

**THE TRUTH ABOUT**  
**NICK POPE**  
WITH PHILLIP MANTLE

*Truth Seekers*

1  
00:00:19,349 --> 00:00:16,130

[Music]

2  
00:00:23,109 --> 00:00:21,990

you know uh we did this story largely

3  
00:00:24,710 --> 00:00:23,119

based on

4  
00:00:26,550 --> 00:00:24,720

information that you had amassed and

5  
00:00:29,109 --> 00:00:26,560

collected on nick pope

6  
00:00:31,669 --> 00:00:29,119

and uh i wanted to get your sense

7  
00:00:34,630 --> 00:00:31,679

you know all over the the united states

8  
00:00:36,630 --> 00:00:34,640

media they always say nick pope ran a

9  
00:00:38,869 --> 00:00:36,640

british ufo program

10  
00:00:41,030 --> 00:00:38,879

and i believe they do that falsely based

11  
00:00:43,590 --> 00:00:41,040

on his own claims and and

12  
00:00:45,270 --> 00:00:43,600

we've shared a lot of the stuff that

13  
00:00:47,270 --> 00:00:45,280

you've collected over the years that

14

00:00:49,750 --> 00:00:47,280

seems to indicate he just answered the

15

00:00:51,430 --> 00:00:49,760

phone he didn't investigate anything

16

00:00:53,830 --> 00:00:51,440

i mean what is your take on that and

17

00:00:56,630 --> 00:00:53,840

well so what what is the perception in

18

00:00:58,470 --> 00:00:56,640

england when he's called the british ufo

19

00:01:01,029 --> 00:00:58,480

expert in the united states

20

00:01:04,229 --> 00:01:01,039

what do people in england say do they

21

00:01:06,550 --> 00:01:04,239

know that this is all yeah

22

00:01:07,350 --> 00:01:06,560

i mean nick has these followers you know

23

00:01:12,950 --> 00:01:07,360

and

24

00:01:14,550 --> 00:01:12,960

most people in the know here no it's

25

00:01:17,109 --> 00:01:14,560

it's not true

26  
00:01:19,109 --> 00:01:17,119  
but you don't have to believe me or you

27  
00:01:20,469 --> 00:01:19,119  
you can just go to the ministry defense

28  
00:01:22,469 --> 00:01:20,479  
and they will tell you

29  
00:01:25,030 --> 00:01:22,479  
you can check all their files have been

30  
00:01:27,109 --> 00:01:25,040  
released to the public into our national

31  
00:01:28,390 --> 00:01:27,119  
archives and that's where i got the

32  
00:01:29,990 --> 00:01:28,400  
documents from

33  
00:01:31,190 --> 00:01:30,000  
you know i haven't pulled these out from

34  
00:01:33,030 --> 00:01:31,200  
uh you know

35  
00:01:34,630 --> 00:01:33,040  
pulled a rabbit out of a hat with demo d

36  
00:01:37,030 --> 00:01:34,640  
documents they're all there anybody can

37  
00:01:39,270 --> 00:01:37,040  
see them they're not not top secret

38  
00:01:41,510 --> 00:01:39,280

and um

39

00:01:43,510 --> 00:01:41,520

i'm one of the guys that used to bug

40

00:01:44,789 --> 00:01:43,520

nick pope when he was actually at the

41

00:01:46,950 --> 00:01:44,799

mod

42

00:01:49,910 --> 00:01:46,960

yeah that's interesting is that some of

43

00:01:52,310 --> 00:01:49,920

those documents you're aware as is him

44

00:01:53,990 --> 00:01:52,320

and his handwriting yeah even though his

45

00:01:55,270 --> 00:01:54,000

name is redacted because he was working

46

00:01:56,789 --> 00:01:55,280

there at the time and that was you

47

00:01:59,270 --> 00:01:56,799

asking the questions

48

00:02:01,670 --> 00:01:59,280

this generated those documents yeah the

49

00:02:04,310 --> 00:02:01,680

thing about nick he was different to his

50

00:02:06,950 --> 00:02:04,320

predecessors and those that came after

51  
00:02:09,589 --> 00:02:06,960  
he was just much more helpful

52  
00:02:10,710 --> 00:02:09,599  
it didn't have to be this wasn't mod

53  
00:02:13,910 --> 00:02:10,720  
policy

54  
00:02:15,990 --> 00:02:13,920  
it was just him as a personality

55  
00:02:18,150 --> 00:02:16,000  
and don't you think that maybe you know

56  
00:02:20,550 --> 00:02:18,160  
look he was just interested in ufos

57  
00:02:22,150 --> 00:02:20,560  
before he worked there so once he's in a

58  
00:02:24,309 --> 00:02:22,160  
position where people are calling and

59  
00:02:26,390 --> 00:02:24,319  
talking about ufos

60  
00:02:28,710 --> 00:02:26,400  
he feels like he's investigating but i

61  
00:02:30,790 --> 00:02:28,720  
think the word investigating to me

62  
00:02:32,630 --> 00:02:30,800  
doesn't mean you answer the phone and

63  
00:02:35,030 --> 00:02:32,640

then you forward it to what is that

64

00:02:36,949 --> 00:02:35,040

section there was a circle the section

65

00:02:40,229 --> 00:02:36,959

there is another department or there was

66

00:02:42,710 --> 00:02:40,239

it's not there now and it's called di55

67

00:02:44,790 --> 00:02:42,720

defense intelligence 55.

68

00:02:46,470 --> 00:02:44,800

they dealt with a lot of things

69

00:02:49,430 --> 00:02:46,480

but basically when

70

00:02:50,990 --> 00:02:49,440

when ufo reports went in to nick's

71

00:02:52,790 --> 00:02:51,000

department which is called the

72

00:02:55,509 --> 00:02:52,800

secretariat

73

00:02:57,910 --> 00:02:55,519

air staff yeah and philip was nice

74

00:03:01,350 --> 00:02:57,920

enough to even send me the definition of

75

00:03:05,350 --> 00:03:03,110

it's admin it's administration

76  
00:03:07,110 --> 00:03:05,360  
administrator administer yeah and i had

77  
00:03:09,509 --> 00:03:07,120  
mentioned that i worked at a one

78  
00:03:11,509 --> 00:03:09,519  
corporate place where like four or five

79  
00:03:14,070 --> 00:03:11,519  
of us guys that were working there had

80  
00:03:16,390 --> 00:03:14,080  
one admin assistant

81  
00:03:19,030 --> 00:03:16,400  
you know and and and they did things

82  
00:03:20,949 --> 00:03:19,040  
like go get me a file answer the phone

83  
00:03:23,350 --> 00:03:20,959  
well what nick would do when somebody

84  
00:03:25,670 --> 00:03:23,360  
when they got a report in he would copy

85  
00:03:27,589 --> 00:03:25,680  
in the various departments the main one

86  
00:03:30,070 --> 00:03:27,599  
being di55

87  
00:03:32,470 --> 00:03:30,080  
who actually investigated the stuff on

88  
00:03:34,229 --> 00:03:32,480

occasion on occasions

89

00:03:36,869 --> 00:03:34,239

you're talking a handful of times per

90

00:03:39,750 --> 00:03:36,879

year but all they were looking at steve

91

00:03:41,509 --> 00:03:39,760

was to see if these reports were enemy

92

00:03:43,589 --> 00:03:41,519

aircraft

93

00:03:45,350 --> 00:03:43,599

yeah the russians if there's a defense

94

00:03:46,789 --> 00:03:45,360

problem they're interested if it's not

95

00:03:49,110 --> 00:03:46,799

they're not interested and they've

96

00:03:51,990 --> 00:03:49,120

openly said that from day one i mean

97

00:03:54,470 --> 00:03:52,000

that was mod policy across the board

98

00:03:56,630 --> 00:03:54,480

on on occasion

99

00:03:58,710 --> 00:03:56,640

they would look into certain reports and

100

00:04:00,630 --> 00:03:58,720

they would conduct an investigation but

101

00:04:02,390 --> 00:04:00,640

they didn't tell nick pope the results

102

00:04:03,910 --> 00:04:02,400

because he was too far down that the

103

00:04:06,149 --> 00:04:03,920

ladder

104

00:04:08,550 --> 00:04:06,159

you're on a need-to-know basis and you

105

00:04:11,110 --> 00:04:08,560

don't need to know well these guys were

106

00:04:14,550 --> 00:04:11,120

well above him i'll give you an example

107

00:04:17,670 --> 00:04:14,560

there is a ministry defense

108

00:04:18,789 --> 00:04:17,680

um alcoholic a report

109

00:04:20,390 --> 00:04:18,799

a study

110

00:04:21,509 --> 00:04:20,400

and it's called

111

00:04:22,950 --> 00:04:21,519

condy

112

00:04:25,030 --> 00:04:22,960

project condom

113

00:04:26,230 --> 00:04:25,040

and it was done by a chap called dr

114

00:04:27,990 --> 00:04:26,240

harrow

115

00:04:29,510 --> 00:04:28,000

now when you read the condyle report you

116

00:04:31,350 --> 00:04:29,520

won't find his name on it there's no

117

00:04:33,189 --> 00:04:31,360

author's name on it

118

00:04:35,670 --> 00:04:33,199

and it basically looked at what they

119

00:04:37,990 --> 00:04:35,680

were calling then the uaps

120

00:04:39,990 --> 00:04:38,000

and it was published internally it was

121

00:04:42,870 --> 00:04:40,000

classified to begin with

122

00:04:44,629 --> 00:04:42,880

i think in the year 2000 because it was

123

00:04:47,749 --> 00:04:44,639

classified

124

00:04:50,150 --> 00:04:47,759

nick pope's department didn't get a copy

125

00:04:52,390 --> 00:04:50,160

they were not on the circulation list

126

00:04:54,310 --> 00:04:52,400

so he was so far down in the chain he

127

00:04:57,670 --> 00:04:54,320

didn't even get classified internal

128

00:04:59,350 --> 00:04:57,680

documents about ufos now project condyne

129

00:05:02,790 --> 00:04:59,360

is a lengthy report

130

00:05:04,710 --> 00:05:02,800

and dr ron haddow was a lifelong

131

00:05:07,270 --> 00:05:04,720

mod guy i think he started off as a

132

00:05:08,870 --> 00:05:07,280

pilot in the 50s you know

133

00:05:11,029 --> 00:05:08,880

and

134

00:05:14,070 --> 00:05:11,039

his conclusion was that these were

135

00:05:16,629 --> 00:05:14,080

unknown balls of plasma that may affect

136

00:05:18,950 --> 00:05:16,639

uh you know aircraft etc etc but but

137

00:05:20,950 --> 00:05:18,960

that doesn't matter the fact was pope's

138

00:05:22,790 --> 00:05:20,960

department wasn't even copied in it was

139

00:05:24,710 --> 00:05:22,800

dr david clarke

140

00:05:26,230 --> 00:05:24,720

who found out about the condom report

141

00:05:28,230 --> 00:05:26,240

and got it released under the freedom of

142

00:05:30,790 --> 00:05:28,240

information act and see to me that is

143

00:05:32,950 --> 00:05:30,800

very that is that right now what you're

144

00:05:35,430 --> 00:05:32,960

talking about is very telling because

145

00:05:38,550 --> 00:05:35,440

this man nick pope claims that he ran

146

00:05:40,550 --> 00:05:38,560

the british ufo program if he did he

147

00:05:43,270 --> 00:05:40,560

would be given access to these reports

148

00:05:45,590 --> 00:05:43,280

in these internal documents as the head

149

00:05:47,670 --> 00:05:45,600

of a ufo program but everything that

150

00:05:50,629 --> 00:05:47,680

i've looked at seems to indicate there

151  
00:05:52,950 --> 00:05:50,639  
was people that that were in charge of

152  
00:05:55,670 --> 00:05:52,960  
investigating but you're right only when

153  
00:05:58,070 --> 00:05:55,680  
they felt it may be related to a defense

154  
00:06:00,469 --> 00:05:58,080  
issue yes and also nick pope on the

155  
00:06:03,590 --> 00:06:00,479  
record in a previous bio on on his

156  
00:06:07,510 --> 00:06:03,600  
website claimed that he investigated

157  
00:06:09,350 --> 00:06:07,520  
alien uh abductions crop circles and

158  
00:06:10,870 --> 00:06:09,360  
cattle mutilations for the british

159  
00:06:13,430 --> 00:06:10,880  
government but

160  
00:06:15,830 --> 00:06:13,440  
we have from you we have from the

161  
00:06:17,670 --> 00:06:15,840  
british ministry of defense a letter

162  
00:06:20,950 --> 00:06:17,680  
confirming that they have never

163  
00:06:23,590 --> 00:06:20,960

investigated alien abductions crop

164

00:06:25,909 --> 00:06:23,600

circles or cattle mutilations yeah yeah

165

00:06:27,270 --> 00:06:25,919

i mean right there he's lying and and

166

00:06:29,110 --> 00:06:27,280

he's and they also

167

00:06:31,350 --> 00:06:29,120

you also have a look of some

168

00:06:34,629 --> 00:06:31,360

correspondence by nick pope himself

169

00:06:37,830 --> 00:06:34,639

saying you know there are no crop circle

170

00:06:39,670 --> 00:06:37,840

reports in the mod files

171

00:06:42,230 --> 00:06:39,680

and then there's another document

172

00:06:45,029 --> 00:06:42,240

written by by nick himself

173

00:06:46,550 --> 00:06:45,039

saying that the kind of reports that the

174

00:06:50,629 --> 00:06:46,560

the chapel written to him are talking

175

00:06:53,029 --> 00:06:50,639

about i.e close encounters

176

00:06:55,270 --> 00:06:53,039

they don't tend to receive

177

00:06:56,710 --> 00:06:55,280

and he actually advises the the

178

00:06:58,070 --> 00:06:56,720

correspondent

179

00:07:00,790 --> 00:06:58,080

to contact

180

00:07:02,629 --> 00:07:00,800

some civilian ufo groups and he lists

181

00:07:03,909 --> 00:07:02,639

them yeah which doesn't make sense

182

00:07:06,950 --> 00:07:03,919

because if he was

183

00:07:07,909 --> 00:07:06,960

he see he it's all about perceptions he

184

00:07:17,990 --> 00:07:07,919

he

185

00:07:20,070 --> 00:07:18,000

investigated crop circles and alien

186

00:07:21,830 --> 00:07:20,080

abductions and it's very clear that they

187

00:07:24,230 --> 00:07:21,840

didn't investigate that's not a defense

188

00:07:26,390 --> 00:07:24,240

issue they had no interest or

189

00:07:29,350 --> 00:07:26,400

in investigating them no but and it's

190

00:07:31,350 --> 00:07:29,360

and it's unfortunate but like we have a

191

00:07:33,670 --> 00:07:31,360

very similar parallel here in the united

192

00:07:36,150 --> 00:07:33,680

states because you've got nick pope

193

00:07:37,990 --> 00:07:36,160

saying i ran a british the british ufo

194

00:07:40,390 --> 00:07:38,000

program i was the head of it and then we

195

00:07:43,189 --> 00:07:40,400

find out no you didn't and that didn't

196

00:07:45,189 --> 00:07:43,199

exist you were a secretary and in the

197

00:07:47,589 --> 00:07:45,199

united states we've got elizondo saying

198

00:07:49,990 --> 00:07:47,599

that he ran a 22 million dollar

199

00:07:52,869 --> 00:07:50,000

ufo program that we now know never

200

00:07:54,469 --> 00:07:52,879

existed and was not funded yeah but i

201  
00:07:55,990 --> 00:07:54,479  
always say look you don't have to

202  
00:07:57,510 --> 00:07:56,000  
believe me the documents that i'm

203  
00:07:59,430 --> 00:07:57,520  
talking about i've shared some with you

204  
00:08:01,990 --> 00:07:59,440  
steve yeah they're all they're all

205  
00:08:03,749 --> 00:08:02,000  
available in the mod files

206  
00:08:05,749 --> 00:08:03,759  
you know and and i don't know if they

207  
00:08:07,749 --> 00:08:05,759  
are now but during the pandemic

208  
00:08:09,909 --> 00:08:07,759  
all these files you could download them

209  
00:08:12,710 --> 00:08:09,919  
free of charge yeah and i can tell you

210  
00:08:15,589 --> 00:08:12,720  
because i did have i had pieces of that

211  
00:08:17,990 --> 00:08:15,599  
puzzle but uh philip mantle had a

212  
00:08:19,909 --> 00:08:18,000  
collection he has an enti he had a whole

213  
00:08:21,670 --> 00:08:19,919

collection and i put up most of them in

214

00:08:23,589 --> 00:08:21,680

a google drive link

215

00:08:25,830 --> 00:08:23,599

after this broadcast ends i'll put the

216

00:08:27,909 --> 00:08:25,840

google drive link to all the evidence

217

00:08:29,510 --> 00:08:27,919

and proof that nick pope never ran a ufo

218

00:08:31,029 --> 00:08:29,520

program

219

00:08:32,949 --> 00:08:31,039

will be right there in black and white

220

00:08:34,709 --> 00:08:32,959

for you so you vote for everybody i'm

221

00:08:37,110 --> 00:08:34,719

coming to me saying well you're just

222

00:08:39,029 --> 00:08:37,120

jealous of nick pope i've heard that

223

00:08:40,310 --> 00:08:39,039

i've heard that and i can see how people

224

00:08:42,230 --> 00:08:40,320

could assume that because you're both

225

00:08:45,190 --> 00:08:42,240

british you're you're

226

00:08:47,110 --> 00:08:45,200

i said look i have my own little niche

227

00:08:49,509 --> 00:08:47,120

whatever you want to call it i am quite

228

00:08:51,910 --> 00:08:49,519

happy with where i am

229

00:08:54,310 --> 00:08:51,920

you know i love doing what i didn't lie

230

00:08:56,310 --> 00:08:54,320

to people about your no jobs to get

231

00:08:57,750 --> 00:08:56,320

there i i said i left school with no

232

00:09:00,550 --> 00:08:57,760

qualifications

233

00:09:01,750 --> 00:09:00,560

i have none i mean zilch that you know

234

00:09:03,990 --> 00:09:01,760

um

235

00:09:06,230 --> 00:09:04,000

you know i worked in a factory

236

00:09:07,990 --> 00:09:06,240

and i'm i'm proud of that you know i was

237

00:09:10,150 --> 00:09:08,000

a factory worker i was assuming my

238

00:09:12,630 --> 00:09:10,160

family's all blue collar union i was i

239

00:09:15,190 --> 00:09:12,640

was a trade union representative i was

240

00:09:17,430 --> 00:09:15,200

well trained by the trade union and then

241

00:09:19,990 --> 00:09:17,440

i took ill seriously ill

242

00:09:22,389 --> 00:09:20,000

and uh i had to after a couple of years

243

00:09:23,750 --> 00:09:22,399

i could find a you know an office job

244

00:09:25,430 --> 00:09:23,760

like i said i ended up working for the

245

00:09:27,910 --> 00:09:25,440

halifax bank

246

00:09:30,070 --> 00:09:27,920

and i'm very grateful you know it it saw

247

00:09:31,829 --> 00:09:30,080

my daughter through university and paid

248

00:09:33,350 --> 00:09:31,839

the bills ten years after i had the

249

00:09:35,430 --> 00:09:33,360

heart attack i went down with heart

250

00:09:37,430 --> 00:09:35,440

failure that nearly flaming killed me no

251  
00:09:40,710 --> 00:09:37,440  
bad other heart problem so i've been in

252  
00:09:43,509 --> 00:09:40,720  
and out of hospital so there is no way

253  
00:09:46,150 --> 00:09:43,519  
i could run around like nick pope does

254  
00:09:48,550 --> 00:09:46,160  
uh you know so i'm not jealous

255  
00:09:49,910 --> 00:09:48,560  
i i it's nothing personal nix nick spoke

256  
00:09:51,750 --> 00:09:49,920  
at one of the conferences i helped

257  
00:09:53,670 --> 00:09:51,760  
organize he stayed in my house as a

258  
00:09:55,269 --> 00:09:53,680  
guest

259  
00:09:58,550 --> 00:09:55,279  
one of the things that strikes me is

260  
00:10:01,110 --> 00:09:58,560  
that obviously this man has an intense

261  
00:10:02,949 --> 00:10:01,120  
passion and interest for these subjects

262  
00:10:04,550 --> 00:10:02,959  
i just think where he went wrong is

263  
00:10:08,150 --> 00:10:04,560

overstating

264

00:10:10,790 --> 00:10:08,160

and and embellishing and fabricating

265

00:10:13,350 --> 00:10:10,800

a story for his background that would

266

00:10:15,910 --> 00:10:13,360

then get him more bookings more fame

267

00:10:17,910 --> 00:10:15,920

more money and that's a problem for me

268

00:10:20,150 --> 00:10:17,920

you know it's a real problem for me yeah

269

00:10:22,630 --> 00:10:20,160

yeah i think it's so he if he had if he

270

00:10:25,350 --> 00:10:22,640

hadn't said any of that stuff

271

00:10:27,590 --> 00:10:25,360

uh and faked stuff in his background or

272

00:10:29,190 --> 00:10:27,600

claimed that he investigated things he

273

00:10:31,430 --> 00:10:29,200

clearly never investigated for the

274

00:10:33,430 --> 00:10:31,440

british government if he had just said

275

00:10:35,670 --> 00:10:33,440

like like you philip i'm just a citizen

276

00:10:37,350 --> 00:10:35,680

of the uk i'm very interested in these

277

00:10:39,190 --> 00:10:37,360

subjects i've been researching them for

278

00:10:44,150 --> 00:10:39,200

20 years or whatever

279

00:10:46,470 --> 00:10:44,160

i i would be much more agreeable to that

280

00:10:48,069 --> 00:10:46,480

i think what what nick's job actually

281

00:10:49,910 --> 00:10:48,079

did bearing in mind

282

00:10:52,069 --> 00:10:49,920

some guy wrote to the media city fans

283

00:10:54,310 --> 00:10:52,079

said how can i apply for the job and

284

00:10:56,069 --> 00:10:54,320

they said well it's internal

285

00:10:57,990 --> 00:10:56,079

and they sent him he said well what does

286

00:11:00,470 --> 00:10:58,000

it entail so they sent him a list of

287

00:11:01,990 --> 00:11:00,480

what it entails and it's all admin tasks

288

00:11:02,870 --> 00:11:02,000

that's all it is

289

00:11:04,470 --> 00:11:02,880

you know

290

00:11:06,550 --> 00:11:04,480

all the things that nick never talks

291

00:11:09,509 --> 00:11:06,560

about and what people don't realize too

292

00:11:11,990 --> 00:11:09,519

is that a lot of his job was was that

293

00:11:14,310 --> 00:11:12,000

administrative and secretarial like a

294

00:11:16,310 --> 00:11:14,320

british a british airplane is let's say

295

00:11:18,550 --> 00:11:16,320

a british airplane is going to fly to

296

00:11:20,870 --> 00:11:18,560

poland they need a place to land they

297

00:11:23,030 --> 00:11:20,880

need clearance to land there's paperwork

298

00:11:25,110 --> 00:11:23,040

that needs to be done that's what he did

299

00:11:26,949 --> 00:11:25,120

it's the civil service you know

300

00:11:29,110 --> 00:11:26,959

politicians come and go but civil you

301

00:11:31,030 --> 00:11:29,120

can have a job in the civil service

302

00:11:33,190 --> 00:11:31,040

for all your life and he did indeed

303

00:11:36,470 --> 00:11:33,200

spend 21 years in it you know and he

304

00:11:39,350 --> 00:11:36,480

took early retirement and he is a nice

305

00:11:41,110 --> 00:11:39,360

guy he you know he's he's very affable

306

00:11:43,509 --> 00:11:41,120

i'm laughable

307

00:11:45,430 --> 00:11:43,519

but if you're on the wrong side of him

308

00:11:47,110 --> 00:11:45,440

you know that's that's different

309

00:11:49,110 --> 00:11:47,120

um

310

00:11:51,269 --> 00:11:49,120

based on the sock puppet accounts that

311

00:11:53,430 --> 00:11:51,279

are currently attacking me on twitter i

312

00:11:54,870 --> 00:11:53,440

i think i got on his wrong side and it's

313

00:11:57,190 --> 00:11:54,880

always interesting to me i don't know if

314

00:11:59,590 --> 00:11:57,200

you know this philip but every time at

315

00:12:02,069 --> 00:11:59,600

least here on this show when we show

316

00:12:05,110 --> 00:12:02,079

people the truth about one of these

317

00:12:07,750 --> 00:12:05,120

characters in conspiracy land suddenly a

318

00:12:10,470 --> 00:12:07,760

brand new nameless faceless twitter

319

00:12:13,030 --> 00:12:10,480

account comes comes at me on twitter to

320

00:12:15,910 --> 00:12:13,040

defend their honor and tell me how wrong

321

00:12:17,990 --> 00:12:15,920

i am it's never a real person that

322

00:12:20,470 --> 00:12:18,000

defends them once they're revealed to be

323

00:12:22,870 --> 00:12:20,480

the frauds or the liars that i believe

324

00:12:25,430 --> 00:12:22,880

they are it's always a fake brand new

325

00:12:27,190 --> 00:12:25,440

twitter account yeah yeah i mean you

326

00:12:29,190 --> 00:12:27,200

know and that's just the way it is i

327

00:12:31,590 --> 00:12:29,200

said look you don't have to believe me

328

00:12:33,590 --> 00:12:31,600

i'll tell you documents yeah i said you

329

00:12:35,110 --> 00:12:33,600

asked for them steve and i sent you them

330

00:12:37,590 --> 00:12:35,120

i think they were there the same day or

331

00:12:39,190 --> 00:12:37,600

the next day and yeah yeah absolutely

332

00:12:40,629 --> 00:12:39,200

make of them what you will

333

00:12:42,389 --> 00:12:40,639

and um

334

00:12:43,590 --> 00:12:42,399

but that's that's it like i said don't

335

00:12:45,110 --> 00:12:43,600

believe me

336

00:12:46,870 --> 00:12:45,120

you know go to the minute and this

337

00:12:49,190 --> 00:12:46,880

people will say well you can't believe

338

00:12:52,629 --> 00:12:49,200

the ministry of defense yeah because the

339

00:12:54,310 --> 00:12:52,639

men in black covered up his well

340

00:12:56,550 --> 00:12:54,320

hang on a minute here you can't believe

341

00:12:58,629 --> 00:12:56,560

the ministry of defense but you want to

342

00:13:00,949 --> 00:12:58,639

believe a former military defense

343

00:13:03,269 --> 00:13:00,959

employee

344

00:13:06,389 --> 00:13:03,279

you know come on you know

345

00:13:07,670 --> 00:13:06,399

um it doesn't quite work that way but

346

00:13:09,350 --> 00:13:07,680

people don't want to have their

347

00:13:11,509 --> 00:13:09,360

illusions shattered they think that some

348

00:13:13,590 --> 00:13:11,519

secret department in the mod has been up

349

00:13:15,509 --> 00:13:13,600

to all this that and the other

350

00:13:18,150 --> 00:13:15,519

and if there is we haven't found we

351  
00:13:20,470 --> 00:13:18,160  
haven't found it you know we do know

352  
00:13:24,230 --> 00:13:20,480  
that di50 i'll tell we found out about

353  
00:13:26,310 --> 00:13:24,240  
di55 it goes back a long time steve

354  
00:13:28,150 --> 00:13:26,320  
you know we would write letters to the

355  
00:13:29,750 --> 00:13:28,160  
minister defense trying to get access to

356  
00:13:32,310 --> 00:13:29,760  
this down the other

357  
00:13:34,949 --> 00:13:32,320  
more often than not we failed

358  
00:13:36,790 --> 00:13:34,959  
but it was my colleague um jenny

359  
00:13:39,189 --> 00:13:36,800  
randalls

360  
00:13:41,990 --> 00:13:39,199  
who'll notice on a letter that i've got

361  
00:13:43,590 --> 00:13:42,000  
from the mld they're distribution list

362  
00:13:45,670 --> 00:13:43,600  
you know that's interesting so they

363  
00:13:47,990 --> 00:13:45,680

screwed up yeah

364

00:13:49,750 --> 00:13:48,000

and she it wasn't me it was my it was

365

00:13:53,509 --> 00:13:49,760

written to me but i hadn't noticed it

366

00:13:55,430 --> 00:13:53,519

jenny noticed it she said di55 she then

367

00:13:57,829 --> 00:13:55,440

started to look into what did where the

368

00:14:00,470 --> 00:13:57,839

hell who's this gi 55

369

00:14:03,110 --> 00:14:00,480

and then we fight we found out you know

370

00:14:05,350 --> 00:14:03,120

it took a long time but they're gone now

371

00:14:07,110 --> 00:14:05,360

that department is is dissolved it may

372

00:14:09,269 --> 00:14:07,120

have another name

373

00:14:11,750 --> 00:14:09,279

move somewhere pope's department the

374

00:14:13,430 --> 00:14:11,760

game was closed in 2009

375

00:14:15,269 --> 00:14:13,440

so you can't get any set if you write to

376

00:14:16,949 --> 00:14:15,279

the ministry offense that's forwarded on

377

00:14:19,910 --> 00:14:16,959

to some place somewhere else they don't

378

00:14:21,269 --> 00:14:19,920

even reply themselves anymore um

379

00:14:22,310 --> 00:14:21,279

and and they are genuinely not

380

00:14:24,069 --> 00:14:22,320

interested

381

00:14:26,790 --> 00:14:24,079

people people don't believe that they're

382

00:14:28,790 --> 00:14:26,800

generally not they're they're open

383

00:14:31,590 --> 00:14:28,800

unless it's a defense issue then they're

384

00:14:34,310 --> 00:14:31,600

interested they've openly said

385

00:14:35,829 --> 00:14:34,320

but however far back you go that that

386

00:14:37,590 --> 00:14:35,839

that's that's it they're looking at this

387

00:14:38,550 --> 00:14:37,600

from a defense point of view they'll

388

00:14:41,750 --> 00:14:38,560

admit

389

00:14:42,710 --> 00:14:41,760

things in the air that they can't

390

00:14:44,710 --> 00:14:42,720

explain

391

00:14:49,510 --> 00:14:44,720

sure but if it's not a defense issue we
