1
00:00:23,880 --> 00:00:22,550
[Music]

2
00:00:35,430 --> 00:00:23,890
so

3
00:00:49,590 --> 00:00:35,440
[Music]

4
00:00:49,600 --> 00:00:57,830
so

5
00:02:52,760 --> 00:02:10,990
[Music]

6
00:02:52,770 --> 00:02:57,260
[Applause]

7
00:03:39,070 --> 00:03:37,830
[Music]

8
00:03:46,600 --> 00:03:39,080
so

9
00:03:46,610 --> 00:04:12,309
[Music]

10
00:04:16,710 --> 00:04:14,470
greetings and salutations friends and

11
00:04:18,069 --> 00:04:16,720
welcome back it has been a very busy

12
00:04:20,550 --> 00:04:18,079
weekend

13
00:04:22,950 --> 00:04:20,560

uh both for me and for some other people

14

00:04:24,070 --> 00:04:22,960

for those unaware there was a silicon

15

00:04:27,830 --> 00:04:24,080

valley

16

00:04:30,790 --> 00:04:27,840

secret space program uh conference over

17

00:04:33,830 --> 00:04:30,800

the weekend in california and many of

18

00:04:36,390 --> 00:04:33,840

you were asking me about different

19

00:04:38,870 --> 00:04:36,400

speakers at the conference many of you

20

00:04:40,710 --> 00:04:38,880

were asking me if i thought

21

00:04:43,590 --> 00:04:40,720

shelling out that kind of money was

22

00:04:47,430 --> 00:04:43,600

worth it and there's a short answer and

23

00:04:49,030 --> 00:04:47,440

a long answer the short answer is no

24

00:04:51,110 --> 00:04:49,040

but

25

00:04:54,070 --> 00:04:51,120

this requires some explanation so

26

00:04:54,950 --> 00:04:54,080

there's a slightly longer explanation

27

00:04:57,830 --> 00:04:54,960

now

28

00:04:59,990 --> 00:04:57,840

i do have to say that there was uh

29

00:05:02,390 --> 00:05:00,000

there hasn't been a secret space program

30

00:05:05,749 --> 00:05:02,400

conference in quite some time

31

00:05:07,909 --> 00:05:05,759

but uh because of the the health crisis

32

00:05:10,150 --> 00:05:07,919

and all that stuff most in-person

33

00:05:11,909 --> 00:05:10,160

conferences were shut down in favor of

34

00:05:14,230 --> 00:05:11,919

streaming conferences

35

00:05:16,950 --> 00:05:14,240

and this one was both in person and

36

00:05:21,270 --> 00:05:18,950

so

37

00:05:22,950 --> 00:05:21,280

the cost of the conference for attending

38

00:05:25,749 --> 00:05:22,960

was 600

39

00:05:28,710 --> 00:05:25,759

now i have to be very clear in that

40

00:05:30,070 --> 00:05:28,720

their website changed after the uh

41

00:05:33,350 --> 00:05:30,080

pre-sales

42

00:05:35,270 --> 00:05:33,360

so i can't tell you uh what just

43

00:05:37,909 --> 00:05:35,280

streaming this cost

44

00:05:39,670 --> 00:05:37,919

um i've reached out to the conference

45

00:05:43,110 --> 00:05:39,680

organizers and if we find out i'll let

46

00:05:47,029 --> 00:05:45,029

from someone who actually attended the

47

00:05:49,749 --> 00:05:47,039

conference in person

48

00:05:51,670 --> 00:05:49,759

where they were filming and streaming it

49

00:05:53,430 --> 00:05:51,680

to all of the people who paid for the

50

00:05:57,350 --> 00:05:53,440

streamed version of the conference then

51

00:05:58,710 --> 00:05:57,360

it was 600 dollars to attend

52

00:06:00,390 --> 00:05:58,720

um

53

00:06:02,550 --> 00:06:00,400

first we're going to put up our fair use

54

00:06:03,990 --> 00:06:02,560

banner even though uh

55

00:06:06,070 --> 00:06:04,000

well we are

56

00:06:09,510 --> 00:06:06,080

sharing from their public website i want

57

00:06:11,029 --> 00:06:09,520

to share with you uh a few things a few

58

00:06:13,350 --> 00:06:11,039

observations

59

00:06:15,830 --> 00:06:13,360

about this uh

60

00:06:18,390 --> 00:06:15,840

conference it's it's billed as silicon

61

00:06:21,270 --> 00:06:18,400

valley's first annual secret space

62

00:06:25,110 --> 00:06:21,280

program business conference

63

00:06:27,749 --> 00:06:25,120

uh which is interesting to me

64

00:06:32,790 --> 00:06:27,759

now here's where i have a problem i got

65

00:06:37,749 --> 00:06:35,430

the marketing for this

66

00:06:40,870 --> 00:06:37,759

secret space program was pretty over the

67

00:06:42,950 --> 00:06:40,880

top first of all uh bragging that nick

68

00:06:45,029 --> 00:06:42,960

poses to be a speaker considering he

69

00:06:48,710 --> 00:06:45,039

lied for years

70

00:06:51,830 --> 00:06:48,720

about running a british ufo program

71

00:06:53,990 --> 00:06:51,840

uh and lied and said that he

72

00:06:56,230 --> 00:06:54,000

investigated cattle mutilations for the

73

00:06:57,909 --> 00:06:56,240

british government he lied and said he

74

00:07:00,550 --> 00:06:57,919

investigated crop circles for the

75

00:07:02,469 --> 00:07:00,560

british government he lied and said he

76

00:07:06,150 --> 00:07:02,479

investigated alien abductions for the

77

00:07:07,430 --> 00:07:06,160

british government none of that is true

78

00:07:09,430 --> 00:07:07,440

no we

79

00:07:11,270 --> 00:07:09,440

covered it extensively here in the past

80

00:07:13,189 --> 00:07:11,280

nick pope

81

00:07:15,510 --> 00:07:13,199

basically sat at a desk he worked for

82

00:07:17,430 --> 00:07:15,520

the ministry of defense occasionally

83

00:07:19,749 --> 00:07:17,440

someone would call in

84

00:07:22,950 --> 00:07:19,759

who wanted to tell him or the british

85

00:07:24,790 --> 00:07:22,960

government about ufos in which case

86

00:07:26,870 --> 00:07:24,800

mick pope would forward their

87

00:07:30,390 --> 00:07:26,880

information to somebody else that

88

00:07:32,230 --> 00:07:30,400

actually investigated ufos he to the

89

00:07:35,749 --> 00:07:32,240

best of my knowledge and research

90

00:07:38,309 --> 00:07:35,759

efforts never investigated anything

91

00:07:41,909 --> 00:07:38,319

but there is this whole

92

00:07:43,189 --> 00:07:41,919

sort of re rewriting of history going on

93

00:07:46,390 --> 00:07:43,199

right now

94

00:07:49,350 --> 00:07:46,400

for what 10 or 20 years every time nick

95

00:07:51,430 --> 00:07:49,360

pope appeared anywhere on television at

96

00:07:53,350 --> 00:07:51,440

a conference a ufo conference secret

97

00:07:55,350 --> 00:07:53,360

space program whatever

98

00:07:58,309 --> 00:07:55,360

they would put under his name

99

00:08:00,710 --> 00:07:58,319

former head of british ministry of

100

00:08:03,909 --> 00:08:00,720

defense ufo program

101
00:08:06,790 --> 00:08:03,919
i can show you 10 examples including the

102
00:08:11,350 --> 00:08:06,800
basement office that once called him the

103
00:08:14,550 --> 00:08:11,360
former head of the british ufo program

104
00:08:17,430 --> 00:08:14,560
but due to the res the research efforts

105
00:08:18,790 --> 00:08:17,440
of many people most notably philip class

106
00:08:21,589 --> 00:08:18,800
and others

107
00:08:23,909 --> 00:08:21,599
we now know that nick pope sat at a desk

108
00:08:26,070 --> 00:08:23,919
he never investigated

109
00:08:28,469 --> 00:08:26,080
he didn't investigate anything and

110
00:08:30,790 --> 00:08:28,479
people love to argue with me

111
00:08:32,709 --> 00:08:30,800
well isn't taking people's information

112
00:08:36,389 --> 00:08:32,719
about their sighting part partly

113
00:08:39,990 --> 00:08:36,399

investigating no he sat at a desk

114

00:08:41,990 --> 00:08:40,000

and the reality of nick pope versus the

115

00:08:44,630 --> 00:08:42,000

fake hyped-up

116

00:08:47,430 --> 00:08:44,640

version of nick pope is vastly

117

00:08:49,829 --> 00:08:47,440

different but now we see that they all

118

00:08:51,829 --> 00:08:49,839

of the people who still support this

119

00:08:53,350 --> 00:08:51,839

clown and that's what he is and by the

120

00:08:56,389 --> 00:08:53,360

way nick pope

121

00:08:58,070 --> 00:08:56,399

i got screenshots from twitter of you

122

00:09:00,230 --> 00:08:58,080

calling me a liar

123

00:09:04,070 --> 00:09:00,240

well that's great because i have

124

00:09:07,910 --> 00:09:04,080

paperwork nick pope that you lied i have

125

00:09:09,509 --> 00:09:07,920

paperwork that proves that you never ran

126

00:09:12,550 --> 00:09:09,519

a british

127

00:09:14,710 --> 00:09:12,560

ufo program i've got the receipts i've

128

00:09:16,790 --> 00:09:14,720

got the paperwork don't you call me a

129

00:09:20,389 --> 00:09:16,800

liar in public

130

00:09:22,550 --> 00:09:20,399

you who did i lie to you've lied

131

00:09:24,790 --> 00:09:22,560

to what a hundred different television

132

00:09:28,070 --> 00:09:24,800

stations telling them that you ran a

133

00:09:29,190 --> 00:09:28,080

british ufo program no you didn't no you

134

00:09:31,190 --> 00:09:29,200

did not

135

00:09:34,389 --> 00:09:31,200

show me the paperwork from all those

136

00:09:37,190 --> 00:09:34,399

cases you investigated you can't because

137

00:09:40,389 --> 00:09:37,200

you did not investigate ufos for the

138

00:09:42,949 --> 00:09:40,399

british government you were a secretary

139

00:09:45,269 --> 00:09:42,959

you were in the secretariat pool you

140

00:09:47,990 --> 00:09:45,279

answered the phone and you took notes

141

00:09:50,630 --> 00:09:48,000

for the more important people above you

142

00:09:51,990 --> 00:09:50,640

in a senior level

143

00:09:54,230 --> 00:09:52,000

you were never

144

00:09:57,269 --> 00:09:54,240

a ufo investigator for the british

145

00:10:00,230 --> 00:09:57,279

government i've got the paperwork so for

146

00:10:03,590 --> 00:10:00,240

you to dare tell people that i'm a liar

147

00:10:06,150 --> 00:10:03,600

on twitter that takes some big old balls

148

00:10:09,030 --> 00:10:06,160

nick pope that takes some big balls for

149

00:10:12,630 --> 00:10:09,040

you to do and i admire big balls but not

150

00:10:14,710 --> 00:10:12,640

when you're calling me a liar

151

00:10:17,030 --> 00:10:14,720

now if you'd like to come on my show

152

00:10:19,110 --> 00:10:17,040

i've been i've invited nick pope 10

153

00:10:21,430 --> 00:10:19,120

times i've promised him that i will be

154

00:10:23,829 --> 00:10:21,440

respectful will have a respectful

155

00:10:25,670 --> 00:10:23,839

dialogue and conversation about what his

156

00:10:26,630 --> 00:10:25,680

actual role in the british government

157

00:10:28,949 --> 00:10:26,640

was

158

00:10:31,430 --> 00:10:28,959

crickets crickets

159

00:10:34,150 --> 00:10:31,440

so this coward can call me a liar to

160

00:10:37,030 --> 00:10:34,160

some rando on twitter but he's afraid to

161

00:10:40,310 --> 00:10:37,040

come here and face me and my

162

00:10:43,509 --> 00:10:40,320

questions about how he hyped up and

163

00:10:45,990 --> 00:10:43,519

faked his history of working for the

164

00:10:48,550 --> 00:10:46,000

british government so that he could be a

165

00:10:51,269 --> 00:10:48,560

ufo talking head celebrity and get paid

166

00:10:54,069 --> 00:10:51,279

a lot of money for nothing

167

00:10:56,630 --> 00:10:54,079

nick pope has never

168

00:10:58,550 --> 00:10:56,640

never released any single piece of

169

00:11:01,829 --> 00:10:58,560

information

170

00:11:05,750 --> 00:11:01,839

about ufos or aliens or anything that

171

00:11:10,069 --> 00:11:05,760

was not already in the public domain

172

00:11:11,509 --> 00:11:10,079

so his faking being a government insider

173

00:11:13,030 --> 00:11:11,519

and he's going to tell you the truth

174

00:11:16,790 --> 00:11:13,040

about what the british government knows

175

00:11:19,910 --> 00:11:16,800

about those ufos it's a con it's a scam

176

00:11:22,949 --> 00:11:19,920

and i'm saying that nick pope you are a

177

00:11:25,110 --> 00:11:22,959

scammer and if i am incorrect you would

178

00:11:28,470 --> 00:11:25,120

sue me for slander but you never did and

179

00:11:31,750 --> 00:11:28,480

you never will because you sir are a

180

00:11:33,910 --> 00:11:31,760

scammer and you scammed the american

181

00:11:36,389 --> 00:11:33,920

public for decades

182

00:11:39,509 --> 00:11:36,399

lying and saying that you ran a british

183

00:11:41,829 --> 00:11:39,519

ufo program but now we see nick pope

184

00:11:45,190 --> 00:11:41,839

that the truth has gotten out and now

185

00:11:47,750 --> 00:11:45,200

there is a revision of of your history

186

00:11:51,030 --> 00:11:47,760

going on and we can see it even in this

187

00:11:52,790 --> 00:11:51,040

bio no longer and by the way nick pope

188

00:11:56,150 --> 00:11:52,800

i've got screenshots of many many

189

00:11:57,910 --> 00:11:56,160

examples of ufo conferences saying that

190

00:12:00,949 --> 00:11:57,920

you ran the british ministry of

191

00:12:03,110 --> 00:12:00,959

defense's ufo program

192

00:12:05,670 --> 00:12:03,120

now that all that now that because of my

193

00:12:07,430 --> 00:12:05,680

reporting and philip mantle and others

194

00:12:10,710 --> 00:12:07,440

getting the truth about you and all the

195

00:12:12,150 --> 00:12:10,720

paperwork out there and how your largely

196

00:12:15,509 --> 00:12:12,160

99

197

00:12:18,069 --> 00:12:15,519

of fraud in your previous claims

198

00:12:20,949 --> 00:12:18,079

now there is a revision of of your

199

00:12:23,990 --> 00:12:20,959

history going on here now we get to

200

00:12:27,030 --> 00:12:24,000

rewrite what you know forget about the

201
00:12:29,670 --> 00:12:27,040
fact that we said for 20 years that he

202
00:12:32,470 --> 00:12:29,680
ran a british ufo program now we're

203
00:12:34,870 --> 00:12:32,480
going to walk it all back

204
00:12:36,949 --> 00:12:34,880
to fit actual history but they still

205
00:12:38,790 --> 00:12:36,959
embellished here it says nick pope

206
00:12:40,629 --> 00:12:38,800
worked for the uk ministry of defense

207
00:12:43,829 --> 00:12:40,639
for 21 years

208
00:12:46,230 --> 00:12:43,839
yeah you did as a secretary

209
00:12:48,470 --> 00:12:46,240
right a low-level

210
00:12:50,790 --> 00:12:48,480
secretary the kind of person that got

211
00:12:52,870 --> 00:12:50,800
that gets people coffee or writes

212
00:12:56,470 --> 00:12:52,880
letters for people too important and too

213
00:12:58,389 --> 00:12:56,480

busy to or answers emails or answers the

214

00:13:01,030 --> 00:12:58,399

phone and takes messages for the

215

00:13:04,710 --> 00:13:01,040

important people in the british ministry

216

00:13:08,150 --> 00:13:07,030

and here we have more revisionist

217

00:13:10,470 --> 00:13:08,160

history

218

00:13:12,550 --> 00:13:10,480

uh for much of the early 90s he was

219

00:13:15,350 --> 00:13:12,560

posted to a division where his duties

220

00:13:17,910 --> 00:13:15,360

included researching and investigating

221

00:13:19,590 --> 00:13:17,920

the ufo phenomenon no according to the

222

00:13:21,750 --> 00:13:19,600

british ministry of defense that's a

223

00:13:24,230 --> 00:13:21,760

false statement and by the way the

224

00:13:26,870 --> 00:13:24,240

organizers of this conference should be

225

00:13:29,350 --> 00:13:26,880

aware that that alone that statement

226

00:13:31,910 --> 00:13:29,360

alone could get you in trouble for

227

00:13:33,910 --> 00:13:31,920

consumer fraud you're advertising that

228

00:13:35,590 --> 00:13:33,920

he was researching and investigating the

229

00:13:38,629 --> 00:13:35,600

ufo phenomenon for the british

230

00:13:41,110 --> 00:13:38,639

government prove it no he wasn't no he

231

00:13:43,990 --> 00:13:41,120

didn't he answered the phone

232

00:13:46,870 --> 00:13:44,000

that's what he did

233

00:13:49,190 --> 00:13:46,880

to evaluate defense implications well

234

00:13:51,350 --> 00:13:49,200

that's true the division where he worked

235

00:13:54,069 --> 00:13:51,360

would

236

00:13:56,470 --> 00:13:54,079

evaluate ufos and their defense

237

00:13:58,550 --> 00:13:56,480

implications but nick pope

238

00:14:01,269 --> 00:13:58,560

was a secretary he wasn't one of the

239

00:14:05,110 --> 00:14:01,279

people who actually investigated the ufo

240

00:14:07,590 --> 00:14:05,120

reports he wasn't one of the uh

241

00:14:09,509 --> 00:14:07,600

actual important people there

242

00:14:12,389 --> 00:14:09,519

in the british ministry of defense that

243

00:14:13,509 --> 00:14:12,399

actually did anything like research the

244

00:14:15,829 --> 00:14:13,519

reports

245

00:14:19,269 --> 00:14:15,839

he just took down their names and phone

246

00:14:20,949 --> 00:14:19,279

numbers and forwarded along to somebody

247

00:14:23,590 --> 00:14:20,959

now if you're going to call that

248

00:14:25,990 --> 00:14:23,600

researching and investigating i think

249

00:14:28,389 --> 00:14:26,000

that this is consumer fraud and that

250

00:14:30,470 --> 00:14:28,399

means your whole conference everybody

251
00:14:33,350 --> 00:14:30,480
that attended your conference and paid

252
00:14:35,030 --> 00:14:33,360
six hundred dollars can legally ask for

253
00:14:36,629 --> 00:14:35,040
their money back

254
00:14:38,870 --> 00:14:36,639
and i think they have a good leg to

255
00:14:42,870 --> 00:14:38,880
stand on because you are falsely

256
00:14:45,110 --> 00:14:42,880
advertising one of the speakers here

257
00:14:46,069 --> 00:14:45,120
he also looked at other mysteries here

258
00:14:49,189 --> 00:14:46,079
we go

259
00:14:51,110 --> 00:14:49,199
this is very deceptive okay so he looked

260
00:14:53,269 --> 00:14:51,120
at other mysteries including alien

261
00:14:56,470 --> 00:14:53,279
abductions crop circles ghost sightings

262
00:14:58,470 --> 00:14:56,480
on military bases remote viewing

263
00:15:00,310 --> 00:14:58,480

later he was involved in a program to

264

00:15:03,030 --> 00:15:00,320

declassify and release most of the

265

00:15:06,949 --> 00:15:03,040

british government's case files on ufos

266

00:15:09,189 --> 00:15:06,959

no uh no he wasn't this is all

267

00:15:11,910 --> 00:15:09,199

this is all and you can rewrite

268

00:15:13,990 --> 00:15:11,920

nick pope's history all you want but

269

00:15:15,110 --> 00:15:14,000

there is a standing

270

00:15:17,350 --> 00:15:15,120

sort of

271

00:15:19,509 --> 00:15:17,360

we can see how this works

272

00:15:21,189 --> 00:15:19,519

lie like hell then you get caught lying

273

00:15:23,269 --> 00:15:21,199

about your history and your background

274

00:15:26,790 --> 00:15:23,279

you've got to rewrite it but even in

275

00:15:28,230 --> 00:15:26,800

rewriting it right who wrote this text

276

00:15:31,030 --> 00:15:28,240

nick pope

277

00:15:33,189 --> 00:15:31,040

great he also looked at mysteries

278

00:15:34,870 --> 00:15:33,199

including alien abductions crop circles

279

00:15:37,269 --> 00:15:34,880

ghost sightings military bases and

280

00:15:39,430 --> 00:15:37,279

remote viewing but we've got paperwork

281

00:15:41,269 --> 00:15:39,440

from the british government saying he

282

00:15:42,790 --> 00:15:41,279

never did any of those things for the

283

00:15:45,269 --> 00:15:42,800

british government

284

00:15:47,269 --> 00:15:45,279

and you're implying that he did

285

00:15:49,590 --> 00:15:47,279

this is very deceptive while you're

286

00:15:51,990 --> 00:15:49,600

taking people's 600 bucks

287

00:15:55,509 --> 00:15:53,189

great

288

00:15:58,470 --> 00:15:55,519

nick pope became known to the media as

289

00:16:01,310 --> 00:15:58,480

the real fox mulder because he told them

290

00:16:03,829 --> 00:16:01,320

he was the real fox mulder nobody just

291

00:16:06,150 --> 00:16:03,839

spontaneously started calling nick pope

292

00:16:08,710 --> 00:16:06,160

the real fox mulder in the american

293

00:16:12,870 --> 00:16:08,720

media he would feed them his fake

294

00:16:14,550 --> 00:16:12,880

biography his fake bio he called himself

295

00:16:17,030 --> 00:16:14,560

that

296

00:16:20,069 --> 00:16:17,040

nick now works as a broadcaster and a

297

00:16:22,870 --> 00:16:20,079

journalist he's a journalist god damn i

298

00:16:25,829 --> 00:16:22,880

love these people who can just lie

299

00:16:28,550 --> 00:16:25,839

he's a journalist really okay

300

00:16:30,949 --> 00:16:28,560

contributing regularly to a wide range

301
00:16:33,030 --> 00:16:30,959
of tv news reports and documentaries on

302
00:16:35,350 --> 00:16:33,040
ufos the unexplained and conspiracy

303
00:16:36,550 --> 00:16:35,360
theories yes and he got every one of

304
00:16:39,189 --> 00:16:36,560
those jobs

305
00:16:41,030 --> 00:16:39,199
by lying about what he actually did for

306
00:16:43,829 --> 00:16:41,040
the british government if he had told

307
00:16:45,670 --> 00:16:43,839
the truth and said hi fox news i was a

308
00:16:47,509 --> 00:16:45,680
secretary for the british ministry of

309
00:16:50,710 --> 00:16:47,519
defense and occasionally somebody will

310
00:16:52,230 --> 00:16:50,720
call in to report a ufo and i just took

311
00:16:53,829 --> 00:16:52,240
down their name and phone number and

312
00:16:56,710 --> 00:16:53,839
gave it to the important people that

313
00:16:59,189 --> 00:16:56,720

actually did the investigatory work

314

00:17:02,790 --> 00:16:59,199

would they have booked him as a ufo

315

00:17:06,309 --> 00:17:02,800

expert how the hell is he a ufo expert

316

00:17:09,350 --> 00:17:06,319

this is the garbage that we deal with in

317

00:17:11,189 --> 00:17:09,360

the ufo community and these

318

00:17:13,350 --> 00:17:11,199

these conference organizers and people

319

00:17:16,309 --> 00:17:13,360

like nick pope are the people that are

320

00:17:19,990 --> 00:17:16,319

scamming the american public out of

321

00:17:23,669 --> 00:17:20,000

money for so-called ufo information it's

322

00:17:26,549 --> 00:17:23,679

laughable now let's go on to the ssp

323

00:17:29,590 --> 00:17:26,559

this conference is marketing

324

00:17:32,230 --> 00:17:29,600

this conference with fake nick pope ufo

325

00:17:35,750 --> 00:17:32,240

investigator

326

00:17:39,430 --> 00:17:35,760

it's perfect for entrepreneurs investors

327

00:17:41,350 --> 00:17:39,440

who would want to invest oh my gosh

328

00:17:43,669 --> 00:17:41,360

research and development professionals

329

00:17:45,830 --> 00:17:43,679

engineers entrepreneurs what the hell

330

00:17:47,350 --> 00:17:45,840

did they just is that a real word

331

00:17:48,630 --> 00:17:47,360

entrepreneurs i know what an

332

00:17:49,909 --> 00:17:48,640

entrepreneur is what the hell's an

333

00:17:52,630 --> 00:17:49,919

entrepreneur

334

00:17:57,590 --> 00:17:52,640

maybe i have to look that up futurists

335

00:17:59,830 --> 00:17:57,600

ceos i mean ceos really uh look i'm the

336

00:18:02,630 --> 00:17:59,840

ceo of a tiny company and i don't have

337

00:18:05,190 --> 00:18:02,640

time for this kind of nonsense what do

338

00:18:08,150 --> 00:18:05,200

do real ceos really have time to sit

339

00:18:09,669 --> 00:18:08,160

through a plethora of hucksters

340

00:18:11,510 --> 00:18:09,679

oh by the way i should say mostly

341

00:18:13,750 --> 00:18:11,520

hulksters because in full

342

00:18:16,150 --> 00:18:13,760

disclosure they did have at least three

343

00:18:19,029 --> 00:18:16,160

people that i consider credible but

344

00:18:22,549 --> 00:18:19,039

that's it out of this whole bunch of

345

00:18:24,390 --> 00:18:22,559

wackadoos and let let's be clear besides

346

00:18:26,950 --> 00:18:24,400

nick pope the fake british ufo

347

00:18:30,510 --> 00:18:26,960

investigator for 600 bucks you're gonna

348

00:18:33,750 --> 00:18:30,520

let get to listen to some whack-a-doos

349

00:18:36,390 --> 00:18:33,760

whack-a-doos friends oh the wackadoo is

350

00:18:38,390 --> 00:18:36,400

strong with this conference and we can

351

00:18:41,110 --> 00:18:38,400

thank mufon

352

00:18:43,990 --> 00:18:41,120

it's mufon's fault that the wackadoo

353

00:18:46,710 --> 00:18:44,000

fairy tale hucksters with telling secret

354

00:18:49,669 --> 00:18:46,720

space stories about you know battling

355

00:18:52,150 --> 00:18:49,679

uh aliens in space with no proof and how

356

00:18:54,549 --> 00:18:52,160

they were age regressed and time

357

00:18:57,190 --> 00:18:54,559

traveled you know the bullshitters

358

00:18:59,990 --> 00:18:57,200

mufon let them in to a secret space

359

00:19:03,270 --> 00:19:00,000

program let one a few of them in

360

00:19:06,150 --> 00:19:03,280

in the form of corey goode and others

361

00:19:08,430 --> 00:19:06,160

i think andrew basago as well

362

00:19:10,710 --> 00:19:08,440

and once the door was opened to the

363

00:19:13,669 --> 00:19:10,720

fantasyland merchants

364

00:19:17,110 --> 00:19:13,679

now all secret space program conferences

365

00:19:19,909 --> 00:19:17,120

just include some of these wackadoos and

366

00:19:22,070 --> 00:19:19,919

by the way not the old wackadoos we got

367

00:19:25,029 --> 00:19:22,080

new wackadoos and i'm go we're going to

368

00:19:27,110 --> 00:19:25,039

break down some of the wackadooness uh

369

00:19:29,750 --> 00:19:27,120

that was at this conference right

370

00:19:32,070 --> 00:19:29,760

investigative reporters students and

371

00:19:34,950 --> 00:19:32,080

service members scientists medical

372

00:19:37,110 --> 00:19:34,960

professionals this conference is perfect

373

00:19:38,630 --> 00:19:37,120

listen uh medical professionals

374

00:19:40,390 --> 00:19:38,640

scientists

375

00:19:43,029 --> 00:19:40,400

even students are busy people

376

00:19:44,710 --> 00:19:43,039

investigative reporters ceos

377

00:19:46,950 --> 00:19:44,720

these people are busy they don't have

378

00:19:49,830 --> 00:19:46,960

time to listen to fairy tale nonsense

379

00:19:52,230 --> 00:19:49,840

from ufo hucksters and by the way i

380

00:19:54,710 --> 00:19:52,240

looked into the conference organizer the

381

00:19:57,669 --> 00:19:54,720

person running this conference is a huge

382

00:19:59,909 --> 00:19:57,679

fan of michael sala

383

00:20:02,549 --> 00:19:59,919

let's just stop right here

384

00:20:04,950 --> 00:20:02,559

the guy who ran this conference is a

385

00:20:07,510 --> 00:20:04,960

huge fan of michael sala and think

386

00:20:10,070 --> 00:20:07,520

michael salad does excellent work

387

00:20:12,470 --> 00:20:10,080

about the secret space program that

388

00:20:15,909 --> 00:20:12,480

alone friends will tell you if you're

389

00:20:19,669 --> 00:20:15,919

going to get your 600 bucks worth

390

00:20:22,630 --> 00:20:19,679

now uh i have this highlighted here

391

00:20:24,470 --> 00:20:22,640

above top secret sect technologies are

392

00:20:26,710 --> 00:20:24,480

nearing readiness for civilian

393

00:20:28,549 --> 00:20:26,720

applications and this is another reason

394

00:20:30,950 --> 00:20:28,559

why i think this is a scam and by the

395

00:20:34,070 --> 00:20:30,960

way this is my opinion i'm entitled to

396

00:20:36,870 --> 00:20:34,080

an opinion

397

00:20:39,590 --> 00:20:36,880

i am very well educated in some of these

398

00:20:41,669 --> 00:20:39,600

secret space program wackadoos

399

00:20:43,830 --> 00:20:41,679

and because of this conference i had to

400

00:20:46,870 --> 00:20:43,840

educate myself on whole brand new

401
00:20:49,430 --> 00:20:46,880
wackadoos it's great

402
00:20:52,390 --> 00:20:49,440
uh so the conference marketing materials

403
00:20:55,270 --> 00:20:52,400
goes on to say scientists engineers and

404
00:20:57,750 --> 00:20:55,280
i i highlight it firsthand witnesses

405
00:21:00,549 --> 00:20:57,760
and futurists are gathering in silicon

406
00:21:03,270 --> 00:21:00,559
valley to introduce innovations that may

407
00:21:05,270 --> 00:21:03,280
at first seem far beyond our time

408
00:21:07,590 --> 00:21:05,280
join the next generation of thought

409
00:21:10,149 --> 00:21:07,600
leaders

410
00:21:12,950 --> 00:21:10,159
in sunnyvale california as we discuss

411
00:21:15,669 --> 00:21:12,960
the futuristic civilization applications

412
00:21:17,830 --> 00:21:15,679
and here's where i think this is a scam

413
00:21:20,549 --> 00:21:17,840

potential business opportunities

414

00:21:23,110 --> 00:21:20,559

presented by these technologies

415

00:21:27,110 --> 00:21:23,120

so they're marketing this in silicon

416

00:21:29,830 --> 00:21:27,120

valley to silicon valley i think to

417

00:21:34,710 --> 00:21:29,840

silicon valley entrepreneurs startup

418

00:21:36,630 --> 00:21:34,720

guys coders ceos business people because

419

00:21:37,750 --> 00:21:36,640

out in silicon valley they're always

420

00:21:40,549 --> 00:21:37,760

looking for

421

00:21:43,510 --> 00:21:40,559

some kind of technological advance or

422

00:21:45,750 --> 00:21:43,520

jump or edge so this whole

423

00:21:48,310 --> 00:21:45,760

thing is marketed towards those people

424

00:21:51,590 --> 00:21:48,320

that are out there looking for something

425

00:21:54,630 --> 00:21:51,600

to you know propel their businesses

426

00:21:55,909 --> 00:21:54,640

and this is where it gets dicey and also

427

00:21:58,070 --> 00:21:55,919

listen to this

428

00:22:00,950 --> 00:21:58,080

he says that these people are first-hand

429

00:22:02,950 --> 00:22:00,960

witnesses in his marketing material and

430

00:22:05,110 --> 00:22:02,960

who are the witnesses that he's talking

431

00:22:08,310 --> 00:22:05,120

about well near as i could tell he's

432

00:22:10,950 --> 00:22:08,320

talking about tony rodriguez and uh i've

433

00:22:13,750 --> 00:22:10,960

invited or am inviting tony rodriguez to

434

00:22:15,909 --> 00:22:13,760

come here and and do an interview

435

00:22:18,710 --> 00:22:15,919

tony rodriguez's story

436

00:22:21,270 --> 00:22:18,720

uh sounds eerily similar in fact it

437

00:22:23,270 --> 00:22:21,280

sounds almost exact to me

438

00:22:25,990 --> 00:22:23,280

to corey good's story

439

00:22:29,270 --> 00:22:26,000

and uh tony rodriguez sort of came out

440

00:22:32,710 --> 00:22:29,280

in 2016 after corey goode told his fairy

441

00:22:33,909 --> 00:22:32,720

tales then we get tony rodriguez who has

442

00:22:35,270 --> 00:22:33,919

no proof

443

00:22:38,870 --> 00:22:35,280

no evidence

444

00:22:41,350 --> 00:22:38,880

no corroborating no pictures no video

445

00:22:45,190 --> 00:22:41,360

no documents he has

446

00:22:46,870 --> 00:22:45,200

like corey good he has zero evidence but

447

00:22:49,270 --> 00:22:46,880

this conference is still somehow going

448

00:22:51,270 --> 00:22:49,280

to call him a first-hand witness to the

449

00:22:53,750 --> 00:22:51,280

secret space program

450

00:22:55,830 --> 00:22:53,760

okay but there's no evidence or proof

451
00:22:58,710 --> 00:22:55,840
that he's actually a witness to anything

452
00:23:00,549 --> 00:22:58,720
other than an overactive imagination

453
00:23:02,310 --> 00:23:00,559
the other first-hand witness they

454
00:23:04,950 --> 00:23:02,320
mentioned is even

455
00:23:07,350 --> 00:23:04,960
is my favorite that's a man named chris

456
00:23:09,909 --> 00:23:07,360
o'connor who is right now selling a

457
00:23:12,149 --> 00:23:09,919
device made out of magnets and beeswax

458
00:23:14,630 --> 00:23:12,159
that he says can

459
00:23:16,950 --> 00:23:14,640
uh alleviate pain

460
00:23:18,149 --> 00:23:16,960
which is very problematic because you

461
00:23:21,350 --> 00:23:18,159
cannot

462
00:23:23,990 --> 00:23:21,360
make medical claims about a device or

463
00:23:27,590 --> 00:23:24,000

product you are selling without

464

00:23:29,990 --> 00:23:27,600

there being uh you know careful study

465

00:23:32,549 --> 00:23:30,000

and analysis of your claims and

466

00:23:35,110 --> 00:23:32,559

supportive studies backing up your

467

00:23:37,750 --> 00:23:35,120

claims you can't just make something out

468

00:23:40,149 --> 00:23:37,760

of magnets and beeswax in your garage

469

00:23:42,630 --> 00:23:40,159

and run around telling people that it

470

00:23:44,070 --> 00:23:42,640

can cure you of your pain even if you

471

00:23:46,870 --> 00:23:44,080

have pain from

472

00:23:49,750 --> 00:23:46,880

from serious cancer

473

00:23:51,590 --> 00:23:49,760

this is problematic and this conference

474

00:23:53,430 --> 00:23:51,600

is including people

475

00:23:55,990 --> 00:23:53,440

listen

476
00:23:59,110 --> 00:23:56,000
a conference including somebody selling

477
00:24:02,710 --> 00:23:59,120
a magnet with beeswax in it

478
00:24:05,110 --> 00:24:02,720
uh that he says will alleviate your pain

479
00:24:07,510 --> 00:24:05,120
is extremely problematic why would you

480
00:24:11,110 --> 00:24:07,520
do something like that when you do have

481
00:24:13,430 --> 00:24:11,120
some very serious researchers now like

482
00:24:16,710 --> 00:24:13,440
any secret space program conference that

483
00:24:19,990 --> 00:24:16,720
i have been witness to or seen

484
00:24:21,750 --> 00:24:20,000
advertised promoted and then got to see

485
00:24:24,310 --> 00:24:21,760
you know videos from

486
00:24:25,990 --> 00:24:24,320
there are at least a few people here at

487
00:24:28,470 --> 00:24:26,000
this conference that are credible we

488
00:24:30,870 --> 00:24:28,480

have friend of the show alien scientist

489

00:24:33,750 --> 00:24:30,880

is there i know that he's not lying to

490

00:24:34,870 --> 00:24:33,760

anybody but largely

491

00:24:39,830 --> 00:24:34,880

uh

492

00:24:41,750 --> 00:24:39,840

weir the documentary filmmaker who i

493

00:24:45,269 --> 00:24:41,760

disagree with on many things but i would

494

00:24:49,029 --> 00:24:47,110

i i don't even want to call him credible

495

00:24:51,350 --> 00:24:49,039

because i really disagree on that phil

496

00:24:54,149 --> 00:24:51,360

schneider underground basis documentary

497

00:24:56,149 --> 00:24:54,159

he made but i'll say this i think darcy

498

00:24:58,390 --> 00:24:56,159

weir is a is one of the good guys i

499

00:25:01,110 --> 00:24:58,400

think he's trying to get to the truth

500

00:25:03,830 --> 00:25:01,120

about these things and sometimes he gets

501

00:25:05,909 --> 00:25:03,840

um sidetracked by nutters

502

00:25:07,750 --> 00:25:05,919

you know he really wants to believe phil

503

00:25:10,230 --> 00:25:07,760

schneider even though phil schneider was

504

00:25:11,830 --> 00:25:10,240

a mental patient that cut off his own

505

00:25:15,110 --> 00:25:11,840

fingers because he had a mental

506

00:25:18,630 --> 00:25:15,120

condition that caused him to uh you know

507

00:25:20,950 --> 00:25:18,640

cut off body parts and disfigure himself

508

00:25:22,070 --> 00:25:20,960

um a psychological condition i should

509

00:25:23,990 --> 00:25:22,080

say

510

00:25:26,310 --> 00:25:24,000

and we've also got one of my favorite

511

00:25:27,909 --> 00:25:26,320

researchers here who i can't say

512

00:25:29,750 --> 00:25:27,919

anything negative about and that would

513

00:25:32,310 --> 00:25:29,760

be michael stratt

514

00:25:34,870 --> 00:25:32,320

uh the rest of these people i am not

515

00:25:36,549 --> 00:25:34,880

that familiar with however i started to

516

00:25:37,430 --> 00:25:36,559

educate myself

517

00:25:39,750 --> 00:25:37,440

um

518

00:25:41,269 --> 00:25:39,760

dan willis i think is about as credible

519

00:25:44,390 --> 00:25:41,279

as a crackhead

520

00:25:46,870 --> 00:25:44,400

uh and again this is my opinion we've

521

00:25:49,029 --> 00:25:46,880

got the two witnesses here tony

522

00:25:51,029 --> 00:25:49,039

rodriguez who tells a lot of great

523

00:25:54,549 --> 00:25:51,039

stories about being in the secret space

524

00:25:57,590 --> 00:25:54,559

program and recovered memories and uh

525

00:25:59,669 --> 00:25:57,600

many many things and again it you know

526

00:26:01,909 --> 00:25:59,679

i've invited tony rodriguez or i am

527

00:26:03,909 --> 00:26:01,919

inviting him here for an interview i'd

528

00:26:06,470 --> 00:26:03,919

i'd like to hear him out and hear his

529

00:26:08,149 --> 00:26:06,480

story however i have heard his story on

530

00:26:11,350 --> 00:26:08,159

several other shows

531

00:26:14,470 --> 00:26:11,360

and i find it to be an unbelievable mix

532

00:26:16,310 --> 00:26:14,480

of bad science fiction and again he has

533

00:26:24,950 --> 00:26:16,320

no

534

00:26:26,789 --> 00:26:24,960

he has

535

00:26:29,590 --> 00:26:26,799

just a story

536

00:26:31,909 --> 00:26:29,600

and somehow several years ago people

537

00:26:34,950 --> 00:26:31,919

with just a story and nothing else

538

00:26:36,789 --> 00:26:34,960

somehow became evidence to people

539

00:26:39,350 --> 00:26:36,799

and while i understand that witness

540

00:26:40,950 --> 00:26:39,360

testimony is considered evidence in a

541

00:26:43,909 --> 00:26:40,960

court of law

542

00:26:45,990 --> 00:26:43,919

it's problematic when somebody uh goes

543

00:26:46,870 --> 00:26:46,000

and tells stories for years and by the

544

00:26:49,269 --> 00:26:46,880

way

545

00:26:52,470 --> 00:26:49,279

tony rodriguez's real job is that he

546

00:26:55,029 --> 00:26:52,480

puts in wood floors for a living and i'm

547

00:26:57,430 --> 00:26:55,039

not dogging him for that but

548

00:26:59,909 --> 00:26:57,440

i would think somebody that spent what

549

00:27:02,789 --> 00:26:59,919

is it 20 or i get these guys confused

550

00:27:05,029 --> 00:27:02,799

i'm not sure if it's 20 40 or 60 years

551
00:27:07,909 --> 00:27:05,039
tony rodriguez spent in space and then

552
00:27:10,390 --> 00:27:07,919
was you know again just like corey goode

553
00:27:12,710 --> 00:27:10,400
time traveled and uh you know age

554
00:27:15,590 --> 00:27:12,720
regressed back to his his

555
00:27:17,350 --> 00:27:15,600
body and all this stuff

556
00:27:19,110 --> 00:27:17,360
i'm sorry i don't find him to be

557
00:27:21,269 --> 00:27:19,120
credible and selling a conference

558
00:27:23,510 --> 00:27:21,279
calling him a witness when he has zero

559
00:27:26,230 --> 00:27:23,520
evidence that he's really a witness to

560
00:27:28,789 --> 00:27:26,240
anything again over other than an

561
00:27:30,549 --> 00:27:28,799
overactive imagination is extremely

562
00:27:32,870 --> 00:27:30,559
problematic for me

563
00:27:35,909 --> 00:27:32,880

and then we get to chris o'connor and oh

564

00:27:38,789 --> 00:27:35,919

boy that guy oh that guy's my favorite

565

00:27:40,950 --> 00:27:38,799

here because chris o'connor is a secret

566

00:27:43,029 --> 00:27:40,960

space program veteran

567

00:27:44,950 --> 00:27:43,039

and he uh

568

00:27:46,950 --> 00:27:44,960

says that you can transfer your soul

569

00:27:50,070 --> 00:27:46,960

into another body and i'm gonna read

570

00:27:52,470 --> 00:27:50,080

this to you this is about chris o'connor

571

00:27:58,149 --> 00:27:52,480

chris o'connor spent 60 years inside the

572

00:28:02,470 --> 00:28:00,870

his soul was removed from his body and

573

00:28:04,149 --> 00:28:02,480

transferred back to

574

00:28:06,470 --> 00:28:04,159

his current body

575

00:28:08,389 --> 00:28:06,480

where he has now returned to live his

576

00:28:10,470 --> 00:28:08,399

normal terrestrial life

577

00:28:12,470 --> 00:28:10,480

during his tenure in the secret space

578

00:28:14,310 --> 00:28:12,480

program he was initially a medical

579

00:28:15,990 --> 00:28:14,320

technician responsible for memory

580

00:28:18,950 --> 00:28:16,000

suppression

581

00:28:21,430 --> 00:28:18,960

and consciousness transfer eventually he

582

00:28:22,710 --> 00:28:21,440

migrated to diplomacy and became an

583

00:28:24,630 --> 00:28:22,720

ambassador

584

00:28:26,789 --> 00:28:24,640

why do all these guys end up being

585

00:28:29,510 --> 00:28:26,799

ambassadors corey good's an ambassador

586

00:28:31,510 --> 00:28:29,520

of earth to the galactic council too

587

00:28:33,990 --> 00:28:31,520

right do they just like to

588

00:28:35,990 --> 00:28:34,000

you know feeling important i'm not just

589

00:28:41,110 --> 00:28:36,000

a normal earth

590

00:28:46,470 --> 00:28:43,830

and we're gonna dive into some of his

591

00:28:49,669 --> 00:28:46,480

that guy's claims uh to see if people

592

00:28:52,630 --> 00:28:49,679

think that that's worth 600 bucks but i

593

00:28:55,430 --> 00:28:52,640

certainly do not i don't think that any

594

00:28:57,830 --> 00:28:55,440

conference that involves a guy like this

595

00:29:00,070 --> 00:28:57,840

is worth the 600 bucks now about his

596

00:29:01,750 --> 00:29:00,080

medical claims and medical technology

597

00:29:04,149 --> 00:29:01,760

i'm going to share with you

598

00:29:06,070 --> 00:29:04,159

uh his so-called medical technology

599

00:29:08,389 --> 00:29:06,080

which

600

00:29:11,269 --> 00:29:08,399

i think is illegal i think what he's

601
00:29:13,990 --> 00:29:11,279
doing is is literally illegal

602
00:29:16,549 --> 00:29:14,000
uh i'm going to show you his medical

603
00:29:20,070 --> 00:29:16,559
device here

604
00:29:24,470 --> 00:29:22,710
okay it's a magnetic wand

605
00:29:26,870 --> 00:29:24,480
and i know a thing or two about wands

606
00:29:29,269 --> 00:29:26,880
it's a magnetic wand made out of a ring

607
00:29:31,430 --> 00:29:29,279
magnet and a bunch of magnets and some

608
00:29:33,269 --> 00:29:31,440
beeswax friends

609
00:29:35,669 --> 00:29:33,279
and here's the instructions that come

610
00:29:37,909 --> 00:29:35,679
with your by the way i think this device

611
00:29:40,310 --> 00:29:37,919
also cost 600 bucks

612
00:29:42,149 --> 00:29:40,320
simply waive the deem's device over the

613
00:29:44,789 --> 00:29:42,159

injury site for several minutes to

614

00:29:46,149 --> 00:29:44,799

encourage the mobilization of pooled

615

00:29:50,789 --> 00:29:46,159

electricity

616

00:29:52,389 --> 00:29:50,799

old blood and inflammatory inflammatory

617

00:29:53,430 --> 00:29:52,399

mediators

618

00:30:05,190 --> 00:29:53,440

the

619

00:30:08,710 --> 00:30:06,789

and in fact i'll go out on a limb here

620

00:30:10,470 --> 00:30:08,720

and just say there's no

621

00:30:15,510 --> 00:30:10,480

scientific or medical

622

00:30:20,870 --> 00:30:18,470

he calls his deems device divine

623

00:30:23,029 --> 00:30:20,880

evolution electromagnetic micro

624

00:30:25,269 --> 00:30:23,039

singularity device

625

00:30:27,510 --> 00:30:25,279

he calls it the world's first divinely

626

00:30:29,750 --> 00:30:27,520

inspired magnetic healing device a

627

00:30:33,750 --> 00:30:29,760

handheld electromagnetic therapeutic

628

00:30:37,590 --> 00:30:33,760

healing and energy balancing device

629

00:30:39,909 --> 00:30:37,600

by divine energy it's a highly powerful

630

00:30:41,830 --> 00:30:39,919

rare earth or neodymium magnets the

631

00:30:44,549 --> 00:30:41,840

device is used for pain relief the

632

00:30:46,870 --> 00:30:44,559

easing of inflammation natural healing

633

00:30:49,269 --> 00:30:46,880

increasing the energy flow and balancing

634

00:30:50,710 --> 00:30:49,279

of the energy centers chakras and

635

00:30:52,710 --> 00:30:50,720

meridians and again there's no

636

00:30:54,710 --> 00:30:52,720

scientific basis or evidence that any of

637

00:30:56,470 --> 00:30:54,720

those things even exist so i don't know

638

00:30:57,990 --> 00:30:56,480

how you can make claims like that but

639

00:30:59,830 --> 00:30:58,000

okay

640

00:31:02,789 --> 00:30:59,840

very useful for practitioners of

641

00:31:05,029 --> 00:31:02,799

acupuncture reiki and other shamanic and

642

00:31:08,389 --> 00:31:05,039

energy work

643

00:31:11,830 --> 00:31:08,399

uh i think this is also known as snake

644

00:31:14,230 --> 00:31:11,840

oil this is snake oil friends he has no

645

00:31:18,710 --> 00:31:14,240

scientific basis to debase

646

00:31:21,909 --> 00:31:18,720

his claims that uh let's see uh magnets

647

00:31:25,990 --> 00:31:21,919

with a pyramid crystal slapped on it and

648

00:31:27,590 --> 00:31:26,000

some beeswax can actually heal anything

649

00:31:29,590 --> 00:31:27,600

and i have a problem with people selling

650

00:31:31,990 --> 00:31:29,600

this crap and here's uh

651
00:31:34,549 --> 00:31:32,000
an explanation for how his device works

652
00:31:36,549 --> 00:31:34,559
which i did uh take from

653
00:31:38,549 --> 00:31:36,559
the video

654
00:31:40,789 --> 00:31:38,559
let's see we do have our fair use banner

655
00:31:41,990 --> 00:31:40,799
up so this is from a video where he's

656
00:31:44,710 --> 00:31:42,000
explaining

657
00:31:48,310 --> 00:31:44,720
how his medical device works

658
00:31:50,630 --> 00:31:48,320
with magnets and beeswax and a crystal

659
00:31:53,590 --> 00:31:50,640
to focus the energy

660
00:31:55,430 --> 00:31:53,600
again there is absolutely no science

661
00:31:58,070 --> 00:31:55,440
behind this and when you hear this

662
00:32:00,149 --> 00:31:58,080
person chris o'connor talk

663
00:32:02,389 --> 00:32:00,159

he does not even have a high school

664

00:32:05,029 --> 00:32:02,399

student's level of physics knowledge

665

00:32:07,029 --> 00:32:05,039

about how magnets work that's something

666

00:32:08,789 --> 00:32:07,039

that i realized as soon as i listened to

667

00:32:10,710 --> 00:32:08,799

him i said

668

00:32:13,110 --> 00:32:10,720

he doesn't even understand how magnets

669

00:32:16,230 --> 00:32:13,120

actually work

670

00:32:18,389 --> 00:32:16,240

magnet magnets do not produce moving

671

00:32:20,310 --> 00:32:18,399

magnetic fields

672

00:32:22,310 --> 00:32:20,320

unless

673

00:32:24,230 --> 00:32:22,320

motorized or

674

00:32:27,269 --> 00:32:24,240

you know moved

675

00:32:29,350 --> 00:32:27,279

a magnet produces a static magnetic

676
00:32:32,470 --> 00:32:29,360
field in other words if you have a

677
00:32:34,630 --> 00:32:32,480
magnet drop it on a table put some iron

678
00:32:38,389 --> 00:32:34,640
filings around it you're not going to

679
00:32:39,909 --> 00:32:38,399
see those iron filings doing circles

680
00:32:43,590 --> 00:32:39,919
because they're

681
00:32:46,630 --> 00:32:43,600
it is not magnets do not on their own

682
00:32:47,830 --> 00:32:46,640
create a moving magnetic field yet he

683
00:32:49,750 --> 00:32:47,840
claims

684
00:32:51,750 --> 00:32:49,760
when questions about this device that

685
00:32:54,230 --> 00:32:51,760
there's this moving magnetic field that

686
00:32:57,830 --> 00:32:54,240
goes up the wand around the circle of

687
00:32:58,870 --> 00:32:57,840
the wand back down the wand and by the

688
00:33:01,830 --> 00:32:58,880

way

689

00:33:04,630 --> 00:33:01,840

uh i have conducted several experiments

690

00:33:08,230 --> 00:33:04,640

to recreate his device and i can prove

691

00:33:10,230 --> 00:33:08,240

scientifically that he is a wackadoo and

692

00:33:12,470 --> 00:33:10,240

i'm gonna leave it at that it's up to

693

00:33:15,509 --> 00:33:12,480

him to prove that the claims that he is

694

00:33:18,549 --> 00:33:15,519

making about his so-called miracle

695

00:33:20,230 --> 00:33:18,559

medical device are true they're not

696

00:33:22,389 --> 00:33:20,240

they are not

697

00:33:24,070 --> 00:33:22,399

in a video where he's being interviewed

698

00:33:26,310 --> 00:33:24,080

by the way he's being interviewed by the

699

00:33:29,590 --> 00:33:26,320

conference organizer to promote the

700

00:33:31,750 --> 00:33:29,600

conference that's important to realize

701
00:33:35,190 --> 00:33:31,760
chris o'connor says that there's a

702
00:33:38,310 --> 00:33:35,200
moving magnetic field around this wand

703
00:33:41,110 --> 00:33:38,320
it goes up the wand around the top of

704
00:33:41,990 --> 00:33:41,120
the ring magnet and back down

705
00:33:44,230 --> 00:33:42,000
well

706
00:33:46,950 --> 00:33:44,240
i just so happen to be the kind of nerd

707
00:33:48,950 --> 00:33:46,960
that has a bunch of magnets around so i

708
00:33:51,110 --> 00:33:48,960
got a ring magnet and a bunch of

709
00:33:54,230 --> 00:33:51,120
neodymium magnets

710
00:33:57,269 --> 00:33:54,240
and i sort of tried to recreate this i

711
00:33:59,990 --> 00:33:57,279
even bought some beeswax bro

712
00:34:01,830 --> 00:34:00,000
and this device does nothing that he

713
00:34:03,110 --> 00:34:01,840

says it does nothing

714

00:34:04,230 --> 00:34:03,120

nothing

715

00:34:06,310 --> 00:34:04,240

now

716

00:34:08,389 --> 00:34:06,320

is there some scientific studies that

717

00:34:10,230 --> 00:34:08,399

proves that magnetics

718

00:34:12,790 --> 00:34:10,240

might be useful

719

00:34:13,829 --> 00:34:12,800

for things like pain relief or back pain

720

00:34:14,869 --> 00:34:13,839

yes

721

00:34:17,669 --> 00:34:14,879

but

722

00:34:20,790 --> 00:34:17,679

the evidence of that is very very scant

723

00:34:22,470 --> 00:34:20,800

and he goes much further than than any

724

00:34:24,230 --> 00:34:22,480

scientific study

725

00:34:27,109 --> 00:34:24,240

and further

726
00:34:29,829 --> 00:34:27,119
for a guy who spent 60 years in space

727
00:34:32,950 --> 00:34:29,839
and claims to be an ambassador

728
00:34:34,389 --> 00:34:32,960
and a medical technologist in a secret

729
00:34:36,869 --> 00:34:34,399
space program

730
00:34:39,030 --> 00:34:36,879
using alien technology and all this

731
00:34:42,550 --> 00:34:39,040
advanced technology and time travel

732
00:34:44,710 --> 00:34:42,560
technology age regression technology

733
00:34:47,030 --> 00:34:44,720
someone needs to explain to me how a guy

734
00:34:49,109 --> 00:34:47,040
who's supposed to be that

735
00:34:51,990 --> 00:34:49,119
technologically

736
00:34:54,230 --> 00:34:52,000
intelligent doesn't even understand how

737
00:34:57,030 --> 00:34:54,240
basic magnets work

738
00:35:00,630 --> 00:34:57,040

he claims that this device creates a

739

00:35:03,589 --> 00:35:00,640

moving magnetic field and friends go do

740

00:35:06,230 --> 00:35:03,599

it yourself go buy yourself some magnets

741

00:35:09,750 --> 00:35:06,240

and get some iron filings on ebay iron

742

00:35:11,990 --> 00:35:09,760

filings are also often used with

743

00:35:14,950 --> 00:35:12,000

magnets to show

744

00:35:17,430 --> 00:35:14,960

the effect of the magnetic field

745

00:35:19,990 --> 00:35:17,440

and uh there's plenty of experiments

746

00:35:23,190 --> 00:35:20,000

with that but my point is that if you

747

00:35:24,069 --> 00:35:23,200

create a device much like his here

748

00:35:25,829 --> 00:35:24,079

uh

749

00:35:28,790 --> 00:35:25,839

you will see that you can put it down on

750

00:35:31,190 --> 00:35:28,800

the table and put iron filings around it

751
00:35:34,710 --> 00:35:31,200
if he was correct in that his device

752
00:35:37,750 --> 00:35:34,720
creates a moving magnetic field

753
00:35:39,750 --> 00:35:37,760
rotating around this device then the

754
00:35:42,390 --> 00:35:39,760
iron shavings would

755
00:35:44,630 --> 00:35:42,400
would circulate around the device i

756
00:35:48,069 --> 00:35:44,640
challenge anybody to try that experiment

757
00:35:52,550 --> 00:35:48,079
he is completely and totally dead wrong

758
00:35:53,990 --> 00:35:52,560
about basic high school physics

759
00:35:56,390 --> 00:35:54,000
which of course

760
00:35:59,030 --> 00:35:56,400
must make you question all of his even

761
00:36:01,589 --> 00:35:59,040
more fantastical claims if this guy

762
00:36:03,589 --> 00:36:01,599
can't even get right how basic magnets

763
00:36:04,950 --> 00:36:03,599

work how the hell are we supposed to

764

00:36:07,670 --> 00:36:04,960

believe him about

765

00:36:10,069 --> 00:36:07,680

you know uh he he had his consciousness

766

00:36:12,550 --> 00:36:10,079

transferred to another body and then he

767

00:36:14,790 --> 00:36:12,560

was in the secret space program for 60

768

00:36:18,390 --> 00:36:14,800

years and then they transferred his

769

00:36:20,870 --> 00:36:18,400

consciousness back into his earth body

770

00:36:23,190 --> 00:36:20,880

this this guy is so full of shitty

771

00:36:25,109 --> 00:36:23,200

waddles when he walks and you know what

772

00:36:28,550 --> 00:36:25,119

i'm getting tired of people charging

773

00:36:31,030 --> 00:36:28,560

people think money like especially big

774

00:36:33,109 --> 00:36:31,040

money you're charging this pablo or

775

00:36:34,870 --> 00:36:33,119

whoever what is his name who ran this

776

00:36:38,230 --> 00:36:34,880

secret conference

777

00:36:40,390 --> 00:36:38,240

paulo messina you're charging people 600

778

00:36:42,310 --> 00:36:40,400

dollars to hear from a guy

779

00:36:46,230 --> 00:36:42,320

who claims to be

780

00:36:48,710 --> 00:36:46,240

in on all kinds of secret super advanced

781

00:36:50,310 --> 00:36:48,720

technology but doesn't know

782

00:36:52,310 --> 00:36:50,320

he doesn't have a high school

783

00:36:54,390 --> 00:36:52,320

understanding of how magnets work and

784

00:36:57,270 --> 00:36:54,400

you're charging people 600 bucks to

785

00:36:59,990 --> 00:36:57,280

listen to this guy talk or is your

786

00:37:02,310 --> 00:37:00,000

conference largely full of scammy people

787

00:37:06,150 --> 00:37:02,320

selling questionable information that is

788

00:37:09,910 --> 00:37:06,160

not worth 600. i know what i believe

789

00:37:11,510 --> 00:37:09,920

and uh let's see here there is uh some

790

00:37:14,069 --> 00:37:11,520

more on this

791

00:37:16,550 --> 00:37:14,079

wonderful medical device or did we we

792

00:37:19,430 --> 00:37:16,560

see it all yes

793

00:37:21,670 --> 00:37:19,440

okay so here's a claim that he's making

794

00:37:24,710 --> 00:37:21,680

out of this device made out of magnets

795

00:37:27,670 --> 00:37:24,720

and beeswax i got bad news for anybody

796

00:37:29,030 --> 00:37:27,680

in chronic pain magnets and beeswax

797

00:37:31,190 --> 00:37:29,040

can't help you

798

00:37:33,190 --> 00:37:31,200

but according to this chris o'connor

799

00:37:36,150 --> 00:37:33,200

somewhere you may find that it will

800

00:37:38,230 --> 00:37:36,160

immediately alleviate that pain or you

801
00:37:41,270 --> 00:37:38,240
may have to use it for several minutes

802
00:37:43,270 --> 00:37:41,280
or up to 30 minutes or an hour but when

803
00:37:46,310 --> 00:37:43,280
you first begin continue this movement

804
00:37:48,150 --> 00:37:46,320
for 5 to 10 minutes set the device aside

805
00:37:49,109 --> 00:37:48,160
check in with yourself and see how you

806
00:37:54,630 --> 00:37:49,119
feel

807
00:37:55,990 --> 00:37:54,640
temporary relief of pain this is a

808
00:37:58,790 --> 00:37:56,000
medical claim

809
00:38:00,870 --> 00:37:58,800
that he is making without

810
00:38:03,750 --> 00:38:00,880
any scientific studies

811
00:38:06,870 --> 00:38:03,760
that say magnets and beeswax can do this

812
00:38:09,670 --> 00:38:06,880
backing up his claims and if i was him i

813
00:38:13,030 --> 00:38:09,680

would immediately remove everything from

814

00:38:16,150 --> 00:38:13,040

my website about your magnet beeswax

815

00:38:18,470 --> 00:38:16,160

magic wand that cures pain you dummy

816

00:38:21,270 --> 00:38:18,480

that's not how any of this works that's

817

00:38:24,230 --> 00:38:21,280

not how magnets work and while i'm sure

818

00:38:26,470 --> 00:38:24,240

there may be some therapeutic uses for

819

00:38:29,430 --> 00:38:26,480

beeswax uh

820

00:38:31,510 --> 00:38:29,440

i am aware that beeswax rubbed into

821

00:38:33,510 --> 00:38:31,520

burns and skin conditions may be

822

00:38:35,349 --> 00:38:33,520

somewhat beneficial

823

00:38:37,430 --> 00:38:35,359

i'm not even sure if that's true and by

824

00:38:39,670 --> 00:38:37,440

the way i'm not a physician don't take

825

00:38:41,349 --> 00:38:39,680

medical advice from me and certainly

826

00:38:43,589 --> 00:38:41,359

don't take medical advice from a

827

00:38:46,870 --> 00:38:43,599

whack-a-doo with a magic wand made out

828

00:38:48,390 --> 00:38:46,880

of magnets and beeswax this is

829

00:38:51,270 --> 00:38:48,400

ridiculous

830

00:38:54,550 --> 00:38:51,280

and why the hell am i still here why did

831

00:38:55,589 --> 00:38:54,560

i pick this wacko beat right

832

00:38:56,550 --> 00:38:55,599

like

833

00:38:58,870 --> 00:38:56,560

every

834

00:39:00,710 --> 00:38:58,880

so-called investigative journalist has

835

00:39:02,230 --> 00:39:00,720

to pick that subject matter they're

836

00:39:04,950 --> 00:39:02,240

going to hone in on whether it's

837

00:39:07,349 --> 00:39:04,960

politics or crime or

838

00:39:09,910 --> 00:39:07,359

i don't know

839

00:39:12,870 --> 00:39:09,920

military no i had to pick the

840

00:39:16,310 --> 00:39:12,880

whack-a-doo beat and it is my lot in

841

00:39:19,510 --> 00:39:16,320

life now to have to remind people that a

842

00:39:22,310 --> 00:39:19,520

magic wand made out of freaking magnets

843

00:39:23,270 --> 00:39:22,320

and beeswax can't cure you of chronic

844

00:39:25,270 --> 00:39:23,280

pain

845

00:39:28,630 --> 00:39:25,280

but this is my lot in life and i have

846

00:39:31,589 --> 00:39:28,640

accepted that and here we have a

847

00:39:33,589 --> 00:39:31,599

uh a testimonial which is also extremely

848

00:39:35,510 --> 00:39:33,599

misleading because again there's no

849

00:39:38,230 --> 00:39:35,520

scientific proof that magnets and

850

00:39:40,950 --> 00:39:38,240

beeswax can do any of this

851
00:39:43,270 --> 00:39:40,960
but rachel from san diego says over a

852
00:39:45,829 --> 00:39:43,280
year ago i got a pretty severe wrist

853
00:39:48,069 --> 00:39:45,839
injury at the gym that made normal

854
00:39:49,910 --> 00:39:48,079
activities involving my right hand

855
00:39:51,829 --> 00:39:49,920
extremely painful

856
00:39:53,829 --> 00:39:51,839
sadly i was forced to give up my

857
00:39:56,550 --> 00:39:53,839
handstand practice which i had loved

858
00:39:57,910 --> 00:39:56,560
doing every day i rested my wrist for

859
00:40:00,069 --> 00:39:57,920
over a year and there were some

860
00:40:01,750 --> 00:40:00,079
improvements but the pain never subsided

861
00:40:03,109 --> 00:40:01,760
completely

862
00:40:05,510 --> 00:40:03,119
a few times i

863
00:40:07,030 --> 00:40:05,520

attempted a handstand i immediately felt

864

00:40:08,950 --> 00:40:07,040

a shooting pain through the top of my

865

00:40:12,470 --> 00:40:08,960

wrist and i would give up again

866

00:40:13,829 --> 00:40:12,480

and here's where it gets dicey

867

00:40:16,150 --> 00:40:13,839

this

868

00:40:17,910 --> 00:40:16,160

rachel from san diego says

869

00:40:20,230 --> 00:40:17,920

several weeks ago i was introduced to

870

00:40:22,390 --> 00:40:20,240

the deems device after some time using

871

00:40:24,630 --> 00:40:22,400

the device on the achy parts of my wrist

872

00:40:26,230 --> 00:40:24,640

i noticed the pain had subsided

873

00:40:28,390 --> 00:40:26,240

feeling hopeful i tried another

874

00:40:30,069 --> 00:40:28,400

handstand and it didn't hurt at all

875

00:40:32,150 --> 00:40:30,079

there was no more shooting pain through

876

00:40:34,470 --> 00:40:32,160

my wrist i didn't try any other

877

00:40:36,710 --> 00:40:34,480

interventions for my wrist pain i

878

00:40:38,870 --> 00:40:36,720

believe i have a deems device to thank

879

00:40:41,349 --> 00:40:38,880

for the improvement in my wrist over a

880

00:40:44,150 --> 00:40:41,359

year of pain and missing out on my

881

00:40:46,069 --> 00:40:44,160

favorite activities i am so excited that

882

00:40:48,710 --> 00:40:46,079

i can now get back to my handstand

883

00:40:50,390 --> 00:40:48,720

practice and i challenge chris o'connor

884

00:40:53,349 --> 00:40:50,400

put me in touch with this rachel and let

885

00:40:55,430 --> 00:40:53,359

me interview her i'd like to interview

886

00:40:57,430 --> 00:40:55,440

this person that used a magic wand made

887

00:40:59,270 --> 00:40:57,440

out of magnets and beeswax to heal her

888

00:41:01,510 --> 00:40:59,280

chronic wrist pain

889

00:41:03,829 --> 00:41:01,520

i would like to talk to her or does she

890

00:41:03,829 --> 00:41:05,190

not exist chris o'connor is this horse

891

00:41:09,910 --> 00:41:07,910

and uh in full disclosure i'm inviting

892

00:41:12,950 --> 00:41:09,920

chris o'connor to come here

893

00:41:15,270 --> 00:41:12,960

uh on our show and be interviewed by me

894

00:41:17,589 --> 00:41:15,280

uh but i am gonna have somebody that's

895

00:41:20,150 --> 00:41:17,599

an expert in magnets here with me to

896

00:41:21,910 --> 00:41:20,160

explain to him that magnets don't work

897

00:41:24,950 --> 00:41:21,920

the way that he claims that they work

898

00:41:26,390 --> 00:41:24,960

for his magic wand device

899

00:41:30,069 --> 00:41:26,400

okay

900

00:41:32,870 --> 00:41:30,079

so here is a transcript that i took from

901
00:41:34,790 --> 00:41:32,880
him being interviewed and he says this

902
00:41:35,990 --> 00:41:34,800
is chris o'connor speaking about his

903
00:41:37,829 --> 00:41:36,000
magic

904
00:41:40,870 --> 00:41:37,839
pain wand made out of magnets and

905
00:41:43,430 --> 00:41:40,880
beeswax he says as the magnetism comes

906
00:41:45,349 --> 00:41:43,440
up and then down throughout the device

907
00:41:47,829 --> 00:41:45,359
this one's pushing it out

908
00:41:50,390 --> 00:41:47,839
so you have a magnetic field coming

909
00:41:53,589 --> 00:41:50,400
around and being pushed out at the same

910
00:41:55,430 --> 00:41:53,599
time which creates a bit of a vortex

911
00:41:59,270 --> 00:41:55,440
it is that vortex of energy that

912
00:42:00,870 --> 00:41:59,280
basically we use and use in ssp

913
00:42:05,430 --> 00:42:00,880

and if you put it to your head that

914

00:42:07,990 --> 00:42:05,440

vortex is penetrating your physical body

915

00:42:09,990 --> 00:42:08,000

this one won't affect your pineal won't

916

00:42:12,870 --> 00:42:10,000

affect your pineal gland won't do

917

00:42:14,630 --> 00:42:12,880

anything near what the ssp does

918

00:42:16,870 --> 00:42:14,640

this is much more based on the human

919

00:42:18,790 --> 00:42:16,880

body just for healing and on that

920

00:42:19,990 --> 00:42:18,800

vibrational level

921

00:42:22,069 --> 00:42:20,000

again

922

00:42:24,710 --> 00:42:22,079

magnets on their own do not create a

923

00:42:27,510 --> 00:42:24,720

magnetic vortex they do not create a

924

00:42:30,630 --> 00:42:27,520

magnetic moving magnetic field

925

00:42:34,309 --> 00:42:30,640

this is whackadoo snake oil science this

926

00:42:35,750 --> 00:42:34,319

is not real science friends and that is

927

00:42:38,150 --> 00:42:35,760

what you're buying

928

00:42:41,109 --> 00:42:38,160

that's one thing that you're buying for

929

00:42:43,030 --> 00:42:41,119

your 600 for this conference

930

00:42:45,990 --> 00:42:43,040

so uh

931

00:42:47,750 --> 00:42:46,000

i would like to remind uh everyone that

932

00:42:50,069 --> 00:42:47,760

this is uh fair use we're going to be

933

00:42:53,270 --> 00:42:50,079

sharing a portion of the video

934

00:42:56,950 --> 00:42:53,280

with this chris o'connor

935

00:42:59,750 --> 00:42:56,960

being interviewed who talks about his

936

00:43:01,990 --> 00:42:59,760

a magic wand that can cure you of

937

00:43:03,910 --> 00:43:02,000

chronic pain

938

00:43:05,190 --> 00:43:03,920

and this of course is this conference

939

00:43:08,230 --> 00:43:05,200

organizer

940

00:43:09,270 --> 00:43:08,240

polio uh

941

00:43:15,430 --> 00:43:09,280

i

942

00:43:17,670 --> 00:43:15,440

and uh

943

00:43:20,550 --> 00:43:17,680

let's get into it friends because this

944

00:43:21,589 --> 00:43:20,560

chris o'connor is going to explain to us

945

00:43:24,790 --> 00:43:21,599

his

946

00:43:27,349 --> 00:43:24,800

uh magnetic device does your device

947

00:43:28,710 --> 00:43:27,359

looks like and what has in common with

948

00:43:31,109 --> 00:43:28,720

us different well this is the one i

949

00:43:34,069 --> 00:43:31,119

built now

950

00:43:36,710 --> 00:43:34,079

this is the one i built it's 14 neon

951
00:43:39,510 --> 00:43:36,720
neodymium magnets in here they're block

952
00:43:41,430 --> 00:43:39,520
magnets and then then a disc magnet so

953
00:43:43,829 --> 00:43:41,440
you have a magnet of force that comes

954
00:43:46,069 --> 00:43:43,839
from one side comes around and goes up

955
00:43:48,550 --> 00:43:46,079
the other side and around the ring and

956
00:43:50,309 --> 00:43:48,560
it does that continuously

957
00:43:51,910 --> 00:43:50,319
and it never stops doing that that's

958
00:43:55,190 --> 00:43:51,920
just part of it that's how it's created

959
00:43:56,870 --> 00:43:55,200
to do this magnetic field again

960
00:43:59,109 --> 00:43:56,880
this man

961
00:44:01,910 --> 00:43:59,119
maybe didn't even take any high school

962
00:44:04,470 --> 00:44:01,920
level science classes because you can

963
00:44:06,309 --> 00:44:04,480

configure these magnets exactly how he's

964

00:44:09,109 --> 00:44:06,319

saying here with one

965

00:44:11,270 --> 00:44:09,119

polls going up and one set of poles

966

00:44:13,910 --> 00:44:11,280

going down inside

967

00:44:15,990 --> 00:44:13,920

and a magnetic and a ring magnet on the

968

00:44:18,630 --> 00:44:16,000

top just like he has and you can put it

969

00:44:20,950 --> 00:44:18,640

down on the table and you can put iron

970

00:44:23,109 --> 00:44:20,960

filings all around it and what you will

971

00:44:25,750 --> 00:44:23,119

see is a

972

00:44:28,790 --> 00:44:25,760

a magnetic field that emanates out from

973

00:44:31,190 --> 00:44:28,800

the so-called magic wand but doesn't

974

00:44:33,750 --> 00:44:31,200

move if it did move if the magnetic

975

00:44:35,990 --> 00:44:33,760

field moved as he is explaining here

976
00:44:38,630 --> 00:44:36,000
then you could put iron filings around

977
00:44:41,190 --> 00:44:38,640
this and then iron filings would show

978
00:44:43,829 --> 00:44:41,200
the movement of the magnetic field they

979
00:44:46,790 --> 00:44:43,839
don't and they won't because this guy

980
00:44:49,990 --> 00:44:46,800
doesn't even know how magnets work

981
00:44:52,390 --> 00:44:50,000
so as the magnetism comes up and down

982
00:44:53,910 --> 00:44:52,400
throughout the device this one's pushing

983
00:44:56,069 --> 00:44:53,920
it out

984
00:44:57,829 --> 00:44:56,079
and so you have a magnetic field coming

985
00:45:00,150 --> 00:44:57,839
around and being pushed out at the same

986
00:45:02,870 --> 00:45:00,160
time which creates a bit of a vortex and

987
00:45:06,870 --> 00:45:02,880
it's that vortex of energy

988
00:45:09,270 --> 00:45:06,880

that um that was it basically we use

989

00:45:10,390 --> 00:45:09,280

and using the ssp and that kind of you

990

00:45:12,230 --> 00:45:10,400

know if you put it to your head that

991

00:45:14,950 --> 00:45:12,240

vortex is basically penetrating your

992

00:45:17,270 --> 00:45:14,960

physical body maybe this guy put strong

993

00:45:18,870 --> 00:45:17,280

magnets to his head a little too much

994

00:45:20,390 --> 00:45:18,880

and that caused them to have brain

995

00:45:22,390 --> 00:45:20,400

damage because

996

00:45:25,430 --> 00:45:22,400

friends i assure you this is not how

997

00:45:29,349 --> 00:45:26,790

and uh

998

00:45:32,150 --> 00:45:29,359

maybe uh i will do a video in a live

999

00:45:34,470 --> 00:45:32,160

demonstration but not today that this

1000

00:45:36,309 --> 00:45:34,480

guy is a wackadoo that doesn't know how

1001
00:45:38,710 --> 00:45:36,319
magnets work because again the magnetic

1002
00:45:39,910 --> 00:45:38,720
field won't be pushed out of the center

1003
00:45:42,069 --> 00:45:39,920
of the ring

1004
00:45:44,390 --> 00:45:42,079
and that can be displayed with a simple

1005
00:45:46,710 --> 00:45:44,400
experiment with iron filings you'll be

1006
00:45:49,349 --> 00:45:46,720
able to see if there's a pushing

1007
00:45:50,950 --> 00:45:49,359
magnetic field coming out of the donut

1008
00:45:53,990 --> 00:45:50,960
of this

1009
00:45:54,790 --> 00:45:54,000
device no there wouldn't be

1010
00:46:03,589 --> 00:45:54,800
this

1011
00:46:05,349 --> 00:46:03,599
one maybe we'll look into more of these

1012
00:46:08,790 --> 00:46:05,359
wackadoos right

1013
00:46:12,150 --> 00:46:08,800

uh i am not fully prepared to cover all

1014

00:46:13,349 --> 00:46:12,160

the wackadoos at this ssp conference and

1015

00:46:14,870 --> 00:46:13,359

by the way

1016

00:46:17,670 --> 00:46:14,880

i want to uh

1017

00:46:21,430 --> 00:46:17,680

say to my uh you know to the credible

1018

00:46:23,589 --> 00:46:21,440

people that my uh review of the

1019

00:46:26,550 --> 00:46:23,599

wackadoos that are speaking at this

1020

00:46:28,950 --> 00:46:26,560

conference is is in no way

1021

00:46:31,589 --> 00:46:28,960

should be reflected badly on you and

1022

00:46:34,390 --> 00:46:31,599

your research i just think if you're

1023

00:46:36,550 --> 00:46:34,400

gonna have credible people

1024

00:46:39,109 --> 00:46:36,560

at a at a conference

1025

00:46:41,109 --> 00:46:39,119

that are talking why would you include a

1026
00:46:43,349 --> 00:46:41,119
whack-a-doo like this

1027
00:46:44,550 --> 00:46:43,359
in with credible people that do real

1028
00:46:47,190 --> 00:46:44,560
research

1029
00:46:49,030 --> 00:46:47,200
honestly i if i was speaking at a

1030
00:46:51,270 --> 00:46:49,040
conference with this wackadoo with his

1031
00:46:54,630 --> 00:46:51,280
magic magic wand

1032
00:46:57,829 --> 00:46:54,640
magic pain wand magic magnet pain wand

1033
00:47:00,150 --> 00:46:57,839
with beeswax in it i would be personally

1034
00:47:01,990 --> 00:47:00,160
offended that the booker booked this

1035
00:47:04,630 --> 00:47:02,000
wackadoo with me

1036
00:47:07,670 --> 00:47:04,640
that's my opinion i'm entitled to it i

1037
00:47:10,390 --> 00:47:07,680
do find michael stratt alien scientist

1038
00:47:12,710 --> 00:47:10,400

and i guess darcy he's okay the other

1039

00:47:14,309 --> 00:47:12,720

two i like better but you know darcy

1040

00:47:16,950 --> 00:47:14,319

weird he's okay he makes good

1041

00:47:18,710 --> 00:47:16,960

documentaries he tries to get evidence

1042

00:47:22,309 --> 00:47:18,720

and proof and uh

1043

00:47:24,309 --> 00:47:22,319

but this guy oh what a whack-a-doo

1044

00:47:25,670 --> 00:47:24,319

you know and this one won't affect your

1045

00:47:27,510 --> 00:47:25,680

pineal gland

1046

00:47:29,670 --> 00:47:27,520

you know one won't do anything near what

1047

00:47:31,190 --> 00:47:29,680

the ssp version does

1048

00:47:34,710 --> 00:47:31,200

why wouldn't he make one that can do

1049

00:47:36,870 --> 00:47:34,720

what the ssp does the ssp magic wand can

1050

00:47:38,870 --> 00:47:36,880

age repress you time travel

1051
00:47:41,270 --> 00:47:38,880
consciousness transfer and all kinds of

1052
00:47:43,430 --> 00:47:41,280
according to him no he made a

1053
00:47:45,750 --> 00:47:43,440
dumbed down version of it for us stupid

1054
00:47:46,950 --> 00:47:45,760
earthlings but even the dumbed down

1055
00:47:48,950 --> 00:47:46,960
version of it

1056
00:47:51,030 --> 00:47:48,960
works on uh

1057
00:47:53,430 --> 00:47:51,040
no principle of science that i've ever

1058
00:47:55,589 --> 00:47:53,440
heard of like i said he's just making

1059
00:47:57,829 --> 00:47:55,599
this up magnets crystals and

1060
00:48:00,390 --> 00:47:57,839
beeswax great

1061
00:48:02,390 --> 00:48:00,400
this is much more based on the human

1062
00:48:05,030 --> 00:48:02,400
body just for healing and on that

1063
00:48:07,990 --> 00:48:05,040

vibrational level so there is a version

1064

00:48:09,829 --> 00:48:08,000

of the device that works with some

1065

00:48:12,069 --> 00:48:09,839

particular crystals can you talk about

1066

00:48:14,470 --> 00:48:12,079

that what what crystals are the and what

1067

00:48:16,390 --> 00:48:14,480

is the role of the crystals well um

1068

00:48:17,990 --> 00:48:16,400

because this is a vortex you know like

1069

00:48:20,470 --> 00:48:18,000

if i held it this direction it would

1070

00:48:22,790 --> 00:48:20,480

look like a little tornado right here no

1071

00:48:26,309 --> 00:48:22,800

it wouldn't and he can show a simple

1072

00:48:29,750 --> 00:48:26,319

scientific experiment using iron filings

1073

00:48:32,309 --> 00:48:29,760

to show there's no vortex there dude

1074

00:48:35,270 --> 00:48:32,319

there's no vortex except in your sci-fi

1075

00:48:37,589 --> 00:48:35,280

imagination this is not how magnets work

1076

00:48:39,030 --> 00:48:37,599

i'm not going to say that again

1077

00:48:39,910 --> 00:48:39,040

but it gets better

1078

00:48:41,990 --> 00:48:39,920

because

1079

00:48:44,790 --> 00:48:42,000

the interviewer asks him about the

1080

00:48:47,270 --> 00:48:44,800

magnets or excuse me about the crystals

1081

00:48:49,270 --> 00:48:47,280

that he slaps onto this by the way the

1082

00:48:50,950 --> 00:48:49,280

device i believe is six hundred dollars

1083

00:48:53,750 --> 00:48:50,960

but the crystals

1084

00:48:55,589 --> 00:48:53,760

to focus the magnetic vortex that

1085

00:48:58,309 --> 00:48:55,599

doesn't exist

1086

00:48:59,750 --> 00:48:58,319

uh that he's saying exists those cost

1087

00:49:01,190 --> 00:48:59,760

extra

1088

00:49:04,150 --> 00:49:01,200

just so you know

1089

00:49:07,349 --> 00:49:04,160

and he says that the crystals

1090

00:49:08,390 --> 00:49:07,359

focus the magnetic vortex like a laser

1091

00:49:10,870 --> 00:49:08,400

again

1092

00:49:13,670 --> 00:49:10,880

this could be easily provable with a

1093

00:49:17,270 --> 00:49:13,680

simple experiment that any high school

1094

00:49:19,829 --> 00:49:17,280

lab could carry out with iron filings he

1095

00:49:22,390 --> 00:49:19,839

will not show any proof that this device

1096

00:49:24,870 --> 00:49:22,400

works the way that he says because this

1097

00:49:28,470 --> 00:49:24,880

guy is a whack-a-doo

1098

00:49:31,829 --> 00:49:28,480

and his so-called science is not science

1099

00:49:35,349 --> 00:49:31,839

this is garbage um it pushes energy

1100

00:49:36,870 --> 00:49:35,359

through and into whatever area you're no

1101

00:49:38,870 --> 00:49:36,880

and if you put a crystal

1102

00:49:40,790 --> 00:49:38,880

on the top there we go there we go

1103

00:49:43,270 --> 00:49:40,800

somehow he's gonna say

1104

00:49:46,470 --> 00:49:43,280

that gluing a crystal onto this piece of

1105

00:49:49,270 --> 00:49:46,480

magnet magic wand with and by the

1106

00:49:52,150 --> 00:49:49,280

way don't forget there's beeswax

1107

00:49:55,109 --> 00:49:52,160

inside separating the magnets and

1108

00:49:57,190 --> 00:49:55,119

somehow the beeswax does something but i

1109

00:50:00,549 --> 00:49:57,200

have yet to figure out he hasn't

1110

00:50:04,549 --> 00:50:00,559

explained why you need beeswax in there

1111

00:50:06,309 --> 00:50:04,559

with the magnet but i got some beeswax

1112

00:50:08,470 --> 00:50:06,319

the depending on the crystal that

1113

00:50:11,190 --> 00:50:08,480

crystal is you know it's a crystalline

1114

00:50:12,710 --> 00:50:11,200

form crystalline structure and this

1115

00:50:14,069 --> 00:50:12,720

energy flows through those crystalline

1116

00:50:16,630 --> 00:50:14,079

structures

1117

00:50:19,190 --> 00:50:16,640

and depending on which crystal you use

1118

00:50:22,309 --> 00:50:19,200

on the crystalline structure and that

1119

00:50:24,069 --> 00:50:22,319

changes the vibration of the energy

1120

00:50:27,190 --> 00:50:24,079

which is a combination of magnetic and

1121

00:50:30,069 --> 00:50:27,200

piezoelectric energy there's no proof to

1122

00:50:32,630 --> 00:50:30,079

any of this uh you can't use a crystal

1123

00:50:34,950 --> 00:50:32,640

to focus magnetic energy

1124

00:50:37,990 --> 00:50:34,960

it that's not how magnets work that's

1125

00:50:40,630 --> 00:50:38,000

not how magnetism or electricity works

1126

00:50:42,710 --> 00:50:40,640

can you can crystals have some

1127

00:50:45,270 --> 00:50:42,720

piezoelectric properties sure an

1128

00:50:48,630 --> 00:50:45,280

electric property sure but

1129

00:50:51,990 --> 00:50:48,640

you cannot use a magnet or excuse me

1130

00:50:55,430 --> 00:50:52,000

you cannot use a crystal to focus a

1131

00:50:58,309 --> 00:50:55,440

magnetic field like a laser like he is

1132

00:51:00,630 --> 00:50:58,319

describing here that's snake oil science

1133

00:51:03,109 --> 00:51:00,640

that's not real science and he's

1134

00:51:05,829 --> 00:51:03,119

counting on stupid people

1135

00:51:07,829 --> 00:51:05,839

that won't know high school physics or

1136

00:51:10,790 --> 00:51:07,839

or a high school level of how magnets

1137

00:51:13,270 --> 00:51:10,800

and crystals work to buy this piece of

1138

00:51:15,430 --> 00:51:13,280

junk from him made out of magnets and

1139

00:51:17,510 --> 00:51:15,440

beeswax and crystals

1140

00:51:18,950 --> 00:51:17,520

coming in this vortex

1141

00:51:20,870 --> 00:51:18,960

it takes that

1142

00:51:22,549 --> 00:51:20,880

and you filter it through that crystal

1143

00:51:24,069 --> 00:51:22,559

and you can like target it to certain

1144

00:51:25,670 --> 00:51:24,079

parts of the body

1145

00:51:27,030 --> 00:51:25,680

there's no proof

1146

00:51:28,630 --> 00:51:27,040

that crystals

1147

00:51:31,349 --> 00:51:28,640

can filter

1148

00:51:33,990 --> 00:51:31,359

a magnetic field in any way

1149

00:51:37,190 --> 00:51:34,000

block a magnetic field may be but not

1150

00:51:39,589 --> 00:51:37,200

filtered this is garbage his all of his

1151
00:51:41,670 --> 00:51:39,599
explanation for how this fake medical

1152
00:51:44,390 --> 00:51:41,680
device works is garbage

1153
00:51:46,230 --> 00:51:44,400
associated with that vibration what is

1154
00:51:48,630 --> 00:51:46,240
the material that made they're actually

1155
00:51:50,069 --> 00:51:48,640
natural crystals natural grown some of

1156
00:51:52,230 --> 00:51:50,079
them are you know

1157
00:51:54,390 --> 00:51:52,240
sedimentary based crystals some of them

1158
00:51:57,109 --> 00:51:54,400
are actually like quartz and

1159
00:51:58,549 --> 00:51:57,119
you know amethyst and

1160
00:52:01,030 --> 00:51:58,559
any kind you know

1161
00:52:03,270 --> 00:52:01,040
they have a specific geometry i use

1162
00:52:06,790 --> 00:52:03,280
pyramidal shaped crystals people that

1163
00:52:08,470 --> 00:52:06,800

practice reiki and like acupressure

1164

00:52:10,069 --> 00:52:08,480

they work with the meridians of the body

1165

00:52:11,750 --> 00:52:10,079

and the meridians are based on vibration

1166

00:52:13,589 --> 00:52:11,760

within the nervous system

1167

00:52:17,349 --> 00:52:13,599

and so they can target certain areas

1168

00:52:18,710 --> 00:52:17,359

based on that filtered crystal so i use

1169

00:52:32,710 --> 00:52:18,720

a

1170

00:52:34,950 --> 00:52:32,720

point

1171

00:52:37,510 --> 00:52:34,960

and it's more targeted that way

1172

00:52:39,670 --> 00:52:37,520

again there is no scientific proof i

1173

00:52:40,630 --> 00:52:39,680

challenge this man to show me how a

1174

00:52:44,230 --> 00:52:40,640

crystal

1175

00:52:45,589 --> 00:52:44,240

can focus any magnetic field into a

1176

00:52:48,790 --> 00:52:45,599

candle flame

1177

00:52:51,750 --> 00:52:48,800

that is garbage this man's device is

1178

00:52:53,910 --> 00:52:51,760

garbage and his stories are garbage the

1179

00:52:55,670 --> 00:52:53,920

purpose of the shape

1180

00:52:57,349 --> 00:52:55,680

and but i've seen that the color the

1181

00:52:59,109 --> 00:52:57,359

different color of crystals what is the

1182

00:53:00,950 --> 00:52:59,119

role of those different

1183

00:53:02,549 --> 00:53:00,960

colors it depends on the body and it

1184

00:53:03,990 --> 00:53:02,559

works with the chakra system you know

1185

00:53:05,589 --> 00:53:04,000

because

1186

00:53:08,470 --> 00:53:05,599

if you have certain chakras in your body

1187

00:53:11,510 --> 00:53:08,480

well there's the magnetic vortex

1188

00:53:13,829 --> 00:53:11,520

focusing filtering device friends it's

1189

00:53:17,349 --> 00:53:13,839

not just a crystal it's a magnetic

1190

00:53:21,510 --> 00:53:17,359

vortex filtering and focusing device no

1191

00:53:23,670 --> 00:53:21,520

it's not this is such garbage 600 bucks

1192

00:53:27,270 --> 00:53:23,680

for this clown that's what you get for

1193

00:53:29,270 --> 00:53:27,280

your 600 bucks palo you get this clown

1194

00:53:31,270 --> 00:53:29,280

are you stupid too

1195

00:53:34,309 --> 00:53:31,280

i i don't understand how this guy would

1196

00:53:36,790 --> 00:53:34,319

talk to him before the conference here

1197

00:53:40,069 --> 00:53:36,800

this whack-a-doo explanation

1198

00:53:43,030 --> 00:53:40,079

of of a magnetic magic wand with beeswax

1199

00:53:45,990 --> 00:53:43,040

and crystals healing pain and still book

1200

00:53:49,349 --> 00:53:46,000

him in the conference and charge people

1201
00:53:51,829 --> 00:53:49,359
good money 600 bucks to hear this guy's

1202
00:53:53,510 --> 00:53:51,839
whack-a-doo garbage about

1203
00:53:55,190 --> 00:53:53,520
oh jeez there's

1204
00:53:58,390 --> 00:53:55,200
they're shot with certain

1205
00:54:01,430 --> 00:53:58,400
vibrational areas within your body

1206
00:54:03,109 --> 00:54:01,440
and certain crystals associate the same

1207
00:54:05,990 --> 00:54:03,119
vibration

1208
00:54:07,829 --> 00:54:06,000
and so that's the purpose of them is if

1209
00:54:10,069 --> 00:54:07,839
you're doing like energy healing or

1210
00:54:11,510 --> 00:54:10,079
energy work or if you're doing physical

1211
00:54:13,270 --> 00:54:11,520
body healing

1212
00:54:15,430 --> 00:54:13,280
and you want to target a certain area

1213
00:54:17,190 --> 00:54:15,440

that's associated with that vibration i

1214

00:54:19,589 --> 00:54:17,200

have seen you make sure you use the

1215

00:54:22,309 --> 00:54:19,599

right color crystal on the right body

1216

00:54:25,349 --> 00:54:22,319

part so that the wackadoo device works

1217

00:54:29,030 --> 00:54:25,359

sure this recurring theme of

1218

00:54:31,030 --> 00:54:29,040

fields and crystal shapes is a recurring

1219

00:54:33,510 --> 00:54:31,040

theme from these alien reproduction

1220

00:54:35,589 --> 00:54:33,520

technologies is it something that you

1221

00:54:38,150 --> 00:54:35,599

have seen as well these more advanced

1222

00:54:39,589 --> 00:54:38,160

technologies they make use of these

1223

00:54:40,470 --> 00:54:39,599

principles

1224

00:54:42,630 --> 00:54:40,480

yes

1225

00:54:44,069 --> 00:54:42,640

absolutely

1226

00:54:45,349 --> 00:54:44,079

kind of shocking

1227

00:54:47,750 --> 00:54:45,359

how simple some of the other

1228

00:54:51,030 --> 00:54:47,760

technologies are compared so this guy is

1229

00:54:53,670 --> 00:54:51,040

saying that his magic magnetic wand with

1230

00:54:56,069 --> 00:54:53,680

beeswax and crystals on it that can heal

1231

00:54:57,430 --> 00:54:56,079

pain and chronic pain even chronic

1232

00:54:58,790 --> 00:54:57,440

cancer pain

1233

00:55:01,670 --> 00:54:58,800

according to him

1234

00:55:04,309 --> 00:55:01,680

was created using technology that he

1235

00:55:06,630 --> 00:55:04,319

witnessed in the secret space program

1236

00:55:08,230 --> 00:55:06,640

but then when we break down how he says

1237

00:55:11,349 --> 00:55:08,240

the device works

1238

00:55:13,910 --> 00:55:11,359

it's absolutely science fiction gobbly

1239

00:55:16,390 --> 00:55:13,920

nonsense it's like you ever watch

1240

00:55:19,030 --> 00:55:16,400

star trek where they just techno babble

1241

00:55:21,589 --> 00:55:19,040

stuff like they just make up some

1242

00:55:22,390 --> 00:55:21,599

nonsense excuse you know

1243

00:55:24,390 --> 00:55:22,400

like

1244

00:55:25,910 --> 00:55:24,400

i can't do it captain uh the phase

1245

00:55:26,950 --> 00:55:25,920

reversal of the

1246

00:55:29,620 --> 00:55:26,960

of the

1247

00:55:31,190 --> 00:55:29,630

warp coil will uh result in

1248

00:55:34,150 --> 00:55:31,200

[Music]

1249

00:55:36,470 --> 00:55:34,160

negative polarity reversal of the time

1250

00:55:40,150 --> 00:55:36,480

space continuum that's what this guy is

1251
00:55:42,470 --> 00:55:40,160
doing here it is technobabble garbage

1252
00:55:45,270 --> 00:55:42,480
that's not reality that's not how

1253
00:55:47,190 --> 00:55:45,280
magnets work that's not how crystals

1254
00:55:50,549 --> 00:55:47,200
work and god damn it i'll go out on a

1255
00:55:53,190 --> 00:55:50,559
limb and say even if you put beeswax

1256
00:55:54,309 --> 00:55:53,200
that's not how this works dude none

1257
00:55:57,510 --> 00:55:54,319
of this is

1258
00:55:59,510 --> 00:55:57,520
scientifically correct

1259
00:56:01,670 --> 00:55:59,520
and i'm gonna check out because i'm

1260
00:56:04,069 --> 00:56:01,680
getting stupider by the second just

1261
00:56:04,870 --> 00:56:04,079
listening to this garbage

1262
00:56:06,069 --> 00:56:04,880
uh

1263
00:56:07,109 --> 00:56:06,079

yeah

1264

00:56:09,990 --> 00:56:07,119

so

1265

00:56:11,270 --> 00:56:10,000

here's the problem though uh and i'll do

1266

00:56:15,030 --> 00:56:11,280

it but

1267

00:56:18,309 --> 00:56:15,040

i only looked into a few of these

1268

00:56:20,069 --> 00:56:18,319

secret space program speakers

1269

00:56:22,470 --> 00:56:20,079

i'm not going to look into michael

1270

00:56:25,990 --> 00:56:22,480

stratt he's credible i'm not going to

1271

00:56:28,069 --> 00:56:26,000

look into jeremy rise he's credible

1272

00:56:30,630 --> 00:56:28,079

and and by the way i don't fault them

1273

00:56:32,150 --> 00:56:30,640

for attending this conference uh if they

1274

00:56:34,309 --> 00:56:32,160

knew that they were

1275

00:56:36,390 --> 00:56:34,319

sharing the stage with wackadoos that

1276

00:56:39,190 --> 00:56:36,400

were selling magnets with beeswax for

1277

00:56:41,670 --> 00:56:39,200

600 bucks to cure chronic pain

1278

00:56:44,870 --> 00:56:41,680

they may not have attended or spoke at

1279

00:56:47,030 --> 00:56:44,880

this conference and darcy weird too so

1280

00:56:49,910 --> 00:56:47,040

we're not going to look into these three

1281

00:56:52,789 --> 00:56:49,920

nick pope we know is a proven liar who

1282

00:56:55,670 --> 00:56:52,799

lied about running a british ufo program

1283

00:56:57,270 --> 00:56:55,680

dan willis about as critical credible as

1284

00:56:58,549 --> 00:56:57,280

a crackhead

1285

00:57:00,870 --> 00:56:58,559

um

1286

00:57:02,950 --> 00:57:00,880

i am aware of this person

1287

00:57:04,630 --> 00:57:02,960

and i'm not really gonna comment on them

1288

00:57:07,670 --> 00:57:04,640

i know they're affiliated with or

1289

00:57:10,230 --> 00:57:07,680

friends with uh jeremy rise but i once

1290

00:57:11,750 --> 00:57:10,240

got that guy once got kind of in an

1291

00:57:15,109 --> 00:57:11,760

argument with me

1292

00:57:16,150 --> 00:57:15,119

because i said dr stephen greer is not

1293

00:57:17,990 --> 00:57:16,160

credible

1294

00:57:18,789 --> 00:57:18,000

and he got an argument with me about

1295

00:57:21,670 --> 00:57:18,799

that

1296

00:57:24,309 --> 00:57:21,680

and i believe it was over uh the the

1297

00:57:27,190 --> 00:57:24,319

third phase thing you know like

1298

00:57:29,829 --> 00:57:27,200

i don't know this person mark sokol but

1299

00:57:31,510 --> 00:57:29,839

uh okay great he's an anti-gravity

1300

00:57:33,750 --> 00:57:31,520

entrepreneur

1301

00:57:36,230 --> 00:57:33,760

um

1302

00:57:38,789 --> 00:57:36,240

i don't find him to be credible because

1303

00:57:39,589 --> 00:57:38,799

he believes that dr steven greer is a

1304

00:57:45,030 --> 00:57:39,599

good

1305

00:57:47,030 --> 00:57:45,040

garbage to stupid people and i'm i'm

1306

00:57:49,270 --> 00:57:47,040

sorry mark sokol

1307

00:57:51,990 --> 00:57:49,280

but if you believe that dr stephen grier

1308

00:57:53,510 --> 00:57:52,000

is someone that you should listen to

1309

00:57:56,549 --> 00:57:53,520

about anything

1310

00:57:58,950 --> 00:57:56,559

then i question your intelligence and i

1311

00:58:01,589 --> 00:57:58,960

question anything that you are bringing

1312

00:58:03,270 --> 00:58:01,599

to the table as far as a researcher now

1313

00:58:06,309 --> 00:58:03,280

we've got chris o'connor this is the

1314

00:58:09,270 --> 00:58:06,319

person with the magic mad magnet wand

1315

00:58:11,990 --> 00:58:09,280

and then we've got tony rodriguez

1316

00:58:14,950 --> 00:58:12,000

who tells a lot of secret space program

1317

00:58:17,589 --> 00:58:14,960

stories with absolutely no evidence uh

1318

00:58:19,589 --> 00:58:17,599

many of these oh and then of course for

1319

00:58:20,630 --> 00:58:19,599

your 600 bucks you also get richard

1320

00:58:23,109 --> 00:58:20,640

dolan

1321

00:58:25,589 --> 00:58:23,119

skyping in with the same

1322

00:58:28,150 --> 00:58:25,599

general presentation that he has been

1323

00:58:30,470 --> 00:58:28,160

doing for years on the secret space

1324

00:58:33,670 --> 00:58:30,480

program so nothing new from richard

1325

00:58:36,950 --> 00:58:33,680

dolan nothing new from michael stratt

1326

00:58:39,190 --> 00:58:36,960

i'm not sure uh or i'm sorry nothing new

1327

00:58:41,349 --> 00:58:39,200

from nick pope i did not see all of

1328

00:58:42,870 --> 00:58:41,359

michael stratt's presentation though i'm

1329

00:58:45,829 --> 00:58:42,880

sure it was a good one

1330

00:58:48,309 --> 00:58:45,839

uh nick pope nothing new richard dolan

1331

00:58:50,870 --> 00:58:48,319

nothing new then we've got the the

1332

00:58:53,109 --> 00:58:50,880

wackadoo with the magnet wand and by the

1333

00:58:54,069 --> 00:58:53,119

way i believe that some of these other

1334

00:58:56,230 --> 00:58:54,079

people

1335

00:58:58,390 --> 00:58:56,240

are wackadoos as well

1336

00:59:01,190 --> 00:58:58,400

uh

1337

00:59:03,750 --> 00:59:01,200

anybody that is taking money speaking

1338

00:59:06,630 --> 00:59:03,760

about free energy

1339

00:59:09,910 --> 00:59:06,640

that cannot demonstrate a free energy

1340

00:59:10,789 --> 00:59:09,920

device i in my personal opinion is a con

1341

00:59:12,870 --> 00:59:10,799

artist

1342

00:59:14,470 --> 00:59:12,880

there are many many free energy con

1343

00:59:16,950 --> 00:59:14,480

artists and i might be speaking out of

1344

00:59:18,870 --> 00:59:16,960

turn i i'm going to look into these free

1345

00:59:21,829 --> 00:59:18,880

energy folks

1346

00:59:24,230 --> 00:59:21,839

but it appears to me

1347

00:59:26,069 --> 00:59:24,240

that there are many people

1348

00:59:27,270 --> 00:59:26,079

here we go here's another free energy

1349

00:59:29,270 --> 00:59:27,280

guy

1350

00:59:31,430 --> 00:59:29,280

one of the funny things you'll find i

1351
00:59:33,030 --> 00:59:31,440
attended some free energy conferences

1352
00:59:34,630 --> 00:59:33,040
that you have to pay for

1353
00:59:37,270 --> 00:59:34,640
and i was kind of shocked and amazed

1354
00:59:39,589 --> 00:59:37,280
because they had 12 speakers all talking

1355
00:59:42,390 --> 00:59:39,599
about free energy and how it was

1356
00:59:44,230 --> 00:59:42,400
entirely possible to create free energy

1357
00:59:46,230 --> 00:59:44,240
but not one of the 12 speakers at the

1358
00:59:48,789 --> 00:59:46,240
free energy conference that i attended

1359
00:59:50,390 --> 00:59:48,799
by the way that was hundreds of dollars

1360
00:59:53,030 --> 00:59:50,400
could

1361
00:59:55,030 --> 00:59:53,040
demonstrate a free energy device but

1362
00:59:56,870 --> 00:59:55,040
they're going to take money from you and

1363
00:59:59,510 --> 00:59:56,880

tell you it's possible but they

1364

01:00:01,910 --> 00:59:59,520

themselves can't do it so

1365

01:00:04,069 --> 01:00:01,920

in full disclosure i have a problem with

1366

01:00:06,390 --> 01:00:04,079

people who take money as a speaker on

1367

01:00:08,630 --> 01:00:06,400

free energy because

1368

01:00:11,670 --> 01:00:08,640

they can't show me a free energy device

1369

01:00:14,630 --> 01:00:11,680

that has measurable free energy effect

1370

01:00:16,309 --> 01:00:14,640

none of them not one guy on planet earth

1371

01:00:18,470 --> 01:00:16,319

who takes money

1372

01:00:21,030 --> 01:00:18,480

for talking about free energy can show

1373

01:00:23,270 --> 01:00:21,040

us a working free energy device

1374

01:00:25,109 --> 01:00:23,280

so i consider taking money when you

1375

01:00:25,990 --> 01:00:25,119

can't demonstrate it

1376

01:00:28,710 --> 01:00:26,000

uh

1377

01:00:30,870 --> 01:00:28,720

somewhat problematic some would say

1378

01:00:33,109 --> 01:00:30,880

scammy

1379

01:00:35,270 --> 01:00:33,119

i did get to listen to some of this

1380

01:00:37,430 --> 01:00:35,280

terence deacon and he talked largely

1381

01:00:38,630 --> 01:00:37,440

about anthropology hidden history and

1382

01:00:40,950 --> 01:00:38,640

evolution

1383

01:00:43,990 --> 01:00:40,960

kevin day uh we're aware of him he's

1384

01:00:45,910 --> 01:00:44,000

been telling the same stories for

1385

01:00:50,630 --> 01:00:45,920

a long long time

1386

01:00:50,640 --> 01:00:54,309

and uh boy

1387

01:00:59,030 --> 01:00:56,470

i i don't know what else i'm supposed to

1388

01:01:00,870 --> 01:00:59,040

say i do i think that this conference is

1389

01:01:03,670 --> 01:01:00,880

worth the money no

1390

01:01:04,870 --> 01:01:03,680

no not at all and in fact i think that

1391

01:01:07,270 --> 01:01:04,880

there are

1392

01:01:09,030 --> 01:01:07,280

a lot of problems with this conference

1393

01:01:11,430 --> 01:01:09,040

uh that make it

1394

01:01:15,670 --> 01:01:11,440

somewhat

1395

01:01:20,230 --> 01:01:18,150

problematic it's problematic to take

1396

01:01:22,470 --> 01:01:20,240

money from people where somebody's

1397

01:01:25,910 --> 01:01:22,480

telling you they have a secret device

1398

01:01:27,750 --> 01:01:25,920

that he created from magnets beeswax and

1399

01:01:30,230 --> 01:01:27,760

crystals and he learned to do that in

1400

01:01:32,470 --> 01:01:30,240

the secret space program but he doesn't

1401

01:01:35,109 --> 01:01:32,480

have a high school level

1402

01:01:37,270 --> 01:01:35,119

knowledge of physics this is not how

1403

01:01:39,109 --> 01:01:37,280

this works

1404

01:01:41,990 --> 01:01:39,119

and by the way

1405

01:01:44,710 --> 01:01:42,000

i will be very honest in saying

1406

01:01:46,390 --> 01:01:44,720

i have not researched every

1407

01:01:48,549 --> 01:01:46,400

one of these speaker

1408

01:01:50,950 --> 01:01:48,559

the speakers at this conference

1409

01:01:53,589 --> 01:01:50,960

some of them may be just as credible as

1410

01:01:57,589 --> 01:01:53,599

those i am familiar with like michael

1411

01:01:59,589 --> 01:01:57,599

stratt jeremy rise and uh

1412

01:02:01,750 --> 01:01:59,599

i'll put darcy weir in there i don't

1413

01:02:03,829 --> 01:02:01,760

want to throw darcy where under the bus

1414

01:02:06,470 --> 01:02:03,839

uh i think darcy

1415

01:02:08,390 --> 01:02:06,480

means well he gets it wrong but he and i

1416

01:02:10,870 --> 01:02:08,400

have agreed to disagree on some things

1417

01:02:14,309 --> 01:02:10,880

and and he's okay with that he can take

1418

01:02:16,789 --> 01:02:14,319

that and he also told me something like

1419

01:02:18,630 --> 01:02:16,799

uh that phil schneider documentary was

1420

01:02:21,109 --> 01:02:18,640

early on in his

1421

01:02:22,789 --> 01:02:21,119

career making documentaries and he did

1422

01:02:25,589 --> 01:02:22,799

really want to believe it

1423

01:02:28,390 --> 01:02:25,599

and maybe he didn't do enough research

1424

01:02:30,950 --> 01:02:28,400

before he put the film together and in

1425

01:02:33,109 --> 01:02:30,960

high you know hindsight's always 20 20.

1426

01:02:35,190 --> 01:02:33,119

he feels differently about schneider and

1427

01:02:37,910 --> 01:02:35,200

and that whole thing

1428

01:02:39,349 --> 01:02:37,920

and uh you know

1429

01:02:43,750 --> 01:02:39,359

now

1430

01:02:46,630 --> 01:02:43,760

but i'm saying yeah opinions can change

1431

01:02:51,190 --> 01:02:46,640

if i were to have made a documentary

1432

01:02:52,870 --> 01:02:51,200

about ufos and aliens even 10 years ago

1433

01:02:54,630 --> 01:02:52,880

the documentary i would have made 10

1434

01:02:56,710 --> 01:02:54,640

years ago would have been vastly

1435

01:02:58,069 --> 01:02:56,720

different from a documentary that i make

1436

01:02:59,430 --> 01:02:58,079

today

1437

01:03:02,710 --> 01:02:59,440

because

1438

01:03:05,270 --> 01:03:02,720

sometimes you accept information

1439

01:03:07,190 --> 01:03:05,280

without doing the due diligence you

1440

01:03:09,270 --> 01:03:07,200

accept that information i should say and

1441

01:03:10,069 --> 01:03:09,280

then later you find out that you should

1442

01:03:12,309 --> 01:03:10,079

not

1443

01:03:14,309 --> 01:03:12,319

have accepted that information and

1444

01:03:16,710 --> 01:03:14,319

that's where i'm at and that's where i

1445

01:03:18,789 --> 01:03:16,720

find myself and so i can't fault

1446

01:03:21,829 --> 01:03:18,799

somebody like darcy weir for getting one

1447

01:03:24,549 --> 01:03:21,839

documentary extremely wrong or

1448

01:03:26,390 --> 01:03:24,559

let's just say darcy did not present the

1449

01:03:28,950 --> 01:03:26,400

other side of the evidence about phil

1450

01:03:30,470 --> 01:03:28,960

schneider had he done that i would

1451

01:03:32,710 --> 01:03:30,480

i would be perfectly okay with it but

1452

01:03:34,630 --> 01:03:32,720

that documentary he made about phil

1453

01:03:36,630 --> 01:03:34,640

schneider was largely

1454

01:03:38,789 --> 01:03:36,640

phil schneider's telling the truth and

1455

01:03:40,630 --> 01:03:38,799

no mention of him being a whack-a-doo

1456

01:03:42,950 --> 01:03:40,640

nutter a

1457

01:03:45,829 --> 01:03:42,960

mental patient who you know cut off his

1458

01:03:46,950 --> 01:03:45,839

own fingers and there's fbi files about

1459

01:03:48,230 --> 01:03:46,960

that guy

1460

01:03:51,750 --> 01:03:48,240

sleeping

1461

01:03:55,349 --> 01:03:51,760

with radioactive uranium stored under

1462

01:03:56,710 --> 01:03:55,359

his bed he was not mentally a well man

1463

01:03:59,510 --> 01:03:56,720

phil schneider

1464

01:04:01,510 --> 01:03:59,520

and uh i talked to darcy briefly about

1465

01:04:03,349 --> 01:04:01,520

this one time and we just

1466

01:04:04,309 --> 01:04:03,359

i understand his explanation he got it

1467

01:04:06,309 --> 01:04:04,319

wrong

1468

01:04:07,589 --> 01:04:06,319

and uh that could happen to all of us

1469

01:04:08,549 --> 01:04:07,599

and i'm sure

1470

01:04:11,190 --> 01:04:08,559

you know

1471

01:04:13,109 --> 01:04:11,200

but insofar as the rest of the speakers

1472

01:04:15,029 --> 01:04:13,119

i am currently looking into tony

1473

01:04:16,549 --> 01:04:15,039

rodriguez and what i can tell you about

1474

01:04:20,950 --> 01:04:16,559

him is

1475

01:04:24,789 --> 01:04:22,150

all right let's talk about tony

1476

01:04:25,670 --> 01:04:24,799

rodriguez what i do know about him

1477

01:04:27,670 --> 01:04:25,680

is

1478

01:04:30,230 --> 01:04:27,680

before deciding that he was a secret

1479

01:04:32,870 --> 01:04:30,240

space program insider and writing a book

1480

01:04:35,829 --> 01:04:32,880

and getting paid to speak at conferences

1481

01:04:37,510 --> 01:04:35,839

and by the way for those unaware

1482

01:04:38,390 --> 01:04:37,520

it is well known

1483

01:04:40,950 --> 01:04:38,400

that

1484

01:04:43,670 --> 01:04:40,960

tony rodriguez is

1485

01:04:46,390 --> 01:04:43,680

basically the de facto replacement for

1486

01:04:47,589 --> 01:04:46,400

corey goode at conferences

1487

01:04:50,630 --> 01:04:47,599

corey goode

1488

01:04:52,710 --> 01:04:50,640

was apparently and i've been told this

1489

01:04:54,870 --> 01:04:52,720

by several sources corey goode was very

1490

01:04:57,430 --> 01:04:54,880

difficult to work with at conferences

1491

01:05:02,150 --> 01:04:57,440

and he was an to everyone

1492

01:05:04,630 --> 01:05:02,160

and conference organizers did not worked

1493

01:05:06,150 --> 01:05:04,640

did conference organizers

1494

01:05:07,990 --> 01:05:06,160

especially after corey goode started

1495

01:05:09,990 --> 01:05:08,000

suing everybody they wanted to have

1496

01:05:12,710 --> 01:05:10,000

somebody talking about the secret space

1497

01:05:14,390 --> 01:05:12,720

program and those adventures in space

1498

01:05:18,789 --> 01:05:14,400

like corey good

1499

01:05:21,670 --> 01:05:18,799

and the way that he treated everyone and

1500

01:05:22,390 --> 01:05:21,680

his rock star attitude always uh you

1501

01:05:25,029 --> 01:05:22,400

know

1502

01:05:27,109 --> 01:05:25,039

having to be the center of attention and

1503

01:05:31,190 --> 01:05:27,119

in some cases he would demand that he

1504

01:05:33,270 --> 01:05:31,200

was the only ssp insider talking at a

1505

01:05:34,549 --> 01:05:33,280

conference and he wouldn't accept other

1506

01:05:37,670 --> 01:05:34,559

people

1507

01:05:39,109 --> 01:05:37,680

also claiming to be ssp insiders and

1508

01:05:41,349 --> 01:05:39,119

there's all this

1509

01:05:43,349 --> 01:05:41,359

drama about corey good and then he

1510

01:05:45,829 --> 01:05:43,359

started suing

1511

01:05:47,430 --> 01:05:45,839

he sued his former business manager he

1512

01:05:49,349 --> 01:05:47,440

sued uh

1513

01:05:53,029 --> 01:05:49,359

that young blood girl

1514

01:05:56,230 --> 01:05:53,039

who adrian youngblood who ran several

1515

01:05:58,950 --> 01:05:56,240

ufo ssp conferences and hired corey

1516

01:06:01,270 --> 01:05:58,960

goode he sued her so when corey good

1517

01:06:03,190 --> 01:06:01,280

starts suing people that run conferences

1518

01:06:05,430 --> 01:06:03,200

all the conferences said well we're not

1519

01:06:07,829 --> 01:06:05,440

hiring corey good anymore

1520

01:06:10,870 --> 01:06:07,839

and for whatever reason

1521

01:06:14,630 --> 01:06:10,880

tony rodriguez got the gig and tony

1522

01:06:17,750 --> 01:06:14,640

rodriguez is the kinder gentler not

1523

01:06:19,829 --> 01:06:17,760

version of corey good stories

1524

01:06:21,510 --> 01:06:19,839

that's essentially what i'm being told

1525

01:06:24,870 --> 01:06:21,520

by many many people

1526

01:06:29,109 --> 01:06:24,880

but i find that a conference that calls

1527

01:06:32,150 --> 01:06:29,119

somebody a ssp witness without any

1528

01:06:33,829 --> 01:06:32,160

evidence whatsoever and then sells that

1529

01:06:36,390 --> 01:06:33,839

conference for six hundred dollars to

1530

01:06:38,390 --> 01:06:36,400

people calling these people witnesses

1531

01:06:40,870 --> 01:06:38,400

and by the way you know who else is a

1532

01:06:42,950 --> 01:06:40,880

witness to the secret space program this

1533

01:06:45,270 --> 01:06:42,960

whack-a-doo that doesn't know how

1534

01:06:47,589 --> 01:06:45,280

magnets work

1535

01:06:48,789 --> 01:06:47,599

this is problematic for me

1536

01:06:51,190 --> 01:06:48,799

so

1537

01:06:53,750 --> 01:06:51,200

tonight's show was for you the audience

1538

01:06:54,870 --> 01:06:53,760

members who asked me to look into this

1539

01:06:57,430 --> 01:06:54,880

conference

1540

01:06:59,829 --> 01:06:57,440

investigate some of these people i am

1541

01:07:01,750 --> 01:06:59,839

aware as i was told there's some new

1542

01:07:02,710 --> 01:07:01,760

people this chris o'connor and by the

1543

01:07:06,069 --> 01:07:02,720

way

1544

01:07:08,069 --> 01:07:06,079

uh i heard from our secret insider who

1545

01:07:10,789 --> 01:07:08,079

attended the conference

1546

01:07:13,510 --> 01:07:10,799

and uh even got us a bunch of video

1547

01:07:14,789 --> 01:07:13,520

that this chris o'connor the magnet guy

1548

01:07:18,150 --> 01:07:14,799

flopped

1549

01:07:19,910 --> 01:07:18,160

terribly at that conference terribly so

1550

01:07:21,029 --> 01:07:19,920

he may not be back

1551

01:07:23,109 --> 01:07:21,039

but

1552

01:07:25,670 --> 01:07:23,119

he probably will get a little taste of

1553

01:07:30,710 --> 01:07:25,680

that ufo conference money

1554

01:07:32,230 --> 01:07:30,720

um i am not aware i i was uh for once i

1555

01:07:35,109 --> 01:07:32,240

was

1556

01:07:37,190 --> 01:07:35,119

too shy to ask questions to people that

1557

01:07:37,990 --> 01:07:37,200

i am friendly with that did speak there

1558

01:07:39,589 --> 01:07:38,000

like

1559

01:07:42,230 --> 01:07:39,599

michael stratton

1560

01:07:44,069 --> 01:07:42,240

and uh alien scientists i wanted to know

1561

01:07:46,309 --> 01:07:44,079

how much they got paid

1562

01:07:48,309 --> 01:07:46,319

uh but i didn't ask them because that's

1563

01:07:50,870 --> 01:07:48,319

probably personal and that's a little

1564

01:07:52,789 --> 01:07:50,880

too big of an ask between friendly

1565

01:07:54,309 --> 01:07:52,799

people i didn't feel comfortable asking

1566

01:07:57,910 --> 01:07:54,319

them how much they got paid to be a

1567

01:08:01,029 --> 01:07:57,920

speaker so i didn't uh other people may

1568

01:08:02,390 --> 01:08:01,039

feel differently about that

1569

01:08:03,670 --> 01:08:02,400

i uh

1570

01:08:05,349 --> 01:08:03,680

yeah so

1571

01:08:07,109 --> 01:08:05,359

many people asked me to look into this

1572

01:08:08,630 --> 01:08:07,119

conference i've looked into it and what

1573

01:08:10,870 --> 01:08:08,640

i can tell you is

1574

01:08:13,190 --> 01:08:10,880

if you've got that guy that doesn't even

1575

01:08:16,070 --> 01:08:13,200

understand how magnets work trying to

1576

01:08:18,789 --> 01:08:16,080

tell people about secret technology

1577

01:08:21,590 --> 01:08:18,799

that he's an insider about

1578

01:08:25,669 --> 01:08:21,600

that guy is completely and totally full

1579

01:08:26,630 --> 01:08:25,679

of nonsense now tony rodriguez

1580

01:08:29,430 --> 01:08:26,640

again

1581

01:08:32,229 --> 01:08:29,440

tony rodriguez story is much like corey

1582

01:08:35,189 --> 01:08:32,239

goods i believe that his story is one of

1583

01:08:36,309 --> 01:08:35,199

those stories that you cannot prove

1584

01:08:39,030 --> 01:08:36,319

is fake

1585

01:08:41,030 --> 01:08:39,040

and he cannot prove it's true

1586

01:08:42,630 --> 01:08:41,040

so it does there's something called

1587

01:08:45,189 --> 01:08:42,640

falsifiability

1588

01:08:46,870 --> 01:08:45,199

it means the ability to tell if

1589

01:08:49,829 --> 01:08:46,880

something is true

1590

01:08:51,990 --> 01:08:49,839

or false you should

1591

01:08:55,189 --> 01:08:52,000

for evidence to have value it has to

1592

01:08:57,030 --> 01:08:55,199

pass the test of falsifiability and that

1593

01:08:59,349 --> 01:08:57,040

means that you have to be able to either

1594

01:09:00,630 --> 01:08:59,359

prove that it's true or prove that it's

1595

01:09:02,950 --> 01:09:00,640

not true

1596

01:09:05,669 --> 01:09:02,960

most of these secret space program

1597

01:09:08,229 --> 01:09:05,679

insiders they

1598

01:09:10,789 --> 01:09:08,239

purposefully i believe

1599

01:09:13,110 --> 01:09:10,799

design their stories so that

1600

01:09:15,590 --> 01:09:13,120

although they can't prove it's true

1601
01:09:17,269 --> 01:09:15,600
you can't prove it's not true

1602
01:09:18,709 --> 01:09:17,279
and somehow that's enough for the

1603
01:09:21,269 --> 01:09:18,719
believers

1604
01:09:22,309 --> 01:09:21,279
and you know i have a real problem with

1605
01:09:27,349 --> 01:09:22,319
that

1606
01:09:29,430 --> 01:09:27,359
sample videos of

1607
01:09:33,829 --> 01:09:29,440
richard dolan speaking

1608
01:09:35,590 --> 01:09:33,839
and uh let's see uh nick pope

1609
01:09:36,470 --> 01:09:35,600
speaking

1610
01:09:38,709 --> 01:09:36,480
and

1611
01:09:40,709 --> 01:09:38,719
the both of those guys just repeated the

1612
01:09:43,430 --> 01:09:40,719
same crap that they've been saying for

1613
01:09:46,070 --> 01:09:43,440

years so nothing new there

1614

01:09:48,630 --> 01:09:46,080

we got the two wackadoos we got the

1615

01:09:50,470 --> 01:09:48,640

three credible people but i think that

1616

01:09:52,390 --> 01:09:50,480

the

1617

01:09:54,790 --> 01:09:52,400

if i were to pay this kind of money to

1618

01:09:56,229 --> 01:09:54,800

the conference i'd want my money back

1619

01:09:57,110 --> 01:09:56,239

because

1620

01:09:59,430 --> 01:09:57,120

uh

1621

01:10:00,550 --> 01:09:59,440

there's just the wackadoo ratio is too

1622

01:10:02,790 --> 01:10:00,560

high

1623

01:10:04,390 --> 01:10:02,800

and the speculative here's another thing

1624

01:10:06,390 --> 01:10:04,400

about these conferences they're all

1625

01:10:07,830 --> 01:10:06,400

marketed

1626

01:10:10,870 --> 01:10:07,840

in in this

1627

01:10:13,510 --> 01:10:10,880

gray area particular sort of way like

1628

01:10:16,070 --> 01:10:13,520

come to this conference we've got

1629

01:10:19,030 --> 01:10:16,080

secret information and our seek our

1630

01:10:20,550 --> 01:10:19,040

speakers all have secret information

1631

01:10:23,910 --> 01:10:20,560

that they're all going to share and

1632

01:10:26,070 --> 01:10:23,920

you'll be in on the secrets about this

1633

01:10:27,669 --> 01:10:26,080

and largely

1634

01:10:29,430 --> 01:10:27,679

the credible people

1635

01:10:31,030 --> 01:10:29,440

aren't really dropping any secrets

1636

01:10:32,470 --> 01:10:31,040

because their work is largely

1637

01:10:35,110 --> 01:10:32,480

speculative

1638

01:10:37,830 --> 01:10:35,120

and uh you know connecting a lot of dots

1639

01:10:39,430 --> 01:10:37,840

or maybe a history lesson

1640

01:10:40,950 --> 01:10:39,440

but it's all publicly available

1641

01:10:44,550 --> 01:10:40,960

information that they've cobbled

1642

01:10:47,590 --> 01:10:44,560

together through research efforts to

1643

01:10:48,550 --> 01:10:47,600

display for example darcy weir talked

1644

01:10:50,950 --> 01:10:48,560

about

1645

01:10:52,950 --> 01:10:50,960

nasa covering up

1646

01:10:55,669 --> 01:10:52,960

uh photographs of what's really on the

1647

01:10:57,510 --> 01:10:55,679

moon and yes there is some historical

1648

01:11:00,310 --> 01:10:57,520

you can go through the history and see

1649

01:11:02,470 --> 01:11:00,320

that there is some evidence that nasa

1650

01:11:04,229 --> 01:11:02,480

has done that so he cobbles all of that

1651
01:11:06,229 --> 01:11:04,239
together but it's all

1652
01:11:07,990 --> 01:11:06,239
from public sources

1653
01:11:09,910 --> 01:11:08,000
so he doesn't have any secret

1654
01:11:11,830 --> 01:11:09,920
information to share it's all public

1655
01:11:13,030 --> 01:11:11,840
source knowledge that he's gathered

1656
01:11:15,189 --> 01:11:13,040
together

1657
01:11:16,709 --> 01:11:15,199
and uh i don't want to speak for the

1658
01:11:18,709 --> 01:11:16,719
others because i haven't seen their

1659
01:11:21,189 --> 01:11:18,719
presentations but i think the same could

1660
01:11:21,990 --> 01:11:21,199
probably be said for michael schratt or

1661
01:11:23,830 --> 01:11:22,000
uh

1662
01:11:25,430 --> 01:11:23,840
or jeremy rise

1663
01:11:28,229 --> 01:11:25,440

so no

1664

01:11:30,310 --> 01:11:28,239

no new revelations from them and by the

1665

01:11:32,390 --> 01:11:30,320

way i like their work and i think that

1666

01:11:33,189 --> 01:11:32,400

their work is very valuable

1667

01:11:36,310 --> 01:11:33,199

but

1668

01:11:38,709 --> 01:11:36,320

the way that this stuff is marketed it's

1669

01:11:41,110 --> 01:11:38,719

marketed like we've got all of these

1670

01:11:43,669 --> 01:11:41,120

guys that have all the secrets

1671

01:11:45,510 --> 01:11:43,679

and you too can learn all the secrets

1672

01:11:48,229 --> 01:11:45,520

for six hundred dollars

1673

01:11:51,110 --> 01:11:48,239

and uh then they throw in these

1674

01:11:53,030 --> 01:11:51,120

wackadoos right telling all kinds of

1675

01:11:56,630 --> 01:11:53,040

fantastical stories

1676

01:11:59,110 --> 01:11:56,640

i'm not fully versed and uh

1677

01:12:00,470 --> 01:11:59,120

very knowledgeable on tony rodriguez but

1678

01:12:02,790 --> 01:12:00,480

i'm sure he's

1679

01:12:04,950 --> 01:12:02,800

you know often space battling aliens

1680

01:12:07,270 --> 01:12:04,960

though i do think that rodriguez took

1681

01:12:09,030 --> 01:12:07,280

corey goode's narrative and

1682

01:12:11,830 --> 01:12:09,040

dumbed it down and made it less

1683

01:12:13,910 --> 01:12:11,840

fantastical like he basically said they

1684

01:12:17,110 --> 01:12:13,920

started out as like a janitor for the

1685

01:12:19,189 --> 01:12:17,120

secret space program a laborer

1686

01:12:21,189 --> 01:12:19,199

so it's not quite as fantastical but i

1687

01:12:23,590 --> 01:12:21,199

haven't gotten deep enough in to see if

1688

01:12:26,550 --> 01:12:23,600

he becomes an ambassador or you know a

1689

01:12:28,950 --> 01:12:26,560

secret space hero later in his

1690

01:12:29,830 --> 01:12:28,960

adventures in space

1691

01:12:31,910 --> 01:12:29,840

um

1692

01:12:33,189 --> 01:12:31,920

i i don't understand these conferences

1693

01:12:34,709 --> 01:12:33,199

and i certainly don't understand

1694

01:12:36,950 --> 01:12:34,719

somebody who would spend six hundred

1695

01:12:38,630 --> 01:12:36,960

dollars to listen to these people

1696

01:12:40,390 --> 01:12:38,640

talk

1697

01:12:43,030 --> 01:12:40,400

so we'll take some comments and

1698

01:12:45,189 --> 01:12:43,040

questions from the live chat uh i will

1699

01:12:47,830 --> 01:12:45,199

be looking into the other speakers and

1700

01:12:50,630 --> 01:12:47,840

we'll probably do uh multiple parts of

1701
01:12:52,790 --> 01:12:50,640
this because if i find more wackadoos

1702
01:12:54,229 --> 01:12:52,800
i'm gonna bring you my friends the

1703
01:12:56,070 --> 01:12:54,239
wackadooness

1704
01:12:57,750 --> 01:12:56,080
that's what we're gonna do we're gonna

1705
01:12:59,990 --> 01:12:57,760
look through these speakers see what

1706
01:13:02,550 --> 01:13:00,000
kind of stuff that they're sharing

1707
01:13:04,310 --> 01:13:02,560
and if they're sharing wackadoo we'll

1708
01:13:06,390 --> 01:13:04,320
let you know that there's another

1709
01:13:08,470 --> 01:13:06,400
wackadoo with this conference sharing

1710
01:13:11,990 --> 01:13:08,480
garbage information

1711
01:13:14,790 --> 01:13:12,000
uh i my favorite so far was the magnet

1712
01:13:17,750 --> 01:13:14,800
guy though like the fact that he has no

1713
01:13:19,189 --> 01:13:17,760

idea how magnets actually work but he's

1714

01:13:21,110 --> 01:13:19,199

going to stand there with a straight

1715

01:13:22,790 --> 01:13:21,120

face and tell everybody that he created

1716

01:13:24,709 --> 01:13:22,800

a revolutionary

1717

01:13:27,510 --> 01:13:24,719

medical device made out of magnets

1718

01:13:31,030 --> 01:13:27,520

beeswax and crystals

1719

01:13:32,470 --> 01:13:31,040

based on secret space program technology

1720

01:13:33,830 --> 01:13:32,480

he witnessed

1721

01:13:35,830 --> 01:13:33,840

and then he doesn't even know how

1722

01:13:37,750 --> 01:13:35,840

magnets really work

1723

01:13:43,669 --> 01:13:37,760

that's priceless friends it's really

1724

01:13:48,149 --> 01:13:45,189

anthony purcell what's supposed to

1725

01:13:50,229 --> 01:13:48,159

happen on september 24th anthony purcell

1726

01:13:52,310 --> 01:13:50,239

maybe i'm uh not

1727

01:13:54,229 --> 01:13:52,320

uh up on that

1728

01:13:55,910 --> 01:13:54,239

richard warner says these conferences

1729

01:13:58,149 --> 01:13:55,920

are nothing but a money train for these

1730

01:14:01,270 --> 01:13:58,159

ufo so-called researchers to make a

1731

01:14:02,470 --> 01:14:01,280

living yeah

1732

01:14:04,630 --> 01:14:02,480

and i'm sure

1733

01:14:08,550 --> 01:14:04,640

that the ufo guys are happy because the

1734

01:14:12,950 --> 01:14:10,950

but maybe some of them who are revealed

1735

01:14:14,390 --> 01:14:12,960

to be huge bullshitters during the

1736

01:14:16,390 --> 01:14:14,400

pandemic time

1737

01:14:17,910 --> 01:14:16,400

should not be welcome there anymore do i

1738

01:14:21,189 --> 01:14:17,920

think that's going to happen

1739

01:14:24,950 --> 01:14:23,189

anthony purcell says all these people

1740

01:14:26,470 --> 01:14:24,960

that attend the conference walk away

1741

01:14:28,470 --> 01:14:26,480

like there's like they're so much

1742

01:14:29,750 --> 01:14:28,480

smarter smarter and know what the hell

1743

01:14:30,870 --> 01:14:29,760

is going on

1744

01:14:32,470 --> 01:14:30,880

i agree

1745

01:14:35,270 --> 01:14:32,480

that's what you're paying for you're

1746

01:14:37,669 --> 01:14:35,280

paying to attend the conference and then

1747

01:14:40,950 --> 01:14:37,679

you get to pretend that you're in on the

1748

01:14:43,510 --> 01:14:40,960

secrets but no secrets are ever dropped

1749

01:14:45,990 --> 01:14:43,520

it's all public information

1750

01:14:47,990 --> 01:14:46,000

and uh speculation

1751

01:14:50,070 --> 01:14:48,000

that's what you get from the speakers

1752

01:14:51,110 --> 01:14:50,080

largely public information cobbled

1753

01:14:52,149 --> 01:14:51,120

together

1754

01:14:53,830 --> 01:14:52,159

and

1755

01:14:56,229 --> 01:14:53,840

speculation

1756

01:14:58,550 --> 01:14:56,239

and there's nothing wrong with that but

1757

01:15:00,709 --> 01:14:58,560

again we've talked about this before

1758

01:15:03,030 --> 01:15:00,719

that these conferences work

1759

01:15:06,070 --> 01:15:03,040

exactly how i've described they over

1760

01:15:08,470 --> 01:15:06,080

promise and then they under deliver

1761

01:15:10,870 --> 01:15:08,480

this guy's uh who ran this conference is

1762

01:15:12,030 --> 01:15:10,880

a space is essentially

1763

01:15:15,270 --> 01:15:12,040

telling

1764

01:15:17,350 --> 01:15:15,280

ceos and technology companies that

1765

01:15:18,950 --> 01:15:17,360

they've got secret information about the

1766

01:15:21,430 --> 01:15:18,960

secret space program and these

1767

01:15:23,030 --> 01:15:21,440

technologies are emerging now

1768

01:15:25,430 --> 01:15:23,040

and will soon be available in the

1769

01:15:28,390 --> 01:15:25,440

private sector and then what does it

1770

01:15:31,110 --> 01:15:28,400

give you a guy with freaking magnets and

1771

01:15:32,550 --> 01:15:31,120

beeswax telling you he can cure chronic

1772

01:15:34,470 --> 01:15:32,560

pain

1773

01:15:37,110 --> 01:15:34,480

that doesn't even know how magnets work

1774

01:15:38,870 --> 01:15:37,120

so again we see this

1775

01:15:39,750 --> 01:15:38,880

i keep saying it i'm going to say it

1776

01:15:41,270 --> 01:15:39,760

again

1777

01:15:43,830 --> 01:15:41,280

over promise

1778

01:15:46,870 --> 01:15:43,840

under deliver and then you get the let

1779

01:15:48,790 --> 01:15:46,880

down and by the way i am aware of one

1780

01:15:50,830 --> 01:15:48,800

person friendly to the show who went to

1781

01:15:53,750 --> 01:15:50,840

the conference

1782

01:15:56,149 --> 01:15:53,760

um and i haven't asked him but i'm

1783

01:15:57,830 --> 01:15:56,159

assuming based on his comments and some

1784

01:15:58,950 --> 01:15:57,840

of the messages that he sent me over the

1785

01:16:01,510 --> 01:15:58,960

weekend

1786

01:16:04,310 --> 01:16:01,520

while he was listening to this

1787

01:16:06,790 --> 01:16:04,320

conference and attending it that he

1788

01:16:11,990 --> 01:16:06,800

experienced what everyone experiences

1789

01:16:16,149 --> 01:16:14,070

the obsession with tall white aliens has

1790

01:16:19,189 --> 01:16:16,159

always bugged me it's a rewrite of nazi

1791

01:16:21,669 --> 01:16:19,199

propaganda oh that reminds me uh some

1792

01:16:24,149 --> 01:16:21,679

other show business that i have to

1793

01:16:26,470 --> 01:16:24,159

that i have to discuss this is something

1794

01:16:29,750 --> 01:16:26,480

i couldn't believe that this happened

1795

01:16:37,669 --> 01:16:32,390

so it would appear

1796

01:16:42,149 --> 01:16:40,070

let's uh

1797

01:16:44,470 --> 01:16:42,159

let me find something

1798

01:16:46,709 --> 01:16:44,480

so it would appear that this marina

1799

01:16:49,430 --> 01:16:46,719

sarin who um

1800

01:16:51,270 --> 01:16:49,440

didn't like our coverage and bounced she

1801
01:16:53,030 --> 01:16:51,280
she bailed

1802
01:16:53,360 --> 01:16:53,040
out of an interview

1803
01:16:56,630 --> 01:16:53,370
um

1804
01:16:56,640 --> 01:16:58,950
wow

1805
01:17:02,870 --> 01:17:01,350
uh a little known thing that got sort of

1806
01:17:04,950 --> 01:17:02,880
lost

1807
01:17:06,870 --> 01:17:04,960
about this marina sarin story and

1808
01:17:08,470 --> 01:17:06,880
honestly i forgot to mention it because

1809
01:17:10,950 --> 01:17:08,480
most people were talking about this

1810
01:17:13,350 --> 01:17:10,960
marina sarin with ties to nazi

1811
01:17:16,630 --> 01:17:13,360
apologists and sympathizers and even

1812
01:17:19,669 --> 01:17:16,640
promoters of nazi ideology

1813
01:17:21,510 --> 01:17:19,679

appeared at a at a conference a ufo

1814

01:17:25,030 --> 01:17:21,520

conference in spain

1815

01:17:28,149 --> 01:17:25,040

and uh appeared in a photo

1816

01:17:29,350 --> 01:17:28,159

with christopher mellon

1817

01:17:30,630 --> 01:17:29,360

and many people were saying that

1818

01:17:32,070 --> 01:17:30,640

christopher mellon shouldn't have done

1819

01:17:33,750 --> 01:17:32,080

that he should know better he should

1820

01:17:35,830 --> 01:17:33,760

make a statement

1821

01:17:38,070 --> 01:17:35,840

um and he to my knowledge christopher

1822

01:17:39,990 --> 01:17:38,080

mellon has not made any statement people

1823

01:17:41,590 --> 01:17:40,000

attacked me

1824

01:17:44,229 --> 01:17:41,600

for covering the story

1825

01:17:45,990 --> 01:17:44,239

hey uh it's christopher mellon's the one

1826

01:17:48,630 --> 01:17:46,000

do i think that he knew that she had

1827

01:17:50,790 --> 01:17:48,640

nazi ties probably not i'll give him the

1828

01:17:52,390 --> 01:17:50,800

benefit of the doubt but now that he

1829

01:17:53,270 --> 01:17:52,400

knows that he took a picture with a

1830

01:17:56,229 --> 01:17:53,280

known

1831

01:17:59,189 --> 01:17:56,239

uh nazi propagandist nazi apologist

1832

01:18:02,790 --> 01:17:59,199

somebody promoting the real ideology and

1833

01:18:05,990 --> 01:18:02,800

the nazi ufos and all that stuff and who

1834

01:18:07,270 --> 01:18:06,000

by the way marina sarin called youtube

1835

01:18:11,270 --> 01:18:07,280

youtube

1836

01:18:13,510 --> 01:18:11,280

so she is a racist and uh an anti-semite

1837

01:18:14,950 --> 01:18:13,520

for sure

1838

01:18:17,750 --> 01:18:14,960

and she claimed that there was some

1839

01:18:20,709 --> 01:18:17,760

jewish conspiracy to hide her videos on

1840

01:18:23,590 --> 01:18:20,719

youtube and then she called them youtube

1841

01:18:25,510 --> 01:18:23,600

uh see our previous coverage of that but

1842

01:18:27,590 --> 01:18:25,520

one part of the story that i missed is

1843

01:18:29,189 --> 01:18:27,600

that not only did marina sarah and this

1844

01:18:32,070 --> 01:18:29,199

nazi girl and we're just going to call

1845

01:18:34,790 --> 01:18:32,080

her nazi girl for the benefit of ease i

1846

01:18:38,070 --> 01:18:34,800

i don't want to keep saying nazi uh

1847

01:18:39,669 --> 01:18:38,080

sympathizer nazi apologist uh

1848

01:18:41,510 --> 01:18:39,679

nazi

1849

01:18:43,990 --> 01:18:41,520

interested party

1850

01:18:46,070 --> 01:18:44,000

espousing ideals of nazi

1851

01:18:48,630 --> 01:18:46,080

nazi ideology

1852

01:18:50,950 --> 01:18:48,640

or glorifying nazi

1853

01:18:53,030 --> 01:18:50,960

fake history and ideology

1854

01:18:55,189 --> 01:18:53,040

so not only did this girl take a picture

1855

01:18:57,910 --> 01:18:55,199

with christopher mellon she also took a

1856

01:18:59,669 --> 01:18:57,920

picture with our favorite ufo researcher

1857

01:19:01,669 --> 01:18:59,679

here

1858

01:19:03,910 --> 01:19:01,679

linda moulton hale

1859

01:19:06,630 --> 01:19:03,920

and

1860

01:19:08,470 --> 01:19:06,640

uh i forgot that she had done that by

1861

01:19:11,350 --> 01:19:08,480

the way i mean i don't know if that's

1862

01:19:14,950 --> 01:19:11,360

lighting or if that's like filters but

1863

01:19:17,830 --> 01:19:16,709

linda molten hell must be really short

1864

01:19:20,790 --> 01:19:17,840

too

1865

01:19:24,310 --> 01:19:20,800

anyway oh yes she is actually

1866

01:19:26,310 --> 01:19:24,320

i met her one time so uh listen

1867

01:19:29,750 --> 01:19:26,320

so

1868

01:19:32,070 --> 01:19:29,760

went after

1869

01:19:34,870 --> 01:19:32,080

uh linda moulton hale for taking a

1870

01:19:37,430 --> 01:19:34,880

picture with the with the nazi girl

1871

01:19:39,510 --> 01:19:37,440

and here's where it gets weird friends

1872

01:19:41,910 --> 01:19:39,520

because everybody if you're not aware we

1873

01:19:43,990 --> 01:19:41,920

have very critically covered linda

1874

01:19:46,630 --> 01:19:44,000

molten hale in the past we caught her

1875

01:19:47,990 --> 01:19:46,640

using fake alien pictures pretending and

1876

01:19:51,110 --> 01:19:48,000

saying that they were

1877

01:19:52,070 --> 01:19:51,120

real alien pictures multiple times twice

1878

01:19:54,070 --> 01:19:52,080

now

1879

01:19:57,510 --> 01:19:54,080

and other things that we have covered

1880

01:19:59,750 --> 01:19:57,520

that we think that she is not credible

1881

01:20:02,550 --> 01:19:59,760

but to her credit

1882

01:20:04,310 --> 01:20:02,560

i couldn't believe that this happened

1883

01:20:06,390 --> 01:20:04,320

linda mullen hal

1884

01:20:10,470 --> 01:20:06,400

put our video

1885

01:20:12,470 --> 01:20:10,480

on her youtube channel that has 218 000

1886

01:20:13,510 --> 01:20:12,480

subscribers

1887

01:20:18,870 --> 01:20:13,520

now

1888

01:20:21,830 --> 01:20:18,880

i'm assuming that she is

1889

01:20:22,709 --> 01:20:21,840

virtue signaling or letting her viewers

1890

01:20:25,910 --> 01:20:22,719

know

1891

01:20:29,270 --> 01:20:25,920

that she does not agree with the nazi

1892

01:20:32,630 --> 01:20:29,280

ideas that this girl marina sarin

1893

01:20:36,070 --> 01:20:32,640

uh espouses or promotes and she does not

1894

01:20:38,470 --> 01:20:36,080

agree apparently with this marina sarin

1895

01:20:40,149 --> 01:20:38,480

saying things like there's good nazis

1896

01:20:45,030 --> 01:20:40,159

and bad nazis

1897

01:20:47,270 --> 01:20:45,040

or apologizing or rewriting nazi history

1898

01:20:49,270 --> 01:20:47,280

this a bunch of people sent me this over

1899

01:20:50,790 --> 01:20:49,280

the weekend and i had to go see i'm like

1900

01:20:52,470 --> 01:20:50,800

you're kidding me

1901
01:20:54,790 --> 01:20:52,480
she put

1902
01:20:56,229 --> 01:20:54,800
as critical as we were to linda moulton

1903
01:20:59,189 --> 01:20:56,239
howe

1904
01:21:01,910 --> 01:20:59,199
she put our video covering the marina

1905
01:21:04,310 --> 01:21:01,920
sarin christopher mellon controversy

1906
01:21:05,669 --> 01:21:04,320
on her youtube channel for her viewers

1907
01:21:07,830 --> 01:21:05,679
to watch

1908
01:21:09,189 --> 01:21:07,840
so i want to thank her maybe she's not

1909
01:21:11,350 --> 01:21:09,199
all bad

1910
01:21:12,550 --> 01:21:11,360
i do believe in a road to redemption for

1911
01:21:15,270 --> 01:21:12,560
all people

1912
01:21:17,590 --> 01:21:15,280
and uh hey if

1913
01:21:20,470 --> 01:21:17,600

you know

1914

01:21:22,229 --> 01:21:20,480

i it's not my place to forgive linda

1915

01:21:24,470 --> 01:21:22,239

molten hale for scamming people with

1916

01:21:26,470 --> 01:21:24,480

fake alien pictures but

1917

01:21:27,590 --> 01:21:26,480

i don't hold any ill will towards her

1918

01:21:29,430 --> 01:21:27,600

and in fact

1919

01:21:31,430 --> 01:21:29,440

this made me

1920

01:21:33,030 --> 01:21:31,440

respect her a little bit because at

1921

01:21:35,270 --> 01:21:33,040

least

1922

01:21:36,229 --> 01:21:35,280

though she may sell fake to stupid

1923

01:21:37,590 --> 01:21:36,239

people

1924

01:21:40,310 --> 01:21:37,600

at least

1925

01:21:43,030 --> 01:21:40,320

she is signaling that she doesn't agree

1926

01:21:44,550 --> 01:21:43,040

with this girl's nazi

1927

01:21:47,030 --> 01:21:44,560

stuff

1928

01:21:49,590 --> 01:21:47,040

and uh that's a positive

1929

01:21:51,590 --> 01:21:49,600

so good for linda moulton hale

1930

01:21:53,910 --> 01:21:51,600

i couldn't believe that that happened

1931

01:21:55,510 --> 01:21:53,920

and never in a million years would i

1932

01:21:58,070 --> 01:21:55,520

think that linda mullen hal would share

1933

01:22:00,229 --> 01:21:58,080

one of my videos but she did

1934

01:22:02,070 --> 01:22:00,239

and uh we've gotten a lot of compliments

1935

01:22:04,229 --> 01:22:02,080

over our coverage in the marina saran

1936

01:22:06,629 --> 01:22:04,239

story i should mention we did try to

1937

01:22:07,629 --> 01:22:06,639

interview her and she no showed

1938

01:22:11,510 --> 01:22:07,639

so

1939

01:22:13,270 --> 01:22:11,520

um yeah sweet caroline is here and says

1940

01:22:15,510 --> 01:22:13,280

thank you linda so any questions or

1941

01:22:18,070 --> 01:22:15,520

comments from me

1942

01:22:20,550 --> 01:22:18,080

please do put them in all capital

1943

01:22:23,189 --> 01:22:20,560

letters mysterious moon basis is linda

1944

01:22:29,990 --> 01:22:23,199

martin how did people buy my

1945

01:22:33,189 --> 01:22:31,669

why are you hating on botox all my

1946

01:22:37,510 --> 01:22:33,199

friends in hollywood would do that for

1947

01:22:42,229 --> 01:22:39,590

yeah

1948

01:22:43,350 --> 01:22:42,239

arlene atkinsell says where are the

1949

01:22:46,550 --> 01:22:43,360

social

1950

01:22:49,030 --> 01:22:46,560

can't believe this chick is getting away

1951

01:22:51,270 --> 01:22:49,040

with this crap on social media and she's

1952

01:22:53,350 --> 01:22:51,280

doubling down too she didn't apologize

1953

01:22:54,709 --> 01:22:53,360

for any of her stuff she's saying more

1954

01:22:57,189 --> 01:22:54,719

stupid

1955

01:22:59,350 --> 01:22:57,199

and i'm not gonna

1956

01:23:01,590 --> 01:22:59,360

waste show time here sharing it but you

1957

01:23:03,750 --> 01:23:01,600

can look on her twitter look on her

1958

01:23:07,030 --> 01:23:03,760

instagram and on her facebook and she's

1959

01:23:09,270 --> 01:23:07,040

doubling down on all the nazi apologism

1960

01:23:12,629 --> 01:23:09,280

saying that people get it wrong

1961

01:23:16,870 --> 01:23:12,639

and she's right there are good nazis and

1962

01:23:20,950 --> 01:23:18,870

b baker says lindaman hale needs to make

1963

01:23:21,990 --> 01:23:20,960

a public statement has chris mellon made

1964

01:23:25,990 --> 01:23:22,000

one yet

1965

01:23:32,550 --> 01:23:28,310

and i believe both

1966

01:23:34,470 --> 01:23:32,560

no uh i am fanuel was she not aware

1967

01:23:36,390 --> 01:23:34,480

before taking a picture with her we have

1968

01:23:38,070 --> 01:23:36,400

to give the people that took pictures

1969

01:23:39,030 --> 01:23:38,080

with the nazi girl the benefit of the

1970

01:23:41,510 --> 01:23:39,040

doubt

1971

01:23:44,070 --> 01:23:41,520

and say they didn't know

1972

01:23:46,390 --> 01:23:44,080

but once you know you should that you

1973

01:23:48,390 --> 01:23:46,400

took a picture with a girl as calling

1974

01:23:50,870 --> 01:23:48,400

youtube youtube

1975

01:23:52,950 --> 01:23:50,880

and making anti-semitic remarks and

1976

01:23:55,189 --> 01:23:52,960

apologizing for the nazis and saying

1977

01:23:56,709 --> 01:23:55,199

there's good guy nazis and they were

1978

01:23:58,310 --> 01:23:56,719

working with the good aliens and all

1979

01:24:00,149 --> 01:23:58,320

this nonsense

1980

01:24:02,470 --> 01:24:00,159

once you're aware you took a picture

1981

01:24:04,629 --> 01:24:02,480

with someone like that you should make a

1982

01:24:06,550 --> 01:24:04,639

statement and to my knowledge neither

1983

01:24:08,870 --> 01:24:06,560

linda moulton hale or christopher mellon

1984

01:24:10,149 --> 01:24:08,880

who both took pictures with that girl

1985

01:24:12,070 --> 01:24:10,159

did so

1986

01:24:14,950 --> 01:24:12,080

and i think that they should

1987

01:24:17,669 --> 01:24:14,960

i think they should

1988

01:24:21,830 --> 01:24:17,679

linda moulton hal is known for actually

1989

01:24:24,629 --> 01:24:23,030

yeah

1990

01:24:26,310 --> 01:24:24,639

somebody tells linda molten hal a story

1991

01:24:27,910 --> 01:24:26,320

about aliens and she runs with it she

1992

01:24:29,990 --> 01:24:27,920

doesn't stop to

1993

01:24:32,229 --> 01:24:30,000

do any fact checking or checking into

1994

01:24:34,310 --> 01:24:32,239

that person's background or history or

1995

01:24:36,229 --> 01:24:34,320

anything

1996

01:24:37,990 --> 01:24:36,239

ex-annihilator

1997

01:24:39,590 --> 01:24:38,000

you're supposed to know every stranger

1998

01:24:42,149 --> 01:24:39,600

you meet no

1999

01:24:44,709 --> 01:24:42,159

i'm telling you i'll say it again

2000

01:24:47,669 --> 01:24:44,719

i give anybody who takes a picture with

2001

01:24:50,229 --> 01:24:47,679

the nazi apologist an anti-semite

2002

01:24:53,110 --> 01:24:50,239

calling youtube youtube and claiming

2003

01:24:55,350 --> 01:24:53,120

there's a jewish conspiracy to

2004

01:24:57,590 --> 01:24:55,360

downvote her videos or something i give

2005

01:24:59,830 --> 01:24:57,600

all those people the benefit of the

2006

01:25:01,510 --> 01:24:59,840

doubt that they didn't know

2007

01:25:03,189 --> 01:25:01,520

but once it becomes it was a big

2008

01:25:06,790 --> 01:25:03,199

controversy once it becomes a big

2009

01:25:08,870 --> 01:25:06,800

controversy and you get to know oh i

2010

01:25:11,270 --> 01:25:08,880

took a picture at a ufo conference with

2011

01:25:13,189 --> 01:25:11,280

this girl calling youtube youtube and

2012

01:25:14,390 --> 01:25:13,199

talking about jewish conspiracies

2013

01:25:17,590 --> 01:25:14,400

against her

2014

01:25:19,910 --> 01:25:17,600

espousing and uh glorifying nazi

2015

01:25:21,750 --> 01:25:19,920

ideology and the drill and all this

2016

01:25:23,669 --> 01:25:21,760

other stuff and saying things like

2017

01:25:24,709 --> 01:25:23,679

there's good nazis

2018

01:25:27,110 --> 01:25:24,719

um

2019

01:25:29,750 --> 01:25:27,120

apologizing for nazis saying people got

2020

01:25:30,709 --> 01:25:29,760

the history of the nazis wrong

2021

01:25:33,030 --> 01:25:30,719

um

2022

01:25:34,390 --> 01:25:33,040

you know rewriting nazi history once you

2023

01:25:36,550 --> 01:25:34,400

know that you took a picture with

2024

01:25:38,629 --> 01:25:36,560

someone like that x annihilator you

2025

01:25:41,110 --> 01:25:38,639

should make a statement simply saying

2026

01:25:45,189 --> 01:25:41,120

you don't agree with that person's

2027

01:25:47,910 --> 01:25:45,199

statements on social media or philosophy

2028

01:25:51,830 --> 01:25:47,920

b baker says mellon is probably a cia

2029

01:25:55,430 --> 01:25:53,110

well

2030

01:25:58,229 --> 01:25:55,440

i would think i would think that he knew

2031

01:26:00,310 --> 01:25:58,239

is good nazi and oxymoron someone helped

2032

01:26:01,590 --> 01:26:00,320

this poor girl she needs it we tried i

2033

01:26:04,229 --> 01:26:01,600

tried to reach out to her i was going to

2034

01:26:07,270 --> 01:26:04,239

try to educate her on real nazi history

2035

01:26:09,590 --> 01:26:07,280

she didn't want to talk she uh no showed

2036

01:26:11,189 --> 01:26:09,600

and ghosted me shortly before our

2037

01:26:12,550 --> 01:26:11,199

scheduled interview

2038

01:26:15,910 --> 01:26:12,560

then

2039

01:26:17,189 --> 01:26:15,920

time wrong but that's

2040

01:26:19,669 --> 01:26:17,199

fake because i could show you a

2041

01:26:22,550 --> 01:26:19,679

screenshot where

2042

01:26:24,790 --> 01:26:22,560

i think it was something like at 2pm

2043

01:26:27,270 --> 01:26:24,800

i messaged her and i said are we still

2044

01:26:29,830 --> 01:26:27,280

on for tonight's interview at 9pm

2045

01:26:31,910 --> 01:26:29,840

eastern standard time she messaged back

2046

01:26:33,270 --> 01:26:31,920

yes ready to go

2047

01:26:35,350 --> 01:26:33,280

so

2048

01:26:37,910 --> 01:26:35,360

then she ghosted me for the rest of the

2049

01:26:39,910 --> 01:26:37,920

day and no show she

2050

01:26:41,910 --> 01:26:39,920

she didn't get the date and time wrong

2051
01:26:44,709 --> 01:26:41,920
she lied she

2052
01:26:46,870 --> 01:26:44,719
figured out that that wasn't going to be

2053
01:26:48,310 --> 01:26:46,880
i wasn't going to be a simp interview

2054
01:26:49,669 --> 01:26:48,320
for her seems like everybody that

2055
01:26:51,590 --> 01:26:49,679
interviews her

2056
01:26:52,790 --> 01:26:51,600
and by the way i i don't know i don't

2057
01:26:55,110 --> 01:26:52,800
understand

2058
01:26:57,510 --> 01:26:55,120
do i think that maybe some men might

2059
01:26:58,950 --> 01:26:57,520
find her attractive i guess blond hair

2060
01:26:59,990 --> 01:26:58,960
blue eyes thin

2061
01:27:02,550 --> 01:27:00,000
maybe

2062
01:27:04,229 --> 01:27:02,560
not my cup of tea i don't understand but

2063
01:27:06,149 --> 01:27:04,239

it seems to me that there's an aw she's

2064

01:27:07,510 --> 01:27:06,159

got an awful lot of sims and i don't

2065

01:27:09,350 --> 01:27:07,520

like that word

2066

01:27:11,430 --> 01:27:09,360

uh because people have accused me of

2067

01:27:14,629 --> 01:27:11,440

simping for people

2068

01:27:16,310 --> 01:27:14,639

females that i was not even attracted to

2069

01:27:18,709 --> 01:27:16,320

guests or whatever

2070

01:27:20,229 --> 01:27:18,719

um so i don't generally like to call

2071

01:27:23,270 --> 01:27:20,239

people

2072

01:27:25,669 --> 01:27:23,280

i don't like that term but in her case

2073

01:27:27,910 --> 01:27:25,679

there's a whole lot of men on her social

2074

01:27:30,550 --> 01:27:27,920

media that cheer her on every time she

2075

01:27:33,030 --> 01:27:30,560

talks about those good nazis sweet

2076
01:27:35,189 --> 01:27:33,040
caroline or things no matter what she

2077
01:27:37,110 --> 01:27:35,199
talks about there's men cheering her on

2078
01:27:38,229 --> 01:27:37,120
which is simping

2079
01:27:39,750 --> 01:27:38,239
really

2080
01:27:42,229 --> 01:27:39,760
okay

2081
01:27:48,149 --> 01:27:42,239
oh you're right september 24th is a big

2082
01:27:51,510 --> 01:27:49,990
red heifers there's a red moon something

2083
01:27:53,350 --> 01:27:51,520
about the feast of the tabernacles

2084
01:27:55,910 --> 01:27:53,360
revelations is more than i could explain

2085
01:27:57,270 --> 01:27:55,920
i thought you should cover it we should

2086
01:27:59,030 --> 01:27:57,280
and you know what

2087
01:28:00,470 --> 01:27:59,040
we've only got a few days to do it but i

2088
01:28:02,310 --> 01:28:00,480

will

2089

01:28:03,030 --> 01:28:02,320

but what i can tell you anthony purcell

2090

01:28:12,790 --> 01:28:03,040

is

2091

01:28:14,709 --> 01:28:12,800

said that no man can know the date of

2092

01:28:18,229 --> 01:28:14,719

the end times

2093

01:28:19,430 --> 01:28:18,239

and uh god has warned against prophets

2094

01:28:21,590 --> 01:28:19,440

predicting

2095

01:28:23,110 --> 01:28:21,600

the time of the apocalypse

2096

01:28:26,229 --> 01:28:23,120

apparently

2097

01:28:28,629 --> 01:28:26,239

according to god no man can know that i

2098

01:28:29,830 --> 01:28:28,639

i assume unless god lets somebody in on

2099

01:28:32,229 --> 01:28:29,840

the secret

2100

01:28:33,510 --> 01:28:32,239

there's an awful lot of televangelists

2101
01:28:36,629 --> 01:28:33,520
and hucksters

2102
01:28:39,430 --> 01:28:36,639
selling things like um you know

2103
01:28:41,510 --> 01:28:39,440
emergency food rations for 30 days for

2104
01:28:42,470 --> 01:28:41,520
your family for 500

2105
01:28:44,709 --> 01:28:42,480
because

2106
01:28:46,870 --> 01:28:44,719
you know there's great turmoil coming

2107
01:28:48,950 --> 01:28:46,880
starting on that date

2108
01:28:51,350 --> 01:28:48,960
um i don't

2109
01:28:53,189 --> 01:28:51,360
i don't agree with anybody profiting

2110
01:28:56,550 --> 01:28:53,199
from fear and that's what all these

2111
01:28:58,229 --> 01:28:56,560
televangelists do and once the 24th of

2112
01:29:00,790 --> 01:28:58,239
september comes and nothing happens

2113
01:29:04,229 --> 01:29:00,800

they'll be on to the next date that may

2114

01:29:11,430 --> 01:29:04,239

be the apocalypse selling more garbage

2115

01:29:17,430 --> 01:29:13,510

yes questions and statements and caps

2116

01:29:20,950 --> 01:29:19,590

some of you know that i'm visually

2117

01:29:22,709 --> 01:29:20,960

impaired

2118

01:29:25,350 --> 01:29:22,719

uh jeremy walter i've been trying to

2119

01:29:27,990 --> 01:29:25,360

complete my ss uniform so i can go on a

2120

01:29:30,550 --> 01:29:28,000

date she'd probably love that

2121

01:29:36,709 --> 01:29:30,560

you guys can both larp she can wear her

2122

01:29:39,510 --> 01:29:38,470

that girl's a big whack-a-doo too

2123

01:29:41,830 --> 01:29:39,520

because

2124

01:29:44,629 --> 01:29:41,840

according to her she's a psychic

2125

01:29:47,270 --> 01:29:44,639

she's an alien hybrid she's a starseed

2126
01:29:49,830 --> 01:29:47,280
and she's also a mother of alien hybrid

2127
01:29:51,510 --> 01:29:49,840
children

2128
01:29:56,229 --> 01:29:51,520
yeah

2129
01:30:00,390 --> 01:29:58,229
mike says saturday night's gonna be epic

2130
01:30:04,149 --> 01:30:00,400
i guess yeah

2131
01:30:06,790 --> 01:30:04,159
uh i'm not sure how it started but the

2132
01:30:08,790 --> 01:30:06,800
every so often the christian

2133
01:30:11,030 --> 01:30:08,800
bible thumper

2134
01:30:12,470 --> 01:30:11,040
normally the hell and brimstone

2135
01:30:12,770 --> 01:30:12,480
preachers

2136
01:30:14,229 --> 01:30:12,780
they

2137
01:30:16,790 --> 01:30:14,239
[Music]

2138
01:30:18,790 --> 01:30:16,800

they lock on to a date and then uh

2139

01:30:21,510 --> 01:30:18,800

becomes part of pop culture remember

2140

01:30:23,590 --> 01:30:21,520

2012 was supposed to be the apocalypse

2141

01:30:24,790 --> 01:30:23,600

or first it was the year 2000 as i

2142

01:30:26,629 --> 01:30:24,800

recall

2143

01:30:29,110 --> 01:30:26,639

y2k was going to destroy all the

2144

01:30:30,629 --> 01:30:29,120

computers and the whole power grid was

2145

01:30:33,669 --> 01:30:30,639

going to go down and there'd be

2146

01:30:35,510 --> 01:30:33,679

apocalypse nothing happened

2147

01:30:37,750 --> 01:30:35,520

and then 2012 was supposed to be

2148

01:30:39,590 --> 01:30:37,760

apocalypse nothing happened

2149

01:30:41,430 --> 01:30:39,600

i'm sure there were some dates

2150

01:30:43,669 --> 01:30:41,440

after 2012 that were supposed to be the

2151
01:30:45,189 --> 01:30:43,679
apocalypse nothing

2152
01:30:46,709 --> 01:30:45,199
uh

2153
01:30:48,390 --> 01:30:46,719
nothing happens

2154
01:30:50,870 --> 01:30:48,400
and b baker says that group has been

2155
01:30:53,350 --> 01:30:50,880
trying to breed red heifers

2156
01:30:57,110 --> 01:30:53,360
cows for years to purposely bring on the

2157
01:30:58,390 --> 01:30:57,120
apocalypse well why would they like that

2158
01:31:01,189 --> 01:30:58,400
sarin

2159
01:31:03,750 --> 01:31:01,199
is that like in poisonous serendas yeah

2160
01:31:05,830 --> 01:31:03,760
and i'm assuming that's not her real

2161
01:31:09,270 --> 01:31:05,840
name sandy smith

2162
01:31:09,280 --> 01:31:13,510
name yourself after

2163
01:31:17,030 --> 01:31:15,270

after that

2164

01:31:18,950 --> 01:31:17,040

mysterious moon bases man people have

2165

01:31:20,629 --> 01:31:18,960

been making a killing off those

2166

01:31:22,790 --> 01:31:20,639

emergency food

2167

01:31:25,350 --> 01:31:22,800

bins since covet yeah

2168

01:31:27,830 --> 01:31:25,360

and in full disclosure i have been

2169

01:31:31,110 --> 01:31:27,840

approached by three count them

2170

01:31:33,910 --> 01:31:31,120

three separate companies that want me to

2171

01:31:34,709 --> 01:31:33,920

that want to be sponsors of mine

2172

01:31:36,229 --> 01:31:34,719

but

2173

01:31:39,189 --> 01:31:36,239

here's the problem

2174

01:31:41,350 --> 01:31:39,199

while i do agree that you should have an

2175

01:31:42,709 --> 01:31:41,360

emergency food supply on hand for your

2176

01:31:45,270 --> 01:31:42,719

family

2177

01:31:47,750 --> 01:31:45,280

i don't

2178

01:31:50,070 --> 01:31:47,760

how do i say this politely in case i

2179

01:31:51,990 --> 01:31:50,080

ever change my mind um

2180

01:31:54,310 --> 01:31:52,000

i have sampled

2181

01:31:56,390 --> 01:31:54,320

most of the major companies that make

2182

01:31:58,709 --> 01:31:56,400

these emergency food rations they'll

2183

01:32:00,790 --> 01:31:58,719

send you a free sample

2184

01:32:03,189 --> 01:32:00,800

and i have found

2185

01:32:05,430 --> 01:32:03,199

all three of them that i have sampled

2186

01:32:07,350 --> 01:32:05,440

three major um i'm not going to name

2187

01:32:09,270 --> 01:32:07,360

them but you hear them on all the

2188

01:32:10,229 --> 01:32:09,280

podcasts and everything

2189

01:32:12,550 --> 01:32:10,239

um

2190

01:32:14,229 --> 01:32:12,560

it tastes like chalky dirt that's what

2191

01:32:16,870 --> 01:32:14,239

the food tastes like will it keep you

2192

01:32:19,510 --> 01:32:16,880

alive sure but it tastes like chalky

2193

01:32:23,030 --> 01:32:19,520

dirt and what a lot of people don't know

2194

01:32:25,669 --> 01:32:23,040

mysterious moon bases is that

2195

01:32:26,629 --> 01:32:25,679

you can get five gallon buckets and then

2196

01:32:29,110 --> 01:32:26,639

get

2197

01:32:30,709 --> 01:32:29,120

these little things that remove oxygen

2198

01:32:32,870 --> 01:32:30,719

from the bucket

2199

01:32:36,470 --> 01:32:32,880

and you can fill that bucket with

2200

01:32:37,430 --> 01:32:36,480

anything rice beans

2201

01:32:39,669 --> 01:32:37,440

or

2202

01:32:41,590 --> 01:32:39,679

like those packets you that you get that

2203

01:32:44,629 --> 01:32:41,600

are about a dollar a piece that might be

2204

01:32:47,189 --> 01:32:44,639

like chicken rice and broccoli you know

2205

01:32:50,470 --> 01:32:47,199

chicken flavored rice and broccoli or

2206

01:32:51,510 --> 01:32:50,480

or fried rice flavored rice

2207

01:32:53,750 --> 01:32:51,520

or

2208

01:32:56,070 --> 01:32:53,760

you know i don't know spanish rice

2209

01:32:57,430 --> 01:32:56,080

they're all these rice packets that are

2210

01:33:00,790 --> 01:32:57,440

like a dollar

2211

01:33:02,149 --> 01:33:00,800

that's all that is it's maybe slightly

2212

01:33:04,790 --> 01:33:02,159

uh better

2213

01:33:06,550 --> 01:33:04,800

and some of those meals include meat but

2214

01:33:08,950 --> 01:33:06,560

i wouldn't really call it meat it's more

2215

01:33:10,870 --> 01:33:08,960

like meat paste

2216

01:33:12,550 --> 01:33:10,880

it's just not good quality

2217

01:33:14,470 --> 01:33:12,560

i would advise people to get a five

2218

01:33:17,030 --> 01:33:14,480

gallon bucket and fill it up with those

2219

01:33:19,270 --> 01:33:17,040

rice packets you can get rice and beans

2220

01:33:21,669 --> 01:33:19,280

for a dollar you can get

2221

01:33:23,990 --> 01:33:21,679

chicken flavored rice and broccoli for a

2222

01:33:26,790 --> 01:33:24,000

dollar you can get

2223

01:33:29,750 --> 01:33:26,800

spanish rice for a dollar

2224

01:33:31,430 --> 01:33:29,760

all these rice and beans uh

2225

01:33:34,629 --> 01:33:31,440

you know

2226

01:33:37,830 --> 01:33:34,639

fried rice all these different flavors

2227

01:33:39,910 --> 01:33:37,840

cheddar rice three cheddar rice you can

2228

01:33:40,950 --> 01:33:39,920

get all these rice packets for a dollar

2229

01:33:43,270 --> 01:33:40,960

a piece

2230

01:33:45,270 --> 01:33:43,280

and that's a meal for one person that

2231

01:33:47,350 --> 01:33:45,280

dollar packet of rice

2232

01:33:50,310 --> 01:33:47,360

so i advise people get a five gallon

2233

01:33:52,149 --> 01:33:50,320

bucket in the oxygen remover put the put

2234

01:33:53,830 --> 01:33:52,159

those rice packets in there fill the

2235

01:33:55,910 --> 01:33:53,840

whole bucket as much as you can and then

2236

01:33:57,590 --> 01:33:55,920

put the oxygen remover seal the bucket

2237

01:33:59,350 --> 01:33:57,600

put it in your garage

2238

01:34:01,590 --> 01:33:59,360

and that's probably

2239

01:34:03,430 --> 01:34:01,600

a much more economical way to ensure

2240

01:34:04,790 --> 01:34:03,440

that you will always have an emergency

2241

01:34:06,149 --> 01:34:04,800

suit force

2242

01:34:10,709 --> 01:34:06,159

food source

2243

01:34:14,390 --> 01:34:12,550

kepsta is asking is melon one of the

2244

01:34:18,629 --> 01:34:14,400

good nazis and she was out there to meet

2245

01:34:20,390 --> 01:34:18,639

one of her heroes yeah i don't know uh

2246

01:34:22,550 --> 01:34:20,400

that guy's got more money than god

2247

01:34:24,470 --> 01:34:22,560

though so it's funny to me that you had

2248

01:34:29,750 --> 01:34:24,480

to pay extra money to get the meet and

2249

01:34:34,310 --> 01:34:31,669

and this girl is like a clout chaser

2250

01:34:37,510 --> 01:34:34,320

she's going on all these shows

2251
01:34:39,750 --> 01:34:37,520
larping pretending to be an alien hybrid

2252
01:34:41,910 --> 01:34:39,760
she's paying the money to get the vip

2253
01:34:44,390 --> 01:34:41,920
package so that she can

2254
01:34:46,550 --> 01:34:44,400
brag to people here i am with linda

2255
01:34:50,149 --> 01:34:46,560
mulhow at a ufo conference here i am

2256
01:34:50,950 --> 01:34:50,159
with chris mellon at a ufo conference

2257
01:34:53,270 --> 01:34:50,960
um

2258
01:34:54,870 --> 01:34:53,280
it's like a dehydrator yes it's

2259
01:34:57,270 --> 01:34:54,880
something like that it just removes the

2260
01:34:59,590 --> 01:34:57,280
oxygen from inside the bucket so that

2261
01:35:02,390 --> 01:34:59,600
the food will keep longer but you can

2262
01:35:03,990 --> 01:35:02,400
look at those rice packets they

2263
01:35:05,830 --> 01:35:04,000

they don't they'll give you an

2264

01:35:07,830 --> 01:35:05,840

expiration date but they don't really

2265

01:35:09,270 --> 01:35:07,840

expire ever

2266

01:35:13,270 --> 01:35:09,280

i once

2267

01:35:15,430 --> 01:35:13,280

um at the cabin i have a of storage of

2268

01:35:17,430 --> 01:35:15,440

that but they weren't even stowed in the

2269

01:35:19,590 --> 01:35:17,440

oxygen

2270

01:35:21,350 --> 01:35:19,600

free environment just thrown in the

2271

01:35:22,709 --> 01:35:21,360

cabinets and

2272

01:35:24,790 --> 01:35:22,719

my uh

2273

01:35:26,870 --> 01:35:24,800

i can't remember what happened

2274

01:35:28,390 --> 01:35:26,880

oh i do remember what happened

2275

01:35:30,390 --> 01:35:28,400

i was

2276

01:35:32,470 --> 01:35:30,400

doing some work in the cabin and i

2277

01:35:34,629 --> 01:35:32,480

unplugged the refrigerator to plug in

2278

01:35:36,149 --> 01:35:34,639

like an electric drill i was drilling

2279

01:35:38,470 --> 01:35:36,159

some holes

2280

01:35:41,110 --> 01:35:38,480

and i forgot to plug the refrigerator

2281

01:35:43,350 --> 01:35:41,120

back in now we just have a little like a

2282

01:35:45,990 --> 01:35:43,360

college-sized fridge

2283

01:35:47,830 --> 01:35:46,000

but my meat that was in there

2284

01:35:49,590 --> 01:35:47,840

i must have unplugged the fridge at like

2285

01:35:51,590 --> 01:35:49,600

10 o'clock in the morning so six or

2286

01:35:53,350 --> 01:35:51,600

seven o'clock at night came

2287

01:35:55,750 --> 01:35:53,360

and it was a hot day

2288

01:35:57,270 --> 01:35:55,760

and i opened the fridge and

2289

01:36:00,390 --> 01:35:57,280

got this

2290

01:36:01,510 --> 01:36:00,400

rotten meat smell so my food

2291

01:36:03,990 --> 01:36:01,520

anyway

2292

01:36:04,950 --> 01:36:04,000

my meat went rot

2293

01:36:06,870 --> 01:36:04,960

you know

2294

01:36:09,030 --> 01:36:06,880

so i

2295

01:36:10,629 --> 01:36:09,040

went to one of those i had rice and

2296

01:36:12,390 --> 01:36:10,639

beans that night that came out of one of

2297

01:36:14,870 --> 01:36:12,400

those and it's just nor

2298

01:36:17,590 --> 01:36:14,880

rice and beans is a dollar

2299

01:36:19,750 --> 01:36:17,600

and that packet must have been there for

2300

01:36:22,149 --> 01:36:19,760

two or three years

2301

01:36:24,470 --> 01:36:22,159

but i ate it and it was fine

2302

01:36:27,189 --> 01:36:24,480

uh that stuff keeps for a long long time

2303

01:36:28,870 --> 01:36:27,199

dry goods keeps for a long long time but

2304

01:36:30,550 --> 01:36:28,880

i would advise it's better to keep it in

2305

01:36:33,189 --> 01:36:30,560

a bucket with one of those oxygen

2306

01:36:34,070 --> 01:36:33,199

removers and you can find youtube

2307

01:36:37,110 --> 01:36:34,080

um

2308

01:36:40,149 --> 01:36:37,120

tutorials on how to long-term store food

2309

01:36:43,270 --> 01:36:40,159

i do also have a cache of rice and beans

2310

01:36:43,990 --> 01:36:43,280

the two biggest staples at the cabin you

2311

01:36:46,070 --> 01:36:44,000

know

2312

01:36:48,709 --> 01:36:46,080

besides the pre

2313

01:36:50,550 --> 01:36:48,719

the packets you know

2314

01:36:52,709 --> 01:36:50,560

uh lord ludacris with a kind of generous

2315

01:36:54,390 --> 01:36:52,719

dollar ninety 99 who says great show and

2316

01:36:56,709 --> 01:36:54,400

we thank you for your kindness your

2317

01:36:58,629 --> 01:36:56,719

generosity and your support of the show

2318

01:37:00,709 --> 01:36:58,639

and and thank you for reminding me

2319

01:37:04,790 --> 01:37:00,719

because i almost forgot

2320

01:37:06,790 --> 01:37:04,800

we thank each and every person who uh

2321

01:37:08,470 --> 01:37:06,800

who is kind and generous enough to help

2322

01:37:12,149 --> 01:37:08,480

us with the show

2323

01:37:24,709 --> 01:37:12,159

and you can do that in several ways

2324

01:37:24,719 --> 01:37:28,790

oh no

2325

01:37:33,270 --> 01:37:31,189

lord ludacris with a kind and generous

2326

01:37:35,590 --> 01:37:33,280

dollar 99

2327

01:37:37,990 --> 01:37:35,600

we read every super chat so thank you

2328

01:37:41,109 --> 01:37:38,000

lord ludicrous we appreciate your your

2329

01:37:43,189 --> 01:37:41,119

generosity and you can also uh

2330

01:37:45,109 --> 01:37:43,199

there is uh instructions in the

2331

01:37:46,950 --> 01:37:45,119

description of this video i'm a terrible

2332

01:37:50,149 --> 01:37:46,960

salesperson of how to throw a few books

2333

01:37:51,669 --> 01:37:50,159

in our hat and help the effort for the

2334

01:37:53,510 --> 01:37:51,679

show to continue

2335

01:37:55,669 --> 01:37:53,520

uh this is a viewer supported show

2336

01:37:57,109 --> 01:37:55,679

without viewers like lord ludacris platt

2337

01:37:59,270 --> 01:37:57,119

and others

2338

01:38:01,510 --> 01:37:59,280

um

2339

01:38:02,790 --> 01:38:01,520

we may not continue here

2340

01:38:05,430 --> 01:38:02,800

uh

2341

01:38:07,030 --> 01:38:05,440

i do want to thank every one of the

2342

01:38:08,790 --> 01:38:07,040

people who support our show you can also

2343

01:38:10,310 --> 01:38:08,800

become a patreon supporter for as little

2344

01:38:12,070 --> 01:38:10,320

as a dollar a month

2345

01:38:13,750 --> 01:38:12,080

and you get a bunch of extra goodies or

2346

01:38:17,750 --> 01:38:13,760

you can become a channel member just hit

2347

01:38:19,990 --> 01:38:17,760

the join button here and we have uh

2348

01:38:21,430 --> 01:38:20,000

paypal as well

2349

01:38:24,149 --> 01:38:21,440

if you become a channel member you get

2350

01:38:26,470 --> 01:38:24,159

the paypal benefits plus some extras

2351

01:38:29,270 --> 01:38:26,480

i want to thank carolyn barnett uh

2352

01:38:30,709 --> 01:38:29,280

carolyn sweet caroline for kind generous

2353

01:38:33,750 --> 01:38:30,719

ten dollar

2354

01:38:35,750 --> 01:38:33,760

uh paypal pledge

2355

01:38:37,189 --> 01:38:35,760

one second and she says sending some

2356

01:38:39,830 --> 01:38:37,199

love and support thanks for all the

2357

01:38:40,950 --> 01:38:39,840

laughs and the facts and the truth well

2358

01:38:42,950 --> 01:38:40,960

thank you for your kindness your

2359

01:38:53,030 --> 01:38:42,960

generosity and your support it is much

2360

01:38:59,669 --> 01:38:56,229

ron i sent you the links already

2361

01:39:01,350 --> 01:38:59,679

a month ago

2362

01:39:04,390 --> 01:39:01,360

for those unaware

2363

01:39:05,350 --> 01:39:04,400

it is ron from cosmic neighbors full

2364

01:39:07,990 --> 01:39:05,360

okay

2365

01:39:10,830 --> 01:39:08,000

i have been pulling my hair out trying

2366

01:39:14,229 --> 01:39:10,840

to get a 3d printer to print an 18-inch

2367

01:39:15,750 --> 01:39:14,239

thing for months it just won't do it it

2368

01:39:16,629 --> 01:39:15,760

doesn't work

2369

01:39:19,189 --> 01:39:16,639

and

2370

01:39:22,149 --> 01:39:19,199

i have leveled the bed i have

2371

01:39:24,950 --> 01:39:22,159

re-leveled the bed used certain sensors

2372

01:39:28,149 --> 01:39:24,960

changed the filament changed the print

2373

01:39:30,310 --> 01:39:28,159

head all these things change the term

2374

01:39:32,629 --> 01:39:30,320

temperature

2375

01:39:34,550 --> 01:39:32,639

make it harder make it colder a hundred

2376

01:39:36,629 --> 01:39:34,560

different ways won't work

2377

01:39:38,550 --> 01:39:36,639

and uh it's his fault that i have been

2378

01:39:40,550 --> 01:39:38,560

aggravating myself with 3d printers

2379

01:39:42,470 --> 01:39:40,560

because ron will remember

2380

01:39:45,669 --> 01:39:42,480

when he was encouraging me to get into

2381

01:39:48,470 --> 01:39:45,679

3d printing that i said i don't need a

2382

01:39:51,350 --> 01:39:48,480

new hobby that will aggravate me they

2383

01:39:52,830 --> 01:39:51,360

don't work the way they're supposed to

2384

01:39:55,990 --> 01:39:52,840

and

2385

01:39:59,030 --> 01:39:56,000

i'd now in fairness he sent me a very

2386

01:40:01,270 --> 01:39:59,040

simple small 3d printer that works great

2387

01:40:03,830 --> 01:40:01,280

but i don't you know that's great but i

2388

01:40:06,310 --> 01:40:03,840

need to print big things so i bought a

2389

01:40:07,669 --> 01:40:06,320

printer to print big things to get a

2390

01:40:10,229 --> 01:40:07,679

project done

2391

01:40:12,470 --> 01:40:10,239

doesn't print big things won't print big

2392

01:40:14,390 --> 01:40:12,480

things right

2393

01:40:17,270 --> 01:40:14,400

mysterious moves servers get truth

2394

01:40:19,030 --> 01:40:17,280

seekers apocalypse rice and beans

2395

01:40:21,590 --> 01:40:19,040

yes thank you sweet caroline i

2396

01:40:24,229 --> 01:40:21,600

appreciate it uh much much appreciate

2397

01:40:24,670 --> 01:40:24,239

and anthony purcell

2398

01:40:25,910 --> 01:40:24,680

uh

2399

01:40:30,070 --> 01:40:25,920

[Music]

2400

01:40:33,430 --> 01:40:31,750

b baker reminding everybody you can send

2401

01:40:35,350 --> 01:40:33,440

money through cash app the other thing i

2402

01:40:37,830 --> 01:40:35,360

should remind everybody and i should

2403

01:40:40,070 --> 01:40:37,840

remind you people this is important if

2404

01:40:41,350 --> 01:40:40,080

you're listening to the audio podcast we

2405

01:40:43,990 --> 01:40:41,360

love and appreciate you but you're

2406

01:40:47,270 --> 01:40:44,000

missing half the fun so please be sure

2407

01:40:49,350 --> 01:40:47,280

you go on over to youtube.com smash hit

2408

01:40:52,310 --> 01:40:49,360

that search bar the little magnifying

2409

01:40:54,629 --> 01:40:52,320

glass to search on youtube put in truth

2410

01:40:56,550 --> 01:40:54,639

seekers one word the first thing that

2411

01:40:59,350 --> 01:40:56,560

pops up should be me the strange guy

2412

01:41:02,629 --> 01:40:59,360

with the sunglasses make sure you put in

2413

01:41:04,390 --> 01:41:02,639

true seekers one word

2414

01:41:06,070 --> 01:41:04,400

once you find me the strange guy with

2415

01:41:08,629 --> 01:41:06,080

sunglasses please do

2416

01:41:09,830 --> 01:41:08,639

go to our youtube channel channel smash

2417

01:41:11,750 --> 01:41:09,840

the subscribe button hit that

2418

01:41:14,070 --> 01:41:11,760

notification bell and you too can come

2419

01:41:15,669 --> 01:41:14,080

here and be a part of the live tapings

2420

01:41:17,030 --> 01:41:15,679

you are most welcome we love and

2421

01:41:19,430 --> 01:41:17,040

appreciate you listening in audio

2422

01:41:22,390 --> 01:41:19,440

podcast land but we want you to be here

2423

01:41:23,830 --> 01:41:22,400

for the live tapings as well so go on

2424

01:41:26,149 --> 01:41:23,840

over to youtube and do that the other

2425

01:41:27,830 --> 01:41:26,159

thing i would mention is that you can

2426

01:41:29,750 --> 01:41:27,840

also help our show

2427

01:41:31,830 --> 01:41:29,760

it's not just about money another great

2428

01:41:34,790 --> 01:41:31,840

way to help our show is to like comment

2429

01:41:36,390 --> 01:41:34,800

subscribe and share these videos it

2430

01:41:38,229 --> 01:41:36,400

really does help

2431

01:41:40,709 --> 01:41:38,239

uh share these videos on your social

2432

01:41:42,310 --> 01:41:40,719

media send some dms some pms with some

2433

01:41:45,990 --> 01:41:42,320

of our videos you think some of your

2434

01:41:48,310 --> 01:41:46,000

friends family or grandma might enjoy

2435

01:41:50,950 --> 01:41:48,320

and we would appreciate that very very

2436

01:41:54,709 --> 01:41:52,870

anthony peterson with the kind of

2437

01:41:56,229 --> 01:41:54,719

generous two dollar super chat says

2438

01:41:58,470 --> 01:41:56,239

maybe consider running your own

2439

01:42:00,790 --> 01:41:58,480

conference we're running the first ever

2440

01:42:02,550 --> 01:42:00,800

honest ufo conference here

2441

01:42:06,070 --> 01:42:02,560

anthony peterson and it's going to be a

2442

01:42:07,830 --> 01:42:06,080

layup riot and uh we may run an online i

2443

01:42:09,189 --> 01:42:07,840

would like to run an online conference

2444

01:42:12,629 --> 01:42:09,199

that's full of speakers that aren't

2445

01:42:14,709 --> 01:42:12,639

bullshitters that would be good right

2446

01:42:16,950 --> 01:42:14,719

reload reload with kinda generous five

2447

01:42:19,350 --> 01:42:16,960

dollar super sticker and reload reload

2448

01:42:23,750 --> 01:42:19,360

is also a channel member and by the way

2449

01:42:25,350 --> 01:42:23,760

uh so is sweet caroline so we thank our

2450

01:42:27,830 --> 01:42:25,360

uh

2451
01:42:29,510 --> 01:42:27,840
our channel members because they all

2452
01:42:34,950 --> 01:42:29,520
throw in five bucks a month and that

2453
01:42:41,830 --> 01:42:38,950
oh ron them's fighting words

2454
01:42:44,470 --> 01:42:41,840
ron says he's just mad so because he

2455
01:42:46,790 --> 01:42:44,480
can't figure it out so he is blaming me

2456
01:42:49,590 --> 01:42:46,800
why do you think i haven't gone to his

2457
01:42:51,430 --> 01:42:49,600
cabin yet i feel like i will go missing

2458
01:42:56,550 --> 01:42:51,440
uh

2459
01:42:58,390 --> 01:42:56,560
there's nobody there but me for the next

2460
01:43:01,030 --> 01:42:58,400
10 weekends so

2461
01:43:02,629 --> 01:43:01,040
and you do run i'm telling you this is

2462
01:43:04,310 --> 01:43:02,639
the best weather if you do want to come

2463
01:43:05,750 --> 01:43:04,320

to the cabin and you're welcome i won't

2464

01:43:06,950 --> 01:43:05,760

kill you i promise

2465

01:43:08,310 --> 01:43:06,960

although

2466

01:43:09,750 --> 01:43:08,320

if i were going to kill somebody i

2467

01:43:11,830 --> 01:43:09,760

better hurry up because i'm putting in

2468

01:43:13,430 --> 01:43:11,840

the last half of that stone patio and

2469

01:43:16,629 --> 01:43:13,440

that would make a nice

2470

01:43:19,750 --> 01:43:16,639

hard to find gravesite uh under there

2471

01:43:21,830 --> 01:43:19,760

no uh you should come though because

2472

01:43:25,270 --> 01:43:21,840

in the winter it's really difficult to

2473

01:43:28,390 --> 01:43:25,280

get in and out from the main road to the

2474

01:43:30,470 --> 01:43:28,400

cabin right now there's no snow

2475

01:43:33,430 --> 01:43:30,480

and it's cold at night

2476

01:43:36,390 --> 01:43:33,440

but it's very bearable little fire we'll

2477

01:43:37,830 --> 01:43:36,400

be fine i got plenty of pizza and steaks

2478

01:43:39,430 --> 01:43:37,840

and all kinds well actually i don't have

2479

01:43:41,669 --> 01:43:39,440

pizza stuff but if you're coming out

2480

01:43:44,149 --> 01:43:41,679

i'll make sure i have the pizza makings

2481

01:43:46,310 --> 01:43:44,159

we have wood-fired oven pizza

2482

01:43:49,510 --> 01:43:46,320

i put on some steaks or we'll have a

2483

01:43:52,950 --> 01:43:49,520

rotisserie chicken or something we have

2484

01:43:54,709 --> 01:43:52,960

good good food at the cabin and you are

2485

01:43:56,310 --> 01:43:54,719

most welcome and then i'll bring that

2486

01:43:57,590 --> 01:43:56,320

thing and you can show me where i'm

2487

01:44:00,390 --> 01:43:57,600

going wrong

2488

01:44:02,390 --> 01:44:00,400

i really don't think it's me ron i think

2489

01:44:04,629 --> 01:44:02,400

it's uh they don't work

2490

01:44:06,390 --> 01:44:04,639

that's what i think

2491

01:44:09,350 --> 01:44:06,400

mysterious moon bases have you talked

2492

01:44:14,310 --> 01:44:09,360

about the fires in ohio in idaho not yet

2493

01:44:18,550 --> 01:44:16,390

ron says so put me to work build my own

2494

01:44:20,310 --> 01:44:18,560

grave yeah

2495

01:44:22,550 --> 01:44:20,320

i'll i'll make you dig you know what's

2496

01:44:25,109 --> 01:44:22,560

so funny i saw some mob movie once where

2497

01:44:27,750 --> 01:44:25,119

the guy took a guy out to new jersey

2498

01:44:28,870 --> 01:44:27,760

right was it good fellas or was it no it

2499

01:44:31,189 --> 01:44:28,880

was uh

2500

01:44:32,950 --> 01:44:31,199

sopranos maybe they made the guy dig the

2501
01:44:34,310 --> 01:44:32,960
hole before they shot him and then they

2502
01:44:36,550 --> 01:44:34,320
threw him in the hole and just covered

2503
01:44:38,070 --> 01:44:36,560
it up and then there was two mob guys

2504
01:44:41,669 --> 01:44:38,080
and then one guy's like well i'm not

2505
01:44:43,030 --> 01:44:41,679
digging the hole make him dig it

2506
01:44:46,870 --> 01:44:43,040
that's awesome

2507
01:44:52,709 --> 01:44:48,950
yeah head to me on the way back

2508
01:44:54,390 --> 01:44:52,719
uh bring some parts yes

2509
01:44:55,750 --> 01:44:54,400
i'm a sober guy too because you're fun

2510
01:44:57,430 --> 01:44:55,760
shooting the well you're most

2511
01:44:59,350 --> 01:44:57,440
welcome you know make the

2512
01:45:04,470 --> 01:44:59,360
make the trip right

2513
01:45:09,510 --> 01:45:06,709

for you audiophiles who will send me

2514

01:45:11,830 --> 01:45:09,520

emails complaining later that

2515

01:45:13,270 --> 01:45:11,840

sound is children running around like

2516

01:45:15,109 --> 01:45:13,280

lunatics

2517

01:45:17,430 --> 01:45:15,119

operation shutdown i can't wait for the

2518

01:45:21,109 --> 01:45:17,440

honest ufo conference me either we're

2519

01:45:24,790 --> 01:45:23,350

truthseeker show hosts one this week and

2520

01:45:26,229 --> 01:45:24,800

hopefully one next week and then i'm

2521

01:45:28,550 --> 01:45:26,239

going to start cutting the whole ufo

2522

01:45:30,709 --> 01:45:28,560

conference together it should be six to

2523

01:45:33,430 --> 01:45:30,719

eight hours in length and it will be

2524

01:45:35,590 --> 01:45:33,440

free on youtube and nobody will be lying

2525

01:45:37,990 --> 01:45:35,600

to you in fact some of these ufo

2526

01:45:51,350 --> 01:45:38,000

celebrities will be forced to tell you

2527

01:45:55,189 --> 01:45:53,189

yeah so uh

2528

01:45:57,830 --> 01:45:55,199

really friends that's all i got for you

2529

01:45:59,270 --> 01:45:57,840

and we're gonna bounce out of here right

2530

01:46:00,870 --> 01:45:59,280

sweet caroline is here and says i'm

2531

01:46:03,510 --> 01:46:00,880

falling in and out of sleep sorry for

2532

01:46:05,510 --> 01:46:03,520

these long delays i'm so tired

2533

01:46:08,070 --> 01:46:05,520

uh well it's nice to know that i can

2534

01:46:10,870 --> 01:46:08,080

bore you to sleep sweet caroline and

2535

01:46:12,390 --> 01:46:10,880

also i can hurry up and finish too

2536

01:46:17,189 --> 01:46:12,400

just so you know

2537

01:46:22,149 --> 01:46:19,669

josh says i will sell banana sandwiches

2538

01:46:24,229 --> 01:46:22,159

at the honest ufo conference now you

2539

01:46:25,669 --> 01:46:24,239

gave me an idea

2540

01:46:27,830 --> 01:46:25,679

uh

2541

01:46:29,430 --> 01:46:27,840

i will i'm gonna have to i'm gonna have

2542

01:46:31,830 --> 01:46:29,440

to make a commercial for banana

2543

01:46:33,910 --> 01:46:31,840

sandwiches for that patty are there any

2544

01:46:36,470 --> 01:46:33,920

honest ufo celebrities it depends on

2545

01:46:38,229 --> 01:46:36,480

what you call celebrity i guess you know

2546

01:46:40,790 --> 01:46:38,239

are there honest people

2547

01:46:43,750 --> 01:46:40,800

researching and talking about ufos yeah

2548

01:46:46,550 --> 01:46:43,760

i i think jeremy rise is okay michael

2549

01:46:49,669 --> 01:46:46,560

schrad is okay darcy's okay

2550

01:46:51,590 --> 01:46:49,679

um i john from the black vault is okay

2551
01:46:53,510 --> 01:46:51,600
you might consider him a ufo celebrity

2552
01:46:55,990 --> 01:46:53,520
he's been on television a bunch of times

2553
01:46:57,350 --> 01:46:56,000
he's okay and he's honest

2554
01:46:58,790 --> 01:46:57,360
um

2555
01:47:01,109 --> 01:46:58,800
and there's a few

2556
01:47:03,350 --> 01:47:01,119
a few others but a very few others my

2557
01:47:05,590 --> 01:47:03,360
list is shrinking of the people that i

2558
01:47:06,830 --> 01:47:05,600
think are credible and worth listening

2559
01:47:08,790 --> 01:47:06,840
to

2560
01:47:10,629 --> 01:47:08,800
right

2561
01:47:12,870 --> 01:47:10,639
anthony purcell says have a good night

2562
01:47:14,950 --> 01:47:12,880
stephen chat work in the morning see you

2563
01:47:16,470 --> 01:47:14,960

on the next one yeah we're gonna bounce

2564

01:47:18,629 --> 01:47:16,480

on out of here so

2565

01:47:20,229 --> 01:47:18,639

as far as this ufo conference goes i

2566

01:47:22,870 --> 01:47:20,239

don't think it's worth a hundred dollars

2567

01:47:23,990 --> 01:47:22,880

let alone six hundred dollars but

2568

01:47:25,350 --> 01:47:24,000

uh

2569

01:47:27,189 --> 01:47:25,360

some people

2570

01:47:29,030 --> 01:47:27,199

that's my opinion and your opinion may

2571

01:47:30,390 --> 01:47:29,040

differ from mine and we're going to be

2572

01:47:31,830 --> 01:47:30,400

looking into some of these other

2573

01:47:34,709 --> 01:47:31,840

speakers to see if there's more

2574

01:47:37,270 --> 01:47:34,719

wackadoos and if there is we're gonna

2575

01:47:39,430 --> 01:47:37,280

show you the wackadoo that they are

2576

01:47:41,270 --> 01:47:39,440

whack-a-dooing okay that's what we're

2577

01:47:43,189 --> 01:47:41,280

gonna do

2578

01:47:45,510 --> 01:47:43,199

and uh b baker reminding everybody yes

2579

01:47:48,149 --> 01:47:45,520

please check out the uh

2580

01:47:50,070 --> 01:47:48,159

the discord it's a blast mysterious moon

2581

01:47:52,790 --> 01:47:50,080

bases what are your thoughts on dolan i

2582

01:47:55,030 --> 01:47:52,800

think he's old and tired and hokey now

2583

01:47:56,870 --> 01:47:55,040

he used to be good see our previous

2584

01:47:59,750 --> 01:47:56,880

coverage richard dolan once interviewed

2585

01:48:01,750 --> 01:47:59,760

a dead man to sell a story about ufos

2586

01:48:03,669 --> 01:48:01,760

that's right the man that he claimed

2587

01:48:05,750 --> 01:48:03,679

that he interviewed was dead at the time

2588

01:48:07,830 --> 01:48:05,760

that he interviewed him at least

2589

01:48:09,189 --> 01:48:07,840

according to various sources

2590

01:48:11,750 --> 01:48:09,199

and also

2591

01:48:13,510 --> 01:48:11,760

richard dolan took part in the roswell

2592

01:48:15,109 --> 01:48:13,520

slides hoax and then he laughed at

2593

01:48:16,149 --> 01:48:15,119

people that said that should end his

2594

01:48:18,070 --> 01:48:16,159

career

2595

01:48:23,030 --> 01:48:18,080

were people who lost money to the

2596

01:48:27,270 --> 01:48:25,430

james uh pepper is here and says you

2597

01:48:29,430 --> 01:48:27,280

have to be completely insane to live in

2598

01:48:33,109 --> 01:48:29,440

silicon valley i have friends who do

2599

01:48:35,910 --> 01:48:33,119

james pepper i have uh some coder

2600

01:48:38,149 --> 01:48:35,920

friends and people very interest

2601
01:48:41,109 --> 01:48:38,159
computers and technology that i that do

2602
01:48:45,109 --> 01:48:41,119
live in silicon valley and they are very

2603
01:48:46,709 --> 01:48:45,119
insane yes a lot of insane people

2604
01:48:49,750 --> 01:48:46,719
jeremy walter says i'm going to bet the

2605
01:48:52,790 --> 01:48:49,760
ranch on beeswax no it has to be beeswax

2606
01:48:53,990 --> 01:48:52,800
and magnets and crystals jeremy walter

2607
01:48:56,149 --> 01:48:54,000
okay

2608
01:48:59,030 --> 01:48:56,159
operation doe scam

2609
01:49:02,629 --> 01:48:59,040
operation shutdown says richard doe scan

2610
01:49:07,830 --> 01:49:05,350
yes google is it google or apple's

2611
01:49:09,510 --> 01:49:07,840
worldwide headquarters is a toxic waste

2612
01:49:10,790 --> 01:49:09,520
site well that's why they got the land

2613
01:49:13,590 --> 01:49:10,800

so cheap

2614

01:49:15,669 --> 01:49:13,600

right that no all those tax incentives

2615

01:49:17,830 --> 01:49:15,679

and and uh

2616

01:49:19,350 --> 01:49:17,840

yes amy collins insane or completely

2617

01:49:21,510 --> 01:49:19,360

wealthy or both

2618

01:49:23,990 --> 01:49:21,520

there are people that are insane and

2619

01:49:25,910 --> 01:49:24,000

completely

2620

01:49:28,070 --> 01:49:25,920

wealthy you know

2621

01:49:30,550 --> 01:49:28,080

but if you have if you're wealthy you're

2622

01:49:35,590 --> 01:49:30,560

not you're no longer insane amy collins

2623

01:49:39,109 --> 01:49:37,510

all right so we've got the good start of

2624

01:49:41,270 --> 01:49:39,119

our week i've got a lot more to share

2625

01:49:43,109 --> 01:49:41,280

with you this week and we are again

2626

01:49:45,109 --> 01:49:43,119

putting our foot on the gas we will be

2627

01:49:47,990 --> 01:49:45,119

producing a lot more content this week

2628

01:49:49,910 --> 01:49:48,000

as well uh just as we did last week i am

2629

01:49:51,669 --> 01:49:49,920

happy to say that i think last week we

2630

01:49:53,669 --> 01:49:51,679

got

2631

01:49:55,350 --> 01:49:53,679

nine or ten thousand views and we

2632

01:49:59,030 --> 01:49:55,360

normally get

2633

01:50:02,070 --> 01:49:59,040

three to five or six thousand views so

2634

01:50:05,430 --> 01:50:02,080

it would appear that the universe will

2635

01:50:08,070 --> 01:50:05,440

accept me creating more content and even

2636

01:50:10,870 --> 01:50:08,080

reward that so we're gonna put i'm gonna

2637

01:50:13,109 --> 01:50:10,880

put my foot on the gas i'm going to stop

2638

01:50:14,870 --> 01:50:13,119

uh slacking off so much that's believe

2639

01:50:16,550 --> 01:50:14,880

it or not people said that i'm a slacker

2640

01:50:18,950 --> 01:50:16,560

and i don't work hard enough at this

2641

01:50:23,430 --> 01:50:21,350

so uh to appease the people who think

2642

01:50:25,590 --> 01:50:23,440

i'm a slacker and just as an experiment

2643

01:50:27,510 --> 01:50:25,600

we're producing more content i will be

2644

01:50:29,669 --> 01:50:27,520

producing more content this week just

2645

01:50:31,830 --> 01:50:29,679

like last week we will have at least

2646

01:50:35,030 --> 01:50:31,840

four live shows and there will be some

2647

01:50:36,870 --> 01:50:35,040

production video pieces also important

2648

01:50:38,629 --> 01:50:36,880

this week

2649

01:50:40,470 --> 01:50:38,639

some of you are aware that my show

2650

01:50:45,350 --> 01:50:40,480

before this show

2651
01:50:47,830 --> 01:50:45,360
produced a show called the midnight hour

2652
01:50:49,830 --> 01:50:47,840
which aired on its own

2653
01:50:51,430 --> 01:50:49,840
when i first started and nobody was

2654
01:50:54,550 --> 01:50:51,440
listening

2655
01:50:57,510 --> 01:50:54,560
eventually we got to the prime times the

2656
01:51:00,870 --> 01:50:57,520
best slot i was told on the mid on the

2657
01:51:03,830 --> 01:51:00,880
fringe fm was midnight at saturday night

2658
01:51:05,990 --> 01:51:03,840
uh every midnight on saturday night

2659
01:51:07,510 --> 01:51:06,000
we would have one episode of my show the

2660
01:51:08,310 --> 01:51:07,520
midnight hour

2661
01:51:09,510 --> 01:51:08,320
i

2662
01:51:10,470 --> 01:51:09,520
have been

2663
01:51:13,910 --> 01:51:10,480

thanks to

2664

01:51:16,149 --> 01:51:13,920

kari spooky and i we have been slowly

2665

01:51:18,550 --> 01:51:16,159

cutting out all those commercials from

2666

01:51:20,950 --> 01:51:18,560

the fringe fm and whatever

2667

01:51:22,470 --> 01:51:20,960

and migrating them here to the truth

2668

01:51:24,390 --> 01:51:22,480

seekers channel and that has been a

2669

01:51:27,109 --> 01:51:24,400

tremendous undertaking because there was

2670

01:51:29,669 --> 01:51:27,119

a lot of yourself tea ads get the

2671

01:51:32,709 --> 01:51:29,679

tea and yourself all week here on

2672

01:51:35,109 --> 01:51:32,719

the fringe fm so and by the way i never

2673

01:51:36,790 --> 01:51:35,119

received a penny for the

2674

01:51:38,709 --> 01:51:36,800

all that

2675

01:51:40,950 --> 01:51:38,719

the commercials were to pay the

2676

01:51:43,109 --> 01:51:40,960

distributor for distributing the show

2677

01:51:44,070 --> 01:51:43,119

and that's a whole nother story the

2678

01:51:50,310 --> 01:51:44,080

important

2679

01:51:53,430 --> 01:51:50,320

i i wanted to be sure to include sort of

2680

01:51:55,350 --> 01:51:53,440

as a uh you know it's it's sort of like

2681

01:51:57,669 --> 01:51:55,360

the for the history of the show it's

2682

01:51:59,510 --> 01:51:57,679

important that before truth seekers

2683

01:52:02,070 --> 01:51:59,520

there was the midnight hour show an

2684

01:52:03,990 --> 01:52:02,080

audio only podcast again following these

2685

01:52:05,830 --> 01:52:04,000

strange topics there's a bunch of

2686

01:52:08,390 --> 01:52:05,840

incredible interviews

2687

01:52:11,750 --> 01:52:08,400

in that run including stan freeman grant

2688

01:52:15,189 --> 01:52:11,760

cameron steven bassett and

2689

01:52:17,990 --> 01:52:15,199

uh john mcafee of all people

2690

01:52:20,310 --> 01:52:18,000

so we've slowly been migrating and

2691

01:52:21,750 --> 01:52:20,320

cutting all the commercials out because

2692

01:52:23,270 --> 01:52:21,760

uh

2693

01:52:24,709 --> 01:52:23,280

i didn't get paid for the commercials

2694

01:52:25,589 --> 01:52:24,719

the first time i wasn't going to leave

2695

01:52:26,950 --> 01:52:25,599

them in

2696

01:52:28,390 --> 01:52:26,960

again

2697

01:52:30,310 --> 01:52:28,400

um

2698

01:52:33,109 --> 01:52:30,320

so we've been slowly migrating all those

2699

01:52:36,470 --> 01:52:33,119

midnight hour show episodes and i'm both

2700

01:52:37,510 --> 01:52:36,480

happy and sad to say that this week will

2701
01:52:39,589 --> 01:52:37,520
be done

2702
01:52:42,149 --> 01:52:39,599
uh the last

2703
01:52:43,270 --> 01:52:42,159
the finale episode of the midnight hour

2704
01:52:47,510 --> 01:52:43,280
show

2705
01:52:52,550 --> 01:52:50,070
now despite recent rumors

2706
01:52:55,189 --> 01:52:52,560
my interview took place with john mcafee

2707
01:52:57,270 --> 01:52:55,199
before his death

2708
01:52:59,830 --> 01:52:57,280
and is dated so

2709
01:53:00,709 --> 01:52:59,840
um but it's a great interview

2710
01:53:03,109 --> 01:53:00,719
and

2711
01:53:05,350 --> 01:53:03,119
i wanted to end that show on a high note

2712
01:53:07,189 --> 01:53:05,360
and i thought bring in a wild and crazy

2713
01:53:09,510 --> 01:53:07,199

john mcafee would be great it was a

2714

01:53:11,270 --> 01:53:09,520

great interview it will premiere on this

2715

01:53:13,510 --> 01:53:11,280

channel this week

2716

01:53:15,430 --> 01:53:13,520

and then we'll be done

2717

01:53:17,750 --> 01:53:15,440

and all of the midnight hour show

2718

01:53:19,270 --> 01:53:17,760

episodes will be here on this channel in

2719

01:53:21,189 --> 01:53:19,280

our archive

2720

01:53:22,149 --> 01:53:21,199

and i mentioned that i'm sad about that

2721

01:53:24,790 --> 01:53:22,159

because

2722

01:53:27,669 --> 01:53:24,800

having that extra stuff came in handy if

2723

01:53:30,310 --> 01:53:27,679

i was sick if i was unable to do a show

2724

01:53:32,149 --> 01:53:30,320

if a guest cancelled it was nice to have

2725

01:53:33,430 --> 01:53:32,159

that extra content that we could just

2726

01:53:35,030 --> 01:53:33,440

throw up

2727

01:53:37,270 --> 01:53:35,040

um

2728

01:53:40,310 --> 01:53:37,280

and it's all up it's gonna all be up

2729

01:53:42,310 --> 01:53:40,320

after this week so the john mcafee uh

2730

01:53:44,310 --> 01:53:42,320

interview will air this week it's called

2731

01:53:46,149 --> 01:53:44,320

john mcafee and me

2732

01:53:48,470 --> 01:53:46,159

but i wanted i'm recording an

2733

01:53:50,709 --> 01:53:48,480

introduction to that because i wanted to

2734

01:53:52,629 --> 01:53:50,719

talk about the fact that

2735

01:53:54,950 --> 01:53:52,639

i reached out to john mcafee for an

2736

01:53:56,310 --> 01:53:54,960

interview and he started saying the

2737

01:53:58,070 --> 01:53:56,320

first thing he said to me was like well

2738

01:54:00,149 --> 01:53:58,080

what is your show what what do you do

2739

01:54:02,790 --> 01:54:00,159

when i said well we we talk about

2740

01:54:04,790 --> 01:54:02,800

strange things and ufos and strange

2741

01:54:05,990 --> 01:54:04,800

science and paranormal stuff and he's

2742

01:54:08,070 --> 01:54:06,000

like i'm in

2743

01:54:10,390 --> 01:54:08,080

and then he asked me for my cell phone

2744

01:54:12,390 --> 01:54:10,400

number and he just randomly would call

2745

01:54:14,550 --> 01:54:12,400

me it's a whole story

2746

01:54:16,629 --> 01:54:14,560

um and it's interesting so i'm going to

2747

01:54:19,589 --> 01:54:16,639

include that as a preface to the

2748

01:54:23,430 --> 01:54:19,599

interview that'll debut this week

2749

01:54:25,990 --> 01:54:23,440

we've got a new guest host this week

2750

01:54:29,430 --> 01:54:26,000

it's a good one and uh some other things

2751

01:54:31,430 --> 01:54:29,440

coming up so uh be sure that you tune in

2752

01:54:33,910 --> 01:54:31,440

at the live shows will be every night

2753

01:54:34,790 --> 01:54:33,920

this week at 9 00 pm eastern time except

2754

01:54:36,790 --> 01:54:34,800

for

2755

01:54:38,950 --> 01:54:36,800

friday where i'm driving to the cabin

2756

01:54:39,750 --> 01:54:38,960

can't make that but i may do a 10 p.m

2757

01:54:42,390 --> 01:54:39,760

there

2758

01:54:43,750 --> 01:54:42,400

um we'll see how things go

2759

01:54:45,830 --> 01:54:43,760

but what we're going to be doing going

2760

01:54:46,629 --> 01:54:45,840

forward is at least four live shows a

2761

01:54:49,350 --> 01:54:46,639

week

2762

01:54:51,750 --> 01:54:49,360

and then that the rest of the time i

2763

01:54:53,430 --> 01:54:51,760

will fill with making production videos

2764

01:54:55,430 --> 01:54:53,440

or doing things like transferring this

2765

01:54:57,030 --> 01:54:55,440

midnight hour show old

2766

01:54:57,990 --> 01:54:57,040

uh

2767

01:55:00,310 --> 01:54:58,000

yeah

2768

01:55:03,350 --> 01:55:00,320

so we're gonna go to at least four live

2769

01:55:06,470 --> 01:55:03,360

shows a week maybe more if time allows

2770

01:55:09,350 --> 01:55:06,480

and uh also there should be two or three

2771

01:55:11,109 --> 01:55:09,360

production videos per week as well

2772

01:55:13,189 --> 01:55:11,119

so that's all i got for your friends i

2773

01:55:14,229 --> 01:55:13,199

want to thank each and every one of you

2774

01:55:16,070 --> 01:55:14,239

uh

2775

01:55:18,229 --> 01:55:16,080

for joining us

2776
01:55:20,390 --> 01:55:18,239
um people are reacting in the live chat

2777
01:55:22,470 --> 01:55:20,400
yes i interviewed john mcafee and not

2778
01:55:24,470 --> 01:55:22,480
only did i interview him i got to be

2779
01:55:26,470 --> 01:55:24,480
very friendly with him because after

2780
01:55:28,870 --> 01:55:26,480
both before and after the interview more

2781
01:55:30,870 --> 01:55:28,880
after jeremy walter he would just call

2782
01:55:34,149 --> 01:55:30,880
me at three o'clock in the morning

2783
01:55:37,270 --> 01:55:34,159
and uh there's a whole story around that

2784
01:55:39,430 --> 01:55:37,280
which will be included in the interview

2785
01:55:41,669 --> 01:55:39,440
um as

2786
01:55:42,629 --> 01:55:41,679
he was very paranoid at the time jeremy

2787
01:55:45,589 --> 01:55:42,639
walter

2788
01:55:48,070 --> 01:55:45,599

uh and he once accused me of being a fed

2789

01:55:50,070 --> 01:55:48,080

that was sent to interview him just to

2790

01:55:52,070 --> 01:55:50,080

get friendly with him and but that was

2791

01:55:54,470 --> 01:55:52,080

while he was doing a lot of drugs while

2792

01:55:56,790 --> 01:55:54,480

he was on the phone talking to me

2793

01:55:58,950 --> 01:55:56,800

it's a whole wild story

2794

01:56:01,910 --> 01:55:58,960

so but that's all i got for you for

2795

01:56:03,830 --> 01:56:01,920

until till next time friends and we will

2796

01:56:05,750 --> 01:56:03,840

be back tomorrow night at 9 00 p.m

2797

01:56:07,109 --> 01:56:05,760

eastern standard time

2798

01:56:09,030 --> 01:56:07,119

um

2799

01:56:11,510 --> 01:56:09,040

until then friends my name is stephen

2800

01:56:19,350 --> 01:56:11,520

campion good night and god bless all of

2801
01:56:19,360 --> 01:56:25,260
so

2802
01:57:03,180 --> 01:56:31,589
[Music]

2803
01:57:34,320 --> 01:57:03,190
so

2804
01:57:35,680 --> 01:57:34,330
[Music]

2805
01:58:15,900 --> 01:57:35,690
[Applause]

2806
02:00:15,090 --> 01:58:43,950
[Music]

2807
02:00:38,890 --> 02:00:15,100
[Applause]

2808
02:00:40,940 --> 02:00:38,900
[Music]

2809
02:01:09,120 --> 02:00:40,950
[Applause]

2810
02:01:10,120 --> 02:01:09,130
[Music]
