 00:32:32,880

that's all that's where all the writings

876

00:32:36,630 --> 00:32:35,039

came he would not admit that

877

00:32:40,230 --> 00:32:36,640

because he knew

878

00:32:42,710 --> 00:32:40,240

he knows how silly the story looks

879

00:32:44,549 --> 00:32:42,720

and i can't help but think that either

880

00:32:47,430 --> 00:32:44,559

he's a real believer

881

00:32:50,549 --> 00:32:47,440

or and it's one of these two for sure

882

00:32:51,830 --> 00:32:50,559

or he's um got so much invested into

883

00:32:53,990 --> 00:32:51,840

this story

884

00:32:55,750 --> 00:32:54,000

that for him to

885

00:32:58,549 --> 00:32:55,760

you know expose it

886

00:33:00,310 --> 00:32:58,559

his whole life's gonna fall apart i told

887

00:33:02,870 --> 00:33:00,320

him i said look

888

00:33:04,789 --> 00:33:02,880

i said you know come on mike

889

00:33:06,950 --> 00:33:04,799

just just just let everybody know it's

890

00:33:09,029 --> 00:33:06,960

silly and you'll probably get a bigger

891

00:33:10,470 --> 00:33:09,039

following just blow the blow the doors

892

00:33:12,789 --> 00:33:10,480

open on this thing

893

00:33:17,110 --> 00:33:12,799

tell everybody you know i said the same

894

00:33:21,350 --> 00:33:19,190

that's awesome it's like everybody can

895

00:33:22,549 --> 00:33:21,360

see the pie in your face

896

00:33:24,950 --> 00:33:22,559

you're the only one that can't say it

897

00:33:26,389 --> 00:33:24,960

you know

898

00:33:28,470 --> 00:33:26,399

yeah i think that might be a good

899

00:33:30,789 --> 00:33:28,480

endgame strategy for corey goode like

900

00:33:32,549 --> 00:33:30,799

when when he finally runs out of cult

901
00:33:34,710 --> 00:33:32,559
followers and nobody cares about what

902
00:33:36,230 --> 00:33:34,720
he's talking about because we've had i

903
00:33:38,630 --> 00:33:36,240
don't know five years of him telling

904
00:33:41,190 --> 00:33:38,640
stories and not one piece of evidence

905
00:33:42,310 --> 00:33:41,200
maybe the last play for him to cash out

906
00:33:44,630 --> 00:33:42,320
is to just

907
00:33:46,389 --> 00:33:44,640
come out with like a documentary of how

908
00:33:48,230 --> 00:33:46,399
he made it all up

909
00:33:50,149 --> 00:33:48,240
that would be awesome that the first

910
00:33:53,669 --> 00:33:50,159
video i published on him i think it was

911
00:33:56,230 --> 00:33:53,679
in 2016. early 2016

912
00:33:57,909 --> 00:33:56,240
is uh was that exactly that in fact i

913
00:34:01,029 --> 00:33:57,919

did a parody on it the whole thing was

914

00:34:02,549 --> 00:34:01,039

about him uh coming clean telling

915

00:34:04,310 --> 00:34:02,559

everybody and that he would get he would

916

00:34:05,430 --> 00:34:04,320

get a bigger audience if he just told

917

00:34:07,350 --> 00:34:05,440

everybody

918

00:34:09,270 --> 00:34:07,360

but you know i think in the real world i

919

00:34:11,669 --> 00:34:09,280

really do think that

920

00:34:13,349 --> 00:34:11,679

if he just you know explained i mean he

921

00:34:14,950 --> 00:34:13,359

could even blame somebody you know that

922

00:34:17,109 --> 00:34:14,960

would that probably even work as well

923

00:34:19,430 --> 00:34:17,119

just blame somebody for it and i say you

924

00:34:20,950 --> 00:34:19,440

got sucked into it whatever

925

00:34:23,829 --> 00:34:20,960

and now you're here to expose it so he

926
00:34:25,510 --> 00:34:23,839
could become the savior now and uh you

927
00:34:28,470 --> 00:34:25,520
know i think that he could cash in on

928
00:34:33,270 --> 00:34:30,869
i just i just recently have been seeing

929
00:34:35,750 --> 00:34:33,280
proof that he

930
00:34:37,750 --> 00:34:35,760
i guess lied when he's back down on

931
00:34:39,510 --> 00:34:37,760
trademarking all this stuff because

932
00:34:42,629 --> 00:34:39,520
people are finding that he went ahead

933
00:34:44,710 --> 00:34:42,639
and he did trademark ssp right

934
00:34:47,829 --> 00:34:44,720
which stands for secret space program

935
00:34:49,750 --> 00:34:47,839
and blue avians and 20 and back and he

936
00:34:51,909 --> 00:34:49,760
has that's part of the dark that's part

937
00:34:54,230 --> 00:34:51,919
of the journalist thing wasn't it

938
00:34:55,270 --> 00:34:54,240

dark journalist yeah

939

00:35:00,150 --> 00:34:55,280

yeah

940

00:35:01,670 --> 00:35:00,160

when everybody made a stink of him

941

00:35:03,910 --> 00:35:01,680

doing that and he said he wasn't going

942

00:35:05,510 --> 00:35:03,920

to do it and now there's proof that yes

943

00:35:08,470 --> 00:35:05,520

he went ahead and did that

944

00:35:10,630 --> 00:35:08,480

well it was always a business

945

00:35:13,430 --> 00:35:10,640

i mean you just look what he's done from

946

00:35:15,270 --> 00:35:13,440

day one he's not acting like a secret

947

00:35:16,870 --> 00:35:15,280

space anything

948

00:35:21,750 --> 00:35:16,880

he's acting like a

949

00:35:23,670 --> 00:35:21,760

he doesn't look like a businessman

950

00:35:27,109 --> 00:35:23,680

there's nothing

951
00:35:29,109 --> 00:35:27,119
i mean i could you know i've said before

952
00:35:31,910 --> 00:35:29,119
um

953
00:35:34,470 --> 00:35:31,920
i've had connections with

954
00:35:36,069 --> 00:35:34,480
the intelligence community and very very

955
00:35:37,750 --> 00:35:36,079
very high up

956
00:35:40,710 --> 00:35:37,760
and this was a very

957
00:35:42,790 --> 00:35:40,720
fluke sort of thing that happened

958
00:35:45,510 --> 00:35:42,800
but i can tell you that this is such a

959
00:35:47,510 --> 00:35:45,520
joke

960
00:35:50,230 --> 00:35:47,520
and you know a lot of these people are

961
00:35:52,390 --> 00:35:50,240
planted disinformation agents

962
00:35:54,470 --> 00:35:52,400
and i can tell you

963
00:35:56,710 --> 00:35:54,480

that those who plant them

964

00:35:59,430 --> 00:35:56,720

sit back in their offices and they just

965

00:36:01,589 --> 00:35:59,440

roll i mean it's the funniest thing to

966

00:36:03,349 --> 00:36:01,599

them to see what people will buy

967

00:36:06,150 --> 00:36:03,359

you know like like those like they'll

968

00:36:07,829 --> 00:36:06,160

tell them well look you know you need to

969

00:36:09,990 --> 00:36:07,839

do something like the blue aliens you

970

00:36:12,630 --> 00:36:10,000

know try that one because

971

00:36:15,190 --> 00:36:12,640

you know the the egyptians have these

972

00:36:17,670 --> 00:36:15,200

hieroglyphs of these bird bird-headed

973

00:36:18,870 --> 00:36:17,680

blue bird-headed you know creatures do

974

00:36:20,950 --> 00:36:18,880

that one

975

00:36:22,550 --> 00:36:20,960

you know and then

976
00:36:24,310 --> 00:36:22,560
and then they just want to see how many

977
00:36:26,150 --> 00:36:24,320
people are going to buy it i mean i'm

978
00:36:28,069 --> 00:36:26,160
not kidding that's actually a real story

979
00:36:30,230 --> 00:36:28,079
i was told this was this was related

980
00:36:32,230 --> 00:36:30,240
actually to alex jones but i can tell

981
00:36:34,230 --> 00:36:32,240
you that that's something that i was

982
00:36:36,790 --> 00:36:34,240
told on the upper levels of the stuff

983
00:36:38,710 --> 00:36:36,800
this is just so hilarious but really you

984
00:36:41,670 --> 00:36:38,720
know another way looking at this in this

985
00:36:43,190 --> 00:36:41,680
world you have sheep and wolves

986
00:36:45,589 --> 00:36:43,200
and there's a reason why wolves are

987
00:36:48,310 --> 00:36:45,599
wolves and sheep are sheep you know

988
00:36:49,589 --> 00:36:48,320

sheep don't know what wolves know

989

00:36:52,069 --> 00:36:49,599

that simple

990

00:36:53,670 --> 00:36:52,079

you know and uh

991

00:36:56,150 --> 00:36:53,680

you know to be a wolf is a whole

992

00:36:58,230 --> 00:36:56,160

different type of beast

993

00:36:59,190 --> 00:36:58,240

so

994

00:37:01,829 --> 00:36:59,200

yeah and

995

00:37:03,270 --> 00:37:01,839

a wolf does not ask permission he just

996

00:37:06,150 --> 00:37:03,280

eats the sheep

997

00:37:08,710 --> 00:37:06,160

a wolf does not concern himself with the

998

00:37:11,510 --> 00:37:08,720

opinions of sheep

999

00:37:13,270 --> 00:37:11,520

yes exactly yeah

1000

00:37:16,230 --> 00:37:13,280

yeah i had a friend that told me that

1001
00:37:19,270 --> 00:37:16,240
but with lions instead i don't know why

1002
00:37:21,349 --> 00:37:19,280
lions but it's it's a great saying

1003
00:37:24,950 --> 00:37:21,359
yeah we're all i also wanted to ask you

1004
00:37:26,470 --> 00:37:24,960
good i'm sorry i i wanted to ask you

1005
00:37:29,270 --> 00:37:26,480
you've been looking into a lot of these

1006
00:37:30,550 --> 00:37:29,280
new age and ufo frauds even longer than

1007
00:37:32,550 --> 00:37:30,560
me

1008
00:37:35,030 --> 00:37:32,560
so who do you think is the most

1009
00:37:39,109 --> 00:37:35,040
predatory of all of them and the most

1010
00:37:43,270 --> 00:37:40,550
uh

1011
00:37:45,510 --> 00:37:43,280
i would say the three amigos david ike

1012
00:37:47,270 --> 00:37:45,520
david wilcock and corey good

1013
00:37:49,670 --> 00:37:47,280

i would put them up there and then

1014

00:37:51,750 --> 00:37:49,680

there's layers of them you got bentino

1015

00:37:55,990 --> 00:37:51,760

massaro who uh

1016

00:37:58,550 --> 00:37:56,000

you know mr bobby sherman or or um

1017

00:37:59,430 --> 00:37:58,560

uh the justin bieber

1018

00:38:02,150 --> 00:37:59,440

of

1019

00:38:04,710 --> 00:38:02,160

spirituality

1020

00:38:07,109 --> 00:38:04,720

he's he's got that big smile he's like

1021

00:38:10,230 --> 00:38:07,119

hey let's meditate squeaky clean and

1022

00:38:12,230 --> 00:38:10,240

it's like it's like listen listen listen

1023

00:38:14,390 --> 00:38:12,240

you're a monkey okay and you're

1024

00:38:16,470 --> 00:38:14,400

attractive one so you have a lot of

1025

00:38:18,950 --> 00:38:16,480

people that you're cute the rest of your

1026

00:38:22,150 --> 00:38:18,960

stuff you say is silly because all it is

1027

00:38:25,030 --> 00:38:22,160

is just repackaged raw material that any

1028

00:38:26,390 --> 00:38:25,040

of us with part of a brain can see so

1029

00:38:28,630 --> 00:38:26,400

the rest of this is just like when a

1030

00:38:29,829 --> 00:38:28,640

girl goes on to youtube

1031

00:38:31,190 --> 00:38:29,839

you can have like

1032

00:38:33,510 --> 00:38:31,200

you know you have two

1033

00:38:35,349 --> 00:38:33,520

uh youtube channels

1034

00:38:37,670 --> 00:38:35,359

of girls one of them is attractive and

1035

00:38:39,510 --> 00:38:37,680

the other one's not so attractive

1036

00:38:41,190 --> 00:38:39,520

and you're gonna see an attractive one

1037

00:38:44,310 --> 00:38:41,200

you're gonna see like triple the amount

1038

00:38:46,710 --> 00:38:44,320

of subscribers because the monkey's like

1039

00:38:49,670 --> 00:38:46,720

it's natural it's natural

1040

00:38:51,510 --> 00:38:49,680

the organisms the organism moves towards

1041

00:38:54,150 --> 00:38:51,520

all that nature is doing is that is

1042

00:38:55,270 --> 00:38:54,160

having sex to re to grow it's like a

1043

00:38:58,630 --> 00:38:55,280

virus

1044

00:39:00,390 --> 00:38:58,640

call it human beings the whole thing's

1045

00:39:02,150 --> 00:39:00,400

about to continue growing because

1046

00:39:06,390 --> 00:39:02,160

there's this urge to survive

1047

00:39:08,790 --> 00:39:06,400

so the attraction model is there and uh

1048

00:39:10,390 --> 00:39:08,800

so that's what you're going to see so so

1049

00:39:12,150 --> 00:39:10,400

bentino

1050

00:39:13,910 --> 00:39:12,160

uh he's cute

1051
00:39:15,990 --> 00:39:13,920
so he's cute so this is where he got his

1052
00:39:17,990 --> 00:39:16,000
stuff and most of the people that are

1053
00:39:19,349 --> 00:39:18,000
around him or so got their spirit

1054
00:39:21,030 --> 00:39:19,359
goggles on

1055
00:39:22,710 --> 00:39:21,040
that that they can't even see not only

1056
00:39:23,670 --> 00:39:22,720
that you know he keeps enforcing that

1057
00:39:25,510 --> 00:39:23,680
we're not

1058
00:39:27,910 --> 00:39:25,520
animals that the earth is simply i mean

1059
00:39:29,349 --> 00:39:27,920
the bodies of meat suit so they're

1060
00:39:30,710 --> 00:39:29,359
completely dissociated while they're

1061
00:39:31,589 --> 00:39:30,720
getting they don't know what they're

1062
00:39:33,990 --> 00:39:31,599
doing

1063
00:39:36,150 --> 00:39:34,000

um but i would put

1064

00:39:38,230 --> 00:39:36,160

i would put the three of them at top i

1065

00:39:40,310 --> 00:39:38,240

would say you know david ike's way up

1066

00:39:41,510 --> 00:39:40,320

there i'd almost put david ike at the

1067

00:39:44,069 --> 00:39:41,520

pentacle

1068

00:39:45,829 --> 00:39:44,079

there's just so many

1069

00:39:48,550 --> 00:39:45,839

there's so many

1070

00:39:50,550 --> 00:39:48,560

underneath that pyramid

1071

00:39:53,190 --> 00:39:50,560

um

1072

00:39:54,630 --> 00:39:53,200

i think right off the bat i think david

1073

00:39:56,950 --> 00:39:54,640

ike would be

1074

00:40:00,310 --> 00:39:56,960

as far as real woo

1075

00:40:02,710 --> 00:40:00,320

across the board as far as like

1076

00:40:08,230 --> 00:40:04,630

secret government

1077

00:40:09,910 --> 00:40:08,240

underground this and that ufos uh

1078

00:40:11,589 --> 00:40:09,920

everything's the matrix we're creating

1079

00:40:13,030 --> 00:40:11,599

our route reality

1080

00:40:15,270 --> 00:40:13,040

blah blah blah

1081

00:40:16,950 --> 00:40:15,280

funny thing he talks about is how

1082

00:40:18,630 --> 00:40:16,960

you know he talks about words you know

1083

00:40:19,990 --> 00:40:18,640

we create our reality with words you put

1084

00:40:21,750 --> 00:40:20,000

out a negative thing out there it's a

1085

00:40:23,430 --> 00:40:21,760

negative reality put out a positive

1086

00:40:26,470 --> 00:40:23,440

thing and then he spends the next 10

1087

00:40:29,270 --> 00:40:26,480

hours talking about negative stuff about

1088

00:40:31,030 --> 00:40:29,280

how awful the world is and how how evil

1089

00:40:33,109 --> 00:40:31,040

uh you know the

1090

00:40:34,550 --> 00:40:33,119

the powers that be are

1091

00:40:36,150 --> 00:40:34,560

i mean it's just silly but anyway i

1092

00:40:38,870 --> 00:40:36,160

would put him at the top

1093

00:40:41,270 --> 00:40:38,880

i would put wilcox

1094

00:40:43,030 --> 00:40:41,280

corey good group disclosure group

1095

00:40:45,109 --> 00:40:43,040

right underneath him

1096

00:40:47,030 --> 00:40:45,119

and then

1097

00:40:48,390 --> 00:40:47,040

the rest of the pyramid below i would

1098

00:40:50,069 --> 00:40:48,400

you know you could sprinkle in all the

1099

00:40:52,470 --> 00:40:50,079

channelers

1100

00:40:53,990 --> 00:40:52,480

and uh

1101
00:40:56,069 --> 00:40:54,000
you know i mean a lot of this you know a

1102
00:40:57,990 --> 00:40:56,079
lot of this is is i mean this is i don't

1103
00:40:59,829 --> 00:40:58,000
know this isn't as there's a second

1104
00:41:00,790 --> 00:40:59,839
millennial wave i've been watching going

1105
00:41:04,390 --> 00:41:00,800
on

1106
00:41:06,790 --> 00:41:04,400
uh but you know the the real flowering

1107
00:41:08,470 --> 00:41:06,800
of the new age has been is passed

1108
00:41:10,950 --> 00:41:08,480
we're past the

1109
00:41:12,710 --> 00:41:10,960
you know that i think we're in a

1110
00:41:14,550 --> 00:41:12,720
dike you know i think it's digressing

1111
00:41:16,470 --> 00:41:14,560
slowly but that doesn't mean that it's

1112
00:41:17,910 --> 00:41:16,480
not going to be around for a long time

1113
00:41:20,390 --> 00:41:17,920

but i think

1114

00:41:22,550 --> 00:41:20,400

i think that heyday

1115

00:41:25,270 --> 00:41:22,560

you know the flower child day of the new

1116

00:41:26,870 --> 00:41:25,280

age i i think at that we've hit our peak

1117

00:41:28,470 --> 00:41:26,880

on that one

1118

00:41:30,069 --> 00:41:28,480

because you don't have like like if you

1119

00:41:32,069 --> 00:41:30,079

had asked me that about five years ago

1120

00:41:34,550 --> 00:41:32,079

or so you know i would have said esther

1121

00:41:36,470 --> 00:41:34,560

hicks you know abraham

1122

00:41:38,790 --> 00:41:36,480

channeled material you know i would have

1123

00:41:40,630 --> 00:41:38,800

probably still thrown in rampa it would

1124

00:41:43,190 --> 00:41:40,640

have thrown in you know a number of

1125

00:41:46,150 --> 00:41:43,200

others and like the what the bleep movie

1126

00:41:49,349 --> 00:41:46,160

and you know and even deepak chopra

1127

00:41:53,030 --> 00:41:49,359

but he he he took a dive because he got

1128

00:41:56,870 --> 00:41:55,349

yeah yeah i've i've

1129

00:41:58,230 --> 00:41:56,880

i've i've listened to some of your

1130

00:41:59,990 --> 00:41:58,240

coverage of that and i think it's

1131

00:42:02,390 --> 00:42:00,000

awesome yeah he wrote he wrote i don't

1132

00:42:04,390 --> 00:42:02,400

know what 20 20 books uh and they're all

1133

00:42:06,790 --> 00:42:04,400

wrong

1134

00:42:08,550 --> 00:42:06,800

yeah and and you gotta you know like

1135

00:42:10,630 --> 00:42:08,560

okay i get that some people are

1136

00:42:12,710 --> 00:42:10,640

spiritual but when they try to connect

1137

00:42:13,829 --> 00:42:12,720

to science and talk like they're in

1138

00:42:17,270 --> 00:42:13,839

authority

1139

00:42:20,069 --> 00:42:17,280

that's a problem for me right you know

1140

00:42:22,550 --> 00:42:20,079

and and him even stepping into quantum

1141

00:42:23,670 --> 00:42:22,560

physics to try to i don't i don't i

1142

00:42:25,109 --> 00:42:23,680

don't get it

1143

00:42:26,309 --> 00:42:25,119

you know but that's another one of those

1144

00:42:28,710 --> 00:42:26,319

media

1145

00:42:30,950 --> 00:42:28,720

big time celebrities that's selling

1146

00:42:32,950 --> 00:42:30,960

repackaged

1147

00:42:35,109 --> 00:42:32,960

you know a couple thousand year old

1148

00:42:37,349 --> 00:42:35,119

philosophy right for the most part i

1149

00:42:39,589 --> 00:42:37,359

think that's what he does you know well

1150

00:42:41,510 --> 00:42:39,599

it was irritability you know yeah it was

1151
00:42:44,390 --> 00:42:41,520
hip though you know there was a few

1152
00:42:48,710 --> 00:42:44,400
books that came out in the late mid to

1153
00:42:51,430 --> 00:42:50,069
you know

1154
00:42:55,109 --> 00:42:51,440
number of books came out i'm trying to

1155
00:42:59,829 --> 00:42:56,829
one really popular

1156
00:43:01,990 --> 00:42:59,839
one so yeah you know it it was already

1157
00:43:03,589 --> 00:43:02,000
there already some theories and so they

1158
00:43:06,150 --> 00:43:03,599
have always done that it was like with

1159
00:43:07,829 --> 00:43:06,160
the um the higgs boson

1160
00:43:09,589 --> 00:43:07,839
you know somebody said it's the god

1161
00:43:11,030 --> 00:43:09,599
particle and they all jumped on it like

1162
00:43:12,390 --> 00:43:11,040
flies on

1163
00:43:15,270 --> 00:43:12,400

crap you know

1164

00:43:18,069 --> 00:43:15,280

it's like oh it's the god particle now

1165

00:43:20,230 --> 00:43:18,079

now we've achieved now we know we're

1166

00:43:23,030 --> 00:43:20,240

gonna let everybody know that

1167

00:43:25,589 --> 00:43:23,040

no you don't know anything go sit down

1168

00:43:27,589 --> 00:43:25,599

uh and so they do that every yeah every

1169

00:43:29,190 --> 00:43:27,599

little scientific thing while they're

1170

00:43:32,470 --> 00:43:29,200

demonizing science

1171

00:43:33,910 --> 00:43:32,480

their little circle but the minute

1172

00:43:35,670 --> 00:43:33,920

something comes out in science that can

1173

00:43:38,069 --> 00:43:35,680

confirm that all of a sudden science is

1174

00:43:39,030 --> 00:43:38,079

a great authority and they're now stan i

1175

00:43:41,190 --> 00:43:39,040

mean

1176

00:43:43,270 --> 00:43:41,200

it's hilarious how this thing goes you

1177

00:43:45,510 --> 00:43:43,280

know

1178

00:43:47,750 --> 00:43:45,520

yeah i think that i've heard people do

1179

00:43:50,550 --> 00:43:47,760

that when it comes to science and the

1180

00:43:52,550 --> 00:43:50,560

bible like just to explain you know like

1181

00:43:54,710 --> 00:43:52,560

suddenly they trust archaeologists when

1182

00:43:57,190 --> 00:43:54,720

they think they found an artifact you

1183

00:43:58,710 --> 00:43:57,200

know but otherwise you're right science

1184

00:44:00,790 --> 00:43:58,720

terrible

1185

00:44:03,430 --> 00:44:00,800

yeah well we'll see how long this

1186

00:44:07,829 --> 00:44:03,440

millennial group goes because

1187

00:44:10,630 --> 00:44:07,839

you know this is the way that i really

1188

00:44:11,750 --> 00:44:10,640

know this is what we're dealing with

1189

00:44:13,829 --> 00:44:11,760

really

1190

00:44:16,710 --> 00:44:13,839

uh this new freshy

1191

00:44:19,109 --> 00:44:16,720

group of you know people channeling and

1192

00:44:20,950 --> 00:44:19,119

you know and i see you listen there's

1193

00:44:23,190 --> 00:44:20,960

value in doing this but there's great

1194

00:44:24,550 --> 00:44:23,200

this great deception in it and this

1195

00:44:26,710 --> 00:44:24,560

which is what i'm

1196

00:44:28,710 --> 00:44:26,720

focusing on in zen temple is guiding

1197

00:44:31,670 --> 00:44:28,720

people into the real deal

1198

00:44:34,309 --> 00:44:31,680

and knowing not where to where to get uh

1199

00:44:37,750 --> 00:44:34,319

caught by maya you know illusion

1200

00:44:39,030 --> 00:44:37,760

but in the new age it's all maya oh my

1201

00:44:41,349 --> 00:44:39,040

oh

1202

00:44:43,349 --> 00:44:41,359

the whole thing is mine

1203

00:44:45,430 --> 00:44:43,359

yeah i mean these young ones coming up

1204

00:44:46,950 --> 00:44:45,440

and channeling you know look i could say

1205

00:44:48,069 --> 00:44:46,960

you could channel and then temple but

1206

00:44:49,910 --> 00:44:48,079

i'm going to show you what's actually

1207

00:44:52,230 --> 00:44:49,920

going on and why it's actually good for

1208

00:44:53,990 --> 00:44:52,240

you in this context because it's helping

1209

00:44:55,109 --> 00:44:54,000

you unders it's helping you open up your

1210

00:44:56,710 --> 00:44:55,119

inner world

1211

00:44:58,950 --> 00:44:56,720

you know it's hell even praying in

1212

00:45:01,270 --> 00:44:58,960

tongues all of this stuff i mean i could

1213

00:45:03,430 --> 00:45:01,280

you know i can do whole seminars on this

1214

00:45:06,309 --> 00:45:03,440

but where the in the

1215

00:45:08,790 --> 00:45:06,319

in the framework there man no

1216

00:45:10,710 --> 00:45:08,800

no that's just parallelism illusion

1217

00:45:13,349 --> 00:45:10,720

yeah i was gonna i was gonna ask you how

1218

00:45:15,109 --> 00:45:13,359

you came to your current sort of uh

1219

00:45:17,349 --> 00:45:15,119

religious beliefs because you you kind

1220

00:45:18,390 --> 00:45:17,359

of started out catholic like me and then

1221

00:45:22,230 --> 00:45:18,400

i got into

1222

00:45:24,950 --> 00:45:22,240

just regular buddhism but you seem to be

1223

00:45:28,870 --> 00:45:24,960

really focused on zen buddhism

1224

00:45:30,710 --> 00:45:28,880

no no no no it's my own it's my own uh

1225

00:45:32,390 --> 00:45:30,720

it's your own event it's completely on

1226

00:45:34,710 --> 00:45:32,400

yeah it's all it's totally original it's

1227

00:45:36,470 --> 00:45:34,720

it's it's actually

1228

00:45:37,910 --> 00:45:36,480

it's in well it's all inspired for my

1229

00:45:40,150 --> 00:45:37,920

work and then there were a couple things

1230

00:45:41,270 --> 00:45:40,160

like one thing that i wanted to find was

1231

00:45:43,589 --> 00:45:41,280

a really

1232

00:45:44,550 --> 00:45:43,599

simple thing that i could pass on to

1233

00:45:46,390 --> 00:45:44,560

people

1234

00:45:48,630 --> 00:45:46,400

when i got this started and that was

1235

00:45:49,829 --> 00:45:48,640

focusing and critical thinking and i you

1236

00:45:51,109 --> 00:45:49,839

know i've always said from day one i

1237

00:45:52,230 --> 00:45:51,119

said you learn those two you don't need

1238

00:45:54,470 --> 00:45:52,240

anything else

1239

00:45:56,790 --> 00:45:54,480

uh you can boil all spiritual path down

1240

00:45:58,790 --> 00:45:56,800

to focusing

1241

00:46:04,390 --> 00:45:58,800

so

1242

00:46:07,750 --> 00:46:04,400

you know that's what i wrote in my book

1243

00:46:10,069 --> 00:46:07,760

so i wrote my story so people could see

1244

00:46:13,190 --> 00:46:10,079

and uh you know i've lived it i've

1245

00:46:14,630 --> 00:46:13,200

walked it and i am really

1246

00:46:18,470 --> 00:46:14,640

the

1247

00:46:20,950 --> 00:46:18,480

of a true seeker

1248

00:46:22,309 --> 00:46:20,960

that goes head on hand with lot head on

1249

00:46:25,430 --> 00:46:22,319

with life

1250

00:46:28,470 --> 00:46:25,440

really gets into it discovers their own

1251

00:46:30,150 --> 00:46:28,480

experience direct experience

1252

00:46:32,150 --> 00:46:30,160

doesn't just take other people's

1253

00:46:35,109 --> 00:46:32,160

teachings and become the orators for

1254

00:46:37,349 --> 00:46:35,119

their teachings but takes the dive and

1255

00:46:39,270 --> 00:46:37,359

has got brought into the underworld

1256

00:46:41,430 --> 00:46:39,280

goes through the underworld comes back

1257

00:46:43,589 --> 00:46:41,440

up and this is a classic motif

1258

00:46:45,589 --> 00:46:43,599

throughout history then they they become

1259

00:46:47,349 --> 00:46:45,599

the hero and then they usually they go

1260

00:46:49,109 --> 00:46:47,359

back into the village and they share

1261

00:46:51,829 --> 00:46:49,119

what they found this is the shaman's

1262

00:46:54,470 --> 00:46:51,839

journey this is exactly my life

1263

00:46:56,470 --> 00:46:54,480

uh no joke no pretend it's really it and

1264

00:46:58,230 --> 00:46:56,480

this is why i can sit there and i can

1265

00:47:00,470 --> 00:46:58,240

talk about this stuff

1266

00:47:01,670 --> 00:47:00,480

for you know i've done live streams for

1267

00:47:03,270 --> 00:47:01,680

four hours

1268

00:47:05,030 --> 00:47:03,280

i can talk because i'm talking i'm

1269

00:47:06,550 --> 00:47:05,040

talking from it

1270

00:47:07,750 --> 00:47:06,560

i'm not i'm not having to remember

1271

00:47:09,670 --> 00:47:07,760

anything

1272

00:47:10,710 --> 00:47:09,680

you know this is from experience this is

1273

00:47:12,710 --> 00:47:10,720

from

1274

00:47:15,829 --> 00:47:12,720

you know the kundalini experiences alone

1275

00:47:17,750 --> 00:47:15,839

and then having the big one in 2014 um

1276

00:47:19,829 --> 00:47:17,760

you know i've told people i don't my in

1277

00:47:22,150 --> 00:47:19,839

the world isn't a mystery

1278

00:47:24,790 --> 00:47:22,160

there's no mystery to me in here i know

1279

00:47:26,630 --> 00:47:24,800

what i know what's going on i know how

1280

00:47:28,470 --> 00:47:26,640

it moves it's

1281

00:47:30,630 --> 00:47:28,480

sometimes really

1282

00:47:32,549 --> 00:47:30,640

sucks

1283

00:47:34,950 --> 00:47:32,559

but

1284

00:47:36,470 --> 00:47:34,960

that's why i can teach this unique and

1285

00:47:38,390 --> 00:47:36,480

so this is my

1286

00:47:39,829 --> 00:47:38,400

my uh

1287

00:47:42,390 --> 00:47:39,839

one of the things that i would like to

1288

00:47:45,829 --> 00:47:42,400

see one of the intentions of zen temple

1289

00:47:47,510 --> 00:47:45,839

is to really help people to walk uh

1290

00:47:49,829 --> 00:47:47,520

discover their own symbols their own

1291

00:47:51,670 --> 00:47:49,839

totem animals to discover their own

1292

00:47:52,710 --> 00:47:51,680

story well first of all they have to

1293

00:47:55,510 --> 00:47:52,720

really

1294

00:47:58,870 --> 00:47:57,349

re-own

1295

00:48:01,430 --> 00:47:58,880

their story

1296

00:48:03,030 --> 00:48:01,440

and then through this path

1297

00:48:05,109 --> 00:48:03,040

this internal path of really

1298

00:48:06,790 --> 00:48:05,119

self-discovery and going direct with

1299

00:48:10,069 --> 00:48:06,800

their inner world

1300

00:48:12,630 --> 00:48:10,079

is to find their own unique philosophy

1301

00:48:15,589 --> 00:48:12,640

so we're each one of us has a different

1302

00:48:17,829 --> 00:48:15,599

fingerprint right so in a way

1303

00:48:20,950 --> 00:48:17,839

so many of us are saying the same thing

1304

00:48:22,870 --> 00:48:20,960

um but there's more

1305

00:48:25,030 --> 00:48:22,880

let's just say there's more

1306

00:48:27,589 --> 00:48:25,040

like you're looking through a dark glass

1307

00:48:30,710 --> 00:48:27,599

you know there are clear gl lenses and

1308

00:48:32,710 --> 00:48:30,720

there are more darker lenses and so

1309

00:48:34,390 --> 00:48:32,720

the idea is that

1310

00:48:36,950 --> 00:48:34,400

um you know so what i'm trying to say

1311

00:48:37,910 --> 00:48:36,960

some people are talk talking at it from

1312

00:48:40,710 --> 00:48:37,920

a very

1313

00:48:43,109 --> 00:48:40,720

delusional perspective but they're still

1314

00:48:44,790 --> 00:48:43,119

touching on this topic of the inner

1315

00:48:46,390 --> 00:48:44,800

world of the human

1316

00:48:49,990 --> 00:48:46,400

being

1317

00:48:51,109 --> 00:48:50,000

so the big goal of zen temple is that

1318

00:48:54,309 --> 00:48:51,119

these

1319

00:48:55,990 --> 00:48:54,319

students will find their own unique

1320

00:48:59,030 --> 00:48:56,000

philosophy

1321

00:49:00,790 --> 00:48:59,040

still on the same topic but just like

1322

00:49:02,710 --> 00:49:00,800

their thumbprint they're sharing it in

1323

00:49:04,950 --> 00:49:02,720

their own signature

1324

00:49:06,950 --> 00:49:04,960

having really owned it and share it so

1325

00:49:09,349 --> 00:49:06,960

that's the idea is really to duplicate

1326

00:49:11,910 --> 00:49:09,359

myself and that's what any teacher

1327

00:49:14,069 --> 00:49:11,920

uh bonafide teacher will be doing and

1328

00:49:16,549 --> 00:49:14,079

has always been doing

1329

00:49:19,349 --> 00:49:16,559

so you know and then that

1330

00:49:21,589 --> 00:49:19,359

that i came out against the new age like

1331

00:49:23,750 --> 00:49:21,599

i did which i didn't sit around and plan

1332

00:49:26,230 --> 00:49:23,760

uh i didn't plan this at all this is

1333

00:49:28,470 --> 00:49:26,240

also another um

1334

00:49:30,870 --> 00:49:28,480

uh

1335

00:49:33,430 --> 00:49:30,880

signature of a person who's gone into

1336

00:49:35,270 --> 00:49:33,440

the underworld has come back and in many

1337

00:49:39,349 --> 00:49:35,280

in many ways they will come against the

1338

00:49:40,950 --> 00:49:39,359

system in a big way and so

1339

00:49:44,710 --> 00:49:40,960

you know i've just kind of been of

1340

00:49:46,470 --> 00:49:44,720

observer of how my world has unfolded

1341

00:49:48,470 --> 00:49:46,480

that's a long-winded answer awesome you

1342

00:49:50,549 --> 00:49:48,480

know

1343

00:49:53,030 --> 00:49:50,559

you you said that the two

1344

00:49:55,270 --> 00:49:53,040

the two things were focus

1345

00:49:56,790 --> 00:49:55,280

and critical thinking and uh focusing

1346

00:49:59,190 --> 00:49:56,800

just justice

1347

00:50:03,270 --> 00:49:59,200

yeah just this mental focus i've been

1348

00:50:05,750 --> 00:50:03,280

practicing lately is to just you know

1349

00:50:07,910 --> 00:50:05,760

i have these big projects going on and i

1350

00:50:09,910 --> 00:50:07,920

have to take that time and mentally

1351
00:50:13,270 --> 00:50:09,920
focus myself

1352
00:50:15,589 --> 00:50:13,280
on the given task i'm a little add so

1353
00:50:18,150 --> 00:50:15,599
i i see the same thing about focus well

1354
00:50:20,710 --> 00:50:18,160
i'm talking about focusing the focusing

1355
00:50:24,470 --> 00:50:21,829
oh okay

1356
00:50:27,349 --> 00:50:24,480
now focusing much more to it than my uh

1357
00:50:30,230 --> 00:50:27,359
well no one's easy no no no no no no

1358
00:50:32,549 --> 00:50:30,240
your thing is is very is very valid and

1359
00:50:34,790 --> 00:50:32,559
it's important it's the it's the small

1360
00:50:36,630 --> 00:50:34,800
simple things that are the big things

1361
00:50:39,190 --> 00:50:36,640
and that's not typically you know it's

1362
00:50:43,829 --> 00:50:39,200
like uh what is it inferno gully it says

1363
00:50:45,430 --> 00:50:43,839

uh in a single tiny seed all of creation

1364

00:50:46,790 --> 00:50:45,440

exists

1365

00:50:49,190 --> 00:50:46,800

uh okay

1366

00:50:51,910 --> 00:50:49,200

the focus thing is you're talking about

1367

00:50:55,030 --> 00:50:51,920

is how i would as part of how i'm

1368

00:50:56,390 --> 00:50:55,040

teaching uh the thinking process which

1369

00:50:57,990 --> 00:50:56,400

right now i'm calling it clarity

1370

00:51:00,150 --> 00:50:58,000

thinking we'll see how this evolves in

1371

00:51:02,069 --> 00:51:00,160

zen temple but there's different parts

1372

00:51:04,069 --> 00:51:02,079

of that that are very simple because if

1373

00:51:08,150 --> 00:51:04,079

i get into critical thinking critical

1374

00:51:10,549 --> 00:51:08,160

thinking has so many like you know just

1375

00:51:12,710 --> 00:51:10,559

different terms for like you know that's

1376

00:51:14,470 --> 00:51:12,720

an ad hominem attack you know and you

1377

00:51:16,069 --> 00:51:14,480

know that's an appeal to authority not

1378

00:51:17,349 --> 00:51:16,079

so i don't want to get people bogged

1379

00:51:20,549 --> 00:51:17,359

down to that so i'm going to teach this

1380

00:51:23,190 --> 00:51:20,559

basic thing in that the focusing method

1381

00:51:26,069 --> 00:51:23,200

focusing.org

1382

00:51:27,910 --> 00:51:26,079

this is a process of listening to the

1383

00:51:30,309 --> 00:51:27,920

your your body

1384

00:51:32,630 --> 00:51:30,319

listening to the everything that occurs

1385

00:51:34,950 --> 00:51:32,640

in and around you

1386

00:51:36,230 --> 00:51:34,960

uh this is your or the organism is what

1387

00:51:39,030 --> 00:51:36,240

creates everything people call

1388

00:51:41,190 --> 00:51:39,040

spirituality everything there is nothing

1389

00:51:42,950 --> 00:51:41,200

that isn't created by

1390

00:51:45,030 --> 00:51:42,960

by the organism

1391

00:51:46,790 --> 00:51:45,040

all religious experience

1392

00:51:49,829 --> 00:51:46,800

all spiritual experience

1393

00:51:51,510 --> 00:51:49,839

all shamanic experiences are all made by

1394

00:51:53,750 --> 00:51:51,520

the organism and its relationship to

1395

00:51:57,829 --> 00:51:53,760

nature period

1396

00:52:00,390 --> 00:51:57,839

so focusing is learning how to listen

1397

00:52:03,109 --> 00:52:00,400

because the body always knows

1398

00:52:05,109 --> 00:52:03,119

period and then critical thinking and

1399

00:52:06,069 --> 00:52:05,119

well i'm kind of calling it clarity

1400

00:52:09,349 --> 00:52:06,079

thinking

1401
00:52:13,030 --> 00:52:09,359
so i just wanted to clear that up so you

1402
00:52:17,109 --> 00:52:15,510
yeah and i guess i guess i

1403
00:52:19,990 --> 00:52:17,119
i definitely

1404
00:52:21,430 --> 00:52:20,000
appreciate that besides you know

1405
00:52:23,829 --> 00:52:21,440
teaching people

1406
00:52:26,549 --> 00:52:23,839
those things that you find important to

1407
00:52:28,069 --> 00:52:26,559
teach them you're also able and willing

1408
00:52:30,549 --> 00:52:28,079
to do all this

1409
00:52:33,750 --> 00:52:30,559
sort of investigation into

1410
00:52:35,670 --> 00:52:33,760
other people that are not so scrupulous

1411
00:52:38,309 --> 00:52:35,680
yeah like i said i didn't plan it it

1412
00:52:40,069 --> 00:52:38,319
just happened and you know it just

1413
00:52:42,069 --> 00:52:40,079

how i'm wired

1414

00:52:44,230 --> 00:52:42,079

to do it and don't you find it hard to

1415

00:52:46,390 --> 00:52:44,240

balance that though it's like trying to

1416

00:52:48,470 --> 00:52:46,400

win a war on two fronts well

1417

00:52:50,710 --> 00:52:48,480

i think that it's been weird for people

1418

00:52:52,950 --> 00:52:50,720

that have come across my work like what

1419

00:52:53,910 --> 00:52:52,960

the hell are you doing um it makes sense

1420

00:52:56,150 --> 00:52:53,920

to me

1421

00:52:57,670 --> 00:52:56,160

because i always had that side of

1422

00:52:59,430 --> 00:52:57,680

wanting to teach

1423

00:53:03,510 --> 00:52:59,440

you know this

1424

00:53:05,750 --> 00:53:03,520

was going to teach something

1425

00:53:07,030 --> 00:53:05,760

but as this project developed it was

1426

00:53:09,109 --> 00:53:07,040

always

1427

00:53:10,790 --> 00:53:09,119

clear to me that i wanted to be able to

1428

00:53:11,750 --> 00:53:10,800

provide

1429

00:53:14,230 --> 00:53:11,760

uh

1430

00:53:16,390 --> 00:53:14,240

well just reflecting my own experience

1431

00:53:17,430 --> 00:53:16,400

which was that i had a human awakening

1432

00:53:19,910 --> 00:53:17,440

and that

1433

00:53:21,349 --> 00:53:19,920

this is all natural so to be able to

1434

00:53:23,990 --> 00:53:21,359

share

1435

00:53:25,829 --> 00:53:24,000

this natural path i find it is it is the

1436

00:53:27,430 --> 00:53:25,839

other side of the coin of unspirituality

1437

00:53:29,190 --> 00:53:27,440

first you gotta break the trance then

1438

00:53:31,190 --> 00:53:29,200

you got to provide a path

1439

00:53:32,470 --> 00:53:31,200

so there they're

1440

00:53:34,309 --> 00:53:32,480

they're dual

1441

00:53:35,910 --> 00:53:34,319

two sides of the coin two sides of the

1442

00:53:36,630 --> 00:53:35,920

you know sword whatever you want to call

1443

00:53:39,270 --> 00:53:36,640

it

1444

00:53:41,270 --> 00:53:39,280

um so you got to break the trance and

1445

00:53:44,150 --> 00:53:41,280

then provide a place for them to go

1446

00:53:46,390 --> 00:53:44,160

which is the only place that ever was

1447

00:53:48,390 --> 00:53:46,400

you know the stuff that i teach people i

1448

00:53:50,870 --> 00:53:48,400

mean in so many ways it's reminding them

1449

00:53:53,190 --> 00:53:50,880

of stuff that's become buried or that

1450

00:53:55,589 --> 00:53:53,200

they were getting hints of because your

1451
00:53:56,870 --> 00:53:55,599
body knows this

1452
00:53:58,309 --> 00:53:56,880
so

1453
00:53:59,990 --> 00:53:58,319
come in

1454
00:54:01,510 --> 00:54:00,000
you know

1455
00:54:02,790 --> 00:54:01,520
make the punch

1456
00:54:04,630 --> 00:54:02,800
crack the

1457
00:54:07,109 --> 00:54:04,640
thing and then

1458
00:54:10,390 --> 00:54:07,119
you know give him uh say this is what's

1459
00:54:11,430 --> 00:54:10,400
really going on and give him a place to

1460
00:54:12,710 --> 00:54:11,440
you know

1461
00:54:14,069 --> 00:54:12,720
i mean when i

1462
00:54:15,270 --> 00:54:14,079
i have a thing

1463
00:54:17,910 --> 00:54:15,280

where people can

1464

00:54:20,069 --> 00:54:17,920

you know book sessions with me

1465

00:54:21,109 --> 00:54:20,079

and uh you know then spirituality.com

1466

00:54:24,630 --> 00:54:21,119

there's

1467

00:54:26,390 --> 00:54:24,640

a book a session a skype session

1468

00:54:28,150 --> 00:54:26,400

with zen

1469

00:54:29,829 --> 00:54:28,160

and i'm just listening

1470

00:54:30,950 --> 00:54:29,839

to them

1471

00:54:32,710 --> 00:54:30,960

and

1472

00:54:34,470 --> 00:54:32,720

basically pointing them to listen to

1473

00:54:36,309 --> 00:54:34,480

themselves

1474

00:54:39,589 --> 00:54:36,319

that's it

1475

00:54:40,950 --> 00:54:39,599

and that's the process very simple

1476
00:54:43,030 --> 00:54:40,960
but when you have people that sit with

1477
00:54:44,950 --> 00:54:43,040
other people in that sort of setting and

1478
00:54:46,549 --> 00:54:44,960
all they do is talk talk talk talk talk

1479
00:54:49,270 --> 00:54:46,559
to them

1480
00:54:50,390 --> 00:54:49,280
you know it's

1481
00:54:54,069 --> 00:54:50,400
you know

1482
00:54:55,990 --> 00:54:54,079
in therapy um

1483
00:54:58,870 --> 00:54:56,000
the person who started this focusing is

1484
00:55:00,630 --> 00:54:58,880
uh eugene genlin he's passed away

1485
00:55:03,510 --> 00:55:00,640
uh i think it was a couple years ago he

1486
00:55:05,109 --> 00:55:03,520
actually gave me permission to put

1487
00:55:09,589 --> 00:55:05,119
some of his work in the last chapter my

1488
00:55:10,950 --> 00:55:09,599

first book but in the uh 1960s

1489

00:55:13,910 --> 00:55:10,960

he uh

1490

00:55:16,549 --> 00:55:13,920

wanted to find out why some people

1491

00:55:18,470 --> 00:55:16,559

uh why certain people got well in

1492

00:55:20,309 --> 00:55:18,480

therapy and why others didn't

1493

00:55:21,990 --> 00:55:20,319

you know why do people spend 10 15 years

1494

00:55:23,510 --> 00:55:22,000

in therapy never get better

1495

00:55:24,630 --> 00:55:23,520

and then others who spent like good

1496

00:55:26,549 --> 00:55:24,640

questions yeah they spent like two or

1497

00:55:28,470 --> 00:55:26,559

three months or

1498

00:55:30,069 --> 00:55:28,480

two or three weeks and they got better

1499

00:55:31,270 --> 00:55:30,079

and what he discovered

1500

00:55:33,109 --> 00:55:31,280

is when

1501
00:55:35,750 --> 00:55:33,119
in talk therapy

1502
00:55:37,589 --> 00:55:35,760
people weren't listening to what came up

1503
00:55:40,150 --> 00:55:37,599
in their body

1504
00:55:42,069 --> 00:55:40,160
so it'd be like

1505
00:55:44,230 --> 00:55:42,079
you know say a person is talking all

1506
00:55:45,430 --> 00:55:44,240
sudden they feel this comes up to want

1507
00:55:47,349 --> 00:55:45,440
to cry

1508
00:55:48,950 --> 00:55:47,359
or it comes up to want to laugh or just

1509
00:55:50,950 --> 00:55:48,960
something comes up

1510
00:55:52,230 --> 00:55:50,960
so they're not directed to listen to

1511
00:55:53,750 --> 00:55:52,240
that

1512
00:55:55,910 --> 00:55:53,760
they're just directed to keep talking

1513
00:55:57,670 --> 00:55:55,920

this stuff out

1514

00:55:59,510 --> 00:55:57,680

and so this

1515

00:56:01,430 --> 00:55:59,520

you know then he just developed this

1516

00:56:03,910 --> 00:56:01,440

whole thing called focusing which is

1517

00:56:05,990 --> 00:56:03,920

focusing on what your body is telling

1518

00:56:07,589 --> 00:56:06,000

you and your body is always

1519

00:56:09,270 --> 00:56:07,599

communicating

1520

00:56:12,950 --> 00:56:09,280

and so the better you get at this you

1521

00:56:15,030 --> 00:56:12,960

better you uh you listen to the current

1522

00:56:17,910 --> 00:56:15,040

of what's arising

1523

00:56:19,510 --> 00:56:17,920

every moment and uh this is what

1524

00:56:21,990 --> 00:56:19,520

spiritual people call

1525

00:56:24,710 --> 00:56:22,000

you know the guidance guidance from the

1526

00:56:26,470 --> 00:56:24,720

aliens or from the spirit or

1527

00:56:28,069 --> 00:56:26,480

you know from the higher self or

1528

00:56:31,270 --> 00:56:28,079

whatever this is just the dis

1529

00:56:33,270 --> 00:56:31,280

dissociated language that is used when

1530

00:56:35,430 --> 00:56:33,280

it really is

1531

00:56:38,309 --> 00:56:35,440

um this

1532

00:56:41,670 --> 00:56:38,319

incredible inner world that we have

1533

00:56:44,470 --> 00:56:43,270

you know one question i wanted to ask

1534

00:56:46,069 --> 00:56:44,480

you because

1535

00:56:47,910 --> 00:56:46,079

i have been listening to a lot of your

1536

00:56:49,589 --> 00:56:47,920

work

1537

00:56:53,109 --> 00:56:49,599

how do you feel about

1538

00:56:55,430 --> 00:56:53,119

uh hallucinogens and dmt and things like

1539

00:56:57,270 --> 00:56:55,440

that in relation to some kind of

1540

00:57:00,150 --> 00:56:57,280

spiritual uh

1541

00:57:02,710 --> 00:57:00,160

use i think they're fun

1542

00:57:05,510 --> 00:57:02,720

you know uh didn't have a good time

1543

00:57:07,589 --> 00:57:05,520

shamans you know use them for trips and

1544

00:57:10,309 --> 00:57:07,599

so do you know native americans use

1545

00:57:13,270 --> 00:57:10,319

peyote for vision quests so i think when

1546

00:57:15,190 --> 00:57:13,280

you're doing it for a quest

1547

00:57:17,349 --> 00:57:15,200

uh you can there's a lot of i mean i

1548

00:57:18,789 --> 00:57:17,359

used to take mushrooms every i i you

1549

00:57:21,270 --> 00:57:18,799

know i did i used it the same way i'd

1550

00:57:23,430 --> 00:57:21,280

only take mushrooms every so many years

1551
00:57:24,549 --> 00:57:23,440
you know maybe every five years four

1552
00:57:27,670 --> 00:57:24,559
years

1553
00:57:29,750 --> 00:57:27,680
and uh i learned a lot uh

1554
00:57:31,030 --> 00:57:29,760
and there are

1555
00:57:32,630 --> 00:57:31,040
things inside of you that can

1556
00:57:34,470 --> 00:57:32,640
communicate to you in ways that you

1557
00:57:36,789 --> 00:57:34,480
would like

1558
00:57:38,390 --> 00:57:36,799
never know like wow

1559
00:57:40,549 --> 00:57:38,400
you know it's it's

1560
00:57:42,710 --> 00:57:40,559
a kind of information that is so

1561
00:57:44,630 --> 00:57:42,720
advanced in

1562
00:57:47,829 --> 00:57:44,640
uh inside

1563
00:57:49,109 --> 00:57:47,839

so i think that these are

1564

00:57:50,549 --> 00:57:49,119

sacred

1565

00:57:53,030 --> 00:57:50,559

journeys

1566

00:57:54,470 --> 00:57:53,040

now if somebody's doing it like leo gura

1567

00:57:56,390 --> 00:57:54,480

doing it like something like a like

1568

00:57:58,309 --> 00:57:56,400

drinking beer

1569

00:58:00,710 --> 00:57:58,319

then what you've done

1570

00:58:04,069 --> 00:58:00,720

is you've become that has become your

1571

00:58:06,390 --> 00:58:04,079

enlightenment and you haven't integrated

1572

00:58:08,870 --> 00:58:06,400

and found your

1573

00:58:11,910 --> 00:58:08,880

you know found your life your real life

1574

00:58:14,870 --> 00:58:11,920

in the everyday this is your life

1575

00:58:18,630 --> 00:58:14,880

your inner world is is right here

1576

00:58:21,190 --> 00:58:18,640

um you take a journey you come back

1577

00:58:23,829 --> 00:58:21,200

um because if you stay there

1578

00:58:24,789 --> 00:58:23,839

then you're in you stay in this world

1579

00:58:28,390 --> 00:58:24,799

that is

1580

00:58:31,030 --> 00:58:28,400

uh it's induced by chemicals

1581

00:58:32,789 --> 00:58:31,040

and it's not meant for you to stay there

1582

00:58:35,109 --> 00:58:32,799

you can't function here you end up in a

1583

00:58:37,270 --> 00:58:35,119

crazy house

1584

00:58:39,030 --> 00:58:37,280

this is really just an experience like a

1585

00:58:41,349 --> 00:58:39,040

vision quest or something

1586

00:58:43,109 --> 00:58:41,359

uh ultimately like my kundalini

1587

00:58:45,190 --> 00:58:43,119

experiences never had anything to do

1588

00:58:46,390 --> 00:58:45,200

with drugs at all

1589

00:58:48,950 --> 00:58:46,400

uh and i can tell you you have a

1590

00:58:51,829 --> 00:58:48,960

kundalini experience and

1591

00:58:53,510 --> 00:58:51,839

it's a natural powerful

1592

00:58:55,030 --> 00:58:53,520

magnetic

1593

00:58:56,870 --> 00:58:55,040

amazing

1594

00:58:58,390 --> 00:58:56,880

terrifying

1595

00:59:00,870 --> 00:58:58,400

you know force

1596

00:59:05,589 --> 00:59:00,880

that's within you that gets released

1597

00:59:06,630 --> 00:59:05,599

um and you know you can see this uh um

1598

00:59:08,549 --> 00:59:06,640

let's say

1599

00:59:10,789 --> 00:59:08,559

uh

1600

00:59:12,230 --> 00:59:10,799

bearing this current you can see the

1601
00:59:14,230 --> 00:59:12,240
egyptians

1602
00:59:16,950 --> 00:59:14,240
uh you know you see them sitting there

1603
00:59:20,390 --> 00:59:16,960
with their spines perfectly straight

1604
00:59:22,950 --> 00:59:20,400
and in many cultures this serpent energy

1605
00:59:24,710 --> 00:59:22,960
so ultimately you're taking the dive in

1606
00:59:26,390 --> 00:59:24,720
your own inner world that's that's the

1607
00:59:29,589 --> 00:59:26,400
real stuff

1608
00:59:30,630 --> 00:59:29,599
uh but you may want to go on a journey

1609
00:59:32,150 --> 00:59:30,640
like this

1610
00:59:34,390 --> 00:59:32,160
because you want to open the doors to

1611
00:59:37,510 --> 00:59:34,400
get some answers that will bring that

1612
00:59:38,950 --> 00:59:37,520
you bring back into your life i i hope

1613
00:59:41,589 --> 00:59:38,960

that makes sense

1614

00:59:44,069 --> 00:59:41,599

yeah it does absolutely well then now's

1615

00:59:46,470 --> 00:59:44,079

a good time for us to take a break for

1616

00:59:49,349 --> 00:59:46,480

station identification and a few words

1617

00:59:54,280 --> 00:59:49,359

from our sponsors we'll be right back

1618

01:00:07,109 --> 01:00:04,870

[Music]

1619

01:00:08,789 --> 01:00:07,119

people have asked me and i i

1620

01:00:10,470 --> 01:00:08,799

kind of agree with you 100

1621

01:00:12,630 --> 01:00:10,480

the only thing that i would say is that

1622

01:00:15,270 --> 01:00:12,640

i don't think they should ever be used

1623

01:00:17,510 --> 01:00:15,280

just for recreational use and i even

1624

01:00:18,630 --> 01:00:17,520

include something like marijuana with

1625

01:00:20,390 --> 01:00:18,640

that

1626

01:00:23,109 --> 01:00:20,400

my personal belief is like if you're

1627

01:00:24,789 --> 01:00:23,119

gonna do that do something with it you

1628

01:00:25,670 --> 01:00:24,799

know even if you're gonna even if you're

1629

01:00:26,710 --> 01:00:25,680

gonna

1630

01:00:30,150 --> 01:00:26,720

have

1631

01:00:31,750 --> 01:00:30,160

pot like i'm fine with people like

1632

01:00:34,789 --> 01:00:31,760

who will smoke pot and do something

1633

01:00:36,950 --> 01:00:34,799

creative or artistic or but if you just

1634

01:00:38,870 --> 01:00:36,960

smoke pot and sit on the couch i think

1635

01:00:42,390 --> 01:00:38,880

that's a waste of

1636

01:00:43,990 --> 01:00:42,400

what is maybe a sacred uh plant and i

1637

01:00:46,870 --> 01:00:44,000

feel the same way about the more

1638

01:00:47,910 --> 01:00:46,880

powerful stuff especially

1639

01:00:49,750 --> 01:00:47,920

well

1640

01:00:52,230 --> 01:00:49,760

i okay

1641

01:00:54,390 --> 01:00:52,240

here's the thing

1642

01:01:15,670 --> 01:00:54,400

i

1643

01:01:17,990 --> 01:01:15,680

you know you you respect you have a

1644

01:01:20,630 --> 01:01:18,000

respect you have a prayer

1645

01:01:22,710 --> 01:01:20,640

uh you do this process maybe you you

1646

01:01:23,589 --> 01:01:22,720

know whatever and then you take it you

1647

01:01:25,270 --> 01:01:23,599

know

1648

01:01:27,030 --> 01:01:25,280

but

1649

01:01:29,750 --> 01:01:27,040

i'm gonna be the first one to say that

1650

01:01:31,670 --> 01:01:29,760

sitting on your ass smoking pot is also

1651
01:01:33,670 --> 01:01:31,680
an incredible experience

1652
01:01:35,750 --> 01:01:33,680
because it's gonna

1653
01:01:37,670 --> 01:01:35,760
it's gonna teach you a lot

1654
01:01:38,390 --> 01:01:37,680
you know like if somebody was sitting on

1655
01:01:40,390 --> 01:01:38,400
you know

1656
01:01:41,349 --> 01:01:40,400
their ass smoking pot every day right

1657
01:01:42,870 --> 01:01:41,359
and they go

1658
01:01:45,349 --> 01:01:42,880
hey zan

1659
01:01:47,750 --> 01:01:45,359
you know i really wanna

1660
01:01:49,829 --> 01:01:47,760
i really wanna like be on that path and

1661
01:01:51,829 --> 01:01:49,839
i wanna you know and i'd say well you

1662
01:01:53,190 --> 01:01:51,839
are on that path you can never not be on

1663
01:01:55,270 --> 01:01:53,200

that path

1664

01:01:58,069 --> 01:01:55,280

yeah yeah but i know i'm just sitting

1665

01:02:00,549 --> 01:01:58,079

here playing video games and watching

1666

01:02:02,309 --> 01:02:00,559

you know smoking grass and stuff and

1667

01:02:05,190 --> 01:02:02,319

like what should i do

1668

01:02:07,670 --> 01:02:05,200

my answer would be well keep doing it

1669

01:02:09,750 --> 01:02:07,680

once you get right in it like get deeper

1670

01:02:12,710 --> 01:02:09,760

into it just really smoke that pot in

1671

01:02:14,630 --> 01:02:12,720

fact how many hours are you doing today

1672

01:02:16,390 --> 01:02:14,640

eight all right all right push it up to

1673

01:02:18,630 --> 01:02:16,400

15 if you can

1674

01:02:20,309 --> 01:02:18,640

and commit to it

1675

01:02:21,990 --> 01:02:20,319

and then i would say write write a book

1676
01:02:24,710 --> 01:02:22,000
about it

1677
01:02:27,270 --> 01:02:24,720
on how good you were at doing this

1678
01:02:32,390 --> 01:02:27,280
so this is a

1679
01:02:34,390 --> 01:02:32,400
um you know a lot of things is an

1680
01:02:36,390 --> 01:02:34,400
immersion and indulgence

1681
01:02:38,309 --> 01:02:36,400
which is not

1682
01:02:39,670 --> 01:02:38,319
the way

1683
01:02:41,670 --> 01:02:39,680
many people

1684
01:02:44,870 --> 01:02:41,680
if not most

1685
01:02:47,270 --> 01:02:44,880
uh teachers would because it's not

1686
01:02:49,270 --> 01:02:47,280
very marketable

1687
01:02:51,029 --> 01:02:49,280
you know so

1688
01:02:52,789 --> 01:02:51,039

that's them but i know what how i got

1689

01:02:54,789 --> 01:02:52,799

results so i teach it

1690

01:02:57,750 --> 01:02:54,799

you know

1691

01:03:00,150 --> 01:02:59,430

well then i i guess

1692

01:03:05,510 --> 01:03:00,160

i

1693

01:03:08,069 --> 01:03:05,520

about alcohol because

1694

01:03:09,750 --> 01:03:08,079

you know like i was for a long time

1695

01:03:12,309 --> 01:03:09,760

drinking beer or something like that

1696

01:03:14,390 --> 01:03:12,319

every day and then i just cut it out

1697

01:03:15,829 --> 01:03:14,400

completely and then i went back to like

1698

01:03:16,789 --> 01:03:15,839

a couple times a week i'll have a few

1699

01:03:18,150 --> 01:03:16,799

drinks

1700

01:03:19,750 --> 01:03:18,160

because to me

1701

01:03:22,870 --> 01:03:19,760

it was just it felt like total

1702

01:03:26,069 --> 01:03:22,880

abstinence was a form of suffering

1703

01:03:27,750 --> 01:03:26,079

so i kind of went the middle road but

1704

01:03:29,670 --> 01:03:27,760

what do you think about alcoholism and

1705

01:03:31,750 --> 01:03:29,680

people that have problems with alcohol

1706

01:03:33,750 --> 01:03:31,760

how that should be handled

1707

01:03:36,710 --> 01:03:33,760

well you know i drank like a fish for a

1708

01:03:39,270 --> 01:03:36,720

long time you know i had uh you know i

1709

01:03:41,510 --> 01:03:39,280

dealt with that myself a very long time

1710

01:03:42,710 --> 01:03:41,520

it took me many many years to quit

1711

01:03:45,750 --> 01:03:42,720

um

1712

01:03:47,029 --> 01:03:45,760

so how i quit i decided

1713

01:03:49,270 --> 01:03:47,039

that

1714

01:03:50,470 --> 01:03:49,280

because alcohol became my fix for

1715

01:03:53,109 --> 01:03:50,480

bipolar

1716

01:03:55,589 --> 01:03:53,119

and for my child abuse early on you know

1717

01:03:59,349 --> 01:03:55,599

and around the age of 12 13

1718

01:04:00,230 --> 01:03:59,359

and uh so it was a part of my life

1719

01:04:02,390 --> 01:04:00,240

um

1720

01:04:04,789 --> 01:04:02,400

and uh

1721

01:04:07,190 --> 01:04:04,799

so but it got to a point for me where it

1722

01:04:09,750 --> 01:04:07,200

was like you know it just got more

1723

01:04:12,470 --> 01:04:09,760

difficult you know as i got older i

1724

01:04:14,390 --> 01:04:12,480

hated the hangovers and i started

1725

01:04:15,910 --> 01:04:14,400

noticing you know i started learning

1726

01:04:18,390 --> 01:04:15,920

more about

1727

01:04:22,069 --> 01:04:18,400

how my behavior was when i would drink

1728

01:04:23,670 --> 01:04:22,079

so it's a really built-in system for

1729

01:04:27,430 --> 01:04:23,680

being able to

1730

01:04:29,589 --> 01:04:27,440

you just get worse is the point and so

1731

01:04:30,549 --> 01:04:29,599

uh what i did is i decided that i wanted

1732

01:04:32,710 --> 01:04:30,559

to quit

1733

01:04:36,710 --> 01:04:32,720

without any like aaa or anything i

1734

01:04:41,990 --> 01:04:38,710

that's my intent was my intention i want

1735

01:04:45,670 --> 01:04:42,000

to quit because i want to quit

1736

01:04:47,990 --> 01:04:45,680

it took me about 10 years

1737

01:04:50,390 --> 01:04:48,000

and yeah it took me a long time because

1738

01:04:52,549 --> 01:04:50,400

that's the way i wanted to do it um

1739

01:04:54,549 --> 01:04:52,559

but i would say it's strong i really got

1740

01:04:56,789 --> 01:04:54,559

into it for a strong

1741

01:04:58,710 --> 01:04:56,799

about six seven years i really started

1742

01:04:59,990 --> 01:04:58,720

kicking when i got to five years i

1743

01:05:00,950 --> 01:05:00,000

really started kicking so what i would

1744

01:05:01,750 --> 01:05:00,960

do

1745

01:05:04,069 --> 01:05:01,760

is

1746

01:05:06,710 --> 01:05:04,079

because i enjoyed it man i mean it was

1747

01:05:09,510 --> 01:05:06,720

in my blood and i could drink you know

1748

01:05:11,990 --> 01:05:09,520

and uh yeah i hear that and i'm half

1749

01:05:13,430 --> 01:05:12,000

irish so okay yeah and i could drink and

1750

01:05:15,109 --> 01:05:13,440

i was one of those where you know you

1751

01:05:17,829 --> 01:05:15,119

may not even know i was that drunk and

1752

01:05:19,510 --> 01:05:17,839

i'd put down a lot already you know

1753

01:05:21,589 --> 01:05:19,520

and but then i really liked getting

1754

01:05:23,589 --> 01:05:21,599

inebriated so you know just like a

1755

01:05:24,870 --> 01:05:23,599

freaking sailor you know as a wine women

1756

01:05:25,910 --> 01:05:24,880

in song

1757

01:05:27,270 --> 01:05:25,920

uh

1758

01:05:28,870 --> 01:05:27,280

but

1759

01:05:31,430 --> 01:05:28,880

you know you know the hangovers are

1760

01:05:33,430 --> 01:05:31,440

horrible and look it if it's not fun

1761

01:05:35,349 --> 01:05:33,440

anymore that was my point look this

1762

01:05:38,549 --> 01:05:35,359

isn't becoming fun and that was the

1763

01:05:40,789 --> 01:05:38,559

whole point so i am i tried everything i

1764

01:05:42,630 --> 01:05:40,799

went on the mission i go look i'm gonna

1765

01:05:44,470 --> 01:05:42,640

of course i'm still drinking

1766

01:05:45,990 --> 01:05:44,480

but i'm gonna go on the mission of doing

1767

01:05:48,870 --> 01:05:46,000

everything i can so i would actually

1768

01:05:51,270 --> 01:05:48,880

drink and watch youtube videos of how

1769

01:05:54,150 --> 01:05:51,280

bad alcohol is for you

1770

01:05:55,910 --> 01:05:54,160

uh you know i would i just started

1771

01:05:57,589 --> 01:05:55,920

feeding myself yeah i just drink and

1772

01:05:59,589 --> 01:05:57,599

watch that i drink and

1773

01:06:01,190 --> 01:05:59,599

and so i started

1774

01:06:01,990 --> 01:06:01,200

educating myself

1775

01:06:04,390 --> 01:06:02,000

and

1776

01:06:06,230 --> 01:06:04,400

then there was a thing called naltrexone

1777

01:06:07,670 --> 01:06:06,240

which is a medication that you can take

1778

01:06:09,029 --> 01:06:07,680

and then meat and you actually you're

1779

01:06:10,789 --> 01:06:09,039

supposed to take it and you're supposed

1780

01:06:12,870 --> 01:06:10,799

to drink when you take it

1781

01:06:14,470 --> 01:06:12,880

and what happens is it blocks the neural

1782

01:06:16,950 --> 01:06:14,480

receptors

1783

01:06:18,870 --> 01:06:16,960

in your brain that may as you drink you

1784

01:06:20,309 --> 01:06:18,880

just hate the taste

1785

01:06:21,910 --> 01:06:20,319

so anybody's having a problem with that

1786

01:06:23,029 --> 01:06:21,920

i always tell them you can interrupt it

1787

01:06:25,510 --> 01:06:23,039

like that

1788

01:06:27,670 --> 01:06:25,520

and forget going to aaa and and

1789

01:06:30,950 --> 01:06:27,680

committing to a lifetime of i'm an

1790

01:06:32,870 --> 01:06:30,960

alcoholic and i'm forever doomed

1791

01:06:35,910 --> 01:06:32,880

because the truth of it is

1792

01:06:38,309 --> 01:06:35,920

is ethanol is highly addictive

1793

01:06:40,390 --> 01:06:38,319

that's the problem

1794

01:06:43,270 --> 01:06:40,400

it's not you that's bad

1795

01:06:45,029 --> 01:06:43,280

you that's faulty you that's defective

1796

01:06:46,630 --> 01:06:45,039

i mean sure you can see you can look at

1797

01:06:48,309 --> 01:06:46,640

yeah it was in my family

1798

01:06:49,910 --> 01:06:48,319

uh there's genetic aspects to this you

1799

01:06:51,670 --> 01:06:49,920

can look at but the big i think the

1800

01:06:53,109 --> 01:06:51,680

bigger aspect is a lot of these genes

1801
01:06:55,750 --> 01:06:53,119
stay dormant

1802
01:06:57,589 --> 01:06:55,760
unless they're activated and so there's

1803
01:06:59,430 --> 01:06:57,599
also the nature of nurture so there's a

1804
01:07:01,750 --> 01:06:59,440
nature aspect of this if you're raised

1805
01:07:04,470 --> 01:07:01,760
in a you know family that

1806
01:07:07,750 --> 01:07:04,480
drinks a lot influenced so

1807
01:07:09,750 --> 01:07:07,760
but still the point is you

1808
01:07:11,029 --> 01:07:09,760
are not

1809
01:07:14,549 --> 01:07:11,039
you know

1810
01:07:16,789 --> 01:07:14,559
calling you an alcoholic i think is

1811
01:07:19,109 --> 01:07:16,799
a bit of a misnomer because what's

1812
01:07:19,990 --> 01:07:19,119
really happened is you

1813
01:07:24,789 --> 01:07:20,000

have

1814

01:07:25,589 --> 01:07:24,799

become

1815

01:07:30,870 --> 01:07:25,599

uh

1816

01:07:32,870 --> 01:07:30,880

in other words you cannot you cannot

1817

01:07:34,870 --> 01:07:32,880

take crack cocaine cane

1818

01:07:36,630 --> 01:07:34,880

without suffering horribly from the

1819

01:07:38,950 --> 01:07:36,640

withdrawal

1820

01:07:41,910 --> 01:07:38,960

so it doesn't make you a bad person it's

1821

01:07:42,870 --> 01:07:41,920

just that if you are going to take that

1822

01:07:45,270 --> 01:07:42,880

drug

1823

01:07:46,950 --> 01:07:45,280

your system can't is going to go through

1824

01:07:49,829 --> 01:07:46,960

a massive withdrawal

1825

01:07:51,750 --> 01:07:49,839

so if you are not smart about this

1826

01:07:54,309 --> 01:07:51,760

every time you drink

1827

01:07:55,829 --> 01:07:54,319

you're going to have a major withdrawal

1828

01:07:57,990 --> 01:07:55,839

which means that you have to drink again

1829

01:07:59,589 --> 01:07:58,000

to fix that withdrawal so if you're not

1830

01:08:02,309 --> 01:07:59,599

smart enough you don't make yourself

1831

01:08:04,470 --> 01:08:02,319

intelligent enough about this

1832

01:08:07,589 --> 01:08:04,480

you will make a stupid decision

1833

01:08:08,710 --> 01:08:07,599

knowing full well what's going to happen

1834

01:08:11,029 --> 01:08:08,720

and so

1835

01:08:13,990 --> 01:08:11,039

for me that's how i wanted to approach

1836

01:08:16,070 --> 01:08:14,000

it was to become very very aware of it

1837

01:08:19,430 --> 01:08:16,080

make it a study so what i did is i made

1838

01:08:21,749 --> 01:08:19,440

my my my drinking habit

1839

01:08:24,870 --> 01:08:21,759

a one of the number one

1840

01:08:26,950 --> 01:08:24,880

projects in my spiritual path

1841

01:08:28,789 --> 01:08:26,960

so i saw it as leverage

1842

01:08:31,430 --> 01:08:28,799

for awakening

1843

01:08:33,829 --> 01:08:31,440

so it was a really a sacred thing so i

1844

01:08:35,669 --> 01:08:33,839

got to a point where i started quitting

1845

01:08:37,349 --> 01:08:35,679

for like a year at a time

1846

01:08:39,189 --> 01:08:37,359

i would just quit like a couple times i

1847

01:08:40,789 --> 01:08:39,199

took naltrexone but

1848

01:08:42,309 --> 01:08:40,799

i i wouldn't i wouldn't i only did it

1849

01:08:44,709 --> 01:08:42,319

like a couple times but i got two points

1850

01:08:46,870 --> 01:08:44,719

from like okay i'm not gonna drink

1851

01:08:48,870 --> 01:08:46,880

and i would not drink for like a year

1852

01:08:50,149 --> 01:08:48,880

sometimes maybe six months

1853

01:08:51,669 --> 01:08:50,159

and then i would say okay i'm gonna

1854

01:08:53,669 --> 01:08:51,679

drink and then i would drink maybe once

1855

01:08:54,709 --> 01:08:53,679

a week or once every month or something

1856

01:08:57,269 --> 01:08:54,719

like that

1857

01:08:58,870 --> 01:08:57,279

and when i drank i sat down and drank

1858

01:09:00,630 --> 01:08:58,880

like you know i'm gonna knock down two

1859

01:09:03,669 --> 01:09:00,640

bottles of wine and

1860

01:09:05,110 --> 01:09:03,679

just chain smokes and american spirits

1861

01:09:09,349 --> 01:09:05,120

full blown

1862

01:09:11,110 --> 01:09:09,359

yeah no guilt and the power big part of

1863

01:09:12,709 --> 01:09:11,120

this like i say spiritual path was

1864

01:09:14,789 --> 01:09:12,719

working through the guilt that was

1865

01:09:15,910 --> 01:09:14,799

inherent in it that i've that shame that

1866

01:09:18,309 --> 01:09:15,920

i got from

1867

01:09:21,349 --> 01:09:18,319

my early years in my you know by my

1868

01:09:23,749 --> 01:09:21,359

mother and such so there was there was a

1869

01:09:27,430 --> 01:09:23,759

lot more going on around this

1870

01:09:29,590 --> 01:09:27,440

that was much more than just the ethanol

1871

01:09:31,510 --> 01:09:29,600

so i i really saw this as this

1872

01:09:32,789 --> 01:09:31,520

opportunity in my life because it was

1873

01:09:37,269 --> 01:09:32,799

right there

1874

01:09:42,309 --> 01:09:40,630

uh i i was like now

1875

01:09:43,510 --> 01:09:42,319

this is

1876

01:09:46,149 --> 01:09:43,520

huge

1877

01:09:48,070 --> 01:09:46,159

i have guilt no i i

1878

01:09:50,789 --> 01:09:48,080

i agree with you again i agree with you

1879

01:09:53,030 --> 01:09:50,799

again because at one point uh

1880

01:09:54,550 --> 01:09:53,040

this is a long time ago i i thought oh

1881

01:09:57,030 --> 01:09:54,560

you know i i have a problem i'm gonna

1882

01:09:59,510 --> 01:09:57,040

i'm gonna go to aaa and try to clean up

1883

01:10:02,630 --> 01:09:59,520

and just the first step like

1884

01:10:04,790 --> 01:10:02,640

admit i'm powerless i don't know no i

1885

01:10:06,709 --> 01:10:04,800

don't believe in this right i just found

1886

01:10:08,870 --> 01:10:06,719

the philosophy flawed from the beginning

1887

01:10:10,550 --> 01:10:08,880

for me and then just sitting there like

1888

01:10:12,070 --> 01:10:10,560

here's a bunch of guys that are going to

1889

01:10:14,550 --> 01:10:12,080

complain every week

1890

01:10:16,390 --> 01:10:14,560

about how hard it is to not drink

1891

01:10:18,229 --> 01:10:16,400

no i don't want to share

1892

01:10:20,149 --> 01:10:18,239

i don't have anything to share this is

1893

01:10:22,870 --> 01:10:20,159

stupid i just thought it was stupid and

1894

01:10:24,790 --> 01:10:22,880

i kept coming back to that i'm powerless

1895

01:10:28,830 --> 01:10:24,800

well the thing of it is that you are you

1896

01:10:31,430 --> 01:10:28,840

all said you are powerless over the

1897

01:10:32,950 --> 01:10:31,440

drug yeah you might be right

1898

01:10:35,510 --> 01:10:32,960

well you are

1899

01:10:38,390 --> 01:10:35,520

we just we we cannot those those

1900

01:10:40,390 --> 01:10:38,400

chemicals are too strong for us

1901

01:10:42,470 --> 01:10:40,400

but it but but that but that's simply

1902

01:10:44,149 --> 01:10:42,480

like well

1903

01:10:45,669 --> 01:10:44,159

i'm smart enough to know not to take

1904

01:10:47,590 --> 01:10:45,679

something that'll affect me too much i

1905

01:10:49,350 --> 01:10:47,600

mean it's kind of like you know you know

1906

01:10:54,470 --> 01:10:49,360

if you take poison right you're not

1907

01:10:58,950 --> 01:10:57,030

right you just know the nature of the

1908

01:11:00,870 --> 01:10:58,960

substance and you know if you're going

1909

01:11:03,110 --> 01:11:00,880

to take it like acid

1910

01:11:04,390 --> 01:11:03,120

okay ayahuasca

1911

01:11:07,510 --> 01:11:04,400

you take ayahuasca you're not going to

1912

01:11:10,149 --> 01:11:07,520

go i'm an ayahuasca holic you just know

1913

01:11:11,750 --> 01:11:10,159

very clear that you will you're not you

1914

01:11:14,070 --> 01:11:11,760

you're powerless over ayahwasca if you

1915

01:11:16,390 --> 01:11:14,080

put it in your system

1916

01:11:17,990 --> 01:11:16,400

oh sure yeah absolutely

1917

01:11:20,630 --> 01:11:18,000

now i follow you yeah that's why i

1918

01:11:23,350 --> 01:11:20,640

inserted that real quick

1919

01:11:25,510 --> 01:11:23,360

i knew i knew where you were going

1920

01:11:27,510 --> 01:11:25,520

but you know because listen i i have

1921

01:11:29,350 --> 01:11:27,520

friends that are that are a

1922

01:11:31,350 --> 01:11:29,360

guy right and they're like listen if

1923

01:11:34,070 --> 01:11:31,360

you're gonna quit you just have to quit

1924

01:11:36,149 --> 01:11:34,080

and that's it you can't you can't uh

1925

01:11:37,669 --> 01:11:36,159

well oh one of my friends said you

1926

01:11:40,390 --> 01:11:37,679

cannot

1927

01:11:42,709 --> 01:11:40,400

train a dragon you just have to kill it

1928

01:11:44,149 --> 01:11:42,719

you know so i don't know if i if that's

1929

01:11:46,390 --> 01:11:44,159

the right thing to do

1930

01:11:47,830 --> 01:11:46,400

is to go i'll drink in moderation

1931

01:11:50,229 --> 01:11:47,840

because you're right a lot of people say

1932

01:11:51,430 --> 01:11:50,239

that and then they they slip back into

1933

01:11:53,350 --> 01:11:51,440

it's just like

1934

01:11:55,590 --> 01:11:53,360

same levels as before well i won't

1935

01:11:57,510 --> 01:11:55,600

remind you that it isn't extremely hard

1936

01:11:59,030 --> 01:11:57,520

and that i didn't extremely

1937

01:12:00,470 --> 01:11:59,040

go through all the school of hard knocks

1938

01:12:02,550 --> 01:12:00,480

with it i mean there were times when i

1939

01:12:05,270 --> 01:12:02,560

didn't think i was ever going to make it

1940

01:12:06,709 --> 01:12:05,280

but the way i did it was slow and

1941

01:12:08,390 --> 01:12:06,719

gradual and

1942

01:12:10,229 --> 01:12:08,400

and when i would drink i would drink one

1943

01:12:12,790 --> 01:12:10,239

thousand percent and that was important

1944

01:12:15,270 --> 01:12:12,800

for me like if i quit for six months

1945

01:12:17,669 --> 01:12:15,280

yeah if i quit for six years like okay

1946

01:12:19,910 --> 01:12:17,679

now i'm gonna have a bender yeah well i

1947

01:12:23,430 --> 01:12:19,920

would yeah it was just look it's a big

1948

01:12:25,189 --> 01:12:23,440

part of how you frame it because aaa has

1949

01:12:27,669 --> 01:12:25,199

this whole way of framing it and if you

1950

01:12:30,229 --> 01:12:27,679

get stuck in it so as a you know chaos

1951

01:12:31,990 --> 01:12:30,239

magician you know you really get into if

1952

01:12:34,070 --> 01:12:32,000

this is if you're really into the inner

1953

01:12:36,390 --> 01:12:34,080

work okay you're going to reframe this

1954

01:12:38,390 --> 01:12:36,400

stuff and do it in a way that you want

1955

01:12:39,510 --> 01:12:38,400

there's many techniques for getting what

1956

01:12:43,830 --> 01:12:39,520

you want

1957

01:12:47,430 --> 01:12:43,840

so if you're in this thing where you get

1958

01:12:49,910 --> 01:12:47,440

you must do this or else or you know

1959

01:12:52,229 --> 01:12:49,920

you're in this uh you've got to cut it

1960

01:12:53,590 --> 01:12:52,239

off because you can't all these other

1961

01:12:55,590 --> 01:12:53,600

ideas

1962

01:12:57,669 --> 01:12:55,600

so i eat the grapes without disease i

1963

01:12:59,510 --> 01:12:57,679

listen they're necessary so the bottom

1964

01:13:00,310 --> 01:12:59,520

line is i want what i want

1965

01:13:02,630 --> 01:13:00,320

so

1966

01:13:04,870 --> 01:13:02,640

do i want a drink tonight yes two

1967

01:13:06,310 --> 01:13:04,880

bottles of wine a pack of american

1968

01:13:08,070 --> 01:13:06,320

spirits i'm gonna sit down i'm gonna

1969

01:13:10,470 --> 01:13:08,080

have to just enjoy the [h__h] out of it oh

1970

01:13:12,070 --> 01:13:10,480

can i can i cuss on this

1971

01:13:13,669 --> 01:13:12,080

yeah okay i'm gonna enjoy because i want

1972

01:13:15,750 --> 01:13:13,679

to cuss this i want to say this word i'm

1973

01:13:18,950 --> 01:13:15,760

going to just drink the [h__h] out of this

1974

01:13:20,470 --> 01:13:18,960

i'm going to smoke drink you know maybe

1975

01:13:23,430 --> 01:13:20,480

a girlfriend to come over

1976

01:13:25,830 --> 01:13:23,440

just going to have sex all night you

1977

01:13:28,550 --> 01:13:25,840

know yes right and then i wake up in the

1978

01:13:29,750 --> 01:13:28,560

morning and i'm satiated satiated i'm

1979

01:13:31,350 --> 01:13:29,760

like yeah

1980

01:13:36,070 --> 01:13:31,360

this is

1981

01:13:37,510 --> 01:13:36,080

delicious yummy i feel satisfied i feel

1982

01:13:38,550 --> 01:13:37,520

relaxed

1983

01:13:39,510 --> 01:13:38,560

now

1984

01:13:41,990 --> 01:13:39,520

if

1985

01:13:43,350 --> 01:13:42,000

i kept drinking let's say the next day

1986

01:13:45,510 --> 01:13:43,360

and the next day

1987

01:13:47,910 --> 01:13:45,520

i start having these horrible hangovers

1988

01:13:50,709 --> 01:13:47,920

and i'm no longer getting what i want

1989

01:13:53,270 --> 01:13:50,719

which was to feel good now

1990

01:13:55,189 --> 01:13:53,280

i'm creating things that i don't want

1991

01:13:56,709 --> 01:13:55,199

so i went through a lot of those

1992

01:13:59,350 --> 01:13:56,719

experiences

1993

01:14:01,669 --> 01:13:59,360

where i just listen i steven i got to a

1994

01:14:03,750 --> 01:14:01,679

point where it was like i did it i did

1995

01:14:05,350 --> 01:14:03,760

this process so long

1996

01:14:07,110 --> 01:14:05,360

that i finally was like yeah it's not

1997

01:14:09,110 --> 01:14:07,120

fun anymore

1998

01:14:11,030 --> 01:14:09,120

uh so it was really important i think in

1999

01:14:13,350 --> 01:14:11,040

a nutshell to answer your question

2000

01:14:16,149 --> 01:14:13,360

it was really important to do what thou

2001
01:14:17,510 --> 01:14:16,159
will to the whole of the law love under

2002
01:14:19,030 --> 01:14:17,520
will

2003
01:14:20,709 --> 01:14:19,040
and it takes a certain level of

2004
01:14:23,030 --> 01:14:20,719
badassness

2005
01:14:24,310 --> 01:14:23,040
to carve your way through it is this for

2006
01:14:25,189 --> 01:14:24,320
everybody

2007
01:14:27,270 --> 01:14:25,199
no

2008
01:14:28,709 --> 01:14:27,280
but i would recommend this to people

2009
01:14:32,070 --> 01:14:28,719
that have a

2010
01:14:34,229 --> 01:14:32,080
inclination to doing deeper work and to

2011
01:14:36,950 --> 01:14:34,239
you know know that their

2012
01:14:40,070 --> 01:14:36,960
you know the basic magical

2013
01:14:41,750 --> 01:14:40,080

uh edict is changing reality through

2014

01:14:43,030 --> 01:14:41,760

your will

2015

01:14:45,669 --> 01:14:43,040

you know

2016

01:14:51,189 --> 01:14:48,630

yeah i'm a real big believer in in force

2017

01:14:53,430 --> 01:14:51,199

of will like we were talking about focus

2018

01:14:55,750 --> 01:14:53,440

the force of will to me is huge because

2019

01:14:58,950 --> 01:14:55,760

i i know that's how every human

2020

01:15:02,149 --> 01:14:58,960

achievement begins this force of will

2021

01:15:03,669 --> 01:15:02,159

yeah and if you talk about

2022

01:15:05,430 --> 01:15:03,679

i'm sorry just real quick i was gonna

2023

01:15:07,350 --> 01:15:05,440

say

2024

01:15:09,189 --> 01:15:07,360

just real quick before i is that if

2025

01:15:11,990 --> 01:15:09,199

you're using your will

2026
01:15:13,990 --> 01:15:12,000
to do this rather than this shame-based

2027
01:15:19,910 --> 01:15:14,000
self-loathing

2028
01:15:22,070 --> 01:15:19,920
gets you stuck on the loop

2029
01:15:23,750 --> 01:15:22,080
and you know i can't stop by blowing

2030
01:15:25,590 --> 01:15:23,760
this thing you know you're always doing

2031
01:15:28,550 --> 01:15:25,600
what you want all right go ahead i'm

2032
01:15:30,790 --> 01:15:28,560
sorry i had to throw that one in

2033
01:15:33,430 --> 01:15:30,800
no no that's perfect

2034
01:15:35,830 --> 01:15:33,440
so you know i've heard you talk a little

2035
01:15:37,430 --> 01:15:35,840
bit about your background and so you

2036
01:15:39,110 --> 01:15:37,440
grew up catholic but then you've also

2037
01:15:41,110 --> 01:15:39,120
mentioned uh

2038
01:15:43,350 --> 01:15:41,120

scientology

2039

01:15:46,310 --> 01:15:43,360

can you tell us about that well i was

2040

01:15:48,550 --> 01:15:46,320

born in a catholic uh family and my

2041

01:15:51,070 --> 01:15:48,560

earliest years were in a catholic church

2042

01:15:52,870 --> 01:15:51,080

then my mother i think around i was age

2043

01:15:55,270 --> 01:15:52,880

h5

2044

01:15:56,310 --> 01:15:55,280

she uh got into a charismatic christian

2045

01:15:57,510 --> 01:15:56,320

church

2046

01:15:58,950 --> 01:15:57,520

and uh

2047

01:16:01,110 --> 01:15:58,960

then from there

2048

01:16:04,310 --> 01:16:01,120

went to the worldwide church of god

2049

01:16:07,669 --> 01:16:04,320

which i had to sit in fricken

2050

01:16:08,550 --> 01:16:07,679

church services that were two hours

2051

01:16:12,390 --> 01:16:08,560

and

2052

01:16:13,830 --> 01:16:12,400

only did the jewish feast days so we'd

2053

01:16:15,910 --> 01:16:13,840

have like some of those these days were

2054

01:16:17,430 --> 01:16:15,920

like you know a week long and two

2055

01:16:19,189 --> 01:16:17,440

services two hours in the morning two

2056

01:16:21,750 --> 01:16:19,199

hours in the afternoon and then you had

2057

01:16:24,070 --> 01:16:21,760

a fast for like five days i mean it was

2058

01:16:25,510 --> 01:16:24,080

hell i hated that church

2059

01:16:28,229 --> 01:16:25,520

and and that church is partly

2060

01:16:30,870 --> 01:16:28,239

responsible for what i do now you know

2061

01:16:33,350 --> 01:16:30,880

like like i i said i had to sit there

2062

01:16:35,350 --> 01:16:33,360

when my mom slapped me or pinched me if

2063

01:16:37,669 --> 01:16:35,360

i moved and it's like

2064

01:16:39,590 --> 01:16:37,679

how do you expect a kid to sit here and

2065

01:16:41,350 --> 01:16:39,600

listen to this [h__h] for two hours you

2066

01:16:42,229 --> 01:16:41,360

know

2067

01:16:43,830 --> 01:16:42,239

so

2068

01:16:46,310 --> 01:16:43,840

but from there

2069

01:16:48,149 --> 01:16:46,320

when i got into my teens i was basically

2070

01:16:50,470 --> 01:16:48,159

i was in the era of sex drugs rock and

2071

01:16:53,510 --> 01:16:50,480

roll uh i had a band that played at

2072

01:16:55,430 --> 01:16:53,520

gazzari's in uh in hollywood

2073

01:16:59,510 --> 01:16:55,440

and actually headlined one night in

2074

01:17:03,750 --> 01:17:01,590

played at burbank studios played right

2075

01:17:07,110 --> 01:17:03,760

now in fact rat played right next to us

2076

01:17:08,630 --> 01:17:07,120

and they became famous just

2077

01:17:10,470 --> 01:17:08,640

just like

2078

01:17:13,110 --> 01:17:10,480

with the same time we were there

2079

01:17:14,229 --> 01:17:13,120

leader ford um we used to hang out with

2080

01:17:15,430 --> 01:17:14,239

dawkin

2081

01:17:17,750 --> 01:17:15,440

and uh

2082

01:17:19,990 --> 01:17:17,760

and black sabbath came in

2083

01:17:22,310 --> 01:17:20,000

one one weekend

2084

01:17:24,390 --> 01:17:22,320

so that was sex drugs and rock and roll

2085

01:17:27,270 --> 01:17:24,400

was in the heyday of

2086

01:17:28,630 --> 01:17:27,280

you know uh of this glam rock that was

2087

01:17:30,550 --> 01:17:28,640

taking off

2088

01:17:32,149 --> 01:17:30,560

and it was around that time and this was

2089

01:17:33,510 --> 01:17:32,159

all in my story that i got a born-again

2090

01:17:34,790 --> 01:17:33,520

experience and

2091

01:17:36,870 --> 01:17:34,800

i became

2092

01:17:39,510 --> 01:17:36,880

full-blown born again i had a i had a

2093

01:17:41,590 --> 01:17:39,520

full flushing the holy spirit threw my

2094

01:17:43,669 --> 01:17:41,600

head down into my body i started

2095

01:17:45,189 --> 01:17:43,679

laughing uncontrollably completely

2096

01:17:47,110 --> 01:17:45,199

liberated and

2097

01:17:49,669 --> 01:17:47,120

and right from then on i grabbed the

2098

01:17:51,590 --> 01:17:49,679

bible broke up with my girlfriend

2099

01:17:54,470 --> 01:17:51,600

said goodbye to all my friends and went

2100

01:17:56,310 --> 01:17:54,480

to a missionary school up in oregon and

2101

01:17:59,030 --> 01:17:56,320

dedicated my life to christian

2102

01:18:00,790 --> 01:17:59,040

missionary work i went to haiti twice

2103

01:18:02,709 --> 01:18:00,800

that's a whole story in itself so i did

2104

01:18:04,470 --> 01:18:02,719

that for five years

2105

01:18:06,630 --> 01:18:04,480

and then um

2106

01:18:09,350 --> 01:18:06,640

long story short i started working my

2107

01:18:10,950 --> 01:18:09,360

way i was being drawn into more deeper

2108

01:18:12,870 --> 01:18:10,960

metaphysical

2109

01:18:15,750 --> 01:18:12,880

truth because i had so many because the

2110

01:18:18,390 --> 01:18:15,760

nature of my conversion was so deep

2111

01:18:20,709 --> 01:18:18,400

uh that i started

2112

01:18:22,630 --> 01:18:20,719

you know getting deeper things inside

2113

01:18:24,149 --> 01:18:22,640

and which led me to elizabeth claire

2114

01:18:25,990 --> 01:18:24,159

prophet's work

2115

01:18:27,830 --> 01:18:26,000

and so that was a transition from

2116

01:18:29,030 --> 01:18:27,840

christianity into the new age and so i

2117

01:18:31,110 --> 01:18:29,040

got into

2118

01:18:33,510 --> 01:18:31,120

you know the violet flyer fire and the

2119

01:18:34,950 --> 01:18:33,520

ascended masters and all this

2120

01:18:36,390 --> 01:18:34,960

it was around

2121

01:18:40,790 --> 01:18:36,400

uh

2122

01:18:42,630 --> 01:18:40,800

just after that time um that i

2123

01:18:44,709 --> 01:18:42,640

i forget how i think when my friend

2124

01:18:47,270 --> 01:18:44,719

invited me

2125

01:18:49,270 --> 01:18:47,280

i forgot actually how but i got involved

2126

01:18:50,950 --> 01:18:49,280

in scientology

2127

01:18:52,790 --> 01:18:50,960

and so i knew enough at the time when i

2128

01:18:54,870 --> 01:18:52,800

got in scientology about metaphysics

2129

01:18:56,590 --> 01:18:54,880

that when i was looking at hubbard stuff

2130

01:18:58,870 --> 01:18:56,600

i was like going

2131

01:19:01,750 --> 01:18:58,880

holy cow

2132

01:19:05,110 --> 01:19:01,760

this is the mother lode of the new age

2133

01:19:07,590 --> 01:19:05,120

you are an operating satan inside of a

2134

01:19:09,189 --> 01:19:07,600

human body

2135

01:19:11,590 --> 01:19:09,199

and as you go up the bridge you will

2136

01:19:14,070 --> 01:19:11,600

have more and more increased powers

2137

01:19:16,950 --> 01:19:14,080

uh you have been incarnating for

2138

01:19:19,590 --> 01:19:16,960

billions of years but every the way he

2139

01:19:21,270 --> 01:19:19,600

worded it would change you as you read

2140

01:19:23,110 --> 01:19:21,280

these books

2141

01:19:24,709 --> 01:19:23,120

and it was just confirmed like

2142

01:19:26,550 --> 01:19:24,719

everything

2143

01:19:28,310 --> 01:19:26,560

i had been through and learned about the

2144

01:19:29,030 --> 01:19:28,320

new age everything this was this was

2145

01:19:33,590 --> 01:19:29,040

like

2146

01:19:34,830 --> 01:19:33,600

the bmw of the volkswagen

2147

01:19:39,430 --> 01:19:34,840

called the new

2148

01:19:42,070 --> 01:19:39,440

age and uh so i got involved and

2149

01:19:44,870 --> 01:19:42,080

i went really fast i wasn't in very long

2150

01:19:47,750 --> 01:19:44,880

but i went so fast that they told me

2151

01:19:49,350 --> 01:19:47,760

that i was a born ot so an operating

2152

01:19:51,590 --> 01:19:49,360

satan is something it costs you about a

2153

01:19:54,149 --> 01:19:51,600

hundred grand on the on the

2154

01:19:56,470 --> 01:19:54,159

on the bridge to become an operating

2155

01:19:57,590 --> 01:19:56,480

state they told me i was born operating

2156

01:19:59,430 --> 01:19:57,600

satan

2157

01:20:01,110 --> 01:19:59,440

uh so i was hanging out with some of the

2158

01:20:02,310 --> 01:20:01,120

high level people

2159

01:20:04,229 --> 01:20:02,320

and uh

2160

01:20:06,310 --> 01:20:04,239

and buying all their books and i was

2161

01:20:08,790 --> 01:20:06,320

just like i'm going to sign the billion

2162

01:20:11,990 --> 01:20:08,800

year contract i'm going to go on the sea

2163

01:20:13,910 --> 01:20:12,000

org and become a soldier because i as a

2164

01:20:17,430 --> 01:20:13,920

christian

2165

01:20:19,750 --> 01:20:17,440

cult

2166

01:20:22,470 --> 01:20:19,760

in ohio and i so

2167

01:20:24,709 --> 01:20:22,480

i was my conversion was so real

2168

01:20:27,270 --> 01:20:24,719

that i was being trained die for jesus i

2169

01:20:29,750 --> 01:20:27,280

was a soldier i was a radical

2170

01:20:31,590 --> 01:20:29,760

and uh my story you know

2171

01:20:32,709 --> 01:20:31,600

if you read the story you'll see

2172

01:20:34,870 --> 01:20:32,719

everything i went through i was a

2173

01:20:37,750 --> 01:20:34,880

radical so when i found scientology i

2174

01:20:40,229 --> 01:20:37,760

was like oh done i'm yours you know uh

2175

01:20:41,669 --> 01:20:40,239

the rest of my life i'm gonna be doing

2176
01:20:43,430 --> 01:20:41,679
the work for

2177
01:20:45,590 --> 01:20:43,440
you know uh

2178
01:20:47,030 --> 01:20:45,600
for the for the organization and clear

2179
01:20:48,070 --> 01:20:47,040
the planet

2180
01:20:50,229 --> 01:20:48,080
so there were a number of things that

2181
01:20:53,750 --> 01:20:50,239
happened again this is a longer story

2182
01:20:56,790 --> 01:20:53,760
but some things happened that uh i saw

2183
01:20:57,990 --> 01:20:56,800
the thing for what it was and luckily i

2184
01:21:00,550 --> 01:20:58,000
escaped

2185
01:21:02,870 --> 01:21:00,560
early enough to where

2186
01:21:05,510 --> 01:21:02,880
you know it wasn't

2187
01:21:10,229 --> 01:21:05,520
uh horror to leave

2188
01:21:12,310 --> 01:21:10,239

um and then from there it led me into uh

2189

01:21:14,070 --> 01:21:12,320

i pretty much after that got involved in

2190

01:21:17,669 --> 01:21:14,080

the flower of life about that time drum

2191

01:21:19,910 --> 01:21:17,679

below came out and big time in ufos

2192

01:21:21,350 --> 01:21:19,920

around that time bob lazar was just

2193

01:21:23,590 --> 01:21:21,360

coming out none of this stuff was

2194

01:21:25,270 --> 01:21:23,600

popular back then nobody knew about this

2195

01:21:27,350 --> 01:21:25,280

stuff you know i think the betty and

2196

01:21:29,350 --> 01:21:27,360

barney the betty and barney hill

2197

01:21:31,910 --> 01:21:29,360

abduction was had just kind of been

2198

01:21:34,229 --> 01:21:31,920

released and so that was terrifying to

2199

01:21:36,550 --> 01:21:34,239

people but it was so like none of this

2200

01:21:39,030 --> 01:21:36,560

area 50 runs none of this

2201
01:21:40,950 --> 01:21:39,040
and so i was really in it with mufon and

2202
01:21:44,070 --> 01:21:40,960
all that early on

2203
01:21:46,149 --> 01:21:44,080
and this is what uh grew into

2204
01:21:47,910 --> 01:21:46,159
when drumvolo hit the scene i you know

2205
01:21:50,310 --> 01:21:47,920
was right there was the first one to go

2206
01:21:52,470 --> 01:21:50,320
to some of the early seminars and and

2207
01:21:53,590 --> 01:21:52,480
all of this led me to sedona

2208
01:21:55,669 --> 01:21:53,600
and uh

2209
01:21:56,470 --> 01:21:55,679
then a big journey in sedona for you

2210
01:21:58,870 --> 01:21:56,480
know

2211
01:22:00,790 --> 01:21:58,880
another 20 years and then

2212
01:22:04,390 --> 01:22:00,800
2012 when the whole

2213
01:22:08,149 --> 01:22:04,400

new age orgasm supposed to happen

2214

01:22:11,350 --> 01:22:08,159

i serendipitously had a human awakening

2215

01:22:12,790 --> 01:22:11,360

the opposite happened

2216

01:22:16,390 --> 01:22:12,800

so

2217

01:22:19,430 --> 01:22:16,400

it was funny well i guess

2218

01:22:21,750 --> 01:22:19,440

i guess i i would also ask like did you

2219

01:22:23,270 --> 01:22:21,760

get far enough into scientology to hear

2220

01:22:24,629 --> 01:22:23,280

like the crazy

2221

01:22:27,270 --> 01:22:24,639

you know

2222

01:22:29,590 --> 01:22:27,280

stories at the top of the chain thing

2223

01:22:31,510 --> 01:22:29,600

and and if you did later hear those

2224

01:22:33,590 --> 01:22:31,520

stories like what did you think of that

2225

01:22:37,189 --> 01:22:33,600

well at the time was the end game yeah

2226

01:22:40,950 --> 01:22:37,199

yeah at the time it was um

2227

01:22:42,870 --> 01:22:40,960

it was very early in on uh people coming

2228

01:22:45,669 --> 01:22:42,880

against with the internet coming against

2229

01:22:47,270 --> 01:22:45,679

the church uh the free zone was an

2230

01:22:48,149 --> 01:22:47,280

organization outside of the church that

2231

01:22:52,550 --> 01:22:48,159

was

2232

01:22:54,470 --> 01:22:52,560

the site on the website i'm sorry on the

2233

01:22:57,350 --> 01:22:54,480

internet and the internet because they

2234

01:22:58,950 --> 01:22:57,360

would go after any of their detractors i

2235

01:23:01,750 --> 01:22:58,960

mean these are people

2236

01:23:03,910 --> 01:23:01,760

that broke into the irs

2237

01:23:06,470 --> 01:23:03,920

and threatened

2238

01:23:07,910 --> 01:23:06,480

the irs people individually and got the

2239

01:23:08,870 --> 01:23:07,920

irs to

2240

01:23:11,830 --> 01:23:08,880

you know

2241

01:23:14,390 --> 01:23:11,840

make them a tax-free organization so

2242

01:23:16,550 --> 01:23:14,400

the the level into which

2243

01:23:19,189 --> 01:23:16,560

i learned a lot okay i learned a lot

2244

01:23:22,149 --> 01:23:19,199

about black dianetics about

2245

01:23:24,709 --> 01:23:22,159

you know uh sorcery and your cult forces

2246

01:23:26,790 --> 01:23:24,719

and really the real deal

2247

01:23:28,790 --> 01:23:26,800

they're they're no [h__h] group but

2248

01:23:30,629 --> 01:23:28,800

back then

2249

01:23:32,629 --> 01:23:30,639

they didn't it wasn't you know it was

2250

01:23:35,750 --> 01:23:32,639

still a bit of a heyday

2251
01:23:36,870 --> 01:23:35,760
so when i left the tech what they called

2252
01:23:37,990 --> 01:23:36,880
the tech

2253
01:23:40,550 --> 01:23:38,000
was

2254
01:23:42,149 --> 01:23:40,560
had i had such a powerful experience i

2255
01:23:44,229 --> 01:23:42,159
actually had a kundalini release in

2256
01:23:46,709 --> 01:23:44,239
there which they call

2257
01:23:48,709 --> 01:23:46,719
call a blow so to speak when you blow an

2258
01:23:49,669 --> 01:23:48,719
energy blows

2259
01:23:55,110 --> 01:23:49,679
and

2260
01:23:56,470 --> 01:23:55,120
spent the next 15 years studying the

2261
01:23:58,149 --> 01:23:56,480
whole thing

2262
01:23:59,590 --> 01:23:58,159
top to bottom

2263
01:24:03,990 --> 01:23:59,600

and

2264

01:24:04,950 --> 01:24:04,000

as the years evolved

2265

01:24:06,310 --> 01:24:04,960

uh

2266

01:24:07,669 --> 01:24:06,320

you know

2267

01:24:09,270 --> 01:24:07,679

more and more people started talking

2268

01:24:11,430 --> 01:24:09,280

about it but

2269

01:24:13,669 --> 01:24:11,440

you know they would come after them take

2270

01:24:17,110 --> 01:24:13,679

down their website however they could

2271

01:24:20,470 --> 01:24:17,120

but it wasn't until this past

2272

01:24:21,830 --> 01:24:20,480

really the past five six years maybe

2273

01:24:23,189 --> 01:24:21,840

somewhere around there

2274

01:24:24,709 --> 01:24:23,199

that um

2275

01:24:27,110 --> 01:24:24,719

a number of

2276

01:24:29,510 --> 01:24:27,120

major players maybe the past ten years a

2277

01:24:31,030 --> 01:24:29,520

number of major players on at the head

2278

01:24:32,070 --> 01:24:31,040

of scientology

2279

01:24:33,030 --> 01:24:32,080

left

2280

01:24:34,709 --> 01:24:33,040

uh

2281

01:24:38,149 --> 01:24:34,719

marty

2282

01:24:40,790 --> 01:24:38,159

uh

2283

01:24:42,870 --> 01:24:40,800

yeah i think it's rapper and yeah

2284

01:24:45,510 --> 01:24:42,880

and the number of other you know they

2285

01:24:49,030 --> 01:24:45,520

came forward and even at that i mean

2286

01:24:52,070 --> 01:24:49,040

people that ran the organization still

2287

01:24:54,310 --> 01:24:52,080

it was like they got hassled attacked

2288

01:24:56,470 --> 01:24:54,320

they went through absolute hell

2289

01:24:58,709 --> 01:24:56,480

and i think uh you know probably less

2290

01:24:59,830 --> 01:24:58,719

now because so many documentaries now

2291

01:25:01,990 --> 01:24:59,840

have come out

2292

01:25:04,070 --> 01:25:02,000

that um

2293

01:25:07,030 --> 01:25:04,080

you know that show them doing that to

2294

01:25:09,270 --> 01:25:07,040

people yeah it's really bad from a pr

2295

01:25:12,070 --> 01:25:09,280

perspective no matter what they say you

2296

01:25:14,870 --> 01:25:12,080

know right yeah it's really blown the

2297

01:25:16,390 --> 01:25:14,880

cover on so they're not no they're known

2298

01:25:19,030 --> 01:25:16,400

more now for

2299

01:25:20,550 --> 01:25:19,040

bad than good however the way the tech

2300

01:25:23,590 --> 01:25:20,560

is designed

2301

01:25:27,430 --> 01:25:23,600

uh nothing will stop them

2302

01:25:31,990 --> 01:25:30,790

i don't know i i've been shocked

2303

01:25:33,590 --> 01:25:32,000

they're trying to you know unless they

2304

01:25:35,669 --> 01:25:33,600

can really find some crimes i think

2305

01:25:37,430 --> 01:25:35,679

there's been high crimes and i'm talking

2306

01:25:39,830 --> 01:25:37,440

on the level of murders

2307

01:25:41,750 --> 01:25:39,840

and other very serious things i think

2308

01:25:42,629 --> 01:25:41,760

it's a criminal organization

2309

01:25:44,229 --> 01:25:42,639

but

2310

01:25:46,310 --> 01:25:44,239

the tech

2311

01:25:47,910 --> 01:25:46,320

i always said if you can take this

2312

01:25:50,709 --> 01:25:47,920

technology

2313

01:25:52,390 --> 01:25:50,719

and you can just tweak it

2314

01:25:54,070 --> 01:25:52,400

it could do a tremendous amount for the

2315

01:25:56,790 --> 01:25:54,080

world it could do you know you got to do

2316

01:25:58,550 --> 01:25:56,800

some major tweaking here but it was a

2317

01:25:59,750 --> 01:25:58,560

powerful thing for

2318

01:26:01,830 --> 01:25:59,760

um

2319

01:26:04,390 --> 01:26:01,840

blowing somebody open

2320

01:26:05,910 --> 01:26:04,400

you know um isn't there groups now that

2321

01:26:07,910 --> 01:26:05,920

are that are

2322

01:26:10,550 --> 01:26:07,920

using the the teachings and the

2323

01:26:12,550 --> 01:26:10,560

technology without involvement of the

2324

01:26:15,110 --> 01:26:12,560

church yeah and the church goes after

2325

01:26:17,430 --> 01:26:15,120

them too yeah that's the free zone and

2326

01:26:19,030 --> 01:26:17,440

they they've been at it a long time so

2327

01:26:22,229 --> 01:26:19,040

they're used to it and they have their

2328

01:26:23,990 --> 01:26:22,239

groups and you know uh you you know use

2329

01:26:24,950 --> 01:26:24,000

an e-meter

2330

01:26:27,030 --> 01:26:24,960

um

2331

01:26:29,590 --> 01:26:27,040

you can uh you know it can be it's an

2332

01:26:32,149 --> 01:26:29,600

interesting technology so to speak but

2333

01:26:33,750 --> 01:26:32,159

it definitely is duelist and so if i was

2334

01:26:34,550 --> 01:26:33,760

able to

2335

01:26:37,669 --> 01:26:34,560

you know

2336

01:26:39,189 --> 01:26:37,679

use it um i would tweak it

2337

01:26:40,709 --> 01:26:39,199

i would simply tweak it instead of you

2338

01:26:43,189 --> 01:26:40,719

know you're a satan in a body i would

2339

01:26:45,030 --> 01:26:43,199

say you have tremendous power

2340

01:26:47,030 --> 01:26:45,040

and if you can release the things that

2341

01:26:49,669 --> 01:26:47,040

are holding you back

2342

01:26:51,669 --> 01:26:49,679

but here's the thing steven

2343

01:26:53,030 --> 01:26:51,679

they were able to get to things with the

2344

01:26:54,310 --> 01:26:53,040

with the meter

2345

01:26:56,709 --> 01:26:54,320

that

2346

01:26:59,430 --> 01:26:56,719

see we really forget stuff

2347

01:27:01,030 --> 01:26:59,440

we really lock away stuff from very

2348

01:27:03,350 --> 01:27:01,040

early years and i don't care what

2349

01:27:05,110 --> 01:27:03,360

anybody says to me okay

2350

01:27:06,950 --> 01:27:05,120

and now you know if you ask a good

2351

01:27:09,189 --> 01:27:06,960

therapist banana a while they'll they'll

2352

01:27:10,950 --> 01:27:09,199

tell you this is correct but there are

2353

01:27:12,870 --> 01:27:10,960

things locked away inside of us that are

2354

01:27:15,669 --> 01:27:12,880

so booby trapped

2355

01:27:18,070 --> 01:27:15,679

that are sucking major

2356

01:27:22,070 --> 01:27:18,080

amounts of energy

2357

01:27:24,070 --> 01:27:22,080

that we would not even believe

2358

01:27:25,990 --> 01:27:24,080

exist

2359

01:27:27,830 --> 01:27:26,000

and so this is why

2360

01:27:29,590 --> 01:27:27,840

the person that's really caught that's

2361

01:27:31,510 --> 01:27:29,600

why i say caught in the tiger's mouth

2362

01:27:34,870 --> 01:27:31,520

you're bitten by the serpent

2363

01:27:36,870 --> 01:27:34,880

is when you are feel compelled to seek

2364

01:27:38,870 --> 01:27:36,880

because that's the only way you're going

2365

01:27:40,550 --> 01:27:38,880

to have the courage to get through this

2366

01:27:42,870 --> 01:27:40,560

stuff

2367

01:27:44,870 --> 01:27:42,880

but it's really not by choice in a way

2368

01:27:46,790 --> 01:27:44,880

it isn't it isn't it's just

2369

01:27:47,750 --> 01:27:46,800

the desire has to be there a strong

2370

01:27:49,910 --> 01:27:47,760

desire

2371

01:27:51,189 --> 01:27:49,920

but you can uh you can work through a

2372

01:27:53,189 --> 01:27:51,199

whole bunch of stuff whole bunch of

2373

01:27:54,629 --> 01:27:53,199

stuff and then wow you uncover this

2374

01:27:56,870 --> 01:27:54,639

young cover then all of a sudden you

2375

01:27:59,189 --> 01:27:56,880

discover whoa

2376

01:28:01,270 --> 01:27:59,199

that was down there

2377

01:28:03,750 --> 01:28:01,280

you know and and all of a sudden you

2378

01:28:05,910 --> 01:28:03,760

cognize it and it's hard because you

2379

01:28:07,510 --> 01:28:05,920

there's a reason why you forgot it

2380

01:28:10,149 --> 01:28:07,520

there was a good reason

2381

01:28:12,950 --> 01:28:10,159

and then boom all of this

2382

01:28:15,669 --> 01:28:12,960

this this energy and this this

2383

01:28:18,790 --> 01:28:15,679

sadness and all of this that was locked

2384

01:28:19,830 --> 01:28:18,800

in that just blows and it releases and

2385

01:28:22,070 --> 01:28:19,840

now

2386

01:28:23,590 --> 01:28:22,080

you have that current and that force

2387

01:28:25,750 --> 01:28:23,600

much more

2388

01:28:28,550 --> 01:28:25,760

uh available to you

2389

01:28:30,390 --> 01:28:28,560

and uh active in and around you so this

2390

01:28:31,910 --> 01:28:30,400

is the whole this is the whole zen

2391

01:28:34,310 --> 01:28:31,920

temple this is the whole

2392

01:28:35,189 --> 01:28:34,320

shamanic journey into the underworld

2393

01:28:37,910 --> 01:28:35,199

part

2394

01:28:42,070 --> 01:28:40,070

yeah i was going to say that everybody

2395

01:28:44,149 --> 01:28:42,080

that i know that had this sort of

2396

01:28:47,750 --> 01:28:44,159

scientology experience they all agree

2397

01:28:48,790 --> 01:28:47,760

that the sessions were very cathartic

2398

01:28:50,629 --> 01:28:48,800

is that

2399

01:28:52,790 --> 01:28:50,639

was that your experience too these

2400

01:28:54,070 --> 01:28:52,800

auditing sessions were well i would

2401

01:28:56,870 --> 01:28:54,080

consider

2402

01:28:58,629 --> 01:28:56,880

again focusing more than any of this

2403

01:29:00,790 --> 01:28:58,639

okay because if you really get good at

2404

01:29:02,629 --> 01:29:00,800

focusing this is what it does

2405

01:29:04,070 --> 01:29:02,639

you learn to listen to the subtle cues

2406

01:29:06,709 --> 01:29:04,080

inside of you

2407

01:29:08,550 --> 01:29:06,719

um but

2408

01:29:09,910 --> 01:29:08,560

the sessions um

2409

01:29:12,310 --> 01:29:09,920

are powerful yeah they're powerful

2410

01:29:14,629 --> 01:29:12,320

there's certain things like the tr's you

2411

01:29:17,430 --> 01:29:14,639

know communication which is i'm going to

2412

01:29:18,870 --> 01:29:17,440

be teaching a form of this in zen temple

2413

01:29:20,629 --> 01:29:18,880

it's the small the best thing i can tell

2414

01:29:22,550 --> 01:29:20,639

you the small things that you master

2415

01:29:24,390 --> 01:29:22,560

that makes the biggest difference and

2416

01:29:26,790 --> 01:29:24,400

this is why people don't don't

2417

01:29:28,629 --> 01:29:26,800

find out why don't figure it out

2418

01:29:29,830 --> 01:29:28,639

because they're looking for this this

2419

01:29:32,229 --> 01:29:29,840

and this and this and they don't

2420

01:29:34,149 --> 01:29:32,239

understand that it's the simple little

2421

01:29:35,430 --> 01:29:34,159

things that will open up the biggest

2422

01:29:36,310 --> 01:29:35,440

doors

2423

01:29:39,270 --> 01:29:36,320

so

2424

01:29:43,750 --> 01:29:39,280

the sessions could be

2425

01:29:45,189 --> 01:29:43,760

they always the whole point of a session

2426
01:29:46,310 --> 01:29:45,199
is that you reach some type of an

2427
01:29:48,629 --> 01:29:46,320
insight

2428
01:29:50,229 --> 01:29:48,639
some type of an opening in aha and then

2429
01:29:52,310 --> 01:29:50,239
they close the fashion

2430
01:29:53,430 --> 01:29:52,320
however there are times when you have a

2431
01:29:56,229 --> 01:29:53,440
session

2432
01:29:57,590 --> 01:29:56,239
and something blows you know and inside

2433
01:29:58,790 --> 01:29:57,600
and about you know but knock you off

2434
01:30:00,149 --> 01:29:58,800
your chair

2435
01:30:02,709 --> 01:30:00,159
so these are

2436
01:30:04,229 --> 01:30:02,719
this is what the meter does

2437
01:30:06,390 --> 01:30:04,239
is

2438
01:30:08,149 --> 01:30:06,400

it starts reading charge kind of like a

2439

01:30:10,950 --> 01:30:08,159

lie detector

2440

01:30:11,990 --> 01:30:10,960

so you know you may ask the person you

2441

01:30:14,390 --> 01:30:12,000

know

2442

01:30:16,950 --> 01:30:14,400

about running through an incident when

2443

01:30:18,629 --> 01:30:16,960

they were six about

2444

01:30:21,510 --> 01:30:18,639

um

2445

01:30:22,790 --> 01:30:21,520

their uncle about their

2446

01:30:24,550 --> 01:30:22,800

their mother

2447

01:30:26,470 --> 01:30:24,560

in the kitchen

2448

01:30:28,070 --> 01:30:26,480

and so they go and their uncle bob and

2449

01:30:29,750 --> 01:30:28,080

so they run through it and they go go to

2450

01:30:31,350 --> 01:30:29,760

the beginning of it and they go okay i

2451

01:30:32,790 --> 01:30:31,360

was in the kitchen

2452

01:30:34,709 --> 01:30:32,800

my mother is

2453

01:30:37,189 --> 01:30:34,719

washing dishes

2454

01:30:38,629 --> 01:30:37,199

and uncle bob is in

2455

01:30:40,550 --> 01:30:38,639

the living room

2456

01:30:42,629 --> 01:30:40,560

and i go to my bedroom

2457

01:30:44,070 --> 01:30:42,639

and so the meter is it's just kind of

2458

01:30:46,070 --> 01:30:44,080

like

2459

01:30:47,430 --> 01:30:46,080

you know it's it's just kind of staying

2460

01:30:48,790 --> 01:30:47,440

in one spot

2461

01:30:51,189 --> 01:30:48,800

okay

2462

01:30:52,550 --> 01:30:51,199

and then uh i got to remember if i had

2463

01:30:53,830 --> 01:30:52,560

how to read this thing because it's been

2464

01:30:56,070 --> 01:30:53,840

a long time

2465

01:30:57,750 --> 01:30:56,080

um and then

2466

01:30:59,430 --> 01:30:57,760

so they go okay because they're they're

2467

01:31:00,709 --> 01:30:59,440

seeing the meter's telling them there's

2468

01:31:02,229 --> 01:31:00,719

something there now the person that's

2469

01:31:03,830 --> 01:31:02,239

telling the guy is telling the stories

2470

01:31:05,910 --> 01:31:03,840

and he's like fine

2471

01:31:07,110 --> 01:31:05,920

so they go now go on you know go back to

2472

01:31:08,550 --> 01:31:07,120

the beginning and say it again so he

2473

01:31:11,270 --> 01:31:08,560

goes okay

2474

01:31:13,430 --> 01:31:11,280

you saw him in the kitchen

2475

01:31:14,830 --> 01:31:13,440

my mom wearing a red shirt my mother's

2476

01:31:16,870 --> 01:31:14,840

washing

2477

01:31:18,390 --> 01:31:16,880

dishes i

2478

01:31:21,350 --> 01:31:18,400

and all of a sudden it might go like

2479

01:31:28,070 --> 01:31:25,110

uncle's in the living room

2480

01:31:30,149 --> 01:31:28,080

and i'm in the bedroom

2481

01:31:31,990 --> 01:31:30,159

now that round the meter's really

2482

01:31:34,470 --> 01:31:32,000

reading

2483

01:31:37,590 --> 01:31:34,480

so they go now go back to the beginning

2484

01:31:39,350 --> 01:31:37,600

and at this time there's resistance

2485

01:31:41,510 --> 01:31:39,360

what do you mean i don't go right

2486

01:31:45,110 --> 01:31:41,520

there's nothing there i don't know

2487

01:31:47,189 --> 01:31:45,120

i understand go back to the beginning

2488

01:31:49,669 --> 01:31:47,199

then he goes all right so in other words

2489

01:31:52,629 --> 01:31:49,679

what he's now feeling is he's starting

2490

01:31:53,590 --> 01:31:52,639

to get close to that event

2491

01:31:55,990 --> 01:31:53,600

that

2492

01:31:57,189 --> 01:31:56,000

he completely booby-trapped and this is

2493

01:31:59,030 --> 01:31:57,199

why you know when people are drinking or

2494

01:32:01,110 --> 01:31:59,040

smoking or whatever or in families or

2495

01:32:03,030 --> 01:32:01,120

you know socializing whatever vacation

2496

01:32:04,390 --> 01:32:03,040

whatever in regular life this is where

2497

01:32:07,110 --> 01:32:04,400

the average person will never ever get

2498

01:32:09,430 --> 01:32:07,120

close to any of this not even close

2499

01:32:10,830 --> 01:32:09,440

because to get close to it is going to

2500

01:32:12,390 --> 01:32:10,840

require you

2501
01:32:14,390 --> 01:32:12,400
reliving

2502
01:32:16,070 --> 01:32:14,400
something that was so terrifying and

2503
01:32:18,229 --> 01:32:16,080
traumatic

2504
01:32:20,550 --> 01:32:18,239
that there's a reason why you you it was

2505
01:32:23,189 --> 01:32:20,560
suppressed

2506
01:32:25,270 --> 01:32:23,199
so he runs through it again

2507
01:32:26,550 --> 01:32:25,280
you know in the kitchen i got my red

2508
01:32:28,070 --> 01:32:26,560
shirt on

2509
01:32:29,030 --> 01:32:28,080
the tree's blowing outside in other

2510
01:32:30,310 --> 01:32:29,040
she's picking up a little more

2511
01:32:33,350 --> 01:32:30,320
information

2512
01:32:36,070 --> 01:32:33,360
mom is washing the dishes

2513
01:32:38,390 --> 01:32:36,080

the dog is by her foot

2514

01:32:40,629 --> 01:32:38,400

and then

2515

01:32:43,669 --> 01:32:40,639

uncle bob's in the

2516

01:32:45,189 --> 01:32:43,679

and then all of a sudden boom

2517

01:32:47,669 --> 01:32:45,199

boom

2518

01:32:48,310 --> 01:32:47,679

he recalls uncle bob comes into his room

2519

01:32:49,669 --> 01:32:48,320

and

2520

01:32:51,830 --> 01:32:49,679

rapes him

2521

01:32:54,709 --> 01:32:51,840

molest him

2522

01:32:56,950 --> 01:32:54,719

then the whole thing just blows

2523

01:32:58,470 --> 01:32:56,960

and this is when you have somebody who's

2524

01:32:59,750 --> 01:32:58,480

had such a big release that they

2525

01:33:01,910 --> 01:32:59,760

literally could be

2526

01:33:03,990 --> 01:33:01,920

like on the floor barely can move you

2527

01:33:06,390 --> 01:33:04,000

know the energy is just

2528

01:33:07,110 --> 01:33:06,400

just blowing out of their arms and eyes

2529

01:33:09,189 --> 01:33:07,120

and

2530

01:33:10,790 --> 01:33:09,199

you know

2531

01:33:13,669 --> 01:33:10,800

so that's a

2532

01:33:15,270 --> 01:33:13,679

that's a fairly accurate probably the

2533

01:33:16,870 --> 01:33:15,280

best picture i can give you of how that

2534

01:33:22,709 --> 01:33:16,880

process works and why

2535

01:33:27,910 --> 01:33:25,430

so do you did they believe that everyone

2536

01:33:29,669 --> 01:33:27,920

has these traumatic

2537

01:33:31,510 --> 01:33:29,679

events in their childhood that they've

2538

01:33:34,149 --> 01:33:31,520

covered up in their own mind and then

2539

01:33:36,870 --> 01:33:34,159

they sort of mind their mind for these

2540

01:33:38,070 --> 01:33:36,880

things and get rid of them well

2541

01:33:39,590 --> 01:33:38,080

i i don't know if it's about them

2542

01:33:42,229 --> 01:33:39,600

believing i think that the fact of the

2543

01:33:45,669 --> 01:33:42,239

matter is we all have an unconscious

2544

01:33:48,390 --> 01:33:46,709

is

2545

01:33:50,229 --> 01:33:48,400

the thing

2546

01:33:53,750 --> 01:33:50,239

because you can get even deeper into

2547

01:33:56,870 --> 01:33:53,760

this thing where you get into um your

2548

01:33:58,870 --> 01:33:56,880

um genetic

2549

01:34:00,709 --> 01:33:58,880

history and then you get into the deeper

2550

01:34:02,229 --> 01:34:00,719

animal powers you know this gets into

2551

01:34:04,550 --> 01:34:02,239

shamanism

2552

01:34:06,149 --> 01:34:04,560

you know you start meeting

2553

01:34:08,229 --> 01:34:06,159

you know because you

2554

01:34:09,990 --> 01:34:08,239

you think you're stephen and you're

2555

01:34:11,030 --> 01:34:10,000

you're you're really nothing is really

2556

01:34:13,189 --> 01:34:11,040

yours

2557

01:34:14,550 --> 01:34:13,199

you're just being lipped this whole idea

2558

01:34:17,030 --> 01:34:14,560

that you know we we just have these

2559

01:34:19,350 --> 01:34:17,040

identities but we're an evolut we're an

2560

01:34:22,470 --> 01:34:19,360

evolutionary continuum

2561

01:34:24,870 --> 01:34:22,480

and all the animal powers were made of

2562

01:34:26,629 --> 01:34:24,880

so again you start the first thing is

2563

01:34:27,830 --> 01:34:26,639

really start clearing your childhood in

2564

01:34:30,070 --> 01:34:27,840

your life

2565

01:34:32,629 --> 01:34:30,080

and then that opens up deeper doors of

2566

01:34:34,709 --> 01:34:32,639

occult mysticism and again this is this

2567

01:34:36,950 --> 01:34:34,719

is way out there so this is something

2568

01:34:40,229 --> 01:34:36,960

that again this is then this is then

2569

01:34:41,830 --> 01:34:40,239

temple whole project process of this

2570

01:34:43,910 --> 01:34:41,840

but you don't the first thing is you

2571

01:34:44,830 --> 01:34:43,920

gotta attend to

2572

01:34:47,109 --> 01:34:44,840

uh your

2573

01:34:49,910 --> 01:34:47,119

life and uh

2574

01:34:51,830 --> 01:34:49,920

you never know what will happen

2575

01:34:54,390 --> 01:34:51,840

and arise because even in the best

2576

01:34:56,390 --> 01:34:54,400

scenarios the vast

2577

01:34:59,830 --> 01:34:56,400

child childhood

2578

01:35:01,350 --> 01:34:59,840

it is very common in affair in therapy

2579

01:35:03,189 --> 01:35:01,360

for someone to say oh what a great

2580

01:35:05,910 --> 01:35:03,199

childhood my mom was great my dad was

2581

01:35:07,669 --> 01:35:05,920

great good childhood right three weeks

2582

01:35:10,229 --> 01:35:07,679

into therapy all of a sudden they

2583

01:35:13,350 --> 01:35:10,239

discover oh

2584

01:35:15,669 --> 01:35:13,360

i had no idea that was affecting me

2585

01:35:18,470 --> 01:35:15,679

you know mom being nice

2586

01:35:20,390 --> 01:35:18,480

mom being nice but never being there i

2587

01:35:22,229 --> 01:35:20,400

love you honey gotta go

2588

01:35:23,350 --> 01:35:22,239

i love you honey

2589

01:35:24,870 --> 01:35:23,360

right

2590

01:35:26,790 --> 01:35:24,880

so he loves his mom he doesn't want to

2591

01:35:29,109 --> 01:35:26,800

think bad thoughts about his mom and

2592

01:35:31,030 --> 01:35:29,119

right and so he's going to be the best

2593

01:35:33,669 --> 01:35:31,040

of him she goes you'll be a strong you

2594

01:35:37,030 --> 01:35:33,679

be my man now you be my little man now

2595

01:35:37,910 --> 01:35:37,040

and you watch the house while i'm gone

2596

01:35:41,590 --> 01:35:37,920

that

2597

01:35:45,750 --> 01:35:43,990

on some level so we're affected on

2598

01:35:47,910 --> 01:35:45,760

levels that we

2599

01:35:49,830 --> 01:35:47,920

we actually are not even aware that have

2600

01:35:52,790 --> 01:35:49,840

that affected

2601
01:35:54,629 --> 01:35:52,800
and so you don't go digging for them

2602
01:35:58,149 --> 01:35:54,639
what you do is you follow things that

2603
01:36:00,390 --> 01:35:59,350
so you know if you're having a problem

2604
01:36:01,990 --> 01:36:00,400
with your

2605
01:36:03,430 --> 01:36:02,000
girlfriend

2606
01:36:04,950 --> 01:36:03,440
you know you know i don't know why i

2607
01:36:07,430 --> 01:36:04,960
keep feeling this way you go into

2608
01:36:09,669 --> 01:36:07,440
therapy and you follow that

2609
01:36:12,470 --> 01:36:09,679
and that will lead you where

2610
01:36:14,470 --> 01:36:12,480
it goes to the root

2611
01:36:16,629 --> 01:36:14,480
you know i don't like my job

2612
01:36:17,830 --> 01:36:16,639
or i feel intimidated by

2613
01:36:20,470 --> 01:36:17,840

my boss

2614

01:36:23,590 --> 01:36:20,480

and it's really affecting the way i do

2615

01:36:30,550 --> 01:36:25,830

you know those are the things those and

2616

01:36:36,870 --> 01:36:32,550

i can't stop thinking about that you

2617

01:36:40,310 --> 01:36:39,510

i i like that you are putting all of

2618

01:36:42,790 --> 01:36:40,320

your

2619

01:36:44,070 --> 01:36:42,800

experience together and trying to teach

2620

01:36:45,750 --> 01:36:44,080

others with it do you want to tell

2621

01:36:47,750 --> 01:36:45,760

everybody where they can get your books

2622

01:36:49,590 --> 01:36:47,760

and your website so that my listeners

2623

01:36:50,830 --> 01:36:49,600

can follow up with you yeah yeah just go

2624

01:36:53,270 --> 01:36:50,840

to uh

2625

01:36:57,109 --> 01:36:53,280

unspirituality.com that's probably the

2626

01:36:59,750 --> 01:36:57,119

best source i believe i've got

2627

01:37:01,430 --> 01:36:59,760

all of my books on there um my zen

2628

01:37:02,470 --> 01:37:01,440

temple just i don't know if it got

2629

01:37:04,550 --> 01:37:02,480

hacked

2630

01:37:07,669 --> 01:37:04,560

or what but

2631

01:37:09,669 --> 01:37:07,679

zen temple is down and uh

2632

01:37:11,990 --> 01:37:09,679

i think it got

2633

01:37:13,350 --> 01:37:12,000

i'm believing i'm i'm assuming it got

2634

01:37:14,790 --> 01:37:13,360

hacked

2635

01:37:16,709 --> 01:37:14,800

um

2636

01:37:18,310 --> 01:37:16,719

because i have yeah i saw your message

2637

01:37:19,830 --> 01:37:18,320

about that on facebook yeah i've got

2638

01:37:22,470 --> 01:37:19,840

that's weird i've got all sorts of

2639

01:37:25,030 --> 01:37:22,480

friends out there that love me

2640

01:37:26,229 --> 01:37:25,040

um let's just

2641

01:37:27,750 --> 01:37:26,239

but let me look real quick and

2642

01:37:29,590 --> 01:37:27,760

unspiritual and see if i got all my

2643

01:37:31,270 --> 01:37:29,600

books there hold on a second

2644

01:37:34,470 --> 01:37:31,280

so they'll just you can also search

2645

01:37:35,430 --> 01:37:34,480

amazon for unspirituality and i will pop

2646

01:37:37,669 --> 01:37:35,440

up

2647

01:37:40,030 --> 01:37:37,679

um but let me just check because i could

2648

01:37:43,350 --> 01:37:40,040

send you guys to

2649

01:37:45,030 --> 01:37:43,360

unspirituality.com if you go to the shop

2650

01:37:46,550 --> 01:37:45,040

and yeah just just go to

2651

01:37:49,430 --> 01:37:46,560

spirituality.com

2652

01:37:52,709 --> 01:37:49,440

and go click on shop and there's the

2653

01:37:55,189 --> 01:37:52,719

three books i have my my biography my

2654

01:37:57,270 --> 01:37:55,199

first book which is the philosophy the

2655

01:37:58,790 --> 01:37:57,280

basic philosophy and then i have my

2656

01:38:00,070 --> 01:37:58,800

children's book that i wrote and

2657

01:38:01,189 --> 01:38:00,080

narrated

2658

01:38:02,629 --> 01:38:01,199

and uh

2659

01:38:04,870 --> 01:38:02,639

so that would be the place to go and

2660

01:38:08,870 --> 01:38:04,880

then you can get to the youtube channel

2661

01:38:10,790 --> 01:38:08,880

also and the facebook group from there

2662

01:38:12,390 --> 01:38:10,800

and you can also book

2663

01:38:15,030 --> 01:38:12,400

you can also book a one-on-one session

2664

01:38:16,709 --> 01:38:15,040

with me it's sixty dollars an hour uh

2665

01:38:19,830 --> 01:38:16,719

just you know you want to just hang out

2666

01:38:22,070 --> 01:38:19,840

and pick my brain about stuff

2667

01:38:24,070 --> 01:38:22,080

well zen i want to thank you for hanging

2668

01:38:26,070 --> 01:38:24,080

out with me and letting me pick your

2669

01:38:28,149 --> 01:38:26,080

brain tonight it's been an awesome

2670

01:38:30,470 --> 01:38:28,159

experience

2671

01:38:31,830 --> 01:38:30,480

now my friends

2672

01:38:34,070 --> 01:38:31,840

i'd like to talk about some of the

2673

01:38:38,149 --> 01:38:34,080

things that have been going on lately

2674

01:38:45,189 --> 01:38:39,669

call it an update

2675

01:38:47,990 --> 01:38:45,199

a cosmic con man update if you will

2676
01:38:51,350 --> 01:38:48,000
bob lazar the cosmic con man we have

2677
01:38:52,709 --> 01:38:51,360
previously reported on

2678
01:38:53,669 --> 01:38:52,719
the man

2679
01:38:56,070 --> 01:38:53,679
who

2680
01:38:59,510 --> 01:38:56,080
so many times said i don't make any

2681
01:39:01,510 --> 01:38:59,520
money from telling this story

2682
01:39:04,149 --> 01:39:01,520
who has tried to cash in

2683
01:39:06,950 --> 01:39:04,159
every chance he got from selling models

2684
01:39:08,790 --> 01:39:06,960
and getting royalty checks from tester's

2685
01:39:11,350 --> 01:39:08,800
model corporation

2686
01:39:15,750 --> 01:39:11,360
to selling a vhs tape about his

2687
01:39:20,550 --> 01:39:15,760
incredible experience on vhs tape in the

2688
01:39:23,189 --> 01:39:20,560

back of science magazines in the 1980s

2689

01:39:26,870 --> 01:39:23,199

to this latest nightmare

2690

01:39:29,189 --> 01:39:26,880

attempt of his to make money

2691

01:39:31,270 --> 01:39:29,199

and stay famous

2692

01:39:34,229 --> 01:39:31,280

for telling his

2693

01:39:35,189 --> 01:39:34,239

fairy tales about working at area 51 at

2694

01:39:42,629 --> 01:39:35,199

a

2695

01:39:45,750 --> 01:39:42,639

not there

2696

01:39:50,470 --> 01:39:45,760

it's a fake a fraud

2697

01:39:57,030 --> 01:39:53,990

he's always been a con man

2698

01:40:00,390 --> 01:39:57,040

a likable con man i'll give you that

2699

01:40:03,910 --> 01:40:00,400

i wanted to believe him i love the story

2700

01:40:07,270 --> 01:40:03,920

i always wanted to believe him

2701

01:40:11,510 --> 01:40:07,280

it's fake folks it's a fraud

2702

01:40:15,910 --> 01:40:13,590

what's the latest on bob lazar the

2703

01:40:19,189 --> 01:40:15,920

latest on bob lazar is that he releases

2704

01:40:23,750 --> 01:40:21,430

and then people

2705

01:40:26,790 --> 01:40:23,760

who were close to this whole ufo con

2706

01:40:28,390 --> 01:40:26,800

story at the start say

2707

01:40:32,070 --> 01:40:28,400

wait

2708

01:40:33,350 --> 01:40:32,080

babazar couldn't have written this book

2709

01:40:36,149 --> 01:40:33,360

there's so many things that are

2710

01:40:39,030 --> 01:40:36,159

inaccurate in it about

2711

01:40:44,950 --> 01:40:42,870

one of those my friends was john leer

2712

01:40:47,430 --> 01:40:44,960

john leer was there since the start of

2713

01:40:50,149 --> 01:40:47,440

this bs story

2714

01:40:52,470 --> 01:40:50,159

i think he's qualified

2715

01:40:54,870 --> 01:40:52,480

to say a facts about

2716

01:40:57,510 --> 01:40:54,880

the sequence of events that allegedly

2717

01:41:01,510 --> 01:40:57,520

occurred are accurate or not and he read

2718

01:41:03,510 --> 01:41:01,520

the book and lost his mind on facebook

2719

01:41:05,270 --> 01:41:03,520

talking about

2720

01:41:07,669 --> 01:41:05,280

it was a ghost writer it had to be a

2721

01:41:09,030 --> 01:41:07,679

ghostwriter because all this is wrong

2722

01:41:11,350 --> 01:41:09,040

and this detail's wrong and that

2723

01:41:14,470 --> 01:41:11,360

detail's wrong i don't know did bob

2724

01:41:15,510 --> 01:41:14,480

lazar just get some ghost writer

2725

01:41:17,669 --> 01:41:15,520

like

2726

01:41:20,470 --> 01:41:17,679

gee

2727

01:41:23,750 --> 01:41:20,480

considering the publisher was

2728

01:41:25,430 --> 01:41:23,760

actually tsa of this supposed

2729

01:41:28,709 --> 01:41:25,440

autobiography

2730

01:41:31,510 --> 01:41:28,719

written by bob lazar but

2731

01:41:34,550 --> 01:41:31,520

wasn't really written by bob lazar uh

2732

01:41:36,149 --> 01:41:34,560

yeah and tsa tried to hide

2733

01:41:37,990 --> 01:41:36,159

initially the fact that they were

2734

01:41:40,629 --> 01:41:38,000

involved with the publication of this

2735

01:41:44,390 --> 01:41:42,149

why would they hide that they were the

2736

01:41:46,470 --> 01:41:44,400

publishers

2737

01:41:47,750 --> 01:41:46,480

tom delong's sister

2738

01:41:48,629 --> 01:41:47,760

registered

2739

01:41:52,149 --> 01:41:48,639

the

2740

01:41:53,830 --> 01:41:52,159

book

2741

01:41:59,109 --> 01:41:53,840

they were a little sloppy didn't cover

2742

01:42:03,830 --> 01:42:01,510

how much money did bob lazar get paid

2743

01:42:05,830 --> 01:42:03,840

from ttsa

2744

01:42:08,310 --> 01:42:05,840

for his book

2745

01:42:10,550 --> 01:42:08,320

so we've got tom de long taking public

2746

01:42:12,390 --> 01:42:10,560

money for investments in his company

2747

01:42:14,550 --> 01:42:12,400

ttsa

2748

01:42:15,830 --> 01:42:14,560

giving a whole bunch of money to bob

2749

01:42:19,830 --> 01:42:15,840

lazar

2750

01:42:22,310 --> 01:42:21,030

i don't know

2751
01:42:24,709 --> 01:42:22,320
friends

2752
01:42:28,629 --> 01:42:24,719
none of this sits well with me

2753
01:42:30,709 --> 01:42:28,639
you're taking money from the public

2754
01:42:35,750 --> 01:42:30,719
in investments and then you're giving

2755
01:42:41,590 --> 01:42:38,070
i just i'm not sure

2756
01:42:43,990 --> 01:42:41,600
that this sounds legitimate to me

2757
01:42:45,750 --> 01:42:44,000
but hey i'm not a lawyer you know i'm

2758
01:42:47,350 --> 01:42:45,760
not law enforcement

2759
01:42:50,229 --> 01:42:47,360
so

2760
01:42:51,109 --> 01:42:50,239
all i can do is have an opinion that i

2761
01:42:53,270 --> 01:42:51,119
think

2762
01:42:56,470 --> 01:42:53,280
something's not right here

2763
01:43:00,310 --> 01:42:56,480

especially considering how thoroughly

2764

01:43:02,390 --> 01:43:00,320

bob lazar has been debunked

2765

01:43:04,310 --> 01:43:02,400

i believe that

2766

01:43:07,189 --> 01:43:04,320

it's it's pretty convincing that bob

2767

01:43:10,229 --> 01:43:07,199

lazar is a complete and total fraud

2768

01:43:13,189 --> 01:43:10,239

so tsa who's supposed to do disclosure

2769

01:43:15,510 --> 01:43:13,199

and all these things

2770

01:43:19,109 --> 01:43:15,520

took a bunch of money from the public

2771

01:43:23,510 --> 01:43:21,830

why would they do that friends

2772

01:43:26,310 --> 01:43:23,520

and

2773

01:43:28,870 --> 01:43:26,320

just how much money did bob lazar get

2774

01:43:33,350 --> 01:43:30,149

well

2775

01:43:35,830 --> 01:43:33,360

i'm gonna speculate here

2776

01:43:39,189 --> 01:43:35,840

on how much he got paid just a little

2777

01:43:41,830 --> 01:43:39,199

bit i'm gonna speculate

2778

01:43:45,750 --> 01:43:41,840

because of this

2779

01:43:50,950 --> 01:43:48,470

is suddenly

2780

01:43:51,669 --> 01:43:50,960

recently moving

2781

01:43:52,870 --> 01:43:51,679

to

2782

01:43:56,390 --> 01:43:52,880

a

2783

01:44:00,310 --> 01:43:56,400

property

2784

01:44:03,990 --> 01:44:01,750

folks he bought

2785

01:44:09,030 --> 01:44:04,000

uh property worth more than a million

2786

01:44:17,750 --> 01:44:10,390

right after

2787

01:44:21,030 --> 01:44:19,590

now

2788

01:44:22,470 --> 01:44:21,040

friends

2789

01:44:24,870 --> 01:44:22,480

some make all these rumors and

2790

01:44:27,830 --> 01:44:24,880

speculation

2791

01:44:31,350 --> 01:44:27,840

but there are good sources confirming

2792

01:44:36,550 --> 01:44:31,360

that this is true bob lazar bought a

2793

01:44:40,790 --> 01:44:39,109

pulling up stakes

2794

01:44:46,709 --> 01:44:40,800

moving

2795

01:44:51,669 --> 01:44:49,830

friends i find it a little coincidental

2796

01:44:56,470 --> 01:44:51,679

that bob lazar would suddenly buy a

2797

01:44:56,480 --> 01:45:00,390

his book got published

2798

01:45:05,189 --> 01:45:02,229

i don't think it's a coincidence friends

2799

01:45:06,709 --> 01:45:05,199

and i think that a reasonable person

2800

01:45:09,109 --> 01:45:06,719

could assume

2801

01:45:13,430 --> 01:45:09,119

that bob lazar got paid

2802

01:45:20,550 --> 01:45:15,430

from ttsa

2803

01:45:24,870 --> 01:45:22,870

i gotta say i've been following this bob

2804

01:45:30,790 --> 01:45:24,880

lazar guy for

2805

01:45:34,470 --> 01:45:31,990

i guess

2806

01:45:35,669 --> 01:45:34,480

my friends it just gets curiouser and

2807

01:45:37,830 --> 01:45:35,679

curiouser

2808

01:45:40,310 --> 01:45:37,840

i i call it the curious case of bob

2809

01:45:42,790 --> 01:45:40,320

lazar lately

2810

01:45:47,590 --> 01:45:42,800

and another thing friends

2811

01:45:52,550 --> 01:45:50,310

several people have pointed out to me a

2812

01:45:54,870 --> 01:45:52,560

speech that george knapp who broke the

2813

01:45:57,109 --> 01:45:54,880

bob lazar story and has been milking

2814

01:45:59,030 --> 01:45:57,119

that cow

2815

01:46:01,270 --> 01:45:59,040

faithfully

2816

01:46:03,109 --> 01:46:01,280

george knapp has milked this bubble as

2817

01:46:04,310 --> 01:46:03,119

our cow it looks like

2818

01:46:07,270 --> 01:46:04,320

you know

2819

01:46:09,990 --> 01:46:07,280

it's like a it's it's like a blimp going

2820

01:46:13,590 --> 01:46:10,000

down but george knapp is determined to

2821

01:46:14,950 --> 01:46:13,600

ride that blimp all the way down man he

2822

01:46:19,030 --> 01:46:14,960

is not

2823

01:46:21,030 --> 01:46:19,040

letting go of this story he has been

2824

01:46:21,910 --> 01:46:21,040

supporting this story

2825

01:46:23,830 --> 01:46:21,920

for

2826

01:46:31,030 --> 01:46:23,840

decades

2827

01:46:33,750 --> 01:46:31,040

so a few people after my bob lazar

2828

01:46:34,950 --> 01:46:33,760

bombshells report

2829

01:46:37,750 --> 01:46:34,960

sent me

2830

01:46:38,830 --> 01:46:37,760

links and

2831

01:46:43,189 --> 01:46:38,840

it was very

2832

01:46:44,950 --> 01:46:43,199

curious because in a speech george knapp

2833

01:46:48,550 --> 01:46:44,960

said

2834

01:46:52,830 --> 01:46:50,229

he knew

2835

01:46:55,830 --> 01:46:52,840

where some of this element 115 was

2836

01:46:59,030 --> 01:46:55,840

buried and maybe after bob was gone he

2837

01:46:59,040 --> 01:47:01,830

friends

2838

01:47:05,750 --> 01:47:03,830

people have been

2839

01:47:09,750 --> 01:47:05,760

basically calling bob lazar and george

2840

01:47:12,229 --> 01:47:09,760

and apple liar for years

2841

01:47:14,950 --> 01:47:12,239

if george knapp could really just go dig

2842

01:47:17,590 --> 01:47:14,960

up the element 115 drop it down on the

2843

01:47:19,270 --> 01:47:17,600

table and say here [h__h] here's the

2844

01:47:20,830 --> 01:47:19,280

proof

2845

01:47:24,709 --> 01:47:20,840

don't you think he would do

2846

01:47:28,550 --> 01:47:24,719

it he said he knows where it's buried

2847

01:47:33,030 --> 01:47:30,629

you've been making money off of this

2848

01:47:35,510 --> 01:47:33,040

story for 30 years

2849

01:47:37,830 --> 01:47:35,520

if you really had the proof

2850

01:47:39,270 --> 01:47:37,840

would you wait 30 years

2851
01:47:40,310 --> 01:47:39,280
to pull it out

2852
01:47:43,350 --> 01:47:40,320
prove

2853
01:47:46,950 --> 01:47:43,360
that this story is true

2854
01:47:49,350 --> 01:47:46,960
would you really wait 30 years or

2855
01:47:50,470 --> 01:47:49,360
more than 30 years right because you

2856
01:47:53,189 --> 01:47:50,480
haven't

2857
01:47:55,189 --> 01:47:53,199
went back and dug up that element 115

2858
01:47:57,910 --> 01:47:55,199
and dropped it down and said here's the

2859
01:47:59,270 --> 01:47:57,920
proof [h__\h] not yet

2860
01:48:01,030 --> 01:47:59,280
mr nap

2861
01:48:04,310 --> 01:48:01,040
not yet

2862
01:48:05,270 --> 01:48:04,320
and you mr knapp were extremely nasty to

2863
01:48:08,390 --> 01:48:05,280

me

2864

01:48:09,750 --> 01:48:08,400

when i sent you the proof

2865

01:48:12,870 --> 01:48:09,760

that

2866

01:48:14,950 --> 01:48:12,880

the raid on bob lazar's business had

2867

01:48:16,550 --> 01:48:14,960

absolutely nothing to do with flying

2868

01:48:19,669 --> 01:48:16,560

saucer fuel

2869

01:48:22,229 --> 01:48:19,679

or bob lazar's crazy

2870

01:48:26,550 --> 01:48:22,239

science fiction fantasy stories about

2871

01:48:29,189 --> 01:48:26,560

working on alien spacecraft in area 51

2872

01:48:33,030 --> 01:48:29,199

that fbi raid was a criminal

2873

01:48:37,910 --> 01:48:34,629

jeremy corbell

2874

01:48:40,950 --> 01:48:37,920

you and bob lazar perpetrated a fraud on

2875

01:48:43,510 --> 01:48:40,960

everyone it's a fraud

2876

01:48:46,149 --> 01:48:43,520

what you did

2877

01:48:48,149 --> 01:48:46,159

in this documentary

2878

01:48:50,390 --> 01:48:48,159

you made it seem like the government the

2879

01:48:53,350 --> 01:48:50,400

fbi was there raiding

2880

01:48:56,149 --> 01:48:53,360

bob lazar's place to get

2881

01:48:58,310 --> 01:48:56,159

this flying saucer fuel to steal it back

2882

01:48:59,750 --> 01:48:58,320

from him a plot device that was already

2883

01:49:01,590 --> 01:48:59,760

used in the original hollywood

2884

01:49:03,109 --> 01:49:01,600

screenplay which by the way was never

2885

01:49:04,790 --> 01:49:03,119

made

2886

01:49:06,870 --> 01:49:04,800

but you borrowed that plot device for

2887

01:49:07,990 --> 01:49:06,880

your so-called documentary

2888

01:49:12,950 --> 01:49:08,000

right

2889

01:49:17,750 --> 01:49:15,430

i proved by speaking to people that were

2890

01:49:20,149 --> 01:49:17,760

actually involved in the raid

2891

01:49:22,709 --> 01:49:20,159

that you lied it had nothing to do with

2892

01:49:24,709 --> 01:49:22,719

element 115. bob lazar wasn't under

2893

01:49:26,950 --> 01:49:24,719

surveillance and no there wasn't 30 or

2894

01:49:29,830 --> 01:49:26,960

40 agents there no there was less than

2895

01:49:32,870 --> 01:49:29,840

there was 10 or less i believe

2896

01:49:35,430 --> 01:49:32,880

as i recall we proved all that

2897

01:49:37,430 --> 01:49:35,440

i sent george knapp the proof

2898

01:49:39,750 --> 01:49:37,440

and he was so nasty to me i couldn't

2899

01:49:42,149 --> 01:49:39,760

believe it like i'm sorry george that i

2900

01:49:45,430 --> 01:49:42,159

got you here dead to rights lying to

2901

01:49:49,910 --> 01:49:47,189

but here's what the police say here's

2902

01:49:52,390 --> 01:49:49,920

what the fbi say i talked to them i

2903

01:49:54,390 --> 01:49:52,400

spoke with them in detail i got the real

2904

01:49:58,390 --> 01:49:54,400

story of what happened that day george

2905

01:49:59,669 --> 01:49:58,400

knapp i'm sorry if you don't like it

2906

01:50:02,070 --> 01:49:59,679

george knapp

2907

01:50:06,229 --> 01:50:02,080

i'm sorry if i caught you lying to

2908

01:50:10,550 --> 01:50:08,790

then you send me a nasty message oh well

2909

01:50:12,149 --> 01:50:10,560

i've covered many murders how many

2910

01:50:13,669 --> 01:50:12,159

murders have you covered you don't know

2911

01:50:15,750 --> 01:50:13,679

what you're doing what do you mean i

2912

01:50:18,550 --> 01:50:15,760

don't know what i'm doing listen george

2913

01:50:21,109 --> 01:50:18,560

knapp i'm not a crack ace reporter like

2914

01:50:23,669 --> 01:50:21,119

you you're right but i got a notepad and

2915

01:50:26,310 --> 01:50:23,679

a pencil right i can write down what the

2916

01:50:30,870 --> 01:50:26,320

fbi guy that was actually there that day

2917

01:50:35,350 --> 01:50:33,030

george knapp implied that i do not have

2918

01:50:37,270 --> 01:50:35,360

the investigative skills to get to the

2919

01:50:40,550 --> 01:50:37,280

real truth

2920

01:50:43,669 --> 01:50:40,560

i'm sorry george knapp you're wrong

2921

01:50:46,709 --> 01:50:43,679

i talked to the fbi i talked to the

2922

01:50:48,629 --> 01:50:46,719

local police chief

2923

01:50:52,709 --> 01:50:48,639

i talked to people that were there that

2924

01:50:55,350 --> 01:50:52,719

day doing this raid that you guys wove

2925

01:51:00,629 --> 01:50:55,360

into your science fiction

2926

01:51:04,790 --> 01:51:02,790

i believe when that fbi raid happened

2927

01:51:06,550 --> 01:51:04,800

you guys lit up like christmas trees

2928

01:51:08,310 --> 01:51:06,560

going yeah man let's figure out how to

2929

01:51:12,790 --> 01:51:08,320

put this in get some pictures or

2930

01:51:17,030 --> 01:51:15,030

you got caught dead the rights lying to

2931

01:51:19,189 --> 01:51:17,040

everyone george knapp

2932

01:51:21,910 --> 01:51:19,199

but it wasn't just you lying everyone it

2933

01:51:24,149 --> 01:51:21,920

was bob lazar but i'm kind of used to

2934

01:51:25,830 --> 01:51:24,159

bob lazar lying to everyone i've been

2935

01:51:30,070 --> 01:51:25,840

catching him lying to everyone for a

2936

01:51:33,350 --> 01:51:30,950

and

2937

01:51:37,510 --> 01:51:33,360

who else helped you oh that's right

2938

01:51:44,310 --> 01:51:41,270

jeremy corbell purposely left out every

2939

01:51:47,030 --> 01:51:44,320

factual piece of evidence that would

2940

01:51:48,870 --> 01:51:47,040

prove that bob lazar was lying

2941

01:51:51,510 --> 01:51:48,880

from his so-called documentary it's not

2942

01:51:52,629 --> 01:51:51,520

a documentary folks

2943

01:51:55,510 --> 01:51:52,639

there's no

2944

01:51:57,270 --> 01:51:55,520

money if you just put out a documentary

2945

01:52:00,629 --> 01:51:57,280

with all the proof that this guy's a

2946

01:52:03,030 --> 01:52:00,639

liar and a fraud and a con man

2947

01:52:05,350 --> 01:52:03,040

there's no money in that

2948

01:52:07,510 --> 01:52:05,360

you gotta have a story that just may be

2949

01:52:11,189 --> 01:52:07,520

true and that's what

2950

01:52:12,550 --> 01:52:11,199

corbell did it's not a documentary

2951
01:52:14,870 --> 01:52:12,560
he lied

2952
01:52:18,790 --> 01:52:14,880
to everyone's faces

2953
01:52:22,550 --> 01:52:20,470
and so we have

2954
01:52:24,310 --> 01:52:22,560
jeremy corbell lying to everyone we have

2955
01:52:26,709 --> 01:52:24,320
george knapp lying to everyone we have

2956
01:52:28,550 --> 01:52:26,719
ttsa trying to cover up

2957
01:52:31,189 --> 01:52:28,560
the fact that they're the publisher of

2958
01:52:33,830 --> 01:52:31,199
bob lazar's book tom delong didn't want

2959
01:52:35,030 --> 01:52:33,840
you to know that he was also in on this

2960
01:52:42,310 --> 01:52:35,040
con

2961
01:52:42,320 --> 01:52:45,990
everyone but me

2962
01:52:49,910 --> 01:52:48,229
i feel a little left out

2963
01:52:53,669 --> 01:52:49,920

after all

2964

01:52:57,990 --> 01:52:54,470

but

2965

01:52:58,950 --> 01:52:58,000

the truth what is that worth

2966

01:53:00,229 --> 01:52:58,960

folks

2967

01:53:02,550 --> 01:53:00,239

i have

2968

01:53:05,830 --> 01:53:02,560

i think like i 20

2969

01:53:07,189 --> 01:53:05,840

a month on patreon that's my current

2970

01:53:08,790 --> 01:53:07,199

show's

2971

01:53:12,070 --> 01:53:08,800

financial

2972

01:53:14,310 --> 01:53:12,080

windfall right

2973

01:53:17,510 --> 01:53:14,320

there are people making a million

2974

01:53:23,750 --> 01:53:17,520

dollars selling lies

2975

01:53:27,750 --> 01:53:24,950

you know

2976

01:53:30,149 --> 01:53:27,760

i'd sure like to have a million dollars

2977

01:53:33,109 --> 01:53:30,159

but i'm kind of proud that i got to 20

2978

01:53:35,270 --> 01:53:33,119

honestly by telling the truth

2979

01:53:37,830 --> 01:53:35,280

hey man what if that trend continued

2980

01:53:40,629 --> 01:53:37,840

wouldn't that be a cool thing

2981

01:53:43,830 --> 01:53:40,639

so listen if you guys like hearing the

2982

01:53:46,950 --> 01:53:43,840

truth behind these things come on man

2983

01:53:49,669 --> 01:53:46,960

give me a dollar right a dollar a month

2984

01:53:51,910 --> 01:53:49,679

that's what patreon uh has is that's

2985

01:53:54,470 --> 01:53:51,920

what we have right now on the patreon

2986

01:53:56,950 --> 01:53:54,480

here as the minimum for a dollar a month

2987

01:53:58,550 --> 01:53:56,960

you can help me do this

2988

01:54:01,189 --> 01:53:58,560

you can help me keep doing this you can

2989

01:54:06,310 --> 01:54:01,199

help me do this better maybe

2990

01:54:09,270 --> 01:54:07,350

but hey

2991

01:54:11,270 --> 01:54:09,280

if you don't have a dollar

2992

01:54:12,709 --> 01:54:11,280

i you know i've told people this if

2993

01:54:14,470 --> 01:54:12,719

you're really that

2994

01:54:16,149 --> 01:54:14,480

interested in the show and you don't and

2995

01:54:18,390 --> 01:54:16,159

you don't have the dollar

2996

01:54:20,950 --> 01:54:18,400

if you're really broke hey i've been

2997

01:54:22,070 --> 01:54:20,960

there i kind of am there now so i

2998

01:54:24,070 --> 01:54:22,080

understand if people don't have the

2999

01:54:25,910 --> 01:54:24,080

dollar just send me a message i'll send

3000

01:54:27,430 --> 01:54:25,920

you the same benefits that the patrons

3001
01:54:28,390 --> 01:54:27,440
are getting if you're that interested in

3002
01:54:30,310 --> 01:54:28,400
the show

3003
01:54:31,589 --> 01:54:30,320
maybe you could catch up later whatever

3004
01:54:33,830 --> 01:54:31,599
you want to do

3005
01:54:35,910 --> 01:54:33,840
but i do appreciate the support of those

3006
01:54:37,589 --> 01:54:35,920
who have already signed up for this

3007
01:54:39,750 --> 01:54:37,599
patreon thing

3008
01:54:42,550 --> 01:54:39,760
i thought this might be a good way to

3009
01:54:46,470 --> 01:54:42,560
get a little bit more resources uh

3010
01:54:47,430 --> 01:54:46,480
available to us and i hope it grows

3011
01:54:51,270 --> 01:54:47,440
just

3012
01:54:53,990 --> 01:54:51,280
go to patreon and you can search

3013
01:54:56,550 --> 01:54:54,000

in the search box for steven cambion

3014

01:54:58,950 --> 01:54:56,560

you'll find the patreon there

3015

01:55:01,990 --> 01:54:58,960

i would really appreciate the support

3016

01:55:03,510 --> 01:55:02,000

you get a lot of uh stuff if you sign up

3017

01:55:06,550 --> 01:55:03,520

as a patron

3018

01:55:09,109 --> 01:55:06,560

you get early show access you get early

3019

01:55:11,910 --> 01:55:09,119

archive of all the shows

3020

01:55:13,990 --> 01:55:11,920

you get the mind hack previews and we're

3021

01:55:15,910 --> 01:55:14,000

working on a way to give everybody an

3022

01:55:18,550 --> 01:55:15,920

alpha version of this

3023

01:55:20,550 --> 01:55:18,560

alto s thing that i've been working on

3024

01:55:21,589 --> 01:55:20,560

so go to patreon

3025

01:55:23,990 --> 01:55:21,599

and

3026

01:55:27,189 --> 01:55:24,000

search for steven cambion sign up for a

3027

01:55:30,390 --> 01:55:27,199

dollar i would sincerely appreciate your

3028

01:55:33,990 --> 01:55:32,229

well friends our time is once again

3029

01:55:35,109 --> 01:55:34,000

running short here on the midnight hour

3030

01:55:37,270 --> 01:55:35,119

show

3031

01:55:41,430 --> 01:55:37,280

thanks for joining us until next week

3032

01:55:44,870 --> 01:55:41,440

folks i'm steven cambion reminding you

3033

01:55:48,630 --> 01:55:44,880

the truth will set you free but first it
