

Thank you for your email message regarding Stavatti's Director of Advanced Technologies, David Wilcock.

DAVID WILCOCK

HOVER CAR SCAM

IT JUST GOT WORSE

Truth Seekers

1
00:01:06,289 --> 00:00:16,720
[Music]

2
00:01:27,490 --> 00:01:08,110
foreign

3
00:02:21,110 --> 00:01:42,460
[Music]

4
00:02:21,120 --> 00:02:30,330
foreign

5
00:02:30,340 --> 00:02:43,910
[Music]

6
00:02:43,920 --> 00:02:49,790
prophecies

7
00:02:55,890 --> 00:02:52,009
telling us that the world will be

8
00:03:54,470 --> 00:03:07,990
[Music]

9
00:03:55,910 --> 00:03:54,480
this is where if I have live audience I

10
00:03:57,229 --> 00:03:55,920
get everybody to hug each other I say

11
00:03:59,570 --> 00:03:57,239
give your neighbor a handshake or a hug

12
00:04:01,550 --> 00:03:59,580
whatever you feel is appropriate to you

13
00:04:03,830 --> 00:04:01,560

that way everybody feels in Love A

14

00:04:06,229 --> 00:04:03,840

Little More

15

00:04:08,750 --> 00:04:06,239

I will never believe I will never

16

00:04:10,550 --> 00:04:08,760

believe it I will never believe it

17

00:04:12,949 --> 00:04:10,560

okay that's fine

18

00:04:14,509 --> 00:04:12,959

maybe you need 25 000 more years I don't

19

00:04:16,670 --> 00:04:14,519

know buddy

20

00:04:18,890 --> 00:04:16,680

but look this is really compelling

21

00:04:21,170 --> 00:04:18,900

information and it's going to get a lot

22

00:04:22,610 --> 00:04:21,180

more intense it's coming up in a couple

23

00:04:24,590 --> 00:04:22,620

days here on Sunday so if you haven't

24

00:04:26,629 --> 00:04:24,600

already signed up and you've reopened

25

00:04:28,790 --> 00:04:26,639

the cart we still have the payment plan

26
00:04:29,990 --> 00:04:28,800
in place

27
00:04:32,100 --> 00:04:30,000
[Music]

28
00:04:40,490 --> 00:04:32,110
foreign

29
00:04:44,689 --> 00:04:42,890
greetings and salutations friends and

30
00:04:47,030 --> 00:04:44,699
welcome back

31
00:04:49,129 --> 00:04:47,040
um I want to apologize because our guest

32
00:04:53,090 --> 00:04:49,139
tonight Matthew Riot had to reschedule

33
00:04:56,150 --> 00:04:53,100
last minute so uh this was a developing

34
00:04:58,330 --> 00:04:56,160
story that we're gonna uh bring you

35
00:05:01,370 --> 00:04:58,340
instead tonight some of you may remember

36
00:05:07,610 --> 00:05:01,380
that David Wilcock everyone's favorite

37
00:05:10,969 --> 00:05:07,620
clown star of ancient aliens uh former

38
00:05:14,390 --> 00:05:10,979

last year claimed that he had cracked

39

00:05:16,550 --> 00:05:14,400

the code remember he has an IQ of 180

40

00:05:18,830 --> 00:05:16,560

which would make him according his own

41

00:05:21,050 --> 00:05:18,840

claims that is which would make him

42

00:05:23,450 --> 00:05:21,060

smarter than Einstein

43

00:05:25,490 --> 00:05:23,460

so this man who claims he's smarter than

44

00:05:28,850 --> 00:05:25,500

Einstein claims that he's cracked the

45

00:05:30,950 --> 00:05:28,860

code to both free energy and antique

46

00:05:33,469 --> 00:05:30,960

revitic technology

47

00:05:36,469 --> 00:05:33,479

but then he claims that he's going to

48

00:05:38,570 --> 00:05:36,479

copy someone else's patent in order to

49

00:05:41,090 --> 00:05:38,580

make these hover cars

50

00:05:42,950 --> 00:05:41,100

almost a year ago now friends David

51
00:05:46,129 --> 00:05:42,960
Wilcox claimed that they would have a

52
00:05:48,110 --> 00:05:46,139
working hover car prototype by

53
00:05:50,450 --> 00:05:48,120
e right around now

54
00:05:52,490 --> 00:05:50,460
and uh it's interesting that David

55
00:05:54,950 --> 00:05:52,500
Wilcox has not only not produced a

56
00:05:58,129 --> 00:05:54,960
working prototype but now he's talking

57
00:06:01,309 --> 00:05:58,139
about he's three weeks behind

58
00:06:03,230 --> 00:06:01,319
uh on his latest live stream three weeks

59
00:06:05,210 --> 00:06:03,240
ago he promised a new live stream on

60
00:06:07,129 --> 00:06:05,220
Sunday where he would show

61
00:06:09,170 --> 00:06:07,139
an animation

62
00:06:11,629 --> 00:06:09,180
of the hover car

63
00:06:13,870 --> 00:06:11,639

but that's not quite what David Wilcox

64

00:06:17,029 --> 00:06:13,880
promised he promised a working

65

00:06:19,129 --> 00:06:17,039
prototype by now now

66

00:06:21,469 --> 00:06:19,139
some of you may recall that I called

67

00:06:23,930 --> 00:06:21,479
Bull on that claim

68

00:06:26,270 --> 00:06:23,940
and we also discussed how it is

69

00:06:28,909 --> 00:06:26,280
completely and totally illegal to just

70

00:06:31,730 --> 00:06:28,919
take someone else's patent develop a

71

00:06:33,409 --> 00:06:31,740
product with it and start selling a

72

00:06:34,909 --> 00:06:33,419
commercial product based on someone

73

00:06:37,189 --> 00:06:34,919
else's patent

74

00:06:39,110 --> 00:06:37,199
patents exist for a reason it's to

75

00:06:42,710 --> 00:06:39,120
protect the intellectual property and

76
00:06:43,550 --> 00:06:42,720
Technology of their inventor so even if

77
00:06:46,309 --> 00:06:43,560
we

78
00:06:49,070 --> 00:06:46,319
hey I'll go out on a limb let's pretend

79
00:06:52,309 --> 00:06:49,080
that the Salvador Pious anti-gravity

80
00:06:54,529 --> 00:06:52,319
technology is absolutely a workable

81
00:06:57,230 --> 00:06:54,539
technology something I don't believe

82
00:06:59,870 --> 00:06:57,240
because if it were Salvador Pious would

83
00:07:03,309 --> 00:06:59,880
have at least a technology demonstration

84
00:07:06,830 --> 00:07:03,319
to show us of this so-called

85
00:07:08,150 --> 00:07:06,840
anti-gravity patent in working operation

86
00:07:10,969 --> 00:07:08,160
he doesn't

87
00:07:13,610 --> 00:07:10,979
but David Wilcock remember the guy

88
00:07:15,950 --> 00:07:13,620

smarter than Einstein already decided

89

00:07:18,110 --> 00:07:15,960

that this technology is absolutely real

90

00:07:20,390 --> 00:07:18,120

and workable and he was going to take

91

00:07:23,390 --> 00:07:20,400

Salvador Pious Patton

92

00:07:26,390 --> 00:07:23,400

and create a working hovercar prototype

93

00:07:28,550 --> 00:07:26,400

within one year and who was his partner

94

00:07:31,610 --> 00:07:28,560

in this adventure a company called

95

00:07:35,029 --> 00:07:31,620

stavadi Aerospace who has essentially

96

00:07:36,589 --> 00:07:35,039

been soliciting investor money for many

97

00:07:38,689 --> 00:07:36,599

many years

98

00:07:41,870 --> 00:07:38,699

they call themselves an aircraft

99

00:07:44,029 --> 00:07:41,880

manufacturer however in all the years

100

00:07:47,150 --> 00:07:44,039

that stravati Aerospace has been

101
00:07:50,029 --> 00:07:47,160
soliciting investors

102
00:07:54,050 --> 00:07:50,039
they have yet to produce to my knowledge

103
00:07:57,529 --> 00:07:54,060
a single working prototype aircraft

104
00:08:02,930 --> 00:07:57,539
they have yet to produce a video or a

105
00:08:09,170 --> 00:08:05,930
so this gets really really ridiculous

106
00:08:13,430 --> 00:08:09,180
and we have discussed in the past how I

107
00:08:19,790 --> 00:08:17,029
really believe that Karma has had its

108
00:08:22,189 --> 00:08:19,800
way with David Wilcock because it is my

109
00:08:24,290 --> 00:08:22,199
personal belief based on all available

110
00:08:26,330 --> 00:08:24,300
evidence that David Wilcock has been

111
00:08:27,710 --> 00:08:26,340
simply selling people fake stories and

112
00:08:30,770 --> 00:08:27,720
lying to people

113
00:08:34,430 --> 00:08:30,780

for decades now that's how he became

114

00:08:36,670 --> 00:08:34,440

wealthy he became wealthy by using fake

115

00:08:39,589 --> 00:08:36,680

sources fake information

116

00:08:44,329 --> 00:08:39,599

fake alien stories

117

00:08:47,509 --> 00:08:44,339

fake government whistleblowers and more

118

00:08:49,430 --> 00:08:47,519

and he has built the public for millions

119

00:08:53,570 --> 00:08:49,440

of dollars I believe

120

00:08:55,550 --> 00:08:53,580

with his garbage courses on ascension by

121

00:08:57,250 --> 00:08:55,560

the way nobody ever ascended who took a

122

00:09:00,170 --> 00:08:57,260

you know

123

00:09:03,530 --> 00:09:00,180

Ascension course from David Wilcock but

124

00:09:06,769 --> 00:09:03,540

somehow my favorite was his last course

125

00:09:08,150 --> 00:09:06,779

called the disclosure where David Wilcox

126

00:09:11,630 --> 00:09:08,160

claimed the disclosure has already

127

00:09:15,769 --> 00:09:11,640

happened here's working any gravity

128

00:09:18,230 --> 00:09:15,779

technology and then he charged 333

129

00:09:21,410 --> 00:09:18,240

dollars and during the run-up to that

130

00:09:26,090 --> 00:09:21,420

course he said and I quote if you take

131

00:09:29,269 --> 00:09:26,100

my course you will be able to do it too

132

00:09:32,150 --> 00:09:29,279

you'll be able to create anti-gravity

133

00:09:35,690 --> 00:09:32,160

and free energy

134

00:09:38,389 --> 00:09:35,700

but as expected nobody that gave David

135

00:09:40,550 --> 00:09:38,399

Wilcock 333 dollars for his latest

136

00:09:42,050 --> 00:09:40,560

course where he claims he's going to

137

00:09:45,050 --> 00:09:42,060

teach everybody the secrets of

138

00:09:47,329 --> 00:09:45,060

anti-gravity and free energy technology

139

00:09:49,790 --> 00:09:47,339

has been able to display any working

140

00:09:53,210 --> 00:09:49,800

free energy or

141

00:09:55,550 --> 00:09:53,220

any gravitic technology and in fact I'm

142

00:09:57,290 --> 00:09:55,560

aware that Jeremy rise alien scientist

143

00:10:00,170 --> 00:09:57,300

and some of his scientist friends all

144

00:10:03,110 --> 00:10:00,180

pitched in and uh paid for the course

145

00:10:06,410 --> 00:10:03,120

and what I was told is that it was a

146

00:10:08,870 --> 00:10:06,420

cobbled together mess of garbage from

147

00:10:11,569 --> 00:10:08,880

all over the Internet there was no new

148

00:10:14,630 --> 00:10:11,579

information there was no you know

149

00:10:18,230 --> 00:10:14,640

demonstrations that David Wilcock is

150

00:10:21,769 --> 00:10:18,240

right and this technology works uh but

151
00:10:24,110 --> 00:10:21,779
David Wilcock is claiming that

152
00:10:26,509 --> 00:10:24,120
the

153
00:10:28,610 --> 00:10:26,519
technology he was going to copy from

154
00:10:31,730 --> 00:10:28,620
someone else's patent would enable him

155
00:10:34,610 --> 00:10:31,740
to create a a

156
00:10:36,889 --> 00:10:34,620
working hover car prototype

157
00:10:39,050 --> 00:10:36,899
he went on to brag that his working

158
00:10:41,389 --> 00:10:39,060
hover car prototype wouldn't even need

159
00:10:42,829 --> 00:10:41,399
fuel because it would be powered by a

160
00:10:45,530 --> 00:10:42,839
free energy device

161
00:10:47,630 --> 00:10:45,540
friends never in the history of all the

162
00:10:50,569 --> 00:10:47,640
promises of free energy devices has

163
00:10:54,290 --> 00:10:50,579

anyone delivered a working testable

164

00:10:57,230 --> 00:10:54,300
measurable free energy device

165

00:10:59,449 --> 00:10:57,240
but that world is Rife with scammers

166

00:11:02,269 --> 00:10:59,459
claiming that they were going to create

167

00:11:03,949 --> 00:11:02,279
a free energy device

168

00:11:07,310 --> 00:11:03,959
never in the history of someone

169

00:11:09,110 --> 00:11:07,320
promising anti-gravity technology or

170

00:11:12,410 --> 00:11:09,120
that they had anti-gravity technology

171

00:11:16,250 --> 00:11:12,420
has anyone displayed actual working

172

00:11:18,710 --> 00:11:16,260
anti-gravity technology so when you put

173

00:11:20,690 --> 00:11:18,720
those two promises together

174

00:11:24,470 --> 00:11:20,700
he's going to bring you

175

00:11:27,050 --> 00:11:24,480
both anti-gravity technology and free

176
00:11:29,030 --> 00:11:27,060
energy technology together you're going

177
00:11:31,430 --> 00:11:29,040
to have a hover car and you won't even

178
00:11:33,710 --> 00:11:31,440
need to put fuel in it

179
00:11:35,650 --> 00:11:33,720
friends all these promises made right

180
00:11:38,329 --> 00:11:35,660
around the time he's selling a course

181
00:11:40,310 --> 00:11:38,339
also promising to teach people the

182
00:11:43,970 --> 00:11:40,320
secrets of anti-gravity and free energy

183
00:11:45,949 --> 00:11:43,980
technology and quote you'll be able to

184
00:11:48,949 --> 00:11:45,959
do it too unquote

185
00:11:52,490 --> 00:11:48,959
has led me to the determination that

186
00:11:53,690 --> 00:11:52,500
this latest course of David Wilcox is a

187
00:11:56,150 --> 00:11:53,700
scam

188
00:11:58,490 --> 00:11:56,160

and I'm very careful with using that

189

00:12:01,970 --> 00:11:58,500

word given legal threats that we have

190

00:12:04,129 --> 00:12:01,980

been under used to be much Freer with my

191

00:12:06,370 --> 00:12:04,139

language here but I had learned over the

192

00:12:09,230 --> 00:12:06,380

course of I don't know

193

00:12:11,210 --> 00:12:09,240

lots of angry lawyer letters claiming

194

00:12:13,069 --> 00:12:11,220

I'm slandering somebody for saying the

195

00:12:16,009 --> 00:12:13,079

word scam to be very careful with that

196

00:12:18,949 --> 00:12:16,019

word but in this case

197

00:12:21,730 --> 00:12:18,959

I'm going to use that word now stravati

198

00:12:25,009 --> 00:12:21,740

Aerospace is also interesting because

199

00:12:28,009 --> 00:12:25,019

there is someone on the board of stavati

200

00:12:29,629 --> 00:12:28,019

uh called Bill McEwen and we have

201

00:12:34,129 --> 00:12:29,639

outlined here in the past that bill

202

00:12:37,190 --> 00:12:34,139

McEwen uh was the one-time owner of

203

00:12:40,970 --> 00:12:37,200

Amiga Incorporated he bought the corpse

204

00:12:42,410 --> 00:12:40,980

what was left of the Amiga company after

205

00:12:45,530 --> 00:12:42,420

it went bankrupt you may remember

206

00:12:47,870 --> 00:12:45,540

Commodore 64s and Amigas people love

207

00:12:50,690 --> 00:12:47,880

those computers so people were willing

208

00:12:53,210 --> 00:12:50,700

to give that guy a chance and for a

209

00:12:55,850 --> 00:12:53,220

decade that guy promised new Amiga

210

00:12:58,310 --> 00:12:55,860

computers a new operating system and

211

00:13:01,190 --> 00:12:58,320

essentially all he did was Lie to

212

00:13:04,310 --> 00:13:01,200

everyone collect money and never deliver

213

00:13:08,030 --> 00:13:04,320

anything and that guy from Amiga

214

00:13:11,150 --> 00:13:08,040

Technologies is on the board of stavati

215

00:13:13,970 --> 00:13:11,160

this is very very suspect

216

00:13:16,129 --> 00:13:13,980

that company is very very suspect after

217

00:13:17,889 --> 00:13:16,139

all they've been making all kinds of

218

00:13:22,009 --> 00:13:17,899

promises that they're going to create

219

00:13:24,410 --> 00:13:22,019

super incredible Advanced aircraft for I

220

00:13:26,829 --> 00:13:24,420

believe more than a decade now and have

221

00:13:29,870 --> 00:13:26,839

never produced a single working

222

00:13:32,389 --> 00:13:29,880

prototype that they can flight test or

223

00:13:36,230 --> 00:13:32,399

show being flight tested but that hasn't

224

00:13:39,110 --> 00:13:36,240

stopped them from continuing to solicit

225

00:13:40,550 --> 00:13:39,120

investors to invest money with their

226

00:13:45,110 --> 00:13:40,560

company

227

00:13:46,069 --> 00:13:45,120

now we recently detailed how uh I was at

228

00:13:48,350 --> 00:13:46,079

least

229

00:13:50,269 --> 00:13:48,360

someone told me you know what we're not

230

00:13:52,430 --> 00:13:50,279

even going to get into that let's get

231

00:13:54,530 --> 00:13:52,440

into the facts that we do know David

232

00:13:57,230 --> 00:13:54,540

Wilcock has claimed that he has invested

233

00:13:59,509 --> 00:13:57,240

a lot of his money in fact he has said

234

00:14:02,329 --> 00:13:59,519

he's invested all of his money

235

00:14:05,930 --> 00:14:02,339

into this what I believe to be very

236

00:14:08,329 --> 00:14:05,940

shady company stavati Aerospace who

237

00:14:12,470 --> 00:14:08,339

essentially has done the thing but

238

00:14:15,230 --> 00:14:12,480

show very nice computer generated

239

00:14:16,790 --> 00:14:15,240

images of high-tech airplanes that they

240

00:14:19,189 --> 00:14:16,800

claim that they're building prototypes

241

00:14:21,590 --> 00:14:19,199

of and there have been many iterations

242

00:14:23,629 --> 00:14:21,600

of this company and many different

243

00:14:25,550 --> 00:14:23,639

projects that they claimed that they

244

00:14:26,329 --> 00:14:25,560

were developing once they even were

245

00:14:28,490 --> 00:14:26,339

caught

246

00:14:31,430 --> 00:14:28,500

saying that they were developing a laser

247

00:14:33,650 --> 00:14:31,440

weapon for the United States military

248

00:14:35,990 --> 00:14:33,660

uh it turns out someone in the United

249

00:14:38,389 --> 00:14:36,000

States military got wind of their claims

250

00:14:40,069 --> 00:14:38,399

and they were forced to take that off

251
00:14:42,350 --> 00:14:40,079
their website because it turned out to

252
00:14:44,210 --> 00:14:42,360
be complete horseshit they were never

253
00:14:45,490 --> 00:14:44,220
developing any weapon for the United

254
00:14:47,930 --> 00:14:45,500
States government

255
00:14:51,290 --> 00:14:47,940
laser or otherwise

256
00:14:54,590 --> 00:14:51,300
so what we get is an ancient alien

257
00:14:57,110 --> 00:14:54,600
theorist that I believe has been lying

258
00:14:59,530 --> 00:14:57,120
to people and filling his pockets full

259
00:15:01,790 --> 00:14:59,540
of UFO dollars for many many years now

260
00:15:04,069 --> 00:15:01,800
and we also get

261
00:15:06,110 --> 00:15:04,079
a company that has been promising it's

262
00:15:08,329 --> 00:15:06,120
developing these super Advanced aircraft

263
00:15:11,210 --> 00:15:08,339

that are going to be so much better than

264

00:15:14,389 --> 00:15:11,220

anything out there for over a decade and

265

00:15:17,290 --> 00:15:14,399

never produced a single prototype and we

266

00:15:20,150 --> 00:15:17,300

put those two together and David Wilcock

267

00:15:22,730 --> 00:15:20,160

apparently invests all awful lot of

268

00:15:25,730 --> 00:15:22,740

money and suddenly becomes there the

269

00:15:27,949 --> 00:15:25,740

companies the vati aerospace director

270

00:15:31,370 --> 00:15:27,959

of advanced technology

271

00:15:36,110 --> 00:15:31,380

but it gets better I reached out to this

272

00:15:37,730 --> 00:15:36,120

uh CEO Chris beskar and uh asked some

273

00:15:40,970 --> 00:15:37,740

questions on the phone once and before

274

00:15:44,329 --> 00:15:40,980

he realized who I was he he called me

275

00:15:46,970 --> 00:15:44,339

back and started answering questions but

276

00:15:49,430 --> 00:15:46,980

then he said something like wait a

277

00:15:51,110 --> 00:15:49,440

minute you're Steve Campion is that what

278

00:15:53,090 --> 00:15:51,120

you said your name is and I said yeah

279

00:15:55,069 --> 00:15:53,100

and then he said

280

00:15:56,269 --> 00:15:55,079

I can't answer any more questions and

281

00:15:57,590 --> 00:15:56,279

hung up on me

282

00:16:01,370 --> 00:15:57,600

so

283

00:16:04,069 --> 00:16:01,380

I encouraged other people since um

284

00:16:06,170 --> 00:16:04,079

they've kind of gotten wind of our show

285

00:16:07,970 --> 00:16:06,180

here they're aware that we're covering

286

00:16:10,670 --> 00:16:07,980

what a joke their company is David

287

00:16:13,790 --> 00:16:10,680

Wilcock is aware that we cover him and

288

00:16:15,350 --> 00:16:13,800

and the Wacky World of Wilcox so they

289

00:16:17,990 --> 00:16:15,360

claimed up they don't want to answer my

290

00:16:19,370 --> 00:16:18,000

questions I encouraged other people you

291

00:16:21,650 --> 00:16:19,380

go

292

00:16:23,810 --> 00:16:21,660

his email is public the phone number is

293

00:16:26,090 --> 00:16:23,820

public you can anybody can call them and

294

00:16:30,110 --> 00:16:26,100

by the way let's be clear here I'm not

295

00:16:31,790 --> 00:16:30,120

encouraging anyone to you know harass

296

00:16:33,530 --> 00:16:31,800

anybody or anything like that I'm

297

00:16:37,069 --> 00:16:33,540

encouraging people to ask questions

298

00:16:40,430 --> 00:16:37,079

after all this is a company that is

299

00:16:43,670 --> 00:16:40,440

begging for investors to to invest money

300

00:16:46,430 --> 00:16:43,680

in their incredible technology that they

301
00:16:48,829 --> 00:16:46,440
can't show anyone

302
00:16:51,470 --> 00:16:48,839
over a decade we're developing this

303
00:16:52,970 --> 00:16:51,480
incredible technology not a single

304
00:16:55,610 --> 00:16:52,980
working aircraft not a single working

305
00:16:57,889 --> 00:16:55,620
airplane not a single even technology

306
00:16:59,090 --> 00:16:57,899
demonstrator not a single real physical

307
00:17:02,930 --> 00:16:59,100
thing

308
00:17:04,610 --> 00:17:02,940
except that David Wilcock 3D printed a

309
00:17:06,169 --> 00:17:04,620
bunch of what looked like GI Joe

310
00:17:09,710 --> 00:17:06,179
airplane toys

311
00:17:11,150 --> 00:17:09,720
and then David Wilcock called those the

312
00:17:14,329 --> 00:17:11,160
prototypes and if you listen to David

313
00:17:16,549 --> 00:17:14,339

Wilcox talk their airplanes are worlds

314

00:17:19,370 --> 00:17:16,559

cheaper to produce and worlds better

315

00:17:22,669 --> 00:17:19,380

they have better cargo capacity better

316

00:17:24,829 --> 00:17:22,679

fuel you know all of these incredible

317

00:17:27,650 --> 00:17:24,839

promises and remember

318

00:17:29,690 --> 00:17:27,660

this is where it gets really dicey for

319

00:17:32,450 --> 00:17:29,700

them they're making all of these

320

00:17:35,150 --> 00:17:32,460

incredible claims including David

321

00:17:37,130 --> 00:17:35,160

Wilcock a board member of their company

322

00:17:40,130 --> 00:17:37,140

while they're soliciting public

323

00:17:42,289 --> 00:17:40,140

investors is telling people we have

324

00:17:45,230 --> 00:17:42,299

cracked a code of anti-gravity we have

325

00:17:48,169 --> 00:17:45,240

cracked a code of free energy technology

326

00:17:50,330 --> 00:17:48,179

and we will have a working hover car

327

00:17:53,810 --> 00:17:50,340

within a year

328

00:17:56,570 --> 00:17:53,820

David Wilcock an officer of this company

329

00:17:59,650 --> 00:17:56,580

is on record we have the clips of him

330

00:18:02,930 --> 00:17:59,660

saying this stuff while they are

331

00:18:04,070 --> 00:18:02,940

soliciting investors to invest with

332

00:18:07,909 --> 00:18:04,080

their company

333

00:18:09,169 --> 00:18:07,919

this my friends is a nightmare

334

00:18:11,870 --> 00:18:09,179

for them

335

00:18:14,630 --> 00:18:11,880

or it could be

336

00:18:16,789 --> 00:18:14,640

after all someone who invests money

337

00:18:20,029 --> 00:18:16,799

based on these Pie in the Sky promises

338

00:18:22,370 --> 00:18:20,039

can come to me or someone else and get

339

00:18:25,730 --> 00:18:22,380

clips of an officer of their company

340

00:18:29,210 --> 00:18:25,740

promising a working hover car prototype

341

00:18:32,169 --> 00:18:29,220

within a year by the way Tick-Tock David

342

00:18:35,810 --> 00:18:32,179

Wilcock time's up where's the hover car

343

00:18:37,970 --> 00:18:35,820

oh you're gonna show us an animation of

344

00:18:41,630 --> 00:18:37,980

it well that's not what you said

345

00:18:44,450 --> 00:18:41,640

it's taken you a year to do an animation

346

00:18:47,930 --> 00:18:44,460

of a hover car that you promised would

347

00:18:50,810 --> 00:18:47,940

be in real and prototype form by this

348

00:18:53,150 --> 00:18:50,820

time last year you said one year it's

349

00:18:55,669 --> 00:18:53,160

been about a year David wilcop where's

350

00:18:57,770 --> 00:18:55,679

the hover car that you promised everyone

351

00:19:00,470 --> 00:18:57,780

where's the hover car that you were

352

00:19:02,110 --> 00:19:00,480

telling potential investors about

353

00:19:05,350 --> 00:19:02,120

does the SEC

354

00:19:07,789 --> 00:19:05,360

know and by the way in this email

355

00:19:09,590 --> 00:19:07,799

exclusive this is another true Seekers

356

00:19:11,930 --> 00:19:09,600

exclusive story we're getting good at

357

00:19:14,210 --> 00:19:11,940

doing these we're going to be sharing

358

00:19:15,909 --> 00:19:14,220

information no one else has no one else

359

00:19:20,450 --> 00:19:15,919

is aware of

360

00:19:23,090 --> 00:19:20,460

another truth Seekers exclusive and um

361

00:19:26,510 --> 00:19:23,100

in this email we will share they

362

00:19:29,570 --> 00:19:26,520

mentioned the private investment firm

363

00:19:32,270 --> 00:19:29,580

that is handling investors that want to

364

00:19:34,850 --> 00:19:32,280

invest in their

365

00:19:36,650 --> 00:19:34,860

Shady Aerospace company that's promising

366

00:19:39,830 --> 00:19:36,660

people hover cars that has the guide

367

00:19:43,610 --> 00:19:39,840

from Ancient Aliens on their board as

368

00:19:47,210 --> 00:19:43,620

the advanced direct the director of

369

00:19:49,549 --> 00:19:47,220

advanced technology so I haven't had a

370

00:19:52,970 --> 00:19:49,559

chance to do it yet but all of you have

371

00:19:54,650 --> 00:19:52,980

my word uh first thing tomorrow I am

372

00:19:56,150 --> 00:19:54,660

going to call that investment company

373

00:19:58,490 --> 00:19:56,160

I'm gonna

374

00:20:01,070 --> 00:19:58,500

offer to send them the clips of the

375

00:20:02,270 --> 00:20:01,080

promises that David Wilcock is publicly

376
00:20:04,730 --> 00:20:02,280
promising

377
00:20:07,610 --> 00:20:04,740
and we also have to be aware that David

378
00:20:10,850 --> 00:20:07,620
Wilcock when you buy his 333 dollar

379
00:20:13,549 --> 00:20:10,860
course behind his paywall is telling

380
00:20:16,250 --> 00:20:13,559
people that the CEO of that company

381
00:20:18,710 --> 00:20:16,260
Chris bescar was in the secret space

382
00:20:20,210 --> 00:20:18,720
program and he developed secret

383
00:20:22,430 --> 00:20:20,220
spaceships

384
00:20:24,649 --> 00:20:22,440
for the United States government in the

385
00:20:28,730 --> 00:20:24,659
secret space force

386
00:20:30,049 --> 00:20:28,740
this is a legal nightmare for them or it

387
00:20:33,830 --> 00:20:30,059
could be

388
00:20:37,010 --> 00:20:33,840

you cannot say things that are

389

00:20:40,690 --> 00:20:37,020

completely and totally false and untrue

390

00:20:43,789 --> 00:20:40,700

while you're soliciting public investors

391

00:20:47,270 --> 00:20:43,799

to invest in your company

392

00:20:50,690 --> 00:20:47,280

if you were a potential investor

393

00:20:52,130 --> 00:20:50,700

what are they telling you publicly we're

394

00:20:54,590 --> 00:20:52,140

going to have a working hover car

395

00:20:56,450 --> 00:20:54,600

prototype within one year and it's not

396

00:20:59,090 --> 00:20:56,460

even going to need fuel it's going to

397

00:21:02,149 --> 00:20:59,100

have a free energy device for its fuel

398

00:21:03,710 --> 00:21:02,159

source you won't even need to fuel it

399

00:21:06,110 --> 00:21:03,720

you can plug your house you can power

400

00:21:08,570 --> 00:21:06,120

your whole house from it too you won't

401
00:21:10,850 --> 00:21:08,580
even have to put gasoline or electricity

402
00:21:14,270 --> 00:21:10,860
into it it's free energy it's free

403
00:21:17,510 --> 00:21:14,280
energy this hover car we've we've got a

404
00:21:23,330 --> 00:21:21,409
I wonder if the people investing in this

405
00:21:25,970 --> 00:21:23,340
company by the way the minimum

406
00:21:28,669 --> 00:21:25,980
investment is fifty thousand dollars

407
00:21:31,370 --> 00:21:28,679
I wonder if the people investing in this

408
00:21:34,190 --> 00:21:31,380
company are aware that they are

409
00:21:36,230 --> 00:21:34,200
promising a hover car prototype with a

410
00:21:38,330 --> 00:21:36,240
working free energy device as a power

411
00:21:41,330 --> 00:21:38,340
source you won't even have to power the

412
00:21:44,630 --> 00:21:41,340
hover car or put any fuel into it

413
00:21:47,330 --> 00:21:44,640

and let's see I wonder if investors are

414

00:21:50,350 --> 00:21:47,340

aware that the former star of Ancient

415

00:21:54,649 --> 00:21:50,360

Aliens is on the board and he's doing

416

00:21:57,110 --> 00:21:54,659

333 dollar courses where be behind the

417

00:21:59,210 --> 00:21:57,120

paywall he's telling everybody that the

418

00:22:02,810 --> 00:21:59,220

CEO of this company that he's on the

419

00:22:04,970 --> 00:22:02,820

board of was a secret space program guy

420

00:22:08,810 --> 00:22:04,980

who created

421

00:22:10,190 --> 00:22:08,820

secret spaceships for the secret space

422

00:22:13,909 --> 00:22:10,200

force

423

00:22:16,730 --> 00:22:13,919

and Friends one has to ask themselves if

424

00:22:19,070 --> 00:22:16,740

this Shady Aerospace company has been

425

00:22:21,890 --> 00:22:19,080

promising all of these high-tech things

426
00:22:24,350 --> 00:22:21,900
for over a decade to my knowledge and

427
00:22:27,830 --> 00:22:24,360
have yet to produce a single working

428
00:22:29,210 --> 00:22:27,840
prototype have yet to test flight any of

429
00:22:31,789 --> 00:22:29,220
their and they got a whole bunch of

430
00:22:33,169 --> 00:22:31,799
models right of all these Advanced

431
00:22:34,669 --> 00:22:33,179
aircraft that they're developing

432
00:22:37,370 --> 00:22:34,679
prototypes for we're going to go through

433
00:22:40,850 --> 00:22:37,380
the the the handout they're giving

434
00:22:43,850 --> 00:22:40,860
investors and it is a laugh Riot friends

435
00:22:46,010 --> 00:22:43,860
but back to this best car

436
00:22:48,830 --> 00:22:46,020
it's going to be extremely problematic

437
00:22:52,370 --> 00:22:48,840
for them David Wilcock promising people

438
00:22:55,870 --> 00:22:52,380

that this guy was developing spaceships

439

00:22:59,210 --> 00:22:55,880

for a secret space program and and black

440

00:23:01,430 --> 00:22:59,220

budget projects and and secret

441

00:23:05,990 --> 00:23:01,440

government projects

442

00:23:11,930 --> 00:23:10,250

but these are now claims made by an

443

00:23:14,930 --> 00:23:11,940

officer of this company that is

444

00:23:16,669 --> 00:23:14,940

soliciting public Investments and what

445

00:23:18,350 --> 00:23:16,679

my friends are the odds that this

446

00:23:21,169 --> 00:23:18,360

company that couldn't even manage to

447

00:23:24,049 --> 00:23:21,179

build an airplane years ago according to

448

00:23:26,270 --> 00:23:24,059

David Wilcock already produced all these

449

00:23:28,690 --> 00:23:26,280

super Advanced spaceships that didn't

450

00:23:31,909 --> 00:23:28,700

use rocket technology they used

451
00:23:34,909 --> 00:23:31,919
electrogravitics and and ultra high

452
00:23:38,149 --> 00:23:34,919
technology plasma and all this nonsense

453
00:23:40,970 --> 00:23:38,159
that he's telling people in this 333

454
00:23:42,409 --> 00:23:40,980
dollar course what are the odds that

455
00:23:45,049 --> 00:23:42,419
this company that can't even build an

456
00:23:47,630 --> 00:23:45,059
airplane is building super Advanced

457
00:23:48,710 --> 00:23:47,640
spaceships for a secret space force for

458
00:23:51,649 --> 00:23:48,720
the government

459
00:23:52,970 --> 00:23:51,659
that that don't even you that use super

460
00:23:55,250 --> 00:23:52,980
high-tech

461
00:23:58,130 --> 00:23:55,260
propulsion systems nobody's ever heard

462
00:24:01,909 --> 00:23:58,140
of and you know all of this it's

463
00:24:04,070 --> 00:24:01,919

nonsense it's absolute garbage just like

464

00:24:06,350 --> 00:24:04,080

the rest of David Wilcox stories you

465

00:24:09,830 --> 00:24:06,360

know about talking to the Archangel

466

00:24:12,409 --> 00:24:09,840

Michael and channeling Jesus Christ

467

00:24:15,830 --> 00:24:12,419

right and oh he also channeled the

468

00:24:17,510 --> 00:24:15,840

Egyptian god Ra for a while remember

469

00:24:19,850 --> 00:24:17,520

that

470

00:24:23,570 --> 00:24:19,860

I do want to take a moment to thank and

471

00:24:25,669 --> 00:24:23,580

recognize we have Road stub s

472

00:24:26,870 --> 00:24:25,679

who just became a YouTube channel member

473

00:24:28,490 --> 00:24:26,880

thank you for your kindness your

474

00:24:36,789 --> 00:24:28,500

generosity and your support of the show

475

00:24:41,690 --> 00:24:39,890

I am Faneuil says here's the tweet hello

476

00:24:43,970 --> 00:24:41,700

tender Soul thank you for supporting

477

00:24:46,490 --> 00:24:43,980

David yes it's always best to donate to

478

00:24:47,990 --> 00:24:46,500

at David's official website PayPal

479

00:24:51,110 --> 00:24:48,000

button at the bottom of the cart page

480

00:24:53,930 --> 00:24:51,120

that's from David's support team what

481

00:24:55,789 --> 00:24:53,940

are we donating we're donating so that

482

00:24:57,649 --> 00:24:55,799

David Wilcock can live in a million

483

00:24:59,690 --> 00:24:57,659

dollar mansion and lie through his fake

484

00:25:01,909 --> 00:24:59,700

teeth to people is that why we're

485

00:25:04,669 --> 00:25:01,919

donating I'm a little confused because

486

00:25:07,549 --> 00:25:04,679

we have detailed that David Wilcox

487

00:25:10,310 --> 00:25:07,559

collected what was it 175

488

00:25:14,029 --> 00:25:10,320

000 or more for his so-called charity

489

00:25:16,310 --> 00:25:14,039

and then he did absolutely zero zero

490

00:25:18,890 --> 00:25:16,320

charitable work with that all of that

491

00:25:21,890 --> 00:25:18,900

money he collected and we detailed that

492

00:25:24,230 --> 00:25:21,900

David Wilcox loves expensive things one

493

00:25:27,470 --> 00:25:24,240

year from the money that people donated

494

00:25:29,930 --> 00:25:27,480

to his charity he spent four thousand

495

00:25:31,669 --> 00:25:29,940

dollars of that Charity's money that

496

00:25:34,310 --> 00:25:31,679

people donated thinking he's doing

497

00:25:35,450 --> 00:25:34,320

charitable work on meals and

498

00:25:38,330 --> 00:25:35,460

entertainment

499

00:25:42,590 --> 00:25:38,340

great great

500

00:25:44,510 --> 00:25:42,600

uh yeah so we're gonna uh show you uh

501
00:25:46,190 --> 00:25:44,520
and again this is a true Seekers

502
00:25:48,350 --> 00:25:46,200
exclusive story if you're just joining

503
00:25:50,450 --> 00:25:48,360
us we're talking about David Wilcox

504
00:25:52,190 --> 00:25:50,460
hover car claims you're watching truth

505
00:25:55,610 --> 00:25:52,200
Seekers here where we bring you new

506
00:25:58,850 --> 00:25:55,620
exclusive information no one else has uh

507
00:26:01,669 --> 00:25:58,860
we try to make a habit of that here uh

508
00:26:03,409 --> 00:26:01,679
so I mentioned that I once spoke with

509
00:26:04,970 --> 00:26:03,419
Christopher bescar and asked some

510
00:26:07,430 --> 00:26:04,980
questions and then when he realized who

511
00:26:08,750 --> 00:26:07,440
I was he quickly refused to answer any

512
00:26:10,190 --> 00:26:08,760
more questions

513
00:26:13,130 --> 00:26:10,200

so

514

00:26:15,830 --> 00:26:13,140

I encouraged others to call or write

515

00:26:18,350 --> 00:26:15,840

emails and ask questions questions like

516

00:26:19,730 --> 00:26:18,360

where's the money that David Wilcock is

517

00:26:21,529 --> 00:26:19,740

investing coming from is that coming

518

00:26:24,470 --> 00:26:21,539

from his charity or his for-profit

519

00:26:26,330 --> 00:26:24,480

company how much money has David Wilcock

520

00:26:29,210 --> 00:26:26,340

invested in your company because he's

521

00:26:30,529 --> 00:26:29,220

telling everybody he invested all of his

522

00:26:33,230 --> 00:26:30,539

money

523

00:26:36,169 --> 00:26:33,240

and uh I didn't get a straight answer

524

00:26:37,730 --> 00:26:36,179

out of Andrew bescar but

525

00:26:44,390 --> 00:26:37,740

a friend

526

00:26:45,830 --> 00:26:44,400

uh did get an answer right

527

00:26:52,490 --> 00:26:45,840

um

528

00:26:58,730 --> 00:26:55,669

we have a friend of the show here who

529

00:27:01,010 --> 00:26:58,740

has reached out to Andrew bescar the CEO

530

00:27:03,049 --> 00:27:01,020

of the Shady company that David Wilcock

531

00:27:04,669 --> 00:27:03,059

invested all his money in

532

00:27:06,350 --> 00:27:04,679

uh

533

00:27:08,690 --> 00:27:06,360

I don't know how to say it but it's

534

00:27:11,330 --> 00:27:08,700

supposedly from Dune

535

00:27:14,470 --> 00:27:11,340

fadakin

536

00:27:17,350 --> 00:27:14,480

reached out or

537

00:27:18,950 --> 00:27:17,360

Daikin

538

00:27:21,889 --> 00:27:18,960

f-e-d-a-y-k-i-k-i-n we want to thank

539

00:27:23,750 --> 00:27:21,899

them for their uh being a fellow truth

540

00:27:25,610 --> 00:27:23,760

Seeker trying to help us to get to the

541

00:27:28,130 --> 00:27:25,620

truth since Andrew bescar won't answer

542

00:27:30,110 --> 00:27:28,140

my questions it's great that some

543

00:27:32,630 --> 00:27:30,120

viewers of our show here have pitched in

544

00:27:33,769 --> 00:27:32,640

and they started asking questions

545

00:27:36,590 --> 00:27:33,779

so

546

00:27:38,149 --> 00:27:36,600

um we have an exclusive email from

547

00:27:40,250 --> 00:27:38,159

Andrew bescar

548

00:27:41,690 --> 00:27:40,260

uh after somebody started asking a lot

549

00:27:43,669 --> 00:27:41,700

of questions about David Wilcox

550

00:27:47,210 --> 00:27:43,679

involvement in his company

551

00:27:49,250 --> 00:27:47,220

uh Sandy says he's still hanging out

552

00:27:51,049 --> 00:27:49,260

with squirrels last I checked he is yes

553

00:27:52,610 --> 00:27:51,059

and he's trying to figure out how to

554

00:27:54,590 --> 00:27:52,620

explain away that he promised everybody

555

00:27:57,169 --> 00:27:54,600

a year ago there'd be a working hovercar

556

00:27:59,149 --> 00:27:57,179

prototype and he doesn't have he

557

00:28:01,190 --> 00:27:59,159

can't even get an animation going to

558

00:28:04,010 --> 00:28:01,200

show people great

559

00:28:05,690 --> 00:28:04,020

great and we want to thank uh Lord

560

00:28:08,090 --> 00:28:05,700

Ludacris for a kind of generous dollar

561

00:28:11,990 --> 00:28:08,100

99 and he says didn't he use GoFundMe to

562

00:28:14,870 --> 00:28:12,000

scam people too yes we we uh detailed a

563

00:28:17,510 --> 00:28:14,880

GoFundMe scam that was headed by David

564

00:28:19,970 --> 00:28:17,520

Wilcox for his fake whistleblower in

565

00:28:23,269 --> 00:28:19,980

which they claimed that the the Men in

566

00:28:25,190 --> 00:28:23,279

Black were riding over this guy's house

567

00:28:27,769 --> 00:28:25,200

with bulldozers and destroying

568

00:28:30,610 --> 00:28:27,779

everything he owns and all of these fake

569

00:28:33,350 --> 00:28:30,620

stories and the police were you know

570

00:28:35,750 --> 00:28:33,360

entering his home and all this stuff and

571

00:28:37,850 --> 00:28:35,760

it turned and there was a GoFundMe which

572

00:28:42,230 --> 00:28:37,860

raised sixty thousand dollars largely

573

00:28:46,549 --> 00:28:42,240

from the UFO community and every word in

574

00:28:50,149 --> 00:28:46,559

the text body of the GoFundMe was false

575

00:28:52,610 --> 00:28:50,159

there were fake stories about this fake

576

00:28:55,130 --> 00:28:52,620

whistleblower of his Pete Peterson it

577

00:28:57,230 --> 00:28:55,140

turned out that Pete Peterson for years

578

00:28:59,570 --> 00:28:57,240

the bank was telling him they were

579

00:29:01,310 --> 00:28:59,580

foreclosing on his home they had already

580

00:29:03,230 --> 00:29:01,320

foreclosed on the home and here comes

581

00:29:06,529 --> 00:29:03,240

David Wilcox saying we've got to save

582

00:29:08,690 --> 00:29:06,539

him and help him you know fight back the

583

00:29:10,190 --> 00:29:08,700

banks and get his home back there was no

584

00:29:11,990 --> 00:29:10,200

saving that home it was already

585

00:29:13,909 --> 00:29:12,000

foreclosed on and at that point they

586

00:29:15,529 --> 00:29:13,919

were just telling him to get a out

587

00:29:17,990 --> 00:29:15,539

of the house

588

00:29:19,970 --> 00:29:18,000

and they gave him ample opportunity to

589

00:29:22,789 --> 00:29:19,980

get his things out of the house he never

590

00:29:24,710 --> 00:29:22,799

did so the bank went in and paid people

591

00:29:28,070 --> 00:29:24,720

to clean it out and yes they started

592

00:29:29,990 --> 00:29:28,080

throwing his stuff in dumpsters uh and

593

00:29:32,210 --> 00:29:30,000

we also heard reports that there the

594

00:29:33,470 --> 00:29:32,220

house was a hoarder nightmare mess and

595

00:29:35,450 --> 00:29:33,480

it was filled

596

00:29:36,889 --> 00:29:35,460

David Wilcox claimed that the contents

597

00:29:39,049 --> 00:29:36,899

of that home were worth millions of

598

00:29:41,090 --> 00:29:39,059

dollars all this scientific equipment

599

00:29:45,110 --> 00:29:41,100

but it turns out mostly what was in that

600

00:29:48,350 --> 00:29:45,120

fake whistleblowers home the senile

601
00:29:51,830 --> 00:29:48,360
fake whistleblower of his Peterson what

602
00:29:55,070 --> 00:29:51,840
was actually in the home was dead cats

603
00:29:57,470 --> 00:29:55,080
and bottles of piss everywhere great so

604
00:29:59,090 --> 00:29:57,480
according to David Wilcock dead cats and

605
00:30:01,490 --> 00:29:59,100
bottles of piss are worth millions of

606
00:30:05,510 --> 00:30:01,500
dollars but this is the Wacky World of

607
00:30:08,810 --> 00:30:05,520
Wilcox and David Wilcock also

608
00:30:11,930 --> 00:30:08,820
took part in a PayPal donation scam for

609
00:30:13,909 --> 00:30:11,940
Emery Smith in which they told everybody

610
00:30:15,470 --> 00:30:13,919
that Emery Smith was under deep State

611
00:30:17,810 --> 00:30:15,480
attack and they showed pictures of him

612
00:30:20,570 --> 00:30:17,820
in the hospital uh but it turned out

613
00:30:23,570 --> 00:30:20,580

that his one time let's just call him

614

00:30:25,370 --> 00:30:23,580

father-in-law uh turned on him and told

615

00:30:27,529 --> 00:30:25,380

the truth Emory Smith while they were

616

00:30:30,169 --> 00:30:27,539

collecting over fifty thousand dollars

617

00:30:32,389 --> 00:30:30,179

in PayPal donations for Emory Smith

618

00:30:35,389 --> 00:30:32,399

telling fake stories with David Wilcock

619

00:30:36,769 --> 00:30:35,399

uh what actually happened is every Smith

620

00:30:40,310 --> 00:30:36,779

apparently

621

00:30:42,590 --> 00:30:40,320

uh got alcohol poisoning so it wasn't

622

00:30:44,990 --> 00:30:42,600

the Deep State attacking Emory Smith it

623

00:30:46,970 --> 00:30:45,000

was a bottle of vodka and he ended up in

624

00:30:48,710 --> 00:30:46,980

the hospital they took pictures of it

625

00:30:52,730 --> 00:30:48,720

they took pictures of a bullet on a

626
00:30:54,529 --> 00:30:52,740
counter and his house rifled through and

627
00:30:55,970 --> 00:30:54,539
claimed that he was under attack by the

628
00:30:58,250 --> 00:30:55,980
Men in Black and you've got to donate

629
00:30:59,870 --> 00:30:58,260
money because somehow if the Men in

630
00:31:03,649 --> 00:30:59,880
Black from the government are out to get

631
00:31:07,130 --> 00:31:03,659
you money will stop them sure there have

632
00:31:10,549 --> 00:31:07,140
been various scams that David Wilcock

633
00:31:14,630 --> 00:31:10,559
has taken part in so forgive me if I

634
00:31:17,930 --> 00:31:14,640
assume that this latest you know course

635
00:31:20,870 --> 00:31:17,940
he's selling is another scan and forgive

636
00:31:23,389 --> 00:31:20,880
me if David Wilcox involvement in this

637
00:31:26,149 --> 00:31:23,399
Shady company that already has Shady

638
00:31:30,409 --> 00:31:26,159

people in it including Bill McEwen look

639

00:31:32,389 --> 00:31:30,419

him up and look up the Amiga Fiasco that

640

00:31:34,669 --> 00:31:32,399

guy promised all kinds of stuff for a

641

00:31:37,070 --> 00:31:34,679

decade never delivered anything

642

00:31:39,590 --> 00:31:37,080

never delivered anything he's on the

643

00:31:40,970 --> 00:31:39,600

board along with David Wilcock those two

644

00:31:43,970 --> 00:31:40,980

Belong Together

645

00:31:46,009 --> 00:31:43,980

so people will have to excuse me if I

646

00:31:48,590 --> 00:31:46,019

assume that's the valley Aerospace since

647

00:31:51,649 --> 00:31:48,600

David Wilcock and is involved is a scam

648

00:31:53,330 --> 00:31:51,659

just like all of David wilcox's other

649

00:31:56,330 --> 00:31:53,340

send me money

650

00:31:59,269 --> 00:31:56,340

scams like his charity that I believe

651
00:32:01,730 --> 00:31:59,279
was a scam based on his own filings he

652
00:32:03,710 --> 00:32:01,740
didn't do any charitable work out of I

653
00:32:06,529 --> 00:32:03,720
believe it was and don't quote me over

654
00:32:08,990 --> 00:32:06,539
175 thousand dollars he collected in a

655
00:32:10,970 --> 00:32:09,000
few years he gave just a few thousand

656
00:32:13,970 --> 00:32:10,980
dollars to other Charities but he didn't

657
00:32:16,669 --> 00:32:13,980
actually do any charity according to his

658
00:32:19,250 --> 00:32:16,679
own IRS filings apparently he spent all

659
00:32:21,590 --> 00:32:19,260
that money on himself he bought software

660
00:32:24,710 --> 00:32:21,600
and equipment and how do we

661
00:32:27,230 --> 00:32:24,720
differentiate because according I guess

662
00:32:29,269 --> 00:32:27,240
he's using that equipment that he

663
00:32:32,750 --> 00:32:29,279

purchased for his

664

00:32:34,549 --> 00:32:32,760

charity to do for-profit streams on

665

00:32:38,389 --> 00:32:34,559

YouTube where people are sending him

666

00:32:40,850 --> 00:32:38,399

money and it becomes a tax nightmare for

667

00:32:43,789 --> 00:32:40,860

him and by the way David Wilcock already

668

00:32:47,149 --> 00:32:43,799

at the time he formed his charity had a

669

00:32:49,250 --> 00:32:47,159

IRS tax lien on him for I believe if I

670

00:32:52,009 --> 00:32:49,260

recall collect correctly fifty thousand

671

00:32:54,350 --> 00:32:52,019

dollars for unpaid income taxes

672

00:32:57,889 --> 00:32:54,360

great

673

00:33:01,070 --> 00:32:57,899

so we are going to share this from a

674

00:33:03,529 --> 00:33:01,080

kind friend and and show viewer who

675

00:33:06,710 --> 00:33:03,539

kindly asked Chris bescar some questions

676
00:33:08,690 --> 00:33:06,720
about David Wilcock stavati Aerospace

677
00:33:10,850 --> 00:33:08,700
the hover cars and David Wilcox

678
00:33:15,350 --> 00:33:10,860
involvement how much money he donated

679
00:33:19,190 --> 00:33:15,360
and uh wow this email from the CEO of

680
00:33:20,990 --> 00:33:19,200
stavati Aerospace is chock full of fun

681
00:33:24,230 --> 00:33:21,000
information let's get into it friends

682
00:33:27,169 --> 00:33:24,240
and again this is from Chris bescar the

683
00:33:30,409 --> 00:33:27,179
CEO of stavati Aerospace where David

684
00:33:32,509 --> 00:33:30,419
Wilcock is now the director of advanced

685
00:33:34,850 --> 00:33:32,519
technology

686
00:33:36,769 --> 00:33:34,860
and this email reads thank you for your

687
00:33:38,690 --> 00:33:36,779
email message regarding stavati's

688
00:33:41,509 --> 00:33:38,700

director of Advanced Technologies David

689

00:33:44,389 --> 00:33:41,519

Wilcock David Wilcock joins Nevada

690

00:33:47,149 --> 00:33:44,399

Aerospace Ltd in an official capacity

691

00:33:49,970 --> 00:33:47,159

some years ago and officially became a

692

00:33:53,090 --> 00:33:49,980

shareholder in April of 2019 as

693

00:33:55,370 --> 00:33:53,100

shareholder number 28. while I'm not at

694

00:33:57,769 --> 00:33:55,380

Liberty to disclose the immacula the

695

00:33:59,930 --> 00:33:57,779

exact amount of stock David owns it is

696

00:34:03,230 --> 00:33:59,940

in excess of 10 million shares of

697

00:34:06,409 --> 00:34:03,240

stabati Aerospace LTD common stock with

698

00:34:08,149 --> 00:34:06,419

voting rights David has invested and

699

00:34:10,790 --> 00:34:08,159

here's where it gets good friends David

700

00:34:14,450 --> 00:34:10,800

has invested well over one million

701
00:34:16,970 --> 00:34:14,460
dollars into stavati Aerospace LTD which

702
00:34:18,470 --> 00:34:16,980
has benefited benefited stabati in terms

703
00:34:20,270 --> 00:34:18,480
of real estate acquisition the

704
00:34:22,550 --> 00:34:20,280
acquisition of physical manufacturing

705
00:34:25,250 --> 00:34:22,560
assets as well as prototype and

706
00:34:26,930 --> 00:34:25,260
development production costs all the

707
00:34:28,310 --> 00:34:26,940
funds invested have been received from

708
00:34:31,310 --> 00:34:28,320
his or her

709
00:34:34,129 --> 00:34:31,320
from oh I'm sorry all the funds invested

710
00:34:37,609 --> 00:34:34,139
have been received from his for-profit

711
00:34:41,750 --> 00:34:37,619
Enterprises from him personally and not

712
00:34:43,369 --> 00:34:41,760
a 501c3 or other non-profit entity so

713
00:34:45,409 --> 00:34:43,379

there we have an answer to one of my

714

00:34:49,310 --> 00:34:45,419

questions is he investing money from his

715

00:34:51,889 --> 00:34:49,320

charity into a for-profit Aerospace

716

00:34:53,810 --> 00:34:51,899

company apparently he's investing money

717

00:34:55,069 --> 00:34:53,820

from his personal money and his

718

00:34:58,370 --> 00:34:55,079

for-profit

719

00:34:59,990 --> 00:34:58,380

company not his charity that he

720

00:35:02,150 --> 00:35:00,000

collected over a hundred and seventy

721

00:35:04,790 --> 00:35:02,160

five thousand dollars for and then did

722

00:35:06,829 --> 00:35:04,800

no charity work

723

00:35:08,510 --> 00:35:06,839

best car goes on to write Stephanie does

724

00:35:10,849 --> 00:35:08,520

not accept investment from non-profit

725

00:35:13,670 --> 00:35:10,859

organizations only in accredited

726
00:35:15,170 --> 00:35:13,680
investors qualified lenders and

727
00:35:17,089 --> 00:35:15,180
qualified investment entities

728
00:35:19,609 --> 00:35:17,099
institutions

729
00:35:21,410 --> 00:35:19,619
and the general the claims David may

730
00:35:23,870 --> 00:35:21,420
have made regarding his investment is

731
00:35:25,790 --> 00:35:23,880
accurate as he is a shareholder he has

732
00:35:27,290 --> 00:35:25,800
invested in stavati along with a number

733
00:35:29,450 --> 00:35:27,300
of other private investors and

734
00:35:30,650 --> 00:35:29,460
shareholders and does hold the position

735
00:35:36,170 --> 00:35:30,660
of

736
00:35:39,170 --> 00:35:36,180
that's great

737
00:35:40,550 --> 00:35:39,180
a guy who claims that he's smarter than

738
00:35:44,630 --> 00:35:40,560

Einstein

739

00:35:48,589 --> 00:35:44,640

and has a 180 IQ a guy who channels the

740

00:35:51,430 --> 00:35:48,599

Egyptian god Ra a guy who talks to the

741

00:35:54,530 --> 00:35:51,440

Archangel Michael all the time

742

00:35:56,569 --> 00:35:54,540

uh yeah is the director of advanced

743

00:35:59,150 --> 00:35:56,579

technology for this company within our

744

00:36:01,849 --> 00:35:59,160

organization David is working directly

745

00:36:03,770 --> 00:36:01,859

on the study analysis and development of

746

00:36:06,410 --> 00:36:03,780

advanced propulsion systems among other

747

00:36:08,210 --> 00:36:06,420

projects David has been very dedicated

748

00:36:13,450 --> 00:36:08,220

to the advancement

749

00:36:17,990 --> 00:36:16,069

and Aerospace technology and could

750

00:36:20,270 --> 00:36:18,000

should be considered a hero in the eyes

751

00:36:22,910 --> 00:36:20,280

of anyone who is passionate about

752

00:36:24,829 --> 00:36:22,920

Aerospace technology and how to advance

753

00:36:27,530 --> 00:36:24,839

well beyond the current state of the art

754

00:36:29,990 --> 00:36:27,540

so David Wilcock is a hero to the

755

00:36:32,569 --> 00:36:30,000

Aerospace technology industry according

756

00:36:34,609 --> 00:36:32,579

to their CEO

757

00:36:37,609 --> 00:36:34,619

with respect to investment opportunities

758

00:36:40,490 --> 00:36:37,619

with stavati stability Aerospace limited

759

00:36:42,170 --> 00:36:40,500

is a privately held C corporation we are

760

00:36:45,589 --> 00:36:42,180

undertaking multiple new aircraft

761

00:36:47,270 --> 00:36:45,599

development projects some of which

762

00:36:49,030 --> 00:36:47,280

uh

763

00:36:51,710 --> 00:36:49,040

some of which are being conducted

764

00:36:54,470 --> 00:36:51,720

simultaneously so the company that can't

765

00:36:56,810 --> 00:36:54,480

produce one single airplane prototype is

766

00:36:59,210 --> 00:36:56,820

is working on a whole bunch of

767

00:37:01,130 --> 00:36:59,220

prototypes at once we are undertaking

768

00:37:03,589 --> 00:37:01,140

those projects as Standalone Ventures

769

00:37:06,470 --> 00:37:03,599

whereby projects are funded on a project

770

00:37:08,990 --> 00:37:06,480

by project basis at this time we have

771

00:37:12,290 --> 00:37:09,000

projects which require total development

772

00:37:15,730 --> 00:37:12,300

costs ranging from 10 million to 4

773

00:37:19,190 --> 00:37:15,740

billion depending upon the project type

774

00:37:21,890 --> 00:37:19,200

this guy with David Wilcock on the board

775

00:37:24,829 --> 00:37:21,900

telling people they cracked listen if

776

00:37:27,050 --> 00:37:24,839

they cracked anti-gravity and air and

777

00:37:29,030 --> 00:37:27,060

free energy technology they wouldn't

778

00:37:31,010 --> 00:37:29,040

need 10 million or 4 billion dollars in

779

00:37:32,870 --> 00:37:31,020

investment I'll tell you that

780

00:37:35,210 --> 00:37:32,880

these projects are funded through either

781

00:37:36,470 --> 00:37:35,220

Equity or debt financing stavati is

782

00:37:37,910 --> 00:37:36,480

raising a portion of the total

783

00:37:40,490 --> 00:37:37,920

development costs for each individual

784

00:37:42,410 --> 00:37:40,500

prop project through an offering Equity

785

00:37:45,050 --> 00:37:42,420

or debt investment opportunities to

786

00:37:47,450 --> 00:37:45,060

private qualified accredited investors

787

00:37:49,430 --> 00:37:47,460

stavati is not a publicly traded company

788

00:37:51,650 --> 00:37:49,440

at this time and we never we may never

789

00:37:53,210 --> 00:37:51,660

be publicly traded remaining a privately

790

00:37:56,510 --> 00:37:53,220

held Corporation owned by our

791

00:37:59,329 --> 00:37:56,520

shareholders generally speaking

792

00:38:01,790 --> 00:37:59,339

we do have active private investment

793

00:38:03,410 --> 00:38:01,800

opportunities for accredited investors

794

00:38:05,150 --> 00:38:03,420

in specific projects and those

795

00:38:07,550 --> 00:38:05,160

investment opportunities are presented

796

00:38:10,130 --> 00:38:07,560

to qualified investors by private

797

00:38:12,950 --> 00:38:10,140

placement memorandums or private

798

00:38:14,510 --> 00:38:12,960

investor presentation packages many of

799

00:38:16,550 --> 00:38:14,520

the individuals who may reach out to

800

00:38:18,950 --> 00:38:16,560

David as potential investors do not

801
00:38:20,870 --> 00:38:18,960
qualify as accredited investors and

802
00:38:23,030 --> 00:38:20,880
therefore cannot participate at this

803
00:38:24,770 --> 00:38:23,040
time we appreciate their interest but

804
00:38:26,810 --> 00:38:24,780
stravati by law must limit our

805
00:38:28,970 --> 00:38:26,820
investment offers offering to accredited

806
00:38:30,710 --> 00:38:28,980
investors furthermore our principal

807
00:38:32,690 --> 00:38:30,720
offering at this time is being managed

808
00:38:35,089 --> 00:38:32,700
by Del Morgan and Company a private

809
00:38:37,010 --> 00:38:35,099
investment banking firm based in Santa

810
00:38:39,770 --> 00:38:37,020
Monica California parties interested in

811
00:38:41,630 --> 00:38:39,780
participating in investors in savadi are

812
00:38:44,030 --> 00:38:41,640
encouraged to contact L Morgan company

813
00:38:47,210 --> 00:38:44,040

and we are happy to provide that Comfort

814

00:38:49,490 --> 00:38:47,220

contact information to any qualified

815

00:38:51,109 --> 00:38:49,500

accredited investor well I'm sure if

816

00:38:53,569 --> 00:38:51,119

anybody wants to invest in this Shady

817

00:38:56,450 --> 00:38:53,579

company you can look that up on Google

818

00:38:57,829 --> 00:38:56,460

you'll find them I did I'm going to be

819

00:38:59,329 --> 00:38:57,839

calling them and asking them some

820

00:39:01,970 --> 00:38:59,339

questions

821

00:39:03,770 --> 00:39:01,980

the letter here from uh Christopher

822

00:39:05,450 --> 00:39:03,780

bescar goes on to State regarding the

823

00:39:07,490 --> 00:39:05,460

scope of investment usually the minimum

824

00:39:10,310 --> 00:39:07,500

investment amount in any stavati project

825

00:39:12,589 --> 00:39:10,320

is fifty thousand dollars or more

826

00:39:14,450 --> 00:39:12,599

for an accredited investor but each

827

00:39:16,730 --> 00:39:14,460

opportunity has its own requirements and

828

00:39:19,250 --> 00:39:16,740

budget as our minimum project size is 10

829

00:39:21,050 --> 00:39:19,260

million dollars in reality the minimum

830

00:39:23,630 --> 00:39:21,060

investment level that most investor

831

00:39:26,210 --> 00:39:23,640

investors participate at is one million

832

00:39:29,810 --> 00:39:26,220

dollars or more and this company got a

833

00:39:32,329 --> 00:39:29,820

million dollars of David Wilcox money oh

834

00:39:35,450 --> 00:39:32,339

poor David Wilcox he's gonna lose every

835

00:39:37,430 --> 00:39:35,460

penny in this stupid company

836

00:39:39,589 --> 00:39:37,440

that's Karma friends

837

00:39:40,849 --> 00:39:39,599

finally the letter goes on to state to

838

00:39:42,530 --> 00:39:40,859

have a better understanding of the

839

00:39:44,630 --> 00:39:42,540

current state of stavadia our leadership

840

00:39:46,970 --> 00:39:44,640

and our ongoing projects I've attached a

841

00:39:49,550 --> 00:39:46,980

copy of our stavati Aerospace web

842

00:39:51,290 --> 00:39:49,560

briefing for August 2022. we're going to

843

00:39:53,329 --> 00:39:51,300

get the web briefing friends we're going

844

00:39:55,910 --> 00:39:53,339

to share it with you you will find David

845

00:39:57,650 --> 00:39:55,920

Wilcock identified as a member of our

846

00:40:00,589 --> 00:39:57,660

leadership team with the title of

847

00:40:03,710 --> 00:40:00,599

director of advanced technology on page

848

00:40:04,790 --> 00:40:03,720

three of The 58-page Briefing oh it's a

849

00:40:12,890 --> 00:40:04,800

briefing

850

00:40:15,710 --> 00:40:12,900

from government people from Secret Space

851

00:40:18,109 --> 00:40:15,720

Program insiders from generals right

852

00:40:22,849 --> 00:40:18,119

they all get briefings and they get

853

00:40:24,710 --> 00:40:22,859

Intel this is a 58-page briefing hahaha

854

00:40:26,510 --> 00:40:24,720

all right finally it says to learn more

855

00:40:28,569 --> 00:40:26,520

about stavati investment opportunities

856

00:40:30,770 --> 00:40:28,579

for accredited investors you may

857

00:40:33,589 --> 00:40:30,780

complete the attached proprietary

858

00:40:36,349 --> 00:40:33,599

information agreement and return it to

859

00:40:38,630 --> 00:40:36,359

us by email upon receipt of the Pia we

860

00:40:40,370 --> 00:40:38,640

can provide additional information and

861

00:40:41,990 --> 00:40:40,380

if there are qualified individuals who

862

00:40:43,670 --> 00:40:42,000

are interested in becoming stavati

863

00:40:45,890 --> 00:40:43,680

investors we will be happy to engage

864

00:40:47,390 --> 00:40:45,900

them on an individual basis with the

865

00:40:49,550 --> 00:40:47,400

understanding that each individual

866

00:40:51,470 --> 00:40:49,560

potential investor must complete the

867

00:40:54,470 --> 00:40:51,480

attached Pia prior to receiving

868

00:40:57,650 --> 00:40:54,480

investment materials from stavati

869

00:40:59,630 --> 00:40:57,660

I hope this message helps to clarify our

870

00:41:01,930 --> 00:40:59,640

relationship with David Wilcock and his

871

00:41:06,349 --> 00:41:01,940

role as an investor shareholder director

872

00:41:08,690 --> 00:41:06,359

and he's an innovator with savadi best

873

00:41:12,250 --> 00:41:08,700

regards Chris Christopher bescar

874

00:41:15,470 --> 00:41:12,260

president and CEO of stavati Aerospace

875

00:41:18,050 --> 00:41:15,480

so here friends we have the confirmation

876
00:41:19,010 --> 00:41:18,060
that David Wilcox has invested a million

877
00:41:22,670 --> 00:41:19,020
dollars

878
00:41:24,470 --> 00:41:22,680
into this Shady company that has lied

879
00:41:27,170 --> 00:41:24,480
and said they were developing laser

880
00:41:28,930 --> 00:41:27,180
weapons for the United States military

881
00:41:31,970 --> 00:41:28,940
that wasn't true

882
00:41:35,089 --> 00:41:31,980
uh and David Wilcox has invested a

883
00:41:38,089 --> 00:41:35,099
million dollars with the Shady company

884
00:41:41,750 --> 00:41:38,099
that uh also includes as I said Bill

885
00:41:44,990 --> 00:41:41,760
McEwen who has a history of let's just

886
00:41:50,809 --> 00:41:47,870
Bill McEwen has a history of soliciting

887
00:41:53,450 --> 00:41:50,819
investor money and never producing what

888
00:41:55,849 --> 00:41:53,460

he promises and he's also on the board

889

00:41:59,510 --> 00:41:55,859

of this company he did that for a decade

890

00:42:01,849 --> 00:41:59,520

with Amiga Incorporated look it up

891

00:42:06,530 --> 00:42:01,859

now is where it gets really fun because

892

00:42:09,109 --> 00:42:06,540

we get to see uh the stavati briefing

893

00:42:11,210 --> 00:42:09,119

that talks all about all of their

894

00:42:13,849 --> 00:42:11,220

advanced technology

895

00:42:16,849 --> 00:42:13,859

and uh honestly friends it's a laugh

896

00:42:19,309 --> 00:42:16,859

Riot if you like if you like cartoon

897

00:42:21,109 --> 00:42:19,319

pictures of high-tech aircraft you'll

898

00:42:24,770 --> 00:42:21,119

love this briefing because apparently

899

00:42:28,849 --> 00:42:24,780

that's all they have and by the way I

900

00:42:30,710 --> 00:42:28,859

did send this uh document which I'm

901
00:42:35,030 --> 00:42:30,720
going to be sharing

902
00:42:38,510 --> 00:42:35,040
I I shared this document with an actual

903
00:42:41,270 --> 00:42:38,520
real verifiable aircraft designer

904
00:42:43,970 --> 00:42:41,280
and when he was done laughing he called

905
00:42:46,130 --> 00:42:43,980
me back and he said this is the

906
00:42:50,329 --> 00:42:46,140
stupidest thing I've ever seen because

907
00:42:51,410 --> 00:42:50,339
all they have here apparently are pretty

908
00:42:54,109 --> 00:42:51,420
pictures

909
00:42:56,569 --> 00:42:54,119
and what he explained to me is that in

910
00:42:59,930 --> 00:42:56,579
this briefing they are showing so many

911
00:43:02,170 --> 00:42:59,940
different aircraft that Boeing would not

912
00:43:05,390 --> 00:43:02,180
be able to do this

913
00:43:06,710 --> 00:43:05,400

that Lockheed Martin would not be able

914

00:43:08,990 --> 00:43:06,720

to do this

915

00:43:10,790 --> 00:43:09,000

you know in other words

916

00:43:14,930 --> 00:43:10,800

in order to claim that you're developing

917

00:43:17,750 --> 00:43:14,940

a prototype and to show investors you

918

00:43:20,510 --> 00:43:17,760

have to have real designs you have to

919

00:43:23,690 --> 00:43:20,520

have blueprints that would take months

920

00:43:25,910 --> 00:43:23,700

in some cases years just for the

921

00:43:28,690 --> 00:43:25,920

blueprints but we're supposed to believe

922

00:43:31,670 --> 00:43:28,700

that savati Aerospace

923

00:43:34,490 --> 00:43:31,680

uh who has been soliciting investor

924

00:43:37,250 --> 00:43:34,500

donations for a decade or more and never

925

00:43:41,170 --> 00:43:37,260

produced any workable technology or any

926
00:43:44,210 --> 00:43:41,180
airplanes or any flight tests somehow is

927
00:43:46,370 --> 00:43:44,220
simultaneously developing all of these

928
00:43:48,950 --> 00:43:46,380
different prototypes and one of those

929
00:43:53,030 --> 00:43:48,960
prototypes is a hover car

930
00:43:56,210 --> 00:43:53,040
great great so according to a real

931
00:43:59,030 --> 00:43:56,220
aircraft designer this briefing is

932
00:44:01,309 --> 00:43:59,040
garbage it's garbage and and you know

933
00:44:02,930 --> 00:44:01,319
here I have to rely on the expertise of

934
00:44:04,910 --> 00:44:02,940
I'm not an aircraft designer I don't

935
00:44:06,710 --> 00:44:04,920
know for all I know this is this is

936
00:44:10,609 --> 00:44:06,720
legitimate but according to a real

937
00:44:13,250 --> 00:44:10,619
aircraft designer no no no way this is

938
00:44:15,710 --> 00:44:13,260

all Pie in the Sky you know this is Big

939

00:44:17,990 --> 00:44:15,720

Dreams and nothing to show for it that's

940

00:44:19,089 --> 00:44:18,000

what I was told take from that what you

941

00:44:22,490 --> 00:44:19,099

will

942

00:44:24,290 --> 00:44:22,500

uh so here is

943

00:44:26,690 --> 00:44:24,300

oh you know what

944

00:44:31,370 --> 00:44:26,700

one second

945

00:44:34,069 --> 00:44:31,380

this is the savati Aerospace briefing

946

00:44:36,230 --> 00:44:34,079

oh what one second actually I'm sharing

947

00:44:38,030 --> 00:44:36,240

the wrong tab this is from their website

948

00:44:40,190 --> 00:44:38,040

let me uh

949

00:44:44,329 --> 00:44:40,200

one second

950

00:44:48,050 --> 00:44:46,430

let me make sure I'm sharing the PDF

951
00:44:51,829 --> 00:44:48,060
that they're sharing with potential

952
00:44:54,470 --> 00:44:51,839
investors and if you have uh fifty

953
00:44:56,990 --> 00:44:54,480
thousand dollars or God forbid if you

954
00:45:00,589 --> 00:44:57,000
have a million dollars to waste like

955
00:45:03,589 --> 00:45:00,599
David Wilcock uh you too can invest so

956
00:45:06,410 --> 00:45:03,599
this is the savati Aerospace briefing

957
00:45:09,109 --> 00:45:06,420
and uh you know like I said friends uh

958
00:45:11,390 --> 00:45:09,119
here is uh the designs that they claim

959
00:45:15,170 --> 00:45:11,400
that they're developing prototypes for

960
00:45:17,150 --> 00:45:15,180
and again go talk to a real aerospace

961
00:45:20,809 --> 00:45:17,160
engineer

962
00:45:23,089 --> 00:45:20,819
uh Lockheed Martin is not developing

963
00:45:24,710 --> 00:45:23,099

eight prototypes at once and by the way

964

00:45:27,890 --> 00:45:24,720

there's more than eight this is just the

965

00:45:30,290 --> 00:45:27,900

first eight that they show you uh you

966

00:45:32,329 --> 00:45:30,300

know this is not how this works this is

967

00:45:35,030 --> 00:45:32,339

not how any of this works

968

00:45:38,270 --> 00:45:35,040

so we've got sm50 a two-place sport

969

00:45:40,309 --> 00:45:38,280

plane sm27 machete close air support

970

00:45:42,650 --> 00:45:40,319

sm-28

971

00:45:43,910 --> 00:45:42,660

also machete close air support well

972

00:45:46,849 --> 00:45:43,920

those two are about the same but

973

00:45:49,309 --> 00:45:46,859

different pictures sm-31 stiletto

974

00:45:51,290 --> 00:45:49,319

trainer and light fighter and by the way

975

00:45:53,870 --> 00:45:51,300

these are jet aircraft friends do you

976
00:46:00,470 --> 00:45:53,880
have any idea how much it takes

977
00:46:04,910 --> 00:46:02,870
yeah it's a lot more than a million

978
00:46:07,790 --> 00:46:04,920
dollars that David Wilcock invested here

979
00:46:10,809 --> 00:46:07,800
we have sm-47 super machete air defense

980
00:46:14,150 --> 00:46:10,819
fighter SM 100 yes

981
00:46:17,990 --> 00:46:14,160
s-t-o-l Intermodal transport we have

982
00:46:22,069 --> 00:46:18,000
sm36 stalma multi-role fighter sm-39

983
00:46:24,650 --> 00:46:22,079
Razer air dominance fighter that one

984
00:46:27,109 --> 00:46:24,660
looks exactly like a Buck Rogers

985
00:46:28,910 --> 00:46:27,119
spaceship look it up friends go look up

986
00:46:30,770 --> 00:46:28,920
book Roger spaceship

987
00:46:33,109 --> 00:46:30,780
that's a Buck Rogers spaceship right

988
00:46:35,569 --> 00:46:33,119

there friends and here we mentioned this

989

00:46:38,690 --> 00:46:35,579

is Bill McEwen CEO

990

00:46:41,690 --> 00:46:38,700

I'm sorry c-o-o

991

00:46:45,230 --> 00:46:41,700

and Deputy CEO so the second in charge

992

00:46:47,930 --> 00:46:45,240

of stavati Aerospace is a guy who was

993

00:46:50,750 --> 00:46:47,940

sued by his investors I believe with

994

00:46:52,190 --> 00:46:50,760

Amiga Incorporated and solicited

995

00:46:55,309 --> 00:46:52,200

investor money

996

00:46:57,410 --> 00:46:55,319

from uh investors for Amiga incorporate

997

00:47:00,710 --> 00:46:57,420

it for

998

00:47:03,950 --> 00:47:00,720

years and never produced what he

999

00:47:06,230 --> 00:47:03,960

promised and in fact uh the company that

1000

00:47:08,990 --> 00:47:06,240

was developing the Next Generation Amiga

1001
00:47:12,230 --> 00:47:09,000
Incorporated operating system sued him

1002
00:47:14,630 --> 00:47:12,240
because he never paid them for all the

1003
00:47:17,630 --> 00:47:14,640
work they did to develop this next

1004
00:47:20,750 --> 00:47:17,640
Generation operating system and they the

1005
00:47:24,890 --> 00:47:20,760
company that he never paid now own

1006
00:47:27,530 --> 00:47:24,900
Amiga operating system 4.0

1007
00:47:30,230 --> 00:47:27,540
and that company is called Hyperion

1008
00:47:33,890 --> 00:47:30,240
entertainment they sued this guy Bill

1009
00:47:36,290 --> 00:47:33,900
McEwen because he never paid them and it

1010
00:47:38,450 --> 00:47:36,300
was such um

1011
00:47:42,109 --> 00:47:38,460
it was amazing actually because

1012
00:47:45,049 --> 00:47:42,119
essentially Bill McEwen uh contracted a

1013
00:47:47,329 --> 00:47:45,059

company full of programmers made them

1014

00:47:49,970 --> 00:47:47,339

work for I think it was more than a year

1015

00:47:52,490 --> 00:47:49,980

or two to develop an operating system

1016

00:47:55,609 --> 00:47:52,500

for his company then he never paid them

1017

00:47:57,470 --> 00:47:55,619

then Bill McEwen sued Hyperion Hyperion

1018

00:47:59,750 --> 00:47:57,480

sued Bill McHugh and eventually they had

1019

00:48:01,609 --> 00:47:59,760

to settle and what ended up happening is

1020

00:48:03,530 --> 00:48:01,619

the company that actually did the work

1021

00:48:06,470 --> 00:48:03,540

that bill mcewen's company never paid

1022

00:48:08,089 --> 00:48:06,480

them for ended up owning the rights to

1023

00:48:09,530 --> 00:48:08,099

the operating system because it was

1024

00:48:11,270 --> 00:48:09,540

their work they developed it and Bill

1025

00:48:13,970 --> 00:48:11,280

McEwen never paid them

1026
00:48:17,390 --> 00:48:13,980
great that's the guy who is the second

1027
00:48:19,010 --> 00:48:17,400
in charge of this Shady company and here

1028
00:48:21,650 --> 00:48:19,020
of course we have David Wilcock with

1029
00:48:23,750 --> 00:48:21,660
that famous picture that's from like 15

1030
00:48:26,329 --> 00:48:23,760
or 20 years ago that he loves that

1031
00:48:29,270 --> 00:48:26,339
headshot he's still using it

1032
00:48:33,109 --> 00:48:29,280
David Wilcock is listed as the Director

1033
00:48:34,970 --> 00:48:33,119
of advanced technology sure he is

1034
00:48:37,069 --> 00:48:34,980
come on Christopher basket or show us

1035
00:48:40,309 --> 00:48:37,079
some advanced technology that David

1036
00:48:42,290 --> 00:48:40,319
Wilcock has developed or directed for

1037
00:48:43,609 --> 00:48:42,300
your shady company

1038
00:48:45,589 --> 00:48:43,619

this

1039

00:48:48,910 --> 00:48:45,599

okay well here's where it does get

1040

00:48:52,609 --> 00:48:48,920

interesting they did actually look 2014.

1041

00:48:56,150 --> 00:48:52,619

uh but I believe there was some form of

1042

00:48:58,450 --> 00:48:56,160

stavati before this current Incarnation

1043

00:49:01,549 --> 00:48:58,460

I could be wrong but I believe there was

1044

00:49:03,650 --> 00:49:01,559

the current Incarnation was founded in

1045

00:49:06,950 --> 00:49:03,660

April 2014.

1046

00:49:10,190 --> 00:49:06,960

which means we've got uh you know

1047

00:49:13,069 --> 00:49:10,200

eight years now of not actually having

1048

00:49:14,809 --> 00:49:13,079

any products developed but for eight

1049

00:49:16,250 --> 00:49:14,819

years they have been soliciting

1050

00:49:18,890 --> 00:49:16,260

investment money

1051
00:49:20,390 --> 00:49:18,900
what does that tell you friends that for

1052
00:49:22,190 --> 00:49:20,400
eight years they've been trying to get

1053
00:49:24,349 --> 00:49:22,200
people to invest money with them and

1054
00:49:27,470 --> 00:49:24,359
have gotten people to invest money with

1055
00:49:29,390 --> 00:49:27,480
them but they have not produced a single

1056
00:49:32,030 --> 00:49:29,400
salable product

1057
00:49:34,490 --> 00:49:32,040
they have not produced any profit to my

1058
00:49:37,130 --> 00:49:34,500
knowledge in eight years all they've

1059
00:49:39,770 --> 00:49:37,140
done is solicit investor money and spend

1060
00:49:41,569 --> 00:49:39,780
investors money

1061
00:49:43,730 --> 00:49:41,579
I'd like to know who's buying

1062
00:49:45,109 --> 00:49:43,740
Christopher bescar's groceries for the

1063
00:49:46,730 --> 00:49:45,119

past eight years

1064

00:49:48,890 --> 00:49:46,740

because I don't know about you friends

1065

00:49:50,450 --> 00:49:48,900

but if I didn't work for eight years and

1066

00:49:52,430 --> 00:49:50,460

I was just developing a company for

1067

00:49:53,809 --> 00:49:52,440

eight years I'm assuming that he's

1068

00:49:56,030 --> 00:49:53,819

taking some kind of paycheck from

1069

00:49:59,089 --> 00:49:56,040

investor money while he hasn't produced

1070

00:50:01,490 --> 00:49:59,099

a single working prototype aircraft or a

1071

00:50:03,650 --> 00:50:01,500

single flight test or a single

1072

00:50:06,230 --> 00:50:03,660

piece of technology that he's been

1073

00:50:11,930 --> 00:50:08,750

then they've reorganized and they became

1074

00:50:14,030 --> 00:50:11,940

a Wyoming sea Corporation and uh my

1075

00:50:16,430 --> 00:50:14,040

little knowledge of business friends

1076

00:50:17,329 --> 00:50:16,440

tells me that they did that so that they

1077

00:50:21,230 --> 00:50:17,339

could

1078

00:50:25,490 --> 00:50:21,240

uh solicit public investor money

1079

00:50:28,130 --> 00:50:25,500

or more investor money right

1080

00:50:30,890 --> 00:50:28,140

and so they bought an abandoned aircraft

1081

00:50:33,589 --> 00:50:30,900

hangar uh at the Niagara Falls

1082

00:50:35,210 --> 00:50:33,599

International Airport on the 30th of

1083

00:50:38,210 --> 00:50:35,220

October

1084

00:50:40,190 --> 00:50:38,220

and yes it is 19.8 acres and I'm

1085

00:50:41,690 --> 00:50:40,200

assuming according to David Wilcock they

1086

00:50:44,990 --> 00:50:41,700

pretty much purchased that airplane

1087

00:50:48,410 --> 00:50:45,000

Hangar with David Wilcox million dollars

1088

00:50:49,970 --> 00:50:48,420

I would love to know what they paid for

1089

00:50:51,290 --> 00:50:49,980

it and we're going to try to find that

1090

00:50:53,390 --> 00:50:51,300

out for you

1091

00:50:56,390 --> 00:50:53,400

so here is some more information on

1092

00:50:58,069 --> 00:50:56,400

their fake airplanes uh I'm sorry I'm

1093

00:51:00,790 --> 00:50:58,079

calling them fake airplanes until I see

1094

00:51:05,030 --> 00:51:00,800

a real one they're fake airplanes right

1095

00:51:08,450 --> 00:51:05,040

and here we have uh some really nonsense

1096

00:51:11,150 --> 00:51:09,770

um

1097

00:51:13,609 --> 00:51:11,160

yeah

1098

00:51:16,730 --> 00:51:13,619

the single engine non-after burning

1099

00:51:18,710 --> 00:51:16,740

turbo fan powered close air support and

1100

00:51:20,569 --> 00:51:18,720

lead in trainer armed with a 30

1101

00:51:23,210 --> 00:51:20,579

millimeter cannon

1102

00:51:26,750 --> 00:51:23,220

and able to carry 12 000 pounds of

1103

00:51:29,690 --> 00:51:26,760

stores the sm-28 has a maximum speed of

1104

00:51:31,549 --> 00:51:29,700

0.90 Mach so it can't even go beyond

1105

00:51:35,510 --> 00:51:31,559

this this the

1106

00:51:37,730 --> 00:51:35,520

the speed of sound it is yeah and I was

1107

00:51:40,190 --> 00:51:37,740

wrong so I apologize it's not a jet

1108

00:51:43,130 --> 00:51:40,200

aircraft it's a turbofan aircraft

1109

00:51:47,630 --> 00:51:43,140

uh which is essentially a prop in a tube

1110

00:51:51,410 --> 00:51:47,640

uh for those unaware of these terms

1111

00:51:53,630 --> 00:51:51,420

uh heavily armored the sn28 can replace

1112

00:51:55,370 --> 00:51:53,640

the A10 and all other subsonic Cas

1113

00:51:58,069 --> 00:51:55,380

aircraft with greater Effectiveness

1114

00:51:59,930 --> 00:51:58,079

efficiency and survivability

1115

00:52:02,030 --> 00:51:59,940

uh

1116

00:52:03,589 --> 00:52:02,040

20 million dollars that's what they say

1117

00:52:05,690 --> 00:52:03,599

it's going to cost and friends go look

1118

00:52:10,250 --> 00:52:05,700

up what it costs to manufacture a

1119

00:52:11,870 --> 00:52:10,260

similar airplane an A-10 Warthog uh you

1120

00:52:15,470 --> 00:52:11,880

know what we'll we'll do it in real time

1121

00:52:19,609 --> 00:52:15,480

A10 warthog cost

1122

00:52:28,069 --> 00:52:21,710

then we get a sense of what they're

1123

00:52:28,079 --> 00:52:31,130

uh okay

1124

00:52:36,349 --> 00:52:32,990

one second I'm having a little bit of

1125

00:52:42,370 --> 00:52:39,170

oh one second I think I found it

1126

00:52:46,490 --> 00:52:42,380

okay so a warthog costs

1127

00:52:53,210 --> 00:52:49,849

theirs costs more than a warthog but

1128

00:52:56,329 --> 00:52:53,220

it's supposed to be better so you know

1129

00:52:58,609 --> 00:52:56,339

and then we have more pie in the sky

1130

00:53:00,010 --> 00:52:58,619

pretty pictures of airplanes this one's

1131

00:53:03,950 --> 00:53:00,020

my favorite

1132

00:53:06,170 --> 00:53:03,960

this one only costs 85 000 friends go

1133

00:53:08,329 --> 00:53:06,180

look what a single engine airplane costs

1134

00:53:10,370 --> 00:53:08,339

this is another Pie in the Sky garbage

1135

00:53:13,130 --> 00:53:10,380

promise that they're never going to

1136

00:53:14,750 --> 00:53:13,140

fulfill a two-seat sport plane for

1137

00:53:17,329 --> 00:53:14,760

eighty five thousand dollars that's less

1138

00:53:20,150 --> 00:53:17,339

than the cost of a new Corvette friends

1139

00:53:22,849 --> 00:53:20,160

uh this is a real problem and it only

1140

00:53:24,349 --> 00:53:22,859

costs 46 dollars an hour to fly it it's

1141

00:53:26,329 --> 00:53:24,359

a sport plane

1142

00:53:27,890 --> 00:53:26,339

and notice how everything looks real

1143

00:53:29,450 --> 00:53:27,900

high tech right but they don't have

1144

00:53:30,890 --> 00:53:29,460

anything to show you

1145

00:53:32,870 --> 00:53:30,900

uh

1146

00:53:34,549 --> 00:53:32,880

all of this is computer generated

1147

00:53:38,089 --> 00:53:34,559

Graphics they don't have one real

1148

00:53:44,690 --> 00:53:41,390

sport plane it's again a turbo plop

1149

00:53:47,930 --> 00:53:44,700

looks like an air jet but it isn't it's

1150

00:53:51,829 --> 00:53:47,940

just a propped airplane

1151

00:53:54,109 --> 00:53:51,839

and here we have uh Advanced fifth

1152

00:53:56,089 --> 00:53:54,119

generation supersonic trainer and light

1153

00:53:57,890 --> 00:53:56,099

fighter oh and here's another thing

1154

00:54:00,470 --> 00:53:57,900

they're telling people that these

1155

00:54:03,410 --> 00:54:00,480

prototypes have cannons on them friends

1156

00:54:05,809 --> 00:54:03,420

as a private company you can't just go

1157

00:54:08,530 --> 00:54:05,819

buy what did what did they say that just

1158

00:54:12,049 --> 00:54:08,540

occurred to me that's another garbage

1159

00:54:14,870 --> 00:54:12,059

this is so stupid

1160

00:54:17,990 --> 00:54:14,880

you can't just go buy a 30 million

1161

00:54:19,549 --> 00:54:18,000

excuse me a 30 millimeter cannon and put

1162

00:54:22,069 --> 00:54:19,559

it on an airplane

1163

00:54:24,230 --> 00:54:22,079

you can't do that friends you need a

1164

00:54:26,150 --> 00:54:24,240

government contract to do that you need

1165

00:54:29,510 --> 00:54:26,160

you know military

1166

00:54:30,950 --> 00:54:29,520

oh this is all just so stupid they're

1167

00:54:34,609 --> 00:54:30,960

telling people that they're putting 30

1168

00:54:38,210 --> 00:54:34,619

millimeter cam cannons on their fake

1169

00:54:43,190 --> 00:54:41,690

oh okay we were up to this one this is

1170

00:54:45,349 --> 00:54:43,200

the Stiletto

1171

00:54:48,890 --> 00:54:45,359

supersonic trainer

1172

00:54:53,450 --> 00:54:51,589

and it's after burning turbo fan trainer

1173

00:54:55,970 --> 00:54:53,460

and light fighter

1174

00:54:58,490 --> 00:54:55,980

and this is another jet aircraft they're

1175

00:55:00,650 --> 00:54:58,500

developing and listen like I said go

1176

00:55:02,210 --> 00:55:00,660

talk to somebody that's really in the

1177

00:55:05,450 --> 00:55:02,220

aircraft industry

1178

00:55:07,670 --> 00:55:05,460

a company does not develop all these

1179

00:55:10,190 --> 00:55:07,680

prototypes at once even Lockheed Martin

1180

00:55:14,170 --> 00:55:10,200

does not do that you know

1181

00:55:18,530 --> 00:55:14,180

uh this is absolutely Pie in the Sky

1182

00:55:24,650 --> 00:55:18,540

garbage this is this is the delusional

1183

00:55:26,930 --> 00:55:24,660

fantasies of uh a wannabe Aerospace CEO

1184

00:55:29,270 --> 00:55:26,940

but they don't have anything they've got

1185

00:55:31,490 --> 00:55:29,280

a lot of pretty pictures here but they

1186

00:55:34,609 --> 00:55:31,500

don't have anything not one prototype

1187

00:55:37,430 --> 00:55:34,619

and look at all these models right so

1188

00:55:40,250 --> 00:55:37,440

basically what they got is you know 20

1189

00:55:42,589 --> 00:55:40,260

or 30 really nice pictures of these

1190

00:55:44,930 --> 00:55:42,599

super Advanced looking aircraft that

1191

00:55:46,069 --> 00:55:44,940

they can't show anybody because they

1192

00:55:48,470 --> 00:55:46,079

don't exist

1193

00:55:50,569 --> 00:55:48,480

just like David Wilcox hover car he

1194

00:55:55,069 --> 00:55:50,579

promised us would be ready about now

1195

00:55:59,390 --> 00:55:57,710

that doesn't exist either friends

1196

00:56:05,329 --> 00:55:59,400

this is

1197

00:56:09,530 --> 00:56:05,339

the one that I believe is copied from

1198

00:56:11,870 --> 00:56:09,540

Buck Rogers the sm-39 razor is a sixth

1199

00:56:13,730 --> 00:56:11,880

generation twin engine air superiority

1200

00:56:15,730 --> 00:56:13,740

and air dominance fighter designed for

1201
00:56:18,289 --> 00:56:15,740
both land and carrier-based operations

1202
00:56:21,950 --> 00:56:18,299
powered by two Next Generation variable

1203
00:56:24,230 --> 00:56:21,960
cycle after burning turbo fans the sm-39

1204
00:56:26,809 --> 00:56:24,240
will have a maximum level speed in

1205
00:56:29,510 --> 00:56:26,819
excess of Mach 4.0

1206
00:56:31,490 --> 00:56:29,520
and again you know where are the

1207
00:56:33,109 --> 00:56:31,500
prototypes you're telling everybody this

1208
00:56:36,710 --> 00:56:33,119
thing's going to have a speed in excess

1209
00:56:39,349 --> 00:56:36,720
of Mach 4.0 that would be faster than I

1210
00:56:41,450 --> 00:56:39,359
believe the ox cart the Blackbird go

1211
00:56:43,670 --> 00:56:41,460
look up the Blackbird

1212
00:56:46,930 --> 00:56:43,680
they're promising that this is a

1213
00:56:50,150 --> 00:56:46,940

blackbird level of technology and flight

1214

00:56:52,549 --> 00:56:50,160

are they is Christopher bescar aware

1215

00:56:55,609 --> 00:56:52,559

that the fuselage of this entire thing

1216

00:56:58,010 --> 00:56:55,619

would have to be built from titanium in

1217

00:56:59,510 --> 00:56:58,020

order to even make flights at that speed

1218

00:57:01,130 --> 00:56:59,520

even

1219

00:57:03,530 --> 00:57:01,140

possible

1220

00:57:06,289 --> 00:57:03,540

but these are the things that you know

1221

00:57:07,609 --> 00:57:06,299

delusional people don't think of

1222

00:57:10,430 --> 00:57:07,619

oh

1223

00:57:13,069 --> 00:57:10,440

Here We Go Again friends this is the

1224

00:57:15,490 --> 00:57:13,079

Buck Rogers spaceship and I'm telling

1225

00:57:18,470 --> 00:57:15,500

you we can look up Buck Rogers

1226

00:57:24,890 --> 00:57:18,480

it looks just like to me it looks like

1227

00:57:24,900 --> 00:57:32,630

oh it's close enough

1228

00:57:36,650 --> 00:57:35,030

well it looks pretty similar I'll say it

1229

00:57:39,349 --> 00:57:36,660

looks pretty similar to a Buck Rogers

1230

00:57:44,150 --> 00:57:41,809

these guys are promising people A Buck

1231

00:57:46,430 --> 00:57:44,160

Rogers spaceship that's what it looks

1232

00:57:50,030 --> 00:57:46,440

like to me and here's where it gets even

1233

00:57:53,150 --> 00:57:50,040

crazier not only are they developing 20

1234

00:57:55,789 --> 00:57:53,160

or so maybe I've lost count how many

1235

00:57:58,609 --> 00:57:55,799

super Advanced aircraft they are all

1236

00:58:01,069 --> 00:57:58,619

developing prototypes for they're also

1237

00:58:03,770 --> 00:58:01,079

developing spaceships

1238

00:58:08,270 --> 00:58:05,630

here's where it gets stupid

1239

00:58:11,210 --> 00:58:08,280

David Wilcock is promising people behind

1240

00:58:13,250 --> 00:58:11,220

his 333 dollar paywall that Andrew

1241

00:58:15,829 --> 00:58:13,260

pescar was a member of the secret space

1242

00:58:17,510 --> 00:58:15,839

program and he developed spaceships for

1243

00:58:19,490 --> 00:58:17,520

the secret space program that didn't use

1244

00:58:21,470 --> 00:58:19,500

rocket technology but used all this

1245

00:58:24,289 --> 00:58:21,480

super advanced

1246

00:58:25,970 --> 00:58:24,299

physics and propulsion systems then why

1247

00:58:29,030 --> 00:58:25,980

are they developing rocket technology

1248

00:58:31,010 --> 00:58:29,040

that makes no sense David Wilcock

1249

00:58:33,589 --> 00:58:31,020

you've just contradicted your own

1250

00:58:36,049 --> 00:58:33,599

stories here this is a real

1251
00:58:37,789 --> 00:58:36,059
problem and these are launch Vehicles so

1252
00:58:41,510 --> 00:58:37,799
not only are they going to compete with

1253
00:58:43,730 --> 00:58:41,520
Lockheed Martin and all of the Boeing

1254
00:58:46,490 --> 00:58:43,740
and all of the greatest aerospace

1255
00:58:48,829 --> 00:58:46,500
companies that are designing and

1256
00:58:51,530 --> 00:58:48,839
actually manufacturing real aircraft

1257
00:58:54,230 --> 00:58:51,540
they're going to compete with Boeing

1258
00:58:56,450 --> 00:58:54,240
you know Lockheed Martin and other

1259
00:59:00,890 --> 00:58:56,460
Aerospace Giants they're also going to

1260
00:59:03,589 --> 00:59:00,900
compete with Elon Musk and uh let's see

1261
00:59:06,010 --> 00:59:03,599
uh Jeff Bezos company and Virgin

1262
00:59:09,470 --> 00:59:06,020
Galactic and and they're going to enter

1263
00:59:12,109 --> 00:59:09,480

the private space industry

1264

00:59:14,450 --> 00:59:12,119

friends do you have any idea how much

1265

00:59:17,870 --> 00:59:14,460

money it takes to develop a launch

1266

00:59:20,630 --> 00:59:17,880

capable rocket vehicle

1267

00:59:22,970 --> 00:59:20,640

it's in the billions I would think

1268

00:59:26,150 --> 00:59:22,980

and we're all just supposed to believe

1269

00:59:28,970 --> 00:59:26,160

that if you invest in this company

1270

00:59:31,789 --> 00:59:28,980

that David woke up spent a million

1271

00:59:34,789 --> 00:59:31,799

dollars on they're going to develop all

1272

00:59:37,609 --> 00:59:34,799

of these super Advanced aircraft and

1273

00:59:40,849 --> 00:59:37,619

and they're going to build a rocket ship

1274

00:59:44,030 --> 00:59:40,859

too David Wilcox company is going to

1275

00:59:46,970 --> 00:59:44,040

build a rocket ship but that's not all

1276

00:59:49,670 --> 00:59:46,980

folks there's more because David Wilcox

1277

00:59:52,390 --> 00:59:49,680

company is also going to build

1278

00:59:55,430 --> 00:59:52,400

a hover car

1279

00:59:57,589 --> 00:59:55,440

and all they have is a drawing friends

1280

01:00:00,410 --> 00:59:57,599

that's all they have it's all David

1281

01:00:02,569 --> 01:00:00,420

Wilcock has after a year

1282

01:00:05,450 --> 01:00:02,579

and promising people they would have a

1283

01:00:08,390 --> 01:00:05,460

working prototype and by the way I will

1284

01:00:10,010 --> 01:00:08,400

eat my own shoes if David Wilcock

1285

01:00:12,710 --> 01:00:10,020

tomorrow comes out with a working

1286

01:00:15,650 --> 01:00:12,720

prototype I will apologize to David

1287

01:00:18,589 --> 01:00:15,660

Wilcox for being a negative Nelly

1288

01:00:23,030 --> 01:00:18,599

and saying this is all Bull and I will

1289

01:00:24,970 --> 01:00:23,040

eat my own shoes live on our show okay I

1290

01:00:29,329 --> 01:00:24,980

will do that that's my promise to you

1291

01:00:32,690 --> 01:00:29,339

this is garbage this is the delusional

1292

01:00:34,490 --> 01:00:32,700

fantasies of a guy who uh spent too long

1293

01:00:35,990 --> 01:00:34,500

in UFO land

1294

01:00:37,370 --> 01:00:36,000

uh

1295

01:00:40,609 --> 01:00:37,380

I don't even know what this means

1296

01:00:47,210 --> 01:00:40,619

maximum speed of 250

1297

01:00:47,220 --> 01:00:52,309

ceiling limited to 5000 feet

1298

01:00:56,930 --> 01:00:55,250

a mass Market consumer product the hover

1299

01:00:59,210 --> 01:00:56,940

car will benefit from Advanced

1300

01:01:01,130 --> 01:00:59,220

propulsion great can you tell us about

1301
01:01:07,309 --> 01:01:01,140
the advanced propulsion that your hover

1302
01:01:12,349 --> 01:01:10,010
from the United States Navy and that and

1303
01:01:15,109 --> 01:01:12,359
the Navy is just going to let them steal

1304
01:01:16,789 --> 01:01:15,119
patented technology that the Navy has

1305
01:01:18,589 --> 01:01:16,799
already patented and by the way that's

1306
01:01:21,109 --> 01:01:18,599
even if it works and I don't believe

1307
01:01:23,990 --> 01:01:21,119
that that is workable real technology

1308
01:01:26,030 --> 01:01:24,000
because if it was Salvador Pious would

1309
01:01:28,670 --> 01:01:26,040
be able to show us at least a technology

1310
01:01:30,530 --> 01:01:28,680
demonstrator

1311
01:01:32,089 --> 01:01:30,540
oh and it's a four-seater so you can

1312
01:01:39,289 --> 01:01:32,099
take your whole family around in your

1313
01:01:43,309 --> 01:01:42,049

but here friends here is where it gets

1314

01:01:46,190 --> 01:01:43,319

really nutty

1315

01:01:48,130 --> 01:01:46,200

human space flight savati's Vision

1316

01:01:50,510 --> 01:01:48,140

includes the design and production of

1317

01:01:53,569 --> 01:01:50,520

interplanetary and Interstellar

1318

01:01:56,210 --> 01:01:53,579

spacecraft that's right you know all

1319

01:01:59,690 --> 01:01:56,220

those things that even NASA with the

1320

01:02:01,849 --> 01:01:59,700

full support of the the Federal Reserve

1321

01:02:05,809 --> 01:02:01,859

and the United States Government funding

1322

01:02:09,170 --> 01:02:05,819

then can't do Stefani's gonna do what

1323

01:02:10,730 --> 01:02:09,180

NASA what Russia what China and every

1324

01:02:13,789 --> 01:02:10,740

other Nation on Earth with a space

1325

01:02:15,289 --> 01:02:13,799

program could never do and that is the

1326

01:02:17,630 --> 01:02:15,299

design and the production of

1327

01:02:19,430 --> 01:02:17,640

interplanetary and Interstellar

1328

01:02:22,609 --> 01:02:19,440

spacecraft

1329

01:02:23,809 --> 01:02:22,619

stavati is pioneering Advanced Fusion

1330

01:02:27,470 --> 01:02:23,819

propulsion

1331

01:02:29,569 --> 01:02:27,480

and Starship enabling Technologies so

1332

01:02:32,150 --> 01:02:29,579

you know it's getting pretty thick in

1333

01:02:34,970 --> 01:02:32,160

here not only are they designing and

1334

01:02:38,510 --> 01:02:34,980

producing you know 20 different super

1335

01:02:41,750 --> 01:02:38,520

Advanced airplanes and they're building

1336

01:02:45,109 --> 01:02:41,760

rocket ships and they're building hover

1337

01:02:47,990 --> 01:02:45,119

cars they're also pioneering Advanced

1338

01:02:50,150 --> 01:02:48,000

Fusion propulsion and Starship enabling

1339

01:02:53,390 --> 01:02:50,160

Technologies friends

1340

01:02:56,029 --> 01:02:53,400

go hook up Fusion propulsion

1341

01:02:57,589 --> 01:02:56,039

just look it up and then come back to me

1342

01:03:00,470 --> 01:02:57,599

and let me know if you think that David

1343

01:03:03,230 --> 01:03:00,480

Wilcox Shady company here is really

1344

01:03:07,670 --> 01:03:03,240

developing Fusion propulsion

1345

01:03:12,470 --> 01:03:09,890

and but there's more friends they're

1346

01:03:15,170 --> 01:03:12,480

inner interplanetary Vehicles will

1347

01:03:17,029 --> 01:03:15,180

include orbital shuttles Moon Mars

1348

01:03:22,549 --> 01:03:17,039

transports

1349

01:03:27,170 --> 01:03:24,770

stavi's long-range Vision concentrates

1350

01:03:33,770 --> 01:03:27,180

on Interstellar spaceships for human

1351

01:03:39,230 --> 01:03:35,710

foreign

1352

01:03:41,750 --> 01:03:39,240

to realize friends

1353

01:03:43,849 --> 01:03:41,760

this is what they're telling investors

1354

01:03:46,190 --> 01:03:43,859

in their company

1355

01:03:47,450 --> 01:03:46,200

but they may be able to get away with

1356

01:03:49,910 --> 01:03:47,460

that because they're not a public

1357

01:03:56,690 --> 01:03:49,920

company they're a private company that

1358

01:04:01,430 --> 01:03:59,569

okay stavati's proposed I think it's a

1359

01:04:03,529 --> 01:04:01,440

two million dollar plant we'll have a

1360

01:04:05,150 --> 01:04:03,539

footprint of 2 million square feet and

1361

01:04:06,589 --> 01:04:05,160

provide over 2 million square feet of

1362

01:04:09,589 --> 01:04:06,599

combined office and aircraft

1363

01:04:11,630 --> 01:04:09,599

manufacturing and assembly space the 2m

1364

01:04:13,490 --> 01:04:11,640

plan is designed to manufacture three or

1365

01:04:17,510 --> 01:04:13,500

more stavadi aircraft models

1366

01:04:20,029 --> 01:04:17,520

simultaneously Under One Roof

1367

01:04:23,630 --> 01:04:20,039

and could serve as headquarters to

1368

01:04:29,510 --> 01:04:26,150

groundbreaking

1369

01:04:30,950 --> 01:04:29,520

on the iconic 2 implant is planned for

1370

01:04:33,829 --> 01:04:30,960

2024

1371

01:04:35,870 --> 01:04:33,839

2028

1372

01:04:40,069 --> 01:04:35,880

they've begun a site selection process

1373

01:04:46,130 --> 01:04:43,849

yeah so here's where it gets interesting

1374

01:04:49,809 --> 01:04:46,140

stavati Corporation has been around

1375

01:04:53,390 --> 01:04:49,819

since 1994. so

1376

01:04:55,549 --> 01:04:53,400

since 1994 they've been making all kinds

1377

01:04:57,349 --> 01:04:55,559

of Pie in the Sky promises about super

1378

01:05:00,650 --> 01:04:57,359

advanced technology that they are

1379

01:05:02,510 --> 01:05:00,660

developing and uh they have yet to

1380

01:05:04,970 --> 01:05:02,520

develop a single thing

1381

01:05:07,250 --> 01:05:04,980

that means that they have been uh

1382

01:05:09,770 --> 01:05:07,260

promising super advanced technology for

1383

01:05:11,930 --> 01:05:09,780

28 years and haven't been able to pull

1384

01:05:16,490 --> 01:05:11,940

anything off yet

1385

01:05:19,490 --> 01:05:16,500

and do you see friends uh this is how

1386

01:05:21,890 --> 01:05:19,500

it gets it gets real dicey they

1387

01:05:24,829 --> 01:05:21,900

established a valley Corporation in 1994

1388

01:05:26,770 --> 01:05:24,839

then we've got stavati Aerospace LTD

1389

01:05:30,309 --> 01:05:26,780

established in 2014

1390

01:05:33,770 --> 01:05:30,319

stavati Industries in 2016

1391

01:05:35,809 --> 01:05:33,780

stavati Europe stavati Ukraine oh that's

1392

01:05:37,849 --> 01:05:35,819

got to be going great they they've got a

1393

01:05:40,730 --> 01:05:37,859

company in Ukraine right now that's got

1394

01:05:42,829 --> 01:05:40,740

to be great for investors sure you

1395

01:05:44,690 --> 01:05:42,839

should you should invest in a company in

1396

01:05:47,049 --> 01:05:44,700

Ukraine right now

1397

01:05:50,990 --> 01:05:47,059

you know this is

1398

01:05:52,849 --> 01:05:51,000

so childish and stupid why would anybody

1399

01:05:55,069 --> 01:05:52,859

invest in a company that's putting money

1400

01:05:58,490 --> 01:05:55,079

into Ukraine right now

1401
01:06:04,069 --> 01:05:58,500
makes no sense this makes absolutely no

1402
01:06:09,049 --> 01:06:06,410
and here's their company organizational

1403
01:06:11,750 --> 01:06:09,059
here's their leadership shareholders

1404
01:06:16,010 --> 01:06:11,760
board of directors president CEO vice

1405
01:06:18,230 --> 01:06:16,020
president coo CFO CTO they've got all

1406
01:06:20,210 --> 01:06:18,240
these people who's paying all these

1407
01:06:21,529 --> 01:06:20,220
people how are they paying all these

1408
01:06:23,569 --> 01:06:21,539
people are they paying all these people

1409
01:06:24,829 --> 01:06:23,579
out of David Wilcox million dollar

1410
01:06:26,630 --> 01:06:24,839
investment

1411
01:06:28,190 --> 01:06:26,640
hahaha

1412
01:06:31,130 --> 01:06:28,200
oh

1413
01:06:34,010 --> 01:06:31,140

distinct core values Revenue creation

1414

01:06:36,490 --> 01:06:34,020

they have yet to create any Revenue

1415

01:06:40,670 --> 01:06:36,500

since 1994 but that's one of their

1416

01:06:46,849 --> 01:06:44,390

Mission Focus customer success they

1417

01:06:49,430 --> 01:06:46,859

haven't had any customers since 1994

1418

01:06:52,510 --> 01:06:49,440

near as I can tell but they're going to

1419

01:06:57,410 --> 01:06:52,520

build hover cars and spaceships and

1420

01:07:01,910 --> 01:06:59,569

new aircraft development programs are

1421

01:07:03,529 --> 01:07:01,920

funded by internal resources of stavati

1422

01:07:05,510 --> 01:07:03,539

Aerospace and Strategic investment

1423

01:07:07,190 --> 01:07:05,520

Partners through equity and debt

1424

01:07:12,589 --> 01:07:07,200

financing as well as a combination of

1425

01:07:15,890 --> 01:07:13,970

yeah

1426

01:07:17,990 --> 01:07:15,900

each aircraft program is typically

1427

01:07:20,270 --> 01:07:18,000

structured as a standalone joint venture

1428

01:07:22,490 --> 01:07:20,280

company owned by yes so it's it's a

1429

01:07:25,609 --> 01:07:22,500

Ponzi scheme

1430

01:07:27,890 --> 01:07:25,619

to me it looks it appears to be a Ponzi

1431

01:07:30,770 --> 01:07:27,900

scheme oh look more pretty pictures of

1432

01:07:34,930 --> 01:07:30,780

computer generated Graphics of airplanes

1433

01:07:40,130 --> 01:07:37,690

oh gosh

1434

01:07:43,250 --> 01:07:40,140

extensive flight and operational testing

1435

01:07:45,849 --> 01:07:43,260

to achieve military qualification or FAA

1436

01:07:49,309 --> 01:07:45,859

type and production certification

1437

01:07:51,470 --> 01:07:49,319

military air military aircraft will be

1438

01:07:54,109 --> 01:07:51,480

flight tested at airport flight test

1439

01:07:55,670 --> 01:07:54,119

center Edwards Air Force Base you know

1440

01:07:57,890 --> 01:07:55,680

what we're going to call the United

1441

01:08:00,950 --> 01:07:57,900

States Air Force and see if they have

1442

01:08:03,770 --> 01:08:00,960

any permission to to flight test their

1443

01:08:05,750 --> 01:08:03,780

so-called prototypes that don't exist I

1444

01:08:08,750 --> 01:08:05,760

think this is another Pie in the Sky

1445

01:08:12,410 --> 01:08:08,760

garbage promise to investors they have

1446

01:08:16,130 --> 01:08:12,420

not even gotten permission yet

1447

01:08:18,110 --> 01:08:16,140

haha they're also going to be using

1448

01:08:20,090 --> 01:08:18,120

China Lake will be employed throughout

1449

01:08:21,769 --> 01:08:20,100

this divided weapons system testing

1450

01:08:23,450 --> 01:08:21,779

effort they're going to be testing

1451

01:08:26,749 --> 01:08:23,460

weapons in China Lake

1452

01:08:29,630 --> 01:08:26,759

no friends no

1453

01:08:32,090 --> 01:08:29,640

this is garbage

1454

01:08:34,249 --> 01:08:32,100

full contractor logistical support of

1455

01:08:36,890 --> 01:08:34,259

comprehensive Aerospace defense

1456

01:08:40,249 --> 01:08:36,900

Enterprises

1457

01:08:44,749 --> 01:08:42,289

savadi has registered with the State

1458

01:08:47,090 --> 01:08:44,759

Department of Defense trade controls as

1459

01:08:49,789 --> 01:08:47,100

a manufacturer and exporter of U.S

1460

01:08:51,890 --> 01:08:49,799

Munitions so I guess they did that much

1461

01:08:53,990 --> 01:08:51,900

but where's the weapons can we see some

1462

01:08:55,849 --> 01:08:54,000

of them you're you're saying you've got

1463

01:08:57,709 --> 01:08:55,859

30 millimeter cannons you're strapping

1464

01:08:59,630 --> 01:08:57,719

on your uh prototypes where's the

1465

01:09:02,390 --> 01:08:59,640

where's the Cannons can we at least see

1466

01:09:09,169 --> 01:09:04,370

they just they have pretty pictures of

1467

01:09:13,669 --> 01:09:12,410

contact stravati today you too can

1468

01:09:16,189 --> 01:09:13,679

invest

1469

01:09:19,789 --> 01:09:16,199

and that's what we've got for you

1470

01:09:23,149 --> 01:09:19,799

friends this is this is absolute garbage

1471

01:09:25,309 --> 01:09:23,159

uh and you know what I think I hate to

1472

01:09:27,110 --> 01:09:25,319

be glad for someone else's Misfortune

1473

01:09:28,970 --> 01:09:27,120

but considering David Wilcock has

1474

01:09:31,610 --> 01:09:28,980

scammed so many people in the UFO

1475

01:09:36,169 --> 01:09:31,620

Community out of money

1476

01:09:37,789 --> 01:09:36,179

I uh for one I'm glad that he invested a

1477

01:09:39,410 --> 01:09:37,799

million dollars with this Shady company

1478

01:09:42,050 --> 01:09:39,420

because he's going to lose every penny

1479

01:09:44,269 --> 01:09:42,060

and by the way we have heard here that

1480

01:09:45,769 --> 01:09:44,279

his wife left him because of that he

1481

01:09:47,630 --> 01:09:45,779

gave all their money to the Shady

1482

01:09:51,530 --> 01:09:47,640

company

1483

01:09:59,810 --> 01:09:57,050

yeah so uh if we we will check in with

1484

01:10:02,149 --> 01:09:59,820

uh our supporters here uh just so

1485

01:10:05,209 --> 01:10:02,159

everybody is aware we read and thank

1486

01:10:07,729 --> 01:10:05,219

every single super chatter and uh PayPal

1487

01:10:10,010 --> 01:10:07,739

Pledger new members we call out and

1488

01:10:11,750 --> 01:10:10,020

thank if you become a new member you can

1489

01:10:13,970 --> 01:10:11,760

become a patreon supporter and get some

1490

01:10:15,530 --> 01:10:13,980

extra content that's a buck a month and

1491

01:10:17,390 --> 01:10:15,540

the become a channel members five bucks

1492

01:10:20,450 --> 01:10:17,400

a month you get all the patreon links

1493

01:10:25,250 --> 01:10:20,460

and benefits plus more

1494

01:10:31,550 --> 01:10:25,260

okay so uh we're gonna check in with the

1495

01:10:36,950 --> 01:10:35,270

one second here okay we had we had Lord

1496

01:10:40,270 --> 01:10:36,960

ludicrous so we've already done that

1497

01:10:42,530 --> 01:10:40,280

let's check in with the PayPal pledgers

1498

01:10:44,390 --> 01:10:42,540

uh we want to thank each and every one

1499

01:10:46,490 --> 01:10:44,400

of you kind and generous benefactors

1500

01:10:48,590 --> 01:10:46,500

it's due to your kindness generosity and

1501
01:10:51,770 --> 01:10:48,600
support that we can bring you the real

1502
01:10:54,709 --> 01:10:51,780
truth behind some of this stuff

1503
01:10:57,050 --> 01:10:54,719
okay uh

1504
01:10:59,149 --> 01:10:57,060
one second here we do have a PayPal

1505
01:11:01,189 --> 01:10:59,159
pledge

1506
01:11:03,290 --> 01:11:01,199
from Christopher kindly generous 10

1507
01:11:05,270 --> 01:11:03,300
PayPal pledge so we thank you for your

1508
01:11:07,189 --> 01:11:05,280
kindness generosity and your support it

1509
01:11:09,709 --> 01:11:07,199
is much much appreciated

1510
01:11:12,290 --> 01:11:09,719
uh anyone else feeling generous you can

1511
01:11:14,270 --> 01:11:12,300
use the super chat or the PayPal uh

1512
01:11:16,250 --> 01:11:14,280
buttons that are in the description of

1513
01:11:18,590 --> 01:11:16,260

the video to throw a couple of bucks in

1514

01:11:20,510 --> 01:11:18,600

our hat otherwise we'll take some

1515

01:11:31,689 --> 01:11:20,520

comments and questions from the live

1516

01:11:36,649 --> 01:11:34,550

elegant pause one says Wilcox is a

1517

01:11:39,350 --> 01:11:36,659

conscious scam artist I also suspect the

1518

01:11:42,410 --> 01:11:39,360

lift does not go all the way to the top

1519

01:11:43,330 --> 01:11:42,420

yeah I used to think that he was just a

1520

01:11:46,490 --> 01:11:43,340

really

1521

01:11:48,950 --> 01:11:46,500

intelligent scammer but the more I

1522

01:11:51,350 --> 01:11:48,960

observe him I think he's stupid as

1523

01:11:53,450 --> 01:11:51,360

that's what I think he is really dumb

1524

01:11:55,310 --> 01:11:53,460

and believes anybody that comes to him

1525

01:11:57,950 --> 01:11:55,320

talking about aliens or secret space

1526

01:12:00,350 --> 01:11:57,960

program he just believes him and then he

1527

01:12:03,169 --> 01:12:00,360

does not vet any of them he doesn't

1528

01:12:05,330 --> 01:12:03,179

check their claims of Education or work

1529

01:12:07,189 --> 01:12:05,340

history he just runs with their fake

1530

01:12:09,110 --> 01:12:07,199

alien stories because he can make money

1531

01:12:11,270 --> 01:12:09,120

from it right

1532

01:12:15,649 --> 01:12:11,280

hahaha

1533

01:12:17,090 --> 01:12:15,659

Mark D truth Seeker says I think Wilcox

1534

01:12:19,550 --> 01:12:17,100

isn't smart enough to stay out of prison

1535

01:12:22,310 --> 01:12:19,560

like Greer and Linda Moulton Hal one day

1536

01:12:23,870 --> 01:12:22,320

he is going to slip well he's already

1537

01:12:27,830 --> 01:12:23,880

to the best of my knowledge and trouble

1538

01:12:29,450 --> 01:12:27,840

with the IRS for unpaid taxes

1539

01:12:31,610 --> 01:12:29,460

um and then there's that whole charity

1540

01:12:33,890 --> 01:12:31,620

debacle he's going to have to explain

1541

01:12:36,890 --> 01:12:33,900

where all that charity money went he's

1542

01:12:38,870 --> 01:12:36,900

doing a terrible job uh trying to spend

1543

01:12:42,290 --> 01:12:38,880

it all on himself when it's supposed to

1544

01:12:46,570 --> 01:12:42,300

be going to charitable use

1545

01:12:51,290 --> 01:12:49,550

elegant Paws says Dolan is a mess in a

1546

01:12:54,050 --> 01:12:51,300

cross between a Libertarian and a right

1547

01:12:55,729 --> 01:12:54,060

wing fascist oh by the way

1548

01:13:01,250 --> 01:12:55,739

I

1549

01:13:04,370 --> 01:13:01,260

story and many people would like me to

1550

01:13:07,850 --> 01:13:04,380

so here's my two cents

1551

01:13:09,410 --> 01:13:07,860

since we broke the story Yesterday by

1552

01:13:13,850 --> 01:13:09,420

the way another exclusive story

1553

01:13:18,890 --> 01:13:13,860

yesterday from True Seekers here on uh

1554

01:13:23,450 --> 01:13:18,900

the fact that kgra the Paranormal Show

1555

01:13:37,729 --> 01:13:25,729

a

1556

01:13:40,130 --> 01:13:37,739

um

1557

01:13:43,490 --> 01:13:40,140

I have dealt with a lot of garbage

1558

01:13:46,250 --> 01:13:43,500

people today and just as I always say

1559

01:13:49,610 --> 01:13:46,260

what happens when we catch these slimy

1560

01:13:52,030 --> 01:13:49,620

UFO celebrities doing slimy things what

1561

01:13:55,729 --> 01:13:52,040

happens when we have facts and evidence

1562

01:13:57,410 --> 01:13:55,739

and dead to right can prove that they're

1563

01:14:01,010 --> 01:13:57,420

doing slimy things

1564

01:14:04,310 --> 01:14:01,020

outcome the nameless faceless new

1565

01:14:06,770 --> 01:14:04,320

Twitter accounts to attack me to tell

1566

01:14:09,830 --> 01:14:06,780

everybody how wrong I am to muddy the

1567

01:14:12,229 --> 01:14:09,840

waters and more but remember we have a

1568

01:14:14,510 --> 01:14:12,239

defense for that now and that would be

1569

01:14:18,830 --> 01:14:14,520

stop the app and here's how we stop the

1570

01:14:21,830 --> 01:14:18,840

op when we catch UFO celebrities doing

1571

01:14:26,090 --> 01:14:21,840

slimy things like working with and for

1572

01:14:31,070 --> 01:14:28,550

and those nameless faceless Twitter

1573

01:14:32,990 --> 01:14:31,080

accounts start coming at us to muddy the

1574

01:14:35,689 --> 01:14:33,000

waters tell everybody how wrong here's

1575

01:14:38,570 --> 01:14:35,699

the issue the issue I'm getting attacked

1576

01:14:41,810 --> 01:14:38,580

for is I said that my sources believe

1577

01:14:44,330 --> 01:14:41,820

that all the people working at kgra were

1578

01:14:47,149 --> 01:14:44,340

aware that they were working with and

1579

01:14:49,070 --> 01:14:47,159

for a convicted child rapist

1580

01:14:51,470 --> 01:14:49,080

that's what my sources told me but

1581

01:14:54,169 --> 01:14:51,480

because I didn't name the sources I'm

1582

01:14:55,430 --> 01:14:54,179

just making up things right and

1583

01:14:57,350 --> 01:14:55,440

everybody knows how I feel about

1584

01:15:00,590 --> 01:14:57,360

Anonymous sources but in this

1585

01:15:03,290 --> 01:15:00,600

circumstance you can understand this

1586

01:15:05,030 --> 01:15:03,300

dirty involving a convicted child

1587

01:15:07,550 --> 01:15:05,040

rapist people don't want their names

1588

01:15:09,950 --> 01:15:07,560

associated with that so people came to

1589

01:15:12,110 --> 01:15:09,960

me in confidence and told me some things

1590

01:15:15,290 --> 01:15:12,120

about that situation

1591

01:15:16,630 --> 01:15:15,300

and you know

1592

01:15:19,610 --> 01:15:16,640

friends

1593

01:15:22,970 --> 01:15:19,620

so this is what we do when confronted by

1594

01:15:25,970 --> 01:15:22,980

the nameless faceless cowards that are

1595

01:15:28,850 --> 01:15:25,980

defending UFO celebrities working with

1596

01:15:30,490 --> 01:15:28,860

and for convicted child rapists that's

1597

01:15:33,970 --> 01:15:30,500

what they're defending isn't this great

1598

01:15:37,669 --> 01:15:33,980

what moral and ethical wonderful people

1599

01:15:41,570 --> 01:15:37,679

will come on Twitter and attack me and

1600

01:15:44,570 --> 01:15:41,580

defend people's right to work with and

1601
01:15:46,490 --> 01:15:44,580
for convicted child rapists while

1602
01:15:48,530 --> 01:15:46,500
they're running shows where they're

1603
01:15:50,930 --> 01:15:48,540
telling people we're going to get to the

1604
01:15:52,189 --> 01:15:50,940
truth about those aliens right we're

1605
01:15:54,709 --> 01:15:52,199
going to get to the we're going to bring

1606
01:15:56,810 --> 01:15:54,719
you the truth about those aliens but

1607
01:15:58,490 --> 01:15:56,820
we're just not going to tell you that

1608
01:16:01,790 --> 01:15:58,500
while we're doing all this us we're

1609
01:16:04,430 --> 01:16:01,800
working with and for convicted child

1610
01:16:07,729 --> 01:16:04,440
rapists friends

1611
01:16:09,649 --> 01:16:07,739
so I use my graphic and this is how we

1612
01:16:12,709 --> 01:16:09,659
stop the up

1613
01:16:15,290 --> 01:16:12,719

why am I under attack did I work for

1614

01:16:18,010 --> 01:16:15,300

convicted child rapists

1615

01:16:22,850 --> 01:16:18,020

did I hide from my audience the fact

1616

01:16:26,689 --> 01:16:22,860

that my network that my show is on is

1617

01:16:29,630 --> 01:16:26,699

being run by convicted child rapists no

1618

01:16:31,610 --> 01:16:29,640

I told people the truth and for that I

1619

01:16:34,370 --> 01:16:31,620

get attacked belittled harassed

1620

01:16:36,770 --> 01:16:34,380

threatened intimidated by nameless

1621

01:16:39,649 --> 01:16:36,780

faceless cowards

1622

01:16:40,370 --> 01:16:39,659

hiding behind sock puppet accounts on

1623

01:16:42,649 --> 01:16:40,380

Twitter

1624

01:16:45,290 --> 01:16:42,659

but it's okay because we show this

1625

01:16:47,030 --> 01:16:45,300

graphic I have adopted a policy of not

1626
01:16:49,610 --> 01:16:47,040
engaging with nameless faceless Twitter

1627
01:16:51,830 --> 01:16:49,620
accounts if these UFO celebrities

1628
01:16:54,590 --> 01:16:51,840
working for child rapists want to muddy

1629
01:16:57,649 --> 01:16:54,600
the waters and defend themselves let

1630
01:17:01,130 --> 01:16:57,659
them do it with their own names let them

1631
01:17:02,390 --> 01:17:01,140
do it with their own faces not my

1632
01:17:04,790 --> 01:17:02,400
friends

1633
01:17:06,950 --> 01:17:04,800
with nameless faceless Twitter accounts

1634
01:17:09,530 --> 01:17:06,960
that are all anonymous

1635
01:17:12,590 --> 01:17:09,540
and isn't it great that the only people

1636
01:17:15,790 --> 01:17:12,600
willing to defend these despicable

1637
01:17:19,070 --> 01:17:15,800
people working for child rapists

1638
01:17:20,810 --> 01:17:19,080

is nameless faceless Anonymous accounts

1639

01:17:23,270 --> 01:17:20,820

but it's okay

1640

01:17:25,669 --> 01:17:23,280

now I I'm just gonna post the graphics

1641

01:17:27,890 --> 01:17:25,679

but I did fall into it and didn't

1642

01:17:31,370 --> 01:17:27,900

realize I was conversing with one of the

1643

01:17:35,390 --> 01:17:31,380

nameless faceless uh

1644

01:17:38,689 --> 01:17:35,400

idiots defending and let's be clear they

1645

01:17:41,450 --> 01:17:38,699

were defending UFO celebrities working

1646

01:17:44,750 --> 01:17:41,460

for child rapists and I'm the bad guy

1647

01:17:47,330 --> 01:17:44,760

and their argument was there's no proof

1648

01:17:49,490 --> 01:17:47,340

that they didn't that they knew they

1649

01:17:52,970 --> 01:17:49,500

were working for child rapists

1650

01:17:57,770 --> 01:17:52,980

and by the way in at least a few cases

1651

01:18:00,590 --> 01:17:57,780

I am aware of two specific shows on that

1652

01:18:04,370 --> 01:18:00,600

Network that did not know

1653

01:18:07,910 --> 01:18:04,380

and those would be uh Jesse muffon Jesse

1654

01:18:10,070 --> 01:18:07,920

he didn't know he had no idea and uh Lou

1655

01:18:12,890 --> 01:18:10,080

from unidentified celebrity review those

1656

01:18:14,330 --> 01:18:12,900

two guys I'm sure based on sources and

1657

01:18:15,169 --> 01:18:14,340

other available information they didn't

1658

01:18:18,290 --> 01:18:15,179

know

1659

01:18:19,669 --> 01:18:18,300

that they were involved with that so

1660

01:18:22,669 --> 01:18:19,679

they get a pass

1661

01:18:24,890 --> 01:18:22,679

and they should they didn't know if you

1662

01:18:28,490 --> 01:18:24,900

didn't know you're working for convicted

1663

01:18:31,790 --> 01:18:28,500

child rapist convicted pedophile violent

1664

01:18:34,490 --> 01:18:31,800

child-related sexual predator then it's

1665

01:18:37,070 --> 01:18:34,500

not your fault but we have information

1666

01:18:40,010 --> 01:18:37,080

that they that these UFO celebrities the

1667

01:18:42,649 --> 01:18:40,020

bigger names did know

1668

01:18:45,590 --> 01:18:42,659

and besides the sources who told me that

1669

01:18:47,990 --> 01:18:45,600

they knew there is other substantial and

1670

01:18:50,030 --> 01:18:48,000

supportive evidence that they knew or

1671

01:18:53,390 --> 01:18:50,040

they should have known because there are

1672

01:18:57,530 --> 01:18:53,400

public posts about this convicted child

1673

01:18:59,450 --> 01:18:57,540

rapist that go back to 2016.

1674

01:19:03,410 --> 01:18:59,460

and those posts

1675

01:19:05,990 --> 01:19:03,420

where I'm told a big uproar for a little

1676

01:19:09,290 --> 01:19:06,000

while but then it all got swept under

1677

01:19:13,370 --> 01:19:09,300

the rug so about those UFO celebrities

1678

01:19:15,830 --> 01:19:13,380

that were working at kgra at the time

1679

01:19:18,470 --> 01:19:15,840

that those posts in 2016 were made

1680

01:19:21,290 --> 01:19:18,480

everybody heard about that

1681

01:19:23,510 --> 01:19:21,300

so those UFO celebrities either knew

1682

01:19:24,790 --> 01:19:23,520

or they should have known that they were

1683

01:19:28,910 --> 01:19:24,800

working

1684

01:19:32,570 --> 01:19:28,920

with a convicted child sexual predator a

1685

01:19:35,630 --> 01:19:32,580

violent child sexual predator

1686

01:19:38,510 --> 01:19:35,640

but it gets worse friends it gets so

1687

01:19:40,910 --> 01:19:38,520

much worse uh because it would appear

1688

01:19:43,490 --> 01:19:40,920

that kgra

1689

01:19:47,390 --> 01:19:43,500

knowingly

1690

01:19:50,570 --> 01:19:47,400

hired a convicted child rapist

1691

01:19:54,590 --> 01:19:50,580

and uh we have proof of that we have

1692

01:19:57,649 --> 01:19:54,600

proof that kdra knew

1693

01:20:00,110 --> 01:19:57,659

that they were hiring a convicted child

1694

01:20:02,570 --> 01:20:00,120

rapist

1695

01:20:05,990 --> 01:20:02,580

and then

1696

01:20:08,990 --> 01:20:06,000

admitted it and defended hiring a

1697

01:20:11,510 --> 01:20:09,000

convicted child rapist

1698

01:20:13,490 --> 01:20:11,520

and you may be interested to know that

1699

01:20:16,310 --> 01:20:13,500

the person who hired the convicted child

1700

01:20:20,689 --> 01:20:16,320

rapist is the person who Jimmy church is

1701
01:20:22,970 --> 01:20:20,699
now working with from k-u-n-x that my

1702
01:20:26,510 --> 01:20:22,980
friends is the person

1703
01:20:29,689 --> 01:20:26,520
who hired knowingly hired a convicted

1704
01:20:33,410 --> 01:20:29,699
child rapist to be a producer to be a

1705
01:20:36,649 --> 01:20:33,420
program director or whatever and I would

1706
01:20:39,709 --> 01:20:36,659
just submit to you that I guess we all

1707
01:20:42,290 --> 01:20:39,719
have to make our choices myself I would

1708
01:20:43,490 --> 01:20:42,300
not work with or for a convicted

1709
01:20:45,590 --> 01:20:43,500
pedophile

1710
01:20:49,970 --> 01:20:45,600
not knowingly

1711
01:20:52,669 --> 01:20:49,980
and additionally I would not work with

1712
01:20:55,790 --> 01:20:52,679
or for someone who would hire a

1713
01:20:58,010 --> 01:20:55,800

convicted pedophile knowingly

1714

01:21:00,350 --> 01:20:58,020

um and and this my friends is where it

1715

01:21:02,810 --> 01:21:00,360

gets dirty and slimy

1716

01:21:06,530 --> 01:21:02,820

so what we've got is the guy who runs

1717

01:21:08,209 --> 01:21:06,540

k-u-n-x hired knowingly hired a

1718

01:21:11,030 --> 01:21:08,219

convicted pedophile

1719

01:21:13,310 --> 01:21:11,040

he knew that he was a child rapist

1720

01:21:16,970 --> 01:21:13,320

and he hired him anyway

1721

01:21:19,669 --> 01:21:16,980

and then we get

1722

01:21:21,410 --> 01:21:19,679

all of the UFO celebrities working at

1723

01:21:24,070 --> 01:21:21,420

kgra

1724

01:21:26,390 --> 01:21:24,080

so far none of them have commented

1725

01:21:28,790 --> 01:21:26,400

except for the few that I'm aware that

1726

01:21:30,229 --> 01:21:28,800

didn't have any idea and you know I have

1727

01:21:32,209 --> 01:21:30,239

sympathy for them it's not their fault

1728

01:21:34,010 --> 01:21:32,219

they didn't know

1729

01:21:37,669 --> 01:21:34,020

uh so we've got all these UFO

1730

01:21:41,930 --> 01:21:37,679

celebrities that worked knowingly for

1731

01:21:43,910 --> 01:21:41,940

the convicted pedophile Squad right

1732

01:21:50,390 --> 01:21:43,920

well that's not maybe a fair

1733

01:21:56,090 --> 01:21:53,270

I'm gonna share something and and this

1734

01:21:59,030 --> 01:21:56,100

is for the benefit of the idiots

1735

01:22:02,270 --> 01:21:59,040

that are defending the UFO celebrities

1736

01:22:06,169 --> 01:22:02,280

working with and for a convicted child

1737

01:22:09,649 --> 01:22:06,179

rapist and let me remind everyone that

1738

01:22:11,090 --> 01:22:09,659

Jimmy Church left kgra in October of

1739

01:22:14,209 --> 01:22:11,100

2021

1740

01:22:16,970 --> 01:22:14,219

right after I put Jimmy church and

1741

01:22:21,050 --> 01:22:16,980

Richard Dolan on blast for working for

1742

01:22:23,990 --> 01:22:21,060

j3 films who was at the time and is

1743

01:22:26,450 --> 01:22:24,000

still right now promoting and profiting

1744

01:22:30,290 --> 01:22:26,460

from a film about a kiddie porn

1745

01:22:32,270 --> 01:22:30,300

collector Stanley Romanek look it up the

1746

01:22:33,770 --> 01:22:32,280

Stanley Romanek Story it was produced by

1747

01:22:35,689 --> 01:22:33,780

j3 films

1748

01:22:38,450 --> 01:22:35,699

and apparently

1749

01:22:41,990 --> 01:22:38,460

Jimmy church and Richard Dolan

1750

01:22:44,450 --> 01:22:42,000

who had to be aware by this time that j3

1751

01:22:46,850 --> 01:22:44,460

films produced a documentary about a

1752

01:22:50,030 --> 01:22:46,860

kitty porn collector in the form of

1753

01:22:52,310 --> 01:22:50,040

Stanley Romanek who got arrested and

1754

01:22:55,129 --> 01:22:52,320

convicted and is now serving jail time

1755

01:22:57,830 --> 01:22:55,139

for collecting kiddie porn and by the

1756

01:22:58,910 --> 01:22:57,840

way that lovely man tried to blame it on

1757

01:23:00,890 --> 01:22:58,920

his son

1758

01:23:02,930 --> 01:23:00,900

why there was all that kitty porn on all

1759

01:23:04,610 --> 01:23:02,940

of his computers he also during the

1760

01:23:06,770 --> 01:23:04,620

court proceedings tried to blame the Men

1761

01:23:08,629 --> 01:23:06,780

in Black you know he the Men in Black

1762

01:23:10,550 --> 01:23:08,639

put the kitty porn on all his computers

1763

01:23:12,950 --> 01:23:10,560

in his house because he was getting too

1764

01:23:15,590 --> 01:23:12,960

close to the truth about aliens so

1765

01:23:19,070 --> 01:23:15,600

there's the timeline for you

1766

01:23:21,590 --> 01:23:19,080

uh right around September

1767

01:23:24,590 --> 01:23:21,600

I believe to the best of my recollection

1768

01:23:27,050 --> 01:23:24,600

you know we did a show talking about how

1769

01:23:29,450 --> 01:23:27,060

Jimmy church and Richard Dolan were

1770

01:23:32,570 --> 01:23:29,460

working for a company that was profiting

1771

01:23:35,570 --> 01:23:32,580

from and promoting a documentary about a

1772

01:23:39,530 --> 01:23:35,580

kiddie porn collector at that time Jimmy

1773

01:23:40,669 --> 01:23:39,540

church was working for kgra working with

1774

01:23:43,490 --> 01:23:40,679

them

1775

01:23:47,590 --> 01:23:43,500

with and for

1776

01:23:54,530 --> 01:23:51,110

and then in October

1777

01:23:57,890 --> 01:23:54,540

after the news that Jimmy church is

1778

01:24:01,070 --> 01:23:57,900

working for j3 films who was promoting

1779

01:24:03,410 --> 01:24:01,080

and profiting from a documentary

1780

01:24:05,629 --> 01:24:03,420

about a kitty-born collector now again

1781

01:24:08,149 --> 01:24:05,639

it's not really the documentaries not

1782

01:24:10,070 --> 01:24:08,159

about a kitty porn collector but instead

1783

01:24:12,229 --> 01:24:10,080

of taking that film down when the

1784

01:24:13,250 --> 01:24:12,239

subject of their film Stan Romanek got

1785

01:24:16,010 --> 01:24:13,260

busted

1786

01:24:18,350 --> 01:24:16,020

arrested and convicted for being in

1787

01:24:20,510 --> 01:24:18,360

possession of hordes of child

1788

01:24:22,490 --> 01:24:20,520

pornography they didn't take that film

1789

01:24:24,890 --> 01:24:22,500

they all know they kept promoting it and

1790

01:24:26,990 --> 01:24:24,900

profiting from it and to this day you

1791

01:24:29,570 --> 01:24:27,000

can go on J-3 films and they still list

1792

01:24:32,209 --> 01:24:29,580

that film like they're proud of the

1793

01:24:35,030 --> 01:24:32,219

documentary they produced about who we

1794

01:24:37,129 --> 01:24:35,040

now know is a Despicable Kitty porn

1795

01:24:40,490 --> 01:24:37,139

aficionado

1796

01:24:43,250 --> 01:24:40,500

and Jimmy church and David Wilcock and

1797

01:24:46,970 --> 01:24:43,260

others worked

1798

01:24:49,370 --> 01:24:46,980

for the same company j3 films

1799

01:24:53,090 --> 01:24:49,380

and Jimmy church and Richard Dolan

1800

01:24:57,290 --> 01:24:53,100

worked for the company kgra who

1801
01:24:59,629 --> 01:24:57,300
knowingly hired a child rapist how do I

1802
01:25:01,910 --> 01:24:59,639
know that they knew they were hiring a

1803
01:25:04,450 --> 01:25:01,920
child rapist because the person who

1804
01:25:06,229 --> 01:25:04,460
hired him

1805
01:25:09,169 --> 01:25:06,239
defended

1806
01:25:11,629 --> 01:25:09,179
his hiring of a

1807
01:25:16,189 --> 01:25:11,639
child rapist

1808
01:25:19,370 --> 01:25:16,199
and this is from race Hobbs who is the

1809
01:25:21,290 --> 01:25:19,380
head of programming at the time of kgra

1810
01:25:24,350 --> 01:25:21,300
digital media

1811
01:25:26,870 --> 01:25:24,360
and in this post

1812
01:25:29,330 --> 01:25:26,880
he says

1813
01:25:31,669 --> 01:25:29,340

this is one of the many personal attacks

1814

01:25:33,890 --> 01:25:31,679

against me not bill

1815

01:25:36,410 --> 01:25:33,900

as Jeff has found himself over and over

1816

01:25:39,050 --> 01:25:36,420

again at the bottom of back as levied

1817

01:25:41,810 --> 01:25:39,060

against me in kgra digital broadcasting

1818

01:25:43,910 --> 01:25:41,820

uh and by the way everything to my

1819

01:25:47,090 --> 01:25:43,920

knowledge that this person Jeff

1820

01:25:50,450 --> 01:25:47,100

said about them was true he said that

1821

01:25:53,030 --> 01:25:50,460

they were employing a child rapist and

1822

01:25:55,430 --> 01:25:53,040

anyone can check the public records we

1823

01:25:58,850 --> 01:25:55,440

shared them on last night's show

1824

01:26:00,950 --> 01:25:58,860

this Mr Hobbs

1825

01:26:03,950 --> 01:26:00,960

race Hobbs

1826

01:26:08,270 --> 01:26:03,960

it's a fact knowingly

1827

01:26:10,010 --> 01:26:08,280

and willingly hired a convicted child

1828

01:26:11,629 --> 01:26:10,020

rapist

1829

01:26:14,450 --> 01:26:11,639

a man

1830

01:26:19,129 --> 01:26:14,460

who is a sexual

1831

01:26:22,010 --> 01:26:19,139

excuse me violent sexual predator who

1832

01:26:24,229 --> 01:26:22,020

raped a 13 year old boy he knew about

1833

01:26:30,770 --> 01:26:24,239

the case he knew the specifics of the

1834

01:26:35,090 --> 01:26:33,110

I wanted to go on the record regarding

1835

01:26:38,030 --> 01:26:35,100

Bill his arrest record and his position

1836

01:26:39,350 --> 01:26:38,040

here with kgra when we put out the word

1837

01:26:42,169 --> 01:26:39,360

that we were looking for intern

1838

01:26:44,330 --> 01:26:42,179

producers Bill Forte was among the few

1839

01:26:45,950 --> 01:26:44,340

that responded with the equipment and

1840

01:26:49,189 --> 01:26:45,960

the background requirements needed for

1841

01:26:53,209 --> 01:26:49,199

the position I love that you know listen

1842

01:26:56,450 --> 01:26:53,219

I'm I I needed a producer and yeah that

1843

01:26:58,729 --> 01:26:56,460

guy raped a 13 year old boy and he's a

1844

01:27:00,830 --> 01:26:58,739

violent sexual predator who was also

1845

01:27:03,410 --> 01:27:00,840

convicted for being in possession of

1846

01:27:05,810 --> 01:27:03,420

child pornography but we needed a

1847

01:27:09,110 --> 01:27:05,820

producer and

1848

01:27:11,030 --> 01:27:09,120

William Forte the child rapist was among

1849

01:27:12,530 --> 01:27:11,040

the few that responded and he had the

1850

01:27:14,930 --> 01:27:12,540

equipment and the background

1851
01:27:17,390 --> 01:27:14,940
requirements needed for the position

1852
01:27:19,970 --> 01:27:17,400
well I would submit to anyone within the

1853
01:27:22,629 --> 01:27:19,980
sound of my voice that no matter how bad

1854
01:27:25,669 --> 01:27:22,639
you need a producer or any employee

1855
01:27:29,030 --> 01:27:25,679
maybe just maybe if you have a choice

1856
01:27:31,610 --> 01:27:29,040
between hiring no one and hiring a

1857
01:27:33,410 --> 01:27:31,620
convicted child rapist who's also

1858
01:27:35,270 --> 01:27:33,420
convicted of being in possession of

1859
01:27:37,729 --> 01:27:35,280
child pornography

1860
01:27:40,910 --> 01:27:37,739
you should hire no one and just wait

1861
01:27:43,189 --> 01:27:40,920
until you can find a non-child rapist

1862
01:27:47,810 --> 01:27:43,199
with the right equipment and background

1863
01:27:51,890 --> 01:27:50,510

this race Hobbs goes on to say I want it

1864

01:27:53,750 --> 01:27:51,900

to be known that the first thing bill

1865

01:27:57,110 --> 01:27:53,760

made me aware of was his arrest record

1866

01:28:00,110 --> 01:27:57,120

so there we have the proof that the

1867

01:28:03,050 --> 01:28:00,120

people at kgra that hired the child

1868

01:28:05,510 --> 01:28:03,060

rapist knew of his arrest record they

1869

01:28:06,830 --> 01:28:05,520

knew he was a child rapist they hired

1870

01:28:08,750 --> 01:28:06,840

him anyway

1871

01:28:10,970 --> 01:28:08,760

the specific charge he was arrested for

1872

01:28:14,090 --> 01:28:10,980

and the details of the case could you

1873

01:28:16,189 --> 01:28:14,100

imagine that job interview hi race Hobbs

1874

01:28:18,169 --> 01:28:16,199

my name is William Forte and I heard you

1875

01:28:21,350 --> 01:28:18,179

need a producer for your paranormal

1876

01:28:23,510 --> 01:28:21,360

radio network your podcast Network

1877

01:28:25,970 --> 01:28:23,520

um I just want to let you know before we

1878

01:28:28,850 --> 01:28:25,980

continue with the interview that I raped

1879

01:28:30,470 --> 01:28:28,860

the 13 year old boy but don't worry I've

1880

01:28:32,890 --> 01:28:30,480

got the equipment that this position

1881

01:28:37,550 --> 01:28:32,900

needs so let's continue

1882

01:28:40,910 --> 01:28:37,560

why would race Hobbs just continue with

1883

01:28:43,970 --> 01:28:40,920

an interview of a child rapist this is

1884

01:28:46,850 --> 01:28:43,980

the disgusting deplorable nature of

1885

01:28:50,149 --> 01:28:46,860

these UFO profiteers they don't care

1886

01:28:52,189 --> 01:28:50,159

about morality they don't care about

1887

01:28:55,129 --> 01:28:52,199

ethics and they don't care about the

1888

01:28:58,430 --> 01:28:55,139

truth they care about those Almighty UFO

1889

01:29:03,530 --> 01:29:01,189

I asked him for further details

1890

01:29:05,149 --> 01:29:03,540

then ended the phone call with him and

1891

01:29:07,490 --> 01:29:05,159

began my own research with the

1892

01:29:09,350 --> 01:29:07,500

information he provided after several

1893

01:29:11,990 --> 01:29:09,360

days of inquiry I found everything Bill

1894

01:29:14,209 --> 01:29:12,000

told me to be completely accurate I then

1895

01:29:16,070 --> 01:29:14,219

reached it yeah it was accurate he told

1896

01:29:18,770 --> 01:29:16,080

you that he got arrested and convicted

1897

01:29:21,050 --> 01:29:18,780

and did five years in jail for raping a

1898

01:29:23,629 --> 01:29:21,060

13 year old boy and then you called them

1899

01:29:26,750 --> 01:29:23,639

back and gave them a job congratulations

1900

01:29:29,090 --> 01:29:26,760

you slime ball

1901

01:29:31,070 --> 01:29:29,100

I then reached out to bill by phone to

1902

01:29:32,510 --> 01:29:31,080

follow-up conversation and asked Bill if

1903

01:29:35,090 --> 01:29:32,520

he could provide us with copies of his

1904

01:29:38,209 --> 01:29:35,100

paperwork regarding this case and he

1905

01:29:40,729 --> 01:29:38,219

agreed to do so so race Hobbs Not only

1906

01:29:43,490 --> 01:29:40,739

was told hi I'm a child rapist and I'm

1907

01:29:45,709 --> 01:29:43,500

applying for the job you have and let

1908

01:29:48,169 --> 01:29:45,719

him apply anyway and gave him the job

1909

01:29:50,750 --> 01:29:48,179

race Hobbs got copies of the court

1910

01:29:54,350 --> 01:29:50,760

records detailing

1911

01:29:59,930 --> 01:29:54,360

the violent rape of a 13 year old boy by

1912

01:30:03,050 --> 01:29:59,940

this man and he gave him a job anyway

1913

01:30:05,090 --> 01:30:03,060

since coming to kgra Bill's work has

1914

01:30:07,850 --> 01:30:05,100

been exemplary

1915

01:30:10,010 --> 01:30:07,860

oh I'm sorry I'm jumping ahead

1916

01:30:11,810 --> 01:30:10,020

after reviewing the information I

1917

01:30:15,709 --> 01:30:11,820

received and talking it over with many

1918

01:30:18,470 --> 01:30:15,719

hosts and staff hosts and staff here at

1919

01:30:21,470 --> 01:30:18,480

the station this means that racehob had

1920

01:30:24,530 --> 01:30:21,480

to talk this over with the people that

1921

01:30:28,189 --> 01:30:24,540

they were hosting on kgra

1922

01:30:31,970 --> 01:30:28,199

he talked over hiring a child rapist

1923

01:30:34,129 --> 01:30:31,980

with many hosts and staff here at the

1924

01:30:38,149 --> 01:30:34,139

station and apparently

1925

01:30:41,030 --> 01:30:38,159

those hosts and staff at that kgra that

1926

01:30:43,790 --> 01:30:41,040

he talked to said sure we're okay with

1927

01:30:45,830 --> 01:30:43,800

you hiring a violent child related

1928

01:30:48,229 --> 01:30:45,840

sexual predator

1929

01:30:50,390 --> 01:30:48,239

and then race Hobbs made the decision to

1930

01:30:52,250 --> 01:30:50,400

reach out to Bill and begin the

1931

01:30:55,490 --> 01:30:52,260

interview process for the open position

1932

01:30:59,030 --> 01:30:55,500

they had advertised great

1933

01:31:03,110 --> 01:30:59,040

so this person who by the way now runs

1934

01:31:05,570 --> 01:31:03,120

Jimmy Church's Network race Hobbs he's

1935

01:31:09,470 --> 01:31:05,580

that was the head of programming

1936

01:31:11,689 --> 01:31:09,480

he needs producers he puts out an ad or

1937

01:31:13,430 --> 01:31:11,699

something for producers a child rapist

1938

01:31:15,470 --> 01:31:13,440

comes to him and is actually honest and

1939

01:31:17,510 --> 01:31:15,480

says by the way I'm a convicted child

1940

01:31:20,030 --> 01:31:17,520

rapist I did five years in prison for

1941

01:31:21,950 --> 01:31:20,040

violent you know for raping a 13 year

1942

01:31:24,590 --> 01:31:21,960

old boy and being in possession of child

1943

01:31:28,550 --> 01:31:24,600

pornography then

1944

01:31:32,149 --> 01:31:28,560

this race Hobbes goes to

1945

01:31:33,590 --> 01:31:32,159

other hosts and staff here at the

1946

01:31:37,310 --> 01:31:33,600

station

1947

01:31:39,410 --> 01:31:37,320

and talks over the child rapists with

1948

01:31:42,530 --> 01:31:39,420

the hosts and staff here at the station

1949

01:31:44,870 --> 01:31:42,540

and by the way

1950

01:31:47,390 --> 01:31:44,880

I know how to use Wayback machine and we

1951

01:31:48,890 --> 01:31:47,400

can see who all the hosts and staff were

1952

01:31:52,189 --> 01:31:48,900

at that station

1953

01:31:55,129 --> 01:31:52,199

at the time of this post which is

1954

01:31:56,629 --> 01:31:55,139

October of 2016.

1955

01:31:59,390 --> 01:31:56,639

right

1956

01:32:02,990 --> 01:31:59,400

and race Hobbs why don't you name the

1957

01:32:06,050 --> 01:32:03,000

hosts and staff at the station that were

1958

01:32:07,970 --> 01:32:06,060

okay with you hiring a child rapist so

1959

01:32:10,430 --> 01:32:07,980

that we know

1960

01:32:12,770 --> 01:32:10,440

who kept their mail shut about you

1961

01:32:15,950 --> 01:32:12,780

hiring a child rapist

1962

01:32:18,830 --> 01:32:15,960

why don't you tell us which hosts and

1963

01:32:21,890 --> 01:32:18,840

staff here at that station you talked

1964

01:32:23,990 --> 01:32:21,900

over hiring a child rapist with before

1965

01:32:27,410 --> 01:32:24,000

you made the decision to reach out the

1966

01:32:29,930 --> 01:32:27,420

bill and begin the interview process

1967

01:32:31,930 --> 01:32:29,940

bill was found to have all the tools and

1968

01:32:36,110 --> 01:32:31,940

talent necessary to handle the position

1969

01:32:38,330 --> 01:32:36,120

yeah great so look man we need somebody

1970

01:32:40,669 --> 01:32:38,340

with the tools and talent necessary to

1971

01:32:43,129 --> 01:32:40,679

handle this position so the only

1972

01:32:44,810 --> 01:32:43,139

applicant we got was a child rapist I

1973

01:32:47,030 --> 01:32:44,820

talked it over with the hosts and the

1974

01:32:49,250 --> 01:32:47,040

staff here at the station and apparently

1975

01:32:52,070 --> 01:32:49,260

the hosts and the staff were perfectly

1976

01:32:55,010 --> 01:32:52,080

fine with me hiring a convicted

1977

01:32:56,810 --> 01:32:55,020

pedophile

1978

01:32:59,149 --> 01:32:56,820

so then

1979

01:33:02,390 --> 01:32:59,159

the convicted child rapist was brought

1980

01:33:06,950 --> 01:33:02,400

on with the kgra intern staff as an

1981

01:33:10,970 --> 01:33:06,960

associate producer beginning 9 20 2016.

1982

01:33:12,310 --> 01:33:10,980

and by the way as soon this is October

1983

01:33:15,410 --> 01:33:12,320

8th

1984

01:33:18,590 --> 01:33:15,420

2016. so as soon as they hired the child

1985

01:33:21,770 --> 01:33:18,600

rapist somebody alerted the UFO

1986

01:33:24,229 --> 01:33:21,780

community and they didn't care they

1987

01:33:27,290 --> 01:33:24,239

defended their position

1988

01:33:29,930 --> 01:33:27,300

for hiring a child rapist

1989

01:33:31,189 --> 01:33:29,940

right after they hired the child rapist

1990

01:33:34,310 --> 01:33:31,199

here they are

1991

01:33:36,830 --> 01:33:34,320

just a few weeks later defending hiring

1992

01:33:40,189 --> 01:33:36,840

the child rapist and right here in this

1993

01:33:44,689 --> 01:33:40,199

text we get to see that race Hobbes talk

1994

01:33:45,649 --> 01:33:44,699

to the hosts the show hosts at kgra and

1995

01:33:47,570 --> 01:33:45,659

the staff

1996

01:33:49,070 --> 01:33:47,580

and then made the decision to hire the

1997

01:33:50,629 --> 01:33:49,080

child rapist

1998

01:33:53,390 --> 01:33:50,639

and

1999

01:33:55,610 --> 01:33:53,400

since coming to kgra Bill's work has

2000

01:33:57,770 --> 01:33:55,620

been exemplary he completes every task

2001
01:33:59,209 --> 01:33:57,780
asked of him in his work performance is

2002
01:34:00,530 --> 01:33:59,219
top notch

2003
01:34:06,410 --> 01:34:00,540
great

2004
01:34:13,030 --> 01:34:06,420
work you know that child rapist that you

2005
01:34:13,040 --> 01:34:16,669
all right

2006
01:34:21,169 --> 01:34:18,649
so

2007
01:34:23,149 --> 01:34:21,179
for those people who are attacking me on

2008
01:34:24,590 --> 01:34:23,159
Twitter saying there's no evidence that

2009
01:34:27,110 --> 01:34:24,600
the hosts

2010
01:34:29,870 --> 01:34:27,120
and the UFO celebrities on that Network

2011
01:34:31,610 --> 01:34:29,880
knew that they hired a child rapist yet

2012
01:34:35,030 --> 01:34:31,620
they knew

2013
01:34:37,370 --> 01:34:35,040

there's your proof besides

2014

01:34:39,470 --> 01:34:37,380

the multiple sources that I have talked

2015

01:34:42,169 --> 01:34:39,480

to that yeah they don't want to be named

2016

01:34:44,330 --> 01:34:42,179

in a story involving child rapists

2017

01:34:46,750 --> 01:34:44,340

imagine that people don't want their

2018

01:34:50,570 --> 01:34:46,760

names associated with the story

2019

01:34:55,669 --> 01:34:50,580

involving child rapists

2020

01:34:57,950 --> 01:34:55,679

but it gets it gets even better because

2021

01:35:01,810 --> 01:34:57,960

like I said we have to look at this

2022

01:35:03,470 --> 01:35:01,820

timeline so Jimmy Church leaves

2023

01:35:06,950 --> 01:35:03,480

kgra

2024

01:35:08,990 --> 01:35:06,960

right after we did a story outlining how

2025

01:35:13,550 --> 01:35:09,000

he and Richard Dolan were working for j3

2026
01:35:15,530 --> 01:35:13,560
films who also apparently employed a

2027
01:35:18,470 --> 01:35:15,540
pedophile

2028
01:35:20,510 --> 01:35:18,480
right after that he leaves kgra to start

2029
01:35:23,030 --> 01:35:20,520
his own

2030
01:35:24,530 --> 01:35:23,040
sort of network but

2031
01:35:32,990 --> 01:35:24,540
who

2032
01:35:35,450 --> 01:35:33,000
network of Jimmy Church's well

2033
01:35:38,870 --> 01:35:35,460
Jimmy Church

2034
01:35:41,090 --> 01:35:38,880
and race Hobbs started that Network the

2035
01:35:45,229 --> 01:35:41,100
person who hired

2036
01:35:49,010 --> 01:35:45,239
a child rapist at kgra went right after

2037
01:35:53,209 --> 01:35:49,020
Jimmy Church worked for a company that

2038
01:35:54,890 --> 01:35:53,219

imp was profiting from a known Kitty

2039

01:35:57,070 --> 01:35:54,900

porn collector

2040

01:35:59,510 --> 01:35:57,080

Jimmy church and race Hobbs go and start

2041

01:36:02,330 --> 01:35:59,520

k-u-n-x and there's other people on

2042

01:36:04,189 --> 01:36:02,340

there on kunx that I'm not going to name

2043

01:36:06,850 --> 01:36:04,199

because I believe some of them may be

2044

01:36:10,790 --> 01:36:06,860

victims and not be aware of this whole

2045

01:36:15,229 --> 01:36:13,669

but here's what we get we get a man

2046

01:36:16,310 --> 01:36:15,239

that's willing to hire a convicted

2047

01:36:19,129 --> 01:36:16,320

pedophile

2048

01:36:22,189 --> 01:36:19,139

even defend his right to hire child

2049

01:36:24,649 --> 01:36:22,199

rapists who says in a public post that

2050

01:36:28,370 --> 01:36:24,659

he talked to the hosts before making the

2051

01:36:34,609 --> 01:36:31,490

and this was all friends known

2052

01:36:36,890 --> 01:36:34,619

then it all got swept under the rug so

2053

01:36:39,050 --> 01:36:36,900

everybody could make those UFO dollars

2054

01:36:41,930 --> 01:36:39,060

since 2016.

2055

01:36:43,550 --> 01:36:41,940

great great

2056

01:36:49,850 --> 01:36:43,560

really

2057

01:36:52,490 --> 01:36:49,860

attacking me left right and Center

2058

01:36:54,410 --> 01:36:52,500

and uh we are going to share some other

2059

01:36:56,090 --> 01:36:54,420

things that are very very disturbing

2060

01:36:59,209 --> 01:36:56,100

because shortly after our broadcast

2061

01:37:03,410 --> 01:36:59,219

about this disgusting story involving

2062

01:37:06,470 --> 01:37:03,420

kgra knowingly hiring child rapists to

2063

01:37:08,930 --> 01:37:06,480

be uh producers program directors or

2064

01:37:11,090 --> 01:37:08,940

whatever and right after we aired our

2065

01:37:15,410 --> 01:37:11,100

story about all these UFO celebrities

2066

01:37:18,109 --> 01:37:15,420

who are working with child rapists

2067

01:37:21,470 --> 01:37:18,119

the cover-up

2068

01:37:25,310 --> 01:37:21,480

began it worked in 2016

2069

01:37:28,910 --> 01:37:25,320

this came out in 2016. they didn't fire

2070

01:37:33,229 --> 01:37:28,920

the child rapist they defended their

2071

01:37:38,689 --> 01:37:33,239

right to hire a child rapist

2072

01:37:43,129 --> 01:37:41,030

not only did they defend their right to

2073

01:37:45,590 --> 01:37:43,139

hire child rapists but right after our

2074

01:37:48,490 --> 01:37:45,600

story aired the cover-up began

2075

01:37:51,050 --> 01:37:48,500

and thanks to B Baker who went in there

2076

01:37:55,430 --> 01:37:51,060

kgra's live chat and asked some

2077

01:38:04,310 --> 01:38:00,290

and this by the way was a live stream uh

2078

01:38:07,370 --> 01:38:04,320

from law enforcement professionals

2079

01:38:09,410 --> 01:38:07,380

and Bill B Baker excuse me asks will

2080

01:38:11,990 --> 01:38:09,420

there be a search warrant for Bill Forte

2081

01:38:13,970 --> 01:38:12,000

AKA Bill skywatcher he was convicted of

2082

01:38:17,810 --> 01:38:13,980

being a violent pedophile with a 13 year

2083

01:38:19,810 --> 01:38:17,820

old boy and everyone at kgra knows and

2084

01:38:22,850 --> 01:38:19,820

is seemingly okay with

2085

01:38:25,970 --> 01:38:22,860

comments question mark

2086

01:38:30,050 --> 01:38:28,490

12 minutes later and no response from a

2087

01:38:31,990 --> 01:38:30,060

bunch of seeming law enforcement

2088

01:38:33,830 --> 01:38:32,000

professionals

2089

01:38:35,870 --> 01:38:33,840

right after

2090

01:38:39,470 --> 01:38:35,880

somebody asked them about the child

2091

01:38:44,390 --> 01:38:39,480

rapists working with and for them

2092

01:38:45,410 --> 01:38:44,400

uh they kgra turned on subscribers only

2093

01:38:48,410 --> 01:38:45,420

mode

2094

01:38:51,229 --> 01:38:48,420

and only Channel subscribers of 24 hours

2095

01:38:52,430 --> 01:38:51,239

or longer can send messages in their

2096

01:38:54,470 --> 01:38:52,440

live chat

2097

01:38:56,870 --> 01:38:54,480

and what does that tell you friends they

2098

01:38:59,090 --> 01:38:56,880

don't want you asking questions about

2099

01:39:01,310 --> 01:38:59,100

the child rapist

2100

01:39:04,609 --> 01:39:01,320

they have working for them about their

2101

01:39:07,609 --> 01:39:04,619

decision to employ a child rapist and

2102

01:39:09,950 --> 01:39:07,619

the UFO celebrities especially don't

2103

01:39:13,189 --> 01:39:09,960

want to talk about working with and for

2104

01:39:15,410 --> 01:39:13,199

a child rapist at kgra they don't want

2105

01:39:17,149 --> 01:39:15,420

to talk about that none of them want to

2106

01:39:19,790 --> 01:39:17,159

talk about that

2107

01:39:21,830 --> 01:39:19,800

and I uh got attacked pretty good today

2108

01:39:24,530 --> 01:39:21,840

I got to give it to those nameless

2109

01:39:27,950 --> 01:39:24,540

faceless cowards on Twitter that attack

2110

01:39:30,530 --> 01:39:27,960

me with Anonymous names and do not

2111

01:39:35,390 --> 01:39:30,540

uh

2112

01:39:38,510 --> 01:39:35,400

cowards and by the way why is of course

2113

01:39:40,970 --> 01:39:38,520

I would assume that you don't want to go

2114

01:39:44,090 --> 01:39:40,980

on Twitter with your real name and face

2115

01:39:47,149 --> 01:39:44,100

and defend a bunch of UFO celebrities

2116

01:39:49,790 --> 01:39:47,159

working with and for child rapists so

2117

01:39:51,890 --> 01:39:49,800

you gotta do it anonymously and why is

2118

01:39:54,290 --> 01:39:51,900

it only Anonymous nameless faceless

2119

01:39:57,290 --> 01:39:54,300

accounts that are defending these slime

2120

01:39:59,090 --> 01:39:57,300

ball UFO celebrities who are working

2121

01:40:00,649 --> 01:39:59,100

with pedophiles

2122

01:40:06,290 --> 01:40:00,659

and

2123

01:40:08,990 --> 01:40:06,300

evidence knowingly working with

2124

01:40:11,390 --> 01:40:09,000

pedophiles

2125

01:40:14,629 --> 01:40:11,400

so here's one example I deleted the rest

2126
01:40:18,050 --> 01:40:14,639
of them I killed the replies you know I

2127
01:40:21,290 --> 01:40:18,060
don't want that kind of ugliness in my

2128
01:40:23,030 --> 01:40:21,300
life but I did save one just to display

2129
01:40:25,790 --> 01:40:23,040
to my audience

2130
01:40:27,890 --> 01:40:25,800
that I get to nail and by the way I have

2131
01:40:31,910 --> 01:40:27,900
a feeling I might know who this nameless

2132
01:40:39,229 --> 01:40:36,169
yeah so a nameless faceless Twitter user

2133
01:40:41,570 --> 01:40:39,239
says ready I heard your mom gets banged

2134
01:40:44,410 --> 01:40:41,580
by pre-teens on the regular anonymous

2135
01:40:50,270 --> 01:40:47,870
sorry should we use her not responding

2136
01:40:51,890 --> 01:40:50,280
to that as proof it happens

2137
01:40:53,990 --> 01:40:51,900
right

2138
01:40:56,270 --> 01:40:54,000

and we have uh

2139

01:40:58,370 --> 01:40:56,280

Mr Buck it's not even original or funny

2140

01:41:01,790 --> 01:40:58,380

of a troll either just sounds like what

2141

01:41:03,890 --> 01:41:01,800

Q Anon types do if you show them reality

2142

01:41:06,229 --> 01:41:03,900

geez it gets worse every day somebody

2143

01:41:08,090 --> 01:41:06,239

said he has a point and I reminded them

2144

01:41:10,550 --> 01:41:08,100

it's been public knowledge that the guy

2145

01:41:13,129 --> 01:41:10,560

was a child rapist since at least 2016.

2146

01:41:14,990 --> 01:41:13,139

there are posts about it from 2016 and

2147

01:41:18,470 --> 01:41:15,000

it was covered up and swept under the

2148

01:41:21,290 --> 01:41:18,480

rug there is more than just sources

2149

01:41:23,510 --> 01:41:21,300

saying uh sources that don't want to be

2150

01:41:25,930 --> 01:41:23,520

named telling me that people knew they

2151
01:41:30,910 --> 01:41:25,940
were working with and for a child rapist

2152
01:41:34,550 --> 01:41:32,870
uh

2153
01:41:36,470 --> 01:41:34,560
yeah

2154
01:41:39,550 --> 01:41:36,480
this is the kind of stuff that you can

2155
01:41:42,590 --> 01:41:39,560
expect when you point out that maybe

2156
01:41:44,330 --> 01:41:42,600
just maybe UFO celebrities shouldn't be

2157
01:41:47,149 --> 01:41:44,340
working for child rapists or working

2158
01:41:50,750 --> 01:41:47,159
with child rapists or hiring child

2159
01:41:52,729 --> 01:41:50,760
rapists to work with UFO celebrities

2160
01:41:54,950 --> 01:41:52,739
if you do that people will tell you that

2161
01:41:57,290 --> 01:41:54,960
your mom gets banged by pre-teens on the

2162
01:41:59,390 --> 01:41:57,300
regular and that came from an anonymous

2163
01:42:01,729 --> 01:41:59,400

source man where did we hear that before

2164

01:42:03,709 --> 01:42:01,739

this is kind of like somebody's saying

2165

01:42:06,530 --> 01:42:03,719

that rather be squidding's mom is a

2166

01:42:09,050 --> 01:42:06,540

hooker right now my mom's getting banged

2167

01:42:10,970 --> 01:42:09,060

by pre-teens and by the way if I wanted

2168

01:42:14,090 --> 01:42:10,980

to play the victim my mother's been dead

2169

01:42:15,950 --> 01:42:14,100

for a long time right can you can you

2170

01:42:17,629 --> 01:42:15,960

you know

2171

01:42:20,870 --> 01:42:17,639

pick a better

2172

01:42:23,390 --> 01:42:20,880

you know thing to do than to run around

2173

01:42:26,930 --> 01:42:23,400

telling people that my dearly departed

2174

01:42:29,270 --> 01:42:26,940

mother is getting banged by pre-teens

2175

01:42:32,629 --> 01:42:29,280

right and what is this guy's problem

2176

01:42:35,030 --> 01:42:32,639

this guy's problem was that I repeated

2177

01:42:37,310 --> 01:42:35,040

what was told to me by my sources who

2178

01:42:39,649 --> 01:42:37,320

wish to remain anonymous since this

2179

01:42:41,270 --> 01:42:39,659

story involved convicted pedophiles and

2180

01:42:44,270 --> 01:42:41,280

child rapists

2181

01:42:46,729 --> 01:42:44,280

maybe just maybe most people listening

2182

01:42:48,830 --> 01:42:46,739

to this can understand why when people

2183

01:42:50,870 --> 01:42:48,840

are giving you information about a child

2184

01:42:53,629 --> 01:42:50,880

rapist story they don't really want

2185

01:42:56,330 --> 01:42:53,639

their name mentioned in the story but

2186

01:43:00,950 --> 01:42:56,340

this person is arguing that all I have

2187

01:43:03,109 --> 01:43:00,960

is anonymous sources no you dummy no you

2188

01:43:06,890 --> 01:43:03,119

idiot and by the way

2189

01:43:10,729 --> 01:43:06,900

I give I would bet my house that this

2190

01:43:12,890 --> 01:43:10,739

jerk off is one of those UFO celebrities

2191

01:43:15,250 --> 01:43:12,900

because

2192

01:43:18,109 --> 01:43:15,260

who else would defend

2193

01:43:20,990 --> 01:43:18,119

UFO celebrities working with the child

2194

01:43:22,970 --> 01:43:21,000

rapists except one of them

2195

01:43:24,470 --> 01:43:22,980

their butt hurt they don't want this

2196

01:43:26,930 --> 01:43:24,480

truth getting out

2197

01:43:32,750 --> 01:43:26,940

and I mentioned that the cover-up of

2198

01:43:38,870 --> 01:43:34,790

I

2199

01:43:42,350 --> 01:43:38,880

because

2200

01:43:45,590 --> 01:43:42,360

I'm going to say this in general terms

2201

01:43:48,350 --> 01:43:45,600

I was in a Facebook group with

2202

01:43:51,050 --> 01:43:48,360

a certain UFO celebrity

2203

01:43:52,550 --> 01:43:51,060

and he

2204

01:43:54,290 --> 01:43:52,560

or she

2205

01:43:57,050 --> 01:43:54,300

kindly

2206

01:43:59,750 --> 01:43:57,060

would always let me post my live streams

2207

01:44:03,590 --> 01:43:59,760

in their Facebook group

2208

01:44:05,950 --> 01:44:03,600

for their show that has something like 5

2209

01:44:08,870 --> 01:44:05,960

000 members of that group

2210

01:44:12,590 --> 01:44:08,880

and uh for a long time now they've let

2211

01:44:15,470 --> 01:44:12,600

me post my shows in that group which I

2212

01:44:18,290 --> 01:44:15,480

consider to be a very kind and generous

2213

01:44:21,109 --> 01:44:18,300

thing to do they have a group with 5 000

2214

01:44:24,350 --> 01:44:21,119

people that are interested in this topic

2215

01:44:27,109 --> 01:44:24,360

I would post my live streams

2216

01:44:29,330 --> 01:44:27,119

every day and they let me for a long

2217

01:44:32,390 --> 01:44:29,340

time now

2218

01:44:35,270 --> 01:44:32,400

I posted this story

2219

01:44:37,310 --> 01:44:35,280

in their Facebook group

2220

01:44:40,189 --> 01:44:37,320

and suddenly

2221

01:44:41,510 --> 01:44:40,199

they censored us here at true Seekers

2222

01:44:44,090 --> 01:44:41,520

suddenly

2223

01:44:47,990 --> 01:44:44,100

they wouldn't they delete it

2224

01:44:49,490 --> 01:44:48,000

every post of a true Seeker show in

2225

01:44:53,330 --> 01:44:49,500

their Facebook group

2226
01:44:57,470 --> 01:44:53,340
now I'm not gonna get too conspiratorial

2227
01:45:00,290 --> 01:44:57,480
but that person who censored our post

2228
01:45:08,090 --> 01:45:00,300
about this child rapist story

2229
01:45:14,390 --> 01:45:10,250
he gave me

2230
01:45:18,649 --> 01:45:14,400
they gave me some excuse

2231
01:45:20,390 --> 01:45:18,659
about why they deleted all of my posts

2232
01:45:23,510 --> 01:45:20,400
but I don't think it's a coincidence

2233
01:45:25,970 --> 01:45:23,520
friends that I was perfectly they were

2234
01:45:28,910 --> 01:45:25,980
perfectly willing to allow me to post

2235
01:45:29,990 --> 01:45:28,920
all the truth Seeker shows in their

2236
01:45:32,510 --> 01:45:30,000
group

2237
01:45:33,890 --> 01:45:32,520
right up until the part where I posted a

2238
01:45:39,290 --> 01:45:33,900

show

2239

01:45:41,390 --> 01:45:39,300

were working for and with a child rapist

2240

01:45:43,609 --> 01:45:41,400

at kgra

2241

01:45:46,970 --> 01:45:43,619

as soon as I posted that and by the way

2242

01:45:49,189 --> 01:45:46,980

in in all honesty I did not know at the

2243

01:45:53,810 --> 01:45:49,199

time I posted that story to their group

2244

01:45:56,330 --> 01:45:53,820

that that show host had his show on kgra

2245

01:45:58,550 --> 01:45:56,340

but as soon as I posted that story

2246

01:46:01,310 --> 01:45:58,560

all the true Seeker shows were deleted

2247

01:46:03,470 --> 01:46:01,320

from that group they gave us a

2248

01:46:06,590 --> 01:46:03,480

excuse for why that happened

2249

01:46:10,609 --> 01:46:06,600

like I can't put two and two together

2250

01:46:14,149 --> 01:46:10,619

so the cover-up has already begun

2251
01:46:15,470 --> 01:46:14,159
these UFO celebrities on kgra don't want

2252
01:46:18,229 --> 01:46:15,480
to talk about the fact that they're

2253
01:46:19,729 --> 01:46:18,239
working with and for a child rapist they

2254
01:46:22,550 --> 01:46:19,739
don't want to talk about the fact that

2255
01:46:24,770 --> 01:46:22,560
this was known since at least 2016 and

2256
01:46:26,810 --> 01:46:24,780
we have proof about it those UFO

2257
01:46:29,090 --> 01:46:26,820
celebrities don't want to talk about the

2258
01:46:32,090 --> 01:46:29,100
fact that this

2259
01:46:35,450 --> 01:46:33,410
friends

2260
01:46:37,070 --> 01:46:35,460
they don't want to talk about how race

2261
01:46:39,709 --> 01:46:37,080
Hobbes while he was the head of

2262
01:46:42,709 --> 01:46:39,719
programming knowingly hired a child

2263
01:46:44,810 --> 01:46:42,719

rapist talk to the other show hosts at

2264

01:46:46,370 --> 01:46:44,820

the network who apparently must have

2265

01:46:48,770 --> 01:46:46,380

been okay with them hiring a child

2266

01:46:52,189 --> 01:46:48,780

rapist because then he hired the child

2267

01:46:53,390 --> 01:46:52,199

rapists after talking to the show hosts

2268

01:46:55,910 --> 01:46:53,400

there

2269

01:46:58,790 --> 01:46:55,920

according to his own words and admission

2270

01:47:00,169 --> 01:46:58,800

and then of course race Hobbes they

2271

01:47:01,790 --> 01:47:00,179

don't want to talk about race hops

2272

01:47:05,510 --> 01:47:01,800

defending

2273

01:47:08,330 --> 01:47:05,520

them hiring a child rapist

2274

01:47:10,370 --> 01:47:08,340

they don't want to talk about how

2275

01:47:13,310 --> 01:47:10,380

they don't want to comment on working

2276

01:47:16,370 --> 01:47:13,320

with and for a child rapist

2277

01:47:18,830 --> 01:47:16,380

no what they want to do is sweep this

2278

01:47:22,550 --> 01:47:18,840

whole story under the rug

2279

01:47:25,490 --> 01:47:22,560

they want to censor anyone's ability to

2280

01:47:28,609 --> 01:47:25,500

ask them questions about it but we

2281

01:47:32,750 --> 01:47:28,619

cannot let them we cannot let this

2282

01:47:35,209 --> 01:47:32,760

happen friends so I would ask you to do

2283

01:47:38,570 --> 01:47:35,219

me the favor uh

2284

01:47:42,649 --> 01:47:38,580

and uh what we're gonna do here is I am

2285

01:47:44,810 --> 01:47:42,659

going to copy the show which details the

2286

01:47:47,750 --> 01:47:44,820

pedo paranormal producer and program

2287

01:47:50,209 --> 01:47:47,760

director I'm going to take that and put

2288

01:47:51,410 --> 01:47:50,219

it put the link to that show in our live

2289

01:47:54,770 --> 01:47:51,420

chat

2290

01:47:58,250 --> 01:47:54,780

you always hear me occasionally not

2291

01:48:02,450 --> 01:47:58,260

always hear me ask some would say beg

2292

01:48:06,410 --> 01:48:02,460

that you copy our Show links on your

2293

01:48:08,870 --> 01:48:06,420

social media page but in this case I

2294

01:48:10,790 --> 01:48:08,880

believe that this is the most important

2295

01:48:13,970 --> 01:48:10,800

show I've ever asked people to share

2296

01:48:17,270 --> 01:48:13,980

because UFO celebrities who are working

2297

01:48:21,430 --> 01:48:17,280

with and for child rapists who were

2298

01:48:24,709 --> 01:48:21,440

knowingly hired by the group

2299

01:48:27,410 --> 01:48:24,719

knowingly had a child rapist are right

2300

01:48:29,930 --> 01:48:27,420

now trying to censor

2301

01:48:34,550 --> 01:48:29,940

our show here they are right now trying

2302

01:48:38,810 --> 01:48:34,560

to silence our voice and by the way this

2303

01:48:41,270 --> 01:48:38,820

is all facts this is all the truth we

2304

01:48:42,830 --> 01:48:41,280

have the evidence we have the receipts

2305

01:48:46,189 --> 01:48:42,840

here

2306

01:48:48,169 --> 01:48:46,199

and these idiots that claim they're

2307

01:48:49,490 --> 01:48:48,179

bringing people the truth about those

2308

01:48:50,750 --> 01:48:49,500

aliens

2309

01:48:55,250 --> 01:48:50,760

sure

2310

01:48:58,609 --> 01:48:55,260

except when it involves them all working

2311

01:49:00,950 --> 01:48:58,619

for child rapists then they don't want

2312

01:49:02,810 --> 01:49:00,960

anybody to know about that truth

2313

01:49:08,270 --> 01:49:02,820

so

2314

01:49:13,250 --> 01:49:10,370

one second I have to go to the actual

2315

01:49:15,530 --> 01:49:13,260

our actual live chat to share a link

2316

01:49:17,450 --> 01:49:15,540

so I'm going to do that right now now

2317

01:49:19,910 --> 01:49:17,460

then we'll have time for some comments

2318

01:49:20,689 --> 01:49:19,920

and questions from the live chat

2319

01:49:23,629 --> 01:49:20,699

um

2320

01:49:26,990 --> 01:49:23,639

please share this link

2321

01:49:28,669 --> 01:49:27,000

and show on your social media

2322

01:49:33,770 --> 01:49:28,679

please don't

2323

01:49:37,450 --> 01:49:33,780

let people sweep this all under the rug

2324

01:49:46,609 --> 01:49:39,729

this is terrible

2325

01:49:53,209 --> 01:49:50,030

it was swept under the rug before

2326

01:49:54,470 --> 01:49:53,219

don't let them silence our voices here

2327

01:49:56,890 --> 01:49:54,480

friends

2328

01:49:59,750 --> 01:49:56,900

send them a message that it's not okay

2329

01:50:02,169 --> 01:49:59,760

to censor people that are telling the

2330

01:50:06,410 --> 01:50:02,179

truth about this situation it's not okay

2331

01:50:08,990 --> 01:50:06,420

to delete our posts in Facebook groups

2332

01:50:11,270 --> 01:50:09,000

because you work for a company that

2333

01:50:12,950 --> 01:50:11,280

knowingly hired child rapists and even

2334

01:50:17,209 --> 01:50:12,960

defended

2335

01:50:19,669 --> 01:50:17,219

their right to employ child rapists

2336

01:50:23,149 --> 01:50:19,679

send a message to these UFO celebrities

2337

01:50:25,550 --> 01:50:23,159

by posting this show

2338

01:50:27,649 --> 01:50:25,560

on your social media and by the way when

2339

01:50:29,450 --> 01:50:27,659

I get a chance we'll clip out the end

2340

01:50:30,950 --> 01:50:29,460

portion of this show which is sort of

2341

01:50:34,669 --> 01:50:30,960

the update

2342

01:50:38,890 --> 01:50:34,679

to this disgusting story and I will ask

2343

01:50:43,550 --> 01:50:41,570

Arlene Atkins is here so now we'll take

2344

01:50:45,050 --> 01:50:43,560

some comments and questions from the

2345

01:50:47,390 --> 01:50:45,060

live chat and by the way to everybody

2346

01:50:49,370 --> 01:50:47,400

who reached out to me offering their

2347

01:50:51,169 --> 01:50:49,380

support saying you're doing the right

2348

01:50:54,530 --> 01:50:51,179

thing Stephen thanks for telling us the

2349

01:50:56,750 --> 01:50:54,540

truth I I love and honor all of you

2350

01:50:59,510 --> 01:50:56,760

because it's this is not an easy thing

2351

01:51:02,030 --> 01:50:59,520

to do I got hammered all day by

2352

01:51:04,010 --> 01:51:02,040

Anonymous stupid Twitter accounts for

2353

01:51:06,169 --> 01:51:04,020

what for telling people the truth about

2354

01:51:07,609 --> 01:51:06,179

their UFO celebrity Heroes that are

2355

01:51:11,810 --> 01:51:07,619

working for

2356

01:51:16,129 --> 01:51:14,450

Arlene atkinsell says hiding the

2357

01:51:19,250 --> 01:51:16,139

knowledge of a child predator is the

2358

01:51:26,209 --> 01:51:20,930

I have to say I agree with you 100

2359

01:51:29,930 --> 01:51:28,310

who is skeptic believer at one point I

2360

01:51:31,129 --> 01:51:29,940

thought he was Sean Cahill's soccer camp

2361

01:51:36,470 --> 01:51:31,139

but I don't think he has a connection

2362

01:51:41,570 --> 01:51:38,510

capsa I don't know

2363

01:51:43,910 --> 01:51:41,580

but when you come at me on Twitter and

2364

01:51:47,030 --> 01:51:43,920

suggest that my mother my dead mother is

2365

01:51:49,850 --> 01:51:47,040

getting gang banged by teenagers

2366

01:51:52,669 --> 01:51:49,860

um then you get blocked

2367

01:51:55,189 --> 01:51:52,679

I have been polite to him even answered

2368

01:52:01,550 --> 01:51:55,199

his questions even though

2369

01:52:05,570 --> 01:52:03,050

part of me

2370

01:52:06,530 --> 01:52:05,580

that account has always been very nasty

2371

01:52:10,070 --> 01:52:06,540

to me

2372

01:52:13,129 --> 01:52:10,080

but I let people be nasty to a certain

2373

01:52:16,209 --> 01:52:13,139

point before I remove them delete them

2374

01:52:19,669 --> 01:52:18,290

that account is a brand new Twitter

2375

01:52:28,850 --> 01:52:19,679

account

2376

01:52:32,330 --> 01:52:28,860

celebrities when they get caught selling

2377

01:52:34,250 --> 01:52:32,340

he defended Russ coldhart when

2378

01:52:36,950 --> 01:52:34,260

we did the story about him lying to

2379

01:52:39,589 --> 01:52:36,960

everybody claiming that his new

2380

01:52:41,510 --> 01:52:39,599

documentary piece had definitive I'm

2381

01:52:45,290 --> 01:52:41,520

sorry conclusive proof of alien

2382

01:52:48,050 --> 01:52:45,300

technology all confirmed by Michio Kaku

2383

01:52:50,330 --> 01:52:48,060

he defended that I'm sure he defended

2384

01:52:52,490 --> 01:52:50,340

Richard Dolan and others

2385

01:52:54,729 --> 01:52:52,500

uh you know when we went after Jimmy

2386

01:52:56,649 --> 01:52:54,739

church for

2387

01:52:59,149 --> 01:52:56,659

knowingly

2388

01:53:01,310 --> 01:52:59,159

platforming this fake doctor with the

2389

01:53:04,030 --> 01:53:01,320

alien in the freezer that was so hokey

2390

01:53:07,550 --> 01:53:04,040

it was ridiculous he defended that guy

2391

01:53:10,370 --> 01:53:07,560

uh so this is obviously one of the UFO

2392

01:53:13,010 --> 01:53:10,380

celebrities or somebody who's uh UFO

2393

01:53:16,790 --> 01:53:13,020

celebrity ass licker whoever he is

2394

01:53:19,370 --> 01:53:16,800

because nobody defends people caught

2395

01:53:21,470 --> 01:53:19,380

debt to rights lying through their teeth

2396

01:53:24,530 --> 01:53:21,480

with their real names and their real

2397

01:53:26,990 --> 01:53:24,540

faces it's always nameless faceless

2398

01:53:29,089 --> 01:53:27,000

Twitter accounts and uh by the way I

2399

01:53:31,390 --> 01:53:29,099

checked in and he's he's having a fit

2400

01:53:34,370 --> 01:53:31,400

whoever the guy is like well

2401
01:53:37,729 --> 01:53:34,380
Steve Campion is lying to everyone no

2402
01:53:39,669 --> 01:53:37,739
you I told the truth your UFO

2403
01:53:42,830 --> 01:53:39,679
celebrity friends are lying to everyone

2404
01:53:45,470 --> 01:53:42,840
or at the very least the Lie by Omission

2405
01:53:48,950 --> 01:53:45,480
hi friends thanks for tuning in to our

2406
01:53:50,510 --> 01:53:48,960
paranormal UFO show on kgra we're going

2407
01:53:52,490 --> 01:53:50,520
to bring you the truth about aliens

2408
01:53:54,290 --> 01:53:52,500
we're just going to forget to tell you

2409
01:53:56,750 --> 01:53:54,300
that the guy helping us bring you this

2410
01:54:00,109 --> 01:53:56,760
truth is a child rapist and a convicted

2411
01:54:04,189 --> 01:54:00,119
Kitty porn collector great

2412
01:54:08,330 --> 01:54:06,410
Cosmic neighbors believes that that it's

2413
01:54:09,410 --> 01:54:08,340

Lou Elizondo which would make a lot of

2414

01:54:13,450 --> 01:54:09,420

sense

2415

01:54:16,070 --> 01:54:13,460

it could be well see this is the problem

2416

01:54:21,229 --> 01:54:16,080

the comparison is just too similar to

2417

01:54:26,750 --> 01:54:24,229

uh this coming Tuesday is Steven's 100th

2418

01:54:28,970 --> 01:54:26,760

day of not getting hammered uh well

2419

01:54:31,790 --> 01:54:28,980

thank you for recognizing that uh Craig

2420

01:54:34,129 --> 01:54:31,800

William and that is if I make it we got

2421

01:54:35,830 --> 01:54:34,139

to tell you

2422

01:54:38,750 --> 01:54:35,840

something about

2423

01:54:41,750 --> 01:54:38,760

this story made me want to drink myself

2424

01:54:45,169 --> 01:54:41,760

into Oblivion but I didn't and I won't

2425

01:54:48,830 --> 01:54:45,179

uh used to be that when a story you know

2426

01:54:50,990 --> 01:54:48,840

go man I I have talked to some real

2427

01:54:52,790 --> 01:54:51,000

journalists you know newspaper writers

2428

01:54:55,430 --> 01:54:52,800

that are always chasing the next story

2429

01:54:57,830 --> 01:54:55,440

and a lot of them are heavy Drinkers and

2430

01:54:59,810 --> 01:54:57,840

I used to not understand why I thought

2431

01:55:00,910 --> 01:54:59,820

well that's my dream job but now I

2432

01:55:04,250 --> 01:55:00,920

understand

2433

01:55:06,010 --> 01:55:04,260

these stories you've got to absorb all

2434

01:55:08,990 --> 01:55:06,020

of this

2435

01:55:11,689 --> 01:55:09,000

nastiness right this disgusting

2436

01:55:15,050 --> 01:55:11,699

deplorable human behavior you absorb it

2437

01:55:20,209 --> 01:55:15,060

in order to tell the story and that's

2438

01:55:24,470 --> 01:55:22,609

B Baker allegedly folks that do things

2439

01:55:26,330 --> 01:55:24,480

like this sometimes run together and

2440

01:55:27,530 --> 01:55:26,340

cover for each other would not surprise

2441

01:55:29,629 --> 01:55:27,540

me

2442

01:55:31,430 --> 01:55:29,639

you know when you walk into a toilet and

2443

01:55:34,250 --> 01:55:31,440

someone didn't flush that's how I feel

2444

01:55:37,310 --> 01:55:34,260

about ufology right now David Gosling I

2445

01:55:39,470 --> 01:55:37,320

agree with you 100 that's exactly how I

2446

01:55:41,570 --> 01:55:39,480

feel about it too

2447

01:55:43,129 --> 01:55:41,580

there are two ways to be fooled one is

2448

01:55:45,950 --> 01:55:43,139

to believe what isn't true and the other

2449

01:55:47,089 --> 01:55:45,960

is to reviews refuse to believe what is

2450

01:55:49,729 --> 01:55:47,099

true

2451
01:55:55,430 --> 01:55:53,030
M Stone says writers drink usually yeah

2452
01:55:57,830 --> 01:55:55,440
it's a way to reset yourself after

2453
01:56:01,070 --> 01:55:57,840
absorbing all of that

2454
01:56:04,250 --> 01:56:01,080
Dark Side of human behavior you kind of

2455
01:56:06,649 --> 01:56:04,260
drink yourself into a coma and reset for

2456
01:56:08,570 --> 01:56:06,659
the next time you have to do that

2457
01:56:11,270 --> 01:56:08,580
and we're going to try to do some

2458
01:56:17,030 --> 01:56:15,530
lighter shows that are not so

2459
01:56:22,310 --> 01:56:17,040
dark side

2460
01:56:27,050 --> 01:56:24,530
our Warriors says exposing the truth

2461
01:56:29,810 --> 01:56:27,060
undisclosed cambian files yeah by the

2462
01:56:32,750 --> 01:56:29,820
way all of you UFO celebrities that are

2463
01:56:38,209 --> 01:56:32,760

working for a child rapist I'm putting

2464

01:56:43,550 --> 01:56:40,570

and by the way

2465

01:56:45,169 --> 01:56:43,560

I tried to get comment from the bigger

2466

01:56:47,450 --> 01:56:45,179

names

2467

01:56:49,310 --> 01:56:47,460

today nobody wanted to talk about

2468

01:56:51,770 --> 01:56:49,320

working with and for child rapist

2469

01:56:54,530 --> 01:56:51,780

imagine that imagine that nobody wanted

2470

01:56:56,209 --> 01:56:54,540

to comment on it and by the way I think

2471

01:56:58,189 --> 01:56:56,219

it's their responsibility to comment on

2472

01:57:00,530 --> 01:56:58,199

it after all they've made money all

2473

01:57:03,290 --> 01:57:00,540

these years working since 2016 with a

2474

01:57:04,729 --> 01:57:03,300

child rapist they made money why can't

2475

01:57:06,649 --> 01:57:04,739

they talk about

2476

01:57:07,790 --> 01:57:06,659

working with the child rapist did they

2477

01:57:10,129 --> 01:57:07,800

know they were working with the child

2478

01:57:11,629 --> 01:57:10,139

rapist and by the way now that they

2479

01:57:14,350 --> 01:57:11,639

found out are they going to leave their

2480

01:57:17,030 --> 01:57:14,360

show on a network that employs child

2481

01:57:20,570 --> 01:57:17,040

rapists and pedophiles and kitty porn

2482

01:57:20,580 --> 01:57:24,709

I know what I think they're going to do

2483

01:57:28,970 --> 01:57:26,510

it depends on what kind of money they're

2484

01:57:32,270 --> 01:57:28,980

making over there and by the way

2485

01:57:34,129 --> 01:57:32,280

I'm told by someone that the younger up

2486

01:57:36,109 --> 01:57:34,139

and coming show hosts don't even get

2487

01:57:37,550 --> 01:57:36,119

paid to be on that Network

2488

01:57:40,070 --> 01:57:37,560

so I don't know what their business

2489

01:57:41,990 --> 01:57:40,080

model is or how this works but I'm

2490

01:57:43,729 --> 01:57:42,000

pretty sure that the big name UFO

2491

01:57:46,189 --> 01:57:43,739

celebrities are not giving all their

2492

01:57:49,790 --> 01:57:46,199

content to this

2493

01:57:51,950 --> 01:57:49,800

organization without getting some money

2494

01:57:54,050 --> 01:57:51,960

for their content

2495

01:57:58,129 --> 01:57:54,060

but that is a question that I will

2496

01:57:59,870 --> 01:57:58,139

certainly ask I will be emailing

2497

01:58:01,910 --> 01:57:59,880

everybody that I could think of that's

2498

01:58:04,669 --> 01:58:01,920

on that Network and asking some

2499

01:58:06,950 --> 01:58:04,679

important questions one did you know you

2500

01:58:08,390 --> 01:58:06,960

were working with child rapist two did

2501

01:58:11,390 --> 01:58:08,400

you know that that organization

2502

01:58:14,450 --> 01:58:11,400

knowingly hired the child rapist

2503

01:58:16,490 --> 01:58:14,460

three were you one of the hosts that the

2504

01:58:18,470 --> 01:58:16,500

person who hired the child rapist talked

2505

01:58:19,609 --> 01:58:18,480

to and okayed the hiring of a child

2506

01:58:21,109 --> 01:58:19,619

rapist

2507

01:58:23,030 --> 01:58:21,119

four

2508

01:58:25,189 --> 01:58:23,040

if you didn't know that you were working

2509

01:58:26,870 --> 01:58:25,199

with him for a child rapist now that you

2510

01:58:29,089 --> 01:58:26,880

know are you going to remove your show

2511

01:58:30,770 --> 01:58:29,099

from that Network or are you going to

2512

01:58:32,689 --> 01:58:30,780

leave it there

2513

01:58:39,229 --> 01:58:32,699

these are simple questions that I think

2514

01:58:42,950 --> 01:58:41,209

you know a civil lawsuit would be a way

2515

01:58:45,649 --> 01:58:42,960

to get all the ugly facts and names into

2516

01:58:46,850 --> 01:58:45,659

the general public not just ufology

2517

01:58:49,250 --> 01:58:46,860

yeah

2518

01:58:51,530 --> 01:58:49,260

Kurt J should take on this one I think

2519

01:58:54,169 --> 01:58:51,540

he's a little busy right it didn't work

2520

01:58:58,629 --> 01:58:54,179

for the Epstein case yeah we never got

2521

01:59:02,270 --> 01:59:00,709

Stephen they're mad because they're

2522

01:59:04,729 --> 01:59:02,280

worried about their profits hang in

2523

01:59:06,229 --> 01:59:04,739

there yeah and uh I know one of the

2524

01:59:08,990 --> 01:59:06,239

reasons I'm getting attacked so

2525

01:59:10,970 --> 01:59:09,000

viciously today is because I I just hit

2526

01:59:12,589 --> 01:59:10,980

them in their wallet and now some of

2527

01:59:15,050 --> 01:59:12,599

them or all of them might lose money

2528

01:59:17,689 --> 01:59:15,060

because it's not good Optics working for

2529

01:59:19,729 --> 01:59:17,699

a company that has a pedophile as a

2530

01:59:22,970 --> 01:59:19,739

program director right it's just not

2531

01:59:25,070 --> 01:59:22,980

good Optics that Mika Hanks always

2532

01:59:27,530 --> 01:59:25,080

struck me as a bit of a slicky boy take

2533

01:59:30,709 --> 01:59:27,540

from out what you will not familiar with

2534

01:59:32,629 --> 01:59:30,719

Mika Hanks but uh we could see many UFO

2535

01:59:35,689 --> 01:59:32,639

celebrities on there and wouldn't you

2536

01:59:37,910 --> 01:59:35,699

know none of them want to talk about it

2537

01:59:40,430 --> 01:59:37,920

but that's not going to stop me from uh

2538

01:59:42,770 --> 01:59:40,440

asking them for comment and then I'm

2539

01:59:45,229 --> 01:59:42,780

warning you all all of you UFO

2540

01:59:47,870 --> 01:59:45,239

celebrities working at kgra or working

2541

01:59:49,850 --> 01:59:47,880

with them for a child rapist I'm going

2542

01:59:51,350 --> 01:59:49,860

to email all of you and ask for comment

2543

01:59:54,050 --> 01:59:51,360

about this story

2544

01:59:55,729 --> 01:59:54,060

especially the guy who deleted our posts

2545

01:59:58,430 --> 01:59:55,739

in his Facebook group

2546

02:00:01,189 --> 01:59:58,440

and then if you refuse to comment I'm

2547

02:00:03,350 --> 02:00:01,199

gonna name you and tell everybody and

2548

02:00:06,050 --> 02:00:03,360

show them I emailed you and that you

2549

02:00:08,750 --> 02:00:06,060

never replied you didn't get back to me

2550

02:00:10,970 --> 02:00:08,760

and by the way all of you UFO

2551

02:00:13,669 --> 02:00:10,980

celebrities working over there for a

2552

02:00:15,770 --> 02:00:13,679

child rapists you better be careful with

2553

02:00:17,330 --> 02:00:15,780

your public statements because

2554

02:00:19,070 --> 02:00:17,340

Maybe

2555

02:00:20,810 --> 02:00:19,080

just maybe

2556

02:00:23,209 --> 02:00:20,820

along with

2557

02:00:26,570 --> 02:00:23,219

the conversations I had with my sources

2558

02:00:28,910 --> 02:00:26,580

I also got some other additional

2559

02:00:31,609 --> 02:00:28,920

evidence like

2560

02:00:34,550 --> 02:00:31,619

text messages and screenshots of private

2561

02:00:37,010 --> 02:00:34,560

messages and emails

2562

02:00:39,109 --> 02:00:37,020

so maybe they all better be very careful

2563

02:00:44,089 --> 02:00:39,119

what they say next

2564

02:00:49,629 --> 02:00:46,430

mysterious Oklahoma says accountability

2565

02:01:01,790 --> 02:00:52,910

keep praising the cash trigger trigger

2566

02:01:07,490 --> 02:01:04,010

so any more comments or questions for me

2567

02:01:09,229 --> 02:01:07,500

please put them in all capital letters I

2568

02:01:11,390 --> 02:01:09,239

am aware everybody's talking about this

2569

02:01:15,010 --> 02:01:11,400

Jeremy McGowan piece we didn't get to it

2570

02:01:17,930 --> 02:01:15,020

tonight I will get to it I I've got some

2571

02:01:22,250 --> 02:01:17,940

gems of quotes I pulled from there and

2572

02:01:24,229 --> 02:01:22,260

isn't it great how the uh the where

2573

02:01:29,089 --> 02:01:24,239

where are the Lou Elizondo supporters

2574

02:01:30,709 --> 02:01:29,099

when we hear that the disclosure hero is

2575

02:01:32,930 --> 02:01:30,719

telling people

2576

02:01:35,570 --> 02:01:32,940

not to tell anybody that he's sending

2577

02:01:37,669 --> 02:01:35,580

UFO reports to the U.S government he's

2578

02:01:41,270 --> 02:01:37,679

withholding information from the public

2579

02:01:43,430 --> 02:01:41,280

the disclosure

2580

02:01:47,209 --> 02:01:43,440

savior the guy who's going to bring us

2581

02:01:48,890 --> 02:01:47,219

disclosure is not telling the truth to

2582

02:01:50,570 --> 02:01:48,900

the public but he's telling the truth

2583

02:01:52,729 --> 02:01:50,580

the U.S government

2584

02:01:55,669 --> 02:01:52,739

and I love that other quote

2585

02:01:57,830 --> 02:01:55,679

I still work I never stopped working for

2586

02:01:59,629 --> 02:01:57,840

the government great

2587

02:02:01,430 --> 02:01:59,639

Lou definitely effed up his money

2588

02:02:03,830 --> 02:02:01,440

potential on the book why do you think

2589

02:02:05,689 --> 02:02:03,840

he is swinging on melon's nuts yeah

2590

02:02:07,850 --> 02:02:05,699

because he's looking for the payday and

2591

02:02:10,010 --> 02:02:07,860

he lost the payday and by the way

2592

02:02:11,750 --> 02:02:10,020

you know people could say whatever they

2593

02:02:13,129 --> 02:02:11,760

want to say if I don't name the source

2594

02:02:15,709 --> 02:02:13,139

but people have told me that Lou

2595

02:02:18,350 --> 02:02:15,719

Alexander was pissed about how much

2596

02:02:21,589 --> 02:02:18,360

money people like James Fox are making

2597

02:02:25,189 --> 02:02:21,599

and other UFO celebrities are making and

2598

02:02:27,890 --> 02:02:25,199

he's not making any money on this

2599

02:02:30,649 --> 02:02:27,900

and I think that his book deal may be

2600

02:02:33,290 --> 02:02:30,659

gone that's what I think we're going to

2601
02:02:35,390 --> 02:02:33,300
try to uh get more information on that

2602
02:02:37,669 --> 02:02:35,400
what happened to the book

2603
02:02:39,470 --> 02:02:37,679
supposed to be out in April right it's

2604
02:02:44,149 --> 02:02:39,480
September

2605
02:02:47,870 --> 02:02:44,159
months late

2606
02:02:50,330 --> 02:02:47,880
but wouldn't you know it

2607
02:02:53,450 --> 02:02:50,340
I guess all that damage control he tried

2608
02:02:56,450 --> 02:02:53,460
like rebranding himself instead of the

2609
02:02:59,390 --> 02:02:56,460
director of atip he rebranded himself to

2610
02:03:01,729 --> 02:02:59,400
be the Pentagon UAP portfolio manager

2611
02:03:03,530 --> 02:03:01,739
and people laughed at that because it's

2612
02:03:06,290 --> 02:03:03,540
a made-up fake term just like the

2613
02:03:08,629 --> 02:03:06,300

director of the imaginary program and

2614

02:03:10,370 --> 02:03:08,639

now thanks to Jeremy McGowan we get to

2615

02:03:12,169 --> 02:03:10,380

hear that Lou Elizondo is running around

2616

02:03:15,050 --> 02:03:12,179

telling everybody he has super powers

2617

02:03:17,209 --> 02:03:15,060

that's right he's got super powers and

2618

02:03:19,189 --> 02:03:17,219

he lied and said that he was a 33rd

2619

02:03:23,870 --> 02:03:19,199

degree Mason

2620

02:03:26,030 --> 02:03:23,880

which isn't real friends it's not real

2621

02:03:27,890 --> 02:03:26,040

you gotta love it little elizondo's

2622

02:03:31,250 --> 02:03:27,900

whole story is falling apart

2623

02:03:32,689 --> 02:03:31,260

and uh I hate to say I told you so but I

2624

02:03:34,970 --> 02:03:32,699

will

2625

02:03:37,430 --> 02:03:34,980

you know I cautioned everybody as soon

2626

02:03:40,189 --> 02:03:37,440

as tsa came out with all those CIA

2627

02:03:43,010 --> 02:03:40,199

people like this is not what it appears

2628

02:03:45,890 --> 02:03:43,020

to be and this Lou Elizondo is probably

2629

02:03:47,990 --> 02:03:45,900

just another UFO profiteer he just

2630

02:03:51,530 --> 02:03:48,000

hasn't really tried to cash in yet but

2631

02:03:57,550 --> 02:03:51,540

he will and he did like all of them and

2632

02:04:03,890 --> 02:04:00,109

torvik says his book got delayed the

2633

02:04:05,930 --> 02:04:03,900

reason the reasoning is classified

2634

02:04:08,689 --> 02:04:05,940

he can't talk about it

2635

02:04:12,830 --> 02:04:11,089

Patty Wilhelm says the knowledge of the

2636

02:04:16,010 --> 02:04:12,840

truth will set you free

2637

02:04:19,729 --> 02:04:16,020

yeah and Mario's

2638

02:04:21,169 --> 02:04:19,739

Taco is here and says Tico is it Mario's

2639

02:04:22,490 --> 02:04:21,179

Takeo is that how I say that I always

2640

02:04:25,430 --> 02:04:22,500

worry that I'm saying your name wrong

2641

02:04:27,950 --> 02:04:25,440

Marius I apologize but I'm happy to see

2642

02:04:29,990 --> 02:04:27,960

you he says it's all about the money at

2643

02:04:32,569 --> 02:04:30,000

the end of the day right yeah who cares

2644

02:04:34,310 --> 02:04:32,579

if you're working for child rapists who

2645

02:04:37,189 --> 02:04:34,320

cares if the company you work for is

2646

02:04:39,410 --> 02:04:37,199

hiring knowingly hiring pedophiles and

2647

02:04:41,510 --> 02:04:39,420

kitty porn collectors that spend five

2648

02:04:43,669 --> 02:04:41,520

years in jail for raping a 13 year old

2649

02:04:54,290 --> 02:04:43,679

boy as long as you're making money who

2650

02:04:58,250 --> 02:04:55,669

take

2651
02:05:00,649 --> 02:04:58,260
Taco like taco okay all right I'll call

2652
02:05:02,990 --> 02:05:00,659
you Mario's Taco then it just feels

2653
02:05:04,550 --> 02:05:03,000
funny to call somebody a taco you know

2654
02:05:07,129 --> 02:05:04,560
in the United States you know what a

2655
02:05:10,189 --> 02:05:07,139
taco is right well obviously you wrote

2656
02:05:12,109 --> 02:05:10,199
it yeah you always make me think of

2657
02:05:14,750 --> 02:05:12,119
tacos too every time I see you I get

2658
02:05:18,589 --> 02:05:14,760
hungry for Taco Bell

2659
02:05:20,930 --> 02:05:18,599
yeah so uh listen this is uh all we got

2660
02:05:23,990 --> 02:05:20,940
for you I'm gonna try to reschedule with

2661
02:05:25,910 --> 02:05:24,000
the Matthew Riot I'm sorry but he had to

2662
02:05:27,530 --> 02:05:25,920
reschedule at the last minute but the

2663
02:05:29,629 --> 02:05:27,540

good news is we've always got a few

2664

02:05:33,350 --> 02:05:29,639

shows in the pipeline so you know no

2665

02:05:35,569 --> 02:05:33,360

worries I I uh my best to Matthew Riot

2666

02:05:37,310 --> 02:05:35,579

and you know no worries about uh

2667

02:05:39,050 --> 02:05:37,320

rescheduling we'll reschedule it people

2668

02:05:41,629 --> 02:05:39,060

were anxious to hear

2669

02:05:44,209 --> 02:05:41,639

uh him come here and I hope that we'll

2670

02:05:46,010 --> 02:05:44,219

reschedule it as soon as possible we've

2671

02:05:48,410 --> 02:05:46,020

already got an amazing thumbnail we got

2672

02:05:57,729 --> 02:05:48,420

to use it Matthew riot

2673

02:06:02,629 --> 02:05:59,990

Martin Wright says I don't care how much

2674

02:06:05,470 --> 02:06:02,639

they rattle their Maracas at me I'm not

2675

02:06:09,770 --> 02:06:05,480

paying 1200 in Spain to listen to Bull

2676
02:06:11,629 --> 02:06:09,780
yeah well that's what it is man hey you

2677
02:06:13,810 --> 02:06:11,639
also get some water bottles for your

2678
02:06:18,050 --> 02:06:13,820
twelve hundred dollars and a hotel room

2679
02:06:21,169 --> 02:06:18,060
and you get to meet and greet UFO frauds

2680
02:06:23,689 --> 02:06:21,179
like Linda Moulton Howe and Jaime musan

2681
02:06:26,030 --> 02:06:23,699
the king of hoaxes and Christopher

2682
02:06:27,950 --> 02:06:26,040
Mellon who's telling people Wackadoo

2683
02:06:30,970 --> 02:06:27,960
stories right now with no evidence or

2684
02:06:33,830 --> 02:06:30,980
proof right

2685
02:06:35,450 --> 02:06:33,840
and I love it disclosure never came so

2686
02:06:37,370 --> 02:06:35,460
people are nailed now the new talking

2687
02:06:39,890 --> 02:06:37,380
point is we don't need the government

2688
02:06:44,689 --> 02:06:39,900

disclosure is already here we know it

2689

02:06:48,229 --> 02:06:44,699

okay if you say so right just such

2690

02:06:49,729 --> 02:06:48,239

and you know I gotta we have to

2691

02:06:51,530 --> 02:06:49,739

Pivot

2692

02:06:53,089 --> 02:06:51,540

away

2693

02:06:54,229 --> 02:06:53,099

from this

2694

02:06:57,530 --> 02:06:54,239

um

2695

02:07:00,290 --> 02:06:57,540

ugliness right so actually I have

2696

02:07:02,930 --> 02:07:00,300

something really fun and funny to share

2697

02:07:05,750 --> 02:07:02,940

I'm going to make a separate video just

2698

02:07:08,990 --> 02:07:05,760

about this thing I have to share but

2699

02:07:10,669 --> 02:07:09,000

Matthew Wright and I tonight we were

2700

02:07:14,050 --> 02:07:10,679

supposed to talk about how ridiculous

2701

02:07:17,330 --> 02:07:14,060

the UFO Community has become and it has

2702

02:07:19,069 --> 02:07:17,340

and what passes for evidence or proof

2703

02:07:22,189 --> 02:07:19,079

when people start making claims about

2704

02:07:25,910 --> 02:07:22,199

alien technology or being in possession

2705

02:07:29,589 --> 02:07:25,920

of alien artifacts or technology is so

2706

02:07:34,069 --> 02:07:29,599

goddamn ridiculous it's just funny

2707

02:07:35,330 --> 02:07:34,079

and boy have I found a perfect example

2708

02:07:37,790 --> 02:07:35,340

of that because

2709

02:07:40,370 --> 02:07:37,800

there is a doctor

2710

02:07:42,709 --> 02:07:40,380

who is in possession my friends of

2711

02:07:44,149 --> 02:07:42,719

something called a nimbus

2712

02:07:45,950 --> 02:07:44,159

wait let me do this again because I

2713

02:07:48,410 --> 02:07:45,960

might be able to clip this

2714

02:07:50,450 --> 02:07:48,420

this is the truth Seekers exclusive

2715

02:07:53,149 --> 02:07:50,460

breaking news story

2716

02:07:56,629 --> 02:07:53,159

apparently there is a doctor who is in

2717

02:08:00,830 --> 02:07:56,639

possession of alien technology he calls

2718

02:08:04,850 --> 02:08:00,840

the device a nimbus and it allows him to

2719

02:08:06,890 --> 02:08:04,860

vanish and disappear at will friends

2720

02:08:10,129 --> 02:08:06,900

when asked for proof

2721

02:08:13,189 --> 02:08:10,139

of this incredible alien technology

2722

02:08:14,930 --> 02:08:13,199

the doctor provided

2723

02:08:18,890 --> 02:08:14,940

a video

2724

02:08:20,990 --> 02:08:18,900

this incredible startling proof of alien

2725

02:08:23,510 --> 02:08:21,000

technology on Earth

2726

02:08:27,410 --> 02:08:23,520

which was given to him by aliens from

2727

02:08:30,290 --> 02:08:27,420

Saturn is now an exclusive truth Seeker

2728

02:08:32,689 --> 02:08:30,300

story this my friends is the incredible

2729

02:08:35,810 --> 02:08:32,699

story of the nimbus

2730

02:08:37,850 --> 02:08:35,820

alien artifact on Earth

2731

02:08:40,390 --> 02:08:37,860

and its possessor

2732

02:08:43,129 --> 02:08:40,400

the great doctor

2733

02:08:44,689 --> 02:08:43,139

displayed this incredible alien

2734

02:08:47,990 --> 02:08:44,699

technology

2735

02:08:51,350 --> 02:08:48,000

we here at true Seekers now can show you

2736

02:08:54,950 --> 02:08:51,360

the incredible proof

2737

02:08:58,430 --> 02:08:54,960

of alien technology on Earth friends

2738

02:09:00,830 --> 02:08:58,440

here it is so uh I'm I'm trying to find

2739

02:09:03,470 --> 02:09:00,840

this video this YouTube and share it and

2740

02:09:06,649 --> 02:09:03,480

I mean it was just in an office in West

2741

02:09:09,709 --> 02:09:06,659

Virginia and and uh

2742

02:09:13,129 --> 02:09:09,719

um a a student was visiting and had a

2743

02:09:17,089 --> 02:09:13,139

had a video camera and took a picture

2744

02:09:20,270 --> 02:09:17,099

pictures of me uh a motion picture

2745

02:09:22,910 --> 02:09:20,280

of me and uh that that that's it so

2746

02:09:26,270 --> 02:09:22,920

there's no no props or anything like

2747

02:09:28,609 --> 02:09:26,280

that but it was just for a little it was

2748

02:09:31,010 --> 02:09:28,619

just a little um experiment or a little

2749

02:09:33,350 --> 02:09:31,020

show right I mean it was

2750

02:09:35,450 --> 02:09:33,360

a good person it was just for uh for a

2751

02:09:38,270 --> 02:09:35,460

specific purpose it was just for fun

2752

02:09:42,229 --> 02:09:38,280

right yes it was just just for fun and

2753

02:09:44,810 --> 02:09:42,239

just to uh just to uh demonstrate how

2754

02:09:46,089 --> 02:09:44,820

this uh yeah yeah to damage demonstrate

2755

02:09:48,530 --> 02:09:46,099

uh

2756

02:09:51,109 --> 02:09:48,540

demonstrate the

2757

02:09:56,450 --> 02:09:53,450

some of the concepts in the book and

2758

02:09:58,370 --> 02:09:56,460

that that's it that's it okay I'm fine

2759

02:10:54,950 --> 02:09:58,380

I'm going to find it and I'm going to

2760

02:10:59,810 --> 02:10:57,890

there we have it friends

2761

02:11:03,709 --> 02:10:59,820

the cosmic ray

2762

02:11:07,729 --> 02:11:03,719

Dr Raymond Keller bringing us incredible

2763

02:11:10,550 --> 02:11:07,739

proof of alien technology now on Earth

2764

02:11:13,729 --> 02:11:10,560

the incredible alien artifact he calls

2765

02:11:15,589 --> 02:11:13,739

the Nimbus allows him to vanish and

2766

02:11:18,010 --> 02:11:15,599

disappear at will

2767

02:11:22,010 --> 02:11:18,020

and we have just shown you

2768

02:11:26,510 --> 02:11:22,020

exclusive conclusive proof of that alien

2769

02:11:33,050 --> 02:11:29,569

this is where we're at this my friends

2770

02:11:37,129 --> 02:11:33,060

is how ridiculous this nonsense

2771

02:11:39,410 --> 02:11:37,139

this world of aliens and UFOs has become

2772

02:11:42,470 --> 02:11:39,420

and uh I don't even know what to say

2773

02:11:46,310 --> 02:11:42,480

about that clip but I will say this the

2774

02:11:48,770 --> 02:11:46,320

uh laser that the the swirling light

2775

02:11:52,729 --> 02:11:48,780

effect that he used I have one of those

2776

02:11:57,050 --> 02:11:52,739

it's a laser DJ party light that you can

2777

02:11:59,870 --> 02:11:57,060

get on Amazon for twenty dollars

2778

02:12:01,970 --> 02:11:59,880

this passes for proof of alien

2779

02:12:04,250 --> 02:12:01,980

technology to some people

2780

02:12:07,310 --> 02:12:04,260

and by the way I did go through the

2781

02:12:10,010 --> 02:12:07,320

comments of that video and everybody was

2782

02:12:13,069 --> 02:12:10,020

shocked and amazed at this incredible

2783

02:12:17,149 --> 02:12:13,079

proof of alien technology that this

2784

02:12:19,729 --> 02:12:17,159

cosmic ray Dr Raymond Keller who by the

2785

02:12:22,970 --> 02:12:19,739

way has a lot of books about aliens from

2786

02:12:29,750 --> 02:12:26,450

this this is what we have devolved into

2787

02:12:33,649 --> 02:12:29,760

there is no you know Lou Elizondo talks

2788

02:12:37,490 --> 02:12:33,659

about the serious search for scientific

2789

02:12:40,310 --> 02:12:37,500

you know data and all this this is a

2790

02:12:43,189 --> 02:12:40,320

circus of

2791

02:12:47,330 --> 02:12:43,199

stupidity

2792

02:12:49,550 --> 02:12:47,340

that's what this is it is a circus of

2793

02:12:53,689 --> 02:12:49,560

stupidity

2794

02:12:57,669 --> 02:12:53,699

and I question my involvement in this

2795

02:13:01,490 --> 02:12:57,679

uh some time ago I talked to a reporter

2796

02:13:03,950 --> 02:13:01,500

who uh was talking to me about getting

2797

02:13:06,290 --> 02:13:03,960

burnt out of the same beat and he said

2798

02:13:07,970 --> 02:13:06,300

you got to do other stories that's or

2799

02:13:10,310 --> 02:13:07,980

you will get burned out and yeah I feel

2800

02:13:11,950 --> 02:13:10,320

like I'm getting burnt out because oh

2801

02:13:15,530 --> 02:13:11,960

and by the way just today on Twitter

2802

02:13:18,050 --> 02:13:15,540

someone was commenting to me uh you know

2803

02:13:21,050 --> 02:13:18,060

Stephen these these shows about people

2804

02:13:25,750 --> 02:13:21,060

that are Liars are are helpful because

2805

02:13:31,370 --> 02:13:28,609

and who's lying to us

2806

02:13:33,649 --> 02:13:31,380

but we really wish that you would get

2807

02:13:35,870 --> 02:13:33,659

back to doing some shows

2808

02:13:38,450 --> 02:13:35,880

that show the real truth and the real

2809

02:13:42,169 --> 02:13:38,460

evidence about the UFOs and the aliens

2810

02:13:45,169 --> 02:13:42,179

and you know I get that people

2811

02:13:47,569 --> 02:13:45,179

want me to do that then you send me real

2812

02:13:49,850 --> 02:13:47,579

proof and real evidence because every

2813

02:13:52,970 --> 02:13:49,860

story I look into

2814

02:13:54,229 --> 02:13:52,980

no matter how promising it may appear at

2815

02:13:55,550 --> 02:13:54,239

first

2816

02:13:59,990 --> 02:13:55,560

uh

2817

02:14:03,470 --> 02:14:00,000

we get to the inevitable big letdown

2818

02:14:04,970 --> 02:14:03,480

it's not my fault I am

2819

02:14:08,270 --> 02:14:04,980

reporting

2820

02:14:11,030 --> 02:14:08,280

what the results of my research and

2821

02:14:13,850 --> 02:14:11,040

investigation into the story is it's not

2822

02:14:17,750 --> 02:14:13,860

my fault that everybody's lying to you

2823

02:14:20,629 --> 02:14:17,760

about aliens and UFOs I'm just reporting

2824

02:14:23,510 --> 02:14:20,639

to you what I found and it seems like

2825

02:14:26,510 --> 02:14:23,520

every story that I look into with a few

2826

02:14:28,729 --> 02:14:26,520

possible exceptions like Roswell is

2827

02:14:29,990 --> 02:14:28,739

still in my gray basket

2828

02:14:32,390 --> 02:14:30,000

uh

2829

02:14:35,629 --> 02:14:32,400

I have my own beliefs about what Roswell

2830

02:14:37,250 --> 02:14:35,639

was but other than that story every

2831

02:14:39,229 --> 02:14:37,260

story that I have researched and

2832

02:14:41,629 --> 02:14:39,239

investigated really just falls apart

2833

02:14:43,910 --> 02:14:41,639

under scrutiny and certainly even parts

2834

02:14:45,470 --> 02:14:43,920

of the Roswell Mythos fall apart under

2835

02:14:47,510 --> 02:14:45,480

scrutiny there have been people that

2836

02:14:50,689 --> 02:14:47,520

just made up fake stories about aliens

2837

02:14:52,370 --> 02:14:50,699

and alien bodies and all kinds of stuff

2838

02:14:55,430 --> 02:14:52,380

there have been people that I thought

2839

02:14:58,189 --> 02:14:55,440

told similar stories that are credible

2840

02:15:00,649 --> 02:14:58,199

when it comes to Roswell but

2841

02:15:02,629 --> 02:15:00,659

I get it people are asking me Stephen

2842

02:15:06,350 --> 02:15:02,639

why don't you bring us stories that are

2843

02:15:08,990 --> 02:15:06,360

true bring me some I'd love to dig into

2844

02:15:10,430 --> 02:15:09,000

a story that actually has evidence that

2845

02:15:12,350 --> 02:15:10,440

is actually

2846

02:15:13,790 --> 02:15:12,360

you know got

2847

02:15:19,550 --> 02:15:13,800

evidence

2848

02:15:23,870 --> 02:15:20,810

too much

2849

02:15:26,810 --> 02:15:23,880

of these stories I look into

2850

02:15:28,490 --> 02:15:26,820

they fall apart under scrutiny and I

2851
02:15:31,069 --> 02:15:28,500
don't know what people want me to do I

2852
02:15:34,250 --> 02:15:31,079
get I get it people want me to bring you

2853
02:15:36,410 --> 02:15:34,260
you know stories about aliens that may

2854
02:15:38,930 --> 02:15:36,420
be true or are true

2855
02:15:40,390 --> 02:15:38,940
I'll try my best here but every story I

2856
02:15:43,370 --> 02:15:40,400
look into

2857
02:15:44,930 --> 02:15:43,380
inevitably we get to the part where the

2858
02:15:47,390 --> 02:15:44,940
story falls apart

2859
02:15:49,189 --> 02:15:47,400
the sources aren't credible their

2860
02:15:51,709 --> 02:15:49,199
education is fake they didn't work where

2861
02:15:53,689 --> 02:15:51,719
they said they worked or whatever

2862
02:15:55,910 --> 02:15:53,699
uh you know a perfect example is

2863
02:15:57,530 --> 02:15:55,920

Jonathan Reed boy I would love to

2864

02:16:00,169 --> 02:15:57,540

believe that's a true story because

2865

02:16:02,030 --> 02:16:00,179

except for the hokiness of his so-called

2866

02:16:04,669 --> 02:16:02,040

evidence it's a good story guy was out

2867

02:16:05,810 --> 02:16:04,679

in the woods they vaporized his dog

2868

02:16:08,089 --> 02:16:05,820

you know

2869

02:16:10,069 --> 02:16:08,099

he hit an alien in the head with a big

2870

02:16:13,010 --> 02:16:10,079

stick he drunk it home and put it in the

2871

02:16:14,930 --> 02:16:13,020

freezer man that's a great story I would

2872

02:16:16,490 --> 02:16:14,940

love that story to be true and by the

2873

02:16:18,410 --> 02:16:16,500

way I just want to put on record that

2874

02:16:20,990 --> 02:16:18,420

Jace

2875

02:16:22,010 --> 02:16:21,000

Dr Jonathan Reed is greater than Jason

2876

02:16:24,589 --> 02:16:22,020

quit

2877

02:16:26,390 --> 02:16:24,599

okay Dr Jonathan Reed is better than

2878

02:16:28,370 --> 02:16:26,400

Jason quit

2879

02:16:30,589 --> 02:16:28,380

all around just want to put that out

2880

02:16:32,509 --> 02:16:30,599

there I've been busting Jason quit's

2881

02:16:34,429 --> 02:16:32,519

balls because

2882

02:16:36,830 --> 02:16:34,439

Jason quit was just on Jimmy church

2883

02:16:39,830 --> 02:16:36,840

right after Dr Jonathan Reed and I

2884

02:16:41,990 --> 02:16:39,840

busted his balls and said that uh you

2885

02:16:43,370 --> 02:16:42,000

know Dr Jonathan reads stories are much

2886

02:16:46,129 --> 02:16:43,380

better than his because he's got an

2887

02:16:49,370 --> 02:16:46,139

alien in his freezer and he's got an

2888

02:16:52,669 --> 02:16:49,380

alien armband and all Jason quit has is

2889

02:16:55,429 --> 02:16:52,679

you know some meditation exercises and

2890

02:16:57,589 --> 02:16:55,439

stories about astral travel

2891

02:16:59,330 --> 02:16:57,599

Jonathan Reed is much better

2892

02:17:00,830 --> 02:16:59,340

than

2893

02:17:02,389 --> 02:17:00,840

Jason Quinn

2894

02:17:05,089 --> 02:17:02,399

okay

2895

02:17:07,549 --> 02:17:05,099

yeah so I would like to bring you all

2896

02:17:09,830 --> 02:17:07,559

stories about aliens that were true

2897

02:17:13,669 --> 02:17:09,840

I would like to believe aliens are here

2898

02:17:16,429 --> 02:17:13,679

visiting us or have visited us and those

2899

02:17:19,730 --> 02:17:16,439

unaware especially those that attack me

2900

02:17:21,709 --> 02:17:19,740

like why do you think I'm here I saw

2901

02:17:25,389 --> 02:17:21,719

something when I was a child that I

2902

02:17:28,129 --> 02:17:25,399

cannot explain in my entire life I've

2903

02:17:31,009 --> 02:17:28,139

research this topic I want to know what

2904

02:17:33,049 --> 02:17:31,019

the hell did I see was it really aliens

2905

02:17:34,250 --> 02:17:33,059

I used to believe it was

2906

02:17:37,730 --> 02:17:34,260

now

2907

02:17:40,969 --> 02:17:37,740

I'm not so sure because all roads down

2908

02:17:43,009 --> 02:17:40,979

the alien hypothesis lead to

2909

02:17:44,690 --> 02:17:43,019

and that's where I'm at and that's where

2910

02:17:47,509 --> 02:17:44,700

I find myself I'm not going to lie to my

2911

02:17:51,169 --> 02:17:47,519

audience just to have some story to tell

2912

02:17:53,389 --> 02:17:51,179

I'm not gonna you know I can't just

2913

02:17:55,910 --> 02:17:53,399

do like everybody else and show you guys

2914

02:17:58,309 --> 02:17:55,920

fake pictures of aliens and claim that

2915

02:17:59,809 --> 02:17:58,319

they're real pictures of aliens I'm not

2916

02:18:01,790 --> 02:17:59,819

going to do that

2917

02:18:04,129 --> 02:18:01,800

that's not what we're about here it's

2918

02:18:05,929 --> 02:18:04,139

just called Truth Seekers and if the

2919

02:18:08,870 --> 02:18:05,939

truth that I find is that the story is

2920

02:18:10,490 --> 02:18:08,880

not true I'm going to report to you the

2921

02:18:14,209 --> 02:18:10,500

story is not true

2922

02:18:16,730 --> 02:18:14,219

uh yeah so

2923

02:18:18,650 --> 02:18:16,740

I'm glad that we could uh share with you

2924

02:18:20,990 --> 02:18:18,660

this astonishing proof of alien

2925

02:18:23,690 --> 02:18:21,000

technology

2926

02:18:25,549 --> 02:18:23,700

that's the best that we have

2927

02:18:27,770 --> 02:18:25,559

garbage like that

2928

02:18:29,929 --> 02:18:27,780

really that's the best that we have I

2929

02:18:32,629 --> 02:18:29,939

guess it is because I can't find

2930

02:18:34,610 --> 02:18:32,639

anything better than that lately

2931

02:18:36,230 --> 02:18:34,620

by the way I want to thank the Twitter

2932

02:18:38,389 --> 02:18:36,240

user who sent that to me whose Name

2933

02:18:40,070 --> 02:18:38,399

Escapes me I'm so sorry but it was a few

2934

02:18:43,070 --> 02:18:40,080

weeks ago somebody sent me that video

2935

02:18:45,169 --> 02:18:43,080

and said Stephen you got to see this

2936

02:18:46,849 --> 02:18:45,179

guy's proof of alien technology if you

2937

02:18:49,129 --> 02:18:46,859

thought Russ coldfart was full of it

2938

02:18:51,290 --> 02:18:49,139

wait do you see this guy and by the way

2939

02:18:56,690 --> 02:18:51,300

I'm reaching out to that guy I want to

2940

02:19:01,790 --> 02:18:58,509

yeah

2941

02:19:04,070 --> 02:19:01,800

so uh that's all we got for you friends

2942

02:19:06,410 --> 02:19:04,080

uh we're well over the two hour mark I

2943

02:19:09,290 --> 02:19:06,420

do have to uh also mention somebody

2944

02:19:10,969 --> 02:19:09,300

asked me why is the audio podcast so far

2945

02:19:15,110 --> 02:19:10,979

behind

2946

02:19:16,549 --> 02:19:15,120

be working until five o'clock in the

2947

02:19:18,169 --> 02:19:16,559

morning tonight to try to get it all

2948

02:19:21,410 --> 02:19:18,179

caught up

2949

02:19:23,750 --> 02:19:21,420

generally I am I have been busy with

2950

02:19:26,209 --> 02:19:23,760

interviews and other things tomorrow I

2951

02:19:29,929 --> 02:19:26,219

have a few conference calls to do

2952

02:19:32,690 --> 02:19:29,939

uh and an off-camera off-air interviews

2953

02:19:35,570 --> 02:19:32,700

to do concerning a really really big

2954

02:19:38,089 --> 02:19:35,580

story that we've been developing

2955

02:19:39,650 --> 02:19:38,099

and if you thought this everybody in the

2956

02:19:41,209 --> 02:19:39,660

UFO Community all these people in the

2957

02:19:44,509 --> 02:19:41,219

UFO Community working for a child

2958

02:19:45,889 --> 02:19:44,519

rapists story was shocking way to hear

2959

02:19:49,309 --> 02:19:45,899

the next one that we're bringing you

2960

02:19:50,870 --> 02:19:49,319

it's even worse or better depending on

2961

02:19:52,870 --> 02:19:50,880

your point of view if you like shocking

2962

02:19:57,050 --> 02:19:52,880

stories it's better

2963

02:19:58,910 --> 02:19:57,060

uh if it's horrific it's worse than

2964

02:20:01,550 --> 02:19:58,920

child rape yeah

2965

02:20:03,710 --> 02:20:01,560

and it involves many many people in the

2966

02:20:06,770 --> 02:20:03,720

UFO community

2967

02:20:08,330 --> 02:20:06,780

um but it also there are some legal

2968

02:20:10,070 --> 02:20:08,340

issues there so we have to be very

2969

02:20:13,010 --> 02:20:10,080

careful in the development of that story

2970

02:20:15,650 --> 02:20:13,020

and I have reached out to uh

2971

02:20:18,110 --> 02:20:15,660

everybody that I can think of

2972

02:20:20,630 --> 02:20:18,120

to give me advice because this has to be

2973

02:20:23,150 --> 02:20:20,640

done it's a really big story and it has

2974

02:20:25,550 --> 02:20:23,160

to be done right and uh

2975

02:20:27,290 --> 02:20:25,560

we're going to be working on that

2976

02:20:30,889 --> 02:20:27,300

I've been working on some other things

2977

02:20:33,290 --> 02:20:30,899

which is why the audio podcast is behind

2978

02:20:34,790 --> 02:20:33,300

um and by the way I should remind you if

2979

02:20:37,370 --> 02:20:34,800

you're listening an audio podcast land

2980

02:20:39,469 --> 02:20:37,380

you're missing half the fun we love and

2981

02:20:41,150 --> 02:20:39,479

and respect all of you over there

2982

02:20:43,730 --> 02:20:41,160

listening to the audio podcast the audio

2983

02:20:46,610 --> 02:20:43,740

podcast by the way is growing and more

2984

02:20:48,110 --> 02:20:46,620

and more listeners are finding it uh a

2985

02:20:50,030 --> 02:20:48,120

lot of people prefer to just listen to

2986

02:20:51,830 --> 02:20:50,040

the audio podcast if they're driving or

2987

02:20:54,410 --> 02:20:51,840

working or doing something and we

2988

02:20:56,150 --> 02:20:54,420

provide that as a public service

2989

02:20:58,370 --> 02:20:56,160

um but sometimes it's behind and I

2990

02:20:59,809 --> 02:20:58,380

apologize for that but in any case if

2991

02:21:03,050 --> 02:20:59,819

you're listening to the audio podcast

2992

02:21:05,330 --> 02:21:03,060

and you haven't yet please do go on over

2993

02:21:07,250 --> 02:21:05,340

to YouTube put true Seekers one word in

2994

02:21:09,290 --> 02:21:07,260

the search bar when you see me the

2995

02:21:11,150 --> 02:21:09,300

strange guy with sunglasses pop up go to

2996

02:21:13,429 --> 02:21:11,160

that Channel smash the Subscribe button

2997

02:21:15,349 --> 02:21:13,439

hit the notification Bell and you too

2998

02:21:17,450 --> 02:21:15,359

will know when we're doing a live taping

2999

02:21:19,370 --> 02:21:17,460

and uh

3000

02:21:21,590 --> 02:21:19,380

you can come over here you can ask

3001

02:21:23,750 --> 02:21:21,600

questions you can communicate with other

3002

02:21:27,050 --> 02:21:23,760

people interested in these strange and

3003

02:21:29,090 --> 02:21:27,060

esoteric topics and we welcome you to do

3004

02:21:31,610 --> 02:21:29,100

that we welcome Skeptics Believers

3005

02:21:33,830 --> 02:21:31,620

people somewhere in between anywhere on

3006

02:21:36,230 --> 02:21:33,840

the spectrum of weirdo you are you are

3007

02:21:38,690 --> 02:21:36,240

most welcome here so come on over to

3008

02:21:40,910 --> 02:21:38,700

YouTube find our true Seekers channel

3009

02:21:43,070 --> 02:21:40,920

it's in the description of all the audio

3010

02:21:44,809 --> 02:21:43,080

podcasts are linked to our Channel but

3011

02:21:47,030 --> 02:21:44,819

otherwise just go to YouTube for True

3012

02:21:49,849 --> 02:21:47,040

Seekers one word you'll find us look for

3013

02:21:50,929 --> 02:21:49,859

me with the sunglasses go there smash

3014

02:21:53,450 --> 02:21:50,939

the Subscribe button hit the

3015

02:21:56,210 --> 02:21:53,460

notification Bell come on over here and

3016

02:21:59,510 --> 02:21:56,220

become a subscriber and take part in the

3017

02:22:02,090 --> 02:21:59,520

uh tapings of the podcast which are all

3018

02:22:03,590 --> 02:22:02,100

done live right here in our home base at

3019

02:22:05,750 --> 02:22:03,600

our YouTube channel

3020

02:22:07,910 --> 02:22:05,760

otherwise I would like to remind all of

3021

02:22:09,590 --> 02:22:07,920

you that besides throwing money at us

3022

02:22:12,050 --> 02:22:09,600

the other best way to support us is to

3023

02:22:14,450 --> 02:22:12,060

like comment subscribe and share these

3024

02:22:16,370 --> 02:22:14,460

videos it really does help and I would

3025

02:22:18,230 --> 02:22:16,380

especially like to ask you all to please

3026
02:22:20,389 --> 02:22:18,240
share yesterday's broadcast because

3027
02:22:22,490 --> 02:22:20,399
people are trying to stop people from

3028
02:22:24,590 --> 02:22:22,500
seeing that people are trying to stop

3029
02:22:26,750 --> 02:22:24,600
people from hearing about that

3030
02:22:28,910 --> 02:22:26,760
and I think that's wrong I think people

3031
02:22:31,389 --> 02:22:28,920
deserve the truth and if you do too

3032
02:22:35,950 --> 02:22:31,399
share that video on your social media

3033
02:22:39,070 --> 02:22:35,960
let's stop the op let's stop

3034
02:22:41,389 --> 02:22:39,080
these cowardly

3035
02:22:44,450 --> 02:22:41,399
individuals who would rather you didn't

3036
02:22:45,650 --> 02:22:44,460
know that they're working for child

3037
02:22:46,849 --> 02:22:45,660
rapists

3038
02:22:49,730 --> 02:22:46,859

great

3039

02:22:56,349 --> 02:22:49,740

all right so uh let me check in one last

3040

02:23:00,950 --> 02:22:59,330

Mario's Taco says I need to take a nap

3041

02:23:02,389 --> 02:23:00,960

by the way it's 6 20 in the morning here

3042

02:23:04,250 --> 02:23:02,399

but it was so fun thank you so much

3043

02:23:06,950 --> 02:23:04,260

Stephen well thank you for losing some

3044

02:23:09,830 --> 02:23:06,960

sleep to help me get viewers in watch

3045

02:23:11,690 --> 02:23:09,840

time I just much appreciate it I need

3046

02:23:14,510 --> 02:23:11,700

more people with insomnia in your

3047

02:23:16,910 --> 02:23:14,520

country so share our videos tell people

3048

02:23:18,230 --> 02:23:16,920

to come and And subscribe I would

3049

02:23:21,230 --> 02:23:18,240

appreciate it

3050

02:23:23,150 --> 02:23:21,240

yes uh people are mentioning they're

3051
02:23:25,910 --> 02:23:23,160
crashing out yes we went a little long

3052
02:23:27,230 --> 02:23:25,920
tonight as usual I thought this was

3053
02:23:30,530 --> 02:23:27,240
going to be a quick one

3054
02:23:31,849 --> 02:23:30,540
but I I we love and and thank each and

3055
02:23:33,469 --> 02:23:31,859
every one of you for joining us I want

3056
02:23:36,770 --> 02:23:33,479
to thank all of our kind and generous

3057
02:23:38,750 --> 02:23:36,780
supporters I want to thank all of uh the

3058
02:23:40,130 --> 02:23:38,760
people who attend our live chat I want

3059
02:23:42,170 --> 02:23:40,140
to thank all of you guys chatting and

3060
02:23:44,690 --> 02:23:42,180
Discord by the way B Baker will share

3061
02:23:47,570 --> 02:23:44,700
the link to the Discord and you too can

3062
02:23:49,250 --> 02:23:47,580
join us in the Discord and chat with

3063
02:23:51,349 --> 02:23:49,260

like-minded people interested in these

3064

02:23:55,670 --> 02:23:51,359

subjects not only while we're doing a

3065

02:23:58,010 --> 02:23:55,680

live broadcast but also while we uh any

3066

02:24:00,110 --> 02:23:58,020

time of the day 24 hours seven days a

3067

02:24:01,309 --> 02:24:00,120

week I'm in there so if you want to ask

3068

02:24:03,410 --> 02:24:01,319

me a question when we're not

3069

02:24:06,349 --> 02:24:03,420

broadcasting live I check for questions

3070

02:24:08,990 --> 02:24:06,359

in there uh you are most welcome to join

3071

02:24:11,389 --> 02:24:09,000

our Discord server so that's all we got

3072

02:24:16,490 --> 02:24:11,399

for you friends I'm gonna bounce on out

3073

02:24:18,710 --> 02:24:16,500

of here I am right now on Day 94 of uh

3074

02:24:20,990 --> 02:24:18,720

not getting hammered every day

3075

02:24:23,150 --> 02:24:21,000

so today was a good day and I thank you

3076

02:24:25,250 --> 02:24:23,160

for sharing it with me until next time

3077

02:24:30,090 --> 02:24:25,260

friends my name is Stephen cambian good

3078

02:25:34,710 --> 02:25:32,170

[Music]

3079

02:25:50,170 --> 02:25:34,720

thank you

3080

02:26:13,270 --> 02:25:50,180

[Music]

3081

02:26:31,380 --> 02:26:13,280

foreign
