

CONCLUSIVE PROOF OF ALIEN TECHNOLOGY?

ROSS COULTHART'S

HUGE BLUFF

Truth Seekers

1
00:02:51,360 --> 00:00:56,190
[Music]

2
00:02:51,370 --> 00:02:55,630
[Applause]

3
00:04:51,510 --> 00:03:45,240
[Music]

4
00:04:54,310 --> 00:04:53,270
and can i just say

5
00:04:56,230 --> 00:04:54,320
you know

6
00:04:57,430 --> 00:04:56,240
even though i'm not entirely comfortable

7
00:04:59,510 --> 00:04:57,440
at times with the way they

8
00:05:01,350 --> 00:04:59,520
sensationalize in their promos because i

9
00:05:03,909 --> 00:05:01,360
thought the promos for our story were a

10
00:05:05,270 --> 00:05:03,919
tad over the top at times what you're

11
00:05:07,749 --> 00:05:05,280
seeing here

12
00:05:10,469 --> 00:05:07,759
is momentous you think that's alien

13
00:05:12,230 --> 00:05:10,479

technology yes i thought the promos for

14

00:05:14,950 --> 00:05:12,240

our story were a tad

15

00:05:17,909 --> 00:05:14,960

over the top we have new conclusive

16

00:05:19,990 --> 00:05:17,919

proof testable evidence of alien

17

00:05:23,270 --> 00:05:20,000

technology and

18

00:05:25,590 --> 00:05:23,280

over the top at times

19

00:05:27,909 --> 00:05:25,600

is it possible to exceed the speed of

20

00:05:31,029 --> 00:05:27,919

light the answer is yes the biggest

21

00:05:33,670 --> 00:05:31,039

discovery in human history promos for

22

00:05:36,310 --> 00:05:33,680

our story were a tad

23

00:05:39,510 --> 00:05:36,320

over the top new evidence that has to be

24

00:05:42,710 --> 00:05:39,520

seen to be believed seven new spotlight

25

00:05:46,150 --> 00:05:42,720

sunday on seven and seven plus i'm

26

00:05:49,189 --> 00:05:46,160

not entirely comfortable at times with

27

00:05:52,150 --> 00:05:49,199

the way they sensationalize

28

00:05:56,390 --> 00:05:52,160

in their promos because i thought the

29

00:06:10,629 --> 00:05:56,400

promos for our story were a tad

30

00:06:17,110 --> 00:06:14,150

i got scrapings off jim's balls i got

31

00:06:31,670 --> 00:06:17,120

scrapings off jim's balls i got

32

00:06:31,680 --> 00:06:40,150

i got scrapings off jim's forest

33

00:06:43,270 --> 00:06:40,580

um

34

00:06:46,870 --> 00:06:43,280

[Music]

35

00:06:51,990 --> 00:06:46,880

i i probably would

36

00:06:55,189 --> 00:06:52,000

be more cautious about in terms of

37

00:06:57,350 --> 00:06:55,199

how we present it

38

00:06:59,350 --> 00:06:57,360

is the sphere

39

00:07:02,950 --> 00:06:59,360

story

40

00:07:06,710 --> 00:07:02,960

for the simple fact that we just don't

41

00:07:08,469 --> 00:07:06,720

know yet whether it is or it isn't

42

00:07:10,070 --> 00:07:08,479

non-human

43

00:07:13,189 --> 00:07:10,080

technology

44

00:07:17,830 --> 00:07:13,199

we have new conclusive proof testable

45

00:07:21,029 --> 00:07:17,840

evidence of alien technology frankly

46

00:07:24,870 --> 00:07:21,039

whilst a lot of people want us to say

47

00:07:25,990 --> 00:07:24,880

yeah it's alien technology

48

00:07:29,510 --> 00:07:26,000

we're not

49

00:07:32,550 --> 00:07:29,520

going to say that we have new conclusive

50

00:07:35,110 --> 00:07:32,560

proof testable evidence of alien

51
00:07:38,150 --> 00:07:35,120
technology this renowned scientist

52
00:07:41,589 --> 00:07:38,160
confirms it all whilst a lot of people

53
00:07:43,510 --> 00:07:41,599
want us to say yeah it's alien

54
00:07:44,550 --> 00:07:43,520
technology

55
00:07:47,830 --> 00:07:44,560
we're not

56
00:07:50,790 --> 00:07:47,840
going to say that because

57
00:07:53,990 --> 00:07:50,800
that's terrible danger

58
00:07:56,790 --> 00:07:54,000
we have new conclusive proof testable

59
00:08:01,029 --> 00:07:56,800
evidence of alien technology a lot of

60
00:08:02,950 --> 00:08:01,039
people want us to say yeah it's alien

61
00:08:03,990 --> 00:08:02,960
technology

62
00:08:07,510 --> 00:08:04,000
we're not

63
00:08:10,469 --> 00:08:07,520

going to say that alien technology this

64

00:08:11,510 --> 00:08:10,479

renowned scientist confirms it all

65

00:08:15,029 --> 00:08:11,520

we're not

66

00:08:18,309 --> 00:08:15,039

going to say that new conclusive proof

67

00:08:21,589 --> 00:08:18,319

testable evidence of alien technology

68

00:08:22,629 --> 00:08:21,599

this renowned scientist confirms it all

69

00:08:24,710 --> 00:08:22,639

we're not

70

00:08:27,110 --> 00:08:24,720

going to say that

71

00:08:30,629 --> 00:08:27,120

the simple fact that

72

00:08:31,909 --> 00:08:30,639

we just don't know yet whether it is or

73

00:08:33,670 --> 00:08:31,919

it isn't

74

00:08:40,070 --> 00:08:33,680

non-human

75

00:08:59,430 --> 00:08:54,020

[Laughter]

76
00:09:05,269 --> 00:09:02,710
greetings and salutations friends and uh

77
00:09:07,670 --> 00:09:05,279
welcome back to truth seekers so

78
00:09:09,590 --> 00:09:07,680
things have gotten ridiculous out there

79
00:09:12,630 --> 00:09:09,600
in ufo land not that they weren't

80
00:09:14,710 --> 00:09:12,640
ridiculous before but this circus has

81
00:09:16,470 --> 00:09:14,720
become an even bigger circus lately

82
00:09:17,990 --> 00:09:16,480
because now

83
00:09:20,630 --> 00:09:18,000
trained

84
00:09:22,389 --> 00:09:20,640
journalists

85
00:09:24,870 --> 00:09:22,399
he's a journalist

86
00:09:26,150 --> 00:09:24,880
uh people who

87
00:09:27,430 --> 00:09:26,160
are were

88
00:09:32,470 --> 00:09:27,440

educated

89

00:09:35,269 --> 00:09:32,480

in the uh art of journalism people who

90

00:09:36,870 --> 00:09:35,279

are professional journalists

91

00:09:38,070 --> 00:09:36,880

are now able

92

00:09:47,990 --> 00:09:38,080

to

93

00:09:50,150 --> 00:09:48,000

uh you know i wish that i had a more

94

00:09:52,150 --> 00:09:50,160

eloquent or diplomatic way to say this

95

00:09:55,430 --> 00:09:52,160

but i don't so here goes

96

00:09:56,710 --> 00:09:55,440

ross colthardt is full of it there i

97

00:09:59,829 --> 00:09:56,720

said it

98

00:10:02,150 --> 00:09:59,839

now many of you are aware of my theories

99

00:10:04,550 --> 00:10:02,160

of what you have to do if you're

100

00:10:07,829 --> 00:10:04,560

perpetrating a cosmic con

101
00:10:10,949 --> 00:10:07,839
and many of these ufo grifters and ufo

102
00:10:14,150 --> 00:10:10,959
profiteers all go by the same rules and

103
00:10:17,350 --> 00:10:14,160
one of the rules of the cosmic con

104
00:10:20,230 --> 00:10:17,360
is you have to over promise and under

105
00:10:23,030 --> 00:10:20,240
deliver after all available real

106
00:10:25,110 --> 00:10:23,040
evidence is so scant so tiny so

107
00:10:27,590 --> 00:10:25,120
minuscule that you can't

108
00:10:29,670 --> 00:10:27,600
hype that up it's not enough

109
00:10:32,470 --> 00:10:29,680
you gotta over promise

110
00:10:33,829 --> 00:10:32,480
over promise what you're bringing people

111
00:10:37,350 --> 00:10:33,839
and then

112
00:10:39,509 --> 00:10:37,360
you will inevitably and they all do this

113
00:10:42,470 --> 00:10:39,519

once they over promise they all

114

00:10:45,030 --> 00:10:42,480

inevitably under deliver now unlike a

115

00:10:48,069 --> 00:10:45,040

lot of rambling ufo show hosts and by

116

00:10:48,949 --> 00:10:48,079

the way i'm very uh pissed off right now

117

00:10:52,470 --> 00:10:48,959

because

118

00:10:54,310 --> 00:10:52,480

i watch this ross colthert go on two

119

00:10:58,150 --> 00:10:54,320

separate podcasts

120

00:10:59,670 --> 00:10:58,160

post this ridiculous nonsense

121

00:11:05,590 --> 00:10:59,680

deceptive

122

00:11:08,310 --> 00:11:05,600

false promise piece of nothing burger he

123

00:11:10,550 --> 00:11:08,320

goes on two separate podcasts and both

124

00:11:13,430 --> 00:11:10,560

of the clowns there was

125

00:11:15,430 --> 00:11:13,440

a host on one of them

126
00:11:18,470 --> 00:11:15,440
and on the other one there was a panel

127
00:11:21,750 --> 00:11:18,480
of three people interviewing him

128
00:11:24,949 --> 00:11:21,760
and that means we have four people

129
00:11:27,030 --> 00:11:24,959
four people that just sat there

130
00:11:30,230 --> 00:11:27,040
and didn't say anything

131
00:11:31,829 --> 00:11:30,240
when his promo ross culheart's promo

132
00:11:36,069 --> 00:11:31,839
for this piece

133
00:11:39,030 --> 00:11:36,079
says quote we have new conclusive proof

134
00:11:42,550 --> 00:11:39,040
testable evidence of alien technology

135
00:11:44,630 --> 00:11:42,560
and this scientist confirms it all cut

136
00:11:45,509 --> 00:11:44,640
to michio kaku

137
00:11:46,790 --> 00:11:45,519
which

138
00:11:50,550 --> 00:11:46,800

you know

139

00:11:53,350 --> 00:11:50,560

this is the level of garbage that people

140

00:11:54,870 --> 00:11:53,360

think is just acceptable to put out this

141

00:11:57,430 --> 00:11:54,880

level of garbage and there's a reason

142

00:11:59,430 --> 00:11:57,440

that people do it because when you over

143

00:12:02,230 --> 00:11:59,440

promise like this

144

00:12:04,710 --> 00:12:02,240

i mean talk about over promising ross

145

00:12:07,910 --> 00:12:04,720

coulthard in his promo is promising

146

00:12:10,470 --> 00:12:07,920

everyone quote conclusive proof

147

00:12:13,430 --> 00:12:10,480

testable evidence of alien technology

148

00:12:14,470 --> 00:12:13,440

and this scientist confirms it all and

149

00:12:17,350 --> 00:12:14,480

then we see

150

00:12:18,790 --> 00:12:17,360

a cut to michio kaku but there's a huge

151
00:12:20,310 --> 00:12:18,800
problem with this

152
00:12:22,550 --> 00:12:20,320
michio kako

153
00:12:25,590 --> 00:12:22,560
kaku didn't say any of that he didn't

154
00:12:28,790 --> 00:12:25,600
confirm anything there's no confirmation

155
00:12:31,350 --> 00:12:28,800
of any alien technology and as we have

156
00:12:35,030 --> 00:12:31,360
seen from him trying to walk it back as

157
00:12:37,269 --> 00:12:35,040
early as today the piece airs yesterday

158
00:12:39,269 --> 00:12:37,279
today he's already making the rounds

159
00:12:42,790 --> 00:12:39,279
trying to walk it all back

160
00:12:45,430 --> 00:12:42,800
and he's blaming news 7 for this promo

161
00:12:48,230 --> 00:12:45,440
did anybody notice who's narrating the

162
00:12:53,350 --> 00:12:49,750
i i don't know how it works when you

163
00:12:56,389 --> 00:12:53,360

have bosses to answer to but in my world

164

00:12:59,190 --> 00:12:56,399

if i narrate over a promo to something i

165

00:13:01,509 --> 00:12:59,200

am endorsing that narration i am

166

00:13:03,829 --> 00:13:01,519

endorsing that statement that i wrote

167

00:13:08,310 --> 00:13:03,839

and then record it and then placed over

168

00:13:11,470 --> 00:13:08,320

my video promo so for him to now blame

169

00:13:14,389 --> 00:13:11,480

new seven for this is just yeah they

170

00:13:16,870 --> 00:13:14,399

sensationalized it he admits himself

171

00:13:19,430 --> 00:13:16,880

sensational there's a difference this is

172

00:13:22,550 --> 00:13:19,440

not sensationalism this is pure

173

00:13:25,430 --> 00:13:22,560

deception this is purely lying to the

174

00:13:27,590 --> 00:13:25,440

audience to get them to click on

175

00:13:30,069 --> 00:13:27,600

the video and watch it

176
00:13:32,069 --> 00:13:30,079
and by the way this is against youtube's

177
00:13:34,150 --> 00:13:32,079
terms of service according to youtube's

178
00:13:36,069 --> 00:13:34,160
terms of service around deceptive

179
00:13:39,269 --> 00:13:36,079
practices you could lose your entire

180
00:13:42,470 --> 00:13:39,279
youtube channel for promoting

181
00:13:44,389 --> 00:13:42,480
something in this manner so deceptively

182
00:13:47,829 --> 00:13:44,399
it's not

183
00:13:51,590 --> 00:13:47,839
a mistake this is not we got it wrong

184
00:13:53,670 --> 00:13:51,600
this is not oh uh the editor didn't

185
00:13:57,030 --> 00:13:53,680
follow my instructions this is

186
00:14:00,069 --> 00:13:57,040
intentionally deceptively edited

187
00:14:01,189 --> 00:14:00,079
cut right to michio kaku right as this

188
00:14:02,550 --> 00:14:01,199

clown

189

00:14:04,230 --> 00:14:02,560

says

190

00:14:06,949 --> 00:14:04,240

we have

191

00:14:09,350 --> 00:14:06,959

a conclusive proof testable evidence of

192

00:14:12,790 --> 00:14:09,360

alien technology and this scientist

193

00:14:15,990 --> 00:14:12,800

confirms it all cut to michio kaku

194

00:14:17,110 --> 00:14:16,000

in the actual video michio kaku does his

195

00:14:19,670 --> 00:14:17,120

normal

196

00:14:21,430 --> 00:14:19,680

gig he

197

00:14:23,590 --> 00:14:21,440

what he does what does he normally do he

198

00:14:26,150 --> 00:14:23,600

speculates could we go faster than the

199

00:14:28,470 --> 00:14:26,160

speed of light yes i believe that some

200

00:14:30,949 --> 00:14:28,480

laws of physics and exotic physics may

201
00:14:34,150 --> 00:14:30,959
make that possible wormhole whole

202
00:14:37,269 --> 00:14:34,160
technology all these manner it's all

203
00:14:40,069 --> 00:14:37,279
theoretical that's not conclusive proof

204
00:14:45,350 --> 00:14:40,079
of or evidence of alien technology

205
00:14:48,069 --> 00:14:45,360
michiokaku does not confirm anything

206
00:14:50,470 --> 00:14:48,079
it's very deceptive the way that this

207
00:14:52,949 --> 00:14:50,480
was cut and by the way uh i always

208
00:14:56,069 --> 00:14:52,959
thought it was better to beg permission

209
00:14:58,069 --> 00:14:56,079
than ask or excuse me to beg forgiveness

210
00:15:00,870 --> 00:14:58,079
then ask permission sometimes and i was

211
00:15:05,189 --> 00:15:00,880
in a rush today so instead of using the

212
00:15:07,670 --> 00:15:05,199
normal promo i did i i i stole it i did

213
00:15:10,949 --> 00:15:07,680

uh stephen greenstreet did the edit of

214

00:15:13,910 --> 00:15:10,959

that promo adding gonzo which i think is

215

00:15:17,269 --> 00:15:13,920

very appropriate for this situation this

216

00:15:20,150 --> 00:15:17,279

is the goddamn muppets this is a circus

217

00:15:21,430 --> 00:15:20,160

the muppets belong in this circus of

218

00:15:25,269 --> 00:15:21,440

fakery

219

00:15:28,230 --> 00:15:27,350

i i don't even know what i'm supposed to

220

00:15:29,590 --> 00:15:28,240

say

221

00:15:31,430 --> 00:15:29,600

uh about

222

00:15:34,230 --> 00:15:31,440

the rest of this but

223

00:15:35,670 --> 00:15:34,240

unlike a lot of rambling show hosts who

224

00:15:37,829 --> 00:15:35,680

like to you know

225

00:15:40,310 --> 00:15:37,839

essentially see what i'm doing and do

226

00:15:42,790 --> 00:15:40,320

the same show

227

00:15:45,590 --> 00:15:42,800

without the evidence without the

228

00:15:48,310 --> 00:15:45,600

research without any you know

229

00:15:50,710 --> 00:15:48,320

actual work put into the show we've done

230

00:15:52,629 --> 00:15:50,720

a little bit of work today and i have i

231

00:15:55,670 --> 00:15:52,639

have some things to show you because

232

00:15:58,470 --> 00:15:55,680

there's another part of the cosmic con

233

00:16:00,870 --> 00:15:58,480

rule system all of them do this as well

234

00:16:03,670 --> 00:16:00,880

i mentioned all of them over promise and

235

00:16:05,749 --> 00:16:03,680

then under deliver there's another point

236

00:16:08,389 --> 00:16:05,759

to being a cosmic con that i have

237

00:16:12,629 --> 00:16:08,399

noticed a thread in common with all of

238

00:16:14,150 --> 00:16:12,639

these ufo hucksters profiteers liars and

239

00:16:15,590 --> 00:16:14,160

fraudsters

240

00:16:16,470 --> 00:16:15,600

and that is

241

00:16:19,030 --> 00:16:16,480

that

242

00:16:22,230 --> 00:16:19,040

they all

243

00:16:26,629 --> 00:16:22,240

try their best to conflate multiple

244

00:16:28,629 --> 00:16:26,639

stories or ufo mythologies in order

245

00:16:31,670 --> 00:16:28,639

that their system works

246

00:16:33,990 --> 00:16:31,680

it's done purposefully and in this

247

00:16:36,790 --> 00:16:34,000

circumstance we do have the conflation

248

00:16:38,870 --> 00:16:36,800

of many stories we have

249

00:16:41,269 --> 00:16:38,880

this steel sphere

250

00:16:43,910 --> 00:16:41,279

by the way when speaking about research

251
00:16:47,030 --> 00:16:43,920
ross coulthard claimed this couldn't be

252
00:16:49,430 --> 00:16:47,040
like a ball bearing ross did you do even

253
00:16:51,430 --> 00:16:49,440
the least little bit of research into

254
00:16:53,509 --> 00:16:51,440
whether that could be a ball bearing

255
00:16:55,829 --> 00:16:53,519
because today i

256
00:16:57,910 --> 00:16:55,839
contacted one of the largest ball

257
00:16:59,509 --> 00:16:57,920
bearing manufacturers in the united

258
00:17:01,749 --> 00:16:59,519
states

259
00:17:03,269 --> 00:17:01,759
and they confirmed for me that they make

260
00:17:06,390 --> 00:17:03,279
a ball bearing

261
00:17:07,669 --> 00:17:06,400
about the same weight and size as this

262
00:17:12,390 --> 00:17:07,679
so-called

263
00:17:13,510 --> 00:17:12,400

maybe let's call it maybe alien sphere

264

00:17:17,270 --> 00:17:13,520

uh and

265

00:17:19,909 --> 00:17:17,280

besides that i once just this is totally

266

00:17:21,829 --> 00:17:19,919

strange but years ago i had a roommate

267

00:17:24,069 --> 00:17:21,839

before i was married and he worked at a

268

00:17:25,990 --> 00:17:24,079

place called messenger bearings you

269

00:17:28,390 --> 00:17:26,000

could look it up messenger bearings in

270

00:17:30,710 --> 00:17:28,400

philadelphia and they made

271

00:17:33,830 --> 00:17:30,720

huge ball bearings so for someone to

272

00:17:35,830 --> 00:17:33,840

suggest that this so-called alien sphere

273

00:17:37,350 --> 00:17:35,840

could not be a ball bearing they don't

274

00:17:38,870 --> 00:17:37,360

know anything about ball bearings they

275

00:17:40,549 --> 00:17:38,880

didn't do any research they didn't call

276

00:17:43,830 --> 00:17:40,559

anybody they didn't check

277

00:17:45,590 --> 00:17:43,840

it's just this lie by omission that we

278

00:17:47,909 --> 00:17:45,600

keep talking about it's a lie by

279

00:17:50,230 --> 00:17:47,919

omission let's just leave out the fact

280

00:17:52,390 --> 00:17:50,240

that we could have called a ball bearing

281

00:17:53,990 --> 00:17:52,400

manufacturer who would tell us yeah

282

00:17:57,669 --> 00:17:54,000

there's ball bearings that weight in

283

00:17:59,510 --> 00:17:57,679

size for large industrial uses in fact

284

00:18:02,549 --> 00:17:59,520

there are ball bearings the size of

285

00:18:06,070 --> 00:18:02,559

small houses

286

00:18:08,390 --> 00:18:06,080

but don't let facts or evidence get in

287

00:18:11,590 --> 00:18:08,400

the way of a good

288

00:18:13,669 --> 00:18:11,600

fake alien story that you can sell

289

00:18:15,350 --> 00:18:13,679

now back to the conflation of multiple

290

00:18:17,909 --> 00:18:15,360

stories

291

00:18:19,990 --> 00:18:17,919

so he brings in this so-called

292

00:18:22,549 --> 00:18:20,000

you know witness and this is a huge

293

00:18:24,150 --> 00:18:22,559

problem because that witness the guy

294

00:18:25,830 --> 00:18:24,160

with this with the

295

00:18:28,630 --> 00:18:25,840

alien ball

296

00:18:32,070 --> 00:18:28,640

it turns out that he is a victim

297

00:18:35,110 --> 00:18:32,080

apparently of alien abduction himself

298

00:18:37,190 --> 00:18:35,120

he's a huge believer in aliens so maybe

299

00:18:39,990 --> 00:18:37,200

just maybe that guy has some

300

00:18:42,630 --> 00:18:40,000

confirmation bias and this ball may be

301
00:18:44,630 --> 00:18:42,640
nothing but a guy who really believes in

302
00:18:46,310 --> 00:18:44,640
aliens and believes that he was abducted

303
00:18:49,669 --> 00:18:46,320
by aliens as well

304
00:18:50,470 --> 00:18:49,679
might say this is alien technology

305
00:18:52,070 --> 00:18:50,480
and

306
00:18:54,950 --> 00:18:52,080
we get another

307
00:18:56,789 --> 00:18:54,960
part of the deception in his recent

308
00:18:58,470 --> 00:18:56,799
podcast appearances

309
00:18:59,909 --> 00:18:58,480
this ross says

310
00:19:02,470 --> 00:18:59,919
yeah you know uh

311
00:19:05,830 --> 00:19:02,480
i i wouldn't have put those moving the

312
00:19:08,470 --> 00:19:05,840
ball moving the recreations in the in

313
00:19:09,270 --> 00:19:08,480

the trailer that was a little too much

314

00:19:11,190 --> 00:19:09,280

so

315

00:19:14,230 --> 00:19:11,200

even in the trailer they're showing you

316

00:19:15,270 --> 00:19:14,240

this ball move and ross himself in a

317

00:19:17,750 --> 00:19:15,280

separate

318

00:19:19,190 --> 00:19:17,760

media appearance is confirming that's a

319

00:19:21,029 --> 00:19:19,200

recreation

320

00:19:23,909 --> 00:19:21,039

they don't have footage of the ball

321

00:19:26,870 --> 00:19:23,919

moving then in another later podcast

322

00:19:30,310 --> 00:19:26,880

ross says we did get footage of the ball

323

00:19:31,909 --> 00:19:30,320

moving well where is it let's see it

324

00:19:33,830 --> 00:19:31,919

we want to see the footage of the ball

325

00:19:35,830 --> 00:19:33,840

really moving from this so-called guy

326

00:19:38,070 --> 00:19:35,840

that has the alien ball

327

00:19:40,390 --> 00:19:38,080

and back to the conflation of stories

328

00:19:44,230 --> 00:19:40,400

though there was a well-known story that

329

00:19:46,870 --> 00:19:44,240

bets sphere it has been largely

330

00:19:50,070 --> 00:19:46,880

completely debunked for many many years

331

00:19:52,310 --> 00:19:50,080

the story goes back to the 70s oh yeah

332

00:19:54,070 --> 00:19:52,320

we found this ball and it may be alien

333

00:19:55,830 --> 00:19:54,080

and it moves on its own turns out in

334

00:19:57,430 --> 00:19:55,840

that situation they had an old house

335

00:20:00,070 --> 00:19:57,440

with a stone floor that was completely

336

00:20:02,470 --> 00:20:00,080

uneven and it took very little force to

337

00:20:05,669 --> 00:20:02,480

get that ball to start moving around

338

00:20:09,909 --> 00:20:05,679

on an uneven floor was an alien was

339

00:20:11,110 --> 00:20:09,919

later analyzed normal earthly metals

340

00:20:20,310 --> 00:20:11,120

so

341

00:20:22,630 --> 00:20:20,320

purposeful it's to make it harder for

342

00:20:23,669 --> 00:20:22,640

people to look into this look a little

343

00:20:26,870 --> 00:20:23,679

deeper

344

00:20:28,789 --> 00:20:26,880

and see that that ross's entire story is

345

00:20:30,149 --> 00:20:28,799

likely [h__\h]

346

00:20:32,310 --> 00:20:30,159

so

347

00:20:34,390 --> 00:20:32,320

you know once you peel back these layers

348

00:20:36,630 --> 00:20:34,400

of deception you see that this whole

349

00:20:40,230 --> 00:20:36,640

thing has been a carefully constructed

350

00:20:42,390 --> 00:20:40,240

illusion deception designed to

351
00:20:45,110 --> 00:20:42,400
make stupid people believe that this is

352
00:20:46,310 --> 00:20:45,120
all true we've got alien technology the

353
00:20:53,430 --> 00:20:46,320
scientists

354
00:20:55,190 --> 00:20:53,440
seen him on tv he confirms it's all true

355
00:20:56,789 --> 00:20:55,200
he confirms it all no he doesn't he

356
00:20:59,350 --> 00:20:56,799
doesn't confirm anything but back to the

357
00:21:01,830 --> 00:20:59,360
conflation so we've got the bet sphere

358
00:21:04,710 --> 00:21:01,840
we've got multiple multiple stories of

359
00:21:07,430 --> 00:21:04,720
people with metal spheres around that

360
00:21:08,789 --> 00:21:07,440
same size that are supposed to be alien

361
00:21:11,750 --> 00:21:08,799
technology

362
00:21:14,789 --> 00:21:11,760
but it gets even better because there

363
00:21:17,669 --> 00:21:14,799

are some ridiculous easily provable fake

364

00:21:20,070 --> 00:21:17,679

stories about alien spheres

365

00:21:22,390 --> 00:21:20,080

that are also getting conflated and

366

00:21:24,950 --> 00:21:22,400

pushed into this story and to ross's

367

00:21:27,190 --> 00:21:24,960

release whether he's aware of it or not

368

00:21:28,830 --> 00:21:27,200

somebody started distributing

369

00:21:30,470 --> 00:21:28,840

a materials

370

00:21:33,110 --> 00:21:30,480

analysis

371

00:21:35,029 --> 00:21:33,120

and claiming that it was from ross

372

00:21:36,390 --> 00:21:35,039

confirming that this could not have been

373

00:21:38,390 --> 00:21:36,400

made on earth

374

00:21:40,390 --> 00:21:38,400

this is how disinformation and

375

00:21:43,110 --> 00:21:40,400

misinformation

376

00:21:45,510 --> 00:21:43,120

propagates because one person comes out

377

00:21:48,549 --> 00:21:45,520

with one bs story and another person

378

00:21:51,350 --> 00:21:48,559

with another bs story tries to glob on

379

00:21:54,630 --> 00:21:51,360

to the bigger fish that's exactly what

380

00:21:56,789 --> 00:21:54,640

happened here because we have uh let's

381

00:21:58,789 --> 00:21:56,799

just say less than credible paranormal

382

00:22:00,789 --> 00:21:58,799

researcher from england

383

00:22:03,110 --> 00:22:00,799

uh

384

00:22:06,230 --> 00:22:03,120

this guy is something else

385

00:22:07,510 --> 00:22:06,240

his name is patrick jackson and he has a

386

00:22:09,430 --> 00:22:07,520

book

387

00:22:11,430 --> 00:22:09,440

about

388

00:22:12,390 --> 00:22:11,440

quantum paranormal

389

00:22:14,070 --> 00:22:12,400

um

390

00:22:16,630 --> 00:22:14,080

yeah and

391

00:22:18,390 --> 00:22:16,640

i interacted with this person today and

392

00:22:21,190 --> 00:22:18,400

it's interesting because first this

393

00:22:24,390 --> 00:22:21,200

person so here's what happens this

394

00:22:26,070 --> 00:22:24,400

materials analysis gets out on twitter

395

00:22:28,950 --> 00:22:26,080

people start sharing it and saying this

396

00:22:31,190 --> 00:22:28,960

is gary nolan's analysis it's not we

397

00:22:33,270 --> 00:22:31,200

have confirmed that with gary nolan

398

00:22:35,830 --> 00:22:33,280

today this is not his analysis he knows

399

00:22:38,230 --> 00:22:35,840

nothing about this this turns out to be

400

00:22:41,590 --> 00:22:38,240

a completely and totally different story

401
00:22:45,110 --> 00:22:41,600
of a different so-called quote alien

402
00:22:46,950 --> 00:22:45,120
sphere unquote and in the conclusions to

403
00:22:49,270 --> 00:22:46,960
this materials analysis and we'll get

404
00:22:51,510 --> 00:22:49,280
into who made this and where this fake

405
00:22:53,830 --> 00:22:51,520
alien sphere came from it says the

406
00:22:56,149 --> 00:22:53,840
material of the sphere was made by an

407
00:22:58,390 --> 00:22:56,159
organization possessing a very high

408
00:22:59,390 --> 00:22:58,400
degree of technological sophistication

409
00:23:02,070 --> 00:22:59,400
especially in the field of

410
00:23:03,990 --> 00:23:02,080
nanotechnology and is probably beyond

411
00:23:05,990 --> 00:23:04,000
the manufacturing capabilities of

412
00:23:07,830 --> 00:23:06,000
earthly technology

413
00:23:10,950 --> 00:23:07,840

wow sounds impressive this couldn't have

414

00:23:14,070 --> 00:23:10,960

been made on earth right except

415

00:23:16,230 --> 00:23:14,080

yes it was even in this case

416

00:23:18,870 --> 00:23:16,240

because friends all you have to do is

417

00:23:20,390 --> 00:23:18,880

put a sample into a mass spectrometer

418

00:23:23,350 --> 00:23:20,400

and it will tell you

419

00:23:25,909 --> 00:23:23,360

a good mass spectrometer i'm told

420

00:23:27,909 --> 00:23:25,919

will tell you the

421

00:23:30,710 --> 00:23:27,919

makeup the elemental makeup of that

422

00:23:34,149 --> 00:23:30,720

material and a little further study the

423

00:23:35,750 --> 00:23:34,159

isotopic ratios of that material

424

00:23:37,909 --> 00:23:35,760

so

425

00:23:39,909 --> 00:23:37,919

that would be the first test you do and

426
00:23:43,190 --> 00:23:39,919
then you would say okay the isotopic

427
00:23:45,669 --> 00:23:43,200
ratios match earth metals not alien but

428
00:23:47,590 --> 00:23:45,679
that's not what these people did with

429
00:23:49,590 --> 00:23:47,600
this analysis no

430
00:23:51,430 --> 00:23:49,600
they go i'm talking about

431
00:23:53,510 --> 00:23:51,440
all kinds of things

432
00:23:55,510 --> 00:23:53,520
that i don't believe that you can

433
00:24:00,310 --> 00:23:55,520
find out from a simple metal

434
00:24:04,950 --> 00:24:02,230
all right so

435
00:24:06,789 --> 00:24:04,960
in this case

436
00:24:11,269 --> 00:24:06,799
it's this person

437
00:24:15,590 --> 00:24:13,430
who is

438
00:24:19,669 --> 00:24:15,600

trying real hard to sell his book right

439

00:24:22,390 --> 00:24:19,679

now you see how this works

440

00:24:25,590 --> 00:24:22,400

quantum paranormal a 21st analysis of

441

00:24:29,110 --> 00:24:25,600

the paranormal phenomenon

442

00:24:31,350 --> 00:24:29,120

and who did the actual bio or excuse me

443

00:24:33,909 --> 00:24:31,360

who did the actual analysis that people

444

00:24:36,470 --> 00:24:33,919

are passing around saying it was ross

445

00:24:38,710 --> 00:24:36,480

it was ross excuse me

446

00:24:40,710 --> 00:24:38,720

saying it was gary nolan's analysis well

447

00:24:43,909 --> 00:24:40,720

none other than stephen colburn who you

448

00:24:46,549 --> 00:24:43,919

might remember from the film patient 17.

449

00:24:49,029 --> 00:24:46,559

and way to hear where they got this

450

00:24:50,070 --> 00:24:49,039

alien sphere from

451
00:24:52,950 --> 00:24:50,080
as if

452
00:24:54,789 --> 00:24:52,960
stephen colbert being involved here and

453
00:24:56,950 --> 00:24:54,799
by the way in full disclosure i

454
00:24:58,390 --> 00:24:56,960
interviewed him a long time ago and at

455
00:25:00,789 --> 00:24:58,400
first thought he was credible i no

456
00:25:03,669 --> 00:25:00,799
longer believed that for a multitude of

457
00:25:05,590 --> 00:25:03,679
reasons that are beyond the scope

458
00:25:07,909 --> 00:25:05,600
of this tonight's broadcast it would

459
00:25:09,909 --> 00:25:07,919
take me an hour to explain why i don't

460
00:25:12,470 --> 00:25:09,919
believe steve colbert is credible when

461
00:25:15,190 --> 00:25:12,480
it comes to materials analysis

462
00:25:17,909 --> 00:25:15,200
the quick version is almost anything

463
00:25:19,510 --> 00:25:17,919

people give him he he finds something

464

00:25:21,430 --> 00:25:19,520

unusual about it

465

00:25:23,269 --> 00:25:21,440

and i kind of think that if you're

466

00:25:24,950 --> 00:25:23,279

really looking for something unusual the

467

00:25:27,190 --> 00:25:24,960

more you dig into a piece of material

468

00:25:29,430 --> 00:25:27,200

maybe you'll find something unusual but

469

00:25:31,669 --> 00:25:29,440

in all the samples that he's analyzed

470

00:25:33,830 --> 00:25:31,679

and remember him and roger lear are

471

00:25:35,269 --> 00:25:33,840

pulling implants out of people claiming

472

00:25:36,470 --> 00:25:35,279

their alien for

473

00:25:38,870 --> 00:25:36,480

a decade

474

00:25:40,630 --> 00:25:38,880

never proved it

475

00:25:42,470 --> 00:25:40,640

why why couldn't they prove it if it was

476
00:25:44,710 --> 00:25:42,480
really alien materials it's simple

477
00:25:47,430 --> 00:25:44,720
friends because the first test the mass

478
00:25:50,390 --> 00:25:47,440
spectrometer test with isotopic ratios

479
00:25:53,350 --> 00:25:50,400
will show you this is material it might

480
00:25:55,590 --> 00:25:53,360
be unusual material but it was from our

481
00:25:58,549 --> 00:25:55,600
solar system the isotopic ratios will

482
00:26:01,750 --> 00:25:58,559
show you that stephen colburn has never

483
00:26:04,470 --> 00:26:01,760
produced any piece of material

484
00:26:06,390 --> 00:26:04,480
that had isotopic ratios from outside of

485
00:26:08,830 --> 00:26:06,400
our solar system in other words

486
00:26:10,390 --> 00:26:08,840
everything he's ever analyzed earthly

487
00:26:11,190 --> 00:26:10,400
metals

488
00:26:16,390 --> 00:26:11,200

so

489

00:26:19,029 --> 00:26:16,400

that this

490

00:26:23,350 --> 00:26:19,039

alien sphere story that's getting lumped

491

00:26:25,430 --> 00:26:23,360

into the ross bs story is also bs

492

00:26:28,950 --> 00:26:25,440

and that's another rule of the cosmic

493

00:26:31,750 --> 00:26:28,960

con what you do is you build your bs

494

00:26:33,750 --> 00:26:31,760

story on top of an existing bs story

495

00:26:37,110 --> 00:26:33,760

that people may have heard about and

496

00:26:39,190 --> 00:26:37,120

again the conflation of multiple stories

497

00:26:40,950 --> 00:26:39,200

makes it more difficult for people to go

498

00:26:43,830 --> 00:26:40,960

through the story and figure out what

499

00:26:45,110 --> 00:26:43,840

the truth is and i don't believe that

500

00:26:47,190 --> 00:26:45,120

this

501
00:26:49,510 --> 00:26:47,200
materials analysis saying that it was

502
00:26:50,230 --> 00:26:49,520
out of this world material or uh you

503
00:26:51,750 --> 00:26:50,240
know

504
00:26:55,029 --> 00:26:51,760
uh let's see

505
00:26:56,070 --> 00:26:55,039
let me let me get it exactly right

506
00:26:58,630 --> 00:26:56,080
saying

507
00:27:00,789 --> 00:26:58,640
this material is probably beyond the

508
00:27:03,110 --> 00:27:00,799
manufacturing capabilities of earthly

509
00:27:05,269 --> 00:27:03,120
technology you know i don't think it's a

510
00:27:07,830 --> 00:27:05,279
coincidence that this got passed around

511
00:27:10,390 --> 00:27:07,840
and people are saying this is related to

512
00:27:12,470 --> 00:27:10,400
ross cultheart's story i think this is

513
00:27:15,590 --> 00:27:12,480

part of the junk

514

00:27:18,230 --> 00:27:15,600

holding up this conspiracy theory that

515

00:27:21,990 --> 00:27:18,240

ross is putting out here that he has

516

00:27:24,310 --> 00:27:22,000

conclusive proof of alien technology

517

00:27:27,590 --> 00:27:24,320

confirmed all confirmed by this

518

00:27:29,510 --> 00:27:27,600

scientist michio kaku no michio kaku

519

00:27:31,590 --> 00:27:29,520

doesn't know anything about this story

520

00:27:33,909 --> 00:27:31,600

or this materials analysis and by the

521

00:27:36,230 --> 00:27:33,919

way i reached out to gary nolan and he

522

00:27:37,190 --> 00:27:36,240

doesn't know anything about this

523

00:27:39,590 --> 00:27:37,200

further

524

00:27:41,269 --> 00:27:39,600

in interacting with gary nolan today on

525

00:27:43,990 --> 00:27:41,279

twitter by the way i want to thank him

526
00:27:46,549 --> 00:27:44,000
and i want to clear up a misconception

527
00:27:48,389 --> 00:27:46,559
here i'm not blaming gary nolan at all

528
00:27:50,950 --> 00:27:48,399
for the sensationalism and the false

529
00:27:53,590 --> 00:27:50,960
statements that ross made in his promos

530
00:27:54,789 --> 00:27:53,600
for this piece it's not his fault

531
00:27:57,269 --> 00:27:54,799
you know i'm going to give him the

532
00:27:59,190 --> 00:27:57,279
benefit of the doubt and i thank him for

533
00:28:00,789 --> 00:27:59,200
actually answering my questions today on

534
00:28:03,269 --> 00:28:00,799
twitter the first question i asked is

535
00:28:08,549 --> 00:28:03,279
this your

536
00:28:11,029 --> 00:28:08,559
not he replied back uh

537
00:28:12,310 --> 00:28:11,039
when will your materials analysis be

538
00:28:19,830 --> 00:28:12,320

done

539

00:28:22,470 --> 00:28:19,840

dr gary nolan uh told me on twitter and

540

00:28:24,950 --> 00:28:22,480

everyone else it's public on his twitter

541

00:28:28,470 --> 00:28:24,960

that he has not even begun the materials

542

00:28:29,430 --> 00:28:28,480

analysis on the ross colther

543

00:28:34,470 --> 00:28:29,440

quote

544

00:28:37,669 --> 00:28:34,480

where ross

545

00:28:40,070 --> 00:28:37,679

got some scrapings off the balls right

546

00:28:42,549 --> 00:28:40,080

he took some ball scrapings you gotta

547

00:28:45,190 --> 00:28:42,559

love a fake alien story that includes

548

00:28:47,750 --> 00:28:45,200

ball scrapings all right this is where

549

00:28:51,350 --> 00:28:47,760

we're at there's ball scrapings

550

00:28:53,909 --> 00:28:51,360

they're scraping balls in this story so

551
00:28:56,630 --> 00:28:53,919
we get back to however

552
00:28:59,029 --> 00:28:56,640
more conclusive overwhelming evidence

553
00:29:01,590 --> 00:28:59,039
that the other story that is being

554
00:29:03,110 --> 00:29:01,600
conflated with this one is completely

555
00:29:05,029 --> 00:29:03,120
and totally fake

556
00:29:06,789 --> 00:29:05,039
and i could say that with an incredible

557
00:29:09,830 --> 00:29:06,799
high degree of certainty and i'm going

558
00:29:13,029 --> 00:29:09,840
to show you why right now friends

559
00:29:15,110 --> 00:29:13,039
because of where that other alien ball

560
00:29:17,990 --> 00:29:15,120
and why do i have to talk about alien

561
00:29:20,710 --> 00:29:18,000
balls this is my job now i have to talk

562
00:29:23,830 --> 00:29:20,720
about alien balls on my show but here we

563
00:29:25,110 --> 00:29:23,840

are we're talking about alien balls

564

00:29:37,110 --> 00:29:25,120

all right

565

00:29:38,070 --> 00:29:37,120

materials analysis that stephen colburn

566

00:29:40,470 --> 00:29:38,080

did

567

00:29:42,549 --> 00:29:40,480

uh and by the way i'm gonna share it on

568

00:29:44,230 --> 00:29:42,559

our google drive for all of our audience

569

00:29:45,750 --> 00:29:44,240

and all of our listeners so anybody can

570

00:29:48,470 --> 00:29:45,760

go through it because somebody told me

571

00:29:51,110 --> 00:29:48,480

hey you're not a material scientist you

572

00:29:54,710 --> 00:29:51,120

shouldn't argue with the science okay

573

00:29:56,789 --> 00:29:54,720

uh we i've reached out to real material

574

00:29:58,950 --> 00:29:56,799

scientists and by that i mean people

575

00:30:01,669 --> 00:29:58,960

that are actually educated in material

576

00:30:03,669 --> 00:30:01,679

science and work in material science

577

00:30:05,750 --> 00:30:03,679

not stephen colbert that's all i'm going

578

00:30:07,750 --> 00:30:05,760

to say on that we've reached out to

579

00:30:10,789 --> 00:30:07,760

several and asked them to look at this

580

00:30:12,789 --> 00:30:10,799

analysis and offer their opinion so far

581

00:30:15,029 --> 00:30:12,799

we have not heard back

582

00:30:16,870 --> 00:30:15,039

uh so the important part is the

583

00:30:19,750 --> 00:30:16,880

background information where did this

584

00:30:22,070 --> 00:30:19,760

alien ball come from well this alien

585

00:30:24,549 --> 00:30:22,080

ball according to this analysis from

586

00:30:26,549 --> 00:30:24,559

stephen colburn and this patrick q

587

00:30:30,230 --> 00:30:26,559

jackson or whatever

588

00:30:32,630 --> 00:30:30,240

it says right here in 1994 a spherical

589

00:30:35,750 --> 00:30:32,640

ufo apparently of this type crashed in

590

00:30:37,350 --> 00:30:35,760

mexico and was captured nearly intact by

591

00:30:39,269 --> 00:30:37,360

jaime moussan

592

00:30:40,870 --> 00:30:39,279

witnesses stated the object produced an

593

00:30:42,630 --> 00:30:40,880

explosion on impact and was strong

594

00:30:44,230 --> 00:30:42,640

enough to kill a cow

595

00:30:46,070 --> 00:30:44,240

wow

596

00:30:47,669 --> 00:30:46,080

one section of the outer shell was

597

00:30:49,750 --> 00:30:47,679

missing it appeared to have been blown

598

00:30:51,350 --> 00:30:49,760

outward by the explosion the edges of

599

00:30:53,990 --> 00:30:51,360

the damaged area have been exposed to

600

00:30:57,750 --> 00:30:54,000

extreme heat and melted a small piece of

601
00:30:59,909 --> 00:30:57,760
the actual shell device was broken off

602
00:31:00,950 --> 00:30:59,919
yeah so

603
00:31:03,590 --> 00:31:00,960
they get

604
00:31:05,590 --> 00:31:03,600
stephen coburn gets a sample of this

605
00:31:09,909 --> 00:31:05,600
thing which by the way

606
00:31:13,909 --> 00:31:09,919
i believe that back in 1994 this was uh

607
00:31:16,310 --> 00:31:13,919
a proven hoax it was space debris

608
00:31:19,269 --> 00:31:16,320
coming down in through the atmosphere

609
00:31:22,710 --> 00:31:19,279
nothing extraordinary nothing alien

610
00:31:24,630 --> 00:31:22,720
nothing out of the ordinary space debris

611
00:31:26,870 --> 00:31:24,640
but that didn't stop stephen colbert

612
00:31:28,230 --> 00:31:26,880
from deciding that this was material not

613
00:31:30,630 --> 00:31:28,240

made on earth

614

00:31:32,630 --> 00:31:30,640

and that's where you gotta laugh because

615

00:31:35,669 --> 00:31:32,640

when when the truth comes out and it's

616

00:31:37,669 --> 00:31:35,679

space debris made by human hands how

617

00:31:40,870 --> 00:31:37,679

does uh a

618

00:31:42,950 --> 00:31:40,880

a man who's supposed to be a scientist

619

00:31:44,870 --> 00:31:42,960

determined that this is material that

620

00:31:47,430 --> 00:31:44,880

couldn't have been made on earth your

621

00:31:49,909 --> 00:31:47,440

guess is as good as mine but i think the

622

00:31:52,470 --> 00:31:49,919

most important part of this fake story

623

00:31:53,669 --> 00:31:52,480

getting globbed onto ross's ross's fake

624

00:31:55,190 --> 00:31:53,679

story

625

00:31:58,549 --> 00:31:55,200

is that

626

00:32:01,110 --> 00:31:58,559

this story came from mr jaime moussan

627

00:32:02,549 --> 00:32:01,120

who you may remember from such great ufo

628

00:32:05,350 --> 00:32:02,559

hoaxes as

629

00:32:07,190 --> 00:32:05,360

uh the fake alien that turned out to be

630

00:32:09,590 --> 00:32:07,200

a marmoset monkey

631

00:32:11,990 --> 00:32:09,600

mummified yeah that was jaime moussan

632

00:32:14,470 --> 00:32:12,000

who brought us that fake alien let's see

633

00:32:16,789 --> 00:32:14,480

the roswell slides you remember that

634

00:32:18,630 --> 00:32:16,799

hoax where jaime musan made hundreds of

635

00:32:21,029 --> 00:32:18,640

thousands of dollars with a pay-per-view

636

00:32:23,350 --> 00:32:21,039

event of pictures that were supposed to

637

00:32:25,269 --> 00:32:23,360

come from the roswell crash and it was

638

00:32:27,750 --> 00:32:25,279

an alien but it turned out to be a

639

00:32:30,870 --> 00:32:27,760

mummified skeleton of a child in a

640

00:32:33,430 --> 00:32:30,880

museum yeah that jaime moussan and let's

641

00:32:35,269 --> 00:32:33,440

see you remember the nazca mummies where

642

00:32:37,430 --> 00:32:35,279

they claim these are alien mummies and

643

00:32:38,789 --> 00:32:37,440

then it turned out that some slime ball

644

00:32:40,789 --> 00:32:38,799

scuzz ball

645

00:32:43,830 --> 00:32:40,799

connected to jaime moussan took a bunch

646

00:32:45,830 --> 00:32:43,840

of body parts human body parts mind you

647

00:32:48,149 --> 00:32:45,840

and animal body parts and glued them all

648

00:32:50,630 --> 00:32:48,159

together cut fingers off and all kinds

649

00:32:53,830 --> 00:32:50,640

of [h__\h] to create the illusion of an

650

00:32:56,310 --> 00:32:53,840

alien skeleton yeah that jaime moussan

651
00:32:58,070 --> 00:32:56,320
that's the person who is bringing us

652
00:32:59,830 --> 00:32:58,080
this story

653
00:33:02,389 --> 00:32:59,840
that i believe to the best of my

654
00:33:04,230 --> 00:33:02,399
knowledge was debunked as just space

655
00:33:06,950 --> 00:33:04,240
debris coming down

656
00:33:08,549 --> 00:33:06,960
this story is complete and total garbage

657
00:33:11,190 --> 00:33:08,559
but like i said

658
00:33:12,710 --> 00:33:11,200
this is what you got to do in order to

659
00:33:14,789 --> 00:33:12,720
make it more difficult for people to

660
00:33:17,190 --> 00:33:14,799
find the truth make sure you conflate

661
00:33:19,430 --> 00:33:17,200
your story with other known

662
00:33:21,269 --> 00:33:19,440
stories of a similar nature makes it

663
00:33:24,870 --> 00:33:21,279

much harder for people to go through all

664

00:33:27,590 --> 00:33:24,880

this and get to the actual truth here

665

00:33:30,630 --> 00:33:29,350

what else am i supposed to say here

666

00:33:32,389 --> 00:33:30,640

except

667

00:33:35,669 --> 00:33:32,399

this is what we have we have a

668

00:33:37,830 --> 00:33:35,679

conflation of multiple stories and let's

669

00:33:40,710 --> 00:33:37,840

be very very clear here

670

00:33:42,630 --> 00:33:40,720

also i reached out to michio kaku for

671

00:33:45,269 --> 00:33:42,640

comment i want to know

672

00:33:48,230 --> 00:33:45,279

how does he feel

673

00:33:50,470 --> 00:33:48,240

having taken part in this project

674

00:33:52,549 --> 00:33:50,480

to see how deceptively

675

00:33:54,630 --> 00:33:52,559

they edited the promo

676

00:33:57,029 --> 00:33:54,640

as click bait to get people to click on

677

00:34:00,710 --> 00:33:57,039

it how does michio kaku feel

678

00:34:02,789 --> 00:34:00,720

about news 7 and ross coltheart saying

679

00:34:04,789 --> 00:34:02,799

quote we have new conclusive proof

680

00:34:07,269 --> 00:34:04,799

testable evidence of alien technology

681

00:34:09,589 --> 00:34:07,279

and this scientist confirms it all cut

682

00:34:11,829 --> 00:34:09,599

to michio kaku

683

00:34:14,550 --> 00:34:11,839

it's very clear that they're trying to

684

00:34:16,869 --> 00:34:14,560

say they have proof of alien technology

685

00:34:19,589 --> 00:34:16,879

and this famous american scientist

686

00:34:21,349 --> 00:34:19,599

michio kaku is going to confirm it all

687

00:34:24,149 --> 00:34:21,359

but that's not what we get when you

688

00:34:27,510 --> 00:34:24,159

actually listen to this it is a garbage

689

00:34:29,349 --> 00:34:27,520

pile of retold old stories oh and here's

690

00:34:32,069 --> 00:34:29,359

another great we're going to get into

691

00:34:34,790 --> 00:34:32,079

some of the garbage that is in this

692

00:34:36,710 --> 00:34:34,800

so-called work of ross's you know this

693

00:34:38,950 --> 00:34:36,720

is absolutely ridiculous that this is

694

00:34:41,669 --> 00:34:38,960

allowed to happen this is clearly

695

00:34:44,950 --> 00:34:41,679

deceptive marketing

696

00:34:46,550 --> 00:34:44,960

lying to audience members potential

697

00:34:48,869 --> 00:34:46,560

audience members to get them to click on

698

00:34:52,389 --> 00:34:48,879

the video and then you find out that

699

00:34:53,909 --> 00:34:52,399

nothing promised in the actual trailer

700

00:34:57,349 --> 00:34:53,919

or promo

701
00:35:00,950 --> 00:34:57,359
for the piece is actually in it

702
00:35:02,950 --> 00:35:00,960
you get mostly a bunch of garbage

703
00:35:05,430 --> 00:35:02,960
so um

704
00:35:07,990 --> 00:35:05,440
and we have seen this ross coulthard you

705
00:35:10,150 --> 00:35:08,000
know essentially admit

706
00:35:12,790 --> 00:35:10,160
yeah they really sensationalize this

707
00:35:15,270 --> 00:35:12,800
he's laughing about it on one podcast

708
00:35:17,990 --> 00:35:15,280
about how terribly they sensationalized

709
00:35:21,030 --> 00:35:18,000
it and again that's his face that's his

710
00:35:22,950 --> 00:35:21,040
voice that's his name he's a man he's

711
00:35:24,870 --> 00:35:22,960
got a set of his own balls he doesn't

712
00:35:27,430 --> 00:35:24,880
need an alien ball to stand up to his

713
00:35:29,349 --> 00:35:27,440

boss and say i'm not putting my name on

714

00:35:30,390 --> 00:35:29,359

this because this is

715

00:35:32,870 --> 00:35:30,400

clearly

716

00:35:35,270 --> 00:35:32,880

lying to the audience i'm not putting my

717

00:35:37,990 --> 00:35:35,280

voice to this because this is clearly

718

00:35:40,069 --> 00:35:38,000

deceptive and we're over promising

719

00:35:43,190 --> 00:35:40,079

things that we're not delivering in this

720

00:35:45,349 --> 00:35:43,200

so-called news piece this is news by the

721

00:35:47,270 --> 00:35:45,359

way friends this is news this is what

722

00:35:51,109 --> 00:35:47,280

counts as news

723

00:35:53,750 --> 00:35:51,119

fake news but this is news apparently

724

00:35:57,030 --> 00:35:53,760

so um

725

00:35:59,589 --> 00:35:57,040

i i have uh some additional pieces that

726

00:36:01,430 --> 00:35:59,599

i wanted to share with you and and this

727

00:36:03,510 --> 00:36:01,440

is where we get into

728

00:36:05,589 --> 00:36:03,520

the over promising and the under

729

00:36:08,710 --> 00:36:05,599

delivering here's mick west chiming in

730

00:36:11,510 --> 00:36:08,720

on this controversy he says

731

00:36:13,990 --> 00:36:11,520

isn't and i on path official

732

00:36:15,829 --> 00:36:14,000

me bee scope an appropriate tool for

733

00:36:17,990 --> 00:36:15,839

examining the elemental composition of

734

00:36:20,230 --> 00:36:18,000

surface shavings from a metal sphere it

735

00:36:22,310 --> 00:36:20,240

seems like it's designed for visualizing

736

00:36:24,870 --> 00:36:22,320

biomarkers and tissue

737

00:36:29,589 --> 00:36:24,880

why not stanford's nanosense so

738

00:36:32,950 --> 00:36:31,030

they're not even using the correct

739

00:36:36,310 --> 00:36:32,960

scientific tool to try to determine if

740

00:36:39,510 --> 00:36:36,320

this thing is of scientific origin

741

00:36:42,950 --> 00:36:39,520

uh yeah and uh here's another point that

742

00:36:45,430 --> 00:36:42,960

mick made that i i agree with 100

743

00:36:47,750 --> 00:36:45,440

the sample collection technique also

744

00:36:50,710 --> 00:36:47,760

seems a little sketchy jabbing it with a

745

00:36:52,710 --> 00:36:50,720

screwdriver is going to add particles

746

00:36:55,109 --> 00:36:52,720

from the screwdriver and whatever else

747

00:36:57,349 --> 00:36:55,119

the screwdriver has been in contact with

748

00:36:58,870 --> 00:36:57,359

that's totally a contaminant

749

00:37:01,109 --> 00:36:58,880

this this is

750

00:37:03,750 --> 00:37:01,119

totally contaminating whatever sample

751
00:37:06,870 --> 00:37:03,760
you're sending to dr gary nolan

752
00:37:08,790 --> 00:37:06,880
and uh gary nolan

753
00:37:10,069 --> 00:37:08,800
chiming in here saying well i appreciate

754
00:37:12,150 --> 00:37:10,079
the question

755
00:37:13,910 --> 00:37:12,160
the reason why jackson says cases be

756
00:37:15,750 --> 00:37:13,920
studied in private i am not going to do

757
00:37:18,950 --> 00:37:15,760
science by tweet last tweet on the

758
00:37:21,589 --> 00:37:18,960
matter for a long time no disrespect

759
00:37:27,030 --> 00:37:24,230
yeah and uh of course gary nolan is

760
00:37:29,510 --> 00:37:27,040
aware of this patrick jackson and his

761
00:37:30,710 --> 00:37:29,520
metal spear

762
00:37:33,030 --> 00:37:30,720
so

763
00:37:35,829 --> 00:37:33,040

you know what is the deal here and i've

764

00:37:39,589 --> 00:37:35,839

got more to share with you about this

765

00:37:42,069 --> 00:37:39,599

controversial uh decision of ross's to

766

00:37:44,230 --> 00:37:42,079

completely lie to audience members

767

00:37:46,710 --> 00:37:44,240

telling them that they have conclusive

768

00:37:49,910 --> 00:37:46,720

proof of alien technology

769

00:37:50,790 --> 00:37:49,920

and that uh this scientist confirms all

770

00:37:54,230 --> 00:37:50,800

of it

771

00:37:56,950 --> 00:37:54,240

cut to michio kaku i love that

772

00:37:58,550 --> 00:37:56,960

it's not exactly subtly deceptive when

773

00:38:00,470 --> 00:37:58,560

you say

774

00:38:01,829 --> 00:38:00,480

we have conclusive proof of alien

775

00:38:03,829 --> 00:38:01,839

technology

776

00:38:06,390 --> 00:38:03,839

this scientist confirms it all and then

777

00:38:09,430 --> 00:38:06,400

we see the cut right to michio kaku

778

00:38:11,750 --> 00:38:09,440

super famous scientist man this is a

779

00:38:15,750 --> 00:38:11,760

masterful work of click baiting of

780

00:38:18,069 --> 00:38:15,760

deceptive editing of absolute

781

00:38:20,550 --> 00:38:18,079

do whatever you got to do to get stupid

782

00:38:22,390 --> 00:38:20,560

people to click on this story so that we

783

00:38:25,750 --> 00:38:22,400

can all make more money

784

00:38:28,150 --> 00:38:25,760

it's clearly deceptive what they did

785

00:38:30,310 --> 00:38:28,160

all right and uh

786

00:38:32,470 --> 00:38:30,320

i want to thank simon fly as well for

787

00:38:34,550 --> 00:38:32,480

his uh

788

00:38:37,190 --> 00:38:34,560

ball shavings video i stole that from

789

00:38:39,030 --> 00:38:37,200

twitter as well earlier today

790

00:38:40,630 --> 00:38:39,040

and we want to thank spooky who did an

791

00:38:42,710 --> 00:38:40,640

excellent funny edit

792

00:38:45,349 --> 00:38:42,720

of a

793

00:38:49,750 --> 00:38:45,359

piece from the big lebowski

794

00:38:53,510 --> 00:38:51,750

who benefits from the lies

795

00:38:56,390 --> 00:38:53,520

right but hey

796

00:38:58,390 --> 00:38:56,400

uh ross is going to

797

00:39:00,550 --> 00:38:58,400

simply

798

00:39:02,550 --> 00:39:00,560

tell you that it's it's new seven's

799

00:39:07,030 --> 00:39:02,560

fault they sensationalize this thing

800

00:39:11,510 --> 00:39:09,270

and uh you know i'm gonna

801

00:39:13,109 --> 00:39:11,520

one thing i will say about dr nolan is

802

00:39:14,390 --> 00:39:13,119

that he did answer me on twitter and

803

00:39:15,990 --> 00:39:14,400

thank him for that but there's a

804

00:39:17,829 --> 00:39:16,000

question that he didn't answer that i

805

00:39:19,829 --> 00:39:17,839

really wish that he would have because

806

00:39:22,630 --> 00:39:19,839

this is an important question

807

00:39:24,470 --> 00:39:22,640

gary nolan says i don't i ask him how

808

00:39:26,550 --> 00:39:24,480

long is it going to take

809

00:39:28,390 --> 00:39:26,560

to finish your analysis because remember

810

00:39:30,150 --> 00:39:28,400

in peace we

811

00:39:32,310 --> 00:39:30,160

we were told a month

812

00:39:35,190 --> 00:39:32,320

that's another part of the cosmic con

813

00:39:36,710 --> 00:39:35,200

you got to kick the can down the road

814

00:39:38,950 --> 00:39:36,720

i don't know if any of you remember but

815

00:39:41,430 --> 00:39:38,960

according to david wilcock right about

816

00:39:44,310 --> 00:39:41,440

now david wilcox supposed to be showing

817

00:39:46,790 --> 00:39:44,320

everybody his hover car prototype that

818

00:39:48,390 --> 00:39:46,800

he created with any gravity technology

819

00:39:52,390 --> 00:39:48,400

that he stole from

820

00:39:53,670 --> 00:39:52,400

sam that those navy patents right oh we

821

00:39:55,910 --> 00:39:53,680

don't have the pat we don't have the

822

00:39:58,310 --> 00:39:55,920

prototype done yet kick the can you got

823

00:40:00,390 --> 00:39:58,320

to kick the can down the road when you

824

00:40:02,630 --> 00:40:00,400

over promise and under deliver you have

825

00:40:04,390 --> 00:40:02,640

to kick the can down the road so ross

826

00:40:06,710 --> 00:40:04,400

coulthard over promised and under

827

00:40:08,710 --> 00:40:06,720

delivered stating they have conclusive

828

00:40:10,870 --> 00:40:08,720

proof of alien technology and this

829

00:40:13,270 --> 00:40:10,880

scientist confirms it all and then

830

00:40:16,230 --> 00:40:13,280

actually he shows michio kaku right at

831

00:40:18,710 --> 00:40:16,240

that cut but he also shows gary nolan

832

00:40:21,430 --> 00:40:18,720

in in the in the promo

833

00:40:23,190 --> 00:40:21,440

so is he saying both scientists confirm

834

00:40:25,829 --> 00:40:23,200

that we have alien technology because

835

00:40:27,750 --> 00:40:25,839

neither of those things is true

836

00:40:29,910 --> 00:40:27,760

but gary p nolan says i don't want to

837

00:40:31,670 --> 00:40:29,920

promise and he's talking about i asked

838

00:40:33,670 --> 00:40:31,680

how long is it going to take before you

839

00:40:35,589 --> 00:40:33,680

finish your analysis he says i don't

840

00:40:37,750 --> 00:40:35,599

want to promise as i have a day job and

841

00:40:41,670 --> 00:40:37,760

that's understandable he says but less

842

00:40:43,670 --> 00:40:41,680

than three months it month months ish

843

00:40:45,910 --> 00:40:43,680

but think it through it's basically

844

00:40:48,550 --> 00:40:45,920

going to be isotope elemental ratios

845

00:40:51,910 --> 00:40:48,560

unlikely to be any kind of gotcha moment

846

00:40:54,230 --> 00:40:51,920

even gary dr nolan here is admitting

847

00:40:55,270 --> 00:40:54,240

that this is likely nothing

848

00:40:58,230 --> 00:40:55,280

special

849

00:41:01,270 --> 00:40:58,240

but yet in the promo we hear

850

00:41:03,109 --> 00:41:01,280

conclusive proof of alien technology and

851
00:41:05,750 --> 00:41:03,119
you see that's another part of the

852
00:41:08,550 --> 00:41:05,760
cosmic con and how this works after you

853
00:41:10,550 --> 00:41:08,560
over promise and under deliver or you're

854
00:41:12,790 --> 00:41:10,560
part of a project that really over

855
00:41:15,349 --> 00:41:12,800
promised and really under delivered you

856
00:41:17,190 --> 00:41:15,359
got to kick the can that's part one kick

857
00:41:18,950 --> 00:41:17,200
the can down the road we know we said

858
00:41:21,270 --> 00:41:18,960
we'd have that conclusive proof of that

859
00:41:23,510 --> 00:41:21,280
alien technology within a month

860
00:41:25,430 --> 00:41:23,520
actually we should have had it in the in

861
00:41:27,750 --> 00:41:25,440
the news piece not make people wait a

862
00:41:29,349 --> 00:41:27,760
month because we said we already had it

863
00:41:32,710 --> 00:41:29,359

but then we say it's going to be a month

864

00:41:34,950 --> 00:41:32,720

and then we'll have it basically oh

865

00:41:37,109 --> 00:41:34,960

but then we get to gary nolan and he's

866

00:41:39,589 --> 00:41:37,119

already walking things back and

867

00:41:40,950 --> 00:41:39,599

tempering expectations like you know i

868

00:41:42,390 --> 00:41:40,960

give him credit for that that's what a

869

00:41:43,190 --> 00:41:42,400

real scientist

870

00:41:45,750 --> 00:41:43,200

does

871

00:41:47,990 --> 00:41:45,760

you can't sensationalize this stuff

872

00:41:49,990 --> 00:41:48,000

if that's really alien technology that

873

00:41:52,630 --> 00:41:50,000

would be the biggest story

874

00:41:53,430 --> 00:41:52,640

in human history

875

00:41:54,630 --> 00:41:53,440

right

876

00:41:57,990 --> 00:41:54,640

but here's

877

00:42:00,390 --> 00:41:58,000

dr nolan to his credit helping ross walk

878

00:42:02,790 --> 00:42:00,400

back this over promising and under

879

00:42:05,990 --> 00:42:02,800

delivering and saying

880

00:42:07,990 --> 00:42:06,000

it's it unlikely to be any kind

881

00:42:11,030 --> 00:42:08,000

of gotcha moment and here's a question

882

00:42:12,710 --> 00:42:11,040

that i did want him to ask

883

00:42:14,470 --> 00:42:12,720

i agree but don't you feel making

884

00:42:16,790 --> 00:42:14,480

statements in that trailer like quote

885

00:42:19,990 --> 00:42:16,800

conclusive proof of alien technology all

886

00:42:22,069 --> 00:42:20,000

confirmed by this man kato michio kaku

887

00:42:24,550 --> 00:42:22,079

is deceptive at best there is no

888

00:42:26,710 --> 00:42:24,560

conclusions here it's really deceptive

889

00:42:27,990 --> 00:42:26,720

it is so bad as against youtube's terms

890

00:42:31,109 --> 00:42:28,000

of service

891

00:42:33,190 --> 00:42:31,119

you can't do this you can't straight lie

892

00:42:35,190 --> 00:42:33,200

in a promo for a piece that you're

893

00:42:36,710 --> 00:42:35,200

telling people to go watch on youtube

894

00:42:38,630 --> 00:42:36,720

they could lose their whole youtube

895

00:42:40,790 --> 00:42:38,640

channel over this

896

00:42:45,270 --> 00:42:40,800

it's amazing and again people are

897

00:42:49,430 --> 00:42:47,190

uh

898

00:42:50,870 --> 00:42:49,440

you know i i don't know

899

00:42:53,670 --> 00:42:50,880

yeah and

900

00:42:54,630 --> 00:42:53,680

then we get somebody saying oh well uh

901
00:42:56,710 --> 00:42:54,640
ross

902
00:42:58,950 --> 00:42:56,720
addresses this point in this time stamp

903
00:43:03,349 --> 00:42:58,960
no he doesn't address this point

904
00:43:05,910 --> 00:43:03,359
he blames news 7 for why this happened

905
00:43:08,390 --> 00:43:05,920
right it's it's it's his voice

906
00:43:11,030 --> 00:43:08,400
it's his he wrote

907
00:43:14,069 --> 00:43:11,040
the narration he did the voiceover it's

908
00:43:16,950 --> 00:43:14,079
his voice it's his video it's his face

909
00:43:19,270 --> 00:43:16,960
it's his work it's his fault

910
00:43:20,790 --> 00:43:19,280
oh that's another point of the cosmic

911
00:43:22,470 --> 00:43:20,800
con shuffle

912
00:43:24,470 --> 00:43:22,480
if you're really caught dead to rights

913
00:43:27,270 --> 00:43:24,480

lying through your teeth you got to do

914

00:43:29,109 --> 00:43:27,280

one of two things you got to

915

00:43:31,589 --> 00:43:29,119

blame everybody else

916

00:43:33,990 --> 00:43:31,599

or bring in the men in black he chose

917

00:43:36,790 --> 00:43:34,000

option a he just blamed everybody for

918

00:43:39,510 --> 00:43:36,800

everybody else when he gets caught over

919

00:43:41,990 --> 00:43:39,520

sensationalizing over hyping over

920

00:43:44,550 --> 00:43:42,000

promising and under delivering

921

00:43:49,670 --> 00:43:44,560

he over promised i'm sorry but he over

922

00:43:53,430 --> 00:43:51,589

and gary nolan says i never said

923

00:43:56,870 --> 00:43:53,440

anything like that as as you know i'm

924

00:43:58,470 --> 00:43:56,880

far more measured go talk to aussie news

925

00:43:59,670 --> 00:43:58,480

i said i agree it's not your fault just

926

00:44:01,990 --> 00:43:59,680

wondering what you thought about their

927

00:44:04,150 --> 00:44:02,000

deceptive way to promote this

928

00:44:06,390 --> 00:44:04,160

uh piece to get more views i reached out

929

00:44:09,829 --> 00:44:06,400

to michio kaku and ross for comment and

930

00:44:12,069 --> 00:44:09,839

by the way neither michio kaku or ross

931

00:44:13,510 --> 00:44:12,079

cultheart will uh

932

00:44:16,550 --> 00:44:13,520

reply to me

933

00:44:18,790 --> 00:44:16,560

and i also on facebook you can actually

934

00:44:21,190 --> 00:44:18,800

message news seven and i message them

935

00:44:24,230 --> 00:44:21,200

we're gonna we're gonna share that next

936

00:44:27,030 --> 00:44:24,240

uh sometimes people think you know

937

00:44:29,829 --> 00:44:27,040

when i say i do all this research

938

00:44:31,670 --> 00:44:29,839

you know i have to show it so fine i'll

939

00:44:34,390 --> 00:44:31,680

i'll show it here

940

00:44:36,069 --> 00:44:34,400

uh let me see if i can get into it

941

00:44:38,950 --> 00:44:36,079

though

942

00:44:40,870 --> 00:44:38,960

how do i open open a messenger i hate

943

00:44:45,990 --> 00:44:40,880

messenger

944

00:44:49,589 --> 00:44:47,750

all right i'm gonna share this just so

945

00:44:51,270 --> 00:44:49,599

people are aware that i did reach out to

946

00:44:52,390 --> 00:44:51,280

these people for comment and what you

947

00:44:56,150 --> 00:44:52,400

know

948

00:44:58,470 --> 00:44:56,160

uh nobody at news 7 or ross want to talk

949

00:44:59,829 --> 00:44:58,480

about this over promising under

950

00:45:01,750 --> 00:44:59,839

delivering

951
00:45:02,829 --> 00:45:01,760
uh

952
00:45:05,829 --> 00:45:02,839
i believe

953
00:45:11,430 --> 00:45:05,839
deceptive garbage pile that they just

954
00:45:16,230 --> 00:45:14,069
yeah so this is news 7

955
00:45:18,230 --> 00:45:16,240
i asked can i get some comment about the

956
00:45:20,550 --> 00:45:18,240
deceptive practices you used for this

957
00:45:22,710 --> 00:45:20,560
latest ross coal third piece in the

958
00:45:24,630 --> 00:45:22,720
trailer ross says quote conclusive proof

959
00:45:27,030 --> 00:45:24,640
of alien technology all confirmed by

960
00:45:28,950 --> 00:45:27,040
this man cut to michio kaku mitchell

961
00:45:30,710 --> 00:45:28,960
confirmed nothing like that in the piece

962
00:45:32,790 --> 00:45:30,720
this is clearly deceptive and against

963
00:45:34,470 --> 00:45:32,800

youtube terms of service you could lose

964

00:45:36,309 --> 00:45:34,480

your whole youtube channel for employing

965

00:45:37,349 --> 00:45:36,319

those kind of deceptive practices to get

966

00:45:38,790 --> 00:45:37,359

views

967

00:45:41,910 --> 00:45:38,800

and by the way that's according to

968

00:45:44,230 --> 00:45:41,920

youtube's terms of service that's not my

969

00:45:45,670 --> 00:45:44,240

you know rule or whatever and i don't

970

00:45:47,430 --> 00:45:45,680

have anything to say about whether they

971

00:45:48,870 --> 00:45:47,440

should or should not i'm not going to

972

00:45:51,030 --> 00:45:48,880

comment on whether they should or should

973

00:45:52,790 --> 00:45:51,040

not lose their channel it's enough to

974

00:45:54,790 --> 00:45:52,800

say that if this is against youtube's

975

00:45:56,630 --> 00:45:54,800

deceptive practices

976

00:45:58,309 --> 00:45:56,640

section of the terms of service you

977

00:46:01,510 --> 00:45:58,319

can't just straight lie through your

978

00:46:03,270 --> 00:46:01,520

teeth to get people to click on things

979

00:46:04,790 --> 00:46:03,280

i mentioned i am covering this tonight

980

00:46:06,630 --> 00:46:04,800

i'm on a deadline i'd like some

981

00:46:10,470 --> 00:46:06,640

statement from your organization and all

982

00:46:16,950 --> 00:46:13,670

and they have no comment michio kaku no

983

00:46:21,990 --> 00:46:16,960

comment ross culheart no comment

984

00:46:26,630 --> 00:46:24,470

pics i never called him a con or a hack

985

00:46:29,270 --> 00:46:26,640

never did i do that see this is again

986

00:46:31,589 --> 00:46:29,280

we're misinformation i thought i just

987

00:46:33,190 --> 00:46:31,599

thanked him for answering my questions i

988

00:46:35,190 --> 00:46:33,200

didn't call him a con i didn't call him

989

00:46:37,750 --> 00:46:35,200

a hack but i do think it's interesting

990

00:46:39,510 --> 00:46:37,760

that this is the second time that dr

991

00:46:41,109 --> 00:46:39,520

nolan has been involved in a

992

00:46:42,950 --> 00:46:41,119

money-making

993

00:46:45,109 --> 00:46:42,960

story

994

00:46:46,950 --> 00:46:45,119

where he's the guy doing the analysis

995

00:46:49,430 --> 00:46:46,960

and people are claiming this is alien

996

00:46:52,309 --> 00:46:49,440

stuff remember the first time

997

00:46:54,309 --> 00:46:52,319

yeah dr steven greer used gary nolan and

998

00:46:56,309 --> 00:46:54,319

they pulled the same thing they put the

999

00:46:58,309 --> 00:46:56,319

documentary out a month after the

1000

00:47:00,390 --> 00:46:58,319

documentary talk about over promising

1001
00:47:02,630 --> 00:47:00,400
and under delivering stephen greer is

1002
00:47:05,750 --> 00:47:02,640
promising everybody that this little

1003
00:47:07,589 --> 00:47:05,760
this this six inch tall humanoid mummy

1004
00:47:09,349 --> 00:47:07,599
that's an alien and gary nolan's going

1005
00:47:11,030 --> 00:47:09,359
to analyze it and prove we're going to

1006
00:47:13,030 --> 00:47:11,040
prove this as an alien

1007
00:47:15,990 --> 00:47:13,040
gee what you know a month after that

1008
00:47:17,829 --> 00:47:16,000
documentary aired and dr stephen greer

1009
00:47:20,390 --> 00:47:17,839
walked away with millions of dollars i

1010
00:47:23,750 --> 00:47:20,400
don't know what dr nolan got paid in

1011
00:47:26,150 --> 00:47:23,760
that situation but a month or so later

1012
00:47:28,549 --> 00:47:26,160
gary nolan comes out with an analysis

1013
00:47:31,589 --> 00:47:28,559

that shows just human

1014

00:47:34,069 --> 00:47:31,599

deformed human weird human but

1015

00:47:35,270 --> 00:47:34,079

human nothing alien about that

1016

00:47:36,950 --> 00:47:35,280

now

1017

00:47:38,549 --> 00:47:36,960

we have a second situation where

1018

00:47:40,470 --> 00:47:38,559

somebody is claiming

1019

00:47:43,109 --> 00:47:40,480

quote conclusive proof of alien

1020

00:47:45,030 --> 00:47:43,119

technology

1021

00:47:46,710 --> 00:47:45,040

and gary nolan is the guy doing the

1022

00:47:48,790 --> 00:47:46,720

analysis

1023

00:47:50,710 --> 00:47:48,800

but they couldn't wait

1024

00:47:53,030 --> 00:47:50,720

to show the proof let him do his

1025

00:47:54,470 --> 00:47:53,040

analysis and then

1026

00:47:56,630 --> 00:47:54,480

promise the proof of the alien

1027

00:47:58,630 --> 00:47:56,640

technology no they over-promised and

1028

00:48:01,349 --> 00:47:58,640

under-delivered they promised the alien

1029

00:48:03,990 --> 00:48:01,359

technology before the analysis even

1030

00:48:06,390 --> 00:48:04,000

started gary nolan did not even start

1031

00:48:08,790 --> 00:48:06,400

his analysis yet and ross corther is

1032

00:48:11,510 --> 00:48:08,800

already promising people conclusive

1033

00:48:12,710 --> 00:48:11,520

evidence of alien technology you see how

1034

00:48:15,589 --> 00:48:12,720

this works

1035

00:48:17,190 --> 00:48:15,599

we've just seen two examples

1036

00:48:19,109 --> 00:48:17,200

and by the way

1037

00:48:22,069 --> 00:48:19,119

after the proof that this is just

1038

00:48:24,950 --> 00:48:22,079

regular not alien

1039

00:48:27,270 --> 00:48:24,960

technology or not alien tissue in the

1040

00:48:29,510 --> 00:48:27,280

case of that stephen grier

1041

00:48:31,829 --> 00:48:29,520

i'm calling it a con that's

1042

00:48:33,270 --> 00:48:31,839

to me that's a con it's aliens it's

1043

00:48:35,030 --> 00:48:33,280

aliens it's aliens

1044

00:48:37,190 --> 00:48:35,040

it's for sure it must be aliens it must

1045

00:48:39,349 --> 00:48:37,200

be aliens we're going to get it analyzed

1046

00:48:41,349 --> 00:48:39,359

by this famous scientist

1047

00:48:43,990 --> 00:48:41,359

thanks for your money for my documentary

1048

00:48:45,109 --> 00:48:44,000

a month later oh [h__\h] it's not aliens

1049

00:48:47,190 --> 00:48:45,119

right

1050

00:48:49,109 --> 00:48:47,200

this is what happens constantly and if

1051
00:48:50,870 --> 00:48:49,119
you've been here long enough you see

1052
00:48:53,589 --> 00:48:50,880
these cycles repeat

1053
00:48:54,790 --> 00:48:53,599
it's like some people say hey

1054
00:49:03,990 --> 00:48:54,800
that

1055
00:49:06,790 --> 00:49:04,000
great for generating ufo dollars who

1056
00:49:08,390 --> 00:49:06,800
cares if we get found out later when the

1057
00:49:11,430 --> 00:49:08,400
truth comes out

1058
00:49:13,589 --> 00:49:11,440
that it's just regular earthly metals

1059
00:49:15,109 --> 00:49:13,599
who cares we will have already all made

1060
00:49:17,430 --> 00:49:15,119
our money

1061
00:49:20,549 --> 00:49:17,440
and by the way in full disclosure i am

1062
00:49:22,150 --> 00:49:20,559
certain that michio kaku and gary nolan

1063
00:49:24,630 --> 00:49:22,160

haven't asked him but

1064

00:49:29,030 --> 00:49:24,640

those guys don't work for free

1065

00:49:31,750 --> 00:49:29,040

news 7 paid them to participate in this

1066

00:49:33,910 --> 00:49:31,760

Michio Kaku and Ross were certainly paid

1067

00:49:35,430 --> 00:49:33,920

Ross was certainly paid for this

1068

00:49:37,349 --> 00:49:35,440

I'm pretty sure they paid the guy with

1069

00:49:39,030 --> 00:49:37,359

the alien sphere so that they could

1070

00:49:40,390 --> 00:49:39,040

scrape his ball

1071

00:49:43,030 --> 00:49:40,400

right

1072

00:49:44,630 --> 00:49:43,040

everybody gets paid and then we over

1073

00:49:46,950 --> 00:49:44,640

promise

1074

00:49:49,349 --> 00:49:46,960

this is definitive I'm sorry conclusive

1075

00:49:52,230 --> 00:49:49,359

proof of alien technology and then we

1076

00:49:54,390 --> 00:49:52,240

all get our money and then we run

1077

00:49:55,349 --> 00:49:54,400

that's the next part of the cosmic con

1078

00:49:57,670 --> 00:49:55,359

friends

1079

00:49:59,990 --> 00:49:57,680

once you get failed out and the truth

1080

00:50:01,510 --> 00:50:00,000

comes out about your cosmic con you

1081

00:50:04,150 --> 00:50:01,520

gotta shuffle away it's called the

1082

00:50:06,549 --> 00:50:04,160

cosmic con shuffle for a reason

1083

00:50:09,349 --> 00:50:06,559

and you gotta go away for a little while

1084

00:50:11,510 --> 00:50:09,359

and hope that everybody forgets that you

1085

00:50:14,870 --> 00:50:11,520

over promised and under delivered you

1086

00:50:16,630 --> 00:50:14,880

over promised saying conclusive proof of

1087

00:50:19,829 --> 00:50:16,640

alien technology and what did you

1088

00:50:21,990 --> 00:50:19,839

deliver a big nothing burger eat that

1089

00:50:23,829 --> 00:50:22,000

nothing burger up

1090

00:50:26,630 --> 00:50:23,839

get that nothing burger down your throat

1091

00:50:29,510 --> 00:50:26,640

here's another nothing burger over

1092

00:50:31,829 --> 00:50:29,520

promised under delivered nothing burger

1093

00:50:34,069 --> 00:50:31,839

that's what we have here and you know i

1094

00:50:34,870 --> 00:50:34,079

see people defending this ross cultheart

1095

00:50:36,549 --> 00:50:34,880

i

1096

00:50:39,030 --> 00:50:36,559

he's free to come on my show and we can

1097

00:50:41,349 --> 00:50:39,040

have a debate about

1098

00:50:43,030 --> 00:50:41,359

maybe he never you know what

1099

00:50:46,230 --> 00:50:43,040

he went to college did you take an

1100

00:50:47,430 --> 00:50:46,240

ethics class ross colfer do you have any

1101
00:50:49,430 --> 00:50:47,440
ethics

1102
00:50:51,990 --> 00:50:49,440
didn't you do you you know and by the

1103
00:50:54,870 --> 00:50:52,000
way if you're unsure of an ethical

1104
00:50:56,710 --> 00:50:54,880
decision as far as a journalist i'm sure

1105
00:50:58,390 --> 00:50:56,720
that ross coulthard has journalist

1106
00:51:00,710 --> 00:50:58,400
friends that he could reach out to and

1107
00:51:02,710 --> 00:51:00,720
say hey do you think it's too much to

1108
00:51:04,549 --> 00:51:02,720
over promise and say

1109
00:51:07,589 --> 00:51:04,559
definitive proof

1110
00:51:09,190 --> 00:51:07,599
conclusive proof of alien technology

1111
00:51:11,270 --> 00:51:09,200
before

1112
00:51:13,750 --> 00:51:11,280
the doctor we hired to do the analysis

1113
00:51:16,230 --> 00:51:13,760

even begins the analysis we're is that

1114

00:51:18,950 --> 00:51:16,240

ethical to say we have conclusive proof

1115

00:51:21,510 --> 00:51:18,960

of alien technology before the analysis

1116

00:51:23,030 --> 00:51:21,520

even starts

1117

00:51:24,470 --> 00:51:23,040

i'm pretty sure every journalist on

1118

00:51:27,589 --> 00:51:24,480

earth would tell you no you can't do

1119

00:51:28,829 --> 00:51:27,599

that but somehow a well-educated we're

1120

00:51:31,750 --> 00:51:28,839

all supposed to believe that a

1121

00:51:33,990 --> 00:51:31,760

well-educated man with many many

1122

00:51:35,589 --> 00:51:34,000

journalist friends and contacts that he

1123

00:51:37,589 --> 00:51:35,599

could talk to

1124

00:51:38,710 --> 00:51:37,599

about this situation

1125

00:51:41,030 --> 00:51:38,720

just just

1126
00:51:44,230 --> 00:51:41,040
this is all an accident right and then

1127
00:51:46,390 --> 00:51:44,240
the walking back of everything right

1128
00:51:49,030 --> 00:51:46,400
he started walking this back because of

1129
00:51:51,190 --> 00:51:49,040
stephen green street making fun of him

1130
00:51:53,109 --> 00:51:51,200
that's my take on it

1131
00:51:54,950 --> 00:51:53,119
for those unaware

1132
00:51:57,589 --> 00:51:54,960
when this trailer hit stephen

1133
00:51:58,549 --> 00:51:57,599
greenstreet of the new york post made a

1134
00:51:59,829 --> 00:51:58,559
funny

1135
00:52:02,950 --> 00:51:59,839
video

1136
00:52:05,030 --> 00:52:02,960
that included gonzo right

1137
00:52:07,270 --> 00:52:05,040
so

1138
00:52:08,630 --> 00:52:07,280

ross if not caught and called out i

1139

00:52:10,950 --> 00:52:08,640

don't believe he would have walked any

1140

00:52:13,270 --> 00:52:10,960

of this back it's only because of the

1141

00:52:15,829 --> 00:52:13,280

heat that he has now experienced and by

1142

00:52:17,510 --> 00:52:15,839

the way we're turning it up there ross

1143

00:52:19,109 --> 00:52:17,520

we're turning the heat up

1144

00:52:22,069 --> 00:52:19,119

you're not getting away with this just

1145

00:52:25,349 --> 00:52:22,079

saying oh well they edited it uh yeah

1146

00:52:26,630 --> 00:52:25,359

it's sensational it's not sensational we

1147

00:52:28,630 --> 00:52:26,640

can look up the definition of

1148

00:52:31,430 --> 00:52:28,640

sensational and then we can look up the

1149

00:52:33,870 --> 00:52:31,440

definition of a lie

1150

00:52:37,430 --> 00:52:33,880

what you did is lie that's not

1151
00:52:38,950 --> 00:52:37,440
sensationalizing something that's lying

1152
00:52:40,950 --> 00:52:38,960
in your trailer

1153
00:52:43,430 --> 00:52:40,960
you promise that you have conclusive

1154
00:52:47,270 --> 00:52:43,440
proof of alien technology that's not

1155
00:52:49,270 --> 00:52:47,280
sensational that's a lie

1156
00:52:54,470 --> 00:52:49,280
all right we're gonna see if we can't

1157
00:52:58,790 --> 00:52:56,630
one second i'm gonna i'm gonna share

1158
00:53:01,910 --> 00:52:58,800
that he does deserve credit for it by

1159
00:53:03,910 --> 00:53:01,920
the way i hope he's okay with me uh

1160
00:53:06,790 --> 00:53:03,920
using it because it was funny i mean

1161
00:53:11,030 --> 00:53:08,790
we're gonna watch this trailer one more

1162
00:53:12,790 --> 00:53:11,040
time uh but first i'm gonna i am gonna

1163
00:53:15,349 --> 00:53:12,800

put up my fair use banner this is a

1164

00:53:17,270 --> 00:53:15,359

transformative work we are educating the

1165

00:53:19,829 --> 00:53:17,280

public about the latest big nothing

1166

00:53:22,390 --> 00:53:19,839

burger in ufo land brought to us by ross

1167

00:53:24,470 --> 00:53:22,400

culthert uh who by the way this guy's

1168

00:53:26,309 --> 00:53:24,480

been bitching and complaining lately

1169

00:53:28,870 --> 00:53:26,319

that he's not making enough money on his

1170

00:53:31,349 --> 00:53:28,880

ufo books and on that failed show with

1171

00:53:33,349 --> 00:53:31,359

uh his buddy what is it bryce

1172

00:53:35,589 --> 00:53:33,359

that show was big flop for those guys

1173

00:53:37,349 --> 00:53:35,599

supposed to be big shots right

1174

00:53:39,109 --> 00:53:37,359

uh yeah

1175

00:53:39,990 --> 00:53:39,119

he's complaining he's not making enough

1176
00:53:42,710 --> 00:53:40,000
money

1177
00:53:46,069 --> 00:53:42,720
in ufos and he has to work other stories

1178
00:53:47,510 --> 00:53:46,079
to supplement is it god too bad gee i

1179
00:53:49,510 --> 00:53:47,520
wonder why you're not making enough

1180
00:53:51,910 --> 00:53:49,520
money with ufos maybe because of this

1181
00:53:53,670 --> 00:53:51,920
[h__h] maybe because you over promise and

1182
00:53:56,069 --> 00:53:53,680
under deliver what are some of the other

1183
00:53:58,549 --> 00:53:56,079
stories you pushed oh i know the fake

1184
00:53:59,270 --> 00:53:58,559
admiral wilson documents awesome

1185
00:54:02,150 --> 00:53:59,280
and

1186
00:54:04,230 --> 00:54:02,160
this guy any story he doesn't care how

1187
00:54:08,309 --> 00:54:04,240
fake it is and here's another thing this

1188
00:54:10,390 --> 00:54:08,319

guy ross is the king of someone told me

1189

00:54:12,309 --> 00:54:10,400

he quotes all this stuff

1190

00:54:14,470 --> 00:54:12,319

all this information that he has and all

1191

00:54:16,309 --> 00:54:14,480

these important high-ranking us

1192

00:54:18,150 --> 00:54:16,319

government officials that he's talking

1193

00:54:19,750 --> 00:54:18,160

to but he doesn't

1194

00:54:22,150 --> 00:54:19,760

name any of them

1195

00:54:24,870 --> 00:54:22,160

are they all his imaginary friends he's

1196

00:54:26,950 --> 00:54:24,880

the king of just trust me dude

1197

00:54:28,710 --> 00:54:26,960

that's the kind of research he does i'm

1198

00:54:30,470 --> 00:54:28,720

not going to give you sources but

1199

00:54:32,950 --> 00:54:30,480

somebody told me

1200

00:54:35,030 --> 00:54:32,960

that's what he does constantly and now

1201
00:54:37,270 --> 00:54:35,040
we see not only does he do that

1202
00:54:39,030 --> 00:54:37,280
constantly he's got tons of imaginary

1203
00:54:41,990 --> 00:54:39,040
friends anonymous sources that nobody's

1204
00:54:44,549 --> 00:54:42,000
allowed to talk to right he's also

1205
00:54:46,630 --> 00:54:44,559
deceptively editing things narrating

1206
00:54:48,950 --> 00:54:46,640
over things deceptively

1207
00:54:51,589 --> 00:54:48,960
putting pieces of video together to make

1208
00:54:55,030 --> 00:54:51,599
it look like mickey okaku

1209
00:54:57,670 --> 00:54:55,040
endorses or confirms that they have

1210
00:55:00,069 --> 00:54:57,680
proof of alien technology it's all one

1211
00:55:02,549 --> 00:55:00,079
big deceptive onion but once you peel

1212
00:55:05,589 --> 00:55:02,559
back these layers you see how ridiculous

1213
00:55:07,589 --> 00:55:05,599

this is it's a construct this was all

1214

00:55:10,710 --> 00:55:07,599

constructed

1215

00:55:13,910 --> 00:55:10,720

it it's a construct designed to make you

1216

00:55:15,589 --> 00:55:13,920

click on his garbage fake

1217

00:55:18,710 --> 00:55:15,599

i'm not gonna call it fake on his

1218

00:55:20,390 --> 00:55:18,720

garbage reporting

1219

00:55:22,230 --> 00:55:20,400

all right

1220

00:55:23,430 --> 00:55:22,240

uh so this is the transformative work

1221

00:55:24,950 --> 00:55:23,440

we're educating the public and

1222

00:55:27,030 --> 00:55:24,960

critiquing the videos that we're sharing

1223

00:55:28,150 --> 00:55:27,040

this is simply the trailer

1224

00:55:30,069 --> 00:55:28,160

uh

1225

00:55:32,390 --> 00:55:30,079

oh one second let me do that again make

1226
00:55:35,750 --> 00:55:32,400
sure i have the audio much funnier with

1227
00:55:39,510 --> 00:55:35,760
much better with the actual audio

1228
00:55:41,349 --> 00:55:39,520
so this my friends is what caused this

1229
00:55:43,750 --> 00:55:41,359
ross to actually

1230
00:55:46,789 --> 00:55:43,760
start walking things back

1231
00:55:49,270 --> 00:55:46,799
because steven greenstreet to his credit

1232
00:55:52,390 --> 00:55:49,280
called them out on this nonsense what

1233
00:55:55,349 --> 00:55:52,400
you're seeing here is momentous you

1234
00:55:58,549 --> 00:55:55,359
think that's alien technology yes i do

1235
00:56:01,349 --> 00:55:58,559
we have new conclusive proof testable

1236
00:56:04,630 --> 00:56:01,359
evidence of alien technology this

1237
00:56:06,710 --> 00:56:04,640
renowned scientist confirms it all is it

1238
00:56:09,589 --> 00:56:06,720

possible to exceed the speed of light

1239

00:56:12,150 --> 00:56:09,599

the answer is yes the biggest discovery

1240

00:56:18,470 --> 00:56:12,160

in human history new evidence that has

1241

00:56:23,030 --> 00:56:20,390

yeah you do have to see this [h__\h] to

1242

00:56:24,870 --> 00:56:23,040

believe it you you have to see this to

1243

00:56:27,190 --> 00:56:24,880

believe that somebody would stoop this

1244

00:56:29,510 --> 00:56:27,200

low that somebody would just think it's

1245

00:56:32,150 --> 00:56:29,520

totally okay to just lie

1246

00:56:33,349 --> 00:56:32,160

through through our teeth and by the way

1247

00:56:35,750 --> 00:56:33,359

this

1248

00:56:36,789 --> 00:56:35,760

so-called news report was also filled

1249

00:56:40,069 --> 00:56:36,799

with

1250

00:56:43,750 --> 00:56:40,079

balloons two of them two totally

1251
00:56:45,750 --> 00:56:43,760
debunked ufo videos were used in ross's

1252
00:56:48,150 --> 00:56:45,760
reporting here you know where he's

1253
00:56:50,309 --> 00:56:48,160
telling you that they have conclusive

1254
00:56:51,829 --> 00:56:50,319
proof of alien technology he's showing

1255
00:56:53,109 --> 00:56:51,839
you balloons

1256
00:56:56,789 --> 00:56:53,119
that's great

1257
00:56:59,750 --> 00:56:56,799
uh in one case it's a big huge party

1258
00:57:01,750 --> 00:56:59,760
balloon during a festival that's proven

1259
00:57:04,549 --> 00:57:01,760
that that's what that one image and

1260
00:57:07,589 --> 00:57:04,559
video he showed was in another case it's

1261
00:57:10,390 --> 00:57:07,599
parallax and even the pilot who took the

1262
00:57:12,470 --> 00:57:10,400
video said it was a balloon

1263
00:57:15,670 --> 00:57:12,480

those are two completely totally

1264

00:57:18,549 --> 00:57:15,680

debunked fake pieces of so-called

1265

00:57:20,710 --> 00:57:18,559

evidence that ross is using here

1266

00:57:23,349 --> 00:57:20,720

does he not have fact checkers does he

1267

00:57:25,109 --> 00:57:23,359

not have a research department at news 7

1268

00:57:28,390 --> 00:57:25,119

because i could look up those things and

1269

00:57:30,630 --> 00:57:28,400

find out instantly that they're fake but

1270

00:57:33,510 --> 00:57:30,640

we're supposed to believe that he didn't

1271

00:57:36,309 --> 00:57:33,520

know right oh here comes everybody to

1272

00:57:38,870 --> 00:57:36,319

his defense he didn't know that those

1273

00:57:42,150 --> 00:57:38,880

ufo videos that he used were fake oh by

1274

00:57:45,030 --> 00:57:42,160

the way also included in his work was

1275

00:57:47,589 --> 00:57:45,040

the nail debunked jeremy corbell

1276

00:57:49,190 --> 00:57:47,599

pyramid spaceship video so we've got him

1277

00:57:52,710 --> 00:57:49,200

using three

1278

00:57:55,670 --> 00:57:52,720

proven fake ufo videos

1279

00:57:59,510 --> 00:57:55,680

to prove to us that he has conclusive

1280

00:58:01,190 --> 00:57:59,520

proof of ufo technology he needs three

1281

00:58:03,910 --> 00:58:01,200

fake count them three

1282

00:58:05,589 --> 00:58:03,920

not one not two but three completely and

1283

00:58:08,230 --> 00:58:05,599

totally debunk

1284

00:58:09,270 --> 00:58:08,240

fake ufo videos while he's telling

1285

00:58:11,430 --> 00:58:09,280

everyone

1286

00:58:12,789 --> 00:58:11,440

he has conclusive proof of alien

1287

00:58:14,710 --> 00:58:12,799

technology

1288

00:58:16,390 --> 00:58:14,720

but this is where we're at and this is

1289

00:58:17,829 --> 00:58:16,400

where we find ourselves and by the way

1290

00:58:18,630 --> 00:58:17,839

you can follow me

1291

00:58:21,270 --> 00:58:18,640

on

1292

00:58:23,750 --> 00:58:21,280

twitter it's at stevencambian and all

1293

00:58:25,430 --> 00:58:23,760

this evidence to to sh that we've talked

1294

00:58:27,430 --> 00:58:25,440

about tonight is on my twitter i've

1295

00:58:28,870 --> 00:58:27,440

shared it all today earlier it's been

1296

00:58:32,309 --> 00:58:28,880

quite a

1297

00:58:33,829 --> 00:58:32,319

tweet storm today uh and replying to

1298

00:58:35,750 --> 00:58:33,839

people

1299

00:58:38,309 --> 00:58:35,760

and uh you know

1300

00:58:40,069 --> 00:58:38,319

all the evidence is there and by the way

1301

00:58:42,549 --> 00:58:40,079

uh

1302

00:58:44,549 --> 00:58:42,559

one thing i do want to address is this

1303

00:58:46,150 --> 00:58:44,559

inter show drama

1304

00:58:47,990 --> 00:58:46,160

uh i don't really want to be a part of

1305

00:58:49,750 --> 00:58:48,000

inner show drama but people keep

1306

00:58:52,390 --> 00:58:49,760

pointing out to me that a certain lazy

1307

00:58:53,750 --> 00:58:52,400

slob keeps taking my shows and literally

1308

00:58:56,309 --> 00:58:53,760

taking notes

1309

00:58:57,910 --> 00:58:56,319

and then doing his own show with my work

1310

00:59:00,230 --> 00:58:57,920

but he won't show

1311

00:59:01,829 --> 00:59:00,240

my research and he won't show my work

1312

00:59:03,990 --> 00:59:01,839

because then people will know where he's

1313

00:59:06,470 --> 00:59:04,000

getting everything from and i think that

1314

00:59:09,190 --> 00:59:06,480

shit's funny because imitation really is

1315

00:59:12,549 --> 00:59:09,200

the sincerest form of flattery you can't

1316

00:59:16,630 --> 00:59:12,559

be me you gotta pretend right

1317

00:59:20,950 --> 00:59:18,870

i think that it was a mistake to go to a

1318

00:59:21,990 --> 00:59:20,960

later time slot too

1319

00:59:25,750 --> 00:59:22,000

because

1320

00:59:28,309 --> 00:59:25,760

uh it seems like this person you know

1321

00:59:31,270 --> 00:59:28,319

and it's a mistake for me apparently to

1322

00:59:33,030 --> 00:59:31,280

post my shows early because i post my

1323

00:59:36,150 --> 00:59:33,040

show at noon

1324

00:59:38,710 --> 00:59:36,160

and then later on that evening

1325

00:59:42,230 --> 00:59:38,720

he's doing the same exact story the same

1326
00:59:46,390 --> 00:59:42,240
exact subject except he has no evidence

1327
00:59:47,430 --> 00:59:46,400
no proof no research no work to show you

1328
00:59:49,190 --> 00:59:47,440
none

1329
00:59:51,190 --> 00:59:49,200
now there was one part of the story that

1330
00:59:53,190 --> 00:59:51,200
i did leave out that i want to include

1331
00:59:55,510 --> 00:59:53,200
here because i think it's funny this

1332
00:59:58,710 --> 00:59:55,520
patrick who is selling this other fake

1333
01:00:01,349 --> 00:59:58,720
alien sphere story

1334
01:00:04,870 --> 01:00:01,359
he first told me that the person that

1335
01:00:08,230 --> 01:00:05,670
uh

1336
01:00:11,349 --> 01:00:08,240
the analysis report

1337
01:00:13,270 --> 01:00:11,359
that that guy's name was

1338
01:00:16,230 --> 01:00:13,280

stephen corbin

1339

01:00:20,030 --> 01:00:16,240

and it's interesting uh

1340

01:00:21,670 --> 01:00:20,040

that if you look up stephen corbin

1341

01:00:24,950 --> 01:00:21,680

c-o-r-b-i-n

1342

01:00:28,549 --> 01:00:24,960

material scientist

1343

01:00:34,069 --> 01:00:28,559

you find a very very credible engineer

1344

01:00:38,950 --> 01:00:36,470

at the university of waterloo his name

1345

01:00:42,309 --> 01:00:38,960

is stephen corbin he's a mechanical and

1346

01:00:43,589 --> 01:00:42,319

mechatronics engineer and he's a doctor

1347

01:00:44,870 --> 01:00:43,599

a real

1348

01:00:47,750 --> 01:00:44,880

scientist

1349

01:00:50,309 --> 01:00:47,760

so you know again with the conflation

1350

01:00:51,670 --> 01:00:50,319

this patrick gives me the wrong name

1351
01:00:54,549 --> 01:00:51,680
how does he not know who does the

1352
01:00:55,589 --> 01:00:54,559
material analysis now i get it's close

1353
01:00:57,190 --> 01:00:55,599
corbin

1354
01:01:00,069 --> 01:00:57,200
colburn

1355
01:01:02,150 --> 01:01:00,079
it's close but no i think that was

1356
01:01:03,270 --> 01:01:02,160
intentional as well i think that was

1357
01:01:04,710 --> 01:01:03,280
intentional

1358
01:01:06,230 --> 01:01:04,720
he didn't want to know he didn't want

1359
01:01:08,870 --> 01:01:06,240
people to know that it was the patient

1360
01:01:10,470 --> 01:01:08,880
17 guy that did the analysis that he's

1361
01:01:13,349 --> 01:01:10,480
trying to sell and this guy's trying to

1362
01:01:15,510 --> 01:01:13,359
sell a book based on a story that

1363
01:01:17,750 --> 01:01:15,520

originally comes from jaime moussan

1364

01:01:19,670 --> 01:01:17,760

pardon me if i don't buy your book your

1365

01:01:21,510 --> 01:01:19,680

book's probably [h__h]

1366

01:01:23,990 --> 01:01:21,520

and you're free to come here and and we

1367

01:01:25,829 --> 01:01:24,000

can discuss it uh i have an open door

1368

01:01:27,670 --> 01:01:25,839

policy especially if i'm [h__h] talking

1369

01:01:30,710 --> 01:01:27,680

anybody and i guess i am

1370

01:01:32,069 --> 01:01:30,720

sorry i think your book is bull based on

1371

01:01:35,270 --> 01:01:32,079

two things

1372

01:01:36,950 --> 01:01:35,280

stephen colburn is involved and

1373

01:01:38,630 --> 01:01:36,960

the story originally came from jaime

1374

01:01:40,309 --> 01:01:38,640

moussan

1375

01:01:43,190 --> 01:01:40,319

now

1376

01:01:45,829 --> 01:01:43,200

i i don't i don't understand where else

1377

01:01:48,069 --> 01:01:45,839

we're supposed to go from here but i i

1378

01:01:50,069 --> 01:01:48,079

it's important to note too as well that

1379

01:01:52,470 --> 01:01:50,079

i have some important things important

1380

01:01:55,430 --> 01:01:52,480

phone call to make later tonight a very

1381

01:01:57,589 --> 01:01:55,440

very important phone call so we're gonna

1382

01:01:59,990 --> 01:01:57,599

try to make this a quick one for once

1383

01:02:02,309 --> 01:02:00,000

we're just over the one hour mark but i

1384

01:02:04,309 --> 01:02:02,319

do have some more time to offer you so

1385

01:02:07,670 --> 01:02:04,319

we'll take comments questions

1386

01:02:09,750 --> 01:02:07,680

from the live chat and uh let me go and

1387

01:02:11,670 --> 01:02:09,760

read these super chats so let me see if

1388

01:02:13,670 --> 01:02:11,680

i can get all the way back

1389

01:02:15,910 --> 01:02:13,680

sometimes it doesn't let me scroll all

1390

01:02:20,549 --> 01:02:15,920

the way back and i need a scroll wheel

1391

01:02:22,870 --> 01:02:20,559

on steroids uh in order to do this

1392

01:02:24,950 --> 01:02:22,880

i did see unidentified as four with a

1393

01:02:26,630 --> 01:02:24,960

kind and generous five dollar super

1394

01:02:29,349 --> 01:02:26,640

sticker purchase

1395

01:02:31,829 --> 01:02:29,359

uh i can't get far enough back

1396

01:02:34,789 --> 01:02:31,839

let me see one second

1397

01:02:36,630 --> 01:02:34,799

and i would remind our audience that uh

1398

01:02:37,589 --> 01:02:36,640

there's a few ways to support our show

1399

01:02:39,270 --> 01:02:37,599

here

1400

01:02:41,349 --> 01:02:39,280

and that is uh

1401

01:02:43,029 --> 01:02:41,359

detailed in the description of the video

1402

01:02:45,109 --> 01:02:43,039

the first and best way of course is to

1403

01:02:47,510 --> 01:02:45,119

throw some money at us throw a couple

1404

01:02:49,910 --> 01:02:47,520

bucks in our hat and help us to continue

1405

01:02:51,270 --> 01:02:49,920

the work that we do here where we don't

1406

01:02:54,150 --> 01:02:51,280

lie to people

1407

01:02:56,470 --> 01:02:54,160

uh this ross coulthard is making orders

1408

01:02:57,829 --> 01:02:56,480

of magnitude of money more than me for

1409

01:03:00,069 --> 01:02:57,839

lying to you

1410

01:03:03,510 --> 01:03:00,079

and uh i'm not complaining but we're

1411

01:03:06,630 --> 01:03:03,520

making a tiny tiny fraction you know

1412

01:03:07,430 --> 01:03:06,640

a tiny percentile of what the grifters

1413

01:03:11,670 --> 01:03:07,440

make

1414

01:03:12,549 --> 01:03:11,680

truth but i consider it important enough

1415

01:03:14,789 --> 01:03:12,559

work

1416

01:03:17,990 --> 01:03:14,799

that uh we continue in our journey we

1417

01:03:19,829 --> 01:03:18,000

take our youtube youtube

1418

01:03:21,750 --> 01:03:19,839

pennies and we take whatever couple

1419

01:03:24,470 --> 01:03:21,760

bucks people are kind enough to throw in

1420

01:03:25,349 --> 01:03:24,480

our hat and we roll on with our lives

1421

01:03:29,589 --> 01:03:25,359

here

1422

01:03:32,069 --> 01:03:29,599

the uh

1423

01:03:39,430 --> 01:03:32,079

trying to get to the super chats

1424

01:03:45,349 --> 01:03:42,950

all right uh jeez we gotta

1425

01:03:47,349 --> 01:03:45,359

do we really got this many

1426

01:03:49,589 --> 01:03:47,359

my goodness

1427

01:03:51,910 --> 01:03:49,599

oh no that's that's from before all

1428

01:03:54,309 --> 01:03:51,920

right sorry my eyes aren't very good all

1429

01:03:56,230 --> 01:03:54,319

right we've got four here

1430

01:03:58,710 --> 01:03:56,240

unidentified s4 with the kind of

1431

01:04:00,789 --> 01:03:58,720

generous 499 super sticker

1432

01:04:03,910 --> 01:04:00,799

thank uh thank him for his kindness his

1433

01:04:05,589 --> 01:04:03,920

generosity and his support we have ufo

1434

01:04:07,829 --> 01:04:05,599

oh wait i didn't share the screen so

1435

01:04:11,109 --> 01:04:07,839

we'll share the screen here

1436

01:04:16,549 --> 01:04:12,710

we have ufo

1437

01:04:19,589 --> 01:04:16,559

uh john doe uh is who's often the

1438

01:04:22,630 --> 01:04:19,599

super chat mvp says definitely a con

1439

01:04:25,190 --> 01:04:22,640

promo was a con show was a con connie

1440

01:04:28,309 --> 01:04:25,200

gender's dollar 99 and then with another

1441

01:04:29,270 --> 01:04:28,319

kind and generous dollar 99

1442

01:04:32,630 --> 01:04:29,280

says

1443

01:04:34,630 --> 01:04:32,640

uh people love them some nothing burgers

1444

01:04:37,190 --> 01:04:34,640

low calories spooky reminding me don't

1445

01:04:38,150 --> 01:04:37,200

forget the crazy wife of the ball man

1446

01:04:42,789 --> 01:04:38,160

yes

1447

01:04:44,470 --> 01:04:42,799

almost forgot that so thank you all for

1448

01:04:46,390 --> 01:04:44,480

your kindness your generosity and your

1449

01:04:48,230 --> 01:04:46,400

support of the show is much much

1450

01:04:50,630 --> 01:04:48,240

appreciated uh

1451

01:04:53,349 --> 01:04:50,640

wait wait we got another one i think

1452

01:04:55,349 --> 01:04:53,359

a more recent one yeah

1453

01:04:57,190 --> 01:04:55,359

oh no that's spooky okay so thank you

1454

01:04:58,549 --> 01:04:57,200

spooky yeah i'm gonna get on over there

1455

01:05:01,910 --> 01:04:58,559

there's something else you need to know

1456

01:05:03,750 --> 01:05:01,920

about the ball man that ross colter used

1457

01:05:08,230 --> 01:05:03,760

and that is that

1458

01:05:10,390 --> 01:05:08,240

both he and his wife are apparently

1459

01:05:13,349 --> 01:05:10,400

are apparently

1460

01:05:16,470 --> 01:05:13,359

alien abduction victims they are victims

1461

01:05:23,109 --> 01:05:16,480

of alien abduction

1462

01:05:27,750 --> 01:05:25,829

one second

1463

01:05:30,230 --> 01:05:27,760

i'm trying to find it is there some

1464

01:05:31,109 --> 01:05:30,240

troubling things from the wife of this

1465

01:05:33,510 --> 01:05:31,119

uh

1466

01:05:35,510 --> 01:05:33,520

of this person

1467

01:05:38,230 --> 01:05:35,520

oh yeah here

1468

01:05:41,829 --> 01:05:38,240

so not only did does the guy who owns

1469

01:05:44,309 --> 01:05:41,839

the ball in ross's piece uh is he a

1470

01:05:46,470 --> 01:05:44,319

victim of alien abduction so is his wife

1471

01:05:47,750 --> 01:05:46,480

but besides that she's pretty prolific

1472

01:05:49,990 --> 01:05:47,760

racist

1473

01:05:52,150 --> 01:05:50,000

uh apparently according to her social

1474

01:05:53,990 --> 01:05:52,160

media posts and uh

1475

01:05:56,630 --> 01:05:54,000

i'm just gonna share this um you know

1476

01:05:59,670 --> 01:05:56,640

hey this is what it is this is the wife

1477

01:06:02,549 --> 01:05:59,680

of the guy who owns the so-called alien

1478

01:06:04,390 --> 01:06:02,559

sphere that ross is investigating and

1479

01:06:06,789 --> 01:06:04,400

promising his alien technology

1480

01:06:08,950 --> 01:06:06,799

before the analysis is done and she says

1481

01:06:11,270 --> 01:06:08,960

maybe no fathers to guide them or they

1482

01:06:13,029 --> 01:06:11,280

are just lazy and i feel like the world

1483

01:06:15,270 --> 01:06:13,039

owes them something either way these

1484

01:06:18,470 --> 01:06:15,280

days i am very cautious about anyone

1485

01:06:20,150 --> 01:06:18,480

black they truly do hate white people i

1486

01:06:22,390 --> 01:06:20,160

used to have great respect for them

1487

01:06:23,670 --> 01:06:22,400

apparently the best people have already

1488

01:06:26,230 --> 01:06:23,680

passed

1489

01:06:28,630 --> 01:06:26,240

yeah uh and friends that's just the tip

1490

01:06:30,230 --> 01:06:28,640

of the iceberg i just want to give you

1491

01:06:31,589 --> 01:06:30,240

you know a little bit of that

1492

01:06:34,789 --> 01:06:31,599

information

1493

01:06:37,910 --> 01:06:34,799

and you know i'm sorry if i don't

1494

01:06:39,190 --> 01:06:37,920

believe the stories coming from a

1495

01:06:41,670 --> 01:06:39,200

racist

1496

01:06:43,750 --> 01:06:41,680

person that also claims to be abducted

1497

01:06:46,230 --> 01:06:43,760

by aliens you know

1498

01:06:48,630 --> 01:06:46,240

i mean what are we on hee haw here you

1499

01:06:50,789 --> 01:06:48,640

know you just take anybody's word

1500

01:06:53,109 --> 01:06:50,799

ross coulthard didn't know that the wife

1501

01:06:55,670 --> 01:06:53,119

of that guy is like a prolific online

1502

01:06:56,950 --> 01:06:55,680

racist always making racist social media

1503

01:06:58,710 --> 01:06:56,960

posts

1504

01:07:00,950 --> 01:06:58,720

i mean maybe that's not relevant but i

1505

01:07:03,349 --> 01:07:00,960

think it is i wouldn't

1506

01:07:04,950 --> 01:07:03,359

i if i if i was going to interview

1507

01:07:06,870 --> 01:07:04,960

somebody and i found out their wife was

1508

01:07:08,549 --> 01:07:06,880

posting stuff like that on social media

1509

01:07:09,270 --> 01:07:08,559

i would cut and run that's what i would

1510

01:07:12,549 --> 01:07:09,280

do

1511

01:07:14,950 --> 01:07:12,559

your name

1512

01:07:16,789 --> 01:07:14,960

maybe ross is just okay

1513

01:07:18,950 --> 01:07:16,799

with the wife of that guy

1514

01:07:20,549 --> 01:07:18,960

making comments and statements like this

1515

01:07:25,510 --> 01:07:20,559

i don't know

1516

01:07:28,230 --> 01:07:25,520

uh yes and ufo john doe 4.99

1517

01:07:30,309 --> 01:07:28,240

the only new piece of information in

1518

01:07:32,710 --> 01:07:30,319

this work is apparently

1519

01:07:35,109 --> 01:07:32,720

and thank you ufo john doe

1520

01:07:37,430 --> 01:07:35,119

apparently gary nolan is now saying that

1521

01:07:39,349 --> 01:07:37,440

there's some whistleblowers

1522

01:07:42,230 --> 01:07:39,359

that are going to come out and blow the

1523

01:07:45,109 --> 01:07:42,240

whistle on those aliens and the top

1524

01:07:47,990 --> 01:07:45,119

secret stuff that the government has

1525

01:07:50,230 --> 01:07:48,000

and here's what i'd say wait and see but

1526

01:07:51,829 --> 01:07:50,240

is this another case of over-promising

1527

01:07:53,750 --> 01:07:51,839

and under-delivering who are the

1528

01:07:55,750 --> 01:07:53,760

whistleblowers

1529

01:07:58,230 --> 01:07:55,760

are we talking about people like bob

1530

01:07:59,990 --> 01:07:58,240

lazar he's going to make the rounds and

1531

01:08:01,990 --> 01:08:00,000

claim he's going to blow the whistle to

1532

01:08:04,470 --> 01:08:02,000

congress

1533

01:08:06,630 --> 01:08:04,480

these guys are always very crafty in the

1534

01:08:07,829 --> 01:08:06,640

things that they say but i have a

1535

01:08:10,950 --> 01:08:07,839

feeling that this is another

1536

01:08:13,270 --> 01:08:10,960

over-promising and delivering when

1537

01:08:14,789 --> 01:08:13,280

when are these whistleblowers who are

1538

01:08:17,269 --> 01:08:14,799

going to blow the whistle and by the way

1539

01:08:20,070 --> 01:08:17,279

i hope it happens i hope there are some

1540

01:08:20,950 --> 01:08:20,080

people that have actual 100

1541

01:08:23,829 --> 01:08:20,960

real

1542

01:08:25,030 --> 01:08:23,839

evidence of alien interaction with earth

1543

01:08:26,470 --> 01:08:25,040

and they're going to blow the whistle i

1544

01:08:29,430 --> 01:08:26,480

would love that

1545

01:08:31,749 --> 01:08:29,440

it would make my life if that happened

1546

01:08:33,269 --> 01:08:31,759

do i think it's going to happen no

1547

01:08:35,430 --> 01:08:33,279

because

1548

01:08:38,709 --> 01:08:35,440

dr nolan has been involved in several

1549

01:08:41,669 --> 01:08:38,719

things that didn't pan out now the

1550

01:08:43,829 --> 01:08:41,679

so-called amicoma humanoid from stephen

1551

01:08:45,189 --> 01:08:43,839

greer he was a part of that

1552

01:08:47,030 --> 01:08:45,199

uh and

1553

01:08:48,550 --> 01:08:47,040

he's also a part of

1554

01:08:50,789 --> 01:08:48,560

this story

1555

01:08:52,149 --> 01:08:50,799

which i'm i'm going to predict right now

1556

01:08:53,669 --> 01:08:52,159

that's sphere is going to come back

1557

01:08:56,229 --> 01:08:53,679

normal earthly metals so this is going

1558

01:08:57,669 --> 01:08:56,239

to be two stories that nolan has helped

1559

01:08:58,630 --> 01:08:57,679

to

1560

01:09:00,550 --> 01:08:58,640

you know

1561

01:09:02,390 --> 01:09:00,560

push down the hype train that don't pan

1562

01:09:04,070 --> 01:09:02,400

out now we're just supposed to believe

1563

01:09:06,950 --> 01:09:04,080

that a guy who's been involved with

1564

01:09:08,709 --> 01:09:06,960

these big two big huge height fests

1565

01:09:09,829 --> 01:09:08,719

who's telling us the alien you know

1566

01:09:11,430 --> 01:09:09,839

people are gonna blow the whistle on

1567

01:09:13,829 --> 01:09:11,440

that alien technology that worked for

1568

01:09:16,229 --> 01:09:13,839

the government okay sure i hope it

1569

01:09:18,470 --> 01:09:16,239

happens i hope to god it happens but i'm

1570

01:09:20,390 --> 01:09:18,480

not gonna hold my breath thank you ufo

1571

01:09:21,910 --> 01:09:20,400

john doe any further comments or

1572

01:09:25,910 --> 01:09:21,920

questions for me please put them in all

1573

01:09:27,590 --> 01:09:25,920

capital letters we'll take um

1574

01:09:33,510 --> 01:09:27,600

we'll take uh some questions and

1575

01:09:38,229 --> 01:09:35,430

i don't know sweet caroline is here

1576

01:09:40,229 --> 01:09:38,239

welcome sweet caroline

1577

01:09:42,470 --> 01:09:40,239

yeah okay so that's what they're talking

1578

01:09:44,390 --> 01:09:42,480

about it's very relevant yeah i think it

1579

01:09:46,709 --> 01:09:44,400

was a credibility

1580

01:09:48,789 --> 01:09:46,719

uh not to say you know for all we know

1581

01:09:50,789 --> 01:09:48,799

aliens abduct racist people we don't

1582

01:09:52,709 --> 01:09:50,799

know you know but i just

1583

01:09:55,110 --> 01:09:52,719

i just think you know if you're gonna

1584

01:09:56,709 --> 01:09:55,120

run with a witness to a story and you're

1585

01:09:58,630 --> 01:09:56,719

gonna investigate a story maybe it's a

1586

01:10:01,030 --> 01:09:58,640

good idea to know that the wife is

1587

01:10:03,990 --> 01:10:01,040

constantly dog and black people

1588

01:10:06,470 --> 01:10:04,000

and other minorities uh on our social

1589

01:10:09,189 --> 01:10:06,480

media i think that's kind of important

1590

01:10:11,750 --> 01:10:09,199

it goes to credibility spooky asking

1591

01:10:14,630 --> 01:10:11,760

what's coming up this week and that is

1592

01:10:17,350 --> 01:10:14,640

uh spooky trying to make me work

1593

01:10:20,070 --> 01:10:17,360

we have a few shows for you this week

1594

01:10:21,910 --> 01:10:20,080

uh we're gonna debut a new guest host

1595

01:10:24,550 --> 01:10:21,920

and we also have

1596

01:10:27,270 --> 01:10:24,560

um sort of a monologue that i have been

1597

01:10:29,750 --> 01:10:27,280

preparing about the ufo echo chambers

1598

01:10:32,709 --> 01:10:29,760

you may know there's this echo chamber

1599

01:10:35,030 --> 01:10:32,719

system and if you're a skeptic and you

1600

01:10:37,430 --> 01:10:35,040

go into the believer echo chamber you

1601
01:10:39,030 --> 01:10:37,440
get deleted you get muted you get

1602
01:10:40,310 --> 01:10:39,040
blocked you get

1603
01:10:41,750 --> 01:10:40,320
attacked

1604
01:10:45,189 --> 01:10:41,760
and if you're

1605
01:10:46,709 --> 01:10:45,199
a believer going into the skeptic groups

1606
01:10:48,709 --> 01:10:46,719
same thing and i don't think that's

1607
01:10:51,510 --> 01:10:48,719
right i would like us for us all to meet

1608
01:10:53,750 --> 01:10:51,520
somewhere in the middle and burst all of

1609
01:10:55,030 --> 01:10:53,760
these bubbles these echo chambers that

1610
01:10:57,669 --> 01:10:55,040
people stay

1611
01:10:59,590 --> 01:10:57,679
insulated in it's interesting to note

1612
01:11:01,669 --> 01:10:59,600
that i believe largely due to our

1613
01:11:03,350 --> 01:11:01,679

coverage linda molten hale has changed

1614

01:11:05,270 --> 01:11:03,360

her chat settings for her youtube

1615

01:11:07,669 --> 01:11:05,280

channel and you can only chat if you've

1616

01:11:10,470 --> 01:11:07,679

been a subscriber of hers for like 15

1617

01:11:14,310 --> 01:11:10,480

years talk about insulating yourself

1618

01:11:16,390 --> 01:11:14,320

from criticism uh it's a big club and i

1619

01:11:18,310 --> 01:11:16,400

ain't in it i mean i ain't even allowed

1620

01:11:20,390 --> 01:11:18,320

to go to linda mountain house chat

1621

01:11:22,950 --> 01:11:20,400

anymore and ask a question

1622

01:11:26,390 --> 01:11:22,960

uh but when i did

1623

01:11:28,470 --> 01:11:26,400

i would get uh

1624

01:11:31,430 --> 01:11:28,480

muted they wouldn't let me ask questions

1625

01:11:33,189 --> 01:11:31,440

so i guess no loss right

1626

01:11:34,390 --> 01:11:33,199

sweet caroline says hello my sugar

1627

01:11:35,590 --> 01:11:34,400

stephen you're gonna get me in trouble

1628

01:11:38,070 --> 01:11:35,600

with my wife she's gonna wanna know

1629

01:11:40,470 --> 01:11:38,080

who's that girl

1630

01:11:42,790 --> 01:11:40,480

oh hide it hurry up no

1631

01:11:45,350 --> 01:11:42,800

uh i don't think she watches so we're

1632

01:11:48,470 --> 01:11:45,360

safe we're fine thank you uh good to see

1633

01:11:50,070 --> 01:11:48,480

you sweet carolyn who is caroline who is

1634

01:11:54,950 --> 01:11:50,080

a

1635

01:11:55,830 --> 01:11:54,960

month or

1636

01:11:57,590 --> 01:11:55,840

you can

1637

01:11:59,990 --> 01:11:57,600

join our channel here just click the

1638

01:12:02,310 --> 01:12:00,000

join button on youtube and you become a

1639

01:12:05,270 --> 01:12:02,320

youtube channel member you get all the

1640

01:12:06,310 --> 01:12:05,280

patreon benefits and a bunch of extra

1641

01:12:09,189 --> 01:12:06,320

goodies

1642

01:12:11,030 --> 01:12:09,199

and by the way i saw some other show

1643

01:12:12,950 --> 01:12:11,040

host

1644

01:12:14,950 --> 01:12:12,960

you know talking about transparency and

1645

01:12:16,709 --> 01:12:14,960

how much he makes and

1646

01:12:18,229 --> 01:12:16,719

that guy's got a slave labor force

1647

01:12:19,910 --> 01:12:18,239

working for his show so i don't

1648

01:12:22,070 --> 01:12:19,920

understand how he's upset that people

1649

01:12:23,750 --> 01:12:22,080

say he only cares about money because

1650

01:12:26,390 --> 01:12:23,760

apparently that guy expects everybody to

1651

01:12:29,990 --> 01:12:26,400

work for him for free for five years and

1652

01:12:32,229 --> 01:12:30,000

then he may pay them yeah imagine people

1653

01:12:33,750 --> 01:12:32,239

like being like wow that guy only cares

1654

01:12:36,149 --> 01:12:33,760

about money when you're doing stuff like

1655

01:12:37,590 --> 01:12:36,159

that but uh you know i don't know he's

1656

01:12:39,990 --> 01:12:37,600

got some kind of challenge everybody's

1657

01:12:42,870 --> 01:12:40,000

supposed to be transparent i make about

1658

01:12:45,030 --> 01:12:42,880

taco bell wages here i guess i haven't

1659

01:12:47,510 --> 01:12:45,040

worked it out in a while but i think i

1660

01:12:49,189 --> 01:12:47,520

make about taco bell wages here and i

1661

01:12:51,270 --> 01:12:49,199

don't think that anybody would begrudge

1662

01:12:52,790 --> 01:12:51,280

me the taco bell wages and over and

1663

01:12:54,709 --> 01:12:52,800

above that

1664

01:12:56,470 --> 01:12:54,719

i have a wife who's an accountant so i

1665

01:12:58,790 --> 01:12:56,480

have spreadsheets and i can show you

1666

01:13:01,110 --> 01:12:58,800

exactly what i spend every dollar here

1667

01:13:03,430 --> 01:13:01,120

on it all goes back to the show

1668

01:13:06,070 --> 01:13:03,440

the vast majority of it everything that

1669

01:13:08,790 --> 01:13:06,080

we need here software um

1670

01:13:10,870 --> 01:13:08,800

we we just got some you know like music

1671

01:13:12,870 --> 01:13:10,880

rights society that we

1672

01:13:14,550 --> 01:13:12,880

joined that lets us use a whole bunch of

1673

01:13:16,550 --> 01:13:14,560

royalty-free music so we don't get

1674

01:13:18,390 --> 01:13:16,560

copyright claims we pay for that we pay

1675

01:13:20,149 --> 01:13:18,400

for the google drive where we share all

1676

01:13:21,830 --> 01:13:20,159

of our evidence and information and the

1677

01:13:23,990 --> 01:13:21,840

monthly show journals and the patreon

1678

01:13:27,270 --> 01:13:24,000

benefits we pay for the stream yard

1679

01:13:29,270 --> 01:13:27,280

software here uh we pay for speaker we

1680

01:13:31,189 --> 01:13:29,280

actually have to pay them well actually

1681

01:13:33,990 --> 01:13:31,199

i think we come out ahead you know we

1682

01:13:37,430 --> 01:13:34,000

have to pace speaker to distribute the

1683

01:13:38,630 --> 01:13:37,440

uh audio podcast all these expenses all

1684

01:13:39,910 --> 01:13:38,640

come out

1685

01:13:41,669 --> 01:13:39,920

um

1686

01:13:43,110 --> 01:13:41,679

and then of course there's taxes and

1687

01:13:45,030 --> 01:13:43,120

everything else so

1688

01:13:47,350 --> 01:13:45,040

yeah i don't even think i mean taco bell

1689

01:13:48,310 --> 01:13:47,360

wages but there's my transparency and by

1690

01:13:50,709 --> 01:13:48,320

the way

1691

01:13:52,709 --> 01:13:50,719

even though i'm making taco bell wages i

1692

01:13:55,189 --> 01:13:52,719

refuse to let someone work for me for

1693

01:13:57,270 --> 01:13:55,199

free so uh you know somebody sent me a

1694

01:13:59,350 --> 01:13:57,280

nasty message about this because i was

1695

01:14:01,350 --> 01:13:59,360

critical of the guy with all the slaves

1696

01:14:04,470 --> 01:14:01,360

working for free they say well spooky

1697

01:14:07,350 --> 01:14:04,480

helps you and i pay spooky

1698

01:14:10,310 --> 01:14:07,360

and uh it's not what spooky's worth i

1699

01:14:12,229 --> 01:14:10,320

pay spooky what were able to pay spooky

1700

01:14:13,030 --> 01:14:12,239

and by the way spooky has

1701

01:14:15,590 --> 01:14:13,040

uh

1702

01:14:17,750 --> 01:14:15,600

i would call it audit rights spooky can

1703

01:14:18,790 --> 01:14:17,760

look at every dollar that we're taking

1704

01:14:21,189 --> 01:14:18,800

in here

1705

01:14:22,229 --> 01:14:21,199

and decide if i'm not paying

1706

01:14:26,149 --> 01:14:22,239

enough

1707

01:14:28,310 --> 01:14:26,159

uh but we made an agreement and i it's i

1708

01:14:30,390 --> 01:14:28,320

wish that we could pay spooky more but

1709

01:14:31,830 --> 01:14:30,400

we're paying spooky

1710

01:14:32,870 --> 01:14:31,840

i don't believe in making people work

1711

01:14:34,870 --> 01:14:32,880

for free

1712

01:14:37,270 --> 01:14:34,880

i i think that's a despicable thing to

1713

01:14:38,790 --> 01:14:37,280

do especially multiple people like look

1714

01:14:40,390 --> 01:14:38,800

i'm trying to build the show and all you

1715

01:14:42,950 --> 01:14:40,400

people are going to work for me for free

1716

01:14:45,430 --> 01:14:42,960

for the next five years and then once we

1717

01:14:47,510 --> 01:14:45,440

start making enough money i may pay you

1718

01:14:49,350 --> 01:14:47,520

that's a slimy thing to do

1719

01:14:51,510 --> 01:14:49,360

you know how about you just get up off

1720

01:14:54,070 --> 01:14:51,520

your ass and you do the show yourself

1721

01:14:56,630 --> 01:14:54,080

until you can afford to pay someone to

1722

01:14:59,110 --> 01:14:56,640

help you and in full disclosure i tried

1723

01:15:01,350 --> 01:14:59,120

my very best i did everything here for a

1724

01:15:02,950 --> 01:15:01,360

while and then spooky came to help and

1725

01:15:04,790 --> 01:15:02,960

then spooky left for a while and i did

1726

01:15:06,870 --> 01:15:04,800

everything myself for a while and the

1727

01:15:09,590 --> 01:15:06,880

first time i you know

1728

01:15:10,950 --> 01:15:09,600

and then uh spooky comes back had a

1729

01:15:14,470 --> 01:15:10,960

little more time

1730

01:15:16,229 --> 01:15:14,480

i and i pay her so

1731

01:15:19,030 --> 01:15:16,239

there's no there's no

1732

01:15:23,030 --> 01:15:19,040

lack of transparency here

1733

01:15:25,669 --> 01:15:23,040

uh and certainly no hypocrisy you know

1734

01:15:28,149 --> 01:15:25,679

uh

1735

01:15:30,070 --> 01:15:28,159

b baker literally two years after

1736

01:15:32,390 --> 01:15:30,080

youtube started that's how long you have

1737

01:15:34,870 --> 01:15:32,400

to be subscribed to linda multan how to

1738

01:15:38,550 --> 01:15:34,880

chat in her chat room yeah she's trying

1739

01:15:39,510 --> 01:15:38,560

to limit criticism though this is the

1740

01:15:40,630 --> 01:15:39,520

uh

1741

01:15:41,990 --> 01:15:40,640

yeah

1742

01:15:43,910 --> 01:15:42,000

sweet caroline doesn't want anyone

1743

01:15:48,229 --> 01:15:43,920

getting murdered in their sleep you must

1744

01:15:51,590 --> 01:15:49,430

oh but

1745

01:15:53,669 --> 01:15:51,600

she's fair though sweet caroline like

1746

01:15:56,070 --> 01:15:53,679

she's only vengeful when she has a right

1747

01:16:01,030 --> 01:15:58,630

and in full disclosure i am a stupid man

1748

01:16:02,229 --> 01:16:01,040

so i have said stupid things many times

1749

01:16:03,669 --> 01:16:02,239

that

1750

01:16:06,149 --> 01:16:03,679

gave her a reason to want to murder me

1751

01:16:08,390 --> 01:16:06,159

in my sleep or done stupid things more i

1752

01:16:15,510 --> 01:16:08,400

think she's more about actions than

1753

01:16:21,270 --> 01:16:18,630

pex is here i haven't seen pics in a

1754

01:16:24,070 --> 01:16:21,280

while we missed your your candid

1755

01:16:27,270 --> 01:16:24,080

criticism of how shitty my show is there

1756

01:16:30,070 --> 01:16:27,280

pics good to see you in the live chat

1757

01:16:32,790 --> 01:16:30,080

uh did you watch ariel i'm thinking no

1758

01:16:34,870 --> 01:16:32,800

not yet no i'm getting it and i'm gonna

1759

01:16:36,550 --> 01:16:34,880

have to pay for it i gotta figure out

1760

01:16:38,630 --> 01:16:36,560

how you can watch it where you can buy

1761

01:16:40,550 --> 01:16:38,640

it and then i'm gonna pay for it for

1762

01:16:42,550 --> 01:16:40,560

both me and spooky we're both gonna

1763

01:16:44,310 --> 01:16:42,560

watch it and we're not gonna talk about

1764

01:16:46,709 --> 01:16:44,320

it we're gonna go live and then we're

1765

01:16:48,950 --> 01:16:46,719

gonna talk about what we both think

1766

01:16:50,390 --> 01:16:48,960

um you know we'll take you along with us

1767

01:16:56,550 --> 01:16:50,400

for that but thank you for your kindness

1768

01:17:00,630 --> 01:16:57,830

uh

1769

01:17:05,030 --> 01:17:00,640

craig williams says i would was earning

1770

01:17:07,430 --> 01:17:05,040

long john silver's wages 335 an hour but

1771

01:17:10,149 --> 01:17:07,440

but the grease cleaning for my closing

1772

01:17:13,510 --> 01:17:10,159

shift was a deal breaker

1773

01:17:15,590 --> 01:17:13,520

yeah i i i i'm sure that i had a job

1774

01:17:16,390 --> 01:17:15,600

growing up that was 335 that's what i

1775

01:17:23,430 --> 01:17:16,400

remember

1776

01:17:26,229 --> 01:17:23,440

between but i think

1777

01:17:28,550 --> 01:17:26,239

i made 335 as a kid for a long time or a

1778

01:17:31,750 --> 01:17:28,560

teenager or maybe even into my early 20s

1779

01:17:34,470 --> 01:17:31,760

and and then i got a higher paying job

1780

01:17:36,470 --> 01:17:34,480

that was well above the 335 so the 750

1781

01:17:39,030 --> 01:17:36,480

didn't matter to me but i remember it

1782

01:17:40,790 --> 01:17:39,040

was 335 then it was 7.50

1783

01:17:43,350 --> 01:17:40,800

i think it's still 750 as federal

1784

01:17:45,910 --> 01:17:43,360

minimum wage so that's why i'm saying i

1785

01:17:47,990 --> 01:17:45,920

make taco bell wages or minimum wage

1786

01:17:49,830 --> 01:17:48,000

and i don't even think we make that if i

1787

01:17:51,910 --> 01:17:49,840

if i'm if i take off all the show

1788

01:17:53,910 --> 01:17:51,920

expenses and then i take off the taxes

1789

01:17:56,390 --> 01:17:53,920

for what's left and also remember

1790

01:17:58,709 --> 01:17:56,400

youtube takes 30 percent patreon takes a

1791

01:18:00,870 --> 01:17:58,719

cut everybody's getting a piece

1792

01:18:02,950 --> 01:18:00,880

you know

1793

01:18:05,030 --> 01:18:02,960

uh so any more comments or questions for

1794

01:18:09,669 --> 01:18:05,040

me please put them in all capital

1795

01:18:14,470 --> 01:18:12,310

yes uh he has he has michael you are

1796

01:18:16,390 --> 01:18:14,480

correct but by then

1797

01:18:18,630 --> 01:18:16,400

everybody already made their money by

1798

01:18:20,310 --> 01:18:18,640

the time that you know the problem that

1799

01:18:22,550 --> 01:18:20,320

i have with that whole situation michael

1800

01:18:24,310 --> 01:18:22,560

wade is that it was like literally one

1801
01:18:27,110 --> 01:18:24,320
month after the documentary came out

1802
01:18:29,990 --> 01:18:27,120
that we get the analysis it's just human

1803
01:18:31,590 --> 01:18:30,000
so what what what stephen greer and

1804
01:18:33,510 --> 01:18:31,600
nolan are telling us is that they

1805
01:18:35,110 --> 01:18:33,520
couldn't wait one month it's probably

1806
01:18:37,189 --> 01:18:35,120
wasn't no one's decision it was probably

1807
01:18:39,030 --> 01:18:37,199
grier's decision hurry up and put out

1808
01:18:41,350 --> 01:18:39,040
the documentary before this analysis

1809
01:18:42,390 --> 01:18:41,360
comes back and shows us that it's just a

1810
01:18:46,229 --> 01:18:42,400
normal

1811
01:18:47,669 --> 01:18:46,239
human fetus

1812
01:18:49,750 --> 01:18:47,679
they could have waited stephen grier

1813
01:18:51,430 --> 01:18:49,760

could have waited that one month

1814

01:18:54,229 --> 01:18:51,440

or whatever it was a couple of months

1815

01:18:55,669 --> 01:18:54,239

max to get the analysis but then he

1816

01:18:58,550 --> 01:18:55,679

wouldn't have made millions of dollars

1817

01:19:00,950 --> 01:18:58,560

hyping up this fake dead alien baby

1818

01:19:03,270 --> 01:19:00,960

so you see how this works you over

1819

01:19:04,709 --> 01:19:03,280

promise and under deliver and then by

1820

01:19:06,709 --> 01:19:04,719

the time the truth comes out you've

1821

01:19:08,390 --> 01:19:06,719

already got your money you're not giving

1822

01:19:10,709 --> 01:19:08,400

any of the money back

1823

01:19:14,470 --> 01:19:12,550

walter bosley says i'm paying people on

1824

01:19:16,790 --> 01:19:14,480

my film now but 10 years ago film was

1825

01:19:19,270 --> 01:19:16,800

all voluntary well i i didn't see you

1826

01:19:23,030 --> 01:19:19,280

offer me a job and i could do some work

1827

01:19:23,750 --> 01:19:23,040

you know mr bosley

1828

01:19:30,229 --> 01:19:23,760

i

1829

01:19:33,990 --> 01:19:30,239

yeah

1830

01:19:36,630 --> 01:19:34,000

oh also a personal note but

1831

01:19:39,189 --> 01:19:36,640

i want to reach out for some help and

1832

01:19:41,350 --> 01:19:39,199

assistance i am not a gamer in fact i'm

1833

01:19:44,070 --> 01:19:41,360

so behind in games that my newest

1834

01:19:44,870 --> 01:19:44,080

console was an xbox 360

1835

01:19:47,590 --> 01:19:44,880

which

1836

01:19:50,390 --> 01:19:47,600

my six-year-old son xavier found one day

1837

01:19:51,990 --> 01:19:50,400

in a box after we moved here

1838

01:19:54,630 --> 01:19:52,000

you know i don't know last year or

1839

01:19:56,870 --> 01:19:54,640

something he found the xbox 360 and and

1840

01:19:58,310 --> 01:19:56,880

all the games and confiscated it so

1841

01:20:00,470 --> 01:19:58,320

that's his nail

1842

01:20:02,630 --> 01:20:00,480

but my son xavier is

1843

01:20:04,709 --> 01:20:02,640

crazy about video games and he really

1844

01:20:06,709 --> 01:20:04,719

wants a playstation 5

1845

01:20:08,229 --> 01:20:06,719

for christmas and his wife is very

1846

01:20:11,990 --> 01:20:08,239

worried are we going to be able to get

1847

01:20:14,310 --> 01:20:12,000

one so if anybody knows um

1848

01:20:16,629 --> 01:20:14,320

a foolproof way for us to get one and i

1849

01:20:19,510 --> 01:20:16,639

mean at normal price we really can't

1850

01:20:21,750 --> 01:20:19,520

afford to pay a thousand dollars for one

1851

01:20:23,750 --> 01:20:21,760

gift for one child we have two children

1852

01:20:25,910 --> 01:20:23,760

to worry about for christmas if anybody

1853

01:20:28,149 --> 01:20:25,920

knows please email me at truthsecretshow

1854

01:20:30,229 --> 01:20:28,159

gmail.com if anybody has one that they

1855

01:20:31,590 --> 01:20:30,239

want to sell at normal price

1856

01:20:32,470 --> 01:20:31,600

please let me know

1857

01:20:33,270 --> 01:20:32,480

uh

1858

01:20:34,629 --> 01:20:33,280

yeah

1859

01:20:35,830 --> 01:20:34,639

so that's

1860

01:20:38,629 --> 01:20:35,840

just something that i'm gonna have to

1861

01:20:40,310 --> 01:20:38,639

worry about as a dad now is my son gonna

1862

01:20:43,030 --> 01:20:40,320

be upset that he doesn't get that's the

1863

01:20:44,790 --> 01:20:43,040

one thing he really wants you know

1864

01:20:46,470 --> 01:20:44,800

so we gotta figure it out because i

1865

01:20:48,470 --> 01:20:46,480

haven't tried to buy one in a while but

1866

01:20:50,470 --> 01:20:48,480

we just looked and it's

1867

01:20:53,030 --> 01:20:50,480

it's a whole mess you gotta sign up and

1868

01:20:54,790 --> 01:20:53,040

maybe you get picked by sony to be one

1869

01:20:57,189 --> 01:20:54,800

of the people that can get one when they

1870

01:20:58,870 --> 01:20:57,199

become available and can ship it and

1871

01:21:01,270 --> 01:20:58,880

it's this whole thing like i don't

1872

01:21:02,149 --> 01:21:01,280

understand this why can't i just buy it

1873

01:21:03,669 --> 01:21:02,159

but

1874

01:21:05,990 --> 01:21:03,679

anyway if anybody can help i would

1875

01:21:06,790 --> 01:21:06,000

appreciate it right

1876

01:21:08,790 --> 01:21:06,800

so

1877

01:21:10,709 --> 01:21:08,800

listen i got a very important phone call

1878

01:21:14,310 --> 01:21:10,719

that i really need to take tonight uh

1879

01:21:16,550 --> 01:21:14,320

and uh will certainly concern that

1880

01:21:18,709 --> 01:21:16,560

will certainly affect the future of the

1881

01:21:20,629 --> 01:21:18,719

show it's a pretty important phone call

1882

01:21:23,750 --> 01:21:20,639

so i i want to

1883

01:21:25,750 --> 01:21:23,760

wrap things up here and and bounce on

1884

01:21:27,189 --> 01:21:25,760

out of here i want to thank each and

1885

01:21:28,629 --> 01:21:27,199

every one of you for joining us i want

1886

01:21:30,950 --> 01:21:28,639

to thank our kind and generous

1887

01:21:33,510 --> 01:21:30,960

benefactors by the way i do have to

1888

01:21:37,430 --> 01:21:33,520

remind myself i mentioned we read every

1889

01:21:39,669 --> 01:21:37,440

single super chat we also read uh

1890

01:21:45,030 --> 01:21:39,679

every paypal pledge instructions to do

1891

01:21:49,590 --> 01:21:47,189

yeah we we're good on the paypal we've

1892

01:21:52,870 --> 01:21:49,600

read them all so no new ones

1893

01:21:55,430 --> 01:21:52,880

and cash app as well no new ones uh but

1894

01:21:56,390 --> 01:21:55,440

we do want to thank sidovich who i'm

1895

01:21:58,950 --> 01:21:56,400

told

1896

01:22:00,310 --> 01:21:58,960

bought 10 people channel memberships

1897

01:22:02,149 --> 01:22:00,320

here i don't know if he's only paying

1898

01:22:04,629 --> 01:22:02,159

for the first month or what he did or

1899

01:22:06,310 --> 01:22:04,639

how he did that but thanks sid [h__\h] we

1900

01:22:08,709 --> 01:22:06,320

really appreciate the

1901

01:22:11,030 --> 01:22:08,719

generosity and support

1902

01:22:13,750 --> 01:22:11,040

um

1903

01:22:16,149 --> 01:22:13,760

we also this week have uh some

1904

01:22:18,629 --> 01:22:16,159

more interesting things to talk about

1905

01:22:20,470 --> 01:22:18,639

with uh

1906

01:22:22,790 --> 01:22:20,480

in regards to

1907

01:22:26,550 --> 01:22:22,800

lou elizondo and david bucky thank you

1908

01:22:30,390 --> 01:22:28,629

and sweet caroline says looking for a

1909

01:22:32,229 --> 01:22:30,400

ps5 at a reasonable price for the last

1910

01:22:34,629 --> 01:22:32,239

three years it's ridiculous

1911

01:22:36,870 --> 01:22:34,639

ps4 is just as good uh yeah he's going

1912

01:22:38,950 --> 01:22:36,880

to not like the piano he's he wants a

1913

01:22:41,110 --> 01:22:38,960

ps5 he's very particular he's kind of

1914

01:22:43,830 --> 01:22:41,120

like his mother so i already thought to

1915

01:22:47,030 --> 01:22:43,840

try to paint off a playstation 4 on him

1916

01:22:50,070 --> 01:22:47,040

i don't think that's going to work

1917

01:22:51,910 --> 01:22:50,080

uh yeah so listen uh what what else can

1918

01:22:53,030 --> 01:22:51,920

i say friends this is all i got for you

1919

01:22:55,350 --> 01:22:53,040

for tonight

1920

01:22:58,060 --> 01:22:55,360

i'm looking very forward though

1921

01:22:59,590 --> 01:22:58,070

because uh we are going to be

1922

01:23:02,229 --> 01:22:59,600

[Music]

1923

01:23:03,910 --> 01:23:02,239

moving back back to

1924

01:23:06,550 --> 01:23:03,920

my good studio

1925

01:23:07,990 --> 01:23:06,560

in a few more weeks and i got a few more

1926

01:23:10,550 --> 01:23:08,000

weeks of

1927

01:23:12,950 --> 01:23:10,560

you know letting the heat settle

1928

01:23:14,870 --> 01:23:12,960

before i can go back there and i'm i'm

1929

01:23:17,830 --> 01:23:14,880

so anxious to do that because we have

1930

01:23:19,990 --> 01:23:17,840

like six or i think maybe seven cameras

1931

01:23:22,310 --> 01:23:20,000

now all working and and all these

1932

01:23:24,470 --> 01:23:22,320

computers in there it looks great can't

1933

01:23:26,709 --> 01:23:24,480

wait to move back this temporary thing

1934

01:23:28,229 --> 01:23:26,719

worked out you know you got to do what

1935

01:23:29,830 --> 01:23:28,239

you got to do we roll with the punches

1936

01:23:31,830 --> 01:23:29,840

here but i'm looking forward to getting

1937

01:23:34,870 --> 01:23:31,840

back to my studio and taking you with me

1938

01:23:36,390 --> 01:23:34,880

to a much bigger better setup you know

1939

01:23:37,990 --> 01:23:36,400

and i apologize for the lack of

1940

01:23:40,070 --> 01:23:38,000

production lately

1941

01:23:41,830 --> 01:23:40,080

just harder in here because this is such

1942

01:23:44,310 --> 01:23:41,840

a temporary space

1943

01:23:45,590 --> 01:23:44,320

but we adapt and overcome that's what we

1944

01:23:47,430 --> 01:23:45,600

do here

1945

01:23:48,390 --> 01:23:47,440

so that's all i got for you tonight

1946

01:23:51,030 --> 01:23:48,400

friends

1947

01:23:53,430 --> 01:23:51,040

uh if i will do an update if we actually

1948

01:23:56,070 --> 01:23:53,440

hear back from ross cultheart or mickey

1949

01:23:58,470 --> 01:23:56,080

okaku or i think that's how you say his

1950

01:24:00,149 --> 01:23:58,480

name michio kaku

1951

01:24:01,510 --> 01:24:00,159

by the way i'm a big fan of that guy i

1952

01:24:03,590 --> 01:24:01,520

grew up watching

1953

01:24:05,189 --> 01:24:03,600

him talking about physics and and making

1954

01:24:08,310 --> 01:24:05,199

it understandable for regular people i

1955

01:24:12,870 --> 01:24:10,629

and gary nolan well he came on my radar

1956

01:24:15,189 --> 01:24:12,880

with the stephen greer scam but to his

1957

01:24:16,950 --> 01:24:15,199

credit he basically said steven grier's

1958

01:24:19,270 --> 01:24:16,960

full of it it's just a normal human

1959

01:24:20,870 --> 01:24:19,280

fetus he told the truth and then stephen

1960

01:24:22,790 --> 01:24:20,880

greer turned on him and started claiming

1961

01:24:23,590 --> 01:24:22,800

the cia got to him

1962

01:24:28,229 --> 01:24:23,600

yeah

1963

01:24:30,390 --> 01:24:28,239

and now we get to this latest uh over

1964

01:24:33,110 --> 01:24:30,400

promising under delivering

1965

01:24:34,390 --> 01:24:33,120

now my prediction is that ross coltheart

1966

01:24:36,950 --> 01:24:34,400

will do the same thing that all the

1967

01:24:40,149 --> 01:24:36,960

cosmic cons do you got to do the cosmic

1968

01:24:41,910 --> 01:24:40,159

on shuffle when you get caught

1969

01:24:44,229 --> 01:24:41,920

lying through your teeth

1970

01:24:46,229 --> 01:24:44,239

and you get caught over promising and

1971

01:24:48,629 --> 01:24:46,239

under delivering and there's no way to

1972

01:24:51,030 --> 01:24:48,639

squirm out of what you just did and how

1973

01:24:53,350 --> 01:24:51,040

slimy what you just did is

1974

01:24:55,750 --> 01:24:53,360

you got to do the cosmic on shuffle and

1975

01:24:58,629 --> 01:24:55,760

you shuffle off for a little while until

1976

01:25:01,189 --> 01:24:58,639

everybody forgets about how full of it

1977

01:25:03,669 --> 01:25:01,199

you were and how you lied through your

1978

01:25:06,390 --> 01:25:03,679

teeth and how you were deceptive

1979

01:25:09,189 --> 01:25:06,400

and over promised and under delivered

1980

01:25:12,550 --> 01:25:09,199

you promised everyone quote conclusive

1981

01:25:15,510 --> 01:25:12,560

proof of alien technology unquote and

1982

01:25:17,510 --> 01:25:15,520

you gave everybody a big nothing burger

1983

01:25:19,669 --> 01:25:17,520

when the truth comes out and it's going

1984

01:25:21,990 --> 01:25:19,679

to this gary nolan's gonna post the

1985

01:25:24,070 --> 01:25:22,000

analysis of that thing and mark my words

1986

01:25:26,070 --> 01:25:24,080

friend it's gonna turn it's gonna it

1987

01:25:28,310 --> 01:25:26,080

might have some unusual properties i'll

1988

01:25:29,750 --> 01:25:28,320

give them that but

1989

01:25:31,430 --> 01:25:29,760

it's not going to be proof of alien

1990

01:25:33,590 --> 01:25:31,440

technology it's going to come back as

1991

01:25:35,750 --> 01:25:33,600

normal earthly metals might be some

1992

01:25:39,270 --> 01:25:35,760

strange alloys might be some weird

1993

01:25:41,430 --> 01:25:39,280

properties but earthly metals so

1994

01:25:42,550 --> 01:25:41,440

we're soon going to learn

1995

01:25:43,669 --> 01:25:42,560

for sure

1996

01:25:45,510 --> 01:25:43,679

i guess it's gonna we're gonna have to

1997

01:25:47,189 --> 01:25:45,520

wait three months for gary nolan to

1998

01:25:48,870 --> 01:25:47,199

finish the analysis before we get

1999

01:25:50,950 --> 01:25:48,880

definitive proof

2000

01:25:53,750 --> 01:25:50,960

that ross coulthard

2001
01:25:55,590 --> 01:25:53,760
lied when he said he already had

2002
01:25:58,310 --> 01:25:55,600
conclusive proof

2003
01:25:59,990 --> 01:25:58,320
of alien technology

2004
01:26:01,830 --> 01:26:00,000
unquote

2005
01:26:04,550 --> 01:26:01,840
and ross coulthard is going to have to

2006
01:26:06,390 --> 01:26:04,560
shuffle off and hope everybody forgets

2007
01:26:08,310 --> 01:26:06,400
about his over-promising and

2008
01:26:12,790 --> 01:26:08,320
under-delivering and delivering

2009
01:26:15,990 --> 01:26:12,800
everybody a big nothing burger huge hype

2010
01:26:18,310 --> 01:26:16,000
nothing burger nothing burger and by the

2011
01:26:20,790 --> 01:26:18,320
way this over promising under delivering

2012
01:26:23,189 --> 01:26:20,800
is always a bad idea

2013
01:26:26,629 --> 01:26:23,199

i've seen people do it in music

2014

01:26:28,390 --> 01:26:26,639

my band's so great my band's so awesome

2015

01:26:30,709 --> 01:26:28,400

they do a concert and

2016

01:26:32,709 --> 01:26:30,719

their girlfriends don't even show up

2017

01:26:34,790 --> 01:26:32,719

i've seen it in

2018

01:26:37,830 --> 01:26:34,800

we've all seen it we've seen have you

2019

01:26:39,270 --> 01:26:37,840

ever you know seen a trailer to a movie

2020

01:26:41,830 --> 01:26:39,280

that was super

2021

01:26:43,110 --> 01:26:41,840

overly hyped and the best two minutes of

2022

01:26:45,030 --> 01:26:43,120

the movie was in the trailer and the

2023

01:26:46,950 --> 01:26:45,040

rest of the movie was terrible you

2024

01:26:49,110 --> 01:26:46,960

should never over promise and under

2025

01:26:51,430 --> 01:26:49,120

deliver because it just disappoints

2026

01:26:54,870 --> 01:26:51,440

people you're a disappointment ross

2027

01:26:56,790 --> 01:26:54,880

coulther you sir are a disappointment

2028

01:26:58,550 --> 01:26:56,800

you disappointed everyone

2029

01:26:59,590 --> 01:26:58,560

including your mother

2030

01:27:01,030 --> 01:26:59,600

right

2031

01:27:03,910 --> 01:27:01,040

does your mother know that you lied

2032

01:27:07,110 --> 01:27:03,920

through your teeth in that promo come on

2033

01:27:10,870 --> 01:27:07,120

bro you disappointed everyone

2034

01:27:13,750 --> 01:27:10,880

you i've seen this also in magic uh guys

2035

01:27:16,149 --> 01:27:13,760

that promote themselves as like master

2036

01:27:18,950 --> 01:27:16,159

magician of the ages and then you go to

2037

01:27:20,629 --> 01:27:18,960

their show and they're literally doing

2038

01:27:21,990 --> 01:27:20,639

children's tricks i learned when i was

2039

01:27:23,430 --> 01:27:22,000

10 years old

2040

01:27:25,110 --> 01:27:23,440

and trying to pass it off as they're

2041

01:27:27,270 --> 01:27:25,120

some master magician

2042

01:27:30,470 --> 01:27:27,280

over promising and under delivering will

2043

01:27:32,950 --> 01:27:30,480

work once everybody gives you a chance

2044

01:27:35,510 --> 01:27:32,960

but if you do it again everybody knows

2045

01:27:37,669 --> 01:27:35,520

this guy's all hype he's full of [h__h]

2046

01:27:39,910 --> 01:27:37,679

and that's what i think is going to be

2047

01:27:41,430 --> 01:27:39,920

happening here to this ross coulther

2048

01:27:42,870 --> 01:27:41,440

people are going to know now that he's

2049

01:27:44,629 --> 01:27:42,880

full of it and by the way

2050

01:27:47,430 --> 01:27:44,639

congratulations ross

2051
01:27:49,510 --> 01:27:47,440
because you got a laughing lion i

2052
01:27:51,350 --> 01:27:49,520
reserve laughing lions usually for third

2053
01:27:53,510 --> 01:27:51,360
phase of moon bullshitters

2054
01:27:55,910 --> 01:27:53,520
but today you got a laughing lion

2055
01:27:58,550 --> 01:27:55,920
because your over promising and under

2056
01:28:02,149 --> 01:27:58,560
delivering was so

2057
01:28:05,350 --> 01:28:02,159
blatant so deceptive so slimy so

2058
01:28:06,550 --> 01:28:05,360
disgusting so low down dirty of a thing

2059
01:28:08,790 --> 01:28:06,560
to do

2060
01:28:10,470 --> 01:28:08,800
we give you the award of the laughing

2061
01:28:13,430 --> 01:28:10,480
lion

2062
01:28:16,149 --> 01:28:13,440
you deserve an award for how deceptively

2063
01:28:17,830 --> 01:28:16,159

that trailer that promo was put together

2064

01:28:20,070 --> 01:28:17,840

so that you could get more people to

2065

01:28:21,750 --> 01:28:20,080

click on your so-called work and make

2066

01:28:24,310 --> 01:28:21,760

more money

2067

01:28:25,990 --> 01:28:24,320

uh i for one nothing surprises me

2068

01:28:27,669 --> 01:28:26,000

anymore the fact that people are just

2069

01:28:29,750 --> 01:28:27,679

now straight lying through their teeth

2070

01:28:33,189 --> 01:28:29,760

promising quote conclusive proof of

2071

01:28:35,669 --> 01:28:33,199

alien technology unquote then we find

2072

01:28:37,430 --> 01:28:35,679

out he doesn't have [h__\h] he didn't have

2073

01:28:41,189 --> 01:28:37,440

[h__\h]

2074

01:28:44,709 --> 01:28:41,199

he had three fake ufo videos proven

2075

01:28:48,470 --> 01:28:44,719

hoaxed fake ufo videos that are not ufos

2076

01:28:51,110 --> 01:28:48,480

they're identified they're not aliens

2077

01:28:53,350 --> 01:28:51,120

two were balloons

2078

01:28:57,350 --> 01:28:53,360

one was drones

2079

01:28:59,030 --> 01:28:57,360

all three videos proven to be fake and

2080

01:29:01,830 --> 01:28:59,040

that's his evidence

2081

01:29:03,990 --> 01:29:01,840

then we get a recycled conflated story

2082

01:29:05,270 --> 01:29:04,000

with two other stories about fake alien

2083

01:29:07,430 --> 01:29:05,280

spheres

2084

01:29:09,830 --> 01:29:07,440

uh the first two stories the one from

2085

01:29:12,709 --> 01:29:09,840

patrick and the one uh this patrick

2086

01:29:14,550 --> 01:29:12,719

person quantum paranormal nonsense

2087

01:29:17,030 --> 01:29:14,560

that's pretty sure that that's a fake

2088

01:29:19,750 --> 01:29:17,040

story since it came from jaime musan the

2089

01:29:23,110 --> 01:29:19,760

king of fake ufo and alien stories and

2090

01:29:25,830 --> 01:29:23,120

the best sphere originally it's debunked

2091

01:29:28,629 --> 01:29:25,840

look it up but now we got a new guy with

2092

01:29:30,229 --> 01:29:28,639

an another metal ball and by the way did

2093

01:29:32,629 --> 01:29:30,239

anybody else catch that the ball

2094

01:29:35,510 --> 01:29:32,639

measured exactly or excuse me weighed in

2095

01:29:37,270 --> 01:29:35,520

at exactly 50 pounds because all aliens

2096

01:29:39,990 --> 01:29:37,280

use exact

2097

01:29:41,110 --> 01:29:40,000

pound measurements of of earth right of

2098

01:29:45,669 --> 01:29:41,120

humans

2099

01:29:47,510 --> 01:29:45,679

sure

2100

01:29:49,830 --> 01:29:47,520

could have been a ball bearing at

2101
01:29:51,990 --> 01:29:49,840
exactly 50 pounds could have been a ball

2102
01:29:53,669 --> 01:29:52,000
bearing at exacting

2103
01:29:55,030 --> 01:29:53,679
inch membership

2104
01:29:56,629 --> 01:29:55,040
measurements

2105
01:29:58,070 --> 01:29:56,639
by the way i loved him using a tape

2106
01:30:00,470 --> 01:29:58,080
measure to try to measure that that's

2107
01:30:02,790 --> 01:30:00,480
not the way you do it it's not science

2108
01:30:04,790 --> 01:30:02,800
that's not what that's anyway

2109
01:30:06,149 --> 01:30:04,800
look i've rambled enough friends got an

2110
01:30:08,470 --> 01:30:06,159
important phone call to make we'll be

2111
01:30:09,270 --> 01:30:08,480
back tomorrow night 9pm eastern standard

2112
01:30:10,950 --> 01:30:09,280
time

2113
01:30:12,870 --> 01:30:10,960

i want to thank spooky for the excellent

2114

01:30:14,070 --> 01:30:12,880

edit earlier and the excellent artwork

2115

01:30:15,510 --> 01:30:14,080

and thumbnail

2116

01:30:18,229 --> 01:30:15,520

check in the description of the video

2117

01:30:21,189 --> 01:30:18,239

and subscribe to spooky's show

2118

01:30:23,270 --> 01:30:21,199

and uh intel ladies as well is in the

2119

01:30:25,510 --> 01:30:23,280

description of the video and we also do

2120

01:30:27,669 --> 01:30:25,520

want to acknowledge and thank uh stephen

2121

01:30:31,430 --> 01:30:27,679

greenstreet who i stole that gunzo yeah

2122

01:30:33,669 --> 01:30:31,440

we stole that fair use fair use

2123

01:30:35,990 --> 01:30:33,679

uh yeah all right friends that's all i

2124

01:30:37,750 --> 01:30:36,000

got for you until next time friends

2125

01:30:39,510 --> 01:30:37,760

i'm stephen champion

2126
01:30:41,750 --> 01:30:39,520
reminding you

2127
01:30:43,990 --> 01:30:41,760
that you will never find truth

2128
01:30:53,510 --> 01:30:44,000
when it starts with lies good night and

2129
01:30:53,520 --> 01:30:58,880
so

2130
01:30:58,890 --> 01:31:21,110
[Music]

2131
01:31:36,870 --> 01:31:22,940
so

2132
01:31:38,200 --> 01:31:36,880
[Music]

2133
01:32:03,350 --> 01:31:38,210
so

2134
01:32:04,900 --> 01:32:03,360
[Music]

2135
01:32:07,900 --> 01:32:04,910
so

2136
01:32:09,260 --> 01:32:07,910
[Music]

2137
01:32:19,110 --> 01:32:09,270
[Applause]

2138
01:32:20,280 --> 01:32:19,120

[Music]

2139

01:32:52,830 --> 01:32:20,290

so

2140

01:32:58,390 --> 01:32:54,790

um uh

2141

01:33:03,510 --> 01:32:58,400

i i i probably would

2142

01:33:06,709 --> 01:33:03,520

be more cautious about in terms of

2143

01:33:08,790 --> 01:33:06,719

how we present it

2144

01:33:10,229 --> 01:33:08,800

is the sphere

2145

01:33:13,430 --> 01:33:10,239

story

2146

01:33:16,950 --> 01:33:13,440

uh for the simple fact that

2147

01:33:18,229 --> 01:33:16,960

we just don't know yet whether it is or

2148

01:33:19,990 --> 01:33:18,239

it isn't

2149

01:33:21,510 --> 01:33:20,000

non-human

2150

01:33:24,709 --> 01:33:21,520

technology

2151
01:33:29,350 --> 01:33:24,719
we have new conclusive proof testable

2152
01:33:32,550 --> 01:33:29,360
evidence of alien technology frankly

2153
01:33:36,390 --> 01:33:32,560
whilst a lot of people want us to say

2154
01:33:37,510 --> 01:33:36,400
yeah it's alien technology

2155
01:33:41,030 --> 01:33:37,520
we're not

2156
01:33:44,070 --> 01:33:41,040
going to say that we have new conclusive

2157
01:33:46,629 --> 01:33:44,080
proof testable evidence of alien

2158
01:33:49,590 --> 01:33:46,639
technology this renowned scientist

2159
01:33:53,110 --> 01:33:49,600
confirms it all whilst a lot of people

2160
01:33:55,030 --> 01:33:53,120
want us to say yeah it's alien

2161
01:33:56,070 --> 01:33:55,040
technology

2162
01:33:59,350 --> 01:33:56,080
we're not

2163
01:34:02,310 --> 01:33:59,360

going to say that because

2164

01:34:05,510 --> 01:34:02,320

that's terrible danger

2165

01:34:08,310 --> 01:34:05,520

we have new conclusive proof testable

2166

01:34:12,470 --> 01:34:08,320

evidence of alien technology a lot of

2167

01:34:14,390 --> 01:34:12,480

people want us to say yeah it's alien

2168

01:34:15,510 --> 01:34:14,400

technology

2169

01:34:19,030 --> 01:34:15,520

we're not

2170

01:34:21,990 --> 01:34:19,040

going to say that alien technology this

2171

01:34:23,030 --> 01:34:22,000

renowned scientist confirms it all

2172

01:34:26,550 --> 01:34:23,040

we're not

2173

01:34:29,830 --> 01:34:26,560

going to say that new conclusive proof

2174

01:34:33,030 --> 01:34:29,840

testable evidence of alien technology

2175

01:34:34,149 --> 01:34:33,040

this renowned scientist confirms it all

2176

01:34:35,990 --> 01:34:34,159

we're not

2177

01:34:38,629 --> 01:34:36,000

going to say that

2178

01:34:42,149 --> 01:34:38,639

for the simple fact that

2179

01:34:43,350 --> 01:34:42,159

we just don't know yet whether it is or

2180

01:34:45,189 --> 01:34:43,360

it isn't

2181

01:34:51,380 --> 01:34:45,199

non-human

2182

01:35:05,510 --> 01:34:59,189

[Laughter]

2183

01:35:05,520 --> 01:35:25,109

[Music]

2184

01:35:25,119 --> 01:35:28,220

uh
