00:00:14,640 --> 00:00:06,730

[Music]

2
00:00:29,750 --> 00:00:14,650

foreign

3
00:00:33,110 --> 00:00:31,269

i don't i don't know what we're gonna

4
00:00:35,830 --> 00:00:33,120

talk about but i thought we could start

5
00:00:38,790 --> 00:00:35,840

with the cosmic connery

6
00:00:41,270 --> 00:00:38,800

and uh you're kind of like got

7
00:00:43,270 --> 00:00:41,280

blew up that one interview that you did

8
00:00:44,389 --> 00:00:43,280

at contact in the desert and the fact

9
00:00:46,069 --> 00:00:44,399

that you

10
00:00:47,270 --> 00:00:46,079

uh

11
00:00:49,670 --> 00:00:47,280

really

12
00:00:50,630 --> 00:00:49,680

kind of confronted jordan sather

13
00:00:52,790 --> 00:00:50,640

uh

14

00:00:54,709 --> 00:00:52,800

i've heard that clip so many different

15

00:00:56,549 --> 00:00:54,719

places uh

16

00:00:58,470 --> 00:00:56,559

what was it like to do that like weren't

17

00:01:00,549 --> 00:00:58,480

you thinking like maybe i should keep my

18

00:01:03,189 --> 00:01:00,559

mouth shut or were you just intent like

19

00:01:05,830 --> 00:01:03,199

here he is i'm gonna talk to him

20

00:01:08,630 --> 00:01:05,840

i was pretty intent on on the uh the

21

00:01:10,710 --> 00:01:08,640

latter i went into i was gonna see a a

22

00:01:12,789 --> 00:01:10,720

speaker talk with a friend of mine and i

23

00:01:15,190 --> 00:01:12,799

saw this gathering of people out on the

24

00:01:17,429 --> 00:01:15,200

lawn of the hotel

25

00:01:18,789 --> 00:01:17,439

in the courtyard and i just thought

26
00:01:20,149 --> 00:01:18,799
because i heard someone say jordan stay

27
00:01:21,749 --> 00:01:20,159
there so i thought well it's a great

28
00:01:23,350 --> 00:01:21,759
opportunity to just go ask him this

29
00:01:25,510 --> 00:01:23,360
question that a lot of people want to

30
00:01:27,510 --> 00:01:25,520
ask they want an answer to and that

31
00:01:29,510 --> 00:01:27,520
other people have asked on social media

32
00:01:31,350 --> 00:01:29,520
and have been blocked and accused of

33
00:01:33,350 --> 00:01:31,360
trolling so i just went out and asked

34
00:01:36,789 --> 00:01:33,360
him and that was it my intention wasn't

35
00:01:38,469 --> 00:01:36,799
for it to become as big as it was or for

36
00:01:40,149 --> 00:01:38,479
you know for people to get upset at me

37
00:01:41,429 --> 00:01:40,159
it was just to ask the question see what

38
00:01:43,350 --> 00:01:41,439

happened and then

39

00:01:45,270 --> 00:01:43,360

i guess i i don't even know

40

00:01:47,749 --> 00:01:45,280

how many people have played that clip to

41

00:01:49,830 --> 00:01:47,759

me it's just something that i did and i

42

00:01:51,429 --> 00:01:49,840

i aired it on the kev baker show but as

43

00:01:53,429 --> 00:01:51,439

you just said i guess it's all over the

44

00:01:55,109 --> 00:01:53,439

yeah i just heard it it's like people i

45

00:01:57,510 --> 00:01:55,119

just heard somebody pull it and put it

46

00:01:58,630 --> 00:01:57,520

in a video too and the emery smith clip

47

00:02:00,550 --> 00:01:58,640

as well

48

00:02:02,389 --> 00:02:00,560

yeah now that one i've heard that all

49

00:02:05,670 --> 00:02:02,399

over the internet that one is huge the

50

00:02:06,950 --> 00:02:05,680

emery smith brief interaction yeah yeah

51
00:02:09,749 --> 00:02:06,960
and that was interesting because

52
00:02:11,589 --> 00:02:09,759
basically what you got emery smith to

53
00:02:13,350 --> 00:02:11,599
confirm that he believes that corey

54
00:02:15,830 --> 00:02:13,360
goode and corey good's cult members

55
00:02:18,070 --> 00:02:15,840
doxxed him

56
00:02:21,110 --> 00:02:18,080
yes exactly that they doxed him that

57
00:02:24,070 --> 00:02:21,120
jordan sather was working under corey

58
00:02:26,309 --> 00:02:24,080
goode that he was the main doxxer

59
00:02:29,190 --> 00:02:26,319
and it was funny too because i tried to

60
00:02:32,070 --> 00:02:29,200
get a recording of the questioning of

61
00:02:34,869 --> 00:02:32,080
jordan say there i was very i was almost

62
00:02:37,190 --> 00:02:34,879
apathetic the way i was standing there

63
00:02:39,430 --> 00:02:37,200

and jordan accused me of like being

64

00:02:41,030 --> 00:02:39,440

hostile and attacking him and then they

65

00:02:44,790 --> 00:02:41,040

released the video of it because my

66

00:02:47,750 --> 00:02:44,800

video didn't work i was gonna post it

67

00:02:49,910 --> 00:02:47,760

my ipad was was um i accidentally

68

00:02:51,509 --> 00:02:49,920

clicked like fast forward so it

69

00:02:53,589 --> 00:02:51,519

compressed the whole video or something

70

00:02:56,390 --> 00:02:53,599

it was weird but they released a video

71

00:02:57,990 --> 00:02:56,400

of it and it showed that i didn't attack

72

00:02:58,869 --> 00:02:58,000

him that i was just standing there while

73

00:03:01,270 --> 00:02:58,879

his

74

00:03:02,710 --> 00:03:01,280

cult members yelled at me so then they

75

00:03:04,869 --> 00:03:02,720

pulled the video

76
00:03:06,869 --> 00:03:04,879
down really fast because it proved what

77
00:03:08,949 --> 00:03:06,879
i had said as opposed to what he said

78
00:03:10,630 --> 00:03:08,959
and the thing is i don't even

79
00:03:12,550 --> 00:03:10,640
i don't even like being involved in this

80
00:03:14,470 --> 00:03:12,560
crap i just thought well if i have an

81
00:03:16,390 --> 00:03:14,480
opportunity to ask this guy a question

82
00:03:17,910 --> 00:03:16,400
i'm gonna do it and and that that's what

83
00:03:19,990 --> 00:03:17,920
really should be the focal point not

84
00:03:22,229 --> 00:03:20,000
what i did the focal point should be

85
00:03:23,910 --> 00:03:22,239
that asking jordan say there a question

86
00:03:27,190 --> 00:03:23,920
and asking henry smith some questions

87
00:03:29,110 --> 00:03:27,200
caused that much of a backlash in radio

88
00:03:32,390 --> 00:03:29,120

and television the internet and all over

89

00:03:35,509 --> 00:03:32,400

the place that's that should be pretty

90

00:03:37,509 --> 00:03:35,519

much a red flag for anybody who was

91

00:03:38,949 --> 00:03:37,519

concerned about these guys yeah and

92

00:03:40,949 --> 00:03:38,959

that's one of the things that's always

93

00:03:43,110 --> 00:03:40,959

kind of fascinated me with these clowns

94

00:03:45,509 --> 00:03:43,120

is that how dare you

95

00:03:48,070 --> 00:03:45,519

like you like how dare you ryan go and

96

00:03:50,070 --> 00:03:48,080

ask this guy a question and and the way

97

00:03:53,589 --> 00:03:50,080

that they spin things like we're under

98

00:03:55,589 --> 00:03:53,599

attack we're being cyber stalked no uh

99

00:03:57,190 --> 00:03:55,599

somebody asks you a question and it's a

100

00:03:59,030 --> 00:03:57,200

valid question

101
00:04:00,789 --> 00:03:59,040
and then uh you know like

102
00:04:02,949 --> 00:04:00,799
they're just not allowed you're not and

103
00:04:05,110 --> 00:04:02,959
then and that's you're right they block

104
00:04:06,550 --> 00:04:05,120
people on social media who ask valid

105
00:04:07,990 --> 00:04:06,560
questions

106
00:04:10,309 --> 00:04:08,000
and it's like they're living in some

107
00:04:11,830 --> 00:04:10,319
kind of echo chamber fantasy land where

108
00:04:15,030 --> 00:04:11,840
they're right nobody's allowed to

109
00:04:16,469 --> 00:04:15,040
question their motives or their you know

110
00:04:18,390 --> 00:04:16,479
the things that they're talking about

111
00:04:20,469 --> 00:04:18,400
even

112
00:04:21,670 --> 00:04:20,479
and then there's a lot of projection and

113
00:04:24,870 --> 00:04:21,680

mirroring

114

00:04:27,749 --> 00:04:24,880

i have maybe 10 shows i've done on these

115

00:04:29,189 --> 00:04:27,759

guys in all the years of radio that i've

116

00:04:31,909 --> 00:04:29,199

done which is about

117

00:04:33,670 --> 00:04:31,919

a decade now and people accuse me

118

00:04:35,189 --> 00:04:33,680

they're usually just the cult members

119

00:04:37,909 --> 00:04:35,199

themselves that accuse me of being

120

00:04:39,830 --> 00:04:37,919

obsessed with talking about them

121

00:04:41,749 --> 00:04:39,840

but i've done like 10 shows it's no

122

00:04:43,510 --> 00:04:41,759

that's projection of you you're actually

123

00:04:44,950 --> 00:04:43,520

obsessed with these people and when

124

00:04:48,310 --> 00:04:44,960

someone addresses

125

00:04:50,710 --> 00:04:48,320

the um inaccuracies and the lack of

126

00:04:52,150 --> 00:04:50,720

credibility then you become obsessed

127

00:04:54,550 --> 00:04:52,160

with trying to discredit the other

128

00:04:56,070 --> 00:04:54,560

person because it's all based on faith

129

00:04:58,390 --> 00:04:56,080

of what you want to believe it seems

130

00:05:00,230 --> 00:04:58,400

it's a psychology of the cult that

131

00:05:02,070 --> 00:05:00,240

follows these um

132

00:05:03,830 --> 00:05:02,080

cult of personality people like david

133

00:05:05,590 --> 00:05:03,840

wilcock it's not an obsession it's just

134

00:05:07,189 --> 00:05:05,600

like hey this guy it's like i can

135

00:05:09,510 --> 00:05:07,199

demonstrate he's making some stuff up

136

00:05:10,469 --> 00:05:09,520

there's inconsistencies that's just what

137

00:05:11,830 --> 00:05:10,479

like

138

00:05:13,430 --> 00:05:11,840

anybody should do but that's what a

139

00:05:15,590 --> 00:05:13,440

journalist should do that's what any of

140

00:05:17,749 --> 00:05:15,600

us in radio have a responsibility to do

141

00:05:19,430 --> 00:05:17,759

especially when they're in the so-called

142

00:05:20,710 --> 00:05:19,440

field that we're in yeah steve

143

00:05:22,469 --> 00:05:20,720

absolutely they're

144

00:05:24,550 --> 00:05:22,479

they're they're making it more difficult

145

00:05:25,749 --> 00:05:24,560

for people like us to do our job because

146

00:05:27,430 --> 00:05:25,759

they don't provide evidence of what

147

00:05:28,870 --> 00:05:27,440

they're saying or proof it's

148

00:05:31,830 --> 00:05:28,880

embarrassing

149

00:05:33,590 --> 00:05:31,840

yeah i i i just kind of crack up and

150

00:05:35,430 --> 00:05:33,600

laugh because you got david wilcock and

151

00:05:37,590 --> 00:05:35,440

the edge of wonder boy saying

152

00:05:39,909 --> 00:05:37,600

that's all these guys do like they don't

153

00:05:42,230 --> 00:05:39,919

do any other content they just like i

154

00:05:44,790 --> 00:05:42,240

did a couple of shows like three or four

155

00:05:46,469 --> 00:05:44,800

maybe i mean i don't have a daily show

156

00:05:49,029 --> 00:05:46,479

so that's still kind of

157

00:05:50,629 --> 00:05:49,039

but it's like i'm allowed i'm allowed

158

00:05:52,950 --> 00:05:50,639

like you said i'm allowed to look at

159

00:05:55,270 --> 00:05:52,960

what you've said and show people why

160

00:05:57,270 --> 00:05:55,280

it's whack-a-doodle like

161

00:05:59,430 --> 00:05:57,280

i should be allowed to do that and if

162

00:06:00,950 --> 00:05:59,440

they can't address the criticism so they

163

00:06:03,430 --> 00:06:00,960

attack the critic

164

00:06:05,029 --> 00:06:03,440

over and over again i've seen that

165

00:06:07,510 --> 00:06:05,039

you know that i uh

166

00:06:08,950 --> 00:06:07,520

when i was at contact last year and i

167

00:06:10,790 --> 00:06:08,960

talked to sailor and i talked to emory

168

00:06:12,790 --> 00:06:10,800

smith who by the way was very very

169

00:06:14,629 --> 00:06:12,800

courteous and gave me much more time

170

00:06:16,469 --> 00:06:14,639

than he had to

171

00:06:19,189 --> 00:06:16,479

like five minutes or so because he was

172

00:06:21,270 --> 00:06:19,199

in a rush to go um so that's to his

173

00:06:22,230 --> 00:06:21,280

credit but beyond that another thing

174

00:06:24,150 --> 00:06:22,240

that

175

00:06:26,230 --> 00:06:24,160

other people got in trouble for on

176

00:06:28,629 --> 00:06:26,240

social media and this was another reason

177

00:06:29,990 --> 00:06:28,639

i think i got in trouble by that cult

178

00:06:31,830 --> 00:06:30,000

was because

179

00:06:34,469 --> 00:06:31,840

they claimed that they were being

180

00:06:35,909 --> 00:06:34,479

attacked and they had this

181

00:06:38,070 --> 00:06:35,919

they had this huge

182

00:06:40,390 --> 00:06:38,080

security presence at contact they had

183

00:06:42,629 --> 00:06:40,400

all these police officers everywhere and

184

00:06:44,550 --> 00:06:42,639

i just someone asked me that and i said

185

00:06:45,909 --> 00:06:44,560

nope i was there over all over the whole

186

00:06:46,790 --> 00:06:45,919

conference i was in and out of every

187

00:06:49,350 --> 00:06:46,800

room

188

00:06:51,189 --> 00:06:49,360

there was one cop car outside one day

189

00:06:53,510 --> 00:06:51,199

there wasn't some massive security

190

00:06:55,029 --> 00:06:53,520

presence yeah so a lot of people don't

191

00:06:56,870 --> 00:06:55,039

know this but here here's one of the

192

00:06:58,710 --> 00:06:56,880

things especially about wilcock that i

193

00:07:01,510 --> 00:06:58,720

always find like

194

00:07:03,830 --> 00:07:01,520

comedically entertaining and that's

195

00:07:06,150 --> 00:07:03,840

probably why i keep fact checking him

196

00:07:07,589 --> 00:07:06,160

because this guy's so stupid that he

197

00:07:09,270 --> 00:07:07,599

doesn't realize

198

00:07:10,710 --> 00:07:09,280

like you're there people are there they

199

00:07:12,550 --> 00:07:10,720

could see if there's a police presence

200

00:07:13,830 --> 00:07:12,560

or not nobody saw a police presence i've

201
00:07:16,710 --> 00:07:13,840
heard there was a report there was like

202
00:07:19,830 --> 00:07:16,720
one car outside a hotel which is not

203
00:07:22,390 --> 00:07:19,840
one car outside a huge hotel is is not a

204
00:07:24,469 --> 00:07:22,400
huge police presence so what i did is i

205
00:07:27,029 --> 00:07:24,479
called the local police and i called the

206
00:07:29,189 --> 00:07:27,039
state police said did you get any

207
00:07:31,430 --> 00:07:29,199
threats against this david wilcock

208
00:07:33,749 --> 00:07:31,440
absolutely not against us

209
00:07:35,830 --> 00:07:33,759
was there any threats at that event no

210
00:07:38,070 --> 00:07:35,840
we didn't get it there was no absolutely

211
00:07:40,070 --> 00:07:38,080
no police reports and if there was

212
00:07:41,830 --> 00:07:40,080
credible threats they should have been

213
00:07:44,150 --> 00:07:41,840

reported to the police and david wilcox

214

00:07:46,469 --> 00:07:44,160

saying we had police standing by the

215

00:07:49,189 --> 00:07:46,479

police didn't know the local police

216

00:07:50,950 --> 00:07:49,199

didn't hear anything about david wilcock

217

00:07:52,469 --> 00:07:50,960

anything about contact in the desert

218

00:07:54,469 --> 00:07:52,479

they knew that there was an event at

219

00:07:57,510 --> 00:07:54,479

that hotel there's always events at that

220

00:07:59,830 --> 00:07:57,520

hotel there was no reports there was not

221

00:08:02,070 --> 00:07:59,840

police standing by and this is how easy

222

00:08:03,350 --> 00:08:02,080

it is to fact check this clown but we're

223

00:08:05,830 --> 00:08:03,360

not supposed to do that we're just

224

00:08:07,510 --> 00:08:05,840

supposed to let him lie to everybody

225

00:08:08,710 --> 00:08:07,520

that's that's fantastic stephen that's

226

00:08:10,950 --> 00:08:08,720

all you have to do you just call the

227

00:08:12,070 --> 00:08:10,960

police and nope we don't have any clue i

228

00:08:15,029 --> 00:08:12,080

don't know if you've heard the shows

229

00:08:16,950 --> 00:08:15,039

i've done a good friend of mine mike d

230

00:08:19,029 --> 00:08:16,960

does the shows with me he's my co-host

231

00:08:20,150 --> 00:08:19,039

on on some shows yeah i have heard some

232

00:08:22,629 --> 00:08:20,160

of them

233

00:08:25,029 --> 00:08:22,639

okay great so he contacted the edgar

234

00:08:26,710 --> 00:08:25,039

cayce foundation and asked them if they

235

00:08:28,710 --> 00:08:26,720

ever heard of wilcock and they said nope

236

00:08:30,150 --> 00:08:28,720

never heard of the guy so you'd imagine

237

00:08:31,990 --> 00:08:30,160

that if edgar casey came back

238

00:08:34,389 --> 00:08:32,000

reincarnated he'd have contacted his

239

00:08:37,509 --> 00:08:34,399

foundation but apparently well actually

240

00:08:39,670 --> 00:08:37,519

uh that may or may not be accurate i got

241

00:08:41,589 --> 00:08:39,680

uh the problem with the edgar casey

242

00:08:43,029 --> 00:08:41,599

foundation is if you google edgar casey

243

00:08:45,030 --> 00:08:43,039

foundation there's like a hundred

244

00:08:47,670 --> 00:08:45,040

different people you can call they have

245

00:08:50,310 --> 00:08:47,680

regional people they have state people

246

00:08:53,030 --> 00:08:50,320

so i got to somebody in uh

247

00:08:56,070 --> 00:08:53,040

in that's the regional director

248

00:08:57,269 --> 00:08:56,080

and what the story that i got is that he

249

00:09:01,430 --> 00:08:57,279

met with

250

00:09:03,110 --> 00:09:01,440

uh the son and grandson of edgar cayce

251
00:09:04,230 --> 00:09:03,120
and people from the edgar cayce

252
00:09:07,190 --> 00:09:04,240
foundation

253
00:09:09,110 --> 00:09:07,200
they all talked to him for a while and

254
00:09:11,829 --> 00:09:09,120
they all walked away going there's

255
00:09:14,949 --> 00:09:11,839
absolutely no way that he is

256
00:09:16,710 --> 00:09:14,959
edgar casey reincarnated and further

257
00:09:18,470 --> 00:09:16,720
they have so many people that come

258
00:09:21,190 --> 00:09:18,480
forward and claim to be edgar casey

259
00:09:22,949 --> 00:09:21,200
reincarnated that they have a test

260
00:09:25,110 --> 00:09:22,959
people don't know this but edgar casey

261
00:09:27,350 --> 00:09:25,120
knew that people would come and say i'm

262
00:09:29,509 --> 00:09:27,360
edgar casey reincarnated so he set up a

263
00:09:31,350 --> 00:09:29,519

test with his family with code words and

264

00:09:34,150 --> 00:09:31,360

all kinds of things like that

265

00:09:37,750 --> 00:09:34,160

sort of like houdini did like houdini

266

00:09:40,310 --> 00:09:37,760

famously had a code word so that if if

267

00:09:42,310 --> 00:09:40,320

people said they contacted him you know

268

00:09:44,230 --> 00:09:42,320

a medium contacted him that people would

269

00:09:46,470 --> 00:09:44,240

know if it was real or not

270

00:09:48,070 --> 00:09:46,480

he refused to do the test

271

00:09:51,110 --> 00:09:48,080

david wilcock just refused to do the

272

00:09:53,350 --> 00:09:51,120

test but that did not stop him

273

00:09:54,949 --> 00:09:53,360

from selling a book and to this to my

274

00:09:57,030 --> 00:09:54,959

knowledge he's still selling the book

275

00:09:59,350 --> 00:09:57,040

that i'm edgar casey reincarnated

276

00:10:01,670 --> 00:09:59,360

refused to take the test

277

00:10:04,069 --> 00:10:01,680

and edgar casey foundation the the

278

00:10:06,470 --> 00:10:04,079

executive person that i spoke with who's

279

00:10:08,630 --> 00:10:06,480

way high up in the organization said

280

00:10:10,550 --> 00:10:08,640

uh we don't have anything against him

281

00:10:12,710 --> 00:10:10,560

but we just don't believe him

282

00:10:14,230 --> 00:10:12,720

we just don't believe him at all

283

00:10:15,350 --> 00:10:14,240

so that's really interesting and i'm

284

00:10:17,509 --> 00:10:15,360

glad that you brought that up because

285

00:10:18,710 --> 00:10:17,519

yeah i know there are several different

286

00:10:20,470 --> 00:10:18,720

you know

287

00:10:21,990 --> 00:10:20,480

groups and different so many of them

288

00:10:23,910 --> 00:10:22,000

there's so many but i got to like the

289

00:10:26,389 --> 00:10:23,920

head the head of the you know like the

290

00:10:28,069 --> 00:10:26,399

head of the whole organization currently

291

00:10:31,110 --> 00:10:28,079

and i haven't written statement from him

292

00:10:32,630 --> 00:10:31,120

i'll email it to you when i get it or i

293

00:10:34,470 --> 00:10:32,640

have it i mean i have to get it together

294

00:10:36,230 --> 00:10:34,480

and then i'll i have to find it and then

295

00:10:38,389 --> 00:10:36,240

i'll send it to you

296

00:10:40,069 --> 00:10:38,399

you know that that this police presence

297

00:10:42,310 --> 00:10:40,079

thing and i'd appreciate if you do send

298

00:10:44,230 --> 00:10:42,320

that to me uh this police presence thing

299

00:10:46,630 --> 00:10:44,240

i thought was really funny because i'm

300

00:10:48,389 --> 00:10:46,640

watching you know how wilcock has this

301

00:10:50,310 --> 00:10:48,399

trend where he disappears for nine

302

00:10:52,630 --> 00:10:50,320

months and then comes back

303

00:10:53,910 --> 00:10:52,640

he posted his new video in in december

304

00:10:55,190 --> 00:10:53,920

and i didn't even know about it until a

305

00:10:57,110 --> 00:10:55,200

few days ago

306

00:10:58,470 --> 00:10:57,120

uh my friend mike d he sent it to me and

307

00:11:00,389 --> 00:10:58,480

he said you got to watch this this is

308

00:11:03,030 --> 00:11:00,399

great so i guess they have a new movie

309

00:11:04,550 --> 00:11:03,040

coming out called cosmic secret or some

310

00:11:08,069 --> 00:11:04,560

something like that i call it the cosmic

311

00:11:09,430 --> 00:11:08,079

scam yeah it's actually out already yeah

312

00:11:11,110 --> 00:11:09,440

it's out it's out see i didn't even know

313

00:11:12,710 --> 00:11:11,120

i guess i'm not yeah see you're not

314

00:11:14,389 --> 00:11:12,720

obsessed you're supposed to be obsessed

315

00:11:16,870 --> 00:11:14,399

man you're supposed to be keeping up you

316

00:11:21,110 --> 00:11:16,880

know yes you're more obsessed than i do

317

00:11:23,110 --> 00:11:21,120

i am i can't i cannot deny that i take

318

00:11:25,190 --> 00:11:23,120

personal pleasure in fact checking the

319

00:11:27,829 --> 00:11:25,200

things that this clown says

320

00:11:31,269 --> 00:11:27,839

mostly because i am just completely and

321

00:11:33,750 --> 00:11:31,279

totally shocked at the total lack of

322

00:11:35,110 --> 00:11:33,760

any kind of research this guy does

323

00:11:38,230 --> 00:11:35,120

you know like this

324

00:11:41,190 --> 00:11:38,240

this latest video he's running with this

325

00:11:43,670 --> 00:11:41,200

peterson was murdered like this is crazy

326

00:11:45,350 --> 00:11:43,680

and again all of his guys were murdered

327

00:11:46,470 --> 00:11:45,360

would he die yeah yeah but they all

328

00:11:48,870 --> 00:11:46,480

murdered

329

00:11:51,430 --> 00:11:48,880

yeah they all they got killed yeah and

330

00:11:53,590 --> 00:11:51,440

the thing that gets me is once again

331

00:11:55,990 --> 00:11:53,600

david wilcock is sitting there saying

332

00:11:58,310 --> 00:11:56,000

that they killed pete peterson by an

333

00:11:59,430 --> 00:11:58,320

accidental injection which is crazy

334

00:12:02,790 --> 00:11:59,440

because if you're going to kill somebody

335

00:12:05,590 --> 00:12:02,800

that injection is not accidental

336

00:12:07,030 --> 00:12:05,600

yeah that's an accidental murder look

337

00:12:08,629 --> 00:12:07,040

but the thing is

338

00:12:11,590 --> 00:12:08,639

you can call

339

00:12:13,829 --> 00:12:11,600

i've got on the record sourcing at the

340

00:12:14,629 --> 00:12:13,839

nursing home where this man peterson was

341

00:12:21,430 --> 00:12:14,639

at

342

00:12:23,430 --> 00:12:21,440

and further

343

00:12:25,750 --> 00:12:23,440

if there was an accident or an

344

00:12:28,150 --> 00:12:25,760

accidental injection of a patient they

345

00:12:30,310 --> 00:12:28,160

have to report that to the authorities

346

00:12:32,710 --> 00:12:30,320

and it has to be investigated

347

00:12:35,430 --> 00:12:32,720

and it would be the inspector general of

348

00:12:38,389 --> 00:12:35,440

idaho so we called the inspector general

349

00:12:40,150 --> 00:12:38,399

of idaho has there been any reports of

350

00:12:43,030 --> 00:12:40,160

any kind of accidental injection

351

00:12:45,190 --> 00:12:43,040

incident at this nursing home

352

00:12:47,430 --> 00:12:45,200

no there's been no reports of an

353

00:12:50,150 --> 00:12:47,440

accidental injection at any nursing home

354

00:12:51,590 --> 00:12:50,160

in idaho for that year period well you

355

00:12:53,990 --> 00:12:51,600

know why that is that's because the

356

00:12:55,509 --> 00:12:54,000

cabal infiltrated and covered it up yeah

357

00:12:57,910 --> 00:12:55,519

you got to use the black when you're

358

00:12:59,269 --> 00:12:57,920

really when you get caught lying dead to

359

00:13:01,110 --> 00:12:59,279

rights i've said this time and time

360

00:13:02,550 --> 00:13:01,120

again if you're going to go be a cosmic

361

00:13:04,150 --> 00:13:02,560

con man

362

00:13:05,509 --> 00:13:04,160

what you got to do when you're caught

363

00:13:08,389 --> 00:13:05,519

dead to writes is you got to pull out

364

00:13:09,910 --> 00:13:08,399

the cabal and the men in black

365

00:13:11,990 --> 00:13:09,920

and they covered it up that's what

366

00:13:13,910 --> 00:13:12,000

happened that must be what it is they

367

00:13:16,710 --> 00:13:13,920

killed pete peterson they covered it up

368

00:13:19,110 --> 00:13:16,720

they got the inspector general to lie

369

00:13:21,509 --> 00:13:19,120

they got the they got the nurses at the

370

00:13:23,110 --> 00:13:21,519

nurses station they got to them because

371

00:13:25,110 --> 00:13:23,120

i talked to them

372

00:13:27,350 --> 00:13:25,120

i think that the nurses at the nursing

373

00:13:29,590 --> 00:13:27,360

station that was taking care of pete

374

00:13:31,829 --> 00:13:29,600

peterson would have heard if he got

375

00:13:33,910 --> 00:13:31,839

killed by an accidental injection i have

376

00:13:35,430 --> 00:13:33,920

two of them on the record sources they

377

00:13:37,430 --> 00:13:35,440

didn't hear anything about so the men in

378

00:13:39,269 --> 00:13:37,440

black got to them too that's the thing

379

00:13:41,590 --> 00:13:39,279

that drives me crazy that's people still

380

00:13:43,030 --> 00:13:41,600

believe this guy

381

00:13:45,189 --> 00:13:43,040

the men in black would have had gotten

382

00:13:46,949 --> 00:13:45,199

to every nurse every doctor every

383

00:13:49,350 --> 00:13:46,959

orderly every

384

00:13:51,030 --> 00:13:49,360

janitor at that hospital that may have

385

00:13:52,710 --> 00:13:51,040

heard about that incident and covered it

386

00:13:54,790 --> 00:13:52,720

up then they got to the inspector

387

00:13:56,389 --> 00:13:54,800

general they got to the the surgeon

388

00:13:58,069 --> 00:13:56,399

general of the state would have heard

389

00:14:01,189 --> 00:13:58,079

about that incident they got to all

390

00:14:03,750 --> 00:14:01,199

these people and shut them all up

391

00:14:06,310 --> 00:14:03,760

these guys live in like an absurd sci-fi

392

00:14:07,910 --> 00:14:06,320

reality yeah like james bond stuff too

393

00:14:09,910 --> 00:14:07,920

they're always somebody's trying to kill

394

00:14:11,350 --> 00:14:09,920

me you know

395

00:14:12,550 --> 00:14:11,360

if you watch that whole video that

396

00:14:14,710 --> 00:14:12,560

wilcock did where he's up in the

397

00:14:16,550 --> 00:14:14,720

mountains there are so i picked out so

398

00:14:18,629 --> 00:14:16,560

many different sound clips but there's

399

00:14:20,629 --> 00:14:18,639

one at the end that really interested me

400

00:14:22,870 --> 00:14:20,639

because it's in relationship to that

401
00:14:27,350 --> 00:14:22,880
question you asked me about jordan

402
00:14:29,750 --> 00:14:27,360
rather they they i guess amplified the

403
00:14:30,790 --> 00:14:29,760
claims of threats on them and at the end

404
00:14:32,870 --> 00:14:30,800
when he's talking about his

405
00:14:34,870 --> 00:14:32,880
whistleblowers like pete peterson who

406
00:14:36,550 --> 00:14:34,880
you know he's a real guy

407
00:14:38,230 --> 00:14:36,560
guy but some of these other people you

408
00:14:39,990 --> 00:14:38,240
know they're conveniently people we

409
00:14:41,590 --> 00:14:40,000
never see we don't know who they are and

410
00:14:43,269 --> 00:14:41,600
then they conveniently die with no

411
00:14:44,710 --> 00:14:43,279
evidence and so at the end of the video

412
00:14:46,550 --> 00:14:44,720
he's talking about how uh his

413
00:14:48,790 --> 00:14:46,560

whistleblower woody died

414

00:14:51,269 --> 00:14:48,800

that was a funny nickname uh code name

415

00:14:53,670 --> 00:14:51,279

and then he says he said this is serious

416

00:14:55,110 --> 00:14:53,680

he said people are dying in fact let me

417

00:14:57,350 --> 00:14:55,120

just let me play you the clip is that

418

00:14:58,870 --> 00:14:57,360

okay if i play the clip absolutely

419

00:15:00,790 --> 00:14:58,880

all right let's hear that clip making

420

00:15:02,710 --> 00:15:00,800

this stuff up out of no evidence they're

421

00:15:04,389 --> 00:15:02,720

doing it just because

422

00:15:06,870 --> 00:15:04,399

they like trolling they like attacking

423

00:15:08,550 --> 00:15:06,880

us and they they think this is a game

424

00:15:11,030 --> 00:15:08,560

people are dying you know we were

425

00:15:13,590 --> 00:15:11,040

threatened very severely with actual

426

00:15:16,470 --> 00:15:13,600

terrorism uh at the contact in the

427

00:15:17,910 --> 00:15:16,480

desert event with actual terrorism so

428

00:15:19,990 --> 00:15:17,920

apparently

429

00:15:23,030 --> 00:15:20,000

asking these guys questions is an act of

430

00:15:24,629 --> 00:15:23,040

terrorism now yeah that that struck me

431

00:15:26,949 --> 00:15:24,639

and one of the other things that struck

432

00:15:29,829 --> 00:15:26,959

me about that whole video is that i

433

00:15:32,389 --> 00:15:29,839

could listen and hear who he was talking

434

00:15:33,590 --> 00:15:32,399

about and what the actual truth is you

435

00:15:35,030 --> 00:15:33,600

know about

436

00:15:37,110 --> 00:15:35,040

you know like you said he's just

437

00:15:38,550 --> 00:15:37,120

amplifying everything up we've got the

438

00:15:41,030 --> 00:15:38,560

police saying there was no credible

439

00:15:42,710 --> 00:15:41,040

threats there was no reported threats i

440

00:15:44,550 --> 00:15:42,720

even talked to like the hotel

441

00:15:46,870 --> 00:15:44,560

administrators there who said that they

442

00:15:48,629 --> 00:15:46,880

didn't get any reports of threats

443

00:15:50,310 --> 00:15:48,639

at that event so

444

00:15:51,829 --> 00:15:50,320

you know what is he talking about he's

445

00:15:54,150 --> 00:15:51,839

talking about somebody coming and asking

446

00:15:56,629 --> 00:15:54,160

a question that's you're a terrorist

447

00:15:58,550 --> 00:15:56,639

ryan how dare you go there and ask a

448

00:15:59,990 --> 00:15:58,560

question you terrorist

449

00:16:01,829 --> 00:16:00,000

you know that another thing that's funny

450

00:16:03,509 --> 00:16:01,839

is that jordan say there he i mean i

451

00:16:04,949 --> 00:16:03,519

could play all the clips all day but

452

00:16:07,430 --> 00:16:04,959

jordan say there in one of the videos he

453

00:16:10,550 --> 00:16:07,440

made where he brought up my name he said

454

00:16:12,150 --> 00:16:10,560

that he didn't know who i was and that i

455

00:16:13,910 --> 00:16:12,160

he said i guess this guy has a radio

456

00:16:16,069 --> 00:16:13,920

show but funny thing is i i didn't

457

00:16:18,550 --> 00:16:16,079

really talk about this a lot after the

458

00:16:20,389 --> 00:16:18,560

event i got jordan say they're into that

459

00:16:22,389 --> 00:16:20,399

event the year before when he didn't

460

00:16:25,189 --> 00:16:22,399

have a press pass i got him into the

461

00:16:27,269 --> 00:16:25,199

event there's a picture of me

462

00:16:29,269 --> 00:16:27,279

no he doesn't know who you are man but

463

00:16:31,189 --> 00:16:29,279

he doesn't know doesn't know who i am

464

00:16:34,069 --> 00:16:31,199

here's another thing if i may if i can

465

00:16:35,990 --> 00:16:34,079

jump around back to that video um

466

00:16:37,509 --> 00:16:36,000

something i know i noticed wilcock

467

00:16:38,710 --> 00:16:37,519

making these claims did you notice that

468

00:16:41,030 --> 00:16:38,720

in the video

469

00:16:43,269 --> 00:16:41,040

he everything he brought up that was

470

00:16:45,749 --> 00:16:43,279

actually from like a news source he

471

00:16:48,949 --> 00:16:45,759

would say this is a very reputable a

472

00:16:51,030 --> 00:16:48,959

very respectable a very accredited news

473

00:16:53,269 --> 00:16:51,040

source did you notice that he can serve

474

00:16:56,069 --> 00:16:53,279

yeah and the funny thing is is that

475

00:16:58,470 --> 00:16:56,079

sites the the site the article that he's

476
00:16:59,760 --> 00:16:58,480
citing goes on to basically say that

477
00:17:01,269 --> 00:16:59,770
it's a con

478
00:17:02,870 --> 00:17:01,279
[Laughter]

479
00:17:04,710 --> 00:17:02,880
he doesn't get to that point just like

480
00:17:06,309 --> 00:17:04,720
he doesn't he says well we got all this

481
00:17:09,029 --> 00:17:06,319
proof and then he says well here's a q a

482
00:17:10,630 --> 00:17:09,039
q anon post just a random post that said

483
00:17:12,630 --> 00:17:10,640
project looking glass this is really

484
00:17:14,630 --> 00:17:12,640
exciting he says this is proof of what

485
00:17:16,390 --> 00:17:14,640
i've been saying that's a random

486
00:17:18,549 --> 00:17:16,400
internet post

487
00:17:19,909 --> 00:17:18,559
yeah yeah so that's a credible source

488
00:17:22,230 --> 00:17:19,919

though because it was written on the

489

00:17:24,230 --> 00:17:22,240

internet by somebody

490

00:17:25,429 --> 00:17:24,240

can i play that too i have yeah yeah

491

00:17:26,230 --> 00:17:25,439

absolutely you can play whatever you

492

00:17:28,069 --> 00:17:26,240

want

493

00:17:30,230 --> 00:17:28,079

yeah here we go this is the uh these

494

00:17:33,510 --> 00:17:30,240

just these are just like comedy bits

495

00:17:36,070 --> 00:17:33,520

it's hilarious over 400

496

00:17:37,110 --> 00:17:36,080

this is from defense news.com this is a

497

00:17:40,789 --> 00:17:37,120

totally

498

00:17:43,190 --> 00:17:40,799

the link right here

499

00:17:46,150 --> 00:17:43,200

the drive is a respectable mainstream

500

00:17:47,909 --> 00:17:46,160

media publication that dives deep into

501
00:17:50,070 --> 00:17:47,919
issues from the military that the

502
00:17:51,190 --> 00:17:50,080
regular media might not cover

503
00:17:52,789 --> 00:17:51,200
but there is

504
00:17:55,270 --> 00:17:52,799
this is definitely

505
00:17:57,510 --> 00:17:55,280
a reputable accredited

506
00:17:59,190 --> 00:17:57,520
media entity for

507
00:18:00,390 --> 00:17:59,200
he's really he stephen he's really

508
00:18:02,789 --> 00:18:00,400
laying it on

509
00:18:06,150 --> 00:18:05,270
i think some people have a hard time

510
00:18:07,909 --> 00:18:06,160
uh

511
00:18:10,549 --> 00:18:07,919
rightfully so i mean it's not something

512
00:18:12,549 --> 00:18:10,559
we think like people are maliciously

513
00:18:14,470 --> 00:18:12,559

creating lies and feeding us this

514

00:18:16,150 --> 00:18:14,480

garbage oh i think i think he's

515

00:18:18,150 --> 00:18:16,160

maliciously been creating lies and

516

00:18:21,110 --> 00:18:18,160

feeding people garbage for 20 years but

517

00:18:22,710 --> 00:18:21,120

that's just after careful fact-checking

518

00:18:24,230 --> 00:18:22,720

of a lot of the stuff he talks about or

519

00:18:26,230 --> 00:18:24,240

says

520

00:18:28,390 --> 00:18:26,240

and it's it's unfortunate because a lot

521

00:18:29,990 --> 00:18:28,400

of the audience i mean a lot of older

522

00:18:31,430 --> 00:18:30,000

people a lot of people that are new to

523

00:18:33,590 --> 00:18:31,440

this kind of thing and then they just

524

00:18:35,270 --> 00:18:33,600

listen to this guy and it's hard i think

525

00:18:38,070 --> 00:18:35,280

for them and we don't think about it

526

00:18:40,549 --> 00:18:38,080

that just because you show an article

527

00:18:43,270 --> 00:18:40,559

about one thing you claim doesn't mean

528

00:18:45,350 --> 00:18:43,280

that your other claims are suddenly

529

00:18:47,270 --> 00:18:45,360

proven i mean that's really yeah exactly

530

00:18:49,590 --> 00:18:47,280

that's the game that he plays cite some

531

00:18:50,549 --> 00:18:49,600

kind of source so that you sound you

532

00:18:52,150 --> 00:18:50,559

know

533

00:18:55,350 --> 00:18:52,160

academic or something because you're

534

00:18:59,510 --> 00:18:57,430

yeah like hey this is uh what did he say

535

00:19:01,750 --> 00:18:59,520

the drive so he's got a source from the

536

00:19:03,510 --> 00:19:01,760

drive and then immediately after that

537

00:19:04,710 --> 00:19:03,520

well all my whistleblowers are dying and

538

00:19:07,110 --> 00:19:04,720

then you're supposed to i guess

539

00:19:09,669 --> 00:19:07,120

subconsciously into the conscious think

540

00:19:11,430 --> 00:19:09,679

oh well look he he showed the source so

541

00:19:13,669 --> 00:19:11,440

that must mean all these whistleblowers

542

00:19:15,430 --> 00:19:13,679

are dying because of the information

543

00:19:17,110 --> 00:19:15,440

they're releasing yeah that's what he's

544

00:19:18,470 --> 00:19:17,120

trying to sell that's what he's trying

545

00:19:21,110 --> 00:19:18,480

to sell and you know what gets me with

546

00:19:23,270 --> 00:19:21,120

the with the woody guy supposedly died

547

00:19:25,190 --> 00:19:23,280

he was found face down dead in his

548

00:19:26,789 --> 00:19:25,200

apartment okay

549

00:19:28,470 --> 00:19:26,799

well you've been citing this fake

550

00:19:30,789 --> 00:19:28,480

whistleblower that only exists in your

551
00:19:33,029 --> 00:19:30,799
imagination for years now now that he's

552
00:19:35,270 --> 00:19:33,039
dead why don't you tell us his real name

553
00:19:37,110 --> 00:19:35,280
and we can vet him and check his his

554
00:19:38,390 --> 00:19:37,120
credentials to see that he really worked

555
00:19:40,950 --> 00:19:38,400
for the government

556
00:19:43,590 --> 00:19:40,960
or anything that you talked about in as

557
00:19:45,510 --> 00:19:43,600
far as as far as he goes he's dead now

558
00:19:47,350 --> 00:19:45,520
why don't you give us his name he will

559
00:19:49,029 --> 00:19:47,360
never do that never

560
00:19:50,350 --> 00:19:49,039
i heard i heard they found woody in

561
00:19:55,110 --> 00:19:50,360
andy's room

562
00:19:56,549 --> 00:19:55,120
yeah yeah yeah i know that's so crazy

563
00:19:57,830 --> 00:19:56,559

you're everything i'm gonna ask you this

564

00:19:58,950 --> 00:19:57,840

question do you ever think that

565

00:20:00,390 --> 00:19:58,960

sometimes

566

00:20:03,430 --> 00:20:00,400

you listen to this guy talk and it's

567

00:20:05,669 --> 00:20:03,440

like you know where he got that name or

568

00:20:08,230 --> 00:20:05,679

the source like he watched a movie the

569

00:20:10,230 --> 00:20:08,240

night before and then yeah you think

570

00:20:12,630 --> 00:20:10,240

that i think that about a lot of these

571

00:20:15,430 --> 00:20:12,640

guys you know like i can pick out stuff

572

00:20:18,070 --> 00:20:15,440

from like you know uh like science

573

00:20:19,830 --> 00:20:18,080

fiction stuff from star trek episodes

574

00:20:21,669 --> 00:20:19,840

you know they just kind of pick into you

575

00:20:23,110 --> 00:20:21,679

like hey i watched star trek last night

576

00:20:24,549 --> 00:20:23,120

this will be something good i can talk

577

00:20:26,950 --> 00:20:24,559

about you know

578

00:20:29,270 --> 00:20:26,960

temporal dementia i suffer that because

579

00:20:31,590 --> 00:20:29,280

i time travel that doesn't exist it's a

580

00:20:33,029 --> 00:20:31,600

made-up term you know

581

00:20:34,870 --> 00:20:33,039

what what's also the deal what do you

582

00:20:41,190 --> 00:20:34,880

think about

583

00:20:42,950 --> 00:20:41,200

the the the ego of david wilcock i mean

584

00:20:44,789 --> 00:20:42,960

that's uh that's something that from the

585

00:20:46,789 --> 00:20:44,799

beginning i didn't have an issue with

586

00:20:49,590 --> 00:20:46,799

him i just went to contact like five

587

00:20:51,190 --> 00:20:49,600

years ago and i as a as a journalist as

588

00:20:53,510 --> 00:20:51,200

a presenter i just said i went to the

589

00:20:55,190 --> 00:20:53,520

this talk and everything else was great

590

00:20:57,190 --> 00:20:55,200

i just felt like david wilcock had a

591

00:20:59,110 --> 00:20:57,200

really big ego he was yelling at his

592

00:21:01,190 --> 00:20:59,120

audience i just got a real bad

593

00:21:02,710 --> 00:21:01,200

impression and then after that he wrote

594

00:21:06,070 --> 00:21:02,720

some big thing about how he doesn't have

595

00:21:08,470 --> 00:21:06,080

an ego and then from

596

00:21:10,470 --> 00:21:08,480

from that point on he he says he says

597

00:21:12,870 --> 00:21:10,480

stuff like this listen to this this is

598

00:21:13,750 --> 00:21:12,880

this is one of my new favorite wilcock

599

00:21:15,669 --> 00:21:13,760

claims

600

00:21:17,590 --> 00:21:15,679

there's a lot of people who have

601
00:21:19,750 --> 00:21:17,600
spoken to me over the years in some

602
00:21:22,549 --> 00:21:19,760
cases exclusively

603
00:21:24,549 --> 00:21:22,559
and i have a unique ability to be able

604
00:21:27,029 --> 00:21:24,559
to remember what people tell me that's

605
00:21:29,510 --> 00:21:27,039
just called a memory stephen

606
00:21:31,590 --> 00:21:29,520
no it's a unique ability it's a unique

607
00:21:33,350 --> 00:21:31,600
ability i mean this guy makes claims

608
00:21:34,390 --> 00:21:33,360
like this all the time he said he said

609
00:21:37,029 --> 00:21:34,400
that he

610
00:21:38,870 --> 00:21:37,039
he said he said my wife has the uh

611
00:21:41,270 --> 00:21:38,880
the privilege of listening to listening

612
00:21:42,950 --> 00:21:41,280
to me talk i mean people that talk like

613
00:21:45,270 --> 00:21:42,960

that about themselves and project that

614

00:21:47,909 --> 00:21:45,280

on other people i feel like they're like

615

00:21:48,789 --> 00:21:47,919

borderline psychopaths i mean this guy's

616

00:21:50,710 --> 00:21:48,799

like

617

00:21:52,390 --> 00:21:50,720

i i think he could potentially be very

618

00:21:55,510 --> 00:21:52,400

dangerous if this thing continued to

619

00:21:56,710 --> 00:21:55,520

grow i mean this is how a cult forums

620

00:21:58,950 --> 00:21:56,720

and then people end up killing

621

00:22:00,789 --> 00:21:58,960

themselves yeah i i absolutely agree

622

00:22:03,029 --> 00:22:00,799

with you and and now they're kind of

623

00:22:04,789 --> 00:22:03,039

shifting to this doomsday scenario which

624

00:22:07,029 --> 00:22:04,799

is very dangerous because that doesn't

625

00:22:10,149 --> 00:22:07,039

end well for the followers when nothing

626
00:22:12,630 --> 00:22:10,159
happens and as far as his ego yeah it's

627
00:22:14,549 --> 00:22:12,640
like legendary like

628
00:22:16,710 --> 00:22:14,559
look at him like somebody asks him a

629
00:22:18,149 --> 00:22:16,720
question or somebody fact checks

630
00:22:20,310 --> 00:22:18,159
something he says proves it to be

631
00:22:23,110 --> 00:22:20,320
completely and totally false he's under

632
00:22:25,590 --> 00:22:23,120
attack he's being cyberstalked terrorism

633
00:22:27,909 --> 00:22:25,600
terrorism yeah you're a terrorist ryan

634
00:22:30,230 --> 00:22:27,919
how dare you ask any questions well

635
00:22:32,070 --> 00:22:30,240
you're a terrorist by association from a

636
00:22:33,669 --> 00:22:32,080
member of the dark alliance that's

637
00:22:36,470 --> 00:22:33,679
another thing they keep bringing this

638
00:22:38,870 --> 00:22:36,480

dark alliance up and it's like you know

639

00:22:41,350 --> 00:22:38,880

some people on the internet who fact

640

00:22:43,430 --> 00:22:41,360

checked me they're the dark alliance how

641

00:22:46,149 --> 00:22:43,440

dare they fact-check me

642

00:22:48,549 --> 00:22:46,159

dude this guy claimed that his video

643

00:22:51,270 --> 00:22:48,559

presentation he did in his in his giant

644

00:22:53,110 --> 00:22:51,280

house i think it's in colorado yes where

645

00:22:55,590 --> 00:22:53,120

he doesn't have any money he claimed

646

00:22:58,630 --> 00:22:55,600

that when he went on facebook

647

00:23:00,950 --> 00:22:58,640

and tried to do a facebook live this was

648

00:23:04,310 --> 00:23:00,960

the weekend that there was a facebook

649

00:23:07,669 --> 00:23:04,320

outage he claimed that they took down

650

00:23:08,710 --> 00:23:07,679

facebook globally so he couldn't do his

651

00:23:11,830 --> 00:23:08,720

face

652

00:23:13,350 --> 00:23:11,840

yeah that's not a big ego

653

00:23:16,149 --> 00:23:13,360

well the couple they're coming after him

654

00:23:17,750 --> 00:23:16,159

the cabal is coming after him yeah and i

655

00:23:20,390 --> 00:23:17,760

this stuff happens all the times like

656

00:23:22,070 --> 00:23:20,400

you know the stream starts to uh buffer

657

00:23:24,549 --> 00:23:22,080

oh that we're under attack they're

658

00:23:27,029 --> 00:23:24,559

trying to stop our broadcast no nobody

659

00:23:29,029 --> 00:23:27,039

cares i you know listen

660

00:23:30,710 --> 00:23:29,039

that's another thing

661

00:23:33,590 --> 00:23:30,720

he's always like oh the government's out

662

00:23:35,830 --> 00:23:33,600

to get me and the dark alliance look man

663

00:23:38,789 --> 00:23:35,840

that's all this guy's just living a

664

00:23:41,110 --> 00:23:38,799

delusional fantasy you know like the

665

00:23:43,669 --> 00:23:41,120

stream buffered it's an attack they're

666

00:23:46,630 --> 00:23:43,679

trying to stop me from broadcasting this

667

00:23:48,470 --> 00:23:46,640

information first of all the information

668

00:23:50,549 --> 00:23:48,480

that you're broadcasting is all

669

00:23:53,269 --> 00:23:50,559

whack-a-doodle nonsense that you just

670

00:23:55,190 --> 00:23:53,279

make up with fake sources fake

671

00:23:56,230 --> 00:23:55,200

whistleblowers why would somebody try to

672

00:23:58,470 --> 00:23:56,240

stop you

673

00:24:00,230 --> 00:23:58,480

from having a [h__h] fest on the

674

00:24:02,149 --> 00:24:00,240

internet they're not gonna they're not

675

00:24:05,029 --> 00:24:02,159

gonna care it's not accurate information

676

00:24:07,110 --> 00:24:05,039

if he had real credible you know top

677

00:24:09,350 --> 00:24:07,120

secret information they would shut him

678

00:24:11,510 --> 00:24:09,360

right down it wouldn't you know it

679

00:24:14,630 --> 00:24:11,520

wouldn't be an issue like this

680

00:24:16,710 --> 00:24:14,640

but this is a pr fluff for his followers

681

00:24:18,149 --> 00:24:16,720

it's all pr fluff

682

00:24:20,950 --> 00:24:18,159

that that's exactly right that's all

683

00:24:22,789 --> 00:24:20,960

that it is and i remember reading a uh

684

00:24:23,990 --> 00:24:22,799

a one of his enormous i don't know if

685

00:24:26,310 --> 00:24:24,000

you've read these

686

00:24:28,310 --> 00:24:26,320

enormous posts he puts up on his website

687

00:24:29,909 --> 00:24:28,320

oh yeah yeah i've had to suffer through

688

00:24:31,990 --> 00:24:29,919

some of that to research some of his

689

00:24:34,789 --> 00:24:32,000

claims and i can't they get guy will

690

00:24:36,630 --> 00:24:34,799

write a hundred page blog post and

691

00:24:38,710 --> 00:24:36,640

connect together like

692

00:24:40,870 --> 00:24:38,720

50 or 100 different things that have

693

00:24:43,590 --> 00:24:40,880

nothing to do with one another and just

694

00:24:45,669 --> 00:24:43,600

i think his strategy is if i just throw

695

00:24:47,990 --> 00:24:45,679

out enough material something's going to

696

00:24:49,750 --> 00:24:48,000

resonate with somebody reading this

697

00:24:51,430 --> 00:24:49,760

they're going to connect the dots

698

00:24:52,549 --> 00:24:51,440

somehow you know

699

00:24:54,149 --> 00:24:52,559

yeah they're going to see a pattern

700

00:24:56,390 --> 00:24:54,159

where there isn't a pattern

701

00:24:57,990 --> 00:24:56,400

they call that promiscuous teleology

702

00:24:59,190 --> 00:24:58,000

yeah you're absolutely right i've read

703

00:25:01,190 --> 00:24:59,200

about that

704

00:25:02,710 --> 00:25:01,200

you know it's like uh the what are they

705

00:25:04,710 --> 00:25:02,720

the updates he does those are my

706

00:25:07,590 --> 00:25:04,720

favorite it's like 1100 pages and then

707

00:25:09,430 --> 00:25:07,600

at the bottom there are like 47 updates

708

00:25:13,029 --> 00:25:09,440

and one of the ones i read it was it was

709

00:25:17,430 --> 00:25:15,110

he said something like uh it was a while

710

00:25:19,350 --> 00:25:17,440

ago i read something uh uh one of his

711

00:25:21,750 --> 00:25:19,360

posts and it said just got out of the

712

00:25:24,230 --> 00:25:21,760

shower came back to check the post and

713

00:25:26,310 --> 00:25:24,240

we already had like three thumbs down

714

00:25:28,390 --> 00:25:26,320

he's like the cabal is really boring you

715

00:25:30,870 --> 00:25:28,400

know bearing down on us it's like no

716

00:25:33,669 --> 00:25:30,880

three people dislike the video that's

717

00:25:35,750 --> 00:25:33,679

but he thinks that's the cabal

718

00:25:38,549 --> 00:25:35,760

does he actually think that

719

00:25:40,149 --> 00:25:38,559

or is it just is it delusion or is he

720

00:25:41,909 --> 00:25:40,159

playing a game i really think it's

721

00:25:44,149 --> 00:25:41,919

delusion i think the guy's mentally ill

722

00:25:45,990 --> 00:25:44,159

at this point i don't know if he if he's

723

00:25:47,590 --> 00:25:46,000

just consciously making things up and

724

00:25:49,750 --> 00:25:47,600

trying to rip people off i think corey

725

00:25:51,269 --> 00:25:49,760

good's doing that wilcock i think is

726

00:25:54,230 --> 00:25:51,279

delusional

727

00:25:55,830 --> 00:25:54,240

yeah you may be right i mean i i gotta i

728

00:25:58,470 --> 00:25:55,840

gotta imagine

729

00:26:00,870 --> 00:25:58,480

though what a terrible existence it is

730

00:26:02,390 --> 00:26:00,880

when every day you wake up and you know

731

00:26:05,110 --> 00:26:02,400

that you're going to lie to people all

732

00:26:06,870 --> 00:26:05,120

day and then you know if you know any

733

00:26:08,549 --> 00:26:06,880

anybody if you've been unfortunate

734

00:26:10,870 --> 00:26:08,559

enough to have somebody that lies a lot

735

00:26:12,950 --> 00:26:10,880

in your life you've recognized the same

736

00:26:15,269 --> 00:26:12,960

kind of pattern in him it's like he gets

737

00:26:17,669 --> 00:26:15,279

caught lying so now we have to we have

738

00:26:19,990 --> 00:26:17,679

to bolster the lie tell some more lies

739

00:26:21,510 --> 00:26:20,000

to cover the first lie the second lie

740

00:26:23,350 --> 00:26:21,520

and then people are going to check me on

741

00:26:25,830 --> 00:26:23,360

that so now i got to come up with more

742

00:26:27,990 --> 00:26:25,840

lies and more lies and i think that that

743

00:26:30,549 --> 00:26:28,000

will affect your psyche after a while

744

00:26:33,029 --> 00:26:30,559

it'll really make you like paranoid and

745

00:26:34,470 --> 00:26:33,039

and crazy and he's gotta keep rolling

746

00:26:36,549 --> 00:26:34,480

with this

747

00:26:38,710 --> 00:26:36,559

yeah you have to keep the

748

00:26:40,789 --> 00:26:38,720

uh the illusion going

749

00:26:42,630 --> 00:26:40,799

uh isn't that the name of sather's

750

00:26:44,710 --> 00:26:42,640

website

751
00:26:46,230 --> 00:26:44,720
destroying the illusion i think yeah

752
00:26:48,149 --> 00:26:46,240
more like more like creating the

753
00:26:49,510 --> 00:26:48,159
delusion i think you know creating

754
00:26:51,190 --> 00:26:49,520
that's like that's a great show name

755
00:26:53,830 --> 00:26:51,200
creating the delusion

756
00:26:55,669 --> 00:26:53,840
uh say there's another one who i think

757
00:26:57,750 --> 00:26:55,679
from what i understand he worked

758
00:26:59,510 --> 00:26:57,760
under was recruited by corey goode and

759
00:27:01,029 --> 00:26:59,520
then he's brought into this yeah

760
00:27:02,950 --> 00:27:01,039
absolutely all

761
00:27:06,149 --> 00:27:02,960
this guy i mean if you watch him he is

762
00:27:08,230 --> 00:27:06,159
like he's been trained by professionals

763
00:27:10,390 --> 00:27:08,240

on how to present information how to

764

00:27:12,070 --> 00:27:10,400

command an audience and this guy thinks

765

00:27:13,590 --> 00:27:12,080

younger than i'm 28 i think he's younger

766

00:27:16,710 --> 00:27:13,600

than i am yeah

767

00:27:18,630 --> 00:27:16,720

he's had professional training stephen

768

00:27:21,590 --> 00:27:18,640

yeah that's kind of it's kind of crazy

769

00:27:23,110 --> 00:27:21,600

to me and and even crazier to me is that

770

00:27:26,070 --> 00:27:23,120

guy making all these different health

771

00:27:27,990 --> 00:27:26,080

claims constantly and his only uh you

772

00:27:30,149 --> 00:27:28,000

know education in the health field is

773

00:27:32,070 --> 00:27:30,159

working at a health food store so i'm

774

00:27:33,430 --> 00:27:32,080

sorry if i don't yeah i'm sorry if i

775

00:27:35,590 --> 00:27:33,440

don't trust you

776

00:27:37,350 --> 00:27:35,600

you know and i have an autistic child so

777

00:27:38,950 --> 00:27:37,360

every time that guy talks about autism i

778

00:27:40,230 --> 00:27:38,960

want to i just want to punch him in his

779

00:27:42,070 --> 00:27:40,240

face

780

00:27:43,510 --> 00:27:42,080

because he's like no idea what he's

781

00:27:46,070 --> 00:27:43,520

talking about

782

00:27:48,230 --> 00:27:46,080

i guess if you make juice uh suddenly

783

00:27:50,710 --> 00:27:48,240

you become an expert on neurological

784

00:27:52,470 --> 00:27:50,720

conditions yeah absolutely man he made a

785

00:27:54,389 --> 00:27:52,480

smoothie once at a health food store so

786

00:27:55,669 --> 00:27:54,399

he knows how to help me help people with

787

00:27:58,149 --> 00:27:55,679

autism

788

00:27:59,029 --> 00:27:58,159

yeah so i guess basically uh because of

789

00:28:01,110 --> 00:27:59,039

you know

790

00:28:03,990 --> 00:28:01,120

of all the threats i mean palm springs

791

00:28:06,470 --> 00:28:04,000

police went undercover to protect david

792

00:28:08,870 --> 00:28:06,480

wilcock and his new veneers and then you

793

00:28:10,549 --> 00:28:08,880

know the juice boy jordan sather uh

794

00:28:12,549 --> 00:28:10,559

because they were such you know they

795

00:28:15,110 --> 00:28:12,559

were so threatened at contact you know

796

00:28:17,190 --> 00:28:15,120

the the claims just something like you

797

00:28:19,190 --> 00:28:17,200

said as simple as that where it's easily

798

00:28:20,149 --> 00:28:19,200

fact checked by anybody who is at the

799

00:28:22,070 --> 00:28:20,159

event

800

00:28:24,710 --> 00:28:22,080

it's so they think that they can just

801
00:28:26,870 --> 00:28:24,720
not only lie but the more that they lie

802
00:28:29,990 --> 00:28:26,880
the bigger and the more bold the lies

803
00:28:31,430 --> 00:28:30,000
get and no matter how obvious it is they

804
00:28:33,750 --> 00:28:31,440
just keep lying

805
00:28:35,350 --> 00:28:33,760
because if they give up on the lie then

806
00:28:37,110 --> 00:28:35,360
everything falls apart so they have to

807
00:28:39,029 --> 00:28:37,120
keep lying they have to make the lies

808
00:28:41,430 --> 00:28:39,039
bigger and bigger and bigger and it just

809
00:28:43,430 --> 00:28:41,440
becomes more and more absurd like when

810
00:28:46,630 --> 00:28:43,440
david wilcock claimed on the wonder

811
00:28:48,149 --> 00:28:46,640
twins show that he would be uh he would

812
00:28:50,389 --> 00:28:48,159
be um

813
00:28:52,870 --> 00:28:50,399

uh or he had he had this information

814

00:28:54,870 --> 00:28:52,880

that the cabal was going to this is one

815

00:28:57,029 --> 00:28:54,880

of my favorites the cabal was going to

816

00:28:59,269 --> 00:28:57,039

come around to everybody's car your car

817

00:29:01,909 --> 00:28:59,279

steve and my car all the listeners and

818

00:29:04,630 --> 00:29:01,919

they were going to siphon the gas out of

819

00:29:06,470 --> 00:29:04,640

the tank so that we couldn't drive out

820

00:29:09,110 --> 00:29:06,480

of the cities when they lock everything

821

00:29:10,950 --> 00:29:09,120

down that is a that is an actual

822

00:29:13,669 --> 00:29:10,960

quotation they're going to siphon the

823

00:29:15,350 --> 00:29:13,679

gas out of everybody's car

824

00:29:17,350 --> 00:29:15,360

where i'm up with this stuff i don't

825

00:29:18,710 --> 00:29:17,360

know i better get some extra gas just in

826

00:29:21,830 --> 00:29:18,720

case because i don't want to get caught

827

00:29:23,350 --> 00:29:21,840

in this you know coming apocalypse

828

00:29:25,590 --> 00:29:23,360

yeah they got they get they've got like

829

00:29:27,669 --> 00:29:25,600

a cabal tanker truck and they just go

830

00:29:30,070 --> 00:29:27,679

around he's gonna go around and empty

831

00:29:31,990 --> 00:29:30,080

everyone's gas tank yeah even the math

832

00:29:33,110 --> 00:29:32,000

of that is whackadoo like that would

833

00:29:34,789 --> 00:29:33,120

take like

834

00:29:36,630 --> 00:29:34,799

that would it just like in an average

835

00:29:38,549 --> 00:29:36,640

city like i lived in philadelphia i

836

00:29:40,389 --> 00:29:38,559

can't imagine how many tanker trucks it

837

00:29:42,389 --> 00:29:40,399

would take to go run around and empty

838

00:29:44,230 --> 00:29:42,399

every car in philadelphia and that's

839

00:29:47,029 --> 00:29:44,240

just you know there's bigger cities than

840

00:29:48,710 --> 00:29:47,039

that it's crazy

841

00:29:50,389 --> 00:29:48,720

yeah that's what i said on my show when

842

00:29:52,710 --> 00:29:50,399

i played that clip i mean i just think

843

00:29:54,950 --> 00:29:52,720

of like just going to a sporting event

844

00:29:56,789 --> 00:29:54,960

you see like 20 000 people at a hockey

845

00:29:58,710 --> 00:29:56,799

game all the cars in the parking lot

846

00:30:00,870 --> 00:29:58,720

hell i can't even find my car how long

847

00:30:03,110 --> 00:30:00,880

it's going to take for that tanker truck

848

00:30:05,510 --> 00:30:03,120

to go siphon the gas out of every single

849

00:30:07,029 --> 00:30:05,520

car i mean you this guy's got to have a

850

00:30:09,269 --> 00:30:07,039

really good imagination can we give him

851

00:30:11,669 --> 00:30:09,279

that yeah i'll give him that at least

852

00:30:13,110 --> 00:30:11,679

he's he's uh well and i i won't even

853

00:30:13,990 --> 00:30:13,120

give him that because some of the stuff

854

00:30:16,230 --> 00:30:14,000

that he comes up with is just

855

00:30:18,470 --> 00:30:16,240

regurgitated nonsense now they're

856

00:30:20,310 --> 00:30:18,480

pulling out looking glass and what are

857

00:30:23,350 --> 00:30:20,320

the sources of looking glass let's see

858

00:30:25,350 --> 00:30:23,360

bob lazar who's a fraud and uh dan

859

00:30:27,669 --> 00:30:25,360

burriss who's even a bigger fraud that

860

00:30:30,070 --> 00:30:27,679

just took bob lazar's story and built on

861

00:30:32,870 --> 00:30:30,080

it and added to it those are the two big

862

00:30:34,549 --> 00:30:32,880

sources for looking glass and that's it

863

00:30:36,389 --> 00:30:34,559

there is another source i've got proof

864

00:30:39,110 --> 00:30:36,399

of that let me play that for you sure so

865

00:30:41,669 --> 00:30:39,120

here's the actual q anon post it's

866

00:30:43,269 --> 00:30:41,679

number 3585 where it says on november

867

00:30:45,190 --> 00:30:43,279

11th 11 11

868

00:30:47,029 --> 00:30:45,200

project looking glass going forward in

869

00:30:49,590 --> 00:30:47,039

order to look back

870

00:30:51,350 --> 00:30:49,600

so very very exciting stuff here very

871

00:30:54,310 --> 00:30:51,360

exciting stephen yeah

872

00:30:56,630 --> 00:30:54,320

an anonymous post on on the internet

873

00:30:58,470 --> 00:30:56,640

attributed to cue yeah there's a there's

874

00:30:59,190 --> 00:30:58,480

a third source that now we should trust

875

00:31:01,830 --> 00:30:59,200

him

876

00:31:04,710 --> 00:31:01,840

totally respectable totally reputable

877

00:31:05,509 --> 00:31:04,720

absolutely an accredited media entity

878

00:31:06,870 --> 00:31:05,519

yeah

879

00:31:08,630 --> 00:31:06,880

you know i just wanted to mention

880

00:31:11,029 --> 00:31:08,640

because

881

00:31:13,590 --> 00:31:11,039

this thing about like uh he he mentions

882

00:31:15,590 --> 00:31:13,600

in this video also that like these these

883

00:31:17,990 --> 00:31:15,600

terrorists these dark alliance members

884

00:31:20,549 --> 00:31:18,000

showed up at my conference and really

885

00:31:23,590 --> 00:31:20,559

who he's talking about i believe uh

886

00:31:25,350 --> 00:31:23,600

besides you i guess is c.w chatter who

887

00:31:27,350 --> 00:31:25,360

just happened to went to contact in the

888

00:31:29,590 --> 00:31:27,360

desert with his girlfriend

889

00:31:32,789 --> 00:31:29,600

and you know was just and he was sitting

890

00:31:34,470 --> 00:31:32,799

in the audience at david wilcox they sat

891

00:31:36,549 --> 00:31:34,480

in the back to just kind of listen and

892

00:31:39,750 --> 00:31:36,559

make fun of them like that's not a

893

00:31:42,310 --> 00:31:39,760

terrorist act that's not being attacked

894

00:31:43,669 --> 00:31:42,320

your critics should be allowed

895

00:31:45,350 --> 00:31:43,679

at your speak

896

00:31:47,830 --> 00:31:45,360

if you're going to speak you got to

897

00:31:49,750 --> 00:31:47,840

allow everyone in like you can't say

898

00:31:52,470 --> 00:31:49,760

this person is critical of me they ca

899

00:31:54,630 --> 00:31:52,480

and he is actually famous for that

900

00:31:56,710 --> 00:31:54,640

i have talked to many different people

901
00:31:58,310 --> 00:31:56,720
who attended some conference he spoke at

902
00:32:00,470 --> 00:31:58,320
who were told you're not allowed in

903
00:32:02,789 --> 00:32:00,480
there and they're like no i paid i'm

904
00:32:05,190 --> 00:32:02,799
going in no you can't you're a security

905
00:32:07,350 --> 00:32:05,200
threat you're a security risk that's how

906
00:32:09,590 --> 00:32:07,360
weak this guy is he's so weak he can't

907
00:32:11,350 --> 00:32:09,600
even have a critic sit in his audience

908
00:32:14,310 --> 00:32:11,360
and listen

909
00:32:16,230 --> 00:32:14,320
yeah you know what i had a volunteer at

910
00:32:18,470 --> 00:32:16,240
contact in the desert a couple of years

911
00:32:20,310 --> 00:32:18,480
ago tell me how the volunteer program

912
00:32:21,909 --> 00:32:20,320
works where you and this has nothing to

913
00:32:23,430 --> 00:32:21,919

do with contact it really is a great

914

00:32:26,230 --> 00:32:23,440

conference it's just a volunteer said

915

00:32:27,830 --> 00:32:26,240

that the speakers send out emails or

916

00:32:30,630 --> 00:32:27,840

something like that their team sends out

917

00:32:33,350 --> 00:32:30,640

emails to the volunteers for those rooms

918

00:32:35,110 --> 00:32:33,360

there's a different rooms and they tell

919

00:32:37,190 --> 00:32:35,120

them how they want their room handled

920

00:32:38,389 --> 00:32:37,200

and most speakers are just like well

921

00:32:40,070 --> 00:32:38,399

whoever wants to come in and listen to

922

00:32:41,509 --> 00:32:40,080

me talk you know the more the merrier

923

00:32:42,950 --> 00:32:41,519

it's great you know as long as there

924

00:32:44,230 --> 00:32:42,960

isn't someone like yelling in the back

925

00:32:46,389 --> 00:32:44,240

or talking on their phone you know yeah

926
00:32:47,990 --> 00:32:46,399
and that would be my cutoff like i i

927
00:32:50,310 --> 00:32:48,000
would be fine

928
00:32:52,230 --> 00:32:50,320
with anybody that disagrees with me if i

929
00:32:54,230 --> 00:32:52,240
was going to speak at a conference

930
00:32:56,070 --> 00:32:54,240
come on in and i'll even give you a

931
00:32:57,350 --> 00:32:56,080
microphone and you can ask questions as

932
00:33:01,590 --> 00:32:57,360
long as you're respectful and you're not

933
00:33:05,750 --> 00:33:01,600
disruptive you know right right and so

934
00:33:07,509 --> 00:33:05,760
wilcox email i suppose from what this uh

935
00:33:10,230 --> 00:33:07,519
volunteer told me

936
00:33:12,470 --> 00:33:10,240
was to basically remove anybody from the

937
00:33:15,029 --> 00:33:12,480
room who wasn't following their very

938
00:33:17,669 --> 00:33:15,039

very very very strict guidelines

939

00:33:18,870 --> 00:33:17,679

and so i saw these guidelines firsthand

940

00:33:21,190 --> 00:33:18,880

in action

941

00:33:23,430 --> 00:33:21,200

uh i was the victim of one of the one of

942

00:33:25,509 --> 00:33:23,440

these guidelines i went in the room and

943

00:33:26,950 --> 00:33:25,519

this was two years ago i stood there and

944

00:33:28,549 --> 00:33:26,960

they said you got to sit down and i said

945

00:33:30,149 --> 00:33:28,559

well there's nowhere to set well you got

946

00:33:31,269 --> 00:33:30,159

to find somewhere to sit down set you

947

00:33:32,710 --> 00:33:31,279

know sew on the floor sit somewhere you

948

00:33:34,870 --> 00:33:32,720

got to sit somewhere and that's how it

949

00:33:36,230 --> 00:33:34,880

works and i said well i'm not sitting

950

00:33:38,149 --> 00:33:36,240

down there's nowhere to set i'm just

951
00:33:39,830 --> 00:33:38,159
going to stand here in the corner and so

952
00:33:41,669 --> 00:33:39,840
these volunteers

953
00:33:43,590 --> 00:33:41,679
in the wilcock room in particular the

954
00:33:44,789 --> 00:33:43,600
only place where there was ever any

955
00:33:46,389 --> 00:33:44,799
conflict

956
00:33:48,310 --> 00:33:46,399
that they're like hara they're literally

957
00:33:50,070 --> 00:33:48,320
harassing me and then they go after some

958
00:33:52,230 --> 00:33:50,080
other woman and i've seen this happen

959
00:33:54,070 --> 00:33:52,240
multiple times they and i don't think

960
00:33:55,830 --> 00:33:54,080
wilcox gives them permission not that

961
00:33:58,470 --> 00:33:55,840
you could give them permission anyway

962
00:33:59,990 --> 00:33:58,480
they physically grabbed people and

963
00:34:02,389 --> 00:34:00,000

pulled them out of their seat for

964

00:34:04,149 --> 00:34:02,399

talking whispering in the back and

965

00:34:05,990 --> 00:34:04,159

pulled them out of the room

966

00:34:07,350 --> 00:34:06,000

and i mean people got obviously really

967

00:34:09,030 --> 00:34:07,360

upset i mean how would you feel stephen

968

00:34:10,869 --> 00:34:09,040

if you paid a bunch of money to go to

969

00:34:13,109 --> 00:34:10,879

this conference and some fault

970

00:34:15,270 --> 00:34:13,119

500 to go to some of these things you

971

00:34:16,869 --> 00:34:15,280

know they just physically rip you out of

972

00:34:19,990 --> 00:34:16,879

your seat i mean that's nothing to do

973

00:34:21,990 --> 00:34:20,000

with contact that's just like the rabid

974

00:34:23,750 --> 00:34:22,000

nature of the people that support this

975

00:34:24,710 --> 00:34:23,760

guy they're like physically assaulting

976
00:34:26,710 --> 00:34:24,720
people

977
00:34:28,790 --> 00:34:26,720
i mean that's where we need the security

978
00:34:30,629 --> 00:34:28,800
yeah yeah i mean it's like you said

979
00:34:32,790 --> 00:34:30,639
about projection though you know this

980
00:34:35,589 --> 00:34:32,800
guy's that these people project onto

981
00:34:38,470 --> 00:34:35,599
their you know critics and enemies that

982
00:34:42,790 --> 00:34:40,310
and it's only it's only an a

983
00:34:45,109 --> 00:34:42,800
quote-unquote act of terrorism it's only

984
00:34:48,069 --> 00:34:45,119
inflammatory it's only

985
00:34:49,669 --> 00:34:48,079
assaulting or hostile if the questions

986
00:34:52,869 --> 00:34:49,679
that are being asked

987
00:34:54,950 --> 00:34:52,879
are exposing the individual who's being

988
00:34:56,790 --> 00:34:54,960

asked the question for who they really

989

00:34:58,710 --> 00:34:56,800

are and the lack of evidence and

990

00:34:59,990 --> 00:34:58,720

information they actually have that's

991

00:35:01,670 --> 00:35:00,000

the only time those things are

992

00:35:03,829 --> 00:35:01,680

threatening otherwise it's just a

993

00:35:05,190 --> 00:35:03,839

question you ask me a question even if i

994

00:35:06,790 --> 00:35:05,200

don't really like the question i'll

995

00:35:08,710 --> 00:35:06,800

answer it i'm not going to get upset at

996

00:35:10,790 --> 00:35:08,720

you now again that's the red flag that

997

00:35:13,750 --> 00:35:10,800

shows you that these guys have something

998

00:35:15,750 --> 00:35:13,760

more going on than just the altruistic

999

00:35:17,510 --> 00:35:15,760

intentions of working with the alliance

1000

00:35:19,510 --> 00:35:17,520

to bring about a change in the change in

1001
00:35:22,630 --> 00:35:19,520
the world i mean this is just

1002
00:35:24,710 --> 00:35:22,640
the the the the the level of psychosis

1003
00:35:27,030 --> 00:35:24,720
is on another level and it's so

1004
00:35:30,069 --> 00:35:27,040
embarrassing to be associated with these

1005
00:35:31,589 --> 00:35:30,079
guys in the field of radio ufology the

1006
00:35:32,710 --> 00:35:31,599
paranormal metaphysics and all this

1007
00:35:34,950 --> 00:35:32,720
other stuff

1008
00:35:36,950 --> 00:35:34,960
but at the same time stephen it's also

1009
00:35:40,069 --> 00:35:36,960
really really funny we got to laugh at

1010
00:35:42,390 --> 00:35:40,079
this yeah you know i i i have kind of

1011
00:35:44,790 --> 00:35:42,400
taken on a new tact with it like i was

1012
00:35:47,349 --> 00:35:44,800
originally i was a lot more like angry

1013
00:35:49,109 --> 00:35:47,359

and like i'm gonna prove this guy's

1014

00:35:50,790 --> 00:35:49,119

full of crap people need to know this

1015

00:35:52,470 --> 00:35:50,800

they're sending him money and i was

1016

00:35:54,470 --> 00:35:52,480

really angry at first and i came at it

1017

00:35:56,950 --> 00:35:54,480

like angry you know like look at this

1018

00:35:58,630 --> 00:35:56,960

liar you know but now i'm i've just got

1019

00:36:00,870 --> 00:35:58,640

to the point where it's like a joke to

1020

00:36:03,829 --> 00:36:00,880

me like let's fact if you really want to

1021

00:36:05,829 --> 00:36:03,839

have some fun folks sit and watch

1022

00:36:07,910 --> 00:36:05,839

like one of those david wilcock videos

1023

00:36:10,310 --> 00:36:07,920

and then go fact check everything that

1024

00:36:11,510 --> 00:36:10,320

he's saying and it's going to be a fun

1025

00:36:12,470 --> 00:36:11,520

day for you

1026

00:36:14,790 --> 00:36:12,480

you know

1027

00:36:16,870 --> 00:36:14,800

i was amazed with this pete peterson

1028

00:36:19,510 --> 00:36:16,880

because i went to great lengths to pick

1029

00:36:21,430 --> 00:36:19,520

apart that guy's biography and show that

1030

00:36:22,630 --> 00:36:21,440

everything in his biography was totally

1031

00:36:24,470 --> 00:36:22,640

fake

1032

00:36:26,470 --> 00:36:24,480

everything the guy said he worked for

1033

00:36:28,870 --> 00:36:26,480

the russian equivalent of nasa you can

1034

00:36:30,550 --> 00:36:28,880

check that i found a russian historian

1035

00:36:33,430 --> 00:36:30,560

that deals specifically with the russian

1036

00:36:35,430 --> 00:36:33,440

space program that guy exhaustively

1037

00:36:36,790 --> 00:36:35,440

searched every document everything he

1038

00:36:37,910 --> 00:36:36,800

could

1039

00:36:38,790 --> 00:36:37,920

he was

1040

00:36:41,589 --> 00:36:38,800

he's a

1041

00:36:42,630 --> 00:36:41,599

the guy's like a a history professor in

1042

00:36:44,790 --> 00:36:42,640

russia

1043

00:36:46,230 --> 00:36:44,800

he knows all about the space program

1044

00:36:47,910 --> 00:36:46,240

that's his thing you know like

1045

00:36:49,670 --> 00:36:47,920

everybody's got their thing that's his

1046

00:36:50,950 --> 00:36:49,680

thing the russian space program knows

1047

00:36:53,430 --> 00:36:50,960

everything about the russian space

1048

00:36:55,910 --> 00:36:53,440

program pete peterson never worked for

1049

00:36:58,630 --> 00:36:55,920

any russian space agency never worked on

1050

00:37:01,109 --> 00:36:58,640

any russian space project nothing that's

1051

00:37:03,750 --> 00:37:01,119

just one line in the guy's bio and

1052

00:37:06,230 --> 00:37:03,760

lately that the lies have gotten even

1053

00:37:07,829 --> 00:37:06,240

crazier because now wilcock is saying

1054

00:37:09,910 --> 00:37:07,839

that pete peterson is one of the only

1055

00:37:11,190 --> 00:37:09,920

people that ever worked for the cia the

1056

00:37:13,910 --> 00:37:11,200

nsa

1057

00:37:15,750 --> 00:37:13,920

and the dia

1058

00:37:17,670 --> 00:37:15,760

and i thought well that's something we

1059

00:37:19,910 --> 00:37:17,680

can check people don't know this but you

1060

00:37:20,950 --> 00:37:19,920

can go to cia.org

1061

00:37:23,030 --> 00:37:20,960

and there's

1062

00:37:26,069 --> 00:37:23,040

uh there's like a tab on there where you

1063

00:37:28,870 --> 00:37:26,079

can send in a form and verify employment

1064

00:37:32,710 --> 00:37:28,880

so i did that for the cia i did that for

1065

00:37:35,670 --> 00:37:32,720

the dia i did that for the nsa and all

1066

00:37:37,510 --> 00:37:35,680

three times no record of pete peterson

1067

00:37:40,069 --> 00:37:37,520

then i filed a four-year request with

1068

00:37:42,150 --> 00:37:40,079

the fbi because if this guy worked for

1069

00:37:44,069 --> 00:37:42,160

any government agency

1070

00:37:45,670 --> 00:37:44,079

he would have to have been background

1071

00:37:48,470 --> 00:37:45,680

checked you know there would be

1072

00:37:50,470 --> 00:37:48,480

something in the fbi files on him

1073

00:37:51,829 --> 00:37:50,480

nothing there's absolutely no records of

1074

00:37:53,829 --> 00:37:51,839

him the guy was supposed to be a

1075

00:37:55,990 --> 00:37:53,839

prolific inventor we went and searched

1076

00:37:57,030 --> 00:37:56,000

patents no patents under his name or any

1077

00:37:58,710 --> 00:37:57,040

of his

1078

00:38:01,190 --> 00:37:58,720

crazy companies

1079

00:38:02,470 --> 00:38:01,200

no patents so it just gets crazier and

1080

00:38:04,230 --> 00:38:02,480

crazier

1081

00:38:05,990 --> 00:38:04,240

and it's easy to dismiss all of that

1082

00:38:08,150 --> 00:38:06,000

just like everything else by saying well

1083

00:38:10,870 --> 00:38:08,160

the cabal just scrubbed the records yeah

1084

00:38:13,750 --> 00:38:10,880

yeah exactly the cabal got to the cia

1085

00:38:16,310 --> 00:38:13,760

the dia the nsa they scrubbed all the

1086

00:38:17,670 --> 00:38:16,320

records i've made multiple multiple foia

1087

00:38:19,829 --> 00:38:17,680

requests

1088

00:38:21,750 --> 00:38:19,839

so they would have to scrub every record

1089

00:38:24,069 --> 00:38:21,760

in the government basically of this pete

1090

00:38:25,910 --> 00:38:24,079

peterson oh and also

1091

00:38:27,750 --> 00:38:25,920

david wilcock claimed in his latest

1092

00:38:30,550 --> 00:38:27,760

video that pete peterson was a science

1093

00:38:32,310 --> 00:38:30,560

and technology advisor to ronald reagan

1094

00:38:34,710 --> 00:38:32,320

i got very friendly with one of the

1095

00:38:36,790 --> 00:38:34,720

archivists at the ronald reagan library

1096

00:38:38,390 --> 00:38:36,800

so much so that the guy was let the guy

1097

00:38:40,630 --> 00:38:38,400

would laugh when he picked up the phone

1098

00:38:43,190 --> 00:38:40,640

and it was me and i'd go you gotta check

1099

00:38:44,870 --> 00:38:43,200

this for me so they searched every

1100

00:38:47,430 --> 00:38:44,880

record every searchable they got a

1101

00:38:48,870 --> 00:38:47,440

searchable database of every meeting

1102

00:38:50,870 --> 00:38:48,880

that ronald reagan ever had people don't

1103

00:38:53,109 --> 00:38:50,880

know this but if you're a president your

1104

00:38:56,069 --> 00:38:53,119

time is blocked out in 10 minute

1105

00:38:57,910 --> 00:38:56,079

you know 10 or 15 minute time blocks and

1106

00:38:59,910 --> 00:38:57,920

there is record of everything the

1107

00:39:01,430 --> 00:38:59,920

president does the entire time he's in

1108

00:39:02,870 --> 00:39:01,440

office so

1109

00:39:04,630 --> 00:39:02,880

if this person was a science and

1110

00:39:06,069 --> 00:39:04,640

technology advisor to ronald reagan

1111

00:39:08,069 --> 00:39:06,079

there would be some mention of him in

1112

00:39:11,030 --> 00:39:08,079

the ronald reagan library

1113

00:39:12,870 --> 00:39:11,040

no record of this man whatsoever

1114

00:39:15,430 --> 00:39:12,880

at all

1115

00:39:17,190 --> 00:39:15,440

that's another fact-checking that you

1116

00:39:18,790 --> 00:39:17,200

could do of of the things that he's

1117

00:39:21,190 --> 00:39:18,800

saying about this pete peterson pete

1118

00:39:23,190 --> 00:39:21,200

peterson is a complete and total fraud

1119

00:39:25,510 --> 00:39:23,200

he was a senile old man

1120

00:39:27,670 --> 00:39:25,520

that david wilcock took advantage of and

1121

00:39:29,030 --> 00:39:27,680

that the scary thing is even after this

1122

00:39:30,950 --> 00:39:29,040

man dies

1123

00:39:33,430 --> 00:39:30,960

he's not done raping the corpse of a

1124

00:39:35,990 --> 00:39:33,440

senile old man because now he's still

1125

00:39:38,310 --> 00:39:36,000

citing pete peterson told me this he he

1126
00:39:40,150 --> 00:39:38,320
visited 60 off-world planets and he was

1127
00:39:42,790 --> 00:39:40,160
going to give me the goods but he died

1128
00:39:45,190 --> 00:39:42,800
they killed him and now he's dead by an

1129
00:39:47,030 --> 00:39:45,200
accidental injection so that gives him

1130
00:39:48,870 --> 00:39:47,040
even more credit like when an artist

1131
00:39:51,109 --> 00:39:48,880
dies and their work suddenly becomes

1132
00:39:52,790 --> 00:39:51,119
worth more now his whistleblowers are

1133
00:39:54,550 --> 00:39:52,800
dead and now that becomes more

1134
00:39:56,550 --> 00:39:54,560
accrediting to what he's claiming i

1135
00:39:58,230 --> 00:39:56,560
think that's how it works yeah and and

1136
00:39:59,589 --> 00:39:58,240
this whole story now

1137
00:40:01,190 --> 00:39:59,599
these comes up with this news story

1138
00:40:02,710 --> 00:40:01,200

there was a million dollar microscope

1139

00:40:04,790 --> 00:40:02,720

and a million dollar painting and that

1140

00:40:07,030 --> 00:40:04,800

house that got foreclosed on

1141

00:40:08,550 --> 00:40:07,040

i didn't hear this one i didn't oh yeah

1142

00:40:10,470 --> 00:40:08,560

yeah see

1143

00:40:12,309 --> 00:40:10,480

here here's what happens i think that

1144

00:40:14,069 --> 00:40:12,319

david wilcock and this is good news now

1145

00:40:16,630 --> 00:40:14,079

he's starting to react to the things

1146

00:40:20,230 --> 00:40:16,640

that people are finding so this gofundme

1147

00:40:23,030 --> 00:40:20,240

scam happens and

1148

00:40:24,950 --> 00:40:23,040

wilcock had said that there was you know

1149

00:40:28,710 --> 00:40:24,960

millions of dollars worth of things in

1150

00:40:30,790 --> 00:40:28,720

that house so we get to the on-site

1151

00:40:32,790 --> 00:40:30,800

actual witnesses first hand i have

1152

00:40:34,309 --> 00:40:32,800

first-hand eyewitness account of the

1153

00:40:36,069 --> 00:40:34,319

people cleaning out pete peterson's

1154

00:40:38,710 --> 00:40:36,079

house there was two people in a hazmat

1155

00:40:40,790 --> 00:40:38,720

suit from the bank

1156

00:40:42,470 --> 00:40:40,800

that's how much of a cluttered mess it

1157

00:40:45,190 --> 00:40:42,480

was like something from hoarders and

1158

00:40:47,829 --> 00:40:45,200

there was dead cats and bottles of piss

1159

00:40:49,910 --> 00:40:47,839

all over the house oh my god and they're

1160

00:40:53,270 --> 00:40:49,920

cleaning this out there was nothing of

1161

00:40:55,109 --> 00:40:53,280

value in that house but david wilcox

1162

00:40:57,829 --> 00:40:55,119

says there was millions of dollars worth

1163

00:41:00,470 --> 00:40:57,839

of stuff that he was set to inherit so

1164

00:41:02,069 --> 00:41:00,480

you know i get the i get the the uh the

1165

00:41:03,829 --> 00:41:02,079

clips of the person that was actually

1166

00:41:05,670 --> 00:41:03,839

there on the ground seeing them cleaning

1167

00:41:06,950 --> 00:41:05,680

it out the person that actually talked

1168

00:41:09,109 --> 00:41:06,960

to the people from the bank and the

1169

00:41:10,470 --> 00:41:09,119

hazmat suits cleaning out this hoarding

1170

00:41:12,790 --> 00:41:10,480

nightmare mess

1171

00:41:15,190 --> 00:41:12,800

that said it was all trash and bags of

1172

00:41:17,430 --> 00:41:15,200

trash and papers and it was like floor

1173

00:41:20,390 --> 00:41:17,440

to ceiling every room

1174

00:41:22,390 --> 00:41:20,400

so so then he goes oh no no there was a

1175

00:41:24,309 --> 00:41:22,400

million dollar suddenly there was a

1176

00:41:26,150 --> 00:41:24,319

million dollar microscope and a million

1177

00:41:28,390 --> 00:41:26,160

dollar painting in there that nobody

1178

00:41:30,150 --> 00:41:28,400

that he never mentioned before

1179

00:41:31,589 --> 00:41:30,160

it was proven that there was dead cats

1180

00:41:34,710 --> 00:41:31,599

and bottles of piss in there that's what

1181

00:41:36,870 --> 00:41:34,720

was in that house david wilcock

1182

00:41:38,309 --> 00:41:36,880

so i i said famously i said what were

1183

00:41:40,150 --> 00:41:38,319

you gonna inherit what was worth a

1184

00:41:42,710 --> 00:41:40,160

million dollars was it the dead cats or

1185

00:41:44,309 --> 00:41:42,720

the bottles of piss david wilcock

1186

00:41:46,390 --> 00:41:44,319

so have you ever watched it's always

1187

00:41:48,950 --> 00:41:46,400

sunny in philadelphia oh i'm from philly

1188

00:41:50,470 --> 00:41:48,960

so of course yeah i was assuming so yeah

1189

00:41:52,950 --> 00:41:50,480

so the one of the first episodes where

1190

00:41:55,030 --> 00:41:52,960

they have the uh they've got the stain

1191

00:41:57,510 --> 00:41:55,040

in the back room oh i can remember rich

1192

00:41:59,510 --> 00:41:57,520

mary right yeah yeah and so so frank

1193

00:42:03,670 --> 00:41:59,520

danny devito they go to get that senile

1194

00:42:05,430 --> 00:42:03,680

old priest to bless the stain

1195

00:42:07,589 --> 00:42:05,440

i feel like that's what wilcox doing

1196

00:42:09,910 --> 00:42:07,599

he's finding this senile old man with

1197

00:42:13,349 --> 00:42:09,920

bottles of piss to corroborate his

1198

00:42:15,190 --> 00:42:13,359

delusion of of having all these insiders

1199

00:42:17,270 --> 00:42:15,200

yeah and and you know

1200

00:42:19,829 --> 00:42:17,280

part of me thinks though that at some

1201

00:42:21,910 --> 00:42:19,839

point pete peterson was a willing

1202

00:42:23,829 --> 00:42:21,920

con man sort of accomplice to making

1203

00:42:25,990 --> 00:42:23,839

money from it yeah yeah he was making a

1204

00:42:28,630 --> 00:42:26,000

lot of money for he got the 50 000 from

1205

00:42:30,470 --> 00:42:28,640

the fake gofundme scam apparently

1206

00:42:32,309 --> 00:42:30,480

and uh you know there's a lot of stuff

1207

00:42:34,710 --> 00:42:32,319

that's really troubling with that

1208

00:42:36,710 --> 00:42:34,720

because i also found out

1209

00:42:38,710 --> 00:42:36,720

that towards the end of his life pete

1210

00:42:40,230 --> 00:42:38,720

peterson was under the guardianship of

1211

00:42:41,270 --> 00:42:40,240

his sister

1212

00:42:43,190 --> 00:42:41,280

so

1213

00:42:45,030 --> 00:42:43,200

when david wilcock calls up pete

1214

00:42:46,309 --> 00:42:45,040

peterson and says hey i gave you that

1215

00:42:48,390 --> 00:42:46,319

money right

1216

00:42:51,349 --> 00:42:48,400

he was under the guardianship of his

1217

00:42:52,790 --> 00:42:51,359

sister there's no way that david wilcox

1218

00:42:55,109 --> 00:42:52,800

should have been discussing anything

1219

00:42:57,510 --> 00:42:55,119

financial with pete peterson who was a

1220

00:43:00,630 --> 00:42:57,520

senile dying old man

1221

00:43:03,109 --> 00:43:00,640

that is very slimy thing to do he should

1222

00:43:05,589 --> 00:43:03,119

have called the guardian the sister and

1223

00:43:07,589 --> 00:43:05,599

said can you verify for for my audience

1224

00:43:09,829 --> 00:43:07,599

that i gave that money to pete peterson

1225

00:43:11,829 --> 00:43:09,839

right right and the issue

1226

00:43:13,349 --> 00:43:11,839

david wilcock keeps hammering away they

1227

00:43:14,790 --> 00:43:13,359

said i stole the money i didn't steal

1228

00:43:16,950 --> 00:43:14,800

the money

1229

00:43:19,270 --> 00:43:16,960

that's only one issue

1230

00:43:22,710 --> 00:43:19,280

where the money went the bigger issue is

1231

00:43:25,430 --> 00:43:22,720

that the entire gofundme the entire text

1232

00:43:27,030 --> 00:43:25,440

body in the gofundme was all lies there

1233

00:43:29,430 --> 00:43:27,040

was no police

1234

00:43:31,430 --> 00:43:29,440

there was they said that they they took

1235

00:43:34,069 --> 00:43:31,440

the house with no notice the guy got

1236

00:43:36,550 --> 00:43:34,079

five rits of eviction

1237

00:43:37,990 --> 00:43:36,560

there's no way that it was unlawful what

1238

00:43:40,069 --> 00:43:38,000

happened you could look at the

1239

00:43:43,030 --> 00:43:40,079

foreclosure documents and the house was

1240

00:43:45,750 --> 00:43:43,040

already foreclosed on when the gofundme

1241

00:43:47,270 --> 00:43:45,760

started it was sold at auction already

1242

00:43:49,430 --> 00:43:47,280

they were just begging this guy to get

1243

00:43:51,670 --> 00:43:49,440

his trash out of that house well that

1244

00:43:53,270 --> 00:43:51,680

reminds me of the claims and i have

1245

00:43:54,790 --> 00:43:53,280

nothing negative to say about emery

1246

00:43:56,230 --> 00:43:54,800

smith but that reminds me of the claims

1247

00:43:58,790 --> 00:43:56,240

they made it that emery smith was

1248

00:44:01,670 --> 00:43:58,800

attacked by the cabal and they show

1249

00:44:02,710 --> 00:44:01,680

these pictures of him in a mask in in

1250

00:44:05,910 --> 00:44:02,720

these

1251

00:44:07,589 --> 00:44:05,920

they're like little doctors offices uh

1252

00:44:09,829 --> 00:44:07,599

one of the eisenhower medical centers in

1253

00:44:11,190 --> 00:44:09,839

palm springs there's a bunch of them and

1254

00:44:13,270 --> 00:44:11,200

he's just got a mask on he's laying on

1255

00:44:15,190 --> 00:44:13,280

the bed it looks like

1256

00:44:17,270 --> 00:44:15,200

it looked like he had too much to drink

1257

00:44:18,550 --> 00:44:17,280

and he had a hangover but he's he's in

1258

00:44:20,470 --> 00:44:18,560

there he's sick

1259

00:44:22,150 --> 00:44:20,480

and they claim that the cabal attacked

1260

00:44:23,990 --> 00:44:22,160

him and that was a big thing stephen it

1261

00:44:25,510 --> 00:44:24,000

was on the website it was in his videos

1262

00:44:27,750 --> 00:44:25,520

they got him smith

1263

00:44:30,230 --> 00:44:27,760

and then it comes out like they they

1264

00:44:33,030 --> 00:44:30,240

there's an actual document of what the

1265

00:44:35,109 --> 00:44:33,040

doctors diagnosed and they just said

1266

00:44:36,870 --> 00:44:35,119

well he's just got pneumonia he's got

1267

00:44:39,030 --> 00:44:36,880

some symptoms of pneumonia that's it and

1268

00:44:40,150 --> 00:44:39,040

so then they turned it around and said

1269

00:44:42,390 --> 00:44:40,160

well

1270

00:44:44,630 --> 00:44:42,400

sure it's pneumonia but that's the cabal

1271

00:44:46,390 --> 00:44:44,640

has lasers that can give you pneumonia

1272

00:44:48,470 --> 00:44:46,400

yeah it's weaponized pneumonia you know

1273

00:44:50,950 --> 00:44:48,480

what i i had pneumonia once and i ended

1274

00:44:53,030 --> 00:44:50,960

up in the hospital for like six days so

1275

00:44:54,390 --> 00:44:53,040

i guess i was under a cabal attack for

1276

00:44:56,710 --> 00:44:54,400

so you know i was getting too close to

1277

00:44:58,550 --> 00:44:56,720

the ufo truth i guess i should have i

1278

00:44:59,990 --> 00:44:58,560

should have spun that [h__h] man i should

1279

00:45:01,510 --> 00:45:00,000

have spun it

1280

00:45:03,589 --> 00:45:01,520

well that's what any any time anything

1281

00:45:06,150 --> 00:45:03,599

bad happens it has the cabal if someone

1282

00:45:07,030 --> 00:45:06,160

dislikes your radio show that's a cabal

1283

00:45:09,190 --> 00:45:07,040

member

1284

00:45:11,349 --> 00:45:09,200

they're actively engaged in trying to

1285

00:45:13,030 --> 00:45:11,359

censor what you do and trolling you yeah

1286

00:45:15,109 --> 00:45:13,040

i always joke like i don't care if you

1287

00:45:17,190 --> 00:45:15,119

hate my show just listen to it you know

1288

00:45:19,190 --> 00:45:17,200

i i'll take the hate lessons it's fun

1289

00:45:21,589 --> 00:45:19,200

and i got hate listens man i did this

1290

00:45:23,270 --> 00:45:21,599

billy meyer thing oh my god every billy

1291

00:45:25,910 --> 00:45:23,280

meyer cult member in the universe is

1292

00:45:27,349 --> 00:45:25,920

like hate commenting and hate listening

1293

00:45:29,030 --> 00:45:27,359

and telling me how wrong i am and

1294

00:45:30,550 --> 00:45:29,040

sending me a message i'm fine with that

1295

00:45:32,069 --> 00:45:30,560

good good

1296

00:45:34,470 --> 00:45:32,079

i'm tired of hearing about the billy

1297

00:45:35,910 --> 00:45:34,480

meyer stuff yeah i i did a whole show

1298

00:45:38,230 --> 00:45:35,920

and i called it getting off the billy

1299

00:45:39,990 --> 00:45:38,240

meyer crazy train like i just can't do

1300

00:45:41,670 --> 00:45:40,000

it anymore

1301

00:45:43,670 --> 00:45:41,680

hey i've got some i've got some great

1302

00:45:45,430 --> 00:45:43,680

clips here let me play this for you for

1303

00:45:47,109 --> 00:45:45,440

this is a great laugh listen to this and

1304

00:45:49,349 --> 00:45:47,119

this is what i was saying earlier about

1305

00:45:51,430 --> 00:45:49,359

the gas being siphoned oh god yeah let's

1306

00:45:54,309 --> 00:45:51,440

hear this this is a short little clip

1307

00:45:56,950 --> 00:45:54,319

this is one of my top 10 favorite claims

1308

00:45:58,950 --> 00:45:56,960

they have actually put explosive charges

1309

00:46:00,870 --> 00:45:58,960

into every bridge

1310

00:46:02,870 --> 00:46:00,880

on the eisenhower interstate system that

1311

00:46:04,710 --> 00:46:02,880

goes over these big chasms

1312

00:46:06,630 --> 00:46:04,720

and the governors of each state have

1313

00:46:08,150 --> 00:46:06,640

secret codes to blow those bridges this

1314

00:46:10,150 --> 00:46:08,160

was on the wonderboy show for what it's

1315

00:46:12,230 --> 00:46:10,160

worth as if it was a

1316

00:46:14,470 --> 00:46:12,240

temperature and pressure sensor that

1317

00:46:16,150 --> 00:46:14,480

these guys put in there to make sure the

1318

00:46:18,550 --> 00:46:16,160

bridge isn't going to crumble right but

1319

00:46:20,390 --> 00:46:18,560

it can actually be used as an explosive

1320

00:46:22,870 --> 00:46:20,400

and they would even steer the roads to

1321

00:46:25,349 --> 00:46:22,880

make sure they go through these chasms

1322

00:46:27,030 --> 00:46:25,359

and on the secret level they were told

1323

00:46:29,589 --> 00:46:27,040

we got to do it this way so that if we

1324

00:46:31,589 --> 00:46:29,599

get a land invasion that we can stop the

1325

00:46:33,109 --> 00:46:31,599

tanks rolling into the middle of america

1326

00:46:35,510 --> 00:46:33,119

so there's literally

1327

00:46:38,069 --> 00:46:35,520

no way to get off the coast and go

1328

00:46:40,150 --> 00:46:38,079

inland except over these bridges that

1329

00:46:41,990 --> 00:46:40,160

they could blow okay

1330

00:46:43,750 --> 00:46:42,000

but what they didn't tell you is that

1331

00:46:46,069 --> 00:46:43,760

they intended to blow all the bridges

1332

00:46:48,710 --> 00:46:46,079

and bring america to its knees create

1333

00:46:51,030 --> 00:46:48,720

mass starvation mass chaos

1334

00:46:52,950 --> 00:46:51,040

that's part of the plan and

1335

00:46:55,030 --> 00:46:52,960

the cabal's plan also included that the

1336

00:46:57,349 --> 00:46:55,040

military goes around

1337

00:46:59,030 --> 00:46:57,359

under the guise of national security and

1338

00:47:03,670 --> 00:46:59,040

they literally go around and they siphon

1339

00:47:07,430 --> 00:47:05,670

it's unbelievable yeah and it's like

1340

00:47:09,270 --> 00:47:07,440

this guy's such an idiot that he doesn't

1341

00:47:12,230 --> 00:47:09,280

think that anybody can go look under

1342

00:47:14,069 --> 00:47:12,240

those bridges for explosive devices like

1343

00:47:15,990 --> 00:47:14,079

yeah i was going to say that too exactly

1344

00:47:17,589 --> 00:47:16,000

i mean how easy that is to

1345

00:47:19,109 --> 00:47:17,599

to fact check

1346

00:47:21,030 --> 00:47:19,119

but that's really that's really part of

1347

00:47:24,150 --> 00:47:21,040

the problem is that it's naivety and a

1348

00:47:26,470 --> 00:47:24,160

lack of a lack of willingness or ability

1349

00:47:28,230 --> 00:47:26,480

for some to investigate even if it's a

1350

00:47:30,630 --> 00:47:28,240

minor investigation like making a phone

1351
00:47:33,190 --> 00:47:30,640
call like you have yeah i'm amazed that

1352
00:47:34,950 --> 00:47:33,200
like i am so amazed at the fact that i

1353
00:47:37,030 --> 00:47:34,960
can fact check this guy and pick him

1354
00:47:39,190 --> 00:47:37,040
apart just with a few phone calls and

1355
00:47:40,710 --> 00:47:39,200
i'm often like why do i gotta be the guy

1356
00:47:43,670 --> 00:47:40,720
to do this and then i'm like well nobody

1357
00:47:46,470 --> 00:47:43,680
else is gonna do it i'll call you know

1358
00:47:48,470 --> 00:47:46,480
it's crazy it's absolutely crazy and

1359
00:47:50,390 --> 00:47:48,480
then you're obsessed yeah i'm obsessed

1360
00:47:52,950 --> 00:47:50,400
because i made three or four phone calls

1361
00:47:54,630 --> 00:47:52,960
to prove you wrong i guess you know

1362
00:47:55,990 --> 00:47:54,640
but i think it's a i consider it a

1363
00:47:57,990 --> 00:47:56,000

public service that's what i've been

1364

00:47:58,710 --> 00:47:58,000

saying lately

1365

00:47:59,910 --> 00:47:58,720

and

1366

00:48:01,510 --> 00:47:59,920

you know they have this whole thing

1367

00:48:03,829 --> 00:48:01,520

we're under attack these people are

1368

00:48:06,230 --> 00:48:03,839

cyber stalking us they're obsessed no i

1369

00:48:08,309 --> 00:48:06,240

just i i think it's a public service i'm

1370

00:48:10,309 --> 00:48:08,319

trying to keep you honest david wilcock

1371

00:48:11,910 --> 00:48:10,319

if that's even possible at this point

1372

00:48:14,309 --> 00:48:11,920

you know i think you're right though i

1373

00:48:16,069 --> 00:48:14,319

think he needs to spend a lot more time

1374

00:48:18,150 --> 00:48:16,079

in a mental health facility and a lot

1375

00:48:19,270 --> 00:48:18,160

less time at ufo conferences that's what

1376

00:48:20,470 --> 00:48:19,280

i think

1377

00:48:23,030 --> 00:48:20,480

you know i also

1378

00:48:24,470 --> 00:48:23,040

i also talked to um and i have no bad

1379

00:48:26,870 --> 00:48:24,480

blood with her but i talked to laura

1380

00:48:28,390 --> 00:48:26,880

eisenhower while i was at contact and i

1381

00:48:30,630 --> 00:48:28,400

just went up to her i have the audio of

1382

00:48:33,430 --> 00:48:30,640

this too and i asked her i said you made

1383

00:48:35,349 --> 00:48:33,440

these claims about the electric wars i

1384

00:48:37,510 --> 00:48:35,359

said what exactly is an electric war is

1385

00:48:39,510 --> 00:48:37,520

that like the gear gear wars from rick

1386

00:48:41,109 --> 00:48:39,520

and morty and she

1387

00:48:42,630 --> 00:48:41,119

and she said well the gear wars and she

1388

00:48:44,150 --> 00:48:42,640

started talking about millions of years

1389

00:48:46,470 --> 00:48:44,160

ago all these wars that were fought and

1390

00:48:48,069 --> 00:48:46,480

i said what's the proof what's the

1391

00:48:51,190 --> 00:48:48,079

evidence what's that's based on you have

1392

00:48:52,870 --> 00:48:51,200

like records of this is there

1393

00:48:55,430 --> 00:48:52,880

are there myths that i didn't hear about

1394

00:48:57,829 --> 00:48:55,440

in in school or in books and she said

1395

00:49:01,190 --> 00:48:57,839

well it's from this ascension website

1396

00:49:03,190 --> 00:49:01,200

and i said okay but what evidence do you

1397

00:49:04,630 --> 00:49:03,200

have like is there evidence or is that

1398

00:49:06,630 --> 00:49:04,640

information on the website she said no

1399

00:49:08,309 --> 00:49:06,640

there's a website my friend runs

1400

00:49:09,589 --> 00:49:08,319

and she was being very sincere it seemed

1401

00:49:10,950 --> 00:49:09,599

like and i said okay but does your

1402

00:49:12,470 --> 00:49:10,960

friend have any of it and she's like no

1403

00:49:14,390 --> 00:49:12,480

it's just a website she runs i said okay

1404

00:49:17,190 --> 00:49:14,400

so you're just making a claim

1405

00:49:18,549 --> 00:49:17,200

and you have no evidence exactly

1406

00:49:20,069 --> 00:49:18,559

she basically

1407

00:49:22,630 --> 00:49:20,079

just kind of acknowledged that but

1408

00:49:25,109 --> 00:49:22,640

didn't react like she was caught it was

1409

00:49:27,589 --> 00:49:25,119

like well yeah of course i believe what

1410

00:49:29,349 --> 00:49:27,599

my friend said on her ascension website

1411

00:49:31,750 --> 00:49:29,359

and that that's that's where the level

1412

00:49:33,109 --> 00:49:31,760

of investigation for these people stops

1413

00:49:35,670 --> 00:49:33,119

well i heard it

1414

00:49:37,349 --> 00:49:35,680

yeah yeah exactly it's like collective

1415

00:49:39,030 --> 00:49:37,359

myth making and everybody's adding their

1416

00:49:41,510 --> 00:49:39,040

little bits and pieces and some of it

1417

00:49:43,030 --> 00:49:41,520

gets accepted as okay this is part of

1418

00:49:46,150 --> 00:49:43,040

the story and then some of it gets

1419

00:49:47,670 --> 00:49:46,160

rejected and yeah but you know the good

1420

00:49:50,309 --> 00:49:47,680

news is

1421

00:49:53,190 --> 00:49:50,319

i've heard from several people

1422

00:49:55,589 --> 00:49:53,200

that i trust that laura eisenhower is

1423

00:49:57,030 --> 00:49:55,599

not going to be continuing with

1424

00:49:58,630 --> 00:49:57,040

some of the people that she's been

1425

00:50:00,549 --> 00:49:58,640

involved with let's just leave it at

1426
00:50:01,750 --> 00:50:00,559
that i don't know if that's true but i

1427
00:50:04,390 --> 00:50:01,760
believe it is

1428
00:50:06,150 --> 00:50:04,400
and and you know i i hope the best for

1429
00:50:08,870 --> 00:50:06,160
her because i think that they have used

1430
00:50:09,990 --> 00:50:08,880
her and her name to lend credibility to

1431
00:50:11,910 --> 00:50:10,000
themselves

1432
00:50:14,069 --> 00:50:11,920
you know look we have we have an

1433
00:50:16,710 --> 00:50:14,079
eisenhower at our conference look we

1434
00:50:18,150 --> 00:50:16,720
have an eisenhower confirming our claims

1435
00:50:20,710 --> 00:50:18,160
in our movies

1436
00:50:22,549 --> 00:50:20,720
and she's she's starting to realize and

1437
00:50:24,950 --> 00:50:22,559
wake up that that's their only that's

1438
00:50:27,510 --> 00:50:24,960

her only function to them to that

1439

00:50:30,150 --> 00:50:27,520

credibility that's a great observation

1440

00:50:32,470 --> 00:50:30,160

and as a matter of fact one of the last

1441

00:50:34,390 --> 00:50:32,480

blue chicken shows that i did

1442

00:50:37,510 --> 00:50:34,400

um one of the first shows i did last

1443

00:50:39,349 --> 00:50:37,520

year in 2019 um

1444

00:50:41,829 --> 00:50:39,359

actually no no i'm sorry it was 2018 it

1445

00:50:44,309 --> 00:50:41,839

was a while ago 2018. i did this show

1446

00:50:45,750 --> 00:50:44,319

with my my co-host mike d and we were

1447

00:50:48,870 --> 00:50:45,760

talking about

1448

00:50:50,470 --> 00:50:48,880

david wilcock and all these guys and uh

1449

00:50:52,309 --> 00:50:50,480

some of our experience with them because

1450

00:50:55,190 --> 00:50:52,319

wilcock has tried to have me blackballed

1451
00:50:56,710 --> 00:50:55,200
from some conferences and so we're

1452
00:50:59,510 --> 00:50:56,720
having this discussion about personal

1453
00:51:01,510 --> 00:50:59,520
experience and lara eisenhower came up

1454
00:51:03,190 --> 00:51:01,520
and i was just i didn't say anything bad

1455
00:51:05,109 --> 00:51:03,200
about her i just said i've got a clip of

1456
00:51:06,390 --> 00:51:05,119
her saying that she you know she

1457
00:51:10,549 --> 00:51:06,400
utilized

1458
00:51:12,470 --> 00:51:10,559
so i mean if if my name was like you

1459
00:51:14,069 --> 00:51:12,480
know eisenhower or something like that

1460
00:51:16,230 --> 00:51:14,079
what if you're what if you had a

1461
00:51:17,510 --> 00:51:16,240
rightful claim to the name kennedy

1462
00:51:19,510 --> 00:51:17,520
you're going to tell me you wouldn't use

1463
00:51:20,870 --> 00:51:19,520

that i would use that especially if i

1464

00:51:22,710 --> 00:51:20,880
was going to get into politics or

1465

00:51:25,430 --> 00:51:22,720
something you know yeah i wouldn't use

1466

00:51:27,670 --> 00:51:25,440
bush or clinton but you know

1467

00:51:29,750 --> 00:51:27,680
if it was cl if it was kennedy maybe

1468

00:51:31,750 --> 00:51:29,760
right so i just i have a clip of her

1469

00:51:33,589 --> 00:51:31,760
saying that and and she's like yeah i

1470

00:51:35,190 --> 00:51:33,599
just you know kind of use my name to and

1471

00:51:37,349 --> 00:51:35,200
that's and that's fine i had no issue

1472

00:51:39,589 --> 00:51:37,359
with it but but a listener was so

1473

00:51:42,150 --> 00:51:39,599
offended by that that he he he had her

1474

00:51:44,630 --> 00:51:42,160
phone number he called her recorded the

1475

00:51:47,430 --> 00:51:44,640
conversation and told her that we were

1476
00:51:49,990 --> 00:51:47,440
bashing her on our show so then she made

1477
00:51:51,750 --> 00:51:50,000
some negative comments about me and our

1478
00:51:54,710 --> 00:51:51,760
show and then all that died down because

1479
00:51:57,109 --> 00:51:54,720
it was petty nonsense but then i i asked

1480
00:51:59,030 --> 00:51:57,119
her at contact in the desert about that

1481
00:52:00,950 --> 00:51:59,040
and she said yeah

1482
00:52:03,430 --> 00:52:00,960
it wasn't it wasn't even something that

1483
00:52:05,190 --> 00:52:03,440
she denied again it's the people that

1484
00:52:07,670 --> 00:52:05,200
follow these individuals whether they're

1485
00:52:10,309 --> 00:52:07,680
like wilcock and i think they're insane

1486
00:52:12,630 --> 00:52:10,319
or they're people like eisenhower who

1487
00:52:15,270 --> 00:52:12,640
use use that uh that name and people

1488
00:52:18,630 --> 00:52:15,280

that use her for the name and it's the

1489

00:52:20,870 --> 00:52:18,640

cult members that they're so rabid

1490

00:52:22,549 --> 00:52:20,880

this guy called laura eisenhower and was

1491

00:52:24,790 --> 00:52:22,559

complaining to her

1492

00:52:26,549 --> 00:52:24,800

that a radio show mentioned her name and

1493

00:52:28,390 --> 00:52:26,559

played a radio clip of her i mean it's

1494

00:52:30,870 --> 00:52:28,400

not even her doing that it's her

1495

00:52:33,270 --> 00:52:30,880

followers that are doing it so i don't

1496

00:52:35,750 --> 00:52:33,280

how do we separate those two things yeah

1497

00:52:37,750 --> 00:52:35,760

you know i got i got in a spat with her

1498

00:52:39,430 --> 00:52:37,760

because uh i know there was something

1499

00:52:42,309 --> 00:52:39,440

going on and some of the corey cult

1500

00:52:45,349 --> 00:52:42,319

members were like attacking jay widener

1501
00:52:47,510 --> 00:52:45,359
and they made like really crazy

1502
00:52:49,349 --> 00:52:47,520
accusation against him on on a twitter

1503
00:52:51,030 --> 00:52:49,359
thread of hers and i'm like really miss

1504
00:52:53,670 --> 00:52:51,040
lovingly you're gonna leave that i think

1505
00:52:55,990 --> 00:52:53,680
they called him a satanic pedophile

1506
00:52:58,710 --> 00:52:56,000
on a twitter thread of hers

1507
00:53:00,230 --> 00:52:58,720
and i kind of lost my mind i'm like come

1508
00:53:02,230 --> 00:53:00,240
on miss love and light you're gonna

1509
00:53:04,870 --> 00:53:02,240
leave that up but

1510
00:53:06,630 --> 00:53:04,880
later on her and i talked and we're okay

1511
00:53:08,390 --> 00:53:06,640
now because she just didn't realize who

1512
00:53:10,950 --> 00:53:08,400
they were talking about or what the deal

1513
00:53:13,430 --> 00:53:10,960

was or why people were upset you know

1514

00:53:15,190 --> 00:53:13,440

and hopefully she's starting to wake up

1515

00:53:16,950 --> 00:53:15,200

to some of this stuff and and is going

1516

00:53:18,950 --> 00:53:16,960

to distance herself because it doesn't

1517

00:53:19,990 --> 00:53:18,960

do her any good to be involved with

1518

00:53:22,549 --> 00:53:20,000

these people

1519

00:53:24,630 --> 00:53:22,559

if she's genuine and that is that is a

1520

00:53:26,309 --> 00:53:24,640

really great observation i think stephen

1521

00:53:29,349 --> 00:53:26,319

because for me

1522

00:53:32,150 --> 00:53:29,359

this stuff is really a waste of time but

1523

00:53:34,069 --> 00:53:32,160

i have a responsibility as a broadcaster

1524

00:53:35,670 --> 00:53:34,079

i feel that you probably feel the same

1525

00:53:38,150 --> 00:53:35,680

way yeah absolutely

1526
00:53:40,069 --> 00:53:38,160
people like us also have i i know i have

1527
00:53:41,670 --> 00:53:40,079
a unique ability

1528
00:53:43,270 --> 00:53:41,680
not to talk like wilcock but i have a

1529
00:53:45,430 --> 00:53:43,280
unique ability because i'm in a unique

1530
00:53:47,510 --> 00:53:45,440
position i'm not in a contract with

1531
00:53:50,549 --> 00:53:47,520
someone i'm not getting money from a

1532
00:53:52,870 --> 00:53:50,559
sponsor i can literally do any

1533
00:53:54,950 --> 00:53:52,880
investigation talk to anybody i want say

1534
00:53:56,549 --> 00:53:54,960
anything i want and do it anytime i want

1535
00:53:58,470 --> 00:53:56,559
and i can do things that other people in

1536
00:54:00,390 --> 00:53:58,480
the industry who have those contracts

1537
00:54:02,870 --> 00:54:00,400
who have deals and who can't necessarily

1538
00:54:04,630 --> 00:54:02,880

1538 speak but they can't do so i have a

1539

00:54:07,910 --> 00:54:04,640

responsibility people like us have a

1540

00:54:10,390 --> 00:54:07,920

responsibility to do that and if we know

1541

00:54:12,230 --> 00:54:10,400

something from you making phone calls

1542

00:54:14,390 --> 00:54:12,240

from us doing interviews if we know

1543

00:54:16,710 --> 00:54:14,400

something's incorrect then we have a

1544

00:54:18,950 --> 00:54:16,720

responsibility to bring that information

1545

00:54:20,230 --> 00:54:18,960

to listeners yeah i'm in the same boat

1546

00:54:22,150 --> 00:54:20,240

with you and it and you know what's

1547

00:54:23,190 --> 00:54:22,160

funny is the money thing is always a

1548

00:54:24,549 --> 00:54:23,200

thing like

1549

00:54:26,390 --> 00:54:24,559

early on

1550

00:54:28,390 --> 00:54:26,400

i started doing some shows where i was

1551
00:54:30,630 --> 00:54:28,400
picking apart some of these cosmic con

1552
00:54:32,150 --> 00:54:30,640
men i was just picking people apart you

1553
00:54:33,270 --> 00:54:32,160
know like fact checking people and

1554
00:54:35,190 --> 00:54:33,280
showing that everything that they're

1555
00:54:37,510 --> 00:54:35,200
talking about is crazy and fake and you

1556
00:54:41,190 --> 00:54:37,520
know it's all manufactured nonsense and

1557
00:54:43,349 --> 00:54:41,200
i had a big name in the ufo community

1558
00:54:44,549 --> 00:54:43,359
come to me and say you got to calm down

1559
00:54:47,109 --> 00:54:44,559
on that stuff you're not going to get

1560
00:54:49,109 --> 00:54:47,119
booked at conferences and i don't care

1561
00:54:50,789 --> 00:54:49,119
if i get booked like i don't it's not a

1562
00:54:52,549 --> 00:54:50,799
consideration of mine so like you're

1563
00:54:55,030 --> 00:54:52,559

saying like i can do whatever it is that

1564

00:54:57,190 --> 00:54:55,040

i want a lot of people stay very

1565

00:54:58,630 --> 00:54:57,200

tight-lipped and it's like don't mess

1566

00:55:00,870 --> 00:54:58,640

with my money and i won't mess with

1567

00:55:02,870 --> 00:55:00,880

yours but you and i are dangerous

1568

00:55:04,390 --> 00:55:02,880

because we don't care like i don't care

1569

00:55:06,470 --> 00:55:04,400

if i get booked i don't get booked at a

1570

00:55:09,030 --> 00:55:06,480

conference because i've revealed

1571

00:55:11,109 --> 00:55:09,040

somebody's cosmic con game it doesn't it

1572

00:55:13,109 --> 00:55:11,119

doesn't affect me what are you gonna do

1573

00:55:14,630 --> 00:55:13,119

not book me okay all right i'm not gonna

1574

00:55:16,230 --> 00:55:14,640

get booked okay

1575

00:55:17,829 --> 00:55:16,240

exactly and it doesn't really matter

1576
00:55:19,430 --> 00:55:17,839
beyond that are you just doing what you

1577
00:55:21,109 --> 00:55:19,440
need to do and what you feel i mean it's

1578
00:55:22,870 --> 00:55:21,119
also like you said it's comical i mean i

1579
00:55:24,150 --> 00:55:22,880
get a i get entertained from listening

1580
00:55:26,470 --> 00:55:24,160
to this stuff

1581
00:55:28,950 --> 00:55:26,480
uh wilcock has a response though i've

1582
00:55:31,750 --> 00:55:28,960
got a great clip here wilcock explaining

1583
00:55:34,470 --> 00:55:31,760
uh why there's so much trolling because

1584
00:55:35,589 --> 00:55:34,480
of what he talks about here it is

1585
00:55:37,510 --> 00:55:35,599
so the whole thing is pretty

1586
00:55:38,870 --> 00:55:37,520
unbelievable i totally that's the first

1587
00:55:41,109 --> 00:55:38,880
thing i agree with him it's totally

1588
00:55:43,190 --> 00:55:41,119

unbelievable

1589

00:55:45,030 --> 00:55:43,200

um and

1590

00:55:47,030 --> 00:55:45,040

why would somebody

1591

00:55:49,510 --> 00:55:47,040

who's just talking about something as

1592

00:55:51,910 --> 00:55:49,520

seemingly esoteric as ascension

1593

00:55:53,990 --> 00:55:51,920

beginning this type of resistance

1594

00:55:56,710 --> 00:55:54,000

well i believe that the real reason for

1595

00:55:59,510 --> 00:55:56,720

this is my work

1596

00:56:01,109 --> 00:55:59,520

in talking about the alliance and

1597

00:56:03,270 --> 00:56:01,119

oh there we go now we got a tally light

1598

00:56:05,910 --> 00:56:03,280

out so it's because he's talking about

1599

00:56:07,270 --> 00:56:05,920

the alliance now what that means

1600

00:56:09,349 --> 00:56:07,280

i don't know i don't know what the hell

1601
00:56:11,190 --> 00:56:09,359
the alliance is nobody knows what it is

1602
00:56:13,670 --> 00:56:11,200
it's a figment of his imagination he

1603
00:56:15,349 --> 00:56:13,680
just made it up but that's why he's in

1604
00:56:17,430 --> 00:56:15,359
danger that's why he's getting the

1605
00:56:18,870 --> 00:56:17,440
trolling because he's he's talking about

1606
00:56:20,870 --> 00:56:18,880
the alliance you know what i always

1607
00:56:22,789 --> 00:56:20,880
thought was strange stephen this this

1608
00:56:24,470 --> 00:56:22,799
cabal everything that you've done just

1609
00:56:26,230 --> 00:56:24,480
making phone calls which i commend you

1610
00:56:28,549 --> 00:56:26,240
for you make these phone calls you talk

1611
00:56:32,230 --> 00:56:28,559
to people you get evidence

1612
00:56:34,710 --> 00:56:32,240
and you know the response to that is

1613
00:56:37,349 --> 00:56:34,720

well the cabal got to the doctors the

1614

00:56:39,670 --> 00:56:37,359

cabal got to the nurses the cabal got to

1615

00:56:40,950 --> 00:56:39,680

all these people to cover all this stuff

1616

00:56:43,750 --> 00:56:40,960

up

1617

00:56:46,549 --> 00:56:43,760

but if the cabal is that powerful why

1618

00:56:48,630 --> 00:56:46,559

can't the cabal take down david wilcox

1619

00:56:50,470 --> 00:56:48,640

paypal page where he can continue to get

1620

00:56:52,230 --> 00:56:50,480

donations they did that to alex jones

1621

00:56:54,630 --> 00:56:52,240

and a bunch of other people

1622

00:56:56,789 --> 00:56:54,640

why can't they put to david wilcock

1623

00:56:58,870 --> 00:56:56,799

yeah the whole thing with the money is

1624

00:57:00,470 --> 00:56:58,880

really crazy too and uh

1625

00:57:02,470 --> 00:57:00,480

you know i'm gonna get into that on a

1626
00:57:05,030 --> 00:57:02,480
future show because i have got a

1627
00:57:08,069 --> 00:57:05,040
treasure trove of financial

1628
00:57:11,510 --> 00:57:08,079
stuff on wilcock a lot of people forget

1629
00:57:14,390 --> 00:57:11,520
that wilcock ran this investment thing

1630
00:57:16,150 --> 00:57:14,400
to work on this convergence documentary

1631
00:57:18,069 --> 00:57:16,160
and he took money from people and ten

1632
00:57:19,589 --> 00:57:18,079
thousand dollar blocks apparently i have

1633
00:57:20,870 --> 00:57:19,599
all the blog posts where he's begging

1634
00:57:22,710 --> 00:57:20,880
for the money

1635
00:57:25,910 --> 00:57:22,720
i have other blog posts where he said

1636
00:57:27,430 --> 00:57:25,920
they hired a writer a famous writer i

1637
00:57:29,190 --> 00:57:27,440
can't recall but she was involved in

1638
00:57:30,470 --> 00:57:29,200

some kind of television show she was a

1639

00:57:32,710 --> 00:57:30,480

writer for a television show or

1640

00:57:33,990 --> 00:57:32,720

something like that and he had a partner

1641

00:57:35,750 --> 00:57:34,000

and they were going to make this movie

1642

00:57:37,990 --> 00:57:35,760

and he kept taking money taking money

1643

00:57:41,990 --> 00:57:38,000

taking money there's he never made the

1644

00:57:44,630 --> 00:57:42,000

documentary and then the llc convergence

1645

00:57:45,829 --> 00:57:44,640

pictures llc just suddenly goes out of

1646

00:57:47,829 --> 00:57:45,839

business

1647

00:57:50,390 --> 00:57:47,839

something is not right with the money

1648

00:57:52,470 --> 00:57:50,400

and david wilcock yeah and he also has

1649

00:57:54,870 --> 00:57:52,480

did you hear about the he has the david

1650

00:57:57,349 --> 00:57:54,880

wilcock foundation yes yes i'm good

1651

00:57:59,670 --> 00:57:57,359

friends with stina who uh who figured

1652

00:58:02,069 --> 00:57:59,680

that out and uh you know i was kind of

1653

00:58:05,430 --> 00:58:02,079

like wow i didn't how did i miss that

1654

00:58:06,549 --> 00:58:05,440

she found the the the documents when he

1655

00:58:08,309 --> 00:58:06,559

filed the

1656

00:58:09,030 --> 00:58:08,319

501c3

1657

00:58:11,910 --> 00:58:09,040

and

1658

00:58:14,150 --> 00:58:11,920

buried in a 1200 page blog post well

1659

00:58:16,950 --> 00:58:14,160

maybe not 1200 pages but 100-page blog

1660

00:58:19,750 --> 00:58:16,960

post is some announcement that said now

1661

00:58:21,670 --> 00:58:19,760

you'll be able to donate to me tax-free

1662

00:58:23,670 --> 00:58:21,680

to the wilcock foundation i have a clip

1663

00:58:25,670 --> 00:58:23,680

of that too by the way

1664

00:58:27,670 --> 00:58:25,680

and i want to thank you for watching

1665

00:58:30,150 --> 00:58:27,680

this video is sponsored by the wilcock

1666

00:58:32,549 --> 00:58:30,160

foundation so he's sponsoring himself

1667

00:58:34,150 --> 00:58:32,559

this video sponsored by my foundation so

1668

00:58:36,470 --> 00:58:34,160

now you can make tax

1669

00:58:38,789 --> 00:58:36,480

what do you say tax exempt uh donations

1670

00:58:41,430 --> 00:58:38,799

to the wilcock foundation yes and he

1671

00:58:43,750 --> 00:58:41,440

always frames it like this now you can

1672

00:58:45,349 --> 00:58:43,760

donate to me and you don't have to pay

1673

00:58:47,190 --> 00:58:45,359

any taxes

1674

00:58:49,510 --> 00:58:47,200

what he's really saying is now you can

1675

00:58:50,390 --> 00:58:49,520

donate to me and i don't have to pay any

1676

00:58:55,349 --> 00:58:50,400

taxes

1677

00:58:58,470 --> 00:58:55,359

with this guy is this is how greedy he

1678

00:59:01,190 --> 00:58:58,480

is he's so greedy that

1679

00:59:02,549 --> 00:59:01,200

i have found two million dollar mansions

1680

00:59:04,309 --> 00:59:02,559

they're supposed to be three i haven't

1681

00:59:06,470 --> 00:59:04,319

found the third one but don't worry mr

1682

00:59:07,990 --> 00:59:06,480

wilcock i'll find it

1683

00:59:10,710 --> 00:59:08,000

the guy the guy's got at least two

1684

00:59:12,309 --> 00:59:10,720

million dollar mansions one for the

1685

00:59:14,789 --> 00:59:12,319

foundation and one that he lives in in

1686

00:59:17,750 --> 00:59:14,799

colorado the the one for the foundation

1687

00:59:20,789 --> 00:59:17,760

is in uh is in california so he's got

1688

00:59:21,829 --> 00:59:20,799

two million dollar mansions

1689

00:59:25,430 --> 00:59:21,839

and

1690

00:59:27,750 --> 00:59:25,440

was a rental i don't know could have

1691

00:59:29,589 --> 00:59:27,760

been a rental but still

1692

00:59:31,109 --> 00:59:29,599

two million dollar mansions

1693

00:59:33,829 --> 00:59:31,119

driving around a hundred thousand dollar

1694

00:59:35,430 --> 00:59:33,839

car and he suddenly decides i don't want

1695

00:59:37,750 --> 00:59:35,440

to pay any taxes and there's a good

1696

00:59:40,549 --> 00:59:37,760

reason for that i found that he's got a

1697

00:59:42,789 --> 00:59:40,559

50 000 tax lien going back a few years

1698

00:59:44,230 --> 00:59:42,799

an irs tax lien

1699

00:59:47,349 --> 00:59:44,240

so then here comes they will come here

1700

00:59:49,190 --> 00:59:47,359

comes the wilcock foundation now

1701

00:59:51,990 --> 00:59:49,200

listen if you're already in trouble with

1702

00:59:54,549 --> 00:59:52,000

the irs and you have a 50 000 tax lien

1703

00:59:56,549 --> 00:59:54,559

for some kind of unpaid taxes

1704

00:59:59,349 --> 00:59:56,559

it's probably not a good idea to go on

1705

01:00:01,430 --> 00:59:59,359

edge of wonder and discuss your tax

1706

01:00:03,190 --> 01:00:01,440

evasion plans for the future yeah and

1707

01:00:05,270 --> 01:00:03,200

besides what is the deal with that too

1708

01:00:07,349 --> 01:00:05,280

this guy is always talking about money

1709

01:00:09,430 --> 01:00:07,359

and not in the sense of like hey i need

1710

01:00:11,349 --> 01:00:09,440

you know i need you to buy a product or

1711

01:00:13,990 --> 01:00:11,359

i need you to support us it's like he's

1712

01:00:16,150 --> 01:00:14,000

always explaining why he doesn't have

1713

01:00:18,470 --> 01:00:16,160

enough money and why he has to spend he

1714

01:00:20,630 --> 01:00:18,480

says spend multiple plates he said you

1715

01:00:22,390 --> 01:00:20,640

know contrary to what you might think

1716

01:00:24,549 --> 01:00:22,400

new york times best-selling authors

1717

01:00:26,630 --> 01:00:24,559

don't make that much money and so i have

1718

01:00:28,150 --> 01:00:26,640

to do other things too i got to do tv i

1719

01:00:30,309 --> 01:00:28,160

got to do videos i got to do all these

1720

01:00:32,150 --> 01:00:30,319

things to make enough money it's like

1721

01:00:33,430 --> 01:00:32,160

people i think who are watching that and

1722

01:00:35,589 --> 01:00:33,440

listening to that

1723

01:00:38,230 --> 01:00:35,599

and i've seen some of the people that go

1724

01:00:40,309 --> 01:00:38,240

to conferences and i mean some people go

1725

01:00:41,829 --> 01:00:40,319

they go in they stay in their cars they

1726

01:00:45,670 --> 01:00:41,839

can't afford it people that go don't

1727

01:00:46,789 --> 01:00:45,680

have a lot of money so i think it's like

1728

01:00:49,670 --> 01:00:46,799

using

1729

01:00:52,390 --> 01:00:49,680

their perception of reality projecting

1730

01:00:54,470 --> 01:00:52,400

on himself like i'm just like you i need

1731

01:00:57,030 --> 01:00:54,480

a little bit of money to get by but what

1732

01:00:58,870 --> 01:00:57,040

he's really saying is i need tens of

1733

01:01:01,349 --> 01:00:58,880

thousands of dollars to pay my bills

1734

01:01:03,270 --> 01:01:01,359

because i live an extravagant lifestyle

1735

01:01:05,430 --> 01:01:03,280

and that's the big difference between

1736

01:01:06,950 --> 01:01:05,440

someone like myself i live on like a

1737

01:01:09,109 --> 01:01:06,960

thousand dollars a month and some guy

1738

01:01:11,030 --> 01:01:09,119

like this who literally makes tens of

1739

01:01:13,030 --> 01:01:11,040

thousand dollars in a presentation and

1740

01:01:14,150 --> 01:01:13,040

and for me by the way you have a child

1741

01:01:16,069 --> 01:01:14,160

right

1742

01:01:18,390 --> 01:01:16,079

and i have a child so try living on that

1743

01:01:20,710 --> 01:01:18,400

with a child yeah you'll spend that on

1744

01:01:22,630 --> 01:01:20,720

diapers and baby formula you know like i

1745

01:01:25,750 --> 01:01:22,640

remember yours your your child's still

1746

01:01:27,589 --> 01:01:25,760

very you know still very young

1747

01:01:29,190 --> 01:01:27,599

i don't care if he makes a lot of money

1748

01:01:31,190 --> 01:01:29,200

i know a ton of people though yeah a lot

1749

01:01:33,030 --> 01:01:31,200

of people have come after me you know my

1750

01:01:35,109 --> 01:01:33,040

favorite uh hate mail that i've ever

1751

01:01:37,430 --> 01:01:35,119

gotten is that somebody got nasty with

1752

01:01:39,430 --> 01:01:37,440

me and said because i posted a picture

1753

01:01:41,589 --> 01:01:39,440

of his million-dollar uh log cabin

1754

01:01:43,109 --> 01:01:41,599

mansion and i'm built you know everybody

1755

01:01:45,190 --> 01:01:43,119

knows i'm building this cabin out in the

1756

01:01:46,710 --> 01:01:45,200

mountains and somebody sent me a nasty

1757

01:01:48,549 --> 01:01:46,720

email like you're just jealous because

1758

01:01:50,230 --> 01:01:48,559

you got a shack in the woods that you're

1759

01:01:52,950 --> 01:01:50,240

building yourself and he's got a

1760

01:01:56,390 --> 01:01:52,960

million-dollar log look here's how i

1761

01:01:58,069 --> 01:01:56,400

think men build log cabins right

1762

01:02:00,390 --> 01:01:58,079

[h__\h] buy a

1763

01:02:02,549 --> 01:02:00,400

million dollars like you're not manly

1764

01:02:04,630 --> 01:02:02,559

because you bought that you know

1765

01:02:07,589 --> 01:02:04,640

yeah well the the other thing about this

1766

01:02:08,710 --> 01:02:07,599

is his family come he comes from a

1767

01:02:11,349 --> 01:02:08,720

family

1768

01:02:13,349 --> 01:02:11,359

he's already wealthy very wealthy and if

1769

01:02:15,349 --> 01:02:13,359

you look into his mother she's a

1770

01:02:16,950 --> 01:02:15,359

whack-a-doodle too so that's where some

1771

01:02:19,349 --> 01:02:16,960

of this stuff came from she's like a

1772

01:02:21,990 --> 01:02:19,359

yoga teacher and you know here in new

1773

01:02:23,990 --> 01:02:22,000

york somewhere i think yeah i'm not sure

1774

01:02:25,589 --> 01:02:24,000

i'm not too familiar i just remember

1775

01:02:27,109 --> 01:02:25,599

reading a little bit i think i found a

1776

01:02:30,150 --> 01:02:27,119

website of hers or something and i was

1777

01:02:31,829 --> 01:02:30,160

like oh my god the apple does not far

1778

01:02:33,990 --> 01:02:31,839

you know fall far from the tree that's

1779

01:02:36,150 --> 01:02:34,000

where he got this whack-a-doodle you

1780

01:02:37,750 --> 01:02:36,160

know let's have a career sell and and

1781

01:02:39,670 --> 01:02:37,760

again on the money

1782

01:02:41,990 --> 01:02:39,680

this is very important i have no problem

1783

01:02:44,230 --> 01:02:42,000

with anybody making money but if this

1784

01:02:46,230 --> 01:02:44,240

guy is making all of this money enough

1785

01:02:48,390 --> 01:02:46,240

to support two million dollar mansions

1786

01:02:50,309 --> 01:02:48,400

and a hundred thousand dollar car and

1787

01:02:52,710 --> 01:02:50,319

he's just selling people lies and

1788

01:02:55,349 --> 01:02:52,720

fabricated stories yeah i have a problem

1789

01:02:56,950 --> 01:02:55,359

with that yes exactly stephen because

1790

01:02:59,029 --> 01:02:56,960

here's the thing you like you're you're

1791

01:03:00,789 --> 01:02:59,039

out there and god bless you do a show

1792

01:03:03,029 --> 01:03:00,799

like every day right like five do you

1793

01:03:04,630 --> 01:03:03,039

have to do five a week or six a week

1794

01:03:06,390 --> 01:03:04,640

about five a week yeah i can't even

1795

01:03:08,549 --> 01:03:06,400

imagine i do one a week and it almost

1796

01:03:10,710 --> 01:03:08,559

kills me some weeks like i just i don't

1797

01:03:12,309 --> 01:03:10,720

know i can't you know i can't keep up

1798

01:03:13,750 --> 01:03:12,319

but my point is like

1799

01:03:15,829 --> 01:03:13,760

i don't know what you're getting for

1800

01:03:19,029 --> 01:03:15,839

telling the truth and having really good

1801

01:03:21,990 --> 01:03:19,039

content and really really

1802

01:03:24,069 --> 01:03:22,000

well researched stuff but you know like

1803

01:03:26,390 --> 01:03:24,079

i'm telling people the truth

1804

01:03:28,549 --> 01:03:26,400

and i'm getting like 25 bucks a month on

1805

01:03:30,630 --> 01:03:28,559

patreon that's the total financial

1806

01:03:32,950 --> 01:03:30,640

windfall of my show

1807

01:03:34,470 --> 01:03:32,960

so it's pretty uh discouraging you know

1808

01:03:37,029 --> 01:03:34,480

like if i'm telling people the truth

1809

01:03:38,950 --> 01:03:37,039

then i'm only getting 25 bucks a month

1810

01:03:42,309 --> 01:03:38,960

this guy's just lying to people and he's

1811

01:03:45,510 --> 01:03:42,319

making all this money it's really unfair

1812

01:03:47,190 --> 01:03:45,520

so being uh being deceitful is

1813

01:03:48,789 --> 01:03:47,200

profitable is what that teaches you so

1814

01:03:50,309 --> 01:03:48,799

then that shows you that the more that

1815

01:03:52,309 --> 01:03:50,319

you make things up and the bigger the

1816

01:03:53,990 --> 01:03:52,319

lies are that encourages more people to

1817

01:03:56,710 --> 01:03:54,000

do that because that's where the profit

1818

01:03:58,630 --> 01:03:56,720

is if that's your motivating factor

1819

01:04:00,470 --> 01:03:58,640

sure yeah and you're right he's always

1820

01:04:01,750 --> 01:04:00,480

talking about i don't make enough money

1821

01:04:03,190 --> 01:04:01,760

i don't make enough money i don't make

1822

01:04:04,470 --> 01:04:03,200

enough money but here's the thing we

1823

01:04:07,109 --> 01:04:04,480

come back to this

1824

01:04:08,069 --> 01:04:07,119

like at least one of those books of his

1825

01:04:10,390 --> 01:04:08,079

uh

1826

01:04:12,470 --> 01:04:10,400

is filled with pete peterson stories who

1827

01:04:15,829 --> 01:04:12,480

we've proven is a complete and total lie

1828

01:04:17,029 --> 01:04:15,839

in a fabricated you know senile old man

1829

01:04:19,270 --> 01:04:17,039

so

1830

01:04:20,549 --> 01:04:19,280

no matter how little money you're making

1831

01:04:23,349 --> 01:04:20,559

on that book

1832

01:04:25,029 --> 01:04:23,359

it's it's it's based on lies like the

1833

01:04:27,510 --> 01:04:25,039

source in that book that you're citing

1834

01:04:28,549 --> 01:04:27,520

over and over and over again is is a

1835

01:04:30,789 --> 01:04:28,559

fraud

1836

01:04:32,069 --> 01:04:30,799

and then we get the david david wilcock

1837

01:04:34,150 --> 01:04:32,079

i am

1838

01:04:36,309 --> 01:04:34,160

edgar casey reincarnated book you're

1839

01:04:38,230 --> 01:04:36,319

selling that book and that's a lie you

1840

01:04:39,910 --> 01:04:38,240

won't take the test with the edgar cayce

1841

01:04:41,910 --> 01:04:39,920

foundation because he knows he can't

1842

01:04:44,470 --> 01:04:41,920

pass the test

1843

01:04:48,390 --> 01:04:44,480

i have i have um

1844

01:04:50,390 --> 01:04:48,400

always been very open about the the 25 a

1845

01:04:52,950 --> 01:04:50,400

month i make and it's not been a lot of

1846

01:04:55,109 --> 01:04:52,960

money until recently but to me a lot of

1847

01:04:57,589 --> 01:04:55,119

money is like now i make maybe 400 a

1848

01:04:59,589 --> 01:04:57,599

month on subscriptions and selling

1849

01:05:01,109 --> 01:04:59,599

books

1850

01:05:02,470 --> 01:05:01,119

all kinds of time you know writing

1851

01:05:04,950 --> 01:05:02,480

putting together editing it's a lot of

1852

01:05:06,630 --> 01:05:04,960

work big books so i make like 300 bucks

1853

01:05:08,549 --> 01:05:06,640

a month on that and i work a second job

1854

01:05:10,630 --> 01:05:08,559

to supplement income i don't care about

1855

01:05:11,990 --> 01:05:10,640

the money aspect of it but

1856

01:05:14,069 --> 01:05:12,000

and i don't expect to make a lot of

1857

01:05:16,710 --> 01:05:14,079

money but like you said i want to mirror

1858

01:05:18,549 --> 01:05:16,720

what you said if someone is talking

1859

01:05:20,549 --> 01:05:18,559

about these kinds of things and they're

1860

01:05:21,589 --> 01:05:20,559

lying about everything that they talk

1861

01:05:22,789 --> 01:05:21,599

about

1862

01:05:24,470 --> 01:05:22,799

then

1863

01:05:26,789 --> 01:05:24,480

they're making money

1864

01:05:29,270 --> 01:05:26,799

under those false pretenses they're

1865

01:05:31,430 --> 01:05:29,280

deceiving people they're using people

1866

01:05:33,270 --> 01:05:31,440

that needs to be exposed and the bottom

1867

01:05:34,870 --> 01:05:33,280

line is i don't know how many people

1868

01:05:37,510 --> 01:05:34,880

you've talked to but i have a lot of

1869

01:05:40,150 --> 01:05:37,520

friends in this so-called industry i

1870

01:05:42,069 --> 01:05:40,160

know a lot of people who they might be

1871

01:05:44,230 --> 01:05:42,079

having a rough time relatively but they

1872

01:05:46,150 --> 01:05:44,240

make a hell of a lot more money than i

1873

01:05:47,910 --> 01:05:46,160

do sure and

1874

01:05:49,670 --> 01:05:47,920

i don't hate those people i'm friends

1875

01:05:51,670 --> 01:05:49,680

with them it has nothing to do that's

1876

01:05:53,990 --> 01:05:51,680

just the last

1877

01:05:56,470 --> 01:05:54,000

form of defense that the cabal members

1878

01:05:59,670 --> 01:05:56,480

the cult members can come up with to try

1879

01:06:01,270 --> 01:05:59,680

to ward off an observation let alone an

1880

01:06:03,190 --> 01:06:01,280

attack on what they believe well you're

1881

01:06:04,870 --> 01:06:03,200

just jealous because he's making money i

1882

01:06:07,190 --> 01:06:04,880

don't care how much money the guy makes

1883

01:06:09,349 --> 01:06:07,200

unless he's making that money by lying

1884

01:06:11,829 --> 01:06:09,359

to people and deceiving people then like

1885

01:06:13,029 --> 01:06:11,839

you said i'm very concerned with how

1886

01:06:15,510 --> 01:06:13,039

much money he makes because he's

1887

01:06:17,589 --> 01:06:15,520

stealing it from people yeah it's

1888

01:06:20,309 --> 01:06:17,599

definitely a form of consumer fraud if

1889

01:06:22,710 --> 01:06:20,319

you're knowingly and willingly selling

1890

01:06:24,549 --> 01:06:22,720

something that you know is fake

1891

01:06:26,069 --> 01:06:24,559

that's a crime you know i got in trouble

1892

01:06:29,190 --> 01:06:26,079

with linda molten hell because she was

1893

01:06:30,710 --> 01:06:29,200

selling a a genuine grey alien photo

1894

01:06:31,670 --> 01:06:30,720

taken on the moon

1895

01:06:33,750 --> 01:06:31,680

was

1896

01:06:36,630 --> 01:06:33,760

yeah yeah and she put it behind a

1897

01:06:38,309 --> 01:06:36,640

paywall and so i did a reverse google

1898

01:06:39,910 --> 01:06:38,319

image search i'm like i know this

1899

01:06:43,349 --> 01:06:39,920

picture from somewhere turns out it was

1900

01:06:44,950 --> 01:06:43,359

from a 2005 video game area 51. yeah i

1901

01:06:46,789 --> 01:06:44,960

played that i have a copy of that photo

1902

01:06:49,190 --> 01:06:46,799

already it's in my uh yeah yeah it's

1903

01:06:51,510 --> 01:06:49,200

crazy and then i email her and she she

1904

01:06:54,230 --> 01:06:51,520

gets nasty with me and she changes it to

1905

01:06:55,589 --> 01:06:54,240

alleged gray alien photo taken on the

1906

01:06:57,910 --> 01:06:55,599

moon

1907

01:07:00,549 --> 01:06:57,920

but she goes right on selling it like

1908

01:07:01,589 --> 01:07:00,559

and then i'm the bad guy i got so many

1909

01:07:03,670 --> 01:07:01,599

people

1910

01:07:06,630 --> 01:07:03,680

sending me nasty emails when i talked

1911

01:07:08,950 --> 01:07:06,640

about that but come on i mean that's

1912

01:07:10,390 --> 01:07:08,960

debts or rights we got you fraud in

1913

01:07:12,390 --> 01:07:10,400

people for money putting this thing

1914

01:07:13,990 --> 01:07:12,400

behind a paywall how many people gave

1915

01:07:15,430 --> 01:07:14,000

her the three dollars a month for a

1916

01:07:17,270 --> 01:07:15,440

website or five hours a month whatever

1917

01:07:20,390 --> 01:07:17,280

it is just because they wanted to see

1918

01:07:22,390 --> 01:07:20,400

that picture of the genuine grey alien

1919

01:07:24,309 --> 01:07:22,400

from a from a from a video i played that

1920

01:07:26,230 --> 01:07:24,319

video game i literally have the taste

1921

01:07:28,390 --> 01:07:26,240

that's why i remembered it as soon as i

1922

01:07:30,710 --> 01:07:28,400

saw that photo i went i know this

1923

01:07:32,630 --> 01:07:30,720

picture from somewhere you know

1924

01:07:36,230 --> 01:07:32,640

and and there was a similar thing i did

1925

01:07:38,789 --> 01:07:36,240

i did a show called a tale of two proofs

1926

01:07:41,029 --> 01:07:38,799

and i talked about this video that came

1927

01:07:43,750 --> 01:07:41,039

out i think it was in like 2009 it was

1928

01:07:46,309 --> 01:07:43,760

called the orion conspiracy it's like a

1929

01:07:48,069 --> 01:07:46,319

19-minute video and it was made by a

1930

01:07:50,309 --> 01:07:48,079

french director

1931

01:07:53,750 --> 01:07:50,319

who was trying to poke fun at the

1932

01:07:56,950 --> 01:07:53,760

gullibility of the public in consuming

1933

01:07:58,870 --> 01:07:56,960

media particularly in the west and it's

1934

01:08:02,069 --> 01:07:58,880

these guys that are coming in to be

1935

01:08:03,910 --> 01:08:02,079

briefed um on a number of subjects by

1936

01:08:05,430 --> 01:08:03,920

some shadowy government leader you don't

1937

01:08:07,910 --> 01:08:05,440

really learn who it is

1938

01:08:10,069 --> 01:08:07,920

and he shows you these uh these slides

1939

01:08:11,670 --> 01:08:10,079

on a screen it's like a projector and it

1940

01:08:13,270 --> 01:08:11,680

goes through all these images and most

1941

01:08:15,190 --> 01:08:13,280

of them are most of them are

1942

01:08:17,590 --> 01:08:15,200

photoshopped obvi i mean it's supposed

1943

01:08:19,749 --> 01:08:17,600

to be an insult so it's obviously

1944

01:08:21,590 --> 01:08:19,759

photoshopped content

1945

01:08:23,349 --> 01:08:21,600

and i don't know if you've seen this

1946

01:08:25,110 --> 01:08:23,359

you've seen this video have you seen the

1947

01:08:27,269 --> 01:08:25,120

orion conspiracy i believe that i did

1948

01:08:29,189 --> 01:08:27,279

yes and it's so interesting sort of

1949

01:08:30,630 --> 01:08:29,199

social experiment

1950

01:08:32,309 --> 01:08:30,640

yes it is an interesting social

1951

01:08:33,990 --> 01:08:32,319

experiment and that social experiment

1952

01:08:36,789 --> 01:08:34,000

has been carried out

1953

01:08:39,590 --> 01:08:36,799

far beyond that documentary slash short

1954

01:08:41,349 --> 01:08:39,600

film because some of the same thing when

1955

01:08:42,789 --> 01:08:41,359

you saw that alien photo and i saw it i

1956

01:08:45,430 --> 01:08:42,799

thought i know what that is that's from

1957

01:08:47,829 --> 01:08:45,440

a video game well there are some photos

1958

01:08:50,229 --> 01:08:47,839

in this movie that have been pulled out

1959

01:08:52,390 --> 01:08:50,239

and have been used for this antarctica

1960

01:08:54,550 --> 01:08:52,400

story that's so big now

1961

01:08:57,269 --> 01:08:54,560

uh these are photographs of what look

1962

01:09:00,229 --> 01:08:57,279

like supposedly flying saucers giant

1963

01:09:01,749 --> 01:09:00,239

spaceships stuck in ice and the ice

1964

01:09:03,749 --> 01:09:01,759

melted just enough so you can see the

1965

01:09:05,829 --> 01:09:03,759

the center of this object so you know

1966

01:09:08,070 --> 01:09:05,839

it's a yeah i'm very familiar with that

1967

01:09:10,229 --> 01:09:08,080

picture yeah i've had so many people

1968

01:09:11,110 --> 01:09:10,239

send me that picture or pictures like

1969

01:09:13,189 --> 01:09:11,120

that

1970

01:09:14,789 --> 01:09:13,199

there are yeah there are like what four

1971

01:09:16,870 --> 01:09:14,799

or five of these pictures i think one of

1972

01:09:19,110 --> 01:09:16,880

them is really really circulating the

1973

01:09:21,110 --> 01:09:19,120

internet and um i have a friend of mine

1974

01:09:23,110 --> 01:09:21,120

who i've mentioned on other shows he did

1975

01:09:25,910 --> 01:09:23,120

some antarctica presentations and i

1976

01:09:27,749 --> 01:09:25,920

showed him i said i said this is from a

1977

01:09:30,070 --> 01:09:27,759

movie i said you should remove that from

1978

01:09:31,349 --> 01:09:30,080

your presentation that's not real that's

1979

01:09:34,390 --> 01:09:31,359

photoshop

1980

01:09:36,149 --> 01:09:34,400

and so at a conference he actually said

1981

01:09:39,189 --> 01:09:36,159

you know my friend ryan he pointed out

1982

01:09:40,870 --> 01:09:39,199

that this was fake and he said now i

1983

01:09:43,030 --> 01:09:40,880

just want to obviously point that out to

1984

01:09:45,269 --> 01:09:43,040

you too that this this isn't confirmed

1985

01:09:47,430 --> 01:09:45,279

this is just an image from a movie

1986

01:09:49,910 --> 01:09:47,440

but yet people are still continuing to

1987

01:09:52,709 --> 01:09:49,920

publish that and and this is in the new

1988

01:09:54,470 --> 01:09:52,719

david wilcock cosmic secret movie yeah

1989

01:09:55,830 --> 01:09:54,480

and you know here's something

1990

01:09:58,070 --> 01:09:55,840

interesting that i was thinking about

1991

01:09:59,910 --> 01:09:58,080

about all this antarctica stuff

1992

01:10:01,590 --> 01:09:59,920

and and here's another

1993

01:10:04,229 --> 01:10:01,600

just just

1994

01:10:06,630 --> 01:10:04,239

thought experiment about david wilcock

1995

01:10:08,470 --> 01:10:06,640

he has been pushing this there's a

1996

01:10:11,110 --> 01:10:08,480

mother ship buried under the ice in

1997

01:10:13,430 --> 01:10:11,120

antarctica for quite a while now and

1998

01:10:16,149 --> 01:10:13,440

he's doubling down in this peterson

1999

01:10:18,070 --> 01:10:16,159

tribute video he says pete peterson told

2000

01:10:20,470 --> 01:10:18,080

him about this mothership that's in

2001

01:10:22,870 --> 01:10:20,480

antarctica and i have another source

2002

01:10:24,550 --> 01:10:22,880

that confirms it and told me about this

2003

01:10:26,790 --> 01:10:24,560

mothership that's buried under the ice

2004

01:10:28,310 --> 01:10:26,800

in antarctica and you know i think the

2005

01:10:30,390 --> 01:10:28,320

reason that these con men pull out

2006

01:10:32,070 --> 01:10:30,400

antarctica because a lot of people think

2007

01:10:35,189 --> 01:10:32,080

well you can't go there and verify if

2008

01:10:36,950 --> 01:10:35,199

it's true or not but what gets me is

2009

01:10:39,189 --> 01:10:36,960

if david wilcock really wanted to get

2010

01:10:41,110 --> 01:10:39,199

the proof of alien visitations and all

2011

01:10:43,430 --> 01:10:41,120

of this stuff if he wanted to prove what

2012

01:10:44,790 --> 01:10:43,440

he was saying well he's got two sources

2013

01:10:47,669 --> 01:10:44,800

that are telling him that there's a

2014

01:10:49,110 --> 01:10:47,679

mothership in antarctica you folks you

2015

01:10:49,830 --> 01:10:49,120

can go

2016

01:10:55,270 --> 01:10:49,840

to

2017

01:10:57,189 --> 01:10:55,280

companies and they'll take you anywhere

2018

01:10:59,510 --> 01:10:57,199

you want to go in antarctica for you

2019

01:11:01,350 --> 01:10:59,520

know a few thousand dollars

2020

01:11:03,590 --> 01:11:01,360

so this guy's living in a million dollar

2021

01:11:05,350 --> 01:11:03,600

mansion put up the why doesn't wilcox

2022

01:11:07,990 --> 01:11:05,360

put up the few thousand dollars and go

2023

01:11:10,390 --> 01:11:08,000

show us the spaceship he's never he's

2024

01:11:12,950 --> 01:11:10,400

never gonna do but he can do it he can

2025

01:11:15,350 --> 01:11:12,960

do it if he's got two people telling him

2026

01:11:17,830 --> 01:11:15,360

here's a mud there's a mother ship

2027

01:11:19,990 --> 01:11:17,840

slap a map out and give me a general you

2028

01:11:21,990 --> 01:11:20,000

know we'll spend a month there looking

2029

01:11:23,990 --> 01:11:22,000

for it and we'll find it he's never

2030

01:11:25,270 --> 01:11:24,000

going to do that he could he's never

2031

01:11:26,630 --> 01:11:25,280

going to do it

2032

01:11:28,310 --> 01:11:26,640

my friend brad olson went down to

2033

01:11:31,350 --> 01:11:28,320

antarctica

2034

01:11:33,910 --> 01:11:31,360

with a much different view on the whole

2035

01:11:35,830 --> 01:11:33,920

situation and he wasn't as enthralled by

2036

01:11:37,189 --> 01:11:35,840

it as he was i think before he went down

2037

01:11:38,709 --> 01:11:37,199

i might be wrong about that but that's

2038

01:11:40,950 --> 01:11:38,719

the impression i got from him he went

2039

01:11:42,470 --> 01:11:40,960

down to antarctica

2040

01:11:43,830 --> 01:11:42,480

you're right why can't wilcock just go

2041

01:11:46,630 --> 01:11:43,840

down there and verified or fund an

2042

01:11:47,430 --> 01:11:46,640

expedition to go at least two sources i

2043

01:11:50,470 --> 01:11:47,440

think

2044

01:11:53,110 --> 01:11:50,480

as many as four telling him about

2045

01:11:55,669 --> 01:11:53,120

spaceships buried under the ice is corey

2046

01:11:58,950 --> 01:11:55,679

good one of them probably and then

2047

01:12:01,189 --> 01:11:58,960

michael sala you know their echo chamber

2048

01:12:02,790 --> 01:12:01,199

and his fake like woody and his fake

2049

01:12:04,630 --> 01:12:02,800

fraud peterson

2050

01:12:05,910 --> 01:12:04,640

that's that's a senile old man is

2051
01:12:07,590 --> 01:12:05,920
telling him so maybe that's why he

2052
01:12:09,189 --> 01:12:07,600
doesn't want to you know waste the time

2053
01:12:11,030 --> 01:12:09,199
because he knows it's a senile old man

2054
01:12:13,910 --> 01:12:11,040
telling him about that mothership under

2055
01:12:14,870 --> 01:12:13,920
the ice well antarctica is just like

2056
01:12:18,070 --> 01:12:14,880
those

2057
01:12:20,790 --> 01:12:18,080
credible accredited reputable sources

2058
01:12:23,189 --> 01:12:20,800
you associate something reputable with

2059
01:12:24,950 --> 01:12:23,199
something that's a mere claim and no

2060
01:12:27,270 --> 01:12:24,960
one's going to go verify it on average

2061
01:12:29,590 --> 01:12:27,280
and the few people that do it's just an

2062
01:12:31,270 --> 01:12:29,600
operational expense they just shove

2063
01:12:34,149 --> 01:12:31,280

people like you and i out of the

2064

01:12:35,510 --> 01:12:34,159

conversation because

2065

01:12:36,950 --> 01:12:35,520

they're cle they're making these claims

2066

01:12:38,229 --> 01:12:36,960

come on guys just get them out of here

2067

01:12:39,750 --> 01:12:38,239

get them out of here get out of here

2068

01:12:40,709 --> 01:12:39,760

they're in a cult you know they want to

2069

01:12:42,870 --> 01:12:40,719

troll us

2070

01:12:44,149 --> 01:12:42,880

yeah and i listen i will put that i will

2071

01:12:45,669 --> 01:12:44,159

put the challenge out there's the first

2072

01:12:47,910 --> 01:12:45,679

time i will say this

2073

01:12:50,310 --> 01:12:47,920

if if david wilcock really has real

2074

01:12:53,110 --> 01:12:50,320

sources that can pinpoint even down to

2075

01:12:55,510 --> 01:12:53,120

let's say 10 square miles of where this

2076

01:12:57,430 --> 01:12:55,520

supposed mother ship is in antarctica i

2077

01:13:00,149 --> 01:12:57,440

will fly there myself and look for it

2078

01:13:02,310 --> 01:13:00,159

david wilcock i will fly there myself

2079

01:13:03,910 --> 01:13:02,320

i'll get a coat i'll get a backpack

2080

01:13:05,990 --> 01:13:03,920

whatever i got to do

2081

01:13:08,149 --> 01:13:06,000

get it down to 10 square miles for me

2082

01:13:10,550 --> 01:13:08,159

david wilcock if you could do that i'm

2083

01:13:12,709 --> 01:13:10,560

i'm there i will get on a plane

2084

01:13:14,229 --> 01:13:12,719

get on a nice boat whatever i have to do

2085

01:13:15,830 --> 01:13:14,239

and i'll get there

2086

01:13:17,830 --> 01:13:15,840

it's never going to happen he's never

2087

01:13:19,990 --> 01:13:17,840

going to even pinpoint it the way that

2088

01:13:21,510 --> 01:13:20,000

they do that with information stephen is

2089

01:13:24,149 --> 01:13:21,520

exactly the way they do it with

2090

01:13:26,390 --> 01:13:24,159

antarctica why choose antarctica because

2091

01:13:28,070 --> 01:13:26,400

like you said it's remote not many

2092

01:13:29,510 --> 01:13:28,080

people live there the even the people

2093

01:13:32,149 --> 01:13:29,520

that do live there come in and out

2094

01:13:34,709 --> 01:13:32,159

during different seasons because of the

2095

01:13:36,709 --> 01:13:34,719

missions so no one lives there no one

2096

01:13:38,630 --> 01:13:36,719

really goes there a few people might for

2097

01:13:41,030 --> 01:13:38,640

extreme tourism or for science

2098

01:13:43,030 --> 01:13:41,040

scientific expeditions so no one's going

2099

01:13:44,870 --> 01:13:43,040

to verify it it's more difficult to

2100

01:13:46,229 --> 01:13:44,880

verify than some information on the

2101

01:13:47,669 --> 01:13:46,239

internet and if people aren't going to

2102

01:13:48,950 --> 01:13:47,679

verify information on the internet

2103

01:13:51,350 --> 01:13:48,960

nobody's going to go to antarctica and

2104

01:13:52,870 --> 01:13:51,360

verify it so it's a perfect place to say

2105

01:13:55,270 --> 01:13:52,880

oh yeah sure there's

2106

01:13:57,189 --> 01:13:55,280

whatever you want the blue

2107

01:13:59,990 --> 01:13:57,199

and it's not just a mother ship it's an

2108

01:14:02,070 --> 01:14:00,000

entire civilization a whole buried

2109

01:14:04,229 --> 01:14:02,080

cities like you would be able to find

2110

01:14:06,870 --> 01:14:04,239

that they would have found some of that

2111

01:14:08,950 --> 01:14:06,880

i saw that i saw that it was in the

2112

01:14:10,950 --> 01:14:08,960

first x-files movie after season six in

2113

01:14:13,430 --> 01:14:10,960

the 90s oh there you go there's the

2114

01:14:16,310 --> 01:14:14,709

there was a giant i don't know if you

2115

01:14:18,470 --> 01:14:16,320

saw that there was a giant mothership in

2116

01:14:19,590 --> 01:14:18,480

the ice yeah i did see that yeah

2117

01:14:22,310 --> 01:14:19,600

absolutely

2118

01:14:23,830 --> 01:14:22,320

yeah that's that's the source

2119

01:14:25,669 --> 01:14:23,840

yeah it's just some of this stuff is

2120

01:14:28,149 --> 01:14:25,679

just crazy and the other thing that gets

2121

01:14:30,310 --> 01:14:28,159

me is these people with the with the

2122

01:14:32,630 --> 01:14:30,320

moon structures or the moon base you

2123

01:14:34,550 --> 01:14:32,640

know corey goods got a spaceship landing

2124

01:14:36,709 --> 01:14:34,560

in his backyard taking him to a secret

2125

01:14:38,149 --> 01:14:36,719

moon base but you can't see the moon

2126
01:14:39,350 --> 01:14:38,159
base because it's on the dark side of

2127
01:14:41,669 --> 01:14:39,360
the moon

2128
01:14:44,070 --> 01:14:41,679
friends what people don't realize is

2129
01:14:46,870 --> 01:14:44,080
contact nasa contact the chinese

2130
01:14:49,669 --> 01:14:46,880
equivalent of nasa there are satellites

2131
01:14:52,390 --> 01:14:49,679
around the moon right now

2132
01:14:55,030 --> 01:14:52,400
so if there was any structures any moon

2133
01:14:56,870 --> 01:14:55,040
base anything then the cabal the men in

2134
01:14:58,870 --> 01:14:56,880
black have to get to the chinese

2135
01:15:00,470 --> 01:14:58,880
government the russian government the

2136
01:15:02,870 --> 01:15:00,480
united states government and i think

2137
01:15:04,470 --> 01:15:02,880
maybe even the indian government is

2138
01:15:05,430 --> 01:15:04,480

getting into the satellites around the

2139

01:15:08,149 --> 01:15:05,440

moon

2140

01:15:10,070 --> 01:15:08,159

and quiet and and cover up all those

2141

01:15:12,310 --> 01:15:10,080

government space programs taking

2142

01:15:14,229 --> 01:15:12,320

constant pictures of the moon

2143

01:15:16,310 --> 01:15:14,239

with their satellites

2144

01:15:18,709 --> 01:15:16,320

and there's there's high res they're not

2145

01:15:20,550 --> 01:15:18,719

like the old moon photos that we get

2146

01:15:22,950 --> 01:15:20,560

that everybody takes these

2147

01:15:24,950 --> 01:15:22,960

moon structure photos that they say are

2148

01:15:26,550 --> 01:15:24,960

structures from these pictures from the

2149

01:15:28,709 --> 01:15:26,560

1960s

2150

01:15:31,110 --> 01:15:28,719

we have high-res pictures from

2151
01:15:33,110 --> 01:15:31,120
satellites that were taken you know last

2152
01:15:36,149 --> 01:15:33,120
week why don't you use the high-res

2153
01:15:39,189 --> 01:15:36,159
pictures and show us that you can

2154
01:15:41,510 --> 01:15:39,199
but there are very very

2155
01:15:43,110 --> 01:15:41,520
questionable images from the moon yes

2156
01:15:44,950 --> 01:15:43,120
there are some anomalies i'll give you

2157
01:15:47,350 --> 01:15:44,960
that right there are anomalies of the

2158
01:15:49,910 --> 01:15:47,360
moon i mean you look at the the phobos

2159
01:15:51,830 --> 01:15:49,920
probes uh you look at a a number of

2160
01:15:53,750 --> 01:15:51,840
things on the moon on mars

2161
01:15:55,590 --> 01:15:53,760
and just generally in space there are

2162
01:15:57,669 --> 01:15:55,600
tons of anomalies so i want to know like

2163
01:15:59,510 --> 01:15:57,679

why those things where there are

2164

01:16:02,149 --> 01:15:59,520

photographs from the apollo missions

2165

01:16:04,709 --> 01:16:02,159

photographs from soho and and and and

2166

01:16:06,870 --> 01:16:04,719

all of these other uh uh telescopes and

2167

01:16:08,229 --> 01:16:06,880

different space agencies that do have

2168

01:16:10,149 --> 01:16:08,239

anomalies and they publish it on the

2169

01:16:11,830 --> 01:16:10,159

webs their websites and you can find

2170

01:16:14,310 --> 01:16:11,840

them why aren't those being discussed

2171

01:16:16,790 --> 01:16:14,320

it's like we we get rid of what could be

2172

01:16:18,229 --> 01:16:16,800

questionable evidence of something and

2173

01:16:20,550 --> 01:16:18,239

we focus on things that are just

2174

01:16:22,790 --> 01:16:20,560

outrageous claims like blue orbs

2175

01:16:24,550 --> 01:16:22,800

encasing your body and shooting you to a

2176

01:16:26,550 --> 01:16:24,560

base on the moon i think that's how it

2177

01:16:28,149 --> 01:16:26,560

gets there in a blue orb or something

2178

01:16:29,990 --> 01:16:28,159

yeah and that's another point of corey

2179

01:16:31,990 --> 01:16:30,000

good as funny like there's a fatal flaw

2180

01:16:34,550 --> 01:16:32,000

in his hole you can't prove my story is

2181

01:16:36,790 --> 01:16:34,560

fake and that is cosmic radiation

2182

01:16:39,110 --> 01:16:36,800

anybody that spends any time in space is

2183

01:16:41,430 --> 01:16:39,120

going to have a detectable amount of

2184

01:16:43,270 --> 01:16:41,440

cosmic radiation in their bloodstream

2185

01:16:44,950 --> 01:16:43,280

and their tissue samples

2186

01:16:47,590 --> 01:16:44,960

where's the tissue samples corey good

2187

01:16:50,470 --> 01:16:47,600

show us a blood sample if you spent 60

2188

01:16:52,790 --> 01:16:50,480

years in in in space you'd have some

2189

01:16:55,030 --> 01:16:52,800

detectable signs of cosmic radiation in

2190

01:16:56,950 --> 01:16:55,040

your blood he's never going to do that

2191

01:16:58,950 --> 01:16:56,960

but i i have an explanation for that

2192

01:17:00,790 --> 01:16:58,960

since they regressed him to a younger

2193

01:17:03,030 --> 01:17:00,800

age that's what happened the machine

2194

01:17:05,669 --> 01:17:03,040

took out any sign of that yes that

2195

01:17:07,750 --> 01:17:05,679

regressed the cosmic radiation as well

2196

01:17:09,350 --> 01:17:07,760

i see you you can't disprove it but you

2197

01:17:11,990 --> 01:17:09,360

also can't prove it that's why these

2198

01:17:14,390 --> 01:17:12,000

stories are so airtight

2199

01:17:16,950 --> 01:17:14,400

yeah and now we have him pivoting now

2200

01:17:18,630 --> 01:17:16,960

he's enoch and he's going to teach i my

2201

01:17:19,990 --> 01:17:18,640

favorite is i was going to ask you about

2202

01:17:23,030 --> 01:17:20,000

that that's real

2203

01:17:24,550 --> 01:17:23,040

yeah he's he's a he's a prophet now and

2204

01:17:26,390 --> 01:17:24,560

he's going to teach people love and

2205

01:17:27,350 --> 01:17:26,400

forgiveness while he's threatening to

2206

01:17:30,229 --> 01:17:27,360

sue

2207

01:17:32,310 --> 01:17:30,239

everyone and trademark secret space

2208

01:17:34,070 --> 01:17:32,320

secret space program attacking his

2209

01:17:36,390 --> 01:17:34,080

critics suing everyone calling the

2210

01:17:37,430 --> 01:17:36,400

police calling you know he's another oh

2211

01:17:39,510 --> 01:17:37,440

my god

2212

01:17:41,189 --> 01:17:39,520

this guy's been saying that he's calling

2213

01:17:42,550 --> 01:17:41,199

the state police and the fbi are

2214

01:17:44,310 --> 01:17:42,560

investigating and people are going to

2215

01:17:46,070 --> 01:17:44,320

get arrested and it's going to shock the

2216

01:17:47,750 --> 01:17:46,080

whole ufo community

2217

01:17:49,669 --> 01:17:47,760

i think he may be right somebody might

2218

01:17:51,270 --> 01:17:49,679

be getting arrested in 2020 but it's not

2219

01:17:53,350 --> 01:17:51,280

going to be critics of corey good or

2220

01:17:55,110 --> 01:17:53,360

david wilcock

2221

01:17:57,669 --> 01:17:55,120

i i have two other clips i'd like to

2222

01:17:59,669 --> 01:17:57,679

share with you if i may absolutely

2223

01:18:01,510 --> 01:17:59,679

one of well i have a bunch i could share

2224

01:18:02,709 --> 01:18:01,520

but one of them is the emory smith

2225

01:18:04,070 --> 01:18:02,719

encounter i didn't know if you wanted to

2226

01:18:05,270 --> 01:18:04,080

play a minute of that yeah yeah

2227

01:18:06,870 --> 01:18:05,280

absolutely

2228

01:18:09,510 --> 01:18:06,880

okay so before we get to that though i

2229

01:18:12,390 --> 01:18:09,520

have one here uh this is in my top five

2230

01:18:14,390 --> 01:18:12,400

favorite wilcock claims this is where

2231

01:18:16,070 --> 01:18:14,400

he's this is just a funny one for

2232

01:18:17,990 --> 01:18:16,080

everyone listening this isn't something

2233

01:18:20,229 --> 01:18:18,000

serious but he's claiming

2234

01:18:23,830 --> 01:18:20,239

that the reason he had to get

2235

01:18:26,149 --> 01:18:23,840

10 or 20 000 veneers his new teeth was

2236

01:18:27,510 --> 01:18:26,159

because the cabal well you'll hear what

2237

01:18:29,110 --> 01:18:27,520

he says the cabal made him really

2238

01:18:30,550 --> 01:18:29,120

anxious and they made him grind his

2239

01:18:31,990 --> 01:18:30,560

teeth down

2240

01:18:33,590 --> 01:18:32,000

there's a whole bunch of settings that

2241

01:18:35,270 --> 01:18:33,600

we have to do here in order to get it to

2242

01:18:37,510 --> 01:18:35,280

work right we didn't understand that so

2243

01:18:38,950 --> 01:18:37,520

it took a little time to get started

2244

01:18:41,350 --> 01:18:38,960

but now we're here

2245

01:18:43,590 --> 01:18:41,360

and everything is good

2246

01:18:44,390 --> 01:18:43,600

i also did not want to do this broadcast

2247

01:18:47,030 --> 01:18:44,400

yet

2248

01:18:49,110 --> 01:18:47,040

because i have temporary veneers on and

2249

01:18:51,430 --> 01:18:49,120

that means that my teeth are in the

2250

01:18:53,270 --> 01:18:51,440

process of being overhauled and so right

2251

01:18:56,070 --> 01:18:53,280

now i have the cheap and fake looking

2252

01:18:58,470 --> 01:18:56,080

veneers on before the good ones come so

2253

01:19:00,550 --> 01:18:58,480

before all the haters get started i was

2254

01:19:02,310 --> 01:19:00,560

thinking about not doing any camera work

2255

01:19:04,870 --> 01:19:02,320

until this was fixed

2256

01:19:07,030 --> 01:19:04,880

but we are working on it anyway because

2257

01:19:08,790 --> 01:19:07,040

of the timing of our launch

2258

01:19:10,229 --> 01:19:08,800

and the delay of these veneers now you

2259

01:19:12,310 --> 01:19:10,239

have to understand

2260

01:19:14,070 --> 01:19:12,320

if you take on the cabal like i do it

2261

01:19:16,149 --> 01:19:14,080

causes a lot of anxiety and one of the

2262

01:19:18,550 --> 01:19:16,159

things that actually happened when i

2263

01:19:21,750 --> 01:19:18,560

went to the dentist was i found out that

2264

01:19:23,669 --> 01:19:21,760

i had chewed all ground all the enamel

2265

01:19:25,590 --> 01:19:23,679

off of my bowlers on both sides of my

2266

01:19:27,270 --> 01:19:25,600

mouth but particularly over here

2267

01:19:29,430 --> 01:19:27,280

and you could see that in the broadcast

2268

01:19:31,669 --> 01:19:29,440

so he just he just goes on to explain

2269

01:19:33,590 --> 01:19:31,679

yeah i remember this so he's so he's

2270

01:19:36,790 --> 01:19:33,600

blaming the cabal for why he chattered

2271

01:19:39,189 --> 01:19:36,800

his teeth and the veneers

2272

01:19:41,669 --> 01:19:39,199

yeah dude i made a promo called the show

2273

01:19:43,350 --> 01:19:41,679

was called david wilcox veneers and i

2274

01:19:45,990 --> 01:19:43,360

photoshopped his hair on those

2275

01:19:48,630 --> 01:19:46,000

chattering teeth oh man this is crazy

2276

01:19:51,270 --> 01:19:48,640

this is this is absolutely crazy and you

2277

01:19:54,229 --> 01:19:51,280

know what i had a full restoration some

2278

01:19:55,990 --> 01:19:54,239

time ago and and had and had uh you know

2279

01:19:58,229 --> 01:19:56,000

like i had to get a whole bunch of

2280

01:20:01,590 --> 01:19:58,239

dental work done it took a long long

2281

01:20:04,070 --> 01:20:01,600

time and uh those fake veneers are like

2282

01:20:05,510 --> 01:20:04,080

are like just big plastic horse teeth so

2283

01:20:07,350 --> 01:20:05,520

i couldn't believe that he couldn't put

2284

01:20:09,189 --> 01:20:07,360

off his thing for a few if they're yo

2285

01:20:11,270 --> 01:20:09,199

they only had those for like a week

2286

01:20:13,590 --> 01:20:11,280

until they're done at the lab making the

2287

01:20:14,470 --> 01:20:13,600

things you know making those permanent

2288

01:20:16,390 --> 01:20:14,480

ones

2289

01:20:18,149 --> 01:20:16,400

he does it on purpose just like he

2290

01:20:19,590 --> 01:20:18,159

leaves i mean if it's a live broadcast

2291

01:20:21,750 --> 01:20:19,600

that's one thing but where he puts out

2292

01:20:23,750 --> 01:20:21,760

these edited videos where he leaves in

2293

01:20:25,430 --> 01:20:23,760

all the oh we got static oh wait wait

2294

01:20:27,030 --> 01:20:25,440

wait hold on a second um yeah i think

2295

01:20:29,110 --> 01:20:27,040

we're getting blocked all right hold on

2296

01:20:31,669 --> 01:20:29,120

hold on

2297

01:20:33,510 --> 01:20:31,679

says he does that because one i don't

2298

01:20:35,590 --> 01:20:33,520

think he has anything to really say so

2299

01:20:37,669 --> 01:20:35,600

it's like a kid who didn't prepare for

2300

01:20:39,350 --> 01:20:37,679

his presentation he's like actually can

2301

01:20:40,470 --> 01:20:39,360

you turn the lights down teacher just a

2302

01:20:41,430 --> 01:20:40,480

little bit all right now what i was

2303

01:20:42,790 --> 01:20:41,440

going to say is actually you know what i

2304

01:20:44,470 --> 01:20:42,800

could have moved this podium back a

2305

01:20:46,229 --> 01:20:44,480

little bit

2306

01:20:47,750 --> 01:20:46,239

you know he's not he's not prepared but

2307

01:20:50,310 --> 01:20:47,760

he does that because then it makes it

2308

01:20:51,830 --> 01:20:50,320

look like the cabal is coming after him

2309

01:20:53,990 --> 01:20:51,840

he has to leave those

2310

01:20:56,229 --> 01:20:54,000

uh basically the inability to hook up an

2311

01:20:58,470 --> 01:20:56,239

xlr cable and to have functional

2312

01:21:01,910 --> 01:20:58,480

equipment he leaves that in there and

2313

01:21:05,110 --> 01:21:01,920

his and his team's i guess incompetence

2314

01:21:06,629 --> 01:21:05,120

is is is shown as a result of the cabal

2315

01:21:08,310 --> 01:21:06,639

interfering with the video he does that

2316

01:21:10,950 --> 01:21:08,320

stuff that stuff is left in their own

2317

01:21:13,430 --> 01:21:10,960

purpose is the point because it adds to

2318

01:21:15,110 --> 01:21:13,440

the to the the story

2319

01:21:16,390 --> 01:21:15,120

yeah we're trying to get this broadcast

2320

01:21:18,070 --> 01:21:16,400

out to you but the government's going to

2321

01:21:20,310 --> 01:21:18,080

stop us because this is the truth and

2322

01:21:22,470 --> 01:21:20,320

we're getting too close they shut down

2323

01:21:23,830 --> 01:21:22,480

facebook so i couldn't go live

2324

01:21:26,070 --> 01:21:23,840

globally

2325

01:21:27,669 --> 01:21:26,080

they shut down they shut down yeah you

2326

01:21:29,590 --> 01:21:27,679

talk about a bloated sense of

2327

01:21:32,229 --> 01:21:29,600

self-importance right he's that

2328

01:21:35,590 --> 01:21:32,239

important that the the somebody's going

2329

01:21:37,189 --> 01:21:35,600

to shut down all of facebook

2330

01:21:39,590 --> 01:21:37,199

just so he can't just so he can't go

2331

01:21:41,110 --> 01:21:39,600

live and talk about his veneers i don't

2332

01:21:42,550 --> 01:21:41,120

know if you noticed that like i time

2333

01:21:44,070 --> 01:21:42,560

some of this stuff you know how you time

2334

01:21:46,149 --> 01:21:44,080

people at debates and they're like yeah

2335

01:21:48,709 --> 01:21:46,159

so and so got three minutes to speak a

2336

01:21:52,870 --> 01:21:48,719

lot of his presentations he spends like

2337

01:21:54,470 --> 01:21:52,880

a good 20 of them i timed a video

2338

01:21:56,070 --> 01:21:54,480

like 20 percent of one of these videos

2339

01:21:58,790 --> 01:21:56,080

he did at the conference he was talking

2340

01:22:00,629 --> 01:21:58,800

about his pants talking about the doors

2341

01:22:02,310 --> 01:22:00,639

opening in the back the static in the

2342

01:22:04,629 --> 01:22:02,320

microphone

2343

01:22:06,390 --> 01:22:04,639

it's just like uh a large por i mean

2344

01:22:07,350 --> 01:22:06,400

like if i did a presentation like that

2345

01:22:09,430 --> 01:22:07,360

steven

2346

01:22:11,430 --> 01:22:09,440

um i mean my whole show is basically a

2347

01:22:12,790 --> 01:22:11,440

presentation i don't have i sometimes i

2348

01:22:14,550 --> 01:22:12,800

don't have time to take breaks there's

2349

01:22:16,390 --> 01:22:14,560

so much to do yeah i'm in the same i'm

2350

01:22:19,510 --> 01:22:16,400

in the same boat as you it's so funny

2351

01:22:21,669 --> 01:22:19,520

like uh i just did a show where i had uh

2352

01:22:23,990 --> 01:22:21,679

like i don't know like 30 minutes like

2353

01:22:25,030 --> 01:22:24,000

the interview ran short so i said well

2354

01:22:26,870 --> 01:22:25,040

i'm going to talk about this in the

2355

01:22:28,790 --> 01:22:26,880

beginning of it and then before i know

2356

01:22:30,229 --> 01:22:28,800

it i had like an hour and 20 minutes of

2357

01:22:32,310 --> 01:22:30,239

me talking about something that i

2358

01:22:33,910 --> 01:22:32,320

thought i was going to take a half hour

2359

01:22:35,910 --> 01:22:33,920

this right but that's that's the

2360

01:22:37,750 --> 01:22:35,920

hallmark of somebody that's got research

2361

01:22:41,350 --> 01:22:37,760

they've got stuff they're doing things

2362

01:22:42,870 --> 01:22:41,360

to talk about he is so lazy and we can

2363

01:22:45,510 --> 01:22:42,880

see the example of that is he didn't

2364

01:22:47,830 --> 01:22:45,520

take five minutes to vet this fake fraud

2365

01:22:49,430 --> 01:22:47,840

pete peterson instead he ran with the

2366

01:22:51,270 --> 01:22:49,440

guy's story selling his stories at

2367

01:22:53,030 --> 01:22:51,280

conferences he ran with the guy story

2368

01:22:55,189 --> 01:22:53,040

selling his stories and books

2369

01:22:56,790 --> 01:22:55,199

making videos citing him

2370

01:22:58,470 --> 01:22:56,800

you know he didn't do the five minutes

2371

01:22:59,910 --> 01:22:58,480

of work that it took so you're right i

2372

01:23:01,590 --> 01:22:59,920

think he gets to these things and then

2373

01:23:02,950 --> 01:23:01,600

he goes uh oh i need something to talk

2374

01:23:05,830 --> 01:23:02,960

about

2375

01:23:08,229 --> 01:23:05,840

woody woody called me last night

2376

01:23:09,430 --> 01:23:08,239

or texted me and he told me about this

2377

01:23:12,310 --> 01:23:09,440

cabal

2378

01:23:14,070 --> 01:23:12,320

plan to replace the gold standard you

2379

01:23:16,070 --> 01:23:14,080

know like it just he's just pulling

2380

01:23:17,750 --> 01:23:16,080

stuff out of his ass yeah and then buzz

2381

01:23:18,870 --> 01:23:17,760

lightyear called me and he told me to

2382

01:23:20,070 --> 01:23:18,880

you know the gas was going to be

2383

01:23:22,550 --> 01:23:20,080

siphoned out of here and that's what

2384

01:23:25,110 --> 01:23:22,560

gets me is because you would think

2385

01:23:27,510 --> 01:23:25,120

if he's making so much money i've heard

2386

01:23:29,669 --> 01:23:27,520

crazy numbers quoted to me about what he

2387

01:23:30,790 --> 01:23:29,679

got paid at contact in the desert to be

2388

01:23:32,470 --> 01:23:30,800

a speaker

2389

01:23:33,590 --> 01:23:32,480

you know i know what i know what he got

2390

01:23:34,870 --> 01:23:33,600

paid for some of them i mean we're

2391

01:23:37,590 --> 01:23:34,880

talking

2392

01:23:39,590 --> 01:23:37,600

for presentations alone workshops

2393

01:23:41,030 --> 01:23:39,600

tens of thousands of dollars i was going

2394

01:23:43,350 --> 01:23:41,040

to say that i was going to say that he

2395

01:23:44,550 --> 01:23:43,360

got at least ten thousand dollars for

2396

01:23:45,910 --> 01:23:44,560

for doing

2397

01:23:48,550 --> 01:23:45,920

one lecture

2398

01:23:51,590 --> 01:23:48,560

if you're gonna get that kind of money

2399

01:23:53,430 --> 01:23:51,600

right at least put some time into your

2400

01:23:55,030 --> 01:23:53,440

presentation put some work into it but

2401

01:23:58,790 --> 01:23:55,040

we can see you're righty just kind of

2402

01:24:02,950 --> 01:24:00,470

it's crazy to me

2403

01:24:04,149 --> 01:24:02,960

it it it's so you're wasting people's

2404

01:24:05,189 --> 01:24:04,159

time and then they spent i mean you're

2405

01:24:06,149 --> 01:24:05,199

spending

2406

01:24:09,270 --> 01:24:06,159

uh

2407

01:24:11,590 --> 01:24:09,280

50 60 70 or something like that it's

2408

01:24:13,590 --> 01:24:11,600

different for different speakers but his

2409

01:24:16,070 --> 01:24:13,600

is like 60 bucks to go listen to him

2410

01:24:18,310 --> 01:24:16,080

talk for for a couple of hours and when

2411

01:24:19,590 --> 01:24:18,320

you have hundreds or thousands of people

2412

01:24:21,189 --> 01:24:19,600

in the room and you're making that kind

2413

01:24:22,870 --> 01:24:21,199

of money like i would feel a

2414

01:24:25,990 --> 01:24:22,880

responsibility to put on the best

2415

01:24:27,990 --> 01:24:26,000

performance and and and provide the best

2416

01:24:29,430 --> 01:24:28,000

you know presentation that i possibly

2417

01:24:31,430 --> 01:24:29,440

could making that kind of money yeah

2418

01:24:35,430 --> 01:24:31,440

it's kind of funny because

2419

01:24:37,270 --> 01:24:35,440

i i spent a lot a long time doing magic

2420

01:24:38,070 --> 01:24:37,280

shows and when i started i was doing

2421

01:24:39,669 --> 01:24:38,080

like

2422

01:24:41,430 --> 01:24:39,679

kids birthday parties that's how every

2423

01:24:44,070 --> 01:24:41,440

magician starts right and and you know

2424

01:24:46,310 --> 01:24:44,080

i'm getting like 150 but even 150

2425

01:24:48,070 --> 01:24:46,320

dollars for being in and out in an hour

2426

01:24:50,149 --> 01:24:48,080

to me was like i have to do a really

2427

01:24:51,270 --> 01:24:50,159

good job here because a lot of these

2428

01:24:52,950 --> 01:24:51,280

people

2429

01:24:54,790 --> 01:24:52,960

they don't have a lot of money you know

2430

01:24:56,629 --> 01:24:54,800

like i'm in the inner city you know i'm

2431

01:24:58,229 --> 01:24:56,639

going to like southwest philadelphia

2432

01:25:00,310 --> 01:24:58,239

where people make an average of twelve

2433

01:25:02,149 --> 01:25:00,320

thousand dollars a year or something so

2434

01:25:04,470 --> 01:25:02,159

for them to give me the 150 dollars i

2435

01:25:06,229 --> 01:25:04,480

got to do a great job and then it gets

2436

01:25:08,070 --> 01:25:06,239

ramped up and you go doing some of these

2437

01:25:10,229 --> 01:25:08,080

stage shows where you're getting paid

2438

01:25:12,470 --> 01:25:10,239

fifteen hundred dollars to do a fifteen

2439

01:25:15,110 --> 01:25:12,480

minute act and boy is that stressful

2440

01:25:17,350 --> 01:25:15,120

like i gotta be 1500 i'm getting a

2441

01:25:20,149 --> 01:25:17,360

hundred dollars a minute here so i got

2442

01:25:23,110 --> 01:25:20,159

to be good you know i have to deliver i

2443

01:25:25,750 --> 01:25:23,120

can't be lazy for that kind of for that

2444

01:25:27,990 --> 01:25:25,760

kind of feed that i'm demanding

2445

01:25:30,470 --> 01:25:28,000

the the other thing about this that that

2446

01:25:32,550 --> 01:25:30,480

really struck me wrong the first time i

2447

01:25:34,229 --> 01:25:32,560

saw a wilcock presentation and i never

2448

01:25:35,990 --> 01:25:34,239

had any issue with the guy even after i

2449

01:25:37,750 --> 01:25:36,000

saw the presentation

2450

01:25:40,310 --> 01:25:37,760

was the way that he talks to his

2451

01:25:41,669 --> 01:25:40,320

audience it's not just an ego but it's

2452

01:25:43,750 --> 01:25:41,679

the it's the

2453

01:25:45,430 --> 01:25:43,760

it's the nature of a person

2454

01:25:47,510 --> 01:25:45,440

who will demean

2455

01:25:49,510 --> 01:25:47,520

the people that are paying that money

2456

01:25:52,470 --> 01:25:49,520

and the first time i saw him he he

2457

01:25:54,390 --> 01:25:52,480

yelled at his audience a couple of times

2458

01:25:56,229 --> 01:25:54,400

i've got you know i don't know how many

2459

01:25:58,390 --> 01:25:56,239

videos i've watched where i've got clips

2460

01:26:00,149 --> 01:25:58,400

where he he's like he's making fun of

2461

01:26:02,149 --> 01:26:00,159

people in the audience not in a like

2462

01:26:04,229 --> 01:26:02,159

it's a comedy show and someone's getting

2463

01:26:06,229 --> 01:26:04,239

picked on and it's all fun and games

2464

01:26:07,430 --> 01:26:06,239

like he's he told some guy he said this

2465

01:26:11,350 --> 01:26:07,440

is the black

2466

01:26:13,189 --> 01:26:11,360

on the bunny slope

2467

01:26:15,030 --> 01:26:13,199

it's like who talks to some guy who just

2468

01:26:17,430 --> 01:26:15,040

paid 60 dollars to come listen to you

2469

01:26:19,430 --> 01:26:17,440

talk like that he talks to the audience

2470

01:26:21,750 --> 01:26:19,440

that all the time i think the good news

2471

01:26:23,430 --> 01:26:21,760

is that i think that the tide against

2472

01:26:25,110 --> 01:26:23,440

him and many of these people is starting

2473

01:26:27,510 --> 01:26:25,120

to turn and a lot more people are

2474

01:26:29,430 --> 01:26:27,520

starting to wake up and and you know

2475

01:26:31,430 --> 01:26:29,440

this guy's it's funny because he's like

2476

01:26:34,310 --> 01:26:31,440

complaining he's getting shadow banned

2477

01:26:36,709 --> 01:26:34,320

on facebook and and uh and youtube and

2478

01:26:38,550 --> 01:26:36,719

people are his numbers are way down and

2479

01:26:40,629 --> 01:26:38,560

the cabal is attacking it maybe it's

2480

01:26:42,310 --> 01:26:40,639

just that people are wising up and they

2481

01:26:44,070 --> 01:26:42,320

and they're tired of waiting for those

2482

01:26:47,270 --> 01:26:44,080

mass arrests you've been promising for

2483

01:26:49,110 --> 01:26:47,280

20 years that never happened you know or

2484

01:26:51,189 --> 01:26:49,120

just waking up and saying this guy's not

2485

01:26:53,270 --> 01:26:51,199

credible

2486

01:26:55,270 --> 01:26:53,280

i remember going to see

2487

01:26:57,590 --> 01:26:55,280

um i mean i've seen a lot of speakers

2488

01:27:00,470 --> 01:26:57,600

and interviewed so many people but

2489

01:27:03,030 --> 01:27:00,480

my friend jim mars when he was alive the

2490

01:27:05,430 --> 01:27:03,040

last time that i got to go to one of his

2491

01:27:06,390 --> 01:27:05,440

presentations at contact

2492

01:27:18,550 --> 01:27:06,400

he

2493

01:27:19,990 --> 01:27:18,560

was talking about it was like a workshop

2494

01:27:22,629 --> 01:27:20,000

and everything he was talking about he

2495

01:27:25,350 --> 01:27:22,639

had a he had a slideshow and he had like

2496

01:27:27,350 --> 01:27:25,360

documents from the national archives he

2497

01:27:27,990 --> 01:27:27,360

he had proof of what he was saying he

2498

01:27:30,470 --> 01:27:28,000

had

2499

01:27:31,990 --> 01:27:30,480

imagine that imagine that

2500

01:27:33,830 --> 01:27:32,000

right and that's that's that's what it

2501
01:27:35,669 --> 01:27:33,840
should be unless you're like hey you

2502
01:27:37,430 --> 01:27:35,679
know this is unless it's clearly a

2503
01:27:38,950 --> 01:27:37,440
speculative presentation where you're

2504
01:27:41,910 --> 01:27:38,960
putting stuff together and you're kind

2505
01:27:44,629 --> 01:27:41,920
of weaving a narrative but to to make

2506
01:27:46,870 --> 01:27:44,639
claims provide no information

2507
01:27:47,750 --> 01:27:46,880
that i don't get why more and more

2508
01:27:52,070 --> 01:27:47,760
people

2509
01:27:54,070 --> 01:27:52,080
are recognizing that and that's why

2510
01:27:55,669 --> 01:27:54,080
these guys are losing steam yeah one of

2511
01:27:57,990 --> 01:27:55,679
the things i like to tell people who are

2512
01:28:00,470 --> 01:27:58,000
fans of this guy is to go take any of

2513
01:28:02,629 --> 01:28:00,480

his books and go to an online plagiarism

2514

01:28:04,470 --> 01:28:02,639

checker and what you're going to find is

2515

01:28:07,510 --> 01:28:04,480

that every one of his books is a 50 to

2516

01:28:09,750 --> 01:28:07,520

60 copy and paste job and

2517

01:28:11,510 --> 01:28:09,760

and you know what to his credit okay he

2518

01:28:15,350 --> 01:28:11,520

cited the source when he copied and

2519

01:28:17,990 --> 01:28:15,360

pasted those paragraphs you know but

2520

01:28:19,750 --> 01:28:18,000

50 50 to 60 percent of your book is just

2521

01:28:20,709 --> 01:28:19,760

copy and pasted from somebody else's

2522

01:28:22,709 --> 01:28:20,719

work

2523

01:28:25,590 --> 01:28:22,719

that's and and it's not even credible

2524

01:28:27,270 --> 01:28:25,600

sources but that's a whole nother story

2525

01:28:28,709 --> 01:28:27,280

yeah that's somebody said it and it

2526

01:28:31,030 --> 01:28:28,719

supports my argument so i'm going to

2527

01:28:33,189 --> 01:28:31,040

copy and paste it into my book

2528

01:28:35,430 --> 01:28:33,199

just like the q anon post or laura

2529

01:28:37,110 --> 01:28:35,440

eisenhower innocently i guess telling me

2530

01:28:38,470 --> 01:28:37,120

hey i just saw this on my friend's

2531

01:28:40,149 --> 01:28:38,480

website so

2532

01:28:42,390 --> 01:28:40,159

electric wars are real

2533

01:28:44,070 --> 01:28:42,400

yeah yeah you know i think i think that

2534

01:28:47,110 --> 01:28:44,080

he's going to have a lot more problems

2535

01:28:49,669 --> 01:28:47,120

going forward to continue

2536

01:28:51,430 --> 01:28:49,679

in the way that he has been

2537

01:28:52,870 --> 01:28:51,440

conducting himself he's going to have a

2538

01:28:55,750 --> 01:28:52,880

real problem he's going to have to have

2539

01:28:58,470 --> 01:28:55,760

a come to jesus moment or come to raw

2540

01:29:01,270 --> 01:28:58,480

moment whatever and you know like

2541

01:29:02,709 --> 01:29:01,280

and that's another thing this this

2542

01:29:04,390 --> 01:29:02,719

i don't know if he's trying to say it's

2543

01:29:06,390 --> 01:29:04,400

not a religion it's a spiritual

2544

01:29:09,189 --> 01:29:06,400

organization that he's starting

2545

01:29:10,629 --> 01:29:09,199

really to avoid paying taxes but okay

2546

01:29:13,430 --> 01:29:10,639

he's going to have real problems with

2547

01:29:15,350 --> 01:29:13,440

that because now at the end of the year

2548

01:29:17,830 --> 01:29:15,360

he's got a file with the government and

2549

01:29:19,830 --> 01:29:17,840

he's got to disclose exactly how much he

2550

01:29:22,070 --> 01:29:19,840

got in donations and where all the money

2551
01:29:23,510 --> 01:29:22,080
went so if he thought he had problems

2552
01:29:24,390 --> 01:29:23,520
with people like me looking into him

2553
01:29:26,070 --> 01:29:24,400
before

2554
01:29:28,310 --> 01:29:26,080
wait till he has to start filing that

2555
01:29:30,390 --> 01:29:28,320
paperwork

2556
01:29:31,750 --> 01:29:30,400
it'll become much more glaringly obvious

2557
01:29:33,990 --> 01:29:31,760
i'd imagine and i think people are going

2558
01:29:36,149 --> 01:29:34,000
to be shocked at the amount of money

2559
01:29:38,310 --> 01:29:36,159
that he gets donated and what what are

2560
01:29:40,550 --> 01:29:38,320
we donating i said this before like what

2561
01:29:43,350 --> 01:29:40,560
are we donating to yeah what are you

2562
01:29:45,430 --> 01:29:43,360
donating why am i donating money to you

2563
01:29:47,189 --> 01:29:45,440

when you don't have real factual

2564

01:29:48,709 --> 01:29:47,199

information when you don't do any work

2565

01:29:50,870 --> 01:29:48,719

when you have fake whistleblowers when

2566

01:29:53,270 --> 01:29:50,880

you're making up stories and you're

2567

01:29:55,189 --> 01:29:53,280

right he's got this video the first

2568

01:29:56,709 --> 01:29:55,199

video that he says this video is

2569

01:29:59,430 --> 01:29:56,719

sponsored by the david wilcock

2570

01:30:03,110 --> 01:29:59,440

foundation is a tribute video to a fraud

2571

01:30:05,350 --> 01:30:03,120

and a liar and a con man pete peterson

2572

01:30:08,629 --> 01:30:05,360

absolutely yeah provably

2573

01:30:11,990 --> 01:30:08,639

your foundation is making a video with

2574

01:30:14,070 --> 01:30:12,000

money i guess from donations

2575

01:30:16,629 --> 01:30:14,080

about a guy who is a fraud and a fake

2576

01:30:19,189 --> 01:30:16,639

whistleblower that you say was murdered

2577

01:30:21,110 --> 01:30:19,199

so you're lying on in the video you're

2578

01:30:22,790 --> 01:30:21,120

lying i can prove that we can call the

2579

01:30:23,830 --> 01:30:22,800

nurses call the doctors call the

2580

01:30:26,870 --> 01:30:23,840

hospital

2581

01:30:29,590 --> 01:30:26,880

and your organization is sponsoring that

2582

01:30:32,070 --> 01:30:29,600

video full of lies but donate we should

2583

01:30:33,510 --> 01:30:32,080

donate to you so you can do more of that

2584

01:30:35,270 --> 01:30:33,520

it's crazy

2585

01:30:37,270 --> 01:30:35,280

just the simple fact that at the end of

2586

01:30:38,870 --> 01:30:37,280

that video he said that pete peterson

2587

01:30:41,830 --> 01:30:38,880

was murdered

2588

01:30:44,229 --> 01:30:41,840

which implies intention

2589

01:30:45,430 --> 01:30:44,239

by an accidental injection

2590

01:30:50,629 --> 01:30:45,440

yeah

2591

01:30:52,470 --> 01:30:50,639

of missed that i heard cw

2592

01:30:54,629 --> 01:30:52,480

mention that and i went oh yeah it was

2593

01:30:56,550 --> 01:30:54,639

an accidental injection that murdered

2594

01:30:58,790 --> 01:30:56,560

him not an intentional injection that

2595

01:31:00,229 --> 01:30:58,800

murdered him yeah it's an accidental

2596

01:31:03,270 --> 01:31:00,239

murder

2597

01:31:05,270 --> 01:31:03,280

it's just crazy it's like well it's like

2598

01:31:08,149 --> 01:31:05,280

he didn't even take the time to think

2599

01:31:10,229 --> 01:31:08,159

out his own [h__h] story and and how

2600

01:31:12,550 --> 01:31:10,239

ridiculous it is before it start coming

2601

01:31:14,310 --> 01:31:12,560

out of his mouth

2602

01:31:16,870 --> 01:31:14,320

would you like me to play i'm not sure

2603

01:31:17,990 --> 01:31:16,880

how much time we have left sure plate

2604

01:31:19,750 --> 01:31:18,000

absolutely

2605

01:31:21,510 --> 01:31:19,760

i've got the emery smith clip it's like

2606

01:31:23,590 --> 01:31:21,520

uh two minutes or something but we can

2607

01:31:25,910 --> 01:31:23,600

cut it off before then yeah let's let's

2608

01:31:28,149 --> 01:31:25,920

hear that because this is this is proof

2609

01:31:30,070 --> 01:31:28,159

that you've found that even emery smith

2610

01:31:31,350 --> 01:31:30,080

says that corey goode was behind doxing

2611

01:31:32,950 --> 01:31:31,360

him and others

2612

01:31:34,790 --> 01:31:32,960

yes and jordan say there and then the

2613

01:31:37,030 --> 01:31:34,800

other thing is even if let's say emery

2614

01:31:38,709 --> 01:31:37,040

smith was let's say he was still on

2615

01:31:41,030 --> 01:31:38,719

board with these guys and he's making

2616

01:31:43,350 --> 01:31:41,040

this up to spread more disinformation

2617

01:31:45,030 --> 01:31:43,360

well that should make us question

2618

01:31:46,229 --> 01:31:45,040

just as much

2619

01:31:47,830 --> 01:31:46,239

if they're going to those lengths to

2620

01:31:49,430 --> 01:31:47,840

spread information like this so here it

2621

01:31:51,430 --> 01:31:49,440

is emery smith this was at contact in

2622

01:31:53,270 --> 01:31:51,440

the desert last year and i don't think

2623

01:31:54,470 --> 01:31:53,280

you did this i'm just curious because

2624

01:31:56,310 --> 01:31:54,480

you're friends with like corey good and

2625

01:31:57,990 --> 01:31:56,320

dave will caught yeah i'm not friend

2626

01:31:59,430 --> 01:31:58,000

you're not friends with corey anymore

2627

01:32:01,189 --> 01:31:59,440

well what happened like i'm not aware

2628

01:32:02,950 --> 01:32:01,199

i'm just curious yeah and dave and i

2629

01:32:05,189 --> 01:32:02,960

don't talk i mean we don't do things

2630

01:32:06,950 --> 01:32:05,199

together did something happen for guys

2631

01:32:09,430 --> 01:32:06,960

yeah we're still friends like we talked

2632

01:32:16,229 --> 01:32:09,440

today but not like we're going together

2633

01:32:20,629 --> 01:32:18,390

now that they're in a big lawsuit

2634

01:32:22,870 --> 01:32:20,639

i heard about the laws he docks me and

2635

01:32:25,510 --> 01:32:22,880

twelve other people and corey that cory

2636

01:32:26,870 --> 01:32:25,520

hit corey okay so so he docks you that's

2637

01:32:28,470 --> 01:32:26,880

what i was going to ask you because they

2638

01:32:29,830 --> 01:32:28,480

docked a friend of mine joe from the

2639

01:32:31,750 --> 01:32:29,840

carolinas yeah

2640

01:32:34,229 --> 01:32:31,760

you know joe too yeah yeah so they doxed

2641

01:32:36,390 --> 01:32:34,239

him and then they talked about

2642

01:32:38,790 --> 01:32:36,400

so they doxed you and channel yeah so

2643

01:32:41,189 --> 01:32:38,800

corey good doc's emory smith yeah see i

2644

01:32:44,629 --> 01:32:41,199

didn't know that oh yeah i mean he had a

2645

01:32:48,149 --> 01:32:44,639

group of 12 people that he hired and he

2646

01:32:50,390 --> 01:32:48,159

had like i don't know 17 alias names 20

2647

01:32:53,350 --> 01:32:50,400

30 email accounts

2648

01:32:54,709 --> 01:32:53,360

just to go up and register like someone

2649

01:32:55,990 --> 01:32:54,719

like my video and everyone's like

2650

01:32:58,310 --> 01:32:56,000

everyone would say yes and someone would

2651
01:32:59,910 --> 01:32:58,320
be like oh this guy's an [h__\h] so they

2652
01:33:01,270 --> 01:32:59,920
would they they would they would track

2653
01:33:02,709 --> 01:33:01,280
it from them they're trolling the whole

2654
01:33:04,629 --> 01:33:02,719
time so what about like jordan say

2655
01:33:06,149 --> 01:33:04,639
they're involved i knew i knew that joe

2656
01:33:08,629 --> 01:33:06,159
told me that right

2657
01:33:10,950 --> 01:33:08,639
what about uh jordan sather

2658
01:33:13,030 --> 01:33:10,960
because i know he he talks he docks he

2659
01:33:15,590 --> 01:33:13,040
was the main one yeah him and richard uh

2660
01:33:16,709 --> 01:33:15,600
roger richards they took uh words from

2661
01:33:19,350 --> 01:33:16,719
corey

2662
01:33:20,790 --> 01:33:19,360
and uh jordan's here

2663
01:33:22,390 --> 01:33:20,800

i know i wouldn't wait to see him i

2664

01:33:23,990 --> 01:33:22,400

wanted to go talk to him and ask him

2665

01:33:24,790 --> 01:33:24,000

what the deal is knocked him

2666

01:33:26,790 --> 01:33:24,800

out

2667

01:33:27,830 --> 01:33:26,800

okay so this this is interesting because

2668

01:33:29,590 --> 01:33:27,840

when you

2669

01:33:31,830 --> 01:33:29,600

were more involved with him let's say i

2670

01:33:34,470 --> 01:33:31,840

didn't know i was the newbie back then

2671

01:33:36,870 --> 01:33:34,480

and they were one they i started raising

2672

01:33:38,950 --> 01:33:36,880

up on the you know on the charts there

2673

01:33:40,709 --> 01:33:38,960

so they wanted a piece of me and they

2674

01:33:43,189 --> 01:33:40,719

basically threatened me in my life and

2675

01:33:44,950 --> 01:33:43,199

said you either come with us

2676

01:33:50,870 --> 01:33:44,960

you know either

2677

01:33:53,830 --> 01:33:52,550

is a very messed up organization from

2678

01:33:55,830 --> 01:33:53,840

what i understand

2679

01:33:57,990 --> 01:33:55,840

they're fine there's no lucifering well

2680

01:33:59,750 --> 01:33:58,000

no no i don't mean that i mean business

2681

01:34:02,310 --> 01:33:59,760

practices oh maybe

2682

01:34:04,229 --> 01:34:02,320

i'm not i just a contractor for them but

2683

01:34:05,750 --> 01:34:04,239

i mean they treat me really well and

2684

01:34:07,590 --> 01:34:05,760

there's a reason dave was with them for

2685

01:34:09,990 --> 01:34:07,600

so long because they are good

2686

01:34:12,629 --> 01:34:10,000

um so what was the thing about them not

2687

01:34:14,870 --> 01:34:12,639

i i thought

2688

01:34:19,270 --> 01:34:16,790

david david wrote that yeah go ahead oh

2689

01:34:21,830 --> 01:34:19,280

that's amazing clip and and it's it's it

2690

01:34:24,390 --> 01:34:21,840

strikes me that it's so funny that

2691

01:34:27,189 --> 01:34:24,400

here's this guy corey goode who is now a

2692

01:34:29,189 --> 01:34:27,199

prophet in in addition to a secret space

2693

01:34:31,110 --> 01:34:29,199

program insider that time traveled and

2694

01:34:33,270 --> 01:34:31,120

went into space for 60 years now he's a

2695

01:34:35,910 --> 01:34:33,280

prophet and he's going to teach everyone

2696

01:34:39,430 --> 01:34:35,920

light and love that he learned from the

2697

01:34:40,870 --> 01:34:39,440

these blue avian aliens and the anshar

2698

01:34:44,310 --> 01:34:40,880

and he's going to teach everyone love

2699

01:34:46,550 --> 01:34:44,320

and forgiveness for 333 dollars

2700

01:34:48,790 --> 01:34:46,560

isn't that part of wilcox mystery school

2701

01:34:50,149 --> 01:34:48,800

yeah it's basically i believe that this

2702

01:34:51,750 --> 01:34:50,159

whole course of corey goods is just

2703

01:34:53,189 --> 01:34:51,760

going to be a copy and paste job where

2704

01:34:55,189 --> 01:34:53,199

they're going to take the law of one and

2705

01:34:57,189 --> 01:34:55,199

some other crap and mix it up based on

2706

01:34:58,950 --> 01:34:57,199

the outline that i saw and that's

2707

01:35:00,870 --> 01:34:58,960

another thing people don't realize this

2708

01:35:03,030 --> 01:35:00,880

but the law of one people that are

2709

01:35:05,910 --> 01:35:03,040

currently you know the the stewards of

2710

01:35:08,310 --> 01:35:05,920

the law of one and all of that material

2711

01:35:10,310 --> 01:35:08,320

don't want david wilcock or corey good

2712

01:35:12,470 --> 01:35:10,320

using their material but they're doing

2713

01:35:14,709 --> 01:35:12,480

it anyway they're not authorized by the

2714

01:35:17,510 --> 01:35:14,719

law of one stewards or you know

2715

01:35:19,270 --> 01:35:17,520

organization to be taking people's money

2716

01:35:20,950 --> 01:35:19,280

to teach that material and they're doing

2717

01:35:22,390 --> 01:35:20,960

it anyway and they're just doing it

2718

01:35:24,790 --> 01:35:22,400

anyway yeah i mean

2719

01:35:26,709 --> 01:35:24,800

it's so scummy yeah

2720

01:35:28,229 --> 01:35:26,719

well you know that the uh let me play

2721

01:35:30,149 --> 01:35:28,239

the end of this clip because this is the

2722

01:35:32,550 --> 01:35:30,159

one of the things that intrigued me the

2723

01:35:33,430 --> 01:35:32,560

most about the uh the brief interaction

2724

01:35:35,430 --> 01:35:33,440

is the

2725

01:35:38,629 --> 01:35:35,440

the uh the statement about the alien

2726

01:35:39,830 --> 01:35:38,639

autopsies and the tissue samples

2727

01:35:43,350 --> 01:35:39,840

absolutely

2728

01:35:45,669 --> 01:35:43,360

yeah wilcock made that up

2729

01:35:48,390 --> 01:35:45,679

david david wrote that

2730

01:35:49,830 --> 01:35:48,400

he also said i did 3 000 alien autopsies

2731

01:35:51,590 --> 01:35:49,840

that's where that came from i did not do

2732

01:35:53,990 --> 01:35:51,600

that okay so how many how many you're

2733

01:35:55,270 --> 01:35:54,000

climbing your you did i did 3 000 tissue

2734

01:35:58,149 --> 01:35:55,280

tissue samples okay so that's

2735

01:35:59,910 --> 01:35:58,159

substantially different than yeah

2736

01:36:03,109 --> 01:35:59,920

yeah so tissue sampling is different

2737

01:36:04,790 --> 01:36:03,119

than an autopsy stephen yeah it's vastly

2738

01:36:07,030 --> 01:36:04,800

different than an alien autopsy and

2739

01:36:08,629 --> 01:36:07,040

that's the embellishment nonsense that

2740

01:36:10,629 --> 01:36:08,639

wilcock does is somebody will tell him

2741

01:36:13,510 --> 01:36:10,639

something he'll twist it up and change

2742

01:36:15,750 --> 01:36:13,520

it and and make it more grandiose

2743

01:36:17,910 --> 01:36:15,760

i'm not sure you know i haven't gotten

2744

01:36:20,310 --> 01:36:17,920

to emery smith largely whether i believe

2745

01:36:22,629 --> 01:36:20,320

anything that he said

2746

01:36:25,990 --> 01:36:22,639

insofar as you know the claims that he

2747

01:36:28,229 --> 01:36:26,000

makes but hearing him say yeah i told

2748

01:36:30,629 --> 01:36:28,239

david wilcock that i did tissue samples

2749

01:36:32,950 --> 01:36:30,639

and he turned it into alien autopsies

2750

01:36:34,229 --> 01:36:32,960

it's crazy

2751

01:36:36,229 --> 01:36:34,239

that is

2752

01:36:38,550 --> 01:36:36,239

something that i i believe

2753

01:36:41,430 --> 01:36:38,560

emory smith when he said that that

2754

01:36:43,750 --> 01:36:41,440

seemed extremely sincere i'm not 100

2755

01:36:47,430 --> 01:36:43,760

sure but that's my my view my intuition

2756

01:36:49,189 --> 01:36:47,440

and it's it fits in with the other um

2757

01:36:50,870 --> 01:36:49,199

observations we've been able to make and

2758

01:36:53,750 --> 01:36:50,880

the investigations we've been able to

2759

01:36:55,030 --> 01:36:53,760

conduct with these guys yeah that sounds

2760

01:36:57,270 --> 01:36:55,040

legit to me

2761

01:37:00,229 --> 01:36:57,280

yeah and and the whole thing is like

2762

01:37:01,350 --> 01:37:00,239

with him staying with gaia you know they

2763

01:37:04,629 --> 01:37:01,360

were

2764

01:37:06,390 --> 01:37:04,639

getting enough money a lot of people

2765

01:37:08,790 --> 01:37:06,400

don't know this but they were hit trying

2766

01:37:10,550 --> 01:37:08,800

to hit up gaia for tons more money and

2767

01:37:13,350 --> 01:37:10,560

maybe rightly so because they were a big

2768

01:37:16,149 --> 01:37:13,360

draw for gaia but then they turn on gaia

2769

01:37:17,990 --> 01:37:16,159

gaia's the devil they're luciferian and

2770

01:37:20,470 --> 01:37:18,000

will you know smith is going to stay

2771

01:37:22,629 --> 01:37:20,480

with them so he's going to be the bad

2772

01:37:24,149 --> 01:37:22,639

guy now too and they have to attack him

2773

01:37:26,149 --> 01:37:24,159

and all the stuff they did to this jason

2774

01:37:28,390 --> 01:37:26,159

rice people don't know this but jason

2775

01:37:31,189 --> 01:37:28,400

rice uh

2776

01:37:32,790 --> 01:37:31,199

he kind of disappeared and there's a

2777

01:37:34,870 --> 01:37:32,800

reason he disappeared and it was because

2778

01:37:35,750 --> 01:37:34,880

of threats harassment

2779

01:37:37,109 --> 01:37:35,760

and

2780

01:37:39,430 --> 01:37:37,119

all of the

2781

01:37:42,390 --> 01:37:39,440

you know venom coming from the cory good

2782

01:37:44,790 --> 01:37:42,400

camp against him because cory good

2783

01:37:46,870 --> 01:37:44,800

wanted to control be the only secret

2784

01:37:49,109 --> 01:37:46,880

space program insider guy telling these

2785

01:37:51,510 --> 01:37:49,119

stories and along comes jason rice with

2786

01:37:54,149 --> 01:37:51,520

a similar but different story we gotta

2787

01:37:57,430 --> 01:37:54,159

shut him down

2788

01:38:00,229 --> 01:37:57,440

that guy almost got i have several

2789

01:38:01,189 --> 01:38:00,239

credible sources who told me that that

2790

01:38:03,430 --> 01:38:01,199

guy

2791

01:38:05,669 --> 01:38:03,440

basically got fired from his job because

2792

01:38:07,750 --> 01:38:05,679

people called and harassed his employer

2793

01:38:09,430 --> 01:38:07,760

until the employer anybody that works in

2794

01:38:11,189 --> 01:38:09,440

a corporate environment i have they

2795

01:38:13,270 --> 01:38:11,199

don't want any trouble they don't want

2796

01:38:14,950 --> 01:38:13,280

nonsense they're not going to stand you

2797

01:38:17,510 --> 01:38:14,960

know 10 people a day calling yelling

2798

01:38:19,430 --> 01:38:17,520

screaming and harassing

2799

01:38:21,350 --> 01:38:19,440

various people at a company because

2800

01:38:23,350 --> 01:38:21,360

you're employing somebody and then of

2801
01:38:25,350 --> 01:38:23,360
course his employer finds out that he's

2802
01:38:27,270 --> 01:38:25,360
on gaia telling these space stories so

2803
01:38:28,790 --> 01:38:27,280
they let him go that's why he

2804
01:38:30,790 --> 01:38:28,800
disappeared that's just one of the

2805
01:38:33,910 --> 01:38:30,800
people hurt and affected by this crazy

2806
01:38:35,669 --> 01:38:33,920
lunatic corey goode you know i've heard

2807
01:38:38,950 --> 01:38:35,679
i've heard that um i thought was it

2808
01:38:40,870 --> 01:38:38,960
emory smith i think he was working uh

2809
01:38:42,629 --> 01:38:40,880
a couple people told me who live in palm

2810
01:38:46,550 --> 01:38:42,639
springs that they knew they knew emery

2811
01:38:48,149 --> 01:38:46,560
smith he was like a trainer at a gym

2812
01:38:50,709 --> 01:38:48,159
yeah i think i've heard something like

2813
01:38:53,109 --> 01:38:50,719

that yeah and i know i know he's he's

2814

01:38:57,030 --> 01:38:53,119

worked for steven greer in the past as

2815

01:39:00,629 --> 01:38:59,270

so if he has all this experience i guess

2816

01:39:04,709 --> 01:39:00,639

that's kind of a

2817

01:39:07,030 --> 01:39:04,719

you go from doing tissue samples to

2818

01:39:09,590 --> 01:39:07,040

being a bodyguard for stephen greer

2819

01:39:11,189 --> 01:39:09,600

there's so much so many inconsistencies

2820

01:39:12,950 --> 01:39:11,199

that i think that's where we can really

2821

01:39:16,390 --> 01:39:12,960

leave our observations tonight is that

2822

01:39:18,470 --> 01:39:16,400

the there are so many inconsistencies

2823

01:39:21,030 --> 01:39:18,480

these are people that cannot be trusted

2824

01:39:22,950 --> 01:39:21,040

and believed and beyond that

2825

01:39:24,870 --> 01:39:22,960

wilcox right there are people maybe

2826

01:39:26,629 --> 01:39:24,880

they're not dying but they're they're

2827

01:39:29,350 --> 01:39:26,639

being threatened their livelihoods their

2828

01:39:31,669 --> 01:39:29,360

their their their reputation by people

2829

01:39:33,750 --> 01:39:31,679

like willcock and corey good who just

2830

01:39:36,149 --> 01:39:33,760

don't want any criticism and they go

2831

01:39:38,709 --> 01:39:36,159

after people legally yeah

2832

01:39:41,270 --> 01:39:38,719

yeah well they're well and and i love

2833

01:39:43,350 --> 01:39:41,280

this too is that now they're saying

2834

01:39:45,590 --> 01:39:43,360

corey goode and david wilcock are both

2835

01:39:47,350 --> 01:39:45,600

on this on this wonder twins video

2836

01:39:49,750 --> 01:39:47,360

saying you can donate to me and we're

2837

01:39:51,590 --> 01:39:49,760

gonna use the money to sue our critics

2838

01:39:52,790 --> 01:39:51,600

does that sound like a love and light

2839

01:39:54,470 --> 01:39:52,800

thing to do

2840

01:39:56,470 --> 01:39:54,480

let me take donations from people to

2841

01:39:58,950 --> 01:39:56,480

hire lawyers to shut down my critics and

2842

01:40:00,629 --> 01:39:58,960

then i'm going to sell a course for 333

2843

01:40:03,430 --> 01:40:00,639

on love and forgiveness like the

2844

01:40:05,430 --> 01:40:03,440

hypocrisy of these clowns and why do

2845

01:40:07,030 --> 01:40:05,440

they think that it's okay you know we're

2846

01:40:08,550 --> 01:40:07,040

not allowed to criticize them for these

2847

01:40:11,350 --> 01:40:08,560

things we're not allowed to point out

2848

01:40:12,070 --> 01:40:11,360

how crazy this is or how hypocritical it

2849

01:40:13,430 --> 01:40:12,080

is

2850

01:40:15,430 --> 01:40:13,440

because you're right they're going you

2851
01:40:16,709 --> 01:40:15,440
know they are trying to get that's one

2852
01:40:18,550 --> 01:40:16,719
of the things they try to do let's try

2853
01:40:20,390 --> 01:40:18,560
to get people fired they try to get joe

2854
01:40:22,470 --> 01:40:20,400
from the carolinas in trouble in his day

2855
01:40:23,750 --> 01:40:22,480
job they try to get cw channel in

2856
01:40:25,910 --> 01:40:23,760
trouble with the new jersey bar

2857
01:40:28,629 --> 01:40:25,920
association but that's another joke

2858
01:40:30,709 --> 01:40:28,639
because corey good even posts a picture

2859
01:40:32,470 --> 01:40:30,719
of like a fedex envelope that he's

2860
01:40:34,470 --> 01:40:32,480
sending to the new jersey bar so they

2861
01:40:36,950 --> 01:40:34,480
never got it there's never been a

2862
01:40:39,189 --> 01:40:36,960
complaint it's all pr fluff for his

2863
01:40:40,790 --> 01:40:39,199

followers there's never been a complaint

2864

01:40:43,590 --> 01:40:40,800

against c.w chandler with the new jersey

2865

01:40:45,189 --> 01:40:43,600

bar association never not once not from

2866

01:40:47,350 --> 01:40:45,199

corey good not from anyone since he got

2867

01:40:49,430 --> 01:40:47,360

his law degree i checked with them every

2868

01:40:51,590 --> 01:40:49,440

week for months because cory good kept

2869

01:40:53,990 --> 01:40:51,600

doubling down saying he's getting cw

2870

01:40:56,470 --> 01:40:54,000

chan or disbarred and good luck i hope

2871

01:40:57,510 --> 01:40:56,480

you enjoyed being a lawyer

2872

01:40:58,229 --> 01:40:57,520

it's the

2873

01:40:59,910 --> 01:40:58,239

crazy

2874

01:41:02,310 --> 01:40:59,920

that's not love and light

2875

01:41:04,229 --> 01:41:02,320

yeah i know the galactic ambassador of

2876

01:41:07,350 --> 01:41:04,239

hate that's what i call him lately like

2877

01:41:10,310 --> 01:41:07,360

he's got a serious anger problem i want

2878

01:41:11,350 --> 01:41:10,320

to uh i want to mention that

2879

01:41:14,550 --> 01:41:11,360

i think

2880

01:41:15,510 --> 01:41:14,560

like it's maybe for valentine's day i i

2881

01:41:17,750 --> 01:41:15,520

bought

2882

01:41:20,070 --> 01:41:17,760

several books on anger management and i

2883

01:41:21,830 --> 01:41:20,080

have corey good's home address where he

2884

01:41:23,430 --> 01:41:21,840

lives i'm gonna send him some books on

2885

01:41:25,109 --> 01:41:23,440

anger management i think that would be

2886

01:41:27,270 --> 01:41:25,119

helpful for him

2887

01:41:30,070 --> 01:41:27,280

i i agree with you i think that would be

2888

01:41:32,070 --> 01:41:30,080

very helpful maybe you could um

2889

01:41:33,590 --> 01:41:32,080

send him some books on love and light

2890

01:41:35,189 --> 01:41:33,600

too yeah i'm gonna i think i'm gonna

2891

01:41:36,550 --> 01:41:35,199

send him like some flowers and some

2892

01:41:38,709 --> 01:41:36,560

books on anger management for

2893

01:41:40,390 --> 01:41:38,719

valentine's day so maybe corey good will

2894

01:41:41,750 --> 01:41:40,400

be my valentine

2895

01:41:44,390 --> 01:41:41,760

you'd be careful though he might get one

2896

01:41:46,950 --> 01:41:44,400

of those blue herbs and come find you

2897

01:41:48,870 --> 01:41:46,960

well actually it's it's kind of funny i

2898

01:41:51,109 --> 01:41:48,880

i do want to share something personal

2899

01:41:53,590 --> 01:41:51,119

that a lot of my listeners don't know

2900

01:41:55,030 --> 01:41:53,600

uh i never got a cease and desist letter

2901

01:41:57,030 --> 01:41:55,040

from these guys and i was always kind of

2902

01:41:59,590 --> 01:41:57,040

curious like well how come i didn't get

2903

01:42:02,629 --> 01:41:59,600

a cease it turns out that they couldn't

2904

01:42:03,430 --> 01:42:02,639

find my legal name and recently

2905

01:42:05,109 --> 01:42:03,440

uh

2906

01:42:06,629 --> 01:42:05,119

maybe a month or a little more than a

2907

01:42:08,709 --> 01:42:06,639

month ago

2908

01:42:11,669 --> 01:42:08,719

i noticed that on linkedin corey goode

2909

01:42:13,590 --> 01:42:11,679

started looking at my legal name profile

2910

01:42:15,350 --> 01:42:13,600

on linkedin then he started looking at

2911

01:42:17,669 --> 01:42:15,360

my company then he's looking at my

2912

01:42:19,990 --> 01:42:17,679

customers and things like that for my

2913

01:42:21,750 --> 01:42:20,000

small business and then suddenly my

2914

01:42:24,310 --> 01:42:21,760

customers start getting harassing phone

2915

01:42:26,470 --> 01:42:24,320

calls why are you employing that guy

2916

01:42:28,790 --> 01:42:26,480

he's he's a you know dark alliance

2917

01:42:30,229 --> 01:42:28,800

member and he's this and he's that and

2918

01:42:32,550 --> 01:42:30,239

that that's just another form of

2919

01:42:34,229 --> 01:42:32,560

harassment and it's not a coincidence

2920

01:42:36,390 --> 01:42:34,239

that this started happening to me right

2921

01:42:37,189 --> 01:42:36,400

after corey good finally finds my legal

2922

01:42:39,750 --> 01:42:37,199

name

2923

01:42:41,189 --> 01:42:39,760

and starts looking me up on linkedin you

2924

01:42:42,950 --> 01:42:41,199

i have the proof that he was looking at

2925

01:42:45,270 --> 01:42:42,960

my profiles right before the harassing

2926

01:42:46,790 --> 01:42:45,280

phone calls to my customers started

2927

01:42:48,310 --> 01:42:46,800

now you have me thinking why haven't i

2928

01:42:50,470 --> 01:42:48,320

gotten one of those letters maybe they

2929

01:42:52,149 --> 01:42:50,480

haven't found you yet yeah i don't know

2930

01:42:53,750 --> 01:42:52,159

or you're just on the list and they

2931

01:42:55,270 --> 01:42:53,760

haven't gotten to you yet that's kind of

2932

01:42:58,310 --> 01:42:55,280

what i think there's like a pecking

2933

01:43:00,550 --> 01:42:58,320

order you know they have like the the

2934

01:43:02,470 --> 01:43:00,560

their top guys that they want to

2935

01:43:05,510 --> 01:43:02,480

harass first and if they have time they

2936

01:43:08,310 --> 01:43:05,520

go after the others you know

2937

01:43:10,070 --> 01:43:08,320

i wonder uh

2938

01:43:12,229 --> 01:43:10,080

i i i don't i don't know i always

2939

01:43:13,669 --> 01:43:12,239

thought maybe part of it's because i'm

2940

01:43:15,750 --> 01:43:13,679

i'm so

2941

01:43:17,510 --> 01:43:15,760

blunt and brazen like i even i published

2942

01:43:19,510 --> 01:43:17,520

all the emails that uh keith rowland

2943

01:43:21,669 --> 01:43:19,520

sent me from dark matter when he was

2944

01:43:23,270 --> 01:43:21,679

telling me to censor my show that pissed

2945

01:43:24,870 --> 01:43:23,280

a lot of people yeah you know i had a

2946

01:43:26,550 --> 01:43:24,880

funny interaction with him before i got

2947

01:43:28,149 --> 01:43:26,560

to the fringe fm and a lot of people

2948

01:43:30,950 --> 01:43:28,159

don't know this but it's really you and

2949

01:43:32,390 --> 01:43:30,960

and uh an ally that got really got me

2950

01:43:34,709 --> 01:43:32,400

connected with the fringe fm but i had

2951

01:43:36,550 --> 01:43:34,719

this thing with him and he was like

2952

01:43:38,629 --> 01:43:36,560

you got to be more like art bell re-cut

2953

01:43:39,430 --> 01:43:38,639

the show and be more like art bell and i

2954

01:43:43,430 --> 01:43:39,440

go

2955

01:43:45,189 --> 01:43:43,440

i can't you know and then he wanted me

2956

01:43:47,750 --> 01:43:45,199

to censor you know he wanted me to

2957

01:43:49,350 --> 01:43:47,760

apologize to some people

2958

01:43:51,270 --> 01:43:49,360

you know and i go i'm not gonna i told

2959

01:43:52,550 --> 01:43:51,280

the truth i'm not gonna apologize you

2960

01:43:54,470 --> 01:43:52,560

know

2961

01:43:56,310 --> 01:43:54,480

yeah they they love the censorship i

2962

01:43:57,910 --> 01:43:56,320

mean that's that's what a lot of this

2963

01:43:59,750 --> 01:43:57,920

community is i mean there have been

2964

01:44:01,430 --> 01:43:59,760

there have even been radio shows um i've

2965

01:44:03,590 --> 01:44:01,440

told this story a number of times uh

2966

01:44:05,189 --> 01:44:03,600

coast to coast was gonna have me on and

2967

01:44:07,590 --> 01:44:05,199

they were they were very nice about it

2968

01:44:10,390 --> 01:44:07,600

the producer called me and she asked me

2969

01:44:12,310 --> 01:44:10,400

to explain what um what i do and i did

2970

01:44:13,350 --> 01:44:12,320

and she said i'm sorry we can't i can't

2971

01:44:15,910 --> 01:44:13,360

sell that

2972

01:44:17,350 --> 01:44:15,920

and i said i can't talk anything i just

2973

01:44:18,310 --> 01:44:17,360

can't sell it you she said you sound

2974

01:44:19,910 --> 01:44:18,320

really smart and you know what you're

2975

01:44:22,070 --> 01:44:19,920

talking about but i can't sell that to

2976

01:44:23,590 --> 01:44:22,080

an audience so it was it's not malicious

2977

01:44:24,950 --> 01:44:23,600

it's just like well we can't package it

2978

01:44:26,950 --> 01:44:24,960

and sell it make money off of it we're

2979

01:44:28,790 --> 01:44:26,960

not concerned with it

2980

01:44:30,709 --> 01:44:28,800

yeah it's unfortunate but you know i'm

2981

01:44:32,390 --> 01:44:30,719

glad there's people like you you do an

2982

01:44:34,149 --> 01:44:32,400

excellent show and i'm glad there's

2983

01:44:36,070 --> 01:44:34,159

other people that are you know kind of

2984

01:44:37,669 --> 01:44:36,080

covering some of this stuff and at least

2985

01:44:40,310 --> 01:44:37,679

there's some counter

2986

01:44:42,709 --> 01:44:40,320

the the unfortunate part though is that

2987

01:44:44,870 --> 01:44:42,719

lately i just been thinking that

2988

01:44:47,350 --> 01:44:44,880

even if you are telling the truth even

2989

01:44:49,669 --> 01:44:47,360

if i am telling the truth the guy with

2990

01:44:51,189 --> 01:44:49,679

the bigger megaphone kind of wins you

2991

01:44:53,590 --> 01:44:51,199

know so these some of these guys have

2992

01:44:55,750 --> 01:44:53,600

these huge followings and and our voices

2993

01:44:56,629 --> 01:44:55,760

are just getting lost in the flood

2994

01:44:58,070 --> 01:44:56,639

you know

2995

01:45:01,750 --> 01:44:58,080

i want to do

2996

01:45:04,310 --> 01:45:01,760

sign like i'm going to a hockey game or

2997

01:45:06,870 --> 01:45:04,320

something or like that john 3 16 guy get

2998

01:45:08,709 --> 01:45:06,880

a sign and go set in wilcox talk

2999

01:45:10,629 --> 01:45:08,719

just that says where's the proof and

3000

01:45:13,270 --> 01:45:10,639

just set in the back

3001

01:45:14,709 --> 01:45:13,280

no you you'll get thrown out though

3002

01:45:17,510 --> 01:45:14,719

yeah i'll probably get grabbed by the

3003

01:45:19,430 --> 01:45:17,520

arm and dragged out of the room

3004

01:45:21,189 --> 01:45:19,440

i mean i don't i when i go to contact

3005

01:45:22,229 --> 01:45:21,199

this year i don't think wilcock and them

3006

01:45:23,590 --> 01:45:22,239

are going to be there from what i

3007

01:45:26,390 --> 01:45:23,600

understand

3008

01:45:27,830 --> 01:45:26,400

i know i i've heard that contact in the

3009

01:45:30,149 --> 01:45:27,840

desert and

3010

01:45:32,229 --> 01:45:30,159

conscious life expo they're not welcome

3011

01:45:34,310 --> 01:45:32,239

at any of those anymore and that's why

3012

01:45:36,070 --> 01:45:34,320

they're doing their own conferences

3013

01:45:37,590 --> 01:45:36,080

i guess because they're not really

3014

01:45:39,270 --> 01:45:37,600

welcome at

3015

01:45:41,590 --> 01:45:39,280

some of the major conferences anymore

3016

01:45:43,590 --> 01:45:41,600

and that's another turning point

3017

01:45:45,590 --> 01:45:43,600

that i think is a good thing you know

3018

01:45:47,270 --> 01:45:45,600

it's i think it's a great thing we don't

3019

01:45:50,149 --> 01:45:47,280

have to deal with that drama and

3020

01:45:51,910 --> 01:45:50,159

nonsense i mean jordan sather even he

3021

01:45:54,550 --> 01:45:51,920

attacked contact in the desert because

3022

01:45:56,470 --> 01:45:54,560

they didn't have his video ready yet and

3023

01:45:58,229 --> 01:45:56,480

and uh claimed that they were censoring

3024

01:46:00,950 --> 01:45:58,239

him because they didn't put his video on

3025

01:46:02,870 --> 01:46:00,960

a dvd to sell yeah yeah

3026

01:46:04,310 --> 01:46:02,880

and meanwhile he he went and did a

3027

01:46:05,430 --> 01:46:04,320

lecture that they told him not to do

3028

01:46:07,430 --> 01:46:05,440

because they didn't really want to have

3029

01:46:09,109 --> 01:46:07,440

politics at their conference but he did

3030

01:46:12,390 --> 01:46:09,119

it anyway so

3031

01:46:14,229 --> 01:46:12,400

all about q anon yeah yeah yeah they're

3032

01:46:16,470 --> 01:46:14,239

censoring him

3033

01:46:18,870 --> 01:46:16,480

copyright it's all copyright asking

3034

01:46:20,790 --> 01:46:18,880

questions is harassment and terrorism as

3035

01:46:22,390 --> 01:46:20,800

we've heard and

3036

01:46:24,310 --> 01:46:22,400

yeah well there's a reason that certain

3037

01:46:26,149 --> 01:46:24,320

people are muted in their live chats and

3038

01:46:28,709 --> 01:46:26,159

blocked on social media they can't

3039

01:46:30,390 --> 01:46:28,719

withstand any criticism and they can't

3040

01:46:31,830 --> 01:46:30,400

let their followers see people even

3041

01:46:33,189 --> 01:46:31,840

asking questions because they don't have

3042

01:46:35,109 --> 01:46:33,199

any answers

3043

01:46:36,550 --> 01:46:35,119

not any good ones without coming up with

3044

01:46:38,390 --> 01:46:36,560

new lies

3045

01:46:40,950 --> 01:46:38,400

you know what the last story i'll share

3046

01:46:43,270 --> 01:46:40,960

with you is the uh um when i went to

3047

01:46:45,990 --> 01:46:43,280

talk to jordan at that contact event

3048

01:46:47,590 --> 01:46:46,000

last year there were some people that

3049

01:46:49,510 --> 01:46:47,600

came over to me and they said i want to

3050

01:46:51,430 --> 01:46:49,520

hear what what the question is like

3051
01:46:53,510 --> 01:46:51,440
what's what's this thing about doxing

3052
01:46:54,870 --> 01:46:53,520
what's the deal like i i know he's

3053
01:46:56,790 --> 01:46:54,880
talking about it

3054
01:46:58,709 --> 01:46:56,800
but what's why are you asking this

3055
01:46:59,669 --> 01:46:58,719
question they said i just genuinely want

3056
01:47:00,790 --> 01:46:59,679
to know

3057
01:47:04,870 --> 01:47:00,800
and in that

3058
01:47:06,790 --> 01:47:04,880
instance his jordan's cult members were

3059
01:47:08,149 --> 01:47:06,800
screaming over each other yelling at me

3060
01:47:10,310 --> 01:47:08,159
i mean if you saw the vid part of the

3061
01:47:11,990 --> 01:47:10,320
video yeah yeah absolutely

3062
01:47:13,430 --> 01:47:12,000
right i mean there were people that come

3063
01:47:14,550 --> 01:47:13,440

over to me they got in my face and some

3064

01:47:15,910 --> 01:47:14,560

of them were nice some of them were

3065

01:47:16,790 --> 01:47:15,920

really nasty telling me to get out of

3066

01:47:19,350 --> 01:47:16,800

there

3067

01:47:21,270 --> 01:47:19,360

and these this couple this lady and this

3068

01:47:22,550 --> 01:47:21,280

guy come over and they asked me like

3069

01:47:23,910 --> 01:47:22,560

what's the deal why are you asking these

3070

01:47:25,430 --> 01:47:23,920

questions i want to hear what you have

3071

01:47:26,310 --> 01:47:25,440

to say they're trying to get you to be

3072

01:47:28,310 --> 01:47:26,320

quiet

3073

01:47:29,510 --> 01:47:28,320

and i told them the situation the story

3074

01:47:31,189 --> 01:47:29,520

and i said i just wanted kind of an

3075

01:47:33,270 --> 01:47:31,199

answer to this question

3076

01:47:36,070 --> 01:47:33,280

and this lady turns around in the

3077

01:47:37,910 --> 01:47:36,080

audience and she was talking to this

3078

01:47:39,990 --> 01:47:37,920

couple that came over to me and she said

3079

01:47:41,430 --> 01:47:40,000

is this the first time very nasty is

3080

01:47:42,550 --> 01:47:41,440

this the first time you've been to this

3081

01:47:44,709 --> 01:47:42,560

conference

3082

01:47:47,510 --> 01:47:44,719

and the woman said yeah and she said

3083

01:47:48,830 --> 01:47:47,520

well i hope this is your last

3084

01:47:51,830 --> 01:47:48,840

yeah very

3085

01:47:53,510 --> 01:47:51,840

welcoming just some random woman who's

3086

01:47:55,430 --> 01:47:53,520

listening to jordan say that this wasn't

3087

01:47:57,750 --> 01:47:55,440

the contact people this was some

3088

01:47:59,830 --> 01:47:57,760

attendee who's yelling at another

3089

01:48:01,910 --> 01:47:59,840

attendee not to come back because she's

3090

01:48:04,470 --> 01:48:01,920

literally interested in the question

3091

01:48:07,270 --> 01:48:04,480

that i asked to jordan say there

3092

01:48:09,030 --> 01:48:07,280

yeah lots of love and light there

3093

01:48:11,189 --> 01:48:09,040

cryptocurrency fame

3175

01:51:54,310 --> 01:51:52,560

that one folks you don't want to miss

3176

01:51:56,149 --> 01:51:54,320

and finally

3177

01:51:59,189 --> 01:51:56,159

for the final show we're going to have

3178

01:52:01,350 --> 01:51:59,199

my interview with john mcafee

3179

01:52:04,070 --> 01:52:01,360

what a wild and crazy ride it was

3180

01:52:06,629 --> 01:52:04,080

getting to interview the crazy wild man

3181

01:52:08,390 --> 01:52:06,639

that is john mcafee i mean folks have

3182

01:52:10,149 --> 01:52:08,400

you seen some of the stuff that this guy

3183

01:52:13,109 --> 01:52:10,159

has been through

3184

01:52:15,830 --> 01:52:13,119

amazing individual that's all i can say

3185

01:52:18,950 --> 01:52:15,840

and uh it was kind of surreal getting to

3186

01:52:21,109 --> 01:52:18,960

talk to that guy because

3187

01:52:23,430 --> 01:52:21,119

i don't know just look into his history

3188

01:52:25,350 --> 01:52:23,440

and all the things that he's done and

3189

01:52:28,310 --> 01:52:25,360

sort of the crazy train that's always

3190

01:52:32,149 --> 01:52:30,310

it was a weird ride getting to look into

3191

01:52:33,910 --> 01:52:32,159

that crazy train

3192

01:52:36,310 --> 01:52:33,920

and i'm so glad that i'm gonna get to

3193

01:52:39,350 --> 01:52:36,320

take you guys with me in on that weird

3194

01:52:41,510 --> 01:52:39,360

ride into that guy's world

3195

01:52:43,430 --> 01:52:41,520

i gotta tell you weird journeys like

3196

01:52:44,790 --> 01:52:43,440

that and being able to take an audience

3197

01:52:47,430 --> 01:52:44,800

with me

3198

01:52:49,669 --> 01:52:47,440

man that is just exactly

3199

01:52:51,589 --> 01:52:49,679

what i wanted to do exactly why i

3200

01:52:53,669 --> 01:52:51,599

started my show

3201

01:52:57,189 --> 01:52:53,679

i thought wouldn't it be cool

3202

01:53:02,070 --> 01:52:57,199

to do these weird dives into the strange

3203

01:53:08,709 --> 01:53:06,870

and that's uh what i've gotten to do

3204

01:53:12,149 --> 01:53:08,719

and it's been

3205

01:53:13,109 --> 01:53:12,159

a really amazing journey and i'm glad

3206

01:53:16,870 --> 01:53:13,119

for it

3207

01:53:18,870 --> 01:53:16,880

and i'm glad to know that many of you

3208

01:53:19,669 --> 01:53:18,880

have been with me since i started this

3209

01:53:21,510 --> 01:53:19,679

thing

3210

01:53:23,990 --> 01:53:21,520

some of you jumped on sort of halfway

3211

01:53:27,510 --> 01:53:24,000

through and some of you are recent

3212

01:53:28,950 --> 01:53:27,520

additions to the cavalcade of

3213

01:53:31,430 --> 01:53:28,960

strangeness

3214

01:53:33,910 --> 01:53:31,440

that we are here

3215

01:53:35,990 --> 01:53:33,920

it's been fun just meeting some strange

3216

01:53:37,430 --> 01:53:36,000

and interesting people too i gotta say

3217

01:53:41,589 --> 01:53:37,440

that

3218

01:53:43,270 --> 01:53:41,599

of the journey

3219

01:53:45,109 --> 01:53:43,280

i guess in anything that you do you're

3220

01:53:46,390 --> 01:53:45,119

going to move in different circles and

3221

01:53:47,910 --> 01:53:46,400

meet

3222

01:53:50,310 --> 01:53:47,920

different people

3223

01:53:53,030 --> 01:53:50,320

and boy have i

3224

01:53:55,430 --> 01:53:53,040

met some memorable people

3225

01:53:57,350 --> 01:53:55,440

it's been an honor and a privilege to do

3226

01:53:59,669 --> 01:53:57,360

this so far and i'm glad that i get to

3227

01:54:02,070 --> 01:53:59,679

do it for just a little bit longer

3228

01:54:05,669 --> 01:54:02,080

there's just two episodes left folks i

3229

01:54:08,310 --> 01:54:05,679

hope you will join me for both of them

3230

01:54:11,350 --> 01:54:08,320

until next time folks my name is steven

3231

01:54:14,629 --> 01:54:11,360

cambion reminding you that nothing is

3232

01:54:18,060 --> 01:54:14,639

sadder than the death of an illusion
