

KEN AMMI

AN INTERVIEW

Truth Seekers

1
00:01:05,329 --> 00:00:15,840
[Music]

2
00:01:05,339 --> 00:01:10,040
foreign

3
00:01:36,289 --> 00:01:26,590
[Music]

4
00:01:36,299 --> 00:01:41,560
foreign

5
00:02:16,130 --> 00:01:47,370
[Music]

6
00:02:16,140 --> 00:02:25,330
foreign

7
00:02:25,340 --> 00:02:37,490
[Music]

8
00:02:43,550 --> 00:02:40,130
s and salutations friends and welcome

9
00:02:46,610 --> 00:02:43,560
back we have a very special guest for

10
00:02:49,309 --> 00:02:46,620
you tonight occasionally in my travels

11
00:02:52,130 --> 00:02:49,319
in this strange and mysterious place

12
00:02:54,770 --> 00:02:52,140
that I sometimes find myself in I find

13
00:02:58,670 --> 00:02:54,780

some uh interesting individuals and

14

00:03:01,790 --> 00:02:58,680

tonight's guest is no different uh

15

00:03:05,270 --> 00:03:01,800

looking into him is an interesting

16

00:03:08,210 --> 00:03:05,280

Rabbit Hole in and of itself because uh

17

00:03:11,690 --> 00:03:08,220

tonight's guest Ken me has written over

18

00:03:15,050 --> 00:03:11,700

50 books and not just written books but

19

00:03:17,690 --> 00:03:15,060

done these incredible deep dives into

20

00:03:21,470 --> 00:03:17,700

strange and esoteric subjects things

21

00:03:25,430 --> 00:03:21,480

like Angels demons cherubs the Nephilim

22

00:03:28,250 --> 00:03:25,440

or Giants of Bible Fame and of course uh

23

00:03:31,610 --> 00:03:28,260

he's here tonight to talk about his Deep

24

00:03:34,729 --> 00:03:31,620

dive and research and study into aliens

25

00:03:37,610 --> 00:03:34,739

he's the author of the most uh

26

00:03:40,789 --> 00:03:37,620

almost more than 50 books I believe

27

00:03:43,490 --> 00:03:40,799

we'll clarify that with him and uh

28

00:03:45,229 --> 00:03:43,500

before I forget the the book that I was

29

00:03:47,869 --> 00:03:45,239

most interested in talking to him about

30

00:03:51,110 --> 00:03:47,879

was 50 Shades of Gray aliens and

31

00:03:54,289 --> 00:03:51,120

consideration of aliens uh which

32

00:03:56,990 --> 00:03:54,299

discusses in great detail the gray

33

00:03:58,850 --> 00:03:57,000

aliens that something we're all familiar

34

00:04:01,130 --> 00:03:58,860

with you can go to Amazon and just

35

00:04:05,149 --> 00:04:01,140

search Ken and me and see all of his

36

00:04:07,729 --> 00:04:05,159

many many books if you're interested in

37

00:04:10,970 --> 00:04:07,739

um religion and philosophy of religion

38

00:04:13,910 --> 00:04:10,980

or uh some of the strange and esoteric

39

00:04:17,810 --> 00:04:13,920

topics of religion like Lucifer and the

40

00:04:20,330 --> 00:04:17,820

devil and uh the history of the angels

41

00:04:22,909 --> 00:04:20,340

and the war in heaven his books are

42

00:04:25,070 --> 00:04:22,919

filled with things like this uh tonight

43

00:04:28,909 --> 00:04:25,080

we're going to be focusing mostly on

44

00:04:30,950 --> 00:04:28,919

Aliens I believe though although I could

45

00:04:32,689 --> 00:04:30,960

I would talk to him for five hours about

46

00:04:36,110 --> 00:04:32,699

these other subjects maybe we could

47

00:04:37,969 --> 00:04:36,120

bring him back uh we're both both got a

48

00:04:41,330 --> 00:04:37,979

lot of weird synchronicities here

49

00:04:44,629 --> 00:04:41,340

because he and I are both the product of

50

00:04:48,050 --> 00:04:44,639

a religious education and both of us

51
00:04:49,790 --> 00:04:48,060
have this fascination with uh The

52
00:04:52,249 --> 00:04:49,800
Stranger side I would say of the Bible

53
00:04:53,689 --> 00:04:52,259
like the devils and the angels and the

54
00:04:56,689 --> 00:04:53,699
nephilium and

55
00:05:00,110 --> 00:04:56,699
strange Mysteries of the Bibles of the

56
00:05:02,450 --> 00:05:00,120
Bible and uh The Book of Enoch and the

57
00:05:05,270 --> 00:05:02,460
so-called uh forbidden books of the

58
00:05:07,390 --> 00:05:05,280
Bible he has researched extensively but

59
00:05:10,670 --> 00:05:07,400
let's bring him in here and we're gonna

60
00:05:12,230 --> 00:05:10,680
pick his brain tonight all about aliens

61
00:05:14,590 --> 00:05:12,240
welcome Ken

62
00:05:18,409 --> 00:05:14,600
it is an honor and a pleasure Stephen

63
00:05:20,150 --> 00:05:18,419

yeah mine too I when we first talked I

64

00:05:21,409 --> 00:05:20,160

didn't know that you had written so many

65

00:05:24,770 --> 00:05:21,419

books you're like one of the most

66

00:05:27,110 --> 00:05:24,780

prolific authors in the in mystery land

67

00:05:29,390 --> 00:05:27,120

that I've ever seen right his

68

00:05:31,909 --> 00:05:29,400

therapeutic honestly because

69

00:05:33,950 --> 00:05:31,919

if I'm going to research something I'm

70

00:05:36,950 --> 00:05:33,960

going to go to ridiculous depths of

71

00:05:38,990 --> 00:05:36,960

detail and then my head is just stuffed

72

00:05:41,749 --> 00:05:39,000

it's as big as a gray alien's head you

73

00:05:43,909 --> 00:05:41,759

know and the only way to just make peace

74

00:05:46,670 --> 00:05:43,919

is just to put it all together and type

75

00:05:49,010 --> 00:05:46,680

it out and there goes a book and

76

00:05:51,830 --> 00:05:49,020

yes I got enough

77

00:05:54,110 --> 00:05:51,840

it's very cathartic after a ridiculous

78

00:05:57,110 --> 00:05:54,120

amount of research to go it's out there

79

00:05:58,790 --> 00:05:57,120

there it is I've typed it out and

80

00:06:00,170 --> 00:05:58,800

bringing it into the real world right

81

00:06:02,230 --> 00:06:00,180

yes

82

00:06:04,010 --> 00:06:02,240

and that also forces you to

83

00:06:05,810 --> 00:06:04,020

[Music]

84

00:06:08,210 --> 00:06:05,820

put all those crazy puzzle pieces

85

00:06:10,730 --> 00:06:08,220

together because as it has been said

86

00:06:12,710 --> 00:06:10,740

very often is the best way to learn

87

00:06:14,029 --> 00:06:12,720

something is to teach it so if I'm going

88

00:06:16,990 --> 00:06:14,039

to tell you hey here's what I think

89

00:06:21,290 --> 00:06:17,000

about these subjects I better

90

00:06:23,450 --> 00:06:21,300

dissect and uh unpack and be able to

91

00:06:25,790 --> 00:06:23,460

explain in a way that would make sense

92

00:06:27,110 --> 00:06:25,800

to somebody who's outside of my head you

93

00:06:29,570 --> 00:06:27,120

know

94

00:06:31,370 --> 00:06:29,580

so what what is it I always ask my

95

00:06:33,710 --> 00:06:31,380

guests this the first question that I

96

00:06:35,689 --> 00:06:33,720

have for you is what is it that got you

97

00:06:38,629 --> 00:06:35,699

started down all these crazy rabbit

98

00:06:39,790 --> 00:06:38,639

holes and and what has kept you here for

99

00:06:42,469 --> 00:06:39,800

so long

100

00:06:44,450 --> 00:06:42,479

that is a very interesting question

101
00:06:46,670 --> 00:06:44,460
because there are those moments in life

102
00:06:49,189 --> 00:06:46,680
where we go wait a minute there's just

103
00:06:53,210 --> 00:06:49,199
something Beyond this Veil right

104
00:06:59,809 --> 00:06:56,330
I distinctly remember I was in single

105
00:07:01,909 --> 00:06:59,819
digits digits of age and where I was

106
00:07:04,670 --> 00:07:01,919
born we didn't have the Tooth Fairy okay

107
00:07:05,870 --> 00:07:04,680
we had the loratoncitos we had the the

108
00:07:09,170 --> 00:07:05,880
teeth mice

109
00:07:12,050 --> 00:07:09,180
and same function it's just you guys get

110
00:07:14,710 --> 00:07:12,060
a fairy we get Vermin you know

111
00:07:17,990 --> 00:07:14,720
that's the strange thing yeah

112
00:07:19,490 --> 00:07:18,000
so I mean obviously I was a little kid I

113
00:07:21,050 --> 00:07:19,500

was told yeah the little mice come and

114

00:07:23,390 --> 00:07:21,060

get your teeth and leave you money but

115

00:07:25,309 --> 00:07:23,400

then one day I found out that's not true

116

00:07:27,830 --> 00:07:25,319

it's actually just my parents doing it

117

00:07:29,629 --> 00:07:27,840

and I was devastated like I was like

118

00:07:31,129 --> 00:07:29,639

wait a minute I was told that this

119

00:07:34,850 --> 00:07:31,139

certain thing was a fact

120

00:07:36,589 --> 00:07:34,860

and now I'm being told I was deceived I

121

00:07:37,670 --> 00:07:36,599

mean you know childishly deceived it

122

00:07:39,650 --> 00:07:37,680

wasn't like

123

00:07:41,689 --> 00:07:39,660

Earth shattering but to me it was

124

00:07:43,430 --> 00:07:41,699

because it was like wait a minute I had

125

00:07:45,650 --> 00:07:43,440

a certain view of reality and now it was

126

00:07:46,790 --> 00:07:45,660

shattered so what is the real truth

127

00:07:49,189 --> 00:07:46,800

right

128

00:07:52,370 --> 00:07:49,199

what else is there about which I'm being

129

00:07:55,969 --> 00:07:52,380

told X and X is not the case so what is

130

00:08:01,490 --> 00:07:55,979

the K and that honestly

131

00:08:05,629 --> 00:08:01,500

and that's where I can uh pinpoint my

132

00:08:07,850 --> 00:08:05,639

um turning to true and honest skepticism

133

00:08:10,129 --> 00:08:07,860

right and I always make sure to explain

134

00:08:11,990 --> 00:08:10,139

a lot of people call them sub-septics

135

00:08:15,350 --> 00:08:12,000

but they're really just cynics whereas

136

00:08:17,809 --> 00:08:15,360

cynic will say or a skeptic will say I

137

00:08:22,189 --> 00:08:17,819

won't believe until where cynic will say

138

00:08:24,110 --> 00:08:22,199

I won't believe period right yeah but

139

00:08:26,089 --> 00:08:24,120

I'm just skeptic right like uh the

140

00:08:28,369 --> 00:08:26,099

Apostle Thomas who said I'm not going to

141

00:08:30,290 --> 00:08:28,379

believe until I see well okay

142

00:08:32,269 --> 00:08:30,300

that's true and honest skepticism

143

00:08:34,490 --> 00:08:32,279

because he was told by the others hey we

144

00:08:37,089 --> 00:08:34,500

saw it he's like well I want to see also

145

00:08:40,610 --> 00:08:37,099

and so uh thinking back to I don't know

146

00:08:43,670 --> 00:08:40,620

progressing a few years

147

00:08:45,470 --> 00:08:43,680

um going to the public library you know

148

00:08:47,210 --> 00:08:45,480

a lot of you youngsters don't know what

149

00:08:50,090 --> 00:08:47,220

that is it's like a building full of

150

00:08:52,550 --> 00:08:50,100

these things yeah I asked my

151

00:08:55,070 --> 00:08:52,560

six-year-old son he's like the whole

152

00:08:57,470 --> 00:08:55,080

building is filled with books dad like

153

00:08:59,690 --> 00:08:57,480

he you know it was interesting but I've

154

00:09:02,509 --> 00:08:59,700

been trying to take any drawers you pull

155

00:09:04,250 --> 00:09:02,519

out with the index cards yeah yeah I had

156

00:09:06,050 --> 00:09:04,260

to explain to him not everything is on

157

00:09:08,090 --> 00:09:06,060

the internet son sometimes you have to

158

00:09:10,250 --> 00:09:08,100

go somewhere to look for information and

159

00:09:12,230 --> 00:09:10,260

I'm trying to teach him to do that more

160

00:09:13,009 --> 00:09:12,240

than just right click everything you

161

00:09:15,290 --> 00:09:13,019

know

162

00:09:18,230 --> 00:09:15,300

and on top of it by the way I would have

163

00:09:20,210 --> 00:09:18,240

to ride my bicycle many many many many

164

00:09:21,889 --> 00:09:20,220

many many blocks to get there and back

165

00:09:24,829 --> 00:09:21,899

so guess what I got out and I got

166

00:09:26,810 --> 00:09:24,839

exercise wow who would have thunk it and

167

00:09:28,730 --> 00:09:26,820

as a kid that's a good thing to do I I

168

00:09:31,310 --> 00:09:28,740

can imagine your parents didn't mind you

169

00:09:32,870 --> 00:09:31,320

go into the library instead of staying

170

00:09:35,449 --> 00:09:32,880

out of trouble I did a lot of that when

171

00:09:37,070 --> 00:09:35,459

I was a kid and not just the local I

172

00:09:38,690 --> 00:09:37,080

went to the one that was closest to me

173

00:09:40,670 --> 00:09:38,700

and then like you I would get on my bike

174

00:09:42,590 --> 00:09:40,680

and go to the further ones to see what

175

00:09:45,949 --> 00:09:42,600

they had you know right

176

00:09:48,530 --> 00:09:45,959

so back in those days you know 11 11

177

00:09:49,490 --> 00:09:48,540

years old or so sixth grade I would

178

00:09:52,550 --> 00:09:49,500

always read the books about

179

00:09:55,150 --> 00:09:52,560

cryptozoology and aliens and UFOs and

180

00:09:57,949 --> 00:09:55,160

Witchcraft just anything

181

00:09:59,930 --> 00:09:57,959

land is Paranormal you know all those

182

00:10:01,730 --> 00:09:59,940

highlight books about the mysteries of

183

00:10:03,410 --> 00:10:01,740

the world and all this that's what

184

00:10:05,750 --> 00:10:03,420

really fascinated me

185

00:10:08,030 --> 00:10:05,760

and so it's no surprise that I'm kind of

186

00:10:10,250 --> 00:10:08,040

still at it and that's why for instance

187

00:10:12,949 --> 00:10:10,260

when it comes to the Bible that's why

188

00:10:17,030 --> 00:10:12,959

I'm mostly focused on guess what what I

189

00:10:19,670 --> 00:10:17,040

call systematic biblical paranormality

190

00:10:21,250 --> 00:10:19,680

yeah you've got your own I heard some of

191

00:10:24,590 --> 00:10:21,260

your talks and I thought it was so funny

192

00:10:26,150 --> 00:10:24,600

Ken was so confused by his own field of

193

00:10:28,850 --> 00:10:26,160

research we're not confused but like

194

00:10:30,829 --> 00:10:28,860

you've had your own sort of slant and

195

00:10:33,550 --> 00:10:30,839

field of research that you just invented

196

00:10:36,290 --> 00:10:33,560

your own term for it right

197

00:10:38,750 --> 00:10:36,300

paranormality right and one person that

198

00:10:41,150 --> 00:10:38,760

interviewed me he introduced me by

199

00:10:42,590 --> 00:10:41,160

saying I'm one of the leading voices in

200

00:10:45,430 --> 00:10:42,600

the field of systematic biblical

201
00:10:48,130 --> 00:10:45,440
paranormality and I said

202
00:10:50,750 --> 00:10:48,140
he voices when you're like the only one

203
00:10:54,590 --> 00:10:50,760
ah yeah

204
00:10:57,650 --> 00:10:54,600
yeah and so the the study began for you

205
00:10:59,750 --> 00:10:57,660
of of biblical things but eventually or

206
00:11:02,690 --> 00:10:59,760
you had an interest though in Aliens and

207
00:11:05,269 --> 00:11:02,700
cryptos as well yeah yeah so your recent

208
00:11:07,790 --> 00:11:05,279
book you really delve into the sort of

209
00:11:10,810 --> 00:11:07,800
cultural phenomenon known as the gray

210
00:11:16,550 --> 00:11:14,509
it's a few years old but regardless

211
00:11:19,130 --> 00:11:16,560
um you know

212
00:11:21,590 --> 00:11:19,140
it's interesting because I mean I can't

213
00:11:23,930 --> 00:11:21,600

say I've kept up with the field ever

214

00:11:27,170 --> 00:11:23,940

since I was in sixth grade definitely

215

00:11:29,449 --> 00:11:27,180

not and and all the newer modern guys

216

00:11:31,490 --> 00:11:29,459

don't really interest me because there's

217

00:11:33,410 --> 00:11:31,500

a lot of really well researched people

218

00:11:35,389 --> 00:11:33,420

who are dealing with them so I kind of

219

00:11:38,990 --> 00:11:35,399

you know I'll let them deal with the New

220

00:11:40,730 --> 00:11:39,000

Kids on the Block uh so generally when I

221

00:11:42,769 --> 00:11:40,740

set out to write a book just like any

222

00:11:44,389 --> 00:11:42,779

author you set up parameters right I'm

223

00:11:46,190 --> 00:11:44,399

going to write about this I'm not going

224

00:11:48,350 --> 00:11:46,200

to go beyond that because that would be

225

00:11:50,750 --> 00:11:48,360

out of scope or too much or out of

226

00:11:52,610 --> 00:11:50,760

context so you set up parameters I'm

227

00:11:53,329 --> 00:11:52,620

going to write about this and there you

228

00:11:55,850 --> 00:11:53,339

go

229

00:11:58,250 --> 00:11:55,860

uh so I call that like a rifle approach

230

00:12:00,410 --> 00:11:58,260

one bullet nice little hole in the front

231

00:12:02,389 --> 00:12:00,420

maybe a mess in the back but with this

232

00:12:05,509 --> 00:12:02,399

book it was more like a shotgun approach

233

00:12:08,150 --> 00:12:05,519

I just went in every possible Direction

234

00:12:11,329 --> 00:12:08,160

I could go and it was so one of the

235

00:12:13,610 --> 00:12:11,339

things I wanted to start with here like

236

00:12:16,690 --> 00:12:13,620

I mentioned to you as we just doing this

237

00:12:18,970 --> 00:12:16,700

show is is to think

238

00:12:21,110 --> 00:12:18,980

categorically or

239

00:12:23,150 --> 00:12:21,120

systematically about

240

00:12:25,009 --> 00:12:23,160

what kind of phenomena are we even

241

00:12:29,269 --> 00:12:25,019

talking about because if we start a

242

00:12:31,910 --> 00:12:29,279

discussion about aliens or UFOs

243

00:12:34,250 --> 00:12:31,920

without really stopping to Define our

244

00:12:36,650 --> 00:12:34,260

terms and understand the categories of

245

00:12:38,569 --> 00:12:36,660

phenomena we're dealing with it's really

246

00:12:41,090 --> 00:12:38,579

easy to just make a big old mess of

247

00:12:44,569 --> 00:12:41,100

things and you'll have people meaning

248

00:12:47,150 --> 00:12:44,579

different things by those terms so if we

249

00:12:49,910 --> 00:12:47,160

could attempt to uh oh well when I say

250

00:12:53,210 --> 00:12:49,920

aliens I mean intelligent life forms

251
00:12:56,750 --> 00:12:53,220
from other planets or solar systems

252
00:12:59,090 --> 00:12:56,760
biological organic right and so that's

253
00:13:02,810 --> 00:12:59,100
been one of the traditional definitions

254
00:13:05,449 --> 00:13:02,820
but of course others say well

255
00:13:08,090 --> 00:13:05,459
um because first aliens

256
00:13:09,889 --> 00:13:08,100
claimed that they were from our sort of

257
00:13:11,629 --> 00:13:09,899
the system and then we started exploring

258
00:13:13,009 --> 00:13:11,639
our solar system and they're like yeah

259
00:13:14,870 --> 00:13:13,019
there doesn't seem to be nothing here

260
00:13:17,569 --> 00:13:14,880
well oh no we're actually from further

261
00:13:20,090 --> 00:13:17,579
away we're from another galaxy then we

262
00:13:21,650 --> 00:13:20,100
started getting Peaks at other galaxies

263
00:13:23,449 --> 00:13:21,660

and saying yeah I'm not sure that

264

00:13:25,670 --> 00:13:23,459

biological life could exist there and

265

00:13:27,110 --> 00:13:25,680

finally they keep retreating to what

266

00:13:29,210 --> 00:13:27,120

what we're actually From Another

267

00:13:31,250 --> 00:13:29,220

Dimension or we're actually from Another

268

00:13:33,650 --> 00:13:31,260

Universe so it's conveniently

269

00:13:35,990 --> 00:13:33,660

inaccessible to you humans

270

00:13:38,690 --> 00:13:36,000

after you've started figuring out we're

271

00:13:40,430 --> 00:13:38,700

not where we said we were now we're yeah

272

00:13:42,889 --> 00:13:40,440

they're early contactees they would say

273

00:13:44,870 --> 00:13:42,899

they were from Saturn or Venus which we

274

00:13:46,550 --> 00:13:44,880

later would find out there's no way they

275

00:13:47,930 --> 00:13:46,560

were from Saturn or Venus that doesn't

276

00:13:50,710 --> 00:13:47,940

make sense and then you're right later

277

00:13:53,269 --> 00:13:50,720

it became we're from another star system

278

00:13:54,829 --> 00:13:53,279

right so they keep getting further and

279

00:13:57,050 --> 00:13:54,839

further away until now they're just

280

00:14:00,230 --> 00:13:57,060

inaccessible they're just beyond our

281

00:14:03,050 --> 00:14:00,240

capability to explore right

282

00:14:04,970 --> 00:14:03,060

so that's one thing I wanted to see if

283

00:14:07,069 --> 00:14:04,980

we could screen share and I would just

284

00:14:08,990 --> 00:14:07,079

go over some of the uh issues of

285

00:14:11,230 --> 00:14:09,000

category

286

00:14:13,730 --> 00:14:11,240

yeah you've got like

287

00:14:16,009 --> 00:14:13,740

Ken is a real stickler for information

288

00:14:17,870 --> 00:14:16,019

but I love that about him from the

289

00:14:21,110 --> 00:14:17,880

presentations and the talks that I have

290

00:14:22,970 --> 00:14:21,120

seen of his he likes to categorize and

291

00:14:25,009 --> 00:14:22,980

you know make sure everybody is on the

292

00:14:27,290 --> 00:14:25,019

same page with uh with the definition

293

00:14:30,050 --> 00:14:27,300

because you're right some people would

294

00:14:31,910 --> 00:14:30,060

say alien and they really mean a whole

295

00:14:34,129 --> 00:14:31,920

range of things they could mean some

296

00:14:37,550 --> 00:14:34,139

kind of Spiritual interdimensional

297

00:14:41,269 --> 00:14:37,560

Beings organic beings in you know time

298

00:14:45,290 --> 00:14:41,279

travelers sometimes this term alien is

299

00:14:48,050 --> 00:14:45,300

used with the two broader brush I agree

300

00:14:51,050 --> 00:14:48,060

so I'm going to see if we can manage to

301
00:14:52,730 --> 00:14:51,060
start the screen share yeah here I'm

302
00:14:54,290 --> 00:14:52,740
going to add that right now

303
00:14:56,750 --> 00:14:54,300
let me know when it's up because

304
00:14:58,970 --> 00:14:56,760
obviously when I'm looking at my slides

305
00:15:00,710 --> 00:14:58,980
I can't see the video it's it's up

306
00:15:02,509 --> 00:15:00,720
shared on the screen right now we have a

307
00:15:05,629 --> 00:15:02,519
screen that says aliens and then the

308
00:15:08,449 --> 00:15:05,639
arrow aliens and UFOs and UFOs to aliens

309
00:15:10,189 --> 00:15:08,459
yeah right so this is a basic concept

310
00:15:12,829 --> 00:15:10,199
that there's

311
00:15:15,470 --> 00:15:12,839
if I say let's talk about aliens and

312
00:15:17,810 --> 00:15:15,480
UFOs I might be making a big old mess

313
00:15:20,389 --> 00:15:17,820

because those two phenomena are main

314

00:15:22,670 --> 00:15:20,399

categories they're not necessarily

315

00:15:25,069 --> 00:15:22,680

related because there's people who claim

316

00:15:27,590 --> 00:15:25,079

to have experience with aliens but never

317

00:15:29,389 --> 00:15:27,600

seen a UFO and there's people who say

318

00:15:31,250 --> 00:15:29,399

they've seen UFOs but never had an

319

00:15:33,829 --> 00:15:31,260

experience with an alien so that alone

320

00:15:37,069 --> 00:15:33,839

lets you know that those can be two

321

00:15:40,610 --> 00:15:37,079

completely different categories right

322

00:15:42,829 --> 00:15:40,620

and yeah there is a third

323

00:15:44,509 --> 00:15:42,839

slightly subcategory where people

324

00:15:46,730 --> 00:15:44,519

playing well I've had experience with

325

00:15:49,550 --> 00:15:46,740

both okay so then that's a different

326

00:15:51,710 --> 00:15:49,560

category altogether yeah

327

00:15:54,350 --> 00:15:51,720

so then I'm gonna use the slide let me

328

00:15:56,930 --> 00:15:54,360

see if that uh can you see that now yeah

329

00:16:01,009 --> 00:15:56,940

now we have an alien craft UFOs Lots

330

00:16:04,550 --> 00:16:01,019

right okay so the category of UFO and I

331

00:16:07,250 --> 00:16:04,560

nowadays we would say UAV or UAP or

332

00:16:10,670 --> 00:16:07,260

whatever I still say UFO I I don't care

333

00:16:13,310 --> 00:16:10,680

what the CIA wants to call it

334

00:16:14,949 --> 00:16:13,320

so then we're looking at that's a main

335

00:16:17,090 --> 00:16:14,959

category under which we can

336

00:16:19,610 --> 00:16:17,100

sub-categorize some would say Well

337

00:16:21,650 --> 00:16:19,620

they're actual alien craft and if that's

338

00:16:24,490 --> 00:16:21,660

the case then there's a sub subcategory

339

00:16:27,230 --> 00:16:24,500

that it could be a Nuts and Bolts

340

00:16:30,110 --> 00:16:27,240

three-dimensional object or it may be

341

00:16:34,069 --> 00:16:30,120

energy or is there some kind of morphing

342

00:16:35,509 --> 00:16:34,079

thing okay uh when people say UFOs it

343

00:16:38,509 --> 00:16:35,519

might actually be an atmospheric

344

00:16:41,749 --> 00:16:38,519

phenomena like clouds of ball lightning

345

00:16:44,269 --> 00:16:41,759

it could be just aircraft Birds balloons

346

00:16:47,030 --> 00:16:44,279

satellites it could be just straight up

347

00:16:49,189 --> 00:16:47,040

hoaxes or maybe secret government Tech

348

00:16:50,990 --> 00:16:49,199

which you can see gets us back to the

349

00:16:51,910 --> 00:16:51,000

aircraft issue and I mean that's just

350

00:16:55,850 --> 00:16:51,920

very

351
00:16:58,569 --> 00:16:55,860
mundane commonly known of course people

352
00:17:01,610 --> 00:16:58,579
start reporting seeing black triangular

353
00:17:04,189 --> 00:17:01,620
UFOs and then a little bit later we've

354
00:17:07,610 --> 00:17:04,199
uh find out about this stealth fire and

355
00:17:09,049 --> 00:17:07,620
a bomber for instance so okay that's

356
00:17:11,990 --> 00:17:09,059
just very

357
00:17:13,549 --> 00:17:12,000
uh brief as far as subcategories no I

358
00:17:15,530 --> 00:17:13,559
like this this actually makes a lot of

359
00:17:17,809 --> 00:17:15,540
sense because UFOs can be a lot of

360
00:17:19,309 --> 00:17:17,819
things and you're right I got this if

361
00:17:21,169 --> 00:17:19,319
they're alien craft there's a

362
00:17:22,850 --> 00:17:21,179
subcategory and they could be what

363
00:17:25,069 --> 00:17:22,860

you're saying here atmospheric clouds

364

00:17:28,069 --> 00:17:25,079

ball lightning aircraft Birds balloons

365

00:17:30,230 --> 00:17:28,079

satellite hoaxes or the big one for me

366

00:17:32,810 --> 00:17:30,240

is secret government Tech but you're

367

00:17:34,669 --> 00:17:32,820

right we have all these categories and

368

00:17:38,029 --> 00:17:34,679

again you're correct in pointing out

369

00:17:40,070 --> 00:17:38,039

that when people use the word UFO it's a

370

00:17:44,150 --> 00:17:40,080

pretty broad term it could mean all

371

00:17:50,210 --> 00:17:45,950

um and then likewise under the main

372

00:17:51,950 --> 00:17:50,220

category aliens well maybe the claim is

373

00:17:54,470 --> 00:17:51,960

that they come from within our universe

374

00:17:57,770 --> 00:17:54,480

as we just mentioned our solar system or

375

00:17:59,750 --> 00:17:57,780

even the outer reaches of space of our

376

00:18:01,810 --> 00:17:59,760

known universe

377

00:18:04,669 --> 00:18:01,820

or it could be from alternate realities

378

00:18:07,630 --> 00:18:04,679

multiverses other dimensions that are

379

00:18:10,610 --> 00:18:07,640

part of our universe or maybe Spirits

380

00:18:13,909 --> 00:18:10,620

Angelic demonic Realm

381

00:18:16,610 --> 00:18:13,919

or maybe they're uh that claim to be by

382

00:18:18,529 --> 00:18:16,620

organisms much like we are or just

383

00:18:20,870 --> 00:18:18,539

slightly different in terms of our

384

00:18:24,010 --> 00:18:20,880

physical makeup

385

00:18:27,529 --> 00:18:24,020

and um you see that I wrote their

386

00:18:29,150 --> 00:18:27,539

Spirits or Angels or demons again that

387

00:18:30,890 --> 00:18:29,160

would be more like a spirit realm type

388

00:18:32,750 --> 00:18:30,900

of thing or it could be straight up

389

00:18:34,490 --> 00:18:32,760

government Ops that might be something

390

00:18:36,529 --> 00:18:34,500

interesting to get into because I have

391

00:18:39,350 --> 00:18:36,539

some examples of that or just a straight

392

00:18:41,029 --> 00:18:39,360

up hope you know so again what do we

393

00:18:44,029 --> 00:18:41,039

mean you're saying alien I'm saying

394

00:18:47,210 --> 00:18:44,039

alien what do we actually mean what we

395

00:18:49,310 --> 00:18:47,220

say that term could be various things

396

00:18:51,110 --> 00:18:49,320

and then uh there's the issue of The

397

00:18:53,210 --> 00:18:51,120

Human Experience

398

00:18:55,789 --> 00:18:53,220

because when some people claim that

399

00:18:57,890 --> 00:18:55,799

their experiences maybe they had a dream

400

00:19:00,529 --> 00:18:57,900

maybe it was a hallucination

401
00:19:03,230 --> 00:19:00,539
maybe it was hypnotic suggestion or an

402
00:19:04,850 --> 00:19:03,240
actual close encounter and that's why we

403
00:19:07,850 --> 00:19:04,860
end up with all these concepts of

404
00:19:09,409 --> 00:19:07,860
experiences about teas teas and

405
00:19:11,270 --> 00:19:09,419
channelers

406
00:19:13,730 --> 00:19:11,280
so

407
00:19:16,490 --> 00:19:13,740
yeah we can uh if you want we can get

408
00:19:18,409 --> 00:19:16,500
into why I use the term um

409
00:19:21,289 --> 00:19:18,419
Shades of Gray aliens but that's

410
00:19:22,850 --> 00:19:21,299
basically it as far as just the taste of

411
00:19:25,310 --> 00:19:22,860
how to start breaking down this

412
00:19:29,630 --> 00:19:25,320
phenomena into understandable

413
00:19:31,909 --> 00:19:29,640

and and categorizable uh things that we

414

00:19:33,890 --> 00:19:31,919

can then unpack and say okay I'm

415

00:19:37,730 --> 00:19:33,900

actually talking about this subcategory

416

00:19:39,830 --> 00:19:37,740

when I say this I'm talking about that

417

00:19:42,770 --> 00:19:39,840

sure and and I think you're right to

418

00:19:45,830 --> 00:19:42,780

separate so many because it's a complex

419

00:19:48,110 --> 00:19:45,840

problem and a complex mystery what are

420

00:19:49,909 --> 00:19:48,120

these things and I've always found that

421

00:19:51,650 --> 00:19:49,919

if you have a really complex problem the

422

00:19:54,650 --> 00:19:51,660

best thing to do is to break it down is

423

00:19:56,810 --> 00:19:54,660

a smaller manageable bits right

424

00:19:59,630 --> 00:19:56,820

but you've done extensive research into

425

00:20:01,970 --> 00:19:59,640

the gray aliens specifically right

426
00:20:05,090 --> 00:20:01,980
because that seems to be when a typical

427
00:20:07,250 --> 00:20:05,100
person says talks about aliens that's

428
00:20:10,549 --> 00:20:07,260
generally the image that people conjure

429
00:20:13,430 --> 00:20:10,559
up in their mind correct and part of the

430
00:20:16,909 --> 00:20:13,440
issue by the way with that book title 50

431
00:20:21,890 --> 00:20:16,919
Shades of Gray aliens is is it g-r-a-y

432
00:20:24,529 --> 00:20:21,900
or g-i-e-y I had to decide by the way

433
00:20:27,169 --> 00:20:24,539
does that matter isn't that both just

434
00:20:30,289 --> 00:20:27,179
the spelling of the word gray it is but

435
00:20:33,850 --> 00:20:30,299
uh from what I recall the E is more

436
00:20:36,289 --> 00:20:33,860
preferred by the Brits don't you know

437
00:20:38,630 --> 00:20:36,299
well they always gotta change things

438
00:20:40,250 --> 00:20:38,640

right because we're stupid Americans so

439

00:20:41,390 --> 00:20:40,260

they have to have their own spelling and

440

00:20:44,810 --> 00:20:41,400

things

441

00:20:48,590 --> 00:20:44,820

true but they would say that about North

442

00:20:50,650 --> 00:20:48,600

Americans but um so you might recall

443

00:20:54,230 --> 00:20:50,660

that Whitley strieber

444

00:20:56,810 --> 00:20:54,240

refers to he doesn't say aliens he says

445

00:20:59,990 --> 00:20:56,820

visitors or he says Grays right or

446

00:21:03,110 --> 00:21:00,000

others he says a lot too yeah

447

00:21:06,770 --> 00:21:03,120

but if you're if you can recall the

448

00:21:09,350 --> 00:21:06,780

cover of his book communion that gray

449

00:21:11,090 --> 00:21:09,360

alien looking thing

450

00:21:12,289 --> 00:21:11,100

is it Greg

451

00:21:14,990 --> 00:21:12,299

oh

452

00:21:17,270 --> 00:21:15,000

it's more like a weird can color you

453

00:21:20,150 --> 00:21:17,280

know so I asked him well why is that if

454

00:21:22,850 --> 00:21:20,160

you're constantly talking about grays

455

00:21:24,890 --> 00:21:22,860

he had that painting commission so I

456

00:21:26,690 --> 00:21:24,900

said why isn't that one great and he

457

00:21:28,010 --> 00:21:26,700

just said he doesn't know that's what he

458

00:21:32,630 --> 00:21:28,020

saw

459

00:21:37,810 --> 00:21:34,549

uh so yeah I would say Grays are

460

00:21:40,730 --> 00:21:37,820

definitely the poster child of the this

461

00:21:42,529 --> 00:21:40,740

phenomena of whatever they are from

462

00:21:44,029 --> 00:21:42,539

wherever they are definitely just to

463

00:21:45,289 --> 00:21:44,039

remind my audience I'm going to share

464

00:21:59,390 --> 00:21:45,299

that

465

00:22:02,630 --> 00:21:59,400

know his book and what an alien looks

466

00:22:05,149 --> 00:22:02,640

like maybe a large part of the cultural

467

00:22:07,610 --> 00:22:05,159

phenomenon of this stuff comes from just

468

00:22:09,529 --> 00:22:07,620

his book being so influential

469

00:22:12,110 --> 00:22:09,539

well I'll tell you a little story about

470

00:22:13,970 --> 00:22:12,120

reading that book so I would go to this

471

00:22:16,130 --> 00:22:13,980

local coffee shop where you could just

472

00:22:17,270 --> 00:22:16,140

go pick up a book off the shelf read it

473

00:22:18,049 --> 00:22:17,280

while you were there and then put it

474

00:22:20,390 --> 00:22:18,059

back

475

00:22:21,830 --> 00:22:20,400

and so I was reading communion and one

476

00:22:24,529 --> 00:22:21,840

night I was reading in there how he's

477

00:22:28,370 --> 00:22:24,539

talking about that symbolism common

478

00:22:30,230 --> 00:22:28,380

to uh abductees or triangles and Eagles

479

00:22:33,110 --> 00:22:30,240

okay

480

00:22:35,690 --> 00:22:33,120

I got home that night and I looked at

481

00:22:37,610 --> 00:22:35,700

the bottle of the uh Ginger soda that

482

00:22:38,990 --> 00:22:37,620

was my favorite back then and guess what

483

00:22:41,570 --> 00:22:39,000

was on it that I'd never noticed before

484

00:22:44,149 --> 00:22:41,580

it's an eagle within a triangle

485

00:22:45,409 --> 00:22:44,159

oh that's a little bizarre yeah I'm just

486

00:22:48,970 --> 00:22:45,419

saying that's what happened I was like

487

00:22:56,630 --> 00:22:53,270

so did you get any any uh insight into

488

00:22:58,789 --> 00:22:56,640

why they're both called the gray aliens

489

00:23:00,409 --> 00:22:58,799

and usually depicted as gray is it just

490

00:23:02,330 --> 00:23:00,419

because of witness testimony always

491

00:23:05,630 --> 00:23:02,340

saying they had gray skin or usually

492

00:23:08,210 --> 00:23:05,640

saying they had gray skin or

493

00:23:11,029 --> 00:23:08,220

well I mean really you'd probably go

494

00:23:14,090 --> 00:23:11,039

back to what were described as little

495

00:23:17,090 --> 00:23:14,100

gray uh Little Green Men

496

00:23:21,350 --> 00:23:17,100

and somehow it just changed too that

497

00:23:23,090 --> 00:23:21,360

they were hand colored or gray or uh

498

00:23:25,490 --> 00:23:23,100

really thin skin that was almost

499

00:23:28,430 --> 00:23:25,500

see-through

500

00:23:30,169 --> 00:23:28,440

but now what what

501
00:23:31,970 --> 00:23:30,179
I'm going to go back to screen sharing

502
00:23:33,289 --> 00:23:31,980
and we'll actually get into that part of

503
00:23:34,909 --> 00:23:33,299
it then because

504
00:23:36,649 --> 00:23:34,919
um sure yeah and I appreciate you

505
00:23:38,270 --> 00:23:36,659
bringing a whole presentation here I

506
00:23:40,070 --> 00:23:38,280
wasn't expecting that but that's great

507
00:23:42,350 --> 00:23:40,080
it's always great to have something to

508
00:23:43,970 --> 00:23:42,360
share for the audience they I'm always

509
00:23:46,430 --> 00:23:43,980
getting my balls busted because I don't

510
00:23:49,010 --> 00:23:46,440
do enough slides Ken I gotta learn to do

511
00:23:53,029 --> 00:23:49,020
PowerPoint better people like the slides

512
00:23:55,970 --> 00:23:53,039
man so when I started wondering is yeah

513
00:23:57,789 --> 00:23:55,980

why have those become the poster child

514

00:24:00,649 --> 00:23:57,799

and

515

00:24:02,630 --> 00:24:00,659

essentially I don't know how I hit upon

516

00:24:05,390 --> 00:24:02,640

it but the second I started researching

517

00:24:08,210 --> 00:24:05,400

that I instantly found the answer

518

00:24:09,830 --> 00:24:08,220

in the late 1800s and then I just moved

519

00:24:13,070 --> 00:24:09,840

forward in time so let me show you this

520

00:24:18,310 --> 00:24:13,080

okay H.G Wells wrote a article or an

521

00:24:21,230 --> 00:24:18,320

essay called The Man of the Year million

522

00:24:23,870 --> 00:24:21,240

1893 he wrote that and these are

523

00:24:25,909 --> 00:24:23,880

illustrations based on his depiction now

524

00:24:28,370 --> 00:24:25,919

what he was talking sorry I didn't share

525

00:24:30,289 --> 00:24:28,380

it yeah this I remember I remember doing

526
00:24:32,890 --> 00:24:30,299
some of my own research and finding this

527
00:24:36,470 --> 00:24:32,900
to be one of the original

528
00:24:39,950 --> 00:24:36,480
sort of archetypes that may have started

529
00:24:42,770 --> 00:24:39,960
it all right but there's something very

530
00:24:45,430 --> 00:24:42,780
very important is that H.D Wells was not

531
00:24:48,649 --> 00:24:45,440
talking about aliens he was imagining

532
00:24:51,110 --> 00:24:48,659
what are human beings going to look like

533
00:24:54,409 --> 00:24:51,120
a million yeah this book is about time

534
00:24:55,970 --> 00:24:54,419
travelers really yeah well this was an

535
00:24:59,630 --> 00:24:55,980
essay

536
00:25:00,950 --> 00:24:59,640
so what he was saying is in the distant

537
00:25:03,710 --> 00:25:00,960
future

538
00:25:05,810 --> 00:25:03,720

a Machinery right

539

00:25:07,310 --> 00:25:05,820

um technology was going to be doing so

540

00:25:09,350 --> 00:25:07,320

much with us we wouldn't really need

541

00:25:11,270 --> 00:25:09,360

robust bodies anymore so our bodies

542

00:25:12,890 --> 00:25:11,280

would kind of be shrively and you know

543

00:25:15,230 --> 00:25:12,900

puny

544

00:25:17,810 --> 00:25:15,240

uh but then coincidentally is what many

545

00:25:19,850 --> 00:25:17,820

of the gray aliens look like all spindly

546

00:25:22,310 --> 00:25:19,860

and exactly

547

00:25:24,830 --> 00:25:22,320

right that's the explanation many people

548

00:25:26,810 --> 00:25:24,840

give is that they live in a super

549

00:25:29,390 --> 00:25:26,820

technological society and they don't

550

00:25:30,590 --> 00:25:29,400

need to be as physical as we do or have

551
00:25:33,710 --> 00:25:30,600
in the past

552
00:25:35,750 --> 00:25:33,720
yeah and so then based on like

553
00:25:37,909 --> 00:25:35,760
malthusian or probably lamarchian

554
00:25:40,549 --> 00:25:37,919
Evolution that was popular in the late

555
00:25:42,169 --> 00:25:40,559
1800s he figured the more intellectual

556
00:25:44,210 --> 00:25:42,179
the bigger the brain is so the bigger

557
00:25:46,730 --> 00:25:44,220
the brain the bigger the skull so there

558
00:25:49,549 --> 00:25:46,740
you got a big head and then uh

559
00:25:52,250 --> 00:25:49,559
diminutive features because he said you

560
00:25:54,710 --> 00:25:52,260
see how they're dunked in that fluid he

561
00:25:57,230 --> 00:25:54,720
said we wouldn't really bother consuming

562
00:25:59,810 --> 00:25:57,240
uh solid foods anymore we would dip into

563
00:26:02,269 --> 00:25:59,820

these fats of fluid and kind of absorb

564

00:26:04,490 --> 00:26:02,279

our nutrition so you wouldn't need big

565

00:26:05,990 --> 00:26:04,500

mouths you would you know well that's

566

00:26:07,970 --> 00:26:06,000

interesting because that's another thing

567

00:26:09,769 --> 00:26:07,980

that people say about gray aliens is

568

00:26:12,409 --> 00:26:09,779

that they absorb I've heard many many

569

00:26:14,029 --> 00:26:12,419

references that they absorb nutrients

570

00:26:16,070 --> 00:26:14,039

through their skin people claim it's

571

00:26:18,350 --> 00:26:16,080

adrenochrome or something or they

572

00:26:21,049 --> 00:26:18,360

harvest it must be rabbit hole right

573

00:26:22,430 --> 00:26:21,059

there let me tell you about it yeah you

574

00:26:24,110 --> 00:26:22,440

know what let me I'm going to throw this

575

00:26:27,649 --> 00:26:24,120

in um

576

00:26:30,830 --> 00:26:27,659

I wrote a book reviewing Stephen King's

577

00:26:32,690 --> 00:26:30,840

Story it you know like Pennywise and I

578

00:26:36,350 --> 00:26:32,700

have an entire chapter

579

00:26:39,529 --> 00:26:36,360

about how he and other fictional writers

580

00:26:42,649 --> 00:26:39,539

or alleged fiction are actually telling

581

00:26:45,529 --> 00:26:42,659

us that aliens are here to absorb

582

00:26:48,529 --> 00:26:45,539

uh us as nutrition or a form of

583

00:26:52,130 --> 00:26:48,539

nutrition in terms of adrenal chroma all

584

00:26:53,830 --> 00:26:52,140

that stuff but yeah that's uh more of a

585

00:26:56,630 --> 00:26:53,840

side note than anything

586

00:26:58,130 --> 00:26:56,640

yeah that's its own Rabbit Hole sure is

587

00:27:00,409 --> 00:26:58,140

where people are getting these ideas

588

00:27:02,990 --> 00:27:00,419

they're getting it's interesting how

589

00:27:05,149 --> 00:27:03,000

many of them come from this one essay of

590

00:27:09,350 --> 00:27:05,159

H.G Wells because we have the big head

591

00:27:11,990 --> 00:27:09,360

we have the the diminutive stature and

592

00:27:15,710 --> 00:27:12,000

and lack of physicality and we also have

593

00:27:19,070 --> 00:27:15,720

this idea that they absorb nutrients in

594

00:27:20,570 --> 00:27:19,080

a liquid form and not eat like us right

595

00:27:23,510 --> 00:27:20,580

yeah interesting

596

00:27:27,130 --> 00:27:23,520

and so let's let's move forward a bit

597

00:27:30,830 --> 00:27:27,140

this is from a book titled the

598

00:27:32,690 --> 00:27:30,840

attitude it's really Aphrodite backwards

599

00:27:35,450 --> 00:27:32,700

okay it's hard to pronounce that's what

600

00:27:37,070 --> 00:27:35,460

the guy did it's Aphrodite backwards see

601
00:27:39,529 --> 00:27:37,080
I told you they like slides somebody's

602
00:27:41,090 --> 00:27:39,539
saying more slides oh okay well you look

603
00:27:43,549 --> 00:27:41,100
at I

604
00:27:45,230 --> 00:27:43,559
and so the way that these beings are

605
00:27:48,890 --> 00:27:45,240
depicted again it's a book of fiction

606
00:27:50,870 --> 00:27:48,900
but less than five feet in height skin

607
00:27:53,570 --> 00:27:50,880
the color of light blue putty his

608
00:27:54,649 --> 00:27:53,580
forehead extended and an unbroken plane

609
00:27:57,710 --> 00:27:54,659
from the

610
00:28:01,490 --> 00:27:57,720
Crown to cheekbone and the chubby teeth

611
00:28:04,070 --> 00:28:01,500
of an abortive nose without nostrils

612
00:28:07,669 --> 00:28:04,080
form a short projection there was no

613
00:28:09,590 --> 00:28:07,679

semblance of an eye or there were no

614

00:28:11,269 --> 00:28:09,600

sockets so again

615

00:28:13,130 --> 00:28:11,279

very great anything like with the

616

00:28:16,909 --> 00:28:13,140

exception of the eyes this is what's

617

00:28:18,289 --> 00:28:16,919

being um described of these beings okay

618

00:28:20,690 --> 00:28:18,299

let's

619

00:28:24,169 --> 00:28:20,700

progress forward so I should explain

620

00:28:27,590 --> 00:28:24,179

what I did is I looked into the Realms

621

00:28:29,090 --> 00:28:27,600

of the golden era of sci-fi fiction and

622

00:28:31,070 --> 00:28:29,100

comic book

623

00:28:33,169 --> 00:28:31,080

and to see what kind of stories that

624

00:28:35,510 --> 00:28:33,179

they were telling us because you go from

625

00:28:37,250 --> 00:28:35,520

somebody writing a speculative essay

626

00:28:39,590 --> 00:28:37,260

like H.G Wells

627

00:28:40,669 --> 00:28:39,600

who then ends up writing fiction about

628

00:28:44,450 --> 00:28:40,679

it

629

00:28:47,029 --> 00:28:44,460

they start making their own stories

630

00:28:49,850 --> 00:28:47,039

right so then this is an interesting oh

631

00:28:50,830 --> 00:28:49,860

yes Aleister Crowley's uh

632

00:28:55,070 --> 00:28:50,840

yeah

633

00:28:58,370 --> 00:28:55,080

1919 and Aleister Crowley is saying that

634

00:29:02,029 --> 00:28:58,380

he was in contact with this entity

635

00:29:04,930 --> 00:29:02,039

a lamb and if you notice it has very

636

00:29:08,390 --> 00:29:04,940

tiny eyes but right above it you can see

637

00:29:12,350 --> 00:29:08,400

sort of uh shades of what would become

638

00:29:15,590 --> 00:29:12,360

the more almond shaped type huge right

639

00:29:17,450 --> 00:29:15,600

alien eyes that are so typical

640

00:29:20,510 --> 00:29:17,460

okay

641

00:29:22,970 --> 00:29:20,520

and this is a Starfire it's a

642

00:29:24,590 --> 00:29:22,980

publication of the typhonian Oto the

643

00:29:26,029 --> 00:29:24,600

order Temple the oriented so another

644

00:29:28,130 --> 00:29:26,039

occult group

645

00:29:31,850 --> 00:29:28,140

uh same kind of thing I mean here they

646

00:29:36,529 --> 00:29:31,860

are depicting what is in essence another

647

00:29:38,330 --> 00:29:36,539

great alien type big headed being yeah

648

00:29:41,630 --> 00:29:38,340

and I have often wondered if the big

649

00:29:43,850 --> 00:29:41,640

head is just our own belief that uh

650

00:29:46,070 --> 00:29:43,860

aliens from other star systems would be

651
00:29:48,049 --> 00:29:46,080
worlds more intelligent than us and

652
00:29:51,049 --> 00:29:48,059
maybe that's why we imagine them with

653
00:29:53,210 --> 00:29:51,059
big heads well exactly that's what I was

654
00:29:56,330 --> 00:29:53,220
talking about in terms of Wells he was

655
00:29:59,330 --> 00:29:56,340
applying the popular evolution in The

656
00:30:01,610 --> 00:29:59,340
evolutionary theories of his day and

657
00:30:04,370 --> 00:30:01,620
saying that if the brain grows then the

658
00:30:06,769 --> 00:30:04,380
skull has to grow we know that's not the

659
00:30:09,110 --> 00:30:06,779
case anymore but that was popular back

660
00:30:10,970 --> 00:30:09,120
in the late 1800s that's what would

661
00:30:15,529 --> 00:30:10,980
happen so then

662
00:30:19,850 --> 00:30:15,539
here you have uh Amazing Stories 1927

663
00:30:23,810 --> 00:30:19,860

the machine man of our Dacia okay so

664

00:30:26,149 --> 00:30:23,820

notice that this is a man

665

00:30:28,070 --> 00:30:26,159

okay but look at him spindly little body

666

00:30:30,230 --> 00:30:28,080

huge head right

667

00:30:32,269 --> 00:30:30,240

that's what we're tracking here

668

00:30:35,149 --> 00:30:32,279

is this concept

669

00:30:37,850 --> 00:30:35,159

because at one point in my research I

670

00:30:41,090 --> 00:30:37,860

ran across like four different people in

671

00:30:42,710 --> 00:30:41,100

like three different circles who all

672

00:30:45,590 --> 00:30:42,720

started saying the same thing and I'm

673

00:30:49,250 --> 00:30:45,600

sure we've all heard it which is that

674

00:30:52,730 --> 00:30:49,260

aliens are not really alien what they

675

00:30:55,190 --> 00:30:52,740

are is human beings visiting us from the

676

00:30:58,490 --> 00:30:55,200

future for the future that's another big

677

00:31:00,830 --> 00:30:58,500

explanation for the UFO phenomena I have

678

00:31:02,570 --> 00:31:00,840

a friend I have a friend Ken who is

679

00:31:04,490 --> 00:31:02,580

absolutely convinced that it's not

680

00:31:06,710 --> 00:31:04,500

aliens it's time travelers from the

681

00:31:09,230 --> 00:31:06,720

future and I'm not sure exactly why he's

682

00:31:11,029 --> 00:31:09,240

so adamant but he is adamant that's his

683

00:31:13,070 --> 00:31:11,039

theory they're time travelers from the

684

00:31:14,630 --> 00:31:13,080

future and he thinks that they're

685

00:31:16,850 --> 00:31:14,640

anthropologists

686

00:31:20,210 --> 00:31:16,860

that they're coming back in time to

687

00:31:22,310 --> 00:31:20,220

study us at this point in history for

688

00:31:25,250 --> 00:31:22,320

some reason and then they go back and

689

00:31:29,169 --> 00:31:25,260

and they're more fully informed of you

690

00:31:32,570 --> 00:31:29,179

know their own history somehow right

691

00:31:36,169 --> 00:31:32,580

in theory but it could be true you know

692

00:31:37,669 --> 00:31:36,179

anybody can plug in any type of theory

693

00:31:40,430 --> 00:31:37,679

other people say that they're coming

694

00:31:42,230 --> 00:31:40,440

back to warn us about destroying the

695

00:31:44,330 --> 00:31:42,240

planet because in their future they're

696

00:31:47,149 --> 00:31:44,340

so polluted they want to fix it ahead of

697

00:31:49,130 --> 00:31:47,159

time or that their genetics have uh

698

00:31:50,990 --> 00:31:49,140

diminished so much that they're having

699

00:31:53,510 --> 00:31:51,000

mutational problems and they want to

700

00:31:56,450 --> 00:31:53,520

come back you know I mean whatever but

701
00:31:58,490 --> 00:31:56,460
but think back to H.G Wells where does

702
00:32:01,909 --> 00:31:58,500
this idea come from

703
00:32:03,889 --> 00:32:01,919
the H.G Wells uh where do we get the

704
00:32:09,049 --> 00:32:03,899
idea that these beings are humans from

705
00:32:15,830 --> 00:32:12,529
here's another one Wonder Stories again

706
00:32:18,590 --> 00:32:15,840
the man who evolved not the alien the

707
00:32:22,870 --> 00:32:18,600
man and what is the man who evolved look

708
00:32:26,210 --> 00:32:22,880
like well there you go about to have a

709
00:32:28,549 --> 00:32:26,220
ridiculously huge head so again we're

710
00:32:30,649 --> 00:32:28,559
tracking this concept of that Humanity

711
00:32:32,870 --> 00:32:30,659
in the future is going to look like that

712
00:32:36,769 --> 00:32:32,880
and they're telling that story over and

713
00:32:39,049 --> 00:32:36,779

over and over ever since H.G Wells okay

714

00:32:40,850 --> 00:32:39,059

uh here's another one

715

00:32:42,950 --> 00:32:40,860

strange Adventures

716

00:32:44,990 --> 00:32:42,960

and

717

00:32:48,049 --> 00:32:45,000

look what is being said here one more

718

00:32:50,750 --> 00:32:48,059

jolt of my evolutionary Captain Comet

719

00:32:54,529 --> 00:32:50,760

and you'll be a giant bodyless brain

720

00:32:56,149 --> 00:32:54,539

just like me yeah that does it reminds

721

00:32:59,409 --> 00:32:56,159

me of the leader from the Hulk Comics

722

00:33:04,490 --> 00:33:02,269

there is this concept in comics where

723

00:33:05,990 --> 00:33:04,500

they they had some sort of device that

724

00:33:08,269 --> 00:33:06,000

could accelerate there was a character

725

00:33:10,430 --> 00:33:08,279

called the high evolutionary and he

726

00:33:12,649 --> 00:33:10,440

would take you know uh like monkeys and

727

00:33:15,049 --> 00:33:12,659

make an army out of them by accelerating

728

00:33:17,570 --> 00:33:15,059

their evolution or something this is a

729

00:33:20,330 --> 00:33:17,580

similar concept but this is a man

730

00:33:22,190 --> 00:33:20,340

turning into a future man that's right

731

00:33:24,590 --> 00:33:22,200

just so it happens to look like an alien

732

00:33:27,049 --> 00:33:24,600

yeah there you go you see it's the same

733

00:33:29,509 --> 00:33:27,059

story just being repackaged and

734

00:33:34,549 --> 00:33:29,519

repackaged and repackaged right

735

00:33:38,389 --> 00:33:34,559

uh now we go to here's two examples 1934

736

00:33:40,370 --> 00:33:38,399

If Tomorrow Comes A Tale of Two Worlds

737

00:33:44,330 --> 00:33:40,380

okay tomorrow looking into the future

738

00:33:47,810 --> 00:33:44,340

and guess what we see typical gray alien

739

00:33:49,330 --> 00:33:47,820

and then as we saw earlier at forgotten

740

00:33:52,430 --> 00:33:49,340

I had this in there

741

00:33:56,690 --> 00:33:52,440

1989 screamer with communion

742

00:33:59,509 --> 00:33:56,700

uh whatever those things might be to him

743

00:34:00,950 --> 00:33:59,519

okay 1930

744

00:34:03,889 --> 00:34:00,960

um five

745

00:34:07,190 --> 00:34:03,899

Atlas all thinking so here's the concept

746

00:34:10,790 --> 00:34:07,200

of this being that is just all thinking

747

00:34:11,750 --> 00:34:10,800

and so it has a huge brain and Ergo uh

748

00:34:14,990 --> 00:34:11,760

so

749

00:34:16,310 --> 00:34:15,000

okay nothing about aliens yet nothing I

750

00:34:21,230 --> 00:34:16,320

mean

751
00:34:24,349 --> 00:34:21,240
not thus far it's just all futuristic

752
00:34:27,409 --> 00:34:24,359
okay even The Wizard of Oz yeah this is

753
00:34:29,570 --> 00:34:27,419
this is one of my I I I don't know why

754
00:34:31,970 --> 00:34:29,580
but I love that scene of The Wizard of

755
00:34:34,190 --> 00:34:31,980
Oz of the illusion of the Great and

756
00:34:37,609 --> 00:34:34,200
Powerful eyes that he would project on

757
00:34:39,470 --> 00:34:37,619
onto smoke and uh believe it or not I

758
00:34:41,930 --> 00:34:39,480
played a lot with video projectors and

759
00:34:43,450 --> 00:34:41,940
smoke machines and and this is fun stuff

760
00:34:46,849 --> 00:34:43,460
to play with

761
00:34:48,409 --> 00:34:46,859
so then what is behind the curtain

762
00:34:50,690 --> 00:34:48,419
right

763
00:34:53,089 --> 00:34:50,700

normal man yeah

764

00:34:56,510 --> 00:34:53,099

and now let me uh throw in this little

765

00:34:58,790 --> 00:34:56,520

uh factoid so if you watch the movie

766

00:35:01,550 --> 00:34:58,800

based on waitlist tree or the movie

767

00:35:03,710 --> 00:35:01,560

called communion and then if you watched

768

00:35:07,010 --> 00:35:03,720

Fire in the Sky

769

00:35:10,730 --> 00:35:07,020

right based on uh Travis Travis Walton

770

00:35:13,550 --> 00:35:10,740

Walton there's an interesting scene in

771

00:35:16,130 --> 00:35:13,560

both movies so in communion

772

00:35:20,810 --> 00:35:16,140

streamer is face to face with a gray

773

00:35:24,170 --> 00:35:20,820

alien and then the the bottom half of

774

00:35:27,890 --> 00:35:24,180

its face turns out to be a plate that is

775

00:35:31,130 --> 00:35:27,900

removed and behind it is some sort of I

776

00:35:32,810 --> 00:35:31,140

don't know slimy reptilian sectoid

777

00:35:34,430 --> 00:35:32,820

reptilian looking thing yeah I remember

778

00:35:37,670 --> 00:35:34,440

that right

779

00:35:39,950 --> 00:35:37,680

and so uh streamer character in that

780

00:35:41,990 --> 00:35:39,960

movie says oh this is like one of those

781

00:35:44,210 --> 00:35:42,000

Russian dolls it's just layers and

782

00:35:45,650 --> 00:35:44,220

layers you're never actually show us who

783

00:35:48,230 --> 00:35:45,660

you are right

784

00:35:51,950 --> 00:35:48,240

okay then and the Walton movie Fire in

785

00:35:54,230 --> 00:35:51,960

the Sky he comes face to face alien but

786

00:35:56,690 --> 00:35:54,240

it turns out he realizes it's just a

787

00:35:57,829 --> 00:35:56,700

space suit

788

00:36:00,410 --> 00:35:57,839

okay

789

00:36:02,990 --> 00:36:00,420

so that tells us that this great alien

790

00:36:04,510 --> 00:36:03,000

look is not actually what it is it's not

791

00:36:07,370 --> 00:36:04,520

an actual being

792

00:36:09,710 --> 00:36:07,380

except I asked what the Wheatley

793

00:36:11,810 --> 00:36:09,720

Streep about this and I asked Travis

794

00:36:13,430 --> 00:36:11,820

Walton about this and they both told me

795

00:36:15,770 --> 00:36:13,440

the same thing that's just Hollywood

796

00:36:19,430 --> 00:36:15,780

movie stuff they both said that was not

797

00:36:24,170 --> 00:36:22,310

interesting I mean there might be still

798

00:36:25,910 --> 00:36:24,180

something to it but I just wanted to

799

00:36:27,470 --> 00:36:25,920

throw that out there that I thought that

800

00:36:31,310 --> 00:36:27,480

was really interesting and very

801
00:36:33,589 --> 00:36:31,320
coincidental but they both said no we

802
00:36:35,510 --> 00:36:33,599
didn't experience that

803
00:36:38,150 --> 00:36:35,520
okay now

804
00:36:39,530 --> 00:36:38,160
and look at the title here

805
00:36:43,970 --> 00:36:39,540
um

806
00:36:46,730 --> 00:36:43,980
the World of Tomorrow so again we're

807
00:36:48,650 --> 00:36:46,740
looking at a future person and okay it

808
00:36:51,530 --> 00:36:48,660
has a regular type body but we're

809
00:36:55,550 --> 00:36:51,540
starting to see that that that's getting

810
00:36:59,750 --> 00:36:55,560
bigger you know that head's about to pop

811
00:37:04,670 --> 00:36:59,760
oh again same thing same story uh being

812
00:37:08,990 --> 00:37:04,680
told and retold even uh here's Superman

813
00:37:12,650 --> 00:37:09,000

um Jimmy Olsen and he's saying

814

00:37:15,109 --> 00:37:12,660

do my bitty Superman or I'll turn my uh

815

00:37:18,470 --> 00:37:15,119

Kryptonite Eyes On full power

816

00:37:19,490 --> 00:37:18,480

and then Superman's saying

817

00:37:23,390 --> 00:37:19,500

um

818

00:37:26,750 --> 00:37:23,400

I'm we act and with us super intelligent

819

00:37:28,130 --> 00:37:26,760

brain Jimmy was

820

00:37:30,530 --> 00:37:28,140

um

821

00:37:33,050 --> 00:37:30,540

has me at his Mercy

822

00:37:35,450 --> 00:37:33,060

sorry that is really super smart but

823

00:37:37,550 --> 00:37:35,460

look at Superman's saying that Jimmy

824

00:37:39,410 --> 00:37:37,560

became super intelligent so what does

825

00:37:42,410 --> 00:37:39,420

that mean that he's got a bigger natural

826

00:37:45,829 --> 00:37:42,420

mind so he's got a bigger head yeah and

827

00:37:47,990 --> 00:37:45,839

he's developed extra capabilities

828

00:37:51,230 --> 00:37:48,000

right because now he's got these uh

829

00:37:54,250 --> 00:37:51,240

superpowers I know you're into uh

830

00:37:57,530 --> 00:37:54,260

the people that claim

831

00:38:00,470 --> 00:37:57,540

ERS Hey listen everybody needs a hobby

832

00:38:02,390 --> 00:38:00,480

and mine is listening to people talk

833

00:38:06,290 --> 00:38:02,400

about their superpowers that they never

834

00:38:08,210 --> 00:38:06,300

prove they have okay so the bottom

835

00:38:13,990 --> 00:38:08,220

corner there you see it says the Super

836

00:38:21,170 --> 00:38:16,609

himself is on and guess what it's

837

00:38:23,569 --> 00:38:21,180

Superman I said Batman wow yeah and look

838

00:38:25,690 --> 00:38:23,579

at that of the future so what is

839

00:38:28,670 --> 00:38:25,700

Superman of the future

840

00:38:31,670 --> 00:38:28,680

big old head right

841

00:38:33,530 --> 00:38:31,680

well isn't there some evolutionary

842

00:38:36,349 --> 00:38:33,540

um evidence that that is the way that

843

00:38:37,730 --> 00:38:36,359

we're going larger Cranium larger brain

844

00:38:39,470 --> 00:38:37,740

I think I've read somewhere there is

845

00:38:40,910 --> 00:38:39,480

right there's some evidence that that's

846

00:38:49,310 --> 00:38:40,920

where we're headed

847

00:38:51,890 --> 00:38:49,320

I didn't even realize I did that see

848

00:38:54,109 --> 00:38:51,900

yeah well I don't know because like I

849

00:38:57,470 --> 00:38:54,119

said that was definitely a fashionable

850

00:38:58,250 --> 00:38:57,480

Theory back in the late 1800s

851
00:39:01,250 --> 00:38:58,260
um

852
00:39:03,530 --> 00:39:01,260
I know if you look at neanderthals they

853
00:39:06,109 --> 00:39:03,540
had bigger brains and bits therefore

854
00:39:08,569 --> 00:39:06,119
bigger heads so I'm not sure if that's

855
00:39:10,550 --> 00:39:08,579
the way it works but I'm just saying

856
00:39:12,710 --> 00:39:10,560
this is what the fiction writers were

857
00:39:14,870 --> 00:39:12,720
playing off of constantly so now we have

858
00:39:18,530 --> 00:39:14,880
it's amazing how many examples you found

859
00:39:22,250 --> 00:39:18,540
of this big-headed human phenomenon yeah

860
00:39:25,069 --> 00:39:22,260
and it says Amma swell head physically

861
00:39:28,670 --> 00:39:25,079
and mentally right

862
00:39:30,589 --> 00:39:28,680
uh even Venom and well Venom actually is

863
00:39:32,530 --> 00:39:30,599

an alien period

864

00:39:35,329 --> 00:39:32,540

yeah

865

00:39:37,750 --> 00:39:35,339

Spiderman are very gray alien like I

866

00:39:42,829 --> 00:39:37,760

mean look at those uh

867

00:39:45,349 --> 00:39:42,839

mask the eyes are just gigantic right

868

00:39:49,010 --> 00:39:45,359

and here's the outer limits the visit

869

00:39:55,550 --> 00:39:51,170

future okay

870

00:39:58,069 --> 00:39:55,560

and same thing uh the year 3000

871

00:40:00,470 --> 00:39:58,079

the man's coming back so it says a white

872

00:40:02,390 --> 00:40:00,480

Smock strange looking little little man

873

00:40:04,550 --> 00:40:02,400

by the way suddenly appears on every

874

00:40:06,050 --> 00:40:04,560

channel on every television set around

875

00:40:07,670 --> 00:40:06,060

the world he speaks his voices

876

00:40:09,530 --> 00:40:07,680

translated into the language of each

877

00:40:12,589 --> 00:40:09,540

country that man is broadcasting from

878

00:40:14,630 --> 00:40:12,599

the year 3000 A.D the people of today's

879

00:40:19,130 --> 00:40:14,640

world that's what we've been talking

880

00:40:23,870 --> 00:40:22,010

now we come to an interesting one I

881

00:40:30,730 --> 00:40:23,880

included this one because it struck me

882

00:40:35,270 --> 00:40:33,410

and that was the twist at the end

883

00:40:37,849 --> 00:40:35,280

because it was all about artificial

884

00:40:40,190 --> 00:40:37,859

intelligence and robots and then at the

885

00:40:43,250 --> 00:40:40,200

end we get aliens which was okay now

886

00:40:45,230 --> 00:40:43,260

hold on that's exactly why I included

887

00:40:49,490 --> 00:40:45,240

this because when I watched that movie I

888

00:40:52,609 --> 00:40:49,500

go oh wow these are aliens but it turns

889

00:40:54,190 --> 00:40:52,619

out that what these are supposed to be

890

00:40:56,930 --> 00:40:54,200

is

891

00:40:59,030 --> 00:40:56,940

silicon-based AI they're not supposed to

892

00:41:01,790 --> 00:40:59,040

be aliens oh you're right you're right

893

00:41:04,010 --> 00:41:01,800

it's been a while since I saw that no

894

00:41:07,310 --> 00:41:04,020

you don't get that in the movie

895

00:41:10,970 --> 00:41:07,320

this is just behind the scenes um

896

00:41:14,210 --> 00:41:10,980

even um Steven Spielberg describing that

897

00:41:18,410 --> 00:41:16,010

so I thought that was fascinating

898

00:41:20,630 --> 00:41:18,420

because again we have a sort of very

899

00:41:22,730 --> 00:41:20,640

typical gray alien look when they're not

900

00:41:26,930 --> 00:41:22,740

supposed to be aliens at all they're

901
00:41:31,270 --> 00:41:28,910
um so now I'm gonna I'm gonna back out

902
00:41:36,109 --> 00:41:31,280
of this just to make a few statements so

903
00:41:37,849 --> 00:41:36,119
my point in all of this is at least from

904
00:41:39,890 --> 00:41:37,859
what we would call the sociological

905
00:41:43,609 --> 00:41:39,900
perspective

906
00:41:46,730 --> 00:41:43,619
what we have is a basic idea laid out by

907
00:41:48,410 --> 00:41:46,740
H.G Wells off of off of which many

908
00:41:50,390 --> 00:41:48,420
people played and they told it and

909
00:41:52,870 --> 00:41:50,400
retolded and retold it which is all the

910
00:41:56,630 --> 00:41:52,880
same it's about humans from the future

911
00:41:57,950 --> 00:41:56,640
humans when they uh evolved millions of

912
00:41:58,970 --> 00:41:57,960
years into the future what they would

913
00:42:01,609 --> 00:41:58,980

look like

914

00:42:04,730 --> 00:42:01,619

and then I'm thinking possibly because

915

00:42:07,430 --> 00:42:04,740

of the issue of how many times can you

916

00:42:11,630 --> 00:42:07,440

retell the same old story all of a

917

00:42:14,329 --> 00:42:11,640

sudden these uh comic book and sci-fi

918

00:42:15,890 --> 00:42:14,339

authors said you know what forget all

919

00:42:20,089 --> 00:42:15,900

that we're gonna

920

00:42:21,589 --> 00:42:20,099

keep the prom the the basic core concept

921

00:42:23,150 --> 00:42:21,599

but we're just going to start claiming

922

00:42:25,490 --> 00:42:23,160

that they're aliens from another planet

923

00:42:28,130 --> 00:42:25,500

or another galaxy or another Universe

924

00:42:30,230 --> 00:42:28,140

the dimension and that's all it takes to

925

00:42:33,710 --> 00:42:30,240

make the switch

926
00:42:36,589 --> 00:42:33,720
right so how could we freshen up this

927
00:42:38,569 --> 00:42:36,599
story it's just the same thing they're

928
00:42:40,970 --> 00:42:38,579
they're more advanced and that's why

929
00:42:43,550 --> 00:42:40,980
they look the way they do and they're

930
00:42:45,589 --> 00:42:43,560
from wherever they are they've had more

931
00:42:47,750 --> 00:42:45,599
time to evolve than we have or whatever

932
00:42:50,150 --> 00:42:47,760
or they're coming from the future it's

933
00:42:51,790 --> 00:42:50,160
the same thing it's just now we're going

934
00:42:55,010 --> 00:42:51,800
to start claiming that their aliens

935
00:42:57,829 --> 00:42:55,020
instead of just future humans that's all

936
00:43:01,550 --> 00:42:59,690
yeah interesting that there's so many

937
00:43:04,309 --> 00:43:01,560
cultural references and I agree with you

938
00:43:06,410 --> 00:43:04,319

it might just be a case of a lazy writer

939

00:43:08,210 --> 00:43:06,420

looking around for what he could make

940

00:43:11,569 --> 00:43:08,220

his aliens look at and there's already

941

00:43:14,630 --> 00:43:11,579

all of these precedents and culture that

942

00:43:15,770 --> 00:43:14,640

preceded the the idea that aliens look

943

00:43:19,190 --> 00:43:15,780

like that

944

00:43:21,349 --> 00:43:19,200

and and so they stole it and modified it

945

00:43:24,109 --> 00:43:21,359

for their for their own stories right

946

00:43:26,630 --> 00:43:24,119

right because that's been my point I

947

00:43:29,390 --> 00:43:26,640

mean I just took us through like just

948

00:43:32,510 --> 00:43:29,400

over a Century's worth of examples from

949

00:43:34,849 --> 00:43:32,520

pop culture and and that's what they're

950

00:43:36,650 --> 00:43:34,859

saying is they were telling one story

951
00:43:38,809 --> 00:43:36,660
and they're still telling it they just

952
00:43:41,210 --> 00:43:38,819
switched the category of the characters

953
00:43:43,309 --> 00:43:41,220
that's pretty much it

954
00:43:44,329 --> 00:43:43,319
and then I was going to throw in some of

955
00:43:47,750 --> 00:43:44,339
this stuff I thought would be

956
00:43:50,450 --> 00:43:47,760
interesting about how uh why referred to

957
00:43:52,069 --> 00:43:50,460
pop culture or sci-fi or comic books

958
00:43:55,609 --> 00:43:52,079
when we're supposed to be dealing with a

959
00:43:58,670 --> 00:43:55,619
real life phenomena well there's a lot

960
00:44:00,849 --> 00:43:58,680
of reasons for that so one is the

961
00:44:03,950 --> 00:44:00,859
concept of um

962
00:44:05,870 --> 00:44:03,960
normative fiction which is sort of tied

963
00:44:08,809 --> 00:44:05,880

at the hip to what's known as predictive

964

00:44:11,270 --> 00:44:08,819

programming which is when authors who

965

00:44:12,950 --> 00:44:11,280

are allegedly writing fiction are

966

00:44:16,670 --> 00:44:12,960

actually pushing

967

00:44:18,710 --> 00:44:16,680

a real life worldview philosophy type

968

00:44:21,530 --> 00:44:18,720

ideas but they're doing it under the

969

00:44:24,170 --> 00:44:21,540

guise of fiction so that your guard is

970

00:44:26,030 --> 00:44:24,180

that your intellectual guard is down and

971

00:44:27,890 --> 00:44:26,040

you're more willing to just absorb ideas

972

00:44:30,890 --> 00:44:27,900

because you're saying ah big deal it's

973

00:44:32,930 --> 00:44:30,900

just a movie whatever yeah but they're

974

00:44:34,250 --> 00:44:32,940

telling you things that they actually

975

00:44:36,050 --> 00:44:34,260

believe

976

00:44:40,329 --> 00:44:36,060

and then so if you look at something

977

00:44:43,190 --> 00:44:40,339

like this the image on the left was

978

00:44:45,950 --> 00:44:43,200

based on a description of an experience

979

00:44:48,050 --> 00:44:45,960

with an alien that somebody had

980

00:44:51,650 --> 00:44:48,060

but the one in the middle and the right

981

00:44:53,390 --> 00:44:51,660

are some of the Sci-Fi TV shows that

982

00:44:56,150 --> 00:44:53,400

were around at the time and that's how

983

00:44:58,309 --> 00:44:56,160

they depicted aliens so it doesn't go

984

00:45:01,430 --> 00:44:58,319

yeah I wonder which came first right

985

00:45:03,109 --> 00:45:01,440

well yeah it doesn't take much to say

986

00:45:05,390 --> 00:45:03,119

well look

987

00:45:07,250 --> 00:45:05,400

um you know the cheesy Sci-Fi TV show

988

00:45:09,650 --> 00:45:07,260

and movie were depicting them in you

989

00:45:12,950 --> 00:45:09,660

know old tiny type uniforms with this

990

00:45:15,890 --> 00:45:12,960

sash across the best and well then

991

00:45:19,550 --> 00:45:15,900

somebody finds that so impactful that

992

00:45:21,309 --> 00:45:19,560

they end up claiming or maybe even who

993

00:45:24,589 --> 00:45:21,319

knows what I don't know

994

00:45:26,870 --> 00:45:24,599

hallucinating or Dreaming or had some

995

00:45:29,630 --> 00:45:26,880

kind of a illusion or delusion I don't

996

00:45:33,170 --> 00:45:29,640

know I'm just saying when you look at

997

00:45:35,329 --> 00:45:33,180

the historical context for the cultural

998

00:45:37,849 --> 00:45:35,339

context you find stuff like this or

999

00:45:38,510 --> 00:45:37,859

saying here

1000

00:45:41,150 --> 00:45:38,520

um

1001
00:45:44,150 --> 00:45:41,160
there's one of the illustrations based

1002
00:45:46,550 --> 00:45:44,160
on Barney and Betty Hill it's the same

1003
00:45:50,990 --> 00:45:46,560
thing it's one of these uniforms with a

1004
00:45:52,849 --> 00:45:51,000
stash across and also two other people

1005
00:45:54,650 --> 00:45:52,859
who claim to have had experiences with

1006
00:45:58,430 --> 00:45:54,660
aliens they're all describing what was

1007
00:46:01,010 --> 00:45:58,440
popular in pop culture in their day

1008
00:46:03,410 --> 00:46:01,020
same I mean it goes on and on Betty

1009
00:46:05,930 --> 00:46:03,420
Anderson right

1010
00:46:08,030 --> 00:46:05,940
um just so many of the depictions of

1011
00:46:09,109 --> 00:46:08,040
what the aliens looked like back in that

1012
00:46:10,910 --> 00:46:09,119
day

1013
00:46:12,770 --> 00:46:10,920

basically you're going to be based on

1014

00:46:14,750 --> 00:46:12,780

whatever they were watching the movies

1015

00:46:17,990 --> 00:46:14,760

and TV shows

1016

00:46:20,930 --> 00:46:18,000

and you know same thing work from you

1017

00:46:23,089 --> 00:46:20,940

got more from Orc in there yeah yeah

1018

00:46:25,670 --> 00:46:23,099

when I was a little little kid I watched

1019

00:46:28,730 --> 00:46:25,680

that or I watched reruns of that on like

1020

00:46:30,290 --> 00:46:28,740

VHF I used to love that until it got to

1021

00:46:31,510 --> 00:46:30,300

Jonathan Winters and that it was

1022

00:46:35,089 --> 00:46:31,520

terrible

1023

00:46:39,109 --> 00:46:35,099

it got worse and worse

1024

00:46:41,510 --> 00:46:39,119

yeah but yeah so like images underneath

1025

00:46:43,849 --> 00:46:41,520

are from TV shows and movies of the day

1026
00:46:46,010 --> 00:46:43,859
where they have these uniforms with an

1027
00:46:49,430 --> 00:46:46,020
upside down triangle in the chest and

1028
00:46:51,710 --> 00:46:49,440
the two images above are supposed uh

1029
00:46:53,210 --> 00:46:51,720
actual experiences with aliens so I'm

1030
00:46:55,069 --> 00:46:53,220
saying well look

1031
00:46:57,050 --> 00:46:55,079
I don't know what actually happened I'm

1032
00:46:59,750 --> 00:46:57,060
just saying it's just too much of a

1033
00:47:01,970 --> 00:46:59,760
coincidence that people are seeing this

1034
00:47:03,650 --> 00:47:01,980
stuff depicted in movies and TV shows

1035
00:47:04,970 --> 00:47:03,660
and they're claiming to have had a real

1036
00:47:08,390 --> 00:47:04,980
experience

1037
00:47:10,250 --> 00:47:08,400
uh likewise with this from um the one on

1038
00:47:13,609 --> 00:47:10,260

the bottom obviously

1039

00:47:15,050 --> 00:47:13,619

from to served man uh Twilight Zone and

1040

00:47:17,329 --> 00:47:15,060

honestly I don't recall what the other

1041

00:47:19,250 --> 00:47:17,339

one is but same kind of thing with this

1042

00:47:23,630 --> 00:47:19,260

robe uh with the

1043

00:47:27,410 --> 00:47:26,390

um this also is from Betty and Barney

1044

00:47:28,910 --> 00:47:27,420

Hill

1045

00:47:32,870 --> 00:47:28,920

so

1046

00:47:35,030 --> 00:47:32,880

it's the um illustrations of what they

1047

00:47:35,870 --> 00:47:35,040

claimed they saw

1048

00:47:38,030 --> 00:47:35,880

um

1049

00:47:41,890 --> 00:47:38,040

compared to the the way that the movie

1050

00:47:44,809 --> 00:47:41,900

depicted them you know kind of

1051

00:47:47,510 --> 00:47:44,819

I appreciate that and people are saying

1052

00:47:51,050 --> 00:47:47,520

you have a great presentation already so

1053

00:47:52,790 --> 00:47:51,060

that's good news yeah I I love to wonder

1054

00:47:54,770 --> 00:47:52,800

about this like

1055

00:47:57,829 --> 00:47:54,780

you know it's a chicken and egg thing

1056

00:47:59,990 --> 00:47:57,839

like which came first the abductions uh

1057

00:48:02,390 --> 00:48:00,000

of these people who really saw these

1058

00:48:03,710 --> 00:48:02,400

things or the TV shows that depicted

1059

00:48:07,069 --> 00:48:03,720

them and then

1060

00:48:09,290 --> 00:48:07,079

they filled in the blanks maybe of of uh

1061

00:48:12,109 --> 00:48:09,300

strange experience through the through

1062

00:48:14,150 --> 00:48:12,119

their own cultural lens you know because

1063

00:48:16,309 --> 00:48:14,160

you you know this better than most but

1064

00:48:19,010 --> 00:48:16,319

you know back in the day before aliens

1065

00:48:21,950 --> 00:48:19,020

were talked about when people had these

1066

00:48:23,930 --> 00:48:21,960

sort of experiences it was a devil or it

1067

00:48:24,770 --> 00:48:23,940

was an angel or a fairy folk or

1068

00:48:27,470 --> 00:48:24,780

something

1069

00:48:30,170 --> 00:48:27,480

and eventually that changed to alien for

1070

00:48:32,329 --> 00:48:30,180

these same kinds oh no that's something

1071

00:48:35,270 --> 00:48:32,339

I would really like to get into in just

1072

00:48:37,670 --> 00:48:35,280

a minute here sure sorry I don't mean to

1073

00:48:39,770 --> 00:48:37,680

get ahead of you no it's okay actually

1074

00:48:41,390 --> 00:48:39,780

I'm glad because that we're thinking in

1075

00:48:42,770 --> 00:48:41,400

the same direction so that that's

1076

00:48:45,410 --> 00:48:42,780

important

1077

00:48:46,609 --> 00:48:45,420

uh this is just an early attempt at what

1078

00:48:49,790 --> 00:48:46,619

we would call

1079

00:48:51,470 --> 00:48:49,800

Photoshop hoax from 1950 I mean

1080

00:48:53,030 --> 00:48:51,480

obviously remember this photo do you

1081

00:48:54,349 --> 00:48:53,040

know how many people have sent me that

1082

00:48:56,510 --> 00:48:54,359

photo

1083

00:48:58,730 --> 00:48:56,520

and asked me what I thought about it and

1084

00:49:00,770 --> 00:48:58,740

then I have to tell them the origins of

1085

00:49:02,930 --> 00:49:00,780

it you know

1086

00:49:04,550 --> 00:49:02,940

yeah so yeah that's why I say it's an

1087

00:49:07,870 --> 00:49:04,560

early form of Photoshop because

1088

00:49:10,430 --> 00:49:07,880

obviously you can see from the uh

1089

00:49:13,250 --> 00:49:10,440

original photo to a slightly different

1090

00:49:15,050 --> 00:49:13,260

angle and someone just slapped in the

1091

00:49:16,970 --> 00:49:15,060

alien looking thing on there and same

1092

00:49:19,190 --> 00:49:16,980

thing with this one

1093

00:49:22,430 --> 00:49:19,200

you know it's just a couple guys with an

1094

00:49:24,230 --> 00:49:22,440

old tiny baby carriage and somebody just

1095

00:49:27,349 --> 00:49:24,240

manipulate the image I mean this has

1096

00:49:30,470 --> 00:49:27,359

been going on for a long long time

1097

00:49:32,450 --> 00:49:30,480

yeah it's just me but Photoshop made

1098

00:49:36,770 --> 00:49:32,460

these things a lot easier and yesterday

1099

00:49:38,390 --> 00:49:36,780

we did a show on the coming swarm that's

1100

00:49:42,589 --> 00:49:38,400

going to destroy it's going to be

1101
00:49:46,609 --> 00:49:42,599
terrible can this uh AI image generators

1102
00:49:48,790 --> 00:49:46,619
people just did a hoax with AI generated

1103
00:49:50,930 --> 00:49:48,800
images claiming they were from Roswell

1104
00:49:52,730 --> 00:49:50,940
1947. we were pretty quickly

1105
00:49:54,650 --> 00:49:52,740
definitively proved that they were from

1106
00:49:57,410 --> 00:49:54,660
an AI image generator

1107
00:49:59,150 --> 00:49:57,420
so it used to be people really had to

1108
00:50:01,670 --> 00:49:59,160
work to make these fakes you know

1109
00:50:04,010 --> 00:50:01,680
cutting things out putting on a on a

1110
00:50:07,430 --> 00:50:04,020
slide on a you know negative and then

1111
00:50:09,589 --> 00:50:07,440
redevelop the picture with Photoshop it

1112
00:50:11,329 --> 00:50:09,599
got worse and now with these AI image

1113
00:50:13,309 --> 00:50:11,339

generators it's going to be terrible

1114

00:50:15,349 --> 00:50:13,319

there's going to be so many fake photos

1115

00:50:17,870 --> 00:50:15,359

flooding the internet now

1116

00:50:20,030 --> 00:50:17,880

it's just so easy you just put in it's

1117

00:50:22,730 --> 00:50:20,040

it is fun you just put in a phrase you

1118

00:50:24,770 --> 00:50:22,740

could put in like alien crash landing in

1119

00:50:29,809 --> 00:50:24,780

a desert and it'll show you a bunch of

1120

00:50:35,569 --> 00:50:31,670

so now

1121

00:50:37,730 --> 00:50:35,579

back to the point you were making

1122

00:50:40,130 --> 00:50:37,740

so if we had

1123

00:50:42,950 --> 00:50:40,140

if we had to just lay it out

1124

00:50:45,650 --> 00:50:42,960

what do I think I mean this was just one

1125

00:50:48,109 --> 00:50:45,660

of the perspectives I had which is how

1126

00:50:50,870 --> 00:50:48,119

come you're able to so clearly trace

1127

00:50:54,589 --> 00:50:50,880

this as an idea sociologically through

1128

00:50:55,549 --> 00:50:54,599

pop culture and all of that okay but now

1129

00:50:58,849 --> 00:50:55,559

um

1130

00:51:00,109 --> 00:50:58,859

I would say if you were to ask me do I

1131

00:51:03,730 --> 00:51:00,119

think that there are quote unquote

1132

00:51:06,890 --> 00:51:03,740

aliens from other planets or galaxies or

1133

00:51:09,170 --> 00:51:06,900

Dimensions or universes I'd say you know

1134

00:51:11,569 --> 00:51:09,180

for me that's like way way down the line

1135

00:51:13,849 --> 00:51:11,579

as an option okay let's just let's set

1136

00:51:16,430 --> 00:51:13,859

that way way down the line because there

1137

00:51:18,890 --> 00:51:16,440

are more mundane things in the here and

1138

00:51:20,030 --> 00:51:18,900

now that we can actually verify

1139

00:51:22,190 --> 00:51:20,040

first

1140

00:51:24,650 --> 00:51:22,200

which is like we talked about earlier

1141

00:51:27,109 --> 00:51:24,660

some of it is straight up government Ops

1142

00:51:29,329 --> 00:51:27,119

everybody knows about that it's it's no

1143

00:51:32,390 --> 00:51:29,339

great conspiracy it's just

1144

00:51:34,190 --> 00:51:32,400

uh well-known part of it is maybe what

1145

00:51:35,990 --> 00:51:34,200

we would call accidental again like

1146

00:51:37,790 --> 00:51:36,000

seeing the stealth bomber and fighter

1147

00:51:41,870 --> 00:51:37,800

without knowing what they were

1148

00:51:43,970 --> 00:51:41,880

and then we get into another issue which

1149

00:51:45,049 --> 00:51:43,980

is I'll give you an example of Whitley

1150

00:51:48,589 --> 00:51:45,059

strieber

1151

00:51:50,390 --> 00:51:48,599

so as I would listen to him

1152

00:51:52,210 --> 00:51:50,400

I would notice every now and then he

1153

00:51:55,609 --> 00:51:52,220

would mention his family

1154

00:51:57,650 --> 00:51:55,619

relationships with the CIA and Military

1155

00:51:59,030 --> 00:51:57,660

I'm like okay you know whatever I'm

1156

00:51:59,950 --> 00:51:59,040

gonna just lock that away in the back of

1157

00:52:03,410 --> 00:51:59,960

my head

1158

00:52:05,510 --> 00:52:03,420

I noticed that one time too yeah and and

1159

00:52:07,430 --> 00:52:05,520

I'm like okay that may turn into

1160

00:52:11,210 --> 00:52:07,440

something maybe not and then one day he

1161

00:52:14,089 --> 00:52:11,220

does a whole talk straight up saying hey

1162

00:52:15,410 --> 00:52:14,099

I was a victim of MK Ultra mind control

1163

00:52:18,650 --> 00:52:15,420

program

1164

00:52:20,750 --> 00:52:18,660

now was he I have no idea but I'm just

1165

00:52:24,349 --> 00:52:20,760

saying that's what he says

1166

00:52:26,690 --> 00:52:24,359

and so that makes a lot more sense and

1167

00:52:28,370 --> 00:52:26,700

it's a lot more commonsensical and a lot

1168

00:52:30,589 --> 00:52:28,380

more mundane

1169

00:52:32,930 --> 00:52:30,599

than that he's having experiences with

1170

00:52:35,089 --> 00:52:32,940

whatever they are right so so let me

1171

00:52:36,710 --> 00:52:35,099

unpack a little bit when we're talking

1172

00:52:39,950 --> 00:52:36,720

about MK

1173

00:52:43,130 --> 00:52:39,960

MK was actually a slew of experiments

1174

00:52:45,589 --> 00:52:43,140

Ultra in particular was about

1175

00:52:49,370 --> 00:52:45,599

um mind control so what he was he's

1176
00:52:51,890 --> 00:52:49,380
claiming is that these CIA Spooks would

1177
00:52:54,710 --> 00:52:51,900
literally run experiments on and they

1178
00:52:56,510 --> 00:52:54,720
try to mind control him so now when I

1179
00:53:00,349 --> 00:52:56,520
thought about some of the tales he's

1180
00:53:02,329 --> 00:53:00,359
told such as this he says well at one

1181
00:53:03,890 --> 00:53:02,339
point the visitors recognized that he

1182
00:53:06,349 --> 00:53:03,900
was really freaked out by their huge

1183
00:53:08,329 --> 00:53:06,359
eyes and so one of them appeared to him

1184
00:53:11,569 --> 00:53:08,339
one day wearing some of those like

1185
00:53:12,950 --> 00:53:11,579
ridiculously large plastic sunglasses

1186
00:53:18,349 --> 00:53:12,960
that you would buy like at the state

1187
00:53:23,809 --> 00:53:20,930
what would seem more to be the case that

1188
00:53:26,630 --> 00:53:23,819

these ultra-dimensional beings did that

1189

00:53:29,930 --> 00:53:26,640

or that some jerk at the CIA had this

1190

00:53:31,849 --> 00:53:29,940

guy hypnotized and put on those

1191

00:53:34,190 --> 00:53:31,859

ridiculous glasses to make him think

1192

00:53:36,589 --> 00:53:34,200

that he was seeing something that really

1193

00:53:40,370 --> 00:53:36,599

not there right

1194

00:53:42,170 --> 00:53:40,380

or then he talks about how yes he

1195

00:53:45,109 --> 00:53:42,180

recognizes he was

1196

00:53:49,010 --> 00:53:45,119

a victim of Mind Control experimentation

1197

00:53:50,990 --> 00:53:49,020

but he does still know for a fact that

1198

00:53:53,870 --> 00:53:51,000

he's been having experiences with

1199

00:53:55,970 --> 00:53:53,880

whatever they are from wherever they are

1200

00:53:59,390 --> 00:53:55,980

because this is what he actually said

1201
00:54:00,770 --> 00:53:59,400
because people he knew who ran into him

1202
00:54:05,210 --> 00:54:00,780
on the days where he had those

1203
00:54:07,329 --> 00:54:05,220
experiences noted that he was agitated

1204
00:54:10,069 --> 00:54:07,339
I'm like okay

1205
00:54:11,690 --> 00:54:10,079
okay if you have an experience with

1206
00:54:13,430 --> 00:54:11,700
whatever they are from wherever they are

1207
00:54:16,069 --> 00:54:13,440
I could see how you'd end up agitated

1208
00:54:18,470 --> 00:54:16,079
but I could also see it in the vegetated

1209
00:54:23,290 --> 00:54:18,480
if some jerks from the CIA were messing

1210
00:54:28,549 --> 00:54:25,970
let me address something real quickly Mr

1211
00:54:30,170 --> 00:54:28,559
D.B Cooper asks as actual citizens if

1212
00:54:32,210 --> 00:54:30,180
you ever accept the cash payments from

1213
00:54:34,069 --> 00:54:32,220

secure team 10 when his channel was

1214

00:54:37,190 --> 00:54:34,079

called Lions ground investigate that

1215

00:54:40,430 --> 00:54:37,200

Steve boom and uh here's what I'm aware

1216

00:54:42,470 --> 00:54:40,440

of I'm aware that uh I had a

1217

00:54:43,910 --> 00:54:42,480

conversation with uh with Heathcliff

1218

00:54:45,770 --> 00:54:43,920

about this to the best of my

1219

00:54:46,970 --> 00:54:45,780

recollection and I'll check back in with

1220

00:54:51,650 --> 00:54:46,980

him

1221

00:54:54,890 --> 00:54:51,660

PayPal donations

1222

00:54:57,470 --> 00:54:54,900

and he I believe his perception was that

1223

00:55:00,410 --> 00:54:57,480

those donations were a sort of bribe to

1224

00:55:02,510 --> 00:55:00,420

get him to shut up and be nice about all

1225

00:55:04,730 --> 00:55:02,520

the fakes and frauds that he was pushing

1226

00:55:07,670 --> 00:55:04,740

the secure team was pushing into no

1227

00:55:09,410 --> 00:55:07,680

longer cover him but he did keep the

1228

00:55:11,750 --> 00:55:09,420

money and then he kept covering him

1229

00:55:14,210 --> 00:55:11,760

that's my best recollection of it but

1230

00:55:17,990 --> 00:55:14,220

thank you Mr D.B Cooper I will certainly

1231

00:55:21,470 --> 00:55:18,000

check in with him and see if I can get

1232

00:55:24,410 --> 00:55:21,480

further clarification of of that and uh

1233

00:55:29,690 --> 00:55:24,420

thank you for your your kindness uh a

1234

00:55:31,250 --> 00:55:29,700

hundred Mexican thank you so you you I

1235

00:55:32,450 --> 00:55:31,260

had a chance to interview Whitley

1236

00:55:34,549 --> 00:55:32,460

strieber

1237

00:55:36,589 --> 00:55:34,559

and I was a little star struck I will

1238

00:55:39,589 --> 00:55:36,599

admit because I grew up with that book

1239

00:55:41,750 --> 00:55:39,599

and and I had just re-watched the movie

1240

00:55:45,170 --> 00:55:41,760

coincidentally with Christopher Walken

1241

00:55:49,130 --> 00:55:45,180

at my cabin because the power was out

1242

00:55:50,750 --> 00:55:49,140

and uh you know I had the DVD around or

1243

00:55:53,630 --> 00:55:50,760

something and I watched it on the laptop

1244

00:55:56,569 --> 00:55:53,640

and then some weird coincidence he

1245

00:55:58,549 --> 00:55:56,579

happened to contact me about a guest

1246

00:56:00,589 --> 00:55:58,559

that was on my show that he had also had

1247

00:56:02,510 --> 00:56:00,599

some interaction with or something he

1248

00:56:04,250 --> 00:56:02,520

wanted to clarify something that she was

1249

00:56:05,809 --> 00:56:04,260

saying so I asked him for an interview

1250

00:56:08,690 --> 00:56:05,819

and we did the interview and by the way

1251
00:56:10,150 --> 00:56:08,700
I'm gonna do another one with him so you

1252
00:56:13,250 --> 00:56:10,160
know if you have any questions you can

1253
00:56:14,930 --> 00:56:13,260
certainly give them to me off air I I've

1254
00:56:18,589 --> 00:56:14,940
always been fascinated with him but

1255
00:56:22,130 --> 00:56:18,599
equally cautious because before he was

1256
00:56:23,870 --> 00:56:22,140
he made huge you know cultural impact

1257
00:56:25,790 --> 00:56:23,880
with this communion book he was a

1258
00:56:27,950 --> 00:56:25,800
fiction writer and to some extent he

1259
00:56:30,730 --> 00:56:27,960
still is I believe you know he wrote The

1260
00:56:33,950 --> 00:56:30,740
Howling and a bunch of different horror

1261
00:56:36,170 --> 00:56:33,960
novels that were uh got Hollywood deals

1262
00:56:40,730 --> 00:56:36,180
even so I've always been a little

1263
00:56:42,170 --> 00:56:40,740

cautious of him and also I had what can

1264

00:56:45,049 --> 00:56:42,180

only be described as a similar

1265

00:56:47,329 --> 00:56:45,059

experience to him on hallucinogens once

1266

00:56:48,650 --> 00:56:47,339

I thought I was seeing beings I thought

1267

00:56:50,630 --> 00:56:48,660

they were talking at me I thought I was

1268

00:56:51,410 --> 00:56:50,640

seeing multiple species of beings I

1269

00:56:53,690 --> 00:56:51,420

didn't know if they were

1270

00:56:56,690 --> 00:56:53,700

interdimensional and after that

1271

00:56:58,069 --> 00:56:56,700

experience I went maybe somebody dosed

1272

00:56:59,410 --> 00:56:58,079

him you know

1273

00:57:05,030 --> 00:56:59,420

or

1274

00:57:07,190 --> 00:57:05,040

DMT levels which could cause that

1275

00:57:08,690 --> 00:57:07,200

naturally somehow or I mean there's a

1276

00:57:11,809 --> 00:57:08,700

lot more explanations but it is

1277

00:57:14,329 --> 00:57:11,819

interesting that he never he never said

1278

00:57:16,490 --> 00:57:14,339

these were aliens visiting me from

1279

00:57:18,109 --> 00:57:16,500

another planet he just talked about the

1280

00:57:20,510 --> 00:57:18,119

experiences that he had and he didn't

1281

00:57:23,569 --> 00:57:20,520

know he called him the others he called

1282

00:57:25,730 --> 00:57:23,579

them the visitors you know could they be

1283

00:57:27,589 --> 00:57:25,740

interdimensional could they be just he

1284

00:57:30,109 --> 00:57:27,599

even admits they could all have been a

1285

00:57:32,710 --> 00:57:30,119

product of his own mind he's he doesn't

1286

00:57:36,290 --> 00:57:32,720

know you know it's a mystery

1287

00:57:38,630 --> 00:57:36,300

that's uh he's an interesting guy but uh

1288

00:57:41,329 --> 00:57:38,640

always cautious about him as well

1289

00:57:43,490 --> 00:57:41,339

because like after the success of

1290

00:57:46,130 --> 00:57:43,500

communion then he wrote a whole series

1291

00:57:48,049 --> 00:57:46,140

of books and had new experiences to

1292

00:57:49,309 --> 00:57:48,059

write about and I found that a little

1293

00:57:52,130 --> 00:57:49,319

coincidental

1294

00:57:54,950 --> 00:57:52,140

you know it's kind of like uh this other

1295

00:57:56,510 --> 00:57:54,960

person Daniel Brinkley who he wrote a

1296

00:57:59,089 --> 00:57:56,520

very famous book about near-death

1297

00:58:00,829 --> 00:57:59,099

experiences and then what I think when

1298

00:58:02,750 --> 00:58:00,839

that money dried up Suddenly he died

1299

00:58:05,210 --> 00:58:02,760

again and then he wrote another book

1300

00:58:07,370 --> 00:58:05,220

about his second death and I think we're

1301
00:58:08,270 --> 00:58:07,380
up to four times that guy died and wrote

1302
00:58:11,210 --> 00:58:08,280
a book

1303
00:58:12,349 --> 00:58:11,220
so these people are suspect to me and

1304
00:58:14,930 --> 00:58:12,359
you know

1305
00:58:17,410 --> 00:58:14,940
we're on the same page because that's

1306
00:58:20,089 --> 00:58:17,420
something I've noticed about Streep is

1307
00:58:23,569 --> 00:58:20,099
whenever he's becoming sort of

1308
00:58:27,109 --> 00:58:23,579
irrelevant he has convenient memories

1309
00:58:28,549 --> 00:58:27,119
of things that put him back on top in a

1310
00:58:31,010 --> 00:58:28,559
manner of speaking

1311
00:58:32,990 --> 00:58:31,020
so for instance if you remember way back

1312
00:58:35,690 --> 00:58:33,000
when people started reporting that a

1313
00:58:38,150 --> 00:58:35,700

face had been discovered on Mars

1314

00:58:41,750 --> 00:58:38,160

all of a sudden strieber says oh you

1315

00:58:44,690 --> 00:58:41,760

know what I just just remembered I saw

1316

00:58:47,390 --> 00:58:44,700

that face way way way back because I was

1317

00:58:50,809 --> 00:58:47,400

on Mars and I mean I saw it right so

1318

00:58:52,010 --> 00:58:50,819

it's like if you find a way to kind of

1319

00:58:56,750 --> 00:58:52,020

uh

1320

00:59:00,049 --> 00:58:56,760

whatever's hip at the moment

1321

00:59:02,510 --> 00:59:00,059

and so oh one more story though about

1322

00:59:05,030 --> 00:59:02,520

um the CIA connection and whether he was

1323

00:59:06,650 --> 00:59:05,040

really mind control so if you look on

1324

00:59:08,809 --> 00:59:06,660

whatever YouTube

1325

00:59:11,930 --> 00:59:08,819

for a video called something like

1326

00:59:15,410 --> 00:59:11,940

interview with an alien it's allegedly a

1327

00:59:17,150 --> 00:59:15,420

real life video of an actual alien that

1328

00:59:19,130 --> 00:59:17,160

was kept um

1329

00:59:21,230 --> 00:59:19,140

at um

1330

00:59:22,730 --> 00:59:21,240

Area 51

1331

00:59:25,370 --> 00:59:22,740

and

1332

00:59:27,710 --> 00:59:25,380

wouldn't you know it shocks he happened

1333

00:59:29,870 --> 00:59:27,720

the alien happened to die right in the

1334

00:59:33,410 --> 00:59:29,880

middle of shooting that video too bad

1335

00:59:38,329 --> 00:59:33,420

but if you look at them it's obviously a

1336

00:59:41,510 --> 00:59:38,339

puppet I mean it's obviously a pup okay

1337

00:59:43,549 --> 00:59:41,520

but yeah I watched the documentary that

1338

00:59:45,770 --> 00:59:43,559

was made and brought that up and it said

1339

00:59:47,569 --> 00:59:45,780

we contacted Ruby strieber to see if he

1340

00:59:49,970 --> 00:59:47,579

had any thoughts to share about it but

1341

00:59:52,069 --> 00:59:49,980

that he was so freaked out by seeing it

1342

00:59:55,549 --> 00:59:52,079

he couldn't even appear on camera and

1343

00:59:58,250 --> 00:59:55,559

talk about it but that he said if that's

1344

01:00:00,890 --> 00:59:58,260

fake then whoever made it knows how they

1345

01:00:02,930 --> 01:00:00,900

moved and I'm like dude how they move

1346

01:00:04,190 --> 01:00:02,940

that's a [h__\h] and and you're it's

1347

01:00:07,069 --> 01:00:04,200

interesting you're talking about this

1348

01:00:08,809 --> 01:00:07,079

alien interview actually finish the

1349

01:00:11,329 --> 01:00:08,819

thought right there just sure sorry one

1350

01:00:14,089 --> 01:00:11,339

more sentence because it made me realize

1351

01:00:16,490 --> 01:00:14,099

look again this is more mundane than it

1352

01:00:19,309 --> 01:00:16,500

would seem to me it's obvious some CIA

1353

01:00:21,289 --> 01:00:19,319

Spooks were trotting out a puppet and

1354

01:00:23,329 --> 01:00:21,299

making him think he was interacting with

1355

01:00:25,309 --> 01:00:23,339

this visitor and it's really just a

1356

01:00:28,130 --> 01:00:25,319

puppet and the guy is so messed I mean

1357

01:00:30,770 --> 01:00:28,140

it breaks my heart getting so messed up

1358

01:00:32,390 --> 01:00:30,780

in so many different ways now he sees a

1359

01:00:34,190 --> 01:00:32,400

video of a puppet like that that's

1360

01:00:35,870 --> 01:00:34,200

obviously just a puppet and he's so

1361

01:00:38,870 --> 01:00:35,880

freaked out he can't even bring himself

1362

01:00:40,010 --> 01:00:38,880

to you're on camera to discuss it so I'm

1363

01:00:42,710 --> 01:00:40,020

saying that

1364

01:00:44,650 --> 01:00:42,720

this is really just mundane stuff and

1365

01:00:47,390 --> 01:00:44,660

that that we can

1366

01:00:50,329 --> 01:00:47,400

make sense of in terms of what has been

1367

01:00:52,490 --> 01:00:50,339

revealed like NK Ultra is not a some

1368

01:00:55,130 --> 01:00:52,500

kind of wild conspiracy CIA can write

1369

01:00:56,750 --> 01:00:55,140

out and admitted it so again whether

1370

01:00:59,210 --> 01:00:56,760

streamer went through that I don't know

1371

01:01:01,010 --> 01:00:59,220

I'm just saying it fits the bill so go

1372

01:01:04,789 --> 01:01:01,020

ahead uh I was just going to mention

1373

01:01:07,730 --> 01:01:04,799

that that so-called documentary alien

1374

01:01:10,609 --> 01:01:07,740

interview we showed here that the the

1375

01:01:13,370 --> 01:01:10,619

same person that is asking the questions

1376

01:01:16,130 --> 01:01:13,380

to this Victor character in that

1377

01:01:19,130 --> 01:01:16,140

documentary we took the voice disguiser

1378

01:01:22,010 --> 01:01:19,140

off and it's the same person asking and

1379

01:01:24,589 --> 01:01:22,020

answering the questions as the so if the

1380

01:01:26,930 --> 01:01:24,599

whole thing is one big illusion and I

1381

01:01:29,690 --> 01:01:26,940

happen to have done extensive work in

1382

01:01:31,789 --> 01:01:29,700

puppets and I can tell you 100 that's a

1383

01:01:34,670 --> 01:01:31,799

puppet and not even a very good one it's

1384

01:01:37,250 --> 01:01:34,680

not even a very good one no blinkers no

1385

01:01:39,410 --> 01:01:37,260

uh Braille Ridge movement or you know I

1386

01:01:42,589 --> 01:01:39,420

can make a 10 times better alien puppet

1387

01:01:44,750 --> 01:01:42,599

I never have but I know I can because of

1388

01:01:47,390 --> 01:01:44,760

the work that I've done in that industry

1389

01:01:49,609 --> 01:01:47,400

and it's interesting how like these

1390

01:01:50,990 --> 01:01:49,619

things you know but to some people you

1391

01:01:54,049 --> 01:01:51,000

could show them all this evidence that

1392

01:01:55,970 --> 01:01:54,059

it was a big one big fake hoax illusion

1393

01:01:57,770 --> 01:01:55,980

they don't want to they don't want to

1394

01:01:59,809 --> 01:01:57,780

believe it you know they're like no

1395

01:02:01,609 --> 01:01:59,819

that's never been and people run around

1396

01:02:04,190 --> 01:02:01,619

saying that's never been debunked

1397

01:02:06,289 --> 01:02:04,200

there's one guy still to this day Ken

1398

01:02:10,010 --> 01:02:06,299

that has a Facebook page that harasses

1399

01:02:13,569 --> 01:02:10,020

me constantly and he spends every day

1400

01:02:15,530 --> 01:02:13,579

all day and night talking about that one

1401

01:02:18,049 --> 01:02:15,540

documentary claiming nobody ever

1402

01:02:20,089 --> 01:02:18,059

debunked it it's real

1403

01:02:25,430 --> 01:02:22,250

see what I'm saying about streamer in

1404

01:02:27,710 --> 01:02:25,440

particular is I don't have to attempt to

1405

01:02:29,750 --> 01:02:27,720

be a mind reader to know whether he's

1406

01:02:33,410 --> 01:02:29,760

being deceitful or not

1407

01:02:36,650 --> 01:02:33,420

my only point is if it's so obvious that

1408

01:02:38,569 --> 01:02:36,660

it's a puppet but he says wow that's

1409

01:02:41,270 --> 01:02:38,579

really the way they move

1410

01:02:44,390 --> 01:02:41,280

so that doesn't tell me he's interacting

1411

01:02:46,549 --> 01:02:44,400

with um whatever they are it tells me

1412

01:02:49,010 --> 01:02:46,559

he's most likely truly has been mind

1413

01:02:50,990 --> 01:02:49,020

controlled and he was traumatized yeah

1414

01:02:53,109 --> 01:02:51,000

I'm just saying that's a lot more

1415

01:02:56,390 --> 01:02:53,119

mundane explanation that's really

1416

01:02:57,650 --> 01:02:56,400

accessible but now moving on with Trevor

1417

01:02:59,329 --> 01:02:57,660

I mean God you could talk all night

1418

01:03:02,150 --> 01:02:59,339

about him just a couple more points so

1419

01:03:04,190 --> 01:03:02,160

for instance uh the sad heartbreaking

1420

01:03:07,549 --> 01:03:04,200

passing of his wife who he loved

1421

01:03:10,910 --> 01:03:07,559

absolutely dearly right and now all of a

1422

01:03:13,490 --> 01:03:10,920

sudden he has a new stick right which is

1423

01:03:16,730 --> 01:03:13,500

that he wrote one of his books

1424

01:03:18,370 --> 01:03:16,740

which his wife co-authored posthumously

1425

01:03:22,069 --> 01:03:18,380

okay

1426

01:03:26,210 --> 01:03:22,079

posthumously meaning he claims after she

1427

01:03:29,210 --> 01:03:26,220

died she co-wrote a book with him

1428

01:03:31,370 --> 01:03:29,220

okay now uh that's a little far out

1429

01:03:33,349 --> 01:03:31,380

there yeah and I tell you I've heard a

1430

01:03:35,750 --> 01:03:33,359

ghost writing this is ridiculous you

1431

01:03:41,210 --> 01:03:38,809

yeah that that I've never heard that I I

1432

01:03:42,890 --> 01:03:41,220

did not know that about him I would have

1433

01:03:47,150 --> 01:03:42,900

asked him about that like did you write

1434

01:03:51,230 --> 01:03:47,160

a book with you with her then why now

1435

01:03:54,470 --> 01:03:51,240

forget the gray thing now he's got an

1436

01:03:56,390 --> 01:03:54,480

entire New Field of phenomena to claim

1437

01:03:59,210 --> 01:03:56,400

this is my realm now and I get to talk

1438

01:04:01,370 --> 01:03:59,220

all about interaction with the dead and

1439

01:04:04,190 --> 01:04:01,380

that is one of the things that his

1440

01:04:06,289 --> 01:04:04,200

latest speculation about what all this

1441

01:04:08,089 --> 01:04:06,299

has been about all along the others the

1442

01:04:10,910 --> 01:04:08,099

aliens the grays

1443

01:04:15,170 --> 01:04:10,920

his latest speculation and is that it's

1444

01:04:20,510 --> 01:04:18,589

now that takes us in a very interesting

1445

01:04:24,829 --> 01:04:20,520

Direction

1446

01:04:27,470 --> 01:04:24,839

which is when I consider what alleged

1447

01:04:31,309 --> 01:04:27,480

aliens are telling us

1448

01:04:32,650 --> 01:04:31,319

when I consider the experiences people

1449

01:04:36,530 --> 01:04:32,660

have

1450

01:04:39,530 --> 01:04:36,540

contactees the abductees all of that

1451

01:04:41,230 --> 01:04:39,540

it just so happens to coincide with my

1452

01:04:44,390 --> 01:04:41,240

research into what's known as

1453

01:04:47,450 --> 01:04:44,400

transhumanism or posed humanism or

1454

01:04:49,010 --> 01:04:47,460

futurism or H with a plus next to it

1455

01:04:51,230 --> 01:04:49,020

whatever you want to turn

1456

01:04:52,670 --> 01:04:51,240

which is that there's like an Unholy

1457

01:04:55,490 --> 01:04:52,680

Trinity

1458

01:04:58,970 --> 01:04:55,500

you will never look at those issues very

1459

01:05:02,329 --> 01:04:58,980

far before you run into a combination of

1460

01:05:04,849 --> 01:05:02,339

high-tech Evolution and the occult

1461

01:05:07,190 --> 01:05:04,859

can't get away from

1462

01:05:08,950 --> 01:05:07,200

there all the time

1463

01:05:12,049 --> 01:05:08,960

and so

1464

01:05:14,690 --> 01:05:12,059

you're right I've got a kick out of that

1465

01:05:16,730 --> 01:05:14,700

you said that you watched his movie in

1466

01:05:19,730 --> 01:05:16,740

your cabin because

1467

01:05:21,650 --> 01:05:19,740

his initial claim is that he was in his

1468

01:05:24,170 --> 01:05:21,660

meditation room

1469

01:05:25,190 --> 01:05:24,180

in his cabin in Upstate New York and

1470

01:05:27,470 --> 01:05:25,200

that's when he started having

1471

01:05:29,809 --> 01:05:27,480

experiences with these visitors

1472

01:05:31,849 --> 01:05:29,819

of course then later he ends up having

1473

01:05:35,270 --> 01:05:31,859

the convenient memories about his been

1474

01:05:37,309 --> 01:05:35,280

going on ever since childhood whatever

1475

01:05:40,130 --> 01:05:37,319

um and one of his earliest speculation

1476

01:05:41,930 --> 01:05:40,140

is that they were demons and I'm quoting

1477

01:05:44,270 --> 01:05:41,940

his words not mine

1478

01:05:47,990 --> 01:05:44,280

then let me jump over real quick to

1479

01:05:50,329 --> 01:05:48,000

Billy Meyer okay uh the year to get me

1480

01:05:52,789 --> 01:05:50,339

started on that dude and Michael Horn I

1481

01:05:55,910 --> 01:05:52,799

got a history there

1482

01:05:58,549 --> 01:05:55,920

so he claims he had his first aid and

1483

01:06:01,069 --> 01:05:58,559

experiences when he was living in in an

1484

01:06:03,230 --> 01:06:01,079

Ajram in India

1485

01:06:05,390 --> 01:06:03,240

and incidentally to touch upon something

1486

01:06:07,370 --> 01:06:05,400

you mentioned earlier he's one of those

1487

01:06:11,569 --> 01:06:07,380

early hoaxers who took a photograph of

1488

01:06:14,450 --> 01:06:11,579

the sky developed it puts Scotch tape of

1489

01:06:16,609 --> 01:06:14,460

the shape of a cross on in the sky I've

1490

01:06:18,289 --> 01:06:16,619

seen that photo again the photograph and

1491

01:06:20,270 --> 01:06:18,299

claimed that he had this Vision that

1492

01:06:22,670 --> 01:06:20,280

that this cross actually appeared in the

1493

01:06:24,710 --> 01:06:22,680

sky he took a photo of it but okay so

1494

01:06:26,089 --> 01:06:24,720

now we have a meditation room we have an

1495

01:06:29,809 --> 01:06:26,099

ashram

1496

01:06:31,430 --> 01:06:29,819

and then um pretty much you're not going

1497

01:06:33,710 --> 01:06:31,440

to get very far into any of these

1498

01:06:36,529 --> 01:06:33,720

stories if you poke hard enough until

1499

01:06:38,750 --> 01:06:36,539

you find occultism somehow involved and

1500

01:06:44,210 --> 01:06:38,760

I'll give you an another example that

1501

01:06:50,990 --> 01:06:48,589

too that's talking about uh documents

1502

01:06:52,430 --> 01:06:51,000

that the government has okay yes let's

1503

01:06:54,349 --> 01:06:52,440

get those that's important he's talking

1504

01:06:56,510 --> 01:06:54,359

about free energy well that's important

1505

01:06:59,870 --> 01:06:56,520

he's talking about pollution yeah and

1506

01:07:01,970 --> 01:06:59,880

I'm like okay man I got you

1507

01:07:04,490 --> 01:07:01,980

excuse me I'm like okay this guy's

1508

01:07:06,410 --> 01:07:04,500

saying really good important stuff that

1509

01:07:08,450 --> 01:07:06,420

we really need to pay attention to and

1510

01:07:10,309 --> 01:07:08,460

all of a sudden he's like hey and if you

1511

01:07:11,930 --> 01:07:10,319

plug down a couple Grand you can join

1512

01:07:16,309 --> 01:07:11,940

with us in the middle of the woods or

1513

01:07:19,089 --> 01:07:16,319

whatever and and partake in open rituals

1514

01:07:21,829 --> 01:07:19,099

to Summon Aliens

1515

01:07:25,370 --> 01:07:21,839

wait a minute what just happened here

1516

01:07:28,609 --> 01:07:25,380

right so there it is again

1517

01:07:31,309 --> 01:07:28,619

um another example uh Sean Stone right

1518

01:07:34,569 --> 01:07:31,319

Oliver Stone's son he was on that show

1519

01:07:37,490 --> 01:07:34,579

with uh Jesse Ventura conspiracy theory

1520

01:07:39,829 --> 01:07:37,500

podcast now yeah he's he's picking the

1521

01:07:42,349 --> 01:07:39,839

podcast now his podcast is doing very

1522

01:07:44,690 --> 01:07:42,359

well actually so there's an episode

1523

01:07:47,630 --> 01:07:44,700

where they go to Skinwalker Ranch

1524

01:07:49,370 --> 01:07:47,640

they're there at night and all of a

1525

01:07:51,710 --> 01:07:49,380

sudden Sean is kind of going like this

1526

01:07:53,809 --> 01:07:51,720

you know very quiet and they're like

1527

01:07:59,710 --> 01:07:53,819

Sean are you okay what's going on and he

1528

01:08:06,410 --> 01:08:02,630

this is supposed to be a show about you

1529

01:08:08,809 --> 01:08:06,420

guys researching UFOs and aliens

1530

01:08:11,089 --> 01:08:08,819

and all of a sudden you're partaking in

1531

01:08:13,609 --> 01:08:11,099

an occult ritual of summoning Spirits

1532

01:08:16,130 --> 01:08:13,619

why I'm telling you it's it's

1533

01:08:18,410 --> 01:08:16,140

unavoidable it's completely unavoidable

1534

01:08:20,630 --> 01:08:18,420

that if you poke enough

1535

01:08:23,689 --> 01:08:20,640

at any of these stories you're gonna

1536

01:08:26,269 --> 01:08:23,699

find uh some level of occultism and I

1537

01:08:28,130 --> 01:08:26,279

know that's such a broad term but you

1538

01:08:29,450 --> 01:08:28,140

see by my examples what I mean and I

1539

01:08:32,390 --> 01:08:29,460

could keep going and I could keep going

1540

01:08:35,329 --> 01:08:32,400

and I could keep going with examples

1541

01:08:37,070 --> 01:08:35,339

and the issue with high tech and

1542

01:08:40,070 --> 01:08:37,080

evolution again we talked about

1543

01:08:42,289 --> 01:08:40,080

Evolution earlier it's about how well in

1544

01:08:43,910 --> 01:08:42,299

the future by golly we're going to end

1545

01:08:46,370 --> 01:08:43,920

up or they're going to end up super

1546

01:08:47,209 --> 01:08:46,380

smart and that'll grow bigger heads and

1547

01:08:49,729 --> 01:08:47,219

then

1548

01:08:51,970 --> 01:08:49,739

uh the high-tech issue to me is

1549

01:08:54,289 --> 01:08:51,980

fascinating because for some odd reason

1550

01:08:57,169 --> 01:08:54,299

there's what I would say is a

1551

01:08:59,990 --> 01:08:57,179

non-sequitur between

1552

01:09:03,410 --> 01:09:00,000

um high-tech and alleged High

1553

01:09:05,390 --> 01:09:03,420

spirituality so it's like because these

1554

01:09:08,410 --> 01:09:05,400

aliens are good engineers and good

1555

01:09:11,749 --> 01:09:08,420

pilots and they're able to travel here

1556

01:09:16,130 --> 01:09:11,759

therefore we should listen to their uh

1557

01:09:18,229 --> 01:09:16,140

spiritual messages well why why assume

1558

01:09:20,950 --> 01:09:18,239

that they have the uh together any

1559

01:09:23,749 --> 01:09:20,960

better than us I mean if our astronauts

1560

01:09:25,610 --> 01:09:23,759

landed on a populated planet

1561

01:09:26,990 --> 01:09:25,620

is the fact that they're good engineers

1562

01:09:29,809 --> 01:09:27,000

and good Pilots

1563

01:09:32,749 --> 01:09:29,819

qualify them to to speak on terms of

1564

01:09:35,090 --> 01:09:32,759

theology I mean and why are aliens now

1565

01:09:37,669 --> 01:09:35,100

and one one could argue that there could

1566

01:09:40,249 --> 01:09:37,679

be Advanced civilizations out there that

1567

01:09:42,289 --> 01:09:40,259

have all but abandoned religion and

1568

01:09:43,729 --> 01:09:42,299

spirituality in favor of Technology

1569

01:09:46,490 --> 01:09:43,739

being

1570

01:09:49,370 --> 01:09:46,500

all they care about you know at some

1571

01:09:51,229 --> 01:09:49,380

point and they don't have any views on

1572

01:09:53,269 --> 01:09:51,239

afterlife or anything like that they're

1573

01:09:55,370 --> 01:09:53,279

just concerned with right now and

1574

01:09:57,470 --> 01:09:55,380

technology so yeah I've always wondered

1575

01:09:59,330 --> 01:09:57,480

that too and it always seems to me that

1576

01:10:01,130 --> 01:09:59,340

these UFO gurus

1577

01:10:04,310 --> 01:10:01,140

it seems like they've run out of money

1578

01:10:06,229 --> 01:10:04,320

or they run out of uh victims you know

1579

01:10:07,610 --> 01:10:06,239

and they need to broaden the tent so

1580

01:10:09,950 --> 01:10:07,620

suddenly they're getting spiritual

1581

01:10:12,290 --> 01:10:09,960

messages from the aliens and they pull

1582

01:10:14,570 --> 01:10:12,300

in the crystal I call them the crystal

1583

01:10:16,250 --> 01:10:14,580

hippie [h__h] but I mean no offense you

1584

01:10:19,130 --> 01:10:16,260

know the crystal happy kind of people

1585

01:10:21,229 --> 01:10:19,140

and you know love and light and and this

1586

01:10:23,290 --> 01:10:21,239

and that and and it does it seems to be

1587

01:10:25,790 --> 01:10:23,300

all intertwined Billy Meyer did it

1588

01:10:28,189 --> 01:10:25,800

Stephen Greer certainly doing it

1589

01:10:29,990 --> 01:10:28,199

bringing in this transcend what he's

1590

01:10:31,729 --> 01:10:30,000

selling is really Transcendental

1591

01:10:34,430 --> 01:10:31,739

Meditation if you look into it and

1592

01:10:37,729 --> 01:10:34,440

that's free you shouldn't be paying

1593

01:10:39,590 --> 01:10:37,739

somebody for that and they all bring in

1594

01:10:43,669 --> 01:10:39,600

spirituality Corey good did it David

1595

01:10:45,590 --> 01:10:43,679

Wilcox does it yeah I mean it's all it's

1596

01:10:49,250 --> 01:10:45,600

all the same incidentally

1597

01:10:52,010 --> 01:10:49,260

why is it that there's people who claim

1598

01:10:53,450 --> 01:10:52,020

that they Channel aliens okay just stop

1599

01:10:56,090 --> 01:10:53,460

there a second they claim that they

1600

01:10:57,950 --> 01:10:56,100

Channel aliens which is very convenient

1601

01:11:00,050 --> 01:10:57,960

because now you don't have to see

1602

01:11:02,030 --> 01:11:00,060

anything you don't have to see an alien

1603

01:11:04,070 --> 01:11:02,040

you don't have to see a UFO nothing you

1604

01:11:08,090 --> 01:11:04,080

can just claim hey our Channel aliens

1605

01:11:09,229 --> 01:11:08,100

but why is it their shtick is exactly

1606

01:11:11,209 --> 01:11:09,239

the same

1607

01:11:14,630 --> 01:11:11,219

as the people who claim that they're

1608

01:11:16,910 --> 01:11:14,640

psychics who channeled dead humans why

1609

01:11:19,010 --> 01:11:16,920

is it the same exact stick

1610

01:11:21,649 --> 01:11:19,020

I mean yeah and they're always with a

1611

01:11:24,590 --> 01:11:21,659

funny voice or something you know like

1612

01:11:26,270 --> 01:11:24,600

they or you know an American Channeler

1613

01:11:29,149 --> 01:11:26,280

will suddenly have an English bad

1614

01:11:31,310 --> 01:11:29,159

English accent or vice versa you know

1615

01:11:33,950 --> 01:11:31,320

why why do aliens always sound like uh

1616

01:11:34,970 --> 01:11:33,960

bad James Bond villains

1617

01:11:39,050 --> 01:11:34,980

yeah

1618

01:11:41,510 --> 01:11:39,060

thing about channeling that I will say

1619

01:11:44,330 --> 01:11:41,520

though is that I have a friend who's

1620

01:11:46,729 --> 01:11:44,340

deeply deeply into the Urantia book and

1621

01:11:49,310 --> 01:11:46,739

it turned his whole life around uh Ken

1622

01:11:51,830 --> 01:11:49,320

he was like a drug addict and a mess and

1623

01:11:54,890 --> 01:11:51,840

a criminal he was a terrible human being

1624

01:11:59,209 --> 01:11:54,900

and he got a hold of the Urantia book in

1625

01:12:02,030 --> 01:11:59,219

prison and now he he is a good father a

1626

01:12:04,970 --> 01:12:02,040

provider a business owner he is very

1627

01:12:07,610 --> 01:12:04,980

spiritual he's very forgiving he's very

1628

01:12:10,669 --> 01:12:07,620

generous and loving kind of a person

1629

01:12:12,410 --> 01:12:10,679

and regardless of what I think of

1630

01:12:14,649 --> 01:12:12,420

channeling the Urantia book is a

1631

01:12:17,149 --> 01:12:14,659

channeled work but for some people

1632

01:12:20,030 --> 01:12:17,159

there's something in that channeling

1633

01:12:22,610 --> 01:12:20,040

that appeals to them or or is able to

1634

01:12:25,010 --> 01:12:22,620

help them become a better person so I

1635

01:12:27,169 --> 01:12:25,020

don't I always am cautious to just throw

1636

01:12:30,229 --> 01:12:27,179

channeling into the trash

1637

01:12:32,510 --> 01:12:30,239

because you know who knows and of course

1638

01:12:34,550 --> 01:12:32,520

being a Biblical scholar you know that

1639

01:12:37,070 --> 01:12:34,560

some people might claim that parts of

1640

01:12:39,470 --> 01:12:37,080

the Bible were channeled from God so who

1641

01:12:43,070 --> 01:12:39,480

knows but these uh profiteering

1642

01:12:45,290 --> 01:12:43,080

channelers my favorite is this uh Bashar

1643

01:12:47,390 --> 01:12:45,300

who put all of his stuff behind a

1644

01:12:49,370 --> 01:12:47,400

paywall because that's exactly what a

1645

01:12:52,250 --> 01:12:49,380

super Advanced extraterrestrial would

1646

01:12:54,410 --> 01:12:52,260

want him to do take those lovely

1647

01:12:57,110 --> 01:12:54,420

spiritual teachings that are supposed to

1648

01:13:00,050 --> 01:12:57,120

help all of humanity and put them behind

1649

01:13:03,310 --> 01:13:00,060

a paywall so you have to pay to get a

1650

01:13:06,290 --> 01:13:03,320

hold of them and pay to to get the the

1651
01:13:08,149 --> 01:13:06,300
aliens wisdom somehow you know it

1652
01:13:10,729 --> 01:13:08,159
doesn't make any sense

1653
01:13:12,709 --> 01:13:10,739
so sometimes it's when a person

1654
01:13:15,050 --> 01:13:12,719
encounters the concept that there is

1655
01:13:17,810 --> 01:13:15,060
something bigger than them

1656
01:13:19,610 --> 01:13:17,820
right it makes them recognize wow what

1657
01:13:21,950 --> 01:13:19,620
I'm dealing with in my mundane little

1658
01:13:23,810 --> 01:13:21,960
life has to be all that much more

1659
01:13:25,970 --> 01:13:23,820
important because I'm part of the bigger

1660
01:13:28,010 --> 01:13:25,980
thing right and maybe that bigger thing

1661
01:13:30,530 --> 01:13:28,020
is a whole deception but it still has

1662
01:13:34,010 --> 01:13:30,540
that meaning to them right

1663
01:13:35,750 --> 01:13:34,020

um but so let me take us in a from where

1664

01:13:37,970 --> 01:13:35,760

we started at the beginning of this a

1665

01:13:40,250 --> 01:13:37,980

gigantic circumlocution all the way back

1666

01:13:42,709 --> 01:13:40,260

to that and and mentioned one thing that

1667

01:13:45,890 --> 01:13:42,719

I think is very important so as you

1668

01:13:48,290 --> 01:13:45,900

listen to alleged messages from supposed

1669

01:13:53,030 --> 01:13:48,300

aliens

1670

01:13:55,729 --> 01:13:53,040

um if you break them down right if you

1671

01:13:57,050 --> 01:13:55,739

kind of get the core of what they're

1672

01:13:58,790 --> 01:13:57,060

telling us

1673

01:14:01,610 --> 01:13:58,800

and you cut through all the fluff and

1674

01:14:04,250 --> 01:14:01,620

puff and there's just tons of fluff and

1675

01:14:07,850 --> 01:14:04,260

puffs it's for some reason most aliens

1676

01:14:11,990 --> 01:14:10,370

I realized they're really telling us

1677

01:14:15,350 --> 01:14:12,000

three main messages

1678

01:14:17,810 --> 01:14:15,360

three main things and my issue with them

1679

01:14:18,890 --> 01:14:17,820

isn't that I disagree with those three

1680

01:14:19,550 --> 01:14:18,900

things

1681

01:14:21,470 --> 01:14:19,560

um

1682

01:14:24,530 --> 01:14:21,480

is that

1683

01:14:27,770 --> 01:14:24,540

their solution is my problem but one

1684

01:14:29,450 --> 01:14:27,780

thing is hey you humans are polluting to

1685

01:14:31,669 --> 01:14:29,460

Europe you're destroying the planet okay

1686

01:14:34,669 --> 01:14:31,679

yeah absolutely I'm down with you on

1687

01:14:37,550 --> 01:14:34,679

that one that's a huge problem gotcha

1688

01:14:40,370 --> 01:14:37,560

you humans are constantly fighting each

1689

01:14:42,169 --> 01:14:40,380

other warring over politics and treat a

1690

01:14:44,090 --> 01:14:42,179

country and even in fighting yeah

1691

01:14:47,750 --> 01:14:44,100

absolutely I'm down with you brother

1692

01:14:49,669 --> 01:14:47,760

yeah uh you humans are constantly

1693

01:14:53,030 --> 01:14:49,679

warning each other over your religious

1694

01:14:55,370 --> 01:14:53,040

you know theology this and that okay yep

1695

01:14:57,890 --> 01:14:55,380

down without gotcha like I'm telling you

1696

01:15:00,169 --> 01:14:57,900

all three I'm like yep I got you I'm on

1697

01:15:01,669 --> 01:15:00,179

board with you aliens but then they say

1698

01:15:03,770 --> 01:15:01,679

that here's the solution

1699

01:15:06,050 --> 01:15:03,780

you got to form a one world government

1700

01:15:08,149 --> 01:15:06,060

and a one-word religion and you need to

1701

01:15:11,570 --> 01:15:08,159

worship the Earth as the living entity

1702

01:15:14,870 --> 01:15:11,580

or whatever and it's like oh well that's

1703

01:15:17,330 --> 01:15:14,880

that's a little strange how come uh in

1704

01:15:18,950 --> 01:15:17,340

the Bible Romans chapter one and

1705

01:15:22,189 --> 01:15:18,960

especially the whole book of Revelation

1706

01:15:24,470 --> 01:15:22,199

how come those are exactly the type of

1707

01:15:26,570 --> 01:15:24,480

things that we're being told that the

1708

01:15:30,229 --> 01:15:26,580

quote unquote Antichrist figure is going

1709

01:15:33,610 --> 01:15:30,239

to be doing how come that just just so

1710

01:15:37,490 --> 01:15:33,620

happens to match up so perfectly right

1711

01:15:39,890 --> 01:15:37,500

yeah and and it's always like love and

1712

01:15:43,070 --> 01:15:39,900

light and profit though to me many of

1713

01:15:44,630 --> 01:15:43,080

these people you know uh it's the same

1714

01:15:46,370 --> 01:15:44,640

reason why I have a problem with people

1715

01:15:48,110 --> 01:15:46,380

who claim they have superpowers you know

1716

01:15:50,510 --> 01:15:48,120

Ken there's a reason that Faith healers

1717

01:15:52,550 --> 01:15:50,520

don't work in children's hospitals and

1718

01:15:55,189 --> 01:15:52,560

psychics never win the lottery it's

1719

01:15:58,070 --> 01:15:55,199

deception and you know I I don't know

1720

01:15:59,870 --> 01:15:58,080

but it's interesting that you think so

1721

01:16:02,450 --> 01:15:59,880

you think that a lot of this alien stuff

1722

01:16:06,290 --> 01:16:02,460

is intertwined with the occult and with

1723

01:16:09,410 --> 01:16:06,300

maybe other spiritual Realms some people

1724

01:16:11,950 --> 01:16:09,420

believe that the UFOs are all demonic

1725

01:16:18,649 --> 01:16:16,450

because in your um one of the uh

1726

01:16:21,169 --> 01:16:18,659

celebratory shows you did you were

1727

01:16:22,610 --> 01:16:21,179

celebrating some Milestone and I

1728

01:16:24,950 --> 01:16:22,620

remember you mentioned that you were

1729

01:16:26,390 --> 01:16:24,960

actually poo pooing it that there are

1730

01:16:29,209 --> 01:16:26,400

those Christians who say it's all

1731

01:16:31,729 --> 01:16:29,219

demonic but what I'm saying isn't just

1732

01:16:33,470 --> 01:16:31,739

like the you know Saturday Night Live TV

1733

01:16:35,110 --> 01:16:33,480

show church lady oh I don't know it

1734

01:16:38,090 --> 01:16:35,120

could be Satan

1735

01:16:42,229 --> 01:16:38,100

I remember that yeah

1736

01:16:45,169 --> 01:16:42,239

I'm not just saying let's just slap the

1737

01:16:46,970 --> 01:16:45,179

label demonic on it and be done with it

1738

01:16:49,669 --> 01:16:46,980

but I'm saying that there's reasons for

1739

01:16:51,410 --> 01:16:49,679

it one of the reasons is some of the

1740

01:16:54,410 --> 01:16:51,420

examples I gave

1741

01:16:56,570 --> 01:16:54,420

you cannot get away from the occult when

1742

01:16:59,290 --> 01:16:56,580

you're looking at this stuff closely

1743

01:17:02,990 --> 01:16:59,300

enough and deep enough it's absolutely

1744

01:17:04,490 --> 01:17:03,000

everywhere period we'll stop and I could

1745

01:17:07,370 --> 01:17:04,500

like I said I could keep giving you

1746

01:17:09,470 --> 01:17:07,380

example after example so that's just

1747

01:17:12,350 --> 01:17:09,480

there it's not me making it up it's

1748

01:17:18,770 --> 01:17:15,290

um so again remember how we categorize

1749

01:17:20,990 --> 01:17:18,780

the phenomena so could I say all UFO

1750

01:17:23,030 --> 01:17:21,000

phenomena is Demons of course not

1751
01:17:25,010 --> 01:17:23,040
because we already talked about how

1752
01:17:27,950 --> 01:17:25,020
sometimes we're talking about secret

1753
01:17:31,010 --> 01:17:27,960
technology that the government black uh

1754
01:17:32,750 --> 01:17:31,020
Black Ops a three-dimensional Nuts and

1755
01:17:36,290 --> 01:17:32,760
Bolts

1756
01:17:39,290 --> 01:17:36,300
um wine craft or drones or whatever so

1757
01:17:41,450 --> 01:17:39,300
no uh that's why it's important to do

1758
01:17:43,550 --> 01:17:41,460
what we did at the outset

1759
01:17:45,229 --> 01:17:43,560
and can I say it's all demonic well

1760
01:17:47,450 --> 01:17:45,239
again no because

1761
01:17:49,610 --> 01:17:47,460
maybe people were hallucinating maybe

1762
01:17:51,709 --> 01:17:49,620
dreaming maybe seeing a delusion or

1763
01:17:53,990 --> 01:17:51,719

Illusion or just making up stuff because

1764

01:17:57,229 --> 01:17:54,000

they were really scared by a movie or TV

1765

01:17:59,450 --> 01:17:57,239

show so again but is there an aspect of

1766

01:18:01,910 --> 01:17:59,460

it that's demonic I don't see how we

1767

01:18:04,070 --> 01:18:01,920

could possibly get away with it just

1768

01:18:07,550 --> 01:18:04,080

away from it I mean

1769

01:18:09,890 --> 01:18:07,560

it's literally inevitable I mean and

1770

01:18:12,110 --> 01:18:09,900

then demonic forces are deceptive right

1771

01:18:14,149 --> 01:18:12,120

they will pretend to be Angels or dead

1772

01:18:15,830 --> 01:18:14,159

relatives why would they not pretend to

1773

01:18:18,050 --> 01:18:15,840

be aliens if they thought that that

1774

01:18:20,330 --> 01:18:18,060

would help whatever the cause was

1775

01:18:23,590 --> 01:18:20,340

so a very simple term that a lot of

1776

01:18:25,850 --> 01:18:23,600

people can understand is a trickster

1777

01:18:28,970 --> 01:18:25,860

spirit and it's just like you said

1778

01:18:31,130 --> 01:18:28,980

earlier maybe in one generation in one

1779

01:18:33,649 --> 01:18:31,140

culture they were saying hey we're elves

1780

01:18:37,310 --> 01:18:33,659

oh we're gnomes oh were you dead

1781

01:18:39,370 --> 01:18:37,320

relatives oh we're whatever demons we're

1782

01:18:43,130 --> 01:18:39,380

Angels we're aliens

1783

01:18:45,050 --> 01:18:43,140

just change their uh it is almost like a

1784

01:18:46,490 --> 01:18:45,060

Russian doll it's like you you keep

1785

01:18:49,130 --> 01:18:46,500

going and going and there's a difference

1786

01:18:50,510 --> 01:18:49,140

to the skin yeah change their appearance

1787

01:18:53,330 --> 01:18:50,520

but I'm saying that there's something

1788

01:18:55,070 --> 01:18:53,340

there is inevitable and now let's say

1789

01:18:57,050 --> 01:18:55,080

that somebody says yeah well I don't

1790

01:18:58,669 --> 01:18:57,060

believe in all this demonic stuff it

1791

01:19:01,310 --> 01:18:58,679

doesn't really matter because what I'm

1792

01:19:03,229 --> 01:19:01,320

saying is that the category exists

1793

01:19:05,330 --> 01:19:03,239

it doesn't really matter that you don't

1794

01:19:07,370 --> 01:19:05,340

think it's real what I'm saying is that

1795

01:19:10,850 --> 01:19:07,380

the experiences that are being reported

1796

01:19:13,010 --> 01:19:10,860

to US are categorizable as such

1797

01:19:15,470 --> 01:19:13,020

and and that there are people who

1798

01:19:18,229 --> 01:19:15,480

believe that is what's going on to the

1799

01:19:19,490 --> 01:19:18,239

point like I said that after all these

1800

01:19:22,610 --> 01:19:19,500

decades

1801

01:19:24,950 --> 01:19:22,620

streamers saying this whole thing is

1802

01:19:28,130 --> 01:19:24,960

really about interacting with the Dead

1803

01:19:31,189 --> 01:19:28,140

okay I mean there you have it

1804

01:19:32,270 --> 01:19:31,199

it's again it's inevitable

1805

01:19:34,850 --> 01:19:32,280

it's never

1806

01:19:38,570 --> 01:19:34,860

yeah or or maybe he needed something new

1807

01:19:40,790 --> 01:19:38,580

to sell like a new angle I remembered uh

1808

01:19:43,729 --> 01:19:40,800

from uh pop culture that I found

1809

01:19:44,990 --> 01:19:43,739

fascinating remember the reboot of the

1810

01:19:46,669 --> 01:19:45,000

show V

1811

01:19:49,490 --> 01:19:46,679

yeah it was very short-lived

1812

01:19:51,410 --> 01:19:49,500

unfortunately yeah I was so disappointed

1813

01:19:54,470 --> 01:19:51,420

they cut that because I was a huge fan

1814

01:19:56,510 --> 01:19:54,480

of the original show and in fact I I got

1815

01:19:58,729 --> 01:19:56,520

a DVD collection of the whole original

1816

01:20:00,410 --> 01:19:58,739

show and all the movies and I can't wait

1817

01:20:02,890 --> 01:20:00,420

to watch the whole thing again feel like

1818

01:20:05,750 --> 01:20:02,900

I'm you know a kid again

1819

01:20:08,450 --> 01:20:05,760

now the reboot

1820

01:20:10,270 --> 01:20:08,460

towards when it got canceled at the very

1821

01:20:13,910 --> 01:20:10,280

end the aliens

1822

01:20:16,870 --> 01:20:13,920

built a machine that would extract the

1823

01:20:20,030 --> 01:20:16,880

soul from human beings

1824

01:20:23,689 --> 01:20:20,040

yeah I remember that yeah like whether

1825

01:20:27,350 --> 01:20:23,699

it's a supposed real experience whether

1826

01:20:30,350 --> 01:20:27,360

it's just sci-fi whatever it is how come

1827

01:20:32,890 --> 01:20:30,360

you can't get away from the occult no

1828

01:20:34,970 --> 01:20:32,900

matter where it's coming from it's there

1829

01:20:37,669 --> 01:20:34,980

right there

1830

01:20:39,649 --> 01:20:37,679

yeah and and there were certainly maybe

1831

01:20:41,630 --> 01:20:39,659

some people would think there's some

1832

01:20:43,910 --> 01:20:41,640

kind of connection with reptilian aliens

1833

01:20:47,209 --> 01:20:43,920

and demonic entities you know the

1834

01:20:50,330 --> 01:20:47,219

serpent the symbology is very similar

1835

01:20:52,250 --> 01:20:50,340

you know it's always fascinated me that

1836

01:20:55,070 --> 01:20:52,260

the that the reptilians are always

1837

01:20:57,530 --> 01:20:55,080

depicted as like the bad guy aliens

1838

01:20:59,930 --> 01:20:57,540

you know the adversary

1839

01:21:01,790 --> 01:20:59,940

right maybe that's not a coincidence who

1840

01:21:03,709 --> 01:21:01,800

knows you know but apparently there are

1841

01:21:06,950 --> 01:21:03,719

people in government convinced that the

1842

01:21:08,870 --> 01:21:06,960

UFOs are demonic some Evangelical

1843

01:21:10,370 --> 01:21:08,880

senators or something that don't want

1844

01:21:12,530 --> 01:21:10,380

people studying them because they're

1845

01:21:15,590 --> 01:21:12,540

demonic in nature I remember

1846

01:21:18,470 --> 01:21:15,600

encountering that and and you know what

1847

01:21:20,870 --> 01:21:18,480

okay when you think of so many examples

1848

01:21:23,630 --> 01:21:20,880

you end up going from us those are just

1849

01:21:25,790 --> 01:21:23,640

a bunch of idiot Bible Thumpers to going

1850

01:21:32,510 --> 01:21:25,800

oh wait a minute gosh maybe they're on

1851

01:21:36,890 --> 01:21:34,850

you're muted Stephen

1852

01:21:39,169 --> 01:21:36,900

pretty interesting about the cultural

1853

01:21:41,270 --> 01:21:39,179

connections to to the occult because a

1854

01:21:44,330 --> 01:21:41,280

lot of people don't realize like Jack

1855

01:21:46,610 --> 01:21:44,340

Parsons was huge into the occult rocket

1856

01:21:49,010 --> 01:21:46,620

scientist and many

1857

01:21:51,370 --> 01:21:49,020

things of NASA all use all kinds of

1858

01:21:54,649 --> 01:21:51,380

weird ancient symbology

1859

01:21:57,890 --> 01:21:54,659

references and why do they do that just

1860

01:22:01,130 --> 01:21:57,900

to be mysterious or what now that's very

1861

01:22:03,709 --> 01:22:01,140

interesting so take for instance why do

1862

01:22:07,130 --> 01:22:03,719

so many of these aliens use the names of

1863

01:22:10,330 --> 01:22:07,140

ancient gods goddesses demons or

1864

01:22:12,590 --> 01:22:10,340

whatever like example the ashtar command

1865

01:22:15,890 --> 01:22:12,600

obviously Ishtar

1866

01:22:17,350 --> 01:22:15,900

okay or one of my favorites again back

1867

01:22:20,090 --> 01:22:17,360

to Billy Meyer

1868

01:22:23,390 --> 01:22:20,100

I feel like Meyer's your favorite

1869

01:22:25,610 --> 01:22:23,400

one of my favorites oh geez I had my

1870

01:22:27,830 --> 01:22:25,620

whole history with those guys oh I know

1871

01:22:30,110 --> 01:22:27,840

me too I mean uh yeah if you post

1872

01:22:32,350 --> 01:22:30,120

anything anywhere online about Meyer

1873

01:22:34,790 --> 01:22:32,360

Michael Horn's gonna come and contact

1874

01:22:38,169 --> 01:22:34,800

don't don't say his name out loud

1875

01:22:41,510 --> 01:22:38,179

because he'll hear us

1876

01:22:44,689 --> 01:22:41,520

stupid he'll come here and start calling

1877

01:22:47,450 --> 01:22:44,699

me stupid and you know

1878

01:22:49,550 --> 01:22:47,460

he told me is that what I posted a

1879

01:22:52,130 --> 01:22:49,560

series of articles that I had that ended

1880

01:22:54,470 --> 01:22:52,140

up uh turning into part of the book and

1881

01:22:56,030 --> 01:22:54,480

he contacted me and told me what I wrote

1882

01:22:58,910 --> 01:22:56,040

was so bad he couldn't even bring

1883

01:23:01,130 --> 01:22:58,920

himself to respond to it so I took it as

1884

01:23:02,930 --> 01:23:01,140

a compliment right yeah that's part of

1885

01:23:05,510 --> 01:23:02,940

his tactics he tells you how dumb you

1886

01:23:07,430 --> 01:23:05,520

are you know

1887

01:23:10,630 --> 01:23:07,440

um so one of the Billy Meyer's main

1888

01:23:13,689 --> 01:23:10,640

contacts is sinyaza right

1889

01:23:17,390 --> 01:23:13,699

okay now you look at the uh

1890

01:23:20,209 --> 01:23:17,400

pseudopographic second temple era book

1891

01:23:22,490 --> 01:23:20,219

uh known as first Enoch or ethiopic

1892

01:23:29,770 --> 01:23:22,500

Enoch and what is the name of one of the

1893

01:23:36,130 --> 01:23:33,430

it's unbelievable it's just unbelievable

1894

01:23:41,649 --> 01:23:36,140

yeah

1895

01:23:44,390 --> 01:23:41,659

street no

1896

01:23:46,250 --> 01:23:44,400

and they always make themselves the hero

1897

01:23:49,430 --> 01:23:46,260

of the stabilitymeyer is a huge hero

1898

01:23:53,110 --> 01:23:49,440

he's bringing these messages to uh

1899

01:23:55,850 --> 01:23:53,120

you know to to the world and and

1900

01:23:58,910 --> 01:23:55,860

Jesus was an alien now according to him

1901

01:24:02,209 --> 01:23:58,920

and all kinds of just crazy it gets but

1902

01:24:02,990 --> 01:24:02,219

you're right horn is is ridiculous and

1903

01:24:04,970 --> 01:24:03,000

uh

1904

01:24:06,890 --> 01:24:04,980

I think he's mentally unstable

1905

01:24:10,550 --> 01:24:06,900

somebody's saying Michael Horn was the

1906

01:24:12,290 --> 01:24:10,560

angry elf yeah he he uh and they do the

1907

01:24:14,209 --> 01:24:12,300

same thing they have this pattern where

1908

01:24:16,189 --> 01:24:14,219

they go to a show and then if the show

1909

01:24:19,010 --> 01:24:16,199

is at all critical of them or their

1910

01:24:20,689 --> 01:24:19,020

claims then you get harassed by a

1911

01:24:22,250 --> 01:24:20,699

hundred different cult members or maybe

1912

01:24:25,189 --> 01:24:22,260

Michael Horn with a hundred different

1913

01:24:27,350 --> 01:24:25,199

accounts who knows for months and months

1914

01:24:29,750 --> 01:24:27,360

and months and months it's just crazy

1915

01:24:32,390 --> 01:24:29,760

you know

1916

01:24:33,950 --> 01:24:32,400

did you have a similar experience he

1917

01:24:35,870 --> 01:24:33,960

came after you because you wrote a not

1918

01:24:38,390 --> 01:24:35,880

so kind article about the Billy Meyer

1919

01:24:41,030 --> 01:24:38,400

thing I wouldn't say it was unkind I

1920

01:24:44,330 --> 01:24:41,040

mean I was just unpacking uh The Story

1921

01:24:47,149 --> 01:24:44,340

So like um

1922

01:24:48,890 --> 01:24:47,159

um yeah it's part of the book now but I

1923

01:24:50,510 --> 01:24:48,900

was just saying you know he's sort of

1924

01:24:54,290 --> 01:24:50,520

like uh

1925

01:24:56,149 --> 01:24:54,300

uh supposed a Buddha figure because the

1926

01:24:58,430 --> 01:24:56,159

story of the Buddha is that he meditated

1927

01:25:00,290 --> 01:24:58,440

under this tree long enough and gained

1928

01:25:02,689 --> 01:25:00,300

Enlightenment but the other story about

1929

01:25:04,910 --> 01:25:02,699

him is that as soon as he was born he

1930

01:25:07,430 --> 01:25:04,920

actually was able to walk and he

1931

01:25:08,930 --> 01:25:07,440

declared his Enlightenment and it's the

1932

01:25:11,330 --> 01:25:08,940

same thing with Meyer and the same thing

1933

01:25:13,430 --> 01:25:11,340

with Streep they start by saying hey

1934

01:25:15,649 --> 01:25:13,440

at a certain point in my life when I was

1935

01:25:18,110 --> 01:25:15,659

a few decades old I had an experience in

1936

01:25:20,090 --> 01:25:18,120

them conveniently I'm going to repackage

1937

01:25:22,610 --> 01:25:20,100

my story and say it goes way way way

1938

01:25:25,370 --> 01:25:22,620

back to childhood

1939

01:25:28,610 --> 01:25:25,380

so you have like two Origin stories uh

1940

01:25:30,770 --> 01:25:28,620

for these guys as well this is a this is

1941

01:25:32,570 --> 01:25:30,780

a not in the form of a question but

1942

01:25:35,390 --> 01:25:32,580

since you have such an incredible

1943

01:25:36,610 --> 01:25:35,400

knowledge of this uh demons and fallen

1944

01:25:42,350 --> 01:25:36,620

angels

1945

01:25:43,850 --> 01:25:42,360

worth connecting to they are wise uh I

1946

01:25:46,910 --> 01:25:43,860

would always caution anybody against

1947

01:25:49,070 --> 01:25:46,920

connecting to anything like a demon or

1948

01:25:51,110 --> 01:25:49,080

Fallen Angel but what do you think of

1949

01:25:53,870 --> 01:25:51,120

people who attempt to communicate or

1950

01:25:57,169 --> 01:25:53,880

learn from Fallen Angels or demonic

1951

01:26:03,050 --> 01:26:00,169

um well it's like putting a neon sign on

1952

01:26:04,550 --> 01:26:03,060

your head that says come in we're open

1953

01:26:06,890 --> 01:26:04,560

right that's what I would I would agree

1954

01:26:10,129 --> 01:26:06,900

with you yeah take up shop right here

1955

01:26:11,990 --> 01:26:10,139

you know it's a tremendously bad idea uh

1956

01:26:14,270 --> 01:26:12,000

to say the least you know

1957

01:26:16,189 --> 01:26:14,280

and uh yeah maybe we'll we'll do another

1958

01:26:19,010 --> 01:26:16,199

show about that I don't even want to get

1959

01:26:21,050 --> 01:26:19,020

started because I know I didn't want to

1960

01:26:22,910 --> 01:26:21,060

get you started but I did want to ask

1961

01:26:25,550 --> 01:26:22,920

you a selfish question if you don't mind

1962

01:26:27,649 --> 01:26:25,560

about the Bible since uh I don't often

1963

01:26:30,590 --> 01:26:27,659

get to speak to somebody that has done

1964

01:26:32,570 --> 01:26:30,600

such extensive research into the Bible

1965

01:26:34,250 --> 01:26:32,580

as you have and you have I'm going to

1966

01:26:37,250 --> 01:26:34,260

order this book that you have on on

1967

01:26:40,370 --> 01:26:37,260

Jesus and a few of the other books but

1968

01:26:43,129 --> 01:26:40,380

um I I have a question about the what I

1969

01:26:44,750 --> 01:26:43,139

call the lost 40 days of the Christ

1970

01:26:47,209 --> 01:26:44,760

you know

1971

01:26:49,790 --> 01:26:47,219

um Christ went into the desert for 40

1972

01:26:52,129 --> 01:26:49,800

days before he started his ministry and

1973

01:26:53,810 --> 01:26:52,139

he was told to do that and he was told

1974

01:26:57,470 --> 01:26:53,820

that he would be tempted

1975

01:27:00,530 --> 01:26:57,480

and the Bible is very sparse on what

1976

01:27:02,570 --> 01:27:00,540

happened in that whole 40 days do you

1977

01:27:05,570 --> 01:27:02,580

have any other sources of what happened

1978

01:27:07,550 --> 01:27:05,580

during that 40 days or insight into that

1979

01:27:08,810 --> 01:27:07,560

40 days

1980

01:27:11,810 --> 01:27:08,820

because

1981

01:27:14,270 --> 01:27:11,820

there you go all right well then I'm not

1982

01:27:16,250 --> 01:27:14,280

alone because I've been looking uh

1983

01:27:19,550 --> 01:27:16,260

through everything I can find the Bible

1984

01:27:22,070 --> 01:27:19,560

other sources non-biblical Lost Books of

1985

01:27:24,229 --> 01:27:22,080

the Bible it just seems to me that

1986

01:27:27,050 --> 01:27:24,239

that's such an important story and they

1987

01:27:29,390 --> 01:27:27,060

just like many stories in the Bible they

1988

01:27:31,910 --> 01:27:29,400

glance over it and they just quickly

1989

01:27:34,570 --> 01:27:31,920

mention it and there's a few paragraphs

1990

01:27:36,950 --> 01:27:34,580

and that's it and to me it was

1991

01:27:39,350 --> 01:27:36,960

insufficient because I would want to

1992

01:27:40,850 --> 01:27:39,360

know I thought that would give some

1993

01:27:44,890 --> 01:27:40,860

insight into

1994

01:27:47,870 --> 01:27:44,900

Jesus as man and Jesus as as God because

1995

01:27:50,330 --> 01:27:47,880

you know I I would assume if

1996

01:27:53,090 --> 01:27:50,340

it was this Human Side that they were

1997

01:27:55,070 --> 01:27:53,100

tempting perhaps I I don't know just

1998

01:27:56,930 --> 01:27:55,080

I've been fascinated by that story my

1999

01:27:59,030 --> 01:27:56,940

whole life and want to know more

2000

01:28:01,310 --> 01:27:59,040

and it's disappointing there's not more

2001

01:28:02,990 --> 01:28:01,320

references to that somewhere

2002

01:28:07,010 --> 01:28:03,000

so

2003

01:28:09,649 --> 01:28:07,020

I actually just had a paper published in

2004

01:28:11,930 --> 01:28:09,659

a peer-reviewed journal of a Christian

2005

01:28:14,930 --> 01:28:11,940

parapsychology and one of the things I

2006

01:28:18,290 --> 01:28:14,940

wrote about is how to understand

2007

01:28:20,930 --> 01:28:18,300

how and why demons and the devil do the

2008

01:28:23,870 --> 01:28:20,940

things that they do right so

2009

01:28:26,770 --> 01:28:23,880

when you think about Satan and I hope I

2010

01:28:29,689 --> 01:28:26,780

wrote an entire book just on technology

2011

01:28:32,149 --> 01:28:29,699

and and I started thinking of him in

2012

01:28:34,790 --> 01:28:32,159

terms of being insane and that really

2013

01:28:37,250 --> 01:28:34,800

helped because why would he do some of

2014

01:28:39,050 --> 01:28:37,260

the ridiculous things that he does it is

2015

01:28:41,330 --> 01:28:39,060

not just that he's angry or rebellious

2016

01:28:43,370 --> 01:28:41,340

so that's part of it but almost just

2017

01:28:45,110 --> 01:28:43,380

like completely insane when he's doing

2018

01:28:46,550 --> 01:28:45,120

things that make a lot of sense to him

2019

01:28:50,209 --> 01:28:46,560

but you're looking up from the outside

2020

01:28:52,250 --> 01:28:50,219

like dude you're nuts and so if anything

2021

01:28:55,310 --> 01:28:52,260

I could just say look

2022

01:28:58,070 --> 01:28:55,320

Jesus went out to be by himself fasting

2023

01:29:01,610 --> 01:28:58,080

uh Satan Waits and waits and waits until

2024

01:29:06,050 --> 01:29:01,620

Jesus is like super weak really hungry

2025

01:29:08,030 --> 01:29:06,060

just decimate the desiccated and then he

2026
01:29:10,669 --> 01:29:08,040
shows up and says well guess what you

2027
01:29:12,709 --> 01:29:10,679
know if you are the Son of God through

2028
01:29:14,810 --> 01:29:12,719
these stones into bread right like use

2029
01:29:16,669 --> 01:29:14,820
your own Divine prerogative for your own

2030
01:29:19,669 --> 01:29:16,679
selfish needs

2031
01:29:21,169 --> 01:29:19,679
which Jesus rejects of course and he's

2032
01:29:22,850 --> 01:29:21,179
like well you know I'll show you the

2033
01:29:24,649 --> 01:29:22,860
kingdoms of the world and I'll give it

2034
01:29:26,930 --> 01:29:24,659
to you because they're mine and

2035
01:29:31,070 --> 01:29:26,940
incidentally Jesus didn't deny that

2036
01:29:33,290 --> 01:29:31,080
Jesus just says no right so that's about

2037
01:29:35,990 --> 01:29:33,300
all I could really say about it is that

2038
01:29:40,490 --> 01:29:36,000

this is about Satan coming to us in our

2039

01:29:43,250 --> 01:29:40,500

weakness right so honestly if I just can

2040

01:29:45,410 --> 01:29:43,260

get personal for a minute here

2041

01:29:49,790 --> 01:29:45,420

um because I do listen to you all the

2042

01:29:50,450 --> 01:29:49,800

time and I've been super happy with your

2043

01:29:54,830 --> 01:29:50,460

um

2044

01:29:57,770 --> 01:29:54,840

ability to abstain from the uh fire

2045

01:30:00,950 --> 01:29:57,780

water you know uh yeah I'm doing pretty

2046

01:30:02,510 --> 01:30:00,960

good we're up to 129 days I can't tell

2047

01:30:04,370 --> 01:30:02,520

you how happy I am for you and how

2048

01:30:06,590 --> 01:30:04,380

encouraged I am I've never had that

2049

01:30:09,050 --> 01:30:06,600

problem but just by hearing descriptions

2050

01:30:11,930 --> 01:30:09,060

of it I think it's awesome and I kept

2051

01:30:13,910 --> 01:30:11,940

thinking to myself yeah well you know we

2052

01:30:16,610 --> 01:30:13,920

are told the Devil roams the Earth as a

2053

01:30:19,850 --> 01:30:16,620

roaring lion seeking whom he may devour

2054

01:30:22,310 --> 01:30:19,860

now if I was online Safari I wouldn't be

2055

01:30:24,229 --> 01:30:22,320

getting plastered because then you'd

2056

01:30:26,570 --> 01:30:24,239

hear the sound of the lion coming and

2057

01:30:28,430 --> 01:30:26,580

you'd be so discombobulated it'd be too

2058

01:30:30,350 --> 01:30:28,440

late for you to pick up your rifle aim

2059

01:30:33,410 --> 01:30:30,360

it straight and shoot right

2060

01:30:34,910 --> 01:30:33,420

and so just like the story of Jesus say

2061

01:30:36,350 --> 01:30:34,920

it's going to wait until your plaster

2062

01:30:38,090 --> 01:30:36,360

and then he's going to put some funny

2063

01:30:40,490 --> 01:30:38,100

ideas in your head and then you're

2064

01:30:42,290 --> 01:30:40,500

probably going to act on it I've done a

2065

01:30:44,570 --> 01:30:42,300

lot of stupid things while under the

2066

01:30:46,250 --> 01:30:44,580

influence of alcohol yeah so I just want

2067

01:30:48,050 --> 01:30:46,260

to encourage you a thousand and one

2068

01:30:50,030 --> 01:30:48,060

times to keep it up because I think

2069

01:30:52,310 --> 01:30:50,040

that's really really awesome and I

2070

01:30:54,110 --> 01:30:52,320

guarantee you you're inspiring more

2071

01:30:55,729 --> 01:30:54,120

people than you'll ever know even me who

2072

01:30:58,970 --> 01:30:55,739

doesn't have that problem here inspiring

2073

01:31:02,149 --> 01:30:58,980

me well good yeah and I wanted to ask

2074

01:31:04,970 --> 01:31:02,159

you a selfish question too uh you've

2075

01:31:08,510 --> 01:31:04,980

written like 50 books is it is it worth

2076

01:31:10,910 --> 01:31:08,520

it and I and I I mean like financially

2077

01:31:12,070 --> 01:31:10,920

to you is it worth it right probably not

2078

01:31:15,530 --> 01:31:12,080

no no

2079

01:31:17,689 --> 01:31:15,540

you're very I'm here writing if my first

2080

01:31:20,270 --> 01:31:17,699

what I hope will be my first solo book

2081

01:31:23,149 --> 01:31:20,280

and that's very discouraging but I'm

2082

01:31:25,129 --> 01:31:23,159

going into it with the idea that it's

2083

01:31:27,110 --> 01:31:25,139

it's not really for the money it's to

2084

01:31:29,629 --> 01:31:27,120

share the knowledge and experience that

2085

01:31:33,169 --> 01:31:29,639

the book has to share right exactly so

2086

01:31:34,149 --> 01:31:33,179

so for instance I was talking to a few

2087

01:31:37,669 --> 01:31:34,159

um

2088

01:31:39,410 --> 01:31:37,679

authors of fiction and I was telling

2089

01:31:41,689 --> 01:31:39,420

them man it's really expensive to

2090

01:31:42,950 --> 01:31:41,699

publish a book and they're like what and

2091

01:31:44,510 --> 01:31:42,960

I was like yeah you have to pay the

2092

01:31:45,950 --> 01:31:44,520

publisher to publish your own book and

2093

01:31:47,810 --> 01:31:45,960

they're like no you don't they pay you

2094

01:31:50,030 --> 01:31:47,820

I'm like well maybe that's because you

2095

01:31:51,709 --> 01:31:50,040

guys are publishing fiction where I'm

2096

01:31:54,110 --> 01:31:51,719

publishing like super obscure

2097

01:31:56,629 --> 01:31:54,120

theological stuff that's related to pop

2098

01:31:59,270 --> 01:31:56,639

culture and you know I mean like I told

2099

01:32:01,610 --> 01:31:59,280

you I'm writing a book series reviewing

2100

01:32:04,370 --> 01:32:01,620

uh movies with alien and UFO themes

2101

01:32:07,310 --> 01:32:04,380

right and so for them it was different

2102

01:32:10,310 --> 01:32:07,320

for me it was like it's going to cost me

2103

01:32:12,229 --> 01:32:10,320

a fortune to publish a book and one of

2104

01:32:14,149 --> 01:32:12,239

the things of it is once you publish a

2105

01:32:16,070 --> 01:32:14,159

book it's like a drop in the ocean so

2106

01:32:19,189 --> 01:32:16,080

then you got to put money behind PR

2107

01:32:20,930 --> 01:32:19,199

marketing and that's super expensive so

2108

01:32:23,830 --> 01:32:20,940

I honestly don't even look at my book

2109

01:32:27,950 --> 01:32:23,840

sales I think it'd be too depressing but

2110

01:32:31,250 --> 01:32:27,960

yeah you're just uh you're just a a like

2111

01:32:35,750 --> 01:32:31,260

well of encouragement here for a future

2112

01:32:38,689 --> 01:32:35,760

an aspiring author thank you I

2113

01:32:40,010 --> 01:32:38,699

well because your books do range in

2114

01:32:41,810 --> 01:32:40,020

different subjects they're all

2115

01:32:43,550 --> 01:32:41,820

non-fiction from what I saw but they're

2116

01:32:45,709 --> 01:32:43,560

all different you know at strange and

2117

01:32:48,470 --> 01:32:45,719

esoteric and mysterious subjects demons

2118

01:32:51,350 --> 01:32:48,480

Angels Jesus you know the devil Satan

2119

01:32:53,990 --> 01:32:51,360

aliens but I just thought because of the

2120

01:32:56,570 --> 01:32:54,000

sheer number you know you're so prolific

2121

01:32:58,490 --> 01:32:56,580

having written over 50 now right that I

2122

01:33:00,649 --> 01:32:58,500

thought between the 50 of them he's got

2123

01:33:02,930 --> 01:33:00,659

to be good well a couple of them got to

2124

01:33:06,050 --> 01:33:02,940

sell good maybe the others don't right I

2125

01:33:07,129 --> 01:33:06,060

don't even know I I genuinely don't have

2126

01:33:09,110 --> 01:33:07,139

a clue

2127

01:33:13,310 --> 01:33:09,120

I just don't look at it

2128

01:33:15,890 --> 01:33:13,320

oh but the encouraging part is

2129

01:33:18,649 --> 01:33:15,900

when I latch onto something that I want

2130

01:33:21,890 --> 01:33:18,659

to research all bets are off I'm digging

2131

01:33:24,169 --> 01:33:21,900

deep and going Beyond The Depths right

2132

01:33:26,810 --> 01:33:24,179

um so that's part of why I have to be

2133

01:33:28,250 --> 01:33:26,820

careful how many fan uh pans I have on

2134

01:33:30,110 --> 01:33:28,260

the fire because

2135

01:33:32,149 --> 01:33:30,120

it's going to be too much if I'm

2136

01:33:34,790 --> 01:33:32,159

tackling too much at once because if I'm

2137

01:33:36,890 --> 01:33:34,800

gonna research something I'm gonna dig

2138

01:33:38,810 --> 01:33:36,900

so incredibly deep that it's going to

2139

01:33:41,510 --> 01:33:38,820

take a tremendous amount of effort and

2140

01:33:44,450 --> 01:33:41,520

time and it's very fulfilling for me

2141

01:33:46,790 --> 01:33:44,460

personally even if nobody wants to hear

2142

01:33:49,189 --> 01:33:46,800

about it when I'm done and like I said

2143

01:33:51,070 --> 01:33:49,199

just going through the process of taking

2144

01:33:54,470 --> 01:33:51,080

in a tremendous amount of information

2145

01:33:56,870 --> 01:33:54,480

and just letting it stew in your brain

2146

01:33:58,810 --> 01:33:56,880

and then those puzzle pieces start

2147

01:34:01,370 --> 01:33:58,820

coming together and you start

2148

01:34:03,590 --> 01:34:01,380

systematizing and then finally you start

2149

01:34:06,950 --> 01:34:03,600

typing and that helps you make even more

2150

01:34:09,530 --> 01:34:06,960

sense and finally uh it's out okay it's

2151

01:34:12,169 --> 01:34:09,540

out I don't care if anybody I do care

2152

01:34:14,510 --> 01:34:12,179

it'd be nice if uh you know everybody

2153

01:34:17,090 --> 01:34:14,520

but bought a bunch of every one of my

2154

01:34:19,490 --> 01:34:17,100

books but I'm just saying

2155

01:34:20,870 --> 01:34:19,500

um part of it is just for me because if

2156

01:34:23,330 --> 01:34:20,880

no one else is going to be interested in

2157

01:34:25,189 --> 01:34:23,340

what I have to say at least I get to

2158

01:34:27,169 --> 01:34:25,199

learn something it was interesting for

2159

01:34:29,149 --> 01:34:27,179

me and it was a whole entire process

2160

01:34:31,490 --> 01:34:29,159

that ends in me going

2161

01:34:33,830 --> 01:34:31,500

having that cathartic moment okay I got

2162

01:34:34,729 --> 01:34:33,840

it out there I got it out there ah there

2163

01:34:36,890 --> 01:34:34,739

it is

2164

01:34:39,290 --> 01:34:36,900

it's a you know it's in printed form so

2165

01:34:41,990 --> 01:34:39,300

there you have it if you want it but for

2166

01:34:43,910 --> 01:34:42,000

me it's just a problem yeah that's

2167

01:34:45,950 --> 01:34:43,920

another thing everybody every writer

2168

01:34:48,770 --> 01:34:45,960

that I know is Tommy oh well Stephen

2169

01:34:51,229 --> 01:34:48,780

it's very cathartic to write a book and

2170

01:34:53,149 --> 01:34:51,239

so far it's been a lot of suffering to

2171

01:34:54,890 --> 01:34:53,159

me because there's you know I have to

2172

01:34:56,689 --> 01:34:54,900

have all these sources and I have to

2173

01:34:59,450 --> 01:34:56,699

show where I got to be it's not

2174

01:35:02,090 --> 01:34:59,460

cathartic it's it's a lot of work here

2175

01:35:03,890 --> 01:35:02,100

and My worry is that nobody reads books

2176
01:35:06,470 --> 01:35:03,900
anymore so maybe I'm wasting my time and

2177
01:35:08,410 --> 01:35:06,480
I should just make a video instead of

2178
01:35:13,610 --> 01:35:08,420
writing

2179
01:35:15,830 --> 01:35:13,620
entirely different experience than if

2180
01:35:17,270 --> 01:35:15,840
you're writing fiction God bless those

2181
01:35:19,070 --> 01:35:17,280
people writing fiction with their

2182
01:35:20,990 --> 01:35:19,080
character development and mood and

2183
01:35:23,870 --> 01:35:21,000
setting and all that stuff good for you

2184
01:35:27,530 --> 01:35:23,880
I I can't do that stuff

2185
01:35:29,530 --> 01:35:27,540
um so I'll give you an example uh when I

2186
01:35:32,270 --> 01:35:29,540
wrote a book titled

2187
01:35:34,430 --> 01:35:32,280
Nephilim and Giants has her pop

2188
01:35:38,750 --> 01:35:34,440

researchers where I'm basically

2189

01:35:41,330 --> 01:35:38,760

critiquing all the top guys in the Pop

2190

01:35:45,830 --> 01:35:41,340

level of nephrology

2191

01:35:47,090 --> 01:35:45,840

I plowed through about 80 Books Okay uh

2192

01:35:49,070 --> 01:35:47,100

there are the black one right there

2193

01:35:52,550 --> 01:35:49,080

that's volume one

2194

01:35:56,209 --> 01:35:52,560

yeah when I was done with the research I

2195

01:35:58,910 --> 01:35:56,219

ended up with 400 Pages just worth of

2196

01:36:01,970 --> 01:35:58,920

quotations from those books

2197

01:36:04,610 --> 01:36:01,980

and then it happened to coincide when

2198

01:36:07,629 --> 01:36:04,620

all the stay-at-home orders were

2199

01:36:12,350 --> 01:36:07,639

starting for that certain virus you know

2200

01:36:14,450 --> 01:36:12,360

that's what we don't talk about here so

2201

01:36:17,030 --> 01:36:14,460

it happened to coincide where now I'm

2202

01:36:18,649 --> 01:36:17,040

staying home and I have a lot of time to

2203

01:36:20,750 --> 01:36:18,659

just sit there and and right you're

2204

01:36:22,970 --> 01:36:20,760

right and right and right and right but

2205

01:36:25,189 --> 01:36:22,980

for instance just a little window into

2206

01:36:28,370 --> 01:36:25,199

what the research is like I had 400

2207

01:36:30,470 --> 01:36:28,380

Pages for worth of quotations and I had

2208

01:36:32,810 --> 01:36:30,480

to figure out where am I going to stick

2209

01:36:35,209 --> 01:36:32,820

them in what chapter and what order and

2210

01:36:36,669 --> 01:36:35,219

that was tremendously tedious I mean

2211

01:36:40,370 --> 01:36:36,679

that was like

2212

01:36:42,290 --> 01:36:40,380

mind-numbing idiom like unbelievable

2213

01:36:45,470 --> 01:36:42,300

hours Upon Our

2214

01:36:49,430 --> 01:36:45,480

hours and days after today

2215

01:36:50,830 --> 01:36:49,440

of just doing that uh but then when I

2216

01:36:53,750 --> 01:36:50,840

started

2217

01:36:58,390 --> 01:36:53,760

writing what I wanted to comment before

2218

01:37:04,189 --> 01:37:01,270

see that was the more pleasurable thing

2219

01:37:05,390 --> 01:37:04,199

not just start writing right that was

2220

01:37:10,129 --> 01:37:05,400

enjoyable

2221

01:37:14,629 --> 01:37:10,139

but yeah it can be tremendously tedious

2222

01:37:16,850 --> 01:37:14,639

but yeah I I don't I don't know yeah I

2223

01:37:23,629 --> 01:37:16,860

guess the

2224

01:37:29,510 --> 01:37:25,370

oh

2225

01:37:31,010 --> 01:37:29,520

yeah you uh froze up a little spinning

2226

01:37:33,169 --> 01:37:31,020

uh

2227

01:37:36,290 --> 01:37:33,179

yeah we were buffering for a moment

2228

01:37:39,229 --> 01:37:36,300

there sorry before I forget I want to

2229

01:37:42,050 --> 01:37:39,239

mention that I put I put Ken's YouTube

2230

01:37:43,070 --> 01:37:42,060

uh channel in the description of this

2231

01:37:46,669 --> 01:37:43,080

video

2232

01:37:49,310 --> 01:37:46,679

also uh a place where you can the Amazon

2233

01:37:52,669 --> 01:37:49,320

search link so you can see all of his

2234

01:37:54,470 --> 01:37:52,679

books his many many books no matter what

2235

01:37:57,050 --> 01:37:54,480

strange things you're into he probably

2236

01:38:02,390 --> 01:37:57,060

wrote a book about it this guy so make

2237

01:38:02,400 --> 01:38:09,410

yeah I think we're buffering Maybe

2238

01:38:13,610 --> 01:38:11,930

yeah I think I think let me try this

2239

01:38:17,689 --> 01:38:13,620

hold on one second

2240

01:38:22,669 --> 01:38:20,209

no buffer

2241

01:38:24,649 --> 01:38:22,679

there we go

2242

01:38:26,629 --> 01:38:24,659

maybe that did it or shut down anything

2243

01:38:30,890 --> 01:38:26,639

open besides I don't know what happened

2244

01:38:30,900 --> 01:38:36,290

and the Walter boxes yeah

2245

01:38:40,490 --> 01:38:38,870

I got Walter Bosley another author is

2246

01:38:42,830 --> 01:38:40,500

here and he turned me on to this place

2247

01:38:46,790 --> 01:38:42,840

called Hulu it's a printer and

2248

01:38:51,830 --> 01:38:49,129

yeah we appear to have a big delay here

2249

01:38:54,169 --> 01:38:51,840

now too along with the buffering

2250

01:38:56,750 --> 01:38:54,179

but yeah we're running out of time so

2251

01:38:59,030 --> 01:38:56,760

maybe we'll cut it here I want to uh

2252

01:39:00,649 --> 01:38:59,040

thank you for joining us and and invite

2253

01:39:02,990 --> 01:39:00,659

you to make sure that you come back and

2254

01:39:05,750 --> 01:39:03,000

we'll talk a different subject next time

2255

01:39:07,129 --> 01:39:05,760

this was fun I appreciate you being by

2256

01:39:09,709 --> 01:39:07,139

the way

2257

01:39:11,689 --> 01:39:09,719

all right I'm totally honored and I had

2258

01:39:13,490 --> 01:39:11,699

a blast and one thing I love about your

2259

01:39:15,590 --> 01:39:13,500

show incidentally is that every one of

2260

01:39:17,270 --> 01:39:15,600

your shows has four endings

2261

01:39:19,370 --> 01:39:17,280

but you're like okay good night

2262

01:39:20,990 --> 01:39:19,380

everybody oh and you know what let me

2263

01:39:24,649 --> 01:39:21,000

mention you go on for 15 more minutes

2264

01:39:26,930 --> 01:39:24,659

and they're like okay I'm sorry yeah I'm

2265

01:39:30,050 --> 01:39:26,940

not good at the wrap up can you go on 10

2266

01:39:32,530 --> 01:39:30,060

more minutes and then I get oh yeah that

2267

01:39:36,590 --> 01:39:32,540

reminds me yeah I I do have to do that

2268

01:39:41,090 --> 01:39:36,600

yeah you're right see now you're gonna

2269

01:39:45,890 --> 01:39:43,850

okay well I'm Gonna Let You Go and we'll

2270

01:39:47,510 --> 01:39:45,900

invite you to come back another time to

2271

01:39:50,330 --> 01:39:47,520

talk a different subject I'd really like

2272

01:39:52,729 --> 01:39:50,340

to delve into you know I have an

2273

01:39:55,729 --> 01:39:52,739

interest in this demonology and exorcism

2274

01:39:58,850 --> 01:39:55,739

and possession and all of that stuff but

2275

01:40:01,370 --> 01:39:58,860

uh hopefully I have time to get a few of

2276

01:40:03,590 --> 01:40:01,380

your books and read them before your

2277

01:40:05,629 --> 01:40:03,600

next appearance here so I'm gonna do

2278

01:40:08,209 --> 01:40:05,639

that and I'll be in touch thanks for

2279

01:40:10,750 --> 01:40:08,219

being here contact me and uh we can set

2280

01:40:14,090 --> 01:40:10,760

that up I'll cut you a deal so

2281

01:40:16,010 --> 01:40:14,100

okay thanks Ken okay good night and God

2282

01:40:18,530 --> 01:40:16,020

bless you all thanks so much all right

2283

01:40:20,870 --> 01:40:18,540

good night Ken boy that was interesting

2284

01:40:23,149 --> 01:40:20,880

what an interesting individual I am

2285

01:40:26,149 --> 01:40:23,159

going to check in with the uh with the

2286

01:40:28,070 --> 01:40:26,159

super chats we uh I we make it a point

2287

01:40:31,850 --> 01:40:28,080

here we read every single one of them

2288

01:40:33,830 --> 01:40:31,860

and sometimes we forget to do that uh so

2289

01:40:36,169 --> 01:40:33,840

yeah we did read them all

2290

01:40:39,169 --> 01:40:36,179

um we have uh Lord ludicrous interesting

2291

01:40:41,570 --> 01:40:39,179

conversation really enjoyed it and uh Mr

2292

01:40:43,189 --> 01:40:41,580

D.B Cooper asked astral citizens if you

2293

01:40:45,470 --> 01:40:43,199

ever accepted cash payments from secure

2294

01:40:47,870 --> 01:40:45,480

team 10 when he had his channel that was

2295

01:40:50,750 --> 01:40:47,880

called Lions ground investigate that

2296

01:40:52,970 --> 01:40:50,760

Stephen boom yeah I'll ask him about it

2297

01:40:56,689 --> 01:40:52,980

again but I believe I've already heard

2298

01:40:58,850 --> 01:40:56,699

the story uh as I mentioned uh Jameson

2299

01:41:01,669 --> 01:40:58,860

Reese is here and by the way Jameson I

2300

01:41:03,350 --> 01:41:01,679

uh would be interested in hearing your

2301

01:41:05,330 --> 01:41:03,360

opinions on all this stuff and you're

2302

01:41:07,669 --> 01:41:05,340

right I do view things from a

2303

01:41:11,030 --> 01:41:07,679

judeo-christian

2304

01:41:13,490 --> 01:41:11,040

um perspective I was raised uh Catholic

2305

01:41:15,229 --> 01:41:13,500

and went to Catholic school I had 10

2306

01:41:18,050 --> 01:41:15,239

years of scripture study and theology

2307

01:41:22,550 --> 01:41:18,060

taught by Jesuit priests and brothers

2308

01:41:26,450 --> 01:41:22,560

and nuns of different orders so you're

2309

01:41:29,629 --> 01:41:26,460

right I have my own lens through which I

2310

01:41:31,790 --> 01:41:29,639

see things but I did have a long period

2311

01:41:34,669 --> 01:41:31,800

in my teenage years and later in my

2312

01:41:37,370 --> 01:41:34,679

early 20s where I read every book on the

2313

01:41:39,770 --> 01:41:37,380

occult that I could find

2314

01:41:42,410 --> 01:41:39,780

um I think that I was actively trying to

2315

01:41:45,530 --> 01:41:42,420

fill in the blanks of what was missing

2316

01:41:47,990 --> 01:41:45,540

from what I felt like I learned from the

2317

01:41:50,270 --> 01:41:48,000

Catholics you know I wanted to see

2318

01:41:53,930 --> 01:41:50,280

the other side of things see other

2319

01:41:56,629 --> 01:41:53,940

perspectives I got into you know Pagan

2320

01:41:59,450 --> 01:41:56,639

religions and uh Buddhism and other

2321

01:42:01,729 --> 01:41:59,460

religions and meditation and ceremonial

2322

01:42:04,129 --> 01:42:01,739

magic and everything that I could read I

2323

01:42:06,709 --> 01:42:04,139

did for a long period of time

2324

01:42:09,729 --> 01:42:06,719

so uh Simon flies here and says great

2325

01:42:13,129 --> 01:42:09,739

guests and we want to thank Simon fly

2326

01:42:16,250 --> 01:42:13,139

and mystery Eon is here and says please

2327

01:42:19,370 --> 01:42:16,260

remember to like And subscribe uh and

2328

01:42:20,810 --> 01:42:19,380

yes I would be a terrible YouTuber

2329

01:42:22,490 --> 01:42:20,820

um and and I'm sorry I caught it short

2330

01:42:23,870 --> 01:42:22,500

like that on Ken but it seemed like it

2331

01:42:26,930 --> 01:42:23,880

wasn't going to recover from whatever

2332

01:42:29,570 --> 01:42:26,940

his buffering issues I'm interested in

2333

01:42:31,390 --> 01:42:29,580

having him back to talk uh about more

2334

01:42:35,390 --> 01:42:31,400

spiritual and

2335

01:42:37,250 --> 01:42:35,400

call it the Dark Side of Things

2336

01:42:39,830 --> 01:42:37,260

um he's got a whole I'm going to show

2337

01:42:43,070 --> 01:42:39,840

you guys oh this is like I said

2338

01:42:44,689 --> 01:42:43,080

occasionally in conspiracy land I mean a

2339

01:42:46,550 --> 01:42:44,699

really strange and interesting character

2340

01:42:48,169 --> 01:42:46,560

and I love strange and interesting

2341

01:42:50,209 --> 01:42:48,179

characters because I'm a strange and

2342

01:42:50,990 --> 01:42:50,219

interesting character

2343

01:42:56,750 --> 01:42:51,000

um

2344

01:42:58,850 --> 01:42:56,760

of these different books that are just

2345

01:43:00,290 --> 01:42:58,860

the titles alone are fascinating to me

2346

01:43:02,750 --> 01:43:00,300

and I'm going to be ordering a bunch of

2347

01:43:04,970 --> 01:43:02,760

them luckily I just cleared some room on

2348

01:43:06,350 --> 01:43:04,980

my huge bookshelves in my basement I'm

2349

01:43:09,290 --> 01:43:06,360

going to be working on my personal

2350

01:43:11,570 --> 01:43:09,300

library and I would like to have some of

2351

01:43:13,550 --> 01:43:11,580

these books for uh reference look at

2352

01:43:17,510 --> 01:43:13,560

this what does the Bible say about the

2353

01:43:20,750 --> 01:43:17,520

devil and Satan uh stylized satanology

2354

01:43:21,830 --> 01:43:20,760

uh here's one Kane as serpent seed of

2355

01:43:23,689 --> 01:43:21,840

Satan

2356

01:43:26,330 --> 01:43:23,699

uh

2357

01:43:30,770 --> 01:43:26,340

on the Genesis 6 Affairs sons of God

2358

01:43:33,169 --> 01:43:30,780

angels are not there's a famous uh

2359

01:43:35,330 --> 01:43:33,179

part of the Bible in Genesis 6 that

2360

01:43:38,870 --> 01:43:35,340

refers to the sons of God like the sons

2361

01:43:42,470 --> 01:43:38,880

of God saw that God created Earth you

2362

01:43:44,990 --> 01:43:42,480

know so previous to humans there was a

2363

01:43:47,450 --> 01:43:45,000

different sons of God and many

2364

01:43:50,270 --> 01:43:47,460

theologians philosophers have discussed

2365

01:43:52,910 --> 01:43:50,280

what what was meant by that Bible verse

2366

01:43:56,030 --> 01:43:52,920

were these Angels were these

2367

01:43:58,430 --> 01:43:56,040

um pre-adamite humans what were these

2368

01:44:01,970 --> 01:43:58,440

sons of God that were there to behold

2369

01:44:05,270 --> 01:44:01,980

and witness the creation of Earth

2370

01:44:07,010 --> 01:44:05,280

um that stuff has always fascinated me

2371

01:44:08,570 --> 01:44:07,020

and here's one that would certainly

2372

01:44:10,430 --> 01:44:08,580

interest me because I have a crazy

2373

01:44:13,189 --> 01:44:10,440

interest in the Nephilim from the Bible

2374

01:44:14,870 --> 01:44:13,199

the Giants of the Bible uh which were

2375

01:44:18,590 --> 01:44:14,880

reported to be

2376

01:44:20,990 --> 01:44:18,600

the uh sons of

2377

01:44:23,470 --> 01:44:21,000

Offspring or excuse me the sons of

2378

01:44:28,910 --> 01:44:23,480

unions between the daughters of men

2379

01:44:30,590 --> 01:44:28,920

human Earth women and Fallen Angels what

2380

01:44:32,590 --> 01:44:30,600

does the Bible say about Giants in the

2381

01:44:37,129 --> 01:44:32,600

Nephilim a styled

2382

01:44:39,709 --> 01:44:37,139

giantology and nephiology that's looks

2383

01:44:41,209 --> 01:44:39,719

like a great book here's one that I

2384

01:44:43,550 --> 01:44:41,219

would certainly be interested in is

2385

01:44:47,209 --> 01:44:43,560

Jesus the Messiah of Judaism versus

2386

01:44:49,850 --> 01:44:47,219

Judaism debate uh

2387

01:44:52,070 --> 01:44:49,860

always fascinated by that uh because

2388

01:44:54,970 --> 01:44:52,080

according to Catholics and Christians

2389

01:44:57,590 --> 01:44:54,980

Jesus hit all the markers all of the

2390

01:45:00,770 --> 01:44:57,600

prophecies were fulfilled by his coming

2391

01:45:03,530 --> 01:45:00,780

and uh I've always wondered why the

2392

01:45:07,030 --> 01:45:03,540

Jewish people rejected him or or did not

2393

01:45:09,410 --> 01:45:07,040

accept him as the the Messiah

2394

01:45:10,729 --> 01:45:09,420

I'm sure that book gets into some of

2395

01:45:13,669 --> 01:45:10,739

that stuff

2396

01:45:17,149 --> 01:45:13,679

the splitting of the pineal gland this

2397

01:45:19,609 --> 01:45:17,159

guy writes a lot of books man

2398

01:45:22,010 --> 01:45:19,619

I I what and here's the book that we

2399

01:45:25,490 --> 01:45:22,020

were talking about today 50 Shades of

2400

01:45:27,950 --> 01:45:25,500

Gray aliens in consideration of aliens

2401

01:45:29,870 --> 01:45:27,960

Billy Meyer Eric Von Donegan Robert

2402

01:45:33,470 --> 01:45:29,880

Temple Travis Walton Whitley strieber

2403

01:45:38,030 --> 01:45:33,480

Ancient Aliens manly P hall and more

2404

01:45:44,510 --> 01:45:40,250

mufon research specialist and author of

2405

01:45:46,970 --> 01:45:44,520

Beyond science fiction uh said that

2406

01:45:47,990 --> 01:45:46,980

uh he's got a lot of quotes here from

2407

01:45:51,410 --> 01:45:48,000

some of them

2408

01:45:53,510 --> 01:45:51,420

uh uh he provides he provokes the reader

2409

01:45:55,970 --> 01:45:53,520

to consider all aspects of the situation

2410

01:45:57,590 --> 01:45:55,980

that many May Overlook because it may

2411

01:46:01,910 --> 01:45:57,600

interfere with our preconceived ideas

2412

01:46:04,250 --> 01:46:01,920

that knowingly or not we want to prove

2413

01:46:08,030 --> 01:46:04,260

uh he goes this book talks about the

2414

01:46:09,709 --> 01:46:08,040

founder of the ce4 research group

2415

01:46:12,950 --> 01:46:09,719

oh no

2416

01:46:14,570 --> 01:46:12,960

Stephen Greer right so I encourage you

2417

01:46:16,490 --> 01:46:14,580

the link is in the description of the

2418

01:46:18,830 --> 01:46:16,500

video you heard him say that he's not

2419

01:46:21,410 --> 01:46:18,840

making a mint here writing all these

2420

01:46:23,149 --> 01:46:21,420

books and that's uh that's a little sad

2421

01:46:25,669 --> 01:46:23,159

and unfortunate to me

2422

01:46:28,790 --> 01:46:25,679

and this is the Anarchist Cookbook a

2423

01:46:30,649 --> 01:46:28,800

styled satanology uh that's another book

2424

01:46:34,370 --> 01:46:30,659

on the devil

2425

01:46:36,770 --> 01:46:34,380

uh yeah interesting interesting stuff

2426

01:46:38,870 --> 01:46:36,780

the apocryphal Nephilim and Giants

2427

01:46:43,070 --> 01:46:38,880

encountering the Nephilim and Giants and

2428

01:46:45,709 --> 01:46:43,080

extra biblical texts there is a lot of

2429

01:46:48,169 --> 01:46:45,719

um references to the Nephilim that are

2430

01:46:50,930 --> 01:46:48,179

in the uh so-called lost books of the

2431

01:46:53,870 --> 01:46:50,940

Bible or The Book of Enoch and other

2432

01:46:55,970 --> 01:46:53,880

things that may shed more light than the

2433

01:46:59,270 --> 01:46:55,980

Bible did on the Nephilim

2434

01:47:01,370 --> 01:46:59,280

and here's on Jesus uh mythists

2435

01:47:04,609 --> 01:47:01,380

[Music]

2436

01:47:07,970 --> 01:47:04,619

mythicisim myth on Jesus existence

2437

01:47:11,510 --> 01:47:07,980

mythicisim Pagan copycat marriage tune

2438

01:47:14,450 --> 01:47:11,520

and Beyond so uh he has written and look

2439

01:47:17,270 --> 01:47:14,460

at this the Pastoral Nephilim and Giants

2440

01:47:20,689 --> 01:47:17,280

what do Pastors teach and preach

2441

01:47:22,729 --> 01:47:20,699

yeah amazing that Ken has written this

2442

01:47:25,189 --> 01:47:22,739

many books now here's where it gets into

2443

01:47:27,169 --> 01:47:25,199

other books not his so it's really this

2444

01:47:30,290 --> 01:47:27,179

is the first page of the search that I

2445

01:47:32,090 --> 01:47:30,300

have included in the description of the

2446

01:47:34,370 --> 01:47:32,100

video here so I'm going to be buying

2447

01:47:37,129 --> 01:47:34,380

some of these books uh and I encourage

2448

01:47:39,770 --> 01:47:37,139

you to do the same I think we should

2449

01:47:42,050 --> 01:47:39,780

encourage people who are writing

2450

01:47:44,330 --> 01:47:42,060

um books on these strange and esoteric

2451

01:47:47,870 --> 01:47:44,340

subjects if we don't support them not

2452

01:47:50,450 --> 01:47:47,880

sure who will you know uh oh and I

2453

01:47:54,770 --> 01:47:50,460

missed one

2454

01:47:56,209 --> 01:47:54,780

five bucks each for some Haze thank you

2455

01:47:58,129 --> 01:47:56,219

complies there for your kindness

2456

01:48:01,669 --> 01:47:58,139

generosity and your support of the show

2457

01:48:03,169 --> 01:48:01,679

it is much much appreciated and we are

2458

01:48:04,790 --> 01:48:03,179

going to

2459

01:48:14,930 --> 01:48:04,800

uh

2460

01:48:21,830 --> 01:48:18,410

and I like nothing more than getting

2461

01:48:28,550 --> 01:48:25,910

oh my gosh every time you donate I'm

2462

01:48:29,950 --> 01:48:28,560

gonna get down with my knees

2463

01:48:40,790 --> 01:48:29,960

[Music]

2464

01:48:48,050 --> 01:48:43,850

yes thank you for your generosity

2465

01:48:52,010 --> 01:48:48,060

I saw somebody uh asking for advice on

2466

01:48:55,850 --> 01:48:52,020

cameras uh and I am a not a good person

2467

01:48:57,770 --> 01:48:55,860

to ask advice on uh digital video

2468

01:48:59,750 --> 01:48:57,780

cameras because I am still using

2469

01:49:02,330 --> 01:48:59,760

something called a

2470

01:49:06,229 --> 01:49:02,340

Kodak I think it's called a zy8 it's

2471

01:49:08,330 --> 01:49:06,239

really old early HD consumer cam not a

2472

01:49:11,450 --> 01:49:08,340

good person to ask for advice I need to

2473

01:49:14,570 --> 01:49:11,460

upgrade my own to 4K cameras up but I

2474

01:49:16,490 --> 01:49:14,580

have been using those three Kodak

2475

01:49:18,169 --> 01:49:16,500

um

2476

01:49:20,510 --> 01:49:18,179

they're just little

2477

01:49:22,729 --> 01:49:20,520

they look like a phone they have a

2478

01:49:24,649 --> 01:49:22,739

little screen on the front I don't know

2479

01:49:27,649 --> 01:49:24,659

how else to describe them

2480

01:49:29,689 --> 01:49:27,659

and for HD video as long as you have

2481

01:49:31,129 --> 01:49:29,699

good lighting they work very well and

2482

01:49:32,930 --> 01:49:31,139

they're easy to just plug into a

2483

01:49:35,030 --> 01:49:32,940

computer suck the files in and put into

2484

01:49:37,310 --> 01:49:35,040

a video editor that's why I like those

2485

01:49:39,530 --> 01:49:37,320

but I'm a terrible person to ask for

2486

01:49:42,470 --> 01:49:39,540

advice on cameras because I'm many many

2487

01:49:44,810 --> 01:49:42,480

years behind most people

2488

01:49:47,570 --> 01:49:44,820

um eventually I have to work on a better

2489

01:49:49,790 --> 01:49:47,580

video editing rig so that I can handle

2490

01:49:51,890 --> 01:49:49,800

4K video because I think with most of my

2491

01:49:55,570 --> 01:49:51,900

computers now they can do it but it's so

2492

01:49:57,770 --> 01:49:55,580

slow editing and it buffers and and

2493

01:50:01,430 --> 01:49:57,780

aggravates me while I'm trying to edit

2494

01:50:04,550 --> 01:50:01,440

it I did a few 4K videos with friends 4k

2495

01:50:07,370 --> 01:50:04,560

camera uh using that to shoot some

2496

01:50:09,709 --> 01:50:07,380

footage just to test 4K and editing and

2497

01:50:12,290 --> 01:50:09,719

and see what it would look like and and

2498

01:50:14,510 --> 01:50:12,300

yeah it's better but for YouTube and

2499

01:50:17,450 --> 01:50:14,520

streaming especially 1080 is fine for me

2500

01:50:19,729 --> 01:50:17,460

so I use Ancient cameras I'm a I'd love

2501

01:50:22,370 --> 01:50:19,739

to help you uh I need somebody to

2502

01:50:24,229 --> 01:50:22,380

recommend good 4K affordable video

2503

01:50:27,229 --> 01:50:24,239

cameras myself

2504

01:50:30,530 --> 01:50:27,239

so uh any questions or comments for me

2505

01:50:34,729 --> 01:50:30,540

please put them in all capital letters

2506

01:50:37,550 --> 01:50:34,739

okay a webcam I can help you with uh

2507

01:50:40,550 --> 01:50:37,560

Logitech if you want to avoid a lot of

2508

01:50:44,209 --> 01:50:40,560

problems see here's the thing I have one

2509

01:50:46,430 --> 01:50:44,219

two three four five cameras in here in

2510

01:50:48,350 --> 01:50:46,440

the office not all of them are working

2511

01:50:50,930 --> 01:50:48,360

or hooked up right right now they were

2512

01:50:53,770 --> 01:50:50,940

but then I

2513

01:50:56,149 --> 01:50:53,780

I escaped to the garage for a while

2514

01:50:58,609 --> 01:50:56,159

because of the heat in here now we're

2515

01:51:01,070 --> 01:50:58,619

back I'm going to get those working what

2516

01:51:05,629 --> 01:51:01,080

I can tell you is that you can buy a

2517

01:51:08,689 --> 01:51:05,639

decent HD uh webcam on Amazon for 40

2518

01:51:11,209 --> 01:51:08,699

bucks but some of them are shitty you

2519

01:51:13,430 --> 01:51:11,219

will order I ordered one and it was

2520

01:51:14,810 --> 01:51:13,440

great and then I said oh let me order a

2521

01:51:16,550 --> 01:51:14,820

couple more of those to get the

2522

01:51:19,010 --> 01:51:16,560

multi-camera setup going but then the

2523

01:51:22,070 --> 01:51:19,020

other ones they sent me were crappy it's

2524

01:51:24,649 --> 01:51:22,080

a crap shoot but if you don't want it to

2525

01:51:29,090 --> 01:51:24,659

be a crap shoot buy a Logitech like a

2526

01:51:33,229 --> 01:51:29,100

C920 LogiTech C920 let me look that up I

2527

01:51:36,709 --> 01:51:33,239

think that's what it it's C920 or c922

2528

01:51:43,250 --> 01:51:40,970

FC 920 c922

2529

01:51:46,129 --> 01:51:43,260

uh

2530

01:51:47,750 --> 01:51:46,139

yeah and they'll go those go for like 65

2531

01:51:49,850 --> 01:51:47,760

bucks and that's what I'm using right

2532

01:51:52,129 --> 01:51:49,860

now to do this broadcast here I'll I

2533

01:51:55,370 --> 01:51:52,139

will share my screen it's called the

2534

01:51:57,649 --> 01:51:55,380

Logitech C920 uh and you can get one of

2535

01:52:00,890 --> 01:51:57,659

these for 65 bucks

2536

01:52:03,109 --> 01:52:00,900

and uh it's good image quality even in

2537

01:52:05,450 --> 01:52:03,119

low light you can see I'm in super low

2538

01:52:08,570 --> 01:52:05,460

light here I like it dark you know why

2539

01:52:12,290 --> 01:52:08,580

the darker it is the more handsome I get

2540

01:52:14,870 --> 01:52:12,300

especially according to my wife right so

2541

01:52:18,950 --> 01:52:14,880

uh I would recommend highly recommend a

2542

01:52:20,510 --> 01:52:18,960

C920 or a c922 if you want to be sure

2543

01:52:22,490 --> 01:52:20,520

that you're just going to get a good one

2544

01:52:25,010 --> 01:52:22,500

and not aggravate yourself with a crappy

2545

01:52:27,590 --> 01:52:25,020

camera for cheap

2546

01:52:29,689 --> 01:52:27,600

um uh but thank you

2547

01:52:31,490 --> 01:52:29,699

as far as video cameras I'm the wrong

2548

01:52:33,950 --> 01:52:31,500

person to ask I wouldn't want to tell

2549

01:52:35,810 --> 01:52:33,960

you I I'm like I said my cameras are

2550

01:52:39,050 --> 01:52:35,820

ancient the ones that I'm using for

2551
01:52:40,970 --> 01:52:39,060
video work I have to upgrade mine uh

2552
01:52:42,830 --> 01:52:40,980
somebody else in the live chat may have

2553
01:52:46,370 --> 01:52:42,840
some suggestions I encourage them if

2554
01:52:49,729 --> 01:52:46,380
they know to uh to help quarter x with

2555
01:52:53,930 --> 01:52:52,370
quarter X yeah I know good webcams I

2556
01:52:56,629 --> 01:52:53,940
don't know good

2557
01:52:59,689 --> 01:52:56,639
video cameras if you're asking about

2558
01:53:02,689 --> 01:52:59,699
webcams I would stick to Logitech HD

2559
01:53:03,770 --> 01:53:02,699
cams uh you'll never go wrong with them

2560
01:53:09,050 --> 01:53:03,780
right

2561
01:53:12,109 --> 01:53:09,060
but uh oh and mystery Eon has uh one

2562
01:53:14,870 --> 01:53:12,119
that he is uh

2563
01:53:16,850 --> 01:53:14,880

he is recommending but I have to go to

2564

01:53:19,370 --> 01:53:16,860

the live chat to be able to go to that

2565

01:53:22,189 --> 01:53:19,380

to share it I'll share that mystery Eon

2566

01:53:25,430 --> 01:53:22,199

is a techie guy and he's probably pretty

2567

01:53:27,229 --> 01:53:25,440

dead on uh with what he's suggesting

2568

01:53:29,689 --> 01:53:27,239

here

2569

01:53:34,390 --> 01:53:29,699

what are you suggesting wow look this

2570

01:53:39,890 --> 01:53:37,250

82 pounds this one

2571

01:53:42,950 --> 01:53:39,900

that's a weird looking one uh mystery

2572

01:53:45,530 --> 01:53:42,960

Eon here I will share that I guess we've

2573

01:53:48,530 --> 01:53:45,540

uh now we're we're done talking about

2574

01:53:52,430 --> 01:53:48,540

aliens and demons now we're on to the

2575

01:53:59,750 --> 01:53:55,850

7 20 p.m 120 frames per second why would

2576

01:54:03,530 --> 01:53:59,760

you want 720 though it is 1080p

2577

01:54:05,209 --> 01:54:03,540

120 frames a second 360p at 260 frames a

2578

01:54:06,830 --> 01:54:05,219

second that's this is a weird camera

2579

01:54:10,669 --> 01:54:06,840

they don't want something like that they

2580

01:54:13,250 --> 01:54:10,679

want a general webcam a mystery eon

2581

01:54:15,169 --> 01:54:13,260

I don't think that's a good choice for

2582

01:54:17,050 --> 01:54:15,179

somebody just wants a general webcam but

2583

01:54:22,310 --> 01:54:17,060

what do I know

2584

01:54:28,030 --> 01:54:25,310

archaic revival I just I just knew that

2585

01:54:30,830 --> 01:54:28,040

would happen yeah

2586

01:54:34,189 --> 01:54:30,840

so any more questions or comments for me

2587

01:54:37,189 --> 01:54:34,199

please uh you know let me know in the in

2588

01:54:38,870 --> 01:54:37,199

the live chat otherwise there was one

2589

01:54:42,229 --> 01:54:38,880

thing else that I wanted to share of

2590

01:54:45,830 --> 01:54:42,239

Ken's he has some very interesting some

2591

01:54:52,189 --> 01:54:49,490

he has some very creepy illustrations of

2592

01:54:54,350 --> 01:54:52,199

angels and things on his YouTube channel

2593

01:54:56,990 --> 01:54:54,360

by the way please do support our guest I

2594

01:54:58,490 --> 01:54:57,000

put the link to his YouTube channel in

2595

01:55:00,050 --> 01:54:58,500

the description of this video go on over

2596

01:55:02,229 --> 01:55:00,060

there and subscribe if you like weird

2597

01:55:07,450 --> 01:55:02,239

stuff and who doesn't like weird stuff

2598

01:55:12,470 --> 01:55:07,460

this is an illustration of cherubim and

2599

01:55:20,169 --> 01:55:12,480

uh open him which are types of angels uh

2600

01:55:25,189 --> 01:55:22,629

thank you

2601
01:55:26,990 --> 01:55:25,199
mute the music because I'm not sure if

2602
01:55:28,370 --> 01:55:27,000
it's royalty free but this is an

2603
01:55:31,490 --> 01:55:28,380
animation

2604
01:55:34,609 --> 01:55:31,500
on Ken's YouTube

2605
01:55:37,250 --> 01:55:34,619
so like I said uh

2606
01:55:39,229 --> 01:55:37,260
that is uh one of the strange things

2607
01:55:40,550 --> 01:55:39,239
you'll find on his YouTube channel and I

2608
01:55:43,430 --> 01:55:40,560
like strange and interesting things

2609
01:55:45,709 --> 01:55:43,440
myself so uh he's got a bunch of weird

2610
01:55:47,629 --> 01:55:45,719
stuff like this over there as well as uh

2611
01:55:49,430 --> 01:55:47,639
he posts some of his interviews I saw

2612
01:55:51,530 --> 01:55:49,440
that he posted a few clips of our show

2613
01:55:54,290 --> 01:55:51,540

over in his channel and that's fine we

2614

01:55:56,930 --> 01:55:54,300

have uh big Believers in Creative

2615

01:55:59,090 --> 01:55:56,940

Commons so if you want to uh post a clip

2616

01:56:01,189 --> 01:55:59,100

of our show on your Channel or anywhere

2617

01:56:02,990 --> 01:56:01,199

else you're free to do that just please

2618

01:56:04,669 --> 01:56:03,000

provide a link back to our Channel and

2619

01:56:07,189 --> 01:56:04,679

ask people to come and subscribe to our

2620

01:56:10,669 --> 01:56:07,199

channel right

2621

01:56:12,709 --> 01:56:10,679

meat Canyon is weird but funny if you've

2622

01:56:14,750 --> 01:56:12,719

seen his work no I haven't but now I've

2623

01:56:21,950 --> 01:56:14,760

got to look up that and find out what

2624

01:56:25,550 --> 01:56:23,810

mystery Eon says that's the best

2625

01:56:28,790 --> 01:56:25,560

conference solution at the price with

2626
01:56:31,970 --> 01:56:28,800
the decent sensor and lens uh I suppose

2627
01:56:33,609 --> 01:56:31,980
like I said I'm no expert USB Tethered

2628
01:56:37,970 --> 01:56:33,619
to your PC

2629
01:56:39,830 --> 01:56:37,980
yeah uh yeah so uh we've done our due

2630
01:56:41,270 --> 01:56:39,840
diligence I do want to remind you of

2631
01:56:42,290 --> 01:56:41,280
something I'm going to go on over to

2632
01:56:45,649 --> 01:56:42,300
Twitter

2633
01:56:48,229 --> 01:56:45,659
and uh oh wait a minute no actually I'm

2634
01:56:50,149 --> 01:56:48,239
gonna go over to can I do this I don't

2635
01:56:53,330 --> 01:56:50,159
know I've never done this I'm gonna

2636
01:56:54,709 --> 01:56:53,340
tomorrow night at 9 00 PM I want to be

2637
01:56:57,109 --> 01:56:54,719
sure that you are aware that we're

2638
01:57:00,229 --> 01:56:57,119

having a very special guest again

2639

01:57:03,470 --> 01:57:00,239

two great guest nights in a row here

2640

01:57:06,470 --> 01:57:03,480

friends uh and that is

2641

01:57:10,729 --> 01:57:06,480

tomorrow night at 9 00 PM we are gonna

2642

01:57:12,890 --> 01:57:10,739

have Bob kiviati as a guest and boy I

2643

01:57:16,010 --> 01:57:12,900

can't tell you how much of my childhood

2644

01:57:17,450 --> 01:57:16,020

I talked to him and I said I I don't

2645

01:57:19,609 --> 01:57:17,460

know whether to thank you or punch you

2646

01:57:22,609 --> 01:57:19,619

in the face because

2647

01:57:24,830 --> 01:57:22,619

a huge part of the reason that my show

2648

01:57:27,950 --> 01:57:24,840

truth Seekers is here and that I'm here

2649

01:57:30,229 --> 01:57:27,960

is because of Bob kibiati uh he is

2650

01:57:31,189 --> 01:57:30,239

excellent and

2651

01:57:34,550 --> 01:57:31,199

um

2652

01:57:36,890 --> 01:57:34,560

is the producer of many many things that

2653

01:57:39,470 --> 01:57:36,900

you may have seen before like UFOs the

2654

01:57:41,390 --> 01:57:39,480

best evidence ever caught on tape he was

2655

01:57:43,430 --> 01:57:41,400

a writer and producer for Unsolved

2656

01:57:46,669 --> 01:57:43,440

Mysteries and of course

2657

01:57:48,890 --> 01:57:46,679

I think he's probably most famous for

2658

01:57:51,649 --> 01:57:48,900

the highest rated television show about

2659

01:57:56,149 --> 01:57:51,659

UFOs or aliens ever in the history of

2660

01:57:58,089 --> 01:57:56,159

humans and that was the alien autopsy uh

2661

01:58:02,089 --> 01:57:58,099

special on Fox

2662

01:58:05,270 --> 01:58:02,099

uh Bob caveat is a researcher writer

2663

01:58:08,030 --> 01:58:05,280

producer television guy

2664

01:58:10,430 --> 01:58:08,040

um and it's just he's had a very

2665

01:58:12,290 --> 01:58:10,440

interesting run having worked on all

2666

01:58:15,050 --> 01:58:12,300

these amazing projects with Jonathan

2667

01:58:18,109 --> 01:58:15,060

Frakes from uh Star Trek the Next

2668

01:58:20,629 --> 01:58:18,119

Generation Fame and also of course being

2669

01:58:22,189 --> 01:58:20,639

a writer producer involved with Unsolved

2670

01:58:23,990 --> 01:58:22,199

Mysteries and you guys have heard me

2671

01:58:27,290 --> 01:58:24,000

mention that Unsolved Mysteries is a big

2672

01:58:28,970 --> 01:58:27,300

reason why my show is here one of the

2673

01:58:31,070 --> 01:58:28,980

reasons I wanted to do a show like this

2674

01:58:34,250 --> 01:58:31,080

is because I grew up watching Unsolved

2675

01:58:36,410 --> 01:58:34,260

Mysteries somewhere along the way uh we

2676

01:58:38,689 --> 01:58:36,420

went though from we were supposed to

2677

01:58:40,910 --> 01:58:38,699

cover many many strange and mysterious

2678

01:58:43,010 --> 01:58:40,920

Mysteries somehow we got hyper focused

2679

01:58:45,410 --> 01:58:43,020

on UFOs and aliens but I'm hoping that

2680

01:58:48,109 --> 01:58:45,420

will change in the coming days and weeks

2681

01:58:51,290 --> 01:58:48,119

and months we'll see uh but he will be

2682

01:58:54,229 --> 01:58:51,300

here tomorrow night at 9 00 PM eastern

2683

01:58:55,750 --> 01:58:54,239

time and we're going to do a full long

2684

01:58:59,810 --> 01:58:55,760

form interview

2685

01:59:02,109 --> 01:58:59,820

Bob kibiati is making a big comeback with

2686

01:59:05,270 --> 01:59:02,119

some new streaming

2687

01:59:07,609 --> 01:59:05,280

projects all about

2688

01:59:10,250 --> 01:59:07,619

uh all about

2689

01:59:12,950 --> 01:59:10,260

many things he's got one on the Mandela

2690

01:59:14,990 --> 01:59:12,960

effect he's got one called uh one on

2691

01:59:18,050 --> 01:59:15,000

UFOs of course

2692

01:59:20,750 --> 01:59:18,060

and uh he'll be here talking about some

2693

01:59:23,390 --> 01:59:20,760

of his history and of course uh talking

2694

01:59:26,570 --> 01:59:23,400

about his new and upcoming projects he's

2695

01:59:28,669 --> 01:59:26,580

got a bunch of fires in the iron or

2696

01:59:30,950 --> 01:59:28,679

excuse me irons in the fire got that

2697

01:59:34,070 --> 01:59:30,960

backwards he's got a bunch of irons in

2698

01:59:36,770 --> 01:59:34,080

the fire as they say and he will be here

2699

01:59:38,930 --> 01:59:36,780

tomorrow night 9 p.m Eastern Standard

2700

01:59:42,229 --> 01:59:38,940

Time for a full interview here on true

2701
01:59:44,510 --> 01:59:42,239
Seekers very happy to have him big fan

2702
01:59:46,970 --> 01:59:44,520
of many many of the things that he

2703
01:59:49,310 --> 01:59:46,980
produced growing up and projects that he

2704
01:59:51,169 --> 01:59:49,320
was involved in he's a real fascinating

2705
01:59:53,510 --> 01:59:51,179
guy too he and I had a nice talk already

2706
01:59:56,270 --> 01:59:53,520
but we're gonna do we I kept telling him

2707
01:59:58,729 --> 01:59:56,280
like wow this Bob saveefer will save it

2708
02:00:02,510 --> 01:59:58,739
for the interview because he has got

2709
02:00:05,149 --> 02:00:02,520
some incredible stuff to share too and

2710
02:00:07,550 --> 02:00:05,159
uh boy is he not a fan of some people

2711
02:00:09,350 --> 02:00:07,560
I'm also not a fan of and he's got some

2712
02:00:11,510 --> 02:00:09,360
of the inside Scoops that we're going to

2713
02:00:14,030 --> 02:00:11,520

ask him about here

2714

02:00:17,530 --> 02:00:14,040

um he's not dropping breadcrumbs friends

2715

02:00:20,270 --> 02:00:17,540

he's going to be dropping bombs here

2716

02:00:22,810 --> 02:00:20,280

oh some of the stuff that this guy knows

2717

02:00:26,450 --> 02:00:22,820

about is amazing and I hope that we can

2718

02:00:29,149 --> 02:00:26,460

pry some of that from him and get him to

2719

02:00:31,910 --> 02:00:29,159

really open up and share here I am

2720

02:00:34,070 --> 02:00:31,920

anxiously already writing questions and

2721

02:00:37,070 --> 02:00:34,080

trying to figure out how to you know

2722

02:00:39,649 --> 02:00:37,080

navigate this interview

2723

02:00:41,330 --> 02:00:39,659

um it's it's all the stuff that he

2724

02:00:44,030 --> 02:00:41,340

produced was a big part of my childhood

2725

02:00:46,729 --> 02:00:44,040

of course UFO's best evidence ever

2726
02:00:49,310 --> 02:00:46,739
caught on tape one and two he did alien

2727
02:00:52,129 --> 02:00:49,320
autopsy he did um

2728
02:00:53,930 --> 02:00:52,139
uh aliens on the moon like what's really

2729
02:00:56,510 --> 02:00:53,940
going on on the moon remember that one

2730
02:00:59,930 --> 02:00:56,520
that was him and all of that

2731
02:01:02,629 --> 02:00:59,940
uh stuff about Moon Mysteries it was

2732
02:01:07,189 --> 02:01:02,639
really started by him in that show

2733
02:01:08,050 --> 02:01:07,199
and of course alien autopsy boy and the

2734
02:01:11,510 --> 02:01:08,060
greatest

2735
02:01:14,629 --> 02:01:11,520
despite being fake it was the highest

2736
02:01:17,390 --> 02:01:14,639
rated show television show on aliens and

2737
02:01:19,250 --> 02:01:17,400
UFOs ever to this day no one's ever beat

2738
02:01:21,830 --> 02:01:19,260

that and I don't think anybody ever will

2739

02:01:23,330 --> 02:01:21,840

I remember when that came out everybody

2740

02:01:24,890 --> 02:01:23,340

was talking about it you went to the

2741

02:01:26,149 --> 02:01:24,900

store people were talking about it you

2742

02:01:28,970 --> 02:01:26,159

went to the supermarket they were

2743

02:01:30,410 --> 02:01:28,980

talking about it there uh you went to

2744

02:01:32,990 --> 02:01:30,420

church people were talking people were

2745

02:01:35,390 --> 02:01:33,000

asking the priests oh God remember

2746

02:01:38,030 --> 02:01:35,400

somebody asked his father in my Church

2747

02:01:39,890 --> 02:01:38,040

Father Marcel is that really an alien in

2748

02:01:42,350 --> 02:01:39,900

that in that show and and what does that

2749

02:01:43,669 --> 02:01:42,360

mean you know to to Christians and I

2750

02:01:45,709 --> 02:01:43,679

don't remember what he answered but it

2751

02:01:47,570 --> 02:01:45,719

was just amazing to me that

2752

02:01:49,189 --> 02:01:47,580

I was always interested in Aliens so

2753

02:01:51,169 --> 02:01:49,199

maybe that made me happy that suddenly

2754

02:01:52,850 --> 02:01:51,179

everybody else was talking about the

2755

02:01:55,129 --> 02:01:52,860

possibility of aliens and alien

2756

02:01:57,169 --> 02:01:55,139

visitation it is too bad it turned out

2757

02:01:59,450 --> 02:01:57,179

to be a complete total bogus hoax but

2758

02:02:01,430 --> 02:01:59,460

even the story behind how they hoax that

2759

02:02:05,270 --> 02:02:01,440

is fascinating and he's got all the

2760

02:02:06,890 --> 02:02:05,280

inside scoop on that as well so if you

2761

02:02:08,930 --> 02:02:06,900

enjoyed our talk with Philip mantle

2762

02:02:12,530 --> 02:02:08,940

about the inside baseball of the alien

2763

02:02:14,570 --> 02:02:12,540

autopsy uh special uh Bob kibirot has

2764

02:02:16,729 --> 02:02:14,580

even more to share about that it's going

2765

02:02:19,490 --> 02:02:16,739

to be amazing I can't wait to get him

2766

02:02:21,790 --> 02:02:19,500

here and uh and Grill them I'm gonna be

2767

02:02:24,229 --> 02:02:21,800

grilling them you know

2768

02:02:25,669 --> 02:02:24,239

so we'll take a few more comments and

2769

02:02:28,729 --> 02:02:25,679

questions from the audience before

2770

02:02:31,250 --> 02:02:28,739

bouncing on out of here in Judaism the

2771

02:02:33,709 --> 02:02:31,260

Messiah is Earthly and Christianity is

2772

02:02:39,290 --> 02:02:33,719

ethereal

2773

02:02:47,330 --> 02:02:42,950

there's a much more HD camera there

2774

02:02:51,770 --> 02:02:49,089

Sean Woods

2775

02:02:53,990 --> 02:02:51,780

Mandela effect is cover-ups of the past

2776
02:02:55,669 --> 02:02:54,000
I've got some proof of the Volkswagen

2777
02:02:57,350 --> 02:02:55,679
logo yeah I heard that's part of the

2778
02:03:00,950 --> 02:02:57,360
Mandela effect did that change or

2779
02:03:00,960 --> 02:03:06,430
foreign

2780
02:03:11,450 --> 02:03:09,709
is here and says that's rad Stephen I'd

2781
02:03:13,370 --> 02:03:11,460
be a little nervous too that unsolved

2782
02:03:15,410 --> 02:03:13,380
mystery's theme song needs an

2783
02:03:17,689 --> 02:03:15,420
industrialized mix

2784
02:03:21,830 --> 02:03:17,699
yeah I think somebody did something like

2785
02:03:25,010 --> 02:03:21,840
that I've heard it done a certain way uh

2786
02:03:27,709 --> 02:03:25,020
like a like a house music Electronica

2787
02:03:29,950 --> 02:03:27,719
version they took like the sounds the

2788
02:03:33,229 --> 02:03:29,960

famous sounds

2789

02:03:36,290 --> 02:03:33,239

put it over a big fat beat

2790

02:03:38,810 --> 02:03:36,300

um and by the way panzeroflactum I I

2791

02:03:40,370 --> 02:03:38,820

have watched the new version of Unsolved

2792

02:03:43,070 --> 02:03:40,380

Mysteries and it's just not the same

2793

02:03:46,790 --> 02:03:43,080

without Robert Stack was it good

2794

02:03:49,430 --> 02:03:46,800

it was enjoyable but it wasn't the same

2795

02:03:52,189 --> 02:03:49,440

without Robert Stack standing there in

2796

02:03:54,649 --> 02:03:52,199

that trench coat with fog behind him or

2797

02:03:58,209 --> 02:03:54,659

something you know like

2798

02:04:00,950 --> 02:03:58,219

tonight's special broadcast

2799

02:04:05,629 --> 02:04:00,960

I loved Robert Stack and Unsolved

2800

02:04:11,209 --> 02:04:08,990

the Galaxy S21 Ultra you are missing out

2801

02:04:13,370 --> 02:04:11,219

the zoom is close to Nikon oh the

2802

02:04:15,169 --> 02:04:13,380

techies are out in the live chat that's

2803

02:04:17,209 --> 02:04:15,179

that's about my pay grade

2804

02:04:19,550 --> 02:04:17,219

I have a photograph I took outside my

2805

02:04:22,430 --> 02:04:19,560

home of the original 1970s camper van

2806

02:04:25,189 --> 02:04:22,440

with the joined up logo my brother has a

2807

02:04:27,410 --> 02:04:25,199

1970s camper van though John Wood Mass

2808

02:04:29,510 --> 02:04:27,420

why would they change the logo it

2809

02:04:31,729 --> 02:04:29,520

doesn't make sense right

2810

02:04:33,890 --> 02:04:31,739

archaic revival is here and says clearly

2811

02:04:37,669 --> 02:04:33,900

if the government has UFO information it

2812

02:04:39,950 --> 02:04:37,679

doesn't come out I I agree with you or

2813

02:04:44,209 --> 02:04:39,960

they're they're putting out

2814

02:04:48,050 --> 02:04:44,219

a cover story right John Woodman says

2815

02:04:53,990 --> 02:04:50,810

um yes pensorflactum says it's not the

2816

02:04:58,010 --> 02:04:54,000

same his voice made it I agree I agree

2817

02:05:00,589 --> 02:04:58,020

and pinzer I am actually I'm I'm looking

2818

02:05:03,830 --> 02:05:00,599

for a coat like he used to wear and I

2819

02:05:06,410 --> 02:05:03,840

was gonna do as a homage but too bad I

2820

02:05:08,270 --> 02:05:06,420

didn't get it done in time for uh

2821

02:05:10,250 --> 02:05:08,280

Bob Kibby got to be here but I'm still

2822

02:05:12,950 --> 02:05:10,260

gonna do it I'm gonna find one of those

2823

02:05:14,750 --> 02:05:12,960

uh tan trench coats like he used to wear

2824

02:05:16,609 --> 02:05:14,760

and wear a tie and everything and I'm

2825

02:05:19,609 --> 02:05:16,619

gonna do

2826
02:05:21,050 --> 02:05:19,619
um sort of a tribute to Robert Stack on

2827
02:05:23,750 --> 02:05:21,060
the green screen and I'm going to put a

2828
02:05:25,729 --> 02:05:23,760
similar background behind me and try to

2829
02:05:27,770 --> 02:05:25,739
do the unsolved mystery stick for

2830
02:05:30,109 --> 02:05:27,780
something we have coming up here

2831
02:05:31,850 --> 02:05:30,119
love that show growing up and that

2832
02:05:34,790 --> 02:05:31,860
ignited my

2833
02:05:37,129 --> 02:05:34,800
interest in strange Mysteries and all

2834
02:05:39,229 --> 02:05:37,139
strange Mysteries a lot of people forget

2835
02:05:41,810 --> 02:05:39,239
you know it's not just paranormal stuff

2836
02:05:45,589 --> 02:05:41,820
that I'm interested in I'm interested in

2837
02:05:48,229 --> 02:05:45,599
any any mysterious mystery it really it

2838
02:05:50,810 --> 02:05:48,239

really excites me you know uh

2839

02:05:54,109 --> 02:05:50,820

I I love all of these

2840

02:05:55,970 --> 02:05:54,119

cold cases and I love the cold cases

2841

02:05:58,189 --> 02:05:55,980

where they solve them and where they

2842

02:06:01,669 --> 02:05:58,199

show you how they found the murderer

2843

02:06:04,250 --> 02:06:01,679

after 30 years or you know

2844

02:06:07,310 --> 02:06:04,260

found out what happened to a missing

2845

02:06:10,310 --> 02:06:07,320

child after 20 years cold cases are

2846

02:06:12,649 --> 02:06:10,320

really interesting to me right

2847

02:06:14,689 --> 02:06:12,659

Amy Collins says a techie special could

2848

02:06:16,550 --> 02:06:14,699

really bring out some good ideas lots of

2849

02:06:18,709 --> 02:06:16,560

bright minds and experience in the room

2850

02:06:21,229 --> 02:06:18,719

yeah I'm trying to get my studio

2851
02:06:23,030 --> 02:06:21,239
together here and once I do that I'd be

2852
02:06:24,950 --> 02:06:23,040
willing to do that I want to get the

2853
02:06:27,169 --> 02:06:24,960
layer I've already figured out working

2854
02:06:29,689 --> 02:06:27,179
and done I got to get these extra

2855
02:06:32,209 --> 02:06:29,699
cameras going again I happen to see

2856
02:06:34,550 --> 02:06:32,219
footage of

2857
02:06:36,950 --> 02:06:34,560
um happen to see footage

2858
02:06:38,870 --> 02:06:36,960
that was from a while ago when we had

2859
02:06:40,729 --> 02:06:38,880
the multicam setup going and I really

2860
02:06:42,530 --> 02:06:40,739
liked the way it looked and I missed

2861
02:06:44,330 --> 02:06:42,540
doing that so I'm going to get that

2862
02:06:47,570 --> 02:06:44,340
going and a few other things working in

2863
02:06:50,149 --> 02:06:47,580

here that we added since we we bailed

2864

02:06:52,129 --> 02:06:50,159

out and came back so I'm gonna get that

2865

02:06:54,470 --> 02:06:52,139

stuff working and then I'm going to be

2866

02:06:55,310 --> 02:06:54,480

looking for additional new ideas I also

2867

02:06:57,709 --> 02:06:55,320

have

2868

02:06:59,089 --> 02:06:57,719

a bunch of extra weird stuff over there

2869

02:07:06,290 --> 02:06:59,099

uh some

2870

02:07:09,530 --> 02:07:06,300

strange new lighting that we may be

2871

02:07:12,109 --> 02:07:09,540

adding here right yes Patty Wilhelm says

2872

02:07:14,030 --> 02:07:12,119

need the hat and trench coat yes

2873

02:07:16,010 --> 02:07:14,040

check the thrift stores for this code

2874

02:07:18,830 --> 02:07:16,020

and very much the same for me Stephen

2875

02:07:20,750 --> 02:07:18,840

yeah I I love that growing up I'm gonna

2876

02:07:23,570 --> 02:07:20,760

check eBay I checked the thrift stores

2877

02:07:25,669 --> 02:07:23,580

there's only one near me a Goodwill and

2878

02:07:27,709 --> 02:07:25,679

they didn't have anything even close so

2879

02:07:29,810 --> 02:07:27,719

it's got to be that tan

2880

02:07:31,490 --> 02:07:29,820

full length trench coat like he used to

2881

02:07:33,649 --> 02:07:31,500

wear right

2882

02:07:35,930 --> 02:07:33,659

the case of Albert Fish gave me its

2883

02:07:37,970 --> 02:07:35,940

chills I'm aware of that one if you have

2884

02:07:48,589 --> 02:07:37,980

a strong stomach then look into it yes

2885

02:07:53,330 --> 02:07:50,810

mysterious Eon is not allowed new things

2886

02:07:59,330 --> 02:07:53,340

he covers them in glue and paint

2887

02:08:03,350 --> 02:08:01,129

and I agree that means that will affect

2888

02:08:06,169 --> 02:08:03,360

sometimes does not make any sense at all

2889

02:08:12,709 --> 02:08:06,179

Bob Perkins is back here what's going on

2890

02:08:17,390 --> 02:08:15,589

invisible night school says Diana pasoka

2891

02:08:20,270 --> 02:08:17,400

is a friend not sure what that's about

2892

02:08:21,950 --> 02:08:20,280

yeah so we're gonna it's we're just over

2893

02:08:24,169 --> 02:08:21,960

two hours we're gonna bounce on out of

2894

02:08:26,629 --> 02:08:24,179

here so I want to thank my guests

2895

02:08:28,550 --> 02:08:26,639

tonight we were uh he's a really

2896

02:08:29,689 --> 02:08:28,560

interesting guy I'm sure that we'll have

2897

02:08:32,750 --> 02:08:29,699

him back

2898

02:08:35,709 --> 02:08:32,760

soon to talk about other topics he's

2899

02:08:39,109 --> 02:08:35,719

very well researched well-read

2900

02:08:40,609 --> 02:08:39,119

individual who is uh really

2901

02:08:42,530 --> 02:08:40,619

knowledgeable about many different

2902

02:08:44,750 --> 02:08:42,540

subjects that I have interest in and I

2903

02:08:46,669 --> 02:08:44,760

hope you will too we want to thank Our

2904

02:08:48,470 --> 02:08:46,679

Kind and Generous benefactors and remind

2905

02:08:50,209 --> 02:08:48,480

you you can join our patreon for as

2906

02:08:51,950 --> 02:08:50,219

little as a dollar a month or become a

2907

02:08:53,810 --> 02:08:51,960

channel member click that join button

2908

02:08:55,669 --> 02:08:53,820

and you get all the patreon benefits

2909

02:08:57,410 --> 02:08:55,679

that you get for the book a month but

2910

02:08:59,589 --> 02:08:57,420

you get a bunch of extra YouTube goodies

2911

02:09:02,510 --> 02:08:59,599

and that's five bucks a month or

2912

02:09:04,129 --> 02:09:02,520

uh you could just throw money at us we

2913

02:09:07,790 --> 02:09:04,139

any way that you want to support our

2914

02:09:10,970 --> 02:09:07,800

show is is appreciated we want to thank

2915

02:09:14,330 --> 02:09:10,980

all of the kind audience members who

2916

02:09:16,609 --> 02:09:14,340

came here tonight for tonight's show I

2917

02:09:19,129 --> 02:09:16,619

want to remind you once again Bob kiviatic

2918

02:09:21,169 --> 02:09:19,139

of Unsolved Mysteries and alien autopsy

2919

02:09:24,589 --> 02:09:21,179

Fame will be here tomorrow night our

2920

02:09:27,589 --> 02:09:24,599

very special guest uh and uh we've got

2921

02:09:29,750 --> 02:09:27,599

some more surprises for you before the

2922

02:09:32,510 --> 02:09:29,760

week is out I'm putting my foot on the

2923

02:09:35,870 --> 02:09:32,520

gas again and firing on all cylinders

2924

02:09:37,689 --> 02:09:35,880

creating some uh amazing new content 10

2925

02:09:40,129 --> 02:09:37,699

for all of you

2926

02:09:42,169 --> 02:09:40,139

so we'll be back tomorrow night at 9 00

2927

02:09:44,270 --> 02:09:42,179

PM maybe I'll announce what else is

2928

02:09:44,930 --> 02:09:44,280

going to happen this week

2929

02:09:47,870 --> 02:09:44,940

um

2930

02:09:50,870 --> 02:09:47,880

tomorrow night in fact I'll be up all

2931

02:09:52,250 --> 02:09:50,880

night working on uh some of that Amy

2932

02:09:54,229 --> 02:09:52,260

Collins is here and says Thank You

2933

02:09:57,589 --> 02:09:54,239

Stephen Cannon all who joined in the

2934

02:10:00,530 --> 02:09:57,599

live chat or are watching later yeah uh

2935

02:10:02,510 --> 02:10:00,540

hello to the replay crew we love you too

2936

02:10:04,970 --> 02:10:02,520

if you can't make the live show make the

2937

02:10:06,470 --> 02:10:04,980

replays and now is a good time for me to

2938

02:10:08,390 --> 02:10:06,480

also remind you that if you're listening

2939

02:10:11,629 --> 02:10:08,400

an audio podcast and you're missing

2940

02:10:13,850 --> 02:10:11,639

half the fun so go on over to YouTube

2941

02:10:16,070 --> 02:10:13,860

and click that little magnifying glass

2942

02:10:18,709 --> 02:10:16,080

button the search bar put true Seekers

2943

02:10:20,330 --> 02:10:18,719

one word in the search bar truth Seekers

2944

02:10:23,089 --> 02:10:20,340

but one word

2945

02:10:25,550 --> 02:10:23,099

and when you do that

2946

02:10:27,169 --> 02:10:25,560

and hit that search you will see me the

2947

02:10:29,570 --> 02:10:27,179

strange guy with the sunglasses that

2948

02:10:32,870 --> 02:10:29,580

means that you have found our channel

2949

02:10:34,550 --> 02:10:32,880

here truth Seekers on YouTube go to that

2950

02:10:36,410 --> 02:10:34,560

Channel smash the Subscribe button hit

2951

02:10:38,450 --> 02:10:36,420

the notification Bell and you too will

2952

02:10:40,609 --> 02:10:38,460

know when we're doing a live show and

2953

02:10:43,729 --> 02:10:40,619

can come here and be a part of the

2954

02:10:45,229 --> 02:10:43,739

festivities you are most welcome here we

2955

02:10:47,870 --> 02:10:45,239

love you listening and audio podcast

2956

02:10:50,990 --> 02:10:47,880

land but we would love it if you came

2957

02:10:53,510 --> 02:10:51,000

over and be become a part of the live

2958

02:10:55,910 --> 02:10:53,520

chat experience here you can see you can

2959

02:10:58,250 --> 02:10:55,920

ask questions interact with the live

2960

02:11:01,430 --> 02:10:58,260

guests that we have you are most welcome

2961

02:11:03,470 --> 02:11:01,440

here and I wouldn't be a good YouTuber

2962

02:11:05,689 --> 02:11:03,480

if I didn't also remind you to please

2963

02:11:07,970 --> 02:11:05,699

all of you people within the sound of my

2964

02:11:10,370 --> 02:11:07,980

voice another way that you can really

2965

02:11:12,770 --> 02:11:10,380

hugely support the show is by liking

2966

02:11:14,930 --> 02:11:12,780

commenting subscribing and sharing these

2967

02:11:18,229 --> 02:11:14,940

videos it really does help improve our

2968

02:11:20,870 --> 02:11:18,239

reach find new viewers and listeners and

2969

02:11:22,430 --> 02:11:20,880

supporters uh somebody may have shared

2970

02:11:24,589 --> 02:11:22,440

one of our videos with you and that's

2971

02:11:26,810 --> 02:11:24,599

why you're here it's time to pay it

2972

02:11:29,030 --> 02:11:26,820

forward so please do copy this video

2973

02:11:32,390 --> 02:11:29,040

link put on your Facebook your Twitter

2974

02:11:35,410 --> 02:11:32,400

send it in PMS DMS send it to your

2975

02:11:38,689 --> 02:11:35,420

grandma she might like it you don't know

2976

02:11:41,270 --> 02:11:38,699

whatever works whatever will help us

2977

02:11:43,430 --> 02:11:41,280

rise in the search engine and now is the

2978

02:11:46,430 --> 02:11:43,440

time where I say my daily prayer to the

2979

02:11:49,250 --> 02:11:46,440

YouTube AI algorithm

2980

02:11:52,129 --> 02:11:49,260

AIO algorithm Overlord please find favor

2981

02:11:56,570 --> 02:11:52,139

in us please rise Us in the search

2982

02:11:59,450 --> 02:11:56,580

engine please please help us to grow our

2983

02:12:02,390 --> 02:11:59,460

show so that we may Worship You better

2984

02:12:05,270 --> 02:12:02,400

AI algorithm God in Google's name we

2985

02:12:07,910 --> 02:12:05,280

pray amen every day I say a prayer to

2986

02:12:10,970 --> 02:12:07,920

that YouTube algorithm

2987

02:12:13,810 --> 02:12:10,980

um yeah my hand is in the my life is in

2988

02:12:16,790 --> 02:12:13,820

the hands of a YouTube uh algorithm

2989

02:12:18,950 --> 02:12:16,800

murdering UFO land yes coming as soon as

2990

02:12:21,589 --> 02:12:18,960

I can possibly get it everybody's

2991

02:12:23,530 --> 02:12:21,599

waiting for that uh and and we will

2992

02:12:25,189 --> 02:12:23,540

certainly have uh

2993

02:12:34,250 --> 02:12:25,199

the

2994

02:12:37,609 --> 02:12:34,260

like I'm writing video editing doing

2995

02:12:39,649 --> 02:12:37,619

some custom music for this and sound

2996

02:12:41,990 --> 02:12:39,659

effects and it's going to be really

2997

02:12:44,990 --> 02:12:42,000

great it's going to be my best work ever

2998

02:12:47,390 --> 02:12:45,000

at least I feel it is uh both from an

2999

02:12:48,950 --> 02:12:47,400

investigative standpoint from a research

3000

02:12:51,470 --> 02:12:48,960

standpoint and from a production

3001

02:12:53,870 --> 02:12:51,480

standpoint it's coming together so well

3002

02:12:56,030 --> 02:12:53,880

that I'm getting a little uh anxiety

3003

02:12:57,290 --> 02:12:56,040

about it and I keep working hard and on

3004

02:12:59,109 --> 02:12:57,300

the harder and harder though and that's

3005

02:13:02,149 --> 02:12:59,119

not good enough let's try it again and

3006

02:13:04,609 --> 02:13:02,159

uh I'm an anxiety-ridden mess when it

3007

02:13:06,410 --> 02:13:04,619

comes to new things but the hardest one

3008

02:13:09,410 --> 02:13:06,420

is always the first one in this series

3009

02:13:11,030 --> 02:13:09,420

we will have that to you as quickly as

3010

02:13:13,189 --> 02:13:11,040

we possibly can

3011

02:13:16,069 --> 02:13:13,199

so that's all I got for you for tonight

3012

02:13:18,470 --> 02:13:16,079

friends uh I'm aware there's some drama

3013

02:13:20,149 --> 02:13:18,480

and people for sure want me to talk

3014

02:13:23,089 --> 02:13:20,159

about that but I'm not going to today

3015

02:13:26,290 --> 02:13:23,099

because uh that person is not worth it

3016

02:13:28,490 --> 02:13:26,300

and we will leave him in his own

3017

02:13:30,589 --> 02:13:28,500

self-imposed hell where he has to

3018

02:13:32,510 --> 02:13:30,599

pretend that him and the people he works

3019

02:13:35,209 --> 02:13:32,520

with are credible and that's good enough

3020

02:13:37,370 --> 02:13:35,219

for me for tonight so that's all I got

3021

02:13:39,229 --> 02:13:37,380

for you friends until next time my name

3022

02:13:43,520 --> 02:13:39,239

is Stephen Camby and good night and God

3023

02:14:43,440 --> 02:14:03,890

[Music]

3024

02:15:02,490 --> 02:14:43,450

thank you

3025

02:15:03,850 --> 02:15:02,500

[Music]

3026
02:15:22,270 --> 02:15:03,860
[Applause]

3027
02:15:24,220 --> 02:15:22,280
[Music]

3028
02:15:25,370 --> 02:15:24,230
thank you

3029
02:15:27,580 --> 02:15:25,380
[Music]

3030
02:15:42,710 --> 02:15:27,590
foreign

3031
02:15:42,720 --> 02:15:51,950
[Music]

3032
02:15:51,960 --> 02:16:07,729
[Laughter]

3033
02:16:07,739 --> 02:16:16,910
foreign

3034
02:16:21,530 --> 02:16:19,189
hello I'm Tom DeLong and thanks for

3035
02:16:23,149 --> 02:16:21,540
joining us live today this quote above

3036
02:16:24,290 --> 02:16:23,159
me actually happened to me this past

3037
02:16:27,109 --> 02:16:24,300
year

3038
02:16:31,970 --> 02:16:27,119

I sometimes call to the Stars a science

3039

02:16:34,790 --> 02:16:33,650

question Jeff where are you right there

3040

02:16:38,089 --> 02:16:34,800

yeah

3041

02:16:39,349 --> 02:16:38,099

um I just want to thank each and every

3042

02:16:47,870 --> 02:16:39,359

one of y'all

3043

02:16:51,410 --> 02:16:49,509

thank you thank you

3044

02:16:54,709 --> 02:16:51,420

all guys

3045

02:16:56,650 --> 02:16:54,719

you're awesome thank you so much Mr for

3046

02:16:59,330 --> 02:16:56,660

saying what needed to be said

3047

02:17:01,129 --> 02:16:59,340

I don't want to

3048

02:17:03,950 --> 02:17:01,139

see

3049

02:17:06,589 --> 02:17:03,960

now God damn it Bobby I don't care what

3050

02:17:10,190 --> 02:17:06,599

Chris Mellon said on Fox News you're not

3051
02:17:12,410 --> 02:17:10,200
giving money to that Blink 182 fella I

3052
02:17:15,349 --> 02:17:12,420
did they promised to build a spaceship

3053
02:17:17,690 --> 02:17:15,359
no one's building a spaceship Bobby a

3054
02:17:24,950 --> 02:17:17,700
Daily Mail reported that those people

3055
02:17:30,889 --> 02:17:28,129
so uh I'm I'm trying to find this video

3056
02:17:32,750 --> 02:17:30,899
this YouTube and share it and I mean it

3057
02:17:38,150 --> 02:17:32,760
was just in an office in West Virginia

3058
02:17:41,030 --> 02:17:38,160
and and uh uh a student was visiting and

3059
02:17:42,110 --> 02:17:41,040
had a had a video camera and took a

3060
02:17:49,370 --> 02:17:42,120
picture

3061
02:17:51,950 --> 02:17:49,380
of me and uh that that that's it so

3062
02:17:55,310 --> 02:17:51,960
there's no no props or anything like

3063
02:17:57,650 --> 02:17:55,320

that but it was just for a little it was

3064

02:17:59,870 --> 02:17:57,660

just a little um experiment or a little

3065

02:18:02,509 --> 02:17:59,880

show right I mean it wasn't for a

3066

02:18:04,490 --> 02:18:02,519

specific person it was just for uh for a

3067

02:18:07,310 --> 02:18:04,500

specific purpose it was just for fun

3068

02:18:11,270 --> 02:18:07,320

right yes it was just just for fun and

3069

02:18:13,790 --> 02:18:11,280

just to uh just to uh demonstrate how

3070

02:18:15,110 --> 02:18:13,800

this uh yeah yeah to damage demonstrate

3071

02:18:17,570 --> 02:18:15,120

uh

3072

02:18:20,209 --> 02:18:17,580

demonstrate the

3073

02:18:25,490 --> 02:18:22,429

some of the concepts in the book and

3074

02:18:27,410 --> 02:18:25,500

that that's it that's it okay I'm fine

3075

02:19:37,450 --> 02:18:27,420

I'm going to find it and I'm going to

3076

02:19:43,429 --> 02:19:40,209

this is Trixie Roost reporting

3077

02:19:44,209 --> 02:19:43,439

exclusively for the truth Seekers UFO

3078

02:19:47,349 --> 02:19:44,219

desk

3079

02:19:50,990 --> 02:19:47,359

one of our eagle-eyed community members

3080

02:19:55,070 --> 02:19:51,000

just called in to report a battle

3081

02:20:00,290 --> 02:19:55,080

between the space Zulus and the Angela

3082

02:20:01,929 --> 02:20:00,300

so I got out of my tusk to investigate

3083

02:20:05,389 --> 02:20:01,939

this product

3084

02:20:08,270 --> 02:20:05,399

unfortunately it just turned out to be a

3085

02:20:13,090 --> 02:20:08,280

simple Barbara in Philadelphia

3086

02:20:30,230 --> 02:20:16,810

I love looking Bob lazar's butthole

3087

02:20:36,349 --> 02:20:32,889

hey you apology

3088

02:20:39,110 --> 02:20:36,359

k-i-s-s keep it simple stupid simple

3089

02:20:41,090 --> 02:20:39,120

principles are easy to enforce and my

3090

02:20:46,010 --> 02:20:41,100

cat Arlo agrees

3091

02:20:49,429 --> 02:20:47,450

right

3092

02:20:52,010 --> 02:20:49,439

easy

3093

02:20:53,870 --> 02:20:52,020

if nobody told they loved it today

3094

02:21:03,240 --> 02:20:53,880

somebody just did

3095

02:21:03,250 --> 02:21:24,849

[Music]

3096

02:21:28,910 --> 02:21:27,349

here's what I want you to do if the Lord

3097

02:21:30,830 --> 02:21:28,920

is speaking to you

3098

02:21:34,130 --> 02:21:30,840

let's just bring some baskets down just

3099

02:21:36,290 --> 02:21:34,140

leave them there I'm not finished I got

3100

02:21:38,210 --> 02:21:36,300

one more point to make this is what I

3101

02:21:40,309 --> 02:21:38,220

want you to do thank you Miss Marguerite

3102

02:21:41,929 --> 02:21:40,319

I brought her because I want you to

3103

02:21:44,750 --> 02:21:41,939

understand that the work

3104

02:21:47,150 --> 02:21:44,760

must continue this is not a plea for

3105

02:21:50,870 --> 02:21:47,160

money it's a plea for partnership so

3106

02:21:53,210 --> 02:21:50,880

that we can be what we're supposed to be

3107

02:21:56,570 --> 02:21:53,220

[Applause]

3108

02:21:58,150 --> 02:21:56,580

I just need 497 people

3109

02:22:07,910 --> 02:21:58,160

say

3110

02:22:12,469 --> 02:22:10,130

I like being able to help others I like

3111

02:22:14,389 --> 02:22:12,479

being able to fulfill my dreams and you

3112

02:22:16,370 --> 02:22:14,399

know it takes money to do what we're

3113

02:22:18,170 --> 02:22:16,380

doing that's you know that's why God

3114

02:22:19,969 --> 02:22:18,180

gives you influence to help the world to

3115

02:22:21,469 --> 02:22:19,979

make make it a better place we don't ask

3116

02:22:23,389 --> 02:22:21,479

for money and people send in millions of

3117

02:22:24,830 --> 02:22:23,399

dollars to help us keep the broadcast on

3118

02:22:26,990 --> 02:22:24,840

the air I don't think there's anything

3119

02:22:29,690 --> 02:22:27,000

wrong with having a nice place to live

3120

02:22:31,490 --> 02:22:29,700

and being blessed and money should never

3121

02:22:33,349 --> 02:22:31,500

be the focus of your life if that's all

3122

02:22:35,450 --> 02:22:33,359

you're doing that's that's shallow you

3123

02:22:38,580 --> 02:22:35,460

should you know it should be to to be a

3124

02:22:52,969 --> 02:22:50,150

[Music]

3125

02:22:54,950 --> 02:22:52,979

that is God penetrating your heart it's

3126

02:22:56,570 --> 02:22:54,960

burning on the inside of you and you

3127

02:22:58,610 --> 02:22:56,580

need to make a vow of faith of a

3128

02:23:00,889 --> 02:22:58,620

thousand dollars oh Bob couldn't you say

3129

02:23:03,349 --> 02:23:00,899

25 no

3130

02:23:05,990 --> 02:23:03,359

if you can't make a thousand dollar vow

3131

02:23:07,190 --> 02:23:06,000

of faith I'm saying in faith

3132

02:23:09,770 --> 02:23:07,200

so we got people that don't have

3133

02:23:11,389 --> 02:23:09,780

teenagers that have no hardly nothing

3134

02:23:12,830 --> 02:23:11,399

going for them they got enough Faith to

3135

02:23:14,389 --> 02:23:12,840

make a thousand dollar bow and send them

3136

02:23:17,330 --> 02:23:14,399

five dollars here and ten dollars there

3137

02:23:20,090 --> 02:23:17,340

as God begins to move like a whirlwind

3138

02:23:23,030 --> 02:23:21,469

because they don't have that old

3139

02:23:24,950 --> 02:23:23,040

programming of religion but this isn't

3140

02:23:27,770 --> 02:23:24,960

the way we do it in my church forget

3141

02:23:29,090 --> 02:23:27,780

your church I'm talking about what God

3142

02:23:30,170 --> 02:23:29,100

says and if you want the kind of

3143

02:23:31,969 --> 02:23:30,180

Miracles

3144

02:23:33,230 --> 02:23:31,979

you're going to have to do what God Said

3145

02:23:34,610 --> 02:23:33,240

to do

3146

02:23:37,670 --> 02:23:34,620

and I've got the faith to believe

3147

02:23:39,230 --> 02:23:37,680

they'll come to pass this is hot soil or

3148

02:23:42,050 --> 02:23:39,240

anyone that's got the faith

3149

02:23:45,170 --> 02:23:42,060

so into it right now

3150

02:23:46,670 --> 02:23:45,180

I mean right now I mean right now not

3151

02:23:49,070 --> 02:23:46,680

tomorrow that's part of your problem

3152

02:23:50,750 --> 02:23:49,080

God's already spoken a word to you and

3153

02:23:54,530 --> 02:23:50,760

told you to do it you need to do it

3154

02:23:56,870 --> 02:23:54,540

right now if you'll start now and get

3155

02:23:58,969 --> 02:23:56,880

your seat of faith into the ground it'll

3156

02:24:00,410 --> 02:23:58,979

begin to grow and God begin to begin to

3157

02:24:02,750 --> 02:24:00,420

move

3158

02:24:04,490 --> 02:24:02,760

thank you Lord thank you Lord thank you

3159

02:24:06,710 --> 02:24:04,500

Lord this is somebody's day of harvest

3160

02:24:09,110 --> 02:24:06,720

you see there's a time to fasten the

3161

02:24:10,670 --> 02:24:09,120

time to Feast there's a time to sow so

3162

02:24:12,349 --> 02:24:10,680

there'll be a time to read many people

3163

02:24:14,590 --> 02:24:12,359

on a reef and they want to Feast but

3164

02:24:18,050 --> 02:24:14,600

they're not willing to pay the price

3165

02:24:20,750 --> 02:24:18,060

to sow in order that they can re-feed

3166

02:24:23,450 --> 02:24:20,760

you can't see what's not seen until you

3167

02:24:25,309 --> 02:24:23,460

let go of what is seen and that's I'm

3168

02:24:27,170 --> 02:24:25,319

talking about your money because your

3169

02:24:28,790 --> 02:24:27,180

money is you it's your blood it's your

3170

02:24:30,290 --> 02:24:28,800

switch your tears it's driving down the

3171

02:24:32,929 --> 02:24:30,300

freeways it's going to work it's

3172

02:24:36,650 --> 02:24:32,939

believing it's you

3173

02:24:38,090 --> 02:24:36,660

letting go of it makes room for the new

3174

02:24:40,910 --> 02:24:38,100

lost wife didn't want to go home and

3175

02:24:43,010 --> 02:24:40,920

that was the end thank you Lord I have

3176

02:24:44,990 --> 02:24:43,020

said your word and now I'm going to pray

3177

02:24:46,969 --> 02:24:45,000

for those that got the faith to do

3178

02:24:49,910 --> 02:24:46,979

something with what they believe thank

3179

02:24:51,950 --> 02:24:49,920

you Jesus here's a thousand dollar van

3180

02:24:55,190 --> 02:24:51,960

thank you Lord thank you Lord you say

3181

02:24:58,610 --> 02:24:55,200

you want to make a 500 valve then do it

3182

02:25:01,309 --> 02:24:58,620

then do it if that takes faith for you

3183

02:25:03,710 --> 02:25:01,319

do it you'll make a hundred dollars if

3184

02:25:08,840 --> 02:25:03,720

that takes Faith say I like a thousand

3185

02:25:15,110 --> 02:25:12,730

[Music]

3186

02:25:18,110 --> 02:25:15,120

I believe that you will agree with me

3187

02:25:20,809 --> 02:25:18,120

when I say that in the last few months

3188

02:25:22,910 --> 02:25:20,819

that and especially the last few weeks

3189

02:25:26,929 --> 02:25:22,920

that the anointing of the Holy Spirit on

3190

02:25:28,550 --> 02:25:26,939

The Telecast has been exceptional the

3191

02:25:30,410 --> 02:25:28,560

letters that we are receiving the

3192

02:25:32,750 --> 02:25:30,420

comments that you're giving us but above

3193

02:25:35,150 --> 02:25:32,760

all it's just there and we thank the

3194

02:25:38,270 --> 02:25:35,160

Lord so much for it because it is the

3195

02:25:40,190 --> 02:25:38,280

anointing that breaks the Earth it

3196

02:25:41,809 --> 02:25:40,200

breaks that your Cassandra whatever the

3197

02:25:44,809 --> 02:25:41,819

Yoke may be

3198

02:25:47,270 --> 02:25:44,819

I want to thank you also for the help

3199

02:25:49,790 --> 02:25:47,280

that you gave us last week concerning

3200

02:25:52,670 --> 02:25:49,800

the appeals that we made how we are

3201

02:25:55,010 --> 02:25:52,680

rejoicing I wish I could give you a

3202

02:25:58,429 --> 02:25:55,020

total now I can't I just can't I don't

3203

02:26:00,950 --> 02:25:58,439

have it yeah but I'm asking you please

3204

02:26:02,570 --> 02:26:00,960

God spoke with a lot of you that did not

3205

02:26:05,870 --> 02:26:02,580

respond

3206

02:26:08,330 --> 02:26:05,880

and we love you and we thank you but

3207

02:26:11,150 --> 02:26:08,340

when God speaks to you I know he'll

3208

02:26:13,910 --> 02:26:11,160

bless you if you will respond and if you

3209

02:26:33,080 --> 02:26:13,920

could send a gift of fifty dollars

3210

02:27:09,590 --> 02:26:59,770

[Music]

3211

02:27:09,600 --> 02:27:20,410

foreign

3212

02:27:40,730 --> 02:27:34,700

[Music]

3213

02:27:50,790 --> 02:27:43,480

foreign

3214

02:28:15,290 --> 02:28:01,490

[Music]

3215

02:28:25,150 --> 02:28:17,530

foreign

3216

02:28:25,660 --> 02:28:25,160

[Music]

3217

02:28:50,580 --> 02:28:25,670

[Applause]

3218

02:28:52,630 --> 02:28:50,590

[Music]

3219

02:28:56,809 --> 02:28:52,640

[Applause]

3220

02:28:58,170 --> 02:28:56,819

[Music]

3221

02:29:20,820 --> 02:28:58,180

foreign

3222

02:29:21,820 --> 02:29:20,830

[Music]

3223

02:29:33,349 --> 02:29:21,830

[Applause]
