

THE TODD STANDING FILES

IS THIS A REAL PICTURE OF SASQUATCH?

WITH ANTHONY - UNIDENTIFIED S4

Truth Seekers

1
00:00:00,490 --> 00:00:05,690
[Applause]

2
00:00:05,700 --> 00:00:17,109
[Music]

3
00:00:22,470 --> 00:00:19,189
bigfoot friends bigfoot has been an

4
00:00:25,189 --> 00:00:22,480
enduring mystery for thousands of years

5
00:00:28,550 --> 00:00:25,199
there are stories going back

6
00:00:30,870 --> 00:00:28,560
generations of a hairy

7
00:00:32,310 --> 00:00:30,880
man-like creature that lives in the

8
00:00:35,510 --> 00:00:32,320
forest

9
00:00:38,630 --> 00:00:35,520
it's the legend my friends of sasquatch

10
00:00:41,510 --> 00:00:38,640
or bigfoot or many other names

11
00:00:44,150 --> 00:00:41,520
but recently one man claimed that he

12
00:00:46,389 --> 00:00:44,160
would discover bigfoot and finally

13
00:00:48,709 --> 00:00:46,399

solved this age-old mystery

14

00:00:52,150 --> 00:00:48,719

his name is todd standing and he claims

15

00:00:54,549 --> 00:00:52,160

to have seen interacted with even filmed

16

00:00:56,630 --> 00:00:54,559

real live bigfoot creatures

17

00:00:59,510 --> 00:00:56,640

but did he really film these faces of

18

00:01:02,389 --> 00:00:59,520

bigfoot or was it something else

19

00:01:04,229 --> 00:01:02,399

has he offered us incredible evidence of

20

00:01:07,830 --> 00:01:04,239

his fantastical claims

21

00:01:09,750 --> 00:01:07,840

or is this just an incredible hoax

22

00:01:13,270 --> 00:01:09,760

i wanted to find out

23

00:01:16,710 --> 00:01:13,280

so i've gathered a team of experts of

24

00:01:18,870 --> 00:01:16,720

sorts to help me dig into this

25

00:01:21,030 --> 00:01:18,880

todd standing also claims

26

00:01:23,510 --> 00:01:21,040

that you too can go on a bigfoot

27

00:01:25,510 --> 00:01:23,520

expedition where quote

28

00:01:27,990 --> 00:01:25,520

todd presents the attendees

29

00:01:30,390 --> 00:01:28,000

expeditioners with the opportunity to

30

00:01:32,950 --> 00:01:30,400

eyewitness and or interact with

31

00:01:36,069 --> 00:01:32,960

sasquatch the expeditioners are hand

32

00:01:39,270 --> 00:01:36,079

selected by todd to experience

33

00:01:40,550 --> 00:01:39,280

a breathtaking adventure oh great i get

34

00:01:45,510 --> 00:01:40,560

an opportunity

35

00:01:48,310 --> 00:01:45,520

eyewitness or interact with a sasquatch

36

00:01:51,510 --> 00:01:48,320

this is an opportunity

37

00:01:53,429 --> 00:01:51,520

and this opportunity costs 3 500 u.s

38

00:01:55,749 --> 00:01:53,439

dollars you get to go camping with this

39

00:01:58,870 --> 00:01:55,759

guy for a week at some undisclosed

40

00:02:00,870 --> 00:01:58,880

location in the canadian wilderness

41

00:02:03,830 --> 00:02:00,880

for 3 500

42

00:02:07,990 --> 00:02:03,840

you get the opportunity to see or hey

43

00:02:10,790 --> 00:02:08,000

maybe even interact with a bigfoot

44

00:02:12,390 --> 00:02:10,800

i have so many questions uh but i was

45

00:02:15,110 --> 00:02:12,400

glad because yesterday i found out that

46

00:02:18,150 --> 00:02:15,120

a fellow show host i know has talked to

47

00:02:20,070 --> 00:02:18,160

this man and maybe knows a great deal

48

00:02:22,309 --> 00:02:20,080

more about him than me

49

00:02:24,470 --> 00:02:22,319

here to give us his opinion on this

50

00:02:26,710 --> 00:02:24,480

alleged bigfoot footage from todd

51

00:02:28,710 --> 00:02:26,720

standing and also to help

52

00:02:30,390 --> 00:02:28,720

really just to help us shed some light

53

00:02:34,150 --> 00:02:30,400

on all of this

54

00:02:36,630 --> 00:02:34,160

is anthony from unidentified s4

55

00:02:38,710 --> 00:02:36,640

welcome anthony good evening stephen

56

00:02:39,910 --> 00:02:38,720

thanks for having me well let's get into

57

00:02:41,750 --> 00:02:39,920

this

58

00:02:43,270 --> 00:02:41,760

do you want to start with looking at the

59

00:02:45,110 --> 00:02:43,280

actual footage or do you want to start

60

00:02:47,430 --> 00:02:45,120

with some background about how you know

61

00:02:49,990 --> 00:02:47,440

about this guy and what you've

62

00:02:51,190 --> 00:02:50,000

looked into as far as he's concerned

63

00:02:53,670 --> 00:02:51,200

okay we could start with a little

64

00:02:56,630 --> 00:02:53,680

background i uh i started looking into

65

00:02:59,110 --> 00:02:56,640

todd uh back in 2008

66

00:03:01,030 --> 00:02:59,120

uh was the first time uh i really got

67

00:03:03,350 --> 00:03:01,040

into him i've seen the footage

68

00:03:05,910 --> 00:03:03,360

uh multiple times

69

00:03:08,390 --> 00:03:05,920

i started talking to todd uh via

70

00:03:09,990 --> 00:03:08,400

facebook just last year

71

00:03:11,430 --> 00:03:10,000

uh when i was thinking about starting

72

00:03:13,750 --> 00:03:11,440

the show starting to do the live and

73

00:03:15,910 --> 00:03:13,760

everything on my show uh he and i

74

00:03:18,149 --> 00:03:15,920

discussed him possibly coming on my show

75

00:03:20,309 --> 00:03:18,159

a handful of times and it was always oh

76

00:03:22,710 --> 00:03:20,319

i gotta talk to my producer and then it

77

00:03:24,869 --> 00:03:22,720

would be uh oh you know my producer you

78

00:03:26,789 --> 00:03:24,879

know then i swear he reminds me of dr

79

00:03:29,110 --> 00:03:26,799

grier because then it went into you know

80

00:03:31,270 --> 00:03:29,120

you need a significant number of uh

81

00:03:33,990 --> 00:03:31,280

viewers and followers you know we're

82

00:03:35,589 --> 00:03:34,000

looking for over 50 000 minimum

83

00:03:36,869 --> 00:03:35,599

on your platform

84

00:03:38,789 --> 00:03:36,879

so i was like well you know i have

85

00:03:41,030 --> 00:03:38,799

nowhere near that but uh he always

86

00:03:42,789 --> 00:03:41,040

kicked it back and forth with me uh via

87

00:03:44,470 --> 00:03:42,799

messenger he was always very polite he

88

00:03:46,869 --> 00:03:44,480

vo you know answered any questions i had

89

00:03:49,750 --> 00:03:46,879

so i'll give him that but uh the work

90

00:03:52,229 --> 00:03:49,760

was just always too perfect for me and

91

00:03:54,070 --> 00:03:52,239

every time i would ask you know

92

00:03:55,910 --> 00:03:54,080

does bigfoot go out for a haircut or

93

00:03:58,229 --> 00:03:55,920

does you know bigfoot get a shave on the

94

00:03:59,830 --> 00:03:58,239

weekend because the the the pictures

95

00:04:00,869 --> 00:03:59,840

that you're showing of the the bigfoot

96

00:04:02,869 --> 00:04:00,879

heads

97

00:04:04,309 --> 00:04:02,879

they're just they're just too perfect

98

00:04:06,470 --> 00:04:04,319

you know i don't know if you noticed

99

00:04:08,149 --> 00:04:06,480

that but they look a little too they

100

00:04:09,990 --> 00:04:08,159

look a little too manicured yeah a

101
00:04:12,390 --> 00:04:10,000
little too manicured uh but i never

102
00:04:14,630 --> 00:04:12,400
thought you know look anthony how how do

103
00:04:17,110 --> 00:04:14,640
we not know that they groom each other

104
00:04:19,909 --> 00:04:17,120
or something and you know like other

105
00:04:22,230 --> 00:04:19,919
other apes do that maybe yeah yeah and

106
00:04:24,950 --> 00:04:22,240
then look at bears uh you know bears

107
00:04:26,230 --> 00:04:24,960
hair only grows out to a certain length

108
00:04:28,150 --> 00:04:26,240
they cut they could kind of look like

109
00:04:29,590 --> 00:04:28,160
they manicured as well gorillas and

110
00:04:31,590 --> 00:04:29,600
chimps the same

111
00:04:33,270 --> 00:04:31,600
so who's to say that you know bigfoot's

112
00:04:35,510 --> 00:04:33,280
hair doesn't grow out to a certain

113
00:04:36,469 --> 00:04:35,520

length and then that's just it

114

00:04:38,070 --> 00:04:36,479

um

115

00:04:40,710 --> 00:04:38,080

but you know who the hell knows i know

116

00:04:44,710 --> 00:04:40,720

he's taken photos of

117

00:04:47,749 --> 00:04:44,720

uh male sasquatch female sasquatch and

118

00:04:51,189 --> 00:04:47,759

uh what he calls the elder sasquatch and

119

00:04:52,629 --> 00:04:51,199

he's got uh specific names to each one

120

00:04:54,790 --> 00:04:52,639

so when you show

121

00:05:00,469 --> 00:04:54,800

uh when you show the photos i'll tell

122

00:05:06,070 --> 00:05:03,590

the most elusive uh bipedal thing in the

123

00:05:08,390 --> 00:05:06,080

world but yet uh he's living with them

124

00:05:10,870 --> 00:05:08,400

when he goes out there in the forest

125

00:05:12,870 --> 00:05:10,880

and he's the only man that could do it

126

00:05:16,310 --> 00:05:12,880

yeah this doesn't make very much sense

127

00:05:21,029 --> 00:05:18,469

he's kind of the bigfoot savior though

128

00:05:23,590 --> 00:05:21,039

he's he's discovering bigfoot for all of

129

00:05:27,590 --> 00:05:23,600

us he's going to be on the cusp of this

130

00:05:29,510 --> 00:05:27,600

world-shattering amazing discovery

131

00:05:31,830 --> 00:05:29,520

yeah well i don't know i i don't know

132

00:05:33,909 --> 00:05:31,840

either i don't know either

133

00:05:35,909 --> 00:05:33,919

when somebody does a lot of name he does

134

00:05:38,710 --> 00:05:35,919

a lot of name dropping also if you

135

00:05:40,070 --> 00:05:38,720

notice a lot of uh every time yes

136

00:05:46,710 --> 00:05:40,080

i have his

137

00:05:48,230 --> 00:05:46,720

here where he's advertising his

138

00:05:49,029 --> 00:05:48,240

expeditions

139

00:05:53,270 --> 00:05:49,039

and

140

00:05:56,150 --> 00:05:53,280

it's uh let's see the expeditioners are

141

00:05:59,029 --> 00:05:56,160

hand selected by todd to experience the

142

00:06:02,790 --> 00:05:59,039

brehtaking adventure that celebrities

143

00:06:05,749 --> 00:06:02,800

like les stroud john pindernagel and

144

00:06:08,150 --> 00:06:05,759

jeff meldrum enjoyed and i would argue

145

00:06:10,790 --> 00:06:08,160

that even you may be less strong he

146

00:06:13,350 --> 00:06:10,800

could be called a celebrity yeah though

147

00:06:15,590 --> 00:06:13,360

survivor man right he's the

148

00:06:17,510 --> 00:06:15,600

originator he deserves some respect

149

00:06:20,070 --> 00:06:17,520

because he's like the originator of all

150

00:06:21,830 --> 00:06:20,080

the survival shows right i did it first

151
00:06:23,909 --> 00:06:21,840
before naked and afraid and all those oh

152
00:06:25,350 --> 00:06:23,919
yeah he's the man right

153
00:06:27,510 --> 00:06:25,360
out of the field doing that stuff i

154
00:06:29,590 --> 00:06:27,520
would challenge anybody even in our

155
00:06:32,070 --> 00:06:29,600
audience to know who john bendernagel

156
00:06:35,029 --> 00:06:32,080
was who was a wildlife biologist he was

157
00:06:36,550 --> 00:06:35,039
a primatologist yeah yeah he's a uh i

158
00:06:39,510 --> 00:06:36,560
think i'm like biological my life

159
00:06:41,590 --> 00:06:39,520
biologist yeah and he lived in british

160
00:06:44,710 --> 00:06:41,600
columbia and he's a big believer in

161
00:06:47,189 --> 00:06:44,720
bigfoot and he's been in a few

162
00:06:49,909 --> 00:06:47,199
odd documentaries but i don't know if

163
00:06:51,589 --> 00:06:49,919

he's a celebrity and jeff meldrum

164

00:06:54,070 --> 00:06:51,599

maybe i don't know he's been on like the

165

00:06:56,309 --> 00:06:54,080

discovery channel in the history channel

166

00:06:58,950 --> 00:06:56,319

talking about bigfoot he's a college

167

00:07:00,469 --> 00:06:58,960

professor but that is some name dropping

168

00:07:03,029 --> 00:07:00,479

so yeah and

169

00:07:05,670 --> 00:07:03,039

always interestingly john bindernagel

170

00:07:07,670 --> 00:07:05,680

did say that he believed the bigfoot

171

00:07:09,749 --> 00:07:07,680

footage was real and that todd was

172

00:07:11,189 --> 00:07:09,759

interacting with real creatures and he's

173

00:07:12,790 --> 00:07:11,199

passed away now

174

00:07:14,150 --> 00:07:12,800

um but

175

00:07:16,150 --> 00:07:14,160

interestingly

176

00:07:18,870 --> 00:07:16,160

i'm trying to get a comment from les

177

00:07:20,790 --> 00:07:18,880

stroud and from jeff meldrum i started

178

00:07:23,110 --> 00:07:20,800

with jeff meldrum and i've got i don't

179

00:07:25,749 --> 00:07:23,120

know a bunch of phone calls i've got his

180

00:07:27,909 --> 00:07:25,759

phone number at his job

181

00:07:29,350 --> 00:07:27,919

um it's always voicemail but i've left a

182

00:07:31,990 --> 00:07:29,360

bunch of voicemails because i want to

183

00:07:34,950 --> 00:07:32,000

know if he endorses this bigfoot footage

184

00:07:38,710 --> 00:07:34,960

as a real live breathing creature

185

00:07:41,430 --> 00:07:38,720

or something else and does he endorse

186

00:07:44,309 --> 00:07:41,440

this todd standing using him in this ad

187

00:07:45,670 --> 00:07:44,319

copy to sell people real live bigfoot

188

00:07:48,390 --> 00:07:45,680

experiences

189

00:07:50,309 --> 00:07:48,400

he has not returned any emails he has

190

00:07:51,510 --> 00:07:50,319

not returned to my calls

191

00:07:53,029 --> 00:07:51,520

and i think

192

00:07:53,909 --> 00:07:53,039

that says a lot

193

00:07:56,629 --> 00:07:53,919

about

194

00:07:58,790 --> 00:07:56,639

what he may think like why would he not

195

00:08:00,070 --> 00:07:58,800

comment if he believes this stuff is

196

00:08:02,869 --> 00:08:00,080

real

197

00:08:05,029 --> 00:08:02,879

he he may have an nd another disclosure

198

00:08:08,070 --> 00:08:05,039

agreement with the uh expedition bigfoot

199

00:08:09,909 --> 00:08:08,080

team uh without who knows i also think

200

00:08:11,830 --> 00:08:09,919

that uh he's for hire if i'm not

201
00:08:13,830 --> 00:08:11,840
mistaken

202
00:08:15,189 --> 00:08:13,840
believe you can hire him and and take

203
00:08:17,749 --> 00:08:15,199
him out you know in the field to pretty

204
00:08:19,589 --> 00:08:17,759
much do any show for hire

205
00:08:21,270 --> 00:08:19,599
yeah i think that i think that would be

206
00:08:23,189 --> 00:08:21,280
accurate but i wanted to ask him that

207
00:08:24,869 --> 00:08:23,199
too like can i hire you to be in my

208
00:08:29,510 --> 00:08:24,879
bigfoot documentary

209
00:08:31,430 --> 00:08:29,520
yeah right yeah i i think that you can

210
00:08:37,269 --> 00:08:31,440
almost definitely he's been in so many

211
00:08:41,829 --> 00:08:39,269
yeah very interesting

212
00:08:43,750 --> 00:08:41,839
so um

213
00:08:45,910 --> 00:08:43,760

where do we go from here like do you

214

00:08:47,190 --> 00:08:45,920

want to look at this footage yeah let me

215

00:08:48,230 --> 00:08:47,200

see what you got i'd love to see what

216

00:08:50,470 --> 00:08:48,240

you got

217

00:08:52,790 --> 00:08:50,480

sure and i've enhanced this a little bit

218

00:08:58,470 --> 00:08:52,800

i zoomed in i tried to clean it up i

219

00:08:58,480 --> 00:09:03,430

one second here

220

00:09:07,110 --> 00:09:05,509

and i'm going to mute the

221

00:09:09,430 --> 00:09:07,120

audio

222

00:09:15,910 --> 00:09:09,440

this is the first one of the money shots

223

00:09:19,509 --> 00:09:16,790

okay

224

00:09:21,350 --> 00:09:19,519

so that's that's uh jake allegedly

225

00:09:24,550 --> 00:09:21,360

that's the name he gave to this one

226

00:09:26,949 --> 00:09:24,560

that's a young male sasquatch

227

00:09:28,150 --> 00:09:26,959

i believe he was around uh he had set

228

00:09:30,070 --> 00:09:28,160

around

229

00:09:32,470 --> 00:09:30,080

three to five years old at that time i

230

00:09:36,870 --> 00:09:32,480

can't i can't believe that he has pet

231

00:09:38,630 --> 00:09:36,880

names for all his sasquatch friends

232

00:09:40,710 --> 00:09:38,640

now watch the eye

233

00:09:46,470 --> 00:09:40,720

i hope you get the eye closure on this

234

00:09:49,670 --> 00:09:47,910

yeah i don't even know that it looked

235

00:09:51,509 --> 00:09:49,680

like it fully closed it looked like it

236

00:09:53,509 --> 00:09:51,519

just moved a little bit like the brow

237

00:09:56,400 --> 00:09:53,519

moved a little bit yeah it's really

238

00:10:04,150 --> 00:09:56,410

weird

239

00:10:09,030 --> 00:10:05,990

could you imagine though if if we're

240

00:10:11,110 --> 00:10:09,040

really looking at a sasquatch right now

241

00:10:13,350 --> 00:10:11,120

i mean that would be spectacular that

242

00:10:15,509 --> 00:10:13,360

would be earth-shattering it would be it

243

00:10:17,190 --> 00:10:15,519

would change all of human history as we

244

00:10:18,389 --> 00:10:17,200

know it right

245

00:10:27,350 --> 00:10:18,399

i

246

00:10:29,030 --> 00:10:27,360

world of humans

247

00:10:30,870 --> 00:10:29,040

that's why it's fascinating that's why i

248

00:10:32,870 --> 00:10:30,880

like bigfoot because it's a mystery and

249

00:10:34,790 --> 00:10:32,880

it's and it's it would be amazing if

250

00:10:37,430 --> 00:10:34,800

there were creatures and you know what

251

00:10:39,269 --> 00:10:37,440

somewhere in time there was

252

00:10:42,069 --> 00:10:39,279

somewhere in time a long time ago there

253

00:10:44,430 --> 00:10:42,079

was oh right creatures halfway between

254

00:10:47,509 --> 00:10:44,440

apes and us yep yeah we had

255

00:10:51,910 --> 00:10:47,519

gigantopithecus which was a similar uh

256

00:10:55,750 --> 00:10:53,750

yeah you know i i will give todd one

257

00:10:59,269 --> 00:10:55,760

thing he does go out into the field for

258

00:11:01,350 --> 00:10:59,279

days on end i mean that's fact um

259

00:11:03,910 --> 00:11:01,360

they actually sent out canadian a

260

00:11:05,509 --> 00:11:03,920

canadian rescue team for him one time uh

261

00:11:07,030 --> 00:11:05,519

when he went out on an expedition he

262

00:11:08,069 --> 00:11:07,040

didn't come back uh i don't think

263

00:11:09,829 --> 00:11:08,079

somebody's

264

00:11:11,910 --> 00:11:09,839

you know somebody put that in there yeah

265

00:11:14,069 --> 00:11:11,920

somebody put that in the comments of my

266

00:11:16,949 --> 00:11:14,079

of another one of

267

00:11:19,110 --> 00:11:16,959

the videos in this series and i i didn't

268

00:11:21,110 --> 00:11:19,120

know that but yeah

269

00:11:22,630 --> 00:11:21,120

i don't know this uh

270

00:11:24,389 --> 00:11:22,640

i don't know that that spending a lot of

271

00:11:25,990 --> 00:11:24,399

time out in the woods is not an argument

272

00:11:27,829 --> 00:11:26,000

for why you really

273

00:11:29,590 --> 00:11:27,839

are hanging out with big bigfoot

274

00:11:30,790 --> 00:11:29,600

creatures first right right well if you

275

00:11:32,710 --> 00:11:30,800

and i think

276

00:11:35,110 --> 00:11:32,720

because when i go out in the woods a lot

277

00:11:37,670 --> 00:11:35,120

but i'm not going hey look i got a bunch

278

00:11:42,230 --> 00:11:39,910

yeah yeah well i mean if you and i went

279

00:11:43,750 --> 00:11:42,240

out into the uh up in the adirondacks

280

00:11:45,509 --> 00:11:43,760

and we said to our wives we're gonna go

281

00:11:47,430 --> 00:11:45,519

away for three days camping and look for

282

00:11:49,430 --> 00:11:47,440

bigfoot and then next thing you know it

283

00:11:50,710 --> 00:11:49,440

was seven days later when we're not back

284

00:11:52,389 --> 00:11:50,720

you know they're gonna send out a search

285

00:11:54,230 --> 00:11:52,399

party for us so i mean that's gonna

286

00:11:56,389 --> 00:11:54,240

happen if anybody goes missing that

287

00:11:58,069 --> 00:11:56,399

doesn't mean you know he was out there

288

00:12:01,190 --> 00:11:58,079

looking for bigfoot or hanging out with

289

00:12:04,150 --> 00:12:01,200

things and also given his propensity for

290

00:12:05,269 --> 00:12:04,160

uh let's just i think he does what i

291

00:12:07,110 --> 00:12:05,279

would term

292

00:12:09,190 --> 00:12:07,120

as publicity stunts

293

00:12:11,030 --> 00:12:09,200

yeah i think they didn't get a court he

294

00:12:12,870 --> 00:12:11,040

did a court case that in the sole

295

00:12:15,350 --> 00:12:12,880

purpose of that court case

296

00:12:17,670 --> 00:12:15,360

it was supposed to be to have bigfoot

297

00:12:20,310 --> 00:12:17,680

declared uh like an endangered species

298

00:12:21,430 --> 00:12:20,320

and be protected or something but which

299

00:12:25,610 --> 00:12:21,440

was

300

00:12:27,430 --> 00:12:25,620

on him and to sell his

301
00:12:28,870 --> 00:12:27,440

[Music]

302
00:12:29,990 --> 00:12:28,880
story i guess

303
00:12:31,590 --> 00:12:30,000
yeah right well he's selling he's

304
00:12:34,230 --> 00:12:31,600
selling a lot of stuff

305
00:12:36,550 --> 00:12:34,240
he sells autographs pictures of of these

306
00:12:38,470 --> 00:12:36,560
uh alleged bigfoots

307
00:12:41,590 --> 00:12:38,480
i didn't know that really

308
00:12:43,350 --> 00:12:41,600
yeah stickers has uh videos you could

309
00:12:46,230 --> 00:12:43,360
buy all of that stuff on his up on his

310
00:12:48,710 --> 00:12:46,240
page oh it's the store i didn't see this

311
00:12:51,590 --> 00:12:48,720
yes yeah let's let's look at the merch

312
00:12:54,550 --> 00:12:51,600
you got merch he got america right he's

313
00:12:55,910 --> 00:12:54,560

got merchants i mean this is this is

314

00:12:57,030 --> 00:12:55,920

great

315

00:12:59,430 --> 00:12:57,040

because if i

316

00:13:01,990 --> 00:12:59,440

if i really discovered real bigfoot

317

00:13:04,389 --> 00:13:02,000

creatures and had 100 proof that

318

00:13:06,790 --> 00:13:04,399

sasquatches are real the first thing i

319

00:13:11,269 --> 00:13:06,800

would do is make some t-shirts to sell

320

00:13:13,269 --> 00:13:11,279

anthony this is totally not sketch

321

00:13:16,310 --> 00:13:13,279

come on

322

00:13:18,470 --> 00:13:16,320

i mean i i i i'm an animal lover but

323

00:13:20,949 --> 00:13:18,480

when it comes to bigfoot

324

00:13:22,550 --> 00:13:20,959

that's one animal i would shoot to prove

325

00:13:24,790 --> 00:13:22,560

that it's real i mean if you're around

326

00:13:26,470 --> 00:13:24,800

them that much why did why didn't you

327

00:13:28,870 --> 00:13:26,480

shoot one why didn't you dart one a

328

00:13:30,310 --> 00:13:28,880

tranquilizer i know they're gigantic no

329

00:13:31,829 --> 00:13:30,320

you're not supposed to do that you're

330

00:13:33,910 --> 00:13:31,839

not supposed to

331

00:13:35,750 --> 00:13:33,920

well all right if you could tranquilize

332

00:13:37,350 --> 00:13:35,760

an elephant a rhinoceros any type of

333

00:13:39,509 --> 00:13:37,360

those big animals why can't you dot a

334

00:13:41,269 --> 00:13:39,519

bigfoot and get blood and hair and and

335

00:13:43,509 --> 00:13:41,279

skin samples and all those stuff we need

336

00:13:44,870 --> 00:13:43,519

to to prove that the animal's real for

337

00:13:46,949 --> 00:13:44,880

once and for all just to bring some

338

00:13:49,030 --> 00:13:46,959

closure to it already but nothing yet

339

00:13:50,949 --> 00:13:49,040

well there's people lately that claimed

340

00:13:52,710 --> 00:13:50,959

that they had bigfoot dna but that's oh

341

00:13:55,509 --> 00:13:52,720

there's people that swear they've got

342

00:13:57,509 --> 00:13:55,519

bigfoot dna that's all horseshit

343

00:13:58,870 --> 00:13:57,519

yeah people that swear they shot bigfoot

344

00:14:00,710 --> 00:13:58,880

and they had blood on their boots and

345

00:14:01,430 --> 00:14:00,720

they test their boots and it's bad blood

346

00:14:05,509 --> 00:14:01,440

and

347

00:14:11,750 --> 00:14:08,310

but look we got hats we got patches we

348

00:14:14,949 --> 00:14:11,760

got sign jake and jane photo images

349

00:14:18,069 --> 00:14:14,959

yep we've got stickers and more hats and

350

00:14:20,310 --> 00:14:18,079

what else do we what else

351
00:14:23,750 --> 00:14:20,320
yes more stickers

352
00:14:24,710 --> 00:14:23,760
a poster you could get a poster

353
00:14:26,550 --> 00:14:24,720
this is

354
00:14:28,150 --> 00:14:26,560
ridiculous

355
00:14:29,590 --> 00:14:28,160
and for an extra thirty dollars it'll

356
00:14:32,470 --> 00:14:29,600
autograph it

357
00:14:34,949 --> 00:14:32,480
it's so obvious to me that it's this is

358
00:14:37,110 --> 00:14:34,959
okay well let's go to the next part of

359
00:14:39,189 --> 00:14:37,120
the footage right you know todd standing

360
00:14:40,550 --> 00:14:39,199
actually uh he sold me a sasquatch i got

361
00:14:46,310 --> 00:14:40,560
it stuffed here in the office it was

362
00:14:49,990 --> 00:14:48,470
that's great

363
00:14:52,150 --> 00:14:50,000

all right we're gonna go to the next

364

00:14:54,150 --> 00:14:52,160

face of bigfoot and this is if you're

365

00:14:55,750 --> 00:14:54,160

just joining us friends you're watching

366

00:14:58,710 --> 00:14:55,760

truth seekers i'm here with my friend

367

00:15:00,230 --> 00:14:58,720

anthony from unidentified s4 channel

368

00:15:01,829 --> 00:15:00,240

and we're kind of having some fun

369

00:15:03,110 --> 00:15:01,839

looking at this

370

00:15:04,389 --> 00:15:03,120

bigfoot

371

00:15:07,670 --> 00:15:04,399

um

372

00:15:15,020 --> 00:15:10,310

films this person todd standing made is

373

00:15:15,030 --> 00:15:29,509

[Music]

374

00:15:29,519 --> 00:15:32,440

okay

375

00:15:57,590 --> 00:15:34,470

[Music]

376

00:16:02,470 --> 00:15:58,629

what are your thoughts on this one

377

00:16:04,470 --> 00:16:02,480

anthony okay so this one is uh

378

00:16:06,550 --> 00:16:04,480

you were speechless about this one it's

379

00:16:09,189 --> 00:16:06,560

so good i i saw you had the microphone

380

00:16:12,550 --> 00:16:09,199

muted so site yeah i did yeah

381

00:16:15,509 --> 00:16:12,560

um this one's uh allegedly jane the

382

00:16:17,829 --> 00:16:15,519

female sasquatch in the same tribe

383

00:16:19,749 --> 00:16:17,839

uh or troop as the other one we've seen

384

00:16:23,749 --> 00:16:19,759

jake he believes their brother and

385

00:16:25,350 --> 00:16:23,759

sister in this tribe or trooper

386

00:16:28,470 --> 00:16:25,360

so this one would be a female that we're

387

00:16:29,630 --> 00:16:28,480

looking at allegedly allegedly he's got

388

00:16:33,189 --> 00:16:29,640

brothers and sisters

389

00:16:39,509 --> 00:16:35,670

he believes that these uh sasquatch

390

00:16:41,350 --> 00:16:39,519

travel in groups of uh six to ten

391

00:16:43,829 --> 00:16:41,360

and uh during the day the youngest

392

00:16:46,629 --> 00:16:43,839

sasquatches are the ones that are out uh

393

00:16:48,389 --> 00:16:46,639

he calls them the day watcher so they'll

394

00:16:49,910 --> 00:16:48,399

stay at the highest point and they'll

395

00:16:51,350 --> 00:16:49,920

look for hunters or anything coming in

396

00:16:53,269 --> 00:16:51,360

close to the troop

397

00:16:54,870 --> 00:16:53,279

he also believes that these tree breaks

398

00:16:56,629 --> 00:16:54,880

and everything mean not to go in certain

399

00:16:57,670 --> 00:16:56,639

areas and what have you

400

00:17:00,150 --> 00:16:57,680

um

401
00:17:03,590 --> 00:17:00,160
but this one here looks the fakest out

402
00:17:09,029 --> 00:17:05,189
but then again i've never seen a female

403
00:17:13,429 --> 00:17:11,110
yeah i don't know

404
00:17:15,110 --> 00:17:13,439
yeah you know i want to believe it i

405
00:17:17,350 --> 00:17:15,120
mean i'm a wanna believer i would i

406
00:17:19,750 --> 00:17:17,360
would love that to be real man because

407
00:17:21,829 --> 00:17:19,760
that's that would be

408
00:17:24,309 --> 00:17:21,839
game changer

409
00:17:25,429 --> 00:17:24,319
what are the odds stephen of him going

410
00:17:27,189 --> 00:17:25,439
out there and getting all this

411
00:17:36,870 --> 00:17:27,199
spectacular footage and why are they

412
00:17:41,750 --> 00:17:39,270
yeah yeah it looks like a set you build

413
00:17:43,990 --> 00:17:41,760

a set you place the actor on the set

414

00:17:45,990 --> 00:17:44,000

whether the actor is a pup whether that

415

00:17:46,789 --> 00:17:46,000

after somebody in a mask or a puppet

416

00:17:48,710 --> 00:17:46,799

head

417

00:17:50,230 --> 00:17:48,720

or a stick that somebody's behind a rock

418

00:17:52,150 --> 00:17:50,240

holding up

419

00:17:55,110 --> 00:17:52,160

and if i'm if i'm not mistaken his

420

00:17:57,990 --> 00:17:55,120

sister louise is a um

421

00:17:59,669 --> 00:17:58,000

makeup artist uh specialist

422

00:18:02,630 --> 00:17:59,679

special effects artist i've heard that

423

00:18:04,470 --> 00:18:02,640

many times but he denies that

424

00:18:05,830 --> 00:18:04,480

i've i've watched a video of his where

425

00:18:07,350 --> 00:18:05,840

he denied that

426

00:18:09,350 --> 00:18:07,360

yeah he'll he'll say

427

00:18:12,549 --> 00:18:09,360

true yeah he'll swear up and down

428

00:18:14,310 --> 00:18:12,559

uh that he's spoke to makeup artists and

429

00:18:16,789 --> 00:18:14,320

this could not be animatronic they could

430

00:18:20,150 --> 00:18:16,799

not make prosthetics that look like that

431

00:18:22,950 --> 00:18:20,160

um he he even has video where he uh

432

00:18:24,710 --> 00:18:22,960

gets the actual uh tree branch and the

433

00:18:27,270 --> 00:18:24,720

actual pine needles from that time of

434

00:18:29,190 --> 00:18:27,280

year and measure them across the nose or

435

00:18:31,110 --> 00:18:29,200

from eye to eye to show you you know how

436

00:18:33,510 --> 00:18:31,120

long it is you know how far apart these

437

00:18:35,669 --> 00:18:33,520

eyes are how far the bridge of the nose

438

00:18:37,750 --> 00:18:35,679

is and it's like you know from what he

439

00:18:40,070 --> 00:18:37,760

says it's like three or four times the

440

00:18:42,549 --> 00:18:40,080

human size he's saying these things are

441

00:18:46,470 --> 00:18:42,559

between nine and 12 feet tall uh you

442

00:18:48,710 --> 00:18:46,480

know between 800 to 1000 plus pounds

443

00:18:51,110 --> 00:18:48,720

well that's a lot of claims but there's

444

00:18:53,430 --> 00:18:51,120

like i've no proof what is the evidence

445

00:18:56,390 --> 00:18:53,440

for this and i did see the eyeball thing

446

00:18:58,710 --> 00:18:56,400

but yeah i was i was less than convinced

447

00:19:01,029 --> 00:18:58,720

you know he basically argued that the

448

00:19:03,750 --> 00:19:01,039

distance between the eyeballs were much

449

00:19:06,070 --> 00:19:03,760

bigger than a human's correct

450

00:19:08,150 --> 00:19:06,080

distance between the eyeballs

451
00:19:09,110 --> 00:19:08,160
okay but if it's a puppet and not a

452
00:19:10,630 --> 00:19:09,120
human

453
00:19:12,070 --> 00:19:10,640
right or not a living breathing creature

454
00:19:13,909 --> 00:19:12,080
then you can put the eyeballs wherever

455
00:19:15,830 --> 00:19:13,919
you want them any way you want exactly

456
00:19:17,590 --> 00:19:15,840
yeah then if it's a mask you can put the

457
00:19:19,750 --> 00:19:17,600
eyeballs wherever you want them and just

458
00:19:22,630 --> 00:19:19,760
have somebody that's got

459
00:19:26,870 --> 00:19:22,640
bad badly reduced vision and a mask or

460
00:19:30,549 --> 00:19:28,710
he does have he does have some

461
00:19:32,549 --> 00:19:30,559
compelling clips i don't know if you

462
00:19:34,150 --> 00:19:32,559
haven't but he does he does have one or

463
00:19:36,310 --> 00:19:34,160

two that make it really scratch your

464

00:19:39,190 --> 00:19:36,320

head

465

00:19:47,190 --> 00:19:39,200

okay well we have we have

466

00:19:47,200 --> 00:19:51,770

one second let me get that out for us

467

00:19:51,780 --> 00:20:06,950

[Music]

468

00:20:11,029 --> 00:20:08,470

and that's what i called the blackface

469

00:20:13,430 --> 00:20:11,039

bigfoot yeah this one uh the name is

470

00:20:17,110 --> 00:20:13,440

actually kubota is what he named this

471

00:20:17,909 --> 00:20:17,120

one uh he actually claimed that he heard

472

00:20:20,149 --> 00:20:17,919

uh

473

00:20:22,470 --> 00:20:20,159

the sasquatch talking amongst each other

474

00:20:24,950 --> 00:20:22,480

one time now allegedly this particular

475

00:20:26,710 --> 00:20:24,960

sasquatch named kubota they hear the

476
00:20:29,510 --> 00:20:26,720
sasquatch speaking in their language

477
00:20:31,510 --> 00:20:29,520
chat or whatever and the words they

478
00:20:32,950 --> 00:20:31,520
mumbled were kabota

479
00:20:35,270 --> 00:20:32,960
and that's how he got the name for this

480
00:20:37,270 --> 00:20:35,280
particular uh sasquatch that we're

481
00:20:40,230 --> 00:20:37,280
looking at here and he claimed that it

482
00:20:42,149 --> 00:20:40,240
was an elder sasquatch very old uh

483
00:20:43,590 --> 00:20:42,159
receding hairline had a limp you must

484
00:20:46,070 --> 00:20:43,600
had an injured foot

485
00:20:48,070 --> 00:20:46,080
naturally we don't see it

486
00:20:49,029 --> 00:20:48,080
hold on wait wait wait wait wait wait

487
00:20:49,909 --> 00:20:49,039
wait wait wait wait wait wait wait wait

488
00:20:52,870 --> 00:20:49,919

wait wait wait wait

489

00:20:55,830 --> 00:20:52,880

wait wait receding hairline he found a

490

00:20:57,510 --> 00:20:55,840

old ass bald bigfoot really

491

00:20:58,310 --> 00:20:57,520

yeah that's the story he's going with

492

00:21:07,510 --> 00:20:58,320

yeah

493

00:21:10,070 --> 00:21:07,520

and the best was how he came up with the

494

00:21:12,149 --> 00:21:10,080

name for a kubota he actually said he

495

00:21:13,990 --> 00:21:12,159

heard these other bigfoot sasquatch

496

00:21:15,750 --> 00:21:14,000

talking amongst each other

497

00:21:16,630 --> 00:21:15,760

and they were basically yelling at this

498

00:21:19,110 --> 00:21:16,640

one

499

00:21:20,310 --> 00:21:19,120

and uh they they had yelled kubota like

500

00:21:22,789 --> 00:21:20,320

in other words he was doing something

501
00:21:24,149 --> 00:21:22,799
wrong like whatever he was doing and

502
00:21:25,590 --> 00:21:24,159
that's how he came up with that name

503
00:21:29,029 --> 00:21:25,600
kubota

504
00:21:30,789 --> 00:21:29,039
and if you watch enough of todd [h__h]

505
00:21:32,549 --> 00:21:30,799
you'll hear all this stuff this is

506
00:21:34,710 --> 00:21:32,559
wonderful i didn't know some of this

507
00:21:38,149 --> 00:21:34,720
that he had whole backstories for all

508
00:21:40,149 --> 00:21:38,159
this so my big complaint was uh you know

509
00:21:41,909 --> 00:21:40,159
that that's not a guy with some jungle

510
00:21:45,270 --> 00:21:41,919
face paint on some military you know

511
00:21:47,669 --> 00:21:45,280
camouflage or face paints on or whatever

512
00:21:49,669 --> 00:21:47,679
and they were saying you know his group

513
00:21:51,830 --> 00:21:49,679

of minions came after me like i've never

514

00:21:53,590 --> 00:21:51,840

seen before well look at the eyes

515

00:21:55,350 --> 00:21:53,600

there's no whites in the eyes and then i

516

00:21:57,510 --> 00:21:55,360

posted a picture of a guy in a tattoo

517

00:21:59,750 --> 00:21:57,520

shop getting his whites of his eyes

518

00:22:01,430 --> 00:21:59,760

tattooed black i mean you couldn't find

519

00:22:03,029 --> 00:22:01,440

somebody that had contact lenses that

520

00:22:04,630 --> 00:22:03,039

were all black to do that and paint his

521

00:22:06,149 --> 00:22:04,640

face i mean come on that could be

522

00:22:07,669 --> 00:22:06,159

anybody we're looking at it doesn't look

523

00:22:09,590 --> 00:22:07,679

like a sasquatch that looks like a man

524

00:22:12,470 --> 00:22:09,600

to me

525

00:22:14,230 --> 00:22:12,480

yeah i i tend to agree with you i

526
00:22:15,750 --> 00:22:14,240
thought for a moment that i had nailed

527
00:22:18,310 --> 00:22:15,760
this one and that it was

528
00:22:19,669 --> 00:22:18,320
a gorilla mask uh but it

529
00:22:21,430 --> 00:22:19,679
the more i looked at it the more i

530
00:22:22,789 --> 00:22:21,440
thought that's just grease paint you

531
00:22:23,990 --> 00:22:22,799
know that's one of those

532
00:22:26,149 --> 00:22:24,000
sticks

533
00:22:28,149 --> 00:22:26,159
something just black somebody's face out

534
00:22:29,750 --> 00:22:28,159
and obscure them all but a little bit of

535
00:22:30,710 --> 00:22:29,760
their face and then tell them to blink a

536
00:22:32,549 --> 00:22:30,720
lot

537
00:22:34,630 --> 00:22:32,559
right and even if that's an elder

538
00:22:37,510 --> 00:22:34,640

sasquatch you're telling me he has

539

00:22:39,190 --> 00:22:37,520

absolutely no hair on the face like the

540

00:22:40,549 --> 00:22:39,200

other sasquatches we've seen even the

541

00:22:43,830 --> 00:22:40,559

female

542

00:22:46,070 --> 00:22:43,840

more of her face was defined

543

00:22:50,230 --> 00:22:46,080

there was still a lot of hair on it this

544

00:22:52,789 --> 00:22:50,240

has no hair on his on the face at all

545

00:22:55,430 --> 00:22:52,799

and then he made another argument that

546

00:22:57,110 --> 00:22:55,440

that bigfoot he believed came from

547

00:22:58,549 --> 00:22:57,120

another tribe and ended up staying with

548

00:22:59,830 --> 00:22:58,559

this tree he believes they all come from

549

00:23:01,270 --> 00:22:59,840

different tribes

550

00:23:03,510 --> 00:23:01,280

he believes they're all different shapes

551
00:23:04,710 --> 00:23:03,520
and sizes different places in the world

552
00:23:06,710 --> 00:23:04,720
they look differently and act

553
00:23:09,990 --> 00:23:06,720
differently that's the theory that he's

554
00:23:11,590 --> 00:23:10,000
going on with these uh bigfoots

555
00:23:13,669 --> 00:23:11,600
yeah this is amazing

556
00:23:16,630 --> 00:23:13,679
uh so we have one more pete that one

557
00:23:17,909 --> 00:23:16,640
more money shot from todd standings uh

558
00:23:19,669 --> 00:23:17,919
documentary by the way it's called

559
00:23:22,230 --> 00:23:19,679
discovering bigfoot you can watch it

560
00:23:24,470 --> 00:23:22,240
free on youtube with ads just put

561
00:23:25,669 --> 00:23:24,480
discovering bigfoot in the search bar

562
00:23:27,190 --> 00:23:25,679
you'll find it

563
00:23:29,909 --> 00:23:27,200

you gotta sit through some ads but

564

00:23:32,070 --> 00:23:29,919

everybody can watch it uh and i find it

565

00:23:34,549 --> 00:23:32,080

interesting that he didn't mention all

566

00:23:36,630 --> 00:23:34,559

that uh backstory on each one in that

567

00:23:38,470 --> 00:23:36,640

documentary that you use

568

00:23:40,470 --> 00:23:38,480

you you got to watch them all man

569

00:23:42,390 --> 00:23:40,480

there's like

570

00:23:44,230 --> 00:23:42,400

i watched every one of them man and i

571

00:23:45,590 --> 00:23:44,240

watch him when he goes live

572

00:23:47,750 --> 00:23:45,600

all the time just to hear what other

573

00:23:49,909 --> 00:23:47,760

[h__h] he's going to come up here

574

00:23:51,350 --> 00:23:49,919

like let's see what this what this guy's

575

00:23:53,430 --> 00:23:51,360

saying this week

576

00:23:55,510 --> 00:23:53,440

my favorite was the story that he was

577

00:23:57,669 --> 00:23:55,520

going to work for this group of super

578

00:24:00,149 --> 00:23:57,679

powerful rich people that were getting

579

00:24:01,750 --> 00:24:00,159

an expedition together yeah yeah yeah

580

00:24:03,430 --> 00:24:01,760

they were going to go kill bigfoot and

581

00:24:06,149 --> 00:24:03,440

he was going to be like their tracker

582

00:24:07,990 --> 00:24:06,159

but he was working undercover yeah just

583

00:24:09,590 --> 00:24:08,000

to find out their plans and then he was

584

00:24:11,830 --> 00:24:09,600

going to stop them and nobody's killing

585

00:24:19,430 --> 00:24:14,230

not anthony nobody's killing bigfoot on

586

00:24:23,269 --> 00:24:21,750

yeah okay ridiculous and these guys were

587

00:24:24,710 --> 00:24:23,279

supposed to be like like soldiers that

588

00:24:27,110 --> 00:24:24,720

were going up there to like kill a

589

00:24:29,669 --> 00:24:27,120

bigfoot like ex-military guys but big

590

00:24:31,590 --> 00:24:29,679

bad todd sanders gonna go stop him

591

00:24:32,950 --> 00:24:31,600

maybe special forces

592

00:24:35,029 --> 00:24:32,960

come on man

593

00:24:36,870 --> 00:24:35,039

yeah so that's this last one that we

594

00:24:38,549 --> 00:24:36,880

have here funny he never talks about who

595

00:24:39,990 --> 00:24:38,559

they are though right

596

00:24:42,310 --> 00:24:40,000

that's what i said can i have their

597

00:24:43,269 --> 00:24:42,320

names so i can verify your [h__h]

598

00:24:45,110 --> 00:24:43,279

story

599

00:24:47,110 --> 00:24:45,120

yeah yeah he's never gonna give us their

600

00:24:48,630 --> 00:24:47,120

names he just makes [h__h] up on youtube

601
00:24:50,710 --> 00:24:48,640
it's ridiculous

602
00:24:55,110 --> 00:24:50,720
uh we have one more uh which i just

603
00:25:02,390 --> 00:24:57,190
that'll be it and we'll

604
00:25:07,669 --> 00:25:06,070
so this one uh i called running bigfoot

605
00:25:10,630 --> 00:25:07,679
and uh

606
00:25:13,590 --> 00:25:10,640
all right this video to me is is kind of

607
00:25:15,269 --> 00:25:13,600
compelling and i'll tell you why

608
00:25:17,669 --> 00:25:15,279
that is a very

609
00:25:19,830 --> 00:25:17,679
very very steep incline

610
00:25:21,190 --> 00:25:19,840
and a couple months ago i was up by you

611
00:25:22,950 --> 00:25:21,200
in pennsylvania

612
00:25:24,149 --> 00:25:22,960
and you know how the mountain terrain is

613
00:25:25,909 --> 00:25:24,159

up there

614

00:25:28,950 --> 00:25:25,919

i don't think a man

615

00:25:31,029 --> 00:25:28,960

could run up a shell mountain like that

616

00:25:32,549 --> 00:25:31,039

uh on the angle

617

00:25:34,710 --> 00:25:32,559

that it was going like that and then

618

00:25:37,190 --> 00:25:34,720

they really did some deep deep dive into

619

00:25:39,190 --> 00:25:37,200

this video and somebody another youtuber

620

00:25:40,310 --> 00:25:39,200

did an analog gonna analyze the video

621

00:25:42,470 --> 00:25:40,320

big time

622

00:25:44,070 --> 00:25:42,480

and he pulled the image of that alleged

623

00:25:46,950 --> 00:25:44,080

sasquatch down

624

00:25:48,950 --> 00:25:46,960

and he compared it to one tree a young

625

00:25:50,070 --> 00:25:48,960

sapling that was there that was about 15

626
00:25:52,070 --> 00:25:50,080
feet tall

627
00:25:53,430 --> 00:25:52,080
and when they put todd next to the saint

628
00:25:54,710 --> 00:25:53,440
because todd went up there and stood

629
00:25:56,789 --> 00:25:54,720
there as well and when they put todd

630
00:25:59,990 --> 00:25:56,799
next to that sapling and brought the

631
00:26:02,549 --> 00:26:00,000
sasquatch down and stood it side by side

632
00:26:03,909 --> 00:26:02,559
that particular being that was over nine

633
00:26:06,070 --> 00:26:03,919
feet tall

634
00:26:08,310 --> 00:26:06,080
and maybe twice the size the twice the

635
00:26:10,549 --> 00:26:08,320
width of todd now

636
00:26:12,789 --> 00:26:10,559
cgi can do a lot of things and i wasn't

637
00:26:14,390 --> 00:26:12,799
there when it was made but look at that

638
00:26:15,909 --> 00:26:14,400

that does not look like a guy in the

639

00:26:17,830 --> 00:26:15,919

ghillie suit to me

640

00:26:19,830 --> 00:26:17,840

yeah i don't know i would i would

641

00:26:22,070 --> 00:26:19,840

question this i would question these

642

00:26:24,789 --> 00:26:22,080

size comparisons like how do we oh yeah

643

00:26:26,950 --> 00:26:24,799

no absolutely that's we need to know we

644

00:26:29,750 --> 00:26:26,960

we need to control we need to know

645

00:26:31,669 --> 00:26:29,760

for exactly sure how big a tree was that

646

00:26:33,750 --> 00:26:31,679

this thing walked absolutely i don't

647

00:26:35,909 --> 00:26:33,760

know that i trust todd standing to give

648

00:26:37,510 --> 00:26:35,919

us the measurements of the trees well it

649

00:26:38,789 --> 00:26:37,520

wasn't todd that did it was another

650

00:26:41,110 --> 00:26:38,799

youtuber that did it and his

651
00:26:43,990 --> 00:26:41,120
information's in there but

652
00:26:45,909 --> 00:26:44,000
look at the strides look at the strides

653
00:26:47,350 --> 00:26:45,919
that and this was a person that was

654
00:26:49,830 --> 00:26:47,360
trying to prove todd was a hoax

655
00:26:51,350 --> 00:26:49,840
allegedly but look at the strides that

656
00:26:53,669 --> 00:26:51,360
that animal took

657
00:26:55,190 --> 00:26:53,679
if you back it up uh you know a couple

658
00:26:57,510 --> 00:26:55,200
seconds then you'll you'll see the the

659
00:27:00,390 --> 00:26:57,520
foot strides in between that this thing

660
00:27:03,510 --> 00:27:00,400
takes and uh i don't think people take

661
00:27:05,590 --> 00:27:03,520
such big strides like that going uphill

662
00:27:06,870 --> 00:27:05,600
yeah this is also also unless you're an

663
00:27:09,430 --> 00:27:06,880

olympian

664

00:27:12,390 --> 00:27:09,440

also and this is just a dark form

665

00:27:16,470 --> 00:27:12,400

crouching down behind a rock that he

666

00:27:23,830 --> 00:27:18,549

i thought that was the worst one i

667

00:27:27,750 --> 00:27:25,669

and what you said about it being a steep

668

00:27:29,510 --> 00:27:27,760

incline do you know sometimes at least

669

00:27:31,750 --> 00:27:29,520

where i'm at where my cabin is in the

670

00:27:34,070 --> 00:27:31,760

mountains there's there's hiking trails

671

00:27:36,149 --> 00:27:34,080

all over and then there's game trails

672

00:27:38,870 --> 00:27:36,159

there's just oh yeah you know there's

673

00:27:40,549 --> 00:27:38,880

just clearing trails even in steep

674

00:27:42,950 --> 00:27:40,559

inclines you don't know that there's not

675

00:27:45,190 --> 00:27:42,960

like a perfect trail there

676
00:27:47,110 --> 00:27:45,200
maybe it's narrow but it could be like a

677
00:27:49,830 --> 00:27:47,120
perfect trail up that

678
00:27:52,549 --> 00:27:49,840
up that thing i i don't know this one

679
00:27:55,510 --> 00:27:52,559
left me extremely un

680
00:27:57,510 --> 00:27:55,520
impressed and unconvinced i was just a

681
00:27:59,590 --> 00:27:57,520
little i was just a little shocked about

682
00:28:01,430 --> 00:27:59,600
how white you know the thing was

683
00:28:03,350 --> 00:28:01,440
stepping going uphill i thought that was

684
00:28:07,669 --> 00:28:03,360
pretty stunning when i seen that to be

685
00:28:13,190 --> 00:28:11,669
yeah i don't know so uh you know i don't

686
00:28:14,549 --> 00:28:13,200
i don't know what to think of this

687
00:28:16,389 --> 00:28:14,559
footage because

688
00:28:17,669 --> 00:28:16,399

honestly um

689

00:28:20,149 --> 00:28:17,679

you're actually you're the first person

690

00:28:22,470 --> 00:28:20,159

that said anything good about any of it

691

00:28:23,430 --> 00:28:22,480

at least you i mean that last one maybe

692

00:28:25,190 --> 00:28:23,440

because

693

00:28:27,590 --> 00:28:25,200

everybody so far that i've had look at

694

00:28:28,470 --> 00:28:27,600

this footage was like this is just you

695

00:28:30,149 --> 00:28:28,480

know

696

00:28:31,909 --> 00:28:30,159

it's too fantastic

697

00:28:33,909 --> 00:28:31,919

everybody thinks it's fake that that

698

00:28:35,350 --> 00:28:33,919

i've shown it to i haven't i haven't i

699

00:28:37,110 --> 00:28:35,360

want to find somebody that thinks it's

700

00:28:38,950 --> 00:28:37,120

really real

701

00:28:40,950 --> 00:28:38,960

all of it right well i mean i i don't

702

00:28:43,909 --> 00:28:40,960

think it's really real man unfortunately

703

00:28:46,389 --> 00:28:43,919

i think uh it's awesome i think if it

704

00:28:48,310 --> 00:28:46,399

was real it would be a game changer i

705

00:28:50,549 --> 00:28:48,320

think he did a phenomenal job on

706

00:28:52,070 --> 00:28:50,559

production for that i mean if he would

707

00:28:53,669 --> 00:28:52,080

have made a movie out of it he would

708

00:28:55,830 --> 00:28:53,679

have probably got more money

709

00:28:57,909 --> 00:28:55,840

oh he made a documentary movie yeah but

710

00:28:59,510 --> 00:28:57,919

i mean like a real movie using those

711

00:29:00,630 --> 00:28:59,520

bigfoots that he had in it because i

712

00:29:02,310 --> 00:29:00,640

mean look at those things they're

713

00:29:04,389 --> 00:29:02,320

awesome looking right those are really

714

00:29:06,630 --> 00:29:04,399

cool oh you mean like a fiction movie

715

00:29:08,310 --> 00:29:06,640

maybe yeah yeah that's a great what

716

00:29:10,630 --> 00:29:08,320

absolutely somebody maybe meets a big

717

00:29:12,549 --> 00:29:10,640

foot or group of bigfoot yeah that would

718

00:29:13,990 --> 00:29:12,559

be about happen

719

00:29:16,149 --> 00:29:14,000

that would have been wild i would love

720

00:29:17,909 --> 00:29:16,159

to sit down and watch that but to try to

721

00:29:20,310 --> 00:29:17,919

tell me that you know all those things

722

00:29:22,230 --> 00:29:20,320

are family and he's the only one that

723

00:29:25,190 --> 00:29:22,240

you know has access to them

724

00:29:27,190 --> 00:29:25,200

uh i'm sorry man you're full of [\h__\h] uh

725

00:29:29,110 --> 00:29:27,200

but some of the footage might be real

726

00:29:32,230 --> 00:29:29,120

like that one going up into the woods

727

00:29:33,830 --> 00:29:32,240

very well could be uh you know a bigfoot

728

00:29:35,909 --> 00:29:33,840

that could be the one piece of real

729

00:29:37,990 --> 00:29:35,919

footage that he got and then he hopes

730

00:29:40,310 --> 00:29:38,000

the rest you know to try to keep up with

731

00:29:41,990 --> 00:29:40,320

the with the scam but who the hell knows

732

00:29:43,909 --> 00:29:42,000

man i wasn't there

733

00:29:45,830 --> 00:29:43,919

and uh you know you know what i do i go

734

00:29:46,870 --> 00:29:45,840

out in the field and i like to look for

735

00:29:49,669 --> 00:29:46,880

you

736

00:29:51,669 --> 00:29:49,679

i'm sure there's people out there that

737

00:29:53,110 --> 00:29:51,679

you know say you know my shit's birds or

738

00:29:54,950 --> 00:29:53,120

it's [\h__\h] satellites and i'm a

739

00:29:56,149 --> 00:29:54,960

[\h__\h] artist but um there's other

740

00:29:57,590 --> 00:29:56,159

people out there that would want to give

741

00:29:59,430 --> 00:29:57,600

me the benefit of the doubt out there

742

00:30:00,789 --> 00:29:59,440

too and you know i want to just give the

743

00:30:02,710 --> 00:30:00,799

guy the benefit of the doubt because i

744

00:30:05,750 --> 00:30:02,720

wasn't there you know what i mean so i i

745

00:30:09,909 --> 00:30:08,149

well i tried to get somebody to go on

746

00:30:11,750 --> 00:30:09,919

his expeditions but they're all filled

747

00:30:13,909 --> 00:30:11,760

up for right i'm not sure if it's a year

748

00:30:15,750 --> 00:30:13,919

or two years yeah good morning

749

00:30:17,750 --> 00:30:15,760

next summer and then he only picks like

750

00:30:18,870 --> 00:30:17,760

three or four people out of 20 that

751
00:30:21,110 --> 00:30:18,880
apply

752
00:30:23,350 --> 00:30:21,120
so it's hard to leave it he's leaving

753
00:30:25,510 --> 00:30:23,360
money on the table then you know yeah

754
00:30:27,510 --> 00:30:25,520
it's all right very expensive dude if i

755
00:30:30,230 --> 00:30:27,520
was him i would buy a whole bunch of

756
00:30:32,789 --> 00:30:30,240
tents i would take everybody 3 500 times

757
00:30:34,710 --> 00:30:32,799
100 that's a that's a nice weak

758
00:30:37,190 --> 00:30:34,720
paycheck right

759
00:30:39,590 --> 00:30:37,200
he has a girl working with him now

760
00:30:40,710 --> 00:30:39,600
that's an empath maybe that could be a

761
00:30:42,389 --> 00:30:40,720
good lead

762
00:30:44,310 --> 00:30:42,399
for you she's fairly new she's like on

763
00:30:47,269 --> 00:30:44,320

the last two episodes of the sh of the

764

00:30:48,470 --> 00:30:47,279

show he does on youtube i can't remember

765

00:30:49,909 --> 00:30:48,480

her name

766

00:30:51,830 --> 00:30:49,919

yeah but that could be a good lead for

767

00:30:53,190 --> 00:30:51,840

you to uh dig into maybe you can get

768

00:30:54,549 --> 00:30:53,200

hurt better than you can get him and

769

00:30:56,630 --> 00:30:54,559

talk to her because she goes out with

770

00:30:58,230 --> 00:30:56,640

him all the time

771

00:31:00,950 --> 00:30:58,240

that's interesting though and she's

772

00:31:02,549 --> 00:31:00,960

supposed to be a psychic that goes out

773

00:31:06,549 --> 00:31:02,559

there and she could talk to bigfoot in

774

00:31:08,950 --> 00:31:06,559

her mind so the show the show

775

00:31:10,870 --> 00:31:08,960

oh my god this is getting better and

776
00:31:13,509 --> 00:31:10,880
better

777
00:31:16,070 --> 00:31:13,519
psychic there's a psychic girl

778
00:31:17,669 --> 00:31:16,080
that can talk to the bigfoot creature

779
00:31:19,190 --> 00:31:17,679
yeah man

780
00:31:20,070 --> 00:31:19,200
and does she tell everybody what they

781
00:31:22,870 --> 00:31:20,080
say

782
00:31:26,789 --> 00:31:22,880
i'm looking for it right now so you did

783
00:31:29,830 --> 00:31:27,669
yeah

784
00:31:31,350 --> 00:31:29,840
you know i i literally spit my coffee

785
00:31:33,669 --> 00:31:31,360
out when i seen it the first time i'm

786
00:31:35,269 --> 00:31:33,679
like this this woman's really trying to

787
00:31:37,190 --> 00:31:35,279
tell me that she's talking to bigfoot

788
00:31:38,710 --> 00:31:37,200

right now but that could be a good if

789

00:31:40,710 --> 00:31:38,720

you could find that girl somewhere that

790

00:31:43,350 --> 00:31:40,720

could be a good lead uh for you to get

791

00:31:46,710 --> 00:31:43,360

some questions answered that girl ashley

792

00:31:48,230 --> 00:31:46,720

hey yeah maybe i could i don't know

793

00:31:50,310 --> 00:31:48,240

there's

794

00:31:51,190 --> 00:31:50,320

i have another uh video that i could

795

00:31:52,789 --> 00:31:51,200

share

796

00:31:54,149 --> 00:31:52,799

this one is

797

00:31:56,630 --> 00:31:54,159

no it's a little long i'm not going to

798

00:31:58,310 --> 00:31:56,640

share that one

799

00:32:00,549 --> 00:31:58,320

but

800

00:32:02,950 --> 00:32:00,559

in one situation that i found on youtube

801
00:32:04,149 --> 00:32:02,960
some random youtuber he took somebody

802
00:32:05,909 --> 00:32:04,159
out hiking

803
00:32:07,750 --> 00:32:05,919
to look for bigfoot a guy that had a

804
00:32:08,549 --> 00:32:07,760
huge youtube following

805
00:32:10,549 --> 00:32:08,559
um

806
00:32:12,149 --> 00:32:10,559
and in the backseat of his car was a

807
00:32:14,389 --> 00:32:12,159
bigfoot glove

808
00:32:15,909 --> 00:32:14,399
which i found incredibly suspect

809
00:32:17,509 --> 00:32:15,919
like why would

810
00:32:19,269 --> 00:32:17,519
what

811
00:32:21,190 --> 00:32:19,279
like the prop was in in the vehicle

812
00:32:23,750 --> 00:32:21,200
you're saying yes

813
00:32:24,710 --> 00:32:23,760

oh man let me see if i can get this cued

814

00:32:27,669 --> 00:32:24,720

and then

815

00:32:30,950 --> 00:32:27,679

the whole video that i have here because

816

00:32:31,830 --> 00:32:30,960

it's got a lot of him talking and

817

00:32:34,149 --> 00:32:31,840

i mean

818

00:32:37,190 --> 00:32:34,159

when the bigfoot community doesn't like

819

00:32:38,630 --> 00:32:37,200

you man there's a really good chance

820

00:32:41,430 --> 00:32:38,640

you're a hoaxer

821

00:32:45,190 --> 00:32:41,440

yeah and and my issue is that he

822

00:32:47,269 --> 00:32:45,200

he shows this uh this footage of logs

823

00:32:50,549 --> 00:32:47,279

and apples on logs

824

00:32:52,310 --> 00:32:50,559

and then he says that the bigfoot is

825

00:32:54,230 --> 00:32:52,320

taking the apples there's a bigfoot over

826

00:32:57,110 --> 00:32:54,240

here there's a bigfoot over here

827

00:33:00,389 --> 00:32:57,120

and then uh we'll see what happens this

828

00:33:01,269 --> 00:33:00,399

random youtuber was in his car

829

00:33:03,750 --> 00:33:01,279

right

830

00:33:06,070 --> 00:33:03,760

yeah going to some hiking trail to see

831

00:33:07,990 --> 00:33:06,080

bigfoot and

832

00:33:09,669 --> 00:33:08,000

they saw a bigfoot glove in his back

833

00:33:12,870 --> 00:33:09,679

seat

834

00:33:14,870 --> 00:33:12,880

believe amazing i believe it

835

00:33:18,389 --> 00:33:14,880

there's actually a video

836

00:33:21,029 --> 00:33:18,399

where you see a log set up in the forest

837

00:33:22,389 --> 00:33:21,039

and oh i can oh you know what

838

00:33:24,870 --> 00:33:22,399

i can i can

839

00:33:27,590 --> 00:33:24,880

i can play that i have that right here i

840

00:33:30,149 --> 00:33:27,600

can play i wonder if those are the exact

841

00:33:31,909 --> 00:33:30,159

pair of hands that he used to do that

842

00:33:33,830 --> 00:33:31,919

yeah why would he have a bigfoot glove

843

00:33:35,830 --> 00:33:33,840

in his backseat it's a little suspicious

844

00:33:38,549 --> 00:33:35,840

when he's doing footage like this

845

00:33:41,110 --> 00:33:38,559

although what i will say anthony is that

846

00:33:43,269 --> 00:33:41,120

i really i'm going to show you the the

847

00:33:45,990 --> 00:33:43,279

unenhanced footage of his

848

00:33:48,710 --> 00:33:46,000

look a bigfoot has taken my

849

00:33:51,909 --> 00:33:48,720

apples off this log right

850

00:33:55,909 --> 00:33:51,919

but i did enhance it and it's so grainy

851
00:34:01,909 --> 00:33:58,710
whatever it's it's way back in the frame

852
00:34:03,830 --> 00:34:01,919
this but i think this is awesome

853
00:34:04,710 --> 00:34:03,840
oh man that cut out of metal

854
00:34:06,630 --> 00:34:04,720
yes

855
00:34:07,990 --> 00:34:06,640
that's great man isn't that beautiful

856
00:34:10,470 --> 00:34:08,000
that's how much

857
00:34:12,710 --> 00:34:10,480
this is how much i love bigfoot and

858
00:34:15,430 --> 00:34:12,720
wanting to be real but

859
00:34:16,710 --> 00:34:15,440
you know my desire for him to be real

860
00:34:18,149 --> 00:34:16,720
doesn't make it

861
00:34:20,470 --> 00:34:18,159
i found bigfoot

862
00:34:21,129 --> 00:34:20,480
it's show and tell time you're on two

863
00:34:22,710 --> 00:34:21,139

seekers

864

00:34:24,710 --> 00:34:22,720

[Music]

865

00:34:28,230 --> 00:34:24,720

but isn't it interesting you know like

866

00:34:30,149 --> 00:34:28,240

even if even if you if if you know that

867

00:34:32,149 --> 00:34:30,159

a lot of this is [h__\h] it's it's fun

868

00:34:34,950 --> 00:34:32,159

to to imagine

869

00:34:35,990 --> 00:34:34,960

it's fun man what if it's not look man

870

00:34:39,909 --> 00:34:36,000

you know

871

00:34:42,310 --> 00:34:39,919

was up up in pennsylvania you're looking

872

00:34:43,669 --> 00:34:42,320

for bigfoot not too long ago man

873

00:34:45,430 --> 00:34:43,679

you know this this you know what's funny

874

00:34:47,589 --> 00:34:45,440

is there's bigfoot sightings all around

875

00:34:49,510 --> 00:34:47,599

my cabin and i've been wanting to go

876

00:34:50,950 --> 00:34:49,520

talk to the people and look around but

877

00:34:52,389 --> 00:34:50,960

i'm like i don't know

878

00:34:54,790 --> 00:34:52,399

i don't think i want to get into this

879

00:34:56,310 --> 00:34:54,800

rabbit hole the first thing tonight

880

00:34:57,910 --> 00:34:56,320

the first thing i heard when i got up

881

00:35:00,230 --> 00:34:57,920

into your neighborhood up there was the

882

00:35:03,030 --> 00:35:00,240

bigfoot radio station i was like oh man

883

00:35:05,750 --> 00:35:03,040

i'm home i've made it

884

00:35:07,430 --> 00:35:05,760

they got a big foot radio station man

885

00:35:09,430 --> 00:35:07,440

i'm i'm right where i belong i mean

886

00:35:11,190 --> 00:35:09,440

that's so cool man but

887

00:35:12,870 --> 00:35:11,200

you know they lend a lot of credibility

888

00:35:14,310 --> 00:35:12,880

to the fact that people are having

889

00:35:17,270 --> 00:35:14,320

sightings and then they want the

890

00:35:19,349 --> 00:35:17,280

sightings to be fact and you can't

891

00:35:21,670 --> 00:35:19,359

you know factualize a sighting you have

892

00:35:23,910 --> 00:35:21,680

to physically have tangible evidence you

893

00:35:26,390 --> 00:35:23,920

have to you need a body you need blood

894

00:35:28,150 --> 00:35:26,400

samples you need hair

895

00:35:29,589 --> 00:35:28,160

at this point we need a body until they

896

00:35:32,230 --> 00:35:29,599

drag a body in

897

00:35:34,310 --> 00:35:32,240

nobody's gonna believe is real yeah i

898

00:35:36,390 --> 00:35:34,320

think it's gonna take even two bodies

899

00:35:38,069 --> 00:35:36,400

three bodies because well

900

00:35:40,630 --> 00:35:38,079

you know like what if somebody i don't

901
00:35:42,829 --> 00:35:40,640
know took took apart a chimpanzee and a

902
00:35:44,950 --> 00:35:42,839
gorilla and a human well that's

903
00:35:46,310 --> 00:35:44,960
that's together it's been done before

904
00:35:49,030 --> 00:35:46,320
too man

905
00:35:50,230 --> 00:35:49,040
no i don't think that was real tissue

906
00:35:52,790 --> 00:35:50,240
no no but

907
00:35:54,550 --> 00:35:52,800
the guy froze the the fake uh bigfoot

908
00:35:56,390 --> 00:35:54,560
and he had like chicken bones and [ʌ__ʌ]

909
00:35:58,630 --> 00:35:56,400
inside the body

910
00:36:00,950 --> 00:35:58,640
yes he was

911
00:36:02,870 --> 00:36:00,960
you know just like dr grier's dead alien

912
00:36:04,470 --> 00:36:02,880
baby was like an aborted fetus or

913
00:36:06,150 --> 00:36:04,480

something sick like that or like a dead

914

00:36:08,150 --> 00:36:06,160

chicken baby or whatever they used i

915

00:36:10,390 --> 00:36:08,160

don't know but that that wasn't a real

916

00:36:13,190 --> 00:36:10,400

alien either from that at the common

917

00:36:16,310 --> 00:36:13,200

thing was fake too so so anthony uh

918

00:36:17,670 --> 00:36:16,320

besides looking into this psychic i did

919

00:36:19,589 --> 00:36:17,680

think that i should talk to some of

920

00:36:21,910 --> 00:36:19,599

these girls that he's been hanging out

921

00:36:24,150 --> 00:36:21,920

with oh yeah if i could find them but

922

00:36:25,670 --> 00:36:24,160

it's kind of impossible because in in

923

00:36:27,430 --> 00:36:25,680

some of these videos he just says their

924

00:36:29,750 --> 00:36:27,440

first name he doesn't give links to

925

00:36:31,750 --> 00:36:29,760

their social media accounts or

926

00:36:33,190 --> 00:36:31,760

or anything like that so i'm not sure if

927

00:36:34,950 --> 00:36:33,200

i'll be able to track them down but i'm

928

00:36:36,230 --> 00:36:34,960

willing to give it a shot because i

929

00:36:38,069 --> 00:36:36,240

think that they

930

00:36:40,390 --> 00:36:38,079

they could have some insight into this

931

00:36:42,150 --> 00:36:40,400

whole thing right absolutely

932

00:36:43,910 --> 00:36:42,160

you know like if he's a creepy old man

933

00:36:45,190 --> 00:36:43,920

that ended up being a dirty old man when

934

00:36:45,910 --> 00:36:45,200

they were out there with him i want to

935

00:36:48,870 --> 00:36:45,920

know

936

00:36:52,390 --> 00:36:50,310

i'm going to help you dig into this what

937

00:36:54,630 --> 00:36:52,400

do you think the odds on that are if

938

00:36:56,310 --> 00:36:54,640

we're going to speculate well very good

939

00:36:58,550 --> 00:36:56,320

being as you know todd's wife just

940

00:36:59,829 --> 00:36:58,560

divorced them so i mean i've heard that

941

00:37:00,790 --> 00:36:59,839

yeah so

942

00:37:03,750 --> 00:37:00,800

you know

943

00:37:06,230 --> 00:37:03,760

so he's he's a big he's like single nail

944

00:37:08,710 --> 00:37:06,240

and he's a big star of the bigfoot world

945

00:37:11,190 --> 00:37:08,720

do you know uh because i'm not that

946

00:37:13,910 --> 00:37:11,200

connected into this bigfoot world right

947

00:37:16,550 --> 00:37:13,920

what is the general belief or or

948

00:37:18,710 --> 00:37:16,560

you know is it 50 50 on him in the big

949

00:37:25,349 --> 00:37:18,720

like kind of like

950

00:37:28,550 --> 00:37:27,270

yeah i mean he has this small following

951
00:37:30,710 --> 00:37:28,560
of maybe you know well i shouldn't say

952
00:37:33,109 --> 00:37:30,720
small he's got about you know 90 000

953
00:37:35,589 --> 00:37:33,119
people on his youtube channel but those

954
00:37:37,750 --> 00:37:35,599
are all die hard you know todd standing

955
00:37:39,670 --> 00:37:37,760
fans and i'm sure out of millions of

956
00:37:40,950 --> 00:37:39,680
people you could find a bunch that are

957
00:37:43,109 --> 00:37:40,960
going to be your fans and believe your

958
00:37:44,630 --> 00:37:43,119
[h__h] but you know the rest of the
