

# LUIS ELIZONDO

## BRAIN RAPE?

*Truth Seekers*

1  
00:00:30,470 --> 00:00:12,190

[Music]

2  
00:00:35,990 --> 00:00:32,990  
did he ever talk about remote viewing

3  
00:00:38,030 --> 00:00:36,000  
well he tried to rebuild view me or he

4  
00:00:39,770 --> 00:00:38,040  
at least

5  
00:00:41,270 --> 00:00:39,780  
alluded to the fact that he did remote

6  
00:00:42,229 --> 00:00:41,280  
view me

7  
00:00:46,250 --> 00:00:42,239  
um

8  
00:00:49,069 --> 00:00:46,260  
this this was wild this was

9  
00:00:53,450 --> 00:00:49,079  
this was something that

10  
00:00:56,750 --> 00:00:53,460  
I was calling on as it happened

11  
00:00:59,869 --> 00:00:56,760  
but I didn't fully put it together

12  
00:01:01,610 --> 00:00:59,879  
until after several days after the event

13  
00:01:02,869 --> 00:01:01,620

because I couldn't stop thinking about

14

00:01:07,550 --> 00:01:02,879

it

15

00:01:10,609 --> 00:01:07,560

dining room

16

00:01:14,750 --> 00:01:10,619

and it was myself my wife was actually

17

00:01:18,890 --> 00:01:14,760

there but she had she had gone to bed

18

00:01:20,929 --> 00:01:18,900

so it was myself Lou Sean I want to say

19

00:01:23,090 --> 00:01:20,939

that it was Jake that was there it was

20

00:01:24,830 --> 00:01:23,100

either Jake or Justin

21

00:01:27,410 --> 00:01:24,840

and we were having

22

00:01:30,050 --> 00:01:27,420

a discussion at Lou's table one of the

23

00:01:32,929 --> 00:01:30,060

more Rue esoteric discussions about

24

00:01:34,810 --> 00:01:32,939

realities and the nature of the world

25

00:01:38,630 --> 00:01:34,820

things like that

26

00:01:40,550 --> 00:01:38,640

uh he was asked

27

00:01:43,370 --> 00:01:40,560

by I think Justin

28

00:01:47,749 --> 00:01:43,380

about remote viewing

29

00:01:49,670 --> 00:01:47,759

and Lou grabs a napkin and a Sharpie

30

00:01:53,870 --> 00:01:49,680

and he starts drawing on this napkin

31

00:01:56,810 --> 00:01:53,880

these boxes and he labels these boxes

32

00:01:58,609 --> 00:01:56,820

realm one realm two three and four and

33

00:02:00,410 --> 00:01:58,619

so on

34

00:02:03,530 --> 00:02:00,420

and he starts describing what remote

35

00:02:05,030 --> 00:02:03,540

viewing is and it was counter to what I

36

00:02:09,830 --> 00:02:05,040

had

37

00:02:11,869 --> 00:02:09,840

but he goes you know this is if if

38

00:02:14,449 --> 00:02:11,879

you're remote viewing and you go here

39

00:02:17,210 --> 00:02:14,459

this is being able to see

40

00:02:20,449 --> 00:02:17,220

objects this this realm is when when you

41

00:02:23,330 --> 00:02:20,459

can see people this realm is is when you

42

00:02:26,330 --> 00:02:23,340

can see people but in different times

43

00:02:29,150 --> 00:02:26,340

and then he goes in this realm over here

44

00:02:32,089 --> 00:02:29,160

if if you go into this realm

45

00:02:35,630 --> 00:02:32,099

there's no Humanity here and you can get

46

00:02:38,890 --> 00:02:35,640

lost and you might not make it back so

47

00:02:40,729 --> 00:02:38,900

don't go to this realm

48

00:02:42,770 --> 00:02:40,739

this is

49

00:02:44,809 --> 00:02:42,780

your reaction that you just had right

50

00:02:46,430 --> 00:02:44,819

there is basically the reaction that I

51  
00:02:48,770 --> 00:02:46,440  
was having so I thought I was doing that

52  
00:02:51,650 --> 00:02:48,780  
on my inside voice no that was that was

53  
00:02:54,350 --> 00:02:51,660  
okay very very evident outside so I was

54  
00:02:55,430 --> 00:02:54,360  
having the exact same reaction

55  
00:02:57,890 --> 00:02:55,440  
um

56  
00:03:00,170 --> 00:02:57,900  
and Lou saw it

57  
00:03:02,330 --> 00:03:00,180  
and he stopped he stopped the

58  
00:03:04,630 --> 00:03:02,340  
conversation and Lou was sitting

59  
00:03:06,890 --> 00:03:04,640  
directly to my right hand side

60  
00:03:09,350 --> 00:03:06,900  
and uh

61  
00:03:10,550 --> 00:03:09,360  
puts the paper down puts the pin or the

62  
00:03:12,530 --> 00:03:10,560  
Sharpie down

63  
00:03:14,390 --> 00:03:12,540

and he reaches over with his left hand

64

00:03:17,869 --> 00:03:14,400

and he puts his left hand on my right

65

00:03:19,790 --> 00:03:17,879

arm and he grasps my right arm

66

00:03:24,710 --> 00:03:19,800

and he kind of drops his head a little

67

00:03:27,589 --> 00:03:24,720

bit and then he starts talking

68

00:03:29,630 --> 00:03:27,599

to me without talking to me if that

69

00:03:32,570 --> 00:03:29,640

makes any sense

70

00:03:35,149 --> 00:03:32,580

um and he's telling me that you know

71

00:03:37,490 --> 00:03:35,159

my daughter is going to go to the most

72

00:03:39,410 --> 00:03:37,500

prestigious university in the United

73

00:03:42,710 --> 00:03:39,420

States she's going to get a full ride

74

00:03:44,449 --> 00:03:42,720

scholarship he's telling me things that

75

00:03:47,330 --> 00:03:44,459

are going to happen at specific dates

76

00:03:50,089 --> 00:03:47,340

and times and he's like you know in in I

77

00:03:51,649 --> 00:03:50,099

I've got the note that I wrote down so

78

00:03:54,050 --> 00:03:51,659

don't take this as a direct quote but

79

00:03:55,369 --> 00:03:54,060

he's like in in a year and three months

80

00:03:57,229 --> 00:03:55,379

or a year and four months or two years

81

00:03:59,630 --> 00:03:57,239

and three months whatever it was

82

00:04:01,009 --> 00:03:59,640

you know that this thing is going to

83

00:04:03,289 --> 00:04:01,019

happen and you're going to look back on

84

00:04:04,850 --> 00:04:03,299

it and his exact words were you're going

85

00:04:09,170 --> 00:04:04,860

to think that son of a was right

86

00:04:12,770 --> 00:04:10,490

so

87

00:04:14,210 --> 00:04:12,780

I'm not buying it and he can see that

88

00:04:17,930 --> 00:04:14,220

I'm not buying it because my body

89  
00:04:19,909 --> 00:04:17,940  
language and lose lose not a dumb guy he

90  
00:04:21,229 --> 00:04:19,919  
is a counterintelligence officer and

91  
00:04:23,210 --> 00:04:21,239  
they're trained on interrogation

92  
00:04:25,730 --> 00:04:23,220  
interview techniques and I'm sure he

93  
00:04:27,830 --> 00:04:25,740  
could read my body language knowing that

94  
00:04:29,050 --> 00:04:27,840  
mentally I'm saying this is absolute

95  
00:04:30,710 --> 00:04:29,060  
crap

96  
00:04:33,890 --> 00:04:30,720  
so

97  
00:04:37,129 --> 00:04:33,900  
then then he goes into this

98  
00:04:40,310 --> 00:04:37,139  
thing about something that's going to

99  
00:04:41,810 --> 00:04:40,320  
happen to me in X number of years and

100  
00:04:43,909 --> 00:04:41,820  
months and he goes and you're going to

101  
00:04:44,890 --> 00:04:43,919  
have a very very hard time getting over

102  
00:04:55,129 --> 00:04:44,900  
this

103  
00:04:57,650 --> 00:04:55,139  
detailing in part four of my articles

104  
00:04:59,890 --> 00:04:57,660  
and I'll I'll kind of go into it a

105  
00:05:03,590 --> 00:04:59,900  
little bit here

106  
00:05:06,530 --> 00:05:03,600  
but it made me mad

107  
00:05:08,390 --> 00:05:06,540  
and it made me mad because

108  
00:05:10,189 --> 00:05:08,400  
if you remember

109  
00:05:17,810 --> 00:05:10,199  
I'm open

110  
00:05:21,290 --> 00:05:17,820  
to the idea that there is some sort of

111  
00:05:24,409 --> 00:05:21,300  
Consciousness aspect to a portion of the

112  
00:05:26,450 --> 00:05:24,419  
phenomenon I want the data I want the

113  
00:05:29,090 --> 00:05:26,460

numbers I believe in the nuts and bolts

114

00:05:32,170 --> 00:05:29,100

of it but I'm open to this other

115

00:05:37,070 --> 00:05:35,029

what he said to me

116

00:05:40,670 --> 00:05:37,080

was not invited

117

00:05:46,490 --> 00:05:40,680

I didn't ask for it I didn't want to

118

00:05:49,909 --> 00:05:46,500

know it and for him to involuntarily

119

00:05:51,350 --> 00:05:49,919

tell me what's going to happen to me in

120

00:05:54,590 --> 00:05:51,360

the future

121

00:05:56,990 --> 00:05:54,600

is one of the most unethical things I

122

00:05:59,450 --> 00:05:57,000

could ever think that could be done to

123

00:06:01,930 --> 00:05:59,460

another human being outside of blatant

124

00:06:04,310 --> 00:06:01,940

torture and physical abuse

125

00:06:06,350 --> 00:06:04,320

because he didn't give me details and

126

00:06:09,350 --> 00:06:06,360

when I asked for details he refused to

127

00:06:10,610 --> 00:06:09,360

give me the details he planted a seed in

128

00:06:13,790 --> 00:06:10,620

my head

129

00:06:17,150 --> 00:06:13,800

because I still have a little piece

130

00:06:20,210 --> 00:06:17,160

that's open to the idea that the Woo is

131

00:06:24,529 --> 00:06:20,220

real and he put that damn seed in my

132

00:06:27,230 --> 00:06:24,539

head so every single damn day since then

133

00:06:30,529 --> 00:06:27,240

I look at my calendar I count the days

134

00:06:33,529 --> 00:06:30,539

and I imagine what's going to happen if

135

00:06:34,909 --> 00:06:33,539

Lou is actually right what am I going to

136

00:06:36,230 --> 00:06:34,919

be faced with is it going to be the

137

00:06:38,749 --> 00:06:36,240

death of a family member is somebody

138

00:06:40,370 --> 00:06:38,759

going to die in a house fire am I going

139

00:06:42,529 --> 00:06:40,380

to fall down and break my neck and be

140

00:06:45,830 --> 00:06:42,539

paralyzed for the rest of my life what

141

00:06:49,129 --> 00:06:45,840

the hell did he see if he saw anything

142

00:06:50,809 --> 00:06:49,139

if any of this is even remotely real I

143

00:06:53,749 --> 00:06:50,819

didn't want it I didn't ask for it and

144

00:06:54,670 --> 00:06:53,759

it was for him to do that

145

00:06:56,990 --> 00:06:54,680

foreign

146

00:06:59,270 --> 00:06:57,000

and again that's just another way to

147

00:07:03,350 --> 00:06:59,280

manipulate people and and get into their

148

00:07:06,529 --> 00:07:03,360

you know yeah I mean and that's

149

00:07:09,230 --> 00:07:06,539

it yeah I'm sorry I'm sorry that yeah I

150

00:07:12,290 --> 00:07:09,240

did that I mean my rational brain

151  
00:07:15,050 --> 00:07:12,300  
is screaming at me every day that he was

152  
00:07:18,050 --> 00:07:15,060  
lying he was being PT Barnum and this

153  
00:07:20,570 --> 00:07:18,060  
was all Showmanship to groom an asset

154  
00:07:23,029 --> 00:07:20,580  
for his personal purposes right that's

155  
00:07:25,730 --> 00:07:23,039  
my rational brain but there's this tiny

156  
00:07:28,870 --> 00:07:25,740  
little synaptic section somewhere back

157  
00:07:31,730 --> 00:07:28,880  
there that goes but what if he's right

158  
00:07:35,390 --> 00:07:31,740  
and that's what eats at me and that's

159  
00:07:37,309 --> 00:07:35,400  
what makes me so damn mad at what he did

160  
00:07:39,350 --> 00:07:37,319  
and I think you know great great

161  
00:07:41,270 --> 00:07:39,360  
comments you guys tonight in chat I

162  
00:07:43,850 --> 00:07:41,280  
really appreciate this and Havelock is

163  
00:07:46,430 --> 00:07:43,860

saying that's great psyop technique I

164

00:07:49,070 --> 00:07:46,440

mean these obviously you know I mean

165

00:07:50,150 --> 00:07:49,080

these these people are really proficient

166

00:07:54,830 --> 00:07:50,160

at just

167

00:07:56,870 --> 00:07:54,840

manipulation and it's brain reap

168

00:07:59,570 --> 00:07:56,880

it's brain reap
