22

00:03:04,790 --> 00:03:03,360

23

00:03:08,390 --> 00:03:04,800

24

00:03:10,869 --> 00:03:08,400

25

00:03:13,589 --> 00:03:10,879

again is the invitation to join

27

00:03:19,509 --> 00:03:16,640

so we're here tonight uh

28

00:03:21,830 --> 00:03:19,519

to uh have a discussion and also to

29

00:03:24,229 --> 00:03:21,840

recognize and celebrate

30

00:03:26,869 --> 00:03:24,239

uh a tremendous achievement we've

31

00:03:29,190 --> 00:03:26,879

reached a half a million views so i want

32

00:03:31,350 --> 00:03:29,200

to thank all of you

33

00:03:34,390 --> 00:03:31,360

people who have helped us to get here

34

00:03:36,710 --> 00:03:34,400

especially all of you kind guests who

35

00:03:38,070 --> 00:03:36,720

came here and shared your experiences

36

00:03:41,190 --> 00:03:38,080

your knowledge

37

00:03:43,350 --> 00:03:41,200

or your expertise in helping us craft

38

00:03:46,390 --> 00:03:43,360

some interesting shows

39

00:03:48,550 --> 00:03:46,400

i certainly want to thank spooky and uh

40

00:03:51,750 --> 00:03:48,560

sixth sense as well as b baker and

41

00:03:54,470 --> 00:03:51,760

others uh who help out in the live chat

42

00:03:56,229 --> 00:03:54,480

uh spooky with these excellent graphics

43

00:03:57,910 --> 00:03:56,239

and more

44

00:04:00,550 --> 00:03:57,920

uh

45

00:04:01,990 --> 00:04:00,560

i just saw something and it said

46

00:04:04,470 --> 00:04:02,000

um

47

00:04:05,830 --> 00:04:04,480

you know uh be thankful for how far you

48

00:04:09,030 --> 00:04:05,840

have come

49

00:04:10,070 --> 00:04:09,040

and have faith in how far you can go

50

00:04:12,149 --> 00:04:10,080

um

51  
00:04:14,470 --> 00:04:12,159  
i'm not usually very philosophical but

52  
00:04:17,670 --> 00:04:14,480  
when i started this channel i was coming

53  
00:04:19,909 --> 00:04:17,680  
from audio podcast land where i had

54  
00:04:22,469 --> 00:04:19,919  
very few people listening

55  
00:04:24,950 --> 00:04:22,479  
and it sometimes felt like i was just

56  
00:04:27,270 --> 00:04:24,960  
you know a whisper in the dark that no

57  
00:04:29,670 --> 00:04:27,280  
one was really hearing

58  
00:04:32,310 --> 00:04:29,680  
but moving to the video format really

59  
00:04:34,710 --> 00:04:32,320  
was the best decision for us because it

60  
00:04:38,070 --> 00:04:34,720  
really helped us expand and grow a

61  
00:04:40,950 --> 00:04:38,080  
really much much larger audience

62  
00:04:42,629 --> 00:04:40,960  
so here we are at uh

63  
00:04:45,670 --> 00:04:42,639

saturday night and i'm here at the

64

00:04:48,390 --> 00:04:45,680

apocalypse cabin uh and we've got a

65

00:04:50,710 --> 00:04:48,400

merry band of misfits i'm sure coming

66

00:04:53,270 --> 00:04:50,720

into the panel tonight we've already got

67

00:04:54,230 --> 00:04:53,280

a few people back in the green room who

68

00:04:56,790 --> 00:04:54,240

are

69

00:04:59,830 --> 00:04:56,800

uh we're sobering them up right now and

70

00:05:01,990 --> 00:04:59,840

getting them ready so uh somebody

71

00:05:04,790 --> 00:05:02,000

make sure they're sober uh i'm gonna

72

00:05:06,070 --> 00:05:04,800

post a link to join the show

73

00:05:07,830 --> 00:05:06,080

uh

74

00:05:09,510 --> 00:05:07,840

one second actually i always forget this

75

00:05:12,390 --> 00:05:09,520

but i have to go over to youtube to

76

00:05:13,350 --> 00:05:12,400

actually put a link in the chat so uh

77

00:05:15,909 --> 00:05:13,360

let me

78

00:05:18,230 --> 00:05:15,919

get over to our youtube channel

79

00:05:24,230 --> 00:05:18,240

and uh here i'm gonna put link to join

80

00:05:29,110 --> 00:05:27,029

right in the live chat so everybody who

81

00:05:31,270 --> 00:05:29,120

wants to join ken there's only a few

82

00:05:33,670 --> 00:05:31,280

rules and one of them is please no

83

00:05:36,150 --> 00:05:33,680

nudity um i don't want to see anybody's

84

00:05:39,990 --> 00:05:36,160

junk tonight um

85

00:05:41,909 --> 00:05:40,000

male or female just yeah not uh not

86

00:05:43,110 --> 00:05:41,919

interested in that so uh first tonight

87

00:05:46,230 --> 00:05:43,120

we're gonna bring in

88

00:05:48,390 --> 00:05:46,240

the sixth sense is here welcome

89

00:05:50,550 --> 00:05:48,400

oh hey hey what's up sorry

90

00:05:53,029 --> 00:05:50,560

oh sorry i i didn't mean to interrupt

91

00:05:54,950 --> 00:05:53,039

your smoking session

92

00:05:57,749 --> 00:05:54,960

jesus man

93

00:05:59,749 --> 00:05:57,759

come on this is a professional show

94

00:06:00,790 --> 00:05:59,759

are you doing bomb rips waiting to come

95

00:06:02,870 --> 00:06:00,800

on really

96

00:06:10,070 --> 00:06:02,880

really come on

97

00:06:13,029 --> 00:06:11,510

the last time i made you wait way too

98

00:06:15,510 --> 00:06:13,039

long i apologize

99

00:06:16,790 --> 00:06:15,520

yeah that's okay six senses nothing but

100

00:06:19,909 --> 00:06:16,800

professional

101  
00:06:22,230 --> 00:06:19,919  
he's backstage doing bong rips and we

102  
00:06:25,590 --> 00:06:22,240  
interrupted him

103  
00:06:29,270 --> 00:06:25,600  
and uh we've got a few more takers uh

104  
00:06:31,510 --> 00:06:29,280  
misfits miscreants and weirdos tonight

105  
00:06:32,550 --> 00:06:31,520  
uh let's bring in first of course we've

106  
00:06:38,230 --> 00:06:32,560  
got

107  
00:06:41,430 --> 00:06:38,240  
neighbors nice i love you guys

108  
00:06:44,309 --> 00:06:41,440  
yeah fellow show host see ron decided

109  
00:06:47,189 --> 00:06:44,319  
that 3 000 ufo shows weren't enough so

110  
00:06:48,550 --> 00:06:47,199  
he started his own

111  
00:06:49,510 --> 00:06:48,560  
yeah right

112  
00:06:51,350 --> 00:06:49,520  
um

113  
00:06:52,870 --> 00:06:51,360

i'm sweating under this thing i don't

114

00:06:55,029 --> 00:06:52,880

know how do you do those shows with

115

00:06:57,270 --> 00:06:55,039

those masks on i do it for an hour

116

00:07:00,950 --> 00:06:57,280

sometimes oh my goodness

117

00:07:02,950 --> 00:07:00,960

yeah i um we lost one yep

118

00:07:06,150 --> 00:07:02,960

we lost somebody from the green room so

119

00:07:08,710 --> 00:07:06,160

uh they're next in uh again go ahead i'm

120

00:07:10,070 --> 00:07:08,720

sorry bro no no no you're right because

121

00:07:11,830 --> 00:07:10,080

uh

122

00:07:14,550 --> 00:07:11,840

i'm not gonna go into the conversation

123

00:07:16,070 --> 00:07:14,560

you and i had but it was funny because

124

00:07:17,909 --> 00:07:16,080

i'll just say it like this the other

125

00:07:19,510 --> 00:07:17,919

night you remember when stephen

126

00:07:21,510 --> 00:07:19,520

me and him here we basically have the

127

00:07:23,909 --> 00:07:21,520

same kind of a show we wanted to do he

128

00:07:26,710 --> 00:07:23,919

he beat me to it so i sent him something

129

00:07:28,629 --> 00:07:26,720

earlier yesterday yo are you on tonight

130

00:07:30,710 --> 00:07:28,639

and he said no tomorrow afternoon so i

131

00:07:32,550 --> 00:07:30,720

sent him an email saying i'm on three to

132

00:07:34,070 --> 00:07:32,560

four stay away please

133

00:07:35,589 --> 00:07:34,080

so

134

00:07:37,589 --> 00:07:35,599

you see email back

135

00:07:41,589 --> 00:07:37,599

no offense wrong but i really don't care

136

00:07:44,230 --> 00:07:41,599

man i'm tired of people i was like whoa

137

00:07:45,990 --> 00:07:44,240

well no no no no look it should be

138

00:07:48,309 --> 00:07:46,000

explained

139

00:07:51,029 --> 00:07:48,319

there there used to be there used to be

140

00:07:53,189 --> 00:07:51,039

several other show hosts and one of them

141

00:07:55,670 --> 00:07:53,199

messed me once and said

142

00:07:58,309 --> 00:07:55,680

why are you streaming when we are

143

00:08:00,230 --> 00:07:58,319

or something like that and i said i

144

00:08:02,950 --> 00:08:00,240

that's the time that i had to do the

145

00:08:05,670 --> 00:08:02,960

show and i had to you know

146

00:08:07,589 --> 00:08:05,680

we try to keep a certain schedule but

147

00:08:09,589 --> 00:08:07,599

sometimes things happen and i have to do

148

00:08:13,189 --> 00:08:09,599

it at a different time because of my

149

00:08:13,990 --> 00:08:13,199

kids or my family or whatever and uh

150

00:08:14,710 --> 00:08:14,000

yeah

151

00:08:16,230 --> 00:08:14,720

so

152

00:08:17,749 --> 00:08:16,240

you know i'm a little sensitive when

153

00:08:20,550 --> 00:08:17,759

people start telling me when i can and

154

00:08:22,070 --> 00:08:20,560

can't stream so that's what happened

155

00:08:24,070 --> 00:08:22,080

that i was just playing off the other

156

00:08:26,950 --> 00:08:24,080

night when i was busting his chops about

157

00:08:28,710 --> 00:08:26,960

the other one but it's all good i i

158

00:08:29,749 --> 00:08:28,720

don't care for that either

159

00:08:30,869 --> 00:08:29,759

you know

160

00:08:35,589 --> 00:08:30,879

yeah

161

00:08:38,070 --> 00:08:35,599

doing on your show lately there ron

162

00:08:39,589 --> 00:08:38,080

well today i went forward with what i

163

00:08:42,070 --> 00:08:39,599

was gonna do i was talking about how the

164

00:08:43,430 --> 00:08:42,080

government like you were calling out the

165

00:08:45,110 --> 00:08:43,440

charlatans

166

00:08:46,389 --> 00:08:45,120

i was calling out the government of why

167

00:08:47,829 --> 00:08:46,399

they do it but

168

00:08:50,710 --> 00:08:47,839

basically

169

00:08:52,630 --> 00:08:50,720

um i've been more towards um

170

00:08:55,030 --> 00:08:52,640

building doing the recreations like the

171

00:08:57,190 --> 00:08:55,040

dioramas and all that except the one

172

00:08:59,190 --> 00:08:57,200

that i'm taking on now

173

00:09:00,389 --> 00:08:59,200

it's my fault it's taking a long time

174

00:09:02,070 --> 00:09:00,399

but um

175

00:09:03,350 --> 00:09:02,080

that's what michael stratt's doing with

176

00:09:05,350 --> 00:09:03,360

me

177

00:09:08,790 --> 00:09:05,360

but that's basically it yeah i'm not

178

00:09:10,870 --> 00:09:08,800

doing like a straight ufo show um i talk

179

00:09:12,310 --> 00:09:10,880

about them but i basically talk about a

180

00:09:14,870 --> 00:09:12,320

whole bunch of different stuff but as

181

00:09:17,190 --> 00:09:14,880

long as it's space related

182

00:09:19,030 --> 00:09:17,200

okay well that sounds good so you're not

183

00:09:20,070 --> 00:09:19,040

just strictly doing ufo stuff you're

184

00:09:22,230 --> 00:09:20,080

doing

185

00:09:24,949 --> 00:09:22,240

space news and stuff like that right

186

00:09:27,509 --> 00:09:24,959

yeah the ufo stuff i leave it to you

187

00:09:29,350 --> 00:09:27,519

guys like like you call out the the

188

00:09:30,310 --> 00:09:29,360

grifters and all that

189

00:09:32,389 --> 00:09:30,320

um

190

00:09:34,389 --> 00:09:32,399

thank you john anthony

191

00:09:35,509 --> 00:09:34,399

dirty work thanks ron

192

00:09:38,310 --> 00:09:35,519

exactly

193

00:09:40,710 --> 00:09:38,320

just read and watch anthony does the

194

00:09:41,910 --> 00:09:40,720

the sightings and all that stuff amongst

195

00:09:43,030 --> 00:09:41,920

other things

196

00:09:45,910 --> 00:09:43,040

and me

197

00:09:47,430 --> 00:09:45,920

i get to sit back and um talk about

198

00:09:49,910 --> 00:09:47,440

potential rocks that are going to kill

199

00:09:52,389 --> 00:09:49,920

us all yeah no rocks coming your way man

200

00:09:54,870 --> 00:09:52,399

no rocks and here we have uh longtime

201

00:09:56,230 --> 00:09:54,880

show supporter lord ludacris

202

00:09:59,350 --> 00:09:56,240

here as well

203

00:10:01,269 --> 00:09:59,360

welcome lord ludicrous

204

00:10:03,110 --> 00:10:01,279

congratulations on the half million

205

00:10:04,550 --> 00:10:03,120

views man that's a lot of people that's

206

00:10:07,110 --> 00:10:04,560

a lot of views

207

00:10:08,630 --> 00:10:07,120

yeah i can't believe it i i got two

208

00:10:10,389 --> 00:10:08,640

years right

209

00:10:12,710 --> 00:10:10,399

yeah and and really it was less than

210

00:10:15,430 --> 00:10:12,720

that because i i don't know we we joined

211

00:10:16,790 --> 00:10:15,440

the in march of 2020 i started this

212

00:10:19,190 --> 00:10:16,800

youtube channel but we didn't do an

213

00:10:20,949 --> 00:10:19,200

actual show until i think late june i'd

214

00:10:23,350 --> 00:10:20,959

have to check so

215

00:10:25,190 --> 00:10:23,360

it's about two years though yeah it took

216

00:10:27,430 --> 00:10:25,200

to get to half a million views well

217

00:10:29,590 --> 00:10:27,440

that's quite a few quite a few

218

00:10:31,110 --> 00:10:29,600

well it's awesome and and uh

219

00:10:33,110 --> 00:10:31,120

i'm sure a big shout out to everyone

220

00:10:34,710 --> 00:10:33,120

that helped make that happen so and all

221

00:10:36,150 --> 00:10:34,720

the people behind the scenes like sixth

222

00:10:38,389 --> 00:10:36,160

sense

223

00:10:40,870 --> 00:10:38,399

spooky and everyone else that's helped

224

00:10:42,790 --> 00:10:40,880

man it's been an awesome show and uh

225

00:10:45,509 --> 00:10:42,800

it's well deserved

226

00:10:48,230 --> 00:10:45,519

hey hey for the people in chat if i if i

227

00:10:49,110 --> 00:10:48,240

say welcome and i do your name again oh

228

00:10:51,670 --> 00:10:49,120

well

229

00:10:53,030 --> 00:10:51,680

i'm sorry i forgot and you gotta get you

230

00:10:55,590 --> 00:10:53,040

gotta give a shout out to all the

231

00:10:58,150 --> 00:10:55,600

grifters them stephen can't be i

232

00:11:00,470 --> 00:10:58,160

wouldn't have a show yeah they have

233

00:11:02,470 --> 00:11:00,480

all the all the grifters and ufo con

234

00:11:05,190 --> 00:11:02,480

artists have given me plenty of material

235

00:11:06,870 --> 00:11:05,200

to talk about which is great and uh hey

236

00:11:09,190 --> 00:11:06,880

if they want to join they can join too

237

00:11:11,430 --> 00:11:09,200

right i mean yeah everybody is welcome

238

00:11:12,870 --> 00:11:11,440

everybody's welcome you know yeah

239

00:11:15,269 --> 00:11:12,880

yeah

240

00:11:16,230 --> 00:11:15,279

that's why it's good here and nevermind

241

00:11:17,990 --> 00:11:16,240

my hair

242

00:11:19,590 --> 00:11:18,000

dirty work and then

243

00:11:21,990 --> 00:11:19,600

thanks ron yeah

244

00:11:24,710 --> 00:11:22,000

listen if i could make it on here so can

245

00:11:26,710 --> 00:11:24,720

you all right

246

00:11:28,550 --> 00:11:26,720

they let ron actually

247

00:11:30,630 --> 00:11:28,560

somebody just asked my advice somebody

248

00:11:32,870 --> 00:11:30,640

who who tried an audio podcast and

249

00:11:35,590 --> 00:11:32,880

failed horribly i said well go do a live

250

00:11:37,910 --> 00:11:35,600

stream try it that way you know anybody

251

00:11:40,630 --> 00:11:37,920

can do it it's just yeah it takes it

252

00:11:43,670 --> 00:11:40,640

takes a lot of work a lot of energy a

253

00:11:45,030 --> 00:11:43,680

lot of time passion and dedication and

254

00:11:46,470 --> 00:11:45,040

you know you've got to love it or you're

255

00:11:48,710 --> 00:11:46,480

not going to get through the [h\_\_h] part

256

00:11:51,030 --> 00:11:48,720

you got to you got to eat a lot of [h\_\_h]

257

00:11:52,550 --> 00:11:51,040

to get to this level what is it

258

00:11:54,389 --> 00:11:52,560

what is it you labeled me you're

259

00:11:56,790 --> 00:11:54,399

labeling me now you call me i'm the

260

00:11:59,990 --> 00:11:56,800

bottom of the barrel filler guest

261

00:12:04,150 --> 00:12:01,670

no but listen

262

00:12:06,310 --> 00:12:04,160

i have tears of guests i i and i'll tell

263

00:12:08,230 --> 00:12:06,320

spooky

264

00:12:10,470 --> 00:12:08,240

what kind of thumbnail do you need today

265

00:12:13,190 --> 00:12:10,480

and i'll say oh we got this a level

266

00:12:15,910 --> 00:12:13,200

guest and then i give them the picture

267

00:12:18,629 --> 00:12:15,920

and then there's a b c d

268

00:12:21,030 --> 00:12:18,639

like ron goes down to like z if you

269

00:12:23,190 --> 00:12:21,040

don't have anything else going on you

270

00:12:27,350 --> 00:12:23,200

get wrong the absolutely

271

00:12:29,110 --> 00:12:27,360

spooky just had ron that's how

272

00:12:30,389 --> 00:12:29,120

they couldn't get a real guest that's

273

00:12:34,150 --> 00:12:30,399

what happened there you go

274

00:12:39,910 --> 00:12:37,670

i'm the duct tape of ufology that's it

275

00:12:42,150 --> 00:12:39,920

can't get a guess just ducky get wrong

276

00:12:44,069 --> 00:12:42,160

that's it he'll do it he'll do it yeah

277

00:12:46,150 --> 00:12:44,079

well that's good to have though to have

278

00:12:47,990 --> 00:12:46,160

some friends if you really need a gas

279

00:12:48,949 --> 00:12:48,000

bill you know i'm just busting your

280

00:12:58,230 --> 00:12:48,959

balls

281

00:13:02,230 --> 00:13:00,710

or if a guest cancels i get six cents

282

00:13:05,190 --> 00:13:02,240

who yeah yeah

283

00:13:07,190 --> 00:13:05,200

six cents for those that don't know

284

00:13:10,069 --> 00:13:07,200

he for those that don't know six senses

285

00:13:12,629 --> 00:13:10,079

is a freaking secret agent i asked him

286

00:13:15,110 --> 00:13:12,639

one time i said look uh can you just get

287

00:13:17,509 --> 00:13:15,120

a webcam and show your face because that

288

00:13:20,389 --> 00:13:17,519

avatar is okay but you know people it's

289

00:13:22,949 --> 00:13:20,399

a video show and he goes no stephen i

290

00:13:23,670 --> 00:13:22,959

will not show my face on the internet i

291

00:13:29,350 --> 00:13:23,680

am

292

00:13:31,110 --> 00:13:29,360

no one sees my face stephen not even you

293

00:13:32,629 --> 00:13:31,120

actually i never i've never shown my

294

00:13:36,629 --> 00:13:32,639

face not even once on the internet the

295

00:13:41,030 --> 00:13:38,470

do you remember that the unnamed comic i

296

00:13:42,629 --> 00:13:41,040

think that was the bag on his head

297

00:13:45,829 --> 00:13:42,639

that's what you should put as your

298

00:13:54,069 --> 00:13:47,990

now we have anthony from unidentified

299

00:13:58,870 --> 00:13:57,030

look at every why does everybody hi

300

00:14:00,629 --> 00:13:58,880

jesus christ

301  
00:14:02,870 --> 00:14:00,639  
come on

302  
00:14:05,189 --> 00:14:02,880  
everybody tonight every panel member

303  
00:14:07,670 --> 00:14:05,199  
it's like a requirement yeah

304  
00:14:09,829 --> 00:14:07,680  
you're so drunk you're falling off your

305  
00:14:12,790 --> 00:14:09,839  
chair to join in

306  
00:14:15,509 --> 00:14:12,800  
jan says it's a that's the gong show

307  
00:14:17,269 --> 00:14:15,519  
we're so high yeah or like every every

308  
00:14:21,670 --> 00:14:17,279  
guest is getting high before we pull

309  
00:14:23,590 --> 00:14:21,680  
them in like oh sorry i'm smoking yeah

310  
00:14:26,389 --> 00:14:23,600  
you know wouldn't really i would be i

311  
00:14:28,230 --> 00:14:26,399  
would be having some beers but uh i i'm

312  
00:14:31,030 --> 00:14:28,240  
i'm gonna stick with my

313  
00:14:32,389 --> 00:14:31,040

being sober we're trying good now good

314

00:14:34,150 --> 00:14:32,399

trying that now

315

00:14:35,030 --> 00:14:34,160

how's it going for you is it is it going

316

00:14:36,710 --> 00:14:35,040

good

317

00:14:38,230 --> 00:14:36,720

it's going better than i thought it well

318

00:14:40,310 --> 00:14:38,240

like i thought i was gonna have like

319

00:14:42,550 --> 00:14:40,320

terror i thought i was gonna last a week

320

00:14:44,949 --> 00:14:42,560

and and crack but uh

321

00:14:48,550 --> 00:14:44,959

it's going okay i mean you know i i

322

00:14:49,990 --> 00:14:48,560

still have horrible insomnia because uh

323

00:14:51,750 --> 00:14:50,000

even when i was drinking i had horrible

324

00:14:54,069 --> 00:14:51,760

insomnia but eventually if you drink

325

00:14:55,430 --> 00:14:54,079

enough you pass out so that cures the

326

00:14:58,230 --> 00:14:55,440

insomnia

327

00:15:00,550 --> 00:14:58,240

so now i gotta try other things to uh to

328

00:15:02,710 --> 00:15:00,560

fall asleep like i listen to boring [\h\_\_\h]

329

00:15:04,310 --> 00:15:02,720

that's what i do

330

00:15:07,030 --> 00:15:04,320

that's right you'll get your sleep back

331

00:15:10,310 --> 00:15:07,040

man i listen to i listen to physics

332

00:15:12,389 --> 00:15:10,320

lectures and like and things like

333

00:15:13,829 --> 00:15:12,399

see i do that [\h\_\_\h] i think i like you

334

00:15:15,670 --> 00:15:13,839

know what's weird you know what's weird

335

00:15:18,310 --> 00:15:15,680

steven i think you actually learn

336

00:15:20,550 --> 00:15:18,320

subconsciously though i do that's i i

337

00:15:22,389 --> 00:15:20,560

listen to eight hours of stuff while i'm

338

00:15:25,030 --> 00:15:22,399

sleeping because i'm hopeful that some

339

00:15:27,590 --> 00:15:25,040

of that is sinking in while i'm sleeping

340

00:15:29,269 --> 00:15:27,600

so i'm not just sleeping multitasking

341

00:15:31,030 --> 00:15:29,279

yeah multitasking

342

00:15:33,269 --> 00:15:31,040

anthony what's going on on your show

343

00:15:33,990 --> 00:15:33,279

lately because i haven't caught up

344

00:15:35,590 --> 00:15:34,000

uh

345

00:15:37,749 --> 00:15:35,600

yeah nothing much man we're doing pretty

346

00:15:39,030 --> 00:15:37,759

good uh

347

00:15:41,350 --> 00:15:39,040

we're gonna hit a half a million views

348

00:15:43,430 --> 00:15:41,360

real soon yourself right i'm like nine a

349

00:15:44,870 --> 00:15:43,440

little under 9 000

350

00:15:45,990 --> 00:15:44,880

views away

351  
00:15:49,110 --> 00:15:46,000  
okay

352  
00:15:51,189 --> 00:15:49,120  
so i beat you there sucka i beat you and

353  
00:15:52,310 --> 00:15:51,199  
you got a lot more subscribers than me

354  
00:15:57,030 --> 00:15:52,320  
[h\_\_\h]

355  
00:16:01,749 --> 00:15:58,790  
by the way here's another one here's

356  
00:16:04,310 --> 00:16:01,759  
another backstabber he used to just like

357  
00:16:07,269 --> 00:16:04,320  
post videos and not do an actual live

358  
00:16:09,749 --> 00:16:07,279  
stream show then we got ron goes well if

359  
00:16:12,310 --> 00:16:09,759  
this idiot steve cambion can do this

360  
00:16:14,150 --> 00:16:12,320  
well i'm starting a show that's it

361  
00:16:16,230 --> 00:16:14,160  
i can't do it

362  
00:16:18,629 --> 00:16:16,240  
he comes with me again

363  
00:16:20,550 --> 00:16:18,639

it's your turn now anthony did the same

364

00:16:22,470 --> 00:16:20,560

thing and he's like damn steve campion

365

00:16:24,710 --> 00:16:22,480

can do this he's an idiot let's start a

366

00:16:26,069 --> 00:16:24,720

show and then he got a british co-host

367

00:16:28,870 --> 00:16:26,079

that's not fair

368

00:16:30,790 --> 00:16:28,880

any fair gotta cover the globe

369

00:16:33,910 --> 00:16:30,800

got a british co-host

370

00:16:36,150 --> 00:16:33,920

oh man must be nice

371

00:16:37,910 --> 00:16:36,160

yeah even somebody in the chat who

372

00:16:39,430 --> 00:16:37,920

where's the douche let me see what does

373

00:16:40,389 --> 00:16:39,440

he say

374

00:16:43,189 --> 00:16:40,399

who

375

00:16:55,189 --> 00:16:43,199

where where are you uh chris johansson

376

00:16:58,710 --> 00:16:56,949

yeah those were probably two of my

377

00:17:00,870 --> 00:16:58,720

favorite things

378

00:17:03,030 --> 00:17:00,880

the uh the second ann jolly interview

379

00:17:05,270 --> 00:17:03,040

only lasted 10 minutes though because i

380

00:17:07,189 --> 00:17:05,280

told her that all her [h\_\_\h] was fake and

381

00:17:09,429 --> 00:17:07,199

she freaked out and left

382

00:17:13,110 --> 00:17:09,439

i'm like there is no tunnel you there is

383

00:17:15,189 --> 00:17:13,120

no tunnel you made it up you were high

384

00:17:17,990 --> 00:17:15,199

she she got mad because you called it a

385

00:17:19,829 --> 00:17:18,000

tunnel actually what did she call it um

386

00:17:21,669 --> 00:17:19,839

a cave or something or like that yeah so

387

00:17:24,150 --> 00:17:21,679

i went ahead and and i do and i should

388

00:17:25,590 --> 00:17:24,160

have i think i posted it she actually

389

00:17:28,069 --> 00:17:25,600

when she was on jimmy church she called

390

00:17:30,070 --> 00:17:28,079

a tunnel so look at lady i mean is it a

391

00:17:31,990 --> 00:17:30,080

tunnel or is it a cave or what did she

392

00:17:34,870 --> 00:17:32,000

call it she was high you got to give her

393

00:17:38,789 --> 00:17:36,549

it's a mountain

394

00:17:41,029 --> 00:17:38,799

and then she got it she got mad at me

395

00:17:43,110 --> 00:17:41,039

because she posted something on twitter

396

00:17:45,590 --> 00:17:43,120

and i said i only see aliens when i'm

397

00:17:49,350 --> 00:17:45,600

tripping balls on dmc

398

00:17:49,790 --> 00:17:49,360

and she got mad at me so i i apologize

399

00:17:51,909 --> 00:17:49,800

though

400

00:17:53,830 --> 00:17:51,919

[Laughter]

401  
00:17:56,070 --> 00:17:53,840  
i still want to try that rick simpson

402  
00:17:58,630 --> 00:17:56,080  
oil man but i think you need to be on

403  
00:18:00,789 --> 00:17:58,640  
all those other drugs that she was on

404  
00:18:02,310 --> 00:18:00,799  
too in order for the rick simpson oil to

405  
00:18:03,830 --> 00:18:02,320  
make you see aliens i don't think you're

406  
00:18:06,310 --> 00:18:03,840  
seeing aliens

407  
00:18:08,870 --> 00:18:06,320  
it's like real it's super super strong

408  
00:18:10,230 --> 00:18:08,880  
cannabis oil oh

409  
00:18:13,270 --> 00:18:10,240  
that's the ah

410  
00:18:15,510 --> 00:18:13,280  
name it's not just cbd so uh it's what

411  
00:18:17,510 --> 00:18:15,520  
the cancer patients take it's like a

412  
00:18:19,510 --> 00:18:17,520  
tincture oh geez

413  
00:18:21,669 --> 00:18:19,520

oh it's expensive too by the way just so

414

00:18:23,669 --> 00:18:21,679

you know holy cow that tincture you know

415

00:18:26,070 --> 00:18:23,679

what gets me though that's

416

00:18:27,430 --> 00:18:26,080

not i'm sorry six not to go through that

417

00:18:28,549 --> 00:18:27,440

because you're not gonna go back into

418

00:18:31,590 --> 00:18:28,559

her but

419

00:18:34,470 --> 00:18:31,600

was how with the whole light and loving

420

00:18:35,669 --> 00:18:34,480

light and all this like swamy stuff and

421

00:18:40,310 --> 00:18:35,679

then

422

00:18:42,789 --> 00:18:40,320

very beginning any drugs i have to ask

423

00:18:45,350 --> 00:18:42,799

you like any mental issues or did you

424

00:18:48,710 --> 00:18:45,360

did you use no drugs at all nothing at

425

00:18:53,750 --> 00:18:51,029

drugs yes and

426

00:18:56,470 --> 00:18:53,760

oiling of people on awful lot of drugs

427

00:18:59,029 --> 00:18:56,480

we have our contributing producer

428

00:19:03,029 --> 00:18:59,039

and graphic artist is waiting in the

429

00:19:04,870 --> 00:19:03,039

wings uh we have spooky here spooky

430

00:19:06,789 --> 00:19:04,880

i'm the sharpest dressed

431

00:19:33,830 --> 00:19:06,799

lady in the west all right

432

00:19:37,510 --> 00:19:35,510

how are we doing how's everyone doing

433

00:19:39,990 --> 00:19:37,520

this evening it's good you didn't miss

434

00:19:42,070 --> 00:19:40,000

much i was busting uh anthony's balls

435

00:19:42,870 --> 00:19:42,080

and ron's balls for starting a competing

436

00:19:44,549 --> 00:19:42,880

show

437

00:19:46,150 --> 00:19:44,559

backstabbers

438

00:19:47,510 --> 00:19:46,160

they had to start a competing show

439

00:19:48,950 --> 00:19:47,520

spooky

440

00:19:50,470 --> 00:19:48,960

just because they saw what we were doing

441

00:19:52,549 --> 00:19:50,480

and how good it was

442

00:19:54,470 --> 00:19:52,559

no they probably thought if these idiots

443

00:19:56,549 --> 00:19:54,480

can do this well we we gotta be able to

444

00:19:58,630 --> 00:19:56,559

do as well too you know

445

00:20:00,789 --> 00:19:58,640

i'll be honest when i started mine i

446

00:20:03,430 --> 00:20:00,799

didn't know about you stephen

447

00:20:05,669 --> 00:20:03,440

i i i found you afterwards it matter a

448

00:20:06,950 --> 00:20:05,679

matter of fact if i would have really

449

00:20:09,669 --> 00:20:06,960

known what was going on i would have

450

00:20:11,669 --> 00:20:09,679

never started a ufo channel i just did

451  
00:20:13,270 --> 00:20:11,679  
it i didn't follow everybody and then

452  
00:20:16,390 --> 00:20:13,280  
decide to do it i know i'm just

453  
00:20:19,990 --> 00:20:18,149  
when i got started

454  
00:20:21,909 --> 00:20:20,000  
that doesn't bother me pal but i'm just

455  
00:20:24,230 --> 00:20:21,919  
saying but then you were one of the

456  
00:20:26,390 --> 00:20:24,240  
first ones that when i did and

457  
00:20:28,870 --> 00:20:26,400  
it was pretty cool and then it's just

458  
00:20:32,310 --> 00:20:28,880  
weird or funny how you get to see what's

459  
00:20:34,149 --> 00:20:32,320  
what real fast out there like that

460  
00:20:36,630 --> 00:20:34,159  
yeah you know what you know what it

461  
00:20:39,350 --> 00:20:36,640  
reminds me of it actually reminds me of

462  
00:20:41,830 --> 00:20:39,360  
bar bands like being a rock band and

463  
00:20:44,549 --> 00:20:41,840

trying to trying to play shows yeah

464

00:20:47,270 --> 00:20:44,559

because those guys will stab you in the

465

00:20:50,870 --> 00:20:47,280

back for anything man it is

466

00:20:53,510 --> 00:20:50,880

such a so cutthroat and like uh

467

00:20:55,270 --> 00:20:53,520

you know like the clubs want to pay you

468

00:20:57,430 --> 00:20:55,280

nothing and if you won't do it they have

469

00:20:59,909 --> 00:20:57,440

100 other people that will do it for no

470

00:21:02,390 --> 00:20:59,919

money and and like but the but the

471

00:21:03,350 --> 00:21:02,400

cattiness and all of that backstabbing

472

00:21:05,350 --> 00:21:03,360

is there

473

00:21:08,230 --> 00:21:05,360

i came from the pool world playing pool

474

00:21:10,870 --> 00:21:08,240

and trust me this is so similar it's

475

00:21:13,029 --> 00:21:10,880

like everybody's nice in your face oh

476  
00:21:15,510 --> 00:21:13,039  
yeah i'm gonna help you and turn right

477  
00:21:17,990 --> 00:21:15,520  
around and start going

478  
00:21:19,909 --> 00:21:18,000  
to cut him down everybody's competition

479  
00:21:22,630 --> 00:21:19,919  
that's it yeah i don't look at it that

480  
00:21:24,789 --> 00:21:22,640  
way what is that saying like you know

481  
00:21:26,710 --> 00:21:24,799  
you can light a thousand candles off of

482  
00:21:28,789 --> 00:21:26,720  
one candle and it doesn't diminish the

483  
00:21:30,710 --> 00:21:28,799  
brightness of the first candle right i'm

484  
00:21:33,110 --> 00:21:30,720  
all for my friends you know and then the

485  
00:21:35,750 --> 00:21:33,120  
other thing is i'm i'm even okay with

486  
00:21:37,350 --> 00:21:35,760  
people doing better than me that started

487  
00:21:40,630 --> 00:21:37,360  
around the same time or what because

488  
00:21:42,149 --> 00:21:40,640

then i'm like if they can do better

489

00:21:44,230 --> 00:21:42,159

it should be inspiring to see other

490

00:21:48,870 --> 00:21:44,240

people succeed yeah especially if

491

00:21:53,590 --> 00:21:51,110

they're dumber than me but let's be

492

00:21:56,950 --> 00:21:53,600

clear though a lot of people leapfrogged

493

00:22:00,070 --> 00:21:56,960

ahead of me by sucking [h\_\_h] or wait i

494

00:22:02,789 --> 00:22:00,080

shouldn't say that or philippines

495

00:22:05,270 --> 00:22:02,799

you know listen i have taken exactly

496

00:22:07,270 --> 00:22:05,280

zero [h\_\_h] in the mouth to get where i

497

00:22:08,390 --> 00:22:07,280

am i'm proud of that

498

00:22:11,430 --> 00:22:08,400

did you ever

499

00:22:13,430 --> 00:22:11,440

ever find the box of dildos no and uh by

500

00:22:15,830 --> 00:22:13,440

the way spooky i'm gonna talk to you off

501  
00:22:18,630 --> 00:22:15,840  
air because i have a tremendous reveal

502  
00:22:21,190 --> 00:22:18,640  
that we're gonna do we're gonna reveal

503  
00:22:24,310 --> 00:22:21,200  
we are gonna reveal where david wilcox

504  
00:22:26,149 --> 00:22:24,320  
box of dildos was buried now remember

505  
00:22:27,990 --> 00:22:26,159  
he's supposed to be earth's greatest

506  
00:22:29,990 --> 00:22:28,000  
prophet and the greatest psychic on

507  
00:22:31,830 --> 00:22:30,000  
planet earth when you guys see where i

508  
00:22:33,430 --> 00:22:31,840  
buried that box you're not gonna believe

509  
00:22:37,510 --> 00:22:33,440  
it

510  
00:22:42,070 --> 00:22:37,520  
buried somewhere i think he's more

511  
00:22:45,909 --> 00:22:44,070  
i hope that none of you ever have to

512  
00:22:48,390 --> 00:22:45,919  
explain to your wife

513  
00:22:51,270 --> 00:22:48,400

why you spent an awful lot of money on

514

00:22:53,990 --> 00:22:51,280

burying a box of dildos

515

00:22:56,230 --> 00:22:54,000

that's not fun you know oh but i would

516

00:22:58,630 --> 00:22:56,240

like to observe that conversation a lot

517

00:23:01,110 --> 00:22:58,640

of people leapfrogged ahead of us

518

00:23:03,990 --> 00:23:01,120

because they're willing to sacrifice

519

00:23:06,549 --> 00:23:04,000

principles have no ethics lie

520

00:23:09,510 --> 00:23:06,559

uh you know uh the grift

521

00:23:11,830 --> 00:23:09,520

the grift yeah you know

522

00:23:14,390 --> 00:23:11,840

and i'm i'm proud of you know i would

523

00:23:16,390 --> 00:23:14,400

rather be smaller and still

524

00:23:19,029 --> 00:23:16,400

be able to look myself in the mirror you

525

00:23:20,710 --> 00:23:19,039

know you're gonna get subscribers you

526  
00:23:22,710 --> 00:23:20,720  
want subscribers that are gonna actually

527  
00:23:24,710 --> 00:23:22,720  
watch your channel not that you get all

528  
00:23:26,870 --> 00:23:24,720  
these subscribers that don't watch

529  
00:23:30,870 --> 00:23:26,880  
no they like llama bros that's all they

530  
00:23:34,310 --> 00:23:32,630  
we're trying to uh

531  
00:23:36,950 --> 00:23:34,320  
spooky and i talked and we're trying to

532  
00:23:39,190 --> 00:23:36,960  
actively say let's just do great work

533  
00:23:41,190 --> 00:23:39,200  
and and and ignore all the

534  
00:23:43,269 --> 00:23:41,200  
all the noise you know

535  
00:23:44,950 --> 00:23:43,279  
what are people going to look back on

536  
00:23:47,029 --> 00:23:44,960  
like five years from now is it going to

537  
00:23:48,710 --> 00:23:47,039  
be news stories that actually progress

538  
00:23:50,549 --> 00:23:48,720

the story forward and showed

539

00:23:52,390 --> 00:23:50,559

investigative work or is it going to be

540

00:23:54,710 --> 00:23:52,400

petty drama in between people that are

541

00:23:58,870 --> 00:23:56,950

yeah yeah but you know what it with the

542

00:24:01,269 --> 00:23:58,880

with the ultra grifters it seems like

543

00:24:03,029 --> 00:24:01,279

they do the cosmic con shuffle everybody

544

00:24:04,549 --> 00:24:03,039

forgets that they lied to you a whole

545

00:24:07,110 --> 00:24:04,559

bunch of times and then they're on to

546

00:24:09,510 --> 00:24:07,120

the next story full of lies

547

00:24:09,520 --> 00:24:15,350

you said you sent linda on vacation

548

00:24:19,110 --> 00:24:18,070

personally i think she needed one yeah

549

00:24:20,070 --> 00:24:19,120

yeah

550

00:24:22,310 --> 00:24:20,080

she's gonna

551

00:24:24,230 --> 00:24:22,320

take a month and come up with new i

552

00:24:25,830 --> 00:24:24,240

don't know spend a month on a med bed

553

00:24:28,310 --> 00:24:25,840

and come back 10 years younger yeah

554

00:24:29,750 --> 00:24:28,320

right she looks like a prune now

555

00:24:31,350 --> 00:24:29,760

if only that one yeah

556

00:24:33,029 --> 00:24:31,360

it's funny with the gripters thing

557

00:24:35,430 --> 00:24:33,039

because people allow it to happen i

558

00:24:37,430 --> 00:24:35,440

stumbled into a guy

559

00:24:39,909 --> 00:24:37,440

uh making a comment about you know the

560

00:24:40,710 --> 00:24:39,919

panty guy jacobs or whatever

561

00:24:42,789 --> 00:24:40,720

yeah

562

00:24:45,269 --> 00:24:42,799

and this guy's like defending

563

00:24:47,350 --> 00:24:45,279

like everything he did right and then he

564

00:24:49,110 --> 00:24:47,360

was in a space is complaining how people

565

00:24:52,950 --> 00:24:49,120

were like dude you need to stop man this

566

00:24:57,669 --> 00:24:55,669

and that's it it's like look i get it

567

00:24:59,430 --> 00:24:57,679

the people like that guy's books but

568

00:25:00,950 --> 00:24:59,440

they are ridiculous and by the way i

569

00:25:02,870 --> 00:25:00,960

have all his books

570

00:25:04,630 --> 00:25:02,880

and and his first book is pretty

571

00:25:06,470 --> 00:25:04,640

grounded it's like interviews with

572

00:25:08,549 --> 00:25:06,480

people that got abducted and he did

573

00:25:10,549 --> 00:25:08,559

hypnotic regressions to try to pull out

574

00:25:12,310 --> 00:25:10,559

more details and

575

00:25:15,269 --> 00:25:12,320

there's some compelling stuff in that

576

00:25:17,510 --> 00:25:15,279

first book but his latest book is like

577

00:25:19,190 --> 00:25:17,520

look there's alien hybrids and they're

578

00:25:21,990 --> 00:25:19,200

integrating in society and they're going

579

00:25:24,549 --> 00:25:22,000

to slowly take over earth this way

580

00:25:27,190 --> 00:25:24,559

but the but the hybrids

581

00:25:28,789 --> 00:25:27,200

yeah you can uh you can you can pick out

582

00:25:30,630 --> 00:25:28,799

the hybrids because they don't

583

00:25:33,029 --> 00:25:30,640

understand how to do things like work a

584

00:25:35,430 --> 00:25:33,039

microwave or like you know

585

00:25:37,269 --> 00:25:35,440

get furniture for their apartments like

586

00:25:39,909 --> 00:25:37,279

that sounds like me when i first had an

587

00:25:41,590 --> 00:25:39,919

apartment i had lawn furniture and no

588

00:25:43,669 --> 00:25:41,600

microwave you know i mean it doesn't

589

00:25:46,470 --> 00:25:43,679

make his stuff makes no sense and for

590

00:25:49,110 --> 00:25:46,480

people to defend him like you know he

591

00:25:51,430 --> 00:25:49,120

tells a girl don't tell anybody but send

592

00:25:53,990 --> 00:25:51,440

me those panties with the alien spooge

593

00:25:57,909 --> 00:25:54,000

on them come on man that is gross you

594

00:26:01,830 --> 00:25:59,909

yeah thank you very much martin we

601  
00:26:16,630 --> 00:26:14,320  
to pay spooky because

602  
00:26:18,230 --> 00:26:16,640  
spooky had to like hit me up you know

603  
00:26:20,950 --> 00:26:18,240  
yeah i had to be like hey

604  
00:26:23,510 --> 00:26:20,960  
shake me out that uh paypal yet um so

605  
00:26:25,909 --> 00:26:23,520  
now i got not just spooky going did you

606  
00:26:28,390 --> 00:26:25,919  
figure out that paypal my son once in a

607  
00:26:30,950 --> 00:26:28,400  
while somehow gets to youtube watches

608  
00:26:32,950 --> 00:26:30,960  
the show and he notices

609  
00:26:33,990 --> 00:26:32,960  
any time somebody sends money and then

610  
00:26:36,470 --> 00:26:34,000  
he goes

611  
00:26:39,190 --> 00:26:36,480  
daddy uh people sent you money and you

612  
00:26:41,830 --> 00:26:39,200  
used my clown bumper right and i go yeah

613  
00:26:43,750 --> 00:26:41,840

why oh he wants his big well uh i should

614

00:26:46,070 --> 00:26:43,760

get some of that money daddy i'm like

615

00:26:47,590 --> 00:26:46,080

damn dude

616

00:26:50,950 --> 00:26:47,600

shaking me down

617

00:26:53,029 --> 00:26:50,960

yeah okay i like it yeah but thanks to

618

00:26:55,510 --> 00:26:53,039

new member we appreciate your uh

619

00:26:58,230 --> 00:26:55,520

greatness and support very much martin

620

00:26:59,190 --> 00:26:58,240

wright thank you for your kindness uh

621

00:27:00,789 --> 00:26:59,200

and you

622

00:27:03,590 --> 00:27:00,799

won't regret it there's some good

623

00:27:06,950 --> 00:27:03,600

goodies uh and we have more coming my

624

00:27:09,510 --> 00:27:06,960

internet down uh screwed things up for

625

00:27:11,909 --> 00:27:09,520

us and then we had a super chat as well

626

00:27:13,269 --> 00:27:11,919

we have my flock uh

627

00:27:15,830 --> 00:27:13,279

hey my friend

628

00:27:19,269 --> 00:27:15,840

kind of generous birthday sarah thank

629

00:27:23,269 --> 00:27:19,279

you very much and we'll have uh

630

00:27:26,630 --> 00:27:24,470

i have

631

00:27:27,990 --> 00:27:26,640

some bumpers somewhere

632

00:27:29,590 --> 00:27:28,000

yes

633

00:27:31,350 --> 00:27:29,600

that's stuck in traffic

634

00:27:36,549 --> 00:27:31,360

so it ain't so bad stephen you know you

635

00:27:40,310 --> 00:27:38,389

it's not all downhill from here that

636

00:27:42,310 --> 00:27:40,320

would be terrible well you got me on the

637

00:27:45,350 --> 00:27:42,320

show suddenly down here great show

638

00:27:47,269 --> 00:27:45,360

stephen man you know it man

639

00:27:48,950 --> 00:27:47,279

well you know the other i like what

640

00:27:51,430 --> 00:27:48,960

spooky said about what are people going

641

00:27:52,950 --> 00:27:51,440

to remember and honestly there's an

642

00:27:54,789 --> 00:27:52,960

awful lot of shows out there that i

643

00:27:56,870 --> 00:27:54,799

think they just ramble and there's not

644

00:27:59,350 --> 00:27:56,880

much content there people are going to

645

00:28:01,750 --> 00:27:59,360

remember we broke this on julie's story

646

00:28:03,430 --> 00:28:01,760

we got the interview with her witnesses

647

00:28:05,269 --> 00:28:03,440

they're going to remember us catching

648

00:28:08,710 --> 00:28:05,279

linda moulton hal using fake alien

649

00:28:12,149 --> 00:28:09,590

dude

650

00:28:14,389 --> 00:28:12,159

was it ecuador to oh yeah

651

00:28:16,870 --> 00:28:14,399

paying a guy in ecuador we got all the

652

00:28:18,710 --> 00:28:16,880

proof of that thanks to spooky and and

653

00:28:21,190 --> 00:28:18,720

and another friend

654

00:28:22,870 --> 00:28:21,200

stolen you put the door with the cia guy

655

00:28:24,950 --> 00:28:22,880

oh that's right

656

00:28:26,630 --> 00:28:24,960

yeah he interviewed a dead man see

657

00:28:28,630 --> 00:28:26,640

stephen if you keep with truth and

658

00:28:30,630 --> 00:28:28,640

you're always telling the truth when you

659

00:28:31,830 --> 00:28:30,640

come back five ten years from now you're

660

00:28:33,269 --> 00:28:31,840

still going to say the same thing

661

00:28:35,590 --> 00:28:33,279

because it's true you know when you'll

662

00:28:37,350 --> 00:28:35,600

start why and though

663

00:28:38,710 --> 00:28:37,360

you get a little a little messed up

664

00:28:40,389 --> 00:28:38,720

there you go you got to keep track of

665

00:28:41,350 --> 00:28:40,399

them or you got to hire somebody to keep

666

00:28:42,950 --> 00:28:41,360

track

667

00:28:45,269 --> 00:28:42,960

i think it's safe to say that steven

668

00:28:46,389 --> 00:28:45,279

doesn't wear flip-flops

669

00:28:48,710 --> 00:28:46,399

sometimes

670

00:28:51,510 --> 00:28:48,720

really no actually i don't know

671

00:28:54,149 --> 00:28:51,520

i have like i i do have water shoes my

672

00:28:55,830 --> 00:28:54,159

wife made me oh yeah because this one

673

00:28:57,909 --> 00:28:55,840

lake that we go to there's all kinds of

674

00:29:00,070 --> 00:28:57,919

jagged rocks at the bottom so she makes

675

00:29:01,269 --> 00:29:00,080

us all wear water shoes

676  
00:29:03,350 --> 00:29:01,279  
you know

677  
00:29:05,430 --> 00:29:03,360  
but no flip-flops someone in the chat is

678  
00:29:06,549 --> 00:29:05,440  
bringing up the uh the ray gun mikey

679  
00:29:10,389 --> 00:29:06,559  
moment

680  
00:29:13,750 --> 00:29:10,399  
oh yeah that was awesome uh mikey horn

681  
00:29:15,750 --> 00:29:13,760  
mikey horn was was using a child

682  
00:29:19,190 --> 00:29:15,760  
molester as a proof

683  
00:29:21,350 --> 00:29:19,200  
that uh that billy meyer got a laser gun

684  
00:29:23,269 --> 00:29:21,360  
from aliens and i called him on it and

685  
00:29:25,110 --> 00:29:23,279  
he started yelling and screaming at me

686  
00:29:27,590 --> 00:29:25,120  
that's one of my favorite moments of our

687  
00:29:29,669 --> 00:29:27,600  
whole run spooky he just started yelling

688  
00:29:31,669 --> 00:29:29,679

i i asked around i'm like

689

00:29:33,750 --> 00:29:31,679

i'm like why does nobody ask him about

690

00:29:36,630 --> 00:29:33,760

the child molester he keeps citing as a

691

00:29:38,070 --> 00:29:36,640

source and nobody had an answer i'm like

692

00:29:39,830 --> 00:29:38,080

they're like well you can't bring that

693

00:29:42,070 --> 00:29:39,840

up i'm like i'm bringing it up i don't

694

00:29:43,590 --> 00:29:42,080

care

695

00:29:45,590 --> 00:29:43,600

that's not proof you shouldn't be afraid

696

00:29:48,870 --> 00:29:45,600

to ask questions because it might oh i

697

00:29:49,830 --> 00:29:48,880

gotta watch that one for somebody hey

698

00:29:51,750 --> 00:29:49,840

geez

699

00:29:53,909 --> 00:29:51,760

i didn't see that one i got a

700

00:29:55,510 --> 00:29:53,919

that's a quite an old one it's uh yeah

701  
00:29:57,750 --> 00:29:55,520  
it's still midnight hour it's a couple

702  
00:29:59,590 --> 00:29:57,760  
years okay

703  
00:30:01,590 --> 00:29:59,600  
somewhere yeah i want it yeah there's a

704  
00:30:03,909 --> 00:30:01,600  
link there um i wanted to ask you is

705  
00:30:06,389 --> 00:30:03,919  
that number still available or is that

706  
00:30:08,950 --> 00:30:06,399  
still open the telephone number i don't

707  
00:30:11,669 --> 00:30:08,960  
know i think so i gotta i gotta check it

708  
00:30:13,669 --> 00:30:11,679  
i gotta check it again so tonight

709  
00:30:14,789 --> 00:30:13,679  
we'll just do stream yard calls okay

710  
00:30:17,190 --> 00:30:14,799  
then all right

711  
00:30:19,029 --> 00:30:17,200  
steve do you do besides stream y'all do

712  
00:30:21,430 --> 00:30:19,039  
you do like with a mixer you set up like

713  
00:30:22,389 --> 00:30:21,440

a mix minus anything like that

714

00:30:24,950 --> 00:30:22,399

no

715

00:30:27,029 --> 00:30:24,960

um i've tried various things including

716

00:30:28,630 --> 00:30:27,039

an uh a hardware mixer but then that

717

00:30:31,190 --> 00:30:28,640

adds a delay

718

00:30:33,350 --> 00:30:31,200

in the headphones and all this weird if

719

00:30:35,590 --> 00:30:33,360

you use the irig 2 that actually works

720

00:30:37,669 --> 00:30:35,600

pretty good with the mixer well check

721

00:30:40,950 --> 00:30:37,679

that out actually because we for a while

722

00:30:42,389 --> 00:30:40,960

we were trying to get music mixed in and

723

00:30:44,310 --> 00:30:42,399

stream yard didn't have a way to do that

724

00:30:47,510 --> 00:30:44,320

but now they do digitally so i'm just

725

00:30:49,269 --> 00:30:47,520

using that good you know

726

00:30:51,750 --> 00:30:49,279

randy phillips is here says this is one

727

00:30:54,230 --> 00:30:51,760

of the very few live shows

728

00:30:55,350 --> 00:30:54,240

with content and not just

729

00:30:57,990 --> 00:30:55,360

uh

730

00:31:00,230 --> 00:30:58,000

rambling with nothing to say thank you i

731

00:31:02,070 --> 00:31:00,240

appreciate that we truly

732

00:31:04,070 --> 00:31:02,080

yeah oh and by the way

733

00:31:05,990 --> 00:31:04,080

i'm a slouch because we were supposed to

734

00:31:08,389 --> 00:31:06,000

do this show on uh

735

00:31:09,830 --> 00:31:08,399

jeremy corbell being on rogan and we

736

00:31:11,909 --> 00:31:09,840

were gonna do it i was gonna do it on

737

00:31:12,710 --> 00:31:11,919

friday night but i got to the cabin way

738

00:31:14,310 --> 00:31:12,720

late

739

00:31:15,590 --> 00:31:14,320  
and then uh i was gonna do it this

740

00:31:17,830 --> 00:31:15,600  
afternoon because it was supposed to

741

00:31:19,750 --> 00:31:17,840  
rain but it didn't rain well it rained

742

00:31:21,350 --> 00:31:19,760  
off and on so when the rain stopped i

743

00:31:23,590 --> 00:31:21,360  
went and did some stuff that my wife

744

00:31:25,590 --> 00:31:23,600  
once done like cleaning up and

745

00:31:28,230 --> 00:31:25,600  
yard work and stuff

746

00:31:30,950 --> 00:31:28,240  
so we'll be doing that show uh monday

747

00:31:33,269 --> 00:31:30,960  
night we'll do the rogan and corbell he

748

00:31:34,950 --> 00:31:33,279  
said some nutty he said i don't know if

749

00:31:35,830 --> 00:31:34,960  
anybody caught that we said some nutty

750

00:31:37,430 --> 00:31:35,840  
[h\_\_\h]

751  
00:31:39,029 --> 00:31:37,440  
when i had when i made the thumbnail i

752  
00:31:41,029 --> 00:31:39,039  
had to flick i flicked through on

753  
00:31:42,870 --> 00:31:41,039  
spotify and i kind of heard bits and

754  
00:31:44,830 --> 00:31:42,880  
pieces i noticed by the end of it joe

755  
00:31:44,950 --> 00:31:44,840  
rogan

756  
00:31:49,190 --> 00:31:44,960  
is shooting at squid-shaped ufos

757  
00:31:53,590 --> 00:31:51,750  
sure they are jeremy can i smoke on the

758  
00:31:55,110 --> 00:31:53,600  
hashtag that he's swearing well there's

759  
00:31:57,269 --> 00:31:55,120  
evidence of that that's what i want he's

760  
00:31:59,029 --> 00:31:57,279  
got zero evidence of that no no people

761  
00:32:00,870 --> 00:31:59,039  
are sending him classified information

762  
00:32:02,149 --> 00:32:00,880  
all the time of course right

763  
00:32:03,909 --> 00:32:02,159

anonymously

764

00:32:06,070 --> 00:32:03,919

it has to be the bid

765

00:32:07,990 --> 00:32:06,080

he learned that from linda bolton

766

00:32:10,389 --> 00:32:08,000

you just didn't pull up a video from a

767

00:32:11,669 --> 00:32:10,399

razer phone right

768

00:32:13,990 --> 00:32:11,679

yeah right

769

00:32:16,070 --> 00:32:14,000

that debunked videos i think you can

770

00:32:17,830 --> 00:32:16,080

about even see the wire on the

771

00:32:20,389 --> 00:32:17,840

thing that's turning up on its belly

772

00:32:22,549 --> 00:32:20,399

more of the bubbles are nonsense you

773

00:32:24,470 --> 00:32:22,559

know what i i see that they all seem to

774

00:32:27,029 --> 00:32:24,480

work together all the grifters all the

775

00:32:28,630 --> 00:32:27,039

con men they all seem to work together

776

00:32:30,389 --> 00:32:28,640

that's part of the grip are they all

777

00:32:31,750 --> 00:32:30,399

running from the same script you know or

778

00:32:33,669 --> 00:32:31,760

a little template

779

00:32:35,190 --> 00:32:33,679

or talk between each other this is how i

780

00:32:37,590 --> 00:32:35,200

screwed a hundred thousand people you

781

00:32:39,269 --> 00:32:37,600

know or i got this much money that's

782

00:32:41,430 --> 00:32:39,279

what the conferences are for they really

783

00:32:43,590 --> 00:32:41,440

do after all the talks and conferences

784

00:32:46,870 --> 00:32:43,600

they sit around at tables trading

785

00:32:49,190 --> 00:32:46,880

stories on how they griffin yeah

786

00:32:51,990 --> 00:32:49,200

well no they all steal from each other

787

00:32:54,389 --> 00:32:52,000

you look here's here's a great example

788

00:32:57,509 --> 00:32:54,399

the the the whole the whole

789

00:33:00,070 --> 00:32:57,519

uh story of tall white aliens came from

790

00:33:01,350 --> 00:33:00,080

charles hall years ago

791

00:33:03,990 --> 00:33:01,360

and he

792

00:33:06,389 --> 00:33:04,000

turns out uh was never in the was never

793

00:33:09,029 --> 00:33:06,399

in the air force so his whole story

794

00:33:11,269 --> 00:33:09,039

begins with i was in the air force i was

795

00:33:13,430 --> 00:33:11,279

on this base being a weather observer

796

00:33:15,509 --> 00:33:13,440

and that's where the aliens were landing

797

00:33:17,590 --> 00:33:15,519

these tall white aliens he describes

798

00:33:20,310 --> 00:33:17,600

them he can talk for five hours he's got

799

00:33:22,630 --> 00:33:20,320

everything out on the land he said about

800

00:33:24,870 --> 00:33:22,640

tall white aliens and and but the whole

801

00:33:27,190 --> 00:33:24,880

gist of the story starts with him being

802

00:33:29,430 --> 00:33:27,200

in the air force we checked he was never

803

00:33:31,990 --> 00:33:29,440

in the air force so i don't believe a

804

00:33:34,470 --> 00:33:32,000

word that this guy says but if you think

805

00:33:37,029 --> 00:33:34,480

about it how many of these grifters have

806

00:33:40,549 --> 00:33:37,039

talked about tall white aliens

807

00:33:42,470 --> 00:33:40,559

a lot and it all came from an uh a lying

808

00:33:45,269 --> 00:33:42,480

source that was lying about his

809

00:33:46,789 --> 00:33:45,279

background so you know they all rip each

810

00:33:48,470 --> 00:33:46,799

other look and that's what i'm saying

811

00:33:50,389 --> 00:33:48,480

though look at now when do linda

812

00:33:52,070 --> 00:33:50,399

introduce these new orange talls or

813

00:33:53,990 --> 00:33:52,080

something like that right but if you

814

00:33:55,110 --> 00:33:54,000

really look at it yeah where they're

815

00:33:56,630 --> 00:33:55,120

where they're getting it they're all

816

00:33:58,549 --> 00:33:56,640

getting it from the same source so they

817

00:34:01,110 --> 00:33:58,559

all start talking about it at the same

818

00:34:03,669 --> 00:34:01,120

time you know or relatively close to

819

00:34:07,669 --> 00:34:05,590

did you see that michael sallow is

820

00:34:09,430 --> 00:34:07,679

throwing corey good under the bus

821

00:34:12,069 --> 00:34:09,440

yes i did we're going to talk about that

822

00:34:15,510 --> 00:34:12,079

next week magical situation that whole

823

00:34:18,470 --> 00:34:15,520

time already falls apart hold because

824

00:34:20,470 --> 00:34:18,480

the uh the whole story's him on the base

825

00:34:21,829 --> 00:34:20,480

yeah and if he was never on that base

826

00:34:24,069 --> 00:34:21,839

because he was never in the military

827

00:34:25,190 --> 00:34:24,079

then the whole story is bunk

828

00:34:27,510 --> 00:34:25,200

wow yeah

829

00:34:30,550 --> 00:34:27,520

exactly arlene reading what she said

830

00:34:35,109 --> 00:34:33,349

is true oh i was just looking uh

831

00:34:38,149 --> 00:34:35,119

uh they fly

832

00:34:41,270 --> 00:34:38,159

uh is running uh two billy meyer

833

00:34:44,550 --> 00:34:41,280

video clips beat the tic-tacs right he's

834

00:34:48,629 --> 00:34:46,389

what did he make

835

00:34:50,310 --> 00:34:48,639

yeah that was two days ago yeah i seen

836

00:34:52,069 --> 00:34:50,320

that come on it's a sad fact that on the

837

00:34:53,750 --> 00:34:52,079

internet there's always new people to

838

00:34:55,270 --> 00:34:53,760

drift off of so

839

00:34:56,629 --> 00:34:55,280

they're gonna play these videos until

840

00:34:58,069 --> 00:34:56,639

the end of time

841

00:35:00,310 --> 00:34:58,079

right right and that's why they wait the

842

00:35:02,390 --> 00:35:00,320

ten years or like in generation roughly

843

00:35:04,230 --> 00:35:02,400

and then they start doing the new or

844

00:35:06,790 --> 00:35:04,240

going back to the old stuff and it's

845

00:35:10,870 --> 00:35:06,800

like uh the art that linda stole from uh

846

00:35:13,190 --> 00:35:10,880

felipe like she's waiting in 2008

847

00:35:15,510 --> 00:35:13,200

15 years to to grift off of it thinking

848

00:35:17,109 --> 00:35:15,520

oh nobody'll be able to find it i don't

849

00:35:19,829 --> 00:35:17,119

think anyone on her team has explained

850

00:35:23,750 --> 00:35:19,839

what reverse image search is to her but

851  
00:35:27,430 --> 00:35:24,870

yeah

852  
00:35:40,630 --> 00:35:27,440

you guys you guys did that so i think

853  
00:35:45,829 --> 00:35:43,030

yeah but here's the thing stephen i was

854  
00:35:48,550 --> 00:35:45,839

i was telling six on the show earlier

855  
00:35:51,109 --> 00:35:48,560

that what you did now both of you is you

856  
00:35:53,109 --> 00:35:51,119

really screwed her big time you know why

857  
00:35:55,589 --> 00:35:53,119

because she went on her show and

858  
00:35:57,109 --> 00:35:55,599

admitted now she knows what reverse

859  
00:35:59,589 --> 00:35:57,119

image searches

860  
00:36:01,430 --> 00:35:59,599

so now there's no excuse anymore of her

861  
00:36:02,950 --> 00:36:01,440

saying well i didn't know

862  
00:36:05,589 --> 00:36:02,960

this is why she doubled down and said he

863  
00:36:06,390 --> 00:36:05,599

was a cia agent no because she couldn't

864

00:36:11,670 --> 00:36:06,400

she

865

00:36:14,550 --> 00:36:11,680

being wrong right oh no it must be the

866

00:36:16,790 --> 00:36:14,560

other guy it's not me

867

00:36:19,990 --> 00:36:16,800

yeah what's our favorite line uh hide it

868

00:36:23,030 --> 00:36:20,000

in plain sight show it and then deny it

869

00:36:38,950 --> 00:36:23,040

like that it makes absolutely no sense

870

00:36:43,349 --> 00:36:41,589

really i i seriously wonder how she got

871

00:36:45,910 --> 00:36:43,359

the awards i really don't want to go

872

00:36:47,670 --> 00:36:45,920

there but she was one of the only ones

873

00:36:49,349 --> 00:36:47,680

at the time in the early career she was

874

00:36:52,069 --> 00:36:49,359

one of the only reporters talking about

875

00:36:54,390 --> 00:36:52,079

this stuff but now she's she's like an

876

00:36:56,710 --> 00:36:54,400

old it's like a husband you know

877

00:36:58,150 --> 00:36:56,720

and now she's on vacation he sent her on

878

00:36:59,589 --> 00:36:58,160

vacation

879

00:37:01,589 --> 00:36:59,599

well i hope she has a lovely time you

880

00:37:06,069 --> 00:37:01,599

know and she finds peace

881

00:37:09,510 --> 00:37:07,270

yeah right

882

00:37:11,270 --> 00:37:09,520

somewhere that she that them people paid

883

00:37:13,430 --> 00:37:11,280

for or something you know what's funny

884

00:37:15,910 --> 00:37:13,440

too is that like she's somebody's mom

885

00:37:17,990 --> 00:37:15,920

and somebody's grandmom like right

886

00:37:20,150 --> 00:37:18,000

that's i would be embarrassed of her if

887

00:37:21,829 --> 00:37:20,160

she was my grandmom like my crazy

888

00:37:23,750 --> 00:37:21,839

grandmom that lies to people on the

889

00:37:24,630 --> 00:37:23,760

internet to make a living that's you

890

00:37:26,470 --> 00:37:24,640

know

891

00:37:29,430 --> 00:37:26,480

fortunately how is a common name so

892

00:37:31,589 --> 00:37:29,440

there's probably millions of them

893

00:37:33,750 --> 00:37:31,599

listen to what the kids are going to get

894

00:37:35,270 --> 00:37:33,760

right well why doesn't she use her

895

00:37:38,150 --> 00:37:35,280

friend that can remote view into the

896

00:37:39,829 --> 00:37:38,160

future and the past i mean that 1.28

897

00:37:41,829 --> 00:37:39,839

billion dollar lottery would have been a

898

00:37:43,430 --> 00:37:41,839

hell of a lot because he remembered her

899

00:37:44,790 --> 00:37:43,440

coming and ran away

900

00:37:46,470 --> 00:37:44,800

yeah right

901  
00:37:49,589 --> 00:37:46,480  
i guess it doesn't work that way with

902  
00:37:51,349 --> 00:37:49,599  
the lottery if you never worked that way

903  
00:37:52,950 --> 00:37:51,359  
yeah yeah

904  
00:37:54,390 --> 00:37:52,960  
well how many times have we heard

905  
00:37:56,150 --> 00:37:54,400  
especially recent where's the new

906  
00:37:58,230 --> 00:37:56,160  
content there's nothing really new

907  
00:38:00,310 --> 00:37:58,240  
there's a little bit here and there and

908  
00:38:01,750 --> 00:38:00,320  
well you can look at you know what you

909  
00:38:04,630 --> 00:38:01,760  
to see how

910  
00:38:07,109 --> 00:38:04,640  
how how much that people need new

911  
00:38:09,670 --> 00:38:07,119  
material you remember when anjali came

912  
00:38:12,150 --> 00:38:09,680  
out it was like the biggest story

913  
00:38:13,430 --> 00:38:12,160

of the year until we busted it as

914

00:38:14,310 --> 00:38:13,440

garbage

915

00:38:15,270 --> 00:38:14,320

because

916

00:38:17,349 --> 00:38:15,280

you're right

917

00:38:19,270 --> 00:38:17,359

the uh the step the capital steps or

918

00:38:20,630 --> 00:38:19,280

whatever like yeah by doing that and

919

00:38:22,550 --> 00:38:20,640

having that like

920

00:38:24,390 --> 00:38:22,560

imagery going along with the the

921

00:38:26,550 --> 00:38:24,400

spreading of the story it did make it go

922

00:38:28,550 --> 00:38:26,560

like way further yeah

923

00:38:30,550 --> 00:38:28,560

stephen you've done that to a few people

924

00:38:32,870 --> 00:38:30,560

you really went ahead and exposed them

925

00:38:35,030 --> 00:38:32,880

and there's no turning back from yeah

926  
00:38:36,390 --> 00:38:35,040  
you you yeah yeah there you go yeah you

927  
00:38:38,470 --> 00:38:36,400  
know what i love though is that they

928  
00:38:40,230 --> 00:38:38,480  
never say my name

929  
00:38:42,150 --> 00:38:40,240  
do you know what i mean like they never

930  
00:38:45,430 --> 00:38:42,160  
acknowledge this [h\_\_h]

931  
00:38:47,910 --> 00:38:45,440  
or my name they just say some some

932  
00:38:49,910 --> 00:38:47,920  
critics on the internet said this

933  
00:38:51,349 --> 00:38:49,920  
i'm not just a critic on the internet we

934  
00:38:53,190 --> 00:38:51,359  
have a [h\_\_h] no we don't want to give you

935  
00:38:54,710 --> 00:38:53,200  
a click that's why

936  
00:38:56,069 --> 00:38:54,720  
someone gives you a click they don't

937  
00:38:58,550 --> 00:38:56,079  
want to give you no support from their

938  
00:39:00,069 --> 00:38:58,560

camp that sort of come over here yeah

939

00:39:01,670 --> 00:39:00,079

i was disappointed i thought linda

940

00:39:03,510 --> 00:39:01,680

molten hal would at least acknowledge

941

00:39:05,670 --> 00:39:03,520

that we interviewed that artist she

942

00:39:07,430 --> 00:39:05,680

stole the artwork from she didn't even

943

00:39:10,950 --> 00:39:07,440

do that no no

944

00:39:12,790 --> 00:39:10,960

then just throw more dirt on top of her

945

00:39:17,270 --> 00:39:12,800

that's not part of the cosmic shuffle

946

00:39:22,310 --> 00:39:18,870

if it was then it would be

947

00:39:27,030 --> 00:39:24,870

oh my god they'll never happen that's it

948

00:39:29,349 --> 00:39:27,040

too they'll never stop

949

00:39:31,190 --> 00:39:29,359

and that's it but but as a i think it

950

00:39:32,470 --> 00:39:31,200

was uh was it lord ludacris said you

951  
00:39:34,550 --> 00:39:32,480  
know i think some of these people

952  
00:39:36,230 --> 00:39:34,560  
actually allow themselves to be fooled

953  
00:39:38,630 --> 00:39:36,240  
and you know if you just look for

954  
00:39:40,790 --> 00:39:38,640  
yourself or or

955  
00:39:41,050 --> 00:39:40,800  
i think some people see it simply

956  
00:39:43,990 --> 00:39:41,060  
you

957  
00:39:46,310 --> 00:39:44,000  
[Applause]

958  
00:39:48,470 --> 00:39:46,320  
look at this situation with bob lazar

959  
00:39:50,870 --> 00:39:48,480  
somebody just told me on twitter

960  
00:39:53,030 --> 00:39:50,880  
that uh there was a show host and he was

961  
00:39:54,470 --> 00:39:53,040  
saying how true bob lazar was and i

962  
00:39:57,030 --> 00:39:54,480  
posted all this

963  
00:39:59,270 --> 00:39:57,040

you know things like facts like that he

964

00:40:01,270 --> 00:39:59,280

never he was never scientist at los

965

00:40:03,030 --> 00:40:01,280

alamos somebody got to bob

966

00:40:05,190 --> 00:40:03,040

somebody got to bob lazar's former

967

00:40:07,190 --> 00:40:05,200

supervisors all of them said he was

968

00:40:10,230 --> 00:40:07,200

never a scientist at los alamos he was a

969

00:40:12,390 --> 00:40:10,240

technician he was a low-level technician

970

00:40:14,630 --> 00:40:12,400

and uh i posted that the interview with

971

00:40:17,030 --> 00:40:14,640

the area 51 security specialist who said

972

00:40:19,510 --> 00:40:17,040

he never flew in or out of area 51 like

973

00:40:21,349 --> 00:40:19,520

he claimed he would be in the logs this

974

00:40:23,190 --> 00:40:21,359

person told me that that information is

975

00:40:27,910 --> 00:40:23,200

irrelevant

976

00:40:30,230 --> 00:40:27,920

to do all these mental gymnastics they

977

00:40:31,829 --> 00:40:30,240

want they want a fairy tale and and when

978

00:40:35,270 --> 00:40:31,839

you have to start

979

00:40:38,390 --> 00:40:35,280

mental gymnastics to still believe it

980

00:40:40,630 --> 00:40:38,400

chances are the story's bull

981

00:40:42,790 --> 00:40:40,640

and what's this right here

982

00:40:43,589 --> 00:40:42,800

in the chat right

983

00:40:45,190 --> 00:40:43,599

but

984

00:40:47,430 --> 00:40:45,200

there's one thing i'm sorry six just one

985

00:40:49,990 --> 00:40:47,440

second because while you're on the lazar

986

00:40:51,910 --> 00:40:50,000

what somebody was bringing up uh that

987

00:40:53,589 --> 00:40:51,920

good hall or something like that has

988

00:40:55,109 --> 00:40:53,599

some pay stub

989

00:40:57,910 --> 00:40:55,119

yeah

990

00:40:59,829 --> 00:40:57,920

well the thing is so if you're a janitor

991

00:41:01,750 --> 00:40:59,839

or a scientist you'll have a pay sub and

992

00:41:03,910 --> 00:41:01,760

they said yeah but the pay rate is

993

00:41:05,670 --> 00:41:03,920

different so i know that's what i said

994

00:41:07,990 --> 00:41:05,680

if you take that if you take that

995

00:41:10,470 --> 00:41:08,000

document if you take that document to

996

00:41:12,790 --> 00:41:10,480

somebody that has worked for the irs

997

00:41:14,790 --> 00:41:12,800

and have them examine it first of all

998

00:41:17,349 --> 00:41:14,800

the social security number that was on

999

00:41:19,430 --> 00:41:17,359

it was his wife's not his if that's a

1000

00:41:21,510 --> 00:41:19,440

real w-2

1001

00:41:24,630 --> 00:41:21,520

why would you have your wife's right

1002

00:41:27,030 --> 00:41:24,640

social security number on your work w-2

1003

00:41:28,710 --> 00:41:27,040

it makes no sense w-2s back then were

1004

00:41:30,950 --> 00:41:28,720

pretty easy to fake

1005

00:41:33,589 --> 00:41:30,960

so i believe he you know he had a photo

1006

00:41:35,990 --> 00:41:33,599

company he just faked the w-2

1007

00:41:41,910 --> 00:41:38,630

goodall's whole story is that he went in

1008

00:41:44,150 --> 00:41:41,920

to ask about that w-2 right and and the

1009

00:41:46,230 --> 00:41:44,160

general or you know whoever

1010

00:41:47,990 --> 00:41:46,240

some some high-ranking military official

1011

00:41:50,309 --> 00:41:48,000

called them in i think it was a navy

1012

00:41:52,069 --> 00:41:50,319

official called them in and dressed them

1013

00:41:54,069 --> 00:41:52,079

down and said don't waste my staff's

1014

00:41:56,550 --> 00:41:54,079

time with this nonsense

1015

00:41:58,069 --> 00:41:56,560

well that could be a general or a

1016

00:42:00,069 --> 00:41:58,079

high-ranking military official that

1017

00:42:02,550 --> 00:42:00,079

doesn't want his staff's time wasted

1018

00:42:04,870 --> 00:42:02,560

with [h\_\_h] right that doesn't it but

1019

00:42:06,790 --> 00:42:04,880

but goodall takes that as proof that

1020

00:42:08,069 --> 00:42:06,800

that's real are we talking about

1021

00:42:08,710 --> 00:42:08,079

children

1022

00:42:09,510 --> 00:42:08,720

oh

1023

00:42:15,510 --> 00:42:09,520

yeah

1024

00:42:18,069 --> 00:42:15,520

would think if this was all true

1025

00:42:20,790 --> 00:42:18,079

the way people are making bank on all

1026

00:42:23,190 --> 00:42:20,800

this ufo stuff he would be out here

1027

00:42:26,150 --> 00:42:23,200

making bank like that he doesn't want

1028

00:42:27,349 --> 00:42:26,160

he's the only one that has 20 minute uh

1029

00:42:31,589 --> 00:42:27,359

migraines

1030

00:42:34,550 --> 00:42:33,109

anybody in the world i don't care how

1031

00:42:37,430 --> 00:42:34,560

honest you are if somebody's gonna pay

1032

00:42:39,349 --> 00:42:37,440

you 24 million dollars just to lie once

1033

00:42:41,829 --> 00:42:39,359

would you hey you know you got to think

1034

00:42:45,030 --> 00:42:41,839

about the lure of that money too so

1035

00:42:46,870 --> 00:42:45,040

you know and and for 24 million

1036

00:42:49,190 --> 00:42:46,880

i would be not only working on the alien

1037

00:42:51,109 --> 00:42:49,200

spacecraft i'd be banging i'd be letting

1038

00:42:53,750 --> 00:42:51,119

them butt bang me and tell everybody all

1039

00:43:01,829 --> 00:42:55,430

i was working on their spaceship and

1040

00:43:06,069 --> 00:43:03,910

this show has proved that truth can be

1041

00:43:08,550 --> 00:43:06,079

successful absolutely

1042

00:43:10,470 --> 00:43:08,560

yeah i just realized this is the real

1043

00:43:11,829 --> 00:43:10,480

media this is where the real truth comes

1044

00:43:13,829 --> 00:43:11,839

from it's this challenge although

1045

00:43:15,829 --> 00:43:13,839

although it's it's about 10 percent as

1046

00:43:17,829 --> 00:43:15,839

successful as the lie channels though

1047

00:43:18,870 --> 00:43:17,839

which is which is

1048

00:43:19,829 --> 00:43:18,880

that's

1049

00:43:21,670 --> 00:43:19,839

sad

1050

00:43:24,390 --> 00:43:21,680

i think it comes down to

1051

00:43:30,230 --> 00:43:24,400

general intelligence

1052

00:43:34,230 --> 00:43:32,390

even that guy that was on twitter that

1053

00:43:35,990 --> 00:43:34,240

yeah he was uh covering for lazar and

1054

00:43:38,470 --> 00:43:36,000

stuff like that he said something to the

1055

00:43:39,910 --> 00:43:38,480

uh to the effect of um well interviews

1056

00:43:41,589 --> 00:43:39,920

aren't proof and stuff so i went ahead

1057

00:43:43,750 --> 00:43:41,599

and i did a search for everything that

1058

00:43:45,589 --> 00:43:43,760

he posted with yeah he posts interviews

1059

00:43:47,190 --> 00:43:45,599

constantly

1060

00:43:48,630 --> 00:43:47,200

it's like none of those none of those

1061

00:43:51,270 --> 00:43:48,640

matter then right yes

1062

00:43:53,430 --> 00:43:51,280

what he said was an interview with an on

1063

00:43:55,670 --> 00:43:53,440

the record source that actually worked

1064

00:43:57,910 --> 00:43:55,680

at area 51 that we can verify worked at

1065

00:44:00,150 --> 00:43:57,920

area 51 at the time bob lazar claimed to

1066

00:44:02,230 --> 00:44:00,160

work there who said he checked all the

1067

00:44:03,910 --> 00:44:02,240

logs and there's no bob lazar in any of

1068

00:44:06,069 --> 00:44:03,920

the logs the flight logs the check-in

1069

00:44:07,910 --> 00:44:06,079

and checkout logs there's no bob lazar

1070

00:44:09,829 --> 00:44:07,920

and called george knapp and told him

1071

00:44:11,349 --> 00:44:09,839

that at the time george was first

1072

00:44:12,950 --> 00:44:11,359

talking the story george didn't want to

1073

00:44:16,230 --> 00:44:12,960

talk to him

1074

00:44:18,710 --> 00:44:16,240

he says that interview is not relevant

1075

00:44:20,230 --> 00:44:18,720

how does that sound and that's not proof

1076

00:44:22,470 --> 00:44:20,240

right okay

1077

00:44:25,030 --> 00:44:22,480

they're all cut through

1078

00:44:26,550 --> 00:44:25,040

you know nap will say this uh lazar will

1079

00:44:28,790 --> 00:44:26,560

say this the other guys will say this

1080

00:44:30,069 --> 00:44:28,800

and this and this and this so really i

1081

00:44:32,150 --> 00:44:30,079

mean and then when you look for yourself

1082

00:44:35,349 --> 00:44:32,160

you see he didn't have no record or and

1083

00:44:37,190 --> 00:44:35,359

that bestie was a secretary you know i

1084

00:44:39,829 --> 00:44:37,200

mean that's that's about

1085

00:44:41,349 --> 00:44:39,839

it's about the level of it you know they

1086

00:44:43,030 --> 00:44:41,359

they don't care about the truth they

1087

00:44:44,950 --> 00:44:43,040

only want to push what

1088

00:44:46,790 --> 00:44:44,960

their audience is liking and i really

1089

00:44:48,550 --> 00:44:46,800

can understand it i always i call that

1090

00:44:51,030 --> 00:44:48,560

riding the fence you're gonna ride fence

1091

00:44:53,430 --> 00:44:51,040

choose a side either go to the side that

1092

00:44:55,589 --> 00:44:53,440

push it [h\_\_h] or

1093

00:44:57,430 --> 00:44:55,599

stay to the side that you know pushes

1094

00:44:59,109 --> 00:44:57,440

truth and i don't think there's any

1095

00:45:00,550 --> 00:44:59,119

middle ground there really yeah they

1096

00:45:03,190 --> 00:45:00,560

just go with the one that they're going

1097

00:45:05,270 --> 00:45:03,200

to get paid from that's it yeah we tried

1098

00:45:07,349 --> 00:45:05,280

here you know i tried to go a little

1099

00:45:09,270 --> 00:45:07,359

into the woo we had tarot card readers

1100

00:45:10,470 --> 00:45:09,280

and i got a lot of [h\_\_h] for that and you

1101  
00:45:13,349 --> 00:45:10,480  
know

1102  
00:45:14,870 --> 00:45:13,359  
but i can't just i don't i don't

1103  
00:45:15,670 --> 00:45:14,880  
i could

1104  
00:45:18,550 --> 00:45:15,680  
just

1105  
00:45:20,390 --> 00:45:18,560  
be like fraud busting every single show

1106  
00:45:22,309 --> 00:45:20,400  
but i get bored of that after a while

1107  
00:45:24,630 --> 00:45:22,319  
because i still think there is something

1108  
00:45:26,870 --> 00:45:24,640  
to the ufo phenomenon and and other

1109  
00:45:29,190 --> 00:45:26,880  
phenomenon and paranormal things

1110  
00:45:31,910 --> 00:45:29,200  
so i i want to spend more time digging

1111  
00:45:32,710 --> 00:45:31,920  
into stories that have some meat on the

1112  
00:45:34,230 --> 00:45:32,720  
yeah

1113  
00:45:36,069 --> 00:45:34,240

i just want to say anthony's comment

1114

00:45:38,470 --> 00:45:36,079

that you've got highlighted there that

1115

00:45:40,470 --> 00:45:38,480

it's just reminded me of the moment with

1116

00:45:43,190 --> 00:45:40,480

linda martin however she said that's not

1117

00:45:44,309 --> 00:45:43,200

my relationship with the world

1118

00:45:46,150 --> 00:45:44,319

and

1119

00:45:49,670 --> 00:45:46,160

yeah that comment is so she lives in her

1120

00:45:51,190 --> 00:45:49,680

own reality that's right she just

1121

00:45:53,109 --> 00:45:51,200

hey thank you anthony for the dollar

1122

00:45:54,870 --> 00:45:53,119

thank you anthony parcell

1123

00:45:56,630 --> 00:45:54,880

praise the cash

1124

00:45:58,390 --> 00:45:56,640

yes yeah those are the same people that

1125

00:46:00,630 --> 00:45:58,400

say if you question lou

1126  
00:46:03,990 --> 00:46:00,640  
how dare you a framer you're questioning

1127  
00:46:06,069 --> 00:46:04,000  
a uh you're questioning a patriot a hero

1128  
00:46:07,750 --> 00:46:06,079  
yeah he's a hero

1129  
00:46:11,910 --> 00:46:07,760  
wilson

1130  
00:46:14,710 --> 00:46:11,920  
you can't say anything about he's a he

1131  
00:46:16,950 --> 00:46:14,720  
has to lie so it's like which one is it

1132  
00:46:18,309 --> 00:46:16,960  
you can't you're calling a person a liar

1133  
00:46:20,390 --> 00:46:18,319  
but

1134  
00:46:21,750 --> 00:46:20,400  
they're just yeah

1135  
00:46:23,910 --> 00:46:21,760  
i mean it's like it's like there's

1136  
00:46:25,750 --> 00:46:23,920  
someone important you know i mean yeah

1137  
00:46:28,550 --> 00:46:25,760  
and actually i i should address

1138  
00:46:30,470 --> 00:46:28,560

something because somebody uh commented

1139

00:46:31,829 --> 00:46:30,480

a real nasty comment in the youtube

1140

00:46:34,069 --> 00:46:31,839

comments and said

1141

00:46:36,790 --> 00:46:34,079

that i believe government sources when

1142

00:46:39,670 --> 00:46:36,800

it fits my narrative but what they don't

1143

00:46:41,349 --> 00:46:39,680

know is that i don't take one source in

1144

00:46:44,150 --> 00:46:41,359

other words if the government makes a

1145

00:46:46,150 --> 00:46:44,160

statement i then go and check with

1146

00:46:47,990 --> 00:46:46,160

people that i do have as sources that

1147

00:46:50,390 --> 00:46:48,000

work for the government and ask them

1148

00:46:51,829 --> 00:46:50,400

what they think is this a smoke screen

1149

00:46:53,589 --> 00:46:51,839

and these are people

1150

00:46:55,510 --> 00:46:53,599

i have several of them that have never

1151  
00:46:58,550 --> 00:46:55,520  
steered me wrong and have been proven

1152  
00:47:01,510 --> 00:46:58,560  
right uh you know after stories kind of

1153  
00:47:03,910 --> 00:47:01,520  
fall apart sometimes like the i had a

1154  
00:47:06,150 --> 00:47:03,920  
source telling me that elizondo was

1155  
00:47:08,230 --> 00:47:06,160  
a nobody in the pentagon you know he sat

1156  
00:47:10,150 --> 00:47:08,240  
at her desk he didn't investigate any

1157  
00:47:11,510 --> 00:47:10,160  
ufos right as soon as he came out in

1158  
00:47:13,750 --> 00:47:11,520  
2016.

1159  
00:47:16,790 --> 00:47:13,760  
i still have that source that source is

1160  
00:47:19,829 --> 00:47:16,800  
right i i i keep those so i don't just

1161  
00:47:22,069 --> 00:47:19,839  
blindly believe i check and verify you

1162  
00:47:24,470 --> 00:47:22,079  
know what was his reasoning for changing

1163  
00:47:26,790 --> 00:47:24,480

it to portfolio you know someone who

1164

00:47:29,109 --> 00:47:26,800

manages something so he's managing it

1165

00:47:31,670 --> 00:47:29,119

but then nobody knows who the hell he is

1166

00:47:34,390 --> 00:47:31,680

yeah first he was the director of a 22

1167

00:47:38,069 --> 00:47:34,400

million dollar program now he was the

1168

00:47:41,510 --> 00:47:38,079

uap portfolio manager because stephen

1169

00:47:43,670 --> 00:47:41,520

green street got a hold of the iog the

1170

00:47:45,589 --> 00:47:43,680

the ig complaint

1171

00:47:47,510 --> 00:47:45,599

the and that and nobody else really had

1172

00:47:49,349 --> 00:47:47,520

that and that's when he put that out and

1173

00:47:51,109 --> 00:47:49,359

he was going through it that's what was

1174

00:47:52,790 --> 00:47:51,119

in there

1175

00:47:54,870 --> 00:47:52,800

yeah you understand that's what he put

1176

00:47:57,030 --> 00:47:54,880

down and you could see it and what

1177

00:47:58,630 --> 00:47:57,040

people don't realize is that

1178

00:48:00,710 --> 00:47:58,640

when he's saying all that they're

1179

00:48:02,950 --> 00:48:00,720

thinking because he stated all that and

1180

00:48:05,109 --> 00:48:02,960

his complaint there you go that's the

1181

00:48:07,430 --> 00:48:05,119

problem no that's what he's saying right

1182

00:48:09,430 --> 00:48:07,440

it's a complaint yes right now right in

1183

00:48:12,470 --> 00:48:09,440

his complaint he's saying okay it wasn't

1184

00:48:14,470 --> 00:48:12,480

a program it was an activity and then

1185

00:48:16,870 --> 00:48:14,480

he's complaining he basically complains

1186

00:48:18,630 --> 00:48:16,880

in that ig complaint that the pentagon

1187

00:48:20,630 --> 00:48:18,640

telling everybody the truth is making it

1188

00:48:22,790 --> 00:48:20,640

real hard for him to make a living

1189

00:48:24,630 --> 00:48:22,800

selling his ufo stories well that's

1190

00:48:26,230 --> 00:48:24,640

that's just like going ahead you go to

1191

00:48:28,230 --> 00:48:26,240

the you go to the courthouse you go

1192

00:48:29,829 --> 00:48:28,240

ahead and you make complaints right no

1193

00:48:31,430 --> 00:48:29,839

and it doesn't matter if any of them are

1194

00:48:32,870 --> 00:48:31,440

true or not at all

1195

00:48:34,710 --> 00:48:32,880

right but you're making a complaint or

1196

00:48:36,790 --> 00:48:34,720

multiple complaints and then that's what

1197

00:48:38,630 --> 00:48:36,800

they offer you is evidence that this is

1198

00:48:40,390 --> 00:48:38,640

real i mean that's just i seen that the

1199

00:48:42,390 --> 00:48:40,400

other day i seen complaint complaint

1200

00:48:44,150 --> 00:48:42,400

claim i'm like are you [h\_\_\h] me this

1201

00:48:45,829 --> 00:48:44,160

is this is useless it's absolutely

1202

00:48:46,829 --> 00:48:45,839

useless oh we got somebody new here

1203

00:48:49,750 --> 00:48:46,839

something

1204

00:48:51,589 --> 00:48:49,760

new ufo john doe we want to thank you

1205

00:48:53,750 --> 00:48:51,599

of the lazar

1207

00:48:57,910 --> 00:48:55,680

i found myself caught up believing more

1208

00:48:59,750 --> 00:48:57,920

than doubting a few mentioned your lazar

1209

00:49:01,910 --> 00:48:59,760

episodes which is real which were really

1210

00:49:03,190 --> 00:49:01,920

welcome

1229

00:49:55,910 --> 00:49:53,359

everybody

1230

00:49:58,309 --> 00:49:55,920

tomorrow yeah man what's up buddy

1231

00:49:59,990 --> 00:49:58,319

looking forward to that seriously you

1232

00:50:01,670 --> 00:50:00,000

know what wreaking havoc i i got a

1233

00:50:04,230 --> 00:50:01,680

puerto rican brother-in-law that i don't

1234

00:50:05,510 --> 00:50:04,240

believe is puerto rican do you know why

1235

00:50:09,670 --> 00:50:05,520

because he doesn't

1236

00:50:12,069 --> 00:50:09,680

doesn't know how to make spanish rice so

1237

00:50:14,309 --> 00:50:12,079

i don't think he's really puerto rican i

1238

00:50:18,069 --> 00:50:14,319

mean i think he's puerto rican

1239

00:50:22,230 --> 00:50:19,750

what have you been up to are you are you

1240

00:50:25,349 --> 00:50:22,240

getting abducted lately

1241

00:50:27,670 --> 00:50:25,359

that's been quiet for two weeks

1242

00:50:29,349 --> 00:50:27,680

it's about it's a nice break

1243

00:50:32,069 --> 00:50:29,359

thank goodness

1244

00:50:34,470 --> 00:50:32,079

just when you start to relax

1245

00:50:36,309 --> 00:50:34,480

come on man yeah yeah just like i can

1246

00:50:38,549 --> 00:50:36,319

forget about it you know we need new

1247

00:50:40,870 --> 00:50:38,559

stories can you go get butt bangs or

1248

00:50:42,390 --> 00:50:40,880

something and come back next week

1249

00:50:43,349 --> 00:50:42,400

are you implying if you come on bot

1250

00:50:44,630 --> 00:50:43,359

stuff

1251  
00:50:48,230 --> 00:50:44,640  
he should come on maybe if he like tied

1252  
00:50:48,240 --> 00:50:51,430  
yeah it was like live bait

1253  
00:50:51,440 --> 00:50:58,330  
oh god

1254  
00:51:09,430 --> 00:51:07,829  
[Laughter]

1255  
00:51:11,910 --> 00:51:09,440  
yo if i knew that you could bait

1256  
00:51:13,750 --> 00:51:11,920  
somebody with butts to see aliens i

1257  
00:51:14,790 --> 00:51:13,760  
would probably try to talk some people

1258  
00:51:16,950 --> 00:51:14,800  
into it

1259  
00:51:19,190 --> 00:51:16,960  
i mean it's worked pretty well for us so

1260  
00:51:21,430 --> 00:51:19,200  
far just go over in that field and pull

1261  
00:51:22,590 --> 00:51:21,440  
your pants down i'm gonna get the laser

1262  
00:51:26,549 --> 00:51:22,600  
pointers out

1263  
00:51:29,750 --> 00:51:28,309

1264

00:51:31,829 --> 00:51:29,760

pointers aren't you worried that you're

1265

00:51:34,470 --> 00:51:31,839

gonna like make an airplane crash or

1266

00:51:40,870 --> 00:51:37,190

very irresponsible dude

1267

00:51:44,390 --> 00:51:41,750

bro

1268

00:51:46,390 --> 00:51:44,400

1272

00:51:59,589 --> 00:51:55,750

1284

00:52:28,069 --> 00:52:26,079

the video

1285

00:52:29,510 --> 00:52:28,079

here

1286

00:52:32,150 --> 00:52:29,520

is that the same person

1287

00:52:34,390 --> 00:52:32,160

go do it

1288

00:52:35,910 --> 00:52:34,400

yeah she's awesome she's awesome what a

1289

00:52:38,549 --> 00:52:35,920

good girl yeah

1290

00:52:40,790 --> 00:52:38,559

she does like costumes and

1291

00:52:42,790 --> 00:52:40,800

everything all types of stuff too

1292

00:52:47,990 --> 00:52:42,800

yeah

1293

00:52:49,990 --> 00:52:48,000

nope i gotta work on this stupid accent

1294

00:52:51,750 --> 00:52:50,000

stupid british guys i want to get it

1295

00:52:53,910 --> 00:52:51,760

right we're gonna do that like thumbnail

1296

00:52:56,390 --> 00:52:53,920

like half built wait i'm just waiting

1297

00:52:57,990 --> 00:52:56,400

for a picture of your face oh i'll do it

1298

00:53:00,470 --> 00:52:58,000

as soon as i get back tomorrow i didn't

1299

00:53:03,190 --> 00:53:00,480

bring the mask with me you know one time

1300

00:53:04,549 --> 00:53:03,200

i got pulled over by a local yokel cop

1301  
00:53:06,150 --> 00:53:04,559  
here like a hick

1302  
00:53:09,190 --> 00:53:06,160  
hillbilly cop

1303  
00:53:11,030 --> 00:53:09,200  
and uh and he just pulls me over and he

1304  
00:53:13,510 --> 00:53:11,040  
you know license and registration and on

1305  
00:53:16,630 --> 00:53:13,520  
the passenger seat of the car

1306  
00:53:18,150 --> 00:53:16,640  
i had this mask and he goes

1307  
00:53:19,990 --> 00:53:18,160  
what's the mask for

1308  
00:53:23,430 --> 00:53:20,000  
and i go uh

1309  
00:53:25,589 --> 00:53:23,440  
i do a show on youtube and try to

1310  
00:53:26,790 --> 00:53:25,599  
explain it to him sure you do and then

1311  
00:53:32,230 --> 00:53:26,800  
he's like

1312  
00:53:36,309 --> 00:53:33,990  
and i'm like no i think he thought i was

1313  
00:53:38,390 --> 00:53:36,319

a bank robber or something

1314

00:53:41,190 --> 00:53:38,400

you know you got to get the reagan mask

1315

00:53:43,510 --> 00:53:41,200

for that yeah

1316

00:53:46,870 --> 00:53:43,520

after that if i took a mask to the cabin

1317

00:53:47,990 --> 00:53:46,880

i put it in the trunk you know

1318

00:53:49,430 --> 00:53:48,000

that's funny

1319

00:53:53,430 --> 00:53:49,440

so what happens if they get you to pop

1320

00:53:58,150 --> 00:53:56,069

what are you hiding this mask for sir

1321

00:54:01,270 --> 00:53:58,160

why do you have a man synthesizing rope

1322

00:54:05,589 --> 00:54:04,150

yeah oh geez you could just assume that

1323

00:54:06,870 --> 00:54:05,599

you were like kinky or something you

1324

00:54:15,870 --> 00:54:06,880

know

1325

00:54:15,880 --> 00:54:22,150

[Music]

1326

00:54:22,160 --> 00:54:33,990

oh

1327

00:54:38,870 --> 00:54:35,990

did anyone read that that paper that

1328

00:54:41,510 --> 00:54:38,880

leaked that helped it off papers it's oh

1329

00:54:43,589 --> 00:54:41,520

yeah it was so bizarre

1330

00:54:46,549 --> 00:54:43,599

yeah there are a lot of yeah

1331

00:54:48,470 --> 00:54:46,559

demons and aliens and

1332

00:54:50,390 --> 00:54:48,480

everything yeah yeah it's quite like a

1333

00:54:54,150 --> 00:54:50,400

little bit it's like a buffet as a

1334

00:54:56,549 --> 00:54:54,160

possibility for literally everything

1335

00:54:59,510 --> 00:54:56,559

i'm pretty sure i saw a kfc secret sauce

1336

00:55:03,430 --> 00:55:01,349

yeah al put off as kind of a joke he

1337

00:55:06,870 --> 00:55:03,440

wasted millions of dollars

1338

00:55:09,349 --> 00:55:06,880

on yuri geller and uh yuri geller i can

1339

00:55:11,589 --> 00:55:09,359

show i could show you right yuri yellow

1340

00:55:14,069 --> 00:55:11,599

yuri geller finally admitted that he was

1341

00:55:15,270 --> 00:55:14,079

just using magic tricks and in fact you

1342

00:55:19,430 --> 00:55:15,280

can buy

1343

00:55:23,030 --> 00:55:19,440

websites

1344

00:55:26,150 --> 00:55:23,040

about how to do all of his uh tricks

1345

00:55:28,150 --> 00:55:26,160

and he fooled uh hal put off and hal put

1346

00:55:30,309 --> 00:55:28,160

off spent tons of money and when he was

1347

00:55:33,670 --> 00:55:30,319

done hal prov said that he had genuine

1348

00:55:36,150 --> 00:55:33,680

psychic supernatural abilities yeah okay

1349

00:55:38,710 --> 00:55:36,160

i still see people support him even

1350

00:55:39,990 --> 00:55:38,720

though recently and i'm like wow

1351

00:55:41,750 --> 00:55:40,000

you're kidding me

1352

00:55:44,230 --> 00:55:41,760

and you know it's funny it's discount it

1353

00:55:47,270 --> 00:55:44,240

used to be very very expensive his dvd

1354

00:55:50,549 --> 00:55:47,280

set but nobody no magicians bought it so

1355

00:55:52,230 --> 00:55:50,559

now it is it is super cheap and uh i'm

1356

00:55:54,230 --> 00:55:52,240

going to show you right here this is

1357

00:55:56,470 --> 00:55:54,240

something called the magicwarehouse.com

1358

00:55:57,190 --> 00:55:56,480

where magicians buy supplies and tricks

1359

00:56:10,309 --> 00:55:57,200

and

1360

00:56:12,549 --> 00:56:10,319

in this dvd set it's a three dvd set he

1361

00:56:14,710 --> 00:56:12,559

shows you how to bend spoons

1362

00:56:17,349 --> 00:56:14,720

he shows you how to do all the tricks

1363

00:56:19,910 --> 00:56:17,359

that he used to do when he was breathing

1364

00:56:21,829 --> 00:56:19,920

to be a psychic yeah this three is is

1365

00:56:23,990 --> 00:56:21,839

yuri geller's biography the real

1366

00:56:25,750 --> 00:56:24,000

uncensored story of his life forget what

1367

00:56:27,750 --> 00:56:25,760

you thought you knew about this legend

1368

00:56:28,950 --> 00:56:27,760

this biography is raw intense and

1369

00:56:31,109 --> 00:56:28,960

unfiltered

1370

00:56:32,870 --> 00:56:31,119

yeah and you get a 20 minute personal

1371

00:56:34,710 --> 00:56:32,880

session with yuri

1372

00:56:35,750 --> 00:56:34,720

this set used to be several hundred

1373

00:56:37,349 --> 00:56:35,760

dollars

1374

00:56:39,270 --> 00:56:37,359

you can get wait you get a personal

1375

00:56:41,990 --> 00:56:39,280

session with yuri if you buy it

1376

00:56:43,990 --> 00:56:42,000

yeah i punch around 20 bucks dude do it

1377

00:56:45,670 --> 00:56:44,000

yeah but it's probably this this set's

1378

00:56:47,190 --> 00:56:45,680

been out for years he's probably not

1379

00:56:49,589 --> 00:56:47,200

doing it yeah i would do it just to get

1380

00:56:51,589 --> 00:56:49,599

an interview like can you tell us can

1381

00:56:53,829 --> 00:56:51,599

you tell us that you tricked hal put off

1382

00:56:54,950 --> 00:56:53,839

and he's an idiot please

1383

00:56:56,950 --> 00:56:54,960

you know

1384

00:56:58,870 --> 00:56:56,960

you tricked out put off you tricked how

1385

00:57:00,870 --> 00:56:58,880

put off with kids magic tricks and he

1386

00:57:03,349 --> 00:57:00,880

fell for it that's how smart

1387

00:57:05,109 --> 00:57:03,359

how put off is it it enables me how many

1388

00:57:07,829 --> 00:57:05,119

how many times these people in the in

1389

00:57:10,309 --> 00:57:07,839

that and that portion of the con cosmic

1390

00:57:12,630 --> 00:57:10,319

khan you know get caught and they still

1391

00:57:14,470 --> 00:57:12,640

are going i you know some of them

1392

00:57:15,670 --> 00:57:14,480

obviously not as much as they used to be

1393

00:57:17,910 --> 00:57:15,680

you know because they've been really

1394

00:57:20,630 --> 00:57:17,920

called out but you know like they can go

1395

00:57:22,230 --> 00:57:20,640

decades literally decades and decades

1396

00:57:24,829 --> 00:57:22,240

yeah there's still amazon's been at it

1397

00:57:26,470 --> 00:57:24,839

for 30 years you know right yeah

1398

00:57:28,710 --> 00:57:26,480

everybody keeps saying that he doesn't

1399

00:57:30,390 --> 00:57:28,720

make any money he just got oh [h\_\_h] he

1400

00:57:33,190 --> 00:57:30,400

just got out he just got a book deal

1401

00:57:35,109 --> 00:57:33,200

from tom delong and then he bought

1402

00:57:37,349 --> 00:57:35,119

and then he bought like a million dollar

1403

00:57:38,069 --> 00:57:37,359

property right after the book deal

1404

00:57:54,150 --> 00:57:38,079

so

1405

00:57:55,270 --> 00:57:54,160

publicity yeah yeah you're talking about

1406

00:57:57,109 --> 00:57:55,280

putin

1407

00:57:59,190 --> 00:57:57,119

yeah he could stop his nukes with his

1408

00:58:00,789 --> 00:57:59,200

mind and if everybody concentrated

1409

00:58:03,510 --> 00:58:00,799

together we could shut

1410

00:58:08,069 --> 00:58:03,520

up you know i can stop yuri with my mind

1411

00:58:11,030 --> 00:58:09,910

so i have a question for everybody real

1412

00:58:12,630 --> 00:58:11,040

quick uh

1413

00:58:14,710 --> 00:58:12,640

who would you consider

1414

00:58:16,549 --> 00:58:14,720

who's not a fraud because i have a hard

1415

00:58:18,309 --> 00:58:16,559

time

1416

00:58:19,670 --> 00:58:18,319

picking one you know what i'm saying i

1417

00:58:22,630 --> 00:58:19,680

can't count

1418

00:58:25,589 --> 00:58:22,640

john greenwald john greenwald i uh

1419

00:58:27,589 --> 00:58:25,599

jeremy rise uh walter bosley and a few

1420

00:58:29,750 --> 00:58:27,599

other people and by the way

1421

00:58:32,630 --> 00:58:29,760

i saw walter bosley in the chat thanks

1422

00:58:34,150 --> 00:58:32,640

for ruining my whole theory i have this

1423

00:58:36,230 --> 00:58:34,160

whole theory that if you want to know if

1424

00:58:39,030 --> 00:58:36,240

somebody is full of [h\_\_h] check if

1425

00:58:40,390 --> 00:58:39,040

they're on gaia tv and if they are

1426

00:58:43,270 --> 00:58:40,400

they're a fraud

1427

00:58:45,349 --> 00:58:43,280

and then i found out that uh walter

1428

00:58:46,710 --> 00:58:45,359

bosley has been a guest on two shows on

1429

00:58:47,910 --> 00:58:46,720

gaia

1430

00:58:50,470 --> 00:58:47,920

so that's just

1431

00:58:53,190 --> 00:58:50,480

my theory because he's just one yeah you

1432

00:58:56,870 --> 00:58:53,200

gotta ruin my gaia if your own guy or

1433

00:59:00,870 --> 00:58:58,150

i would have put money on that theory

1434

00:59:02,630 --> 00:59:00,880

you know i agree with that pretty much

1435

00:59:05,670 --> 00:59:02,640

well the guy david adera who we just

1436

00:59:08,069 --> 00:59:05,680

covered who by oh that's another thing

1437

00:59:09,910 --> 00:59:08,079

too you want to talk about nitpicking

1438

00:59:12,789 --> 00:59:09,920

here's something i have to address

1439

00:59:14,589 --> 00:59:12,799

during the show about david adair i said

1440

00:59:18,309 --> 00:59:14,599

that they offered him

1441

00:59:20,470 --> 00:59:18,319

695 billion dollars and somebody in the

1442

00:59:21,750 --> 00:59:20,480

in the comments said i don't know how to

1443

00:59:25,510 --> 00:59:21,760

do math

1444

00:59:27,950 --> 00:59:25,520

but i did the math right i simply though

1445

00:59:30,270 --> 00:59:27,960

didn't say 1 trillion

1446

00:59:36,150 --> 00:59:30,280

695 billion

1447

00:59:38,069 --> 00:59:36,160

billion dollars is the same thing so i

1448

00:59:39,750 --> 00:59:38,079

don't know why people are getting upset

1449

00:59:41,430 --> 00:59:39,760

or saying i don't know how to do math i

1450

00:59:43,349 --> 00:59:41,440

did the math right i just didn't say it

1451  
00:59:52,240 --> 00:59:43,359  
right things get confusing when you're

1452  
00:59:56,549 --> 00:59:54,950  
[Music]

1453  
00:59:59,829 --> 00:59:56,559  
just like great turned down what three

1454  
01:00:01,910 --> 00:59:59,839  
billion he said yes he turned down three

1455  
01:00:04,309 --> 01:00:01,920  
and this david adair turned down three

1456  
01:00:05,430 --> 01:00:04,319  
trillion dollars yeah yeah it was

1457  
01:00:07,510 --> 01:00:05,440  
interesting

1458  
01:00:09,670 --> 01:00:07,520  
finding that person in the comments i

1459  
01:00:11,190 --> 01:00:09,680  
found the the nasa

1460  
01:00:14,870 --> 01:00:11,200  
newsletter

1461  
01:00:17,109 --> 01:00:14,880  
from 2001 i think with and that david

1462  
01:00:19,030 --> 01:00:17,119  
adair's name is there is like the head

1463  
01:00:20,470 --> 01:00:19,040

of some

1464

01:00:21,750 --> 01:00:20,480

or

1465

01:00:23,589 --> 01:00:21,760

some nasa

1466

01:00:25,990 --> 01:00:23,599

place i can't remember what it said on

1467

01:00:27,990 --> 01:00:26,000

yeah and somebody else said that

1468

01:00:29,829 --> 01:00:28,000

he worked in the cafeteria but i'm still

1469

01:00:32,549 --> 01:00:29,839

trying to verify i believe that was a

1470

01:00:35,030 --> 01:00:32,559

different david adair not the david

1471

01:00:37,589 --> 01:00:35,040

adair space expert that's turning down

1472

01:00:39,750 --> 01:00:37,599

trillion dollar deals yeah when i did a

1473

01:00:41,910 --> 01:00:39,760

search on him i found a bunch of

1474

01:00:45,430 --> 01:00:41,920

irrelevant stuff you know when there was

1475

01:00:47,750 --> 01:00:45,440

a bunch of people including a sport uh

1476

01:00:49,910 --> 01:00:47,760

an athlete which when you're in sports

1477

01:00:51,349 --> 01:00:49,920

and especially when you're popular it's

1478

01:00:53,750 --> 01:00:51,359

going to be totally saturated with just

1479

01:00:56,470 --> 01:00:53,760

that person so it really makes it hard

1480

01:00:58,309 --> 01:00:56,480

to search for for people like that did

1481

01:00:59,270 --> 01:00:58,319

he go to like a prestigious college or

1482

01:01:04,710 --> 01:00:59,280

anything

1483

01:01:08,150 --> 01:01:06,390

do you think it's possible like his

1484

01:01:17,670 --> 01:01:08,160

history could have been covered up but i

1485

01:01:21,990 --> 01:01:19,510

one of the big indicators that he's full

1486

01:01:24,549 --> 01:01:22,000

of crap is that he he claims that like

1487

01:01:27,190 --> 01:01:24,559

in the 60s or the 50s he invented this

1488

01:01:29,349 --> 01:01:27,200

rocket engine as a 17 year old child

1489

01:01:31,030 --> 01:01:29,359

that could go the speed of light or past

1490

01:01:32,870 --> 01:01:31,040

the speed of light and it was a fusion

1491

01:01:35,990 --> 01:01:32,880

generator and all this stuff

1492

01:01:38,710 --> 01:01:36,000

and then and then he shows a 1971

1493

01:01:41,510 --> 01:01:38,720

article where he's just using regular

1494

01:01:43,030 --> 01:01:41,520

model rocket parts to make a rocket it

1495

01:01:44,870 --> 01:01:43,040

doesn't make any sense why you would do

1496

01:01:47,510 --> 01:01:44,880

that ten years later after you invented

1497

01:01:49,430 --> 01:01:47,520

this super advanced thing and he's like

1498

01:01:51,990 --> 01:01:49,440

i got a question

1499

01:01:53,829 --> 01:01:52,000

if he can do all of these fusion drives

1500

01:01:55,990 --> 01:01:53,839

and all of this stuff why the hell is he

1501  
01:01:58,630 --> 01:01:56,000  
still on earth

1502  
01:02:00,549 --> 01:01:58,640  
right why is he still here

1503  
01:02:02,630 --> 01:02:00,559  
i come nothing's closest or the better

1504  
01:02:04,470 --> 01:02:02,640  
question is why why if people are

1505  
01:02:06,870 --> 01:02:04,480  
offering billions and trillions of

1506  
01:02:08,710 --> 01:02:06,880  
dollars to work for them is he working

1507  
01:02:09,829 --> 01:02:08,720  
ufo conferences for a couple hundred

1508  
01:02:12,710 --> 01:02:09,839  
bucks

1509  
01:02:14,470 --> 01:02:12,720  
you know ufo disease man that's why

1510  
01:02:16,549 --> 01:02:14,480  
yeah

1511  
01:02:19,130 --> 01:02:16,559  
well he's already in the future by now

1512  
01:02:21,109 --> 01:02:19,140  
right so we won't stand for another 150

1513  
01:02:23,270 --> 01:02:21,119

[Laughter]

1514

01:02:25,029 --> 01:02:23,280

emery smith is still out there grifting

1515

01:02:28,309 --> 01:02:25,039

that's what he knows

1516

01:02:29,670 --> 01:02:28,319

it's all private health seminars and

1517

01:02:31,829 --> 01:02:29,680

all that jazz

1518

01:02:33,750 --> 01:02:31,839

it's always best it's always great to

1519

01:02:34,950 --> 01:02:33,760

learn how to be healthy from a falling

1520

01:02:35,910 --> 01:02:34,960

down drunk

1521

01:02:37,990 --> 01:02:35,920

you know

1522

01:02:39,829 --> 01:02:38,000

and i say that with humility being of

1523

01:02:41,910 --> 01:02:39,839

once fallen down drunk myself but i'm

1524

01:02:43,670 --> 01:02:41,920

not giving people healthy more than that

1525

01:02:45,990 --> 01:02:43,680

you know i think we've done well so far

1526

01:02:47,670 --> 01:02:46,000

tonight nobody's fallen over

1527

01:02:48,710 --> 01:02:47,680

yeah what the hell come on guys start

1528

01:02:51,109 --> 01:02:48,720

drinking

1529

01:02:52,470 --> 01:02:51,119

it's good for ratings

1530

01:02:54,789 --> 01:02:52,480

i mean

1531

01:02:56,549 --> 01:02:54,799

i couldn't stop drinking

1532

01:03:02,230 --> 01:02:56,559

i don't really want to

1533

01:03:06,630 --> 01:03:04,950

and his chair it made all this noise

1534

01:03:09,910 --> 01:03:06,640

oh my god

1535

01:03:11,750 --> 01:03:09,920

holy [h\_\_\h] i was like wow

1536

01:03:13,430 --> 01:03:11,760

someone should go back and clip that

1537

01:03:15,589 --> 01:03:13,440

moment because it was a magical moment i

1538

01:03:17,430 --> 01:03:15,599

think i got it yeah i got it on my

1539

01:03:20,230 --> 01:03:17,440  
twitter here i'll find it here that's

1540

01:03:22,870 --> 01:03:20,240  
also a good one that davina

1541

01:03:24,789 --> 01:03:22,880  
that davina says says um

1542

01:03:26,870 --> 01:03:24,799  
whatever happened to emery smith

1543

01:03:28,069 --> 01:03:26,880  
remember him i was pleased with him too

1544

01:03:28,870 --> 01:03:28,079  
another one

1545

01:03:31,829 --> 01:03:28,880  
yeah

1546

01:03:34,069 --> 01:03:31,839  
sure girlfriend blew him up

1547

01:03:36,549 --> 01:03:34,079  
yeah i saw something this morning it was

1548

01:03:38,470 --> 01:03:36,559  
uh michael sala on a panel of three

1549

01:03:40,069 --> 01:03:38,480  
other secret space program grifters

1550

01:03:41,750 --> 01:03:40,079  
having yeah we're gonna we're gonna do

1551

01:03:43,349 --> 01:03:41,760

that whole thing next yeah that's gonna

1552

01:03:46,710 --> 01:03:43,359

be a that's gonna be a fun episode we're

1553

01:03:47,670 --> 01:03:46,720

going to call that ssp grifter council

1554

01:03:49,670 --> 01:03:47,680

because they're talking about the

1555

01:03:52,150 --> 01:03:49,680

council of galactic ale and you know

1556

01:03:54,549 --> 01:03:52,160

what i love about some of these people

1557

01:03:57,670 --> 01:03:54,559

especially that that whole like galactic

1558

01:03:59,910 --> 01:03:57,680

council and the space wars people

1559

01:04:01,589 --> 01:03:59,920

it's they're so nonchalant when they

1560

01:04:04,150 --> 01:04:01,599

talk about this they're just so

1561

01:04:05,430 --> 01:04:04,160

nonchalant like it's just accepted like

1562

01:04:06,789 --> 01:04:05,440

yeah

1563

01:04:09,589 --> 01:04:06,799

griffin

1564

01:04:13,109 --> 01:04:09,599

aliens have a base on saturn and the

1565

01:04:17,109 --> 01:04:13,119

good guys have a base on uh

1566

01:04:18,950 --> 01:04:17,119

on uh mars and they're battling for

1567

01:04:22,309 --> 01:04:18,960

control of our solar system and then

1568

01:04:24,470 --> 01:04:22,319

just so nonchalant about it like okay

1569

01:04:25,910 --> 01:04:24,480

it would make a good series you know

1570

01:04:28,950 --> 01:04:25,920

get some good writing i think it would

1571

01:04:31,430 --> 01:04:28,960

like the grift cabal episode one yeah

1572

01:04:33,670 --> 01:04:31,440

i mean yeah you could have like you know

1573

01:04:35,990 --> 01:04:33,680

some good cgi stuff man you could do

1574

01:04:38,549 --> 01:04:36,000

some make it into a cartoon actually

1575

01:04:40,870 --> 01:04:38,559

there is a girl that did that uh she's

1576

01:04:43,510 --> 01:04:40,880

one of the grifters and she got a cgi

1577

01:04:45,029 --> 01:04:43,520

artist to like illustrate the space wars

1578

01:04:46,789 --> 01:04:45,039

she was talking about

1579

01:04:48,470 --> 01:04:46,799

and then uh i can't remember her name

1580

01:04:51,270 --> 01:04:48,480

off the top of my head

1581

01:04:53,589 --> 01:04:51,280

uh but she maybe megan rose

1582

01:04:55,670 --> 01:04:53,599

i think oh you did a show on her and she

1583

01:04:57,510 --> 01:04:55,680

couldn't remember that yeah copyright

1584

01:04:59,990 --> 01:04:57,520

claimed me but then she agreed that she

1585

01:05:01,829 --> 01:05:00,000

would take the copyright comment if i

1586

01:05:04,069 --> 01:05:01,839

removed it you know

1587

01:05:06,710 --> 01:05:04,079

that comment is fun i remember when they

1588

01:05:10,230 --> 01:05:06,720

started that podcast wait a true those

1589

01:05:12,390 --> 01:05:10,240

guys are dumb as [h\_\_h] those two that's a

1590

01:05:14,309 --> 01:05:12,400

guy called aaron and a guy called mike i

1591

01:05:16,789 --> 01:05:14,319

don't want to start any new show beefs

1592

01:05:18,710 --> 01:05:16,799

but those two guys are dumb as rocks

1593

01:05:22,549 --> 01:05:18,720

they were they were corey good uh

1594

01:05:23,910 --> 01:05:22,559

lucky's back in the day like yeah

1595

01:05:25,910 --> 01:05:23,920

it was it was funny when they made that

1596

01:05:28,950 --> 01:05:25,920

podcast because it was right as i like i

1597

01:05:30,549 --> 01:05:28,960

was like no corey corey bad

1598

01:05:32,309 --> 01:05:30,559

and you know speaks

1599

01:05:34,710 --> 01:05:32,319

they're pushing out the shows and stuff

1600

01:05:36,470 --> 01:05:34,720

it was just obvious what it was

1601

01:05:38,870 --> 01:05:36,480

speaking on those lines i'd like to

1602

01:05:40,470 --> 01:05:38,880

thank john here for asking you know

1603

01:05:42,789 --> 01:05:40,480

important questions like that you know

1604

01:05:45,029 --> 01:05:42,799

who should i be looking at you know for

1605

01:05:46,390 --> 01:05:45,039

for for good information you know i

1606

01:05:47,829 --> 01:05:46,400

think that that's really respectful

1607

01:05:49,510 --> 01:05:47,839

thank you

1608

01:05:51,990 --> 01:05:49,520

oh my god those guys are dumb as [h\_\_\h]

1609

01:05:54,870 --> 01:05:52,000

and they have 30 000 subscribers

1610

01:05:56,230 --> 01:05:54,880

jesus christ

1611

01:05:58,789 --> 01:05:56,240

wait a minute we're not dumb enough

1612

01:06:01,910 --> 01:05:58,799

that's what the problem is

1613

01:06:02,829 --> 01:06:01,920

those two are dumb as rocks

1614

01:06:06,150 --> 01:06:02,839

oh

1615

01:06:07,750 --> 01:06:06,160

man geez and they're just interviewers

1616

01:06:09,829 --> 01:06:07,760

that they just let people tell their

1617

01:06:11,750 --> 01:06:09,839

stories they never interrupt and say do

1618

01:06:13,829 --> 01:06:11,760

you have any proof of this or thank you

1619

01:06:15,349 --> 01:06:13,839

for sharing your truth

1620

01:06:18,390 --> 01:06:15,359

yeah

1621

01:06:20,150 --> 01:06:18,400

have you got any facts for that no see

1622

01:06:22,789 --> 01:06:20,160

look look like people like jimmy they

1623

01:06:24,630 --> 01:06:22,799

don't have i mean he does have some of

1624

01:06:27,270 --> 01:06:24,640

his own content but it's basically

1625

01:06:29,109 --> 01:06:27,280

reading like um uh what happened on this

1626

01:06:30,470 --> 01:06:29,119

day type of stuff like what and if you

1627

01:06:32,470 --> 01:06:30,480

listen to coast to coast that's what

1628

01:06:33,829 --> 01:06:32,480

they used to do so i think that he's

1629

01:06:36,069 --> 01:06:33,839

just trying to kind of

1630

01:06:38,470 --> 01:06:36,079

grift off that even but he's trying to

1631

01:06:40,630 --> 01:06:38,480

fill ten minutes with garbage every show

1632

01:06:43,670 --> 01:06:40,640

he fills 10 minutes with garbage that he

1633

01:06:45,910 --> 01:06:43,680

finds on a website you know yeah oh uh

1634

01:06:48,150 --> 01:06:45,920

this person was born on this day in

1635

01:06:49,430 --> 01:06:48,160

history who cares that that is nothing

1636

01:06:51,910 --> 01:06:49,440

you know

1637

01:06:53,829 --> 01:06:51,920

just trying to fill time yeah basically

1638

01:06:56,069 --> 01:06:53,839

yeah yeah he does that

1639

01:06:57,910 --> 01:06:56,079

and the guest i'm pretty sure nobody's

1640

01:06:59,670 --> 01:06:57,920

tuning in to find out what happened on

1641

01:07:00,950 --> 01:06:59,680

this day in history they have google

1642

01:07:02,870 --> 01:07:00,960

they can find out if they're really

1643

01:07:04,630 --> 01:07:02,880

curious it's

1644

01:07:06,150 --> 01:07:04,640

stupid

1645

01:07:09,190 --> 01:07:06,160

yeah and it's interesting that now he

1646

01:07:11,510 --> 01:07:09,200

has to be no comment from him after he

1647

01:07:14,309 --> 01:07:11,520

helped linda molten hal verifiably sell

1648

01:07:16,710 --> 01:07:14,319

fake alien pictures as as true on his

1649

01:07:18,710 --> 01:07:16,720

show didn't check nothing i think he

1650

01:07:21,430 --> 01:07:18,720

barely saw those pictures before she was

1651  
01:07:23,430 --> 01:07:21,440  
on pushing them as real alien pictures

1652  
01:07:25,029 --> 01:07:23,440  
right you know what i got this idea that

1653  
01:07:27,750 --> 01:07:25,039  
when or there's a thought in my head

1654  
01:07:30,069 --> 01:07:27,760  
that when i first seen him talking to

1655  
01:07:32,309 --> 01:07:30,079  
her and stay in it i think in the back

1656  
01:07:33,589 --> 01:07:32,319  
of his mind he must have seen

1657  
01:07:35,589 --> 01:07:33,599  
the the

1658  
01:07:37,910 --> 01:07:35,599  
the fake and the and the fake well the

1659  
01:07:39,430 --> 01:07:37,920  
fake and the uh cgi

1660  
01:07:41,430 --> 01:07:39,440  
he must have seen those i mean that's at

1661  
01:07:42,549 --> 01:07:41,440  
least what i got when i heard him start

1662  
01:07:44,549 --> 01:07:42,559  
talking about it

1663  
01:07:46,150 --> 01:07:44,559

you know he's like gotta double think in

1664

01:07:47,910 --> 01:07:46,160

his mind like saying don't say it don't

1665

01:07:49,589 --> 01:07:47,920

say it that i already know i already

1666

01:07:51,670 --> 01:07:49,599

know that this is [h\_\_h] you know

1667

01:07:53,829 --> 01:07:51,680

because cause look how many [h\_\_h]

1668

01:07:56,230 --> 01:07:53,839

artists has he had on his show he knows

1669

01:07:58,230 --> 01:07:56,240

they're [h\_\_h] i mean by now you must

1670

01:08:03,029 --> 01:07:58,240

know that you just cursed three times in

1671

01:08:07,670 --> 01:08:05,029

at what point does does it transcend

1672

01:08:10,230 --> 01:08:07,680

from jimmy hosting [h\_\_h] artists

1673

01:08:11,349 --> 01:08:10,240

to him becoming a [h\_\_h] artist i

1674

01:08:13,510 --> 01:08:11,359

think that's the game though i think

1675

01:08:14,870 --> 01:08:13,520

they're all [h\_\_h] artists this yeah

1676

01:08:16,709 --> 01:08:14,880

you know it's a game

1677

01:08:19,189 --> 01:08:16,719

yeah and then that's it they passed the

1678

01:08:20,870 --> 01:08:19,199

blame off to somebody else like like the

1679

01:08:23,669 --> 01:08:20,880

the the fortune teller guy there

1680

01:08:25,829 --> 01:08:23,679

whatever his name was he drew totally

1681

01:08:27,590 --> 01:08:25,839

threw him under the bus you know but but

1682

01:08:28,630 --> 01:08:27,600

how often does this happen i mean it's

1683

01:08:32,950 --> 01:08:28,640

cut through

1684

01:08:41,590 --> 01:08:32,960

much money they're making jimmy church

1685

01:08:45,510 --> 01:08:43,430

somebody commented in the comments that

1686

01:08:47,990 --> 01:08:45,520

i'm bitter and angry because

1687

01:08:50,630 --> 01:08:48,000

or i'm coming off very bitter and angry

1688

01:08:52,470 --> 01:08:50,640

because i i can't make as much money as

1689

01:08:54,149 --> 01:08:52,480

the fraudsters you're right you're right

1690

01:08:56,070 --> 01:08:54,159

i'm bitter and angry that i can't make

1691

01:08:57,990 --> 01:08:56,080

that kind of money we have to actually

1692

01:08:59,910 --> 01:08:58,000

have evidence here and do work and

1693

01:09:02,630 --> 01:08:59,920

things not just we got to improve stuff

1694

01:09:05,030 --> 01:09:02,640

journalism doesn't pay very well lies

1695

01:09:06,390 --> 01:09:05,040

pay well that's right right yeah

1696

01:09:09,510 --> 01:09:06,400

but they're all doing this so it's kind

1697

01:09:11,269 --> 01:09:09,520

of like a requirement you know

1698

01:09:13,749 --> 01:09:11,279

and i think they hand-picked the people

1699

01:09:15,590 --> 01:09:13,759

who joined them like the uh

1700

01:09:17,430 --> 01:09:15,600

cora bell is one of them like

1701

01:09:18,789 --> 01:09:17,440

because he plays the game of the bs you

1702

01:09:20,789 --> 01:09:18,799

know like they picked the people who are

1703

01:09:22,550 --> 01:09:20,799

going to play the game and make stuff up

1704

01:09:25,990 --> 01:09:22,560

and lie and participate in their

1705

01:09:28,550 --> 01:09:26,000

community and not roughly any others

1706

01:09:30,470 --> 01:09:28,560

yeah status quo it's frustrating

1707

01:09:31,829 --> 01:09:30,480

it's encouraged

1708

01:09:34,550 --> 01:09:31,839

yeah exactly

1709

01:09:37,189 --> 01:09:34,560

and i love how they all reinforce each

1710

01:09:39,590 --> 01:09:37,199

other's bowls you know exactly like we

1711

01:09:41,349 --> 01:09:39,600

have billy carson in this stephen greer

1712

01:09:43,269 --> 01:09:41,359

documentary where stephen greer is

1713

01:09:46,470 --> 01:09:43,279

claiming to go on secret missions with

1714

01:09:48,550 --> 01:09:46,480

billy gibbons of zz top yeah i know and

1715

01:09:51,110 --> 01:09:48,560

then and then we and of course that

1716

01:09:53,910 --> 01:09:51,120

video was made by third phase of fake

1717

01:09:55,990 --> 01:09:53,920

and then third phase fake host him

1718

01:09:58,229 --> 01:09:56,000

to sell his black knight satellite

1719

01:10:00,550 --> 01:09:58,239

documentary a story that has been

1720

01:10:03,590 --> 01:10:00,560

debunked for decades

1721

01:10:05,510 --> 01:10:03,600

he's gonna resurface that you know

1722

01:10:07,750 --> 01:10:05,520

shine that turd up and try to make some

1723

01:10:09,590 --> 01:10:07,760

money

1724

01:10:12,070 --> 01:10:09,600

i guess the car raffle isn't making that

1725

01:10:13,669 --> 01:10:12,080

much money anymore

1726

01:10:15,350 --> 01:10:13,679

right the black knight satellite ended

1727

01:10:17,430 --> 01:10:15,360

up being a heat shield that got thrown

1728

01:10:19,430 --> 01:10:17,440

off a ship or something

1729

01:10:21,270 --> 01:10:19,440

you know it's like the cosmic the cosmic

1730

01:10:24,470 --> 01:10:21,280

con stock market you know they go with

1731

01:10:30,310 --> 01:10:28,390

i wanna buy five stocks of grift oh yeah

1732

01:10:33,510 --> 01:10:30,320

a title of one of their recent videos

1733

01:10:35,830 --> 01:10:33,520

was can earth heal you find out with

1734

01:10:39,590 --> 01:10:35,840

billy and his girl whoever that girl's

1735

01:10:45,189 --> 01:10:42,470

elizabeth

1736

01:10:47,510 --> 01:10:45,199

oh yeah that sounds familiar

1737

01:10:50,229 --> 01:10:47,520

and they both added

1738

01:10:51,590 --> 01:10:50,239

let's just say questionable pasts i

1739

01:10:53,830 --> 01:10:51,600

can't say anything else i don't want to

1740

01:10:56,149 --> 01:10:53,840

get another lawyer letter

1741

01:11:09,510 --> 01:10:56,159

fake lawyer letters even

1742

01:11:13,990 --> 01:11:11,430

that car's already paid for it probably

1743

01:11:15,990 --> 01:11:14,000

got 150 000 miles on it by now if it's a

1744

01:11:18,550 --> 01:11:16,000

rental car for sure it has a high

1745

01:11:20,950 --> 01:11:18,560

mileage guaranteed

1746

01:11:23,189 --> 01:11:20,960

game has creepy [h\_\_h] there we go yeah

1747

01:11:25,030 --> 01:11:23,199

yeah he was like someone for half of

1748

01:11:26,470 --> 01:11:25,040

what the what the going price was or

1749

01:11:27,910 --> 01:11:26,480

something like that yeah but there's

1750

01:11:30,229 --> 01:11:27,920

there's a lot of things that don't make

1751

01:11:32,550 --> 01:11:30,239

sense about that like you need to be a

1752

01:11:35,030 --> 01:11:32,560

verified charity to run a raffle in the

1753

01:11:37,110 --> 01:11:35,040

state of florida his charity license was

1754

01:11:39,430 --> 01:11:37,120

revoked years ago because he didn't file

1755

01:11:41,430 --> 01:11:39,440

his paperwork showing how much money he

1756

01:11:43,669 --> 01:11:41,440

collected and what he did with it

1757

01:11:45,270 --> 01:11:43,679

so his charity doesn't exist i don't

1758

01:11:47,990 --> 01:11:45,280

understand how he's legally running a

1759

01:11:49,350 --> 01:11:48,000

raffle so then in the state of florida

1760

01:11:50,950 --> 01:11:49,360

i don't know

1761

01:11:53,669 --> 01:11:50,960

he's not even smart enough to get it

1762

01:11:55,750 --> 01:11:53,679

filed in delaware like tsa man that way

1763

01:11:59,189 --> 01:11:55,760

you can techno scam your way

1764

01:12:00,310 --> 01:11:59,199

for years delaware allows that

1765

01:12:02,709 --> 01:12:00,320

loophole

1766

01:12:04,550 --> 01:12:02,719

yes we will ufo john doe we will do that

1767

01:12:06,709 --> 01:12:04,560

i need to i need to see the the new

1768

01:12:08,870 --> 01:12:06,719

documentary that came out me too

1769

01:12:10,870 --> 01:12:08,880

why don't we both watch it spooky i'll

1770

01:12:12,229 --> 01:12:10,880

spring for it and then you can come on

1771

01:12:13,830 --> 01:12:12,239

and we'll talk about it that would be a

1772

01:12:15,590 --> 01:12:13,840

good show yeah

1773

01:12:17,510 --> 01:12:15,600

you're not all you know

1774

01:12:19,669 --> 01:12:17,520

you know how you said that

1775

01:12:21,590 --> 01:12:19,679

um when they said oh you're bitter or

1776

01:12:22,790 --> 01:12:21,600

whatever because the grifters are making

1777

01:12:25,350 --> 01:12:22,800

all the money

1778

01:12:27,110 --> 01:12:25,360

and on the flip side of that if

1779

01:12:29,830 --> 01:12:27,120

you did the raffle you'd be the one

1780

01:12:32,630 --> 01:12:29,840

getting busted the truth i know like we

1781

01:12:34,149 --> 01:12:32,640

would get busted for that but the ones

1782

01:12:36,149 --> 01:12:34,159

that griffin all that they just keep

1783

01:12:37,270 --> 01:12:36,159

going it's just amazing i don't know no

1784

01:12:38,630 --> 01:12:37,280

you know what i think i'm going to do

1785

01:12:41,910 --> 01:12:38,640

i'm going to start i'm going to start

1786

01:12:43,189 --> 01:12:41,920

raffling off junk from the cabin like

1787

01:12:47,510 --> 01:12:43,199

i found this

1788

01:12:51,590 --> 01:12:47,520

woods that was just laying there i'm

1789

01:12:55,669 --> 01:12:53,189

someone in the in the comments has got

1790

01:12:57,910 --> 01:12:55,679

the name for the the the galactic the

1791

01:13:02,229 --> 01:12:57,920

galactic grift council

1792

01:13:05,910 --> 01:13:02,239

members members of the global council

1793

01:13:10,550 --> 01:13:08,070

i just remembered that i have i'm

1794

01:13:13,430 --> 01:13:10,560

burning a stump outside and i have to go

1795

01:13:15,830 --> 01:13:13,440

check on it so i appoint spooky to be

1796

01:13:17,350 --> 01:13:15,840

the head of the show while i'm gone

1797

01:13:18,470 --> 01:13:17,360

i'll be right back i'm just gonna throw

1798

01:13:20,550 --> 01:13:18,480

some more

1799

01:13:23,030 --> 01:13:20,560

i got coal this time i'm throwing coal

1800

01:13:26,550 --> 01:13:23,040

on the fire i'm gonna vaporize that

1801

01:13:29,350 --> 01:13:26,560

stump in the way of my porch

1802

01:13:31,590 --> 01:13:29,360

i want it to not work so your next plan

1803

01:13:34,229 --> 01:13:31,600

goes into action yeah i wanna see that

1804

01:13:35,990 --> 01:13:34,239

okay you and my son my son i said

1805

01:13:37,189 --> 01:13:36,000

something like if we can't burn it out

1806

01:13:39,430 --> 01:13:37,199

we're going to blow it out and he said

1807

01:13:42,550 --> 01:13:39,440

what do you mean daddy and i said i got

1808

01:13:43,990 --> 01:13:42,560

19 pounds of black powder in the shed

1809

01:13:47,030 --> 01:13:44,000

and he goes what do you do with that i

1810

01:13:50,470 --> 01:13:47,040

go you build a bomb and it goes

1811

01:13:52,790 --> 01:13:50,480

let's do that daddy let's do that

1812

01:13:54,310 --> 01:13:52,800

i like that that's good

1813

01:13:55,510 --> 01:13:54,320

that's man i'm gonna go through saying

1814

01:13:57,830 --> 01:13:55,520

that

1815

01:14:01,750 --> 01:13:57,840

just for the record youtube ai he was

1816

01:14:07,110 --> 01:14:03,830

yes i'll be right back spooky's in

1817

01:14:10,310 --> 01:14:07,120

charge of you misfits well

1818

01:14:12,070 --> 01:14:10,320

yeah that was done everyone goodbye

1819

01:14:13,590 --> 01:14:12,080

how are we doing

1820

01:14:15,270 --> 01:14:13,600

but now

1821

01:14:16,690 --> 01:14:15,280

we're much better now

1822

01:14:19,510 --> 01:14:16,700

that's fine oh

1823

01:14:21,270 --> 01:14:19,520

[Laughter]

1824

01:14:23,669 --> 01:14:21,280

savage run

1825

01:14:25,430 --> 01:14:23,679

yeah dude he's been violent today he's

1826

01:14:32,950 --> 01:14:25,440

been ripping me and new ones that's all

1827

01:14:36,790 --> 01:14:34,390

yeah and now

1828

01:14:39,830 --> 01:14:36,800

i kind of regret it because

1829

01:14:42,950 --> 01:14:39,840

all the freaking hell i get for it man

1830

01:14:45,189 --> 01:14:42,960

it's gonna beat you when you show up

1831

01:14:47,270 --> 01:14:45,199

yeah he just said straight out i i i

1832

01:14:48,709 --> 01:14:47,280

turn on his podcast and he's just

1833

01:14:50,709 --> 01:14:48,719

talking i'm not there and i hear him

1834

01:14:52,390 --> 01:14:50,719

saying yeah that ron from cars i'm going

1835

01:14:54,390 --> 01:14:52,400

to punch him right in the face when i

1836

01:14:57,830 --> 01:14:54,400

see him

1837

01:14:59,590 --> 01:14:57,840

oh jeez hey and everyone in the chat if

1838

01:15:01,270 --> 01:14:59,600

you haven't subscribed to ron and

1839

01:15:04,390 --> 01:15:01,280

anthony yeah

1840

01:15:05,510 --> 01:15:04,400

recon havoc do you have a channel that

1841

01:15:06,709 --> 01:15:05,520

you can

1842

01:15:08,790 --> 01:15:06,719

i do

1843

01:15:17,430 --> 01:15:08,800

yeah i got the links here i'll post them

1844

01:15:20,950 --> 01:15:19,270

i also have a channel in the description

1845

01:15:23,270 --> 01:15:20,960

of this video there is a link to the

1846

01:15:24,950 --> 01:15:23,280

channel that i am a co-host on that one

1847

01:15:27,270 --> 01:15:24,960

time i was abducted by aliens i'd love

1848

01:15:29,270 --> 01:15:27,280

it if you came over and said hi

1849

01:15:31,669 --> 01:15:29,280

we've had both ron and anthony on the

1850

01:15:33,110 --> 01:15:31,679

show we do like ufo video analysis and

1851  
01:15:35,110 --> 01:15:33,120  
reading it's really fun shout out to

1852  
01:15:36,550 --> 01:15:35,120  
horrible topics and stuff

1853  
01:15:39,669 --> 01:15:36,560  
yeah i'll be on there

1854  
01:15:42,870 --> 01:15:39,679  
it's really fun yes yes very it's very

1855  
01:15:43,910 --> 01:15:42,880  
um it's a very open direct bunch show

1856  
01:15:45,990 --> 01:15:43,920  
which is

1857  
01:15:46,709 --> 01:15:46,000  
what i like i like that kind of stuff

1858  
01:15:48,630 --> 01:15:46,719  
and

1859  
01:15:50,630 --> 01:15:48,640  
about no fluff

1860  
01:15:51,430 --> 01:15:50,640  
i'll watch a video we'll we'll look at

1861  
01:15:53,350 --> 01:15:51,440  
it

1862  
01:15:54,870 --> 01:15:53,360  
through like photogrammetry techniques

1863  
01:15:56,470 --> 01:15:54,880

we'll say yes or no and then we'll move

1864

01:15:58,870 --> 01:15:56,480

on we don't need to do a whole two-hour

1865

01:15:59,750 --> 01:15:58,880

show on it yeah perfect

1866

01:16:02,630 --> 01:15:59,760

yeah

1867

01:16:08,709 --> 01:16:02,640

and the brie with the um what is that

1868

01:16:11,750 --> 01:16:10,149

if we keep the show going for long

1869

01:16:14,070 --> 01:16:11,760

enough i heard a little birdie that told

1870

01:16:16,870 --> 01:16:14,080

me brian might show up so

1871

01:16:19,030 --> 01:16:16,880

come on bree maybe we can uh get

1872

01:16:24,390 --> 01:16:19,040

you going for a for a little while get

1873

01:16:29,830 --> 01:16:27,189

her face when you kept showing that

1874

01:16:32,630 --> 01:16:29,840

that picture of her is like she she was

1875

01:16:34,310 --> 01:16:32,640

putting a smile she was so pissed

1876

01:16:36,550 --> 01:16:34,320

he has this picture of her looks like

1877

01:16:39,350 --> 01:16:36,560

she's twerking but she has cream pies on

1878

01:16:43,030 --> 01:16:41,270

i didn't make it jamie made it but

1879

01:16:45,750 --> 01:16:43,040

jamie's crazy

1880

01:16:46,830 --> 01:16:45,760

jamie is all i love i love jamie

1881

01:16:52,229 --> 01:16:46,840

yeah

1882

01:16:56,229 --> 01:16:52,239

back on topic a little it's a fun show

1883

01:16:57,610 --> 01:16:56,239

and oh god he's back everyone act normal

1884

01:17:00,550 --> 01:16:57,620

put it out put it out

1885

01:17:02,149 --> 01:17:00,560

[Laughter]

1886

01:17:04,470 --> 01:17:02,159

nobody fell over drunk yet i'm

1887

01:17:07,750 --> 01:17:04,480

disappointed and that's my story about

1888

01:17:09,590 --> 01:17:07,760

economics in 1933 germany

1889

01:17:12,390 --> 01:17:09,600

well thank you

1890

01:17:14,229 --> 01:17:12,400

thank you we have somebody new here

1891

01:17:16,950 --> 01:17:14,239

here we go

1892

01:17:18,630 --> 01:17:16,960

oh it's only andy

1893

01:17:21,750 --> 01:17:18,640

yeah good day

1894

01:17:25,510 --> 01:17:21,760

from that crappy show on identified s4

1895

01:17:30,550 --> 01:17:28,149

we got two british people we're like

1896

01:17:33,030 --> 01:17:30,560

i am the sharply dressed

1897

01:17:34,790 --> 01:17:33,040

suit-wearing british person

1898

01:17:36,790 --> 01:17:34,800

you look like you're in the maldives

1899

01:17:39,189 --> 01:17:36,800

andy shush he looks like he looks like

1900

01:17:42,390 --> 01:17:39,199

he's on a plane to hawaii he's a little

1901

01:17:46,709 --> 01:17:44,709

it's a loofah

1902

01:17:50,950 --> 01:17:46,719

hey john we can have it i didn't know

1903

01:17:55,189 --> 01:17:53,189

ludacris is probably sitting back there

1904

01:17:58,229 --> 01:17:55,199

shaking his head going why am i this is

1905

01:18:00,229 --> 01:17:58,239

why i don't show my face

1906

01:18:02,550 --> 01:18:00,239

yeah you don't want

1907

01:18:04,149 --> 01:18:02,560

a load of old [h\_\_h]

1908

01:18:05,990 --> 01:18:04,159

i gotta say run you do have the best

1909

01:18:07,990 --> 01:18:06,000

video quality out of all the streams

1910

01:18:09,189 --> 01:18:08,000

that i see

1911

01:18:11,110 --> 01:18:09,199

i don't know what camera you're using

1912

01:18:12,950 --> 01:18:11,120

but you out of all the people i put up

1913

01:18:14,550 --> 01:18:12,960

on my tv you always have the best video

1914

01:18:15,350 --> 01:18:14,560

quality the anthony's looks good don't

1915

01:18:18,229 --> 01:18:15,360

you

1916

01:18:20,470 --> 01:18:18,239

oh it's so this is a dslr

1917

01:18:22,790 --> 01:18:20,480

oh there you go there you go that big

1918

01:18:24,229 --> 01:18:22,800

old cmos sensor you like it's the light

1919

01:18:26,149 --> 01:18:24,239

you think it's the streaming service

1920

01:18:28,229 --> 01:18:26,159

what is that ev what that you use you

1921

01:18:29,990 --> 01:18:28,239

think no but i had to no but i'm going

1922

01:18:31,110 --> 01:18:30,000

through them right now they're using the

1923

01:18:32,310 --> 01:18:31,120

stream

1924

01:18:34,070 --> 01:18:32,320

yeah right

1925

01:18:35,669 --> 01:18:34,080

it's just it's the cameras because of

1926

01:18:37,430 --> 01:18:35,679

the sensors that's all

1927

01:18:38,630 --> 01:18:37,440

that evie must have a good system right

1928

01:18:40,709 --> 01:18:38,640

ron

1929

01:18:42,870 --> 01:18:40,719

it is good but they they

1930

01:18:44,950 --> 01:18:42,880

i've been working with them a lot

1931

01:18:47,110 --> 01:18:44,960

recently because there's simple things

1932

01:18:49,669 --> 01:18:47,120

that they need to add on there for

1933

01:18:51,750 --> 01:18:49,679

instance the countdown like when you

1934

01:18:53,189 --> 01:18:51,760

schedule a stream right like in stream

1935

01:18:55,030 --> 01:18:53,199

yard you have it they don't have that

1936

01:18:56,709 --> 01:18:55,040

and i told them you need to put that i

1937

01:18:59,830 --> 01:18:56,719

shouldn't have to look at my watch going

1938

01:19:01,669 --> 01:18:59,840

okay almost there like that so

1939

01:19:03,270 --> 01:19:01,679

if they're still working on stuff but

1940

01:19:05,030 --> 01:19:03,280

they're okay you know what i mean like

1941

01:19:06,630 --> 01:19:05,040

they're all like basically the same

1942

01:19:08,630 --> 01:19:06,640

stuff

1943

01:19:10,149 --> 01:19:08,640

i'll add

1944

01:19:12,070 --> 01:19:10,159

i told them they'll get a lot more

1945

01:19:15,030 --> 01:19:12,080

subscribers if they do two holes for the

1946

01:19:16,709 --> 01:19:15,040

25 which they're gonna do

1947

01:19:19,990 --> 01:19:16,719

that's the problem that's why i didn't

1948

01:19:21,430 --> 01:19:20,000

go over yep but yeah

1949

01:19:22,950 --> 01:19:21,440

and there's a message for you in the

1950

01:19:28,229 --> 01:19:22,960

private chat

1951

01:19:31,910 --> 01:19:29,669

whatever whichever one you want to

1952

01:19:34,470 --> 01:19:31,920

promote that's fine with me i've got a

1953

01:19:36,470 --> 01:19:34,480

few granny's on the heat yeah i'm sorry

1954

01:19:38,550 --> 01:19:36,480

steven like everybody

1955

01:19:40,229 --> 01:19:38,560

i started talking about economics of

1956

01:19:41,510 --> 01:19:40,239

germany and the waimaa republic and

1957

01:19:44,310 --> 01:19:41,520

everybody just started whipping their

1958

01:19:46,550 --> 01:19:44,320

dicks out i mean yeah yeah

1959

01:19:47,750 --> 01:19:46,560

what can you happen

1960

01:19:48,830 --> 01:19:47,760

that was

1961

01:19:50,630 --> 01:19:48,840

too

1962

01:19:55,189 --> 01:19:50,640

much

1963

01:19:56,630 --> 01:19:55,199

how's the fire going stephen give us a

1964

01:19:59,110 --> 01:19:56,640

status report

1965

01:20:01,350 --> 01:19:59,120

it was it was down to coals right on top

1966

01:20:03,189 --> 01:20:01,360

of the thing so i threw some more wood

1967

01:20:04,870 --> 01:20:03,199

on there i'm gonna throw some coal on it

1968

01:20:08,229 --> 01:20:04,880

and gasoline and

1969

01:20:09,350 --> 01:20:08,239

i got some old motor oil and uh maybe

1970

01:20:11,669 --> 01:20:09,360

some

1971

01:20:13,669 --> 01:20:11,679

whatever else boxes of awards

1972

01:20:15,910 --> 01:20:13,679

whatever i yeah whatever i can find

1973

01:20:17,830 --> 01:20:15,920

right here right there flammable i'm

1974

01:20:19,350 --> 01:20:17,840

throwing on there i've got construction

1975

01:20:20,470 --> 01:20:19,360

scraps and

1976

01:20:23,350 --> 01:20:20,480

carry

1977

01:20:25,430 --> 01:20:23,360

they uh somebody said that the s4 link

1978

01:20:36,310 --> 01:20:25,440

didn't work so i just put it in the

1979

01:20:42,229 --> 01:20:38,950

spooky we're helping these guys no don't

1980

01:20:46,390 --> 01:20:44,149

lame six man i'm not doing that all

1981

01:20:48,550 --> 01:20:46,400

right

1982

01:20:50,870 --> 01:20:48,560

well andy andy and he's on that show

1983

01:20:52,470 --> 01:20:50,880

quite often so you know and that's what

1984

01:20:54,390 --> 01:20:52,480

i think you know hey if you're brave

1985

01:20:55,990 --> 01:20:54,400

enough to get up here look at look at

1986

01:20:57,270 --> 01:20:56,000

look at people that are afraid to join

1987

01:20:58,709 --> 01:20:57,280

if you're brave enough to get up here

1988

01:20:59,990 --> 01:20:58,719

we'll we'll go ahead and promote your

1989

01:21:02,070 --> 01:21:00,000

stuff about that

1990

01:21:04,070 --> 01:21:02,080

i'll make a deal with you yeah i did

1991

01:21:06,229 --> 01:21:04,080

just notice a few of you in the chat

1992

01:21:07,750 --> 01:21:06,239

went over to my channel and subscribed

1993

01:21:09,510 --> 01:21:07,760

thank you very much well nothing to be

1994

01:21:11,189 --> 01:21:09,520

afraid of going on

1995

01:21:13,590 --> 01:21:11,199

and nothing up there we have two of the

1996

01:21:14,790 --> 01:21:13,600

best producers for youtube stuff in the

1997

01:21:16,790 --> 01:21:14,800

house right now

1998

01:21:19,270 --> 01:21:16,800

yeah andy and carrie they're like they

1999

01:21:21,430 --> 01:21:19,280

both top producers

2000

01:21:23,510 --> 01:21:21,440

it's the english thing uh yeah you know

2001

01:21:25,910 --> 01:21:23,520

what we ought to do spooky

2002

01:21:28,070 --> 01:21:25,920

you know where is steal him from that

2003

01:21:29,830 --> 01:21:28,080

british thing you know we're gonna steal

2004

01:21:33,189 --> 01:21:29,840

him from that slouch anthony and then

2005

01:21:36,629 --> 01:21:33,199

we'll be even better than that right

2006

01:21:41,590 --> 01:21:38,950

did you do all of his like his intro and

2007

01:21:43,690 --> 01:21:41,600

outro videos and all that stuff yeah

2008

01:21:47,350 --> 01:21:43,700

yeah yeah son of a [h\_\_h] man

2009

01:21:47,360 --> 01:21:51,669

i give him the idea he puts it together

2010

01:21:55,590 --> 01:21:53,750

i never heard anything

2011

01:21:57,990 --> 01:21:55,600

spooky hasn't really done oh no you did

2012

01:21:59,510 --> 01:21:58,000

one like two years ago when we yeah you

2013

01:22:01,910 --> 01:21:59,520

still use it this is the one with the

2014

01:22:04,229 --> 01:22:01,920

rocket going up i made that on a

2015

01:22:06,229 --> 01:22:04,239

macbook in like

2016

01:22:08,870 --> 01:22:06,239

a long time ago a long time i got to get

2017

01:22:11,350 --> 01:22:08,880

to make new ones but uh but what was

2018

01:22:13,910 --> 01:22:11,360

funny is i custom made the music and

2019

01:22:16,149 --> 01:22:13,920

then you dubbed guitar music over it and

2020

01:22:18,149 --> 01:22:16,159

i was like i made that song

2021

01:22:20,229 --> 01:22:18,159

i spent hours making that song i don't

2022

01:22:21,669 --> 01:22:20,239

remember doing that i'm sorry yeah it's

2023

01:22:23,669 --> 01:22:21,679

okay i have it in a google drive

2024

01:22:25,910 --> 01:22:23,679

somewhere

2025

01:22:27,430 --> 01:22:25,920

oh that's funny it was funny when i

2026

01:22:28,790 --> 01:22:27,440

hadn't seen it for like a year and a

2027

01:22:31,189 --> 01:22:28,800

half and then you just played at the end

2028

01:22:33,750 --> 01:22:31,199

of the show and i was like

2029

01:22:35,830 --> 01:22:33,760

i remember making this i i think i

2030

01:22:37,669 --> 01:22:35,840

played it by accident honestly but then

2031

01:22:41,030 --> 01:22:37,679

i was like oh that's so good we can

2032

01:22:42,709 --> 01:22:41,040

still use that yeah

2033

01:22:44,950 --> 01:22:42,719

i can't believe it it's been like over

2034

01:22:46,790 --> 01:22:44,960

two years

2035

01:22:48,629 --> 01:22:46,800

thank you for the new subs a few people

2036

01:22:50,870 --> 01:22:48,639

went over and subbed i appreciate it

2037

01:22:52,310 --> 01:22:50,880

moon landing was real

2038

01:22:54,310 --> 01:22:52,320

the

2039

01:22:56,709 --> 01:22:54,320

thank you

2040

01:22:59,270 --> 01:22:56,719

what we saw on tv may not have been real

2041

01:23:00,629 --> 01:22:59,280

though no didn't they film a tv uh

2042

01:23:02,229 --> 01:23:00,639

didn't they

2043

01:23:03,430 --> 01:23:02,239

oh yeah all the footage on that on the

2044

01:23:05,590 --> 01:23:03,440

tv

2045

01:23:07,510 --> 01:23:05,600

uh channels that night was a camera in

2046

01:23:10,470 --> 01:23:07,520

nashville nasa control trained on like

2047

01:23:12,790 --> 01:23:10,480

the projector screen yeah right yeah um

2048

01:23:14,149 --> 01:23:12,800

that's why it was so bad you know

2049

01:23:17,189 --> 01:23:14,159

although the quality would have been

2050

01:23:19,910 --> 01:23:17,199

pretty bad as well anyway right

2051

01:23:22,470 --> 01:23:19,920

i'm fairly confident that it was it was

2052

01:23:25,189 --> 01:23:22,480

probably real most of like most of what

2053

01:23:26,790 --> 01:23:25,199

we saw was probably real because the the

2054

01:23:27,990 --> 01:23:26,800

low resolution

2055

01:23:28,950 --> 01:23:28,000

footage you've been coming down the

2056

01:23:31,189 --> 01:23:28,960

ladder

2057

01:23:32,229 --> 01:23:31,199

yeah if you play that next to like the

2058

01:23:41,350 --> 01:23:32,239

the

2059

01:23:42,790 --> 01:23:41,360

footage it does match so it's

2060

01:23:43,830 --> 01:23:42,800

i think it was just the technology of

2061

01:23:50,310 --> 01:23:43,840

the time

2062

01:23:55,910 --> 01:23:53,110

stormcrow says if you pass out steven's

2063

01:23:58,310 --> 01:23:55,920

views go up now drinks oh but i haven't

2064

01:24:00,470 --> 01:23:58,320

i do have a nice bottle of whiskey but i

2065

01:24:09,270 --> 01:24:00,480

don't want to do it

2066

01:24:12,870 --> 01:24:10,870

what are we celebrating just to remind

2067

01:24:14,149 --> 01:24:12,880

me because i've been on the half million

2068

01:24:15,270 --> 01:24:14,159

views

2069

01:24:18,790 --> 01:24:15,280

a half

2070

01:24:21,910 --> 01:24:18,800

of a million my god actually real views

2071

01:24:23,590 --> 01:24:21,920

how many people sorry no

2072

01:24:25,990 --> 01:24:23,600

no no

2073

01:24:28,470 --> 01:24:26,000

yeah and and we didn't and we didn't lie

2074

01:24:30,550 --> 01:24:28,480

about several hundred thousand views we

2075

01:24:31,990 --> 01:24:30,560

didn't actually have like i can't

2076

01:24:34,629 --> 01:24:32,000

believe that some show host was just

2077

01:24:35,990 --> 01:24:34,639

like hey uh we hit 800 000 views and

2078

01:24:36,790 --> 01:24:36,000

then you look at his views and it was

2079

01:24:38,790 --> 01:24:36,800

like

2080

01:24:40,709 --> 01:24:38,800

not no he said a million and he had

2081

01:24:45,030 --> 01:24:40,719

seven hundred and eighty thousand

2082

01:24:49,669 --> 01:24:47,270

well he did it was like a whole thing

2083

01:24:51,189 --> 01:24:49,679

like oh thank you for a million views

2084

01:24:53,270 --> 01:24:51,199

that was just randomly you didn't get a

2085

01:24:56,629 --> 01:24:53,280

million views they were just rounding it

2086

01:24:59,990 --> 01:24:56,639

off you know yeah yeah yeah

2087

01:25:04,550 --> 01:25:01,750

well besides if you're sucking off the

2088

01:25:07,350 --> 01:25:04,560

teeth of third phase to get those views

2089

01:25:09,669 --> 01:25:07,360

i don't think that you you you like get

2090

01:25:12,310 --> 01:25:09,679

the right way so well yeah i don't i

2091

01:25:15,510 --> 01:25:12,320

don't get them guys they probably

2092

01:25:20,070 --> 01:25:17,189

i don't know who i don't know i don't

2093

01:25:21,910 --> 01:25:20,080

recognize them as like an entity i don't

2094

01:25:24,149 --> 01:25:21,920

know who you're talking about

2095

01:25:31,030 --> 01:25:24,159

well they got a new documentary another

2096

01:25:34,709 --> 01:25:32,870

what wasn't the last one just like a

2097

01:25:36,310 --> 01:25:34,719

bunch of stuff from the past that wasn't

2098

01:25:38,149 --> 01:25:36,320

really anything new that you would yeah

2099

01:25:40,629 --> 01:25:38,159

like cut clearly

2100

01:25:43,270 --> 01:25:40,639

that was like a grier

2101

01:25:47,350 --> 01:25:45,110

well it was a new interview with grier

2102

01:25:48,950 --> 01:25:47,360

was it right it was

2103

01:25:51,110 --> 01:25:48,960

the downside from the moon through the

2104

01:25:52,390 --> 01:25:51,120

van island boat

2105

01:25:55,030 --> 01:25:52,400

yeah

2106

01:25:57,590 --> 01:25:55,040

no the only two new things were that

2107

01:25:59,189 --> 01:25:57,600

greer claimed that an entire company got

2108

01:26:00,390 --> 01:25:59,199

murdered in michigan because they were

2109

01:26:03,990 --> 01:26:00,400

developing

2110

01:26:08,950 --> 01:26:07,110

i'm a dummy i call the state police

2111

01:26:10,470 --> 01:26:08,960

of that state and they asked them if

2112

01:26:11,430 --> 01:26:10,480

what can i do they probably think you're

2113

01:26:13,189 --> 01:26:11,440

a [h\_\_h]

2114

01:26:14,629 --> 01:26:13,199

oh they thought it was so funny

2115

01:26:17,750 --> 01:26:14,639

it sounds like they're watching old

2116

01:26:19,590 --> 01:26:17,760

robert redford and then the three days

2117

01:26:21,430 --> 01:26:19,600

the other new thing is that stephen

2118

01:26:24,790 --> 01:26:21,440

greer said that he went on

2119

01:26:26,709 --> 01:26:24,800

mission with billy gibbons from zz top

2120

01:26:28,629 --> 01:26:26,719

to an underground base that had alien

2121

01:26:30,390 --> 01:26:28,639

technology right that's what they all

2122

01:26:31,750 --> 01:26:30,400

really said that do you think really he

2123

01:26:33,510 --> 01:26:31,760

really did say that he's not the guy

2124

01:26:49,350 --> 01:26:33,520

that's is that one of those easy tops

2125

01:26:53,669 --> 01:26:52,470

service to others or they will get you

2126  
01:26:55,590 --> 01:26:53,679  
yeah and you least expect that when

2127  
01:26:56,550 --> 01:26:55,600  
you're on the toilet or like in the

2128  
01:26:59,189 --> 01:26:56,560  
shower

2129  
01:27:03,189 --> 01:26:59,199  
i'd say when you're asleep

2130  
01:27:06,470 --> 01:27:05,110  
yeah that's sending friends to that

2131  
01:27:08,470 --> 01:27:06,480  
story there about the murdered

2132  
01:27:10,070 --> 01:27:08,480  
scientists right there just let me write

2133  
01:27:15,030 --> 01:27:10,080  
that down on the screen while i write

2134  
01:27:19,430 --> 01:27:16,950  
they ran into each other at a in an

2135  
01:27:21,189 --> 01:27:19,440  
airport randomly and then he took him to

2136  
01:27:22,390 --> 01:27:21,199  
super grown limbs

2137  
01:27:24,950 --> 01:27:22,400  
right yeah

2138  
01:27:27,110 --> 01:27:24,960

yeah how it went

2139

01:27:27,910 --> 01:27:27,120

i feel bad for the people who uh pay for

2140

01:27:31,430 --> 01:27:27,920

his

2141

01:27:33,510 --> 01:27:31,440

you know financially support him

2142

01:27:34,950 --> 01:27:33,520

sad you know so i'm sure a lot of people

2143

01:27:36,550 --> 01:27:34,960

are looking for answers and your

2144

01:27:38,470 --> 01:27:36,560

experiences right

2145

01:27:40,390 --> 01:27:38,480

i don't feel that sorry for them you

2146

01:27:41,510 --> 01:27:40,400

know you could have your wits about you

2147

01:27:42,629 --> 01:27:41,520

really

2148

01:27:45,990 --> 01:27:42,639

you know

2149

01:27:48,149 --> 01:27:46,000

that there's people out there that are

2150

01:27:49,910 --> 01:27:48,159

looking for those answers you know or

2151  
01:27:52,070 --> 01:27:49,920  
looking for an explanation of what they

2152  
01:27:53,990 --> 01:27:52,080  
may have experienced you know

2153  
01:27:56,470 --> 01:27:54,000  
definitely and they know that and they i

2154  
01:27:58,390 --> 01:27:56,480  
think that the majority of them the

2155  
01:28:01,189 --> 01:27:58,400  
greater majority totally take advantage

2156  
01:28:02,390 --> 01:28:01,199  
of that and that's uh that's unfortunate

2157  
01:28:03,990 --> 01:28:02,400  
it's something yeah they they know

2158  
01:28:05,910 --> 01:28:04,000  
they're looking for they look they know

2159  
01:28:07,910 --> 01:28:05,920  
that they're looking for validation so

2160  
01:28:09,669 --> 01:28:07,920  
they provide that validation for what

2161  
01:28:10,629 --> 01:28:09,679  
they're looking for pretty much right

2162  
01:28:13,189 --> 01:28:10,639  
yeah

2163  
01:28:14,950 --> 01:28:13,199

so you know to them you know it's

2164

01:28:17,030 --> 01:28:14,960

it's no different than somebody buying

2165

01:28:18,950 --> 01:28:17,040

the holy water off

2166

01:28:23,270 --> 01:28:18,960

cable tv at three in the morning i'm

2167

01:28:27,270 --> 01:28:25,189

do they really

2168

01:28:29,110 --> 01:28:27,280

buy holy water on amazon

2169

01:28:30,550 --> 01:28:29,120

i think i think carrie was the one that

2170

01:28:32,550 --> 01:28:30,560

pointed it out to me i was like no way

2171

01:28:34,629 --> 01:28:32,560

are you kidding me up they sell holy

2172

01:28:36,870 --> 01:28:34,639

water on amazon

2173

01:28:47,189 --> 01:28:36,880

right they do sell holy water yeah they

2174

01:28:52,390 --> 01:28:49,669

there's a whole thing on peter popoff he

2175

01:28:53,350 --> 01:28:52,400

uh he will mail you

2176

01:28:54,629 --> 01:28:53,360

like

2177

01:28:56,550 --> 01:28:54,639

every day

2178

01:28:58,310 --> 01:28:56,560

telling you to send him money once you

2179

01:29:00,310 --> 01:28:58,320

sign up for his mailing list we're gonna

2180

01:29:01,189 --> 01:29:00,320

do it just so that we could read this

2181

01:29:03,350 --> 01:29:01,199

[h\_\_\h] on

2182

01:29:05,189 --> 01:29:03,360

on air because it's so funny he wants

2183

01:29:07,350 --> 01:29:05,199

you to send him like a dollar eleven and

2184

01:29:09,350 --> 01:29:07,360

then after the dollar eleven he asked it

2185

01:29:12,070 --> 01:29:09,360

for two dollars and 22 cents and it just

2186

01:29:14,070 --> 01:29:12,080

keeps going up

2187

01:29:17,110 --> 01:29:14,080

and he's like jesus will bless you if

2188

01:29:18,950 --> 01:29:17,120

you send me 2.22

2189

01:29:21,510 --> 01:29:18,960

so we're gonna do it

2190

01:29:26,390 --> 01:29:21,520

we're gonna do it oh man imagine a spam

2191

01:29:29,430 --> 01:29:28,149

yeah man be careful

2192

01:29:31,189 --> 01:29:29,440

you you don't understand what you're

2193

01:29:33,510 --> 01:29:31,199

opening yourself up to my grandmother

2194

01:29:34,790 --> 01:29:33,520

gets like 20 pieces of mail a day she's

2195

01:29:36,310 --> 01:29:34,800

a hundred

2196

01:29:38,550 --> 01:29:36,320

and their wording stuff like

2197

01:29:40,550 --> 01:29:38,560

confidential yeah their eyes only and

2198

01:29:42,550 --> 01:29:40,560

it's all these great

2199

01:29:45,590 --> 01:29:42,560

freaking republicans and

2200

01:29:48,870 --> 01:29:45,600

everybody else stop oh stop bidding let's

2201

01:29:50,870 --> 01:29:48,880

put him in jail it's in the 60 and

2202

01:29:53,669 --> 01:29:50,880

you know it's like man that [h\_\_h] should

2203

01:29:57,750 --> 01:29:55,189

i think it is actually if it's through

2204

01:29:59,669 --> 01:29:57,760

the mail you know whether they you do

2205

01:30:01,430 --> 01:29:59,679

some show on youtube or something i

2206

01:30:03,350 --> 01:30:01,440

don't know they somehow they get away

2207

01:30:05,270 --> 01:30:03,360

with it i i'm not really quite sure

2208

01:30:06,709 --> 01:30:05,280

maybe they got good lawyers i don't know

2209

01:30:07,830 --> 01:30:06,719

yeah

2210

01:30:09,669 --> 01:30:07,840

or advice

2211

01:30:11,350 --> 01:30:09,679

when my mother died we found out that

2212

01:30:13,830 --> 01:30:11,360

she was giving all kinds of money to

2213

01:30:16,229 --> 01:30:13,840

those uh to those grifters and the saint

2214

01:30:17,910 --> 01:30:16,239

jude society which has

2215

01:30:19,830 --> 01:30:17,920

really nothing to do with saint jude

2216

01:30:21,669 --> 01:30:19,840

it's all a money scam there was there

2217

01:30:23,189 --> 01:30:21,679

was this guy that was calling my mom and

2218

01:30:25,350 --> 01:30:23,199

i happened to be over at her house and

2219

01:30:27,270 --> 01:30:25,360

stuff and i was like mom who's this and

2220

01:30:29,350 --> 01:30:27,280

and she said oh that's the

2221

01:30:31,110 --> 01:30:29,360

insurance guy or something for i'm not

2222

01:30:32,709 --> 01:30:31,120

going to say the name of the insurance

2223

01:30:34,950 --> 01:30:32,719

company so i went ahead and i was like

2224

01:30:37,189 --> 01:30:34,960

huh they don't just come to your house

2225

01:30:39,669 --> 01:30:37,199

that's not how they work you know so i

2226

01:30:41,350 --> 01:30:39,679

went ahead i got the guys i what he said

2227

01:30:43,990 --> 01:30:41,360

was his id number

2228

01:30:45,830 --> 01:30:44,000

uh you gotta legally fight you gotta

2229

01:30:48,149 --> 01:30:45,840

be registered anyways i searched it down

2230

01:30:50,470 --> 01:30:48,159

and there's no record of them at all so

2231

01:30:52,149 --> 01:30:50,480

guess what you want to come to the house

2232

01:30:53,910 --> 01:30:52,159

well guess who's going to be there he

2233

01:30:55,910 --> 01:30:53,920

ran see you later

2234

01:30:57,830 --> 01:30:55,920

later yeah you think somebody

2235

01:30:59,910 --> 01:30:57,840

figured it out welcome

2236

01:31:02,149 --> 01:30:59,920

welcome james pepper now it looks like

2237

01:31:04,550 --> 01:31:02,159

the brady bunch in here welcome james

2238

01:31:08,390 --> 01:31:04,560

pepper hey look he's alice hello he's

2239

01:31:10,470 --> 01:31:08,400

alice hello oh no hello anthony

2240

01:31:11,910 --> 01:31:10,480

hello james

2241

01:31:14,550 --> 01:31:11,920

what's up james

2242

01:31:16,310 --> 01:31:14,560

yeah i'm doing a uh navy hearing on

2243

01:31:18,629 --> 01:31:16,320

tuesday and have to download all this

2244

01:31:20,149 --> 01:31:18,639

stuff from the navy server it takes

2245

01:31:21,350 --> 01:31:20,159

forever

2246

01:31:23,110 --> 01:31:21,360

so

2247

01:31:26,709 --> 01:31:23,120

anything interesting

2248

01:31:31,110 --> 01:31:28,629

well i've been fighting the navy there's

2249

01:31:32,550 --> 01:31:31,120

a base in san francisco bay called

2250

01:31:34,709 --> 01:31:32,560

treasure island

2251

01:31:36,870 --> 01:31:34,719

and it was a chemical biological

2252

01:31:39,430 --> 01:31:36,880

radiological training base and the city

2253

01:31:41,590 --> 01:31:39,440

of san francisco put the public housing

2254

01:31:43,350 --> 01:31:41,600

on it

2255

01:31:45,110 --> 01:31:43,360

yeah that's not good

2256

01:31:47,189 --> 01:31:45,120

sounds like what they did in saint louis

2257

01:31:49,030 --> 01:31:47,199

where they do

2258

01:31:51,030 --> 01:31:49,040

yeah he was james was supposed to be a

2280

01:32:38,790 --> 01:32:36,800

2281

01:32:41,110 --> 01:32:38,800

01:33:18,709 --> 01:33:15,990

okay let me

2296

01:33:20,830 --> 01:33:18,719

2297

01:33:24,470 --> 01:33:20,840

this is fair use

2298

01:33:26,229 --> 01:33:24,480

yeah it's your video right

2299

01:33:28,310 --> 01:33:26,239

it's made by the bible american bible

2300

01:33:31,430 --> 01:33:28,320

society they told me go ahead and use it

2301

01:33:33,350 --> 01:33:31,440

because oh cool

2302

01:33:43,350 --> 01:33:33,360

2303

01:33:48,310 --> 01:33:45,590

james are you almost done this project

2304

01:33:49,590 --> 01:33:48,320

no i'm keep doing it i keep revising it

2305

01:33:50,790 --> 01:33:49,600

all the time and going back to the

2306

01:33:53,110 --> 01:33:50,800

beginning

2307

01:33:55,830 --> 01:33:53,120

2308

01:33:56,950 --> 01:33:55,840

james bible yes it's a king james bible

2309

01:33:59,030 --> 01:33:56,960

01:34:00,310 --> 01:33:59,040

is it all that size in texas that must

2311

01:34:01,430 --> 01:34:00,320

be pretty cool because your name is

2312

01:34:03,669 --> 01:34:01,440

james

2313

01:34:07,270 --> 01:34:03,679

well he's one of my ancestors so

2314

01:34:08,229 --> 01:34:07,280

oh wow wait what happened

2315

01:34:10,950 --> 01:34:08,239

yeah

2316

01:34:13,350 --> 01:34:10,960

back track a minute unpack that

2317

01:34:14,629 --> 01:34:13,360

i'm a descendant of james the first of

2318

01:34:16,310 --> 01:34:14,639

england

2319

01:34:17,990 --> 01:34:16,320

wow

2320

01:34:20,950 --> 01:34:18,000

a lot of people are that's just the way

2321

01:34:23,110 --> 01:34:20,960

it is that's watercolor this is uh those

2322

01:34:25,189 --> 01:34:23,120

are the um

2323

01:34:27,430 --> 01:34:25,199

you know the blessing of changing

2324

01:34:29,189 --> 01:34:27,440

what are they painted on james

2325

01:34:30,629 --> 01:34:29,199

that's all believe it or not that's

2326

01:34:33,590 --> 01:34:30,639

actually a colored pencil that's

2327

01:34:36,550 --> 01:34:33,600

burnished

2328

01:34:37,510 --> 01:34:36,560

and uh some watercolor but mostly that

2329

01:34:38,550 --> 01:34:37,520

and

2330

01:34:39,669 --> 01:34:38,560

ink

2331

01:34:41,830 --> 01:34:39,679

more like an

2332

01:34:44,229 --> 01:34:41,840

oil-based pencil

2333

01:34:46,390 --> 01:34:44,239

uh they're

2334

01:34:48,590 --> 01:34:46,400

prisma colors and uh

2335

01:34:49,669 --> 01:34:48,600

i've got a bunch of uh german ones

2336

01:34:53,109 --> 01:34:49,679

[Music]

2337

01:34:55,270 --> 01:34:53,119

uh on canvas is it uh james paper

2338

01:34:57,830 --> 01:34:55,280

paper okay why did you learn how to do

2339

01:35:00,709 --> 01:34:57,840

that incredible i have an art degree

2340

01:35:02,390 --> 01:35:00,719

this is what i put my work through

2341

01:35:06,390 --> 01:35:02,400

that's all by hand

2342

01:35:08,390 --> 01:35:06,400

i mean i can't write straight

2343

01:35:10,790 --> 01:35:08,400

my life that is incredible yeah i heard

2344

01:35:12,870 --> 01:35:10,800

about yeah i heard about james bible

2345

01:35:15,590 --> 01:35:12,880

project from an old uh

2346

01:35:17,590 --> 01:35:15,600

teacher of mine that's a a priest a

2347

01:35:18,629 --> 01:35:17,600

jesuit priest

2348

01:35:21,750 --> 01:35:18,639

and uh

2349

01:35:23,270 --> 01:35:21,760

he sent me james uh website and said you

2350

01:35:25,669 --> 01:35:23,280

ought to interview this guy look he's

2351  
01:35:28,149 --> 01:35:25,679  
he's handwriting and drawing all these

2352  
01:35:30,229 --> 01:35:28,159  
incredible illustrations for an entire

2353  
01:35:31,750 --> 01:35:30,239  
bible and i thought wow that's

2354  
01:35:33,590 --> 01:35:31,760  
crazy

2355  
01:35:35,030 --> 01:35:33,600  
what gave you the inspiration to do this

2356  
01:35:36,790 --> 01:35:35,040  
this is beautiful i've always had the

2357  
01:35:38,870 --> 01:35:36,800  
call to do it so

2358  
01:35:41,430 --> 01:35:38,880  
that the letter like even the letters

2359  
01:35:44,149 --> 01:35:41,440  
like for the sizing and everything

2360  
01:35:46,149 --> 01:35:44,159  
perfect very well done

2361  
01:35:49,270 --> 01:35:46,159  
it's phenomenal facing everything thank

2362  
01:35:51,350 --> 01:35:49,280  
you everything thank you all that's

2363  
01:35:53,830 --> 01:35:51,360

and every page is unique it's not it's

2364

01:35:54,790 --> 01:35:53,840

not a boring bible you know oh this is

2365

01:35:59,990 --> 01:35:54,800

beautiful

2366

01:36:03,189 --> 01:36:01,430

how big is this book going to be it

2367

01:36:05,270 --> 01:36:03,199

looks like it's going to be huge yeah

2368

01:36:06,709 --> 01:36:05,280

it's pretty big well just the gospels

2369

01:36:14,229 --> 01:36:06,719

alone are

2370

01:36:20,870 --> 01:36:16,950

the pages are 11 by 14 but it's probably

2371

01:36:20,880 --> 01:36:25,109

i must wear a bit

2372

01:36:28,709 --> 01:36:27,109

you must not have kids james because the

2373

01:36:30,709 --> 01:36:28,719

first thing i thought when i saw this is

2374

01:36:41,590 --> 01:36:30,719

my kids would be drawing on top of this

2375

01:36:45,109 --> 01:36:43,590

say you make a mistake like you smudge

2376  
01:36:48,149 --> 01:36:45,119  
something do you have to start all over

2377  
01:36:50,229 --> 01:36:48,159  
again it depends on how bad it is and

2378  
01:36:52,790 --> 01:36:50,239  
how far down the page i am yeah that

2379  
01:36:56,950 --> 01:36:52,800  
would be erasers you just stick

2380  
01:37:00,390 --> 01:36:57,990  
oh yeah

2381  
01:37:02,470 --> 01:37:00,400  
look at this gold leaf oh

2382  
01:37:03,990 --> 01:37:02,480  
yeah unbelievable

2383  
01:37:07,030 --> 01:37:04,000  
are you gonna make the covers for it

2384  
01:37:09,669 --> 01:37:07,040  
like the binding and everything um

2385  
01:37:10,870 --> 01:37:09,679  
not sure when that will happen

2386  
01:37:12,629 --> 01:37:10,880  
the um

2387  
01:37:14,629 --> 01:37:12,639  
the theology school is going to get this

2388  
01:37:18,229 --> 01:37:14,639

when i'm dead so they'll probably do

2389

01:37:21,350 --> 01:37:19,669

wow

2390

01:37:23,189 --> 01:37:21,360

you guys have heard of the uh like that

2391

01:37:25,750 --> 01:37:23,199

was done

2392

01:37:27,430 --> 01:37:25,760

you guys heard of the uh devil's bible

2393

01:37:28,629 --> 01:37:27,440

right there there's a mistake right

2394

01:37:30,790 --> 01:37:28,639

there

2395

01:37:32,870 --> 01:37:30,800

i've heard of it yeah

2396

01:37:34,550 --> 01:37:32,880

this is the devil

2397

01:37:36,229 --> 01:37:34,560

it's like the opposite but doesn't this

2398

01:37:38,870 --> 01:37:36,239

prove that something like that could be

2399

01:37:40,790 --> 01:37:38,880

done in a faster time and than what they

2400

01:37:41,590 --> 01:37:40,800

claim that book took you know what i'm

2401

01:37:44,070 --> 01:37:41,600

saying

2402

01:37:45,510 --> 01:37:44,080

like this is all done by hand as well

2403

01:37:48,870 --> 01:37:45,520

yeah but this is i've been doing this

2404

01:37:51,430 --> 01:37:48,880

for 36 years she is wow

2405

01:37:53,430 --> 01:37:51,440

quite a broadcast sorry hi lord he

2406

01:37:59,270 --> 01:37:53,440

doesn't hear about the project

2407

01:38:04,070 --> 01:38:01,590

did you ever hear about the guy who

2408

01:38:05,510 --> 01:38:04,080

forged a load of like jeremiah smith

2409

01:38:07,350 --> 01:38:05,520

documents

2410

01:38:08,149 --> 01:38:07,360

and sold them oh yeah yeah

2411

01:38:15,189 --> 01:38:08,159

yeah

2412

01:38:17,430 --> 01:38:15,199

you know or a type of font

2413

01:38:19,910 --> 01:38:17,440

yeah i'm doing different uh uh

2414

01:38:21,510 --> 01:38:19,920

historical uh handwriting right

2415

01:38:24,310 --> 01:38:21,520

yeah yeah it looks like that yeah wow

2416

01:38:25,990 --> 01:38:24,320

that's all we call a pencil man yeah

2417

01:38:28,470 --> 01:38:26,000

wow wow

2418

01:38:31,109 --> 01:38:28,480

that's where i'm amazed at that

2419

01:38:33,030 --> 01:38:31,119

well you can take i take a cookie sheet

2420

01:38:34,790 --> 01:38:33,040

and i put the page on it and i use

2421

01:38:36,550 --> 01:38:34,800

another piece of metal and i just ground

2422

01:38:38,550 --> 01:38:36,560

it into the paper

2423

01:38:39,590 --> 01:38:38,560

and you can get a great shine with that

2424

01:38:41,430 --> 01:38:39,600

and it

2425

01:38:42,830 --> 01:38:41,440

just grinds the pigment right in there

2426

01:38:44,950 --> 01:38:42,840

and creates this

2427

01:38:46,790 --> 01:38:44,960

effect that's beautiful do you look do

2428

01:38:48,390 --> 01:38:46,800

you use paints at all i mean not on this

2429

01:38:49,830 --> 01:38:48,400

project but do you like using because

2430

01:38:52,149 --> 01:38:49,840

you said you're artists right that's

2431

01:38:54,070 --> 01:38:52,159

what you yeah well it's the initial

2432

01:38:56,870 --> 01:38:54,080

pages there with all the gold leather

2433

01:38:59,350 --> 01:38:56,880

and those were on watercolor

2434

01:39:00,390 --> 01:38:59,360

wow

2435

01:39:03,510 --> 01:39:00,400

so yeah

2436

01:39:05,189 --> 01:39:03,520

wow that is that's

2437

01:39:07,430 --> 01:39:05,199

then you get to meet the interesting

2438

01:39:10,070 --> 01:39:07,440

people people in england know who i am i

2439

01:39:11,430 --> 01:39:10,080

don't know how they do it but they do

2440

01:39:13,669 --> 01:39:11,440

we know everything

2441

01:39:15,910 --> 01:39:13,679

yeah and so i've been blessed for this

2442

01:39:17,990 --> 01:39:15,920

by two different archbishops of york and

2443

01:39:20,070 --> 01:39:18,000

two different archbishops they have they

2444

01:39:22,229 --> 01:39:20,080

have good spies

2445

01:39:26,870 --> 01:39:22,239

and the pope is that drawing on silver

2446

01:39:32,310 --> 01:39:29,030

that's actually green it's just sort of

2447

01:39:35,669 --> 01:39:33,669

yeah james you've got to come back and

2448

01:39:37,750 --> 01:39:35,679

we'll do a whole show on this because

2449

01:39:39,990 --> 01:39:37,760

everybody in the live chat is saying how

2450

01:39:41,030 --> 01:39:40,000

beautiful it is and how dedicated you

2451  
01:39:43,990 --> 01:39:41,040  
must be

2452  
01:39:45,669 --> 01:39:44,000  
36 years doing this project that's

2453  
01:39:47,830 --> 01:39:45,679  
incredible

2454  
01:39:49,990 --> 01:39:47,840  
and i was saying uh you know if you want

2455  
01:39:51,750 --> 01:39:50,000  
to go to sleep

2456  
01:39:53,189 --> 01:39:51,760  
read leviticus

2457  
01:39:54,790 --> 01:39:53,199  
yeah you're right

2458  
01:39:57,430 --> 01:39:54,800  
is that the one where it's like and so

2459  
01:40:01,109 --> 01:39:57,440  
and so beget so and so and so and so we

2460  
01:40:02,070 --> 01:40:01,119  
get so and so for 85 pages no that's the

2461  
01:40:06,070 --> 01:40:02,080  
law

2462  
01:40:08,229 --> 01:40:06,080  
i'll do it

2463  
01:40:11,590 --> 01:40:08,239

arlene i have those i like the durant

2464

01:40:12,629 --> 01:40:11,600

pencils too i just got you know the um

2465

01:40:14,070 --> 01:40:12,639

um

2466

01:40:15,030 --> 01:40:14,080

oh jesus

2467

01:40:17,350 --> 01:40:15,040

forgot

2468

01:40:19,590 --> 01:40:17,360

the name of the pencils

2469

01:40:21,510 --> 01:40:19,600

favorite castells

2470

01:40:23,350 --> 01:40:21,520

yes i have those but i just picked up

2471

01:40:25,750 --> 01:40:23,360

the set of you know the ones that came

2472

01:40:27,510 --> 01:40:25,760

out with the matte

2473

01:40:30,709 --> 01:40:27,520

that they're matte like they're the

2474

01:40:31,990 --> 01:40:30,719

darkest black that it's we will

2475

01:40:33,750 --> 01:40:32,000

oh okay

2476

01:40:35,830 --> 01:40:33,760

that's a polyglot

2477

01:40:38,629 --> 01:40:35,840

that's a

2478

01:40:41,990 --> 01:40:38,639

uh english and latin

2479

01:40:46,790 --> 01:40:44,550

oh wait you got a small window

2480

01:40:48,629 --> 01:40:46,800

i'm curious there james i mean what do

2481

01:40:50,070 --> 01:40:48,639

you think about all these people that

2482

01:40:51,910 --> 01:40:50,080

think that they're like prophets or

2483

01:40:53,910 --> 01:40:51,920

they're talking to god

2484

01:40:55,109 --> 01:40:53,920

or god's talking to them and and that

2485

01:40:57,030 --> 01:40:55,119

kind of stuff you know the grifter

2486

01:40:58,629 --> 01:40:57,040

people that we cover i mean what do you

2487

01:40:59,669 --> 01:40:58,639

think of that i mean does that offend

2488

01:41:01,510 --> 01:40:59,679

you or

2489

01:41:03,910 --> 01:41:01,520

what do you what do you feel when you

2490

01:41:06,629 --> 01:41:03,920

see this i'll let god handle that i

2491

01:41:09,189 --> 01:41:06,639

don't have to mess with him

2492

01:41:11,109 --> 01:41:09,199

yeah i try to i try to say the same

2493

01:41:12,550 --> 01:41:11,119

thing james because there's people that

2494

01:41:14,310 --> 01:41:12,560

are claiming they're talking to the

2495

01:41:16,629 --> 01:41:14,320

archangel michael who's giving them

2496

01:41:17,590 --> 01:41:16,639

secret information and things like that

2497

01:41:19,430 --> 01:41:17,600

and i just

2498

01:41:21,270 --> 01:41:19,440

they all fail the test of a prophet

2499

01:41:23,590 --> 01:41:21,280

james you know what that is probably

2500

01:41:24,629 --> 01:41:23,600

being a biblical guy yeah it's all out

2501

01:41:27,350 --> 01:41:24,639

in the open

2502

01:41:29,750 --> 01:41:27,360

the test of the prophet if you if you if

2503

01:41:31,910 --> 01:41:29,760

the prophet says one thing that's wrong

2504

01:41:33,590 --> 01:41:31,920

he's not a prophet of god and they all

2505

01:41:35,830 --> 01:41:33,600

fail it they all fail the test of a

2506

01:41:37,350 --> 01:41:35,840

prophet yep

2507

01:41:40,229 --> 01:41:37,360

but to somehow they're talking to the

2508

01:41:42,149 --> 01:41:40,239

angels and and to jesus and you know

2509

01:41:43,990 --> 01:41:42,159

because if it would have come from god

2510

01:41:45,910 --> 01:41:44,000

then it would have definitely happened

2511

01:41:47,990 --> 01:41:45,920

right yeah right so once they failed

2512

01:41:50,790 --> 01:41:48,000

once they didn't talk to god yeah this

2513

01:41:52,149 --> 01:41:50,800

is well done man beautiful man

2514

01:41:53,510 --> 01:41:52,159

yeah wow

2515

01:41:56,390 --> 01:41:53,520

that's a plan

2516

01:41:58,229 --> 01:41:56,400

very good man that's pretty good

2517

01:42:02,950 --> 01:41:58,239

having a little subscript and everything

2518

01:42:05,750 --> 01:42:02,960

is like how far from completion is it

2519

01:42:10,550 --> 01:42:05,760

oh well this is the deal where i'm just

2520

01:42:14,229 --> 01:42:12,310

so would you say it was kind of done

2521

01:42:16,709 --> 01:42:14,239

already and then you started redoing

2522

01:42:18,870 --> 01:42:16,719

other part earlier parts of it

2523

01:42:19,629 --> 01:42:18,880

better completed a whole new testament

2524

01:42:21,350 --> 01:42:19,639

by

2525

01:42:24,310 --> 01:42:21,360

1995

2526

01:42:26,310 --> 01:42:24,320

but i decided i could redo it wow and i

2527

01:42:28,629 --> 01:42:26,320

did this set of gospels and i've been

2528

01:42:32,070 --> 01:42:28,639

doing little bits here and there

2529

01:42:33,910 --> 01:42:32,080

the thing is is that the bible is big

2530

01:42:37,590 --> 01:42:33,920

yeah

2531

01:42:41,510 --> 01:42:37,600

it's very big so it just takes time and

2532

01:42:43,430 --> 01:42:41,520

i had to be inspired to do it and so

2533

01:42:44,629 --> 01:42:43,440

at the moment i'm doing the navy project

2534

01:42:47,350 --> 01:42:44,639

but uh

2535

01:42:49,350 --> 01:42:47,360

i'll get back to it

2536

01:42:50,790 --> 01:42:49,360

i've got everything i need to do it i

2537

01:42:53,510 --> 01:42:50,800

even have a uh

2538

01:42:55,990 --> 01:42:53,520

a pen company jay herbin sends me pen

2539

01:42:56,790 --> 01:42:56,000

nibs every now and then for me to try

2540

01:42:59,030 --> 01:42:56,800

out

2541

01:43:01,830 --> 01:42:59,040

so cool so i'm looking right here that

2542

01:43:04,629 --> 01:43:01,840

the kings james version has uh roughly

2543

01:43:06,390 --> 01:43:04,639

three quarters of a million words

2544

01:43:09,510 --> 01:43:06,400

that's a lot

2545

01:43:10,950 --> 01:43:09,520

i mean is there any uh particular bible

2546

01:43:12,629 --> 01:43:10,960

that you

2547

01:43:15,189 --> 01:43:12,639

use here

2548

01:43:16,950 --> 01:43:15,199

um actually now i'm using online

2549

01:43:19,350 --> 01:43:16,960

versions of the king james it's all the

2550

01:43:20,790 --> 01:43:19,360

same it was a big deal about that i had

2551  
01:43:23,590 --> 01:43:20,800  
to go through the church in england to

2552  
01:43:26,870 --> 01:43:23,600  
find at that time it was copyrighted

2553  
01:43:28,550 --> 01:43:26,880  
and uh when i said copyright bible

2554  
01:43:30,390 --> 01:43:28,560  
yeah the crown

2555  
01:43:32,229 --> 01:43:30,400  
copyrights the bible

2556  
01:43:34,709 --> 01:43:32,239  
i didn't even know that and so i had to

2557  
01:43:36,550 --> 01:43:34,719  
find the exact version of it

2558  
01:43:38,550 --> 01:43:36,560  
to use and

2559  
01:43:41,510 --> 01:43:38,560  
they actually sent me the wrong one

2560  
01:43:43,990 --> 01:43:41,520  
but i ended up finding one in my we have

2561  
01:43:45,750 --> 01:43:44,000  
this theological library it's one of the

2562  
01:43:48,070 --> 01:43:45,760  
best ones in the world

2563  
01:43:50,470 --> 01:43:48,080

they've got original king james's they

2564

01:43:52,950 --> 01:43:50,480

got the one that i use which is what

2565

01:43:55,669 --> 01:43:52,960

is printed today

2566

01:43:58,229 --> 01:43:55,679

is from 1728

2567

01:44:00,229 --> 01:43:58,239

and i can go over and copy that out but

2568

01:44:02,790 --> 01:44:00,239

it's i found an online version that's

2569

01:44:04,550 --> 01:44:02,800

exactly the same text same punctuation

2570

01:44:07,430 --> 01:44:04,560

everything

2571

01:44:09,910 --> 01:44:07,440

so it's easier imagine that

2572

01:44:15,030 --> 01:44:09,920

in the name of jesus i will copyright

2573

01:44:18,830 --> 01:44:16,629

there are some things that should just

2574

01:44:21,669 --> 01:44:18,840

be public domain and the bible is one of

2575

01:44:23,189 --> 01:44:21,679

them yeah well they did they finally

2576

01:44:25,189 --> 01:44:23,199

turned it over but i did get the

2577

01:44:27,910 --> 01:44:25,199

permission from the queen to

2578

01:44:29,990 --> 01:44:27,920

to print this if i wanted to

2579

01:44:32,470 --> 01:44:30,000

i didn't even i had no idea that there

2580

01:44:34,629 --> 01:44:32,480

was such a thing you know and something

2581

01:44:36,149 --> 01:44:34,639

that you know essentially everybody

2582

01:44:37,750 --> 01:44:36,159

should have the right to no matter what

2583

01:44:40,629 --> 01:44:37,760

there's no there should be no rules

2584

01:44:44,310 --> 01:44:40,639

right oh that's it look at this yeah i

2585

01:44:47,109 --> 01:44:44,320

drew that during the uh hurricane in uh

2586

01:44:49,350 --> 01:44:47,119

in uh new orleans those are all

2587

01:44:50,870 --> 01:44:49,360

flowers from new orleans

2588

01:44:53,590 --> 01:44:50,880

which is yeah we're gonna take this with

2589

01:44:55,669 --> 01:44:53,600

some of some of your artwork inspired by

2590

01:44:57,030 --> 01:44:55,679

you know places you've been or and there

2591

01:44:59,750 --> 01:44:57,040

you go you just answered my question it

2592

01:45:02,070 --> 01:44:59,760

was vibrant colors too i could see pages

2593

01:45:03,910 --> 01:45:02,080

of these that he painted going up in

2594

01:45:04,950 --> 01:45:03,920

sotheby's for like a million plus a

2595

01:45:08,550 --> 01:45:04,960

sheet no

2596

01:45:08,560 --> 01:45:14,709

well yeah one of a kind and only

2597

01:45:17,990 --> 01:45:16,310

yep this is what i do this is what i'm

2598

01:45:20,149 --> 01:45:18,000

known for

2599

01:45:22,310 --> 01:45:20,159

how long does one page take

2600

01:45:23,990 --> 01:45:22,320

it depends well writing it

2601  
01:45:25,590 --> 01:45:24,000  
actually doesn't take okay let me tell

2602  
01:45:28,229 --> 01:45:25,600  
you about this one

2603  
01:45:29,830 --> 01:45:28,239  
those are uh the there's this woodpecker

2604  
01:45:31,510 --> 01:45:29,840  
that was thought to be extinct but they

2605  
01:45:33,830 --> 01:45:31,520  
found them out in um

2606  
01:45:35,590 --> 01:45:33,840  
in louisiana it's called the this

2607  
01:45:37,830 --> 01:45:35,600  
ivory-billed woodpecker it's a big

2608  
01:45:39,510 --> 01:45:37,840  
version of a uh

2609  
01:45:42,149 --> 01:45:39,520  
piloted one

2610  
01:45:45,350 --> 01:45:42,159  
and the male has the uh red head and the

2611  
01:45:47,109 --> 01:45:45,360  
female has the black head

2612  
01:45:49,669 --> 01:45:47,119  
and they're all flying around and they

2613  
01:45:52,149 --> 01:45:49,679

it forms a couple of holy grails if you

2614

01:45:54,229 --> 01:45:52,159

look at it carefully oh wow look at that

2615

01:45:56,870 --> 01:45:54,239

it is it's that's amazing

2616

01:45:58,629 --> 01:45:56,880

and a double axel cross at the top also

2617

01:46:00,070 --> 01:45:58,639

in there

2618

01:46:02,070 --> 01:46:00,080

wow

2619

01:46:03,669 --> 01:46:02,080

that one took a while that was all with

2620

01:46:04,870 --> 01:46:03,679

tracing paper trying to figure out how

2621

01:46:09,270 --> 01:46:04,880

to lay them out

2622

01:46:10,709 --> 01:46:09,280

that's creative very creative

2623

01:46:12,229 --> 01:46:10,719

at first i thought i was looking at

2624

01:46:13,910 --> 01:46:12,239

magpies but you're right they're

2625

01:46:15,750 --> 01:46:13,920

woodpeckers yeah actually that's what i

2626

01:46:19,189 --> 01:46:15,760

thought at first too but now that i look

2627

01:46:21,189 --> 01:46:19,199

at the i rebuilt woodpecker i see it

2628

01:46:22,550 --> 01:46:21,199

yeah and of course they're

2629

01:46:24,790 --> 01:46:22,560

usually in the old days they use

2630

01:46:25,669 --> 01:46:24,800

phoenixes but these are american birds

2631

01:46:28,470 --> 01:46:25,679

so

2632

01:46:32,550 --> 01:46:30,390

they represent resurrection

2633

01:46:34,870 --> 01:46:32,560

well done well done

2634

01:46:35,990 --> 01:46:34,880

thanks thank you yeah it's pretty

2635

01:46:38,870 --> 01:46:36,000

amazing

2636

01:46:43,030 --> 01:46:38,880

there he really is perfect

2637

01:46:46,070 --> 01:46:44,629

let me see something i'm sorry i just

2638

01:46:48,390 --> 01:46:46,080

want to show this arlene because she was

2639

01:46:51,189 --> 01:46:48,400

talking about the end to james those are

2640

01:46:54,310 --> 01:46:51,199

these are the faber castell the pit the

2641

01:46:55,830 --> 01:46:54,320

six the matte ones you gotta try these

2642

01:46:58,790 --> 01:46:55,840

yeah really go ahead and try it again i

2643

01:47:00,470 --> 01:46:58,800

got you soloed now here sorry let me let

2644

01:47:02,870 --> 01:47:00,480

that focus yeah

2645

01:47:04,709 --> 01:47:02,880

okay i'll try them out yeah they're real

2646

01:47:08,070 --> 01:47:04,719

soft they're good

2647

01:47:10,229 --> 01:47:08,080

and black real dark

2648

01:47:11,750 --> 01:47:10,239

about that well like i was asking i mean

2649

01:47:13,189 --> 01:47:11,760

i'm like you know i mean you see the

2650

01:47:14,629 --> 01:47:13,199

kind of content that we have here and

2651  
01:47:15,830 --> 01:47:14,639  
stuff i mean what what brought you here

2652  
01:47:17,990 --> 01:47:15,840  
i mean i think i think that that's

2653  
01:47:20,790 --> 01:47:18,000  
important because it helps

2654  
01:47:22,550 --> 01:47:20,800  
us know what you all think out there you

2655  
01:47:24,310 --> 01:47:22,560  
know what brought you here i mean i

2656  
01:47:26,310 --> 01:47:24,320  
think that's a good question

2657  
01:47:28,149 --> 01:47:26,320  
what brought me here uh yeah yeah

2658  
01:47:35,669 --> 01:47:28,159  
probably me asking him to be a guest

2659  
01:47:40,070 --> 01:47:37,910  
that's about it

2660  
01:47:43,350 --> 01:47:40,080  
have you watched many of steven's shows

2661  
01:47:45,750 --> 01:47:43,360  
a bunch of them i've been see with with

2662  
01:47:47,590 --> 01:47:45,760  
this investigation of treasure island

2663  
01:47:49,590 --> 01:47:47,600

i've been finding out all about what the

2664

01:47:51,189 --> 01:47:49,600

government has been doing

2665

01:47:53,669 --> 01:47:51,199

and it's kind of interesting it

2666

01:47:54,790 --> 01:47:53,679

parallels the the same

2667

01:47:56,790 --> 01:47:54,800

uh

2668

01:47:58,790 --> 01:47:56,800

like i'll send stephen sources when i

2669

01:48:01,350 --> 01:47:58,800

find yeah he does yeah i got a whole

2670

01:48:02,950 --> 01:48:01,360

collection of government corrupt sources

2671

01:48:04,550 --> 01:48:02,960

they're polluting every

2672

01:48:06,229 --> 01:48:04,560

what i can tell from what james has

2673

01:48:09,109 --> 01:48:06,239

found out is they're polluting

2674

01:48:10,790 --> 01:48:09,119

everything and they don't care oh yeah

2675

01:48:12,629 --> 01:48:10,800

oh

2676

01:48:13,830 --> 01:48:12,639

the latest one is really horrific what

2677

01:48:17,109 --> 01:48:13,840

they were doing

2678

01:48:20,070 --> 01:48:17,119

they came up with this idea of

2679

01:48:22,950 --> 01:48:20,080

the mayor of boston decided hey i want

2680

01:48:26,149 --> 01:48:22,960

more realism in our civil defense tests

2681

01:48:28,229 --> 01:48:26,159

where on april 17th of every year they

2682

01:48:30,629 --> 01:48:28,239

would have national drills where

2683

01:48:32,390 --> 01:48:30,639

everybody would go into bomb shelters

2684

01:48:33,830 --> 01:48:32,400

they did this in the 50s in the early

2685

01:48:35,669 --> 01:48:33,840

60s

2686

01:48:38,149 --> 01:48:35,679

and they did it all when they had the

2687

01:48:39,910 --> 01:48:38,159

nuclear tests in the in the uh

2688

01:48:41,750 --> 01:48:39,920

nevada desert and i'm old enough to

2689

01:48:44,550 --> 01:48:41,760

remember one of them

2690

01:48:48,470 --> 01:48:44,560

and being put into a uh the town bomb

2691

01:48:50,950 --> 01:48:48,480

shelter while the fallout came down

2692

01:48:54,629 --> 01:48:52,790

they decided to

2693

01:48:56,470 --> 01:48:54,639

dirty bomb

2694

01:48:59,830 --> 01:48:56,480

this is the navy

2695

01:49:03,270 --> 01:48:59,840

uh 32 cities in the united states by

2696

01:49:06,310 --> 01:49:03,280

exploding a 400 pounds of

2697

01:49:08,149 --> 01:49:06,320

tnt and some plutonium

2698

01:49:10,229 --> 01:49:08,159

and then they would train all the locals

2699

01:49:12,790 --> 01:49:10,239

how to clean up after a nuclear attack

2700

01:49:14,709 --> 01:49:12,800

to make the civil defense test more

2701  
01:49:18,310 --> 01:49:14,719  
realistic

2702  
01:49:23,510 --> 01:49:18,320  
so they did this in boston new york

2703  
01:49:28,870 --> 01:49:25,510  
norfolk charleston

2704  
01:49:30,229 --> 01:49:28,880  
pensacola new orleans san diego san

2705  
01:49:31,510 --> 01:49:30,239  
francisco

2706  
01:49:33,350 --> 01:49:31,520  
bremerton

2707  
01:49:36,149 --> 01:49:33,360  
up in alaska

2708  
01:49:39,189 --> 01:49:36,159  
the philippines pearl harbor

2709  
01:49:43,189 --> 01:49:39,199  
then they did it to places like

2710  
01:49:45,990 --> 01:49:43,199  
las vegas for some stupid reason tucson

2711  
01:49:47,510 --> 01:49:46,000  
bangor maine burlington vermont

2712  
01:49:49,109 --> 01:49:47,520  
isn't that going to cause cancer or

2713  
01:49:51,750 --> 01:49:49,119

something isn't it they're all like

2714

01:49:53,270 --> 01:49:51,760

populated areas aren't they yeah this

2715

01:49:55,510 --> 01:49:53,280

causes cancer

2716

01:49:58,870 --> 01:49:55,520

they don't care

2717

01:50:01,350 --> 01:49:58,880

they flat out didn't care at all

2718

01:50:04,709 --> 01:50:01,360

this was their their their idea of

2719

01:50:07,350 --> 01:50:04,719

saving everyone was to dirty bomb them

2720

01:50:12,709 --> 01:50:11,030

that that always works right yes

2721

01:50:15,030 --> 01:50:12,719

so this is what we're dealing with and

2722

01:50:16,629 --> 01:50:15,040

the navy keeps denying that they did

2723

01:50:18,790 --> 01:50:16,639

anything wrong and

2724

01:50:20,629 --> 01:50:18,800

i mean they publicized everything and

2725

01:50:23,030 --> 01:50:20,639

they put it in newspapers oh we're going

2726

01:50:24,709 --> 01:50:23,040

to do this we're going to do that

2727

01:50:26,470 --> 01:50:24,719

and so

2728

01:50:28,790 --> 01:50:26,480

they were fighting to get these people

2729

01:50:30,310 --> 01:50:28,800

evacuated and compensated because a lot

2730

01:50:32,070 --> 01:50:30,320

of them have died and a lot of them have

2731

01:50:36,709 --> 01:50:32,080

cancer

2732

01:50:39,990 --> 01:50:38,470

guys i just want to say good night um

2733

01:50:41,510 --> 01:50:40,000

i'm knackered and i've been on the show

2734

01:50:43,109 --> 01:50:41,520

for three hours but stephen

2735

01:50:45,430 --> 01:50:43,119

congratulations

2736

01:50:48,870 --> 01:50:45,440

thank you andy i appreciate it congrats

2737

01:50:49,990 --> 01:50:48,880

and spooky kari i'll see you uh no doubt

2738

01:50:53,189 --> 01:50:50,000

very soon

2739

01:50:56,229 --> 01:50:53,199

uh john good to see you ellie

2740

01:50:57,910 --> 01:50:56,239

jones tomorrow night

2741

01:50:59,910 --> 01:50:57,920

couldn't you just get drunk and fall

2742

01:51:01,830 --> 01:50:59,920

over before you go we need to wait

2743

01:51:19,350 --> 01:51:01,840

before we do it

2744

01:51:23,910 --> 01:51:21,750

after he disses you you know what i mean

2745

01:51:25,750 --> 01:51:23,920

yeah

2746

01:51:29,669 --> 01:51:25,760

we're gonna do the last man standing

2747

01:51:33,830 --> 01:51:31,109

well i don't think this is gonna be one

2748

01:51:35,750 --> 01:51:33,840

of those eight hour long ones oh my god

2749

01:51:39,430 --> 01:51:35,760

remember the last one yeah that was long

2750

01:51:41,270 --> 01:51:39,440

yeah that was a long seven hours yeah

2751

01:51:43,189 --> 01:51:41,280

that's a long time

2752

01:51:45,189 --> 01:51:43,199

i'm gonna be jumping off right now which

2753

01:51:47,030 --> 01:51:45,199

i know you're happy steve good yeah

2754

01:51:48,870 --> 01:51:47,040

we'll probably we'll probably uh wrap

2755

01:51:50,229 --> 01:51:48,880

this up and uh you know i just want to

2756

01:51:51,750 --> 01:51:50,239

come on and recognize that big

2757

01:51:54,070 --> 01:51:51,760

achievement and uh

2758

01:51:56,070 --> 01:51:54,080

thank everybody and we've accomplished

2759

01:52:00,390 --> 01:51:56,080

our goal

2760

01:52:06,310 --> 01:52:04,390

yeah i gotta go burn things soon so

2761

01:52:08,310 --> 01:52:06,320

that'll be the new stupid stump is right

2762

01:52:10,149 --> 01:52:08,320

in the way of my porch man

2763

01:52:13,990 --> 01:52:10,159

that'll be my new logo looks like a

2764

01:52:18,070 --> 01:52:15,750

can you cut it down to the point where

2765

01:52:19,270 --> 01:52:18,080

it becomes a support

2766

01:52:21,430 --> 01:52:19,280

uh no

2767

01:52:23,510 --> 01:52:21,440

it's because i'm putting a stone patio

2768

01:52:25,189 --> 01:52:23,520

down and then covering the and it'll be

2769

01:52:28,070 --> 01:52:25,199

like a covered roof

2770

01:52:29,910 --> 01:52:28,080

above this stone patio so uh it's got to

2771

01:52:30,790 --> 01:52:29,920

be level with the rest of the ground

2772

01:52:32,950 --> 01:52:30,800

there

2773

01:52:35,189 --> 01:52:32,960

are you doing flagstone

2774

01:52:36,870 --> 01:52:35,199

uh yeah i'm doing stand up it's called

2775

01:52:39,589 --> 01:52:36,880

it's like those big

2776

01:52:40,390 --> 01:52:39,599

thin four foot by four foot pieces i

2777

01:52:42,390 --> 01:52:40,400

think

2778

01:52:44,870 --> 01:52:42,400

if i can get it if i can get it here

2779

01:52:46,950 --> 01:52:44,880

from a stone place otherwise i gotta go

2780

01:52:49,430 --> 01:52:46,960

around here and dig up rocks for about

2781

01:52:51,189 --> 01:52:49,440

two weekends and then do it

2782

01:52:52,709 --> 01:52:51,199

let me uh

2783

01:52:54,629 --> 01:52:52,719

i'll talk to you tomorrow i'm a stone

2784

01:52:56,070 --> 01:52:54,639

mason and i know places where to get

2785

01:52:57,510 --> 01:52:56,080

stoned like that in the area you're

2786

01:52:59,589 --> 01:52:57,520

close to me so maybe i'll be able to

2787

01:53:02,310 --> 01:52:59,599

help you out oh i'm in the poconos

2788

01:53:04,629 --> 01:53:02,320

though i don't want to drag it up from

2789

01:53:06,550 --> 01:53:04,639

around us you know

2790

01:53:08,070 --> 01:53:06,560

so like that will have to get delivered

2791

01:53:09,430 --> 01:53:08,080

anyway you know what i'm saying like i

2792

01:53:11,189 --> 01:53:09,440

don't think oh yeah without a doubt well

2793

01:53:13,270 --> 01:53:11,199

hey wreaking havoc if you want a free

2794

01:53:14,390 --> 01:53:13,280

weekend once i get the rocks here you

2795

01:53:15,990 --> 01:53:14,400

know

2796

01:53:17,750 --> 01:53:16,000

we can go fishing and it's only going to

2797

01:53:19,350 --> 01:53:17,760

take us a couple hours it's only yeah

2798

01:53:20,790 --> 01:53:19,360

i'm just saying i might be able to get

2799

01:53:22,390 --> 01:53:20,800

it to you because i know a guy who runs

2800

01:53:24,229 --> 01:53:22,400

the stone yard you know so i can look

2801  
01:53:28,470 --> 01:53:24,239  
into it you know yeah but i don't have a

2802  
01:53:33,030 --> 01:53:30,310  
a chain gang up there with sledgehammers

2803  
01:53:34,950 --> 01:53:33,040  
busting rocks all day long no you know

2804  
01:53:36,709 --> 01:53:34,960  
what it is though we're in the mountains

2805  
01:53:39,109 --> 01:53:36,719  
so i have tons of stone here when i

2806  
01:53:41,510 --> 01:53:39,119  
bought this property but so far i've

2807  
01:53:43,030 --> 01:53:41,520  
built two stone hertz for wood stoves a

2808  
01:53:44,790 --> 01:53:43,040  
stone shower

2809  
01:53:45,910 --> 01:53:44,800  
a stone floor

2810  
01:53:48,149 --> 01:53:45,920  
and uh

2811  
01:53:49,750 --> 01:53:48,159  
some other stuff that i so

2812  
01:53:51,430 --> 01:53:49,760  
there's still stone left here but you

2813  
01:53:54,070 --> 01:53:51,440

really gotta dig for it they're not just

2814

01:53:57,109 --> 01:53:54,080

laying around anymore so it's very

2815

01:54:00,149 --> 01:53:57,119

difficult and i need it's 10 by 13 or 10

2816

01:54:01,910 --> 01:54:00,159

by 36 what i have to cover see stephen's

2817

01:54:03,669 --> 01:54:01,920

got a time machine and none of you all

2818

01:54:06,870 --> 01:54:03,679

know about it that's why he's back then

2819

01:54:11,510 --> 01:54:09,270

do me a favor we can have it when you do

2820

01:54:13,669 --> 01:54:11,520

go over there make sure you take a look

2821

01:54:15,270 --> 01:54:13,679

in the camper because i'm supposed to

2822

01:54:17,510 --> 01:54:15,280

take a trip there and i have a feeling

2823

01:54:19,910 --> 01:54:17,520

he's gonna try to chain me in there

2824

01:54:21,669 --> 01:54:19,920

so make sure i'm not in the chain to

2825

01:54:26,070 --> 01:54:21,679

something all right so take a look

2826

01:54:31,430 --> 01:54:27,750

now i am going to chain them up and make

2827

01:54:33,189 --> 01:54:31,440

them get this oh but i i did i did more

2828

01:54:35,510 --> 01:54:33,199

adjustments and all this i think it's

2829

01:54:37,910 --> 01:54:35,520

the file i'm using i'm going to send it

2830

01:54:40,790 --> 01:54:37,920

to you ron and you try to print it screw

2831

01:54:42,950 --> 01:54:40,800

my printer up here right now

2832

01:54:44,709 --> 01:54:42,960

i don't care send it i'll put it through

2833

01:54:46,470 --> 01:54:44,719

i got software that'll check it and let

2834

01:54:48,629 --> 01:54:46,480

you know and if it is screwed up it'll

2835

01:54:51,270 --> 01:54:48,639

fix it for you oh all right yeah i'll

2836

01:54:52,709 --> 01:54:51,280

send it to you here i tried all these

2837

01:54:54,870 --> 01:54:52,719

different adjustments it's still coming

2838

01:54:55,750 --> 01:54:54,880

out stringy on the back it should be

2839

01:54:59,990 --> 01:54:55,760

working

2840

01:55:05,030 --> 01:55:02,149

cooler i tried it with the fan speed

2841

01:55:07,510 --> 01:55:05,040

lower fan speed higher retraction lower

2842

01:55:09,589 --> 01:55:07,520

retraction higher all this stuff people

2843

01:55:12,149 --> 01:55:09,599

told me it's not working

2844

01:55:13,910 --> 01:55:12,159

no i know and i told you a lot too and

2845

01:55:16,470 --> 01:55:13,920

and not for nothing even though you're

2846

01:55:18,950 --> 01:55:16,480

an i.t dude still you're a beginner in

2847

01:55:20,629 --> 01:55:18,960

this and to do it i really expect you to

2848

01:55:21,990 --> 01:55:20,639

troubleshoot it never again it takes

2849

01:55:23,669 --> 01:55:22,000

experience

2850

01:55:25,830 --> 01:55:23,679

i don't want to buy a 3d printer they're

2851  
01:55:27,750 --> 01:55:25,840  
just going to aggravate me then he sent

2852  
01:55:28,790 --> 01:55:27,760  
me one that worked great but it was

2853  
01:55:30,870 --> 01:55:28,800  
small

2854  
01:55:33,270 --> 01:55:30,880  
and i wanted to build these big

2855  
01:55:35,669 --> 01:55:33,280  
cases for this computer i'm building so

2856  
01:55:38,229 --> 01:55:35,679  
i go i'll buy a big one now

2857  
01:55:39,669 --> 01:55:38,239  
and then which i told him not to do yet

2858  
01:55:41,750 --> 01:55:39,679  
but i didn't

2859  
01:55:43,109 --> 01:55:41,760  
i had no reason to think he was like no

2860  
01:55:44,310 --> 01:55:43,119  
they're not like they used to be they

2861  
01:55:53,109 --> 01:55:44,320  
work now

2862  
01:55:56,390 --> 01:55:54,629  
it's so weird though it prints some

2863  
01:55:58,149 --> 01:55:56,400

things fine and then other things that i

2864

01:56:00,470 --> 01:55:58,159

need like these computer cases it won't

2865

01:56:02,390 --> 01:56:00,480

print them we won't print it right ron

2866

01:56:04,390 --> 01:56:02,400

knew that he knew that way back when he

2867

01:56:06,709 --> 01:56:04,400

first suggested

2868

01:56:07,990 --> 01:56:06,719

he's gonna have oh with this

2869

01:56:09,990 --> 01:56:08,000

thanks ron

2870

01:56:11,669 --> 01:56:10,000

yeah punch him in the face

2871

01:56:13,510 --> 01:56:11,679

i told you that's what he says on every

2872

01:56:15,510 --> 01:56:13,520

show when i see that wrong from cosby

2873

01:56:17,030 --> 01:56:15,520

i'm gonna punch right in the face

2874

01:56:18,790 --> 01:56:17,040

punch him right in his face

2875

01:56:21,030 --> 01:56:18,800

for a 3d printer

2876  
01:56:23,910 --> 01:56:21,040  
because for those that don't know you

2877  
01:56:25,589 --> 01:56:23,920  
will spend hours adjusting things

2878  
01:56:26,629 --> 01:56:25,599  
leveling it

2879  
01:56:28,390 --> 01:56:26,639  
trying to

2880  
01:56:30,470 --> 01:56:28,400  
you just keep trying things until it

2881  
01:56:32,470 --> 01:56:30,480  
works oh well maybe it's the filament

2882  
01:56:34,149 --> 01:56:32,480  
i'm using so we'll get new filament then

2883  
01:56:36,709 --> 01:56:34,159  
you get new filament the next day from

2884  
01:56:38,390 --> 01:56:36,719  
amazon you try it oh then somebody says

2885  
01:56:40,310 --> 01:56:38,400  
oh your temperature's not high enough so

2886  
01:56:42,229 --> 01:56:40,320  
then you try that and remember these

2887  
01:56:43,990 --> 01:56:42,239  
prints take eight hours so you gotta

2888  
01:56:45,669 --> 01:56:44,000

wait eight hours to find out that it's

2889

01:56:47,990 --> 01:56:45,679

screwed every it didn't do it right and

2890

01:56:50,070 --> 01:56:48,000

then you gotta adjust more [h\_\_h] and then

2891

01:56:51,109 --> 01:56:50,080

wait another eight hours

2892

01:56:53,030 --> 01:56:51,119

[h\_\_h] that

2893

01:56:56,390 --> 01:56:53,040

how long has been going on for

2894

01:56:57,589 --> 01:56:56,400

a couple of months too long

2895

01:56:59,189 --> 01:56:57,599

i've been hearing you talking about it i

2896

01:57:01,270 --> 01:56:59,199

was wondering when it started

2897

01:57:03,109 --> 01:57:01,280

well you still do have some

2898

01:57:05,189 --> 01:57:03,119

you still do have some prints right that

2899

01:57:07,030 --> 01:57:05,199

you're yeah some things get prints right

2900

01:57:08,950 --> 01:57:07,040

other things it doesn't prove this this

2901  
01:57:11,589 --> 01:57:08,960  
is what we're gonna do when i go there

2902  
01:57:13,990 --> 01:57:11,599  
the files i don't know when i go there

2903  
01:57:15,189 --> 01:57:14,000  
uh uh let's set it up and you live

2904  
01:57:18,229 --> 01:57:15,199  
stream it

2905  
01:57:20,550 --> 01:57:18,239  
so as soon as i go in that room i'll

2906  
01:57:22,830 --> 01:57:20,560  
tell you this he just wants proof that i

2907  
01:57:25,270 --> 01:57:22,840  
get 10 minutes or

2908  
01:57:27,270 --> 01:57:25,280  
so murder him

2909  
01:57:29,350 --> 01:57:27,280  
here at the cabin 10 minutes i'm

2910  
01:57:30,870 --> 01:57:29,360  
guaranteeing you're working perfect yeah

2911  
01:57:33,990 --> 01:57:30,880  
if anybody needs it there's plenty of

2912  
01:57:45,990 --> 01:57:34,000  
places to bury a body around here

2913  
01:57:50,629 --> 01:57:48,709

um sorry about my pronunciation i lived

2914

01:57:52,470 --> 01:57:50,639

in the where in the town where they

2915

01:57:54,070 --> 01:57:52,480

filmed up sopranos

2916

01:57:56,310 --> 01:57:54,080

and a friend of mine

2917

01:57:57,669 --> 01:57:56,320

uncle died and we bought this car from

2918

01:57:59,830 --> 01:57:57,679

his estate

2919

01:58:01,430 --> 01:57:59,840

and it was kind of interesting because

2920

01:58:03,270 --> 01:58:01,440

they found this crematorium on his

2921

01:58:06,629 --> 01:58:03,280

property

2922

01:58:09,430 --> 01:58:06,639

and the car was a modified lincoln

2923

01:58:12,310 --> 01:58:09,440

continental had terrible gas mileage so

2924

01:58:13,750 --> 01:58:12,320

he took it in and it was armor-plated

2925

01:58:15,510 --> 01:58:13,760

so we bought this thing for almost

2926

01:58:17,189 --> 01:58:15,520

nothing and we sold for a lot of money

2927

01:58:18,870 --> 01:58:17,199

to the secret service

2928

01:58:21,270 --> 01:58:18,880

oh wow but uh

2929

01:58:23,830 --> 01:58:21,280

they bought the car and they stripped it

2930

01:58:24,709 --> 01:58:23,840

down because it belonged to that guy and

2931

01:58:26,629 --> 01:58:24,719

uh

2932

01:58:28,950 --> 01:58:26,639

they wanted to see what he had done in

2933

01:58:35,750 --> 01:58:31,910

this is in livingston new jersey

2934

01:58:37,990 --> 01:58:35,760

they are yeah be baker yes

2935

01:58:39,830 --> 01:58:38,000

they're torture devices you know what's

2936

01:58:42,470 --> 01:58:39,840

the worst when when you got a prank

2937

01:58:45,990 --> 01:58:42,480

going and it's like a 30-hour print

2938

01:58:48,070 --> 01:58:46,000

and 28 hours in it just like fails or it

2939

01:58:50,149 --> 01:58:48,080

pops off the print bed that's like the

2940

01:58:52,709 --> 01:58:50,159

worst feeling in the world i got a box

2941

01:58:54,950 --> 01:58:52,719

of those failed prints already

2942

01:58:56,870 --> 01:58:54,960

steven wonder if it develops like an ai

2943

01:59:01,189 --> 01:58:56,880

and stuff and starts printing out dildos

2944

01:59:05,270 --> 01:59:02,629

yeah you know you know what's so

2945

01:59:07,510 --> 01:59:05,280

interesting if you go on the 3d printing

2946

01:59:09,109 --> 01:59:07,520

if you go on to 3d printer sites like

2947

01:59:11,910 --> 01:59:09,119

thingiverse where you find stuff to

2948

01:59:13,830 --> 01:59:11,920

print there's no dildos but there's like

2949

01:59:16,709 --> 01:59:13,840

85

2950

01:59:21,189 --> 01:59:16,719

pocket [h\_\_h] molds that you can make

2951  
01:59:26,310 --> 01:59:22,470  
yeah you just got to get some of the

2952  
01:59:28,830 --> 01:59:27,430  
you don't want to use the regular

2953  
01:59:30,709 --> 01:59:28,840  
filament that would be

2954  
01:59:33,430 --> 01:59:30,719  
rough flexi

2955  
01:59:35,669 --> 01:59:33,440  
how many did you make so far stephen

2956  
01:59:38,229 --> 01:59:35,679  
no we're not making any dildos

2957  
01:59:40,149 --> 01:59:38,239  
it's a serious scientific difference

2958  
01:59:41,990 --> 01:59:40,159  
we've only made the sample that it comes

2959  
01:59:43,109 --> 01:59:42,000  
with like the test print that's all he's

2960  
01:59:44,790 --> 01:59:43,119  
printed

2961  
01:59:47,589 --> 01:59:44,800  
it's a circle

2962  
01:59:49,189 --> 01:59:47,599  
no i think it's weird like some

2963  
01:59:51,510 --> 01:59:49,199

some of the files i get i put on the

2964

01:59:53,350 --> 01:59:51,520

printer and it prints them like figures

2965

01:59:55,430 --> 01:59:53,360

my kid wanted and then i printed like

2966

01:59:58,310 --> 01:59:55,440

masks for him like a nightwing mask a

2967

02:00:01,589 --> 01:59:58,320

batman mask prints that stuff fine but

2968

02:00:03,189 --> 02:00:01,599

these computer cases uh uh

2969

02:00:05,030 --> 02:00:03,199

yeah and that's what i bought the thing

2970

02:00:06,709 --> 02:00:05,040

for of course

2971

02:00:19,109 --> 02:00:06,719

this one will get you mad

2972

02:00:22,709 --> 02:00:20,629

yeah i got to just clean it off and

2973

02:00:33,240 --> 02:00:22,719

everything and then i'll airbrush it you

2974

02:00:39,669 --> 02:00:36,870

[Laughter]

2975

02:00:42,070 --> 02:00:39,679

how much does a decent printer cost

2976

02:00:44,470 --> 02:00:42,080

a few hundred bucks i got mine when they

2977

02:00:47,270 --> 02:00:44,480

came out with the vox lab it cost me 170

2978

02:00:49,750 --> 02:00:47,280

bucks really but it was too that was 230

2979

02:00:51,350 --> 02:00:49,760

but still it's dirt cheap you got to

2980

02:00:54,390 --> 02:00:51,360

send me the link to the one that you

2981

02:00:56,629 --> 02:00:54,400

first sent me because uh i i want to buy

2982

02:01:00,550 --> 02:00:56,639

a couple of them to print small stuff

2983

02:01:04,229 --> 02:01:02,550

bro i sent it to you didn't even print

2984

02:01:05,750 --> 02:01:04,239

anything you just said oh i'm not going

2985

02:01:12,310 --> 02:01:05,760

to listen to ron i'm just going to go

2986

02:01:15,990 --> 02:01:14,470

yeah that's it i just hit print and put

2987

02:01:20,950 --> 02:01:16,000

the ink in and it comes out like that

2988

02:01:25,510 --> 02:01:23,270

the problem was that for the for the

2989

02:01:28,390 --> 02:01:25,520

computer prototype that i'm developing i

2990

02:01:29,189 --> 02:01:28,400

needed the 18 inches i needed a bigger

2991

02:01:30,709 --> 02:01:29,199

wheat

2992

02:01:32,070 --> 02:01:30,719

case

2993

02:01:35,430 --> 02:01:32,080

you didn't hear that

2994

02:01:39,270 --> 02:01:35,440

i needed 18 inches okay

2995

02:01:45,430 --> 02:01:42,229

he's just curious okay can you be

2996

02:01:47,350 --> 02:01:45,440

curious oh no and that's sexist there's

2997

02:01:56,149 --> 02:01:47,360

no dildos on thingiverse but there's

2998

02:02:00,709 --> 02:01:58,790

3d printing nerds

2999

02:02:03,109 --> 02:02:00,719

there's a program steve you know what

3000

02:02:05,510 --> 02:02:03,119

let me figure it out first where you can

3001  
02:02:08,149 --> 02:02:05,520  
actually split because you sent me to

3002  
02:02:09,830 --> 02:02:08,159  
follow uni printer but mine isn't it's

3003  
02:02:12,790 --> 02:02:09,840  
only like

3004  
02:02:14,629 --> 02:02:12,800  
nine inches you need 12 inches right so

3005  
02:02:17,189 --> 02:02:14,639  
this is just sounds weird anyway talking

3006  
02:02:19,350 --> 02:02:17,199  
about me maybe a little bit 12 inches

3007  
02:02:21,990 --> 02:02:19,360  
but but there's a program that you could

3008  
02:02:25,589 --> 02:02:22,000  
split the file so like you could print

3009  
02:02:28,229 --> 02:02:25,599  
it in two pieces and just use uh the

3010  
02:02:30,070 --> 02:02:28,239  
plastic cement and it just mold and you

3011  
02:02:34,070 --> 02:02:30,080  
could glue it right together and have

3012  
02:02:36,390 --> 02:02:34,080  
your um prototype at least

3013  
02:02:37,990 --> 02:02:36,400

so if let's say your thing is um your

3014

02:02:40,070 --> 02:02:38,000

printer let's just say it's 12 inches

3015

02:02:42,390 --> 02:02:40,080

that's what it could print and it's 18

3016

02:02:44,310 --> 02:02:42,400

so you could just split that um 18 inch

3017

02:02:45,910 --> 02:02:44,320

thing into 9 inches on each side and

3018

02:02:48,149 --> 02:02:45,920

just print the two nine inch pieces and

3019

02:02:50,070 --> 02:02:48,159

glue them back together you can do that

3020

02:02:51,589 --> 02:02:50,080

yeah yeah i guess but i'll figure that

3021

02:02:52,790 --> 02:02:51,599

out first because what's going to happen

3022

02:02:54,629 --> 02:02:52,800

is then you're going to get that and

3023

02:02:55,830 --> 02:02:54,639

you're going to start yelling at people

3024

02:02:56,790 --> 02:02:55,840

saying how you really want to punch me

3025

02:03:12,229 --> 02:02:56,800

in the face because now you don't know

3026

02:03:15,589 --> 02:03:13,830

you know yeah i'm really going to get

3027

02:03:18,310 --> 02:03:15,599

buried in the woods i'm serious i better

3028

02:03:21,669 --> 02:03:19,990

the aliens

3029

02:03:23,910 --> 02:03:21,679

no and the weird thing is

3030

02:03:26,229 --> 02:03:23,920

i brought it up here and my neighbor at

3031

02:03:28,470 --> 02:03:26,239

the cabin is great with 3d printers he

3032

02:03:30,709 --> 02:03:28,480

got it working and it was printing stuff

3033

02:03:32,550 --> 02:03:30,719

fine everything i put on it to print it

3034

02:03:35,669 --> 02:03:32,560

and then i put it in my car and i took

3035

02:03:37,270 --> 02:03:35,679

it home and now it it's it's wonky again

3036

02:03:39,030 --> 02:03:37,280

so i guess i gotta bring it here and

3037

02:03:40,310 --> 02:03:39,040

just leave it here once he gets it

3038

02:03:41,430 --> 02:03:40,320

dialed in

3039

02:03:42,790 --> 02:03:41,440

you know

3040

02:03:44,629 --> 02:03:42,800

where you come up here and get it it's

3041

02:03:45,750 --> 02:03:44,639

gonna be like leveled and stuff like

3042

02:03:48,149 --> 02:03:45,760

that and

3043

02:03:51,669 --> 02:03:48,159

i'm really curious of what's going on uh

3044

02:03:53,750 --> 02:03:51,679

we're all kidding aside i'm i'm really

3045

02:03:56,149 --> 02:03:53,760

curious because i have a feeling i

3046

02:03:58,390 --> 02:03:56,159

forgot what they call them but these

3047

02:04:00,390 --> 02:03:58,400

nuts that you have to tighten

3048

02:04:01,510 --> 02:04:00,400

i know this just sucks

3049

02:04:03,750 --> 02:04:01,520

um

3050

02:04:06,149 --> 02:04:03,760

and and one more thing the print bed

3051

02:04:09,109 --> 02:04:06,159

it's not like shaky a little bit or

3052

02:04:11,510 --> 02:04:09,119

anything nope nope okay when when my

3053

02:04:14,069 --> 02:04:11,520

when my neighbor here messed with it the

3054

02:04:16,069 --> 02:04:14,079

print head itself

3055

02:04:18,229 --> 02:04:16,079

was loose and shaky and he took it all

3056

02:04:20,390 --> 02:04:18,239

apart and tightened everything all up

3057

02:04:22,870 --> 02:04:20,400

but the print bed was fine but the print

3058

02:04:24,390 --> 02:04:22,880

head was loose and shaky

3059

02:04:27,669 --> 02:04:24,400

so i don't know

3060

02:04:28,950 --> 02:04:27,679

ron i just got a question

3061

02:04:30,629 --> 02:04:28,960

why

3062

02:04:32,069 --> 02:04:30,639

if the if the bat ain't leveled and

3063

02:04:37,270 --> 02:04:32,079

you're printing a dildo would be like a

3064

02:04:41,830 --> 02:04:39,510

i need to get this working and then i

3065

02:04:43,189 --> 02:04:41,840

need to find some fake dick 3d prints

3066

02:04:45,669 --> 02:04:43,199

because i'm just going to start mailing

3067

02:04:47,830 --> 02:04:45,679

ron a fake dick every day

3068

02:04:50,310 --> 02:04:47,840

big old fake

3069

02:04:54,470 --> 02:04:50,320

just another day in ufology

3070

02:04:56,860 --> 02:04:56,229

trying to think of what they call those

3071

02:04:58,310 --> 02:04:56,870

nuts

3072

02:05:00,149 --> 02:04:58,320

[Laughter]

3073

02:05:02,229 --> 02:05:00,159

these nuts

3074

02:05:04,950 --> 02:05:02,239

oh my god

3075

02:05:06,550 --> 02:05:04,960

they're ring nuts

3076  
02:05:08,629 --> 02:05:06,560  
and people are afraid to come up here

3077  
02:05:16,790 --> 02:05:08,639  
look at the people

3078  
02:05:20,709 --> 02:05:18,709  
the eccentric nuts

3079  
02:05:23,750 --> 02:05:20,719  
there's two there's a set underneath the

3080  
02:05:25,750 --> 02:05:23,760  
print bed and also on the nozzle you

3081  
02:05:27,109 --> 02:05:25,760  
know the one that goes on the x-axis

3082  
02:05:28,870 --> 02:05:27,119  
back and forth

3083  
02:05:31,750 --> 02:05:28,880  
pouring the crap out of people that

3084  
02:05:34,520 --> 02:05:31,760  
don't care about 3d printers ron

3085  
02:05:57,030 --> 02:05:34,530  
what are you talking about oh

3086  
02:05:59,669 --> 02:05:57,830  
yeah

3087  
02:06:01,109 --> 02:05:59,679  
now you hear him ron's into peggy now

3088  
02:06:03,669 --> 02:06:01,119

he's trying to turn it around and like

3089

02:06:05,990 --> 02:06:03,679

let's put it on ron and he came in here

3090

02:06:10,470 --> 02:06:06,000

a tight end he's a wide receiver

3091

02:06:12,790 --> 02:06:10,480

[Laughter]

3092

02:06:15,990 --> 02:06:12,800

oh here we go thank you ali

3093

02:06:17,669 --> 02:06:16,000

thank you yes

3094

02:06:19,669 --> 02:06:17,679

i'm going to throw you misfits and

3095

02:06:21,910 --> 02:06:19,679

miscreants out of here and i'm going to

3096

02:06:23,910 --> 02:06:21,920

go burn things that's what i plan on

3097

02:06:25,669 --> 02:06:23,920

doing i'm going to finish up what i

3098

02:06:27,830 --> 02:06:25,679

started burning so

3099

02:06:52,709 --> 02:06:27,840

i'm gonna head out first oh yeah yeah

3100

02:07:11,030 --> 02:06:54,550

he keeps muting every time he muted

3101

02:07:14,390 --> 02:07:12,470

listen real good you're gonna hear

3102

02:07:18,790 --> 02:07:14,400

through the entire show him laughing in

3103

02:07:23,750 --> 02:07:21,109

well good for him you know he had a good

3104

02:07:26,310 --> 02:07:23,760

time and uh and we thank him for his

3105

02:07:28,550 --> 02:07:26,320

help in getting us to this moment he's

3106

02:07:30,950 --> 02:07:28,560

the best half a million views he does a

3107

02:07:33,109 --> 02:07:30,960

great job yeah and he helps with uh many

3108

02:07:34,709 --> 02:07:33,119

things around here now now we're going

3109

02:07:37,589 --> 02:07:34,719

to turn out john

3110

02:07:40,069 --> 02:07:37,599

uh so he can go get listen i need you to

3111

02:07:42,390 --> 02:07:40,079

get butt banged by aliens by wednesday

3112

02:07:44,629 --> 02:07:42,400

of next week okay

3113

02:07:47,510 --> 02:07:44,639

you gotta get butt banged or have some

3114

02:07:49,510 --> 02:07:47,520

kind of juicy salacious story because we

3115

02:07:50,870 --> 02:07:49,520

got a light week so far on the calendar

3116

02:07:52,790 --> 02:07:50,880

next week so

3117

02:07:54,470 --> 02:07:52,800

if you could just get butt bang that

3118

02:07:56,149 --> 02:07:54,480

would really help our show

3119

02:07:59,030 --> 02:07:56,159

take one for the team

3120

02:08:00,470 --> 02:07:59,040

those aliens have small dicks i heard

3121

02:08:02,790 --> 02:08:00,480

i'll try and stay basically get like a

3122

02:08:05,430 --> 02:08:02,800

3123

02:08:07,750 --> 02:08:05,440

no i will get with you off air because

3124

equipment out of the garage and we're

3126

02:08:13,270 --> 02:08:11,040

gonna set something up to see

3127

02:08:15,430 --> 02:08:13,280

uh what's going on with your uh strange

3128

02:08:17,510 --> 02:08:15,440

experiences we'll do that

3129

02:08:18,709 --> 02:08:17,520

i will be in touch sounds good awesome

3130

02:08:21,510 --> 02:08:18,719

3136

02:08:33,510 --> 02:08:30,079

amazing yeah okay

3137

02:08:35,189 --> 02:08:33,520

3138

02:08:37,669 --> 02:08:35,199

3144

02:08:51,990 --> 02:08:49,840

where can people find you

3147

02:09:02,069 --> 02:08:59,109

okay

3148

02:09:03,990 --> 02:09:02,079

just just look for cosmic neighbors on

3149

02:09:06,629 --> 02:09:04,000

youtube you'll find his channel or

3150

02:09:09,109 --> 02:09:06,639

neighbors cosmic

3151

02:09:11,270 --> 02:09:09,119

twitter on twitter

3152

02:09:13,109 --> 02:09:11,280

yeah he's like playing with kids toys

3153

02:09:15,109 --> 02:09:13,119

and making dioramas and stuff it's

3154

02:09:17,109 --> 02:09:15,119

awesome

3155

02:09:19,030 --> 02:09:17,119

you just said play with toys you just

3156

02:09:20,790 --> 02:09:19,040

made that sound really bad your stuff

3157

02:09:23,030 --> 02:09:20,800

reminds me of my father who was a

3158

02:09:24,790 --> 02:09:23,040

trained guy he used to build like little

3159

02:09:26,310 --> 02:09:24,800

buildings and stuff and put them on the

3160

02:09:27,830 --> 02:09:26,320

train platform

3161

02:09:29,990 --> 02:09:27,840

kind of like that's what i have right

3162

02:09:33,430 --> 02:09:30,000

here you've seen it i got uh built the

3163

02:09:35,350 --> 02:09:33,440

whole thing anyway everybody i'll talk

3164

02:09:38,470 --> 02:09:35,360

to you all there and then we'll throw

3165

02:09:41,669 --> 02:09:38,480

3166

02:09:43,430 --> 02:09:41,679

3167

02:09:45,270 --> 02:09:43,440

you'll hit a half million views soon but

3168

02:09:46,790 --> 02:09:45,280

not too soon because we like being ahead

3169

02:09:47,669 --> 02:09:46,800

3170

02:09:48,950 --> 02:09:47,679

okay

3171

02:09:51,270 --> 02:09:48,960

you're just like

3172

02:09:53,109 --> 02:09:51,280

like we beat you to a half a million and

3173

02:09:54,310 --> 02:09:53,119

you've got more subscribers than us you

3174

02:09:56,950 --> 02:09:54,320

loser

3175

02:09:59,910 --> 02:09:56,960

sir

3176

02:10:02,149 --> 02:09:59,920

we won we beat you to it good night

3177

02:10:03,350 --> 02:10:02,159

thank you very much all right then oh

3178

02:10:08,069 --> 02:10:03,360

there we go oh hi to be the the last

3180

02:10:12,229 --> 02:10:11,040

person out so uh

3181

02:10:14,550 --> 02:10:12,239

i want to thank you for all your help

3182

02:10:17,350 --> 02:10:14,560

and assistance and uh you know let's get

3183

02:10:18,470 --> 02:10:17,360

3184

02:10:21,350 --> 02:10:18,480

it'll be easy

3185

02:10:23,270 --> 02:10:21,360

yeah it's getting it's gets

3186

02:10:24,870 --> 02:10:23,280

it builds so i think we'll get to a

3187

02:10:25,990 --> 02:10:24,880

million a lot faster than it took us to

3188

02:10:29,910 --> 02:10:26,000

get to half

3189

02:10:31,109 --> 02:10:29,920

i agree i mean i think that too

3190

02:10:34,709 --> 02:10:31,119

everybody

3191

02:10:36,629 --> 02:10:34,719

if you want to follow my show the link

3192

02:10:39,109 --> 02:10:36,639

is in the description

3193

02:10:43,109 --> 02:10:39,119

um this has been truth seekers it has

3194

02:10:45,350 --> 02:10:43,119

been just another day in ufology um

3195

02:10:48,310 --> 02:10:45,360

be be good people that's all i've got to

3196

02:10:50,950 --> 02:10:48,320

say is be good people no need to

3197

02:10:53,270 --> 02:10:50,960

there's no need to be upset

3198

02:10:53,910 --> 02:10:53,280

be good what are we upset about

3199

02:11:03,830 --> 02:10:53,920

i

3200

02:11:05,669 --> 02:11:03,840

the the what does drama

3201

02:11:08,550 --> 02:11:05,679

what well listen

3202

02:11:11,270 --> 02:11:08,560

when you're too lazy to actually get

3203

02:11:12,390 --> 02:11:11,280

real stories or investigate anything or

3204

02:11:14,950 --> 02:11:12,400

have any

3205

02:11:17,830 --> 02:11:14,960

any research to show people all you can

3206

02:11:19,669 --> 02:11:17,840

do is talk crap on people and that's it

3207

02:11:21,750 --> 02:11:19,679

so some people got to do that it comes

3208

02:11:22,870 --> 02:11:21,760

from insecurities and

3209

02:11:25,510 --> 02:11:22,880

jealousy

3210

02:11:27,669 --> 02:11:25,520

authenticity and it's intimidating to

3211

02:11:30,709 --> 02:11:27,679

someone who isn't authentic

3212

02:11:31,669 --> 02:11:30,719

with them with their like content

3213

02:11:34,470 --> 02:11:31,679

so

3214

02:11:36,709 --> 02:11:34,480

i don't pay any mind like i said i like

3215

02:11:38,709 --> 02:11:36,719

what you said though because some people

3216

02:11:40,870 --> 02:11:38,719

aren't going to remember anything that

3217

02:11:41,990 --> 02:11:40,880

right some people did you know like five

3218

02:11:42,950 --> 02:11:42,000

years from now is anybody going to

3219

02:11:45,270 --> 02:11:42,960

remember

3220

02:11:47,750 --> 02:11:45,280

any show specifically that that person

3221

02:11:49,589 --> 02:11:47,760

did i don't think so it all runs

3222

02:11:51,350 --> 02:11:49,599

together into a rambling mess of

3223

02:11:53,750 --> 02:11:51,360

nonsense so

3224

02:11:56,550 --> 02:11:53,760

that's why i i feel like we've elevated

3225

02:11:58,870 --> 02:11:56,560

our our ability to

3226

02:12:00,310 --> 02:11:58,880

do stories that are memorable we're

3227

02:12:02,310 --> 02:12:00,320

actually

3228

02:12:04,310 --> 02:12:02,320

we're making a difference i feel like

3229

02:12:05,750 --> 02:12:04,320

yeah it's cool it's a cool yeah it's a

3230

02:12:07,350 --> 02:12:05,760

cool feeling and

3231

02:12:09,589 --> 02:12:07,360

you know five years from now what are

3232

02:12:11,669 --> 02:12:09,599

people going to remember in in the

3233

02:12:16,709 --> 02:12:11,679

ufo space that they're going to remember

3234

02:12:22,229 --> 02:12:19,270

yeah or legendary i i feel like some of

3235

02:12:25,030 --> 02:12:22,239

these ufo grifters are like scooby-doo

3236

02:12:27,110 --> 02:12:25,040

right like i've almost got away with it

3237

02:12:30,149 --> 02:12:27,120

it's not for you meddling kids

3238

02:12:31,990 --> 02:12:30,159

[Laughter]

3239

02:12:34,470 --> 02:12:32,000

well thank you i want people to i want

3240

02:12:38,310 --> 02:12:34,480

people to fear being put in a thumbnail

3241

02:12:41,910 --> 02:12:40,229

well i'll tell you one thing there's two

3242

02:12:44,709 --> 02:12:41,920

3243

02:12:50,470 --> 02:12:44,719

3244

02:12:56,310 --> 02:12:52,550

so is my wife man she can hold a grudge

3245

02:12:58,390 --> 02:12:56,320

for 10 years 20 years forever you know

3246

02:13:03,430 --> 02:12:58,400

got to be careful with some people

3247

02:13:06,870 --> 02:13:04,950

thank you for having me

discussing

3281

02:14:17,669 --> 02:14:14,480

i think jeremy corbell and bob lazar uh

3282

02:14:19,589 --> 02:14:17,679

on and his recent rogan appearance which

3283

02:14:22,550 --> 02:14:19,599

was cringe-worthy

3284

02:14:25,109 --> 02:14:22,560

uh and the amount of bull that flew you

3285

02:14:26,790 --> 02:14:25,119

you needed waiters to get through it

3286

02:14:29,270 --> 02:14:26,800

uh we will be

3287

02:14:30,790 --> 02:14:29,280

delving deeper into that

3288

02:14:32,390 --> 02:14:30,800

this monday

3289

02:14:34,470 --> 02:14:32,400

uh

3290

02:14:36,229 --> 02:14:34,480

tomorrow i'll be doing some work at the

3291

02:14:37,669 --> 02:14:36,239

cabin and i doubt there will be a show

3292

02:14:38,790 --> 02:14:37,679

tomorrow night but definitely will be

3293

02:14:41,109 --> 02:14:38,800

monday

3294

02:14:44,310 --> 02:14:41,119

and uh i apologize for not getting that

3295

02:14:46,390 --> 02:14:44,320

out yet but we wanted to grab the clips

3296

02:14:49,510 --> 02:14:46,400

of him saying the most ridiculous stuff

3297

02:14:51,830 --> 02:14:49,520

and be well prepared also next week we

3298

02:14:53,589 --> 02:14:51,840
