[Music]

15

00:05:00,170 --> 00:04:58,670

greetings and salutations friends and

16

00:05:02,570 --> 00:05:00,180

welcome back

17

00:05:04,189 --> 00:05:02,580

boy every once in a while the universe

18

00:05:07,490 --> 00:05:04,199

sends me a gift

19

00:05:09,290 --> 00:05:07,500

and recently the universe did send me a

20

00:05:11,570 --> 00:05:09,300

gift because

21

00:05:14,629 --> 00:05:11,580

since I started this show

22

00:05:16,070 --> 00:05:14,639

I have had more people email me asking

23

00:05:19,189 --> 00:05:16,080

me to cover

24

00:05:21,830 --> 00:05:19,199

uh this certain individual

25

00:05:25,370 --> 00:05:21,840

that we will be discussing tonight and

26

00:05:28,909 --> 00:05:25,380

that is Michael Salah now for those

27

00:05:29,749 --> 00:05:28,919

unaware if they're uh what I can the

28

00:05:31,370 --> 00:05:29,759

best

29

00:05:35,390 --> 00:05:31,380

thing that I can tell you about Michael

30

00:05:38,270 --> 00:05:35,400

Salah is first of all uh he was once a

31

00:05:41,570 --> 00:05:38,280

very educated well-respected man

32

00:05:44,870 --> 00:05:41,580

and uh you know worked at a college you

33

00:05:46,490 --> 00:05:44,880

know he was an academic and somewhere

34

00:05:49,490 --> 00:05:46,500

along the lines

35

00:05:51,650 --> 00:05:49,500

Michael Salah figured out that he could

36

00:05:54,409 --> 00:05:51,660

make a lot more money selling garbage

37

00:05:57,830 --> 00:05:54,419

alien stories to stupid people

38

00:05:59,450 --> 00:05:57,840

and since then and by the way uh I've

39

00:06:01,610 --> 00:05:59,460

been told I'm not sure if it's correct

40

00:06:04,909 --> 00:06:01,620

but I've been told that he was fired

41

00:06:08,749 --> 00:06:04,919

from his college job because he was

42

00:06:10,790 --> 00:06:08,759

using uh College resources and posting

43

00:06:14,689 --> 00:06:10,800

stories about aliens

44

00:06:16,909 --> 00:06:14,699

Etc and stupid Stories the same level of

45

00:06:19,790 --> 00:06:16,919

quality of garbage that he has been

46

00:06:21,230 --> 00:06:19,800

posting for years now he was posting to

47

00:06:24,170 --> 00:06:21,240

the colleges

48

00:06:25,730 --> 00:06:24,180

uh I don't know websites or blogs or

49

00:06:27,710 --> 00:06:25,740

something and you know generally

50

00:06:30,830 --> 00:06:27,720

colleges don't want one of the people

51  
00:06:34,430 --> 00:06:30,840  
that is teaching at their University to

52  
00:06:37,730 --> 00:06:34,440  
be doing things like he's doing

53  
00:06:40,070 --> 00:06:37,740  
you may remember Michael Salah as being

54  
00:06:44,450 --> 00:06:40,080  
one of those people

55  
00:06:47,090 --> 00:06:44,460  
who was what I call a Corey good fluffer

56  
00:06:48,890 --> 00:06:47,100  
that's right Michael Sal is a fluffer

57  
00:06:52,150 --> 00:06:48,900  
what's a fluffer

58  
00:06:55,909 --> 00:06:52,160  
well for those unfamiliar with the porn

59  
00:06:59,570 --> 00:06:55,919  
with the porn industry a fluffer is a

60  
00:07:01,249 --> 00:06:59,580  
guy or a girl depending on you know I

61  
00:07:05,089 --> 00:07:01,259  
guess if it's a gay shoot or a straight

62  
00:07:09,589 --> 00:07:05,099  
shoot anyway the fluffer is the guy that

63  
00:07:12,710 --> 00:07:09,599

gets the guy ready you know gets the guy

64

00:07:14,029 --> 00:07:12,720

ready for the scene you know pumps him

65

00:07:16,610 --> 00:07:14,039

up

66

00:07:20,510 --> 00:07:16,620

that's the best description that I could

67

00:07:22,850 --> 00:07:20,520

give for one Michael Salah and you know

68

00:07:25,430 --> 00:07:22,860

occasionally I come across one of these

69

00:07:28,370 --> 00:07:25,440

people that I call Cosmic con artists

70

00:07:29,930 --> 00:07:28,380

and Michael Salah definitely falls into

71

00:07:32,450 --> 00:07:29,940

this category

72

00:07:34,249 --> 00:07:32,460

I come across one and I say to myself

73

00:07:36,830 --> 00:07:34,259

well

74

00:07:38,629 --> 00:07:36,840

they're very uneducated maybe they

75

00:07:42,950 --> 00:07:38,639

really believe this stuff but Michael

76

00:07:46,249 --> 00:07:42,960

Salah is a very educated man

77

00:07:50,450 --> 00:07:46,259

there's no excuse for some of the things

78

00:07:57,010 --> 00:07:53,570

now despite what I think about

79

00:08:00,230 --> 00:07:57,020

Michael Salah there is some very

80

00:08:02,990 --> 00:08:00,240

disturbing proof that he doesn't care

81

00:08:05,270 --> 00:08:03,000

that what he's selling is garbage

82

00:08:07,730 --> 00:08:05,280

there's a famous story actually that

83

00:08:10,010 --> 00:08:07,740

bill Ryan who was an early critic of

84

00:08:11,150 --> 00:08:10,020

Corey good by the way that's the bill

85

00:08:13,909 --> 00:08:11,160

Ryan

86

00:08:16,189 --> 00:08:13,919

uh from Project Camelot and the Avalon

87

00:08:19,909 --> 00:08:16,199

forums is the person that we covered

88

00:08:22,969 --> 00:08:19,919

Corey good literally paid someone to

89

00:08:25,730 --> 00:08:22,979

take pictures of Bill Ryan's home

90

00:08:27,170 --> 00:08:25,740

and we have the Western Union receipts

91

00:08:30,050 --> 00:08:27,180

to prove it

92

00:08:32,509 --> 00:08:30,060

uh so that he could intimidate critic

93

00:08:34,850 --> 00:08:32,519

Corey good critic Bill Ryan

94

00:08:38,149 --> 00:08:34,860

but before all that happened Bill Ryan

95

00:08:42,230 --> 00:08:38,159

was on to the fact that Corey Goode was

96

00:08:43,490 --> 00:08:42,240

a grifter with no proof of anything that

97

00:08:46,610 --> 00:08:43,500

he was saying

98

00:08:49,670 --> 00:08:46,620

so early early on when Michael Salah got

99

00:08:53,570 --> 00:08:49,680

involved pumping Quarry Goods garbage

100

00:08:56,150 --> 00:08:53,580

information his Intel I always love it

101  
00:08:58,070 --> 00:08:56,160  
that these guys say they have Intel you

102  
00:08:59,990 --> 00:08:58,080  
know and they're getting briefings right

103  
00:09:02,269 --> 00:09:00,000  
Corey good talks about important

104  
00:09:04,550 --> 00:09:02,279  
Generals in the United States or

105  
00:09:07,070 --> 00:09:04,560  
giving him briefings

106  
00:09:10,269 --> 00:09:07,080  
no they're not and that's all I'm going

107  
00:09:12,949 --> 00:09:10,279  
to say on that but Bill Ryan reached out

108  
00:09:14,570 --> 00:09:12,959  
to Michael Salah

109  
00:09:17,570 --> 00:09:14,580  
early on

110  
00:09:20,389 --> 00:09:17,580  
in the Corey good Fiasco

111  
00:09:25,190 --> 00:09:22,430  
had a conversation with Michael Salah

112  
00:09:26,930 --> 00:09:25,200  
and he recounted this uh on a show with

113  
00:09:29,750 --> 00:09:26,940

Richard Dolan

114

00:09:31,730 --> 00:09:29,760

and he told the story of how he told

115

00:09:33,769 --> 00:09:31,740

nickel Sala there's an awful lot of

116

00:09:37,310 --> 00:09:33,779

problems with this person Corey good

117

00:09:40,310 --> 00:09:37,320

before you know are all chips in

118

00:09:43,430 --> 00:09:40,320

supporting him or or helping him to

119

00:09:45,350 --> 00:09:43,440

spread his stories you ought to see this

120

00:09:48,410 --> 00:09:45,360

evidence that I have

121

00:09:50,389 --> 00:09:48,420

and Michael Salah replied I don't want

122

00:09:53,150 --> 00:09:50,399

to see any of your evidence I'm already

123

00:09:56,090 --> 00:09:53,160

fully invested in Corey Goode

124

00:09:57,470 --> 00:09:56,100

does that sound like a good researcher

125

00:09:58,970 --> 00:09:57,480

to you

126

00:10:01,250 --> 00:09:58,980

does that sound like somebody who's

127

00:10:04,190 --> 00:10:01,260

really looking for the truth

128

00:10:05,690 --> 00:10:04,200

or does that sound like somebody who is

129

00:10:08,750 --> 00:10:05,700

um

130

00:10:10,970 --> 00:10:08,760

running a grift a con and doesn't care

131

00:10:12,949 --> 00:10:10,980

if the stories that he's peddling are

132

00:10:14,810 --> 00:10:12,959

true

133

00:10:17,569 --> 00:10:14,820

I mean a quick look through Michael

134

00:10:20,569 --> 00:10:17,579

salah's YouTube channel will tell you

135

00:10:24,290 --> 00:10:20,579

what he's about he's about the Galactic

136

00:10:27,710 --> 00:10:24,300

Federation right and the octorian

137

00:10:30,650 --> 00:10:27,720

hybrids by the way I love this uh Jimmy

138

00:10:32,630 --> 00:10:30,660

church just had an octorian hybrid who

139

00:10:34,970 --> 00:10:32,640

couldn't even really speak English on

140

00:10:36,650 --> 00:10:34,980

his show and and uh you know Jimmy

141

00:10:37,670 --> 00:10:36,660

church was just like yeah that sounds

142

00:10:39,230 --> 00:10:37,680

amazing

143

00:10:40,130 --> 00:10:39,240

didn't even know what the girl was

144

00:10:42,829 --> 00:10:40,140

saying

145

00:10:45,110 --> 00:10:42,839

claiming she's an alien hybrid of course

146

00:10:47,569 --> 00:10:45,120

no pushback no hard questions you know

147

00:10:49,130 --> 00:10:47,579

no did you get a DNA none of that none

148

00:10:52,610 --> 00:10:49,140

of that so Michael silos into the same

149

00:10:54,769 --> 00:10:52,620

stuff octurian hybrids this Elena this

150

00:10:57,410 --> 00:10:54,779

Megan Rose all these people that talk

151

00:10:58,490 --> 00:10:57,420

about all these battles in space that

152

00:11:01,870 --> 00:10:58,500

they're getting briefed about

153

00:11:06,290 --> 00:11:01,880

everybody's getting a briefing about the

154

00:11:08,990 --> 00:11:06,300

covert War the aliens in our solar

155

00:11:12,530 --> 00:11:09,000

system and the moon bases and the Mars

156

00:11:14,389 --> 00:11:12,540

bases that nobody sees nobody sees no

157

00:11:17,269 --> 00:11:14,399

amateur astronomer no professional

158

00:11:19,610 --> 00:11:17,279

astronomer no planetary scientist on

159

00:11:20,870 --> 00:11:19,620

Earth nobody in NASA nobody sees these

160

00:11:23,210 --> 00:11:20,880

alien bases

161

00:11:24,590 --> 00:11:23,220

but these people selling these garbage

162

00:11:26,690 --> 00:11:24,600

stories

163

00:11:28,310 --> 00:11:26,700

you know it's the secret space program

164

00:11:31,310 --> 00:11:28,320

and by the way

165

00:11:33,650 --> 00:11:31,320

I would count Michael Salah along with

166

00:11:37,310 --> 00:11:33,660

Corey Goode for destroying

167

00:11:39,350 --> 00:11:37,320

serious Research into the topic of the

168

00:11:42,410 --> 00:11:39,360

secret space program they're responsible

169

00:11:43,750 --> 00:11:42,420

for making it a joke for making it

170

00:11:47,150 --> 00:11:43,760

something that people laugh about

171

00:11:49,130 --> 00:11:47,160

because previous to Michael Stalin Corey

172

00:11:51,530 --> 00:11:49,140

good we had good researchers like

173

00:11:53,930 --> 00:11:51,540

Catherine Austin Fitz and Walter Bosley

174

00:11:56,569 --> 00:11:53,940

and dark journalists and others looking

175

00:11:57,650 --> 00:11:56,579

into the reality of a secret space

176  
00:12:00,650 --> 00:11:57,660  
program

177  
00:12:01,550 --> 00:12:00,660  
and to all the people who like to slag

178  
00:12:04,370 --> 00:12:01,560  
me

179  
00:12:08,210 --> 00:12:04,380  
and for being so skeptical they should

180  
00:12:10,970 --> 00:12:08,220  
know I absolutely positively believe

181  
00:12:13,490 --> 00:12:10,980  
the United States especially has and has

182  
00:12:15,949 --> 00:12:13,500  
had for quite some time a secret space

183  
00:12:18,670 --> 00:12:15,959  
program it's a real thing

184  
00:12:22,550 --> 00:12:18,680  
one needs simply to look at the X-37B

185  
00:12:25,310 --> 00:12:22,560  
which we know exists we know when they

186  
00:12:27,650 --> 00:12:25,320  
launch it we know it stays in space for

187  
00:12:30,889 --> 00:12:27,660  
years at a time but none of us mere

188  
00:12:32,750 --> 00:12:30,899

mortals stupid citizens of of the United

189

00:12:35,889 --> 00:12:32,760

States are allowed to know

190

00:12:38,690 --> 00:12:35,899

what our government is doing with a

191

00:12:40,190 --> 00:12:38,700

spacecraft in orbit around Earth for

192

00:12:42,769 --> 00:12:40,200

years at a time

193

00:12:45,889 --> 00:12:42,779

that my friends right there

194

00:12:48,230 --> 00:12:45,899

that one data point alone is absolute

195

00:12:51,470 --> 00:12:48,240

proof of the secret space program

196

00:12:54,650 --> 00:12:51,480

and very serious researchers I mentioned

197

00:12:57,110 --> 00:12:54,660

Walter Bosley I'm sure uh Joseph Farrell

198

00:12:58,550 --> 00:12:57,120

Captain Austin Fitz dog journalist and

199

00:13:00,650 --> 00:12:58,560

others

200

00:13:02,930 --> 00:13:00,660

um some would Kim Richard Dolan as well

201  
00:13:04,190 --> 00:13:02,940  
in that despite what I think of them

202  
00:13:05,750 --> 00:13:04,200  
I'll give them the credit for that yeah

203  
00:13:08,449 --> 00:13:05,760  
he was looking into the secret space

204  
00:13:11,810 --> 00:13:08,459  
program in a serious way and so what are

205  
00:13:14,150 --> 00:13:11,820  
others and right ground 2016 Along Comes

206  
00:13:18,170 --> 00:13:14,160  
this guy Corey Goode and what does Corey

207  
00:13:21,949 --> 00:13:18,180  
good do he comes into the subject of the

208  
00:13:24,949 --> 00:13:21,959  
secret space program and he just shits

209  
00:13:28,250 --> 00:13:24,959  
all over it destroys the whole

210  
00:13:30,230 --> 00:13:28,260  
effort that everyone was making that

211  
00:13:33,290 --> 00:13:30,240  
we're making progress

212  
00:13:35,090 --> 00:13:33,300  
into getting us the truth about what is

213  
00:13:37,670 --> 00:13:35,100

our government is really doing in space

214

00:13:39,530 --> 00:13:37,680

that we're not supposed to know about

215

00:13:41,269 --> 00:13:39,540

there was serious efforts underway

216

00:13:44,930 --> 00:13:41,279

people were getting evidence people were

217

00:13:47,329 --> 00:13:44,940

getting real data points real evidence

218

00:13:49,670 --> 00:13:47,339

verifiable proof of a secret space

219

00:13:52,250 --> 00:13:49,680

program that alone comes Corey good

220

00:13:55,790 --> 00:13:52,260

telling everybody His science fiction

221

00:13:58,189 --> 00:13:55,800

fantasy Buck Rogers stories about time

222

00:14:01,430 --> 00:13:58,199

traveling and fighting reptilian aliens

223

00:14:04,370 --> 00:14:01,440

in space and he spent 20 years in space

224

00:14:06,530 --> 00:14:04,380

and then they age regressed him and then

225

00:14:08,569 --> 00:14:06,540

they time travel them to back right

226

00:14:11,569 --> 00:14:08,579

before he left so nobody even knew he

227

00:14:15,829 --> 00:14:11,579

was gone and their blue chicken aliens

228

00:14:19,790 --> 00:14:15,839

and oh my God it is like a very very bad

229

00:14:22,910 --> 00:14:19,800

episode of Babylon 5. it's not even a

230

00:14:24,769 --> 00:14:22,920

Bad episode of Star Trek it's that bad

231

00:14:26,569 --> 00:14:24,779

so Corey Goode is telling his science

232

00:14:28,730 --> 00:14:26,579

fiction fantasy stories and by the way

233

00:14:32,509 --> 00:14:28,740

we're six years on now right or seven

234

00:14:35,210 --> 00:14:32,519

Corey Good's been yeah no seven right uh

235

00:14:37,370 --> 00:14:35,220

four five six years at least six years

236

00:14:40,670 --> 00:14:37,380

Corey Goode has been making a full-time

237

00:14:42,949 --> 00:14:40,680

living telling alien fairy tales and

238

00:14:46,430 --> 00:14:42,959

what do we get we get people like

239

00:14:50,930 --> 00:14:46,440

Michael Salah who write whole books

240

00:14:53,449 --> 00:14:50,940

including uh Corey Goods unverifiable

241

00:14:56,569 --> 00:14:53,459

unprovable

242

00:14:58,490 --> 00:14:56,579

stupid stories and by the way again

243

00:15:00,949 --> 00:14:58,500

despite my differences with Richard

244

00:15:02,629 --> 00:15:00,959

Dolan I did learn a few things from

245

00:15:05,150 --> 00:15:02,639

Richard Dolan and one of them is the

246

00:15:07,430 --> 00:15:05,160

concept of falsifiability

247

00:15:10,069 --> 00:15:07,440

and this means that

248

00:15:12,889 --> 00:15:10,079

if someone tells you a story

249

00:15:15,110 --> 00:15:12,899

there's a concept called falsifiability

250

00:15:16,069 --> 00:15:15,120

either I can prove that the story is

251

00:15:19,310 --> 00:15:16,079

true

252

00:15:22,550 --> 00:15:19,320

or I can prove that the story is false

253

00:15:24,769 --> 00:15:22,560

but if you can't prove either then the

254

00:15:27,350 --> 00:15:24,779

story has no value there's no

255

00:15:30,650 --> 00:15:27,360

evidentiary support in a story that you

256

00:15:33,290 --> 00:15:30,660

can't either prove is true or disprove

257

00:15:35,210 --> 00:15:33,300

and Corey good specifically wrote his

258

00:15:36,889 --> 00:15:35,220

entire narrative so that you can't

259

00:15:39,230 --> 00:15:36,899

disprove him like oh you were in space

260

00:15:41,449 --> 00:15:39,240

for 20 years well what about your

261

00:15:43,310 --> 00:15:41,459

friends and family uh could they verify

262

00:15:46,310 --> 00:15:43,320

that you were missing or gone for 20

263

00:15:48,949 --> 00:15:46,320

years well no because then I was time

264

00:15:50,889 --> 00:15:48,959

traveled back and the age regressed me

265

00:15:53,569 --> 00:15:50,899

you know there's always some excuse

266

00:15:56,389 --> 00:15:53,579

right and again an excuse for why

267

00:15:58,790 --> 00:15:56,399

there's no photographs no evidence no

268

00:16:02,410 --> 00:15:58,800

documents no corroborating Witnesses

269

00:16:05,749 --> 00:16:02,420

except in Corey Good's own imagination

270

00:16:09,530 --> 00:16:05,759

and by the way uh panoramage on Twitter

271

00:16:12,050 --> 00:16:09,540

just um just comment it correctly very

272

00:16:14,329 --> 00:16:12,060

correctly on core good and what he was

273

00:16:17,990 --> 00:16:14,339

talking about is that according to Corey

274

00:16:20,449 --> 00:16:18,000

good the aliens are the evil aliens are

275

00:16:23,329 --> 00:16:20,459

back in our solar system but also

276

00:16:26,749 --> 00:16:23,339

according to Corey Goode three years ago

277

00:16:28,069 --> 00:16:26,759

Corey Goode and his friend Gonzalez that

278

00:16:30,769 --> 00:16:28,079

nobody ever gets to talk to again

279

00:16:32,509 --> 00:16:30,779

imaginary anonymous source they kicked

280

00:16:33,470 --> 00:16:32,519

those evil aliens out of our solar

281

00:16:35,990 --> 00:16:33,480

system

282

00:16:37,970 --> 00:16:36,000

but he contradicts himself because now

283

00:16:40,009 --> 00:16:37,980

he's saying that the evil aliens have a

284

00:16:42,470 --> 00:16:40,019

base on the moon and all this nonsense

285

00:16:45,410 --> 00:16:42,480

and instead of

286

00:16:47,329 --> 00:16:45,420

doing his job as Earth's Galactic Spacey

287

00:16:49,490 --> 00:16:47,339

Ambassador did you know he's our

288

00:16:51,829 --> 00:16:49,500

Galactic space Ambassador for the

289

00:16:54,230 --> 00:16:51,839

galactic Council or the Orion Council or

290

00:16:56,810 --> 00:16:54,240

some Council of aliens I don't know it's

291

00:17:00,470 --> 00:16:56,820

so stupid it's so childish and

292

00:17:02,389 --> 00:17:00,480

ridiculous uh and now

293

00:17:04,669 --> 00:17:02,399

we're all expected to believe that

294

00:17:07,669 --> 00:17:04,679

there's evil aliens they have moon bases

295

00:17:09,470 --> 00:17:07,679

they're invading our solar system but

296

00:17:11,449 --> 00:17:09,480

instead of worrying about that Corey

297

00:17:14,210 --> 00:17:11,459

Goode is right now working on a

298

00:17:16,970 --> 00:17:14,220

documentary so that he could whine about

299

00:17:17,929 --> 00:17:16,980

people like me who make fun of him on

300

00:17:20,449 --> 00:17:17,939

the internet

301

00:17:24,230 --> 00:17:20,459

and say that his stories are childish

302

00:17:28,490 --> 00:17:26,210

so now that we know

303

00:17:32,029 --> 00:17:28,500

you know I I'm assuming most people here

304

00:17:34,730 --> 00:17:32,039

know how ridiculous silly stupid and

305

00:17:37,370 --> 00:17:34,740

childish Corey good in his Rogers

306

00:17:39,830 --> 00:17:37,380

science fiction fantasy stories are that

307

00:17:42,409 --> 00:17:39,840

he claims are 100 True Stories you know

308

00:17:43,909 --> 00:17:42,419

and uh yeah instead of telling the whole

309

00:17:46,510 --> 00:17:43,919

world about that you know he's making

310

00:17:48,890 --> 00:17:46,520

comic books and documentaries

311

00:17:50,330 --> 00:17:48,900

complaining about people making fun of

312

00:17:52,549 --> 00:17:50,340

him on the internet

313

00:17:55,250 --> 00:17:52,559

and when he's not doing that he's suing

314

00:17:56,810 --> 00:17:55,260

everybody that sort of made fun of how

315

00:17:59,270 --> 00:17:56,820

stupid his stories were on the internet

316

00:18:01,190 --> 00:17:59,280

yeah he sued many people and those

317

00:18:02,810 --> 00:18:01,200

lawsuits are been dragging on through

318

00:18:06,289 --> 00:18:02,820

the courts nobody even made it to the

319

00:18:08,450 --> 00:18:06,299

court the actual court yet it's all

320

00:18:11,450 --> 00:18:08,460

emotions and nonsense for two years but

321

00:18:13,190 --> 00:18:11,460

he has cost some of his critics uh

322

00:18:15,049 --> 00:18:13,200

upwards of fifteen or twenty thousand

323

00:18:17,630 --> 00:18:15,059

dollars in legal fees with his frivolous

324

00:18:19,909 --> 00:18:17,640

stupid lawsuit because you made fun of

325

00:18:21,950 --> 00:18:19,919

me on the internet and all I did was say

326

00:18:23,810 --> 00:18:21,960

that I was Earth's Galactic Ambassador

327

00:18:26,990 --> 00:18:23,820

and I time traveled and I was age

328

00:18:29,210 --> 00:18:27,000

regressed and so silly stupid and

329

00:18:31,909 --> 00:18:29,220

ridiculous and by the way he also has a

330

00:18:32,870 --> 00:18:31,919

legal defense fund that you can give him

331

00:18:35,090 --> 00:18:32,880

money

332

00:18:38,330 --> 00:18:35,100

but it's not a defense fund because he's

333

00:18:40,370 --> 00:18:38,340

not defending any legal cases he's suing

334

00:18:44,029 --> 00:18:40,380

everyone so it's really a give me money

335

00:18:46,730 --> 00:18:44,039

so I can sue and silence my critics fund

336

00:18:49,190 --> 00:18:46,740

it's ridiculous this whole got this

337

00:18:52,970 --> 00:18:49,200

whole story of this guy is ridiculous

338

00:18:54,529 --> 00:18:52,980

and that's why it's very very important

339

00:18:57,289 --> 00:18:54,539

that we point out that one of the people

340

00:19:00,350 --> 00:18:57,299

that enabled him one of the people that

341

00:19:03,230 --> 00:19:00,360

pumped up his stories remember I said

342

00:19:06,610 --> 00:19:03,240

he's the fluffer is none other than

343

00:19:09,830 --> 00:19:06,620

Michael Salah the king of bad eyebrows

344

00:19:13,730 --> 00:19:09,840

and despite all my other problems with

345

00:19:15,890 --> 00:19:13,740

uh Michael Salah I do want to uh ounce

346

00:19:18,710 --> 00:19:15,900

uh something very special

347

00:19:23,450 --> 00:19:18,720

and that is that all of us in UFO land

348

00:19:26,990 --> 00:19:23,460

are so sick of this guy geez Cricket so

349

00:19:29,390 --> 00:19:27,000

sick of this guy and his stupid

350

00:19:32,810 --> 00:19:29,400

eyebrows we're all sick of his eyebrows

351

00:19:35,330 --> 00:19:32,820

okay so uh this is from spooky actually

352

00:19:38,029 --> 00:19:35,340

spooky is willing is so sick of looking

353

00:19:40,970 --> 00:19:38,039

at this guy's bushy eyebrows but spooky

354

00:19:43,490 --> 00:19:40,980

is willing to offer a 50 reward to

355

00:19:46,010 --> 00:19:43,500

whomever can convince this man to wax

356

00:19:47,750 --> 00:19:46,020

his eyebrows

357

00:19:49,669 --> 00:19:47,760

um and I will match that so actually

358

00:19:51,350 --> 00:19:49,679

we're up to a hundred dollar reward for

359

00:19:53,450 --> 00:19:51,360

anybody that can convince Michael salad

360

00:19:55,669 --> 00:19:53,460

to you know do something about those

361

00:19:57,710 --> 00:19:55,679

eyebrows there's no excuse for this dude

362

00:19:59,930 --> 00:19:57,720

there's no excuse for this anymore

363

00:20:02,210 --> 00:19:59,940

you really you got to do something about

364

00:20:05,210 --> 00:20:02,220

that it's it's terrible

365

00:20:07,970 --> 00:20:05,220

so back to Michael Silo remember he's a

366

00:20:10,190 --> 00:20:07,980

very educated man he calls himself a

367

00:20:12,470 --> 00:20:10,200

researcher but tonight we're going to

368

00:20:15,289 --> 00:20:12,480

see the quality of his research because

369

00:20:19,090 --> 00:20:15,299

recently Michael Salah has decided to

370

00:20:23,090 --> 00:20:19,100

platform and give voice to none other

371

00:20:27,310 --> 00:20:23,100

than everybody's fave favorite convicted

372

00:20:31,610 --> 00:20:27,320

felon and fake psychic Sean David Morton

373

00:20:33,890 --> 00:20:31,620

uh I am gonna share my screen one second

374

00:20:38,090 --> 00:20:33,900

I I want to get some images of this guy

375

00:20:40,310 --> 00:20:38,100

here so that uh

376

00:20:42,289 --> 00:20:40,320

just in case you're not familiar with

377

00:20:47,690 --> 00:20:42,299

Sean David Morton and Sean David Morton

378

00:20:49,130 --> 00:20:47,700

was once a staple of UFO conferences he

379

00:20:50,210 --> 00:20:49,140

was one of the

380

00:20:51,950 --> 00:20:50,220

um

381

00:20:53,950 --> 00:20:51,960

guys that you may have seen on

382

00:20:56,930 --> 00:20:53,960

television back in the day

383

00:20:59,750 --> 00:20:56,940

but some bad things happened and we'll

384

00:21:01,190 --> 00:20:59,760

get into that but uh yeah here's Sean

385

00:21:04,250 --> 00:21:01,200

David Morton

386

00:21:06,350 --> 00:21:04,260

oh my gosh I'm gonna throw something

387

00:21:09,590 --> 00:21:06,360

apparently there's a cricket in here I

388

00:21:10,930 --> 00:21:09,600

apologize friends so here we have Sean

389

00:21:13,850 --> 00:21:10,940

David Morton

390

00:21:16,549 --> 00:21:13,860

and I'm gonna just discuss some of Sean

391

00:21:18,770 --> 00:21:16,559

David Morton's various claims before we

392

00:21:21,350 --> 00:21:18,780

get into it wow he must be a

393

00:21:24,590 --> 00:21:21,360

lover of cats great

394

00:21:27,169 --> 00:21:24,600

uh so Sean David Morton has made a lot

395

00:21:29,029 --> 00:21:27,179

of absolutely stupid childish and

396

00:21:31,490 --> 00:21:29,039

ridiculous claims

397

00:21:34,730 --> 00:21:31,500

one of his claims is that he worked with

398

00:21:36,169 --> 00:21:34,740

Gene Roddenberry to bring

399

00:21:39,649 --> 00:21:36,179

Star Trek

400

00:21:41,930 --> 00:21:39,659

back to life after the original Star

401  
00:21:43,789 --> 00:21:41,940  
Trek series ended Sean David Morton

402  
00:21:45,110 --> 00:21:43,799  
claims that he worked with Gene

403  
00:21:48,110 --> 00:21:45,120  
Roddenberry

404  
00:21:49,909 --> 00:21:48,120  
uh a fact check of that with people who

405  
00:21:51,529 --> 00:21:49,919  
were very close to Gene Roddenberry and

406  
00:21:53,810 --> 00:21:51,539  
know his whole history

407  
00:21:56,029 --> 00:21:53,820  
actually somebody checked with the

408  
00:21:59,510 --> 00:21:56,039  
biographer of Gene Roddenberry the

409  
00:22:01,669 --> 00:21:59,520  
creator of Star Trek who said no Sean

410  
00:22:04,850 --> 00:22:01,679  
David Morton did not

411  
00:22:06,110 --> 00:22:04,860  
indeed work with Gene Roddenberry so

412  
00:22:07,669 --> 00:22:06,120  
here we got a guy who's running around

413  
00:22:09,770 --> 00:22:07,679

telling everybody that he worked with

414

00:22:12,169 --> 00:22:09,780

the creator of Star Trek and He was

415

00:22:14,930 --> 00:22:12,179

largely responsible for Star Trek coming

416

00:22:16,970 --> 00:22:14,940

back to television and he also claims to

417

00:22:19,789 --> 00:22:16,980

have invented the concept of the

418

00:22:21,110 --> 00:22:19,799

Holodeck and told Gene Roddenberry all

419

00:22:23,570 --> 00:22:21,120

about it

420

00:22:28,070 --> 00:22:23,580

and also he claims that he's responsible

421

00:22:31,130 --> 00:22:28,080

for Patrick Stewart getting cast as uh

422

00:22:34,130 --> 00:22:31,140

you know Captain Picard in the new Star

423

00:22:36,950 --> 00:22:34,140

Trek because he was bringing X-Men comic

424

00:22:39,350 --> 00:22:36,960

books with him to hang out with Gene

425

00:22:41,029 --> 00:22:39,360

Roddenberry the creator of Star Trek so

426

00:22:43,549 --> 00:22:41,039

it turns out

427

00:22:45,350 --> 00:22:43,559

um all of the claims that Sean David

428

00:22:48,890 --> 00:22:45,360

Morton makes

429

00:22:50,930 --> 00:22:48,900

are easily provably fake another of his

430

00:22:52,909 --> 00:22:50,940

great claims is that his father was one

431

00:22:55,730 --> 00:22:52,919

of the original astronauts and a test

432

00:22:58,610 --> 00:22:55,740

pilot but some fact checking on that

433

00:23:01,930 --> 00:22:58,620

reveals that no his father was not an

434

00:23:05,090 --> 00:23:01,940

astronaut period end of story

435

00:23:06,529 --> 00:23:05,100

uh and of course it's not just that his

436

00:23:08,810 --> 00:23:06,539

father was an astronaut his father

437

00:23:10,810 --> 00:23:08,820

worked at Area 51 he hung out there with

438

00:23:15,409 --> 00:23:10,820

all the other test pilots all of that

439

00:23:17,750 --> 00:23:15,419

all complete and total garbage garbage

440

00:23:21,350 --> 00:23:17,760

one of his other favorite claims is that

441

00:23:23,210 --> 00:23:21,360

he was trained by the Dalai Lama

442

00:23:26,990 --> 00:23:23,220

in uh

443

00:23:29,570 --> 00:23:27,000

Tibetan Buddhism and mysticism and it is

444

00:23:32,270 --> 00:23:29,580

their friends where Sean David Morton

445

00:23:34,909 --> 00:23:32,280

got his superpowers that's right John

446

00:23:37,970 --> 00:23:34,919

David Morton claimed to get super powers

447

00:23:39,890 --> 00:23:37,980

by training with the Dalai Lama now

448

00:23:42,049 --> 00:23:39,900

multiple people have reached out to the

449

00:23:44,210 --> 00:23:42,059

Dalai Lama to ask them if they trained

450

00:23:47,390 --> 00:23:44,220

Sean David Morton to get his superpowers

451  
00:23:48,470 --> 00:23:47,400  
but they've never replied so what we get

452  
00:23:51,350 --> 00:23:48,480  
is

453  
00:23:52,870 --> 00:23:51,360  
oh geez

454  
00:23:58,430 --> 00:23:52,880  
pardon me

455  
00:24:00,769 --> 00:23:58,440  
so what we get is some stupid stories

456  
00:24:03,950 --> 00:24:00,779  
from this man

457  
00:24:05,990 --> 00:24:03,960  
now some people

458  
00:24:09,769 --> 00:24:06,000  
May perceive that that is all harmless

459  
00:24:12,710 --> 00:24:09,779  
maybe he's a pathological liar

460  
00:24:14,990 --> 00:24:12,720  
maybe he just tells stupid stories by

461  
00:24:19,970 --> 00:24:15,000  
the way he's the latest uh photo of him

462  
00:24:25,850 --> 00:24:22,789  
again some people may say

463  
00:24:28,370 --> 00:24:25,860

you know what's the deal so he so he

464

00:24:31,190 --> 00:24:28,380

told some you know fairy tales about his

465

00:24:33,590 --> 00:24:31,200

background about his family about having

466

00:24:35,750 --> 00:24:33,600

super powers you know that's harmless

467

00:24:38,990 --> 00:24:35,760

enough but it's not

468

00:24:41,510 --> 00:24:39,000

because several years ago Sean David

469

00:24:45,529 --> 00:24:41,520

Morton began to convince people

470

00:24:46,610 --> 00:24:45,539

that with his super secret psychic

471

00:24:48,769 --> 00:24:46,620

powers

472

00:24:50,810 --> 00:24:48,779

they should invest with him

473

00:24:53,930 --> 00:24:50,820

and

474

00:24:57,590 --> 00:24:53,940

things did not go well so uh there's

475

00:25:00,230 --> 00:24:57,600

multiple sources of uh information

476  
00:25:02,090 --> 00:25:00,240  
it's it's easy with a quick Google

477  
00:25:04,669 --> 00:25:02,100  
search to see that this guy is

478  
00:25:07,430 --> 00:25:04,679  
completely and totally full of it

479  
00:25:09,590 --> 00:25:07,440  
completely and totally

480  
00:25:12,350 --> 00:25:09,600  
a garbage Peddler

481  
00:25:14,450 --> 00:25:12,360  
but that didn't stop Michael Salah from

482  
00:25:16,690 --> 00:25:14,460  
giving him a spot on his show just like

483  
00:25:19,669 --> 00:25:16,700  
it didn't stop Michael Sala from

484  
00:25:23,330 --> 00:25:19,679  
huxaring Corey Good's garbage and by the

485  
00:25:23,340 --> 00:25:28,549  
Corey good is right now

486  
00:25:32,930 --> 00:25:30,710  
feuding with Michael saluk because

487  
00:25:36,049 --> 00:25:32,940  
apparently Michael Salah has now said

488  
00:25:38,750 --> 00:25:36,059

that Corey good is not credible his

489

00:25:42,830 --> 00:25:38,760

information is not credible and this

490

00:25:45,529 --> 00:25:42,840

again friends is the cosmic con Shuffle

491

00:25:47,510 --> 00:25:45,539

uh Michael Salah made tens of thousands

492

00:25:51,890 --> 00:25:47,520

of dollars working with

493

00:25:54,470 --> 00:25:51,900

n four I believe Corey good writing

494

00:25:58,370 --> 00:25:54,480

books about his stupid stories Let's see

495

00:26:01,669 --> 00:25:58,380

we have him uh you know

496

00:26:03,890 --> 00:26:01,679

working at UFO conferences with him

497

00:26:07,310 --> 00:26:03,900

I believe that Michael Salah appeared

498

00:26:11,630 --> 00:26:07,320

with him at multiple UFO conferences and

499

00:26:14,269 --> 00:26:11,640

other places next we get uh

500

00:26:22,690 --> 00:26:14,279

next we get geez that's going to drive

501  
00:26:28,850 --> 00:26:26,750  
all right and uh so you know the the

502  
00:26:31,490 --> 00:26:28,860  
point really is that Michael Salah is a

503  
00:26:34,190 --> 00:26:31,500  
very educated man he should know when

504  
00:26:37,730 --> 00:26:34,200  
people are peddling garbage but

505  
00:26:40,130 --> 00:26:37,740  
uh it's very clear that he doesn't care

506  
00:26:42,649 --> 00:26:40,140  
Michael Salah doesn't care

507  
00:26:44,990 --> 00:26:42,659  
but I would ask everyone within the

508  
00:26:48,590 --> 00:26:45,000  
sound of my voice should he care to

509  
00:26:50,390 --> 00:26:48,600  
platform a man who has apparently hurt

510  
00:26:52,970 --> 00:26:50,400  
so many people

511  
00:26:55,909 --> 00:26:52,980  
because my friends I'm here to tell you

512  
00:26:57,710 --> 00:26:55,919  
that the story of Sean David Morton gets

513  
00:27:05,510 --> 00:26:57,720

very very dark

514

00:27:11,870 --> 00:27:08,330

I'm gonna pull up an article here

515

00:27:14,390 --> 00:27:11,880

and this is from UFO Watchdog one second

516

00:27:18,769 --> 00:27:14,400

friends and by the way in full

517

00:27:21,110 --> 00:27:18,779

disclosure uh UFO Watchdog was sued by

518

00:27:24,350 --> 00:27:21,120

Sean David Morton for publishing

519

00:27:28,310 --> 00:27:24,360

inaccurate information about him but it

520

00:27:30,830 --> 00:27:28,320

turns out that uh UFO Watchdog won that

521

00:27:33,529 --> 00:27:30,840

lawsuit and Sean David Morton was

522

00:27:35,750 --> 00:27:33,539

ordered to pay his legal fees because it

523

00:27:42,590 --> 00:27:35,760

was a frivolous lawsuit

524

00:27:48,830 --> 00:27:45,289

here we have an article Sean David

525

00:27:50,990 --> 00:27:48,840

Morton sentenced to federal prison and

526

00:27:53,149 --> 00:27:51,000

uh you'll forgive me but I have to make

527

00:27:54,289 --> 00:27:53,159

this bigger in order to read it for you

528

00:28:09,889 --> 00:27:54,299

friends

529

00:28:12,169 --> 00:28:09,899

is an article about Michael salah's new

530

00:28:15,350 --> 00:28:12,179

Insider Michael Salah is telling

531

00:28:17,570 --> 00:28:15,360

everybody both I I believe on you know

532

00:28:19,970 --> 00:28:17,580

streams and behind the scenes he's

533

00:28:21,430 --> 00:28:19,980

telling everybody that Sean David Morton

534

00:28:24,590 --> 00:28:21,440

is his new

535

00:28:26,990 --> 00:28:24,600

Insider and Sean David Morton has

536

00:28:28,970 --> 00:28:27,000

access to all kinds of top secret

537

00:28:31,850 --> 00:28:28,980

government information

538

00:28:34,970 --> 00:28:31,860

it's laughable friends

539

00:28:38,870 --> 00:28:34,980

uh yeah so uh this

540

00:28:41,570 --> 00:28:38,880

this my friends uh is 2017. and by the

541

00:28:43,730 --> 00:28:41,580

way uh now that we've sort of uh you

542

00:28:45,769 --> 00:28:43,740

know given you the gotcha moment Sean

543

00:28:48,049 --> 00:28:45,779

David Morton recently got out of federal

544

00:28:49,850 --> 00:28:48,059

prison but here we have an article from

545

00:28:52,909 --> 00:28:49,860

September 18th

546

00:28:54,710 --> 00:28:52,919

uh today at 11 A.M a federal judge

547

00:28:58,850 --> 00:28:54,720

sentenced bogus psychic Sean David

548

00:29:03,110 --> 00:28:58,860

Morton to 72 months in federal prison

549

00:29:04,669 --> 00:29:03,120

that's wow six years uh for his part an

550

00:29:07,730 --> 00:29:04,679

attack scheme in which he was found

551  
00:29:09,710 --> 00:29:07,740  
guilty of falsifying tax documents

552  
00:29:12,649 --> 00:29:09,720  
filing false tax returns while

553  
00:29:15,289 --> 00:29:12,659  
victimizing people for tens of thousands

554  
00:29:16,669 --> 00:29:15,299  
of dollars in a strong man Redemption

555  
00:29:19,130 --> 00:29:16,679  
scheme

556  
00:29:22,970 --> 00:29:19,140  
and defrauding the IRS out of nearly

557  
00:29:28,250 --> 00:29:26,330  
Morton who gained notoriety through the

558  
00:29:30,950 --> 00:29:28,260  
late night radio show host Coast to

559  
00:29:33,049 --> 00:29:30,960  
Coast AM and through New Age UFO

560  
00:29:35,330 --> 00:29:33,059  
seminars for his wild predictions and

561  
00:29:40,370 --> 00:29:35,340  
UFO Tales

562  
00:29:43,490 --> 00:29:40,380  
was convicted on over 50 felony counts

563  
00:29:46,850 --> 00:29:43,500

this guy is not just a felon he is a

564

00:29:50,269 --> 00:29:46,860

felon 50 times over he was convicted on

565

00:29:52,730 --> 00:29:50,279

50 felony counts in federal court in

566

00:29:55,010 --> 00:29:52,740

early April 2017.

567

00:29:57,649 --> 00:29:55,020

Morton voted he was simply the best when

568

00:29:59,870 --> 00:29:57,659

it came to making accurate psychic

569

00:30:02,930 --> 00:29:59,880

predictions yet he never foresaw the

570

00:30:08,810 --> 00:30:02,940

coming of his own demise interesting

571

00:30:11,750 --> 00:30:08,820

that you know uh people get to you know

572

00:30:13,970 --> 00:30:11,760

this guy was telling people fairy tales

573

00:30:16,549 --> 00:30:13,980

about his psychic powers why didn't he

574

00:30:20,149 --> 00:30:16,559

see the feds coming for him right

575

00:30:26,389 --> 00:30:20,159

the same reason that uh Faith healers do

576

00:30:32,450 --> 00:30:29,930

all right uh one second

577

00:30:35,510 --> 00:30:32,460

oh I have some other information to

578

00:30:36,470 --> 00:30:35,520

share that is uh just gold about this

579

00:30:38,450 --> 00:30:36,480

guy

580

00:30:41,330 --> 00:30:38,460

federal agents originally arrested

581

00:30:43,850 --> 00:30:41,340

Morton and his wife in February 2016 as

582

00:30:45,649 --> 00:30:43,860

they disembarked from a conspiracy

583

00:30:47,710 --> 00:30:45,659

convention that took place aboard a

584

00:30:49,669 --> 00:30:47,720

cruise ship

585

00:30:52,250 --> 00:30:49,679

ironically one of the charges against

586

00:30:54,470 --> 00:30:52,260

the Mortons was conspiracy the Mortons

587

00:30:56,870 --> 00:30:54,480

were released after posting Bond and

588

00:30:59,210 --> 00:30:56,880

later went to trial in federal court

589

00:31:01,070 --> 00:30:59,220

prior to their arrest the IRS contacted

590

00:31:03,049 --> 00:31:01,080

the Mortons on more than one occasion

591

00:31:05,810 --> 00:31:03,059

advising them the paperwork and forms

592

00:31:07,970 --> 00:31:05,820

they were filing were illegal and to

593

00:31:10,310 --> 00:31:07,980

cease and desist

594

00:31:12,350 --> 00:31:10,320

filing them when the Mortons continue to

595

00:31:15,110 --> 00:31:12,360

file false bonds and paperwork in spite

596

00:31:17,149 --> 00:31:15,120

of reported warnings from the IRS a

597

00:31:19,789 --> 00:31:17,159

Federal grand jury threatened and

598

00:31:20,990 --> 00:31:19,799

indicted the Mortons on numerous felony

599

00:31:23,509 --> 00:31:21,000

counts

600

00:31:25,130 --> 00:31:23,519

while prosecutors filed 56 charges

601  
00:31:27,350 --> 00:31:25,140  
against each of the Mortons they had the

602  
00:31:30,169 --> 00:31:27,360  
option of filing in excess of a hundred

603  
00:31:32,690 --> 00:31:30,179  
charges against each Sean David Morton

604  
00:31:34,190 --> 00:31:32,700  
and Melissa Ann Morton federal agents

605  
00:31:36,950 --> 00:31:34,200  
later served the search warrant on

606  
00:31:38,830 --> 00:31:36,960  
Morton's apartment and seized computers

607  
00:31:44,049 --> 00:31:38,840  
mobile phones

608  
00:31:47,090 --> 00:31:44,059  
uh documents among other items so

609  
00:31:50,330 --> 00:31:47,100  
I would submit to you that not only is

610  
00:31:53,149 --> 00:31:50,340  
this guy uh a criminal he's a stupid

611  
00:31:55,370 --> 00:31:53,159  
criminal when the IRS contacts you and

612  
00:32:02,330 --> 00:31:55,380  
says stop filing those forms those are

613  
00:32:02,340 --> 00:32:07,789

all right so uh

614

00:32:11,810 --> 00:32:09,889

Morton was advised several times by

615

00:32:13,990 --> 00:32:11,820

presiding judge concerning his outboard

616

00:32:17,029 --> 00:32:14,000

bursts in court oh that's another thing

617

00:32:18,590 --> 00:32:17,039

Sean David Morton is one of those uh I

618

00:32:20,570 --> 00:32:18,600

don't know what you call that what do

619

00:32:23,450 --> 00:32:20,580

you call that where they're like a

620

00:32:26,630 --> 00:32:23,460

sovereign citizen yeah he tried the

621

00:32:29,570 --> 00:32:26,640

Sovereign citizen garbage defense

622

00:32:33,710 --> 00:32:29,580

in court and it did not go well for him

623

00:32:36,409 --> 00:32:33,720

not at all you know that nonsense like

624

00:32:38,690 --> 00:32:36,419

you don't uh my social security number

625

00:32:42,649 --> 00:32:38,700

is not me and you know all that

626  
00:32:46,310 --> 00:32:44,930  
every those people talk a good game but

627  
00:32:49,370 --> 00:32:46,320  
every time you see one of them in court

628  
00:32:51,769 --> 00:32:49,380  
try that's ridiculous stupid defenses it

629  
00:32:55,130 --> 00:32:51,779  
doesn't work so well

630  
00:32:57,470 --> 00:32:55,140  
and here we we hear he served as this is

631  
00:33:00,230 --> 00:32:57,480  
another reason he's stupid he served as

632  
00:33:01,789 --> 00:33:00,240  
his own lawyer in court it says quote

633  
00:33:03,950 --> 00:33:01,799  
the court is familiar with the multitude

634  
00:33:05,509 --> 00:33:03,960  
of nonsensical pleadings Morton filed

635  
00:33:07,310 --> 00:33:05,519  
and stated in court throughout the

636  
00:33:09,350 --> 00:33:07,320  
course of his criminal case which was

637  
00:33:10,789 --> 00:33:09,360  
not abated since his conviction Morton's

638  
00:33:12,950 --> 00:33:10,799

pattern of conduct of filing

639

00:33:14,330 --> 00:33:12,960

unintelligible pleadings began weeks

640

00:33:16,789 --> 00:33:14,340

after the initial indictment of

641

00:33:19,009 --> 00:33:16,799

defendants the day Morton was released

642

00:33:21,649 --> 00:33:19,019

from his arrest he filed unintelligible

643

00:33:23,389 --> 00:33:21,659

pleadings prosecutors in his sentencing

644

00:33:24,769 --> 00:33:23,399

recommendation recommendation for Sean

645

00:33:26,509 --> 00:33:24,779

David Martin

646

00:33:27,769 --> 00:33:26,519

great

647

00:33:31,430 --> 00:33:27,779

so

648

00:33:33,169 --> 00:33:31,440

the whole story here and I am going to

649

00:33:35,210 --> 00:33:33,179

because it is kind of a funny story

650

00:33:37,430 --> 00:33:35,220

except for the fact that not only did he

651  
00:33:39,590 --> 00:33:37,440  
get indicted and arrested but he got his

652  
00:33:41,570 --> 00:33:39,600  
wife indicted and arrested

653  
00:33:44,389 --> 00:33:41,580  
oh

654  
00:33:46,730 --> 00:33:44,399  
here he is uh the Mortons were living it

655  
00:33:48,590 --> 00:33:46,740  
up while filing for bankruptcy and

656  
00:33:51,769 --> 00:33:48,600  
claiming they were nearly homeless after

657  
00:33:53,630 --> 00:33:51,779  
they defrauded investors out of six

658  
00:33:56,930 --> 00:33:53,640  
million dollars this guy defrauded

659  
00:33:58,730 --> 00:33:56,940  
investors out of six million dollars and

660  
00:34:01,070 --> 00:33:58,740  
later were charged charging people

661  
00:34:02,090 --> 00:34:01,080  
thousands for phony debt Redemption

662  
00:34:05,570 --> 00:34:02,100  
scheme

663  
00:34:07,789 --> 00:34:05,580

great right uh

664

00:34:12,530 --> 00:34:07,799

it's just it's just one of those things

665

00:34:16,609 --> 00:34:12,540

and there is a an entire uh

666

00:34:19,270 --> 00:34:16,619

history of this on uh on UFO Watchdog a

667

00:34:23,030 --> 00:34:19,280

look behind the facade the Morton files

668

00:34:26,210 --> 00:34:23,040

and uh we are going to be sharing some

669

00:34:29,510 --> 00:34:26,220

of that because that's a laugh riot an

670

00:34:32,810 --> 00:34:29,520

absolute left Riot friends

671

00:34:32,820 --> 00:34:36,050

um

672

00:34:45,770 --> 00:34:38,569

here we have I'm going to share my

673

00:34:45,780 --> 00:34:51,669

one

674

00:35:00,710 --> 00:34:56,270

okay here let's uh get into some of the

675

00:35:01,970 --> 00:35:00,720

stories of Sean David Morton uh from UFO

676

00:35:04,370 --> 00:35:01,980

watchdog

677

00:35:06,109 --> 00:35:04,380

so family history claims Sean David

678

00:35:08,690 --> 00:35:06,119

Morton grew up in an aerospace family

679

00:35:10,970 --> 00:35:08,700

where his father a Navy Aviator and

680

00:35:12,670 --> 00:35:10,980

Korean conflict fighter Ace was also a

681

00:35:15,050 --> 00:35:12,680

member of the original astronaut program

682

00:35:16,609 --> 00:35:15,060

uh fact checking that turns out both

683

00:35:18,470 --> 00:35:16,619

those claims were false his father

684

00:35:19,630 --> 00:35:18,480

wasn't an Ace and he was not an

685

00:35:25,430 --> 00:35:19,640

astronaut

686

00:35:27,589 --> 00:35:25,440

uh when we get to part two uh

687

00:35:28,730 --> 00:35:27,599

oh here's the great one Mr Morton

688

00:35:32,150 --> 00:35:28,740

attended a British University

689

00:35:34,670 --> 00:35:32,160

International School in Cairo Egypt he

690

00:35:37,010 --> 00:35:34,680

attended Stanford University

691

00:35:39,490 --> 00:35:37,020

Sean graduated with honors from USC with

692

00:35:42,290 --> 00:35:39,500

a Bachelor of Fine Arts degree in drama

693

00:35:44,510 --> 00:35:42,300

I just got a degree in drama and a

694

00:35:46,849 --> 00:35:44,520

Bachelor of Arts in political science or

695

00:35:48,890 --> 00:35:46,859

does he including minors in organic

696

00:35:50,750 --> 00:35:48,900

chemistry and astronomy his graduate

697

00:35:52,569 --> 00:35:50,760

work includes earning a doctorate in

698

00:35:56,390 --> 00:35:52,579

theology

699

00:35:58,670 --> 00:35:56,400

ba in political science 16 units shy of

700

00:36:00,890 --> 00:35:58,680

a degree in organic chemistry more so

701  
00:36:03,650 --> 00:36:00,900  
Morton also claims in his biography that

702  
00:36:06,170 --> 00:36:03,660  
he attended Stanford University and if

703  
00:36:09,410 --> 00:36:06,180  
we fact check that we check the records

704  
00:36:11,089 --> 00:36:09,420  
UFO laptop check the records Morton does

705  
00:36:13,910 --> 00:36:11,099  
have a degree from that institution the

706  
00:36:16,849 --> 00:36:13,920  
degree is listed as an arts and letters

707  
00:36:18,290 --> 00:36:16,859  
degree Shirley Hazard a student data

708  
00:36:20,390 --> 00:36:18,300  
specialist for Stanford University's

709  
00:36:22,069 --> 00:36:20,400  
Office of the register was contacted

710  
00:36:24,530 --> 00:36:22,079  
about Morton's claim of having attended

711  
00:36:26,750 --> 00:36:24,540  
Stanford Harris stated I am able to pull

712  
00:36:29,630 --> 00:36:26,760  
up any information for Sean David Morton

713  
00:36:32,990 --> 00:36:29,640

I checked the micro cachet and there is

714

00:36:35,030 --> 00:36:33,000

nothing listed under that name oh

715

00:36:37,130 --> 00:36:35,040

so we didn't go to Stanford

716

00:36:40,250 --> 00:36:37,140

claim Bachelor of Fine Arts and drama

717

00:36:42,770 --> 00:36:40,260

BFA from USC Juilliard program under the

718

00:36:44,390 --> 00:36:42,780

personal direction of John Houseman the

719

00:36:46,069 --> 00:36:44,400

jewelry arts school is among the world's

720

00:36:49,310 --> 00:36:46,079

finest for Performing Arts and was

721

00:36:51,349 --> 00:36:49,320

really founded yada yada Morton's claim

722

00:36:53,690 --> 00:36:51,359

has a few problems USC has never had a

723

00:36:55,190 --> 00:36:53,700

Juilliard program and has no official

724

00:36:57,230 --> 00:36:55,200

connection with the Juilliard School

725

00:36:59,569 --> 00:36:57,240

Meredith Gordon representative for

726

00:37:01,730 --> 00:36:59,579

Julia's alumni Affairs stated Juilliard

727

00:37:03,589 --> 00:37:01,740

did not have a relationship with the USC

728

00:37:07,630 --> 00:37:03,599

so he lied about having some connection

729

00:37:09,950 --> 00:37:07,640

with the Juilliard program he lies about

730

00:37:12,290 --> 00:37:09,960

oh it's great

731

00:37:14,930 --> 00:37:12,300

and we also find out that his claims of

732

00:37:20,329 --> 00:37:14,940

having a doctorate in theology are also

733

00:37:22,730 --> 00:37:20,339

false so uh this man lies a lot this guy

734

00:37:24,890 --> 00:37:22,740

lies a lot he worked with Gene

735

00:37:27,530 --> 00:37:24,900

Roddenberry don't you know and his

736

00:37:29,710 --> 00:37:27,540

father was an ace fire fighter pilot and

737

00:37:33,230 --> 00:37:29,720

an astronaut don't you know

738

00:37:35,630 --> 00:37:33,240

hahaha also here's another claim to bang

739

00:37:40,910 --> 00:37:35,640

Boucher Monastery Mount Everest Valley

740

00:37:42,470 --> 00:37:40,920

Nepal in 1986 86 Sean David lived in a

741

00:37:44,390 --> 00:37:42,480

Tibetan Monastery at the foot of Mount

742

00:37:46,310 --> 00:37:44,400

Everest for seven months he studied the

743

00:37:48,410 --> 00:37:46,320

disciplines of Tibetan Buddhism with the

744

00:37:51,290 --> 00:37:48,420

black hat monks where he studied ancient

745

00:37:53,569 --> 00:37:51,300

history prophecy astral travel planetary

746

00:37:55,670 --> 00:37:53,579

healing tantric sexual meditation

747

00:37:58,730 --> 00:37:55,680

techniques because yeah everybody wants

748

00:38:01,250 --> 00:37:58,740

to have tantric sex with this guy right

749

00:38:03,290 --> 00:38:01,260

uh ceremonial dance and many of the

750

00:38:05,390 --> 00:38:03,300

Hidden Mysteries of the universe he also

751  
00:38:08,569 --> 00:38:05,400  
lived in the Dalai Lama's compound in

752  
00:38:10,069 --> 00:38:08,579  
darmesia India studying with him

753  
00:38:12,670 --> 00:38:10,079  
personally at the Tibetan University

754  
00:38:17,030 --> 00:38:15,470  
in fact other than Morton's claim no

755  
00:38:19,310 --> 00:38:17,040  
evidence have been found to verify that

756  
00:38:21,530 --> 00:38:19,320  
he spent time studying Buddhism

757  
00:38:23,089 --> 00:38:21,540  
a few problems exist with Morton's claim

758  
00:38:24,710 --> 00:38:23,099  
first it was alleged that Mort was still

759  
00:38:27,130 --> 00:38:24,720  
living in California during the time

760  
00:38:30,230 --> 00:38:27,140  
frame that he was supposed to be at the

761  
00:38:31,870 --> 00:38:30,240  
tengbucha monastery a person wishing to

762  
00:38:34,250 --> 00:38:31,880  
remain anonymous contact the

763  
00:38:37,069 --> 00:38:34,260

ufowwatchdog.com this person alleged

764

00:38:40,130 --> 00:38:37,079

that Morton was employed as a DJ at a

765

00:38:42,410 --> 00:38:40,140

nightclub called Hooligans Houlihan's in

766

00:38:44,750 --> 00:38:42,420

Torrance California in 1986 the person

767

00:38:47,569 --> 00:38:44,760

stated it was a while ago but I worked

768

00:38:50,210 --> 00:38:47,579

at Houlihan's from 86 through 88. Sean

769

00:38:53,030 --> 00:38:50,220

had been there all year

770

00:38:56,990 --> 00:38:53,040

so this guy got busted lying saying that

771

00:38:58,490 --> 00:38:57,000

he was living in Tibet and that he was

772

00:39:02,750 --> 00:38:58,500

studying with the dolly about llama

773

00:39:05,089 --> 00:39:02,760

while he was a a DJ at a nightclub in

774

00:39:08,930 --> 00:39:05,099

California and was there the whole time

775

00:39:11,450 --> 00:39:08,940

great absolutely great absolutely great

776

00:39:15,170 --> 00:39:11,460

and you know this it just gets better

777

00:39:17,690 --> 00:39:15,180

friends because there is so much more of

778

00:39:21,050 --> 00:39:17,700

this uh here

779

00:39:23,089 --> 00:39:21,060

uh we can go to part three

780

00:39:24,290 --> 00:39:23,099

here's the part about where he lied

781

00:39:27,950 --> 00:39:24,300

saying that he worked with Gene

782

00:39:30,170 --> 00:39:27,960

Roddenberry uh and this is Ron Berry's

783

00:39:32,150 --> 00:39:30,180

actual biographer who gets back to him

784

00:39:35,690 --> 00:39:32,160

and says I work for Roddenberry on and

785

00:39:38,630 --> 00:39:35,700

off from 1991 to 83. oh no this is Sean

786

00:39:42,410 --> 00:39:38,640

David Morton claiming that he wrote uh

787

00:39:47,530 --> 00:39:42,420

uh the Guardians and we all worked on

788

00:39:54,170 --> 00:39:51,790

this is uh Gene Roddenberry Association

789

00:39:56,170 --> 00:39:54,180

busted him on that claim thanks for your

790

00:39:58,250 --> 00:39:56,180

reply your story has several problems

791

00:40:00,890 --> 00:39:58,260

first of all you claim you work with

792

00:40:02,750 --> 00:40:00,900

Gene uh Paramount had already decided

793

00:40:05,150 --> 00:40:02,760

that Star Trek was to become a series of

794

00:40:07,030 --> 00:40:05,160

theatrical films

795

00:40:10,010 --> 00:40:07,040

um

796

00:40:12,050 --> 00:40:10,020

indeed a made-for-tv movie was actually

797

00:40:13,870 --> 00:40:12,060

halted about two weeks before it began

798

00:40:16,550 --> 00:40:13,880

filming all right so that claims

799

00:40:17,990 --> 00:40:16,560

problematic second it was not Gene

800

00:40:19,250 --> 00:40:18,000

Roddenberry that was pushing Paramount

801  
00:40:21,550 --> 00:40:19,260  
to create a fourth network but a

802  
00:40:23,990 --> 00:40:21,560  
high-ranking Paramount executive

803  
00:40:25,730 --> 00:40:24,000  
and like and here we go Gene did not

804  
00:40:27,770 --> 00:40:25,740  
hire Patrick Stewart because he looked

805  
00:40:29,510 --> 00:40:27,780  
like an X-Man character Stuart was hired

806  
00:40:31,430 --> 00:40:29,520  
because Star Trek producer that Gene had

807  
00:40:32,270 --> 00:40:31,440  
confidence in insisted to bring him on

808  
00:40:34,790 --> 00:40:32,280  
board

809  
00:40:37,550 --> 00:40:34,800  
so again Sean David Morton claims that

810  
00:40:41,569 --> 00:40:37,560  
he was responsible for getting Patrick

811  
00:40:45,170 --> 00:40:41,579  
Stewart his biggest as Captain Picard

812  
00:40:47,089 --> 00:40:45,180  
that's all fake it's all fake and that's

813  
00:40:49,490 --> 00:40:47,099

from the Gene Roddenberry Association so

814

00:40:52,190 --> 00:40:49,500

he just made up all this stuff about

815

00:40:56,630 --> 00:40:52,200

working on Star Trek working with Gene

816

00:41:01,069 --> 00:40:58,910

he also claimed that a program he

817

00:41:04,730 --> 00:41:01,079

co-produced was nominated for an Emmy in

818

00:41:06,410 --> 00:41:04,740

1991. a PBS documentary he wrote called

819

00:41:08,150 --> 00:41:06,420

fair play about professional women's

820

00:41:11,030 --> 00:41:08,160

sports in the U.S

821

00:41:17,030 --> 00:41:14,150

yeah so he claimed it was nominated for

822

00:41:19,069 --> 00:41:17,040

an Emmy KCET television a community

823

00:41:21,410 --> 00:41:19,079

television station in California was

824

00:41:23,270 --> 00:41:21,420

contacted and they stated unfortunately

825

00:41:26,569 --> 00:41:23,280

we were unable to locate the program

826

00:41:29,030 --> 00:41:26,579

information this guy is so full of [\h\_\_\h]

827

00:41:33,290 --> 00:41:29,040

he Waddles when he walks listen to this

828

00:41:35,150 --> 00:41:33,300

crap his education is fake oh he worked

829

00:41:37,069 --> 00:41:35,160

on Star Trek with Gene Roddenberry he

830

00:41:40,970 --> 00:41:37,079

was responsible for the hollow deck all

831

00:41:43,849 --> 00:41:40,980

that is fake he trained with the Dalai

832

00:41:48,349 --> 00:41:43,859

Lama all of that is fake now he's

833

00:41:53,390 --> 00:41:50,930

he claims that he worked with Bob kiviatic

834

00:41:55,010 --> 00:41:53,400

and it turns out that that is also false

835

00:42:02,030 --> 00:41:55,020

he claims he worked on Unsolved

836

00:42:06,410 --> 00:42:04,550

he's made claims about having book deals

837

00:42:09,950 --> 00:42:06,420

that did not pan out

838

00:42:13,370 --> 00:42:09,960

and more friends and and it just look it

839

00:42:17,150 --> 00:42:13,380

goes on and on and on oh and now we get

840

00:42:20,150 --> 00:42:17,160

claims about his psychic powers and his

841

00:42:22,670 --> 00:42:20,160

remote viewing background

842

00:42:24,890 --> 00:42:22,680

Sean claims he is a practiced astrologer

843

00:42:26,510 --> 00:42:24,900

he has worked as a psychic and healer in

844

00:42:27,950 --> 00:42:26,520

both public and private capacity he

845

00:42:29,870 --> 00:42:27,960

worked professionally for three highly

846

00:42:32,210 --> 00:42:29,880

respected National psychic hotline

847

00:42:36,290 --> 00:42:32,220

services and he said he had a success

848

00:42:40,970 --> 00:42:38,510

uh here's the facts Morton working with

849

00:42:43,490 --> 00:42:40,980

psychic hotlines service there's

850

00:42:45,410 --> 00:42:43,500

probably no doubt of that claim that

851

00:42:47,150 --> 00:42:45,420

does not qualify as highly respected

852

00:42:48,589 --> 00:42:47,160

psychic hotline

853

00:42:50,870 --> 00:42:48,599

ha ha

854

00:42:52,910 --> 00:42:50,880

all right so here is just a sampling of

855

00:42:56,750 --> 00:42:52,920

some of what Morton predicted never came

856

00:42:59,030 --> 00:42:56,760

to pass from 1997 1998 and 1999. here's

857

00:43:00,770 --> 00:42:59,040

all his false predictions tomes of

858

00:43:02,210 --> 00:43:00,780

Alexander the Great and Genghis Khan are

859

00:43:05,270 --> 00:43:02,220

found billions of dollars in Golden

860

00:43:07,010 --> 00:43:05,280

Treasures will be found in con tomb

861

00:43:09,410 --> 00:43:07,020

which will be used to finance dangerous

862

00:43:11,450 --> 00:43:09,420

Chinese aggression the Federal Reserve

863

00:43:13,130 --> 00:43:11,460

will crash paper money replaced by smart

864

00:43:16,190 --> 00:43:13,140

card card will contain all financial

865

00:43:19,250 --> 00:43:16,200

information for individuals IRS will be

866

00:43:21,230 --> 00:43:19,260

gone by 1998. Clinton's Scandal forces

867

00:43:23,109 --> 00:43:21,240

him to leave office

868

00:43:25,370 --> 00:43:23,119

foreign

869

00:43:27,890 --> 00:43:25,380

resides before Clinton leaves office as

870

00:43:29,030 --> 00:43:27,900

a result of either distant distancing

871

00:43:31,550 --> 00:43:29,040

himself from Clinton or being

872

00:43:34,069 --> 00:43:31,560

blackmailed by Clinton Clinton names Ted

873

00:43:37,430 --> 00:43:34,079

Kennedy as the new vice president Castro

874

00:43:39,650 --> 00:43:37,440

is overthrown in Cuba

875

00:43:41,150 --> 00:43:39,660

a sexually transmitted disease is cured

876

00:43:43,309 --> 00:43:41,160

probably AIDS

877

00:43:46,250 --> 00:43:43,319

during the day a UFO mothership is

878

00:43:47,930 --> 00:43:46,260

caught on film over major Southwest City

879

00:43:49,490 --> 00:43:47,940

Madeleine Albright is attacked by

880

00:43:51,230 --> 00:43:49,500

terrorists and is either hospitalized

881

00:43:54,230 --> 00:43:51,240

with injuries or kills

882

00:43:56,270 --> 00:43:54,240

scores of Dems break open dams break

883

00:43:58,670 --> 00:43:56,280

open in California

884

00:44:01,190 --> 00:43:58,680

Ted Kaczynski the Unabomber is sentenced

885

00:44:03,349 --> 00:44:01,200

to the electric chair uh none of these

886

00:44:05,150 --> 00:44:03,359

things can happen none of these things

887

00:44:08,270 --> 00:44:05,160

excuse me none of these things ever

888

00:44:14,270 --> 00:44:11,870

oh great uh he quite he also claimed

889

00:44:16,670 --> 00:44:14,280

Morton also claimed that he attended

890

00:44:19,790 --> 00:44:16,680

Stanford University where he was part of

891

00:44:21,650 --> 00:44:19,800

Dr Russell targs and Stanford research

892

00:44:23,829 --> 00:44:21,660

institute's original experiments in

893

00:44:26,930 --> 00:44:23,839

remote viewing

894

00:44:29,690 --> 00:44:26,940

Morton also claimed to have been part of

895

00:44:32,390 --> 00:44:29,700

the SRI remote viewing project on the

896

00:44:35,569 --> 00:44:32,400

20th of February 2003 broadcast of the

897

00:44:38,390 --> 00:44:35,579

Lou genteel radio program

898

00:44:40,250 --> 00:44:38,400

yeah fact Dr halputoff was the founder

899

00:44:42,170 --> 00:44:40,260

of Stanford research institute's remote

900

00:44:43,970 --> 00:44:42,180

viewing program and served as his

901  
00:44:45,230 --> 00:44:43,980  
director for 13 years put off an

902  
00:44:46,730 --> 00:44:45,240  
authority of remote viewing was

903  
00:44:48,170 --> 00:44:46,740  
contacted about Morton's claim having

904  
00:44:50,329 --> 00:44:48,180  
been a part of sri's original

905  
00:44:53,450 --> 00:44:50,339  
experiments in remote viewing

906  
00:44:56,690 --> 00:44:53,460  
putoff stated as founder and director of

907  
00:44:58,550 --> 00:44:56,700  
the SRI program from 1972 to 1985. I can

908  
00:45:00,050 --> 00:44:58,560  
assure you that he was not a participant

909  
00:45:03,130 --> 00:45:00,060  
in the original remote viewing

910  
00:45:05,630 --> 00:45:03,140  
experiments in the program

911  
00:45:08,750 --> 00:45:05,640  
oh it's just great look there's a part

912  
00:45:12,770 --> 00:45:08,760  
five there's just so much this guy just

913  
00:45:16,010 --> 00:45:12,780

keeps lying and lying it's awesome and

914

00:45:17,750 --> 00:45:16,020

this is the quality of Michael Salas

915

00:45:21,170 --> 00:45:17,760

sources

916

00:45:26,270 --> 00:45:24,230

yeah and he also claimed that uh you

917

00:45:28,309 --> 00:45:26,280

could uh go out and actually see flying

918

00:45:30,710 --> 00:45:28,319

saucers on a timetable and by the way

919

00:45:34,010 --> 00:45:30,720

for a while he was scamming people doing

920

00:45:36,470 --> 00:45:34,020

UFO tours around Area 51 where he would

921

00:45:37,790 --> 00:45:36,480

say we're gonna you know pass through

922

00:45:39,470 --> 00:45:37,800

this

923

00:45:41,030 --> 00:45:39,480

he would say

924

00:45:42,589 --> 00:45:41,040

that he was showing people flying

925

00:45:45,470 --> 00:45:42,599

saucers but it turned out what he was

926  
00:45:47,990 --> 00:45:45,480  
showing people around Area 51 were the

927  
00:45:51,349 --> 00:45:48,000  
Janet airlines flying in

928  
00:45:53,270 --> 00:45:51,359  
uh and that is a provable fact he

929  
00:45:55,250 --> 00:45:53,280  
scammed people give me some money I'll

930  
00:45:57,530 --> 00:45:55,260  
take you out in the desert near Area 51

931  
00:45:59,809 --> 00:45:57,540  
and you can see the Flying Saucer tests

932  
00:46:02,089 --> 00:45:59,819  
that they're doing at Area 51 and what

933  
00:46:04,309 --> 00:46:02,099  
he actually showed them is regular

934  
00:46:06,950 --> 00:46:04,319  
airplanes flying into the base but from

935  
00:46:08,630 --> 00:46:06,960  
a far enough distance and just just a

936  
00:46:10,730 --> 00:46:08,640  
light in the sky but he claimed it was

937  
00:46:13,010 --> 00:46:10,740  
flying saucers he took money from people

938  
00:46:15,829 --> 00:46:13,020

for years for that scam

939

00:46:19,809 --> 00:46:15,839

so this is the quality of Michael

940

00:46:24,470 --> 00:46:19,819

salah's new Insider this is the quality

941

00:46:27,109 --> 00:46:24,480

this is why this subject is the subject

942

00:46:29,510 --> 00:46:27,119

of ridicule for many people because of

943

00:46:32,390 --> 00:46:29,520

people like Michael Salah using a guy

944

00:46:34,730 --> 00:46:32,400

like that I love it I love it what a

945

00:46:38,390 --> 00:46:34,740

great Insider you got Michael Salah you

946

00:46:42,410 --> 00:46:38,400

dummy you dummy are you that stupid he

947

00:46:45,589 --> 00:46:42,420

can't be this stupid and by the way

948

00:46:48,710 --> 00:46:45,599

it's bad to make assumptions but

949

00:46:50,870 --> 00:46:48,720

everybody that I know I asked around

950

00:46:53,510 --> 00:46:50,880

just to make sure that you know like am

951  
00:46:55,730 --> 00:46:53,520  
I going to be am I being unfair to

952  
00:46:57,770 --> 00:46:55,740  
Michael Salah but I asked around to

953  
00:47:00,589 --> 00:46:57,780  
people that have been involved in UFOs

954  
00:47:03,290 --> 00:47:00,599  
for far shorter time than Michael Salah

955  
00:47:06,109 --> 00:47:03,300  
and uh I have the emails to prove it by

956  
00:47:10,569 --> 00:47:06,119  
the way I emailed 10 people involved

957  
00:47:12,890 --> 00:47:10,579  
with UFOs researchers show hosts uh

958  
00:47:16,370 --> 00:47:12,900  
experiencers that are very plugged in

959  
00:47:18,290 --> 00:47:16,380  
and interested in the UFO goings-on and

960  
00:47:20,569 --> 00:47:18,300  
I asked all 10 of them

961  
00:47:23,030 --> 00:47:20,579  
are you aware of Sean David Morton his

962  
00:47:25,250 --> 00:47:23,040  
arrest and all the times he's lied all

963  
00:47:28,430 --> 00:47:25,260

10 of them oh yeah that guy's a total

964

00:47:30,470 --> 00:47:28,440

[h\_\_\h] artist all 10 people I asked

965

00:47:33,589 --> 00:47:30,480

and by the way I asked Believers

966

00:47:35,569 --> 00:47:33,599

Skeptics researchers show hosts that are

967

00:47:36,829 --> 00:47:35,579

skeptical show hosts that are on the

968

00:47:38,690 --> 00:47:36,839

believer side

969

00:47:41,390 --> 00:47:38,700

you know I try to be fair here to

970

00:47:44,930 --> 00:47:41,400

Michael Salah so it seems clear to me

971

00:47:47,089 --> 00:47:44,940

that everyone that is you know

972

00:47:50,650 --> 00:47:47,099

knowledgeable on this subject knows that

973

00:47:53,809 --> 00:47:50,660

Sean David Morton is a terrible terrible

974

00:47:56,450 --> 00:47:53,819

pathological liar but that won't stop

975

00:47:59,329 --> 00:47:56,460

Michael Salah from giving him a spot on

976

00:48:03,109 --> 00:47:59,339

his [h\_\_h] show and by the way

977

00:48:05,930 --> 00:48:03,119

I would like to uh share part portions

978

00:48:08,450 --> 00:48:05,940

of their talk from YouTube but I can't

979

00:48:11,270 --> 00:48:08,460

do that and the reason I can't do that

980

00:48:13,190 --> 00:48:11,280

is because besides all these other

981

00:48:15,170 --> 00:48:13,200

things that Sean David Morton is an

982

00:48:18,290 --> 00:48:15,180

expert on you know he's an expert remote

983

00:48:21,290 --> 00:48:18,300

viewer he's an expert psychic he's an

984

00:48:23,930 --> 00:48:21,300

expert Star Trek guy you know he worked

985

00:48:25,849 --> 00:48:23,940

with Gene Roddenberry he's an expert on

986

00:48:28,670 --> 00:48:25,859

Aeronautics and the and the Space

987

00:48:30,890 --> 00:48:28,680

Program since his father after all was

988

00:48:32,630 --> 00:48:30,900

an astronaut by the way Sean David

989

00:48:34,790 --> 00:48:32,640

Morton also claimed to be close friends

990

00:48:36,290 --> 00:48:34,800

with many famous astronauts claiming

991

00:48:38,450 --> 00:48:36,300

that they were family friends of his

992

00:48:40,250 --> 00:48:38,460

father and people reached out to those

993

00:48:42,710 --> 00:48:40,260

people including Gordon Cooper and

994

00:48:45,829 --> 00:48:42,720

others while they were still alive and

995

00:48:47,390 --> 00:48:45,839

that was a lie as well they never heard

996

00:48:49,250 --> 00:48:47,400

of Sean David Morton or his father

997

00:48:50,809 --> 00:48:49,260

period

998

00:48:54,230 --> 00:48:50,819

so

999

00:48:57,710 --> 00:48:54,240

I would like to be able to uh

1000

00:49:01,069 --> 00:48:57,720

you know share portions of that

1001  
00:49:06,530 --> 00:49:04,430  
talk that he gave from YouTube but I

1002  
00:49:09,710 --> 00:49:06,540  
cannot do that oh this is a problem

1003  
00:49:17,569 --> 00:49:09,720  
Rumble is not letting me share

1004  
00:49:26,349 --> 00:49:20,690  
one second that's it's an ad issue

1005  
00:49:30,890 --> 00:49:28,670  
no I don't know

1006  
00:49:34,130 --> 00:49:30,900  
it's not playing all right well we'll

1007  
00:49:36,890 --> 00:49:34,140  
play just the teaser that he did leave

1008  
00:49:38,809 --> 00:49:36,900  
on YouTube you know honestly it's

1009  
00:49:42,829 --> 00:49:38,819  
probably best I'm having a trouble

1010  
00:49:44,510 --> 00:49:42,839  
playing the stupid video of uh Sean

1011  
00:49:46,730 --> 00:49:44,520  
David Morton being interviewed by

1012  
00:49:50,870 --> 00:49:46,740  
Michael Salah the gist of the interview

1013  
00:49:53,510 --> 00:49:50,880

is all about time travel and remember

1014

00:49:56,089 --> 00:49:53,520

Sean David Morton is an expert on

1015

00:49:59,089 --> 00:49:56,099

everything he's an expert on alien crash

1016

00:50:03,410 --> 00:49:59,099

retrievals he's an expert

1017

00:50:05,630 --> 00:50:03,420

on time travel as well

1018

00:50:07,430 --> 00:50:05,640

and you know I would just ask everyone

1019

00:50:10,130 --> 00:50:07,440

within the sound of my voice we've just

1020

00:50:12,770 --> 00:50:10,140

heard and by the way I can't there's no

1021

00:50:15,589 --> 00:50:12,780

there's not enough time to include every

1022

00:50:18,109 --> 00:50:15,599

time that this guy has been caught lying

1023

00:50:21,650 --> 00:50:18,119

there's just not enough there's not

1024

00:50:24,170 --> 00:50:21,660

enough time in the show to go over it

1025

00:50:26,750 --> 00:50:24,180

all he just lies constantly

1026

00:50:29,750 --> 00:50:26,760

so you know some people would have to

1027

00:50:32,690 --> 00:50:29,760

ask themselves like what do we have to

1028

00:50:37,069 --> 00:50:32,700

do here you know uh

1029

00:50:41,450 --> 00:50:37,079

to why would you trust a guy

1030

00:50:45,650 --> 00:50:41,460

who we have shown you lies constantly

1031

00:50:47,630 --> 00:50:45,660

lies through his teeth all the time why

1032

00:50:51,109 --> 00:50:47,640

would you bother

1033

00:50:55,069 --> 00:50:51,119

to listen to a guy like this

1034

00:50:58,010 --> 00:50:55,079

tell you about time travel tell you

1035

00:51:00,049 --> 00:50:58,020

about alien crash retrievals

1036

00:51:02,990 --> 00:51:00,059

I mean how many times do you catch a guy

1037

00:51:04,549 --> 00:51:03,000

lying before you just go this guy is

1038

00:51:09,049 --> 00:51:04,559

full of crap

1039

00:51:11,089 --> 00:51:09,059

you know I'm not even going to entertain

1040

00:51:14,329 --> 00:51:11,099

the crap that he is talking about

1041

00:51:17,690 --> 00:51:14,339

because it's it would be ridiculous to

1042

00:51:20,150 --> 00:51:17,700

trust or listen to this guy

1043

00:51:24,410 --> 00:51:20,160

and yeah that's so weird for some reason

1044

00:51:31,069 --> 00:51:28,430

I'm gonna put the rumble

1045

00:51:33,770 --> 00:51:31,079

and by the way the reason that I can't

1046

00:51:36,710 --> 00:51:33,780

share it from YouTube is because Michael

1047

00:51:39,710 --> 00:51:36,720

Salah had to take that interview down

1048

00:51:42,410 --> 00:51:39,720

because besides being an expert on Star

1049

00:51:45,170 --> 00:51:42,420

Trek on remote viewing on Psychic

1050

00:51:47,329 --> 00:51:45,180

phenomenon on Buddhism on having

1051

00:51:50,230 --> 00:51:47,339

superpowers

1052

00:51:53,390 --> 00:51:50,240

um on the Aeronautics industry on

1053

00:51:56,450 --> 00:51:53,400

astronauts and space travel alien crash

1054

00:51:58,849 --> 00:51:56,460

retrievals he's also an expert in

1055

00:52:00,670 --> 00:51:58,859

medicine and during their interview with

1056

00:52:03,290 --> 00:52:00,680

Michael Salah

1057

00:52:07,190 --> 00:52:03,300

he said a lot of things that are against

1058

00:52:10,370 --> 00:52:07,200

YouTube's terms of service so the actual

1059

00:52:12,349 --> 00:52:10,380

interview got taken down

1060

00:52:13,790 --> 00:52:12,359

by Michael Salah but it's still on

1061

00:52:16,130 --> 00:52:13,800

Rumble where you can post medical

1062

00:52:18,230 --> 00:52:16,140

disinformation all you want apparently

1063

00:52:20,809 --> 00:52:18,240

uh

1064

00:52:24,170 --> 00:52:20,819

yeah so we're just going to play the

1065

00:52:25,910 --> 00:52:24,180

preview but what I am going to do is I'm

1066

00:52:26,690 --> 00:52:25,920

going to go over to the live chat right

1067

00:52:29,870 --> 00:52:26,700

now

1068

00:52:32,510 --> 00:52:29,880

and uh I'll just put Rumble interview

1069

00:52:37,910 --> 00:52:35,630

I don't know why I can't share that

1070

00:52:40,970 --> 00:52:37,920

but honestly

1071

00:52:43,309 --> 00:52:40,980

uh the interview I you know I can we can

1072

00:52:45,589 --> 00:52:43,319

save everybody a lot of time and just

1073

00:52:47,390 --> 00:52:45,599

tell you that the interview is a bunch

1074

00:52:49,250 --> 00:52:47,400

of nonsensical rambling from a

1075

00:52:51,589 --> 00:52:49,260

pathological liar

1076

00:52:53,750 --> 00:52:51,599

with no proof no evidence no

1077

00:52:57,349 --> 00:52:53,760

corroborating Witnesses nothing just

1078

00:52:59,150 --> 00:52:57,359

Sean David Morton spinning Yarns but as

1079

00:53:02,030 --> 00:52:59,160

we have seen and displayed here Sean

1080

00:53:04,190 --> 00:53:02,040

David Morton is good at that

1081

00:53:06,530 --> 00:53:04,200

you know I mean it takes a special kind

1082

00:53:08,270 --> 00:53:06,540

of liar to pretend that he was in Tibet

1083

00:53:10,490 --> 00:53:08,280

when he was DJing at a club in

1084

00:53:11,809 --> 00:53:10,500

California takes a special kind of liar

1085

00:53:14,510 --> 00:53:11,819

to pretend that he worked with Gene

1086

00:53:16,130 --> 00:53:14,520

Roddenberry and not just pretend that he

1087

00:53:18,970 --> 00:53:16,140

worked with Gene Roddenberry but then he

1088

00:53:21,349 --> 00:53:18,980

argued with the Gene Roddenberry

1089

00:53:23,390 --> 00:53:21,359

biographer and the Gene Roddenberry

1090

00:53:25,910 --> 00:53:23,400

Association

1091

00:53:27,589 --> 00:53:25,920

no no really I'm not lying I really did

1092

00:53:29,870 --> 00:53:27,599

work on Star Trek and invent the

1093

00:53:31,910 --> 00:53:29,880

Holodeck and all this stuff it is

1094

00:53:35,030 --> 00:53:31,920

laughable friends it's absolutely

1095

00:53:37,730 --> 00:53:35,040

laughable uh so we're gonna We Are Gonna

1096

00:53:41,510 --> 00:53:37,740

cite fair use uh let me put up the fair

1097

00:53:43,970 --> 00:53:41,520

use Banner here one second this is fair

1098

00:53:46,010 --> 00:53:43,980

use this is a transformative work we're

1099

00:53:48,470 --> 00:53:46,020

educating the public and we are

1100

00:53:50,569 --> 00:53:48,480

critiquing the video that we are sharing

1101  
00:53:54,470 --> 00:53:50,579  
we are informing the public that Michael

1102  
00:53:56,870 --> 00:53:54,480  
Salah uses pathological Liars that have

1103  
00:54:00,950 --> 00:53:56,880  
been convicted of 50 felonies to tell

1104  
00:54:04,390 --> 00:54:00,960  
fake alien stories and to make money

1105  
00:54:06,349 --> 00:54:04,400  
and by the way just the preview here

1106  
00:54:08,210 --> 00:54:06,359  
9000 views

1107  
00:54:11,049 --> 00:54:08,220  
so

1108  
00:54:15,170 --> 00:54:11,059  
it's amazing to me friends amazing

1109  
00:54:18,770 --> 00:54:15,180  
absolutely amazing that you can platform

1110  
00:54:22,190 --> 00:54:18,780  
a complete and total liar like this

1111  
00:54:23,630 --> 00:54:22,200  
and by the way Michael saw you have no

1112  
00:54:25,970 --> 00:54:23,640  
excuse for this

1113  
00:54:27,829 --> 00:54:25,980

you're an educated man and you call

1114

00:54:30,829 --> 00:54:27,839

yourself a researcher how do you not

1115

00:54:33,049 --> 00:54:30,839

know how many times that this clown and

1116

00:54:35,809 --> 00:54:33,059

that's what he is he's a clown has been

1117

00:54:37,849 --> 00:54:35,819

caught lying and by the way we're not

1118

00:54:39,349 --> 00:54:37,859

going to play the entire interview we'll

1119

00:54:42,069 --> 00:54:39,359

just play this teaser it's like two

1120

00:54:45,589 --> 00:54:42,079

minutes the in the actual interview

1121

00:54:47,750 --> 00:54:45,599

Michael Salah never asks him

1122

00:54:50,510 --> 00:54:47,760

about just getting out of federal prison

1123

00:54:53,510 --> 00:54:50,520

never asks him how he feels about all

1124

00:54:55,910 --> 00:54:53,520

the victims he defrauded of six million

1125

00:54:58,670 --> 00:54:55,920

dollars he defrauded people of six

1126  
00:55:01,069 --> 00:54:58,680  
million dollars and by the way I've

1127  
00:55:02,630 --> 00:55:01,079  
talked to a few of those people they

1128  
00:55:05,809 --> 00:55:02,640  
were old people

1129  
00:55:08,450 --> 00:55:05,819  
this guy ripped off a bunch of retirees

1130  
00:55:11,270 --> 00:55:08,460  
that happened to have a nest egg for

1131  
00:55:12,770 --> 00:55:11,280  
their retirement and guess what all of

1132  
00:55:16,010 --> 00:55:12,780  
them have to go back to work or do

1133  
00:55:17,750 --> 00:55:16,020  
something because they gave many in many

1134  
00:55:20,210 --> 00:55:17,760  
cases these people gave their nest egg

1135  
00:55:21,829 --> 00:55:20,220  
the money that they had saved for all

1136  
00:55:25,250 --> 00:55:21,839  
their entire lives

1137  
00:55:26,930 --> 00:55:25,260  
they gave it to this fake psychic who

1138  
00:55:28,849 --> 00:55:26,940

promised up and down that he had an

1139

00:55:31,670 --> 00:55:28,859

accuracy rate so high that he would make

1140

00:55:33,950 --> 00:55:31,680

them tons of money no he didn't he stole

1141

00:55:37,789 --> 00:55:33,960

their money six million dollars of their

1142

00:55:40,670 --> 00:55:37,799

money old people this guy ripped off

1143

00:55:44,150 --> 00:55:40,680

your grandmother this guy ripped off

1144

00:55:47,089 --> 00:55:44,160

your great your great uncle John you

1145

00:55:49,730 --> 00:55:47,099

know your grandfather your great aunt

1146

00:55:52,309 --> 00:55:49,740

your great uncle your great grandfather

1147

00:55:55,130 --> 00:55:52,319

your great grandmother whatever this guy

1148

00:55:57,170 --> 00:55:55,140

rips off grandmothers

1149

00:55:59,809 --> 00:55:57,180

so pardon me

1150

00:56:03,410 --> 00:55:59,819

you know when I think about the victims

1151  
00:56:06,650 --> 00:56:03,420  
of some of these people I get angry and

1152  
00:56:09,289 --> 00:56:06,660  
pardon me if I don't say that Michael

1153  
00:56:12,230 --> 00:56:09,299  
Salah you're a piece of [h\_\_\h] for

1154  
00:56:14,530 --> 00:56:12,240  
platforming this guy you are a slime

1155  
00:56:16,910 --> 00:56:14,540  
ball disgusting

1156  
00:56:18,710 --> 00:56:16,920  
you are everything that is wrong with

1157  
00:56:20,510 --> 00:56:18,720  
this

1158  
00:56:21,950 --> 00:56:20,520  
you are everything that is wrong with

1159  
00:56:23,809 --> 00:56:21,960  
this

1160  
00:56:25,970 --> 00:56:23,819  
why would you

1161  
00:56:30,230 --> 00:56:25,980  
platform that

1162  
00:56:32,510 --> 00:56:30,240  
why would you knowingly let this guy

1163  
00:56:35,690 --> 00:56:32,520

come and tell your audience fake stories

1164

00:56:37,190 --> 00:56:35,700

about aliens and by the way uh I can say

1165

00:56:38,990 --> 00:56:37,200

they're fake stories about aliens

1166

00:56:41,329 --> 00:56:39,000

because all of his other stories are

1167

00:56:43,910 --> 00:56:41,339

fake

1168

00:56:47,870 --> 00:56:43,920

there's no excuse there's no excuse

1169

00:56:51,170 --> 00:56:47,880

whatsoever for Michael Salah platforming

1170

00:56:53,690 --> 00:56:51,180

a known pathological liar who ripped six

1171

00:56:55,970 --> 00:56:53,700

million dollars off of a bunch of old

1172

00:56:58,370 --> 00:56:55,980

retired people

1173

00:57:00,349 --> 00:56:58,380

I mean don't you have any conscience we

1174

00:57:02,510 --> 00:57:00,359

we could see that Sean David Morton

1175

00:57:04,670 --> 00:57:02,520

apparently has no conscience he doesn't

1176  
00:57:06,410 --> 00:57:04,680  
care about his victims what about you

1177  
00:57:09,170 --> 00:57:06,420  
Michael Salah

1178  
00:57:11,270 --> 00:57:09,180  
do you care about the six million

1179  
00:57:12,710 --> 00:57:11,280  
dollars that he stole from a bunch of

1180  
00:57:16,130 --> 00:57:12,720  
old people

1181  
00:57:17,569 --> 00:57:16,140  
and by the way uh I haven't

1182  
00:57:22,010 --> 00:57:17,579  
caught up

1183  
00:57:25,309 --> 00:57:22,020  
with the with the story so I am

1184  
00:57:29,089 --> 00:57:25,319  
uh I am not aware if the victims got the

1185  
00:57:32,329 --> 00:57:29,099  
money back but I am aware that his wife

1186  
00:57:33,829 --> 00:57:32,339  
was funneling money out she took seventy

1187  
00:57:36,589 --> 00:57:33,839  
thousand dollars of that money out in

1188  
00:57:37,609 --> 00:57:36,599

cash I'm aware of that so for all we

1189

00:57:40,010 --> 00:57:37,619

know

1190

00:57:41,750 --> 00:57:40,020

they hid the six million dollars while

1191

00:57:44,270 --> 00:57:41,760

they were in federal prison and again

1192

00:57:47,450 --> 00:57:44,280

this is my speculation uh I don't have

1193

00:57:49,309 --> 00:57:47,460

all of the details about what happened

1194

00:57:51,950 --> 00:57:49,319

to the six million dollars that he

1195

00:57:55,609 --> 00:57:51,960

defrauded from people

1196

00:57:57,470 --> 00:57:55,619

but you know you you just gotta laugh at

1197

00:58:00,230 --> 00:57:57,480

this you just gotta say like this guy

1198

00:58:03,130 --> 00:58:00,240

Michael Salah is a clown this is

1199

00:58:05,510 --> 00:58:03,140

something a clown would do actually

1200

00:58:08,030 --> 00:58:05,520

clowns have more respect for their

1201  
00:58:11,990 --> 00:58:08,040  
audiences than this guy he's not even

1202  
00:58:13,549 --> 00:58:12,000  
good enough to be a clown he is worse

1203  
00:58:18,230 --> 00:58:13,559  
than a clown

1204  
00:58:21,609 --> 00:58:18,240  
I mean I I can't even like vocalize or

1205  
00:58:24,410 --> 00:58:21,619  
get my head around the fact that

1206  
00:58:26,450 --> 00:58:24,420  
Microsoft just thinks this is okay

1207  
00:58:28,730 --> 00:58:26,460  
some guy just got out of federal prison

1208  
00:58:31,069 --> 00:58:28,740  
for ripping six million dollars off of

1209  
00:58:34,010 --> 00:58:31,079  
the both the IRS not that you know and

1210  
00:58:35,870 --> 00:58:34,020  
by the way I don't really have any

1211  
00:58:37,849 --> 00:58:35,880  
I don't really care if somebody rips off

1212  
00:58:39,230 --> 00:58:37,859  
the IRS but when you rip off a bunch of

1213  
00:58:41,450 --> 00:58:39,240

old people

1214

00:58:44,329 --> 00:58:41,460

to the tune of six million dollars in an

1215

00:58:46,849 --> 00:58:44,339

investment scam I care very much

1216

00:58:48,349 --> 00:58:46,859

so I I can't remember like I said I

1217

00:58:50,990 --> 00:58:48,359

don't even know what to say like Michael

1218

00:58:52,789 --> 00:58:51,000

Salah we've seen the evidence and the

1219

00:58:55,430 --> 00:58:52,799

proof that this guy is a pathological

1220

00:59:00,589 --> 00:58:55,440

liar we've seen the evidence and the

1221

00:59:04,430 --> 00:59:00,599

proof that he was in 2017 convicted of

1222

00:59:07,549 --> 00:59:04,440

50 50. he was convicted of 50 felony

1223

00:59:10,549 --> 00:59:07,559

counts and the fact that he only did six

1224

00:59:13,010 --> 00:59:10,559

years is amazing to me

1225

00:59:16,250 --> 00:59:13,020

and uh he didn't even do the six years

1226  
00:59:17,329 --> 00:59:16,260  
he did under five and got out of federal

1227  
00:59:20,930 --> 00:59:17,339  
prison

1228  
00:59:22,190 --> 00:59:20,940  
and we've talked about this uh we'll get

1229  
00:59:23,990 --> 00:59:22,200  
back to it but right now we're just

1230  
00:59:26,329 --> 00:59:24,000  
going to share that this is the teaser

1231  
00:59:27,950 --> 00:59:26,339  
reel friends this is the you gotta watch

1232  
00:59:31,849 --> 00:59:27,960  
the full interview

1233  
00:59:34,130 --> 00:59:31,859  
uh and this is Michael Salah unveiling

1234  
00:59:37,730 --> 00:59:34,140  
the secrets of time travel and reverse

1235  
00:59:39,410 --> 00:59:37,740  
engineered alien spacecraft yeah I'm

1236  
00:59:41,569 --> 00:59:39,420  
sure that a guy who lied about working

1237  
00:59:44,329 --> 00:59:41,579  
for Star Trek Creator Gene Roddenberry

1238  
00:59:46,130 --> 00:59:44,339

is really believable incredible and

1239

00:59:48,109 --> 00:59:46,140

trustworthy when he starts telling you

1240

00:59:50,870 --> 00:59:48,119

about time travel and reverse engineered

1241

00:59:53,030 --> 00:59:50,880

alien spacecraft and sure even though he

1242

00:59:55,370 --> 00:59:53,040

lied about living with the Dalai Lama

1243

00:59:58,370 --> 00:59:55,380

and living in you know

1244

01:00:01,549 --> 00:59:58,380

haha to bet and he lied about his daddy

1245

01:00:04,069 --> 01:00:01,559

being an astronaut uh and he lied about

1246

01:00:06,950 --> 01:00:04,079

getting an Emmy Award and he lied about

1247

01:00:09,109 --> 01:00:06,960

his education he's telling us the truth

1248

01:00:11,329 --> 01:00:09,119

about those those reverse engineered

1249

01:00:12,829 --> 01:00:11,339

alien spacecraft right and and he's

1250

01:00:14,569 --> 01:00:12,839

telling us the truth about time travel

1251

01:00:17,170 --> 01:00:14,579

right

1252

01:00:20,750 --> 01:00:17,180

I mean it takes a special kind of stupid

1253

01:00:23,589 --> 01:00:20,760

to to platform this this guy it really

1254

01:00:26,450 --> 01:00:23,599

takes a special kind of stupid and again

1255

01:00:28,309 --> 01:00:26,460

I reached out to some more than 10

1256

01:00:29,450 --> 01:00:28,319

people but let's just say 10. I know I

1257

01:00:31,849 --> 01:00:29,460

reached out to at least 10 people

1258

01:00:34,430 --> 01:00:31,859

everybody knows this guy was a

1259

01:00:37,250 --> 01:00:34,440

pathological liar and a criminal

1260

01:00:38,569 --> 01:00:37,260

Michael Salah has to know this and he

1261

01:00:42,289 --> 01:00:38,579

ignored that

1262

01:00:43,309 --> 01:00:42,299

in order to sell fake stories to stupid

1263

01:00:45,349 --> 01:00:43,319

people

1264

01:00:47,089 --> 01:00:45,359

because this is what they do friends

1265

01:00:49,430 --> 01:00:47,099

we've talked about this many many times

1266

01:00:51,829 --> 01:00:49,440

it's that lie by omission

1267

01:00:54,410 --> 01:00:51,839

oh this guy's telling stories about

1268

01:00:56,270 --> 01:00:54,420

reverse engineered alien spacecraft and

1269

01:00:58,430 --> 01:00:56,280

and the secrets of time travel in my

1270

01:01:00,829 --> 01:00:58,440

audience will love it

1271

01:01:02,870 --> 01:01:00,839

there's just one problem the guy got

1272

01:01:04,789 --> 01:01:02,880

convicted of 50 felonies recently and

1273

01:01:07,010 --> 01:01:04,799

just got out of federal prison

1274

01:01:09,289 --> 01:01:07,020

and his wife got convicted of 50

1275

01:01:11,630 --> 01:01:09,299

felonies and I guess she just got out of

1276

01:01:15,049 --> 01:01:11,640

federal prison and he ripped off all

1277

01:01:17,329 --> 01:01:15,059

those old ladies right and he has a

1278

01:01:20,630 --> 01:01:17,339

history of pathological lying and

1279

01:01:22,430 --> 01:01:20,640

scamming people and a history of

1280

01:01:24,829 --> 01:01:22,440

pretending to be a psychic when all of

1281

01:01:26,270 --> 01:01:24,839

his predictions laughably fail

1282

01:01:29,569 --> 01:01:26,280

but let's

1283

01:01:33,829 --> 01:01:29,579

just lie by Omission we'll just let him

1284

01:01:37,490 --> 01:01:33,839

this is how this is exactly how this Con

1285

01:01:40,609 --> 01:01:37,500

Works friends this is exactly how the

1286

01:01:42,650 --> 01:01:40,619

UFO scam works for many people

1287

01:01:44,450 --> 01:01:42,660

they make tens of thousands of dollars

1288

01:01:46,849 --> 01:01:44,460

doing this you get a guy like this

1289

01:01:49,910 --> 01:01:46,859

questionable history questionable past

1290

01:01:52,250 --> 01:01:49,920

provable pathological liar

1291

01:01:54,529 --> 01:01:52,260

and you and you train them a little bit

1292

01:01:56,089 --> 01:01:54,539

you know you work with them what you

1293

01:01:57,890 --> 01:01:56,099

know talk to them before the show well

1294

01:01:59,690 --> 01:01:57,900

what are you going to talk about oh you

1295

01:02:02,809 --> 01:01:59,700

should throw this in too

1296

01:02:04,849 --> 01:02:02,819

they do that friends they do that

1297

01:02:07,490 --> 01:02:04,859

um and

1298

01:02:10,130 --> 01:02:07,500

all you have to do as the cosmic con

1299

01:02:12,890 --> 01:02:10,140

artist like Michael Salah is you have to

1300

01:02:14,809 --> 01:02:12,900

let them talk about the aliens let them

1301  
01:02:16,849 --> 01:02:14,819  
talk about that reverse engineered alien

1302  
01:02:19,569 --> 01:02:16,859  
spacecraft let them talk about time

1303  
01:02:22,010 --> 01:02:19,579  
travel just don't ask him any questions

1304  
01:02:24,950 --> 01:02:22,020  
about all this failed psychic

1305  
01:02:28,609 --> 01:02:24,960  
predictions or is fake Emmy Award or as

1306  
01:02:30,770 --> 01:02:28,619  
fake education or as fake doctorate in

1307  
01:02:34,490 --> 01:02:30,780  
theology this guy is telling people he's

1308  
01:02:37,670 --> 01:02:34,500  
a doctor uh no he's not his his degree

1309  
01:02:40,309 --> 01:02:37,680  
is fake so see this is exactly how it

1310  
01:02:41,930 --> 01:02:40,319  
works the LIE bio Mission you get a

1311  
01:02:43,789 --> 01:02:41,940  
questionable guy like this and by the

1312  
01:02:46,609 --> 01:02:43,799  
way many others do it it's not just

1313  
01:02:49,250 --> 01:02:46,619

Michael Salah we have uh verifiable

1314

01:02:52,210 --> 01:02:49,260

proof and evidence that Kerry Cassidy of

1315

01:02:55,789 --> 01:02:52,220

Project Camelot does this and she uses

1316

01:02:58,789 --> 01:02:55,799

rapists child molesters and murderers

1317

01:03:01,309 --> 01:02:58,799

and does the Lie by Omission she lets

1318

01:03:04,190 --> 01:03:01,319

rapists murderers and child molesters

1319

01:03:05,049 --> 01:03:04,200

tell fake stories about aliens and she

1320

01:03:07,730 --> 01:03:05,059

just

1321

01:03:11,450 --> 01:03:07,740

forgets to tell our audience that

1322

01:03:13,250 --> 01:03:11,460

they're rapists or murderers or child

1323

01:03:17,089 --> 01:03:13,260

molesters right

1324

01:03:19,549 --> 01:03:17,099

just this is the cosmic con Shuffle this

1325

01:03:21,410 --> 01:03:19,559

part is called the Lie by Omission well

1326

01:03:23,029 --> 01:03:21,420

you know I'm not lying and we're just

1327

01:03:25,010 --> 01:03:23,039

having a conversation and I'm just

1328

01:03:27,230 --> 01:03:25,020

letting people you know explore their

1329

01:03:29,569 --> 01:03:27,240

truth it's his truth might not be your

1330

01:03:32,930 --> 01:03:29,579

truth but it's his truth

1331

01:03:36,170 --> 01:03:32,940

it's garbage it's garbage pedaling it's

1332

01:03:38,569 --> 01:03:36,180

Cosmic Connery at its finest that's what

1333

01:03:40,190 --> 01:03:38,579

this is that's how this works and

1334

01:03:42,829 --> 01:03:40,200

Michael Salah should be ashamed of

1335

01:03:46,250 --> 01:03:42,839

himself and he should be cut from this

1336

01:03:49,010 --> 01:03:46,260

thing like a cancer he should never be

1337

01:03:52,309 --> 01:03:49,020

allowed to speak at a UFO conference for

1338

01:03:55,849 --> 01:03:52,319

the rest of his life for this garbage

1339

01:04:01,010 --> 01:03:55,859

alone for his willingness

1340

01:04:04,990 --> 01:04:01,020

to willingly deceive people with a

1341

01:04:08,870 --> 01:04:05,000

garbage fake psychic convicted felon

1342

01:04:11,750 --> 01:04:08,880

pathological lying fraud he should be

1343

01:04:14,750 --> 01:04:11,760

stricken from the entire UFO Community

1344

01:04:15,829 --> 01:04:14,760

like he should be cut from it like a

1345

01:04:18,470 --> 01:04:15,839

cancer

1346

01:04:21,770 --> 01:04:18,480

we don't have time for people to be

1347

01:04:24,170 --> 01:04:21,780

shoveling this level of garbage in

1348

01:04:27,710 --> 01:04:24,180

we don't have time for somebody like

1349

01:04:30,349 --> 01:04:27,720

Michael Salah who either doesn't know or

1350

01:04:33,589 --> 01:04:30,359

doesn't care about the history of his

1351

01:04:37,069 --> 01:04:33,599

so-called Insider but let's hear the

1352

01:04:39,829 --> 01:04:37,079

quality of information from this psychic

1353

01:04:42,829 --> 01:04:39,839

who worked with Gene Roddenberry who got

1354

01:04:45,529 --> 01:04:42,839

super powers from the Dalai Lama who was

1355

01:04:48,049 --> 01:04:45,539

in a remote viewing program

1356

01:04:50,750 --> 01:04:48,059

run by Dr Hal putoff at Stanford

1357

01:04:54,710 --> 01:04:50,760

Research Institute who is a doctor in

1358

01:04:56,750 --> 01:04:54,720

theology who got an Emmy Award whose

1359

01:04:59,690 --> 01:04:56,760

father was an astronaut

1360

01:05:02,750 --> 01:04:59,700

and whose father was a test pilot that

1361

01:05:04,370 --> 01:05:02,760

worked at area 51. oh wait a minute all

1362

01:05:06,650 --> 01:05:04,380

that is [h\_\_h]

1363

01:05:10,250 --> 01:05:06,660

but we're gonna listen to this guy about

1364

01:05:11,630 --> 01:05:10,260

time travel and reverse engineered alien

1365

01:05:14,210 --> 01:05:11,640

spacecraft

1366

01:05:18,950 --> 01:05:14,220

great and by the way

1367

01:05:22,250 --> 01:05:18,960

this you True Believers that attack me

1368

01:05:26,089 --> 01:05:22,260

for being too critical this

1369

01:05:30,589 --> 01:05:26,099

you True Believers is why

1370

01:05:31,549 --> 01:05:30,599

I do attack people why I do expose these

1371

01:05:35,270 --> 01:05:31,559

things

1372

01:05:38,930 --> 01:05:35,280

because I see this everywhere

1373

01:05:42,370 --> 01:05:38,940

all these guys are not to be trusted if

1374

01:05:46,730 --> 01:05:42,380

they're selling you this kind of garbage

1375

01:05:49,010 --> 01:05:46,740

they should not be welcome here everyone

1376

01:05:51,950 --> 01:05:49,020

suddenly speaking of Star Trek I just

1377

01:05:54,529 --> 01:05:51,960

thought of that Klingon ritual you know

1378

01:05:56,630 --> 01:05:54,539

where you get banished right Michael

1379

01:05:58,309 --> 01:05:56,640

Salas should be banished from this thing

1380

01:06:01,370 --> 01:05:58,319

and everybody should do the Klingon

1381

01:06:03,890 --> 01:06:01,380

thing and just turn their back on them

1382

01:06:07,069 --> 01:06:03,900

he should be dead to everyone invisible

1383

01:06:09,410 --> 01:06:07,079

whatever he says nobody listen whatever

1384

01:06:12,049 --> 01:06:09,420

he puts out nobody buy it

1385

01:06:15,910 --> 01:06:12,059

nobody watch him nobody book him

1386

01:06:18,890 --> 01:06:15,920

anywhere because this is the problem

1387

01:06:20,150 --> 01:06:18,900

this is why people make fun of this

1388

01:06:23,329 --> 01:06:20,160

thing

1389

01:06:26,510 --> 01:06:23,339

and this is why I'm so critical because

1390

01:06:28,609 --> 01:06:26,520

again friends this is one example

1391

01:06:31,430 --> 01:06:28,619

tonight we're giving you

1392

01:06:33,710 --> 01:06:31,440

and this kind of thing people using

1393

01:06:37,430 --> 01:06:33,720

questionable sources that are criminals

1394

01:06:41,390 --> 01:06:37,440

or rapists or in this guy's case a felon

1395

01:06:43,609 --> 01:06:41,400

convicted of 50 felony counts you know

1396

01:06:45,710 --> 01:06:43,619

listen

1397

01:06:48,950 --> 01:06:45,720

I understand people make mistakes but

1398

01:06:53,150 --> 01:06:48,960

you talk about 50 he got convicted of 50

1399

01:06:56,329 --> 01:06:53,160

felony counts of fraud of defrauding old

1400

01:06:58,190 --> 01:06:56,339

ladies and old guys right old retired

1401

01:07:01,190 --> 01:06:58,200

men

1402

01:07:03,289 --> 01:07:01,200

he got convicted of 50 felonies for

1403

01:07:05,569 --> 01:07:03,299

fraud all fraud related charges every

1404

01:07:07,789 --> 01:07:05,579

single one of them but we're supposed to

1405

01:07:10,430 --> 01:07:07,799

believe this guy

1406

01:07:13,430 --> 01:07:10,440

is unveiling the secrets of time travel

1407

01:07:16,849 --> 01:07:13,440

and reverse engineered spacecraft pardon

1408

01:07:19,549 --> 01:07:16,859

me if I'm a bit skeptical that this guy

1409

01:07:21,890 --> 01:07:19,559

really knows the truth about time travel

1410

01:07:24,230 --> 01:07:21,900

and reverse engineered alien spacecraft

1411

01:07:25,430 --> 01:07:24,240

let's listen to some of this garbage you

1412

01:07:27,349 --> 01:07:25,440

know what I'm glad what happened

1413

01:07:29,990 --> 01:07:27,359

happened for some reason friends I'm

1414

01:07:31,190 --> 01:07:30,000

having a trouble we were going to play I

1415

01:07:33,529 --> 01:07:31,200

don't know I was only going to do 10

1416

01:07:35,450 --> 01:07:33,539

minutes of the actual interview this is

1417

01:07:36,770 --> 01:07:35,460

a two-minute teaser clip from Michael

1418

01:07:38,329 --> 01:07:36,780

Sala there's something going on with

1419

01:07:40,069 --> 01:07:38,339

Rumble and I can't play the actual

1420

01:07:42,230 --> 01:07:40,079

interview video but I did put it in the

1421

01:07:45,950 --> 01:07:42,240

live chat in case you want to laugh at

1422

01:07:47,210 --> 01:07:45,960

this clown and Michael Salah fluffing

1423

01:07:49,190 --> 01:07:47,220

him up

1424

01:07:51,049 --> 01:07:49,200

God I love this

1425

01:07:52,250 --> 01:07:51,059

military individuals or people on the

1426

01:07:54,230 --> 01:07:52,260

inside and people who really know what's

1427

01:07:55,430 --> 01:07:54,240

going on they understand that the

1428

01:07:57,650 --> 01:07:55,440

Russians are no threat they understand

1429

01:07:58,970 --> 01:07:57,660

that the Chinese are really no threat

1430

01:08:01,370 --> 01:07:58,980

that they're they're all controlled by

1431

01:08:03,529 --> 01:08:01,380

the same Black Box mother corporations

1432

01:08:06,410 --> 01:08:03,539

the real flying the ointment for them or

1433

01:08:08,210 --> 01:08:06,420

the the spanner and the gear is Vladimir

1434

01:08:10,549 --> 01:08:08,220

Putin because Putin is Public Enemy

1435

01:08:12,049 --> 01:08:10,559

Number One to the New World Order he had

1436

01:08:15,289 --> 01:08:12,059

some kind of come to Jesus moment where

1437

01:08:18,229 --> 01:08:15,299

oh yeah he's uh so see even in this few

1438

01:08:25,370 --> 01:08:21,530

Sean David Morton is a

1439

01:08:26,749 --> 01:08:25,380

Trumper and a obviously a conspiracy

1440

01:08:28,370 --> 01:08:26,759

theorist but he's one of those people

1441

01:08:31,430 --> 01:08:28,380

that is running around telling everybody

1442

01:08:33,950 --> 01:08:31,440

that in the Ukraine war and and just in

1443

01:08:36,349 --> 01:08:33,960

the world stage in general Putin is the

1444

01:08:39,470 --> 01:08:36,359

good guy right

1445

01:08:41,870 --> 01:08:39,480

Putin is raiding bio Labs right

1446

01:08:44,749 --> 01:08:41,880

according to him I did not say that

1447

01:08:46,849 --> 01:08:44,759

YouTube algorithm Gods I'm not saying

1448

01:08:48,829 --> 01:08:46,859

that this stupid fake psychic got

1449

01:08:50,930 --> 01:08:48,839

convicted of 50 felonies and says he

1450

01:08:52,490 --> 01:08:50,940

works with the Star Trek Creator Gene

1451

01:08:56,269 --> 01:08:52,500

Roddenberry even though he didn't he

1452

01:08:58,669 --> 01:08:56,279

said that all right AI algorithm Gods I

1453

01:09:02,510 --> 01:08:58,679

apologize I did not make that statement

1454

01:09:06,050 --> 01:09:02,520

he did uh anyway he's one of those

1455

01:09:09,289 --> 01:09:06,060

people Putin is the good guy right a

1456

01:09:12,910 --> 01:09:09,299

murderer who is right now ordering his

1457

01:09:16,370 --> 01:09:12,920

military to Shell kindergarten

1458

01:09:18,649 --> 01:09:16,380

classrooms in a foreign country

1459

01:09:22,309 --> 01:09:18,659

is the good guy

1460

01:09:25,789 --> 01:09:22,319

okay great in his mind defending

1461

01:09:28,490 --> 01:09:25,799

Christianity on Earth Edgar kaisi made

1462

01:09:30,890 --> 01:09:28,500

that prediction where Russia would

1463

01:09:34,550 --> 01:09:30,900

become the the hope of the world after

1464

01:09:35,990 --> 01:09:34,560

the the demise of Communism so and by

1465

01:09:39,769 --> 01:09:36,000

the way

1466

01:09:42,829 --> 01:09:39,779

I feel fully okay with my criticism of

1467

01:09:45,289 --> 01:09:42,839

Michael salah's eyebrows besides being a

1468

01:09:47,990 --> 01:09:45,299

piss-poor researcher fact Checker Vetter

1469

01:09:50,630 --> 01:09:48,000

of guests look at this guy's eyebrows

1470

01:09:53,990 --> 01:09:50,640

this this is ridiculous Michael Sala

1471

01:09:57,410 --> 01:09:54,000

they make you can go

1472

01:09:59,390 --> 01:09:57,420

listen I even checked okay that's how

1473

01:10:01,550 --> 01:09:59,400

tired I am of Michael salah's eyebrows

1474

01:10:04,910 --> 01:10:01,560

I'm tired of this guy and his bushy ass

1475

01:10:07,250 --> 01:10:04,920

eyebrows okay he lives in Hawaii I even

1476

01:10:10,910 --> 01:10:07,260

know what city he lives in I checked

1477

01:10:13,070 --> 01:10:10,920

there is something like 27

1478

01:10:16,070 --> 01:10:13,080

Spas where you can get your nails done

1479

01:10:18,169 --> 01:10:16,080

get a foot massage and get your eyebrows

1480

01:10:19,130 --> 01:10:18,179

waxed and if Michael Saul will contact

1481

01:10:22,610 --> 01:10:19,140

me

1482

01:10:24,649 --> 01:10:22,620

by email or whatever I'll pay for it I

1483

01:10:27,229 --> 01:10:24,659

will pay him to go get his eyebrows

1484

01:10:29,930 --> 01:10:27,239

taken care of for years I've had a look

1485

01:10:31,729 --> 01:10:29,940

at this this is gross

1486

01:10:34,850 --> 01:10:31,739

or he made that prediction I think in

1487

01:10:36,950 --> 01:10:34,860

the 1930s he said because he said we

1488

01:10:39,290 --> 01:10:36,960

become great friends with Russia and and

1489

01:10:41,990 --> 01:10:39,300

that kind of shows that that Russia at

1490

01:10:43,970 --> 01:10:42,000

this moment really is involved in my I

1491

01:10:46,630 --> 01:10:43,980

agree with you that Russia is involved

1492

01:10:50,270 --> 01:10:46,640

in taking down the Deep state

1493

01:10:52,810 --> 01:10:50,280

and Michael Salah is also an idiot

1494

01:10:57,610 --> 01:10:52,820

because somebody needs to explain to me

1495

01:11:00,950 --> 01:10:57,620

why all these uh you know right-wing any

1496

01:11:03,410 --> 01:11:00,960

I I don't understand that whole Putin is

1497

01:11:06,530 --> 01:11:03,420

the good guy I don't get it Michael Sal

1498

01:11:08,090 --> 01:11:06,540

is apparently stupid too as educated as

1499

01:11:10,189 --> 01:11:08,100

Michael Salah is he doesn't have an

1500

01:11:11,930 --> 01:11:10,199

excuse but this guy Sean David Morton

1501  
01:11:14,090 --> 01:11:11,940  
has a completely totally fake made up

1502  
01:11:16,970 --> 01:11:14,100  
education he's not really a doctor he

1503  
01:11:19,490 --> 01:11:16,980  
just plays one on YouTube

1504  
01:11:21,590 --> 01:11:19,500  
uh Putin said if the you know if if the

1505  
01:11:23,149 --> 01:11:21,600  
Deep state had a throat I would strangle

1506  
01:11:25,370 --> 01:11:23,159  
it with my bare hands when you have

1507  
01:11:26,810 --> 01:11:25,380  
Nathaniel Rothschild coming out saying

1508  
01:11:29,209 --> 01:11:26,820  
that Vladimir Putin is Public Enemy

1509  
01:11:31,430 --> 01:11:29,219  
Number One to the New World Order and

1510  
01:11:33,530 --> 01:11:31,440  
the most everybody talks about

1511  
01:11:36,229 --> 01:11:33,540  
disclosure and the most remarkable

1512  
01:11:38,810 --> 01:11:36,239  
disclosure comment ever made was when

1513  
01:11:41,930 --> 01:11:38,820

Trump went to it was at a summit with

1514

01:11:44,090 --> 01:11:41,940

Putin and Putin says to Trump to his

1515

01:11:45,649 --> 01:11:44,100

face he says by the time you're done

1516

01:11:48,430 --> 01:11:45,659

being president of the United States you

1517

01:11:51,770 --> 01:11:48,440

must inform people of the truth of 9 11

1518

01:11:53,750 --> 01:11:51,780

and that there are 27 alien races that

1519

01:11:55,430 --> 01:11:53,760

we're dealing with on this planet three

1520

01:11:58,570 --> 01:11:55,440

of which are actively trying to destroy

1521

01:12:01,130 --> 01:11:58,580

us this is the president of Russia

1522

01:12:03,890 --> 01:12:01,140

I'm gonna make a news clip out of that

1523

01:12:06,470 --> 01:12:03,900

one apparently Putin told Donald Trump

1524

01:12:08,030 --> 01:12:06,480

that there are 27 alien races and he

1525

01:12:10,970 --> 01:12:08,040

needs to tell everybody the truth about

1526

01:12:13,370 --> 01:12:10,980

it and we need to trust this guy a

1527

01:12:16,010 --> 01:12:13,380

pathological liar with a fake education

1528

01:12:18,770 --> 01:12:16,020

who rips off old ladies to the tune of

1529

01:12:21,530 --> 01:12:18,780

six million dollars that's a listen

1530

01:12:24,350 --> 01:12:21,540

there's a reason friends that he had 50

1531

01:12:26,510 --> 01:12:24,360

felony counts he was convicted of it

1532

01:12:29,330 --> 01:12:26,520

takes an awful lot of old ladies with a

1533

01:12:31,250 --> 01:12:29,340

good chunk of money each to get to the

1534

01:12:34,370 --> 01:12:31,260

level of defrauding

1535

01:12:36,950 --> 01:12:34,380

six million dollars from victims

1536

01:12:40,189 --> 01:12:36,960

and uh this guy's fresh out of prison

1537

01:12:44,209 --> 01:12:40,199

and and here he is spouting nonsense I'm

1538

01:12:46,310 --> 01:12:44,219

sorry this guy is a a joke and Michael

1539

01:12:49,310 --> 01:12:46,320

Salah is a joke

1540

01:12:51,890 --> 01:12:49,320

right and I would like for everyone to

1541

01:12:55,370 --> 01:12:51,900

please do me a big favor tonight I don't

1542

01:12:57,350 --> 01:12:55,380

generally ask this but uh I'm not sure I

1543

01:13:00,649 --> 01:12:57,360

think Michael Salah has blocked me on

1544

01:13:03,950 --> 01:13:00,659

Twitter uh for my previous criticisms of

1545

01:13:07,970 --> 01:13:03,960

his uh support of Corey good and other

1546

01:13:09,709 --> 01:13:07,980

idiots so uh I would like you know I

1547

01:13:12,290 --> 01:13:09,719

make it our policy here that if we're

1548

01:13:16,310 --> 01:13:12,300

gonna talk smack on somebody we give

1549

01:13:18,770 --> 01:13:16,320

them an opportunity to respond so uh I

1550

01:13:23,870 --> 01:13:18,780

am going to take the

1551

01:13:26,149 --> 01:13:23,880

to this actual video and I'm going to

1552

01:13:28,790 --> 01:13:26,159

put it in the live chat

1553

01:13:31,070 --> 01:13:28,800

please tweet this

1554

01:13:33,110 --> 01:13:31,080

to Michael Salah we want to make sure

1555

01:13:34,790 --> 01:13:33,120

that we inform Michael solid just in

1556

01:13:38,330 --> 01:13:34,800

case

1557

01:13:40,669 --> 01:13:38,340

he is simply uninformed of his new

1558

01:13:44,270 --> 01:13:40,679

Insider's history

1559

01:13:46,550 --> 01:13:44,280

I don't think he's going to Care uh

1560

01:13:48,649 --> 01:13:46,560

but I I'm writing in the live chat

1561

01:13:52,490 --> 01:13:48,659

please tweet this video

1562

01:13:55,910 --> 01:13:52,500

to Michael Salah uh and I am going to

1563

01:13:56,930 --> 01:13:55,920

put the link to our video broadcasting

1564

01:13:59,510 --> 01:13:56,940

right now

1565

01:14:01,550 --> 01:13:59,520

into the live chat I would appreciate it

1566

01:14:02,689 --> 01:14:01,560

if and listen only a few of you need to

1567

01:14:05,330 --> 01:14:02,699

do it

1568

01:14:08,870 --> 01:14:05,340

um I I actually I I should ask uh our

1569

01:14:11,450 --> 01:14:08,880

you know uh close allies here to do it

1570

01:14:16,250 --> 01:14:11,460

be Baker and sixth sense and and spooky

1571

01:14:19,070 --> 01:14:16,260

uh so maybe never mind I don't want I

1572

01:14:24,169 --> 01:14:19,080

listen the purpose of this video is not

1573

01:14:26,870 --> 01:14:24,179

to harass or to uh you know demean or

1574

01:14:29,750 --> 01:14:26,880

slander uh Michael Salah or anyone

1575

01:14:32,810 --> 01:14:29,760

really it is to educate the public

1576

01:14:34,370 --> 01:14:32,820

that is my goal and intention here my

1577

01:14:36,770 --> 01:14:34,380

intention is to educate people

1578

01:14:39,649 --> 01:14:36,780

especially those people who don't know

1579

01:14:43,310 --> 01:14:39,659

that Michael Salah is using this level

1580

01:14:46,850 --> 01:14:43,320

of garbage Peddler pathological liar as

1581

01:14:50,149 --> 01:14:46,860

a source we want to be as Fair as

1582

01:14:52,070 --> 01:14:50,159

possible however so if Michael Sal is

1583

01:14:54,110 --> 01:14:52,080

willing to have a conversation I promise

1584

01:14:57,530 --> 01:14:54,120

I will be respectful I won't even

1585

01:15:00,290 --> 01:14:57,540

mention his eyebrows once and he and I

1586

01:15:02,090 --> 01:15:00,300

can debate or have a conversation

1587

01:15:04,729 --> 01:15:02,100

whatever he prefers

1588

01:15:08,630 --> 01:15:04,739

about whether or not you should believe

1589

01:15:10,550 --> 01:15:08,640

a man like Sean David Morton

1590

01:15:12,470 --> 01:15:10,560

I think that that would be beneficial

1591

01:15:14,390 --> 01:15:12,480

and I think people would like to see

1592

01:15:17,630 --> 01:15:14,400

that because I would love to hear

1593

01:15:20,930 --> 01:15:17,640

Michael salah's defense for exactly why

1594

01:15:24,110 --> 01:15:20,940

he thinks it's a good idea to bring the

1595

01:15:29,689 --> 01:15:24,120

public and uh more intimately to bring

1596

01:15:34,550 --> 01:15:29,699

his audience a guy that is at this this

1597

01:15:36,530 --> 01:15:34,560

level of fakery fraudery and bull

1598

01:15:39,550 --> 01:15:36,540

um and by the way

1599

01:15:43,070 --> 01:15:39,560

this always bothers me

1600

01:15:45,709 --> 01:15:43,080

Michael Salah with this level of garbage

1601  
01:15:47,330 --> 01:15:45,719  
has 131

1602  
01:15:50,870 --> 01:15:47,340  
000 subscribers

1603  
01:15:55,910 --> 01:15:50,880  
and he has almost nine million views

1604  
01:15:58,510 --> 01:15:55,920  
uh yeah that gives me depression friends

1605  
01:16:01,790 --> 01:15:58,520  
it really does because

1606  
01:16:04,430 --> 01:16:01,800  
Michael salad does no fact checking he

1607  
01:16:06,350 --> 01:16:04,440  
will accept any story whatsoever that

1608  
01:16:09,290 --> 01:16:06,360  
people bring him including Corey good

1609  
01:16:13,189 --> 01:16:09,300  
David Wilcock uh let's see Tony

1610  
01:16:17,149 --> 01:16:13,199  
Rodriguez uh let's see uh Randy Kramer

1611  
01:16:19,850 --> 01:16:17,159  
who are all secret space program frauds

1612  
01:16:22,610 --> 01:16:19,860  
provably uh

1613  
01:16:24,830 --> 01:16:22,620

I I just I I don't know what else to say

1614

01:16:26,870 --> 01:16:24,840

you know I hope he's making a lot of

1615

01:16:29,330 --> 01:16:26,880

money right I hope when he wakes up in

1616

01:16:30,890 --> 01:16:29,340

the morning and combs his eyebrows and

1617

01:16:33,709 --> 01:16:30,900

looks at himself in the mirror while

1618

01:16:35,990 --> 01:16:33,719

he's combing his big bushy eyebrows I

1619

01:16:38,570 --> 01:16:36,000

hope he you know what does he do does he

1620

01:16:41,390 --> 01:16:38,580

say to himself I'm doing real good lying

1621

01:16:44,270 --> 01:16:41,400

to people selling fake alien stories to

1622

01:16:47,149 --> 01:16:44,280

stupid people right next day he wakes up

1623

01:16:49,430 --> 01:16:47,159

boy I did real good yesterday some fake

1624

01:16:52,910 --> 01:16:49,440

alien stories using pathological liar

1625

01:16:56,090 --> 01:16:52,920

criminals or sources and insiders so

1626

01:16:57,709 --> 01:16:56,100

that I could get rich selling stupid

1627

01:17:02,209 --> 01:16:57,719

people

1628

01:17:04,189 --> 01:17:02,219

fake alien stories that's what this is

1629

01:17:07,070 --> 01:17:04,199

about friends it's not about the truth

1630

01:17:08,510 --> 01:17:07,080

for some people it's a grift

1631

01:17:11,149 --> 01:17:08,520

it's a con

1632

01:17:13,729 --> 01:17:11,159

and uh a quick look of Michael salah's

1633

01:17:16,970 --> 01:17:13,739

videos shows uh you know that some of

1634

01:17:18,110 --> 01:17:16,980

them are getting 40 000 views 50 000

1635

01:17:21,350 --> 01:17:18,120

views

1636

01:17:24,410 --> 01:17:21,360

uh so the 50 000 view ones that would be

1637

01:17:28,669 --> 01:17:24,420

about five hundred dollars right

1638

01:17:31,130 --> 01:17:28,679

I guess uh you know last time I made an

1639

01:17:33,430 --> 01:17:31,140

estimate I was I was a decimal point

1640

01:17:36,350 --> 01:17:33,440

short so

1641

01:17:39,229 --> 01:17:36,360

you know pardon me if uh I just checked

1642

01:17:41,390 --> 01:17:39,239

yeah my my math is probably right for

1643

01:17:43,970 --> 01:17:41,400

getting 50 000 monetized views on

1644

01:17:46,250 --> 01:17:43,980

YouTube depending on your the different

1645

01:17:48,830 --> 01:17:46,260

you know uh measurements they use the

1646

01:17:50,510 --> 01:17:48,840

CPM the RPM whatever it's about ten

1647

01:17:52,790 --> 01:17:50,520

dollars per thousand so that would be

1648

01:17:54,590 --> 01:17:52,800

he's getting five hundred dollars he got

1649

01:17:57,229 --> 01:17:54,600

five hundred dollars

1650

01:17:58,729 --> 01:17:57,239

uh probably for this Sean David Morton

1651

01:18:00,290 --> 01:17:58,739

interview

1652

01:18:02,090 --> 01:18:00,300

um I can't tell for sure because it's

1653

01:18:03,830 --> 01:18:02,100

been taken off of YouTube but before it

1654

01:18:07,910 --> 01:18:03,840

was taken off of YouTube I think it was

1655

01:18:11,450 --> 01:18:07,920

over 35 000 views probably well on its

1656

01:18:14,410 --> 01:18:11,460

way to 50. it seems to be that 50 000 uh

1657

01:18:16,550 --> 01:18:14,420

fifty to sixty thousand dollar views is

1658

01:18:18,050 --> 01:18:16,560

uh pretty common

1659

01:18:19,970 --> 01:18:18,060

for

1660

01:18:22,310 --> 01:18:19,980

Michael Sala there's some videos that

1661

01:18:24,010 --> 01:18:22,320

where he's gotten 75 000 views so here's

1662

01:18:27,169 --> 01:18:24,020

one video

1663

01:18:29,930 --> 01:18:27,179

uh this is uh this is okay well you know

1664

01:18:36,410 --> 01:18:33,229

we are not going to share Sean David

1665

01:18:39,290 --> 01:18:36,420

Morton's video but I will share with you

1666

01:18:41,570 --> 01:18:39,300

part of a video that Michael Salah did

1667

01:18:43,850 --> 01:18:41,580

that he got 107

1668

01:18:46,669 --> 01:18:43,860

000 buried

1669

01:18:51,890 --> 01:18:46,679

and we're just going to laugh at this

1670

01:18:53,870 --> 01:18:51,900

because this is absolutely so stupid and

1671

01:18:56,270 --> 01:18:53,880

by the way I'm sorry I didn't realize my

1672

01:18:58,090 --> 01:18:56,280

screen was still sharing while I was I

1673

01:19:02,149 --> 01:18:58,100

was trying to cue it past the commercial

1674

01:19:04,970 --> 01:19:02,159

so uh Hey whoever that Advertiser was

1675

01:19:07,850 --> 01:19:04,980

got a free commercial on our show all

1676

01:19:10,610 --> 01:19:07,860

right friends uh oh you know what let me

1677

01:19:12,290 --> 01:19:10,620

do this one more time that's better we

1678

01:19:14,030 --> 01:19:12,300

still have our fair use Banner this is a

1679

01:19:16,430 --> 01:19:14,040

transformative work we're educating the

1680

01:19:18,169 --> 01:19:16,440

public we are discussing it and

1681

01:19:19,550 --> 01:19:18,179

critiquing the quality of Michael

1682

01:19:23,030 --> 01:19:19,560

salah's

1683

01:19:24,770 --> 01:19:23,040

so-called secret true information that

1684

01:19:27,290 --> 01:19:24,780

he shares with the public via his

1685

01:19:30,770 --> 01:19:27,300

YouTube channel and you can find that

1686

01:19:34,550 --> 01:19:30,780

just search Michael Salah s-a-l-l-a and

1687

01:19:36,470 --> 01:19:34,560

you too can I ask at the garbage uh man

1688

01:19:38,510 --> 01:19:36,480

I gotta do it again one second YouTube

1689

01:19:42,709 --> 01:19:38,520

can laugh at the garbage that Michael

1690

01:19:45,649 --> 01:19:42,719

Salah pedals to stupid people

1691

01:19:48,890 --> 01:19:45,659

this one's great buried Ukraine space

1692

01:19:50,330 --> 01:19:48,900

Ark and karazhan activates so Russia

1693

01:19:52,130 --> 01:19:50,340

takes over

1694

01:19:53,930 --> 01:19:52,140

that's right friends according to

1695

01:19:56,270 --> 01:19:53,940

Michael Salah the reason that Russia

1696

01:19:59,870 --> 01:19:56,280

invaded Ukraine

1697

01:20:02,570 --> 01:19:59,880

is because there is a buried space Ark

1698

01:20:06,110 --> 01:20:02,580

in the city of kurzon

1699

01:20:09,350 --> 01:20:06,120

and it activated so Russia had to take

1700

01:20:12,110 --> 01:20:09,360

over Ukraine to get to that space Arc

1701

01:20:15,530 --> 01:20:12,120

friends buried Ukraine space Arc in

1702

01:20:18,530 --> 01:20:15,540

cursum began activating so Russia takes

1703

01:20:20,810 --> 01:20:18,540

over an entire city and region for the

1704

01:20:22,930 --> 01:20:20,820

first time in its special military

1705

01:20:25,430 --> 01:20:22,940

action

1706

01:20:28,310 --> 01:20:25,440

you are listening to exopolitics today

1707

01:20:30,830 --> 01:20:28,320

with Dr Michael Salah he's the source

1708

01:20:33,910 --> 01:20:30,840

for the uncensored regarding the human

1709

01:20:41,149 --> 01:20:36,410

a like button and subscribe I have an

1710

01:20:46,070 --> 01:20:43,490

whose reports have confirmed that the

1711

01:20:50,090 --> 01:20:46,080

Russian army has captured the Ukrainian

1712

01:20:52,129 --> 01:20:50,100

Port City and region of Curson where an

1713

01:20:54,709 --> 01:20:52,139

ancient space Arc is claimed to be

1714

01:20:56,990 --> 01:20:54,719

buried according to two independent

1715

01:20:59,930 --> 01:20:57,000

sources the space Arc is buried under

1716

01:21:03,290 --> 01:20:59,940

oleshki Sands National Nature Park which

1717

01:21:05,930 --> 01:21:03,300

is only 25 kilometers or 15 miles east

1718

01:21:08,990 --> 01:21:05,940

of Curson yeah and this is great he says

1719

01:21:11,090 --> 01:21:09,000

according to two independent sources but

1720

01:21:14,149 --> 01:21:11,100

then he doesn't name the sources

1721

01:21:15,890 --> 01:21:14,159

so where are these sources can I

1722

01:21:19,790 --> 01:21:15,900

interview the sources about the space

1723

01:21:22,570 --> 01:21:19,800

Ark come on Michael come on come on Dr

1724

01:21:27,890 --> 01:21:24,530

oh God

1725

01:21:29,990 --> 01:21:27,900

come on Michael Salah can I talk to your

1726  
01:21:32,570 --> 01:21:30,000  
sources because I want to know all about

1727  
01:21:36,890 --> 01:21:32,580  
the space Arc that's buried under the

1728  
01:21:39,530 --> 01:21:36,900  
olive olesky Sands and kurzon

1729  
01:21:41,990 --> 01:21:39,540  
Ukraine

1730  
01:21:44,510 --> 01:21:42,000  
um and by the way in full disclosure I

1731  
01:21:52,930 --> 01:21:44,520  
have polish family

1732  
01:21:58,250 --> 01:21:56,570  
hosting some of the refugee families the

1733  
01:21:59,689 --> 01:21:58,260  
mothers the children

1734  
01:22:02,330 --> 01:21:59,699  
so

1735  
01:22:05,450 --> 01:22:02,340  
I'm I've gotten to hear

1736  
01:22:08,030 --> 01:22:05,460  
a lot of stories that have humanized the

1737  
01:22:09,110 --> 01:22:08,040  
tragedy that is taking place in Ukraine

1738  
01:22:10,250 --> 01:22:09,120

right now

1739

01:22:15,770 --> 01:22:10,260

and

1740

01:22:20,570 --> 01:22:15,780

for this doctor to be willing to

1741

01:22:22,669 --> 01:22:20,580

profit from the misery the misery of

1742

01:22:25,910 --> 01:22:22,679

those people being invaded

1743

01:22:28,790 --> 01:22:25,920

shows you what kind of a man he is what

1744

01:22:31,430 --> 01:22:28,800

kind of a man says you know that

1745

01:22:34,490 --> 01:22:31,440

Ukrainian war is really terrible and you

1746

01:22:36,649 --> 01:22:34,500

know there's children being murdered

1747

01:22:38,390 --> 01:22:36,659

bombed

1748

01:22:41,810 --> 01:22:38,400

killed

1749

01:22:42,850 --> 01:22:41,820

they are bombing schools of young

1750

01:22:47,390 --> 01:22:42,860

children

1751  
01:22:49,250 --> 01:22:47,400  
kindergartens and Nursery schools and

1752  
01:22:51,590 --> 01:22:49,260  
they are bombing

1753  
01:22:55,010 --> 01:22:51,600  
day care centers

1754  
01:22:58,850 --> 01:22:55,020  
where babies are at they are bombing

1755  
01:23:05,570 --> 01:23:01,490  
so for Michael Salah

1756  
01:23:08,510 --> 01:23:05,580  
to be aware of all that as most of us

1757  
01:23:09,950 --> 01:23:08,520  
are if you listen to the news

1758  
01:23:11,810 --> 01:23:09,960  
and say

1759  
01:23:13,870 --> 01:23:11,820  
boy that's really tragic all those

1760  
01:23:16,669 --> 01:23:13,880  
children are dying but you know what

1761  
01:23:19,370 --> 01:23:16,679  
everybody's hearing about this war so it

1762  
01:23:21,229 --> 01:23:19,380  
gives me a great opportunity to make up

1763  
01:23:24,050 --> 01:23:21,239

I believe these stories he just makes up

1764

01:23:25,910 --> 01:23:24,060

where's the sources

1765

01:23:28,729 --> 01:23:25,920

I believe that he just makes up these

1766

01:23:31,910 --> 01:23:28,739

stories and he is profiting from the

1767

01:23:34,669 --> 01:23:31,920

misery the absolute misery of children

1768

01:23:38,750 --> 01:23:34,679

being murdered and people being killed

1769

01:23:40,750 --> 01:23:38,760

and people running from their homes to

1770

01:23:43,790 --> 01:23:40,760

other countries like Poland and

1771

01:23:47,510 --> 01:23:43,800

surrounding countries to escape the

1772

01:23:51,830 --> 01:23:50,090

but instead of doing something to help

1773

01:23:54,410 --> 01:23:51,840

those people suffering

1774

01:23:58,209 --> 01:23:54,420

Michael Salah is going to exploit that

1775

01:24:01,310 --> 01:23:58,219

misery and sell people stupid people

1776

01:24:04,430 --> 01:24:01,320

stories about aliens

1777

01:24:06,590 --> 01:24:04,440

using the war as a background the space

1778

01:24:09,169 --> 01:24:06,600

hog is said to be activating and

1779

01:24:11,689 --> 01:24:09,179

predicted to eventually begin flying

1780

01:24:13,790 --> 01:24:11,699

into the air cursum is strategically

1781

01:24:15,890 --> 01:24:13,800

important to the Russian military as it

1782

01:24:18,530 --> 01:24:15,900

contains a freshwater Canal to the

1783

01:24:20,830 --> 01:24:18,540

nearby Crimean Peninsula which is the

1784

01:24:24,110 --> 01:24:20,840

only warm water Port of the Russian Navy

1785

01:24:26,750 --> 01:24:24,120

Russia's capture of Curson is vital for

1786

01:24:30,050 --> 01:24:26,760

ensuring the long-term viability of its

1787

01:24:32,750 --> 01:24:30,060

Crimean facilities but also fulfills a

1788

01:24:35,450 --> 01:24:32,760

new strategic imperative to gain access

1789

01:24:37,370 --> 01:24:35,460

to and control the election

1790

01:24:39,890 --> 01:24:37,380

uh

1791

01:24:44,450 --> 01:24:39,900

hold on Friends

1792

01:24:48,729 --> 01:24:47,750

that is so wacky okay hold on one second

1793

01:24:51,470 --> 01:24:48,739

friends

1794

01:24:52,970 --> 01:24:51,480

experiencing interruptions yeah right in

1795

01:24:54,169 --> 01:24:52,980

the middle of the live show thanks

1796

01:24:57,950 --> 01:24:54,179

YouTube

1797

01:25:01,790 --> 01:24:59,930

okay one second

1798

01:25:04,510 --> 01:25:01,800

one second we will share our screen

1799

01:25:06,470 --> 01:25:04,520

again here

1800

01:25:09,050 --> 01:25:06,480

jeez

1801  
01:25:10,850 --> 01:25:09,060  
all right I gotta hear more about this

1802  
01:25:13,729 --> 01:25:10,860  
space Arc I don't know about you but hey

1803  
01:25:16,370 --> 01:25:13,739  
there's a space Arc right

1804  
01:25:18,770 --> 01:25:16,380  
to gain access to and control the

1805  
01:25:20,870 --> 01:25:18,780  
alleged space song I was first told

1806  
01:25:23,570 --> 01:25:20,880  
about the Ukraine space Arc by my

1807  
01:25:25,850 --> 01:25:23,580  
longtime Source JP Who currently serves

1808  
01:25:28,850 --> 01:25:25,860  
in the US Army and has been on Covert

1809  
01:25:32,450 --> 01:25:28,860  
missions to two other space arcs one

1810  
01:25:36,530 --> 01:25:32,460  
question is to the Moon oh God this guy

1811  
01:25:39,229 --> 01:25:36,540  
is on he he is he's got secret sources

1812  
01:25:41,570 --> 01:25:39,239  
named JP

1813  
01:25:44,149 --> 01:25:41,580

that have been on space missions to

1814

01:25:48,950 --> 01:25:44,159

other space arcs right

1815

01:25:51,050 --> 01:25:48,960

uh yeah Gabbert Beast TV says

1816

01:25:52,790 --> 01:25:51,060

I want to see the space or show us the

1817

01:25:54,709 --> 01:25:52,800

pictures well all we can get is drawings

1818

01:25:57,530 --> 01:25:54,719

right now you know but there's evidence

1819

01:25:59,450 --> 01:25:57,540

but it's not out yet okay and two others

1820

01:26:02,450 --> 01:25:59,460

have been to the Bermuda Triangle area

1821

01:26:04,550 --> 01:26:02,460

of the Atlantic Ocean all three missions

1822

01:26:06,890 --> 01:26:04,560

were jointly conducted by the US and

1823

01:26:09,830 --> 01:26:06,900

China and the second Atlantic Ocean

1824

01:26:12,290 --> 01:26:09,840

Mission included Russia which had found

1825

01:26:13,790 --> 01:26:12,300

its own arc but was not giving the us

1826  
01:26:16,370 --> 01:26:13,800  
access

1827  
01:26:19,310 --> 01:26:16,380  
um there gabapis TV that's a picture of

1828  
01:26:22,010 --> 01:26:19,320  
the Ark that's a space Arc man come on

1829  
01:26:24,890 --> 01:26:22,020  
that's a space Arc gabber Beast TV

1830  
01:26:27,709 --> 01:26:24,900  
February 11 JP gave me coordinates to a

1831  
01:26:30,410 --> 01:26:27,719  
space up he was told exists in Ukraine

1832  
01:26:32,750 --> 01:26:30,420  
the coordinates are for oleshki Sands

1833  
01:26:34,850 --> 01:26:32,760  
which is the only natural sand desert in

1834  
01:26:37,129 --> 01:26:34,860  
Ukraine and has long been a tourist

1835  
01:26:39,530 --> 01:26:37,139  
attraction the origins of the sandy

1836  
01:26:41,450 --> 01:26:39,540  
desert have puzzled geologists and there

1837  
01:26:44,810 --> 01:26:41,460  
has been speculation that it is a result

1838  
01:26:46,669 --> 01:26:44,820

of historical overgrazing by sheep JP

1839

01:26:49,550 --> 01:26:46,679

later described what he was told about

1840

01:26:51,590 --> 01:26:49,560

the Ukrainian space Arc in briefings and

1841

01:26:53,450 --> 01:26:51,600

by others participate uh you gotta

1842

01:26:54,649 --> 01:26:53,460

mention the briefings that your sources

1843

01:26:58,189 --> 01:26:54,659

are getting everybody's getting

1844

01:27:00,530 --> 01:26:58,199

briefings right there's a space Arc in

1845

01:27:02,689 --> 01:27:00,540

the Ukraine that's why Russia invaded

1846

01:27:07,129 --> 01:27:02,699

according to this

1847

01:27:09,350 --> 01:27:07,139

Dr Michael Salah and his anonymous

1848

01:27:12,110 --> 01:27:09,360

source that's in the United States Army

1849

01:27:14,390 --> 01:27:12,120

that goes on secret space missions to

1850

01:27:15,290 --> 01:27:14,400

other space arcs throughout the solar

1851  
01:27:17,750 --> 01:27:15,300  
system

1852  
01:27:20,450 --> 01:27:17,760  
Jesus this is like the worst science

1853  
01:27:22,970 --> 01:27:20,460  
fiction movie you've ever seen but worse

1854  
01:27:25,790 --> 01:27:22,980  
participating in the covert missions to

1855  
01:27:28,370 --> 01:27:25,800  
ancient arcs being found all over our

1856  
01:27:30,229 --> 01:27:28,380  
solar system and on Earth on February 24

1857  
01:27:33,470 --> 01:27:30,239  
he left me the following voice message

1858  
01:27:36,169 --> 01:27:33,480  
describing his new Intel about space oh

1859  
01:27:37,970 --> 01:27:36,179  
you got to mention Intel Dr Michael Sal

1860  
01:27:40,870 --> 01:27:37,980  
is getting Intel

1861  
01:27:50,149 --> 01:27:40,880  
sucks being found in Russia and Ukraine

1862  
01:27:54,110 --> 01:27:51,649  
telling you they really wanted this

1863  
01:27:54,120 --> 01:28:00,229

with you know with to the art with us

1864

01:28:03,950 --> 01:28:02,330

now we didn't have no problem

1865

01:28:06,110 --> 01:28:03,960

you know bringing the rush in and

1866

01:28:08,330 --> 01:28:06,120

sharing information we know

1867

01:28:11,990 --> 01:28:08,340

that this was huge it's just worldwide

1868

01:28:14,709 --> 01:28:12,000

huge you know this is humongous so all

1869

01:28:16,910 --> 01:28:14,719

the world leaders need to know about it

1870

01:28:19,189 --> 01:28:16,920

but all the world leaders don't know

1871

01:28:21,410 --> 01:28:19,199

about this but some guy in the army that

1872

01:28:33,649 --> 01:28:21,420

leaves Michael Sala voicemails knows all

1873

01:28:37,040 --> 01:28:35,330

now

1874

01:28:38,450 --> 01:28:37,050

with this

1875

01:28:42,010 --> 01:28:38,460

[Music]

1876

01:28:44,810 --> 01:28:42,020

this Ukraine that art that is over there

1877

01:28:45,950 --> 01:28:44,820

I guess they want that information for

1878

01:28:49,970 --> 01:28:45,960

them

1879

01:28:49,980 --> 01:28:53,030

post that model

1880

01:28:56,090 --> 01:28:54,950

don't be surprised

1881

01:28:57,530 --> 01:28:56,100

that innovation

1882

01:28:59,330 --> 01:28:57,540

and that whole

1883

01:29:01,370 --> 01:28:59,340

desert

1884

01:29:02,689 --> 01:29:01,380

National Park

1885

01:29:05,629 --> 01:29:02,699

and

1886

01:29:07,970 --> 01:29:05,639

probably just to be one of the first

1887

01:29:10,729 --> 01:29:07,980

shifts to go off

1888

01:29:13,490 --> 01:29:10,739

the air and bro but this report was

1889

01:29:17,110 --> 01:29:13,500

months ago and nobody has seen the space

1890

01:29:20,030 --> 01:29:17,120

Arc take off yet so I guess this was all

1891

01:29:24,590 --> 01:29:20,040

garbage this was garbage this whole

1892

01:29:28,669 --> 01:29:24,600

story is garbage everybody see now that

1893

01:29:34,370 --> 01:29:28,679

the nation in the world in Ukraine

1894

01:29:40,010 --> 01:29:35,750

everybody

1895

01:29:42,290 --> 01:29:40,020

see it so that means this story was

1896

01:29:44,209 --> 01:29:42,300

garbage right

1897

01:29:47,810 --> 01:29:44,219

right Michael Sala

1898

01:29:50,570 --> 01:29:47,820

over promising and under delivering is a

1899

01:29:52,370 --> 01:29:50,580

key component of the cosmic con yeah

1900

01:29:53,810 --> 01:29:52,380

there's this huge space Arc it's over

1901

01:29:55,430 --> 01:29:53,820

there in the Ukraine and it's going to

1902

01:29:57,950 --> 01:29:55,440

go up in the sky and take off and

1903

01:30:00,229 --> 01:29:57,960

everybody's going to see it

1904

01:30:01,910 --> 01:30:00,239

um yeah I haven't noticed anything on

1905

01:30:03,229 --> 01:30:01,920

the national news or the international

1906

01:30:05,510 --> 01:30:03,239

news

1907

01:30:08,149 --> 01:30:05,520

all I've noticed is that the war rages

1908

01:30:09,890 --> 01:30:08,159

on more people are being killed murdered

1909

01:30:11,870 --> 01:30:09,900

every single day

1910

01:30:14,030 --> 01:30:11,880

and instead of being concerned with the

1911

01:30:17,930 --> 01:30:14,040

reality of the real world that we live

1912

01:30:19,129 --> 01:30:17,940

in the real cruel world that we live in

1913

01:30:21,649 --> 01:30:19,139

where people are being killed and

1914

01:30:24,229 --> 01:30:21,659

murdered Michael Salah wants to sell you

1915

01:30:26,390 --> 01:30:24,239

a fake story about a space Arc in

1916

01:30:29,689 --> 01:30:26,400

Ukraine

1917

01:30:32,149 --> 01:30:29,699

everything Capital pulse everybody's

1918

01:30:35,709 --> 01:30:33,890

shocked

1919

01:30:38,570 --> 01:30:35,719

because of this

1920

01:30:40,729 --> 01:30:38,580

JP's Revelation that the space Arc found

1921

01:30:42,649 --> 01:30:40,739

in Ukraine is activating and U.S

1922

01:30:45,590 --> 01:30:42,659

military authorities were ready to go in

1923

01:30:47,689 --> 01:30:45,600

to investigate is very telling in terms

1924

01:30:50,209 --> 01:30:47,699

of why Russia chose to intervene now

1925

01:30:52,850 --> 01:30:50,219

yeah and by the way Michael Salah

1926

01:30:55,550 --> 01:30:52,860

doesn't vet any of his sources it's very

1927

01:30:58,250 --> 01:30:55,560

clear if he vetted his sources he would

1928

01:31:00,050 --> 01:30:58,260

not have platformed somebody that just

1929

01:31:02,030 --> 01:31:00,060

got out of federal prison for ripping

1930

01:31:03,530 --> 01:31:02,040

off old ladies to the tune of six

1931

01:31:05,930 --> 01:31:03,540

million dollars

1932

01:31:07,610 --> 01:31:05,940

so and he didn't vet any of Corey Good's

1933

01:31:10,189 --> 01:31:07,620

claims he just believed everything Corey

1934

01:31:12,649 --> 01:31:10,199

Goode said so pardon me if I don't

1935

01:31:15,290 --> 01:31:12,659

believe that Michael salah's anonymous

1936

01:31:19,189 --> 01:31:15,300

source was really in the army or had any

1937

01:31:21,890 --> 01:31:19,199

knowledge of a space Arc in under a

1938

01:31:24,709 --> 01:31:21,900

desert in Ukraine even more astounding

1939

01:31:26,629 --> 01:31:24,719

is his prediction that the Ukrainian Ark

1940

01:31:28,850 --> 01:31:26,639

will eventually begin flying into the

1941

01:31:32,030 --> 01:31:28,860

air indeed with the world's attention

1942

01:31:34,610 --> 01:31:32,040

currently on Ukraine a flying space Arc

1943

01:31:37,250 --> 01:31:34,620

will instantaneously become a global

1944

01:31:38,870 --> 01:31:37,260

event of profound significance on

1945

01:31:41,090 --> 01:31:38,880

February well I will agree with Dr

1946

01:31:43,990 --> 01:31:41,100

Michael Sal on this one point

1947

01:31:48,169 --> 01:31:44,000

a flying space Arc is so much better

1948

01:31:49,910 --> 01:31:48,179

than uh a buried space Arc right a

1949

01:31:52,490 --> 01:31:49,920

buried space Arc that's pretty

1950

01:31:55,310 --> 01:31:52,500

interesting but a flying one that just

1951

01:31:57,550 --> 01:31:55,320

activates itself in the middle of a war

1952

01:32:00,770 --> 01:31:57,560

zone wow that's a that's a better story

1953

01:32:03,110 --> 01:32:00,780

26. during my what's coming in 2022

1954

01:32:05,090 --> 01:32:03,120

webinar are publicly revealed for the

1955

01:32:11,390 --> 01:32:05,100

first time by the way uh what's coming

1956

01:32:13,189 --> 01:32:11,400

in 2022 uh 20 that that was garbage and

1957

01:32:14,649 --> 01:32:13,199

you could buy it on Vimeo maybe we're

1958

01:32:17,450 --> 01:32:14,659

gonna buy it

1959

01:32:19,790 --> 01:32:17,460

just so we can show you that everything

1960

01:32:22,070 --> 01:32:19,800

that Michael Salah said is coming in

1961

01:32:24,830 --> 01:32:22,080

2022 and Beyond

1962

01:32:27,830 --> 01:32:24,840

didn't happen none of it happened

1963

01:32:30,649 --> 01:32:27,840

friends none of it all right what JP had

1964

01:32:32,270 --> 01:32:30,659

told me about the Ukrainian space Arc I

1965

01:32:34,490 --> 01:32:32,280

subsequently received important

1966

01:32:36,590 --> 01:32:34,500

corroborating information from thorhand

1967

01:32:38,350 --> 01:32:36,600

iridian a fleet commander of the

1968

01:32:42,410 --> 01:32:38,360

Galactic Federation

1969

01:32:46,250 --> 01:32:42,420

oh my sources of fleet commander an

1970

01:32:49,270 --> 01:32:46,260

alien of the Galactic Federation so

1971

01:32:53,570 --> 01:32:49,280

Michael Saul is getting contacted

1972

01:32:57,229 --> 01:32:53,580

by Galactic space commanders and Elena

1973

01:32:59,209 --> 01:32:57,239

danion is another Nutter that talks

1974

01:33:02,209 --> 01:32:59,219

about the galactic space force and all

1975

01:33:03,610 --> 01:33:02,219

this nonsense that's his corroborating

1976

01:33:10,129 --> 01:33:03,620

Witness

1977

01:33:14,750 --> 01:33:12,890

and come on Michael Salah if you're

1978

01:33:16,970 --> 01:33:14,760

really in contact with extraterrestrials

1979

01:33:18,950 --> 01:33:16,980

can you get us a picture you got to make

1980

01:33:21,770 --> 01:33:18,960

somebody do a drawing of the Space

1981

01:33:24,410 --> 01:33:21,780

Commander you're talking to Dr Michael

1982

01:33:26,750 --> 01:33:24,420

Salah is talking to space commanders I

1983

01:33:29,270 --> 01:33:26,760

threw Elena Denon a former French

1984

01:33:31,129 --> 01:33:29,280

archaeologist two days after my webinar

1985

01:33:33,649 --> 01:33:31,139

Elena relied to me the following

1986

01:33:35,930 --> 01:33:33,659

information from thorhand about Russia's

1987

01:33:38,510 --> 01:33:35,940

military intervention into Ukraine oh

1988

01:33:41,330 --> 01:33:38,520

I'm sorry so Michael Dr Michael Salah is

1989

01:33:43,790 --> 01:33:41,340

not talking to the alien directly he's

1990

01:33:46,330 --> 01:33:43,800

talking to Elena danion who's talking to

1991

01:33:50,689 --> 01:33:46,340

the alien that we can't see a picture of

1992

01:33:53,810 --> 01:33:50,699

or you know any proof of sure and the

1993

01:33:56,330 --> 01:33:53,820

Deep States involvement with Yar quote

1994

01:33:58,669 --> 01:33:56,340

this is not an invasion of Ukraine but

1995

01:34:00,229 --> 01:33:58,679

part of the cleansing operations the

1996

01:34:02,689 --> 01:34:00,239

Deep state was attempting to activate

1997

01:34:05,149 --> 01:34:02,699

the ark which they had found many years

1998

01:34:10,010 --> 01:34:05,159

ago buried underneath the sand in the

1999

01:34:14,930 --> 01:34:12,709

hands on it there is a second Arc in the

2000

01:34:17,629 --> 01:34:14,940

north of Russia but Putin already has

2001  
01:34:19,790 --> 01:34:17,639  
control of it oh and by the way you know

2002  
01:34:22,129 --> 01:34:19,800  
one other thing I wanted to mention is

2003  
01:34:25,430 --> 01:34:22,139  
if Michael Saul really cares about the

2004  
01:34:28,970 --> 01:34:25,440  
truth so much and he is a hundred

2005  
01:34:31,310 --> 01:34:28,980  
percent certain right that there's a

2006  
01:34:33,169 --> 01:34:31,320  
space Arc buried under that desert you

2007  
01:34:34,970 --> 01:34:33,179  
know you can get on a plane and go to

2008  
01:34:36,770 --> 01:34:34,980  
Ukraine all right now I know it's a war

2009  
01:34:38,990 --> 01:34:36,780  
zone but you want the truth about those

2010  
01:34:42,050 --> 01:34:39,000  
aliens don't you and that would be

2011  
01:34:44,270 --> 01:34:42,060  
Smoking Gun 100 proof of alien

2012  
01:34:46,729 --> 01:34:44,280  
visitation on Earth if you were to get a

2013  
01:34:48,950 --> 01:34:46,739

shovel and dig that sucker up

2014

01:34:51,590 --> 01:34:48,960

but instead of doing that

2015

01:34:53,750 --> 01:34:51,600

right or hiring he could hire somebody

2016

01:34:55,310 --> 01:34:53,760

to do you can go get a Soldier of

2017

01:34:57,290 --> 01:34:55,320

Fortune Magazine you can hire a

2018

01:34:59,930 --> 01:34:57,300

mercenary to go into a war zone for you

2019

01:35:02,270 --> 01:34:59,940

with a shovel get you some evidence take

2020

01:35:03,530 --> 01:35:02,280

some cameras get some proof instead of

2021

01:35:06,050 --> 01:35:03,540

doing that

2022

01:35:08,030 --> 01:35:06,060

even though he's 100 sure that Arc is

2023

01:35:10,629 --> 01:35:08,040

definitely a space Arc and it's under a

2024

01:35:13,129 --> 01:35:10,639

desert in the middle of Ukraine right

2025

01:35:15,109 --> 01:35:13,139

instead of going and getting any

2026

01:35:19,250 --> 01:35:15,119

evidence or proof what does Michael

2027

01:35:21,290 --> 01:35:19,260

Salah do well he makes a YouTube video

2028

01:35:23,870 --> 01:35:21,300

that's what he did he made a YouTube

2029

01:35:26,090 --> 01:35:23,880

video end quote cool hands information

2030

01:35:28,189 --> 01:35:26,100

corroborated what JP had been talking

2031

01:35:29,270 --> 01:35:28,199

and you notice oh he's got corroborating

2032

01:35:32,149 --> 01:35:29,280

evidence

2033

01:35:34,189 --> 01:35:32,159

he's got one anonymous source and he's

2034

01:35:36,770 --> 01:35:34,199

got some Nutter that talks to aliens

2035

01:35:39,649 --> 01:35:36,780

every day with no evidence and no proof

2036

01:35:42,109 --> 01:35:39,659

but to him hey that's corroboration hold

2037

01:35:44,570 --> 01:35:42,119

about two space socks found in the

2038

01:35:47,149 --> 01:35:44,580

region one in Russia and another in

2039

01:35:49,189 --> 01:35:47,159

Ukraine it's very significant that the

2040

01:35:52,490 --> 01:35:49,199

Deep state has had a strong influence

2041

01:35:54,590 --> 01:35:52,500

over Ukraine since 2014 and was

2042

01:35:56,930 --> 01:35:54,600

attempting to activate the space Arc

2043

01:36:00,830 --> 01:35:56,940

found in a Sandy region of Southern

2044

01:36:03,290 --> 01:36:00,840

Ukraine olesky sands on March 1st

2045

01:36:06,470 --> 01:36:03,300

forehand revealed more about the buried

2046

01:36:08,510 --> 01:36:06,480

Ukraine space Arc quote Putin has his

2047

01:36:10,850 --> 01:36:08,520

hands on the other Arc in the north of

2048

01:36:13,310 --> 01:36:10,860

Russia and he has been taught by puzzles

2049

01:36:15,890 --> 01:36:13,320

there's space arcs all over the Earth

2050

01:36:19,189 --> 01:36:15,900

but we have never heard about any of

2051

01:36:21,649 --> 01:36:19,199

this except from Michael Salah he is he

2052

01:36:23,510 --> 01:36:21,659

is he must be a really great researcher

2053

01:36:26,450 --> 01:36:23,520

because he found those space arcs when

2054

01:36:28,970 --> 01:36:26,460

nobody else no credible doctor no

2055

01:36:31,729 --> 01:36:28,980

credible scientist found any of these

2056

01:36:33,770 --> 01:36:31,739

space arcs right just Michael Salah how

2057

01:36:36,770 --> 01:36:33,780

to use this technology it is information

2058

01:36:38,990 --> 01:36:36,780

without consequence because this Arc in

2059

01:36:41,750 --> 01:36:39,000

North Russia is secured and in good

2060

01:36:45,290 --> 01:36:41,760

hands contrarily to the Ukrainian Arc

2061

01:36:48,050 --> 01:36:45,300

which through to this day March 1st 2022

2062

01:36:49,970 --> 01:36:48,060

is in the hands of the earth Alliance it

2063

01:36:52,310 --> 01:36:49,980

is still fought for by the Deep State

2064

01:36:55,370 --> 01:36:52,320

military based in the south of Ukraine

2065

01:36:57,530 --> 01:36:55,380

near the ark buried in the sand oh no

2066

01:37:01,510 --> 01:36:57,540

the Earth Alliance it's okay friends

2067

01:37:04,310 --> 01:37:01,520

it's in the hands of the earth Alliance

2068

01:37:07,129 --> 01:37:04,320

JP had been told about Russia's control

2069

01:37:10,010 --> 01:37:07,139

over a space Arc found in its own

2070

01:37:11,689 --> 01:37:10,020

territory by March 2nd Russia had

2071

01:37:14,090 --> 01:37:11,699

defeated the Ukrainian military and

2072

01:37:17,390 --> 01:37:14,100

again he's using actual real world

2073

01:37:19,550 --> 01:37:17,400

events to try to prop up his story this

2074

01:37:22,310 --> 01:37:19,560

is the David Wilcox super duper approver

2075

01:37:25,669 --> 01:37:22,320

maneuver you throw in all kinds of BS

2076

01:37:28,250 --> 01:37:25,679

all kinds of fake sources fake stories

2077

01:37:31,970 --> 01:37:28,260

and then you throw people one real

2078

01:37:33,770 --> 01:37:31,980

verifiable fact from The Real World and

2079

01:37:36,590 --> 01:37:33,780

for some reason that's supposed to

2080

01:37:38,629 --> 01:37:36,600

validate all of the garbage fake

2081

01:37:40,070 --> 01:37:38,639

information that has been coming out of

2082

01:37:42,530 --> 01:37:40,080

his mouth this whole time because he's

2083

01:37:45,410 --> 01:37:42,540

going to give you one real news story

2084

01:37:47,510 --> 01:37:45,420

and somehow connected these events

2085

01:37:49,250 --> 01:37:47,520

together right so that means it must be

2086

01:37:51,770 --> 01:37:49,260

true because this part of the story is

2087

01:37:54,109 --> 01:37:51,780

true no it doesn't and don't stop

2088

01:37:56,750 --> 01:37:54,119

talking about corroboration you get you

2089

01:37:59,090 --> 01:37:56,760

got Nutters you got Wackadoo people that

2090

01:38:01,790 --> 01:37:59,100

talk to aliens and you got an anonymous

2091

01:38:03,890 --> 01:38:01,800

guy in the Army leaving your voicemails

2092

01:38:05,689 --> 01:38:03,900

that's not corroboration that's not

2093

01:38:08,090 --> 01:38:05,699

proof that's not evidence you're

2094

01:38:11,990 --> 01:38:08,100

supposed to be a doctor an educated man

2095

01:38:15,649 --> 01:38:12,000

and how dare you use a tragedy like War

2096

01:38:19,370 --> 01:38:15,659

to sell stupid people this kind of

2097

01:38:22,370 --> 01:38:19,380

garbage and had gained full control over

2098

01:38:24,470 --> 01:38:22,380

curse on including oleski sense National

2099

01:38:26,510 --> 01:38:24,480

Nature Park Curson is the first

2100

01:38:28,669 --> 01:38:26,520

Ukrainian City to fall to the Russian

2101  
01:38:31,370 --> 01:38:28,679  
military which is highly significant

2102  
01:38:34,310 --> 01:38:31,380  
given climbs of an ancient space Arc

2103  
01:38:36,770 --> 01:38:34,320  
founded in the nearby oleshki Sands the

2104  
01:38:39,109 --> 01:38:36,780  
discovery of a spacer that is activating

2105  
01:38:41,209 --> 01:38:39,119  
under oleshki Sands provides an

2106  
01:38:43,669 --> 01:38:41,219  
understanding of why Russia has decided

2107  
01:38:46,129 --> 01:38:43,679  
to militarily intervene in the Ukraine

2108  
01:38:48,950 --> 01:38:46,139  
Civil War that has been ongoing since

2109  
01:38:50,930 --> 01:38:48,960  
2004. yeah the the war has nothing to do

2110  
01:38:53,270 --> 01:38:50,940  
with geopolitics it has nothing to do

2111  
01:38:56,570 --> 01:38:53,280  
with NATO it has nothing to do with

2112  
01:38:58,669 --> 01:38:56,580  
Ukraine's plans to try to join NATO and

2113  
01:39:02,030 --> 01:38:58,679

become more westernized and part of the

2114

01:39:04,250 --> 01:39:02,040

western world it's all about a space Arc

2115

01:39:06,890 --> 01:39:04,260

in the middle of a desert in Ukraine

2116

01:39:10,070 --> 01:39:06,900

that's the entire reason why the good

2117

01:39:12,050 --> 01:39:10,080

guys the Russians are invading but don't

2118

01:39:14,090 --> 01:39:12,060

worry the story has a happy ending

2119

01:39:15,590 --> 01:39:14,100

because according to Michael Salah the

2120

01:39:18,470 --> 01:39:15,600

Russians are the good guys and they're

2121

01:39:20,990 --> 01:39:18,480

trying to gain control of the space Arc

2122

01:39:24,350 --> 01:39:21,000

from the deep State and they took over

2123

01:39:26,030 --> 01:39:24,360

kurza team something dramatic must have

2124

01:39:28,609 --> 01:39:26,040

happened behind the scenes to motivate

2125

01:39:31,310 --> 01:39:28,619

Russia to intervene in a civil war that

2126  
01:39:33,410 --> 01:39:31,320  
was essentially Frozen as a result of a

2127  
01:39:36,590 --> 01:39:33,420  
lack of progress on implementing the

2128  
01:39:39,229 --> 01:39:36,600  
Minsk agreement signed by Russia France

2129  
01:39:41,450 --> 01:39:39,239  
Germany Ukraine and the organization for

2130  
01:39:43,669 --> 01:39:41,460  
security and cooperation in Europe while

2131  
01:39:45,950 --> 01:39:43,679  
some claim that the Ukrainian Army Was

2132  
01:39:48,609 --> 01:39:45,960  
preparing a lightning military campaign

2133  
01:39:51,770 --> 01:39:48,619  
to retake the contest of donets and

2134  
01:39:54,590 --> 01:39:51,780  
administrative regions of Ukraine others

2135  
01:39:56,750 --> 01:39:54,600  
claim that U.S sponsored bio Labs were

2136  
01:40:00,649 --> 01:39:56,760  
the real Target of

2137  
01:40:04,490 --> 01:40:02,270  
I'm not sure

2138  
01:40:07,550 --> 01:40:04,500

friends how YouTube feels about false

2139

01:40:09,050 --> 01:40:07,560

claims of those type of facilities

2140

01:40:11,450 --> 01:40:09,060

so

2141

01:40:14,570 --> 01:40:11,460

but he's going to tell you that the war

2142

01:40:17,649 --> 01:40:14,580

is about this is cue garbage

2143

01:40:23,450 --> 01:40:17,659

this is 17th letter of the alphabet

2144

01:40:25,490 --> 01:40:23,460

4chan garbage that the war is about the

2145

01:40:28,609 --> 01:40:25,500

good guys the Russians

2146

01:40:31,490 --> 01:40:28,619

taking out those facilities and I'm

2147

01:40:34,189 --> 01:40:31,500

sorry there's no evidence to support

2148

01:40:40,010 --> 01:40:36,290

but that won't stop

2149

01:40:42,290 --> 01:40:40,020

Dr Michael Salah from claiming

2150

01:40:44,870 --> 01:40:42,300

that the Russians are the good guys and

2151  
01:40:46,970 --> 01:40:44,880  
this whole war is about a space Arc and

2152  
01:40:48,950 --> 01:40:46,980  
those facilities it's not about what

2153  
01:40:50,570 --> 01:40:48,960  
it's really about

2154  
01:40:54,410 --> 01:40:50,580  
which is

2155  
01:40:57,830 --> 01:40:54,420  
you know military aggression

2156  
01:41:05,090 --> 01:41:00,470  
all right we're gonna we're gonna stop

2157  
01:41:06,830 --> 01:41:05,100  
this garbage Peddler's video uh I I'm

2158  
01:41:08,390 --> 01:41:06,840  
sorry but there's only so much that I

2159  
01:41:10,910 --> 01:41:08,400  
can take and then when he starts getting

2160  
01:41:13,790 --> 01:41:10,920  
into those facilities

2161  
01:41:16,070 --> 01:41:13,800  
um that may get us a strike for even

2162  
01:41:19,070 --> 01:41:16,080  
playing it I don't know how he's allowed

2163  
01:41:22,850 --> 01:41:19,080

to do that but this is where we're at

2164

01:41:25,790 --> 01:41:22,860

and this is where we find ourselves so

2165

01:41:28,609 --> 01:41:25,800

uh here's what we will do now friends uh

2166

01:41:31,310 --> 01:41:28,619

I am going to put my hat out and remind

2167

01:41:33,410 --> 01:41:31,320

you that uh there's a few ways that you

2168

01:41:36,370 --> 01:41:33,420

could support us and one of the ways is

2169

01:41:38,750 --> 01:41:36,380

by throwing a couple of bucks in our hat

2170

01:41:40,310 --> 01:41:38,760

uh there's a Super Chat button down

2171

01:41:42,590 --> 01:41:40,320

there there's a super thanks if you're

2172

01:41:44,930 --> 01:41:42,600

watching the replay you can send us a

2173

01:41:47,870 --> 01:41:44,940

couple of bucks on YouTube you can send

2174

01:41:49,430 --> 01:41:47,880

a pledge via PayPal or cash app

2175

01:41:51,109 --> 01:41:49,440

instructions to do that are in the

2176

01:41:53,750 --> 01:41:51,119

description of the video but I'm here to

2177

01:41:56,149 --> 01:41:53,760

remind you that all of our content is

2178

01:41:57,590 --> 01:41:56,159

free we also have a patreon for as

2179

01:42:00,169 --> 01:41:57,600

little as a dollar a month where you get

2180

01:42:03,290 --> 01:42:00,179

some extra content uh

2181

01:42:05,330 --> 01:42:03,300

a monthly show Journal a backstage pass

2182

01:42:07,850 --> 01:42:05,340

Early Access to our production videos

2183

01:42:10,189 --> 01:42:07,860

and more but you guys know that I hate

2184

01:42:13,010 --> 01:42:10,199

putting things behind a paywall and I

2185

01:42:15,109 --> 01:42:13,020

always say this if you are a big

2186

01:42:16,790 --> 01:42:15,119

supporter of our show here and you're

2187

01:42:18,709 --> 01:42:16,800

having a tough time don't worry about

2188

01:42:21,109 --> 01:42:18,719

the dollar just email me at true

2189

01:42:23,149 --> 01:42:21,119

seekershow gmail.com I have a special

2190

01:42:26,090 --> 01:42:23,159

email list for people in reduced

2191

01:42:27,290 --> 01:42:26,100

circumstances or whatever and uh no

2192

01:42:29,090 --> 01:42:27,300

questions don't you don't have to give

2193

01:42:30,649 --> 01:42:29,100

me a whole story just say hey I'd like

2194

01:42:33,290 --> 01:42:30,659

the patreon benefits but I'm a little

2195

01:42:35,209 --> 01:42:33,300

short or whatever you want to say and we

2196

01:42:37,370 --> 01:42:35,219

put you on that list all of our content

2197

01:42:39,229 --> 01:42:37,380

is and always will be free the other way

2198

01:42:41,209 --> 01:42:39,239

uh that you can throw a couple of bucks

2199

01:42:43,910 --> 01:42:41,219

our way is there's a join button here on

2200

01:42:46,070 --> 01:42:43,920

our channel uh and in that case you get

2201

01:42:49,370 --> 01:42:46,080

all of the patreon links and benefits

2202

01:42:53,390 --> 01:42:49,380

plus some added extra YouTube benefits

2203

01:42:56,510 --> 01:42:53,400

as well and uh priority reply to your

2204

01:42:59,450 --> 01:42:56,520

replies on the videos and uh maybe a

2205

01:43:01,310 --> 01:42:59,460

little more access to me you know uh and

2206

01:43:04,189 --> 01:43:01,320

on that note I'd like to say that I do

2207

01:43:05,990 --> 01:43:04,199

try to reply to all my emails but it's

2208

01:43:08,450 --> 01:43:06,000

getting tougher and tougher as the show

2209

01:43:10,490 --> 01:43:08,460

gets bigger to do that

2210

01:43:12,109 --> 01:43:10,500

um but we appreciate all of you reaching

2211

01:43:13,669 --> 01:43:12,119

out to us

2212

01:43:15,890 --> 01:43:13,679

also

2213

01:43:18,350 --> 01:43:15,900

another way that you can help us is to

2214

01:43:20,149 --> 01:43:18,360

like comment subscribe and share these

2215

01:43:22,490 --> 01:43:20,159

videos on your social media it really

2216

01:43:24,290 --> 01:43:22,500

does help I'd also like to remind

2217

01:43:26,510 --> 01:43:24,300

everybody that's listening in audio

2218

01:43:28,189 --> 01:43:26,520

podcast land that you're missing half

2219

01:43:29,629 --> 01:43:28,199

the fun we love and appreciate all you

2220

01:43:32,870 --> 01:43:29,639

people listening to the audio podcast

2221

01:43:37,669 --> 01:43:32,880

and in full disclosure uh one of the

2222

01:43:40,790 --> 01:43:37,679

reasons that I uh

2223

01:43:43,550 --> 01:43:40,800

boom I didn't know that

2224

01:43:44,930 --> 01:43:43,560

somebody's got to get me a clip uh in

2225

01:43:47,090 --> 01:43:44,940

full disclosure one of the reasons that

2226

01:43:49,129 --> 01:43:47,100

I made the audio podcast is I've I've

2227

01:43:50,990 --> 01:43:49,139

gotten messages from several people who

2228

01:43:52,970 --> 01:43:51,000

drive things for a living whether it's a

2229

01:43:56,870 --> 01:43:52,980

truck or an Amazon delivery vehicle or a

2230

01:43:59,090 --> 01:43:56,880

UPS truck or whatever uh who educated me

2231

01:44:01,430 --> 01:43:59,100

and told me that if they should happen

2232

01:44:03,229 --> 01:44:01,440

to be listening to my show and it's a

2233

01:44:05,209 --> 01:44:03,239

video and they get in an accident

2234

01:44:07,250 --> 01:44:05,219

they'll get in a lot of trouble they are

2235

01:44:11,090 --> 01:44:07,260

only allowed to listen to audio things

2236

01:44:12,770 --> 01:44:11,100

like the radio or audio podcasts uh so

2237

01:44:15,109 --> 01:44:12,780

that's one of the reasons that we do it

2238

01:44:16,910 --> 01:44:15,119

also just to increase our reach increase

2239

01:44:19,490 --> 01:44:16,920

Some people prefer the audio podcast

2240

01:44:22,550 --> 01:44:19,500

they listen to me while they're jogging

2241

01:44:23,930 --> 01:44:22,560

and we love all of you guys I just got a

2242

01:44:27,770 --> 01:44:23,940

nice message that I kept somebody

2243

01:44:29,870 --> 01:44:27,780

company during a two hour workout and we

2244

01:44:31,550 --> 01:44:29,880

love that but again you're missing half

2245

01:44:34,970 --> 01:44:31,560

the fun if you're only listening in

2246

01:44:37,910 --> 01:44:34,980

audio podcasts land so go on over to

2247

01:44:41,570 --> 01:44:37,920

YouTube and

2248

01:44:43,370 --> 01:44:41,580

going over to YouTube click that uh

2249

01:44:45,530 --> 01:44:43,380

little magnifying glass it's the Search

2250

01:44:47,390 --> 01:44:45,540

tool put true Seekers one word in the

2251

01:44:49,430 --> 01:44:47,400

search bar you'll see a strange guy with

2252

01:44:51,770 --> 01:44:49,440

sunglasses pop up that would be me go to

2253

01:44:52,850 --> 01:44:51,780

that channel that's our Channel smash

2254

01:44:55,970 --> 01:44:52,860

the Subscribe button hit the

2255

01:44:59,030 --> 01:44:55,980

notification Bell and you too will be

2256

01:45:01,129 --> 01:44:59,040

notified when we're doing a live taping

2257

01:45:02,990 --> 01:45:01,139

here of the podcast and you can come and

2258

01:45:04,850 --> 01:45:03,000

be a part of the show don't just listen

2259

01:45:07,129 --> 01:45:04,860

don't just watch come and be a part of

2260

01:45:08,930 --> 01:45:07,139

the show be a part of the live chat you

2261

01:45:12,590 --> 01:45:08,940

are most welcome here

2262

01:45:14,750 --> 01:45:12,600

so we're gonna uh read the super chats

2263

01:45:18,229 --> 01:45:14,760

and I see we had one who tells me that

2264

01:45:20,149 --> 01:45:18,239

Jimmy church is currently mocking me I

2265

01:45:22,189 --> 01:45:20,159

hear so I'm boy am I going to need a

2266

01:45:24,709 --> 01:45:22,199

clip of that I'm gonna try to go back as

2267

01:45:27,169 --> 01:45:24,719

far as I can in the live chat but I saw

2268

01:45:29,990 --> 01:45:27,179

from our YouTube uh analytics page we

2269

01:45:32,689 --> 01:45:30,000

did get one Super Chat and we read and

2270

01:45:34,850 --> 01:45:32,699

recognize and thank every single Super

2271

01:45:36,350 --> 01:45:34,860

Chat so

2272

01:45:37,609 --> 01:45:36,360

um and we'll be wrapping things up

2273

01:45:39,229 --> 01:45:37,619

shortly here so if you're feeling

2274

01:45:42,229 --> 01:45:39,239

generous now is the time to get those

2275

01:45:44,090 --> 01:45:42,239

super chats in we read every single one

2276

01:45:45,649 --> 01:45:44,100

of them and we thank every single person

2277

01:45:48,050 --> 01:45:45,659

for their support

2278

01:45:50,570 --> 01:45:48,060

so carbon 14 with a Kind and Generous

2279

01:45:53,090 --> 01:45:50,580

two dollar Super Chat says Jimmy C is

2280

01:45:55,910 --> 01:45:53,100

mocking you and I don't know what that's

2281

01:45:59,270 --> 01:45:55,920

about uh so somebody in the live chat

2282

01:46:01,550 --> 01:45:59,280

I'm gonna be paying attention now uh let

2283

01:46:03,649 --> 01:46:01,560

me know what that's about love to know

2284

01:46:06,109 --> 01:46:03,659

more about that

2285

01:46:08,149 --> 01:46:06,119

Bernie konkin is here and says holding

2286

01:46:10,729 --> 01:46:08,159

it down from Facebook land my friend yes

2287

01:46:14,450 --> 01:46:10,739

for those unaware we broadcast right now

2288

01:46:16,850 --> 01:46:14,460

uh live on Facebook on Twitter and on

2289

01:46:19,070 --> 01:46:16,860

our YouTube channel here we'll soon be

2290

01:46:22,070 --> 01:46:19,080

expanding to more streaming locations we

2291

01:46:24,709 --> 01:46:22,080

do also have an odyssey Channel and a

2292

01:46:27,109 --> 01:46:24,719

bunch of other channels that uh on

2293

01:46:30,590 --> 01:46:27,119

different video platforms that we have

2294

01:46:34,689 --> 01:46:30,600

not maintained very well including uh

2295

01:46:38,629 --> 01:46:34,699

Rumble and bit shoot and um

2296

01:46:42,109 --> 01:46:38,639

daily yeah we have a bunch of them I got

2297

01:46:45,830 --> 01:46:43,370

foreign

2298

01:46:47,930 --> 01:46:45,840

Richard Warner is here and says None of

2299

01:46:49,490 --> 01:46:47,940

the cons check their sources well you

2300

01:46:52,010 --> 01:46:49,500

shouldn't let something like facts and

2301

01:46:54,229 --> 01:46:52,020

evidence or a witness's credibility get

2302

01:46:56,689 --> 01:46:54,239

in the way of a good fake alien story

2303

01:46:58,629 --> 01:46:56,699

that you could sell Richard Warner right

2304

01:47:01,490 --> 01:46:58,639

you gotta

2305

01:47:03,169 --> 01:47:01,500

it's the Lie by Omission like well this

2306

01:47:04,790 --> 01:47:03,179

guy's telling great alien stories we'll

2307

01:47:07,430 --> 01:47:04,800

just forget to tell everybody that his

2308

01:47:09,590 --> 01:47:07,440

education is fake that he's not really a

2309

01:47:11,470 --> 01:47:09,600

doctor Jimmy Church does the Lie by

2310

01:47:13,250 --> 01:47:11,480

Omission right

2311

01:47:17,870 --> 01:47:13,260

he

2312

01:47:21,109 --> 01:47:17,880

uh had Dr Jonathan Reed fake read right

2313

01:47:22,790 --> 01:47:21,119

mace is here and says I found this show

2314

01:47:24,410 --> 01:47:22,800

on Twitter today well we're glad that

2315

01:47:25,970 --> 01:47:24,420

you found us Mason if you're interested

2316

01:47:28,129 --> 01:47:25,980

in these topics you should know a few

2317

01:47:29,390 --> 01:47:28,139

things first of all I'm an experimenter

2318

01:47:31,970 --> 01:47:29,400

myself

2319

01:47:33,770 --> 01:47:31,980

but I started going very deep down the

2320

01:47:36,830 --> 01:47:33,780

rabbit hole and what I found was a lot

2321

01:47:38,390 --> 01:47:36,840

of con artists a lot of liars a lot of

2322

01:47:41,149 --> 01:47:38,400

uh

2323

01:47:44,750 --> 01:47:41,159

fairy tale hucksters that sell fake

2324

01:47:46,609 --> 01:47:44,760

stories and so sort of organically the

2325

01:47:50,270 --> 01:47:46,619

show went from me just interviewing

2326

01:47:52,490 --> 01:47:50,280

people as a believer in you know much of

2327

01:47:53,689 --> 01:47:52,500

this stuff to being an awful lot more

2328

01:47:56,090 --> 01:47:53,699

skeptical

2329

01:47:58,689 --> 01:47:56,100

but unfortunately

2330

01:48:00,770 --> 01:47:58,699

um I think that we need someone

2331

01:48:03,890 --> 01:48:00,780

to um

2332

01:48:06,470 --> 01:48:03,900

clear the garbage off the field you know

2333

01:48:08,209 --> 01:48:06,480

you're not going to win a game while

2334

01:48:10,490 --> 01:48:08,219

there's garbage everywhere on the field

2335

01:48:13,810 --> 01:48:10,500

to the point where you can't even play

2336

01:48:17,030 --> 01:48:13,820

so these UFO hucksters and celebrities

2337

01:48:19,910 --> 01:48:17,040

they sell garbage and we do a lot of

2338

01:48:21,350 --> 01:48:19,920

work exposing that here so if you're

2339

01:48:23,750 --> 01:48:21,360

really interested in the truth about

2340

01:48:26,270 --> 01:48:23,760

these topics that won't offend you

2341

01:48:29,689 --> 01:48:26,280

I have been experiencing a higher level

2342

01:48:31,129 --> 01:48:29,699

than usual of people attacking me on

2343

01:48:32,629 --> 01:48:31,139

Twitter

2344

01:48:35,209 --> 01:48:32,639

um and interestingly they never really

2345

01:48:37,129 --> 01:48:35,219

attack the shows where we present proof

2346

01:48:39,050 --> 01:48:37,139

and evidence like tonight we've given

2347

01:48:41,209 --> 01:48:39,060

you ample and supportive evidence and

2348

01:48:43,070 --> 01:48:41,219

proof that Sean David Morton is a

2349

01:48:46,010 --> 01:48:43,080

pathological liar with a fake education

2350

01:48:48,830 --> 01:48:46,020

that conned six million dollars out of

2351

01:48:51,229 --> 01:48:48,840

old ladies pockets and just spent five

2352

01:48:55,129 --> 01:48:51,239

years in federal prison having been

2353

01:48:59,990 --> 01:48:57,350

charges

2354

01:49:02,149 --> 01:49:00,000

myself I wish

2355

01:49:04,609 --> 01:49:02,159

that someone would have saved me the

2356

01:49:08,750 --> 01:49:04,619

time because in full

2357

01:49:11,450 --> 01:49:08,760

um disclosure uh pardon the pun I used

2358

01:49:14,030 --> 01:49:11,460

to listen to even sean David Morton when

2359

01:49:15,290 --> 01:49:14,040

he was on uh Coast to Coast AM yeah I

2360

01:49:17,930 --> 01:49:15,300

would listen to him tell us all about

2361

01:49:20,450 --> 01:49:17,940

those alien spaceships that are flying

2362

01:49:22,850 --> 01:49:20,460

above uh Area 51 and all kinds of stuff

2363

01:49:24,890 --> 01:49:22,860

I did not know that he was a

2364

01:49:27,709 --> 01:49:24,900

pathological liar at the time

2365

01:49:29,270 --> 01:49:27,719

so mace I think it's you're most welcome

2366

01:49:31,430 --> 01:49:29,280

here but I think that you should be

2367

01:49:33,530 --> 01:49:31,440

given that disclaimer that we're a

2368

01:49:34,910 --> 01:49:33,540

little skeptical you know we don't just

2369

01:49:38,089 --> 01:49:34,920

repeat

2370

01:49:41,990 --> 01:49:38,099

talking points from UFO celebrities or

2371

01:49:44,510 --> 01:49:42,000

claims that they make we actually go and

2372

01:49:47,450 --> 01:49:44,520

check is this person telling us the

2373

01:49:52,070 --> 01:49:50,030

yeah so welcome mace uh please do

2374

01:49:53,870 --> 01:49:52,080

subscribe I hope that you will I will

2375

01:49:55,609 --> 01:49:53,880

see you again in the live chat you are

2376

01:49:58,070 --> 01:49:55,619

most welcome here oh and he says yes

2377

01:49:59,830 --> 01:49:58,080

totally agree it's where we find the

2378

01:50:02,450 --> 01:49:59,840

field now yeah

2379

01:50:04,010 --> 01:50:02,460

absolutely B Baker says Sean David

2380

01:50:05,689 --> 01:50:04,020

Morton while he was on the run from the

2381

01:50:07,550 --> 01:50:05,699

law across the country called into other

2382

01:50:12,169 --> 01:50:07,560

people's podcasts for interviews from a

2383

01:50:18,709 --> 01:50:14,870

by the way you might be interested in

2384

01:50:21,770 --> 01:50:18,719

knowing that besides Michael Salah

2385

01:50:23,810 --> 01:50:21,780

giving Sean David Morton a pass for

2386

01:50:25,430 --> 01:50:23,820

ripping off hundreds I think of old

2387

01:50:27,830 --> 01:50:25,440

ladies to the tune of six million

2388

01:50:30,410 --> 01:50:27,840

dollars and just go into federal prison

2389

01:50:32,089 --> 01:50:30,420

for five years Kerry Cassidy of Project

2390

01:50:34,609 --> 01:50:32,099

Camelot

2391

01:50:36,109 --> 01:50:34,619

she's buddies with Sean David Morton and

2392

01:50:38,390 --> 01:50:36,119

he can do no wrong and the government

2393

01:50:40,129 --> 01:50:38,400

framed him because he was getting too

2394

01:50:43,250 --> 01:50:40,139

close to the truth about aliens forget

2395

01:50:45,649 --> 01:50:43,260

about those hundred witnesses that can

2396

01:50:47,750 --> 01:50:45,659

tell you exactly point for Point how

2397

01:50:49,310 --> 01:50:47,760

sean David Morton ripped them off of

2398

01:50:50,990 --> 01:50:49,320

their life savings

2399

01:50:52,790 --> 01:50:51,000

we shouldn't listen to them we should

2400

01:50:54,350 --> 01:50:52,800

listen to Carrie Cassidy who who's going

2401  
01:50:56,089 --> 01:50:54,360  
to tell you that Sean David Morton got

2402  
01:50:58,370 --> 01:50:56,099  
railroaded by the Deep state or

2403  
01:51:00,890 --> 01:50:58,380  
something it's garbage

2404  
01:51:03,530 --> 01:51:00,900  
and anybody that supports this person is

2405  
01:51:06,290 --> 01:51:03,540  
garbage Sean also defended himself in

2406  
01:51:07,729 --> 01:51:06,300  
court and it was hilariously bad yes I

2407  
01:51:10,129 --> 01:51:07,739  
have some of them and maybe sometime

2408  
01:51:13,490 --> 01:51:10,139  
we'll read some of the transcripts he

2409  
01:51:14,570 --> 01:51:13,500  
filed nonsensical Court uh ramblings you

2410  
01:51:18,169 --> 01:51:14,580  
know that

2411  
01:51:20,689 --> 01:51:18,179  
I'm a sovereign Citizen and and you uh

2412  
01:51:22,609 --> 01:51:20,699  
don't have a right to try me right

2413  
01:51:24,649 --> 01:51:22,619

Richard Warner says he doesn't want the

2414

01:51:26,930 --> 01:51:24,659

truth he wants money yeah in the case of

2415

01:51:29,750 --> 01:51:26,940

Michael Salah for sure yeah

2416

01:51:32,629 --> 01:51:29,760

uh but you know when I see this kind of

2417

01:51:36,229 --> 01:51:32,639

stuff it really does make me I get

2418

01:51:38,030 --> 01:51:36,239

depressed when I see that you know for

2419

01:51:41,030 --> 01:51:38,040

example Michael Salah

2420

01:51:42,830 --> 01:51:41,040

has nine million YouTube views we

2421

01:51:44,570 --> 01:51:42,840

haven't reached a million yet not 1

2422

01:51:47,089 --> 01:51:44,580

million yet we're just over a half

2423

01:51:49,850 --> 01:51:47,099

million but we have a handicap here

2424

01:51:52,370 --> 01:51:49,860

called the truth it also depresses me

2425

01:51:54,250 --> 01:51:52,380

that Michael Salah presenting this level

2426

01:51:57,229 --> 01:51:54,260

of garbage

2427

01:52:00,890 --> 01:51:57,239

guests and Witnesses including Sean

2428

01:52:03,410 --> 01:52:00,900

David Morton who is a uh convicted felon

2429

01:52:04,970 --> 01:52:03,420

again he was convicted of 50 felony

2430

01:52:08,450 --> 01:52:04,980

counts of fraud

2431

01:52:10,189 --> 01:52:08,460

he has 131 000 subscribers so we could

2432

01:52:12,890 --> 01:52:10,199

see that if you're willing to throw your

2433

01:52:15,770 --> 01:52:12,900

morals throw your ethics in the trash

2434

01:52:20,209 --> 01:52:15,780

and just sell people garbage fairy tale

2435

01:52:22,070 --> 01:52:20,219

alien stories you can make tons of money

2436

01:52:24,830 --> 01:52:22,080

um I'm not sure exactly if I were to

2437

01:52:26,450 --> 01:52:24,840

look like how many videos does he put

2438

01:52:33,649 --> 01:52:26,460

out

2439

01:52:37,129 --> 01:52:33,659

thousand dollars a week on YouTube maybe

2440

01:52:40,189 --> 01:52:37,139

more plus he's got uh his private you

2441

01:52:42,709 --> 01:52:40,199

know webinars that you can purchase

2442

01:52:45,709 --> 01:52:42,719

and probably a patreon and everything

2443

01:52:49,070 --> 01:52:45,719

else I would a conservative estimate

2444

01:52:50,450 --> 01:52:49,080

would be that Michael salad is making

2445

01:52:52,910 --> 01:52:50,460

um I don't know

2446

01:52:55,669 --> 01:52:52,920

at least fifty to a hundred thousand

2447

01:52:57,830 --> 01:52:55,679

dollars a year doing this selling people

2448

01:53:01,370 --> 01:52:57,840

garbage stupid people

2449

01:53:02,270 --> 01:53:01,380

and uh you know I for one think that is

2450

01:53:04,070 --> 01:53:02,280

wrong

2451  
01:53:06,890 --> 01:53:04,080  
Bernie conken wants to know where the

2452  
01:53:09,410 --> 01:53:06,900  
slides are yes no slides tonight right I

2453  
01:53:11,810 --> 01:53:09,420  
have an aversion to creating slides

2454  
01:53:13,550 --> 01:53:11,820  
Craig William he's a very he's got a

2455  
01:53:15,290 --> 01:53:13,560  
very convincing retelling of the legal

2456  
01:53:18,290 --> 01:53:15,300  
events that might sway a concerned

2457  
01:53:19,970 --> 01:53:18,300  
listener of another version yeah I mean

2458  
01:53:22,729 --> 01:53:19,980  
you know

2459  
01:53:25,550 --> 01:53:22,739  
your seat theorist uh can

2460  
01:53:27,890 --> 01:53:25,560  
certainly spin the arms right

2461  
01:53:30,229 --> 01:53:27,900  
connect dots that aren't there call the

2462  
01:53:32,689 --> 01:53:30,239  
judge corrupt find some dirt on the

2463  
01:53:35,870 --> 01:53:32,699

judge in the case and you know explain

2464

01:53:37,430 --> 01:53:35,880

away why you got convicted of 50 felony

2465

01:53:39,649 --> 01:53:37,440

counts

2466

01:53:42,109 --> 01:53:39,659

stop it with the slides no slides

2467

01:53:45,169 --> 01:53:42,119

tonight I'm not doing any slides I got

2468

01:53:48,589 --> 01:53:45,179

enough to do by the way we will have a

2469

01:53:51,050 --> 01:53:48,599

new strange story uh debuting this week

2470

01:53:53,510 --> 01:53:51,060

I'm also going to put up a couple of uh

2471

01:53:56,270 --> 01:53:53,520

Production videos and those will be on

2472

01:53:58,070 --> 01:53:56,280

uh patreon tonight and they will debut

2473

01:53:59,149 --> 01:53:58,080

shortly here

2474

01:54:01,729 --> 01:53:59,159

um

2475

01:54:05,510 --> 01:54:01,739

yeah

2476

01:54:08,089 --> 01:54:05,520

so uh wasn't this an episode on the

2477

01:54:10,490 --> 01:54:08,099

Stargate TV series yeah there was a

2478

01:54:12,830 --> 01:54:10,500

space Arc in the Stargate TV series so

2479

01:54:15,709 --> 01:54:12,840

that's what these guys do they watch bad

2480

01:54:19,430 --> 01:54:15,719

science fiction and they take notes I

2481

01:54:21,830 --> 01:54:19,440

have seen plot lines Richard Warner from

2482

01:54:25,430 --> 01:54:21,840

obscure

2483

01:54:29,330 --> 01:54:25,440

science fiction old science fiction like

2484

01:54:31,609 --> 01:54:29,340

I have seen plot lines and uh things

2485

01:54:35,930 --> 01:54:31,619

that I'm sure these grifters have stolen

2486

01:54:37,910 --> 01:54:35,940

from Babylon 5. Buck Rogers and

2487

01:54:40,370 --> 01:54:37,920

Battlestar Galactica

2488

01:54:43,669 --> 01:54:40,380

so I don't know what these con artists

2489

01:54:45,770 --> 01:54:43,679

do but I'm pretty sure you know uh and

2490

01:54:47,990 --> 01:54:45,780

and by the way I Richard Werner I'm

2491

01:54:49,669 --> 01:54:48,000

gonna get that together I've saved clips

2492

01:54:52,430 --> 01:54:49,679

of some of these people and we can

2493

01:54:54,290 --> 01:54:52,440

compare and contrast the original Sci-Fi

2494

01:54:56,089 --> 01:54:54,300

series that I believe they stole some of

2495

01:54:59,390 --> 01:54:56,099

their stories from and what they've said

2496

01:55:01,250 --> 01:54:59,400

it is going to be a laugh Riot

2497

01:55:04,270 --> 01:55:01,260

um I'm sure that they sit around and

2498

01:55:08,390 --> 01:55:04,280

they watch old science fiction and then

2499

01:55:11,750 --> 01:55:08,400

they invent these stories get some fake

2500

01:55:14,689 --> 01:55:11,760

sources or pay somebody by the way

2501  
01:55:16,970 --> 01:55:14,699  
another thing that occurred to me is you

2502  
01:55:20,209 --> 01:55:16,980  
can get anybody to do a voiceover and

2503  
01:55:22,609 --> 01:55:20,219  
read things on Fiverr we can make up a

2504  
01:55:24,950 --> 01:55:22,619  
fake Insider tomorrow we could do it

2505  
01:55:27,290 --> 01:55:24,960  
tonight where I just give a guy a script

2506  
01:55:29,990 --> 01:55:27,300  
and then I could say he left me this

2507  
01:55:32,629 --> 01:55:30,000  
voicemail you know so part of me Michael

2508  
01:55:34,609 --> 01:55:32,639  
Salif I don't believe you it's too easy

2509  
01:55:36,649 --> 01:55:34,619  
to fabricate when we don't get to know

2510  
01:55:39,109 --> 01:55:36,659  
who the anonymous source is so we can

2511  
01:55:40,850 --> 01:55:39,119  
vet them he doesn't vet anybody it's

2512  
01:55:43,729 --> 01:55:40,860  
very obvious he doesn't check the

2513  
01:55:46,609 --> 01:55:43,739

background of anybody that he has on his

2514

01:55:48,109 --> 01:55:46,619

stupid Channel making his ridiculous

2515

01:55:50,930 --> 01:55:48,119

claims

2516

01:55:52,970 --> 01:55:50,940

salah's original UFO Rook base is Highly

2517

01:55:57,589 --> 01:55:52,980

Questionable and most likely not true

2518

01:56:01,669 --> 01:55:59,870

an expanded teaser on the big case that

2519

01:56:04,910 --> 01:56:01,679

involves many folks in the UFO Community

2520

01:56:07,550 --> 01:56:04,920

can't do it Amy Collins but I will offer

2521

01:56:10,310 --> 01:56:07,560

you this Amy Collins If you email me at

2522

01:56:12,229 --> 01:56:10,320

truthseekershow gmail.com and you agree

2523

01:56:14,510 --> 01:56:12,239

to be sworn to secrecy I could tell you

2524

01:56:15,770 --> 01:56:14,520

a little bit more about it and I can

2525

01:56:17,330 --> 01:56:15,780

give you my cell phone number because

2526

01:56:21,109 --> 01:56:17,340

I'd rather just

2527

01:56:26,229 --> 01:56:21,119

talk to you than uh you know uh try to

2528

01:56:30,950 --> 01:56:28,729

crypto Alchemist says two thumbs way up

2529

01:56:32,629 --> 01:56:30,960

for acknowledging slides two slides

2530

01:56:38,149 --> 01:56:32,639

trolling comments yeah people love to

2531

01:56:41,930 --> 01:56:40,189

sun rose says I found some articles that

2532

01:56:44,030 --> 01:56:41,940

mentioned space arcs before I need to

2533

01:56:45,530 --> 01:56:44,040

refind and investigate yeah it's a

2534

01:56:47,629 --> 01:56:45,540

common thing remember there's supposed

2535

01:56:49,430 --> 01:56:47,639

to be a big huge spaceship under the ice

2536

01:56:51,350 --> 01:56:49,440

in Antarctica that could be considered a

2537

01:56:54,470 --> 01:56:51,360

space Arc too and by the way Michael

2538

01:56:56,649 --> 01:56:54,480

Salah pushes that garbage story too and

2539

01:57:00,890 --> 01:56:56,659

storyline just like Linda Moulton Hal

2540

01:57:02,570 --> 01:57:00,900

just like uh everyone and sunrose says

2541

01:57:05,030 --> 01:57:02,580

you deserve to overpass the subs of

2542

01:57:07,250 --> 01:57:05,040

these frauds well we're playing the long

2543

01:57:10,790 --> 01:57:07,260

game here and I'm not willing to

2544

01:57:12,950 --> 01:57:10,800

sacrifice you know ethics morality it's

2545

01:57:16,609 --> 01:57:12,960

called Truth Seekers and we do our best

2546

01:57:19,070 --> 01:57:16,619

to find the truth here I I am I give

2547

01:57:21,589 --> 01:57:19,080

everyone my word that I will not lie to

2548

01:57:23,930 --> 01:57:21,599

you not knowingly not intentionally now

2549

01:57:27,890 --> 01:57:23,940

I may get a story wrong I may get a fact

2550

01:57:30,530 --> 01:57:27,900

wrong my research may be flawed but if

2551  
01:57:32,689 --> 01:57:30,540  
that happens we'll talk about it and

2552  
01:57:35,030 --> 01:57:32,699  
we'll discuss it and I will apologize

2553  
01:57:35,750 --> 01:57:35,040  
for getting something wrong

2554  
01:57:39,350 --> 01:57:35,760  
um

2555  
01:57:42,290 --> 01:57:39,360  
you know but we certainly yeah there is

2556  
01:57:43,070 --> 01:57:42,300  
a cricket somewhere I apologize for the

2557  
01:57:46,250 --> 01:57:43,080  
cricket

2558  
01:57:48,229 --> 01:57:46,260  
uh hey we have uh we have quite a lot of

2559  
01:57:50,810 --> 01:57:48,239  
people in the live chat and and we have

2560  
01:57:53,209 --> 01:57:50,820  
one live viewer right here in the studio

2561  
01:57:56,450 --> 01:57:53,219  
that just happens to be a cricket

2562  
01:57:57,770 --> 01:57:56,460  
now you know I'm gonna go nuts trying to

2563  
01:58:00,830 --> 01:57:57,780

get this Cricket out of here later

2564

01:58:03,290 --> 01:58:00,840

because I hate that mostly because

2565

01:58:05,390 --> 01:58:03,300

there's a lot of audio files that listen

2566

01:58:07,850 --> 01:58:05,400

to the audio podcast and if that audio

2567

01:58:11,750 --> 01:58:07,860

podcast has something like that they

2568

01:58:13,550 --> 01:58:11,760

email me uh also something else that you

2569

01:58:16,250 --> 01:58:13,560

should know about is tonight it's only

2570

01:58:18,410 --> 01:58:16,260

58 degrees outside it's a very cool

2571

01:58:20,810 --> 01:58:18,420

evening so I have the door in here

2572

01:58:23,390 --> 01:58:20,820

closed and by the way I have no

2573

01:58:26,510 --> 01:58:23,400

pretension so I could tell you I'm in a

2574

01:58:28,850 --> 01:58:26,520

garage the garage that we uh just use

2575

01:58:30,649 --> 01:58:28,860

for storage mostly so I cleared a spot

2576

01:58:32,689 --> 01:58:30,659

so that we could stream during the

2577

01:58:36,410 --> 01:58:32,699

summer without dying in an attic room

2578

01:58:38,030 --> 01:58:36,420

that I can't really broadcast from but

2579

01:58:40,070 --> 01:58:38,040

there's no windows in here there's just

2580

01:58:42,410 --> 01:58:40,080

a door next to me that goes outside like

2581

01:58:44,570 --> 01:58:42,420

a not a garage door the garage doors are

2582

01:58:46,430 --> 01:58:44,580

in front of me but the uh you know like

2583

01:58:49,850 --> 01:58:46,440

the side door to a garage like a house

2584

01:58:52,490 --> 01:58:49,860

door and I have to open that when it's

2585

01:58:55,010 --> 01:58:52,500

hot or I'll die in here uh even though

2586

01:58:57,229 --> 01:58:55,020

it's sort of a basement garage does that

2587

01:59:00,950 --> 01:58:57,239

make sense so

2588

01:59:03,709 --> 01:59:00,960

when I have that door open you can hear

2589

01:59:07,070 --> 01:59:03,719

nature you know crickets and birds and

2590

01:59:09,410 --> 01:59:07,080

bugs or whatever frogs occasionally and

2591

01:59:12,950 --> 01:59:09,420

the audio people they email me and

2592

01:59:16,010 --> 01:59:12,960

complain and one time they said what is

2593

01:59:17,930 --> 01:59:16,020

that a nature like Ambiance track that

2594

01:59:20,689 --> 01:59:17,940

you add to your show it's way too high

2595

01:59:22,070 --> 01:59:20,699

you need to lower it so I don't know if

2596

01:59:24,169 --> 01:59:22,080

I'm supposed to have a talk with the

2597

01:59:26,270 --> 01:59:24,179

critics and the frogs outside to keep it

2598

01:59:28,729 --> 01:59:26,280

down because their level is too high you

2599

01:59:33,050 --> 01:59:28,739

know I'm doing the best that I can here

2600

01:59:35,450 --> 01:59:33,060

I really am guys uh the good thing is

2601  
01:59:37,970 --> 01:59:35,460  
a couple more weeks and I'll get to go

2602  
01:59:41,089 --> 01:59:37,980  
to my preferred place to work my office

2603  
01:59:42,589 --> 01:59:41,099  
and and you know I can work in my office

2604  
01:59:45,229 --> 01:59:42,599  
but I have to have the air conditioner

2605  
01:59:46,669 --> 01:59:45,239  
going the entire time and even if I shut

2606  
01:59:48,470 --> 01:59:46,679  
that air conditioner off for an hour or

2607  
01:59:50,149 --> 01:59:48,480  
two it gets unbearably hot in here it

2608  
01:59:52,250 --> 01:59:50,159  
gets over a hundred it's like an attic

2609  
01:59:55,310 --> 01:59:52,260  
room so

2610  
01:59:57,350 --> 01:59:55,320  
um I can't broadcast in there but a

2611  
01:59:58,370 --> 01:59:57,360  
couple more weeks a couple more weeks

2612  
02:00:01,070 --> 01:59:58,380  
just

2613  
02:00:02,930 --> 02:00:01,080

I will be able to broadcast from my

2614

02:00:05,390 --> 02:00:02,940

preferred place to do it my office where

2615

02:00:07,570 --> 02:00:05,400

I do all the research and uh do all the

2616

02:00:09,770 --> 02:00:07,580

video editing and whatever else the show

2617

02:00:12,350 --> 02:00:09,780

requires guest booking and all that

2618

02:00:13,729 --> 02:00:12,360

stuff and I can't tell you how much I'm

2619

02:00:15,950 --> 02:00:13,739

looking forward to going back and

2620

02:00:18,229 --> 02:00:15,960

working from there because

2621

02:00:20,510 --> 02:00:18,239

in the interim using this temporary

2622

02:00:23,570 --> 02:00:20,520

Studio I did manage to get a bunch of

2623

02:00:25,669 --> 02:00:23,580

stuff working so now in the office we

2624

02:00:28,910 --> 02:00:25,679

have uh

2625

02:00:31,490 --> 02:00:28,920

we have satellite tracking we have

2626

02:00:33,229 --> 02:00:31,500

airplane tracking and more and I'm

2627

02:00:34,970 --> 02:00:33,239

working on getting some cameras that I

2628

02:00:36,709 --> 02:00:34,980

can mount on the roof of my house so

2629

02:00:38,870 --> 02:00:36,719

that maybe we'll do some Sky watching

2630

02:00:40,189 --> 02:00:38,880

and if we see a strange object we'll be

2631

02:00:41,870 --> 02:00:40,199

able to instantly check it with the

2632

02:00:42,729 --> 02:00:41,880

satellites check make sure it's not an

2633

02:00:45,770 --> 02:00:42,739

airplane

2634

02:00:49,790 --> 02:00:45,780

eliminate those possibilities there's a

2635

02:00:53,450 --> 02:00:49,800

lot of interesting new capabilities that

2636

02:00:56,050 --> 02:00:53,460

the studio my preferred studio will have

2637

02:00:58,490 --> 02:00:56,060

uh very shortly

2638

02:01:01,609 --> 02:00:58,500

that stuff's there now but I just can't

2639

02:01:03,470 --> 02:01:01,619

broadcast from there right now so uh we

2640

02:01:05,149 --> 02:01:03,480

will be looking into it Cosmic neighbors

2641

02:01:08,570 --> 02:01:05,159

is here and now's a good time to remind

2642

02:01:11,570 --> 02:01:08,580

him that he has a 3D printer of mine to

2643

02:01:15,830 --> 02:01:14,330

uh I'll talk to you off air but uh yeah

2644

02:01:18,470 --> 02:01:15,840

the the

2645

02:01:21,890 --> 02:01:18,480

we have a uh

2646

02:01:23,750 --> 02:01:21,900

one last summer blast this weekend it's

2647

02:01:25,669 --> 02:01:23,760

Labor Day weekend and I'll be going

2648

02:01:27,290 --> 02:01:25,679

there on Thursday coming back on Monday

2649

02:01:29,330 --> 02:01:27,300

so that's Thursday Friday Saturday

2650

02:01:32,089 --> 02:01:29,340

Sunday Monday that's five days at the

2651  
02:01:35,450 --> 02:01:32,099  
cabin That's My Kind Of Heaven

2652  
02:01:37,250 --> 02:01:35,460  
um and then after this weekend uh my

2653  
02:01:39,530 --> 02:01:37,260  
wife doesn't go anymore she doesn't like

2654  
02:01:42,050 --> 02:01:39,540  
it when it's cold there or even when

2655  
02:01:44,209 --> 02:01:42,060  
it's chilly really like it gets it'll be

2656  
02:01:46,070 --> 02:01:44,219  
40 at night there in about two or three

2657  
02:01:49,070 --> 02:01:46,080  
weeks

2658  
02:01:50,750 --> 02:01:49,080  
so uh it gets the winner comes fast to

2659  
02:01:51,950 --> 02:01:50,760  
the mountain where my cabin is she

2660  
02:01:55,070 --> 02:01:51,960  
doesn't go

2661  
02:01:58,189 --> 02:01:55,080  
uh so I will be there every weekend

2662  
02:02:00,350 --> 02:01:58,199  
anyway uh for the coming foreseeable

2663  
02:02:03,050 --> 02:02:00,360

future so Ron you're welcome to join me

2664

02:02:05,149 --> 02:02:03,060

and we will have uh you know I'll have

2665

02:02:08,750 --> 02:02:05,159

whatever food you want or Refreshments

2666

02:02:11,209 --> 02:02:08,760

anything that you want you get it I uh

2667

02:02:13,550 --> 02:02:11,219

will also be hopefully writing a book

2668

02:02:15,109 --> 02:02:13,560

there this winter it's very difficult to

2669

02:02:17,450 --> 02:02:15,119

try to concentrate with kids running

2670

02:02:19,310 --> 02:02:17,460

around screaming so uh you know I'm

2671

02:02:20,750 --> 02:02:19,320

gonna work it out with my wife that uh

2672

02:02:22,250 --> 02:02:20,760

I'm either gonna go to the cabin and

2673

02:02:23,450 --> 02:02:22,260

work on the cabin but there's only so

2674

02:02:26,209 --> 02:02:23,460

much I can do there's a little bit of

2675

02:02:28,250 --> 02:02:26,219

finishing work inside some molding some

2676

02:02:30,229 --> 02:02:28,260

trim I got to put a ceiling in the

2677

02:02:33,229 --> 02:02:30,239

bathroom and some other stuff

2678

02:02:35,750 --> 02:02:33,239

you know that's not going to take more

2679

02:02:38,930 --> 02:02:35,760

than a weekend or two couple weekends

2680

02:02:41,930 --> 02:02:38,940

maybe three max after that I'll be free

2681

02:02:43,910 --> 02:02:41,940

to all win or go there and just write uh

2682

02:02:47,689 --> 02:02:43,920

I'm I'm working on two separate book

2683

02:02:49,729 --> 02:02:47,699

projects and more about those later uh

2684

02:02:51,649 --> 02:02:49,739

Cosmic neighbor says 40 degrees now

2685

02:02:53,510 --> 02:02:51,659

you're talking Rick and Havoc says

2686

02:02:55,490 --> 02:02:53,520

that's good camping weather by the way

2687

02:02:57,709 --> 02:02:55,500

wreaking havoc I got a whole bunch of

2688

02:03:00,470 --> 02:02:57,719

cameras and I'd like you to visit you're

2689

02:03:03,109 --> 02:03:00,480

welcome to visit as well and for anybody

2690

02:03:05,750 --> 02:03:03,119

local to me how the cabin visiting deal

2691

02:03:07,550 --> 02:03:05,760

works is either you come to my home and

2692

02:03:10,250 --> 02:03:07,560

leave your car in my driveway and I'll

2693

02:03:12,890 --> 02:03:10,260

drive you all the way to the cabin or if

2694

02:03:14,750 --> 02:03:12,900

you prefer you know I'll hook you up

2695

02:03:16,850 --> 02:03:14,760

with the cabin location and you get

2696

02:03:18,589 --> 02:03:16,860

there yourself we'll have drinks

2697

02:03:21,350 --> 02:03:18,599

refreshments and all the food that you

2698

02:03:22,550 --> 02:03:21,360

could ask for uh wreaking havoc I'd like

2699

02:03:25,850 --> 02:03:22,560

to go there

2700

02:03:27,229 --> 02:03:25,860

uh because wreakin Havoc is perhaps

2701

02:03:29,390 --> 02:03:27,239

I don't know what you would call that

2702

02:03:31,010 --> 02:03:29,400

like a Summoner

2703

02:03:32,689 --> 02:03:31,020

for those unaware we've did a previous

2704

02:03:34,729 --> 02:03:32,699

show of wreaking havoc you can check my

2705

02:03:36,350 --> 02:03:34,739

channel and watch that show we can have

2706

02:03:37,850 --> 02:03:36,360

it has a lot of strange weird [h\_\_h]

2707

02:03:41,030 --> 02:03:37,860

happen around him and I'd like to

2708

02:03:43,550 --> 02:03:41,040

observe him at the cabin where we often

2709

02:03:45,709 --> 02:03:43,560

see UFOs and weird things and see if

2710

02:03:47,689 --> 02:03:45,719

that phenomenon and the orbs and all the

2711

02:03:49,490 --> 02:03:47,699

weirdness and Shadow beings or

2712

02:03:50,569 --> 02:03:49,500

whatever's going on with him follows him

2713

02:03:52,970 --> 02:03:50,579

to the cabin

2714

02:03:54,950 --> 02:03:52,980

because they all have many cameras and

2715

02:03:57,589 --> 02:03:54,960

other things so any comments or

2716

02:04:00,589 --> 02:03:57,599

questions for for me uh please put them

2717

02:04:03,109 --> 02:04:00,599

in all capital letters uh and we want to

2718

02:04:05,209 --> 02:04:03,119

thank carbon 14 for the Super Chat kind

2719

02:04:07,629 --> 02:04:05,219

of generous two dollar Super Chat and he

2720

02:04:10,669 --> 02:04:07,639

says Jimmy church is making fun of me

2721

02:04:13,209 --> 02:04:10,679

mocking me uh don't know what that's

2722

02:04:19,370 --> 02:04:13,219

about but we'll certainly find out right

2723

02:04:22,970 --> 02:04:20,350

thank you

2724

02:04:27,649 --> 02:04:22,980

one second

2725

02:04:30,169 --> 02:04:27,659

I'm just going to check in uh oops

2726

02:04:33,890 --> 02:04:30,179

wrong I zigged when I should have zagged

2727

02:04:35,569 --> 02:04:33,900

I got the wrong the wrong thing uh I

2728

02:04:37,910 --> 02:04:35,579

will also check in

2729

02:04:43,189 --> 02:04:37,920

I almost forgot but I will check in with

2730

02:04:43,199 --> 02:04:48,850

oh

2731

02:04:54,410 --> 02:04:51,649

one second

2732

02:04:57,950 --> 02:04:54,420

we read every Super Chat we read every

2733

02:04:59,390 --> 02:04:57,960

uh PayPal pledge as well and uh we thank

2734

02:05:01,550 --> 02:04:59,400

new members if you become a member

2735

02:05:10,490 --> 02:05:01,560

during the show we thank you as well I

2736

02:05:16,069 --> 02:05:13,250

one second we do have a Kind and

2737

02:05:18,050 --> 02:05:16,079

Generous person that sent a PayPal

2738

02:05:20,750 --> 02:05:18,060

pledge

2739

02:05:23,510 --> 02:05:20,760

and that would be Andrew he does not

2740

02:05:25,970 --> 02:05:23,520

include a message uh thank you very much

2741

02:05:28,069 --> 02:05:25,980

he sent ten dollars in Great British

2742

02:05:30,530 --> 02:05:28,079

pounds we love all you people over there

2743

02:05:32,930 --> 02:05:30,540

across the pond uh usually listening to

2744

02:05:34,790 --> 02:05:32,940

the replays but thank you Andrew for

2745

02:05:36,229 --> 02:05:34,800

your kindness your generosity and your

2746

02:05:39,649 --> 02:05:36,239

support of the show it is much much

2747

02:05:41,330 --> 02:05:39,659

appreciated next time uh add a note if

2748

02:05:43,310 --> 02:05:41,340

you do send a PayPal pledge please do

2749

02:05:45,290 --> 02:05:43,320

add a note and then give me your chat

2750

02:05:47,270 --> 02:05:45,300

room user ID and any message you want me

2751

02:05:50,030 --> 02:05:47,280

to read out and we would be happy to do

2752

02:05:52,370 --> 02:05:50,040

that for you thank you all for the

2753

02:05:54,410 --> 02:05:52,380

support So any questions or comments for

2754

02:05:56,410 --> 02:05:54,420

me uh please put them in all capital

2755

02:05:59,569 --> 02:05:56,420

letters

2756

02:06:02,089 --> 02:05:59,579

Mike remember Mike thank you for being a

2757

02:06:07,010 --> 02:06:02,099

member says uh write a book about how

2758

02:06:12,530 --> 02:06:09,189

capsa says wreaking havoc is a

2759

02:06:14,450 --> 02:06:12,540

paranormal magnet yeah and I need that

2760

02:06:15,830 --> 02:06:14,460

we're going to try to capture some

2761

02:06:18,350 --> 02:06:15,840

things on video

2762

02:06:20,270 --> 02:06:18,360

wreaking havoc says deal yeah yeah I'm

2763

02:06:22,970 --> 02:06:20,280

only a war Minster wreaking havoc it's

2764

02:06:24,770 --> 02:06:22,980

probably easier if you just come here or

2765

02:06:27,709 --> 02:06:24,780

if you're kind of on the way I'll just

2766

02:06:29,930 --> 02:06:27,719

pick you up all right but uh

2767

02:06:32,450 --> 02:06:29,940

yeah and all you got to bring

2768

02:06:34,370 --> 02:06:32,460

and by the way I have a new deal too I'm

2769

02:06:37,850 --> 02:06:34,380

not going to force anybody to you know

2770

02:06:39,609 --> 02:06:37,860

into slave labor or anything but I got

2771

02:06:42,530 --> 02:06:39,619

to collect a lot of rocks

2772

02:06:44,510 --> 02:06:42,540

stones for this Stone porch that I'm

2773

02:06:45,649 --> 02:06:44,520

building and it sucks and even if you

2774

02:06:47,930 --> 02:06:45,659

just want to come and sit there and

2775

02:06:51,169 --> 02:06:47,940

drink beer next to me by the way I'm

2776

02:06:53,390 --> 02:06:51,179

still off the sauce 87 days uh and keep

2777

02:06:54,830 --> 02:06:53,400

me company while I collect rocks that'll

2778

02:06:56,330 --> 02:06:54,840

be fine but if you do want to help

2779

02:06:58,850 --> 02:06:56,340

collect rocks

2780

02:07:02,030 --> 02:06:58,860

uh after this coming weekend I have open

2781

02:07:04,390 --> 02:07:02,040

weekends and the cabin sleeps I I don't

2782

02:07:08,629 --> 02:07:04,400

know uh

2783

02:07:10,550 --> 02:07:08,639

four or five uh you know so I'm open to

2784

02:07:12,890 --> 02:07:10,560

having uh

2785

02:07:15,109 --> 02:07:12,900

Friends of the show come and and have a

2786

02:07:18,470 --> 02:07:15,119

free weekend at the cabin

2787

02:07:20,390 --> 02:07:18,480

um you know as long as it does get weird

2788

02:07:21,830 --> 02:07:20,400

I don't know what I mean by weird but

2789

02:07:23,750 --> 02:07:21,840

you know

2790

02:07:25,490 --> 02:07:23,760

um you should be aware that I don't want

2791

02:07:27,950 --> 02:07:25,500

anybody that is under the influence of

2792

02:07:29,569 --> 02:07:27,960

heavy drugs you know

2793

02:07:31,370 --> 02:07:29,579

um if you're a cannabis user I don't

2794

02:07:33,410 --> 02:07:31,380

care about that if you're a drinker I

2795

02:07:36,290 --> 02:07:33,420

don't care about that but I don't want

2796

02:07:40,189 --> 02:07:36,300

anybody on anything else you know I've

2797

02:07:42,050 --> 02:07:40,199

had my rock days with that stuff and I'm

2798

02:07:45,470 --> 02:07:42,060

a family man and I just don't want to be

2799

02:07:48,649 --> 02:07:45,480

around it uh occasionally

2800

02:07:50,470 --> 02:07:48,659

you know I think about those days and

2801  
02:07:53,149 --> 02:07:50,480  
the fact that I survive them is amazing

2802  
02:07:55,250 --> 02:07:53,159  
so you know that's my only requirement

2803  
02:07:57,229 --> 02:07:55,260  
nobody uh I don't really want anybody

2804  
02:08:00,169 --> 02:07:57,239  
bringing a bunch of drugs or doing

2805  
02:08:03,290 --> 02:08:00,179  
anything too wacky right and you can

2806  
02:08:05,689 --> 02:08:03,300  
have a good time sure and uh I'd be

2807  
02:08:08,689 --> 02:08:05,699  
happy to uh Supply alcohol if you want

2808  
02:08:11,330 --> 02:08:08,699  
to drink I'll be continuing my sobriety

2809  
02:08:14,089 --> 02:08:11,340  
for the foreseeable future we can have

2810  
02:08:16,430 --> 02:08:14,099  
it because it's a stone Mason I did not

2811  
02:08:19,010 --> 02:08:16,440  
know that in that case I'll collect the

2812  
02:08:21,050 --> 02:08:19,020  
rocks and you build the porch right you

2813  
02:08:23,390 --> 02:08:21,060

build the patio I don't know if you saw

2814

02:08:25,790 --> 02:08:23,400

it wreaking havoc I'm gonna I'm gonna

2815

02:08:28,729 --> 02:08:25,800

try to find the uh

2816

02:08:30,129 --> 02:08:28,739

where is it at wow I must tweet a lot of

2817

02:08:32,750 --> 02:08:30,139

crap

2818

02:08:34,850 --> 02:08:32,760

I'm gonna show I'm going to show this

2819

02:08:36,410 --> 02:08:34,860

for the benefit of wreak havoc I I'm not

2820

02:08:38,030 --> 02:08:36,420

a stone Mason where you can have it but

2821

02:08:40,129 --> 02:08:38,040

I have built a stone shower Stone

2822

02:08:41,990 --> 02:08:40,139

hearths a stone floor in the living room

2823

02:08:44,270 --> 02:08:42,000

and now I'm building a stone patio

2824

02:08:46,189 --> 02:08:44,280

here's my collection of Natural Stone

2825

02:08:47,870 --> 02:08:46,199

collected from around the property but

2826

02:08:50,390 --> 02:08:47,880

the pickings are getting slim and I got

2827

02:08:52,370 --> 02:08:50,400

to start digging for them now I have

2828

02:08:54,050 --> 02:08:52,380

taken all the stuff off the surface

2829

02:08:55,850 --> 02:08:54,060

wreaking havoc and now you've really

2830

02:08:58,129 --> 02:08:55,860

gotta dig for this stuff

2831

02:08:59,270 --> 02:08:58,139

uh and here's me starting the stone

2832

02:09:03,050 --> 02:08:59,280

floor

2833

02:09:07,790 --> 02:09:03,060

you can have it but this is one third of

2834

02:09:13,129 --> 02:09:10,850

so uh quite a project I could use all

2835

02:09:14,990 --> 02:09:13,139

the help I can get and uh I'd be happy

2836

02:09:17,330 --> 02:09:15,000

to have you we'll try to film some

2837

02:09:18,890 --> 02:09:17,340

aliens or shadow people or orbs or

2838

02:09:22,750 --> 02:09:18,900

whatever the hell's going on with Mr

2839

02:09:24,470 --> 02:09:22,760

paranormal magnet right

2840

02:09:26,510 --> 02:09:24,480

hahaha

2841

02:09:28,850 --> 02:09:26,520

weird is going up there to watch Steven

2842

02:09:31,970 --> 02:09:28,860

get his rocks off yes that is very weird

2843

02:09:33,830 --> 02:09:31,980

that is very weird uh Hey I want to

2844

02:09:36,649 --> 02:09:33,840

mention look we have uh

2845

02:09:39,310 --> 02:09:36,659

about Stone drunk recovering meth addict

2846

02:09:41,629 --> 02:09:39,320

totally little wacky though oh okay well

2847

02:09:43,310 --> 02:09:41,639

then you can understand why I don't

2848

02:09:45,950 --> 02:09:43,320

really want somebody like tweaking their

2849

02:09:48,350 --> 02:09:45,960

ass off with me all weekend you know

2850

02:09:51,530 --> 02:09:48,360

like stuck there with me right

2851  
02:09:53,870 --> 02:09:51,540  
Betty double kick chick is here and

2852  
02:09:56,569 --> 02:09:53,880  
welcome Betty double kick chick and I

2853  
02:09:58,370 --> 02:09:56,579  
noticed that Betty double kick chick has

2854  
02:10:00,470 --> 02:09:58,380  
found our Discord where you can chat

2855  
02:10:04,490 --> 02:10:00,480  
with like-minded weirdos

2856  
02:10:06,589 --> 02:10:04,500  
24 7. uh and uh you two can find our

2857  
02:10:08,270 --> 02:10:06,599  
Discord I'm sure B Baker will share the

2858  
02:10:13,310 --> 02:10:08,280  
link so that you can join our Discord

2859  
02:10:15,589 --> 02:10:13,320  
and chat with like-minded weirdos right

2860  
02:10:17,450 --> 02:10:15,599  
Betty double kick chick says I've seen

2861  
02:10:19,129 --> 02:10:17,460  
his work Rick and Havoc is an excellent

2862  
02:10:21,890 --> 02:10:19,139  
Stone Mason I wish I would have known

2863  
02:10:24,410 --> 02:10:21,900

that before I'd build a stone shower and

2864

02:10:28,310 --> 02:10:24,420

before I built stone hearths and uh

2865

02:10:34,069 --> 02:10:28,320

Stone floors you know we can have I've

2866

02:10:37,910 --> 02:10:36,109

for those that don't know like it's a

2867

02:10:40,129 --> 02:10:37,920

good idea if you're building a floor you

2868

02:10:42,890 --> 02:10:40,139

know after you do the cement the masonry

2869

02:10:45,530 --> 02:10:42,900

mix in between the stones you you sponge

2870

02:10:47,810 --> 02:10:45,540

down the joints and the stones you

2871

02:10:50,089 --> 02:10:47,820

sponge off with a little bit of water

2872

02:10:52,189 --> 02:10:50,099

and it comes out much much nicer I

2873

02:10:53,990 --> 02:10:52,199

didn't know that so my first stone floor

2874

02:10:56,750 --> 02:10:54,000

is very rough and I had to take a

2875

02:11:00,229 --> 02:10:56,760

grinding wheel and Sanders to kind of

2876

02:11:02,750 --> 02:11:00,239

clean it up and but you learn as you go

2877

02:11:04,550 --> 02:11:02,760

Betty double kicked chick so the new

2878

02:11:05,930 --> 02:11:04,560

floor that I'm doing has come out much

2879

02:11:10,490 --> 02:11:05,940

better than the living room floor

2880

02:11:13,069 --> 02:11:10,500

everything at the cabin is a uh

2881

02:11:14,810 --> 02:11:13,079

is a learning experience Terry Joyce

2882

02:11:17,569 --> 02:11:14,820

says too bad I am this late Sean David

2883

02:11:19,430 --> 02:11:17,579

Morton is a Serial fraudster I agree

2884

02:11:21,770 --> 02:11:19,440

with you you should have did this show

2885

02:11:22,669 --> 02:11:21,780

with me Terry Joyce I could have used uh

2886

02:11:27,649 --> 02:11:22,679

some

2887

02:11:29,510 --> 02:11:27,659

about what a fraud this guy is

2888

02:11:31,550 --> 02:11:29,520

you could set Recon down to walk to your

2889

02:11:34,729 --> 02:11:31,560

neighbor that's starving for some human

2890

02:11:38,510 --> 02:11:36,830

yeah well you know there's a couple of

2891

02:11:41,149 --> 02:11:38,520

people there that are like that and I

2892

02:11:42,589 --> 02:11:41,159

know you know they're you know some

2893

02:11:44,510 --> 02:11:42,599

people are kind of like off in the

2894

02:11:48,830 --> 02:11:44,520

mountains by themselves

2895

02:11:50,689 --> 02:11:48,840

and several he's uh they're referencing

2896

02:11:52,729 --> 02:11:50,699

I had mentioned that you know I go on

2897

02:11:55,250 --> 02:11:52,739

walks through the all the dirt roads and

2898

02:11:57,589 --> 02:11:55,260

trails around my cabin and there's some

2899

02:12:00,649 --> 02:11:57,599

there's some you know like one of them's

2900

02:12:02,629 --> 02:12:00,659

a disabled veteran and he's uh sort of a

2901

02:12:05,149 --> 02:12:02,639

shut-in he lives by himself so he sees

2902

02:12:07,250 --> 02:12:05,159

me walking

2903

02:12:09,770 --> 02:12:07,260

um near his place and he comes out to

2904

02:12:11,870 --> 02:12:09,780

talk to me if he catches me you know

2905

02:12:13,430 --> 02:12:11,880

sometimes I have headphones on or you're

2906

02:12:15,109 --> 02:12:13,440

you know I'm

2907

02:12:17,569 --> 02:12:15,119

maybe I don't go down his street that

2908

02:12:19,370 --> 02:12:17,579

day but you know some people need that

2909

02:12:21,649 --> 02:12:19,380

human interaction they don't really have

2910

02:12:24,109 --> 02:12:21,659

anybody to talk to so I stop and talk to

2911

02:12:28,689 --> 02:12:24,119

him and I do him some favors he does me

2912

02:12:32,810 --> 02:12:31,129

not my rabbit hole

2913

02:12:35,870 --> 02:12:32,820

Terry Joyce says I need to get here

2914

02:12:37,310 --> 02:12:35,880

earlier I was tutoring that's no excuse

2915

02:12:38,450 --> 02:12:37,320

you should have told the person you were

2916

02:12:40,490 --> 02:12:38,460

tutoring look

2917

02:12:43,250 --> 02:12:40,500

I don't care if you're gonna

2918

02:12:45,350 --> 02:12:43,260

fail your test I have to go watch Steve

2919

02:12:46,970 --> 02:12:45,360

Camden on Truth Seekers right now and

2920

02:12:54,189 --> 02:12:46,980

that's more important than you

2921

02:12:59,030 --> 02:12:56,689

forsaken truth says Stephen thank you

2922

02:13:01,010 --> 02:12:59,040

and keep lowering the grifter boom on

2923

02:13:06,350 --> 02:13:01,020

these bastages yeah

2924

02:13:06,360 --> 02:13:11,810

argument

2925

02:13:15,410 --> 02:13:14,089

I don't know somebody's talking about an

2926

02:13:17,930 --> 02:13:15,420

argument so any more comments or

2927

02:13:19,550 --> 02:13:17,940

questions from me please put them in all

2928

02:13:20,689 --> 02:13:19,560

capital letters otherwise I'm going to

2929

02:13:23,510 --> 02:13:20,699

bounce on out of here because I still

2930

02:13:24,950 --> 02:13:23,520

have patreon videos to make actually I

2931

02:13:27,770 --> 02:13:24,960

have to bounce on out of here if I'm

2932

02:13:30,410 --> 02:13:27,780

going to make the uh August I gotta make

2933

02:13:33,770 --> 02:13:30,420

a an August show journal for the patreon

2934

02:13:35,810 --> 02:13:33,780

members so yeah friends that's all I got

2935

02:13:38,810 --> 02:13:35,820

for you tonight

2936

02:13:40,790 --> 02:13:38,820

um what I will say is

2937

02:13:43,970 --> 02:13:40,800

that

2938

02:13:45,770 --> 02:13:43,980

Dr Michael Salah is not a stupid man he

2939

02:13:49,790 --> 02:13:45,780

knows the people that he is platforming

2940

02:13:51,950 --> 02:13:49,800

are questionable at best after all Sean

2941

02:13:54,290 --> 02:13:51,960

David Morton was convicted of 50 felony

2942

02:13:55,970 --> 02:13:54,300

related charges why should we trust

2943

02:13:58,310 --> 02:13:55,980

anything that guy has to say about

2944

02:13:59,990 --> 02:13:58,320

aliens knowing that he's ripping off old

2945

02:14:02,330 --> 02:14:00,000

ladies to the tune of six million

2946

02:14:03,830 --> 02:14:02,340

dollars it's kind of ridiculous

2947

02:14:05,149 --> 02:14:03,840

but that's where we're at and that's

2948

02:14:06,830 --> 02:14:05,159

where we find ourselves and if you

2949

02:14:09,350 --> 02:14:06,840

listen to some people out there in

2950

02:14:11,149 --> 02:14:09,360

conspiracy land I'm the bad guy for

2951

02:14:12,770 --> 02:14:11,159

pointing these things out I should just

2952

02:14:14,209 --> 02:14:12,780

keep I should just do my own thing and

2953

02:14:16,069 --> 02:14:14,219

not worry about what other people are

2954

02:14:18,410 --> 02:14:16,079

doing no

2955

02:14:22,010 --> 02:14:18,420

people should know that they're being

2956

02:14:24,770 --> 02:14:22,020

peddled garbage fake disinformation

2957

02:14:27,770 --> 02:14:24,780

and until we get rid of all this garbage

2958

02:14:29,870 --> 02:14:27,780

fake disinformation I I really don't

2959

02:14:32,510 --> 02:14:29,880

think the real world war could be can

2960

02:14:36,050 --> 02:14:32,520

begin because we we will spend all of

2961

02:14:38,450 --> 02:14:36,060

our time uh plowing through garbage and

2962

02:14:40,250 --> 02:14:38,460

I for one am a supporter of cutting

2963

02:14:43,609 --> 02:14:40,260

these people out of this thing like a

2964

02:14:45,229 --> 02:14:43,619

cancer get rid of them all of them you

2965

02:14:46,910 --> 02:14:45,239

know be fair about it but if you get

2966

02:14:50,450 --> 02:14:46,920

caught doing something like we have

2967

02:14:51,709 --> 02:14:50,460

shown you tonight that Dr Michael Salah

2968

02:14:53,930 --> 02:14:51,719

just did

2969

02:14:55,729 --> 02:14:53,940

they gotta go all these people gotta go

2970

02:14:57,109 --> 02:14:55,739

they shouldn't be here and they

2971

02:14:59,750 --> 02:14:57,119

certainly shouldn't be making tens of

2972

02:15:03,169 --> 02:14:59,760

thousands of dollars providing this

2973

02:15:06,950 --> 02:15:03,179

level of garbage so-called Intel it's

2974

02:15:08,930 --> 02:15:06,960

not Intel it's stupid tell it's for

2975

02:15:10,129 --> 02:15:08,940

stupid people

2976

02:15:12,050 --> 02:15:10,139

so

2977

02:15:13,850 --> 02:15:12,060

uh for tonight that's all I got for you

2978

02:15:15,649 --> 02:15:13,860

friends I may be back tomorrow actually

2979

02:15:17,450 --> 02:15:15,659

I'm pretty sure I will be but from the

2980

02:15:19,250 --> 02:15:17,460

cabin so we will probably be

2981

02:15:20,930 --> 02:15:19,260

broadcasting a little bit later I have a

2982

02:15:24,470 --> 02:15:20,940

real hard time making it from here to

2983

02:15:26,569 --> 02:15:24,480

the cabin in just a few hours uh so I

2984

02:15:28,669 --> 02:15:26,579

have a hard time making that 9 p.m show

2985

02:15:30,350 --> 02:15:28,679

time but I'm gonna try otherwise it will

2986

02:15:32,569 --> 02:15:30,360

be a 10 p.m show time and we're going to

2987

02:15:34,970 --> 02:15:32,579

do a fireside chat and I'll have some

2988

02:15:38,030 --> 02:15:34,980

new things to share with you can't tell

2989

02:15:40,189 --> 02:15:38,040

you how much uh I'm glad to spend some

2990

02:15:42,470 --> 02:15:40,199

time with all of you tonight thank you

2991

02:15:45,169 --> 02:15:42,480

all for joining us no place that I would

2992

02:15:46,790 --> 02:15:45,179

rather be than right here uh but I do

2993

02:15:50,089 --> 02:15:46,800

have some other things that I got to do

2994

02:15:52,910 --> 02:15:50,099

tonight and uh so let me go and take

2995

02:15:55,430 --> 02:15:52,920

care of that uh I want to thank all of

2996

02:15:58,129 --> 02:15:55,440

our kind and generous benefactors uh

2997

02:16:00,589 --> 02:15:58,139

patreon supporters channel members uh

2998

02:16:04,250 --> 02:16:00,599

PayPal pledgers cash app senders super

2999

02:16:07,310 --> 02:16:04,260

Chatters and super sticker uh purchasers

3000

02:16:09,169 --> 02:16:07,320

you make the dream work thank you all

3001  
02:16:11,390 --> 02:16:09,179  
for your kindness generosity and support

3002  
02:16:12,950 --> 02:16:11,400  
so that's all I got for your friends

3003  
02:16:15,350 --> 02:16:12,960  
until next time my name is Stephen

3004  
02:16:18,350 --> 02:16:15,360  
cambian good night and God bless all of

3005  
02:16:19,490 --> 02:16:18,360  
you even you Michael Sawa I will pray

3006  
02:16:21,950 --> 02:16:19,500  
for you

3007  
02:16:24,410 --> 02:16:21,960  
that you get up off your ass and you

3008  
02:16:25,669 --> 02:16:24,420  
stop lying to people to make money and

3009  
02:16:28,910 --> 02:16:25,679  
you go back to doing something

3010  
02:16:31,910 --> 02:16:28,920  
worthwhile with your life God bless you

3011  
02:16:33,770 --> 02:16:31,920  
Dr Michael Salah and God bless you Sean

3012  
02:16:34,790 --> 02:16:33,780  
David Morton I hope you stop lying to

3013  
02:16:38,270 --> 02:16:34,800

people

3014

02:16:41,509 --> 02:16:38,280

learned your lesson after five years in

3015

02:16:43,669 --> 02:16:41,519

prison I will pray for you as well and I

3016

02:16:46,129 --> 02:16:43,679

will pray for all of you

3017

02:16:48,830 --> 02:16:46,139

and I hope you'll pray for me I need all

3018

02:16:51,589 --> 02:16:48,840

the help I can get so

3019

02:16:56,030 --> 02:16:51,599

God bless all of you until next time

3020

02:17:50,640 --> 02:17:49,309

[Music]

3021

02:18:14,990 --> 02:17:50,650

foreign

3022

02:18:16,360 --> 02:18:15,000

[Music]

3023

02:18:44,349 --> 02:18:16,370

[Applause]

3024

02:18:44,359 --> 02:18:55,199

thank you
