[Music]

2
00:01:12,289 --> 00:01:04,950
thank you

3
00:01:32,530 --> 00:01:13,140
foreign

4
00:01:32,540 --> 00:01:42,230
[Music]

5
00:01:42,240 --> 00:02:08,229
foreign

6
00:02:13,790 --> 00:02:10,910
s and salutations friends and welcome

7
00:02:17,690 --> 00:02:13,800
back uh tonight we are going to be

8
00:02:19,010 --> 00:02:17,700
venturing down a strange Rabbit Hole

9
00:02:22,610 --> 00:02:19,020
indeed

10
00:02:27,770 --> 00:02:22,620
and that would be something called the

11
00:02:30,890 --> 00:02:27,780
Mandela effect uh recently we had as a

12
00:02:34,070 --> 00:02:30,900
guest here on our show legendary film

13
00:02:37,850 --> 00:02:34,080

and television show producer Bob kiviati

14

00:02:42,589 --> 00:02:37,860

uh and he is perhaps most known for his

15

00:02:45,770 --> 00:02:42,599

work on the Fox television alien autopsy

16

00:02:47,330 --> 00:02:45,780

and also on the Unsolved Mysteries

17

00:02:50,869 --> 00:02:47,340

television show

18

00:02:53,030 --> 00:02:50,879

so when he was a guest recently he got

19

00:02:55,970 --> 00:02:53,040

me interested in this thing called the

20

00:02:59,690 --> 00:02:55,980

Mandela effect now to be clear I had

21

00:03:02,750 --> 00:02:59,700

seen about it uh seen it uh seen some

22

00:03:05,750 --> 00:03:02,760

videos on it in the past heard about it

23

00:03:08,809 --> 00:03:05,760

didn't really interested me that much

24

00:03:13,809 --> 00:03:08,819

but Bob was so excited about this thing

25

00:03:16,729 --> 00:03:13,819

and also he's producing a film on this

26

00:03:18,550 --> 00:03:16,739

Mandela effect it's one of his new major

27

00:03:20,149 --> 00:03:18,560

projects

28

00:03:20,809 --> 00:03:20,159

so

29

00:03:23,509 --> 00:03:20,819

um

30

00:03:26,770 --> 00:03:23,519

that is what got me started down this

31

00:03:29,750 --> 00:03:26,780

rabbit hole and again I had seen

32

00:03:32,390 --> 00:03:29,760

examples of this in the past but hadn't

33

00:03:36,229 --> 00:03:32,400

been interested enough really to dive so

34

00:03:39,770 --> 00:03:36,239

deep down into what is a crazy crazy

35

00:03:43,009 --> 00:03:39,780

Rabbit Hole there are thousands

36

00:03:46,670 --> 00:03:43,019

tens of thousands maybe of websites

37

00:03:48,170 --> 00:03:46,680

blogs videos you can watch with examples

38

00:03:52,309 --> 00:03:48,180

and more

39

00:03:54,649 --> 00:03:52,319

and this is one of those things like I I

40

00:03:57,589 --> 00:03:54,659

love these rabbit holes like let's see

41

00:04:00,289 --> 00:03:57,599

how far you know the rabbit hole goes

42

00:04:05,210 --> 00:04:00,299

and for the past I don't know several

43

00:04:06,170 --> 00:04:05,220

weeks now uh or month since uh Bob was

44

00:04:11,210 --> 00:04:06,180

here

45

00:04:14,350 --> 00:04:11,220

being so s he was so intensely

46

00:04:17,990 --> 00:04:14,360

interested in this thing that I said

47

00:04:19,550 --> 00:04:18,000

there's got to be more to it than the

48

00:04:22,670 --> 00:04:19,560

surface level

49

00:04:26,530 --> 00:04:22,680

so I've been doing research on this uh

50

00:04:29,230 --> 00:04:26,540

independently of Bob uh you know and

51
00:04:32,510 --> 00:04:29,240
here's what I can tell you

52
00:04:36,230 --> 00:04:32,520
what is called the Mandela effect began

53
00:04:38,330 --> 00:04:36,240
in 2009 when a researcher and someone

54
00:04:39,830 --> 00:04:38,340
who calls themselves a paranormal

55
00:04:42,350 --> 00:04:39,840
consultant

56
00:04:44,930 --> 00:04:42,360
uh her name is Fiona Broome

57
00:04:47,689 --> 00:04:44,940
she published a Blog where she claimed

58
00:04:50,469 --> 00:04:47,699
to remember very specific details of

59
00:04:53,990 --> 00:04:50,479
Nelson Mandela dying in

60
00:04:57,230 --> 00:04:54,000
1980 and she even remembered details

61
00:05:01,430 --> 00:04:57,240
like specific news coverage his funeral

62
00:05:06,770 --> 00:05:01,440
on television and even his wife at the

63
00:05:13,370 --> 00:05:09,590

turn because after publishing this blog

64

00:05:16,129 --> 00:05:13,380

she was shocked to discover that many

65

00:05:20,870 --> 00:05:16,139

many people besides her remembered

66

00:05:24,770 --> 00:05:20,880

Nelson Mandela dying in the early 1980s

67

00:05:26,810 --> 00:05:24,780

and we know that that is not the case at

68

00:05:29,930 --> 00:05:26,820

least history teaches us that he lived

69

00:05:33,050 --> 00:05:29,940

to a ripe old age and died many many

70

00:05:36,770 --> 00:05:33,060

years later decades later in fact

71

00:05:38,870 --> 00:05:36,780

so how could this be is this as some

72

00:05:42,770 --> 00:05:38,880

people theorize some kind of glitch in

73

00:05:45,590 --> 00:05:42,780

The Matrix and if this is uh and if that

74

00:05:48,170 --> 00:05:45,600

is a glitch in The Matrix is that

75

00:05:48,969 --> 00:05:48,180

because we truly are living in some sort

76

00:05:50,629 --> 00:05:48,979

of

77

00:05:54,290 --> 00:05:50,639

simulation

78

00:05:57,110 --> 00:05:54,300

others have hypothesized that this

79

00:06:00,290 --> 00:05:57,120

strange phenomenon is due to Time

80

00:06:02,990 --> 00:06:00,300

Travelers who are generating actively

81

00:06:05,450 --> 00:06:03,000

traveling through our timelines and

82

00:06:09,230 --> 00:06:05,460

generating changes in our timeline

83

00:06:12,230 --> 00:06:09,240

somehow some sort of a paradox due to

84

00:06:14,629 --> 00:06:12,240

their traveling through time

85

00:06:18,230 --> 00:06:14,639

others have suggested that this has

86

00:06:19,689 --> 00:06:18,240

something to do with parallel universes

87

00:06:24,249 --> 00:06:19,699

some have

88

00:06:27,590 --> 00:06:24,259

theorized including very educated

89

00:06:30,290 --> 00:06:27,600

theoretical physicists I heard

90

00:06:33,170 --> 00:06:30,300

has a hypothesis that this phenomenon is

91

00:06:37,610 --> 00:06:33,180

somehow related to parallel universes or

92

00:06:41,629 --> 00:06:37,620

quantum mechanics quantum physics

93

00:06:43,490 --> 00:06:41,639

so what is this effect and uh is it a

94

00:06:47,150 --> 00:06:43,500

glitch in The Matrix or something that

95

00:06:50,390 --> 00:06:47,160

rewrites the very rules of our memories

96

00:06:54,170 --> 00:06:50,400

and our reality

97

00:06:56,510 --> 00:06:54,180

uh before I got too excited however

98

00:07:00,110 --> 00:06:56,520

and remember the original explanation

99

00:07:04,430 --> 00:07:00,120

for how this phenomenon all got so much

100

00:07:05,930 --> 00:07:04,440

attention is uh was in 2009 and it's

101

00:07:09,650 --> 00:07:05,940

centered around

102

00:07:12,290 --> 00:07:09,660

the memory of the death of Nelson

103

00:07:14,590 --> 00:07:12,300

Mandela which most would say that's a

104

00:07:16,850 --> 00:07:14,600

false memory he did not die in the early

105

00:07:19,909 --> 00:07:16,860

1980s in prison

106

00:07:23,330 --> 00:07:19,919

so in early possible explanation I found

107

00:07:26,210 --> 00:07:23,340

for what may be occurring here and what

108

00:07:27,610 --> 00:07:26,220

even started this entire event

109

00:07:31,249 --> 00:07:27,620

is

110

00:07:35,029 --> 00:07:31,259

something that I would just consider

111

00:07:38,089 --> 00:07:35,039

jumbled memories because besides Nelson

112

00:07:40,909 --> 00:07:38,099

Mandela being in prison at the time for

113

00:07:43,129 --> 00:07:40,919

his anti-apartheid demonstrations and

114

00:07:46,089 --> 00:07:43,139

leadership in South Africa there was

115

00:07:49,550 --> 00:07:46,099

many many other people who are also

116

00:07:52,129 --> 00:07:49,560

anti-apartheid activists and I did find

117

00:07:53,990 --> 00:07:52,139

reference of one of them his name was

118

00:07:57,050 --> 00:07:54,000

Steve bitko

119

00:08:01,249 --> 00:07:57,060

he was a South African anti-apartheid

120

00:08:03,950 --> 00:08:01,259

activist active and in prison at some of

121

00:08:07,309 --> 00:08:03,960

the same times that Nelson Mandela was

122

00:08:11,809 --> 00:08:07,319

and uh I consulted with somebody who is

123

00:08:14,029 --> 00:08:11,819

a uh much more learned as far as African

124

00:08:16,670 --> 00:08:14,039

history than I am

125

00:08:19,550 --> 00:08:16,680

and I was told by that person that they

126

00:08:22,730 --> 00:08:19,560

were aware that Steve bitko at the time

127

00:08:26,029 --> 00:08:22,740

of his death was arguably as famous as

128

00:08:29,450 --> 00:08:26,039

Nelson Mandela was at that time

129

00:08:31,790 --> 00:08:29,460

Steve bitko died in 1977.

130

00:08:34,430 --> 00:08:31,800

so I wondered could it be that people

131

00:08:37,550 --> 00:08:34,440

were called the death of Steve bitko in

132

00:08:40,550 --> 00:08:37,560

prison and the memory of that event

133

00:08:43,070 --> 00:08:40,560

somehow got jumbled with Nelson Mandela

134

00:08:45,350 --> 00:08:43,080

in later years

135

00:08:48,530 --> 00:08:45,360

I tried to find reference of whether

136

00:08:51,470 --> 00:08:48,540

Steve bitco's funeral and eulogy were

137

00:08:54,650 --> 00:08:51,480

televised or news reports of it I did

138

00:08:57,590 --> 00:08:54,660

find that there were news reports of his

139

00:09:01,130 --> 00:08:57,600

uh dying in prison but I was unable to

140

00:09:04,790 --> 00:09:01,140

find you know like evidence that they

141

00:09:08,329 --> 00:09:04,800

had broadcast his funeral or eulogy on

142

00:09:10,850 --> 00:09:08,339

any television in Africa or otherwise

143

00:09:13,250 --> 00:09:10,860

but still I wondered is this all a trick

144

00:09:16,490 --> 00:09:13,260

of memory and neurons or was it

145

00:09:18,889 --> 00:09:16,500

something more after all memories are

146

00:09:21,710 --> 00:09:18,899

notoriously unreliable

147

00:09:24,949 --> 00:09:21,720

we can see this in the number of people

148

00:09:27,949 --> 00:09:24,959

I'm always sad about this look up the

149

00:09:29,630 --> 00:09:27,959

Innocence Project and then look at

150

00:09:33,470 --> 00:09:29,640

statistics for how many people are

151

00:09:37,610 --> 00:09:33,480

convicted wrongly of crimes due to

152

00:09:40,430 --> 00:09:37,620

memory of supposed first-hand you know

153

00:09:42,350 --> 00:09:40,440

victims of crime not supposed they are

154

00:09:45,050 --> 00:09:42,360

victims of crime but they have these

155

00:09:47,930 --> 00:09:45,060

supposed memories and they are in many

156

00:09:50,630 --> 00:09:47,940

cases 100 sure and they will sit there

157

00:09:53,449 --> 00:09:50,640

in a courtroom and point to an accused

158

00:09:56,030 --> 00:09:53,459

person saying that's the person who

159

00:09:57,170 --> 00:09:56,040

hurt me raped me tried to kill me

160

00:09:59,750 --> 00:09:57,180

whatever

161

00:10:01,670 --> 00:09:59,760

and later we find out that their memory

162

00:10:04,910 --> 00:10:01,680

was false

163

00:10:08,030 --> 00:10:04,920

that the person that they are

164

00:10:12,170 --> 00:10:08,040

literally fingering in court as their

165

00:10:14,329 --> 00:10:12,180

attacker was not their attacker so we do

166

00:10:16,610 --> 00:10:14,339

know from science that memories are

167

00:10:19,310 --> 00:10:16,620

notoriously unreliable

168

00:10:22,190 --> 00:10:19,320

and they are susceptible of course

169

00:10:26,030 --> 00:10:22,200

memories are susceptible to being

170

00:10:29,750 --> 00:10:26,040

Rewritten erased modified or changed

171

00:10:32,329 --> 00:10:29,760

with new stimulus new inputs

172

00:10:33,470 --> 00:10:32,339

memories are also very susceptible to

173

00:10:38,750 --> 00:10:33,480

suggestion

174

00:10:41,030 --> 00:10:38,760

group think Decay over time and more

175

00:10:44,690 --> 00:10:41,040

how many of us

176

00:10:48,050 --> 00:10:44,700

remember things wrongly right I remember

177

00:10:50,569 --> 00:10:48,060

talking uh not long ago with my brother

178

00:10:52,250 --> 00:10:50,579

and and we were talking about you know

179

00:10:54,050 --> 00:10:52,260

the good old days and when we were kids

180

00:10:55,370 --> 00:10:54,060

and our something to do with our parents

181

00:10:59,030 --> 00:10:55,380

and I remember

182

00:11:01,069 --> 00:10:59,040

that I remembered I was sure 100 sure

183

00:11:03,889 --> 00:11:01,079

that I remembered an event a certain way

184

00:11:06,410 --> 00:11:03,899

and he's my older brother his memory of

185

00:11:09,230 --> 00:11:06,420

our childhood is arguably better than

186

00:11:11,329 --> 00:11:09,240

mine and he corrected me no that's not

187

00:11:12,110 --> 00:11:11,339

what happened you're remembering it

188

00:11:14,090 --> 00:11:12,120

wrong

189

00:11:16,790 --> 00:11:14,100

and I was sort of shocked because I was

190

00:11:19,850 --> 00:11:16,800

100 certain that this event happened a

191

00:11:21,110 --> 00:11:19,860

certain way nope I was completely and

192

00:11:23,990 --> 00:11:21,120

totally wrong

193

00:11:26,509 --> 00:11:24,000

this reminded me that memories have a

194

00:11:28,490 --> 00:11:26,519

tendency after all to decay

195

00:11:32,870 --> 00:11:28,500

over time

196

00:11:35,210 --> 00:11:32,880

and what about uh Fiona Broome well I

197

00:11:38,210 --> 00:11:35,220

did some more digging into the so-called

198

00:11:40,310 --> 00:11:38,220

originator of this Mandela effect and

199

00:11:43,069 --> 00:11:40,320

found that besides believing that the

200

00:11:45,470 --> 00:11:43,079

Mandela effect was real

201
00:11:47,750 --> 00:11:45,480
um she's kind of a catch-all paranormal

202
00:11:50,150 --> 00:11:47,760
person what do I mean she believes in

203
00:11:54,310 --> 00:11:50,160
all of it UFOs interdimensional beings

204
00:11:58,190 --> 00:11:54,320
alternate universes uh Alien visitation

205
00:11:59,630 --> 00:11:58,200
UFO crashes ghosts demons uh goblins

206
00:12:01,130 --> 00:11:59,640
everything

207
00:12:04,910 --> 00:12:01,140
so

208
00:12:07,970 --> 00:12:04,920
at the very start here uh you know I was

209
00:12:10,190 --> 00:12:07,980
more skeptical that there's is there

210
00:12:13,850 --> 00:12:10,200
something to this and by the way

211
00:12:16,009 --> 00:12:13,860
besides uh Bob's uh he sort of

212
00:12:17,870 --> 00:12:16,019
encouraged me just to look into it and

213
00:12:20,150 --> 00:12:17,880

make up my own mind and this is what I

214

00:12:22,850 --> 00:12:20,160

decided to do

215

00:12:25,970 --> 00:12:22,860

um so I I want to be very clear here

216

00:12:29,329 --> 00:12:25,980

because some people uh that are stupid

217

00:12:34,130 --> 00:12:29,339

have this mistaken

218

00:12:35,810 --> 00:12:34,140

um belief here about what we do here and

219

00:12:37,970 --> 00:12:35,820

uh especially the people that have some

220

00:12:40,009 --> 00:12:37,980

kind of ax to grind and they will say oh

221

00:12:42,410 --> 00:12:40,019

he's he's doing a show on the Mandela

222

00:12:46,069 --> 00:12:42,420

effect he believes that's real you know

223

00:12:48,290 --> 00:12:46,079

and it becomes an attack vector so as we

224

00:12:51,290 --> 00:12:48,300

start our presentation tonight let me

225

00:12:53,569 --> 00:12:51,300

remind you that I am simply exploring

226

00:12:58,430 --> 00:12:53,579

the possibilities here

227

00:13:01,670 --> 00:12:58,440

and despite have I made up my mind not

228

00:13:03,769 --> 00:13:01,680

not entirely but I think so about what I

229

00:13:05,269 --> 00:13:03,779

think is happening here

230

00:13:08,569 --> 00:13:05,279

but

231

00:13:10,790 --> 00:13:08,579

um as is often the case I am much more

232

00:13:13,430 --> 00:13:10,800

interested in what you the audience

233

00:13:14,449 --> 00:13:13,440

think about this phenomenon than what I

234

00:13:18,110 --> 00:13:14,459

think

235

00:13:20,509 --> 00:13:18,120

after all just because uh you know I

236

00:13:22,310 --> 00:13:20,519

have maybe gone a little further down

237

00:13:25,090 --> 00:13:22,320

the rabbit hole than some doesn't mean

238

00:13:28,910 --> 00:13:25,100

that I'm correct in my

239

00:13:32,449 --> 00:13:28,920

in my review here of what I think is

240

00:13:34,850 --> 00:13:32,459

going on it could be that others are

241

00:13:37,670 --> 00:13:34,860

right and by the way

242

00:13:40,250 --> 00:13:37,680

while researching this phenomenon I have

243

00:13:43,550 --> 00:13:40,260

found some very incredibly educated

244

00:13:46,790 --> 00:13:43,560

people including Quantum physicists and

245

00:13:48,889 --> 00:13:46,800

other scientists uh I found a

246

00:13:50,569 --> 00:13:48,899

neurologist that believes that there is

247

00:13:52,850 --> 00:13:50,579

something strange going on here

248

00:13:54,889 --> 00:13:52,860

something

249

00:13:57,710 --> 00:13:54,899

um I don't think the correct term would

250

00:14:00,829 --> 00:13:57,720

be Supernatural but something not right

251
00:14:04,009 --> 00:14:00,839
here I mean uh real scientists are

252
00:14:06,710 --> 00:14:04,019
looking into this and not quite being

253
00:14:08,990 --> 00:14:06,720
able to explain it now are there

254
00:14:12,110 --> 00:14:09,000
explanations yes many people say that

255
00:14:16,009 --> 00:14:12,120
this is all a trick of memory and Decay

256
00:14:17,389 --> 00:14:16,019
over time group think neurons suggestion

257
00:14:19,490 --> 00:14:17,399
uh

258
00:14:20,930 --> 00:14:19,500
some people believe that it is something

259
00:14:24,110 --> 00:14:20,940
more

260
00:14:25,850 --> 00:14:24,120
and I repeat what I've said I I do

261
00:14:27,829 --> 00:14:25,860
believe that memories are notoriously

262
00:14:30,590 --> 00:14:27,839
unreliable but we're going to get into

263
00:14:33,710 --> 00:14:30,600

some of the examples here of this

264

00:14:36,350 --> 00:14:33,720

Mandela effect and some of these I can't

265

00:14:39,170 --> 00:14:36,360

I can't get my brain around and that's

266

00:14:41,210 --> 00:14:39,180

why listen I don't know if there's

267

00:14:44,629 --> 00:14:41,220

anything to this or not but this is a

268

00:14:47,389 --> 00:14:44,639

fun Journey down a strange rabbit hole

269

00:14:49,970 --> 00:14:47,399

and we're going to show some examples

270

00:14:52,069 --> 00:14:49,980

you know we'll cite fair use but this is

271

00:14:56,030 --> 00:14:52,079

a public website

272

00:14:57,829 --> 00:14:56,040

and I have 50 examples here of the

273

00:15:00,530 --> 00:14:57,839

Mandela effect

274

00:15:04,430 --> 00:15:00,540

uh

275

00:15:06,949 --> 00:15:04,440

yeah and some of these I remember so

276

00:15:10,970 --> 00:15:06,959

strongly to be a certain way from my

277

00:15:13,250 --> 00:15:10,980

childhood and you may as well and I want

278

00:15:16,730 --> 00:15:13,260

to know what you think in the live chat

279

00:15:20,629 --> 00:15:16,740

as we explore these possibilities is

280

00:15:21,730 --> 00:15:20,639

there do you remember things one way or

281

00:15:27,050 --> 00:15:21,740

the other

282

00:15:29,750 --> 00:15:27,060

uh so we'll begin here and this is uh uh

283

00:15:33,590 --> 00:15:29,760

actually Good Housekeeping but they have

284

00:15:35,449 --> 00:15:33,600

a good example here and we can start

285

00:15:37,189 --> 00:15:35,459

with the text here which states the

286

00:15:39,650 --> 00:15:37,199

Mandela effect is a phenomenon that

287

00:15:42,050 --> 00:15:39,660

makes us question even the most mundane

288

00:15:44,689 --> 00:15:42,060

memories of the past

289

00:15:47,449 --> 00:15:44,699

in June 2019 the famed New York Times

290

00:15:50,810 --> 00:15:47,459

crossword puzzle made it the theme and

291

00:15:52,970 --> 00:15:50,820

defined it as quote a recent refinement

292

00:15:56,210 --> 00:15:52,980

of false memory that typically refers to

293

00:15:58,670 --> 00:15:56,220

pop culture or current event references

294

00:16:00,710 --> 00:15:58,680

named by paranormal researcher Fiona

295

00:16:03,350 --> 00:16:00,720

Broome it's basically remembering

296

00:16:06,530 --> 00:16:03,360

something that doesn't match with

297

00:16:08,269 --> 00:16:06,540

historical records for example the stuff

298

00:16:10,129 --> 00:16:08,279

you use to make your home smell fresh

299

00:16:12,490 --> 00:16:10,139

isn't Febreze

300

00:16:14,710 --> 00:16:12,500

more on that later

301
00:16:17,689 --> 00:16:14,720
so this

302
00:16:20,569 --> 00:16:17,699
this kind of stuff has really made me

303
00:16:21,350 --> 00:16:20,579
question my reality in certain ways

304
00:16:23,449 --> 00:16:21,360
um

305
00:16:25,610 --> 00:16:23,459
so the reason we're all here Nelson

306
00:16:28,370 --> 00:16:25,620
Mandela who this theory is named after

307
00:16:30,350 --> 00:16:28,380
died in 2013 however countless people

308
00:16:33,290 --> 00:16:30,360
distinctly remember him dying in prison

309
00:16:35,509 --> 00:16:33,300
in the 1980s but his death isn't the

310
00:16:37,730 --> 00:16:35,519
only example of a Mandela effect we have

311
00:16:40,129 --> 00:16:37,740
been wrong about so many dates details

312
00:16:41,769 --> 00:16:40,139
and more keep going for more commonly

313
00:16:44,870 --> 00:16:41,779

misremember

314

00:16:48,290 --> 00:16:44,880

misremembered moments in history this

315

00:16:50,810 --> 00:16:48,300

one through me I swear I remember that

316

00:16:52,430 --> 00:16:50,820

the peanut butter of my childhood was

317

00:16:54,769 --> 00:16:52,440

called jiffy

318

00:16:56,329 --> 00:16:54,779

uh and it says people swear there was a

319

00:16:58,670 --> 00:16:56,339

jiffy peanut butter back in the day but

320

00:17:01,910 --> 00:16:58,680

speculate that they're combining GIF

321

00:17:05,329 --> 00:17:01,920

with its competitor Skippy so Jiffy

322

00:17:07,069 --> 00:17:05,339

peanut butter does not exist I swear I

323

00:17:09,890 --> 00:17:07,079

remember Jiffy peanut butter and my

324

00:17:11,390 --> 00:17:09,900

mother making Jiffy peanut butter jelly

325

00:17:14,510 --> 00:17:11,400

sandwiches

326

00:17:16,850 --> 00:17:14,520

uh so this is a weird one to me

327

00:17:22,370 --> 00:17:16,860

Looney Tunes

328

00:17:25,189 --> 00:17:22,380

it's t-u-n-e-s not t-o-o-n-s

329

00:17:28,130 --> 00:17:25,199

which makes no sense to me I'm sure that

330

00:17:30,409 --> 00:17:28,140

I remember it t-o-o-n-s and every day

331

00:17:32,990 --> 00:17:30,419

after school when I was a young child I

332

00:17:35,330 --> 00:17:33,000

guess from nursery school or

333

00:17:38,270 --> 00:17:35,340

kindergarten until third and fourth

334

00:17:40,250 --> 00:17:38,280

grade I would come home and we would

335

00:17:42,710 --> 00:17:40,260

watch cartoons right after school they'd

336

00:17:47,210 --> 00:17:42,720

be on at three o'clock we got out at 2

337

00:17:50,630 --> 00:17:47,220

45 go home get a snack and uh watch

338

00:17:55,070 --> 00:17:50,640

cartoons Bugs Bunny Daffy Duck all of it

339

00:17:58,690 --> 00:17:55,080

I swore to remember it the wrong way

340

00:18:02,630 --> 00:17:58,700

now this one is ridiculous to me because

341

00:18:04,370 --> 00:18:02,640

uh we had book club in my school and we

342

00:18:06,110 --> 00:18:04,380

would get books from you know the

343

00:18:07,549 --> 00:18:06,120

Scholastic thing or you know you

344

00:18:09,529 --> 00:18:07,559

remember your mom would give you like

345

00:18:10,549 --> 00:18:09,539

five bucks and you could buy a couple of

346

00:18:13,570 --> 00:18:10,559

books

347

00:18:15,850 --> 00:18:13,580

and uh I had

348

00:18:22,390 --> 00:18:15,860

Bernstein Bears

349

00:18:26,930 --> 00:18:22,400

but it's Baron stain

350

00:18:28,130 --> 00:18:26,940

not Berenstein or Berenstein Bears Baron

351
00:18:31,490 --> 00:18:28,140
stain

352
00:18:34,130 --> 00:18:31,500
makes no sense to me I remember it Baron

353
00:18:35,870 --> 00:18:34,140
Steen and what about you do you remember

354
00:18:39,470 --> 00:18:35,880
things this way this is another one

355
00:18:42,230 --> 00:18:39,480
they're Curious George never had a tail

356
00:18:44,390 --> 00:18:42,240
I remember him having a tail I remember

357
00:18:48,650 --> 00:18:44,400
even watching

358
00:18:51,169 --> 00:18:48,660
the cartoons on PBS with my youngest or

359
00:18:53,450 --> 00:18:51,179
excuse me with my oldest son he watched

360
00:18:55,669 --> 00:18:53,460
Curious George cartoons

361
00:18:58,850 --> 00:18:55,679
I went and looked up the cartoons on

362
00:19:00,230 --> 00:18:58,860
YouTube no no tale Curious George never

363
00:19:03,770 --> 00:19:00,240

had a tail

364

00:19:05,750 --> 00:19:03,780

here's another one Sex and the City

365

00:19:07,909 --> 00:19:05,760

while these four women were having sex

366

00:19:10,010 --> 00:19:07,919

in the city the show was actually titled

367

00:19:12,350 --> 00:19:10,020

Sex and the City I used to watch that

368

00:19:15,770 --> 00:19:12,360

with my wife

369

00:19:17,390 --> 00:19:15,780

um great and Febreze you might use the

370

00:19:20,029 --> 00:19:17,400

stuff every day but to be honest you

371

00:19:24,289 --> 00:19:20,039

thought it was Febreze didn't you

372

00:19:28,190 --> 00:19:25,669

great

373

00:19:29,510 --> 00:19:28,200

but you thought it was breeze it's for

374

00:19:43,250 --> 00:19:29,520

brez

375

00:19:46,970 --> 00:19:43,260

and there's a whole lot of references to

376

00:19:51,650 --> 00:19:46,980

logos that people misremember it's

377

00:19:54,409 --> 00:19:51,660

strange right uh is it Meyer with an e

378

00:19:58,210 --> 00:19:54,419

or mire with an a

379

00:20:02,510 --> 00:19:58,220

it's there's an A in it Oscar Meyer

380

00:20:05,630 --> 00:20:02,520

Skechers logo people misremember

381

00:20:07,730 --> 00:20:05,640

this one is another one Kellogg had been

382

00:20:09,669 --> 00:20:07,740

spelling fruit like that for years and

383

00:20:13,430 --> 00:20:09,679

we only noticed it now

384

00:20:15,890 --> 00:20:13,440

wowza it's not fruit as the typical word

385

00:20:17,450 --> 00:20:15,900

is spelled but f-r-o-o

386

00:20:20,330 --> 00:20:17,460

-t

387

00:20:22,250 --> 00:20:20,340

and uh I wondered if they did that on

388

00:20:24,529 --> 00:20:22,260

purpose because there's no actual fruit

389

00:20:27,650 --> 00:20:24,539

in it so they can't call it by the real

390

00:20:31,029 --> 00:20:27,660

word I don't know but I remember it

391

00:20:34,190 --> 00:20:31,039

spelled like the fruit it's not

392

00:20:36,710 --> 00:20:34,200

f-r-o-o-t is the way it's spelled this

393

00:20:38,750 --> 00:20:36,720

one I don't recall or remember Henry

394

00:20:41,090 --> 00:20:38,760

VIII with turkey leg

395

00:20:42,130 --> 00:20:41,100

um this one is another one that I swear

396

00:20:44,930 --> 00:20:42,140

I remember

397

00:20:46,970 --> 00:20:44,940

Monopoly man had a monocle

398

00:20:50,289 --> 00:20:46,980

I played Monopoly growing up it was my

399

00:20:53,810 --> 00:20:50,299

favorite board game growing up right

400

00:20:56,630 --> 00:20:53,820

uh the Monopoly man never had a monocle

401
00:20:58,370 --> 00:20:56,640
uh some suggest it was simple confusion

402
00:21:01,549 --> 00:20:58,380
between him and the Planter's peanut

403
00:21:03,049 --> 00:21:01,559
company mascot Mr Peanut others I dug

404
00:21:05,750 --> 00:21:03,059
into this one because if this one

405
00:21:08,150 --> 00:21:05,760
bothered me like I'm sure he had a

406
00:21:10,669 --> 00:21:08,160
monocle I dug into it and there may have

407
00:21:13,930 --> 00:21:10,679
been some advertisements where someone

408
00:21:16,970 --> 00:21:13,940
drew the Monopoly man with a monocle

409
00:21:19,970 --> 00:21:16,980
that may be what we're remembering and

410
00:21:21,970 --> 00:21:19,980
not it's a true memory of him always

411
00:21:25,669 --> 00:21:21,980
having a monocle

412
00:21:28,490 --> 00:21:25,679
Pikachu's tail uh Pikachu's tail never

413
00:21:32,630 --> 00:21:28,500

had black on its end that's um another

414

00:21:35,630 --> 00:21:32,640

one Kit Kat never had a hyphen in it

415

00:21:39,470 --> 00:21:35,640

Fruit of Loom this one bothered me a lot

416

00:21:40,909 --> 00:21:39,480

I swear I remember the uh Cornucopia

417

00:21:43,250 --> 00:21:40,919

behind the fruit

418

00:21:46,190 --> 00:21:43,260

according to

419

00:21:48,890 --> 00:21:46,200

everything I was able to locate Fruit of

420

00:21:50,450 --> 00:21:48,900

the Loom never had a cornucopia behind

421

00:21:53,330 --> 00:21:50,460

it however

422

00:21:57,230 --> 00:21:53,340

I did find some references to the fact

423

00:22:00,529 --> 00:21:57,240

that in some cases there were brown

424

00:22:02,510 --> 00:22:00,539

leaves shown behind the fruit and some

425

00:22:05,090 --> 00:22:02,520

people may be misremembering or

426
00:22:07,549 --> 00:22:05,100
confusing what was brown leaves behind

427
00:22:09,890 --> 00:22:07,559
the fruit in some advertisements for

428
00:22:14,570 --> 00:22:09,900
this Cornucopia another one that threw

429
00:22:19,490 --> 00:22:17,149
we swear there used to be an extra Z at

430
00:22:22,549 --> 00:22:19,500
the end nope there never was it was

431
00:22:23,870 --> 00:22:22,559
never Cheez-Its it was always Cheez-It

432
00:22:34,490 --> 00:22:23,880
Cheez-It

433
00:22:37,250 --> 00:22:34,500
uh then here we go double stuff Oreos uh

434
00:22:38,330 --> 00:22:37,260
there isn't a second F in this stuff

435
00:22:43,669 --> 00:22:38,340
they

436
00:22:46,490 --> 00:22:43,679
another thing that I misremember

437
00:22:49,310 --> 00:22:46,500
apparently either that or there's

438
00:22:52,070 --> 00:22:49,320

alternate universes or Time Travelers

439

00:22:56,090 --> 00:22:52,080

rewriting history as we speak I I can't

440

00:22:58,250 --> 00:22:56,100

explain it Mona Lisa's smile

441

00:23:00,770 --> 00:22:58,260

so many people have claimed should these

442

00:23:03,350 --> 00:23:00,780

used to have a more obvious smile and

443

00:23:05,049 --> 00:23:03,360

she doesn't it's almost expressionless

444

00:23:07,730 --> 00:23:05,059

to me

445

00:23:09,230 --> 00:23:07,740

C-3PO has a silver leg now this one I

446

00:23:12,770 --> 00:23:09,240

had a problem with

447

00:23:15,289 --> 00:23:12,780

uh because I grew up with Star Wars and

448

00:23:17,630 --> 00:23:15,299

uh apparently yeah he always had the

449

00:23:19,330 --> 00:23:17,640

silver leg but I am sure that I had

450

00:23:23,450 --> 00:23:19,340

action figures

451

00:23:25,850 --> 00:23:23,460

that we're all gold no silver leg so if

452

00:23:28,310 --> 00:23:25,860

if I'm misremembering this one it's the

453

00:23:30,289 --> 00:23:28,320

toy company's fault for making the the

454

00:23:34,730 --> 00:23:30,299

C-3PO toy

455

00:23:37,490 --> 00:23:34,740

all gold no silver in the leg

456

00:23:40,909 --> 00:23:37,500

but this one is another one Flintstones

457

00:23:42,649 --> 00:23:40,919

has two t it's not the Flintstones

458

00:23:46,850 --> 00:23:42,659

which is the way I've always said it

459

00:23:50,270 --> 00:23:46,860

Flynn Stones it's the Flint stones

460

00:23:53,870 --> 00:23:50,280

who says Flintstones I'm gonna go watch

461

00:23:55,970 --> 00:23:53,880

The Flintstones nobody I always said The

462

00:23:59,390 --> 00:23:55,980

Flintstones Maybe

463

00:24:03,049 --> 00:23:59,400

it's just easier to say Flynn Stone than

464

00:24:05,870 --> 00:24:03,059

it is to say Flint stone and that's why

465

00:24:07,930 --> 00:24:05,880

we all remember it as Flintstones I have

466

00:24:10,549 --> 00:24:07,940

no idea

467

00:24:12,409 --> 00:24:10,559

there is only one Cinderella castle and

468

00:24:14,390 --> 00:24:12,419

it's in Walt Disney World in Florida the

469

00:24:16,490 --> 00:24:14,400

blue and pink castle in California's

470

00:24:18,590 --> 00:24:16,500

Disneyland is Sleeping Beauties so

471

00:24:20,630 --> 00:24:18,600

there's only one Cinderella's castle if

472

00:24:21,830 --> 00:24:20,640

you go to the other Disneyland

473

00:24:25,789 --> 00:24:21,840

it's not it

474

00:24:28,070 --> 00:24:25,799

egg McMahan and Publishers Clearinghouse

475

00:24:29,570 --> 00:24:28,080

Ed McMahan was never a spokesperson for

476

00:24:31,909 --> 00:24:29,580

the company instead he worked for

477

00:24:34,789 --> 00:24:31,919

American Family Publishers so here we

478

00:24:37,130 --> 00:24:34,799

can see some examples in the and and

479

00:24:39,350 --> 00:24:37,140

it's interesting that examples of this

480

00:24:42,710 --> 00:24:39,360

Mandela effect are all throughout our

481

00:24:48,010 --> 00:24:42,720

culture it's children's cereal candy

482

00:24:50,470 --> 00:24:48,020

it's movies lines from movies uh Toys

483

00:24:55,250 --> 00:24:50,480

children's books

484

00:24:57,710 --> 00:24:55,260

uh wrestling even there is go on YouTube

485

00:24:59,409 --> 00:24:57,720

and you can look up virtually any part

486

00:25:04,010 --> 00:24:59,419

of culture music

487

00:25:06,049 --> 00:25:04,020

rock uh and fine Mandela effect and the

488

00:25:08,330 --> 00:25:06,059

movie Casablanca the line is never said

489

00:25:12,289 --> 00:25:08,340

what is said by Ingrid Birdman character

490

00:25:14,930 --> 00:25:12,299

is play it once Sam For Old Times

491

00:25:18,409 --> 00:25:14,940

I always remember that she said Play It

492

00:25:20,270 --> 00:25:18,419

Again Sam nope never happened and this

493

00:25:22,909 --> 00:25:20,280

one another Star Wars one by the way

494

00:25:25,970 --> 00:25:22,919

there is tons of Mandela effect stuff in

495

00:25:28,310 --> 00:25:25,980

Star Wars but I think that some of the

496

00:25:30,649 --> 00:25:28,320

Star Wars Mandela effect are due to

497

00:25:32,450 --> 00:25:30,659

George Lucas never leaving the goddamn

498

00:25:34,549 --> 00:25:32,460

original trilogy alone

499

00:25:37,549 --> 00:25:34,559

I'm not sure if you're aware of this but

500

00:25:38,690 --> 00:25:37,559

being a Star Wars fan I am there has

501
00:25:40,430 --> 00:25:38,700
been

502
00:25:43,070 --> 00:25:40,440
I think it's something like six

503
00:25:46,130 --> 00:25:43,080
different versions of the original Star

504
00:25:48,890 --> 00:25:46,140
Wars Trilogy episodes four five and six

505
00:25:51,649 --> 00:25:48,900
and uh you know George Lucas kept going

506
00:25:54,110 --> 00:25:51,659
in and put more CGI and in and

507
00:25:56,930 --> 00:25:54,120
ruining it that may be why there's some

508
00:25:59,750 --> 00:25:56,940
of this but this one is inexplicable

509
00:26:01,789 --> 00:25:59,760
The Exchange is as iconic as Star Wars

510
00:26:04,190 --> 00:26:01,799
movies themselves however it's another

511
00:26:09,049 --> 00:26:04,200
line that was never said

512
00:26:13,970 --> 00:26:09,059
no I am your father is is the line so I

513
00:26:16,190 --> 00:26:13,980

went I'm crazy so I went and I checked I

514

00:26:19,789 --> 00:26:16,200

have a copy of the original

515

00:26:21,649 --> 00:26:19,799

print of all three movies on VHS before

516

00:26:24,529 --> 00:26:21,659

George Lucas started messing with

517

00:26:27,710 --> 00:26:24,539

everything with the seat adding CGI and

518

00:26:29,269 --> 00:26:27,720

you know stupid things uh I think he

519

00:26:31,789 --> 00:26:29,279

should have never messed with it but you

520

00:26:34,070 --> 00:26:31,799

know to each their own uh some people

521

00:26:37,070 --> 00:26:34,080

like the special editions and Third

522

00:26:39,049 --> 00:26:37,080

Edition and I don't know so I checked in

523

00:26:43,370 --> 00:26:39,059

the original print I've checked YouTube

524

00:26:47,330 --> 00:26:43,380

this one I was wrong about I swore he

525

00:26:50,930 --> 00:26:47,340

said Luke I am your father no he said no

526

00:26:53,690 --> 00:26:50,940

I am your father that's the line

527

00:26:57,649 --> 00:26:55,730

yeah and this is another one in the

528

00:26:59,750 --> 00:26:57,659

original Jaws by the way I have

529

00:27:02,630 --> 00:26:59,760

traumatic memories of the movie Jaws and

530

00:27:10,549 --> 00:27:07,070

uh I saw the movie Jaws uh with my

531

00:27:13,789 --> 00:27:10,559

grandmother and my mother at this beach

532

00:27:15,649 --> 00:27:13,799

and uh uh my grandmother got drunk and

533

00:27:20,390 --> 00:27:15,659

got in a fight with somebody overseas

534

00:27:22,850 --> 00:27:20,400

somehow traumatic memory uh but I have

535

00:27:24,830 --> 00:27:22,860

seen Jaws several times since then even

536

00:27:27,470 --> 00:27:24,840

though it's always brings back that

537

00:27:30,409 --> 00:27:27,480

memory of uh you know my Irish drunken

538

00:27:32,149 --> 00:27:30,419

grandmother getting in a fist fight I

539

00:27:33,890 --> 00:27:32,159

remember me and the kids all the kids

540

00:27:37,010 --> 00:27:33,900

were crying and and they were going

541

00:27:38,510 --> 00:27:37,020

at it the cops came my dad had to come

542

00:27:43,490 --> 00:27:38,520

and get us

543

00:27:45,350 --> 00:27:43,500

anyway uh I swore that I remembered

544

00:27:47,690 --> 00:27:45,360

him saying we're going to need a bigger

545

00:27:50,269 --> 00:27:47,700

boat he never said we're going to need a

546

00:27:52,549 --> 00:27:50,279

bigger boat he said you're gonna need a

547

00:27:55,750 --> 00:27:52,559

bigger boat

548

00:28:00,470 --> 00:27:58,130

chartreuse this one didn't mean anything

549

00:28:03,950 --> 00:28:00,480

to me this is another one life is like a

550

00:28:05,930 --> 00:28:03,960

box of chocolates is life is like a box

551
00:28:07,850 --> 00:28:05,940
of chocolates that is not what Forrest

552
00:28:09,409 --> 00:28:07,860
Gump played by the amazing Thompson

553
00:28:12,769 --> 00:28:09,419
Hanks actually said if you listen

554
00:28:14,810 --> 00:28:12,779
closely he said life was like a box of

555
00:28:17,870 --> 00:28:14,820
chocolates I mean some of these are

556
00:28:19,130 --> 00:28:17,880
little differences that I'm not sure uh

557
00:28:21,529 --> 00:28:19,140
you know

558
00:28:23,029 --> 00:28:21,539
mirror mirror on the wall

559
00:28:24,350 --> 00:28:23,039
apparently

560
00:28:28,909 --> 00:28:24,360
uh

561
00:28:31,010 --> 00:28:28,919
mirror on the wall she said magic mirror

562
00:28:33,289 --> 00:28:31,020
on the wall but this one I think is

563
00:28:35,810 --> 00:28:33,299

easily explainable because

564

00:28:38,390 --> 00:28:35,820

we have to remember that some of these

565

00:28:40,310 --> 00:28:38,400

stories that Disney just decided that

566

00:28:44,870 --> 00:28:40,320

they owned like Snow White and the Seven

567

00:28:47,510 --> 00:28:44,880

Dwarfs were around for ages right before

568

00:28:50,930 --> 00:28:47,520

before they were taken by Disney and

569

00:28:53,269 --> 00:28:50,940

appropriated right now I don't think I I

570

00:28:56,330 --> 00:28:53,279

have to look into that can you get away

571

00:28:59,750 --> 00:28:56,340

with using a story that Disney has taken

572

00:29:01,010 --> 00:28:59,760

that was in the public you know domain

573

00:29:03,409 --> 00:29:01,020

for

574

00:29:06,230 --> 00:29:03,419

hundreds of years I don't know that's an

575

00:29:10,010 --> 00:29:06,240

interesting question but uh I think that

576
00:29:12,529 --> 00:29:10,020
maybe other people said mirror mirror on

577
00:29:15,830 --> 00:29:12,539
the wall or other versions of similar

578
00:29:19,430 --> 00:29:15,840
stories using a magic mirror have said

579
00:29:23,750 --> 00:29:20,630
um

580
00:29:26,570 --> 00:29:23,760
Black Eyed Peas released a hit single

581
00:29:29,870 --> 00:29:26,580
boom boom Paul in 2008 it really came

582
00:29:36,590 --> 00:29:29,880
out in 2009 Fergie doesn't sing

583
00:29:42,889 --> 00:29:39,110
yeah Luke I am your father this is

584
00:29:45,830 --> 00:29:42,899
another one uh you know

585
00:29:47,029 --> 00:29:45,840
Tom Cruise's sunglasses uh Risky

586
00:29:49,430 --> 00:29:47,039
Business

587
00:29:51,110 --> 00:29:49,440
run you fools hate to burst your bubble

588
00:29:52,970 --> 00:29:51,120

but this memorable line was never sent

589

00:29:55,430 --> 00:29:52,980

by Gandalf so

590

00:29:58,909 --> 00:29:55,440

and I gotta tell you that the examples

591

00:30:02,149 --> 00:29:58,919

go on and on and on you can do this for

592

00:30:06,169 --> 00:30:02,159

five hours I have

593

00:30:07,610 --> 00:30:06,179

um but I think uh I think that there may

594

00:30:10,909 --> 00:30:07,620

be some

595

00:30:15,409 --> 00:30:10,919

explanation but we're gonna uh cite fair

596

00:30:18,590 --> 00:30:15,419

use I'm gonna share with you I

597

00:30:21,110 --> 00:30:18,600

have been bookmarking good videos

598

00:30:22,010 --> 00:30:21,120

there's so many videos and some of them

599

00:30:26,870 --> 00:30:22,020

are

600

00:30:34,730 --> 00:30:30,769

I I think that some people explain this

601
00:30:38,570 --> 00:30:34,740
this phenomenon simply as false memories

602
00:30:43,970 --> 00:30:42,350
so we're gonna cite fair use this is a

603
00:30:45,409 --> 00:30:43,980
transformative work we're educating the

604
00:30:47,090 --> 00:30:45,419
public about this thing called the

605
00:30:49,549 --> 00:30:47,100
Mandela effect

606
00:30:52,310 --> 00:30:49,559
and uh we'll be discussing and

607
00:30:53,690 --> 00:30:52,320
critiquing the video that we are sharing

608
00:30:58,850 --> 00:30:53,700
here

609
00:31:00,710 --> 00:30:58,860
uh so this is by a YouTuber discover Zen

610
00:31:02,269 --> 00:31:00,720
there's some other excellent videos

611
00:31:04,610 --> 00:31:02,279
there we'll put a link in the

612
00:31:07,909 --> 00:31:04,620
description have you ever experienced

613
00:31:10,430 --> 00:31:07,919

the Mandela effect false memories or

614

00:31:12,409 --> 00:31:10,440

Mandela effect refers to a phenomenon

615

00:31:14,750 --> 00:31:12,419

where someone recalls something that did

616

00:31:16,610 --> 00:31:14,760

not happen or recalls it differently

617

00:31:19,130 --> 00:31:16,620

from the way that it actually happened

618

00:31:21,590 --> 00:31:19,140

the name of the theory dates back to

619

00:31:23,269 --> 00:31:21,600

2010 when numerous people on the

620

00:31:25,970 --> 00:31:23,279

internet falsely remembered Nelson

621

00:31:28,430 --> 00:31:25,980

Mandela was dead it was widely believed

622

00:31:31,610 --> 00:31:28,440

he died in prison during the 1980s

623

00:31:35,090 --> 00:31:31,620

Mandela was actually freed in 1990 and

624

00:31:37,190 --> 00:31:35,100

passed away in 2013 but thousands of

625

00:31:39,409 --> 00:31:37,200

people still do remember the fact that

626

00:31:42,230 --> 00:31:39,419

Mandela died in prison with news

627

00:31:45,409 --> 00:31:42,240

coverage of his funeral and a heartfelt

628

00:31:48,649 --> 00:31:45,419

speech by his widow now yeah and I I

629

00:31:51,649 --> 00:31:48,659

want to get to the I want to get to this

630

00:31:53,990 --> 00:31:51,659

more information on this Steve bitco

631

00:31:55,970 --> 00:31:54,000

because if we can get confirmation that

632

00:31:58,450 --> 00:31:55,980

his wife gave his eulogy and it was

633

00:32:01,970 --> 00:31:58,460

televised somewhere this may explain

634

00:32:04,250 --> 00:32:01,980

most of this mystery but so far I've

635

00:32:06,409 --> 00:32:04,260

been unable to do that

636

00:32:08,570 --> 00:32:06,419

um I will continue to look into that one

637

00:32:11,450 --> 00:32:08,580

now the question is how can so many

638

00:32:13,130 --> 00:32:11,460

people have the same false memory that

639

00:32:15,529 --> 00:32:13,140

didn't ever happen

640

00:32:17,870 --> 00:32:15,539

another famous example can be something

641

00:32:19,130 --> 00:32:17,880

like Jiffy peanut butter if you look

642

00:32:21,169 --> 00:32:19,140

forward to your school lunch break

643

00:32:23,389 --> 00:32:21,179

because your parents are Guardian packed

644

00:32:26,090 --> 00:32:23,399

a jiffy peanut butter sandwich your

645

00:32:27,889 --> 00:32:26,100

childhood may be a lie while both Jif

646

00:32:30,470 --> 00:32:27,899

and Skippy brands have lime store

647

00:32:33,049 --> 00:32:30,480

shelves there's never been a jiffy brand

648

00:32:35,389 --> 00:32:33,059

for this false memory there is a theory

649

00:32:37,190 --> 00:32:35,399

suggesting that since both Jif and

650

00:32:40,310 --> 00:32:37,200

Skippy used to be on the same shelf

651
00:32:43,070 --> 00:32:40,320
People Incorporated wrong elements I

652
00:32:45,769 --> 00:32:43,080
don't of both names I don't know about

653
00:32:48,350 --> 00:32:45,779
that one I remember Jiffy peanut butter

654
00:32:51,049 --> 00:32:48,360
God damn it and if these Time Travelers

655
00:32:54,049 --> 00:32:51,059
are screwing with the timeline

656
00:32:56,450 --> 00:32:54,059
yeah I don't know now that's encoded in

657
00:32:59,090 --> 00:32:56,460
people's memories and the false memory

658
00:33:01,430 --> 00:32:59,100
is what they are remembering they don't

659
00:33:03,950 --> 00:33:01,440
remember the experience of seeing it but

660
00:33:06,430 --> 00:33:03,960
the experience of falsely remembering

661
00:33:10,310 --> 00:33:06,440
one more example can be found from the

662
00:33:12,049 --> 00:33:10,320
1979 James Bond movie Moonraker there is

663
00:33:14,450 --> 00:33:12,059

a short sequence in the movie where a

664

00:33:17,149 --> 00:33:14,460

character named Dolly first meets Jaws

665

00:33:19,850 --> 00:33:17,159

was originally reported as Dolly saving

666

00:33:21,950 --> 00:33:19,860

jaws and Jaws looking at her and falling

667

00:33:24,409 --> 00:33:21,960

in love with her before smiling at her

668

00:33:27,289 --> 00:33:24,419

and burying his metal teeth Dolly then

669

00:33:29,690 --> 00:33:27,299

returns a smile revealing her braces to

670

00:33:31,549 --> 00:33:29,700

him this was an extremely known joke

671

00:33:33,830 --> 00:33:31,559

that jaws and Dolly belong together

672

00:33:36,710 --> 00:33:33,840

because of their metal teeth and braces

673

00:33:39,049 --> 00:33:36,720

hence why they first fell in love in

674

00:33:41,450 --> 00:33:39,059

reality dolly is totally braceless

675

00:33:43,549 --> 00:33:41,460

throughout the film people were shocked

676

00:33:46,490 --> 00:33:43,559

to find out after re-watching the scene

677

00:33:48,649 --> 00:33:46,500

that she never had braces despite every

678

00:33:52,009 --> 00:33:48,659

major James Bond fan claimed that she

679

00:33:54,710 --> 00:33:52,019

did I don't remember this one and my

680

00:33:56,630 --> 00:33:54,720

father was a huge James Bond fan and I

681

00:33:58,669 --> 00:33:56,640

remember the Jaws character but I don't

682

00:34:01,130 --> 00:33:58,679

remember this girl or this thing about

683

00:34:03,049 --> 00:34:01,140

the braces this Mandela effect was so

684

00:34:06,230 --> 00:34:03,059

perplexing that it even made people

685

00:34:08,869 --> 00:34:06,240

commit suicide many people claimed that

686

00:34:11,389 --> 00:34:08,879

this is one example of History actually

687

00:34:13,730 --> 00:34:11,399

being altered while some say that these

688

00:34:16,070 --> 00:34:13,740

memories are just bits and pieces from

689

00:34:20,109 --> 00:34:16,080

an alternate reality where it actually

690

00:34:23,089 --> 00:34:20,119

happened next up Bernstein Bears or

691

00:34:25,430 --> 00:34:23,099

Bernstein Bears while many people this

692

00:34:27,530 --> 00:34:25,440

one kills me because I swear I had books

693

00:34:30,649 --> 00:34:27,540

when I was a child I think many of us

694

00:34:32,690 --> 00:34:30,659

did have those Bernstein Bear books

695

00:34:35,690 --> 00:34:32,700

distinctly remember the name spelled

696

00:34:37,909 --> 00:34:35,700

Bernstein pronounced Steen the actual

697

00:34:40,310 --> 00:34:37,919

name of both bears in the authors is

698

00:34:43,310 --> 00:34:40,320

Bernstein pronounced as it would be

699

00:34:46,010 --> 00:34:43,320

stain the controversy has created online

700

00:34:48,169 --> 00:34:46,020

factions with one side assuring the

701

00:34:50,570 --> 00:34:48,179

other that it has always been spelled

702

00:34:52,970 --> 00:34:50,580

Bernstein in that this is just a

703

00:34:55,070 --> 00:34:52,980

widespread misunderstanding but some who

704

00:34:57,290 --> 00:34:55,080

believe Bernstein argue that this

705

00:35:00,050 --> 00:34:57,300

controversy is something more a

706

00:35:02,450 --> 00:35:00,060

conspiracy to paraphrase some fairly

707

00:35:05,690 --> 00:35:02,460

serious quantum physics the theory

708

00:35:09,109 --> 00:35:05,700

posits that sometime between 1986 and

709

00:35:11,630 --> 00:35:09,119

2011 our universe in which the Bears

710

00:35:14,569 --> 00:35:11,640

were named Bernstein merged with a near

711

00:35:17,390 --> 00:35:14,579

identical parallel universe in which the

712

00:35:20,210 --> 00:35:17,400

family is called beard stain that this

713

00:35:23,089 --> 00:35:20,220

is this is where things get crazy like

714

00:35:26,890 --> 00:35:23,099

is it just a false memory or are

715

00:35:29,089 --> 00:35:26,900

parallel universes merging somehow

716

00:35:32,690 --> 00:35:29,099

uh yeah I think that's a little

717

00:35:35,810 --> 00:35:32,700

far-fetched it is perplexing to me

718

00:35:38,390 --> 00:35:35,820

though because I specifically I every

719

00:35:41,030 --> 00:35:38,400

fiber of me tells me that it was

720

00:35:43,250 --> 00:35:41,040

Bernstein when I was a child which

721

00:35:45,890 --> 00:35:43,260

altered our history and left many people

722

00:35:48,170 --> 00:35:45,900

perplexed by the change further

723

00:35:50,450 --> 00:35:48,180

theorists argue that this mess could

724

00:35:53,390 --> 00:35:50,460

have even been created by an errant time

725

00:35:55,370 --> 00:35:53,400

traveler but there is more to this the

726
00:35:58,130 --> 00:35:55,380
pronunciation was messed up even during

727
00:35:59,990 --> 00:35:58,140
the launch of the Animated Series take a

728
00:36:02,210 --> 00:36:00,000
quick listen to this part of the theme

729
00:36:04,370 --> 00:36:02,220
song which was here's where it gets

730
00:36:06,530 --> 00:36:04,380
crazy so maybe we're not all nuts

731
00:36:09,849 --> 00:36:06,540
remembering in a certain way it's played

732
00:36:13,310 --> 00:36:09,859
during every start of the video

733
00:36:15,290 --> 00:36:13,320
the Berenstain Bears there is other

734
00:36:18,710 --> 00:36:15,300
evidence to show people pronouncing

735
00:36:20,630 --> 00:36:18,720
Bernstein or Bernstein but let's move on

736
00:36:22,790 --> 00:36:20,640
to a different example because this one

737
00:36:25,030 --> 00:36:22,800
seems to have more of the problem of

738
00:36:28,550 --> 00:36:25,040

just Mass confusion

739

00:36:31,970 --> 00:36:28,560

mirror mirror on the wall or was it

740

00:36:33,589 --> 00:36:31,980

magic mirror on the wall yeah what do

741

00:36:36,410 --> 00:36:33,599

you remember in the live chat I remember

742

00:36:39,470 --> 00:36:36,420

mirror mirror on the wall who's the

743

00:36:41,690 --> 00:36:39,480

fairest of them all it's a magic mirror

744

00:36:44,450 --> 00:36:41,700

on the wall doesn't flow the same way it

745

00:36:46,550 --> 00:36:44,460

doesn't seem right to me this film quote

746

00:36:50,089 --> 00:36:46,560

that's misremembered by thousands of

747

00:36:52,970 --> 00:36:50,099

people is the 1937 Disney classic Snow

748

00:36:56,030 --> 00:36:52,980

White when the wicked queen says mirror

749

00:36:59,510 --> 00:36:56,040

mirror on the wall who's the fairest one

750

00:37:03,170 --> 00:36:59,520

of them all except that's not quite the

751
00:37:08,990 --> 00:37:03,180
right quote the correct quote is magic

752
00:37:12,470 --> 00:37:09,000
mirror on the wall who is the fairest

753
00:37:14,630 --> 00:37:12,480
you heard it right magic mirror on the

754
00:37:16,790 --> 00:37:14,640
wall this page that you are seeing here

755
00:37:19,849 --> 00:37:16,800
from the original source of the animated

756
00:37:21,770 --> 00:37:19,859
series and it reads mirror mirror on the

757
00:37:24,050 --> 00:37:21,780
series and since it was originally

758
00:37:26,510 --> 00:37:24,060
planned like this people adapt to the

759
00:37:28,970 --> 00:37:26,520
old version but this doesn't end here

760
00:37:32,630 --> 00:37:28,980
the most absurd part of that is the

761
00:37:35,450 --> 00:37:32,640
original Disney material in 1973 opted

762
00:37:38,329 --> 00:37:35,460
to use not so true version of it why is

763
00:37:41,210 --> 00:37:38,339

that so maybe we answer lies in a

764

00:37:43,550 --> 00:37:41,220

different time alternate reality which

765

00:37:45,970 --> 00:37:43,560

we might I'm not sure that this is an

766

00:37:49,430 --> 00:37:45,980

alternate reality merging with our own

767

00:37:51,950 --> 00:37:49,440

could it be that we all had the

768

00:37:53,510 --> 00:37:51,960

children's book as well when we were a

769

00:37:56,210 --> 00:37:53,520

child or mother

770

00:38:00,410 --> 00:37:56,220

had the book when we were babies and

771

00:38:03,589 --> 00:38:00,420

read it to us as Mirror Mirror

772

00:38:06,170 --> 00:38:03,599

maybe we are conflating

773

00:38:08,210 --> 00:38:06,180

two separate Memories the memory of

774

00:38:10,730 --> 00:38:08,220

watching the movie as a child and the

775

00:38:14,450 --> 00:38:10,740

memory of hearing our mothers or someone

776

00:38:17,150 --> 00:38:14,460

else or father or us ourselves reading

777

00:38:19,130 --> 00:38:17,160

the books which did say mirror mirror

778

00:38:20,630 --> 00:38:19,140

that's where things this is where things

779

00:38:24,349 --> 00:38:20,640

get confusing

780

00:38:28,310 --> 00:38:24,359

and I find my I found myself questioning

781

00:38:31,910 --> 00:38:28,320

my own memory I tried to remember really

782

00:38:33,950 --> 00:38:31,920

hard you know if my mother my mother uh

783

00:38:35,690 --> 00:38:33,960

despite our differences one of the

784

00:38:37,970 --> 00:38:35,700

things that I'm sure that my mother did

785

00:38:40,010 --> 00:38:37,980

right is when we were children she read

786

00:38:42,410 --> 00:38:40,020

books to us constantly

787

00:38:45,950 --> 00:38:42,420

and I'm sure she read Snow White to us

788

00:38:48,589 --> 00:38:45,960

I'm sure she read many Disney books to

789

00:38:51,710 --> 00:38:48,599

us when we were children and Bernstein

790

00:38:54,710 --> 00:38:51,720

Bears as well or no but one thing to

791

00:38:56,210 --> 00:38:54,720

note is that the word magic mirror was

792

00:38:57,910 --> 00:38:56,220

taken from a different cartoon

793

00:39:00,230 --> 00:38:57,920

altogether

794

00:39:02,450 --> 00:39:00,240

betting Booth that's where it gets

795

00:39:05,870 --> 00:39:02,460

interesting I don't know about any of

796

00:39:09,410 --> 00:39:05,880

you but I grew up watching uh Popeye

797

00:39:12,349 --> 00:39:09,420

reruns and yeah Betty Boop error in my

798

00:39:16,010 --> 00:39:12,359

hand holds the Paris in the land

799

00:39:17,089 --> 00:39:16,020

the Ford logo how do you remember it is

800

00:39:18,349 --> 00:39:17,099

it is

801
00:39:20,569 --> 00:39:18,359
or this

802
00:39:23,270 --> 00:39:20,579
everyone is pretty familiar with the

803
00:39:26,150 --> 00:39:23,280
Ford Motor Corp logo but some remember

804
00:39:28,490 --> 00:39:26,160
there never been a curly pigtail swirl

805
00:39:31,030 --> 00:39:28,500
in the capital F which is seen today

806
00:39:34,970 --> 00:39:31,040
yeah and how do you remember it because

807
00:39:37,490 --> 00:39:34,980
I don't remember the pigtail at all

808
00:39:39,530 --> 00:39:37,500
many people assume that the logo's

809
00:39:41,750 --> 00:39:39,540
inspiration must have been from Henry

810
00:39:43,849 --> 00:39:41,760
himself since it dates back to when he

811
00:39:46,190 --> 00:39:43,859
started building the company but the

812
00:39:48,470 --> 00:39:46,200
truth is it's not it's from the

813
00:39:51,530 --> 00:39:48,480

company's first chief engineer designer

814

00:39:53,930 --> 00:39:51,540

named Clyde Harold Wills Wills designed

815

00:39:56,329 --> 00:39:53,940

business cards and took the styling from

816

00:39:59,210 --> 00:39:56,339

some used Source on his own to use the

817

00:40:01,430 --> 00:39:59,220

forb logo when Henry asked him there

818

00:40:03,710 --> 00:40:01,440

have been various other instances of

819

00:40:06,230 --> 00:40:03,720

false memory including many from the

820

00:40:08,890 --> 00:40:06,240

Beloved Star Wars franchise and then

821

00:40:13,190 --> 00:40:08,900

stupid leg is gonna drive me crazy

822

00:40:16,190 --> 00:40:13,200

uh yeah and then I did see that yes you

823

00:40:17,870 --> 00:40:16,200

can see the silver leg at least in Star

824

00:40:20,569 --> 00:40:17,880

Wars A New Hope when I checked that

825

00:40:22,190 --> 00:40:20,579

desert scene where he and R2D2 are

826

00:40:25,310 --> 00:40:22,200

walking through the desert

827

00:40:28,130 --> 00:40:25,320

there's a silver portion of the of the

828

00:40:30,829 --> 00:40:28,140

leg that's not gold then why then do I

829

00:40:33,890 --> 00:40:30,839

so strongly remember that C-3PO was just

830

00:40:36,770 --> 00:40:33,900

all gold right and then they screwed us

831

00:40:39,410 --> 00:40:36,780

up even more with these last three

832

00:40:42,170 --> 00:40:39,420

trilogies giving him a red arm for no

833

00:40:44,630 --> 00:40:42,180

reason in one of them but due to so much

834

00:40:47,030 --> 00:40:44,640

conflicting evidence we simply can't

835

00:40:49,190 --> 00:40:47,040

cover all of this in this video

836

00:40:51,230 --> 00:40:49,200

now what would be the reason for the

837

00:40:53,569 --> 00:40:51,240

Mandela effect which people have

838

00:40:55,490 --> 00:40:53,579

experienced around the globe some

839

00:40:58,430 --> 00:40:55,500

doctors believe that the mandala effect

840

00:41:01,190 --> 00:40:58,440

is a form of confabulation a common

841

00:41:03,829 --> 00:41:01,200

analogy for confabulation is honest

842

00:41:06,470 --> 00:41:03,839

lying a person creates a false memory

843

00:41:08,990 --> 00:41:06,480

without intending to lie or deceive

844

00:41:11,450 --> 00:41:09,000

others instead they're attempting to

845

00:41:14,150 --> 00:41:11,460

fill the gaps in their own memory

846

00:41:16,510 --> 00:41:14,160

many examples of a mandala effect are

847

00:41:19,069 --> 00:41:16,520

close to the original or true memory

848

00:41:21,349 --> 00:41:19,079

confabulation is just a symptom of

849

00:41:23,750 --> 00:41:21,359

various memory disorders in which made

850

00:41:26,270 --> 00:41:23,760

up stories fill in any gaps in memory

851
00:41:28,609 --> 00:41:26,280
yeah it's interesting remember that we

852
00:41:31,130 --> 00:41:28,619
our brains are designed to recognize

853
00:41:33,170 --> 00:41:31,140
certain patterns and to make sense from

854
00:41:36,550 --> 00:41:33,180
nonsensical things and maybe our

855
00:41:39,950 --> 00:41:36,560
memories do fill in the blanks

856
00:41:42,710 --> 00:41:39,960
many of these things may be a matter of

857
00:41:44,690 --> 00:41:42,720
just how the brain works with patterns

858
00:41:48,230 --> 00:41:44,700
and pattern recognition and filling in

859
00:41:50,329 --> 00:41:48,240
the blanks when when information the

860
00:41:52,670 --> 00:41:50,339
total information is not available your

861
00:41:54,829 --> 00:41:52,680
mind will fill in the missing

862
00:41:57,410 --> 00:41:54,839
information some researchers believe

863
00:42:01,010 --> 00:41:57,420

that people even a large group of people

864

00:42:03,770 --> 00:42:01,020

use confabulation to remember what they

865

00:42:06,170 --> 00:42:03,780

feel is most likely a sequence of events

866

00:42:08,750 --> 00:42:06,180

but according to some proponents of the

867

00:42:11,630 --> 00:42:08,760

mandala effect this happens because of

868

00:42:14,089 --> 00:42:11,640

alternate universes or parallel universe

869

00:42:16,910 --> 00:42:14,099

the theory assumes that there are many

870

00:42:18,950 --> 00:42:16,920

universes existing at the same time so

871

00:42:21,530 --> 00:42:18,960

there can be multiple outcomes for a

872

00:42:25,069 --> 00:42:21,540

single thing so in our universe mandala

873

00:42:27,530 --> 00:42:25,079

died in 2013 but in alternate ones he

874

00:42:29,630 --> 00:42:27,540

died in prison in the 1980s and that's

875

00:42:31,370 --> 00:42:29,640

what is creating this false memory for

876

00:42:33,530 --> 00:42:31,380

large groups of people in existence

877

00:42:35,329 --> 00:42:33,540

there can be many ways of proving the

878

00:42:38,089 --> 00:42:35,339

Mandela effect based on Alternate

879

00:42:40,250 --> 00:42:38,099

realities Multiverse hypothesis and

880

00:42:42,250 --> 00:42:40,260

different timelines yes does anybody

881

00:42:45,050 --> 00:42:42,260

remember the television show sliders

882

00:42:48,050 --> 00:42:45,060

that was very interesting show that sort

883

00:42:49,970 --> 00:42:48,060

of explored the possibility of alternate

884

00:42:51,349 --> 00:42:49,980

worlds with these group of people that

885

00:42:53,810 --> 00:42:51,359

were trying to get back to their

886

00:42:55,609 --> 00:42:53,820

universe and it was interesting that

887

00:42:58,130 --> 00:42:55,619

occasionally they would slide into a

888

00:43:00,650 --> 00:42:58,140

world that would be almost exact to

889

00:43:04,490 --> 00:43:00,660

theirs with one little difference like

890

00:43:06,589 --> 00:43:04,500

the Nazis won World War II or uh the

891

00:43:09,950 --> 00:43:06,599

Soviets won the Cold War

892

00:43:11,990 --> 00:43:09,960

it's interesting to think about and

893

00:43:14,150 --> 00:43:12,000

I have a friend that's into physics who

894

00:43:15,770 --> 00:43:14,160

told me once you know I don't know if he

895

00:43:19,250 --> 00:43:15,780

still believes this but he told me that

896

00:43:22,190 --> 00:43:19,260

every decision that you're faced with

897

00:43:25,790 --> 00:43:22,200

can go like let's say for example you

898

00:43:28,550 --> 00:43:25,800

you reach a Crossroads on a hike and you

899

00:43:30,710 --> 00:43:28,560

go to the left path he said in an

900

00:43:33,710 --> 00:43:30,720

alternate universe you chose the right

901
00:43:35,329 --> 00:43:33,720
path and in that Universe you went down

902
00:43:37,730 --> 00:43:35,339
a different path

903
00:43:41,290 --> 00:43:37,740
every decision

904
00:43:43,550 --> 00:43:41,300
can be different in a parallel world

905
00:43:45,370 --> 00:43:43,560
strange to think about that every

906
00:43:48,589 --> 00:43:45,380
decision that we make

907
00:43:50,510 --> 00:43:48,599
somehow affects the Multiverse but those

908
00:43:52,069 --> 00:43:50,520
just don't seem very logical at their

909
00:43:55,309 --> 00:43:52,079
core

910
00:43:57,950 --> 00:43:55,319
now let's discuss what if we built a

911
00:43:59,150 --> 00:43:57,960
time travel machine well actually let's

912
00:44:01,910 --> 00:43:59,160
go ahead and save that for the next

913
00:44:03,829 --> 00:44:01,920

episode of discover Zen

914

00:44:06,790 --> 00:44:03,839

yeah and I I encourage you to check out

915

00:44:11,930 --> 00:44:06,800

his channel it's called discover Zen

916

00:44:13,910 --> 00:44:11,940

uh and I'm going to uh one second I'm

917

00:44:17,630 --> 00:44:13,920

going to

918

00:44:19,250 --> 00:44:17,640

copy the link and I will put it into our

919

00:44:22,430 --> 00:44:19,260

live chat here

920

00:44:24,109 --> 00:44:22,440

just bear with me one moment I want to

921

00:44:26,690 --> 00:44:24,119

make sure that we give credit where

922

00:44:28,370 --> 00:44:26,700

credit is due this is fair use it's

923

00:44:32,089 --> 00:44:28,380

transformative work and we're educating

924

00:44:34,130 --> 00:44:32,099

the public this guy does a great job uh

925

00:44:37,609 --> 00:44:34,140

explaining many strange things like the

926

00:44:40,270 --> 00:44:37,619

Mandela effect and time travel

927

00:44:44,030 --> 00:44:40,280

so I'm gonna put it into the live chat

928

00:44:46,550 --> 00:44:44,040

uh discover Zen

929

00:44:49,370 --> 00:44:46,560

and if you liked that video he's got

930

00:44:51,589 --> 00:44:49,380

many videos I'm going to ask him to be a

931

00:44:53,569 --> 00:44:51,599

guest here uh

932

00:44:56,329 --> 00:44:53,579

and talk about some of these strange

933

00:44:59,150 --> 00:44:56,339

Concepts that he covers including the

934

00:45:01,730 --> 00:44:59,160

plurality of Worlds simulation Theory

935

00:45:03,710 --> 00:45:01,740

the Mandela effect and many other things

936

00:45:06,050 --> 00:45:03,720

and I'm also going to edit the video and

937

00:45:07,790 --> 00:45:06,060

add it to the description

938

00:45:09,770 --> 00:45:07,800

um talk about doing things on the Fly

939

00:45:14,329 --> 00:45:09,780

Here video I'm just going to put videos

940

00:45:14,339 --> 00:45:18,230

cover Zen

941

00:45:18,240 --> 00:45:22,910

okay

942

00:45:26,690 --> 00:45:25,370

and so if you're interested in learning

943

00:45:29,210 --> 00:45:26,700

more about some of these strange

944

00:45:33,770 --> 00:45:29,220

Concepts he covers a lot of weird things

945

00:45:35,930 --> 00:45:33,780

like plurality of Worlds uh CERN by the

946

00:45:39,589 --> 00:45:35,940

way uh CERN

947

00:45:42,050 --> 00:45:39,599

many people uh I I went to go look up uh

948

00:45:48,410 --> 00:45:42,060

when did surge start

949

00:45:57,170 --> 00:45:51,190

oh see that's not right

950

00:46:03,170 --> 00:46:01,069

well the first website was April 1993

951
00:46:06,589 --> 00:46:03,180
but I'm trying to find out when the date

952
00:46:11,870 --> 00:46:08,990
yeah so if anybody knows put it in the

953
00:46:15,950 --> 00:46:11,880
live chat when was the CERN

954
00:46:18,050 --> 00:46:15,960
Large Hadron Collider first powered up

955
00:46:20,690 --> 00:46:18,060
or operational

956
00:46:23,890 --> 00:46:20,700
uh

957
00:46:26,930 --> 00:46:23,900
yeah I'm looking at Wikipedia

958
00:46:30,410 --> 00:46:26,940
uh it says it's a collaboration between

959
00:46:33,250 --> 00:46:30,420
1998 and 2008 with over 10 000

960
00:46:36,890 --> 00:46:33,260
scientists the first sessions were

961
00:46:40,430 --> 00:46:36,900
achieved in 2010 and we see the Mandela

962
00:46:44,030 --> 00:46:40,440
effect started in 2009 apparently or

963
00:46:47,510 --> 00:46:44,040

people noticed it some people have

964

00:46:49,609 --> 00:46:47,520

theorized that CERN is to blame for the

965

00:46:52,430 --> 00:46:49,619

Mandela effect because every time they

966

00:46:54,050 --> 00:46:52,440

climb particles or something we shift in

967

00:46:57,170 --> 00:46:54,060

the Multiverse or

968

00:47:00,230 --> 00:46:57,180

yeah I'm not sure how CERN plays a part

969

00:47:03,349 --> 00:47:00,240

in it but you you will notice that many

970

00:47:07,010 --> 00:47:03,359

many people theorize that there is some

971

00:47:11,510 --> 00:47:07,020

sort of connection to CERN CERN is

972

00:47:13,390 --> 00:47:11,520

somehow creating Quantum vacuums or

973

00:47:19,490 --> 00:47:13,400

parallel

974

00:47:22,730 --> 00:47:19,500

opening up portals to other universes

975

00:47:26,210 --> 00:47:22,740

somehow parallel Dimensions to our own

976

00:47:27,530 --> 00:47:26,220

which is modifying or rewriting our

977

00:47:31,010 --> 00:47:27,540

timeline

978

00:47:34,069 --> 00:47:31,020

the other big theory that I did really

979

00:47:37,250 --> 00:47:34,079

investigate is the theory that time

980

00:47:39,890 --> 00:47:37,260

travel is to blame somehow Time

981

00:47:41,809 --> 00:47:39,900

Travelers are creating this weird effect

982

00:47:45,290 --> 00:47:41,819

and I I don't understand how that could

983

00:47:47,809 --> 00:47:45,300

be like with Time Travelers go back in

984

00:47:51,050 --> 00:47:47,819

time and change all The Bernstein Bears

985

00:47:53,270 --> 00:47:51,060

books to say Bernstein why to see what

986

00:47:55,309 --> 00:47:53,280

would happen if people would retain the

987

00:47:57,849 --> 00:47:55,319

memory what if it's an experiment in

988

00:48:01,550 --> 00:47:57,859

time travel like let's go back in time

989

00:48:04,130 --> 00:48:01,560

and change The Bernstein Bears books to

990

00:48:07,790 --> 00:48:04,140

Bernstein and then go back to the

991

00:48:10,370 --> 00:48:07,800

present and see if people retain the

992

00:48:11,950 --> 00:48:10,380

original and true memory of it being

993

00:48:15,050 --> 00:48:11,960

Bernstein

994

00:48:19,010 --> 00:48:15,060

or if they just accept

995

00:48:21,470 --> 00:48:19,020

and their memories are Rewritten that it

996

00:48:25,010 --> 00:48:21,480

was always burn stain

997

00:48:27,349 --> 00:48:25,020

I don't know uh people have made all

998

00:48:30,050 --> 00:48:27,359

these theories about this stuff

999

00:48:32,329 --> 00:48:30,060

uh I think that it is a good possibility

1000

00:48:36,109 --> 00:48:32,339

however

1001
00:48:39,829 --> 00:48:36,119
um I found uh an article in medical news

1002
00:48:42,770 --> 00:48:39,839
today which I tended to agree heavily

1003
00:48:46,069 --> 00:48:42,780
with that a lot of this may be just

1004
00:48:50,030 --> 00:48:46,079
tricks of memory and time

1005
00:48:52,430 --> 00:48:50,040
uh so this article is from medical news

1006
00:48:54,730 --> 00:48:52,440
today what is the Mandela effect the

1007
00:48:57,770 --> 00:48:54,740
Mandela effect is a type of false memory

1008
00:48:59,870 --> 00:48:57,780
and many uh medical professionals

1009
00:49:02,750 --> 00:48:59,880
neurologists and scientists seem to

1010
00:49:04,309 --> 00:49:02,760
agree that this phenomenon is called by

1011
00:49:05,750 --> 00:49:04,319
false memory that occurs with many

1012
00:49:07,910 --> 00:49:05,760
different people incorrectly remember

1013
00:49:10,609 --> 00:49:07,920

the same thing it refers to widespread

1014

00:49:12,290 --> 00:49:10,619

false memory that Nelson Mandela South

1015

00:49:15,109 --> 00:49:12,300

African human rights activists and

1016

00:49:17,750 --> 00:49:15,119

eventual president died in the prison in

1017

00:49:19,609 --> 00:49:17,760

1980s the article goes on to State

1018

00:49:21,470 --> 00:49:19,619

memories are not always precise

1019

00:49:23,089 --> 00:49:21,480

recordings of events they can change

1020

00:49:25,010 --> 00:49:23,099

with time and a person may have

1021

00:49:27,890 --> 00:49:25,020

different memories in different contexts

1022

00:49:29,990 --> 00:49:27,900

memory is also highly suggestible which

1023

00:49:31,970 --> 00:49:30,000

means that other people's opinions and

1024

00:49:34,970 --> 00:49:31,980

memories May influence what a person

1025

00:49:36,410 --> 00:49:34,980

remembers and we can perhaps see

1026

00:49:39,470 --> 00:49:36,420

examples of that

1027

00:49:42,290 --> 00:49:39,480

and also group think I think is a

1028

00:49:44,450 --> 00:49:42,300

problem uh for example I was discussing

1029

00:49:45,470 --> 00:49:44,460

this effect with several different

1030

00:49:48,950 --> 00:49:45,480

people

1031

00:49:50,990 --> 00:49:48,960

and uh uh it appeared to me that at

1032

00:49:54,589 --> 00:49:51,000

least one person in our group was not

1033

00:49:58,730 --> 00:49:54,599

sure if they remembered Jiffy peanut

1034

00:50:01,390 --> 00:49:58,740

butter or not but when all of us said it

1035

00:50:04,309 --> 00:50:01,400

what there was Jiffy peanut butter

1036

00:50:05,650 --> 00:50:04,319

j-i-f-f-y suddenly that person who

1037

00:50:07,670 --> 00:50:05,660

wasn't sure

1038

00:50:09,950 --> 00:50:07,680

remembered yeah you're right you guys

1039

00:50:13,609 --> 00:50:09,960

are right it was Jiffy peanut butter

1040

00:50:16,550 --> 00:50:13,619

so I think that group dynamics or group

1041

00:50:18,410 --> 00:50:16,560

think sometimes referenced group

1042

00:50:20,930 --> 00:50:18,420

dynamics is probably the proper

1043

00:50:26,030 --> 00:50:20,940

psychological term the peer pressure

1044

00:50:28,069 --> 00:50:26,040

that people may uh be influenced by

1045

00:50:30,170 --> 00:50:28,079

thus widespread incorrect information

1046

00:50:32,750 --> 00:50:30,180

can suddenly influence individual

1047

00:50:35,510 --> 00:50:32,760

memories giving rise to conspiracy

1048

00:50:37,550 --> 00:50:35,520

theories and harmful false beliefs

1049

00:50:40,790 --> 00:50:37,560

incorrect beliefs about the death of

1050

00:50:43,250 --> 00:50:40,800

Nelson Mandela are just one example of

1051

00:50:44,809 --> 00:50:43,260

the Mandela effect

1052

00:50:47,210 --> 00:50:44,819

um

1053

00:50:52,010 --> 00:50:47,220

you know so we've covered this Fiona

1054

00:50:53,930 --> 00:50:52,020

Broome is what uh who created or is

1055

00:50:55,910 --> 00:50:53,940

credited largely credited with the

1056

00:50:58,250 --> 00:50:55,920

originator of this thing called the

1057

00:51:00,770 --> 00:50:58,260

Mandela effect but here we get again

1058

00:51:03,470 --> 00:51:00,780

this is from medical news today

1059

00:51:05,150 --> 00:51:03,480

dot com uh it's one of their many

1060

00:51:06,910 --> 00:51:05,160

articles there I encourage you to check

1061

00:51:10,730 --> 00:51:06,920

them out they have good information

1062

00:51:12,710 --> 00:51:10,740

memory is highly malleable input from

1063

00:51:14,809 --> 00:51:12,720

other people can change memories causing

1064

00:51:16,970 --> 00:51:14,819

people to misremember events or remember

1065

00:51:19,670 --> 00:51:16,980

events that never happen some potential

1066

00:51:22,670 --> 00:51:19,680

causes of the Mandela effect include

1067

00:51:24,890 --> 00:51:22,680

false memories false memories are untrue

1068

00:51:27,230 --> 00:51:24,900

or distorted Recollections of an event

1069

00:51:29,390 --> 00:51:27,240

some false memories contain elements of

1070

00:51:31,849 --> 00:51:29,400

fact closely resembling an actual event

1071

00:51:32,809 --> 00:51:31,859

in question however others are entirely

1072

00:51:36,109 --> 00:51:32,819

false

1073

00:51:38,270 --> 00:51:36,119

memory is very suggestible this means

1074

00:51:39,710 --> 00:51:38,280

that information from another person a

1075

00:51:41,750 --> 00:51:39,720

person's desire to believe something

1076

00:51:44,329 --> 00:51:41,760

different or false information online

1077

00:51:46,490 --> 00:51:44,339

can influence memory

1078

00:51:47,870 --> 00:51:46,500

yeah and I wondered during the course of

1079

00:51:51,410 --> 00:51:47,880

researching this

1080

00:51:54,470 --> 00:51:51,420

are we all really remembering things a

1081

00:51:57,910 --> 00:51:54,480

certain way or is there some

1082

00:52:01,250 --> 00:51:57,920

manipulation going on right like

1083

00:52:04,010 --> 00:52:01,260

it's hard to get your brain around some

1084

00:52:05,990 --> 00:52:04,020

of this I some of this like it was head

1085

00:52:08,569 --> 00:52:06,000

scratchers some of it kind of gave me a

1086

00:52:10,370 --> 00:52:08,579

headache trying so hard to intensely

1087

00:52:12,290 --> 00:52:10,380

remember

1088

00:52:14,210 --> 00:52:12,300

the article goes on to state that people

1089

00:52:16,010 --> 00:52:14,220

can believe a wide variety of false

1090

00:52:17,870 --> 00:52:16,020

things for example scientists have been

1091

00:52:19,970 --> 00:52:17,880

able to falsely induce memories of

1092

00:52:21,770 --> 00:52:19,980

committing a crime in one study people

1093

00:52:23,930 --> 00:52:21,780

could not distinguish Falls from real

1094

00:52:25,970 --> 00:52:23,940

memories researchers have discovered a

1095

00:52:29,630 --> 00:52:25,980

simple method of inducing false memories

1096

00:52:32,589 --> 00:52:29,640

called the dees rodinger McDermott task

1097

00:52:34,849 --> 00:52:32,599

Paradigm during the DRM task Paradigm

1098

00:52:37,370 --> 00:52:34,859

participants read a list of related

1099

00:52:39,430 --> 00:52:37,380

words such as zebra monkey whale snake

1100

00:52:41,809 --> 00:52:39,440

elephant after reading the list

1101
00:52:44,930 --> 00:52:41,819
researchers will ask whether or not they

1102
00:52:47,030 --> 00:52:44,940
recall recall a lure word which is

1103
00:52:48,890 --> 00:52:47,040
related word not on the list usually the

1104
00:52:51,290 --> 00:52:48,900
participants will recognize the lure

1105
00:52:52,910 --> 00:52:51,300
word and recall reading it even though

1106
00:52:56,270 --> 00:52:52,920
it was never on the list

1107
00:52:58,490 --> 00:52:56,280
then we have confabulation which uh the

1108
00:53:00,589 --> 00:52:58,500
video covered priming

1109
00:53:01,910 --> 00:53:00,599
in Psychology priming describes a

1110
00:53:04,309 --> 00:53:01,920
phenomenon which the exposure to

1111
00:53:06,950 --> 00:53:04,319
stimulus directly influences a person's

1112
00:53:10,790 --> 00:53:06,960
response to subsequent stimulus for

1113
00:53:12,710 --> 00:53:10,800

example if a person reads or hears the

1114

00:53:15,290 --> 00:53:12,720

word grass they will recognize another

1115

00:53:17,710 --> 00:53:15,300

related words such as tree or lawn mower

1116

00:53:20,750 --> 00:53:17,720

more quickly than an unrelated word

1117

00:53:22,730 --> 00:53:20,760

priming uses suggests suggestive

1118

00:53:24,770 --> 00:53:22,740

techniques to trigger a certain response

1119

00:53:26,809 --> 00:53:24,780

for example did you grab the red ball

1120

00:53:28,790 --> 00:53:26,819

from the Shelf is much more suggestive

1121

00:53:30,589 --> 00:53:28,800

than the phrase did you take anything

1122

00:53:34,250 --> 00:53:30,599

from this Shelf

1123

00:53:36,650 --> 00:53:34,260

yeah so it could be the power of

1124

00:53:39,170 --> 00:53:36,660

suggestion right to just suggest hey

1125

00:53:40,549 --> 00:53:39,180

everybody else remembers it this way how

1126

00:53:42,950 --> 00:53:40,559

do you remember it

1127

00:53:44,809 --> 00:53:42,960

again group dynamics may play a part in

1128

00:53:46,790 --> 00:53:44,819

this and he and then it gets crazy

1129

00:53:49,010 --> 00:53:46,800

alternate realities are parallel

1130

00:53:50,750 --> 00:53:49,020

universes broom describes the Mandela

1131

00:53:53,390 --> 00:53:50,760

effect as a clear memory of an event

1132

00:53:55,430 --> 00:53:53,400

that never occurred in this reality

1133

00:53:57,349 --> 00:53:55,440

her explanation ties into several

1134

00:53:59,510 --> 00:53:57,359

popular theories that suggest that the

1135

00:54:01,730 --> 00:53:59,520

Mandela effect occurs when our reality

1136

00:54:04,670 --> 00:54:01,740

interacts with other alternate realities

1137

00:54:06,770 --> 00:54:04,680

or parallel universes while these

1138

00:54:09,470 --> 00:54:06,780

explanations draw upon real theories in

1139

00:54:11,089 --> 00:54:09,480

physics they lack scientific support for

1140

00:54:13,190 --> 00:54:11,099

example some people argue that the

1141

00:54:14,690 --> 00:54:13,200

Mantella effect provides evidence for

1142

00:54:17,390 --> 00:54:14,700

multiple universe

1143

00:54:19,250 --> 00:54:17,400

universes some physicists drawing on

1144

00:54:20,750 --> 00:54:19,260

theories such as String Theory argue

1145

00:54:22,130 --> 00:54:20,760

that there are infinite possible

1146

00:54:24,049 --> 00:54:22,140

universes

1147

00:54:26,109 --> 00:54:24,059

and then of course people are influenced

1148

00:54:28,609 --> 00:54:26,119

by the internet

1149

00:54:30,829 --> 00:54:28,619

features of the Mandela effect can

1150

00:54:33,790 --> 00:54:30,839

include having a distorted memories

1151

00:54:36,349 --> 00:54:33,800

which aspects are partially or entirely

1152

00:54:38,089 --> 00:54:36,359

inaccurate clearly remembering entire

1153

00:54:40,670 --> 00:54:38,099

events that did not happen

1154

00:54:43,670 --> 00:54:40,680

several unrelated people sharing similar

1155

00:54:45,410 --> 00:54:43,680

distorted or inaccurate memories and

1156

00:54:46,730 --> 00:54:45,420

then we've already covered these

1157

00:54:50,510 --> 00:54:46,740

examples

1158

00:54:52,670 --> 00:54:50,520

here how to recognize false memories

1159

00:54:54,349 --> 00:54:52,680

Consulting reliable sources such as

1160

00:54:56,750 --> 00:54:54,359

encyclopedia

1161

00:54:58,250 --> 00:54:56,760

mainstream news sites or peer-reviewed

1162

00:55:00,410 --> 00:54:58,260

journals but how do we know that the

1163

00:55:02,109 --> 00:55:00,420

timeline didn't change those you know

1164

00:55:04,849 --> 00:55:02,119

this is where it gets complicated

1165

00:55:07,010 --> 00:55:04,859

considering whether or not they may have

1166

00:55:09,890 --> 00:55:07,020

a memory because someone else has that

1167

00:55:12,170 --> 00:55:09,900

memory seeking independent evidence to

1168

00:55:14,150 --> 00:55:12,180

support memories that seem suspicious or

1169

00:55:17,569 --> 00:55:14,160

potentially harmful

1170

00:55:19,430 --> 00:55:17,579

and in summary uh this article from

1171

00:55:21,230 --> 00:55:19,440

medical news today States the Mandela

1172

00:55:23,089 --> 00:55:21,240

effect refers to widespread false

1173

00:55:26,270 --> 00:55:23,099

memories that large numbers of people or

1174

00:55:27,829 --> 00:55:26,280

group of individual people believe they

1175

00:55:29,930 --> 00:55:27,839

may be harmless but can also support

1176

00:55:32,990 --> 00:55:29,940

conspiracy theories with political

1177

00:55:34,970 --> 00:55:33,000

agendas memory is not a perfect

1178

00:55:37,010 --> 00:55:34,980

recording of events that happened it can

1179

00:55:39,349 --> 00:55:37,020

change with time and with practice and

1180

00:55:41,150 --> 00:55:39,359

priming if a person's only source of

1181

00:55:43,309 --> 00:55:41,160

evidence that something happened is from

1182

00:55:46,190 --> 00:55:43,319

their own memory it is possible it did

1183

00:55:48,530 --> 00:55:46,200

not happen independent verification of

1184

00:55:51,109 --> 00:55:48,540

memories especially those with important

1185

00:55:53,450 --> 00:55:51,119

social or political consequences can

1186

00:55:55,549 --> 00:55:53,460

slow the spread of misinformation and

1187

00:55:56,750 --> 00:55:55,559

conspiracies and while we're on that

1188

00:55:59,829 --> 00:55:56,760

subject

1189

00:56:05,089 --> 00:55:59,839

the Mandela effect is

1190

00:56:07,250 --> 00:56:05,099

really has caused a great deal of

1191

00:56:09,109 --> 00:56:07,260

conspiracy theories there are now

1192

00:56:10,910 --> 00:56:09,119

Mandela effect conspiracy theories

1193

00:56:13,609 --> 00:56:10,920

surrounding CERN

1194

00:56:17,230 --> 00:56:13,619

uh there are also conspiracy theories

1195

00:56:20,630 --> 00:56:17,240

concerning the Mandela effect and

1196

00:56:23,870 --> 00:56:20,640

nuclear weapons that somehow

1197

00:56:26,690 --> 00:56:23,880

this Mandela effect is created

1198

00:56:29,930 --> 00:56:26,700

because of ripples in Time created by

1199

00:56:32,930 --> 00:56:29,940

atomic or nuclear weapons and weapons

1200

00:56:36,170 --> 00:56:32,940

testing somehow

1201
00:56:39,109 --> 00:56:36,180
um you know that uh opens a portal to

1202
00:56:42,109 --> 00:56:39,119
other dimensions and things flip around

1203
00:56:43,870 --> 00:56:42,119
or change around there's an infinite

1204
00:56:45,829 --> 00:56:43,880
number of conspiracy theories

1205
00:56:49,069 --> 00:56:45,839
surrounding this

1206
00:56:51,589 --> 00:56:49,079
and while I do have to admit that many

1207
00:56:54,470 --> 00:56:51,599
of these examples are head scratchers I

1208
00:56:56,809 --> 00:56:54,480
look I swear I remember Jiffy peanut

1209
00:56:57,950 --> 00:56:56,819
butter and a bunch of other things but

1210
00:57:02,450 --> 00:56:57,960
we get

1211
00:57:04,370 --> 00:57:02,460
to the the science here and I uh you

1212
00:57:07,010 --> 00:57:04,380
know lean towards

1213
00:57:09,410 --> 00:57:07,020

this is an alternate Dimensions or

1214

00:57:12,230 --> 00:57:09,420

universes this isn't Time Travelers

1215

00:57:13,970 --> 00:57:12,240

affecting the timeline this is simply

1216

00:57:18,230 --> 00:57:13,980

the fallibility

1217

00:57:22,670 --> 00:57:18,240

and the fragility of the human mind

1218

00:57:26,930 --> 00:57:22,680

uh but before we before we so quickly uh

1219

00:57:31,069 --> 00:57:26,940

dismiss this as maybe uh nothing

1220

00:57:35,270 --> 00:57:33,530

okay I'm getting a message from Steve

1221

00:57:39,530 --> 00:57:35,280

long

1222

00:57:43,069 --> 00:57:39,540

uh uh yeah yeah I'll I'll get with you

1223

00:57:46,569 --> 00:57:43,079

Steve long off air sorry live right now

1224

00:57:48,589 --> 00:57:46,579

uh Steve long was going to be a guest

1225

00:57:51,470 --> 00:57:48,599

this week

1226
00:57:55,609 --> 00:57:51,480
but may have to reschedule so not really

1227
00:57:59,210 --> 00:57:55,619
important let me see if we can't find

1228
00:58:02,329 --> 00:57:59,220
what I'm looking for the best example to

1229
00:58:05,450 --> 00:58:02,339
me of the Mandela effect uh was brought

1230
00:58:07,670 --> 00:58:05,460
to me by Bob kiviatt uh I guess he's the

1231
00:58:09,109 --> 00:58:07,680
expert remember he's the guy who is

1232
00:58:12,770 --> 00:58:09,119
going to

1233
00:58:15,470 --> 00:58:12,780
uh do a whole documentary on this

1234
00:58:18,349 --> 00:58:15,480
and I have to say that this is the one

1235
00:58:21,290 --> 00:58:18,359
that really floored me

1236
00:58:25,490 --> 00:58:21,300
um and I want to know is this the best

1237
00:58:28,670 --> 00:58:25,500
example uh that you have seen in

1238
00:58:30,730 --> 00:58:28,680

tonight's show uh one second first I

1239

00:58:33,530 --> 00:58:30,740

gotta put my fair use banner up for sure

1240

00:58:36,710 --> 00:58:33,540

we're going to be sharing a clip of

1241

00:58:39,349 --> 00:58:36,720

Jimmy Kimmel and this example of the

1242

00:58:41,930 --> 00:58:39,359

Mandela effect is the one that truly

1243

00:58:44,690 --> 00:58:41,940

floored me because I'm sure I remember

1244

00:58:48,049 --> 00:58:44,700

this from my childhood a certain way

1245

00:58:51,609 --> 00:58:48,059

and also I Was A Boy Scout so they

1246

00:58:55,010 --> 00:58:51,619

drummed this guy into our heads

1247

00:58:58,010 --> 00:58:55,020

literally every camping trip they would

1248

00:59:01,190 --> 00:58:58,020

read to us something about this

1249

00:59:04,609 --> 00:59:01,200

character uh the only you can prevent

1250

00:59:07,190 --> 00:59:04,619

forest fires and I am sure that I

1251
00:59:10,730 --> 00:59:07,200
remember the character being named a

1252
00:59:12,530 --> 00:59:10,740
certain way positive positive uh this

1253
00:59:16,309 --> 00:59:12,540
one I really thought about

1254
00:59:19,010 --> 00:59:16,319
even asked around I I wanted to contact

1255
00:59:21,049 --> 00:59:19,020
old boy scout and Cub Scout friends of

1256
00:59:22,670 --> 00:59:21,059
mine from grade school and go how do you

1257
00:59:24,230 --> 00:59:22,680
remember this remember they used to

1258
00:59:27,410 --> 00:59:24,240
tell us about this guy

1259
00:59:28,849 --> 00:59:27,420
if only you can prevent forest fires so

1260
00:59:30,589 --> 00:59:28,859
uh we're going to be sharing a Jimmy

1261
00:59:32,870 --> 00:59:30,599
Kimmel clip which I'm I'm always

1262
00:59:35,270 --> 00:59:32,880
hesitant to share big companies Clips

1263
00:59:37,430 --> 00:59:35,280

because they always I always got to deal

1264

00:59:39,049 --> 00:59:37,440

with paperwork but this one's so

1265

00:59:41,630 --> 00:59:39,059

important that I did not want to leave

1266

00:59:43,730 --> 00:59:41,640

it out and it's important that I stress

1267

00:59:45,589 --> 00:59:43,740

that this is fair use this is a

1268

00:59:47,990 --> 00:59:45,599

transformative work we're educating the

1269

00:59:50,390 --> 00:59:48,000

public about this Mandela effect and

1270

00:59:51,230 --> 00:59:50,400

Jimmy Kimmel experienced it live on his

1271

00:59:53,089 --> 00:59:51,240

show

1272

00:59:54,589 --> 00:59:53,099

so we're educating the public we'll be

1273

00:59:56,630 --> 00:59:54,599

critiquing And discussing the video

1274

00:59:59,089 --> 00:59:56,640

we're sharing this is certainly covered

1275

01:00:01,609 --> 00:59:59,099

under the principle of fair use and is

1276

01:00:04,250 --> 01:00:01,619

allowable by law

1277

01:00:06,349 --> 01:00:04,260

now let's get into this this is the

1278

01:00:08,510 --> 01:00:06,359

crazy one this is the one that made me

1279

01:00:12,410 --> 01:00:08,520

go there's got to be something to this

1280

01:00:15,470 --> 01:00:12,420

and sent me uh you know rushing down

1281

01:00:18,349 --> 01:00:15,480

this Rabbit Hole especially this one I

1282

01:00:20,750 --> 01:00:18,359

had to get some explanation I looked at

1283

01:00:22,609 --> 01:00:20,760

this listened to this and said there's

1284

01:00:26,510 --> 01:00:22,619

got to be some explanation for this one

1285

01:00:29,089 --> 01:00:26,520

because this is crazy this one is my

1286

01:00:31,190 --> 01:00:29,099

favorite uh we saved the best for last

1287

01:00:34,250 --> 01:00:31,200

uh in the presentation here so this is

1288

01:00:37,490 --> 01:00:34,260

Jimmy Kimmel experiencing the Mandela

1289

01:00:40,609 --> 01:00:37,500

effect live on his show uh brought to us

1290

01:00:41,210 --> 01:00:40,619

this one was discovered by

1291

01:00:49,780 --> 01:00:41,220

um

1292

01:00:53,510 --> 01:00:51,650

[Music]

1293

01:00:56,390 --> 01:00:53,520

happy Halloween

1294

01:00:59,089 --> 01:00:56,400

oh I do want to tell you it's uh said

1295

01:01:01,670 --> 01:00:59,099

Relax it's not Smokey the Bear it's

1296

01:01:03,589 --> 01:01:01,680

Smokey Bear I found out there's no V in

1297

01:01:05,450 --> 01:01:03,599

the name which I have to say shook me to

1298

01:01:07,609 --> 01:01:05,460

the court 50 years I've been saying

1299

01:01:09,470 --> 01:01:07,619

Smokey the Bear this is like finding out

1300

01:01:12,349 --> 01:01:09,480

it's Cedric Entertainer and you've been

1301

01:01:12,359 --> 01:01:16,730

all right let's go there we go

1302

01:01:24,289 --> 01:01:19,130

apparently

1303

01:01:27,710 --> 01:01:24,299

it's never been Smokey the Bear never

1304

01:01:32,150 --> 01:01:27,720

I went and uh

1305

01:01:36,349 --> 01:01:32,160

looked I looked I was sure that it was

1306

01:01:38,990 --> 01:01:36,359

always Smokey the Bear always I was a

1307

01:01:41,710 --> 01:01:39,000

cub scale I Was A Boy Scout my dad was a

1308

01:01:44,510 --> 01:01:41,720

cub scout master my mom was a den mother

1309

01:01:46,370 --> 01:01:44,520

there was Smokey the Bear posters they

1310

01:01:49,910 --> 01:01:46,380

would give the Cub Scouts only you can

1311

01:01:51,829 --> 01:01:49,920

prevent forest fires Smokey the Bear I'm

1312

01:01:53,650 --> 01:01:51,839

sure I remember seeing public service

1313

01:01:56,930 --> 01:01:53,660

announcements where they called them

1314

01:01:59,990 --> 01:01:56,940

Smokey the Bear it's always to me been

1315

01:02:03,829 --> 01:02:00,000

Smokey the Bear Smokey Bear what the

1316

01:02:07,130 --> 01:02:03,839

hell is Smokey Bear it's Smokey the Bear

1317

01:02:09,349 --> 01:02:07,140

you tell me in the live chat is it was

1318

01:02:11,569 --> 01:02:09,359

it Smokey the Bear when you were growing

1319

01:02:13,010 --> 01:02:11,579

up do you remember Smokey the Bear or

1320

01:02:19,250 --> 01:02:13,020

Smokey Bear

1321

01:02:21,829 --> 01:02:19,260

wrong it was never Smoky bear it was

1322

01:02:23,930 --> 01:02:21,839

always Smokey the Bear

1323

01:02:26,030 --> 01:02:23,940

apparently

1324

01:02:29,870 --> 01:02:26,040

all I have been able to find out about

1325

01:02:33,589 --> 01:02:29,880

this is that there was a soul

1326
01:02:36,589 --> 01:02:33,599
and the songwriter Smokey Bear was too

1327
01:02:40,370 --> 01:02:36,599
short to fit in the bar of music that he

1328
01:02:44,270 --> 01:02:40,380
was singing the Smoky bear song over so

1329
01:02:48,170 --> 01:02:44,280
he added the bear Smokey the Bear that

1330
01:02:50,750 --> 01:02:48,180
was the only time and reference now uh

1331
01:02:52,430 --> 01:02:50,760
this is where it gets this is where it

1332
01:02:56,510 --> 01:02:52,440
gets crazy because

1333
01:02:57,890 --> 01:02:56,520
uh if you look up Smokey the Bear or

1334
01:03:02,329 --> 01:02:57,900
Smokey Bear

1335
01:03:05,150 --> 01:03:02,339
not Smokey the Bear

1336
01:03:07,130 --> 01:03:05,160
the was at it when songwriters penned

1337
01:03:09,230 --> 01:03:07,140
Smokey's tune it helped with the rhythm

1338
01:03:10,010 --> 01:03:09,240

of the song it's the only time Smokey

1339

01:03:14,450 --> 01:03:10,020

Bear

1340

01:03:17,809 --> 01:03:14,460

ever had a middle name and if we look at

1341

01:03:20,930 --> 01:03:17,819

the images it's always just that you

1342

01:03:23,630 --> 01:03:20,940

never see it written Smokey the Bear

1343

01:03:27,349 --> 01:03:23,640

it's always Smokey Bear

1344

01:03:31,430 --> 01:03:27,359

and that floored me because I this is

1345

01:03:33,230 --> 01:03:31,440

the one example where I am most sure I'm

1346

01:03:34,730 --> 01:03:33,240

pretty sure on the Jiffy peanut butter

1347

01:03:38,510 --> 01:03:34,740

and a bunch of these other things

1348

01:03:40,910 --> 01:03:38,520

examples but on Smokey the Bear I was

1349

01:03:46,010 --> 01:03:40,920

convinced right

1350

01:03:49,130 --> 01:03:46,020

no and uh here here we see it's Smokey

1351

01:03:53,049 --> 01:03:49,140

Bear you will you will not see in print

1352

01:03:56,870 --> 01:03:53,059

ads it ever ever say Smokey the Bear

1353

01:04:00,049 --> 01:03:56,880

it's always Smokey Bear

1354

01:04:04,130 --> 01:04:00,059

Smokey Bear it does it makes no sense to

1355

01:04:07,010 --> 01:04:04,140

me my whole childhood was a lie right

1356

01:04:09,890 --> 01:04:07,020

it's always just Smokey Bear you will

1357

01:04:12,890 --> 01:04:09,900

never see it written with a the there's

1358

01:04:15,049 --> 01:04:12,900

no middle name it's Smokey Bear not

1359

01:04:18,770 --> 01:04:15,059

Smokey the Bear

1360

01:04:21,109 --> 01:04:18,780

so either my whole childhood is a lie or

1361

01:04:23,390 --> 01:04:21,119

there's time travelers rewriting the

1362

01:04:25,609 --> 01:04:23,400

timeline that I'm currently experiencing

1363

01:04:27,710 --> 01:04:25,619

or

1364

01:04:29,450 --> 01:04:27,720

this is conflation

1365

01:04:32,990 --> 01:04:29,460

somehow

1366

01:04:35,270 --> 01:04:33,000

people just maybe it was adults that

1367

01:04:38,150 --> 01:04:35,280

would say Smokey the Bear when they were

1368

01:04:40,250 --> 01:04:38,160

talking about it to me as a Cub Scout

1369

01:04:43,849 --> 01:04:40,260

and a Boy Scout I specifically remember

1370

01:04:45,770 --> 01:04:43,859

Cub Scout and boy scouts leaders

1371

01:04:48,049 --> 01:04:45,780

and

1372

01:04:49,849 --> 01:04:48,059

before we'd go on a camping trip they

1373

01:04:51,770 --> 01:04:49,859

would always remind us you have to be

1374

01:04:55,190 --> 01:04:51,780

very very careful to prevent forest

1375

01:04:58,190 --> 01:04:55,200

fires like Smokey the Bear says only you

1376

01:05:01,190 --> 01:04:58,200

can prevent forest fires remember Smokey

1377

01:05:04,069 --> 01:05:01,200

the Bear kids and don't do anything

1378

01:05:06,950 --> 01:05:04,079

dangerous on our camping trip when we

1379

01:05:08,750 --> 01:05:06,960

would put out campfires I remember we'd

1380

01:05:10,609 --> 01:05:08,760

all have to get our canteens out or

1381

01:05:14,569 --> 01:05:10,619

whatever and put out the campfire

1382

01:05:18,470 --> 01:05:14,579

together and it had to be cold out why

1383

01:05:20,450 --> 01:05:18,480

because Smokey the Bear says only you

1384

01:05:23,630 --> 01:05:20,460

can prevent forest fires that fire had

1385

01:05:26,630 --> 01:05:23,640

to be cold out before we would leave

1386

01:05:29,030 --> 01:05:26,640

we would never leave hot coals in a fire

1387

01:05:33,170 --> 01:05:29,040

ring or anything like that because of

1388

01:05:36,230 --> 01:05:33,180

Smokey the Bear right and we can see

1389

01:05:38,270 --> 01:05:36,240

that people are searching for logos for

1390

01:05:41,210 --> 01:05:38,280

Smokey the Bear and even if you search

1391

01:05:45,349 --> 01:05:41,220

for Logos you won't find Smokey the Bear

1392

01:05:47,690 --> 01:05:45,359

you will only find Smokey Bear

1393

01:05:49,670 --> 01:05:47,700

like I said my whole childhood is

1394

01:05:54,109 --> 01:05:49,680

perhaps a lie

1395

01:05:56,510 --> 01:05:54,119

and uh but you know I'm still more

1396

01:05:58,870 --> 01:05:56,520

interested in what you guys think than

1397

01:06:02,930 --> 01:05:58,880

what I think

1398

01:06:04,370 --> 01:06:02,940

while I uh am a little too skeptical to

1399

01:06:06,470 --> 01:06:04,380

just suddenly believe that time

1400

01:06:09,950 --> 01:06:06,480

travelers are slowly rewriting the

1401
01:06:12,650 --> 01:06:09,960
timeline I'm on and causing changes like

1402
01:06:14,809 --> 01:06:12,660
Smokey the Bear turns into Smokey Bear

1403
01:06:17,450 --> 01:06:14,819
and then you have to ask yourself why

1404
01:06:21,049 --> 01:06:17,460
would Time Travelers do that it doesn't

1405
01:06:26,990 --> 01:06:23,990
I just I don't understand

1406
01:06:29,809 --> 01:06:27,000
um so you know while I'm too skeptical

1407
01:06:31,609 --> 01:06:29,819
to to jump into Time Travelers and

1408
01:06:34,789 --> 01:06:31,619
Alternate dimensions

1409
01:06:36,890 --> 01:06:34,799
that there just still appears or seems

1410
01:06:40,450 --> 01:06:36,900
to me to be something more to this than

1411
01:06:43,130 --> 01:06:40,460
simply a play on memory in the live chat

1412
01:06:46,069 --> 01:06:43,140
please tell me do you remember it as

1413
01:06:49,130 --> 01:06:46,079

Smokey the Bear or Smokey Bear

1414

01:06:51,710 --> 01:06:49,140

I've never heard the term Smokey Bear in

1415

01:06:55,789 --> 01:06:51,720

my whole life it's always been called

1416

01:07:00,589 --> 01:06:58,370

yeah and sports we'll take comments and

1417

01:07:03,230 --> 01:07:00,599

questions the Mandela effect is a memory

1418

01:07:06,829 --> 01:07:03,240

phenomenon yeah that's what we're that's

1419

01:07:09,289 --> 01:07:06,839

what I'm finding out but I I still am

1420

01:07:11,029 --> 01:07:09,299

I'm struggling to go it's just a memory

1421

01:07:12,829 --> 01:07:11,039

it's just a weird thing it's just a

1422

01:07:14,510 --> 01:07:12,839

weird thing with your memory it's not

1423

01:07:17,089 --> 01:07:14,520

you know there's nothing

1424

01:07:19,609 --> 01:07:17,099

there's nothing special or crazy going

1425

01:07:22,609 --> 01:07:19,619

on here right

1426

01:07:24,950 --> 01:07:22,619

all right and uh

1427

01:07:29,510 --> 01:07:24,960

I want to thank Victor wag for a Kind

1428

01:07:32,650 --> 01:07:29,520

and Generous uh uh 6.99 Canadian who

1429

01:07:36,170 --> 01:07:32,660

says Jiffy peanut butter is people

1430

01:07:39,710 --> 01:07:36,180

misapplying Jiffy Pop Popcorn that's

1431

01:07:41,750 --> 01:07:39,720

maybe where it is geez you know you know

1432

01:07:43,789 --> 01:07:41,760

how you tell somebody's age they

1433

01:07:45,589 --> 01:07:43,799

remember Jiffy Pop

1434

01:07:47,750 --> 01:07:45,599

iffy pop

1435

01:07:49,370 --> 01:07:47,760

let's look that up thank you for sharing

1436

01:07:54,890 --> 01:07:49,380

that I wouldn't

1437

01:07:54,900 --> 01:07:59,270

that's pretty interesting

1438

01:08:03,770 --> 01:08:01,370

does anybody else remember Jiffy Pop

1439

01:08:06,529 --> 01:08:03,780

growing up I do

1440

01:08:09,770 --> 01:08:06,539

we always had it when we went camping

1441

01:08:12,950 --> 01:08:09,780

and Jiffy Pop for you youngsters out

1442

01:08:15,410 --> 01:08:12,960

there it's what we had before microwave

1443

01:08:17,510 --> 01:08:15,420

popcorn

1444

01:08:22,430 --> 01:08:17,520

came in this thing he put on the stove

1445

01:08:28,490 --> 01:08:24,769

that's weird

1446

01:08:33,769 --> 01:08:31,729

uh what happened to my Jiffy Pop so oh

1447

01:08:38,209 --> 01:08:33,779

here this will be a better example I'm

1448

01:08:42,050 --> 01:08:38,219

sorry let me uh let me share this

1449

01:08:44,630 --> 01:08:42,060

so Jiffy Pop was before

1450

01:08:47,150 --> 01:08:44,640

uh

1451

01:08:49,430 --> 01:08:47,160

Jiffy Pop was before microwave popcorn

1452

01:08:51,530 --> 01:08:49,440

before microwaves were big yeah we used

1453

01:08:54,650 --> 01:08:51,540

to have to cook stuff

1454

01:08:57,229 --> 01:08:54,660

and it would cook up and pop up and then

1455

01:08:59,269 --> 01:08:57,239

he would eat it like and I as I recall

1456

01:09:02,030 --> 01:08:59,279

Jiffy Pop was nowhere near as good as

1457

01:09:04,249 --> 01:09:02,040

microwave popcorn though

1458

01:09:06,829 --> 01:09:04,259

um I don't know I wonder if they still

1459

01:09:09,309 --> 01:09:06,839

make it I bet you they do but that may

1460

01:09:13,249 --> 01:09:09,319

be where the Jiffy peanut butter

1461

01:09:14,809 --> 01:09:13,259

conflation comes from because at the

1462

01:09:17,930 --> 01:09:14,819

time when I thought I was growing up

1463

01:09:21,650 --> 01:09:17,940

with Jiffy peanut butter I sure as hell

1464

01:09:24,590 --> 01:09:21,660

grew up with Jiffy Pop popcorn right

1465

01:09:26,689 --> 01:09:24,600

interesting and thank you all for your

1466

01:09:29,090 --> 01:09:26,699

kindness generosity and support and the

1467

01:09:29,870 --> 01:09:29,100

super chats uh I am going to take a

1468

01:09:32,809 --> 01:09:29,880

moment

1469

01:09:36,769 --> 01:09:32,819

we have to remind you that this is a

1470

01:09:39,470 --> 01:09:36,779

viewer supported show and uh remind you

1471

01:09:41,689 --> 01:09:39,480

how you can support the show we want to

1472

01:09:43,370 --> 01:09:41,699

thank all of you for being here and

1473

01:09:47,209 --> 01:09:43,380

thank all of our kind and generous

1474

01:09:51,650 --> 01:09:47,219

benefactors and uh let you know how you

1475

supporting truth Seekers thank you for

1498

01:11:30,790 --> 01:11:15,910

thank you

1499

01:11:36,950 --> 01:11:34,130

UFO John Dallas here and says you

1500

01:11:39,890 --> 01:11:36,960

messing with my emotions smokey

1501

01:11:42,950 --> 01:11:39,900

uh yeah that one messed with me it

1502

01:11:45,530 --> 01:11:42,960

really did uh and pragmatic saying doing

1503

01:11:47,810 --> 01:11:45,540

something quick and in a jiffy is a

1504

01:11:49,130 --> 01:11:47,820

common idiom in the United States

1505

01:11:50,570 --> 01:11:49,140

yeah

1506

01:11:54,830 --> 01:11:50,580

um

1507

01:11:58,130 --> 01:11:54,840

I I agree with you uh Jiffy and there's

1508

01:12:00,350 --> 01:11:58,140

also a Jiffy Lube and some people have

1509

01:12:03,890 --> 01:12:00,360

suggested that people were conflating I

1510

01:12:06,709 --> 01:12:03,900

wouldn't conflate Jiffy Lube with Jiffy

1511

01:12:08,510 --> 01:12:06,719

peanut butter but I think Jiffy Pop is

1512

01:12:11,630 --> 01:12:08,520

where that came from and somebody is

1513

01:12:14,530 --> 01:12:11,640

also suggesting that they do still make

1514

01:12:17,750 --> 01:12:14,540

yeah Al Warrior says they still Jiffy

1515

01:12:19,370 --> 01:12:17,760

Jiffy makes you pop and somebody in the

1516

01:12:22,790 --> 01:12:19,380

live chat mentioned that they do still

1517

01:12:25,250 --> 01:12:22,800

make it uh yes our cake Revival says

1518

01:12:26,810 --> 01:12:25,260

Jiffy Pop is still sold I guess it would

1519

01:12:30,169 --> 01:12:26,820

be good if you're camping or something

1520

01:12:32,209 --> 01:12:30,179

right you don't have a microwave handy

1521

01:12:35,090 --> 01:12:32,219

um I wonder if it tastes any better now

1522

01:12:37,430 --> 01:12:35,100

I'm gonna have to go buy Jiffy Pop right

1523

01:12:42,050 --> 01:12:37,440

yeah

1524

01:12:45,470 --> 01:12:42,060

frapsap says I remember that girl in

1525

01:12:48,169 --> 01:12:45,480

Moonraker having braces 100 percent

1526

01:12:52,970 --> 01:12:48,179

I agree with you uh also I wanted to

1527

01:12:55,790 --> 01:12:52,980

mention Envy uh a long time user here I

1528

01:13:01,130 --> 01:12:55,800

don't see Envy today

1529

01:13:03,950 --> 01:13:01,140

uh or let me uh let me check in with uh

1530

01:13:06,169 --> 01:13:03,960

one other thing here

1531

01:13:09,350 --> 01:13:06,179

uh oh

1532

01:13:12,530 --> 01:13:09,360

so I got the right one no

1533

01:13:16,970 --> 01:13:12,540

so I just wanted to mention because uh

1534

01:13:31,250 --> 01:13:22,250

sent

1535

01:13:33,169 --> 01:13:31,260

truth Seeker show at gmail.com and and

1536

01:13:35,030 --> 01:13:33,179

in that case it just goes to my email

1537

01:13:38,390 --> 01:13:35,040

and tells me to sign up but we've

1538

01:13:40,610 --> 01:13:38,400

already got a truth Seekers show cash

1539

01:13:42,410 --> 01:13:40,620

app and it's in the description of the

1540

01:13:46,070 --> 01:13:42,420

video you don't include an email address

1541

01:13:48,410 --> 01:13:46,080

just truth Seeker show and that's in the

1542

01:13:52,130 --> 01:13:48,420

description of the video here so I'm

1543

01:13:54,470 --> 01:13:52,140

sorry about that NV 5150 I didn't get

1544

01:13:56,270 --> 01:13:54,480

your uh your cash app

1545

01:13:59,330 --> 01:13:56,280

and

1546

01:14:00,950 --> 01:13:59,340

I I really we can't sign up for another

1547

01:14:03,229 --> 01:14:00,960

one because I have enough stuff to keep

1548

01:14:05,030 --> 01:14:03,239

track of but I thank you anyway for your

1549

01:14:08,090 --> 01:14:05,040

kindness generosity and support if you

1550

01:14:10,310 --> 01:14:08,100

want to resend that they'll put that

1551

01:14:13,669 --> 01:14:10,320

couple of bucks that you sent back in

1552

01:14:15,649 --> 01:14:13,679

your account when nobody claims it uh

1553

01:14:17,510 --> 01:14:15,659

you know we can't have multiple cash app

1554

01:14:20,689 --> 01:14:17,520

accounts that'll get things confused

1555

01:14:24,470 --> 01:14:20,699

real quick uh and we'll also check in

1556

01:14:25,910 --> 01:14:24,480

with the PayPal supporters and uh we

1557

01:14:28,490 --> 01:14:25,920

thank all of you kind and generous

1558

01:14:30,350 --> 01:14:28,500

benefactors and thanks to Mr Ian for

1559

01:14:33,649 --> 01:14:30,360

being the new announcer I still have to

1560

01:14:36,669 --> 01:14:33,659

cut this uh one other thing and we want

1561

01:14:40,370 --> 01:14:36,679

to thank uh Sweet Caroline

1562

01:14:42,490 --> 01:14:40,380

uh for kind and generous

1563

01:14:46,070 --> 01:14:42,500

PayPal

1564

01:14:48,290 --> 01:14:46,080

uh 13 showing my support thanks for

1565

01:14:50,090 --> 01:14:48,300

1566

01:14:51,830 --> 01:14:50,100

that's from Sweet Caroline we thank you

1567

01:14:54,350 --> 01:14:51,840

for your kindness generosity and support

1568

01:14:58,910 --> 01:14:54,360

much much appreciated

1569

01:15:02,390 --> 01:14:58,920

uh and yes I I saw that I see your

1570

01:15:06,770 --> 01:15:04,729

wild Ascension is reminding people to

1571

01:15:10,310 --> 01:15:06,780

smash that like button

1572

01:15:12,410 --> 01:15:10,320

yeah and I did and we thank you also a

1573

01:15:14,090 --> 01:15:12,420

member Sweet Caroline Big Show supporter

1574

01:15:17,990 --> 01:15:14,100

thank you for the kindness generosity

1575

01:15:20,450 --> 01:15:18,000

and support of the show it really uh

1576

01:15:21,970 --> 01:15:20,460

oh sweet Caroline so she can't Chit Chat

1577

01:15:24,530 --> 01:15:21,980

oh sorry

1578

01:15:26,990 --> 01:15:24,540

a lot of people listen while they do

1579

01:15:29,510 --> 01:15:27,000

something else UFO John Doe is here with

1580

01:15:31,430 --> 01:15:29,520

a kind of generous 9.99 and from here on

1581

01:15:34,070 --> 01:15:31,440

in I'm sorry I didn't

1582

01:15:35,510 --> 01:15:34,080

if if I did not I'm sorry I didn't share

1583

01:15:37,130 --> 01:15:35,520

any of the super Chats on the screen

1584

01:15:39,470 --> 01:15:37,140

while we did the presentation but I'll

1585

01:15:42,229 --> 01:15:39,480

share any of them that come in from now

1586

01:15:44,570 --> 01:15:42,239

until we wrap things up here thank you

1587

01:15:47,030 --> 01:15:44,580

UFO John Doe long time show supporter

1588

01:15:48,709 --> 01:15:47,040

and continuing supporter and a channel

1589

01:15:49,490 --> 01:15:48,719

member

1590

01:15:51,709 --> 01:15:49,500

um

1591

01:15:53,990 --> 01:15:51,719

also I wanted to mention that a few

1592

01:15:56,390 --> 01:15:54,000

weeks ago I mentioned that I was oh I

1593

01:15:59,030 --> 01:15:56,400

got blurry like Bigfoot how does that

1594

01:16:01,310 --> 01:15:59,040

happen so much there we go

1595

01:16:04,550 --> 01:16:01,320

um I wanted to mention that I said that

1596

01:16:07,430 --> 01:16:04,560

I had this video of the new land that we

1597

01:16:08,750 --> 01:16:07,440

uh you know we kind of bought a forest

1598

01:16:10,850 --> 01:16:08,760

and uh

1599

01:16:13,910 --> 01:16:10,860

I had to cut some things out of those

1600

01:16:17,750 --> 01:16:13,920

videos because of I was saying things

1601

01:16:19,850 --> 01:16:17,760

that virtually identify exactly where it

1602

01:16:22,729 --> 01:16:19,860

is I was talking about this highway over

1603

01:16:25,070 --> 01:16:22,739

here and this so I'm cutting those

1604

01:16:28,010 --> 01:16:25,080

things out I meant to have that for

1605

01:16:30,770 --> 01:16:28,020

patreon and PayPal supporters done

1606

01:16:32,570 --> 01:16:30,780

I didn't get it done but tonight I'm

1607

01:16:35,209 --> 01:16:32,580

going to finish editing that so

1608

01:16:37,189 --> 01:16:35,219

everybody that's a member and PayPal

1609

01:16:39,290 --> 01:16:37,199

supporter will get the first look at our

1610

01:16:42,110 --> 01:16:39,300

new worldwide headquarters

1611

01:16:43,610 --> 01:16:42,120

and uh we'll post that publicly soon I

1612

01:16:45,410 --> 01:16:43,620

have a few other

1613

01:16:48,350 --> 01:16:45,420

uh

1614

01:16:49,790 --> 01:16:48,360

a few other things there

1615

01:16:52,790 --> 01:16:49,800

to uh

1616

01:16:55,850 --> 01:16:52,800

a few other videos that we'll be

1617

01:16:58,310 --> 01:16:55,860

uploading and as we usually do we will

1618

01:17:00,110 --> 01:16:58,320

upload them for members and patreon

1619

01:17:03,050 --> 01:17:00,120

supporters and then

1620

01:17:04,689 --> 01:17:03,060

you know in a few days or a week we post

1621

01:17:07,070 --> 01:17:04,699

them here publicly

1622

01:17:09,890 --> 01:17:07,080

and we thank you all for your support

1623

01:17:11,990 --> 01:17:09,900

you get early access to everything we do

1624

01:17:14,450 --> 01:17:12,000

01:17:35,450 --> 01:17:33,120

words every time I post something to

1637

01:17:43,970 --> 01:17:41,280

1638

01:17:45,890 --> 01:17:43,980

to the adorable little clown clip who

1640

01:17:49,610 --> 01:17:47,460

thanked people for praising the cash

1641

01:17:52,370 --> 01:17:49,620

still have them I haven't used those

1642

01:17:55,010 --> 01:17:52,380

clips because I have new clips that I

1643

01:17:56,750 --> 01:17:55,020

cut but never finished with him and I

1644

01:18:00,770 --> 01:17:56,760

keep saying oh I shouldn't use the old

1645

01:18:03,169 --> 01:18:00,780

ones I'll use you know the new ones but

1646

01:18:05,270 --> 01:18:03,179

then uh oh wait a minute I'm in the

1647

01:18:08,270 --> 01:18:05,280

wrong thing here

1648

01:18:10,790 --> 01:18:08,280

01:18:11,870 --> 01:18:10,800

know like six tabs of stuff but you're

1650

01:18:15,229 --> 01:18:11,880

right

1651

01:18:17,390 --> 01:18:15,239

uh I should uh we should still use him

1652

01:18:21,709 --> 01:18:17,400

Brandy thank you all for your kindness

1653

01:18:26,290 --> 01:18:21,719

generosity and support of the show uh we

1654

01:18:31,370 --> 01:18:28,390

guys

1655

01:18:34,010 --> 01:18:31,380

thank you for your kindness thank you

1656

01:18:37,630 --> 01:18:34,020

for your generosity praise the cash

1657

01:18:37,640 --> 01:18:41,870

[Music]

1658

01:18:45,770 --> 01:18:43,270

thank you

1659

01:18:47,750 --> 01:18:45,780

pragmatic noticing the Mandela effect in

1660

01:18:50,209 --> 01:18:47,760

real time says wasn't it always hit that

1661

01:18:53,510 --> 01:18:50,219

like button it's happening in real time

1662

01:18:55,130 --> 01:18:53,520

yeah I agree with you it's one of the

1663

01:18:58,610 --> 01:18:55,140

strange ones here

1664

01:19:02,630 --> 01:18:58,620

uh so I'm not sure what you guys think

1665

01:19:05,209 --> 01:19:02,640

um I am um mostly thinking that this is

1666

01:19:08,209 --> 01:19:05,219

a strange effect of memory and

1667

01:19:11,350 --> 01:19:08,219

conflation and group think and group

1668

01:19:14,510 --> 01:19:11,360

dynamics and maybe suggestion

1669

01:19:18,169 --> 01:19:14,520

internet of the uh

1670

01:19:20,930 --> 01:19:18,179

of the you know the influence of the

1671

01:19:23,689 --> 01:19:20,940

internet or something like that and I

1672

01:19:26,510 --> 01:19:23,699

see you John one second here

1673

01:19:29,450 --> 01:19:26,520

let me uh I may have to refresh that

1674

01:19:38,530 --> 01:19:32,290

oh

1675

01:19:42,229 --> 01:19:38,540

present on PayPal cheers we're squared

1676

01:19:46,189 --> 01:19:42,239

uh maybe uh did you mean from another

1677

01:19:50,870 --> 01:19:46,199

time or did you do that today let me uh

1678

01:19:55,490 --> 01:19:52,490

you know the last one I'm showing is

1679

01:19:57,530 --> 01:19:55,500

from Carolyn Burnett John

1680

01:19:59,930 --> 01:19:57,540

um this happens sometimes people

1681

01:20:03,410 --> 01:19:59,940

conflate that email address there's a

1682

01:20:05,090 --> 01:20:03,420

donate button uh donate by PayPal on the

1683

01:20:08,689 --> 01:20:05,100

home screen

1684

01:20:14,530 --> 01:20:08,699

uh of our change oh some days ago okay

1685

01:20:21,050 --> 01:20:18,950

uh is that udb congrats on breaking 6K

1686

01:20:22,490 --> 01:20:21,060

but more importantly for continuing to

1687

01:20:25,490 --> 01:20:22,500

do good work

1688

01:20:28,030 --> 01:20:25,500

that was uh some time ago I'm not sure

1689

01:20:33,530 --> 01:20:28,040

if that's what you're referencing

1690

01:20:36,110 --> 01:20:33,540

uh otherwise don't see it but

1691

01:20:38,870 --> 01:20:36,120

DB maybe right

1692

01:20:41,470 --> 01:20:38,880

yeah long time show supporter thank you

1693

01:20:47,810 --> 01:20:41,480

for helping us to praise the cash

1694

01:20:51,830 --> 01:20:49,669

oh for the third phase I'm in the

1695

01:20:54,709 --> 01:20:51,840

documentary well thank you we appreciate

1696

01:20:56,750 --> 01:20:54,719

your helping us that was a labor of love

1697

01:20:58,490 --> 01:20:56,760

right

1698

01:21:01,189 --> 01:20:58,500

while dissension is going to start

1699

01:21:04,850 --> 01:21:01,199

painting aliens again that would be cool

1700

01:21:06,590 --> 01:21:04,860

I keep saying that I'm gonna pick up I

1701
01:21:08,750 --> 01:21:06,600
used to paint when I was much much much

1702
01:21:11,709 --> 01:21:08,760
much much younger

1703
01:21:16,370 --> 01:21:11,719
and uh but you know life gets in the way

1704
01:21:18,470 --> 01:21:16,380
kids and wife and house and bills and

1705
01:21:19,669 --> 01:21:18,480
whatever else but I used to enjoy it I

1706
01:21:22,250 --> 01:21:19,679
used to paint

1707
01:21:25,610 --> 01:21:22,260
uh sort of all different things but

1708
01:21:27,470 --> 01:21:25,620
mostly Landscapes and uh it was a big

1709
01:21:30,169 --> 01:21:27,480
fan of doing that I thought it was

1710
01:21:32,149 --> 01:21:30,179
therapeutic right it always felt good to

1711
01:21:34,729 --> 01:21:32,159
just sit there and paint for a few hours

1712
01:21:36,350 --> 01:21:34,739
even if it was terrible sometimes I

1713
01:21:40,010 --> 01:21:36,360

would throw them in the trash they were

1714

01:21:49,189 --> 01:21:40,020

I they were bad right but you don't get

1715

01:21:53,630 --> 01:21:51,770

okay one dollar yeah I don't know I

1716

01:21:56,870 --> 01:21:53,640

didn't see it but thank you for your

1717

01:21:59,510 --> 01:21:56,880

kindness generosity and support uh we

1718

01:22:03,229 --> 01:21:59,520

appreciate you doing that

1719

01:22:05,750 --> 01:22:03,239

I will refresh again but I don't see it

1720

01:22:07,790 --> 01:22:05,760

there John uh you know it's happened

1721

01:22:10,130 --> 01:22:07,800

sometimes people get the the email

1722

01:22:12,590 --> 01:22:10,140

address wrong or the PayPal address for

1723

01:22:15,770 --> 01:22:12,600

all this truth seekershow gmail.com

1724

01:22:18,350 --> 01:22:15,780

that's the PayPal address sometimes it

1725

01:22:22,010 --> 01:22:18,360

gets uh gets

1726

01:22:23,390 --> 01:22:22,020

lost in limbo right so any more comments

1727

01:22:25,370 --> 01:22:23,400

or questions please put them in all

1728

01:22:28,430 --> 01:22:25,380

capital letters

1729

01:22:31,430 --> 01:22:28,440

and we uh want to thank everybody for

1730

01:22:35,270 --> 01:22:31,440

joining us especially because we are not

1731

01:22:37,189 --> 01:22:35,280

covering the dreaded UFO topic uh we're

1732

01:22:39,830 --> 01:22:37,199

going to be doing more shows like this

1733

01:22:42,110 --> 01:22:39,840

covering more strange and esoteric

1734

01:22:46,070 --> 01:22:42,120

topics and

1735

01:22:47,090 --> 01:22:46,080

um that is really originally the way uh

1736

01:22:53,689 --> 01:22:47,100

the

1737

01:22:56,630 --> 01:22:53,699

stuck down one specific rabbit hole uh

1738

01:23:00,110 --> 01:22:56,640

too much and that may be due to it gets

1739

01:23:04,550 --> 01:23:00,120

better views or whatever the case may be

1740

01:23:06,950 --> 01:23:04,560

and uh and yes uh somebody asked me I am

1741

01:23:10,189 --> 01:23:06,960

aware of people saying things on Twitter

1742

01:23:12,890 --> 01:23:10,199

or whatever you know uh all I can tell

1743

01:23:17,750 --> 01:23:12,900

you is that we stand by our work here

1744

01:23:20,030 --> 01:23:17,760

and our work is factual and uh sourced

1745

01:23:22,430 --> 01:23:20,040

with multiple sources

1746

01:23:25,310 --> 01:23:22,440

if I was just in the business of telling

1747

01:23:28,330 --> 01:23:25,320

stories that are unverified unverifiable

1748

01:23:30,649 --> 01:23:28,340

you know we would just host uh

1749

01:23:33,709 --> 01:23:30,659

storytellers here every day

1750

01:23:36,350 --> 01:23:33,719

uh that have no evidence or proof we try

1751

01:23:38,090 --> 01:23:36,360

to do things differently and you know

1752

01:23:39,830 --> 01:23:38,100

one of the things I'm learning with my

1753

01:23:42,590 --> 01:23:39,840

newfound sobriety

1754

01:23:46,310 --> 01:23:42,600

by the way we have just uh two weeks and

1755

01:23:50,330 --> 01:23:46,320

two days 14 16 more days and I will be

1756

01:23:52,910 --> 01:23:50,340

at 180 days sober six months

1757

01:23:54,709 --> 01:23:52,920

and I'm sure I'm gonna make it

1758

01:23:57,110 --> 01:23:54,719

um been struggling a little bit with

1759

01:24:01,070 --> 01:23:57,120

that but I have found that keeping

1760

01:24:03,470 --> 01:24:01,080

myself extremely busy helps and uh

1761

01:24:05,689 --> 01:24:03,480

I'm going to be doing something I've

1762

01:24:09,830 --> 01:24:05,699

been meaning to get to for a while which

1763

01:24:12,229 --> 01:24:09,840

is my wife's honey-do list you know

1764

01:24:14,209 --> 01:24:12,239

um for those unaware when we first moved

1765

01:24:17,330 --> 01:24:14,219

here to this big huge house in the

1766

01:24:20,090 --> 01:24:17,340

suburbs it needs a lot of work and I

1767

01:24:22,490 --> 01:24:20,100

Painted this whole house just about and

1768

01:24:23,530 --> 01:24:22,500

it's 3 500 square foot so that took

1769

01:24:27,950 --> 01:24:23,540

quite

1770

01:24:30,709 --> 01:24:27,960

by myself I painted this huge house and

1771

01:24:32,270 --> 01:24:30,719

there's these big vaulted ceilings and I

1772

01:24:34,850 --> 01:24:32,280

almost I thought it was going to die

1773

01:24:37,970 --> 01:24:34,860

painting this huge High ceilings in the

1774

01:24:39,890 --> 01:24:37,980

living room but uh you know I think that

1775

01:24:42,050 --> 01:24:39,900

all that painting killed me for doing

1776

01:24:45,470 --> 01:24:42,060

house projects for a while but I am

1777

01:24:48,649 --> 01:24:45,480

feeling you know like attacking more

1778

01:24:51,350 --> 01:24:48,659

things here and unfortunately one of the

1779

01:24:53,930 --> 01:24:51,360

things that's really bad is the kitchen

1780

01:24:56,450 --> 01:24:53,940

here I mean everything works you know

1781

01:24:59,570 --> 01:24:56,460

cabinets or cabinets but they are old

1782

01:25:01,610 --> 01:24:59,580

and crappy looking and so

1783

01:25:02,930 --> 01:25:01,620

my wife and I were considering just

1784

01:25:04,850 --> 01:25:02,940

ripping them all out and putting them

1785

01:25:06,590 --> 01:25:04,860

back in but then we got sticker shock

1786

01:25:08,510 --> 01:25:06,600

you know uh

1787

01:25:09,770 --> 01:25:08,520

paying something like seven or eight

1788

01:25:12,410 --> 01:25:09,780

thousand dollars just for kitchen

1789

01:25:14,390 --> 01:25:12,420

cabinets is not really something either

1790

01:25:16,669 --> 01:25:14,400

of us wanted to do so I'll be painting

1791

01:25:18,890 --> 01:25:16,679

and refinishing them all and and then I

1792

01:25:21,050 --> 01:25:18,900

got to put a kitchen floor in we need a

1793

01:25:24,110 --> 01:25:21,060

bathroom floor as well

1794

01:25:26,990 --> 01:25:24,120

and uh I don't know how alien scientist

1795

01:25:29,930 --> 01:25:27,000

does that he does uh tile work and his

1796

01:25:33,110 --> 01:25:29,940

work is amazing it is beautiful I wish I

1797

01:25:35,090 --> 01:25:33,120

could just bribe uh Jeremy rise alien

1798

01:25:37,310 --> 01:25:35,100

scientist to come over here and and do

1799

01:25:40,070 --> 01:25:37,320

these floors with or for me because he's

1800

01:25:42,229 --> 01:25:40,080

amazing at it I'm okay but I'm slow

1801
01:25:45,050 --> 01:25:42,239
because you know I'm not a professional

1802
01:25:47,510 --> 01:25:45,060
he is at that and I don't know if

1803
01:25:50,450 --> 01:25:47,520
there's something he likes it maybe it's

1804
01:25:53,630 --> 01:25:50,460
it's like give some time to think but I

1805
01:25:56,629 --> 01:25:53,640
have a ton of work to do I'm gonna get

1806
01:26:00,050 --> 01:25:56,639
started on that stuff

1807
01:26:01,370 --> 01:26:00,060
my wife has been very patient with me I

1808
01:26:03,229 --> 01:26:01,380
think she understands and I'm always

1809
01:26:06,709 --> 01:26:03,239
building something or painting something

1810
01:26:09,770 --> 01:26:06,719
or you know working on the cabin so

1811
01:26:12,110 --> 01:26:09,780
I think she's uh doesn't really want to

1812
01:26:14,149 --> 01:26:12,120
ask too much of me here but there's

1813
01:26:16,850 --> 01:26:14,159

things uh

1814

01:26:19,669 --> 01:26:16,860

uh

1815

01:26:21,830 --> 01:26:19,679

it's it's one of those things like it's

1816

01:26:25,010 --> 01:26:21,840

just something I should do or I should

1817

01:26:26,990 --> 01:26:25,020

be doing more of for her she's a great

1818

01:26:29,570 --> 01:26:27,000

mother great wife

1819

01:26:32,390 --> 01:26:29,580

uh and she doesn't ask much but that

1820

01:26:36,530 --> 01:26:32,400

kitchen is really I should post pictures

1821

01:26:40,070 --> 01:26:36,540

it's not that bad but it's it's old and

1822

01:26:42,410 --> 01:26:40,080

ugly right uh Mr blood vessel it's so

1823

01:26:44,649 --> 01:26:42,420

funny we tried it's Mr blood vessel

1824

01:26:48,410 --> 01:26:44,659

saying do a show encrypted

1825

01:26:51,350 --> 01:26:48,420

uh I think you mean cryptocurrency

1826

01:26:53,149 --> 01:26:51,360

uh we we've tried

1827

01:26:55,370 --> 01:26:53,159

to do that we did this show on

1828

01:26:57,890 --> 01:26:55,380

cryptocurrency and this guy named Shem

1829

01:27:00,350 --> 01:26:57,900

Booth came here poor guy the live chat

1830

01:27:03,770 --> 01:27:00,360

ripped him apart said he was a scammer

1831

01:27:05,570 --> 01:27:03,780

live on the show and like I was kind of

1832

01:27:07,310 --> 01:27:05,580

happy because I was starting to get the

1833

01:27:10,310 --> 01:27:07,320

feeling or impression that he was a

1834

01:27:12,470 --> 01:27:10,320

scammer and I didn't know like he was

1835

01:27:14,750 --> 01:27:12,480

supposed to talk about crypto in general

1836

01:27:17,090 --> 01:27:14,760

and the blockchain and what he did is he

1837

01:27:19,010 --> 01:27:17,100

came on the show and started pumping his

1838

01:27:21,050 --> 01:27:19,020

crypto and saying that all the other

1839

01:27:23,270 --> 01:27:21,060

cryptos are scams and the live chat

1840

01:27:24,830 --> 01:27:23,280

ripped him apart these some of his

1841

01:27:27,169 --> 01:27:24,840

trolls came here and just ripped them

1842

01:27:28,490 --> 01:27:27,179

the shreds I almost felt bad for him but

1843

01:27:29,870 --> 01:27:28,500

I was glad

1844

01:27:30,590 --> 01:27:29,880

that

1845

01:27:33,470 --> 01:27:30,600

um

1846

01:27:35,750 --> 01:27:33,480

I didn't have to do it the live chat did

1847

01:27:38,090 --> 01:27:35,760

it for me right

1848

01:27:40,250 --> 01:27:38,100

I don't know who's promoting their show

1849

01:27:47,270 --> 01:27:40,260

but uh it's fine

1850

01:27:54,350 --> 01:27:51,290

that's fine people can do that

1851

01:27:56,510 --> 01:27:54,360

I don't find that disrespectful but

1852

01:27:58,669 --> 01:27:56,520

there is that sort of Unwritten rule

1853

01:28:00,290 --> 01:27:58,679

that you ask or something before you do

1854

01:28:02,390 --> 01:28:00,300

that

1855

01:28:03,950 --> 01:28:02,400

while dissension says about her

1856

01:28:05,629 --> 01:28:03,960

paintings I just sent through some of

1857

01:28:07,250 --> 01:28:05,639

mine in the trash to make room for more

1858

01:28:10,070 --> 01:28:07,260

new paintings my dad used to paint

1859

01:28:12,410 --> 01:28:10,080

Landscapes yes it's meditating I think

1860

01:28:15,950 --> 01:28:12,420

that it is I think that it definitely is

1861

01:28:17,510 --> 01:28:15,960

right and uh penial Power says to share

1862

01:28:19,370 --> 01:28:17,520

your perspective as opposed to just

1863

01:28:22,310 --> 01:28:19,380

listening to another one person's view

1864

01:28:24,770 --> 01:28:22,320

no disrespect of any kind to our true

1865

01:28:27,649 --> 01:28:24,780

secret brother here John Griffin

1866

01:28:29,510 --> 01:28:27,659

yeah I mean people we have a free speech

1867

01:28:31,910 --> 01:28:29,520

Zone here people are free to share their

1868

01:28:35,090 --> 01:28:31,920

perspective Sasquatch

1869

01:28:38,629 --> 01:28:35,100

um SAS SAS cash

1870

01:28:40,970 --> 01:28:38,639

yeah and uh by the way this weekend

1871

01:28:43,550 --> 01:28:40,980

uh is the big weekend we're going to be

1872

01:28:45,470 --> 01:28:43,560

doing a simulcast on the 19th this

1873

01:28:48,590 --> 01:28:45,480

coming Saturday with

1874

01:28:50,750 --> 01:28:48,600

Anthony from unidentified S4 and Ron

1875

01:28:54,290 --> 01:28:50,760

from cosmic neighbors I think all three

1876

01:28:55,610 --> 01:28:54,300

of us if the internet at the crap you

1877

01:28:58,430 --> 01:28:55,620

know the crappy internet at the cabin

1878

01:29:00,350 --> 01:28:58,440

can handle it we're gonna be all

1879

01:29:04,430 --> 01:29:00,360

broadcasting at once or maybe we'll take

1880

01:29:06,890 --> 01:29:04,440

turns if we have issues with the uh

1881

01:29:09,229 --> 01:29:06,900

if we have issues with the internet not

1882

01:29:10,970 --> 01:29:09,239

being you know robust enough to have us

1883

01:29:13,310 --> 01:29:10,980

all three streaming maybe we'll just do

1884

01:29:15,169 --> 01:29:13,320

two of us at a time and Round Robin it

1885

01:29:17,330 --> 01:29:15,179

or I'm not sure how we're gonna do it I

1886

01:29:18,950 --> 01:29:17,340

have to talk to those guys but that'll

1887

01:29:21,590 --> 01:29:18,960

be another true Seeker special event

1888

01:29:24,649 --> 01:29:21,600

this Saturday night we're doing a sky

1889

01:29:27,709 --> 01:29:24,659

watch and some of you know that the

1890

01:29:29,810 --> 01:29:27,719

the cabin is at the highest elevation on

1891

01:29:32,629 --> 01:29:29,820

I think the whole East Coast definitely

1892

01:29:34,729 --> 01:29:32,639

Pennsylvania my state but it may be for

1893

01:29:35,930 --> 01:29:34,739

the entire East Coast it's way high up

1894

01:29:38,450 --> 01:29:35,940

in the mountains

1895

01:29:39,890 --> 01:29:38,460

and because of that and also the fact

1896

01:29:41,390 --> 01:29:39,900

that it's out in the middle of nowhere

1897

01:29:43,850 --> 01:29:41,400

in the woods

1898

01:29:46,189 --> 01:29:43,860

um there's no real light pollution so

1899

01:29:48,830 --> 01:29:46,199

you can see all kinds of things with the

1900

01:29:51,530 --> 01:29:48,840

naked eye including satellites iridium

1901

01:29:53,450 --> 01:29:51,540

ones uh the International Space Station

1902

01:29:55,430 --> 01:29:53,460

and

1903

01:29:57,229 --> 01:29:55,440

I think there's some strange things

1904

01:29:59,030 --> 01:29:57,239

going on there but I don't have good

1905

01:30:01,310 --> 01:29:59,040

cameras and every time I try to film

1906

01:30:03,110 --> 01:30:01,320

with my phone or the cameras that I do

1907

01:30:04,669 --> 01:30:03,120

have it just looks like a light blob in

1908

01:30:07,729 --> 01:30:04,679

the sky and

1909

01:30:10,790 --> 01:30:07,739

uh you get nothing from the crappy

1910

01:30:13,250 --> 01:30:10,800

cameras I have so

1911

01:30:15,169 --> 01:30:13,260

um Patty is here and she says hi all got

1912

01:30:16,850 --> 01:30:15,179

distracted and arrived late well we're

1913

01:30:18,470 --> 01:30:16,860

still glad that you're here and maybe

1914

01:30:22,370 --> 01:30:18,480

I'll get you something like a watch

1915

01:30:24,590 --> 01:30:22,380

right no we're glad to see you Patty so

1916

01:30:26,390 --> 01:30:24,600

you could see some strange things in the

1917

01:30:28,729 --> 01:30:26,400

sky at the cabin I've never been able to

1918

01:30:32,209 --> 01:30:28,739

capture them well with the crappy

1919

01:30:34,370 --> 01:30:32,219

cameras I have so these guys Ron uh from

1920

01:30:37,689 --> 01:30:34,380

cosmic Neighbors

1921

01:30:40,189 --> 01:30:37,699

and also Anthony from unidentified S4

1922

01:30:42,169 --> 01:30:40,199

they're both coming to the cabin by the

1923

01:30:44,629 --> 01:30:42,179

way I got ribs and chicken and all kinds

1924

01:30:46,790 --> 01:30:44,639

of stuff we're gonna have a man barbecue

1925

01:30:48,410 --> 01:30:46,800

somehow even if we have to cook it

1926

01:30:51,590 --> 01:30:48,420

inside the cabin I hear it's going to be

1927

01:30:53,750 --> 01:30:51,600

freezing cold at the cabin the first

1928

01:30:56,450 --> 01:30:53,760

real these guys I told them to come

1929

01:30:57,610 --> 01:30:56,460

earlier nobody listens to me but you

1930

01:30:59,689 --> 01:30:57,620

know

1931

01:31:04,430 --> 01:30:59,699

the uh

1932

01:31:08,810 --> 01:31:04,440

last weekend it was the last really warm

1933

01:31:13,129 --> 01:31:08,820

weekend so let's see uh we're gonna look

1934

01:31:14,810 --> 01:31:13,139

at the weather oh great uh the high on

1935

01:31:18,890 --> 01:31:14,820

Saturday is

1936

01:31:21,830 --> 01:31:18,900

28 degrees the low is 19.

1937

01:31:24,890 --> 01:31:21,840

at the cabin it's going to be a cold one

1938

01:31:27,290 --> 01:31:24,900

and we're going to be outside doing a

1939

01:31:29,090 --> 01:31:27,300

sky watch I told these guys to come

1940

01:31:31,010 --> 01:31:29,100

earlier I told them it's going to get

1941

01:31:33,410 --> 01:31:31,020

freezing in the next couple weeks guys

1942

01:31:35,990 --> 01:31:33,420

it's going to be freezing cold here you

1943

01:31:39,169 --> 01:31:36,000

should come now you know or come next

1944

01:31:42,350 --> 01:31:39,179

week no no but I get it you know there's

1945

01:31:45,950 --> 01:31:42,360

everybody's got a life they have to uh

1946

01:31:50,570 --> 01:31:48,110

all right penial power that's fine you

1947

01:31:53,270 --> 01:31:50,580

can you can no personal benefit for me

1948

01:31:54,709 --> 01:31:53,280

promoting that channel just dropping a a

1949

01:31:56,510 --> 01:31:54,719

link for anyone interested here

1950

01:31:58,669 --> 01:31:56,520

interaction is important factor and

1951

01:32:01,129 --> 01:31:58,679

Truth seeking yeah it's fine Pinot power

1952

01:32:02,930 --> 01:32:01,139

can do that right

1953

01:32:04,970 --> 01:32:02,940

um frapsap says I think people

1954

01:32:07,550 --> 01:32:04,980

misremember Nelson Mandela's release

1955

01:32:10,610 --> 01:32:07,560

from prison in 1990. I did a paper on

1956

01:32:13,490 --> 01:32:10,620

that and apartheid in college yeah it

1957

01:32:14,810 --> 01:32:13,500

really could be it really could be that

1958

01:32:17,390 --> 01:32:14,820

right

1959

01:32:19,550 --> 01:32:17,400

so this weekend we're doing this special

1960

01:32:22,010 --> 01:32:19,560

sky watch and it's going to be 19

1961

01:32:26,149 --> 01:32:22,020

degrees at night

1962

01:32:29,990 --> 01:32:26,159

great job Ron and great job uh Anthony

1963

01:32:33,590 --> 01:32:30,000

you waited listen the last good weekend

1964

01:32:35,689 --> 01:32:33,600
to be outside was this past one

1965

01:32:40,090 --> 01:32:35,699
from here on in it's going to be 20

1966

01:32:42,709 --> 01:32:40,100
there at night or 10 or 0 or God forbid

1967

01:32:45,050 --> 01:32:42,719
negative 10. I've only been there once

1968

01:32:50,510 --> 01:32:45,060
when it was negative negative degrees

1969

01:32:53,870 --> 01:32:50,520
and it was cold and I was like

1970

01:32:56,390 --> 01:32:53,880
Stoke in the fire every half hour and it

1971

01:32:59,149 --> 01:32:56,400
was still cold unless you sat right by

1972

01:33:00,169 --> 01:32:59,159
the fire you were cold and I don't I

1973

01:33:03,050 --> 01:33:00,179
don't want to go there and be

1974

01:33:05,750 --> 01:33:03,060
uncomfortable so you know some of those

1975

01:33:09,229 --> 01:33:05,760
times now when it gets that cold I just

1976

01:33:10,850 --> 01:33:09,239

I just check out I go I'm not going I'll

1977

01:33:13,610 --> 01:33:10,860

wait until next weekend when it's back

1978

01:33:16,129 --> 01:33:13,620

to 20 at night 20 is bearable because

1979

01:33:18,950 --> 01:33:16,139

you got the fire going you get a 40

1980

01:33:21,950 --> 01:33:18,960

degree difference at least so it's 60 or

1981

01:33:25,370 --> 01:33:21,960

70 in the cabin right

1982

01:33:28,370 --> 01:33:25,380

yeah 10 it was 10 the coldest it's ever

1983

01:33:31,550 --> 01:33:28,380

been uh Mr Ian when I was there I think

1984

01:33:32,930 --> 01:33:31,560

was like negative 10 or negative 12 or

1985

01:33:35,390 --> 01:33:32,940

something like that

1986

01:33:38,709 --> 01:33:35,400

Fahrenheit I don't know what that is

1987

01:33:45,770 --> 01:33:38,719

Celsius you English guys uh let me see

1988

01:33:57,590 --> 01:33:51,470

do

1989

01:34:01,850 --> 01:33:57,600

Fahrenheit to Celsius

1990

01:34:06,110 --> 01:34:01,860

there we go minus 10 Fahrenheit uh I'll

1991

01:34:10,370 --> 01:34:06,120

tell you for you English people uh

1992

01:34:15,590 --> 01:34:10,380

minus 12 degrees of 10 Fahrenheit No No

1993

01:34:20,270 --> 01:34:17,750

all right it was minus 23 degrees

1994

01:34:22,669 --> 01:34:20,280

Celsius was the coldest minus 10 degrees

1995

01:34:24,410 --> 01:34:22,679

Fahrenheit minus 23 degrees Celsius is

1996

01:34:26,030 --> 01:34:24,420

the coldest it's ever been at the cabin

1997

01:34:28,010 --> 01:34:26,040

when I was there

1998

01:34:32,470 --> 01:34:28,020

and uh

1999

01:34:35,030 --> 01:34:32,480

yeah B Baker says no one cares right

2000

01:34:36,709 --> 01:34:35,040

Patty says make that watch of Rolex I

2001

01:34:39,410 --> 01:34:36,719

need one for me first I've always wanted

2002

01:34:41,149 --> 01:34:39,420

one I don't even know why because I have

2003

01:34:43,729 --> 01:34:41,159

friends that have them and I look at it

2004

01:34:45,350 --> 01:34:43,739

and it when I see them in person I don't

2005

01:34:47,689 --> 01:34:45,360

really want one I'm like it's fancy

2006

01:34:49,070 --> 01:34:47,699

watch but you know but there's something

2007

01:34:52,629 --> 01:34:49,080

about that

2008

01:34:55,490 --> 01:34:52,639

tradition and hand crafted and and

2009

01:34:57,169 --> 01:34:55,500

winding and all of that I don't know

2010

01:34:59,750 --> 01:34:57,179

something I like about them

2011

01:35:02,149 --> 01:34:59,760

maybe someday until then I'm gonna find

2012

01:35:05,149 --> 01:35:02,159

a good mechanical watch that's like a

2013

01:35:07,370 --> 01:35:05,159

Rolex like a mechanical you know watch

2014

01:35:08,209 --> 01:35:07,380

you wind

2015

01:35:10,850 --> 01:35:08,219

um

2016

01:35:13,430 --> 01:35:10,860

but not a Rolex right I'm not big on

2017

01:35:15,950 --> 01:35:13,440

I've never been big on brand certain

2018

01:35:18,770 --> 01:35:15,960

brands or status symbols you know

2019

01:35:21,050 --> 01:35:18,780

growing up I remember uh especially

2020

01:35:23,390 --> 01:35:21,060

going to high school I went to all boys

2021

01:35:26,510 --> 01:35:23,400

Catholic High School and there was

2022

01:35:29,629 --> 01:35:26,520

always these stupid things that you were

2023

01:35:31,790 --> 01:35:29,639

supposed to have like Hugo Boss pants or

2024

01:35:34,189 --> 01:35:31,800

certain designer now I couldn't care

2025

01:35:37,189 --> 01:35:34,199

less I could care less about all that

2026

01:35:42,709 --> 01:35:40,550

uh yeah Rorschach man says truth Seekers

2027

01:35:44,510 --> 01:35:42,719

is going to have his hands full with S4

2028

01:35:47,510 --> 01:35:44,520

and Cosmic Ron

2029

01:35:48,110 --> 01:35:47,520

I I agree with you yeah

2030

01:35:50,209 --> 01:35:48,120

um

2031

01:35:52,729 --> 01:35:50,219

I'm gonna have my hands full just trying

2032

01:35:53,750 --> 01:35:52,739

to feed all these guys because uh you

2033

01:35:55,850 --> 01:35:53,760

know

2034

01:35:58,610 --> 01:35:55,860

I've got plenty of food though we've got

2035

01:36:00,229 --> 01:35:58,620

frozen pizzas and ribs and chicken and

2036

01:36:02,149 --> 01:36:00,239

I'm gonna get some stuff for breakfast

2037

01:36:04,910 --> 01:36:02,159

and I have a

2038

01:36:06,590 --> 01:36:04,920

gonna make like hash browns and I guess

2039

01:36:08,930 --> 01:36:06,600

eggs and bacon or something for

2040

01:36:13,610 --> 01:36:08,940

breakfast I don't know I was gonna make

2041

01:36:15,950 --> 01:36:13,620

waffles but uh you know I don't know

2042

01:36:17,930 --> 01:36:15,960

I've been meaning to get a cast iron

2043

01:36:19,910 --> 01:36:17,940

waffle iron forever and I was going to

2044

01:36:21,350 --> 01:36:19,920

use this as an excuse to get the waffle

2045

01:36:25,370 --> 01:36:21,360

iron right

2046

01:36:28,370 --> 01:36:25,380

I'm I'm growing quite a nice collection

2047

01:36:30,709 --> 01:36:28,380

of cast iron everything is cast iron I

2048

01:36:33,229 --> 01:36:30,719

need a few cast iron pots at the cabin

2049

01:36:37,070 --> 01:36:33,239

and then I'm good I have all the cast

2050

01:36:39,709 --> 01:36:37,080

iron cookware I need we have tons of uh

2051
01:36:42,950 --> 01:36:39,719
you know frying pans and I've got pizza

2052
01:36:45,530 --> 01:36:42,960
pans that are cast iron and uh cast iron

2053
01:36:48,169 --> 01:36:45,540
tea pot and all that kind of stuff I I

2054
01:36:50,450 --> 01:36:48,179
like that there especially because

2055
01:36:52,310 --> 01:36:50,460
you got to be careful with pots at the

2056
01:36:54,830 --> 01:36:52,320
cabin because everything is made with

2057
01:36:57,530 --> 01:36:54,840
plastic now like the pot the pan will be

2058
01:36:59,149 --> 01:36:57,540
metal but the handle will be plastic you

2059
01:37:00,830 --> 01:36:59,159
can't put that on a wood cook stove

2060
01:37:03,830 --> 01:37:00,840
it'll just melt

2061
01:37:06,770 --> 01:37:03,840
so I learned that the hard way I'm like

2062
01:37:09,830 --> 01:37:06,780
oh it'll be all right nope maybe if you

2063
01:37:12,530 --> 01:37:09,840

if you put it off the edge the handle

2064

01:37:14,270 --> 01:37:12,540

off the edge I don't know

2065

01:37:16,610 --> 01:37:14,280

um

2066

01:37:18,890 --> 01:37:16,620

yeah we'll see if Jimmy Kimmel copyright

2067

01:37:22,550 --> 01:37:18,900

claims me right we'll see if that

2068

01:37:24,590 --> 01:37:22,560

happens actually uh I I like to I'll

2069

01:37:26,870 --> 01:37:24,600

check in sometimes the elbow doesn't

2070

01:37:29,510 --> 01:37:26,880

catch it until hours later yeah so far

2071

01:37:31,250 --> 01:37:29,520

Jimmy Kimmel hasn't copyright claimed us

2072

01:37:33,290 --> 01:37:31,260

he probably will though and I don't

2073

01:37:34,970 --> 01:37:33,300

blame Jimmy Kimmel you've got some of

2074

01:37:37,610 --> 01:37:34,980

those guys use these service companies

2075

01:37:39,530 --> 01:37:37,620

that are like they grab it this anybody

2076

01:37:43,570 --> 01:37:39,540

using anything

2077

01:37:47,470 --> 01:37:46,189

female power says we recently talked

2078

01:37:49,850 --> 01:37:47,480

about

2079

01:37:51,649 --> 01:37:49,860

Gematria on Comedy Central and Jimmy

2080

01:37:54,070 --> 01:37:51,659

Kimmel in Jeopardy can you say Great

2081

01:37:57,050 --> 01:37:54,080

Awakening damage control

2082

01:38:01,010 --> 01:37:57,060

uh yeah if you say so

2083

01:38:02,990 --> 01:38:01,020

well uh I've got

2084

01:38:05,330 --> 01:38:03,000

um getting blurry again I've got to

2085

01:38:09,410 --> 01:38:05,340

bounce on out of here

2086

01:38:11,689 --> 01:38:09,420

so uh yeah mysterious moon basis says

2087

01:38:13,310 --> 01:38:11,699

cast iron gives it the flavor it add a

2088

01:38:16,550 --> 01:38:13,320

little bit more iron it actually does

2089

01:38:17,510 --> 01:38:16,560

add a tiny bit of iron to the food or so

2090

01:38:20,149 --> 01:38:17,520

I'm told

2091

01:38:22,610 --> 01:38:20,159

I've never suffered any ill effects I

2092

01:38:23,450 --> 01:38:22,620

like the cast iron and it's easy to

2093

01:38:27,470 --> 01:38:23,460

clean

2094

01:38:30,110 --> 01:38:27,480

especially being a man like I don't wash

2095

01:38:31,850 --> 01:38:30,120

with soap and water those things I put a

2096

01:38:34,310 --> 01:38:31,860

little bit of water in the pan I put it

2097

01:38:36,169 --> 01:38:34,320

back on the wood stove and then I scrub

2098

01:38:38,510 --> 01:38:36,179

it out I put a little water in the pan

2099

01:38:41,030 --> 01:38:38,520

put it back on the wood stove and then I

2100

01:38:43,550 --> 01:38:41,040

scrub it out then I just rinse it dry it

2101
01:38:45,590 --> 01:38:43,560
hang it back up and you're good to go

2102
01:38:47,270 --> 01:38:45,600
for the next time you need to cook

2103
01:38:49,129 --> 01:38:47,280
something

2104
01:38:51,950 --> 01:38:49,139
yeah

2105
01:38:58,310 --> 01:38:55,490
CBS took down a stream of mine with Star

2106
01:39:00,050 --> 01:38:58,320
Trek yeah I always people send me clips

2107
01:39:02,149 --> 01:39:00,060
all the time where they're using like

2108
01:39:03,350 --> 01:39:02,159
pieces of Star Trek or Star Trek the

2109
01:39:06,169 --> 01:39:03,360
Next Generation I'm always like I can't

2110
01:39:08,510 --> 01:39:06,179
use it you know and it sucks they should

2111
01:39:11,209 --> 01:39:08,520
let you use like five second clip

2112
01:39:12,950 --> 01:39:11,219
without doing that but you know I guess

2113
01:39:16,209 --> 01:39:12,960

intellectual property is intellectual

2114

01:39:19,330 --> 01:39:16,219

property and by the way uh

2115

01:39:21,470 --> 01:39:19,340

interestingly somebody is stealing

2116

01:39:25,729 --> 01:39:21,480

speaking of intellectual property

2117

01:39:30,470 --> 01:39:25,739

somebody is stealing our videos right

2118

01:39:36,229 --> 01:39:34,490

20 minutes into uh

2119

01:39:38,629 --> 01:39:36,239

excuse me so

2120

01:39:41,510 --> 01:39:38,639

on Odyssey there's a channel that's just

2121

01:39:43,129 --> 01:39:41,520

taking our videos and posting them and I

2122

01:39:45,110 --> 01:39:43,139

don't even care if people do that but at

2123

01:39:47,149 --> 01:39:45,120

least give a link back you know so I

2124

01:39:49,430 --> 01:39:47,159

contact them and said hey that's my

2125

01:39:50,930 --> 01:39:49,440

video can you give a link back and

2126
01:39:53,570 --> 01:39:50,940
they're like who the hell are you nobody

2127
01:39:55,010 --> 01:39:53,580
knows who you are go to hell like oh

2128
01:39:56,629 --> 01:39:55,020
that's great

2129
01:39:58,010 --> 01:39:56,639
you know and then it became something

2130
01:40:00,830 --> 01:39:58,020
about money you should call yourself

2131
01:40:02,750 --> 01:40:00,840
money Seekers like I just wanted you to

2132
01:40:05,629 --> 01:40:02,760
give a link back to my YouTube channel

2133
01:40:08,330 --> 01:40:05,639
for using my content that's how kind of

2134
01:40:11,030 --> 01:40:08,340
rude some people are right

2135
01:40:21,590 --> 01:40:11,040
uh you know but it is what it is what

2136
01:40:21,600 --> 01:40:28,729
wow

2137
01:40:33,950 --> 01:40:32,030
yeah so we're gonna bounce uh oh

2138
01:40:35,629 --> 01:40:33,960

mysterious moon basis says what I mean

2139

01:40:37,550 --> 01:40:35,639

is those old cast iron ones that could

2140

01:40:39,350 --> 01:40:37,560

have been passed down they give it that

2141

01:40:42,169 --> 01:40:39,360

Soul flavor yeah that stuff will be

2142

01:40:43,790 --> 01:40:42,179

around long after I'm gone my kids will

2143

01:40:45,490 --> 01:40:43,800

have that right

2144

01:40:48,169 --> 01:40:45,500

uh

2145

01:40:50,090 --> 01:40:48,179

my grandchildren could have that those

2146

01:40:51,950 --> 01:40:50,100

things last forever and what I have

2147

01:40:54,530 --> 01:40:51,960

found is you just season them once in a

2148

01:40:56,870 --> 01:40:54,540

while a tiny little bit of olive oil on

2149

01:41:00,229 --> 01:40:56,880

a paper towel you rub it in put it in

2150

01:41:02,629 --> 01:41:00,239

the oven for a half hour at a high

2151
01:41:04,910 --> 01:41:02,639
temperature take it back out do it again

2152
01:41:07,669 --> 01:41:04,920
hang it up it's good for a year or two

2153
01:41:09,590 --> 01:41:07,679
once it's seasoned and those things last

2154
01:41:11,629 --> 01:41:09,600
forever I want to get a set for the

2155
01:41:12,790 --> 01:41:11,639
house here but they get to be expensive

2156
01:41:15,470 --> 01:41:12,800
you know

2157
01:41:18,350 --> 01:41:15,480
and now I may have another place that

2158
01:41:21,350 --> 01:41:18,360
I'm gonna need cookware for so we'll see

2159
01:41:23,870 --> 01:41:21,360
yeah so we're going to bounce on out of

2160
01:41:27,350 --> 01:41:23,880
here friends uh I will be back tomorrow

2161
01:41:29,270 --> 01:41:27,360
night at 9 00 p.m Eastern and Thursday

2162
01:41:31,270 --> 01:41:29,280
we're supposed to have Steve long here

2163
01:41:35,990 --> 01:41:31,280

but he may be feeling under the weather

2164

01:41:38,149 --> 01:41:36,000

so uh I'll give an update uh as to

2165

01:41:39,770 --> 01:41:38,159

whether he'll be able to make it or not

2166

01:41:42,770 --> 01:41:39,780

he sent me some messages I'm going to

2167

01:41:44,870 --> 01:41:42,780

read as soon as we're off air here

2168

01:41:46,729 --> 01:41:44,880

so I want to thank the chat room

2169

01:41:48,290 --> 01:41:46,739

2170

01:41:55,270 --> 01:41:48,300
