

TRAVIS TAYLOR VIP LUNCH WORTH IT?

Truth Seekers

1
00:01:02,590 --> 00:00:17,440
[Music]

2
00:01:02,600 --> 00:01:06,170
thank you

3
00:01:06,180 --> 00:01:11,640
foreign

4
00:02:16,250 --> 00:01:28,210
[Music]

5
00:02:31,160 --> 00:02:17,900
foreign

6
00:02:31,780 --> 00:02:31,170
[Music]

7
00:02:41,080 --> 00:02:31,790
[Applause]

8
00:02:58,910 --> 00:02:41,090
[Music]

9
00:03:26,270 --> 00:03:00,620
foreign

10
00:03:27,500 --> 00:03:26,280
[Music]

11
00:03:29,990 --> 00:03:27,510
thank you

12
00:04:00,289 --> 00:03:30,000
[Music]

13
00:04:03,890 --> 00:04:02,690

greetings and salutations friends and

14

00:04:07,789 --> 00:04:03,900

welcome back

15

00:04:10,309 --> 00:04:07,799

uh right before broadcast people started

16

00:04:12,770 --> 00:04:10,319

sending me some messages so we're going

17

00:04:15,470 --> 00:04:12,780

to get into why people are sending me

18

00:04:18,710 --> 00:04:15,480

messages first and

19

00:04:21,710 --> 00:04:18,720

um recently we covered the fake fraud

20

00:04:25,189 --> 00:04:21,720

Doctor Reed and

21

00:04:26,930 --> 00:04:25,199

um I predicted and said that the fake

22

00:04:29,450 --> 00:04:26,940

fraud doctor is going to be running

23

00:04:33,110 --> 00:04:29,460

around making the rounds with his fake

24

00:04:35,749 --> 00:04:33,120

Hokies videos claiming that you know he

25

00:04:38,990 --> 00:04:35,759

had an alien in his freezer it's a big

26

00:04:42,469 --> 00:04:39,000

convoluted story and right now

27

00:04:46,249 --> 00:04:42,479

people are platforming this idiot who we

28

00:04:49,430 --> 00:04:46,259

proved here with facts and evidence is a

29

00:04:52,850 --> 00:04:49,440

complete and total fraud he is not a

30

00:04:55,490 --> 00:04:52,860

doctor his work history is fake the

31

00:04:59,030 --> 00:04:55,500

doctors that he claimed did DNA analysis

32

00:05:00,950 --> 00:04:59,040

of samples of his fake alien are fake

33

00:05:03,050 --> 00:05:00,960

one of the guys worked at a convenience

34

00:05:06,950 --> 00:05:03,060

store for minimum wage a gas station

35

00:05:09,650 --> 00:05:06,960

near the fake Dr Reed's home

36

00:05:14,930 --> 00:05:09,660

and he is right now

37

00:05:19,790 --> 00:05:14,940

right now friends uh on this Dr J radio

38

00:05:21,650 --> 00:05:19,800

live and Dr J is apparently an idiot uh

39

00:05:25,129 --> 00:05:21,660

and I'm going to say that publicly Dr J

40

00:05:28,670 --> 00:05:25,139

you are a stupid stupid man

41

00:05:31,249 --> 00:05:28,680

because a Google search

42

00:05:33,050 --> 00:05:31,259

could instantly reveal that you're

43

00:05:36,170 --> 00:05:33,060

sitting there talking to a fake doctor

44

00:05:38,749 --> 00:05:36,180

calling him doctor just like dummy idiot

45

00:05:42,170 --> 00:05:38,759

Jimmy church called him doctor through a

46

00:05:44,749 --> 00:05:42,180

whole interview and you know this is the

47

00:05:48,950 --> 00:05:44,759

uh part of my job that I hate because

48

00:05:50,870 --> 00:05:48,960

you know I can literally lead

49

00:05:54,590 --> 00:05:50,880

our horses to water but I can't make

50

00:05:58,610 --> 00:05:54,600

them drink and profiteering huckstering

51
00:06:02,330 --> 00:05:58,620
idiots like Dr J and Jimmy Church piss

52
00:06:05,629 --> 00:06:02,340
me off it's well established fact that

53
00:06:07,550 --> 00:06:05,639
this Dr Reed is a fake a fraud

54
00:06:10,310 --> 00:06:07,560
and a liar

55
00:06:11,390 --> 00:06:10,320
and we can prove that with facts and

56
00:06:14,990 --> 00:06:11,400
evidence

57
00:06:18,050 --> 00:06:15,000
and we did prove that here with facts

58
00:06:20,210 --> 00:06:18,060
and with evidence and while I understand

59
00:06:22,909 --> 00:06:20,220
it's not every other show host's

60
00:06:25,670 --> 00:06:22,919
responsibility to monitor my channel to

61
00:06:28,550 --> 00:06:25,680
see who's a fake and a fraud it's so

62
00:06:31,670 --> 00:06:28,560
well established that this Dr Reed is a

63
00:06:34,070 --> 00:06:31,680

fake and a fraud well long before I

64

00:06:36,230 --> 00:06:34,080

established it as facts that he's a fake

65

00:06:41,830 --> 00:06:36,240

and a fraud others did

66

00:06:45,409 --> 00:06:41,840

and the fact that some of these weak as

67

00:06:47,450 --> 00:06:45,419

intellectual weakling show hosts just

68

00:06:49,550 --> 00:06:47,460

say well it might be fake but people

69

00:06:52,070 --> 00:06:49,560

will tune in so I'll just listen to them

70

00:06:54,409 --> 00:06:52,080

talk and I won't challenge him and by

71

00:06:58,370 --> 00:06:54,419

the way I believe that I have just been

72

00:07:00,590 --> 00:06:58,380

muted in this Dr J's live chat way to

73

00:07:03,110 --> 00:07:00,600

search for the truth Dr J you

74

00:07:05,870 --> 00:07:03,120

intellectual weakling coward who

75

00:07:07,969 --> 00:07:05,880

couldn't even have me making statements

76

00:07:11,390 --> 00:07:07,979

in his Live Chat is that what a weakling

77

00:07:13,249 --> 00:07:11,400

you are Dr J why don't you come here and

78

00:07:15,770 --> 00:07:13,259

we'll have a talk about freedom of

79

00:07:18,710 --> 00:07:15,780

speech about how you don't maybe we'll

80

00:07:21,050 --> 00:07:18,720

talk about how you don't platform idiots

81

00:07:24,950 --> 00:07:21,060

with fake hokey evidence that aren't

82

00:07:27,890 --> 00:07:24,960

real doctors why are you lying to your

83

00:07:31,370 --> 00:07:27,900

audience why are you letting someone sit

84

00:07:34,969 --> 00:07:31,380

there on your show lying to your

85

00:07:37,010 --> 00:07:34,979

audience like a dummy

86

00:07:39,290 --> 00:07:37,020

do you need the clicks and the views is

87

00:07:40,969 --> 00:07:39,300

that what it is you got to get you got

88

00:07:44,450 --> 00:07:40,979

to get those clicks and the views in

89

00:07:47,330 --> 00:07:44,460

even if it means hosting a fake fraud

90

00:07:50,029 --> 00:07:47,340

doctor that's not a real doctor who lied

91

00:07:52,189 --> 00:07:50,039

about his education who lied about

92

00:07:53,749 --> 00:07:52,199

everything

93

00:07:56,150 --> 00:07:53,759

but we're supposed to sit here and

94

00:07:58,430 --> 00:07:56,160

believe that that guy encountered an

95

00:08:01,490 --> 00:07:58,440

alien in the woods that murdered his dog

96

00:08:05,450 --> 00:08:01,500

by the way Dr J did you even know that

97

00:08:07,309 --> 00:08:05,460

he lied even about his dog dying and

98

00:08:08,990 --> 00:08:07,319

people talk to his neighbors around the

99

00:08:11,270 --> 00:08:09,000

time of his original hoax who all

100

00:08:13,370 --> 00:08:11,280

confirmed that the dog was alive and

101

00:08:16,189 --> 00:08:13,380

well years after he came out with his

102

00:08:19,550 --> 00:08:16,199

fake ass hokey story that you are now

103

00:08:23,689 --> 00:08:19,560

sitting there letting this man tell lies

104

00:08:25,309 --> 00:08:23,699

on your show congratulations Dr J you

105

00:08:26,930 --> 00:08:25,319

are the dummy of the week we're gonna

106

00:08:29,869 --> 00:08:26,940

start something new here called the

107

00:08:37,730 --> 00:08:33,110

and Dr J wins this week because

108

00:08:39,290 --> 00:08:37,740

apparently this Dr J is such a dummy he

109

00:08:40,370 --> 00:08:39,300

doesn't know how to Google

110

00:08:42,889 --> 00:08:40,380

right

111

00:08:45,590 --> 00:08:42,899

and I get it some guests that's a fraud

112

00:08:48,710 --> 00:08:45,600

might slip by but it's his job

113

00:08:51,050 --> 00:08:48,720

right it's his job to know that guy's a

114

00:08:53,870 --> 00:08:51,060

complete and total fraud and I'm sorry

115

00:08:56,269 --> 00:08:53,880

but I have no more patience left for

116

00:08:59,389 --> 00:08:56,279

these profiteering huckstering idiots

117

00:09:02,210 --> 00:08:59,399

who will sit there and lie to Their

118

00:09:03,829 --> 00:09:02,220

audience Lie by Omission yeah let's

119

00:09:06,050 --> 00:09:03,839

bring on this guest he's had his

120

00:09:08,090 --> 00:09:06,060

tremendous Alien Encounter and he'll

121

00:09:11,570 --> 00:09:08,100

he'll tell us all about his alien

122

00:09:14,750 --> 00:09:11,580

bracelet that lets him vanish on live

123

00:09:16,730 --> 00:09:14,760

television no no that's [h__h] just

124

00:09:20,750 --> 00:09:16,740

like his fake doctor certificate is

125

00:09:23,509 --> 00:09:20,760

[h__h] all of it is bull and uh you

126

00:09:25,790 --> 00:09:23,519

know the fact that this guy is such a

127

00:09:28,370 --> 00:09:25,800

coward that he can't let someone make a

128

00:09:30,769 --> 00:09:28,380

statement in his live chat says

129

00:09:33,710 --> 00:09:30,779

everything you need to know about him

130

00:09:36,050 --> 00:09:33,720

and his show also it's pretty curious

131

00:09:38,389 --> 00:09:36,060

that he has so many subscribers and so

132

00:09:40,430 --> 00:09:38,399

few watching but I also found it

133

00:09:42,410 --> 00:09:40,440

interesting I'm not going to share the

134

00:09:44,690 --> 00:09:42,420

video but we are citing fair use I'm

135

00:09:46,130 --> 00:09:44,700

going to share uh I'm just going to

136

00:09:49,009 --> 00:09:46,140

share a still here

137

00:09:52,910 --> 00:09:49,019

is it's also interesting that looks look

138

00:09:55,810 --> 00:09:52,920

who is allowed to chime in so Dr J mutes

139

00:09:59,810 --> 00:09:55,820

me in his live chat like a coward right

140

00:10:03,230 --> 00:09:59,820

but the third phase of moon hoax

141

00:10:06,949 --> 00:10:03,240

promoters extraordinaire are completely

142

00:10:09,949 --> 00:10:06,959

and totally allowed to uh talk in his

143

00:10:13,550 --> 00:10:09,959

live chat and it looks like the cousins

144

00:10:15,410 --> 00:10:13,560

Brothers uh other you know

145

00:10:17,829 --> 00:10:15,420

it looks like the cousins brothers are

146

00:10:21,230 --> 00:10:17,839

looking for their next click and view

147

00:10:24,829 --> 00:10:21,240

injection right let's get this clown on

148

00:10:27,590 --> 00:10:24,839

let's support this clown

149

00:10:30,530 --> 00:10:27,600

but that doesn't surprise me I mean that

150

00:10:32,750 --> 00:10:30,540

doesn't surprise me one bit given the

151

00:10:36,530 --> 00:10:32,760

cousins Brothers history of actively

152

00:10:39,650 --> 00:10:36,540

promoting fake UFO videos themselves so

153

00:10:42,110 --> 00:10:39,660

I'm not surprised that third phase of

154

00:10:43,910 --> 00:10:42,120

moon is allowed to talk in this Dr Jay's

155

00:10:46,730 --> 00:10:43,920

chat but I'm not

156

00:10:49,009 --> 00:10:46,740

uh and all I said was why doesn't the

157

00:10:52,250 --> 00:10:49,019

host ask him about his education his

158

00:10:56,030 --> 00:10:52,260

education is 100 percent provably fake

159

00:10:59,949 --> 00:10:56,040

now instead this guy is going to sit

160

00:11:02,449 --> 00:10:59,959

there and call him doctor great great

161

00:11:08,810 --> 00:11:02,459

job you're doing for your audience

162

00:11:11,329 --> 00:11:08,820

bringing them fakery fraudery and bull

163

00:11:13,069 --> 00:11:11,339

I don't know much about this Dr J but I

164

00:11:16,910 --> 00:11:13,079

don't like him already I don't like

165

00:11:20,750 --> 00:11:16,920

anybody that censors or or you know uh

166

00:11:23,269 --> 00:11:20,760

has to mute people in their live chat I

167

00:11:25,370 --> 00:11:23,279

wasn't rude I wasn't disrespectful I

168

00:11:27,889 --> 00:11:25,380

made a factual statement in your live

169

00:11:31,130 --> 00:11:27,899

chat apparently you're not allowed to

170

00:11:34,130 --> 00:11:31,140

tell the truth and Dr J's live chat

171

00:11:37,069 --> 00:11:34,140

while he is interviewing fakers

172

00:11:39,769 --> 00:11:37,079

fraudsters and hoaxers

173

00:11:42,350 --> 00:11:39,779

you're making money from a complete and

174

00:11:44,269 --> 00:11:42,360

total fraud you dummy do you know you

175

00:11:46,190 --> 00:11:44,279

could you lose your YouTube channel for

176

00:11:48,650 --> 00:11:46,200

that it's called deceptive practices

177

00:11:51,650 --> 00:11:48,660

it's against YouTube terms of service

178

00:11:54,710 --> 00:11:51,660

look it up Dr J

179

00:11:56,569 --> 00:11:54,720

muting me in the live chat is not going

180

00:12:00,829 --> 00:11:56,579

to help your situation it's just going

181

00:12:01,970 --> 00:12:00,839

to make you look exactly like what you

182

00:12:04,910 --> 00:12:01,980

are

183

00:12:07,310 --> 00:12:04,920

a profiteering slime ball huckster who

184

00:12:11,810 --> 00:12:07,320

doesn't care if a guest is a fake doctor

185

00:12:14,329 --> 00:12:11,820

who doesn't care if a guest is lying

186

00:12:15,769 --> 00:12:14,339

through their teeth

187

00:12:17,690 --> 00:12:15,779

but

188

00:12:21,650 --> 00:12:17,700

I will

189

00:12:24,230 --> 00:12:21,660

admit that maybe I'm wrong about Mr Dr J

190

00:12:26,870 --> 00:12:24,240

maybe he's a fake doctor too that's why

191

00:12:29,389 --> 00:12:26,880

he's okay with fake doctors not familiar

192

00:12:31,550 --> 00:12:29,399

with this guy uh seen him around don't

193

00:12:34,910 --> 00:12:31,560

care for him and now I really don't care

194

00:12:37,610 --> 00:12:34,920

for him given that apparently I am not

195

00:12:41,150 --> 00:12:37,620

allowed to make factual factually true

196

00:12:44,269 --> 00:12:41,160

statements in his live chat muted me for

197

00:12:47,090 --> 00:12:44,279

making factually lot factually correct

198

00:12:49,129 --> 00:12:47,100

statements in his live chat about the

199

00:12:51,710 --> 00:12:49,139

fraud guest that he is sitting there

200

00:12:55,730 --> 00:12:51,720

interviewing

201
00:12:58,069 --> 00:12:55,740
no critical questions no talk about you

202
00:12:59,150 --> 00:12:58,079
know uh the fact that it can be easily

203
00:13:01,730 --> 00:12:59,160
proven

204
00:13:03,889 --> 00:13:01,740
that his education is fake that his work

205
00:13:07,670 --> 00:13:03,899
history is fake that his dog never died

206
00:13:10,129 --> 00:13:07,680
that he claimed died but I'm the bad guy

207
00:13:13,730 --> 00:13:10,139
here I need to be muted for letting

208
00:13:17,509 --> 00:13:13,740
people in his audience know that

209
00:13:19,910 --> 00:13:17,519
and uh I did say that this fake Dr Reed

210
00:13:23,090 --> 00:13:19,920
is gonna keep making the rounds now he's

211
00:13:27,350 --> 00:13:23,100
back friends with new [h__h] stories

212
00:13:29,269 --> 00:13:27,360
to go along with his old fake stories

213
00:13:32,389 --> 00:13:29,279

and this is where we're at and this is

214

00:13:34,730 --> 00:13:32,399

where we find ourselves and uh again

215

00:13:36,350 --> 00:13:34,740

it's a big club and I ain't in it uh Dr

216

00:13:37,389 --> 00:13:36,360

J is not going to comment on this

217

00:13:41,269 --> 00:13:37,399

because

218

00:13:44,629 --> 00:13:41,279

what defense is there for platforming a

219

00:13:47,930 --> 00:13:44,639

complete and total fraud like a fake

220

00:13:49,310 --> 00:13:47,940

Doctor Who had a fake Alien Encounter

221

00:13:51,470 --> 00:13:49,320

come on

222

00:13:54,650 --> 00:13:51,480

Dr J

223

00:13:57,230 --> 00:13:54,660

this is ridiculous and the fact that you

224

00:13:59,150 --> 00:13:57,240

muted me

225

00:14:01,910 --> 00:13:59,160

put you on my map

226

00:14:05,269 --> 00:14:01,920

so maybe we're going to cover you now Dr

227

00:14:08,449 --> 00:14:05,279

J that's not attention that you want you

228

00:14:10,970 --> 00:14:08,459

don't want me letting your audience know

229

00:14:14,269 --> 00:14:10,980

what it is that you're up to

230

00:14:17,150 --> 00:14:14,279

so uh you know maybe you should have let

231

00:14:19,430 --> 00:14:17,160

me uh just say my piece I wasn't rude I

232

00:14:22,190 --> 00:14:19,440

wasn't you know copying the same message

233

00:14:23,870 --> 00:14:22,200

a hundred times or anything I should

234

00:14:26,509 --> 00:14:23,880

have the right to come into your live

235

00:14:29,870 --> 00:14:26,519

chat and let your audience know that the

236

00:14:30,769 --> 00:14:29,880

guests that you're hosting is lying to

237

00:14:34,129 --> 00:14:30,779

them

238

00:14:36,710 --> 00:14:34,139

because you don't have the balls to ask

239

00:14:38,389 --> 00:14:36,720

him the hard questions you don't have

240

00:14:41,629 --> 00:14:38,399

the balls to tell your audience the

241

00:14:44,569 --> 00:14:41,639

truth because you're up to this slimy no

242

00:14:46,189 --> 00:14:44,579

good game clicks and Views as long as it

243

00:14:47,930 --> 00:14:46,199

gets clicks and Views I don't care if

244

00:14:50,150 --> 00:14:47,940

it's true I don't care if this guy

245

00:14:51,949 --> 00:14:50,160

sitting here lying through his teeth is

246

00:14:54,410 --> 00:14:51,959

a fake doctor I'm just gonna call him

247

00:14:56,689 --> 00:14:54,420

doctor and pretend that this is a true

248

00:15:00,050 --> 00:14:56,699

story so I can get those clicks and

249

00:15:05,750 --> 00:15:00,060

Views I'm sick of people like you

250

00:15:09,670 --> 00:15:05,760

Dr J I'm sick of people like you you are

251
00:15:13,389 --> 00:15:09,680
what enables idiots like this to pump

252
00:15:17,750 --> 00:15:13,399
the world full of fake

253
00:15:20,210 --> 00:15:17,760
fairy tale fraud stories that are not

254
00:15:26,030 --> 00:15:22,910
but congratulations because you just

255
00:15:29,930 --> 00:15:26,040
made it on my radar you dummy

256
00:15:32,750 --> 00:15:29,940
all right we're gonna move on and uh I

257
00:15:35,030 --> 00:15:32,760
predict uh an appearance on third phase

258
00:15:37,970 --> 00:15:35,040
Moon soon and we'll see what kind of a

259
00:15:40,129 --> 00:15:37,980
hack hack that's a job those two do

260
00:15:41,870 --> 00:15:40,139
trying to get clicks and Views out of

261
00:15:44,870 --> 00:15:41,880
this fraud and that's what it's about

262
00:15:47,509 --> 00:15:44,880
Jimmy Church hey let's get some quick

263
00:15:49,670 --> 00:15:47,519

reviews out of this fraud by the way uh

264

00:15:52,189 --> 00:15:49,680

Jimmy Church where is the part two that

265

00:15:54,170 --> 00:15:52,199

you promised your listeners is the part

266

00:15:56,870 --> 00:15:54,180

two on Jimmy Church's show going to be

267

00:15:58,850 --> 00:15:56,880

bringing me on to inform his audience

268

00:16:01,129 --> 00:15:58,860

that he led a complete and total fraud

269

00:16:03,590 --> 00:16:01,139

on his show telling fairy tales for two

270

00:16:05,870 --> 00:16:03,600

hours in part one is that what Jimmy

271

00:16:07,910 --> 00:16:05,880

Church's part two is going to be that

272

00:16:10,189 --> 00:16:07,920

would be a real part too Jimmy Church

273

00:16:12,230 --> 00:16:10,199

you're another goddamn intellectual

274

00:16:15,829 --> 00:16:12,240

weakling coward

275

00:16:20,569 --> 00:16:15,839

who cannot withstand debate with facts

276

00:16:25,430 --> 00:16:22,550

but this is where we're at and this is

277

00:16:28,370 --> 00:16:25,440

where we find ourselves and uh I'm sure

278

00:16:30,530 --> 00:16:28,380

Dr J and Jimmy church will make 10 times

279

00:16:34,430 --> 00:16:30,540

the money

280

00:16:36,850 --> 00:16:34,440

telling people that that story is true

281

00:16:40,670 --> 00:16:36,860

that I will make

282

00:16:43,550 --> 00:16:40,680

proving to everyone that that man is

283

00:16:47,090 --> 00:16:43,560

fake his doctor

284

00:16:50,150 --> 00:16:47,100

he's not a real doctor his education his

285

00:16:53,749 --> 00:16:50,160

fake his work history is fake his dog

286

00:16:57,769 --> 00:16:53,759

dying is fake his alien armbands is fake

287

00:17:02,269 --> 00:16:57,779

his videos are fake his paper mache

288

00:17:05,210 --> 00:17:02,279

dummy alien is fake

289

00:17:07,549 --> 00:17:05,220

and uh you know I gotta be honest in

290

00:17:09,710 --> 00:17:07,559

that the bitterness with the fact that I

291

00:17:12,770 --> 00:17:09,720

get paid pennies to tell people the

292

00:17:15,530 --> 00:17:12,780

truth you know these other people get

293

00:17:17,329 --> 00:17:15,540

paid ten times what I get uh what our

294

00:17:21,289 --> 00:17:17,339

show gets and by the way for me it's not

295

00:17:23,689 --> 00:17:21,299

about personal payment it's about uh the

296

00:17:26,390 --> 00:17:23,699

the resources of the show

297

00:17:29,570 --> 00:17:26,400

somehow I'm supposed to compete with

298

00:17:32,630 --> 00:17:29,580

people that have absolutely absolutely

299

00:17:33,650 --> 00:17:32,640

no ethics absolutely no more moral

300

00:17:35,150 --> 00:17:33,660

compass

301
00:17:37,789 --> 00:17:35,160
I'm supposed to compete with those

302
00:17:41,630 --> 00:17:37,799
people on equal terms

303
00:17:44,150 --> 00:17:41,640
with a tenth or you know one percent of

304
00:17:47,690 --> 00:17:44,160
the the income that they get you know

305
00:17:48,950 --> 00:17:47,700
our resources here are so slim but I'm

306
00:17:50,450 --> 00:17:48,960
still supposed to compete on equal

307
00:17:53,810 --> 00:17:50,460
grounds with people that'll just

308
00:17:56,510 --> 00:17:53,820
platform garbage Peddlers and get those

309
00:17:58,730 --> 00:17:56,520
clicks and views right or with people

310
00:18:00,289 --> 00:17:58,740
like third phase who live off of Click

311
00:18:02,029 --> 00:18:00,299
bait garbage

312
00:18:05,870 --> 00:18:02,039
right

313
00:18:09,890 --> 00:18:05,880

but that's the way the world and uh I am

314

00:18:12,470 --> 00:18:09,900

learning uh friends again that I I have

315

00:18:14,570 --> 00:18:12,480

to just accept the things I can't change

316

00:18:17,630 --> 00:18:14,580

I can't change the fact that 10 times

317

00:18:20,930 --> 00:18:17,640

more people will tune into a Fantastical

318

00:18:23,210 --> 00:18:20,940

story about a man with alien an alien

319

00:18:27,049 --> 00:18:23,220

encounter with videos and so-called

320

00:18:29,570 --> 00:18:27,059

proof of his encounter uh then we'll

321

00:18:32,390 --> 00:18:29,580

tune in here to hear the truth behind

322

00:18:34,490 --> 00:18:32,400

the guy's hoax and how he created The

323

00:18:36,529 --> 00:18:34,500

hoax and how he faked the whole thing

324

00:18:40,490 --> 00:18:36,539

with his friends

325

00:18:43,909 --> 00:18:40,500

that worked at a gas station near him

326

00:18:46,909 --> 00:18:43,919

you know I can't I can't change it so

327

00:18:50,029 --> 00:18:46,919

I'm not going to try to change it and uh

328

00:18:52,789 --> 00:18:50,039

honestly part of me has been racking my

329

00:18:55,430 --> 00:18:52,799

brain recently saying what do I gotta do

330

00:18:58,370 --> 00:18:55,440

to grow my show because we're at an

331

00:19:00,770 --> 00:18:58,380

impasse here you know uh I can only go

332

00:19:02,870 --> 00:19:00,780

so far yelling and screaming at the top

333

00:19:06,409 --> 00:19:02,880

of my lungs about all these fraudsters

334

00:19:09,409 --> 00:19:06,419

fakers and and fairy tale hucksters

335

00:19:11,870 --> 00:19:09,419

and uh maybe we've gotten as far as we

336

00:19:14,930 --> 00:19:11,880

can and and maybe

337

00:19:17,810 --> 00:19:14,940

um that's all I can ask for and no more

338

00:19:20,690 --> 00:19:17,820

uh maybe I can't ask for as big a

339

00:19:22,490 --> 00:19:20,700

bullhorn as those people who are

340

00:19:25,130 --> 00:19:22,500

selling garbage

341

00:19:28,010 --> 00:19:25,140

and uh I gotta make my peace with that

342

00:19:31,070 --> 00:19:28,020

most of me already has but it still

343

00:19:32,029 --> 00:19:31,080

bothers me to see that it still bothers

344

00:19:34,250 --> 00:19:32,039

me

345

00:19:37,010 --> 00:19:34,260

we covered this we've been over this

346

00:19:39,169 --> 00:19:37,020

this man is a fraud why are people

347

00:19:41,270 --> 00:19:39,179

platforming him

348

00:19:44,210 --> 00:19:41,280

but it's no different

349

00:19:47,330 --> 00:19:44,220

you know uh people platform garbage

350

00:19:49,549 --> 00:19:47,340

Peddlers people's hope Channel

351

00:19:53,930 --> 00:19:49,559

those whole channels are based on

352

00:19:56,510 --> 00:19:53,940

garbage Peddlers right and um that is

353

00:19:59,810 --> 00:19:56,520

not going to change that will never

354

00:20:01,909 --> 00:19:59,820

change because the garbage Peddlers get

355

00:20:03,590 --> 00:20:01,919

the clicks and Views and that's what

356

00:20:05,270 --> 00:20:03,600

people are after that's the name of the

357

00:20:07,370 --> 00:20:05,280

game just get the clicks and the views

358

00:20:10,549 --> 00:20:07,380

and don't care

359

00:20:13,730 --> 00:20:10,559

about ethics or morality or doing the

360

00:20:16,070 --> 00:20:13,740

right thing you know it it does bother

361

00:20:19,010 --> 00:20:16,080

me though because I go I'm in this

362

00:20:22,370 --> 00:20:19,020

Cesspool with all of these slime ball

363

00:20:25,850 --> 00:20:22,380

show hosts like Dr J like Jimmy Church

364

00:20:29,150 --> 00:20:25,860

like goof on Rich right like third phase

365

00:20:32,330 --> 00:20:29,160

of moon and I'm supposed to do the right

366

00:20:34,190 --> 00:20:32,340

thing always right we do try to do the

367

00:20:37,190 --> 00:20:34,200

right thing here we try to tell the

368

00:20:39,770 --> 00:20:37,200

audience the truth we never lie we uh

369

00:20:42,830 --> 00:20:39,780

actually investigate the guests that we

370

00:20:46,669 --> 00:20:42,840

bring on here we actually vet

371

00:20:49,070 --> 00:20:46,679

people's Stories We in some cases we

372

00:20:53,150 --> 00:20:49,080

have completely destroyed some people's

373

00:20:53,930 --> 00:20:53,160

stories because they were fake stories

374

00:20:56,690 --> 00:20:53,940

um

375

00:20:57,470 --> 00:20:56,700

but it does but it it gets to me after a

376
00:20:59,750 --> 00:20:57,480
while

377
00:21:02,390 --> 00:20:59,760
uh and by the way I want to thank here

378
00:21:04,610 --> 00:21:02,400
we have Lord ludicrous with kind and

379
00:21:06,409 --> 00:21:04,620
generous 4.99 Super Chat Bravo Stephen

380
00:21:09,049 --> 00:21:06,419
loved the rant I was shocked that Reid

381
00:21:10,070 --> 00:21:09,059
was on another podcast after being

382
00:21:14,210 --> 00:21:10,080
called

383
00:21:15,590 --> 00:21:14,220
these clowns keep calling them out well

384
00:21:17,510 --> 00:21:15,600
thank you I appreciate your support

385
00:21:19,549 --> 00:21:17,520
longtime show supporter Lord Ludacris

386
00:21:22,490 --> 00:21:19,559
here's five dollars to go with the

387
00:21:24,950 --> 00:21:22,500
pennies and by the way I feel bad now my

388
00:21:28,730 --> 00:21:24,960

bitching about the pennies is not you

389

00:21:31,730 --> 00:21:28,740

know I'm not trying to solicit people or

390

00:21:34,430 --> 00:21:31,740

you know beg for money here we're doing

391

00:21:37,430 --> 00:21:34,440

fine it's just that when I see the

392

00:21:39,950 --> 00:21:37,440

resources I I don't really care about

393

00:21:42,950 --> 00:21:39,960

the money for me in other words it's not

394

00:21:46,610 --> 00:21:42,960

like I take this money and I spend it on

395

00:21:49,250 --> 00:21:46,620

myself never it's always on show things

396

00:21:52,070 --> 00:21:49,260

it's like let's get some new lighting

397

00:21:53,750 --> 00:21:52,080

let's get more more and better cameras

398

00:21:57,529 --> 00:21:53,760

we're about to upgrade the stream yard

399

00:22:02,630 --> 00:21:57,539

software finally and I decided that

400

00:22:04,970 --> 00:22:02,640

despite my real aversion I cannot stand

401
00:22:07,250 --> 00:22:04,980
rent to own software that you'll never

402
00:22:09,430 --> 00:22:07,260
own like Adobe Creative Suite but the

403
00:22:12,590 --> 00:22:09,440
fact that we want to produce

404
00:22:16,070 --> 00:22:12,600
professional level quality uh work here

405
00:22:18,470 --> 00:22:16,080
might mean I might cave for that so for

406
00:22:20,930 --> 00:22:18,480
me it's about the resources that we're

407
00:22:23,750 --> 00:22:20,940
gathering for the show and most of the

408
00:22:26,690 --> 00:22:23,760
money if not all of it goes right back

409
00:22:28,490 --> 00:22:26,700
into growing the show or trying to I'm

410
00:22:30,649 --> 00:22:28,500
considering getting ads for the audio

411
00:22:33,169 --> 00:22:30,659
podcast and some other things and this

412
00:22:35,750 --> 00:22:33,179
is all done with the resources of you

413
00:22:37,250 --> 00:22:35,760

kind and generous benefactors so thank

414

00:22:39,049 --> 00:22:37,260

you dirty Mike for your kindness your

415

00:22:41,630 --> 00:22:39,059

generosity and your support it is much

416

00:22:44,510 --> 00:22:41,640

much appreciated and uh we love and

417

00:22:46,730 --> 00:22:44,520

appreciate all you people and then we

418

00:22:48,770 --> 00:22:46,740

have Maria mavrogenus with a Kind and

419

00:22:50,630 --> 00:22:48,780

Generous three dollar super sticker

420

00:22:52,850 --> 00:22:50,640

thank you for your kindness generosity

421

00:22:54,710 --> 00:22:52,860

and support it is much much appreciated

422

00:22:58,549 --> 00:22:54,720

so

423

00:23:00,409 --> 00:22:58,559

uh tonight I I it is uh oh we have

424

00:23:01,730 --> 00:23:00,419

mysterious moon bases respect is the

425

00:23:02,930 --> 00:23:01,740

most important thing at the end of the

426

00:23:05,330 --> 00:23:02,940

day and you have respect in the

427

00:23:07,250 --> 00:23:05,340

community it would be nice if the real

428

00:23:09,649 --> 00:23:07,260

people got paid a little for our time

429

00:23:11,470 --> 00:23:09,659

yeah I agree with you and thank you for

430

00:23:16,250 --> 00:23:11,480

your kindness right

431

00:23:19,010 --> 00:23:16,260

uh so uh it's it is marked yeah it says

432

00:23:20,870 --> 00:23:19,020

it's a tough economy it sure is you know

433

00:23:25,370 --> 00:23:20,880

I um

434

00:23:26,210 --> 00:23:25,380

I am Mark the truth Seeker I am I am out

435

00:23:30,470 --> 00:23:26,220

there

436

00:23:33,529 --> 00:23:30,480

uh looking for antique hand woodworking

437

00:23:35,690 --> 00:23:33,539

tools things like saws and drawl knives

438

00:23:38,210 --> 00:23:35,700

and wood chisels that they're getting

439

00:23:39,890 --> 00:23:38,220

increasingly harder to find and while

440

00:23:42,590 --> 00:23:39,900

you can't just go to Home Depot and buy

441

00:23:45,770 --> 00:23:42,600

those things I prefer the good ones the

442

00:23:47,630 --> 00:23:45,780

old antique ones right I get them on

443

00:23:50,090 --> 00:23:47,640

Facebook Marketplace or Craigslist and I

444

00:23:53,510 --> 00:23:50,100

clean them up but it is such a tough

445

00:23:55,610 --> 00:23:53,520

economy that you know I used to never

446

00:23:57,950 --> 00:23:55,620

care as long as it was within a half

447

00:24:00,770 --> 00:23:57,960

hour or even an hour drive I would just

448

00:24:03,049 --> 00:24:00,780

go and get it if it was cheap and now I

449

00:24:06,350 --> 00:24:03,059

find myself going no I got a 10 minute

450

00:24:08,090 --> 00:24:06,360

rule cost of gas four bucks a gallon I'm

451
00:24:10,669 --> 00:24:08,100
not going any further than 10 minutes

452
00:24:12,289 --> 00:24:10,679
from my house but I am still collecting

453
00:24:15,470 --> 00:24:12,299
these things but isn't it funny how the

454
00:24:19,310 --> 00:24:15,480
economy squeezing down on you can create

455
00:24:21,529 --> 00:24:19,320
this sort of uh you know I I have it in

456
00:24:25,010 --> 00:24:21,539
my brain now like I'm not driving a half

457
00:24:28,430 --> 00:24:25,020
hour to go get some old saw I'll just

458
00:24:30,770 --> 00:24:28,440
wait until one pops up that uh is is 10

459
00:24:33,049 --> 00:24:30,780
minutes from my house but thank you Mark

460
00:24:35,450 --> 00:24:33,059
I appreciate it it is a tough economy

461
00:24:36,890 --> 00:24:35,460
right maybe that's why people are out

462
00:24:39,950 --> 00:24:36,900
there scamming

463
00:24:41,690 --> 00:24:39,960

UFO John Doe with kind of generous 4.99

464

00:24:43,730 --> 00:24:41,700

good to see you back good to see you

465

00:24:45,590 --> 00:24:43,740

again so support the man peeps thank you

466

00:24:49,669 --> 00:24:45,600

for your kindness generosity and support

467

00:24:51,470 --> 00:24:49,679

and Voltaire uh Val tear with kind of

468

00:24:53,930 --> 00:24:51,480

General Dollar 99 thank you for your

469

00:24:55,490 --> 00:24:53,940

kindness generosity and support maybe I

470

00:24:57,049 --> 00:24:55,500

should start bitching about the pennies

471

00:24:59,029 --> 00:24:57,059

more often right

472

00:25:00,890 --> 00:24:59,039

no I really didn't do it for that but

473

00:25:03,710 --> 00:25:00,900

thank you guys I appreciate the

474

00:25:05,690 --> 00:25:03,720

outpouring of support and now you see I

475

00:25:07,490 --> 00:25:05,700

feel better already I feel better

476
00:25:10,789 --> 00:25:07,500
because there are people supporting us

477
00:25:13,070 --> 00:25:10,799
and I shouldn't I should not get down on

478
00:25:13,970 --> 00:25:13,080
the whole situation

479
00:25:15,649 --> 00:25:13,980
um

480
00:25:17,149 --> 00:25:15,659
I'm never going to sell [

481
00:25:18,770 --> 00:25:17,159
tea

482
00:25:20,930 --> 00:25:18,780
by the way there was a funny Twitter

483
00:25:23,029 --> 00:25:20,940
Thread about you know uh Jimmy Church

484
00:25:24,649 --> 00:25:23,039
selling tea that makes you crappy pants

485
00:25:27,169 --> 00:25:24,659
for a week straight

486
00:25:29,990 --> 00:25:27,179
great product to me Church great great

487
00:25:32,750 --> 00:25:30,000
marketing too get the tea get the tea by

488
00:25:33,590 --> 00:25:32,760

the way I had an audio podcast and the

489

00:25:49,190 --> 00:25:33,600

the

490

00:25:52,130 --> 00:25:49,200

supposed to be doing for me I don't know

491

00:25:53,870 --> 00:25:52,140

I hated it I hated it I was like please

492

00:25:56,570 --> 00:25:53,880

you could put any other commercials just

493

00:25:58,250 --> 00:25:56,580

not this crap yourself for a week T nope

494

00:26:01,090 --> 00:25:58,260

nope those are our advertisers you got

495

00:26:04,070 --> 00:26:01,100

to put it in I hated it Jimmy Church

496

00:26:05,630 --> 00:26:04,080

he's okay with you selling you some tea

497

00:26:07,630 --> 00:26:05,640

that will make you crap for a week

498

00:26:10,430 --> 00:26:07,640

straight not me

499

00:26:12,590 --> 00:26:10,440

and somebody said drink the Kool-Aid on

500

00:26:14,750 --> 00:26:12,600

Twitter I think uh Empress Cortana

501
00:26:17,090 --> 00:26:14,760
saying that she used to be a fate or not

502
00:26:19,490 --> 00:26:17,100
and she hopes that people see Jimmy

503
00:26:22,430 --> 00:26:19,500
church for the fraud and the con artists

504
00:26:24,230 --> 00:26:22,440
that he is and I hope so too and if I've

505
00:26:26,029 --> 00:26:24,240
had some part in that then I've done

506
00:26:30,830 --> 00:26:26,039
good in the world because that man

507
00:26:33,710 --> 00:26:30,840
should be expelled from everything no

508
00:26:36,470 --> 00:26:33,720
one this man Jimmy church has brought

509
00:26:39,649 --> 00:26:36,480
more frauds into this community than

510
00:26:43,250 --> 00:26:39,659
anyone he has promoted more frauds than

511
00:26:46,549 --> 00:26:43,260
anyone he has worked with more frauds

512
00:26:49,370 --> 00:26:46,559
than anyone that's my opinion and I'm

513
00:26:51,230 --> 00:26:49,380

entitled to it uh and we have world and

514

00:26:53,029 --> 00:26:51,240

Chaos with the kindly generous 999

515

00:26:55,010 --> 00:26:53,039

saying Thank You Stephen well thank you

516

00:26:57,769 --> 00:26:55,020

I appreciate your kindness generosity

517

00:27:00,529 --> 00:26:57,779

and support and by the way I I got a

518

00:27:02,570 --> 00:27:00,539

package to get out to you world in chaos

519

00:27:05,570 --> 00:27:02,580

thank you for your continued support of

520

00:27:07,390 --> 00:27:05,580

the show it's much much appreciated so I

521

00:27:09,710 --> 00:27:07,400

thought tonight that we could talk about

522

00:27:11,990 --> 00:27:09,720

Skinwalker Ranch

523

00:27:13,730 --> 00:27:12,000

many people keep asking me to talk about

524

00:27:16,310 --> 00:27:13,740

Skinwalker Ranch what do I think about

525

00:27:17,450 --> 00:27:16,320

it do I watch that show by the way no I

526
00:27:18,110 --> 00:27:17,460
don't

527
00:27:21,110 --> 00:27:18,120
um

528
00:27:21,890 --> 00:27:21,120
yeah I I have a problem with skin walker

529
00:27:25,010 --> 00:27:21,900
Ranch

530
00:27:26,870 --> 00:27:25,020
uh oh here we go Dirty Mike with the

531
00:27:29,090 --> 00:27:26,880
Kylie Jenner is five dollars I'll take

532
00:27:31,370 --> 00:27:29,100
an exciting truth over fantastic lies

533
00:27:34,070 --> 00:27:31,380
any day well thank you I'm here for

534
00:27:37,490 --> 00:27:34,080
people like Dirty Mike Dirty Mike that

535
00:27:40,010 --> 00:27:37,500
sounds real creepy dude

536
00:27:43,370 --> 00:27:40,020
Dirty Mike do you know Dirty Mike I once

537
00:27:45,110 --> 00:27:43,380
had a guitar player who had a creepy we

538
00:27:50,090 --> 00:27:45,120

called him skank

539

00:27:54,649 --> 00:27:52,130

thank you dirty Mike for your kindness

540

00:27:56,450 --> 00:27:54,659

so people have asked me many times about

541

00:27:59,810 --> 00:27:56,460

Skinwalker Ranch and do I think there's

542

00:28:02,570 --> 00:27:59,820

anything to it and uh what I think of

543

00:28:04,970 --> 00:28:02,580

the television show and all of that and

544

00:28:08,390 --> 00:28:04,980

and we have really

545

00:28:10,730 --> 00:28:08,400

I have avoided the situation because I'm

546

00:28:12,590 --> 00:28:10,740

going to be very honest here I want to

547

00:28:14,930 --> 00:28:12,600

believe it I want to believe in

548

00:28:17,330 --> 00:28:14,940

Skinwalker Ranch I want to believe in a

549

00:28:20,029 --> 00:28:17,340

paranormal hot spot where you can see

550

00:28:23,269 --> 00:28:20,039

UFOs and aliens and interdimensional

551
00:28:27,289 --> 00:28:23,279
beings and werewolves and Dino beavers

552
00:28:28,310 --> 00:28:27,299
and orbs and poltergeists I want to

553
00:28:30,289 --> 00:28:28,320
believe

554
00:28:33,830 --> 00:28:30,299
that it's true

555
00:28:35,930 --> 00:28:33,840
I really do but the problem comes when

556
00:28:38,510 --> 00:28:35,940
we get to the part where you ask for

557
00:28:40,730 --> 00:28:38,520
evidence because what you'll notice

558
00:28:43,130 --> 00:28:40,740
about Skinwalker Ranch and this is

559
00:28:45,370 --> 00:28:43,140
something that I have noticed and an

560
00:28:48,769 --> 00:28:45,380
incredible amount of times

561
00:28:51,350 --> 00:28:48,779
that whoever the current you

562
00:28:53,510 --> 00:28:51,360
profiteering huckster is that is pushing

563
00:28:54,950 --> 00:28:53,520

stories of Skinwalker they're always

564

00:28:57,590 --> 00:28:54,960

making money

565

00:28:59,090 --> 00:28:57,600

anybody who is telling Fantastical

566

00:29:05,690 --> 00:28:59,100

stories

567

00:29:07,070 --> 00:29:05,700

phenomenon at Skinwalker Ranch is making

568

00:29:11,390 --> 00:29:07,080

money

569

00:29:14,649 --> 00:29:11,400

we have never seen never never not once

570

00:29:18,889 --> 00:29:14,659

have we seen a truly Independent party

571

00:29:21,110 --> 00:29:18,899

who was not profiting from the so-called

572

00:29:24,230 --> 00:29:21,120

Skinwalker Ranch let's just call it

573

00:29:27,950 --> 00:29:24,240

legend or Mythos we have never seen a

574

00:29:29,590 --> 00:29:27,960

single individual that was not part of

575

00:29:32,570 --> 00:29:29,600

the money train

576

00:29:35,510 --> 00:29:32,580

that could tell us some Fantastical

577

00:29:37,430 --> 00:29:35,520

stories of paranormal phenomenon they

578

00:29:41,029 --> 00:29:37,440

encountered there no

579

00:29:43,850 --> 00:29:41,039

no everyone who is pushing these stories

580

00:29:47,210 --> 00:29:43,860

is directly connected to the Skinwalker

581

00:29:50,210 --> 00:29:47,220

Ranch Gravy Train the money follow the

582

00:29:52,430 --> 00:29:50,220

money and you will find that whoever is

583

00:29:55,430 --> 00:29:52,440

promoting Skinwalker Ranch as a

584

00:29:56,630 --> 00:29:55,440

paranormal hot spy whether it be Bob

585

00:29:58,970 --> 00:29:56,640

Bigelow

586

00:30:01,310 --> 00:29:58,980

or George Knapp

587

00:30:04,669 --> 00:30:01,320

Jeremy Corbell

588

00:30:08,029 --> 00:30:04,679

and now this new crop of people

589

00:30:12,230 --> 00:30:08,039

for those unaware some time ago because

590

00:30:14,810 --> 00:30:12,240

of lack of activity at the ranch Bob

591

00:30:16,730 --> 00:30:14,820

Bigelow sold it

592

00:30:20,049 --> 00:30:16,740

to a real estate mobile

593

00:30:23,149 --> 00:30:20,059

and uh since then

594

00:30:26,690 --> 00:30:23,159

the current new owner has gotten

595

00:30:28,070 --> 00:30:26,700

television show deals media appearances

596

00:30:32,210 --> 00:30:28,080

and more

597

00:30:36,350 --> 00:30:32,220

all while pushing the Legends and the

598

00:30:39,110 --> 00:30:36,360

Mythos of Skinwalker Ranch and by the

599

00:30:41,870 --> 00:30:39,120

way if you really look into the history

600

00:30:43,750 --> 00:30:41,880

of the term Skinwalker it's a it's an

601
00:30:46,430 --> 00:30:43,760
incredibly sad story

602
00:30:49,190 --> 00:30:46,440
uh and it involves Native American

603
00:30:51,409 --> 00:30:49,200
children who were forced to

604
00:30:53,810 --> 00:30:51,419
deny their Heritage their language

605
00:30:56,690 --> 00:30:53,820
weren't allowed outside

606
00:30:58,730 --> 00:30:56,700
it's a long story someday I'll tell it

607
00:31:02,029 --> 00:30:58,740
but

608
00:31:05,330 --> 00:31:02,039
getting back to whether I believe it no

609
00:31:07,190 --> 00:31:05,340
no I don't believe anything out of

610
00:31:10,909 --> 00:31:07,200
Skinwalker Ranch and there's a reason

611
00:31:13,190 --> 00:31:10,919
for that because after 22 million

612
00:31:16,010 --> 00:31:13,200
dollars of taxpayer money wasted

613
00:31:17,810 --> 00:31:16,020

studying largely studying Skinwalker

614

00:31:20,690 --> 00:31:17,820

Ranch

615

00:31:22,549 --> 00:31:20,700

and after how many seasons if someone

616

00:31:25,310 --> 00:31:22,559

could let me know in a live chat how

617

00:31:28,070 --> 00:31:25,320

many years or seasons has The Secret of

618

00:31:30,409 --> 00:31:28,080

Skinwalker Ranch been on television do

619

00:31:31,490 --> 00:31:30,419

we know that how many seasons I could

620

00:31:35,210 --> 00:31:31,500

look it up

621

00:31:37,610 --> 00:31:35,220

uh so after 22 million dollars of wasted

622

00:31:39,590 --> 00:31:37,620

taxpayer funded

623

00:31:43,149 --> 00:31:39,600

research

624

00:31:48,230 --> 00:31:43,159

uh after

625

00:31:49,909 --> 00:31:48,240

many seasons of uh of the secret of

626
00:31:50,870 --> 00:31:49,919
Skinwalker Ranch I'm going to put it in

627
00:31:54,110 --> 00:31:50,880
right now

628
00:32:01,610 --> 00:31:54,120
because I'm unaware I tried to watch it

629
00:32:05,510 --> 00:32:04,070
all right we're up to season three so

630
00:32:08,090 --> 00:32:05,520
that's

631
00:32:10,190 --> 00:32:08,100
three seasons of a television show and

632
00:32:13,610 --> 00:32:10,200
there's I don't know if you're up to

633
00:32:17,450 --> 00:32:16,010
of season three we'll we'll share that

634
00:32:21,529 --> 00:32:17,460
here

635
00:32:23,889 --> 00:32:21,539
so after 22 million dollars wasted and

636
00:32:26,990 --> 00:32:23,899
after

637
00:32:29,870 --> 00:32:27,000
yeah here we are

638
00:32:32,210 --> 00:32:29,880

after three television series three

639

00:32:34,490 --> 00:32:32,220

seasons of a television show

640

00:32:37,010 --> 00:32:34,500

I'd like to see the evidence wouldn't

641

00:32:41,990 --> 00:32:40,789

and certainly uh if you have enough if

642

00:32:43,870 --> 00:32:42,000

you have enough

643

00:32:47,630 --> 00:32:43,880

equipment

644

00:32:51,070 --> 00:32:47,640

magnetometers and uh you know Geiger

645

00:32:54,049 --> 00:32:51,080

counters and all kinds of scientific

646

00:32:56,870 --> 00:32:54,059

electronic equipment I'm sure that you

647

00:33:01,010 --> 00:32:56,880

will find some anomalies

648

00:33:03,230 --> 00:33:01,020

but what what bothers me largely about

649

00:33:05,450 --> 00:33:03,240

Skinwalker Ranch is people like George

650

00:33:07,549 --> 00:33:05,460

Knapp have made millions of dollars

651
00:33:10,370 --> 00:33:07,559
let's be clear George Knapp two book

652
00:33:13,070 --> 00:33:10,380
deals right all about Skinwalker Ranch

653
00:33:15,889 --> 00:33:13,080
and the legend of Skinwalker Ranch but

654
00:33:17,690 --> 00:33:15,899
when asked on The Joe Rogan show if

655
00:33:19,850 --> 00:33:17,700
there was evidence while he was telling

656
00:33:23,330 --> 00:33:19,860
fantastic stories well no there's no

657
00:33:26,330 --> 00:33:23,340
evidence yet in his book he claims that

658
00:33:29,630 --> 00:33:26,340
the book is based on years of collected

659
00:33:30,909 --> 00:33:29,640
evidence but yet he doesn't give us any

660
00:33:35,149 --> 00:33:30,919
evidence

661
00:33:37,490 --> 00:33:35,159
and pardon me if I don't believe the the

662
00:33:40,850 --> 00:33:37,500
man who brought us the fake fraud Bob

663
00:33:42,889 --> 00:33:40,860

Lazar when he tells me Fantastical fairy

664

00:33:45,230 --> 00:33:42,899

tale stories about paranormal activity

665

00:33:47,149 --> 00:33:45,240

at some ranch

666

00:33:49,490 --> 00:33:47,159

I don't believe George Knapp George

667

00:33:51,169 --> 00:33:49,500

Knapp is a profiteering huckster he

668

00:33:53,570 --> 00:33:51,179

doesn't care if a story is true or not

669

00:33:56,509 --> 00:33:53,580

he only cares if it will sell

670

00:33:58,909 --> 00:33:56,519

and I gotta be honest

671

00:34:02,750 --> 00:33:58,919

part of me admires and respects George

672

00:34:04,789 --> 00:34:02,760

Knapp I I I kind of will part of me

673

00:34:07,190 --> 00:34:04,799

wants to be like that like who cares if

674

00:34:09,530 --> 00:34:07,200

the story is true make some money right

675

00:34:12,649 --> 00:34:09,540

people are stupid people everybody will

676

00:34:16,010 --> 00:34:12,659

buy this book full of fairy tales

677

00:34:18,730 --> 00:34:16,020

but I just I I can't bring myself to do

678

00:34:21,829 --> 00:34:18,740

that to people to like actively

679

00:34:27,050 --> 00:34:21,839

participate in what can only be called a

680

00:34:30,050 --> 00:34:27,060

great hoax of creating a legend around a

681

00:34:32,510 --> 00:34:30,060

Old Ranch in the middle of nowhere and

682

00:34:35,629 --> 00:34:32,520

that's what it is it's an old abandoned

683

00:34:39,889 --> 00:34:35,639

Ranch in the middle of nowhere friends

684

00:34:43,129 --> 00:34:39,899

and uh you know it's important that we

685

00:34:45,470 --> 00:34:43,139

realize too that since the beginning of

686

00:34:48,050 --> 00:34:45,480

this television show and Brandon fugel's

687

00:34:48,829 --> 00:34:48,060

purchase of this property there have

688

00:34:51,050 --> 00:34:48,839

been

689

00:34:52,550 --> 00:34:51,060

uh how I don't know how many cameras

690

00:34:54,290 --> 00:34:52,560

they got a ton of high definition

691

00:34:56,810 --> 00:34:54,300

cameras

692

00:34:59,390 --> 00:34:56,820

and one might ask themselves if there's

693

00:35:01,670 --> 00:34:59,400

all this Paranormal Activity

694

00:35:05,510 --> 00:35:01,680

and they have all these HD cameras there

695

00:35:11,030 --> 00:35:05,520

a film crew all kinds of uh all kinds of

696

00:35:14,690 --> 00:35:11,040

equipment and high-tech cameras 24 7

697

00:35:18,050 --> 00:35:14,700

surveillance of the entire area where is

698

00:35:21,349 --> 00:35:18,060

the videos of the dino beavers

699

00:35:23,510 --> 00:35:21,359

where is the videos of the werewolves or

700

00:35:28,310 --> 00:35:23,520

the aliens or the interdimensional

701
00:35:29,270 --> 00:35:28,320
beings or the UFOs or the orbs what we

702
00:35:31,849 --> 00:35:29,280
get

703
00:35:36,370 --> 00:35:31,859
it's it's a classic case of what I've

704
00:35:40,030 --> 00:35:36,380
been saying over promise under deliver

705
00:35:43,550 --> 00:35:40,040
y connected to Skinwalker over promises

706
00:35:46,430 --> 00:35:43,560
and inevitably we get them under

707
00:35:50,270 --> 00:35:46,440
delivering you've got three seasons of a

708
00:35:52,550 --> 00:35:50,280
television show where is this Dr Travis

709
00:35:54,950 --> 00:35:52,560
Taylor's published scientific research

710
00:35:57,349 --> 00:35:54,960
on the Paranormal phenomenon at the

711
00:36:00,170 --> 00:35:57,359
ranch is that still coming he's got to

712
00:36:03,290 --> 00:36:00,180
get a few a few more seasons of the show

713
00:36:06,230 --> 00:36:03,300

in get paid tens of thousands of more

714

00:36:09,230 --> 00:36:06,240
dollars before he can release the

715

00:36:12,589 --> 00:36:09,240
scientific data that they are supposedly

716

00:36:14,930 --> 00:36:12,599
collecting I haven't seen it and I will

717

00:36:15,829 --> 00:36:14,940
freely admit I could be wrong I could be

718

00:36:18,349 --> 00:36:15,839
wrong

719

00:36:20,690 --> 00:36:18,359
and I could be misinformed

720

00:36:21,530 --> 00:36:20,700
but I did do a search for Dr Travis

721

00:36:23,450 --> 00:36:21,540
Taylor

722

00:36:26,990 --> 00:36:23,460
academic papers

723

00:36:29,510 --> 00:36:27,000
not one paper on Skinwalker Ranch uh and

724

00:36:34,370 --> 00:36:29,520
it also is important that we know that

725

00:36:37,250 --> 00:36:34,380
doctor this Travis Taylor is is a he's a

726

00:36:39,410 --> 00:36:37,260

spotlight Hound right

727

00:36:41,329 --> 00:36:39,420

uh and somebody's asking what the hell

728

00:36:43,790 --> 00:36:41,339

is a dino beaver I would like to know

729

00:36:45,650 --> 00:36:43,800

myself because apparently one of the big

730

00:36:47,390 --> 00:36:45,660

stories about the Skinwalker Ranch is

731

00:36:49,609 --> 00:36:47,400

that people witnessed a creature that

732

00:36:52,069 --> 00:36:49,619

was half dinosaur and half beaver that

733

00:36:53,750 --> 00:36:52,079

they called a dino beaver and even

734

00:36:56,329 --> 00:36:53,760

though they went there with cameras to

735

00:36:58,250 --> 00:36:56,339

film paranormal activity no one thought

736

00:37:00,770 --> 00:36:58,260

to pick up the camera and film The Dino

737

00:37:04,010 --> 00:37:00,780

Beaver so we just get a story about a

738

00:37:06,770 --> 00:37:04,020

dino Beaver we don't get actual evidence

739

00:37:08,329 --> 00:37:06,780

um and you know if it's troubling that

740

00:37:09,950 --> 00:37:08,339

George Knapp would write in his book

741

00:37:12,349 --> 00:37:09,960

that the book was based on all this

742

00:37:15,730 --> 00:37:12,359

scientific evidence and then failed to

743

00:37:20,329 --> 00:37:15,740

provide any scientific evidence to me

744

00:37:23,510 --> 00:37:20,339

that's a bit of a uh that's a bit of a

745

00:37:26,690 --> 00:37:23,520

uh of red flag that this story might be

746

00:37:29,270 --> 00:37:26,700

[h__\h] the second red flag that the

747

00:37:32,030 --> 00:37:29,280

story is probably bull is the fact that

748

00:37:34,810 --> 00:37:32,040

George Knapp is selling it you know kind

749

00:37:38,569 --> 00:37:34,820

of like he's he sold that

750

00:37:42,170 --> 00:37:38,579

convicted pimp fake scientists story Bob

751

00:37:45,410 --> 00:37:42,180

Lazar for 30 years yeah the same guy who

752

00:37:47,089 --> 00:37:45,420

sold us a story that he claimed was from

753

00:37:49,670 --> 00:37:47,099

a scientist that turned out to be a

754

00:37:52,370 --> 00:37:49,680

convicted and fake scientist

755

00:37:57,470 --> 00:37:52,380

uh is bringing us these Fantastical

756

00:38:04,790 --> 00:38:00,890

Skinwalker Ranch right I I'm not buying

757

00:38:06,530 --> 00:38:04,800

it I am not buying it and uh if you're a

758

00:38:09,109 --> 00:38:06,540

taxpayer in the United States like me

759

00:38:11,870 --> 00:38:09,119

you may want to call the government and

760

00:38:14,510 --> 00:38:11,880

ask what we got for 22 million dollars

761

00:38:17,630 --> 00:38:14,520

that they handed over to Bigelow to

762

00:38:18,950 --> 00:38:17,640

study his own ranch that he owned if he

763

00:38:20,810 --> 00:38:18,960

owed the ranch and he wanted to

764

00:38:22,849 --> 00:38:20,820

scientifically studied shouldn't he put

765

00:38:24,650 --> 00:38:22,859

out that money instead of making us

766

00:38:27,770 --> 00:38:24,660

taxpayers

767

00:38:30,770 --> 00:38:27,780

and uh Stephen Green Street has recently

768

00:38:33,050 --> 00:38:30,780

done some excellent work uh outlining

769

00:38:35,750 --> 00:38:33,060

some of the garbage pedaling that took

770

00:38:38,109 --> 00:38:35,760

place with the Bigelow Fiasco and

771

00:38:40,370 --> 00:38:38,119

Skinwalker Ranch if you're not aware

772

00:38:43,910 --> 00:38:40,380

Bigelow would call the ranch every week

773

00:38:47,150 --> 00:38:43,920

and he was paying scientists to uh he

774

00:38:48,770 --> 00:38:47,160

was paying scientists to I suppose live

775

00:38:50,750 --> 00:38:48,780

there and studied the Paranormal

776

00:38:53,030 --> 00:38:50,760

phenomenon that was happening constantly

777

00:38:56,150 --> 00:38:53,040

there even though we don't get one video

778

00:38:59,150 --> 00:38:56,160

one picture nothing

779

00:39:01,970 --> 00:38:59,160

22 million dollars I can't get one

780

00:39:03,710 --> 00:39:01,980

picture of a dino beaver I can't get one

781

00:39:06,430 --> 00:39:03,720

picture of the werewolves everybody's

782

00:39:10,190 --> 00:39:06,440

talking about after 22 million dollars

783

00:39:13,790 --> 00:39:10,200

where did the money go nobody knows

784

00:39:16,490 --> 00:39:13,800

but it's it is interesting that uh

785

00:39:18,950 --> 00:39:16,500

Stephen Green Street revealed that

786

00:39:21,530 --> 00:39:18,960

people would just call facts

787

00:39:23,630 --> 00:39:21,540

one member of the so-called research

788

00:39:26,210 --> 00:39:23,640

team previous to the television show

789

00:39:29,750 --> 00:39:26,220

research team I should specify would get

790

00:39:31,670 --> 00:39:29,760

drunk and fax Bob Bigelow Fantastical

791

00:39:34,069 --> 00:39:31,680

stories about all the Paranormal

792

00:39:36,050 --> 00:39:34,079

phenomenon those people like their

793

00:39:38,630 --> 00:39:36,060

paycheck like hanging out doing almost

794

00:39:40,609 --> 00:39:38,640

nothing at a ranch all day I guess one

795

00:39:43,430 --> 00:39:40,619

of the keep those paychecks rolling in

796

00:39:46,190 --> 00:39:43,440

so every week somebody would get drunk

797

00:39:48,530 --> 00:39:46,200

and send Bigelow some Fantastical story

798

00:39:50,810 --> 00:39:48,540

about paranormal stuff happening at the

799

00:39:54,650 --> 00:39:50,820

ranch was there any proof of any of

800

00:39:58,190 --> 00:39:54,660

those fact stories no no

801
00:40:00,290 --> 00:39:58,200
so I have a problem well there's

802
00:40:02,990 --> 00:40:00,300
multiple problems I have multiple

803
00:40:06,290 --> 00:40:03,000
problems with the story of Skinwalker

804
00:40:07,910 --> 00:40:06,300
Ranch however some of you may or may not

805
00:40:11,870 --> 00:40:07,920
be aware of this but I am very

806
00:40:15,290 --> 00:40:11,880
interested in ancient American folklore

807
00:40:18,290 --> 00:40:15,300
and mythology and Native Americans and

808
00:40:22,250 --> 00:40:18,300
native peoples Legends and stories and

809
00:40:26,270 --> 00:40:22,260
uh so of course since that's sort of

810
00:40:28,130 --> 00:40:26,280
connected here I I like I originally

811
00:40:31,910 --> 00:40:28,140
loved the story

812
00:40:35,690 --> 00:40:31,920
it was only after and I got George

813
00:40:38,690 --> 00:40:35,700

Knapp's first book right and loved it

814

00:40:39,950 --> 00:40:38,700

great stories they are they are great

815

00:40:43,310 --> 00:40:39,960

stories

816

00:40:45,829 --> 00:40:43,320

but when you start to peel away the

817

00:40:49,490 --> 00:40:45,839

layers of deception used to sell the

818

00:40:52,690 --> 00:40:49,500

book like this book is based on all this

819

00:40:55,630 --> 00:40:52,700

scientific research that was compiled

820

00:40:58,430 --> 00:40:55,640

and then

821

00:41:02,329 --> 00:40:58,440

curiously he doesn't include any of the

822

00:41:04,370 --> 00:41:02,339

scientific proof or research then I

823

00:41:06,950 --> 00:41:04,380

start to question the motives of the

824

00:41:09,410 --> 00:41:06,960

people and you will notice this

825

00:41:11,270 --> 00:41:09,420

everybody that talks about Skinwalker

826

00:41:14,270 --> 00:41:11,280

Ranch is somehow connected to the money

827

00:41:16,490 --> 00:41:14,280

we've got the security guard who works

828

00:41:19,250 --> 00:41:16,500

there we've got other members of the

829

00:41:21,950 --> 00:41:19,260

crew that are getting a TV show paycheck

830

00:41:23,750 --> 00:41:21,960

every week to be there they talk about

831

00:41:26,630 --> 00:41:23,760

Skinwalker

832

00:41:28,370 --> 00:41:26,640

um I I'm just not buying it and Travis

833

00:41:32,349 --> 00:41:28,380

Taylor where's the where's the

834

00:41:37,310 --> 00:41:34,730

I would think

835

00:41:39,530 --> 00:41:37,320

if he's such a great scientist and then

836

00:41:41,630 --> 00:41:39,540

of course remember

837

00:41:43,670 --> 00:41:41,640

that the gravy train

838

00:41:45,829 --> 00:41:43,680

there are people who are constantly

839

00:41:48,950 --> 00:41:45,839

trying to get on the gravy train around

840

00:41:52,370 --> 00:41:48,960

Paranormal Activity

841

00:41:54,890 --> 00:41:52,380

I mean we see it everywhere but they

842

00:41:56,510 --> 00:41:54,900

also are trying to get a like Travis

843

00:41:58,190 --> 00:41:56,520

Trent Taylor is getting a government

844

00:42:01,250 --> 00:41:58,200

paycheck

845

00:42:04,550 --> 00:42:01,260

to so-called study paranormal activity

846

00:42:07,310 --> 00:42:04,560

while he's getting a paycheck from the

847

00:42:10,790 --> 00:42:07,320

skinwalker television show

848

00:42:13,730 --> 00:42:10,800

he's also getting a paycheck now

849

00:42:16,310 --> 00:42:13,740

he has decided that uh he's important

850

00:42:18,349 --> 00:42:16,320

enough and he has incredible secret

851
00:42:21,230 --> 00:42:18,359
information never before shared about

852
00:42:24,290 --> 00:42:21,240
Skinwalker Ranch that you should pay him

853
00:42:27,470 --> 00:42:24,300
75 dollars to have lunch with him

854
00:42:29,690 --> 00:42:27,480
that's the level of I I suppose hero

855
00:42:32,150 --> 00:42:29,700
there's also a level of hero worship

856
00:42:35,270 --> 00:42:32,160
associated with this thing

857
00:42:37,490 --> 00:42:35,280
and I don't know

858
00:42:39,349 --> 00:42:37,500
me I've been on television I've never

859
00:42:40,990 --> 00:42:39,359
been impressed with anybody being on

860
00:42:44,329 --> 00:42:41,000
television you know

861
00:42:46,370 --> 00:42:44,339
uh well maybe that's not completely

862
00:42:48,230 --> 00:42:46,380
accurate but mostly you know just

863
00:42:50,210 --> 00:42:48,240

because somebody's on television I I

864

00:42:52,550 --> 00:42:50,220

don't Fanboy anybody just because

865

00:42:55,609 --> 00:42:52,560

they're on television but some people do

866

00:42:58,190 --> 00:42:55,619

and so recently at phenomicon

867

00:43:00,829 --> 00:42:58,200

I think that's I love that Khan is

868

00:43:03,770 --> 00:43:00,839

included in these conventions and I know

869

00:43:05,030 --> 00:43:03,780

it's short for convention but

870

00:43:08,569 --> 00:43:05,040

Khan

871

00:43:11,630 --> 00:43:08,579

kind of like uh UFO con

872

00:43:15,589 --> 00:43:11,640

alien con

873

00:43:20,930 --> 00:43:15,599

truth and advertising friends it's a con

874

00:43:23,809 --> 00:43:20,940

so uh recently Dr Travis Taylor uh has

875

00:43:26,510 --> 00:43:23,819

and by the way Travis Taylor is a

876

00:43:28,250 --> 00:43:26,520

spotlight hand he's he loves being on

877

00:43:31,370 --> 00:43:28,260

television he loves being the center of

878

00:43:33,530 --> 00:43:31,380

attention he has uh another television

879

00:43:36,589 --> 00:43:33,540

show that he did what was it like

880

00:43:38,630 --> 00:43:36,599

redneck Red Alert or something

881

00:43:41,210 --> 00:43:38,640

where him and his redneck friends did

882

00:43:43,250 --> 00:43:41,220

stupid [h__h] like build a submarine well

883

00:43:45,349 --> 00:43:43,260

actually I kind of like that show I

884

00:43:47,270 --> 00:43:45,359

liked the guy I liked Travis Taylor

885

00:43:51,290 --> 00:43:47,280

seems like a fun guy to hang out with

886

00:43:52,670 --> 00:43:51,300

I'm into Weird Science stuff so if I

887

00:43:56,150 --> 00:43:52,680

could hang out with Travis Taylor and

888

00:43:57,770 --> 00:43:56,160

like build rockets and explosions and uh

889

00:44:00,230 --> 00:43:57,780

you know submarines out of storage

890

00:44:02,450 --> 00:44:00,240

containers I'd be all chips in I'd hang

891

00:44:05,089 --> 00:44:02,460

out Travis Taylor and do those things

892

00:44:07,790 --> 00:44:05,099

the problem that I have with him comes

893

00:44:10,670 --> 00:44:07,800

from his promotion of uh what is

894

00:44:13,130 --> 00:44:10,680

essentially a myth or a legend

895

00:44:15,530 --> 00:44:13,140

that has no factual evidence behind it

896

00:44:17,650 --> 00:44:15,540

to back up the claims of all of the

897

00:44:20,750 --> 00:44:17,660

people running through

898

00:44:22,430 --> 00:44:20,760

[h__h] we ran out of UFO money now we

899

00:44:25,250 --> 00:44:22,440

gotta run through and get all the skin

900

00:44:28,010 --> 00:44:25,260

walker Ranch money we can and just

901
00:44:29,990 --> 00:44:28,020
connect just say there's UFOs too and we

902
00:44:33,650 --> 00:44:30,000
can get these stupid people that believe

903
00:44:35,089 --> 00:44:33,660
in UFOs to uh throw in some skin walker

904
00:44:36,770 --> 00:44:35,099
Ranch money and we'll run through and

905
00:44:39,829 --> 00:44:36,780
collect all the Skinwalker Ranch money

906
00:44:41,569 --> 00:44:39,839
now he's and he collected the redneck I

907
00:44:43,430 --> 00:44:41,579
don't play you know look if I can get a

908
00:44:45,770 --> 00:44:43,440
television show Deal do a redneck [h__h]

909
00:44:49,250 --> 00:44:45,780
out in the woods I would too

910
00:44:51,050 --> 00:44:49,260
and uh but it's important to note that

911
00:44:52,670 --> 00:44:51,060
Travis Taylor wants to be a television

912
00:44:54,290 --> 00:44:52,680
star he doesn't want to be a scientist

913
00:44:56,030 --> 00:44:54,300

if he did he would spend all his time

914

00:44:59,150 --> 00:44:56,040

doing science and he wouldn't be all

915

00:45:02,150 --> 00:44:59,160

over uh you know television

916

00:45:05,750 --> 00:45:02,160

with multiple television show projects

917

00:45:07,609 --> 00:45:05,760

uh that gives me pause about him and by

918

00:45:09,349 --> 00:45:07,619

the way I just to be clear I have

919

00:45:11,210 --> 00:45:09,359

nothing against the guy other than the

920

00:45:13,309 --> 00:45:11,220

fact that I think that he is profiting

921

00:45:16,130 --> 00:45:13,319

unfairly

922

00:45:17,809 --> 00:45:16,140

from what is essentially a legend and

923

00:45:21,050 --> 00:45:17,819

and that whole

924

00:45:22,910 --> 00:45:21,060

I did see some of the early episodes of

925

00:45:25,730 --> 00:45:22,920

The Secret of Skinwalker Ranch and it

926
00:45:27,710 --> 00:45:25,740
was all staged reality show nonsense

927
00:45:30,589 --> 00:45:27,720
like they'd bring him in for this big

928
00:45:32,510 --> 00:45:30,599
meeting he knew that he was going on a

929
00:45:34,309 --> 00:45:32,520
television show then they faked the

930
00:45:36,050 --> 00:45:34,319
whole thing like he's getting hired to

931
00:45:39,829 --> 00:45:36,060
be the scientist in charge of the

932
00:45:42,710 --> 00:45:39,839
investigation [h__h] he was a TV star

933
00:45:44,510 --> 00:45:42,720
already they brought him in right out of

934
00:45:46,730 --> 00:45:44,520
Central Casting

935
00:45:50,569 --> 00:45:46,740
in my opinion

936
00:45:52,970 --> 00:45:50,579
so but recently Travis Taylor is at

937
00:45:56,870 --> 00:45:52,980
phenomicon I think that's how you say

938
00:45:58,970 --> 00:45:56,880

that and he is uh doing a talk uh there

939

00:46:02,510 --> 00:45:58,980

was some interesting sound bites like he

940

00:46:09,470 --> 00:46:02,520

uh Drew shade on Bob Lazar which I love

941

00:46:15,530 --> 00:46:11,569

we're gonna go to

942

00:46:18,950 --> 00:46:15,540

some of uh Stephen green streets uh

943

00:46:24,530 --> 00:46:21,470

because they're funny and they involve

944

00:46:28,430 --> 00:46:26,270

and here we go

945

00:46:30,290 --> 00:46:28,440

Travis Taylor claims both he and Jay

946

00:46:33,109 --> 00:46:30,300

Stratton

947

00:46:34,790 --> 00:46:33,119

are infected with the skinwalker

948

00:46:37,069 --> 00:46:34,800

hitchhiker

949

00:46:39,349 --> 00:46:37,079

have Taylor and Stratton informed

950

00:46:40,970 --> 00:46:39,359

Radiance Tech their new employer that

951

00:46:42,829 --> 00:46:40,980

they are both infected with the

952

00:46:46,630 --> 00:46:42,839

contagion that could cause paralysis

953

00:46:51,349 --> 00:46:49,609

and uh you know Stephen Green Street has

954

00:46:53,210 --> 00:46:51,359

thrown an awful lot of shade on Travis

955

00:46:55,250 --> 00:46:53,220

Taylor and I noticed Travis Taylor has

956

00:46:58,490 --> 00:46:55,260

not uh responded

957

00:47:01,970 --> 00:46:58,500

to any of his criticisms

958

00:47:03,589 --> 00:47:01,980

and one of them is very well placed and

959

00:47:05,510 --> 00:47:03,599

uh we're going to put up our fair use

960

00:47:07,790 --> 00:47:05,520

Banner I'm gonna

961

00:47:10,790 --> 00:47:07,800

in one second I'm gonna remind everybody

962

00:47:13,130 --> 00:47:10,800

that we are uh creating a transformative

963

00:47:15,829 --> 00:47:13,140

work here and we're educating the public

964

00:47:18,170 --> 00:47:15,839

about the secret of Skinwalker Ranch and

965

00:47:20,690 --> 00:47:18,180

the profiteering people making tons of

966

00:47:22,430 --> 00:47:20,700

money off of it like Travis Taylor and

967

00:47:23,990 --> 00:47:22,440

we'll be critiquing the video that we

968

00:47:26,870 --> 00:47:24,000

are sharing this is covered under fair

969

00:47:29,809 --> 00:47:26,880

use and is certainly allowable by law

970

00:47:33,309 --> 00:47:29,819

lawyer letters are standing by uh so

971

00:47:37,430 --> 00:47:33,319

someone recently attended a 75 dollar

972

00:47:44,390 --> 00:47:41,210

and for your 75 bucks

973

00:47:47,270 --> 00:47:44,400

you got your choice of soup or salad and

974

00:47:50,510 --> 00:47:47,280

a main entree they even had vegetarian

975

00:47:52,910 --> 00:47:50,520

options I watched this whole thing

976

00:47:55,010 --> 00:47:52,920

I feel like a loser when I watch this

977

00:47:57,670 --> 00:47:55,020

stuff like that like I spent hours of my

978

00:48:00,530 --> 00:47:57,680

life watching this entire

979

00:48:03,050 --> 00:48:00,540

VIP lunch I was curious what do you get

980

00:48:05,210 --> 00:48:03,060

for 75 bucks besides a shitty you know

981

00:48:06,950 --> 00:48:05,220

catered meal

982

00:48:09,050 --> 00:48:06,960

and in full disclosure I don't know if

983

00:48:12,170 --> 00:48:09,060

the meal was shitty nobody's commented

984

00:48:15,950 --> 00:48:12,180

on the food but the stuff that Travis

985

00:48:18,410 --> 00:48:15,960

Taylor was saying is demonstrably false

986

00:48:20,870 --> 00:48:18,420

Travis Taylor essentially got paid money

987

00:48:23,030 --> 00:48:20,880

to have lunch with a bunch of fans of

988

00:48:26,870 --> 00:48:23,040

The Secret of Skinwalker Ranch and then

989

00:48:28,630 --> 00:48:26,880

he told them fake stories during that

990

00:48:33,230 --> 00:48:28,640

lunch that they were paying money for

991

00:48:34,490 --> 00:48:33,240

and to me I'm sorry Travis Taylor uh you

992

00:48:36,410 --> 00:48:34,500

can come here and we'll have a

993

00:48:40,490 --> 00:48:36,420

respectful conversation about this but

994

00:48:43,010 --> 00:48:40,500

to me if you take 75 dollars

995

00:48:44,710 --> 00:48:43,020

from people to have lunch with them and

996

00:48:48,290 --> 00:48:44,720

tell them stories

997

00:48:50,210 --> 00:48:48,300

and then this it turns out that most of

998

00:48:54,890 --> 00:48:50,220

the stories that you're telling are

999

00:48:57,470 --> 00:48:54,900

demonstrably fake false information

1000

00:49:00,470 --> 00:48:57,480

essentially he took 75 dollars from

1001
00:49:02,569 --> 00:49:00,480
these people and then he lied to them

1002
00:49:04,910 --> 00:49:02,579
for the 75 dollars

1003
00:49:07,370 --> 00:49:04,920
I consider that a form of fraud

1004
00:49:10,730 --> 00:49:07,380
but I'm no law enforcement official or

1005
00:49:14,270 --> 00:49:10,740
anything like that so you know this is

1006
00:49:16,670 --> 00:49:14,280
just my opinion but would I take 75

1007
00:49:19,430 --> 00:49:16,680
dollars to have lunch with somebody and

1008
00:49:22,430 --> 00:49:19,440
then lie to them in exchange for the 75

1009
00:49:24,770 --> 00:49:22,440
dollars no and I think most ethical and

1010
00:49:29,450 --> 00:49:24,780
moral people would not do that

1011
00:49:31,430 --> 00:49:29,460
so I instantly up until these recent

1012
00:49:33,410 --> 00:49:31,440
Revelations I I didn't really have a

1013
00:49:36,109 --> 00:49:33,420

problem with with Travis Taylor I like

1014

00:49:38,450 --> 00:49:36,119

that redneck show I have a cabin out in

1015

00:49:40,790 --> 00:49:38,460

the woods and we do redneck [h__h] where

1016

00:49:44,210 --> 00:49:40,800

we try or I'd like to

1017

00:49:47,030 --> 00:49:44,220

uh so but when I see him

1018

00:49:49,190 --> 00:49:47,040

taking money to have lunch with people

1019

00:49:51,710 --> 00:49:49,200

who are expecting

1020

00:49:54,050 --> 00:49:51,720

true stories I guess about Skinwalker

1021

00:49:57,230 --> 00:49:54,060

Ranch and then he lies to them

1022

00:49:59,150 --> 00:49:57,240

uh I think that's majorly problematic

1023

00:50:01,490 --> 00:49:59,160

now we're going to sample a bunch of

1024

00:50:03,410 --> 00:50:01,500

this lunch but

1025

00:50:05,030 --> 00:50:03,420

um I I think it's important to start

1026
00:50:09,710 --> 00:50:05,040
with the stuff that Green Street because

1027
00:50:11,510 --> 00:50:09,720
he's the one if I he he pointed me into

1028
00:50:16,670 --> 00:50:11,520
this story and then I got hooked

1029
00:50:22,370 --> 00:50:19,550
There's real problem with one of the uh

1030
00:50:26,270 --> 00:50:22,380
here's Stephen green Street's tweet at a

1031
00:50:28,250 --> 00:50:26,280
75 per person VIP lunch oh wait a minute

1032
00:50:30,530 --> 00:50:28,260
let me make sure that I got the audio

1033
00:50:33,050 --> 00:50:30,540
friends and again this is fair use we

1034
00:50:37,849 --> 00:50:33,060
are uh educating the public about this

1035
00:50:39,890 --> 00:50:37,859
yes we did okay at a 75 per person VIP

1036
00:50:42,230 --> 00:50:39,900
lunch Travis Taylor tells paying

1037
00:50:45,349 --> 00:50:42,240
attendees that the reason Bob Bigelow

1038
00:50:47,150 --> 00:50:45,359

salts can walk a ranch in 2016 was

1039

00:50:50,329 --> 00:50:47,160

because the skinwalker hitchhiker

1040

00:50:53,089 --> 00:50:50,339

phenomenon had killed Bigelow's wife

1041

00:50:57,290 --> 00:50:53,099

uh but the truth is Bigelow's wife died

1042

00:51:00,950 --> 00:50:57,300

in 2020. so uh and by the way that's one

1043

00:51:04,190 --> 00:51:00,960

example I found multiple examples of him

1044

00:51:05,630 --> 00:51:04,200

maybe uh being a little fast and loose

1045

00:51:09,049 --> 00:51:05,640

with the truth

1046

00:51:11,930 --> 00:51:09,059

while he's getting paid and again I

1047

00:51:14,270 --> 00:51:11,940

consider that a form of fraud very well

1048

00:51:16,190 --> 00:51:14,280

and all that stuff is I've measured with

1049

00:51:19,130 --> 00:51:16,200

scientific instruments in his house

1050

00:51:21,230 --> 00:51:19,140

it is freaky

1051
00:51:23,329 --> 00:51:21,240
um why do we never get to see the

1052
00:51:25,130 --> 00:51:23,339
measurements he talks about this is

1053
00:51:28,849 --> 00:51:25,140
scientific evidence things are being

1054
00:51:31,069 --> 00:51:28,859
measured can we see the data why is the

1055
00:51:33,470 --> 00:51:31,079
data not released oh because this is a

1056
00:51:35,089 --> 00:51:33,480
for-profit television show and he

1057
00:51:37,010 --> 00:51:35,099
doesn't care about science he cares

1058
00:51:38,930 --> 00:51:37,020
about the paycheck that he's getting I

1059
00:51:41,150 --> 00:51:38,940
know actual Ron very well

1060
00:51:43,250 --> 00:51:41,160
uh and all that stuff is I've measured

1061
00:51:46,309 --> 00:51:43,260
with scientific instruments in his house

1062
00:51:48,829 --> 00:51:46,319
it is freaky

1063
00:51:51,589 --> 00:51:48,839

we've had simultaneous events of her

1064

00:51:53,210 --> 00:51:51,599

at his house my house and in a house in

1065

00:51:56,150 --> 00:51:53,220

the U.S basin

1066

00:51:58,430 --> 00:51:56,160

uh all at once that we've measured

1067

00:52:01,549 --> 00:51:58,440

uh I mean within a microsecond the

1068

00:52:07,609 --> 00:52:01,559

events occurred which you know

1069

00:52:10,250 --> 00:52:07,619

and uh but the the worst phenomena

1070

00:52:11,589 --> 00:52:10,260

is uh there have been a couple of people

1071

00:52:14,270 --> 00:52:11,599

who

1072

00:52:17,089 --> 00:52:14,280

uh had the

1073

00:52:20,390 --> 00:52:17,099

I guess you call them orbs whatever in

1074

00:52:21,370 --> 00:52:20,400

their house and or race-like things in

1075

00:52:24,950 --> 00:52:21,380

their house

1076

00:52:27,650 --> 00:52:24,960

yeah and uh well the uh one of the

1077

00:52:29,630 --> 00:52:27,660

neighbors of uh

1078

00:52:33,230 --> 00:52:29,640

of actual rod

1079

00:52:38,630 --> 00:52:33,240

uh had an orb fly through them

1080

00:52:42,470 --> 00:52:38,640

and they ended up with a very uh

1081

00:52:46,069 --> 00:52:42,480

dangerous form of cancer from it and uh

1082

00:52:48,109 --> 00:52:46,079

and I don't think she I think she's

1083

00:52:49,910 --> 00:52:48,119

still alive but she's having to go

1084

00:52:52,549 --> 00:52:49,920

through all sorts of

1085

00:52:54,890 --> 00:52:52,559

chemo and radiation treatments like that

1086

00:52:57,230 --> 00:52:54,900

to try and keep from that now and now

1087

00:52:58,790 --> 00:52:57,240

Bigelow reason he got rid of the place

1088

00:53:00,349 --> 00:52:58,800

because he was convinced he killed his

1089

00:53:03,049 --> 00:53:00,359

wife

1090

00:53:06,109 --> 00:53:03,059

and uh so I would call those pretty

1091

00:53:08,569 --> 00:53:06,119

drastic hitchhiker phenomena

1092

00:53:10,250 --> 00:53:08,579

yeah and this is extremely problematic

1093

00:53:14,210 --> 00:53:10,260

friends because

1094

00:53:18,049 --> 00:53:14,220

uh Bob Bigelow sold the ranch in 2016

1095

00:53:20,270 --> 00:53:18,059

and his wife did not die until 2020. so

1096

00:53:22,309 --> 00:53:20,280

there we have at least one completely

1097

00:53:23,990 --> 00:53:22,319

and totally factually false statement

1098

00:53:26,510 --> 00:53:24,000

that

1099

00:53:29,930 --> 00:53:26,520

Travis Taylor is telling people in

1100

00:53:32,930 --> 00:53:29,940

exchange for 75 dollars

1101
00:53:35,329 --> 00:53:32,940
that's a problem that means that you are

1102
00:53:37,609 --> 00:53:35,339
giving people false information for

1103
00:53:40,430 --> 00:53:37,619
their 75 dollars Travis Taylor

1104
00:53:42,790 --> 00:53:40,440
and will you apologize maybe he got the

1105
00:53:46,430 --> 00:53:42,800
dates wrong maybe he got his facts wrong

1106
00:53:48,589 --> 00:53:46,440
and it's interesting that George Knapp

1107
00:53:50,569 --> 00:53:48,599
called out Travis Taylor saying that he

1108
00:53:53,450 --> 00:53:50,579
plays fast and loose when repeating

1109
00:53:56,870 --> 00:53:53,460
Skinwalker with facts when repeating

1110
00:53:58,730 --> 00:53:56,880
Skinwalker stories

1111
00:54:01,609 --> 00:53:58,740
it's a real problem

1112
00:54:02,870 --> 00:54:01,619
and so we're going to

1113
00:54:06,950 --> 00:54:02,880

sample

1114

00:54:10,549 --> 00:54:06,960

take a sampling of what you get for 75

1115

00:54:14,030 --> 00:54:10,559

bucks besides being lied to and by the

1116

00:54:15,589 --> 00:54:14,040

way uh I wonder how some of these people

1117

00:54:23,390 --> 00:54:15,599

feel

1118

00:54:25,250 --> 00:54:23,400

ripped off if they knew that they were

1119

00:54:27,349 --> 00:54:25,260

lied to

1120

00:54:30,650 --> 00:54:27,359

for their 75 bucks

1121

00:54:32,450 --> 00:54:30,660

or at the very least they were fed false

1122

00:54:35,089 --> 00:54:32,460

information about Skinwalker Ranch

1123

00:54:39,309 --> 00:54:35,099

completely and totally demonstrably

1124

00:54:39,319 --> 00:54:44,930

one second here

1125

00:54:52,069 --> 00:54:49,010

and we also have a talk of his uh on the

1126

00:54:54,349 --> 00:54:52,079

last day of phenomicon here on this

1127

00:54:55,970 --> 00:54:54,359

channel and this is the channel of Eric

1128

00:54:57,829 --> 00:54:55,980

Marquis

1129

00:55:00,950 --> 00:54:57,839

but but again we're going to cite fair

1130

00:55:04,490 --> 00:55:00,960

use this is a transformative work we are

1131

00:55:07,670 --> 00:55:04,500

educating the public uh about the

1132

00:55:09,470 --> 00:55:07,680

so-called secret of Skinwalker Ranch and

1133

00:55:12,950 --> 00:55:09,480

Travis Taylor

1134

00:55:14,630 --> 00:55:12,960

who's being paid to uh

1135

00:55:22,370 --> 00:55:14,640

tell the story

1136

00:55:28,670 --> 00:55:26,030

this is the VIP lunch with Dr Travis

1137

00:55:28,680 --> 00:55:34,190

and it's in Utah of all places great

1138

00:55:37,849 --> 00:55:35,870

all right fair use friends we're going

1139

00:55:39,829 --> 00:55:37,859

to educate the public about what you get

1140

00:55:43,250 --> 00:55:39,839

for your 75 bucks

1141

00:55:44,150 --> 00:55:43,260

when you have lunch a VIP lunch so many

1142

00:55:47,450 --> 00:55:44,160

questions

1143

00:55:49,970 --> 00:55:47,460

uh and I'll answer any one of them I can

1144

00:55:52,190 --> 00:55:49,980

now keep in mind that if it's uh

1145

00:55:55,010 --> 00:55:52,200

something happening right now I can't

1146

00:55:57,770 --> 00:55:55,020

talk about that I'm sure if you've seen

1147

00:55:59,930 --> 00:55:57,780

Thomas or dragon or Eric or Caleb or any

1148

00:56:01,549 --> 00:55:59,940

others that said

1149

00:56:02,870 --> 00:56:01,559

over and over but you know we've got

1150

00:56:04,849 --> 00:56:02,880

Street non-disclosures we can't talk

1151
00:56:07,609 --> 00:56:04,859
about what's going on if it hasn't aired

1152
00:56:09,290 --> 00:56:07,619
yet but other than that I'll be happy to

1153
00:56:12,589 --> 00:56:09,300
tell you anything I can answer any

1154
00:56:14,210 --> 00:56:12,599
questions as best I can uh I will say

1155
00:56:16,970 --> 00:56:14,220
just uh

1156
00:56:18,950 --> 00:56:16,980
right off the start and you guys

1157
00:56:20,150 --> 00:56:18,960
probably been around this enough you've

1158
00:56:22,069 --> 00:56:20,160
probably heard to say this there are a

1159
00:56:23,930 --> 00:56:22,079
lot of people that they they'll watch

1160
00:56:25,010 --> 00:56:23,940
the show and they'll think you know

1161
00:56:27,410 --> 00:56:25,020
they're making all that up because you

1162
00:56:29,890 --> 00:56:27,420
know you watch TV shows before I'm not

1163
00:56:34,670 --> 00:56:29,900

gonna name any like those terms

1164

00:56:37,250 --> 00:56:34,680

and uh and and you'll think okay

1165

00:56:40,510 --> 00:56:37,260

you know they heard that somebody did

1166

00:56:44,510 --> 00:56:43,069

uh I'm not interested in Chasing Ghosts

1167

00:56:48,290 --> 00:56:44,520

I'm not interested in making TV for

1168

00:56:51,290 --> 00:56:48,300

making TV's sake uh I'm I'm out here to

1169

00:56:53,089 --> 00:56:51,300

to hopefully find some answers to some

1170

00:56:56,210 --> 00:56:53,099

things that don't make any sense

1171

00:56:58,089 --> 00:56:56,220

so Ghost Hunters are fake but somebody

1172

00:57:02,450 --> 00:56:58,099

chasing werewolves

1173

00:57:06,290 --> 00:57:02,460

raids orbs and Shadow People

1174

00:57:08,690 --> 00:57:06,300

and Dino beavers is not fake you know

1175

00:57:10,089 --> 00:57:08,700

that's problematic for me how can you

1176

00:57:12,730 --> 00:57:10,099

throw shade on people that are

1177

00:57:17,290 --> 00:57:12,740

investigating ghosts and haunted houses

1178

00:57:21,410 --> 00:57:17,300

when you're investigating werewolves

1179

00:57:23,690 --> 00:57:21,420

Raves Shadow People orbs UFOs and all

1180

00:57:25,849 --> 00:57:23,700

kinds of stuff it's like I'm not a

1181

00:57:28,309 --> 00:57:25,859

wackadoo but those people are Wackadoo

1182

00:57:31,630 --> 00:57:28,319

or we're not faking anything but those

1183

00:57:37,069 --> 00:57:31,640

people are my my original

1184

00:57:40,370 --> 00:57:37,079

motivation is uh is to determine you

1185

00:57:43,190 --> 00:57:40,380

know if there are a possibility of an

1186

00:57:46,490 --> 00:57:43,200

extraterrestrial interaction

1187

00:57:49,250 --> 00:57:46,500

a technology or phenomenon a phenomena

1188

00:57:50,809 --> 00:57:49,260

that we don't know about uh and and to

1189

00:57:54,470 --> 00:57:50,819

figure out how to use that to our

1190

00:57:56,329 --> 00:57:54,480

advantage right uh to better Our Lives

1191

00:57:58,309 --> 00:57:56,339

better our position in the world and

1192

00:58:01,930 --> 00:57:58,319

then the universe because one of these

1193

00:58:05,089 --> 00:58:01,940

days Thanos is going to show up

1194

00:58:07,010 --> 00:58:05,099

and as far as I can tell right now I

1195

00:58:10,309 --> 00:58:07,020

have yet to see an Iron Man or a Hulk or

1196

00:58:14,690 --> 00:58:10,319

a Thor uh or a Captain America show up

1197

00:58:16,849 --> 00:58:14,700

to help us out and uh so I uh I you know

1198

00:58:18,950 --> 00:58:16,859

I certainly hope that that it's

1199

00:58:20,750 --> 00:58:18,960

something someone that's here to to

1200

00:58:23,930 --> 00:58:20,760

offer us all sorts of great new things

1201

00:58:27,589 --> 00:58:23,940

but it also at the same time uh look at

1202

00:58:31,670 --> 00:58:27,599

how the uh adventurers The Conquistadors

1203

00:58:34,370 --> 00:58:31,680

the uh uh the folks who explored the new

1204

00:58:38,030 --> 00:58:34,380

world how they left the new world

1205

00:58:41,510 --> 00:58:38,040

and and uh if we happen to be that that

1206

00:58:43,849 --> 00:58:41,520

new new frontier or new world and they

1207

00:58:47,390 --> 00:58:43,859

show up uh you know whether they're

1208

00:58:49,730 --> 00:58:47,400

friendly or or even uh benign of

1209

00:58:51,170 --> 00:58:49,740

benevolent enough or not

1210

00:58:53,569 --> 00:58:51,180

um doesn't mean that what they leave

1211

00:58:57,230 --> 00:58:53,579

behind isn't a big smoking heaping pile

1212

00:59:00,710 --> 00:58:59,690

yeah and so far I would want my money

1213

00:59:02,690 --> 00:59:00,720

back

1214

00:59:04,730 --> 00:59:02,700

um this man claims to be in possession

1215

00:59:06,410 --> 00:59:04,740

of all kinds of scientific data but

1216

00:59:08,510 --> 00:59:06,420

instead he's going to talk about history

1217

00:59:11,510 --> 00:59:08,520

and our place in the universe and

1218

00:59:16,309 --> 00:59:11,520

largely speculative nonsense

1219

00:59:18,710 --> 00:59:16,319

so uh why don't we uh uh we'll just

1220

00:59:20,690 --> 00:59:18,720

start we'll go counterclockwise we'll

1221

00:59:22,329 --> 00:59:20,700

start over here and we'll just walk down

1222

00:59:24,650 --> 00:59:22,339

immediately and if you have any

1223

00:59:26,690 --> 00:59:24,660

immediate questions or we can do it

1224

00:59:28,849 --> 00:59:26,700

random I don't care which you guys just

1225

00:59:29,990 --> 00:59:28,859

throw a question at me and uh we can go

1226

00:59:31,630 --> 00:59:30,000

from there who's got a question

1227

00:59:35,150 --> 00:59:31,640

somebody's got one

1228

00:59:36,710 --> 00:59:35,160

yeah so I was really curious to get a

1229

00:59:38,750 --> 00:59:36,720

little bit more background if you guys

1230

00:59:40,789 --> 00:59:38,760

have any I guess further information

1231

00:59:43,190 --> 00:59:40,799

about the in the most recent season of

1232

00:59:44,750 --> 00:59:43,200

Skinwalker Ranch the uh the feedback of

1233

00:59:46,670 --> 00:59:44,760

the control room where you guys got that

1234

00:59:48,349 --> 00:59:46,680

Echo effect yeah and then walked outside

1235

00:59:49,849 --> 00:59:48,359

and could hear things

1236

00:59:52,730 --> 00:59:49,859

did that go any further did you figure

1237

00:59:54,650 --> 00:59:52,740

out what what was causing that no uh in

1238

00:59:55,730 --> 00:59:54,660

fact it's happened several times and I

1239

00:59:57,710 --> 00:59:55,740

don't know how much of this I should

1240

01:00:00,170 --> 00:59:57,720

talk about because I may use some of it

1241

01:00:02,750 --> 01:00:00,180

on the future episodes yeah and hiding

1242

01:00:06,470 --> 01:00:02,760

behind your NDA while you're getting

1243

01:00:08,210 --> 01:00:06,480

paid 75 dollars a pop to have lunch and

1244

01:00:10,430 --> 01:00:08,220

talk to these people

1245

01:00:12,349 --> 01:00:10,440

does that sound familiar hiding behind

1246

01:00:14,510 --> 01:00:12,359

the NDA when you don't want to actually

1247

01:00:17,210 --> 01:00:14,520

answer questions

1248

01:00:20,690 --> 01:00:17,220

great not but you know they told me that

1249

01:00:22,910 --> 01:00:20,700

they're not or that they are but uh

1250

01:00:25,970 --> 01:00:22,920

that's one of the most startling things

1251

01:00:28,730 --> 01:00:25,980

that's happened to us and uh it really

1252

01:00:30,950 --> 01:00:28,740

freaks Thomas out uh because you know

1253

01:00:34,549 --> 01:00:30,960

we've talked about it a lot

1254

01:00:36,289 --> 01:00:34,559

it was clear to us that somebody was

1255

01:00:39,289 --> 01:00:36,299

eavesdropping on us with the technology

1256

01:00:41,569 --> 01:00:39,299

that I I can't quite understand yet

1257

01:00:43,730 --> 01:00:41,579

because we had no we turned all of the

1258

01:00:44,690 --> 01:00:43,740

electronics off we even uh they won't

1259

01:00:45,950 --> 01:00:44,700

ever show this on History Channel

1260

01:00:48,770 --> 01:00:45,960

because History Channel won't break the

1261

01:00:49,970 --> 01:00:48,780

fourth wall you know uh fourth walls

1262

01:00:52,670 --> 01:00:49,980

where you know there's cameraman and

1263

01:00:54,170 --> 01:00:52,680

crew around I don't know why but that's

1264

01:00:56,390 --> 01:00:54,180

just the History Channel policy but

1265

01:00:59,569 --> 01:00:56,400

we've stopped several times when stuff

1266

01:01:02,210 --> 01:00:59,579

has happened to the crew and uh and in

1267

01:01:04,609 --> 01:01:02,220

this particular instance when what he's

1268

01:01:09,010 --> 01:01:04,619

talking about if you guys don't know we

1269

01:01:11,630 --> 01:01:09,020

were uh in the command center

1270

01:01:14,990 --> 01:01:11,640

and Christ what is this restaurant next

1271

01:01:17,210 --> 01:01:15,000

to a like a freaking Highway airplane

1272

01:01:20,329 --> 01:01:17,220

with a pilot we were doing an experiment

1273

01:01:21,950 --> 01:01:20,339

and so it was myself and Thomas and I

1274

01:01:24,250 --> 01:01:21,960

believe Dragon Live In Cadence there's

1275

01:01:29,930 --> 01:01:24,260

three of us we get which three and uh

1276

01:01:31,970 --> 01:01:29,940

while we were excuse while we were uh uh

1277

01:01:32,930 --> 01:01:31,980

filming this experiment we were doing

1278

01:01:35,329 --> 01:01:32,940

the experience in the middle of the

1279

01:01:36,710 --> 01:01:35,339

experiment I say filming there's cameras

1280

01:01:38,089 --> 01:01:36,720

are in all the time we're just doing the

1281

01:01:40,190 --> 01:01:38,099

investigation and they're just did you

1282

01:01:42,349 --> 01:01:40,200

hear that there's cameras running all

1283

01:01:46,430 --> 01:01:42,359

the time then why don't we have some

1284

01:01:47,450 --> 01:01:46,440

video of the raids the Shadow People the

1285

01:01:48,890 --> 01:01:47,460

orbs

1286

01:01:50,510 --> 01:01:48,900

yeah

1287

01:01:54,950 --> 01:01:50,520

um so at any rate

1288

01:01:56,630 --> 01:01:54,960

we're uh talking and and uh I tuned

1289

01:01:58,069 --> 01:01:56,640

across on the Spectrum analyzer to a

1290

01:01:59,750 --> 01:01:58,079

particular frequency I see a signal

1291

01:02:01,970 --> 01:01:59,760

there's not supposed to be there and

1292

01:02:04,849 --> 01:02:01,980

when I do I hear my voice coming back at

1293

01:02:06,230 --> 01:02:04,859

me and then I hear Thomas and uh and uh

1294

01:02:08,329 --> 01:02:06,240

I guess it was Caitlin I think it was

1295

01:02:12,049 --> 01:02:08,339

Caitlyn anyway no Caleb was that

1296

01:02:13,490 --> 01:02:12,059

training 75 bucks a pop so uh we're like

1297

01:02:15,230 --> 01:02:13,500

no wait a minute is that our microphones

1298

01:02:16,789 --> 01:02:15,240

we turned everything off all the

1299

01:02:19,789 --> 01:02:16,799

electronics all the transmitters on the

1300

01:02:22,010 --> 01:02:19,799

cameras everything and we can still hear

1301
01:02:24,049 --> 01:02:22,020
and then we took turns walking outside

1302
01:02:26,750 --> 01:02:24,059
and we could still hear it wherever we

1303
01:02:29,450 --> 01:02:26,760
went in fact uh they didn't make I might

1304
01:02:31,450 --> 01:02:29,460
have paid for that too far all the way

1305
01:02:35,630 --> 01:02:31,460
out honestly I might have paid the 75

1306
01:02:36,710 --> 01:02:35,640
which is 200 yards away and we can still

1307
01:02:38,150 --> 01:02:36,720
hear just like they're sitting right

1308
01:02:39,530 --> 01:02:38,160
there it's coming through the Spectrum

1309
01:02:41,690 --> 01:02:39,540
analyze

1310
01:02:43,789 --> 01:02:41,700
and

1311
01:02:46,430 --> 01:02:43,799
there was a transmitter

1312
01:02:47,690 --> 01:02:46,440
uh on an eavesdropping device so

1313
01:02:51,950 --> 01:02:47,700

actually

1314

01:02:55,309 --> 01:02:51,960

Sweet Caroline that is a cricket there

1315

01:02:59,690 --> 01:02:55,319

with Travis Taylor not me for once but I

1316

01:03:02,690 --> 01:02:59,700

did want to uh welcome cat Sweet

1317

01:03:04,789 --> 01:03:02,700

Caroline because B Baker has told me

1318

01:03:08,170 --> 01:03:04,799

that since the departure of a few of our

1319

01:03:12,710 --> 01:03:08,180

other uh chat room monitors

1320

01:03:14,930 --> 01:03:12,720

we uh need more chat room monitors so uh

1321

01:03:16,490 --> 01:03:14,940

chat room moderators

1322

01:03:21,770 --> 01:03:16,500

uh

1323

01:03:24,190 --> 01:03:21,780

a chat room moderator

1324

01:03:27,950 --> 01:03:24,200

and also welcome

1325

01:03:29,510 --> 01:03:27,960

uh Amy Collins you are now a chat room

1326

01:03:32,809 --> 01:03:29,520

moderator

1327

01:03:36,770 --> 01:03:32,819

and if we need some more we will be

1328

01:03:42,130 --> 01:03:36,780

adding them uh so B Baker gets uh some

1329

01:03:45,349 --> 01:03:42,140

additional assistance and uh

1330

01:03:47,870 --> 01:03:45,359

uh valtter with the Kylie generous

1331

01:03:50,030 --> 01:03:47,880

dollar 99 says for the dino Beaver fund

1332

01:03:52,670 --> 01:03:50,040

that's right I'm working on a getting us

1333

01:03:54,829 --> 01:03:52,680

a dino Beaver animation so that we can

1334

01:03:56,390 --> 01:03:54,839

compete on equal terms with Stephen

1335

01:03:58,789 --> 01:03:56,400

Green Street I don't think it's fair

1336

01:04:01,130 --> 01:03:58,799

that Stephen Green Street has this big

1337

01:04:04,370 --> 01:04:01,140

budget and he can pay people to create

1338

01:04:06,890 --> 01:04:04,380

Dino Beaver animations and I can just

1339

01:04:08,809 --> 01:04:06,900

talk about the dino beavers and not show

1340

01:04:10,549 --> 01:04:08,819

people what they look like and the

1341

01:04:12,230 --> 01:04:10,559

animation of them so thank you that's

1342

01:04:14,990 --> 01:04:12,240

going right into the dino Beaver

1343

01:04:17,569 --> 01:04:15,000

animation fund somehow following us

1344

01:04:20,150 --> 01:04:17,579

either on our person or somehow in a

1345

01:04:23,210 --> 01:04:20,160

remote location looking at us

1346

01:04:25,190 --> 01:04:23,220

and none of those Technologies should be

1347

01:04:27,289 --> 01:04:25,200

there well we've used bug sniffers and

1348

01:04:30,829 --> 01:04:27,299

things like that unless it's inside our

1349

01:04:33,530 --> 01:04:30,839

bodies you know uh it's not there

1350

01:04:35,630 --> 01:04:33,540

and uh we've actually had this happen

1351

01:04:37,789 --> 01:04:35,640

more than once

1352

01:04:39,530 --> 01:04:37,799

and I would just submit to you friends

1353

01:04:41,750 --> 01:04:39,540

that

1354

01:04:46,069 --> 01:04:41,760

I think most scientists would agree with

1355

01:04:49,370 --> 01:04:46,079

me that unexplained phenomenon is not

1356

01:04:50,930 --> 01:04:49,380

automatically paranormal and Travis

1357

01:04:52,630 --> 01:04:50,940

Taylor seems to go straight to the

1358

01:04:55,250 --> 01:04:52,640

Paranormal

1359

01:04:57,170 --> 01:04:55,260

and we've actually we actually filmed

1360

01:04:59,390 --> 01:04:57,180

the scene maybe one day it'll make it I

1361

01:05:02,809 --> 01:04:59,400

don't know where we made all the

1362

01:05:04,549 --> 01:05:02,819

cameramen uh we physically watched them

1363

01:05:05,450 --> 01:05:04,559

turn everything off and we filmed with a

1364

01:05:08,270 --> 01:05:05,460

cell phone

1365

01:05:11,750 --> 01:05:08,280

and uh and it was still happening

1366

01:05:13,789 --> 01:05:11,760

and this really startled us that there's

1367

01:05:17,870 --> 01:05:13,799

a technology at play

1368

01:05:18,950 --> 01:05:17,880

that and we didn't I think part of the

1369

01:05:21,470 --> 01:05:18,960

reason we don't want to show the

1370

01:05:24,710 --> 01:05:21,480

frequency that we've detected this so

1371

01:05:25,970 --> 01:05:24,720

that uh uh everybody will go to that

1372

01:05:28,190 --> 01:05:25,980

frequency and they can listen to us

1373

01:05:30,710 --> 01:05:28,200

talking wherever we are right and by the

1374

01:05:33,970 --> 01:05:30,720

way I just want to mention that I grew

1375

01:05:38,990 --> 01:05:33,980

up uh using uh

1376

01:05:41,390 --> 01:05:39,000

both CB radios and Ham radios and there

1377

01:05:44,270 --> 01:05:41,400

could be a neighbor nearby with a ham

1378

01:05:47,750 --> 01:05:44,280

radio or CB radio that a very powerful

1379

01:05:51,650 --> 01:05:47,760

one that can affect electronic equipment

1380

01:05:53,630 --> 01:05:51,660

it could be the most mundane stupid

1381

01:05:57,289 --> 01:05:53,640

explanation for this so-called

1382

01:05:59,569 --> 01:05:57,299

phenomenon that he keeps saying uh has

1383

01:06:01,130 --> 01:05:59,579

to be paranormal and I for one can't

1384

01:06:05,870 --> 01:06:01,140

believe that a scientist goes straight

1385

01:06:07,910 --> 01:06:05,880

to Paranormal without a really what

1386

01:06:09,349 --> 01:06:07,920

appears to be any investigation he's

1387

01:06:12,410 --> 01:06:09,359

just well couldn't be couldn't be

1388

01:06:14,210 --> 01:06:12,420

anything but but you know the skinwalker

1389

01:06:16,190 --> 01:06:14,220

phenomenon causing this electronic

1390

01:06:18,710 --> 01:06:16,200

interference it could be a hundred

1391

01:06:20,870 --> 01:06:18,720

things Travis Taylor

1392

01:06:22,730 --> 01:06:20,880

um he comes and goes though it's not

1393

01:06:25,130 --> 01:06:22,740

always there and and the frequency

1394

01:06:28,190 --> 01:06:25,140

changes which is weird to have no no

1395

01:06:30,589 --> 01:06:28,200

idea why so that's pretty scary

1396

01:06:34,730 --> 01:06:30,599

uh my first thoughts was okay it's uh

1397

01:06:38,029 --> 01:06:34,740

Russians or Chinese right but why well

1398

01:06:40,490 --> 01:06:38,039

you know Skinwalker Ranch was a a hot

1399

01:06:43,970 --> 01:06:40,500

spot uh all the way back to the alsap

1400

01:06:45,650 --> 01:06:43,980

and atip programs uh in the lake and see

1401

01:06:47,089 --> 01:06:45,660

how misinformed he is he's on a

1402

01:06:48,950 --> 01:06:47,099

television show and he doesn't know that

1403

01:06:51,890 --> 01:06:48,960

atip wasn't a program

1404

01:06:53,150 --> 01:06:51,900

he must not be up to speed on his fellow

1405

01:06:54,529 --> 01:06:53,160

fraudsters

1406

01:06:57,589 --> 01:06:54,539

well I don't want to say he's a

1407

01:06:59,390 --> 01:06:57,599

fraudster but certainly Elizondo lied to

1408

01:07:01,130 --> 01:06:59,400

the American public lied to the New York

1409

01:07:03,170 --> 01:07:01,140

Times and everybody claiming that atip

1410

01:07:04,730 --> 01:07:03,180

was a program no it wasn't and atip

1411

01:07:08,029 --> 01:07:04,740

never did any

1412

01:07:11,450 --> 01:07:08,039

show me some paperwork Travis Taylor

1413

01:07:13,250 --> 01:07:11,460

of atip investigating Skinwalker Ranch

1414

01:07:15,890 --> 01:07:13,260

show me the paperwork there is none

1415

01:07:19,370 --> 01:07:15,900

because they didn't near as I can tell

1416

01:07:21,890 --> 01:07:19,380

late 90s early 2000s and so they

1417

01:07:24,529 --> 01:07:21,900

probably had some camera Espionage uh

1418

01:07:27,410 --> 01:07:24,539

activity going on but that's not a

1419

01:07:29,210 --> 01:07:27,420

technology that that I know of that that

1420

01:07:30,049 --> 01:07:29,220

they should anybody should have on this

1421

01:07:32,690 --> 01:07:30,059

planet

1422

01:07:34,849 --> 01:07:32,700

so what the hell is it right no I don't

1423

01:07:38,390 --> 01:07:34,859

know it's really freaky a little bit

1424

01:07:39,890 --> 01:07:38,400

scary uh and it's uh and we realize that

1425

01:07:42,049 --> 01:07:39,900

there is no private conversations

1426

01:07:44,690 --> 01:07:42,059

anywhere on the rent

1427

01:07:46,970 --> 01:07:44,700

and I'd like to submit that this man is

1428

01:07:49,309 --> 01:07:46,980

a scientist he is not an expert on

1429

01:07:51,650 --> 01:07:49,319

surveillance Technologies

1430

01:07:53,690 --> 01:07:51,660

uh and like I said it could be a hundred

1431

01:07:56,270 --> 01:07:53,700

things causing the interference in the

1432

01:08:00,289 --> 01:07:56,280

so-called surveillance of them it could

1433

01:08:02,450 --> 01:08:00,299

be yeah it could be adversaries spies it

1434

01:08:03,289 --> 01:08:02,460

could be electronic countermeasures it

1435

01:08:06,289 --> 01:08:03,299

could be

1436

01:08:08,630 --> 01:08:06,299

ham radio operators CB radio operator

1437

01:08:11,289 --> 01:08:08,640

Pirate Radio station nearby could be

1438

01:08:13,789 --> 01:08:11,299

literally anything

1439

01:08:16,729 --> 01:08:13,799

electromagnetic interference

1440

01:08:19,150 --> 01:08:16,739

could be many many things and he just

1441

01:08:25,370 --> 01:08:19,160

goes straight to the Paranormal

1442

01:08:34,070 --> 01:08:28,490

so let me talk about leftover Bigelow

1443

01:08:34,080 --> 01:08:38,689

oh we got an announcement

1444

01:08:38,699 --> 01:08:54,229

she'll be taking your drink order

1445

01:08:59,570 --> 01:08:56,870

potato surprise wow you get a piece of

1446

01:09:02,329 --> 01:08:59,580

steak a piece of tuna four course meal

1447

01:09:04,789 --> 01:09:02,339

you get great and the rest of this is

1448

01:09:08,749 --> 01:09:04,799

the waitress explaining

1449

01:09:11,030 --> 01:09:08,759

uh the menu so we're gonna skip that and

1450

01:09:18,229 --> 01:09:11,040

get right to part two where he answers

1451
01:09:23,990 --> 01:09:22,130
one second friends I'm gonna uh once

1452
01:09:26,229 --> 01:09:24,000
again share my screen citing fair use

1453
01:09:29,630 --> 01:09:26,239
this is a transformative work we are

1454
01:09:32,050 --> 01:09:29,640
educating the public about uh what you

1455
01:09:37,669 --> 01:09:32,060
get for 75 bucks

1456
01:09:43,070 --> 01:09:37,679
besides seared tuna yes uh part three

1457
01:09:43,080 --> 01:09:46,789
one second friends

1458
01:09:52,309 --> 01:09:49,610
part one of three

1459
01:09:53,749 --> 01:09:52,319
part three of five uh this is not very

1460
01:09:58,010 --> 01:09:53,759
organized

1461
01:10:02,630 --> 01:09:58,020
a part two okay we'll go to that

1462
01:10:09,050 --> 01:10:05,570
share my screen here as we continue our

1463
01:10:12,130 --> 01:10:09,060

journey into uh behind the scenes look

1464

01:10:15,850 --> 01:10:12,140

at what you get for your 75 bucks

1465

01:10:19,370 --> 01:10:15,860

so uh keep in mind

1466

01:10:22,310 --> 01:10:19,380

that the Bigelow era research was done

1467

01:10:25,130 --> 01:10:22,320

uh late 90s early 2000s

1468

01:10:26,570 --> 01:10:25,140

and the technology changed between that

1469

01:10:29,030 --> 01:10:26,580

and then

1470

01:10:31,310 --> 01:10:29,040

extremely uh dramatic look at that

1471

01:10:35,090 --> 01:10:31,320

advent of cell phone technology

1472

01:10:37,790 --> 01:10:35,100

right I mean this right here has two

1473

01:10:39,830 --> 01:10:37,800

cameras on it that are far superior than

1474

01:10:42,110 --> 01:10:39,840

anything Bigelow even could have

1475

01:10:44,090 --> 01:10:42,120

imagined right the the cameras they had

1476

01:10:45,890 --> 01:10:44,100

were terrible they had a few and they

1477

01:10:49,390 --> 01:10:45,900

were very expensive back then

1478

01:10:53,870 --> 01:10:49,400

and uh the things they did were

1479

01:10:56,510 --> 01:10:53,880

unusual big low what we've seen to uh

1480

01:10:59,709 --> 01:10:56,520

uncover is he was more interested in the

1481

01:11:03,010 --> 01:10:59,719

uh ooga booga and the woo-woo stuff

1482

01:11:06,169 --> 01:11:03,020

then actually uh the technology

1483

01:11:09,050 --> 01:11:06,179

advancement that might be there although

1484

01:11:11,870 --> 01:11:09,060

he did tell uh Jay Stratton the director

1485

01:11:14,330 --> 01:11:11,880

of uh and and Dr McCaskey directors of

1486

01:11:16,729 --> 01:11:14,340

atip and if they wanted to see a UFO

1487

01:11:18,350 --> 01:11:16,739

that they needed that's how come the

1488

01:11:22,430 --> 01:11:18,360

Pentagon got interested

1489

01:11:25,550 --> 01:11:22,440

but uh when we got there I say we as a

1490

01:11:30,110 --> 01:11:25,560

as a the ubiquitous random bugles team

1491

01:11:31,610 --> 01:11:30,120

Eric and Thomas and dragon got there

1492

01:11:32,870 --> 01:11:31,620

but they were there two years before I

1493

01:11:35,390 --> 01:11:32,880

joined the team

1494

01:11:38,630 --> 01:11:35,400

what they discovered were

1495

01:11:42,169 --> 01:11:38,640

very Antiquated systems very rudimentary

1496

01:11:46,510 --> 01:11:42,179

systems and weird things like they had

1497

01:11:49,850 --> 01:11:46,520

aquariums on poles with Ouija boards

1498

01:11:51,229 --> 01:11:49,860

one aquariums actually had like a little

1499

01:11:53,990 --> 01:11:51,239

spelling blocks

1500

01:11:57,590 --> 01:11:54,000

that's great this is what you get for 75

1501
01:12:00,110 --> 01:11:57,600
bucks unverified stories of aquariums

1502
01:12:01,070 --> 01:12:00,120
with Ouija boards in them and spelling

1503
01:12:03,770 --> 01:12:01,080
blocks

1504
01:12:05,870 --> 01:12:03,780
and uh we do want to thank

1505
01:12:08,030 --> 01:12:05,880
Anthony Peterson for the kind and

1506
01:12:10,430 --> 01:12:08,040
generous two dollar Super Chat we want

1507
01:12:14,090 --> 01:12:10,440
to welcome UFO John Doe as a new chat

1508
01:12:17,090 --> 01:12:14,100
room Monitor and I'm a moderator

1509
01:12:19,370 --> 01:12:17,100
and I'm trying to find uh

1510
01:12:24,410 --> 01:12:19,380
one other person here who's been with

1511
01:12:29,689 --> 01:12:27,530
here we go

1512
01:12:34,490 --> 01:12:29,699
Lord Ludicrous is now a chat room

1513
01:12:38,750 --> 01:12:34,500

moderator as well and uh we can talk off

1514

01:12:42,110 --> 01:12:38,760

air about uh you know what we you guys

1515

01:12:46,010 --> 01:12:42,120

know if somebody's getting uh crazy in a

1516

01:12:48,410 --> 01:12:46,020

live chat we don't allow any uh ad

1517

01:12:50,990 --> 01:12:48,420

hominem attacks or personal attacks or

1518

01:12:54,770 --> 01:12:51,000

attacks based on religion or sexual

1519

01:12:57,590 --> 01:12:54,780

orientation or any of that stuff or race

1520

01:13:01,070 --> 01:12:57,600

you know but we want to keep Free Speech

1521

01:13:05,030 --> 01:13:01,080

rolling here always keep that in mind

1522

01:13:06,410 --> 01:13:05,040

um and uh let's return to this uh like a

1523

01:13:07,550 --> 01:13:06,420

kid's thinking that you know whatever's

1524

01:13:09,709 --> 01:13:07,560

going on they're going to Legal a

1525

01:13:13,250 --> 01:13:09,719

message and spending blocks or it was

1526

01:13:17,930 --> 01:13:13,260

with just weird stuff like this and uh

1527

01:13:20,030 --> 01:13:17,940

wow uh Eric Davis the uh the scientist I

1528

01:13:23,169 --> 01:13:20,040

guess I would say Eric's counterpart to

1529

01:13:26,830 --> 01:13:23,179

the Bigelow era was uh he's a sharp guy

1530

01:13:29,149 --> 01:13:26,840

uh he says that they had very

1531

01:13:31,790 --> 01:13:29,159

inexpensive equipment and that they

1532

01:13:34,370 --> 01:13:31,800

mostly had to make grow their own and

1533

01:13:35,810 --> 01:13:34,380

that Bigelow was very frugal and

1534

01:13:39,470 --> 01:13:35,820

wouldn't give them any money to buy

1535

01:13:40,910 --> 01:13:39,480

stuff and that they uh did they made do

1536

01:13:43,370 --> 01:13:40,920

with what they had isn't that

1537

01:13:45,290 --> 01:13:43,380

interesting so a man who was given 22

1538

01:13:47,570 --> 01:13:45,300

million dollars for free by the United

1539

01:13:49,970 --> 01:13:47,580

States government was very frugal and he

1540

01:13:52,910 --> 01:13:49,980

wouldn't let the people investigating

1541

01:13:55,310 --> 01:13:52,920

the ranch for him buy things some night

1542

01:13:56,570 --> 01:13:55,320

vision stuff and at the time which was

1543

01:14:00,470 --> 01:13:56,580

very rudimentary compared to what we

1544

01:14:03,050 --> 01:14:00,480

have now and uh so no whatever is

1545

01:14:04,189 --> 01:14:03,060

happening now is not something that big

1546

01:14:06,470 --> 01:14:04,199

a little left behind in fact we found

1547

01:14:09,110 --> 01:14:06,480

everything that they left behind and uh

1548

01:14:10,910 --> 01:14:09,120

in fact Eric has brought some of it on

1549

01:14:13,130 --> 01:14:10,920

the line just so we can prepare to show

1550

01:14:15,350 --> 01:14:13,140

how how rudimentary I mean it's like an

1551

01:14:16,490 --> 01:14:15,360

old black and white TV compared to a you

1552

01:14:18,530 --> 01:14:16,500

know a big flat screen and isn't it

1553

01:14:20,390 --> 01:14:18,540

interesting that Piccolo wasted 22

1554

01:14:22,370 --> 01:14:20,400

million dollars of taxpayer money and

1555

01:14:24,050 --> 01:14:22,380

then just left all the equipment in the

1556

01:14:26,390 --> 01:14:24,060

ranch when he sold it

1557

01:14:28,570 --> 01:14:26,400

doesn't that mean that that equipment

1558

01:14:31,430 --> 01:14:28,580

belongs to the taxpayers

1559

01:14:33,350 --> 01:14:31,440

this out that's how different the

1560

01:14:34,910 --> 01:14:33,360

technology is

1561

01:14:37,370 --> 01:14:34,920

I'm not saying they didn't see some

1562

01:14:38,030 --> 01:14:37,380

interesting things but

1563

01:14:39,709 --> 01:14:38,040

um

1564

01:14:42,470 --> 01:14:39,719

they didn't have they didn't have spec

1565

01:14:44,510 --> 01:14:42,480

our Spectrum analyzers like we have uh

1566

01:14:47,270 --> 01:14:44,520

they didn't have uh the radiation

1567

01:14:50,750 --> 01:14:47,280

detectors in fact you're right you're

1568

01:14:50,760 --> 01:14:53,450

things

1569

01:14:56,570 --> 01:14:54,830

so they had no idea that there was a

1570

01:14:58,430 --> 01:14:56,580

microwave signal that was a company yes

1571

01:15:02,870 --> 01:14:58,440

a lot of the phenomena no that's B

1572

01:15:07,010 --> 01:15:05,030

they didn't have geophones to measure

1573

01:15:09,350 --> 01:15:07,020

seismic activity they didn't they they

1574

01:15:11,750 --> 01:15:09,360

certainly didn't uh

1575

01:15:14,510 --> 01:15:11,760

have ground penetrating radar and things

1576

01:15:17,270 --> 01:15:14,520

like that they literally would just they

1577

01:15:18,950 --> 01:15:17,280

had people walk on the field you know

1578

01:15:23,030 --> 01:15:18,960

looking for stuff they dug holes at

1579

01:15:26,030 --> 01:15:23,040

random they did weird you know stuff uh

1580

01:15:27,350 --> 01:15:26,040

now and then I'm not like dogging them

1581

01:15:28,850 --> 01:15:27,360

I'm thinking I'm saying they did the

1582

01:15:30,709 --> 01:15:28,860

best with what they had with the budget

1583

01:15:31,669 --> 01:15:30,719

they had and the equipment available at

1584

01:15:33,410 --> 01:15:31,679

the time

1585

01:15:35,689 --> 01:15:33,420

uh the equipment we have available now

1586

01:15:38,630 --> 01:15:35,699

is so much cheaper so much more advanced

1587

01:15:40,850 --> 01:15:38,640

so much easier and readily available

1588

01:15:43,970 --> 01:15:40,860

um except for such a stupid Logistics

1589

01:15:47,169 --> 01:15:43,980

chain problem with microchips and stuff

1590

01:15:48,830 --> 01:15:47,179

but uh other than that

1591

01:15:50,510 --> 01:15:48,840

you know

1592

01:15:51,410 --> 01:15:50,520

I'm amazed big little found anything

1593

01:15:55,729 --> 01:15:51,420

yeah

1594

01:15:57,770 --> 01:15:55,739

something else it's somebody

1595

01:16:00,290 --> 01:15:57,780

he's dropping on us with state of the

1596

01:16:02,390 --> 01:16:00,300

art something that we don't know exists

1597

01:16:03,890 --> 01:16:02,400

which I doubt

1598

01:16:16,189 --> 01:16:03,900

or it's something else and I don't know

1599

01:16:20,090 --> 01:16:19,070

the price of you or was that your entire

1600

01:16:22,669 --> 01:16:20,100

world

1601

01:16:24,610 --> 01:16:22,679

gather the data and interpret it

1602

01:16:27,709 --> 01:16:24,620

yeah so um

1603

01:16:31,130 --> 01:16:27,719

the leader of the the guy who started

1604

01:16:33,970 --> 01:16:31,140

all this and made it happen uh Jay

1605

01:16:36,770 --> 01:16:33,980

Stratton is Jason and John's first name

1606

01:16:38,689 --> 01:16:36,780

but Jay uh

1607

01:16:41,030 --> 01:16:38,699

started this with the office of Navy

1608

01:16:45,350 --> 01:16:41,040

intelligence and with the DIA back in

1609

01:16:48,709 --> 01:16:45,360

the late 90s he as he worked through the

1610

01:16:51,910 --> 01:16:48,719

Oni ranks he ended up being the uh by

1611

01:16:54,470 --> 01:16:51,920

the early 2000s mid-2000s he was the uh

1612

01:16:55,850 --> 01:16:54,480

the equivalent civilian rank of a

1613

01:16:59,149 --> 01:16:55,860

two-star Admiral

1614

01:17:01,490 --> 01:16:59,159

and uh yes and cited in uh George

1615

01:17:04,070 --> 01:17:01,500

Knapp's books as well he was running the

1616

01:17:05,990 --> 01:17:04,080

program looking hoping to find and nuts

1617

01:17:09,350 --> 01:17:06,000

and bolts Uh crap what he was getting

1618

01:17:14,149 --> 01:17:09,360

what happened was uh someone came to him

1619

01:17:15,350 --> 01:17:14,159

with the 2004 Nimitz uh data and uh said

1620

01:17:17,810 --> 01:17:15,360

you know somebody should be looking in

1621

01:17:21,050 --> 01:17:17,820

this he and it was his job actually uh

1622

01:17:23,390 --> 01:17:21,060

his actual job was threats to our

1623

01:17:26,090 --> 01:17:23,400

airspace the Nate he was the Navy's the

1624

01:17:27,770 --> 01:17:26,100

naval airspace the naval test ranges so

1625

01:17:31,010 --> 01:17:27,780

he started looking into it and he was

1626

01:17:34,910 --> 01:17:31,020

like holy crap they've actually got uh

1627

01:17:37,070 --> 01:17:34,920

at Clear uh footage of uh objects

1628

01:17:41,510 --> 01:17:37,080

they've actually got you know radar data

1629

01:17:42,410 --> 01:17:41,520

of objects and and so he

1630

01:17:44,870 --> 01:17:42,420

um

1631

01:17:47,930 --> 01:17:44,880

started putting a team together and Lou

1632

01:17:50,270 --> 01:17:47,940

Elizondo so it's really interesting he

1633

01:17:51,530 --> 01:17:50,280

and Lou uh kind of leapfrogged each

1634

01:17:54,770 --> 01:17:51,540

other and who was running it and who

1635

01:17:56,450 --> 01:17:54,780

wasn't and Lou was never officially uh

1636

01:17:58,610 --> 01:17:56,460

this is the way they do it in the Navy

1637

01:18:00,169 --> 01:17:58,620

and so when you see all this like Green

1638

01:18:01,790 --> 01:18:00,179

Street and the idiots like that they're

1639

01:18:03,770 --> 01:18:01,800

trying to debunk everything

1640

01:18:06,350 --> 01:18:03,780

when he said well he was never we've

1641

01:18:09,050 --> 01:18:06,360

looked in his uh uh position description

1642

01:18:10,430 --> 01:18:09,060

never says he was the leader of some UFO

1643

01:18:14,090 --> 01:18:10,440

investigation

1644

01:18:15,770 --> 01:18:14,100

it was other duties as a sign and he was

1645

01:18:17,330 --> 01:18:15,780

never there was never any extra budget

1646

01:18:19,610 --> 01:18:17,340

put there for him to go do it but it was

1647

01:18:22,189 --> 01:18:19,620

a task that was given to him like when I

1648

01:18:25,130 --> 01:18:22,199

was the chief Saint there is no evidence

1649

01:18:29,209 --> 01:18:25,140

or proof that any

1650

01:18:32,930 --> 01:18:29,219

task involving UFOs was ever assigned or

1651
01:18:35,570 --> 01:18:32,940
given to Luis Elizondo and I love how he

1652
01:18:37,550 --> 01:18:35,580
uh goes after the debunkers he's

1653
01:18:40,130 --> 01:18:37,560
probably not going to like me are you

1654
01:18:43,030 --> 01:18:40,140
Travis Taylor because I care about facts

1655
01:18:46,510 --> 01:18:43,040
and evidence and the facts in evidence

1656
01:18:50,390 --> 01:18:46,520
are that Luis Elizondo was never

1657
01:18:53,090 --> 01:18:50,400
assigned any responsibilities

1658
01:18:55,250 --> 01:18:53,100
with UFOs never

1659
01:18:58,130 --> 01:18:55,260
and show me some paperwork that says

1660
01:19:01,729 --> 01:18:58,140
other duties is assigned you can't so

1661
01:19:05,149 --> 01:19:01,739
again he is lying to these people who

1662
01:19:06,530 --> 01:19:05,159
paid 75 bucks to have lunch with them

1663
01:19:09,350 --> 01:19:06,540

and

1664

01:19:10,790 --> 01:19:09,360

you know for me uh I I don't know how

1665

01:19:12,669 --> 01:19:10,800

these people live with themselves like

1666

01:19:15,649 --> 01:19:12,679

what did he do after this like you know

1667

01:19:17,630 --> 01:19:15,659

I made a couple thousand dollars just to

1668

01:19:20,030 --> 01:19:17,640

have lunch with these stupid people and

1669

01:19:23,570 --> 01:19:20,040

I lied to them real good I'm proud of

1670

01:19:28,430 --> 01:19:23,580

myself I just I was a civil servant with

1671

01:19:30,470 --> 01:19:28,440

the Army and uh Jay called my boss it

1672

01:19:33,050 --> 01:19:30,480

was his equivalent uh actually wants to

1673

01:19:35,090 --> 01:19:33,060

our Lord he said hey I want Travis come

1674

01:19:37,430 --> 01:19:35,100

work for me on this task force would you

1675

01:19:39,709 --> 01:19:37,440

mind loaning him to me uh for a while

1676

01:19:42,470 --> 01:19:39,719

and uh they said why do you want trans

1677

01:19:44,270 --> 01:19:42,480

money uh JJ and I talked about this

1678

01:19:46,270 --> 01:19:44,280

because it was a it was a big compliment

1679

01:19:49,310 --> 01:19:46,280

to me and I didn't know him at the time

1680

01:19:50,750 --> 01:19:49,320

he uh he my boss asked me why do you

1681

01:19:53,830 --> 01:19:50,760

need Travis and Jason because Travis

1682

01:20:01,970 --> 01:19:57,229

that's exactly and my boss laughed

1683

01:20:03,950 --> 01:20:01,980

apparently but uh so uh Jay uh then I

1684

01:20:05,750 --> 01:20:03,960

went up my brief J on some things that

1685

01:20:07,610 --> 01:20:05,760

were happening at the ranch and he said

1686

01:20:11,209 --> 01:20:07,620

yeah come in and be my chief scientist

1687

01:20:13,130 --> 01:20:11,219

he's never on paper anywhere in my

1688

01:20:15,410 --> 01:20:13,140

position description that I was the

1689

01:20:17,870 --> 01:20:15,420

chief scientist but when we went to the

1690

01:20:20,450 --> 01:20:17,880

White House and to the Senate select

1691

01:20:22,250 --> 01:20:20,460

committee on intelligence Jay a two-star

1692

01:20:24,350 --> 01:20:22,260

animal equivalent introduced me to the

1693

01:20:26,930 --> 01:20:24,360

white house chief scientist as the chief

1694

01:20:28,490 --> 01:20:26,940

scientist of the uapm as far as I was

1695

01:20:31,010 --> 01:20:28,500

concerned and he told me put it in my

1696

01:20:32,390 --> 01:20:31,020

signature bar right so what a two and I

1697

01:20:35,630 --> 01:20:32,400

was the equivalent of a full bird

1698

01:20:37,070 --> 01:20:35,640

colonel as a civilian and so when a two

1699

01:20:38,390 --> 01:20:37,080

star pales a colonel and put something

1700

01:20:43,070 --> 01:20:38,400

in their signature block they do it

1701

01:20:45,649 --> 01:20:43,080

right yeah and uh so it's all what

1702

01:20:48,350 --> 01:20:45,659

they're doing is they're using semantics

1703

01:20:50,510 --> 01:20:48,360

to try and debunk things I don't even

1704

01:20:53,090 --> 01:20:50,520

know why they need to debunk that yeah I

1705

01:20:55,610 --> 01:20:53,100

mean just trying to discredit things for

1706

01:20:57,470 --> 01:20:55,620

for no reason which suggests that

1707

01:20:59,570 --> 01:20:57,480

there's an imperative behind the

1708

01:21:02,149 --> 01:20:59,580

discrediting and the debunking

1709

01:21:04,189 --> 01:21:02,159

and uh in fact we actually saw that in

1710

01:21:08,149 --> 01:21:04,199

the task force there was a group within

1711

01:21:10,310 --> 01:21:08,159

the government that uh uh they told us

1712

01:21:12,530 --> 01:21:10,320

several times these demons and and

1713

01:21:15,110 --> 01:21:12,540

Angels y'all need to stay away from it

1714

01:21:17,149 --> 01:21:15,120

and yeah and we've heard that story many

1715

01:21:18,229 --> 01:21:17,159

times but no one will put on record who

1716

01:21:20,390 --> 01:21:18,239

said that

1717

01:21:21,830 --> 01:21:20,400

and this is a story that rolls around

1718

01:21:23,570 --> 01:21:21,840

that there was people within the

1719

01:21:25,430 --> 01:21:23,580

government that didn't want UFOs studied

1720

01:21:27,410 --> 01:21:25,440

because they were demons and they wanted

1721

01:21:29,810 --> 01:21:27,420

people to stay away from it

1722

01:21:35,030 --> 01:21:29,820

and isn't it interesting

1723

01:21:37,250 --> 01:21:35,040

that one person who is a profiteer off

1724

01:21:41,390 --> 01:21:37,260

of the Paranormal world but has never

1725

01:21:43,310 --> 01:21:41,400

produced any actual proof or evidence to

1726

01:21:44,330 --> 01:21:43,320

my knowledge is backing up another

1727

01:21:47,270 --> 01:21:44,340

person

1728

01:21:50,649 --> 01:21:47,280

in the form of Luis Elizondo who was on

1729

01:21:53,390 --> 01:21:50,659

the UFO gravy train profiteer Network

1730

01:21:55,550 --> 01:21:53,400

they all work together they all back up

1731

01:21:56,450 --> 01:21:55,560

each other's [h__h] that's how this

1732

01:21:59,689 --> 01:21:56,460

works

1733

01:22:01,970 --> 01:21:59,699

they literally uh tried to steer us away

1734

01:22:05,149 --> 01:22:01,980

steer funding away from us to keep us

1735

01:22:06,770 --> 01:22:05,159

from uh looking into it it was really I

1736

01:22:08,930 --> 01:22:06,780

don't know I had the same it was the

1737

01:22:10,370 --> 01:22:08,940

same odd thing but what I do with the

1738

01:22:13,070 --> 01:22:10,380

task force so

1739

01:22:15,410 --> 01:22:13,080

we uh what I went in uh Jason we got all

1740

01:22:17,030 --> 01:22:15,420

this data and the problem is every piece

1741

01:22:18,709 --> 01:22:17,040

of data is from a sensor on a different

1742

01:22:20,090 --> 01:22:18,719

military piece of equipment that has a

1743

01:22:22,130 --> 01:22:20,100

different classification

1744

01:22:24,229 --> 01:22:22,140

and you can't put something that's this

1745

01:22:26,209 --> 01:22:24,239

classification on a computer that's got

1746

01:22:28,189 --> 01:22:26,219

this other classification and here comes

1747

01:22:30,169 --> 01:22:28,199

the explanation for why we never get the

1748

01:22:32,209 --> 01:22:30,179

data isn't that convenient we never get

1749

01:22:34,729 --> 01:22:32,219

the data these people talk about these

1750

01:22:38,149 --> 01:22:34,739

oh we had so much data where is it

1751

01:22:40,610 --> 01:22:38,159

where's the data can I foyer the data oh

1752

01:22:43,430 --> 01:22:40,620

it's classified sorry so we could take

1753

01:22:45,050 --> 01:22:43,440

something say from an F-35 and an F-18

1754

01:22:47,810 --> 01:22:45,060

and put them on the same computer to do

1755

01:22:49,669 --> 01:22:47,820

analysis of them or from a Navy radar or

1756

01:22:52,310 --> 01:22:49,679

and from an FAA system and put them all

1757

01:22:53,090 --> 01:22:52,320

there was no way to put all that in one

1758

01:22:55,610 --> 01:22:53,100

system

1759

01:22:58,550 --> 01:22:55,620

and it took us a year just to figure out

1760

01:22:59,450 --> 01:22:58,560

how to how to store the things we were

1761

01:23:03,229 --> 01:22:59,460

getting

1762

01:23:05,750 --> 01:23:03,239

and that that was the hardest part

1763

01:23:08,689 --> 01:23:05,760

but uh and here's the thing

1764

01:23:12,550 --> 01:23:08,699

while the National Defense authorization

1765

01:23:16,070 --> 01:23:12,560

Act of 2019-2020 2021 and then from 22

1766

01:23:19,370 --> 01:23:16,080

did put in funding for the UAP task

1767

01:23:22,610 --> 01:23:19,380

force it never so the way it works is

1768

01:23:25,130 --> 01:23:22,620

a committee or a subcommittee will put

1769

01:23:27,890 --> 01:23:25,140

in language for the money but the money

1770

01:23:30,350 --> 01:23:27,900

then the language in this go through the

1771

01:23:31,729 --> 01:23:30,360

Senate Appropriations Committee and the

1772

01:23:33,410 --> 01:23:31,739

Appropriations Committee are the ones

1773

01:23:38,510 --> 01:23:33,420

that actually writes the check

1774

01:23:40,550 --> 01:23:38,520

and well that part is true it never was

1775

01:23:41,930 --> 01:23:40,560

it never came out of the Appropriations

1776

01:23:44,450 --> 01:23:41,940

Committee and there was never any

1777

01:23:47,330 --> 01:23:44,460

funding put on the efforts we did all of

1778

01:23:49,250 --> 01:23:47,340

it uh on our own time basically as other

1779

01:23:51,830 --> 01:23:49,260

duties as a sign and it was a lot of

1780

01:23:54,709 --> 01:23:51,840

work and I still had you know my day job

1781

01:23:57,229 --> 01:23:54,719

stuff had to do as well and then Kobe

1782

01:23:58,669 --> 01:23:57,239

hit so he couldn't travel we had to do

1783

01:24:00,050 --> 01:23:58,679

everything through a system was called a

1784

01:24:02,090 --> 01:24:00,060

tanberg it's basically a classified

1785

01:24:04,790 --> 01:24:02,100

video conference system especially like

1786

01:24:06,410 --> 01:24:04,800

teams or Zoom but with the classified

1787

01:24:08,390 --> 01:24:06,420

and uh

1788

01:24:10,490 --> 01:24:08,400

and and you know one of the things when

1789

01:24:11,990 --> 01:24:10,500

we we finished the first year was We

1790

01:24:14,149 --> 01:24:12,000

were figuring out how to handle

1791

01:24:16,610 --> 01:24:14,159

classified stuff and what needed to be

1792

01:24:19,370 --> 01:24:16,620

classified and what didn't and Jay's

1793

01:24:22,189 --> 01:24:19,380

first priority was look we don't want to

1794

01:24:23,450 --> 01:24:22,199

uh classify things just to classify them

1795

01:24:25,610 --> 01:24:23,460

you know people will have a right to

1796

01:24:27,890 --> 01:24:25,620

know what they have a right to know and

1797

01:24:30,350 --> 01:24:27,900

uh what we need is you think it would

1798

01:24:32,810 --> 01:24:30,360

give away a threat to us or give away an

1799

01:24:35,570 --> 01:24:32,820

advantage of ours basically Ways and

1800

01:24:39,709 --> 01:24:35,580

Means is what we call it our methods and

1801
01:24:50,050 --> 01:24:39,719
means and uh uh and Technologies like we

1802
01:24:54,770 --> 01:24:52,430
the Russians and the Chinese would know

1803
01:24:57,110 --> 01:24:54,780
that we had a sensor that would do x y z

1804
01:24:58,970 --> 01:24:57,120
so there's a lot of that that's the main

1805
01:25:01,370 --> 01:24:58,980
reasons things being classified when it

1806
01:25:03,350 --> 01:25:01,380
comes to the UFO stuff disregard blame

1807
01:25:06,110 --> 01:25:03,360
it on the demons

1808
01:25:10,810 --> 01:25:06,120
I will say that uh

1809
01:25:13,729 --> 01:25:10,820
one of the things we kind of run into

1810
01:25:15,709 --> 01:25:13,739
was what if there is a group that wasn't

1811
01:25:19,130 --> 01:25:15,719
telling us everything the National

1812
01:25:20,810 --> 01:25:19,140
Defense authorization Act of 2020 had a

1813
01:25:22,430 --> 01:25:20,820

clause in it that said they had to tell

1814

01:25:24,350 --> 01:25:22,440

us or as a felony if they didn't tell us

1815

01:25:25,910 --> 01:25:24,360

we came and asked them with the you

1816

01:25:27,830 --> 01:25:25,920

don't have to tell us your super secret

1817

01:25:30,290 --> 01:25:27,840

program you know but you got to tell us

1818

01:25:32,570 --> 01:25:30,300

that it's you yeah he's got nothing so

1819

01:25:35,270 --> 01:25:32,580

far we've heard nothing come on man we

1820

01:25:38,030 --> 01:25:35,280

paid and we reported what if we paid 75

1821

01:25:40,669 --> 01:25:38,040

bucks for this come on man again with

1822

01:25:42,830 --> 01:25:40,679

the secrets there are none you heard in

1823

01:25:44,870 --> 01:25:42,840

some back Channel conversations some

1824

01:25:47,330 --> 01:25:44,880

folks say well we would have told you it

1825

01:25:49,090 --> 01:25:47,340

was us or not and wait a minute but it'd

1826

01:25:52,030 --> 01:25:49,100

be a felony

1827

01:25:55,370 --> 01:25:52,040

and I'm not going to talk about it

1828

01:25:58,729 --> 01:25:55,380

Anthony Peterson wants a PowerPoint

1829

01:26:01,790 --> 01:25:58,739

so there is no there is no limit that's

1830

01:26:04,250 --> 01:26:01,800

probably 100 oh and when the uapx guys

1831

01:26:06,169 --> 01:26:04,260

say that they can't even got the radar

1832

01:26:07,030 --> 01:26:06,179

tapes off the ship of the Nimitz and all

1833

01:26:11,270 --> 01:26:07,040

that

1834

01:26:12,830 --> 01:26:11,280

Jay called they had two NCIS guys all in

1835

01:26:14,629 --> 01:26:12,840

the fleet because they're always two

1836

01:26:17,689 --> 01:26:14,639

NCIS guys when they do a thing you know

1837

01:26:21,530 --> 01:26:17,699

maybe ncisely about it there's 50 of

1838

01:26:23,930 --> 01:26:21,540

them right it's ncisla NCIS you know

1839

01:26:27,050 --> 01:26:23,940

Hawaii whatever but it's basically

1840

01:26:29,510 --> 01:26:27,060

they're uh it's like the FBI of the Navy

1841

01:26:31,010 --> 01:26:29,520

well me too there's two officers there's

1842

01:26:34,070 --> 01:26:31,020

one always on duty when they do all

1843

01:26:35,990 --> 01:26:34,080

these Fleet uh things like this so Jay

1844

01:26:41,030 --> 01:26:36,000

had the authority he called him and said

1845

01:26:42,950 --> 01:26:41,040

hey uh go make sure that uh uh that

1846

01:26:46,189 --> 01:26:42,960

there wasn't some men in black that did

1847

01:26:49,129 --> 01:26:46,199

this it turned out the fleet had these

1848

01:26:51,169 --> 01:26:49,139

two NCIS guys who were wearing just

1849

01:26:54,350 --> 01:26:51,179

jumpsuits blue jumpsuits which is what

1850

01:26:55,850 --> 01:26:54,360

they we wore off duty on the ship they

1851
01:26:57,649 --> 01:26:55,860
went around and everything that took

1852
01:26:59,870 --> 01:26:57,659
date of these they gathered it up and

1853
01:27:02,450 --> 01:26:59,880
took it to the admiral of the thing put

1854
01:27:04,490 --> 01:27:02,460
in their main like uh observation room

1855
01:27:06,290 --> 01:27:04,500
so that all their experts could come in

1856
01:27:08,330 --> 01:27:06,300
there and look at them and then nobody

1857
01:27:10,010 --> 01:27:08,340
really did anything with it and told to

1858
01:27:11,750 --> 01:27:10,020
ignore it because the Pentagon so they

1859
01:27:14,330 --> 01:27:11,760
used to shoved it in a drawer

1860
01:27:18,169 --> 01:27:14,340
no Men In Black came and took the stuff

1861
01:27:22,129 --> 01:27:18,179
but every time he tells a story oh yeah

1862
01:27:22,139 --> 01:27:29,510
knee

1863
01:27:34,930 --> 01:27:31,970

what happened to that and where's the

1864

01:27:42,790 --> 01:27:38,629

come on bring it home we should see who

1865

01:27:44,510 --> 01:27:42,800

you are uh if there is such a group

1866

01:27:46,070 --> 01:27:44,520

I don't think they're within the

1867

01:27:49,030 --> 01:27:46,080

government I think they're within price

1868

01:27:53,030 --> 01:27:49,040

thanks my flock that is beyond for you

1869

01:27:54,910 --> 01:27:53,040

uh it's beyond reach and uh they're

1870

01:27:58,669 --> 01:27:54,920

probably uh

1871

01:28:01,370 --> 01:27:58,679

multi-billion dollar uh corporations or

1872

01:28:02,990 --> 01:28:01,380

mostly billion dollar folks who are

1873

01:28:04,910 --> 01:28:03,000

pretty much Untouchable that we've seen

1874

01:28:08,330 --> 01:28:04,920

in the last that's correct at the

1875

01:28:11,629 --> 01:28:10,610

uh well so if their own contract to the

1876

01:28:14,390 --> 01:28:11,639

government

1877

01:28:16,610 --> 01:28:14,400

anything related to that contract is for

1878

01:28:18,290 --> 01:28:16,620

you a boy but if they do it on their own

1879

01:28:21,290 --> 01:28:18,300

internal research and development funds

1880

01:28:24,290 --> 01:28:21,300

the only company yeah I think so and the

1881

01:28:25,850 --> 01:28:24,300

government has no say on what can or

1882

01:28:28,189 --> 01:28:25,860

cannot they can do with those funds and

1883

01:28:29,570 --> 01:28:28,199

they don't have to tell them yes you can

1884

01:28:32,270 --> 01:28:29,580

I mean that's that'd be a violation

1885

01:28:34,189 --> 01:28:32,280

right click right uh which doesn't mean

1886

01:28:35,990 --> 01:28:34,199

to do it

1887

01:28:37,610 --> 01:28:36,000

what if Bigelow is trying to fool you

1888

01:28:41,990 --> 01:28:37,620

guys

1889

01:28:45,590 --> 01:28:44,090

I will say that Bigelow has not come

1890

01:28:48,770 --> 01:28:45,600

completely clean with us and has not

1891

01:28:51,290 --> 01:28:48,780

showed us the complete uh final report

1892

01:28:52,250 --> 01:28:51,300

or the results and while I had while I

1893

01:28:54,649 --> 01:28:52,260

was uh

1894

01:28:56,390 --> 01:28:54,659

uh UAP task force two scientists I had

1895

01:28:58,189 --> 01:28:56,400

access to all that and there's no final

1896

01:28:59,810 --> 01:28:58,199

report the only final report is very

1897

01:29:01,010 --> 01:28:59,820

science fictiony stuff written by Eric

1898

01:29:03,770 --> 01:29:01,020

Davis

1899

01:29:05,450 --> 01:29:03,780

and I asked George and so this is why

1900

01:29:11,290 --> 01:29:05,460

this is for my parents this is back in

1901

01:29:18,530 --> 01:29:15,830

another one and then a reed uh Stevens

1902

01:29:22,490 --> 01:29:18,540

yeah they did a plus-up of 20 million

1903

01:29:25,850 --> 01:29:22,500

dollars uh and led a contract to uh big

1904

01:29:27,189 --> 01:29:25,860

little airspace to investigate the UFO

1905

01:29:30,590 --> 01:29:27,199

phenomena

1906

01:29:33,350 --> 01:29:30,600

and by the way uh this is about the time

1907

01:29:35,090 --> 01:29:33,360

that Jay realized that uh

1908

01:29:37,490 --> 01:29:35,100

couldn't keep going to Congress and talk

1909

01:29:38,990 --> 01:29:37,500

about UFOs and if they did they would

1910

01:29:40,850 --> 01:29:39,000

never never get the meetings with the

1911

01:29:42,590 --> 01:29:40,860

staffers so we changed it to

1912

01:29:44,390 --> 01:29:42,600

unidentified aerial phenomena they had

1913

01:29:46,129 --> 01:29:44,400

just so he could be getting into the

1914

01:29:48,110 --> 01:29:46,139

meetings with the staffers so there

1915

01:29:51,950 --> 01:29:48,120

wasn't anything weird about it was

1916

01:29:54,770 --> 01:29:51,960

simply a clever uh sort of uh Ploy

1917

01:29:56,810 --> 01:29:54,780

probably the wrong word but clever uh

1918

01:29:59,510 --> 01:29:56,820

word manipulation word manipulation that

1919

01:30:01,010 --> 01:29:59,520

Jay used to get past the moat dragons

1920

01:30:03,110 --> 01:30:01,020

and politics

1921

01:30:05,330 --> 01:30:03,120

so there you have it uh that's

1922

01:30:08,450 --> 01:30:05,340

interesting so they started using the

1923

01:30:11,450 --> 01:30:08,460

term UAP just to avoid the stigma of

1924

01:30:15,770 --> 01:30:11,460

UFOs and get more funding

1925

01:30:19,070 --> 01:30:15,780

so when people wonder why suddenly the

1926

01:30:22,070 --> 01:30:19,080

government started calling UFOs uaps it

1927

01:30:24,729 --> 01:30:22,080

was so that they could be slick use word

1928

01:30:27,590 --> 01:30:24,739

manipulation and get more funding great

1929

01:30:29,510 --> 01:30:27,600

it worked well even though none of us

1930

01:30:32,090 --> 01:30:29,520

like you didn't eat anything we all we

1931

01:30:34,610 --> 01:30:32,100

all like to look but uh

1932

01:30:36,830 --> 01:30:34,620

um it does cover a bigger commode of

1933

01:30:41,510 --> 01:30:36,840

things though right

1934

01:30:43,790 --> 01:30:41,520

yeah so uh friends uh this goes on and

1935

01:30:48,770 --> 01:30:43,800

on for another two hours

1936

01:30:51,290 --> 01:30:48,780

at least you've got a very nice long uh

1937

01:30:53,629 --> 01:30:51,300

and by the way uh we are citing fair use

1938

01:30:56,689 --> 01:30:53,639

and sharing these videos at least you

1939

01:31:02,090 --> 01:30:56,699

got a nice long lunch for your 75 bucks

1940

01:31:04,250 --> 01:31:02,100

and uh in other areas of the video

1941

01:31:05,950 --> 01:31:04,260

I was able to see that there was about

1942

01:31:09,290 --> 01:31:05,960

25 people

1943

01:31:13,250 --> 01:31:09,300

uh seated in tables

1944

01:31:17,470 --> 01:31:13,260

around uh Travis Taylor so that would

1945

01:31:20,870 --> 01:31:17,480

mean for one lunch he got something like

1946

01:31:23,689 --> 01:31:20,880

1875 dollars now

1947

01:31:25,010 --> 01:31:23,699

um I'm not sure what his take was if

1948

01:31:27,169 --> 01:31:25,020

that all went to the conference

1949

01:31:29,510 --> 01:31:27,179

organizers and he was just paid to set

1950

01:31:31,850 --> 01:31:29,520

fee to be both a speaker and to sit here

1951

01:31:33,770 --> 01:31:31,860

at this stupid lunch I don't know how

1952

01:31:36,189 --> 01:31:33,780

the money situation worked but somebody

1953

01:31:39,950 --> 01:31:36,199

made two thousand dollars

1954

01:31:42,110 --> 01:31:39,960

to uh have people have this lunch

1955

01:31:44,149 --> 01:31:42,120

by the way just want to mention that uh

1956

01:31:47,750 --> 01:31:44,159

Ron from cosmic neighbors I also made

1957

01:31:50,450 --> 01:31:47,760

him a moderator as well

1958

01:31:52,129 --> 01:31:50,460

um even though he aggravated the hell

1959

01:31:53,450 --> 01:31:52,139

out of me with 3D printers for months

1960

01:31:55,910 --> 01:31:53,460

yeah

1961

01:31:57,830 --> 01:31:55,920

I blame him for all of my 3D printer

1962

01:32:00,830 --> 01:31:57,840

problems

1963

01:32:03,169 --> 01:32:00,840

um and by the way uh Ron I'll be taking

1964

01:32:04,490 --> 01:32:03,179

that to the cabin maybe not this weekend

1965

01:32:06,410 --> 01:32:04,500

because I've got a full load of

1966

01:32:11,270 --> 01:32:06,420

materials but maybe the following

1967

01:32:14,149 --> 01:32:11,280

weekend I don't know yeah so uh is it

1968

01:32:16,850 --> 01:32:14,159

worth 75 bucks I guess if you're a huge

1969

01:32:19,970 --> 01:32:16,860

fan of Travis Taylor Maybe it's it's

1970

01:32:22,090 --> 01:32:19,980

worth the 75 bucks I saw a few people in

1971

01:32:25,010 --> 01:32:22,100

a live chat uh

1972

01:32:29,870 --> 01:32:25,020

saying that they would maybe have paid

1973

01:32:31,669 --> 01:32:29,880

the 75 bucks uh I am going to uh we're

1974

01:32:36,649 --> 01:32:31,679

going to create a poll

1975

01:32:44,350 --> 01:32:36,659

uh would you pay 75 dollars

1976

01:32:53,510 --> 01:32:48,410

uh yeah and we are gonna post that poll

1977

01:32:56,030 --> 01:32:53,520

in the live and uh you my friends can

1978

01:32:57,649 --> 01:32:56,040

let me know would you pay 75 bucks to

1979

01:33:00,530 --> 01:32:57,659

hear this stuff

1980

01:33:03,590 --> 01:33:00,540

I don't think it was worth it

1981

01:33:07,129 --> 01:33:03,600

um but to be very honest with you if

1982

01:33:09,530 --> 01:33:07,139

this was near my house and I could just

1983

01:33:12,410 --> 01:33:09,540

drive there and just go to the lunch I

1984

01:33:14,149 --> 01:33:12,420

might have paid 75 bucks but then I

1985

01:33:15,830 --> 01:33:14,159

would have been drilling this guy with

1986

01:33:16,790 --> 01:33:15,840

questions that he wouldn't want to

1987

01:33:19,850 --> 01:33:16,800

answer

1988

01:33:22,250 --> 01:33:19,860

so essentially I would pay 75 bucks to

1989

01:33:24,770 --> 01:33:22,260

make him very uncomfortable for the two

1990

01:33:26,750 --> 01:33:24,780

hours or whatever get as many really

1991

01:33:28,629 --> 01:33:26,760

tough hard questions all the questions

1992

01:33:31,550 --> 01:33:28,639

centered around

1993

01:33:33,590 --> 01:33:31,560

sort of fan questions and and nothing

1994

01:33:37,010 --> 01:33:33,600

too deep right

1995

01:33:42,229 --> 01:33:40,310

yes mystery Eon uh you can now let me

1996

01:33:45,050 --> 01:33:42,239

find you here I have to go to the real

1997

01:33:47,450 --> 01:33:45,060

live chat to do that uh

1998

01:33:49,370 --> 01:33:47,460

and by the way do me a favor and send me

1999

01:33:52,250 --> 01:33:49,380

that model again because I want to try

2000

01:33:54,050 --> 01:33:52,260

to print that maybe tonight I haven't

2001
01:33:55,669 --> 01:33:54,060
printed anything with that 3D printer

2002
01:33:58,370 --> 01:33:55,679
for quite some time

2003
01:34:00,950 --> 01:33:58,380
and uh I would like to do that

2004
01:34:02,810 --> 01:34:00,960
and uh so we'll add you as a moderator

2005
01:34:05,990 --> 01:34:02,820
so now we're really loaded up on

2006
01:34:07,790 --> 01:34:06,000
moderators but I want to warn everybody

2007
01:34:09,830 --> 01:34:07,800
the last time we had a whole bunch of

2008
01:34:11,510 --> 01:34:09,840
moderators what happened is that the

2009
01:34:13,910 --> 01:34:11,520
moderators got in fights with each other

2010
01:34:16,850 --> 01:34:13,920
and started timing each other out and

2011
01:34:20,209 --> 01:34:16,860
all this drama and we I don't want to

2012
01:34:23,149 --> 01:34:20,219
see that so uh the rules for the

2013
01:34:25,550 --> 01:34:23,159

moderators are that you cannot time out

2014

01:34:29,510 --> 01:34:25,560

mute or kick

2015

01:34:31,790 --> 01:34:29,520

but or any other moderator except be

2016

01:34:33,709 --> 01:34:31,800

Baker B Baker is the head chat room

2017

01:34:36,410 --> 01:34:33,719

moderator he has that ability if

2018

01:34:39,229 --> 01:34:36,420

somebody is going to act the fool he'll

2019

01:34:42,530 --> 01:34:39,239

uh he'll

2020

01:34:43,910 --> 01:34:42,540

he'll uh take care of it yes

2021

01:34:48,350 --> 01:34:43,920

so

2022

01:34:50,450 --> 01:34:48,360

should discuss before we wrap things up

2023

01:34:53,270 --> 01:34:50,460

I do believe that we read every Super

2024

01:34:56,810 --> 01:34:53,280

Chat already uh it's a good time though

2025

01:34:58,370 --> 01:34:56,820

for me to remind everyone that uh one of

2026

01:35:00,350 --> 01:34:58,380

the best ways that you could support us

2027

01:35:02,930 --> 01:35:00,360

is by throwing money at us and tonight

2028

01:35:04,790 --> 01:35:02,940

we had many kind of generous people from

2029

01:35:05,810 --> 01:35:04,800

all over the world through some money at

2030

01:35:08,570 --> 01:35:05,820

us

2031

01:35:13,850 --> 01:35:08,580

uh

2032

01:35:15,070 --> 01:35:13,860

for kind and generous 12.99 through

2033

01:35:18,709 --> 01:35:15,080

PayPal

2034

01:35:21,709 --> 01:35:18,719

uh who says let me see what the message

2035

01:35:23,149 --> 01:35:21,719

says we will see it says every penny

2036

01:35:25,550 --> 01:35:23,159

counts man

2037

01:35:27,410 --> 01:35:25,560

yes it does thank you sweet Caroline for

2038

01:35:29,990 --> 01:35:27,420

your kindness generosity and support of

2039

01:35:32,270 --> 01:35:30,000

the show for those unaware you can send

2040

01:35:34,550 --> 01:35:32,280

a Super Chat we read every single one of

2041

01:35:36,890 --> 01:35:34,560

them right on air if you send a super

2042

01:35:38,450 --> 01:35:36,900

chat if you buy a super sticker we thank

2043

01:35:41,209 --> 01:35:38,460

you for that purchase of the super

2044

01:35:43,610 --> 01:35:41,219

sticker you can also send money through

2045

01:35:45,709 --> 01:35:43,620

PayPal or cash app and instructions to

2046

01:35:48,950 --> 01:35:45,719

do that or in the description of the

2047

01:35:49,610 --> 01:35:48,960

video I'm a terrible salesperson

2048

01:35:54,169 --> 01:35:49,620

um

2049

01:35:56,090 --> 01:35:54,179

and and honestly I depend on the uh just

2050

01:35:58,850 --> 01:35:56,100

the kindness and generosity of people we

2051

01:36:01,430 --> 01:35:58,860

don't like asking for the support here

2052

01:36:03,830 --> 01:36:01,440

but we uh appreciate each and every one

2053

01:36:06,770 --> 01:36:03,840

of you so we read if you send a PayPal

2054

01:36:09,290 --> 01:36:06,780

donation or cash app include a message

2055

01:36:10,790 --> 01:36:09,300

and your chat room user ID it's very

2056

01:36:12,410 --> 01:36:10,800

important because a lot of times I get

2057

01:36:13,850 --> 01:36:12,420

paypals with people's real names and

2058

01:36:15,950 --> 01:36:13,860

they don't really want me reading their

2059

01:36:18,110 --> 01:36:15,960

real name include your chat room user ID

2060

01:36:21,110 --> 01:36:18,120

any message you want to send you can

2061

01:36:23,689 --> 01:36:21,120

also join our uh you can join our

2062

01:36:25,550 --> 01:36:23,699

patreon that's a dollar a month and you

2063

01:36:30,530 --> 01:36:25,560

get a bunch of extra content and extra

2064

01:36:32,330 --> 01:36:30,540

goodies and you get a uh preview you get

2065

01:36:34,010 --> 01:36:32,340

to see the production videos before

2066

01:36:37,129 --> 01:36:34,020

they're uploaded we do a monthly show

2067

01:36:37,870 --> 01:36:37,139

Journal you get my music unreleased so

2068

01:36:40,550 --> 01:36:37,880

far

2069

01:36:42,229 --> 01:36:40,560

uh towards an album I'm creating when

2070

01:36:45,830 --> 01:36:42,239

the album is finished patreon supporters

2071

01:36:48,709 --> 01:36:45,840

get all that for free and uh you can

2072

01:36:51,110 --> 01:36:48,719

become a channel member as well here on

2073

01:36:53,390 --> 01:36:51,120

YouTube that's five bucks but you get

2074

01:36:56,270 --> 01:36:53,400

all the patreon goodies and some extra

2075

01:36:59,689 --> 01:36:56,280

YouTube goodies Channel member badges

2076

01:37:02,870 --> 01:36:59,699

priority reply uh in the live chat and

2077

01:37:06,430 --> 01:37:02,880

in the comments and more and I also do

2078

01:37:08,930 --> 01:37:06,440

want to remind everybody if you are

2079

01:37:11,450 --> 01:37:08,940

you can send a Super Chat while we're

2080

01:37:13,430 --> 01:37:11,460

broadcasting live but if the show has

2081

01:37:15,410 --> 01:37:13,440

ended there's a thanks button you can

2082

01:37:17,110 --> 01:37:15,420

send a super thank and you can send us

2083

01:37:19,669 --> 01:37:17,120

money even if you're watching the replay

2084

01:37:21,050 --> 01:37:19,679

I have seen that starting to really

2085

01:37:22,669 --> 01:37:21,060

increase and I want to thank each and

2086

01:37:25,430 --> 01:37:22,679

every one of you sending super thanks

2087

01:37:26,810 --> 01:37:25,440

for our work here it is much much

2088

01:37:29,750 --> 01:37:26,820

appreciated

2089

01:37:33,070 --> 01:37:29,760

uh and we want to thank Amy WC for

2090

01:37:35,750 --> 01:37:33,080

kindness generosity and support

2091

01:37:38,810 --> 01:37:35,760

uh we appreciate your kindness your

2092

01:37:41,510 --> 01:37:38,820

generosity and your support

2093

01:37:43,669 --> 01:37:41,520

uh Rick and Havoc says can we do a

2094

01:37:46,070 --> 01:37:43,679

policy if people will allow nudity for

2095

01:37:48,410 --> 01:37:46,080

call-ins now YouTube does not allow

2096

01:37:51,410 --> 01:37:48,420

nudity for call-ins we can't have naked

2097

01:37:53,689 --> 01:37:51,420

people here I if if it was up to me I'd

2098

01:37:55,550 --> 01:37:53,699

let people but the problem is that

2099

01:37:58,370 --> 01:37:55,560

sometimes when we do those open Panel

2100

01:37:59,390 --> 01:37:58,380

shows I look down and I see a [h__h] I

2101

01:38:02,090 --> 01:37:59,400

don't want to look down and see

2102

01:38:05,330 --> 01:38:02,100

somebody's junk like literally somebody

2103

01:38:08,629 --> 01:38:05,340

got a webcam and shot their balls and

2104

01:38:10,250 --> 01:38:08,639

their [h__\h] and that was what they were

2105

01:38:13,189 --> 01:38:10,260

going to appear on the show as a [h__\h]

2106

01:38:15,290 --> 01:38:13,199

and balls obviously that's against the

2107

01:38:18,229 --> 01:38:15,300

YouTube terms of service we can have

2108

01:38:23,689 --> 01:38:18,239

people doing that

2109

01:38:25,910 --> 01:38:23,699

so uh no nudity is one of the one of the

2110

01:38:30,290 --> 01:38:25,920

uh

2111

01:38:31,850 --> 01:38:30,300

we have some other PayPal kind and

2112

01:38:34,610 --> 01:38:31,860

generous pledges

2113

01:38:37,490 --> 01:38:34,620

cynical Observer Center kind and

2114

01:38:40,129 --> 01:38:37,500

generous Eight dollar PayPal pledge and

2115

01:38:42,530 --> 01:38:40,139

says this is cynical Observer thanks for

2116

01:38:44,510 --> 01:38:42,540

giving us the truth praise the cash yes

2117

01:38:46,970 --> 01:38:44,520

praise the cash friends we're gonna

2118

01:38:50,330 --> 01:38:46,980

praise the cash tonight because tonight

2119

01:38:55,189 --> 01:38:50,340

was a good night for support of the show

2120

01:38:57,410 --> 01:38:55,199

and uh we also have uh Another Kind and

2121

01:38:59,030 --> 01:38:57,420

Generous person

2122

01:39:00,950 --> 01:38:59,040

uh

2123

01:39:02,629 --> 01:39:00,960

we have a message from John with the

2124

01:39:04,370 --> 01:39:02,639

Kylie Jenner's five dollar PayPal pledge

2125

01:39:06,770 --> 01:39:04,380

says I don't know if it was just me but

2126

01:39:09,770 --> 01:39:06,780

triple Grace 555 has stopped posting

2127

01:39:11,570 --> 01:39:09,780

their pop apocalyptic videos with just a

2128

01:39:13,790 --> 01:39:11,580

few responses from me pointing out the

2129

01:39:16,070 --> 01:39:13,800

error in their prophecy well thank you

2130

01:39:18,169 --> 01:39:16,080

John most people who claim to be

2131

01:39:21,890 --> 01:39:18,179

prophets are actually false prophets so

2132

01:39:23,870 --> 01:39:21,900

there's no surprise to me that a false

2133

01:39:26,450 --> 01:39:23,880

prophet would would not like you

2134

01:39:28,669 --> 01:39:26,460

pointing out the error in their

2135

01:39:31,129 --> 01:39:28,679

prophecies right and we want to thank

2136

01:39:33,649 --> 01:39:31,139

Mikey and again Sweet Caroline for

2137

01:39:35,209 --> 01:39:33,659

PayPal pledges yesterday the dollar

2138

01:39:38,810 --> 01:39:35,219

ninety and ten dollars thank you very

2139

01:39:40,729 --> 01:39:38,820

much all of you guys uh the kindness and

2140

01:39:43,570 --> 01:39:40,739

generosity and support of our community

2141

01:39:46,490 --> 01:39:43,580

is amazing

2142

01:39:49,189 --> 01:39:46,500

yes that is that is

2143

01:39:53,570 --> 01:39:49,199

Spooky's official Title Here is now

2144

01:39:55,810 --> 01:39:53,580

going forward Lord God Emperor I I just

2145

01:39:58,790 --> 01:39:55,820

assumed that since you were the producer

2146

01:40:01,430 --> 01:39:58,800

you're the show producer

2147

01:40:03,649 --> 01:40:01,440

helping with the graphics and the uh

2148

01:40:06,709 --> 01:40:03,659

video production at times

2149

01:40:08,149 --> 01:40:06,719

by the way where's the clips man we did

2150

01:40:09,470 --> 01:40:08,159

a good one tonight actually we should

2151

01:40:14,330 --> 01:40:09,480

clip the beginning of the show about

2152

01:40:17,930 --> 01:40:14,340

this Dr T uh platforming this dummy fake

2153

01:40:21,050 --> 01:40:17,940

Dr Jonathan Reed spooky and uh I'm gonna

2154

01:40:23,450 --> 01:40:21,060

have to give spooky a uh Super Chat fund

2155

01:40:25,430 --> 01:40:23,460

because spooky occasionally sends money

2156

01:40:27,950 --> 01:40:25,440

to make sure that I see something

2157

01:40:30,430 --> 01:40:27,960

because I'm half blind and that's not

2158

01:40:33,470 --> 01:40:30,440

fair to Spooky

2159

01:40:37,129 --> 01:40:33,480

uh spooky once again

2160

01:40:41,030 --> 01:40:37,139

uh with two dollars God Emperor Kari

2161

01:40:43,010 --> 01:40:41,040

demands your super chats yes and and we

2162

01:40:45,050 --> 01:40:43,020

want to make sure that we thank each and

2163

01:40:47,870 --> 01:40:45,060

every one of you uh with your kind and

2164

01:40:52,129 --> 01:40:47,880

generous uh support of the show it's

2165

01:40:53,870 --> 01:40:52,139

what makes the show go round uh and and

2166

01:40:56,930 --> 01:40:53,880

we thank each and every one of you for

2167

01:41:00,169 --> 01:40:56,940

helping us to praise the cash friends uh

2168

01:41:02,030 --> 01:41:00,179

and Trixie's here to thank you as well

2169

01:41:04,310 --> 01:41:02,040

for your kindness your generosity and

2170

01:41:07,090 --> 01:41:04,320

your support take it away Trixie

2171

01:41:10,250 --> 01:41:07,100

this is Trixie loose reporting

2172

01:41:13,689 --> 01:41:10,260

exclusively for truth Seekers

2173

01:41:17,390 --> 01:41:13,699

we treat Seekers care so much about you

2174

01:41:19,310 --> 01:41:17,400

that's why we've created a new workout

2175

01:41:22,550 --> 01:41:19,320

podcast

2176

01:41:26,090 --> 01:41:22,560

I am going to be meeting you through an

2177

01:41:31,250 --> 01:41:26,100

incredible workout we call it the super

2178

01:41:34,390 --> 01:41:31,260

duper meaning I am gonna be working you

2179

01:41:36,680 --> 01:41:34,400

so far to get you a [h__h]

2180

01:41:44,510 --> 01:41:36,690

downloaded today

2181

01:41:46,250 --> 01:41:44,520

[Music]

2182

01:41:48,410 --> 01:41:46,260

I didn't even know we were doing a

2183

01:41:50,570 --> 01:41:48,420

workout podcast and by the way

2184

01:41:53,510 --> 01:41:50,580

several people have asked me in emails

2185

01:41:56,810 --> 01:41:53,520

and I am a lazy slob I talked about

2186

01:41:59,510 --> 01:41:56,820

hitting almost 100 days sobriety that

2187

01:42:01,729 --> 01:41:59,520

was 99 days that was two almost two

2188

01:42:04,070 --> 01:42:01,739

weeks ago a week and a half ago now

2189

01:42:06,410 --> 01:42:04,080

and uh I said I was going to start this

2190

01:42:09,709 --> 01:42:06,420

75 hard program but I have not done so

2191

01:42:11,810 --> 01:42:09,719

yet uh I've been putting it off I've

2192

01:42:14,390 --> 01:42:11,820

been procrastinating I'm gonna start it

2193

01:42:15,770 --> 01:42:14,400

uh and and I welcome all of you to do it

2194

01:42:20,209 --> 01:42:15,780

with me you can look it up it's called

2195

01:42:24,169 --> 01:42:20,219

75 hard it's uh 75 days no alcohol a

2196

01:42:25,970 --> 01:42:24,179

very good diet and no cheat meals you

2197

01:42:28,310 --> 01:42:25,980

have to exercise twice a day for 45

2198

01:42:30,890 --> 01:42:28,320

minutes once can be inside the other

2199

01:42:33,590 --> 01:42:30,900

time it has to be outside regardless of

2200

01:42:36,290 --> 01:42:33,600

the weather and uh drink a gallon of

2201

01:42:38,450 --> 01:42:36,300

water a day and read 10 I think it's 10

2202

01:42:40,850 --> 01:42:38,460

minutes or 10 pages of a non-fiction

2203

01:42:43,330 --> 01:42:40,860

book every day it's the 75 hard

2204

01:42:47,030 --> 01:42:43,340

challenge I thought that would help me

2205

01:42:49,790 --> 01:42:47,040

continue down the straight narrow path

2206

01:42:52,669 --> 01:42:49,800

of uh sobriety

2207

01:42:55,790 --> 01:42:52,679

I think I'm over 110 days now and

2208

01:42:58,430 --> 01:42:55,800

feeling quite good about that uh

2209

01:43:00,530 --> 01:42:58,440

it was a good decision and drying out

2210

01:43:04,250 --> 01:43:00,540

has done me extremely well

2211

01:43:06,530 --> 01:43:04,260

uh uh it hasn't been good however for

2212

01:43:08,770 --> 01:43:06,540

the people who like to hear me yell and

2213

01:43:12,649 --> 01:43:08,780

scream and get angry

2214

01:43:15,530 --> 01:43:12,659

because while I was drinking every day I

2215

01:43:18,770 --> 01:43:15,540

was uh short of temper much shorter of

2216

01:43:21,890 --> 01:43:18,780

temper and now I have a little bit more

2217

01:43:24,590 --> 01:43:21,900

patience and I don't just pop off as

2218

01:43:26,810 --> 01:43:24,600

much so if you're one of those fans that

2219

01:43:29,629 --> 01:43:26,820

uh like to see me scream and yell all

2220

01:43:32,510 --> 01:43:29,639

the time my sobriety may be somewhat

2221

01:43:34,609 --> 01:43:32,520

disappointing to you but uh it's really

2222

01:43:38,209 --> 01:43:34,619

for the best I have a greater bit of

2223

01:43:41,030 --> 01:43:38,219

emotional awareness and I don't go from

2224

01:43:43,729 --> 01:43:41,040

zero to pissed off and screaming right

2225

01:43:45,350 --> 01:43:43,739

away it takes a lot right it takes a lot

2226

01:43:46,910 --> 01:43:45,360

Sweet Caroline says proud of you Stephen

2227

01:43:49,910 --> 01:43:46,920

thank you I appreciate it Anthony

2228

01:43:52,070 --> 01:43:49,920

Peterson congrats Stephen thank you and

2229

01:43:55,010 --> 01:43:52,080

uh one of the things is that I've been

2230

01:43:57,950 --> 01:43:55,020

so busy I haven't been going to AAA

2231

01:44:00,649 --> 01:43:57,960

meetings and I really do have to

2232

01:44:03,950 --> 01:44:00,659

I do have to return to that I think that

2233

01:44:07,669 --> 01:44:03,960

it was beneficial to go every day and be

2234

01:44:12,050 --> 01:44:07,679

reminded of the dangers of uh alcohol in

2235

01:44:15,109 --> 01:44:12,060

my life I have not been going uh in fact

2236

01:44:18,350 --> 01:44:15,119

I I have yet I they give you those chips

2237

01:44:20,450 --> 01:44:18,360

uh coins you know I haven't gotten a 90

2238

01:44:22,430 --> 01:44:20,460

day coin and I want mine I think I

2239

01:44:24,890 --> 01:44:22,440

earned that coin I've CA I've been

2240

01:44:28,609 --> 01:44:24,900

carrying this 60 day and 30 day one in

2241

01:44:31,129 --> 01:44:28,619

my wallet as a reminder

2242

01:44:32,930 --> 01:44:31,139

um and a another alcoholic once told me

2243

01:44:34,430 --> 01:44:32,940

that if you put that under your tongue

2244

01:44:36,229 --> 01:44:34,440

and it melts you're allowed to have a

2245

01:44:40,250 --> 01:44:36,239

drink otherwise you're not and it's

2246

01:44:43,850 --> 01:44:40,260

metal so it's kind of a a joke right

2247

01:44:46,250 --> 01:44:43,860

and uh I I think that uh I gotta find

2248

01:44:48,950 --> 01:44:46,260

the time it's just

2249

01:44:51,410 --> 01:44:48,960

I think I have been very busy with

2250

01:44:53,750 --> 01:44:51,420

children and the cabin that by the way

2251

01:44:56,870 --> 01:44:53,760

the cabin was kicking my butt it really

2252

01:44:59,090 --> 01:44:56,880

was kicking I

2253

01:45:01,910 --> 01:44:59,100

for those unaware I'm building this

2254

01:45:04,129 --> 01:45:01,920

cabin in the middle of the woods and uh

2255

01:45:06,530 --> 01:45:04,139

well not really compared to the next

2256

01:45:09,229 --> 01:45:06,540

project I'm planning but more on that

2257

01:45:11,629 --> 01:45:09,239

later uh and thank you Anthony so

2258

01:45:13,970 --> 01:45:11,639

I'm building this cabin and I built an

2259

01:45:16,129 --> 01:45:13,980

awful lot of things at the cabin out of

2260

01:45:18,590 --> 01:45:16,139

stone that we collected from the land

2261

01:45:20,510 --> 01:45:18,600

that we purchased uh it's in the

2262

01:45:22,129 --> 01:45:20,520

mountains there was when I first bought

2263

01:45:23,990 --> 01:45:22,139

that place there were Stones everywhere

2264

01:45:25,669 --> 01:45:24,000

everywhere you stepped you would step on

2265

01:45:28,129 --> 01:45:25,679

a stone right on the surface and you

2266

01:45:30,830 --> 01:45:28,139

could just pick it up and move it and so

2267

01:45:34,189 --> 01:45:30,840

I collected up all the stone cleared

2268

01:45:36,229 --> 01:45:34,199

Pathways and walkways in a driveway and

2269

01:45:38,629 --> 01:45:36,239

all of that stuff

2270

01:45:40,850 --> 01:45:38,639

and I use the stone to create a stone

2271

01:45:43,970 --> 01:45:40,860

floor in the living room the whole floor

2272

01:45:47,330 --> 01:45:43,980

is Stone Natural Stone and then I built

2273

01:45:50,570 --> 01:45:47,340

a wood wood stove hearth for those

2274

01:45:52,970 --> 01:45:50,580

unaware you build this platform that the

2275

01:45:55,490 --> 01:45:52,980

wood stove sits on all made out of stone

2276

01:45:57,950 --> 01:45:55,500

and then the backsplash behind the wood

2277

01:45:59,390 --> 01:45:57,960

stove to protect the logs is all made

2278

01:46:03,290 --> 01:45:59,400

out of stone

2279

01:46:07,609 --> 01:46:03,300

then I used more Stone to create Stone

2280

01:46:09,649 --> 01:46:07,619

pillars and uh and another wood stove

2281

01:46:11,510 --> 01:46:09,659

hearth for the wood stove in the new

2282

01:46:15,410 --> 01:46:11,520

room the sun room

2283

01:46:18,050 --> 01:46:15,420

and I also built an entire Stone shower

2284

01:46:19,910 --> 01:46:18,060

stall the whole shower stall is just

2285

01:46:23,689 --> 01:46:19,920

made out of Natural Stone

2286

01:46:25,790 --> 01:46:23,699

and by this point the amount of stones

2287

01:46:27,709 --> 01:46:25,800

on the property which was once there

2288

01:46:30,229 --> 01:46:27,719

were Stones everywhere but that stone

2289

01:46:33,350 --> 01:46:30,239

showers like 10 feet high or nine feet

2290

01:46:37,729 --> 01:46:33,360

high and wide and the stone floor was 12

2291

01:46:40,669 --> 01:46:37,739

by 24. we used a ton literally more than

2292

01:46:43,310 --> 01:46:40,679

a ton probably two tons of stone I have

2293

01:46:45,229 --> 01:46:43,320

picked off the property and used

2294

01:46:47,990 --> 01:46:45,239

but the last thing that I really need

2295

01:46:50,510 --> 01:46:48,000

the stones for is to build a porch patio

2296

01:46:51,890 --> 01:46:50,520

out of stone like the floor in the

2297

01:46:54,890 --> 01:46:51,900

living room all made out of Natural

2298

01:46:58,609 --> 01:46:54,900

Stone I got two-thirds of it done

2299

01:47:01,430 --> 01:46:58,619

and then I started really having a

2300

01:47:04,910 --> 01:47:01,440

problem collecting Stone uh it would

2301

01:47:07,070 --> 01:47:04,920

appear that we are running on empty now

2302

01:47:10,129 --> 01:47:07,080

I'm told by my neighbor that in a year

2303

01:47:13,729 --> 01:47:10,139

or two after a bunch of rain and you

2304

01:47:16,310 --> 01:47:13,739

know snow and melting snow more stones

2305

01:47:20,149 --> 01:47:16,320

will become visible and easily pickable

2306

01:47:24,470 --> 01:47:20,159

off of the property but since we have

2307

01:47:26,810 --> 01:47:24,480

used so much of it uh there is very

2308

01:47:28,970 --> 01:47:26,820

little left and so what ended up

2309

01:47:31,310 --> 01:47:28,980

happening I'm going to share I'm going

2310

01:47:33,649 --> 01:47:31,320

to share my uh screen here the last

2311

01:47:36,470 --> 01:47:33,659

little bit of stone that I needed to

2312

01:47:40,250 --> 01:47:36,480

collect for this patio took me forever

2313

01:47:43,370 --> 01:47:40,260

all day to and I had to dig for a lot of

2314

01:47:46,310 --> 01:47:43,380

these so there's the last third of the

2315

01:47:49,430 --> 01:47:46,320

stones at the cabin to finish the porch

2316

01:47:51,709 --> 01:47:49,440

the porch patio and after this I have to

2317

01:47:54,169 --> 01:47:51,719

build a roof on the porch that goes

2318

01:47:58,189 --> 01:47:54,179

across the whole front of the cabin the

2319

01:48:00,830 --> 01:47:58,199

porch when finished will be 10 by 36. uh

2320

01:48:02,689 --> 01:48:00,840

but this last bit of stone uh you can

2321

01:48:06,109 --> 01:48:02,699

ask spooky I was bitching about it all

2322

01:48:08,149 --> 01:48:06,119

day uh spooky was messaging me uh about

2323

01:48:12,830 --> 01:48:08,159

the show or something and I was like I

2324

01:48:15,709 --> 01:48:12,840

gotta collect rocks all day to find more

2325

01:48:17,810 --> 01:48:15,719

Stone and now we're in a situation where

2326

01:48:20,209 --> 01:48:17,820

there's nothing on the ground that you

2327

01:48:22,010 --> 01:48:20,219

could just pick up so now I have to I

2328

01:48:23,810 --> 01:48:22,020

had to find Stone that were partially

2329

01:48:25,550 --> 01:48:23,820

sticking up and dig them out with a

2330

01:48:29,570 --> 01:48:25,560

shovel and pull them out and hose them

2331

01:48:31,669 --> 01:48:29,580

off and all this so uh this cabin is

2332

01:48:34,010 --> 01:48:31,679

killing me all day to collect the stones

2333

01:48:37,189 --> 01:48:34,020

but I was determined to finish and I

2334

01:48:38,930 --> 01:48:37,199

didn't I finished collecting them now I

2335

01:48:41,750 --> 01:48:38,940

have to cement the last third of the

2336

01:48:43,490 --> 01:48:41,760

stones in and then the porch patio at

2337

01:48:49,129 --> 01:48:43,500

least will be completed

2338

01:48:51,470 --> 01:48:49,139

also a kind person I got a free uh fire

2339

01:48:54,649 --> 01:48:51,480

pit that you could see in the distance

2340

01:48:56,450 --> 01:48:54,659

in this photo here uh a metal fire pit

2341

01:48:58,550 --> 01:48:56,460

that will go on the porch so that even

2342

01:49:00,830 --> 01:48:58,560

if it's raining I can still sit on the

2343

01:49:04,550 --> 01:49:00,840

porch and have a campfire I love that

2344

01:49:07,129 --> 01:49:04,560

but the cabin's been killing me uh this

2345

01:49:10,550 --> 01:49:07,139

I'm glad after this I'm done collecting

2346

01:49:12,830 --> 01:49:10,560

rocks for a while I spent days and days

2347

01:49:15,229 --> 01:49:12,840

of my life just walking around the land

2348

01:49:17,510 --> 01:49:15,239

picking up stones and carrying them back

2349

01:49:20,930 --> 01:49:17,520

and that's the other problem

2350

01:49:23,689 --> 01:49:20,940

the the stone

2351
01:49:25,430 --> 01:49:23,699
as the Stone Supply dwindled I have to

2352
01:49:27,169 --> 01:49:25,440
go further and further in the woods

2353
01:49:30,530 --> 01:49:27,179
looking for them and digging for them

2354
01:49:33,290 --> 01:49:30,540
and all this so thank God I'm done

2355
01:49:35,870 --> 01:49:33,300
collecting Stones I have the cement

2356
01:49:38,270 --> 01:49:35,880
uh it's actually type S mortar but

2357
01:49:41,149 --> 01:49:38,280
whatever I have the mortar mix the the

2358
01:49:43,370 --> 01:49:41,159
cement to go in between the stones I'll

2359
01:49:44,870 --> 01:49:43,380
be doing that hopefully Friday night I

2360
01:49:46,910 --> 01:49:44,880
want to get it done so I think I'm going

2361
01:49:49,189 --> 01:49:46,920
to drive to the cabin on Friday after my

2362
01:49:52,189 --> 01:49:49,199
wife gets home I'll be there just after

2363
01:49:56,510 --> 01:49:52,199

dark but I've got work lights and I'm

2364

01:49:59,510 --> 01:49:56,520

gonna get this porch patio finished so I

2365

01:50:01,850 --> 01:49:59,520

I guess I just been too busy to do many

2366

01:50:04,310 --> 01:50:01,860

of the things that I need to do I also

2367

01:50:07,070 --> 01:50:04,320

did join a gym and I haven't been there

2368

01:50:09,229 --> 01:50:07,080

yet so I'm paying for like many people

2369

01:50:12,050 --> 01:50:09,239

I'm paying for Jim I haven't even gone

2370

01:50:14,090 --> 01:50:12,060

to yet every day I say I'm gonna go and

2371

01:50:16,729 --> 01:50:14,100

then I procrastinate until tomorrow I

2372

01:50:19,490 --> 01:50:16,739

need better sneakers I need uh you know

2373

01:50:22,310 --> 01:50:19,500

sweatpants whatever but all my excuses

2374

01:50:24,590 --> 01:50:22,320

are gone and tonight it's open 24 hours

2375

01:50:25,970 --> 01:50:24,600

so it's only 11 P.M

2376

01:50:27,830 --> 01:50:25,980

I'm gonna go

2377

01:50:31,189 --> 01:50:27,840

and uh I'm gonna do an hour on a

2378

01:50:32,570 --> 01:50:31,199

treadmill or something I have to get I

2379

01:50:36,590 --> 01:50:32,580

really have to

2380

01:50:38,209 --> 01:50:36,600

start focusing on exercise because some

2381

01:50:41,810 --> 01:50:38,219

of you know I've lost

2382

01:50:45,770 --> 01:50:41,820

I'm up to four I think 14 pounds I have

2383

01:50:49,850 --> 01:50:45,780

lost since uh 110 days of no drinking

2384

01:50:53,689 --> 01:50:49,860

and a better diet I'm eating

2385

01:50:56,090 --> 01:50:53,699

very very healthy uh but

2386

01:50:58,310 --> 01:50:56,100

I think that I hit a plateau and the

2387

01:51:01,310 --> 01:50:58,320

scale's not moving so now I need to add

2388

01:51:03,770 --> 01:51:01,320

a lot of exercise and I haven't I I

2389

01:51:06,229 --> 01:51:03,780

don't need to but I am very when I'm not

2390

01:51:09,290 --> 01:51:06,239

at the cabin doing crazy things like

2391

01:51:11,350 --> 01:51:09,300

carrying 100 pound rocks back to the

2392

01:51:15,830 --> 01:51:11,360

cabin from you know

2393

01:51:18,169 --> 01:51:15,840

a few blocks into the woods I uh

2394

01:51:20,930 --> 01:51:18,179

during the week I'm very sedentary you

2395

01:51:26,090 --> 01:51:20,940

know I'm much I'm very comfortable in

2396

01:51:32,450 --> 01:51:28,370

doing

2397

01:51:34,310 --> 01:51:32,460

computer stuff and and uh video editing

2398

01:51:38,149 --> 01:51:34,320

and making music in front of a computer

2399

01:51:41,510 --> 01:51:38,159

so I'm sitting I don't move near enough

2400

01:51:43,250 --> 01:51:41,520

and I'm gonna try to change that

2401
01:51:46,430 --> 01:51:43,260
when I was younger I got much more

2402
01:51:49,970 --> 01:51:48,470
spooky is asking Stephen when are you

2403
01:51:52,669 --> 01:51:49,980
talking about the super secret new

2404
01:51:54,890 --> 01:51:52,679
project I want to wait until all that is

2405
01:51:57,050 --> 01:51:54,900
finalized there's only one person aware

2406
01:51:59,570 --> 01:51:57,060
of the super secret project besides me

2407
01:52:01,250 --> 01:51:59,580
and that's you spooky so if you let the

2408
01:52:03,950 --> 01:52:01,260
cat out of the bag I'm going to be kind

2409
01:52:06,229 --> 01:52:03,960
of pissed at you because

2410
01:52:10,669 --> 01:52:06,239
things in my life had a tendency to Get

2411
01:52:13,129 --> 01:52:10,679
Jinxed if you uh put the cart before the

2412
01:52:15,109 --> 01:52:13,139
horse is that a right way to say it I

2413
01:52:17,689 --> 01:52:15,119

want to make sure that all the things

2414

01:52:21,109 --> 01:52:17,699

that we talked about is done like

2415

01:52:24,169 --> 01:52:21,119

legally everything is done and we have

2416

01:52:28,250 --> 01:52:24,179

everything in place before talking about

2417

01:52:32,090 --> 01:52:28,260

that publicly but I will say that we are

2418

01:52:35,270 --> 01:52:32,100

planning some big changes uh going

2419

01:52:39,410 --> 01:52:35,280

forward uh this show will remain the

2420

01:52:41,290 --> 01:52:39,420

same but we have some new fun things in

2421

01:52:43,910 --> 01:52:41,300

the works

2422

01:52:45,970 --> 01:52:43,920

Sweet Caroline says I would also like to

2423

01:52:49,550 --> 01:52:45,980

know about the new super secret project

2424

01:52:53,629 --> 01:52:49,560

well I can say that it involves the

2425

01:52:56,770 --> 01:52:53,639

woods and maybe stuff like that yeah

2426

01:52:59,510 --> 01:52:56,780

spooky says I've told nobody good I will

2427

01:53:02,209 --> 01:52:59,520

I told you those things in trust and

2428

01:53:04,010 --> 01:53:02,219

confidence so uh but everything looks

2429

01:53:07,070 --> 01:53:04,020

good I uh

2430

01:53:09,709 --> 01:53:07,080

have been planning a major new project

2431

01:53:13,189 --> 01:53:09,719

for quite some time but this would

2432

01:53:14,990 --> 01:53:13,199

require and and by the way uh one of the

2433

01:53:16,850 --> 01:53:15,000

reasons that I finally think that I'm

2434

01:53:19,189 --> 01:53:16,860

going to get to go forward with this big

2435

01:53:22,910 --> 01:53:19,199

major new project is because I've been

2436

01:53:24,530 --> 01:53:22,920

sober because it took a lot to make this

2437

01:53:27,350 --> 01:53:24,540

new project work

2438

01:53:29,689 --> 01:53:27,360

or get all the pieces in place to make

2439

01:53:31,850 --> 01:53:29,699

it work uh but I've been able to do that

2440

01:53:34,910 --> 01:53:31,860

with a little more Focus that I have and

2441

01:53:38,149 --> 01:53:34,920

not being hung over for half the day so

2442

01:53:40,609 --> 01:53:38,159

I'm very very thankful for that now my

2443

01:53:43,490 --> 01:53:40,619

flock is everywhere I'm so happy for you

2444

01:53:46,669 --> 01:53:43,500

congratulations you are flocking based

2445

01:53:47,990 --> 01:53:46,679

I'm getting that a lot now right and uh

2446

01:53:50,390 --> 01:53:48,000

Sweet Caroline says Stephen you're

2447

01:53:52,550 --> 01:53:50,400

putting in all the work we really are

2448

01:53:54,950 --> 01:53:52,560

rooting for you thank you but I want to

2449

01:53:57,169 --> 01:53:54,960

caution everybody in that I have not

2450

01:53:58,189 --> 01:53:57,179

decided that I'm gonna just not drink

2451
01:54:00,530 --> 01:53:58,199
forever

2452
01:54:02,689 --> 01:54:00,540
and I hope that if I go back to

2453
01:54:05,930 --> 01:54:02,699
occasional drinking or whatever I decide

2454
01:54:08,510 --> 01:54:05,940
to do I won't feel like I'm letting you

2455
01:54:10,970 --> 01:54:08,520
down or anybody down

2456
01:54:13,490 --> 01:54:10,980
um you know uh

2457
01:54:15,770 --> 01:54:13,500
haven't decided but I can certainly see

2458
01:54:18,350 --> 01:54:15,780
what an incredible benefit Being Sober

2459
01:54:20,390 --> 01:54:18,360
all the time has been so I'm a little

2460
01:54:22,370 --> 01:54:20,400
hesitant to even going back to

2461
01:54:24,770 --> 01:54:22,380
occasional drinking because my worry is

2462
01:54:26,510 --> 01:54:24,780
that I would then proceed to back to

2463
01:54:29,390 --> 01:54:26,520

daily drinking and I certainly don't

2464

01:54:32,209 --> 01:54:29,400

want to end up back to the levels of

2465

01:54:34,490 --> 01:54:32,219

alcohol consumption that I was at before

2466

01:54:45,470 --> 01:54:34,500

I

2467

01:54:47,750 --> 01:54:45,480

situation because you know part of me

2468

01:54:50,390 --> 01:54:47,760

thinks I I learned my lesson I will

2469

01:54:55,030 --> 01:54:50,400

never drink every day now but you don't

2470

01:54:58,010 --> 01:54:55,040

know that and uh that can be a very

2471

01:54:59,870 --> 01:54:58,020

deceptive demon alcohol could be and

2472

01:55:03,229 --> 01:54:59,880

make you think you could

2473

01:55:04,609 --> 01:55:03,239

to get you back right in its grasp and

2474

01:55:08,330 --> 01:55:04,619

then uh

2475

01:55:10,129 --> 01:55:08,340

things don't go well uh once you do

2476

01:55:12,169 --> 01:55:10,139

right

2477

01:55:13,850 --> 01:55:12,179

and uh Sweet Caroline says do what's

2478

01:55:15,770 --> 01:55:13,860

best for you yeah that's what I'm going

2479

01:55:17,689 --> 01:55:15,780

to plan on doing the cosmic neighbors

2480

01:55:19,790 --> 01:55:17,699

bro if you want to relax just go 3D

2481

01:55:22,430 --> 01:55:19,800

printing something stay away from

2482

01:55:25,310 --> 01:55:22,440

aggravating things oh I'm gonna [h__\h]

2483

01:55:26,510 --> 01:55:25,320

murder this Cosmic neighbors it's all

2484

01:55:28,550 --> 01:55:26,520

your fault

2485

01:55:30,649 --> 01:55:28,560

mysterious moon basis says Stephen don't

2486

01:55:32,450 --> 01:55:30,659

do it yeah well that's another thing I

2487

01:55:35,990 --> 01:55:32,460

don't want people to feel like oh he let

2488

01:55:37,430 --> 01:55:36,000

us down if I do you know drink it

2489

01:55:39,890 --> 01:55:37,440

drink again

2490

01:55:42,350 --> 01:55:39,900

had I got the damn surgery she wanted

2491

01:55:44,149 --> 01:55:42,360

for maybe it would not have had a secret

2492

01:55:47,090 --> 01:55:44,159

to begin with I'm not sure what that's

2493

01:55:48,410 --> 01:55:47,100

about uh all substances make you think

2494

01:55:51,169 --> 01:55:48,420

that way

2495

01:55:52,970 --> 01:55:51,179

yeah maybe you know

2496

01:55:57,649 --> 01:55:52,980

um but I am excited about this new

2497

01:56:01,729 --> 01:55:57,659

project and uh I uh really have some

2498

01:56:09,470 --> 01:56:06,169

um for those unaware I'm a very add kind

2499

01:56:11,990 --> 01:56:09,480

of a person I just can't focus on things

2500

01:56:14,149 --> 01:56:12,000

sometimes and I always my whole life

2501

01:56:16,189 --> 01:56:14,159

I've had many different projects going

2502

01:56:19,490 --> 01:56:16,199

at once you know a lot of balls in the

2503

01:56:21,709 --> 01:56:19,500

air and I uh but I have improved

2504

01:56:24,350 --> 01:56:21,719

somewhat with being able to focus on

2505

01:56:26,750 --> 01:56:24,360

finishing things before starting new

2506

01:56:30,709 --> 01:56:26,760

things I used to start things all the

2507

01:56:33,290 --> 01:56:30,719

time while this wasn't finished and I've

2508

01:56:36,109 --> 01:56:33,300

learned it's best to finish especially

2509

01:56:38,330 --> 01:56:36,119

major projects I have to finish one

2510

01:56:41,390 --> 01:56:38,340

major project completely before

2511

01:56:43,310 --> 01:56:41,400

proceeding to another major project of

2512

01:56:47,390 --> 01:56:43,320

my life which will require a great deal

2513

01:56:49,970 --> 01:56:47,400

of my focus so my focus for the winter

2514

01:56:50,930 --> 01:56:49,980

is to completely and totally finish that

2515

01:56:53,750 --> 01:56:50,940

cabin

2516

01:56:55,609 --> 01:56:53,760

all of it I have a ceiling to put up in

2517

01:56:58,310 --> 01:56:55,619

the bathroom the bathroom needs a little

2518

01:57:01,970 --> 01:56:58,320

bit of finishing work on the walls

2519

01:57:03,770 --> 01:57:01,980

I have some wiring to do for the 12 volt

2520

01:57:05,090 --> 01:57:03,780

system for those underwear my cabin is

2521

01:57:09,590 --> 01:57:05,100

wired for both

2522

01:57:12,589 --> 01:57:09,600

or will be it's wired house wiring 120

2523

01:57:15,410 --> 01:57:12,599

and it's also wired for 12 volts uh for

2524

01:57:18,229 --> 01:57:15,420

the solar system you use a hell of a lot

2525

01:57:20,450 --> 01:57:18,239

less power on a solar system if you have

2526

01:57:23,450 --> 01:57:20,460

12 volt lights for example 12 volt

2527

01:57:26,930 --> 01:57:23,460

appliances uh we don't really have 12 on

2528

01:57:28,850 --> 01:57:26,940

appliances but anyway the cabin is going

2529

01:57:31,790 --> 01:57:28,860

to be wired for 12 volt and it's not

2530

01:57:33,950 --> 01:57:31,800

completely the 120 wiring is done but

2531

01:57:36,050 --> 01:57:33,960

the 12 volt I have some of the 12 volt

2532

01:57:39,470 --> 01:57:36,060

lights up in the finished rooms

2533

01:57:41,089 --> 01:57:39,480

and uh I have to still do the lights the

2534

01:57:43,370 --> 01:57:41,099

12 volt lights in the bathroom in the

2535

01:57:45,589 --> 01:57:43,380

sun room and a few other places you know

2536

01:57:46,790 --> 01:57:45,599

a few other 12 volt things to worry

2537

01:57:49,729 --> 01:57:46,800

about

2538

01:57:54,950 --> 01:57:49,739

and I have to finish the the porch patio

2539

01:57:57,530 --> 01:57:54,960

and the porch then I will do uh I will

2540

01:57:59,930 --> 01:57:57,540

do a celebration stream from the cabin

2541

01:58:02,689 --> 01:57:59,940

once it's all finished because that will

2542

01:58:05,930 --> 01:58:02,699

have ended up being I didn't

2543

01:58:08,089 --> 01:58:05,940

I I didn't anticipate it being this long

2544

01:58:12,370 --> 01:58:08,099

but that will have ended up being a five

2545

01:58:15,169 --> 01:58:12,380

year project now in my defense

2546

01:58:17,330 --> 01:58:15,179

uh there have been times when the

2547

01:58:19,070 --> 01:58:17,340

winners were so bad that I could not get

2548

01:58:21,109 --> 01:58:19,080

my vehicle from the main road to the

2549

01:58:24,010 --> 01:58:21,119

cabin so I just didn't go

2550

01:58:26,810 --> 01:58:24,020

for months during some of the winters

2551

01:58:28,850 --> 01:58:26,820

and uh then there was other periods

2552

01:58:30,649 --> 01:58:28,860

where I would get very busy and I would

2553

01:58:32,450 --> 01:58:30,659

not go to the cabin every weekend I

2554

01:58:35,930 --> 01:58:32,460

would go maybe once a month

2555

01:58:37,790 --> 01:58:35,940

and so the progress at the cabin has

2556

01:58:40,189 --> 01:58:37,800

jumped around sometimes I was going

2557

01:58:42,109 --> 01:58:40,199

every week during coven I got a ton of

2558

01:58:43,970 --> 01:58:42,119

things done because my wife was working

2559

01:58:46,729 --> 01:58:43,980

from home so I could leave on Wednesday

2560

01:58:49,430 --> 01:58:46,739

or Thursday instead of Friday get a

2561

01:58:51,169 --> 01:58:49,440

couple extra work days in there and uh

2562

01:58:54,169 --> 01:58:51,179

my wife has been very supportive of the

2563

01:58:56,450 --> 01:58:54,179

cabin she knows that was a dream of mine

2564

01:59:00,229 --> 01:58:56,460

to build it and so she's been incredibly

2565

01:59:03,470 --> 01:59:00,239

supportive and uh and her and I really

2566

01:59:05,270 --> 01:59:03,480

did it together uh you know I supplied

2567

01:59:07,250 --> 01:59:05,280

the labor and she supplied a lot of the

2568

01:59:10,089 --> 01:59:07,260

funds because some of that gets

2569

01:59:13,669 --> 01:59:10,099

expensive fast in any case

2570

01:59:15,890 --> 01:59:13,679

that thing took me five years uh but I

2571

01:59:17,990 --> 01:59:15,900

was determined like I'm I'm going to

2572

01:59:21,050 --> 01:59:18,000

build this thing it's been in my heart

2573

01:59:24,770 --> 01:59:21,060

as a dream to build this it's been in my

2574

01:59:27,470 --> 01:59:24,780

imagination for years to build it

2575

01:59:29,570 --> 01:59:27,480

before I did and uh

2576

01:59:32,770 --> 01:59:29,580

once I pulled the trigger on it I mean

2577

01:59:35,810 --> 01:59:32,780

things went really really slow at times

2578

01:59:38,870 --> 01:59:35,820

uh or there was no progress for for

2579

01:59:41,510 --> 01:59:38,880

three four months there very little but

2580

01:59:44,270 --> 01:59:41,520

I kept just pecking away at it little by

2581

01:59:46,490 --> 01:59:44,280

little by little by little and slow and

2582

01:59:49,490 --> 01:59:46,500

steady wins the race

2583

01:59:51,290 --> 01:59:49,500

sometimes and and the other thing I

2584

01:59:53,570 --> 01:59:51,300

learned is progress really is the key to

2585

01:59:56,750 --> 01:59:53,580

happiness I have been happiest these

2586

01:59:59,570 --> 01:59:56,760

last five years when I was at the cabin

2587

02:00:02,270 --> 01:59:59,580

making a lot of progress or coming back

2588

02:00:05,270 --> 02:00:02,280

from the cabin having just made a lot of

2589

02:00:06,709 --> 02:00:05,280

progress you know and uh some of you

2590

02:00:09,530 --> 02:00:06,719

have followed the Journey of building

2591

02:00:13,669 --> 02:00:09,540

this cabin since I started you know uh

2592

02:00:16,129 --> 02:00:13,679

this was no small task one I'm one man

2593

02:00:17,930 --> 02:00:16,139

by myself and when I'm finished

2594

02:00:21,530 --> 02:00:17,940

this winter

2595

02:00:25,490 --> 02:00:21,540

uh it'll be a

2596

02:00:28,370 --> 02:00:25,500

900 square foot cabin and every inch of

2597

02:00:30,229 --> 02:00:28,380

it built by my own hands uh that's

2598

02:00:32,629 --> 02:00:30,239

pretty amazing accomplishment for a guy

2599

02:00:35,689 --> 02:00:32,639

who never built anything

2600

02:00:37,490 --> 02:00:35,699

um you know I've lived in a city we you

2601
02:00:41,390 --> 02:00:37,500
paint your walls or something but I

2602
02:00:43,089 --> 02:00:41,400
never built a house and uh it's a great

2603
02:00:46,070 --> 02:00:43,099
thing right

2604
02:00:50,890 --> 02:00:46,080
so my focus in the winter time is going

2605
02:00:57,169 --> 02:00:53,209
my focus in the wintertime is going to

2606
02:00:59,270 --> 02:00:57,179
be to finish that cabin now I may decide

2607
02:01:01,790 --> 02:00:59,280
later to build one more room out the

2608
02:01:05,030 --> 02:01:01,800
back we could really use a bedroom

2609
02:01:07,070 --> 02:01:05,040
but I want to finish what we got now is

2610
02:01:09,169 --> 02:01:07,080
three rooms a big sun room a kitchen

2611
02:01:11,689 --> 02:01:09,179
well four rooms there's a living room

2612
02:01:14,450 --> 02:01:11,699
there's a kitchen room that also doubles

2613
02:01:16,850 --> 02:01:14,460

as a sleeping area a bathroom and the

2614

02:01:19,550 --> 02:01:16,860

sun room and there will be the porch I

2615

02:01:22,669 --> 02:01:19,560

want to finish all of that so that

2616

02:01:26,510 --> 02:01:22,679

I will have freed my mental and physical

2617

02:01:29,510 --> 02:01:26,520

energy and all my focus for this new big

2618

02:01:32,510 --> 02:01:29,520

project that's going to be maybe another

2619

02:01:34,550 --> 02:01:32,520

five-year project who knows uh but I

2620

02:01:37,910 --> 02:01:34,560

have another dream in my heart that is

2621

02:01:38,810 --> 02:01:37,920

gonna uh occupy my time for quite some

2622

02:01:42,470 --> 02:01:38,820

time

2623

02:01:44,750 --> 02:01:42,480

and uh I'm I'm good with that mysterious

2624

02:01:46,370 --> 02:01:44,760

moon basis says my wife's just saying he

2625

02:01:47,629 --> 02:01:46,380

looks like the guy from The Matrix yeah

2626

02:01:49,850 --> 02:01:47,639

I get that

2627

02:01:52,850 --> 02:01:49,860

and the guy from the bad guy from

2628

02:01:55,790 --> 02:01:52,860

Grandma's Boy and kylo ren Adam Driver

2629

02:01:57,589 --> 02:01:55,800

that's what I get oh and Marilyn Manson

2630

02:01:59,510 --> 02:01:57,599

yes

2631

02:02:01,609 --> 02:01:59,520

what would Stephen do if Society

2632

02:02:03,290 --> 02:02:01,619

crumbled in the winter how would he get

2633

02:02:05,209 --> 02:02:03,300

to the cabin with family everyone should

2634

02:02:07,609 --> 02:02:05,219

pitch in for a plow attached for his

2635

02:02:10,010 --> 02:02:07,619

vehicle funny you should mention that

2636

02:02:11,510 --> 02:02:10,020

Mark the true Seeker but I am going to

2637

02:02:13,609 --> 02:02:11,520

be saving up for a four-wheel drive

2638

02:02:15,830 --> 02:02:13,619

vehicle and that's related to the new

2639

02:02:18,050 --> 02:02:15,840

big project so

2640

02:02:20,990 --> 02:02:18,060

um my next

2641

02:02:23,330 --> 02:02:21,000

wish of the universe is that I have to

2642

02:02:25,070 --> 02:02:23,340

manifest somehow into my life a

2643

02:02:27,229 --> 02:02:25,080

four-wheel drive vehicle

2644

02:02:29,330 --> 02:02:27,239

did you visualize as it is five years

2645

02:02:32,570 --> 02:02:29,340

ago

2646

02:02:36,050 --> 02:02:32,580

um yes and no uh Amy Collins because of

2647

02:02:37,850 --> 02:02:36,060

the way that I uh sort of

2648

02:02:39,470 --> 02:02:37,860

I originally thought I was going to

2649

02:02:43,550 --> 02:02:39,480

build it all out of just Home Depot

2650

02:02:46,609 --> 02:02:43,560

stuff but as soon as I did that I as

2651
02:02:49,850 --> 02:02:46,619
soon as I realized how much I preferred

2652
02:02:51,890 --> 02:02:49,860
natural materials like logs and stone I

2653
02:02:52,850 --> 02:02:51,900
said I'm gonna build this whole rest of

2654
02:02:55,550 --> 02:02:52,860
this thing

2655
02:02:57,830 --> 02:02:55,560
so the first portion is built with pine

2656
02:03:00,109 --> 02:02:57,840
boards and things it's very nice but

2657
02:03:01,070 --> 02:03:00,119
it's and that's natural materials but

2658
02:03:04,370 --> 02:03:01,080
you know

2659
02:03:07,490 --> 02:03:04,380
I got very interested in building things

2660
02:03:09,169 --> 02:03:07,500
everything out of what's here so in

2661
02:03:12,589 --> 02:03:09,179
other words I didn't go to Home Depot

2662
02:03:15,830 --> 02:03:12,599
for most of it I went into the forest I

2663
02:03:18,169 --> 02:03:15,840

need a beam go find a damn tree I need

2664

02:03:20,810 --> 02:03:18,179

Stone to make a floor out of go in the

2665

02:03:23,270 --> 02:03:20,820

woods and pull back stones

2666

02:03:25,250 --> 02:03:23,280

um and because

2667

02:03:28,430 --> 02:03:25,260

I guess because it's so much natural

2668

02:03:31,010 --> 02:03:28,440

materials I visualized it as more of a

2669

02:03:33,050 --> 02:03:31,020

standard lock cabin with the logs and

2670

02:03:35,510 --> 02:03:33,060

The Notches that's how I originally

2671

02:03:37,910 --> 02:03:35,520

envisioned it and it wasn't until I

2672

02:03:40,370 --> 02:03:37,920

started on the cabin that I realized and

2673

02:03:43,250 --> 02:03:40,380

was told by people who have built big

2674

02:03:44,990 --> 02:03:43,260

log cabins the traditional way that one

2675

02:03:47,510 --> 02:03:45,000

man by himself

2676

02:03:49,490 --> 02:03:47,520

cannot build a big log cabin with the

2677

02:03:51,470 --> 02:03:49,500

notches and and the logs going

2678

02:03:54,410 --> 02:03:51,480

horizontally

2679

02:03:56,930 --> 02:03:54,420

because you got to get them you know

2680

02:04:01,250 --> 02:03:56,940

eight feet up and they're they could

2681

02:04:04,370 --> 02:04:01,260

weigh 700 pounds One log or whatever

2682

02:04:07,189 --> 02:04:04,380

so I opted for what's called cordwood

2683

02:04:09,649 --> 02:04:07,199

masonry where one man alone could build

2684

02:04:12,649 --> 02:04:09,659

a big log cabin by himself

2685

02:04:15,229 --> 02:04:12,659

so there was some changes along the way

2686

02:04:20,030 --> 02:04:15,239

no I guess I didn't Vision I visualized

2687

02:04:20,040 --> 02:04:23,649

but

2688

02:04:31,250 --> 02:04:26,209

I am okay with the changes that I was

2689

02:04:34,910 --> 02:04:32,030

um

2690

02:04:37,189 --> 02:04:34,920

and and actually Amy Collins I think

2691

02:04:39,770 --> 02:04:37,199

it's much more beautiful than I imagined

2692

02:04:43,010 --> 02:04:39,780

like it really is from the road it looks

2693

02:04:44,709 --> 02:04:43,020

beautiful all those logs and log faces

2694

02:04:49,609 --> 02:04:44,719

and

2695

02:04:52,850 --> 02:04:49,619

uh timber frame in the sun room with the

2696

02:04:55,850 --> 02:04:52,860

real trees as big beams looks like The

2697

02:04:59,750 --> 02:04:55,860

Flintstones these huge trees holding up

2698

02:05:01,490 --> 02:04:59,760

the roof uh tree beams but beams I think

2699

02:05:04,550 --> 02:05:01,500

it came out much more beautiful than I

2700

02:05:07,129 --> 02:05:04,560

ever imagined and that was partially due

2701
02:05:08,510 --> 02:05:07,139
to that slow nature of the way that I

2702
02:05:11,270 --> 02:05:08,520
did it

2703
02:05:14,870 --> 02:05:11,280
um but anyway long story short I have to

2704
02:05:16,910 --> 02:05:14,880
finish that cabin and

2705
02:05:18,530 --> 02:05:16,920
there are some other little things some

2706
02:05:21,050 --> 02:05:18,540
little finishing work around the cabin

2707
02:05:22,850 --> 02:05:21,060
that I'm going to be working on uh and

2708
02:05:25,250 --> 02:05:22,860
things like that because in the winter I

2709
02:05:28,010 --> 02:05:25,260
can't be working outside on anything so

2710
02:05:29,390 --> 02:05:28,020
I'm trying to save up some inside work

2711
02:05:32,030 --> 02:05:29,400
for myself

2712
02:05:34,250 --> 02:05:32,040
right King James says dropped an

2713
02:05:37,910 --> 02:05:34,260

enormous log this morning not those kind

2714

02:05:42,169 --> 02:05:39,830

space exposure says that's a pretty

2715

02:05:44,209 --> 02:05:42,179

impressive feat all by yourself oh I

2716

02:05:47,209 --> 02:05:44,219

should mention that one person did help

2717

02:05:50,209 --> 02:05:47,219

me I want to thank my neighbor Matt who

2718

02:05:53,510 --> 02:05:50,219

I met when I bought the cabin he has

2719

02:05:56,570 --> 02:05:53,520

this real you know beautiful house

2720

02:05:58,330 --> 02:05:56,580

across the street across the dirt road I

2721

02:06:01,250 --> 02:05:58,340

guess in the middle of the woods

2722

02:06:03,530 --> 02:06:01,260

he's probably the only guy in that

2723

02:06:06,169 --> 02:06:03,540

community that has like a really big

2724

02:06:08,750 --> 02:06:06,179

beautiful real house everybody else has

2725

02:06:11,149 --> 02:06:08,760

like trailers or little dumpy Cottages

2726

02:06:14,570 --> 02:06:11,159

or little cabins

2727

02:06:15,530 --> 02:06:14,580

um and Matt does construction for a

2728

02:06:18,350 --> 02:06:15,540

living

2729

02:06:20,209 --> 02:06:18,360

so there was some things that Matt came

2730

02:06:22,970 --> 02:06:20,219

over and helped me with most notably the

2731

02:06:24,109 --> 02:06:22,980

ceilings or excuse me the uh

2732

02:06:27,290 --> 02:06:24,119

yeah

2733

02:06:30,470 --> 02:06:27,300

the roofs the roofs on the two editions

2734

02:06:32,570 --> 02:06:30,480

he helped me do because I wanted them to

2735

02:06:34,850 --> 02:06:32,580

be right remember I got my kids inside

2736

02:06:38,510 --> 02:06:34,860

this place and I didn't want to do it

2737

02:06:40,550 --> 02:06:38,520

all janky uh not knowing what I was

2738

02:06:43,250 --> 02:06:40,560

doing and then the roof fall in on the

2739

02:06:45,950 --> 02:06:43,260

kids or my wife God forbid so I did

2740

02:06:48,050 --> 02:06:45,960

enlist the help of him and he was very

2741

02:06:49,729 --> 02:06:48,060

kind and generous with his time and and

2742

02:06:52,490 --> 02:06:49,739

really that cabin wouldn't be there if

2743

02:06:53,930 --> 02:06:52,500

not for him too because every time I and

2744

02:06:55,910 --> 02:06:53,940

the other the other thing is every time

2745

02:06:57,649 --> 02:06:55,920

I got stuck on something

2746

02:06:59,149 --> 02:06:57,659

he would come over and look at it and

2747

02:07:02,330 --> 02:06:59,159

tell me what to do and I would just do

2748

02:07:05,390 --> 02:07:02,340

what he said and it worked out so my new

2749

02:07:07,609 --> 02:07:05,400

my plan became if you get stuck just ask

2750

02:07:09,169 --> 02:07:07,619

Matt what to do next because there were

2751

02:07:12,109 --> 02:07:09,179

times where I didn't know what to do

2752

02:07:13,970 --> 02:07:12,119

like this is a problem like you know we

2753

02:07:17,089 --> 02:07:13,980

had a tree in the way of the one room

2754

02:07:19,490 --> 02:07:17,099

and there was uh a big boulder in the

2755

02:07:21,709 --> 02:07:19,500

way and he did come over with his uh

2756

02:07:25,070 --> 02:07:21,719

with his bobcat and help me spread

2757

02:07:28,550 --> 02:07:25,080

gravel for the one room he had he's been

2758

02:07:31,070 --> 02:07:28,560

an awesome awesome help so that that

2759

02:07:35,589 --> 02:07:31,080

cabin wouldn't be there if not for him

2760

02:07:41,330 --> 02:07:38,149

Retreat conference and Steven cabin

2761

02:07:43,669 --> 02:07:41,340

let's go well I gotta tell you uh that

2762

02:07:46,910 --> 02:07:43,679

may be more possible next year and we'll

2763

02:07:50,810 --> 02:07:46,920

know why uh when we unveil the secret

2764

02:07:52,850 --> 02:07:50,820

project we'll be working on yes

2765

02:07:55,669 --> 02:07:52,860

horse lover fat says I haven't heard

2766

02:07:58,550 --> 02:07:55,679

anyone say janky since high school I may

2767

02:08:00,169 --> 02:07:58,560

I I kind of meant junkie and bad I don't

2768

02:08:04,870 --> 02:08:00,179

know if that's what janky needs I think

2769

02:08:09,290 --> 02:08:07,790

hi UFO John does says made one out of

2770

02:08:13,970 --> 02:08:09,300

popsicle sticks for six seventh grade

2771

02:08:19,430 --> 02:08:17,030

B Baker asks did I do a root cellar no

2772

02:08:21,290 --> 02:08:19,440

but I am going to that's on my list too

2773

02:08:22,790 --> 02:08:21,300

but that's another thing I can't do in a

2774

02:08:26,330 --> 02:08:22,800

winter that's a spring summer fall

2775

02:08:30,370 --> 02:08:26,340

project but it is on my list right

2776

02:08:34,129 --> 02:08:30,380

please don't invite Travis no uh it's

2777

02:08:37,370 --> 02:08:34,139

horse lover fat no he has a he has a

2778

02:08:39,649 --> 02:08:37,380

girlfriend that has they're married

2779

02:08:41,629 --> 02:08:39,659

they're not technically married but he

2780

02:08:42,649 --> 02:08:41,639

has a live-in girlfriend who had two of

2781

02:08:45,950 --> 02:08:42,659

his children

2782

02:08:48,709 --> 02:08:45,960

I don't we they're going to get married

2783

02:08:52,010 --> 02:08:48,719

eventually yeah he's very married sorry

2784

02:08:54,290 --> 02:08:52,020

you'd love them though uh V I know you

2785

02:08:57,350 --> 02:08:54,300

would actually

2786

02:09:00,530 --> 02:08:57,360

um he's he's a real manly man like he

2787

02:09:02,810 --> 02:09:00,540

builds [h__h] all day all night and and he

2788

02:09:04,070 --> 02:09:02,820

also he is the hardest working man I've

2789

02:09:05,390 --> 02:09:04,080
ever met

2790

02:09:07,790 --> 02:09:05,400
like

2791

02:09:10,609 --> 02:09:07,800
this dude gets up at five o'clock in the

2792

02:09:12,589 --> 02:09:10,619
morning before the Sun is up he's in his

2793

02:09:14,629 --> 02:09:12,599
truck going to work and then he

2794

02:09:17,089 --> 02:09:14,639
sometimes he comes back at like one

2795

02:09:20,810 --> 02:09:17,099
o'clock in the afternoon and makes me

2796

02:09:24,290 --> 02:09:20,820
feel lazy because then he'll he'll like

2797

02:09:26,570 --> 02:09:24,300
cut wood and split firewood for five

2798

02:09:29,810 --> 02:09:26,580
hours after he works for eight hours

2799

02:09:32,629 --> 02:09:29,820
he's my hero I feel lazy just hanging

2800

02:09:37,790 --> 02:09:34,790
so that's all we got for you tonight

2801
02:09:39,169 --> 02:09:37,800
friends I am going to bounce on out of

2802
02:09:41,149 --> 02:09:39,179
here

2803
02:09:44,089 --> 02:09:41,159
um and I want to remind you that we

2804
02:09:47,450 --> 02:09:44,099
should be back tomorrow night at 9 00 PM

2805
02:09:49,790 --> 02:09:47,460
Eastern Standard Time and we will also

2806
02:09:53,270 --> 02:09:49,800
be debuting my interview with John

2807
02:09:55,870 --> 02:09:53,280
McAfee this week and uh we've got a

2808
02:09:59,689 --> 02:09:55,880
couple extra surprises for you as well

2809
02:10:03,649 --> 02:09:59,699
uh that we will finish before the end of

2810
02:10:05,270 --> 02:10:03,659
the week for those that are may or may

2811
02:10:08,629 --> 02:10:05,280
not have noticed we've been producing

2812
02:10:10,250 --> 02:10:08,639
more videos than ever recently I decided

2813
02:10:13,850 --> 02:10:10,260

to put my foot on the gas work a little

2814

02:10:16,370 --> 02:10:13,860

harder here and uh it's been good so far

2815

02:10:18,649 --> 02:10:16,380

my concern was I didn't want to do too

2816

02:10:20,750 --> 02:10:18,659

many videos and then the views just get

2817

02:10:22,910 --> 02:10:20,760

spread out so then you're working much

2818

02:10:25,850 --> 02:10:22,920

much harder but the

2819

02:10:27,950 --> 02:10:25,860

you're not getting results but so far

2820

02:10:31,490 --> 02:10:27,960

it's it's looked pretty good

2821

02:10:37,370 --> 02:10:34,010

we will be back tomorrow night with

2822

02:10:39,530 --> 02:10:37,380

another show for you and uh some extra

2823

02:10:40,850 --> 02:10:39,540

surprises including my John McAfee

2824

02:10:44,209 --> 02:10:40,860

interview

2825

02:10:46,669 --> 02:10:44,219

uh that will be coming out probably in

2826

02:10:49,010 --> 02:10:46,679

the next couple of days so that's all I

2827

02:10:50,810 --> 02:10:49,020

got for you friends until next time my

2828

02:10:55,330 --> 02:10:50,820

name is Stephen Camby and good night and

2829

02:11:59,940 --> 02:11:58,629

[Music]

2830

02:12:15,660 --> 02:11:59,950

thank you

2831

02:12:37,250 --> 02:12:15,670

[Applause]

2832

02:12:39,460 --> 02:12:37,260

[Music]

2833

02:12:57,240 --> 02:12:39,470

foreign

2834

02:12:57,250 --> 02:13:21,229

[Music]
