

BOB KIVIAT

IN CONVERSATION

U N S O L V E D
mysteries

Truth Seekers

1
00:00:06,580 --> 00:00:19,390

[Music]

2
00:00:19,400 --> 00:00:28,220

thank you

3
00:00:38,870 --> 00:00:33,990

[Music]

4
00:00:41,810 --> 00:00:38,880

greetings and salutations friends and

5
00:00:43,670 --> 00:00:41,820

welcome back uh it is a special night at

6
00:00:49,069 --> 00:00:43,680

least for me and I hope it will be for

7
00:00:51,770 --> 00:00:49,079

you too I grew up uh watching uh so much

8
00:00:55,369 --> 00:00:51,780

of the work of tonight's guests uh

9
00:00:57,830 --> 00:00:55,379

whether it was uh fact or fiction uh

10
00:01:00,950 --> 00:00:57,840

Unsolved Mysteries and of course the

11
00:01:03,470 --> 00:01:00,960

most famous the probably the highest

12
00:01:06,530 --> 00:01:03,480

rated television show about UFOs and

13
00:01:10,070 --> 00:01:06,540

aliens that ever was broadcast alien

14

00:01:13,670 --> 00:01:10,080

autopsy uh he has been involved in so

15

00:01:16,070 --> 00:01:13,680

many projects and it is really it's safe

16

00:01:18,410 --> 00:01:16,080

to say that if not for tonight's guests

17

00:01:20,690 --> 00:01:18,420

true Seekers would not exist I was

18

00:01:23,810 --> 00:01:20,700

heavily inspired by the television shows

19

00:01:26,090 --> 00:01:23,820

that he wrote and produced for uh and

20

00:01:28,370 --> 00:01:26,100

especially you guys all know this what a

21

00:01:30,469 --> 00:01:28,380

fan of Unsolved Mysteries I was I have

22

00:01:33,410 --> 00:01:30,479

fond memories growing up of watching

23

00:01:35,390 --> 00:01:33,420

that show every week it was all every

24

00:01:37,370 --> 00:01:35,400

time it was on my father and I who never

25

00:01:39,410 --> 00:01:37,380

agreed on anything would agree to sit

26
00:01:41,690 --> 00:01:39,420
down and spend quality time together

27
00:01:43,569 --> 00:01:41,700
exploring the strange Mysteries that the

28
00:01:47,390 --> 00:01:43,579
show always presented

29
00:01:50,870 --> 00:01:47,400
he's quite a controversial figure and uh

30
00:01:52,850 --> 00:01:50,880
he's making quite a comeback lately with

31
00:01:54,830 --> 00:01:52,860
some exciting new projects that he's

32
00:01:57,230 --> 00:01:54,840
going to be discussing with us tonight

33
00:02:01,490 --> 00:01:57,240
we're going to get the inside baseball

34
00:02:05,030 --> 00:02:01,500
on his new projects but I would like to

35
00:02:08,870 --> 00:02:05,040
explore some of his amazing history and

36
00:02:12,170 --> 00:02:08,880
I welcome you to come along with us Mr

37
00:02:13,850 --> 00:02:12,180
Robert good to see you nice to be with

38
00:02:16,070 --> 00:02:13,860

you Steve and that was very touching I

39

00:02:19,010 --> 00:02:16,080

appreciated that little yeah Mr kibiot

40

00:02:21,770 --> 00:02:19,020

it's I joked with him off air friends I

41

00:02:24,470 --> 00:02:21,780

said when when I'm gonna meet Robert in

42

00:02:26,270 --> 00:02:24,480

person and when I do I'm not sure if I'm

43

00:02:28,369 --> 00:02:26,280

going to hug him and thank him for

44

00:02:30,229 --> 00:02:28,379

sending me down this strange mysterious

45

00:02:32,510 --> 00:02:30,239

Road or if I'm gonna punch him in the

46

00:02:34,910 --> 00:02:32,520

face right

47

00:02:37,070 --> 00:02:34,920

I I feel that I understand that Steve I

48

00:02:39,290 --> 00:02:37,080

get it so before we get to your new

49

00:02:43,130 --> 00:02:39,300

projects I gotta ask you a few questions

50

00:02:45,229 --> 00:02:43,140

about some of your old projects like how

51
00:02:47,330 --> 00:02:45,239
did how how did you come up with some of

52
00:02:49,190 --> 00:02:47,340
these Concepts and get them on

53
00:02:52,309 --> 00:02:49,200
television and remember for those

54
00:02:54,410 --> 00:02:52,319
unaware there was a time when this was a

55
00:02:56,809 --> 00:02:54,420
very taboo subject you couldn't have a

56
00:03:00,470 --> 00:02:56,819
television show about these things you

57
00:03:03,290 --> 00:03:00,480
couldn't really explore them in a in a

58
00:03:05,030 --> 00:03:03,300
real professional and scientific way it

59
00:03:08,630 --> 00:03:05,040
was the stuff of just tabloids before

60
00:03:09,949 --> 00:03:08,640
you got here right well my kind of

61
00:03:12,170 --> 00:03:09,959
career Arc is pretty simple to

62
00:03:13,850 --> 00:03:12,180
understand I was a journalist at College

63
00:03:15,830 --> 00:03:13,860

grabbed my college paper a big State

64

00:03:17,690 --> 00:03:15,840

School in New York

65

00:03:19,190 --> 00:03:17,700

um I freaked out the professors one day

66

00:03:21,050 --> 00:03:19,200

when they came and said hey Bob you were

67

00:03:22,790 --> 00:03:21,060

elected editor-in-chief of the newspaper

68

00:03:24,470 --> 00:03:22,800

what do you think the most important

69

00:03:27,170 --> 00:03:24,480

stories are right now for people your

70

00:03:28,369 --> 00:03:27,180

age 18 to 26 you know and I said well

71

00:03:29,390 --> 00:03:28,379

it's funny you should say that way

72

00:03:31,610 --> 00:03:29,400

because they were talking about the

73

00:03:33,229 --> 00:03:31,620

draft back then and I said you know the

74

00:03:36,050 --> 00:03:33,239

two most important story I think

75

00:03:39,350 --> 00:03:36,060

Professor would be uh or we could have a

76

00:03:41,809 --> 00:03:39,360

nuclear war in my lifetime maybe even I

77

00:03:43,970 --> 00:03:41,819

think and maybe the aliens may come back

78

00:03:46,369 --> 00:03:43,980

come back or even for the first time and

79

00:03:49,850 --> 00:03:46,379

save us from that so he looked at me

80

00:03:52,369 --> 00:03:49,860

like I was a martian I appreciated that

81

00:03:54,589 --> 00:03:52,379

look but uh I did believe what I said I

82

00:03:57,830 --> 00:03:54,599

do believe that

83

00:03:59,570 --> 00:03:57,840

there's a connection between UFOs the

84

00:04:02,089 --> 00:03:59,580

sightings that happened in the 40s 50s

85

00:04:04,369 --> 00:04:02,099

47 especially and the fact that the

86

00:04:06,949 --> 00:04:04,379

Enola Gay took off pretty much from

87

00:04:10,190 --> 00:04:06,959

Roswell to drop the bomb on Hiroshima

88

00:04:12,410 --> 00:04:10,200

and as far as you can tell if an alien

89

00:04:14,630 --> 00:04:12,420

race is looking at the Earth and sees a

90

00:04:17,569 --> 00:04:14,640

plane go kill hundreds of thousands of

91

00:04:19,310 --> 00:04:17,579

people with a nuclear bomb that may be a

92

00:04:20,870 --> 00:04:19,320

moment in our history they may want to

93

00:04:22,670 --> 00:04:20,880

start looking more carefully at us or

94

00:04:25,370 --> 00:04:22,680

not so when I said that to that

95

00:04:28,129 --> 00:04:25,380

Professor I had no goal to go into this

96

00:04:31,490 --> 00:04:28,139

business I never wanted to do it in fact

97

00:04:33,230 --> 00:04:31,500

I was motivated by a by a special that

98

00:04:36,230 --> 00:04:33,240

was on actually it was a documentary I

99

00:04:38,810 --> 00:04:36,240

believe on in the late in the late 80s

100

00:04:40,310 --> 00:04:38,820

and it was on I saw it earlier than

101
00:04:43,010 --> 00:04:40,320
believe in it I started actually in the

102
00:04:45,710 --> 00:04:43,020
early 80s at College where literally I

103
00:04:47,510 --> 00:04:45,720
saw a show called UFOs are real and in

104
00:04:49,310 --> 00:04:47,520
that documentation I've seen that I got

105
00:04:50,749 --> 00:04:49,320
in my collection yeah in that

106
00:04:51,830 --> 00:04:50,759
documentary you had a lot of ups and

107
00:04:55,670 --> 00:04:51,840
downs I'm not going to say it was great

108
00:04:57,530 --> 00:04:55,680
but there was one guy Dr Bruce mcabee a

109
00:04:59,390 --> 00:04:57,540
Navy Optical physicist so we'll talk

110
00:05:01,909 --> 00:04:59,400
about a little bit later and he

111
00:05:03,409 --> 00:05:01,919
impressed me so much that I said to my

112
00:05:05,990 --> 00:05:03,419
girlfriend at the time I said you know

113
00:05:07,790 --> 00:05:06,000

what if that guy can make a career

114

00:05:10,010 --> 00:05:07,800

looking at the UFOs instead of leaving

115

00:05:12,469 --> 00:05:10,020

the Navy Optical physic physicist

116

00:05:14,629 --> 00:05:12,479

history and stuff then I want to be with

117

00:05:17,090 --> 00:05:14,639

a guy like that but I forgot about that

118

00:05:19,909 --> 00:05:17,100

came to back to New York started the

119

00:05:22,370 --> 00:05:19,919

advertising industry and luckily my dad

120

00:05:25,730 --> 00:05:22,380

was one of the top photo retouching

121

00:05:28,670 --> 00:05:25,740

gurus in the industry he was number one

122

00:05:31,490 --> 00:05:28,680

in photo retouching his businesses were

123

00:05:34,010 --> 00:05:31,500

photo retouching studios for the

124

00:05:35,390 --> 00:05:34,020

advertising agency in New York so I grew

125

00:05:38,990 --> 00:05:35,400

up with these guys who could literally

126

00:05:40,550 --> 00:05:39,000

take a picture change it so well you

127

00:05:43,249 --> 00:05:40,560

would never know if it was real or it

128

00:05:44,629 --> 00:05:43,259

was not you couldn't tell art directors

129

00:05:46,670 --> 00:05:44,639

will go out and shoot certain like

130

00:05:48,710 --> 00:05:46,680

Vistas and they would just make a

131

00:05:50,990 --> 00:05:48,720

mistake somewhere they need more trees

132

00:05:52,969 --> 00:05:51,000

they need a car put in they need

133

00:05:55,490 --> 00:05:52,979

whatever and my dad's people could do

134

00:06:00,010 --> 00:05:55,500

that with paints brushes and all that

135

00:06:02,689 --> 00:06:00,020

well yeah that's free Photoshop

136

00:06:04,850 --> 00:06:02,699

well I said to my dad one day when I was

137

00:06:07,010 --> 00:06:04,860

actually helping him two years after

138

00:06:09,170 --> 00:06:07,020

college years of college I was helping

139

00:06:10,969 --> 00:06:09,180

my dad's business so I said to my dad

140

00:06:13,010 --> 00:06:10,979

you know the digital Technology's coming

141

00:06:15,409 --> 00:06:13,020

along sooner or later you'll be able to

142

00:06:18,290 --> 00:06:15,419

put like a UFO in there no one will know

143

00:06:21,650 --> 00:06:18,300

the difference he goes really so I did a

144

00:06:23,150 --> 00:06:21,660

test with an artist they were amazed me

145

00:06:25,309 --> 00:06:23,160

it was just a test I was kind of like

146

00:06:28,010 --> 00:06:25,319

just joking well we went ahead and used

147

00:06:31,189 --> 00:06:28,020

that technology on Coca-Cola ads

148

00:06:33,610 --> 00:06:31,199

cigarette ads all kinds of Major Brands

149

00:06:36,890 --> 00:06:33,620

but in the back of my mind

150

00:06:38,990 --> 00:06:36,900

so you were hoaxing UFO videos those are

151

00:06:40,610 --> 00:06:39,000

her commercials that's fun I didn't do

152

00:06:43,189 --> 00:06:40,620

any of that but we were we were if you

153

00:06:45,830 --> 00:06:43,199

want to say we're hoaxing an ad no I'm

154

00:06:49,010 --> 00:06:45,840

kidding of course yeah but however I

155

00:06:51,469 --> 00:06:49,020

started to look into alleged UFO cases

156

00:06:53,990 --> 00:06:51,479

and I said some of these are so

157

00:06:56,090 --> 00:06:54,000

photographic with shadows and

158

00:06:57,650 --> 00:06:56,100

everything's great resolution looks

159

00:07:01,309 --> 00:06:57,660

right you can tell the difference

160

00:07:04,850 --> 00:07:01,319

between a real image to a degree and one

161

00:07:07,070 --> 00:07:04,860

that's fake now that motivated me so you

162

00:07:09,110 --> 00:07:07,080

know like all journalists and writers we

163

00:07:10,189 --> 00:07:09,120

have to kind of get our chops back so I

164

00:07:12,409 --> 00:07:10,199

went back and worked for a local

165

00:07:14,330 --> 00:07:12,419

newspaper for like a year I was making

166

00:07:16,370 --> 00:07:14,340

like 200 a week just like you know

167

00:07:18,830 --> 00:07:16,380

writing you know front page stories for

168

00:07:22,670 --> 00:07:18,840

a local newspaper on Long Island just to

169

00:07:25,670 --> 00:07:22,680

get my chops back well got my chops back

170

00:07:27,770 --> 00:07:25,680

sent one letter a query letter into Omni

171

00:07:30,350 --> 00:07:27,780

magazine in New York about the face on

172

00:07:32,210 --> 00:07:30,360

Mars they said great you can get NASA to

173

00:07:35,029 --> 00:07:32,220

talk about the face on Mars and those

174

00:07:37,370 --> 00:07:35,039

pyramids nearby wow wrote a cover

175

00:07:39,290 --> 00:07:37,380

article for the magazine and that

176

00:07:42,170 --> 00:07:39,300

probably saw that growing up like that

177

00:07:43,790 --> 00:07:42,180

yeah that had Omni Popular Science and

178

00:07:45,290 --> 00:07:43,800

Popular Mechanics and every month I

179

00:07:47,029 --> 00:07:45,300

couldn't wait for those three to arrive

180

00:07:48,529 --> 00:07:47,039

and I'm sure I remember something about

181

00:07:50,689 --> 00:07:48,539

the face of Mars I might have seen that

182

00:07:52,129 --> 00:07:50,699

as a kid yeah yeah so so that was the

183

00:07:54,710 --> 00:07:52,139

article that kind of launched me in

184

00:07:56,629 --> 00:07:54,720

print media I was my first feature

185

00:07:58,670 --> 00:07:56,639

article that I wrote out of college

186

00:08:01,309 --> 00:07:58,680

pretty much and that became the cover

187

00:08:02,210 --> 00:08:01,319

article for that Edition we'll get back

188

00:08:04,249 --> 00:08:02,220

to that a little bit later because

189

00:08:06,290 --> 00:08:04,259

there's a meaning why I think that

190

00:08:07,909 --> 00:08:06,300

motivated me even further with his Dr

191

00:08:10,909 --> 00:08:07,919

Bruce Maccabee which I'll tell you the

192

00:08:13,969 --> 00:08:10,919

same guy that was in UFO is a real was

193

00:08:16,129 --> 00:08:13,979

profiled in that same Edition where my

194

00:08:19,249 --> 00:08:16,139

cover article led the led the Edition

195

00:08:21,290 --> 00:08:19,259

but inside that magazine was a very

196

00:08:24,830 --> 00:08:21,300

interesting article about Bruce Maccabee

197

00:08:27,830 --> 00:08:24,840

and Ron pandor Alfie at the CIA and I

198

00:08:31,149 --> 00:08:27,840

said to myself there's two people I want

199

00:08:33,469 --> 00:08:31,159

to meet eventually but did not do that

200

00:08:35,329 --> 00:08:33,479

you know later I said you know what it's

201

00:08:38,269 --> 00:08:35,339

time to make the big plunge and for

202

00:08:41,389 --> 00:08:38,279

those unaware Bruce Maccabee is is like

203

00:08:44,269 --> 00:08:41,399

the image analyst for UFOs and pandolfi

204

00:08:46,190 --> 00:08:44,279

was the CIA weird desk guy well we'll

205

00:08:49,009 --> 00:08:46,200

get to that later I don't know I don't

206

00:08:51,889 --> 00:08:49,019

know if Ron wants anyone to believe that

207

00:08:53,690 --> 00:08:51,899

he runs a weird desk which he denies and

208

00:08:55,490 --> 00:08:53,700

well that's what people attribute to him

209

00:08:57,710 --> 00:08:55,500

but there's a better way

210

00:08:59,449 --> 00:08:57,720

there's a better way to explain that and

211

00:09:03,889 --> 00:08:59,459

you know I meant no disrespect I just

212

00:09:06,769 --> 00:09:05,329

people say oh he's kind of this mythical

213

00:09:08,570 --> 00:09:06,779

guy you know look he's a pretty simple

214

00:09:11,449 --> 00:09:08,580

guy

215

00:09:13,070 --> 00:09:11,459

um when it comes to with me anyway we

216

00:09:14,449 --> 00:09:13,080

had a very interesting get to know you

217

00:09:16,850 --> 00:09:14,459

period which we can get into later

218

00:09:20,750 --> 00:09:16,860

through a lawsuit that really was not

219

00:09:23,570 --> 00:09:20,760

really uh aimed at Ron it was aimed at a

220

00:09:28,070 --> 00:09:23,580

guy who is known to be fraudulently

221

00:09:30,290 --> 00:09:28,080

faking a anti-gravity machine which may

222

00:09:32,690 --> 00:09:30,300

or may not have any validity at all but

223

00:09:34,730 --> 00:09:32,700

this individual decided to kind of make

224

00:09:37,009 --> 00:09:34,740

a living off this machine at different

225

00:09:39,290 --> 00:09:37,019

times he's not the only one by the way

226

00:09:41,449 --> 00:09:39,300

there's a guy who's running skins free

227

00:09:44,030 --> 00:09:41,459

energy and anti-gravity scams all over

228

00:09:45,590 --> 00:09:44,040

oh yeah and there is a connection I I oh

229

00:09:47,509 --> 00:09:45,600

my god the guy who's I'm not going to

230

00:09:49,550 --> 00:09:47,519

mention his name because apparently he

231

00:09:51,110 --> 00:09:49,560

likes to threaten everybody so I'm not

232

00:09:52,009 --> 00:09:51,120

going to give him any extra motivation

233

00:09:53,870 --> 00:09:52,019

tonight

234

00:09:55,970 --> 00:09:53,880

but when you watch the show Skinwalker

235

00:09:57,410 --> 00:09:55,980

Ranch on History Channel whether they

236

00:09:59,990 --> 00:09:57,420

call that thing let me tell you right

237

00:10:02,690 --> 00:10:00,000

now Skinwalker Ranch is one of the least

238

00:10:04,850 --> 00:10:02,700

evidenced mystery areas of the world

239

00:10:06,949 --> 00:10:04,860

there's almost nothing to say anything

240

00:10:08,750 --> 00:10:06,959

there I agree with people like George

241

00:10:11,150 --> 00:10:08,760

Knapp who knows that or told me many

242

00:10:13,250 --> 00:10:11,160

times not lately of course because now

243

00:10:16,190 --> 00:10:13,260

it appears to be a business model for

244

00:10:17,329 --> 00:10:16,200

these people to kind of get old cases

245

00:10:19,490 --> 00:10:17,339

that people like me and network

246

00:10:23,150 --> 00:10:19,500

television would never touch in a minute

247

00:10:26,690 --> 00:10:23,160

like the models are Bob Lazar the

248

00:10:28,490 --> 00:10:26,700

implant okay implant number 17 whatever

249

00:10:30,530 --> 00:10:28,500

you want to call that guy

250

00:10:33,949 --> 00:10:30,540

um Skinwalker Ranch I think we know

251
00:10:36,410 --> 00:10:33,959
who's behind some of those new but old

252
00:10:38,750 --> 00:10:36,420
things that are coming out and these are

253
00:10:40,790 --> 00:10:38,760
all stories that you passed on when you

254
00:10:43,130 --> 00:10:40,800
were in a position to make big TV shows

255
00:10:44,509 --> 00:10:43,140
right nothing there they didn't there's

256
00:10:46,790 --> 00:10:44,519
no there there there's absolutely

257
00:10:48,710 --> 00:10:46,800
nothing there but an interesting kind of

258
00:10:50,569 --> 00:10:48,720
like you know Campfire story if you want

259
00:10:52,190 --> 00:10:50,579
to go have a nice campfire and talk

260
00:10:53,990 --> 00:10:52,200
about something wonderful but when

261
00:10:55,850 --> 00:10:54,000
you're asking for evidence that you can

262
00:10:58,069 --> 00:10:55,860
bring it to a courtroom

263
00:10:59,509 --> 00:10:58,079

that's a different story and so every

264

00:11:02,750 --> 00:10:59,519

one of the stories I've ever done on

265

00:11:06,590 --> 00:11:02,760

television Steve has some kind of

266

00:11:08,810 --> 00:11:06,600

evidence film video audio if it doesn't

267

00:11:12,170 --> 00:11:08,820

have film video or audio as my staff

268

00:11:14,329 --> 00:11:12,180

would say Bob ain't touching it so there

269

00:11:17,090 --> 00:11:14,339

has to be that and if you don't have

270

00:11:20,269 --> 00:11:17,100

that great but then now with the new

271

00:11:22,250 --> 00:11:20,279

YouTube digital technology all that

272

00:11:24,230 --> 00:11:22,260

stuff you have to be a really good

273

00:11:26,090 --> 00:11:24,240

consumer to really know what you're

274

00:11:28,009 --> 00:11:26,100

looking at and that's why I took a break

275

00:11:29,930 --> 00:11:28,019

for a while I wanted to see what we

276

00:11:32,930 --> 00:11:29,940

could do well it's about to get worse

277

00:11:36,769 --> 00:11:32,940

with AI image generators that's just a

278

00:11:38,630 --> 00:11:36,779

recent the 1947 Roswell images instantly

279

00:11:41,329 --> 00:11:38,640

five minutes after they posted it we

280

00:11:43,430 --> 00:11:41,339

busted it is Steve I'm a little

281

00:11:45,829 --> 00:11:43,440

wondering though that is such a hokey

282

00:11:48,290 --> 00:11:45,839

looking image without you even pointing

283

00:11:50,990 --> 00:11:48,300

out the AI aspects of it and the

284

00:11:54,230 --> 00:11:51,000

strangeness of it who in that right mind

285

00:11:55,610 --> 00:11:54,240

would look at that as opposed to well I

286

00:11:57,170 --> 00:11:55,620

saw a comment from somebody wearing the

287

00:11:58,970 --> 00:11:57,180

waiting room room when I was waiting I

288

00:12:00,590 --> 00:11:58,980

saw a comment from someone on on the

289

00:12:02,690 --> 00:12:00,600

alive feed here right

290

00:12:03,949 --> 00:12:02,700

who would believe the alien autopsy let

291

00:12:07,009 --> 00:12:03,959

me tell you something about the alien

292

00:12:09,110 --> 00:12:07,019

autopsy a full pathologist it was

293

00:12:11,810 --> 00:12:09,120

absolutely this was something that I was

294

00:12:13,850 --> 00:12:11,820

showing to guys in the pathology in an

295

00:12:16,009 --> 00:12:13,860

area and they were saying it looked like

296

00:12:17,750 --> 00:12:16,019

a real autopsy now there are a lot of

297

00:12:20,389 --> 00:12:17,760

people who can point fingers at it now

298

00:12:22,670 --> 00:12:20,399

and say all kinds of things but we did

299

00:12:24,650 --> 00:12:22,680

our job at the Fox network we showed it

300

00:12:27,710 --> 00:12:24,660

and then we debunked it in Ashoka

301
00:12:31,130 --> 00:12:27,720
world's greatest hoaxes it took us three

302
00:12:34,370 --> 00:12:31,140
years to really get details because it

303
00:12:37,009 --> 00:12:34,380
was a well-crafted fraud santilly the

304
00:12:39,470 --> 00:12:37,019
guy behind the film had a Cadre of

305
00:12:42,290 --> 00:12:39,480
people on his payroll and some of those

306
00:12:44,449 --> 00:12:42,300
people promised all kinds of secrecy and

307
00:12:46,190 --> 00:12:44,459
it took us a while to crack through that

308
00:12:47,569 --> 00:12:46,200
and some other day maybe we'll do a

309
00:12:49,730 --> 00:12:47,579
whole alien autopsy thing because

310
00:12:52,009 --> 00:12:49,740
there's a story there that people can

311
00:12:54,230 --> 00:12:52,019
learn from and you can learn that if you

312
00:12:56,569 --> 00:12:54,240
start seeing behavior and you start

313
00:12:58,430 --> 00:12:56,579

seeing things the trouble is you may

314

00:12:59,930 --> 00:12:58,440

have to wait a year two or three so you

315

00:13:01,730 --> 00:12:59,940

can't jump on everything and go oh

316

00:13:03,050 --> 00:13:01,740

that's real that's not it may take a

317

00:13:04,550 --> 00:13:03,060

little time that's all I'm saying let me

318

00:13:06,230 --> 00:13:04,560

take a look well there seems to be this

319

00:13:07,550 --> 00:13:06,240

excuse that some people give that

320

00:13:09,590 --> 00:13:07,560

they're just putting it out there and

321

00:13:11,210 --> 00:13:09,600

seeing what people think and it's it's

322

00:13:13,310 --> 00:13:11,220

another it's an excuse for garbage

323

00:13:14,750 --> 00:13:13,320

pedals it's ridiculous by the way I find

324

00:13:16,910 --> 00:13:14,760

that to be absurd but I hear things like

325

00:13:19,190 --> 00:13:16,920

that I laugh at people and go what could

326

00:13:20,990 --> 00:13:19,200

you what why would you believe it what's

327

00:13:22,310 --> 00:13:21,000

the reason you believe it I'd love to

328

00:13:26,690 --> 00:13:22,320

hear the reason anybody would believe

329

00:13:29,269 --> 00:13:26,700

it's called Cash Mr kiviats lots and lots

330

00:13:30,829 --> 00:13:29,279

of YouTube pennies add up you know I

331

00:13:32,569 --> 00:13:30,839

guess you're right because if the way I

332

00:13:34,430 --> 00:13:32,579

describe some of those lit stories that

333

00:13:36,170 --> 00:13:34,440

I would never have done years ago that

334

00:13:38,750 --> 00:13:36,180

people have now kind of regurgitating

335

00:13:41,690 --> 00:13:38,760

they're getting some play and they're

336

00:13:43,129 --> 00:13:41,700

making money so in ways that are Way

337

00:13:45,410 --> 00:13:43,139

Beyond YouTube we can talk about that

338

00:13:48,590 --> 00:13:45,420

today too so I mean at this point right

339

00:13:52,009 --> 00:13:48,600

now it's time for me to step up

340

00:13:53,750 --> 00:13:52,019

take on what's really going on educate

341

00:13:55,550 --> 00:13:53,760

the public to what could be real

342

00:13:58,190 --> 00:13:55,560

evidence of phenomena and I'll explain

343

00:14:00,170 --> 00:13:58,200

mystery and what could be thrown out in

344

00:14:02,210 --> 00:14:00,180

any courtroom hearing before anybody

345

00:14:06,829 --> 00:14:02,220

gets near an actual trial

346

00:14:10,310 --> 00:14:06,839

yeah I see here's the thing Mr kiviati I

347

00:14:12,650 --> 00:14:10,320

go back and forth like I I I agree

348

00:14:14,389 --> 00:14:12,660

there's a real phenomenon here but I

349

00:14:16,370 --> 00:14:14,399

think that a huge problem here is all

350

00:14:18,710 --> 00:14:16,380

the garbage Peddlers rushing in to fill

351

00:14:21,590 --> 00:14:18,720

the void there's such a hunger for this

352

00:14:24,230 --> 00:14:21,600

information that they would rush in they

353

00:14:27,230 --> 00:14:24,240

fill the void full of garbage and and

354

00:14:29,150 --> 00:14:27,240

we're all supposed to uh you know I I

355

00:14:31,069 --> 00:14:29,160

don't understand like I I want to hear

356

00:14:33,850 --> 00:14:31,079

serious research I want to see evidence

357

00:14:36,410 --> 00:14:33,860

I want to you know but these places

358

00:14:38,090 --> 00:14:36,420

storytellers you know let me tell you

359

00:14:39,650 --> 00:14:38,100

where some of the responsibility lies

360

00:14:41,329 --> 00:14:39,660

and if you look at some of the new shows

361

00:14:44,030 --> 00:14:41,339

we're working on now which will be

362

00:14:46,009 --> 00:14:44,040

released as feature documentaries not

363

00:14:47,990 --> 00:14:46,019

you know the Fox network and I had

364

00:14:50,150 --> 00:14:48,000

meetings up until three weeks ago

365

00:14:52,550 --> 00:14:50,160

Fox network to return to the Fox network

366

00:14:54,290 --> 00:14:52,560

and do some more shows for them and

367

00:14:56,090 --> 00:14:54,300

their attitude was I'm not going to say

368

00:14:59,150 --> 00:14:56,100

who said it but I'm going to tell you

369

00:15:01,550 --> 00:14:59,160

what was said they looked into UFOs and

370

00:15:03,050 --> 00:15:01,560

somehow UFOs don't have that popularity

371

00:15:05,750 --> 00:15:03,060

that he used to have when I was doing my

372

00:15:07,850 --> 00:15:05,760

shows and I said you know tell me more

373

00:15:10,370 --> 00:15:07,860

and there appears to be a combination

374

00:15:12,290 --> 00:15:10,380

going on between what another Fox guy

375

00:15:13,790 --> 00:15:12,300

told me a few years ago and what the

376

00:15:17,269 --> 00:15:13,800

recent gentleman told me on the phone

377

00:15:19,670 --> 00:15:17,279

and that is that cable television has

378

00:15:23,110 --> 00:15:19,680

glommed onto this material with

379

00:15:26,030 --> 00:15:23,120

absolutely no sense of uh accuracy

380

00:15:27,769 --> 00:15:26,040

authenticity none of that we used to

381

00:15:30,290 --> 00:15:27,779

have what's called broadcast standards

382

00:15:33,110 --> 00:15:30,300

and practices at the Fox network a woman

383

00:15:35,449 --> 00:15:33,120

named Darlene I could never give her

384

00:15:38,090 --> 00:15:35,459

anything that would look even remotely

385

00:15:41,210 --> 00:15:38,100

like the shows that you're seeing

386

00:15:43,069 --> 00:15:41,220

Skinwalker Ranch unidentified let me

387

00:15:45,290 --> 00:15:43,079

tell you about the unidentified three

388

00:15:47,389 --> 00:15:45,300

videos allegedly coming from Lou

389

00:15:49,790 --> 00:15:47,399

Elizondo and and Christopher melon

390

00:15:52,250 --> 00:15:49,800

essentially these three videos that

391

00:15:54,050 --> 00:15:52,260

everyone's talking about UAP videos if I

392

00:15:56,090 --> 00:15:54,060

walked into the Fox network years ago

393

00:15:58,189 --> 00:15:56,100

with these three videos they would have

394

00:16:00,610 --> 00:15:58,199

thrown me out really they wouldn't have

395

00:16:03,170 --> 00:16:00,620

accepted those as evidence

396

00:16:06,470 --> 00:16:03,180

no Providence at all

397

00:16:08,689 --> 00:16:06,480

these would give us to quote Chris melon

398

00:16:10,910 --> 00:16:08,699

it was all a deal constructed in a

399

00:16:13,250 --> 00:16:10,920

parking lot these videos were handed

400

00:16:16,370 --> 00:16:13,260

over in a parking lot nobody really

401
00:16:19,370 --> 00:16:16,380
knows where they came from around them

402
00:16:23,090 --> 00:16:19,380
largely no no the woman at the um at the

403
00:16:25,990 --> 00:16:23,100
Pentagon has been tasked yeah to go over

404
00:16:28,250 --> 00:16:26,000
this very replies to my emails

405
00:16:29,329 --> 00:16:28,260
and the best she's told me and a

406
00:16:33,110 --> 00:16:29,339
plethora of other people with

407
00:16:36,290 --> 00:16:33,120
credibility is that it appears it was in

408
00:16:39,650 --> 00:16:36,300
the Pentagon or on the Pentagon server

409
00:16:42,410 --> 00:16:39,660
it appears it came for at one point it

410
00:16:44,269 --> 00:16:42,420
was on the server where it came from

411
00:16:46,129 --> 00:16:44,279
exactly which missions were they

412
00:16:48,170 --> 00:16:46,139
specifically and what kind of missions

413
00:16:50,090 --> 00:16:48,180

were they and what were they actually

414

00:16:52,189 --> 00:16:50,100

doing and what's in the video

415

00:16:55,310 --> 00:16:52,199

potentially none of that has been

416

00:16:58,069 --> 00:16:55,320

revealed she has no idea no but we hear

417

00:16:59,629 --> 00:16:58,079

vague stories and and claims that go

418

00:17:02,030 --> 00:16:59,639

along with them that are that never

419

00:17:04,490 --> 00:17:02,040

solidify like oh there's radar tapes and

420

00:17:07,870 --> 00:17:04,500

there's there's sensor data but we never

421

00:17:11,510 --> 00:17:07,880

get that we get blurry

422

00:17:14,390 --> 00:17:11,520

in just two specials on the Fox network

423

00:17:16,250 --> 00:17:14,400

shows that Unsolved Mysteries a plethora

424

00:17:19,250 --> 00:17:16,260

of UFO shows they did for Unsolved

425

00:17:20,689 --> 00:17:19,260

Mysteries any of those stories with real

426
00:17:22,850 --> 00:17:20,699
video

427
00:17:24,949 --> 00:17:22,860
has so much more evidence in these three

428
00:17:26,870 --> 00:17:24,959
videos they released in fact we're going

429
00:17:29,090 --> 00:17:26,880
to be doing a movie Down the Road

430
00:17:32,930 --> 00:17:29,100
where we're going to take these 50 60

431
00:17:36,289 --> 00:17:32,940
cases amazing cases every video has

432
00:17:37,669 --> 00:17:36,299
people Witnesses some Mass sightings I

433
00:17:40,370 --> 00:17:37,679
mean come on compared to these three

434
00:17:43,070 --> 00:17:40,380
cockamami videos that may indeed show

435
00:17:47,950 --> 00:17:43,080
some kind of test I mean the go fast

436
00:17:53,450 --> 00:17:51,289
Job showing that the go fast video is

437
00:17:55,909 --> 00:17:53,460
not going fast at all it's a small

438
00:17:57,590 --> 00:17:55,919

little thing let's let's throw that one

439

00:17:59,450 --> 00:17:57,600

out the water New York Times didn't even

440

00:18:01,310 --> 00:17:59,460

write about that okay yeah and then we

441

00:18:04,370 --> 00:18:01,320

have one that was released originally in

442

00:18:07,250 --> 00:18:04,380

2007 so it wasn't new well then you're

443

00:18:10,130 --> 00:18:07,260

right the 2007 video that appeared on

444

00:18:12,770 --> 00:18:10,140

Above Top Secret it's almost ridiculous

445

00:18:16,549 --> 00:18:12,780

the two videos that you call gimbal

446

00:18:22,610 --> 00:18:18,710

and then we and then we have

447

00:18:24,710 --> 00:18:22,620

I mean the the video from 2007. I mean

448

00:18:27,110 --> 00:18:24,720

this is I wish of all the people in the

449

00:18:29,930 --> 00:18:27,120

world besides you Steve that I know you

450

00:18:33,289 --> 00:18:29,940

care a lot that would love to prove UFOs

451
00:18:35,870 --> 00:18:33,299
are from God knows where and our

452
00:18:37,310 --> 00:18:35,880
government's covering it up or it's just

453
00:18:39,590 --> 00:18:37,320
an unknown mystery but we don't know

454
00:18:41,090 --> 00:18:39,600
what it is but we can't explain it we

455
00:18:45,610 --> 00:18:41,100
would love evidence that we could say

456
00:18:49,850 --> 00:18:47,570
back to what I heard from the Fox

457
00:18:52,310 --> 00:18:49,860
network recently and and a few more

458
00:18:54,409 --> 00:18:52,320
years ago it looks like the Public's

459
00:18:56,330 --> 00:18:54,419
pretty smart from shows that I've aired

460
00:18:57,650 --> 00:18:56,340
other people have done they know they

461
00:18:59,810 --> 00:18:57,660
know and something doesn't smell right

462
00:19:03,230 --> 00:18:59,820
they kind of get it when someone shows

463
00:19:05,450 --> 00:19:03,240

up on CNN going look I retired from the

464

00:19:08,390 --> 00:19:05,460

Pentagon I want the world to know UFOs

465

00:19:13,370 --> 00:19:10,730

she just switched government jobs he

466

00:19:16,370 --> 00:19:13,380

didn't actually retire from work I think

467

00:19:16,380 --> 00:19:20,270

let's be career

468

00:19:25,370 --> 00:19:23,029

first this guy hold on this guy uh

469

00:19:27,890 --> 00:19:25,380

according to sugoff what's this she told

470

00:19:31,490 --> 00:19:27,900

me Bob never worked for anything called

471

00:19:33,710 --> 00:19:31,500

atip had no supervisor role anywhere

472

00:19:35,510 --> 00:19:33,720

she was they were debating a couple of

473

00:19:38,029 --> 00:19:35,520

years ago before the pandemic

474

00:19:40,250 --> 00:19:38,039

whether to bring him up on some kind of

475

00:19:42,409 --> 00:19:40,260

charges because he apparently did some

476

00:19:45,049 --> 00:19:42,419

tomfoolery to get access to whatever

477

00:19:47,510 --> 00:19:45,059

these videos are there's a very strange

478

00:19:49,970 --> 00:19:47,520

kind of like email that he wrote to try

479

00:19:52,070 --> 00:19:49,980

to get uh released and basically when he

480

00:19:54,409 --> 00:19:52,080

gets the release it says these are

481

00:19:59,210 --> 00:19:54,419

internal use only yeah yeah and all

482

00:20:00,950 --> 00:19:59,220

these are unmanned Vehicles balloons

483

00:20:02,870 --> 00:20:00,960

drones

484

00:20:04,850 --> 00:20:02,880

you know what the old expression When

485

00:20:07,549 --> 00:20:04,860

someone tells you something believe them

486

00:20:10,789 --> 00:20:07,559

so where's the mystery exactly where the

487

00:20:14,090 --> 00:20:10,799

mystery is conflated or concocted by a

488

00:20:16,730 --> 00:20:14,100

group called tsa a guy like a pal put

489

00:20:18,890 --> 00:20:16,740

off Hal put off used to be number one

490

00:20:21,549 --> 00:20:18,900

guy trying to build money from the

491

00:20:25,669 --> 00:20:21,559

government to test psychic power

492

00:20:27,950 --> 00:20:25,679

and Mr kibiak I say it all the time he

493

00:20:30,350 --> 00:20:27,960

gets wasted tens of thousands of dollars

494

00:20:32,570 --> 00:20:30,360

studying Yuri Geller and then he

495

00:20:36,529 --> 00:20:32,580

declared that his superpowers were real

496

00:20:38,450 --> 00:20:36,539

and years later uh Yuri Geller all but

497

00:20:41,029 --> 00:20:38,460

admitted that he used children's magic

498

00:20:43,370 --> 00:20:41,039

tricks to full output off yeah so that's

499

00:20:46,250 --> 00:20:43,380

how smart that guy is right so basically

500

00:20:48,110 --> 00:20:46,260

Ron pandolfi who I got to know because

501
00:20:49,789 --> 00:20:48,120
what occurred was though he was written

502
00:20:51,529 --> 00:20:49,799
up in this magazine years ago with Bruce

503
00:20:53,810 --> 00:20:51,539
mcavey I told you that the one I read

504
00:20:55,730 --> 00:20:53,820
from the magazine I always wanted to

505
00:20:57,650 --> 00:20:55,740
meet Ron felt it was a good idea

506
00:20:58,909 --> 00:20:57,660
eventually and and one thing led to

507
00:21:02,029 --> 00:20:58,919
another and I went through a little bit

508
00:21:05,270 --> 00:21:02,039
of a six six month learning curve with a

509
00:21:07,970 --> 00:21:05,280
company in Salt Lake City that had Joe

510
00:21:10,070 --> 00:21:07,980
firmage from yesteryear a former very

511
00:21:12,590 --> 00:21:10,080
very rich guy who threw a lot of money

512
00:21:15,230 --> 00:21:12,600
into the UFO Community Joe should always

513
00:21:17,510 --> 00:21:15,240

get credit for at least maybe gullibly

514

00:21:19,610 --> 00:21:17,520

but he wanted to try to bring UFOs

515

00:21:21,350 --> 00:21:19,620

funded a lot of people he funded a lot

516

00:21:23,029 --> 00:21:21,360

of people he gave a lot of money to guys

517

00:21:24,409 --> 00:21:23,039

that you named a few you know I'm not

518

00:21:26,029 --> 00:21:24,419

going to name them but you've named a

519

00:21:29,450 --> 00:21:26,039

few and they're they're people actually

520

00:21:31,549 --> 00:21:29,460

kissing this guy's you know what but Joe

521

00:21:34,490 --> 00:21:31,559

got I think caught up in life problems

522

00:21:36,649 --> 00:21:34,500

and basically lost most of his money but

523

00:21:39,890 --> 00:21:36,659

still held on to a concept that he could

524

00:21:41,770 --> 00:21:39,900

recreate some kind of test with this

525

00:21:44,810 --> 00:21:41,780

gravity machine ain't a gravity machine

526

00:21:47,029 --> 00:21:44,820

and he came out with another round of it

527

00:21:50,950 --> 00:21:47,039

when in 2010

528

00:21:54,230 --> 00:21:50,960

guess who was supporting him in this

529

00:21:55,909 --> 00:21:54,240

again and another guy by the way who now

530

00:21:59,149 --> 00:21:55,919

runs Skinwalker Ranch

531

00:22:01,310 --> 00:21:59,159

yeah who owns Skinwalker Ranch yes other

532

00:22:04,250 --> 00:22:01,320

people everybody just asked if that guy

533

00:22:05,810 --> 00:22:04,260

was involved and yes he was well look I

534

00:22:08,029 --> 00:22:05,820

mean he wants to know tell people what

535

00:22:11,750 --> 00:22:08,039

he proved it was not real but after

536

00:22:14,510 --> 00:22:11,760

raising in his own words lots of money

537

00:22:16,490 --> 00:22:14,520

to try to make it real and he couldn't

538

00:22:18,649 --> 00:22:16,500

make it real and then when Joe turned

539

00:22:22,250 --> 00:22:18,659

out to be not real well whatever so Joe

540

00:22:24,710 --> 00:22:22,260

came back in 2016 he wanted to try to

541

00:22:27,169 --> 00:22:24,720

redo this again he put all kinds of

542

00:22:30,110 --> 00:22:27,179

Misses out there in the media I happened

543

00:22:31,789 --> 00:22:30,120

to catch one on LinkedIn I contacted him

544

00:22:33,289 --> 00:22:31,799

he said I'll tell you what I'd love you

545

00:22:35,210 --> 00:22:33,299

to do Bob with your background why don't

546

00:22:38,330 --> 00:22:35,220

you be my kind of like Communications

547

00:22:40,850 --> 00:22:38,340

guy help me kind of create a studio like

548

00:22:42,169 --> 00:22:40,860

this group called ttsa I said it's funny

549

00:22:43,850 --> 00:22:42,179

you should mention them what do you make

550

00:22:45,770 --> 00:22:43,860

of them that's before they came out with

551

00:22:47,810 --> 00:22:45,780

the videos by the way he says let me

552

00:22:50,149 --> 00:22:47,820

tell you what I feel about them Hal put

553

00:22:52,610 --> 00:22:50,159

off work with me I used to work without

554

00:22:55,610 --> 00:22:52,620

putoff they stole my name

555

00:22:59,470 --> 00:22:55,620

Joe had a company called The Academy of

556

00:23:02,510 --> 00:22:59,480

Arts and Sciences very similar to this

557

00:23:04,490 --> 00:23:02,520

sometimes Mr kimiak if these guys ever

558

00:23:07,250 --> 00:23:04,500

had an original idea it would die of

559

00:23:08,870 --> 00:23:07,260

loneliness I swear right well yeah but

560

00:23:11,330 --> 00:23:08,880

again the kind of people that we're

561

00:23:13,669 --> 00:23:11,340

describing now and I'm not gonna pick on

562

00:23:15,110 --> 00:23:13,679

anyone personally but if you believe is

563

00:23:17,330 --> 00:23:15,120

anything happening at Skinwalker Ranch

564

00:23:19,490 --> 00:23:17,340

and you believe that something happening

565

00:23:22,250 --> 00:23:19,500

with anti-gravity machines and you're

566

00:23:23,630 --> 00:23:22,260

the same guy I don't know if you don't

567

00:23:26,270 --> 00:23:23,640

prove that

568

00:23:28,370 --> 00:23:26,280

people have a lot of explaining to do so

569

00:23:30,830 --> 00:23:28,380

and how put off was a well-known

570

00:23:32,029 --> 00:23:30,840

Scientologist too which is just wacky

571

00:23:34,070 --> 00:23:32,039

that means he'll believe anything

572

00:23:36,169 --> 00:23:34,080

apparently you know right so History

573

00:23:38,750 --> 00:23:36,179

channel has done something that's helped

574

00:23:40,850 --> 00:23:38,760

in my opinion has enabled the people

575

00:23:42,770 --> 00:23:40,860

like the cusses brothers because they're

576

00:23:45,289 --> 00:23:42,780

no better they're not checking their

577

00:23:47,289 --> 00:23:45,299

facts I don't even know you were very

578

00:23:50,230 --> 00:23:47,299

aware of them

579

00:23:52,850 --> 00:23:50,240

I watched a show unidentified season one

580

00:23:54,890 --> 00:23:52,860

I was nauseous for most of it because

581

00:23:57,649 --> 00:23:54,900

you could tell they had done no research

582

00:23:59,510 --> 00:23:57,659

it turned out that the lungs group more

583

00:24:00,830 --> 00:23:59,520

or less helped produce the show and my

584

00:24:02,750 --> 00:24:00,840

understanding is that I wanna don't

585

00:24:04,430 --> 00:24:02,760

quote me here but I'm hearing through

586

00:24:06,409 --> 00:24:04,440

the TV Grapevine that one of the top

587

00:24:07,430 --> 00:24:06,419

Executives from the show didn't want to

588

00:24:09,649 --> 00:24:07,440

be part of the show when he realized

589

00:24:11,270 --> 00:24:09,659

what was going on he went this is like

590

00:24:15,049 --> 00:24:11,280

I'm not going to say he said if it's

591

00:24:17,570 --> 00:24:15,059

like an infomercial you sell the concept

592

00:24:19,669 --> 00:24:17,580

to the network you provide all the

593

00:24:20,690 --> 00:24:19,679

people you say you've got all the

594

00:24:23,090 --> 00:24:20,700

research

595

00:24:26,630 --> 00:24:23,100

it it's like an infomercial so yeah

596

00:24:29,930 --> 00:24:26,640

there was no research really yeah by the

597

00:24:32,630 --> 00:24:29,940

way an infomercial that according to a

598

00:24:35,450 --> 00:24:32,640

congresswoman from Ohio Joyce Beatty she

599

00:24:37,930 --> 00:24:35,460

went on the house floor in 2019 and said

600

00:24:43,310 --> 00:24:37,940

essentially without naming that by name

601
00:24:45,950 --> 00:24:43,320
ttsa is a regulation a plus stock scheme

602
00:24:48,890 --> 00:24:45,960
so yeah the New York Times History

603
00:24:52,570 --> 00:24:48,900
Channel enabling a stock scheme

604
00:24:55,370 --> 00:24:52,580
according to a congresswoman from Ohio

605
00:24:57,350 --> 00:24:55,380
I'm real big on talking about how they

606
00:24:58,970 --> 00:24:57,360
promised everybody a spaceship with a

607
00:25:00,409 --> 00:24:58,980
revolutionary power source that would

608
00:25:03,110 --> 00:25:00,419
change the world while they were

609
00:25:05,870 --> 00:25:03,120
soliciting public investment right that

610
00:25:08,570 --> 00:25:05,880
if you were if if normal people did this

611
00:25:10,370 --> 00:25:08,580
they would be in prison but somehow I

612
00:25:12,230 --> 00:25:10,380
guess it's because of Christopher

613
00:25:13,909 --> 00:25:12,240

mellon's involvement and all the CIA

614

00:25:15,649 --> 00:25:13,919

people's involvement in that

615

00:25:17,690 --> 00:25:15,659

organization they didn't maybe they

616

00:25:20,090 --> 00:25:17,700

didn't want to push it or press it or

617

00:25:21,890 --> 00:25:20,100

prosecute but I don't understand how you

618

00:25:23,390 --> 00:25:21,900

could stand there and promise a

619

00:25:25,909 --> 00:25:23,400

spaceship and then never deliver

620

00:25:28,610 --> 00:25:25,919

anything I'll tell you how you do it you

621

00:25:31,430 --> 00:25:28,620

do it the way they did it with tsa they

622

00:25:33,830 --> 00:25:31,440

took 22 million dollars

623

00:25:37,070 --> 00:25:33,840

from a little sweetheart deal Harry Reid

624

00:25:40,010 --> 00:25:37,080

created with two other Sailors they

625

00:25:41,930 --> 00:25:40,020

faked an air swap asthma first of all

626
00:25:44,870 --> 00:25:41,940
was supposed to be as we'll tell by the

627
00:25:46,730 --> 00:25:44,880
way all right so spoiler alert I have a

628
00:25:50,590 --> 00:25:46,740
show that we pitched the Fox network

629
00:25:55,490 --> 00:25:53,450
okay it was born out of a meeting I must

630
00:25:57,230 --> 00:25:55,500
be honest with a very nice executive at

631
00:25:59,390 --> 00:25:57,240
Discovery Channel when this was all

632
00:26:01,730 --> 00:25:59,400
breaking a few years ago in the meeting

633
00:26:04,130 --> 00:26:01,740
he says to me Bob this is like a

634
00:26:05,810 --> 00:26:04,140
political thing mixed in with UFOs so on

635
00:26:09,370 --> 00:26:05,820
the plane ride back to L.A I'm thinking

636
00:26:12,110 --> 00:26:09,380
I'm thinking your politics

637
00:26:15,110 --> 00:26:12,120
so I told somebody someone you know Cal

638
00:26:17,450 --> 00:26:15,120

core that idea he loved it he put

639

00:26:20,210 --> 00:26:17,460

together a little bit of a of a of a um

640

00:26:22,430 --> 00:26:20,220

of a video screener really and we was

641

00:26:24,590 --> 00:26:22,440

trying to kicking it around Cal and I

642

00:26:26,870 --> 00:26:24,600

know each other a long time he broke the

643

00:26:30,169 --> 00:26:26,880

Billy Meyer fraud for me and world's

644

00:26:33,529 --> 00:26:30,179

greatest hoaxes he helped bring

645

00:26:36,289 --> 00:26:33,539

information about a Patterson Bigfoot

646

00:26:38,690 --> 00:26:36,299

film that I may be having to reassess

647

00:26:41,570 --> 00:26:38,700

which I'll let you know about today but

648

00:26:44,690 --> 00:26:41,580

how Cal excuse me calcorf and people

649

00:26:47,149 --> 00:26:44,700

like you keep everybody honesty even

650

00:26:49,190 --> 00:26:47,159

it's very important that you do that

651
00:26:51,590 --> 00:26:49,200
when you have people and I'll I'll give

652
00:26:53,810 --> 00:26:51,600
the guy who who's starring in Skinwalker

653
00:26:56,390 --> 00:26:53,820
Ranch and who was involved with firmage

654
00:26:58,669 --> 00:26:56,400
I'll give him some credit he speaks very

655
00:27:02,029 --> 00:26:58,679
eloquently he has a nice presentation

656
00:27:05,409 --> 00:27:02,039
it's all very good evidence

657
00:27:08,149 --> 00:27:05,419
in terms of provable scientific

658
00:27:10,149 --> 00:27:08,159
verifiable which you need to have in

659
00:27:13,850 --> 00:27:10,159
science

660
00:27:16,190 --> 00:27:13,860
ridiculous so if you buy skin like a

661
00:27:20,210 --> 00:27:16,200
ranch and my suspicion is that how put

662
00:27:22,610 --> 00:27:20,220
off connected him with Bob Bigelow

663
00:27:24,350 --> 00:27:22,620

because Bob Bigelow how would he know

664

00:27:26,690 --> 00:27:24,360

him the only way you would know these

665

00:27:29,630 --> 00:27:26,700

people is through Joe firmage who is

666

00:27:31,430 --> 00:27:29,640

very very close to how put off so these

667

00:27:33,890 --> 00:27:31,440

people have been sort of like

668

00:27:37,010 --> 00:27:33,900

foisted Into My Reality Steve I didn't

669

00:27:38,690 --> 00:27:37,020

exactly want this but I learned by

670

00:27:41,510 --> 00:27:38,700

dealing with Joe he signed me to a

671

00:27:44,210 --> 00:27:41,520

contract to be a media Studio consultant

672

00:27:45,890 --> 00:27:44,220

and kind of a everyday thing

673

00:27:48,590 --> 00:27:45,900

um when I realized he couldn't pay the

674

00:27:51,649 --> 00:27:48,600

contract he signed that my Beverly Hills

675

00:27:54,230 --> 00:27:51,659

attorney approved he couldn't sign he

676
00:27:56,450 --> 00:27:54,240
couldn't pay me the money he owed me I

677
00:28:01,010 --> 00:27:56,460
sued him and whoever was associated with

678
00:28:03,950 --> 00:28:01,020
him he said that Ron was with him

679
00:28:06,950 --> 00:28:03,960
so I assumed that Ron would be at least

680
00:28:09,710 --> 00:28:06,960
reacting to the lawsuit well he reacted

681
00:28:11,750 --> 00:28:09,720
all right Ron let me know he had nothing

682
00:28:13,549 --> 00:28:11,760
to do with furbish's new round of

683
00:28:16,669 --> 00:28:13,559
anti-gravity BS

684
00:28:19,730 --> 00:28:16,679
he said that Joe used him uses

685
00:28:21,890 --> 00:28:19,740
Association use friendly phone calls

686
00:28:23,750 --> 00:28:21,900
that John would make to him because he

687
00:28:25,669 --> 00:28:23,760
checked in on him now and then they know

688
00:28:28,909 --> 00:28:25,679

each other over many years they consider

689

00:28:30,710 --> 00:28:28,919

himself friends so my understanding is

690

00:28:33,710 --> 00:28:30,720

that there was some kind of legitimate

691

00:28:37,549 --> 00:28:33,720

work that Joe did years ago Joe was

692

00:28:40,310 --> 00:28:37,559

actually a very prominent web early app

693

00:28:42,710 --> 00:28:40,320

guy he was very early in the game with

694

00:28:45,409 --> 00:28:42,720

webs and apps and Consulting and all of

695

00:28:48,049 --> 00:28:45,419

that so I mean you could almost see how

696

00:28:50,570 --> 00:28:48,059

government people may need help from

697

00:28:53,269 --> 00:28:50,580

that I'm just speculating but what I do

698

00:28:55,730 --> 00:28:53,279

believe is when Ron finally read me the

699

00:28:58,310 --> 00:28:55,740

riot act and what really was going on I

700

00:28:59,630 --> 00:28:58,320

dropped him out of the lawsuit I dealt

701
00:29:02,149 --> 00:28:59,640
with the firm his issues separately

702
00:29:03,049 --> 00:29:02,159
that's sort of an oh clear thing I don't

703
00:29:05,149 --> 00:29:03,059
know if I'm going to look forward with

704
00:29:06,830 --> 00:29:05,159
that anymore at this point the pandemic

705
00:29:08,210 --> 00:29:06,840
happened right in the middle of it so

706
00:29:10,370 --> 00:29:08,220
I'm not quite sure if I want to continue

707
00:29:13,490 --> 00:29:10,380
but I'm going to be honest with you Ron

708
00:29:15,529 --> 00:29:13,500
and I've gotten to be fairly close one

709
00:29:17,690 --> 00:29:15,539
that we're going to do for sure is

710
00:29:20,330 --> 00:29:17,700
something along this eupolitics feature

711
00:29:22,430 --> 00:29:20,340
film uh we're going to release it with a

712
00:29:24,230 --> 00:29:22,440
very unique way that we're also going to

713
00:29:25,909 --> 00:29:24,240

be releasing a few other movies and I'll

714

00:29:27,950 --> 00:29:25,919

tell you all about that tonight too but

715

00:29:30,710 --> 00:29:27,960

the eupholithics deferring the

716

00:29:33,289 --> 00:29:30,720

government the media and the public is

717

00:29:35,389 --> 00:29:33,299

going to be a mostly set the record

718

00:29:37,970 --> 00:29:35,399

straight kind of thing no one's saying

719

00:29:39,830 --> 00:29:37,980

UFOs are not a real mystery no one's

720

00:29:41,750 --> 00:29:39,840

saying there isn't something here but

721

00:29:43,610 --> 00:29:41,760

you've got to be really a good consumer

722

00:29:45,769 --> 00:29:43,620

and you've got to get rid of the BS

723

00:29:48,409 --> 00:29:45,779

before you can move into the real good

724

00:29:51,350 --> 00:29:48,419

stuff yeah there's it's just so I joke

725

00:29:54,230 --> 00:29:51,360

that there's an epidemic of this uh of

726

00:29:56,810 --> 00:29:54,240

of just UFO hucksters out there that's

727

00:29:59,990 --> 00:29:56,820

just anything to sell a story it does

728

00:30:01,789 --> 00:30:00,000

it's it's it's discouraging and my

729

00:30:03,950 --> 00:30:01,799

audience gets frustrated with me because

730

00:30:06,169 --> 00:30:03,960

you know I start investigating a story

731

00:30:08,330 --> 00:30:06,179

and then I report the results it's not

732

00:30:10,970 --> 00:30:08,340

my fault if so much of it is fake you

733

00:30:12,289 --> 00:30:10,980

know no doubt but but you're calling out

734

00:30:17,029 --> 00:30:12,299

the people that are doing it now

735

00:30:19,190 --> 00:30:17,039

blatantly and blatantly is absurd these

736

00:30:23,269 --> 00:30:19,200

two guys in Hawaii if they're still

737

00:30:24,889 --> 00:30:23,279

there these two colors I mean imagine

738

00:30:26,169 --> 00:30:24,899

this so let me get let me go back in

739

00:30:28,370 --> 00:30:26,179

time here

740

00:30:30,769 --> 00:30:28,380

2009 or so

741

00:30:33,110 --> 00:30:30,779

I had the opportunity to develop a

742

00:30:36,230 --> 00:30:33,120

series with one of the executives who

743

00:30:39,529 --> 00:30:36,240

was on my show alien autopsy he was the

744

00:30:41,330 --> 00:30:39,539

line producer on alien autopsy he

745

00:30:42,950 --> 00:30:41,340

actually used that a lot to get to get

746

00:30:45,230 --> 00:30:42,960

into many meetings and he got himself

747

00:30:46,789 --> 00:30:45,240

jobs at many points and it wasn't at the

748

00:30:49,370 --> 00:30:46,799

highest rate I'm sorry to interrupt you

749

00:30:52,370 --> 00:30:49,380

wasn't at the highest rating television

750

00:30:55,190 --> 00:30:52,380

show about UFOs or aliens ever to this

751
00:30:56,930 --> 00:30:55,200
day I'll just quote Mike Darnell who cut

752
00:30:58,789 --> 00:30:56,940
his teeth on my shows and became the

753
00:31:01,010 --> 00:30:58,799
head of American Idol at Fox years later

754
00:31:03,529 --> 00:31:01,020
and made himself very successful Mike

755
00:31:05,930 --> 00:31:03,539
Darnell was at a uh event uh maybe three

756
00:31:07,690 --> 00:31:05,940
four years ago and he told everyone at

757
00:31:12,470 --> 00:31:07,700
the TV Academy that was honoring him

758
00:31:15,830 --> 00:31:12,480
alien autopsy aired five times it rated

759
00:31:18,970 --> 00:31:15,840
every time there is no doubt it is the

760
00:31:22,130 --> 00:31:18,980
highest rated single

761
00:31:24,909 --> 00:31:22,140
documentary on UFO related stuff ever

762
00:31:27,289 --> 00:31:24,919
aired not even close it's like not even

763
00:31:29,090 --> 00:31:27,299

do you feel a little bit of pressure to

764

00:31:31,190 --> 00:31:29,100

top that now with your new projects

765

00:31:33,710 --> 00:31:31,200

that's going to be hard to top that let

766

00:31:35,570 --> 00:31:33,720

me tell you about that project the time

767

00:31:39,590 --> 00:31:35,580

when that came out

768

00:31:41,990 --> 00:31:39,600

people were buzzing about UFOs people

769

00:31:44,930 --> 00:31:42,000

were shooting Steve people were shooting

770

00:31:49,010 --> 00:31:44,940

with their hands kill handcuffed excuse

771

00:31:51,289 --> 00:31:49,020

me they're handheld VHS cameras yeah VHS

772

00:31:54,169 --> 00:31:51,299

cameras I had one they were getting

773

00:31:56,450 --> 00:31:54,179

footage from all over the world at a

774

00:31:58,909 --> 00:31:56,460

level that makes our present world look

775

00:32:01,190 --> 00:31:58,919

empty now why is that I don't know

776

00:32:03,409 --> 00:32:01,200

Steven Spielberg went out years ago and

777

00:32:06,409 --> 00:32:03,419

said ironically when he was doing the

778

00:32:07,730 --> 00:32:06,419

promotion for that I love Stephen

779

00:32:11,450 --> 00:32:07,740

telling you right now like everybody

780

00:32:14,149 --> 00:32:11,460

great filmmaker the word sci-fi movie

781

00:32:16,669 --> 00:32:14,159

not UFO not alien the worst sci-fi movie

782

00:32:18,470 --> 00:32:16,679

I've ever watched I think is the remake

783

00:32:20,210 --> 00:32:18,480

of War of the Worlds that Stephen did no

784

00:32:21,230 --> 00:32:20,220

offense I didn't like that and you know

785

00:32:23,570 --> 00:32:21,240

what it might have had something to do

786

00:32:25,070 --> 00:32:23,580

with that I'm not a fan of Tom Cruise or

787

00:32:26,990 --> 00:32:25,080

you know I'm gonna say something to the

788

00:32:28,850 --> 00:32:27,000

wreck for the record here something

789

00:32:32,510 --> 00:32:28,860

happened to Stephen

790

00:32:35,210 --> 00:32:32,520

that he would make such a downer really

791

00:32:37,370 --> 00:32:35,220

like kind of like gut-wrenchingly almost

792

00:32:40,190 --> 00:32:37,380

gory I mean in many ways of the blood

793

00:32:41,810 --> 00:32:40,200

and the spewing of blood coming out of

794

00:32:44,350 --> 00:32:41,820

those you know creature or whatever

795

00:32:47,450 --> 00:32:44,360

those were those uh mechanical machines

796

00:32:49,970 --> 00:32:47,460

and all I can say is Steven was running

797

00:32:51,769 --> 00:32:49,980

around 2006 saying something very

798

00:32:54,529 --> 00:32:51,779

interesting he's saying you know I don't

799

00:32:56,930 --> 00:32:54,539

know about UFOs anymore because I would

800

00:32:58,730 --> 00:32:56,940

have thought by now we'd have more with

801
00:33:01,490 --> 00:32:58,740
the you know cameras on our phones

802
00:33:03,409 --> 00:33:01,500
wasn't quite as many then 2006 of this

803
00:33:06,409 --> 00:33:03,419
now but he was saying you'd think

804
00:33:08,990 --> 00:33:06,419
there'd be more videos of UFOs and there

805
00:33:11,990 --> 00:33:09,000
is an interesting concept here Steve uh

806
00:33:14,870 --> 00:33:12,000
there does seem to be less everyday man

807
00:33:19,509 --> 00:33:14,880
shooting a video with their shell Cam

808
00:33:25,009 --> 00:33:23,210
in your pocket now and back then it was

809
00:33:28,370 --> 00:33:25,019
rare that somebody had I had a little

810
00:33:30,470 --> 00:33:28,380
vhsc and and I I remember I had to save

811
00:33:32,269 --> 00:33:30,480
up for it was so expensive but I wanted

812
00:33:34,990 --> 00:33:32,279
it because it was small it wasn't like

813
00:33:38,389 --> 00:33:35,000

the full-size VHS yeah

814

00:33:40,490 --> 00:33:38,399

we get no more better or no more or

815

00:33:43,669 --> 00:33:40,500

better footage than we did back in the

816

00:33:46,430 --> 00:33:43,679

80s and 90s it's it's a concept that I

817

00:33:48,169 --> 00:33:46,440

think Stephen is not wrong to mention I

818

00:33:51,110 --> 00:33:48,179

would simplify and say that in the last

819

00:33:54,190 --> 00:33:51,120

14 15 years since he said that there's

820

00:33:57,529 --> 00:33:54,200

been a dearth there's not as many videos

821

00:34:00,710 --> 00:33:57,539

coming to people like me who can make

822

00:34:02,630 --> 00:34:00,720

Network TV material out of it show it to

823

00:34:05,389 --> 00:34:02,640

people like Dr Bruce mcabee or Bob

824

00:34:07,250 --> 00:34:05,399

formerly Bob Nathan at Nasa he's not

825

00:34:09,770 --> 00:34:07,260

there I don't believe anymore but I

826

00:34:11,750 --> 00:34:09,780

think the bottom line is it almost

827

00:34:15,050 --> 00:34:11,760

becomes incumbent upon us to ask the

828

00:34:17,990 --> 00:34:15,060

question why are we not seeing as many

829

00:34:20,149 --> 00:34:18,000

videos today when we have ubiquitous

830

00:34:22,310 --> 00:34:20,159

high definition camera

831

00:34:25,070 --> 00:34:22,320

called the cell phone iPhone whatever

832

00:34:27,169 --> 00:34:25,080

Android whatever compared to when people

833

00:34:29,389 --> 00:34:27,179

were just holding their VHS cameras and

834

00:34:32,510 --> 00:34:29,399

their hi-8 cameras and getting a

835

00:34:34,730 --> 00:34:32,520

plethora of video now I can speculate on

836

00:34:36,829 --> 00:34:34,740

that I will do that if you want tonight

837

00:34:38,210 --> 00:34:36,839

but we are going to do something that I

838

00:34:40,609 --> 00:34:38,220

think is important for the public in

839

00:34:44,810 --> 00:34:40,619

light of that New York Times History

840

00:34:46,669 --> 00:34:44,820

Channel supported scam called tsa and

841

00:34:49,190 --> 00:34:46,679

those two videos that by the way

842

00:34:53,270 --> 00:34:49,200

according to my old Network whatever's

843

00:34:55,609 --> 00:34:53,280

caused it UFOs are not as popular as you

844

00:34:58,609 --> 00:34:55,619

may think Steve yeah according to people

845

00:34:59,290 --> 00:34:58,619

on UFO Twitter it's super popular right

846

00:35:03,470 --> 00:34:59,300

now

847

00:35:06,070 --> 00:35:03,480

what you want to look at UFOs have

848

00:35:09,349 --> 00:35:06,080

always kept a very very

849

00:35:10,990 --> 00:35:09,359

Baseline popularity Society all you got

850

00:35:13,970 --> 00:35:11,000

to do is go to Google Trends and see

851

00:35:15,589 --> 00:35:13,980

it's still there don't get me wrong I'm

852

00:35:17,210 --> 00:35:15,599

not saying the executives told me that

853

00:35:19,790 --> 00:35:17,220

told me that is a hundred percent

854

00:35:22,310 --> 00:35:19,800

correct there's a lot of kind of like

855

00:35:23,569 --> 00:35:22,320

ways you can massage that data but the

856

00:35:27,650 --> 00:35:23,579

one thing you can see if you look at

857

00:35:29,150 --> 00:35:27,660

Google Trends UAP doesn't even come on

858

00:35:32,230 --> 00:35:29,160

the chart

859

00:35:36,410 --> 00:35:32,240

so uaps have kind of like

860

00:35:38,390 --> 00:35:36,420

you know glommed over UFOs now you

861

00:35:41,089 --> 00:35:38,400

wonder was that intentional when Hillary

862

00:35:44,569 --> 00:35:41,099

Clinton went on Jimmy Kimmel in 2016 and

863

00:35:47,210 --> 00:35:44,579

said I remember there's a new uaps now

864

00:35:49,310 --> 00:35:47,220

yeah and Jimmy goes no no no no no I

865

00:35:52,190 --> 00:35:49,320

like UFOs better now let me tell you why

866

00:35:55,190 --> 00:35:52,200

because that's already what we know is

867

00:35:58,550 --> 00:35:55,200

what we understand so if you're trying

868

00:36:00,170 --> 00:35:58,560

to gauge popularity at a network and

869

00:36:04,970 --> 00:36:00,180

you're looking at the last couple of

870

00:36:09,050 --> 00:36:04,980

years and Lou Elizondo is the grand

871

00:36:10,430 --> 00:36:09,060

whatever master of UFO information you

872

00:36:24,670 --> 00:36:10,440

can kind of see why things are going

873

00:36:31,550 --> 00:36:29,690

yeah 2009 this uh former line producer

874

00:36:34,670 --> 00:36:31,560

for me for alien autopsy and worked on a

875

00:36:36,950 --> 00:36:34,680

few of my shows he called me up one day

876

00:36:40,609 --> 00:36:36,960

actually let me repeat let me rephrase

877

00:36:42,890 --> 00:36:40,619

that it was like 2008

878

00:36:44,750 --> 00:36:42,900

um he asked me could you come meet with

879

00:36:47,030 --> 00:36:44,760

me I just got this job at Sci-fi channel

880

00:36:48,770 --> 00:36:47,040

can you meet with me I want to do a

881

00:36:53,150 --> 00:36:48,780

series I said well what would you like

882

00:36:55,370 --> 00:36:53,160

to be Tim he said I like it to be like

883

00:36:58,670 --> 00:36:55,380

alien autopsy every week

884

00:37:01,310 --> 00:36:58,680

I said that's great too yeah yeah well

885

00:37:03,770 --> 00:37:01,320

it's not going to happen right so I went

886

00:37:06,050 --> 00:37:03,780

up there had a meeting with him we kind

887

00:37:08,510 --> 00:37:06,060

of like figured out what would be an

888

00:37:11,150 --> 00:37:08,520

interesting kind of show I created a

889

00:37:13,430 --> 00:37:11,160

reel where I played the part

890

00:37:15,109 --> 00:37:13,440

of the guy in the room if you know what

891

00:37:17,810 --> 00:37:15,119

the show Fact or Faked eventually became

892

00:37:19,790 --> 00:37:17,820

yeah it was a group of people around the

893

00:37:21,530 --> 00:37:19,800

researchers all around one guy he's kind

894

00:37:23,569 --> 00:37:21,540

of like leading them through it they're

895

00:37:25,609 --> 00:37:23,579

choosing which of the five or six videos

896

00:37:26,810 --> 00:37:25,619

look interesting enough to go

897

00:37:29,510 --> 00:37:26,820

investigate

898

00:37:31,609 --> 00:37:29,520

and that was the show handed in the Reel

899

00:37:33,710 --> 00:37:31,619

went off on my life they didn't want to

900

00:37:35,750 --> 00:37:33,720

do anything for a while finally I get a

901
00:37:37,670 --> 00:37:35,760
call come up for a meeting somebody

902
00:37:39,109 --> 00:37:37,680
wanted me something for meeting turns

903
00:37:40,849 --> 00:37:39,119
out they decided the green light to show

904
00:37:43,010 --> 00:37:40,859
they're going to call it eventually

905
00:37:44,329 --> 00:37:43,020
Factor fake they wanted me to team up

906
00:37:46,609 --> 00:37:44,339
with another production Group which I

907
00:37:49,069 --> 00:37:46,619
did I teamed with this guy these guys

908
00:37:51,710 --> 00:37:49,079
and we then started this show called

909
00:37:54,589 --> 00:37:51,720
Fact or Faked they hired a bunch of

910
00:37:56,990 --> 00:37:54,599
people to be the investigators I was the

911
00:37:58,970 --> 00:37:57,000
main content producer for the show and

912
00:38:00,349 --> 00:37:58,980
one day don't forget the concept of fact

913
00:38:02,930 --> 00:38:00,359

or fake you can still see it on many

914

00:38:05,089 --> 00:38:02,940

different platforms sure fact or fake is

915

00:38:07,190 --> 00:38:05,099

when you look at a bunch of videos and

916

00:38:10,790 --> 00:38:07,200

we choose which one we want to look into

917

00:38:12,950 --> 00:38:10,800

so in the early round of this show a

918

00:38:15,109 --> 00:38:12,960

video comes in from away

919

00:38:17,210 --> 00:38:15,119

and I look at it I go you gotta be

920

00:38:19,370 --> 00:38:17,220

kidding it was like a little creeper

921

00:38:23,030 --> 00:38:19,380

like like a little alien looking

922

00:38:25,730 --> 00:38:23,040

creature behind some trees in the

923

00:38:27,470 --> 00:38:25,740

Hawaiian like you know Bush and I went

924

00:38:29,390 --> 00:38:27,480

you gotta be kidding you're not gonna

925

00:38:31,609 --> 00:38:29,400

put that on the show forget that they

926
00:38:33,290 --> 00:38:31,619
sent another one in they kept sending

927
00:38:34,550 --> 00:38:33,300
them in finally this woman who used to

928
00:38:37,370 --> 00:38:34,560
work with me and then she's worked for

929
00:38:38,930 --> 00:38:37,380
this new show she said to me Mom these

930
00:38:42,050 --> 00:38:38,940
things look like they're like they're

931
00:38:43,849 --> 00:38:42,060
they're manufactured so we let them know

932
00:38:45,730 --> 00:38:43,859
someone at the show I wasn't gonna do it

933
00:38:48,890 --> 00:38:45,740
someone let them know

934
00:38:51,530 --> 00:38:48,900
we'll continue the video don't send us

935
00:38:53,870 --> 00:38:51,540
anything else stop right there right no

936
00:38:55,849 --> 00:38:53,880
more right so we we blacklisted them

937
00:38:57,829 --> 00:38:55,859
from being on the show anymore don't say

938
00:39:00,349 --> 00:38:57,839

anything in we did do one I believe oh

939

00:39:02,030 --> 00:39:00,359

so you heard here first third phase of

940

00:39:05,410 --> 00:39:02,040

fake is so fake that they got

941

00:39:10,250 --> 00:39:08,089

you're right there could have been four

942

00:39:12,410 --> 00:39:10,260

or five fakes they could have made it in

943

00:39:14,390 --> 00:39:12,420

because we are looking at four fakes or

944

00:39:16,550 --> 00:39:14,400

five fakes to choose the one we're gonna

945

00:39:18,530 --> 00:39:16,560

go look at right so that there need to

946

00:39:20,329 --> 00:39:18,540

be fake ones to make that work right

947

00:39:21,950 --> 00:39:20,339

they didn't even make the cut of the

948

00:39:23,990 --> 00:39:21,960

fake ones except for one time I believe

949

00:39:26,990 --> 00:39:24,000

we used one because we were a little bit

950

00:39:30,650 --> 00:39:27,000

desperate we needed a face was I put

951

00:39:34,970 --> 00:39:32,589

it later when the show got off the air

952

00:39:36,410 --> 00:39:34,980

my boys are growing up I have two boys

953

00:39:38,569 --> 00:39:36,420

they're both in college now but they

954

00:39:41,450 --> 00:39:38,579

were teenagers and the older boy says to

955

00:39:42,650 --> 00:39:41,460

me dad what are you making this three uh

956

00:39:44,690 --> 00:39:42,660

three phases of the movement a third

957

00:39:46,670 --> 00:39:44,700

phase of the moon yeah I said well who

958

00:39:48,950 --> 00:39:46,680

are they he says these guys are cousins

959

00:39:50,950 --> 00:39:48,960

and brothers they go oh no

960

00:39:53,569 --> 00:39:50,960

that's how he says

961

00:39:55,670 --> 00:39:53,579

right he said what do you want to do I

962

00:39:58,670 --> 00:39:55,680

think I said I said to my kid if you get

963

00:39:59,870 --> 00:39:58,680

their phone number I'll call them and

964

00:40:02,930 --> 00:39:59,880

sure enough he brings me the phone

965

00:40:06,710 --> 00:40:02,940

number I call Blake I go Blake

966

00:40:09,670 --> 00:40:06,720

please Blake no more you gotta stop

967

00:40:11,930 --> 00:40:09,680

faking videos you cannot do that anymore

968

00:40:13,250 --> 00:40:11,940

he more or less promised me I'm not

969

00:40:15,650 --> 00:40:13,260

going to remember I don't remember the

970

00:40:18,650 --> 00:40:15,660

exact words but I remember he more or

971

00:40:21,710 --> 00:40:18,660

less assured me that any claims of

972

00:40:24,470 --> 00:40:21,720

fakery were not true and they would not

973

00:40:26,390 --> 00:40:24,480

fake things anymore it was a little bit

974

00:40:28,550 --> 00:40:26,400

shaky that sounds a little familiar

975

00:40:30,410 --> 00:40:28,560

because their latest line and and

976

00:40:34,010 --> 00:40:30,420

talking points is that they made a lot

977

00:40:36,589 --> 00:40:34,020

of mistakes early on and yeah that's

978

00:40:40,010 --> 00:40:36,599

intentionally faking alien videos

979

00:40:42,650 --> 00:40:40,020

especially involving a child and if you

980

00:40:44,990 --> 00:40:42,660

intentionally fake videos that's not a

981

00:40:47,210 --> 00:40:45,000

mistake you did that on purpose but that

982

00:40:49,310 --> 00:40:47,220

now they're saying they made a mistake

983

00:40:51,410 --> 00:40:49,320

or they made mistakes early on and they

984

00:40:53,089 --> 00:40:51,420

haven't faked anything in five years but

985

00:40:55,310 --> 00:40:53,099

people just keep proving that they are

986

00:40:57,470 --> 00:40:55,320

let me ask you a question if when you

987

00:40:59,690 --> 00:40:57,480

have History Channel putting out shows

988

00:41:01,849 --> 00:40:59,700

and they have no one checking to make

989

00:41:04,130 --> 00:41:01,859

sure if any of it checks out if there's

990

00:41:06,650 --> 00:41:04,140

any veracity I mean there's a guy who's

991

00:41:08,329 --> 00:41:06,660

in charge just like the real reality

992

00:41:11,210 --> 00:41:08,339

area of there or we'll call it the

993

00:41:13,849 --> 00:41:11,220

factual programming there he wrote me an

994

00:41:16,250 --> 00:41:13,859

email basically that indicated to me he

995

00:41:17,569 --> 00:41:16,260

wasn't even part of the show I went if

996

00:41:19,730 --> 00:41:17,579

you're in charge of the factual

997

00:41:21,710 --> 00:41:19,740

programming for the History Channel yeah

998

00:41:23,990 --> 00:41:21,720

and you're claiming you're not even

999

00:41:25,670 --> 00:41:24,000

aware of what's going on with that show

1000

00:41:27,170 --> 00:41:25,680

I was like you gotta be careful and it's

1001
00:41:29,630 --> 00:41:27,180
a shame because I used to like the

1002
00:41:31,370 --> 00:41:29,640
History Channel when I first got cable I

1003
00:41:33,470 --> 00:41:31,380
remember loving it because I like World

1004
00:41:35,870 --> 00:41:33,480
War II history and I like history in

1005
00:41:37,730 --> 00:41:35,880
general but eventually they figured out

1006
00:41:39,770 --> 00:41:37,740
that it was a lot easier to just tell

1007
00:41:42,109 --> 00:41:39,780
alien stories and let's get David

1008
00:41:43,670 --> 00:41:42,119
Wilcock in here and oh my God that

1009
00:41:46,010 --> 00:41:43,680
Ancient Aliens got more and more

1010
00:41:47,450 --> 00:41:46,020
ridiculous the longer it went on and

1011
00:41:50,150 --> 00:41:47,460
then they just filled the whole Network

1012
00:41:52,130 --> 00:41:50,160
full of that kind of garbage Ancient

1013
00:41:55,310 --> 00:41:52,140

Aliens is another one I mean to to

1014

00:41:58,310 --> 00:41:55,320

believe for a minute okay that there is

1015

00:42:01,250 --> 00:41:58,320

that much evidence of extraterrestrial

1016

00:42:03,770 --> 00:42:01,260

visitation that they show in many

1017

00:42:05,990 --> 00:42:03,780

different ways for how many seasons now

1018

00:42:08,150 --> 00:42:06,000

there were when the movie came out that

1019

00:42:09,710 --> 00:42:08,160

Rob Serling is before your time I'm sure

1020

00:42:11,569 --> 00:42:09,720

Steve a little bit when Ross Sterling

1021

00:42:14,930 --> 00:42:11,579

did a documentary released in theaters

1022

00:42:18,470 --> 00:42:14,940

in search of ancient astronauts that was

1023

00:42:20,270 --> 00:42:18,480

the earthquake in theory two hours maybe

1024

00:42:22,910 --> 00:42:20,280

a little bit of evidence it didn't get

1025

00:42:25,849 --> 00:42:22,920

to be more evidence Giorgio didn't find

1026
00:42:29,210 --> 00:42:25,859
more evidence okay he found things

1027
00:42:31,910 --> 00:42:29,220
through the help of crafty editing

1028
00:42:33,770 --> 00:42:31,920
people coming on camera being told what

1029
00:42:45,130 --> 00:42:33,780
to say in the interviews on Ancient

1030
00:42:50,349 --> 00:42:48,290
I've been told editors came to be

1031
00:42:53,150 --> 00:42:50,359
interviewed for jobs I was hiring for

1032
00:42:55,130 --> 00:42:53,160
while they were being interviewed for my

1033
00:42:57,050 --> 00:42:55,140
job they would say by the way you know I

1034
00:42:59,450 --> 00:42:57,060
I was on Ancient Aliens

1035
00:43:01,930 --> 00:42:59,460
so what was that like oh my God and they

1036
00:43:05,450 --> 00:43:01,940
start telling me these stories

1037
00:43:07,190 --> 00:43:05,460
I'm a garbage pedaling yeah no quote me

1038
00:43:09,170 --> 00:43:07,200

but I would say anybody who wants to

1039

00:43:12,950 --> 00:43:09,180

contact a production company involved

1040

00:43:14,870 --> 00:43:12,960

with Ancient Aliens guess what you'd be

1041

00:43:16,490 --> 00:43:14,880

calling the same production company fine

1042

00:43:19,690 --> 00:43:16,500

the school Walker Ranch show oh isn't

1043

00:43:22,309 --> 00:43:19,700

that interesting same production company

1044

00:43:25,250 --> 00:43:22,319

wow yeah I wasn't aware of that

1045

00:43:27,109 --> 00:43:25,260

connection but that explains a lot more

1046

00:43:29,030 --> 00:43:27,119

backwards you need to you need to start

1047

00:43:31,849 --> 00:43:29,040

remembering you have a certain mantle

1048

00:43:33,829 --> 00:43:31,859

now you do I'm very impressed what you

1049

00:43:35,210 --> 00:43:33,839

did in the last oh thanks that means a

1050

00:43:38,690 --> 00:43:35,220

lot to me that you even know who the

1051

00:43:41,329 --> 00:43:38,700

hell I am uh you warm my heart when you

1052

00:43:44,390 --> 00:43:41,339

tell me that my shows help motivate you

1053

00:43:47,390 --> 00:43:44,400

because that was my goal my goal was you

1054

00:43:48,890 --> 00:43:47,400

know maybe there's a guy 15 years old a

1055

00:43:51,170 --> 00:43:48,900

little younger than me

1056

00:43:53,630 --> 00:43:51,180

he's watching right now and maybe one

1057

00:43:55,250 --> 00:43:53,640

day he'll carry this forward I I'm not

1058

00:43:57,050 --> 00:43:55,260

kidding there are people at my show will

1059

00:43:59,030 --> 00:43:57,060

tell you that I would say that all the

1060

00:44:01,069 --> 00:43:59,040

time if they said to me Bob we want to

1061

00:44:03,530 --> 00:44:01,079

put this video on because it looks

1062

00:44:05,450 --> 00:44:03,540

really cool but I think it's fake sorry

1063

00:44:07,970 --> 00:44:05,460

we're not putting it on we're not going

1064

00:44:10,250 --> 00:44:07,980

to put it on just so we can say uh-huh

1065

00:44:13,370 --> 00:44:10,260

great and then debunk it in the same

1066

00:44:16,010 --> 00:44:13,380

show I'm not doing that so it would have

1067

00:44:18,589 --> 00:44:16,020

to have evidence that we know ahead of

1068

00:44:20,210 --> 00:44:18,599

time has a possibility of authenticity

1069

00:44:22,849 --> 00:44:20,220

it has to be something and by the way

1070

00:44:24,730 --> 00:44:22,859

alien autopsy we used to have a thing on

1071

00:44:26,630 --> 00:44:24,740

the wall my my the door to my office

1072

00:44:28,970 --> 00:44:26,640

everybody's name was there like you said

1073

00:44:31,670 --> 00:44:28,980

it was like in in-game baseball right

1074

00:44:33,650 --> 00:44:31,680

you want to know the in-game baseball

1075

00:44:35,270 --> 00:44:33,660

baseball sure yeah we play baseball and

1076

00:44:36,770 --> 00:44:35,280

I'm a big baseball I still play a lot of

1077

00:44:38,390 --> 00:44:36,780

baseball now a Hardball I play in the

1078

00:44:39,950 --> 00:44:38,400

hardball leagues let me tell you

1079

00:44:42,470 --> 00:44:39,960

something God bless you yeah we had

1080

00:44:44,930 --> 00:44:42,480

thanks we had a um uh kind of a graph

1081

00:44:46,849 --> 00:44:44,940

under my wall everybody's name what

1082

00:44:51,230 --> 00:44:46,859

percentage do you give the alien autopsy

1083

00:44:54,470 --> 00:44:51,240

of being real I was always 51 could be

1084

00:44:57,650 --> 00:44:54,480

real why the Pathologists we interviewed

1085

00:45:01,010 --> 00:44:57,660

pathologist Steve we interviewed two

1086

00:45:03,170 --> 00:45:01,020

prominent Pathologists from one from

1087

00:45:06,470 --> 00:45:03,180

England one from America now the one

1088

00:45:08,349 --> 00:45:06,480

from America does like conspiracies he's

1089

00:45:10,730 --> 00:45:08,359

the guy from the JFK assassination

1090

00:45:13,430 --> 00:45:10,740

several weeks yeah I was aware of that

1091

00:45:15,770 --> 00:45:13,440

yeah I found out

1092

00:45:18,109 --> 00:45:15,780

he's a he's an educated pathologist he's

1093

00:45:20,329 --> 00:45:18,119

entitled 20

1094

00:45:22,849 --> 00:45:20,339

000 cadavers he's opened up I mean the

1095

00:45:25,790 --> 00:45:22,859

guy is called to courtroom cases all the

1096

00:45:27,710 --> 00:45:25,800

time I believe to this day but uh he

1097

00:45:30,829 --> 00:45:27,720

definitely felt the alien autopsy could

1098

00:45:33,349 --> 00:45:30,839

be real delayed Stan Winston I'm driving

1099

00:45:35,510 --> 00:45:33,359

to the to the to the party we have on

1100

00:45:38,329 --> 00:45:35,520

the network Executives watch the Airing

1101

00:45:40,370 --> 00:45:38,339

with us I'm driving to the to the

1102

00:45:42,470 --> 00:45:40,380

screening essentially it's already aired

1103

00:45:45,290 --> 00:45:42,480

on the East Coast I'm driving to the

1104

00:45:48,109 --> 00:45:45,300

West Coast screening hi Stan it's Bob

1105

00:45:49,250 --> 00:45:48,119

kivian oh hi Bob how are you Stan I just

1106

00:45:51,230 --> 00:45:49,260

want to know

1107

00:45:53,329 --> 00:45:51,240

people here at my show are saying maybe

1108

00:45:56,030 --> 00:45:53,339

we took her out of context

1109

00:45:58,849 --> 00:45:56,040

did we or not I watched the show I watch

1110

00:46:01,370 --> 00:45:58,859

the interviews I saw everything I don't

1111

00:46:04,130 --> 00:46:01,380

believe so he says Bob I said what I

1112

00:46:07,250 --> 00:46:04,140

believe if that person faked it if

1113

00:46:09,109 --> 00:46:07,260

somebody faked it it was amazing and I

1114

00:46:10,490 --> 00:46:09,119

said you hire him like that he says

1115

00:46:13,130 --> 00:46:10,500

absolutely

1116

00:46:16,010 --> 00:46:13,140

so he thought it was so good if it was

1117

00:46:17,569 --> 00:46:16,020

fake it was somebody he would hire like

1118

00:46:20,089 --> 00:46:17,579

that like you said in the show and you

1119

00:46:22,250 --> 00:46:20,099

can see him do that good scope so I

1120

00:46:24,890 --> 00:46:22,260

checked my I checked my my sources to

1121

00:46:26,870 --> 00:46:24,900

the very end so Time Magazine writes a

1122

00:46:29,870 --> 00:46:26,880

big article about my show when it airs a

1123

00:46:31,670 --> 00:46:29,880

third time the third airing and we

1124

00:46:34,010 --> 00:46:31,680

showed some more of the footage

1125

00:46:37,630 --> 00:46:34,020

Time Magazine said Stan Winston now

1126

00:46:40,250 --> 00:46:37,640

claims he says it's a hoax ridiculous

1127

00:46:41,450 --> 00:46:40,260

ridiculous I know he may be like not

1128

00:46:43,490 --> 00:46:41,460

happy where he is right now he's no

1129

00:46:47,150 --> 00:46:43,500

longer with us but that's a fact what I

1130

00:46:49,069 --> 00:46:47,160

just said hold me on the phone only when

1131

00:46:51,349 --> 00:46:49,079

people push back like Richard Corliss

1132

00:46:52,370 --> 00:46:51,359

the writer from Time magazine or Tynan

1133

00:46:54,829 --> 00:46:52,380

they'll tell him a guy who did the

1134

00:46:58,190 --> 00:46:54,839

interview probably he's a Time top time

1135

00:47:01,250 --> 00:46:58,200

reporters top this is what I love when

1136

00:47:03,170 --> 00:47:01,260

Time Magazine looks at my work when I

1137

00:47:05,750 --> 00:47:03,180

did world's greatest hoaxes Chicago

1138

00:47:08,150 --> 00:47:05,760

Tribune wrote in the headline a

1139

00:47:09,829 --> 00:47:08,160

full-bage article for Robert Kivient the

1140

00:47:12,050 --> 00:47:09,839

truth is out there well they compare me

1141

00:47:14,930 --> 00:47:12,060

to molder from the X-Files but one of my

1142

00:47:17,329 --> 00:47:14,940

friends Howard Gordon was a top writer

1143

00:47:19,430 --> 00:47:17,339

and top producer on that show who went

1144

00:47:21,290 --> 00:47:19,440

on to be the showrunner and creator of

1145

00:47:23,089 --> 00:47:21,300

Homeland who ended up being the

1146

00:47:25,849 --> 00:47:23,099

showrunner for for 24 when he won the

1147

00:47:29,230 --> 00:47:25,859

Emmy Howard Gordon well I call Howie is

1148

00:47:32,990 --> 00:47:29,240

my best friend from high school okay

1149

00:47:35,630 --> 00:47:33,000

he says to me I mean it's almost like

1150

00:47:38,630 --> 00:47:35,640

they had heard what he said he said that

1151

00:47:40,730 --> 00:47:38,640

in our show Mulder is a lot less

1152

00:47:42,290 --> 00:47:40,740

skeptical than Bob kivirot so in other

1153

00:47:46,010 --> 00:47:42,300

words if you want to make a comparison

1154

00:47:47,870 --> 00:47:46,020

to me you know Mulder believed a lot of

1155

00:47:50,829 --> 00:47:47,880

things I would never believe I was

1156

00:47:53,329 --> 00:47:50,839

probably more like Scully so I'm really

1157

00:47:56,270 --> 00:47:53,339

I'm more of a Skully I actually want to

1158

00:47:58,069 --> 00:47:56,280

find the truth and it annoys me when I

1159

00:48:00,050 --> 00:47:58,079

got to go through 50 or 60 amazing

1160

00:48:02,030 --> 00:48:00,060

videos in my career for six seven years

1161

00:48:05,030 --> 00:48:02,040

that you watch the most of them right

1162

00:48:09,109 --> 00:48:05,040

yeah let's solve Mysteries Guardian the

1163

00:48:11,170 --> 00:48:09,119

UFO case oh I love that the UFO videos

1164

00:48:13,970 --> 00:48:11,180
from Mexico that

1165

00:48:16,849 --> 00:48:13,980
did not overly you know promote vote

1166

00:48:21,050 --> 00:48:16,859
when Jaime brought me the UFO videos

1167

00:48:23,510 --> 00:48:21,060
from Mexico from the 1991 Mexico uh

1168

00:48:27,530 --> 00:48:23,520
eclipse of the Sun the famous day

1169

00:48:30,530 --> 00:48:27,540
everyone should know July 11 1991 over

1170

00:48:33,290 --> 00:48:30,540
four cities of Mexico if it was a hoax

1171

00:48:35,030 --> 00:48:33,300
as by Bob Nathan at Nasa top guy felt

1172

00:48:36,890 --> 00:48:35,040
for years and then my show said he

1173

00:48:38,930 --> 00:48:36,900
thought it was a grandiose hoax of

1174

00:48:39,910 --> 00:48:38,940
people uh using some sort of remote

1175

00:48:41,870 --> 00:48:39,920
control

1176

00:48:44,390 --> 00:48:41,880

softwares over three or four different

1177

00:48:46,609 --> 00:48:44,400

cities Jaime Hassan brought me that

1178

00:48:49,730 --> 00:48:46,619

story when I was an Unsolved Mysteries

1179

00:48:51,170 --> 00:48:49,740

no one knew who Jaime was we made Jaime

1180

00:48:53,390 --> 00:48:51,180

famous in America

1181

00:48:55,730 --> 00:48:53,400

when I did my own specials for Fox I

1182

00:48:58,670 --> 00:48:55,740

brought Jaime on Jaime was very very

1183

00:49:01,910 --> 00:48:58,680

credible back then he was known as like

1184

00:49:04,910 --> 00:49:01,920

the Dan Rather 60 minutos he was on a

1185

00:49:06,890 --> 00:49:04,920

show called 60 Minutes of Mexico he was

1186

00:49:09,589 --> 00:49:06,900

a very that he was very incredible he

1187

00:49:12,170 --> 00:49:09,599

was a very good journalist Jaime I'm not

1188

00:49:23,770 --> 00:49:12,180

going to say what made him do this he

1189

00:49:28,849 --> 00:49:26,569

like who digs up a bunch well let me

1190

00:49:31,309 --> 00:49:28,859

tell you something together that's bad

1191

00:49:33,770 --> 00:49:31,319

we were doing world's greatest hoaxes

1192

00:49:35,329 --> 00:49:33,780

and Eddie who became a top producers in

1193

00:49:37,010 --> 00:49:35,339

other areas was one of my top producers

1194

00:49:37,670 --> 00:49:37,020

on my show Eddie Rowan a great guy by

1195

00:49:40,550 --> 00:49:37,680

the way

1196

00:49:42,710 --> 00:49:40,560

Eddie rowder says Bob Bob

1197

00:49:44,630 --> 00:49:42,720

Hayman musan is going to be in town so

1198

00:49:46,490 --> 00:49:44,640

we can go to him so this is when Jaime

1199

00:49:47,990 --> 00:49:46,500

Musa was promoting it was when he was

1200

00:49:50,210 --> 00:49:48,000

growing into the

1201

00:49:52,809 --> 00:49:50,220

I I like Jaime still so I'm going to say

1202

00:49:55,730 --> 00:49:52,819

Huck stared a nice way

1203

00:49:57,349 --> 00:49:55,740

very diplomatic of you I'm trying I'm

1204

00:49:59,210 --> 00:49:57,359

trying he's been he's been good to me a

1205

00:50:01,490 --> 00:49:59,220

little bit in life so he's done so Eddie

1206

00:50:04,790 --> 00:50:01,500

goes Bob for world's greatest hoax is we

1207

00:50:06,650 --> 00:50:04,800

should nail Jaime I go Eddie why he's

1208

00:50:08,630 --> 00:50:06,660

coming he'll be at this like a

1209

00:50:10,790 --> 00:50:08,640

burbank-like event

1210

00:50:12,470 --> 00:50:10,800

there was a UFO video he was promoting

1211

00:50:15,589 --> 00:50:12,480

everyone remembers that I'm sure you did

1212

00:50:19,609 --> 00:50:15,599

too it was a building in Mexico and a

1213

00:50:22,069 --> 00:50:19,619

wobbly flying song flying by it was like

1214

00:50:24,470 --> 00:50:22,079

wobbly right it was like it comes from a

1215

00:50:26,329 --> 00:50:24,480

distant planet but it has trouble in our

1216

00:50:28,190 --> 00:50:26,339

atmosphere wobbling around like I guess

1217

00:50:30,589 --> 00:50:28,200

Billy Myers said years later earlier

1218

00:50:33,109 --> 00:50:30,599

they have trouble dealing with our you

1219

00:50:35,089 --> 00:50:33,119

know our our gravitational field so

1220

00:50:36,829 --> 00:50:35,099

Jaime was promoting this video another

1221

00:50:38,270 --> 00:50:36,839

Network made a big deal about that which

1222

00:50:40,809 --> 00:50:38,280

we're going to get into an air a network

1223

00:50:45,589 --> 00:50:40,819

that used to be called

1224

00:50:48,190 --> 00:50:45,599

UPN United Paramount Network talk about

1225

00:50:50,450 --> 00:50:48,200

the early days of people faking things

1226

00:50:52,010 --> 00:50:50,460

and knowing it

1227

00:50:54,410 --> 00:50:52,020

well if you want to hear that story I'll

1228

00:50:56,510 --> 00:50:54,420

be glad to tell you oh yeah oh you'll be

1229

00:50:57,829 --> 00:50:56,520

a Genesis of a lot of this stuff you

1230

00:50:59,089 --> 00:50:57,839

better believe it it's like people lost

1231

00:51:01,370 --> 00:50:59,099

their they lost

1232

00:51:03,230 --> 00:51:01,380

like why would you start doing that just

1233

00:51:06,470 --> 00:51:03,240

because I had hit called alien autopsy

1234

00:51:08,210 --> 00:51:06,480

of a real mystery they actually a lot of

1235

00:51:10,790 --> 00:51:08,220

people don't realize this but after you

1236

00:51:13,190 --> 00:51:10,800

did alien autopsy and it was it was

1237

00:51:15,770 --> 00:51:13,200

through the roof ratings Along Came all

1238

00:51:17,930 --> 00:51:15,780

these copycats and people try like alien

1239

00:51:20,510 --> 00:51:17,940

to interview it was a show combuster

1240

00:51:22,309 --> 00:51:20,520

alien interview we busted that fake it

1241

00:51:23,690 --> 00:51:22,319

was a puppet and all this it was a

1242

00:51:26,210 --> 00:51:23,700

series there was a series that came out

1243

00:51:27,829 --> 00:51:26,220

called paranormal borderline they even

1244

00:51:29,690 --> 00:51:27,839

had the I'm not going to get into what

1245

00:51:31,130 --> 00:51:29,700

they did let's just put it this way they

1246

00:51:32,630 --> 00:51:31,140

tried their best to make it seem like

1247

00:51:34,670 --> 00:51:32,640

they had gotten alien autopsies

1248

00:51:37,150 --> 00:51:34,680

producers they didn't get anybody from

1249

00:51:39,370 --> 00:51:37,160

my staff I don't know

1250

00:51:42,589 --> 00:51:39,380

cats came along when they saw the money

1251
00:51:46,970 --> 00:51:42,599
I take that back there might have been

1252
00:51:50,030 --> 00:51:46,980
one guy from my staff who might have

1253
00:51:53,390 --> 00:51:50,040
um motivated them a little bit believe

1254
00:51:56,510 --> 00:51:53,400
it at that so anyway they went and did a

1255
00:52:00,650 --> 00:51:56,520
show where they showed appeared to be a

1256
00:52:02,930 --> 00:52:00,660
Yeti a yeti in the snow doing this weird

1257
00:52:05,030 --> 00:52:02,940
movement laying in the snow looked like

1258
00:52:08,870 --> 00:52:05,040
a Yeti like a like a Bigfoot Yeti you

1259
00:52:11,510 --> 00:52:08,880
know and I researched it and found out

1260
00:52:13,370 --> 00:52:11,520
who made it I knew who made it I knew

1261
00:52:15,589 --> 00:52:13,380
who made it and where he made it and it

1262
00:52:17,630 --> 00:52:15,599
was somebody that I knew and I went holy

1263
00:52:19,309 --> 00:52:17,640

crap so I told the people at the Fox

1264

00:52:20,510 --> 00:52:19,319

network about it and they were like well

1265

00:52:22,790 --> 00:52:20,520

do you want to put that in world's

1266

00:52:24,230 --> 00:52:22,800

greatest hoaxes I actually got

1267

00:52:27,170 --> 00:52:24,240

teary-eyed to me I'll never forget

1268

00:52:29,870 --> 00:52:27,180

because I knew the guy who faked it and

1269

00:52:32,210 --> 00:52:29,880

I was stuck now I go all right I'll find

1270

00:52:33,130 --> 00:52:32,220

a way to show that well right about that

1271

00:52:36,650 --> 00:52:33,140

time

1272

00:52:39,410 --> 00:52:36,660

UPN same network did a special

1273

00:52:43,849 --> 00:52:39,420

excuse me on UFOs and they opened it

1274

00:52:46,549 --> 00:52:43,859

with this wobbly video and Jaime Busan

1275

00:52:48,170 --> 00:52:46,559

there he was well Bruce mcabee the same

1276
00:52:49,670 --> 00:52:48,180
Imaging expert I keep telling you about

1277
00:52:52,309 --> 00:52:49,680
which I'll tell you some more tonight

1278
00:52:54,170 --> 00:52:52,319
about he looked at that video and saw

1279
00:52:56,809 --> 00:52:54,180
where the UFO

1280
00:52:59,450 --> 00:52:56,819
came near the building you can see a

1281
00:53:01,549 --> 00:52:59,460
digital hit there was a digital artifact

1282
00:53:03,770 --> 00:53:01,559
that you could tell it was it was

1283
00:53:05,990 --> 00:53:03,780
layered in it was a computer image so we

1284
00:53:09,109 --> 00:53:06,000
knew it was fake so Eddie wanted me to

1285
00:53:11,270 --> 00:53:09,119
go confront Jaime by former Source runs

1286
00:53:13,250 --> 00:53:11,280
off Mysteries by former source for my

1287
00:53:15,049 --> 00:53:13,260
own special vufos yeah and that's a

1288
00:53:18,470 --> 00:53:15,059

little bit that's a little bit hairy to

1289

00:53:20,270 --> 00:53:18,480

do well we did it we went there

1290

00:53:23,150 --> 00:53:20,280

we got there with the camera it was like

1291

00:53:25,849 --> 00:53:23,160

TMZ you know TMZ today we did like a TMZ

1292

00:53:27,950 --> 00:53:25,859

on him right we never used the footage

1293

00:53:30,170 --> 00:53:27,960

what happened was Jaime

1294

00:53:31,670 --> 00:53:30,180

Jaime it was a sad moment for me and as

1295

00:53:35,270 --> 00:53:31,680

a journalist and as a producer I knew

1296

00:53:37,490 --> 00:53:35,280

Jaime so well and I went Jaime why would

1297

00:53:39,109 --> 00:53:37,500

you do that with the Mexico footage and

1298

00:53:43,130 --> 00:53:39,119

there's Eddie with a camera in his face

1299

00:53:44,870 --> 00:53:43,140

and Jaime goes Bob giving it why would

1300

00:53:46,910 --> 00:53:44,880

you do this to me

1301

00:53:49,069 --> 00:53:46,920

and you know I said Eddie

1302

00:53:52,190 --> 00:53:49,079

cut the camera and we never used a video

1303

00:53:54,589 --> 00:53:52,200

for your viewing pleasure though I will

1304

00:53:56,770 --> 00:53:54,599

show it to you

1305

00:53:59,990 --> 00:53:56,780

I would be great I keep I keep it very

1306

00:54:02,510 --> 00:54:00,000

nice it is sad though you know

1307

00:54:05,510 --> 00:54:02,520

I have seen many many people that start

1308

00:54:08,270 --> 00:54:05,520

off credible in this thing but I think

1309

00:54:11,150 --> 00:54:08,280

that race to get more material to keep

1310

00:54:13,370 --> 00:54:11,160

putting things out eventually they fall

1311

00:54:16,190 --> 00:54:13,380

to the dark side and just start faking

1312

00:54:17,510 --> 00:54:16,200

things because that's what sells let me

1313

00:54:19,670 --> 00:54:17,520

tell you where I think we're going and I

1314

00:54:22,490 --> 00:54:19,680

think we'll do it eventually Fact or

1315

00:54:24,109 --> 00:54:22,500

Faked with a little bit of a a cookie

1316

00:54:27,349 --> 00:54:24,119

cutter kind of show for the Sci-Fi

1317

00:54:29,510 --> 00:54:27,359

channel there are things they want in

1318

00:54:31,970 --> 00:54:29,520

their show on their Network that they do

1319

00:54:33,190 --> 00:54:31,980

that I would not agree with if it was up

1320

00:54:35,630 --> 00:54:33,200

to me 100

1321

00:54:37,069 --> 00:54:35,640

That Grew into something I did in one of

1322

00:54:39,410 --> 00:54:37,079

my shows I want everyone to know about I

1323

00:54:41,210 --> 00:54:39,420

did for sci-fi NBC a few years ago

1324

00:54:45,589 --> 00:54:41,220

called aliens on the moon the Truth

1325

00:54:47,030 --> 00:54:45,599

Exposed that one I love that one thank

1326

00:54:49,609 --> 00:54:47,040

you and I'll tell you right now we're

1327

00:54:52,430 --> 00:54:49,619

going up with Artemis Mission now we are

1328

00:54:55,750 --> 00:54:52,440

going to do another big series pointing

1329

00:55:01,250 --> 00:54:59,390

we want the Chinese government

1330

00:55:03,349 --> 00:55:01,260

people that are going to the Moon we

1331

00:55:04,670 --> 00:55:03,359

want them to see these areas we could do

1332

00:55:06,950 --> 00:55:04,680

a show another night with you if you

1333

00:55:08,690 --> 00:55:06,960

want any time on the lunar Recons

1334

00:55:11,170 --> 00:55:08,700

Orbiter images don't tell me that I'll

1335

00:55:14,210 --> 00:55:11,180

have you here every night

1336

00:55:15,710 --> 00:55:14,220

the lunar stuff is so amazing that

1337

00:55:17,510 --> 00:55:15,720

that's gonna be my one of my next big

1338

00:55:20,510 --> 00:55:17,520

things but I'm just letting you know now

1339

00:55:23,089 --> 00:55:20,520

the UFO videos that factor fake got into

1340

00:55:26,510 --> 00:55:23,099

and other videos effect or fake got into

1341

00:55:29,809 --> 00:55:26,520

the idea is a good idea bring on the

1342

00:55:32,210 --> 00:55:29,819

evidence call it a spadeous fade if it's

1343

00:55:35,930 --> 00:55:32,220

a fake it's a fake but do more than just

1344

00:55:37,730 --> 00:55:35,940

call it a fake call out the fakers call

1345

00:55:41,450 --> 00:55:37,740

them out and say why are you doing this

1346

00:55:43,849 --> 00:55:41,460

and cut the uh motivation down so people

1347

00:55:47,030 --> 00:55:43,859

are not motivated to face those videos

1348

00:55:49,849 --> 00:55:47,040

we have people who are sometimes very

1349

00:55:52,370 --> 00:55:49,859

critical of me because I I I will admit

1350

00:55:55,730 --> 00:55:52,380

that I've been somewhat aggressive in my

1351

00:55:59,089 --> 00:55:55,740

uh in my no do not apologize do not

1352

00:56:02,450 --> 00:56:01,069

yeah I hope you I hope you'll come on

1353

00:56:04,069 --> 00:56:02,460

the show you follow things you'd be a

1354

00:56:06,410 --> 00:56:04,079

very good interview absolutely yeah

1355

00:56:08,930 --> 00:56:06,420

absolutely I would love to do that and

1356

00:56:10,970 --> 00:56:08,940

I'm all tips in anything you need I'm

1357

00:56:14,530 --> 00:56:10,980

there if you need somebody to go run

1358

00:56:17,390 --> 00:56:14,540

errands for you while you're here yeah

1359

00:56:19,910 --> 00:56:17,400

you are going to be we hope the person

1360

00:56:22,430 --> 00:56:19,920

to explain for today's people today's

1361

00:56:25,549 --> 00:56:22,440

viewers today's YouTube makers I mean

1362

00:56:29,710 --> 00:56:25,559

come on this is not a new idea to be

1363

00:56:33,349 --> 00:56:29,720

authentic to be real to don't [h__h]

1364

00:56:34,790 --> 00:56:33,359

who wants [h__h] what do you why do we

1365

00:56:35,870 --> 00:56:34,800

want that how does that help us in any

1366

00:56:37,190 --> 00:56:35,880

way I don't know I've thought a lot

1367

00:56:40,190 --> 00:56:37,200

about it and I think that some people

1368

00:56:43,010 --> 00:56:40,200

get so wrapped up and and wanting to

1369

00:56:44,930 --> 00:56:43,020

believe it that they excuse so many of

1370

00:56:46,370 --> 00:56:44,940

the problems right do you know what you

1371

00:56:48,349 --> 00:56:46,380

should do tell your listeners and your

1372

00:56:51,530 --> 00:56:48,359

viewers I mean and I will do it tonight

1373

00:56:53,150 --> 00:56:51,540

it's not an amazing documentary but when

1374

00:56:54,829 --> 00:56:53,160

we did world's greatest hoaxes we

1375

00:56:57,410 --> 00:56:54,839

touched on the same thing there's a

1376

00:57:00,170 --> 00:56:57,420

documentary on uh HBO Max do you want to

1377

00:57:02,809 --> 00:57:00,180

call it now about the heavens gate cult

1378

00:57:04,790 --> 00:57:02,819

if you can't learn from the heavens Gate

1379

00:57:07,730 --> 00:57:04,800

cult and something called the solar

1380

00:57:11,150 --> 00:57:07,740

Temple these are Cults that believe so

1381

00:57:13,609 --> 00:57:11,160

much in UFOs and alien reality that

1382

00:57:18,190 --> 00:57:13,619

eventually they kill themselves

1383

00:57:24,049 --> 00:57:20,750

the Heaven's Gate cult

1384

00:57:26,170 --> 00:57:24,059

literally was focusing on an art bell

1385

00:57:28,970 --> 00:57:26,180

appearance by a guy named Courtney Brown

1386

00:57:31,630 --> 00:57:28,980

who claimed that he could remote view

1387

00:57:34,490 --> 00:57:31,640

the Hellbound

1388

00:57:36,109 --> 00:57:34,500

against me and feel a photograph was

1389

00:57:37,910 --> 00:57:36,119

real and it's funny you mentioned this

1390

00:57:40,609 --> 00:57:37,920

because I have a new series called

1391

00:57:43,549 --> 00:57:40,619

murder in UFO land that begins very soon

1392

00:57:45,470 --> 00:57:43,559

and we're covering a lot of stories like

1393

00:57:47,589 --> 00:57:45,480

this about people who get too far down

1394

00:57:49,910 --> 00:57:47,599

the rabbit hole and believe all these

1395

00:57:52,750 --> 00:57:49,920

profiteering hucksters and they end up

1396

00:57:56,030 --> 00:57:52,760

killing themselves killing other people

1397

00:57:57,950 --> 00:57:56,040

when you look at UFO UFOs have a little

1398

00:58:00,109 --> 00:57:57,960

bit of a religious thing going on Steve

1399

00:58:02,150 --> 00:58:00,119

there's almost like a religiousness

1400

00:58:04,549 --> 00:58:02,160

going on so you have to treat those

1401
00:58:06,650 --> 00:58:04,559
people with respect for whatever reason

1402
00:58:08,750 --> 00:58:06,660
whether it's from my shows showing I

1403
00:58:10,490 --> 00:58:08,760
believe credible investigations Fox

1404
00:58:13,130 --> 00:58:10,500
would say to me every video Bob you put

1405
00:58:15,530 --> 00:58:13,140
on you show the video you tell a story

1406
00:58:17,329 --> 00:58:15,540
and you do your analysis and you try to

1407
00:58:19,069 --> 00:58:17,339
give the viewer some kind of a a

1408
00:58:22,190 --> 00:58:19,079
beginning point to be able to discern

1409
00:58:24,109 --> 00:58:22,200
like an intelligent human being how to

1410
00:58:27,170 --> 00:58:24,119
make sense of it they love that now

1411
00:58:30,470 --> 00:58:27,180
where is that today why is that not part

1412
00:58:33,109 --> 00:58:30,480
of the landscape right now why would a

1413
00:58:35,329 --> 00:58:33,119

show like unidentified go on with no one

1414

00:58:39,530 --> 00:58:35,339

pushing back why wouldn't identify that

1415

00:58:42,950 --> 00:58:39,540

Mick West on episode two Nick West comes

1416

00:58:45,230 --> 00:58:42,960

on why not what are they afraid of

1417

00:58:47,329 --> 00:58:45,240

yeah I think it's fair to have a skeptic

1418

00:58:50,510 --> 00:58:47,339

look at something along with the

1419

00:58:52,370 --> 00:58:50,520

believer crowd and Steve okay Joe K is

1420

00:58:54,650 --> 00:58:52,380

here and I'm interested too I think I

1421

00:58:57,230 --> 00:58:54,660

know but uh he he'd love to hear your

1422

00:58:58,970 --> 00:58:57,240

take on Bobby Bazar yeah I'm gonna do

1423

00:59:00,710 --> 00:58:58,980

this now as I I really it's not a

1424

00:59:03,470 --> 00:59:00,720

comeback Steve the way it works is this

1425

00:59:05,030 --> 00:59:03,480

first of all you raise a family I had

1426
00:59:07,430 --> 00:59:05,040
two boys growing up oh I didn't mean to

1427
00:59:10,150 --> 00:59:07,440
imply yeah I just meant you're coming

1428
00:59:13,190 --> 00:59:10,160
back with these amazing problems

1429
00:59:15,710 --> 00:59:13,200
so fair game did I see was going on

1430
00:59:18,230 --> 00:59:15,720
after my Joe firmish Odyssey and did I

1431
00:59:20,690 --> 00:59:18,240
see what's going on with with Ron a

1432
00:59:22,730 --> 00:59:20,700
little bit and how guys like Grant

1433
00:59:26,089 --> 00:59:22,740
Cameron were buying it like Hook Line

1434
00:59:27,950 --> 00:59:26,099
and thinker that that portals are

1435
00:59:30,530 --> 00:59:27,960
opening up and people are running people

1436
00:59:33,770 --> 00:59:30,540
are running to South America to have

1437
00:59:37,370 --> 00:59:33,780
tours where portals are opening up I

1438
00:59:39,770 --> 00:59:37,380

mean there's rumors that Ron pandolfi

1439

00:59:42,289 --> 00:59:39,780

messed with members of the UFO community

1440

00:59:51,970 --> 00:59:42,299

and floated crazy stories about his wife

1441

00:59:56,870 --> 00:59:55,430

you're making a supposition that if Ron

1442

00:59:58,849 --> 00:59:56,880

if you're watching right now and you

1443

01:00:01,130 --> 00:59:58,859

watch it on the recording Ron

1444

01:00:04,089 --> 01:00:01,140

Steve's making a supposition but these

1445

01:00:07,069 --> 01:00:04,099

are rumors that I've heard yeah

1446

01:00:08,030 --> 01:00:07,079

the supposition is that I'll even expand

1447

01:00:09,410 --> 01:00:08,040

it

1448

01:00:12,410 --> 01:00:09,420

but I don't get a kick out of this

1449

01:00:15,650 --> 01:00:12,420

probably the supposition is that when

1450

01:00:18,109 --> 01:00:15,660

ttsa was making their claims before they

1451
01:00:19,490 --> 01:00:18,119
ever put out any videos and they were

1452
01:00:22,430 --> 01:00:19,500
claiming they're going to do this and

1453
01:00:26,390 --> 01:00:22,440
that and form a company and Ron was

1454
01:00:29,270 --> 01:00:26,400
telling his friend Dan Smith certain

1455
01:00:31,849 --> 01:00:29,280
things and then Dan Smith goes off and

1456
01:00:34,609 --> 01:00:31,859
tells Grant Cameron

1457
01:00:37,010 --> 01:00:34,619
did Ron see the marketplace with a

1458
01:00:38,930 --> 01:00:37,020
little bit of a trial balloon to see if

1459
01:00:40,309 --> 01:00:38,940
they'd buy that crap

1460
01:00:42,410 --> 01:00:40,319
Maybe

1461
01:00:43,910 --> 01:00:42,420
but on the other end you all you got to

1462
01:00:46,970 --> 01:00:43,920
do is start researching what Ronald was

1463
01:00:48,770 --> 01:00:46,980

saying does it make any sense is there

1464

01:00:51,170 --> 01:00:48,780

any evidence for what he said it doesn't

1465

01:00:54,530 --> 01:00:51,180

make any sense yeah right so Ron never

1466

01:00:57,650 --> 01:00:54,540

said any of this he was quoting Dan

1467

01:00:59,390 --> 01:00:57,660

Smith the sky Grand Cameron who was

1468

01:01:01,430 --> 01:00:59,400

quoting Ron so in other words it's like

1469

01:01:04,130 --> 01:01:01,440

third degree of separation it's like the

1470

01:01:07,250 --> 01:01:04,140

game of telephone did anyone confirm

1471

01:01:09,770 --> 01:01:07,260

what Ron was saying in the show you

1472

01:01:12,289 --> 01:01:09,780

politics if all goes well

1473

01:01:16,190 --> 01:01:12,299

Ron will give the first on-camera

1474

01:01:17,809 --> 01:01:16,200

interview on television awesome and let

1475

01:01:20,750 --> 01:01:17,819

me say one other thing about ROM that I

1476

01:01:22,250 --> 01:01:20,760

know it's factual so he's not going to

1477

01:01:24,230 --> 01:01:22,260

be upset by it

1478

01:01:25,730 --> 01:01:24,240

there's only one president that I'm

1479

01:01:27,770 --> 01:01:25,740

aware of and I've looked at every

1480

01:01:29,690 --> 01:01:27,780

president first of all Ronald Reagan

1481

01:01:32,750 --> 01:01:29,700

wrote me a letter years ago

1482

01:01:33,890 --> 01:01:32,760

warm good wishes on my UFO story about

1483

01:01:36,109 --> 01:01:33,900

him

1484

01:01:39,069 --> 01:01:36,119

confirming in every way for my

1485

01:01:44,569 --> 01:01:42,230

when he was governor of California

1486

01:01:48,109 --> 01:01:44,579

had a UFO following his plane as

1487

01:01:49,490 --> 01:01:48,119

governor a bright orb he told his Pilot

1488

01:01:52,609 --> 01:01:49,500

Bill painter

1489

01:01:55,730 --> 01:01:52,619

to follow that UFO they turned to follow

1490

01:01:58,010 --> 01:01:55,740

it the UFO kind of kept their Pace until

1491

01:02:00,170 --> 01:01:58,020

it went straight off into space

1492

01:02:02,270 --> 01:02:00,180

Ronald Reagan confirmed to me in every

1493

01:02:04,910 --> 01:02:02,280

way that you can infirm that was true

1494

01:02:07,670 --> 01:02:04,920

and and wish me warm good wishes

1495

01:02:10,130 --> 01:02:07,680

essentially interviewing his Pilot in

1496

01:02:11,870 --> 01:02:10,140

Florida who was retired now because he

1497

01:02:13,190 --> 01:02:11,880

could not do it because he was busy with

1498

01:02:15,829 --> 01:02:13,200

other matters after being president

1499

01:02:17,750 --> 01:02:15,839

right he's out that's my early years as

1500

01:02:20,049 --> 01:02:17,760

a producer Steve that's me cutting my

1501

01:02:22,789 --> 01:02:20,059

teeth on the U.S that's amazing

1502

01:02:26,589 --> 01:02:22,799

letters congratulating you yeah yeah

1503

01:02:29,450 --> 01:02:26,599

Steven Spielberg was less forthcoming

1504

01:02:32,510 --> 01:02:29,460

somebody did ask what you what your take

1505

01:02:34,430 --> 01:02:32,520

on Bob Lazar and Project Camelot Carrie

1506

01:02:36,309 --> 01:02:34,440

Cassidy and Bill Ryan if you know who

1507

01:02:38,150 --> 01:02:36,319

they are I know who they are very well

1508

01:02:40,730 --> 01:02:38,160

but I just want to make sure I complete

1509

01:02:42,589 --> 01:02:40,740

that other thing I was saying oh sure we

1510

01:02:44,990 --> 01:02:42,599

can go all night probably so so the

1511

01:02:48,650 --> 01:02:45,000

thing I was trying to say was that

1512

01:02:51,950 --> 01:02:48,660

um Ron would absolutely be

1513

01:02:52,789 --> 01:02:51,960

the only CIA officer scientist of any

1514

01:02:56,329 --> 01:02:52,799

kind

1515

01:02:59,450 --> 01:02:56,339

that was asked by a President

1516

01:03:02,630 --> 01:02:59,460

through his science advisor for a UFO

1517

01:03:04,430 --> 01:03:02,640

briefing oh that's amazing what

1518

01:03:06,650 --> 01:03:04,440

president what was that that he briefed

1519

01:03:09,109 --> 01:03:06,660

Bill Clinton asked the science advisor

1520

01:03:11,569 --> 01:03:09,119

Gibbons and he had a big interest in

1521

01:03:13,370 --> 01:03:11,579

UFOs for a briefing on UFOs because the

1522

01:03:16,130 --> 01:03:13,380

Rockefeller family

1523

01:03:18,650 --> 01:03:16,140

had an interest in UFOs

1524

01:03:20,089 --> 01:03:18,660

so Rockefeller being a supporter of Bill

1525

01:03:22,789 --> 01:03:20,099

Clinton and Hillary Clinton

1526

01:03:25,370 --> 01:03:22,799

motivated bill I believe in my heart of

1527

01:03:27,530 --> 01:03:25,380

hearts to after this briefing

1528

01:03:29,569 --> 01:03:27,540

briefing was given to you know the order

1529

01:03:33,349 --> 01:03:29,579

was given to Gibbons to get a briefing

1530

01:03:36,130 --> 01:03:33,359

and Gibbons contacted pandolfi and then

1531

01:03:39,170 --> 01:03:36,140

pandolfi contacted Dr Bruce Maccabee

1532

01:03:41,809 --> 01:03:39,180

Maccabee gave Ron The Briefing to give

1533

01:03:44,750 --> 01:03:41,819

to givings to give to the president

1534

01:03:47,930 --> 01:03:44,760

that is a fact I don't know about any

1535

01:03:50,809 --> 01:03:47,940

other CIA government officer of any kind

1536

01:03:53,510 --> 01:03:50,819

that gave a UFO briefing now what kind

1537

01:03:55,849 --> 01:03:53,520

of briefing was it a general overview

1538

01:03:57,829 --> 01:03:55,859

I've seen the briefing a general

1539

01:04:01,970 --> 01:03:57,839

overview of the UFO story from Rose

1540

01:04:02,750 --> 01:04:01,980

Milan very very cogent very well put

1541

01:04:04,849 --> 01:04:02,760

together

1542

01:04:07,970 --> 01:04:04,859

and people should know that now that

1543

01:04:08,750 --> 01:04:07,980

doesn't make Ron the fox molder of the

1544

01:04:10,670 --> 01:04:08,760

CIA

1545

01:04:13,010 --> 01:04:10,680

that doesn't make him

1546

01:04:14,630 --> 01:04:13,020

Keeper of the weird desk there really

1547

01:04:17,809 --> 01:04:14,640

isn't a weird Death Steve what I

1548

01:04:20,750 --> 01:04:17,819

understand it is Ron is in charge in

1549

01:04:23,990 --> 01:04:20,760

many ways in different ways of looking

1550

01:04:27,470 --> 01:04:24,000

into technologies that could be foreign

1551

01:04:29,030 --> 01:04:27,480

threats could be developments could be

1552

01:04:31,370 --> 01:04:29,040

all kinds of things and I do not want to

1553

01:04:33,650 --> 01:04:31,380

speak for Ron because I believe if I can

1554

01:04:35,030 --> 01:04:33,660

get my wish and I'm going to do an

1555

01:04:37,430 --> 01:04:35,040

on-camera interview you got to keep them

1556

01:04:40,010 --> 01:04:37,440

on your good side yeah I understand I

1557

01:04:41,630 --> 01:04:40,020

think his commitment is true I think he

1558

01:04:43,970 --> 01:04:41,640

wants people to understand what's true

1559

01:04:45,950 --> 01:04:43,980

about his story in any way but there are

1560

01:04:47,510 --> 01:04:45,960

certain things he can't talk about I

1561

01:04:49,190 --> 01:04:47,520

don't believe he's gonna come out and

1562

01:04:51,349 --> 01:04:49,200

say that UFOs are here and aliens are

1563

01:04:53,390 --> 01:04:51,359

from another planet no no he doesn't

1564

01:04:55,789 --> 01:04:53,400

believe there's any yet proof of any

1565

01:04:57,530 --> 01:04:55,799

kind that we could say that okay but I

1566

01:04:59,930 --> 01:04:57,540

stay focused on that and I consider him

1567

01:05:02,390 --> 01:04:59,940

to be a very good source and I consider

1568

01:05:05,210 --> 01:05:02,400

him to be fairly uh free to speak with

1569

01:05:07,970 --> 01:05:05,220

me and that's good so however I got to

1570

01:05:11,150 --> 01:05:07,980

that point as a journalist you want to

1571

01:05:13,190 --> 01:05:11,160

be at that point so eupholitics

1572

01:05:13,970 --> 01:05:13,200

deferring the government the media and

1573

01:05:16,309 --> 01:05:13,980

the public

1574

01:05:19,549 --> 01:05:16,319

the new movie that we hope will be on in

1575

01:05:23,630 --> 01:05:19,559

2023 it'll be out through us I believe

1576
01:05:25,430 --> 01:05:23,640
through a new a new kind of distribution

1577
01:05:27,890 --> 01:05:25,440
that unfortunately

1578
01:05:29,630 --> 01:05:27,900
other people have exploited

1579
01:05:32,630 --> 01:05:29,640
in ways that you're not going to be

1580
01:05:33,910 --> 01:05:32,640
happy and I'm not too happy either they

1581
01:05:36,589 --> 01:05:33,920
were

1582
01:05:37,849 --> 01:05:36,599
stories that I would not have done on

1583
01:05:41,630 --> 01:05:37,859
network TV

1584
01:05:43,069 --> 01:05:41,640
I don't believe they are valid

1585
01:05:45,049 --> 01:05:43,079
then we can talk about what you

1586
01:05:46,309 --> 01:05:45,059
mentioned and other people can figure it

1587
01:05:47,109 --> 01:05:46,319
out I'm not saying anything negative

1588
01:05:51,410 --> 01:05:47,119

here

1589

01:05:53,329 --> 01:05:51,420

yeah if you know you know what it is uh

1590

01:05:55,670 --> 01:05:53,339

Bob is that when somebody of your

1591

01:05:57,890 --> 01:05:55,680

knowledge and expertise and that like

1592

01:05:59,809 --> 01:05:57,900

knows all the inside baseball people

1593

01:06:03,069 --> 01:05:59,819

people go well what does he think of

1594

01:06:05,569 --> 01:06:03,079

this they're asking me about Bob lizard

1595

01:06:07,549 --> 01:06:05,579

and I'm not talking about Bal Bazaar

1596

01:06:10,390 --> 01:06:07,559

products

1597

01:06:12,670 --> 01:06:10,400

Bob Lazar videos

1598

01:06:16,069 --> 01:06:12,680

bubbles are

1599

01:06:18,049 --> 01:06:16,079

pseudo documentaries

1600

01:06:19,309 --> 01:06:18,059

I'm not saying anything about trying to

1601

01:06:21,410 --> 01:06:19,319

be anything negative you want to go

1602

01:06:24,230 --> 01:06:21,420

watch those things and wonderful here's

1603

01:06:27,529 --> 01:06:24,240

what you have a guy comes out in the

1604

01:06:31,190 --> 01:06:27,539

late 80s and says he worked at Area 51

1605

01:06:34,130 --> 01:06:31,200

at S4 specifically and had worked on

1606

01:06:39,289 --> 01:06:34,140

this machine and found out about element

1607

01:06:42,289 --> 01:06:39,299

150. okay so what are the facts that we

1608

01:06:45,770 --> 01:06:42,299

know about this guy well we know that he

1609

01:06:48,109 --> 01:06:45,780

does get me started I know I know more

1610

01:06:50,930 --> 01:06:48,119

about Bob Lazar than anybody should yeah

1611

01:06:53,930 --> 01:06:50,940

so the bottom line is if he did work on

1612

01:06:56,390 --> 01:06:53,940

this saucer and he did have this the

1613

01:06:59,390 --> 01:06:56,400

ability to see it and share with the

1614

01:07:01,849 --> 01:06:59,400

public the way that he has come out the

1615

01:07:03,589 --> 01:07:01,859

story just doesn't really check out but

1616

01:07:06,470 --> 01:07:03,599

there are people that have made all

1617

01:07:08,930 --> 01:07:06,480

kinds of claims good for them if they

1618

01:07:12,770 --> 01:07:08,940

have more evidence today than we had

1619

01:07:16,910 --> 01:07:12,780

back in 1989 92 whatever it might be and

1620

01:07:18,170 --> 01:07:16,920

then I don't see any okay I don't I

1621

01:07:20,150 --> 01:07:18,180

don't know if you're aware of this but

1622

01:07:23,390 --> 01:07:20,160

I'm very proud of the fact that we have

1623

01:07:26,569 --> 01:07:23,400

here some really conclusive evidence

1624

01:07:28,309 --> 01:07:26,579

a fellow researcher of mine came to me

1625

01:07:29,510 --> 01:07:28,319

and shared with me and we shared it here

1626

01:07:32,029 --> 01:07:29,520

on our show

1627

01:07:34,670 --> 01:07:32,039

the original supervisors that he had at

1628

01:07:36,770 --> 01:07:34,680

Los Alamos were contacted interviewed

1629

01:07:38,750 --> 01:07:36,780

and they all refute that he was ever a

1630

01:07:40,130 --> 01:07:38,760

real scientist they all said he was a

1631

01:07:42,109 --> 01:07:40,140

technician the kind of guy that would

1632

01:07:45,289 --> 01:07:42,119

get you a mouse if your computer broke

1633

01:07:47,690 --> 01:07:45,299

or whatever install satellite run cables

1634

01:07:49,730 --> 01:07:47,700

he was never a physicist he was never a

1635

01:07:53,510 --> 01:07:49,740

scientist and additionally we have

1636

01:07:55,789 --> 01:07:53,520

another show where a verified Area 51

1637

01:07:58,609 --> 01:07:55,799

security guard came out and was

1638

01:08:00,710 --> 01:07:58,619

interviewed and said that immediately

1639

01:08:04,549 --> 01:08:00,720

when the story broke he checked the logs

1640

01:08:07,670 --> 01:08:04,559

of Area 51 no Bob Lazar in or out on the

1641

01:08:09,890 --> 01:08:07,680

on the flight logs you have to be in the

1642

01:08:11,930 --> 01:08:09,900

flight logs under your real name no Bob

1643

01:08:13,849 --> 01:08:11,940

Lazar and in fact he called that

1644

01:08:15,470 --> 01:08:13,859

security guard called George Knapp to

1645

01:08:18,289 --> 01:08:15,480

tell him that Bob Lazar was a fraud

1646

01:08:20,030 --> 01:08:18,299

George Knapp didn't want to talk to him

1647

01:08:21,890 --> 01:08:20,040

because I guess it was already committed

1648

01:08:24,050 --> 01:08:21,900

so there's a lot more the only evidence

1649

01:08:26,570 --> 01:08:24,060

than the only new evidence that's coming

1650

01:08:28,849 --> 01:08:26,580

out proves that the story is fake but

1651

01:08:30,829 --> 01:08:28,859

people people love this I love that

1652

01:08:32,749 --> 01:08:30,839

story growing up Bob I've wanted it to

1653

01:08:34,849 --> 01:08:32,759

be true more than it's a great story you

1654

01:08:37,970 --> 01:08:34,859

know here's a guy but it's very

1655

01:08:41,150 --> 01:08:37,980

interesting as a flying saucer that he

1656

01:08:43,789 --> 01:08:41,160

said he saw was a replica of what Billy

1657

01:08:47,689 --> 01:08:43,799

Meyer and people aren't aware of this

1658

01:08:49,910 --> 01:08:47,699

but uh a month before I'm sorry three

1659

01:08:52,249 --> 01:08:49,920

months before Bob Lazar came out with

1660

01:08:55,130 --> 01:08:52,259

his story he got all of the Billy Meyer

1661

01:08:58,970 --> 01:08:55,140

Material him and Gene Huff got all of it

1662

01:09:00,829 --> 01:08:58,980

copied and given to them by John Lear so

1663

01:09:04,189 --> 01:09:00,839

it's a little bit of a coincidence that

1664

01:09:07,309 --> 01:09:04,199

the spaceship looks exactly like a Billy

1665

01:09:09,169 --> 01:09:07,319

Myers spaceship that he worked on just

1666

01:09:10,789 --> 01:09:09,179

got the material yeah sports car I think

1667

01:09:13,189 --> 01:09:10,799

it goes by the sports car model or

1668

01:09:14,990 --> 01:09:13,199

something like this model yes but if the

1669

01:09:17,749 --> 01:09:15,000

other one see the Bill Meyer photographs

1670

01:09:21,590 --> 01:09:17,759

which are Exquisite he had a beautiful

1671

01:09:23,749 --> 01:09:21,600

table top book like a beautiful book and

1672

01:09:26,470 --> 01:09:23,759

even my dad a photo expert you know like

1673

01:09:29,450 --> 01:09:26,480

pretty amazing pictures they were

1674

01:09:32,269 --> 01:09:29,460

beautiful pictures Sun glistening off

1675

01:09:34,689 --> 01:09:32,279

these craft I mean Billy nice pictures

1676

01:09:36,709 --> 01:09:34,699

but fake as [h__\h]

1677

01:09:38,689 --> 01:09:36,719

you know when you look into the story

1678

01:09:40,910 --> 01:09:38,699

and again back to the story let's go

1679

01:09:43,130 --> 01:09:40,920

back to like Story 101. how does someone

1680

01:09:45,349 --> 01:09:43,140

analyze something let's look at

1681

01:09:47,510 --> 01:09:45,359

Skinwalker Ranch just for a minute and

1682

01:09:51,289 --> 01:09:47,520

yes if someone watches can walk a ranch

1683

01:09:53,870 --> 01:09:51,299

again one night keep all this in mind

1684

01:09:56,209 --> 01:09:53,880

ass swap that everybody learned about

1685

01:09:57,650 --> 01:09:56,219

through the New York Times bad reporting

1686

01:10:00,229 --> 01:09:57,660

they never mentioned that's why because

1687

01:10:03,130 --> 01:10:00,239

they're talking at him you're called ass

1688

01:10:05,570 --> 01:10:03,140

swap that's pretty funny yeah

1689

01:10:07,430 --> 01:10:05,580

that's my name for it I know it's not

1690

01:10:10,010 --> 01:10:07,440

exactly right but that's my name for it

1691

01:10:13,970 --> 01:10:10,020

if you read the book that nap and

1692

01:10:17,450 --> 01:10:13,980

lecaste put out fairly recently in the

1693

01:10:19,669 --> 01:10:17,460

forward written by posthumously sadly

1694

01:10:21,350 --> 01:10:19,679

Harry Reid and you look at the

1695

01:10:24,290 --> 01:10:21,360

introduction part the beginning of the

1696

01:10:25,930 --> 01:10:24,300

book by Lukowski it said right there in

1697

01:10:31,130 --> 01:10:25,940

bold print

1698

01:10:33,290 --> 01:10:31,140

this that's what okay was a maneuver

1699

01:10:36,950 --> 01:10:33,300

played on the Congress

1700

01:10:40,070 --> 01:10:36,960

by Harry Reid and a few others they said

1701

01:10:42,830 --> 01:10:40,080

it'll be a great great you know study

1702

01:10:45,830 --> 01:10:42,840

essentially of what you would see in

1703

01:10:48,410 --> 01:10:45,840

2040 or 2050 what kind of Technology

1704

01:10:50,390 --> 01:10:48,420

might be coming down the road what will

1705

01:10:52,550 --> 01:10:50,400

the Chinese do what will the Russians

1706

01:10:54,470 --> 01:10:52,560

know what will we do how do we get a

1707

01:10:56,450 --> 01:10:54,480

handle on that okay

1708

01:11:00,770 --> 01:10:56,460

that was allegedly what that was all

1709

01:11:03,470 --> 01:11:00,780

about Ron told me it even faked him out

1710

01:11:05,870 --> 01:11:03,480

it was nothing like that it was 20

1711

01:11:07,790 --> 01:11:05,880

million bucks delivered to Bob Bigelow

1712

01:11:09,709 --> 01:11:07,800

at Skinwalker Ranch

1713

01:11:11,270 --> 01:11:09,719

that's what that was and we still don't

1714

01:11:12,370 --> 01:11:11,280

know what we got for a 22 million

1715

01:11:21,169 --> 01:11:12,380

dollars

1716

01:11:23,030 --> 01:11:21,179

skeptical Wawa wow papers of science

1717

01:11:26,390 --> 01:11:23,040

like fantasy

1718

01:11:28,610 --> 01:11:26,400

which is what it was 39 papers

1719

01:11:30,830 --> 01:11:28,620

written essentially through the Bob

1720

01:11:33,890 --> 01:11:30,840

Bigelow group Bass

1721

01:11:35,750 --> 01:11:33,900

thanks to Harry Reid and then they did

1722

01:11:38,510 --> 01:11:35,760

something even better they were they

1723

01:11:41,090 --> 01:11:38,520

wanted to make sure that nobody knew

1724

01:11:43,850 --> 01:11:41,100

what this aswap really was

1725

01:11:46,850 --> 01:11:43,860

so now we're going to call it atip we're

1726

01:11:50,030 --> 01:11:46,860

going to give it a new name A10 is a

1727

01:11:52,790 --> 01:11:50,040

fantasy even so goth was caught in this

1728

01:11:56,030 --> 01:11:52,800

thing because she right she she refers

1729

01:11:58,550 --> 01:11:56,040

to atip like it existed atip was made up

1730

01:12:00,229 --> 01:11:58,560

oh it's just a made-up word oh I get

1731

01:12:02,410 --> 01:12:00,239

myself in a lot of trouble because I

1732

01:12:05,689 --> 01:12:02,420

talk about Lou Elizondo

1733

01:12:08,810 --> 01:12:05,699

and funded government program that only

1734

01:12:12,350 --> 01:12:08,820

existed in his imagination the movie we

1735

01:12:14,270 --> 01:12:12,360

do ufolitics will reset up in my humble

1736

01:12:16,430 --> 01:12:14,280

opinion and thanks to your involvement

1737

01:12:18,229 --> 01:12:16,440

and other people like you Steve it

1738

01:12:19,729 --> 01:12:18,239

motivates me now see I motivate you a

1739

01:12:22,669 --> 01:12:19,739

little when you were younger now you're

1740

01:12:25,669 --> 01:12:22,679

re-motivating me to get very very back

1741

01:12:27,910 --> 01:12:25,679

in the saddle and get back to what is

1742

01:12:30,110 --> 01:12:27,920

verifiable evidence of the unknown

1743

01:12:32,330 --> 01:12:30,120

unexplained I hate the word paranormal

1744

01:12:34,689 --> 01:12:32,340

you say the word paranormal to me I

1745

01:12:37,790 --> 01:12:34,699

wouldn't even turn around

1746

01:12:39,770 --> 01:12:37,800

I don't understand coming from the guy

1747

01:12:41,470 --> 01:12:39,780

who's famous for creating all these

1748

01:12:43,610 --> 01:12:41,480

paranormal shows

1749

01:12:44,870 --> 01:12:43,620

you're never going to see me in any of

1750

01:12:47,870 --> 01:12:44,880

the words everywhere every word

1751

01:12:50,630 --> 01:12:47,880

basically that I wrote or my co-writer

1752

01:12:52,729 --> 01:12:50,640

Tom and I wrote every one of those words

1753

01:12:54,169 --> 01:12:52,739

you look at the entire scripts of every

1754

01:12:56,090 --> 01:12:54,179

show I did

1755

01:12:57,649 --> 01:12:56,100

I never mentioned the word paranormal I

1756

01:13:00,370 --> 01:12:57,659

don't think once

1757

01:13:03,050 --> 01:13:00,380

yeah it was a wonky term and it

1758

01:13:05,890 --> 01:13:03,060

encompasses so much what is Paranormal

1759

01:13:09,370 --> 01:13:05,900

could be anything ghosts demons

1760

01:13:12,070 --> 01:13:09,380

to a bunch of people that Travel Channel

1761

01:13:16,250 --> 01:13:12,080

Travel Channel

1762

01:13:18,890 --> 01:13:16,260

what it means to them ghosts paranormal

1763

01:13:20,930 --> 01:13:18,900

means dose why does Paranormal mean

1764

01:13:23,630 --> 01:13:20,940

ghosts I don't know somebody decided

1765

01:13:26,810 --> 01:13:23,640

long ago maybe 2004 or so with Ghost

1766

01:13:28,390 --> 01:13:26,820

Hunters the worst show may be ever for

1767

01:13:32,510 --> 01:13:28,400

television history

1768

01:13:34,010 --> 01:13:32,520

because it showed people you could fake

1769

01:13:35,450 --> 01:13:34,020

a documentary

1770

01:13:37,850 --> 01:13:35,460

and even though you're faking a

1771

01:13:40,149 --> 01:13:37,860

documentary yeah it's fun we'll watch it

1772

01:13:43,370 --> 01:13:40,159

get a beer get something else whatever

1773

01:13:46,310 --> 01:13:43,380

watch the show have a few minutes of fun

1774

01:13:49,070 --> 01:13:46,320

and even think it might be real I can't

1775

01:13:50,390 --> 01:13:49,080

stand those shows and and the Bigfoot

1776

01:13:53,030 --> 01:13:50,400

shows where they pull out the night

1777

01:13:54,830 --> 01:13:53,040

vision and it's all green if I am

1778

01:13:56,450 --> 01:13:54,840

flipping channels and I see that I flip

1779

01:13:58,910 --> 01:13:56,460

it off immediately I'm like I don't even

1780

01:14:00,590 --> 01:13:58,920

want to look at this this is garbage but

1781

01:14:03,410 --> 01:14:00,600

they never find Bigfoot find them

1782

01:14:05,689 --> 01:14:03,420

Bigfoot we never the show should be

1783

01:14:08,270 --> 01:14:05,699

called we never find Bigfoot tune in

1784

01:14:10,850 --> 01:14:08,280

tonight 10 years of no evidence but it's

1785

01:14:12,169 --> 01:14:10,860

everybody's making money I have some new

1786

01:14:12,890 --> 01:14:12,179

Bigfoot evidence I want to tell you guys

1787

01:14:15,709 --> 01:14:12,900

about

1788

01:14:18,110 --> 01:14:15,719

oh yeah I'm a big YouTuber do you know

1789

01:14:21,709 --> 01:14:18,120

the famous Paris and film right so yes

1790

01:14:23,390 --> 01:14:21,719

we had in world's greatest hoaxes we had

1791

01:14:26,030 --> 01:14:23,400

a guy come on from the American national

1792

01:14:28,370 --> 01:14:26,040

Enterprises and it's the company that

1793

01:14:30,050 --> 01:14:28,380

marketed the film claimed that Roger

1794

01:14:32,870 --> 01:14:30,060

Patterson worked for the company as a

1795

01:14:34,970 --> 01:14:32,880

filmmaker shooting Wildlife video

1796

01:14:37,430 --> 01:14:34,980

we believe we told the public the truth

1797

01:14:39,410 --> 01:14:37,440

about it we thought we did and I still

1798

01:14:42,110 --> 01:14:39,420

am maintaining that world's greatest

1799

01:14:44,810 --> 01:14:42,120

hoax is pretty much told you the origin

1800

01:14:46,430 --> 01:14:44,820

the people that made the money why it

1801
01:14:48,770 --> 01:14:46,440
looked like a fake even though Jeff

1802
01:14:50,870 --> 01:14:48,780
Belgium and other experts still believe

1803
01:14:53,149 --> 01:14:50,880
it's a real creature and they show all

1804
01:14:55,910 --> 01:14:53,159
the reasons Jefferson won't return my

1805
01:14:58,090 --> 01:14:55,920
calls by the way I was doing a project I

1806
01:15:00,290 --> 01:14:58,100
called them 27 times

1807
01:15:01,390 --> 01:15:00,300
I have calls into him now about what I'm

1808
01:15:04,250 --> 01:15:01,400
telling you

1809
01:15:06,350 --> 01:15:04,260
but we spoke a few weeks ago Jeff and I

1810
01:15:08,270 --> 01:15:06,360
and I said Jeff look I know it's going

1811
01:15:09,830 --> 01:15:08,280
to blow your mind a little bit and I

1812
01:15:12,470 --> 01:15:09,840
know you think I debunked the uh

1813
01:15:15,530 --> 01:15:12,480

Patterson film pretty pretty toughly

1814

01:15:17,689 --> 01:15:15,540

pretty pretty sternly uh however

1815

01:15:19,090 --> 01:15:17,699

there appears to be a discovery that was

1816

01:15:22,370 --> 01:15:19,100

made

1817

01:15:24,709 --> 01:15:22,380

apparently in the Patterson film

1818

01:15:28,370 --> 01:15:24,719

at the very end of the film

1819

01:15:30,649 --> 01:15:28,380

with that no one made aware to me when I

1820

01:15:32,390 --> 01:15:30,659

licensed the footage three times from

1821

01:15:34,490 --> 01:15:32,400

the Patterson family

1822

01:15:36,950 --> 01:15:34,500

they never said

1823

01:15:38,870 --> 01:15:36,960

watch at the very end

1824

01:15:41,410 --> 01:15:38,880

there appears to be another creature

1825

01:15:43,669 --> 01:15:41,420

there amazing

1826

01:15:45,709 --> 01:15:43,679

I had no reason to believe that right I

1827

01:15:47,090 --> 01:15:45,719

never even heard of it before

1828

01:15:49,669 --> 01:15:47,100

well I don't want to give it all away

1829

01:15:53,270 --> 01:15:49,679

but in a new documentary I'm making for

1830

01:15:55,850 --> 01:15:53,280

2024 probably maybe not 2023 it's going

1831

01:15:58,010 --> 01:15:55,860

to be the life of Bruce mcabee the Navy

1832

01:16:00,950 --> 01:15:58,020

Optical physics I told you about that's

1833

01:16:03,709 --> 01:16:00,960

close to Ron pandolfi he's getting older

1834

01:16:05,410 --> 01:16:03,719

now it's an homage to him and his wife

1835

01:16:08,209 --> 01:16:05,420

Jan

1836

01:16:09,770 --> 01:16:08,219

is an is a is a you know it's not it's

1837

01:16:11,149 --> 01:16:09,780

not his first wife

1838

01:16:12,709 --> 01:16:11,159

Jan

1839

01:16:14,149 --> 01:16:12,719

a little younger than Bruce Bruce is

1840

01:16:16,850 --> 01:16:14,159

like you know got to be pushing you know

1841

01:16:21,110 --> 01:16:16,860

well into his you know later years now

1842

01:16:22,790 --> 01:16:21,120

Jan is a very unique individual

1843

01:16:24,770 --> 01:16:22,800

she not only

1844

01:16:26,689 --> 01:16:24,780

stared at that film

1845

01:16:27,590 --> 01:16:26,699

because what happened was it's a great

1846

01:16:30,709 --> 01:16:27,600

story

1847

01:16:33,890 --> 01:16:30,719

Jan is married to the number one Imaging

1848

01:16:36,050 --> 01:16:33,900

expert I believe still alive in America

1849

01:16:37,970 --> 01:16:36,060

he's the guy you saw in UFOs are real

1850

01:16:40,450 --> 01:16:37,980

the guy we talked about arguably the

1851

01:16:43,070 --> 01:16:40,460

best image analysters

1852

01:16:45,050 --> 01:16:43,080

Bruce is in many of my shows Unsolved

1853

01:16:46,610 --> 01:16:45,060

Mysteries that's all fine but overall I

1854

01:16:50,510 --> 01:16:46,620

stayed very close to Bruce over the

1855

01:16:52,970 --> 01:16:50,520

years so I find out that two years ago

1856

01:16:55,310 --> 01:16:52,980

Bruce had in his attic or wherever they

1857

01:16:58,250 --> 01:16:55,320

kept their old stuff whatever it was

1858

01:17:01,970 --> 01:16:58,260

he had a copy of the Patterson film

1859

01:17:04,970 --> 01:17:01,980

given to him by Eric bekyard way before

1860

01:17:06,410 --> 01:17:04,980

your time Steve Eric Deckard was even

1861

01:17:09,229 --> 01:17:06,420

when I got involved he was sort of

1862

01:17:10,610 --> 01:17:09,239

behind before my time and Eric Baker was

1863

01:17:12,530 --> 01:17:10,620

one of these guys that would go on talk

1864

01:17:15,050 --> 01:17:12,540

shows and would say yes I'm a monster

1865

01:17:16,850 --> 01:17:15,060

hunter and yes I'm this guy and I'm that

1866

01:17:18,709 --> 01:17:16,860

guy mystery Hunter you know that kind of

1867

01:17:22,010 --> 01:17:18,719

guy right and he got some he got some

1868

01:17:24,470 --> 01:17:22,020

press he got some media the guy claimed

1869

01:17:26,990 --> 01:17:24,480

in a letter given to Bruce he said I'm

1870

01:17:29,689 --> 01:17:27,000

not basically the story was he was dying

1871

01:17:32,630 --> 01:17:29,699

he owed Bruce a favor some money

1872

01:17:35,090 --> 01:17:32,640

whatever I won't get into details

1873

01:17:37,790 --> 01:17:35,100

he centers this film

1874

01:17:40,130 --> 01:17:37,800

it was a copy of the Paterson film made

1875

01:17:41,990 --> 01:17:40,140

like right after it happened it's like a

1876

01:17:44,149 --> 01:17:42,000

very very early generation of first

1877

01:17:46,790 --> 01:17:44,159

generation that's amazing so apparently

1878

01:17:50,270 --> 01:17:46,800

two years ago Bruce is just chatting

1879

01:17:53,630 --> 01:17:50,280

with his wife and he says hello Jen I'll

1880

01:17:55,010 --> 01:17:53,640

do Bruce you know Jan uh I have this old

1881

01:17:56,570 --> 01:17:55,020

film and I don't know what's in it but

1882

01:17:59,630 --> 01:17:56,580

Eric wrote a letter to me it's a crazy

1883

01:18:02,630 --> 01:17:59,640

letter so in the letter Eric writes to

1884

01:18:05,030 --> 01:18:02,640

Bruce there are other babies in there

1885

01:18:07,850 --> 01:18:05,040

somewhere I've heard rumors of this yeah

1886

01:18:10,010 --> 01:18:07,860

so Jan gets excited she's kind of an

1887

01:18:13,010 --> 01:18:10,020

interesting lady she really is she got

1888

01:18:14,990 --> 01:18:13,020

excited and they got uh they got a uh

1889

01:18:17,270 --> 01:18:15,000

kind of like to show the movie on they

1890

01:18:19,669 --> 01:18:17,280

got a 60 millimeter projector very sad

1891

01:18:21,950 --> 01:18:19,679

they show the film like it's a movie you

1892

01:18:24,110 --> 01:18:21,960

know on the screen on a big screen

1893

01:18:24,890 --> 01:18:24,120

and sure enough they think they have

1894

01:18:27,950 --> 01:18:24,900

found

1895

01:18:30,709 --> 01:18:27,960

the couple The Maccabees have discovered

1896

01:18:33,229 --> 01:18:30,719

in their pristine

1897

01:18:35,689 --> 01:18:33,239

never hardly ever played copy of the

1898

01:18:38,810 --> 01:18:35,699

Paterson film it appears to be a little

1899

01:18:41,890 --> 01:18:38,820

baby Bigfoot moving around

1900

01:18:44,990 --> 01:18:41,900

now hold on before everybody amazing

1901

01:18:49,070 --> 01:18:45,000

hold on I'd have to go on like you know

1902

01:18:50,750 --> 01:18:49,080

Joe Rogan Joe I know you like Bigfoot so

1903

01:18:53,390 --> 01:18:50,760

Joe

1904

01:18:54,590 --> 01:18:53,400

I guess I was wrong the Paris

1905

01:18:56,870 --> 01:18:54,600

development looks like there's another

1906

01:18:58,669 --> 01:18:56,880

creature now even if the creature see

1907

01:19:00,950 --> 01:18:58,679

I'd be willing in a heartbeat Steve

1908

01:19:02,209 --> 01:19:00,960

that's how I am well I would be

1909

01:19:04,130 --> 01:19:02,219

interested in saying that because if

1910

01:19:06,229 --> 01:19:04,140

they did fake the film then why would

1911

01:19:07,790 --> 01:19:06,239

you the the Patterson film always

1912

01:19:09,770 --> 01:19:07,800

bothered me because if I was going to

1913

01:19:12,229 --> 01:19:09,780

fake a Bigfoot the thought of putting

1914

01:19:15,410 --> 01:19:12,239

breasts on one would never occur to me

1915

01:19:17,689 --> 01:19:15,420

number one but number two if this is

1916

01:19:20,810 --> 01:19:17,699

indeed true that there's a baby Bigfoot

1917

01:19:23,709 --> 01:19:20,820

and some un previously unseen end

1918

01:19:26,689 --> 01:19:23,719

portion of the of the original film yeah

1919

01:19:28,490 --> 01:19:26,699

why if you're gonna fake a film first

1920

01:19:30,830 --> 01:19:28,500

you're going to figure out let's put

1921

01:19:32,750 --> 01:19:30,840

breasts on it make it a female then

1922

01:19:34,850 --> 01:19:32,760

you're going to figure out how to make a

1923

01:19:39,229 --> 01:19:34,860

baby Bigfoot somewhere hold on yeah

1924

01:19:40,850 --> 01:19:39,239

nobody sees for 75 years you know yeah

1925

01:19:42,890 --> 01:19:40,860

my point I'm in the country sometimes

1926

01:19:44,830 --> 01:19:42,900

this audio just oh sure yeah no I

1927

01:19:47,270 --> 01:19:44,840

apologize there's a delay

1928

01:19:49,669 --> 01:19:47,280

you excite me Steve you're like my feel

1929

01:19:50,270 --> 01:19:49,679

my favorite my favorite

1930

01:19:53,870 --> 01:19:50,280

um

1931

01:19:55,669 --> 01:19:53,880

Evolution you have become what I used to

1932

01:19:57,229 --> 01:19:55,679

think of in the editing room where we're

1933

01:19:59,090 --> 01:19:57,239

releasing our shows on Fox then the

1934

01:20:01,370 --> 01:19:59,100

X-Files are popular you're the kind of

1935

01:20:04,010 --> 01:20:01,380

guy that I was hoping but later on be

1936

01:20:06,729 --> 01:20:04,020

you know well it's all your fault it

1937

01:20:12,770 --> 01:20:08,990

I don't mean to catch up I jump right in

1938

01:20:15,830 --> 01:20:12,780

I'm sure I do it too yeah in the live

1939

01:20:18,350 --> 01:20:15,840

chat look what I've got to do now if it

1940

01:20:20,570 --> 01:20:18,360

turns out if it does turn out

1941

01:20:23,570 --> 01:20:20,580

that first of all let me tell you how

1942

01:20:25,669 --> 01:20:23,580

we're analyzing this very important in

1943

01:20:27,350 --> 01:20:25,679

the world of Imaging like my dad's photo

1944

01:20:30,470 --> 01:20:27,360

retouching God restless so he died a

1945

01:20:32,630 --> 01:20:30,480

couple of years ago but yeah yeah I

1946

01:20:35,750 --> 01:20:32,640

appreciate it my dad taught me to have a

1947

01:20:38,689 --> 01:20:35,760

good eye and to understand photo photo

1948

01:20:40,850 --> 01:20:38,699

realism and and image realism okay and

1949

01:20:43,669 --> 01:20:40,860

then Bob Nathan at Nasa became like my

1950

01:20:46,610 --> 01:20:43,679

my california-based Imaging dad and

1951

01:20:49,010 --> 01:20:46,620

Bruce Maccabee like my other dad these

1952

01:20:51,950 --> 01:20:49,020

are guys that taught me how to look at

1953

01:20:53,930 --> 01:20:51,960

imagery okay so we are looking at the

1954

01:20:55,250 --> 01:20:53,940

imagery called the Patterson film I

1955

01:20:57,350 --> 01:20:55,260

don't by the way

1956

01:20:58,250 --> 01:20:57,360

I don't call it the Patterson gimlin

1957

01:21:00,770 --> 01:20:58,260

film

1958

01:21:04,130 --> 01:21:00,780

I don't know where the heck anybody

1959

01:21:07,850 --> 01:21:04,140

added gimlin I I licensed this footage

1960

01:21:11,689 --> 01:21:07,860

to the tune of five figures

1961

01:21:13,729 --> 01:21:11,699

two times okay all right so and I also

1962

01:21:15,830 --> 01:21:13,739

gotta I got it also paid out the

1963

01:21:17,750 --> 01:21:15,840

Paterson since a third time so why are

1964

01:21:19,910 --> 01:21:17,760

we going I got off cheaper I said fair

1965

01:21:21,649 --> 01:21:19,920

use when I used it well why don't we say

1966

01:21:24,169 --> 01:21:21,659

that I paid me paid these people and

1967

01:21:26,209 --> 01:21:24,179

help them earn about fifteen thousand

1968

01:21:30,110 --> 01:21:26,219

dollars over the years okay to show this

1969

01:21:34,310 --> 01:21:30,120

film now I believe we show the origins

1970

01:21:37,630 --> 01:21:34,320

that look like a fraud however if

1971

01:21:40,070 --> 01:21:37,640

there's a little baby in there

1972

01:21:41,510 --> 01:21:40,080

throws this whole thing for a loop and

1973

01:21:44,030 --> 01:21:41,520

I'm almost here's what we're saying

1974

01:21:45,649 --> 01:21:44,040

we're analyzing it this way I got Bruce

1975

01:21:47,570 --> 01:21:45,659

into a discussion that we want Jeff

1976

01:21:49,910 --> 01:21:47,580

Meldrum to join

1977

01:21:55,189 --> 01:21:49,920

here's a discussion Steve

1978

01:21:58,610 --> 01:21:55,199

if that is not a little juvenile Bigfoot

1979

01:22:01,010 --> 01:21:58,620

or bear or something looking like it's

1980

01:22:02,149 --> 01:22:01,020

just another creature like a Bigfoot but

1981

01:22:06,189 --> 01:22:02,159

tinier

1982

01:22:09,830 --> 01:22:06,199

then it can only be the big one

1983

01:22:13,310 --> 01:22:09,840

where its perspective Roger Patterson's

1984

01:22:16,070 --> 01:22:13,320

camera somehow scanned over to a

1985

01:22:19,970 --> 01:22:16,080

different direction when he fell and he

1986

01:22:21,790 --> 01:22:19,980

just recaptured the big creature moving

1987

01:22:25,310 --> 01:22:21,800

away in the distance

1988

01:22:28,970 --> 01:22:25,320

pretty far pretty fast yeah Bruce's

1989

01:22:30,950 --> 01:22:28,980

Bruce's analysis so far shown that it

1990

01:22:33,709 --> 01:22:30,960

cannot be what I just said

1991

01:22:36,350 --> 01:22:33,719

if it turns out that our further tests

1992

01:22:39,229 --> 01:22:36,360

proved that that it can't be the big

1993

01:22:43,310 --> 01:22:39,239

Bigfoot way off in the trees

1994

01:22:46,490 --> 01:22:43,320

then we have a lot of explaining to do

1995

01:22:48,890 --> 01:22:46,500

and we will that's amazing I can't wait

1996

01:22:51,770 --> 01:22:48,900

to see it now and and now of course is

1997

01:22:55,630 --> 01:22:51,780

this in some previously unseen portion

1998

01:22:59,149 --> 01:22:55,640

of it though because I have the I'm not

1999

01:23:00,350 --> 01:22:59,159

probably for terrible copies a very good

2000

01:23:02,930 --> 01:23:00,360

question

2001

01:23:03,649 --> 01:23:02,940

I'm not going to give you the answer

2002

01:23:07,550 --> 01:23:03,659

um

2003

01:23:11,950 --> 01:23:07,560

it is in what appears to be the copy

2004

01:23:16,189 --> 01:23:11,960

that Eric bekyard gave Bruce

2005

01:23:17,990 --> 01:23:16,199

it was never shown to me in the editing

2006

01:23:19,610 --> 01:23:18,000

room when I purchased it from the

2007

01:23:22,430 --> 01:23:19,620

Patterson family

2008

01:23:25,669 --> 01:23:22,440

if my researcher brought me the footage

2009

01:23:28,250 --> 01:23:25,679

and adhere the footage let's look at it

2010

01:23:29,750 --> 01:23:28,260

from beginning to end and study every

2011

01:23:31,490 --> 01:23:29,760

frame

2012

01:23:34,010 --> 01:23:31,500

we didn't do that we lied we didn't do

2013

01:23:36,290 --> 01:23:34,020

that we only were focusing on what all

2014

01:23:37,790 --> 01:23:36,300

the experts were focusing on the big

2015

01:23:39,890 --> 01:23:37,800

creature walking into the you know

2016

01:23:42,050 --> 01:23:39,900

walking away we didn't spend every

2017

01:23:43,310 --> 01:23:42,060

detail so I can't tell you or your

2018

01:23:45,830 --> 01:23:43,320

viewers tonight

2019

01:23:48,770 --> 01:23:45,840

if it existed in the copy that I aired

2020

01:23:50,510 --> 01:23:48,780

first in New York with arel Rivera then

2021

01:23:53,810 --> 01:23:50,520

with my own show for the Fox network

2022

01:23:54,890 --> 01:23:53,820

world's greatest hoaxes I can't say for

2023

01:23:58,430 --> 01:23:54,900

sure

2024

01:24:00,410 --> 01:23:58,440

if it's in any other copy I don't know

2025

01:24:03,890 --> 01:24:00,420

and that's one question here's my order

2026

01:24:06,110 --> 01:24:03,900

my pecking order Bruce verifies there's

2027

01:24:09,050 --> 01:24:06,120

another creature in the film

2028

01:24:10,910 --> 01:24:09,060

then I contacted the Pattersons and go

2029

01:24:13,790 --> 01:24:10,920

what's going on here

2030

01:24:17,030 --> 01:24:13,800

if I paid that much money why wouldn't

2031

01:24:19,970 --> 01:24:17,040

you tell me about that and if you have

2032

01:24:22,910 --> 01:24:19,980

it in your original I'm not happy did

2033

01:24:24,530 --> 01:24:22,920

you know about it they may be as shocked

2034

01:24:27,470 --> 01:24:24,540

as we are

2035

01:24:29,450 --> 01:24:27,480

I don't know great yeah and and just to

2036

01:24:31,010 --> 01:24:29,460

be clear it's it's 16 millimeter film

2037

01:24:33,770 --> 01:24:31,020

that would be extremely hard to like

2038

01:24:36,669 --> 01:24:33,780

fake that and add it on or somehow I

2039

01:24:39,470 --> 01:24:36,679

have one extreme exact location

2040

01:24:41,330 --> 01:24:39,480

I gotta see this I really before you

2041

01:24:43,070 --> 01:24:41,340

will very soon I'll be glad to share

2042

01:24:44,750 --> 01:24:43,080

with you and your viewers as a preview

2043

01:24:46,010 --> 01:24:44,760

for the new movie we're going to do

2044

01:24:49,189 --> 01:24:46,020

because the movie we're going to do is

2045

01:24:52,189 --> 01:24:49,199

about Bruce and Jan it's almost like oh

2046

01:24:55,250 --> 01:24:52,199

she's a phenomena Whisperer she sort of

2047

01:24:57,110 --> 01:24:55,260

has this ability to see things and be

2048

01:25:00,830 --> 01:24:57,120

aware of things and even be motivated

2049

01:25:03,169 --> 01:25:00,840

Bruce did not Bruce a UFO guy he's not a

2050

01:25:05,330 --> 01:25:03,179

Bigfoot guy Bruce does not you know

2051

01:25:06,890 --> 01:25:05,340

dabble in all the other Mysteries he

2052

01:25:09,290 --> 01:25:06,900

doesn't look at you your ghost videos

2053

01:25:11,630 --> 01:25:09,300

more than I know him he doesn't do that

2054

01:25:14,570 --> 01:25:11,640

he's he's he believes he seems to be a

2055

01:25:16,310 --> 01:25:14,580

real serious guy so I guess let's be

2056

01:25:17,990 --> 01:25:16,320

clear about Bruce he said it in UFOs

2057

01:25:19,490 --> 01:25:18,000

caught on tape number one we did two

2058

01:25:22,490 --> 01:25:19,500

specials for Fox

2059

01:25:26,090 --> 01:25:22,500

UFOs caught on tape number one Bruce

2060

01:25:27,590 --> 01:25:26,100

says it beautifully he believes there is

2061

01:25:31,729 --> 01:25:27,600

hard evidence

2062

01:25:34,250 --> 01:25:31,739

our government has of unknown craft from

2063

01:25:36,709 --> 01:25:34,260

unknown intelligences flying in our

2064

01:25:38,990 --> 01:25:36,719

skies and likely in space he believes

2065

01:25:40,850 --> 01:25:39,000

he's proved that he believes the umpteen

2066

01:25:42,709 --> 01:25:40,860

videos I've put on the air that he's

2067

01:25:45,410 --> 01:25:42,719

analyzed with me he's believed many

2068

01:25:48,649 --> 01:25:45,420

others prove that he is one of the most

2069

01:25:49,790 --> 01:25:48,659

credible guy if you had a Supreme Court

2070

01:25:52,790 --> 01:25:49,800

case

2071

01:25:55,610 --> 01:25:52,800

he could testify that here that in front

2072

01:25:58,970 --> 01:25:55,620

of those judges that's how solid Bruce

2073

01:26:01,970 --> 01:25:58,980

is so it's strange in a way he marries a

2074

01:26:03,410 --> 01:26:01,980

woman she's a very unique she's been

2075

01:26:06,770 --> 01:26:03,420

involved in three mysteries I'll tell

2076

01:26:08,510 --> 01:26:06,780

you about real quickly one she seemed to

2077

01:26:10,850 --> 01:26:08,520

have witnessed something like a predator

2078

01:26:13,430 --> 01:26:10,860

remember the movie Predator yeah I heard

2079

01:26:15,649 --> 01:26:13,440

this story she saw like a club or

2080

01:26:17,390 --> 01:26:15,659

something in the trees moving from tree

2081

01:26:19,850 --> 01:26:17,400

to tree to tree to tree to tree to treat

2082

01:26:21,110 --> 01:26:19,860

a tree and it looked like the famous

2083

01:26:22,430 --> 01:26:21,120

movie Predator with Arnold

2084

01:26:24,290 --> 01:26:22,440

Schwarzenegger I know it was a remake

2085

01:26:26,030 --> 01:26:24,300

but let's go back to the original right

2086

01:26:28,610 --> 01:26:26,040

so the original

2087

01:26:31,910 --> 01:26:28,620

looks like better right so she doesn't

2088

01:26:34,430 --> 01:26:31,920

have that on on her phone but right

2089

01:26:36,890 --> 01:26:34,440

about the same time she witnessed that

2090

01:26:40,250 --> 01:26:36,900

she slapped a picture with her phone

2091

01:26:41,390 --> 01:26:40,260

the phone captured a weird array of

2092

01:26:44,450 --> 01:26:41,400

light

2093

01:26:46,010 --> 01:26:44,460

strange gyrations actually and Bruce

2094

01:26:47,629 --> 01:26:46,020

analyzed that

2095

01:26:49,729 --> 01:26:47,639

can't explain what the hell those

2096

01:26:52,790 --> 01:26:49,739

streaks of light are and the strange

2097

01:26:57,050 --> 01:26:52,800

thing is a phone converted its pixel

2098

01:26:59,510 --> 01:26:57,060

relationship to a unique format only on

2099

01:27:01,850 --> 01:26:59,520

that one picture no one can explain on

2100

01:27:02,990 --> 01:27:01,860

that phone changed its pixel

2101

01:27:06,950 --> 01:27:03,000

relationship

2102

01:27:08,689 --> 01:27:06,960

it's essential you know phone internals

2103

01:27:10,910 --> 01:27:08,699

there's no way to do that you can't do

2104

01:27:13,490 --> 01:27:10,920

there's no settings to do that so but

2105

01:27:15,890 --> 01:27:13,500

the detail Bruce brings to the table is

2106

01:27:18,410 --> 01:27:15,900

so unique so we prove that the video

2107

01:27:21,830 --> 01:27:18,420

that the photo that she shot when she

2108

01:27:24,229 --> 01:27:21,840

saw that Predator is anomalous nobody

2109

01:27:26,570 --> 01:27:24,239

knows what the hell that was at the same

2110

01:27:29,270 --> 01:27:26,580

time she was shooting that video or that

2111

01:27:31,970 --> 01:27:29,280

photo I keep saying that photo there was

2112

01:27:34,129 --> 01:27:31,980

a UFO event a few miles away over a high

2113

01:27:37,729 --> 01:27:34,139

school game going on and everybody

2114

01:27:40,370 --> 01:27:37,739

witnessed the UFO so it's a very unique

2115

01:27:43,070 --> 01:27:40,380

story that there was a major Mass UFO

2116

01:27:44,990 --> 01:27:43,080

sighting in Ohio right near where she

2117

01:27:46,310 --> 01:27:45,000

lived witnessed by one of their

2118

01:27:49,729 --> 01:27:46,320

relatives

2119

01:27:54,490 --> 01:27:49,739

and it's an amazing story yeah I would

2120

01:27:59,629 --> 01:27:56,990

even though she motivates

2121

01:28:01,189 --> 01:27:59,639

um she motivates her husband to look at

2122

01:28:03,410 --> 01:28:01,199

this Bigfoot and now all of a sudden we

2123

01:28:06,530 --> 01:28:03,420

got new Bigfoot evidence inside the

2124

01:28:08,870 --> 01:28:06,540

battlefield but it gets even better

2125

01:28:10,430 --> 01:28:08,880

a few I'm not gonna say when literally

2126
01:28:12,709 --> 01:28:10,440
part of the movie We're Gonna See it'll

2127
01:28:14,330 --> 01:28:12,719
be a movie about Jan and Bruce

2128
01:28:16,790 --> 01:28:14,340
and you know all this will be in there

2129
01:28:18,590 --> 01:28:16,800
and probably some of the greatest UFO

2130
01:28:20,270 --> 01:28:18,600
videos ever aired

2131
01:28:23,149 --> 01:28:20,280
we'll be on because Bruce is the one

2132
01:28:25,010 --> 01:28:23,159
with me analyzing those videos that you

2133
01:28:27,709 --> 01:28:25,020
watched right so it's a chance to really

2134
01:28:30,890 --> 01:28:27,719
get back into the best evidence of UFOs

2135
01:28:33,649 --> 01:28:30,900
right but hold on it's not just Bigfoot

2136
01:28:36,770 --> 01:28:33,659
it's not just Predators from God knows

2137
01:28:38,510 --> 01:28:36,780
where I'm already I'm are you you hear

2138
01:28:41,390 --> 01:28:38,520

me at the Bigfoot now we've got a

2139

01:28:42,950 --> 01:28:41,400

predator and UFOs too this is gonna

2140

01:28:43,790 --> 01:28:42,960

really put me in a weird position with

2141

01:28:45,709 --> 01:28:43,800

you now

2142

01:28:48,110 --> 01:28:45,719

so

2143

01:28:51,350 --> 01:28:48,120

apparently

2144

01:28:53,570 --> 01:28:51,360

I will call it a a year or two ago

2145

01:28:55,970 --> 01:28:53,580

she was in her backyard

2146

01:28:59,510 --> 01:28:55,980

and she was filming

2147

01:29:02,149 --> 01:28:59,520

shooting things were happening whatever

2148

01:29:04,189 --> 01:29:02,159

prior to that she captured what she

2149

01:29:06,410 --> 01:29:04,199

thought was something in the sky

2150

01:29:08,030 --> 01:29:06,420

looked like a UFO

2151
01:29:10,010 --> 01:29:08,040
then she shot a picture it looked like

2152
01:29:10,990 --> 01:29:10,020
something coming toward the trees

2153
01:29:12,950 --> 01:29:11,000
okay

2154
01:29:14,629 --> 01:29:12,960
later on

2155
01:29:17,030 --> 01:29:14,639
sometime later

2156
01:29:18,830 --> 01:29:17,040
she captured this thing

2157
01:29:22,129 --> 01:29:18,840
that she believed coming out of this

2158
01:29:25,970 --> 01:29:22,139
thing in the sky coming toward her

2159
01:29:27,290 --> 01:29:25,980
she vote shot video of it she shot

2160
01:29:29,270 --> 01:29:27,300
photos of it

2161
01:29:32,270 --> 01:29:29,280
one time she was shooting video of it

2162
01:29:35,750 --> 01:29:32,280
such great video Bruce is standing

2163
01:29:38,390 --> 01:29:35,760

behind her looking at the camera seeing

2164

01:29:40,610 --> 01:29:38,400

it on the cell phone cam but you can't

2165

01:29:43,370 --> 01:29:40,620

see it with your eyes

2166

01:29:46,490 --> 01:29:43,380

Steve that's bizarre it looks like a

2167

01:29:48,229 --> 01:29:46,500

freaking fairy it's unbelievable

2168

01:29:49,450 --> 01:29:48,239

and you're going to have all these uh

2169

01:29:52,669 --> 01:29:49,460

videos

2170

01:29:54,649 --> 01:29:52,679

I I can't even start with my editor I

2171

01:29:57,470 --> 01:29:54,659

can't even begin to put this together

2172

01:30:00,229 --> 01:29:57,480

it's so incredible she's got so many

2173

01:30:02,270 --> 01:30:00,239

photos to show the scene the setup she's

2174

01:30:05,030 --> 01:30:02,280

got a video of this thing flying in near

2175

01:30:08,149 --> 01:30:05,040

the fire Vince has got a great still

2176

01:30:10,850 --> 01:30:08,159

shot of this thing just sitting there on

2177

01:30:14,270 --> 01:30:10,860

her deck it looks like the thing from um

2178

01:30:16,729 --> 01:30:14,280

the little uh Tinker Bell from uh from

2179

01:30:18,649 --> 01:30:16,739

uh from Disney it's it's uh that's

2180

01:30:20,570 --> 01:30:18,659

bizarre earnings and everything and I

2181

01:30:22,310 --> 01:30:20,580

know people are gonna go yeah he's just

2182

01:30:24,590 --> 01:30:22,320

trying to make this come back now he's

2183

01:30:28,129 --> 01:30:24,600

got the new show he's got some new

2184

01:30:31,610 --> 01:30:28,139

exciting footage right now that fairy

2185

01:30:34,010 --> 01:30:31,620

whatever you she calls it a blue entity

2186

01:30:35,149 --> 01:30:34,020

I don't call it a fairy either but I

2187

01:30:37,610 --> 01:30:35,159

don't know what to call it because it

2188

01:30:40,370 --> 01:30:37,620

looks like a little fairy now we all

2189

01:30:42,830 --> 01:30:40,380

know about the cup the famous bakes of

2190

01:30:45,890 --> 01:30:42,840

fairies over the years I mean moosad

2191

01:30:47,450 --> 01:30:45,900

faked that [h__h] too no it's funny I know

2192

01:30:49,189 --> 01:30:47,460

you mentioned that in the last uh one of

2193

01:30:52,629 --> 01:30:49,199

the last thing you did and the funny

2194

01:30:56,750 --> 01:30:52,639

thing is it's the Santa Barbara Museum

2195

01:30:59,090 --> 01:30:56,760

in California that evoke that that big

2196

01:31:00,770 --> 01:30:59,100

are you aware of that oh no I'm not

2197

01:31:03,050 --> 01:31:00,780

aware of that I know somebody looked at

2198

01:31:04,430 --> 01:31:03,060

it and they were like wow fake Steve

2199

01:31:05,930 --> 01:31:04,440

when you talk to me you know you and I

2200

01:31:08,689 --> 01:31:05,940

were like we're like Kindred Spirits so

2201

01:31:10,310 --> 01:31:08,699

it's interesting I knew what where it

2202

01:31:11,450 --> 01:31:10,320

was faked I knew that Jaime and other

2203

01:31:13,430 --> 01:31:11,460

people tried to make a big deal about

2204

01:31:15,590 --> 01:31:13,440

this Ferry you know you know about the

2205

01:31:17,270 --> 01:31:15,600

pilt man bones you know the old the old

2206

01:31:19,189 --> 01:31:17,280

famous fake where they tried to fake a

2207

01:31:21,830 --> 01:31:19,199

creature by putting bones together with

2208

01:31:25,430 --> 01:31:21,840

you know it's basically like that you

2209

01:31:28,970 --> 01:31:25,440

take two bats the wings of a bat yeah

2210

01:31:31,490 --> 01:31:28,980

yeah or PT Barnum you take a monkey and

2211

01:31:34,669 --> 01:31:31,500

a fish and you make a mermaid so we're

2212

01:31:37,910 --> 01:31:34,679

very aware of those kinds of frauds so

2213

01:31:41,450 --> 01:31:37,920

this photographic evidence of what

2214

01:31:42,950 --> 01:31:41,460

appears to be something and I'm sure I

2215

01:31:44,750 --> 01:31:42,960

know Ron will probably say because he's

2216

01:31:46,550 --> 01:31:44,760

friends with Bruce that you know Bruce

2217

01:31:48,350 --> 01:31:46,560

is just a little more you know believing

2218

01:31:49,970 --> 01:31:48,360

than maybe he should and I'm trying to

2219

01:31:51,770 --> 01:31:49,980

be nice here but I'm trying to get I

2220

01:31:53,870 --> 01:31:51,780

want Ron to comment see I'm trying my

2221

01:31:57,530 --> 01:31:53,880

best to bring this relationship

2222

01:31:59,930 --> 01:31:57,540

Bruce and Jan maybe even Ron and Bruce

2223

01:32:01,729 --> 01:31:59,940

there's a unique aspect to this stuff

2224

01:32:03,649 --> 01:32:01,739

that I want people to know this is a

2225

01:32:05,930 --> 01:32:03,659

great story about the people that have

2226

01:32:07,910 --> 01:32:05,940

been dealing with ufology and Mysteries

2227

01:32:11,149 --> 01:32:07,920

and the government and television

2228

01:32:13,090 --> 01:32:11,159

producers like me for years people know

2229

01:32:15,669 --> 01:32:13,100

these stories all they know is

2230

01:32:17,990 --> 01:32:15,679

uh

2231

01:32:20,090 --> 01:32:18,000

you know I'm sitting there watching CNN

2232

01:32:21,229 --> 01:32:20,100

when we went on CNN and I'm watching it

2233

01:32:23,930 --> 01:32:21,239

I'm going

2234

01:32:26,870 --> 01:32:23,940

he's like an actor he's a very good

2235

01:32:28,390 --> 01:32:26,880

actor the way he just presented it and

2236

01:32:37,990 --> 01:32:28,400

he kind of like

2237

01:32:42,470 --> 01:32:40,850

yeah you and I you know I don't know

2238

01:32:44,209 --> 01:32:42,480

where we meet and where how we met but

2239

01:32:45,470 --> 01:32:44,219

I'm telling you right now you just took

2240

01:32:47,810 --> 01:32:45,480

the words out of my mouth I was about to

2241

01:32:49,850 --> 01:32:47,820

say to you just well you know what it is

2242

01:32:51,229 --> 01:32:49,860

you use your mind control device on me

2243

01:32:54,790 --> 01:32:51,239

when I was a child through the

2244

01:32:59,810 --> 01:32:58,010

you know the idea

2245

01:33:01,910 --> 01:32:59,820

pleasure to get to talk to you because I

2246

01:33:03,350 --> 01:33:01,920

remember finally my dad likes some of

2247

01:33:05,510 --> 01:33:03,360

that stuff too and we used to get

2248

01:33:07,070 --> 01:33:05,520

popcorn and have snacks and watch this

2249

01:33:08,930 --> 01:33:07,080

stuff you know I love that it was like

2250

01:33:10,910 --> 01:33:08,940

what are you doing right you know what's

2251

01:33:12,590 --> 01:33:10,920

funny is Chris Carter of the X-Files

2252

01:33:14,209 --> 01:33:12,600

used to tell the Fox network and he

2253

01:33:15,890 --> 01:33:14,219

denied it for years but then finally it

2254

01:33:18,649 --> 01:33:15,900

was admitted to me by Fox

2255

01:33:20,450 --> 01:33:18,659

okay Chris Carter would say don't give

2256

01:33:22,669 --> 01:33:20,460

Bob kivia more than a couple of specials

2257

01:33:24,169 --> 01:33:22,679

a year even at that because he's hurting

2258

01:33:26,090 --> 01:33:24,179

the Exiles

2259

01:33:30,430 --> 01:33:26,100

oh because you're showing how fake some

2260

01:33:34,570 --> 01:33:30,440

of the stuff was or can I be frank [h__\h]

2261

01:33:37,550 --> 01:33:34,580

you were affecting X-Files ratings maybe

2262

01:33:40,370 --> 01:33:37,560

well you know what if I I liked X-Files

2263

01:33:42,229 --> 01:33:40,380

but if I had to choose when about that

2264

01:33:43,970 --> 01:33:42,239

time if I had to choose between one of

2265

01:33:46,189 --> 01:33:43,980

your specials where something may be

2266

01:33:48,729 --> 01:33:46,199

evidence of real things and true stories

2267

01:33:51,350 --> 01:33:48,739

or a fictional

2268

01:33:52,910 --> 01:33:51,360

X-Files I would go for your thing but

2269

01:33:55,310 --> 01:33:52,920

that's me I'm sure a lot of people would

2270

01:33:57,770 --> 01:33:55,320

agree with me I'll be honest with you I

2271

01:34:00,110 --> 01:33:57,780

don't I don't enjoy that many science

2272

01:34:02,570 --> 01:34:00,120

fiction movies the only reason why I

2273

01:34:04,850 --> 01:34:02,580

enjoy Stanley Kubrick as like the man

2274

01:34:08,330 --> 01:34:04,860

his biggest Stanley would research

2275

01:34:09,649 --> 01:34:08,340

something to a level that you can't even

2276

01:34:12,110 --> 01:34:09,659

imagine

2277

01:34:16,790 --> 01:34:12,120

the detail that he would put into every

2278

01:34:18,290 --> 01:34:16,800

shot every scene every storyline so is

2279

01:34:20,810 --> 01:34:18,300

it interesting that years later I do

2280

01:34:22,490 --> 01:34:20,820

aliens on the moon showing what may be

2281

01:34:24,649 --> 01:34:22,500

structures on the moon

2282

01:34:26,330 --> 01:34:24,659

and then Buzz Aldrin says in the show

2283

01:34:27,890 --> 01:34:26,340

people should go watch it you can see it

2284

01:34:31,189 --> 01:34:27,900

on Shout Factory right now shout

2285

01:34:33,350 --> 01:34:31,199

factory.com literally speaking Buzz

2286

01:34:34,850 --> 01:34:33,360

Aldrin says to me

2287

01:34:36,770 --> 01:34:34,860

we don't want to talk about the moon

2288

01:34:40,610 --> 01:34:36,780

here off camera he said we don't talk

2289

01:34:42,729 --> 01:34:40,620

about this Moon there's a monolith

2290

01:34:47,390 --> 01:34:45,290

a model with like Steven like literally

2291

01:34:49,970 --> 01:34:47,400

like you know Steve like Stanley Kubrick

2292

01:34:52,010 --> 01:34:49,980

wrote about in 2001 Space Odyssey which

2293

01:34:54,470 --> 01:34:52,020

really was off of C Clark from the short

2294

01:34:57,709 --> 01:34:54,480

story he wrote so what you're really

2295

01:35:00,470 --> 01:34:57,719

looking at here is me trying to see if

2296

01:35:02,209 --> 01:35:00,480

Stanley Kubrick was kind of like either

2297

01:35:04,189 --> 01:35:02,219

tipped off a little bit

2298

01:35:05,750 --> 01:35:04,199

I don't think he faked the moon landing

2299

01:35:07,850 --> 01:35:05,760

by the way anybody who says that's just

2300

01:35:11,030 --> 01:35:07,860

out of their minds but definitely

2301

01:35:14,330 --> 01:35:11,040

Stanley was working with NASA dealing

2302

01:35:17,750 --> 01:35:14,340

with Cameron's so it's interesting that

2303

01:35:20,629 --> 01:35:17,760

the plot line in 2001 Space Odyssey led

2304

01:35:21,950 --> 01:35:20,639

me to do aliens on the moon and there's

2305

01:35:24,350 --> 01:35:21,960

like one of the guys the second guy

2306

01:35:26,510 --> 01:35:24,360

walks on the moon says Bob I don't want

2307

01:35:28,550 --> 01:35:26,520

to talk about this moon I want to look

2308

01:35:31,430 --> 01:35:28,560

at the monolith on the Moon by Mars

2309

01:35:33,950 --> 01:35:31,440

called Phobos we should be going there

2310

01:35:35,510 --> 01:35:33,960

that's amazing it is amazing and it

2311

01:35:37,430 --> 01:35:35,520

always wondered it always made me wonder

2312

01:35:39,850 --> 01:35:37,440

why they didn't get better Imaging of

2313

01:35:44,450 --> 01:35:39,860

that with these latest probes

2314

01:35:46,070 --> 01:35:44,460

and by the way spooky is here Baba and I

2315

01:35:48,290 --> 01:35:46,080

should tell you that spooky is the

2316

01:35:50,870 --> 01:35:48,300

biggest X-Files fan of anybody I know

2317

01:35:53,830 --> 01:35:50,880

and spooky says Chris Carter ruined

2318

01:35:57,110 --> 01:35:53,840

X-Files I don't know why

2319

01:35:57,950 --> 01:35:57,120

spooky Chanel spooky here's what

2320

01:36:01,010 --> 01:35:57,960

happened

2321

01:36:03,050 --> 01:36:01,020

the show came on the air and my friend

2322

01:36:05,149 --> 01:36:03,060

called a pilot and Howard Gordon called

2323

01:36:07,189 --> 01:36:05,159

me up and said yes it's pilot called The

2324

01:36:08,870 --> 01:36:07,199

X-Files I'm coming over to your office

2325

01:36:10,850 --> 01:36:08,880

there's nobody from New York right he's

2326

01:36:13,550 --> 01:36:10,860

coming over he says my friend and she's

2327

01:36:15,229 --> 01:36:13,560

been he says my agent wants me to maybe

2328

01:36:16,189 --> 01:36:15,239

go look at the show call The X-Files

2329

01:36:17,390 --> 01:36:16,199

what do you think he's sitting here

2330

01:36:19,310 --> 01:36:17,400

don't solve mysteries in my offices

2331

01:36:21,050 --> 01:36:19,320

right there right he says Bob you have

2332

01:36:23,270 --> 01:36:21,060

all these files these UFO stories you're

2333

01:36:25,250 --> 01:36:23,280

doing what do you think I said well

2334

01:36:27,590 --> 01:36:25,260

Howie it's about two FBI agents looking

2335

01:36:30,770 --> 01:36:27,600

at UFOs how could that fail that's a

2336

01:36:33,649 --> 01:36:30,780

great idea looking at real UFO cases the

2337

01:36:36,490 --> 01:36:33,659

first episode has the lines based on

2338

01:36:39,530 --> 01:36:36,500

actual events kind of thing right yeah

2339

01:36:41,629 --> 01:36:39,540

they shied away from that how it went

2340

01:36:42,530 --> 01:36:41,639

how it did go and worked on the show for

2341

01:36:45,530 --> 01:36:42,540

three years

2342

01:36:47,709 --> 01:36:45,540

during the first season they tried to

2343

01:36:50,750 --> 01:36:47,719

work in Gulf Breeze Florida

2344

01:36:52,790 --> 01:36:50,760

Roswell they tried to work in real

2345

01:36:55,669 --> 01:36:52,800

articles being written in the newspapers

2346

01:36:59,629 --> 01:36:55,679

they tried to base their stories spooky

2347

01:37:01,490 --> 01:36:59,639

on as much based on fact as they could

2348

01:37:03,950 --> 01:37:01,500

and it became a hit

2349

01:37:05,810 --> 01:37:03,960

then in my humble opinion even though

2350

01:37:07,250 --> 01:37:05,820

Chris was telling people at Fox about to

2351

01:37:11,930 --> 01:37:07,260

give me enough specials to tell the

2352

01:37:13,250 --> 01:37:11,940

truth about things uh screw him uh keep

2353

01:37:14,990 --> 01:37:13,260

in mind that takes food off my table

2354

01:37:17,450 --> 01:37:15,000

those are fighting words you know what I

2355

01:37:18,830 --> 01:37:17,460

mean you tell someone you try to stop

2356

01:37:21,290 --> 01:37:18,840

someone from getting shows on the

2357

01:37:23,390 --> 01:37:21,300

network that are informing Steve Camion

2358

01:37:25,669 --> 01:37:23,400

or whatever your name what was your name

2359

01:37:27,950 --> 01:37:25,679

then yeah it's the same name yeah it's

2360

01:37:30,050 --> 01:37:27,960

fine no it's fine I'm sorry but I

2361

01:37:31,490 --> 01:37:30,060

understand because he he kind of went he

2362

01:37:33,649 --> 01:37:31,500

kind of tried to hit you in the pocket

2363

01:37:35,870 --> 01:37:33,659

for all he knows that you know they were

2364

01:37:37,129 --> 01:37:35,880

going to give you excuse me he sees me

2365

01:37:39,709 --> 01:37:37,139

with my friend Howard going the fox

2366

01:37:40,970 --> 01:37:39,719

slots he goes hey baba so tell me about

2367

01:37:42,590 --> 01:37:40,980

Gulf Breeze a little bit I'm like you

2368

01:37:44,270 --> 01:37:42,600

know you know Chris if you want to pick

2369

01:37:45,890 --> 01:37:44,280

my brain for free I have Howard do it on

2370

01:37:47,870 --> 01:37:45,900

the phone with friend to friend you

2371

01:37:50,330 --> 01:37:47,880

don't do that with me

2372

01:37:51,590 --> 01:37:50,340

so we have a little more between me and

2373

01:37:55,010 --> 01:37:51,600

Chris I could talk about some other day

2374

01:37:58,010 --> 01:37:55,020

but I won't today but I will say this I

2375

01:38:00,229 --> 01:37:58,020

am appreciative of the files it's pretty

2376

01:38:02,149 --> 01:38:00,239

clear if these files wasn't on the air

2377

01:38:06,169 --> 01:38:02,159

before I did my specials there

2378

01:38:08,450 --> 01:38:06,179

probably wouldn't be alien autopsy

2379

01:38:10,610 --> 01:38:08,460

yeah that's pretty interesting they

2380

01:38:13,669 --> 01:38:10,620

really wanted that show badly because

2381

01:38:15,649 --> 01:38:13,679

look let's face it in 1995 The X-Files

2382

01:38:16,790 --> 01:38:15,659

is hot how's that going to go to a

2383

01:38:19,610 --> 01:38:16,800

different network

2384

01:38:21,890 --> 01:38:19,620

yeah and I feel aware but many of the

2385

01:38:24,350 --> 01:38:21,900

grifters use the X-Files for Source

2386

01:38:27,590 --> 01:38:24,360

material like for example the black AI

2387

01:38:29,330 --> 01:38:27,600

goo that the super soldier frauds all

2388

01:38:32,209 --> 01:38:29,340

talk about that was an episode of

2389

01:38:35,209 --> 01:38:32,219

X-Files it was on the black goo was on

2390

01:38:37,310 --> 01:38:35,219

an episode of X-Files they all or Xbox

2391

01:38:39,830 --> 01:38:37,320

fans that's a little better because what

2392

01:38:41,689 --> 01:38:39,840

spooky is saying is they fell in love

2393

01:38:45,410 --> 01:38:41,699

with their status

2394

01:38:47,629 --> 01:38:45,420

they my friend Howard moved off the show

2395

01:38:49,850 --> 01:38:47,639

um they fell into this like we're gonna

2396

01:38:51,770 --> 01:38:49,860

be just like a spooky Showdown no

2397

01:38:53,990 --> 01:38:51,780

offense Pokey we're gonna be like you

2398

01:38:56,390 --> 01:38:54,000

know we're gonna be ghosts we're going

2399

01:38:58,729 --> 01:38:56,400

to be Cults we're gonna be whatever it

2400

01:39:00,709 --> 01:38:58,739

could be but the reality is

2401

01:39:04,669 --> 01:39:00,719

Chris never wanted it to be called the

2402

01:39:07,370 --> 01:39:04,679

UFO doc a doc or drama it was always a

2403

01:39:10,729 --> 01:39:07,380

UFO drama there's no TV Guide wrote

2404

01:39:12,470 --> 01:39:10,739

about it being a UFO drama I I liked all

2405

01:39:14,209 --> 01:39:12,480

the episodes but the ones with that

2406

01:39:15,770 --> 01:39:14,219

involved the aliens were my favorites

2407

01:39:17,209 --> 01:39:15,780

because they would go off in different

2408

01:39:20,030 --> 01:39:17,219

directions for a while but they always

2409

01:39:22,189 --> 01:39:20,040

came back to the aliens and that those

2410

01:39:23,629 --> 01:39:22,199

were my favorite stories but anyway when

2411

01:39:25,669 --> 01:39:23,639

you get into this whole idea about

2412

01:39:29,050 --> 01:39:25,679

networks doing their responsibilities

2413

01:39:33,229 --> 01:39:29,060

and whatnot I had a series going called

2414

01:39:37,129 --> 01:39:33,239

alien autopsy fact or fiction Miracles

2415

01:39:40,010 --> 01:39:37,139

and Visions fact or fiction soon soon to

2416

01:39:43,010 --> 01:39:40,020

be ghost caught on tape fact or fiction

2417

01:39:45,350 --> 01:39:43,020

these are my bookend shows sure we did

2418

01:39:47,930 --> 01:39:45,360

Prophecies of the Millennium show we did

2419

01:39:49,910 --> 01:39:47,940

world's greatest hoaxes but Secrets

2420

01:39:51,290 --> 01:39:49,920

Revealed but we were literally trying to

2421

01:39:53,410 --> 01:39:51,300

do a series called

2422

01:39:57,410 --> 01:39:53,420

fact or fiction

2423

01:39:59,689 --> 01:39:57,420

Chris gave that no chance by only doing

2424

01:40:02,149 --> 01:39:59,699

a few specials a year there was no way

2425

01:40:05,450 --> 01:40:02,159

to build that kind of momentum for a

2426

01:40:08,450 --> 01:40:05,460

series on Fox after I'm done pretty much

2427

01:40:11,930 --> 01:40:08,460

with my specials or in the middle of my

2428

01:40:15,050 --> 01:40:11,940

specials Fox network asked me could they

2429

01:40:17,870 --> 01:40:15,060

use my host Jonathan Franks

2430

01:40:21,110 --> 01:40:17,880

to a narrator to host a show called

2431

01:40:23,990 --> 01:40:21,120

beyond belief I said why would you need

2432

01:40:25,850 --> 01:40:24,000

that from me well we want to use fact or

2433

01:40:29,570 --> 01:40:25,860

fiction I said well why would you do

2434

01:40:32,689 --> 01:40:29,580

that well the show's concept is beyond

2435

01:40:35,390 --> 01:40:32,699

belief fact or fiction five stories are

2436

01:40:37,129 --> 01:40:35,400

real are fake one might be based in some

2437

01:40:39,350 --> 01:40:37,139

fact they went on you guys so you're

2438

01:40:42,169 --> 01:40:39,360

using my fact or fiction

2439

01:40:44,870 --> 01:40:42,179

two yeah using my whole concept and now

2440

01:40:46,729 --> 01:40:44,880

you want my host too yeah yeah so by the

2441

01:40:49,149 --> 01:40:46,739

way I was going to ask you because I was

2442

01:40:52,669 --> 01:40:49,159

a huge Star Trek the Next Generation fan

2443

01:40:54,530 --> 01:40:52,679

did you get to how what is he like in

2444

01:40:56,750 --> 01:40:54,540

real life Jonathan let me say about

2445

01:40:59,750 --> 01:40:56,760

Jonathan so we're on the way to uh the

2446

01:41:01,550 --> 01:40:59,760

uh shooting the host raps at Roswell at

2447

01:41:03,770 --> 01:41:01,560

the airport there the Roswell the hangar

2448

01:41:07,010 --> 01:41:03,780

we're going to the hangar right and in

2449

01:41:08,930 --> 01:41:07,020

the limo I'm sitting across from Franks

2450

01:41:12,229 --> 01:41:08,940

back then you could not get a direct

2451
01:41:14,870 --> 01:41:12,239
flight from LA to Roswell you had to go

2452
01:41:17,030 --> 01:41:14,880
like a second flight so Jonathan I take

2453
01:41:18,590 --> 01:41:17,040
a second slide so by the time it gets

2454
01:41:22,790 --> 01:41:18,600
into the limo at the second flight place

2455
01:41:23,570 --> 01:41:22,800
he's not happy so I sit in the car I got

2456
01:41:26,030 --> 01:41:23,580
it because

2457
01:41:27,830 --> 01:41:26,040
all right give me it

2458
01:41:29,030 --> 01:41:27,840
so you went for the ball guy and you got

2459
01:41:31,490 --> 01:41:29,040
me

2460
01:41:33,350 --> 01:41:31,500
we actually did go for Picard we went

2461
01:41:35,030 --> 01:41:33,360
for driving oh you were originally That

2462
01:41:38,050 --> 01:41:35,040
was supposed to oh Patrick Stewart right

2463
01:41:40,910 --> 01:41:38,060

no no we went for William Shatner first

2464

01:41:46,850 --> 01:41:40,920

oh wow William Shatner wanted half the

2465

01:41:52,609 --> 01:41:49,689

on Netflix yeah

2466

01:41:54,830 --> 01:41:52,619

it's very good actually he's a decent

2467

01:41:57,350 --> 01:41:54,840

host but if you saw if you saw him he

2468

01:41:59,510 --> 01:41:57,360

wanted half the budget of the show the

2469

01:42:02,870 --> 01:41:59,520

number is Agent Davis was like uh that's

2470

01:42:06,950 --> 01:42:02,880

a no so then our next guy in the list

2471

01:42:09,290 --> 01:42:06,960

was uh uh you know uh Patrick Stewart

2472

01:42:12,830 --> 01:42:09,300

and uh like my one of my people came and

2473

01:42:14,629 --> 01:42:12,840

said he just can't do it and I go Fricks

2474

01:42:16,250 --> 01:42:14,639

so Jonathan kind of ripped me a little

2475

01:42:17,990 --> 01:42:16,260

bit but he was very cool you know during

2476

01:42:19,930 --> 01:42:18,000

the host raps he heard me saying I never

2477

01:42:24,970 --> 01:42:19,940

I don't think anybody ever knew that so

2478

01:42:30,410 --> 01:42:27,109

be clear

2479

01:42:31,430 --> 01:42:30,420

you're talking about in in an hour

2480

01:42:34,850 --> 01:42:31,440

meaning

2481

01:42:37,490 --> 01:42:34,860

our meeting number one I gave Fox a list

2482

01:42:40,669 --> 01:42:37,500

of hosts I started with three Star Trek

2483

01:42:43,129 --> 01:42:40,679

guys obvious reasons uh it would also in

2484

01:42:46,370 --> 01:42:43,139

many ways hurt UPN they had their

2485

01:42:48,410 --> 01:42:46,380

Voyager on so I was trying my best to

2486

01:42:49,490 --> 01:42:48,420

kind of like you know you know kind of

2487

01:42:52,850 --> 01:42:49,500

like you know do a little counter

2488

01:42:54,350 --> 01:42:52,860

programming too so I nearly witnessed it

2489

01:42:56,570 --> 01:42:54,360

I knew we wouldn't get

2490

01:42:58,370 --> 01:42:56,580

William shat I just knew that I just

2491

01:43:00,950 --> 01:42:58,380

knew it I knew we probably wouldn't get

2492

01:43:04,550 --> 01:43:00,960

Patrick Stewart I really wanted Frakes

2493

01:43:06,970 --> 01:43:04,560

I had done some research and Frakes was

2494

01:43:11,330 --> 01:43:06,980

doing books he was basically a great

2495

01:43:13,910 --> 01:43:11,340

narrator I knew that first I loved the

2496

01:43:15,370 --> 01:43:13,920

guy's voice he was on Jonathan Frakes

2497

01:43:18,470 --> 01:43:15,380

love him

2498

01:43:20,270 --> 01:43:18,480

amazing he helped me out on ghost caught

2499

01:43:24,050 --> 01:43:20,280

on tape fact or fiction and UFOs caught

2500

01:43:25,669 --> 01:43:24,060

on tape number two in 2000 it was a a

2501
01:43:28,669 --> 01:43:25,679
crazy production we were trying to save

2502
01:43:31,010 --> 01:43:28,679
Fox's butt and we did we'll get into

2503
01:43:32,510 --> 01:43:31,020
that story tonight just another time Fox

2504
01:43:33,770 --> 01:43:32,520
had to cancel a whole bunch of shows

2505
01:43:35,810 --> 01:43:33,780
because they got in trouble for doing

2506
01:43:37,250 --> 01:43:35,820
some things and finally they needed me

2507
01:43:40,430 --> 01:43:37,260
to come in with two shows out of nowhere

2508
01:43:42,530 --> 01:43:40,440
they go Bob do UFOs color tape too do

2509
01:43:44,870 --> 01:43:42,540
ghost caught on tape number one let's go

2510
01:43:46,910 --> 01:43:44,880
it's like it was the quickest sale

2511
01:43:48,590 --> 01:43:46,920
meeting ever out of my life I walked out

2512
01:43:51,410 --> 01:43:48,600
of there on the fox said I was like what

2513
01:43:54,410 --> 01:43:51,420

just happened right I gotta hurry up and

2514

01:43:55,609 --> 01:43:54,420

make two television shows Chris Carr

2515

01:43:57,109 --> 01:43:55,619

doesn't want me to get two in a year and

2516

01:44:00,169 --> 01:43:57,119

I get two in one night you know what I

2517

01:44:02,390 --> 01:44:00,179

mean so so then it becomes Bob tries to

2518

01:44:05,570 --> 01:44:02,400

help Fox there were very difficult shows

2519

01:44:07,850 --> 01:44:05,580

to create in four weeks we did it I was

2520

01:44:09,530 --> 01:44:07,860

almost on by a ventilator you know

2521

01:44:11,629 --> 01:44:09,540

before there ever was a need for that I

2522

01:44:14,270 --> 01:44:11,639

was like I was like yeah I'm kidding but

2523

01:44:16,850 --> 01:44:14,280

I was asleep like a baby when Jonathan

2524

01:44:18,830 --> 01:44:16,860

came in to narrate the last show with

2525

01:44:21,290 --> 01:44:18,840

one of my supervising producers because

2526

01:44:23,649 --> 01:44:21,300

I was out I was like cold but he read

2527

01:44:26,149 --> 01:44:23,659

from the script did a fantastic job

2528

01:44:27,709 --> 01:44:26,159

Jonathan Frakes got the idea or someone

2529

01:44:31,010 --> 01:44:27,719

got the idea to do the show Roswell

2530

01:44:32,450 --> 01:44:31,020

remember those kids Roswell Jonathan was

2531

01:44:34,430 --> 01:44:32,460

one of the riches

2532

01:44:35,930 --> 01:44:34,440

oh that's interesting Oh Donna so

2533

01:44:37,970 --> 01:44:35,940

Jonathan comes out on the set right

2534

01:44:40,550 --> 01:44:37,980

we're at the Roswell thing he's ripping

2535

01:44:42,350 --> 01:44:40,560

me he's going so Bob I heard what you

2536

01:44:44,750 --> 01:44:42,360

said to one of your assistants was that

2537

01:44:46,550 --> 01:44:44,760

enough for Orson Welles for you I want

2538

01:44:48,290 --> 01:44:46,560

them to be a little like Orson Welles he

2539

01:44:50,510 --> 01:44:48,300

had that kind of like you know beard and

2540

01:44:52,669 --> 01:44:50,520

he had that going on so I would say come

2541

01:44:54,890 --> 01:44:52,679

on Jonathan be you but he wrote a little

2542

01:44:57,229 --> 01:44:54,900

that you know yeah a little bit of that

2543

01:44:59,149 --> 01:44:57,239

you know so after one of the takes down

2544

01:45:01,430 --> 01:44:59,159

that goes come here

2545

01:45:03,609 --> 01:45:01,440

instead of whales were you

2546

01:45:05,750 --> 01:45:03,619

we have these outings

2547

01:45:07,430 --> 01:45:05,760

so Jonathan was really great and

2548

01:45:09,410 --> 01:45:07,440

Jonathan by the way

2549

01:45:12,229 --> 01:45:09,420

I believe he's doing a great job with

2550

01:45:15,290 --> 01:45:12,239

the new Star Trek I'm I I was so uh

2551

01:45:17,330 --> 01:45:15,300

bloated did I work yeah I I didn't

2552

01:45:19,370 --> 01:45:17,340

expect much because when an actor turns

2553

01:45:20,810 --> 01:45:19,380

director you think well he's sick of

2554

01:45:22,910 --> 01:45:20,820

being in front of the camera he's still

2555

01:45:25,310 --> 01:45:22,920

looking for a paycheck I don't expect

2556

01:45:27,169 --> 01:45:25,320

much how do you expect much from him but

2557

01:45:29,270 --> 01:45:27,179

that was great work that he's been doing

2558

01:45:30,950 --> 01:45:29,280

so anyway I'm motivated now because I

2559

01:45:33,290 --> 01:45:30,960

see what how Jonathan has sort of

2560

01:45:35,870 --> 01:45:33,300

revamped his career a little bit I'm

2561

01:45:38,510 --> 01:45:35,880

going a direction a little closer I'm

2562

01:45:40,850 --> 01:45:38,520

going to feature documentaries now Steve

2563

01:45:44,270 --> 01:45:40,860

because the History Channels of the

2564

01:45:46,729 --> 01:45:44,280

world the travel channels of the world

2565

01:45:50,030 --> 01:45:46,739

even Fox having me

2566

01:45:53,390 --> 01:45:50,040

bad Judgment of airing a show called TMZ

2567

01:45:55,370 --> 01:45:53,400

investigates the Pentagon UFOs where

2568

01:45:57,010 --> 01:45:55,380

Harvey oh that was terrible that was

2569

01:46:00,709 --> 01:45:57,020

terrible Bob

2570

01:46:02,450 --> 01:46:00,719

Evan uh that was uh Steve said that not

2571

01:46:05,450 --> 01:46:02,460

me

2572

01:46:06,770 --> 01:46:05,460

that's my opinion there's nothing out

2573

01:46:08,990 --> 01:46:06,780

there that might know what I'm talking

2574

01:46:10,189 --> 01:46:09,000

about but there's not there's another

2575

01:46:12,890 --> 01:46:10,199

event we're going to talk about before I

2576

01:46:15,950 --> 01:46:12,900

get off the offer you tonight and so I

2577

01:46:18,229 --> 01:46:15,960

want to mention to you that there is

2578

01:46:21,709 --> 01:46:18,239

four movies

2579

01:46:22,910 --> 01:46:21,719

and one documentary series that is going

2580

01:46:25,910 --> 01:46:22,920

to come out in the next two or three

2581

01:46:27,410 --> 01:46:25,920

years for me that's gonna hopefully the

2582

01:46:30,050 --> 01:46:27,420

next Steve can be as I'll be watching

2583

01:46:33,050 --> 01:46:30,060

and they'll see what we want to do now

2584

01:46:36,470 --> 01:46:33,060

we want to take the public a step back

2585

01:46:38,450 --> 01:46:36,480

and say we all love mysteries we all

2586

01:46:39,770 --> 01:46:38,460

have evidence of the unknown The

2587

01:46:41,510 --> 01:46:39,780

Unexplained

2588

01:46:44,930 --> 01:46:41,520

but we don't want to be bullshitted to

2589

01:46:47,750 --> 01:46:44,940

we don't want to be fooled we don't want

2590

01:46:50,689 --> 01:46:47,760

to be hoaxed we don't want that and

2591

01:46:52,850 --> 01:46:50,699

we're going to show people how you make

2592

01:46:54,770 --> 01:46:52,860

sure you get people to tell the truth

2593

01:46:58,070 --> 01:46:54,780

and you do it you have this here from

2594

01:47:00,350 --> 01:46:58,080

your Twitter that I can share yeah so I

2595

01:47:02,270 --> 01:47:00,360

love this one show this show called The

2596

01:47:03,830 --> 01:47:02,280

Mandela effect is six years in the

2597

01:47:05,810 --> 01:47:03,840

making if I don't know if there's

2598

01:47:08,030 --> 01:47:05,820

anything to that but it drives me crazy

2599

01:47:10,910 --> 01:47:08,040

because some of that's true like I

2600

01:47:13,310 --> 01:47:10,920

remember the monocle on the Monopoly guy

2601

01:47:15,169 --> 01:47:13,320

I remember the question we are going to

2602

01:47:17,930 --> 01:47:15,179

show people this show is not based on

2603

01:47:19,669 --> 01:47:17,940

hearsay it's not based on this movie

2604

01:47:22,250 --> 01:47:19,679

we're going to be developing and

2605

01:47:24,649 --> 01:47:22,260

finishing this year and hopefully will

2606

01:47:25,910 --> 01:47:24,659

he be airing in 2024 I think we'll

2607

01:47:29,390 --> 01:47:25,920

probably finish it sometime in early

2608

01:47:32,149 --> 01:47:29,400

2023 to mid-2023. we are releasing it

2609

01:47:35,810 --> 01:47:32,159

with a very unique distribution model

2610

01:47:38,570 --> 01:47:35,820

this model allows the investors to be

2611

01:47:39,790 --> 01:47:38,580

part of the money making not like people

2612

01:47:42,229 --> 01:47:39,800

who do

2613

01:47:44,870 --> 01:47:42,239

crowdsourcing where they literally

2614

01:47:46,430 --> 01:47:44,880

convince people oh my God we got to get

2615

01:47:48,530 --> 01:47:46,440

this out to the public we need money

2616

01:47:49,729 --> 01:47:48,540

from you and then we make it we make

2617

01:47:53,090 --> 01:47:49,739

money we don't give you back your money

2618

01:47:56,030 --> 01:47:53,100

what what is that that's as fraudulent

2619

01:47:58,129 --> 01:47:56,040

as I could ever imagine if you go and

2620

01:48:00,490 --> 01:47:58,139

say I'm gonna go tell the world about

2621

01:48:04,070 --> 01:48:00,500

UFOs or I want to tell the world about

2622

01:48:06,470 --> 01:48:04,080

any mystery and you do that by

2623

01:48:08,570 --> 01:48:06,480

convincing Believers to just give you

2624

01:48:10,850 --> 01:48:08,580

money so you can go make it and you

2625

01:48:12,729 --> 01:48:10,860

don't give them back their money and you

2626

01:48:15,709 --> 01:48:12,739

don't give them profit participation

2627

01:48:17,450 --> 01:48:15,719

well we are going to be Reinventing this

2628

01:48:19,669 --> 01:48:17,460

whole model to some degree that sounds

2629

01:48:22,790 --> 01:48:19,679

like tsa just give us your money no no

2630

01:48:24,649 --> 01:48:22,800

no no no no no no no the bad way of

2631

01:48:25,970 --> 01:48:24,659

doing it no I mean a Distribution

2632

01:48:28,750 --> 01:48:25,980

Company

2633

01:48:32,030 --> 01:48:28,760

that literally learned how to do this

2634

01:48:34,609 --> 01:48:32,040

with different types of product

2635

01:48:36,590 --> 01:48:34,619

that may or may not be the kind of

2636

01:48:38,810 --> 01:48:36,600

product that I would ever get behind

2637

01:48:40,729 --> 01:48:38,820

we are now going to show the public

2638

01:48:43,129 --> 01:48:40,739

using this model

2639

01:48:44,990 --> 01:48:43,139

how you can be part of these projects

2640

01:48:47,810 --> 01:48:45,000

but you can also

2641

01:48:49,550 --> 01:48:47,820

of course see these movies be part of

2642

01:48:51,890 --> 01:48:49,560

them and you're a part of the business

2643

01:48:55,070 --> 01:48:51,900

as well and that way you have a vested

2644

01:48:57,290 --> 01:48:55,080

interest in the veracity the truth

2645

01:49:00,350 --> 01:48:57,300

what's really going on now back to the

2646

01:49:02,930 --> 01:49:00,360

Mandela effect the Mandela effect is not

2647

01:49:07,510 --> 01:49:02,940

a joke you're talking about evidence

2648

01:49:11,450 --> 01:49:07,520

that you can point to in shows music

2649

01:49:14,870 --> 01:49:11,460

products there's no doubt at one time

2650

01:49:17,149 --> 01:49:14,880

some people were saying these were the

2651
01:49:19,370 --> 01:49:17,159
way these shows were made or these were

2652
01:49:22,430 --> 01:49:19,380
scenes were there's no doubt that

2653
01:49:25,070 --> 01:49:22,440
there's evidence that at one time it

2654
01:49:27,649 --> 01:49:25,080
appears to a jury 12 people in a

2655
01:49:31,490 --> 01:49:27,659
courtroom would have to say well that's

2656
01:49:34,910 --> 01:49:31,500
evidence at some point it was that now

2657
01:49:37,430 --> 01:49:34,920
was it only that was that only one

2658
01:49:39,050 --> 01:49:37,440
mistake made by a newspaper or one

2659
01:49:42,109 --> 01:49:39,060
mistake made by a host at an Academy

2660
01:49:44,090 --> 01:49:42,119
Awards or is there more is there a

2661
01:49:46,790 --> 01:49:44,100
backbone of evidence

2662
01:49:48,470 --> 01:49:46,800
I believe there is and people are going

2663
01:49:51,169 --> 01:49:48,480

to see the same way you look at UFO

2664

01:49:52,609 --> 01:49:51,179

videos the same way you look at any kind

2665

01:49:54,830 --> 01:49:52,619

of evidence you want to bring to a

2666

01:49:57,229 --> 01:49:54,840

scientist you can bring the Mandela

2667

01:50:00,169 --> 01:49:57,239

effect evidence in there's no doubt and

2668

01:50:03,229 --> 01:50:00,179

that evidence has been unfairly not

2669

01:50:05,629 --> 01:50:03,239

looked into by the media just like UFOs

2670

01:50:08,149 --> 01:50:05,639

before I got involved so I really

2671

01:50:10,070 --> 01:50:08,159

believe that UFOs were never given the

2672

01:50:12,709 --> 01:50:10,080

treatment before someone like me got

2673

01:50:14,629 --> 01:50:12,719

involved and people were saying I won't

2674

01:50:17,030 --> 01:50:14,639

put that alien autopsy on until I know

2675

01:50:19,430 --> 01:50:17,040

it's true wait a minute the world's

2676
01:50:21,169 --> 01:50:19,440
already talking about it so let's take

2677
01:50:23,870 --> 01:50:21,179
it off the market

2678
01:50:25,729 --> 01:50:23,880
let's look at it and see what's really

2679
01:50:28,129 --> 01:50:25,739
there and you had a budget so you could

2680
01:50:29,810 --> 01:50:28,139
have the experts look at it exactly so

2681
01:50:32,629 --> 01:50:29,820
back to the alien autopsy and the rest

2682
01:50:36,950 --> 01:50:32,639
of it if you can take it off the market

2683
01:50:38,950 --> 01:50:36,960
so to speak and die devote all your

2684
01:50:41,689 --> 01:50:38,960
journalistic and investigative skills

2685
01:50:43,310 --> 01:50:41,699
and you're left with let's say one

2686
01:50:45,109 --> 01:50:43,320
Mandela effect

2687
01:50:47,450 --> 01:50:45,119
that is that looks like for those who

2688
01:50:51,649 --> 01:50:47,460

don't know what this is there's evidence

2689

01:50:55,430 --> 01:50:51,659

that something in our known timeline in

2690

01:50:56,510 --> 01:50:55,440

our Known World Universe call it our

2691

01:50:59,510 --> 01:50:56,520

dimension

2692

01:51:02,209 --> 01:50:59,520

something changed at one time for

2693

01:51:05,270 --> 01:51:02,219

instance there appears to be a plethora

2694

01:51:08,570 --> 01:51:05,280

of evidence that at one time the show

2695

01:51:11,689 --> 01:51:08,580

was called Sex in the City

2696

01:51:13,070 --> 01:51:11,699

now it's called Sex and the City we're

2697

01:51:16,189 --> 01:51:13,080

not just going to show like people

2698

01:51:19,390 --> 01:51:16,199

saying it there's a merchandising from

2699

01:51:24,530 --> 01:51:21,830

Luke used to make me watch that with her

2700

01:51:28,490 --> 01:51:24,540

it was sexually really Luke I am your

2701
01:51:29,990 --> 01:51:28,500
father Luke I am your father James Earl

2702
01:51:33,350 --> 01:51:30,000
Jones saying it in interviews all over

2703
01:51:36,229 --> 01:51:33,360
the place the line when I when I saw the

2704
01:51:38,689 --> 01:51:36,239
line Luke I am your father the line hold

2705
01:51:40,990 --> 01:51:38,699
on then when Lucas puts out his little

2706
01:51:45,050 --> 01:51:41,000
um ornaments

2707
01:51:46,609 --> 01:51:45,060
lucasfilms copyrighted trademarked

2708
01:51:50,870 --> 01:51:46,619
did you pull a little string you press

2709
01:51:52,910 --> 01:51:50,880
the button look I am your father how can

2710
01:51:55,550 --> 01:51:52,920
you explain this and I mean it I want

2711
01:51:57,590 --> 01:51:55,560
you to explain that to me no I can't it

2712
01:52:00,010 --> 01:51:57,600
seems to me that this uh this

2713
01:52:03,590 --> 01:52:00,020

tantalizing weird stuff

2714

01:52:04,669 --> 01:52:03,600

glitches in The Matrix or something and

2715

01:52:08,390 --> 01:52:04,679

by the way I'm going to give a shout out

2716

01:52:10,669 --> 01:52:08,400

to a guy named Jacobian a YouTuber uh

2717

01:52:13,490 --> 01:52:10,679

another YouTuber named Evan uh who has a

2718

01:52:14,590 --> 01:52:13,500

thing called the silver investor these

2719

01:52:17,270 --> 01:52:14,600

guys have done incredible videos

2720

01:52:19,550 --> 01:52:17,280

Jacobian for one let's say he does an

2721

01:52:23,090 --> 01:52:19,560

Incredible video on songs that we've

2722

01:52:24,890 --> 01:52:23,100

known for years Jewel you know Jewel who

2723

01:52:28,669 --> 01:52:24,900

will save your soul

2724

01:52:32,350 --> 01:52:28,679

it used to be so now it's Souls on the

2725

01:52:35,689 --> 01:52:32,360

record she says who will save your souls

2726

01:52:38,930 --> 01:52:35,699

what every every time I've seen her sing

2727

01:52:42,950 --> 01:52:38,940

the song Live who will save yourself

2728

01:52:45,530 --> 01:52:42,960

so not Souls I remember in his soul

2729

01:52:47,450 --> 01:52:45,540

tooth this stuff drives me crazy because

2730

01:52:49,450 --> 01:52:47,460

I have a friend that's into this and he

2731

01:52:52,250 --> 01:52:49,460

sends me stuff occasionally

2732

01:52:55,189 --> 01:52:52,260

recently I've seen the Fruit of the Loom

2733

01:52:57,830 --> 01:52:55,199

thing I've seen the uh the the Monopoly

2734

01:52:59,930 --> 01:52:57,840

thing again and and many other examples

2735

01:53:02,689 --> 01:52:59,940

of this and I remember the Star Wars

2736

01:53:04,250 --> 01:53:02,699

example and I just can't explain it like

2737

01:53:06,550 --> 01:53:04,260

I remember things a certain way

2738

01:53:09,169 --> 01:53:06,560

especially Sex in the City

2739

01:53:12,050 --> 01:53:09,179

we are only looking just like a UFO

2740

01:53:15,109 --> 01:53:12,060

video if I don't have a UFO video or

2741

01:53:17,810 --> 01:53:15,119

photo or film something going on here

2742

01:53:20,330 --> 01:53:17,820

I don't touch the story if I didn't have

2743

01:53:22,430 --> 01:53:20,340

this incredible residual

2744

01:53:23,750 --> 01:53:22,440

base of research called residual

2745

01:53:26,270 --> 01:53:23,760

evidence the Mandela effect Community

2746

01:53:29,570 --> 01:53:26,280

has been building for years I was trying

2747

01:53:32,169 --> 01:53:29,580

to pitch a series about this to uh

2748

01:53:35,870 --> 01:53:32,179

Hollywood in

2749

01:53:39,590 --> 01:53:35,880

2016. that's how obvious it was to me

2750

01:53:43,430 --> 01:53:39,600

that when you show the residual evidence

2751
01:53:45,830 --> 01:53:43,440
all I'm saying is the evidence is a head

2752
01:53:48,290 --> 01:53:45,840
scratcher yeah people are people are

2753
01:53:52,310 --> 01:53:48,300
giving examples what about Looney Tunes

2754
01:53:54,310 --> 01:53:52,320
I remember a t-o-o-n-s so do I but it

2755
01:53:57,950 --> 01:53:54,320
has always been t-u-n-e-s

2756
01:54:00,890 --> 01:53:57,960
this is the era not you but the media

2757
01:54:03,229 --> 01:54:00,900
has noticed the popularity on YouTube

2758
01:54:06,830 --> 01:54:03,239
and Tick Tock with the Mandela effect

2759
01:54:09,410 --> 01:54:06,840
phenomenon is off the charts you

2760
01:54:13,189 --> 01:54:09,420
probably are looking at a billion that's

2761
01:54:15,350 --> 01:54:13,199
a b a billion views on the Mandela

2762
01:54:17,510 --> 01:54:15,360
effect between YouTube and Tick Tock

2763
01:54:19,390 --> 01:54:17,520

just I gotta get on this Bob and make

2764

01:54:22,609 --> 01:54:19,400

sure

2765

01:54:23,750 --> 01:54:22,619

I I just felt I just kind of had a re a

2766

01:54:28,550 --> 01:54:23,760

re-uh

2767

01:54:29,990 --> 01:54:28,560

you will of some of the Chili Peppers I

2768

01:54:32,689 --> 01:54:30,000

I like I like to make that Chili Peppers

2769

01:54:34,070 --> 01:54:32,699

a little bit I do when I moved to L.A I

2770

01:54:35,810 --> 01:54:34,080

like some of the music I like some of

2771

01:54:38,629 --> 01:54:35,820

the way the bass lines and it's I do

2772

01:54:41,270 --> 01:54:38,639

like a lot of it so I when I moved to LA

2773

01:54:43,910 --> 01:54:41,280

they were singing the song You Know

2774

01:54:46,669 --> 01:54:43,920

under the bridge you know

2775

01:54:50,149 --> 01:54:46,679

you know this the famous line right

2776

01:54:53,510 --> 01:54:50,159

in this yeah in the City of Angels

2777

01:54:56,090 --> 01:54:53,520

that's L.A City of Angels

2778

01:54:56,990 --> 01:54:56,100

Los Angeles guess what it is now on the

2779

01:55:01,070 --> 01:54:57,000

record

2780

01:55:02,450 --> 01:55:01,080

city of Angel Jacob Angel I'll be

2781

01:55:03,470 --> 01:55:02,460

sitting there sitting hopefully sitting

2782

01:55:05,510 --> 01:55:03,480

in front

2783

01:55:09,070 --> 01:55:05,520

of the lead singer

2784

01:55:16,609 --> 01:55:13,430

let me ask you how did you run it with

2785

01:55:19,070 --> 01:55:16,619

the word Angel when I remember it very

2786

01:55:21,590 --> 01:55:19,080

vividly I was a New Yorker living here

2787

01:55:24,229 --> 01:55:21,600

it made me feel good when I saw you

2788

01:55:26,090 --> 01:55:24,239

saying that because in the City of

2789

01:55:28,250 --> 01:55:26,100

Angels it's like I'm here I'm with these

2790

01:55:29,270 --> 01:55:28,260

people city of Angel would have freaked

2791

01:55:30,890 --> 01:55:29,280

me out

2792

01:55:33,229 --> 01:55:30,900

I would have been the city of Angel what

2793

01:55:35,629 --> 01:55:33,239

do you mean like other Angels here but

2794

01:55:36,830 --> 01:55:35,639

you see the Angels is a takeoff on Los

2795

01:55:40,609 --> 01:55:36,840

Angeles

2796

01:55:43,250 --> 01:55:40,619

Angels

2797

01:55:45,770 --> 01:55:43,260

you wouldn't play with that so I'm

2798

01:55:48,709 --> 01:55:45,780

saying to you when he sings it now

2799

01:55:50,510 --> 01:55:48,719

it's City of Angels

2800

01:55:53,209 --> 01:55:50,520

try to explain that to me and by the way

2801
01:55:54,169 --> 01:55:53,219
another great one Britney Spears and

2802
01:55:55,790 --> 01:55:54,179
we're not we're going to do a lot more

2803
01:55:58,490 --> 01:55:55,800
than music music is like probably going

2804
01:56:00,669 --> 01:55:58,500
to be a small part of our show

2805
01:56:04,310 --> 01:56:00,679
but in the famous

2806
01:56:07,669 --> 01:56:04,320
Britney Spears doing that famous video

2807
01:56:09,590 --> 01:56:07,679
where she's wearing a red outfit and

2808
01:56:12,410 --> 01:56:09,600
she's like on stage

2809
01:56:15,290 --> 01:56:12,420
and a lot of people a lot of people

2810
01:56:16,430 --> 01:56:15,300
remember her having a headset on

2811
01:56:18,290 --> 01:56:16,440
right

2812
01:56:21,310 --> 01:56:18,300
there's no headset on that now

2813
01:56:24,890 --> 01:56:21,320

and this guy Jacobian shows the evidence

2814

01:56:27,709 --> 01:56:24,900

that even in the video now where there

2815

01:56:29,390 --> 01:56:27,719

is no headset she pantomimes like

2816

01:56:30,050 --> 01:56:29,400

there's headset there like she's fixing

2817

01:56:34,850 --> 01:56:30,060

it

2818

01:56:37,850 --> 01:56:34,860

those weird things that's been on my

2819

01:56:39,050 --> 01:56:37,860

list for a while it's tantalizing when

2820

01:56:41,450 --> 01:56:39,060

we do the movie when you you're gonna

2821

01:56:43,030 --> 01:56:41,460

get a pre-screening oh look at that I'm

2822

01:56:45,590 --> 01:56:43,040

a female

2823

01:56:47,510 --> 01:56:45,600

we're gonna bring you in baby you're

2824

01:56:50,810 --> 01:56:47,520

gonna see it all and then we have here

2825

01:56:53,209 --> 01:56:50,820

your politics so your politics uh is

2826
01:56:54,830 --> 01:56:53,219
going to be one where we are going to

2827
01:56:57,470 --> 01:56:54,840
expose

2828
01:56:58,669 --> 01:56:57,480
the awful journalism done by my old

2829
01:57:01,189 --> 01:56:58,679
favorite

2830
01:57:03,410 --> 01:57:01,199
serious newspaper the New York Times you

2831
01:57:05,810 --> 01:57:03,420
know when I was a kid I read Newsday in

2832
01:57:07,850 --> 01:57:05,820
the morning I read the New York Post in

2833
01:57:10,310 --> 01:57:07,860
the afternoon and I read the New York

2834
01:57:12,530 --> 01:57:10,320
Times at night just to kind of get a

2835
01:57:15,290 --> 01:57:12,540
little bit of perspective the New York

2836
01:57:16,689 --> 01:57:15,300
Times has lost their way I don't care

2837
01:57:18,950 --> 01:57:16,699
what Donald Trump said or didn't say

2838
01:57:20,870 --> 01:57:18,960

that article

2839

01:57:24,229 --> 01:57:20,880

on that story

2840

01:57:29,589 --> 01:57:24,239

would not get an A D in journalism

2841

01:57:35,750 --> 01:57:32,290

they didn't check anything

2842

01:57:38,450 --> 01:57:35,760

it was click bait click bait click bait

2843

01:57:40,669 --> 01:57:38,460

and for those people to have launched

2844

01:57:42,589 --> 01:57:40,679

what I believe Joyce Brady comes from

2845

01:57:45,050 --> 01:57:42,599

connoisseur from Ohio said very clearly

2846

01:57:49,510 --> 01:57:45,060

it's a regulation

2847

01:57:53,510 --> 01:57:49,520

a plus stock scheme or better yet stock

2848

01:57:57,109 --> 01:57:53,520

uh taking advantage of loopholes in the

2849

01:57:59,089 --> 01:57:57,119

regulation a plus uh organization they

2850

01:58:02,089 --> 01:57:59,099

need to get that thing worked out the

2851
01:58:04,030 --> 01:58:02,099
way you organize a stock under the

2852
01:58:08,450 --> 01:58:04,040
regulation a plus way

2853
01:58:11,390 --> 01:58:08,460
allows for all kinds of BS she calls it

2854
01:58:14,330 --> 01:58:11,400
a personal favorite of all the scams

2855
01:58:18,709 --> 01:58:14,340
that are under the regulation a plus

2856
01:58:20,169 --> 01:58:18,719
stock category that's right tsa

2857
01:58:22,910 --> 01:58:20,179
scam

2858
01:58:25,490 --> 01:58:22,920
Elizondo apparently told someone it's

2859
01:58:27,649 --> 01:58:25,500
out there you can find it Elizondo told

2860
01:58:29,870 --> 01:58:27,659
someone apparently and I don't have the

2861
01:58:32,810 --> 01:58:29,880
facts I'm just saying what I'm hearing

2862
01:58:34,490 --> 01:58:32,820
he was wondering when

2863
01:58:37,430 --> 01:58:34,500

Tom may be running into legal problems

2864

01:58:39,729 --> 01:58:37,440

over the whole thing yeah yeah there's a

2865

01:58:41,689 --> 01:58:39,739

blog post out there by Jeremy McGowan

2866

01:58:43,370 --> 01:58:41,699

yeah we'll get into the whole story

2867

01:58:44,990 --> 01:58:43,380

we'll get into it that's what I got to

2868

01:58:47,050 --> 01:58:45,000

hear about though real quickly before

2869

01:58:49,850 --> 01:58:47,060

you go Einsteins

2870

01:58:52,850 --> 01:58:49,860

Einstein's secret trip to view crashed

2871

01:58:55,030 --> 01:58:52,860

UFO and aliens yes login interview tapes

2872

01:58:58,970 --> 01:58:55,040

the key would be the bottom part there

2873

01:59:00,950 --> 01:58:58,980

the Lost interview tapes

2874

01:59:02,810 --> 01:59:00,960

we have a woman

2875

01:59:05,990 --> 01:59:02,820

named Shirley Franklin

2876
01:59:07,669 --> 01:59:06,000
who many years ago interviewed a lady

2877
01:59:08,570 --> 01:59:07,679
okay I'm not going to say everything

2878
01:59:12,109 --> 01:59:08,580
about it because I want to give away

2879
01:59:13,790 --> 01:59:12,119
everything interviewed a lady on audio

2880
01:59:15,410 --> 01:59:13,800
who had been rumored in the UFO

2881
01:59:18,169 --> 01:59:15,420
Community for years

2882
01:59:19,850 --> 01:59:18,179
to have been Einstein's assistant at

2883
01:59:22,370 --> 01:59:19,860
Princeton University

2884
01:59:25,609 --> 01:59:22,380
when she was a apparently a very

2885
01:59:27,950 --> 01:59:25,619
attractive smart young student

2886
01:59:29,810 --> 01:59:27,960
she was considered to be one of the

2887
01:59:31,550 --> 01:59:29,820
brightest students in the country

2888
01:59:35,030 --> 01:59:31,560

as many people were brought to work with

2889

01:59:39,229 --> 01:59:35,040

Einstein in the summer of 1947 she says

2890

01:59:42,350 --> 01:59:39,239

she was taken with with Albert Einstein

2891

01:59:44,810 --> 01:59:42,360

to an area in New Mexico she's not sure

2892

01:59:46,609 --> 01:59:44,820

it was Roswell she believes here the

2893

01:59:49,370 --> 01:59:46,619

word Roswell mentioned

2894

01:59:52,729 --> 01:59:49,380

they were taken she says on audio in

2895

01:59:54,050 --> 01:59:52,739

great detail what occurred that audio is

2896

01:59:55,490 --> 01:59:54,060

going to be used

2897

01:59:56,629 --> 01:59:55,500

to use something called virtual

2898

01:59:58,609 --> 01:59:56,639

production

2899

02:00:01,129 --> 01:59:58,619

where we're going to recreate the story

2900

02:00:02,990 --> 02:00:01,139

that she tells in this movie awesome

2901
02:00:07,129 --> 02:00:03,000
it's a howling story

2902
02:00:10,370 --> 02:00:07,139
she is taken by military escort

2903
02:00:13,430 --> 02:00:10,380
to this hanger type thing

2904
02:00:14,510 --> 02:00:13,440
the craft is there she describes it in

2905
02:00:16,850 --> 02:00:14,520
great detail

2906
02:00:19,010 --> 02:00:16,860
she describes the beans

2907
02:00:22,250 --> 02:00:19,020
many more than one

2908
02:00:23,990 --> 02:00:22,260
apparently dead she describes some kind

2909
02:00:26,930 --> 02:00:24,000
of communication going on with

2910
02:00:29,270 --> 02:00:26,940
Scientists she describes what they look

2911
02:00:30,649 --> 02:00:29,280
like she describes what they where they

2912
02:00:32,750 --> 02:00:30,659
say they came from

2913
02:00:35,209 --> 02:00:32,760

she also finds out that there's a living

2914

02:00:38,270 --> 02:00:35,219

one 40 miles away

2915

02:00:40,729 --> 02:00:38,280

they drive 40 miles away they want that

2916

02:00:43,729 --> 02:00:40,739

Einstein to check out the living one the

2917

02:00:46,310 --> 02:00:43,739

living room for a while no we don't we

2918

02:00:48,609 --> 02:00:46,320

don't say the story is true I believe it

2919

02:00:51,890 --> 02:00:48,619

will be probably called be renamed

2920

02:00:54,050 --> 02:00:51,900

Einstein's Roswell whatever or we don't

2921

02:00:57,109 --> 02:00:54,060

know it's Roswell that's the key Point

2922

02:00:58,490 --> 02:00:57,119

here we don't know that so there's

2923

02:00:59,890 --> 02:00:58,500

somebody working with me that you guys

2924

02:01:02,450 --> 02:00:59,900

know very well

2925

02:01:04,790 --> 02:01:02,460

Manny is the guy behind who's Lou

2926

02:01:08,089 --> 02:01:04,800

remember him yeah and then a little bit

2927

02:01:10,310 --> 02:01:08,099

Yeah Manny I got together because

2928

02:01:12,830 --> 02:01:10,320

there's a journalist in uh in Washington

2929

02:01:14,810 --> 02:01:12,840

DC who felt that Manny and I would have

2930

02:01:18,649 --> 02:01:14,820

a lot to talk about regarding Lou

2931

02:01:20,089 --> 02:01:18,659

Alexander and all that crap so Manny is

2932

02:01:22,250 --> 02:01:20,099

working with me on some things now doing

2933

02:01:24,530 --> 02:01:22,260

a great job and Manny brought up a good

2934

02:01:26,990 --> 02:01:24,540

point Manny said you know Bob we don't

2935

02:01:28,490 --> 02:01:27,000

know it's Roswell we're not really sure

2936

02:01:30,410 --> 02:01:28,500

of that we don't know that and we don't

2937

02:01:32,930 --> 02:01:30,420

we don't know how that but we believe

2938

02:01:35,629 --> 02:01:32,940

based on what we're hearing that it

2939

02:01:37,550 --> 02:01:35,639

probably was Rob's well it probably was

2940

02:01:40,750 --> 02:01:37,560

that time if it was true and we're going

2941

02:01:45,530 --> 02:01:40,760

to analyze that audio like a forensic

2942

02:01:49,129 --> 02:01:45,540

FBI meets the CIA meets the NSA whatever

2943

02:01:51,169 --> 02:01:49,139

level of veracity we can get from the

2944

02:01:53,030 --> 02:01:51,179

audio of her voice

2945

02:01:54,589 --> 02:01:53,040

you know the Israelis came out with a

2946

02:01:56,290 --> 02:01:54,599

technique years ago called layered voice

2947

02:01:59,030 --> 02:01:56,300

analysis

2948

02:02:00,890 --> 02:01:59,040

I introduced it at fact or fake because

2949

02:02:03,229 --> 02:02:00,900

I'm pretty fairly friendly with the

2950

02:02:05,149 --> 02:02:03,239

people behind that in Israel and they've

2951

02:02:07,550 --> 02:02:05,159

agreed they've agreed to look at this

2952

02:02:09,050 --> 02:02:07,560

audio using the kind of thing that you

2953

02:02:11,689 --> 02:02:09,060

know Mossad would look at you know what

2954

02:02:13,669 --> 02:02:11,699

I mean so we would that's the Secret

2955

02:02:16,149 --> 02:02:13,679

Service you know of you know Israel you

2956

02:02:18,470 --> 02:02:16,159

know their CIA

2957

02:02:19,910 --> 02:02:18,480

it's not serious you're correct me right

2958

02:02:22,609 --> 02:02:19,920

not the Secret Service Secrets kind of

2959

02:02:25,010 --> 02:02:22,619

like investigation group so my view of

2960

02:02:26,810 --> 02:02:25,020

it is we want to look at that we want to

2961

02:02:28,370 --> 02:02:26,820

make sure we tell the public and using

2962

02:02:30,649 --> 02:02:28,380

this new virtual production techniques

2963

02:02:33,229 --> 02:02:30,659

you're going to see a level of detail of

2964

02:02:35,510 --> 02:02:33,239

of like realism that no one's ever seen

2965

02:02:37,970 --> 02:02:35,520

before we're going to treat her as a

2966

02:02:40,910 --> 02:02:37,980

star witness on audio that we're going

2967

02:02:43,129 --> 02:02:40,920

to create exactly what she says right

2968

02:02:45,950 --> 02:02:43,139

down to the look of the creatures the

2969

02:02:48,350 --> 02:02:45,960

look of the uh the UFO where she said it

2970

02:02:54,129 --> 02:02:48,360

was this is my favorite of these new

2971

02:02:58,370 --> 02:02:56,930

we're going to do all the proper vetting

2972

02:03:00,709 --> 02:02:58,380

and tell what's true about this whole

2973

02:03:03,709 --> 02:03:00,719

nonsense but we're also going to tell

2974

02:03:07,070 --> 02:03:03,719

what we believe representative Gallagher

2975

02:03:09,770 --> 02:03:07,080

who's from I believe Wisconsin

2976

02:03:11,510 --> 02:03:09,780

he's a republican congressman and at

2977

02:03:14,089 --> 02:03:11,520

that UFO hearing they had I'm not going

2978

02:03:16,370 --> 02:03:14,099

to say UAB and that UFO Hearing in may

2979

02:03:18,229 --> 02:03:16,380

he brought up the most important part of

2980

02:03:21,649 --> 02:03:18,239

this whole flap that's happened

2981

02:03:24,350 --> 02:03:21,659

that UFOs have been mostly seen in the

2982

02:03:27,950 --> 02:03:24,360

government's concern around nuclear

2983

02:03:31,010 --> 02:03:27,960

weapons nuclear missile tests yeah

2984

02:03:33,169 --> 02:03:31,020

that's not a coincidence even these two

2985

02:03:34,390 --> 02:03:33,179

videos that were released by The New

2986

02:03:37,669 --> 02:03:34,400

York Times

2987

02:03:41,330 --> 02:03:37,679

allegedly were shot during nuclear

2988

02:03:42,589 --> 02:03:41,340

carrier exercises that's the hook that's

2989

02:03:45,109 --> 02:03:42,599

we want to start telling people about

2990

02:03:47,330 --> 02:03:45,119

and even in my alien autopsy show the

2991

02:03:49,250 --> 02:03:47,340

very first Graphics you see

2992

02:03:51,290 --> 02:03:49,260

in the opening of the show it happens

2993

02:03:54,410 --> 02:03:51,300

real quick you see what my graphics

2994

02:03:56,330 --> 02:03:54,420

people did they show the bomb dropping

2995

02:04:00,229 --> 02:03:56,340

on Hiroshima

2996

02:04:01,370 --> 02:04:00,239

the the uh the uh UFOs flying in or UFO

2997

02:04:03,350 --> 02:04:01,380

flying in

2998

02:04:05,149 --> 02:04:03,360

people are getting to know me tonight I

2999

02:04:08,270 --> 02:04:05,159

believe the biggest connection there is

3000

02:04:11,870 --> 02:04:08,280

and why I stay focused on UFOs

3001

02:04:14,209 --> 02:04:11,880

is if you follow what occurred in 1945

3002

02:04:16,430 --> 02:04:14,219

and 1947

3003

02:04:19,189 --> 02:04:16,440

a fiction writer couldn't make this up

3004

02:04:21,770 --> 02:04:19,199

if they tried Steve you are the nuclear

3005

02:04:25,430 --> 02:04:21,780

you have a nuclear you have a nuclear a

3006

02:04:27,410 --> 02:04:25,440

nuclear air Wing the 509th bomb Wing the

3007

02:04:29,950 --> 02:04:27,420

only one in the world the least only one

3008

02:04:33,609 --> 02:04:29,960

in the world based in Roswell

3009

02:04:37,310 --> 02:04:33,619

practicing to drop nuclear bombs

3010

02:04:39,250 --> 02:04:37,320

eventually you launch your nuclear

3011

02:04:43,129 --> 02:04:39,260

attack

3012

02:04:44,570 --> 02:04:43,139

bomb Wing based in Roswell you dropped

3013

02:04:46,010 --> 02:04:44,580

the bomb they killed a hundred thousand

3014

02:04:48,169 --> 02:04:46,020

human beings

3015

02:04:50,689 --> 02:04:48,179

aliens

3016

02:04:52,010 --> 02:04:50,699

could have been very concerned that we

3017

02:04:55,310 --> 02:04:52,020

have Rockets

3018

02:04:57,350 --> 02:04:55,320

and we have nuclear weapons yeah Freeman

3019

02:04:59,689 --> 02:04:57,360

used to say that kids failed the matches

3020

02:05:02,390 --> 02:04:59,699

so where would the but where would the

3021

02:05:06,169 --> 02:05:02,400

first UFO crash occur

3022

02:05:08,450 --> 02:05:06,179

allegedly right there where we launched

3023

02:05:10,310 --> 02:05:08,460

our first Air Attack

3024

02:05:12,589 --> 02:05:10,320

killing human beings

3025

02:05:14,930 --> 02:05:12,599

so I used to have on my loose leaf in

3026

02:05:16,550 --> 02:05:14,940

grade school he's gonna date me now

3027

02:05:17,870 --> 02:05:16,560

I used to have this on my grade school

3028

02:05:19,910 --> 02:05:17,880

because I've always been a writer you

3029

02:05:21,830 --> 02:05:19,920

know my grade screwed Loosely you know

3030

02:05:25,189 --> 02:05:21,840

the old loose Leafs you know I write

3031

02:05:27,050 --> 02:05:25,199

this down all the time mankind has the

3032

02:05:29,930 --> 02:05:27,060

power of the Sun

3033

02:05:32,629 --> 02:05:29,940

but do we have the spiritual and

3034

02:05:35,149 --> 02:05:32,639

intellectual ability to control it

3035

02:05:38,149 --> 02:05:35,159

I believe that when I was 17 years old I

3036

02:05:39,649 --> 02:05:38,159

believe it now we don't we don't have

3037

02:05:42,109 --> 02:05:39,659

that and by the way one thing George

3038

02:05:43,550 --> 02:05:42,119

Knapp and I bonded on years ago which

3039

02:05:45,649 --> 02:05:43,560

believe it or not I think I'll even get

3040

02:05:47,450 --> 02:05:45,659

George to come on the show and talk a

3041

02:05:49,089 --> 02:05:47,460

little bit about you politics and what

3042

02:05:52,850 --> 02:05:49,099

happened here

3043

02:05:54,350 --> 02:05:52,860

so George would admit Bob you and I we

3044

02:05:58,970 --> 02:05:54,360

cut our teeth together

3045

02:06:01,490 --> 02:05:58,980

on the nuclear issue and the Russians

3046

02:06:04,910 --> 02:06:01,500

and us

3047

02:06:08,750 --> 02:06:04,920

have talked about it you know Gorbachev

3048

02:06:10,430 --> 02:06:08,760

and Reagan had a hell of a relationship

3049

02:06:12,290 --> 02:06:10,440

one of the things I always wanted to do

3050

02:06:15,229 --> 02:06:12,300

is I wanted to interview Gorbachev about

3051

02:06:17,270 --> 02:06:15,239

his release break and push

3052

02:06:19,609 --> 02:06:17,280

there's one thing I want viewers to know

3053

02:06:21,770 --> 02:06:19,619

about and I can't show it today

3054

02:06:24,350 --> 02:06:21,780

but a researcher said this to me years

3055

02:06:26,689 --> 02:06:24,360

ago and Steve because you are like a

3056

02:06:29,510 --> 02:06:26,699

kindred spirit I'll tell you the story

3057

02:06:30,470 --> 02:06:29,520

off camera one day and then if you want

3058

02:06:31,250 --> 02:06:30,480

me to come out I'll tell you the full

3059

02:06:33,770 --> 02:06:31,260

story

3060

02:06:36,109 --> 02:06:33,780

sure I got this i got this from a top

3061

02:06:37,430 --> 02:06:36,119

researcher from the East Coast I'm

3062

02:06:40,070 --> 02:06:37,440

living in LA

3063

02:06:42,229 --> 02:06:40,080

it's like 1992

3064

02:06:45,950 --> 02:06:42,239

and the Helsinki Accords are going on

3065

02:06:48,229 --> 02:06:45,960

between Bush and Gorbachev so bush is

3066

02:06:49,669 --> 02:06:48,239

now replaced Reagan he's at the end of

3067

02:06:51,470 --> 02:06:49,679

his presidency

3068

02:06:52,609 --> 02:06:51,480

he's not going to get reelected if it

3069

02:06:54,070 --> 02:06:52,619

happens that turns out he doesn't get

3070

02:06:57,050 --> 02:06:54,080

reelected

3071

02:06:59,410 --> 02:06:57,060

Helsinki he's being asked questions by

3072

02:07:02,330 --> 02:06:59,420

the Press so Gorbachev is on one side

3073

02:07:04,490 --> 02:07:02,340

bush is on the other stage and the

3074

02:07:06,530 --> 02:07:04,500

person goes Mr Gorbachev Mr President

3075

02:07:09,470 --> 02:07:06,540

can you tell us what this great feeling

3076

02:07:11,870 --> 02:07:09,480

of Goodwill is between you and the

3077

02:07:14,390 --> 02:07:11,880

United States president

3078

02:07:18,530 --> 02:07:14,400

and he starts to speak and he goes

3079

02:07:20,990 --> 02:07:18,540

well the president and I have a big

3080

02:07:22,370 --> 02:07:21,000

secret as he starts to say the word

3081

02:07:24,290 --> 02:07:22,380

Secret

3082

02:07:29,209 --> 02:07:24,300

I swear I'm going to imitate you but he

3083

02:07:32,570 --> 02:07:29,219

did he pulls back Bush grabs his chair

3084

02:07:35,089 --> 02:07:32,580

turns the chair around and stares down

3085

02:07:38,990 --> 02:07:35,099

Gorbachev like you've never seen

3086

02:07:41,270 --> 02:07:39,000

Now CNN had more than one camera

3087

02:07:43,609 --> 02:07:41,280

and I'm going to be pestering CNN like

3088

02:07:45,830 --> 02:07:43,619

you've never seen for the Helsinki

3089

02:07:49,430 --> 02:07:45,840

Accord tapes

3090

02:07:52,129 --> 02:07:49,440

92 now we're talking so Helsinki happens

3091

02:07:53,330 --> 02:07:52,139

and Gorbachev shuts up like in

3092

02:07:55,010 --> 02:07:53,340

mid-sentence

3093

02:07:56,390 --> 02:07:55,020

it's like you're with your uncle and

3094

02:07:58,870 --> 02:07:56,400

your uncle doesn't want you to tell your

3095

02:08:02,149 --> 02:07:58,880

mom something or Your Wife

3096

02:08:04,609 --> 02:08:02,159

puts his chair up and he stares you down

3097

02:08:05,390 --> 02:08:04,619

don't you average mention what I told

3098

02:08:08,450 --> 02:08:05,400

you

3099

02:08:10,930 --> 02:08:08,460

now look the person that sent me that is

3100

02:08:14,209 --> 02:08:10,940

a prominent prominent paranormal

3101

02:08:17,510 --> 02:08:14,219

researcher type guy but I will say this

3102

02:08:20,209 --> 02:08:17,520

before this paranormal word ever came in

3103

02:08:22,609 --> 02:08:20,219

he was a good science journalist

3104

02:08:24,350 --> 02:08:22,619

over the years I think he just kind of

3105

02:08:27,109 --> 02:08:24,360

drank the Kool-Aid a little bit too much

3106

02:08:29,089 --> 02:08:27,119

in certain things but I think that's a

3107

02:08:31,189 --> 02:08:29,099

common occurrence I still yeah I still

3108

02:08:33,410 --> 02:08:31,199

think he's one of the top top

3109

02:08:35,270 --> 02:08:33,420

researchers

3110

02:08:38,089 --> 02:08:35,280

back in the day

3111

02:08:38,870 --> 02:08:38,099

when he told me this I didn't believe

3112

02:08:40,850 --> 02:08:38,880

him

3113

02:08:43,310 --> 02:08:40,860

when I watch the tape

3114

02:08:44,570 --> 02:08:43,320

I couldn't stop looking at it now

3115

02:08:46,490 --> 02:08:44,580

unfortunately

3116

02:08:48,589 --> 02:08:46,500

moved around a lot over the years I

3117

02:08:50,149 --> 02:08:48,599

don't have a copy of the tape it was a

3118

02:08:52,070 --> 02:08:50,159

VHS

3119

02:08:53,950 --> 02:08:52,080

I'll tell you right now

3120

02:08:56,570 --> 02:08:53,960

everyone in the world should see that

3121

02:08:58,070 --> 02:08:56,580

now Bob how do you know it was about

3122

02:09:00,770 --> 02:08:58,080

UFOs

3123

02:09:02,930 --> 02:09:00,780

Reagan's letter to me

3124

02:09:05,750 --> 02:09:02,940

somewhere around the same time

3125

02:09:07,729 --> 02:09:05,760

a little bit early maybe a year earlier

3126

02:09:10,010 --> 02:09:07,739

Gorbachev and Reagan brought the world

3127

02:09:12,649 --> 02:09:10,020

to a level of peace that we've never

3128

02:09:14,450 --> 02:09:12,659

seen I remember that I don't know look

3129

02:09:16,550 --> 02:09:14,460

where we are now we got this little guy

3130

02:09:18,709 --> 02:09:16,560

sitting there independent in in a Putin

3131

02:09:19,850 --> 02:09:18,719

sitting there in the Kremlin threatening

3132

02:09:24,550 --> 02:09:19,860

nuclear war

3133

02:09:27,890 --> 02:09:24,560

well

3134

02:09:29,570 --> 02:09:27,900

Gorbachev and Reagan bonding Gorbachev

3135

02:09:32,089 --> 02:09:29,580

has been on the record Gorbachev told

3136

02:09:34,370 --> 02:09:32,099

everybody they talked about UFOs a lot

3137

02:09:37,850 --> 02:09:34,380

break it in you can look it up

3138

02:09:39,830 --> 02:09:37,860

so my feeling is Reagan believed

3139

02:09:42,169 --> 02:09:39,840

he is so real UFOs

3140

02:09:44,450 --> 02:09:42,179

there's a book Lucy Lucy book Lucille

3141

02:09:48,290 --> 02:09:44,460

Ball wrote and in that book Lucille Ball

3142

02:09:51,050 --> 02:09:48,300

writes Reagan came with Nancy to one of

3143

02:09:54,050 --> 02:09:51,060

the parties in Hollywood yeah they told

3144

02:09:54,770 --> 02:09:54,060

the story there so Ashley faced freaked

3145

02:09:57,530 --> 02:09:54,780

out

3146

02:09:59,209 --> 02:09:57,540

sorry UFO I Believe by Topanga Canyon in

3147

02:10:00,649 --> 02:09:59,219

LA area where I know very well still

3148

02:10:01,550 --> 02:10:00,659

live near there

3149

02:10:04,010 --> 02:10:01,560

um

3150

02:10:06,109 --> 02:10:04,020

you can make this stuff up Steve what

3151

02:10:09,410 --> 02:10:06,119

I'm telling you right now is evidentiary

3152

02:10:11,629 --> 02:10:09,420

now you might say Reagan saw something

3153

02:10:13,609 --> 02:10:11,639

when he was not even Governor yet then

3154

02:10:15,229 --> 02:10:13,619

saw something when he was governor

3155

02:10:17,930 --> 02:10:15,239

then believed it when he was doing the

3156

02:10:19,729 --> 02:10:17,940

Star Wars defense systems maybe the Star

3157

02:10:22,430 --> 02:10:19,739

Wars defense system initiative was based

3158

02:10:24,709 --> 02:10:22,440

on UFO fear how about those speeches he

3159

02:10:28,910 --> 02:10:24,719

made I often wondered if we were ever

3160

02:10:33,169 --> 02:10:28,920

visited or I often wondered that sent 25

3161

02:10:35,750 --> 02:10:33,179

UFO documentaries you win he did it I

3162

02:10:36,950 --> 02:10:35,760

believe it falls him he did a three

3163

02:10:38,570 --> 02:10:36,960

different places I did a story about

3164

02:10:41,510 --> 02:10:38,580

this years ago in New York

3165

02:10:44,149 --> 02:10:41,520

he did it in three different places his

3166

02:10:47,209 --> 02:10:44,159

scriptwriters were writing it in

3167

02:10:50,330 --> 02:10:47,219

making the connection that if UFOs are

3168

02:10:54,370 --> 02:10:50,340

real and they ever challenge you America

3169

02:10:56,990 --> 02:10:54,380

or the world we would bond together

3170

02:10:59,149 --> 02:10:57,000

I think that he was right we would you

3171

02:11:02,149 --> 02:10:59,159

know our little petty differences would

3172

02:11:05,270 --> 02:11:02,159

go away if it was human versus alien

3173

02:11:09,050 --> 02:11:05,280

Reagan to me one thing about Ronald

3174

02:11:12,109 --> 02:11:09,060

Reagan uh is to me there was an

3175

02:11:14,330 --> 02:11:12,119

authenticity there on some things and

3176

02:11:16,370 --> 02:11:14,340

this is one of them when it came to UFOs

3177

02:11:18,649 --> 02:11:16,380

I have the letter I'll share it with you

3178

02:11:20,270 --> 02:11:18,659

it's not that I want to make that Ronald

3179

02:11:21,950 --> 02:11:20,280

Reagan inspired me

3180

02:11:23,570 --> 02:11:21,960

but I was sitting in my offices with a

3181

02:11:25,070 --> 02:11:23,580

relative of heirs now can be told for

3182

02:11:27,050 --> 02:11:25,080

Tribune entertainment we're doing a

3183

02:11:28,729 --> 02:11:27,060

one-year news magazine

3184

02:11:30,589 --> 02:11:28,739

I'm I was staring at that letter for

3185

02:11:32,450 --> 02:11:30,599

like two days one of the guys used to

3186

02:11:34,370 --> 02:11:32,460

work at 2020 an old friend of mine he's

3187

02:11:35,750 --> 02:11:34,380

a friend of mine he couldn't believe it

3188

02:11:37,970 --> 02:11:35,760

when they came in on the facts he's like

3189

02:11:40,390 --> 02:11:37,980

Bob I don't believe that this guy Mark

3190

02:11:43,310 --> 02:11:40,400

yeah okay so let him from Ronald Reagan

3191

02:11:46,990 --> 02:11:43,320

brought you back it's like

3192

02:11:50,629 --> 02:11:47,000

I said Mark I'm on to something here

3193

02:11:52,490 --> 02:11:50,639

well Gorbachev and Reagan two guys we

3194

02:11:54,649 --> 02:11:52,500

lost too bad we don't have those two to

3195

02:11:56,510 --> 02:11:54,659

talk to and we're going back in time now

3196

02:11:58,970 --> 02:11:56,520

Steve so you know what great to have you

3197

02:12:01,070 --> 02:11:58,980

with me so my bottom line for you is I

3198

02:12:03,169 --> 02:12:01,080

would love you to be part

3199

02:12:05,629 --> 02:12:03,179

definitely when we go you follow things

3200

02:12:08,270 --> 02:12:05,639

and anything you need you contact me I'd

3201

02:12:10,910 --> 02:12:08,280

be happy I'm I'm uh you know very

3202

02:12:13,189 --> 02:12:10,920

friendly with Manny and a big fan of

3203

02:12:15,410 --> 02:12:13,199

your previous work as well so I would

3204

02:12:16,790 --> 02:12:15,420

love to be in on that and that's the

3205

02:12:18,709 --> 02:12:16,800

thing about yeah the thing about the

3206

02:12:19,609 --> 02:12:18,719

investment is this look it's not for

3207

02:12:21,410 --> 02:12:19,619

everybody

3208

02:12:24,350 --> 02:12:21,420

if people have an interest in getting

3209

02:12:26,570 --> 02:12:24,360

involved in in being part of investing

3210

02:12:27,830 --> 02:12:26,580

investing in TV and film shows because

3211

02:12:30,589 --> 02:12:27,840

what will happen it'll be kind of

3212

02:12:31,850 --> 02:12:30,599

reverse we'll release this as a movie

3213

02:12:33,589 --> 02:12:31,860

and it'll probably be picked up by one

3214

02:12:35,510 --> 02:12:33,599

of the TV stations an hour later you

3215

02:12:36,830 --> 02:12:35,520

know one of the channels so I used to do

3216

02:12:39,530 --> 02:12:36,840

it where it goes the other way where I

3217

02:12:41,450 --> 02:12:39,540

aired on television and then I go to VHS

3218

02:12:42,890 --> 02:12:41,460

yeah yeah so now it's going to be a

3219

02:12:45,290 --> 02:12:42,900

little different road but I want people

3220

02:12:47,149 --> 02:12:45,300

to come along with us and I will be

3221

02:12:49,910 --> 02:12:47,159

announcing a little more about the

3222

02:12:51,050 --> 02:12:49,920

marketing method and it does have an

3223

02:12:53,569 --> 02:12:51,060

interesting

3224

02:12:54,890 --> 02:12:53,579

um provenance and now you hear about the

3225

02:12:57,830 --> 02:12:54,900

development of this other marketing

3226

02:13:00,589 --> 02:12:57,840

method you're gonna go I see you're

3227

02:13:04,490 --> 02:13:00,599

using what others have tested

3228

02:13:06,109 --> 02:13:04,500

with we'll call it other type of content

3229

02:13:08,750 --> 02:13:06,119

and now you're coming in with your

3230

02:13:11,689 --> 02:13:08,760

content maximizing that

3231

02:13:13,069 --> 02:13:11,699

nothing you know sounds good and uh I

3232

02:13:15,589 --> 02:13:13,079

hope you won't be a stranger and come

3233

02:13:17,149 --> 02:13:15,599

back and talk about some other uh some

3234

02:13:19,430 --> 02:13:17,159

other topics especially when you get

3235

02:13:22,209 --> 02:13:19,440

some of these projects loaded locked and

3236

02:13:24,350 --> 02:13:22,219

loaded and trailers

3237

02:13:26,149 --> 02:13:24,360

Mandela effect has already been picked

3238

02:13:27,830 --> 02:13:26,159

up by a distributor the one we're

3239

02:13:29,810 --> 02:13:27,840

talking congratulations yeah it'll be

3240

02:13:32,390 --> 02:13:29,820

it'll be announced in the media probably

3241

02:13:34,250 --> 02:13:32,400

within a week or two the second you hear

3242

02:13:36,109 --> 02:13:34,260

about it if anybody contacts you please

3243

02:13:37,790 --> 02:13:36,119

let me know we would love them to be

3244

02:13:38,990 --> 02:13:37,800

part of it any way they want to be if

3245

02:13:40,370 --> 02:13:39,000

they want to just kind of go along for

3246

02:13:42,770 --> 02:13:40,380

the ride and see how we put together the

3247

02:13:46,390 --> 02:13:42,780

Mandela effect issues what's causing it

3248

02:13:48,649 --> 02:13:46,400

is it CERN is it some sort of weird

3249

02:13:50,270 --> 02:13:48,659

inter-dimensional issue that occurred is

3250

02:13:53,209 --> 02:13:50,280

it just something well this is in The

3251

02:13:54,770 --> 02:13:53,219

Matrix that's for sure is it like Elon

3252

02:13:56,089 --> 02:13:54,780

Musk has indicated is it some sort of

3253

02:13:58,129 --> 02:13:56,099

proof that we're living in some sort of

3254

02:14:01,010 --> 02:13:58,139

like simulation and someone's editing

3255

02:14:02,930 --> 02:14:01,020

Society editing Reality by the way one

3256

02:14:04,609 --> 02:14:02,940

last thing for that whole show you know

3257

02:14:07,729 --> 02:14:04,619

there are people that have said this

3258

02:14:10,550 --> 02:14:07,739

doesn't have any proof wait to see the

3259

02:14:12,729 --> 02:14:10,560

amount of proof we show it's gonna blow

3260

02:14:15,709 --> 02:14:12,739

people's minds

3261

02:14:17,390 --> 02:14:15,719

well I'm looking forward to seeing it so

3262

02:14:19,010 --> 02:14:17,400

we're we're over time I want to thank

3263

02:14:20,629 --> 02:14:19,020

you for doing this and don't be a

3264

02:14:22,970 --> 02:14:20,639

stranger I'm gonna throw you out of here

3265

02:14:24,770 --> 02:14:22,980

and uh let's say goodbye to the audience

3266

02:14:27,709 --> 02:14:24,780

if you want to stand by I'll be right

3267

02:14:29,450 --> 02:14:27,719

back to you okay

3268

02:14:32,450 --> 02:14:29,460

all right friends what an amazing

3269

02:14:36,169 --> 02:14:32,460

interview and uh you can follow of

3270

02:14:37,970 --> 02:14:36,179

course Bob on Twitter and I will put his

3271

02:14:42,490 --> 02:14:37,980

Twitter in the description of the video

3272

02:14:45,470 --> 02:14:42,500

but it's at uh kiviati films

3273

02:14:47,750 --> 02:14:45,480

k-i-v-i-a-t films on Twitter I will add

3274

02:14:49,790 --> 02:14:47,760

it to the description of the video we're

3275

02:14:53,990 --> 02:14:49,800

overtime friends and I have some editing

3276

02:14:55,550 --> 02:14:54,000

to do tonight so uh we will I I did uh

3277

02:14:57,950 --> 02:14:55,560

thank everybody for the super chats

3278

02:14:59,209 --> 02:14:57,960

we'll read them all on uh the very next

3279

02:15:02,390 --> 02:14:59,219

show we do

3280

02:15:04,370 --> 02:15:02,400

uh boy what an amazing connection to my

3281

02:15:06,050 --> 02:15:04,380

childhood this has been really fun for

3282

02:15:08,089 --> 02:15:06,060

me and I hope it was for you as well

3283

02:15:10,550 --> 02:15:08,099

friends until next time my name is

3284

02:15:14,350 --> 02:15:10,560

Stephen cambian good night and God bless

3285

02:15:38,530 --> 02:15:34,740

[Music]

3286

02:15:44,330 --> 02:15:40,910

thank you

3287

02:16:34,549 --> 02:16:33,310

[Music]

3288

02:16:38,270 --> 02:16:34,559

[Applause]

3289

02:16:38,280 --> 02:17:00,469

[Music]

3290

02:17:00,479 --> 02:17:15,910

foreign

3291

02:17:15,920 --> 02:17:19,879

thank you

3292

02:17:48,169 --> 02:17:38,650

[Music]

3293

02:17:51,169 --> 02:17:49,910

next question Jeff where are you right

3294

02:17:54,349 --> 02:17:51,179

there yeah

3295

02:17:55,669 --> 02:17:54,359

um I just want to thank each and every

3296

02:17:59,830 --> 02:17:55,679

one of y'all

3297

02:18:07,730 --> 02:18:04,310

it's still real to me damn it I mean

3298

02:18:11,209 --> 02:18:07,740

thank you man thank you all guys

3299

02:18:14,330 --> 02:18:11,219

you're awesome thank you so much Mr for

3300

02:18:18,950 --> 02:18:14,340

saying what needed to be said I don't

3301

02:18:24,410 --> 02:18:21,889

now God damn it Bobby I don't care what

3302

02:18:27,049 --> 02:18:24,420

Chris Mellon said on Fox News you're not

3303

02:18:29,750 --> 02:18:27,059

giving money to that Blink 182 fella

3304

02:18:32,270 --> 02:18:29,760

what day they promised to build a

3305

02:18:34,790 --> 02:18:32,280

spaceship no one's building a spaceship

3306

02:18:44,570 --> 02:18:34,800

Bobby but the Daily Mail reported that

3307

02:18:44,580 --> 02:18:50,150

hahaha

3308

02:18:50,160 --> 02:19:04,610

101

3309

02:19:13,429 --> 02:19:11,270

[Music]

3310

02:19:15,410 --> 02:19:13,439

hello I'm Tom DeLong and thanks for

3311

02:19:17,209 --> 02:19:15,420

joining us live today uh this quote

3312

02:19:18,530 --> 02:19:17,219

above me actually happened to me this

3313

02:19:21,349 --> 02:19:18,540

past year
