Dear Mr Easton,

Thank you for your letters of 24 August and 15 September which enclosed . You asked various questions about the role of Mr Pope when he worked in Sec(AS)2.

Mr Pope was employed as an Executive Officer in Secretariat (Air Staff) 2. His post was designated Sec(AS)2a. The main duties of the post concern non-operational RAF activities overseas and diplomatic clearance policy for military flights abroad. A small percentage of time is spent dealing with reports from the public about alleged 'UFO' sightings and associated public correspondence. The Ministry of Defence has not investigated a case of alien abduction, crop circle formations or animal mutilation.

Yours sincerely,

Doc Ref 24/2092

BACKGROUND NOTE

Norman Baker MP is the Liberal Democrat MP for Lewes Constituency, the Liberal Democrat Shadow Environment and Rural Affairs Secretary to the MOD about Unidentified Flying Objects before.

It is most likely that Mr Baker has asked this Question, having the Daily Mail, the Metro and on various internet websites in Civil Servant, has been widely quoted on the topic of the Mr

The MoD has never operated anything described as "the World War 2 era, when there was a rise in the number a working party was set up at the instigation of Sir He was anything credible in such reports. The working party further investigation of reported mysterious aerial phenomena material evidence becomes available". In other of the existence of UFOs to warrant any further office public continued to report such sightings, and it was branch responsible for Air Force issues, solely with reports might indicate some threat to UK air defence with approximately 100 reports being received etc

Mr Pope at one time served as an EO (Band D) in the Civilian element within DAS). Mr Pope left DAS (Def Sec) and his knowledge of this issue, other than be regarded as dated. Mr Pope elected to describe his UFO Project", a term entirely of his own invention information he gathered (frequently by going beyond the develop a parallel career as a journalist on the topic purportedly non-fiction. Mr Pope constantly pursued media, solicited and unsolicited, as an "expert" the work carried on in the branch concerned) and having "forced" MoD to reveal its "secret" files truth, as we had begun publishing details of the scheme, prior to the advent of the Freedom of Information Act nevertheless resulted in the generation of correspondence employed in responding to queries on this

[Music]

2
00:00:22,070 --> 00:00:19,020

[Applause]

3
00:00:24,590 --> 00:00:22,080

I believe in my opinion they're in on it

4
00:00:28,189 --> 00:00:24,600

they're in on the con friends and they

5
00:00:30,410 --> 00:00:28,199

don't care because these Liars who lie

6
00:00:31,550 --> 00:00:30,420

about their background like Lou Elizondo

7
00:00:34,310 --> 00:00:31,560

or

8
00:00:36,889 --> 00:00:34,320

any of these guys including Nick Pope

9
00:00:38,150 --> 00:00:36,899

they put books in the seats at UFO

10
00:00:40,490 --> 00:00:38,160

conferences

11
00:00:43,670 --> 00:00:40,500

based on their lying

12
00:00:46,310 --> 00:00:43,680

fake backgrounds their backgrounds are a

13
00:00:48,590 --> 00:00:46,320

lie so there's my piece on Nick Pope and

14

00:00:50,810 --> 00:00:48,600

I I do have to say that I'm extremely

15

00:00:53,389 --> 00:00:50,820

and I'm I'm saying this

16

00:00:54,770 --> 00:00:53,399

publicly because I would say it to his

17

00:00:59,389 --> 00:00:54,780

face as well

18

00:01:03,290 --> 00:00:59,399

I am extremely extremely extremely

19

00:01:05,149 --> 00:01:03,300

uh uh disappointed by

20

00:01:12,109 --> 00:01:05,159

Stephen Green Street

21

00:01:14,510 --> 00:01:12,119

amazing work proving Lou Elizondo is a

22

00:01:17,090 --> 00:01:14,520

liar there are other outstanding

23

00:01:20,810 --> 00:01:17,100

questions confusing statements and

24

00:01:23,690 --> 00:01:20,820

blatant errors but despite all this the

25

00:01:26,450 --> 00:01:23,700

story mostly As originally reported over

26

00:01:29,230 --> 00:01:26,460

four years ago mostly without any

27

00:01:32,990 --> 00:01:29,240

corrections or updates or disclaimers

28

00:01:36,590 --> 00:01:33,000

continues to spread like wildfire and

29

00:01:38,330 --> 00:01:36,600

has become legendary and never did any

30

00:01:40,850 --> 00:01:38,340

of the things that he claimed never ran

31

00:01:43,190 --> 00:01:40,860

a program the program didn't exist all

32

00:01:46,690 --> 00:01:43,200

that stuff Stephen Green Street did that

33

00:01:49,490 --> 00:01:46,700

mini documentary amazing amazing work

34

00:01:51,950 --> 00:01:49,500

revealing that a guy who claimed that he

35

00:01:52,870 --> 00:01:51,960

investigated UFOs for the United States

36

00:01:56,149 --> 00:01:52,880

government

37

00:01:58,190 --> 00:01:56,159

is probably full

38

00:02:00,469 --> 00:01:58,200

stuff

39

00:02:04,010 --> 00:02:00,479

Steven Greenstreet did that excellent

40

00:02:06,109 --> 00:02:04,020

work the ministry of Defense Insider is

41

00:02:09,830 --> 00:02:06,119

about to talk publicly about the secret

42

00:02:12,710 --> 00:02:09,840

world of UFO sightings Nick Pope spent

43

00:02:14,809 --> 00:02:12,720

four years as the mod's UFO washer his

44

00:02:17,150 --> 00:02:14,819

book about his experiences open Skies

45

00:02:18,770 --> 00:02:17,160

closed minds is published next month and

46

00:02:19,970 --> 00:02:18,780

I'll be speaking to Nick Pope in his

47

00:02:22,430 --> 00:02:19,980

first television interview in just a

48

00:02:26,750 --> 00:02:22,440

moment but then Stephen Green Street

49

00:02:30,229 --> 00:02:26,760

gives a pass to the British guy

50

00:02:32,690 --> 00:02:30,239

who is claiming very very similar things

51

00:02:34,309 --> 00:02:32,700

and is equally

52

00:02:38,089 --> 00:02:34,319

full of it

53

00:02:40,790 --> 00:02:38,099

so Stephen Green Street I would say

54

00:02:44,570 --> 00:02:40,800

come on man you can't go after Lou

55

00:02:48,050 --> 00:02:44,580

Elizondo and sit next to a a lying fraud

56

00:02:50,150 --> 00:02:48,060

in my opinion a lying fraud who claims

57

00:02:53,270 --> 00:02:50,160

that he ran a British government program

58

00:02:55,490 --> 00:02:53,280

when he did not he did not Stephen Green

59

00:02:57,949 --> 00:02:55,500

Street and maybe Steven Greenstreet

60

00:03:00,589 --> 00:02:57,959

you'd spent too much time digging for

61

00:03:02,690 --> 00:03:00,599

dirt on Lou Elizondo and not enough time

62

00:03:06,290 --> 00:03:02,700

digging for dirt on the guy that sits

63

00:03:08,869 --> 00:03:06,300

next to you claiming all kinds of stuff

64

00:03:11,210 --> 00:03:08,879

and by the way Stephen Green Street I'm

65

00:03:14,750 --> 00:03:11,220

not the only one I got 10. count them

66

00:03:16,550 --> 00:03:14,760

10. I got 10 messages from people

67

00:03:19,070 --> 00:03:16,560

when he announced

68

00:03:23,570 --> 00:03:19,080

that his next episode of the basement

69

00:03:25,430 --> 00:03:23,580

office would feature Nick Pope so I

70

00:03:27,490 --> 00:03:25,440

don't understand you Stephen Green

71

00:03:30,649 --> 00:03:27,500

Street great job

72

00:03:33,170 --> 00:03:30,659

exposing fraud and Liars

73

00:03:34,789 --> 00:03:33,180

but now you're gonna sit next to a fraud

74

00:03:37,070 --> 00:03:34,799

and a liar

75

00:03:39,589 --> 00:03:37,080

you and and I guess nobody's supposed to

76

00:03:41,750 --> 00:03:39,599

talk about that elephant in the room but

77

00:03:44,210 --> 00:03:41,760

talking about the elephant elephants in

78

00:03:46,670 --> 00:03:44,220

the room is kind of what we do here and

79

00:03:49,430 --> 00:03:46,680

I gotta say you know listen I have

80

00:03:52,309 --> 00:03:49,440

tremendous amount of respect for him

81

00:03:54,649 --> 00:03:52,319

and and maybe it would be enough to just

82

00:03:57,050 --> 00:03:54,659

say maybe Steven Greenstreet and I

83

00:04:01,190 --> 00:03:57,060

should just agree to disagree on Nick

84

00:04:04,130 --> 00:04:01,200

Pope because I know what it's like maybe

85

00:04:06,530 --> 00:04:04,140

just maybe Stephen Green Street

86

00:04:08,449 --> 00:04:06,540

has lost his objectivity you know you

87

00:04:09,770 --> 00:04:08,459

hang around with a guy you work with him

88

00:04:13,970 --> 00:04:09,780

for a while

89

00:04:16,009 --> 00:04:13,980

and you maybe you start to like the guy

90

00:04:18,349 --> 00:04:16,019

and I don't think that Stephen Green

91

00:04:20,509 --> 00:04:18,359

Street wants to face the truth about the

92

00:04:23,570 --> 00:04:20,519

guy sitting next to him doing these

93

00:04:25,850 --> 00:04:23,580

basement office episodes but he can come

94

00:04:28,790 --> 00:04:25,860

to me and I will share all of the

95

00:04:32,090 --> 00:04:28,800

documentation that proves that Nick Pope

96

00:04:35,090 --> 00:04:32,100

lied and he basically answered the phone

97

00:04:37,430 --> 00:04:35,100

oh you're calling about a UFO yeah I'll

98

00:04:40,550 --> 00:04:37,440

forward this to the people that actually

99

00:04:43,490 --> 00:04:40,560

investigate things thank you that was

100

00:04:46,189 --> 00:04:43,500

the extent of Nick Pope's involvement in

101

00:04:48,650 --> 00:04:46,199

a British Ministry of Defense UFOs

102

00:04:51,590 --> 00:04:48,660

that's all he did Stephen Green Street

103

00:04:55,550 --> 00:04:51,600

he answered the phone sent letters he

104

00:04:57,950 --> 00:04:55,560

was a secretary he did not run any

105

00:05:00,050 --> 00:04:57,960

British UFO program

106

00:05:02,029 --> 00:05:00,060

except in his own imagination where he's

107

00:05:03,290 --> 00:05:02,039

some kind of British Fox Mulder look on

108

00:05:05,689 --> 00:05:03,300

his bio

109

00:05:07,189 --> 00:05:05,699

so but listen

110

00:05:09,110 --> 00:05:07,199

I have a tremendous amount of respect

111

00:05:11,330 --> 00:05:09,120

for this guy Stephen Green Street first

112

00:05:13,870 --> 00:05:11,340

of all he does great work usually with

113

00:05:16,730 --> 00:05:13,880

the exception of giving Nick Pope pass

114

00:05:19,969 --> 00:05:16,740

and see that's the problem all these

115

00:05:22,730 --> 00:05:19,979

guys get give people passes uh but

116

00:05:26,510 --> 00:05:22,740

Stephen Green Street did does great work

117

00:05:29,330 --> 00:05:26,520

but I can't get over him given Nick Pope

118

00:05:32,029 --> 00:05:29,340

a pass and going let's reveal the fraud

119

00:05:34,790 --> 00:05:32,039

of Lou Elizondo and the fakery and the

120

00:05:38,810 --> 00:05:34,800

and the bull that Lou Elizondo has been

121

00:05:44,150 --> 00:05:38,820

pushing for years now let's reveal that

122

00:05:46,310 --> 00:05:44,160

Nick Pope well come on man Nick Pope is

123

00:05:49,430 --> 00:05:46,320

is doing the same exact thing that Lou

124

00:05:52,790 --> 00:05:49,440

Elizondo did in claiming to run a

125

00:05:55,010 --> 00:05:52,800

program a government program that he did

126

00:05:57,050 --> 00:05:55,020

die and you're gonna sit right next to

127

00:05:59,809 --> 00:05:57,060

him and attack other people for doing

128

00:06:00,830 --> 00:05:59,819

the same thing that's a problem but

129

00:06:03,960 --> 00:06:00,840

again

130

00:06:15,909 --> 00:06:03,970

I think he just lost his objectivity
