

1
00:00:33,350 --> 00:00:00,630

[Music]

2
00:00:37,430 --> 00:00:35,510

okay so our guest tonight is cal korff

3
00:00:40,069 --> 00:00:37,440

who has been

4
00:00:42,869 --> 00:00:40,079

one of the people that have

5
00:00:46,229 --> 00:00:42,879

been exposing frauds and what i call

6
00:00:47,110 --> 00:00:46,239

cosmic con men for literally decades and

7
00:00:48,869 --> 00:00:47,120

we're

8
00:00:50,790 --> 00:00:48,879

anxious and happy to have him back here

9
00:00:52,630 --> 00:00:50,800

tonight because he's got sort of a

10
00:00:55,670 --> 00:00:52,640

special presentation

11
00:00:58,709 --> 00:00:55,680

on a couple of different things

12
00:01:00,229 --> 00:00:58,719

cal where do we begin with this

13
00:01:02,069 --> 00:01:00,239

well thanks steve for having me on here

14

00:01:04,310 --> 00:01:02,079

again i really appreciate this

15

00:01:06,070 --> 00:01:04,320

uh i appreciate especially the

16

00:01:08,390 --> 00:01:06,080

opportunity here

17

00:01:09,510 --> 00:01:08,400

to put together a bunch of visuals give

18

00:01:12,789 --> 00:01:09,520

them to you

19

00:01:14,310 --> 00:01:12,799

they represent and will show here what

20

00:01:16,390 --> 00:01:14,320

i've been working on

21

00:01:18,390 --> 00:01:16,400

for years and different countries

22

00:01:20,149 --> 00:01:18,400

uh on these different projects you know

23

00:01:21,270 --> 00:01:20,159

the hill case for example goes back

24

00:01:23,510 --> 00:01:21,280

quite a ways

25

00:01:26,870 --> 00:01:23,520

so the first slide which i'll be sending

26

00:01:29,109 --> 00:01:26,880

to you which can be put to this audio is

27

00:01:32,630 --> 00:01:29,119

it's called real ufo disclosure one

28

00:01:34,310 --> 00:01:32,640

event it was from october 19 2019

29

00:01:36,390 --> 00:01:34,320

there's a reason that date was chosen

30

00:01:37,910 --> 00:01:36,400

and i'll get to that in a moment and the

31

00:01:40,310 --> 00:01:37,920

reason i decided to call this whole

32

00:01:43,429 --> 00:01:40,320

thing real ufo disclosure is because i

33

00:01:46,469 --> 00:01:43,439

am sick and tired of hearing the phrase

34

00:01:49,510 --> 00:01:46,479

ufo disclosure ufo disclosure and

35

00:01:52,310 --> 00:01:49,520

promises of disclosure when nothing even

36

00:01:54,710 --> 00:01:52,320

close to what they say is disclosure

37

00:01:57,429 --> 00:01:54,720

ever happens you know you got ufo people

38

00:01:59,350 --> 00:01:57,439

out there who lie and say oh yeah pay me

39

00:02:01,030 --> 00:01:59,360

money and i'll set up a contact for you

40

00:02:02,789 --> 00:02:01,040

to meet aliens or channel them or

41

00:02:04,149 --> 00:02:02,799

whatever it's all

42

00:02:06,469 --> 00:02:04,159

not true

43

00:02:09,510 --> 00:02:06,479

just recently we did an investigation

44

00:02:11,910 --> 00:02:09,520

into this east city ranch which people

45

00:02:13,830 --> 00:02:11,920

have told me i have more than one source

46

00:02:15,830 --> 00:02:13,840

that it's a it's a light show they put

47

00:02:17,830 --> 00:02:15,840

on a light show charge you lots of money

48

00:02:20,309 --> 00:02:17,840

to come see these ufos somebody's off in

49

00:02:21,670 --> 00:02:20,319

the distance on a mountain

50

00:02:23,510 --> 00:02:21,680

making you

51
00:02:25,430 --> 00:02:23,520
believe that you're seeing something

52
00:02:28,150 --> 00:02:25,440
that you're not seeing

53
00:02:30,710 --> 00:02:28,160
yep i you know i that old technique goes

54
00:02:33,270 --> 00:02:30,720
back to billy meyer if not earlier maybe

55
00:02:34,790 --> 00:02:33,280
adamski his guys it's simple i'd like to

56
00:02:36,070 --> 00:02:34,800
see them do this in front of the police

57
00:02:38,229 --> 00:02:36,080
are under scientifically controlled

58
00:02:40,390 --> 00:02:38,239
conditions of course they won't these

59
00:02:43,830 --> 00:02:40,400
are con artists and frauds and i'll be

60
00:02:45,509 --> 00:02:43,840
very blunt i'm just that kind of guy and

61
00:02:47,589 --> 00:02:45,519
i admit ever since i left the united

62
00:02:50,390 --> 00:02:47,599
states in the year 2000 i became very

63
00:02:52,869 --> 00:02:50,400

much more blunt because i found that it

64

00:02:54,550 --> 00:02:52,879

just needed to be that way in some parts

65

00:02:56,710 --> 00:02:54,560

of the world and i found it very

66

00:02:59,190 --> 00:02:56,720

frustrating as an american to come to

67

00:03:01,270 --> 00:02:59,200

the u.s and hear and see and read this

68

00:03:03,350 --> 00:03:01,280

stuff about there being you know

69

00:03:05,030 --> 00:03:03,360

everything everybody talks around the

70

00:03:06,070 --> 00:03:05,040

truth and not the truth but doesn't

71

00:03:08,309 --> 00:03:06,080

really

72

00:03:10,470 --> 00:03:08,319

call people out and say look you're just

73

00:03:12,309 --> 00:03:10,480

not telling the truth

74

00:03:15,750 --> 00:03:12,319

i think that's so important because what

75

00:03:19,270 --> 00:03:15,760

i have witnessed is you know this sort

76

00:03:21,110 --> 00:03:19,280

of diplomacy in this so-called community

77

00:03:24,229 --> 00:03:21,120

and it's all centered around money it's

78

00:03:25,910 --> 00:03:24,239

kind of like well uh i'm making my money

79

00:03:28,070 --> 00:03:25,920

and let them do whatever they're going

80

00:03:29,509 --> 00:03:28,080

to do and and even some of my guests off

81

00:03:30,869 --> 00:03:29,519

the record have talked to me like you

82

00:03:32,789 --> 00:03:30,879

know uh

83

00:03:34,149 --> 00:03:32,799

you know they're just trying to make a

84

00:03:36,229 --> 00:03:34,159

living but

85

00:03:38,309 --> 00:03:36,239

if you're making a living selling fairy

86

00:03:40,070 --> 00:03:38,319

tales i have a problem with that and i

87

00:03:41,430 --> 00:03:40,080

think people shouldn't be diplomatic

88

00:03:44,710 --> 00:03:41,440

you're right they should just call a

89

00:03:47,030 --> 00:03:44,720

spade a spade and let's move on

90

00:03:48,949 --> 00:03:47,040

yeah i mean i'm you know old enough

91

00:03:51,589 --> 00:03:48,959

where i remember this going back decades

92

00:03:53,350 --> 00:03:51,599

where i could still be friends and and

93

00:03:54,470 --> 00:03:53,360

remain friends with people like wendell

94

00:03:57,589 --> 00:03:54,480

stevens

95

00:03:59,190 --> 00:03:57,599

but he was a uh

96

00:04:01,670 --> 00:03:59,200

fraud in that he helped promote the

97

00:04:04,070 --> 00:04:01,680

billy meyer fraud i am the one that

98

00:04:07,589 --> 00:04:04,080

exposed the story about him as you know

99

00:04:09,270 --> 00:04:07,599

about uh his uh child molest molesting

100

00:04:10,869 --> 00:04:09,280

the fact he was convicted for that and i

101
00:04:13,030 --> 00:04:10,879
thought about that because we mentioned

102
00:04:13,990 --> 00:04:13,040
it quickly and briefly in the show last

103
00:04:15,910 --> 00:04:14,000
week

104
00:04:18,390 --> 00:04:15,920
this idea that well we don't really know

105
00:04:19,909 --> 00:04:18,400
for sure and he was framed

106
00:04:21,909 --> 00:04:19,919
nonsense if you look at the court

107
00:04:24,870 --> 00:04:21,919
records and they're beyond dispute it

108
00:04:27,990 --> 00:04:24,880
was 15 counts he pled guilty to three in

109
00:04:30,629 --> 00:04:28,000
a plea bargaining arrangement 21 years

110
00:04:31,830 --> 00:04:30,639
uh to serve concurrently so it's only uh

111
00:04:33,590 --> 00:04:31,840
three seven year terms to

112
00:04:36,710 --> 00:04:33,600
circumcurrently otherwise it would have

113
00:04:38,550 --> 00:04:36,720

been a longer stint and wendell called a

114

00:04:40,629 --> 00:04:38,560

friend of mine just so you know then

115

00:04:42,950 --> 00:04:40,639

greg long now i'm not it's not the same

116

00:04:45,350 --> 00:04:42,960

great long that i later worked with to

117

00:04:47,110 --> 00:04:45,360

expose a patterson case he had done his

118

00:04:49,350 --> 00:04:47,120

own investigation i had done mine we

119

00:04:51,189 --> 00:04:49,360

cooperated on that book the making of

120

00:04:53,510 --> 00:04:51,199

bigfoot which remains the ultimate

121

00:04:55,990 --> 00:04:53,520

expose of the patterson film was part of

122

00:04:58,310 --> 00:04:56,000

a geographic show we did etc anyway it's

123

00:05:01,350 --> 00:04:58,320

a different greg long but because

124

00:05:03,510 --> 00:05:01,360

wendell uh thought i had cia connections

125

00:05:05,830 --> 00:05:03,520

and that this greg long did who was a

126

00:05:07,350 --> 00:05:05,840

friend of mine he called after he was

127

00:05:08,790 --> 00:05:07,360

arrested and said can you pull strings

128

00:05:10,550 --> 00:05:08,800

and help get me off

129

00:05:12,629 --> 00:05:10,560

and we told him we'll see what we can do

130

00:05:13,990 --> 00:05:12,639

and of course we could do nothing and we

131

00:05:16,150 --> 00:05:14,000

did nothing and this is a matter of

132

00:05:17,830 --> 00:05:16,160

record i mean i'm not repeat i'm not

133

00:05:19,590 --> 00:05:17,840

telling you something that

134

00:05:21,430 --> 00:05:19,600

people don't know if they don't know

135

00:05:23,909 --> 00:05:21,440

it's because they don't know the history

136

00:05:26,710 --> 00:05:23,919

going back and that's their fault uh

137

00:05:27,670 --> 00:05:26,720

meaning it's been out there for decades

138

00:05:28,950 --> 00:05:27,680

and

139

00:05:30,870 --> 00:05:28,960

this is another point i want to

140

00:05:34,230 --> 00:05:30,880

emphasize in this show going forward

141

00:05:37,029 --> 00:05:34,240

history matters so when someone tells me

142

00:05:39,830 --> 00:05:37,039

that arts parts could be real

143

00:05:41,830 --> 00:05:39,840

when i exposed it it's a chapter in my

144

00:05:43,430 --> 00:05:41,840

book the roswell ufo crash what they

145

00:05:46,870 --> 00:05:43,440

don't want you to know

146

00:05:48,870 --> 00:05:46,880

from 1997 the lab report is cited in

147

00:05:52,150 --> 00:05:48,880

there including artwell admitting it's a

148

00:05:54,710 --> 00:05:52,160

hoax duh case closed don't tell me it's

149

00:05:57,430 --> 00:05:54,720

true when i know that roswell was caused

150

00:05:59,110 --> 00:05:57,440

by mobile it's not my problem if people

151

00:06:01,510 --> 00:05:59,120

refuse to believe it so don't tell me

152

00:06:04,390 --> 00:06:01,520

you've got fragments from roswell of

153

00:06:06,950 --> 00:06:04,400

exotic metal because mobile wasn't made

154

00:06:08,790 --> 00:06:06,960

from that so i'm going to be a stickler

155

00:06:11,510 --> 00:06:08,800

to this to the point where as i'm going

156

00:06:13,430 --> 00:06:11,520

to show you in these slides here uh i'm

157

00:06:15,909 --> 00:06:13,440

calling people out who can't even speak

158

00:06:18,870 --> 00:06:15,919

proper english you and i both know some

159

00:06:21,430 --> 00:06:18,880

of these people people like ufo jesus d

160

00:06:23,909 --> 00:06:21,440

prasad they use the word debunker

161

00:06:26,870 --> 00:06:23,919

incorrectly they don't understand what

162

00:06:28,629 --> 00:06:26,880

the word debunk means

163

00:06:30,710 --> 00:06:28,639

and they're fools when they talk this

164

00:06:34,469 --> 00:06:30,720

way and it is the right thing to do to

165

00:06:36,950 --> 00:06:34,479

say stop buddy until you admit and use

166

00:06:38,469 --> 00:06:36,960

the right words to back up what you're

167

00:06:40,950 --> 00:06:38,479

saying we can't continue the

168

00:06:43,350 --> 00:06:40,960

conversation because you might as well

169

00:06:45,590 --> 00:06:43,360

talk about unicorn science it's the same

170

00:06:47,909 --> 00:06:45,600

thing you're just making it up

171

00:06:50,550 --> 00:06:47,919

and again you know it's not to rain on

172

00:06:53,189 --> 00:06:50,560

everybody's parade or whatever but this

173

00:06:56,230 --> 00:06:53,199

is the reality so as i go through this

174

00:06:58,150 --> 00:06:56,240

stuff here uh again this

175

00:07:00,870 --> 00:06:58,160

these slides that you're going to see

176

00:07:03,749 --> 00:07:00,880

they're an overview of things that were

177

00:07:06,870 --> 00:07:03,759

from the real ufo disclosure one event

178

00:07:10,230 --> 00:07:06,880

of october 19th the second event is

179

00:07:12,710 --> 00:07:10,240

october uh is november 22nd uh it's real

180

00:07:16,070 --> 00:07:12,720

ufo disclosure too and at these events

181

00:07:17,830 --> 00:07:16,080

i'm going to be disclosing real ufo data

182

00:07:19,270 --> 00:07:17,840

and i'm still waiting for the other side

183

00:07:20,710 --> 00:07:19,280

to do the same thing

184

00:07:23,110 --> 00:07:20,720

and i'll probably wait for the rest of

185

00:07:24,550 --> 00:07:23,120

my life at the rate they're going so and

186

00:07:27,589 --> 00:07:24,560

so i announced that there were 10

187

00:07:29,110 --> 00:07:27,599

projects okay i worked with

188

00:07:31,029 --> 00:07:29,120

our media partners on this told them

189

00:07:33,909 --> 00:07:31,039

this is coming i'm not the only one

190

00:07:35,749 --> 00:07:33,919

working on this stuff and for decades i

191

00:07:38,390 --> 00:07:35,759

know most of the important if not all

192

00:07:40,070 --> 00:07:38,400

the important key ufo researchers who do

193

00:07:42,629 --> 00:07:40,080

serious work have known them for a long

194

00:07:44,309 --> 00:07:42,639

time because they're old school types

195

00:07:47,029 --> 00:07:44,319

and they're not out there having the

196

00:07:49,510 --> 00:07:47,039

internet wars and engaging in the social

197

00:07:51,830 --> 00:07:49,520

justice warrior nonsense and all key

198

00:07:53,270 --> 00:07:51,840

caps wars they're doing research they

199

00:07:56,070 --> 00:07:53,280

don't want to be on the front line they

200

00:07:58,070 --> 00:07:56,080

don't want to take the daggers and so

201
00:08:00,869 --> 00:07:58,080
to lay the foundational stuff for this

202
00:08:03,430 --> 00:08:00,879
first i'm going to explain why it is

203
00:08:06,469 --> 00:08:03,440
that i'm able to do what i do and it's

204
00:08:09,270 --> 00:08:06,479
very friggin simple basically i've

205
00:08:11,510 --> 00:08:09,280
always lived my life in existence by

206
00:08:13,270 --> 00:08:11,520
what i call three charters of

207
00:08:16,070 --> 00:08:13,280
responsibility

208
00:08:18,230 --> 00:08:16,080
basically what i do is i conduct

209
00:08:21,110 --> 00:08:18,240
original research

210
00:08:23,670 --> 00:08:21,120
or i finish research that has been left

211
00:08:26,150 --> 00:08:23,680
incomplete by others

212
00:08:28,790 --> 00:08:26,160
or i look at existing issues and i try

213
00:08:30,790 --> 00:08:28,800

to provide solutions and then move on

214

00:08:33,430 --> 00:08:30,800

so if you look at everything i've done

215

00:08:36,550 --> 00:08:33,440

and we're talking about as a young boy

216

00:08:37,269 --> 00:08:36,560

starting this ufo thing in 1973

217

00:09:31,829 --> 00:08:37,279

i

218

00:09:33,670 --> 00:09:31,839

everybody loses when you don't bother

219

00:09:36,470 --> 00:09:33,680

and then original research is the

220

00:09:39,509 --> 00:09:36,480

primary driver that pushes the human

221

00:09:42,310 --> 00:09:39,519

race forwards and if you look at what i

222

00:09:43,509 --> 00:09:42,320

do in the areas that i play in the

223

00:09:45,269 --> 00:09:43,519

the

224

00:09:47,430 --> 00:09:45,279

group that i work with and have for

225

00:09:49,910 --> 00:09:47,440

years

226

00:09:53,190 --> 00:09:49,920

we cover analytics intelligence

227

00:09:55,190 --> 00:09:53,200

archaeology history arts literature

228

00:09:57,990 --> 00:09:55,200

philosophy religion

229

00:09:59,350 --> 00:09:58,000

politics social issues science and

230

00:10:01,430 --> 00:09:59,360

technology

231

00:10:02,949 --> 00:10:01,440

so that's a lot of areas it's everything

232

00:10:04,389 --> 00:10:02,959

i'm into and i'm fascinated by

233

00:10:06,790 --> 00:10:04,399

everything i don't know

234

00:10:09,030 --> 00:10:06,800

i learned overseas for example doing

235

00:10:10,310 --> 00:10:09,040

counter terrorism analysis doing a lot

236

00:10:13,590 --> 00:10:10,320

of reports

237

00:10:14,790 --> 00:10:13,600

that intelligence was valuable so i

238

00:10:17,430 --> 00:10:14,800

added a

239

00:10:20,069 --> 00:10:17,440
section or division in our group to

240

00:10:21,990 --> 00:10:20,079
handle intelligence i do a lot of

241

00:10:23,910 --> 00:10:22,000
reporting on terrorism

242

00:10:26,150 --> 00:10:23,920
counterterrorism stuff i have for years

243

00:10:28,069 --> 00:10:26,160
for daily post stable world newspapers

244

00:10:29,350 --> 00:10:28,079
often full page specials

245

00:10:31,430 --> 00:10:29,360
um

246

00:10:33,190 --> 00:10:31,440
you know i have a history in this

247

00:10:35,910 --> 00:10:33,200
analytics without analytics you can't

248

00:10:37,350 --> 00:10:35,920
understand anything archaeology history

249

00:10:39,190 --> 00:10:37,360
they're grouped together because the

250

00:10:41,110 --> 00:10:39,200
historical record must complement the

251
00:10:43,030 --> 00:10:41,120
archaeological record right now there's

252
00:10:44,470 --> 00:10:43,040
a lot of schisms we're working with

253
00:10:45,910 --> 00:10:44,480
researchers in different areas

254
00:10:48,550 --> 00:10:45,920
especially in areas like biblical

255
00:10:50,790 --> 00:10:48,560
archaeology to try to reconcile some of

256
00:10:52,710 --> 00:10:50,800
these gaps with conventional science

257
00:10:54,710 --> 00:10:52,720
arts and literature again a big backer

258
00:10:56,069 --> 00:10:54,720
of that especially things like e-books

259
00:10:58,069 --> 00:10:56,079
again arts and literature love it

260
00:10:59,990 --> 00:10:58,079
philosophy religion

261
00:11:01,750 --> 00:11:00,000
you can ask my teachers again i'm really

262
00:11:03,670 --> 00:11:01,760
into that stuff too politics social

263
00:11:06,949 --> 00:11:03,680

issues to me you can't separate them and

264

00:11:09,910 --> 00:11:06,959

science and technology long time i t guy

265

00:11:10,949 --> 00:11:09,920

loves science and so on so our roswell

266

00:11:14,310 --> 00:11:10,959

study

267

00:11:16,710 --> 00:11:14,320

uh is under the history charter because

268

00:11:19,430 --> 00:11:16,720

roswell either happened or didn't it's

269

00:11:21,509 --> 00:11:19,440

not under the ufo paranormal area

270

00:11:23,829 --> 00:11:21,519

because we don't have that there's no

271

00:11:26,069 --> 00:11:23,839

such thing as the paranormal that's

272

00:11:28,069 --> 00:11:26,079

another showstopper there

273

00:11:29,430 --> 00:11:28,079

it's either the normal that we haven't

274

00:11:31,670 --> 00:11:29,440

figured out yet

275

00:11:34,150 --> 00:11:31,680

or it's the normal there's only one

276

00:11:34,949 --> 00:11:34,160

universe so to speak we're all in it

277

00:11:36,470 --> 00:11:34,959

and

278

00:11:38,230 --> 00:11:36,480

there's no such thing as paranormal it

279

00:11:40,710 --> 00:11:38,240

would be part of the normal if people

280

00:11:41,990 --> 00:11:40,720

really could read each other's minds if

281

00:11:44,949 --> 00:11:42,000

other life is out there they're not

282

00:11:46,870 --> 00:11:44,959

paranormal it's other life hello unless

283

00:11:49,030 --> 00:11:46,880

we're paranormal life too

284

00:11:50,949 --> 00:11:49,040

you know it's ridiculous that

285

00:11:55,030 --> 00:11:50,959

the that they say

286

00:11:56,550 --> 00:11:55,040

and and they speak this gibberish

287

00:11:58,949 --> 00:11:56,560

even you know it reminds me of the

288

00:12:00,710 --> 00:11:58,959

nonsense deep choker will say all right

289

00:12:01,990 --> 00:12:00,720

so giving you all this background now

290

00:12:04,470 --> 00:12:02,000

over the years

291

00:12:06,790 --> 00:12:04,480

um for decades now and this is how i

292

00:12:08,629 --> 00:12:06,800

became famous as a young kid and

293

00:12:11,269 --> 00:12:08,639

was on larry king and these other things

294

00:12:13,350 --> 00:12:11,279

uh in the in the 90s and 80s

295

00:12:15,670 --> 00:12:13,360

because everything that i did

296

00:12:18,069 --> 00:12:15,680

research-wise i always released to the

297

00:12:19,590 --> 00:12:18,079

public when i was ready and finished

298

00:12:22,629 --> 00:12:19,600

they came out with form of products

299

00:12:24,790 --> 00:12:22,639

articles productions or books okay and

300

00:12:26,230 --> 00:12:24,800

if you look at what i did between 1973

301
00:12:27,990 --> 00:12:26,240
and 2000

302
00:12:30,550 --> 00:12:28,000
when i started you know lecturing and

303
00:12:32,949 --> 00:12:30,560
doing stuff at age 11 and 13 i covered

304
00:12:34,870 --> 00:12:32,959
paranormal jfk's murder paranormal

305
00:12:36,870 --> 00:12:34,880
meaning i was a associate director

306
00:12:38,550 --> 00:12:36,880
assistant director excuse me of the

307
00:12:39,910 --> 00:12:38,560
institute of paranormal science we work

308
00:12:40,790 --> 00:12:39,920
with sri

309
00:12:42,870 --> 00:12:40,800
on the

310
00:12:44,629 --> 00:12:42,880
yuri geller stuff and all that and we

311
00:12:46,389 --> 00:12:44,639
that's how i first heard of how put off

312
00:12:48,310 --> 00:12:46,399
and knew the nonsense about that he was

313
00:12:50,949 --> 00:12:48,320

hying the e-meter back then

314

00:12:52,550 --> 00:12:50,959

studied japanese also he was also

315

00:12:54,949 --> 00:12:52,560

one of the people that i kind of laugh

316

00:12:57,509 --> 00:12:54,959

at because he declared yuri geller a

317

00:13:00,230 --> 00:12:57,519

genuine psychic

318

00:13:02,310 --> 00:13:00,240

yuri geller for those that don't know

319

00:13:04,629 --> 00:13:02,320

has come out in magician circles

320

00:13:06,550 --> 00:13:04,639

recently and started selling his

321

00:13:08,629 --> 00:13:06,560

magician secrets and

322

00:13:10,629 --> 00:13:08,639

basically admitted to all magicians

323

00:13:13,110 --> 00:13:10,639

anyway that yeah i'm just you know it

324

00:13:14,629 --> 00:13:13,120

was all just to put on i'm doing this

325

00:13:16,949 --> 00:13:14,639

stuff through trickery

326

00:13:19,190 --> 00:13:16,959

and for i think he's selling a dvd

327

00:13:21,190 --> 00:13:19,200

that's very expensive like 500 or

328

00:13:23,110 --> 00:13:21,200

something to other magicians and and

329

00:13:25,829 --> 00:13:23,120

want to be mentalists and things like

330

00:13:28,230 --> 00:13:25,839

that so it's kind of funny that mr put

331

00:13:30,790 --> 00:13:28,240

off declared him a genuine psychic years

332

00:13:32,629 --> 00:13:30,800

later he even admits he's a fake it's

333

00:13:35,030 --> 00:13:32,639

great

334

00:13:37,670 --> 00:13:35,040

yeah and uh that's typical put off and

335

00:13:39,990 --> 00:13:37,680

um you know he has been caught and

336

00:13:41,910 --> 00:13:40,000

busted through our investigations and

337

00:13:43,110 --> 00:13:41,920

things other investigators like bob

338

00:13:43,990 --> 00:13:43,120

kiviat

339

00:13:45,590 --> 00:13:44,000

uh

340

00:13:47,670 --> 00:13:45,600

being connected to different techno

341

00:13:50,710 --> 00:13:47,680

scams going back decades this includes

342

00:13:53,110 --> 00:13:50,720

even a tip of course tsa his current

343

00:13:55,750 --> 00:13:53,120

techno scam gig and he was even involved

344

00:13:58,550 --> 00:13:55,760

in the internasa techno scam

345

00:14:01,990 --> 00:13:58,560

so uh in high school out of high school

346

00:14:03,509 --> 00:14:02,000

covered jfk's murder went to jfk's high

347

00:14:05,189 --> 00:14:03,519

school ironically which yanked out of

348

00:14:07,030 --> 00:14:05,199

high school by the government one day

349

00:14:09,030 --> 00:14:07,040

because of the work i was doing with

350

00:14:11,110 --> 00:14:09,040

house assassinations committee

351
00:14:13,350 --> 00:14:11,120
later debated the head of that committee

352
00:14:15,430 --> 00:14:13,360
on larry king beat him in the debate

353
00:14:18,470 --> 00:14:15,440
showed there was no conspiracy

354
00:14:21,030 --> 00:14:18,480
was predicting a nuclear problem before

355
00:14:22,230 --> 00:14:21,040
three mile island happened was

356
00:14:24,870 --> 00:14:22,240
involved in

357
00:14:27,430 --> 00:14:24,880
uh anti-russian cold war stuff meyer ufo

358
00:14:29,910 --> 00:14:27,440
code hyper media roswell ufo crash all

359
00:14:32,470 --> 00:14:29,920
between 73 and 2000 there's even

360
00:14:33,910 --> 00:14:32,480
newspaper articles which they won't they

361
00:14:35,269 --> 00:14:33,920
aren't on the internet unless i post

362
00:14:37,750 --> 00:14:35,279
them there that document all this

363
00:14:40,230 --> 00:14:37,760

including the hyper media stuff

364

00:14:41,910 --> 00:14:40,240

so if you look today at the top

365

00:14:44,389 --> 00:14:41,920

conspiracies that people believe in

366

00:14:46,949 --> 00:14:44,399

there's the 911 conspiracy the jfk

367

00:14:48,949 --> 00:14:46,959

conspiracy the roswell ufo crash

368

00:14:51,110 --> 00:14:48,959

fake moon landings now which wasn't the

369

00:14:52,790 --> 00:14:51,120

case when i was in school because we

370

00:14:55,350 --> 00:14:52,800

were landing on the moon at the time

371

00:14:57,430 --> 00:14:55,360

illuminati and vaccines cause autism

372

00:14:59,670 --> 00:14:57,440

that's a new level of stupidity and when

373

00:15:02,470 --> 00:14:59,680

you look at as this slide i'll send you

374

00:15:05,030 --> 00:15:02,480

shows the top 20 conspiracies this is

375

00:15:07,590 --> 00:15:05,040

according to public policy polling uh

376

00:15:10,310 --> 00:15:07,600

look at numbers 12 and 13. bigfoot or

377

00:15:13,430 --> 00:15:10,320

sasquatch exists 43 million people

378

00:15:14,629 --> 00:15:13,440

believe that 14 of the population

379

00:15:19,910 --> 00:15:14,639

13

380

00:15:21,030 --> 00:15:19,920

is literally the living antichrist

381

00:15:24,629 --> 00:15:21,040

13

382

00:15:27,430 --> 00:15:24,639

of americans or 40.8 million americans

383

00:15:30,470 --> 00:15:27,440

who vote believe this

384

00:15:32,550 --> 00:15:30,480

and and this is frightening okay

385

00:15:35,110 --> 00:15:32,560

and then you look at the numbers we're

386

00:15:38,069 --> 00:15:35,120

on fire here the 911 conspiracy 88

387

00:15:40,389 --> 00:15:38,079

million people believe there was one 160

388

00:15:42,870 --> 00:15:40,399

million people believe jfk conspiracy

389

00:15:45,350 --> 00:15:42,880

66 million and roswell 22 million in the

390

00:15:47,110 --> 00:15:45,360

fake loan landings 88 million in the

391

00:15:48,629 --> 00:15:47,120

illuminati that some small group

392

00:15:51,189 --> 00:15:48,639

controls everything

393

00:15:52,710 --> 00:15:51,199

and uh another as much as 63 million

394

00:15:54,870 --> 00:15:52,720

depending on your poll believe that

395

00:15:56,629 --> 00:15:54,880

vaccines cause autism

396

00:15:59,350 --> 00:15:56,639

so yeah and i have a problem with that

397

00:16:00,230 --> 00:15:59,360

having a child that's a that has autism

398

00:16:03,030 --> 00:16:00,240

i i

399

00:16:05,430 --> 00:16:03,040

it makes me cringe every time i see some

400

00:16:06,550 --> 00:16:05,440

idiot posting stuff about that

401
00:16:09,030 --> 00:16:06,560
because

402
00:16:11,189 --> 00:16:09,040
the latest scientific studies and these

403
00:16:12,150 --> 00:16:11,199
are real scientific peer-reviewed

404
00:16:15,269 --> 00:16:12,160
studies

405
00:16:17,829 --> 00:16:15,279
prove that autism forms in the womb

406
00:16:20,389 --> 00:16:17,839
folks before there is any vaccinations

407
00:16:22,550 --> 00:16:20,399
given to the child it forms in the womb

408
00:16:25,030 --> 00:16:22,560
so all these people run around with that

409
00:16:26,949 --> 00:16:25,040
conspiracy are idiots

410
00:16:29,110 --> 00:16:26,959
yeah and because america is a celebrity

411
00:16:32,389 --> 00:16:29,120
culture and the media is only owned by a

412
00:16:34,790 --> 00:16:32,399
handful of companies now thanks to the

413
00:16:37,269 --> 00:16:34,800

democrats republicans allowing this in

414

00:16:39,110 --> 00:16:37,279

the spirit of so-called competition what

415

00:16:41,430 --> 00:16:39,120

happens is you see

416

00:16:43,910 --> 00:16:41,440

a show that is total bs

417

00:16:46,069 --> 00:16:43,920

make the rounds vertically up and down

418

00:16:47,910 --> 00:16:46,079

the spectrum because it's one entity as

419

00:16:49,990 --> 00:16:47,920

a parent company owning all the

420

00:16:52,310 --> 00:16:50,000

different branches it's going to air in

421

00:16:53,670 --> 00:16:52,320

but what's interesting steve is when you

422

00:16:55,829 --> 00:16:53,680

drill down to

423

00:16:57,829 --> 00:16:55,839

why do peop what kinds of people believe

424

00:17:00,949 --> 00:16:57,839

in this stuff not only is it

425

00:17:02,550 --> 00:17:00,959

you know typical americans but like this

426
00:17:04,390 --> 00:17:02,560
one slide shows

427
00:17:06,710 --> 00:17:04,400
if you look at how they think

428
00:17:09,429 --> 00:17:06,720
politically 62

429
00:17:10,949 --> 00:17:09,439
of the democrats believe that the us

430
00:17:13,110 --> 00:17:10,959
government is hiding something about

431
00:17:15,669 --> 00:17:13,120
ufos 62

432
00:17:16,710 --> 00:17:15,679
by contrast 23 percent of republicans

433
00:17:20,069 --> 00:17:16,720
believe it

434
00:17:21,350 --> 00:17:20,079
whereas only 15 of independents believe

435
00:17:22,230 --> 00:17:21,360
it

436
00:17:23,590 --> 00:17:22,240
okay

437
00:17:25,270 --> 00:17:23,600
and then when you look

438
00:17:26,949 --> 00:17:25,280

interesting breakdown i never thought

439

00:17:28,630 --> 00:17:26,959

about uh

440

00:17:31,430 --> 00:17:28,640

that kind of a thing that you know like

441

00:17:34,150 --> 00:17:31,440

i i don't know with all this stuff like

442

00:17:35,750 --> 00:17:34,160

where your politics

443

00:17:37,669 --> 00:17:35,760

that's kind of interesting to me so

444

00:17:38,789 --> 00:17:37,679

republicans are less likely to believe

445

00:17:41,350 --> 00:17:38,799

in this

446

00:17:44,150 --> 00:17:41,360

right but this does explain it's not a

447

00:17:46,870 --> 00:17:44,160

coincidence why people like podesta

448

00:17:49,110 --> 00:17:46,880

harry reid and these other ufo nutter

449

00:17:50,870 --> 00:17:49,120

believers are in there because they're

450

00:17:52,549 --> 00:17:50,880

all democrats it's it's hard to find a

451
00:17:54,710 --> 00:17:52,559
republican or independent in the

452
00:17:56,630 --> 00:17:54,720
independent seem to be the most sane

453
00:18:00,230 --> 00:17:56,640
they're more uh you got to prove it to

454
00:18:01,669 --> 00:18:00,240
me i want to see a dead body

455
00:18:03,190 --> 00:18:01,679
so there you go

456
00:18:05,990 --> 00:18:03,200
okay there you go score one for

457
00:18:08,070 --> 00:18:06,000
statistics now if you look at say the

458
00:18:09,510 --> 00:18:08,080
gallup data now this is jfk's

459
00:18:12,470 --> 00:18:09,520
assassination this is another slide

460
00:18:14,710 --> 00:18:12,480
you're getting in 1963 you know kennedy

461
00:18:16,470 --> 00:18:14,720
was killed in 63 of course

462
00:18:19,350 --> 00:18:16,480
53 percent of americans thought

463
00:18:20,870 --> 00:18:19,360

something was wrong conspiracy by 76

464

00:18:22,470 --> 00:18:20,880

1976

465

00:18:26,710 --> 00:18:22,480

and this is when i started studying it

466

00:18:29,990 --> 00:18:26,720

81 of americans believed it by 2001

467

00:18:32,390 --> 00:18:30,000

81 and now in 2013 which was the last

468

00:18:34,870 --> 00:18:32,400

time gallup bothered to ask the question

469

00:18:36,870 --> 00:18:34,880

it was down to 61

470

00:18:39,830 --> 00:18:36,880

okay but again that's one of the big

471

00:18:42,070 --> 00:18:39,840

conspiracies and if you look again over

472

00:18:44,549 --> 00:18:42,080

the years it has ebbed and flowed in

473

00:18:46,710 --> 00:18:44,559

relation to as this slide shows when

474

00:18:48,870 --> 00:18:46,720

oliver stone's movie came out and so on

475

00:18:51,029 --> 00:18:48,880

so there is a connection between the

476

00:18:53,430 --> 00:18:51,039

media and when people believe this

477

00:18:54,830 --> 00:18:53,440

nonsense and then if you look at the

478

00:18:57,270 --> 00:18:54,840

overall

479

00:19:00,070 --> 00:18:57,280

uh numbers this is another slide you're

480

00:19:01,909 --> 00:19:00,080

getting uh this one's called fugly

481

00:19:05,110 --> 00:19:01,919

americans conspiracy views is the

482

00:19:07,190 --> 00:19:05,120

government hiding something about ufos

483

00:19:09,750 --> 00:19:07,200

there's three sets of bar graphs one

484

00:19:11,990 --> 00:19:09,760

shows that for democrats republicans and

485

00:19:15,029 --> 00:19:12,000

independents how they line up versus

486

00:19:17,029 --> 00:19:15,039

over all numbers okay and you see the

487

00:19:19,430 --> 00:19:17,039

democrats are way out in left field

488

00:19:21,510 --> 00:19:19,440

literally you see that 62 percent of

489

00:19:24,070 --> 00:19:21,520

them believe in this cosmic watergate

490

00:19:27,270 --> 00:19:24,080

whereas overall if you average all the

491

00:19:28,870 --> 00:19:27,280

numbers only 54 barely over half of

492

00:19:30,789 --> 00:19:28,880

americans believe it

493

00:19:31,909 --> 00:19:30,799

uh below half once you include the

494

00:19:34,950 --> 00:19:31,919

independents

495

00:19:38,390 --> 00:19:34,960

and same with the no's

496

00:19:41,190 --> 00:19:38,400

most americans are certain no whereas 27

497

00:19:43,750 --> 00:19:41,200

of the uh democrats are saying no as far

498

00:19:45,990 --> 00:19:43,760

as i i'm certain there's no cover-up

499

00:19:47,270 --> 00:19:46,000

again that's not most it's only a small

500

00:19:50,230 --> 00:19:47,280

27

501
00:19:52,870 --> 00:19:50,240
and again uncertain is 19

502
00:19:54,390 --> 00:19:52,880
so again they're not uh

503
00:19:56,950 --> 00:19:54,400
in touch with the rest of what the

504
00:19:59,270 --> 00:19:56,960
country says so i quote in this next

505
00:20:00,549 --> 00:19:59,280
slide with this joker type image you see

506
00:20:02,789 --> 00:20:00,559
here a quote

507
00:20:05,110 --> 00:20:02,799
we found clear evidence that the united

508
00:20:07,510 --> 00:20:05,120
states is a strongly conspiratorial

509
00:20:09,750 --> 00:20:07,520
society this was a study lead

510
00:20:12,070 --> 00:20:09,760
christopher botter the sociologist at

511
00:20:14,630 --> 00:20:12,080
chapman university he says quote we see

512
00:20:17,270 --> 00:20:14,640
a degree of paranoia in the responses

513
00:20:20,310 --> 00:20:17,280

most indicative is nearly one-third of

514

00:20:22,230 --> 00:20:20,320

respondents one-third 33 percent believe

515

00:20:24,470 --> 00:20:22,240

the government is concealing information

516

00:20:27,190 --> 00:20:24,480

about the north dakota crash

517

00:20:30,549 --> 00:20:27,200

a theory we asked about

518

00:20:33,590 --> 00:20:31,990

they made it up they asked them what

519

00:20:36,149 --> 00:20:33,600

about the north dakota crash are they

520

00:20:37,830 --> 00:20:36,159

hiding that concealing that oh yeah

521

00:20:39,110 --> 00:20:37,840

one third of the people and they just

522

00:20:41,830 --> 00:20:39,120

made it up

523

00:20:44,230 --> 00:20:41,840

you know so that's how pathetic we have

524

00:20:46,549 --> 00:20:44,240

become as a society and i'll tell you

525

00:20:49,830 --> 00:20:46,559

this is why i got interested on the

526

00:20:52,070 --> 00:20:49,840

subject officially on october 19 1973

527

00:20:54,549 --> 00:20:52,080

because at the young age of just 11 i'm

528

00:20:56,710 --> 00:20:54,559

looking at all my fellow kids playing in

529

00:20:58,789 --> 00:20:56,720

the you know the playground i would have

530

00:21:00,470 --> 00:20:58,799

done it that day myself but two days

531

00:21:03,029 --> 00:21:00,480

earlier people started bringing in

532

00:21:05,510 --> 00:21:03,039

articles about ufos that's all there was

533

00:21:08,630 --> 00:21:05,520

in the news and we were talking about it

534

00:21:11,110 --> 00:21:08,640

as a kid in the class and i thought my

535

00:21:13,029 --> 00:21:11,120

god the ramifications of this are

536

00:21:14,390 --> 00:21:13,039

profound either we're nuts and we're

537

00:21:17,029 --> 00:21:14,400

seeing something and we got nuclear

538

00:21:18,390 --> 00:21:17,039

weapons not a good combo or

539

00:21:20,149 --> 00:21:18,400

we

540

00:21:22,230 --> 00:21:20,159

are being visited and that's exciting

541

00:21:24,710 --> 00:21:22,240

either way we'll learn and whatever that

542

00:21:26,549 --> 00:21:24,720

answer is we can only benefit from it

543

00:21:28,230 --> 00:21:26,559

what i started to see as i started to

544

00:21:31,669 --> 00:21:28,240

look at the ufo questions see a lot of

545

00:21:33,590 --> 00:21:31,679

fraud and conspiracy conspiracy nonsense

546

00:21:36,070 --> 00:21:33,600

is i feared that one day it would enter

547

00:21:38,149 --> 00:21:36,080

the mainstream and that when it just

548

00:21:40,310 --> 00:21:38,159

became mainstream enough it doesn't have

549

00:21:42,710 --> 00:21:40,320

to be everybody just enough people

550

00:21:45,270 --> 00:21:42,720

it can bring down a society

551
00:21:46,789 --> 00:21:45,280
and split it and cause a divided states

552
00:21:48,630 --> 00:21:46,799
of america i've been very consistent

553
00:21:51,350 --> 00:21:48,640
about its wrong people about it over the

554
00:21:53,750 --> 00:21:51,360
years this is exactly what has happened

555
00:21:55,190 --> 00:21:53,760
so another slide here says kurt kalkorf

556
00:21:58,549 --> 00:21:55,200
total research critical thinkers

557
00:22:01,029 --> 00:21:58,559
deliverables between 1973 and 2000 there

558
00:22:03,510 --> 00:22:01,039
are six key events here

559
00:22:05,270 --> 00:22:03,520
that i'm reminding current ufo

560
00:22:06,310 --> 00:22:05,280
researchers and

561
00:22:07,110 --> 00:22:06,320
young

562
00:22:09,270 --> 00:22:07,120
right

563
00:22:11,669 --> 00:22:09,280

click wonders as i call them

564

00:22:12,950 --> 00:22:11,679

because you can't take this out of

565

00:22:15,110 --> 00:22:12,960

history

566

00:22:18,390 --> 00:22:15,120

and because this happened much of what

567

00:22:22,630 --> 00:22:18,400

you're saying is i'm sorry

568

00:22:25,110 --> 00:22:22,640

i'll start with 1993 november 22nd cnn

569

00:22:27,990 --> 00:22:25,120

30th anniversary solving larry king's

570

00:22:29,909 --> 00:22:28,000

murder i was the star of that show i

571

00:22:32,470 --> 00:22:29,919

debated the head of the house select

572

00:22:34,870 --> 00:22:32,480

committee on assassinations mr gayden

573

00:22:37,430 --> 00:22:34,880

fonzie kicked his ass you can see the

574

00:22:41,830 --> 00:22:37,440

show yourself so don't tell me kennedy

575

00:22:44,950 --> 00:22:41,840

was killed by someone other than oswald

576
00:22:46,630 --> 00:22:44,960
another show fox tvs encounters

577
00:22:48,950 --> 00:22:46,640
fox tv

578
00:22:51,750 --> 00:22:48,960
debated jim delatoso

579
00:22:54,230 --> 00:22:51,760
announced i'd gone undercover to expose

580
00:22:57,029 --> 00:22:54,240
the meyer cult bob kiviak produced that

581
00:22:59,270 --> 00:22:57,039
show delitosa lost that debate you could

582
00:23:01,029 --> 00:22:59,280
clearly see the object was a small

583
00:23:02,870 --> 00:23:01,039
bottle in front of the tree it's right

584
00:23:05,430 --> 00:23:02,880
there on the screen folks

585
00:23:07,669 --> 00:23:05,440
case closed don't tell me it didn't

586
00:23:09,350 --> 00:23:07,679
happen don't tell me the meyer case is

587
00:23:12,830 --> 00:23:09,360
true

588
00:23:15,909 --> 00:23:12,840

50th anniversary of roswell july 4th

589

00:23:18,950 --> 00:23:15,919

1997. there i am in this slide

590

00:23:22,230 --> 00:23:18,960

all day special from roswell new mexico

591

00:23:24,310 --> 00:23:22,240

via msnbc studios i'm on there with

592

00:23:27,029 --> 00:23:24,320

lieutenant uh kid injured or colonel

593

00:23:29,110 --> 00:23:27,039

kittinger the pathfinder crew who landed

594

00:23:30,630 --> 00:23:29,120

on mars lieutenant

595

00:23:33,350 --> 00:23:30,640

captain mcandrew

596

00:23:36,149 --> 00:23:33,360

a bunch of people were showing that it

597

00:23:38,789 --> 00:23:36,159

was project mobile that was it we're

598

00:23:41,590 --> 00:23:38,799

explaining how this thing is hyped all

599

00:23:43,430 --> 00:23:41,600

day special including uh online event

600

00:23:45,909 --> 00:23:43,440

afterwards for a couple hours art levine

601
00:23:48,310 --> 00:23:45,919
does a huge story for msnbc

602
00:23:51,029 --> 00:23:48,320
showing all of this a three-parter don't

603
00:23:53,750 --> 00:23:51,039
tell me roswell involved a crash of a

604
00:23:56,149 --> 00:23:53,760
ufo it's i'm one of the four

605
00:23:58,149 --> 00:23:56,159
original roswell researchers who grew up

606
00:24:00,870 --> 00:23:58,159
with bill moore and stanton friedman you

607
00:24:02,070 --> 00:24:00,880
see me in there you can't take that out

608
00:24:04,710 --> 00:24:02,080
of history

609
00:24:07,830 --> 00:24:04,720
another show you see on this slide lisa

610
00:24:10,470 --> 00:24:07,840
you may remember the talk show from lisa

611
00:24:14,070 --> 00:24:10,480
gibbons about the phoenix lights showing

612
00:24:17,269 --> 00:24:14,080
they were military flares another image

613
00:24:19,830 --> 00:24:17,279

you see there too town meeting abc tv

614

00:24:21,909 --> 00:24:19,840

beat kevin randall and frank kaufman

615

00:24:23,750 --> 00:24:21,919

when kevin randle was promoting kaufman

616

00:24:26,310 --> 00:24:23,760

as a credible roswell witness he later

617

00:24:29,269 --> 00:24:26,320

admitted he was a hoaxer and lastly the

618

00:24:31,669 --> 00:24:29,279

last image which is relevant today

619

00:24:34,149 --> 00:24:31,679

discovery channel secrets of area 51

620

00:24:36,070 --> 00:24:34,159

revealed one hour special exposing the

621

00:24:38,630 --> 00:24:36,080

miss of area 51

622

00:24:40,710 --> 00:24:38,640

uh showing that there are no aliens

623

00:24:43,590 --> 00:24:40,720

stuffed in pickle jars there so this is

624

00:24:45,350 --> 00:24:43,600

all foundational stuff nobody can deny

625

00:24:47,750 --> 00:24:45,360

it take it out of there a lot of young

626

00:24:49,350 --> 00:24:47,760

people don't know it i you know it's is

627

00:24:52,070 --> 00:24:49,360

and isn't their fault depends on who it

628

00:24:53,350 --> 00:24:52,080

is but what seems to me it seems to me

629

00:24:55,110 --> 00:24:53,360

that uh

630

00:24:56,870 --> 00:24:55,120

you know if you were young enough to

631

00:24:58,470 --> 00:24:56,880

miss it when it came around the first

632

00:25:00,230 --> 00:24:58,480

time and you were interested in this

633

00:25:01,190 --> 00:25:00,240

stuff

634

00:25:03,269 --> 00:25:01,200

you

635

00:25:04,950 --> 00:25:03,279

it it's this

636

00:25:06,549 --> 00:25:04,960

younger generation is just getting

637

00:25:07,430 --> 00:25:06,559

exposed to some of this stuff and that's

638

00:25:10,230 --> 00:25:07,440

why

639

00:25:11,990 --> 00:25:10,240

sort of the history of like how some of

640

00:25:14,950 --> 00:25:12,000

this stuff has been proven

641

00:25:17,110 --> 00:25:14,960

to be bogus is kind of lost and then

642

00:25:19,350 --> 00:25:17,120

these younger people have to start over

643

00:25:22,470 --> 00:25:19,360

to you know get through

644

00:25:25,750 --> 00:25:22,480

and find what they believe

645

00:25:27,750 --> 00:25:25,760

well yes in a pure world it would work

646

00:25:28,549 --> 00:25:27,760

that way but i'll tell you what has gone

647

00:25:33,269 --> 00:25:28,559

on

648

00:25:35,110 --> 00:25:33,279

and it made me and i found evidence of

649

00:25:37,669 --> 00:25:35,120

this when i was in india because in

650

00:25:39,510 --> 00:25:37,679

india when i heard that stanton

651
00:25:43,590 --> 00:25:39,520
friedman's book on the hill case had

652
00:25:47,110 --> 00:25:43,600
been optioned by bryce zabel who was a

653
00:25:49,350 --> 00:25:47,120
producer with dark skies is a total mj12

654
00:25:51,750 --> 00:25:49,360
believer he can't even use the word to

655
00:25:53,830 --> 00:25:51,760
bunker properly either i told him he's

656
00:25:56,390 --> 00:25:53,840
going to be exposed this is that show

657
00:25:57,190 --> 00:25:56,400
where he is going to be exposed

658
00:26:02,470 --> 00:25:57,200
um

659
00:26:03,830 --> 00:26:02,480
with a project called zeta reticuli in

660
00:26:05,990 --> 00:26:03,840
conspiracy

661
00:26:07,830 --> 00:26:06,000
because i have the evidence and it's

662
00:26:10,070 --> 00:26:07,840
published out there in the current issue

663
00:26:12,070 --> 00:26:10,080

of the skeptical inquire that proves

664

00:26:15,029 --> 00:26:12,080

that friedman always knew that the betty

665

00:26:17,510 --> 00:26:15,039

hills star map was bs i was the person

666

00:26:19,350 --> 00:26:17,520

that proved it to him i'm the one who

667

00:26:21,590 --> 00:26:19,360

was the liaison between him and

668

00:26:23,750 --> 00:26:21,600

astronomer charles atterberg those

669

00:26:25,830 --> 00:26:23,760

letters and original files from the 70s

670

00:26:26,870 --> 00:26:25,840

have been found and they're coming out

671

00:26:27,990 --> 00:26:26,880

in a book

672

00:26:29,590 --> 00:26:28,000

i have

673

00:26:31,750 --> 00:26:29,600

already published the image from it

674

00:26:34,870 --> 00:26:31,760

called the zeta reticuli conspiracy on

675

00:26:37,430 --> 00:26:34,880

november 22nd uh in a couple and you

676
00:26:38,950 --> 00:26:37,440
know shortly from now it's co-authored

677
00:26:40,870 --> 00:26:38,960
with rob mcconnell

678
00:26:41,909 --> 00:26:40,880
now the reason this is coming out is

679
00:26:44,870 --> 00:26:41,919
because

680
00:26:47,909 --> 00:26:44,880
the book captured which is optioned by

681
00:26:50,070 --> 00:26:47,919
zabel is a historical farce

682
00:26:52,549 --> 00:26:50,080
it is it's a fraud and i'm not going to

683
00:26:55,190 --> 00:26:52,559
stand for it because i know from first

684
00:26:58,390 --> 00:26:55,200
hand involvement it's not true

685
00:27:00,630 --> 00:26:58,400
the incident the incident the uh

686
00:27:02,470 --> 00:27:00,640
interrupted journey by john fuller

687
00:27:05,350 --> 00:27:02,480
that's a much better book about the hill

688
00:27:07,269 --> 00:27:05,360

case it is more factual friedman's is a

689

00:27:09,350 --> 00:27:07,279

revisionist spin

690

00:27:12,149 --> 00:27:09,360

to push his version

691

00:27:14,630 --> 00:27:12,159

of what he sold all his life most of it

692

00:27:16,630 --> 00:27:14,640

the cosmic watergate and that's why the

693

00:27:18,710 --> 00:27:16,640

article was called from cosmic watergate

694

00:27:20,789 --> 00:27:18,720

to cosmic watermelon the stanton

695

00:27:24,389 --> 00:27:20,799

friedman that i knew and you see the

696

00:27:27,909 --> 00:27:24,399

moment that my shocked look was captured

697

00:27:30,070 --> 00:27:27,919

by the press the san francisco examiner

698

00:27:32,230 --> 00:27:30,080

in this big article where friedman is

699

00:27:34,630 --> 00:27:32,240

just saying ridiculous things

700

00:27:36,310 --> 00:27:34,640

and it was roswell and the way he

701

00:27:38,389 --> 00:27:36,320

treated and denied the hill case that

702

00:27:40,549 --> 00:27:38,399

came between us and that's why i wrote

703

00:27:42,789 --> 00:27:40,559

the book the roswell ufo crash but they

704

00:27:45,750 --> 00:27:42,799

don't want you to know they being the

705

00:27:48,630 --> 00:27:45,760

ufo nuts like friedman who have lied

706

00:27:50,549 --> 00:27:48,640

about what happened and so what i show

707

00:27:52,070 --> 00:27:50,559

in these slides is my involvement in the

708

00:27:54,870 --> 00:27:52,080

original effort of the so-called

709

00:27:57,190 --> 00:27:54,880

disclosure thing with the aviary after i

710

00:27:59,029 --> 00:27:57,200

refused to be involved in it you see my

711

00:28:00,549 --> 00:27:59,039

name on the organizational thing there

712

00:28:02,470 --> 00:28:00,559

with friedman's name

713

00:28:05,110 --> 00:28:02,480

and i tried to

714

00:28:08,230 --> 00:28:05,120

fix all of this years ago remained

715

00:28:10,310 --> 00:28:08,240

silent for many years until i found out

716

00:28:11,990 --> 00:28:10,320

on the 50th anniversary of roswell when

717

00:28:13,750 --> 00:28:12,000

i talked to my publisher prometheus

718

00:28:15,510 --> 00:28:13,760

books that uh

719

00:28:17,669 --> 00:28:15,520

there was no book coming out to tell the

720

00:28:20,070 --> 00:28:17,679

truth about roswell and i said well i

721

00:28:21,510 --> 00:28:20,080

solved it took 16 years but it's done

722

00:28:23,669 --> 00:28:21,520

you want me to write the book they said

723

00:28:25,430 --> 00:28:23,679

sure go ahead and i said okay problem

724

00:28:27,830 --> 00:28:25,440

was it was late in the year i had to get

725

00:28:29,990 --> 00:28:27,840

it to them in about 30 days and i got it

726

00:28:32,230 --> 00:28:30,000

to them in a little under six weeks and

727

00:28:34,389 --> 00:28:32,240

then much to my surprise it became the

728

00:28:38,070 --> 00:28:34,399

best-selling book of all time exposing

729

00:28:39,350 --> 00:28:38,080

roswell it takes out all 22 major titles

730

00:28:41,590 --> 00:28:39,360

which

731

00:28:43,750 --> 00:28:41,600

constitute the knowledge of roswell so

732

00:28:45,029 --> 00:28:43,760

because we know what roswell was there's

733

00:28:47,110 --> 00:28:45,039

no question

734

00:28:49,669 --> 00:28:47,120

we know it was project mobile it doesn't

735

00:28:52,310 --> 00:28:49,679

matter what arts parts is and arts parts

736

00:28:55,909 --> 00:28:52,320

is exposed in that book in a chapter it

737

00:28:57,750 --> 00:28:55,919

was done in 1997 so that's why msnbc

738

00:28:59,590 --> 00:28:57,760

back in the days when they weren't a

739

00:29:01,350 --> 00:28:59,600

bleeding liberal network they were

740

00:29:03,430 --> 00:29:01,360

partnered with microsoft it was a new

741

00:29:06,230 --> 00:29:03,440

network they had real integrity and

742

00:29:08,549 --> 00:29:06,240

credibility they checked all this stuff

743

00:29:11,350 --> 00:29:08,559

including kaufman was able to easily see

744

00:29:13,350 --> 00:29:11,360

he was a fraud and got randall to admit

745

00:29:15,029 --> 00:29:13,360

it and uh the rest is history was

746

00:29:18,389 --> 00:29:15,039

broadcast all day

747

00:29:20,630 --> 00:29:18,399

and it's a fact and so what i found out

748

00:29:22,549 --> 00:29:20,640

from india in trying to find the old

749

00:29:24,630 --> 00:29:22,559

documents that i know used to be there

750

00:29:26,870 --> 00:29:24,640

on the internet about the ill case i

751

00:29:29,510 --> 00:29:26,880

found out that they're gone that a lot

752

00:29:30,630 --> 00:29:29,520

of these old pieces of data have been

753

00:29:32,630 --> 00:29:30,640

removed

754

00:29:34,710 --> 00:29:32,640

and somebody had to take them down they

755

00:29:36,389 --> 00:29:34,720

didn't remove themselves

756

00:29:38,630 --> 00:29:36,399

and it's not a coincidence well thank

757

00:29:41,029 --> 00:29:38,640

god i had old original copies and i'm

758

00:29:44,149 --> 00:29:41,039

releasing them now warning people ahead

759

00:29:45,110 --> 00:29:44,159

of time that if mr zabel wants to go

760

00:29:46,149 --> 00:29:45,120

there and

761

00:29:48,149 --> 00:29:46,159

you know

762

00:29:49,750 --> 00:29:48,159

promote a fraud on the public saying

763

00:29:51,750 --> 00:29:49,760

it's true when it's not

764

00:29:53,510 --> 00:29:51,760

and friedman knew it so i don't know

765

00:29:56,310 --> 00:29:53,520

what he licensed or optioned you know i

766

00:29:57,830 --> 00:29:56,320

wasn't involved it needs to be exposed

767

00:30:00,470 --> 00:29:57,840

and that's why it's coming out and

768

00:30:01,990 --> 00:30:00,480

that's why this leads to

769

00:30:05,190 --> 00:30:02,000

another series of slides you're getting

770

00:30:07,830 --> 00:30:05,200

about the annie jacobson expose

771

00:30:10,070 --> 00:30:07,840

before we get to any jacobson just just

772

00:30:12,549 --> 00:30:10,080

so that we're clear

773

00:30:14,310 --> 00:30:12,559

yeah the biggest proof in the hill case

774

00:30:17,590 --> 00:30:14,320

or or the proof that many people have

775

00:30:20,310 --> 00:30:17,600

cited was this star map that apparently

776

00:30:22,149 --> 00:30:20,320

aliens gave betty hill

777

00:30:23,909 --> 00:30:22,159

mentally and she drew it and then

778

00:30:24,870 --> 00:30:23,919

somebody matched it up and that's where

779

00:30:27,190 --> 00:30:24,880

we get

780

00:30:29,830 --> 00:30:27,200

zeta reticuli from which is at the heart

781

00:30:30,630 --> 00:30:29,840

of so many ufo myths and

782

00:30:32,630 --> 00:30:30,640

uh

783

00:30:34,070 --> 00:30:32,640

everything but

784

00:30:37,110 --> 00:30:34,080

you're saying

785

00:30:40,310 --> 00:30:37,120

you you've explained to me that

786

00:30:43,269 --> 00:30:40,320

the star map is in total error and you

787

00:30:46,470 --> 00:30:43,279

know for a fact because you worked with

788

00:30:47,669 --> 00:30:46,480

stanton and an astrophysicist that he

789

00:30:50,389 --> 00:30:47,679

was aware

790

00:30:51,830 --> 00:30:50,399

that that star map was bogus

791

00:30:53,669 --> 00:30:51,840

yeah and thanks for

792

00:30:55,510 --> 00:30:53,679

slowing me down and backing me up here

793

00:30:57,430 --> 00:30:55,520

uh unfortunately i have way more data

794

00:30:59,029 --> 00:30:57,440

than even these two hours i understand

795

00:31:01,590 --> 00:30:59,039

that but i wanted to be very clear on

796

00:31:03,669 --> 00:31:01,600

this point of why it's so important

797

00:31:05,830 --> 00:31:03,679

because that's the proof that everybody

798

00:31:08,470 --> 00:31:05,840

points to and it's pretty clear that

799

00:31:11,269 --> 00:31:08,480

that proof is not proof yeah

800

00:31:13,110 --> 00:31:11,279

yeah in fact it's it's it's open and

801
00:31:14,870 --> 00:31:13,120
shut meaning there's no dispute at all

802
00:31:17,190 --> 00:31:14,880
make a long story short

803
00:31:19,350 --> 00:31:17,200
as and this is again in the current

804
00:31:22,870 --> 00:31:19,360
issue of skeptical inquire it came out

805
00:31:28,710 --> 00:31:26,389
in october 1976

806
00:31:31,350 --> 00:31:28,720
robert schaefer wrote an article in

807
00:31:34,149 --> 00:31:31,360
official ufo magazine pointing out that

808
00:31:36,870 --> 00:31:34,159
another star map had been found that was

809
00:31:38,389 --> 00:31:36,880
a better match than marjorie fishes and

810
00:31:40,310 --> 00:31:38,399
at that point there was kind of a

811
00:31:42,310 --> 00:31:40,320
division in what the thinking was well

812
00:31:44,710 --> 00:31:42,320
it's a better match it still proves the

813
00:31:46,870 --> 00:31:44,720

hill case is true no so i went to

814

00:31:48,950 --> 00:31:46,880

friedman about this i said both

815

00:31:50,070 --> 00:31:48,960

atterberg the astronomer and fish can't

816

00:31:53,190 --> 00:31:50,080

be right

817

00:31:54,950 --> 00:31:53,200

it's either one or the other or neither

818

00:31:57,590 --> 00:31:54,960

what do you think he says i don't know

819

00:31:59,269 --> 00:31:57,600

you know i believe fish okay fine i said

820

00:32:01,590 --> 00:31:59,279

well stan i'm not gonna accept that i'm

821

00:32:04,230 --> 00:32:01,600

going to run the trap on this so i spent

822

00:32:05,269 --> 00:32:04,240

a year over a year writing old snail

823

00:32:07,990 --> 00:32:05,279

mail

824

00:32:09,430 --> 00:32:08,000

to atterberg ran everything by him kept

825

00:32:10,950 --> 00:32:09,440

going back and forth to friedman because

826

00:32:13,590 --> 00:32:10,960

we lived near each other

827

00:32:16,230 --> 00:32:13,600

through everything at atterberg i could

828

00:32:18,470 --> 00:32:16,240

uh got inputs from carl sagan you name

829

00:32:20,310 --> 00:32:18,480

it threw everything out there the files

830

00:32:23,669 --> 00:32:20,320

are all there the papers are all there

831

00:32:25,990 --> 00:32:23,679

and they prove that friedman

832

00:32:28,549 --> 00:32:26,000

lost and would not face the facts and i

833

00:32:29,350 --> 00:32:28,559

got so frustrated with friedman over

834

00:32:31,750 --> 00:32:29,360

this

835

00:32:33,830 --> 00:32:31,760

that uh i there's one of the letters

836

00:32:35,430 --> 00:32:33,840

that's published i say i'm going to go

837

00:32:37,750 --> 00:32:35,440

over his house and confront him because

838

00:32:39,350 --> 00:32:37,760

he's avoiding me you know and so what i

839

00:32:41,830 --> 00:32:39,360

did is i brought over my file and i

840

00:32:43,669 --> 00:32:41,840

handed freeman i said look it's over

841

00:32:45,830 --> 00:32:43,679

he has found a better match which means

842

00:32:46,789 --> 00:32:45,840

the hill map is worthless it's a roar

843

00:32:48,070 --> 00:32:46,799

shock

844

00:32:50,950 --> 00:32:48,080

he says i don't know i'm not an

845

00:32:52,950 --> 00:32:50,960

astronomer and after tokenly flipping

846

00:32:54,470 --> 00:32:52,960

through pages for about 30 seconds and i

847

00:32:56,230 --> 00:32:54,480

was really shocked i'm like oh you're

848

00:32:58,310 --> 00:32:56,240

not an astronomer okay but yeah you're a

849

00:33:01,029 --> 00:32:58,320

good enough astronomer to quote fish

850

00:33:02,789 --> 00:33:01,039

when it suits your purposes this is bs

851
00:33:05,509 --> 00:33:02,799
and he did the same thing with roswell

852
00:33:07,669 --> 00:33:05,519
over the debris photos that shows mogul

853
00:33:10,070 --> 00:33:07,679
there's no question and that's really

854
00:33:12,310 --> 00:33:10,080
what marcel recovered he made up the

855
00:33:13,990 --> 00:33:12,320
fact i was there when he did it when i

856
00:33:17,110 --> 00:33:14,000
confronted him over those photos and

857
00:33:18,549 --> 00:33:17,120
said look there's no saucer here okay

858
00:33:20,230 --> 00:33:18,559
and he's like no there must have been a

859
00:33:23,350 --> 00:33:20,240
debris switch and there was no debris

860
00:33:25,509 --> 00:33:23,360
switch so those cases came between us

861
00:33:27,509 --> 00:33:25,519
and published for the first time are

862
00:33:30,070 --> 00:33:27,519
these letters and documents they're from

863
00:33:32,310 --> 00:33:30,080

the 70s they are the originals i'm the

864

00:33:34,070 --> 00:33:32,320

only person on the planet who did this

865

00:33:36,070 --> 00:33:34,080

which also made me mad because i'm in

866

00:33:38,230 --> 00:33:36,080

high school and i'm like i should be

867

00:33:41,509 --> 00:33:38,240

reading someone else's job having done

868

00:33:43,750 --> 00:33:41,519

this friedman should have done it

869

00:33:46,230 --> 00:33:43,760

wow that's uh you know the other thing

870

00:33:48,149 --> 00:33:46,240

that i wanted to clarify is

871

00:33:50,310 --> 00:33:48,159

we were you were also talking about this

872

00:33:53,430 --> 00:33:50,320

annie jacobson book we're gonna get to

873

00:33:56,549 --> 00:33:53,440

that i yeah for my listener's sake annie

874

00:33:58,470 --> 00:33:56,559

jacobson writes this book on area 51 and

875

00:34:01,590 --> 00:33:58,480

most of it is

876

00:34:03,590 --> 00:34:01,600

most of the book is a boring read of

877

00:34:05,750 --> 00:34:03,600

history and things that were already

878

00:34:07,669 --> 00:34:05,760

known about area 51 that you could get

879

00:34:10,069 --> 00:34:07,679

from like wikipedia

880

00:34:11,990 --> 00:34:10,079

just drawn out but the last chapter she

881

00:34:12,869 --> 00:34:12,000

pulls out some new theory of roswell

882

00:34:15,829 --> 00:34:12,879

that's

883

00:34:17,829 --> 00:34:15,839

really crazy and uh cal could you tell

884

00:34:19,750 --> 00:34:17,839

us what the theory is and what you did

885

00:34:22,310 --> 00:34:19,760

about this

886

00:34:24,550 --> 00:34:22,320

yeah what happened is um uh

887

00:34:27,030 --> 00:34:24,560

when my roswell book came out in 2000

888

00:34:28,470 --> 00:34:27,040

the paperback edition it was revised it

889

00:34:30,389 --> 00:34:28,480

was the first book

890

00:34:31,909 --> 00:34:30,399

to take out philip corso at that point

891

00:34:34,790 --> 00:34:31,919

because his book had come out after my

892

00:34:35,990 --> 00:34:34,800

original one in 97 so i walked away from

893

00:34:38,310 --> 00:34:36,000

roswell

894

00:34:40,069 --> 00:34:38,320

did journalism in many other areas i'm

895

00:34:42,790 --> 00:34:40,079

in india at this time working at daily

896

00:34:44,069 --> 00:34:42,800

post newspaper when all of a sudden uh

897

00:34:46,230 --> 00:34:44,079

the editor

898

00:34:48,389 --> 00:34:46,240

other editors are razzing me in the

899

00:34:50,149 --> 00:34:48,399

newsroom saying huh look at you you

900

00:34:52,069 --> 00:34:50,159

americans again you got this roswell

901
00:34:54,470 --> 00:34:52,079
thing going didn't you put didn't didn't

902
00:34:55,990 --> 00:34:54,480
you put that fire out you know when you

903
00:34:57,750 --> 00:34:56,000
were back there i said what are you

904
00:35:00,829 --> 00:34:57,760
talking about and they they show me the

905
00:35:03,030 --> 00:35:00,839
news that her book is number one on

906
00:35:04,950 --> 00:35:03,040
amazon and they're like you have to

907
00:35:06,310 --> 00:35:04,960
write a review of this

908
00:35:08,390 --> 00:35:06,320
because it must be true right it

909
00:35:10,710 --> 00:35:08,400
wouldn't be number one so i'm like okay

910
00:35:12,550 --> 00:35:10,720
great so i wrote this article

911
00:35:14,230 --> 00:35:12,560
it was actually published in the daily

912
00:35:16,390 --> 00:35:14,240
post newspaper now her book came out in

913
00:35:18,870 --> 00:35:16,400

may of 2011 and this slide you're going

914

00:35:20,870 --> 00:35:18,880

to get shows her book and my article

915

00:35:23,270 --> 00:35:20,880

from june 2011

916

00:35:24,630 --> 00:35:23,280

that appeared in daily post and script

917

00:35:26,230 --> 00:35:24,640

as well

918

00:35:28,630 --> 00:35:26,240

so it was a month later

919

00:35:30,710 --> 00:35:28,640

and it says exposed santa claus stalin

920

00:35:32,069 --> 00:35:30,720

nazi joseph bangla and the roswell ufo

921

00:35:34,310 --> 00:35:32,079

crash connection

922

00:35:37,030 --> 00:35:34,320

and it begins with a poll quote from td

923

00:35:39,589 --> 00:35:37,040

barnes who was the head of the uh

924

00:35:41,270 --> 00:35:39,599

sr-71 group that she snookered

925

00:35:44,470 --> 00:35:41,280

he says we were snookered by annie

926

00:35:47,750 --> 00:35:44,480

jacobson and he was mad that she put in

927

00:35:48,910 --> 00:35:47,760

this nonsense ufo stuff and basically uh

928

00:35:50,950 --> 00:35:48,920

pissed on their

929

00:35:53,829 --> 00:35:50,960

autobiographical story which was very

930

00:35:56,470 --> 00:35:53,839

interesting should have stood on its own

931

00:35:58,870 --> 00:35:56,480

and annie jacobson was repeating a claim

932

00:36:01,910 --> 00:35:58,880

she says she was told

933

00:36:04,710 --> 00:36:01,920

that nazi angel of death joseph mengele

934

00:36:06,790 --> 00:36:04,720

had uh escaped and fled and helped the

935

00:36:09,190 --> 00:36:06,800

russians to alter children

936

00:36:12,550 --> 00:36:09,200

to put them in a uh

937

00:36:15,190 --> 00:36:12,560

recovered horton batwing aircraft

938

00:36:16,550 --> 00:36:15,200

secretly flown over 5 000 miles to the

939

00:36:22,230 --> 00:36:16,560

us

940

00:36:24,069 --> 00:36:22,240

orson welles tight panic more of the

941

00:36:25,829 --> 00:36:24,079

worlds type thing and it's complete

942

00:36:28,550 --> 00:36:25,839

nonsense they might as well have said

943

00:36:31,270 --> 00:36:28,560

unicorns did it it's more credible

944

00:36:33,030 --> 00:36:31,280

so it was the most outlandish thing that

945

00:36:34,950 --> 00:36:33,040

i thought you know i'm not going to do

946

00:36:37,190 --> 00:36:34,960

anything about this because if anybody

947

00:36:38,870 --> 00:36:37,200

really believes this i can't help them

948

00:36:40,950 --> 00:36:38,880

as a human being

949

00:36:42,470 --> 00:36:40,960

they're hopeless but the craziest thing

950

00:36:45,030 --> 00:36:42,480

is this

951
00:36:48,550 --> 00:36:45,040
ridiculous this ridiculous story helped

952
00:36:52,470 --> 00:36:50,310
put it on number one and the publisher

953
00:36:55,109 --> 00:36:52,480
knew this would happen they played this

954
00:36:57,109 --> 00:36:55,119
game before you know light years with

955
00:36:58,630 --> 00:36:57,119
gary kinder you know i know the inside

956
00:37:00,390 --> 00:36:58,640
story about that there were three

957
00:37:01,270 --> 00:37:00,400
editors a couple letters that quit over

958
00:37:03,750 --> 00:37:01,280
that

959
00:37:05,670 --> 00:37:03,760
and uh so okay there it is so i released

960
00:37:06,710 --> 00:37:05,680
it and i thought okay it's

961
00:37:09,430 --> 00:37:06,720
dead

962
00:37:11,750 --> 00:37:09,440
but then you know it starts resurrecting

963
00:37:14,069 --> 00:37:11,760

again when this stuff with tsa and all

964

00:37:16,470 --> 00:37:14,079

this other stuff comes up so now i did i

965

00:37:18,710 --> 00:37:16,480

told rob mcconnell i said damn it i'm

966

00:37:20,310 --> 00:37:18,720

going to expand it to a book and i'll

967

00:37:23,510 --> 00:37:20,320

work with you to get on it because he

968

00:37:24,630 --> 00:37:23,520

had an interview with dr barnes where he

969

00:37:26,870 --> 00:37:24,640

does he

970

00:37:28,950 --> 00:37:26,880

talks about all this so i thought okay

971

00:37:31,190 --> 00:37:28,960

rob's got archive of nineteen thousand

972

00:37:32,790 --> 00:37:31,200

something shows let's pick the cases

973

00:37:35,349 --> 00:37:32,800

that we know about

974

00:37:36,870 --> 00:37:35,359

we'll call a series ufology or euphology

975

00:37:39,109 --> 00:37:36,880

give it thumbs up or thumbs down like

976

00:37:41,109 --> 00:37:39,119

cisco and either type thing ufology

977

00:37:42,790 --> 00:37:41,119

being the scientific study of ufo

978

00:37:45,990 --> 00:37:42,800

reports not ufos because they won't

979

00:37:47,829 --> 00:37:46,000

cooperate but the data your euphology is

980

00:37:50,150 --> 00:37:47,839

when you make conclusions about ufos

981

00:37:51,589 --> 00:37:50,160

that are not supported by the data and

982

00:37:54,310 --> 00:37:51,599

most people don't know the difference

983

00:37:57,030 --> 00:37:54,320

unfortunately in this field so each book

984

00:37:59,670 --> 00:37:57,040

has is about a case that is very famous

985

00:38:02,150 --> 00:37:59,680

ufology or euphology volumes one is

986

00:38:04,069 --> 00:38:02,160

annie jacobson i'm sending you all the

987

00:38:06,790 --> 00:38:04,079

slides of the chapters you can see how

988

00:38:08,550 --> 00:38:06,800

they are they're very visual

989

00:38:11,030 --> 00:38:08,560

i think data should look good as well as

990

00:38:13,109 --> 00:38:11,040

be interesting and there it's a whole

991

00:38:15,190 --> 00:38:13,119

new format of a thing i call a slide

992

00:38:17,109 --> 00:38:15,200

book because unfortunately we do live in

993

00:38:19,990 --> 00:38:17,119

the twitter

994

00:38:22,150 --> 00:38:20,000

edutainment type generation now

995

00:38:23,829 --> 00:38:22,160

attention span is everyone's attention

996

00:38:25,750 --> 00:38:23,839

span is so low that i think you're doing

997

00:38:28,550 --> 00:38:25,760

the right thing other than just writing

998

00:38:30,390 --> 00:38:28,560

it all out in text and you know 100-page

999

00:38:32,630 --> 00:38:30,400

textbook you know

1000

00:38:34,790 --> 00:38:32,640

yeah that's now a vertical market it's

1001

00:38:37,030 --> 00:38:34,800

no longer the only game in town

1002

00:38:40,470 --> 00:38:37,040

so um these slide books will be

1003

00:38:43,510 --> 00:38:40,480

available and uh they're anywhere from

1004

00:38:46,310 --> 00:38:43,520

around 100 to hopefully no more than 200

1005

00:38:47,829 --> 00:38:46,320

slides a lot of them sometimes add up

1006

00:38:50,069 --> 00:38:47,839

because it depends on how the grass go

1007

00:38:51,109 --> 00:38:50,079

there's animations in their links

1008

00:38:53,030 --> 00:38:51,119

all kinds of stuff because it's

1009

00:38:55,190 --> 00:38:53,040

multimedia and then there's links to

1010

00:38:55,990 --> 00:38:55,200

these shows that rob did so people can

1011

00:38:57,750 --> 00:38:56,000

hear

1012

00:38:59,990 --> 00:38:57,760

what's going on as well

1013

00:39:01,430 --> 00:39:00,000

and then um

1014

00:39:03,990 --> 00:39:01,440

again

1015

00:39:06,790 --> 00:39:04,000

eight years later after i thought i put

1016

00:39:08,230 --> 00:39:06,800

the fire out annie jacobson has new life

1017

00:39:10,790 --> 00:39:08,240

again so that's why we're releasing the

1018

00:39:12,870 --> 00:39:10,800

book annie jacobson's area 51 book

1019

00:39:14,470 --> 00:39:12,880

scandal and my biggest beef with what

1020

00:39:17,030 --> 00:39:14,480

she said was

1021

00:39:19,190 --> 00:39:17,040

let's say that she really was told that

1022

00:39:21,510 --> 00:39:19,200

story and she's just reporting it she

1023

00:39:22,310 --> 00:39:21,520

was irresponsible and i'm a journalist

1024

00:39:24,870 --> 00:39:22,320

too

1025

00:39:28,710 --> 00:39:24,880

because the doj report which was

1026
00:39:31,270 --> 00:39:28,720
classified on mengela that proves how he

1027
00:39:34,230 --> 00:39:31,280
died they dug up his body the dna

1028
00:39:36,310 --> 00:39:34,240
analysis that you see that stuff on the

1029
00:39:38,150 --> 00:39:36,320
cover of our new book

1030
00:39:39,910 --> 00:39:38,160
that was out there when she was told

1031
00:39:41,349 --> 00:39:39,920
this she should have stopped

1032
00:39:43,750 --> 00:39:41,359
the guy right there and said not true

1033
00:39:46,390 --> 00:39:43,760
can't be true here's why we know he was

1034
00:39:48,390 --> 00:39:46,400
never working in russia he was never in

1035
00:39:49,990 --> 00:39:48,400
custody of the russians all his

1036
00:39:51,990 --> 00:39:50,000
whereabouts are accounted for including

1037
00:39:55,109 --> 00:39:52,000
his own diaries people who lived with

1038
00:39:56,870 --> 00:39:55,119

him hid him from authorities it's all

1039

00:39:58,710 --> 00:39:56,880

accounted for

1040

00:40:00,550 --> 00:39:58,720

damn it there's no excuse

1041

00:40:03,510 --> 00:40:00,560

and that's my biggest beef and then you

1042

00:40:04,950 --> 00:40:03,520

bring in the guy from the holocaust

1043

00:40:07,910 --> 00:40:04,960

what the hell why couldn't you pick

1044

00:40:09,030 --> 00:40:07,920

somebody on a subject that's not so

1045

00:40:12,150 --> 00:40:09,040

sacred

1046

00:40:14,309 --> 00:40:12,160

if we can't take the holocaust seriously

1047

00:40:16,870 --> 00:40:14,319

this this i remember thinking that when

1048

00:40:19,670 --> 00:40:16,880

i heard this story i remember thinking

1049

00:40:21,670 --> 00:40:19,680

that it's really disrespectful to the to

1050

00:40:23,670 --> 00:40:21,680

the holocaust survivors

1051
00:40:25,910 --> 00:40:23,680
to just jewish people in general to be

1052
00:40:28,150 --> 00:40:25,920
bringing that stuff back up

1053
00:40:29,190 --> 00:40:28,160
and telling fairy tales with

1054
00:40:32,069 --> 00:40:29,200
you know

1055
00:40:34,950 --> 00:40:32,079
characters from history like that

1056
00:40:37,829 --> 00:40:34,960
yeah i agree and i'm jewish i i've heard

1057
00:40:41,109 --> 00:40:37,839
she's jewish but you know you just don't

1058
00:40:43,109 --> 00:40:41,119
do that and um you know

1059
00:40:45,750 --> 00:40:43,119
so that's the issue i have with this and

1060
00:40:47,589 --> 00:40:45,760
being the author of the best-selling

1061
00:40:49,829 --> 00:40:47,599
expose of roswell one of the four

1062
00:40:52,309 --> 00:40:49,839
original roswell researchers i know damn

1063
00:40:54,710 --> 00:40:52,319

well that stalin and mengele were not

1064

00:40:57,829 --> 00:40:54,720

involved so don't tell me anything

1065

00:40:59,829 --> 00:40:57,839

different it's bs i gotta stop you i'm

1066

00:41:01,829 --> 00:40:59,839

not gonna tolerate it and i'm not gonna

1067

00:41:04,550 --> 00:41:01,839

be politically correct because you're

1068

00:41:07,750 --> 00:41:04,560

either lying or you really are ignorant

1069

00:41:10,309 --> 00:41:07,760

if you believe such bs and

1070

00:41:12,390 --> 00:41:10,319

bs is a polite term for it it's so

1071

00:41:15,589 --> 00:41:12,400

outrageous it's hard to find an

1072

00:41:18,230 --> 00:41:16,390

yeah

1073

00:41:20,230 --> 00:41:18,240

i remember i remember when i heard this

1074

00:41:22,790 --> 00:41:20,240

story and then and then i saw her book

1075

00:41:26,150 --> 00:41:22,800

shooting up selling and all her media

1076

00:41:28,710 --> 00:41:26,160

appearances i went i just you know it's

1077

00:41:30,069 --> 00:41:28,720

amazing to me that that happens

1078

00:41:32,550 --> 00:41:30,079

when it does

1079

00:41:34,230 --> 00:41:32,560

yeah because she's a politically correct

1080

00:41:37,190 --> 00:41:34,240

media darling you know it's really

1081

00:41:39,589 --> 00:41:37,200

disgraceful you know it it boils down to

1082

00:41:41,430 --> 00:41:39,599

what friedman warned me about as a kid

1083

00:41:43,430 --> 00:41:41,440

and i thank him for saying this and he

1084

00:41:45,109 --> 00:41:43,440

said it many times it wasn't just to me

1085

00:41:46,870 --> 00:41:45,119

but friedman quoted

1086

00:41:48,390 --> 00:41:46,880

you know the fame physicist max plank

1087

00:41:50,309 --> 00:41:48,400

and you've probably heard this before he

1088

00:41:52,710 --> 00:41:50,319

said essentially that new ideas come

1089

00:41:54,710 --> 00:41:52,720

into being not because people accept

1090

00:41:57,430 --> 00:41:54,720

them initially but because

1091

00:41:59,750 --> 00:41:57,440

their opponents die and a new generation

1092

00:42:01,190 --> 00:41:59,760

is born accustomed to them so it's

1093

00:42:03,589 --> 00:42:01,200

basically saying we don't really grow up

1094

00:42:05,430 --> 00:42:03,599

a mature we just kind of pick the path

1095

00:42:08,150 --> 00:42:05,440

of least resistance or it's all good or

1096

00:42:10,470 --> 00:42:08,160

whatever and that's just deadly when a

1097

00:42:13,270 --> 00:42:10,480

society loses its ability to think

1098

00:42:15,750 --> 00:42:13,280

critically it implodes that's a fact it

1099

00:42:17,670 --> 00:42:15,760

doesn't matter how great or powerful it

1100

00:42:19,990 --> 00:42:17,680

is because if you lose

1101

00:42:22,790 --> 00:42:20,000

if you mix fact and fiction

1102

00:42:24,870 --> 00:42:22,800

it's unhealthy and and it's that simple

1103

00:42:26,390 --> 00:42:24,880

so in this series ufology of your

1104

00:42:28,950 --> 00:42:26,400

theology the first two editions are

1105

00:42:31,430 --> 00:42:28,960

going to launch on november 22nd both

1106

00:42:34,550 --> 00:42:31,440

annie jacobson and the zeta reticuli

1107

00:42:35,510 --> 00:42:34,560

conspiracy i hope mr zabel will get a

1108

00:42:37,829 --> 00:42:35,520

clue

1109

00:42:40,069 --> 00:42:37,839

stop misusing the word debunker speak

1110

00:42:41,510 --> 00:42:40,079

proper english in that sense and not

1111

00:42:44,309 --> 00:42:41,520

produce a movie if he's still going to

1112

00:42:46,630 --> 00:42:44,319

do there that is basically going to lie

1113

00:42:49,430 --> 00:42:46,640

to the people now that he knows the

1114

00:42:51,990 --> 00:42:49,440

truth it's up to him to either accept it

1115

00:42:54,309 --> 00:42:52,000

or deny it in each book on this series

1116

00:42:55,990 --> 00:42:54,319

there's a bookshelf built in that you

1117

00:42:58,710 --> 00:42:56,000

can link to the other books in the

1118

00:43:00,230 --> 00:42:58,720

series as they will come out so there's

1119

00:43:03,030 --> 00:43:00,240

a slide where you'll see six on a

1120

00:43:05,829 --> 00:43:03,040

bookshelf i reveal the first two

1121

00:43:08,309 --> 00:43:05,839

fake ships is another one coming revised

1122

00:43:11,430 --> 00:43:08,319

meyer one uh and of course we've got

1123

00:43:13,430 --> 00:43:11,440

that nail cold so um i'm really excited

1124

00:43:15,510 --> 00:43:13,440

about this once they're out there on the

1125

00:43:17,030 --> 00:43:15,520

internet this will allow people to

1126

00:43:18,950 --> 00:43:17,040

search

1127

00:43:21,270 --> 00:43:18,960

find the truth and then i that that's

1128

00:43:22,710 --> 00:43:21,280

all i can do you know uh but right now

1129

00:43:25,030 --> 00:43:22,720

we're not there and that's why i want to

1130

00:43:27,990 --> 00:43:25,040

get there and that's why this project is

1131

00:43:30,150 --> 00:43:28,000

there and i'm excited about it well cal

1132

00:43:32,950 --> 00:43:30,160

we were talking earlier about these arts

1133

00:43:34,950 --> 00:43:32,960

parts and for for the benefit of my

1134

00:43:38,390 --> 00:43:34,960

listeners who have asked me many times

1135

00:43:40,710 --> 00:43:38,400

about these ttsa parts which happen to

1136

00:43:42,630 --> 00:43:40,720

come from arts parts and linda molten

1137

00:43:45,990 --> 00:43:42,640

howe

1138

00:43:48,950 --> 00:43:46,000

you know a lot of my listeners uh

1139

00:43:51,430 --> 00:43:48,960

are curious about this tsa claim

1140

00:43:54,710 --> 00:43:51,440

because they basically claimed we have

1141

00:43:56,630 --> 00:43:54,720

so-called alien materials or you know

1142

00:43:58,150 --> 00:43:56,640

they kind of danced around just saying

1143

00:44:00,150 --> 00:43:58,160

they were alien materials but that's

1144

00:44:04,069 --> 00:44:00,160

what they're implying and then they're

1145

00:44:06,309 --> 00:44:04,079

taking investment from the public and

1146

00:44:08,870 --> 00:44:06,319

it doesn't look good to me that the

1147

00:44:11,430 --> 00:44:08,880

stuff they were claiming was stuff from

1148

00:44:14,470 --> 00:44:11,440

linda moulton hal

1149

00:44:17,829 --> 00:44:14,480

also known as arts parts

1150

00:44:20,150 --> 00:44:17,839

yeah definitely because um and it's not

1151
00:44:22,550 --> 00:44:20,160
my original research

1152
00:44:23,670 --> 00:44:22,560
what happened is when i was working on

1153
00:44:26,710 --> 00:44:23,680
the um

1154
00:44:29,829 --> 00:44:26,720
roswell book uh before that actually

1155
00:44:31,589 --> 00:44:29,839
arts parts happened okay because it was

1156
00:44:33,670 --> 00:44:31,599
predictable

1157
00:44:35,589 --> 00:44:33,680
that close to the anniversary these

1158
00:44:37,829 --> 00:44:35,599
things would pop up just like you know

1159
00:44:40,870 --> 00:44:37,839
these grassy no eyewitnesses and others

1160
00:44:43,510 --> 00:44:40,880
tend to pop up around the anniversaries

1161
00:44:45,750 --> 00:44:43,520
and what happened is um

1162
00:44:46,550 --> 00:44:45,760
excuse me the um

1163
00:44:48,230 --> 00:44:46,560

i

1164
00:44:51,430 --> 00:44:48,240
found out

1165
00:44:53,670 --> 00:44:51,440
read the lab report on arts parts which

1166
00:44:55,510 --> 00:44:53,680
bell had published back then by the way

1167
00:44:56,950 --> 00:44:55,520
and i listened to the broadcasts got

1168
00:44:59,589 --> 00:44:56,960
them all you could easily get them back

1169
00:45:01,589 --> 00:44:59,599
then now they're selective my debate

1170
00:45:03,589 --> 00:45:01,599
with jim delatoso where i kicked his you

1171
00:45:06,069 --> 00:45:03,599
know what narc bell took my

1172
00:45:08,550 --> 00:45:06,079
which was three and a half hours long

1173
00:45:10,470 --> 00:45:08,560
the live credibility poll in that debate

1174
00:45:12,550 --> 00:45:10,480
which measured me as eighty-one percent

1175
00:45:14,870 --> 00:45:12,560
winner nine percent for della tulsa nine

1176

00:45:17,109 --> 00:45:14,880

percent undecided that's hard to find

1177

00:45:19,270 --> 00:45:17,119

because it goes against the desired

1178

00:45:21,829 --> 00:45:19,280

narrative of these money-making con

1179

00:45:24,150 --> 00:45:21,839

artists out there who promote ufo frauds

1180

00:45:26,150 --> 00:45:24,160

so in my book there's a section on the

1181

00:45:28,230 --> 00:45:26,160

roswell physical evidence

1182

00:45:29,990 --> 00:45:28,240

and it says it doesn't exist and here's

1183

00:45:32,309 --> 00:45:30,000

why and here are the most famous cases

1184

00:45:34,309 --> 00:45:32,319

out there that claim to be including

1185

00:45:36,870 --> 00:45:34,319

arts parts so i published both the

1186

00:45:40,069 --> 00:45:36,880

letters from the bozo who did it the lab

1187

00:45:41,990 --> 00:45:40,079

analysis stuff was cited and summarized

1188

00:45:44,309 --> 00:45:42,000

linda moulton howe is mentioned in there

1189

00:45:46,230 --> 00:45:44,319

and what she did and they went over this

1190

00:45:47,910 --> 00:45:46,240

stuff and those episodes all magically

1191

00:45:49,910 --> 00:45:47,920

just aren't all there i don't know where

1192

00:45:53,510 --> 00:45:49,920

they are they used to all be there

1193

00:45:55,750 --> 00:45:53,520

there's also there's also a sort of uh

1194

00:45:57,510 --> 00:45:55,760

one story that is kind of out there is

1195

00:45:59,670 --> 00:45:57,520

that linda mullen hal

1196

00:46:03,270 --> 00:45:59,680

you know hires a scientist didn't like

1197

00:46:05,109 --> 00:46:03,280

what he had to say so she kept going

1198

00:46:07,109 --> 00:46:05,119

in other words the first guy

1199

00:46:09,349 --> 00:46:07,119

from a report that i read the first guy

1200

00:46:11,270 --> 00:46:09,359

was like these are earthly materials

1201
00:46:13,030 --> 00:46:11,280
there's nothing you know there's nothing

1202
00:46:14,630 --> 00:46:13,040
extraordinary about them and yes i can

1203
00:46:16,630 --> 00:46:14,640
duplicate them but she didn't like the

1204
00:46:19,430 --> 00:46:16,640
way it looked when he duplicated them it

1205
00:46:22,630 --> 00:46:19,440
wasn't quite exactly you know so

1206
00:46:26,550 --> 00:46:22,640
suddenly uh it's still from aliens and

1207
00:46:28,790 --> 00:46:26,560
she went on to promote this for years

1208
00:46:30,710 --> 00:46:28,800
selling this story that these were alien

1209
00:46:33,349 --> 00:46:30,720
materials

1210
00:46:34,950 --> 00:46:33,359
yeah linda molten howe in my mind and

1211
00:46:36,630 --> 00:46:34,960
i've said this going back to when i used

1212
00:46:38,790 --> 00:46:36,640
to talk about her on laura lee's show in

1213
00:46:41,270 --> 00:46:38,800

the 1990s on my tours

1214

00:46:44,630 --> 00:46:41,280

she has no credibility in my mind

1215

00:46:46,309 --> 00:46:44,640

i am the author of the secret fbi cattle

1216

00:46:48,710 --> 00:46:46,319

mutilation files

1217

00:46:51,589 --> 00:46:48,720

and i published the fbi investigation

1218

00:46:54,230 --> 00:46:51,599

file on that as well as summaries of the

1219

00:46:57,750 --> 00:46:54,240

local report by the actual investigator

1220

00:46:59,349 --> 00:46:57,760

who led the largest fbi investigation

1221

00:47:01,430 --> 00:46:59,359

a lot of what linda moulton house said

1222

00:47:03,349 --> 00:47:01,440

about that was just not true especially

1223

00:47:05,910 --> 00:47:03,359

about you know evidence of you know

1224

00:47:07,510 --> 00:47:05,920

precise surgery and uh you know you

1225

00:47:10,710 --> 00:47:07,520

can't say that unless you've done the

1226
00:47:13,750 --> 00:47:10,720
kind of examinations forensically to say

1227
00:47:15,190 --> 00:47:13,760
it was precise laser type surgery

1228
00:47:16,870 --> 00:47:15,200
there's a difference between saying it

1229
00:47:19,030 --> 00:47:16,880
looks like a laser was used versus

1230
00:47:21,109 --> 00:47:19,040
saying here's evidence one was actually

1231
00:47:22,309 --> 00:47:21,119
used and what happened and i showed this

1232
00:47:25,349 --> 00:47:22,319
in the book

1233
00:47:29,270 --> 00:47:25,359
back in 97 and i cite the summary of the

1234
00:47:31,510 --> 00:47:29,280
analysis of the um uh our arts parts i

1235
00:47:34,150 --> 00:47:31,520
list the elements there and it says very

1236
00:47:35,990 --> 00:47:34,160
clearly that nothing unearthly was found

1237
00:47:37,030 --> 00:47:36,000
and yeah she didn't like that but too

1238
00:47:38,790 --> 00:47:37,040

bad

1239

00:47:41,430 --> 00:47:38,800

you don't reject facts just because you

1240

00:47:43,510 --> 00:47:41,440

don't like them facts are facts and so

1241

00:47:45,349 --> 00:47:43,520

she can say she went off and got a

1242

00:47:47,829 --> 00:47:45,359

different analysis and found something

1243

00:47:49,829 --> 00:47:47,839

else but i'll tell you right now it

1244

00:47:51,510 --> 00:47:49,839

can't be reproduced under scientifically

1245

00:47:54,790 --> 00:47:51,520

controlled conditions because the claim

1246

00:47:56,950 --> 00:47:54,800

is not true it's bs and if linda molten

1247

00:47:59,109 --> 00:47:56,960

howe says i'm not telling truth or i'm

1248

00:48:01,829 --> 00:47:59,119

defaming or whatever then fine let's

1249

00:48:03,589 --> 00:48:01,839

i'll go and and prove it in you know

1250

00:48:05,349 --> 00:48:03,599

some controlled scientific thing or in

1251

00:48:07,030 --> 00:48:05,359

court i don't care because it isn't

1252

00:48:08,790 --> 00:48:07,040

going to work and that's the thing here

1253

00:48:11,670 --> 00:48:08,800

these people cannot afford to be put

1254

00:48:13,910 --> 00:48:11,680

under oath or under a condition or an

1255

00:48:16,069 --> 00:48:13,920

environment where the truth comes out

1256

00:48:18,470 --> 00:48:16,079

and they can't lie their way out of it

1257

00:48:19,670 --> 00:48:18,480

there's no excuse for investor money to

1258

00:48:20,390 --> 00:48:19,680

be wasted

1259

00:48:22,870 --> 00:48:20,400

on

1260

00:48:25,349 --> 00:48:22,880

arts parts and it's a valid complaint

1261

00:48:28,069 --> 00:48:25,359

with the sec over this

1262

00:48:29,750 --> 00:48:28,079

yeah i you know i kind of like where i'm

1263

00:48:31,190 --> 00:48:29,760

at with her is you know people don't

1264

00:48:33,190 --> 00:48:31,200

want me to say

1265

00:48:36,150 --> 00:48:33,200

people don't want you to say something

1266

00:48:38,069 --> 00:48:36,160

negative about her but you know

1267

00:48:40,790 --> 00:48:38,079

cards on the table like this doesn't

1268

00:48:42,630 --> 00:48:40,800

look good and i think people deserve the

1269

00:48:44,230 --> 00:48:42,640

truth regardless even if it's an ugly

1270

00:48:46,390 --> 00:48:44,240

truth what's that saying i'd rather get

1271

00:48:48,390 --> 00:48:46,400

smacked in the face with the truth

1272

00:48:49,750 --> 00:48:48,400

than kissed with a lie

1273

00:48:51,910 --> 00:48:49,760

yeah it's true that should be the

1274

00:48:54,069 --> 00:48:51,920

attitude but let me tell you what i i

1275

00:48:55,109 --> 00:48:54,079

shared with my readers in my roswell

1276

00:48:57,190 --> 00:48:55,119

book i

1277

00:48:59,910 --> 00:48:57,200

there's a a note near the bottom of the

1278

00:49:02,309 --> 00:48:59,920

page in the arts parts section

1279

00:49:04,069 --> 00:49:02,319

i noted that linda moulton howe had come

1280

00:49:06,390 --> 00:49:04,079

up to me at a mufon meeting and this is

1281

00:49:08,630 --> 00:49:06,400

why i was a surprise mystery guest

1282

00:49:11,190 --> 00:49:08,640

brought in by walt anders to announce

1283

00:49:13,670 --> 00:49:11,200

that i'd gone undercover to expose meyer

1284

00:49:15,510 --> 00:49:13,680

he's busted etc showed the undercover

1285

00:49:17,349 --> 00:49:15,520

footage for the first time where the

1286

00:49:19,430 --> 00:49:17,359

tree had disappeared that it could never

1287

00:49:20,470 --> 00:49:19,440

have been there etc this was all shown

1288

00:49:22,309 --> 00:49:20,480

there

1289

00:49:24,230 --> 00:49:22,319

she comes up to me and she says you know

1290

00:49:25,270 --> 00:49:24,240

you shouldn't be so hard on meyer

1291

00:49:27,190 --> 00:49:25,280

because

1292

00:49:30,069 --> 00:49:27,200

um you know

1293

00:49:31,750 --> 00:49:30,079

some of it has to be true and i'm like i

1294

00:49:33,270 --> 00:49:31,760

asked her and i put this in the book i

1295

00:49:36,069 --> 00:49:33,280

asked her i said have you ever

1296

00:49:38,309 --> 00:49:36,079

investigated this case firsthand no

1297

00:49:41,589 --> 00:49:38,319

have you ever been to switzerland

1298

00:49:43,349 --> 00:49:41,599

firsthand to study the case yourself no

1299

00:49:44,710 --> 00:49:43,359

okay well until you do there's nothing

1300

00:49:46,230 --> 00:49:44,720

to discuss

1301

00:49:48,710 --> 00:49:46,240

she's a complete

1302

00:49:51,910 --> 00:49:48,720

i'm sorry i call him helium worshipers

1303

00:49:53,990 --> 00:49:51,920

she's what i call a ufo believer and let

1304

00:49:55,750 --> 00:49:54,000

me let me prove real quickly how screwed

1305

00:49:58,069 --> 00:49:55,760

up some of the leading lights are in

1306

00:49:59,510 --> 00:49:58,079

this field like ufo jesus and you know

1307

00:50:01,510 --> 00:49:59,520

deep rashad

1308

00:50:04,230 --> 00:50:01,520

i called them ufo believers the other

1309

00:50:06,630 --> 00:50:04,240

day i made up that term capital b

1310

00:50:09,990 --> 00:50:06,640

you know e-l-i-e-b-e-r i got it from

1311

00:50:13,510 --> 00:50:10,000

justin beliebers right and they said oh

1312

00:50:16,549 --> 00:50:13,520

it's ufo people who like justin

1313

00:50:18,549 --> 00:50:16,559

bieber it's like you morons no

1314

00:50:20,870 --> 00:50:18,559

it doesn't mean that a believer is

1315

00:50:22,549 --> 00:50:20,880

somebody that no matter what justin

1316

00:50:24,069 --> 00:50:22,559

bieber does it's all good when he

1317

00:50:25,030 --> 00:50:24,079

urinates in public that's fine he's

1318

00:50:28,150 --> 00:50:25,040

justin

1319

00:50:30,549 --> 00:50:28,160

so ufo believers as long as it's aliens

1320

00:50:33,109 --> 00:50:30,559

it's all good even if a case is a hoax

1321

00:50:35,910 --> 00:50:33,119

and tic tacs turn out to be secret navy

1322

00:50:37,829 --> 00:50:35,920

military stuff it's okay because there's

1323

00:50:40,069 --> 00:50:37,839

still disclosure coming in other words

1324

00:50:42,230 --> 00:50:40,079

they're basically religious extremists

1325

00:50:44,630 --> 00:50:42,240

no matter what you do or say it's all

1326
00:50:47,349 --> 00:50:44,640
aliens they are believers so i'm going

1327
00:50:49,270 --> 00:50:47,359
to drive home these terms so that people

1328
00:50:50,470 --> 00:50:49,280
hopefully start waking up it's blunt

1329
00:50:52,150 --> 00:50:50,480
talk but

1330
00:50:54,630 --> 00:50:52,160
it's got to be done we've reached that

1331
00:50:57,430 --> 00:50:54,640
point

1332
00:50:59,990 --> 00:50:57,440
so yeah where do you see things going

1333
00:51:01,750 --> 00:51:00,000
next with tsa

1334
00:51:03,750 --> 00:51:01,760
because i think that

1335
00:51:05,109 --> 00:51:03,760
one of the biggest one of the most

1336
00:51:08,710 --> 00:51:05,119
amount of questions i get from my

1337
00:51:10,470 --> 00:51:08,720
listeners is always about tsa yeah i

1338
00:51:11,589 --> 00:51:10,480

try to look into them with my limited

1339

00:51:13,510 --> 00:51:11,599

skills

1340

00:51:15,750 --> 00:51:13,520

the financial end of it looks like a

1341

00:51:17,430 --> 00:51:15,760

nightmare to me

1342

00:51:19,349 --> 00:51:17,440

the balance sheets where's the money

1343

00:51:21,829 --> 00:51:19,359

coming from

1344

00:51:23,750 --> 00:51:21,839

nothing looks

1345

00:51:26,309 --> 00:51:23,760

and then we have this arts parts on top

1346

00:51:28,150 --> 00:51:26,319

of it they're trying to push that

1347

00:51:29,910 --> 00:51:28,160

that does not look good but where do you

1348

00:51:32,230 --> 00:51:29,920

see this tsa thing going because it

1349

00:51:35,190 --> 00:51:32,240

just seems like they they make a lot of

1350

00:51:37,510 --> 00:51:35,200

noise and never deliver anything

1351
00:51:40,390 --> 00:51:37,520
well they don't because it's a pump and

1352
00:51:42,870 --> 00:51:40,400
dump scheme and scam techno scam i've

1353
00:51:43,910 --> 00:51:42,880
said that i think i can support it with

1354
00:51:46,309 --> 00:51:43,920
facts

1355
00:51:48,630 --> 00:51:46,319
if they think i'm not telling the truth

1356
00:51:51,190 --> 00:51:48,640
then let's put everybody under oath and

1357
00:51:54,150 --> 00:51:51,200
penalty perjury and sort it out i can

1358
00:51:56,230 --> 00:51:54,160
tell you what i know is going on i can't

1359
00:51:57,829 --> 00:51:56,240
tell you what the final outcome is going

1360
00:51:59,589 --> 00:51:57,839
to be but

1361
00:52:01,910 --> 00:51:59,599
i have first-hand knowledge of this just

1362
00:52:04,549 --> 00:52:01,920
like i have first-hand knowledge of the

1363
00:52:07,109 --> 00:52:04,559

caveat stuff i have seen actual

1364

00:52:09,109 --> 00:52:07,119

documents being prepared i know who some

1365

00:52:11,190 --> 00:52:09,119

of the whistleblowers are in this

1366

00:52:13,030 --> 00:52:11,200

and basically what i've been able to

1367

00:52:15,829 --> 00:52:13,040

show and it's why the article i

1368

00:52:18,870 --> 00:52:15,839

published about harry reid and achivia's

1369

00:52:20,069 --> 00:52:18,880

lawsuit mentioned both uh several months

1370

00:52:23,589 --> 00:52:20,079

ago

1371

00:52:25,829 --> 00:52:23,599

there is a connection between basically

1372

00:52:27,349 --> 00:52:25,839

three techno scams and this is one of

1373

00:52:30,870 --> 00:52:27,359

the slides you're getting it's called

1374

00:52:33,349 --> 00:52:30,880

exposed anatomy anatomy of three pillar

1375

00:52:37,990 --> 00:52:33,359

techno scams there's three pillar techno

1376

00:52:41,109 --> 00:52:38,000

scams atip internasa and tsa okay

1377

00:52:43,109 --> 00:52:41,119

now atip is the older one

1378

00:52:44,829 --> 00:52:43,119

in that that was started by harry reid

1379

00:52:47,910 --> 00:52:44,839

and that was a complete

1380

00:52:50,150 --> 00:52:47,920

fraud the very idea that you could give

1381

00:52:52,710 --> 00:52:50,160

a hotel chain owner

1382

00:52:54,150 --> 00:52:52,720

um 22 million so that he could tell the

1383

00:52:55,589 --> 00:52:54,160

government what it doesn't already know

1384

00:52:57,190 --> 00:52:55,599

about ufos

1385

00:52:59,750 --> 00:52:57,200

my god they should have built a highway

1386

00:53:00,950 --> 00:52:59,760

or freeway and parked it that way

1387

00:53:03,430 --> 00:53:00,960

instead

1388

00:53:06,710 --> 00:53:03,440

we have inside information now from a

1389

00:53:10,309 --> 00:53:06,720

whistleblower who swears

1390

00:53:12,790 --> 00:53:10,319

that harry reid took that money

1391

00:53:15,109 --> 00:53:12,800

and set it up and and got it after he

1392

00:53:17,190 --> 00:53:15,119

got out of politics

1393

00:53:18,870 --> 00:53:17,200

he talks about harry reid being

1394

00:53:21,030 --> 00:53:18,880

connected well

1395

00:53:24,630 --> 00:53:21,040

let's let's stop just for the sake of

1396

00:53:25,589 --> 00:53:24,640

clarity so you you have a source that is

1397

00:53:28,150 --> 00:53:25,599

uh

1398

00:53:31,829 --> 00:53:28,160

close to this stuff who is telling you

1399

00:53:34,870 --> 00:53:31,839

that harry reid is involved with

1400

00:53:37,190 --> 00:53:34,880

some kind of a scam to get the 22

1401
00:53:38,710 --> 00:53:37,200
million back to him

1402
00:53:41,589 --> 00:53:38,720
well

1403
00:53:45,270 --> 00:53:41,599
what happened is this

1404
00:53:47,829 --> 00:53:45,280
i can only quote this whistleblower and

1405
00:53:49,990 --> 00:53:47,839
because these allegations are above my

1406
00:53:52,069 --> 00:53:50,000
pay grade now i'm not going to use that

1407
00:53:53,270 --> 00:53:52,079
in the modern politically correct term

1408
00:53:56,710 --> 00:53:53,280
meaning

1409
00:53:58,790 --> 00:53:56,720
when i have as an investigator as a

1410
00:54:00,710 --> 00:53:58,800
journalist

1411
00:54:02,470 --> 00:54:00,720
there are times where i get information

1412
00:54:03,910 --> 00:54:02,480
which i have to turn it over to the

1413
00:54:06,150 --> 00:54:03,920

authorities because it's the right thing

1414

00:54:08,470 --> 00:54:06,160

to do and i end up not writing about it

1415

00:54:10,390 --> 00:54:08,480

or maybe i wait until they figure out

1416

00:54:11,829 --> 00:54:10,400

whatever is either true or not true

1417

00:54:13,510 --> 00:54:11,839

sometimes i get to write about it and

1418

00:54:14,870 --> 00:54:13,520

leave out certain things that was

1419

00:54:16,470 --> 00:54:14,880

especially true in india when there

1420

00:54:18,069 --> 00:54:16,480

would be certain things like terrorist

1421

00:54:19,589 --> 00:54:18,079

attacks uh when there was a gerdespur

1422

00:54:20,470 --> 00:54:19,599

attack there's a whole lot i couldn't

1423

00:54:22,710 --> 00:54:20,480

say

1424

00:54:24,309 --> 00:54:22,720

although i wish i i was able to because

1425

00:54:26,710 --> 00:54:24,319

you know i think we could have learned

1426
00:54:28,950 --> 00:54:26,720
from that debacle over there another

1427
00:54:32,390 --> 00:54:28,960
story it was a full page special people

1428
00:54:33,589 --> 00:54:32,400
can chase it down in daily uh post news

1429
00:54:35,990 --> 00:54:33,599
newspaper

1430
00:54:38,789 --> 00:54:36,000
so make a long story short

1431
00:54:41,670 --> 00:54:38,799
one of the whistleblowers on atip

1432
00:54:44,150 --> 00:54:41,680
who identified the involvement of putoff

1433
00:54:47,990 --> 00:54:44,160
and laid out how bigelow got involved

1434
00:54:49,829 --> 00:54:48,000
what harry reid did this individual says

1435
00:54:50,829 --> 00:54:49,839
that harry reid got a piece of that

1436
00:54:54,950 --> 00:54:50,839
money

1437
00:54:57,030 --> 00:54:54,960
okay so when i got that intelligence

1438
00:54:58,549 --> 00:54:57,040

that tip that insider stuff with

1439

00:55:00,630 --> 00:54:58,559

documentation

1440

00:55:01,990 --> 00:55:00,640

either the person is telling the truth

1441

00:55:04,230 --> 00:55:02,000

or they're not

1442

00:55:06,789 --> 00:55:04,240

i don't know i can't go to harry reid

1443

00:55:10,069 --> 00:55:06,799

and say hey harry tell me the truth here

1444

00:55:11,670 --> 00:55:10,079

no i can't i can ask him

1445

00:55:14,150 --> 00:55:11,680

i can't assume he's going to tell me the

1446

00:55:15,829 --> 00:55:14,160

truth so what i did instead

1447

00:55:18,950 --> 00:55:15,839

is i put together

1448

00:55:20,870 --> 00:55:18,960

a presentation like these slides you're

1449

00:55:23,030 --> 00:55:20,880

getting and i'm showing you one of them

1450

00:55:26,390 --> 00:55:23,040

i'm sending you one of them where i have

1451
00:55:28,789 --> 00:55:26,400
briefed various entities in dc and on

1452
00:55:32,309 --> 00:55:28,799
the east coast three letter agencies

1453
00:55:34,789 --> 00:55:32,319
on this data that has been given to me

1454
00:55:36,950 --> 00:55:34,799
by everybody from the whistle-blowers

1455
00:55:38,069 --> 00:55:36,960
connected with the caveat lawsuit

1456
00:55:39,349 --> 00:55:38,079
to

1457
00:55:43,589 --> 00:55:39,359
atip

1458
00:55:46,549 --> 00:55:43,599
technoscam to enter nasa to ttsa

1459
00:55:48,470 --> 00:55:46,559
because ttsa has made materially false

1460
00:55:49,990 --> 00:55:48,480
claims and i'm sending you a couple of

1461
00:55:51,670 --> 00:55:50,000
slides here

1462
00:55:53,829 --> 00:55:51,680
one of which shows

1463
00:55:55,589 --> 00:55:53,839

it mentions here that i'll read it in

1464

00:55:57,349 --> 00:55:55,599

early 2009 investigators and

1465

00:55:59,589 --> 00:55:57,359

whistleblowers contacted government

1466

00:56:01,270 --> 00:55:59,599

entities in california to report tsa in

1467

00:56:03,510 --> 00:56:01,280

various individuals

1468

00:56:05,670 --> 00:56:03,520

in 2020 the first documents detailing

1469

00:56:07,270 --> 00:56:05,680

these actions will be released what that

1470

00:56:10,230 --> 00:56:07,280

means is

1471

00:56:12,150 --> 00:56:10,240

the first pushback or here's what we're

1472

00:56:14,230 --> 00:56:12,160

going to do or not do from these

1473

00:56:15,670 --> 00:56:14,240

entities back in dc will come out and

1474

00:56:17,829 --> 00:56:15,680

the public will start to know either

1475

00:56:19,670 --> 00:56:17,839

there's something or not whistleblowers

1476

00:56:21,109 --> 00:56:19,680

telling the truth or not looking into it

1477

00:56:23,030 --> 00:56:21,119

or not

1478

00:56:25,670 --> 00:56:23,040

a couple of the claims being looked at

1479

00:56:27,510 --> 00:56:25,680

chased down was this demonstrably

1480

00:56:31,670 --> 00:56:27,520

materially false claim that was brought

1481

00:56:34,309 --> 00:56:31,680

to the sec's attention quote by this

1482

00:56:37,030 --> 00:56:34,319

ttsa co-founder lou elizondo quote for

1483

00:56:39,510 --> 00:56:37,040

nearly the next decade i ran sensitive

1484

00:56:41,349 --> 00:56:39,520

aerospace identification program

1485

00:56:43,670 --> 00:56:41,359

focusing on unidentified aerial

1486

00:56:45,190 --> 00:56:43,680

technologies that was in this position

1487

00:56:47,270 --> 00:56:45,200

that i learned that the phenomenon

1488

00:56:49,030 --> 00:56:47,280

aliens is indeed real

1489

00:56:51,190 --> 00:56:49,040

claims lou elizondo a career

1490

00:56:53,270 --> 00:56:51,200

intelligence officer who says he led

1491

00:56:55,030 --> 00:56:53,280

reid's pentagon ufo program

1492

00:56:59,349 --> 00:56:55,040

that is not true

1493

00:57:02,390 --> 00:56:59,359

he did not do that it is no question

1494

00:57:04,789 --> 00:57:02,400

and yet investors were told that

1495

00:57:06,549 --> 00:57:04,799

that is against the law

1496

00:57:10,710 --> 00:57:06,559

there's a part here on arts parts

1497

00:57:12,870 --> 00:57:10,720

pointing out that art said he was hoaxed

1498

00:57:16,309 --> 00:57:12,880

end of discussion it's back there from

1499

00:57:18,230 --> 00:57:16,319

the 90s you can't take it out of history

1500

00:57:21,349 --> 00:57:18,240

all right there's another one here

1501

00:57:23,990 --> 00:57:21,359

that uh you know um

1502

00:57:26,150 --> 00:57:24,000

mentions that they provided uh insider

1503

00:57:28,549 --> 00:57:26,160

information and whistleblowers to these

1504

00:57:31,990 --> 00:57:28,559

agencies this includes cia includes

1505

00:57:34,470 --> 00:57:32,000

pentagon includes dod includes sec

1506

00:57:36,630 --> 00:57:34,480

so we're going to find out the truth

1507

00:57:38,630 --> 00:57:36,640

because there are recordings

1508

00:57:41,190 --> 00:57:38,640

of these allegations and confessions and

1509

00:57:43,190 --> 00:57:41,200

admissions there's emails i have seen

1510

00:57:44,390 --> 00:57:43,200

this i've got copies of them i'm not the

1511

00:57:47,349 --> 00:57:44,400

only ones

1512

00:57:48,789 --> 00:57:47,359

now people in dc have them

1513

00:57:50,309 --> 00:57:48,799

and this is going to get very

1514

00:57:52,470 --> 00:57:50,319

interesting we will be able to separate

1515

00:57:54,710 --> 00:57:52,480

the signal from the noise

1516

00:57:57,270 --> 00:57:54,720

to what degree i don't know i just know

1517

00:58:00,230 --> 00:57:57,280

it's coming and i have to laugh and just

1518

00:58:03,750 --> 00:58:00,240

shake my head at these fanboys who claim

1519

00:58:06,950 --> 00:58:03,760

it's not i have even seen the draft

1520

00:58:10,150 --> 00:58:06,960

documents of the pending complaint

1521

00:58:12,470 --> 00:58:10,160

that's going to be sent to tsa

1522

00:58:15,430 --> 00:58:12,480

that's going to give them essentially 45

1523

00:58:17,910 --> 00:58:15,440

days to respond to the complaint or it

1524

00:58:21,190 --> 00:58:17,920

gets escalated and it points out some

1525

00:58:23,349 --> 00:58:21,200

very specific materially false claims

1526

00:58:24,230 --> 00:58:23,359

that they either have to prove

1527

00:58:25,670 --> 00:58:24,240

or

1528

00:58:27,829 --> 00:58:25,680

they got to change something and then it

1529

00:58:29,510 --> 00:58:27,839

gets interesting

1530

00:58:30,630 --> 00:58:29,520

again it's there

1531

00:58:32,630 --> 00:58:30,640

yeah so

1532

00:58:33,430 --> 00:58:32,640

it's it's just really interesting to me

1533

00:58:34,870 --> 00:58:33,440

that

1534

00:58:36,630 --> 00:58:34,880

now there's finally going to be some

1535

00:58:37,430 --> 00:58:36,640

kind of pushback from all of this stuff

1536

00:58:39,270 --> 00:58:37,440

because

1537

00:58:41,109 --> 00:58:39,280

i got to tell you that when i started

1538

00:58:44,470 --> 00:58:41,119

hearing some of this stuff

1539

00:58:46,549 --> 00:58:44,480

that they were claiming or implying and

1540

00:58:47,990 --> 00:58:46,559

they're taking public investor money at

1541

00:58:49,270 --> 00:58:48,000

the same time

1542

00:58:51,270 --> 00:58:49,280

it just

1543

00:58:52,870 --> 00:58:51,280

i did seem like they're at like the wild

1544

00:58:55,030 --> 00:58:52,880

west out there just doing whatever they

1545

00:58:56,870 --> 00:58:55,040

want saying whatever they want get that

1546

00:58:59,349 --> 00:58:56,880

money coming in

1547

00:59:01,589 --> 00:58:59,359

by any means necessary and i'd like

1548

00:59:03,109 --> 00:59:01,599

this can't be legal all of this stuff

1549

00:59:04,870 --> 00:59:03,119

that they're doing

1550

00:59:06,390 --> 00:59:04,880

well it's not legal if it's not true it

1551
00:59:07,990 --> 00:59:06,400
doesn't matter what the subject is but

1552
00:59:11,270 --> 00:59:08,000
what happened is

1553
00:59:12,390 --> 00:59:11,280
because of a loophole that existed in

1554
00:59:16,230 --> 00:59:12,400
the laws

1555
00:59:19,510 --> 00:59:16,240
pump and dump scams started to escalate

1556
00:59:21,750 --> 00:59:19,520
and they could uh be um you know uh in

1557
00:59:23,990 --> 00:59:21,760
frivolous areas and of course frivolous

1558
00:59:26,230 --> 00:59:24,000
areas are either striking rich or don't

1559
00:59:28,549 --> 00:59:26,240
get rich at all most hoaxers don't make

1560
00:59:29,829 --> 00:59:28,559
money in the ufo field most psychics

1561
00:59:31,510 --> 00:59:29,839
don't make a lot of money but there are

1562
00:59:34,870 --> 00:59:31,520
some mega ones of course and their

1563
00:59:38,470 --> 00:59:34,880

frauds but so what happened is um

1564

00:59:40,309 --> 00:59:38,480

uh the sec held some hearings courtesy

1565

00:59:42,230 --> 00:59:40,319

of some congressmen who had also been

1566

00:59:45,190 --> 00:59:42,240

concerned about this issue they have

1567

00:59:49,109 --> 00:59:45,200

come forth one of them is in ohio

1568

00:59:51,829 --> 00:59:49,119

and um they specifically cited tsa as

1569

00:59:55,109 --> 00:59:51,839

an example of the anti-gravity company

1570

00:59:56,710 --> 00:59:55,119

and you know time travel and ufos as a

1571

00:59:58,950 --> 00:59:56,720

means of raising money and being able to

1572

01:00:01,829 --> 00:59:58,960

take advantage of people they wanted to

1573

01:00:03,829 --> 01:00:01,839

change the laws so that the reporting

1574

01:00:05,510 --> 01:00:03,839

requirements would be higher while

1575

01:00:07,510 --> 01:00:05,520

lobbyists were trying to push that

1576

01:00:10,789 --> 01:00:07,520

they'd be more loose

1577

01:00:12,549 --> 01:00:10,799

so that issue with these representatives

1578

01:00:15,030 --> 01:00:12,559

through their offices

1579

01:00:16,630 --> 01:00:15,040

after the recess after the end of this

1580

01:00:19,910 --> 01:00:16,640

year basically we have to wait after the

1581

01:00:22,230 --> 01:00:19,920

impeachment and uh thanksgiving and uh

1582

01:00:23,910 --> 01:00:22,240

essentially the christmas recess is over

1583

01:00:24,950 --> 01:00:23,920

the government really shuts down very

1584

01:00:26,549 --> 01:00:24,960

soon

1585

01:00:29,270 --> 01:00:26,559

none of this is going to continue on

1586

01:00:31,349 --> 01:00:29,280

that front until after they reopen in

1587

01:00:33,589 --> 01:00:31,359

january it's just physics we can't speed

1588

01:00:35,589 --> 01:00:33,599

it up and what's going to come to a head

1589

01:00:37,430 --> 01:00:35,599

is the issue of

1590

01:00:39,910 --> 01:00:37,440

um there are

1591

01:00:41,670 --> 01:00:39,920

other statutes that potentially apply

1592

01:00:43,510 --> 01:00:41,680

here and i didn't know this clause

1593

01:00:45,430 --> 01:00:43,520

existed until i saw the drafts of the

1594

01:00:48,630 --> 01:00:45,440

legal documents

1595

01:00:50,470 --> 01:00:48,640

there is a thing called the uh empathy

1596

01:00:52,789 --> 01:00:50,480

laws or empathy clause

1597

01:00:54,630 --> 01:00:52,799

basically what those cover are groups of

1598

01:00:56,150 --> 01:00:54,640

people that are especially vulnerable

1599

01:00:58,309 --> 01:00:56,160

and again i didn't know this existed but

1600

01:01:00,710 --> 01:00:58,319

i'm glad it does these will be senior

1601
01:01:03,190 --> 01:01:00,720
citizens these would be people with uh

1602
01:01:05,349 --> 01:01:03,200
mental or physical handicaps these would

1603
01:01:06,870 --> 01:01:05,359
be people who believe in religious

1604
01:01:09,349 --> 01:01:06,880
things or superstitious things or

1605
01:01:12,549 --> 01:01:09,359
paranormal things where they're going to

1606
01:01:14,390 --> 01:01:12,559
be predisposed to wanting the last nail

1607
01:01:16,390 --> 01:01:14,400
that was put in jesus's hands at the

1608
01:01:18,950 --> 01:01:16,400
crucifixion that was found in an

1609
01:01:21,430 --> 01:01:18,960
archaeological site here it is for 5.99

1610
01:01:22,789 --> 01:01:21,440
on cell they believe in jesus so they're

1611
01:01:25,910 --> 01:01:22,799
going to say yeah no problem they're

1612
01:01:28,069 --> 01:01:25,920
more likely to be exploited by that so

1613
01:01:29,109 --> 01:01:28,079

one of the issues being considered right

1614

01:01:31,510 --> 01:01:29,119

now

1615

01:01:33,829 --> 01:01:31,520

is whether to add that charge

1616

01:01:36,390 --> 01:01:33,839

under that particular clause

1617

01:01:38,950 --> 01:01:36,400

as an extra charge on top of what has

1618

01:01:41,109 --> 01:01:38,960

been uh essentially materially false

1619

01:01:43,109 --> 01:01:41,119

claims doesn't matter what those claims

1620

01:01:45,349 --> 01:01:43,119

are that are false they're not true they

1621

01:01:47,190 --> 01:01:45,359

knew they weren't true that's illegal

1622

01:01:49,349 --> 01:01:47,200

and then of course if you're also

1623

01:01:50,870 --> 01:01:49,359

targeting specific groups that can be

1624

01:01:53,910 --> 01:01:50,880

exploited because they believe in

1625

01:01:56,230 --> 01:01:53,920

conspiracies that's an extra penalty if

1626
01:01:57,510 --> 01:01:56,240
they can convict you of that so these

1627
01:02:00,390 --> 01:01:57,520
are some of the discussions that i've

1628
01:02:03,270 --> 01:02:00,400
been privy to what's been going on

1629
01:02:04,309 --> 01:02:03,280
and the recent indictment of theranos

1630
01:02:06,549 --> 01:02:04,319
theranos

1631
01:02:09,750 --> 01:02:06,559
has been cited as a possible model

1632
01:02:11,270 --> 01:02:09,760
because with the recent filing by tsa

1633
01:02:13,430 --> 01:02:11,280
the concern is that they're going into

1634
01:02:16,549 --> 01:02:13,440
medical devices and if they bring

1635
01:02:18,309 --> 01:02:16,559
chicanery into that people could die it

1636
01:02:20,950 --> 01:02:18,319
doesn't matter who it is you bring

1637
01:02:22,390 --> 01:02:20,960
pseudoscience into medicine and it's not

1638
01:02:24,069 --> 01:02:22,400

good

1639

01:02:26,470 --> 01:02:24,079

yeah so

1640

01:02:29,589 --> 01:02:26,480

just to be clear you know

1641

01:02:32,829 --> 01:02:29,599

it appears to me that it's all just one

1642

01:02:35,190 --> 01:02:32,839

big money-making circus

1643

01:02:37,430 --> 01:02:35,200

and i guess

1644

01:02:39,670 --> 01:02:37,440

there has to be an end to that circus if

1645

01:02:41,670 --> 01:02:39,680

it is just a money-making circus and

1646

01:02:43,829 --> 01:02:41,680

there's all these unethical shady things

1647

01:02:46,390 --> 01:02:43,839

going on left and right

1648

01:02:50,789 --> 01:02:46,400

the one of the things that surprised me

1649

01:02:53,349 --> 01:02:50,799

is this recent addition to their board

1650

01:02:56,309 --> 01:02:53,359

yeah right their most recent addition to

1651

01:02:58,950 --> 01:02:56,319

their board if you look into that guy

1652

01:03:00,870 --> 01:02:58,960

it doesn't look like someone you would

1653

01:03:02,789 --> 01:03:00,880

want

1654

01:03:05,510 --> 01:03:02,799

in your company

1655

01:03:08,470 --> 01:03:05,520

if you're a public company to me like if

1656

01:03:10,789 --> 01:03:08,480

i had if i had to run a public company

1657

01:03:13,670 --> 01:03:10,799

and i had that guy to hire

1658

01:03:17,190 --> 01:03:13,680

and looked into his background i think

1659

01:03:19,349 --> 01:03:17,200

i would never hire that guy

1660

01:03:21,990 --> 01:03:19,359

yeah there's an issue of securities

1661

01:03:24,710 --> 01:03:22,000

integrity i'll just search on him on the

1662

01:03:26,470 --> 01:03:24,720

internet just look at who their board

1663

01:03:28,390 --> 01:03:26,480

guys are check them out

1664

01:03:30,470 --> 01:03:28,400

there's also another individual who

1665

01:03:32,309 --> 01:03:30,480

joined who's rather curious he came from

1666

01:03:34,230 --> 01:03:32,319

the white house

1667

01:03:36,150 --> 01:03:34,240

the timing of when he joined it was

1668

01:03:38,630 --> 01:03:36,160

right after the series was essentially

1669

01:03:41,750 --> 01:03:38,640

had been sold and ran its course what

1670

01:03:44,069 --> 01:03:41,760

timing beautiful timing and it might

1671

01:03:46,230 --> 01:03:44,079

explain we don't know yet it's being

1672

01:03:47,829 --> 01:03:46,240

looked into another angle

1673

01:03:49,270 --> 01:03:47,839

part of why it takes time because again

1674

01:03:51,589 --> 01:03:49,280

he just can't go through the front door

1675

01:03:53,109 --> 01:03:51,599

and some of this just doesn't work

1676

01:03:55,430 --> 01:03:53,119

he was in the right place at the right

1677

01:03:57,270 --> 01:03:55,440

time to block communications to the

1678

01:03:59,430 --> 01:03:57,280

white house so that they wouldn't

1679

01:04:01,190 --> 01:03:59,440

comment on what was basically a media

1680

01:04:02,870 --> 01:04:01,200

frenzy over this ufo stuff that was

1681

01:04:05,430 --> 01:04:02,880

going on ever since the new york times

1682

01:04:08,470 --> 01:04:05,440

ran its stupid story uh which of course

1683

01:04:10,150 --> 01:04:08,480

was not uh entirely factually correct

1684

01:04:11,670 --> 01:04:10,160

um i always wondered why this

1685

01:04:13,910 --> 01:04:11,680

administration

1686

01:04:16,630 --> 01:04:13,920

especially trump being a

1687

01:04:18,789 --> 01:04:16,640

a twitter hound let's be honest uh you

1688

01:04:20,870 --> 01:04:18,799

know media savvy didn't jump on the ufo

1689

01:04:22,150 --> 01:04:20,880

thing earlier look it took about a year

1690

01:04:23,589 --> 01:04:22,160

before they finally started saying

1691

01:04:24,950 --> 01:04:23,599

things and it just

1692

01:04:27,270 --> 01:04:24,960

bothered me and then i found out this

1693

01:04:28,710 --> 01:04:27,280

guy was there and then he suddenly joins

1694

01:04:31,670 --> 01:04:28,720

gtsa

1695

01:04:33,510 --> 01:04:31,680

wow and if that's about as fortuitous as

1696

01:04:35,750 --> 01:04:33,520

bigelow owning skinwalker ranch and

1697

01:04:39,510 --> 01:04:35,760

getting the contract to study ufos and

1698

01:04:42,549 --> 01:04:39,520

one-stop shopping for the paranormal

1699

01:04:43,990 --> 01:04:42,559

yeah so it seems to you have made me

1700

01:04:47,029 --> 01:04:44,000

aware

1701

01:04:48,789 --> 01:04:47,039

of some of these players in tsa have

1702

01:04:50,789 --> 01:04:48,799

been involved in

1703

01:04:53,750 --> 01:04:50,799

let's say

1704

01:04:54,870 --> 01:04:53,760

strange government research and research

1705

01:04:56,470 --> 01:04:54,880

grants

1706

01:04:58,309 --> 01:04:56,480

in other words they've been sort of

1707

01:05:01,109 --> 01:04:58,319

milking the government for money for

1708

01:05:03,589 --> 01:05:01,119

this paranormal stuff some of these guys

1709

01:05:06,150 --> 01:05:03,599

for a long time

1710

01:05:06,950 --> 01:05:06,160

yeah it goes back to the 70s

1711

01:05:09,190 --> 01:05:06,960

and

1712

01:05:11,589 --> 01:05:09,200

you know it's interesting because in the

1713

01:05:13,670 --> 01:05:11,599

keviad lawsuit for example and bob

1714

01:05:15,670 --> 01:05:13,680

keviad knows their history going back to

1715

01:05:17,829 --> 01:05:15,680

the 70s as well

1716

01:05:19,349 --> 01:05:17,839

if if there's any sense of justice in

1717

01:05:21,589 --> 01:05:19,359

this world

1718

01:05:23,910 --> 01:05:21,599

dr hal putoff will be subpoenaed and put

1719

01:05:26,549 --> 01:05:23,920

under oath and kiviad's lawsuit

1720

01:05:29,190 --> 01:05:26,559

well pandolfi has said

1721

01:05:31,990 --> 01:05:29,200

that uh this is the cia's uh former

1722

01:05:35,109 --> 01:05:32,000

weird desk head uh dr ronald pindolph he

1723

01:05:37,910 --> 01:05:35,119

took over for dr kidd green who ran some

1724

01:05:39,510 --> 01:05:37,920

of these uh techno scam uh

1725

01:05:41,349 --> 01:05:39,520

ufo

1726

01:05:43,990 --> 01:05:41,359

parapsychology paranormal things for the

1727

01:05:46,789 --> 01:05:44,000

cia wasted 10 million dollars

1728

01:05:49,430 --> 01:05:46,799

of taxpayer money this was after put off

1729

01:05:50,630 --> 01:05:49,440

around the time of him and then separate

1730

01:05:53,190 --> 01:05:50,640

from his own

1731

01:05:56,710 --> 01:05:53,200

uh they all know each other according to

1732

01:05:58,710 --> 01:05:56,720

pandolfi it was putoff who imported the

1733

01:06:00,950 --> 01:05:58,720

russian-made so-called anti-gravity

1734

01:06:02,950 --> 01:06:00,960

device which doesn't really exist

1735

01:06:04,390 --> 01:06:02,960

that uh joe formage

1736

01:06:06,230 --> 01:06:04,400

for fermich has been scamming people

1737

01:06:08,870 --> 01:06:06,240

with through inner nasa that has now

1738

01:06:10,789 --> 01:06:08,880

gotten him in trouble in court and i

1739

01:06:12,390 --> 01:06:10,799

can't wait for that trial to run its

1740

01:06:14,309 --> 01:06:12,400

course because if these people go under

1741

01:06:16,710 --> 01:06:14,319

oath the public is going to learn the

1742

01:06:19,029 --> 01:06:16,720

truth about a lot of scams and it needs

1743

01:06:21,829 --> 01:06:19,039

to be shut down it really does it needs

1744

01:06:22,549 --> 01:06:21,839

to be exposed everybody from bendolfi

1745

01:06:24,549 --> 01:06:22,559

to

1746

01:06:27,270 --> 01:06:24,559

brandon fugal the real owner of

1747

01:06:31,349 --> 01:06:27,280

skinwalker ranch to what harry reid did

1748

01:06:33,270 --> 01:06:31,359

to ttsa to internasa to atip

1749

01:06:35,910 --> 01:06:33,280

it all needs to come out and all the

1750

01:06:36,950 --> 01:06:35,920

pieces are there in enough to put them

1751

01:06:38,950 --> 01:06:36,960

together

1752

01:06:41,589 --> 01:06:38,960

but we just need to finish that final

1753

01:06:43,910 --> 01:06:43,029

so

1754

01:06:45,510 --> 01:06:43,920

you know

1755

01:06:49,029 --> 01:06:45,520

you said you couldn't really comment on

1756

01:06:51,190 --> 01:06:49,039

where you think it's going for ttsa but

1757

01:06:53,670 --> 01:06:51,200

you know it's kind of like they've been

1758

01:06:55,349 --> 01:06:53,680

over promising and under delivering in

1759

01:06:57,829 --> 01:06:55,359

my view and many people's view for a

1760

01:07:00,390 --> 01:06:57,839

long time i mean that's gotta

1761

01:07:01,510 --> 01:07:00,400

crash and burn eventually right yeah i

1762

01:07:03,270 --> 01:07:01,520

mean i

1763

01:07:05,190 --> 01:07:03,280

actually i can elaborate more now i

1764

01:07:07,270 --> 01:07:05,200

didn't mean to

1765

01:07:09,670 --> 01:07:07,280

shortchange or anything with info what

1766

01:07:10,710 --> 01:07:09,680

i'm getting at is excuse me

1767

01:07:13,670 --> 01:07:10,720

when

1768

01:07:16,069 --> 01:07:13,680

this complaint is sent to them

1769

01:07:18,470 --> 01:07:16,079

they have to respond to it

1770

01:07:20,069 --> 01:07:18,480

if they don't

1771

01:07:21,829 --> 01:07:20,079

all bets are off

1772

01:07:23,430 --> 01:07:21,839

when they respond

1773

01:07:25,190 --> 01:07:23,440

it then boils down to what kind of

1774

01:07:27,029 --> 01:07:25,200

response are they going to give is it

1775

01:07:28,390 --> 01:07:27,039

going to be the kind of response that

1776

01:07:31,510 --> 01:07:28,400

was just

1777

01:07:34,549 --> 01:07:31,520

deceiving the court like it was in the

1778

01:07:36,950 --> 01:07:34,559

caveats first round of the lawsuit where

1779

01:07:38,470 --> 01:07:36,960

a settlement had been reached gandalfi

1780

01:07:39,910 --> 01:07:38,480

had asked to be removed from that

1781

01:07:41,910 --> 01:07:39,920

lawsuit because he didn't want to go

1782

01:07:44,150 --> 01:07:41,920

under oath didn't want the agency

1783

01:07:46,309 --> 01:07:44,160

involved worried about his pension this

1784

01:07:48,230 --> 01:07:46,319

is all stuff that was reported to me

1785

01:07:51,190 --> 01:07:48,240

about what pandolfie was saying

1786

01:07:55,109 --> 01:07:51,200

so gandalfi agreed to cooperate

1787

01:07:57,910 --> 01:07:55,119

turn whistleblower sing his head off

1788

01:08:00,069 --> 01:07:57,920

problem is he wasn't telling the truth

1789

01:08:01,510 --> 01:08:00,079

and now he's got some issues that's all

1790

01:08:03,670 --> 01:08:01,520

i'm going to say and we've got all the

1791

01:08:06,789 --> 01:08:03,680

proof and this is all going to come out

1792

01:08:08,870 --> 01:08:06,799

so regarding tsa

1793

01:08:11,109 --> 01:08:08,880

we know that putoff was involved in this

1794

01:08:12,309 --> 01:08:11,119

other scam he's involved in the tsa

1795

01:08:13,109 --> 01:08:12,319

scam

1796

01:08:17,590 --> 01:08:13,119

he's

1797

01:08:20,390 --> 01:08:17,600

going to be put under oath in the caveat

1798

01:08:22,229 --> 01:08:20,400

lawsuit cross-examined on simple issues

1799

01:08:24,550 --> 01:08:22,239

were you acting under orders or did you

1800

01:08:26,709 --> 01:08:24,560

go rogue especially where concerns say

1801
01:08:27,749 --> 01:08:26,719
and dolphie so as far as what's going to

1802
01:08:28,789 --> 01:08:27,759
happen they're going to get this

1803
01:08:31,590 --> 01:08:28,799
complaint

1804
01:08:34,470 --> 01:08:31,600
they have to respond to it in 45 days

1805
01:08:35,749 --> 01:08:34,480
they're being given 15 extra days no

1806
01:08:38,229 --> 01:08:35,759
excuses

1807
01:08:40,870 --> 01:08:38,239
what they do as a consequence determines

1808
01:08:43,030 --> 01:08:40,880
what happens next

1809
01:08:44,709 --> 01:08:43,040
that that's why i can't tell you because

1810
01:08:46,709 --> 01:08:44,719
it's like if i know someone's going to

1811
01:08:48,309 --> 01:08:46,719
get sued or served

1812
01:08:49,829 --> 01:08:48,319
i can tell you what's in it i can tell

1813
01:08:51,110 --> 01:08:49,839

you when it's going to happen

1814

01:08:53,349 --> 01:08:51,120

but i can't tell you what's going to

1815

01:08:56,229 --> 01:08:53,359

happen once they get that document

1816

01:08:58,309 --> 01:08:56,239

that's why i can't tell you anymore

1817

01:09:00,630 --> 01:08:58,319

i can simply tell you that

1818

01:09:03,269 --> 01:09:00,640

where the whistleblowers have blown the

1819

01:09:05,430 --> 01:09:03,279

whistle if they are lying they're going

1820

01:09:06,789 --> 01:09:05,440

to be nailed if they're telling the

1821

01:09:08,149 --> 01:09:06,799

truth

1822

01:09:09,829 --> 01:09:08,159

they're heroes

1823

01:09:11,349 --> 01:09:09,839

either way we learn the truth for the

1824

01:09:12,789 --> 01:09:11,359

first time you sure aren't going to get

1825

01:09:15,910 --> 01:09:12,799

it from george knapp and you're sure not

1826

01:09:18,309 --> 01:09:15,920

going to get it on coast to coast

1827

01:09:20,149 --> 01:09:18,319

yeah and i i also found that part of the

1828

01:09:23,189 --> 01:09:20,159

story funny with george knapp was an

1829

01:09:25,990 --> 01:09:23,199

early investor in tsa and then proceeds

1830

01:09:26,599 --> 01:09:26,000

to blast them out on his you know

1831

01:09:28,070 --> 01:09:26,609

television

1832

01:09:29,669 --> 01:09:28,080

[Music]

1833

01:09:31,269 --> 01:09:29,679

you know

1834

01:09:34,229 --> 01:09:31,279

he just he gave them all kinds of

1835

01:09:37,110 --> 01:09:34,239

publicity and he was an early investor i

1836

01:09:39,510 --> 01:09:37,120

don't see how that's okay that just

1837

01:09:41,430 --> 01:09:39,520

didn't sit well with me and then he has

1838

01:09:43,990 --> 01:09:41,440

said that he just invested to help tom

1839

01:09:45,910 --> 01:09:44,000

out or something like that but it still

1840

01:09:48,470 --> 01:09:45,920

it doesn't look good to me

1841

01:09:49,910 --> 01:09:48,480

no and it's unethical because he's a

1842

01:09:52,229 --> 01:09:49,920

journalist and what he should have done

1843

01:09:54,310 --> 01:09:52,239

is started his broadcast hello boys and

1844

01:09:56,229 --> 01:09:54,320

girls my name's george knapp i'm a

1845

01:09:57,990 --> 01:09:56,239

carnival barker for these guys and i

1846

01:10:00,070 --> 01:09:58,000

gave them more money because i'm going

1847

01:10:01,189 --> 01:10:00,080

to get publicity and ratings and

1848

01:10:03,910 --> 01:10:01,199

click-throughs off all this whatever

1849

01:10:06,149 --> 01:10:03,920

whatever his motives are i'm not psychic

1850

01:10:08,470 --> 01:10:06,159

don't profess to be i don't have respect

1851
01:10:12,149 --> 01:10:08,480
for him because in my opinion he is a

1852
01:10:14,870 --> 01:10:12,159
carnival barker for these guys he has

1853
01:10:17,270 --> 01:10:14,880
helped promote frauds like bob lazar

1854
01:10:20,709 --> 01:10:17,280
come on i would not do that just to get

1855
01:10:23,669 --> 01:10:20,719
ratings i would expose lazar and walk on

1856
01:10:26,229 --> 01:10:23,679
and move on who cares if you get ratings

1857
01:10:28,070 --> 01:10:26,239
this is a part that disgusts me about a

1858
01:10:30,229 --> 01:10:28,080
lot of the so-called journalists today

1859
01:10:32,790 --> 01:10:30,239
and unfortunately since i'm on the older

1860
01:10:34,470 --> 01:10:32,800
side of things now um

1861
01:10:36,390 --> 01:10:34,480
we have a whole young generation in

1862
01:10:38,950 --> 01:10:36,400
power running hollywood

1863
01:10:40,630 --> 01:10:38,960

uh that grew up saying all this stuff

1864

01:10:42,310 --> 01:10:40,640

was true they don't know any better and

1865

01:10:43,910 --> 01:10:42,320

when you confront them with the truth

1866

01:10:45,110 --> 01:10:43,920

and say look i was there here's the

1867

01:10:48,229 --> 01:10:45,120

proof here's the photo here's the

1868

01:10:50,070 --> 01:10:48,239

document they don't know what to do

1869

01:10:52,709 --> 01:10:50,080

they don't know what to do

1870

01:10:55,910 --> 01:10:52,719

yeah we see we see also these

1871

01:10:57,270 --> 01:10:55,920

interconnections because george knapp is

1872

01:11:00,470 --> 01:10:57,280

of course the person that originally

1873

01:11:02,310 --> 01:11:00,480

broke this bob lazar story then he's

1874

01:11:03,669 --> 01:11:02,320

basically been selling it for years and

1875

01:11:07,189 --> 01:11:03,679

years

1876

01:11:09,590 --> 01:11:07,199

decades but also uh

1877

01:11:10,470 --> 01:11:09,600

bob lazar has a connection to tssa in

1878

01:11:13,750 --> 01:11:10,480

that

1879

01:11:15,270 --> 01:11:13,760

bob lazar who is famously said over and

1880

01:11:17,830 --> 01:11:15,280

over again i never make any money from

1881

01:11:19,110 --> 01:11:17,840

my story just published an autobiography

1882

01:11:21,189 --> 01:11:19,120

and it's very interesting that the

1883

01:11:23,750 --> 01:11:21,199

person the the publisher of the

1884

01:11:24,709 --> 01:11:23,760

autobiography is a brand new publishing

1885

01:11:27,189 --> 01:11:24,719

company

1886

01:11:28,470 --> 01:11:27,199

started by tom delong's sister

1887

01:11:31,189 --> 01:11:28,480

of course

1888

01:11:34,070 --> 01:11:31,199

yeah and one of the first things noted

1889

01:11:36,550 --> 01:11:34,080

in the draft complaint against tsa and

1890

01:11:38,870 --> 01:11:36,560

again i have seen this document so i'm

1891

01:11:40,229 --> 01:11:38,880

going to tell you what is in one of the

1892

01:11:41,430 --> 01:11:40,239

i think it's the second point in the

1893

01:11:44,709 --> 01:11:41,440

document

1894

01:11:47,030 --> 01:11:44,719

um it says in point two i i believe it's

1895

01:11:49,430 --> 01:11:47,040

absolutely within the first three pages

1896

01:11:51,510 --> 01:11:49,440

it says very clearly that tom de long

1897

01:11:53,270 --> 01:11:51,520

and his sister were transferred i

1898

01:11:55,350 --> 01:11:53,280

believe over ninety percent or roughly

1899

01:11:57,990 --> 01:11:55,360

90 of all the stock

1900

01:11:59,990 --> 01:11:58,000

in that company by this guy in florida

1901

01:12:01,669 --> 01:12:00,000

who set it up and was hired to do

1902

01:12:04,070 --> 01:12:01,679

exactly that he's identified in the

1903

01:12:06,229 --> 01:12:04,080

complaint so there you go you can see

1904

01:12:07,830 --> 01:12:06,239

where the riches are being stacked up

1905

01:12:09,750 --> 01:12:07,840

put off and all those other guys are

1906

01:12:11,350 --> 01:12:09,760

only going to get scraps if they achieve

1907

01:12:12,470 --> 01:12:11,360

certain milestones which i don't think

1908

01:12:14,070 --> 01:12:12,480

they're going to do

1909

01:12:15,430 --> 01:12:14,080

at the end of the day

1910

01:12:17,430 --> 01:12:15,440

um

1911

01:12:18,870 --> 01:12:17,440

you know you can't make chicken salad

1912

01:12:20,790 --> 01:12:18,880

out of chicken

1913

01:12:23,189 --> 01:12:20,800

shi you know what

1914

01:12:25,350 --> 01:12:23,199

that's just reality they don't have the

1915

01:12:27,110 --> 01:12:25,360

goods they never did

1916

01:12:28,630 --> 01:12:27,120

they they aren't going to get it unless

1917

01:12:31,350 --> 01:12:28,640

somebody gives it to them or they

1918

01:12:33,510 --> 01:12:31,360

stumble across it they're recycling old

1919

01:12:35,590 --> 01:12:33,520

garbage and let's be honest even some of

1920

01:12:36,390 --> 01:12:35,600

the fanboys were saying by episode six

1921

01:12:37,750 --> 01:12:36,400

of that

1922

01:12:39,910 --> 01:12:37,760

terrible series they did which they

1923

01:12:42,550 --> 01:12:39,920

helped produce by the way that um you

1924

01:12:44,470 --> 01:12:42,560

know this was stretching it a bit thin

1925

01:12:46,550 --> 01:12:44,480

uh reaching for it a bit yeah because

1926

01:12:48,950 --> 01:12:46,560

the whole thing always was that i mean

1927

01:12:50,550 --> 01:12:48,960

remember they said luella zondo ran at

1928

01:12:52,070 --> 01:12:50,560

for 10 years

1929

01:12:53,430 --> 01:12:52,080

no he didn't

1930

01:12:56,390 --> 01:12:53,440

yeah that's been an interesting

1931

01:12:58,630 --> 01:12:56,400

revelation to me and uh also

1932

01:13:00,870 --> 01:12:58,640

just to see the defense of people who

1933

01:13:02,870 --> 01:13:00,880

are huge supporters it's

1934

01:13:06,149 --> 01:13:02,880

kind of laughable you know you kind of

1935

01:13:09,270 --> 01:13:06,159

make excuses for why that is oh that

1936

01:13:11,030 --> 01:13:09,280

pentagon spokesperson was an error

1937

01:13:13,030 --> 01:13:11,040

and but then we get it again from

1938

01:13:14,550 --> 01:13:13,040

someone else that no he didn't run that

1939

01:13:16,229 --> 01:13:14,560

program so

1940

01:13:18,550 --> 01:13:16,239

it's amazing to me and he's on

1941

01:13:20,470 --> 01:13:18,560

television saying he ran that program

1942

01:13:22,950 --> 01:13:20,480

he's at conferences saying he ran that

1943

01:13:24,950 --> 01:13:22,960

program they're asking for investors

1944

01:13:25,990 --> 01:13:24,960

money while he's saying he ran that

1945

01:13:31,350 --> 01:13:26,000

program

1946

01:13:34,149 --> 01:13:31,360

yeah it's it's it's

1947

01:13:36,790 --> 01:13:34,159

it's illegal to do that but if the law

1948

01:13:37,669 --> 01:13:36,800

is not enforced they get away with it

1949

01:13:40,470 --> 01:13:37,679

and

1950

01:13:44,390 --> 01:13:40,480

ironically you can even find on linkedin

1951

01:13:46,550 --> 01:13:44,400

who was his predecessor who ran a tip

1952

01:13:49,110 --> 01:13:46,560

and you can do the math he's declared it

1953

01:13:51,030 --> 01:13:49,120

on a cv so either he's lying

1954

01:13:53,669 --> 01:13:51,040

or they're both lying and what's

1955

01:13:56,870 --> 01:13:53,679

interesting is that the predecessor to

1956

01:13:58,229 --> 01:13:56,880

uh elizondo also worked for bigelow

1957

01:14:00,470 --> 01:13:58,239

wow

1958

01:14:02,790 --> 01:14:00,480

hot dog what are the odds of that

1959

01:14:05,189 --> 01:14:02,800

and of course two of the pilots did i

1960

01:14:07,110 --> 01:14:05,199

believe in the nimitz uh in incident

1961

01:14:09,430 --> 01:14:07,120

they had worked for bigelow or married a

1962

01:14:11,430 --> 01:14:09,440

pilot who worked for bigelow it's just

1963

01:14:13,189 --> 01:14:11,440

an amazing small

1964

01:14:15,510 --> 01:14:13,199

what are the odds it's kind of odds they

1965

01:14:17,510 --> 01:14:15,520

should go to the casinos man they retire

1966

01:14:20,470 --> 01:14:17,520

riding a heater yeah it's always

1967

01:14:24,390 --> 01:14:20,480

interesting to me how many ufo stories

1968

01:14:27,110 --> 01:14:24,400

roads lead back to bigelow and uh

1969

01:14:28,390 --> 01:14:27,120

kind of amazing character to me you know

1970

01:14:30,630 --> 01:14:28,400

like

1971

01:14:32,630 --> 01:14:30,640

here's this billionaire and he's putting

1972

01:14:35,189 --> 01:14:32,640

money his own

1973

01:14:37,030 --> 01:14:35,199

money into a bunch of this stuff buying

1974

01:14:39,430 --> 01:14:37,040

that ranch

1975

01:14:42,390 --> 01:14:39,440

what what's your take on bigelow

1976

01:14:44,310 --> 01:14:42,400

is he just is he just like a rich guy

1977

01:14:45,910 --> 01:14:44,320

with way too much money who's interested

1978

01:14:48,950 --> 01:14:45,920

in this stuff so he throws some money

1979

01:14:51,270 --> 01:14:48,960

around or what is the deal with him

1980

01:14:53,189 --> 01:14:51,280

i cannot speak for him i'm not gonna do

1981

01:14:55,189 --> 01:14:53,199

it i'm sorry i don't have any uh

1982

01:14:57,350 --> 01:14:55,199

first-hand interaction with him

1983

01:14:58,870 --> 01:14:57,360

what i can tell you is that when i look

1984

01:15:00,709 --> 01:14:58,880

at some of the people who have gotten

1985

01:15:02,229 --> 01:15:00,719

money from him for what they've got

1986

01:15:05,030 --> 01:15:02,239

money for

1987

01:15:06,950 --> 01:15:05,040

either he's naive or they've exploited

1988

01:15:08,790 --> 01:15:06,960

him i don't profess to know what his

1989

01:15:11,669 --> 01:15:08,800

motives are

1990

01:15:13,990 --> 01:15:11,679

we got information that uh how put off

1991

01:15:15,669 --> 01:15:14,000

is the one that was given the deed to

1992

01:15:18,070 --> 01:15:15,679

skinwalker ranch

1993

01:15:19,590 --> 01:15:18,080

and then brokered the deal to sell it to

1994

01:15:21,350 --> 01:15:19,600

uh fuel

1995

01:15:23,110 --> 01:15:21,360

and of course now there's gonna be a

1996

01:15:26,149 --> 01:15:23,120

series about it of course again it's

1997

01:15:28,390 --> 01:15:26,159

one-stop paranormal shopping

1998

01:15:30,950 --> 01:15:28,400

so this is all not a coincidence it's

1999

01:15:33,110 --> 01:15:30,960

fraud and when you're selling stuff that

2000

01:15:35,350 --> 01:15:33,120

isn't true that includes billy meyer

2001

01:15:37,350 --> 01:15:35,360

photos that are not real

2002

01:15:40,070 --> 01:15:37,360

it's consumer fraud doesn't matter what

2003

01:15:42,709 --> 01:15:40,080

the subject is you cannot sell something

2004

01:15:44,950 --> 01:15:42,719

that you knowingly misrepresent or that

2005

01:15:46,950 --> 01:15:44,960

has been proven to be what it isn't

2006

01:15:48,149 --> 01:15:46,960

sometimes the manufacturer doesn't know

2007

01:15:50,550 --> 01:15:48,159

and they find something in it that

2008

01:15:53,590 --> 01:15:50,560

shouldn't be there whatever the point is

2009

01:15:55,030 --> 01:15:53,600

it's illegal and so uh why he does what

2010

01:15:57,510 --> 01:15:55,040

he does i don't know

2011

01:15:59,510 --> 01:15:57,520

i know for example uh again he's

2012

01:16:01,189 --> 01:15:59,520

involved in aerospace and that i worked

2013

01:16:03,350 --> 01:16:01,199

at boeing for years i've got friends

2014

01:16:04,630 --> 01:16:03,360

there still so i'm able to follow what

2015

01:16:06,550 --> 01:16:04,640

he does there

2016

01:16:08,070 --> 01:16:06,560

i've got issues with anybody having

2017

01:16:11,110 --> 01:16:08,080

aerospace contracts when they're

2018

01:16:12,709 --> 01:16:11,120

involved in things as spurious as uh

2019

01:16:14,709 --> 01:16:12,719

something like atyp for example when

2020

01:16:15,590 --> 01:16:14,719

harry reid is on record and others is

2021

01:16:18,070 --> 01:16:15,600

saying

2022

01:16:20,149 --> 01:16:18,080

that part of the 22 million in taxpayer

2023

01:16:22,470 --> 01:16:20,159

money went to build these special

2024

01:16:24,310 --> 01:16:22,480

facilities how the house the ufo

2025

01:16:26,070 --> 01:16:24,320

evidence and fragments

2026

01:16:28,470 --> 01:16:26,080

uh as part of atip

2027

01:16:30,070 --> 01:16:28,480

i'm saying no i don't believe any such

2028

01:16:31,669 --> 01:16:30,080

facilities were built

2029

01:16:33,750 --> 01:16:31,679

maybe they were built for another

2030

01:16:35,830 --> 01:16:33,760

purpose and bigelow was able to enrich

2031

01:16:38,070 --> 01:16:35,840

whatever at taxpayer expense i don't

2032

01:16:39,030 --> 01:16:38,080

know but show us the facilities where

2033

01:16:40,470 --> 01:16:39,040

are they

2034

01:16:43,590 --> 01:16:40,480

where's the accountability where's the

2035

01:16:45,430 --> 01:16:43,600

transparency yeah i was going to ask you

2036

01:16:47,750 --> 01:16:45,440

because maybe you have some more insight

2037

01:16:49,270 --> 01:16:47,760

into it than i was able to dig up with

2038

01:16:52,470 --> 01:16:49,280

my meager

2039

01:16:53,590 --> 01:16:52,480

research skills i try to look into

2040

01:16:55,350 --> 01:16:53,600

the money

2041

01:16:57,510 --> 01:16:55,360

so there's 22 million dollars of

2042

01:16:58,550 --> 01:16:57,520

taxpayer money given to this eight tip

2043

01:17:01,510 --> 01:16:58,560

program

2044

01:17:02,790 --> 01:17:01,520

through harry reid and another senator

2045

01:17:04,149 --> 01:17:02,800

the hawaiian center i don't know its

2046

01:17:05,910 --> 01:17:04,159

name offhand

2047

01:17:07,189 --> 01:17:05,920

the money goes through them

2048

01:17:09,030 --> 01:17:07,199

to

2049

01:17:10,709 --> 01:17:09,040

this a-tip program

2050

01:17:13,830 --> 01:17:10,719

but i don't know

2051

01:17:16,550 --> 01:17:13,840

what we got for the 22 million

2052

01:17:17,510 --> 01:17:16,560

yeah what happened is when i started

2053

01:17:18,790 --> 01:17:17,520

working

2054

01:17:21,270 --> 01:17:18,800

to

2055

01:17:22,709 --> 01:17:21,280

uh let me back up

2056

01:17:25,430 --> 01:17:22,719

what happened is i

2057

01:17:27,430 --> 01:17:25,440

left india and came to the us

2058

01:17:28,950 --> 01:17:27,440

secretly meaning i didn't tell anybody i

2059

01:17:30,390 --> 01:17:28,960

was coming and i travel a lot and don't

2060

01:17:31,590 --> 01:17:30,400

tell people where i'm coming it depends

2061

01:17:33,990 --> 01:17:31,600

on what i'm doing

2062

01:17:37,189 --> 01:17:34,000

so i'm in the u.s

2063

01:17:39,270 --> 01:17:37,199

and i'm in a hotel room and i'm about to

2064

01:17:41,110 --> 01:17:39,280

turn off the news when tucker carlson

2065

01:17:43,189 --> 01:17:41,120

comes on and tells me what the new york

2066

01:17:46,550 --> 01:17:43,199

times said about atip and ufos in

2067

01:17:48,790 --> 01:17:46,560

december of 2017 and he basically says

2068

01:17:51,270 --> 01:17:48,800

the secret program was there

2069

01:17:52,870 --> 01:17:51,280

their objects remain unexplained ufos

2070

01:17:55,510 --> 01:17:52,880

are real have a nice day and i'm like

2071

01:17:57,669 --> 01:17:55,520

what the f no way you know i'm not going

2072

01:17:59,910 --> 01:17:57,679

to get away with this and then so what

2073

01:18:01,110 --> 01:17:59,920

happened is um i started putting charts

2074

01:18:02,550 --> 01:18:01,120

together

2075

01:18:05,110 --> 01:18:02,560

of who was who

2076

01:18:06,870 --> 01:18:05,120

and to use an analogy of of doing this

2077

01:18:08,709 --> 01:18:06,880

type of thing again as an analyst i've

2078

01:18:11,030 --> 01:18:08,719

done this for many years but

2079

01:18:13,910 --> 01:18:11,040

to cite an example of how

2080

01:18:15,910 --> 01:18:13,920

the public may remember these visually

2081

01:18:18,310 --> 01:18:15,920

they may remember these old uh

2082

01:18:20,149 --> 01:18:18,320

organizational charts uh mafia flow

2083

01:18:21,830 --> 01:18:20,159

charts of who the copper is who the

2084

01:18:23,510 --> 01:18:21,840

industry is yeah that's all you know

2085

01:18:25,910 --> 01:18:23,520

what when i saw some of the stuff that

2086

01:18:28,229 --> 01:18:25,920

you were working on that's exactly what

2087

01:18:30,550 --> 01:18:28,239

i i thought of that you know like a

2088

01:18:32,149 --> 01:18:30,560

movie with that big board that the cops

2089

01:18:33,830 --> 01:18:32,159

have and they have this whole criminal

2090

01:18:37,270 --> 01:18:33,840

organization and there's pictures of

2091

01:18:38,790 --> 01:18:37,280

each guy and rights about what they do

2092

01:18:41,510 --> 01:18:38,800

that's really what it reminded me of

2093

01:18:44,790 --> 01:18:41,520

absolutely yeah because these these

2094

01:18:46,950 --> 01:18:44,800

investigation relationship slides have

2095

01:18:48,390 --> 01:18:46,960

been put together and and

2096

01:18:50,310 --> 01:18:48,400

the lines

2097

01:18:53,110 --> 01:18:50,320

intersected some amazing things and what

2098

01:18:54,709 --> 01:18:53,120

you see is a decades-long

2099

01:18:57,110 --> 01:18:54,719

pat a series of patterns here and the

2100

01:18:58,870 --> 01:18:57,120

pattern is using taxpayer money and

2101

01:18:59,750 --> 01:18:58,880

techno scams

2102

01:19:03,910 --> 01:18:59,760

and

2103

01:19:05,669 --> 01:19:03,920

any more than any other american does

2104

01:19:06,950 --> 01:19:05,679

but at least build a damn airport for

2105

01:19:09,990 --> 01:19:06,960

your money you know

2106

01:19:12,149 --> 01:19:10,000

not ufo thing the fact is harry reid and

2107

01:19:14,149 --> 01:19:12,159

the two other senators who were involved

2108

01:19:16,709 --> 01:19:14,159

could have easily if they really cared

2109

01:19:18,790 --> 01:19:16,719

about ufos asked the cia or air force

2110

01:19:20,390 --> 01:19:18,800

hey what's the truth here tell us they

2111

01:19:21,510 --> 01:19:20,400

would have gotten the answer i even

2112

01:19:24,390 --> 01:19:21,520

identify

2113

01:19:25,990 --> 01:19:24,400

who they could have called if i know if

2114

01:19:28,709 --> 01:19:26,000

i know it and i don't have the clearance

2115

01:19:31,189 --> 01:19:28,719

or access they do then damn it they sure

2116

01:19:32,950 --> 01:19:31,199

well know it so there's one slide where

2117

01:19:35,669 --> 01:19:32,960

it says harry reid fixer in chief

2118

01:19:37,430 --> 01:19:35,679

because he's has fixed things in dc

2119

01:19:41,430 --> 01:19:37,440

and he worked with actually two other

2120

01:19:43,830 --> 01:19:41,440

senators they were um uh basically

2121

01:19:45,830 --> 01:19:43,840

daniel inouye he was the senator from

2122

01:19:48,550 --> 01:19:45,840

hawaii that you uh mentioned and then

2123

01:19:51,750 --> 01:19:48,560

there was ted uh stevens okay

2124

01:19:54,709 --> 01:19:51,760

and ted stevens was known as the king of

2125

01:19:56,709 --> 01:19:54,719

pork i mean he was investigated for it

2126
01:19:58,870 --> 01:19:56,719
stevens this is a quote from him and

2127
01:20:00,550 --> 01:19:58,880
this is from one of these slides that

2128
01:20:02,709 --> 01:20:00,560
was presented to

2129
01:20:04,229 --> 01:20:02,719
some of the investigators back in dc who

2130
01:20:06,229 --> 01:20:04,239
are going to make the decision of what

2131
01:20:07,830 --> 01:20:06,239
to do regarding what

2132
01:20:10,390 --> 01:20:07,840
where the money went and all that this

2133
01:20:12,390 --> 01:20:10,400
is a quote from that slide you're gonna

2134
01:20:15,110 --> 01:20:12,400
i'm giving you a copy of it

2135
01:20:17,110 --> 01:20:15,120
stevens hated government waste watchdogs

2136
01:20:18,390 --> 01:20:17,120
often calling them quote a bunch of

2137
01:20:21,030 --> 01:20:18,400
psychopaths

2138
01:20:22,390 --> 01:20:21,040

unquote and saying quote they are idiots

2139

01:20:23,510 --> 01:20:22,400

unquote

2140

01:20:25,750 --> 01:20:23,520

okay

2141

01:20:29,030 --> 01:20:25,760

so these three senators took taxpayer

2142

01:20:30,790 --> 01:20:29,040

money without congressional oversight

2143

01:20:33,910 --> 01:20:30,800

and just gave it to

2144

01:20:35,830 --> 01:20:33,920

his donor reedstoner and reed says he

2145

01:20:38,310 --> 01:20:35,840

saw a letter bigelow had shown him

2146

01:20:39,990 --> 01:20:38,320

talking about how skinwalker ranch was

2147

01:20:42,390 --> 01:20:40,000

haunted there's paranormal activity

2148

01:20:44,229 --> 01:20:42,400

there from interdimensional portals

2149

01:20:46,950 --> 01:20:44,239

again that reminds me of the pandolfi

2150

01:20:49,510 --> 01:20:46,960

pindolphi's wife joe fermajan or nasa

2151
01:20:51,510 --> 01:20:49,520
nonsense two

2152
01:20:54,070 --> 01:20:51,520
kid green being in there

2153
01:20:56,070 --> 01:20:54,080
doing medical exposure stuff to

2154
01:20:57,830 --> 01:20:56,080
again the ufo stuff and the paranormal

2155
01:20:59,510 --> 01:20:57,840
skinwalker stuff

2156
01:21:02,790 --> 01:20:59,520
and i'll tell you one thing

2157
01:21:06,390 --> 01:21:02,800
we traced i traced specifically in my

2158
01:21:08,870 --> 01:21:06,400
investigation the skinwalker nonsense to

2159
01:21:10,310 --> 01:21:08,880
the mormons of all people and when you

2160
01:21:12,149 --> 01:21:10,320
look at people who are involved in the

2161
01:21:15,110 --> 01:21:12,159
skinwalker ranch

2162
01:21:17,110 --> 01:21:15,120
nonsense you've got uh

2163
01:21:20,310 --> 01:21:17,120

fugle and you've got congressman bill

2164

01:21:21,750 --> 01:21:20,320

marriott or daniel marriott and he's a

2165

01:21:24,070 --> 01:21:21,760

woman

2166

01:21:28,390 --> 01:21:24,080

you know and the skinwalker thing do you

2167

01:21:33,270 --> 01:21:31,110

well i actually found the archives in

2168

01:21:34,390 --> 01:21:33,280

the mormon church in the northern

2169

01:21:36,629 --> 01:21:34,400

archives

2170

01:21:39,110 --> 01:21:36,639

what happened is in the pioneer days the

2171

01:21:41,110 --> 01:21:39,120

mormons would kidnap or adopt quote

2172

01:21:42,950 --> 01:21:41,120

unquote against their will

2173

01:21:44,390 --> 01:21:42,960

indian children

2174

01:21:46,550 --> 01:21:44,400

and what they would do is they'd try to

2175

01:21:48,870 --> 01:21:46,560

raise them as converted women's

2176
01:21:50,870 --> 01:21:48,880
and they wouldn't let them stay outside

2177
01:21:52,550 --> 01:21:50,880
ninety percent of the time like indians

2178
01:21:55,430 --> 01:21:52,560
do okay

2179
01:21:57,270 --> 01:21:55,440
and their skin would turn lighter

2180
01:21:59,189 --> 01:21:57,280
because they weren't out in the sun as

2181
01:22:00,550 --> 01:21:59,199
much plus many of them would try to

2182
01:22:02,629 --> 01:22:00,560
escape

2183
01:22:04,470 --> 01:22:02,639
and they their skin started turning

2184
01:22:06,070 --> 01:22:04,480
lighter and they thought their life

2185
01:22:08,310 --> 01:22:06,080
power whatever is being drained from

2186
01:22:09,430 --> 01:22:08,320
them and that led to the skinwalker

2187
01:22:10,390 --> 01:22:09,440
legend

2188
01:22:13,510 --> 01:22:10,400

okay

2189

01:22:15,110 --> 01:22:13,520
of the skin walking and changing color

2190

01:22:17,110 --> 01:22:15,120
and leaving them

2191

01:22:18,629 --> 01:22:17,120
and then they cursed the land that was

2192

01:22:20,629 --> 01:22:18,639
stolen from them there's actual

2193

01:22:22,550 --> 01:22:20,639
newspaper article in the slide i'm

2194

01:22:25,350 --> 01:22:22,560
showing you saying they just made up

2195

01:22:27,430 --> 01:22:25,360
this curse so there you go

2196

01:22:30,470 --> 01:22:27,440
it's it's complete folklore combined

2197

01:22:32,310 --> 01:22:30,480
with real tragic history where you know

2198

01:22:34,390 --> 01:22:32,320
as part of colonizing america and the

2199

01:22:36,790 --> 01:22:34,400
genocide we did commit against native

2200

01:22:38,629 --> 01:22:36,800
american indians the mormons took

2201

01:22:41,910 --> 01:22:38,639

children and

2202

01:22:44,390 --> 01:22:41,920

that fueled this skinwalker legend myth

2203

01:22:46,470 --> 01:22:44,400

curse anger in addition to stealing the

2204

01:22:49,669 --> 01:22:46,480

land

2205

01:22:51,270 --> 01:22:49,679

yeah this skinwalker branch to me it

2206

01:22:53,590 --> 01:22:51,280

just seems like there's nothing there

2207

01:22:56,229 --> 01:22:53,600

it's a lot of good stories but if they

2208

01:22:58,790 --> 01:22:56,239

if they spent all this money and you

2209

01:23:01,350 --> 01:22:58,800

know had real scientists there they they

2210

01:23:03,430 --> 01:23:01,360

never got anything out of it

2211

01:23:05,830 --> 01:23:03,440

well see that's the thing um bigelow is

2212

01:23:07,750 --> 01:23:05,840

rich he doesn't need a grant to study

2213

01:23:10,070 --> 01:23:07,760

something plus if he did it out of his

2214

01:23:11,669 --> 01:23:10,080

own pocket it's a tax deduction

2215

01:23:14,229 --> 01:23:11,679

what i want to know is where the 22

2216

01:23:16,790 --> 01:23:14,239

million went the investigators

2217

01:23:18,550 --> 01:23:16,800

are now looking asking that question how

2218

01:23:21,350 --> 01:23:18,560

far they'll go i don't have an answer

2219

01:23:23,270 --> 01:23:21,360

yet i will soon i am in that loop of

2220

01:23:26,550 --> 01:23:23,280

communication i promise you

2221

01:23:29,189 --> 01:23:26,560

and there is a list of all the people

2222

01:23:31,669 --> 01:23:29,199

who are involved in the stuff including

2223

01:23:33,590 --> 01:23:31,679

the facilities that's been found and

2224

01:23:35,430 --> 01:23:33,600

turned over and documented

2225

01:23:36,310 --> 01:23:35,440

and we'll see how far they chase this

2226

01:23:38,709 --> 01:23:36,320

down

2227

01:23:40,709 --> 01:23:38,719

what i want to do is try to ensure that

2228

01:23:42,790 --> 01:23:40,719

this never happens again we need to shut

2229

01:23:45,270 --> 01:23:42,800

down the so-called aviary

2230

01:23:47,270 --> 01:23:45,280

nonsense and this techno scam thing

2231

01:23:48,709 --> 01:23:47,280

because we found evidence of this and

2232

01:23:50,790 --> 01:23:48,719

you may remember this

2233

01:23:53,430 --> 01:23:50,800

remember john podesta

2234

01:23:55,669 --> 01:23:53,440

big ufo nut well

2235

01:23:58,149 --> 01:23:55,679

okay so harry reid is leaving under a

2236

01:23:58,950 --> 01:23:58,159

cloud ending his political career his

2237

01:24:00,550 --> 01:23:58,960

son

2238

01:24:02,790 --> 01:24:00,560

is uh

2239

01:24:05,590 --> 01:24:02,800

tied up in corruption with the chinese

2240

01:24:07,430 --> 01:24:05,600

he has been reprimanded in a and

2241

01:24:10,629 --> 01:24:07,440

scolded an inspector general report for

2242

01:24:13,350 --> 01:24:10,639

putting pressure on somebody to help

2243

01:24:16,870 --> 01:24:13,360

grant a mafia connected person a casino

2244

01:24:19,590 --> 01:24:16,880

license the whistleblower who is has

2245

01:24:22,070 --> 01:24:19,600

been recorded and that recording is is

2246

01:24:23,830 --> 01:24:22,080

with people in dc about harry reid and

2247

01:24:25,750 --> 01:24:23,840

his connections to those types of things

2248

01:24:29,189 --> 01:24:25,760

it's all there it's being run down

2249

01:24:31,510 --> 01:24:29,199

uh again i've heard those tapes um

2250

01:24:34,070 --> 01:24:31,520

we'll see what happens uh that's all in

2251

01:24:34,950 --> 01:24:34,080

there and then uh what you had happened

2252

01:24:35,750 --> 01:24:34,960

was

2253

01:24:38,709 --> 01:24:35,760

um

2254

01:24:39,669 --> 01:24:38,719

this being run down to the point where

2255

01:24:42,149 --> 01:24:39,679

uh

2256

01:24:43,910 --> 01:24:42,159

the investigators again will decide very

2257

01:24:45,750 --> 01:24:43,920

soon it will be after the first of the

2258

01:24:47,669 --> 01:24:45,760

year of course how far they're going to

2259

01:24:50,550 --> 01:24:47,679

pursue this uh we want to know where the

2260

01:24:52,790 --> 01:24:50,560

money went we want to know uh you know

2261

01:24:54,470 --> 01:24:52,800

where all the 22 million were accounted

2262

01:24:56,870 --> 01:24:54,480

for what did they get for it they got

2263

01:24:59,430 --> 01:24:56,880

nothing now here's the the thing that's

2264

01:25:01,110 --> 01:24:59,440

a shame about this it probably is the

2265

01:25:03,189 --> 01:25:01,120

case and this is what the whistleblower

2266

01:25:05,270 --> 01:25:03,199

said this person knows all about how

2267

01:25:07,350 --> 01:25:05,280

these contracts are written they said it

2268

01:25:09,590 --> 01:25:07,360

might be that the contract was written

2269

01:25:11,910 --> 01:25:09,600

in such a way that it gave bigelow the

2270

01:25:13,110 --> 01:25:11,920

right to keep all data that the

2271

01:25:15,910 --> 01:25:13,120

government

2272

01:25:17,590 --> 01:25:15,920

didn't officially take custody of if

2273

01:25:19,590 --> 01:25:17,600

that is the case

2274

01:25:22,550 --> 01:25:19,600

there could be multiple versions of the

2275

01:25:23,990 --> 01:25:22,560

so-called tic tac ufos there could be

2276

01:25:26,470 --> 01:25:24,000

we don't know what

2277

01:25:29,430 --> 01:25:26,480

because bigelow would not be under any

2278

01:25:30,950 --> 01:25:29,440

legal obligation to turn that over and

2279

01:25:33,750 --> 01:25:30,960

of course it could not be found and

2280

01:25:35,830 --> 01:25:33,760

wouldn't apply under foia laws and that

2281

01:25:37,910 --> 01:25:35,840

is a disgraceful aspect of how these

2282

01:25:39,030 --> 01:25:37,920

contracts are written just like the way

2283

01:25:41,669 --> 01:25:39,040

the atep

2284

01:25:44,790 --> 01:25:41,679

contract was offered supposed open

2285

01:25:46,470 --> 01:25:44,800

public bid wink wink well as one of my

2286

01:25:48,229 --> 01:25:46,480

longtime friends at boeing said and i

2287

01:25:50,390 --> 01:25:48,239

know the game i saw it there when i

2288

01:25:52,310 --> 01:25:50,400

worked at boeing you can structure a

2289

01:25:54,950 --> 01:25:52,320

contract in a way where the winner of

2290

01:25:57,189 --> 01:25:54,960

that contract is going to be pretty much

2291

01:25:59,750 --> 01:25:57,199

determined ahead of time

2292

01:26:00,870 --> 01:25:59,760

yeah it's it's funny this no bid kind of

2293

01:26:03,590 --> 01:26:00,880

thing like

2294

01:26:06,390 --> 01:26:03,600

okay we need a subcontractor to help us

2295

01:26:08,390 --> 01:26:06,400

study ufos and bigelow's the only guy

2296

01:26:10,550 --> 01:26:08,400

he's friends with he's the only bitter

2297

01:26:13,590 --> 01:26:10,560

he gets the he gets the deal

2298

01:26:15,669 --> 01:26:13,600

and he's friends with harry reid so

2299

01:26:18,229 --> 01:26:15,679

it doesn't look good

2300

01:26:20,070 --> 01:26:18,239

no in fact let's say that i had bid on a

2301
01:26:22,709 --> 01:26:20,080
tip and it was a real thing what i would

2302
01:26:24,629 --> 01:26:22,719
have proposed is for a lot less money

2303
01:26:27,430 --> 01:26:24,639
just hire me at a normal government

2304
01:26:29,430 --> 01:26:27,440
salary rate i'll be the liaison between

2305
01:26:31,590 --> 01:26:29,440
all the agencies who run their vertical

2306
01:26:33,189 --> 01:26:31,600
stovepipe ufo things anyway they've been

2307
01:26:35,830 --> 01:26:33,199
doing it for years

2308
01:26:37,110 --> 01:26:35,840
and try to say hey let's share data kind

2309
01:26:40,470 --> 01:26:37,120
of like you're supposed to pull your

2310
01:26:42,550 --> 01:26:40,480
data uh that so-called uh firewall that

2311
01:26:46,390 --> 01:26:42,560
kept us from the fbi and cia from

2312
01:26:48,189 --> 01:26:46,400
sharing data on bin laden yeah 9 11

2313
01:26:50,950 --> 01:26:48,199

post 9 11 they're supposed to be

2314

01:26:52,950 --> 01:26:50,960

intercommunicating more right and it's

2315

01:26:55,830 --> 01:26:52,960

actually becoming more fragmented again

2316

01:26:58,390 --> 01:26:55,840

now but uh let me read to you one of

2317

01:27:00,390 --> 01:26:58,400

these slides here and this again was

2318

01:27:02,550 --> 01:27:00,400

turned into investigators

2319

01:27:05,590 --> 01:27:02,560

it says here all harry reid had to do

2320

01:27:07,910 --> 01:27:05,600

was ask it says here for the record the

2321

01:27:10,229 --> 01:27:07,920

air force's national air and space

2322

01:27:11,830 --> 01:27:10,239

intelligence center nasik at

2323

01:27:14,310 --> 01:27:11,840

wright-patterson air force base in

2324

01:27:17,910 --> 01:27:14,320

dayton ohio the location of the mythical

2325

01:27:21,830 --> 01:27:17,920

hangar 18 in american and ufo folklore

2326

01:27:24,790 --> 01:27:21,840

is a key official entity that analyzes

2327

01:27:27,750 --> 01:27:24,800

aerial and space-based threats

2328

01:27:30,310 --> 01:27:27,760

ufos automagically fall under this

2329

01:27:33,350 --> 01:27:30,320

category other agencies have their own

2330

01:27:35,510 --> 01:27:33,360

processes for handling reports in other

2331

01:27:37,750 --> 01:27:35,520

words perceived threats or we don't know

2332

01:27:40,950 --> 01:27:37,760

what it was go find out

2333

01:27:43,750 --> 01:27:40,960

so again i'm looking at their logo

2334

01:27:45,590 --> 01:27:43,760

it's got a triangle shape type craft i

2335

01:27:48,629 --> 01:27:45,600

mean it's all there it's even got a

2336

01:27:50,870 --> 01:27:48,639

sphinx on it it's official agency

2337

01:27:53,189 --> 01:27:50,880

all you do is pick up the damn phone

2338

01:27:54,709 --> 01:27:53,199

okay and also wouldn't that mean there

2339

01:27:57,110 --> 01:27:54,719

was already

2340

01:27:59,590 --> 01:27:57,120

somebody handling the responsibility of

2341

01:28:02,310 --> 01:27:59,600

aerial threat identification

2342

01:28:06,550 --> 01:28:02,320

so taking so taking 22 million and

2343

01:28:09,910 --> 01:28:07,990

that kind of sounds like something the

2344

01:28:11,350 --> 01:28:09,920

government would do though because one

2345

01:28:13,510 --> 01:28:11,360

hand doesn't know what the other hand is

2346

01:28:15,669 --> 01:28:13,520

doing maybe but

2347

01:28:17,990 --> 01:28:15,679

we'll be recreating something we already

2348

01:28:20,229 --> 01:28:18,000

have in place right

2349

01:28:22,870 --> 01:28:20,239

but it's more than that because

2350

01:28:25,990 --> 01:28:22,880

we've always had in place

2351

01:28:27,669 --> 01:28:26,000

a means to investigate ufo reports do

2352

01:28:29,830 --> 01:28:27,679

you think russia doesn't violate our

2353

01:28:31,590 --> 01:28:29,840

airspace all the time or you know put

2354

01:28:33,430 --> 01:28:31,600

satellites over where they shouldn't

2355

01:28:35,510 --> 01:28:33,440

launch balloons or china there's

2356

01:28:37,510 --> 01:28:35,520

incursions all the time

2357

01:28:40,550 --> 01:28:37,520

both deliberate and and accidental

2358

01:28:43,750 --> 01:28:40,560

pirates you name it so

2359

01:28:45,830 --> 01:28:43,760

you know remember the early memos from

2360

01:28:47,189 --> 01:28:45,840

the 40s and 50s about

2361

01:28:48,709 --> 01:28:47,199

um

2362

01:28:50,390 --> 01:28:48,719

the reports being routed through

2363

01:28:52,950 --> 01:28:50,400

military channels and are not part of

2364

01:28:58,550 --> 01:28:52,960

the blue book system there's always been

2365

01:29:01,669 --> 01:28:58,560

a me a way to report a ufo and you know

2366

01:29:02,950 --> 01:29:01,679

this is what cracks me up and and again

2367

01:29:04,229 --> 01:29:02,960

this is in some of the slides you're

2368

01:29:06,149 --> 01:29:04,239

going to get

2369

01:29:08,470 --> 01:29:06,159

one of the things that you have to hit

2370

01:29:11,590 --> 01:29:08,480

ufo researchers with

2371

01:29:14,229 --> 01:29:11,600

is what i call the mossad problem

2372

01:29:16,790 --> 01:29:14,239

okay mossad everyone would agree to a

2373

01:29:18,070 --> 01:29:16,800

man is the biggest baddest intelligence

2374

01:29:21,830 --> 01:29:18,080

agency

2375

01:29:23,189 --> 01:29:21,840

ever period they are the badasses okay

2376

01:29:24,550 --> 01:29:23,199

they're not the biggest but they are the

2377

01:29:26,870 --> 01:29:24,560

most powerful

2378

01:29:28,310 --> 01:29:26,880

so where are the secret roswell mossad

2379

01:29:31,510 --> 01:29:28,320

ufo files

2380

01:29:34,070 --> 01:29:31,520

they don't exist where's ufo mossad

2381

01:29:37,510 --> 01:29:34,080

anything files mossad doesn't give a

2382

01:29:39,590 --> 01:29:37,520

about ufos okay they're not into it

2383

01:29:42,149 --> 01:29:39,600

they don't care why because there's

2384

01:29:43,830 --> 01:29:42,159

nothing to be concerned about the alien

2385

01:29:45,910 --> 01:29:43,840

now there's two ways to view that either

2386

01:29:46,790 --> 01:29:45,920

aliens love jews

2387

01:29:49,189 --> 01:29:46,800

or

2388

01:29:52,390 --> 01:29:49,199

they just they just ain't coming here

2389

01:29:55,189 --> 01:29:52,400

like these nutters claim they are

2390

01:29:56,310 --> 01:29:55,199

and i'll bet you that's the answer

2391

01:29:57,750 --> 01:29:56,320

okay

2392

01:29:59,669 --> 01:29:57,760

now

2393

01:30:01,990 --> 01:29:59,679

again you you can't take that out of

2394

01:30:03,910 --> 01:30:02,000

there another thing part of this most

2395

01:30:05,669 --> 01:30:03,920

sock problem

2396

01:30:06,470 --> 01:30:05,679

i call it the cell phone problem you've

2397

01:30:08,229 --> 01:30:06,480

got

2398

01:30:10,070 --> 01:30:08,239

have to plan it with cell phones now

2399

01:30:12,870 --> 01:30:10,080

billions of cameras of

2400

01:30:14,950 --> 01:30:12,880

still in video where's the spike in all

2401

01:30:17,910 --> 01:30:14,960

the evidence all these ships flying

2402

01:30:20,629 --> 01:30:17,920

around there's a spike in cgi fakes but

2403

01:30:22,629 --> 01:30:20,639

even not to the degree based on cells of

2404

01:30:25,110 --> 01:30:22,639

the total number of phones it's still

2405

01:30:28,709 --> 01:30:25,120

such a small number it's flat lined on a

2406

01:30:30,229 --> 01:30:28,719

graph i did it myself compared to cells

2407

01:30:32,790 --> 01:30:30,239

okay so

2408

01:30:35,270 --> 01:30:32,800

where if all this stuff is going on like

2409

01:30:37,350 --> 01:30:35,280

like the internet indicates and the way

2410

01:30:38,629 --> 01:30:37,360

you read drudge there's ufo stuff every

2411

01:30:40,629 --> 01:30:38,639

other day now

2412

01:30:42,870 --> 01:30:40,639

well where's all the billions and

2413

01:30:44,870 --> 01:30:42,880

billions and billions of photos by now

2414

01:30:47,030 --> 01:30:44,880

they're not there because it isn't

2415

01:30:50,149 --> 01:30:47,040

happening see you can't have it both

2416

01:30:52,070 --> 01:30:50,159

ways it's cause and effect

2417

01:30:55,270 --> 01:30:52,080

and and this is what i'm trying to bring

2418

01:30:58,149 --> 01:30:55,280

people back to and it's not fun it's

2419

01:31:00,950 --> 01:30:58,159

tedious but you know i remember in my

2420

01:31:03,189 --> 01:31:00,960

childhood this is where the buzz was

2421

01:31:05,189 --> 01:31:03,199

this is where the interest was you could

2422

01:31:08,390 --> 01:31:05,199

have conversations about this kind of

2423

01:31:09,910 --> 01:31:08,400

stuff with a heineken a friedman even

2424

01:31:11,990 --> 01:31:09,920

even if you agree to disagree you could

2425

01:31:13,350 --> 01:31:12,000

still be friends today

2426

01:31:14,629 --> 01:31:13,360

you better hope i don't find out where

2427

01:31:16,470 --> 01:31:14,639

you live because i want to kill you now

2428

01:31:17,750 --> 01:31:16,480

because you believe in billy meyer it's

2429

01:31:19,910 --> 01:31:17,760

ridiculous

2430

01:31:22,870 --> 01:31:19,920

and we've become so polarized that it's

2431

01:31:24,790 --> 01:31:22,880

now become mainstream to where you know

2432

01:31:26,550 --> 01:31:24,800

i've had people unfriend me just because

2433

01:31:28,629 --> 01:31:26,560

i predicted trump would win as a

2434

01:31:30,709 --> 01:31:28,639

journalist covered the whole campaign

2435

01:31:32,790 --> 01:31:30,719

although i didn't support him but i was

2436

01:31:33,910 --> 01:31:32,800

smart enough as an analyst to predict

2437

01:31:35,990 --> 01:31:33,920

he'd win

2438

01:31:38,629 --> 01:31:36,000

and yet i got unfriended for that by

2439

01:31:41,189 --> 01:31:38,639

fellow journalists ridiculous

2440

01:31:43,669 --> 01:31:41,199

yeah i've been uh unfriended and blocked

2441

01:31:46,470 --> 01:31:43,679

on twitter for stating something that

2442

01:31:47,590 --> 01:31:46,480

was factual about a case or you know and

2443

01:31:49,110 --> 01:31:47,600

i just go

2444

01:31:51,990 --> 01:31:49,120

well then you're not the kind of person

2445

01:31:53,910 --> 01:31:52,000

i want in my stream anyway

2446

01:31:56,229 --> 01:31:53,920

you know like it's kind of ridiculous

2447

01:31:59,270 --> 01:31:56,239

like look i've got you dead to rights

2448

01:32:01,030 --> 01:31:59,280

lying in this you know whatever and

2449

01:32:03,430 --> 01:32:01,040

here's the proof and the evidence and

2450

01:32:05,110 --> 01:32:03,440

like well we have to block this guy

2451

01:32:07,510 --> 01:32:05,120

you know

2452

01:32:09,110 --> 01:32:07,520

yeah i got blocked by ttsa and and

2453

01:32:10,790 --> 01:32:09,120

actually it took him longer to block me

2454

01:32:12,070 --> 01:32:10,800

than i thought they would i just kept

2455

01:32:13,990 --> 01:32:12,080

telling people hey you're being

2456

01:32:15,669 --> 01:32:14,000

investigated and you're gonna get this

2457

01:32:16,870 --> 01:32:15,679

complaint and i was just telling people

2458

01:32:18,790 --> 01:32:16,880

there were people

2459

01:32:20,229 --> 01:32:18,800

you know who were saying it wasn't true

2460

01:32:21,750 --> 01:32:20,239

he's like well you can't tell me it's

2461

01:32:24,070 --> 01:32:21,760

not true when you're not involved and

2462

01:32:26,709 --> 01:32:24,080

i've seen the stuff i'm part of the

2463

01:32:29,189 --> 01:32:26,719

group that's trying to move this forward

2464

01:32:32,470 --> 01:32:29,199

and um you know you're telling me it's

2465

01:32:34,149 --> 01:32:32,480

not true it's you know i i have no time

2466

01:32:36,229 --> 01:32:34,159

for you at that point you know i

2467

01:32:38,470 --> 01:32:36,239

remember when my myer book first came

2468

01:32:40,390 --> 01:32:38,480

out or when word leaked out actually

2469

01:32:44,149 --> 01:32:40,400

that my myer expose was coming out from

2470

01:32:46,229 --> 01:32:44,159

prometheus they denied i was there

2471

01:32:47,189 --> 01:32:46,239

they said i was lying

2472

01:32:51,189 --> 01:32:47,199

and

2473

01:32:53,030 --> 01:32:51,199

the encounter show jim delatosa was

2474

01:32:54,709 --> 01:32:53,040

that i was not there but he found out i

2475

01:32:57,030 --> 01:32:54,719

was and um

2476

01:32:59,590 --> 01:32:57,040

you know the rest is history as they say

2477

01:33:01,030 --> 01:32:59,600

so i have no time for people who tell me

2478

01:33:01,830 --> 01:33:01,040

something they're not in a position to

2479

01:33:10,070 --> 01:33:01,840

know

2480

01:33:11,510 --> 01:33:10,080

and i've really got to be a stickler

2481

01:33:13,189 --> 01:33:11,520

about this and it's going to be

2482

01:33:15,189 --> 01:33:13,199

interesting now

2483

01:33:17,030 --> 01:33:15,199

to see what happens because with shows

2484

01:33:18,709 --> 01:33:17,040

like yours and other ones that are out

2485

01:33:20,070 --> 01:33:18,719

there

2486

01:33:22,310 --> 01:33:20,080

let's see what happens to some of the

2487

01:33:24,470 --> 01:33:22,320

guest lineups says these exposes come

2488

01:33:26,310 --> 01:33:24,480

out because they're hard-hitting and

2489

01:33:28,310 --> 01:33:26,320

foundational that's why in the slide as

2490

01:33:31,030 --> 01:33:28,320

you'll see the illustration for these

2491

01:33:33,350 --> 01:33:31,040

cases is a marble pillar because they're

2492

01:33:34,709 --> 01:33:33,360

pillars of ufology that are now

2493

01:33:36,950 --> 01:33:34,719

crumbling

2494

01:33:37,669 --> 01:33:36,960

because it's time to get the truth out

2495

01:33:39,430 --> 01:33:37,679

there

2496

01:33:42,149 --> 01:33:39,440

you know i i had an interesting

2497

01:33:43,830 --> 01:33:42,159

conversation with a friend uh and friend

2498

01:33:46,470 --> 01:33:43,840

of the show who

2499

01:33:47,830 --> 01:33:46,480

uh you know is a big believer in a lot

2500

01:33:49,510 --> 01:33:47,840

of this stuff

2501
01:33:52,149 --> 01:33:49,520
and uh you know for a time for some of

2502
01:33:53,350 --> 01:33:52,159
this stuff i was as well uh

2503
01:33:55,030 --> 01:33:53,360
you know and

2504
01:33:57,430 --> 01:33:55,040
he was kind of saying like

2505
01:34:00,310 --> 01:33:57,440
you know it's just

2506
01:34:02,390 --> 01:34:00,320
fun to to read about these things and

2507
01:34:04,149 --> 01:34:02,400
and to think about them and

2508
01:34:06,070 --> 01:34:04,159
sometimes it doesn't matter if they're

2509
01:34:08,629 --> 01:34:06,080
true or not and i think that's a kind of

2510
01:34:10,310 --> 01:34:08,639
dangerous way to go about things but

2511
01:34:11,830 --> 01:34:10,320
what do you say to the people that this

2512
01:34:13,750 --> 01:34:11,840
is just enter it's a form of

2513
01:34:16,470 --> 01:34:13,760

entertainment for sure i mean and it's

2514

01:34:18,550 --> 01:34:16,480

getting much more popular now

2515

01:34:20,470 --> 01:34:18,560

no it this pendulum is just swinging

2516

01:34:22,629 --> 01:34:20,480

around again that's all the moment

2517

01:34:24,470 --> 01:34:22,639

there's another 911 type attack in the

2518

01:34:26,229 --> 01:34:24,480

u.s because we've gotten lazy fat dumb

2519

01:34:29,590 --> 01:34:26,239

and happy fatter

2520

01:34:33,750 --> 01:34:29,600

now not necessarily happier um

2521

01:34:35,830 --> 01:34:33,760

people won't care again i remember

2522

01:34:36,790 --> 01:34:35,840

what happened after a millennial madness

2523

01:34:39,430 --> 01:34:36,800

passed

2524

01:34:42,229 --> 01:34:39,440

once 9 11 happened initially nobody

2525

01:34:44,149 --> 01:34:42,239

cared about ufos i talked to many ex

2526

01:34:46,310 --> 01:34:44,159

network network executives because i was

2527

01:34:48,149 --> 01:34:46,320

doing record number shows myself even

2528

01:34:49,830 --> 01:34:48,159

producing them i helped produce them

2529

01:34:52,310 --> 01:34:49,840

from europe

2530

01:34:54,390 --> 01:34:52,320

for fox and um

2531

01:34:56,070 --> 01:34:54,400

they uh said that until aliens are

2532

01:34:57,189 --> 01:34:56,080

putting on suicide bombing vests we

2533

01:34:59,430 --> 01:34:57,199

don't care

2534

01:35:01,189 --> 01:34:59,440

and so it is swung around again because

2535

01:35:04,149 --> 01:35:01,199

it's about that time

2536

01:35:07,510 --> 01:35:04,159

um it's it's a pendulum swing and we've

2537

01:35:09,189 --> 01:35:07,520

become an anniversary society and even

2538

01:35:10,950 --> 01:35:09,199

drudge running these reports now they

2539

01:35:13,750 --> 01:35:10,960

tend to be from the same sources over

2540

01:35:15,990 --> 01:35:13,760

and over the sun the british tabloids

2541

01:35:17,830 --> 01:35:16,000

popular mechanics the intercept so on

2542

01:35:19,430 --> 01:35:17,840

i'm not criticizing those publications

2543

01:35:21,990 --> 01:35:19,440

but i'm simply saying

2544

01:35:24,070 --> 01:35:22,000

there's a kind of a me too thing going

2545

01:35:27,030 --> 01:35:24,080

on it's good for ratings and clicks yes

2546

01:35:28,390 --> 01:35:27,040

the interest is there absolutely but i

2547

01:35:31,030 --> 01:35:28,400

agree with you

2548

01:35:32,310 --> 01:35:31,040

that believing that

2549

01:35:35,750 --> 01:35:32,320

that

2550

01:35:38,229 --> 01:35:35,760

unreality or non-reality is reality is

2551
01:35:39,830 --> 01:35:38,239
dangerous and then we must remember

2552
01:35:40,629 --> 01:35:39,840
these people vote

2553
01:35:42,950 --> 01:35:40,639
okay

2554
01:35:45,109 --> 01:35:42,960
and that's really scary i think if you

2555
01:35:48,390 --> 01:35:45,119
believe uncle sam has aliens stuffed

2556
01:35:49,750 --> 01:35:48,400
away in pickle jars at area 51

2557
01:35:51,990 --> 01:35:49,760
well

2558
01:35:53,590 --> 01:35:52,000
i don't think i want you determining

2559
01:35:55,750 --> 01:35:53,600
who's going to be the next president of

2560
01:35:58,310 --> 01:35:55,760
the united states in fact i think you

2561
01:35:59,510 --> 01:35:58,320
shouldn't vote i i worry about that i

2562
01:36:01,270 --> 01:35:59,520
really do

2563
01:36:04,629 --> 01:36:01,280

uh i would worry if that same kind of

2564

01:36:07,109 --> 01:36:04,639

person had a deadly weapon because

2565

01:36:09,189 --> 01:36:07,119

people don't look at why they believed

2566

01:36:11,350 --> 01:36:09,199

what they believed when i found out

2567

01:36:13,350 --> 01:36:11,360

roswell was mobile

2568

01:36:15,350 --> 01:36:13,360

and i first found out in washington dc

2569

01:36:17,030 --> 01:36:15,360

when i was visiting there after doing

2570

01:36:19,750 --> 01:36:17,040

the kennedy show

2571

01:36:22,310 --> 01:36:19,760

and um on cnn and um

2572

01:36:24,390 --> 01:36:22,320

i thought well okay i i

2573

01:36:26,550 --> 01:36:24,400

if someone else doesn't figure this out

2574

01:36:29,350 --> 01:36:26,560

then i'll step forward and say something

2575

01:36:31,270 --> 01:36:29,360

and i did because i had to i felt a

2576

01:36:33,750 --> 01:36:31,280

obligation to

2577

01:36:36,790 --> 01:36:33,760

but the moment i found out it was mobile

2578

01:36:38,229 --> 01:36:36,800

i asked myself why i missed that

2579

01:36:39,510 --> 01:36:38,239

and then i started looking over

2580

01:36:42,229 --> 01:36:39,520

everything and then when i got major

2581

01:36:44,790 --> 01:36:42,239

jesse marcel's uh once classified

2582

01:36:46,229 --> 01:36:44,800

military file which nobody had had then

2583

01:36:48,390 --> 01:36:46,239

i saw how

2584

01:36:51,109 --> 01:36:48,400

i was fooled because i didn't know he

2585

01:36:52,550 --> 01:36:51,119

was a liar and a fraud and made stuff up

2586

01:36:54,790 --> 01:36:52,560

even about his own

2587

01:36:55,990 --> 01:36:54,800

background which didn't exist it's all

2588

01:36:58,149 --> 01:36:56,000

in his file

2589

01:37:00,950 --> 01:36:58,159

no question and to this day

2590

01:37:04,870 --> 01:37:00,960

the believers ignore it

2591

01:37:07,030 --> 01:37:04,880

you know it's pathetic it is pathetic

2592

01:37:09,270 --> 01:37:07,040

and one other thing i want to say too

2593

01:37:10,550 --> 01:37:09,280

and i mentioned this to chan hannah the

2594

01:37:13,990 --> 01:37:10,560

other day

2595

01:37:16,229 --> 01:37:14,000

online on her facebook thing

2596

01:37:17,830 --> 01:37:16,239

you know it's it's neat to have these

2597

01:37:19,669 --> 01:37:17,840

tools for

2598

01:37:20,950 --> 01:37:19,679

whatever we've got smartphones and so on

2599

01:37:23,189 --> 01:37:20,960

in the right hands they can help with

2600

01:37:25,109 --> 01:37:23,199

investigations but no matter what the

2601
01:37:27,510 --> 01:37:25,119
tool is if you're putting garbage in you

2602
01:37:29,109 --> 01:37:27,520
get garbage out and the problem is when

2603
01:37:31,590 --> 01:37:29,119
people can't even use the word to bunker

2604
01:37:35,750 --> 01:37:31,600
right no matter how good your iphone is

2605
01:37:40,709 --> 01:37:38,470
yeah i i definitely agree with you like

2606
01:37:42,550 --> 01:37:40,719
i i can see it in my own work i know

2607
01:37:45,590 --> 01:37:42,560
when i really put the time in and the

2608
01:37:49,030 --> 01:37:45,600
effort in to do good research you know

2609
01:37:50,709 --> 01:37:49,040
it kind of shows and i don't know a lot

2610
01:37:51,750 --> 01:37:50,719
of a lot of these people just kind of

2611
01:37:56,310 --> 01:37:51,760
take

2612
01:37:58,070 --> 01:37:56,320
and believe it

2613
01:38:00,229 --> 01:37:58,080

they do and what they've done is they've

2614

01:38:02,070 --> 01:38:00,239

turned it upside down debunking which

2615

01:38:04,550 --> 01:38:02,080

means by definition look it up in a

2616

01:38:07,270 --> 01:38:04,560

dictionary and that's why every single

2617

01:38:08,870 --> 01:38:07,280

book edition volume of ufology or

2618

01:38:09,750 --> 01:38:08,880

theology with rob mcconnell is going to

2619

01:38:10,629 --> 01:38:09,760

have

2620

01:38:12,390 --> 01:38:10,639

uh

2621

01:38:15,430 --> 01:38:12,400

those pages in there from the dictionary

2622

01:38:18,149 --> 01:38:15,440

to teach people common sense they even

2623

01:38:19,510 --> 01:38:18,159

know what the word means if you

2624

01:38:21,669 --> 01:38:19,520

point it out to them for a moment they

2625

01:38:23,430 --> 01:38:21,679

know what decaffeinated means they know

2626
01:38:25,189 --> 01:38:23,440
what deicing means so of course they

2627
01:38:26,950 --> 01:38:25,199
know what debunking means but their

2628
01:38:29,030 --> 01:38:26,960
emotions get in the way of their logic

2629
01:38:30,870 --> 01:38:29,040
and that's the problem so

2630
01:38:34,470 --> 01:38:30,880
what uh

2631
01:38:36,149 --> 01:38:34,480
what we want to do is get it out there

2632
01:38:37,990 --> 01:38:36,159
put it on the internet so that when

2633
01:38:40,149 --> 01:38:38,000
somebody googles it in the future about

2634
01:38:41,910 --> 01:38:40,159
annie jacobson roswell lazar they will

2635
01:38:43,510 --> 01:38:41,920
at least see this other side that's not

2636
01:38:45,350 --> 01:38:43,520
what they're seeing now because the

2637
01:38:47,350 --> 01:38:45,360
other side has taken over

2638
01:38:49,669 --> 01:38:47,360

and then it's up to people to believe

2639

01:38:51,189 --> 01:38:49,679

what they want to believe

2640

01:38:52,709 --> 01:38:51,199

it's up to them

2641

01:38:55,270 --> 01:38:52,719

i do think you have to hold them

2642

01:38:56,950 --> 01:38:55,280

accountable i do think you have to not

2643

01:38:59,109 --> 01:38:56,960

let them get away with what they get

2644

01:39:01,510 --> 01:38:59,119

away with it is not fun

2645

01:39:03,109 --> 01:39:01,520

but if you don't do it they win and you

2646

01:39:04,870 --> 01:39:03,119

might as well not even say anything at

2647

01:39:06,790 --> 01:39:04,880

that point because it's a one-way

2648

01:39:09,109 --> 01:39:06,800

so-called conversation what i was going

2649

01:39:11,030 --> 01:39:09,119

to say too in response to your point

2650

01:39:13,510 --> 01:39:11,040

which you're spot on

2651

01:39:16,470 --> 01:39:13,520

in my time in the ufo field in the

2652

01:39:18,470 --> 01:39:16,480

decades where we didn't have computers

2653

01:39:20,149 --> 01:39:18,480

but we made a point to talk to each

2654

01:39:21,910 --> 01:39:20,159

other because you had to really do that

2655

01:39:24,550 --> 01:39:21,920

a lot to try to get things done you went

2656

01:39:26,470 --> 01:39:24,560

out on these investigations field trips

2657

01:39:27,590 --> 01:39:26,480

and so on

2658

01:39:31,270 --> 01:39:27,600

um

2659

01:39:33,910 --> 01:39:31,280

it used to be that ufo that the alien

2660

01:39:35,590 --> 01:39:33,920

explanation was the last thing that you

2661

01:39:37,590 --> 01:39:35,600

championed because you eliminated

2662

01:39:39,430 --> 01:39:37,600

everything else today

2663

01:39:42,229 --> 01:39:39,440

it's the first thing they look for and

2664

01:39:44,629 --> 01:39:42,239

then they'll find something to force fit

2665

01:39:46,790 --> 01:39:44,639

it the tic tacs are the perfect example

2666

01:39:49,350 --> 01:39:46,800

and i've been around and around with

2667

01:39:51,430 --> 01:39:49,360

some of these believers over this

2668

01:39:54,470 --> 01:39:51,440

they think that the

2669

01:39:56,870 --> 01:39:54,480

summary report of that incident

2670

01:40:00,229 --> 01:39:56,880

from nap that was published that's not

2671

01:40:02,870 --> 01:40:00,239

an official account that is a summary of

2672

01:40:03,830 --> 01:40:02,880

other stuff so it's not a first-hand

2673

01:40:05,750 --> 01:40:03,840

report

2674

01:40:07,990 --> 01:40:05,760

it's considered to be gospel which is

2675

01:40:09,669 --> 01:40:08,000

wrong it's like a copy of the bible and

2676
01:40:11,350 --> 01:40:09,679
they say oh that's original manuscript

2677
01:40:13,030 --> 01:40:11,360
no it's not

2678
01:40:14,709 --> 01:40:13,040
so everything in there cannot be taken

2679
01:40:16,790 --> 01:40:14,719
at face value and the pilot says it took

2680
01:40:18,950 --> 01:40:16,800
off faster than the speed of sound

2681
01:40:21,030 --> 01:40:18,960
that's not proof it really was flying at

2682
01:40:23,270 --> 01:40:21,040
faster than the speed of sound if you

2683
01:40:25,910 --> 01:40:23,280
look at the speed readings

2684
01:40:28,470 --> 01:40:25,920
on the visual display of the cockpit of

2685
01:40:30,070 --> 01:40:28,480
these videos they aren't going at the

2686
01:40:31,669 --> 01:40:30,080
speed of sound they're only going a

2687
01:40:34,310 --> 01:40:31,679
couple hundred kilometers an hour not

2688
01:40:36,470 --> 01:40:34,320

very fast at all and one of the pilots

2689

01:40:38,550 --> 01:40:36,480

clearly says if the audio is real and

2690

01:40:42,070 --> 01:40:38,560

not dubbed that it's a fleet of drones

2691

01:40:45,430 --> 01:40:43,510

i have off that's the first thing i

2692

01:40:46,629 --> 01:40:45,440

thought of when i first saw these videos

2693

01:40:48,870 --> 01:40:46,639

is that that's

2694

01:40:51,109 --> 01:40:48,880

could be a drone it could very easily be

2695

01:40:52,390 --> 01:40:51,119

an unmanned aerial vehicle or some sort

2696

01:40:54,390 --> 01:40:52,400

of drone

2697

01:40:56,709 --> 01:40:54,400

and yeah

2698

01:40:58,149 --> 01:40:56,719

yeah well that's cool that i get to hear

2699

01:41:00,709 --> 01:40:58,159

it from you this is kind of what i

2700

01:41:02,550 --> 01:41:00,719

thought and i also thought

2701
01:41:04,149 --> 01:41:02,560
the same as you to jump right to the

2702
01:41:05,510 --> 01:41:04,159
alien explanation before you've

2703
01:41:07,350 --> 01:41:05,520
exhausted

2704
01:41:10,229 --> 01:41:07,360
the other possibilities

2705
01:41:12,310 --> 01:41:10,239
especially so near to some of those

2706
01:41:14,070 --> 01:41:12,320
like the skunk works test sites where

2707
01:41:15,189 --> 01:41:14,080
some of this stuff took place yeah yeah

2708
01:41:19,750 --> 01:41:15,199
yeah

2709
01:41:21,109 --> 01:41:19,760
anything else doesn't matter in

2710
01:41:22,950 --> 01:41:21,119
principle

2711
01:41:24,550 --> 01:41:22,960
you must eliminate everything else then

2712
01:41:26,950 --> 01:41:24,560
whatever is left

2713
01:41:28,870 --> 01:41:26,960

is alien okay it must be the very last

2714

01:41:31,350 --> 01:41:28,880

thing you consider there's a bar to be

2715

01:41:33,910 --> 01:41:31,360

met to be credible now one other thing

2716

01:41:35,109 --> 01:41:33,920

too that gets even worse and you've seen

2717

01:41:37,510 --> 01:41:35,119

this

2718

01:41:39,109 --> 01:41:37,520

not only do they say well pilots has a

2719

01:41:41,510 --> 01:41:39,119

full fast speed of sound so it must have

2720

01:41:43,590 --> 01:41:41,520

but the way it suddenly stopped and made

2721

01:41:45,109 --> 01:41:43,600

right angle turns and whatever it would

2722

01:41:47,590 --> 01:41:45,119

have killed any human being with

2723

01:41:49,750 --> 01:41:47,600

g-forces well you just set up a phony

2724

01:41:51,830 --> 01:41:49,760

straw man argument you're assuming for

2725

01:41:54,229 --> 01:41:51,840

one that there's something living in

2726
01:41:55,430 --> 01:41:54,239
there to begin with you can't make that

2727
01:41:57,109 --> 01:41:55,440
assumption

2728
01:41:58,070 --> 01:41:57,119
you might as well say it would kill a

2729
01:41:59,830 --> 01:41:58,080
well

2730
01:42:01,990 --> 01:41:59,840
if he were stuck in the desert too for

2731
01:42:04,070 --> 01:42:02,000
five hours well no kidding but it's not

2732
01:42:06,390 --> 01:42:04,080
relevant to it you can't prove there's a

2733
01:42:09,669 --> 01:42:06,400
connection most of the stuff we send

2734
01:42:11,750 --> 01:42:09,679
into space hello has no people in it

2735
01:42:14,229 --> 01:42:11,760
it's never going to because it's not

2736
01:42:15,750 --> 01:42:14,239
practical even if we were star trek

2737
01:42:19,430 --> 01:42:15,760
technology

2738
01:42:20,950 --> 01:42:19,440

unmanned makes sense so if it is ours or

2739

01:42:22,550 --> 01:42:20,960

somebody from earth i don't believe it's

2740

01:42:25,030 --> 01:42:22,560

alien for one minute because it doesn't

2741

01:42:27,350 --> 01:42:25,040

meet that far so i'm evil i'm a disinfo

2742

01:42:30,470 --> 01:42:27,360

guy suddenly

2743

01:42:33,109 --> 01:42:30,480

it was not manned most likely play the

2744

01:42:35,430 --> 01:42:33,119

odds okay and if it's not man it can do

2745

01:42:38,629 --> 01:42:35,440

a lot more fancy things than if it were

2746

01:42:40,470 --> 01:42:38,639

hello but don't sit there and say well

2747

01:42:42,229 --> 01:42:40,480

more evidence it must be not from here

2748

01:42:43,669 --> 01:42:42,239

because you know it would kill a human

2749

01:42:45,510 --> 01:42:43,679

being if it were in there

2750

01:42:47,510 --> 01:42:45,520

who says one's in there

2751

01:42:49,350 --> 01:42:47,520

they do they just make it up they pull

2752

01:42:50,709 --> 01:42:49,360

it out of their vibrations their own

2753

01:42:53,750 --> 01:42:50,719

argument

2754

01:42:56,390 --> 01:42:53,760

could also be used to point to the drone

2755

01:42:57,750 --> 01:42:56,400

explanation because yeah of course

2756

01:42:59,669 --> 01:42:57,760

of course

2757

01:43:02,229 --> 01:42:59,679

vehicle can do

2758

01:43:03,750 --> 01:43:02,239

maneuvers and not worry about a human

2759

01:43:05,990 --> 01:43:03,760

pilot

2760

01:43:08,149 --> 01:43:06,000

yeah and what i found out when i was

2761

01:43:10,149 --> 01:43:08,159

reporting on the aegis

2762

01:43:12,070 --> 01:43:10,159

talking about it from india writing

2763

01:43:14,550 --> 01:43:12,080

about this stuff because the wild card

2764

01:43:16,629 --> 01:43:14,560

question was how much of a partner is

2765

01:43:18,870 --> 01:43:16,639

india going to be in the aegis alliance

2766

01:43:20,790 --> 01:43:18,880

because we need india to help corral

2767

01:43:22,149 --> 01:43:20,800

china we're not going to stop china but

2768

01:43:24,229 --> 01:43:22,159

india has too many people they're going

2769

01:43:26,070 --> 01:43:24,239

to pass china in population to ignore

2770

01:43:27,350 --> 01:43:26,080

them and they want to be

2771

01:43:29,750 --> 01:43:27,360

part of the

2772

01:43:32,950 --> 01:43:29,760

aegis alliance vietnam others are you

2773

01:43:35,350 --> 01:43:32,960

know have joined okay so they turn this

2774

01:43:37,350 --> 01:43:35,360

radar on and lo and behold the ufos what

2775

01:43:39,669 --> 01:43:37,360

perfect timing you know

2776
01:43:41,270 --> 01:43:39,679
no what happens is as they calibrate the

2777
01:43:43,510 --> 01:43:41,280
radar and adjust it and work out the

2778
01:43:44,470 --> 01:43:43,520
bugs things like ice crystals get

2779
01:43:46,470 --> 01:43:44,480
tracked

2780
01:43:48,629 --> 01:43:46,480
in huge numbers and they fall down all

2781
01:43:50,310 --> 01:43:48,639
the time they don't stay up and float

2782
01:43:51,350 --> 01:43:50,320
and then you know they melt and then

2783
01:43:52,550 --> 01:43:51,360
they're gone

2784
01:43:53,830 --> 01:43:52,560
and the next thing you know they're

2785
01:43:55,750 --> 01:43:53,840
looking at something in the water oh it

2786
01:43:58,070 --> 01:43:55,760
must be the same thing no it was a

2787
01:44:00,229 --> 01:43:58,080
hodgepodge of incidents

2788
01:44:01,030 --> 01:44:00,239

and then they were all conflated into

2789

01:44:06,470 --> 01:44:01,040

this

2790

01:44:09,030 --> 01:44:06,480

encapsulating some of it but not

2791

01:44:11,510 --> 01:44:09,040

firsthand stuff was in there and then of

2792

01:44:13,030 --> 01:44:11,520

course fravor's testimony contradicts

2793

01:44:15,830 --> 01:44:13,040

the other witnesses

2794

01:44:17,990 --> 01:44:15,840

uh it's comical if you make a graph of

2795

01:44:19,750 --> 01:44:18,000

what they each claim and say

2796

01:44:20,709 --> 01:44:19,760

they don't even agree with each other

2797

01:44:23,669 --> 01:44:20,719

you know

2798

01:44:25,910 --> 01:44:23,679

so there you go

2799

01:44:28,070 --> 01:44:25,920

wow well you've given us a great many

2800

01:44:29,990 --> 01:44:28,080

things to think about cal

2801
01:44:33,350 --> 01:44:30,000
why don't you tell my listeners how they

2802
01:44:35,030 --> 01:44:33,360
can get your books

2803
01:44:37,270 --> 01:44:35,040
well my books are available on

2804
01:44:39,750 --> 01:44:37,280
amazon.com just search on kalkwarf

2805
01:44:42,149 --> 01:44:39,760
k-a-l-k-o-r-f-f

2806
01:44:43,990 --> 01:44:42,159
and you'll see them the roswell ufo

2807
01:44:45,510 --> 01:44:44,000
crash what they don't want you to know i

2808
01:44:46,870 --> 01:44:45,520
think it's got four stars or something

2809
01:44:48,709 --> 01:44:46,880
like that i don't know and then the

2810
01:44:49,590 --> 01:44:48,719
spacious of the pleiades the billy meyer

2811
01:44:50,790 --> 01:44:49,600
story

2812
01:44:52,950 --> 01:44:50,800
um

2813
01:44:55,189 --> 01:44:52,960

i am the author of like 12 books or so

2814

01:44:57,590 --> 01:44:55,199

but they're being transferred over to

2815

01:45:00,070 --> 01:44:57,600

amazon uh some titles were only

2816

01:45:02,470 --> 01:45:00,080

available on ibooks i have taken those

2817

01:45:04,950 --> 01:45:02,480

off and they're going to be on amazon

2818

01:45:07,669 --> 01:45:04,960

shortly so and then the annie jacobson

2819

01:45:10,629 --> 01:45:07,679

book is going to be on amazon so will uh

2820

01:45:12,310 --> 01:45:10,639

the expose on the hill star map

2821

01:45:14,149 --> 01:45:12,320

and then there's

2822

01:45:16,870 --> 01:45:14,159

uh the first volume called final verdict

2823

01:45:18,790 --> 01:45:16,880

jfk's murder salt assassination salt

2824

01:45:20,709 --> 01:45:18,800

that one is volume one is about the

2825

01:45:22,790 --> 01:45:20,719

grassy knoll eyewitnesses and it

2826
01:45:25,669 --> 01:45:22,800
destroys the conspiracy claims of oliver

2827
01:45:27,750 --> 01:45:25,679
stone and jim mars i knew jim mars of

2828
01:45:30,310 --> 01:45:27,760
course but when he tells me that gene

2829
01:45:32,310 --> 01:45:30,320
hill chased the gunman and saw him and

2830
01:45:34,550 --> 01:45:32,320
all that when she's in a bright red

2831
01:45:36,310 --> 01:45:34,560
raincoat and she's the only one not

2832
01:45:38,229 --> 01:45:36,320
crossing the street and she's visible in

2833
01:45:40,950 --> 01:45:38,239
photos that day she wasn't telling the

2834
01:45:42,870 --> 01:45:40,960
truth but yet today like these roswell

2835
01:45:44,390 --> 01:45:42,880
guys she's the most credible grassy

2836
01:45:46,629 --> 01:45:44,400
nolight witness they have

2837
01:45:50,950 --> 01:45:46,639
and she was a complete liar

2838
01:45:55,430 --> 01:45:52,629

well i want to thank

2839

01:45:58,390 --> 01:45:55,440

kalkur for taking the time tonight to

2840

01:45:59,189 --> 01:45:58,400

provide us with so very much to think

2841

01:46:00,070 --> 01:45:59,199

about

2842

01:46:02,070 --> 01:46:00,080

you know

2843

01:46:05,510 --> 01:46:02,080

friends every time i talk to calcorph he

2844

01:46:08,950 --> 01:46:05,520

has a wealth of information to share and

2845

01:46:11,430 --> 01:46:08,960

things that he is working on

2846

01:46:14,229 --> 01:46:11,440

i also just want to take a quick moment

2847

01:46:15,669 --> 01:46:14,239

to mention that

2848

01:46:17,430 --> 01:46:15,679

uh you know i talked about this

2849

01:46:21,510 --> 01:46:17,440

previously i really don't want to harp

2850

01:46:24,310 --> 01:46:21,520

on it but the original plan was for uh

2851
01:46:26,149 --> 01:46:24,320
michael horn to come on and do my show

2852
01:46:28,149 --> 01:46:26,159
and he would say his piece on the billy

2853
01:46:30,550 --> 01:46:28,159
meyer case and then

2854
01:46:33,430 --> 01:46:30,560
uh kalkorf would get his chance to come

2855
01:46:35,109 --> 01:46:33,440
on my show and say his piece about the

2856
01:46:35,990 --> 01:46:35,119
billy meyer case and all the undercover

2857
01:46:39,109 --> 01:46:36,000
work

2858
01:46:42,229 --> 01:46:39,119
uh that he did proving it's a ufo cult

2859
01:46:43,830 --> 01:46:42,239
and a scam i'm thoroughly convinced

2860
01:46:45,990 --> 01:46:43,840
but i just want to say to all those

2861
01:46:48,950 --> 01:46:46,000
people who are true believers of billy

2862
01:46:51,430 --> 01:46:48,960
meyer who continually attack me for

2863
01:46:53,510 --> 01:46:51,440

having kale on my show now this is the

2864

01:46:57,109 --> 01:46:53,520

second time so i'm sure another round of

2865

01:47:00,870 --> 01:46:57,119

insults and nasty emails nasty tweets

2866

01:47:03,109 --> 01:47:00,880

nasty messages is coming my way

2867

01:47:05,590 --> 01:47:03,119

what i would say is uh you know you're

2868

01:47:07,510 --> 01:47:05,600

free to attack the man's evidence you're

2869

01:47:09,910 --> 01:47:07,520

free to attack the man's work if you

2870

01:47:11,910 --> 01:47:09,920

think his work is not credible but all

2871

01:47:14,310 --> 01:47:11,920

these personal attacks that continually

2872

01:47:16,229 --> 01:47:14,320

just come you know telling me about

2873

01:47:18,550 --> 01:47:16,239

something that happened 20 years ago

2874

01:47:21,189 --> 01:47:18,560

three or even 30 years ago in one case

2875

01:47:24,149 --> 01:47:21,199

and playing me old you know sending me

2876

01:47:24,950 --> 01:47:24,159

links to old videos where cows kind of

2877

01:47:27,590 --> 01:47:24,960

uh

2878

01:47:29,590 --> 01:47:27,600

i'm almost goofing on people

2879

01:47:30,790 --> 01:47:29,600

you know i'm really not interested

2880

01:47:32,950 --> 01:47:30,800

because

2881

01:47:35,030 --> 01:47:32,960

you can attack

2882

01:47:37,830 --> 01:47:35,040

the man's work

2883

01:47:39,430 --> 01:47:37,840

right or you can attack the man

2884

01:47:41,270 --> 01:47:39,440

and since these

2885

01:47:43,750 --> 01:47:41,280

people that are such billy meyer

2886

01:47:46,229 --> 01:47:43,760

believers

2887

01:47:48,790 --> 01:47:46,239

can't really attack his work as being

2888

01:47:50,870 --> 01:47:48,800

not credible not true not factually

2889

01:47:52,790 --> 01:47:50,880

accurate

2890

01:47:55,189 --> 01:47:52,800

then they're going to attack the man

2891

01:47:58,149 --> 01:47:55,199

and you know i honestly i see this time

2892

01:48:02,149 --> 01:47:58,159

and time again people do this to me

2893

01:48:04,470 --> 01:48:02,159

i've been called a satanist a luciferian

2894

01:48:08,030 --> 01:48:04,480

an illuminati member

2895

01:48:11,109 --> 01:48:08,040

uh a freemason let me see a cia

2896

01:48:13,109 --> 01:48:11,119

disinformation agent let me get them all

2897

01:48:15,189 --> 01:48:13,119

a government plant

2898

01:48:16,950 --> 01:48:15,199

sent into the ufo community to muddy the

2899

01:48:18,470 --> 01:48:16,960

waters and tell everybody that none of

2900

01:48:19,830 --> 01:48:18,480

these stories are true

2901
01:48:21,350 --> 01:48:19,840
you know i never said none of the

2902
01:48:23,590 --> 01:48:21,360
stories are true i said a lot of them

2903
01:48:25,910 --> 01:48:23,600
are not true

2904
01:48:29,109 --> 01:48:25,920
but here we go again this is what i see

2905
01:48:31,910 --> 01:48:29,119
time and time again if these people

2906
01:48:34,070 --> 01:48:31,920
that are selling ufo fairy tales can't

2907
01:48:35,830 --> 01:48:34,080
attack the man saying the stories aren't

2908
01:48:37,270 --> 01:48:35,840
true the man that has proof that the

2909
01:48:39,510 --> 01:48:37,280
stories are fake

2910
01:48:41,430 --> 01:48:39,520
then they attack the man and that's what

2911
01:48:43,590 --> 01:48:41,440
we see in the case of kalkorf all these

2912
01:48:45,669 --> 01:48:43,600
people sending me nasty messages you

2913
01:48:47,830 --> 01:48:45,679

know i would say if you have a personal

2914

01:48:48,950 --> 01:48:47,840

vendetta against mr korf then take it up

2915

01:48:52,070 --> 01:48:48,960

with him

2916

01:48:54,229 --> 01:48:52,080

i am doing the very best that i can

2917

01:48:57,189 --> 01:48:54,239

to get good guests

2918

01:48:59,830 --> 01:48:57,199

and provide my listeners with uh

2919

01:49:02,550 --> 01:48:59,840

you know information that is really

2920

01:49:04,310 --> 01:49:02,560

getting increasingly harder and harder

2921

01:49:05,590 --> 01:49:04,320

to find

2922

01:49:17,109 --> 01:49:05,600

so

2923

01:49:19,109 --> 01:49:17,119

like that then feel free message me

2924

01:49:22,629 --> 01:49:19,119

tweet whatever you want to do

2925

01:49:24,709 --> 01:49:22,639

but don't simply just send me uh nasty

2926

01:49:26,629 --> 01:49:24,719

messages because you hate

2927

01:49:29,589 --> 01:49:26,639

a particular guest that i've had because

2928

01:49:31,109 --> 01:49:29,599

he sort of you know destroyed your

2929

01:49:32,629 --> 01:49:31,119

delusions

2930

01:49:35,910 --> 01:49:32,639

and that's what it is in some of these

2931

01:49:37,910 --> 01:49:35,920

cases you know and sorry i'm not sorry

2932

01:49:40,629 --> 01:49:37,920

i'm gonna keep bringing my listeners

2933

01:49:43,350 --> 01:49:40,639

people that are gonna bring real

2934

01:49:45,830 --> 01:49:43,360

information to people

2935

01:49:47,510 --> 01:49:45,840

and i gotta say that uh

2936

01:49:49,030 --> 01:49:47,520

you know this stuff just keeps getting

2937

01:49:51,270 --> 01:49:49,040

worse

2938

01:49:53,750 --> 01:49:51,280

you know what what am i supposed to do

2939

01:49:55,830 --> 01:49:53,760

am i supposed to have you know uh your

2940

01:49:58,310 --> 01:49:55,840

channeling friend on that's just going

2941

01:50:01,030 --> 01:49:58,320

to tell their channeling stories

2942

01:50:02,070 --> 01:50:01,040

with no proof no evidence no basis in

2943

01:50:03,910 --> 01:50:02,080

fact

2944

01:50:05,910 --> 01:50:03,920

you know look i'm doing the best that i

2945

01:50:08,310 --> 01:50:05,920

can i try to get the best guess that i

2946

01:50:10,390 --> 01:50:08,320

can i try to conduct a good interview

2947

01:50:12,070 --> 01:50:10,400

with each and every guest

2948

01:50:13,350 --> 01:50:12,080

ask any guest that's been on my show

2949

01:50:15,430 --> 01:50:13,360

they know that i

2950

01:50:17,430 --> 01:50:15,440

you know i try to research them their

2951

01:50:20,070 --> 01:50:17,440

work so that i can intelligently

2952

01:50:22,870 --> 01:50:20,080

converse with them and

2953

01:50:25,109 --> 01:50:22,880

give my listeners a good

2954

01:50:26,709 --> 01:50:25,119

something good to listen to i do the

2955

01:50:29,350 --> 01:50:26,719

very best that i can i'm sorry if you

2956

01:50:31,830 --> 01:50:29,360

don't like my guest i'm sorry if you you

2957

01:50:34,390 --> 01:50:31,840

think you know uh that i should be

2958

01:50:36,390 --> 01:50:34,400

harder on this guest or that i was too

2959

01:50:39,109 --> 01:50:36,400

hard on that guest

2960

01:50:41,350 --> 01:50:39,119

you know look all i could say is i i do

2961

01:50:43,350 --> 01:50:41,360

the best i can i'm only human

2962

01:50:46,709 --> 01:50:43,360

after all that's we're all just humans

2963

01:50:48,790 --> 01:50:46,719

man we're all just men and you know

2964

01:50:50,709 --> 01:50:48,800

a lot of us just do the best we can and

2965

01:50:53,030 --> 01:50:50,719

that's all i do with my show i do the

2966

01:50:54,149 --> 01:50:53,040

best that i can so again if you hate a

2967

01:50:57,510 --> 01:50:54,159

guest

2968

01:50:59,990 --> 01:50:57,520

and and i've seen uh you know

2969

01:51:02,229 --> 01:51:00,000

i don't know probably more venom over

2970

01:51:04,629 --> 01:51:02,239

mister court and his appearance his

2971

01:51:07,830 --> 01:51:04,639

previous appearance on my show than any

2972

01:51:10,950 --> 01:51:07,840

other guest and you know i know that

2973

01:51:12,390 --> 01:51:10,960

some of you hate his guts i get it

2974

01:51:15,589 --> 01:51:12,400

but

2975

01:51:19,109 --> 01:51:15,599

i think he presents well-researched

2976

01:51:22,229 --> 01:51:19,119

good information and and you know his

2977

01:51:24,709 --> 01:51:22,239

voice sadly like many voices of reason

2978

01:51:27,589 --> 01:51:24,719

are just getting lost in this

2979

01:51:29,270 --> 01:51:27,599

in this cloud of fairy tales that's out

2980

01:51:31,350 --> 01:51:29,280

there right now so i thought it was

2981

01:51:32,870 --> 01:51:31,360

important to have him come back and talk

2982

01:51:35,109 --> 01:51:32,880

about some of the things he was working

2983

01:51:37,109 --> 01:51:35,119

on if he didn't like the show

2984

01:51:39,510 --> 01:51:37,119

you know i i'm not even going to say i'm

2985

01:51:41,669 --> 01:51:39,520

sorry i did the best that i could

2986

01:51:44,070 --> 01:51:41,679

so there we have it folks that's how i

2987

01:51:46,870 --> 01:51:44,080

feel about people attacking my guests

2988

01:51:49,189 --> 01:51:46,880

you know sending me super nasty messages

2989

01:51:51,189 --> 01:51:49,199

or tweets or arguing with me or flood in

2990

01:51:54,310 --> 01:51:51,199

the comments box with all kinds of

2991

01:51:56,310 --> 01:51:54,320

nonsense from 20 or 30 years ago

2992

01:51:57,350 --> 01:51:56,320

you know it's nonsense

2993

01:51:58,870 --> 01:51:57,360

and again

2994

01:52:01,109 --> 01:51:58,880

i'm just going to keep saying it i do

2995

01:52:02,550 --> 01:52:01,119

the best that i can if you don't like it

2996

01:52:04,709 --> 01:52:02,560

you know go listen to somebody else's

2997

01:52:07,109 --> 01:52:04,719

show that's got you know 45 minutes of

2998

01:52:09,430 --> 01:52:07,119

commercials in a two-hour show you know

2999

01:52:12,629 --> 01:52:09,440

that's another thing i i'm not making a

3000

01:52:15,189 --> 01:52:12,639

mint here i think i think i'm up to 25

3001
01:52:16,550 --> 01:52:15,199
on patreon and that's the total income

3002
01:52:17,669 --> 01:52:16,560
of my show

3003
01:52:19,910 --> 01:52:17,679
so

3004
01:52:22,790 --> 01:52:19,920
you know pardon me i'm not going to take

3005
01:52:25,109 --> 01:52:22,800
a lot of abuse from people over

3006
01:52:26,470 --> 01:52:25,119
25 a month that i'm making producing

3007
01:52:28,870 --> 01:52:26,480
this show

3008
01:52:32,310 --> 01:52:28,880
as many people know it's just a labor of

3009
01:52:34,149 --> 01:52:32,320
love of mine okay so if if you

3010
01:52:37,030 --> 01:52:34,159
continually attack me

3011
01:52:38,790 --> 01:52:37,040
and send me nasty messages over what is

3012
01:52:40,229 --> 01:52:38,800
supposed to be fun for me it's supposed

3013
01:52:42,709 --> 01:52:40,239

to be a labor of love

3014

01:52:44,950 --> 01:52:42,719

i i'm sorry i'm just not gonna listen

3015

01:52:46,629 --> 01:52:44,960

i'm not going to engage with you if you

3016

01:52:49,830 --> 01:52:46,639

have something intelligent to say by all

3017

01:52:52,310 --> 01:52:49,840

means you know send me a message

3018

01:52:56,270 --> 01:52:52,320

and i should mention that people can

3019

01:52:58,709 --> 01:52:56,280

message me at midnight hour radio show

3020

01:53:00,950 --> 01:52:58,719

gmail.com that's one of the best ways to

3021

01:53:02,550 --> 01:53:00,960

get a hold of me or twitter or facebook

3022

01:53:05,589 --> 01:53:02,560

just search for

3023

01:53:07,189 --> 01:53:05,599

search for me by name steven cambion i'd

3024

01:53:08,790 --> 01:53:07,199

also like to encourage each and every

3025

01:53:11,510 --> 01:53:08,800

one of you to

3026

01:53:13,189 --> 01:53:11,520

you know give me a dollar man that's all

3027

01:53:16,629 --> 01:53:13,199

you have to do to support our show is

3028

01:53:19,669 --> 01:53:16,639

give me a dollar a single dollar

3029

01:53:21,750 --> 01:53:19,679

on patreon just go to patreon backslash

3030

01:53:24,709 --> 01:53:21,760

stephencambion or search the artist's

3031

01:53:26,550 --> 01:53:24,719

search box for stephencambion and you

3032

01:53:28,390 --> 01:53:26,560

too can support our show

3033

01:53:31,030 --> 01:53:28,400

if you support our show you get early

3034

01:53:33,189 --> 01:53:31,040

access to the shows before they air

3035

01:53:35,990 --> 01:53:33,199

anywhere they're in the folder in the

3036

01:53:38,070 --> 01:53:36,000

cloud and all our patreon supporters get

3037

01:53:40,629 --> 01:53:38,080

access to that folder

3038

01:53:43,510 --> 01:53:40,639

and also please be sure to subscribe to

3039

01:53:46,629 --> 01:53:43,520

our youtube channel where our archives

3040

01:53:49,109 --> 01:53:46,639

are eventually uploaded i know i'm six

3041

01:53:50,550 --> 01:53:49,119

or i don't know five weeks behind now

3042

01:53:52,310 --> 01:53:50,560

we're working on it

3043

01:53:53,910 --> 01:53:52,320

uh but please do subscribe to the

3044

01:53:56,070 --> 01:53:53,920

youtube channel and again that's

3045

01:53:59,030 --> 01:53:56,080

youtube.com

3046

01:54:01,430 --> 01:53:59,040

backslash stephencambion until next time

3047

01:54:04,149 --> 01:54:01,440

folks my name is stephen campion

3048

01:54:06,870 --> 01:54:04,159

reminding you that to be trusted is a

3049

01:54:08,730 --> 01:54:06,880

greater compliment than to be loved good

3050

01:54:42,390 --> 01:54:08,740

goodnight folks

3051

01:54:42,400 --> 01:55:02,980

so
