

**GUIDESTONES DESTROYED?!  
TIME CAPSULE MISSING?**

**WILL ELLIS**

UNRAVELING THE MYSTERY OF THE GUIDESTONES

*Truth Seekers*

1  
00:02:57,110 --> 00:01:30,950

[Music]

2  
00:02:57,120 --> 00:03:01,380

so

3  
00:04:49,270 --> 00:03:35,910

[Music]

4  
00:04:52,870 --> 00:04:51,510  
greetings and salutations friends and

5  
00:04:55,749 --> 00:04:52,880  
welcome back

6  
00:04:58,390 --> 00:04:55,759  
uh boy i had uh an amazing weekend at

7  
00:05:01,909 --> 00:04:58,400  
the cabin we even managed to uh

8  
00:05:04,790 --> 00:05:01,919  
jam one stream in on friday and thanks

9  
00:05:06,070 --> 00:05:04,800  
to all of our panel members uh have a

10  
00:05:08,150 --> 00:05:06,080  
fun show

11  
00:05:09,990 --> 00:05:08,160  
i want to welcome you all back uh over

12  
00:05:11,189 --> 00:05:10,000  
the weekend i have been sort of still

13  
00:05:14,950 --> 00:05:11,199

allude

14

00:05:17,110 --> 00:05:14,960

uh to happenings in the interwebs most

15

00:05:19,350 --> 00:05:17,120

specifically this story about the

16

00:05:20,629 --> 00:05:19,360

georgia guidestones

17

00:05:23,270 --> 00:05:20,639

for those that don't know it's a

18

00:05:25,830 --> 00:05:23,280

mysterious monument often associated

19

00:05:28,790 --> 00:05:25,840

with the new world order and

20

00:05:31,350 --> 00:05:28,800

uh the freemasons nobody quite knows who

21

00:05:32,629 --> 00:05:31,360

put it there it's a very controversial

22

00:05:34,550 --> 00:05:32,639

monument

23

00:05:37,189 --> 00:05:34,560

in georgia called the georgia

24

00:05:39,510 --> 00:05:37,199

guidestones recently last week

25

00:05:40,550 --> 00:05:39,520

somebody blew up a section of it and

26

00:05:42,390 --> 00:05:40,560

then

27

00:05:45,189 --> 00:05:42,400

uh the town

28

00:05:48,870 --> 00:05:45,199

and the authorities in charge decided to

29

00:05:51,270 --> 00:05:48,880

destroy what remained of the

30

00:05:52,870 --> 00:05:51,280

georgia guidestones after the initial

31

00:05:54,790 --> 00:05:52,880

attack took place which took out i

32

00:05:57,350 --> 00:05:54,800

believe one column

33

00:05:59,830 --> 00:05:57,360

since then conspiracy line has gone

34

00:06:02,550 --> 00:05:59,840

crazy with explanations for who did it

35

00:06:05,029 --> 00:06:02,560

and why and what's going on here with

36

00:06:09,990 --> 00:06:05,039

these georgia guidestones

37

00:06:12,790 --> 00:06:10,000

you may remember and i did happen to uh

38

00:06:15,189 --> 00:06:12,800

put a link in the description of this

39

00:06:16,790 --> 00:06:15,199

video that we had somewhat of an expert

40

00:06:19,270 --> 00:06:16,800

here to talk about the georgia

41

00:06:22,230 --> 00:06:19,280

guidestones before in the form of will

42

00:06:24,469 --> 00:06:22,240

ellis uh who uh

43

00:06:26,150 --> 00:06:24,479

you gotta hear his story check out the

44

00:06:28,550 --> 00:06:26,160

previous interview that goes over all

45

00:06:31,270 --> 00:06:28,560

his background investigating and being

46

00:06:33,670 --> 00:06:31,280

up sort of obsessed i would say

47

00:06:35,590 --> 00:06:33,680

uh with these georgia guide guidestones

48

00:06:38,150 --> 00:06:35,600

getting in some legal trouble for some

49

00:06:40,629 --> 00:06:38,160

things that happened and so on

50

00:06:42,790 --> 00:06:40,639

uh but i'm i reached out to him because

51  
00:06:44,469 --> 00:06:42,800  
i'm sure that he knows more about what's

52  
00:06:47,350 --> 00:06:44,479  
going on or what

53  
00:06:49,110 --> 00:06:47,360  
he believes may be going on

54  
00:06:51,189 --> 00:06:49,120  
an interesting twist to the story is

55  
00:06:53,510 --> 00:06:51,199  
that now it appears that the time

56  
00:06:56,629 --> 00:06:53,520  
capsule that was buried when the

57  
00:06:59,189 --> 00:06:56,639  
monument was erected originally in 1980

58  
00:07:00,309 --> 00:06:59,199  
to try to dig it up it's gone it's

59  
00:07:03,029 --> 00:07:00,319  
missing

60  
00:07:05,430 --> 00:07:03,039  
uh and this of course only leads to the

61  
00:07:07,830 --> 00:07:05,440  
mystery of who blew up the guide stones

62  
00:07:11,029 --> 00:07:07,840  
now we have to ask ourselves

63  
00:07:13,830 --> 00:07:11,039

who stole the time capsule it was there

64

00:07:16,870 --> 00:07:13,840

reportedly was there for quite some time

65

00:07:19,110 --> 00:07:16,880

we have will in our background here in

66

00:07:21,270 --> 00:07:19,120

our green room standing by

67

00:07:22,230 --> 00:07:21,280

anxious to get into this with him

68

00:07:24,230 --> 00:07:22,240

because

69

00:07:26,309 --> 00:07:24,240

honestly i don't know anybody else that

70

00:07:28,550 --> 00:07:26,319

has so much experience with this

71

00:07:30,469 --> 00:07:28,560

mysterious monument so i wanted to bring

72

00:07:33,029 --> 00:07:30,479

him here let's bring him in

73

00:07:36,150 --> 00:07:33,039

we've got will

74

00:07:37,029 --> 00:07:36,160

greetings and salutations friends

75

00:07:40,710 --> 00:07:37,039

so

76

00:07:42,150 --> 00:07:40,720

you've been following this story right

77

00:07:45,189 --> 00:07:42,160

yeah can you be good

78

00:07:47,029 --> 00:07:45,199

yeah absolutely all right

79

00:07:49,029 --> 00:07:47,039

oh yeah definitely it's been a wild week

80

00:07:50,790 --> 00:07:49,039

uh my phone was ringing off the hook

81

00:07:55,350 --> 00:07:50,800

i guess whenever it happened wednesday

82

00:07:58,629 --> 00:07:56,869

yeah

83

00:07:59,909 --> 00:07:58,639

it's quite interesting

84

00:08:02,070 --> 00:07:59,919

um

85

00:08:04,230 --> 00:08:02,080

so did you have you been following the

86

00:08:05,909 --> 00:08:04,240

most recent with the time capsule is now

87

00:08:08,710 --> 00:08:05,919

missing or

88

00:08:10,150 --> 00:08:08,720

yeah yeah i've been paying attention um

89

00:08:13,029 --> 00:08:10,160

of course we had that fake story that

90

00:08:15,029 --> 00:08:13,039

came out that was the burt reynolds

91

00:08:18,469 --> 00:08:15,039

signed playboy and the quaaludes and

92

00:08:21,749 --> 00:08:20,390

of course that was all a joke or satire

93

00:08:24,230 --> 00:08:21,759

but

94

00:08:28,950 --> 00:08:26,390

i guess what we can get into is that uh

95

00:08:30,869 --> 00:08:28,960

the wording on the um the flat stone you

96

00:08:33,990 --> 00:08:30,879

know where it says all the information

97

00:08:35,589 --> 00:08:34,000

it's called information slab or

98

00:08:37,589 --> 00:08:35,599

uh whatever you want to call it it's

99

00:08:41,029 --> 00:08:37,599

just a flat slab that was to sit into

100

00:08:43,509 --> 00:08:41,039

the west of the structure

101  
00:08:44,790 --> 00:08:43,519  
it said if i can't pull it up here

102  
00:08:47,590 --> 00:08:44,800  
yeah

103  
00:08:49,030 --> 00:08:47,600  
i get my other monitor unhooked so i

104  
00:08:51,430 --> 00:08:49,040  
can yeah so

105  
00:08:53,190 --> 00:08:51,440  
so what's the deal with that slab is

106  
00:08:55,829 --> 00:08:53,200  
that the one that was which one was

107  
00:08:57,430 --> 00:08:55,839  
targeted which slab did they try to take

108  
00:09:01,269 --> 00:08:57,440  
try to destroy

109  
00:09:03,990 --> 00:09:01,279  
um the southeast the south east

110  
00:09:06,230 --> 00:09:04,000  
it was the one that had hindi and

111  
00:09:07,590 --> 00:09:06,240  
swahili on it which is kind of

112  
00:09:10,230 --> 00:09:07,600  
interesting but

113  
00:09:12,389 --> 00:09:10,240

i'll get into that in a minute but

114

00:09:14,310 --> 00:09:12,399

on the as far as regarding a time

115

00:09:17,110 --> 00:09:14,320

capsule on that flat slab it says time

116

00:09:19,670 --> 00:09:17,120

capsule underlined and it says time

117

00:09:22,470 --> 00:09:19,680

capsule to be placed

118

00:09:23,590 --> 00:09:22,480

six feet below this spot on and it had

119

00:09:25,190 --> 00:09:23,600

no date

120

00:09:27,750 --> 00:09:25,200

right

121

00:09:30,550 --> 00:09:27,760

to be opened on and it had no date well

122

00:09:32,630 --> 00:09:30,560

the wording on that says to be placed

123

00:09:34,630 --> 00:09:32,640

six feet below this spot

124

00:09:38,470 --> 00:09:34,640

now that's a future tense word you know

125

00:09:40,150 --> 00:09:38,480

it's like it's not it's not there yet

126

00:09:41,590 --> 00:09:40,160

you know what's the point in digging

127

00:09:43,509 --> 00:09:41,600

that thing up and looking for a time

128

00:09:45,829 --> 00:09:43,519

capsule that's not there

129

00:09:47,750 --> 00:09:45,839

it's oh so you believe that it has never

130

00:09:49,030 --> 00:09:47,760

been placed there others i talked to

131

00:09:51,670 --> 00:09:49,040

believe that it was placed there

132

00:09:53,190 --> 00:09:51,680

originally when they put the money

133

00:09:55,030 --> 00:09:53,200

oh no okay

134

00:09:57,350 --> 00:09:55,040

well i defer to your expertise so what

135

00:09:59,829 --> 00:09:57,360

you're saying is they said in the

136

00:10:02,069 --> 00:09:59,839

information slab there that we will put

137

00:10:03,829 --> 00:10:02,079

a time capsule here

138

00:10:06,550 --> 00:10:03,839

we will put a time capsule in future

139

00:10:09,030 --> 00:10:06,560

tents this is to be placed on and it has

140

00:10:10,630 --> 00:10:09,040

to be placed on this certain date

141

00:10:13,110 --> 00:10:10,640

that doesn't imply that it's sitting

142

00:10:14,630 --> 00:10:13,120

below that six feet below that spot

143

00:10:16,230 --> 00:10:14,640

okay so would you know what that date

144

00:10:19,590 --> 00:10:16,240

was when they were supposed to place it

145

00:10:23,829 --> 00:10:22,790

to be opened on is on the time capsule

146

00:10:25,910 --> 00:10:23,839

okay

147

00:10:27,910 --> 00:10:25,920

when you it's in the cornerstone of the

148

00:10:30,150 --> 00:10:27,920

structure it's in

149

00:10:32,630 --> 00:10:30,160

it's in the northeast corner cornerstone

150

00:10:34,470 --> 00:10:32,640

of the georgia guidestones it's in the

151  
00:10:35,990 --> 00:10:34,480  
foundation that's

152  
00:10:37,509 --> 00:10:36,000  
that's what they were stopping me from

153  
00:10:39,590 --> 00:10:37,519  
doing

154  
00:10:42,230 --> 00:10:39,600  
i was there that night i got arrested to

155  
00:10:44,870 --> 00:10:42,240  
open it to bring it out

156  
00:10:46,150 --> 00:10:44,880  
it's it's behind the northeast

157  
00:10:48,630 --> 00:10:46,160  
it's behind the cornerstone of the

158  
00:10:50,470 --> 00:10:48,640  
northeast pillar at the foundation below

159  
00:10:52,230 --> 00:10:50,480  
ground

160  
00:10:54,470 --> 00:10:52,240  
okay and i'm having trouble getting just

161  
00:10:56,150 --> 00:10:54,480  
that portion you know uh

162  
00:10:59,430 --> 00:10:56,160  
but i'm gonna share my screen and just

163  
00:11:02,310 --> 00:10:59,440

show uh some images of the actual

164

00:11:03,110 --> 00:11:02,320

of the actual monument here

165

00:11:05,110 --> 00:11:03,120

so

166

00:11:07,030 --> 00:11:05,120

do you have any sense

167

00:11:09,190 --> 00:11:07,040

because everybody that i talk to has a

168

00:11:11,670 --> 00:11:09,200

different sort of explanation

169

00:11:13,430 --> 00:11:11,680

or idea or theory but do you have any

170

00:11:15,829 --> 00:11:13,440

sense about

171

00:11:18,069 --> 00:11:15,839

who may have attacked this monument and

172

00:11:19,509 --> 00:11:18,079

why

173

00:11:23,350 --> 00:11:19,519

no

174

00:11:24,949 --> 00:11:23,360

intention so

175

00:11:26,710 --> 00:11:24,959

if you're looking for a why do they do

176

00:11:28,550 --> 00:11:26,720

it well what was the intention of

177

00:11:31,269 --> 00:11:28,560

breaking it down well

178

00:11:33,190 --> 00:11:31,279

it was built to be destroyed

179

00:11:35,350 --> 00:11:33,200

it was built to be brought down just

180

00:11:37,509 --> 00:11:35,360

like the twin towers they built those

181

00:11:39,509 --> 00:11:37,519

things to bring them down if you look at

182

00:11:42,150 --> 00:11:39,519

the cornerstone of the twin towers i do

183

00:11:44,230 --> 00:11:42,160

believe it's 911.

184

00:11:45,430 --> 00:11:44,240

so

185

00:11:48,870 --> 00:11:45,440

i mean

186

00:11:51,990 --> 00:11:48,880

yeah it was 33 years after uh they

187

00:11:54,470 --> 00:11:52,000

completed the structure of twin towers

188

00:11:56,310 --> 00:11:54,480

so i mean it was designed

189

00:11:57,750 --> 00:11:56,320

it was designed to be brought down these

190

00:11:59,110 --> 00:11:57,760

things were designed to be brought down

191

00:12:03,269 --> 00:11:59,120

it wasn't

192

00:12:05,910 --> 00:12:03,279

symbol to be brought down maybe oh yeah

193

00:12:07,590 --> 00:12:05,920

oh yeah i mean it's

194

00:12:10,389 --> 00:12:07,600

well there's sure definitely got to be

195

00:12:12,150 --> 00:12:10,399

some stenography here with these

196

00:12:13,590 --> 00:12:12,160

you know people equate this monument

197

00:12:15,829 --> 00:12:13,600

with eugenics

198

00:12:18,870 --> 00:12:15,839

and with the new world order and with

199

00:12:20,710 --> 00:12:18,880

human depopulation agendas

200

00:12:22,870 --> 00:12:20,720

so i mean maybe it makes sense that

201  
00:12:25,590 --> 00:12:22,880  
somebody would put that up and and

202  
00:12:27,590 --> 00:12:25,600  
espouse those virtues in the message and

203  
00:12:28,790 --> 00:12:27,600  
then just take it

204  
00:12:30,710 --> 00:12:28,800  
blow it up

205  
00:12:33,110 --> 00:12:30,720  
do you know if the police have any idea

206  
00:12:35,990 --> 00:12:33,120  
or or suspects

207  
00:12:37,509 --> 00:12:36,000  
i haven't been in contact with anyone so

208  
00:12:39,910 --> 00:12:37,519  
yeah i could imagine that you're not a

209  
00:12:41,910 --> 00:12:39,920  
big fan of those police

210  
00:12:43,750 --> 00:12:41,920  
i stay away from them those are the same

211  
00:12:45,750 --> 00:12:43,760  
police that arrested you and just for

212  
00:12:47,590 --> 00:12:45,760  
the benefit of people

213  
00:12:49,190 --> 00:12:47,600

if you could do it quickly i i'm sorry

214

00:12:50,629 --> 00:12:49,200

to do this to you but for the benefit of

215

00:12:53,030 --> 00:12:50,639

people that didn't see your last

216

00:12:55,509 --> 00:12:53,040

appearance here can you quickly go

217

00:12:57,350 --> 00:12:55,519

through like what what happened with you

218

00:12:58,949 --> 00:12:57,360

and getting arrested in relation to

219

00:13:02,230 --> 00:12:58,959

these guide steps what were you there

220

00:13:06,150 --> 00:13:03,030

um

221

00:13:07,190 --> 00:13:06,160

i mean i was arrested

222

00:13:09,750 --> 00:13:07,200

uh

223

00:13:11,350 --> 00:13:09,760

technically for having the

224

00:13:13,030 --> 00:13:11,360

the chief cornerstone the other

225

00:13:14,550 --> 00:13:13,040

cornerstone

226

00:13:16,230 --> 00:13:14,560

on that northeast pillar there's two

227

00:13:17,670 --> 00:13:16,240

cornerstones there's one in the bottom

228

00:13:19,430 --> 00:13:17,680

and there's one above

229

00:13:20,870 --> 00:13:19,440

so i was arrested for having the one

230

00:13:24,710 --> 00:13:20,880

above

231

00:13:25,990 --> 00:13:24,720

the very top that little notch in the

232

00:13:27,670 --> 00:13:26,000

top

233

00:13:29,190 --> 00:13:27,680

i moved that one

234

00:13:32,470 --> 00:13:29,200

i just moved it

235

00:13:37,910 --> 00:13:35,350

i'm that though that the police did not

236

00:13:39,189 --> 00:13:37,920

agree with your decision to do that

237

00:13:39,990 --> 00:13:39,199

right

238

00:13:42,629 --> 00:13:40,000

well

239

00:13:47,110 --> 00:13:45,269

two weeks before i was arrested i was on

240

00:13:48,949 --> 00:13:47,120

top of these guys stones with a ladder

241

00:13:51,509 --> 00:13:48,959

hanging down and another person was with

242

00:13:52,870 --> 00:13:51,519

me and we both had flashlights on top

243

00:13:54,790 --> 00:13:52,880

and we're up there making sparks because

244

00:13:56,389 --> 00:13:54,800

we're looking for the time capsule i

245

00:13:59,030 --> 00:13:56,399

thought it was on top

246

00:14:00,949 --> 00:13:59,040

so two weeks before i was arrested cops

247

00:14:03,350 --> 00:14:00,959

pull up they shine the spotlight they

248

00:14:05,269 --> 00:14:03,360

see the ladder hanging down they see me

249

00:14:07,110 --> 00:14:05,279

and another dude up there with a light

250

00:14:09,590 --> 00:14:07,120

on and making sparks they turn the light

251

00:14:11,829 --> 00:14:09,600

on and just keep on going

252

00:14:15,269 --> 00:14:11,839

and they go and talk to another cop and

253

00:14:17,670 --> 00:14:15,279

he comes back around does the same thing

254

00:14:19,910 --> 00:14:17,680

doesn't say anything shines a light even

255

00:14:22,710 --> 00:14:19,920

when i remove the stone i have a witness

256

00:14:24,870 --> 00:14:22,720

to it even when i remove the stone

257

00:14:26,389 --> 00:14:24,880

i caught pulled up he said you know it's

258

00:14:28,069 --> 00:14:26,399

illegal to be on top of those things i

259

00:14:30,310 --> 00:14:28,079

said well i'm working with

260

00:14:33,030 --> 00:14:30,320

the person i'm working with and he said

261

00:14:35,350 --> 00:14:33,040

well he runs the show so

262

00:14:36,790 --> 00:14:35,360

he got back in his car and left

263

00:14:39,189 --> 00:14:36,800

i mean there was a ladder hanging down

264

00:14:40,870 --> 00:14:39,199

i'm on top of these things he actually

265

00:14:42,870 --> 00:14:40,880

walked right by the stone that just

266

00:14:44,790 --> 00:14:42,880

removed it was sitting on the ground he

267

00:14:47,110 --> 00:14:44,800

walked right by it he said well you're

268

00:14:47,829 --> 00:14:47,120

working with so and so i know his name

269

00:14:49,030 --> 00:14:47,839

but

270

00:14:50,710 --> 00:14:49,040

i don't know if i want to talk about oh

271

00:14:52,949 --> 00:14:50,720

you want to leave out your mysterious

272

00:14:55,350 --> 00:14:52,959

connection there i can say his name he's

273

00:14:56,870 --> 00:14:55,360

been deceased actually it's

274

00:14:58,389 --> 00:14:56,880

i mean we won't throw it out there i

275

00:15:00,310 --> 00:14:58,399

mean

276

00:15:02,550 --> 00:15:00,320

i just don't know about the

277

00:15:04,230 --> 00:15:02,560

no it's your decision that's fine you

278

00:15:05,910 --> 00:15:04,240

know you want to keep that part of the

279

00:15:08,470 --> 00:15:05,920

story to yourself

280

00:15:10,389 --> 00:15:08,480

so so eventually though because you took

281

00:15:12,550 --> 00:15:10,399

a piece of this thing

282

00:15:13,350 --> 00:15:12,560

the police find you and arrest you for

283

00:15:14,389 --> 00:15:13,360

taking

284

00:15:16,069 --> 00:15:14,399

reports

285

00:15:18,230 --> 00:15:16,079

here's why i think that they arrested me

286

00:15:20,389 --> 00:15:18,240

because like i said two weeks before i

287

00:15:22,389 --> 00:15:20,399

was looking for the time capsule

288

00:15:23,670 --> 00:15:22,399

i mean i'm looking for the time capsule

289

00:15:25,750 --> 00:15:23,680

i'm gonna take it out

290

00:15:27,189 --> 00:15:25,760

and uh i'm on top of this thing i think

291

00:15:29,829 --> 00:15:27,199

it's on top

292

00:15:31,749 --> 00:15:29,839

so i figured out after the cops came by

293

00:15:32,870 --> 00:15:31,759

and nobody it was like midnight one

294

00:15:35,910 --> 00:15:32,880

o'clock in the morning and we're up

295

00:15:38,790 --> 00:15:35,920

there making sparks looking for it

296

00:15:40,470 --> 00:15:38,800

okay it's not there obviously so

297

00:15:42,790 --> 00:15:40,480

within those two weeks between that

298

00:15:44,949 --> 00:15:42,800

point and when i was arrested i figured

299

00:15:46,310 --> 00:15:44,959

out hey it's at the bottom it's just a

300

00:15:48,710 --> 00:15:46,320

foundation cornerstone there's a

301  
00:15:50,949 --> 00:15:48,720  
cornerstone above and there's one below

302  
00:15:54,870 --> 00:15:53,110  
um talking between the other guy that

303  
00:15:56,389 --> 00:15:54,880  
was with me

304  
00:15:57,509 --> 00:15:56,399  
back and forth and we figured out we're

305  
00:15:58,870 --> 00:15:57,519  
gonna go

306  
00:16:01,030 --> 00:15:58,880  
dig it up

307  
00:16:01,990 --> 00:16:01,040  
so i show up two weeks later at the same

308  
00:16:04,389 --> 00:16:02,000  
spot

309  
00:16:06,230 --> 00:16:04,399  
had shovels and pickaxes and [h\_\_h] and

310  
00:16:07,829 --> 00:16:06,240  
pried out

311  
00:16:09,509 --> 00:16:07,839  
you were pretty determined that you were

312  
00:16:10,870 --> 00:16:09,519  
gonna get to this thing huh i was gonna

313  
00:16:13,749 --> 00:16:10,880

do it yeah i mean we're gonna take it

314

00:16:15,990 --> 00:16:13,759

out so within five minutes of that me

315

00:16:18,550 --> 00:16:16,000

showing up there they are

316

00:16:19,990 --> 00:16:18,560

they're like no you're not doing that

317

00:16:20,790 --> 00:16:20,000

and wow

318

00:16:22,550 --> 00:16:20,800

it's

319

00:16:24,629 --> 00:16:22,560

i even sat there and told them i'm like

320

00:16:26,310 --> 00:16:24,639

look there's a time capsule right down

321

00:16:28,470 --> 00:16:26,320

here i'm like look i got shovels and

322

00:16:29,749 --> 00:16:28,480

pickaxes in my jeep we're gonna dig this

323

00:16:31,509 --> 00:16:29,759

thing up and they're like no i ain't

324

00:16:32,389 --> 00:16:31,519

doing that

325

00:16:34,629 --> 00:16:32,399

so

326

00:16:36,470 --> 00:16:34,639

i know it's there i mean

327

00:16:38,710 --> 00:16:36,480

that's where it is it was in the corner

328

00:16:40,470 --> 00:16:38,720

of the cornerstone of the

329

00:16:43,189 --> 00:16:40,480

where it always is

330

00:16:46,069 --> 00:16:43,199

it's it's ceremonial and

331

00:16:49,030 --> 00:16:46,079

the main reason i rem well there's a lot

332

00:16:51,430 --> 00:16:49,040

of reasons but behind a cornerstone is

333

00:16:53,430 --> 00:16:51,440

the names of the architect the names of

334

00:16:55,350 --> 00:16:53,440

the guy who funded it the names of the

335

00:16:56,150 --> 00:16:55,360

engineers the names of the main people

336

00:16:57,829 --> 00:16:56,160

who

337

00:16:59,749 --> 00:16:57,839

worked on this project

338

00:17:01,030 --> 00:16:59,759

their names go behind the cornerstone

339

00:17:02,389 --> 00:17:01,040

you take a cornerstone out of the

340

00:17:03,749 --> 00:17:02,399

foundation and their names are right

341

00:17:04,710 --> 00:17:03,759

there

342

00:17:06,710 --> 00:17:04,720

so

343

00:17:08,549 --> 00:17:06,720

that's what i expected actually when i

344

00:17:11,189 --> 00:17:08,559

when i removed that stone on top i

345

00:17:12,710 --> 00:17:11,199

expected the names to be there

346

00:17:14,549 --> 00:17:12,720

yeah you got them up there

347

00:17:16,949 --> 00:17:14,559

when i when i moved that stone i

348

00:17:19,750 --> 00:17:16,959

expected their names to be on there

349

00:17:21,590 --> 00:17:19,760

there's nothing

350

00:17:23,110 --> 00:17:21,600

but they're on the bottom if you go to

351

00:17:24,230 --> 00:17:23,120

that bottom corner stone yeah their

352

00:17:26,309 --> 00:17:24,240

names are there

353

00:17:27,909 --> 00:17:26,319

no doubt hey

354

00:17:29,990 --> 00:17:27,919

to to back

355

00:17:31,909 --> 00:17:30,000

to back my story up a little bit

356

00:17:33,510 --> 00:17:31,919

brad meltzer did a whole episode about

357

00:17:34,630 --> 00:17:33,520

the missing cornerstone the capitol

358

00:17:36,950 --> 00:17:34,640

building

359

00:17:38,950 --> 00:17:36,960

some representatives said i i i know

360

00:17:40,789 --> 00:17:38,960

where the cornerstone is the capitol

361

00:17:43,110 --> 00:17:40,799

building i'm gonna go look for it he

362

00:17:45,430 --> 00:17:43,120

went digging he went down below the

363

00:17:46,870 --> 00:17:45,440

foundation and found it and it was

364

00:17:48,630 --> 00:17:46,880

missing

365

00:17:51,270 --> 00:17:48,640

but isn't it strange here you you

366

00:17:52,310 --> 00:17:51,280

mentioned this uh this information stone

367

00:17:54,230 --> 00:17:52,320

it says

368

00:17:57,029 --> 00:17:54,240

time capsule placed

369

00:17:58,549 --> 00:17:57,039

six feet below this spot on

370

00:18:00,710 --> 00:17:58,559

and there's no date

371

00:18:02,870 --> 00:18:00,720

and then it says to be opened on and

372

00:18:04,230 --> 00:18:02,880

then there's no date so i guess they

373

00:18:05,029 --> 00:18:04,240

left that

374

00:18:07,029 --> 00:18:05,039

part

375

00:18:09,430 --> 00:18:07,039

on the top completed

376

00:18:11,029 --> 00:18:09,440

on the time capsule it says open this on

377

00:18:12,710 --> 00:18:11,039

a certain date

378

00:18:13,750 --> 00:18:12,720

so whenever somebody finds a time

379

00:18:15,750 --> 00:18:13,760

capsule

380

00:18:16,630 --> 00:18:15,760

they go over to that thing and they plan

381

00:18:18,549 --> 00:18:16,640

it

382

00:18:20,230 --> 00:18:18,559

and that's that's that whenever the date

383

00:18:23,510 --> 00:18:20,240

that they find it

384

00:18:25,190 --> 00:18:23,520

say it was july was today the 11th say

385

00:18:28,230 --> 00:18:25,200

we found that thing today

386

00:18:30,150 --> 00:18:28,240

so july 11th 20th 20. i understand you

387

00:18:32,710 --> 00:18:30,160

would write on there that it was open

388

00:18:34,070 --> 00:18:32,720

what date it was opened on but why

389

00:18:35,909 --> 00:18:34,080

why would somebody place this huge

390

00:18:38,390 --> 00:18:35,919

monument here and then

391

00:18:40,310 --> 00:18:38,400

say okay we put a time capsule here but

392

00:18:41,669 --> 00:18:40,320

we haven't done it yet

393

00:18:43,590 --> 00:18:41,679

do you know what i mean like i'm

394

00:18:45,750 --> 00:18:43,600

confused i thought the time capsule was

395

00:18:47,750 --> 00:18:45,760

there from the start you're saying that

396

00:18:49,590 --> 00:18:47,760

they said they were gonna put it

397

00:18:51,750 --> 00:18:49,600

it was there but it's just not below

398

00:18:53,270 --> 00:18:51,760

that thing it's on the north it's below

399

00:18:54,950 --> 00:18:53,280

the northeast

400

00:18:56,230 --> 00:18:54,960

uh

401  
00:18:58,710 --> 00:18:56,240  
is the foundation of pillar northeast

402  
00:19:00,789 --> 00:18:58,720  
pillar any ideas as to what's actually

403  
00:19:03,350 --> 00:19:00,799  
in the time capsule is it some is there

404  
00:19:04,950 --> 00:19:03,360  
some clue of who put this here or its

405  
00:19:07,669 --> 00:19:04,960  
true purpose or

406  
00:19:09,190 --> 00:19:07,679  
i could tell i guess i mean there's

407  
00:19:12,150 --> 00:19:09,200  
most time capsules i know of have a

408  
00:19:14,630 --> 00:19:12,160  
bottle of wine a rose

409  
00:19:16,470 --> 00:19:14,640  
some money or some kind of coinage

410  
00:19:19,430 --> 00:19:16,480  
doesn't matter what it is

411  
00:19:24,230 --> 00:19:19,440  
right yeah the names of the people that

412  
00:19:28,470 --> 00:19:26,870  
okay so i wrote

413  
00:19:29,669 --> 00:19:28,480

but it wouldn't that stuff be kind of

414

00:19:32,230 --> 00:19:29,679

meaningless

415

00:19:34,789 --> 00:19:32,240

why would people like yourself you know

416

00:19:36,950 --> 00:19:34,799

and and this is an honest question just

417

00:19:38,710 --> 00:19:36,960

if if there's just nothing but like wine

418

00:19:39,750 --> 00:19:38,720

and some coins in the in that time

419

00:19:41,270 --> 00:19:39,760

capsule

420

00:19:43,590 --> 00:19:41,280

you're not the only person that i know

421

00:19:44,789 --> 00:19:43,600

that has tried to get to that thing

422

00:19:47,830 --> 00:19:44,799

why are so

423

00:19:49,830 --> 00:19:47,840

why are people so uh sort of interested

424

00:19:53,029 --> 00:19:49,840

in unearthing the time capsule if it's

425

00:19:54,789 --> 00:19:53,039

just some wine and coins and random

426

00:19:57,110 --> 00:19:54,799

objects from another

427

00:19:58,630 --> 00:19:57,120

type well maybe it's not maybe there's

428

00:20:00,310 --> 00:19:58,640

something else in it i mean that's just

429

00:20:01,110 --> 00:20:00,320

a standard maybe there's something else

430

00:20:02,710 --> 00:20:01,120

in it

431

00:20:04,149 --> 00:20:02,720

sure that's what i'm thinking that you

432

00:20:07,270 --> 00:20:04,159

guys think there's something more to the

433

00:20:08,549 --> 00:20:07,280

time capsule than what is right and as

434

00:20:10,470 --> 00:20:08,559

usual

435

00:20:12,230 --> 00:20:10,480

i postulated there was a dude uh you

436

00:20:14,950 --> 00:20:12,240

ever heard of professor doom

437

00:20:15,830 --> 00:20:14,960

i'll tell his name

438

00:20:16,630 --> 00:20:15,840

yes

439

00:20:18,470 --> 00:20:16,640

okay

440

00:20:19,590 --> 00:20:18,480

he did a phone interview with me and

441

00:20:21,909 --> 00:20:19,600

like

442

00:20:24,310 --> 00:20:21,919

i don't know 2013 and it recorded the

443

00:20:26,549 --> 00:20:24,320

whole conversation and then 10 minutes

444

00:20:28,070 --> 00:20:26,559

later he posted it on youtube without my

445

00:20:29,990 --> 00:20:28,080

permission

446

00:20:31,270 --> 00:20:30,000

just threw it up there even said the

447

00:20:32,710 --> 00:20:31,280

beginning of the interview hey man i'm

448

00:20:36,470 --> 00:20:32,720

just recording this from my own personal

449

00:20:38,070 --> 00:20:36,480

use ten minutes later it's on youtube

450

00:20:40,870 --> 00:20:38,080

well just so you're aware we're on

451  
00:20:42,950 --> 00:20:40,880  
youtube right now

452  
00:20:47,510 --> 00:20:42,960  
just so you know all right you know this

453  
00:20:50,149 --> 00:20:48,630  
sure

454  
00:20:52,390 --> 00:20:50,159  
but

455  
00:20:54,070 --> 00:20:52,400  
i thought the uh conversation was a

456  
00:20:55,750 --> 00:20:54,080  
private conversation so he was like what

457  
00:20:56,950 --> 00:20:55,760  
do you think's gonna talk about mode

458  
00:20:58,789 --> 00:20:56,960  
sorry

459  
00:21:00,549 --> 00:20:58,799  
i said man there might be a

460  
00:21:02,470 --> 00:21:00,559  
there might be some kind of super virus

461  
00:21:04,070 --> 00:21:02,480  
in that thing

462  
00:21:06,710 --> 00:21:04,080  
so

463  
00:21:08,549 --> 00:21:06,720

yeah this was back in 2013.

464

00:21:10,070 --> 00:21:08,559

i was like man if they're talking about

465

00:21:12,149 --> 00:21:10,080

you thought there might be some sort of

466

00:21:14,230 --> 00:21:12,159

biological weapon

467

00:21:17,350 --> 00:21:14,240

just looking at the top thing this is

468

00:21:19,029 --> 00:21:17,360

eight what um

469

00:21:20,230 --> 00:21:19,039

i don't know nine years ago

470

00:21:22,789 --> 00:21:20,240

i was like well if you're talking about

471

00:21:24,230 --> 00:21:22,799

killing off 98 of the population maybe

472

00:21:26,230 --> 00:21:24,240

they'll throw in a super virus in this

473

00:21:27,430 --> 00:21:26,240

time capsule and they'll break it

474

00:21:29,270 --> 00:21:27,440

and then i was just kind of kidding

475

00:21:30,710 --> 00:21:29,280

around you know i was just like who

476  
00:21:32,310 --> 00:21:30,720  
knows was in there

477  
00:21:34,390 --> 00:21:32,320  
but you know

478  
00:21:36,230 --> 00:21:34,400  
six years later we come into some kind

479  
00:21:39,990 --> 00:21:36,240  
of virus spreading around the population

480  
00:21:45,029 --> 00:21:43,430  
and now these things are going down

481  
00:21:46,870 --> 00:21:45,039  
and everybody's looking for the time

482  
00:21:49,110 --> 00:21:46,880  
capsule

483  
00:21:50,950 --> 00:21:49,120  
i don't know i'm just you know yeah i

484  
00:21:52,950 --> 00:21:50,960  
know i've answered this before but do

485  
00:21:54,149 --> 00:21:52,960  
you have any more clarity since last we

486  
00:21:57,190 --> 00:21:54,159  
spoke about

487  
00:21:59,110 --> 00:21:57,200  
the actual identity of the mysterious

488  
00:22:02,870 --> 00:21:59,120

person who put this here who's only

489

00:22:06,630 --> 00:22:04,230

yeah i mean

490

00:22:08,789 --> 00:22:06,640

i know who he is

491

00:22:09,909 --> 00:22:08,799

you know who he is actually

492

00:22:11,190 --> 00:22:09,919

well

493

00:22:16,390 --> 00:22:11,200

in my own

494

00:22:19,029 --> 00:22:16,400

who i've talked to and who i worked with

495

00:22:20,310 --> 00:22:19,039

the dude i wasn't mentioned before

496

00:22:21,750 --> 00:22:20,320

yeah i mean

497

00:22:24,310 --> 00:22:21,760

he did it

498

00:22:27,110 --> 00:22:24,320

i mean i talked to him like after i

499

00:22:29,110 --> 00:22:27,120

removed the stone i'd i i talked to him

500

00:22:30,710 --> 00:22:29,120

numerous occasions on the phone

501  
00:22:32,230 --> 00:22:30,720  
he would ask me he would always ask me

502  
00:22:33,909 --> 00:22:32,240  
you know

503  
00:22:35,510 --> 00:22:33,919  
what have you figured out now

504  
00:22:37,190 --> 00:22:35,520  
okay when he figured this out let me

505  
00:22:38,310 --> 00:22:37,200  
know and i would call them back and i'd

506  
00:22:40,789 --> 00:22:38,320  
figure something else out and he'd be

507  
00:22:42,789 --> 00:22:40,799  
like yeah that's right go talk to the

508  
00:22:44,310 --> 00:22:42,799  
librarian at the [h\_\_\h] elberton

509  
00:22:45,830 --> 00:22:44,320  
library

510  
00:22:47,830 --> 00:22:45,840  
he sent me down there and i talked to

511  
00:22:50,230 --> 00:22:47,840  
her and she showed me some other art

512  
00:22:52,470 --> 00:22:50,240  
so this guy is kind of uh

513  
00:22:54,789 --> 00:22:52,480

kind of a mysterious guy and he sent you

514

00:22:56,870 --> 00:22:54,799

a scavenger hunt to find the secrets of

515

00:22:58,230 --> 00:22:56,880

the guide stones right that'd be cool i

516

00:22:59,669 --> 00:22:58,240

mean the first time i agree the first

517

00:23:01,750 --> 00:22:59,679

time i ever showed up at the place he

518

00:23:02,870 --> 00:23:01,760

was right there within five minutes he

519

00:23:03,830 --> 00:23:02,880

showed up

520

00:23:05,750 --> 00:23:03,840

he's like what do you think about the

521

00:23:07,029 --> 00:23:05,760

misspelling on that thing

522

00:23:08,390 --> 00:23:07,039

you know there's a misspelling on it

523

00:23:10,549 --> 00:23:08,400

right

524

00:23:14,310 --> 00:23:10,559

i mean it says pseudonym

525

00:23:17,990 --> 00:23:15,430

so he said what do you think about the

526

00:23:20,390 --> 00:23:18,000

misspelling and i said well that's

527

00:23:22,310 --> 00:23:20,400

yeah that is an odd misspelling well

528

00:23:24,549 --> 00:23:22,320

it's intentional you know it's like the

529

00:23:26,390 --> 00:23:24,559

cornerstone you build a perfect you

530

00:23:28,310 --> 00:23:26,400

can't make a perfect piece or a perfect

531

00:23:30,470 --> 00:23:28,320

building so you build your building and

532

00:23:33,830 --> 00:23:30,480

you walk over to it and you break it

533

00:23:37,350 --> 00:23:35,430

so that's the

534

00:23:39,510 --> 00:23:37,360

is odd they spelled it with an n at the

535

00:23:40,710 --> 00:23:39,520

end instead of m at the end

536

00:23:44,630 --> 00:23:40,720

it represents

537

00:23:46,630 --> 00:23:44,640

you can't there's it's tolerance you

538

00:23:48,149 --> 00:23:46,640

can't manufacture a perfect piece you

539

00:23:49,269 --> 00:23:48,159

can't build a perfect

540

00:23:52,470 --> 00:23:49,279

building

541

00:23:55,430 --> 00:23:54,070

yeah it's where the northeast corner is

542

00:23:57,590 --> 00:23:55,440

you walk over the northeast corner and

543

00:23:58,710 --> 00:23:57,600

you smack it and you replace it with

544

00:24:00,390 --> 00:23:58,720

some stuff

545

00:24:02,230 --> 00:24:00,400

it's like taking a ball of wine and

546

00:24:03,430 --> 00:24:02,240

walking up to your your boat you're

547

00:24:04,710 --> 00:24:03,440

christening

548

00:24:06,470 --> 00:24:04,720

that's why there's a bottle of wine in

549

00:24:08,070 --> 00:24:06,480

the cornerstone

550

00:24:10,310 --> 00:24:08,080

i guess yeah so

551  
00:24:12,630 --> 00:24:10,320  
you're not you're not like physically

552  
00:24:14,549 --> 00:24:12,640  
very far from there can you tell me like

553  
00:24:15,750 --> 00:24:14,559  
what are the locals saying about what

554  
00:24:17,510 --> 00:24:15,760  
just happened

555  
00:24:19,430 --> 00:24:17,520  
what do they think about this thing

556  
00:24:21,669 --> 00:24:19,440  
getting bombed or

557  
00:24:22,630 --> 00:24:21,679  
attacked or or whatever you want to call

558  
00:24:26,710 --> 00:24:22,640  
it

559  
00:24:28,149 --> 00:24:26,720  
nobody really cares

560  
00:24:30,230 --> 00:24:28,159  
everybody's a little pretty occupied

561  
00:24:31,590 --> 00:24:30,240  
with real world stuff right

562  
00:24:33,510 --> 00:24:31,600  
gas prices

563  
00:24:35,830 --> 00:24:33,520

yeah i mean nobody really cares it's

564

00:24:37,190 --> 00:24:35,840

kind of a novelty i mean

565

00:24:38,390 --> 00:24:37,200

we're never going to find the end of it

566

00:24:39,350 --> 00:24:38,400

we're never going to find the time

567

00:24:41,990 --> 00:24:39,360

capsule

568

00:24:43,590 --> 00:24:42,000

we're not going to find out

569

00:24:45,269 --> 00:24:43,600

and just to clarify do you believe that

570

00:24:46,470 --> 00:24:45,279

there was something there and somebody

571

00:24:48,470 --> 00:24:46,480

took it

572

00:24:50,149 --> 00:24:48,480

it related to this attack or that it was

573

00:24:53,110 --> 00:24:50,159

never put there yet

574

00:24:55,669 --> 00:24:53,120

no it was there yes it was it was there

575

00:24:57,510 --> 00:24:55,679

yeah of course yeah

576

00:24:59,350 --> 00:24:57,520

it was in the northeast corner

577

00:25:02,310 --> 00:24:59,360

foundation

578

00:25:05,750 --> 00:25:02,320

and now it's not now it's missing

579

00:25:07,350 --> 00:25:05,760

no they they took it they have it

580

00:25:09,510 --> 00:25:07,360

who has it the authorities have it or

581

00:25:11,830 --> 00:25:09,520

the attackers have it no the people who

582

00:25:15,430 --> 00:25:11,840

put it up

583

00:25:17,190 --> 00:25:15,440

and retrieved it

584

00:25:18,950 --> 00:25:17,200

after the attack do you think or that's

585

00:25:20,310 --> 00:25:18,960

what i'm trying to get to i mean i'm

586

00:25:21,190 --> 00:25:20,320

just speculating

587

00:25:25,430 --> 00:25:21,200

okay

588

00:25:29,669 --> 00:25:28,870

i mean they have it it's it's ritual

589

00:25:32,230 --> 00:25:29,679

it's

590

00:25:37,029 --> 00:25:34,870

well that's pretty interesting

591

00:25:38,630 --> 00:25:37,039

but i i don't understand then do you

592

00:25:40,149 --> 00:25:38,640

think that the people who put this thing

593

00:25:42,390 --> 00:25:40,159

up were in on

594

00:25:44,230 --> 00:25:42,400

what happened to destroy it

595

00:25:46,149 --> 00:25:44,240

yeah yeah

596

00:25:48,310 --> 00:25:46,159

and this was all part of some grand plan

597

00:25:50,630 --> 00:25:48,320

of theirs

598

00:25:54,549 --> 00:25:50,640

well i mean of course yeah

599

00:26:00,310 --> 00:25:56,149

individual i haven't talked to anybody

600

00:26:03,510 --> 00:26:01,990

yeah i can't

601  
00:26:05,350 --> 00:26:03,520  
point to one person and said yeah this

602  
00:26:07,510 --> 00:26:05,360  
backs me up but i think yeah of course

603  
00:26:09,110 --> 00:26:07,520  
they did it you know

604  
00:26:11,110 --> 00:26:09,120  
so you have some reluctance talking

605  
00:26:12,710 --> 00:26:11,120  
about this publicly knowing

606  
00:26:14,630 --> 00:26:12,720  
you know what you've said that you know

607  
00:26:15,750 --> 00:26:14,640  
who put this up originally and who may

608  
00:26:18,310 --> 00:26:15,760  
be behind

609  
00:26:19,990 --> 00:26:18,320  
the missing time capsule and

610  
00:26:21,430 --> 00:26:20,000  
oh yeah i mean i always have reluctance

611  
00:26:23,590 --> 00:26:21,440  
talking about it i mean

612  
00:26:25,430 --> 00:26:23,600  
well we appreciate you coming here and

613  
00:26:27,669 --> 00:26:25,440

uh giving us your insight and being

614

00:26:29,909 --> 00:26:27,679

honest

615

00:26:31,430 --> 00:26:29,919

it's not really the reluctance in a way

616

00:26:32,789 --> 00:26:31,440

that like i'm afraid somebody's gonna

617

00:26:33,990 --> 00:26:32,799

come

618

00:26:38,470 --> 00:26:34,000

wake me up in the middle of the night

619

00:26:43,110 --> 00:26:40,870

everybody calls these things satanic and

620

00:26:45,590 --> 00:26:43,120

or this and that or

621

00:26:47,110 --> 00:26:45,600

i just can't see it there's

622

00:26:49,269 --> 00:26:47,120

i mean if you look at it in a certain

623

00:26:51,590 --> 00:26:49,279

way you know

624

00:26:52,470 --> 00:26:51,600

it's just how things have always been

625

00:26:53,830 --> 00:26:52,480

done

626  
00:26:55,990 --> 00:26:53,840  
like i said before look at the brad

627  
00:26:57,669 --> 00:26:56,000  
meltzer thing the

628  
00:26:59,830 --> 00:26:57,679  
the missing cornerstone of the capitol

629  
00:27:02,789 --> 00:26:59,840  
building you can't find it what was in

630  
00:27:05,510 --> 00:27:02,799  
that who's got that

631  
00:27:07,669 --> 00:27:05,520  
yeah who took that i mean that's part of

632  
00:27:09,430 --> 00:27:07,679  
history so i would think that

633  
00:27:11,029 --> 00:27:09,440  
ship along to everyone yeah there's a

634  
00:27:12,630 --> 00:27:11,039  
picture there's a picture of it

635  
00:27:14,310 --> 00:27:12,640  
that you've got bringing up i think the

636  
00:27:19,669 --> 00:27:14,320  
washington

637  
00:27:22,549 --> 00:27:19,679  
that cornerstone where is it at what was

638  
00:27:25,350 --> 00:27:22,559

in it and this is the washington

639

00:27:27,190 --> 00:27:25,360

cornerstone the uh house

640

00:27:29,350 --> 00:27:27,200

the con

641

00:27:32,870 --> 00:27:29,360

congress cornerstone i think it was the

642

00:27:34,789 --> 00:27:32,880

capitol building capital you're right

643

00:27:37,830 --> 00:27:34,799

it was either brad meltzer or

644

00:27:39,990 --> 00:27:37,840

ventura i'm pretty sure it's melter

645

00:27:42,710 --> 00:27:40,000

he was buddies with bush yeah i heard

646

00:27:44,549 --> 00:27:42,720

him uh he kind of popped off about this

647

00:27:46,230 --> 00:27:44,559

well we don't really see where the

648

00:27:48,149 --> 00:27:46,240

cornerstone is but

649

00:27:53,909 --> 00:27:48,159

well see that would would've been laying

650

00:27:57,350 --> 00:27:55,990

interesting

651  
00:27:59,909 --> 00:27:57,360  
i mean i would love if they would just

652  
00:28:00,789 --> 00:27:59,919  
admit yeah we took it

653  
00:28:02,789 --> 00:28:00,799  
so

654  
00:28:04,630 --> 00:28:02,799  
what do you think is next like don't you

655  
00:28:06,389 --> 00:28:04,640  
think that this town's gonna be pissed

656  
00:28:07,990 --> 00:28:06,399  
off at somebody because that's a cash

657  
00:28:10,549 --> 00:28:08,000  
cow for them it's like something like

658  
00:28:12,710 --> 00:28:10,559  
dopey town they don't have anything else

659  
00:28:14,950 --> 00:28:12,720  
going on there's thousands of people

660  
00:28:16,870 --> 00:28:14,960  
coming to visit that

661  
00:28:19,110 --> 00:28:16,880  
every year lots of people said that it

662  
00:28:21,029 --> 00:28:19,120  
was just built as a tourist attraction

663  
00:28:23,669 --> 00:28:21,039

to give money to the town but it's not

664

00:28:26,630 --> 00:28:23,679

like it's some kind of six flags or

665

00:28:28,149 --> 00:28:26,640

orlando you know no i understand sure

666

00:28:31,190 --> 00:28:28,159

no they make their money off of ground

667

00:28:32,310 --> 00:28:31,200

up they make most of the monuments

668

00:28:35,110 --> 00:28:32,320

uh

669

00:28:37,909 --> 00:28:35,120

headstones a lot of a lot of monuments

670

00:28:38,710 --> 00:28:37,919

they they don't need money

671

00:28:40,630 --> 00:28:38,720

so

672

00:28:42,630 --> 00:28:40,640

well but do you think that the local

673

00:28:45,029 --> 00:28:42,640

town is going to rebuild this in some

674

00:28:45,990 --> 00:28:45,039

form or they're just going to let it go

675

00:28:48,549 --> 00:28:46,000

no

676

00:28:51,430 --> 00:28:49,350

just

677

00:28:53,510 --> 00:28:51,440

how fast they brought it down you know

678

00:28:56,149 --> 00:28:53,520

it went down at what four in the morning

679

00:28:57,110 --> 00:28:56,159

and by two that afternoon it was down

680

00:28:59,909 --> 00:28:57,120

no

681

00:29:01,830 --> 00:28:59,919

yeah and you having have this firsthand

682

00:29:03,669 --> 00:29:01,840

experience climbing on it and all this

683

00:29:05,430 --> 00:29:03,679

stuff physically

684

00:29:07,830 --> 00:29:05,440

do you think that they needed to pull

685

00:29:09,750 --> 00:29:07,840

the rest of it down or could they have

686

00:29:12,230 --> 00:29:09,760

you know patched that

687

00:29:14,230 --> 00:29:12,240

one blown up slap back together and

688

00:29:15,350 --> 00:29:14,240

jammed it back in there

689

00:29:17,590 --> 00:29:15,360

yeah they could have replaced that

690

00:29:19,669 --> 00:29:17,600

pillar and the capstone the corner of

691

00:29:21,269 --> 00:29:19,679

the capstone was

692

00:29:22,950 --> 00:29:21,279

probably compromised too they'd have to

693

00:29:24,870 --> 00:29:22,960

replace the capstone

694

00:29:27,190 --> 00:29:24,880

they'd have to re-etch all the

695

00:29:29,590 --> 00:29:27,200

languages on the capstone regards the

696

00:29:31,750 --> 00:29:29,600

languages on that

697

00:29:33,190 --> 00:29:31,760

that one pillar i mean it would take a

698

00:29:34,870 --> 00:29:33,200

little bit of work but they could do it

699

00:29:38,470 --> 00:29:34,880

but

700

00:29:41,110 --> 00:29:38,480

no yeah i kind of agree with staff here

701  
00:29:42,870 --> 00:29:41,120  
listener who says why destroy a bunch of

702  
00:29:45,430 --> 00:29:42,880  
stones

703  
00:29:46,870 --> 00:29:45,440  
right and within eight hours it's like

704  
00:29:48,789 --> 00:29:46,880  
it was planned

705  
00:29:51,269 --> 00:29:48,799  
i mean

706  
00:29:52,310 --> 00:29:51,279  
they probably had the people ready to go

707  
00:29:54,149 --> 00:29:52,320  
before

708  
00:29:56,310 --> 00:29:54,159  
your bus brings up a great point here

709  
00:29:59,110 --> 00:29:56,320  
will he says maybe the new world order

710  
00:30:01,430 --> 00:29:59,120  
destroyed it to write some new rules

711  
00:30:03,510 --> 00:30:01,440  
oh okay yeah good point um check this

712  
00:30:06,070 --> 00:30:03,520  
out it's an inverse of babylon all right

713  
00:30:07,510 --> 00:30:06,080

so you got the story babylon and

714

00:30:09,590 --> 00:30:07,520

uh they

715

00:30:11,190 --> 00:30:09,600

they made an idol to god and said we're

716

00:30:13,750 --> 00:30:11,200

gonna build a tower to god and we're

717

00:30:15,909 --> 00:30:13,760

gonna you know touch the heavens and god

718

00:30:18,470 --> 00:30:15,919

crushed it and

719

00:30:19,350 --> 00:30:18,480

uh created all the languages right

720

00:30:20,830 --> 00:30:19,360

yes

721

00:30:23,350 --> 00:30:20,840

this thing crushed other

722

00:30:25,029 --> 00:30:23,360

languages and it's kind of an inverse to

723

00:30:26,870 --> 00:30:25,039

that it's like yeah you're right because

724

00:30:29,110 --> 00:30:26,880

it had all those different languages on

725

00:30:30,710 --> 00:30:29,120

it yeah so maybe like hey

726

00:30:33,590 --> 00:30:30,720

and one of the rules of that thing was

727

00:30:37,669 --> 00:30:33,600

create a living new language

728

00:30:39,990 --> 00:30:37,679

so maybe the idea here is a metaphysical

729

00:30:41,430 --> 00:30:40,000

metaphorical type of hey we're going to

730

00:30:43,350 --> 00:30:41,440

take out all the language we don't need

731

00:30:44,789 --> 00:30:43,360

them we're ready and we're ready to

732

00:30:45,830 --> 00:30:44,799

touch heaven again

733

00:30:49,269 --> 00:30:45,840

so i mean

734

00:30:50,710 --> 00:30:49,279

you can look at it from that point sure

735

00:30:52,710 --> 00:30:50,720

i mean yeah i mean that's pretty

736

00:30:55,029 --> 00:30:52,720

interesting you're right that's that's

737

00:30:57,669 --> 00:30:55,039

that's a that's just like the mirror

738

00:31:00,149 --> 00:30:57,679

image of the of of the tower of babylon

739

00:31:02,630 --> 00:31:00,159

because that was brought down because

740

00:31:04,950 --> 00:31:02,640

uh we were arrogant and had only one

741

00:31:07,269 --> 00:31:04,960

language so god apparently

742

00:31:08,310 --> 00:31:07,279

you know confused everyone

743

00:31:09,750 --> 00:31:08,320

and and

744

00:31:11,269 --> 00:31:09,760

all these different languages

745

00:31:13,029 --> 00:31:11,279

that would have been a more interesting

746

00:31:15,350 --> 00:31:13,039

time for humanity though wouldn't it if

747

00:31:16,950 --> 00:31:15,360

we only had one language

748

00:31:19,590 --> 00:31:16,960

communicating easier you know we're back

749

00:31:22,310 --> 00:31:19,600

there you know we got digital's we got

750

00:31:23,990 --> 00:31:22,320

a.i we got we're moving into this one

751  
00:31:26,070 --> 00:31:24,000  
language where

752  
00:31:27,590 --> 00:31:26,080  
you know

753  
00:31:29,029 --> 00:31:27,600  
maybe we're back there

754  
00:31:31,350 --> 00:31:29,039  
do you have any somebody's mentioning

755  
00:31:32,789 --> 00:31:31,360  
how expensive large pieces of granite or

756  
00:31:34,789 --> 00:31:32,799  
do you have any idea how much it would

757  
00:31:36,870 --> 00:31:34,799  
cost to build that monument in today's

758  
00:31:38,789 --> 00:31:36,880  
dollars

759  
00:31:41,110 --> 00:31:38,799  
oh i mean it's pretty hefty right

760  
00:31:43,909 --> 00:31:41,120  
hundreds of millions probably

761  
00:31:46,630 --> 00:31:43,919  
really that much i would think i was

762  
00:31:48,710 --> 00:31:46,640  
thinking a couple hundred thousand maybe

763  
00:31:51,190 --> 00:31:48,720

no i can't remember the uh the price tag

764

00:31:51,990 --> 00:31:51,200

on in 1980 but

765

00:31:53,350 --> 00:31:52,000

yeah

766

00:31:55,990 --> 00:31:53,360

millions

767

00:31:59,750 --> 00:31:58,070

yeah you may be right you may be right

768

00:32:01,509 --> 00:31:59,760

because i i i don't know the only

769

00:32:03,029 --> 00:32:01,519

experience i have is buying a gravestone

770

00:32:04,470 --> 00:32:03,039

and that was crazy expensive for a

771

00:32:05,830 --> 00:32:04,480

little stones

772

00:32:10,230 --> 00:32:05,840

yeah if you buy a headstone you're

773

00:32:12,549 --> 00:32:11,190

yeah

774

00:32:14,310 --> 00:32:12,559

they don't care though they're they're

775

00:32:16,789 --> 00:32:14,320

sitting right ryan you know they can go

776

00:32:19,190 --> 00:32:16,799

on the you know a quarry you know

777

00:32:21,990 --> 00:32:19,200

yeah this this says that the total cost

778

00:32:24,310 --> 00:32:22,000

of the project was not revealed but

779

00:32:27,830 --> 00:32:24,320

it was over a hundred thousand dollars

780

00:32:29,430 --> 00:32:27,840

oh it would be equivalent to 373 000

781

00:32:31,750 --> 00:32:29,440

in today's money

782

00:32:33,269 --> 00:32:31,760

according to this site that that's

783

00:32:34,710 --> 00:32:33,279

pretty interesting

784

00:32:37,110 --> 00:32:34,720

but the fact that somebody would spend

785

00:32:40,070 --> 00:32:37,120

that much money to only wait 30 years

786

00:32:42,070 --> 00:32:40,080

and then blow it up i'm not sure i

787

00:32:44,389 --> 00:32:42,080

understand that but then i don't

788

00:32:45,669 --> 00:32:44,399

understand some of this ritualistic side

789

00:32:48,230 --> 00:32:45,679

of this thing

790

00:32:49,909 --> 00:32:48,240

yeah i would say it's visual it's

791

00:32:53,509 --> 00:32:49,919

you know

792

00:32:56,470 --> 00:32:54,389

yeah

793

00:32:58,630 --> 00:32:56,480

i actually call elberton little or the

794

00:33:00,630 --> 00:32:58,640

new roswell i think everybody from

795

00:33:02,310 --> 00:33:00,640

roswell moved to elberton because i've

796

00:33:03,990 --> 00:33:02,320

been there a few like

797

00:33:05,830 --> 00:33:04,000

quite a number of times that everybody

798

00:33:09,269 --> 00:33:05,840

in that place is just weird

799

00:33:11,029 --> 00:33:09,279

like you go to mcdonald's there and like

800

00:33:13,190 --> 00:33:11,039

the tables are granite the chairs are

801  
00:33:14,950 --> 00:33:13,200  
granite you go to a picnic like i went

802  
00:33:17,590 --> 00:33:14,960  
to a park in elberton it's picking

803  
00:33:18,789 --> 00:33:17,600  
tables at granite so

804  
00:33:21,190 --> 00:33:18,799  
i mean

805  
00:33:22,789 --> 00:33:21,200  
the whole place is just weird

806  
00:33:26,310 --> 00:33:22,799  
did you know there's a replica of

807  
00:33:27,909 --> 00:33:26,320  
georgia guidestones in japan

808  
00:33:29,029 --> 00:33:27,919  
my grandmother actually said there's

809  
00:33:30,549 --> 00:33:29,039  
probably

810  
00:33:32,710 --> 00:33:30,559  
you know at least six of them across the

811  
00:33:34,310 --> 00:33:32,720  
planet

812  
00:33:37,029 --> 00:33:34,320  
oh wow that's interesting so there's

813  
00:33:39,350 --> 00:33:37,039

more than one guide stone huh

814

00:33:42,630 --> 00:33:39,360

well i mean that's just her opinion but

815

00:33:44,230 --> 00:33:42,640

it makes kind of sense i mean

816

00:33:45,509 --> 00:33:44,240

maybe if they're ley line

817

00:33:47,430 --> 00:33:45,519

and dues or

818

00:33:49,350 --> 00:33:47,440

ley line or construction on ley lines i

819

00:33:51,190 --> 00:33:49,360

would think maybe there's a bunch of

820

00:33:53,430 --> 00:33:51,200

them around

821

00:33:56,630 --> 00:33:53,440

just off of the middle of nowhere

822

00:33:59,269 --> 00:33:56,640

underwater maybe you know wow

823

00:34:01,269 --> 00:33:59,279

my grandmother thought that so

824

00:34:03,269 --> 00:34:01,279

lord liquor says it's in japan or south

825

00:34:07,669 --> 00:34:03,279

korea there's a replica of the

826

00:34:12,230 --> 00:34:08,869

yeah

827

00:34:14,310 --> 00:34:12,240

would it would definitely some people

828

00:34:16,389 --> 00:34:14,320

are arguing over the price that maybe

829

00:34:18,230 --> 00:34:16,399

hundreds of thousands but not hundreds

830

00:34:20,710 --> 00:34:18,240

of millions yeah

831

00:34:22,790 --> 00:34:20,720

i'm probably wrong about that

832

00:34:24,069 --> 00:34:22,800

hey crystal clear good to see you

833

00:34:26,869 --> 00:34:24,079

so

834

00:34:29,589 --> 00:34:26,879

what's next for you because is this does

835

00:34:31,030 --> 00:34:29,599

this feel like a weird end to a chapter

836

00:34:33,270 --> 00:34:31,040

in your life since you've been so

837

00:34:36,550 --> 00:34:33,280

connected to these things for so long

838

00:34:38,149 --> 00:34:36,560

oh yeah i'm you know

839

00:34:39,990 --> 00:34:38,159

it feels like a closing of a book kind

840

00:34:41,589 --> 00:34:40,000

of deal i don't know

841

00:34:43,430 --> 00:34:41,599

i mean

842

00:34:44,950 --> 00:34:43,440

they took the time capsule you know

843

00:34:47,270 --> 00:34:44,960

that's you know they can do whatever

844

00:34:50,629 --> 00:34:47,280

they want to with it i don't know

845

00:34:53,909 --> 00:34:53,030

i mean i know i tried to move it but you

846

00:34:55,109 --> 00:34:53,919

know

847

00:34:57,750 --> 00:34:55,119

obviously they weren't going to allow

848

00:35:02,630 --> 00:34:59,750

yeah that's pretty interesting though

849

00:35:04,550 --> 00:35:02,640

that you know you you like

850

00:35:07,750 --> 00:35:04,560

luckily for you you kind of got out of

851  
00:35:11,829 --> 00:35:09,750  
yeah

852  
00:35:13,829 --> 00:35:11,839  
it took some time

853  
00:35:14,790 --> 00:35:13,839  
that seemed i'm sorry that question may

854  
00:35:16,870 --> 00:35:14,800  
look like

855  
00:35:19,990 --> 00:35:16,880  
i made you visibly uncomfortable

856  
00:35:22,150 --> 00:35:20,000  
anybody's ever been arrested it sucks

857  
00:35:24,630 --> 00:35:22,160  
it's not fun and then

858  
00:35:26,069 --> 00:35:24,640  
they got you tied right they had you

859  
00:35:27,910 --> 00:35:26,079  
tied for a while you had to go back and

860  
00:35:29,190 --> 00:35:27,920  
forth to court and deal with all this

861  
00:35:30,950 --> 00:35:29,200  
mess

862  
00:35:33,430 --> 00:35:30,960  
right and well did you get you got

863  
00:35:34,230 --> 00:35:33,440

probation too right or something so then

864

00:35:36,390 --> 00:35:34,240

yeah

865

00:35:39,030 --> 00:35:36,400

so then you get a probation officer that

866

00:35:42,630 --> 00:35:39,040

you gotta go check in with and p-test

867

00:35:43,910 --> 00:35:42,640

and it's a nightmare i guess right

868

00:35:45,030 --> 00:35:43,920

actually it

869

00:35:50,870 --> 00:35:45,040

it

870

00:35:53,589 --> 00:35:50,880

they've all the charges have been

871

00:35:55,349 --> 00:35:53,599

expunged so you know it's not on my

872

00:35:57,190 --> 00:35:55,359

record

873

00:35:59,190 --> 00:35:57,200

yeah so yeah you don't have to explain

874

00:36:01,430 --> 00:35:59,200

that to a potential employer well this

875

00:36:05,510 --> 00:36:01,440

one night i climbed on top of the new

876

00:36:07,910 --> 00:36:05,520

world orders monument to uh depopulation

877

00:36:09,510 --> 00:36:07,920

and got in trouble you know

878

00:36:11,270 --> 00:36:09,520

yeah that's i don't want to be an

879

00:36:13,510 --> 00:36:11,280

awkward conversation that i don't know

880

00:36:14,950 --> 00:36:13,520

that many people would want to have

881

00:36:17,109 --> 00:36:14,960

okay

882

00:36:18,150 --> 00:36:17,119

well randy phillips says the poor guy is

883

00:36:19,349 --> 00:36:18,160

grieving

884

00:36:21,510 --> 00:36:19,359

i i

885

00:36:23,990 --> 00:36:21,520

when i saw this happened the first

886

00:36:26,310 --> 00:36:24,000

person i thought of else was you

887

00:36:28,310 --> 00:36:26,320

and and the next thought i had was what

888

00:36:30,390 --> 00:36:28,320

is will ellis going to do

889

00:36:32,950 --> 00:36:30,400

if there's no mystery left but there is

890

00:36:34,950 --> 00:36:32,960

still a mystery left to be solved here

891

00:36:37,829 --> 00:36:34,960

like there's always riddles move this

892

00:36:40,310 --> 00:36:37,839

thing up and uh you know

893

00:36:42,630 --> 00:36:40,320

who who blew this thing up why did they

894

00:36:44,950 --> 00:36:42,640

blow this thing up who took the time

895

00:36:46,230 --> 00:36:44,960

capsule why did they take the time

896

00:36:48,230 --> 00:36:46,240

capsule

897

00:36:51,109 --> 00:36:48,240

we're left with more questions out of

898

00:36:53,349 --> 00:36:51,119

this recent event than answers about the

899

00:36:55,190 --> 00:36:53,359

original guide stones but you're saying

900

00:36:57,829 --> 00:36:55,200

that the guy who put this there is still

901  
00:36:58,630 --> 00:36:57,839  
alive he's sort of watching over them

902  
00:37:01,190 --> 00:36:58,640  
and

903  
00:37:02,470 --> 00:37:01,200  
no no he he passed in 2013.

904  
00:37:05,510 --> 00:37:02,480  
okay

905  
00:37:07,670 --> 00:37:05,520  
actually it's funny like he was around

906  
00:37:10,310 --> 00:37:07,680  
i swear two weeks before i was arrested

907  
00:37:11,510 --> 00:37:10,320  
this dude was around so i get arrested

908  
00:37:14,550 --> 00:37:11,520  
you know

909  
00:37:16,310 --> 00:37:14,560  
minutes they show up i'm about to pull

910  
00:37:18,310 --> 00:37:16,320  
this thing out they're like no and i'm

911  
00:37:20,870 --> 00:37:18,320  
like hey man i worked for this fun book

912  
00:37:21,670 --> 00:37:20,880  
this dude he he was the caretaker of the

913  
00:37:26,390 --> 00:37:21,680

place

914

00:37:28,630 --> 00:37:26,400

didn't own it i know who owns it but

915

00:37:29,829 --> 00:37:28,640

he was just a caretaker of it so i'm

916

00:37:31,510 --> 00:37:29,839

like hey man

917

00:37:33,829 --> 00:37:31,520

call this dude i've been talking to him

918

00:37:35,349 --> 00:37:33,839

for years he was the one who put me up

919

00:37:36,870 --> 00:37:35,359

to it

920

00:37:40,390 --> 00:37:36,880

and they're like

921

00:37:42,630 --> 00:37:40,400

and they were like he died two weeks ago

922

00:37:44,870 --> 00:37:42,640

and so his son is now the caretaker of

923

00:37:46,390 --> 00:37:44,880

it i know his name i know who he is he

924

00:37:47,430 --> 00:37:46,400

doesn't like me

925

00:37:49,750 --> 00:37:47,440

so

926  
00:37:53,109 --> 00:37:49,760  
they were talking to him i'm like how do

927  
00:37:55,270 --> 00:37:53,119  
i know who y'all are talking to

928  
00:37:56,790 --> 00:37:55,280  
i said how do i know his name

929  
00:37:58,950 --> 00:37:56,800  
and they all looked at me like well yeah

930  
00:38:01,270 --> 00:37:58,960  
how the [h\_\_h] does he know his name

931  
00:38:03,829 --> 00:38:01,280  
so i'm like okay well tell him

932  
00:38:06,230 --> 00:38:03,839  
that i was working with his dad and he

933  
00:38:07,430 --> 00:38:06,240  
knows that so

934  
00:38:10,150 --> 00:38:07,440  
there's there's

935  
00:38:13,910 --> 00:38:10,160  
it was just weird i said

936  
00:38:15,589 --> 00:38:13,920  
call this dude no he's dead so

937  
00:38:17,510 --> 00:38:15,599  
yeah that is a little bit weird you're

938  
00:38:19,030 --> 00:38:17,520

telling the police this guy put me up to

939

00:38:21,430 --> 00:38:19,040

it and he's dead so you kind of look

940

00:38:23,190 --> 00:38:21,440

like an [h\_\_\h]

941

00:38:25,510 --> 00:38:23,200

you're like yeah that guy's dead try

942

00:38:29,430 --> 00:38:25,520

again criminal right

943

00:38:30,390 --> 00:38:29,440

they have me on a voice message or uh um

944

00:38:32,069 --> 00:38:30,400

you know

945

00:38:33,990 --> 00:38:32,079

i called the dude when i was there two

946

00:38:35,030 --> 00:38:34,000

weeks earlier i said hey man we can't

947

00:38:37,190 --> 00:38:35,040

find it

948

00:38:39,589 --> 00:38:37,200

you know i'm on his like

949

00:38:41,910 --> 00:38:39,599

voice thing a voice machine whatever

950

00:38:43,349 --> 00:38:41,920

and uh i went to his house two weeks

951  
00:38:45,190 --> 00:38:43,359  
earlier and nobody was there they didn't

952  
00:38:46,470 --> 00:38:45,200  
answer the door

953  
00:38:48,630 --> 00:38:46,480  
and

954  
00:38:49,990 --> 00:38:48,640  
now two weeks later when i need the dude

955  
00:38:51,109 --> 00:38:50,000  
he's not there

956  
00:38:53,589 --> 00:38:51,119  
so uh

957  
00:38:55,430 --> 00:38:53,599  
whatever but

958  
00:38:58,310 --> 00:38:55,440  
like i said he was only the caretaker of

959  
00:39:00,390 --> 00:38:58,320  
the place and

960  
00:39:01,990 --> 00:39:00,400  
obviously he funded it so

961  
00:39:04,069 --> 00:39:02,000  
yeah

962  
00:39:05,030 --> 00:39:04,079  
but i do know who owns the place

963  
00:39:05,990 --> 00:39:05,040

so

964

00:39:08,069 --> 00:39:06,000

i mean

965

00:39:09,430 --> 00:39:08,079

is that public knowledge who owns the

966

00:39:11,750 --> 00:39:09,440

actual

967

00:39:13,190 --> 00:39:11,760

property that this is on

968

00:39:14,950 --> 00:39:13,200

the united states government owns the

969

00:39:16,550 --> 00:39:14,960

place that's

970

00:39:18,230 --> 00:39:16,560

interesting

971

00:39:19,349 --> 00:39:18,240

they own it

972

00:39:22,630 --> 00:39:19,359

so

973

00:39:24,630 --> 00:39:22,640

the swift uh demolition of it was

974

00:39:27,510 --> 00:39:24,640

decided on by the united states

975

00:39:28,790 --> 00:39:27,520

government it wasn't anything local

976

00:39:31,829 --> 00:39:28,800

it's

977

00:39:34,790 --> 00:39:33,109

so

978

00:39:37,510 --> 00:39:34,800

did you hear too that there was there's

979

00:39:40,150 --> 00:39:37,520

a gubernatorial candidate whose sole

980

00:39:42,630 --> 00:39:40,160

purpose was to knock the georgia guide

981

00:39:44,630 --> 00:39:42,640

stones down that was her whole platform

982

00:39:46,630 --> 00:39:44,640

yeah she got what's three what's what's

983

00:39:48,550 --> 00:39:46,640

going on with her

984

00:39:50,870 --> 00:39:48,560

i can't remember her name but she only

985

00:39:52,790 --> 00:39:50,880

got three percent of the vote but

986

00:39:55,750 --> 00:39:52,800

it's the meme it's putting those words

987

00:39:57,670 --> 00:39:55,760

out there you know

988

00:39:59,670 --> 00:39:57,680

maybe it's uh hey we're about to do this

989

00:40:01,750 --> 00:39:59,680

thing

990

00:40:02,950 --> 00:40:01,760

you know

991

00:40:05,270 --> 00:40:02,960

yeah

992

00:40:07,510 --> 00:40:05,280

somebody uh the sixth sense is asking

993

00:40:08,950 --> 00:40:07,520

why did they take it down so quickly

994

00:40:11,030 --> 00:40:08,960

shouldn't there have been a much more

995

00:40:12,870 --> 00:40:11,040

in-depth investigation that's a crime

996

00:40:15,190 --> 00:40:12,880

scene right you don't just destroy a

997

00:40:16,870 --> 00:40:15,200

crime scene it's like bulldozing a house

998

00:40:17,829 --> 00:40:16,880

that's a crime scene it doesn't make any

999

00:40:18,870 --> 00:40:17,839

sense

1000

00:40:21,109 --> 00:40:18,880

yeah you would think there'd be some

1001

00:40:24,550 --> 00:40:21,119

sort of forensics they would run a run

1002

00:40:25,349 --> 00:40:24,560

like you know no eight hours down

1003

00:40:27,109 --> 00:40:25,359

yeah

1004

00:40:28,870 --> 00:40:27,119

hey look at the uh georgia bureau

1005

00:40:30,230 --> 00:40:28,880

investigation logo

1006

00:40:32,470 --> 00:40:30,240

can you bring that up

1007

00:40:33,829 --> 00:40:32,480

sure let me check that out you mentioned

1008

00:40:35,510 --> 00:40:33,839

and i know everybody was talking about

1009

00:40:37,589 --> 00:40:35,520

it lightning brought it down a bulge of

1010

00:40:39,750 --> 00:40:37,599

lightning i don't care how

1011

00:40:41,589 --> 00:40:39,760

but it's interesting the georgia bureau

1012

00:40:45,990 --> 00:40:41,599

investigation logo has a bolt of

1013

00:40:49,829 --> 00:40:47,430

oh no

1014

00:40:53,190 --> 00:40:49,839

yeah uh sure

1015

00:40:54,790 --> 00:40:53,200

i'm gonna try to shoot yeah i got it

1016

00:40:56,950 --> 00:40:54,800

there you go

1017

00:40:58,470 --> 00:40:56,960

so did you think that that

1018

00:40:59,190 --> 00:40:58,480

they may have had something to do with

1019

00:41:00,710 --> 00:40:59,200

it

1020

00:41:02,390 --> 00:41:00,720

well i mean there's a boat a lot two

1021

00:41:05,030 --> 00:41:02,400

bowls of lightning on it

1022

00:41:06,870 --> 00:41:05,040

well there was one truck that somebody

1023

00:41:10,390 --> 00:41:06,880

had a picture of the truck there

1024

00:41:12,870 --> 00:41:11,349

that was

1025

00:41:14,790 --> 00:41:12,880

interesting too no there's one of a

1026

00:41:15,829 --> 00:41:14,800

truck there

1027

00:41:17,990 --> 00:41:15,839

i don't

1028

00:41:19,349 --> 00:41:18,000

i'd have to open it up

1029

00:41:21,109 --> 00:41:19,359

yeah well you could share whatever you

1030

00:41:23,589 --> 00:41:21,119

like to share i just have to approve it

1031

00:41:24,470 --> 00:41:23,599

that's fine you'd be i'd be happy to see

1032

00:41:26,630 --> 00:41:24,480

that

1033

00:41:28,230 --> 00:41:26,640

interesting uh

1034

00:41:29,990 --> 00:41:28,240

isn't it weird that people are making

1035

00:41:32,069 --> 00:41:30,000

all kinds of weird connections though

1036

00:41:34,069 --> 00:41:32,079

like some people are saying satanist

1037

00:41:35,829 --> 00:41:34,079

destroyed it some people are saying

1038

00:41:38,069 --> 00:41:35,839

christians destroyed it because it was a

1039

00:41:40,390 --> 00:41:38,079

satanic monument other people are

1040

00:41:43,829 --> 00:41:40,400

involving the freemasons new world order

1041

00:41:46,470 --> 00:41:43,839

the illuminati the jesuits i heard and i

1042

00:41:48,790 --> 00:41:46,480

grew up catholic so they're the weird

1043

00:41:50,230 --> 00:41:48,800

mysterious catholic sect

1044

00:41:52,630 --> 00:41:50,240

or uh

1045

00:41:54,390 --> 00:41:52,640

you know sort of cult and i wouldn't put

1046

00:41:56,710 --> 00:41:54,400

it past them to be involved in something

1047

00:41:59,750 --> 00:41:56,720

like this

1048

00:42:02,950 --> 00:41:59,760

i've heard aliens have destroyed it so

1049

00:42:04,550 --> 00:42:02,960

i didn't get the alien one yet yeah yeah

1050

00:42:06,790 --> 00:42:04,560

this is what i never understood too

1051  
00:42:09,030 --> 00:42:06,800  
granny phillips makes a great point

1052  
00:42:12,069 --> 00:42:09,040  
private people made the stones but then

1053  
00:42:14,470 --> 00:42:12,079  
they got erected on public land how does

1054  
00:42:16,550 --> 00:42:14,480  
that happen it's not public land it's

1055  
00:42:17,990 --> 00:42:16,560  
government land right it's owned by the

1056  
00:42:19,349 --> 00:42:18,000  
us government

1057  
00:42:21,190 --> 00:42:19,359  
so it's

1058  
00:42:22,230 --> 00:42:21,200  
by definition then it's probably another

1059  
00:42:24,150 --> 00:42:22,240  
way

1060  
00:42:26,470 --> 00:42:24,160  
i mean but i mean

1061  
00:42:27,990 --> 00:42:26,480  
they can own stuff and say you can't go

1062  
00:42:29,910 --> 00:42:28,000  
there or whatever

1063  
00:42:31,750 --> 00:42:29,920

not everything that they own is public

1064

00:42:33,910 --> 00:42:31,760

like people can go run around like it's

1065

00:42:34,630 --> 00:42:33,920

a park but right right it's just weird

1066

00:42:36,710 --> 00:42:34,640

then

1067

00:42:38,550 --> 00:42:36,720

how does the uf us government get

1068

00:42:40,150 --> 00:42:38,560

involved and say oh somebody spent

1069

00:42:41,990 --> 00:42:40,160

hundreds of thousands of dollars on

1070

00:42:44,710 --> 00:42:42,000

these granite monuments we'll put it up

1071

00:42:46,309 --> 00:42:44,720

here where we own this land

1072

00:42:47,589 --> 00:42:46,319

was it the locals that made that

1073

00:42:49,589 --> 00:42:47,599

decision or

1074

00:42:50,790 --> 00:42:49,599

or who

1075

00:42:51,990 --> 00:42:50,800

i couldn't

1076

00:42:55,349 --> 00:42:52,000

couldn't answer that question i would

1077

00:42:57,589 --> 00:42:55,359

think it would be a partnership between

1078

00:43:00,390 --> 00:42:57,599

the person who designed it and had the

1079

00:43:01,990 --> 00:43:00,400

idea for it and the government

1080

00:43:03,829 --> 00:43:02,000

so

1081

00:43:05,670 --> 00:43:03,839

yeah it's pretty interesting that

1082

00:43:07,829 --> 00:43:05,680

somebody would

1083

00:43:09,589 --> 00:43:07,839

i don't know uh

1084

00:43:11,030 --> 00:43:09,599

spend that much money and then just let

1085

00:43:16,309 --> 00:43:11,040

somebody put it on

1086

00:43:20,470 --> 00:43:18,069

uh

1087

00:43:23,270 --> 00:43:20,480

that's that's questions i can't answer

1088

00:43:24,829 --> 00:43:23,280

yeah yeah somebody's mentioning that was

1089

00:43:27,990 --> 00:43:24,839

the guy bought five

1090

00:43:30,710 --> 00:43:28,000

acres maybe the guy who uh

1091

00:43:31,990 --> 00:43:30,720

created the stones bought the five acres

1092

00:43:33,829 --> 00:43:32,000

but i've heard other people say that

1093

00:43:35,430 --> 00:43:33,839

it's government land so i'm going to

1094

00:43:38,710 --> 00:43:35,440

have to check on that just to clarify

1095

00:43:42,470 --> 00:43:40,710

yeah i and i trust your judgment with

1096

00:43:43,829 --> 00:43:42,480

the research that you have done onto

1097

00:43:45,829 --> 00:43:43,839

this thing you've been following this

1098

00:43:48,230 --> 00:43:45,839

thing for quite some time

1099

00:43:50,630 --> 00:43:48,240

it's due to legal papers

1100

00:43:51,910 --> 00:43:50,640

yeah it's public records who owns that

1101  
00:43:53,750 --> 00:43:51,920  
land right

1102  
00:43:55,829 --> 00:43:53,760  
now i mean the ones who are like legal

1103  
00:43:58,470 --> 00:43:55,839  
papers against me

1104  
00:44:01,030 --> 00:43:58,480  
if it was if it was anybody else's land

1105  
00:44:02,309 --> 00:44:01,040  
they would have been

1106  
00:44:04,069 --> 00:44:02,319  
oh i guess yeah you're right because

1107  
00:44:06,470 --> 00:44:04,079  
you've got sort of like a a criminal

1108  
00:44:08,230 --> 00:44:06,480  
charge related to being on that land so

1109  
00:44:09,829 --> 00:44:08,240  
yeah that's like a court that's in your

1110  
00:44:11,349 --> 00:44:09,839  
court documents then

1111  
00:44:12,950 --> 00:44:11,359  
okay one charge is destruction of

1112  
00:44:14,710 --> 00:44:12,960  
government property

1113  
00:44:16,950 --> 00:44:14,720

so there you go

1114

00:44:18,550 --> 00:44:16,960

then that would seem to be an admission

1115

00:44:21,190 --> 00:44:18,560

by the government that it's government

1116

00:44:22,710 --> 00:44:21,200

property these guide stones that's crazy

1117

00:44:25,270 --> 00:44:22,720

yes destruction of government property

1118

00:44:27,270 --> 00:44:25,280

was one of my charges so

1119

00:44:32,230 --> 00:44:27,280

i didn't destroy anything i just moved a

1120

00:44:36,630 --> 00:44:34,470

yeah and stale says they dug up the time

1121

00:44:38,390 --> 00:44:36,640

capsule years ago that's what he heard

1122

00:44:40,230 --> 00:44:38,400

or he could be wrong i mean is it

1123

00:44:41,990 --> 00:44:40,240

possible that somebody's already removed

1124

00:44:45,030 --> 00:44:42,000

it some person like you found where it

1125

00:44:47,270 --> 00:44:45,040

was dug it up one night

1126

00:44:48,710 --> 00:44:47,280

and ran off with it but it wasn't

1127

00:44:50,069 --> 00:44:48,720

underneath that flat slab it was

1128

00:44:53,349 --> 00:44:50,079

underneath

1129

00:44:55,430 --> 00:44:53,359

the corner that i mentioned before

1130

00:44:57,990 --> 00:44:55,440

it's very interesting to me

1131

00:45:00,870 --> 00:44:58,000

the whole idea of you being charged with

1132

00:45:01,829 --> 00:45:00,880

uh destruction of public property i i'd

1133

00:45:08,150 --> 00:45:01,839

like to

1134

00:45:09,910 --> 00:45:08,160

get a hold of those court documents

1135

00:45:10,790 --> 00:45:09,920

highlight that and then

1136

00:45:13,109 --> 00:45:10,800

call

1137

00:45:15,750 --> 00:45:13,119

and start asking questions like

1138

00:45:19,750 --> 00:45:17,910

i've been actually interested into um

1139

00:45:20,870 --> 00:45:19,760

the actual when i went to court like the

1140

00:45:22,710 --> 00:45:20,880

um

1141

00:45:23,910 --> 00:45:22,720

i want to see the actual text of my

1142

00:45:25,430 --> 00:45:23,920

court

1143

00:45:27,990 --> 00:45:25,440

because every question the judge asked

1144

00:45:29,670 --> 00:45:28,000

me i said i played the fifth as in no

1145

00:45:31,510 --> 00:45:29,680

longer or no

1146

00:45:33,670 --> 00:45:31,520

not to incriminate myself or anybody

1147

00:45:36,390 --> 00:45:33,680

else mentioned in the police report so

1148

00:45:38,390 --> 00:45:36,400

i want a copy of the questions the judge

1149

00:45:40,950 --> 00:45:38,400

asked me because the questions the judge

1150

00:45:42,630 --> 00:45:40,960

asked me was really really strange you

1151

00:45:44,470 --> 00:45:42,640

can get that it's called a transcript

1152

00:45:46,069 --> 00:45:44,480

you just you just contact the court you

1153

00:45:46,950 --> 00:45:46,079

say i want a transcript of the whole

1154

00:45:48,630 --> 00:45:46,960

case

1155

00:45:49,510 --> 00:45:48,640

you can contact the

1156

00:45:51,910 --> 00:45:49,520

clerk

1157

00:45:53,990 --> 00:45:51,920

of that judge i can i can show you how

1158

00:45:55,670 --> 00:45:54,000

to do that

1159

00:45:58,150 --> 00:45:55,680

yeah that'd be great we should get all

1160

00:46:00,390 --> 00:45:58,160

of it will alice we should get all of it

1161

00:46:01,750 --> 00:46:00,400

i'd love it because i wanted to get it

1162

00:46:03,430 --> 00:46:01,760

i want to see that question he asked me

1163

00:46:05,349 --> 00:46:03,440

he's like how did you cut this without

1164

00:46:07,829 --> 00:46:05,359

cutting the top part he's like how did

1165

00:46:09,990 --> 00:46:07,839

you make that cut without cutting the

1166

00:46:11,510 --> 00:46:10,000

the capstone of it

1167

00:46:14,470 --> 00:46:11,520

and i couldn't answer him

1168

00:46:15,750 --> 00:46:14,480

i said i'll plead the fifth because if i

1169

00:46:17,510 --> 00:46:15,760

answered one question they would it

1170

00:46:19,430 --> 00:46:17,520

would have gone a trial and my plea

1171

00:46:21,670 --> 00:46:19,440

would have been out the window

1172

00:46:23,829 --> 00:46:21,680

oh wow so you just pleaded the fifth for

1173

00:46:25,349 --> 00:46:23,839

all the questions that he asked yeah

1174

00:46:27,030 --> 00:46:25,359

he's like why did you drill there's two

1175

00:46:28,950 --> 00:46:27,040

holes like if you look at some pictures

1176

00:46:30,550 --> 00:46:28,960

you can see the two holes

1177

00:46:32,390 --> 00:46:30,560

there's two holes drilled in like the

1178

00:46:34,950 --> 00:46:32,400

side of it and those were just dowel

1179

00:46:36,710 --> 00:46:34,960

pins so they took the stone out and they

1180

00:46:37,750 --> 00:46:36,720

drilled two holes in it looks like a

1181

00:46:39,670 --> 00:46:37,760

plug

1182

00:46:40,550 --> 00:46:39,680

so they could fill that up with glue

1183

00:46:42,069 --> 00:46:40,560

and then

1184

00:46:43,510 --> 00:46:42,079

glue it back in and that would act like

1185

00:46:44,710 --> 00:46:43,520

a dowel

1186

00:46:46,150 --> 00:46:44,720

he's like why'd you drill why do you

1187

00:46:48,710 --> 00:46:46,160

take a stone out and then drill those

1188

00:46:50,150 --> 00:46:48,720

two holes in and just walk away

1189

00:46:55,829 --> 00:46:50,160

i didn't

1190

00:46:57,510 --> 00:46:55,839

but i couldn't say it i was like i'll

1191

00:47:00,470 --> 00:46:57,520

plead the fifth

1192

00:47:03,430 --> 00:47:00,480

were you planning to

1193

00:47:05,750 --> 00:47:03,440

no no no

1194

00:47:08,069 --> 00:47:05,760

just the questions he asked me i had i

1195

00:47:09,349 --> 00:47:08,079

had no way of answering it i didn't do

1196

00:47:11,109 --> 00:47:09,359

that

1197

00:47:12,550 --> 00:47:11,119

and walking away from the judge after

1198

00:47:15,270 --> 00:47:12,560

all that he's like this is the strangest

1199

00:47:17,270 --> 00:47:15,280

thing i've ever seen

1200

00:47:18,870 --> 00:47:17,280

see you later homie

1201

00:47:21,190 --> 00:47:18,880

nah

1202

00:47:22,630 --> 00:47:21,200

yeah i want to get a transcript of that

1203

00:47:24,470 --> 00:47:22,640

i'll let you know

1204

00:47:26,069 --> 00:47:24,480

yeah i think that would

1205

00:47:27,670 --> 00:47:26,079

shed some more light on it and it's

1206

00:47:29,270 --> 00:47:27,680

especially interesting

1207

00:47:31,190 --> 00:47:29,280

that you got charged with destruction of

1208

00:47:32,549 --> 00:47:31,200

government property because we've all

1209

00:47:35,109 --> 00:47:32,559

been told that this was a private

1210

00:47:35,829 --> 00:47:35,119

individual that commissioned this thing

1211

00:47:37,750 --> 00:47:35,839

and

1212

00:47:39,670 --> 00:47:37,760

well

1213

00:47:41,910 --> 00:47:39,680

he was but he was part of the government

1214

00:47:44,549 --> 00:47:41,920

as well

1215

00:47:47,349 --> 00:47:45,990

um

1216

00:47:48,549 --> 00:47:47,359

some of these people exist above

1217

00:47:49,670 --> 00:47:48,559

governments man

1218

00:47:51,670 --> 00:47:49,680

some of these people you don't know

1219

00:47:53,670 --> 00:47:51,680

their names you know

1220

00:47:55,829 --> 00:47:53,680

like

1221

00:47:57,750 --> 00:47:55,839

okay me i'm sitting in east alabama just

1222

00:48:00,069 --> 00:47:57,760

some dude sitting in a room

1223

00:48:02,470 --> 00:48:00,079

i know who hillary clinton is you know i

1224

00:48:04,150 --> 00:48:02,480

know jeffrey epstein is

1225

00:48:06,390 --> 00:48:04,160

you know just some random dude i'm

1226  
00:48:08,069 --> 00:48:06,400  
nothing as a monograph would say i'm a

1227  
00:48:09,589 --> 00:48:08,079  
i'm a nothing

1228  
00:48:11,349 --> 00:48:09,599  
there's people that exist that we don't

1229  
00:48:14,309 --> 00:48:11,359  
know their names you know they're

1230  
00:48:15,589 --> 00:48:14,319  
running the show they don't they don't

1231  
00:48:17,030 --> 00:48:15,599  
they're not part of any government

1232  
00:48:19,750 --> 00:48:17,040  
they're not part of any religion they're

1233  
00:48:21,990 --> 00:48:19,760  
not part of anything

1234  
00:48:24,309 --> 00:48:22,000  
who knows how many of them there are and

1235  
00:48:26,069 --> 00:48:24,319  
maybe like 13 of them i don't know

1236  
00:48:27,510 --> 00:48:26,079  
but we don't know who they are

1237  
00:48:30,150 --> 00:48:27,520  
i don't

1238  
00:48:31,589 --> 00:48:30,160

well i know what one is but

1239

00:48:33,030 --> 00:48:31,599

do you think there's some counsel of

1240

00:48:35,430 --> 00:48:33,040

these guys

1241

00:48:37,030 --> 00:48:35,440

sure i mean everybody has a boss

1242

00:48:42,230 --> 00:48:37,040

so

1243

00:48:44,309 --> 00:48:42,240

boss it's gonna eventually go back to

1244

00:48:46,069 --> 00:48:44,319

one so

1245

00:48:47,190 --> 00:48:46,079

well that kind of makes sense but it

1246

00:48:49,190 --> 00:48:47,200

still

1247

00:48:51,030 --> 00:48:49,200

this whole thing is crazy the fact that

1248

00:48:53,990 --> 00:48:51,040

that thing went down the fact that they

1249

00:48:55,829 --> 00:48:54,000

uh or the fact that it was bombed uh do

1250

00:48:57,190 --> 00:48:55,839

you have any sense of how it was

1251  
00:48:58,790 --> 00:48:57,200  
actually done

1252  
00:49:00,790 --> 00:48:58,800  
some people were saying it was a

1253  
00:49:03,349 --> 00:49:00,800  
rocket-propelled grenade other people

1254  
00:49:06,470 --> 00:49:03,359  
are saying it was just a pipe bomb or

1255  
00:49:08,150 --> 00:49:06,480  
something like that do you have any idea

1256  
00:49:09,030 --> 00:49:08,160  
no no clue

1257  
00:49:19,589 --> 00:49:09,040  
i

1258  
00:49:21,190 --> 00:49:19,599  
was but

1259  
00:49:24,390 --> 00:49:21,200  
you know

1260  
00:49:26,950 --> 00:49:26,069  
right i mean do you believe

1261  
00:49:28,230 --> 00:49:26,960  
you know

1262  
00:49:29,430 --> 00:49:28,240  
at first

1263  
00:49:30,950 --> 00:49:29,440

some people looked at it and thought it

1264

00:49:32,710 --> 00:49:30,960

was a lightning strike you don't believe

1265

00:49:35,430 --> 00:49:32,720

it was a natural thing that somebody

1266

00:49:37,270 --> 00:49:35,440

actually did it right or or what do you

1267

00:49:39,270 --> 00:49:37,280

believe

1268

00:49:41,349 --> 00:49:39,280

well i mean it's it's odd people mention

1269

00:49:43,030 --> 00:49:41,359

lightning strikes because

1270

00:49:45,270 --> 00:49:43,040

i guess in my first video deal with you

1271

00:49:47,430 --> 00:49:45,280

i mentioned there's a

1272

00:49:49,190 --> 00:49:47,440

on the northeast pillar on the very top

1273

00:49:51,430 --> 00:49:49,200

there's a keyhole

1274

00:49:53,109 --> 00:49:51,440

and a dish you know

1275

00:49:54,790 --> 00:49:53,119

and it's not on any other it's not on

1276

00:49:57,109 --> 00:49:54,800

the top of any other pillar so it's not

1277

00:49:58,870 --> 00:49:57,119

some kind of construction element

1278

00:50:00,470 --> 00:49:58,880

so on this one on the top of this

1279

00:50:02,950 --> 00:50:00,480

northeast pillar where i'm thinking the

1280

00:50:05,109 --> 00:50:02,960

foundation or the time capsule is

1281

00:50:08,470 --> 00:50:05,119

there's a keyhole and it's drilled down

1282

00:50:10,549 --> 00:50:08,480

about i don't know six to eight inches

1283

00:50:15,190 --> 00:50:10,559

basically it would hold a rod so you put

1284

00:50:16,950 --> 00:50:15,200

a rod in there sure it would hold a rod

1285

00:50:18,069 --> 00:50:16,960

so maybe somebody put a rod in that

1286

00:50:19,750 --> 00:50:18,079

thing and didn't hook it up to the

1287

00:50:21,349 --> 00:50:19,760

capacitor

1288

00:50:24,150 --> 00:50:21,359

so maybe

1289

00:50:27,430 --> 00:50:24,160

well that's interesting i can see that

1290

00:50:31,430 --> 00:50:29,670

yeah that doesn't you're not helping get

1291

00:50:34,549 --> 00:50:31,440

to the miss the bottom of the mystery

1292

00:50:36,870 --> 00:50:34,559

though do you think whoever uh did this

1293

00:50:39,349 --> 00:50:36,880

do you think whoever may have attacked

1294

00:50:40,549 --> 00:50:39,359

this is going to be arrested like you

1295

00:50:41,750 --> 00:50:40,559

or do you think they're going to get

1296

00:50:43,829 --> 00:50:41,760

away with it

1297

00:50:46,230 --> 00:50:43,839

no it's

1298

00:50:48,230 --> 00:50:46,240

to me in my opinion they did it so if

1299

00:50:49,109 --> 00:50:48,240

they did a wrestling body it would be

1300

00:50:50,870 --> 00:50:49,119

just

1301  
00:50:54,470 --> 00:50:50,880  
cover

1302  
00:50:56,630 --> 00:50:54,480  
yeah they just wanted to get rid of it

1303  
00:50:59,349 --> 00:50:56,640  
and when they'll have some kind of patsy

1304  
00:51:00,630 --> 00:50:59,359  
to uh to take the fall for doing this i

1305  
00:51:02,309 --> 00:51:00,640  
don't think so i don't see that

1306  
00:51:04,470 --> 00:51:02,319  
happening

1307  
00:51:06,710 --> 00:51:04,480  
i just think it'll just

1308  
00:51:12,069 --> 00:51:06,720  
just fade away

1309  
00:51:18,309 --> 00:51:14,630  
some people are discussing rebuilding it

1310  
00:51:21,270 --> 00:51:18,319  
do you think that it should be rebuilt

1311  
00:51:23,990 --> 00:51:22,470  
no

1312  
00:51:26,470 --> 00:51:24,000  
i don't think it should be rebuilt i

1313  
00:51:28,309 --> 00:51:26,480

mean maybe if somebody

1314

00:51:31,270 --> 00:51:28,319

uh funded it came in i don't think they

1315

00:51:33,190 --> 00:51:31,280

would allow it no

1316

00:51:34,870 --> 00:51:33,200

well that's interesting you don't think

1317

00:51:36,470 --> 00:51:34,880

they would allow somebody to put it back

1318

00:51:38,470 --> 00:51:36,480

it was there for

1319

00:51:41,829 --> 00:51:38,480

oh

1320

00:51:44,870 --> 00:51:43,430

and i do feel a little bad there's like

1321

00:51:46,630 --> 00:51:44,880

a little voice in my head that kind of

1322

00:51:49,190 --> 00:51:46,640

said if you didn't do all this maybe

1323

00:51:51,190 --> 00:51:49,200

they'd still be standing up so

1324

00:51:52,950 --> 00:51:51,200

maybe you think that whatever you did

1325

00:51:54,150 --> 00:51:52,960

had something to do with somebody doing

1326

00:51:58,549 --> 00:51:54,160

that

1327

00:52:03,750 --> 00:52:01,349

to a degree sure like maybe if it didn't

1328

00:52:05,750 --> 00:52:03,760

kick kick start this weird

1329

00:52:08,069 --> 00:52:05,760

phenomenon or whatever i'm thinking is

1330

00:52:10,790 --> 00:52:08,079

going on

1331

00:52:13,910 --> 00:52:12,710

they'd still be standing there

1332

00:52:14,790 --> 00:52:13,920

but

1333

00:52:16,829 --> 00:52:14,800

that's just

1334

00:52:19,430 --> 00:52:16,839

how i feel i guess

1335

00:52:20,870 --> 00:52:19,440

yeah you got to feel a little bit sad

1336

00:52:23,030 --> 00:52:20,880

right because you've been following this

1337

00:52:25,750 --> 00:52:23,040

mystery for so long and now what if it's

1338

00:52:27,829 --> 00:52:25,760

all gone right what if it's all

1339

00:52:28,950 --> 00:52:27,839

it's just a part of history now and i

1340

00:52:30,549 --> 00:52:28,960

mentioned that

1341

00:52:32,870 --> 00:52:30,559

if nothing else this is definitely a

1342

00:52:35,670 --> 00:52:32,880

part of conspiracy land history this

1343

00:52:37,589 --> 00:52:35,680

whole thing oh definitely yeah

1344

00:52:39,349 --> 00:52:37,599

it's

1345

00:52:43,910 --> 00:52:39,359

definitely one for the books i guess

1346

00:52:47,109 --> 00:52:45,190

that's

1347

00:52:49,270 --> 00:52:47,119

too much for words that sometimes you

1348

00:52:51,829 --> 00:52:49,280

know

1349

00:52:53,750 --> 00:52:51,839

yeah well do you think

1350

00:52:55,750 --> 00:52:53,760

do you think that the

1351

00:52:59,270 --> 00:52:55,760

mystery of the whole thing will ever

1352

00:53:01,190 --> 00:52:59,280

come out like maybe now that it's gone

1353

00:53:03,910 --> 00:53:01,200

somebody will step forward and say i put

1354

00:53:05,510 --> 00:53:03,920

it up and this is why i put it up or or

1355

00:53:08,150 --> 00:53:05,520

is this just going to remain in the

1356

00:53:11,030 --> 00:53:08,160

shadows the whole conspiracy the whole

1357

00:53:12,950 --> 00:53:11,040

history the mystery who put it there now

1358

00:53:15,750 --> 00:53:12,960

we got to add to that who knocked it

1359

00:53:16,710 --> 00:53:15,760

down well attacked it

1360

00:53:18,790 --> 00:53:16,720

and

1361

00:53:19,589 --> 00:53:18,800

who took the time capsule if there was

1362

00:53:21,670 --> 00:53:19,599

one

1363

00:53:23,190 --> 00:53:21,680

it's just like this this just made the

1364

00:53:26,069 --> 00:53:23,200

whole thing

1365

00:53:31,109 --> 00:53:26,079

better if you're a conspiracy guy or

1366

00:53:36,710 --> 00:53:33,990

well i mean no one who owns a place

1367

00:53:38,470 --> 00:53:36,720

or owns a property and like no i don't i

1368

00:53:41,030 --> 00:53:38,480

don't see them doing it

1369

00:53:42,870 --> 00:53:41,040

i don't see the government

1370

00:53:44,150 --> 00:53:42,880

rebuilding it or allowing it to be

1371

00:53:46,470 --> 00:53:44,160

rebuilt or

1372

00:53:49,510 --> 00:53:46,480

even talking about the the time capsule

1373

00:53:52,069 --> 00:53:49,520

or the the cornerstone

1374

00:53:53,990 --> 00:53:52,079

no they took it just like they took

1375

00:53:57,270 --> 00:53:54,000

the cornerstone of the capital

1376

00:53:57,280 --> 00:54:01,190

i think they just took it for themselves

1377

00:54:04,470 --> 00:54:03,109

but yeah i'm still a little unclear

1378

00:54:07,270 --> 00:54:04,480

though

1379

00:54:10,150 --> 00:54:07,280

i'm confused by this whole thing because

1380

00:54:11,670 --> 00:54:10,160

if you spend all this money to put this

1381

00:54:13,589 --> 00:54:11,680

monument up

1382

00:54:15,190 --> 00:54:13,599

i mean unless you got maybe the guy's

1383

00:54:16,630 --> 00:54:15,200

that rich that he could just blow

1384

00:54:19,190 --> 00:54:16,640

something up

1385

00:54:21,109 --> 00:54:19,200

30 years later for some reason i don't

1386

00:54:23,750 --> 00:54:21,119

understand

1387

00:54:26,870 --> 00:54:23,760

the symbolism or the stenography here

1388

00:54:27,829 --> 00:54:26,880

the hidden meanings of even of putting

1389

00:54:30,309 --> 00:54:27,839

it up

1390

00:54:32,309 --> 00:54:30,319

then knocking it down you think this is

1391

00:54:34,790 --> 00:54:32,319

all related to some sort of ritual but

1392

00:54:38,549 --> 00:54:34,800

do you mean like a magic ritual a

1393

00:54:40,470 --> 00:54:38,559

freemason ritual what kind of a ritual

1394

00:54:42,950 --> 00:54:40,480

i'm i'm not gonna i'm not gonna label

1395

00:54:45,349 --> 00:54:42,960

any lodge or any group as

1396

00:54:46,789 --> 00:54:45,359

the ones behind it but yes it was ritual

1397

00:54:49,829 --> 00:54:46,799

it's

1398

00:54:52,549 --> 00:54:49,839

we've been doing this for a long time

1399

00:54:54,309 --> 00:54:52,559

you know i mean

1400

00:54:55,990 --> 00:54:54,319

maybe there's uh

1401  
00:54:57,990 --> 00:54:56,000  
maybe there is magic to the attention

1402  
00:55:00,549 --> 00:54:58,000  
that it brought you know

1403  
00:55:01,750 --> 00:55:00,559  
maybe their intentions were part of the

1404  
00:55:05,510 --> 00:55:01,760  
attention

1405  
00:55:09,030 --> 00:55:05,520  
it

1406  
00:55:12,230 --> 00:55:10,630  
maybe they didn't want the attention

1407  
00:55:13,910 --> 00:55:12,240  
anymore

1408  
00:55:15,349 --> 00:55:13,920  
maybe there's something maybe there's

1409  
00:55:18,069 --> 00:55:15,359  
something in the attention that was

1410  
00:55:19,589 --> 00:55:18,079  
coming to it like myself

1411  
00:55:21,190 --> 00:55:19,599  
that was kind of

1412  
00:55:23,349 --> 00:55:21,200  
maybe somebody would have got there to

1413  
00:55:25,190 --> 00:55:23,359

the time capsule

1414

00:55:26,789 --> 00:55:25,200

so maybe they were just shuffling it

1415

00:55:29,270 --> 00:55:26,799

moving it so they didn't want anybody

1416

00:55:30,630 --> 00:55:29,280

else to get it

1417

00:55:32,150 --> 00:55:30,640

yeah brandy phillips says but if they

1418

00:55:33,750 --> 00:55:32,160

had in the first place then built the

1419

00:55:35,829 --> 00:55:33,760

stones then destroyed them to keep it

1420

00:55:37,670 --> 00:55:35,839

for themselves seems like a tr a lot of

1421

00:55:39,349 --> 00:55:37,680

trouble to get something you had in the

1422

00:55:42,470 --> 00:55:39,359

first place

1423

00:55:43,430 --> 00:55:42,480

that's sort of part of the ritual right

1424

00:55:47,750 --> 00:55:43,440

yeah

1425

00:55:49,910 --> 00:55:47,760

i can't really explain the uh you know

1426  
00:55:52,230 --> 00:55:49,920  
the attention or the meaning behind it

1427  
00:55:53,829 --> 00:55:52,240  
but i mean

1428  
00:55:55,990 --> 00:55:53,839  
what else are we going to do down here

1429  
00:55:57,349 --> 00:55:56,000  
you know yeah anthony peterson

1430  
00:56:00,230 --> 00:55:57,359  
mentioning i wonder if there's any

1431  
00:56:01,750 --> 00:56:00,240  
symbolism say astrological or numero

1432  
00:56:03,109 --> 00:56:01,760  
numerological

1433  
00:56:04,309 --> 00:56:03,119  
in the date that the stones were

1434  
00:56:06,069 --> 00:56:04,319  
destroyed

1435  
00:56:09,589 --> 00:56:06,079  
um and and i don't know if you know this

1436  
00:56:12,309 --> 00:56:09,599  
will ellis but uh that was george bush's

1437  
00:56:15,589 --> 00:56:12,319  
birthday that it got bombed on

1438  
00:56:19,430 --> 00:56:15,599

george herbert walker bush uh by the way

1439

00:56:21,190 --> 00:56:19,440

not bush senior so do you think that

1440

00:56:23,349 --> 00:56:21,200

there was some significance to that

1441

00:56:25,430 --> 00:56:23,359

being done on his birthday

1442

00:56:26,390 --> 00:56:25,440

i've thought about that you know maybe

1443

00:56:28,630 --> 00:56:26,400

you know

1444

00:56:32,950 --> 00:56:28,640

say say they were destroyed on like you

1445

00:56:35,750 --> 00:56:32,960

know some random september 10th

1446

00:56:38,230 --> 00:56:35,760

no just some random day of the year

1447

00:56:40,549 --> 00:56:38,240

i'm sure we could find any sort of like

1448

00:56:42,230 --> 00:56:40,559

correlation to that date it would you

1449

00:56:44,950 --> 00:56:42,240

know say oh

1450

00:56:46,710 --> 00:56:44,960

they did it because of this you know

1451  
00:56:48,150 --> 00:56:46,720  
you know say it was october the 6th they

1452  
00:56:51,510 --> 00:56:48,160  
could be like oh it was

1453  
00:56:53,589 --> 00:56:51,520  
ten six as up to seven uh you could find

1454  
00:56:55,430 --> 00:56:53,599  
anything to

1455  
00:56:56,870 --> 00:56:55,440  
to correlate to the date but yeah i

1456  
00:56:59,109 --> 00:56:56,880  
guess you're right you can connect the

1457  
00:57:01,030 --> 00:56:59,119  
dots if you want to right

1458  
00:57:03,349 --> 00:57:01,040  
that's where intention comes in though i

1459  
00:57:07,990 --> 00:57:05,910  
maybe it was random maybe or some sort

1460  
00:57:09,430 --> 00:57:08,000  
of but we don't know we don't know their

1461  
00:57:10,549 --> 00:57:09,440  
intentions

1462  
00:57:12,150 --> 00:57:10,559  
we don't

1463  
00:57:14,630 --> 00:57:12,160

i mean there's certain groups out there

1464

00:57:15,829 --> 00:57:14,640

we don't know what they're doing

1465

00:57:18,789 --> 00:57:15,839

you know

1466

00:57:21,430 --> 00:57:18,799

i do know every full moon

1467

00:57:23,190 --> 00:57:21,440

they did have a ritual there

1468

00:57:25,190 --> 00:57:23,200

on top of the stones

1469

00:57:26,630 --> 00:57:25,200

really are you going to go to the next

1470

00:57:29,109 --> 00:57:26,640

full moon and see if they're there in

1471

00:57:30,549 --> 00:57:29,119

the rubble or what uh they're not there

1472

00:57:32,789 --> 00:57:30,559

i would i would imagine they're not

1473

00:57:35,510 --> 00:57:32,799

there no so they're going to stop the

1474

00:57:37,190 --> 00:57:35,520

monthly full moon ritual now that they

1475

00:57:38,470 --> 00:57:37,200

just move it they would go somewhere

1476  
00:57:40,309 --> 00:57:38,480  
else

1477  
00:57:42,230 --> 00:57:40,319  
you know a different a different

1478  
00:57:43,670 --> 00:57:42,240  
monument and you mentioned ley lines you

1479  
00:57:45,589 --> 00:57:43,680  
believe this thing was put on some sort

1480  
00:57:46,549 --> 00:57:45,599  
of ley line or energy

1481  
00:57:51,510 --> 00:57:46,559  
yeah

1482  
00:57:53,750 --> 00:57:51,520  
sat there and talked about it for hours

1483  
00:57:56,549 --> 00:57:53,760  
the flat slab that was you brought up

1484  
00:57:58,870 --> 00:57:56,559  
earlier he said when they first

1485  
00:58:00,789 --> 00:57:58,880  
put it down it was just smooth

1486  
00:58:01,750 --> 00:58:00,799  
and by the time i met him and by the

1487  
00:58:03,190 --> 00:58:01,760  
time we were out there having the

1488  
00:58:04,150 --> 00:58:03,200

conversation there were lines going

1489

00:58:05,270 --> 00:58:04,160

through it

1490

00:58:07,670 --> 00:58:05,280

and he asked me he's like what do you

1491

00:58:09,430 --> 00:58:07,680

think caused those lines

1492

00:58:10,789 --> 00:58:09,440

just kind of like you know just throwing

1493

00:58:11,990 --> 00:58:10,799

the riddle out there and i'm like oh

1494

00:58:14,789 --> 00:58:12,000

well

1495

00:58:17,750 --> 00:58:14,799

by magnetic ley lines over time they

1496

00:58:19,589 --> 00:58:17,760

brought the granite down a little bit

1497

00:58:21,109 --> 00:58:19,599

because he said when they put it down it

1498

00:58:23,030 --> 00:58:21,119

was smooth

1499

00:58:26,150 --> 00:58:23,040

so yeah i mean

1500

00:58:29,270 --> 00:58:26,160

i know the place was a lay line

1501

00:58:31,829 --> 00:58:29,280

you know very hot spot so

1502

00:58:33,829 --> 00:58:31,839

yeah and i have seen uh sort of videos

1503

00:58:38,150 --> 00:58:33,839

of people with like

1504

00:58:39,829 --> 00:58:38,160

uh druidic sort of garb like going there

1505

00:58:41,510 --> 00:58:39,839

visiting can you talk about some of the

1506

00:58:43,829 --> 00:58:41,520

kind of people that you would see

1507

00:58:46,870 --> 00:58:43,839

visiting this place because it it was

1508

00:58:48,870 --> 00:58:46,880

sort of a magnet for all kinds of

1509

00:58:50,630 --> 00:58:48,880

people who let's just say think

1510

00:58:52,789 --> 00:58:50,640

differently right

1511

00:58:54,870 --> 00:58:52,799

yeah i mean the place was bordered on

1512

00:58:56,069 --> 00:58:54,880

three sides in holly bush so there's

1513

00:58:59,430 --> 00:58:56,079

your first

1514

00:59:01,270 --> 00:58:59,440

clue of you mentioned druids so

1515

00:59:04,309 --> 00:59:01,280

they use the holly bush as their wands

1516

00:59:05,750 --> 00:59:04,319

and all that too

1517

00:59:07,349 --> 00:59:05,760

and it was bordered on three sides by

1518

00:59:09,270 --> 00:59:07,359

holly bush

1519

00:59:10,150 --> 00:59:09,280

and the person i was working with he

1520

00:59:11,910 --> 00:59:10,160

said

1521

00:59:14,069 --> 00:59:11,920

every full moon there's a red wizard

1522

00:59:16,950 --> 00:59:14,079

that stands on top of the stones

1523

00:59:19,349 --> 00:59:16,960

and he leads a ritual to white tips or

1524

00:59:20,630 --> 00:59:19,359

people dressed in white

1525

00:59:22,069 --> 00:59:20,640

so

1526

00:59:23,910 --> 00:59:22,079

yeah and you were told about these

1527

00:59:25,829 --> 00:59:23,920

rituals but weren't you curious enough

1528

00:59:27,109 --> 00:59:25,839

to go there and try to witness them or

1529

00:59:33,109 --> 00:59:27,119

no

1530

00:59:34,470 --> 00:59:33,119

i would feel uh i feel like a

1531

00:59:36,950 --> 00:59:34,480

i feel like i would try to go and

1532

00:59:38,870 --> 00:59:36,960

witness it up unless i was invited

1533

00:59:43,349 --> 00:59:38,880

you know or was a part of that you know

1534

00:59:46,470 --> 00:59:44,950

i don't know i'm curious about if i

1535

00:59:47,430 --> 00:59:46,480

would have went there with a camera

1536

00:59:49,910 --> 00:59:47,440

hidden

1537

00:59:51,589 --> 00:59:49,920

with a telephoto lens trying to catch

1538

00:59:53,829 --> 00:59:51,599

you know like

1539

00:59:55,910 --> 00:59:53,839

like you know trying to catch these

1540

00:59:57,990 --> 00:59:55,920

people and see what they're up to right

1541

00:59:59,829 --> 00:59:58,000

i mean that that's what i would do i'm

1542

01:00:02,069 --> 00:59:59,839

i'm curious like that i mean more than

1543

01:00:03,109 --> 01:00:02,079

one person tell me about it in elberton

1544

01:00:06,069 --> 01:00:03,119

so

1545

01:00:08,150 --> 01:00:06,079

and i knew it was happening because

1546

01:00:10,470 --> 01:00:08,160

i had no interest in it

1547

01:00:12,710 --> 01:00:10,480

i see a symbol i see the symbology of it

1548

01:00:14,470 --> 01:00:12,720

you know you got a red wizard and a

1549

01:00:16,069 --> 01:00:14,480

bunch of people in white

1550

01:00:18,390 --> 01:00:16,079

below it

1551

01:00:21,910 --> 01:00:18,400

it's it's depend at a full moon your

1552

01:00:24,069 --> 01:00:21,920

full moon is sabbat or your ovulated egg

1553

01:00:26,309 --> 01:00:24,079

so the red represents the

1554

01:00:28,710 --> 01:00:26,319

the piercing of the egg and it

1555

01:00:29,670 --> 01:00:28,720

leaves a pin break of blood and the

1556

01:00:35,430 --> 01:00:29,680

white

1557

01:00:36,630 --> 01:00:35,440

the sperm they're gonna ovulate the egg

1558

01:00:37,430 --> 01:00:36,640

or the

1559

01:00:39,990 --> 01:00:37,440

uh

1560

01:00:41,670 --> 01:00:40,000

whatever inseminate the ovulating acts

1561

01:00:44,710 --> 01:00:41,680

it's all

1562

01:00:46,470 --> 01:00:44,720

yeah

1563

01:00:48,309 --> 01:00:46,480

totally so everything

1564

01:00:50,470 --> 01:00:48,319

so everything when people ask a question

1565

01:00:53,349 --> 01:00:50,480

i i'd go back to what does it symbolize

1566

01:00:56,950 --> 01:00:55,030

yeah i mean i mean that's not logical

1567

01:00:59,670 --> 01:00:56,960

definitely some stenography or some

1568

01:01:01,829 --> 01:00:59,680

hidden meanings being put there almost

1569

01:01:03,190 --> 01:01:01,839

in plain sight which is one of the

1570

01:01:05,750 --> 01:01:03,200

interesting parts of the whole mystery

1571

01:01:08,829 --> 01:01:05,760

of the whole thing right right it's just

1572

01:01:10,549 --> 01:01:08,839

trying to connect the dots and

1573

01:01:13,190 --> 01:01:10,559

yeah

1574

01:01:14,630 --> 01:01:13,200

well my only conclusion is we've taken

1575

01:01:16,870 --> 01:01:14,640

the languages and blown apart all

1576

01:01:18,069 --> 01:01:16,880

languages

1577

01:01:21,270 --> 01:01:18,079

according to i think it has something to

1578

01:01:23,270 --> 01:01:21,280

do with language oh yeah that's

1579

01:01:24,870 --> 01:01:23,280

because like i said one of the uh

1580

01:01:27,670 --> 01:01:24,880

commandments that were on there was

1581

01:01:28,950 --> 01:01:27,680

create a new living language

1582

01:01:30,309 --> 01:01:28,960

and they just destroyed all the

1583

01:01:34,230 --> 01:01:30,319

languages

1584

01:01:36,870 --> 01:01:34,240

symbolically on the on the stone so

1585

01:01:38,470 --> 01:01:36,880

yeah we move back to babylon you know

1586

01:01:40,710 --> 01:01:38,480

we're back to

1587

01:01:43,190 --> 01:01:40,720

the symbol on top of the tower hey we're

1588

01:01:47,750 --> 01:01:45,190

we'll see what happens

1589

01:01:49,910 --> 01:01:47,760

i wanted to also ask you like

1590

01:01:51,990 --> 01:01:49,920

personally like how did you feel when

1591

01:01:54,390 --> 01:01:52,000

you found out this happened when did you

1592

01:01:56,710 --> 01:01:54,400

hear it and what did you what were your

1593

01:01:58,630 --> 01:01:56,720

thoughts having been so connected to

1594

01:02:00,870 --> 01:01:58,640

this thing

1595

01:02:02,150 --> 01:02:00,880

i wasn't surprised you know like i said

1596

01:02:06,470 --> 01:02:02,160

it was

1597

01:02:11,910 --> 01:02:08,950

i couldn't have predicted that no but it

1598

01:02:13,349 --> 01:02:11,920

doesn't surprise me sure

1599

01:02:15,510 --> 01:02:13,359

makes sense

1600

01:02:17,670 --> 01:02:15,520

if you you weren't shocked or surprised

1601

01:02:19,510 --> 01:02:17,680

at all i was a little bit surprised and

1602

01:02:21,430 --> 01:02:19,520

shocked i was like god damn somebody

1603

01:02:22,470 --> 01:02:21,440

doesn't like the new world order

1604

01:02:23,670 --> 01:02:22,480

right

1605

01:02:26,150 --> 01:02:23,680

and uh

1606

01:02:26,950 --> 01:02:26,160

destroy to recreate or destroy to create

1607

01:02:35,109 --> 01:02:26,960

so

1608

01:02:38,230 --> 01:02:35,119

weekend who claimed that that

1609

01:02:40,630 --> 01:02:38,240

gubernatorial candidate uh that we

1610

01:02:42,150 --> 01:02:40,640

talked about was somehow involved do you

1611

01:02:43,670 --> 01:02:42,160

think she had any involvement in it

1612

01:02:46,230 --> 01:02:43,680

since she was

1613

01:02:47,990 --> 01:02:46,240

advocating for the tearing it down and

1614

01:02:49,349 --> 01:02:48,000

then suddenly it's being torn down do

1615

01:02:52,069 --> 01:02:49,359

you think she had anything to do with it

1616

01:02:54,150 --> 01:02:52,079

or any involvement

1617

01:02:55,270 --> 01:02:54,160

i really didn't look into her name much

1618

01:02:57,029 --> 01:02:55,280

i mean

1619

01:02:59,750 --> 01:02:57,039

i didn't look into who she was involved

1620

01:03:05,589 --> 01:02:59,760

with she's a republican right

1621

01:03:08,789 --> 01:03:06,710

probably

1622

01:03:10,069 --> 01:03:08,799

sure

1623

01:03:11,190 --> 01:03:10,079

if she's involved in any kind of

1624

01:03:12,150 --> 01:03:11,200

government

1625

01:03:14,230 --> 01:03:12,160

you know

1626

01:03:19,430 --> 01:03:14,240

political aspects of things then yeah

1627

01:03:23,589 --> 01:03:21,990

i would think you would think i i i

1628

01:03:25,430 --> 01:03:23,599

don't she seemed pretty adamant that

1629

01:03:27,190 --> 01:03:25,440

those things were satanic and had to be

1630

01:03:28,390 --> 01:03:27,200

torn down she's one of those people you

1631

01:03:30,069 --> 01:03:28,400

know there's a whole

1632

01:03:32,470 --> 01:03:30,079

whole group of people that believe these

1633

01:03:35,670 --> 01:03:32,480

georgia guide stones were

1634

01:03:37,990 --> 01:03:35,680

related to either some luciferian cult

1635

01:03:40,950 --> 01:03:38,000

or some devil worshipping cult or

1636

01:03:42,069 --> 01:03:40,960

satanic cult and that's who put it there

1637

01:03:44,470 --> 01:03:42,079

and therefore

1638

01:03:46,950 --> 01:03:44,480

they're an affront to god and need to be

1639

01:03:49,990 --> 01:03:46,960

uh an insult to god it needs to be torn

1640

01:03:53,990 --> 01:03:51,589

have you heard these rumors and what do

1641

01:03:55,029 --> 01:03:54,000

you think of the satanic overtones that

1642

01:03:56,230 --> 01:03:55,039

people

1643

01:03:58,230 --> 01:03:56,240

yeah i've heard

1644

01:03:59,990 --> 01:03:58,240

yeah a friend of mine real good friend

1645

01:04:01,430 --> 01:04:00,000

of mine he thinks they're satanic and

1646

01:04:03,829 --> 01:04:01,440

when he heard about it he was just like

1647

01:04:04,950 --> 01:04:03,839

yeah you know whoa we brought it down

1648

01:04:07,430 --> 01:04:04,960

i'm like

1649

01:04:10,069 --> 01:04:07,440

okay so now what

1650

01:04:11,510 --> 01:04:10,079

now what you're going to do

1651

01:04:12,549 --> 01:04:11,520

and then that's new

1652

01:04:14,549 --> 01:04:12,559

you're still gonna be pissed off

1653

01:04:17,029 --> 01:04:14,559

tomorrow about the satanic cult walking

1654

01:04:18,390 --> 01:04:17,039

around eating pizza and stuff so

1655

01:04:21,430 --> 01:04:18,400

you know

1656

01:04:23,270 --> 01:04:21,440

it did nothing so if there's no value to

1657

01:04:24,870 --> 01:04:23,280

it then i can't place my intentions to

1658

01:04:27,190 --> 01:04:24,880

it or attention to it

1659

01:04:28,069 --> 01:04:27,200

you know

1660

01:04:29,270 --> 01:04:28,079

yeah

1661

01:04:30,789 --> 01:04:29,280

so

1662

01:04:32,950 --> 01:04:30,799

you know i i don't want to keep you too

1663

01:04:33,990 --> 01:04:32,960

long and

1664

01:04:35,750 --> 01:04:34,000

we're going to

1665

01:04:38,150 --> 01:04:35,760

wrap up the interview

1666

01:04:39,589 --> 01:04:38,160

go pretty much here but i i just want to

1667

01:04:41,750 --> 01:04:39,599

know like are you going to keep

1668

01:04:43,750 --> 01:04:41,760

following this thing because you

1669

01:04:45,990 --> 01:04:43,760

i'm not saying it's a bad thing but you

1670

01:04:48,470 --> 01:04:46,000

seemed more than a little obsessed with

1671

01:04:50,470 --> 01:04:48,480

this thing for quite a while right are

1672

01:04:52,309 --> 01:04:50,480

you going to keep are you going to go to

1673

01:04:54,630 --> 01:04:52,319

the rubble site and try to collect some

1674

01:04:57,430 --> 01:04:54,640

of the pieces or are you gonna

1675

01:04:59,430 --> 01:04:57,440

keep going with this uh sort of interest

1676

01:05:02,069 --> 01:04:59,440

in these things or is this just gonna be

1677

01:05:02,950 --> 01:05:02,079

done once it's all

1678

01:05:05,430 --> 01:05:02,960

you know

1679

01:05:08,069 --> 01:05:05,440

once they sweep the last bit of that

1680

01:05:09,670 --> 01:05:08,079

granite dust away and it's just an open

1681

01:05:11,589 --> 01:05:09,680

empty field

1682

01:05:13,270 --> 01:05:11,599

what's next for you

1683

01:05:15,190 --> 01:05:13,280

since you've been so focused on these

1684

01:05:17,190 --> 01:05:15,200

things for so long i haven't i haven't

1685

01:05:18,950 --> 01:05:17,200

been to edwards in a nine years so i

1686

01:05:21,349 --> 01:05:18,960

mean oh okay i didn't know that i spent

1687

01:05:23,910 --> 01:05:21,359

most of my days at work and my i have

1688

01:05:25,109 --> 01:05:23,920

two gardens and you know i have children

1689

01:05:26,150 --> 01:05:25,119

you know

1690

01:05:27,910 --> 01:05:26,160

i haven't oh

1691

01:05:32,789 --> 01:05:27,920

i would be busy

1692

01:05:37,430 --> 01:05:34,789

sure there's been a lot of thought on it

1693

01:05:39,670 --> 01:05:37,440

but you know you know when it comes down

1694

01:05:41,349 --> 01:05:39,680

to it you know i don't

1695

01:05:43,190 --> 01:05:41,359

i don't let it hinder any kind of my

1696

01:05:44,069 --> 01:05:43,200

daily routine so no

1697

01:05:45,670 --> 01:05:44,079

no

1698

01:05:48,710 --> 01:05:45,680

so you're just gonna kind of let it go

1699

01:05:52,470 --> 01:05:50,390

i guess i'm getting too do we need to

1700

01:05:54,789 --> 01:05:52,480

find you a georgia guidestones got blown

1701

01:05:56,710 --> 01:05:54,799

up support group because you're not

1702

01:05:58,950 --> 01:05:56,720

listen for those that don't know will's

1703

01:06:01,190 --> 01:05:58,960

not the only one there are like

1704

01:06:03,270 --> 01:06:01,200

there are like people into codes and

1705

01:06:04,789 --> 01:06:03,280

people into astrology that are obsessed

1706

01:06:06,549 --> 01:06:04,799

with this thing and people in the

1707

01:06:08,549 --> 01:06:06,559

freemasons that are obsessed with

1708

01:06:10,390 --> 01:06:08,559

finding out who put it there and all

1709

01:06:12,390 --> 01:06:10,400

he's not the only person there's a whole

1710

01:06:14,309 --> 01:06:12,400

group i know it's a strange subculture

1711

01:06:16,870 --> 01:06:14,319

but there's a whole subculture what you

1712

01:06:19,430 --> 01:06:16,880

say of of these people that have

1713

01:06:20,950 --> 01:06:19,440

investigated and went there and

1714

01:06:23,829 --> 01:06:20,960

tried to get to the bottom of the

1715

01:06:25,510 --> 01:06:23,839

mystery right no i it all stays in my

1716

01:06:27,910 --> 01:06:25,520

head or maybe

1717

01:06:30,150 --> 01:06:27,920

the few friends i can talk to about it

1718

01:06:31,990 --> 01:06:30,160

you know

1719

01:06:34,069 --> 01:06:32,000

doesn't go further than that so so

1720

01:06:36,230 --> 01:06:34,079

you're you're good

1721

01:06:38,549 --> 01:06:36,240

but you're but yeah you got to be sad to

1722

01:06:40,630 --> 01:06:38,559

see them go a little bit right of course

1723

01:06:42,150 --> 01:06:40,640

yeah yeah if i feel really obsessed with

1724

01:06:43,430 --> 01:06:42,160

it i'll be out in my field making

1725

01:06:48,710 --> 01:06:43,440

another one

1726

01:06:53,990 --> 01:06:51,109

yeah you just need 80 000 pounds of

1727

01:06:54,950 --> 01:06:54,000

granite that's all yeah some water jets

1728

01:06:57,430 --> 01:06:54,960

and

1729

01:06:59,589 --> 01:06:57,440

a crack

1730

01:07:01,349 --> 01:06:59,599

all right well i i definitely appreciate

1731

01:07:04,309 --> 01:07:01,359

you coming here because i have been

1732

01:07:06,150 --> 01:07:04,319

following this closely because i think

1733

01:07:08,710 --> 01:07:06,160

it just deepens the mystery what just

1734

01:07:10,950 --> 01:07:08,720

happened so i appreciate very much you

1735

01:07:12,309 --> 01:07:10,960

joining us and uh i want to thank you

1736

01:07:14,710 --> 01:07:12,319

hopefully you'll come back if there's

1737

01:07:16,870 --> 01:07:14,720

any exciting new developments right

1738

01:07:18,789 --> 01:07:16,880

oh yeah definitely

1739

01:07:20,069 --> 01:07:18,799

if we have ufos landing at the site and

1740

01:07:21,750 --> 01:07:20,079

you know

1741

01:07:23,029 --> 01:07:21,760

you never know what's going to happen

1742

01:07:26,870 --> 01:07:23,039

next with this

1743

01:07:29,510 --> 01:07:26,880

industry i'll be right on top of it but

1744

01:07:31,910 --> 01:07:29,520

okay thank you for taking the camera

1745

01:07:33,829 --> 01:07:31,920

with you yeah my pleasure glad to see

1746

01:07:35,029 --> 01:07:33,839

you're doing well in light of recent

1747

01:07:37,270 --> 01:07:35,039

events

1748

01:07:38,549 --> 01:07:37,280

and uh don't be a stranger thank you

1749

01:07:40,950 --> 01:07:38,559

will ellis

1750

01:07:42,950 --> 01:07:40,960

great so there you have it friends

1751

01:07:45,270 --> 01:07:42,960

somebody who's been intimately involved

1752

01:07:47,990 --> 01:07:45,280

in this georgia guidestone mystery for

1753

01:07:50,630 --> 01:07:48,000

many uh years now

1754

01:07:54,470 --> 01:07:50,640

actually went to jail over it that's uh

1755

01:07:59,990 --> 01:07:57,430

some would say extreme i would say uh

1756

01:08:01,670 --> 01:08:00,000

it showed initiative he didn't just read

1757

01:08:03,270 --> 01:08:01,680

about the mystery he went there and

1758

01:08:05,589 --> 01:08:03,280

tried to solve it

1759

01:08:06,950 --> 01:08:05,599

picking pieces of it all for trying to

1760

01:08:09,109 --> 01:08:06,960

and uh

1761

01:08:10,870 --> 01:08:09,119

yes he did uh originally get in trouble

1762

01:08:14,710 --> 01:08:10,880

but all that's been handled that's been

1763

01:08:16,950 --> 01:08:14,720

expunged he is uh free and clear of his

1764

01:08:18,550 --> 01:08:16,960

former legal trouble related to the

1765

01:08:20,789 --> 01:08:18,560

georgia guide sense which i'm happy to

1766

01:08:22,229 --> 01:08:20,799

hear about you don't want to hold a

1767

01:08:26,390 --> 01:08:22,239

mistake against somebody for their

1768

01:08:29,510 --> 01:08:28,550

i suppose the mystery just deepens

1769

01:08:31,749 --> 01:08:29,520

because

1770

01:08:34,630 --> 01:08:31,759

like i said friends uh there are people

1771

01:08:36,709 --> 01:08:34,640

that are christian saying that uh

1772

01:08:39,669 --> 01:08:36,719

that was a satanic monument and some

1773

01:08:42,709 --> 01:08:39,679

christian jesus warriors went and blew

1774

01:08:44,149 --> 01:08:42,719

it up there are uh

1775

01:08:46,229 --> 01:08:44,159

people that are

1776

01:08:47,990 --> 01:08:46,239

convinced that the new world order put

1777

01:08:50,870 --> 01:08:48,000

that up and that

1778

01:08:53,590 --> 01:08:50,880

rebel freedom fighters uh against the

1779

01:08:56,550 --> 01:08:53,600

new world order blew this thing up

1780

01:08:58,870 --> 01:08:56,560

in order to uh send a message to those

1781

01:09:00,870 --> 01:08:58,880

new world order people right on

1782

01:09:03,030 --> 01:09:00,880

george herbert walker book bush's

1783

01:09:04,470 --> 01:09:03,040

birthday and of course his father is

1784

01:09:05,510 --> 01:09:04,480

famous for

1785

01:09:08,149 --> 01:09:05,520

uh

1786

01:09:11,030 --> 01:09:08,159

the new world order term it was sampled

1787

01:09:14,070 --> 01:09:11,040

in ministry songs and many other music

1788

01:09:16,309 --> 01:09:14,080

uh people sampled george bush senior

1789

01:09:18,789 --> 01:09:16,319

saying a new world order it's in a whole

1790

01:09:22,070 --> 01:09:18,799

bunch of different songs

1791

01:09:23,669 --> 01:09:22,080

you know the conspiracy theories just

1792

01:09:26,390 --> 01:09:23,679

keep going here

1793

01:09:28,630 --> 01:09:26,400

but it is definitely a mystery i i did

1794

01:09:30,550 --> 01:09:28,640

reach out to police who again told me

1795

01:09:34,149 --> 01:09:30,560

ongoing investigation

1796

01:09:36,390 --> 01:09:34,159

and no comment further uh

1797

01:09:38,149 --> 01:09:36,400

i try to ask if they have any suspects

1798

01:09:43,189 --> 01:09:38,159

they want to answer that

1799

01:09:46,070 --> 01:09:43,199

but we do have video of uh you know

1800

01:09:47,510 --> 01:09:46,080

video of a car leaving the scene shortly

1801  
01:09:48,630 --> 01:09:47,520  
right after

1802  
01:09:50,149 --> 01:09:48,640  
um

1803  
01:09:52,550 --> 01:09:50,159  
and it would appear that most news

1804  
01:09:55,270 --> 01:09:52,560  
outlets are reporting that it was done

1805  
01:09:56,709 --> 01:09:55,280  
with an explosive

1806  
01:09:58,709 --> 01:09:56,719  
uh so

1807  
01:10:01,510 --> 01:09:58,719  
you know what do you guys think we'll

1808  
01:10:03,830 --> 01:10:01,520  
give a few minutes for a live chat here

1809  
01:10:06,229 --> 01:10:03,840  
uh we're gonna make this one a short one

1810  
01:10:08,790 --> 01:10:06,239  
ladyblahblah is here and says nice guest

1811  
01:10:10,229 --> 01:10:08,800  
yes uh glad that i could bring him here

1812  
01:10:12,470 --> 01:10:10,239  
it just so happened that we interviewed

1813  
01:10:14,709 --> 01:10:12,480

him before about the guidestones

1814

01:10:16,709 --> 01:10:14,719

and he was one of the only people that i

1815

01:10:18,229 --> 01:10:16,719

knew personally that i could call and

1816

01:10:19,910 --> 01:10:18,239

say what's going on with this thing

1817

01:10:20,790 --> 01:10:19,920

let's talk about it

1818

01:10:22,630 --> 01:10:20,800

um

1819

01:10:24,790 --> 01:10:22,640

but honestly i think he left me with

1820

01:10:27,270 --> 01:10:24,800

more questions than answers because i'm

1821

01:10:29,110 --> 01:10:27,280

confused by some of his theories that

1822

01:10:30,550 --> 01:10:29,120

the people who put it there may have

1823

01:10:32,550 --> 01:10:30,560

been the people that brought it down it

1824

01:10:35,430 --> 01:10:32,560

was put there to be brought down

1825

01:10:37,750 --> 01:10:35,440

the symbolism the ritualness the

1826

01:10:40,229 --> 01:10:37,760

ritual aspect of all this the

1827

01:10:44,310 --> 01:10:40,239

stenography the myst the mysterious

1828

01:10:47,590 --> 01:10:44,320

things hidden in plain sight that may be

1829

01:10:52,390 --> 01:10:50,149

it is great

1830

01:10:54,229 --> 01:10:52,400

yeah nick i'm not sure but i believe

1831

01:10:56,550 --> 01:10:54,239

that

1832

01:10:57,430 --> 01:10:56,560

he may have been in uh sort of

1833

01:11:00,709 --> 01:10:57,440

uh

1834

01:11:01,830 --> 01:11:00,719

ard program where if you complete the

1835

01:11:03,350 --> 01:11:01,840

uh

1836

01:11:05,669 --> 01:11:03,360

sentence they give you like if you

1837

01:11:07,590 --> 01:11:05,679

complete the probation they'll expunge

1838

01:11:09,990 --> 01:11:07,600

the record of your arrest which is good

1839

01:11:13,430 --> 01:11:10,000

because you don't want to be a felon or

1840

01:11:15,110 --> 01:11:13,440

you know whatever forever

1841

01:11:16,709 --> 01:11:15,120

anubis says ministries one of my

1842

01:11:20,070 --> 01:11:16,719

favorite bands always good samples grew

1843

01:11:21,910 --> 01:11:20,080

up with ministry of course um

1844

01:11:24,390 --> 01:11:21,920

yeah that's a good point nick did the

1845

01:11:26,950 --> 01:11:24,400

courts want traces of it to go away who

1846

01:11:28,310 --> 01:11:26,960

knows right who knows

1847

01:11:29,910 --> 01:11:28,320

but i'm going to reach out and try to

1848

01:11:31,510 --> 01:11:29,920

get the court documents because i'm very

1849

01:11:33,990 --> 01:11:31,520

interested in the fact that he got

1850

01:11:36,709 --> 01:11:34,000

charged with destruction of government

1851

01:11:38,229 --> 01:11:36,719

property not private property

1852

01:11:40,390 --> 01:11:38,239

the georgia guidestones apparently

1853

01:11:45,910 --> 01:11:40,400

according to a court of law

1854

01:11:50,310 --> 01:11:48,870

and uh ghost aid saying what no new

1855

01:11:52,390 --> 01:11:50,320

world order

1856

01:11:53,430 --> 01:11:52,400

whistleblowers here not that i am aware

1857

01:11:54,790 --> 01:11:53,440

of

1858

01:11:56,390 --> 01:11:54,800

and i just want to mention for the

1859

01:11:58,550 --> 01:11:56,400

benefit of those who reached out and

1860

01:12:00,709 --> 01:11:58,560

asked we did have another interview

1861

01:12:02,630 --> 01:12:00,719

scheduled for earlier today at 1 pm

1862

01:12:05,510 --> 01:12:02,640

eastern standard time and that was going

1863

01:12:08,390 --> 01:12:05,520

to be with philip mantle a well-known

1864

01:12:10,790 --> 01:12:08,400

ufo researcher and author he writes some

1865

01:12:13,270 --> 01:12:10,800

great books and uh he is the person

1866

01:12:14,870 --> 01:12:13,280

behind flying disc press which is also a

1867

01:12:17,669 --> 01:12:14,880

publisher that publishes books about

1868

01:12:19,510 --> 01:12:17,679

ufos and aliens and strange things

1869

01:12:22,470 --> 01:12:19,520

we were going to have him

1870

01:12:23,750 --> 01:12:22,480

at 1pm eastern time uh contacted me

1871

01:12:25,830 --> 01:12:23,760

saying that he was feeling a little

1872

01:12:26,950 --> 01:12:25,840

under the weather so we're gonna so i

1873

01:12:29,510 --> 01:12:26,960

said hey no problem we're gonna

1874

01:12:31,510 --> 01:12:29,520

reschedule that for later in the week or

1875

01:12:33,110 --> 01:12:31,520

maybe next week uh i'm gonna get with

1876

01:12:35,270 --> 01:12:33,120

him and i'll let you all know when we're

1877

01:12:36,950 --> 01:12:35,280

gonna be doing that i apologize to the

1878

01:12:39,750 --> 01:12:36,960

people who try to show up for that i

1879

01:12:41,990 --> 01:12:39,760

deleted the uh the original stream we'll

1880

01:12:43,270 --> 01:12:42,000

put up a new one when we know

1881

01:12:45,350 --> 01:12:43,280

um

1882

01:12:46,310 --> 01:12:45,360

when we know for sure

1883

01:12:52,390 --> 01:12:46,320

uh

1884

01:12:56,470 --> 01:12:54,229

t is here and says bush senior was in

1885

01:12:59,830 --> 01:12:56,480

the cia before becoming president

1886

01:13:02,550 --> 01:12:59,840

definitely rich efforts are the nwo

1887

01:13:03,510 --> 01:13:02,560

not only was he in the cia

1888

01:13:06,390 --> 01:13:03,520

uh

1889

01:13:08,149 --> 01:13:06,400

look up him in the jfk

1890

01:13:11,590 --> 01:13:08,159

oh there's some strange connections

1891

01:13:13,189 --> 01:13:11,600

there and he ran the cia for a certain

1892

01:13:16,149 --> 01:13:13,199

period of course

1893

01:13:20,870 --> 01:13:19,189

the sixth sense says after so many years

1894

01:13:23,110 --> 01:13:20,880

some states will automatically sponge

1895

01:13:26,390 --> 01:13:23,120

records given it's not a felony yeah uh

1896

01:13:29,030 --> 01:13:26,400

the good ones you know i am against that

1897

01:13:30,310 --> 01:13:29,040

i call it the scarlet letter the f

1898

01:13:31,189 --> 01:13:30,320

you're a felon

1899

01:13:32,550 --> 01:13:31,199

um

1900

01:13:34,950 --> 01:13:32,560

for those that don't know if you get

1901

01:13:36,310 --> 01:13:34,960

convicted of a felony you're

1902

01:13:39,270 --> 01:13:36,320

you're in trouble

1903

01:13:41,990 --> 01:13:39,280

not because of jail time or or whatever

1904

01:13:43,350 --> 01:13:42,000

i mean jail's terrible but

1905

01:13:45,990 --> 01:13:43,360

the the problem with becoming a

1906

01:13:48,550 --> 01:13:46,000

convicted felon is after you serve your

1907

01:13:51,669 --> 01:13:48,560

sentence you can't vote you can't own a

1908

01:13:53,750 --> 01:13:51,679

firearm and you can't get a job

1909

01:13:55,910 --> 01:13:53,760

well you technically you can get a job

1910

01:13:59,110 --> 01:13:55,920

that's very very difficult so the good

1911

01:14:00,709 --> 01:13:59,120

states have programs to expunge people's

1912

01:14:03,189 --> 01:14:00,719

you know mistake

1913

01:14:04,870 --> 01:14:03,199

if they behave and uh i'm all for that

1914

01:14:06,550 --> 01:14:04,880

right

1915

01:14:08,470 --> 01:14:06,560

lord ludacris here's this great show

1916

01:14:09,990 --> 01:14:08,480

tonight very interesting takes and

1917

01:14:11,350 --> 01:14:10,000

theories well thanks for being here we

1918

01:14:13,510 --> 01:14:11,360

appreciate it

1919

01:14:15,030 --> 01:14:13,520

uh i'm gonna check in here with a couple

1920

01:14:17,669 --> 01:14:15,040

of different things

1921

01:14:20,229 --> 01:14:17,679

i also wanted to mention uh a big thanks

1922

01:14:22,470 --> 01:14:20,239

to those um who pledged

1923

01:14:23,590 --> 01:14:22,480

and got a free gift in the form of the

1924

01:14:26,310 --> 01:14:23,600

roswell

1925

01:14:27,510 --> 01:14:26,320

wreckage replicas i got them

1926

01:14:30,149 --> 01:14:27,520

i got them

1927

01:14:32,229 --> 01:14:30,159

here and uh

1928

01:14:34,790 --> 01:14:32,239

addressed to all of you kind of generous

1929

01:14:36,630 --> 01:14:34,800

benefactors but i have not mailed them

1930

01:14:37,830 --> 01:14:36,640

yet hoping to do that tomorrow if not

1931

01:14:40,390 --> 01:14:37,840

the very next day so you should be

1932

01:14:43,350 --> 01:14:40,400

getting them in a few few days

1933

01:14:44,870 --> 01:14:43,360

luckily everybody that uh pledged was

1934

01:14:46,390 --> 01:14:44,880

from the united states so i don't have

1935

01:14:48,149 --> 01:14:46,400

to fill out any

1936

01:14:50,470 --> 01:14:48,159

you know

1937

01:14:52,070 --> 01:14:50,480

i hate filling out custom forms but i'll

1938

01:14:58,070 --> 01:14:52,080

do it right

1939

01:14:59,750 --> 01:14:58,080

i'm glad i didn't have to

1940

01:15:01,189 --> 01:14:59,760

so any comments or questions for me

1941

01:15:02,790 --> 01:15:01,199

please put them in all capital letters

1942

01:15:05,270 --> 01:15:02,800

otherwise we're going to bounce on out

1943

01:15:09,590 --> 01:15:07,189

prairie fire says i never realized how

1944

01:15:11,590 --> 01:15:09,600

deep the rot is in the ufo world yeah

1945

01:15:14,709 --> 01:15:11,600

the corruption runs pretty deep in the

1946

01:15:17,669 --> 01:15:14,719

world of ufos and i'm left with always

1947

01:15:19,430 --> 01:15:17,679

asking similar questions like

1948

01:15:21,669 --> 01:15:19,440

why do so many people in the world of

1949

01:15:24,550 --> 01:15:21,679

ufos use convicted criminals for their

1950

01:15:26,709 --> 01:15:24,560

sources for their alien stories why are

1951

01:15:29,110 --> 01:15:26,719

so many people involved in the ufo

1952

01:15:32,630 --> 01:15:29,120

world actually convicted criminals

1953

01:15:35,270 --> 01:15:32,640

and uh why are so many ufo celebrities

1954

01:15:37,669 --> 01:15:35,280

getting caught conning the public

1955

01:15:39,510 --> 01:15:37,679

constantly constantly and you know

1956

01:15:41,270 --> 01:15:39,520

something i realized today i tweeted

1957

01:15:43,590 --> 01:15:41,280

about this earlier

1958

01:15:46,550 --> 01:15:43,600

if you have any links to these fake sock

1959

01:15:48,709 --> 01:15:46,560

puppet accounts used in use by these ufo

1960

01:15:50,790 --> 01:15:48,719

celebrities send them to me send me the

1961

01:15:52,390 --> 01:15:50,800

link to their twitter handles i'm going

1962

01:15:53,750 --> 01:15:52,400

to be doing the story on that because

1963

01:15:55,669 --> 01:15:53,760

today

1964

01:15:58,070 --> 01:15:55,679

i suddenly realized that

1965

01:16:00,229 --> 01:15:58,080

when a ufo celebrity gets called conning

1966

01:16:02,390 --> 01:16:00,239

the public

1967

01:16:04,470 --> 01:16:02,400

the only people that come forward to

1968

01:16:06,870 --> 01:16:04,480

defend them when people start posting

1969

01:16:09,669 --> 01:16:06,880

about the dirty deeds that they're up to

1970

01:16:11,270 --> 01:16:09,679

is nameless faceless brand new twitter

1971

01:16:13,910 --> 01:16:11,280

accounts

1972

01:16:15,990 --> 01:16:13,920

i find that a little bit funny that it's

1973

01:16:17,350 --> 01:16:16,000

always nameless faceless brand new

1974

01:16:19,350 --> 01:16:17,360

twitter accounts that come out and

1975

01:16:21,669 --> 01:16:19,360

defend these ufo celebrities when they

1976

01:16:22,709 --> 01:16:21,679

get caught in people or when they get

1977

01:16:25,669 --> 01:16:22,719

caught

1978

01:16:27,910 --> 01:16:25,679

dead to rights as absolutely positively

1979

01:16:30,070 --> 01:16:27,920

lying through their teeth and get caught

1980

01:16:32,310 --> 01:16:30,080

lying through their teeth suddenly

1981

01:16:34,550 --> 01:16:32,320

there's nameless faceless brand new

1982

01:16:35,990 --> 01:16:34,560

twitter accounts that just joined last

1983

01:16:38,229 --> 01:16:36,000

month that are going to tell you that

1984

01:16:40,470 --> 01:16:38,239

they have journalistic integrity and how

1985

01:16:42,149 --> 01:16:40,480

dare you question their integrity and

1986

01:16:44,870 --> 01:16:42,159

you don't understand

1987

01:16:46,709 --> 01:16:44,880

and my favorite is lou elizondo

1988

01:16:48,630 --> 01:16:46,719

for those that don't know

1989

01:16:50,790 --> 01:16:48,640

every time somebody is critical of lou

1990

01:16:53,510 --> 01:16:50,800

elizondo along comes a brand new

1991

01:16:55,189 --> 01:16:53,520

nameless faceless sock puppet account to

1992

01:16:57,430 --> 01:16:55,199

argue with people

1993

01:16:59,350 --> 01:16:57,440

and and tell everybody how great lou

1994

01:17:01,590 --> 01:16:59,360

elizondo is and not only that but there

1995

01:17:03,830 --> 01:17:01,600

seems to be some commonalities with all

1996

01:17:06,229 --> 01:17:03,840

these accounts that are defending louis

1997

01:17:08,550 --> 01:17:06,239

elizando that all happen to be nameless

1998

01:17:11,270 --> 01:17:08,560

faceless brand new twitter accounts and

1999

01:17:12,630 --> 01:17:11,280

that is they always say you don't work

2000

01:17:15,189 --> 01:17:12,640

for the government so you don't

2001

01:17:17,350 --> 01:17:15,199

understand how this is uh how things

2002

01:17:20,709 --> 01:17:17,360

work but i do work for the government

2003

01:17:22,229 --> 01:17:20,719

then they'll post some random

2004

01:17:24,149 --> 01:17:22,239

you know uh

2005

01:17:25,430 --> 01:17:24,159

thing they say is some proof that they

2006

01:17:27,189 --> 01:17:25,440

work for the government but it's all

2007

01:17:29,110 --> 01:17:27,199

redacted

2008

01:17:30,870 --> 01:17:29,120

of course you can't know who their name

2009

01:17:32,070 --> 01:17:30,880

is what their name is they're claiming

2010

01:17:33,350 --> 01:17:32,080

they work for the government and they

2011

01:17:35,510 --> 01:17:33,360

understand

2012

01:17:38,149 --> 01:17:35,520

what's going on with blue elizando and

2013

01:17:39,510 --> 01:17:38,159

we don't lost regular people us peasants

2014

01:17:41,910 --> 01:17:39,520

we don't know

2015

01:17:44,790 --> 01:17:41,920

what how things work in the pentagon

2016

01:17:47,750 --> 01:17:44,800

here's what i do know lou elizondo lied

2017

01:17:50,630 --> 01:17:47,760

to the new york times louis lozando when

2018

01:17:53,510 --> 01:17:50,640

he was with ttsa and all of his buddies

2019

01:17:58,070 --> 01:17:53,520

lied to the investing public claiming

2020

01:18:00,630 --> 01:17:58,080

that his organization ttsa was going to

2021

01:18:02,870 --> 01:18:00,640

create a spaceship with a revolutionary

2022

01:18:04,709 --> 01:18:02,880

power source that would change the world

2023

01:18:07,590 --> 01:18:04,719

invest with us

2024

01:18:09,189 --> 01:18:07,600

that's a lie no spaceship

2025

01:18:12,950 --> 01:18:09,199

and more

2026

01:18:16,310 --> 01:18:12,960

why is louisando he used to uh claim

2027

01:18:19,030 --> 01:18:16,320

that he was the head of a pentagon ufo

2028

01:18:22,390 --> 01:18:19,040

program called atip now

2029

01:18:25,270 --> 01:18:22,400

he's saying he was the pentagon uap

2030

01:18:27,990 --> 01:18:25,280

portfolio manager or other people

2031

01:18:31,270 --> 01:18:28,000

friendly to him you know the ufo circle

2032

01:18:33,669 --> 01:18:31,280

jerker crowd those guys are running

2033

01:18:35,750 --> 01:18:33,679

around now they stopped calling him the

2034

01:18:38,229 --> 01:18:35,760

director of a tip now that we know that

2035

01:18:40,149 --> 01:18:38,239

that was all [h\_\_\h] and he never ran

2036

01:18:42,470 --> 01:18:40,159

that program you know why because that

2037

01:18:43,990 --> 01:18:42,480

program did not exist

2038

01:18:47,110 --> 01:18:44,000

but hey

2039

01:18:49,669 --> 01:18:47,120

that's not stopping his ufo circle jerk

2040

01:18:52,149 --> 01:18:49,679

friends you know all those ufo circle

2041

01:18:55,510 --> 01:18:52,159

jerkers whose podcasts he went on and

2042

01:18:57,270 --> 01:18:55,520

shows that he helped pump up and promote

2043

01:18:58,310 --> 01:18:57,280

with his presence

2044

01:19:01,030 --> 01:18:58,320

right

2045

01:19:02,790 --> 01:19:01,040

those guys are all switching it's like

2046

01:19:05,110 --> 01:19:02,800

somebody put out talking points on

2047

01:19:07,910 --> 01:19:05,120

luellazando because suddenly

2048

01:19:09,910 --> 01:19:07,920

he's not the director of atip anymore

2049

01:19:13,110 --> 01:19:09,920

could that possibly be because we all

2050

01:19:15,830 --> 01:19:13,120

know he wasn't the director of atip

2051

01:19:19,270 --> 01:19:15,840

now and that atip never existed as a

2052

01:19:21,990 --> 01:19:19,280

real pentagon government program

2053

01:19:24,390 --> 01:19:22,000

maybe just maybe somebody had to put out

2054

01:19:25,830 --> 01:19:24,400

talking points talking points like

2055

01:19:27,990 --> 01:19:25,840

guess you gotta stop calling me the

2056

01:19:31,350 --> 01:19:28,000

director of a program that never existed

2057

01:19:33,910 --> 01:19:31,360

inside the pentagon call me this now and

2058

01:19:36,310 --> 01:19:33,920

all of the ufo circle jerkers friendly

2059

01:19:38,790 --> 01:19:36,320

to lou elizondo all of the circle

2060

01:19:40,550 --> 01:19:38,800

jerkers you know those circle jerkers

2061

01:19:42,630 --> 01:19:40,560

that never asked him

2062

01:19:45,750 --> 01:19:42,640

for proof or evidence that he actually

2063

01:19:48,630 --> 01:19:45,760

ran a government program those ufo

2064

01:19:50,709 --> 01:19:48,640

circle jerkers those same guys that gave

2065

01:19:53,910 --> 01:19:50,719

him softball after softball after

2066

01:19:56,709 --> 01:19:53,920

softball interview oh who's so awesome

2067

01:19:58,550 --> 01:19:56,719

those same guys are all now switching

2068

01:20:01,189 --> 01:19:58,560

you can't call the director of a tip

2069

01:20:03,990 --> 01:20:01,199

because we all know that's [h\_\_h] now

2070

01:20:06,390 --> 01:20:04,000

they're all going to call him the uap

2071

01:20:08,790 --> 01:20:06,400

portfolio manager

2072

01:20:11,350 --> 01:20:08,800

another made up fake term

2073

01:20:13,669 --> 01:20:11,360

go call the pentagon and ask for the uap

2074

01:20:15,189 --> 01:20:13,679

portfolio manager you're not going to

2075

01:20:16,390 --> 01:20:15,199

get somebody on the phone they're going

2076

01:20:18,790 --> 01:20:16,400

to say who

2077

01:20:21,430 --> 01:20:18,800

that's a made-up [h\_\_h] title term

2078

01:20:24,629 --> 01:20:21,440

that doesn't exist but that doesn't stop

2079

01:20:27,910 --> 01:20:24,639

blue elizado's ufo circle jerk buddies

2080

01:20:30,229 --> 01:20:27,920

from saying it's true it's not

2081

01:20:32,390 --> 01:20:30,239

and uh we're gonna file some paperwork

2082

01:20:35,350 --> 01:20:32,400

asking for all kinds of information

2083

01:20:37,910 --> 01:20:35,360

about this new term the uap portfolio

2084

01:20:38,950 --> 01:20:37,920

manager it's another made-up [h\_\_h]

2085

01:20:42,310 --> 01:20:38,960

term

2086

01:20:44,709 --> 01:20:42,320

just like

2087

01:20:46,629 --> 01:20:44,719

the director of atib

2088

01:20:48,790 --> 01:20:46,639

that's where we're at that's where we

2089

01:20:50,470 --> 01:20:48,800

find ourselves and uh

2090

01:20:53,270 --> 01:20:50,480

interestingly

2091

01:20:55,830 --> 01:20:53,280

i you know my oh back to my point

2092

01:20:58,629 --> 01:20:55,840

all of the

2093

01:20:59,590 --> 01:20:58,639

ufo celebrities that get caught lying to

2094

01:21:02,149 --> 01:20:59,600

us

2095

01:21:05,030 --> 01:21:02,159

they all employ the same tactics you

2096

01:21:07,350 --> 01:21:05,040

gotta put out nameless faceless ufo

2097

01:21:09,350 --> 01:21:07,360

people on twitter that don't really

2098

01:21:11,510 --> 01:21:09,360

exist you don't know their name you

2099

01:21:13,270 --> 01:21:11,520

don't know who they are they claim they

2100

01:21:15,750 --> 01:21:13,280

work for the government many of them and

2101

01:21:17,830 --> 01:21:15,760

all kinds of bullshittery oh it's

2102

01:21:19,270 --> 01:21:17,840

beautiful bullshittery but it's still

2103

01:21:21,510 --> 01:21:19,280

bullshittery

2104

01:21:24,070 --> 01:21:21,520

they employ

2105

01:21:26,470 --> 01:21:24,080

they all employ the same tactics put out

2106

01:21:28,950 --> 01:21:26,480

a bunch of nameless faceless brand new

2107

01:21:30,950 --> 01:21:28,960

twitter accounts to tell everybody how

2108

01:21:33,350 --> 01:21:30,960

wrong those people are

2109

01:21:36,310 --> 01:21:33,360

now that i've been caught lying through

2110

01:21:39,510 --> 01:21:36,320

my teeth that's how this ufo

2111

01:21:41,430 --> 01:21:39,520

situation works hey man where's that lou

2112

01:21:43,430 --> 01:21:41,440

elizondo book by the way where's

2113

01:21:45,430 --> 01:21:43,440

louisando's book it was supposed to be

2114

01:21:47,110 --> 01:21:45,440

out in april

2115

01:21:49,189 --> 01:21:47,120

it's july

2116

01:21:51,910 --> 01:21:49,199

could it be

2117

01:21:54,149 --> 01:21:51,920

that he had to go and pull that book

2118

01:21:56,310 --> 01:21:54,159

back because he [h\_\_h] it too much in

2119

01:21:58,470 --> 01:21:56,320

that book too and with recent

2120

01:22:00,550 --> 01:21:58,480

revelations that he never ran any

2121

01:22:02,149 --> 01:22:00,560

government ufo program

2122

01:22:06,310 --> 01:22:02,159

just like nick pope

2123

01:22:08,470 --> 01:22:06,320

here's another fake ufo program director

2124

01:22:10,390 --> 01:22:08,480

that never was

2125

01:22:12,629 --> 01:22:10,400

it's amazing how similar

2126

01:22:14,229 --> 01:22:12,639

uh their fake stories are

2127

01:22:16,470 --> 01:22:14,239

they both basically worked in the

2128

01:22:19,590 --> 01:22:16,480

government won't give them that but they

2129

01:22:22,070 --> 01:22:19,600

both just made up that they investigated

2130

01:22:24,790 --> 01:22:22,080

ufos for the government and with both

2131

01:22:26,550 --> 01:22:24,800

nick pope and lou elizondo there's not a

2132

01:22:28,709 --> 01:22:26,560

single piece of paperwork proving that

2133

01:22:31,030 --> 01:22:28,719

they investigated [h\_\_h] for their

2134

01:22:33,270 --> 01:22:31,040

respective governments but we're all

2135

01:22:36,629 --> 01:22:33,280

supposed to just pretend right we're in

2136

01:22:39,590 --> 01:22:36,639

a larp zone here is this a larp zone can

2137

01:22:41,750 --> 01:22:39,600

i pretend to be uh professor x while

2138

01:22:43,669 --> 01:22:41,760

you're pretending to be fox mulder you

2139

01:22:46,870 --> 01:22:43,679

fake as [\h\_\_\h] loser

2140

01:22:49,830 --> 01:22:46,880

nick pope is a loser lou elizondo in my

2141

01:22:51,430 --> 01:22:49,840

opinion is a loser because these two

2142

01:22:53,350 --> 01:22:51,440

clowns thought they could just lie

2143

01:22:55,830 --> 01:22:53,360

through their teeth about programs they

2144

01:22:58,070 --> 01:22:55,840

never read and you know what maybe

2145

01:23:00,390 --> 01:22:58,080

they're smarter than me because both of

2146

01:23:01,990 --> 01:23:00,400

these clowns lie through their teeth

2147

01:23:04,310 --> 01:23:02,000

pretending to be something that they're

2148

01:23:05,990 --> 01:23:04,320

not saying they work somewhere doing

2149

01:23:07,590 --> 01:23:06,000

something that they never did and can't

2150

01:23:10,229 --> 01:23:07,600

prove they did neither of these two

2151  
01:23:11,189 --> 01:23:10,239  
clowns can prove that they investigated

2152  
01:23:13,189 --> 01:23:11,199  
[h\_\_\h]

2153  
01:23:15,270 --> 01:23:13,199  
for the for their respective governments

2154  
01:23:18,709 --> 01:23:15,280  
neither of them can prove it they just

2155  
01:23:20,790 --> 01:23:18,719  
said it and then they run off and grab

2156  
01:23:23,430 --> 01:23:20,800  
those ufo dollars see that's what you

2157  
01:23:24,470 --> 01:23:23,440  
got to do you got to just make [h\_\_\h] up

2158  
01:23:26,550 --> 01:23:24,480  
right

2159  
01:23:29,110 --> 01:23:26,560  
here's my mistake i'm here like a

2160  
01:23:31,750 --> 01:23:29,120  
dumbass trying to do this honestly you

2161  
01:23:34,070 --> 01:23:31,760  
know like don't lie to people don't lie

2162  
01:23:36,629 --> 01:23:34,080  
about things i've never done don't lie

2163  
01:23:38,870 --> 01:23:36,639

to my audience don't purposefully have

2164

01:23:40,950 --> 01:23:38,880

guests i know are full of [h\_\_h] you know

2165

01:23:43,189 --> 01:23:40,960

i'm doing this all wrong

2166

01:23:45,669 --> 01:23:43,199

at least i'm doing it all wrong in order

2167

01:23:48,229 --> 01:23:45,679

to get to the ufo dollars right

2168

01:23:50,870 --> 01:23:48,239

if i really wanted to get to the ufo

2169

01:23:52,709 --> 01:23:50,880

dollars you gotta just make up fake [h\_\_h]

2170

01:23:55,110 --> 01:23:52,719

and then live action roleplay and

2171

01:23:57,990 --> 01:23:55,120

pretend it's the land of make-believe

2172

01:24:00,310 --> 01:23:58,000

with these [h\_\_h] but i'm the bad guy

2173

01:24:02,950 --> 01:24:00,320

for pointing out facts and evidence

2174

01:24:04,229 --> 01:24:02,960

right let's make me the bad guy

2175

01:24:07,030 --> 01:24:04,239

meanwhile

2176  
01:24:09,189 --> 01:24:07,040  
what we've got is lou elizondo and nick

2177  
01:24:12,070 --> 01:24:09,199  
pope out there like this grabbing them

2178  
01:24:14,629 --> 01:24:12,080  
ufo dollars we got to grab these ufo

2179  
01:24:17,830 --> 01:24:14,639  
dollars before everybody finds out that

2180  
01:24:21,350 --> 01:24:17,840  
we lied and we're not who we said we are

2181  
01:24:23,350 --> 01:24:21,360  
grab them ufo dollars from stupid people

2182  
01:24:26,470 --> 01:24:23,360  
while while we pretend that we ran

2183  
01:24:28,470 --> 01:24:26,480  
government programs and in both cases

2184  
01:24:31,189 --> 01:24:28,480  
neither of those government programs

2185  
01:24:33,189 --> 01:24:31,199  
actually existed or we didn't work where

2186  
01:24:35,750 --> 01:24:33,199  
we said we worked

2187  
01:24:38,550 --> 01:24:35,760  
that's the way it all works friends and

2188  
01:24:41,669 --> 01:24:38,560

you know i'm getting increasingly bitter

2189

01:24:43,510 --> 01:24:41,679

and angry about this as i look at my

2190

01:24:45,189 --> 01:24:43,520

bottom line you know what i get for

2191

01:24:47,430 --> 01:24:45,199

being honest

2192

01:24:50,070 --> 01:24:47,440

much less than these guys get for lying

2193

01:24:53,510 --> 01:24:50,080

to you that's for goddamn sure

2194

01:24:56,310 --> 01:24:53,520

but it's okay because every night i can

2195

01:24:58,870 --> 01:24:56,320

sleep you know and when i wake up in the

2196

01:25:00,950 --> 01:24:58,880

morning unlike nick pope and lou

2197

01:25:03,669 --> 01:25:00,960

elizondo i don't have to look in the

2198

01:25:06,470 --> 01:25:03,679

mirror and say you did a great job lying

2199

01:25:09,990 --> 01:25:06,480

to everybody today to make money like a

2200

01:25:15,030 --> 01:25:12,629

integrity is worth something

2201

01:25:17,189 --> 01:25:15,040

and uh

2202

01:25:19,750 --> 01:25:17,199

this is where we're at right this is

2203

01:25:21,270 --> 01:25:19,760

this is ridiculous ufo john doe here

2204

01:25:23,189 --> 01:25:21,280

with kind and generous

2205

01:25:25,669 --> 01:25:23,199

uh dollar ninety nine says steven you

2206

01:25:27,830 --> 01:25:25,679

need to make a shirt ufo circle jerkers

2207

01:25:29,350 --> 01:25:27,840

i'm on that we're working on merchandise

2208

01:25:32,070 --> 01:25:29,360

and one of them is

2209

01:25:34,070 --> 01:25:32,080

don't be a ufo circle jerker watch steve

2210

01:25:35,750 --> 01:25:34,080

can be in on truth seekers you'll be the

2211

01:25:38,830 --> 01:25:35,760

first to know about it by the way ufo

2212

01:25:41,910 --> 01:25:38,840

john doe i've already got your package

2213

01:25:45,189 --> 01:25:41,920

addressed and uh i'm giving you one of

2214

01:25:47,030 --> 01:25:45,199

the books uh from kalkwarf and me but

2215

01:25:49,030 --> 01:25:47,040

saying that me i'm not really the

2216

01:25:51,030 --> 01:25:49,040

co-author i contributed 10 pages to the

2217

01:25:52,470 --> 01:25:51,040

book it's really calculus book but i put

2218

01:25:54,070 --> 01:25:52,480

that in your package

2219

01:25:55,669 --> 01:25:54,080

and i should be mailing that tomorrow

2220

01:25:57,430 --> 01:25:55,679

for you thanks so much for your kindness

2221

01:25:59,910 --> 01:25:57,440

your generosity and your support of the

2222

01:26:03,270 --> 01:25:59,920

show it is much much appreciated this is

2223

01:26:05,510 --> 01:26:03,280

how you help us friends uh you help us

2224

01:26:06,950 --> 01:26:05,520

sometimes uh by throwing a couple of

2225

01:26:15,110 --> 01:26:06,960

bucks in our hat and helping us to

2226

01:26:21,240 --> 01:26:17,350

you're watching

2227

01:26:25,990 --> 01:26:21,250

praise cash price to catch

2228

01:26:30,870 --> 01:26:28,390

so thank you very much uh we appreciate

2229

01:26:32,470 --> 01:26:30,880

you ufo john doe all our kind and

2230

01:26:34,310 --> 01:26:32,480

generous benefactors including our

2231

01:26:36,470 --> 01:26:34,320

patreon supporters

2232

01:26:39,430 --> 01:26:36,480

our um

2233

01:26:41,430 --> 01:26:39,440

our channel members as well those

2234

01:26:43,910 --> 01:26:41,440

throwing a couple of bucks in our hat

2235

01:26:46,470 --> 01:26:43,920

through paypal or cash app instructions

2236

01:26:48,550 --> 01:26:46,480

to do that are in the description of

2237

01:26:50,470 --> 01:26:48,560

this video also

2238

01:26:53,430 --> 01:26:50,480

um you know i noticed a few people

2239

01:26:54,870 --> 01:26:53,440

getting i don't want to say nasty but

2240

01:26:58,550 --> 01:26:54,880

people were not

2241

01:27:00,870 --> 01:26:58,560

tonight's guests or something

2242

01:27:03,830 --> 01:27:00,880

uh you know uh

2243

01:27:05,430 --> 01:27:03,840

i would invite you to check out uh his

2244

01:27:07,830 --> 01:27:05,440

first interview

2245

01:27:09,750 --> 01:27:07,840

and hear more about his history with the

2246

01:27:11,189 --> 01:27:09,760

georgia guidestones before you judge him

2247

01:27:13,910 --> 01:27:11,199

too harsley

2248

01:27:16,390 --> 01:27:14,950

and

2249

01:27:17,990 --> 01:27:16,400

you know

2250

01:27:20,550 --> 01:27:18,000

i always say this there's no such thing

2251

01:27:22,870 --> 01:27:20,560

as a perfect guest sorry if everybody

2252

01:27:24,550 --> 01:27:22,880

doesn't like a guest but uh i try to

2253

01:27:26,390 --> 01:27:24,560

bring interesting in

2254

01:27:28,310 --> 01:27:26,400

people here especially if they're

2255

01:27:29,830 --> 01:27:28,320

related to something mysterious that i'm

2256

01:27:32,470 --> 01:27:29,840

looking into like

2257

01:27:33,990 --> 01:27:32,480

this recent story with the guide stones

2258

01:27:35,030 --> 01:27:34,000

what else can i do

2259

01:27:37,430 --> 01:27:35,040

um

2260

01:27:40,070 --> 01:27:37,440

but thanks uh grab

2261

01:27:42,229 --> 01:27:40,080

b baker yeah it's that's the game it's

2262

01:27:43,910 --> 01:27:42,239

grab the dollar thank you t for kind of

2263

01:27:45,750 --> 01:27:43,920

generous two dollar super sticker we

2264

01:27:46,950 --> 01:27:45,760

appreciate your kindness your generosity

2265

01:27:48,629 --> 01:27:46,960

and your support

2266

01:27:52,470 --> 01:27:48,639

thank you for helping us to praise the

2267

01:28:01,990 --> 01:27:55,930

bring together guys cash

2268

01:28:05,110 --> 01:28:03,030

all right

2269

01:28:07,750 --> 01:28:05,120

so comments or questions for me please

2270

01:28:10,390 --> 01:28:07,760

put them in all capital letters

2271

01:28:12,310 --> 01:28:10,400

i'm sorry i kind of went off topic um

2272

01:28:13,750 --> 01:28:12,320

you know sometimes this is just a stream

2273

01:28:15,750 --> 01:28:13,760

of consciousness and it's whatever i'm

2274

01:28:16,950 --> 01:28:15,760

thinking about today i was arguing with

2275

01:28:17,750 --> 01:28:16,960

some idiot

2276

01:28:19,510 --> 01:28:17,760

uh

2277

01:28:20,950 --> 01:28:19,520

i don't want to say that that's that's

2278

01:28:24,390 --> 01:28:20,960

not very nice

2279

01:28:26,390 --> 01:28:24,400

today i didn't realize it but i ended up

2280

01:28:29,270 --> 01:28:26,400

realizing it too late because i have a

2281

01:28:32,149 --> 01:28:29,280

policy that i don't engage with people

2282

01:28:34,629 --> 01:28:32,159

on twitter who are nameless faceless

2283

01:28:36,390 --> 01:28:34,639

brand new twitter accounts i just don't

2284

01:28:38,229 --> 01:28:36,400

do it because

2285

01:28:40,790 --> 01:28:38,239

you don't know who you're talking to

2286

01:28:43,830 --> 01:28:40,800

and today is when i realized oh i'm

2287

01:28:46,550 --> 01:28:43,840

talking to a nameless faceless

2288

01:28:48,470 --> 01:28:46,560

bureaucrat oh sorry a nameless faceless

2289

01:28:49,990 --> 01:28:48,480

brand new twitter account

2290

01:28:51,830 --> 01:28:50,000

uh that happens to work for the

2291

01:28:54,070 --> 01:28:51,840

government and think elizondo is the

2292

01:28:56,629 --> 01:28:54,080

greatest thing ever to happen for ufo

2293

01:28:59,510 --> 01:28:56,639

disclosure and no he didn't lie even

2294

01:29:01,430 --> 01:28:59,520

though we can clearly prove that he lied

2295

01:29:03,510 --> 01:29:01,440

many times and there's so many

2296

01:29:06,550 --> 01:29:03,520

inconsistent statements from him right

2297

01:29:09,189 --> 01:29:06,560

oh uh i had no involvement in osap oh

2298

01:29:10,950 --> 01:29:09,199

they asked me to take over osap

2299

01:29:13,030 --> 01:29:10,960

i had no involvement with osap

2300

01:29:15,189 --> 01:29:13,040

whatsoever oh they asked me to do

2301

01:29:16,629 --> 01:29:15,199

security for osap

2302

01:29:18,470 --> 01:29:16,639

you know

2303

01:29:20,470 --> 01:29:18,480

add to that his lying to the new york

2304

01:29:22,629 --> 01:29:20,480

times and the fact that atip as an

2305

01:29:25,669 --> 01:29:22,639

actual government program

2306

01:29:27,750 --> 01:29:25,679

never actually existed i would say he's

2307

01:29:29,510 --> 01:29:27,760

been caught lying but this nameless

2308

01:29:30,550 --> 01:29:29,520

faceless twitter can't want to argue

2309

01:29:33,110 --> 01:29:30,560

with me

2310

01:29:35,110 --> 01:29:33,120

and suddenly i realized

2311

01:29:38,709 --> 01:29:35,120

who do you think that was friends who

2312

01:29:40,629 --> 01:29:38,719

cares that much about

2313

01:29:42,709 --> 01:29:40,639

mr elizondo

2314

01:29:45,270 --> 01:29:42,719

i mean there are a few idiot show hosts

2315

01:29:47,750 --> 01:29:45,280

remember there was a show that like you

2316

01:29:50,390 --> 01:29:47,760

know they doxed me and the who's lou

2317

01:29:53,189 --> 01:29:50,400

documentary filmmaker maddie from area

2318

01:29:56,550 --> 01:29:53,199

503 there are idiot

2319

01:29:57,590 --> 01:29:56,560

useful idiots that louisando employs

2320

01:30:00,149 --> 01:29:57,600

like

2321

01:30:01,830 --> 01:30:00,159

those idiot show hosts by the way one of

2322

01:30:03,750 --> 01:30:01,840

those show hosts peeled off and he's

2323

01:30:06,390 --> 01:30:03,760

going to have his own show you know the

2324

01:30:09,590 --> 01:30:06,400

guy who had what was it a hundred or 200

2325

01:30:11,990 --> 01:30:09,600

hours of of a youtube playlist of little

2326  
01:30:15,189 --> 01:30:12,000  
girls that were attending you know under

2327  
01:30:16,070 --> 01:30:15,199  
dancing yeah that guy real quality

2328  
01:30:18,629 --> 01:30:16,080  
people

2329  
01:30:21,030 --> 01:30:18,639  
sticking up for lou elizondo thank you

2330  
01:30:23,590 --> 01:30:21,040  
lord ludacris uh for a kind of generous

2331  
01:30:25,990 --> 01:30:23,600  
dollar 99 super chat actually

2332  
01:30:27,350 --> 01:30:26,000  
lord ludicrous it hasn't started off

2333  
01:30:28,470 --> 01:30:27,360  
with a bang

2334  
01:30:29,910 --> 01:30:28,480  
you know

2335  
01:30:32,629 --> 01:30:29,920  
i thought it would

2336  
01:30:36,550 --> 01:30:32,639  
uh but i have decided lord ludacris that

2337  
01:30:38,629 --> 01:30:36,560  
i am terrible as a judge of content

2338  
01:30:40,870 --> 01:30:38,639

and here's what i mean i worked really

2339

01:30:42,950 --> 01:30:40,880

hard on that uh roswell thing and i

2340

01:30:45,030 --> 01:30:42,960

thought hey first week back with the new

2341

01:30:47,350 --> 01:30:45,040

season that'll be great that'll really

2342

01:30:49,830 --> 01:30:47,360

get things off with a big bang right

2343

01:30:51,110 --> 01:30:49,840

what a huge story and it's the 75th

2344

01:30:53,270 --> 01:30:51,120

anniversary and everybody's going to

2345

01:30:54,629 --> 01:30:53,280

want to see this

2346

01:30:57,270 --> 01:30:54,639

largely

2347

01:31:00,229 --> 01:30:57,280

not so much uh you know

2348

01:31:03,030 --> 01:31:00,239

but i stand by doing it i've got a few

2349

01:31:04,390 --> 01:31:03,040

more racy things coming next week but

2350

01:31:06,870 --> 01:31:04,400

i'm still working on putting them

2351

01:31:08,550 --> 01:31:06,880

together uh but i definitely appreciate

2352

01:31:10,229 --> 01:31:08,560

all your kindness your generosity and

2353

01:31:12,629 --> 01:31:10,239

continued support long time show

2354

01:31:15,980 --> 01:31:12,639

supporter lord ludacris platt thank you

2355

01:31:23,189 --> 01:31:15,990

for uh helping us to praise the cash

2356

01:31:28,149 --> 01:31:26,070

all right so um i gotta be honest with

2357

01:31:30,070 --> 01:31:28,159

you in that i'm not quite sure what's

2358

01:31:31,030 --> 01:31:30,080

going on for the rest of the week t is

2359

01:31:33,590 --> 01:31:31,040

here

2360

01:31:34,950 --> 01:31:33,600

uh says uh love your show i found you

2361

01:31:38,709 --> 01:31:34,960

when i was looking for stuff on david

2362

01:31:41,030 --> 01:31:38,719

wilcock crazy effort for real

2363

01:31:42,870 --> 01:31:41,040

well i'm glad that you found us i'm very

2364

01:31:45,350 --> 01:31:42,880

glad that you found us t you are most

2365

01:31:47,990 --> 01:31:45,360

welcome here we welcome all people

2366

01:31:53,189 --> 01:31:48,000

skeptics believers uh and people in

2367

01:31:59,669 --> 01:31:57,110

yeah angelo putin uh somebody uh send me

2368

01:32:00,390 --> 01:31:59,679

the link through twitter facebook or

2369

01:32:03,189 --> 01:32:00,400

email it to me at

2370

01:32:09,350 --> 01:32:03,199

truthseekershowgmail.com

2371

01:32:14,310 --> 01:32:11,750

featherly has since removed the playlist

2372

01:32:16,390 --> 01:32:14,320

including very young girls dancing and

2373

01:32:18,550 --> 01:32:16,400

whatnot yeah but it's okay because we

2374

01:32:20,310 --> 01:32:18,560

have a tape of it

2375

01:32:22,629 --> 01:32:20,320

sixth sense we have a tape of that

2376

01:32:25,350 --> 01:32:22,639

playlist uh and all the little girls

2377

01:32:31,430 --> 01:32:25,360

that he had in his youtube playlist

2378

01:32:36,229 --> 01:32:33,189

the big bang was a play on words for

2379

01:32:37,990 --> 01:32:36,239

today's show come on guys oh starting

2380

01:32:40,629 --> 01:32:38,000

season 3 off with a bang yeah the

2381

01:32:44,070 --> 01:32:40,639

georgia guidestones bang and went down

2382

01:32:47,669 --> 01:32:44,080

right i missed that sorry i i i totally

2383

01:32:49,990 --> 01:32:47,679

missed that went way right over my head

2384

01:32:51,669 --> 01:32:50,000

um and i oh i also wanted to mention for

2385

01:32:54,390 --> 01:32:51,679

the ben a few people have reached out to

2386

01:32:57,030 --> 01:32:54,400

me and asked how i'm doing health-wise i

2387

01:32:59,910 --> 01:32:57,040

think i'm doing great i'm feeling better

2388

01:33:01,910 --> 01:32:59,920

i'm looking good i'm smelling good i'm

2389

01:33:03,189 --> 01:33:01,920

feeling good

2390

01:33:05,669 --> 01:33:03,199

and i

2391

01:33:08,550 --> 01:33:05,679

am slowly

2392

01:33:10,790 --> 01:33:08,560

fixing things like my diet is now

2393

01:33:14,310 --> 01:33:10,800

getting fixed and i'm uh

2394

01:33:15,590 --> 01:33:14,320

eating very very healthy these last

2395

01:33:17,990 --> 01:33:15,600

i don't know

2396

01:33:19,830 --> 01:33:18,000

three or four days hey you know it takes

2397

01:33:22,149 --> 01:33:19,840

a while to get in there you know i

2398

01:33:24,629 --> 01:33:22,159

figure we start with reducing the

2399

01:33:34,709 --> 01:33:24,639

greatest harm health-wise which was out

2400

01:33:38,470 --> 01:33:36,709

after that

2401

01:33:42,790 --> 01:33:38,480

i work on the other things which

2402

01:33:46,229 --> 01:33:44,149

but i want to thank those who have asked

2403

01:33:48,470 --> 01:33:46,239

about my health feeling good look good

2404

01:33:51,590 --> 01:33:48,480

smell good

2405

01:33:53,430 --> 01:33:51,600

what more can you ask for i uh

2406

01:33:56,390 --> 01:33:53,440

i'm about 40 days

2407

01:33:58,629 --> 01:33:56,400

no alcohol and uh three or four days

2408

01:34:02,830 --> 01:33:58,639

eating very healthy i'm starting an

2409

01:34:05,830 --> 01:34:02,840

exercise program joining the gym

2410

01:34:08,229 --> 01:34:05,840

um all in all things are doing well i'm

2411

01:34:09,590 --> 01:34:08,239

still under a doctor's care every two

2412

01:34:11,350 --> 01:34:09,600

weeks and go for a checkup i'm going to

2413

01:34:13,350 --> 01:34:11,360

be doing new blood work because my blood

2414

01:34:14,310 --> 01:34:13,360

work was a mess

2415

01:34:16,709 --> 01:34:14,320

uh

2416

01:34:19,189 --> 01:34:16,719

not it didn't look good i was vitamin

2417

01:34:20,870 --> 01:34:19,199

deficient my blood pressure is high the

2418

01:34:21,669 --> 01:34:20,880

cholesterol's high all this other stuff

2419

01:34:23,189 --> 01:34:21,679

so

2420

01:34:25,669 --> 01:34:23,199

now i'm working on

2421

01:34:27,669 --> 01:34:25,679

uh you know now that i've quit the the

2422

01:34:30,709 --> 01:34:27,679

alcohol consumption i'm working on the

2423

01:34:32,629 --> 01:34:30,719

uh the nutrition part and i'm stopping

2424

01:34:34,870 --> 01:34:32,639

eating garbage because

2425

01:34:37,510 --> 01:34:34,880

since this pandemic started i think i

2426  
01:34:39,750 --> 01:34:37,520  
don't want to blame the pandemic but

2427  
01:34:42,070 --> 01:34:39,760  
i really really started eating

2428  
01:34:44,470 --> 01:34:42,080  
terribly and i used to be

2429  
01:34:47,030 --> 01:34:44,480  
fairly health conscious when it came to

2430  
01:34:48,790 --> 01:34:47,040  
what i ate that went out the window i'm

2431  
01:34:50,550 --> 01:34:48,800  
stuck in this house for a year and a

2432  
01:34:52,550 --> 01:34:50,560  
half whatever it was

2433  
01:34:55,189 --> 01:34:52,560  
you know start eating a lot of macaroni

2434  
01:34:56,709 --> 01:34:55,199  
and cheese and frozen food and whatever

2435  
01:34:57,669 --> 01:34:56,719  
is easy

2436  
01:35:00,550 --> 01:34:57,679  
um

2437  
01:35:03,830 --> 01:35:00,560  
yeah

2438  
01:35:04,950 --> 01:35:03,840

but i'm i'm recommitting to uh

2439

01:35:07,669 --> 01:35:04,960

to

2440

01:35:10,229 --> 01:35:07,679

healthier lifestyle which includes not

2441

01:35:11,910 --> 01:35:10,239

drinking alcohol for for now i still

2442

01:35:15,109 --> 01:35:11,920

haven't decided if i'm gonna not drink

2443

01:35:17,830 --> 01:35:15,119

alcohol forever or if i'm gonna

2444

01:35:19,510 --> 01:35:17,840

you know occasionally

2445

01:35:20,470 --> 01:35:19,520

have some drinks

2446

01:35:23,510 --> 01:35:20,480

but

2447

01:35:25,590 --> 01:35:23,520

what i do know is that drinking

2448

01:35:27,270 --> 01:35:25,600

having some drinks every day to the

2449

01:35:29,189 --> 01:35:27,280

point of 10 or 12

2450

01:35:31,510 --> 01:35:29,199

is not a healthy way to live not doing

2451

01:35:33,350 --> 01:35:31,520

that every day

2452

01:35:35,030 --> 01:35:33,360

and you know i'm still evaluating things

2453

01:35:37,990 --> 01:35:35,040

i'm still uh

2454

01:35:41,669 --> 01:35:38,000

i don't know it's it's only been uh

2455

01:35:43,270 --> 01:35:41,679

it's only been 40 days it's hard to tell

2456

01:35:46,070 --> 01:35:43,280

but i can tell you that i don't miss

2457

01:35:48,390 --> 01:35:46,080

hangovers i'm i'm feeling like i have

2458

01:35:50,390 --> 01:35:48,400

much more patience with my children and

2459

01:35:52,070 --> 01:35:50,400

everyone for that matter

2460

01:35:53,830 --> 01:35:52,080

i'm not as angry

2461

01:35:55,590 --> 01:35:53,840

you may have noticed that right i'm not

2462

01:35:56,870 --> 01:35:55,600

yelling and screaming here almost every

2463

01:35:58,950 --> 01:35:56,880

other night maybe it's because i'm not

2464

01:36:00,470 --> 01:35:58,960

all beat up and hungover from the night

2465

01:36:04,070 --> 01:36:00,480

before i don't know

2466

01:36:07,189 --> 01:36:04,080

i'm feeling like a kinder and gentler me

2467

01:36:09,350 --> 01:36:07,199

and ufo john doe with kind agenda 499

2468

01:36:11,030 --> 01:36:09,360

super chat says i think steven season

2469

01:36:13,189 --> 01:36:11,040

three is starting off strong sometimes

2470

01:36:16,070 --> 01:36:13,199

the payoff comes later do an aerial

2471

01:36:17,830 --> 01:36:16,080

phenomenon show in season three uh on my

2472

01:36:20,229 --> 01:36:17,840

list i'm gonna watch that documentary

2473

01:36:21,669 --> 01:36:20,239

i'm gonna do some additional research

2474

01:36:24,310 --> 01:36:21,679

because

2475

01:36:27,189 --> 01:36:24,320

ufo john doe i think that documentary

2476

01:36:28,229 --> 01:36:27,199

paints a very pro this was aliens

2477

01:36:30,950 --> 01:36:28,239

picture

2478

01:36:32,229 --> 01:36:30,960

and there is some ample and supportive

2479

01:36:34,310 --> 01:36:32,239

evidence that

2480

01:36:36,310 --> 01:36:34,320

it wasn't aliens and i'm going to gather

2481

01:36:38,709 --> 01:36:36,320

that evidence and show both sides of the

2482

01:36:40,390 --> 01:36:38,719

coin i think it's fair to do that thank

2483

01:36:41,910 --> 01:36:40,400

you for your kindness your generosity

2484

01:36:43,990 --> 01:36:41,920

and your support of the show much much

2485

01:36:46,390 --> 01:36:44,000

appreciated and we have complicaire with

2486

01:36:49,669 --> 01:36:46,400

the kindness 510

2487

01:36:54,709 --> 01:36:52,229

deutschland we love to talk between cal

2488

01:36:57,430 --> 01:36:54,719

and germany you should get them on again

2489

01:36:59,189 --> 01:36:57,440

yeah i'd like to do that contest and i

2490

01:37:00,950 --> 01:36:59,199

appreciate your kindness your generosity

2491

01:37:04,470 --> 01:37:00,960

and your support of the show

2492

01:37:07,030 --> 01:37:04,480

uh we always uh appreciate all and by

2493

01:37:09,750 --> 01:37:07,040

the way we read and thank every single

2494

01:37:10,550 --> 01:37:09,760

super chat and that reminds me i have

2495

01:37:12,390 --> 01:37:10,560

some

2496

01:37:14,149 --> 01:37:12,400

additional business to take care of

2497

01:37:17,910 --> 01:37:14,159

tonight

2498

01:37:19,510 --> 01:37:17,920

and offer some apologies

2499

01:37:21,350 --> 01:37:19,520

it would be an understatement to say

2500

01:37:23,270 --> 01:37:21,360

that it has been a hectic few weeks for

2501

01:37:25,830 --> 01:37:23,280

me coming back to the show

2502

01:37:28,070 --> 01:37:25,840

um i was behind in many things that had

2503

01:37:30,870 --> 01:37:28,080

to happen in order to

2504

01:37:33,590 --> 01:37:30,880

you know return to working

2505

01:37:37,350 --> 01:37:33,600

on a regular basis but anyway

2506

01:37:38,229 --> 01:37:37,360

we did the roswell's 75th anniversary uh

2507

01:37:41,910 --> 01:37:38,239

show

2508

01:37:44,470 --> 01:37:41,920

and then uh i said that during that

2509

01:37:46,629 --> 01:37:44,480

roswell 75th anniversary show you know

2510

01:37:49,430 --> 01:37:46,639

it wasn't live this was pre-recorded so

2511

01:37:50,709 --> 01:37:49,440

i could not uh read the super chats i

2512

01:37:53,189 --> 01:37:50,719

said we were going to do it on the very

2513

01:37:54,790 --> 01:37:53,199

next show and then i didn't so my

2514

01:37:56,629 --> 01:37:54,800

apologies to all you kind of generous

2515

01:37:57,590 --> 01:37:56,639

benefactors here's what we're going to

2516

01:38:01,350 --> 01:37:57,600

do

2517

01:38:04,790 --> 01:38:01,360

uh we are going to

2518

01:38:08,950 --> 01:38:06,149

super chats

2519

01:38:10,870 --> 01:38:08,960

uh related to the roswell's 75th

2520

01:38:13,669 --> 01:38:10,880

anniversary just hold on one second let

2521

01:38:15,910 --> 01:38:13,679

me share my screen you guys are all very

2522

01:38:18,950 --> 01:38:15,920

important and i apologize for not

2523

01:38:20,070 --> 01:38:18,960

recognizing you and thanking you

2524

01:38:20,870 --> 01:38:20,080

sooner

2525

01:38:24,229 --> 01:38:20,880

so

2526

01:38:27,350 --> 01:38:24,239

if my eyeballs are okay i will be able

2527

01:38:30,390 --> 01:38:29,030

i do also

2528

01:38:34,950 --> 01:38:30,400

uh want to mention

2529

01:38:39,750 --> 01:38:37,590

i would say a better computer system

2530

01:38:41,990 --> 01:38:39,760

going here now for running the show i'm

2531

01:38:43,750 --> 01:38:42,000

running on linux once again linux mint

2532

01:38:46,070 --> 01:38:43,760

specifically for those that have asked

2533

01:38:48,310 --> 01:38:46,080

everything is running smoothly uh to the

2534

01:38:50,629 --> 01:38:48,320

best of my knowledge so far so we have

2535

01:38:52,870 --> 01:38:50,639

patrick sheila the kind of generous 999

2536

01:38:56,629 --> 01:38:52,880

super chat was our first super chatter

2537

01:38:58,070 --> 01:38:56,639

for roswell part one we have will carr

2538

01:38:59,590 --> 01:38:58,080

i'm kind of generous two dollars

2539

01:39:02,310 --> 01:38:59,600

canadian says

2540

01:39:04,870 --> 01:39:02,320

uh summer is back baby patrick sheila

2541

01:39:11,189 --> 01:39:04,880

the kind of genius 49.99 and by the way

2542

01:39:15,189 --> 01:39:13,350

that i have addre heard from i need your

2543

01:39:17,030 --> 01:39:15,199

address if you don't mind in order to

2544

01:39:18,310 --> 01:39:17,040

send you your free gift the roswell

2545

01:39:21,270 --> 01:39:18,320

wreckage

2546

01:39:23,270 --> 01:39:21,280

uh replicas and uh some other goodies

2547

01:39:26,229 --> 01:39:23,280

we'll be sending out to you

2548

01:39:28,870 --> 01:39:26,239

kind pleasures ufo john doe digging the

2549

01:39:31,590 --> 01:39:28,880

fun storytelling and again ufo gentile

2550

01:39:34,629 --> 01:39:31,600

was the mvp of the roswell thing and

2551

01:39:37,430 --> 01:39:34,639

probably every night here

2552

01:39:39,510 --> 01:39:37,440

uh 1.99 digging the fun storytelling

2553

01:39:42,149 --> 01:39:39,520

then a dollar ninety-nine tom carry is a

2554

01:39:43,830 --> 01:39:42,159

passionate storyteller and another 1.99

2555

01:39:46,629 --> 01:39:43,840

good stuff stephen looking forward to

2556

01:39:48,550 --> 01:39:46,639

the rest he was here for most of that

2557

01:39:51,270 --> 01:39:48,560

what was it um

2558

01:39:53,189 --> 01:39:51,280

it was 20 hours and ufo john doe was in

2559

01:39:55,189 --> 01:39:53,199

the live chat for most of it i believe

2560

01:39:56,870 --> 01:39:55,199

area 503

2561

01:39:58,790 --> 01:39:56,880

kind of generous five dollars says thank

2562

01:40:00,790 --> 01:39:58,800

you for the dedication bro

2563

01:40:02,310 --> 01:40:00,800

sky is not the limit kind and generous

2564

01:40:05,270 --> 01:40:02,320

two dollars says have you looked into

2565

01:40:08,070 --> 01:40:05,280

edward fruchet's credentials and uh yes

2566

01:40:09,830 --> 01:40:08,080

i did and for edgar

2567

01:40:12,629 --> 01:40:09,840

never told a lie about his background

2568

01:40:14,790 --> 01:40:12,639

and all of his bonus fightes all of his

2569

01:40:17,030 --> 01:40:14,800

claims about where he worked and who he

2570

01:40:19,830 --> 01:40:17,040

worked for all check out

2571

01:40:22,229 --> 01:40:19,840

sky's not the limit ufo john doe popcorn

2572

01:40:24,709 --> 01:40:22,239

super sticker 99 cents and again with

2573

01:40:26,709 --> 01:40:24,719

4.99 great eight plus hours of roswell

2574

01:40:28,390 --> 01:40:26,719

stories and insight nice job stephen and

2575

01:40:30,950 --> 01:40:28,400

sixth sense

2576

01:40:32,310 --> 01:40:30,960

and again with the kind of genus 49.99

2577

01:40:35,030 --> 01:40:32,320

stephen you knocked it out of the park

2578

01:40:37,270 --> 01:40:35,040

with this marathon bravo so i guess ufo

2579

01:40:40,709 --> 01:40:37,280

john doe you could say he was our

2580

01:40:43,910 --> 01:40:40,719

biggest fan for this uh ufo john doe

2581

01:40:47,030 --> 01:40:43,920

roswell marathon intense 14 to 15 hours

2582

01:40:49,430 --> 01:40:47,040

nice job in putting this all together so

2583

01:40:51,669 --> 01:40:49,440

those are our uh kind and generous

2584

01:40:53,990 --> 01:40:51,679

benefactors for the roswell 75th

2585

01:40:55,669 --> 01:40:54,000

anniversary special event we want to

2586

01:40:57,910 --> 01:40:55,679

thank all of you for your kindness

2587

01:41:00,310 --> 01:40:57,920

generosity and support as well as those

2588

01:41:03,109 --> 01:41:00,320

tonight as well as our kind of generous

2589

01:41:05,910 --> 01:41:03,119

patreon people and um

2590

01:41:07,350 --> 01:41:05,920

and our kind and generous channel

2591

01:41:09,109 --> 01:41:07,360

members

2592

01:41:11,430 --> 01:41:09,119

you may notice there's uh something

2593

01:41:13,189 --> 01:41:11,440

called a join button now on our channel

2594

01:41:15,350 --> 01:41:13,199

so for five dollars a month you get some

2595

01:41:19,669 --> 01:41:15,360

added youtube benefits and a member

2596

01:41:21,350 --> 01:41:19,679

badge and priority responses and replies

2597

01:41:23,910 --> 01:41:21,360

to the videos

2598

01:41:26,790 --> 01:41:23,920

these are youtube extra benefits for our

2599

01:41:28,950 --> 01:41:26,800

members and you also as a member you get

2600

01:41:30,870 --> 01:41:28,960

all of the patreon benefits i post those

2601  
01:41:33,430 --> 01:41:30,880  
to the members only section here every

2602  
01:41:34,790 --> 01:41:33,440  
month and for patreon it's as little as

2603  
01:41:37,510 --> 01:41:34,800  
a dollar a month

2604  
01:41:39,669 --> 01:41:37,520  
and you get some extra goodies and a

2605  
01:41:41,830 --> 01:41:39,679  
monthly show journal behind the scenes

2606  
01:41:44,229 --> 01:41:41,840  
look at the show and more

2607  
01:41:46,550 --> 01:41:44,239  
and uh we love our patreon people and

2608  
01:41:48,870 --> 01:41:46,560  
our members because i know from that i

2609  
01:41:49,990 --> 01:41:48,880  
have x number of dollars to pay to show

2610  
01:41:52,310 --> 01:41:50,000  
bills and

2611  
01:41:54,470 --> 01:41:52,320  
keep us rolling on here keeping the

2612  
01:41:55,830 --> 01:41:54,480  
lights on we appreciate each and every

2613  
01:41:57,510 --> 01:41:55,840

one of you and i would thank you all for

2614

01:42:00,070 --> 01:41:57,520

your kindness generosity and your

2615

01:42:01,510 --> 01:42:00,080

support

2616

01:42:03,590 --> 01:42:01,520

ludacris says i don't believe there's

2617

01:42:05,109 --> 01:42:03,600

any podcaster in this topic as

2618

01:42:07,030 --> 01:42:05,119

appreciative for all his viewers and

2619

01:42:09,350 --> 01:42:07,040

fans of steve one reason i love the show

2620

01:42:11,189 --> 01:42:09,360

so much humbleness and honesty hey thank

2621

01:42:12,709 --> 01:42:11,199

you lord ludacris and remember i've been

2622

01:42:15,750 --> 01:42:12,719

saying that you've got to stay hungry

2623

01:42:17,430 --> 01:42:15,760

and humble i think that every day every

2624

01:42:20,550 --> 01:42:17,440

day i think i got to stay hungry and

2625

01:42:22,470 --> 01:42:20,560

humble i wouldn't be here if not for the

2626

01:42:24,470 --> 01:42:22,480

all the generous people here lord

2627

01:42:26,550 --> 01:42:24,480

ludacris i would not be here

2628

01:42:29,350 --> 01:42:26,560

you know where i'd be i'd probably be a

2629

01:42:31,430 --> 01:42:29,360

taco bell making tacos or at mcdonald's

2630

01:42:33,910 --> 01:42:31,440

flipping burgers because

2631

01:42:35,270 --> 01:42:33,920

i have a very because i for those that

2632

01:42:36,790 --> 01:42:35,280

don't know i

2633

01:42:38,950 --> 01:42:36,800

take care of my

2634

01:42:41,430 --> 01:42:38,960

nonverbal autistic son which is a

2635

01:42:43,350 --> 01:42:41,440

full-time job really ask anybody who has

2636

01:42:44,390 --> 01:42:43,360

a non-verbal autistic

2637

01:42:46,149 --> 01:42:44,400

child

2638

01:42:47,750 --> 01:42:46,159

it's very difficult

2639

01:42:49,510 --> 01:42:47,760

and uh you know my wife works a

2640

01:42:50,870 --> 01:42:49,520

corporate day job so that only leaves

2641

01:42:53,430 --> 01:42:50,880

nights for me

2642

01:42:57,669 --> 01:42:53,440

and it's very limited as far as

2643

01:42:59,830 --> 01:42:57,679

job opportunities but i decided you know

2644

01:43:02,470 --> 01:42:59,840

to do this and dedicate a lot more time

2645

01:43:04,709 --> 01:43:02,480

to it and you know it's it's like i said

2646

01:43:06,629 --> 01:43:04,719

if you take this garden and you water it

2647

01:43:08,229 --> 01:43:06,639

the garden will grow i came here every

2648

01:43:10,790 --> 01:43:08,239

day and watered this garden for two

2649

01:43:14,229 --> 01:43:10,800

years and it's slowly turning into

2650

01:43:15,990 --> 01:43:14,239

uh a job which is bizarro for me because

2651

01:43:18,709 --> 01:43:16,000

i never would have thought

2652

01:43:22,550 --> 01:43:18,719

show host or online show host would be

2653

01:43:25,030 --> 01:43:22,560

in the cards for me as a job opportunity

2654

01:43:26,790 --> 01:43:25,040

there you go ufo john doe just became a

2655

01:43:28,470 --> 01:43:26,800

youtube member thank you for your

2656

01:43:32,149 --> 01:43:28,480

kindness your generosity and your

2657

01:43:34,470 --> 01:43:32,159

support he knows that uh you know i'm

2658

01:43:36,550 --> 01:43:34,480

this isn't a plea for money this is a

2659

01:43:39,030 --> 01:43:36,560

plea for partnership so i can continue

2660

01:43:45,270 --> 01:43:39,040

in the work that needs to be done ufo

2661

01:43:48,870 --> 01:43:47,109

here's what i want you to do if the lord

2662

01:43:50,550 --> 01:43:48,880

is speaking to you

2663

01:43:53,510 --> 01:43:50,560

let's just bring some baskets down just

2664

01:43:55,669 --> 01:43:53,520

leave them there i'm not finished

2665

01:43:57,430 --> 01:43:55,679

i got one more point to make this is

2666

01:43:58,470 --> 01:43:57,440

what i want you to do thank you miss

2667

01:44:00,070 --> 01:43:58,480

marguerite

2668

01:44:01,990 --> 01:44:00,080

i brought her because i want you to

2669

01:44:03,430 --> 01:44:02,000

understand that the work

2670

01:44:05,430 --> 01:44:03,440

must continue

2671

01:44:07,830 --> 01:44:05,440

this is not a plea for money it's a plea

2672

01:44:09,170 --> 01:44:07,840

for partnership so that we can be what

2673

01:44:10,870 --> 01:44:09,180

we're supposed to be

2674

01:44:13,030 --> 01:44:10,880

[Music]

2675

01:44:16,390 --> 01:44:13,040

[Applause]

2676

01:44:18,550 --> 01:44:16,400

i just need 497 people

2677

01:44:19,669 --> 01:44:18,560

to say

2678

01:44:28,550 --> 01:44:19,679

i'll do it

2679

01:44:31,510 --> 01:44:30,870

thank you ufo john doe much appreciate

2680

01:44:33,990 --> 01:44:31,520

it

2681

01:44:36,950 --> 01:44:34,000

and i got a i got a special package for

2682

01:44:40,629 --> 01:44:36,960

ufo john doe as well as wild ascension

2683

01:44:43,030 --> 01:44:40,639

uh mothership podcast and a few others

2684

01:44:44,149 --> 01:44:43,040

uh who heard the call and made a pledge

2685

01:44:46,470 --> 01:44:44,159

of more than

2686

01:44:48,550 --> 01:44:46,480

i think it was it was 30 bucks to get

2687

01:44:49,830 --> 01:44:48,560

the special free goodies that we'll be

2688

01:44:51,990 --> 01:44:49,840

sending out so thank you for your

2689

01:44:53,910 --> 01:44:52,000

kindness your generosity and support

2690

01:44:55,910 --> 01:44:53,920

much much appreciated

2691

01:44:57,270 --> 01:44:55,920

so uh i was saying i don't know what's

2692

01:44:59,109 --> 01:44:57,280

going on for the rest of the week i'm

2693

01:45:01,510 --> 01:44:59,119

waiting for some people to

2694

01:45:03,109 --> 01:45:01,520

confirm or reschedule

2695

01:45:05,030 --> 01:45:03,119

otherwise i got a

2696

01:45:07,830 --> 01:45:05,040

some a few interesting stories that i

2697

01:45:10,229 --> 01:45:07,840

might i've been working on for a while

2698

01:45:12,470 --> 01:45:10,239

i may uh

2699

01:45:13,910 --> 01:45:12,480

just let them fly you know they're one

2700

01:45:15,750 --> 01:45:13,920

of the weird things when you're

2701

01:45:18,629 --> 01:45:15,760

researching the story is i'm a little

2702

01:45:21,189 --> 01:45:18,639

obsessive but then i realize

2703

01:45:22,950 --> 01:45:21,199

i can just keep going forever

2704

01:45:25,189 --> 01:45:22,960

you know and at some point you have to

2705

01:45:26,790 --> 01:45:25,199

say i'm gonna go and and share this

2706

01:45:29,109 --> 01:45:26,800

story with my audience so i'm reaching

2707

01:45:30,790 --> 01:45:29,119

that point with some i'm gonna try to

2708

01:45:31,910 --> 01:45:30,800

wrap some of them up tonight and see

2709

01:45:33,830 --> 01:45:31,920

what i do

2710

01:45:35,750 --> 01:45:33,840

t is here and says you do this separate

2711

01:45:37,510 --> 01:45:35,760

the noise and get factual information

2712

01:45:39,270 --> 01:45:37,520

thank you we appreciate you we

2713

01:45:41,030 --> 01:45:39,280

appreciate that

2714

01:45:42,709 --> 01:45:41,040

it says for sure we love the show i love

2715

01:45:44,149 --> 01:45:42,719

ufology but the fakers don't help with

2716

01:45:46,070 --> 01:45:44,159

sifting through so much noise and

2717

01:45:49,669 --> 01:45:46,080

identifying facts

2718

01:45:51,189 --> 01:45:49,679

i agree that success thanking ufo john

2719

01:45:53,669 --> 01:45:51,199

doe we also want to remind you that we

2720

01:45:55,669 --> 01:45:53,679

have a discord server so you can go

2721

01:45:58,709 --> 01:45:55,679

there and chat with like-minded people

2722

01:46:00,550 --> 01:45:58,719

uh i think we're going to start a weekly

2723

01:46:02,950 --> 01:46:00,560

voice chat or

2724

01:46:04,390 --> 01:46:02,960

you know in the uh discord if you're

2725

01:46:06,790 --> 01:46:04,400

interested in doing that let me know in

2726

01:46:09,109 --> 01:46:06,800

the comments we'll get that together i

2727

01:46:10,709 --> 01:46:09,119

know that there's enough people in there

2728

01:46:12,470 --> 01:46:10,719

usually that we could do a voice chat

2729

01:46:15,750 --> 01:46:12,480

some night and that might be

2730

01:46:18,229 --> 01:46:15,760

a fun thing to do

2731

01:46:20,149 --> 01:46:18,239

the discord is interesting you can talk

2732

01:46:22,470 --> 01:46:20,159

to like-minded people interested in

2733

01:46:24,950 --> 01:46:22,480

similar topics it's a great group over

2734

01:46:27,189 --> 01:46:24,960

there i'm in there every day so that's

2735

01:46:30,310 --> 01:46:27,199

um another way if you want to contact me

2736

01:46:32,070 --> 01:46:30,320

or communicate with me otherwise

2737

01:46:34,790 --> 01:46:32,080

people know i'm very accessible

2738

01:46:37,189 --> 01:46:34,800

accessible excuse me you can follow me

2739

01:46:39,910 --> 01:46:37,199

at stevencambian on twitter or on

2740

01:46:42,229 --> 01:46:39,920

facebook if i keep deleting people

2741

01:46:44,149 --> 01:46:42,239

because facebook lets me have 5 000 but

2742

01:46:45,669 --> 01:46:44,159

there is a truth seekers

2743

01:46:48,390 --> 01:46:45,679

facebook page

2744

01:46:49,750 --> 01:46:48,400

communicate me through you can

2745

01:46:52,310 --> 01:46:49,760

communicate with me through either

2746

01:46:56,149 --> 01:46:52,320

twitter facebook or

2747

01:46:57,910 --> 01:46:56,159

facebook messenger on the truth seekers

2748

01:47:01,030 --> 01:46:57,920

facebook page as well

2749

01:47:04,550 --> 01:47:01,040

as well as patreon as well as here uh in

2750

01:47:07,270 --> 01:47:04,560

the comments i try to reply to people

2751

01:47:09,750 --> 01:47:07,280

good to see you frenchie

2752

01:47:11,430 --> 01:47:09,760

also known as plan d

2753

01:47:15,030 --> 01:47:11,440

nice to see you here actually he's

2754

01:47:17,590 --> 01:47:15,040

french canadian i believe right uh not

2755

01:47:20,830 --> 01:47:17,600

actually french but he speaks french and

2756

01:47:24,229 --> 01:47:20,840

it freaks me out sometime

2757

01:47:26,390 --> 01:47:24,239

right oh melisa is here says hi stephen

2758

01:47:29,669 --> 01:47:26,400

just punch somebody say

2759

01:47:33,350 --> 01:47:29,679

say hi also go to hell

2760

01:47:36,229 --> 01:47:33,360

okay uh apparently i have pissed off the

2761

01:47:37,750 --> 01:47:36,239

one and only melissa somehow right i

2762

01:47:39,270 --> 01:47:37,760

don't know what i did or she's just

2763

01:47:42,390 --> 01:47:39,280

busting my balls because she knows i'm

2764

01:47:43,830 --> 01:47:42,400

big on busting balls

2765

01:47:49,030 --> 01:47:43,840

yeah

2766

01:47:51,189 --> 01:47:49,040

call it a night here

2767

01:47:52,790 --> 01:47:51,199

um unfortunately it's been a very long

2768

01:47:54,950 --> 01:47:52,800

day because i don't usually wake up

2769

01:47:57,109 --> 01:47:54,960

early at all but today i woke up

2770

01:47:58,149 --> 01:47:57,119

pretty early for me to do an early

2771

01:48:01,109 --> 01:47:58,159

interview

2772

01:48:02,629 --> 01:48:01,119

you had to reschedule that so uh

2773

01:48:05,590 --> 01:48:02,639

yeah i

2774

01:48:08,149 --> 01:48:05,600

feel like i had a very long day and uh

2775

01:48:10,229 --> 01:48:08,159

i went shopping which is not something i

2776

01:48:13,590 --> 01:48:10,239

generally do but i went shopping with my

2777

01:48:16,310 --> 01:48:13,600

younger son my older son zachary the

2778

01:48:18,149 --> 01:48:16,320

autistic one is in a summer program so

2779

01:48:19,270 --> 01:48:18,159

i went and ran some errands and went

2780

01:48:22,310 --> 01:48:19,280

shopping

2781

01:48:24,470 --> 01:48:22,320

with my younger son and a pretty good

2782

01:48:27,109 --> 01:48:24,480

day all in all great day

2783

01:48:30,229 --> 01:48:27,119

and uh i put some pictures we had an

2784

01:48:33,189 --> 01:48:30,239

amazing weekend at the cabin i gotta say

2785

01:48:35,750 --> 01:48:33,199

i am totally glad that i built that

2786

01:48:37,270 --> 01:48:35,760

place and this last weekend i don't know

2787

01:48:39,350 --> 01:48:37,280

there's something that i'm sitting there

2788

01:48:41,510 --> 01:48:39,360

on this beautiful lake in the middle of

2789

01:48:42,790 --> 01:48:41,520

a beautiful forest

2790

01:48:44,870 --> 01:48:42,800

and uh

2791

01:48:46,870 --> 01:48:44,880

there's beautiful clouds above me it

2792

01:48:48,790 --> 01:48:46,880

looks like somebody painted the sky it

2793

01:48:51,669 --> 01:48:48,800

was that beautiful

2794

01:48:53,830 --> 01:48:51,679

and i thought how fortunate am i how

2795

01:48:56,709 --> 01:48:53,840

blessed am i that i get to come here and

2796

01:48:58,790 --> 01:48:56,719

soak in all this beautiful nature

2797

01:49:01,430 --> 01:48:58,800

and share it with my children and my

2798

01:49:02,629 --> 01:49:01,440

wife my kids have been having a ball at

2799

01:49:04,629 --> 01:49:02,639

this lake

2800

01:49:06,310 --> 01:49:04,639

uh they're both big into swimming then

2801  
01:49:07,750 --> 01:49:06,320  
you know they would stay in for 10 hours

2802  
01:49:10,149 --> 01:49:07,760  
if you let them

2803  
01:49:11,750 --> 01:49:10,159  
and i also went fishing with my younger

2804  
01:49:13,830 --> 01:49:11,760  
son i'm trying to teach him how to fish

2805  
01:49:15,750 --> 01:49:13,840  
so far no luck and it's very frustrating

2806  
01:49:18,149 --> 01:49:15,760  
because he wants to get his first fish

2807  
01:49:20,790 --> 01:49:18,159  
he wants to catch his first fish and i

2808  
01:49:22,310 --> 01:49:20,800  
am trying my best you know but we've got

2809  
01:49:25,109 --> 01:49:22,320  
to try better bait

2810  
01:49:27,750 --> 01:49:25,119  
and a better lake maybe no luck so far

2811  
01:49:29,750 --> 01:49:27,760  
for him but we'll try again next weekend

2812  
01:49:32,149 --> 01:49:29,760  
um it also sucks because there was a

2813  
01:49:33,990 --> 01:49:32,159

fishing pond near the cabin but the

2814

01:49:36,709 --> 01:49:34,000

winter was so terrible there that the

2815

01:49:38,709 --> 01:49:36,719

fish all frozen died there's like no

2816

01:49:40,629 --> 01:49:38,719

fish left in the fishing pond they've

2817

01:49:42,870 --> 01:49:40,639

restocked it but it's going to take some

2818

01:49:44,310 --> 01:49:42,880

time because they put babies in so

2819

01:49:46,390 --> 01:49:44,320

maybe next year

2820

01:49:48,550 --> 01:49:46,400

the fishing pond at the cabin will work

2821

01:49:51,750 --> 01:49:48,560

again in the meantime we're going to the

2822

01:49:54,310 --> 01:49:51,760

state parks and uh

2823

01:49:58,790 --> 01:49:54,320

you know doing our best there you know

2824

01:50:05,109 --> 01:49:58,800

to try to uh get xavier uh a fish to

2825

01:50:08,790 --> 01:50:06,390

you don't have to worry about watching

2826

01:50:10,870 --> 01:50:08,800

what you say like on youtube yeah

2827

01:50:12,310 --> 01:50:10,880

wiggly discord panel yeah absolutely

2828

01:50:15,109 --> 01:50:12,320

we're going to call it true seekers on

2829

01:50:16,870 --> 01:50:15,119

ensor join our join our discord join

2830

01:50:18,790 --> 01:50:16,880

our discord and

2831

01:50:21,189 --> 01:50:18,800

i can talk about anything there and

2832

01:50:22,229 --> 01:50:21,199

nobody can stop me

2833

01:50:24,390 --> 01:50:22,239

here

2834

01:50:26,709 --> 01:50:24,400

we talk about most things i generally

2835

01:50:29,510 --> 01:50:26,719

don't we don't talk about the 17th

2836

01:50:30,790 --> 01:50:29,520

letter of the alphabet and uh we don't

2837

01:50:33,990 --> 01:50:30,800

talk about

2838

01:50:35,990 --> 01:50:34,000

2838  
censorship on different platforms

2839

01:50:38,229 --> 01:50:36,000

believe it or not just pointing out the

2840

01:50:40,390 --> 01:50:38,239

censorship on different platforms can

2841

01:50:42,310 --> 01:50:40,400

get you in in hot water

2842

01:50:44,390 --> 01:50:42,320

uh and we don't talk about medical

2843

01:50:47,030 --> 01:50:44,400

things first because i'm not a doctor

2844

01:50:49,189 --> 01:50:47,040

and second because um many platforms

2845

01:50:50,950 --> 01:50:49,199

don't like people discussing medical

2846

01:50:53,189 --> 01:50:50,960

things and i have to say on that i

2847

01:50:54,070 --> 01:50:53,199

somewhat agree because sometimes you get

2848

01:50:56,070 --> 01:50:54,080

some

2849

01:50:58,310 --> 01:50:56,080

person with zero medical training making

2850

01:51:00,550 --> 01:50:58,320

all kinds of claims uh

2851  
01:51:03,430 --> 01:51:00,560  
that's what we avoid the hot button

2852  
01:51:05,189 --> 01:51:03,440  
stuff um 17th letter of the alphabet

2853  
01:51:07,589 --> 01:51:05,199  
that one i heard is calming down but who

2854  
01:51:10,550 --> 01:51:07,599  
knows um

2855  
01:51:12,070 --> 01:51:10,560  
but we'll be able in the in the discord

2856  
01:51:13,189 --> 01:51:12,080  
voice chat to

2857  
01:51:15,350 --> 01:51:13,199  
have

2858  
01:51:19,270 --> 01:51:15,360  
absolutely open free

2859  
01:51:21,750 --> 01:51:19,280  
conversations with someone for i am

2860  
01:51:25,030 --> 01:51:21,760  
i am all about free speech

2861  
01:51:27,430 --> 01:51:25,040  
he says sounds amazing b baker uh

2862  
01:51:29,350 --> 01:51:27,440  
kindly sharing our discord

2863  
01:51:31,589 --> 01:51:29,360

i'll be over there later tonight i've

2864

01:51:33,189 --> 01:51:31,599

got some uh computer i

2865

01:51:35,589 --> 01:51:33,199

kind of work to do but i'll be in the

2866

01:51:38,550 --> 01:51:35,599

discord monitoring that

2867

01:51:41,910 --> 01:51:38,560

and paying attention for those unaware

2868

01:51:46,310 --> 01:51:41,920

uh spooky just added a uh a wonderful

2869

01:51:48,709 --> 01:51:46,320

section on the hunter biden

2870

01:51:52,070 --> 01:51:48,719

let's just say the bite and stuff

2871

01:51:55,990 --> 01:51:52,080

um and it's it's fun

2872

01:51:57,510 --> 01:51:56,000

if you're interested in what was on yeah

2873

01:51:59,109 --> 01:51:57,520

it's great

2874

01:52:01,510 --> 01:51:59,119

uh and that's all i could really say

2875

01:52:05,270 --> 01:52:01,520

about that uh but i could say more in

2876

01:52:07,510 --> 01:52:05,280

the in the discord voice chat

2877

01:52:09,830 --> 01:52:07,520

bernie a conkin is there holding down

2878

01:52:12,149 --> 01:52:09,840

he's probably the there's he's probably

2879

01:52:13,750 --> 01:52:12,159

the one person who is watching on

2880

01:52:17,030 --> 01:52:13,760

facebook

2881

01:52:19,430 --> 01:52:17,040

uh our alchemist friend

2882

01:52:23,669 --> 01:52:21,109

thank you for being there though we

2883

01:52:25,189 --> 01:52:23,679

appreciate you there all of our viewers

2884

01:52:28,870 --> 01:52:25,199

including those

2885

01:52:32,390 --> 01:52:28,880

watching on uh twitter right now live

2886

01:52:33,750 --> 01:52:32,400

and on facebook right now live

2887

01:52:36,310 --> 01:52:33,760

i uh

2888

01:52:38,310 --> 01:52:36,320

i guess i should also uh mention again

2889

01:52:40,629 --> 01:52:38,320

that we're working on new distribution

2890

01:52:43,030 --> 01:52:40,639

points and i'll have a big announcement

2891

01:52:44,790 --> 01:52:43,040

uh soon i just don't want to jinx it

2892

01:52:46,550 --> 01:52:44,800

before everything is set in place and

2893

01:52:48,629 --> 01:52:46,560

working and you know

2894

01:52:51,270 --> 01:52:48,639

uh but it looks like we're going to be

2895

01:52:53,510 --> 01:52:51,280

growing again and i can't tell you how

2896

01:52:56,470 --> 01:52:53,520

happy i am about that that

2897

01:52:57,589 --> 01:52:56,480

puts us you see it puts a smile on my

2898

01:52:59,910 --> 01:52:57,599

face

2899

01:53:02,470 --> 01:52:59,920

uh because some new distribution points

2900

01:53:04,870 --> 01:53:02,480

will soon be open for our show here and

2901  
01:53:06,950 --> 01:53:04,880  
that should really increase viewership

2902  
01:53:09,830 --> 01:53:06,960  
a great great deal

2903  
01:53:11,589 --> 01:53:09,840  
uh i'll have more about that later so

2904  
01:53:13,750 --> 01:53:11,599  
what else can i say friends it's been a

2905  
01:53:14,629 --> 01:53:13,760  
long day i'm going to bounce on out of

2906  
01:53:16,470 --> 01:53:14,639  
here

2907  
01:53:17,669 --> 01:53:16,480  
i want to thank our guest will ellis

2908  
01:53:18,950 --> 01:53:17,679  
tonight i want to thank each and every

2909  
01:53:21,030 --> 01:53:18,960  
one of you for joining us i want to

2910  
01:53:23,990 --> 01:53:21,040  
thank our kind and generous benefactors

2911  
01:53:26,870 --> 01:53:24,000  
all over the world who help us continue

2912  
01:53:29,510 --> 01:53:26,880  
in this great journey that's all i got

2913  
01:53:33,109 --> 01:53:29,520

for you friends uh but we'll be back

2914

01:53:34,629 --> 01:53:33,119

uh with new stories and new mysteries

2915

01:53:37,109 --> 01:53:34,639

until next time friends my name is

2916

01:53:45,910 --> 01:53:37,119

stephen cambion good night and god bless

2917

01:53:45,920 --> 01:53:51,260

so

2918

01:53:51,270 --> 01:53:59,910

[Music]

2919

01:53:59,920 --> 01:54:07,380

so

2920

01:54:57,320 --> 01:54:55,830

[Music]

2921

01:55:00,320 --> 01:54:57,330

so

2922

01:55:01,680 --> 01:55:00,330

[Music]

2923

01:55:43,669 --> 01:55:01,690

[Applause]

2924

01:55:43,679 --> 01:55:46,740

uh
