1  
00:02:37,910 --> 00:00:17,550

[Music]

2  
00:02:42,550 --> 00:02:40,150  
greetings and salutations friends and

3  
00:02:45,190 --> 00:02:42,560  
welcome back i am uh

4  
00:02:47,030 --> 00:02:45,200  
broadcasting live uh once again from the

5  
00:02:51,910 --> 00:02:47,040  
apocalypse cabin

6  
00:02:53,270 --> 00:02:51,920  
uh today i needed to do this uh quickly

7  
00:02:54,869 --> 00:02:53,280  
it would appear

8  
00:02:56,390 --> 00:02:54,879  
that we're in possession of some

9  
00:03:01,430 --> 00:02:56,400  
information that i think is very

10  
00:03:05,750 --> 00:03:02,949  
this information

11  
00:03:07,430 --> 00:03:05,760  
checks out so far and it appears to be

12  
00:03:09,190 --> 00:03:07,440  
genuine information it's from public

13  
00:03:11,110 --> 00:03:09,200

records database

14

00:03:12,390 --> 00:03:11,120

uh and the source which i'm going to

15

00:03:15,910 --> 00:03:12,400

keep close

16

00:03:17,830 --> 00:03:15,920

i'm going to keep to myself for now

17

00:03:18,869 --> 00:03:17,840

has always been accurate with every

18

00:03:20,630 --> 00:03:18,879

single

19

00:03:23,350 --> 00:03:20,640

piece of information that they had sent

20

00:03:25,030 --> 00:03:23,360

me once that information is vetted

21

00:03:27,750 --> 00:03:25,040

now we do have to be careful because

22

00:03:30,470 --> 00:03:27,760

it's a holiday weekend but still i did

23

00:03:32,390 --> 00:03:30,480

email uh the pentagon spokesperson who

24

00:03:35,430 --> 00:03:32,400

i've emailed many times i've never

25

00:03:36,309 --> 00:03:35,440

gotten one reply i'm asking the pentagon

26

00:03:41,030 --> 00:03:36,319

to

27

00:03:42,869 --> 00:03:41,040

i sent the uh the documents we're going

28

00:03:44,789 --> 00:03:42,879

to share with you tonight

29

00:03:47,430 --> 00:03:44,799

to the pentagon

30

00:03:50,949 --> 00:03:47,440

i want to know is this

31

00:03:53,670 --> 00:03:50,959

accurate and is mr lou elizondo working

32

00:03:55,990 --> 00:03:53,680

for both space force and this other

33

00:03:57,670 --> 00:03:56,000

agency that we found out

34

00:03:59,990 --> 00:03:57,680

through these documents that he is

35

00:04:01,030 --> 00:04:00,000

working for

36

00:04:03,270 --> 00:04:01,040

and

37

00:04:05,990 --> 00:04:03,280

today's revelations brings forth a great

38

00:04:07,750 --> 00:04:06,000

number of questions and i i i'm not i i

39

00:04:10,030 --> 00:04:07,760

don't understand the world of

40

00:04:11,910 --> 00:04:10,040

intelligence and intelligence

41

00:04:14,550 --> 00:04:11,920

subcontractors and many many other

42

00:04:18,229 --> 00:04:14,560

things so i've reached out to everyone's

43

00:04:20,789 --> 00:04:18,239

favorite intelligence guy

44

00:04:22,950 --> 00:04:20,799

you may remember him from the mirage men

45

00:04:24,790 --> 00:04:22,960

movie and many other

46

00:04:27,430 --> 00:04:24,800

appearances uh

47

00:04:29,110 --> 00:04:27,440

walter bosley i thought

48

00:04:30,950 --> 00:04:29,120

walter could help us look at these

49

00:04:34,390 --> 00:04:30,960

documents and sort of

50

00:04:36,629 --> 00:04:34,400

navigate what is really going on here

51  
00:04:38,710 --> 00:04:36,639  
so let's bring him in here welcome

52  
00:04:41,270 --> 00:04:38,720  
walter bob

53  
00:04:44,070 --> 00:04:41,280  
hey steven i i have a question

54  
00:04:47,030 --> 00:04:44,080  
what's more dubious to have miragemen

55  
00:04:49,990 --> 00:04:47,040  
always connected to me or um ancient

56  
00:04:51,749 --> 00:04:50,000  
aliens because i've been in both

57  
00:04:54,310 --> 00:04:51,759  
yeah you're right i forgot that you were

58  
00:04:56,950 --> 00:04:54,320  
on ancient aliens well they let anybody

59  
00:04:59,030 --> 00:04:56,960  
on that show don't they for me if

60  
00:05:01,590 --> 00:04:59,040  
they'll once they had me yeah i mean and

61  
00:05:02,469 --> 00:05:01,600  
then wilcock and corey good followed but

62  
00:05:04,070 --> 00:05:02,479  
um

63  
00:05:05,830 --> 00:05:04,080

for me

64

00:05:07,749 --> 00:05:05,840

i'm honestly more proud of having been

65

00:05:09,350 --> 00:05:07,759

on ancient aliens than

66

00:05:11,830 --> 00:05:09,360

mirage men so

67

00:05:15,189 --> 00:05:11,840

i but you've got to admit that mirage

68

00:05:17,029 --> 00:05:15,199

men is such a good well-made documentary

69

00:05:19,270 --> 00:05:17,039

because it tells a compelling story and

70

00:05:21,590 --> 00:05:19,280

it's all true unlike a lot of

71

00:05:22,629 --> 00:05:21,600

documentaries surrounding ufos that turn

72

00:05:24,629 --> 00:05:22,639

out to be

73

00:05:26,150 --> 00:05:24,639

a lot of garbage you know it's true but

74

00:05:28,070 --> 00:05:26,160

you got to be careful of the spin with

75

00:05:29,830 --> 00:05:28,080

those guys because in the background you

76

00:05:32,550 --> 00:05:29,840

know the back story is they do have a

77

00:05:35,670 --> 00:05:32,560

reputation for um except for the

78

00:05:37,990 --> 00:05:35,680

darlings of the cia that they love um

79

00:05:40,310 --> 00:05:38,000

they do have a reputation for hating the

80

00:05:42,550 --> 00:05:40,320

american national security uh

81

00:05:45,350 --> 00:05:42,560

particularly military

82

00:05:48,390 --> 00:05:45,360

community uh at least not being fans

83

00:05:52,550 --> 00:05:48,400

openly not being fans of it and stuff

84

00:05:53,510 --> 00:05:52,560

went on during that documentary that was

85

00:05:55,909 --> 00:05:53,520

yeah

86

00:05:59,110 --> 00:05:55,919

in the field of ethics you know they

87

00:06:00,309 --> 00:05:59,120

pissed off some people so there's a spin

88

00:06:01,350 --> 00:06:00,319

with that

89

00:06:04,469 --> 00:06:01,360

um

90

00:06:06,790 --> 00:06:04,479

but uh it it's it's a mixed bag mirage

91

00:06:09,830 --> 00:06:06,800

men but of course it's well done um uh

92

00:06:11,350 --> 00:06:09,840

mark and john are are good at that doing

93

00:06:12,309 --> 00:06:11,360

you know producing

94

00:06:14,790 --> 00:06:12,319

uh

95

00:06:16,710 --> 00:06:14,800

you know films and stuff so yeah yeah

96

00:06:17,510 --> 00:06:16,720

it's well done it's it's compelling to

97

00:06:20,469 --> 00:06:17,520

watch

98

00:06:21,990 --> 00:06:20,479

and it does have value i mean you know

99

00:06:24,230 --> 00:06:22,000

but anyway although i learned a lot

100

00:06:26,950 --> 00:06:24,240

about counter intelligence yeah and that

101  
00:06:28,790 --> 00:06:26,960  
he didn't have government you know how

102  
00:06:30,870 --> 00:06:28,800  
the government gets people's eyeballs

103  
00:06:33,110 --> 00:06:30,880  
off of their secret projects and things

104  
00:06:35,990 --> 00:06:33,120  
like that i mean i give some pretty good

105  
00:06:37,189 --> 00:06:36,000  
info that uh constantly gets

106  
00:06:39,830 --> 00:06:37,199  
spun

107  
00:06:43,270 --> 00:06:39,840  
uh incorrectly but hey you know i'm used

108  
00:06:44,710 --> 00:06:43,280  
to that in the ufo community yeah aren't

109  
00:06:45,749 --> 00:06:44,720  
we all i mean i want to thank you

110  
00:06:47,430 --> 00:06:45,759  
because

111  
00:06:48,870 --> 00:06:47,440  
for those that don't know i didn't know

112  
00:06:50,309 --> 00:06:48,880  
what to do with these with these

113  
00:06:52,309 --> 00:06:50,319

documents i

114

00:06:54,950 --> 00:06:52,319

thought to myself

115

00:06:56,870 --> 00:06:54,960

i i've got them they appear to be

116

00:06:59,189 --> 00:06:56,880

genuine they're from a public records

117

00:07:01,350 --> 00:06:59,199

database that anybody can also get by

118

00:07:02,790 --> 00:07:01,360

the way i have put the link to these

119

00:07:05,990 --> 00:07:02,800

documents we'll be

120

00:07:07,510 --> 00:07:06,000

showing in the description of this video

121

00:07:09,510 --> 00:07:07,520

and like i said they come from a very

122

00:07:11,990 --> 00:07:09,520

accurate source that i've had for some

123

00:07:14,950 --> 00:07:12,000

time now it said

124

00:07:17,589 --> 00:07:14,960

look at this and a lot of people have

125

00:07:20,390 --> 00:07:17,599

been speculating we just got this uh

126  
00:07:22,309 --> 00:07:20,400  
confirmation that louis lozando is some

127  
00:07:24,550 --> 00:07:22,319  
kind of subcontractor

128  
00:07:26,230 --> 00:07:24,560  
or something for space force

129  
00:07:28,230 --> 00:07:26,240  
and now i this is where it gets

130  
00:07:31,749 --> 00:07:28,240  
confusing to me walter bosley because

131  
00:07:34,710 --> 00:07:31,759  
i've sent mr bosley these uh documents

132  
00:07:36,230 --> 00:07:34,720  
earlier today so that he could uh help

133  
00:07:39,589 --> 00:07:36,240  
shed some light on them because i don't

134  
00:07:42,150 --> 00:07:39,599  
understand this let's first however uh

135  
00:07:44,070 --> 00:07:42,160  
we'll we'll share the documents uh so

136  
00:07:45,749 --> 00:07:44,080  
that people can see what it is we're

137  
00:07:46,869 --> 00:07:45,759  
talking about and again these are public

138  
00:07:47,589 --> 00:07:46,879

records

139

00:07:50,790 --> 00:07:47,599

so

140

00:07:52,869 --> 00:07:50,800

anybody uh can find the same thing

141

00:07:53,670 --> 00:07:52,879

uh that we have here

142

00:07:58,550 --> 00:07:53,680

and

143

00:08:00,550 --> 00:07:58,560

don't everybody loves this alphabet soup

144

00:08:02,230 --> 00:08:00,560

in the government can they just write

145

00:08:04,469 --> 00:08:02,240

something why is everything an acronym

146

00:08:07,589 --> 00:08:04,479

but here we go because

147

00:08:09,670 --> 00:08:07,599

because so many documents are produced

148

00:08:12,950 --> 00:08:09,680

that it just believe me if you had to

149

00:08:15,390 --> 00:08:12,960

write all that [h\_\_h] out every time

150

00:08:18,070 --> 00:08:15,400

yeah well this one says

151  
00:08:19,150 --> 00:08:18,080  
d-o-e-n-n-s-a implementation planned to

152  
00:08:20,710 --> 00:08:19,160  
address

153  
00:08:23,189 --> 00:08:20,720  
dnfsb

154  
00:08:25,510 --> 00:08:23,199  
recommendation 2019-1

155  
00:08:28,070 --> 00:08:25,520  
and this is from a virtual briefing by

156  
00:08:30,150 --> 00:08:28,080  
the department of energy in the defense

157  
00:08:32,630 --> 00:08:30,160  
nuclear facilities safety board it's

158  
00:08:34,949 --> 00:08:32,640  
from march 2nd 2022

159  
00:08:37,430 --> 00:08:34,959  
and here we see all the people that were

160  
00:08:41,350 --> 00:08:37,440  
included in this this is like a briefing

161  
00:08:43,670 --> 00:08:41,360  
right like a meeting right mr bosley yes

162  
00:08:45,350 --> 00:08:43,680  
okay yeah so yeah here's all the people

163  
00:08:47,110 --> 00:08:45,360

but the interesting one and by the way

164

00:08:48,870 --> 00:08:47,120

these are public records maybe i should

165

00:08:50,389 --> 00:08:48,880

have redacted everybody else's name but

166

00:08:52,630 --> 00:08:50,399

this these are public records they're

167

00:08:54,870 --> 00:08:52,640

out there so it's okay

168

00:08:56,710 --> 00:08:54,880

but the most interesting one here is

169

00:09:00,150 --> 00:08:56,720

luis elizondo

170

00:09:02,389 --> 00:09:00,160

and it says cns weapons and safety

171

00:09:05,750 --> 00:09:02,399

analysis chief engineer

172

00:09:08,070 --> 00:09:05,760

so according to this louis zondo is a

173

00:09:09,910 --> 00:09:08,080

subcontractor working for a company

174

00:09:12,070 --> 00:09:09,920

called cns which we'll we'll show you

175

00:09:14,870 --> 00:09:12,080

more about and his

176  
00:09:16,070 --> 00:09:14,880  
title or position is weapons and safety

177  
00:09:18,790 --> 00:09:16,080  
analysis

178  
00:09:20,470 --> 00:09:18,800  
chief engineer and cns

179  
00:09:21,590 --> 00:09:20,480  
is is a company

180  
00:09:25,910 --> 00:09:21,600  
uh

181  
00:09:28,630 --> 00:09:25,920  
consolidated nuclear security llc which

182  
00:09:32,389 --> 00:09:28,640  
uh i will also put the link to their

183  
00:09:35,430 --> 00:09:32,399  
website into the live chat it is a huge

184  
00:09:37,990 --> 00:09:35,440  
uh sort of defense industry

185  
00:09:41,509 --> 00:09:38,000  
contractor who provides

186  
00:09:44,630 --> 00:09:41,519  
services and uh and people human

187  
00:09:46,630 --> 00:09:44,640  
resources to the defense department

188  
00:09:48,310 --> 00:09:46,640

energy department so this is for the

189

00:09:51,590 --> 00:09:48,320

energy department

190

00:09:53,190 --> 00:09:51,600

and it says that he is uh

191

00:10:27,430 --> 00:09:53,200

a

192

00:10:30,069 --> 00:10:27,440

resume

193

00:10:30,829 --> 00:10:30,079

when i see weps on there i'm thinking

194

00:10:36,630 --> 00:10:30,839

if

195

00:10:38,389 --> 00:10:36,640

of the installation and its operation

196

00:10:40,949 --> 00:10:38,399

then those weapons the reference to

197

00:10:43,910 --> 00:10:40,959

those weapons could be um

198

00:10:46,710 --> 00:10:43,920

the the safety officer weapons in other

199

00:10:48,389 --> 00:10:46,720

words the sidearms and the long guns

200

00:10:50,630 --> 00:10:48,399

that the physical

201  
00:10:53,910 --> 00:10:50,640  
safety guys carry

202  
00:10:56,310 --> 00:10:53,920  
in securing the site

203  
00:10:57,910 --> 00:10:56,320  
now i i have a little experience with

204  
00:11:06,710 --> 00:10:57,920  
the

205  
00:11:10,949 --> 00:11:06,720  
called refers to in-house as a special

206  
00:11:13,670 --> 00:11:10,959  
okay i did a special um a 30-day special

207  
00:11:14,389 --> 00:11:13,680  
as a language specialist

208  
00:11:15,990 --> 00:11:14,399  
now

209  
00:11:18,310 --> 00:11:16,000  
this is years ago

210  
00:11:21,269 --> 00:11:18,320  
when we were doing the trust but verify

211  
00:11:24,230 --> 00:11:21,279  
when we were all dismantling our weapons

212  
00:11:26,710 --> 00:11:24,240  
we sent representatives to observe them

213  
00:11:29,590 --> 00:11:26,720

they sent representatives to observe us

214

00:11:30,389 --> 00:11:29,600

the fbi of course had wiretaps in their

215

00:11:33,269 --> 00:11:30,399

um

216

00:11:34,550 --> 00:11:33,279

in their dormitories and

217

00:11:36,949 --> 00:11:34,560

of course

218

00:11:39,030 --> 00:11:36,959

and uh i was one of them the language

219

00:11:41,350 --> 00:11:39,040

specialists assigned to

220

00:11:43,350 --> 00:11:41,360

listen to those wiretaps and see what

221

00:11:45,350 --> 00:11:43,360

they were talking about amongst each

222

00:11:47,910 --> 00:11:45,360

other to determine

223

00:11:50,230 --> 00:11:47,920

were there any intelligence agents

224

00:11:51,990 --> 00:11:50,240

slipped into the mix that kind of thing

225

00:11:53,990 --> 00:11:52,000

and yeah it was classified but it was

226

00:11:57,430 --> 00:11:54,000

out at the um

227

00:11:59,269 --> 00:11:57,440

at the uh the nts the nuclear test site

228

00:12:02,710 --> 00:11:59,279

now that's adjacent

229

00:12:06,069 --> 00:12:02,720

um where i was at is kind of adjacent to

230

00:12:08,870 --> 00:12:06,079

area 51 and stuff like that um

231

00:12:11,750 --> 00:12:08,880

you know the big nellis range stuff

232

00:12:13,910 --> 00:12:11,760

and as a matter of fact the fbi agent

233

00:12:16,629 --> 00:12:13,920

that supervised

234

00:12:20,870 --> 00:12:16,639

the operation i was on out there was

235

00:12:22,470 --> 00:12:20,880

also the sole fbi agent in the las vegas

236

00:12:24,629 --> 00:12:22,480

office

237

00:12:28,389 --> 00:12:24,639

who was assigned to represent the to be

238

00:12:29,350 --> 00:12:28,399

the fbi representative on area 51 by the

239

00:12:32,069 --> 00:12:29,360

way

240

00:12:34,790 --> 00:12:32,079

um so interesting discussions with him i

241

00:12:36,870 --> 00:12:34,800

definitely had back in the early 90s now

242

00:12:39,750 --> 00:12:36,880

um

243

00:12:41,990 --> 00:12:39,760

so i got to know a little bit about

244

00:12:44,389 --> 00:12:42,000

the day-to-day real life where the

245

00:12:46,870 --> 00:12:44,399

rubber meets the road how these um

246

00:12:49,430 --> 00:12:46,880

facilities under the doe operate and

247

00:12:50,629 --> 00:12:49,440

function and they do have armed

248

00:12:53,990 --> 00:12:50,639

security

249

00:12:58,790 --> 00:12:55,910

yeah for obvious reasons now

250

00:13:00,550 --> 00:12:58,800

based on his resume his military

251  
00:13:01,509 --> 00:13:00,560  
background the kind of stuff he did i'm

252  
00:13:02,870 --> 00:13:01,519  
guessing

253  
00:13:04,550 --> 00:13:02,880  
that um

254  
00:13:07,110 --> 00:13:04,560  
his um

255  
00:13:10,629 --> 00:13:07,120  
his uh bailiwick here

256  
00:13:13,590 --> 00:13:10,639  
probably has to do more with uh facility

257  
00:13:15,509 --> 00:13:13,600  
security um particularly he's kind of

258  
00:13:18,310 --> 00:13:15,519  
down the line

259  
00:13:21,590 --> 00:13:18,320  
in this yeah okay

260  
00:13:23,590 --> 00:13:21,600  
you see weapons up above the list when

261  
00:13:25,509 --> 00:13:23,600  
you get to the higher level guys they

262  
00:13:28,470 --> 00:13:25,519  
make a distinction by identifying

263  
00:13:30,949 --> 00:13:28,480

nuclear weapons as nuclear weapons

264

00:13:32,790 --> 00:13:30,959

he's way down the list

265

00:13:35,269 --> 00:13:32,800

and it just says weapons yeah yeah and

266

00:13:37,269 --> 00:13:35,279

you see this this person up here up on

267

00:13:39,750 --> 00:13:37,279

the next page down to the bottom with

268

00:13:42,550 --> 00:13:39,760

the office of nuclear safety and up

269

00:13:45,509 --> 00:13:42,560

above nuclear weapons this and that but

270

00:13:46,790 --> 00:13:45,519

he's with weapons and safety analysis

271

00:13:47,750 --> 00:13:46,800

chief engineer

272

00:13:51,670 --> 00:13:47,760

that's

273

00:13:54,949 --> 00:13:51,680

um

274

00:13:57,509 --> 00:13:54,959

he's the uh the uh security guru as we

275

00:13:59,110 --> 00:13:57,519

call it with a small g um

276

00:14:01,110 --> 00:13:59,120

uh who

277

00:14:02,870 --> 00:14:01,120

you know it i'm and i'm guessing folks

278

00:14:04,150 --> 00:14:02,880

based on my experience i'm guessing he

279

00:14:07,030 --> 00:14:04,160

was the

280

00:14:09,509 --> 00:14:07,040

physical plant or physical

281

00:14:11,350 --> 00:14:09,519

security guy overseeing

282

00:14:13,430 --> 00:14:11,360

the guards and the people

283

00:14:15,110 --> 00:14:13,440

guarding the place

284

00:14:17,110 --> 00:14:15,120

okay so this brings me to my next

285

00:14:18,550 --> 00:14:17,120

question yeah and and here's what i

286

00:14:21,350 --> 00:14:18,560

don't understand

287

00:14:23,910 --> 00:14:21,360

how can how can this same man

288

00:14:26,790 --> 00:14:23,920

be working for space force

289

00:14:29,829 --> 00:14:26,800

and working for the department of energy

290

00:14:31,430 --> 00:14:29,839

and working for what is its guy for and

291

00:14:33,670 --> 00:14:31,440

working for

292

00:14:36,470 --> 00:14:33,680

the galileo project

293

00:14:38,629 --> 00:14:36,480

it just doesn't it doesn't compute to me

294

00:14:39,670 --> 00:14:38,639

like

295

00:14:42,310 --> 00:14:39,680

well

296

00:14:45,430 --> 00:14:42,320

i i don't know i i would think that if

297

00:14:47,350 --> 00:14:45,440

you're uh the security specialist for a

298

00:14:49,670 --> 00:14:47,360

a department of energy site that would

299

00:14:51,269 --> 00:14:49,680

be your full-time job and and you

300

00:14:55,030 --> 00:14:51,279

wouldn't have time to be working for

301

00:14:57,750 --> 00:14:55,040

space force and skyford and uh

302

00:15:00,389 --> 00:14:57,760

you know doing ufo conferences for money

303

00:15:01,750 --> 00:15:00,399

and i i don't understand any of this it

304

00:15:04,230 --> 00:15:01,760

depends on

305

00:15:06,389 --> 00:15:04,240

what his duties are i didn't see a

306

00:15:07,829 --> 00:15:06,399

document for space force what does he do

307

00:15:11,030 --> 00:15:07,839

according to the information you have

308

00:15:12,870 --> 00:15:11,040

for space force uh he advises them on

309

00:15:14,790 --> 00:15:12,880

classified

310

00:15:18,150 --> 00:15:14,800

projects that's what right there right

311

00:15:20,790 --> 00:15:18,160

there advisor slash consultant okay

312

00:15:21,990 --> 00:15:20,800

you can be an advisor and maybe they

313

00:15:23,430 --> 00:15:22,000

call you

314

00:15:31,910 --> 00:15:23,440

once every

315

00:15:36,069 --> 00:15:33,350

to make sure everybody knows that he

316

00:15:37,749 --> 00:15:36,079

works for space force but we're not also

317

00:15:39,590 --> 00:15:37,759

we're not all allowed to know and he

318

00:15:42,310 --> 00:15:39,600

never released that he works for the

319

00:15:44,230 --> 00:15:42,320

department of energy as

320

00:15:45,670 --> 00:15:44,240

you know because you're a security guy

321

00:15:48,069 --> 00:15:45,680

you're talking about i think they call

322

00:15:50,949 --> 00:15:48,079

that class a whatever i can't remember

323

00:15:51,829 --> 00:15:50,959

my every little term but you're talking

324

00:15:59,829 --> 00:15:51,839

about

325

00:16:01,990 --> 00:15:59,839

thing when

326

00:16:03,749 --> 00:16:02,000

the united states any country nuclear

327

00:16:05,590 --> 00:16:03,759

but i can speak for the united states

328

00:16:07,430 --> 00:16:05,600

when you talk about any duties you have

329

00:16:09,910 --> 00:16:07,440

that have anything to do with our

330

00:16:10,710 --> 00:16:09,920

nuclear arsenal you do not play with

331

00:16:12,629 --> 00:16:10,720

that

332

00:16:14,710 --> 00:16:12,639

you don't gab about it you don't yap

333

00:16:16,870 --> 00:16:14,720

about it you don't brag about it

334

00:16:17,590 --> 00:16:16,880

okay that is not

335

00:16:21,910 --> 00:16:17,600

you

336

00:16:23,670 --> 00:16:21,920

agent any military agent me specifically

337

00:16:25,590 --> 00:16:23,680

an osi agent

338

00:16:26,710 --> 00:16:25,600

the number one

339

00:16:28,310 --> 00:16:26,720

reason

340

00:16:30,710 --> 00:16:28,320

that they tell you that you have the

341

00:16:32,949 --> 00:16:30,720

right to use lethal force

342

00:16:35,590 --> 00:16:32,959

is if somebody if if you're pursuing

343

00:16:37,189 --> 00:16:35,600

somebody who has stolen a nuclear weapon

344

00:16:39,110 --> 00:16:37,199

or

345

00:16:42,230 --> 00:16:39,120

uh

346

00:16:44,790 --> 00:16:42,240

or fissionable material too yeah another

347

00:16:47,189 --> 00:16:44,800

thing right you are authorized to gun

348

00:16:48,870 --> 00:16:47,199

that person down if you need to to stop

349

00:16:50,550 --> 00:16:48,880

them

350

00:16:53,110 --> 00:16:50,560

and i had no i would have no qualms with

351  
00:16:55,189 --> 00:16:53,120  
that you're talking about a damn nuclear

352  
00:16:58,150 --> 00:16:55,199  
weapon that can kill

353  
00:17:00,790 --> 00:16:58,160  
many many many many many people

354  
00:17:01,670 --> 00:17:00,800  
more than on 9 11. so i i personally

355  
00:17:03,110 --> 00:17:01,680  
okay

356  
00:17:05,189 --> 00:17:03,120  
check

357  
00:17:07,590 --> 00:17:05,199  
yeah it still doesn't make any sense to

358  
00:17:09,590 --> 00:17:07,600  
me that he would sort of leak or almost

359  
00:17:11,029 --> 00:17:09,600  
like he leaked on purpose that he works

360  
00:17:12,870 --> 00:17:11,039  
for space force

361  
00:17:15,669 --> 00:17:12,880  
okay but then he wouldn't leak the

362  
00:17:17,990 --> 00:17:15,679  
energy department job okay tell me okay

363  
00:17:19,829 --> 00:17:18,000

the one you just described the advisor

364

00:17:20,710 --> 00:17:19,839

that's for space force

365

00:17:22,470 --> 00:17:20,720

yeah

366

00:17:24,789 --> 00:17:22,480

okay and and tell me the title of that

367

00:17:26,789 --> 00:17:24,799

again advisor to what

368

00:17:29,669 --> 00:17:26,799

yeah i don't have the i have to look it

369

00:17:32,150 --> 00:17:29,679

up then i i don't have the susan go uh

370

00:17:34,230 --> 00:17:32,160

pentagon statement uh yeah if he's just

371

00:17:35,590 --> 00:17:34,240

invite now what's the third contract

372

00:17:37,270 --> 00:17:35,600

we're talking about

373

00:17:39,750 --> 00:17:37,280

well i you know i know i know he's

374

00:17:42,870 --> 00:17:39,760

involved in the skyford thing and he's

375

00:17:45,590 --> 00:17:42,880

also involved with the galileo project

376

00:17:47,350 --> 00:17:45,600

well that's somehow the galileo project

377

00:17:49,510 --> 00:17:47,360

isn't that's not government i know

378

00:17:52,549 --> 00:17:49,520

that's av lobe yeah that that's

379

00:17:55,669 --> 00:17:52,559

that's hoo-ha um in our community what

380

00:17:58,230 --> 00:17:55,679

now the sky fort refresh my memory on

381

00:17:59,590 --> 00:17:58,240

the essential details of why

382

00:18:01,669 --> 00:17:59,600

you know i think that's a business

383

00:18:03,270 --> 00:18:01,679

adventure with him and sean cahill and

384

00:18:05,830 --> 00:18:03,280

other people that have said okay yeah

385

00:18:08,070 --> 00:18:05,840

that's uaps and ufos

386

00:18:10,470 --> 00:18:08,080

so basically what we know

387

00:18:15,029 --> 00:18:10,480

according to this documentation is that

388

00:18:16,789 --> 00:18:15,039

he is the uh security guy chief for a

389

00:18:18,549 --> 00:18:16,799

doe site

390

00:18:20,070 --> 00:18:18,559

and or sites

391

00:18:22,310 --> 00:18:20,080

and um

392

00:18:24,390 --> 00:18:22,320

he is an advisor

393

00:18:26,150 --> 00:18:24,400

to on some uh

394

00:18:29,909 --> 00:18:26,160

classified

395

00:18:32,310 --> 00:18:29,919

space force okay apparently yeah okay

396

00:18:35,029 --> 00:18:32,320

the advisor thing is probably not very

397

00:18:37,350 --> 00:18:35,039

demanding on his time okay

398

00:18:39,669 --> 00:18:37,360

so that that's just kind of like a sweet

399

00:18:40,549 --> 00:18:39,679

little contract he's got you know

400

00:18:41,430 --> 00:18:40,559

um

401  
00:18:43,110 --> 00:18:41,440  
that

402  
00:18:45,590 --> 00:18:43,120  
you know would be my guess when i see

403  
00:18:47,990 --> 00:18:45,600  
the word advisor or consultant

404  
00:18:50,310 --> 00:18:48,000  
that tells me based on my experience is

405  
00:18:51,830 --> 00:18:50,320  
that he can go a long time

406  
00:18:53,430 --> 00:18:51,840  
between

407  
00:18:55,350 --> 00:18:53,440  
you know them coming to him and having

408  
00:18:56,950 --> 00:18:55,360  
to do something for them he could i

409  
00:18:59,590 --> 00:18:56,960  
could be wrong remember all this could

410  
00:19:02,789 --> 00:18:59,600  
be wrong in his case

411  
00:19:03,830 --> 00:19:02,799  
um and then the doe thing um that's

412  
00:19:06,390 --> 00:19:03,840  
probably

413  
00:19:08,710 --> 00:19:06,400

the the more

414

00:19:10,230 --> 00:19:08,720

time-consuming one of the two i would

415

00:19:11,029 --> 00:19:10,240

guess

416

00:19:13,190 --> 00:19:11,039

and

417

00:19:14,630 --> 00:19:13,200

um

418

00:19:17,110 --> 00:19:14,640

the more

419

00:19:18,789 --> 00:19:17,120

he's probably got he's probably un

420

00:19:21,350 --> 00:19:18,799

under an operating instruction that he

421

00:19:23,029 --> 00:19:21,360

is to be much more discreet about that

422

00:19:24,950 --> 00:19:23,039

than the space force stuff think about

423

00:19:26,710 --> 00:19:24,960

it the space force thing

424

00:19:29,750 --> 00:19:26,720

that would in a lot of people's minds

425

00:19:31,909 --> 00:19:29,760

give him credibility in ufology oh he's

426  
00:19:33,750 --> 00:19:31,919  
involved with space war now you know i'm

427  
00:19:35,270 --> 00:19:33,760  
an advocate for the existence of space

428  
00:19:37,270 --> 00:19:35,280  
force people can make jokes all they

429  
00:19:39,510 --> 00:19:37,280  
want

430  
00:19:41,909 --> 00:19:39,520  
i nominate walter bosley to be the new

431  
00:19:44,230 --> 00:19:41,919  
head of space force that was inevitable

432  
00:19:45,430 --> 00:19:44,240  
folks and yeah we got to have that

433  
00:19:46,870 --> 00:19:45,440  
because

434  
00:19:50,150 --> 00:19:46,880  
what people

435  
00:19:51,909 --> 00:19:50,160  
is that

436  
00:19:54,870 --> 00:19:51,919  
if somebody were to have a launch

437  
00:19:58,150 --> 00:19:54,880  
vehicle capable of of earth orbit with

438  
00:20:00,150 --> 00:19:58,160

weapons on it let's just for a second

439

00:20:03,110 --> 00:20:00,160

right like let's say the chinese or the

440

00:20:05,350 --> 00:20:03,120

russians or whoever a rogue nation worst

441

00:20:07,669 --> 00:20:05,360

like iran or something got a launch

442

00:20:10,070 --> 00:20:07,679

vehicle that was capable of of earth

443

00:20:12,390 --> 00:20:10,080

orbit and put weapons on it

444

00:20:14,710 --> 00:20:12,400

they could conceivably

445

00:20:17,190 --> 00:20:14,720

go around the earth and shoot down all

446

00:20:19,110 --> 00:20:17,200

of our communication satellites right

447

00:20:20,870 --> 00:20:19,120

sure so we have to have a counter

448

00:20:23,190 --> 00:20:20,880

measure to that yeah so i think that

449

00:20:24,870 --> 00:20:23,200

space forces well they're going to need

450

00:20:26,230 --> 00:20:24,880

it because people are going to try that

451  
00:20:28,390 --> 00:20:26,240  
people

452  
00:20:31,190 --> 00:20:28,400  
as if we weren't doing space force

453  
00:20:33,029 --> 00:20:31,200  
things already come on we know that we

454  
00:20:35,190 --> 00:20:33,039  
basically i said it when space force

455  
00:20:36,870 --> 00:20:35,200  
publicly stood up i said oh

456  
00:20:39,350 --> 00:20:36,880  
this renders

457  
00:20:41,830 --> 00:20:39,360  
the whole research field of secret space

458  
00:20:44,230 --> 00:20:41,840  
pro legitimate secret space program not

459  
00:20:45,830 --> 00:20:44,240  
the crap that you know good and these

460  
00:20:50,470 --> 00:20:45,840  
other

461  
00:20:54,070 --> 00:20:52,390  
because now he's starting his own

462  
00:20:56,870 --> 00:20:54,080  
psychic friends network where you can

463  
00:21:01,110 --> 00:20:59,350

but legitimate legitimate secret space

464

00:21:03,029 --> 00:21:01,120

program research and investigation was

465

00:21:04,390 --> 00:21:03,039

rendered moot because i'm telling you

466

00:21:06,390 --> 00:21:04,400

how this works

467

00:21:08,950 --> 00:21:06,400

anything we were doing on a classified

468

00:21:11,510 --> 00:21:08,960

secret level with a manned space program

469

00:21:13,270 --> 00:21:11,520

i'm telling you the day that space force

470

00:21:14,870 --> 00:21:13,280

got stood up publicly

471

00:21:17,590 --> 00:21:14,880

that secret stuff had already been

472

00:21:21,830 --> 00:21:17,600

absorbed into the public space force it

473

00:21:23,110 --> 00:21:21,840

now will be part of their classified ops

474

00:21:25,830 --> 00:21:23,120

history

475

00:21:28,789 --> 00:21:25,840

is is the way i look at it and so it

476  
00:21:31,350 --> 00:21:28,799  
kind of confirms and my for me

477  
00:21:33,830 --> 00:21:31,360  
space force becoming a thing

478  
00:21:36,230 --> 00:21:33,840  
further confirmed to me that we had been

479  
00:21:38,630 --> 00:21:36,240  
kind of doing this stuff all along

480  
00:21:40,870 --> 00:21:38,640  
sure yeah you can interpret it

481  
00:21:43,430 --> 00:21:40,880  
i always point to the x-37b they've got

482  
00:21:45,750 --> 00:21:43,440  
a launch vehicle and it stays up in

483  
00:21:46,950 --> 00:21:45,760  
earth orbit for two years at a time but

484  
00:21:48,950 --> 00:21:46,960  
we're not allowed to know what it's

485  
00:21:50,710 --> 00:21:48,960  
doing up there that's the secret space

486  
00:21:52,549 --> 00:21:50,720  
program right there they have a secret

487  
00:21:55,110 --> 00:21:52,559  
space program and you know what i for

488  
00:21:57,270 --> 00:21:55,120

one you know hey again it was inevitable

489

00:21:59,750 --> 00:21:57,280

that we have a

490

00:22:01,270 --> 00:21:59,760

space branch of the military folks it

491

00:22:03,110 --> 00:22:01,280

was inevitable

492

00:22:05,029 --> 00:22:03,120

um just like uh

493

00:22:07,110 --> 00:22:05,039

it's inevitable that we're going to a

494

00:22:08,470 --> 00:22:07,120

bunch of people in this community

495

00:22:09,990 --> 00:22:08,480

i don't think it's going to surprise the

496

00:22:11,350 --> 00:22:10,000

rest of the world but a bunch of people

497

00:22:12,870 --> 00:22:11,360

in this community are going to get their

498

00:22:15,590 --> 00:22:12,880

wake-up call

499

00:22:17,350 --> 00:22:15,600

when it just so happens that a threat

500

00:22:19,669 --> 00:22:17,360

comes from outer space

501  
00:22:21,590 --> 00:22:19,679  
oh but we were told

502  
00:22:22,950 --> 00:22:21,600  
that wasn't so

503  
00:22:24,710 --> 00:22:22,960  
but you know

504  
00:22:26,549 --> 00:22:24,720  
whatever the day's coming and then at

505  
00:22:29,750 --> 00:22:26,559  
that point they'll be very glad

506  
00:22:32,230 --> 00:22:29,760  
that there's something like space force

507  
00:22:34,070 --> 00:22:32,240  
that's just an opinion

508  
00:22:35,510 --> 00:22:34,080  
yeah i mean you never know what's going

509  
00:22:37,350 --> 00:22:35,520  
to happen i mean how do we know that

510  
00:22:38,789 --> 00:22:37,360  
there's not going to be some aggressive

511  
00:22:40,390 --> 00:22:38,799  
race right

512  
00:22:42,470 --> 00:22:40,400  
will visit us and try to

513  
00:22:44,390 --> 00:22:42,480

invade or something but bringing it back

514

00:22:46,630 --> 00:22:44,400

to uh louis elizondo and his contract

515

00:22:49,590 --> 00:22:46,640

status here's the thing i can clarify

516

00:22:52,230 --> 00:22:49,600

this because i i i have personal

517

00:22:56,230 --> 00:22:52,240

professional knowledge of this because

518

00:22:58,870 --> 00:22:56,240

in what i did you're very often um

519

00:23:00,710 --> 00:22:58,880

working around contractors you know and

520

00:23:02,310 --> 00:23:00,720

with them and you know intimately how

521

00:23:05,110 --> 00:23:02,320

this works okay

522

00:23:07,190 --> 00:23:05,120

so um here's the here's the deal on the

523

00:23:08,789 --> 00:23:07,200

contract work

524

00:23:11,110 --> 00:23:08,799

when you have

525

00:23:13,830 --> 00:23:11,120

any kind of uh contract in the

526  
00:23:16,230 --> 00:23:13,840  
functional or operational world

527  
00:23:18,870 --> 00:23:16,240  
and that can be over operations with the

528  
00:23:21,830 --> 00:23:18,880  
us government um

529  
00:23:24,950 --> 00:23:21,840  
you are encouraged when you're a

530  
00:23:26,549 --> 00:23:24,960  
contractor you are encouraged to have

531  
00:23:28,470 --> 00:23:26,559  
multiple means

532  
00:23:29,669 --> 00:23:28,480  
of income okay

533  
00:23:30,470 --> 00:23:29,679  
um

534  
00:23:33,669 --> 00:23:30,480  
yeah

535  
00:23:36,470 --> 00:23:33,679  
you're it's okay especially if you're

536  
00:23:39,830 --> 00:23:36,480  
undercover operational contract you are

537  
00:23:41,909 --> 00:23:39,840  
encouraged to have other means of income

538  
00:23:44,549 --> 00:23:41,919

uh in between your assignments your

539

00:23:46,149 --> 00:23:44,559

goods your missions okay now here's how

540

00:23:49,269 --> 00:23:46,159

it works though

541

00:23:50,390 --> 00:23:49,279

you're encouraged to have a side gig

542

00:23:53,269 --> 00:23:50,400

but

543

00:23:55,029 --> 00:23:53,279

particularly if you're operational

544

00:23:57,590 --> 00:23:55,039

like undercover or something

545

00:24:00,310 --> 00:23:57,600

they get first dibs on you and your time

546

00:24:02,230 --> 00:24:00,320

in other words yeah so your primary your

547

00:24:04,230 --> 00:24:02,240

primary job should be with them but that

548

00:24:07,190 --> 00:24:04,240

you're okay to do stuff outside but as

549

00:24:09,269 --> 00:24:07,200

far as the public is concerned or even

550

00:24:11,909 --> 00:24:09,279

everybody but one person in your family

551  
00:24:14,789 --> 00:24:11,919  
or loved one or whatever is concerned

552  
00:24:16,630 --> 00:24:14,799  
what that side gig is your primary

553  
00:24:17,430 --> 00:24:16,640  
right they're not supposed to know that

554  
00:24:18,630 --> 00:24:17,440  
you're

555  
00:24:21,430 --> 00:24:18,640  
working

556  
00:24:23,590 --> 00:24:21,440  
operational for uncle sam uncle sam gets

557  
00:24:25,830 --> 00:24:23,600  
first dibs so that side gig they

558  
00:24:28,390 --> 00:24:25,840  
encourage you to do it has to be

559  
00:24:29,190 --> 00:24:28,400  
something and structured in a way

560  
00:24:34,070 --> 00:24:29,200  
that

561  
00:24:36,710 --> 00:24:34,080  
you can go away from it for several days

562  
00:24:38,950 --> 00:24:36,720  
or weeks at a time you follow me

563  
00:24:40,390 --> 00:24:38,960

yeah that makes sense this is why and by

564

00:24:43,350 --> 00:24:40,400

the way just for the benefit of my

565

00:24:45,990 --> 00:24:43,360

audience we're uh broadcasting a special

566

00:24:48,390 --> 00:24:46,000

broadcast about some new documents found

567

00:24:50,310 --> 00:24:48,400

that sort of confirm what louisando

568

00:24:52,549 --> 00:24:50,320

actually does for a living would this be

569

00:24:55,430 --> 00:24:52,559

his primary responsibility then his

570

00:24:57,510 --> 00:24:55,440

primary job is this what we found here

571

00:25:00,549 --> 00:24:57,520

do you think

572

00:25:02,950 --> 00:25:00,559

yeah that could be his primary

573

00:25:05,590 --> 00:25:02,960

yeah i would say that um

574

00:25:06,950 --> 00:25:05,600

unless he has an undercover contract

575

00:25:09,510 --> 00:25:06,960

which that's a whole other discussion

576  
00:25:12,070 --> 00:25:09,520  
which he could could he could very well

577  
00:25:14,390 --> 00:25:12,080  
have that working against the working in

578  
00:25:16,549 --> 00:25:14,400  
the ufo community and we'll get to that

579  
00:25:21,750 --> 00:25:16,559  
but as far as what we know i mean this

580  
00:25:27,029 --> 00:25:24,630  
no i can only talk to you this way you

581  
00:25:29,430 --> 00:25:27,039  
know some people will be like what psyop

582  
00:25:31,669 --> 00:25:29,440  
but see walter bosley knows he knows

583  
00:25:33,350 --> 00:25:31,679  
this because he's been there he's been

584  
00:25:36,390 --> 00:25:33,360  
there in the

585  
00:25:37,510 --> 00:25:36,400  
yeah this bit that we have with d.o.e

586  
00:25:40,230 --> 00:25:37,520  
um

587  
00:25:42,789 --> 00:25:40,240  
uh that looks like that would be his

588  
00:25:45,669 --> 00:25:42,799

primary bread and butter and whatever

589

00:25:49,350 --> 00:25:45,679

he's trying to build and do in ufo world

590

00:25:52,070 --> 00:25:49,360

is secondary that's secondary gig

591

00:25:53,750 --> 00:25:52,080

this may be maybe we don't know for sure

592

00:25:55,990 --> 00:25:53,760

but based on my experience of what i'm

593

00:25:57,630 --> 00:25:56,000

looking at here i would guess this could

594

00:26:01,029 --> 00:25:57,640

be his main

595

00:26:03,430 --> 00:26:01,039

post-military retirement retirement gig

596

00:26:05,190 --> 00:26:03,440

and you know trying to set himself up as

597

00:26:09,590 --> 00:26:05,200

a ufo celebrity

598

00:26:11,830 --> 00:26:09,600

is just you know gravy right um but then

599

00:26:14,230 --> 00:26:11,840

well it's a lot of gravy though i mean

600

00:26:16,950 --> 00:26:14,240

it well potentially yeah

601  
00:26:19,029 --> 00:26:16,960  
money book show deal money yeah he's had

602  
00:26:23,190 --> 00:26:19,039  
a tv show already

603  
00:26:27,269 --> 00:26:23,200  
money yeah yeah now now now all of that

604  
00:26:32,549 --> 00:26:27,279  
speaks to the possibility of a psyop

605  
00:26:36,549 --> 00:26:35,269  
which could explain

606  
00:26:37,430 --> 00:26:36,559  
some

607  
00:26:39,510 --> 00:26:37,440  
you know

608  
00:26:42,149 --> 00:26:39,520  
perspectives on what we've seen of lou

609  
00:26:45,430 --> 00:26:42,159  
elizondo in this community uh the other

610  
00:26:47,029 --> 00:26:45,440  
thing is i i can't help but think it's

611  
00:26:48,870 --> 00:26:47,039  
i have one question about this because

612  
00:26:51,350 --> 00:26:48,880  
it looks to me like a freudian slip on

613  
00:26:53,430 --> 00:26:51,360

his part when he that famous thing you

614

00:26:56,950 --> 00:26:53,440

quoted where he said in public on an

615

00:26:58,710 --> 00:26:56,960

interview that in 2008

616

00:27:01,750 --> 00:26:58,720

nine or ten years before he appeared

617

00:27:03,590 --> 00:27:01,760

publicly in ufology and yeah they asked

618

00:27:06,310 --> 00:27:03,600

him to apply his counter-intelligence

619

00:27:09,430 --> 00:27:06,320

skills yeah

620

00:27:13,590 --> 00:27:09,440

encounter insurgents counter insurgency

621

00:27:17,430 --> 00:27:13,600

skills to the ufo community

622

00:27:20,070 --> 00:27:17,440

um counterintelligence i get because

623

00:27:22,389 --> 00:27:20,080

um there could be hostile foreign

624

00:27:24,789 --> 00:27:22,399

intelligence services embedding their

625

00:27:26,789 --> 00:27:24,799

agents in our ufo community counter

626  
00:27:28,149 --> 00:27:26,799  
intelligence would simply be trying to

627  
00:27:30,630 --> 00:27:28,159  
ferret those

628  
00:27:33,029 --> 00:27:30,640  
foreign agents out okay

629  
00:27:35,669 --> 00:27:33,039  
counterfeit counter insurgency because

630  
00:27:37,350 --> 00:27:35,679  
this is just this is this is like

631  
00:27:39,590 --> 00:27:37,360  
troubling when you know what counter

632  
00:27:42,310 --> 00:27:39,600  
with this yeah that's that's my point

633  
00:27:46,470 --> 00:27:42,320  
i'm getting to is counter insurgency

634  
00:27:47,750 --> 00:27:46,480  
is a is more serious and think about it

635  
00:27:50,149 --> 00:27:47,760  
what

636  
00:27:52,470 --> 00:27:50,159  
without going political let's just be

637  
00:27:53,669 --> 00:27:52,480  
objective here observation

638  
00:27:55,029 --> 00:27:53,679

what

639

00:27:56,149 --> 00:27:55,039

political

640

00:27:59,430 --> 00:27:56,159

um

641

00:28:01,510 --> 00:27:59,440

what political perspective is mostly

642

00:28:04,310 --> 00:28:01,520

prevalent in the ufo community the

643

00:28:07,909 --> 00:28:04,320

conservative side the

644

00:28:09,430 --> 00:28:07,919

republican side uh more specifically the

645

00:28:13,350 --> 00:28:09,440

magazine

646

00:28:17,110 --> 00:28:13,360

what became you know so back in 2008

647

00:28:20,149 --> 00:28:17,120

why what exactly what was he asked to do

648

00:28:22,470 --> 00:28:20,159

my question is did he screw up in in

649

00:28:24,710 --> 00:28:22,480

merely how he was referring to being

650

00:28:28,149 --> 00:28:24,720

involved with atip what year did he

651  
00:28:29,029 --> 00:28:28,159  
claim to be involved with atib

652  
00:28:31,110 --> 00:28:29,039  
yeah

653  
00:28:32,470 --> 00:28:31,120  
was that 2008

654  
00:28:34,950 --> 00:28:32,480  
no

655  
00:28:37,110 --> 00:28:34,960  
i think it was yeah maybe it was yeah

656  
00:28:38,710 --> 00:28:37,120  
okay so some people could argue and this

657  
00:28:41,590 --> 00:28:38,720  
is important this is why i'm trying to

658  
00:28:43,590 --> 00:28:41,600  
say this this is important um he could

659  
00:28:44,389 --> 00:28:43,600  
have been referring to when he was asked

660  
00:28:46,630 --> 00:28:44,399  
to

661  
00:28:50,070 --> 00:28:46,640  
do whatever it was he did

662  
00:28:53,029 --> 00:28:50,080  
director manager janitor whatever with

663  
00:28:55,990 --> 00:28:53,039

whatever atip actually was and maybe he

664

00:28:57,830 --> 00:28:56,000

just slipped up but

665

00:28:59,990 --> 00:28:57,840

i don't know i have a hard time with him

666

00:29:02,870 --> 00:29:00,000

saying applying counter insurgency

667

00:29:04,990 --> 00:29:02,880

knowledge to the ufo

668

00:29:07,110 --> 00:29:05,000

community

669

00:29:09,590 --> 00:29:07,120

counterinsurgency is

670

00:29:11,190 --> 00:29:09,600

just that you're worried about some

671

00:29:13,110 --> 00:29:11,200

demographic

672

00:29:15,430 --> 00:29:13,120

uh

673

00:29:18,470 --> 00:29:15,440

becoming you know and

674

00:29:19,269 --> 00:29:18,480

a concern for counter radicalized yeah

675

00:29:21,430 --> 00:29:19,279

and

676  
00:29:24,310 --> 00:29:21,440  
now this was 2008 this was before the

677  
00:29:27,510 --> 00:29:24,320  
maga movement and all that but

678  
00:29:29,430 --> 00:29:27,520  
that was growing and there were already

679  
00:29:32,230 --> 00:29:29,440  
you know on the conservative side of

680  
00:29:33,909 --> 00:29:32,240  
politics already people being very vocal

681  
00:29:35,750 --> 00:29:33,919  
because you know think of the election

682  
00:29:38,070 --> 00:29:35,760  
year 2008 and all that

683  
00:29:39,750 --> 00:29:38,080  
so what the hell exactly is going on

684  
00:29:42,230 --> 00:29:39,760  
here with

685  
00:29:44,470 --> 00:29:42,240  
the potential for counter surgency

686  
00:29:47,590 --> 00:29:44,480  
efforts being aimed at the ufology

687  
00:29:49,830 --> 00:29:47,600  
community as far back as 2008

688  
00:29:52,630 --> 00:29:49,840

what's going on here exactly or

689

00:29:55,510 --> 00:29:52,640

uh uh was that

690

00:29:58,070 --> 00:29:55,520

the skills within counter insurgency

691

00:30:00,950 --> 00:29:58,080

could that be useful in what they were

692

00:30:04,389 --> 00:30:00,960

planning as far as perception management

693

00:30:06,870 --> 00:30:04,399

now going back to 2008 this was before

694

00:30:09,830 --> 00:30:06,880

even the the uh conferences on the

695

00:30:13,190 --> 00:30:09,840

legitimate secret space program stuff

696

00:30:15,590 --> 00:30:13,200

um it's interesting how it seems like

697

00:30:17,669 --> 00:30:15,600

psyop stuff started

698

00:30:19,510 --> 00:30:17,679

after the legitimate secret space

699

00:30:21,830 --> 00:30:19,520

program researchers and conferences were

700

00:30:23,909 --> 00:30:21,840

gaining steam and gaining attention and

701  
00:30:26,630 --> 00:30:23,919  
then suddenly we get

702  
00:30:28,389 --> 00:30:26,640  
uh corey goode who i think was a useful

703  
00:30:31,350 --> 00:30:28,399  
idiot to some

704  
00:30:33,269 --> 00:30:31,360  
intelligence uh agency uh playing with

705  
00:30:36,149 --> 00:30:33,279  
perception management in other words i

706  
00:30:38,470 --> 00:30:36,159  
think he was a useful idiot in in

707  
00:30:39,990 --> 00:30:38,480  
encourage he's unwitting completely

708  
00:30:41,909 --> 00:30:40,000  
unwitting okay

709  
00:30:45,110 --> 00:30:41,919  
that he was used this way in my opinion

710  
00:30:47,590 --> 00:30:45,120  
but he would have been used in order to

711  
00:30:49,110 --> 00:30:47,600  
do exactly what his presence did to

712  
00:30:52,230 --> 00:30:49,120  
legitimate secret space programmer

713  
00:30:54,149 --> 00:30:52,240

search that was to derail it to

714

00:30:57,669 --> 00:30:54,159

make the uh subject look silly and

715

00:30:59,909 --> 00:30:57,679

ridiculous okay and then he was pushed

716

00:31:02,310 --> 00:30:59,919

for that he sure did that because now

717

00:31:05,190 --> 00:31:02,320

we're talking about yeah he yeah

718

00:31:09,350 --> 00:31:05,200

he was pushed for the two years solidly

719

00:31:13,350 --> 00:31:09,360

and then tsa and the cia people and lou

720

00:31:15,269 --> 00:31:13,360

elizondo emerged with the tsa after the

721

00:31:17,350 --> 00:31:15,279

new york times articles so from my

722

00:31:19,909 --> 00:31:17,360

perspective i see this

723

00:31:23,430 --> 00:31:19,919

um they wanted to start controlling

724

00:31:26,789 --> 00:31:23,440

overtly strongly the the perception

725

00:31:29,350 --> 00:31:26,799

um and the narrative on ufos as far back

726  
00:31:31,029 --> 00:31:29,360  
as 2008 apparently is when this started

727  
00:31:32,630 --> 00:31:31,039  
now they would have spent the first few

728  
00:31:34,230 --> 00:31:32,640  
years if he was applying counter

729  
00:31:36,149 --> 00:31:34,240  
insurgency and counterintelligence

730  
00:31:38,630 --> 00:31:36,159  
tactics he would have spent those first

731  
00:31:41,190 --> 00:31:38,640  
few years casing the community in other

732  
00:31:42,630 --> 00:31:41,200  
words just observing collecting intel

733  
00:31:45,350 --> 00:31:42,640  
and they would have been figuring out

734  
00:31:46,389 --> 00:31:45,360  
okay this is the who's who this is the

735  
00:31:48,389 --> 00:31:46,399  
what's what

736  
00:31:50,389 --> 00:31:48,399  
okay and then they started forming a

737  
00:31:53,269 --> 00:31:50,399  
plan and it was

738  
00:31:54,230 --> 00:31:53,279

after that after that initial casing

739

00:31:56,549 --> 00:31:54,240

period

740

00:31:59,669 --> 00:31:56,559

that then they figured out their plan

741

00:32:02,549 --> 00:31:59,679

and i say things suggest to me

742

00:32:06,870 --> 00:32:02,559

that their plan started with using

743

00:32:10,389 --> 00:32:06,880

useful idiots who were unwitting okay um

744

00:32:12,389 --> 00:32:10,399

to uh discredit the things they didn't

745

00:32:15,830 --> 00:32:12,399

want people looking at okay that was

746

00:32:18,630 --> 00:32:15,840

step one then stage secret space program

747

00:32:20,549 --> 00:32:18,640

yeah you know and then stage two

748

00:32:22,870 --> 00:32:20,559

was

749

00:32:24,950 --> 00:32:22,880

coming forth on the stage in a way they

750

00:32:27,430 --> 00:32:24,960

had never done before

751  
00:32:30,230 --> 00:32:27,440  
and that was when lou and kitt west and

752  
00:32:32,870 --> 00:32:30,240  
all of the semi-van and and

753  
00:32:34,710 --> 00:32:32,880  
yeah melon and all of them came forth oh

754  
00:32:37,029 --> 00:32:34,720  
that was something else it was like here

755  
00:32:39,190 --> 00:32:37,039  
we have a comb our board for our new

756  
00:32:43,509 --> 00:32:39,200  
company has a combined

757  
00:32:45,590 --> 00:32:43,519  
uh experience in the cia of 150 years if

758  
00:32:48,310 --> 00:32:45,600  
we add us all up and we're going to give

759  
00:32:51,750 --> 00:32:48,320  
you the truth about ufos and pardons is

760  
00:32:53,669 --> 00:32:51,760  
not right here and part of this strategy

761  
00:32:56,630 --> 00:32:53,679  
part of this strategy isn't it

762  
00:33:00,070 --> 00:32:56,640  
interesting that um

763  
00:33:01,430 --> 00:33:00,080

and i i had this pointed out to me first

764

00:33:03,110 --> 00:33:01,440

by um

765

00:33:04,870 --> 00:33:03,120

laura london the jungian scholar who i

766

00:33:07,750 --> 00:33:04,880

think is watching right now

767

00:33:09,269 --> 00:33:07,760

who pointed out that back in 2000

768

00:33:13,269 --> 00:33:09,279

whatever it was

769

00:33:16,149 --> 00:33:13,279

the very same people involved in

770

00:33:18,789 --> 00:33:16,159

witnessing the tic tac david fravor

771

00:33:21,669 --> 00:33:18,799

couple others his his wingman

772

00:33:24,870 --> 00:33:21,679

um or you know second command who who is

773

00:33:27,350 --> 00:33:24,880

a female pilot they were featured

774

00:33:29,269 --> 00:33:27,360

on a tv series about aircraft carriers

775

00:33:31,269 --> 00:33:29,279

called carrier so why is this

776

00:33:33,190 --> 00:33:31,279

significant isn't it interesting that

777

00:33:36,149 --> 00:33:33,200

over a decade ago

778

00:33:37,830 --> 00:33:36,159

um the same people were on a television

779

00:33:39,590 --> 00:33:37,840

show yeah but but they don't just

780

00:33:42,230 --> 00:33:39,600

randomly that doesn't randomly happen

781

00:33:45,909 --> 00:33:42,240

believe me the navy

782

00:33:48,149 --> 00:33:45,919

selected them very carefully and oh they

783

00:33:50,950 --> 00:33:48,159

also happen to be the very same naval

784

00:33:53,509 --> 00:33:50,960

personnel who witnessed this tic tac

785

00:33:55,110 --> 00:33:53,519

come on folks from my military's

786

00:33:57,269 --> 00:33:55,120

perspective particularly how sensitive

787

00:33:59,590 --> 00:33:57,279

the military is on i'm telling you

788

00:34:01,190 --> 00:33:59,600

that's no coincidence kudos to laura

789

00:34:03,269 --> 00:34:01,200

london for noticing that and pointing

790

00:34:04,230 --> 00:34:03,279

that out to me yeah thank you laura you

791

00:34:07,269 --> 00:34:04,240

know yeah

792

00:34:08,230 --> 00:34:07,279

because that folks is a red flag right

793

00:34:10,310 --> 00:34:08,240

there

794

00:34:12,629 --> 00:34:10,320

okay about the whole tic tac thing

795

00:34:14,710 --> 00:34:12,639

fraver in them were selected because

796

00:34:16,470 --> 00:34:14,720

they they played ball and they didn't

797

00:34:19,270 --> 00:34:16,480

embarrass the navy with the carrier

798

00:34:22,149 --> 00:34:19,280

thing so they could be trusted they were

799

00:34:25,190 --> 00:34:22,159

the go-to to you know

800

00:34:26,950 --> 00:34:25,200

to to uh and i say the tic tac thing was

801  
00:34:28,310 --> 00:34:26,960  
demonstrated in front of them you know

802  
00:34:30,389 --> 00:34:28,320  
that you know what i think about the tic

803  
00:34:32,710 --> 00:34:30,399  
tac folks it's not from another world

804  
00:34:34,710 --> 00:34:32,720  
it's ours

805  
00:34:37,430 --> 00:34:34,720  
get used to it okay deal with it i'm

806  
00:34:39,750 --> 00:34:37,440  
with you on that and and i i think it's

807  
00:34:41,750 --> 00:34:39,760  
no accident that they are the alleged

808  
00:34:43,750 --> 00:34:41,760  
witnesses of the uh

809  
00:34:45,510 --> 00:34:43,760  
or they are the witnesses of the tic tac

810  
00:34:46,230 --> 00:34:45,520  
that come forth

811  
00:34:47,909 --> 00:34:46,240  
so

812  
00:34:49,990 --> 00:34:47,919  
it's a game folks it's a game and that

813  
00:34:51,430 --> 00:34:50,000

was that was all part that was like a

814

00:34:54,790 --> 00:34:51,440

one-two punch

815

00:34:57,750 --> 00:34:54,800

for the military and the intel to come

816

00:35:00,829 --> 00:34:57,760

onto the stage of ufology to really get

817

00:35:03,910 --> 00:35:00,839

their grips in the narrative and control

818

00:35:05,750 --> 00:35:03,920

it in mind well yeah it is very

819

00:35:07,829 --> 00:35:05,760

interesting and for those just joining

820

00:35:10,230 --> 00:35:07,839

us you see on our screen here we have

821

00:35:12,790 --> 00:35:10,240

found some employment records uh a

822

00:35:14,790 --> 00:35:12,800

record of a meeting that took place

823

00:35:17,150 --> 00:35:14,800

uh which seems to confirm that luis

824

00:35:20,550 --> 00:35:17,160

elizondo works for a company called

825

00:35:22,550 --> 00:35:20,560

cns which is a defense subcontractor

826

00:35:26,069 --> 00:35:22,560

they provide personnel

827

00:35:28,230 --> 00:35:26,079

and more it's consolidated nuclear

828

00:35:31,190 --> 00:35:28,240

security llc

829

00:35:33,349 --> 00:35:31,200

and uh he is the the

830

00:35:36,310 --> 00:35:33,359

title that he has here is weapons and

831

00:35:38,390 --> 00:35:36,320

safety analysis chief engineer to my

832

00:35:40,630 --> 00:35:38,400

knowledge uh two seekers this is an

833

00:35:42,870 --> 00:35:40,640

exclusive i don't know that anyone else

834

00:35:44,950 --> 00:35:42,880

has found this information we have

835

00:35:48,230 --> 00:35:44,960

reached out to the pentagon to confirm

836

00:35:50,790 --> 00:35:48,240

that mr luis elizondo is indeed employed

837

00:35:53,109 --> 00:35:50,800

by cns working as a subcontractor for

838

00:35:55,510 --> 00:35:53,119

the energy department here

839

00:35:57,030 --> 00:35:55,520

as a weapons and safety analysis chief

840

00:35:59,190 --> 00:35:57,040

engineer

841

00:36:00,870 --> 00:35:59,200

hey have you you should show these to

842

00:36:03,109 --> 00:36:00,880

richard dolan he could probably

843

00:36:04,790 --> 00:36:03,119

magically find you know the the the

844

00:36:06,550 --> 00:36:04,800

connection and the truth connecting it

845

00:36:08,150 --> 00:36:06,560

somehow to eric davis and the wilson

846

00:36:09,990 --> 00:36:08,160

documents

847

00:36:11,750 --> 00:36:10,000

yeah i haven't i haven't sent it to him

848

00:36:13,670 --> 00:36:11,760

yet

849

00:36:15,510 --> 00:36:13,680

somehow this confirms everything yeah

850

00:36:17,589 --> 00:36:15,520

exactly yeah somehow this would confirm

851  
00:36:19,430 --> 00:36:17,599  
no you know what what bothers me is that

852  
00:36:20,390 --> 00:36:19,440  
this just creates

853  
00:36:23,190 --> 00:36:20,400  
more

854  
00:36:25,910 --> 00:36:23,200  
uh questions and is he going to answer

855  
00:36:27,510 --> 00:36:25,920  
is is luis elizondo i i could reach out

856  
00:36:29,270 --> 00:36:27,520  
to him for comment as well but he's

857  
00:36:31,510 --> 00:36:29,280  
never gotten back to me about anything

858  
00:36:34,550 --> 00:36:31,520  
and by the way i i will apologize

859  
00:36:36,630 --> 00:36:34,560  
because i i lost my temper things get a

860  
00:36:38,470 --> 00:36:36,640  
little personal and i i personally

861  
00:36:40,390 --> 00:36:38,480  
insulted him on our last broadcast i

862  
00:36:43,030 --> 00:36:40,400  
called him a coward and a [h\_\_h]

863  
00:36:43,990 --> 00:36:43,040

walter bosley so i apologize for doing

864

00:36:48,310 --> 00:36:44,000

that

865

00:36:50,150 --> 00:36:48,320

he um

866

00:36:52,630 --> 00:36:50,160

you know the start the stark facts are

867

00:36:53,510 --> 00:36:52,640

that he's under no obligation to explain

868

00:36:54,630 --> 00:36:53,520

that

869

00:36:56,790 --> 00:36:54,640

contract

870

00:36:59,109 --> 00:36:56,800

or any other

871

00:37:01,109 --> 00:36:59,119

um well he says he never lies to us

872

00:37:03,270 --> 00:37:01,119

though mr bosley did he

873

00:37:09,589 --> 00:37:03,280

wha what did he say did he actually say

874

00:37:13,750 --> 00:37:11,430

i mean in all fairness to him these

875

00:37:16,710 --> 00:37:13,760

rules and one of the rules is i will

876

00:37:19,109 --> 00:37:16,720

never lie to you so okay so let's ask

877

00:37:20,630 --> 00:37:19,119

him is this your full-time job

878

00:37:23,750 --> 00:37:20,640

and why have you never mentioned that

879

00:37:25,750 --> 00:37:23,760

this is your full-time job before

880

00:37:27,990 --> 00:37:25,760

and how are you doing all these and

881

00:37:29,990 --> 00:37:28,000

things for the ufo world if your

882

00:37:32,870 --> 00:37:30,000

full-time job is really

883

00:37:37,270 --> 00:37:32,880

uh this job none of this makes any sense

884

00:37:40,710 --> 00:37:38,950

it makes a little more sense to me

885

00:37:43,109 --> 00:37:40,720

because i know how it works i know the

886

00:37:44,550 --> 00:37:43,119

realities of doing something like that

887

00:37:47,109 --> 00:37:44,560

but based on

888

00:37:49,829 --> 00:37:47,119

what we're extrapolating what we're

889

00:37:51,589 --> 00:37:49,839

wild ass guessing and you know i yes i'm

890

00:37:52,790 --> 00:37:51,599

guessing by the way in full in full

891

00:37:54,630 --> 00:37:52,800

disclosure

892

00:37:56,790 --> 00:37:54,640

we're speculating here because we don't

893

00:37:58,790 --> 00:37:56,800

have answers it's a holiday weekend i've

894

00:38:00,630 --> 00:37:58,800

reached out for comment to the pentagon

895

00:38:02,390 --> 00:38:00,640

i'm going to reach out to luis elizondo

896

00:38:05,190 --> 00:38:02,400

to have him confirm or deny that this is

897

00:38:07,670 --> 00:38:05,200

his full-time job or that you know this

898

00:38:10,150 --> 00:38:07,680

is his uh one of his

899

00:38:11,670 --> 00:38:10,160

income sources shall we say

900

00:38:14,069 --> 00:38:11,680

but in the meantime

901  
00:38:16,710 --> 00:38:14,079  
all we have is questions about this the

902  
00:38:19,589 --> 00:38:16,720  
only now to play devil's advocate

903  
00:38:20,470 --> 00:38:19,599  
the only problem with talking about this

904  
00:38:22,310 --> 00:38:20,480  
is

905  
00:38:24,230 --> 00:38:22,320  
um

906  
00:38:25,750 --> 00:38:24,240  
not that it's not his fault that you

907  
00:38:28,230 --> 00:38:25,760  
know he didn't make us all want to look

908  
00:38:30,230 --> 00:38:28,240  
closer but

909  
00:38:32,870 --> 00:38:30,240  
an issue here and i'm speaking purely as

910  
00:38:35,589 --> 00:38:32,880  
a counterintelligence guy okay

911  
00:38:37,190 --> 00:38:35,599  
um and and no i i just real quick i want

912  
00:38:39,349 --> 00:38:37,200  
to clarify to people people out there

913  
00:38:41,990 --> 00:38:39,359

saying counterintelligence is is the

914

00:38:45,109 --> 00:38:42,000

application of disinformation

915

00:38:47,270 --> 00:38:45,119

no counterintelligence is countering the

916

00:38:48,550 --> 00:38:47,280

intelligence efforts of a hostile

917

00:38:50,470 --> 00:38:48,560

adversary

918

00:38:52,550 --> 00:38:50,480

that's what counterintelligence is so as

919

00:38:54,870 --> 00:38:52,560

a counterintelligence guy

920

00:38:56,870 --> 00:38:54,880

um disinformation can be just a small

921

00:38:58,470 --> 00:38:56,880

tactic in it but but anyway as a

922

00:39:00,870 --> 00:38:58,480

counterintelligence guy

923

00:39:01,910 --> 00:39:00,880

the problem is

924

00:39:04,310 --> 00:39:01,920

um

925

00:39:05,430 --> 00:39:04,320

him being publicly identified in that

926

00:39:07,109 --> 00:39:05,440

position

927

00:39:09,829 --> 00:39:07,119

could get him

928

00:39:11,910 --> 00:39:09,839

looked at by foreign intelligence agents

929

00:39:14,390 --> 00:39:11,920

operating in the united states and yes

930

00:39:16,390 --> 00:39:14,400

i'm telling you we do it there

931

00:39:18,390 --> 00:39:16,400

they do it here this place there's all

932

00:39:21,030 --> 00:39:18,400

sorts of foreign intel hostile foreign

933

00:39:23,990 --> 00:39:21,040

yeah i mean if if if a hostile if if

934

00:39:26,069 --> 00:39:24,000

someone hostile to the us

935

00:39:27,670 --> 00:39:26,079

this nuclear facility and he's one of

936

00:39:30,470 --> 00:39:27,680

the security guys they're gonna look

937

00:39:32,550 --> 00:39:30,480

into him they are gonna they they if if

938

00:39:34,950 --> 00:39:32,560

if i were assigned to look at a guy like

939

00:39:36,710 --> 00:39:34,960

that for a foreign nation i would know

940

00:39:38,790 --> 00:39:36,720

i'll tell you right now i'd know exactly

941

00:39:40,790 --> 00:39:38,800

where he lives i would know his coming

942

00:39:43,109 --> 00:39:40,800

and going i would know everything i

943

00:39:45,190 --> 00:39:43,119

could know about that house when he's

944

00:39:47,270 --> 00:39:45,200

gone if i could get into that house i

945

00:39:50,150 --> 00:39:47,280

would do it

946

00:39:52,470 --> 00:39:50,160

and i would try to follow him to work

947

00:39:55,349 --> 00:39:52,480

when he and his family's gone if i were

948

00:39:57,030 --> 00:39:55,359

a foreign intelligence agent the job is

949

00:39:59,109 --> 00:39:57,040

to get in that house and see if you can

950

00:40:00,950 --> 00:39:59,119

get any documentation or anything that

951  
00:40:03,030 --> 00:40:00,960  
would tell you about the the nuclear

952  
00:40:06,309 --> 00:40:03,040  
facility he's trying to guard this is

953  
00:40:09,190 --> 00:40:06,319  
why he's probably not blabbed about this

954  
00:40:11,510 --> 00:40:09,200  
because it deals with sensitive security

955  
00:40:13,829 --> 00:40:11,520  
issues and he's really not supposed to

956  
00:40:16,630 --> 00:40:13,839  
blab about this and if he's the guy

957  
00:40:18,950 --> 00:40:16,640  
that's the chief for the the security of

958  
00:40:20,870 --> 00:40:18,960  
the the physical plant

959  
00:40:22,390 --> 00:40:20,880  
that's a lot of responsibility the the

960  
00:40:24,550 --> 00:40:22,400  
physical plant so in other words if a

961  
00:40:26,550 --> 00:40:24,560  
hostile intelligence agency needs to

962  
00:40:28,550 --> 00:40:26,560  
know how to break into that plant or

963  
00:40:30,470 --> 00:40:28,560

tell their saboteurs who are living here

964

00:40:33,109 --> 00:40:30,480

as knox non-official cover deep

965

00:40:35,270 --> 00:40:33,119

undercover agents living like citizens

966

00:40:38,150 --> 00:40:35,280

watch the series the americans on fox

967

00:40:41,190 --> 00:40:38,160

it's very very accurate i'm telling you

968

00:40:44,309 --> 00:40:41,200

okay if there are not if there are knock

969

00:40:45,670 --> 00:40:44,319

saboteurs in the u.s and i'm telling you

970

00:40:46,630 --> 00:40:45,680

there are

971

00:40:48,790 --> 00:40:46,640

okay

972

00:40:50,390 --> 00:40:48,800

when the balloon goes up or when they

973

00:40:53,109 --> 00:40:50,400

get the order

974

00:40:55,750 --> 00:40:53,119

their job is to do just that to sabotage

975

00:40:58,710 --> 00:40:55,760

our effort whether that's weapons or

976  
00:41:01,190 --> 00:40:58,720  
energy grid or whatever okay i guarantee

977  
00:41:03,910 --> 00:41:01,200  
you there's foreign intelligence agents

978  
00:41:06,790 --> 00:41:03,920  
watching our our doe facilities like a

979  
00:41:09,349 --> 00:41:06,800  
hawk okay and anything they could glean

980  
00:41:11,589 --> 00:41:09,359  
from from following him or

981  
00:41:13,990 --> 00:41:11,599  
you know doing a b and e on his house

982  
00:41:18,069 --> 00:41:14,000  
will help their saboteurs

983  
00:41:20,390 --> 00:41:18,079  
sabotage our nuclear response effort

984  
00:41:23,750 --> 00:41:20,400  
okay that's how serious this is

985  
00:41:25,829 --> 00:41:23,760  
okay so putting a spotlight now

986  
00:41:27,910 --> 00:41:25,839  
now you say this document was out

987  
00:41:29,670 --> 00:41:27,920  
publicly so i'm just telling you there's

988  
00:41:32,230 --> 00:41:29,680

a public link i mean i've provided a

989

00:41:33,670 --> 00:41:32,240

public link to it i'm speaking of code

990

00:41:35,750 --> 00:41:33,680

video yeah i'm speaking of

991

00:41:37,750 --> 00:41:35,760

potentialities here and speaking as a

992

00:41:39,750 --> 00:41:37,760

counterintelligence guy this is the

993

00:41:41,589 --> 00:41:39,760

concern this is the this is the worry

994

00:41:43,030 --> 00:41:41,599

you would have yes and i had some other

995

00:41:44,710 --> 00:41:43,040

questions that you might be able to get

996

00:41:47,589 --> 00:41:44,720

some light on and maybe you could save

997

00:41:51,030 --> 00:41:47,599

some time because i also reached out to

998

00:41:53,270 --> 00:41:51,040

the cns the company that you know uh

999

00:41:54,950 --> 00:41:53,280

this consolidated nuclear

1000

00:41:56,710 --> 00:41:54,960

safety llc

1001

00:41:58,790 --> 00:41:56,720

and i didn't get a reply yet but i'm

1002

00:42:00,150 --> 00:41:58,800

going to be calling them again as soon

1003

00:42:02,309 --> 00:42:00,160

as possible

1004

00:42:04,790 --> 00:42:02,319

are they going to if i call to verify

1005

00:42:06,870 --> 00:42:04,800

employment and say like when was his

1006

00:42:08,630 --> 00:42:06,880

first you know when was he first

1007

00:42:10,230 --> 00:42:08,640

employed with you are they going to

1008

00:42:11,750 --> 00:42:10,240

answer those questions or they're just

1009

00:42:14,309 --> 00:42:11,760

going to say

1010

00:42:17,670 --> 00:42:14,319

this is we deal in classified

1011

00:42:22,150 --> 00:42:19,670

no they're not obligated to tell you

1012

00:42:23,430 --> 00:42:22,160

anything either way uh particularly

1013

00:42:26,230 --> 00:42:23,440

because they're because i'd like to know

1014

00:42:28,710 --> 00:42:26,240

when he first started working for cns

1015

00:42:31,829 --> 00:42:28,720

yeah they're not they're not

1016

00:42:33,510 --> 00:42:31,839

they're not unless mr elizondo wants to

1017

00:42:35,910 --> 00:42:33,520

answer questions we're not going to know

1018

00:42:38,790 --> 00:42:35,920

how long he's worked for them and he's

1019

00:42:40,950 --> 00:42:38,800

probably he's a professional uh you know

1020

00:42:43,430 --> 00:42:40,960

he's probably not going to answer that

1021

00:42:46,069 --> 00:42:43,440

in fact in light of everything already

1022

00:42:48,950 --> 00:42:46,079

under the bridge he's certainly not

1023

00:42:51,670 --> 00:42:48,960

going to answer i doubt he'll answer

1024

00:42:54,790 --> 00:42:51,680

any questions about the work that he

1025

00:42:55,510 --> 00:42:54,800

does unless it's immediately expedient

1026

00:42:59,510 --> 00:42:55,520

for

1027

00:43:01,670 --> 00:42:59,520

um his own um uh making a living you

1028

00:43:04,150 --> 00:43:01,680

know his own income his own

1029

00:43:06,390 --> 00:43:04,160

livelihood then he might address it but

1030

00:43:08,150 --> 00:43:06,400

it will be within the context he wants

1031

00:43:10,390 --> 00:43:08,160

to uh yeah and just so everybody could

1032

00:43:13,829 --> 00:43:10,400

see this this is the actual company that

1033

00:43:15,750 --> 00:43:13,839

he works for as a subcontractor to the

1034

00:43:18,309 --> 00:43:15,760

department of energy

1035

00:43:19,990 --> 00:43:18,319

uh and and i looked into them and found

1036

00:43:23,589 --> 00:43:20,000

that they provide

1037

00:43:27,589 --> 00:43:23,599

uh both services and support for defense

1038

00:43:29,190 --> 00:43:27,599

industry things and also people

1039

00:43:32,069 --> 00:43:29,200

so in other words if the defense

1040

00:43:34,390 --> 00:43:32,079

industry needs an expert on

1041

00:43:36,550 --> 00:43:34,400

operational security they go to a

1042

00:43:38,710 --> 00:43:36,560

company like this cns

1043

00:43:41,510 --> 00:43:38,720

who then gives them someone with the

1044

00:43:45,030 --> 00:43:41,520

appropriate skill set right mr bob yeah

1045

00:43:47,990 --> 00:43:45,040

and that that could include i.t people

1046

00:43:51,510 --> 00:43:48,000

or physical security um

1047

00:43:56,630 --> 00:43:53,750

yeah national security complex so this

1048

00:43:58,950 --> 00:43:56,640

is a big security uh this is a big

1049

00:44:00,710 --> 00:43:58,960

defense industry contractor you're

1050

00:44:03,349 --> 00:44:00,720

talking about built millions maybe

1051

00:44:05,510 --> 00:44:03,359

billions of dollars being made by

1052

00:44:07,829 --> 00:44:05,520

these companies that provide the experts

1053

00:44:10,309 --> 00:44:07,839

they provide experts to yeah i wouldn't

1054

00:44:11,990 --> 00:44:10,319

recommend pressing him on that whatever

1055

00:44:14,069 --> 00:44:12,000

that contract is if he still has it

1056

00:44:17,109 --> 00:44:14,079

because that's a 2019

1057

00:44:18,870 --> 00:44:17,119

um document that are referring to a 2019

1058

00:44:21,349 --> 00:44:18,880

meeting he might not have this contract

1059

00:44:23,030 --> 00:44:21,359

anymore but i personally to me i don't

1060

00:44:24,470 --> 00:44:23,040

have a problem with him having that

1061

00:44:26,309 --> 00:44:24,480

contract that's

1062

00:44:28,069 --> 00:44:26,319

you know that's working on our side

1063

00:44:30,150 --> 00:44:28,079

that's working for the team that's

1064

00:44:32,470 --> 00:44:30,160

national security right there

1065

00:44:33,829 --> 00:44:32,480

that's not an issue at all

1066

00:44:35,270 --> 00:44:33,839

um

1067

00:44:36,790 --> 00:44:35,280

and

1068

00:44:38,309 --> 00:44:36,800

pressing him to talk about it he ain't

1069

00:44:40,790 --> 00:44:38,319

gonna talk about it because it'll give

1070

00:44:42,470 --> 00:44:40,800

too much away

1071

00:44:44,470 --> 00:44:42,480

in in you know and then wouldn't you be

1072

00:44:46,790 --> 00:44:44,480

advised wouldn't you be advised if you

1073

00:44:48,069 --> 00:44:46,800

were in that sort of role mr bosley not

1074

00:44:48,950 --> 00:44:48,079

yeah

1075

00:44:51,030 --> 00:44:48,960

press

1076

00:44:54,150 --> 00:44:51,040

about what you're you know

1077

00:44:58,710 --> 00:44:56,230

yeah not talk yeah you'd be advised not

1078

00:45:00,950 --> 00:44:58,720

to talk about it right oh absolutely

1079

00:45:03,270 --> 00:45:00,960

absolutely one way to get yourself you

1080

00:45:05,750 --> 00:45:03,280

know png'd so to speak from having

1081

00:45:06,630 --> 00:45:05,760

contracts is to be someone who talks too

1082

00:45:09,190 --> 00:45:06,640

much

1083

00:45:10,710 --> 00:45:09,200

to not just the press but your neighbors

1084

00:45:13,510 --> 00:45:10,720

your you know

1085

00:45:14,710 --> 00:45:13,520

i mean i had gigs where only

1086

00:45:15,829 --> 00:45:14,720

uh

1087

00:45:16,790 --> 00:45:15,839

one

1088

00:45:19,910 --> 00:45:16,800

two

1089

00:45:21,510 --> 00:45:19,920

people in my immediate family

1090

00:45:23,510 --> 00:45:21,520

uh knew

1091

00:45:25,270 --> 00:45:23,520

really what i was doing exactly what i

1092

00:45:27,510 --> 00:45:25,280

was doing the others

1093

00:45:29,670 --> 00:45:27,520

they were given the [h\_\_h] story

1094

00:45:30,710 --> 00:45:29,680

you have you get a cover story to give

1095

00:45:32,230 --> 00:45:30,720

right

1096

00:45:33,190 --> 00:45:32,240

well yeah if you're working undercover

1097

00:45:37,109 --> 00:45:33,200

yeah

1098

00:45:39,990 --> 00:45:37,119

and um and and you know some folks

1099

00:45:41,589 --> 00:45:40,000

choose to even i mean i worked with a

1100

00:45:43,430 --> 00:45:41,599

guy who

1101

00:45:44,790 --> 00:45:43,440

he was living with his girlfriend for a

1102

00:45:46,230 --> 00:45:44,800

couple of years and when it looked like

1103

00:45:48,630 --> 00:45:46,240

they were going to get married that's

1104

00:45:52,550 --> 00:45:48,640

when he find that's when he finally told

1105

00:45:54,950 --> 00:45:52,560

her what it was he was really doing

1106

00:45:56,230 --> 00:45:54,960

wow that's pretty interesting

1107

00:45:58,069 --> 00:45:56,240

i wouldn't have any problem with that

1108

00:46:00,309 --> 00:45:58,079

because i'm i'm not the kind of person

1109

00:46:03,349 --> 00:46:00,319

that sweats and people are going to go

1110

00:46:05,430 --> 00:46:03,359

oh that that bosley but when it came to

1111

00:46:07,430 --> 00:46:05,440

operational things

1112

00:46:09,910 --> 00:46:07,440

i don't sweat lying to family and

1113

00:46:12,470 --> 00:46:09,920

friends it's operational details part of

1114

00:46:14,390 --> 00:46:12,480

the job right yeah yeah it's operational

1115

00:46:16,550 --> 00:46:14,400

it's it's you know well that's lying to

1116

00:46:18,309 --> 00:46:16,560

people oh grow up

1117

00:46:22,630 --> 00:46:18,319

you're lying to people

1118

00:46:25,430 --> 00:46:22,640

danger you're in well what they sort of

1119

00:46:27,190 --> 00:46:25,440

have to be when your family not friends

1120

00:46:28,950 --> 00:46:27,200

just sort of have to understand that

1121

00:46:30,150 --> 00:46:28,960

what you do is something that you don't

1122

00:46:31,430 --> 00:46:30,160

talk about or

1123

00:46:33,750 --> 00:46:31,440

and after all

1124

00:46:36,069 --> 00:46:33,760

my closest friends my closest friends in

1125

00:46:38,390 --> 00:46:36,079

my family knew not to push things they

1126

00:46:40,470 --> 00:46:38,400

knew to accept what i told them i also

1127

00:46:42,790 --> 00:46:40,480

told them if ever you're out in public

1128

00:46:44,870 --> 00:46:42,800

and you happen to see me and you weren't

1129

00:46:46,550 --> 00:46:44,880

expecting to meet me

1130

00:46:49,109 --> 00:46:46,560

keep your goddamn mouth shut don't go

1131

00:46:51,270 --> 00:46:49,119

hey walter cause i might not be walter

1132

00:46:53,510 --> 00:46:51,280

at that moment

1133

00:46:55,750 --> 00:46:53,520

you know and there what an incredible

1134

00:46:57,430 --> 00:46:55,760

secret see walter bosley was a secret

1135

00:46:58,950 --> 00:46:57,440

agent everybody yeah i don't know about

1136

00:47:00,550 --> 00:46:58,960

you

1137

00:47:02,870 --> 00:47:00,560

i would have used that

1138

00:47:04,309 --> 00:47:02,880

i would use that to get laid if i were

1139

00:47:06,150 --> 00:47:04,319

you well

1140

00:47:10,470 --> 00:47:06,160

that sucks that's the part of being a

1141

00:47:14,470 --> 00:47:12,309

it's easy enough for that to happen

1142

00:47:16,230 --> 00:47:14,480

among colleagues so

1143

00:47:17,910 --> 00:47:16,240

you don't have to and believe me the

1144

00:47:19,670 --> 00:47:17,920

reason that's not discouraged is so that

1145

00:47:21,430 --> 00:47:19,680

you're not out there in the bars banning

1146

00:47:23,510 --> 00:47:21,440

and about which a real pro wouldn't do

1147

00:47:25,990 --> 00:47:23,520

but you get the point yeah well mr

1148

00:47:27,829 --> 00:47:26,000

bosley then so are am i just at a dead

1149

00:47:29,750 --> 00:47:27,839

end with this document and we're not

1150

00:47:31,270 --> 00:47:29,760

gonna i'm not gonna find anything else

1151

00:47:33,270 --> 00:47:31,280

out of you yeah you're not no matter

1152

00:47:35,510 --> 00:47:33,280

what dick because i don't want to bother

1153

00:47:37,510 --> 00:47:35,520

digging if it's gonna be dead

1154

00:47:40,710 --> 00:47:37,520

no don't don't fool with this when he's

1155

00:47:42,470 --> 00:47:40,720

rightfully um under no obligation to

1156

00:47:44,390 --> 00:47:42,480

explain this at all

1157

00:47:45,990 --> 00:47:44,400

okay this this is a i think people are

1158

00:47:48,230 --> 00:47:46,000

still going to ask about it though

1159

00:47:51,430 --> 00:47:48,240

people can ask all these out of the bag

1160

00:47:53,349 --> 00:47:51,440

as they say mr bosley people can ask all

1161

00:47:55,910 --> 00:47:53,359

they want but i'm telling you i've

1162

00:47:58,230 --> 00:47:55,920

worked very cl

1163

00:48:00,150 --> 00:47:58,240

i've worked in this world okay

1164

00:48:02,069 --> 00:48:00,160

there's nothing even you guys know that

1165

00:48:05,190 --> 00:48:02,079

i'm not impressed with lou elizondo you

1166

00:48:07,349 --> 00:48:05,200

guys know that i've thought from 2017 or

1167

00:48:09,750 --> 00:48:07,359

18 whenever it was he emerged i said it

1168

00:48:10,950 --> 00:48:09,760

on my youtube i said it in every damn

1169

00:48:13,510 --> 00:48:10,960

interview where i was asked about him

1170

00:48:16,309 --> 00:48:13,520

for about four years now five years i've

1171

00:48:19,030 --> 00:48:16,319

said he was operational and this that

1172

00:48:21,910 --> 00:48:19,040

and the other but still that said this

1173

00:48:24,710 --> 00:48:21,920

one here looks legitimate to me

1174

00:48:27,109 --> 00:48:24,720

and i see nothing you know nothing to

1175

00:48:29,270 --> 00:48:27,119

constantly question and obsess on

1176

00:48:31,430 --> 00:48:29,280

you know but i mean you know who am i

1177

00:48:33,910 --> 00:48:31,440

there's people in the ufo community that

1178

00:48:36,150 --> 00:48:33,920

they know way more than anybody who ever

1179

00:48:38,309 --> 00:48:36,160

lived but

1180

00:48:39,829 --> 00:48:38,319

yeah we know those times i always love

1181

00:48:41,430 --> 00:48:39,839

it when there's a guy like you though

1182

00:48:43,750 --> 00:48:41,440

that actually see

1183

00:48:45,990 --> 00:48:43,760

this this is the good part i have to

1184

00:48:48,790 --> 00:48:46,000

remind myself mr bosley that there's so

1185

00:48:51,030 --> 00:48:48,800

many really scummy people

1186

00:48:52,630 --> 00:48:51,040

in this thing i have to remind myself

1187

00:48:55,190 --> 00:48:52,640

sometimes the good people like you

1188

00:48:57,030 --> 00:48:55,200

because i don't know about this like i i

1189

00:48:58,790 --> 00:48:57,040

could have wasted two weeks of my life

1190

00:49:00,950 --> 00:48:58,800

trying to find out more

1191

00:49:04,230 --> 00:49:00,960

when i don't know how this works and how

1192

00:49:06,309 --> 00:49:04,240

it works is you keep your we we got

1193

00:49:07,589 --> 00:49:06,319

extremely lucky with the very

1194

00:49:11,109 --> 00:49:07,599

with a very

1195

00:49:13,910 --> 00:49:11,119

incredible source of mind who uh

1196

00:49:16,390 --> 00:49:13,920

digs like crazy nobody else has found

1197

00:49:19,349 --> 00:49:16,400

out this about mr elizondo

1198

00:49:21,829 --> 00:49:19,359

i've nev you know so this is a stroke of

1199

00:49:23,990 --> 00:49:21,839

luck but then it sucks because we're not

1200

00:49:25,750 --> 00:49:24,000

going to get any more information unless

1201

00:49:27,030 --> 00:49:25,760

he wants to talk and he's not going to

1202

00:49:29,349 --> 00:49:27,040

talk about this this one here's

1203

00:49:30,870 --> 00:49:29,359

legitimate i'm curious more about the

1204

00:49:33,030 --> 00:49:30,880

space force one that one's more

1205

00:49:35,670 --> 00:49:33,040

interesting and

1206

00:49:37,589 --> 00:49:35,680

you know keep digging because the the

1207

00:49:40,069 --> 00:49:37,599

the one i've always suspected with him

1208

00:49:41,750 --> 00:49:40,079

and do to this day is a perception

1209

00:49:43,829 --> 00:49:41,760

management up for one of the

1210

00:49:45,270 --> 00:49:43,839

intelligence agencies

1211

00:49:47,349 --> 00:49:45,280

this isn't going to tell you anything

1212

00:49:50,390 --> 00:49:47,359

about that now

1213

00:49:54,150 --> 00:49:52,069

now i would say

1214

00:49:55,589 --> 00:49:54,160

if i had to guess between the two off

1215

00:49:58,230 --> 00:49:55,599

the top of my head

1216

00:50:01,670 --> 00:49:58,240

i would say if if anything like this

1217

00:50:05,109 --> 00:50:01,680

would be used as a cover backstop

1218

00:50:07,190 --> 00:50:05,119

for an undercover psyop operation

1219

00:50:09,910 --> 00:50:07,200

i would argue i would argue that the

1220

00:50:12,630 --> 00:50:09,920

space force one might be that more than

1221

00:50:13,990 --> 00:50:12,640

this but

1222

00:50:15,829 --> 00:50:14,000

but let me

1223

00:50:18,390 --> 00:50:15,839

let me as soon as i said that now let me

1224

00:50:21,430 --> 00:50:18,400

step back on that actually

1225

00:50:24,069 --> 00:50:21,440

it's more likely that the psy let's say

1226

00:50:26,790 --> 00:50:24,079

he is under contract undercover psyop

1227

00:50:30,870 --> 00:50:26,800

that would be backstopped by

1228

00:50:32,870 --> 00:50:30,880

a civilian world cover you follow me it

1229

00:50:35,510 --> 00:50:32,880

would not be it would not likely be

1230

00:50:36,790 --> 00:50:35,520

backstopped by something like this it

1231

00:50:39,190 --> 00:50:36,800

could be

1232

00:50:41,510 --> 00:50:39,200

i'm not saying they don't use

1233

00:50:43,190 --> 00:50:41,520

like we know this is in books and movies

1234

00:50:45,589 --> 00:50:43,200

everybody knows this embassies are where

1235

00:50:48,069 --> 00:50:45,599

the spy is at right the spies are at

1236

00:50:50,309 --> 00:50:48,079

okay and when you are a spy assigned to

1237

00:50:52,710 --> 00:50:50,319

an embassy your cia guy or whatever

1238

00:50:55,190 --> 00:50:52,720

assigned to an embassy you have your

1239

00:50:57,270 --> 00:50:55,200

embassy duties and you're given a title

1240

00:50:59,270 --> 00:50:57,280

you actually kind of half-ass do that

1241

00:51:01,030 --> 00:50:59,280

job and that's your cover because what

1242

00:51:03,829 --> 00:51:01,040

you really are is a spy so i'm not

1243

00:51:06,549 --> 00:51:03,839

saying that they don't use other

1244

00:51:10,390 --> 00:51:06,559

government gigs for cover but they they

1245

00:51:14,069 --> 00:51:10,400

often use private company stuff

1246

00:51:16,230 --> 00:51:14,079

now with this being this llc

1247

00:51:17,910 --> 00:51:16,240

the only thing this could be that you

1248

00:51:21,829 --> 00:51:17,920

would find interesting

1249

00:51:23,670 --> 00:51:21,839

is if it's serving as the cover for his

1250

00:51:26,710 --> 00:51:23,680

psyop

1251

00:51:27,990 --> 00:51:26,720

contract which i suspect i don't know

1252

00:51:30,150 --> 00:51:28,000

but

1253

00:51:32,069 --> 00:51:30,160

so if i'm right about that just for

1254

00:51:34,309 --> 00:51:32,079

giggles i'm gonna i'm gonna email the

1255

00:51:36,630 --> 00:51:34,319

pentagon and say can you confirm or deny

1256

00:51:38,470 --> 00:51:36,640

that little eliza is part of a psyop to

1257

00:51:40,549 --> 00:51:38,480

infiltrate the ufo community based on

1258

00:51:41,910 --> 00:51:40,559

this statement and you're gonna

1259

00:51:44,150 --> 00:51:41,920

you're probably not even gonna get an

1260

00:51:46,390 --> 00:51:44,160

answer but you know she doesn't answer

1261

00:51:49,349 --> 00:51:46,400

me ever like look i don't understand how

1262

00:51:51,190 --> 00:51:49,359

this works mr bosley yeah because i i

1263

00:51:53,190 --> 00:51:51,200

get it like it's not like i work for the

1264

00:51:55,190 --> 00:51:53,200

new york times do you know what i mean i

1265

00:51:58,150 --> 00:51:55,200

think maybe she gets inundated with

1266

00:52:00,630 --> 00:51:58,160

requests for information she sees

1267

00:52:02,390 --> 00:52:00,640

truth seekers what is this oh a podcast

1268

00:52:04,390 --> 00:52:02,400

proof i don't have time to talk to

1269

00:52:06,470 --> 00:52:04,400

podcast people or whatever and we never

1270

00:52:09,109 --> 00:52:06,480

get an answer and that kind of bothers

1271

00:52:11,510 --> 00:52:09,119

me because i'm a taxpayer

1272

00:52:13,670 --> 00:52:11,520

and this guy uh first said that there

1273

00:52:15,829 --> 00:52:13,680

was 22 million in taxpayer funds for

1274

00:52:18,150 --> 00:52:15,839

this program investigating ufos that all

1275

00:52:19,910 --> 00:52:18,160

turned out to be bs but where i think

1276  
00:52:22,549 --> 00:52:19,920  
they should have to answer us you know

1277  
00:52:24,309 --> 00:52:22,559  
where where is this llc place located

1278  
00:52:26,230 --> 00:52:24,319  
that you showed what

1279  
00:52:28,630 --> 00:52:26,240  
geographically where is it located uh

1280  
00:52:31,750 --> 00:52:28,640  
let me see consolidated nuclear llc

1281  
00:52:34,549 --> 00:52:31,760  
operates uh the pan-plex plant and the

1282  
00:52:36,870 --> 00:52:34,559  
y-12 national security complex in

1283  
00:52:38,790 --> 00:52:36,880  
support of national nuclear security

1284  
00:52:40,630 --> 00:52:38,800  
administration uh let me see the

1285  
00:52:42,150 --> 00:52:40,640  
contacts and see where their corporate

1286  
00:52:46,390 --> 00:52:42,160  
office is

1287  
00:52:48,950 --> 00:52:46,400  
uh let me see 806 area code let me see

1288  
00:52:51,750 --> 00:52:48,960

where 806 area code sorry i'm a little

1289

00:52:55,990 --> 00:52:51,760

we've rushed for this uh broadcast so

1290

00:52:57,750 --> 00:52:56,000

let me see one second area code 806 is

1291

00:53:00,470 --> 00:52:57,760

telephone and north american numbering

1292

00:53:03,270 --> 00:53:00,480

plan and it's in the state of texas in

1293

00:53:06,549 --> 00:53:03,280

the panhandle uh and south plains so

1294

00:53:08,630 --> 00:53:06,559

this is in the state of texas so that's

1295

00:53:11,190 --> 00:53:08,640

his residence he lives in where does he

1296

00:53:13,670 --> 00:53:11,200

live wyoming montana what uh something

1297

00:53:14,549 --> 00:53:13,680

like that i'm not sure yeah okay that's

1298

00:53:16,309 --> 00:53:14,559

yeah

1299

00:53:18,390 --> 00:53:16,319

i think wyoming i think is where he

1300

00:53:20,309 --> 00:53:18,400

actually lives so that's kind of

1301  
00:53:22,870 --> 00:53:20,319  
here in wyoming you know there were

1302  
00:53:23,750 --> 00:53:22,880  
nuclear weapons sites there obviously

1303  
00:53:25,750 --> 00:53:23,760  
um

1304  
00:53:27,430 --> 00:53:25,760  
yeah they had all those secret silos

1305  
00:53:28,390 --> 00:53:27,440  
right yeah

1306  
00:53:30,630 --> 00:53:28,400  
um

1307  
00:53:32,470 --> 00:53:30,640  
that doesn't mean that that's what yeah

1308  
00:53:34,470 --> 00:53:32,480  
so so

1309  
00:53:35,589 --> 00:53:34,480  
as we think this through and follow the

1310  
00:53:38,470 --> 00:53:35,599  
threads

1311  
00:53:40,950 --> 00:53:38,480  
if he's legitimately doing this work

1312  
00:53:42,069 --> 00:53:40,960  
then that's good solid work and you know

1313  
00:53:43,750 --> 00:53:42,079

you're not going to get anything out of

1314

00:53:47,030 --> 00:53:43,760

him by the way but

1315

00:53:47,910 --> 00:53:47,040

the one shred of possibility is that if

1316

00:53:49,589 --> 00:53:47,920

this

1317

00:53:52,069 --> 00:53:49,599

is his cover

1318

00:53:54,069 --> 00:53:52,079

for the psyop work but

1319

00:53:58,069 --> 00:53:54,079

the thing that throws me off there is he

1320

00:54:00,309 --> 00:53:58,079

would not be a chief engineer of that if

1321

00:54:02,069 --> 00:54:00,319

this were just a cover

1322

00:54:03,910 --> 00:54:02,079

chief engineer implies that he's

1323

00:54:08,710 --> 00:54:03,920

actually doing

1324

00:54:14,069 --> 00:54:11,670

he could be remember all of this it it's

1325

00:54:17,349 --> 00:54:14,079

it's possible but based on experience

1326

00:54:20,710 --> 00:54:17,359

what you do is you narrow down right the

1327

00:54:23,270 --> 00:54:20,720

the percentage of possibility um he

1328

00:54:26,069 --> 00:54:23,280

would just be kind of like identified as

1329

00:54:28,230 --> 00:54:26,079

a a consultant or you know just one of

1330

00:54:30,630 --> 00:54:28,240

the standard guys on staff

1331

00:54:33,109 --> 00:54:30,640

he would i doubt he would be identified

1332

00:54:35,589 --> 00:54:33,119

as the chief engineer

1333

00:54:38,150 --> 00:54:35,599

for this company if this were a cover

1334

00:54:40,390 --> 00:54:38,160

for an undercover intelligence off so

1335

00:54:43,109 --> 00:54:40,400

okay and just so i'm clear the cover is

1336

00:54:45,190 --> 00:54:43,119

also how the agent is paid right so in

1337

00:54:47,510 --> 00:54:45,200

other words if they want to pay him to

1338

00:54:50,470 --> 00:54:47,520

infiltrate the ufo community and run a

1339

00:54:52,470 --> 00:54:50,480

psy up on perception management or or

1340

00:54:54,309 --> 00:54:52,480

controlling the narrative whatever it is

1341

00:54:55,990 --> 00:54:54,319

they got to have a cover way to pay him

1342

00:54:57,030 --> 00:54:56,000

so they would give him some job like

1343

00:54:59,190 --> 00:54:57,040

they could

1344

00:55:00,470 --> 00:54:59,200

presumably give him some job like this

1345

00:55:02,390 --> 00:55:00,480

and that's where his paychecks are

1346

00:55:04,230 --> 00:55:02,400

coming through

1347

00:55:06,230 --> 00:55:04,240

that makes sense yeah and thank you

1348

00:55:07,670 --> 00:55:06,240

simon smith for kindness generosity and

1349

00:55:10,150 --> 00:55:07,680

support

1350

00:55:12,150 --> 00:55:10,160

and for those who think i'm being a dick

1351  
00:55:13,190 --> 00:55:12,160  
revealing stuff blah blah blah here's

1352  
00:55:14,710 --> 00:55:13,200  
the deal

1353  
00:55:16,789 --> 00:55:14,720  
um

1354  
00:55:18,549 --> 00:55:16,799  
i'm sorry did i just make you lose your

1355  
00:55:20,630 --> 00:55:18,559  
27 cents

1356  
00:55:22,549 --> 00:55:20,640  
no well you're fine that's okay i gotta

1357  
00:55:24,630 --> 00:55:22,559  
become um we have the super chats to

1358  
00:55:26,710 --> 00:55:24,640  
cover for like guy cracker who says is

1359  
00:55:28,230 --> 00:55:26,720  
lou publishing his weapon tonight i

1360  
00:55:30,710 --> 00:55:28,240  
don't know what that means but thank you

1361  
00:55:32,390 --> 00:55:30,720  
for your kindness polishing his weapon

1362  
00:55:34,630 --> 00:55:32,400  
polishing his weapon yeah he called him

1363  
00:55:37,349 --> 00:55:34,640

a weapons polisher nothing more than a

1364

00:55:40,309 --> 00:55:37,359

weapons publisher okay um

1365

00:55:41,990 --> 00:55:40,319

so uh uh here's the thing it's not hard

1366

00:55:43,910 --> 00:55:42,000

to figure that out what you just said

1367

00:55:45,829 --> 00:55:43,920

that yeah he would be paid

1368

00:55:48,470 --> 00:55:45,839

what's really classified what really

1369

00:55:51,109 --> 00:55:48,480

hurts agents in the field is when you

1370

00:55:52,109 --> 00:55:51,119

talk details the who the where that kind

1371

00:55:54,309 --> 00:55:52,119

of thing and that's where

1372

00:55:55,349 --> 00:55:54,319

compartmentalization comes in you know

1373

00:55:57,109 --> 00:55:55,359

um

1374

00:55:59,670 --> 00:55:57,119

so you know i don't know those kind of

1375

00:56:03,510 --> 00:55:59,680

details all i can tell you is the basics

1376

00:56:06,230 --> 00:56:03,520

and let's remember that that um

1377

00:56:07,670 --> 00:56:06,240

it's elizondo's own words and behavior

1378

00:56:10,630 --> 00:56:07,680

and our experience with him in this

1379

00:56:12,950 --> 00:56:10,640

community that has unfortunately for him

1380

00:56:14,390 --> 00:56:12,960

kind of inspired people looking more

1381

00:56:16,470 --> 00:56:14,400

closely at him if he thought people

1382

00:56:19,030 --> 00:56:16,480

weren't going to go oh yeah i mean if

1383

00:56:20,870 --> 00:56:19,040

people start threatening my family in

1384

00:56:21,910 --> 00:56:20,880

his name and he's aware of it and

1385

00:56:24,309 --> 00:56:21,920

doesn't

1386

00:56:27,910 --> 00:56:24,319

say anything about that i get a little

1387

00:56:30,230 --> 00:56:27,920

bit i i start digging deeper he should

1388

00:56:34,710 --> 00:56:30,240

have been from

1389

00:56:36,150 --> 00:56:34,720

telling his fanatical his stands to not

1390

00:56:38,950 --> 00:56:36,160

do that crap

1391

00:56:40,470 --> 00:56:38,960

you know um yeah well lou from you

1392

00:56:42,870 --> 00:56:40,480

unidentified celebrity reviews here

1393

00:56:44,789 --> 00:56:42,880

asking what you missed we've located

1394

00:56:46,630 --> 00:56:44,799

some documents no one's ever located

1395

00:56:48,870 --> 00:56:46,640

before that seemed to indicate what lou

1396

00:56:51,349 --> 00:56:48,880

alzondo actually does for a full-time

1397

00:56:53,510 --> 00:56:51,359

job this is meeting minutes from a

1398

00:56:57,589 --> 00:56:53,520

department of energy meeting

1399

00:57:01,510 --> 00:56:57,599

uh that took place uh some time ago

1400

00:57:04,710 --> 00:57:01,520

this is uh march to march 2nd 2022 at 2

1401  
00:57:07,030 --> 00:57:04,720  
p.m and included in the meeting is one

1402  
00:57:09,109 --> 00:57:07,040  
luis elizondo who works for company

1403  
00:57:12,230 --> 00:57:09,119  
called cns

1404  
00:57:16,470 --> 00:57:12,240  
the meeting was this year it wasn't 2019

1405  
00:57:18,230 --> 00:57:16,480  
no it's from march 2nd 2022 at 2 p.m oh

1406  
00:57:20,309 --> 00:57:18,240  
so it was just this past march this

1407  
00:57:23,750 --> 00:57:20,319  
meeting took place which means likely he

1408  
00:57:25,829 --> 00:57:23,760  
is still employed there so luke from ucr

1409  
00:57:28,390 --> 00:57:25,839  
he is listed here as working for a

1410  
00:57:30,230 --> 00:57:28,400  
company called cns consolidated nuclear

1411  
00:57:32,470 --> 00:57:30,240  
safety llc

1412  
00:57:34,390 --> 00:57:32,480  
as a weapons and safety

1413  
00:57:36,789 --> 00:57:34,400

analysis chief engineer and we've

1414

00:57:39,270 --> 00:57:36,799

brought in former intelligence officer

1415

00:57:41,190 --> 00:57:39,280

walter bosley to help us navigate this

1416

00:57:42,549 --> 00:57:41,200

and sort of try to translate what's

1417

00:57:45,510 --> 00:57:42,559

going on here

1418

00:57:47,990 --> 00:57:45,520

and this of course is in addition to his

1419

00:57:51,109 --> 00:57:48,000

to the pentagon uh confirming that he

1420

00:57:52,630 --> 00:57:51,119

works as a consultant on classified uh

1421

00:57:55,670 --> 00:57:52,640

things for the

1422

00:57:57,829 --> 00:57:55,680

space force did they specify when they

1423

00:57:59,910 --> 00:57:57,839

said classified things what did they

1424

00:58:01,589 --> 00:57:59,920

specify no i'm gonna i'm trying i'm

1425

00:58:03,589 --> 00:58:01,599

gonna try to find the actual quote if

1426

00:58:05,829 --> 00:58:03,599

anybody has the quote that the pentagon

1427

00:58:07,829 --> 00:58:05,839

recently released about lou elizondo

1428

00:58:09,430 --> 00:58:07,839

please put it in the live chat so we

1429

00:58:12,309 --> 00:58:09,440

yeah i i should have had that and i

1430

00:58:14,470 --> 00:58:12,319

apologize but we did rush this to uh

1431

00:58:16,789 --> 00:58:14,480

and by the way mr bosley i'm here at the

1432

00:58:18,549 --> 00:58:16,799

cabin with like uh a cabin full of

1433

00:58:20,789 --> 00:58:18,559

guests yeah i know you've got a problem

1434

00:58:23,670 --> 00:58:20,799

with my wife you need to take off i

1435

00:58:25,349 --> 00:58:23,680

would say yeah well we no i thought this

1436

00:58:27,430 --> 00:58:25,359

was so important and i wanted to get

1437

00:58:29,190 --> 00:58:27,440

this information out and by the way for

1438

00:58:31,670 --> 00:58:29,200

the benefit of lou from unidentified

1439

00:58:34,150 --> 00:58:31,680

celebrity review or anyone else there is

1440

00:58:36,390 --> 00:58:34,160

a link in the description to this exact

1441

00:58:39,030 --> 00:58:36,400

document which is a meetings minute from

1442

00:58:41,349 --> 00:58:39,040

the energy department and it shows all

1443

00:58:42,870 --> 00:58:41,359

of the people that were in on this

1444

00:58:45,750 --> 00:58:42,880

briefing meeting

1445

00:58:48,950 --> 00:58:45,760

and lou elizondo is listed here as one

1446

00:58:51,270 --> 00:58:48,960

of the employees that were included

1447

00:58:53,750 --> 00:58:51,280

and he is uh listed as a weapons and

1448

00:58:56,150 --> 00:58:53,760

safety analysis chief engineer

1449

00:58:58,870 --> 00:58:56,160

and mr bosley you believe that this is

1450

00:59:00,549 --> 00:58:58,880

likely his primary full-time job

1451

00:59:01,670 --> 00:59:00,559

it looks like the kind of thing that

1452

00:59:05,109 --> 00:59:01,680

could be

1453

00:59:08,150 --> 00:59:05,119

his primary contract but remember it all

1454

00:59:09,030 --> 00:59:08,160

depends on how time consuming his duties

1455

00:59:11,030 --> 00:59:09,040

are

1456

00:59:14,069 --> 00:59:11,040

it's conceivable keep this in mind

1457

00:59:16,549 --> 00:59:14,079

please it's conceivable that he could

1458

00:59:19,109 --> 00:59:16,559

work the equivalent of you know 40 man

1459

00:59:21,030 --> 00:59:19,119

hours in a given month on whatever his

1460

00:59:23,270 --> 00:59:21,040

responsibilities are for this contract

1461

00:59:26,470 --> 00:59:23,280

and that frees up the rest of his time

1462

00:59:27,670 --> 00:59:26,480

to do other things so it what we don't

1463

00:59:29,670 --> 00:59:27,680

know here

1464

00:59:31,270 --> 00:59:29,680

is oh here's the here's the quote thanks

1465

00:59:33,349 --> 00:59:31,280

lou the quote is

1466

00:59:35,430 --> 00:59:33,359

pentagon admits whistleblowers claim

1467

00:59:38,630 --> 00:59:35,440

that he continues to work for u.s space

1468

00:59:42,470 --> 00:59:38,640

force on quote classified topics unquote

1469

00:59:45,589 --> 00:59:42,480

classified topics uh that's interesting

1470

00:59:47,190 --> 00:59:45,599

yeah now now now the fact that the

1471

00:59:49,109 --> 00:59:47,200

pentagon admits

1472

00:59:51,190 --> 00:59:49,119

the client the fact that

1473

00:59:52,870 --> 00:59:51,200

they're quoting that publicly

1474

00:59:53,829 --> 00:59:52,880

classified

1475

00:59:58,870 --> 00:59:53,839

don't

1476

01:00:00,549 --> 00:59:58,880

deeply or highly classified stuff

1477

01:00:02,630 --> 01:00:00,559

okay it could be

1478

01:00:04,870 --> 01:00:02,640

secret level

1479

01:00:06,710 --> 01:00:04,880

not yeah i think it's important that

1480

01:00:09,510 --> 01:00:06,720

everybody realize that this man has

1481

01:00:10,950 --> 01:00:09,520

degrees in biology and things and likely

1482

01:00:14,630 --> 01:00:10,960

worked on

1483

01:00:16,230 --> 01:00:14,640

things like chemical weapons safety or

1484

01:00:18,870 --> 01:00:16,240

or things like that yeah and that's

1485

01:00:20,870 --> 01:00:18,880

where biology unless unless he was

1486

01:00:23,990 --> 01:00:20,880

working on those

1487

01:00:25,190 --> 01:00:24,000

thousands of autopsies with uh emery

1488

01:00:26,870 --> 01:00:25,200

smith now

1489

01:00:29,030 --> 01:00:26,880

he could have been working on the aliens

1490

01:00:31,589 --> 01:00:29,040

yeah that's that's a joke seriously

1491

01:00:35,430 --> 01:00:33,190

oh no we're gonna do it we're gonna do a

1492

01:00:37,349 --> 01:00:35,440

whole breaking news walter bostwick says

1493

01:00:40,549 --> 01:00:37,359

lou alexander worked on three thousand

1494

01:00:43,589 --> 01:00:40,559

alien autopsies yeah um no the bio

1495

01:00:47,990 --> 01:00:43,599

weapons would be a good guess as to um

1496

01:00:49,589 --> 01:00:48,000

why a guy with uh education in biology

1497

01:00:51,349 --> 01:00:49,599

you know could be very useful and stuff

1498

01:00:52,870 --> 01:00:51,359

because he was he was military i mean we

1499

01:00:55,109 --> 01:00:52,880

all had to get

1500

01:00:56,870 --> 01:00:55,119

some level of you know training to live

1501  
01:00:58,309 --> 01:00:56,880  
with that reality in fact that scared me

1502  
01:00:59,430 --> 01:00:58,319  
more than bullets

1503  
01:01:01,910 --> 01:00:59,440  
to be honest

1504  
01:01:07,109 --> 01:01:01,920  
uh biological weapons oh yeah that

1505  
01:01:10,390 --> 01:01:08,630  
yeah i mean uh

1506  
01:01:12,069 --> 01:01:10,400  
if you've ever i i know that you're sort

1507  
01:01:13,750 --> 01:01:12,079  
of a history buff all that stuff in

1508  
01:01:15,270 --> 01:01:13,760  
world war ii

1509  
01:01:17,750 --> 01:01:15,280  
you know they were working on all kinds

1510  
01:01:20,150 --> 01:01:17,760  
of crazy gases and things world war one

1511  
01:01:22,069 --> 01:01:20,160  
going back world war one yeah when they

1512  
01:01:24,309 --> 01:01:22,079  
started mustard gas and all that

1513  
01:01:26,950 --> 01:01:24,319

diabolical stuff you know and then of

1514

01:01:28,789 --> 01:01:26,960

course our friends the nazi scientists

1515

01:01:30,710 --> 01:01:28,799

i've never understood those were you

1516

01:01:33,030 --> 01:01:30,720

know the that

1517

01:01:35,670 --> 01:01:33,040

somehow that's that's too much

1518

01:01:38,470 --> 01:01:35,680

biological weapons are off the table but

1519

01:01:39,589 --> 01:01:38,480

you can nuke people shoot them bomb them

1520

01:01:41,670 --> 01:01:39,599

burn them

1521

01:01:43,990 --> 01:01:41,680

but don't use it it doesn't make any

1522

01:01:44,950 --> 01:01:44,000

wars war to me it's all horrific you

1523

01:01:45,990 --> 01:01:44,960

know

1524

01:01:52,069 --> 01:01:46,000

yeah

1525

01:01:54,710 --> 01:01:52,079

for the last how many centuries

1526

01:01:55,990 --> 01:01:54,720

you know or how many decades into over a

1527

01:01:57,270 --> 01:01:56,000

century

1528

01:01:59,990 --> 01:01:57,280

war is

1529

01:02:02,870 --> 01:02:00,000

it wasn't always obvious it has been

1530

01:02:05,589 --> 01:02:02,880

obvious in the modern era how war gets

1531

01:02:08,069 --> 01:02:05,599

used for nefarious purposes and now in

1532

01:02:11,150 --> 01:02:08,079

the last since world war ii it has

1533

01:02:13,670 --> 01:02:11,160

become obvious that war is a tool of our

1534

01:02:15,910 --> 01:02:13,680

military-industrial complex right i mean

1535

01:02:18,069 --> 01:02:15,920

just look at what's going on between the

1536

01:02:20,549 --> 01:02:18,079

ukraine and russia if you know the

1537

01:02:21,589 --> 01:02:20,559

people who still think that's an organic

1538

01:02:23,190 --> 01:02:21,599

cause

1539

01:02:26,710 --> 01:02:23,200

are just ignorant

1540

01:02:28,069 --> 01:02:26,720

um that is not

1541

01:02:29,190 --> 01:02:28,079

what

1542

01:02:31,589 --> 01:02:29,200

a lot of

1543

01:02:34,549 --> 01:02:31,599

raw raw people are thinking it is and

1544

01:02:35,990 --> 01:02:34,559

it's not what it's reported that's you

1545

01:02:38,230 --> 01:02:36,000

know

1546

01:02:40,789 --> 01:02:38,240

that's kind of what i'm talking about is

1547

01:02:42,150 --> 01:02:40,799

yeah as far as the horrors of war is now

1548

01:02:44,069 --> 01:02:42,160

you don't know

1549

01:02:46,630 --> 01:02:44,079

if a conflict you're involved with is

1550

01:02:47,510 --> 01:02:46,640

legitimate or not i mean

1551

01:02:49,670 --> 01:02:47,520

it's

1552

01:02:52,150 --> 01:02:49,680

we live in the murkiest

1553

01:02:54,390 --> 01:02:52,160

the murkiest time

1554

01:02:56,470 --> 01:02:54,400

you know in a long time

1555

01:02:58,390 --> 01:02:56,480

yeah yeah i mean i i would have never

1556

01:03:01,109 --> 01:02:58,400

envisioned i sort of envisioned the

1557

01:03:02,710 --> 01:03:01,119

internet being what it became but i i

1558

01:03:05,029 --> 01:03:02,720

never thought about

1559

01:03:06,789 --> 01:03:05,039

the implications and like how

1560

01:03:09,750 --> 01:03:06,799

you know people could intelligence

1561

01:03:11,510 --> 01:03:09,760

agencies and foreign governments can use

1562

01:03:13,510 --> 01:03:11,520

the internet and social media to

1563

01:03:15,829 --> 01:03:13,520

influence people and

1564

01:03:16,710 --> 01:03:15,839

it's it's crazy out there right now you

1565

01:03:20,470 --> 01:03:16,720

know

1566

01:03:25,910 --> 01:03:23,270

that didn't sit well with me it's scary

1567

01:03:27,750 --> 01:03:25,920

what's going on with well you know hey

1568

01:03:29,910 --> 01:03:27,760

that's another discussion we can have

1569

01:03:32,950 --> 01:03:29,920

ever since world war ii specifically

1570

01:03:34,710 --> 01:03:32,960

operation paperclip the more nazi

1571

01:03:37,430 --> 01:03:34,720

um

1572

01:03:40,069 --> 01:03:37,440

in in practice the certain aspects of

1573

01:03:42,789 --> 01:03:40,079

the united states has leaned towards and

1574

01:03:46,309 --> 01:03:42,799

it's really

1575

01:03:48,470 --> 01:03:46,319

deeply disappointing and shocking and

1576

01:03:50,230 --> 01:03:48,480

yeah man

1577

01:03:51,510 --> 01:03:50,240

yeah and i wanted to ask you what

1578

01:03:53,029 --> 01:03:51,520

questions

1579

01:03:54,549 --> 01:03:53,039

i i wanted to ask you i heard that

1580

01:03:56,390 --> 01:03:54,559

you're working on a movie right you're

1581

01:03:58,630 --> 01:03:56,400

working on a film right now can you tell

1582

01:04:00,710 --> 01:03:58,640

us oh yeah i'm working on one of my

1583

01:04:03,109 --> 01:04:00,720

a micro budget personal film project

1584

01:04:05,430 --> 01:04:03,119

titled the kaleidoscope grimoire

1585

01:04:08,390 --> 01:04:05,440

which uh it has a lot of stop-motion

1586

01:04:10,309 --> 01:04:08,400

animation and i i finished shooting the

1587

01:04:14,230 --> 01:04:10,319

stuff with the live actors

1588

01:04:15,750 --> 01:04:14,240

and it is based on uh it's drawn from

1589

01:04:17,990 --> 01:04:15,760

the egyptian book of the dead the

1590

01:04:20,630 --> 01:04:18,000

tibetan book of the dead and the tibetan

1591

01:04:22,870 --> 01:04:20,640

book of the great liberation and and you

1592

01:04:24,069 --> 01:04:22,880

know oh that sounds like an interesting

1593

01:04:27,109 --> 01:04:24,079

yeah

1594

01:04:29,910 --> 01:04:27,119

interesting thing for uh and it's right

1595

01:04:32,150 --> 01:04:29,920

for yeah when i do movies i don't

1596

01:04:34,630 --> 01:04:32,160

i when i do movies or write fiction i

1597

01:04:36,630 --> 01:04:34,640

don't give a rat's ass who clutches

1598

01:04:39,750 --> 01:04:36,640

their pearls over what i write i follow

1599

01:04:41,109 --> 01:04:39,760

the story i tell the story as it wants

1600

01:04:44,150 --> 01:04:41,119

to be told

1601  
01:04:45,270 --> 01:04:44,160  
and uh you know my stuff is not for kids

1602  
01:04:48,950 --> 01:04:45,280  
um

1603  
01:04:51,750 --> 01:04:48,960  
and it's not for uh namby pam's and uh

1604  
01:04:53,750 --> 01:04:51,760  
this movie in particular

1605  
01:04:56,150 --> 01:04:53,760  
is gonna make some people collect some

1606  
01:04:59,109 --> 01:04:56,160  
people clutch their pearls and um i

1607  
01:05:02,309 --> 01:05:00,950  
yeah yeah well you know what's

1608  
01:05:04,549 --> 01:05:02,319  
interesting is

1609  
01:05:07,670 --> 01:05:04,559  
the egyptian book of the dead

1610  
01:05:09,990 --> 01:05:07,680  
is sort of a guide right for how to get

1611  
01:05:12,950 --> 01:05:10,000  
how to manage the afterlife and it's

1612  
01:05:14,630 --> 01:05:12,960  
always interesting to me that uh that uh

1613  
01:05:17,109 --> 01:05:14,640

i have a bunch of books on the egyptian

1614

01:05:18,950 --> 01:05:17,119

book of the dead because i always worry

1615

01:05:21,589 --> 01:05:18,960

what if what if you need to know this

1616

01:05:24,549 --> 01:05:21,599

stuff before you die so that things work

1617

01:05:26,390 --> 01:05:24,559

out okay so i'm combining that yeah i'm

1618

01:05:28,710 --> 01:05:26,400

combining specific things i drew from

1619

01:05:29,589 --> 01:05:28,720

egyptian villa egyptian book of the dead

1620

01:05:31,990 --> 01:05:29,599

and

1621

01:05:32,950 --> 01:05:32,000

in things from the tibetan perspective

1622

01:05:36,549 --> 01:05:32,960

also

1623

01:05:37,670 --> 01:05:36,559

um to put together a story

1624

01:05:39,109 --> 01:05:37,680

you know

1625

01:05:40,390 --> 01:05:39,119

that takes place on the other side of

1626  
01:05:42,309 --> 01:05:40,400  
the veil

1627  
01:05:43,109 --> 01:05:42,319  
and um

1628  
01:05:47,589 --> 01:05:43,119  
it's

1629  
01:05:49,910 --> 01:05:47,599  
wouldn't know any idea when you're gonna

1630  
01:05:52,150 --> 01:05:49,920  
release it or you

1631  
01:05:54,630 --> 01:05:52,160  
we're looking at a film like this and

1632  
01:05:56,470 --> 01:05:54,640  
now that the the longest portion of

1633  
01:05:59,349 --> 01:05:56,480  
production is going to be the stop

1634  
01:06:01,190 --> 01:05:59,359  
motion animation portion and i mean that

1635  
01:06:03,670 --> 01:06:01,200  
takes time i have some experience with

1636  
01:06:06,230 --> 01:06:03,680  
that boy yeah i'm going to start that

1637  
01:06:07,990 --> 01:06:06,240  
mid-october so i don't look i'm giving

1638  
01:06:10,630 --> 01:06:08,000

myself till spring

1639

01:06:13,029 --> 01:06:10,640

to have this movie done so we're looking

1640

01:06:15,109 --> 01:06:13,039

at you know a year from now and what i'm

1641

01:06:16,630 --> 01:06:15,119

trying to do you know cardinal sin our

1642

01:06:19,750 --> 01:06:16,640

friend cardinal sin

1643

01:06:22,630 --> 01:06:19,760

um who you know that

1644

01:06:28,230 --> 01:06:25,750

he's helping me uh uh i want to get it

1645

01:06:31,510 --> 01:06:28,240

on the festival circuit

1646

01:06:34,150 --> 01:06:31,520

oh yeah the film festival um so it won't

1647

01:06:36,710 --> 01:06:34,160

be online anywhere it can't usually with

1648

01:06:38,150 --> 01:06:36,720

the festival rules are it cannot have

1649

01:06:40,710 --> 01:06:38,160

been released it cannot have been

1650

01:06:42,710 --> 01:06:40,720

distributed or seen you know

1651  
01:06:44,549 --> 01:06:42,720  
to be accepted into festivals so if i

1652  
01:06:46,390 --> 01:06:44,559  
can get it in some festivals it'll do

1653  
01:06:48,309 --> 01:06:46,400  
that circuit for a while

1654  
01:06:50,950 --> 01:06:48,319  
and that would be the only place to see

1655  
01:06:52,630 --> 01:06:50,960  
it and then after it's done with that

1656  
01:06:55,190 --> 01:06:52,640  
then

1657  
01:06:58,789 --> 01:06:55,200  
distributors or i might throw it up on

1658  
01:07:02,150 --> 01:06:58,799  
my my youtube um it'll you know

1659  
01:07:03,589 --> 01:07:02,160  
we'll see or vimeo or something but uh

1660  
01:07:05,349 --> 01:07:03,599  
initially

1661  
01:07:07,750 --> 01:07:05,359  
um

1662  
01:07:10,630 --> 01:07:07,760  
uh it will be i'm i'm gonna get the

1663  
01:07:12,470 --> 01:07:10,640

movie done first and then

1664

01:07:13,990 --> 01:07:12,480

i'm going to see if i can get it in some

1665

01:07:16,549 --> 01:07:14,000

festivals

1666

01:07:17,829 --> 01:07:16,559

either way i will ultimately be

1667

01:07:21,349 --> 01:07:17,839

screening it

1668

01:07:22,789 --> 01:07:21,359

at the the old silent era

1669

01:07:24,630 --> 01:07:22,799

movie theater the movie theater here in

1670

01:07:26,710 --> 01:07:24,640

redlands california in the next town

1671

01:07:29,990 --> 01:07:26,720

south of me um

1672

01:07:32,069 --> 01:07:30,000

that was built in 1925 and i screened 10

1673

01:07:33,910 --> 01:07:32,079

years ago this october i screened my

1674

01:07:36,309 --> 01:07:33,920

other silent movie hell's bells which is

1675

01:07:38,470 --> 01:07:36,319

at my youtube and so i want to screen

1676

01:07:40,309 --> 01:07:38,480

this silent movie oh sure yeah that's

1677

01:07:41,510 --> 01:07:40,319

awesome yeah and do a double feature

1678

01:07:44,230 --> 01:07:41,520

i'll do a double feature because these

1679

01:07:45,990 --> 01:07:44,240

films uh hell's bells is only 36 minutes

1680

01:07:49,109 --> 01:07:46,000

uh the kaleidoscope grimoire is only

1681

01:07:51,589 --> 01:07:49,119

going to be a 27 minute film

1682

01:07:51,599 --> 01:07:56,710

yeah it's it's easily rated r

1683

01:07:59,829 --> 01:07:57,750

yeah

1684

01:08:03,109 --> 01:07:59,839

when you get into all this dead people

1685

01:08:05,270 --> 01:08:03,119

sure yeah i'm i'm i'm even a different

1686

01:08:07,990 --> 01:08:05,280

guy as a filmmaker

1687

01:08:08,829 --> 01:08:08,000

than i am as mr well a decade can make

1688

01:08:10,069 --> 01:08:08,839

quite a

1689

01:08:13,829 --> 01:08:10,079

difference and uh

1690

01:08:18,550 --> 01:08:15,270

as a filmmaker

1691

01:08:20,390 --> 01:08:18,560

ufo complainer you're you're the king

1692

01:08:21,510 --> 01:08:20,400

what do you think what do you think of

1693

01:08:23,910 --> 01:08:21,520

this

1694

01:08:25,749 --> 01:08:23,920

what looks to be a coordinated effort

1695

01:08:27,829 --> 01:08:25,759

where people are saying that

1696

01:08:30,709 --> 01:08:27,839

whistleblowers are going to come forward

1697

01:08:32,309 --> 01:08:30,719

soon to talk about back engineered alien

1698

01:08:34,789 --> 01:08:32,319

spacecraft we have i think it's just

1699

01:08:36,550 --> 01:08:34,799

gary nolan said that christopher mellon

1700

01:08:39,349 --> 01:08:36,560

said that several other people are

1701  
01:08:41,349 --> 01:08:39,359  
saying yeah with those guys saying it be

1702  
01:08:44,950 --> 01:08:41,359  
careful because it sounds like they're

1703  
01:08:47,829 --> 01:08:44,960  
just setting up the next stage of the uh

1704  
01:08:49,349 --> 01:08:47,839  
of the perception management narrative

1705  
01:08:52,149 --> 01:08:49,359  
oh by the way this is an image from my

1706  
01:08:54,550 --> 01:08:52,159  
first silent movie oh

1707  
01:08:56,470 --> 01:08:54,560  
laura london and i do a couple of a

1708  
01:08:59,749 --> 01:08:56,480  
two-hour conversation i think it's two

1709  
01:09:02,149 --> 01:08:59,759  
hours about this film the psychological

1710  
01:09:03,590 --> 01:09:02,159  
junior aspects of this film hell's bells

1711  
01:09:05,349 --> 01:09:03,600  
at walter brazley channel and youtube

1712  
01:09:08,309 --> 01:09:05,359  
but to go back to what you said with

1713  
01:09:11,030 --> 01:09:08,319

melon with melon and nolan saying this

1714

01:09:13,030 --> 01:09:11,040

come on me i'm thinking okay who are

1715

01:09:14,709 --> 01:09:13,040

these whistleblowers gonna be well of

1716

01:09:17,510 --> 01:09:14,719

course they're gonna be people selected

1717

01:09:18,829 --> 01:09:17,520

they're gonna be operatives selected or

1718

01:09:21,669 --> 01:09:18,839

or uh

1719

01:09:24,070 --> 01:09:21,679

co-optees what does that mean if they're

1720

01:09:26,950 --> 01:09:24,080

operatives it's gonna be more of this

1721

01:09:29,110 --> 01:09:26,960

hi i used to be in the cia and i'm a

1722

01:09:30,229 --> 01:09:29,120

witness just like you i'm an experienter

1723

01:09:32,709 --> 01:09:30,239

just like you which we've already

1724

01:09:37,110 --> 01:09:32,719

started ramirez

1725

01:09:40,470 --> 01:09:38,870

a co-op

1726

01:09:42,470 --> 01:09:40,480

is

1727

01:09:43,510 --> 01:09:42,480

where they'll take somebody who's out

1728

01:09:46,789 --> 01:09:43,520

there

1729

01:09:49,269 --> 01:09:46,799

and they'll co-opt them they'll say

1730

01:09:51,829 --> 01:09:49,279

they'll push them front and center

1731

01:09:53,749 --> 01:09:51,839

and say go ahead and tell your story you

1732

01:09:55,590 --> 01:09:53,759

know and they'll tell their story and

1733

01:09:58,390 --> 01:09:55,600

they'll be back now this is kind of what

1734

01:10:00,830 --> 01:09:58,400

i think um how corey good and people

1735

01:10:03,510 --> 01:10:00,840

like him were used

1736

01:10:05,830 --> 01:10:03,520

unwittingly you wouldn't use a guy like

1737

01:10:08,310 --> 01:10:05,840

corey good wittingly you would never

1738

01:10:09,830 --> 01:10:08,320

tell him hey i'm a

1739

01:10:11,910 --> 01:10:09,840

an intelligence agent you're going to

1740

01:10:14,149 --> 01:10:11,920

help with a uh oh no you would never

1741

01:10:19,189 --> 01:10:14,159

tell a knucklehead like that and you

1742

01:10:24,149 --> 01:10:21,030

knucklehead you know that's what i call

1743

01:10:26,310 --> 01:10:24,159

my kids when they're misbehaving

1744

01:10:27,189 --> 01:10:26,320

like what are you knuckleheads doing

1745

01:10:29,189 --> 01:10:27,199

yeah

1746

01:10:31,750 --> 01:10:29,199

um but but a wit you know and it could

1747

01:10:33,830 --> 01:10:31,760

be a wedding co-opty but you know they

1748

01:10:35,430 --> 01:10:33,840

don't have to know as much so it's all

1749

01:10:38,790 --> 01:10:35,440

going to depend if they tell us it's

1750

01:10:40,630 --> 01:10:38,800

former uh agency employees oh boy be

1751

01:10:42,229 --> 01:10:40,640

highly suspicious

1752

01:10:44,229 --> 01:10:42,239

if it's not

1753

01:10:46,149 --> 01:10:44,239

previous you know former agency

1754

01:10:48,630 --> 01:10:46,159

employees or u.s government employees or

1755

01:10:51,189 --> 01:10:48,640

whatever still be suspicious if it's

1756

01:10:54,950 --> 01:10:51,199

anything coming from those guys mellon

1757

01:10:57,030 --> 01:10:54,960

um what'd you say gary nolan semivan

1758

01:10:58,790 --> 01:10:57,040

kit green if kit green's in the mix

1759

01:11:01,110 --> 01:10:58,800

anywhere there by the way the the guys

1760

01:11:03,430 --> 01:11:01,120

who made mirage men exalt kit green what

1761

01:11:05,669 --> 01:11:03,440

does that tell you about them uh some

1762

01:11:06,870 --> 01:11:05,679

people some people i've heard have even

1763

01:11:09,350 --> 01:11:06,880

suspected

1764

01:11:17,990 --> 01:11:09,360

the mirage man filmmakers to be co-opted

1765

01:11:23,430 --> 01:11:20,550

i'm seriously doubtful of this alleged

1766

01:11:24,470 --> 01:11:23,440

coming wave of uh whistleblowers this is

1767

01:11:27,830 --> 01:11:24,480

narrative

1768

01:11:30,470 --> 01:11:27,840

to me and it feels like a cool

1769

01:11:34,310 --> 01:11:30,480

coordinated effort the concern is does

1770

01:11:37,030 --> 01:11:34,320

that mean we're getting closer to war

1771

01:11:40,550 --> 01:11:37,040

it could be yeah i guess it's a cover

1772

01:11:42,310 --> 01:11:40,560

for something you know

1773

01:11:44,229 --> 01:11:42,320

it's a cover for something but i do want

1774

01:11:45,830 --> 01:11:44,239

to thank you for uh

1775

01:11:47,910 --> 01:11:45,840

coming here and helping shed some light

1776

01:11:50,390 --> 01:11:47,920

i'm a little confused by what we found

1777

01:11:52,310 --> 01:11:50,400

and and what it means and

1778

01:11:54,310 --> 01:11:52,320

and you definitely i have a lot more

1779

01:11:55,750 --> 01:11:54,320

clarity now and i also know that i'm

1780

01:12:00,149 --> 01:11:55,760

probably not going to get any more

1781

01:12:02,310 --> 01:12:01,510

yeah you're you're not going to get a

1782

01:12:03,110 --> 01:12:02,320

job

1783

01:12:05,510 --> 01:12:03,120

yeah

1784

01:12:07,510 --> 01:12:05,520

but i'm still i'm still i'm very i'm

1785

01:12:09,510 --> 01:12:07,520

very glad mr bosley that we were able to

1786

01:12:11,350 --> 01:12:09,520

find that and share it because sure if

1787

01:12:13,830 --> 01:12:11,360

not me somebody else might find some

1788

01:12:15,669 --> 01:12:13,840

more information there you go uh that

1789

01:12:17,350 --> 01:12:15,679

will shed some light on this stuff so

1790

01:12:19,830 --> 01:12:17,360

what do you got coming up on your show

1791

01:12:21,669 --> 01:12:19,840

in the next couple of weeks um

1792

01:12:23,990 --> 01:12:21,679

i've been doing little pre-recorded

1793

01:12:24,870 --> 01:12:24,000

things called walter bosley bits some

1794

01:12:26,709 --> 01:12:24,880

people are going to probably start

1795

01:12:28,310 --> 01:12:26,719

calling it water basically bites but

1796

01:12:30,149 --> 01:12:28,320

it's little five minute things in which

1797

01:12:32,390 --> 01:12:30,159

i give a little pre-recorded commentary

1798

01:12:35,270 --> 01:12:32,400

on a topic or whatever and i do my live

1799

01:12:37,590 --> 01:12:35,280

stream every sunday which is more of a q

1800

01:12:39,669 --> 01:12:37,600

a yeah and i'm sorry i was going to be

1801  
01:12:42,790 --> 01:12:39,679  
broadcasting right at the same time oh

1802  
01:12:45,350 --> 01:12:42,800  
that's mr bronson did his show i wanted

1803  
01:12:47,590 --> 01:12:45,360  
to get this information out

1804  
01:12:49,669 --> 01:12:47,600  
quite honestly mr bosley i was afraid

1805  
01:12:52,149 --> 01:12:49,679  
that somebody else might find this sure

1806  
01:12:54,070 --> 01:12:52,159  
no i can't and then we we would i i

1807  
01:12:55,910 --> 01:12:54,080  
wanted to be the first to break it oh no

1808  
01:12:57,990 --> 01:12:55,920  
that's good i'm glad you did thank you

1809  
01:12:59,990 --> 01:12:58,000  
for having me on to discuss it with you

1810  
01:13:01,910 --> 01:13:00,000  
you were the first person i thought of

1811  
01:13:03,830 --> 01:13:01,920  
when i saw these documents i said i

1812  
01:13:06,630 --> 01:13:03,840  
don't understand any of this i'm calling

1813  
01:13:09,590 --> 01:13:06,640

walter bowser

1814

01:13:12,149 --> 01:13:09,600

sure no problem and anymore

1815

01:13:14,390 --> 01:13:12,159

throw my way go ahead feel free yes i

1816

01:13:15,990 --> 01:13:14,400

have some more documents we're getting

1817

01:13:17,510 --> 01:13:16,000

we're getting

1818

01:13:20,550 --> 01:13:17,520

we might be getting some more never

1819

01:13:22,310 --> 01:13:20,560

before seen documents here i i feel like

1820

01:13:24,310 --> 01:13:22,320

that game of thrones you know that guy

1821

01:13:26,470 --> 01:13:24,320

on game of thrones who said something

1822

01:13:29,110 --> 01:13:26,480

like uh oh the little birdies they

1823

01:13:31,189 --> 01:13:29,120

whisper in my ear you know i'm getting

1824

01:13:33,270 --> 01:13:31,199

more little birdies whispering things in

1825

01:13:35,990 --> 01:13:33,280

my ear so yeah interesting thing i want

1826

01:13:38,950 --> 01:13:36,000

to say before i forget that um i if you

1827

01:13:42,550 --> 01:13:38,960

haven't watched lou angeles's um

1828

01:13:43,590 --> 01:13:42,560

final episode of ucr i i recommend yeah

1829

01:13:44,870 --> 01:13:43,600

live chat

1830

01:13:47,030 --> 01:13:44,880

because

1831

01:13:49,030 --> 01:13:47,040

the things he says in that

1832

01:13:50,470 --> 01:13:49,040

are very important

1833

01:13:52,870 --> 01:13:50,480

and um

1834

01:13:55,030 --> 01:13:52,880

he's seeing the light he has seen the

1835

01:13:57,189 --> 01:13:55,040

light on a lot of stuff and that's

1836

01:13:58,390 --> 01:13:57,199

always good it's sometimes it's painful

1837

01:14:01,830 --> 01:13:58,400

and it sucks

1838

01:14:02,870 --> 01:14:01,840

but it's good uh it's necessary right

1839

01:14:09,510 --> 01:14:02,880

yeah

1840

01:14:10,390 --> 01:14:09,520

for joining us sure i'm gonna i'm gonna

1841

01:14:13,590 --> 01:14:10,400

we're gonna

1842

01:14:15,830 --> 01:14:13,600

call this a short one friends because i

1843

01:14:17,350 --> 01:14:15,840

have a bunch of guests and uh and it's

1844

01:14:19,110 --> 01:14:17,360

kind of it is kind of rude for me to go

1845

01:14:21,510 --> 01:14:19,120

i'm gonna go do a show for two or three

1846

01:14:24,149 --> 01:14:21,520

hours have a good one we have to do this

1847

01:14:25,830 --> 01:14:24,159

thank you oh there we go walter bosley

1848

01:14:27,990 --> 01:14:25,840

well we want to thank our guests tonight

1849

01:14:30,070 --> 01:14:28,000

walter bosley we have shared in the live

1850

01:14:31,590 --> 01:14:30,080

chat his uh youtube channel which i

1851  
01:14:34,149 --> 01:14:31,600  
highly recommend

1852  
01:14:39,590 --> 01:14:36,550  
walter bosley is one of the good guys

1853  
01:14:42,070 --> 01:14:39,600  
and uh to be quite honest i'm losing the

1854  
01:14:43,910 --> 01:14:42,080  
good guys and we have lost many people

1855  
01:14:45,910 --> 01:14:43,920  
who i thought were good guys over the

1856  
01:14:47,350 --> 01:14:45,920  
past couple of years but walter bosley

1857  
01:14:49,669 --> 01:14:47,360  
is still in my

1858  
01:14:51,430 --> 01:14:49,679  
in my account of those people that i

1859  
01:14:53,590 --> 01:14:51,440  
consider good guys

1860  
01:14:55,270 --> 01:14:53,600  
well you may notice my haggard mountain

1861  
01:14:57,590 --> 01:14:55,280  
man appearance

1862  
01:15:00,950 --> 01:14:57,600  
i forgot the razors and i'm on vacation

1863  
01:15:03,189 --> 01:15:00,960

so i apologize um and i was carrying

1864

01:15:05,910 --> 01:15:03,199

heavy rocks all day today some of you

1865

01:15:08,870 --> 01:15:05,920

know i'm we're in the sun room of my

1866

01:15:11,030 --> 01:15:08,880

cabin right now and i'm building a porch

1867

01:15:12,950 --> 01:15:11,040

next and we're doing this porch floor

1868

01:15:15,510 --> 01:15:12,960

out of rocks that we're gathering right

1869

01:15:17,750 --> 01:15:15,520

from the land here it's a very slow

1870

01:15:19,830 --> 01:15:17,760

tedious process but i got another third

1871

01:15:22,229 --> 01:15:19,840

of the porch floor

1872

01:15:23,030 --> 01:15:22,239

laid out and tomorrow i'm gonna cement

1873

01:15:24,790 --> 01:15:23,040

that

1874

01:15:27,590 --> 01:15:24,800

and then we'll have one third of it left

1875

01:15:29,430 --> 01:15:27,600

to put in there uh i'll be posting some

1876

01:15:30,870 --> 01:15:29,440

new pictures on my twitter please do be

1877

01:15:32,790 --> 01:15:30,880

sure to follow me on

1878

01:15:34,550 --> 01:15:32,800

twitter it's the best place to keep up

1879

01:15:37,270 --> 01:15:34,560

with the shows that we do like today is

1880

01:15:39,590 --> 01:15:37,280

a perfect example this was last minute

1881

01:15:41,270 --> 01:15:39,600

i've got these documents i tried to vet

1882

01:15:42,870 --> 01:15:41,280

them the best that i could i emailed

1883

01:15:45,189 --> 01:15:42,880

people but of course it's a holiday

1884

01:15:47,830 --> 01:15:45,199

weekend nobody's getting back to me i

1885

01:15:50,070 --> 01:15:47,840

will say this we are going to reach out

1886

01:15:53,030 --> 01:15:50,080

to the pentagon spokesperson ask them to

1887

01:15:55,270 --> 01:15:53,040

confirm or deny this is mr luis

1888

01:15:58,550 --> 01:15:55,280

elizondo's full-time job

1889

01:15:59,590 --> 01:15:58,560

i i encourage other people to reach out

1890

01:16:01,750 --> 01:15:59,600

also

1891

01:16:03,350 --> 01:16:01,760

a copy of these documents that we are

1892

01:16:05,910 --> 01:16:03,360

sharing is in the description of the

1893

01:16:07,669 --> 01:16:05,920

video uh we believe in the sort of

1894

01:16:09,910 --> 01:16:07,679

grateful dead rules you can take

1895

01:16:12,630 --> 01:16:09,920

anything from our show give us a thank

1896

01:16:15,270 --> 01:16:12,640

you or credit us or something like that

1897

01:16:16,950 --> 01:16:15,280

a link to our channel uh we share

1898

01:16:19,750 --> 01:16:16,960

everything here including all of our

1899

01:16:22,310 --> 01:16:19,760

research documents whatever it is

1900

01:16:24,950 --> 01:16:22,320

evidence that we have i will also be

1901

01:16:26,870 --> 01:16:24,960

sending these documents along of course

1902

01:16:29,910 --> 01:16:26,880

to people that i think would find them

1903

01:16:31,350 --> 01:16:29,920

interesting or useful in their uh

1904

01:16:33,270 --> 01:16:31,360

search for the truth like stephen

1905

01:16:35,430 --> 01:16:33,280

greenstreet and john from the black

1906

01:16:37,110 --> 01:16:35,440

vault i had lou from unidentified

1907

01:16:40,709 --> 01:16:37,120

celebrity review in my

1908

01:16:43,350 --> 01:16:40,719

uh on my list we've got a big uh list of

1909

01:16:45,350 --> 01:16:43,360

people that i want to share these with

1910

01:16:48,709 --> 01:16:45,360

because

1911

01:16:50,070 --> 01:16:48,719

i think that maybe if i i failed to

1912

01:16:51,830 --> 01:16:50,080

find more

1913

01:16:54,790 --> 01:16:51,840

information someone else especially

1914

01:16:56,950 --> 01:16:54,800

somebody like green street who you know

1915

01:16:59,110 --> 01:16:56,960

hi i'm calling from the new york post he

1916

01:17:01,350 --> 01:16:59,120

gets more call backs he gets more

1917

01:17:03,510 --> 01:17:01,360

replies to his questions and his

1918

01:17:05,910 --> 01:17:03,520

inquiries than somebody like me so i'm

1919

01:17:07,910 --> 01:17:05,920

happy to forward these documents along

1920

01:17:09,990 --> 01:17:07,920

in closing i would just say that these

1921

01:17:13,030 --> 01:17:10,000

documents raise more questions than they

1922

01:17:14,149 --> 01:17:13,040

provide answers but i am happy about one

1923

01:17:16,470 --> 01:17:14,159

thing

1924

01:17:19,430 --> 01:17:16,480

i trust that the documents are real

1925

01:17:21,590 --> 01:17:19,440

they're public documents i trust uh the

1926

01:17:23,910 --> 01:17:21,600

source who sent them to me and i also

1927

01:17:25,510 --> 01:17:23,920

trust the opinion and and by the way we

1928

01:17:28,310 --> 01:17:25,520

have to be clear in saying that this is

1929

01:17:29,270 --> 01:17:28,320

his opinion but walter bosley believes

1930

01:17:31,110 --> 01:17:29,280

first that

1931

01:17:33,990 --> 01:17:31,120

of course the documents are genuine that

1932

01:17:35,430 --> 01:17:34,000

we've shared tonight they're from a

1933

01:17:37,189 --> 01:17:35,440

you know public source the public

1934

01:17:40,149 --> 01:17:37,199

records and also

1935

01:17:42,870 --> 01:17:40,159

mr bosley's sort of interpretation that

1936

01:17:46,390 --> 01:17:42,880

it's likely this is mr luella zonda's

1937

01:17:48,310 --> 01:17:46,400

full-time contractor full-time job

1938

01:17:50,630 --> 01:17:48,320

i've asked many times

1939

01:17:52,870 --> 01:17:50,640

but you know sort of asked speaking into

1940

01:17:54,310 --> 01:17:52,880

the wind because nobody

1941

01:17:56,550 --> 01:17:54,320

some people don't want to answer my

1942

01:18:00,149 --> 01:17:56,560

questions but i've asked many times

1943

01:18:01,270 --> 01:18:00,159

what is mr luis elizondo's full-time job

1944

01:18:04,149 --> 01:18:01,280

and now

1945

01:18:06,630 --> 01:18:04,159

unless he denies that this is uh his

1946

01:18:09,910 --> 01:18:06,640

full-time job i think we get a clearer

1947

01:18:13,430 --> 01:18:09,920

picture that that is his full-time job

1948

01:18:15,669 --> 01:18:13,440

and i i suppose the ufo psyop is just

1949

01:18:18,470 --> 01:18:15,679

you know like his part-time job uh you

1950

01:18:20,709 --> 01:18:18,480

know infiltrating the ufo community just

1951

01:18:22,390 --> 01:18:20,719

his part-time job applying his counter

1952

01:18:25,110 --> 01:18:22,400

intelligence and counter insurgency

1953

01:18:26,470 --> 01:18:25,120

skills into the ufo community just as

1954

01:18:28,550 --> 01:18:26,480

part-time job

1955

01:18:30,630 --> 01:18:28,560

so uh we'll take some questions and

1956

01:18:31,669 --> 01:18:30,640

comments from the live chat

1957

01:18:33,830 --> 01:18:31,679

um

1958

01:18:35,110 --> 01:18:33,840

ufo john doe says luke can take pride in

1959

01:18:37,590 --> 01:18:35,120

what he did

1960

01:18:39,990 --> 01:18:37,600

it'll calm down hopefully the crazies

1961

01:18:42,390 --> 01:18:40,000

tempered down oh and and he's talking

1962

01:18:43,830 --> 01:18:42,400

about lou angeles from unidentified

1963

01:18:46,310 --> 01:18:43,840

celebrity review

1964

01:18:48,070 --> 01:18:46,320

uh and and yeah we wish him the best but

1965

01:18:50,550 --> 01:18:48,080

he's still on the internet you gotta

1966

01:18:53,430 --> 01:18:50,560

pull that plug lou

1967

01:18:55,430 --> 01:18:53,440

pull that plug and go on vacation bro uh

1968

01:18:56,550 --> 01:18:55,440

but i understand how difficult that is

1969

01:18:59,189 --> 01:18:56,560

to do

1970

01:19:01,669 --> 01:18:59,199

i'm sure especially upon hearing hey

1971

01:19:04,310 --> 01:19:01,679

we've got new employment records for

1972

01:19:06,790 --> 01:19:04,320

luis elizondo you got to check in and

1973

01:19:08,470 --> 01:19:06,800

see what that's about

1974

01:19:10,550 --> 01:19:08,480

i also want to be sure that we thank

1975

01:19:13,430 --> 01:19:10,560

spooky the source who sent me these

1976

01:19:15,910 --> 01:19:13,440

documents mr bosley all of our kind and

1977

01:19:18,229 --> 01:19:15,920

generous benefactors i always say this i

1978

01:19:19,750 --> 01:19:18,239

am a terrible terrible salesperson uh

1979

01:19:21,669 --> 01:19:19,760

but there's a few ways you can support

1980

01:19:22,470 --> 01:19:21,679

us there's a super chat button down

1981

01:19:27,189 --> 01:19:22,480

there

1982

01:19:30,310 --> 01:19:27,199

description of the video you can send a

1983

01:19:33,350 --> 01:19:30,320

pledge to our show through either paypal

1984

01:19:35,430 --> 01:19:33,360

or patreon or excuse me paypal or cash

1985

01:19:38,790 --> 01:19:35,440

app you can join our patreon for as

1986

01:19:40,149 --> 01:19:38,800

little as a dollar a month where we uh

1987

01:19:42,470 --> 01:19:40,159

where we

1988

01:19:44,790 --> 01:19:42,480

give you some extra content and early

1989

01:19:46,390 --> 01:19:44,800

access all of our produced videos these

1990

01:19:48,390 --> 01:19:46,400

shorter videos

1991

01:19:50,229 --> 01:19:48,400

usually they're uploaded to patreon in

1992

01:19:52,470 --> 01:19:50,239

the members only section for a short

1993

01:19:54,070 --> 01:19:52,480

time you get them first and then we

1994

01:19:57,030 --> 01:19:54,080

upload them to the public youtube

1995

01:19:59,189 --> 01:19:57,040

channel we also do uh on the

1996

01:20:01,830 --> 01:19:59,199

on the patreon we do a monthly show

1997

01:20:03,350 --> 01:20:01,840

journal and a sort of backstage pass

1998

01:20:05,030 --> 01:20:03,360

of some things so you just get some

1999

01:20:06,790 --> 01:20:05,040

extra content but i always say this i

2000

01:20:08,790 --> 01:20:06,800

hate putting things behind a paywall so

2001

01:20:11,030 --> 01:20:08,800

if you're in reduced circumstances and

2002

01:20:12,709 --> 01:20:11,040

you don't have uh you know the money for

2003

01:20:14,629 --> 01:20:12,719

either patreon

2004

01:20:16,709 --> 01:20:14,639

uh patreon is a dollar or more a month

2005

01:20:18,950 --> 01:20:16,719

and the members uh membership here on

2006

01:20:21,430 --> 01:20:18,960

youtube is five dollars a month

2007

01:20:23,910 --> 01:20:21,440

on youtube you get all of the

2008

01:20:26,229 --> 01:20:23,920

patreon benefits plus some extra youtube

2009

01:20:27,910 --> 01:20:26,239

benefits so but if you don't have the

2010

01:20:30,149 --> 01:20:27,920

funds i hate putting things behind to

2011

01:20:32,709 --> 01:20:30,159

pay well just email me at truesecretshow

2012

01:20:34,310 --> 01:20:32,719

gmail.com i don't need to know all the

2013

01:20:35,990 --> 01:20:34,320

details just say something like hey

2014

01:20:37,590 --> 01:20:36,000

having a tough time with like the

2015

01:20:40,629 --> 01:20:37,600

patreon benefits and we put you on a

2016

01:20:42,950 --> 01:20:40,639

very special list and many of the people

2017

01:20:45,189 --> 01:20:42,960

that are on that list

2018

01:20:46,550 --> 01:20:45,199

later become patreon supporters or

2019

01:20:48,870 --> 01:20:46,560

something

2020

01:20:50,550 --> 01:20:48,880

when their situation improves you know i

2021

01:20:51,590 --> 01:20:50,560

know it's tough out there and i

2022

01:20:53,510 --> 01:20:51,600

personally

2023

01:20:55,590 --> 01:20:53,520

absolutely hate putting things behind a

2024

01:20:59,030 --> 01:20:55,600

paywall but it's necessary because it

2025

01:21:00,470 --> 01:20:59,040

helps keep the show going uh but again

2026

01:21:03,350 --> 01:21:00,480

if you're if you're having a tough time

2027

01:21:05,590 --> 01:21:03,360

just to email me and we provide those uh

2028

01:21:07,990 --> 01:21:05,600

and spooky is here and says i am not the

2029

01:21:09,669 --> 01:21:08,000

source no but we want to thank spooky

2030

01:21:13,910 --> 01:21:09,679

for you know uh

2031

01:21:16,070 --> 01:21:13,920

i uh i i i contact spooky and i'm like

2032

01:21:18,950 --> 01:21:16,080

i've got to do another show

2033

01:21:21,110 --> 01:21:18,960

because this is important and spooky you

2034

01:21:23,750 --> 01:21:21,120

know regardless of it being a holiday

2035

01:21:25,990 --> 01:21:23,760

weekend had a thumbnail in my inbox in a

2036

01:21:29,110 --> 01:21:26,000

few minutes really you know in a very

2037

01:21:31,110 --> 01:21:29,120

short time so we can't do this i

2038

01:21:33,350 --> 01:21:31,120

couldn't do this without the help of

2039

01:21:35,430 --> 01:21:33,360

spooky so thanks very much

2040

01:21:37,590 --> 01:21:35,440

uh lou from unidentified celebrity

2041

01:21:39,910 --> 01:21:37,600

review says thank gotta go thank you for

2042

01:21:41,590 --> 01:21:39,920

the info you're you're most welcome and

2043

01:21:43,830 --> 01:21:41,600

you're almost welcome

2044

01:21:46,629 --> 01:21:43,840

uh it's a holiday weekend i'm here at

2045

01:21:49,669 --> 01:21:46,639

the cabin spooky knows i really don't

2046

01:21:52,149 --> 01:21:49,679

like show time and cabin time

2047

01:21:54,070 --> 01:21:52,159

crossing or intermingling especially

2048

01:21:56,550 --> 01:21:54,080

this weekend because i happen my wife

2049

01:21:58,550 --> 01:21:56,560

has a whole bunch of her family here my

2050

01:21:59,990 --> 01:21:58,560

mother-in-law's here my sister-in-law my

2051  
01:22:03,030 --> 01:22:00,000  
brother-in-law

2052  
01:22:06,149 --> 01:22:03,040  
their children we got a cabin full here

2053  
01:22:08,149 --> 01:22:06,159  
and uh i gotta get back to that

2054  
01:22:10,550 --> 01:22:08,159  
it was raining here for a short time but

2055  
01:22:13,990 --> 01:22:10,560  
it seems that the rain has passed so i'm

2056  
01:22:17,110 --> 01:22:14,000  
gonna light up a campfire uh and uh

2057  
01:22:18,629 --> 01:22:17,120  
have some s'mores or uh maybe some hot

2058  
01:22:20,149 --> 01:22:18,639  
dogs right

2059  
01:22:25,110 --> 01:22:20,159  
uh

2060  
01:22:27,669 --> 01:22:25,120  
tuning in we'll watch the replay well

2061  
01:22:29,910 --> 01:22:27,679  
we're happy that you're here and just

2062  
01:22:32,709 --> 01:22:29,920  
like any uh

2063  
01:22:34,550 --> 01:22:32,719

female you have to show up late right

2064

01:22:36,950 --> 01:22:34,560

make an entrance make sure you're

2065

01:22:39,030 --> 01:22:36,960

noticed

2066

01:22:41,189 --> 01:22:39,040

women are laid everywhere i'm late

2067

01:22:42,629 --> 01:22:41,199

because of a woman that i live with

2068

01:22:45,510 --> 01:22:42,639

right

2069

01:22:48,229 --> 01:22:45,520

now she's pretty good actually

2070

01:22:49,189 --> 01:22:48,239

she gets ready fast used to be forever

2071

01:22:50,629 --> 01:22:49,199

you know

2072

01:22:52,790 --> 01:22:50,639

but once you have those children it

2073

01:22:55,270 --> 01:22:52,800

takes forever to go anywhere you know

2074

01:22:57,189 --> 01:22:55,280

you gotta have 14 snacks and

2075

01:23:00,070 --> 01:22:57,199

juice boxes and all kinds of [h\_\_h] in the

2076

01:23:02,390 --> 01:23:00,080

car and toys and now we need phones and

2077

01:23:04,790 --> 01:23:02,400

tablets and things for them too

2078

01:23:07,270 --> 01:23:04,800

uh i does anybody

2079

01:23:10,550 --> 01:23:07,280

when you're single and you can just like

2080

01:23:12,950 --> 01:23:10,560

get up off the couch and go right out

2081

01:23:14,229 --> 01:23:12,960

i envy that going anywhere with kids

2082

01:23:16,070 --> 01:23:14,239

takes forever

2083

01:23:19,189 --> 01:23:16,080

so i'm here at the cabin i'm gonna get

2084

01:23:21,990 --> 01:23:19,199

back to our guests and uh get back to

2085

01:23:24,070 --> 01:23:22,000

some campfire therapy you see here this

2086

01:23:26,870 --> 01:23:24,080

is a fake one i'm not real big on

2087

01:23:28,470 --> 01:23:26,880

electric heaters but this one uh came

2088

01:23:30,709 --> 01:23:28,480

very inexpensive

2089

01:23:33,030 --> 01:23:30,719

and it would fit right here in the

2090

01:23:35,830 --> 01:23:33,040

sunroom of the cabin again the sunroom

2091

01:23:37,590 --> 01:23:35,840

is all done i gotta you see i got some

2092

01:23:40,310 --> 01:23:37,600

cleaning up and things to do there's a

2093

01:23:42,470 --> 01:23:40,320

sofa bed back there that's gonna be for

2094

01:23:44,470 --> 01:23:42,480

this is also gonna be extra

2095

01:23:46,950 --> 01:23:44,480

um

2096

01:23:49,270 --> 01:23:46,960

guest space i suppose and you see behind

2097

01:23:51,110 --> 01:23:49,280

me is the is the stone hurst that i

2098

01:23:53,910 --> 01:23:51,120

built and a little wood stove that's

2099

01:23:56,149 --> 01:23:53,920

made out of an ammo can actually

2100

01:23:57,750 --> 01:23:56,159

i'm real big on uh

2101

01:23:59,030 --> 01:23:57,760

here at the cabin on

2102

01:24:01,830 --> 01:23:59,040

on uh

2103

01:24:05,110 --> 01:24:01,840

using what you got or you know you know

2104

01:24:06,950 --> 01:24:05,120

a small wood stove is could be 500 or a

2105

01:24:07,830 --> 01:24:06,960

thousand dollars

2106

01:24:12,390 --> 01:24:07,840

i

2107

01:24:14,310 --> 01:24:12,400

made out of a

2108

01:24:17,350 --> 01:24:14,320

big ammo can

2109

01:24:19,910 --> 01:24:17,360

that you can get on uh ebay and some

2110

01:24:23,990 --> 01:24:19,920

fire bricks very inexpensive this heats

2111

01:24:25,669 --> 01:24:24,000

the entire room this little wood heater

2112

01:24:28,229 --> 01:24:25,679

so uh

2113

01:24:30,709 --> 01:24:28,239

then this is the uh you can see i have

2114

01:24:33,189 --> 01:24:30,719

my spirit animal up there behind me i

2115

01:24:34,790 --> 01:24:33,199

have a canvas print of a lion uh when i

2116

01:24:36,229 --> 01:24:34,800

get a chance i'm going to be taking some

2117

01:24:37,669 --> 01:24:36,239

pictures i saw

2118

01:24:39,669 --> 01:24:37,679

rogue status

2119

01:24:41,990 --> 01:24:39,679

was wasn't happy with me because i

2120

01:24:44,390 --> 01:24:42,000

didn't send pictures or something it's

2121

01:24:46,310 --> 01:24:44,400

been a crazy busy weekend i'm not

2122

01:24:48,629 --> 01:24:46,320

supposed to be doing shows

2123

01:24:50,229 --> 01:24:48,639

since uh

2124

01:24:51,750 --> 01:24:50,239

i wasn't supposed to do

2125

01:24:53,270 --> 01:24:51,760

the last show for the week was supposed

2126

01:24:55,430 --> 01:24:53,280

to be wednesday

2127

01:24:58,390 --> 01:24:55,440

and we've done several more since

2128

01:25:00,950 --> 01:24:58,400

wednesday here at the cabin too

2129

01:25:03,830 --> 01:25:00,960

and uh yeah so it's been a crazy busy

2130

01:25:05,510 --> 01:25:03,840

weekend and i have guests and i do think

2131

01:25:06,870 --> 01:25:05,520

my wife is right it's somewhat rude to

2132

01:25:08,070 --> 01:25:06,880

me to be in here

2133

01:25:11,110 --> 01:25:08,080

um

2134

01:25:13,910 --> 01:25:11,120

working i'm supposed to put off you know

2135

01:25:16,070 --> 01:25:13,920

put this stuff aside for family time so

2136

01:25:18,149 --> 01:25:16,080

i'm going to go do that i want to wish

2137

01:25:20,629 --> 01:25:18,159

each and every one of you a happy labor

2138

01:25:23,510 --> 01:25:20,639

day weekend i hope that you're all going

2139

01:25:25,510 --> 01:25:23,520

to get some barbecue uh or fun in the

2140

01:25:28,149 --> 01:25:25,520

sun or whatever

2141

01:25:30,070 --> 01:25:28,159

um whatever it is that you enjoy spend

2142

01:25:31,669 --> 01:25:30,080

some time with loved ones you'll be glad

2143

01:25:34,950 --> 01:25:31,679

that you did

2144

01:25:37,189 --> 01:25:34,960

uh there's ufo john doe with another

2145

01:25:39,110 --> 01:25:37,199

kind and generous dollar 99 super chat

2146

01:25:40,550 --> 01:25:39,120

says watch out for female sasquatch

2147

01:25:43,669 --> 01:25:40,560

enjoy the holiday

2148

01:25:47,030 --> 01:25:43,679

yes we'll be careful and it has actually

2149

01:25:49,669 --> 01:25:47,040

been a strange weekend there's uh

2150

01:25:52,149 --> 01:25:49,679

there's foxes running all over

2151

01:25:54,550 --> 01:25:52,159

and i haven't seen this many foxes at

2152

01:25:56,790 --> 01:25:54,560

once up here at the cabin you know

2153

01:25:58,870 --> 01:25:56,800

usually once a while you'll see a fox

2154

01:26:00,070 --> 01:25:58,880

we're seeing i think it must be mating

2155

01:26:01,350 --> 01:26:00,080

season or something because we're seeing

2156

01:26:03,590 --> 01:26:01,360

a bunch of them

2157

01:26:05,510 --> 01:26:03,600

uh running around in the woods you know

2158

01:26:08,149 --> 01:26:05,520

running after each other and things i

2159

01:26:10,629 --> 01:26:08,159

don't know what's going on the foxes red

2160

01:26:12,470 --> 01:26:10,639

foxes by the way are having but they're

2161

01:26:16,229 --> 01:26:12,480

fun to watch and things like that and

2162

01:26:18,790 --> 01:26:16,239

last night we had a huge deer come right

2163

01:26:19,830 --> 01:26:18,800

you know 10 feet from us run by us at a

2164

01:26:22,149 --> 01:26:19,840

gallop

2165

01:26:24,629 --> 01:26:22,159

while we were all sitting at the fire uh

2166

01:26:26,709 --> 01:26:24,639

so the the animals are the natives are

2167

01:26:27,590 --> 01:26:26,719

restless around here

2168

01:26:30,629 --> 01:26:27,600

um

2169

01:26:33,350 --> 01:26:30,639

and uh one second here we have mark and

2170

01:26:36,390 --> 01:26:33,360

what region area is the cabin located my

2171

01:26:38,470 --> 01:26:36,400

cabin is in a place called goldsboro

2172

01:26:40,870 --> 01:26:38,480

in pennsylvania and it's the pocono

2173

01:26:44,629 --> 01:26:40,880

mountains we are at the highest

2174

01:26:48,390 --> 01:26:44,639

elevation my cabin is

2175

01:26:49,590 --> 01:26:48,400

it's literally like uh maybe half a mile

2176  
01:26:52,149 --> 01:26:49,600  
from here

2177  
01:26:53,510 --> 01:26:52,159  
is the mountain peak is the ham is the

2178  
01:26:54,310 --> 01:26:53,520  
highest

2179  
01:26:56,550 --> 01:26:54,320  
uh

2180  
01:26:59,510 --> 01:26:56,560  
elevation in all of pennsylvania for the

2181  
01:27:01,510 --> 01:26:59,520  
entire state so we're up here up on the

2182  
01:27:03,590 --> 01:27:01,520  
top of a mountain and i gotta tell you i

2183  
01:27:05,830 --> 01:27:03,600  
love it here uh everybody's having a

2184  
01:27:07,910 --> 01:27:05,840  
great time we just had some pizza and

2185  
01:27:09,430 --> 01:27:07,920  
wings because we decided to make an easy

2186  
01:27:11,110 --> 01:27:09,440  
dinner for once instead of all the

2187  
01:27:12,790 --> 01:27:11,120  
campfire stuff

2188  
01:27:15,189 --> 01:27:12,800

um

2189

01:27:17,590 --> 01:27:15,199

yeah and it is near it is

2190

01:27:20,390 --> 01:27:17,600

it's close to that highlands area in

2191

01:27:22,709 --> 01:27:20,400

pennsylvania yes we're right near if you

2192

01:27:25,910 --> 01:27:22,719

look it up it's called uh

2193

01:27:27,430 --> 01:27:25,920

uh bushkill falls look up bushkill falls

2194

01:27:29,430 --> 01:27:27,440

there's some beautiful mountains and

2195

01:27:30,550 --> 01:27:29,440

waterfalls we're right near bushkill

2196

01:27:33,110 --> 01:27:30,560

falls

2197

01:27:35,189 --> 01:27:33,120

uh and the pocono mountains or what's

2198

01:27:37,750 --> 01:27:35,199

called mount pocono where everybody goes

2199

01:27:38,709 --> 01:27:37,760

skiing here i'm a skier but

2200

01:27:41,189 --> 01:27:38,719

um

2201

01:27:42,149 --> 01:27:41,199

it's a big skiing tourist area all

2202

01:27:44,629 --> 01:27:42,159

winter

2203

01:27:46,310 --> 01:27:44,639

so i am going to bounce on out of here i

2204

01:27:48,229 --> 01:27:46,320

once again want to thank mr bosley

2205

01:27:49,990 --> 01:27:48,239

because honestly i i didn't know what to

2206

01:27:52,149 --> 01:27:50,000

do with these documents like i see what

2207

01:27:53,990 --> 01:27:52,159

it says what does this mean

2208

01:27:56,229 --> 01:27:54,000

and the first person i thought might be

2209

01:27:57,669 --> 01:27:56,239

able to shed some light on this is

2210

01:28:01,030 --> 01:27:57,679

because he's a former intelligence

2211

01:28:03,669 --> 01:28:01,040

officer himself is mr walter bosley uh

2212

01:28:05,910 --> 01:28:03,679

and he was kind enough to uh you know he

2213

01:28:08,390 --> 01:28:05,920

was already doing his show today he came

2214

01:28:10,149 --> 01:28:08,400

over to to help us and and we're really

2215

01:28:11,510 --> 01:28:10,159

thankful it's good to have a resource

2216

01:28:13,189 --> 01:28:11,520

like him whenever there's something

2217

01:28:14,629 --> 01:28:13,199

going on that has to do with the

2218

01:28:17,030 --> 01:28:14,639

intelligence world and i don't

2219

01:28:19,910 --> 01:28:17,040

understand it or i need a tour guide i

2220

01:28:21,669 --> 01:28:19,920

call mr bosley and he's uh very kind to

2221

01:28:24,629 --> 01:28:21,679

me i want to thank him for his kindness

2222

01:28:26,550 --> 01:28:24,639

and his generosity with his time

2223

01:28:27,750 --> 01:28:26,560

so i sent him these documents and he was

2224

01:28:29,750 --> 01:28:27,760

like

2225

01:28:31,510 --> 01:28:29,760

let's do it i'll help you

2226

01:28:33,750 --> 01:28:31,520

that's a great thing he is one of the

2227

01:28:35,510 --> 01:28:33,760

good guys right he is definitely one of

2228

01:28:36,709 --> 01:28:35,520

the good guys so

2229

01:28:37,910 --> 01:28:36,719

uh

2230

01:28:39,750 --> 01:28:37,920

i want to thank each and every one of

2231

01:28:41,110 --> 01:28:39,760

2257

i i don't know people like this stuff

2258

01:29:41,430 --> 01:29:38,400

so i'm gonna get back to my cabin time

2259

01:29:44,550 --> 01:29:41,440

and to some camp fire therapy maybe some

2260

01:29:47,270 --> 01:29:44,560

hot dogs and s'mores on the campfire and

2261

01:29:50,070 --> 01:29:47,280

and uh some quality time with loved ones

2262

01:29:52,390 --> 01:29:50,080

i hope you uh are gonna

2263

01:29:54,229 --> 01:29:52,400

spend time doing something that you

2264

01:29:57,510 --> 01:29:54,239

enjoy this weekend as well it's labor

2265

01:30:00,070 --> 01:29:57,520

day weekend and i am going to do it's a

2266

01:30:01,590 --> 01:30:00,080

tradition every year on labor day my

2267

01:30:03,830 --> 01:30:01,600

wife uh

2268

01:30:05,430 --> 01:30:03,840

leaves early here from the cabin and

2269

01:30:07,750 --> 01:30:05,440

goes and hangs out with her mom they

2270

01:30:10,550 --> 01:30:07,760

have a barbecue

2271

01:30:13,189 --> 01:30:10,560

i stay at the cabin and i finish some

2272

01:30:14,550 --> 01:30:13,199

really laborious project tomorrow i will

2273

01:30:17,669 --> 01:30:14,560

be cementing

2274

01:30:19,510 --> 01:30:17,679

a big section of the new porch patio i

2275

01:30:21,750 --> 01:30:19,520

laid everything out collected all the

2276

01:30:23,990 --> 01:30:21,760

rocks today it's all ready to cement

2277

01:30:25,910 --> 01:30:24,000

so tomorrow i'll be doing that i'll be

2278

01:30:27,590 --> 01:30:25,920

laboring on labor day but that's what

2279

01:30:29,750 --> 01:30:27,600

i'm choosing to do it's sort of a

2280

01:30:32,550 --> 01:30:29,760

tradition here because every year on

2281

01:30:35,270 --> 01:30:32,560

labor day i get some big project done or

2282

01:30:38,070 --> 01:30:35,280

almost done or i make a huge

2283

01:30:39,669 --> 01:30:38,080

dent in a huger project that's what i'm

2284

01:30:41,110 --> 01:30:39,679

choosing to do with my labor day

2285

01:30:43,510 --> 01:30:41,120

whatever it is that you choose to do

2286

01:30:45,669 --> 01:30:43,520

with yours i hope you enjoy yourself

2287

01:30:47,270 --> 01:30:45,679

uh and have a good time tomorrow

2288

01:30:49,990 --> 01:30:47,280

especially if you're one of those people

2289

01:30:52,470 --> 01:30:50,000

who uh you know work all the time

2290

01:30:55,910 --> 01:30:52,480

get get some rest take the day off enjoy

2291

01:30:57,350 --> 01:30:55,920

the day off we will be back probably not

2292

01:30:59,669 --> 01:30:57,360

tomorrow night because i'm going to be

2293

01:31:01,990 --> 01:30:59,679

cementing for literally 12 hours and

2294

01:31:04,310 --> 01:31:02,000

that is very and i got hand mix the

2295

01:31:06,550 --> 01:31:04,320

cement so i'm gonna be dead when i get

2296

01:31:09,030 --> 01:31:06,560

home plus two hour drive home

2297

01:31:10,950 --> 01:31:09,040

so we will be back tuesday night at nine

2298

01:31:13,669 --> 01:31:10,960

pm eastern standard time i hope you

2299

01:31:15,830 --> 01:31:13,679

understand i don't wanna uh push myself

2300

01:31:17,750 --> 01:31:15,840

too incredibly hard tomorrow 12-hour day

2301  
01:31:19,830 --> 01:31:17,760  
is enough plus a two-hour drive that's a

2302  
01:31:21,830 --> 01:31:19,840  
14-hour day

2303  
01:31:24,070 --> 01:31:21,840  
so we'll be back tuesday night at 9 00

2304  
01:31:26,629 --> 01:31:24,080  
p.m i have some new interviews coming

2305  
01:31:28,950 --> 01:31:26,639  
this week and if you thought today was a

2306  
01:31:31,510 --> 01:31:28,960  
special surprise i've got more for you

2307  
01:31:32,790 --> 01:31:31,520  
oh i've got a lot more for you so i

2308  
01:31:34,709 --> 01:31:32,800  
thank each and every one of you for

2309  
01:31:36,790 --> 01:31:34,719  
joining us i'm going to bounce on out of

2310  
01:31:39,189 --> 01:31:36,800  
here until next time friends my name is

2311  
01:31:49,430 --> 01:31:39,199  
stephen campion good night and god bless

2312  
01:31:49,440 --> 01:31:52,980  
so

2313  
01:32:19,680 --> 01:32:16,950

[Music]

2314

01:32:46,870 --> 01:32:19,690

so

2315

01:32:59,910 --> 01:32:46,880

[Music]

2316

01:33:03,330 --> 01:33:01,950

so

2317

01:33:13,750 --> 01:33:03,340

[Applause]

2318

01:33:39,930 --> 01:33:15,690

so
