

FRIDAY NIGHT

FREE FOR ALL

WEAR HEADPHONES

Truth Seekers

1
00:00:51,110 --> 00:00:21,910
[Music]

2
00:01:32,700 --> 00:00:53,920
so

3
00:03:53,830 --> 00:02:12,570
[Music]

4
00:03:55,110 --> 00:03:53,840
greetings and salutations friends uh and

5
00:03:58,070 --> 00:03:55,120
welcome

6
00:04:01,190 --> 00:03:58,080
we are uh tonight we are live from the

7
00:04:03,030 --> 00:04:01,200
apocalypse cabin um

8
00:04:04,630 --> 00:04:03,040
i'm gonna be here

9
00:04:06,229 --> 00:04:04,640
for some time

10
00:04:08,070 --> 00:04:06,239
so uh

11
00:04:09,429 --> 00:04:08,080
i didn't wanna

12
00:04:12,949 --> 00:04:09,439
uh

13
00:04:16,710 --> 00:04:12,959

wait on doing another panel show i know

14

00:04:20,310 --> 00:04:18,710

sometimes these are fun and sometimes

15

00:04:22,790 --> 00:04:20,320

these are a mess

16

00:04:24,950 --> 00:04:22,800

so i'm gonna ask everybody for a few

17

00:04:27,510 --> 00:04:24,960

ground rules please don't talk over each

18

00:04:29,270 --> 00:04:27,520

other please wear headphones because if

19

00:04:31,110 --> 00:04:29,280

you don't wear headphones it becomes an

20

00:04:34,150 --> 00:04:31,120

echoey mess now i know some people are

21

00:04:37,270 --> 00:04:34,160

like no no i have uh

22

00:04:39,189 --> 00:04:37,280

echo cancellation system or no

23

00:04:41,670 --> 00:04:39,199

stream air doesn't handle

24

00:04:43,510 --> 00:04:41,680

guests that do not wear headphones well

25

00:04:45,110 --> 00:04:43,520

especially when we have 10 people on the

26
00:04:46,710 --> 00:04:45,120
panel or however many people we're going

27
00:04:49,189 --> 00:04:46,720
to have in the panel you will notice

28
00:04:50,550 --> 00:04:49,199
that pinned at the very top of the live

29
00:04:51,350 --> 00:04:50,560
chat there

30
00:04:53,830 --> 00:04:51,360
is

31
00:04:55,510 --> 00:04:53,840
the invitation where you too can join

32
00:04:57,670 --> 00:04:55,520
the show tonight

33
00:05:00,790 --> 00:04:57,680
we're just coming off the heels of our

34
00:05:02,710 --> 00:05:00,800
roswell 75th anniversary special

35
00:05:05,749 --> 00:05:02,720
um you know and i wanted to mention that

36
00:05:07,830 --> 00:05:05,759
i got my balls busted by uh several

37
00:05:08,870 --> 00:05:07,840
people because not a lot of people were

38
00:05:10,870 --> 00:05:08,880

covering

39

00:05:12,870 --> 00:05:10,880

the 75th anniversary or didn't think it

40

00:05:15,749 --> 00:05:12,880

was important

41

00:05:18,469 --> 00:05:15,759

but i for one believe that uh roswell is

42

00:05:20,550 --> 00:05:18,479

the most important ufo case and the

43

00:05:22,870 --> 00:05:20,560

reason for that is because it has the

44

00:05:24,469 --> 00:05:22,880

most evidence of something real

45

00:05:27,350 --> 00:05:24,479

happening

46

00:05:29,270 --> 00:05:27,360

with the most verifiable

47

00:05:32,150 --> 00:05:29,280

witnesses that actually were in the

48

00:05:34,790 --> 00:05:32,160

military at the time that they

49

00:05:38,070 --> 00:05:34,800

tell their stories of their experiences

50

00:05:40,950 --> 00:05:38,080

children of people who saw bodies and

51
00:05:43,189 --> 00:05:40,960
more have testified everyone knows one

52
00:05:44,629 --> 00:05:43,199
of my favorite books is called children

53
00:05:45,510 --> 00:05:44,639
of roswell

54
00:05:47,270 --> 00:05:45,520
um

55
00:05:50,310 --> 00:05:47,280
so you know uh

56
00:05:53,189 --> 00:05:50,320
i stand by are doing that it's a it's an

57
00:05:54,710 --> 00:05:53,199
incredible mystery it's now a 75 year

58
00:05:57,270 --> 00:05:54,720
old mystery

59
00:06:00,150 --> 00:05:57,280
and it is one of the best cases in all

60
00:06:02,070 --> 00:06:00,160
of conspiracy land because there is a

61
00:06:05,909 --> 00:06:02,080
mountain of evidence

62
00:06:07,590 --> 00:06:05,919
testimony witness testimony and more for

63
00:06:11,670 --> 00:06:07,600

you to dig through

64

00:06:14,390 --> 00:06:11,680

in order to get to uh some kind of uh

65

00:06:15,590 --> 00:06:14,400

some kind of answers i think that uh

66

00:06:16,950 --> 00:06:15,600

also

67

00:06:19,990 --> 00:06:16,960

it's important to note that michael

68

00:06:21,990 --> 00:06:20,000

schratt was included in the 75th roswell

69

00:06:24,629 --> 00:06:22,000

anniversary and he actually presented a

70

00:06:26,629 --> 00:06:24,639

brand new witness that nobody ever heard

71

00:06:28,070 --> 00:06:26,639

from

72

00:06:30,629 --> 00:06:28,080

additionally

73

00:06:33,670 --> 00:06:30,639

i just want to thank

74

00:06:36,230 --> 00:06:33,680

all of the facebook ufo groups that i

75

00:06:38,150 --> 00:06:36,240

tried to post the special event to i

76

00:06:40,070 --> 00:06:38,160

don't know what it is with these guys

77

00:06:41,189 --> 00:06:40,080

that live in their mom's basement and

78

00:06:43,749 --> 00:06:41,199

they have

79

00:06:46,150 --> 00:06:43,759

literally nothing going on

80

00:06:47,990 --> 00:06:46,160

in their lives one of them actually

81

00:06:51,270 --> 00:06:48,000

gives gave themselves the title

82

00:06:53,990 --> 00:06:51,280

executive administrative director of the

83

00:06:57,029 --> 00:06:54,000

facebook group congratulations

84

00:06:59,270 --> 00:06:57,039

you're an executive

85

00:07:01,510 --> 00:06:59,280

administrator of

86

00:07:03,110 --> 00:07:01,520

a facebook group

87

00:07:05,270 --> 00:07:03,120

the point of a lot of these facebook

88

00:07:06,950 --> 00:07:05,280

groups is shameless self-promotion by

89

00:07:08,870 --> 00:07:06,960

whoever started them

90

00:07:11,189 --> 00:07:08,880

and it's interesting that an awful lot

91

00:07:13,510 --> 00:07:11,199

of these groups you can't post anything

92

00:07:16,629 --> 00:07:13,520

unless the

93

00:07:18,710 --> 00:07:16,639

egomaniac who runs the facebook group

94

00:07:21,350 --> 00:07:18,720

is is cool with you or your show or

95

00:07:23,670 --> 00:07:21,360

whatever but they can spam that group

96

00:07:24,469 --> 00:07:23,680

all day long with their garbage

97

00:07:26,309 --> 00:07:24,479

uh

98

00:07:27,909 --> 00:07:26,319

you know not that i'm bitter

99

00:07:29,749 --> 00:07:27,919

maybe i'm a little bitter

100

00:07:32,070 --> 00:07:29,759

so we're tonight all night tonight we're

101
00:07:34,550 --> 00:07:32,080
going to take questions comments uh i

102
00:07:35,589 --> 00:07:34,560
just saw somebody pop into the

103
00:07:37,510 --> 00:07:35,599
the uh

104
00:07:39,589 --> 00:07:37,520
into our backstage but then pop right

105
00:07:41,110 --> 00:07:39,599
back out uh

106
00:07:43,270 --> 00:07:41,120
yeah so uh

107
00:07:45,110 --> 00:07:43,280
but we do have uh some people standing

108
00:07:47,990 --> 00:07:45,120
by to become part of the panel once

109
00:07:49,430 --> 00:07:48,000
again uh we are broadcasting live from

110
00:07:51,270 --> 00:07:49,440
the apocalypse cabin not sure you can

111
00:07:53,510 --> 00:07:51,280
see it you see that dark shadow on the

112
00:07:56,309 --> 00:07:53,520
wall at the top or on the door at the

113
00:07:58,469 --> 00:07:56,319

top there that's actually a metal

114

00:08:00,790 --> 00:07:58,479

sasquatch cut out

115

00:08:01,749 --> 00:08:00,800

and uh boy i wish i could zoom in for

116

00:08:05,270 --> 00:08:01,759

you but

117

00:08:07,990 --> 00:08:05,280

uh something i just added to the cabin

118

00:08:09,670 --> 00:08:08,000

so we are here live from the apocalypse

119

00:08:11,110 --> 00:08:09,680

cabin doing a

120

00:08:13,510 --> 00:08:11,120

panel show

121

00:08:14,950 --> 00:08:13,520

uh discussing both the roswell special

122

00:08:17,909 --> 00:08:14,960

event and all things strange and

123

00:08:20,309 --> 00:08:17,919

mysterious you too are very welcome here

124

00:08:22,390 --> 00:08:20,319

don't be shy if you've got a webcam and

125

00:08:24,309 --> 00:08:22,400

a microphone or even just a microphone

126

00:08:27,350 --> 00:08:24,319

and a computer you can just put an

127

00:08:29,189 --> 00:08:27,360

avatar up and and be a part of the show

128

00:08:31,909 --> 00:08:29,199

so don't be shy don't just watch the

129

00:08:33,509 --> 00:08:31,919

show or listen to the show come and be a

130

00:08:36,149 --> 00:08:33,519

part of the show and i've got some of my

131

00:08:37,990 --> 00:08:36,159

crazy friends already in the green room

132

00:08:39,750 --> 00:08:38,000

i see we've got ron from cosmic

133

00:08:41,829 --> 00:08:39,760

neighbors they're sobering them up right

134

00:08:43,110 --> 00:08:41,839

now getting them ready uh we've got the

135

00:08:45,269 --> 00:08:43,120

sixth sense

136

00:08:49,269 --> 00:08:45,279

they just gave him a shot of narcan on

137

00:08:56,470 --> 00:08:53,590

lord ludacris is here as as well uh

138

00:08:57,750 --> 00:08:56,480

and i am going to do this as well we

139

00:09:00,790 --> 00:08:57,760

have the

140

00:09:02,870 --> 00:09:00,800

the chat popped out and i will be

141

00:09:03,990 --> 00:09:02,880

sharing it so thank you to the sixth

142

00:09:06,550 --> 00:09:04,000

sense

143

00:09:08,550 --> 00:09:06,560

for uh getting me that

144

00:09:10,630 --> 00:09:08,560

uh so that we can

145

00:09:13,350 --> 00:09:10,640

keep up with the

146

00:09:15,750 --> 00:09:13,360

uh the comments the questions and

147

00:09:17,990 --> 00:09:15,760

everything else in the live chat i do

148

00:09:20,870 --> 00:09:18,000

want to thank everybody who did join us

149

00:09:23,030 --> 00:09:20,880

for this roswell 75th anniversary event

150

00:09:25,509 --> 00:09:23,040

but i'll tell you what everything is a

151
00:09:27,590 --> 00:09:25,519
learning experience and that doing that

152
00:09:29,430 --> 00:09:27,600
huge project for me was a learning

153
00:09:30,949 --> 00:09:29,440
experience and one thing i learned is

154
00:09:33,269 --> 00:09:30,959
that you can get the same number of

155
00:09:35,430 --> 00:09:33,279
views from a six hour video as you can

156
00:09:36,790 --> 00:09:35,440
from a five minute one

157
00:09:39,910 --> 00:09:36,800
and maybe that's something we'll be

158
00:09:41,910 --> 00:09:39,920
exploring with shorts in the future

159
00:09:44,389 --> 00:09:41,920
but i stand by and i think that was a

160
00:09:46,790 --> 00:09:44,399
great work it was cool to put together

161
00:09:48,470 --> 00:09:46,800
that all that original witness testimony

162
00:09:50,870 --> 00:09:48,480
and more

163
00:09:51,910 --> 00:09:50,880

and my thanks to all of those amazing

164

00:09:54,790 --> 00:09:51,920

guests

165

00:09:56,870 --> 00:09:54,800

uh that we had experts and authors on

166

00:09:58,870 --> 00:09:56,880

the mystery of roswell

167

00:10:01,750 --> 00:09:58,880

uh if you haven't checked it out there

168

00:10:03,670 --> 00:10:01,760

is now you know people say oh uh when

169

00:10:04,389 --> 00:10:03,680

are you doing a new show well there's

170

00:10:08,790 --> 00:10:04,399

three

171

00:10:10,069 --> 00:10:08,800

and there are 20 hours for you to digest

172

00:10:11,990 --> 00:10:10,079

let me know what you think in the

173

00:10:13,190 --> 00:10:12,000

comments of those videos about each of

174

00:10:16,710 --> 00:10:13,200

the guests

175

00:10:19,030 --> 00:10:16,720

you know we had a pro-alien hypothesis

176

00:10:21,190 --> 00:10:19,040

people we had walter bosley who believes

177

00:10:23,590 --> 00:10:21,200

it was some sort of space

178

00:10:26,230 --> 00:10:23,600

experiments early space experiments that

179

00:10:29,590 --> 00:10:26,240

were classified uh we've had

180

00:10:32,870 --> 00:10:29,600

art and skeptic uh kalkorf who was like

181

00:10:33,829 --> 00:10:32,880

no it was mogul it was a balloon that's

182

00:10:35,350 --> 00:10:33,839

it

183

00:10:37,110 --> 00:10:35,360

what do you think

184

00:10:38,790 --> 00:10:37,120

i'm still on the fence but i refuse to

185

00:10:40,389 --> 00:10:38,800

believe that all those people who saw

186

00:10:43,829 --> 00:10:40,399

bodies and told their children about

187

00:10:46,069 --> 00:10:43,839

seeing bodies are all liars

188

00:10:48,550 --> 00:10:46,079

it's just an incredible mystery glad

189

00:10:49,990 --> 00:10:48,560

that we went that far down the rabbit

190

00:10:52,230 --> 00:10:50,000

hole and if you made it through that

191

00:10:55,670 --> 00:10:52,240

whole thing congratulations

192

00:10:57,670 --> 00:10:55,680

uh i appreciate that so let's bring in

193

00:10:58,630 --> 00:10:57,680

uh some of our panel members here we've

194

00:11:01,269 --> 00:10:58,640

got

195

00:11:03,509 --> 00:11:01,279

uh the sixth sense is with

196

00:11:05,269 --> 00:11:03,519

me first oh god

197

00:11:07,269 --> 00:11:05,279

i don't like i don't like going first

198

00:11:09,509 --> 00:11:07,279

but okay all right man hey what's up

199

00:11:13,990 --> 00:11:09,519

people um i just want to say that hey if

200

00:11:16,470 --> 00:11:14,000

you do join and and and uh i i will uh

201

00:11:18,550 --> 00:11:16,480

have a link there for you to to look at

202

00:11:20,150 --> 00:11:18,560

the pop-out chat there the chat during

203

00:11:22,069 --> 00:11:20,160

youtube because i i think that that

204

00:11:24,630 --> 00:11:22,079

matters you know people out there

205

00:11:26,069 --> 00:11:24,640

listening do matter here they do matter

206

00:11:28,870 --> 00:11:26,079

i i mean

207

00:11:30,790 --> 00:11:28,880

i i i really do watch what you people

208

00:11:33,190 --> 00:11:30,800

say even though i don't always respond i

209

00:11:35,829 --> 00:11:33,200

do watch what you say and hey get up

210

00:11:37,430 --> 00:11:35,839

here and instead of um you know me

211

00:11:39,030 --> 00:11:37,440

getting shot up with narcon left and

212

00:11:40,949 --> 00:11:39,040

right here you know

213

00:11:43,750 --> 00:11:40,959

get up here and take a couple yourself

214

00:11:46,069 --> 00:11:43,760

you know give him a break absolutely

215

00:11:47,910 --> 00:11:46,079

give him a break break man

216

00:11:49,269 --> 00:11:47,920

yeah so uh

217

00:11:51,269 --> 00:11:49,279

sixth sense what is what did you think

218

00:11:53,350 --> 00:11:51,279

of this roswell was it too much maybe

219

00:11:55,269 --> 00:11:53,360

and that's why uh

220

00:11:57,910 --> 00:11:55,279

no you know what i noticed that what i

221

00:12:00,150 --> 00:11:57,920

noticed with the people that um

222

00:12:01,910 --> 00:12:00,160

were watching and and commenting because

223

00:12:03,430 --> 00:12:01,920

that's important too

224

00:12:06,069 --> 00:12:03,440

just people watching i don't know what

225

00:12:07,509 --> 00:12:06,079

you're saying say something right um i i

226

00:12:10,230 --> 00:12:07,519

think that

227

00:12:12,629 --> 00:12:10,240

a fair portion of them really totally

228

00:12:15,670 --> 00:12:12,639

enjoyed it and i'm positive of that i

229

00:12:17,190 --> 00:12:15,680

mean they they've said it themselves um

230

00:12:19,110 --> 00:12:17,200

we got a lot of good compliments we did

231

00:12:21,030 --> 00:12:19,120

get a lot of people were like this was

232

00:12:22,949 --> 00:12:21,040

the coolest roswell thing i've ever seen

233

00:12:25,350 --> 00:12:22,959

thanks for doing this so that they're

234

00:12:27,590 --> 00:12:25,360

totally interested in that and i can and

235

00:12:29,829 --> 00:12:27,600

i can and i can totally understand that

236

00:12:31,509 --> 00:12:29,839

i think that um

237

00:12:32,870 --> 00:12:31,519

what it does give people is an

238

00:12:34,870 --> 00:12:32,880

all-in-one

239

00:12:37,910 --> 00:12:34,880

type place to go ahead and see all of

240

00:12:39,910 --> 00:12:37,920

the evidence or well of a fair portion

241

00:12:42,230 --> 00:12:39,920

yeah yeah yeah quite a bit of it and i

242

00:12:44,710 --> 00:12:42,240

and i do agree with you that there is

243

00:12:46,150 --> 00:12:44,720

quite a bit of

244

00:12:47,750 --> 00:12:46,160

evidence if that's what you want to call

245

00:12:49,509 --> 00:12:47,760

it um

246

00:12:51,670 --> 00:12:49,519

with his regards to the number of people

247

00:12:52,550 --> 00:12:51,680

the sheer number of people on roswell is

248

00:12:54,710 --> 00:12:52,560

probably

249

00:12:56,230 --> 00:12:54,720

overtakes everything by a hundred fold

250

00:12:58,550 --> 00:12:56,240

easy right

251

00:13:00,710 --> 00:12:58,560

i i i'm not really a total fan of

252

00:13:03,670 --> 00:13:00,720

everybody that is a

253

00:13:05,910 --> 00:13:03,680

you know supplier of evidence um

254

00:13:07,829 --> 00:13:05,920

you know i mean i'm a spectacle dude

255

00:13:10,310 --> 00:13:07,839

anyways you know you really gotta

256

00:13:11,750 --> 00:13:10,320

totally convince me before i actually

257

00:13:14,949 --> 00:13:11,760

believe something i mean and that and

258

00:13:17,829 --> 00:13:14,959

that doesn't just go with ufos like

259

00:13:20,069 --> 00:13:17,839

goes with other stuff too so but i i'm

260

00:13:22,710 --> 00:13:20,079

more than willing to look at you know

261

00:13:23,990 --> 00:13:22,720

what people have to offer and and if you

262

00:13:25,509 --> 00:13:24,000

don't look at that then you're not

263

00:13:28,310 --> 00:13:25,519

looking at the whole evidence and you

264

00:13:29,829 --> 00:13:28,320

and you're being one-sided you know or

265

00:13:31,750 --> 00:13:29,839

and i know that that had come up in some

266

00:13:33,829 --> 00:13:31,760

of the conversations that

267

00:13:35,990 --> 00:13:33,839

some were saying something or or some

268

00:13:38,150 --> 00:13:36,000

people were taking it like look at

269

00:13:40,150 --> 00:13:38,160

you're not listening to everything well

270

00:13:41,509 --> 00:13:40,160

and i agree with that you really need to

271

00:13:43,110 --> 00:13:41,519

listen to everything even if you're not

272

00:13:45,910 --> 00:13:43,120

going to agree with everything at least

273

00:13:47,590 --> 00:13:45,920

listen to it yeah and some awkward some

274

00:13:49,910 --> 00:13:47,600

people had some strange complaints like

275

00:13:52,230 --> 00:13:49,920

i got an email about some obscure

276

00:13:54,230 --> 00:13:52,240

blogger who posts

277

00:13:56,870 --> 00:13:54,240

you know to a

278

00:13:59,110 --> 00:13:56,880

a blog that looks like it looks like

279

00:14:00,550 --> 00:13:59,120

it's from 1992.

280

00:14:01,910 --> 00:14:00,560

you know and i i got all these

281

00:14:03,430 --> 00:14:01,920

complaints like you didn't include

282

00:14:05,110 --> 00:14:03,440

anything from his blog i didn't even

283

00:14:07,110 --> 00:14:05,120

know about the guys you know it's very

284

00:14:09,030 --> 00:14:07,120

difficult to probably get everything we

285

00:14:11,590 --> 00:14:09,040

try to get the most of it but let's

286

00:14:13,829 --> 00:14:11,600

bring in here we've got uh ron uh from

287

00:14:15,110 --> 00:14:13,839

cosmic neighbors this year hey brad

288

00:14:16,790 --> 00:14:15,120

what's up guys

289

00:14:17,940 --> 00:14:16,800

this is just proof that we will let

290

00:14:21,750 --> 00:14:17,950

anybody on the show

291

00:14:23,430 --> 00:14:21,760

[Laughter]

292

00:14:25,350 --> 00:14:23,440

no so

293

00:14:26,550 --> 00:14:25,360

i just want to say that

294

00:14:29,110 --> 00:14:26,560

excuse me

295

00:14:30,710 --> 00:14:29,120

i just want to say this

296

00:14:31,829 --> 00:14:30,720

even when

297

00:14:34,949 --> 00:14:31,839

damn it

298

00:14:37,189 --> 00:14:34,959

sorry about that even when

299

00:14:39,189 --> 00:14:37,199

i was falling asleep like because i

300

00:14:40,470 --> 00:14:39,199

actually i was there for until the whole

301
00:14:42,230 --> 00:14:40,480
thing almost

302
00:14:46,629 --> 00:14:42,240
no i know you

303
00:14:49,189 --> 00:14:46,639
was even when i knew i wasn't gonna be

304
00:14:51,110 --> 00:14:49,199
by the computer i left it on so you

305
00:14:53,750 --> 00:14:51,120
still like i just made sure it played

306
00:14:55,269 --> 00:14:53,760
all the way through i even went in in

307
00:14:57,910 --> 00:14:55,279
the chat you know where you click on

308
00:15:00,069 --> 00:14:57,920
participants and i was like oh poor lou

309
00:15:01,110 --> 00:15:00,079
stevie it only said truth seekers and i

310
00:15:03,430 --> 00:15:01,120
was like hey

311
00:15:05,509 --> 00:15:03,440
he's there by but i was there the whole

312
00:15:06,710 --> 00:15:05,519
time i would wake up

313
00:15:08,790 --> 00:15:06,720

yeah i listened to the whole thing

314

00:15:10,870 --> 00:15:08,800

myself i mean i fell asleep at the last

315

00:15:14,069 --> 00:15:10,880

part though i tried to wake up before

316

00:15:19,750 --> 00:15:17,430

you know what the thing my my look at it

317

00:15:21,350 --> 00:15:19,760

um you know only thing that gets

318

00:15:24,069 --> 00:15:21,360

annoying is

319

00:15:28,069 --> 00:15:24,079

like the bottom line is this

320

00:15:29,670 --> 00:15:28,079

none of us were there right we like so

321

00:15:31,749 --> 00:15:29,680

none of us really know there's there's a

322

00:15:33,749 --> 00:15:31,759

lot of evidence one that believes the

323

00:15:36,150 --> 00:15:33,759

roswell thing right

324

00:15:38,710 --> 00:15:36,160

but when you have people

325

00:15:41,350 --> 00:15:38,720

that it's okay to disagree

326

00:15:44,150 --> 00:15:41,360

but when they start like

327

00:15:45,110 --> 00:15:44,160

talking and becoming so condescending

328

00:15:47,590 --> 00:15:45,120

like

329

00:15:50,069 --> 00:15:47,600

okay so it's not true then where's your

330

00:15:51,110 --> 00:15:50,079

absolute proof it's not true i like that

331

00:15:53,829 --> 00:15:51,120

it's just

332

00:15:56,470 --> 00:15:53,839

like just nobody was there we have

333

00:15:58,949 --> 00:15:56,480

evidence we could compile it all and see

334

00:16:00,629 --> 00:15:58,959

and you make your decision but to talk

335

00:16:02,550 --> 00:16:00,639

down to people like you're an idiot or

336

00:16:04,470 --> 00:16:02,560

something because you believe this the

337

00:16:07,509 --> 00:16:04,480

only person i think of the evidence

338

00:16:09,990 --> 00:16:07,519

thing that i made comments on was

339

00:16:11,749 --> 00:16:10,000

i forgot the guy's name is it anderson

340

00:16:13,749 --> 00:16:11,759

that he was five years old or six years

341

00:16:15,829 --> 00:16:13,759

old or something like that yeah yeah

342

00:16:18,550 --> 00:16:15,839

gerald anderson yeah the only thing

343

00:16:21,749 --> 00:16:18,560

about him was it was like

344

00:16:24,150 --> 00:16:21,759

wow the amount of detail this guy is

345

00:16:27,430 --> 00:16:24,160

remembering from that age and i'm just

346

00:16:29,269 --> 00:16:27,440

thinking for myself if i was thinking of

347

00:16:31,110 --> 00:16:29,279

a five six year old kid

348

00:16:32,949 --> 00:16:31,120

you know you're like in shock or seeing

349

00:16:36,470 --> 00:16:32,959

all this stuff going on like taking in

350

00:16:39,829 --> 00:16:36,480

all that detail memorializing it but who

351

00:16:42,230 --> 00:16:39,839

knows maybe that's just his what he

352

00:16:43,829 --> 00:16:42,240

seen it like some people yeah and

353

00:16:45,670 --> 00:16:43,839

somebody had mentioned that some people

354

00:16:47,990 --> 00:16:45,680

are like that and i and i do know that

355

00:16:50,230 --> 00:16:48,000

there are people that dude they have the

356

00:16:51,990 --> 00:16:50,240

memory like a freaking elephant and then

357

00:16:54,310 --> 00:16:52,000

some you know and i'm not going to say

358

00:16:58,069 --> 00:16:54,320

that that isn't true but

359

00:17:01,030 --> 00:16:58,079

we've got a lord ludacris

360

00:17:04,789 --> 00:17:01,040

oh this is ludicrous you let anybody in

361

00:17:08,309 --> 00:17:06,789

yeah you guys doing okay

362

00:17:10,470 --> 00:17:08,319

yeah what's going on

363

00:17:11,669 --> 00:17:10,480

not much steve an excellent job with the

364

00:17:15,750 --> 00:17:11,679

uh

365

00:17:17,270 --> 00:17:15,760

parts man that was awesome

366

00:17:19,429 --> 00:17:17,280

i forgot about some of the interviews

367

00:17:21,829 --> 00:17:19,439

re-listening to it was kind of like uh

368

00:17:23,510 --> 00:17:21,839

yeah that was strong memory lane it was

369

00:17:25,350 --> 00:17:23,520

fun trying to clean that stuff up

370

00:17:29,430 --> 00:17:25,360

because it was really like terrible

371

00:17:31,909 --> 00:17:29,440

audio terrible video it was old vhs

372

00:17:34,310 --> 00:17:31,919

dubbed two it's kind of a digital

373

00:17:35,990 --> 00:17:34,320

nostalgic feel to it though you know i

374

00:17:37,830 --> 00:17:36,000

thought about that too i thought about i

375

00:17:40,470 --> 00:17:37,840

thought to myself you know because okay

376

00:17:43,029 --> 00:17:40,480

i'm on audiophile i really do like a

377

00:17:45,909 --> 00:17:43,039

good audio and actually when i do videos

378

00:17:47,350 --> 00:17:45,919

i do fix the audio and stuff but for how

379

00:17:49,909 --> 00:17:47,360

can you do it for 20 hours that would

380

00:17:51,750 --> 00:17:49,919

take you forever but the thing is is i

381

00:17:53,430 --> 00:17:51,760

also thought too and i said to myself i

382

00:17:55,909 --> 00:17:53,440

said you know what it's kind of got that

383

00:17:57,669 --> 00:17:55,919

nostalgic feel to it too which people

384

00:17:59,190 --> 00:17:57,679

will recognize and that's the thing

385

00:18:01,830 --> 00:17:59,200

somebody that's heard it before will

386

00:18:04,390 --> 00:18:01,840

recognize it because of that

387

00:18:07,029 --> 00:18:04,400

audio that's a little bit you know foggy

388

00:18:09,430 --> 00:18:07,039

or whatever whatever the thing is so i i

389

00:18:11,190 --> 00:18:09,440

don't know you know for for me i some

390

00:18:13,909 --> 00:18:11,200

parts were a little low i think that was

391

00:18:15,750 --> 00:18:13,919

probably the only part but i think you

392

00:18:18,310 --> 00:18:15,760

really almost need to retain the

393

00:18:19,909 --> 00:18:18,320

nostalgic feel too and you know and so i

394

00:18:21,590 --> 00:18:19,919

think it was overall i think it was

395

00:18:24,310 --> 00:18:21,600

great you know what dude i think you

396

00:18:26,870 --> 00:18:24,320

picked some of the best stuff the best

397

00:18:28,630 --> 00:18:26,880

stuff that that that was to offer yeah i

398

00:18:29,990 --> 00:18:28,640

mean if i would have if i would have put

399

00:18:32,950 --> 00:18:30,000

everything in it would have been 40

400

00:18:35,590 --> 00:18:32,960

hours like right 400 hours probably i

401
00:18:37,990 --> 00:18:35,600
mean i there's there's so much you know

402
00:18:40,789 --> 00:18:38,000
and and that's the thing though i

403
00:18:42,710 --> 00:18:40,799
i think that there's a way to to present

404
00:18:45,270 --> 00:18:42,720
things and

405
00:18:48,070 --> 00:18:45,280
like like look at look at you're you're

406
00:18:52,549 --> 00:18:48,080
a musician right now now look at try to

407
00:18:54,310 --> 00:18:52,559
play 1970 guitar on a on a 2020 guitar

408
00:18:56,710 --> 00:18:54,320
and amp it doesn't sound the same does

409
00:18:58,070 --> 00:18:56,720
it no it don't it does yeah it's just

410
00:18:59,990 --> 00:18:58,080
like those new

411
00:19:02,150 --> 00:19:00,000
you know all the virtual synths that are

412
00:19:03,669 --> 00:19:02,160
designed to sound like 80 synthesizers

413
00:19:05,669 --> 00:19:03,679

they're close but

414

00:19:07,750 --> 00:19:05,679

it's right the same yeah

415

00:19:10,870 --> 00:19:07,760

but stephen you you actually you did a

416

00:19:12,710 --> 00:19:10,880

phenomenal job though

417

00:19:14,230 --> 00:19:12,720

yeah i'll take i'll take the good but

418

00:19:15,270 --> 00:19:14,240

i'll take the bad as well some people

419

00:19:16,950 --> 00:19:15,280

had

420

00:19:19,350 --> 00:19:16,960

just like oh they're beating a dead

421

00:19:21,350 --> 00:19:19,360

horse and this and that i i just love

422

00:19:24,470 --> 00:19:21,360

that mystery i've always been interested

423

00:19:27,029 --> 00:19:24,480

in it and i wanted to uh i wanted to

424

00:19:28,310 --> 00:19:27,039

do something for that anniversary so

425

00:19:31,029 --> 00:19:28,320

you know

426

00:19:33,430 --> 00:19:31,039

and i'm sure yeah a few other channels

427

00:19:34,870 --> 00:19:33,440

covered it but not as not as not that

428

00:19:38,070 --> 00:19:34,880

much you know

429

00:19:39,510 --> 00:19:38,080

well for me it was interesting seeing

430

00:19:41,190 --> 00:19:39,520

hearing some of the stories and stuff

431

00:19:43,190 --> 00:19:41,200

like oh man i remember back then when i

432

00:19:44,630 --> 00:19:43,200

believed that or when i thought that

433

00:19:46,230 --> 00:19:44,640

that was you know what some of the

434

00:19:47,909 --> 00:19:46,240

witnesses said then that turns out to be

435

00:19:49,029 --> 00:19:47,919

false you know a lot of that stuff it

436

00:19:51,029 --> 00:19:49,039

just

437

00:19:53,270 --> 00:19:51,039

was uh yeah i don't know was there

438

00:19:55,750 --> 00:19:53,280

anybody steven after talking to all

439

00:19:57,270 --> 00:19:55,760

those people that made you say maybe

440

00:19:59,510 --> 00:19:57,280

maybe they are

441

00:20:02,390 --> 00:19:59,520

more right than the others

442

00:20:04,630 --> 00:20:02,400

you know i i still i still lean towards

443

00:20:07,990 --> 00:20:04,640

don schmidt and those and tom carrey

444

00:20:10,070 --> 00:20:08,000

because they interviewed most people and

445

00:20:12,549 --> 00:20:10,080

and i'm telling you if you go read that

446

00:20:14,870 --> 00:20:12,559

book children of roswell you will

447

00:20:16,870 --> 00:20:14,880

believe that it was aliens because it

448

00:20:18,470 --> 00:20:16,880

just doesn't make any sense that all of

449

00:20:20,230 --> 00:20:18,480

these old people

450

00:20:22,149 --> 00:20:20,240

at near their deaths would suddenly

451
00:20:24,149 --> 00:20:22,159
start telling their children

452
00:20:25,990 --> 00:20:24,159
look i saw these bodies of these little

453
00:20:27,510 --> 00:20:26,000
aliens i didn't just want you to know

454
00:20:29,270 --> 00:20:27,520
that we're not alone in the universe

455
00:20:31,510 --> 00:20:29,280
like there's some other people out there

456
00:20:32,950 --> 00:20:31,520
and i saw some of them when this crash

457
00:20:35,510 --> 00:20:32,960
happened in roswell where i was

458
00:20:37,669 --> 00:20:35,520
stationed or whatever their story was

459
00:20:38,710 --> 00:20:37,679
it's just there's too many of them

460
00:20:41,190 --> 00:20:38,720
and and

461
00:20:43,350 --> 00:20:41,200
to to just think that all these people

462
00:20:44,789 --> 00:20:43,360
are just making up stuff as they're

463
00:20:46,789 --> 00:20:44,799

dying you know

464

00:20:48,870 --> 00:20:46,799

see but that that can work for you or

465

00:20:51,350 --> 00:20:48,880

that could work against you because i

466

00:20:53,909 --> 00:20:51,360

mean as ron said and i agree with it

467

00:20:55,750 --> 00:20:53,919

because at least with some of the people

468

00:20:58,310 --> 00:20:55,760

you know when you're five years old and

469

00:21:00,950 --> 00:20:58,320

you're remembering and and i know i made

470

00:21:02,390 --> 00:21:00,960

a comment colors of every single thing

471

00:21:05,669 --> 00:21:02,400

that was there the color of their hair

472

00:21:08,390 --> 00:21:05,679

the color of of of their car or the car

473

00:21:09,990 --> 00:21:08,400

at 45s yeah

474

00:21:12,870 --> 00:21:10,000

that is right and how would you know it

475

00:21:14,870 --> 00:21:12,880

as a 45 and unless you were growing up

476

00:21:18,390 --> 00:21:14,880

uh grew up with that but you know i

477

00:21:20,070 --> 00:21:18,400

think that that i can't say 100 that i

478

00:21:22,789 --> 00:21:20,080

believed all of them because i didn't

479

00:21:24,470 --> 00:21:22,799

and you know but but here's the thing

480

00:21:26,950 --> 00:21:24,480

here's the thing stephen you need to

481

00:21:28,789 --> 00:21:26,960

present it all as one you know don't

482

00:21:31,350 --> 00:21:28,799

just don't just cut out everything that

483

00:21:34,390 --> 00:21:31,360

you like and everything that stands for

484

00:21:37,750 --> 00:21:34,400

what you want the picture to look like

485

00:21:39,510 --> 00:21:37,760

oh so so you know it could work for you

486

00:21:41,270 --> 00:21:39,520

or it could work against you yeah but

487

00:21:43,590 --> 00:21:41,280

that but that's what i appreciated the

488

00:21:46,070 --> 00:21:43,600

way steven did it is that you know it's

489

00:21:46,870 --> 00:21:46,080

not like he's living in this one bubble

490

00:21:48,950 --> 00:21:46,880

like

491

00:21:50,789 --> 00:21:48,960

i try to talk to the skeptical ones too

492

00:21:52,549 --> 00:21:50,799

like you have to just he's just

493

00:21:55,190 --> 00:21:52,559

convinced that's nothing but a weather

494

00:21:57,510 --> 00:21:55,200

balloon he reminds me of michael he's

495

00:21:58,549 --> 00:21:57,520

like a michael sherman it doesn't matter

496

00:22:03,270 --> 00:21:58,559

it's like

497

00:22:08,710 --> 00:22:03,280

even if you throw out a fake name you'll

498

00:22:12,230 --> 00:22:10,390

you know i think that somebody

499

00:22:14,390 --> 00:22:12,240

everybody's sort of like because i had

500

00:22:16,390 --> 00:22:14,400

him as a guest a few times people just

501
00:22:18,870 --> 00:22:16,400
people wrongly assume that i agree with

502
00:22:21,190 --> 00:22:18,880
him on everything and i'm in his camp

503
00:22:22,870 --> 00:22:21,200
and this and it's not true and like i

504
00:22:23,909 --> 00:22:22,880
definitely disagree with him on roswell

505
00:22:26,470 --> 00:22:23,919
for sure

506
00:22:28,549 --> 00:22:26,480
i just you know i think that he uh

507
00:22:31,110 --> 00:22:28,559
dismisses a lot of the evidence and

508
00:22:33,510 --> 00:22:31,120
testimony yeah and and he doesn't really

509
00:22:36,070 --> 00:22:33,520
have a reason to except like

510
00:22:38,390 --> 00:22:36,080
to say oh jesse marcel was known to

511
00:22:40,470 --> 00:22:38,400
embellish well what does that mean so he

512
00:22:42,549 --> 00:22:40,480
embellished i i don't know how that

513
00:22:45,669 --> 00:22:42,559

means he lied about the whole story i

514

00:22:49,750 --> 00:22:47,669

figure this steven you know we you know

515

00:22:51,909 --> 00:22:49,760

how i do i i pretty much do an active

516

00:22:53,029 --> 00:22:51,919

research while while the the show is

517

00:22:55,270 --> 00:22:53,039

going on

518

00:22:57,750 --> 00:22:55,280

trust me i've seen a lot of negative

519

00:23:00,149 --> 00:22:57,760

stuff about every single guest but i've

520

00:23:01,990 --> 00:23:00,159

also seen a lot of positive stuff now

521

00:23:04,789 --> 00:23:02,000

that's it you you know that's my thing

522

00:23:07,029 --> 00:23:04,799

there's no there's no perfect guest so

523

00:23:09,590 --> 00:23:07,039

somebody who like some of these people

524

00:23:11,590 --> 00:23:09,600

that absolutely hate one of the guests

525

00:23:14,149 --> 00:23:11,600

messed me all this nasty [h__h] because

526

00:23:15,990 --> 00:23:14,159

they didn't like that that we that we

527

00:23:18,549 --> 00:23:16,000

had them as a guest i'm sorry but i

528

00:23:20,470 --> 00:23:18,559

don't care about somebody's 20 year old

529

00:23:22,230 --> 00:23:20,480

beef with some guest of mine you know i

530

00:23:24,549 --> 00:23:22,240

just don't care they're there for a

531

00:23:26,230 --> 00:23:24,559

reason like cal was there because he

532

00:23:29,270 --> 00:23:26,240

wrote this book the real truth about

533

00:23:31,190 --> 00:23:29,280

roswell and he he was the skeptical side

534

00:23:32,870 --> 00:23:31,200

and he did his job you know he did what

535

00:23:34,310 --> 00:23:32,880

he was supposed to do come in and say

536

00:23:36,230 --> 00:23:34,320

these people are full of [h__h] and here's

537

00:23:38,950 --> 00:23:36,240

why and here's my evidence that they're

538

00:23:40,230 --> 00:23:38,960

full of [h__\h] you know or whatever

539

00:23:43,110 --> 00:23:40,240

yeah but with the guests there's no

540

00:23:45,190 --> 00:23:43,120

perfect guests i find two people in this

541

00:23:46,950 --> 00:23:45,200

whole world that agree 100 with each

542

00:23:49,750 --> 00:23:46,960

other it just doesn't happen i mean it

543

00:23:51,830 --> 00:23:49,760

just doesn't happen well roswell's oh

544

00:23:55,590 --> 00:23:51,840

i'm sorry go ahead i apologize go ahead

545

00:23:58,070 --> 00:23:55,600

buddy as i say it's just so complex

546

00:23:59,669 --> 00:23:58,080

it's not just a black or white story

547

00:24:01,669 --> 00:23:59,679

you know that there is the mogul part

548

00:24:03,830 --> 00:24:01,679

and then there's a secondary crash or

549

00:24:05,830 --> 00:24:03,840

whatever like it can get confusing with

550

00:24:08,230 --> 00:24:05,840

where locations are and with who would

551

00:24:10,310 --> 00:24:08,240

say the timelines on things

552

00:24:13,029 --> 00:24:10,320

it's uh

553

00:24:14,950 --> 00:24:13,039

i mean it's easy to get lost in in the

554

00:24:16,710 --> 00:24:14,960

story of roswell and get things mixed up

555

00:24:20,630 --> 00:24:16,720

and things like that so

556

00:24:24,390 --> 00:24:21,830

yeah

557

00:24:25,909 --> 00:24:24,400

i know they have a big um

558

00:24:28,470 --> 00:24:25,919

they just had their

559

00:24:29,990 --> 00:24:28,480

conference or whatever it was but i was

560

00:24:33,190 --> 00:24:30,000

talking um

561

00:24:35,029 --> 00:24:33,200

stephen uh strat called me before

562

00:24:37,350 --> 00:24:35,039

and because they're doing a mufon

563

00:24:38,710 --> 00:24:37,360

symposium in denver this weekend i think

564

00:24:41,430 --> 00:24:38,720

or something like that

565

00:24:43,430 --> 00:24:41,440

yeah and yeah and and going we were

566

00:24:45,269 --> 00:24:43,440

going on about the roswell stuff too

567

00:24:46,470 --> 00:24:45,279

again and um

568

00:24:48,070 --> 00:24:46,480

a matter of fact

569

00:24:51,269 --> 00:24:48,080

i'm gonna have to beat that dead horse a

570

00:24:52,789 --> 00:24:51,279

little bit more tomorrow you'll see

571

00:24:54,470 --> 00:24:52,799

it just so happens

572

00:24:55,269 --> 00:24:54,480

i want to kill steven when i'm going

573

00:24:57,190 --> 00:24:55,279

like

574

00:24:59,190 --> 00:24:57,200

oh jesus yeah i said announced 20

575

00:25:01,750 --> 00:24:59,200

freaking hours huh like that right

576
00:25:03,029 --> 00:25:01,760
before i do my garage well piece yes no

577
00:25:04,230 --> 00:25:03,039
it's actually i just got to show some

578
00:25:06,230 --> 00:25:04,240
i'm not going to it's not going to be

579
00:25:08,390 --> 00:25:06,240
the entire reason why i did that much

580
00:25:10,710 --> 00:25:08,400
coverage it's just a [h__\h] all over ron's

581
00:25:15,190 --> 00:25:10,720
yeah that's why but but look it's

582
00:25:18,870 --> 00:25:17,110
i did get some compliments too on that

583
00:25:20,390 --> 00:25:18,880
on that old footage somebody said that

584
00:25:22,870 --> 00:25:20,400
was the cleanest

585
00:25:24,390 --> 00:25:22,880
audio and video of that testimony that

586
00:25:26,470 --> 00:25:24,400
i've ever seen

587
00:25:28,549 --> 00:25:26,480
so that's good because now anybody can

588
00:25:30,950 --> 00:25:28,559

use that it's creative commons which

589

00:25:33,430 --> 00:25:30,960

means uh if if you want to take any

590

00:25:36,070 --> 00:25:33,440

parts of those original testimony even

591

00:25:38,070 --> 00:25:36,080

my fixed version and use it just thank

592

00:25:40,230 --> 00:25:38,080

us and put us give us a link or whatever

593

00:25:42,230 --> 00:25:40,240

and you can use that testimony too now

594

00:25:43,590 --> 00:25:42,240

it's all cleaned up it looks better it

595

00:25:45,909 --> 00:25:43,600

sounds better

596

00:25:48,789 --> 00:25:45,919

and you're welcome to use it it's it's a

597

00:25:50,630 --> 00:25:48,799

part of history and uh i thought

598

00:25:51,750 --> 00:25:50,640

it was worth taking the time to clean it

599

00:25:53,590 --> 00:25:51,760

all up

600

00:25:55,590 --> 00:25:53,600

yeah but see that's it if somebody was

601
00:25:56,870 --> 00:25:55,600
gonna do research or something that

602
00:25:59,590 --> 00:25:56,880
didn't

603
00:26:02,230 --> 00:25:59,600
he's here to [h__h] on everybody no aliens

604
00:26:07,830 --> 00:26:02,240
no recovery no spaceships it's a lie

605
00:26:14,149 --> 00:26:11,430
that's pretty much to the point right

606
00:26:14,950 --> 00:26:14,159
so the command join in join in yeah come

607
00:26:16,950 --> 00:26:14,960
on

608
00:26:18,950 --> 00:26:16,960
he's probably not anybody anybody

609
00:26:22,070 --> 00:26:18,960
anybody really like those those bunch of

610
00:26:25,590 --> 00:26:24,710
yeah you know i also wanted to mention

611
00:26:27,430 --> 00:26:25,600
that there's

612
00:26:29,430 --> 00:26:27,440
you know everybody told me this when i

613
00:26:31,430 --> 00:26:29,440

said i was going to take a few weeks off

614

00:26:33,510 --> 00:26:31,440

everybody that has a show says you can't

615

00:26:34,950 --> 00:26:33,520

do that and i'm like what do you mean

616

00:26:36,710 --> 00:26:34,960

and a whole bunch of people have been

617

00:26:38,950 --> 00:26:36,720

doing this a lot longer than me said

618

00:26:41,430 --> 00:26:38,960

your views will drop to nothing if you

619

00:26:43,750 --> 00:26:41,440

take a few weeks off and i said no no i

620

00:26:45,190 --> 00:26:43,760

don't think that'll happen but they were

621

00:26:47,350 --> 00:26:45,200

all right the

622

00:26:49,750 --> 00:26:47,360

the views have dropped in like half of

623

00:26:50,950 --> 00:26:49,760

what they were before i took a break so

624

00:26:53,430 --> 00:26:50,960

apparently

625

00:26:55,909 --> 00:26:53,440

the youtube algorithm doesn't like you

626
00:26:58,070 --> 00:26:55,919
to get off of that hamster wheel yeah

627
00:27:00,630 --> 00:26:58,080
for a little while it doesn't it just

628
00:27:03,029 --> 00:27:00,640
pulls you out of all of the search

629
00:27:05,269 --> 00:27:03,039
rankings that you were you were so much

630
00:27:07,350 --> 00:27:05,279
higher you take that time off they just

631
00:27:09,350 --> 00:27:07,360
go he's not making that's right and

632
00:27:11,350 --> 00:27:09,360
throw you out that's why they say you

633
00:27:12,870 --> 00:27:11,360
should make some videos and leave them

634
00:27:15,190 --> 00:27:12,880
in the queue and have them scheduled oh

635
00:27:17,750 --> 00:27:15,200
i did i had those older midnight hours

636
00:27:20,470 --> 00:27:17,760
show episodes that we did a few a week

637
00:27:23,350 --> 00:27:20,480
but that apparently wasn't enough to uh

638
00:27:26,070 --> 00:27:23,360

keep the ai algorithm happy you know the

639

00:27:28,149 --> 00:27:26,080

algorithm knows man it knows when you're

640

00:27:31,590 --> 00:27:28,159

live and all that stuff so we have the

641

00:27:34,470 --> 00:27:31,600

modern the modern alchemists burn eye

642

00:27:36,310 --> 00:27:34,480

minds oh hey did you change the avatar

643

00:27:37,510 --> 00:27:36,320

again it used to be mine's eye what is

644

00:27:40,549 --> 00:27:37,520

it now

645

00:27:43,190 --> 00:27:40,559

burn eye mind third eye science guy uh

646

00:27:43,200 --> 00:27:55,190

you're ripping off bill nye

647

00:27:58,950 --> 00:27:57,110

then i'll shut up and mute myself the

648

00:28:01,830 --> 00:27:58,960

first time we did an interview it was

649

00:28:03,909 --> 00:28:01,840

bernard konkin my real name and my first

650

00:28:05,590 --> 00:28:03,919

channel then youtube deleted that for

651
00:28:08,070 --> 00:28:05,600
some reason claiming

652
00:28:10,389 --> 00:28:08,080
of all things then my second channel was

653
00:28:12,310 --> 00:28:10,399
crypto alchemist did really good on that

654
00:28:14,710 --> 00:28:12,320
they deleted that two weeks ago you were

655
00:28:28,950 --> 00:28:14,720
drinking you were drinking mysterious

656
00:28:33,909 --> 00:28:31,909
here no no do not give yourself heavy

657
00:28:36,630 --> 00:28:33,919
metal poisoning do not

658
00:28:38,789 --> 00:28:36,640
try it at home you will die oh man that

659
00:28:40,630 --> 00:28:38,799
was crazy though it's crazy i i wouldn't

660
00:28:42,710 --> 00:28:40,640
be doing that but

661
00:28:45,990 --> 00:28:42,720
it's perfectly safe

662
00:28:50,710 --> 00:28:48,070
yeah but but look youtube's really

663
00:28:52,470 --> 00:28:50,720

touchy about a lot of different avenues

664

00:28:55,990 --> 00:28:52,480

i just can't believe it really did we

665

00:28:58,549 --> 00:28:56,000

really did drop in views in live

666

00:29:00,310 --> 00:28:58,559

playbacks in half in three weeks and

667

00:29:01,750 --> 00:29:00,320

you know what also happens is when

668

00:29:04,470 --> 00:29:01,760

somebody watches your video you know

669

00:29:06,070 --> 00:29:04,480

that right bar now if you're consistent

670

00:29:07,990 --> 00:29:06,080

you'll have more things in that right

671

00:29:10,310 --> 00:29:08,000

bar that suggested if you're not

672

00:29:12,710 --> 00:29:10,320

consistent you only do one one once

673

00:29:15,350 --> 00:29:12,720

every two months or something

674

00:29:16,470 --> 00:29:15,360

you won't come up in that so often so

675

00:29:18,070 --> 00:29:16,480

you know i'm not going to worry about

676

00:29:19,430 --> 00:29:18,080

i'm just going to keep doing our thing

677

00:29:22,630 --> 00:29:19,440

right right you need to break maybe you

678

00:29:28,389 --> 00:29:25,269

for instance jeremy reese the alien

679

00:29:30,389 --> 00:29:28,399

scientist he's also kind of been busy

680

00:29:32,630 --> 00:29:30,399

with his regular work and only done like

681

00:29:35,350 --> 00:29:32,640

a stream every week or two the past

682

00:29:37,830 --> 00:29:35,360

month and it's like he's got 110 000

683

00:29:40,310 --> 00:29:37,840

subscribers yet about the same amount of

684

00:29:42,870 --> 00:29:40,320

live viewers per stream as you do like

685

00:29:45,510 --> 00:29:42,880

it's just crazy yeah

686

00:29:48,070 --> 00:29:45,520

well it could also be that everybody and

687

00:29:51,110 --> 00:29:48,080

their grandmother started a ufo show ron

688

00:29:53,590 --> 00:29:51,120

from cosmic neighbors is the latest

689

00:29:56,230 --> 00:29:53,600

everybody's like oh this is easy i could

690

00:29:58,149 --> 00:29:56,240

do a show about ufos too if steve

691

00:30:00,470 --> 00:29:58,159

cambion could do good doing this he's an

692

00:30:02,149 --> 00:30:00,480

idiot i i got to be able to do this no

693

00:30:03,430 --> 00:30:02,159

if i would have seen all you guys before

694

00:30:05,350 --> 00:30:03,440

that i would have never started one let

695

00:30:07,750 --> 00:30:05,360

me tell you that

696

00:30:09,510 --> 00:30:07,760

no i'm busting his balls but really ron

697

00:30:12,710 --> 00:30:09,520

isn't dirt there's so many shows about

698

00:30:15,269 --> 00:30:12,720

ufos now there is but you know it's the

699

00:30:16,870 --> 00:30:15,279

truth the thing is i remember i always

700

00:30:18,710 --> 00:30:16,880

wanted to talk about it then when i

701
00:30:20,549 --> 00:30:18,720
started it and then i realized all these

702
00:30:23,350 --> 00:30:20,559
things popping up

703
00:30:24,870 --> 00:30:23,360
the thing is is it's not like ufos are

704
00:30:26,549 --> 00:30:24,880
landing every other day that there's

705
00:30:28,789 --> 00:30:26,559
moves to talk about

706
00:30:29,510 --> 00:30:28,799
so it's like you have to recycle stuff

707
00:30:32,070 --> 00:30:29,520
or

708
00:30:34,630 --> 00:30:32,080
people create drama and all this [h__\h] so

709
00:30:36,310 --> 00:30:34,640
that's why i go to doom and gloom stuff

710
00:30:38,470 --> 00:30:36,320
too i talk about like when the asteroids

711
00:30:41,269 --> 00:30:38,480
are going to smack us and everything and

712
00:30:42,870 --> 00:30:41,279
i talk about other stuff also there's

713
00:30:44,149 --> 00:30:42,880

there's true stuff like i've talked

714

00:30:46,470 --> 00:30:44,159

about the ones that come close and

715

00:30:49,909 --> 00:30:46,480

everything but the ufo thing

716

00:30:51,350 --> 00:30:49,919

it's not easy man yeah i've said i think

717

00:30:53,350 --> 00:30:51,360

that the people they're doing five and

718

00:30:54,389 --> 00:30:53,360

six shows a week about ufos they're on

719

00:30:56,230 --> 00:30:54,399

the take

720

00:30:57,750 --> 00:30:56,240

they are they are stealing from their

721

00:31:00,310 --> 00:30:57,760

audience because there's not that much

722

00:31:07,430 --> 00:31:00,320

to talk about and half of their videos

723

00:31:11,750 --> 00:31:09,350

speaking of people that pissed me off by

724

00:31:14,710 --> 00:31:11,760

starting their own ufo show

725

00:31:16,310 --> 00:31:14,720

we have andy here

726

00:31:18,149 --> 00:31:16,320

across the pond

727

00:31:19,990 --> 00:31:18,159

i was thinking of wearing my muscles

728

00:31:21,590 --> 00:31:20,000

shirt as well but i decided not to do

729

00:31:23,669 --> 00:31:21,600

that

730

00:31:26,149 --> 00:31:23,679

i have this on you can't see it it says

731

00:31:28,149 --> 00:31:26,159

life is better at the cabin my wife just

732

00:31:30,549 --> 00:31:28,159

gave me this it looks great it looks

733

00:31:32,710 --> 00:31:30,559

great is there a figure behind it can i

734

00:31:35,590 --> 00:31:32,720

ask is there a mannequin behind you uh

735

00:31:37,669 --> 00:31:35,600

behind the fire no i don't think so it

736

00:31:39,590 --> 00:31:37,679

looks like that's something well i can i

737

00:31:42,070 --> 00:31:39,600

can solo myself so everybody could see

738

00:31:44,230 --> 00:31:42,080

no they're it's like uh

739

00:31:45,909 --> 00:31:44,240

it's not it's the cabin behind me yeah

740

00:31:47,750 --> 00:31:45,919

but by the window it looks like

741

00:31:52,149 --> 00:31:47,760

someone's sitting there oh yeah it does

742

00:31:57,029 --> 00:31:54,310

that's just logs or something inside it

743

00:32:04,230 --> 00:31:57,039

is it looks like a couple small ones

744

00:32:08,310 --> 00:32:06,310

no they're in the middle room there they

745

00:32:09,509 --> 00:32:08,320

uh they stay they're staying in there i

746

00:32:12,310 --> 00:32:09,519

gotta uh

747

00:32:14,630 --> 00:32:12,320

you know lock them in

748

00:32:16,310 --> 00:32:14,640

my oldest son is autistic and it's my

749

00:32:17,430 --> 00:32:16,320

wife and i's biggest fear that he gets

750

00:32:19,110 --> 00:32:17,440

out here because we're in the middle of

751

00:32:20,789 --> 00:32:19,120

nowhere of course you know and if he

752

00:32:22,470 --> 00:32:20,799

were to get out and just start walking

753

00:32:24,630 --> 00:32:22,480

you know yeah you're never going to find

754

00:32:27,750 --> 00:32:24,640

him in the woods you know so we have all

755

00:32:29,830 --> 00:32:27,760

these locks and stuff to keep him in

756

00:32:32,389 --> 00:32:29,840

yeah how old is he stephen if you don't

757

00:32:34,230 --> 00:32:32,399

mind me asking uh 10 10 years old oh

758

00:32:36,950 --> 00:32:34,240

okay yeah

759

00:32:40,310 --> 00:32:36,960

yeah and and but he recently got out at

760

00:32:42,310 --> 00:32:40,320

our home pete baker and uh at first i

761

00:32:45,110 --> 00:32:42,320

got blamed for because my wife thought i

762

00:32:47,269 --> 00:32:45,120

left two doors open that and i go no way

763

00:32:49,269 --> 00:32:47,279

would i leave these doors open he

764

00:32:51,350 --> 00:32:49,279

figured out how to get past our old

765

00:32:53,269 --> 00:32:51,360

stuff which was spinner knobs and stuff

766

00:32:55,269 --> 00:32:53,279

like that so he figured out how to

767

00:32:57,350 --> 00:32:55,279

unlock the door to the garage and then

768

00:32:59,509 --> 00:32:57,360

unlock the other door to the garage that

769

00:33:02,230 --> 00:32:59,519

goes outside and he just took a walk up

770

00:33:03,430 --> 00:33:02,240

the block but the cops came and somebody

771

00:33:05,029 --> 00:33:03,440

called the cops because he wasn't

772

00:33:06,789 --> 00:33:05,039

responding and then

773

00:33:08,389 --> 00:33:06,799

but the cops found my wife right away

774

00:33:09,590 --> 00:33:08,399

because she was screaming so loud from

775

00:33:12,710 --> 00:33:09,600

down the block

776

00:33:16,549 --> 00:33:12,720

looking for him so that was a big scare

777

00:33:18,870 --> 00:33:16,559

and now we got uh deadbolts with keys

778

00:33:20,870 --> 00:33:18,880

so he's not getting through that but you

779

00:33:22,549 --> 00:33:20,880

know

780

00:33:24,070 --> 00:33:22,559

be careful with that because if you

781

00:33:25,750 --> 00:33:24,080

gotta run out to get out you got to make

782

00:33:28,070 --> 00:33:25,760

sure they're accessible

783

00:33:28,950 --> 00:33:28,080

we have a fire plan already for all that

784

00:33:31,750 --> 00:33:28,960

so

785

00:33:33,430 --> 00:33:31,760

and extra keys and whatever and yeah

786

00:33:35,830 --> 00:33:33,440

yeah stephen's got the plan

787

00:33:36,870 --> 00:33:35,840

quick uh ufo questions

788

00:33:42,310 --> 00:33:36,880

uh

789

00:33:45,430 --> 00:33:42,320

roswell or a couple years after was the

790

00:33:47,750 --> 00:33:45,440

famous uh white house or oval office

791

00:33:51,669 --> 00:33:47,760

flyover that happened after admiral

792

00:33:54,870 --> 00:33:51,679

byrd's uh trip with operation high jump

793

00:33:58,149 --> 00:33:54,880

can i first get your opinions on that

794

00:34:01,590 --> 00:33:58,159

and then second question is about the

795

00:34:04,070 --> 00:34:01,600

new pentagon uap videos of not the tic

796

00:34:08,389 --> 00:34:04,080

tacs but the ones they recorded uh from

797

00:34:09,909 --> 00:34:08,399

apaches and the a10 warthog i believe uh

798

00:34:13,109 --> 00:34:09,919

there's a couple yeah i think those

799

00:34:16,149 --> 00:34:13,119

latest videos were clearly not ufos one

800

00:34:18,310 --> 00:34:16,159

was clearly a bird right

801
00:34:21,190 --> 00:34:18,320
and i think the other one was birds too

802
00:34:23,270 --> 00:34:21,200
so we have a proliferation of people and

803
00:34:25,190 --> 00:34:23,280
by the way those videos were hyped up

804
00:34:27,030 --> 00:34:25,200
and people had to pay money to attend a

805
00:34:30,790 --> 00:34:27,040
conference to see those early or

806
00:34:32,710 --> 00:34:30,800
something really those were garbage

807
00:34:35,669 --> 00:34:32,720
i thought they made that from microsoft

808
00:34:37,909 --> 00:34:35,679
flight simulator

809
00:34:40,389 --> 00:34:37,919
that's what i thought they did right

810
00:34:42,950 --> 00:34:40,399
but the problem with those videos

811
00:34:44,710 --> 00:34:42,960
the real problem with those videos was

812
00:34:46,149 --> 00:34:44,720
that anybody

813
00:34:48,149 --> 00:34:46,159

on youtube

814

00:34:50,310 --> 00:34:48,159

could have taken that video and just

815

00:34:52,230 --> 00:34:50,320

zoomed in on the object and seen

816

00:34:54,950 --> 00:34:52,240

flapping immediately

817

00:34:57,349 --> 00:34:54,960

and no this is a bird i shouldn't sell

818

00:34:59,589 --> 00:34:57,359

this at a ufo conference but that's not

819

00:35:01,510 --> 00:34:59,599

what the person did they hyped it up

820

00:35:03,910 --> 00:35:01,520

saying that they had witness testimony

821

00:35:06,390 --> 00:35:03,920

it couldn't be birds and all this [h__h]

822

00:35:08,470 --> 00:35:06,400

and literally bird experts have looked

823

00:35:10,710 --> 00:35:08,480

at that nail and said that's a flappy

824

00:35:11,430 --> 00:35:10,720

bird pentagon ones

825

00:35:15,670 --> 00:35:11,440

yeah

826

00:35:17,829 --> 00:35:15,680

i i'm gonna recommend to you steve i'll

827

00:35:20,790 --> 00:35:17,839

put you in contact if you know michael

828

00:35:23,270 --> 00:35:20,800

boyd from apec he's a

829

00:35:24,950 --> 00:35:23,280

third generation aerospace engineer i

830

00:35:27,910 --> 00:35:24,960

recently i know who he is i don't know

831

00:35:29,510 --> 00:35:27,920

him yeah he went in depth into the video

832

00:35:31,750 --> 00:35:29,520

and he's

833

00:35:34,470 --> 00:35:31,760

more thinks he's found several anomalies

834

00:35:37,510 --> 00:35:34,480

within the videos but it's that not

835

00:35:40,950 --> 00:35:37,520

necessarily a bird but not ufos or tic

836

00:35:44,470 --> 00:35:40,960

tac sort of technology more plasma orbs

837

00:35:45,990 --> 00:35:44,480

and uh he goes through and uh connects

838

00:35:49,670 --> 00:35:46,000

some of the um

839

00:35:52,310 --> 00:35:49,680

uh soho satellites of like um

840

00:35:55,670 --> 00:35:52,320

from the sun uh what the heck is it

841

00:35:57,750 --> 00:35:55,680

called when it uh does the burst thing

842

00:36:00,390 --> 00:35:57,760

comes the solar

843

00:36:03,750 --> 00:36:00,400

yeah the cme and the solar flares happen

844

00:36:06,310 --> 00:36:03,760

uh at the same day both or all three of

845

00:36:09,109 --> 00:36:06,320

those new uh videos came he checked the

846

00:36:11,270 --> 00:36:09,119

areas and it was he related it to it i

847

00:36:13,030 --> 00:36:11,280

won't go too much in depth but it

848

00:36:15,190 --> 00:36:13,040

definitely would make a good episode for

849

00:36:16,870 --> 00:36:15,200

you to do steve well i'll take a look at

850

00:36:18,310 --> 00:36:16,880

it but i'm convinced if they're the two

851
00:36:20,150 --> 00:36:18,320
videos i'm thinking of that they were

852
00:36:22,710 --> 00:36:20,160
both birds i mean when you see a white

853
00:36:24,310 --> 00:36:22,720
object and you see clear flapping

854
00:36:27,510 --> 00:36:24,320
it doesn't it doesn't make me think

855
00:36:31,030 --> 00:36:29,430
the ones okay then maybe we're talking

856
00:36:32,630 --> 00:36:31,040
about different videos that i haven't

857
00:36:34,310 --> 00:36:32,640
seen

858
00:36:37,030 --> 00:36:34,320
but how many of them are actually

859
00:36:39,510 --> 00:36:37,040
something that that they don't and here

860
00:36:41,270 --> 00:36:39,520
here it is how many of the ones that

861
00:36:42,310 --> 00:36:41,280
they that the people that promote this

862
00:36:45,109 --> 00:36:42,320
[h__\h]

863
00:36:47,109 --> 00:36:45,119

as real know damn well they aren't real

864

00:36:49,670 --> 00:36:47,119

but yet they promote many ways i think i

865

00:36:51,349 --> 00:36:49,680

think the ratio to that compared to

866

00:36:53,990 --> 00:36:51,359

something well we really don't know what

867

00:36:58,069 --> 00:36:54,000

it is is it's huge it's a hundred to one

868

00:37:02,310 --> 00:36:59,670

really aren't they yeah

869

00:37:04,630 --> 00:37:02,320

yeah that's a lot of them

870

00:37:06,870 --> 00:37:04,640

even the conference organizers if i was

871

00:37:08,710 --> 00:37:06,880

running a ufo conference if i was

872

00:37:10,230 --> 00:37:08,720

running a ufo conference and somebody

873

00:37:12,230 --> 00:37:10,240

brought me those videos and said hey we

874

00:37:13,990 --> 00:37:12,240

can make this a part of your conference

875

00:37:15,510 --> 00:37:14,000

people could pay extra to get in to see

876
00:37:17,270 --> 00:37:15,520
these

877
00:37:18,870 --> 00:37:17,280
videos yeah i would look at the videos

878
00:37:20,470 --> 00:37:18,880
first and i would say

879
00:37:21,990 --> 00:37:20,480
these are most likely birds i'm not

880
00:37:24,390 --> 00:37:22,000
going to scam people i'm not going to

881
00:37:26,390 --> 00:37:24,400
profit off something they're in the same

882
00:37:27,990 --> 00:37:26,400
game though they're in the same game

883
00:37:29,349 --> 00:37:28,000
right they they want to make money as

884
00:37:31,910 --> 00:37:29,359
well

885
00:37:35,349 --> 00:37:31,920
don't don't screw up don't screw up

886
00:37:39,829 --> 00:37:37,750
and the worst part is is when somebody

887
00:37:43,030 --> 00:37:39,839
points it out and other people do you

888
00:37:45,270 --> 00:37:43,040

always have those few that just argue to

889

00:37:47,349 --> 00:37:45,280

argue they know it's fake but they just

890

00:37:49,349 --> 00:37:47,359

want to keep on trolling and arguing and

891

00:37:52,150 --> 00:37:49,359

dragging it on and dragging on and then

892

00:37:53,430 --> 00:37:52,160

you know as soon as doorbell gets

893

00:37:54,630 --> 00:37:53,440

involved you know he's going to be on

894

00:37:56,630 --> 00:37:54,640

the news

895

00:37:57,589 --> 00:37:56,640

for three days on every channel like

896

00:38:01,670 --> 00:37:57,599

that

897

00:38:03,430 --> 00:38:01,680

of those people arguing are the people

898

00:38:05,270 --> 00:38:03,440

themselves hiding behind sock puppet

899

00:38:07,910 --> 00:38:05,280

accounts i'm convinced of it yeah you

900

00:38:10,150 --> 00:38:07,920

know listen nobody cares that much

901
00:38:12,870 --> 00:38:10,160
nobody cares that much about jeremy

902
00:38:14,870 --> 00:38:12,880
corbell's journalistic integrity to go

903
00:38:17,589 --> 00:38:14,880
on twitter and and defend his

904
00:38:20,069 --> 00:38:17,599
journalistic integrity that's [h__\h]

905
00:38:22,470 --> 00:38:20,079
that's jeremy corbell

906
00:38:25,510 --> 00:38:22,480
majority are government bots that like

907
00:38:27,750 --> 00:38:25,520
those uh nsa bots just trolling

908
00:38:29,589 --> 00:38:27,760
supporting their narrative of their guy

909
00:38:31,750 --> 00:38:29,599
right it's not probably not even real

910
00:38:33,430 --> 00:38:31,760
people no and hopefully if you ever

911
00:38:35,990 --> 00:38:33,440
check them just look at them real quick

912
00:38:38,790 --> 00:38:36,000
you'll see they have all uh 12 followers

913
00:38:40,870 --> 00:38:38,800

four followers 16 like that yeah some of

914

00:38:43,670 --> 00:38:40,880

them are true believers and usually like

915

00:38:46,390 --> 00:38:43,680

brand new twitter accounts yeah

916

00:38:48,390 --> 00:38:46,400

2022. the thing that that video that

917

00:38:50,310 --> 00:38:48,400

ross cole heart shared he came out and

918

00:38:51,990 --> 00:38:50,320

said i'm sorry it was fake there's still

919

00:38:54,310 --> 00:38:52,000

people passing around like it's real

920

00:38:57,030 --> 00:38:54,320

just like that's even if you know they

921

00:38:59,190 --> 00:38:57,040

ignored it admitted that he got dude

922

00:39:01,349 --> 00:38:59,200

the thing is people will you know latch

923

00:39:03,829 --> 00:39:01,359

onto a story for years and stick with it

924

00:39:05,829 --> 00:39:03,839

and and they don't want to veer off from

925

00:39:07,589 --> 00:39:05,839

it they just want to believe and that's

926

00:39:09,430 --> 00:39:07,599

it you can't argue

927

00:39:11,349 --> 00:39:09,440

it's just like almost like a religion

928

00:39:13,030 --> 00:39:11,359

you know you're right andy even even

929

00:39:15,109 --> 00:39:13,040

when they know damn well it's been

930

00:39:17,270 --> 00:39:15,119

debunked a billion times and that the

931

00:39:20,069 --> 00:39:17,280

evidence is out there that this is just

932

00:39:22,310 --> 00:39:20,079

not real they still will

933

00:39:23,990 --> 00:39:22,320

say it's a religion it's not a religion

934

00:39:26,150 --> 00:39:24,000

yeah

935

00:39:29,109 --> 00:39:26,160

last year when i made that video about

936

00:39:31,910 --> 00:39:29,119

doorbell about the pyramid thing and i

937

00:39:33,750 --> 00:39:31,920

said that i said i believe that that's a

938

00:39:35,910 --> 00:39:33,760

drone right because it does have the

939

00:39:37,829 --> 00:39:35,920

bulk effect that was like a month after

940

00:39:39,270 --> 00:39:37,839

he released the video

941

00:39:43,109 --> 00:39:39,280

and that's when i got that message

942

00:39:47,190 --> 00:39:44,790

my kids should die of cancer because i

943

00:39:49,430 --> 00:39:47,200

said that's pathetic oh and nobody cares

944

00:39:52,069 --> 00:39:49,440

that right now corbell's video so

945

00:39:53,829 --> 00:39:52,079

corrected i got seriously corrected in

946

00:39:56,790 --> 00:39:53,839

my comment section because they said

947

00:39:58,550 --> 00:39:56,800

it's not a triangle it's a pyramid

948

00:40:00,150 --> 00:39:58,560

yeah uh okay

949

00:40:02,390 --> 00:40:00,160

okay yeah

950

00:40:05,270 --> 00:40:02,400

but my kid should die of cancer because

951
00:40:07,270 --> 00:40:05,280
i had the crazy thought of saying that's

952
00:40:09,190 --> 00:40:07,280
probably a drone

953
00:40:10,950 --> 00:40:09,200
keyboard warriors you know what could

954
00:40:13,750 --> 00:40:10,960
you do

955
00:40:15,910 --> 00:40:13,760
i got to remind myself yeah especially

956
00:40:17,750 --> 00:40:15,920
these twitter kits all right

957
00:40:19,430 --> 00:40:17,760
especially these twitter accounts where

958
00:40:21,829 --> 00:40:19,440
they're brand new you know i have one

959
00:40:24,550 --> 00:40:21,839
arguing with me now about the nick pope

960
00:40:28,390 --> 00:40:24,560
story no because wikipedia said he

961
00:40:33,349 --> 00:40:30,550
we showed all these government documents

962
00:40:34,950 --> 00:40:33,359
that proved he never investigated [h__\h]

963
00:40:36,470 --> 00:40:34,960

he picked up the phone

964

00:40:38,790 --> 00:40:36,480

and then he forwarded the stuff to

965

00:40:40,950 --> 00:40:38,800

somebody who did it the investigations

966

00:40:43,270 --> 00:40:40,960

but because wikipedia has a line in

967

00:40:45,270 --> 00:40:43,280

there which is from his own bio that

968

00:40:49,430 --> 00:40:45,280

says he's investigating he's a grown

969

00:40:50,950 --> 00:40:49,440

secretary then i'm a liar now because

970

00:40:53,109 --> 00:40:50,960

i support myself

971

00:40:55,750 --> 00:40:53,119

i stand by our reporting and and by the

972

00:40:56,790 --> 00:40:55,760

way nick pope who blocked me replied to

973

00:41:01,349 --> 00:40:56,800

that

974

00:41:03,349 --> 00:41:01,359

doctored or altered when did he block

975

00:41:05,670 --> 00:41:03,359

you stephen

976

00:41:08,309 --> 00:41:05,680

the first time i said he was full [h__h]

977

00:41:12,870 --> 00:41:09,670

what do you expect when you have like

978

00:41:15,829 --> 00:41:12,880

the daily mail in places in the sun yeah

979

00:41:18,829 --> 00:41:15,839

daily fail so expert oh man i just said

980

00:41:24,470 --> 00:41:21,270

door all of a sudden you know the

981

00:41:26,069 --> 00:41:24,480

bearers of this is a tabloid yeah

982

00:41:28,150 --> 00:41:26,079

and that's it look at daily mail you

983

00:41:30,150 --> 00:41:28,160

know what i used to look at daily mail

984

00:41:33,510 --> 00:41:30,160

and look at it in a good light and then

985

00:41:39,030 --> 00:41:33,520

i'm like looking okay there's like

986

00:41:41,910 --> 00:41:39,040

maybe 10 articles that might be real but

987

00:41:43,670 --> 00:41:41,920

much of it that is agenda driven or just

988

00:41:46,230 --> 00:41:43,680

complete [h__h] like when i seen the

989

00:41:47,910 --> 00:41:46,240

corvell one i was like oh my god are you

990

00:41:49,829 --> 00:41:47,920

freaking kidding me that they're

991

00:41:51,670 --> 00:41:49,839

actually promoting this guy as if he's

992

00:41:53,190 --> 00:41:51,680

oh he must be because he's government

993

00:41:55,430 --> 00:41:53,200

and so i'll tell you what when you see

994

00:41:57,270 --> 00:41:55,440

people like corbell like louisando or

995

00:41:58,790 --> 00:41:57,280

any of those freaking clowns linnamon

996

00:42:01,109 --> 00:41:58,800

howe i might as well include that clown

997

00:42:03,829 --> 00:42:01,119

in there too you can be sure they are

998

00:42:05,349 --> 00:42:03,839

telling you [h__h] 100 of the time

999

00:42:07,030 --> 00:42:05,359

they're not being honest with you

1000

00:42:09,190 --> 00:42:07,040

because because look i mean what does

1001
00:42:10,870 --> 00:42:09,200
corbell have that have to gain from this

1002
00:42:12,069 --> 00:42:10,880
right what does he have to gain from it

1003
00:42:13,670 --> 00:42:12,079
what does linda molten how i have the

1004
00:42:15,349 --> 00:42:13,680
game from this what does lou have the

1005
00:42:17,030 --> 00:42:15,359
gameplay lou says look i don't make no

1006
00:42:18,870 --> 00:42:17,040
money well wait a minute you just work

1007
00:42:20,710 --> 00:42:18,880
for nothing is that what it is you do

1008
00:42:24,950 --> 00:42:20,720
nothing

1009
00:42:30,069 --> 00:42:27,510
on now linda moulton howe i did an

1010
00:42:32,630 --> 00:42:30,079
excellent interview two weeks ago with

1011
00:42:35,670 --> 00:42:32,640
eric hecker who actually spent a year

1012
00:42:38,309 --> 00:42:35,680
working on the at the south pole and he

1013
00:42:40,710 --> 00:42:38,319

completely destroys her little story of

1014

00:42:42,550 --> 00:42:40,720

what's down there and goes into the

1015

00:42:45,190 --> 00:42:42,560

absolute depths of

1016

00:42:47,829 --> 00:42:45,200

like there are lots of suspicious things

1017

00:42:51,230 --> 00:42:47,839

there is a cave to nowhere but there is

1018

00:42:58,150 --> 00:42:51,240

in no way any signs of this mass

1019

00:43:02,790 --> 00:43:00,150

it's a pretty good indication that her

1020

00:43:05,510 --> 00:43:02,800

source for that story gave a rank saying

1021

00:43:07,750 --> 00:43:05,520

he was a navy seal that is not a navy

1022

00:43:09,109 --> 00:43:07,760

rank he gave an army rank saying that he

1023

00:43:24,630 --> 00:43:09,119

was a navy right

1024

00:43:28,870 --> 00:43:26,870

what gets me is when people uh obviously

1025

00:43:31,990 --> 00:43:28,880

i float around lots of these youtube

1026

00:43:34,870 --> 00:43:32,000

channels is when people state as fact

1027

00:43:36,950 --> 00:43:34,880

there are like 17 alien races and these

1028

00:43:38,630 --> 00:43:36,960

are these you know they live here and

1029

00:43:41,510 --> 00:43:38,640

they live there

1030

00:43:43,430 --> 00:43:41,520

how the hell i mean what

1031

00:43:46,390 --> 00:43:43,440

they really believe this [h__\h] i mean i i

1032

00:43:47,990 --> 00:43:46,400

just it just yes

1033

00:43:50,950 --> 00:43:48,000

you know what i wanted to make mention

1034

00:43:53,030 --> 00:43:50,960

of the antarctica stuff now um anybody

1035

00:43:56,790 --> 00:43:53,040

that really knows how satellites work

1036

00:44:00,710 --> 00:43:59,589

geo-mapping work um you're going to get

1037

00:44:01,990 --> 00:44:00,720

first of all you're going to get the

1038

00:44:03,670 --> 00:44:02,000

stitching you're going to get the

1039

00:44:05,270 --> 00:44:03,680

stitching i don't care you know just the

1040

00:44:07,510 --> 00:44:05,280

way it is it stitches

1041

00:44:10,230 --> 00:44:07,520

how many of those people take out the

1042

00:44:12,550 --> 00:44:10,240

stitches a lot but wait a minute the

1043

00:44:14,870 --> 00:44:12,560

stuff at the polls is very

1044

00:44:17,829 --> 00:44:14,880

it's like at such a low angle you're

1045

00:44:18,710 --> 00:44:17,839

gonna get anomalies almost every single

1046

00:44:21,589 --> 00:44:18,720

time

1047

00:44:23,030 --> 00:44:21,599

and only after like like 30 passes will

1048

00:44:25,109 --> 00:44:23,040

you be able to stitch it together and

1049

00:44:27,190 --> 00:44:25,119

get something that looks kind of cool

1050

00:44:29,670 --> 00:44:27,200

you'll still have so many anomalies so

1051
00:44:31,589 --> 00:44:29,680
i'm glad you brought up the the the the

1052
00:44:32,630 --> 00:44:31,599
pole stuff you know the the south pole

1053
00:44:34,870 --> 00:44:32,640
stuff

1054
00:44:37,430 --> 00:44:34,880
the thing is is that's not accurate to

1055
00:44:39,910 --> 00:44:37,440
go by google earth and say oh look it's

1056
00:44:41,510 --> 00:44:39,920
a ufo i mean look at look how many of

1057
00:44:45,109 --> 00:44:41,520
those are actually like

1058
00:44:53,109 --> 00:44:45,119
frozen lakes or or just a rock form but

1059
00:44:57,190 --> 00:44:55,190
you can't really trust anything on those

1060
00:44:58,950 --> 00:44:57,200
because

1061
00:45:01,270 --> 00:44:58,960
the amount of freezing the good point of

1062
00:45:03,190 --> 00:45:01,280
the lakes and ponds and how ice and

1063
00:45:04,550 --> 00:45:03,200

water will constantly be thawing

1064

00:45:06,309 --> 00:45:04,560

freezing

1065

00:45:07,670 --> 00:45:06,319

all the different things like all the

1066

00:45:10,550 --> 00:45:07,680

time

1067

00:45:12,150 --> 00:45:10,560

picture anomaly with google images

1068

00:45:14,390 --> 00:45:12,160

i want to take a moment to thank rick

1069

00:45:17,270 --> 00:45:14,400

zeitgeist for kind of generous canadian

1070

00:45:17,829 --> 00:45:17,280

10 spot thank you for

1071

00:45:23,109 --> 00:45:17,839

okay kindness your

1072

00:45:32,069 --> 00:45:25,190

can you sing it can you sing it i know

1073

00:45:39,190 --> 00:45:35,430

thanking you for your generosity

1074

00:45:41,589 --> 00:45:39,200

i'm gonna praise the cash so hard i'm

1075

00:45:46,550 --> 00:45:41,599

gonna teleport myself

1076

00:45:47,670 --> 00:45:46,560

on board a sexy tic tac ufo

1077

00:45:53,589 --> 00:45:47,680

thank you

1078

00:45:59,030 --> 00:45:56,470

also also let me let me break in here

1079

00:46:01,109 --> 00:45:59,040

because i have the perfect example of

1080

00:46:03,349 --> 00:46:01,119

what andy was talking about

1081

00:46:05,990 --> 00:46:03,359

uh somebody sent this to me and it's to

1082

00:46:08,150 --> 00:46:06,000

me it's just so goddamn funny it's linda

1083

00:46:10,390 --> 00:46:08,160

molten hal doing a broadcast and look

1084

00:46:15,670 --> 00:46:10,400

how i want to show you how she labels

1085

00:46:17,670 --> 00:46:15,680

one of her exhibits of of uh of evidence

1086

00:46:19,589 --> 00:46:17,680

okay we're going to get to that

1087

00:46:21,510 --> 00:46:19,599

hold on one second here and i'm going to

1088

00:46:23,670 --> 00:46:21,520

cite fair use this is a transformative

1089

00:46:26,150 --> 00:46:23,680

work we're educating the public about

1090

00:46:29,670 --> 00:46:26,160

linda molten hal and and her standards

1091

00:46:31,829 --> 00:46:29,680

of evidence okay so here we go this is

1092

00:46:32,950 --> 00:46:31,839

her broadcast and look she's got this

1093

00:46:35,990 --> 00:46:32,960

picture

1094

00:46:38,390 --> 00:46:36,000

and it's labeled actual photograph of an

1095

00:46:40,390 --> 00:46:38,400

orange gray oh an orange had never heard

1096

00:46:42,309 --> 00:46:40,400

of orange before yeah and her

1097

00:46:44,150 --> 00:46:42,319

presentation is on maybe there's some

1098

00:46:46,710 --> 00:46:44,160

grays that aren't gray

1099

00:46:49,109 --> 00:46:46,720

they're orange

1100

00:46:50,390 --> 00:46:49,119

of the electromagnetic spectrum or even

1101
00:46:53,510 --> 00:46:50,400
more

1102
00:46:57,190 --> 00:46:53,520
those lenses were a two-piece set of

1103
00:46:59,030 --> 00:46:57,200
dark black elliptical eyepieces

1104
00:47:01,829 --> 00:46:59,040
but i don't even want to listen to her

1105
00:47:03,990 --> 00:47:01,839
but what what you know like in what

1106
00:47:06,069 --> 00:47:04,000
world does she think that it's just okay

1107
00:47:07,270 --> 00:47:06,079
to say this is an actual photograph of

1108
00:47:08,829 --> 00:47:07,280
an orange

1109
00:47:10,550 --> 00:47:08,839
gray alien

1110
00:47:12,950 --> 00:47:10,560
mm-hmm

1111
00:47:15,990 --> 00:47:12,960
she's got the photo labeled copyright

1112
00:47:17,750 --> 00:47:16,000
her so she copyrighted this photograph

1113
00:47:20,549 --> 00:47:17,760

so that if somebody else uses it all

1114

00:47:26,870 --> 00:47:20,559

right oh this is not hey this is brand

1115

00:47:31,750 --> 00:47:28,790

actually have white orange skin covered

1116

00:47:34,390 --> 00:47:31,760

by gray nanotech exoskeletons dude i

1117

00:47:36,549 --> 00:47:34,400

think everyone it's not it's such

1118

00:47:38,790 --> 00:47:36,559

nonsense she has more

1119

00:47:42,390 --> 00:47:38,800

she has more species of aliens than

1120

00:47:44,309 --> 00:47:42,400

anybody i know yeah i mean i mean by far

1121

00:47:45,829 --> 00:47:44,319

by far it's like oh there's the white

1122

00:47:47,829 --> 00:47:45,839

grays and then there's a this and

1123

00:47:52,630 --> 00:47:47,839

there's there's yeah yeah yeah

1124

00:47:56,630 --> 00:47:54,549

here's the thing where does she explain

1125

00:47:58,549 --> 00:47:56,640

where she got this picture from and and

1126

00:48:00,470 --> 00:47:58,559

i don't i haven't listened enough to

1127

00:48:02,710 --> 00:48:00,480

know okay somebody sent me this as a

1128

00:48:04,710 --> 00:48:02,720

time stamp and said i can't believe she

1129

00:48:07,270 --> 00:48:04,720

labeled this as a real photograph of an

1130

00:48:09,510 --> 00:48:07,280

alien because she's making money on

1131

00:48:11,990 --> 00:48:09,520

youtube if she can't prove this is a

1132

00:48:14,790 --> 00:48:12,000

real photograph of an alien to me that's

1133

00:48:16,950 --> 00:48:14,800

consumer fraud just like her selling

1134

00:48:18,790 --> 00:48:16,960

behind a paywall a picture of an alien

1135

00:48:21,430 --> 00:48:18,800

from a video game but there's no proof

1136

00:48:22,870 --> 00:48:21,440

we've had no proof ever so i mean yeah

1137

00:48:25,030 --> 00:48:22,880

you know sixth sense when you get a

1138

00:48:26,069 --> 00:48:25,040

check can you just cap that and do a

1139

00:48:28,150 --> 00:48:26,079

reverse

1140

00:48:31,990 --> 00:48:28,160

image search and see if you can find it

1141

00:48:36,069 --> 00:48:33,990

but the link to it and uh

1142

00:48:37,990 --> 00:48:36,079

or or is that sndm put the link in the

1143

00:48:38,790 --> 00:48:38,000

uh in the private chat here all right

1144

00:48:40,870 --> 00:48:38,800

i'm good

1145

00:48:42,630 --> 00:48:40,880

i listened to linda she had some i mean

1146

00:48:45,270 --> 00:48:42,640

i can do it right from here i think it

1147

00:48:47,510 --> 00:48:45,280

was remote viewing the aliens that

1148

00:48:49,190 --> 00:48:47,520

landed and met eisenhower or something

1149

00:48:51,990 --> 00:48:49,200

like that it was wild

1150

00:48:53,750 --> 00:48:52,000

remote viewing of the past it was ufo

1151

00:48:55,510 --> 00:48:53,760

john doe wow

1152

00:48:57,750 --> 00:48:55,520

wow look at that

1153

00:49:00,950 --> 00:48:57,760

john doe and by the way ufo john doe is

1154

00:49:02,549 --> 00:49:00,960

the mvp of the roswell god special event

1155

00:49:03,349 --> 00:49:02,559

he kept throwing money at us the whole

1156

00:49:04,710 --> 00:49:03,359

time

1157

00:49:06,950 --> 00:49:04,720

and here's one of the people who really

1158

00:49:08,390 --> 00:49:06,960

liked it thank you ufo john have you uh

1159

00:49:11,349 --> 00:49:08,400

haven't you looked at our channel yet

1160

00:49:15,990 --> 00:49:13,910

don't be taking my whales

1161

00:49:17,990 --> 00:49:16,000

he says stephen congratulations on the

1162

00:49:19,910 --> 00:49:18,000

road

1163

00:49:21,910 --> 00:49:19,920

i thought you did an amazing job i can't

1164

00:49:23,750 --> 00:49:21,920

imagine how many hours you put in

1165

00:49:25,829 --> 00:49:23,760

small token of my appreciation i hope it

1166

00:49:27,670 --> 00:49:25,839

encourages others to throw in a few

1167

00:49:31,750 --> 00:49:27,680

bones well thank you for your kindness

1168

00:49:34,790 --> 00:49:31,760

your generosity and support

1169

00:49:38,150 --> 00:49:34,800

this is trixie from truth seekers

1170

00:49:42,069 --> 00:49:38,160

thanking you for your generosity

1171

00:49:44,870 --> 00:49:42,079

i'm gonna praise the cash so hard

1172

00:49:48,230 --> 00:49:44,880

you are gonna need a cease and desist

1173

00:49:52,549 --> 00:49:48,240

letter from your fake lawyer to make

1174

00:49:56,150 --> 00:49:53,750

go go

1175

00:49:57,990 --> 00:49:56,160

that of course is a reference to all the

1176
00:50:00,230 --> 00:49:58,000
fake lawyers that have been contacting

1177
00:50:02,150 --> 00:50:00,240
me lately for their clients

1178
00:50:03,910 --> 00:50:02,160
you know we've been getting a bunch of

1179
00:50:05,109 --> 00:50:03,920
them we've been getting a bunch of them

1180
00:50:07,030 --> 00:50:05,119
jesus

1181
00:50:09,190 --> 00:50:07,040
yeah how's your show how's your show

1182
00:50:13,349 --> 00:50:09,200
with anthony actually going andy is and

1183
00:50:16,870 --> 00:50:15,270
we're having fun we're having fun you

1184
00:50:19,670 --> 00:50:16,880
know we've got a nice bunch of people

1185
00:50:20,870 --> 00:50:19,680
there's no [h__\h] animosity there's no

1186
00:50:23,990 --> 00:50:20,880
you know

1187
00:50:26,710 --> 00:50:24,000
bashing people we just want to have fun

1188
00:50:29,670 --> 00:50:26,720

tell some stories uh you know show some

1189

00:50:32,069 --> 00:50:29,680

videos and just have a have a good time

1190

00:50:34,470 --> 00:50:32,079

we're not uh yeah it's it's it is your

1191

00:50:36,549 --> 00:50:34,480

infotainment but you know we we're fine

1192

00:50:38,230 --> 00:50:36,559

with that and uh technically so is what

1193

00:50:39,510 --> 00:50:38,240

i do i don't i don't have any illusions

1194

00:50:41,990 --> 00:50:39,520

about it yeah but we're not

1195

00:50:43,430 --> 00:50:42,000

investigative like you we're we're more

1196

00:50:45,670 --> 00:50:43,440

sort of um

1197

00:50:48,390 --> 00:50:45,680

we you know we like to just

1198

00:50:49,109 --> 00:50:48,400

regurgitate old stories and show some of

1199

00:50:50,950 --> 00:50:49,119

uh

1200

00:50:54,390 --> 00:50:50,960

anthony's

1201
00:50:56,230 --> 00:50:54,400
footage and um and and and really have a

1202
00:50:58,710 --> 00:50:56,240
laugh with the people that join during

1203
00:51:00,309 --> 00:50:58,720
the show and yeah i tune in when i get a

1204
00:51:02,470 --> 00:51:00,319
chance it's always like interesting

1205
00:51:05,430 --> 00:51:02,480
stuff and a good conversation just have

1206
00:51:10,309 --> 00:51:07,510
for saying that though like that you're

1207
00:51:12,870 --> 00:51:10,319
not claiming to try to be something

1208
00:51:13,990 --> 00:51:12,880
other than exactly what you are

1209
00:51:15,270 --> 00:51:14,000
and

1210
00:51:17,750 --> 00:51:15,280
like yeah

1211
00:51:19,670 --> 00:51:17,760
keeping it real just trying to be honest

1212
00:51:21,430 --> 00:51:19,680
and real you know that's it i did a

1213
00:51:23,829 --> 00:51:21,440

search just by taking a screen capture

1214

00:51:26,630 --> 00:51:23,839

of what you have up there already i

1215

00:51:28,790 --> 00:51:26,640

found something from 2014 and some from

1216

00:51:30,309 --> 00:51:28,800

2017. i heard you're trying to set this

1217

00:51:32,230 --> 00:51:30,319

now

1218

00:51:42,870 --> 00:51:32,240

what a freaking spot i'm going to link

1219

00:51:46,630 --> 00:51:44,710

yeah look in two minutes we just

1220

00:51:48,870 --> 00:51:46,640

debunked that this is a real picture of

1221

00:51:50,630 --> 00:51:48,880

an alien what a fraud

1222

00:51:53,030 --> 00:51:50,640

it's a real it's a real picture of a

1223

00:51:53,910 --> 00:51:53,040

fake no but listen i do got to tell you

1224

00:51:59,670 --> 00:51:53,920

this

1225

00:52:02,230 --> 00:51:59,680

wait a minute i'm sorry my vision is

1226
00:52:04,470 --> 00:52:02,240
terrible do gray ets actually have white

1227
00:52:05,510 --> 00:52:04,480
orange skin covered by gray nanotech and

1228
00:52:08,150 --> 00:52:05,520
anyway

1229
00:52:09,750 --> 00:52:08,160
i put this video on and i did watch 20

1230
00:52:11,750 --> 00:52:09,760
minutes of it or something

1231
00:52:15,430 --> 00:52:11,760
and i do have to say this i know why

1232
00:52:18,390 --> 00:52:15,440
she's so popular she's very good speaker

1233
00:52:19,829 --> 00:52:18,400
and she and she tells a great story

1234
00:52:21,670 --> 00:52:19,839
and if you're just looking for a good

1235
00:52:23,990 --> 00:52:21,680
story and you don't care if it's true or

1236
00:52:25,750 --> 00:52:24,000
not then she's very entertaining i'll

1237
00:52:27,270 --> 00:52:25,760
give her that i will give it you know in

1238
00:52:29,230 --> 00:52:27,280

her early days you know she had

1239

00:52:31,670 --> 00:52:29,240

everything this one you know this one in

1240

00:52:35,430 --> 00:52:31,680

2014. actually she cropped it too and

1241

00:52:38,150 --> 00:52:35,440

she spun it a little bit 2014 the let's

1242

00:52:40,309 --> 00:52:38,160

see excellent technologists.com okay

1243

00:52:41,990 --> 00:52:40,319

yeah excellent yeah i just got i just

1244

00:52:44,150 --> 00:52:42,000

went there actually yeah okay yeah the

1245

00:52:46,230 --> 00:52:44,160

thing the thing is is look look it's a

1246

00:52:49,910 --> 00:52:46,240

mega dump look at what the title is it's

1247

00:52:51,270 --> 00:52:49,920

a mega dump of fake [h__h] probably oh my

1248

00:52:53,349 --> 00:52:51,280

god

1249

00:52:54,950 --> 00:52:53,359

i don't understand then how how can she

1250

00:52:57,430 --> 00:52:54,960

take something straight off the internet

1251
00:52:59,270 --> 00:52:57,440
and copyright it fraud

1252
00:53:01,109 --> 00:52:59,280
well maybe it's i think it's an old

1253
00:53:05,030 --> 00:53:01,119
website

1254
00:53:07,430 --> 00:53:05,040
as does david wilcock as does uh steven

1255
00:53:10,549 --> 00:53:07,440
grier and linda moulton how like how do

1256
00:53:13,430 --> 00:53:10,559
all of them have like a thousand people

1257
00:53:15,589 --> 00:53:13,440
watching every time able to do all these

1258
00:53:18,630 --> 00:53:15,599
copyrights it it's like they're

1259
00:53:20,950 --> 00:53:18,640
definitely these paid gate creeper

1260
00:53:23,270 --> 00:53:20,960
trolls there's just no other way

1261
00:53:25,910 --> 00:53:23,280
big tech supporting them like instead of

1262
00:53:27,990 --> 00:53:25,920
how it shadow bans all of us

1263
00:53:30,150 --> 00:53:28,000

yeah somebody should uh copyright

1264

00:53:32,069 --> 00:53:30,160

project surplus okay and then and then

1265

00:53:34,069 --> 00:53:32,079

you go to a further search talks about

1266

00:53:36,150 --> 00:53:34,079

it look you go to further search now you

1267

00:53:37,829 --> 00:53:36,160

take that picture that you found that i

1268

00:53:40,230 --> 00:53:37,839

found from mega

1269

00:53:42,309 --> 00:53:40,240

uh the mega dump there and then put that

1270

00:53:45,270 --> 00:53:42,319

in there too and there's another four

1271

00:53:48,710 --> 00:53:45,280

hits so the thing is is it most of them

1272

00:53:50,630 --> 00:53:48,720

are from 17 17 17 and 19. the thing

1273

00:53:51,430 --> 00:53:50,640

axonologists oh

1274

00:53:53,910 --> 00:53:51,440

yeah

1275

00:53:55,910 --> 00:53:53,920

anyway i think it's it's pronounced zeal

1276

00:53:57,349 --> 00:53:55,920

i think you just have

1277

00:54:00,150 --> 00:53:57,359

the picture that he's got up there on

1278

00:54:02,230 --> 00:54:00,160

the screen i copied the screen i cropped

1279

00:54:04,790 --> 00:54:02,240

it out just to the picture and i sent

1280

00:54:06,069 --> 00:54:04,800

that to tonight and that's what you get

1281

00:54:08,630 --> 00:54:06,079

yeah and that's the same

1282

00:54:11,190 --> 00:54:08,640

so it's very easy it's that easy to

1283

00:54:12,790 --> 00:54:11,200

debunk these [h__h] i'm sorry

1284

00:54:14,870 --> 00:54:12,800

are you going to write her a new email

1285

00:54:16,470 --> 00:54:14,880

stephen yes yes i am

1286

00:54:17,589 --> 00:54:16,480

yes i am

1287

00:54:19,990 --> 00:54:17,599

you should

1288

00:54:23,030 --> 00:54:20,000

let us all digitally sign it from all

1289

00:54:24,870 --> 00:54:23,040

the other channels we all sign it

1290

00:54:26,710 --> 00:54:24,880

i'm going to tell her too remember me

1291

00:54:28,630 --> 00:54:26,720

i'm the guy that sent in that question

1292

00:54:31,349 --> 00:54:28,640

that made you lose your guy oh she hates

1293

00:54:34,470 --> 00:54:33,430

kurt's podcast yeah

1294

00:54:36,630 --> 00:54:34,480

i think

1295

00:54:38,789 --> 00:54:36,640

what she's done is drop the picture into

1296

00:54:40,390 --> 00:54:38,799

google images and if it doesn't show up

1297

00:54:44,789 --> 00:54:40,400

she thinks she's getting away with it

1298

00:54:49,589 --> 00:54:46,230

she'll use her

1299

00:54:52,470 --> 00:54:49,599

i've been uh esteemed journalist for 35

1300

00:54:54,549 --> 00:54:52,480

years and all this crap she does yeah i

1301

00:54:55,750 --> 00:54:54,559

i i enjoyed you know in the early days

1302

00:54:57,910 --> 00:54:55,760

when yeah

1303

00:54:59,349 --> 00:54:57,920

and she she was around and i was younger

1304

00:55:01,030 --> 00:54:59,359

and i thought wow these people are

1305

00:55:03,270 --> 00:55:01,040

amazing they're really doing great work

1306

00:55:04,950 --> 00:55:03,280

but over the years the recent years you

1307

00:55:07,030 --> 00:55:04,960

realize that they're different

1308

00:55:09,589 --> 00:55:07,040

you know what the funniest thing is is

1309

00:55:12,150 --> 00:55:09,599

that when we were talking and and six

1310

00:55:14,309 --> 00:55:12,160

was looking for it i you hear real low i

1311

00:55:18,870 --> 00:55:14,319

heard sort of

1312

00:55:22,150 --> 00:55:20,710

he started cursing

1313

00:55:24,549 --> 00:55:22,160

i don't know if you knew it but you said

1314

00:55:27,190 --> 00:55:24,559

that out loud it was the funniest thing

1315

00:55:29,670 --> 00:55:27,200

but it's it's that simple to do i was

1316

00:55:31,990 --> 00:55:29,680

doing a reverse on the domain but it

1317

00:55:34,470 --> 00:55:32,000

comes up as name cheap like some

1318

00:55:36,309 --> 00:55:34,480

thing and um

1319

00:55:38,150 --> 00:55:36,319

yeah i gotta mention this too i keep

1320

00:55:40,069 --> 00:55:38,160

getting complaints i keep getting

1321

00:55:42,150 --> 00:55:40,079

complaints from the ladies because we

1322

00:55:44,549 --> 00:55:42,160

have these hot chicks and we don't have

1323

00:55:46,309 --> 00:55:44,559

hot dudes but here's what i will say hey

1324

00:55:51,109 --> 00:55:46,319

hey

1325

00:55:53,670 --> 00:55:51,119

dudes like chippendale dancers

1326
00:55:57,190 --> 00:55:53,680
go as a producer and try to find green

1327
00:55:59,109 --> 00:55:57,200
screen images of b of of beefy or videos

1328
00:56:01,670 --> 00:55:59,119
that you could buy of beefy dudes

1329
00:56:03,510 --> 00:56:01,680
dancing you can't buy any i've got a

1330
00:56:05,510 --> 00:56:03,520
hard drive full of them right if you try

1331
00:56:09,109 --> 00:56:05,520
to buy girls dancing you can buy

1332
00:56:11,270 --> 00:56:09,119
hundreds of collections of girls dancing

1333
00:56:13,829 --> 00:56:11,280
if i have to i have a green screen i'm

1334
00:56:15,589 --> 00:56:13,839
gonna hire some big beefy dude to come

1335
00:56:17,430 --> 00:56:15,599
to my house and dance but my wife can't

1336
00:56:19,030 --> 00:56:17,440
be home at the time because i don't like

1337
00:56:21,910 --> 00:56:19,040
competition

1338
00:56:23,430 --> 00:56:21,920

and she might get suspicious

1339

00:56:25,430 --> 00:56:23,440

yeah you gotta watch out for that she

1340

00:56:31,130 --> 00:56:25,440

don't walk in and there's a guy dancing

1341

00:56:31,140 --> 00:56:36,470

[Laughter]

1342

00:56:41,190 --> 00:56:38,950

uh yeah i wanted to mention to ufo john

1343

00:56:43,430 --> 00:56:41,200

doe and everybody else that that gave i

1344

00:56:45,990 --> 00:56:43,440

think we said it was the cap was 30 or

1345

00:56:49,109 --> 00:56:46,000

more for the roswell event or or going

1346

00:56:51,589 --> 00:56:49,119

forward i have those roswell replica

1347

00:56:53,190 --> 00:56:51,599

wreckage pieces just email me i'm going

1348

00:56:54,630 --> 00:56:53,200

to find my uh

1349

00:56:58,150 --> 00:56:54,640

uh let's see

1350

00:57:00,470 --> 00:56:58,160

my email is truthseekershow gmail.com if

1351
00:57:02,069 --> 00:57:00,480
you just email me your mailing address

1352
00:57:03,750 --> 00:57:02,079
i've got everything in an envelope

1353
00:57:05,910 --> 00:57:03,760
monday or tuesday i'm going to mail

1354
00:57:08,309 --> 00:57:05,920
everybody off their free gifts here's my

1355
00:57:09,910 --> 00:57:08,319
email address ufo john doe

1356
00:57:11,829 --> 00:57:09,920
just make sure that you give me your

1357
00:57:13,030 --> 00:57:11,839
full mailing address like you would give

1358
00:57:15,829 --> 00:57:13,040
it to somebody shipping you something

1359
00:57:17,510 --> 00:57:15,839
from ebay or amazon or whatever and i

1360
00:57:19,589 --> 00:57:17,520
promise to everybody that we're not

1361
00:57:21,750 --> 00:57:19,599
sharing anybody's address or anything

1362
00:57:23,589 --> 00:57:21,760
nutty like that i'm just gonna put it on

1363
00:57:25,349 --> 00:57:23,599

the envelope and send you your free gift

1364

00:57:27,349 --> 00:57:25,359

and thanks so much john doe

1365

00:57:28,390 --> 00:57:27,359

very very generous of you big supporter

1366

00:57:30,150 --> 00:57:28,400

of the show

1367

00:57:34,789 --> 00:57:30,160

he's our new he's our new whale

1368

00:57:37,109 --> 00:57:34,799

everybody keep away from him we need him

1369

00:57:43,589 --> 00:57:37,119

he's my new best friend

1370

00:57:44,870 --> 00:57:43,599

no no hey what does anybody think what

1371

00:57:45,670 --> 00:57:44,880

is anybody i don't know can you hear me

1372

00:57:48,069 --> 00:57:45,680

okay

1373

00:57:49,430 --> 00:57:48,079

right i didn't know that switch

1374

00:57:51,430 --> 00:57:49,440

headphones what do you think about the

1375

00:57:52,710 --> 00:57:51,440

travis taylor stuff you know him being

1376

00:58:01,349 --> 00:57:52,720

the head of the

1377

00:58:05,430 --> 00:58:03,589

some of these guys in the uh some of

1378

00:58:08,549 --> 00:58:05,440

these guys in the pentagon just circle

1379

00:58:10,630 --> 00:58:08,559

jerk each other off pretending to be

1380

00:58:12,630 --> 00:58:10,640

investigating ufos while they have other

1381

00:58:15,030 --> 00:58:12,640

jobs or something like he wasn't

1382

00:58:16,549 --> 00:58:15,040

officially working for the pentagon

1383

00:58:18,710 --> 00:58:16,559

somebody just said hey do you want to be

1384

00:58:20,789 --> 00:58:18,720

a science head of this group we're

1385

00:58:22,789 --> 00:58:20,799

forming and he said yes

1386

00:58:24,950 --> 00:58:22,799

i don't think any money was exchanged

1387

00:58:27,510 --> 00:58:24,960

there's no documents showing that he's

1388

00:58:30,470 --> 00:58:27,520

actually studied anything and by the way

1389

00:58:31,910 --> 00:58:30,480

here's another skin walker profiteer

1390

00:58:33,910 --> 00:58:31,920

coming in and

1391

00:58:36,470 --> 00:58:33,920

and claiming to be some big shot for the

1392

00:58:38,870 --> 00:58:36,480

government or investigating ufos for the

1393

00:58:41,829 --> 00:58:38,880

government it's all related

1394

00:58:42,950 --> 00:58:41,839

he did study the tsa materials in his

1395

00:58:44,870 --> 00:58:42,960

garage

1396

00:58:46,630 --> 00:58:44,880

dave beatty had a thread about that

1397

00:58:48,309 --> 00:58:46,640

where he talked to him about it i guess

1398

00:58:50,309 --> 00:58:48,319

in a facebook group or something and he

1399

00:58:52,470 --> 00:58:50,319

posted it he posted all the receipts

1400

00:58:54,950 --> 00:58:52,480

where he talked about borrowing

1401
00:58:56,630 --> 00:58:54,960
equipment from the army because they

1402
00:58:58,710 --> 00:58:56,640
didn't want to touch it or take it

1403
00:59:00,950 --> 00:58:58,720
because of the stigma and all that and

1404
00:59:02,390 --> 00:59:00,960
the optics of it

1405
00:59:05,109 --> 00:59:02,400
there's a whole thing of that because

1406
00:59:06,630 --> 00:59:05,119
according to uh according to ttsa

1407
00:59:08,950 --> 00:59:06,640
documents they got paid more than a

1408
00:59:11,030 --> 00:59:08,960
million dollars to do some kind of study

1409
00:59:13,990 --> 00:59:11,040
of that material for the army

1410
00:59:16,230 --> 00:59:14,000
so did he did he get did tom delong and

1411
00:59:18,230 --> 00:59:16,240
him get paid a million dollars to like

1412
00:59:19,829 --> 00:59:18,240
to work on something in his garage

1413
00:59:22,950 --> 00:59:19,839

because if so i have a problem with that

1414

00:59:25,510 --> 00:59:22,960

as a taxpayer you know yeah man

1415

00:59:27,910 --> 00:59:25,520

i think i saw also that they deleted

1416

00:59:30,069 --> 00:59:27,920

ttsa deleted that video

1417

00:59:32,549 --> 00:59:30,079

like elizondo and put off and all those

1418

00:59:35,510 --> 00:59:32,559

people talking to the crowd

1419

00:59:39,589 --> 00:59:37,670

yeah yeah but we have copies i'm going

1420

00:59:41,270 --> 00:59:39,599

to post a copy of it here actually now

1421

00:59:43,430 --> 00:59:41,280

that you mention it i'm going to say for

1422

00:59:45,589 --> 00:59:43,440

history's sake you can't delete this off

1423

00:59:47,190 --> 00:59:45,599

the internet we'll put it here you know

1424

00:59:50,150 --> 00:59:47,200

i remember when

1425

00:59:51,510 --> 00:59:50,160

travis taylor was was on ancient aliens

1426

00:59:54,069 --> 00:59:51,520

years ago

1427

00:59:56,870 --> 00:59:54,079

uh and he was like i'm not a believer in

1428

00:59:59,030 --> 00:59:56,880

ua ufos at the time the uaps hadn't been

1429

01:00:01,750 --> 00:59:59,040

invented at that point

1430

01:00:03,990 --> 01:00:01,760

uh and now he's saying he's seeing you

1431

01:00:05,270 --> 01:00:04,000

uaps all over the place on skinwalker

1432

01:00:07,670 --> 01:00:05,280

and

1433

01:00:10,069 --> 01:00:07,680

uh he seems to be believe a believer now

1434

01:00:11,510 --> 01:00:10,079

so here's here he that's i don't know

1435

01:00:13,510 --> 01:00:11,520

now i don't want to jump on that

1436

01:00:15,990 --> 01:00:13,520

bandwagon and everybody hated on them or

1437

01:00:18,150 --> 01:00:16,000

they like them oh no i've got

1438

01:00:19,109 --> 01:00:18,160

no no i'm just thinking it's just that

1439

01:00:22,230 --> 01:00:19,119

like

1440

01:00:23,589 --> 01:00:22,240

it it's just it just is a little strange

1441

01:00:26,309 --> 01:00:23,599

because

1442

01:00:28,630 --> 01:00:26,319

like now anything i thought about and

1443

01:00:30,950 --> 01:00:28,640

it's not just because it's travis taylor

1444

01:00:33,109 --> 01:00:30,960

it's it's that if any kind of research

1445

01:00:35,109 --> 01:00:33,119

they were doing anytime a government

1446

01:00:37,109 --> 01:00:35,119

person is now involved

1447

01:00:39,270 --> 01:00:37,119

i feel that anything of significance

1448

01:00:41,270 --> 01:00:39,280

won't ever make it out

1449

01:00:42,470 --> 01:00:41,280

yeah it'll just be

1450

01:00:45,109 --> 01:00:42,480

that's it yeah

1451

01:00:47,349 --> 01:00:45,119

yeah it's similar to uh the galileo

1452

01:00:48,950 --> 01:00:47,359

project right you know excellent as soon

1453

01:00:51,510 --> 01:00:48,960

as they announced that they were letting

1454

01:00:53,829 --> 01:00:51,520

certain people on that's it that yeah

1455

01:00:58,230 --> 01:00:56,470

questions are wild man like the conflict

1456

01:00:59,430 --> 01:00:58,240

of interest and

1457

01:01:03,589 --> 01:00:59,440

yeah

1458

01:01:05,190 --> 01:01:03,599

look i wanna uh who is that though oh

1459

01:01:07,670 --> 01:01:05,200

god now i gotta remember his freaking

1460

01:01:10,230 --> 01:01:07,680

name there uh load loab

1461

01:01:14,950 --> 01:01:10,240

uh

1462

01:01:17,589 --> 01:01:14,960

research on him years and years ago and

1463

01:01:19,270 --> 01:01:17,599

stuff and uh that was when that was uh

1464

01:01:21,270 --> 01:01:19,280

the amua

1465

01:01:24,069 --> 01:01:21,280

now the thing then that's just what i

1466

01:01:27,270 --> 01:01:24,079

found is was the conflict of interest he

1467

01:01:28,230 --> 01:01:27,280

was into or he was the chair for a light

1468

01:01:32,710 --> 01:01:28,240

sale

1469

01:01:35,349 --> 01:01:32,720

company or corporation or whatever for

1470

01:01:37,510 --> 01:01:35,359

uh obviously for that reason so why

1471

01:01:39,349 --> 01:01:37,520

wouldn't he just push that

1472

01:01:41,270 --> 01:01:39,359

was was uh

1473

01:01:43,030 --> 01:01:41,280

being propelled by this and stuff you

1474

01:01:43,829 --> 01:01:43,040

know there was so much things the thing

1475

01:01:48,710 --> 01:01:43,839

is

1476

01:01:50,150 --> 01:01:48,720

doesn't look like that

1477

01:01:51,510 --> 01:01:50,160

it doesn't look like the first they

1478

01:01:53,109 --> 01:01:51,520

originally said it didn't look like a

1479

01:01:55,349 --> 01:01:53,119

cigar shape and then they said well it's

1480

01:01:57,510 --> 01:01:55,359

more like a blob well

1481

01:01:59,829 --> 01:01:57,520

here's the thing though there is a

1482

01:02:01,990 --> 01:01:59,839

conflict of interest and and i thought

1483

01:02:04,150 --> 01:02:02,000

for a little while there that avi loeb

1484

01:02:06,150 --> 01:02:04,160

actually come clean you know

1485

01:02:08,390 --> 01:02:06,160

and he wasn't speaking of the solar sail

1486

01:02:09,990 --> 01:02:08,400

stuff until like not so long ago a

1487

01:02:11,910 --> 01:02:10,000

couple weeks ago i seen some video on

1488

01:02:13,750 --> 01:02:11,920

him and i was like dude you're coming

1489

01:02:15,750 --> 01:02:13,760

back with this again

1490

01:02:17,190 --> 01:02:15,760

here here it is are you still the chair

1491

01:02:19,190 --> 01:02:17,200

i should really check are you still the

1492

01:02:22,069 --> 01:02:19,200

chair for that for that company that

1493

01:02:24,950 --> 01:02:22,079

sells or is looking to get funding for

1494

01:02:28,150 --> 01:02:24,960

these solar sales and that's it it comes

1495

01:02:29,349 --> 01:02:28,160

down to money follow the money that's

1496

01:02:32,390 --> 01:02:29,359

what it is

1497

01:02:33,349 --> 01:02:32,400

i mean how many times is that so true

1498

01:02:35,910 --> 01:02:33,359

you know

1499

01:02:37,670 --> 01:02:35,920

it is the truth when i heard avi lobe in

1500

01:02:39,029 --> 01:02:37,680

that and i was like oh god really are

1501
01:02:40,630 --> 01:02:39,039
you kidding me and then they had a

1502
01:02:42,230 --> 01:02:40,640
couple other jokers and i'm like oh

1503
01:02:44,150 --> 01:02:42,240
really

1504
01:02:46,309 --> 01:02:44,160
it's got to be for wait

1505
01:02:47,829 --> 01:02:46,319
it's for money or funding or or just

1506
01:02:49,029 --> 01:02:47,839
this information one of the other or

1507
01:02:51,029 --> 01:02:49,039
both when

1508
01:02:53,510 --> 01:02:51,039
when you're talking about the videos

1509
01:02:55,510 --> 01:02:53,520
about him pushing uh solar sails and all

1510
01:02:56,710 --> 01:02:55,520
that stuff i can link it here i can find

1511
01:02:58,950 --> 01:02:56,720
the link

1512
01:03:01,109 --> 01:02:58,960
i'm just curious would that have uh been

1513
01:03:04,309 --> 01:03:01,119

around 2014

1514

01:03:05,990 --> 01:03:04,319

oh when he when he when he was the chair

1515

01:03:07,510 --> 01:03:06,000

that's a good question let me let me

1516

01:03:09,910 --> 01:03:07,520

find the link it'll take me a moment but

1517

01:03:13,349 --> 01:03:09,920

i i document all this [h__h] there's a

1518

01:03:15,029 --> 01:03:13,359

paper there's a paper that was held back

1519

01:03:17,829 --> 01:03:15,039

from being peer reviewed the government

1520

01:03:20,230 --> 01:03:17,839

held it back it was avi loeb and a

1521

01:03:21,910 --> 01:03:20,240

student at harvard released a paper in

1522

01:03:25,589 --> 01:03:21,920

2014

1523

01:03:26,789 --> 01:03:25,599

about uh an interstellar object that

1524

01:03:29,510 --> 01:03:26,799

bro like

1525

01:03:31,750 --> 01:03:29,520

landed in pieces into the pacific ocean

1526

01:03:34,230 --> 01:03:31,760

and then now they connected it to that

1527

01:03:35,109 --> 01:03:34,240

it was probably a piece of mammal

1528

01:03:39,349 --> 01:03:35,119

so yeah

1529

01:03:43,349 --> 01:03:41,510

to see if they could find it or

1530

01:03:45,430 --> 01:03:43,359

locate it wrong you would i think you

1531

01:03:46,870 --> 01:03:45,440

were talking about it on our show

1532

01:03:49,510 --> 01:03:46,880

now now see

1533

01:03:51,510 --> 01:03:49,520

see the thing is is with avi loeb if you

1534

01:03:53,190 --> 01:03:51,520

look into his past none of the

1535

01:03:55,829 --> 01:03:53,200

professors they're like them they're

1536

01:03:58,309 --> 01:03:55,839

like he's freaking rogue man i mean i

1537

01:04:00,470 --> 01:03:58,319

can understand and this is his words his

1538

01:04:02,630 --> 01:04:00,480

own words was like you gotta you gotta

1539

01:04:05,190 --> 01:04:02,640

look out of the box i i can see that and

1540

01:04:07,430 --> 01:04:05,200

i can totally agree with that that don't

1541

01:04:09,510 --> 01:04:07,440

just deal with what we have that's set

1542

01:04:12,630 --> 01:04:09,520

in stone right i can totally agree with

1543

01:04:14,950 --> 01:04:12,640

that but everything he says is like

1544

01:04:17,270 --> 01:04:14,960

totally contradictory to the to the laws

1545

01:04:18,470 --> 01:04:17,280

of physics that that that we know i mean

1546

01:04:20,309 --> 01:04:18,480

you know what you've got to keep in mind

1547

01:04:23,190 --> 01:04:20,319

with ruby loeb is that

1548

01:04:25,109 --> 01:04:23,200

he's you know he's an astrophysicist

1549

01:04:27,510 --> 01:04:25,119

which basically means he's a college

1550

01:04:30,150 --> 01:04:27,520

teacher they don't make

1551
01:04:32,710 --> 01:04:30,160
that much money so don't you think that

1552
01:04:35,829 --> 01:04:32,720
like after he tasted some of this alien

1553
01:04:37,910 --> 01:04:35,839
money with that first book right right

1554
01:04:40,069 --> 01:04:37,920
he went all chips in because that first

1555
01:04:42,549 --> 01:04:40,079
book was the best seller like he yeah he

1556
01:04:43,910 --> 01:04:42,559
made probably a few million on that

1557
01:04:45,510 --> 01:04:43,920
first book

1558
01:04:46,870 --> 01:04:45,520
and if you're making if you're making a

1559
01:04:49,029 --> 01:04:46,880
hundred hundred and fifty thousand

1560
01:04:51,349 --> 01:04:49,039
dollars a year and suddenly

1561
01:04:52,789 --> 01:04:51,359
you've got a couple million dollar day

1562
01:04:54,470 --> 01:04:52,799
you're gonna you're gonna gravitate

1563
01:04:56,309 --> 01:04:54,480

towards whatever got you that payday so

1564

01:04:58,870 --> 01:04:56,319

now you've got chips in on the aliens

1565

01:05:01,029 --> 01:04:58,880

man all the free publicity on every

1566

01:05:03,510 --> 01:05:01,039

freaking news network talking about what

1567

01:05:06,069 --> 01:05:03,520

about better way to push a book yeah

1568

01:05:07,910 --> 01:05:06,079

yeah yeah well yeah hey but talking

1569

01:05:10,150 --> 01:05:07,920

about books what's happened to lose book

1570

01:05:12,390 --> 01:05:10,160

i thought it would be out by now

1571

01:05:14,230 --> 01:05:12,400

i think it'll be

1572

01:05:16,150 --> 01:05:14,240

i think it's gonna it'll be out six

1573

01:05:19,829 --> 01:05:16,160

months

1574

01:05:24,390 --> 01:05:19,839

new nbaa is signed with the immunity

1575

01:05:26,309 --> 01:05:24,400

so he can brag about what he did to him

1576

01:05:27,829 --> 01:05:26,319

breadcrumbs because he's talking about

1577

01:05:29,670 --> 01:05:27,839

he said when i when the book comes out

1578

01:05:31,829 --> 01:05:29,680

it'll explain so everyone will

1579

01:05:33,670 --> 01:05:31,839

understand why i did what i did

1580

01:05:35,510 --> 01:05:33,680

you're right because

1581

01:05:38,630 --> 01:05:35,520

anybody with clearance

1582

01:05:40,470 --> 01:05:38,640

anybody with with an elevated clearance

1583

01:05:43,109 --> 01:05:40,480

needs to first send that book through

1584

01:05:44,789 --> 01:05:43,119

and it happens in in the upper echelons

1585

01:05:46,710 --> 01:05:44,799

of government you have to send that to

1586

01:05:49,270 --> 01:05:46,720

the government to go review and see hey

1587

01:05:50,470 --> 01:05:49,280

are you giving up secrets yeah

1588

01:05:51,910 --> 01:05:50,480

all right yeah

1589

01:05:53,910 --> 01:05:51,920

you know you have to get it reviewed

1590

01:05:55,990 --> 01:05:53,920

first

1591

01:05:59,109 --> 01:05:56,000

a lot of it being redacted no doubt as

1592

01:06:01,589 --> 01:05:59,119

well right yeah yeah watch this book his

1593

01:06:09,670 --> 01:06:01,599

book is 99 percent of redacted black

1594

01:06:13,270 --> 01:06:11,349

i don't know if anybody saw the top gun

1595

01:06:15,829 --> 01:06:13,280

movie or saw that

1596

01:06:18,309 --> 01:06:15,839

hypersonic playing the dark star china

1597

01:06:19,750 --> 01:06:18,319

actually repositioned satellites to

1598

01:06:22,150 --> 01:06:19,760

watch lockheed build it because they

1599

01:06:23,990 --> 01:06:22,160

thought it was a real plane so my

1600

01:06:27,510 --> 01:06:24,000

thought is what if all this is like with

1601

01:06:30,710 --> 01:06:27,520

ttsa and liu is just to get

1602

01:06:33,589 --> 01:06:30,720

access to be able to build crop planes

1603

01:06:36,630 --> 01:06:33,599

for hollywood he said you know luke has

1604

01:06:38,630 --> 01:06:36,640

complained about only one company is

1605

01:06:40,230 --> 01:06:38,640

is allowed to do all this stuff you know

1606

01:06:42,549 --> 01:06:40,240

and lockheed builds all these fake

1607

01:06:44,150 --> 01:06:42,559

planes for these crazy it's just a crazy

1608

01:06:45,990 --> 01:06:44,160

conspiracy thought that i have well not

1609

01:06:48,630 --> 01:06:46,000

only that hilarious but the aerospace

1610

01:06:50,710 --> 01:06:48,640

companies suck billions and trillions of

1611

01:06:52,630 --> 01:06:50,720

dollars out of the us budget for planes

1612

01:06:55,670 --> 01:06:52,640

that never make it to production yeah

1613

01:06:57,349 --> 01:06:55,680

look look up the a12 avenger amazing

1614

01:06:58,390 --> 01:06:57,359

plane but they

1615

01:07:00,309 --> 01:06:58,400

they

1616

01:07:03,029 --> 01:07:00,319

never produced more than a than a fl

1617

01:07:05,190 --> 01:07:03,039

than than a flight test prototype for it

1618

01:07:08,150 --> 01:07:05,200

uh or several like maybe two or three

1619

01:07:09,910 --> 01:07:08,160

planes trillions of dollars from the

1620

01:07:11,190 --> 01:07:09,920

budget and they never

1621

01:07:13,190 --> 01:07:11,200

still wanted to

1622

01:07:15,510 --> 01:07:13,200

get the trillions that were missing just

1623

01:07:17,029 --> 01:07:15,520

before 9 11. notice how that's never

1624

01:07:19,270 --> 01:07:17,039

been brought up again

1625

01:07:21,510 --> 01:07:19,280

here i went ahead and i found that link

1626
01:07:22,870 --> 01:07:21,520
where avi loeb is named the chairman of

1627
01:07:24,950 --> 01:07:22,880
breakthrough

1628
01:07:27,270 --> 01:07:24,960
uh starshot advisory committee at

1629
01:07:29,670 --> 01:07:27,280
harvard university now and if you look

1630
01:07:31,430 --> 01:07:29,680
at that he's the chair for this and they

1631
01:07:33,190 --> 01:07:31,440
were accepting there's other links

1632
01:07:35,349 --> 01:07:33,200
within there that you can look at too

1633
01:07:37,589 --> 01:07:35,359
but here's the thing look you're

1634
01:07:39,190 --> 01:07:37,599
promoting this thing while at the same

1635
01:07:41,670 --> 01:07:39,200
time you are the chair of something that

1636
01:07:42,390 --> 01:07:41,680
can it can can benefit from this you

1637
01:07:43,990 --> 01:07:42,400
know

1638
01:07:45,670 --> 01:07:44,000

i think and this is this is the here's

1639

01:07:47,510 --> 01:07:45,680

the deal it's a huge conflict of

1640

01:07:49,029 --> 01:07:47,520

interest yeah here's the thing with

1641

01:07:51,510 --> 01:07:49,039

youtube i'll tell you just what happened

1642

01:07:53,910 --> 01:07:51,520

with this video i go ahead and just

1643

01:07:57,270 --> 01:07:53,920

because i said a few choice words about

1644

01:07:58,950 --> 01:07:57,280

him being a piece of [h__h] right

1645

01:08:01,109 --> 01:07:58,960

all of a sudden

1646

01:08:04,950 --> 01:08:01,119

or something or [h__h] something stupid

1647

01:08:09,670 --> 01:08:08,309

lots of f-bombs i might lose 17 pennies

1648

01:08:11,990 --> 01:08:09,680

because i'll let

1649

01:08:14,309 --> 01:08:12,000

because you said the f word but i need

1650

01:08:16,390 --> 01:08:14,319

those ready

1651
01:08:19,510 --> 01:08:16,400
even though i'm promoting truth and i'm

1652
01:08:22,309 --> 01:08:19,520
showing people and i link everything

1653
01:08:24,309 --> 01:08:22,319
it doesn't matter it doesn't even matter

1654
01:08:27,349 --> 01:08:24,319
i don't want to know they don't they

1655
01:08:30,070 --> 01:08:27,359
don't want people to know apparently

1656
01:08:31,990 --> 01:08:30,080
you know so so here it is i document so

1657
01:08:34,070 --> 01:08:32,000
much [h__\h] you know and people think that

1658
01:08:35,910 --> 01:08:34,080
they're going to get away i'll go oh oh

1659
01:08:38,390 --> 01:08:35,920
you wanted to date on that

1660
01:08:40,870 --> 01:08:38,400
um i don't uh

1661
01:08:43,510 --> 01:08:40,880
uh let's see don't look don't go crazy

1662
01:08:45,590 --> 01:08:43,520
but if every whenever you do come by to

1663
01:08:47,749 --> 01:08:45,600

something just think one uh take note if

1664

01:08:49,669 --> 01:08:47,759

it was like 2014 or something like that

1665

01:08:51,669 --> 01:08:49,679

yeah when when did he originally do it

1666

01:08:53,510 --> 01:08:51,679

right yeah i don't have that but but

1667

01:08:56,149 --> 01:08:53,520

here's the thing though you know

1668

01:08:58,550 --> 01:08:56,159

once i heard his freaking name he says

1669

01:09:01,510 --> 01:08:58,560

no way that's no way this guy is in on

1670

01:09:03,189 --> 01:09:01,520

that but like like steven said you know

1671

01:09:04,070 --> 01:09:03,199

once he once he got the taste of that

1672

01:09:06,309 --> 01:09:04,080

blood

1673

01:09:08,630 --> 01:09:06,319

oh yeah there you go there you go game

1674

01:09:10,229 --> 01:09:08,640

over how many how often do i have to say

1675

01:09:11,269 --> 01:09:10,239

this though i have to say this in his

1676

01:09:13,910 --> 01:09:11,279

defense

1677

01:09:17,030 --> 01:09:13,920

he gives some very compelling scientific

1678

01:09:24,070 --> 01:09:17,040

evidence that a muammar is not just a

1679

01:09:27,590 --> 01:09:25,990

here's the thing here first of all he's

1680

01:09:29,269 --> 01:09:27,600

like head of the astronomy and all that

1681

01:09:31,110 --> 01:09:29,279

in harvard but

1682

01:09:34,550 --> 01:09:31,120

the thing is this right so with a

1683

01:09:36,470 --> 01:09:34,560

movement that's traveling at uh a little

1684

01:09:39,349 --> 01:09:36,480

over a hundred thousand miles an hour

1685

01:09:40,950 --> 01:09:39,359

right but now if it passes we didn't

1686

01:09:42,789 --> 01:09:40,960

take notice of it

1687

01:09:43,829 --> 01:09:42,799

so now when

1688

01:09:46,630 --> 01:09:43,839

it's

1689

01:09:48,870 --> 01:09:46,640

when it makes its orbit around the sun

1690

01:09:52,470 --> 01:09:48,880

and it's headed back out

1691

01:09:55,430 --> 01:09:52,480

they don't speed up this thing sped up

1692

01:09:56,870 --> 01:09:55,440

yeah okay and with no notable signs of

1693

01:09:59,189 --> 01:09:56,880

like you know like they

1694

01:10:02,390 --> 01:09:59,199

some will just say because a lot of

1695

01:10:04,630 --> 01:10:02,400

scientists like stick in one realm right

1696

01:10:06,070 --> 01:10:04,640

away labeled him oh he's one of those

1697

01:10:08,070 --> 01:10:06,080

nuts or whatever

1698

01:10:09,910 --> 01:10:08,080

and they just said oh it must be a com

1699

01:10:11,910 --> 01:10:09,920

without no proof or nothing they just

1700

01:10:14,149 --> 01:10:11,920

said it's a comment okay okay think

1701

01:10:17,910 --> 01:10:14,159

think of it like this all right okay now

1702

01:10:20,630 --> 01:10:17,920

these these uh rocks

1703

01:10:22,070 --> 01:10:20,640

in space um have gases in them and stuff

1704

01:10:24,790 --> 01:10:22,080

now think of it like this and it did

1705

01:10:25,830 --> 01:10:24,800

pass by the sun really really close now

1706

01:10:28,709 --> 01:10:25,840

here's the thing

1707

01:10:31,030 --> 01:10:28,719

right so it heated up now all the gas is

1708

01:10:33,669 --> 01:10:31,040

starting to escape so why not think that

1709

01:10:35,110 --> 01:10:33,679

that's the reason why

1710

01:10:36,950 --> 01:10:35,120

i i don't know i know what you're

1711

01:10:39,430 --> 01:10:36,960

getting at i don't have the numbers on

1712

01:10:41,030 --> 01:10:39,440

it but no no but here's the thing i i

1713

01:10:42,630 --> 01:10:41,040

get what you're saying there because i

1714

01:10:44,709 --> 01:10:42,640

thought of the slingshot effect i

1715

01:10:45,830 --> 01:10:44,719

thought about the gases with the sun and

1716

01:10:48,390 --> 01:10:45,840

everything

1717

01:10:50,870 --> 01:10:48,400

um it's a couple of things first first

1718

01:10:52,950 --> 01:10:50,880

of all the common thing why is the comet

1719

01:10:54,229 --> 01:10:52,960

as close as that thing came i don't

1720

01:10:57,189 --> 01:10:54,239

think it would have made it but here

1721

01:11:00,070 --> 01:10:57,199

when i say sped up it's not that it came

1722

01:11:00,870 --> 01:11:00,080

around the sun and just started healing

1723

01:11:01,990 --> 01:11:00,880

no

1724

01:11:08,870 --> 01:11:02,000

it was

1725

01:11:11,590 --> 01:11:08,880

of space right now this is way after

1726

01:11:13,350 --> 01:11:11,600

it's gone and then sped up

1727

01:11:15,510 --> 01:11:13,360

and then slowed down

1728

01:11:17,830 --> 01:11:15,520

yeah but you still you still have uh the

1729

01:11:19,830 --> 01:11:17,840

newton's law it's the example but here's

1730

01:11:22,229 --> 01:11:19,840

the thing with that i understand that

1731

01:11:24,310 --> 01:11:22,239

but with the vacuum of space

1732

01:11:25,350 --> 01:11:24,320

when you speed up

1733

01:11:27,990 --> 01:11:25,360

right

1734

01:11:29,590 --> 01:11:28,000

now for you to stop you need you know

1735

01:11:31,510 --> 01:11:29,600

that old saying about

1736

01:11:33,270 --> 01:11:31,520

every action has an opposite or whatever

1737

01:11:35,590 --> 01:11:33,280

it was the same thing

1738

01:11:37,510 --> 01:11:35,600

yeah so it's the same thing when you

1739

01:11:38,950 --> 01:11:37,520

sped up there's nothing going to stop

1740

01:11:41,189 --> 01:11:38,960

that and slow it down unless they hit

1741

01:11:43,910 --> 01:11:41,199

something or something

1742

01:11:46,870 --> 01:11:43,920

interacts comes out exactly so that's

1743

01:11:49,030 --> 01:11:46,880

the thing it was doing weird stuff you

1744

01:11:50,790 --> 01:11:49,040

know what i mean now getting slowed down

1745

01:11:53,189 --> 01:11:50,800

in the radiation belt or something like

1746

01:11:55,350 --> 01:11:53,199

that now do i think that was an alien

1747

01:11:57,750 --> 01:11:55,360

probe i don't think that's what it may

1748

01:11:59,590 --> 01:11:57,760

have been but then again here's this is

1749

01:12:01,669 --> 01:11:59,600

the one thing i think about right so

1750

01:12:03,910 --> 01:12:01,679

because we all we say oh this sounds

1751

01:12:07,510 --> 01:12:03,920

silly but nothing's really silly

1752

01:12:09,590 --> 01:12:07,520

it's this you know how we experiment uh

1753

01:12:11,510 --> 01:12:09,600

we have the little petri dishes right

1754

01:12:13,270 --> 01:12:11,520

and we look at these tiny little

1755

01:12:16,709 --> 01:12:13,280

microbes

1756

01:12:18,870 --> 01:12:16,719

right so small and everything and

1757

01:12:20,630 --> 01:12:18,880

what's this what's this and they don't

1758

01:12:22,950 --> 01:12:20,640

have no idea where they at least we

1759

01:12:25,110 --> 01:12:22,960

don't think they do right let's just say

1760

01:12:26,630 --> 01:12:25,120

we're not in a petri dish

1761

01:12:28,070 --> 01:12:26,640

yeah i've heard that i've heard that

1762

01:12:29,590 --> 01:12:28,080

i've heard that before in fact there's a

1763

01:12:32,630 --> 01:12:29,600

i think there's a twilight zone uh

1764

01:12:34,550 --> 01:12:32,640

episode about that

1765

01:12:37,270 --> 01:12:34,560

and i've heard it before too and i've

1766

01:12:40,550 --> 01:12:37,280

thought of this and trust me trust me i

1767

01:12:42,550 --> 01:12:40,560

do look outside the box at times and and

1768

01:12:45,590 --> 01:12:42,560

i've always been interested in physics

1769

01:12:47,430 --> 01:12:45,600

ever since i was a little child stars

1770

01:12:49,590 --> 01:12:47,440

the planets the solar system the

1771

01:12:52,390 --> 01:12:49,600

universe in general right so i've always

1772

01:12:55,189 --> 01:12:52,400

been into that now now the thing is is

1773

01:12:58,149 --> 01:12:55,199

is i've thought and at one point and i i

1774

01:13:00,550 --> 01:12:58,159

still can't prove it but i thought look

1775

01:13:02,310 --> 01:13:00,560

if you look at the molec the molecule

1776

01:13:05,830 --> 01:13:02,320

right okay you got electrons flying

1777

01:13:08,630 --> 01:13:05,840

around uh a mass right the neutrons and

1778

01:13:11,669 --> 01:13:08,640

protons okay now what's that how is that

1779

01:13:14,709 --> 01:13:11,679

any different than our earth with a moon

1780

01:13:15,669 --> 01:13:14,719

or our earth around the sun i mean it's

1781

01:13:19,270 --> 01:13:15,679

kind of the

1782

01:13:21,590 --> 01:13:19,280

same general concept but on a what much

1783

01:13:24,470 --> 01:13:21,600

extremely large scale i mean

1784

01:13:27,270 --> 01:13:24,480

at least what it is lara

1785

01:13:29,750 --> 01:13:27,280

can't prove that that we are like you

1786

01:13:31,669 --> 01:13:29,760

said we are in the petri disc and trust

1787

01:13:33,990 --> 01:13:31,679

me i've thought of that i've thought of

1788

01:13:36,390 --> 01:13:34,000

that but i can't prove it so my thought

1789

01:13:39,110 --> 01:13:36,400

is a theory and not i can't say it it's

1790

01:13:41,110 --> 01:13:39,120

true it's similar to the whole

1791

01:13:43,910 --> 01:13:41,120

matrix idea as well that we're living in

1792

01:13:45,350 --> 01:13:43,920

a simulation you know but

1793

01:13:47,270 --> 01:13:45,360

it feels like it

1794

01:13:49,990 --> 01:13:47,280

sometimes the reason the reason i say

1795

01:13:51,990 --> 01:13:50,000

the petri dish too is like you know when

1796

01:13:53,430 --> 01:13:52,000

we see all these like andy it's funny he

1797

01:13:54,709 --> 01:13:53,440

just said that like the matrix we see

1798

01:13:56,470 --> 01:13:54,719

all these little kinks when we talk

1799

01:13:58,550 --> 01:13:56,480

about well maybe something from a

1800

01:14:01,189 --> 01:13:58,560

dimension popped in or we see it's these

1801
01:14:02,070 --> 01:14:01,199
weird things happen these phenomena and

1802
01:14:04,870 --> 01:14:02,080
stuff

1803
01:14:07,430 --> 01:14:04,880
that could be the little parts of like

1804
01:14:08,709 --> 01:14:07,440
and of course you know not so anybody

1805
01:14:10,390 --> 01:14:08,719
out there i don't mean literally we're

1806
01:14:11,750 --> 01:14:10,400
in a petri dish but then again you never

1807
01:14:14,310 --> 01:14:11,760
know but

1808
01:14:17,110 --> 01:14:14,320
i'm just saying it's like we may be

1809
01:14:18,310 --> 01:14:17,120
microscopic to some other entity

1810
01:14:20,229 --> 01:14:18,320
something else

1811
01:14:22,630 --> 01:14:20,239
these things that we see

1812
01:14:25,430 --> 01:14:22,640
could just be i don't know it's just

1813
01:14:28,070 --> 01:14:25,440

that it's hard to think about it because

1814

01:14:29,910 --> 01:14:28,080

like you know we're concept it's another

1815

01:14:31,669 --> 01:14:29,920

dimension right it's definitely

1816

01:14:33,990 --> 01:14:31,679

sort of a layer of dimensions that we

1817

01:14:35,110 --> 01:14:34,000

could be you know we can't see

1818

01:14:36,470 --> 01:14:35,120

but it's just

1819

01:14:38,310 --> 01:14:36,480

so big

1820

01:14:41,110 --> 01:14:38,320

see but look at the likely the

1821

01:14:42,950 --> 01:14:41,120

likelihood of there being microscopic

1822

01:14:44,870 --> 01:14:42,960

life in the universe is probably

1823

01:14:47,510 --> 01:14:44,880

astounding the numbers are probably

1824

01:14:49,669 --> 01:14:47,520

saying it's out there somewhere but i

1825

01:14:52,630 --> 01:14:49,679

can't find it and i can't find it in my

1826

01:14:54,470 --> 01:14:52,640

heart and not just in my brain

1827

01:14:56,950 --> 01:14:54,480

that that there's something that looks

1828

01:14:58,870 --> 01:14:56,960

similar to us even close to us i mean

1829

01:15:01,110 --> 01:14:58,880

look at look at the depths of the ocean

1830

01:15:02,229 --> 01:15:01,120

those creatures they don't even look

1831

01:15:05,669 --> 01:15:02,239

real

1832

01:15:08,390 --> 01:15:05,679

chance something from

1833

01:15:11,110 --> 01:15:08,400

40 million light years away you know but

1834

01:15:13,430 --> 01:15:11,120

it's also crazy that that we only know

1835

01:15:15,110 --> 01:15:13,440

like ten percent of the oceans why

1836

01:15:16,950 --> 01:15:15,120

why are we going into space when we

1837

01:15:18,390 --> 01:15:16,960

haven't actually explored the rest of

1838

01:15:20,510 --> 01:15:18,400

the world it's more dangerous that's

1839

01:15:35,940 --> 01:15:20,520

terrifying

1840

01:15:41,750 --> 01:15:37,270

[Music]

1841

01:15:44,229 --> 01:15:41,760

oh sorry both swear uh and and anima

1842

01:15:46,070 --> 01:15:44,239

morphic the figures like in egypt and

1843

01:15:48,390 --> 01:15:46,080

whatnot where it's half human half

1844

01:15:51,350 --> 01:15:48,400

animal and stuff like that been through

1845

01:15:53,590 --> 01:15:51,360

cultures for a very long time so that

1846

01:15:56,229 --> 01:15:53,600

could is it just them their fictional

1847

01:15:58,709 --> 01:15:56,239

drawings or did they actually experience

1848

01:16:00,470 --> 01:15:58,719

things that are bipedal like us

1849

01:16:02,070 --> 01:16:00,480

who really knows right

1850

01:16:04,070 --> 01:16:02,080

yeah maybe they did i would think if

1851

01:16:06,149 --> 01:16:04,080

they were going to find something in an

1852

01:16:07,910 --> 01:16:06,159

archaeological dig as far as like some

1853

01:16:10,390 --> 01:16:07,920

crazy technology i would think it would

1854

01:16:11,990 --> 01:16:10,400

be in the ocean like under the ground

1855

01:16:13,510 --> 01:16:12,000

because the oceans have shifted and

1856

01:16:15,750 --> 01:16:13,520

continents and shifts i agree and we've

1857

01:16:17,990 --> 01:16:15,760

had the ice age and the melting right

1858

01:16:20,950 --> 01:16:18,000

yeah yeah i mean i would think it would

1859

01:16:23,750 --> 01:16:20,960

be deep deep underwater maybe what about

1860

01:16:25,910 --> 01:16:23,760

that map of uh it was at the antarctica

1861

01:16:28,870 --> 01:16:25,920

uh where there was an old map jerry

1862

01:16:31,430 --> 01:16:28,880

reese map from turkey uh 500 years ago

1863

01:16:34,310 --> 01:16:31,440

and it shows antarctica before there was

1864

01:16:36,870 --> 01:16:34,320

ice actually yeah it was like it was uh

1865

01:16:39,189 --> 01:16:36,880

tropical almost apparently yeah i have

1866

01:16:41,270 --> 01:16:39,199

that timmy the guy i guess

1867

01:16:42,630 --> 01:16:41,280

maybe he was guessing that that's that

1868

01:16:43,590 --> 01:16:42,640

is crazy

1869

01:16:46,149 --> 01:16:43,600

yeah

1870

01:16:49,910 --> 01:16:46,159

probably copied off of

1871

01:16:52,709 --> 01:16:49,920

uh older pre-cataclysm

1872

01:16:53,510 --> 01:16:52,719

uh maps or societies or something like

1873

01:16:55,430 --> 01:16:53,520

that

1874

01:16:58,390 --> 01:16:55,440

there's a lot of good research out there

1875

01:17:00,950 --> 01:16:58,400

on all the old maps and how consistent

1876

01:17:03,350 --> 01:17:00,960

they were with these anomalies and

1877

01:17:05,669 --> 01:17:03,360

covering things like north south and

1878

01:17:08,550 --> 01:17:05,679

antarctica long before they were

1879

01:17:11,110 --> 01:17:08,560

supposedly found and that there were

1880

01:17:14,229 --> 01:17:11,120

these ruins of like cities and

1881

01:17:17,030 --> 01:17:14,239

settlements in a lot of these places uh

1882

01:17:20,390 --> 01:17:17,040

like in siberian stuff that no longer

1883

01:17:22,950 --> 01:17:20,400

exist but we're possibly settled in a

1884

01:17:25,350 --> 01:17:22,960

time before that because when you go

1885

01:17:27,510 --> 01:17:25,360

into google earth in these spots

1886

01:17:30,070 --> 01:17:27,520

nowadays you can actually see these

1887

01:17:32,630 --> 01:17:30,080

runes essentially in the same places

1888

01:17:35,430 --> 01:17:32,640

that they were marked on these 500 000

1889

01:17:37,510 --> 01:17:35,440

year old maps claiming to have cities as

1890

01:17:40,229 --> 01:17:37,520

well as the sahara where they

1891

01:17:42,229 --> 01:17:40,239

500 years ago the maps have these uh

1892

01:17:44,709 --> 01:17:42,239

rivers and settlements there too where

1893

01:17:46,470 --> 01:17:44,719

it's now desert but they say it was five

1894

01:17:48,870 --> 01:17:46,480

thousand ten thousand years ago there

1895

01:17:51,830 --> 01:17:48,880

was a jungle there so there must have

1896

01:17:54,630 --> 01:17:51,840

been a crazy reset at some time whether

1897

01:17:58,310 --> 01:17:54,640

it was noah's flood or uh the young

1898

01:18:00,630 --> 01:17:58,320

adria's event atlantis it seems to be

1899

01:18:02,229 --> 01:18:00,640

ingrained like about 11 12 000 years ago

1900

01:18:05,030 --> 01:18:02,239

well apparently yeah there's a theory

1901

01:18:06,709 --> 01:18:05,040

that with cyclical you know that we we

1902

01:18:08,950 --> 01:18:06,719

develop we get to a certain point and

1903

01:18:10,550 --> 01:18:08,960

then [h__h] happens and we have to start

1904

01:18:12,709 --> 01:18:10,560

all over again basically and since the

1905

01:18:14,870 --> 01:18:12,719

younger drives i think the oceans have

1906

01:18:17,510 --> 01:18:14,880

risen about 400 feet or something like

1907

01:18:20,870 --> 01:18:17,520

that could it just be could it just be

1908

01:18:23,030 --> 01:18:20,880

look i mean obviously we have much more

1909

01:18:25,430 --> 01:18:23,040

much more to explore on this earth than

1910

01:18:27,990 --> 01:18:25,440

than we've explored i mean

1911

01:18:31,189 --> 01:18:28,000

there's no doubt about that i mean we've

1912

01:18:33,270 --> 01:18:31,199

only explored a small percentage of it

1913

01:18:34,790 --> 01:18:33,280

what's to say that the government okay

1914

01:18:37,510 --> 01:18:34,800

not that they're lying or they're

1915

01:18:40,630 --> 01:18:37,520

telling you ufo is [h__\h] or aliens or

1916

01:18:43,110 --> 01:18:40,640

[h__\h] but look why don't we spend our

1917

01:18:45,110 --> 01:18:43,120

time on something that's locally instead

1918

01:18:47,990 --> 01:18:45,120

of something we don't have no idea what

1919

01:18:50,310 --> 01:18:48,000

the hell is out there and not to mention

1920

01:18:53,669 --> 01:18:50,320

the nut the sheer number look at if

1921

01:18:55,510 --> 01:18:53,679

everybody was to offer their

1922

01:18:58,870 --> 01:18:55,520

to the government right

1923

01:19:00,709 --> 01:18:58,880

imagine the numbers i mean the first day

1924

01:19:02,630 --> 01:19:00,719

would probably be a trillion freaking

1925

01:19:05,030 --> 01:19:02,640

videos or pictures or something

1926

01:19:07,350 --> 01:19:05,040

something ridiculous yeah you know i

1927

01:19:09,110 --> 01:19:07,360

mean so so for them to even deal with

1928

01:19:11,270 --> 01:19:09,120

that if they can't even deal with our

1929

01:19:14,310 --> 01:19:11,280

own earth how the hell are they going to

1930

01:19:17,270 --> 01:19:14,320

deal with something that that's that's

1931

01:19:18,790 --> 01:19:17,280

way out of our reach it's it it's like

1932

01:19:20,950 --> 01:19:18,800

how many times we're going to send

1933

01:19:24,630 --> 01:19:20,960

rovers to mars now we're flying drones

1934

01:19:26,149 --> 01:19:24,640

on mars but like yeah i see that why

1935

01:19:28,630 --> 01:19:26,159

can't we

1936

01:19:30,310 --> 01:19:28,640

like you said explore the oceans oh i

1937

01:19:32,310 --> 01:19:30,320

know i understand there's pressures and

1938

01:19:34,310 --> 01:19:32,320

everything but man

1939

01:19:36,550 --> 01:19:34,320

the sea is just as complicated to

1940

01:19:39,270 --> 01:19:36,560

explore as spaces you know

1941

01:19:44,229 --> 01:19:41,430

it sounds more like they don't want to

1942

01:19:48,630 --> 01:19:46,390

astronauts they have to uh when they're

1943

01:19:51,270 --> 01:19:48,640

when they're training they go underwater

1944

01:19:53,030 --> 01:19:51,280

right you know to simulate being in

1945

01:19:55,510 --> 01:19:53,040

space yep

1946

01:19:57,590 --> 01:19:55,520

you can't go to the bottom of the of the

1947

01:19:59,430 --> 01:19:57,600

ocean and get out of the submarine like

1948

01:20:00,950 --> 01:19:59,440

you can get out on the moon

1949

01:20:03,030 --> 01:20:00,960

i understand this like you know the

1950

01:20:04,709 --> 01:20:03,040

conditions as well as the pressure i'm

1951

01:20:07,030 --> 01:20:04,719

saying it's easier maybe that's why

1952

01:20:09,189 --> 01:20:07,040

maybe it's easier to go to the moon and

1953

01:20:10,950 --> 01:20:09,199

do some of this space than it is to go

1954

01:20:15,990 --> 01:20:10,960

but

1955

01:20:17,590 --> 01:20:16,000

we just don't have to get out and do it

1956

01:20:19,830 --> 01:20:17,600

it's like when this guy went down to the

1957

01:20:22,550 --> 01:20:19,840

mariana trench i think that's what 10

1958

01:20:25,430 --> 01:20:22,560

413 whatever thousand feet down or

1959

01:20:27,990 --> 01:20:25,440

whatever like if we we're able to fly

1960

01:20:30,790 --> 01:20:28,000

drones on mars and all that why don't we

1961

01:20:32,629 --> 01:20:30,800

just create some high pressure stuff and

1962

01:20:35,110 --> 01:20:32,639

send it down and let's just cause you

1963

01:20:37,590 --> 01:20:35,120

ever see like every night i'll see this

1964

01:20:40,149 --> 01:20:37,600

live streaming the nautilus

1965

01:20:41,590 --> 01:20:40,159

it's um right and it's it's just awesome

1966

01:20:43,510 --> 01:20:41,600

like it's on the sea they're doing

1967

01:20:44,870 --> 01:20:43,520

discoveries in that but that's to a

1968

01:20:46,870 --> 01:20:44,880

certain depth

1969

01:20:48,870 --> 01:20:46,880

if they could do stuff like that and i

1970

01:20:50,390 --> 01:20:48,880

mean not have to sacrifice that's

1971

01:20:52,229 --> 01:20:50,400

probably cheating

1972

01:20:53,510 --> 01:20:52,239

yeah we'll save a lot on gas i'll tell

1973

01:20:55,990 --> 01:20:53,520

you that fuel

1974

01:20:57,830 --> 01:20:56,000

i think james cameron holds the world

1975

01:21:00,390 --> 01:20:57,840

that's it

1976

01:21:02,629 --> 01:21:00,400

the mariana trench it took a long time

1977

01:21:04,390 --> 01:21:02,639

and it was it was crazy expensive but

1978

01:21:07,030 --> 01:21:04,400

i'm sure it wasn't expensive as going to

1979

01:21:11,510 --> 01:21:08,950

look how many times have you seen this

1980

01:21:14,070 --> 01:21:11,520

too now they got the nasa artemis um

1981

01:21:16,470 --> 01:21:14,080

scheduled i believe in 2024 right i

1982

01:21:19,030 --> 01:21:16,480

believe it's 2024. how many in that

1983

01:21:21,189 --> 01:21:19,040

would be beautiful to do but how many

1984

01:21:23,910 --> 01:21:21,199

times have they dumped it just before

1985

01:21:25,189 --> 01:21:23,920

the launch like you know shortly before

1986

01:21:32,310 --> 01:21:25,199

the launch

1987

01:21:35,590 --> 01:21:34,390

i just want to mention to ufo john doe

1988

01:21:38,870 --> 01:21:35,600

especially since he was our biggest

1989

01:21:41,030 --> 01:21:38,880

supporter for the us ufo roswell

1990

01:21:43,830 --> 01:21:41,040

the biggest super chatter tonight i did

1991

01:21:45,750 --> 01:21:43,840

get your email it went to my spam folder

1992

01:21:48,229 --> 01:21:45,760

i marked it as not spam i have your

1993

01:21:50,390 --> 01:21:48,239

address and i will be sending you uh

1994

01:21:52,390 --> 01:21:50,400

both the roswell thing and some extra

1995

01:21:53,750 --> 01:21:52,400

free goodies as well thanks so much for

1996

01:21:56,709 --> 01:21:53,760

your kindness your generosity and

1997

01:21:59,669 --> 01:21:56,719

support you know what sucks about that

1998

01:22:01,590 --> 01:21:59,679

one is that just proves to me steven put

1999

01:22:06,070 --> 01:22:01,600

my email in spam

2000

01:22:10,310 --> 01:22:09,270

two is nice to meet you oh ufo john doe

2001

01:22:13,350 --> 01:22:10,320

i just so you know i have a show

2002

01:22:14,310 --> 01:22:13,360

tomorrow at 12 no he doesn't

2003

01:22:15,750 --> 01:22:14,320

uh

2004

01:22:16,790 --> 01:22:15,760

so yeah

2005

01:22:19,910 --> 01:22:16,800

but

2006

01:22:21,510 --> 01:22:19,920

um oh you just said that six about like

2007

01:22:23,830 --> 01:22:21,520

how they stop things right before a

2008

01:22:25,990 --> 01:22:23,840

mission so i just talked about on a

2009

01:22:28,709 --> 01:22:26,000

video about asteroid psych it's a

2010

01:22:29,669 --> 01:22:28,719

asteroid that's almost made out of all

2011

01:22:31,270 --> 01:22:29,679

gold

2012

01:22:32,229 --> 01:22:31,280

like that right

2013

01:22:34,310 --> 01:22:32,239

and

2014

01:22:35,750 --> 01:22:34,320

that

2015

01:22:36,709 --> 01:22:35,760

no they're going to check because

2016

01:22:38,310 --> 01:22:36,719

they're trying to say it's a

2017

01:22:39,830 --> 01:22:38,320

planetesimal like they're thinking

2018

01:22:41,750 --> 01:22:39,840

that's what it is like in other words

2019

01:22:43,270 --> 01:22:41,760

how the core and everything it could

2020

01:22:44,870 --> 01:22:43,280

have been a core from a planet how

2021

01:22:46,149 --> 01:22:44,880

planets are made i thought you were

2022

01:22:47,189 --> 01:22:46,159

talking about spacecraft you're talking

2023

01:22:49,990 --> 01:22:47,199

about a

2024

01:22:51,669 --> 01:22:50,000

it's an actual asteroid

2025

01:22:54,310 --> 01:22:51,679

right

2026

01:22:56,310 --> 01:22:54,320

it's the majority's gold and now what

2027

01:22:58,149 --> 01:22:56,320

happened is they were supposed to go

2028

01:23:00,550 --> 01:22:58,159

this year they spent hundreds of

2029

01:23:03,270 --> 01:23:00,560

millions of dollars that they said was

2030

01:23:04,470 --> 01:23:03,280

in taxpayers it was donated yeah now all

2031

01:23:06,149 --> 01:23:04,480

of a sudden

2032

01:23:09,430 --> 01:23:06,159

because of some o-ring or something

2033

01:23:11,590 --> 01:23:09,440

that's got pushed back now to next year

2034

01:23:13,910 --> 01:23:11,600

and all those hundreds of millions guess

2035

01:23:15,590 --> 01:23:13,920

what that gets redirected to some other

2036

01:23:17,510 --> 01:23:15,600

whatever crap and then there'll be

2037

01:23:20,390 --> 01:23:17,520

hundreds of millions more and it just

2038

01:23:22,950 --> 01:23:20,400

keeps going on but i i think that maybe

2039

01:23:25,669 --> 01:23:22,960

we should explore asteroids because at

2040

01:23:28,070 --> 01:23:25,679

least they're achievable at least we can

2041

01:23:30,070 --> 01:23:28,080

sample them and stuff like that but but

2042

01:23:31,669 --> 01:23:30,080

to grab something like gold imagine how

2043

01:23:43,189 --> 01:23:31,679

much gold they would get they wouldn't

2044

01:23:43,199 --> 01:23:47,669

than it

2045

01:23:51,030 --> 01:23:49,669

you is need a tiny bit of thrust and you

2046

01:23:53,110 --> 01:23:51,040

can move a whole

2047

01:24:04,629 --> 01:23:53,120

asteroid

2048

01:24:09,110 --> 01:24:06,709

oh yeah i remember that

2049

01:24:14,390 --> 01:24:11,830

come on i'll tell you what

2050

01:24:15,430 --> 01:24:14,400

i wouldn't be so i wouldn't be surprised

2051
01:24:17,830 --> 01:24:15,440
because

2052
01:24:19,430 --> 01:24:17,840
even if like let's say they did mine it

2053
01:24:21,910 --> 01:24:19,440
right and i understand not saying

2054
01:24:24,310 --> 01:24:21,920
bringing back like 90 million tons i'm

2055
01:24:26,470 --> 01:24:24,320
just saying they did mine it

2056
01:24:29,030 --> 01:24:26,480
a lot of those earths

2057
01:24:31,510 --> 01:24:29,040
gold dealers and all that would be

2058
01:24:34,149 --> 01:24:31,520
trapping bricks because that would

2059
01:24:36,629 --> 01:24:34,159
totally decimate the market on that

2060
01:24:40,070 --> 01:24:36,639
because gold would go from 12 1300 an

2061
01:24:42,550 --> 01:24:40,080
ounce to nothing i would tell you

2062
01:24:44,709 --> 01:24:42,560
if we suddenly had hundreds of tons of

2063
01:24:47,110 --> 01:24:44,719

it it would not be worth it as much as

2064

01:24:48,629 --> 01:24:47,120

anymore yeah not worth it

2065

01:24:50,629 --> 01:24:48,639

i'll tell you what i would mine an

2066

01:24:52,950 --> 01:24:50,639

asteroid for i would mine an asteroid

2067

01:24:54,870 --> 01:24:52,960

for unknown stuff that we that we don't

2068

01:24:56,550 --> 01:24:54,880

have because if you look at the periodic

2069

01:24:59,030 --> 01:24:56,560

table there's a bunch of missing spots

2070

01:25:00,950 --> 01:24:59,040

now now if you look at it there's only

2071

01:25:03,270 --> 01:25:00,960

so many spots that are possible just

2072

01:25:04,709 --> 01:25:03,280

just period there's only so many spots

2073

01:25:06,149 --> 01:25:04,719

and that's the thing that's why like

2074

01:25:08,550 --> 01:25:06,159

when you when you have these people

2075

01:25:10,550 --> 01:25:08,560

coming up with these imaginary freaking

2076

01:25:12,950 --> 01:25:10,560

materials there's no way that that could

2077

01:25:14,629 --> 01:25:12,960

even fit into the elemental

2078

01:25:17,669 --> 01:25:14,639

what's on the moon isn't there some kind

2079

01:25:20,310 --> 01:25:17,679

of dust a moon dust um actually the moon

2080

01:25:22,550 --> 01:25:20,320

is um i believe titanium a lot of it is

2081

01:25:26,229 --> 01:25:22,560

titanium but there's something

2082

01:25:29,110 --> 01:25:26,239

on the moon also hydrogen 3 i think it

2083

01:25:32,310 --> 01:25:29,120

is h3 that's uh oh yeah and that could

2084

01:25:35,270 --> 01:25:32,320

be an energy source for fuel yeah yeah

2085

01:25:37,510 --> 01:25:35,280

and and they i did see uh see some uh

2086

01:25:39,030 --> 01:25:37,520

stories about that too as well

2087

01:25:41,750 --> 01:25:39,040

and i think that you know what we should

2088

01:25:44,870 --> 01:25:41,760

be using the mo the moon as a launch

2089

01:25:46,550 --> 01:25:44,880

a vector or from a rendezvous point you

2090

01:25:48,149 --> 01:25:46,560

know if you're gonna go to mars don't

2091

01:25:49,750 --> 01:25:48,159

just take off from the earth there goes

2092

01:25:51,750 --> 01:25:49,760

eighty percent of your freaking fuel

2093

01:25:53,590 --> 01:25:51,760

right there you know and then then

2094

01:25:54,950 --> 01:25:53,600

everything else is like i mean here

2095

01:25:57,990 --> 01:25:54,960

that's the problem with conventional

2096

01:26:01,669 --> 01:25:58,000

fuels if we could go like andy said and

2097

01:26:03,590 --> 01:26:01,679

and mine some mine or a moon or

2098

01:26:05,750 --> 01:26:03,600

something for

2099

01:26:07,510 --> 01:26:05,760

you know for fuel why not i think that

2100

01:26:09,830 --> 01:26:07,520

that's a good idea it would take a while

2101
01:26:11,990 --> 01:26:09,840
but at least did you see that possible

2102
01:26:23,780 --> 01:26:12,000
did you see nasa is worried that china

2103
01:26:27,590 --> 01:26:25,510
[Music]

2104
01:26:34,830 --> 01:26:27,600
china builds artificial moon for gravity

2105
01:26:40,229 --> 01:26:37,590
yeah did you ever any of you guys ever

2106
01:26:42,870 --> 01:26:40,239
see that it's on youtube it's a

2107
01:26:44,950 --> 01:26:42,880
4k video of the

2108
01:26:46,310 --> 01:26:44,960
i don't know if it's the china orbiter

2109
01:26:49,510 --> 01:26:46,320
around the moon

2110
01:26:53,189 --> 01:26:49,520
but how and it just like records and

2111
01:26:55,030 --> 01:26:53,199
it's or it's just incredible the footage

2112
01:26:57,830 --> 01:26:55,040
yeah the back side of the moon as well

2113
01:26:59,910 --> 01:26:57,840

right it yeah it goes around the entire

2114

01:27:01,990 --> 01:26:59,920

thing it's just amazing i had stopped

2115

01:27:04,470 --> 01:27:02,000

and screenshotted a lot of stuff there

2116

01:27:06,070 --> 01:27:04,480

because it's a lot parts of the moon you

2117

01:27:08,709 --> 01:27:06,080

know that we never see we only see one

2118

01:27:11,350 --> 01:27:08,719

side of it the change five the chang

2119

01:27:14,229 --> 01:27:11,360

five i believe that is that's yeah all i

2120

01:27:18,149 --> 01:27:14,239

know is i that sounds familiar but i

2121

01:27:19,669 --> 01:27:18,159

know the camera it's insane

2122

01:27:21,750 --> 01:27:19,679

pictures yeah yeah i've seen the

2123

01:27:24,149 --> 01:27:21,760

pictures

2124

01:27:26,550 --> 01:27:24,159

it's it's it's an actual video like it's

2125

01:27:28,310 --> 01:27:26,560

it's it's on youtube it's a 4k and it's

2126

01:27:30,149 --> 01:27:28,320

just

2127

01:27:32,390 --> 01:27:30,159

insane they're mapping yeah they're math

2128

01:27:34,310 --> 01:27:32,400

yeah but see that that kind of thing ron

2129

01:27:36,149 --> 01:27:34,320

is what i always point to

2130

01:27:38,470 --> 01:27:36,159

when these when these

2131

01:27:40,950 --> 01:27:38,480

ufo profiteers talk about structures on

2132

01:27:43,430 --> 01:27:40,960

the moon yeah and they have 40 or 50

2133

01:27:45,430 --> 01:27:43,440

year old grainy ass photos oh my god

2134

01:27:47,430 --> 01:27:45,440

right you know and i say no no find me

2135

01:27:49,750 --> 01:27:47,440

that with the chinese satellites that

2136

01:27:51,270 --> 01:27:49,760

are orbiting and yeah

2137

01:27:53,910 --> 01:27:51,280

and then we'll really see what's there

2138

01:27:56,870 --> 01:27:53,920

they never do that they always rely on

2139

01:27:58,790 --> 01:27:56,880

their grainy ass 50 year old pictures oh

2140

01:28:01,990 --> 01:27:58,800

they'll tell you that this is this is

2141

01:28:04,870 --> 01:28:02,000

fake the new one that's fake that's just

2142

01:28:07,590 --> 01:28:04,880

the cgi yeah i want to take a moment to

2143

01:28:08,629 --> 01:28:07,600

uh thank some kind and generous pledges

2144

01:28:10,310 --> 01:28:08,639

uh

2145

01:28:12,830 --> 01:28:10,320

the mothership podcast for the kind of

2146

01:28:16,149 --> 01:28:12,840

generous thirty dollar table oh

2147

01:28:19,030 --> 01:28:16,159

wow so she she's right well 75th

2148

01:28:20,550 --> 01:28:19,040

anniversary do it live cambian well yeah

2149

01:28:22,629 --> 01:28:20,560

everybody wanted us to but i couldn't

2150

01:28:24,229 --> 01:28:22,639

get all those experts to come here

2151

01:28:26,870 --> 01:28:24,239

on that day because they were all at

2152

01:28:28,390 --> 01:28:26,880

conferences or doing other things

2153

01:28:30,070 --> 01:28:28,400

so but thank you for your kindness your

2154

01:28:32,709 --> 01:28:30,080

generosity and your support of the show

2155

01:28:34,950 --> 01:28:32,719

much much appreciate it uh the one of

2156

01:28:37,830 --> 01:28:34,960

the biggest best ways to support us

2157

01:28:39,830 --> 01:28:37,840

is to throw some money at us because uh

2158

01:28:42,310 --> 01:28:39,840

that really does help

2159

01:28:44,950 --> 01:28:42,320

and uh and that legal tender stephen

2160

01:28:47,669 --> 01:28:44,960

yeah it is it is yeah yeah well thank

2161

01:28:49,350 --> 01:28:47,679

you and praise the cash friend

2162

01:28:52,629 --> 01:28:49,360

crazy cash crazy

2163

01:28:55,430 --> 01:28:52,639

podcast is making it rain up here

2164

01:28:56,950 --> 01:28:55,440

thank you hey hey steven just so you

2165

01:28:58,629 --> 01:28:56,960

know i thought i messed up i thought i

2166

01:28:59,910 --> 01:28:58,639

put it in the regular chat but in the

2167

01:29:01,669 --> 01:28:59,920

private chat

2168

01:29:03,430 --> 01:29:01,679

um and for you six in case you ever want

2169

01:29:06,550 --> 01:29:03,440

to see it i put that link to that one of

2170

01:29:08,470 --> 01:29:06,560

the moon ones okay yeah and also a kind

2171

01:29:11,430 --> 01:29:08,480

of generous pledge of ten dollars by

2172

01:29:13,830 --> 01:29:11,440

paypal from david who says welcome back

2173

01:29:15,350 --> 01:29:13,840

stephen very much appreciated thank you

2174

01:29:17,030 --> 01:29:15,360

for your kindness your generosity and

2175

01:29:19,910 --> 01:29:17,040

your support of the show

2176
01:29:22,470 --> 01:29:19,920
much much appreciate it uh and we thank

2177
01:29:24,870 --> 01:29:22,480
you for your kind and generous pledges

2178
01:29:27,590 --> 01:29:24,880
that helps keep us in business here

2179
01:29:29,270 --> 01:29:27,600
thank you all we appreciate it and i do

2180
01:29:31,270 --> 01:29:29,280
want to remind everybody that

2181
01:29:32,550 --> 01:29:31,280
uh we have a patreon for a dollar a

2182
01:29:34,550 --> 01:29:32,560
month and you can become a channel

2183
01:29:37,270 --> 01:29:34,560
member click the join button patreon

2184
01:29:40,070 --> 01:29:37,280
members get some extra content that and

2185
01:29:41,910 --> 01:29:40,080
also the channel members so patreon's a

2186
01:29:43,750 --> 01:29:41,920
dollar a month the channel member's five

2187
01:29:46,470 --> 01:29:43,760
dollars a month you get some extra

2188
01:29:49,510 --> 01:29:46,480

youtube benefits and access on

2189

01:29:51,270 --> 01:29:49,520

the the channel uh to our members only

2190

01:29:53,990 --> 01:29:51,280

section and you get all the paypal

2191

01:29:57,350 --> 01:29:54,000

benefits too so there's my pitch for the

2192

01:29:58,709 --> 01:29:57,360

night uh i'm not good at that stuff so

2193

01:30:00,229 --> 01:29:58,719

we usually

2194

01:30:02,229 --> 01:30:00,239

did a great job

2195

01:30:05,110 --> 01:30:02,239

although i might try to poach some of

2196

01:30:07,189 --> 01:30:05,120

your viewers i cannot mow your lawn

2197

01:30:09,750 --> 01:30:07,199

because youtube keeps deleting my

2198

01:30:11,830 --> 01:30:09,760

channel so i can't be monetized so you

2199

01:30:15,430 --> 01:30:11,840

can come watch me but just give your

2200

01:30:17,189 --> 01:30:15,440

donations to truth seekers guys

2201

01:30:20,390 --> 01:30:17,199

and i just want to say mothership is a

2202

01:30:21,669 --> 01:30:20,400

paid member of uh unidentified s4

2203

01:30:23,830 --> 01:30:21,679

and she's oh there you go so she's

2204

01:30:25,750 --> 01:30:23,840

supporting many shows then yeah yeah she

2205

01:30:28,870 --> 01:30:25,760

is and she's starting her her own show

2206

01:30:30,709 --> 01:30:28,880

in a couple of in september sorry

2207

01:30:32,790 --> 01:30:30,719

yes and she also contributes to the

2208

01:30:35,030 --> 01:30:32,800

wacky world of wilcock here

2209

01:30:37,030 --> 01:30:35,040

she

2210

01:30:38,390 --> 01:30:37,040

i don't know what you pick on me stephen

2211

01:30:43,270 --> 01:30:38,400

and my channel because i'm the only one

2212

01:30:50,750 --> 01:30:45,110

why are you not monetized

2213

01:30:55,350 --> 01:30:52,790

[Music]

2214

01:30:58,390 --> 01:30:55,360

subscribers and like over like the 10

2215

01:31:00,629 --> 01:30:58,400

000 hours of views needed or whatever

2216

01:31:03,350 --> 01:31:00,639

they instantly delete my channel and i

2217

01:31:05,510 --> 01:31:03,360

have to start all over the [h__h] is that

2218

01:31:07,669 --> 01:31:05,520

oh wow that's

2219

01:31:10,229 --> 01:31:07,679

ronnie ron you're pretty clo ron's got

2220

01:31:12,550 --> 01:31:10,239

almost 700 subscribers so he needs 300

2221

01:31:15,110 --> 01:31:12,560

more what i'm gonna do is i'm gonna put

2222

01:31:16,550 --> 01:31:15,120

right in the live chat the uh the link

2223

01:31:19,189 --> 01:31:16,560

everybody should go over and subscribe

2224

01:31:21,590 --> 01:31:19,199

help him out let's get him to a thousand

2225

01:31:24,390 --> 01:31:21,600

pounds buy tonight by the end of play

2226

01:31:26,550 --> 01:31:24,400

today oh man that would be incredible

2227

01:31:28,950 --> 01:31:26,560

we've done that we have done that for

2228

01:31:30,950 --> 01:31:28,960

three channels so far i know but he's

2229

01:31:34,070 --> 01:31:30,960

not close enough but we're going to bump

2230

01:31:38,550 --> 01:31:36,149

are you regretting any of those steve no

2231

01:31:40,470 --> 01:31:38,560

wait i want to say something

2232

01:31:42,629 --> 01:31:40,480

before you answer that steve one thing

2233

01:31:45,030 --> 01:31:42,639

is for sure when you do get me there and

2234

01:31:47,270 --> 01:31:45,040

help me there i guarantee you i won't

2235

01:31:48,270 --> 01:31:47,280

turn around and just step on your toes

2236

01:31:49,750 --> 01:31:48,280

and like

2237

01:31:51,669 --> 01:31:49,760

[Music]

2238

01:31:53,669 --> 01:31:51,679

i'll leave it there like that

2239

01:31:55,030 --> 01:31:53,679

no i don't regret any of them but i will

2240

01:31:56,790 --> 01:31:55,040

say that

2241

01:31:58,470 --> 01:31:56,800

just because somebody has a show and i

2242

01:31:59,910 --> 01:31:58,480

help them out doesn't mean

2243

01:32:01,990 --> 01:31:59,920

i agree with

2244

01:32:03,990 --> 01:32:02,000

what they talk about or what they do or

2245

01:32:06,149 --> 01:32:04,000

whatever but i was happy to help other

2246

01:32:08,709 --> 01:32:06,159

content creators struggling to get

2247

01:32:10,870 --> 01:32:08,719

over the hurdles

2248

01:32:13,189 --> 01:32:10,880

three times no no we've gotten somebody

2249

01:32:15,030 --> 01:32:13,199

right over a thousand i just thought

2250

01:32:17,910 --> 01:32:15,040

that now i know where all this animosity

2251
01:32:21,189 --> 01:32:17,920
is coming from you know what it is folks

2252
01:32:23,750 --> 01:32:21,199
i gave steve a freaking 3d printer right

2253
01:32:33,990 --> 01:32:23,760
and now he's stuck leveling his new 3d

2254
01:32:37,270 --> 01:32:35,590
ron started talking to me about 3d

2255
01:32:38,310 --> 01:32:37,280
printing and i said i really want to get

2256
01:32:40,870 --> 01:32:38,320
into it

2257
01:32:42,790 --> 01:32:40,880
but i don't want to aggravate myself

2258
01:32:45,430 --> 01:32:42,800
with a machine that constantly breaks

2259
01:32:48,390 --> 01:32:45,440
down or won't work right endlessly

2260
01:32:50,550 --> 01:32:48,400
and he told me no the first generation

2261
01:32:53,189 --> 01:32:50,560
ones were pain in the ass the new ones

2262
01:32:54,950 --> 01:32:53,199
not so much i have been tearing my hair

2263
01:32:56,709 --> 01:32:54,960

out i'm trying to keep this thing

2264

01:32:58,310 --> 01:32:56,719

i got it working for a little while i

2265

01:33:01,590 --> 01:32:58,320

printed all the stuff for the roswell

2266

01:33:04,310 --> 01:33:01,600

event now the thing is clogged and it's

2267

01:33:06,070 --> 01:33:04,320

not level and not printing right so i

2268

01:33:08,310 --> 01:33:06,080

have to rip the whole thing apart and

2269

01:33:09,669 --> 01:33:08,320

build it all back and well i understand

2270

01:33:11,830 --> 01:33:09,679

that right

2271

01:33:13,430 --> 01:33:11,840

ron is a it works in i.t he'll probably

2272

01:33:18,629 --> 01:33:13,440

charge you to come out and fix it but

2273

01:33:23,510 --> 01:33:20,709

i can't keep this stupid thing working

2274

01:33:24,950 --> 01:33:23,520

yeah you know what it is he he he he has

2275

01:33:27,030 --> 01:33:24,960

no patience

2276

01:33:28,310 --> 01:33:27,040

that's it

2277

01:33:29,110 --> 01:33:28,320

and

2278

01:33:31,350 --> 01:33:29,120

hey

2279

01:33:33,189 --> 01:33:31,360

i haven't noticed let me tell you i was

2280

01:33:35,189 --> 01:33:33,199

in the same boat i would pull my hair

2281

01:33:36,629 --> 01:33:35,199

out like that i tell you i used to have

2282

01:33:38,390 --> 01:33:36,639

a mullet look at me now that was

2283

01:33:40,229 --> 01:33:38,400

happening from 3d printing

2284

01:33:41,750 --> 01:33:40,239

and i just i worked on it for a little

2285

01:33:43,590 --> 01:33:41,760

while yesterday but i was in the live

2286

01:33:45,270 --> 01:33:43,600

chat for 18 hours

2287

01:33:47,189 --> 01:33:45,280

and once i was done with that i was

2288

01:33:49,189 --> 01:33:47,199

going to try to level it again or clear

2289

01:33:50,790 --> 01:33:49,199

the clog and i just said i'm putting it

2290

01:33:52,310 --> 01:33:50,800

away till monday i'm going to the cabin

2291

01:33:54,149 --> 01:33:52,320

i don't give a [\h__\h] you know i had to

2292

01:33:55,510 --> 01:33:54,159

put a new nozzle on and it got clogged

2293

01:33:56,550 --> 01:33:55,520

it got clogged i had to change it

2294

01:33:57,510 --> 01:33:56,560

yesterday

2295

01:34:00,390 --> 01:33:57,520

you know

2296

01:34:03,110 --> 01:34:00,400

24-hour streams yeah after that

2297

01:34:07,110 --> 01:34:03,120

definitely do not attempt 3d printing

2298

01:34:11,110 --> 01:34:09,110

but i need the printer because we're

2299

01:34:14,790 --> 01:34:11,120

printing free gifts we're printing like

2300

01:34:17,110 --> 01:34:14,800

ufo models roswell wreckage replica

2301

01:34:19,030 --> 01:34:17,120

and stuff like that that's why i got the

2302

01:34:21,189 --> 01:34:19,040

printer to give somebody

2303

01:34:23,669 --> 01:34:21,199

people something back you know yeah now

2304

01:34:25,430 --> 01:34:23,679

ron made it made that stuff for his uh

2305

01:34:27,590 --> 01:34:25,440

little demonstration there that was all

2306

01:34:29,189 --> 01:34:27,600

3d or most of it

2307

01:34:31,430 --> 01:34:29,199

yeah a lot of it

2308

01:34:32,550 --> 01:34:31,440

and runs got those multi-purpose alien

2309

01:34:35,350 --> 01:34:32,560

heads

2310

01:34:40,870 --> 01:34:35,360

yeah and i'm going to start

2311

01:34:44,870 --> 01:34:43,510

alien boss he calls them butt plugs

2312

01:34:47,590 --> 01:34:44,880

well you know

2313

01:34:48,950 --> 01:34:47,600

they've got similar features let's say

2314

01:34:50,870 --> 01:34:48,960

i don't know

2315

01:34:52,390 --> 01:34:50,880

david wilcox should have invested in you

2316

01:34:54,390 --> 01:34:52,400

i got one that my neighbor here at the

2317

01:34:56,470 --> 01:34:54,400

cabin made me and he 3d printed it and

2318

01:34:58,229 --> 01:34:56,480

glow in the dark it's really it's i'll

2319

01:35:00,470 --> 01:34:58,239

send you the design ron

2320

01:35:02,070 --> 01:35:00,480

yeah i have that filament huh

2321

01:35:03,910 --> 01:35:02,080

yeah it's the one it's the one on

2322

01:35:05,510 --> 01:35:03,920

thingiverse with the eyes are separate

2323

01:35:06,470 --> 01:35:05,520

and you've got to jam the eyes in when

2324

01:35:08,229 --> 01:35:06,480

you're done

2325

01:35:09,750 --> 01:35:08,239

i'll send you the mic you don't have to

2326

01:35:11,830 --> 01:35:09,760

do that i have the model where you don't

2327

01:35:13,189 --> 01:35:11,840

it's all in one it's a few different

2328

01:35:15,030 --> 01:35:13,199

busts like that yeah well what i'm going

2329

01:35:16,870 --> 01:35:15,040

to do is i'm going to take ron's stuff

2330

01:35:17,830 --> 01:35:16,880

and i'm just going to slap truth seekers

2331

01:35:19,590 --> 01:35:17,840

on it

2332

01:35:23,750 --> 01:35:19,600

and then if anybody asks i'm going to

2333

01:35:30,070 --> 01:35:27,109

is the the tr3bs i was printing i found

2334

01:35:32,310 --> 01:35:30,080

these great models of tr3bs three of

2335

01:35:35,030 --> 01:35:32,320

them three different models of it right

2336

01:35:37,189 --> 01:35:35,040

like different takes on the tr3b and i

2337

01:35:38,470 --> 01:35:37,199

started printing them to give out on the

2338

01:35:41,669 --> 01:35:38,480

show here

2339

01:35:43,189 --> 01:35:41,679

and then a mystery eon

2340

01:35:45,750 --> 01:35:43,199

comes in the live chat and i mentioned

2341

01:35:48,390 --> 01:35:45,760

the tr3b models and he said oh check out

2342

01:35:50,629 --> 01:35:48,400

thingiverse i have my tr3b models on

2343

01:35:53,910 --> 01:35:50,639

there it turns out i was stealing his

2344

01:35:59,030 --> 01:35:56,070

but the cool thing is then he made us a

2345

01:36:02,310 --> 01:35:59,040

custom true seekers tr3b with the logo

2346

01:36:04,470 --> 01:36:02,320

so oh wow awesome yeah but has anyone

2347

01:36:06,070 --> 01:36:04,480

ever seen a real tr3b

2348

01:36:08,149 --> 01:36:06,080

we've had guests here that have we've

2349

01:36:11,510 --> 01:36:08,159

had guests here that have i think so i

2350

01:36:13,510 --> 01:36:11,520

recorded that one that i put online yeah

2351

01:36:15,590 --> 01:36:13,520

actual you know clear footage of what

2352

01:36:17,270 --> 01:36:15,600

one actually looks like oh no you can't

2353

01:36:18,470 --> 01:36:17,280

see the skin or nothing but actually

2354

01:36:20,870 --> 01:36:18,480

like

2355

01:36:22,550 --> 01:36:20,880

i don't know to me it's the three tr

2356

01:36:25,189 --> 01:36:22,560

it's a triangle with the three lights

2357

01:36:28,070 --> 01:36:25,199

just zooming like that there's no faa

2358

01:36:30,470 --> 01:36:28,080

lights blinking there's no sound nothing

2359

01:36:32,229 --> 01:36:30,480

and i even i even posted it on twitter

2360

01:36:34,390 --> 01:36:32,239

it's called mick west i said hey mick

2361

01:36:37,109 --> 01:36:34,400

take a look at this yeah he couldn't he

2362

01:36:39,590 --> 01:36:37,119

couldn't figure it out for nothing

2363

01:36:41,189 --> 01:36:39,600

mothership podcast is saying you know

2364

01:36:43,430 --> 01:36:41,199

there has to be a dildo out there

2365

01:36:45,910 --> 01:36:43,440

somewhere called the alien probe there

2366

01:36:48,149 --> 01:36:45,920

actually is and it looks like a an

2367

01:36:49,510 --> 01:36:48,159

octopus tentacle have we gone i know

2368

01:36:53,189 --> 01:36:49,520

because of my

2369

01:36:57,510 --> 01:36:53,199

challenge where we filled the whole box

2370

01:36:59,669 --> 01:36:57,520

of dildos one of them was an alien dildo

2371

01:37:03,270 --> 01:36:59,679

i thought he would enjoy it i'm googling

2372

01:37:09,350 --> 01:37:05,270

you're worried about sex saying the f

2373

01:37:11,189 --> 01:37:09,360

word this show was just turned into

2374

01:37:14,149 --> 01:37:11,199

did you mail david wilcock a box of

2375

01:37:17,030 --> 01:37:14,159

dildos no we buried it uh in an

2376

01:37:19,510 --> 01:37:17,040

undisclosed location okay and then

2377

01:37:21,030 --> 01:37:19,520

sandwich i offered him it was pretty

2378

01:37:23,350 --> 01:37:21,040

famous for a little while everybody was

2379

01:37:25,350 --> 01:37:23,360

joking about it it was the david wilcock

2380

01:37:26,390 --> 01:37:25,360

ten thousand dollar box of dildos

2381

01:37:29,510 --> 01:37:26,400

challenge

2382

01:37:31,350 --> 01:37:29,520

i said he willed the cost right he's

2383

01:37:32,149 --> 01:37:31,360

willing those cops

2384

01:37:34,149 --> 01:37:32,159

so

2385

01:37:36,550 --> 01:37:34,159

i challenged him to find the box of

2386

01:37:38,310 --> 01:37:36,560

dildos buried somewhere in the world and

2387

01:37:40,310 --> 01:37:38,320

if he found the box of dildos i would

2388

01:37:42,629 --> 01:37:40,320

give him ten thousand dollars

2389

01:37:45,350 --> 01:37:42,639

and he didn't find and then

2390

01:37:53,830 --> 01:37:45,360

you were started burying dildos all over

2391

01:37:57,510 --> 01:37:55,669

10 000 years time when people are

2392

01:37:59,990 --> 01:37:57,520

digging up you know

2393

01:38:08,390 --> 01:38:00,000

building buildings and they find boxes

2394

01:38:19,830 --> 01:38:10,390

but we need a small break and show us

2395

01:38:25,910 --> 01:38:22,950

trixie is awesome she's really cool

2396

01:38:29,750 --> 01:38:25,920

this is trixie from truth seekers

2397

01:38:33,189 --> 01:38:29,760

thanking you for your generosity

2398

01:38:35,990 --> 01:38:33,199

gonna praise the cash so hard

2399

01:38:39,830 --> 01:38:36,000

you are gonna need a cease and desist

2400

01:38:48,190 --> 01:38:39,840

letter from your fake lawyer to make me

2401

01:38:48,200 --> 01:38:52,229

[Music]

2402

01:39:06,870 --> 01:38:55,910

i'm gonna praise the cash so hard i'm

2403

01:39:13,189 --> 01:39:10,229

this is trixie of the exclusive truth

2404

01:39:15,830 --> 01:39:13,199

seekers ufo desk

2405

01:39:18,870 --> 01:39:15,840

and i like nothing more

2406

01:39:20,149 --> 01:39:18,880

than getting down on my leaves and

2407

01:39:21,350 --> 01:39:20,159

praising

2408

01:39:23,510 --> 01:39:21,360

cash

2409

01:39:26,750 --> 01:39:23,520

every time you donate

2410

01:39:38,950 --> 01:39:26,760

i'm gonna get down on my

2411

01:39:43,669 --> 01:39:41,750

praise trixie praise you you better keep

2412

01:39:46,790 --> 01:39:43,679

joe you have john doe away from trixie

2413

01:39:49,030 --> 01:39:46,800

otherwise you will be gone

2414

01:39:50,550 --> 01:39:49,040

i could totally see trixie rolling

2415

01:39:52,870 --> 01:39:50,560

around in a bed full of cash couldn't

2416

01:39:54,870 --> 01:39:52,880

you i could totally oh so you're gonna

2417

01:39:56,550 --> 01:39:54,880

say box full of something else praise

2418

01:39:57,750 --> 01:39:56,560

the cash yeah

2419

01:39:58,550 --> 01:39:57,760

yeah

2420

01:40:00,470 --> 01:39:58,560

hey

2421

01:40:03,030 --> 01:40:00,480

but but look to be fair with the with

2422

01:40:04,870 --> 01:40:03,040

the woman there i mean like he said man

2423

01:40:07,430 --> 01:40:04,880

i mean i wouldn't know how the hell do

2424

01:40:09,750 --> 01:40:07,440

you find a male to do this kind of thing

2425

01:40:12,790 --> 01:40:09,760

somebody out there oh you've got to

2426

01:40:15,430 --> 01:40:12,800

actually find somebody must do it i mean

2427

01:40:17,430 --> 01:40:15,440

no i'm gonna i i have listen i like to

2428

01:40:19,270 --> 01:40:17,440

keep my promises and i

2429

01:40:20,950 --> 01:40:19,280

originally women said you got to have

2430

01:40:22,709 --> 01:40:20,960

some men and i went yeah i'll find a

2431

01:40:24,709 --> 01:40:22,719

collection of dancing men and i'll put

2432

01:40:26,310 --> 01:40:24,719

some men in i don't care

2433

01:40:29,270 --> 01:40:26,320

but then i went looking and i couldn't

2434

01:40:31,830 --> 01:40:29,280

find anything but i did sort of promise

2435

01:40:33,590 --> 01:40:31,840

that that are for men so i don't if i

2436

01:40:35,430 --> 01:40:33,600

have to i'll pay some dude to come over

2437

01:40:37,270 --> 01:40:35,440

and dance on a green screen i guess i

2438

01:40:39,270 --> 01:40:37,280

don't know we'll figure it out

2439

01:40:42,310 --> 01:40:39,280

man you're gonna have some fun emails

2440

01:40:46,070 --> 01:40:44,070

i'm sure there's some clubs you could go

2441

01:40:48,550 --> 01:40:46,080

well you know what the same thing is is

2442

01:40:51,030 --> 01:40:48,560

that i did have a brother-in-law who

2443

01:40:53,189 --> 01:40:51,040

danced he was a stripper but he he

2444

01:40:55,990 --> 01:40:53,199

divorced my sister-in-law

2445

01:40:57,669 --> 01:40:56,000

and and it would probably not be like

2446

01:40:59,270 --> 01:40:57,679

acceptable for me to call him up and ask

2447

01:41:02,830 --> 01:40:59,280

him to come and dance you know straight

2448

01:41:07,030 --> 01:41:04,950

yeah yeah

2449

01:41:09,030 --> 01:41:07,040

yeah but i'm sure there's some clubs you

2450

01:41:10,390 --> 01:41:09,040

could go to and pick up a gun i don't

2451
01:41:13,030 --> 01:41:10,400
know that's probably not the right place

2452
01:41:14,149 --> 01:41:13,040
to go jesus christ andy oh you have to

2453
01:41:16,310 --> 01:41:14,159
know

2454
01:41:22,070 --> 01:41:16,320
i'm not picking up dudes just for this

2455
01:41:27,830 --> 01:41:24,950
i think i could go to casting sites and

2456
01:41:29,910 --> 01:41:27,840
say yeah beefy attractive male 1 want it

2457
01:41:34,229 --> 01:41:29,920
for a quick dance job and pay the guy

2458
01:41:37,910 --> 01:41:35,830
if one of your twitter haters or

2459
01:41:42,070 --> 01:41:37,920
whatever gets a hold of that ad from you

2460
01:41:42,080 --> 01:41:44,950
oh god

2461
01:41:49,189 --> 01:41:47,109
i'm serious i can see it now i mean

2462
01:41:51,910 --> 01:41:49,199
you're close to philadelphia right

2463
01:41:54,870 --> 01:41:51,920

trixie i got it i i just haven't asked

2464

01:41:56,390 --> 01:41:54,880

around i know so many out of work actors

2465

01:42:13,030 --> 01:41:56,400

that's one of them's got to be a big

2466

01:42:13,040 --> 01:42:16,709

for the ladies already just saying

2467

01:42:21,669 --> 01:42:19,430

has anyone kept ebbs on angelie

2468

01:42:23,510 --> 01:42:21,679

how's that story oh god does anyone know

2469

01:42:25,669 --> 01:42:23,520

i don't know she was at a ufo conference

2470

01:42:27,910 --> 01:42:25,679

not long ago i know this alien girl amy

2471

01:42:31,270 --> 01:42:27,920

interviewed her or something isn't that

2472

01:42:34,470 --> 01:42:31,280

funny how like now she turned into the

2473

01:42:36,229 --> 01:42:34,480

ufo circuit jet crowd and just

2474

01:42:37,990 --> 01:42:36,239

now he's on tour

2475

01:42:40,310 --> 01:42:38,000

really tell me he's better

2476

01:42:42,790 --> 01:42:40,320

the child now i'm a

2477

01:42:43,910 --> 01:42:42,800

funny one anyone with a good story can

2478

01:42:46,149 --> 01:42:43,920

end up

2479

01:42:47,510 --> 01:42:46,159

in a ufo conference it's amazing how

2480

01:42:49,669 --> 01:42:47,520

easy it is

2481

01:42:51,270 --> 01:42:49,679

send me the links please god send me the

2482

01:42:53,430 --> 01:42:51,280

links please god

2483

01:42:55,270 --> 01:42:53,440

because i really don't want some strange

2484

01:42:56,870 --> 01:42:55,280

dude with a shirt off dancing in my

2485

01:42:57,750 --> 01:42:56,880

house okay

2486

01:42:59,910 --> 01:42:57,760

all right

2487

01:43:02,310 --> 01:42:59,920

i said give me the links email me the

2488

01:43:04,870 --> 01:43:02,320

links you protest too much stephen and

2489

01:43:08,950 --> 01:43:04,880

steven don't realize he is actually he's

2490

01:43:13,590 --> 01:43:11,189

well you know what technically i worked

2491

01:43:15,830 --> 01:43:13,600

18 hours yesterday now i know i was only

2492

01:43:17,830 --> 01:43:15,840

in the live chat answering questions but

2493

01:43:19,510 --> 01:43:17,840

i had to be there because people like

2494

01:43:21,669 --> 01:43:19,520

ron would come in in the middle of it

2495

01:43:23,830 --> 01:43:21,679

and go who's this person being

2496

01:43:25,669 --> 01:43:23,840

interviewed even though it says right in

2497

01:43:27,910 --> 01:43:25,679

the beginning of the interview the

2498

01:43:29,669 --> 01:43:27,920

interviewee was like this is the date

2499

01:43:31,350 --> 01:43:29,679

this is the time this is the person

2500

01:43:33,350 --> 01:43:31,360

being interviewed ron would come in and

2501
01:43:35,350 --> 01:43:33,360
go who's this guy being interviewed so

2502
01:43:37,990 --> 01:43:35,360
then i would tell him and then he'd go

2503
01:43:40,950 --> 01:43:38,000
when was this interview done this is old

2504
01:43:42,229 --> 01:43:40,960
right now oh he hates me bro 91 you

2505
01:43:47,109 --> 01:43:42,239
dumbass they said it right in the

2506
01:43:50,149 --> 01:43:49,350
yesterday so today i consider overtime

2507
01:43:51,669 --> 01:43:50,159
like

2508
01:43:53,270 --> 01:43:51,679
you know you know you know what i

2509
01:43:55,750 --> 01:43:53,280
remember

2510
01:43:57,910 --> 01:43:55,760
i usually keep the cabin to myself but

2511
01:44:00,550 --> 01:43:57,920
i wanted to be here today there was this

2512
01:44:02,629 --> 01:44:00,560
one interview which ended really

2513
01:44:04,870 --> 01:44:02,639

quite abruptly well the guy goes ahead

2514

01:44:07,430 --> 01:44:04,880

and says uh something like or or the the

2515

01:44:09,109 --> 01:44:07,440

interviewer asks he says um

2516

01:44:10,709 --> 01:44:09,119

has your father ever done anything

2517

01:44:12,070 --> 01:44:10,719

illegal in other words i don't remember

2518

01:44:13,590 --> 01:44:12,080

the exact words and he's like and then

2519

01:44:15,750 --> 01:44:13,600

they got the thing

2520

01:44:17,750 --> 01:44:15,760

yeah and then he goes first he says yes

2521

01:44:19,510 --> 01:44:17,760

and then he asks him in a different way

2522

01:44:21,030 --> 01:44:19,520

or something then he says oh no and then

2523

01:44:21,910 --> 01:44:21,040

they just caught it they said all right

2524

01:44:24,149 --> 01:44:21,920

you know

2525

01:44:25,830 --> 01:44:24,159

i mean good for the reviewer i mean or

2526

01:44:27,189 --> 01:44:25,840

the interviewer saying okay all right if

2527

01:44:29,990 --> 01:44:27,199

you're going to lie to me within two

2528

01:44:32,390 --> 01:44:30,000

seconds i mean come on now i know i mean

2529

01:44:34,950 --> 01:44:32,400

i i mean granted still you need to know

2530

01:44:37,350 --> 01:44:34,960

listen and i'm just kidding ufo john doe

2531

01:44:39,590 --> 01:44:37,360

i was there to answer the questions i

2532

01:44:40,709 --> 01:44:39,600

was there to sort of help guide people

2533

01:44:42,790 --> 01:44:40,719

through what was going on because it

2534

01:44:44,709 --> 01:44:42,800

does get confusing some of those

2535

01:44:46,709 --> 01:44:44,719

interviews didn't mention who the who

2536

01:44:49,510 --> 01:44:46,719

the name was or when it was

2537

01:44:51,830 --> 01:44:49,520

it was just stuff jammed in an oh

2538

01:44:53,830 --> 01:44:51,840

and the national archives

2539

01:44:55,910 --> 01:44:53,840

was no help it was like

2540

01:44:58,070 --> 01:44:55,920

people being interviewed about roswell

2541

01:45:01,030 --> 01:44:58,080

great great thanks for those no names no

2542

01:45:03,350 --> 01:45:01,040

references no who's interviewing other

2543

01:45:04,550 --> 01:45:03,360

experts who is this person what is their

2544

01:45:07,030 --> 01:45:04,560

background why are they being

2545

01:45:09,350 --> 01:45:07,040

interviewed so that i would be able to

2546

01:45:11,750 --> 01:45:09,360

answer questions about it and i didn't

2547

01:45:13,590 --> 01:45:11,760

mean to put that in there like put a

2548

01:45:15,430 --> 01:45:13,600

graphic saying this is the name this is

2549

01:45:17,669 --> 01:45:15,440

the date of the interview this is who

2550

01:45:21,189 --> 01:45:17,679

they are but i just ran out of i ran out

2551

01:45:25,669 --> 01:45:23,430

right like putting another two days

2552

01:45:28,229 --> 01:45:25,679

worth of work into it no see what

2553

01:45:29,830 --> 01:45:28,239

happens ufo john doe you give super

2554

01:45:32,709 --> 01:45:29,840

chats and you're nice like that you get

2555

01:45:36,470 --> 01:45:32,719

treated nice yeah me

2556

01:45:41,430 --> 01:45:38,790

rod knows i'm from philadelphia and

2557

01:45:43,590 --> 01:45:41,440

where i come from with men if i bust

2558

01:45:45,189 --> 01:45:43,600

your balls it's a sign of affection she

2559

01:45:46,550 --> 01:45:45,199

really is that's the way we are in

2560

01:45:48,950 --> 01:45:46,560

philly

2561

01:45:50,149 --> 01:45:48,960

my man i know yeah it means i like you i

2562

01:45:54,820 --> 01:45:50,159

bust your back

2563

01:46:00,149 --> 01:45:57,669

[Laughter]

2564

01:46:01,830 --> 01:46:00,159

didn't the project camelot interview the

2565

01:46:03,590 --> 01:46:01,840

dude in the red jacket wasn't that the

2566

01:46:06,149 --> 01:46:03,600

son of one of the people did project

2567

01:46:08,790 --> 01:46:06,159

camelot interview that guy probably they

2568

01:46:11,430 --> 01:46:08,800

interviewed everybody another one of uh

2569

01:46:12,629 --> 01:46:11,440

who was it conspiracy brain on the

2570

01:46:15,109 --> 01:46:12,639

floors

2571

01:46:18,470 --> 01:46:15,119

uh love you all thank you for having me

2572

01:46:20,310 --> 01:46:18,480

on steve uh i will email you again

2573

01:46:22,709 --> 01:46:20,320

hopefully we'll do a future one maybe

2574

01:46:24,629 --> 01:46:22,719

we'll join together

2575

01:46:27,030 --> 01:46:24,639

he's gonna come here and show us some

2576

01:46:29,109 --> 01:46:27,040

wacky ass alchemy stuff and i'm gonna

2577

01:46:30,709 --> 01:46:29,119

bust his balls because i don't even

2578

01:46:36,390 --> 01:46:30,719

understand what the hell's going on he's

2579

01:46:43,510 --> 01:46:38,790

now it's white powder

2580

01:46:47,189 --> 01:46:45,590

such i don't recommend anybody drink or

2581

01:46:49,910 --> 01:46:47,199

eat any of it you'll kill yourself

2582

01:46:52,229 --> 01:46:49,920

instantly and yes i am a fool i'm the

2583

01:46:54,950 --> 01:46:52,239

only person that takes physical gold and

2584

01:46:57,990 --> 01:46:54,960

silver and melts it into this which is

2585

01:47:00,229 --> 01:46:58,000

definitely not the same so

2586

01:47:01,750 --> 01:47:00,239

have you made any red mercury yet though

2587

01:47:03,270 --> 01:47:01,760

that's the question

2588

01:47:06,830 --> 01:47:03,280

uh

2589

01:47:12,229 --> 01:47:09,270

wow nice oh yeah

2590

01:47:14,310 --> 01:47:12,239

anywho i gotta go i'm doing uh my weekly

2591

01:47:14,990 --> 01:47:14,320

yeah we're gonna wrap things friday i go

2592

01:47:18,229 --> 01:47:15,000

to

2593

01:47:19,750 --> 01:47:18,239

leakproject.com i do weekend at burneise

2594

01:47:22,149 --> 01:47:19,760

uh and then every monday i do

2595

01:47:25,750 --> 01:47:22,159

alternative history reviews on

2596

01:47:27,830 --> 01:47:25,760

autodidactic australia channel and apex

2597

01:47:29,750 --> 01:47:27,840

on alien scientist

2598

01:47:31,910 --> 01:47:29,760

we'll talk to y'all soon thanks for

2599

01:47:38,629 --> 01:47:31,920

everything you do steve

2600

01:47:41,990 --> 01:47:40,810

boom there we go and then there were

2601
01:47:44,870 --> 01:47:42,000

[Music]

2602
01:47:47,430 --> 01:47:44,880

five yeah yeah if you wanna if you want

2603
01:47:52,149 --> 01:47:47,440

to make your statuses here rogue status

2604
01:47:58,070 --> 01:47:55,430

this weekend this weekend i i am

2605
01:48:00,709 --> 01:47:58,080

finishing the last few little bits of

2606
01:48:03,270 --> 01:48:00,719

that sun room for those who don't know

2607
01:48:05,189 --> 01:48:03,280

rogue status was the first winner on the

2608
01:48:07,750 --> 01:48:05,199

come to my cabin and i'll make you work

2609
01:48:10,149 --> 01:48:07,760

all weekend sweepstakes

2610
01:48:12,070 --> 01:48:10,159

oh the electricity that's right and he

2611
01:48:14,149 --> 01:48:12,080

wired this whole thing

2612
01:48:15,750 --> 01:48:14,159

and he did a great job even oh by the

2613
01:48:17,510 --> 01:48:15,760

way my wife saw it and she knew right

2614

01:48:19,510 --> 01:48:17,520

away i didn't do it

2615

01:48:20,709 --> 01:48:19,520

that's how good of a job she looked at

2616

01:48:22,790 --> 01:48:20,719

it and she went

2617

01:48:24,229 --> 01:48:22,800

you did she thought matt did it my

2618

01:48:26,470 --> 01:48:24,239

neighbor she said some of the ins did

2619

01:48:28,229 --> 01:48:26,480

matthew i said no that was that was my

2620

01:48:30,390 --> 01:48:28,239

friend who came here and did it you met

2621

01:48:32,950 --> 01:48:30,400

him and she went oh he's the electrician

2622

01:48:35,109 --> 01:48:32,960

i said yeah so he did a great job

2623

01:48:36,870 --> 01:48:35,119

nothing has caught on fire or exploded

2624

01:48:38,790 --> 01:48:36,880

and if i fired it

2625

01:48:40,790 --> 01:48:38,800

there would be a good po i i'm okay with

2626

01:48:42,870 --> 01:48:40,800

wiring but it takes me forever and then

2627

01:48:44,950 --> 01:48:42,880

i still got outlets that don't work he

2628

01:48:47,189 --> 01:48:44,960

don't work for tesla that's why you know

2629

01:48:48,629 --> 01:48:47,199

that's why he did a great job and i want

2630

01:48:50,950 --> 01:48:48,639

to let him know that his contribution

2631

01:48:53,030 --> 01:48:50,960

was great because because he did that he

2632

01:48:55,430 --> 01:48:53,040

saved me at least a weekend or two of me

2633

01:48:56,390 --> 01:48:55,440

trying to figure it out and get it done

2634

01:48:58,149 --> 01:48:56,400

and so

2635

01:49:01,510 --> 01:48:58,159

you probably want to do it properly yeah

2636

01:49:03,750 --> 01:49:01,520

i have i epoxied the floor but one spot

2637

01:49:05,750 --> 01:49:03,760

needs to be gone over and then there's

2638

01:49:07,430 --> 01:49:05,760

uh where the rocks were like messed up

2639

01:49:10,229 --> 01:49:07,440

at the bottom of that one pier i'm gonna

2640

01:49:12,149 --> 01:49:10,239

redo the rocks but i'm like two hours

2641

01:49:13,830 --> 01:49:12,159

and i'm done that whole sunroom so thank

2642

01:49:15,109 --> 01:49:13,840

you that's awesome man i'm looking

2643

01:49:17,189 --> 01:49:15,119

forward to appreciate it take pictures

2644

01:49:19,030 --> 01:49:17,199

man i want to see yeah i will definitely

2645

01:49:19,990 --> 01:49:19,040

do that i'm going to do a video or walk

2646

01:49:21,189 --> 01:49:20,000

through

2647

01:49:23,990 --> 01:49:21,199

cool

2648

01:49:25,189 --> 01:49:24,000

that's outstanding

2649

01:49:26,149 --> 01:49:25,199

so what's up everybody how are we doing

2650

01:49:27,830 --> 01:49:26,159

i just got here i've no idea what's

2651
01:49:29,910 --> 01:49:27,840
going on you know what i was going to

2652
01:49:32,229 --> 01:49:29,920
mention was i mean you mentioned about

2653
01:49:34,149 --> 01:49:32,239
you know so many people that that were

2654
01:49:36,149 --> 01:49:34,159
interviewed even even across the 20

2655
01:49:38,390 --> 01:49:36,159
hours i mean that was quite a few who

2656
01:49:40,790 --> 01:49:38,400
was it the don smith that said that he

2657
01:49:42,550 --> 01:49:40,800
interviewed 600 or something like that

2658
01:49:45,030 --> 01:49:42,560
was that the one that did the 600

2659
01:49:46,790 --> 01:49:45,040
interviews 600 people here imagine that

2660
01:49:48,790 --> 01:49:46,800
thank god

2661
01:49:50,870 --> 01:49:48,800
i liked it out of the or everybody was

2662
01:49:52,709 --> 01:49:50,880
that don schmidt did use the process of

2663
01:49:54,470 --> 01:49:52,719

elimination if they lied to you once

2664

01:49:56,470 --> 01:49:54,480

just dump them or you know if they

2665

01:49:57,510 --> 01:49:56,480

clearly lied intentionally just get rid

2666

01:49:59,350 --> 01:49:57,520

of them there's

2667

01:50:01,109 --> 01:49:59,360

actually

2668

01:50:02,470 --> 01:50:01,119

we have two other show hosts here so

2669

01:50:04,790 --> 01:50:02,480

this should be okay

2670

01:50:07,270 --> 01:50:04,800

i have a visitor that just stopped by

2671

01:50:09,350 --> 01:50:07,280

the cabin so i'm gonna have to

2672

01:50:11,510 --> 01:50:09,360

bow out of here for a little bit i

2673

01:50:13,270 --> 01:50:11,520

nominate the two other show hosts to

2674

01:50:16,229 --> 01:50:13,280

make sure that this does not go off the

2675

01:50:18,470 --> 01:50:16,239

rails until i return

2676

01:50:21,510 --> 01:50:18,480

your number i said hello all right

2677

01:50:23,189 --> 01:50:21,520

yes how could anything happen i paid

2678

01:50:24,550 --> 01:50:23,199

somebody to ring his bell so he could

2679

01:50:27,990 --> 01:50:24,560

get the hell out of here that's this

2680

01:50:31,830 --> 01:50:28,000

door now adorable

2681

01:50:39,669 --> 01:50:33,830

i'm gonna i'm gonna put my paypal

2682

01:50:43,430 --> 01:50:41,510

yeah i thought that don schmidt was one

2683

01:50:44,790 --> 01:50:43,440

of the best one of the great ones also

2684

01:50:46,950 --> 01:50:44,800

always

2685

01:50:47,830 --> 01:50:46,960

awesome

2686

01:50:49,830 --> 01:50:47,840

and

2687

01:50:51,669 --> 01:50:49,840

yeah oddly until the end then i started

2688

01:50:53,669 --> 01:50:51,679

seeing them being a little pushy but

2689

01:50:55,830 --> 01:50:53,679

other than that i think i mean i liked

2690

01:50:57,589 --> 01:50:55,840

his attitude and i and i really

2691

01:51:01,109 --> 01:50:57,599

certainly like that look if somebody's

2692

01:51:03,109 --> 01:51:01,119

gonna lie to you just dump them don't

2693

01:51:05,669 --> 01:51:03,119

even granted look i mean granted look

2694

01:51:08,070 --> 01:51:05,679

you might be dumping something that's

2695

01:51:10,149 --> 01:51:08,080

or some portion that's still real but if

2696

01:51:12,470 --> 01:51:10,159

you're gonna lie to you you can't trust

2697

01:51:14,550 --> 01:51:12,480

anything they say after that credibility

2698

01:51:16,470 --> 01:51:14,560

is gone credibility

2699

01:51:18,229 --> 01:51:16,480

exactly when they're being honest with

2700

01:51:20,310 --> 01:51:18,239

you that's the thing but imagine that

2701
01:51:23,669 --> 01:51:20,320
600 i suppose that was across like 10

2702
01:51:24,870 --> 01:51:23,679
years time he did give a time period but

2703
01:51:27,750 --> 01:51:24,880
it was quite

2704
01:51:29,910 --> 01:51:27,760
a while it wasn't like in one week

2705
01:51:31,430 --> 01:51:29,920
did any of you see us any of you guys

2706
01:51:33,510 --> 01:51:31,440
see a show

2707
01:51:35,830 --> 01:51:33,520
um that was on maybe last year or

2708
01:51:37,669 --> 01:51:35,840
something i don't know if it was history

2709
01:51:39,350 --> 01:51:37,679
one of those channels that

2710
01:51:41,910 --> 01:51:39,360
they did the

2711
01:51:44,149 --> 01:51:41,920
the jesse marcel the roswell thing and

2712
01:51:45,350 --> 01:51:44,159
they were doing like a.i that oh yeah

2713
01:51:53,510 --> 01:51:45,360

yeah

2714

01:51:55,830 --> 01:51:53,520

a bit gimmicky i think it was a bit of a

2715

01:51:56,950 --> 01:51:55,840

gimmick because you can't really get

2716

01:51:59,109 --> 01:51:56,960

you know

2717

01:52:01,830 --> 01:51:59,119

it was light detectors wasn't it an ai

2718

01:52:03,510 --> 01:52:01,840

it was mainly our ai rather than yeah

2719

01:52:04,870 --> 01:52:03,520

looking at facial expressions and all

2720

01:52:07,109 --> 01:52:04,880

that and it would say

2721

01:52:09,030 --> 01:52:07,119

true or something i don't know yeah

2722

01:52:10,229 --> 01:52:09,040

i have no uh

2723

01:52:12,390 --> 01:52:10,239

uh it didn't

2724

01:52:14,310 --> 01:52:12,400

it didn't uh convince me one way or the

2725

01:52:16,550 --> 01:52:14,320

other i was still in the same position i

2726

01:52:18,470 --> 01:52:16,560

was yeah i had a lot of people that

2727

01:52:20,470 --> 01:52:18,480

stephen interviewed and all that they

2728

01:52:21,990 --> 01:52:20,480

were i believe on that well yeah that's

2729

01:52:23,830 --> 01:52:22,000

right

2730

01:52:26,070 --> 01:52:23,840

the ai's only working off the few

2731

01:52:28,390 --> 01:52:26,080

interviews that are available to the ai

2732

01:52:29,350 --> 01:52:28,400

yeah so some of it's old footage as well

2733

01:52:31,589 --> 01:52:29,360

exactly

2734

01:52:33,350 --> 01:52:31,599

it's not there's thousands of hours for

2735

01:52:35,510 --> 01:52:33,360

it to come you know

2736

01:52:37,109 --> 01:52:35,520

to learn right yeah yeah right right

2737

01:52:40,790 --> 01:52:37,119

it's it's got wait a couple two three

2738

01:52:42,149 --> 01:52:40,800

hours it's a bit gimmicky you know

2739

01:52:44,149 --> 01:52:42,159

that's right

2740

01:52:46,310 --> 01:52:44,159

no that makes sense is like the machine

2741

01:52:48,550 --> 01:52:46,320

learning like how can it tell like if it

2742

01:52:50,470 --> 01:52:48,560

doesn't have any baseline to go off of

2743

01:52:52,629 --> 01:52:50,480

on the person absolutely and some of the

2744

01:52:54,149 --> 01:52:52,639

footage was from just interviews like 50

2745

01:52:56,709 --> 01:52:54,159

years ago it's like

2746

01:52:58,550 --> 01:52:56,719

you know yeah how's it able to do that i

2747

01:53:00,149 --> 01:52:58,560

mean i know computers these days are

2748

01:53:02,870 --> 01:53:00,159

very good but

2749

01:53:05,189 --> 01:53:02,880

uh and because some who was it uh

2750

01:53:07,350 --> 01:53:05,199

turned out to be lying in in the in the

2751

01:53:08,709 --> 01:53:07,360

show there was one that was supposedly a

2752

01:53:10,229 --> 01:53:08,719

surprise

2753

01:53:15,109 --> 01:53:10,239

i think it was a sign of one of the

2754

01:53:19,430 --> 01:53:17,350

apparently yeah i said he was lying uh

2755

01:53:21,589 --> 01:53:19,440

which like i thought oh [\h__\h] don't don't

2756

01:53:24,950 --> 01:53:21,599

be real don't i wanted to believe that

2757

01:53:27,750 --> 01:53:24,960

he wasn't lying but thanks six but then

2758

01:53:29,830 --> 01:53:27,760

yeah so yeah but the ai then says he was

2759

01:53:31,830 --> 01:53:29,840

lying it's like well [\h__\h] i'm still not

2760

01:53:33,750 --> 01:53:31,840

going to believe the ai but i you know

2761

01:53:35,030 --> 01:53:33,760

i've got an open mind but so like i said

2762

01:53:37,030 --> 01:53:35,040

i thought the show was a bit gimmicky

2763

01:53:39,109 --> 01:53:37,040

but interesting to watch because some of

2764

01:53:40,550 --> 01:53:39,119

the old footage was interesting you have

2765

01:53:44,070 --> 01:53:40,560

john doe

2766

01:53:45,589 --> 01:53:44,080

yeah um a majority of people marcel is

2767

01:53:48,310 --> 01:53:45,599

said was true

2768

01:53:49,189 --> 01:53:48,320

but the guy if i'm wrong the one that

2769

01:53:54,390 --> 01:53:49,199

was

2770

01:53:55,109 --> 01:53:54,400

something like that and that's right

2771

01:53:56,229 --> 01:53:55,119

yeah

2772

01:53:58,229 --> 01:53:56,239

a couple of

2773

01:54:00,629 --> 01:53:58,239

some things they were saying true but

2774

01:54:03,030 --> 01:54:00,639

then at the end or whatever the end

2775

01:54:04,709 --> 01:54:03,040

result was they said false

2776
01:54:07,350 --> 01:54:04,719
that he was being deceptive yeah

2777
01:54:10,070 --> 01:54:07,360
deceptively deceptive yeah

2778
01:54:13,910 --> 01:54:10,080
again even though those old ladies were

2779
01:54:16,550 --> 01:54:13,920
it said true i believe on the old ladies

2780
01:54:17,510 --> 01:54:16,560
you know and there wasn't that much

2781
01:54:19,750 --> 01:54:17,520
footage

2782
01:54:22,070 --> 01:54:19,760
that's where you got to go back to that

2783
01:54:24,149 --> 01:54:22,080
footage based off the footage they had

2784
01:54:26,070 --> 01:54:24,159
it determined that they were

2785
01:54:27,430 --> 01:54:26,080
not being deceptive that they were being

2786
01:54:29,430 --> 01:54:27,440
truthful so yeah that's pretty

2787
01:54:31,350 --> 01:54:29,440
interesting watch regular television

2788
01:54:33,189 --> 01:54:31,360

program and i don't even

2789

01:54:35,350 --> 01:54:33,199

order the service i just get internet

2790

01:54:37,910 --> 01:54:35,360

only and i'll tell you why because i

2791

01:54:39,589 --> 01:54:37,920

mean especially now it's almost all

2792

01:54:41,510 --> 01:54:39,599

complete [h__h] now the thing is is

2793

01:54:43,910 --> 01:54:41,520

look years ago i thought the history

2794

01:54:44,790 --> 01:54:43,920

channel was really cool discovery really

2795

01:54:46,790 --> 01:54:44,800

cool

2796

01:54:50,310 --> 01:54:46,800

and you know the ancient aliens well it

2797

01:54:51,270 --> 01:54:50,320

was still kind of you know entertaining

2798

01:54:53,430 --> 01:54:51,280

but yeah

2799

01:54:55,589 --> 01:54:53,440

this is now looking at it now it's

2800

01:54:57,189 --> 01:54:55,599

almost all oh it just keeps repeating

2801
01:54:59,350 --> 01:54:57,199
the same stuff now i don't even watch it

2802
01:55:01,669 --> 01:54:59,360
anymore okay yeah it's sickening

2803
01:55:03,750 --> 01:55:01,679
thickening i like that i love the idea

2804
01:55:05,669 --> 01:55:03,760
of ancient aliens you know i really love

2805
01:55:07,350 --> 01:55:05,679
the whole idea and yeah they've been

2806
01:55:08,629 --> 01:55:07,360
caught too many times though that's the

2807
01:55:11,109 --> 01:55:08,639
problem with that

2808
01:55:12,550 --> 01:55:11,119
yeah it's like skin water ranch and also

2809
01:55:16,709 --> 01:55:12,560
you have to remember

2810
01:55:21,030 --> 01:55:16,719
ancient alien theory was based on bad

2811
01:55:25,589 --> 01:55:23,350
i had no idea how to really translate

2812
01:55:27,510 --> 01:55:25,599
sumerian so he made a lot of bad errors

2813
01:55:29,830 --> 01:55:27,520

like you know those who came from the

2814

01:55:30,709 --> 01:55:29,840

skies it didn't really say that

2815

01:55:32,870 --> 01:55:30,719

you know

2816

01:55:34,390 --> 01:55:32,880

no it said it said basically those who

2817

01:55:36,870 --> 01:55:34,400

came from heaven

2818

01:55:39,990 --> 01:55:36,880

which i guess you could argue but

2819

01:55:41,830 --> 01:55:40,000

yeah you know he he tended to push the

2820

01:55:44,149 --> 01:55:41,840

these were technological beings they

2821

01:55:45,669 --> 01:55:44,159

weren't spiritual beings and the

2822

01:55:48,310 --> 01:55:45,679

sumerian texts when they're actually

2823

01:55:50,229 --> 01:55:48,320

translated are talking clearly about

2824

01:55:50,950 --> 01:55:50,239

spiritual beings

2825

01:55:55,910 --> 01:55:50,960

not

2826

01:55:57,669 --> 01:55:55,920

bodies isn't that comparable to word

2827

01:56:00,709 --> 01:55:57,679

salad i mean you're just choosing

2828

01:56:02,310 --> 01:56:00,719

particular words that suit your your oh

2829

01:56:04,070 --> 01:56:02,320

you know what your narrative is yeah

2830

01:56:05,990 --> 01:56:04,080

your narrative narrative yeah that's

2831

01:56:07,350 --> 01:56:06,000

like the the petroglyphs and hieroglyphs

2832

01:56:09,109 --> 01:56:07,360

also

2833

01:56:11,350 --> 01:56:09,119

depends on how you translate them you

2834

01:56:14,550 --> 01:56:11,360

can see an alien or you could see or you

2835

01:56:16,629 --> 01:56:14,560

could see a demon you know let me ask

2836

01:56:18,790 --> 01:56:16,639

you a question like um with the

2837

01:56:21,030 --> 01:56:18,800

sumerians right and also because you'll

2838

01:56:22,070 --> 01:56:21,040

see some of this saying go bl bo beckley

2839

01:56:23,669 --> 01:56:22,080

tepe

2840

01:56:25,990 --> 01:56:23,679

i don't think those are like they keep

2841

01:56:28,149 --> 01:56:26,000

saying that they have handbags for some

2842

01:56:30,629 --> 01:56:28,159

reason i don't believe that's a handbag

2843

01:56:32,629 --> 01:56:30,639

it looks like one no

2844

01:56:34,070 --> 01:56:32,639

some energy or something that has to do

2845

01:56:35,990 --> 01:56:34,080

with something i don't know why i call

2846

01:56:36,950 --> 01:56:36,000

them handbags because they look they

2847

01:56:38,790 --> 01:56:36,960

look like

2848

01:56:40,709 --> 01:56:38,800

turn them handbags but i don't think

2849

01:56:42,629 --> 01:56:40,719

everyone believes they're handbags but

2850

01:56:44,390 --> 01:56:42,639

yeah it is interesting that all those

2851
01:56:46,310 --> 01:56:44,400
statues have the same

2852
01:56:48,709 --> 01:56:46,320
thing in their hands though yeah yeah

2853
01:56:50,470 --> 01:56:48,719
from different parts of water

2854
01:56:52,229 --> 01:56:50,480
could have been water you know carrying

2855
01:56:54,470 --> 01:56:52,239
something to carry water because water

2856
01:56:56,310 --> 01:56:54,480
was scarce in some of those areas yeah

2857
01:56:58,870 --> 01:56:56,320
well i i think i've always been

2858
01:57:00,629 --> 01:56:58,880
interested in that kind of stuff too and

2859
01:57:02,709 --> 01:57:00,639
and i've and i've done a lot of research

2860
01:57:05,030 --> 01:57:02,719
as well as you know watched a lot of

2861
01:57:06,709 --> 01:57:05,040
programming on it and and here's the

2862
01:57:09,430 --> 01:57:06,719
thing though these there really was

2863
01:57:12,470 --> 01:57:09,440

people back then i mean but think of the

2864

01:57:13,270 --> 01:57:12,480

idea of how long ago it was you know to

2865

01:57:16,229 --> 01:57:13,280

us

2866

01:57:18,790 --> 01:57:16,239

20 years is a distance a hundred years

2867

01:57:20,070 --> 01:57:18,800

wow we weren't even alive you know think

2868

01:57:23,430 --> 01:57:20,080

of this this is

2869

01:57:25,669 --> 01:57:23,440

thousands of years ago you know

2870

01:57:28,229 --> 01:57:25,679

i mean and granted look were they trying

2871

01:57:30,470 --> 01:57:28,239

to tell us something i i suppose yeah

2872

01:57:32,390 --> 01:57:30,480

but what does our art do our does the

2873

01:57:34,149 --> 01:57:32,400

same thing what if somebody you know

2874

01:57:36,870 --> 01:57:34,159

three thousand years from now finds our

2875

01:57:48,790 --> 01:57:36,880

stuff well it depends we have to find

2876

01:57:53,189 --> 01:57:50,470

so we're going to try to wrap it up but

2877

01:57:55,030 --> 01:57:53,199

here's what i want to say going forward

2878

01:57:57,109 --> 01:57:55,040

i did have a hard and fast rule that i

2879

01:57:59,510 --> 01:57:57,119

don't do shows from the cabin on friday

2880

01:58:01,510 --> 01:57:59,520

or whatever but you know i'm willing to

2881

01:58:04,229 --> 01:58:01,520

do that so i think going forward every

2882

01:58:06,229 --> 01:58:04,239

friday we're going to do a panel show to

2883

01:58:08,390 --> 01:58:06,239

sort of wrap up the week and talk about

2884

01:58:09,510 --> 01:58:08,400

things that we presented or talked about

2885

01:58:11,669 --> 01:58:09,520

during the week i think that's a good

2886

01:58:13,270 --> 01:58:11,679

idea you guys are all welcome next

2887

01:58:15,510 --> 01:58:13,280

friday but i think we're going to try to

2888

01:58:17,430 --> 01:58:15,520

do it a little bit earlier like maybe 7

2889

01:58:19,109 --> 01:58:17,440

00 p.m that would be great for me

2890

01:58:20,870 --> 01:58:19,119

because it's now 4 a.m in the morning

2891

01:58:23,189 --> 01:58:20,880

here right

2892

01:58:24,790 --> 01:58:23,199

well i i thank you for being listen you

2893

01:58:26,790 --> 01:58:24,800

don't have anything more important to do

2894

01:58:29,430 --> 01:58:26,800

and i've got nothing to do man nothing

2895

01:58:31,669 --> 01:58:29,440

to do yeah i think i want to steal him

2896

01:58:34,629 --> 01:58:31,679

away from anthony so i could have that

2897

01:58:36,550 --> 01:58:34,639

british co-host that's not fair how am i

2898

01:58:38,709 --> 01:58:36,560

supposed to compete with that [h__h]

2899

01:58:40,950 --> 01:58:38,719

he's got a miami kai

2900

01:58:42,790 --> 01:58:40,960

we'll find you somebody

2901

01:58:43,990 --> 01:58:42,800

hey think think of that though think of

2902

01:58:45,589 --> 01:58:44,000

the power of

2903

01:58:47,270 --> 01:58:45,599

yeah think of it think of a power of

2904

01:58:48,709 --> 01:58:47,280

like a professor from another country

2905

01:58:50,790 --> 01:58:48,719

that has this accent but he speaks

2906

01:58:52,629 --> 01:58:50,800

perfectly good english it's like you

2907

01:58:54,870 --> 01:58:52,639

almost want to believe him but but

2908

01:58:58,149 --> 01:58:54,880

here's the you know right but think of

2909

01:59:02,470 --> 01:59:00,629

this is what i'm saying is is you know

2910

01:59:05,430 --> 01:59:02,480

us as americans that have been around

2911

01:59:06,709 --> 01:59:05,440

other americans know or can pretty much

2912

01:59:09,030 --> 01:59:06,719

feel out when somebody's bullshitting

2913

01:59:11,030 --> 01:59:09,040

just by how they say certain things now

2914

01:59:12,950 --> 01:59:11,040

when you get somebody from over across

2915

01:59:14,709 --> 01:59:12,960

it's kind of again what are you trying

2916

01:59:21,270 --> 01:59:14,719

to say

2917

01:59:25,589 --> 01:59:23,589

and i find actually i mean maybe maybe

2918

01:59:27,270 --> 01:59:25,599

that's my personal thing you know when i

2919

01:59:28,470 --> 01:59:27,280

hear somebody from and i don't care

2920

01:59:29,990 --> 01:59:28,480

where they are in the world if they're

2921

01:59:32,229 --> 01:59:30,000

smart they're intelligent and they're

2922

01:59:34,229 --> 01:59:32,239

speaking they're speaking proper stuff

2923

01:59:36,390 --> 01:59:34,239

you know and truth i don't care where

2924

01:59:38,550 --> 01:59:36,400

they're from in the world but i i gotta

2925

01:59:41,030 --> 01:59:38,560

say that maybe i find it a little bit

2926

01:59:43,270 --> 01:59:41,040

more enjoyable because i'm you know

2927

01:59:45,189 --> 01:59:43,280

heard so many americans talk you know oh

2928

01:59:47,830 --> 01:59:45,199

yeah you're sick of hearing america a

2929

01:59:49,669 --> 01:59:47,840

long time ago i i used to think

2930

01:59:52,870 --> 01:59:49,679

english people do sound like they know

2931

01:59:54,790 --> 01:59:52,880

what they're talking about somehow

2932

01:59:58,870 --> 01:59:54,800

that's how nick pope gets away with his

2933

02:00:01,750 --> 01:59:58,880

[h__h] yeah i i investigate ufos with a

2934

02:00:03,750 --> 02:00:01,760

british mod it was lost

2935

02:00:06,470 --> 02:00:03,760

all he did was answer the phone and give

2936

02:00:07,589 --> 02:00:06,480

people's phone numbers to the people

2937

02:00:09,350 --> 02:00:07,599

secretary

2938

02:00:11,109 --> 02:00:09,360

yes

2939

02:00:12,390 --> 02:00:11,119

hey i'll say this

2940

02:00:14,790 --> 02:00:12,400

and jump out of here real quick i

2941

02:00:17,510 --> 02:00:14,800

apologize sixth sense uh oh no oh man

2942

02:00:20,149 --> 02:00:17,520

people get hypnotized by big words

2943

02:00:22,070 --> 02:00:20,159

titles and fancy accents right it

2944

02:00:23,350 --> 02:00:22,080

happens all the time whether the titles

2945

02:00:24,629 --> 02:00:23,360

are real or not but

2946

02:00:28,390 --> 02:00:24,639

uh steven i hope you have a great

2947

02:00:30,709 --> 02:00:28,400

weekend at your cabin and uh

2948

02:00:32,070 --> 02:00:30,719

awesome job on the uh three-part series

2949

02:00:34,070 --> 02:00:32,080

there so i hope everyone has a great

2950

02:00:36,390 --> 02:00:34,080

night thank you for letting me uh speak

2951
02:00:38,470 --> 02:00:36,400
and come in i'm gonna i'm gonna share

2952
02:00:41,189 --> 02:00:38,480
one last thing before we bounce on out

2953
02:00:42,950 --> 02:00:41,199
of here just a reminder for anybody that

2954
02:00:44,629 --> 02:00:42,960
wants to argue with me

2955
02:00:46,820 --> 02:00:44,639
here we go

2956
02:00:48,470 --> 02:00:46,830
i was just a secretary

2957
02:00:50,629 --> 02:00:48,480
[Laughter]

2958
02:00:52,950 --> 02:00:50,639
very important perfect yeah he was just

2959
02:00:54,550 --> 02:00:52,960
a secretary so there you go yeah better

2960
02:00:55,910 --> 02:00:54,560
than being the janitor right and i'm

2961
02:00:58,229 --> 02:00:55,920
gonna throw you people out of here

2962
02:01:00,229 --> 02:00:58,239
thanks success lead chat room moderator

2963
02:01:02,629 --> 02:01:00,239

always here to help out with the show

2964

02:01:04,870 --> 02:01:02,639

having a good night all right and take

2965

02:01:06,709 --> 02:01:04,880

care stephen kicked me out andy from all

2966

02:01:08,470 --> 02:01:06,719

the way across the pond he came here at

2967

02:01:11,030 --> 02:01:08,480

four o'clock in the morning because

2968

02:01:13,589 --> 02:01:11,040

because this shows i don't have a life

2969

02:01:15,589 --> 02:01:13,599

yeah i don't have my life

2970

02:01:18,070 --> 02:01:15,599

thank you andy always welcome here

2971

02:01:19,830 --> 02:01:18,080

bye-bye and then we have ron who i want

2972

02:01:21,750 --> 02:01:19,840

to i'm not sure if i want to thank him

2973

02:01:23,430 --> 02:01:21,760

for making me get into 3d printers and

2974

02:01:24,790 --> 02:01:23,440

punch him in the face right now i want

2975

02:01:27,350 --> 02:01:24,800

to punch him in the face because the

2976

02:01:30,390 --> 02:01:27,360

thing's clogged it won't level uh but i

2977

02:01:32,870 --> 02:01:30,400

have a plan ron my call me tomorrow

2978

02:01:34,709 --> 02:01:32,880

well also my neighbor here matt is

2979

02:01:36,629 --> 02:01:34,719

bought a printer right before i did he

2980

02:01:38,149 --> 02:01:36,639

bought the one i was going to print by

2981

02:01:40,310 --> 02:01:38,159

but then i bought the bigger one because

2982

02:01:42,550 --> 02:01:40,320

i'm stupid anyway it's the experience

2983

02:01:43,510 --> 02:01:42,560

like have you been using it okay so

2984

02:01:45,350 --> 02:01:43,520

that's great

2985

02:01:47,270 --> 02:01:45,360

next week i'm gonna bring if i can't get

2986

02:01:48,790 --> 02:01:47,280

it going and perfectly leveled i'm gonna

2987

02:01:50,470 --> 02:01:48,800

bring it here next week i'm gonna buy

2988

02:01:52,310 --> 02:01:50,480

him some beer and set him loose because

2989

02:01:54,229 --> 02:01:52,320

he's like and maybe i'll take a ride out

2990

02:01:55,669 --> 02:01:54,239

maybe if you want i'll take a two hour

2991

02:01:57,189 --> 02:01:55,679

drive or whatever if you want me to help

2992

02:01:59,589 --> 02:01:57,199

you or whatever i don't care

2993

02:02:01,430 --> 02:01:59,599

really well listen i don't care just so

2994

02:02:03,669 --> 02:02:01,440

you know i have a camper right next to

2995

02:02:04,950 --> 02:02:03,679

the cabin that sleeps too

2996

02:02:06,950 --> 02:02:04,960

you're always welcome okay we're here

2997

02:02:09,189 --> 02:02:06,960

every weekend you know are you saying

2998

02:02:10,470 --> 02:02:09,199

this sleeps too because i'm fat or

2999

02:02:12,709 --> 02:02:10,480

you're just saying in case i don't know

3000

02:02:14,470 --> 02:02:12,719

if you've got a wife okay bring somebody

3001
02:02:16,390 --> 02:02:14,480
and if you have money just make a shout

3002
02:02:18,149 --> 02:02:16,400
out if you have a wife and a and a

3003
02:02:20,229 --> 02:02:18,159
couple of kids we'll find room i i just

3004
02:02:21,990 --> 02:02:20,239
gotta know in advance that's all no no

3005
02:02:23,510 --> 02:02:22,000
it would be a self trip

3006
02:02:25,270 --> 02:02:23,520
oh there you go then you've got you got

3007
02:02:27,669 --> 02:02:25,280
your own kitchen your own [h__\h] it's

3008
02:02:29,589 --> 02:02:27,679
great you know you can

3009
02:02:31,669 --> 02:02:29,599
you don't have to poop in the woods i

3010
02:02:32,470 --> 02:02:31,679
gotta empty the [h__\h] tank eventually but

3011
02:02:33,830 --> 02:02:32,480
you know

3012
02:02:35,830 --> 02:02:33,840
oh god

3013
02:02:38,470 --> 02:02:35,840

yeah oh that's a great show it's not my

3014

02:02:40,950 --> 02:02:38,480

weekend all right nobody wants yeah all

3015

02:02:42,550 --> 02:02:40,960

right but if you do if you do run into

3016

02:02:43,589 --> 02:02:42,560

trouble or whatever we'll figure it out

3017

02:02:45,189 --> 02:02:43,599

all right

3018

02:02:46,790 --> 02:02:45,199

take care everybody

3019

02:02:49,030 --> 02:02:46,800

will be able to figure it out but if not

3020

02:02:51,750 --> 02:02:49,040

i'm going to make you come here

3021

02:02:53,030 --> 02:02:51,760

and fix this piece of crap

3022

02:02:54,950 --> 02:02:53,040

this is your fault

3023

02:02:58,310 --> 02:02:54,960

you said this was easy

3024

02:03:01,109 --> 02:02:58,320

okay not so easy this is what it works

3025

02:03:02,229 --> 02:03:01,119

and that no everybody have a good night

3026

02:03:04,870 --> 02:03:02,239

tomorrow

3027

02:03:06,790 --> 02:03:04,880

cosmic neighbors i put his link it's

3028

02:03:08,709 --> 02:03:06,800

just just search in the youtube search

3029

02:03:10,709 --> 02:03:08,719

bar cosmic neighbors go on over and

3030

02:03:13,030 --> 02:03:10,719

subscribe if you like my content his is

3031

02:03:15,109 --> 02:03:13,040

probably better don't like no no no

3032

02:03:16,870 --> 02:03:15,119

subscribe we would appreciate that he's

3033

02:03:18,870 --> 02:03:16,880

getting close to the magic numbers so

3034

02:03:21,030 --> 02:03:18,880

let's help him out friends thank you so

3035

02:03:23,669 --> 02:03:21,040

much everybody thanks see all right good

3036

02:03:25,589 --> 02:03:23,679

night ron all right boy this is a

3037

02:03:27,030 --> 02:03:25,599

actually this is a short one for us

3038

02:03:29,430 --> 02:03:27,040

normally we do these panel shows and

3039

02:03:31,109 --> 02:03:29,440

they go for six or eight hours and i

3040

02:03:32,950 --> 02:03:31,119

just have other things to do tonight and

3041

02:03:35,030 --> 02:03:32,960

i apologize and also my family's here

3042

02:03:36,870 --> 02:03:35,040

with me so i don't want to be rude and i

3043

02:03:39,109 --> 02:03:36,880

have a visitor uh from

3044

02:03:40,870 --> 02:03:39,119

from uh at my cabin right now and i

3045

02:03:43,990 --> 02:03:40,880

don't have extra headphones or he would

3046

02:03:45,990 --> 02:03:44,000

probably jump you would join right

3047

02:03:49,510 --> 02:03:46,000

he's like huh maybe i don't know

3048

02:03:51,910 --> 02:03:49,520

talk to these weirdos on the internet

3049

02:03:53,270 --> 02:03:51,920

no uh yeah so we're going to bounce on

3050

02:03:55,270 --> 02:03:53,280

out of here i want to thank each and

3051

02:03:58,390 --> 02:03:55,280

every one of my guests

3052

02:03:59,669 --> 02:03:58,400

my panel members here uh sixth sense we

3053

02:04:02,149 --> 02:03:59,679

had uh

3054

02:04:04,310 --> 02:04:02,159

we had third eye minds eye

3055

02:04:06,390 --> 02:04:04,320

ron from cosmic neighbors we had andy

3056

02:04:09,189 --> 02:04:06,400

from unidentified s4

3057

02:04:11,109 --> 02:04:09,199

and uh we had lord ludacris and i hope

3058

02:04:13,270 --> 02:04:11,119

i'm end rogue status i hope i'm not

3059

02:04:15,589 --> 02:04:13,280

forgetting everybody uh mark your

3060

02:04:17,189 --> 02:04:15,599

calendars next friday we're gonna do

3061

02:04:19,589 --> 02:04:17,199

another one of these panel shows we can

3062

02:04:21,830 --> 02:04:19,599

have up to 10 people on the panel you

3063

02:04:24,470 --> 02:04:21,840

all are most welcome usually when we

3064

02:04:26,950 --> 02:04:24,480

tell people in advance we have more more

3065

02:04:29,510 --> 02:04:26,960

guests so hopefully we will

3066

02:04:31,910 --> 02:04:29,520

next friday probably 7 p.m eastern

3067

02:04:34,229 --> 02:04:31,920

standard time we'll be here broadcasting

3068

02:04:35,669 --> 02:04:34,239

uh here from the apocalypse cabin my

3069

02:04:38,950 --> 02:04:35,679

favorite place

3070

02:04:40,709 --> 02:04:38,960

uh and you are most welcome here so what

3071

02:04:42,310 --> 02:04:40,719

else can i say if you haven't yet please

3072

02:04:44,550 --> 02:04:42,320

be sure to check out that roswell deep

3073

02:04:46,310 --> 02:04:44,560

dive because it's 20 hours of content

3074

02:04:48,310 --> 02:04:46,320

and i worked really really hard getting

3075

02:04:50,950 --> 02:04:48,320

all those people to do the interviews

3076

02:04:52,629 --> 02:04:50,960

recording all the interviews uh editing

3077

02:04:55,030 --> 02:04:52,639

some of the stuff down

3078

02:04:56,790 --> 02:04:55,040

uh getting the original testimony and

3079

02:04:58,629 --> 02:04:56,800

enhancing the audio cleaning it up

3080

02:05:00,950 --> 02:04:58,639

because it was horrible

3081

02:05:03,430 --> 02:05:00,960

and putting together this 20-hour

3082

02:05:05,750 --> 02:05:03,440

roswell deep dive in honor of the 75th

3083

02:05:08,069 --> 02:05:05,760

anniversary of roswell did we come any

3084

02:05:09,510 --> 02:05:08,079

closer to solving the mystery i think so

3085

02:05:11,589 --> 02:05:09,520

i think most people are going to watch

3086

02:05:14,149 --> 02:05:11,599

this 20 hours and they'll make up their

3087

02:05:15,669 --> 02:05:14,159

mind we have skeptics believers we have

3088

02:05:18,830 --> 02:05:15,679

people with alternate theories of what

3089

02:05:21,430 --> 02:05:18,840

it really was we have all this original

3090

02:05:23,270 --> 02:05:21,440

testimony uh from then that was

3091

02:05:26,629 --> 02:05:23,280

different interviews from the 80s and

3092

02:05:28,069 --> 02:05:26,639

90s it's all there waiting for you uh

3093

02:05:30,390 --> 02:05:28,079

roswell

3094

02:05:31,750 --> 02:05:30,400

revisit it parts one two and three and i

3095

02:05:33,510 --> 02:05:31,760

want to thank all the people that took

3096

02:05:35,830 --> 02:05:33,520

part in that all our experts authors and

3097

02:05:38,229 --> 02:05:35,840

researchers really made it worthwhile

3098

02:05:40,470 --> 02:05:38,239

and really made it a special event that

3099

02:05:42,149 --> 02:05:40,480

it was and i want to thank each and

3100

02:05:43,669 --> 02:05:42,159

every one of you for being here what can

3101

02:05:45,109 --> 02:05:43,679

i say i'm always happy when there's an

3102

02:05:46,069 --> 02:05:45,119

audience thank you for coming here

3103

02:05:49,109 --> 02:05:46,079

tonight

3104

02:05:51,830 --> 02:05:49,119

and for being a part of mine uh

3105

02:05:53,910 --> 02:05:51,840

i am gonna bounce on out of here uh but

3106

02:05:56,629 --> 02:05:53,920

we will be back monday and i'm happy to

3107

02:05:58,550 --> 02:05:56,639

announce that monday 1 p.m eastern

3108

02:06:01,350 --> 02:05:58,560

standard time we'll be interviewing

3109

02:06:05,669 --> 02:06:01,360

well-known ufo researcher author

3110

02:06:09,189 --> 02:06:05,679

and uh just amazing guy philip mantle

3111

02:06:11,350 --> 02:06:09,199

from across the pond go look on amazon

3112

02:06:12,870 --> 02:06:11,360

just look up philip mantle on amazon

3113

02:06:15,189 --> 02:06:12,880

he's actually got his own publishing

3114

02:06:17,589 --> 02:06:15,199

company so it's not just his books he's

3115

02:06:20,470 --> 02:06:17,599

publishing other people's books as well

3116

02:06:22,950 --> 02:06:20,480

um i uh think we're going to be focusing

3117

02:06:25,270 --> 02:06:22,960

on the alien autopsy hoax because he was

3118

02:06:27,830 --> 02:06:25,280

largely responsible for exposing that

3119

02:06:30,229 --> 02:06:27,840

he's got an excellent book on that and

3120

02:06:33,189 --> 02:06:30,239

actually many many other things so

3121

02:06:35,910 --> 02:06:33,199

please join us monday this coming monday

3122

02:06:38,470 --> 02:06:35,920

1pm eastern standard time

3123

02:06:40,390 --> 02:06:38,480

you are most welcome uh i want to thank

3124

02:06:42,790 --> 02:06:40,400

our kind and generous benefactors remind

3125

02:06:44,950 --> 02:06:42,800

you we have a patreon we have a channel

3126
02:06:46,310 --> 02:06:44,960
membership you can throw money at us and

3127
02:06:48,229 --> 02:06:46,320
the other best way you could support us

3128
02:06:50,149 --> 02:06:48,239
is to like comment subscribe and share

3129
02:06:52,229 --> 02:06:50,159
these videos like every good youtuber

3130
02:06:53,990 --> 02:06:52,239
tells you it really does help us we lost

3131
02:06:56,229 --> 02:06:54,000
a lot of momentum just taking a few

3132
02:06:57,510 --> 02:06:56,239
weeks off so i'd appreciate you posting

3133
02:07:00,310 --> 02:06:57,520
some of these videos on your social

3134
02:07:02,629 --> 02:07:00,320
media because google loves that and and

3135
02:07:05,589 --> 02:07:02,639
may push us back higher in the search

3136
02:07:07,910 --> 02:07:05,599
rankings i want to thank all of you who

3137
02:07:09,589 --> 02:07:07,920
do i do see it i see on twitter people

3138
02:07:11,270 --> 02:07:09,599

sharing the videos thank you all for

3139

02:07:13,270 --> 02:07:11,280

that thanks to our kind of generous

3140

02:07:15,430 --> 02:07:13,280

benefactors people sending pledges all

3141

02:07:17,430 --> 02:07:15,440

you kind of generous people out there uh

3142

02:07:19,350 --> 02:07:17,440

you make this show possible and you give

3143

02:07:21,109 --> 02:07:19,360

me an attitude of gratitude

3144

02:07:22,709 --> 02:07:21,119

so i'm gonna bounce on out of here until

3145

02:07:25,109 --> 02:07:22,719

next time friends my name is steven

3146

02:07:29,070 --> 02:07:25,119

cambion good night and god bless all of

3147

02:07:29,080 --> 02:07:59,270

[Music]

3148

02:07:59,280 --> 02:08:03,090

so

3149

02:08:49,730 --> 02:08:48,040

[Music]

3150

02:09:29,340 --> 02:08:49,740

[Applause]
