00:02:50,000 --> 00:02:33,900

[Music]

10
00:04:24,170 --> 00:04:20,229
good evening this is Trixie reporting

11
00:04:28,909 --> 00:04:24,180
exclusively for truth Seekers where we

12
00:04:34,550 --> 00:04:28,919
use absolutely no gimmicks whatsoever we

13
00:04:36,830 --> 00:04:34,560

just give you the cold hard facts so

14

00:04:41,770 --> 00:04:36,840

truth Seekers what I need you to do

15

00:04:46,730 --> 00:04:41,780

right now is get out your telescopes

16

00:04:48,310 --> 00:04:46,740

extend them right out because I have an

17

00:04:52,990 --> 00:04:48,320

exclusive review

18

00:04:56,570 --> 00:04:53,000

Point those telescopes up to the skies

19

00:05:02,090 --> 00:04:56,580

and you may see what we have seen

20

00:05:06,400 --> 00:05:02,100

tonight which is a definite UFO floating

21

00:05:16,510 --> 00:05:12,670

[Music]

22

00:05:20,629 --> 00:05:16,520

and if it is that they will grant me

23

00:05:23,050 --> 00:05:20,639

honor of giving them an exclusive

24

00:05:35,570 --> 00:05:23,060

interview here

25

00:06:17,029 --> 00:06:10,480

[Music]

26

00:06:18,110 --> 00:06:17,039

greetings and salutations friends and

27

00:06:22,070 --> 00:06:18,120

welcome back

28

00:06:26,210 --> 00:06:22,080

uh we are here tonight for uh the UFO

29

00:06:28,730 --> 00:06:26,220

report which is something we do uh

30

00:06:31,430 --> 00:06:28,740

uh from time to time I like to bring in

31

00:06:35,270 --> 00:06:31,440

other people who are similarly

32

00:06:36,290 --> 00:06:35,280

interested in uh some would say obsessed

33

00:06:41,330 --> 00:06:36,300

with

34

00:06:43,550 --> 00:06:41,340

uh the topic of UFOs and aliens uh Steve

35

00:06:45,830 --> 00:06:43,560

long has been a guest here before had

36

00:06:48,050 --> 00:06:45,840

some interesting experiences with black

37

00:06:51,050 --> 00:06:48,060

triangles and that's what got him stuck

38

00:06:53,570 --> 00:06:51,060

down the rabbit hole uh still waiting

39

00:06:56,930 --> 00:06:53,580

for him to arrive

40

00:06:59,689 --> 00:06:56,940

uh spooky says Rune doesn't look clean

41

00:07:02,150 --> 00:06:59,699

disappointed well this is something

42

00:07:03,950 --> 00:07:02,160

called forced perspective you know if

43

00:07:06,650 --> 00:07:03,960

you just look this way and I keep it

44

00:07:08,689 --> 00:07:06,660

dark enough in here it's fine do you

45

00:07:11,510 --> 00:07:08,699

know spooky When I Was A Bachelor I had

46

00:07:14,870 --> 00:07:11,520

a theory for when girls came over uh

47

00:07:17,930 --> 00:07:14,880

when I was single and I had a rented a

48

00:07:20,330 --> 00:07:17,940

house and that was dark equals clean you

49

00:07:22,850 --> 00:07:20,340

just keep it dark right light some

50

00:07:25,010 --> 00:07:22,860

scented candles you'll be all right just

51
00:07:27,650 --> 00:07:25,020
get rid of the big stuff the pizza boxes

52
00:07:28,790 --> 00:07:27,660
the beer bottles you know that kind of

53
00:07:31,909 --> 00:07:28,800
stuff no

54
00:07:33,650 --> 00:07:31,919
um I'm planning on cleaning tonight uh I

55
00:07:34,570 --> 00:07:33,660
did a little bit in here but

56
00:07:37,670 --> 00:07:34,580
um

57
00:07:40,850 --> 00:07:37,680
in my defense what I'm going to say is

58
00:07:43,249 --> 00:07:40,860
that this room becomes the catch-all for

59
00:07:46,070 --> 00:07:43,259
everything Dad we got a huge house here

60
00:07:47,990 --> 00:07:46,080
but anytime any of my stuff is anywhere

61
00:07:51,110 --> 00:07:48,000
in the rest of the house

62
00:07:53,330 --> 00:07:51,120
it finds its way in here like you know I

63
00:07:56,749 --> 00:07:53,340

I don't know how but it doesn't matter

64

00:07:58,610 --> 00:07:56,759

whatever whatever his mind gets just

65

00:08:02,629 --> 00:07:58,620

thrown in this room

66

00:08:06,969 --> 00:08:02,639

so we've got a lovely multitude and mix

67

00:08:09,950 --> 00:08:06,979

here we've got uh guitar pedals guitars

68

00:08:12,230 --> 00:08:09,960

uh there's some synthesizers over there

69

00:08:15,650 --> 00:08:12,240

there's some busted computers that I

70

00:08:19,869 --> 00:08:15,660

have to fix uh there's some masks

71

00:08:23,210 --> 00:08:19,879

there's uh electronics parts

72

00:08:27,589 --> 00:08:23,220

microcontrollers computer parts uh yeah

73

00:08:29,869 --> 00:08:27,599

it's a it's a mess in here I I need a

74

00:08:31,730 --> 00:08:29,879

I I don't know what I need but every

75

00:08:34,550 --> 00:08:31,740

once in a while I get disgusted enough

76
00:08:37,430 --> 00:08:34,560
and at this point I am disgusted enough

77
00:08:39,409 --> 00:08:37,440
and I'm cleaning up uh because it's

78
00:08:41,870 --> 00:08:39,419
reached a level of grime that even I'm

79
00:08:43,730 --> 00:08:41,880
not comfortable with and again my wife

80
00:08:45,410 --> 00:08:43,740
does not clean in here this is the only

81
00:08:48,110 --> 00:08:45,420
room in the house that I have to clean

82
00:08:50,810 --> 00:08:48,120
and that's why it's a mess

83
00:08:54,110 --> 00:08:50,820
so uh we were going to be talking

84
00:08:55,250 --> 00:08:54,120
tonight uh about uh space exposures here

85
00:08:57,290 --> 00:08:55,260
welcome we're going to be talking

86
00:08:58,850 --> 00:08:57,300
welcome welcome everybody we're going to

87
00:09:01,070 --> 00:08:58,860
be talking tonight about some of the

88
00:09:04,490 --> 00:09:01,080

recent news a lot of you have asked me

89

00:09:07,910 --> 00:09:04,500

about this UFO report and

90

00:09:10,910 --> 00:09:07,920

uh what I can tell you is the gift goes

91

00:09:13,130 --> 00:09:10,920

on because there are all kinds of UFO

92

00:09:14,630 --> 00:09:13,140

grifters and con artists and scammers

93

00:09:16,970 --> 00:09:14,640

that are running around telling people

94

00:09:21,110 --> 00:09:16,980

what's really happening right

95

00:09:23,690 --> 00:09:21,120

uh I heard various things like uh the

96

00:09:25,610 --> 00:09:23,700

report wasn't detailed enough so members

97

00:09:27,710 --> 00:09:25,620

of Congress sent it back and told them

98

00:09:28,670 --> 00:09:27,720

to be more transparent and write it

99

00:09:31,310 --> 00:09:28,680

again

100

00:09:34,610 --> 00:09:31,320

I have heard that

101

00:09:36,650 --> 00:09:34,620

um it's got National Security

102

00:09:39,410 --> 00:09:36,660

implications you know like they're

103

00:09:42,050 --> 00:09:39,420

admitting that aliens are real and that

104

00:09:44,570 --> 00:09:42,060

we have bodies and crashes and therefore

105

00:09:47,650 --> 00:09:44,580

it's a national security issue so we

106

00:09:50,810 --> 00:09:47,660

have to we have to somehow we have to

107

00:09:53,150 --> 00:09:50,820

redact things that's what the delay is

108

00:09:55,250 --> 00:09:53,160

you know I think it's just lazy

109

00:09:58,009 --> 00:09:55,260

government workers did you ever go to

110

00:09:59,509 --> 00:09:58,019

the post office or the DMV did you have

111

00:10:01,790 --> 00:09:59,519

a good experience we're talking about

112

00:10:03,050 --> 00:10:01,800

the same kind of people and sure they

113

00:10:04,610 --> 00:10:03,060

get told hey you got to write this

114

00:10:06,410 --> 00:10:04,620

report it's got to be done by this date

115

00:10:09,410 --> 00:10:06,420

and everybody's losing their minds

116

00:10:11,030 --> 00:10:09,420

because it's not done yet I predict it's

117

00:10:13,430 --> 00:10:11,040

going to be another big nothing Burger

118

00:10:16,850 --> 00:10:13,440

but that won't stop

119

00:10:19,190 --> 00:10:16,860

the grift Squad from claiming all kinds

120

00:10:22,370 --> 00:10:19,200

of things and interestingly there has

121

00:10:25,250 --> 00:10:22,380

been people I say our guest has arrived

122

00:10:27,889 --> 00:10:25,260

I'm going to buy some something nice for

123

00:10:33,829 --> 00:10:27,899

Christmas like a watch but no it's okay

124

00:10:37,610 --> 00:10:33,839

so so I I got you know as far as this

125

00:10:39,889 --> 00:10:37,620

UFO report I have zero expectations of

126

00:10:42,290 --> 00:10:39,899

anything good being in it now you're

127

00:10:44,509 --> 00:10:42,300

talking about the government uh their

128

00:10:48,110 --> 00:10:44,519

job for the past 70 years have been to

129

00:10:51,889 --> 00:10:48,120

cover up control the narrative obfuscate

130

00:10:54,170 --> 00:10:51,899

deny deny deny I have zero confidence

131

00:10:56,030 --> 00:10:54,180

that they're gonna ever release any

132

00:10:58,610 --> 00:10:56,040

meaningful information

133

00:11:00,829 --> 00:10:58,620

and even when it appears that they do

134

00:11:03,350 --> 00:11:00,839

through back channels like people who

135

00:11:05,509 --> 00:11:03,360

quit the government uh it turns out that

136

00:11:08,329 --> 00:11:05,519

the stuff that these people release are

137

00:11:10,250 --> 00:11:08,339

big nothing Burgers I'm convinced that

138

00:11:13,550 --> 00:11:10,260

there's some kind of op going on to just

139

00:11:15,769 --> 00:11:13,560

get defense funding and and money it's

140

00:11:18,170 --> 00:11:15,779

big it's a big club and I ain't in it

141

00:11:21,050 --> 00:11:18,180

though who knows what happens with this

142

00:11:23,329 --> 00:11:21,060

UFO report but all these people I mean

143

00:11:26,210 --> 00:11:23,339

my only interest in it was I could get a

144

00:11:30,050 --> 00:11:26,220

show out of it like we could read it

145

00:11:32,389 --> 00:11:30,060

talk about it you know so but life goes

146

00:11:34,610 --> 00:11:32,399

on I'm certain there's more important

147

00:11:37,310 --> 00:11:34,620

things in the world than than this stuff

148

00:11:39,710 --> 00:11:37,320

for sure there's Wars raging right now

149

00:11:43,310 --> 00:11:39,720

people are starving the economy's in the

150

00:11:46,670 --> 00:11:43,320

in the toilet right now gas is you know

151
00:11:48,110 --> 00:11:46,680
six dollars a gallon or soon will be and

152
00:11:50,870 --> 00:11:48,120
by the way that

153
00:11:53,329 --> 00:11:50,880
that whole crypto crash is going to

154
00:11:56,509 --> 00:11:53,339
affect us terribly too so there's more

155
00:11:58,370 --> 00:11:56,519
important things uh but I I'm not sure

156
00:11:59,990 --> 00:11:58,380
where the report is I'm not sure when

157
00:12:02,090 --> 00:12:00,000
it'll be released but now the grifter

158
00:12:03,350 --> 00:12:02,100
con Squad are running around saying

159
00:12:06,470 --> 00:12:03,360
different dates it's going to be

160
00:12:08,690 --> 00:12:06,480
released and why but people have proven

161
00:12:11,509 --> 00:12:08,700
by actually talking to members of

162
00:12:14,090 --> 00:12:11,519
Congress that no no report has been

163
00:12:15,889 --> 00:12:14,100

given to them yet there's no classified

164

00:12:17,210 --> 00:12:15,899

report there's a lot of disinformation

165

00:12:19,930 --> 00:12:17,220

going around

166

00:12:23,090 --> 00:12:19,940

and joining us to talk about this today

167

00:12:26,990 --> 00:12:23,100

uh we have our special guests here Steve

168

00:12:31,310 --> 00:12:27,000

long who is one of the most requested

169

00:12:35,030 --> 00:12:31,320

guests uh for return so this will be his

170

00:12:40,970 --> 00:12:35,040

second time around poor him he's stuck

171

00:12:45,350 --> 00:12:43,009

hey how's it going Steve thanks for

172

00:12:47,329 --> 00:12:45,360

having me tonight man yeah yeah I was

173

00:12:50,389 --> 00:12:47,339

saying you're one of the most requested

174

00:12:52,670 --> 00:12:50,399

guests that people wanted to come back

175

00:12:55,190 --> 00:12:52,680

so you must have said some good things

176

00:12:57,350 --> 00:12:55,200

last time

177

00:12:59,210 --> 00:12:57,360

and by the way I want nice to hear Matt

178

00:13:00,829 --> 00:12:59,220

it's always a pleasure to be here I uh I

179

00:13:02,690 --> 00:13:00,839

had a great time last time

180

00:13:04,430 --> 00:13:02,700

I'm going to put a link to your first

181

00:13:06,110 --> 00:13:04,440

interview here with us in the

182

00:13:07,850 --> 00:13:06,120

description of the video I haven't done

183

00:13:10,009 --> 00:13:07,860

that yet but I will so that'll be in the

184

00:13:12,590 --> 00:13:10,019

description of the video have you been

185

00:13:15,410 --> 00:13:12,600

following this UFO report thing do you

186

00:13:17,090 --> 00:13:15,420

even care that it's not released yet do

187

00:13:20,329 --> 00:13:17,100

you think it's going to be soon what

188

00:13:23,449 --> 00:13:20,339

what's the scoop on that

189

00:13:24,650 --> 00:13:23,459

well certainly the report uh will be

190

00:13:25,509 --> 00:13:24,660

coming out

191

00:13:28,310 --> 00:13:25,519

um

192

00:13:31,129 --> 00:13:28,320

I'm less surprised I guess that it

193

00:13:33,769 --> 00:13:31,139

didn't uh come out on time

194

00:13:35,629 --> 00:13:33,779

uh that uh

195

00:13:39,290 --> 00:13:35,639

that I am that there's really been a

196

00:13:41,810 --> 00:13:39,300

real uh there's no been been no change

197

00:13:43,310 --> 00:13:41,820

of protocol for then you know weeks

198

00:13:45,230 --> 00:13:43,320

telling us that this thing was coming

199

00:13:46,790 --> 00:13:45,240

out it was coming out on a certain day

200

00:13:48,889 --> 00:13:46,800

it's coming out at the end of the week

201

00:13:50,449 --> 00:13:48,899

it contained this this was what was

202

00:13:53,629 --> 00:13:50,459

going on behind the scenes with it you

203

00:13:56,389 --> 00:13:53,639

know all backed up by claims of

204

00:14:00,110 --> 00:13:56,399

um sources which cannot be named I

205

00:14:02,870 --> 00:14:00,120

Anonymous those damn Anonymous sources

206

00:14:05,329 --> 00:14:02,880

uh right and uh the same Anonymous uh

207

00:14:08,329 --> 00:14:05,339

sources that uh have been you know wrong

208

00:14:12,710 --> 00:14:08,339

so many times once again apparently have

209

00:14:14,810 --> 00:14:12,720

uh been a letdown and still the ball

210

00:14:17,930 --> 00:14:14,820

just gets pushed a little further uh

211

00:14:20,210 --> 00:14:17,940

back and the game's still on the sources

212

00:14:21,769 --> 00:14:20,220

are still going to be talked about and

213

00:14:23,569 --> 00:14:21,779

uh it's just amazing because you think

214

00:14:25,910 --> 00:14:23,579

that uh and certainly for some people

215

00:14:29,389 --> 00:14:25,920

there is they see the repetition they

216

00:14:31,430 --> 00:14:29,399

see the uh cycles and red flags come up

217

00:14:33,230 --> 00:14:31,440

but you know overall as a whole and it's

218

00:14:36,170 --> 00:14:33,240

certainly not

219

00:14:38,509 --> 00:14:36,180

uh on the part of uh who we're doing

220

00:14:40,790 --> 00:14:38,519

that for the last few weeks uh and

221

00:14:42,470 --> 00:14:40,800

continue to always claim sources that

222

00:14:44,990 --> 00:14:42,480

are giving them such reliable

223

00:14:47,509 --> 00:14:45,000

information that turns out to not be so

224

00:14:50,090 --> 00:14:47,519

reliable quite often again I know it's

225

00:14:52,009 --> 00:14:50,100

amazing did you know I didn't know this

226

00:14:53,629 --> 00:14:52,019

somebody else covered it there's uh I

227

00:14:56,210 --> 00:14:53,639

don't know if you know him C.W Chandler

228

00:14:58,129 --> 00:14:56,220

is a great is a great sort of skeptical

229

00:15:00,230 --> 00:14:58,139

guy he went after so many different

230

00:15:03,590 --> 00:15:00,240

people like David Wilcox and Corey good

231

00:15:05,269 --> 00:15:03,600

for and anyway he uh he just covered

232

00:15:07,490 --> 00:15:05,279

today that Linda Moulton Howe is going

233

00:15:09,590 --> 00:15:07,500

to be at portals of Ascension in April

234

00:15:11,329 --> 00:15:09,600

and she's saying that her Anonymous

235

00:15:13,910 --> 00:15:11,339

sources are telling us that right around

236

00:15:15,230 --> 00:15:13,920

the time of the of the convention that

237

00:15:18,230 --> 00:15:15,240

the government is going to release

238

00:15:21,050 --> 00:15:18,240

absolute proof of like uh

239

00:15:23,329 --> 00:15:21,060

life on other planets so you gotta go to

240

00:15:25,189 --> 00:15:23,339

the conference so that you can be with

241

00:15:28,069 --> 00:15:25,199

the good people that we're saying this

242

00:15:29,750 --> 00:15:28,079

all along and and but it's one of those

243

00:15:32,930 --> 00:15:29,760

things like what is our source for this

244

00:15:35,990 --> 00:15:32,940

an anonymous source that uh she won't

245

00:15:38,030 --> 00:15:36,000

name nobody can question it's just trust

246

00:15:40,129 --> 00:15:38,040

me dude they're going to tell us some

247

00:15:41,870 --> 00:15:40,139

stuff right before the conference so buy

248

00:15:43,670 --> 00:15:41,880

your tickets now

249

00:15:45,410 --> 00:15:43,680

and if enough people show up at the

250

00:15:46,910 --> 00:15:45,420

conference Steve long she's going to

251

00:15:49,670 --> 00:15:46,920

sign autographs

252

00:15:51,009 --> 00:15:49,680

that's what she said well I would

253

00:15:54,530 --> 00:15:51,019

certainly

254

00:15:56,509 --> 00:15:54,540

be exciting and Linda Moulton Hal's been

255

00:15:59,629 --> 00:15:56,519

pulling this for a long time I was just

256

00:16:03,050 --> 00:15:59,639

listening to um an art bell podcast with

257

00:16:05,509 --> 00:16:03,060

her from 1997. yeah and uh she was

258

00:16:07,550 --> 00:16:05,519

talking about the Arts Parts and uh the

259

00:16:09,110 --> 00:16:07,560

big the big reveal was coming up where

260

00:16:11,030 --> 00:16:09,120

she was going to talk about you know the

261

00:16:13,790 --> 00:16:11,040

qualities of it and how confounding it

262

00:16:16,009 --> 00:16:13,800

was and uh now today of course to see

263

00:16:18,290 --> 00:16:16,019

where that has ended up it's just a

264

00:16:21,470 --> 00:16:18,300

perfect a picture I think of of this

265

00:16:23,269 --> 00:16:21,480

topic again the game keeps going it

266

00:16:24,670 --> 00:16:23,279

doesn't matter what the facts are right

267

00:16:26,990 --> 00:16:24,680

matter

268

00:16:29,449 --> 00:16:27,000

this is how we say it here the grift

269

00:16:31,250 --> 00:16:29,459

goes on but she got something like

270

00:16:34,129 --> 00:16:31,260

thirty thousand dollars for those metal

271

00:16:37,430 --> 00:16:34,139

fragments and did you know because I

272

00:16:39,889 --> 00:16:37,440

talked to him uh way back in the day the

273

00:16:43,189 --> 00:16:39,899

first scientist that she hired to do the

274

00:16:45,110 --> 00:16:43,199

materials analysis he he did the

275

00:16:47,749 --> 00:16:45,120

materials analysis Material Science

276

00:16:50,150 --> 00:16:47,759

specialist like he was an engineer this

277

00:16:52,490 --> 00:16:50,160

guy was really qualified so he puts it

278

00:16:54,069 --> 00:16:52,500

through Mass spectrometer which is what

279

00:16:56,810 --> 00:16:54,079

you do when you want to identify

280

00:16:59,870 --> 00:16:56,820

elements and you know and he checks all

281

00:17:02,150 --> 00:16:59,880

the isotopic ratios because metal from

282

00:17:05,090 --> 00:17:02,160

another star system would be different

283

00:17:08,329 --> 00:17:05,100

in isotopic ratio and you know it's

284

00:17:10,189 --> 00:17:08,339

normal Earthly materials so he sends her

285

00:17:12,590 --> 00:17:10,199

back the report that it's just normal

286

00:17:16,010 --> 00:17:12,600

Earthly materials it's like zinc

287

00:17:17,689 --> 00:17:16,020

magnesium aluminum whatever it was and

288

00:17:19,850 --> 00:17:17,699

then she comes back to him and says well

289

00:17:22,490 --> 00:17:19,860

can you reproduce it and he says yeah

290

00:17:26,750 --> 00:17:22,500

this is like a this looks appears to me

291

00:17:29,930 --> 00:17:26,760

to be a manufacturing byproduct like of

292

00:17:32,630 --> 00:17:29,940

a smelting operation or something so he

293

00:17:35,810 --> 00:17:32,640

makes something that's close and sends

294

00:17:38,330 --> 00:17:35,820

it back to her she fired him and then

295

00:17:41,029 --> 00:17:38,340

she got a new guy that would say it was

296

00:17:42,370 --> 00:17:41,039

something spectacular

297

00:17:45,409 --> 00:17:42,380

foreign

298

00:17:46,010 --> 00:17:45,419

you know again reminiscent of

299

00:17:48,110 --> 00:17:46,020

um

300

00:17:51,610 --> 00:17:48,120

the ball that Ross colfar has been

301

00:17:54,409 --> 00:17:51,620

pushing with Gary Nolan yeah

302

00:17:56,630 --> 00:17:54,419

Ross's balls and isn't it great that

303

00:18:00,110 --> 00:17:56,640

they promised us that they had proof

304

00:18:02,210 --> 00:18:00,120

definitive proof of alien technology and

305

00:18:04,430 --> 00:18:02,220

then

306

00:18:05,570 --> 00:18:04,440

I went to Gary Nolan I got blocked for

307

00:18:08,150 --> 00:18:05,580

asking this question I went to Gary

308

00:18:10,310 --> 00:18:08,160

Nolan and I said in the piece you guys

309

00:18:12,590 --> 00:18:10,320

promised definitive proof of alien

310

00:18:15,890 --> 00:18:12,600

technology are you going to release the

311

00:18:18,710 --> 00:18:15,900

report like of of the materials and then

312

00:18:20,870 --> 00:18:18,720

he said I didn't start the analysis yet

313

00:18:23,870 --> 00:18:20,880

so I'm thinking like well how the hell

314

00:18:26,210 --> 00:18:23,880

are you guys promising you didn't start

315

00:18:28,430 --> 00:18:26,220

the announcement

316

00:18:30,169 --> 00:18:28,440

it's just so ridiculous and I find

317

00:18:32,390 --> 00:18:30,179

myself laughing about some of this stuff

318

00:18:35,450 --> 00:18:32,400

Steve long because I'm I'm stuck here

319

00:18:37,130 --> 00:18:35,460

now you know like we're too deep in the

320

00:18:39,350 --> 00:18:37,140

rabbit hole to just jump out and say

321

00:18:40,190 --> 00:18:39,360

it's all [h__h] because there are some

322

00:18:43,370 --> 00:18:40,200

good

323

00:18:46,669 --> 00:18:43,380

evidence in cases but these grifters are

324

00:18:49,570 --> 00:18:46,679

just running through here like it's just

325

00:18:53,870 --> 00:18:52,850

no it's it's the truth and it's a shame

326

00:18:56,090 --> 00:18:53,880

um because

327

00:19:00,169 --> 00:18:56,100

from day to day it's just distraction

328

00:19:02,450 --> 00:19:00,179

and um you know I really enjoyed the um

329

00:19:03,710 --> 00:19:02,460

spooky Speaks video that you played a

330

00:19:05,690 --> 00:19:03,720

couple of nights ago at the beginning of

331

00:19:07,310 --> 00:19:05,700

one of your shows yeah and uh towards

332

00:19:09,230 --> 00:19:07,320

the end of it he kind of notes that you

333

00:19:11,930 --> 00:19:09,240

know the the constant

334

00:19:16,310 --> 00:19:14,150

that's always there and the facts that

335

00:19:18,289 --> 00:19:16,320

are always incomplete inconsistent and

336

00:19:21,710 --> 00:19:18,299

keep us kind of chasing the whole time

337

00:19:23,090 --> 00:19:21,720

not really doing anything else and maybe

338

00:19:26,029 --> 00:19:23,100

that's the point you know or maybe

339

00:19:27,890 --> 00:19:26,039

that's one of the points uh we're not

340

00:19:30,049 --> 00:19:27,900

you know out there where's all the

341

00:19:32,029 --> 00:19:30,059

reports about what civilians are seeing

342

00:19:34,190 --> 00:19:32,039

these days you know where's uh the

343

00:19:36,110 --> 00:19:34,200

numbers on that and certainly that kind

344

00:19:38,270 --> 00:19:36,120

of work is being done it's just not

345

00:19:40,789 --> 00:19:38,280

really getting the play and people want

346

00:19:43,070 --> 00:19:40,799

the things that are very um sexy and

347

00:19:46,370 --> 00:19:43,080

promise to have the answers coming very

348

00:19:48,470 --> 00:19:46,380

soon from yeah you know people you're

349

00:19:50,870 --> 00:19:48,480

absolutely right too on speaky's piece I

350

00:19:52,610 --> 00:19:50,880

got more email I'm kind of like pissed

351
00:19:55,310 --> 00:19:52,620
off though because I have done a whole

352
00:19:57,650 --> 00:19:55,320
like a hundred different videos that we

353
00:20:00,049 --> 00:19:57,660
included nobody really emails me

354
00:20:02,510 --> 00:20:00,059
Spooky's piece goes in and I got all

355
00:20:05,150 --> 00:20:02,520
these emails to say I feel exactly the

356
00:20:08,029 --> 00:20:05,160
same way because aren't we all that kid

357
00:20:09,770 --> 00:20:08,039
that watched X-Files and that you know

358
00:20:11,510 --> 00:20:09,780
grew up with some of this stuff and

359
00:20:13,390 --> 00:20:11,520
wanted to believe that there was

360
00:20:19,850 --> 00:20:13,400
something to it

361
00:20:19,860 --> 00:20:24,650
oh you're muted

362
00:20:28,430 --> 00:20:26,390
there you go

363
00:20:30,350 --> 00:20:28,440

pardon me I think I think I'm lagging am

364

00:20:33,590 --> 00:20:30,360

I Steve you were a little bit but it

365

00:20:39,650 --> 00:20:37,130

okay it is disappointing and uh I'm sure

366

00:20:41,810 --> 00:20:39,660

when Linda Bolton's house uh convention

367

00:20:43,850 --> 00:20:41,820

comes around it'll be much more the same

368

00:20:46,010 --> 00:20:43,860

and it's really impressive on some

369

00:20:48,230 --> 00:20:46,020

levels that these people can continue to

370

00:20:50,390 --> 00:20:48,240

make uh careers out of this decade after

371

00:20:53,510 --> 00:20:50,400

decade despite

372

00:20:55,010 --> 00:20:53,520

um you know very solid evidence uh

373

00:20:56,870 --> 00:20:55,020

coming against them time and time again

374

00:20:58,970 --> 00:20:56,880

despite them being very wrong time and

375

00:21:01,010 --> 00:20:58,980

time again and uh not even really taking

376

00:21:03,350 --> 00:21:01,020

accountability for that or being

377

00:21:04,909 --> 00:21:03,360

transparent about that

378

00:21:06,710 --> 00:21:04,919

um it's very impressive and when you

379

00:21:08,990 --> 00:21:06,720

throw in the fact that also on top of

380

00:21:11,390 --> 00:21:09,000

that they've done the same thing uh to

381

00:21:13,669 --> 00:21:11,400

produce government contracts

382

00:21:15,890 --> 00:21:13,679

acts in the same manner uh it's just

383

00:21:18,110 --> 00:21:15,900

mind-boggling uh and it's

384

00:21:20,330 --> 00:21:18,120

uh there's just so much to it that it's

385

00:21:22,789 --> 00:21:20,340

almost it it sounds like a conspiracy

386

00:21:24,289 --> 00:21:22,799

theory often you know and and uh that

387

00:21:26,090 --> 00:21:24,299

could be the low-hanging fruit but these

388

00:21:28,130 --> 00:21:26,100

things are certainly evidenced and

389

00:21:29,630 --> 00:21:28,140

they're evidenced much more than the

390

00:21:31,630 --> 00:21:29,640

narratives that these people are often

391

00:21:34,430 --> 00:21:31,640

feeding us and I just always find it so

392

00:21:36,110 --> 00:21:34,440

particular that the very people who were

393

00:21:37,909 --> 00:21:36,120

operating and working at the highest

394

00:21:41,090 --> 00:21:37,919

levels of things like

395

00:21:43,250 --> 00:21:41,100

Blazers and plasma Technologies and uh

396

00:21:45,890 --> 00:21:43,260

the highest levels of defense and the

397

00:21:48,350 --> 00:21:45,900

latest tech uh are telling us that these

398

00:21:51,409 --> 00:21:48,360

things are anything but that uh and it

399

00:21:54,049 --> 00:21:51,419

just seems so so coincidence

400

00:21:57,289 --> 00:21:54,059

that'll uh

401
00:22:00,590 --> 00:21:57,299
yeah and I I wonder did you see this

402
00:22:02,810 --> 00:22:00,600
James Fox latest money grab I mean uh

403
00:22:05,750 --> 00:22:02,820
documentary because this is another

404
00:22:08,690 --> 00:22:05,760
perfect example of an old story that

405
00:22:10,970 --> 00:22:08,700
gets recycled and he's likely going to

406
00:22:15,169 --> 00:22:10,980
make a million dollars or more on that

407
00:22:17,510 --> 00:22:15,179
documentary and uh he got five new

408
00:22:20,870 --> 00:22:17,520
Anonymous sources that's what he's done

409
00:22:23,570 --> 00:22:20,880
for the past 26 years like the whole

410
00:22:26,270 --> 00:22:23,580
story is the same story from 26 years

411
00:22:28,190 --> 00:22:26,280
ago but he's got five new Anonymous

412
00:22:31,370 --> 00:22:28,200
sources that nobody else can interview

413
00:22:34,190 --> 00:22:31,380

nobody else can you know research they

414

00:22:35,870 --> 00:22:34,200

are who they say they are and I I found

415

00:22:37,730 --> 00:22:35,880

myself thinking like first of all I want

416

00:22:39,950 --> 00:22:37,740

my money back for this because I heard

417

00:22:42,950 --> 00:22:39,960

this story in 1996

418

00:22:44,810 --> 00:22:42,960

and second of all it's it's I just can't

419

00:22:46,490 --> 00:22:44,820

believe that people can do that and get

420

00:22:49,250 --> 00:22:46,500

away with it and then people will argue

421

00:22:51,289 --> 00:22:49,260

with me that he's a great researcher in

422

00:22:52,909 --> 00:22:51,299

26 years you couldn't find any on the

423

00:22:56,330 --> 00:22:52,919

record sources you had to go to Five

424

00:22:58,490 --> 00:22:56,340

Anonymous sources and the witnesses made

425

00:23:01,310 --> 00:22:58,500

very conflicting statements from their

426
00:23:03,770 --> 00:23:01,320
original story now the story has changed

427
00:23:10,029 --> 00:23:03,780
somewhat and I I don't understand why

428
00:23:14,690 --> 00:23:12,470
yeah again like that's one of the

429
00:23:16,610 --> 00:23:14,700
cornerstones of these stories the

430
00:23:18,950 --> 00:23:16,620
constantly evolving narrative that

431
00:23:22,010 --> 00:23:18,960
changes from year to year decade to

432
00:23:25,610 --> 00:23:22,020
decade and from these very Witnesses you

433
00:23:27,049 --> 00:23:25,620
know and um again despite that the ball

434
00:23:28,430 --> 00:23:27,059
just keeps rolling and I think a lot of

435
00:23:30,169 --> 00:23:28,440
that has to do with the fact that most

436
00:23:31,669 --> 00:23:30,179
of the people that are getting the

437
00:23:33,289 --> 00:23:31,679
message haven't been here in years

438
00:23:35,690 --> 00:23:33,299

before and it's new to them and haven't

439

00:23:36,770 --> 00:23:35,700

recognized the cycles and they haven't

440

00:23:38,270 --> 00:23:36,780

recognized the fact that these people

441

00:23:41,510 --> 00:23:38,280

are being inconsistent in the things

442

00:23:44,450 --> 00:23:41,520

that they say and uh

443

00:23:46,669 --> 00:23:44,460

obviously the response at the people who

444

00:23:48,529 --> 00:23:46,679

are publishing this and who are making

445

00:23:51,529 --> 00:23:48,539

the money off of it and writing the

446

00:23:54,230 --> 00:23:51,539

books and the documentaries uh and

447

00:23:56,750 --> 00:23:54,240

despite how many uh issues there may be

448

00:23:58,549 --> 00:23:56,760

with the latest James Fox documentary

449

00:24:01,430 --> 00:23:58,559

and the things that are leveled at him

450

00:24:03,649 --> 00:24:01,440

as far as inconsistency and things that

451
00:24:05,930 --> 00:24:03,659
are presented out of context or that are

452
00:24:08,090 --> 00:24:05,940
false we'll get no answer on those with

453
00:24:10,390 --> 00:24:08,100
this but there'll be another one coming

454
00:24:12,830 --> 00:24:10,400
out soon

455
00:24:15,169 --> 00:24:12,840
he's working on his next one already

456
00:24:18,649 --> 00:24:15,179
yeah he's working on his next one

457
00:24:22,070 --> 00:24:18,659
already which is crazy right it's very

458
00:24:24,350 --> 00:24:22,080
um very gross changes and even just

459
00:24:26,149 --> 00:24:24,360
thinking about the Pascagoula case you

460
00:24:28,909 --> 00:24:26,159
know uh Calvin Parker

461
00:24:30,409 --> 00:24:28,919
today if you listen to him he remembers

462
00:24:32,330 --> 00:24:30,419
everything that happened and he

463
00:24:34,130 --> 00:24:32,340

remembers it consciously but if you go

464

00:24:36,350 --> 00:24:34,140

back to the facts of the case the actual

465

00:24:38,750 --> 00:24:36,360

reports he claims that he passed out

466

00:24:41,510 --> 00:24:38,760

essentially before anything happened and

467

00:24:45,529 --> 00:24:41,520

then came to after it was all done

468

00:24:47,750 --> 00:24:45,539

um today he has built entire stories uh

469

00:24:50,930 --> 00:24:47,760

and narratives that he fills podcasts

470

00:24:53,930 --> 00:24:50,940

and multiple books with uh and even goes

471

00:24:56,270 --> 00:24:53,940

on to claim later abductions and that he

472

00:24:59,110 --> 00:24:56,280

had an implant and uh

473

00:25:02,149 --> 00:24:59,120

oh he got UFOs

474

00:25:04,070 --> 00:25:02,159

uh the Nimitz now has a triangle

475

00:25:05,750 --> 00:25:04,080

involved I mean these things just

476

00:25:07,789 --> 00:25:05,760

continue to grow outside of their

477

00:25:10,430 --> 00:25:07,799

initial scope without any question yeah

478

00:25:12,770 --> 00:25:10,440

did you know I have this I always say

479

00:25:14,930 --> 00:25:12,780

this that people suffer from UFO disease

480

00:25:17,510 --> 00:25:14,940

so that's what happened to that guy and

481

00:25:19,669 --> 00:25:17,520

UFO disease is when you start making a

482

00:25:20,870 --> 00:25:19,679

living off of this off of your initial

483

00:25:29,210 --> 00:25:20,880

story

484

00:25:31,669 --> 00:25:29,220

forever so most of these people we see

485

00:25:33,769 --> 00:25:31,679

it they start to invent new parts of the

486

00:25:35,870 --> 00:25:33,779

story they tack things on I've seen it

487

00:25:37,430 --> 00:25:35,880

with rendelshim the original story there

488

00:25:39,529 --> 00:25:37,440

was nothing about all this binary

489

00:25:42,110 --> 00:25:39,539

message or any of that that was an

490

00:25:45,169 --> 00:25:42,120

add-on later and it just they keep

491

00:25:47,510 --> 00:25:45,179

adding on or expanding the story Robert

492

00:25:49,250 --> 00:25:47,520

Dean is one of those guys he's first he

493

00:25:52,610 --> 00:25:49,260

came out with a very believable story

494

00:25:54,950 --> 00:25:52,620

that he saw some documents through his

495

00:25:57,049 --> 00:25:54,960

work with NATO when he was in the

496

00:25:59,870 --> 00:25:57,059

military and it was a very believable

497

00:26:02,630 --> 00:25:59,880

story and then he started talking about

498

00:26:04,430 --> 00:26:02,640

alien his alien experiences and he's

499

00:26:07,130 --> 00:26:04,440

telepathically communicating he's

500

00:26:09,430 --> 00:26:07,140

getting downloads and this is a guy who

501
00:26:11,990 --> 00:26:09,440
worked UFO conferences for 20 plus years

502
00:26:14,149 --> 00:26:12,000
so the initial story only took him

503
00:26:15,950 --> 00:26:14,159
through the first few years he needed

504
00:26:18,850 --> 00:26:15,960
new material I guess that's what

505
00:26:24,470 --> 00:26:21,950
yeah and that's the thing right to get

506
00:26:26,690 --> 00:26:24,480
to get media you have to you have to

507
00:26:28,789 --> 00:26:26,700
create new things

508
00:26:30,649 --> 00:26:28,799
yeah and this is uh Philip mantle I

509
00:26:33,130 --> 00:26:30,659
think has a book or a documentary coming

510
00:26:35,390 --> 00:26:33,140
out about the about this case

511
00:26:38,149 --> 00:26:35,400
Pascagoula for those unaware these

512
00:26:42,950 --> 00:26:38,159
strange creatures landed and

513
00:26:47,870 --> 00:26:45,649

yeah I mean allegedly and uh Philip

514

00:26:50,330 --> 00:26:47,880

mantle is at another uh another book

515

00:26:53,330 --> 00:26:50,340

actually two out with uh Calvin Parker

516

00:26:55,430 --> 00:26:53,340

uh just in the last few years

517

00:26:57,230 --> 00:26:55,440

um essentially you know claims to kind

518

00:26:59,450 --> 00:26:57,240

of tracking him down and getting him to

519

00:27:01,909 --> 00:26:59,460

finally speak out because he um did not

520

00:27:03,830 --> 00:27:01,919

want to for so long and even that isn't

521

00:27:06,350 --> 00:27:03,840

true if you look at the facts back in

522

00:27:08,630 --> 00:27:06,360

1993 you know during the 20th

523

00:27:13,549 --> 00:27:08,640

anniversary of this case you know Calvin

524

00:27:19,370 --> 00:27:16,610

uh that year uh he started doing you

525

00:27:20,750 --> 00:27:19,380

know public speaking uh interviews I

526

00:27:23,210 --> 00:27:20,760

think the company was called UFO

527

00:27:24,890 --> 00:27:23,220

investigations uh and he was going to

528

00:27:26,930 --> 00:27:24,900

essentially you know investigate UFOs

529

00:27:29,690 --> 00:27:26,940

and try and build a show around that uh

530

00:27:31,549 --> 00:27:29,700

even back then in 1993 uh and produced

531

00:27:33,890 --> 00:27:31,559

you know TV stories about abduction

532

00:27:36,470 --> 00:27:33,900

claims now it also just happens to be

533

00:27:39,049 --> 00:27:36,480

that he claims that he was abducted in

534

00:27:41,570 --> 00:27:39,059

1993 as well for a second time where

535

00:27:45,950 --> 00:27:41,580

they removed uh the implant again like

536

00:27:49,430 --> 00:27:45,960

he had to have new stories for his

537

00:27:52,610 --> 00:27:49,440

new for foray into the topic in order to

538

00:27:54,049 --> 00:27:52,620

sell tickets and uh create interest uh

539

00:27:55,789 --> 00:27:54,059

he couldn't just pump the same old story

540

00:27:58,310 --> 00:27:55,799

that Charles Hickson had been on every

541

00:28:01,190 --> 00:27:58,320

show in America and every uh Radio Show

542

00:28:03,470 --> 00:28:01,200

in America pumping for 20 years uh so

543

00:28:06,649 --> 00:28:03,480

you know new things had to be added then

544

00:28:08,149 --> 00:28:06,659

and uh very quickly that wasn't much

545

00:28:10,430 --> 00:28:08,159

success and not much money was made and

546

00:28:11,630 --> 00:28:10,440

he kind of went on his way and then came

547

00:28:13,430 --> 00:28:11,640

back again

548

00:28:15,890 --> 00:28:13,440

um you know when Philip mantle uh Came

549

00:28:17,930 --> 00:28:15,900

Calling to you know write a book

550

00:28:20,390 --> 00:28:17,940

um and Charles Hickson uh the same thing

551

00:28:23,870 --> 00:28:20,400

he's dead now but for years his story

552

00:28:26,870 --> 00:28:23,880

continued to evolve and uh change to

553

00:28:29,330 --> 00:28:26,880

include more abductions and even to uh

554

00:28:31,669 --> 00:28:29,340

claim that like many abductees that he

555

00:28:33,529 --> 00:28:31,679

was a messenger and was supposed to be

556

00:28:35,810 --> 00:28:33,539

bringing a

557

00:28:37,669 --> 00:28:35,820

a very important message for the

558

00:28:40,210 --> 00:28:37,679

Salvation of humanity

559

00:28:43,370 --> 00:28:40,220

um you know there's just um

560

00:28:44,870 --> 00:28:43,380

Cycles man the Cycles repeat so often I

561

00:28:47,269 --> 00:28:44,880

was trying to find the name of them we

562

00:28:48,950 --> 00:28:47,279

covered this one guy here before who is

563

00:28:51,289 --> 00:28:48,960

my favorite that suffers from that

564

00:28:52,730 --> 00:28:51,299

disease he's a guy I can't remember his

565

00:28:54,529 --> 00:28:52,740

name if somebody knows in the live chat

566

00:28:56,330 --> 00:28:54,539

remind me he was living with David

567

00:28:59,510 --> 00:28:56,340

Wilcock for a while and he had

568

00:29:02,630 --> 00:28:59,520

near-death experiences and the first one

569

00:29:05,630 --> 00:29:02,640

he claimed uh the first one he just

570

00:29:08,750 --> 00:29:05,640

claimed that he woke up in the hospital

571

00:29:10,549 --> 00:29:08,760

morgue with a toe tag on that all the

572

00:29:13,310 --> 00:29:10,559

doctors thought he was dead and he had

573

00:29:15,529 --> 00:29:13,320

this near-death experience and then you

574

00:29:17,810 --> 00:29:15,539

know later we investigate and we find

575

00:29:19,610 --> 00:29:17,820

out that all the doctors are like that

576

00:29:22,250 --> 00:29:19,620

never happened he never went to the

577

00:29:24,889 --> 00:29:22,260

morgue he wasn't even he might have been

578

00:29:27,430 --> 00:29:24,899

unconscious but we did you know so even

579

00:29:30,289 --> 00:29:27,440

his initial story was fake but then

580

00:29:32,570 --> 00:29:30,299

every time he needed money he wrote

581

00:29:35,470 --> 00:29:32,580

another book and had another near-death

582

00:29:38,330 --> 00:29:35,480

experiences and this guy died four times

583

00:29:39,889 --> 00:29:38,340

and the first time he's talking to God

584

00:29:42,350 --> 00:29:39,899

and the second time he's talking to

585

00:29:45,909 --> 00:29:42,360

angels and demons and the third time it

586

00:29:48,889 --> 00:29:45,919

was like interdimensional aliens

587

00:29:50,510 --> 00:29:48,899

I just I just You Gotta Laugh at some of

588

00:29:54,470 --> 00:29:50,520

these people and but people buy it

589

00:29:59,029 --> 00:29:57,529

it does and ultimately because usually

590

00:30:02,090 --> 00:29:59,039

the people that are interested in it

591

00:30:03,830 --> 00:30:02,100

have some type of pre-existing exposure

592

00:30:06,409 --> 00:30:03,840

that left them

593

00:30:09,529 --> 00:30:06,419

um open to being you know

594

00:30:11,630 --> 00:30:09,539

um accepting of that or

595

00:30:13,730 --> 00:30:11,640

um more more open than the average

596

00:30:17,510 --> 00:30:13,740

person at least

597

00:30:20,810 --> 00:30:17,520

um and certainly

598

00:30:23,990 --> 00:30:20,820

and that that belief can run a span of

599

00:30:28,010 --> 00:30:24,000

how strong it is but Daniel Brinkley was

600

00:30:30,350 --> 00:30:28,020

his name thank you uh and and edine

601
00:30:32,090 --> 00:30:30,360
thank you very much yes we covered him

602
00:30:34,310 --> 00:30:32,100
before and we covered we like played

603
00:30:36,950 --> 00:30:34,320
videos of the doctor saying it was never

604
00:30:38,630 --> 00:30:36,960
in a morgue he never had a toe tag on I

605
00:30:40,190 --> 00:30:38,640
don't know where he got that

606
00:30:43,430 --> 00:30:40,200
it's pretty funny but what do you think

607
00:30:45,889 --> 00:30:43,440
of this case in particular because I

608
00:30:49,730 --> 00:30:45,899
seem to think that maybe some of these

609
00:30:51,529 --> 00:30:49,740
people do have genuine real experiences

610
00:30:53,090 --> 00:30:51,539
but then when they try to make a living

611
00:30:55,549 --> 00:30:53,100
out of it that's when they start

612
00:30:58,010 --> 00:30:55,559
inventing things so maybe his initial

613
00:31:00,110 --> 00:30:58,020

experience was real and genuine and then

614

00:31:02,450 --> 00:31:00,120

he started embellishing and tacking

615

00:31:06,590 --> 00:31:02,460

things on and having new experiences

616

00:31:06,600 --> 00:31:09,230

I mean

617

00:31:14,510 --> 00:31:12,470

the speculation really and a lot of

618

00:31:17,570 --> 00:31:14,520

times you know I I hear all we can do is

619

00:31:19,310 --> 00:31:17,580

uh speculate and and personally you know

620

00:31:21,230 --> 00:31:19,320

I try and come from the other end I try

621

00:31:22,549 --> 00:31:21,240

and speculate as little as possible but

622

00:31:24,169 --> 00:31:22,559

unfortunately

623

00:31:28,070 --> 00:31:24,179

um these stories are

624

00:31:29,630 --> 00:31:28,080

just just bound uh with holes and with

625

00:31:33,409 --> 00:31:29,640

room

626

00:31:35,570 --> 00:31:33,419

that uh nothing is verified so there are

627

00:31:37,310 --> 00:31:35,580

lots of possibilities

628

00:31:40,130 --> 00:31:37,320

um so certainly we could speculate and I

629

00:31:41,810 --> 00:31:40,140

guess personally I think that Calvin if

630

00:31:44,389 --> 00:31:41,820

I if I'm looking objectively just my

631

00:31:47,389 --> 00:31:44,399

opinion I think that he probably thought

632

00:31:49,490 --> 00:31:47,399

that he had a real experience that day

633

00:31:52,730 --> 00:31:49,500

um I don't think that I would say the

634

00:31:55,430 --> 00:31:52,740

same thing for Charles Hixson personally

635

00:31:56,990 --> 00:31:55,440

um but I I think that he thinks that you

636

00:31:58,909 --> 00:31:57,000

know something happened that day but

637

00:32:01,250 --> 00:31:58,919

certainly the additions that came along

638

00:32:03,830 --> 00:32:01,260

through the years that were strictly

639

00:32:06,230 --> 00:32:03,840

done in conjunction with chasing

640

00:32:08,690 --> 00:32:06,240

monetary returns I think speak for

641

00:32:10,190 --> 00:32:08,700

themselves you know

642

00:32:15,409 --> 00:32:10,200

um

643

00:32:17,570 --> 00:32:15,419

Charles Hixson and uh you know if you

644

00:32:19,549 --> 00:32:17,580

want to get into this story

645

00:32:21,289 --> 00:32:19,559

I don't know how many people are really

646

00:32:23,510 --> 00:32:21,299

familiar with it it was at one time a

647

00:32:25,370 --> 00:32:23,520

very well known uh and maybe one of the

648

00:32:27,409 --> 00:32:25,380

most popular and famous stories of its

649

00:32:28,870 --> 00:32:27,419

time at least

650

00:32:31,130 --> 00:32:28,880

um

651

00:32:33,950 --> 00:32:31,140

immediately actually in fact the very

652

00:32:35,990 --> 00:32:33,960

next day uh both harder and Alan heineck

653

00:32:37,490 --> 00:32:36,000

were both on the scene and the media was

654

00:32:40,310 --> 00:32:37,500

already talking about it in papers

655

00:32:44,149 --> 00:32:40,320

Across the Nation uh the national story

656

00:32:48,169 --> 00:32:44,159

yeah yeah very a very big deal

657

00:32:49,310 --> 00:32:48,179

um but it's funny the newspaper was

658

00:32:51,289 --> 00:32:49,320

close

659

00:32:53,810 --> 00:32:51,299

most of the time but the actual

660

00:32:56,090 --> 00:32:53,820

newspaper first before they went before

661

00:32:57,830 --> 00:32:56,100

they went anywhere uh they were closed

662

00:32:58,970 --> 00:32:57,840

so they then moved on to the Sheriff's

663

00:33:00,529 --> 00:32:58,980

Station

664

00:33:01,850 --> 00:33:00,539

um but I always found that you know kind

665

00:33:03,110 --> 00:33:01,860

of interesting and in fact that the

666

00:33:05,810 --> 00:33:03,120

media would even know about the story

667

00:33:07,610 --> 00:33:05,820

the very next day if allegedly these

668

00:33:08,510 --> 00:33:07,620

guys didn't want to tell anybody that

669

00:33:10,669 --> 00:33:08,520

you know

670

00:33:12,529 --> 00:33:10,679

Calvin Parker says that to this day and

671

00:33:15,289 --> 00:33:12,539

in fact he attributes the media finding

672

00:33:18,710 --> 00:33:15,299

out about it the next day to um them

673

00:33:21,590 --> 00:33:18,720

listening to police radio scanners the

674

00:33:23,990 --> 00:33:21,600

night before and picking

675

00:33:25,909 --> 00:33:24,000

picking up on this stuff and then um

676

00:33:28,009 --> 00:33:25,919

um it appears more that Charles Hickson

677

00:33:33,070 --> 00:33:28,019

from the start uh chased the media down

678

00:33:37,490 --> 00:33:35,630

it was me but the one piece of evidence

679

00:33:39,049 --> 00:33:37,500

that I always found compelling in this

680

00:33:40,850 --> 00:33:39,059

case is that they were getting

681

00:33:42,649 --> 00:33:40,860

interviewed by police and the police

682

00:33:44,990 --> 00:33:42,659

recorded it I don't know that they know

683

00:33:46,970 --> 00:33:45,000

they were being recorded and then the

684

00:33:49,009 --> 00:33:46,980

police officers got up and left the room

685

00:33:50,950 --> 00:33:49,019

and these two guys who had just been

686

00:33:54,049 --> 00:33:50,960

through this horrific according to them

687

00:33:54,950 --> 00:33:54,059

alien abduction experience continued to

688

00:33:57,409 --> 00:33:54,960

talk

689

00:34:00,110 --> 00:33:57,419

without being observed or listened to

690

00:34:03,409 --> 00:34:00,120

and they were still on that that it

691

00:34:05,269 --> 00:34:03,419

really happened and you know so that was

692

00:34:08,510 --> 00:34:05,279

compelling to me because I would think

693

00:34:10,849 --> 00:34:08,520

maybe if they were trying to you know uh

694

00:34:13,609 --> 00:34:10,859

perpetrate a hoax when people got up and

695

00:34:15,829 --> 00:34:13,619

left the room they would you know

696

00:34:18,710 --> 00:34:15,839

sort of uh talk shop like what did we

697

00:34:20,750 --> 00:34:18,720

tell them next or you know they were

698

00:34:23,089 --> 00:34:20,760

consistent even when being not being

699

00:34:26,770 --> 00:34:23,099

observed or listened to talking about

700

00:34:31,909 --> 00:34:30,169

no that is certainly uh interesting uh

701
00:34:33,349 --> 00:34:31,919
and again that you know they claim they

702
00:34:35,329 --> 00:34:33,359
they did not know that they were being

703
00:34:38,930 --> 00:34:35,339
recorded

704
00:34:41,629 --> 00:34:38,940
um and uh again if we take into the

705
00:34:44,930 --> 00:34:41,639
account that perhaps

706
00:34:45,889 --> 00:34:44,940
perhaps Hixson knew what happened uh and

707
00:34:48,589 --> 00:34:45,899
and

708
00:34:50,210 --> 00:34:48,599
Calvin Parker did not uh that kind of

709
00:34:51,710 --> 00:34:50,220
goes in line with again the police the

710
00:34:54,050 --> 00:34:51,720
police tapes and if you listen to the

711
00:34:57,589 --> 00:34:54,060
tapes uh it seems that they were

712
00:34:58,609 --> 00:34:57,599
engaging in substance abuse and

713
00:35:00,109 --> 00:34:58,619

um

714

00:35:01,250 --> 00:35:00,119

I just want to be very clear you know

715

00:35:03,650 --> 00:35:01,260

I'm not making any type of personal

716

00:35:06,109 --> 00:35:03,660

judgments against uh anybody I'm just

717

00:35:09,230 --> 00:35:06,119

looking at the very diplomatic of you

718

00:35:11,450 --> 00:35:09,240

yes very diplomatic of you well it seems

719

00:35:13,910 --> 00:35:11,460

to me that if you've ever had a

720

00:35:17,630 --> 00:35:13,920

hallucinogenic experience like DMT

721

00:35:20,569 --> 00:35:17,640

mushrooms LSD I think it would be very

722

00:35:23,150 --> 00:35:20,579

easy to do those sorts of things and

723

00:35:26,930 --> 00:35:23,160

then have what you believe is some sort

724

00:35:31,370 --> 00:35:26,940

of alien experience you know

725

00:35:36,470 --> 00:35:34,130

yeah certainly and if you listen to uh

726

00:35:38,569 --> 00:35:36,480

the police tapes it

727

00:35:40,849 --> 00:35:38,579

Calvin Parker and he says it many times

728

00:35:42,530 --> 00:35:40,859

in interviews afterwards he says that

729

00:35:44,089 --> 00:35:42,540

you know at the time he was barely 19

730

00:35:47,210 --> 00:35:44,099

years old that was in fact his very

731

00:35:49,310 --> 00:35:47,220

first day on the job uh he was at the

732

00:35:51,530 --> 00:35:49,320

time living with the family friend

733

00:35:53,329 --> 00:35:51,540

Charles Hixson uh who was many years

734

00:35:56,030 --> 00:35:53,339

older than him he was his father's age

735

00:35:58,069 --> 00:35:56,040

and this was just a 19 year old kid uh

736

00:36:00,349 --> 00:35:58,079

who was living at hixson's kind of you

737

00:36:01,970 --> 00:36:00,359

know run-down apartment uh and if you

738

00:36:05,630 --> 00:36:01,980

hear on the tape

739

00:36:07,670 --> 00:36:05,640

um you even hear Calvin Parker said

740

00:36:09,050 --> 00:36:07,680

today you know

741

00:36:10,310 --> 00:36:09,060

um he's like you know Charlie let's get

742

00:36:12,230 --> 00:36:10,320

out of here man let's like you know

743

00:36:14,030 --> 00:36:12,240

these people don't believe us and and

744

00:36:16,010 --> 00:36:14,040

Hixson was very calm and collected in

745

00:36:18,349 --> 00:36:16,020

fact whereas Parker was very concerned

746

00:36:19,790 --> 00:36:18,359

and very flustered uh and Hixson was

747

00:36:21,170 --> 00:36:19,800

just kind of calming him down and saying

748

00:36:23,030 --> 00:36:21,180

look you know we're almost done just get

749

00:36:25,250 --> 00:36:23,040

through this in fact you know and he

750

00:36:26,450 --> 00:36:25,260

says he says you know I I get you

751
00:36:27,829 --> 00:36:26,460
something when we get back to the house

752
00:36:29,630 --> 00:36:27,839
I'll get you something to get calmed

753
00:36:32,170 --> 00:36:29,640
down I'll give you anything you want

754
00:36:34,849 --> 00:36:32,180
again

755
00:36:37,670 --> 00:36:34,859
it was the 70s right I'm gonna give you

756
00:36:39,829 --> 00:36:37,680
some Quaaludes relax

757
00:36:41,270 --> 00:36:39,839
but isn't it interesting right and it's

758
00:36:43,609 --> 00:36:41,280
one funny

759
00:36:45,770 --> 00:36:43,619
real quick one thing that uh Calvin

760
00:36:47,810 --> 00:36:45,780
Parker repeats a couple times to Charlie

761
00:36:49,550 --> 00:36:47,820
on that tape when they're in the police

762
00:36:52,190 --> 00:36:49,560
station and allegedly don't know they're

763
00:36:53,630 --> 00:36:52,200

being uh taped is that he stresses a

764

00:36:54,829 --> 00:36:53,640

couple times to Charlie because it seems

765

00:36:56,030 --> 00:36:54,839

like he's afraid that they're going to

766

00:36:58,130 --> 00:36:56,040

be in trouble for making this report

767

00:36:59,630 --> 00:36:58,140

that no one's gonna believe them and he

768

00:37:01,910 --> 00:36:59,640

makes the remark a couple times to

769

00:37:03,589 --> 00:37:01,920

Charlie like Charlie you know I passed

770

00:37:06,290 --> 00:37:03,599

out you know I you know I never drink

771

00:37:08,630 --> 00:37:06,300

and I almost get the impression that uh

772

00:37:11,150 --> 00:37:08,640

he was drinking there or maybe drank

773

00:37:12,950 --> 00:37:11,160

something or took something smoked

774

00:37:14,630 --> 00:37:12,960

something he was really seeming to

775

00:37:18,170 --> 00:37:14,640

relate the fact that he was not a

776

00:37:19,609 --> 00:37:18,180

substance user uh and I I just find that

777

00:37:21,470 --> 00:37:19,619

very odd that he would repeat that a

778

00:37:23,690 --> 00:37:21,480

couple times it's almost telling as to

779

00:37:25,970 --> 00:37:23,700

what possibly

780

00:37:28,430 --> 00:37:25,980

he was going on there while they were

781

00:37:31,190 --> 00:37:28,440

fishing allegedly and I'm sure they

782

00:37:33,410 --> 00:37:31,200

probably were after work you know

783

00:37:35,810 --> 00:37:33,420

um yeah very uh just again very

784

00:37:38,950 --> 00:37:35,820

interesting part of this case too is

785

00:37:44,030 --> 00:37:38,960

that these aliens are not your typical

786

00:37:45,530 --> 00:37:44,040

alien gray or reptile they're unique we

787

00:37:48,109 --> 00:37:45,540

have not seen

788

00:37:50,510 --> 00:37:48,119

and interestingly the other grifters

789

00:37:53,030 --> 00:37:50,520

never seem to grab onto them because you

790

00:37:54,710 --> 00:37:53,040

know grifters will grab onto a part of

791

00:37:57,310 --> 00:37:54,720

somebody else's story and say like oh

792

00:38:01,010 --> 00:37:57,320

yeah I met those nobody has ever really

793

00:38:03,230 --> 00:38:01,020

explained these particular very strange

794

00:38:05,630 --> 00:38:03,240

humanoid aliens where they came from

795

00:38:08,450 --> 00:38:05,640

what are they doing here and they're

796

00:38:09,290 --> 00:38:08,460

different distinctly from the normal you

797

00:38:11,569 --> 00:38:09,300

know

798

00:38:13,010 --> 00:38:11,579

Little Green Men let's say gray men

799

00:38:15,349 --> 00:38:13,020

whatever

800

00:38:18,650 --> 00:38:15,359

very different

801
00:38:20,630 --> 00:38:18,660
you know and they are just

802
00:38:23,210 --> 00:38:20,640
yeah and they are just very uh strange

803
00:38:24,829 --> 00:38:23,220
looking unlike any thing that really was

804
00:38:27,109 --> 00:38:24,839
reported you get a lot of crazy looking

805
00:38:30,589 --> 00:38:27,119
uh beings being reported in the 50s and

806
00:38:32,510 --> 00:38:30,599
60s uh this is certainly uh different in

807
00:38:34,370 --> 00:38:32,520
in many ways than most things that you

808
00:38:36,230 --> 00:38:34,380
would find and it's funny because it has

809
00:38:39,730 --> 00:38:36,240
a kind of like a

810
00:38:44,450 --> 00:38:39,740
Goodyear Tire Guy

811
00:38:50,630 --> 00:38:44,460
scrunched up lots of extra skin three

812
00:38:55,670 --> 00:38:53,510
right with crab claws and uh they float

813
00:38:57,230 --> 00:38:55,680

they don't walk and it just again this

814

00:39:00,410 --> 00:38:57,240

was all stuff that was alleged by

815

00:39:02,690 --> 00:39:00,420

Charles Hixson initially for 20 years

816

00:39:04,370 --> 00:39:02,700

Calvin Parker claims he did not see

817

00:39:06,290 --> 00:39:04,380

these he was passed out the entire time

818

00:39:07,790 --> 00:39:06,300

these come from Charles Hixson and

819

00:39:10,010 --> 00:39:07,800

certainly just seems to me to be

820

00:39:11,690 --> 00:39:10,020

something that's like almost you know

821

00:39:14,510 --> 00:39:11,700

made up

822

00:39:16,790 --> 00:39:14,520

of a guy that's like his age of the 40s

823

00:39:19,010 --> 00:39:16,800

and 50s and like this is the alien that

824

00:39:21,170 --> 00:39:19,020

he would describe just as wacky as you

825

00:39:24,410 --> 00:39:21,180

could maybe imagine it looks it looks

826

00:39:27,650 --> 00:39:24,420

like it looks like some of the 1950s

827

00:39:29,870 --> 00:39:27,660

science fiction aliens they always had

828

00:39:34,250 --> 00:39:29,880

something to do with their hands being

829

00:39:38,030 --> 00:39:34,260

claws or and yeah it looks very 50s

830

00:39:39,470 --> 00:39:38,040

science fiction to me which I you know I

831

00:39:42,290 --> 00:39:39,480

don't know what a real alien looks like

832

00:39:43,849 --> 00:39:42,300

though you know

833

00:39:45,470 --> 00:39:43,859

and isn't it interesting some people

834

00:39:47,690 --> 00:39:45,480

will take well people see the same

835

00:39:50,030 --> 00:39:47,700

aliens so that must be mean they're real

836

00:39:52,190 --> 00:39:50,040

nobody else has ever seen these aliens

837

00:39:53,210 --> 00:39:52,200

does that mean these aliens are fake you

838

00:39:55,849 --> 00:39:53,220

know

839

00:39:58,250 --> 00:39:55,859

but the financial thing is troubling for

840

00:40:01,010 --> 00:39:58,260

me every time I see somebody that cashes

841

00:40:03,230 --> 00:40:01,020

in on the story I'm just less likely to

842

00:40:05,569 --> 00:40:03,240

believe that their story is true

843

00:40:08,810 --> 00:40:05,579

you know Walton has made a career out of

844

00:40:11,930 --> 00:40:08,820

that experience that he had and

845

00:40:13,670 --> 00:40:11,940

I I don't I I just kind of think like

846

00:40:15,890 --> 00:40:13,680

how long are you gonna milk this you

847

00:40:18,829 --> 00:40:15,900

know he's been at it for decades

848

00:40:21,109 --> 00:40:18,839

and apparently this one of the two of

849

00:40:24,710 --> 00:40:21,119

these gentlemen has been trying to cash

850

00:40:27,710 --> 00:40:24,720

in for decades on this right

851

00:40:30,290 --> 00:40:27,720

yeah I mean I would

852

00:40:33,290 --> 00:40:30,300

wager than many of the few of them have

853

00:40:33,970 --> 00:40:33,300

three of them have in various ways

854

00:40:36,890 --> 00:40:33,980

um

855

00:40:39,770 --> 00:40:36,900

and I imagine that

856

00:40:42,170 --> 00:40:39,780

you know again I I think that that

857

00:40:44,150 --> 00:40:42,180

I don't think that he was uh abducted

858

00:40:46,250 --> 00:40:44,160

that day personally and I think that it

859

00:40:47,510 --> 00:40:46,260

was a hoax and I would imagine that

860

00:40:50,569 --> 00:40:47,520

there's probably all kinds of things

861

00:40:52,870 --> 00:40:50,579

that led to that initially being hidden

862

00:40:56,510 --> 00:40:52,880

you know including probably not not

863

00:40:58,790 --> 00:40:56,520

wanting to uh bring family members into

864

00:41:00,890 --> 00:40:58,800

shame and maybe legal trouble and just

865

00:41:02,630 --> 00:41:00,900

all kinds of things

866

00:41:06,109 --> 00:41:02,640

um but when you talk about still doing

867

00:41:08,329 --> 00:41:06,119

it now 50 years later and not really for

868

00:41:10,250 --> 00:41:08,339

an incredible sum of money but again

869

00:41:12,589 --> 00:41:10,260

even if it just is paying the rent and

870

00:41:14,270 --> 00:41:12,599

Travis is very clear about the fact that

871

00:41:15,710 --> 00:41:14,280

he bought his house you know with his

872

00:41:17,569 --> 00:41:15,720

move

873

00:41:19,430 --> 00:41:17,579

would be money it paid for his house um

874

00:41:22,010 --> 00:41:19,440

that he currently lives in

875

00:41:24,650 --> 00:41:22,020

um I I would imagine that if there was

876

00:41:26,990 --> 00:41:24,660

if the money was good enough that he

877

00:41:28,609 --> 00:41:27,000

would probably come clean I feel like to

878

00:41:30,770 --> 00:41:28,619

be honest with you

879

00:41:32,030 --> 00:41:30,780

um but he probably just doesn't I mean

880

00:41:34,490 --> 00:41:32,040

as far as I'm concerned he doesn't have

881

00:41:36,650 --> 00:41:34,500

any reason to do so without a clear-cut

882

00:41:39,349 --> 00:41:36,660

financial benefit because although he

883

00:41:41,810 --> 00:41:39,359

might not be making much money now he's

884

00:41:43,310 --> 00:41:41,820

making some you know he has a life and a

885

00:41:45,530 --> 00:41:43,320

reputation doing what he does and

886

00:41:46,849 --> 00:41:45,540

there's always potential for more things

887

00:41:49,790 --> 00:41:46,859

in the future and he would have to be

888

00:41:52,550 --> 00:41:49,800

giving all of that up to do that

889

00:41:55,010 --> 00:41:52,560

um along with having to admit that you

890

00:41:57,410 --> 00:41:55,020

know he lied for 50 years and you know

891

00:41:59,690 --> 00:41:57,420

live yeah and I I'm aware that they were

892

00:42:01,730 --> 00:41:59,700

abducted you know I'm aware of at least

893

00:42:04,970 --> 00:42:01,740

one conference organizer who was honest

894

00:42:08,030 --> 00:42:04,980

with me once I said uh what is what is

895

00:42:10,010 --> 00:42:08,040

like a like a Travis Walton get to do in

896

00:42:13,069 --> 00:42:10,020

our talk at one of your events and he

897

00:42:15,349 --> 00:42:13,079

said 2500 to 5 000 dollars

898

00:42:17,150 --> 00:42:15,359

that's pretty good money to go you know

899

00:42:19,490 --> 00:42:17,160

I mean of course you gotta fly there and

900

00:42:22,010 --> 00:42:19,500

whatever so I I wouldn't do it but some

901
00:42:24,589 --> 00:42:22,020
guys you know it beats logging for a

902
00:42:26,510 --> 00:42:24,599
living or doing physical labor or you

903
00:42:29,750 --> 00:42:26,520
know Construction

904
00:42:31,970 --> 00:42:29,760
and the and you know generally the

905
00:42:33,589 --> 00:42:31,980
airfare and the hotel room like these

906
00:42:35,390 --> 00:42:33,599
things are included you know yeah

907
00:42:37,790 --> 00:42:35,400
usually pay them that yeah usually a

908
00:42:39,410 --> 00:42:37,800
meal is included

909
00:42:42,170 --> 00:42:39,420
each day

910
00:42:43,310 --> 00:42:42,180
yeah I'm again you don't have to make a

911
00:42:46,609 --> 00:42:43,320
million dollars

912
00:42:49,069 --> 00:42:46,619
um to have a financial motive you know

913
00:42:51,910 --> 00:42:49,079

um forget about singing for your supper

914

00:42:57,050 --> 00:42:51,920

just tell alien stories and you you get

915

00:43:00,170 --> 00:42:57,060

meals and and uh airfare right yeah and

916

00:43:02,270 --> 00:43:00,180

I mean not only not only that uh if we

917

00:43:04,609 --> 00:43:02,280

look at the recent reporting that's come

918

00:43:07,490 --> 00:43:04,619

out from Jack Brewer and Erica Lukes and

919

00:43:09,410 --> 00:43:07,500

Gary Barry Greenwood with expanding

920

00:43:12,609 --> 00:43:09,420

Frontiers research yeah you get

921

00:43:15,230 --> 00:43:12,619

Consulting fees now

922

00:43:18,230 --> 00:43:15,240

what is that about explain it to me so

923

00:43:20,809 --> 00:43:18,240

the the cast members of Skinwalker

924

00:43:22,130 --> 00:43:20,819

started some kind of economic consulting

925

00:43:27,170 --> 00:43:22,140

firm

926
00:43:29,990 --> 00:43:27,180
or something like that and they're

927
00:43:32,030 --> 00:43:30,000
taking money from the city that the

928
00:43:34,790 --> 00:43:32,040
Skinwalker Ranch is in

929
00:43:36,170 --> 00:43:34,800
and for for what are they supposed to do

930
00:43:37,790 --> 00:43:36,180
for that money because it was like a

931
00:43:39,290 --> 00:43:37,800
hundred and fifty thousand dollars total

932
00:43:42,050 --> 00:43:39,300
right

933
00:43:43,790 --> 00:43:42,060
yes yeah I I forget the exact figure but

934
00:43:46,370 --> 00:43:43,800
that's I

935
00:43:49,670 --> 00:43:46,380
I mean yeah that's about there

936
00:43:51,710 --> 00:43:49,680
that's uh that's one thing and you know

937
00:43:53,690 --> 00:43:51,720
they were also uh talking about the

938
00:43:55,250 --> 00:43:53,700

Vernal convention there and we were just

939

00:43:56,630 --> 00:43:55,260

talking about speaker fees with Travis

940

00:43:57,950 --> 00:43:56,640

Walton you know and some of those

941

00:44:00,170 --> 00:43:57,960

speakers were getting much more than

942

00:44:02,450 --> 00:44:00,180

that you know easily double or even four

943

00:44:03,950 --> 00:44:02,460

times that amount you know five to ten

944

00:44:06,050 --> 00:44:03,960

thousand dollars

945

00:44:08,150 --> 00:44:06,060

um some of these yeah I know Corey good

946

00:44:10,609 --> 00:44:08,160

and Corey good and David Wilcox were

947

00:44:12,470 --> 00:44:10,619

getting 10 to 20 for one talk

948

00:44:14,450 --> 00:44:12,480

at a conference or something like that

949

00:44:18,170 --> 00:44:14,460

ten to twenty thousand dollars

950

00:44:19,970 --> 00:44:18,180

amazing that's yeah that's wild but back

951
00:44:23,870 --> 00:44:19,980
to this consulting firm so they get paid

952
00:44:27,710 --> 00:44:23,880
by the taxpayers to do what exactly

953
00:44:29,630 --> 00:44:27,720
Economic Development Consulting

954
00:44:31,730 --> 00:44:29,640
well and again I'm not researching this

955
00:44:33,770 --> 00:44:31,740
myself but from reading the Articles and

956
00:44:36,470 --> 00:44:33,780
watching the inner

957
00:44:39,770 --> 00:44:36,480
interviews um with uh one of the um

958
00:44:41,990 --> 00:44:39,780
focus uh members being focused on and uh

959
00:44:43,970 --> 00:44:42,000
one of the business partners of Brandon

960
00:44:46,970 --> 00:44:43,980
fugle and an employee at Skinwalker

961
00:44:49,609 --> 00:44:46,980
Ranch uh yes essentially uh they

962
00:44:52,670 --> 00:44:49,619
contracted with the local uh government

963
00:44:55,910 --> 00:44:52,680

to be part of a you know tourism

964

00:44:58,790 --> 00:44:55,920

um uh Outreach and to to bring business

965

00:45:02,329 --> 00:44:58,800

into the area to bring you know money

966

00:45:03,470 --> 00:45:02,339

into the area and to create uh jobs and

967

00:45:05,270 --> 00:45:03,480

although

968

00:45:07,309 --> 00:45:05,280

um nothing's been presented to show

969

00:45:09,650 --> 00:45:07,319

exactly what they've returned what the

970

00:45:12,109 --> 00:45:09,660

returnables were for that contract

971

00:45:14,750 --> 00:45:12,119

essentially what what the state and what

972

00:45:18,290 --> 00:45:14,760

the people uh got what the county got uh

973

00:45:19,790 --> 00:45:18,300

for paying them that money uh

974

00:45:22,370 --> 00:45:19,800

um they do you know clean business with

975

00:45:23,690 --> 00:45:22,380

I think you know numbering 500 jobs uh

976
00:45:24,950 --> 00:45:23,700
into the area

977
00:45:27,349 --> 00:45:24,960
um again I

978
00:45:29,630 --> 00:45:27,359
didn't specifically name it

979
00:45:31,609 --> 00:45:29,640
um but I think what the overall picture

980
00:45:35,210 --> 00:45:31,619
is it's being painted is that you know

981
00:45:37,309 --> 00:45:35,220
these these individuals are uh very

982
00:45:40,010 --> 00:45:37,319
obviously tied into government they hold

983
00:45:43,309 --> 00:45:40,020
you know various low-level or government

984
00:45:45,589 --> 00:45:43,319
aside positions uh that have to do with

985
00:45:47,450 --> 00:45:45,599
you know the tourism board and uh

986
00:45:51,770 --> 00:45:47,460
different advisories to the local

987
00:45:55,130 --> 00:45:51,780
government uh and at the same time

988
00:45:57,770 --> 00:45:55,140

they're also being payment to

989

00:46:00,829 --> 00:45:57,780

um popularize claims that have to do

990

00:46:03,170 --> 00:46:00,839

with a property that they own within

991

00:46:05,210 --> 00:46:03,180

that area and yeah so they've got a

992

00:46:07,670 --> 00:46:05,220

they've got like a flat they've got a

993

00:46:08,569 --> 00:46:07,680

financial motive to fake things I just

994

00:46:11,030 --> 00:46:08,579

saw

995

00:46:14,150 --> 00:46:11,040

here's what I will say though as far as

996

00:46:15,530 --> 00:46:14,160

Skinwalker you know I I want to see data

997

00:46:17,990 --> 00:46:15,540

I want to see evidence and I don't think

998

00:46:20,450 --> 00:46:18,000

we ever get it but the the latest I saw

999

00:46:22,130 --> 00:46:20,460

is a cow died on the ranch and they're

1000

00:46:23,329 --> 00:46:22,140

trying to turn that into some kind of

1001

00:46:26,210 --> 00:46:23,339

big event

1002

00:46:28,849 --> 00:46:26,220

and you know oh well there was organs

1003

00:46:32,690 --> 00:46:28,859

removed or or you know it was mutilated

1004

00:46:35,270 --> 00:46:32,700

but I don't know I I spent a lot of time

1005

00:46:36,109 --> 00:46:35,280

on a farm and if you spend time on a

1006

00:46:38,329 --> 00:46:36,119

farm

1007

00:46:40,609 --> 00:46:38,339

you're gonna see that when a cow dies

1008

00:46:44,329 --> 00:46:40,619

all kinds of Critters come in and start

1009

00:46:46,849 --> 00:46:44,339

yanking bits off of it to me unless you

1010

00:46:50,030 --> 00:46:46,859

can prove otherwise that's just local

1011

00:46:51,770 --> 00:46:50,040

carnivores getting a you know a

1012

00:46:54,410 --> 00:46:51,780

well-deserved free meal they're

1013

00:46:55,790 --> 00:46:54,420

opportunist they see a cow drops dead in

1014

00:46:57,950 --> 00:46:55,800

the middle of a field they're gonna go

1015

00:47:00,410 --> 00:46:57,960

take the soft fleshy parts and

1016

00:47:02,950 --> 00:47:00,420

disgusting as it sounds that means lips

1017

00:47:06,530 --> 00:47:02,960

eyeballs and anuses

1018

00:47:08,690 --> 00:47:06,540

so I don't know what yeah but I will say

1019

00:47:12,050 --> 00:47:08,700

this that piece that Stephen Green

1020

00:47:14,390 --> 00:47:12,060

Street did uh recently it kind of

1021

00:47:16,010 --> 00:47:14,400

humanized Brandon fugel to me and it

1022

00:47:18,770 --> 00:47:16,020

made me like him because I'm a Sci-Fi

1023

00:47:20,569 --> 00:47:18,780

nerd so I I'm going to give them the

1024

00:47:23,630 --> 00:47:20,579

benefit of the doubt but until I see

1025

00:47:26,329 --> 00:47:23,640

actual any actual evidence it's all of

1026
00:47:28,790 --> 00:47:26,339
one big money grab if Bigelow why would

1027
00:47:30,470 --> 00:47:28,800
Bigelow sell it if it really was some

1028
00:47:32,270 --> 00:47:30,480
paranormal hot spot where you could

1029
00:47:34,670 --> 00:47:32,280
capture all kinds of Paranormal Activity

1030
00:47:37,010 --> 00:47:34,680
I think Bigelow wasted a lot of money

1031
00:47:39,290 --> 00:47:37,020
realized he finally woke up and realized

1032
00:47:40,910 --> 00:47:39,300
people were lying to him about stuff

1033
00:47:43,309 --> 00:47:40,920
that wasn't really happening at the

1034
00:47:44,690 --> 00:47:43,319
ranch he wasted a ton of money he woke

1035
00:47:46,670 --> 00:47:44,700
up one day and he said I'm going to sell

1036
00:47:48,530 --> 00:47:46,680
it and somebody else can do this if they

1037
00:47:50,750 --> 00:47:48,540
want to and Brandon jumped at the chance

1038
00:47:52,190 --> 00:47:50,760

being a big fan of this stuff

1039

00:47:55,609 --> 00:47:52,200

yep

1040

00:47:56,809 --> 00:47:55,619

yeah and of course you know the story is

1041

00:47:58,970 --> 00:47:56,819

that um

1042

00:48:01,250 --> 00:47:58,980

he sold the ranch because activity had

1043

00:48:04,309 --> 00:48:01,260

died down in the Years

1044

00:48:05,690 --> 00:48:04,319

um you know before and therefore there

1045

00:48:07,730 --> 00:48:05,700

was really no reason to keep doing that

1046

00:48:10,550 --> 00:48:07,740

and then of course you know he sells the

1047

00:48:13,790 --> 00:48:10,560

ranch and just like the legend says new

1048

00:48:16,130 --> 00:48:13,800

people new activity starts right up

1049

00:48:18,109 --> 00:48:16,140

Brandon fugel's in the money within six

1050

00:48:22,430 --> 00:48:18,119

months he already sees his first you

1051

00:48:24,410 --> 00:48:22,440

know triangle and uh it again it's just

1052

00:48:26,510 --> 00:48:24,420

um just it's just a little much and

1053

00:48:29,809 --> 00:48:26,520

strictly because there's not being

1054

00:48:33,829 --> 00:48:29,819

evidence presented and I just I find it

1055

00:48:36,650 --> 00:48:33,839

um really inking Brewers to continue

1056

00:48:39,170 --> 00:48:36,660

continue year after year specific claims

1057

00:48:41,870 --> 00:48:39,180

without any evidence whatsoever and then

1058

00:48:44,210 --> 00:48:41,880

when directly asked about the evidence

1059

00:48:46,790 --> 00:48:44,220

where it is where it can be viewed and

1060

00:48:50,329 --> 00:48:46,800

verified the response is either to

1061

00:48:52,370 --> 00:48:50,339

literally watch the show or that they

1062

00:48:54,230 --> 00:48:52,380

still haven't finished parsing and

1063

00:48:56,450 --> 00:48:54,240

finishing going through the evidence

1064

00:48:57,829 --> 00:48:56,460

which then begs the question if you

1065

00:48:59,210 --> 00:48:57,839

haven't finished going through the

1066

00:49:00,829 --> 00:48:59,220

evidence then how can you draw a

1067

00:49:03,650 --> 00:49:00,839

conclusion from it

1068

00:49:04,430 --> 00:49:03,660

and continue to profit from that you

1069

00:49:06,890 --> 00:49:04,440

know

1070

00:49:09,829 --> 00:49:06,900

um it's just not it's not how it's done

1071

00:49:11,450 --> 00:49:09,839

but these are

1072

00:49:13,550 --> 00:49:11,460

questions that we just ultimately

1073

00:49:16,130 --> 00:49:13,560

searched too and um that should be a

1074

00:49:19,609 --> 00:49:16,140

problem for for people yeah and I I

1075

00:49:21,589 --> 00:49:19,619

wonder too is like have you seen this

1076
00:49:23,990 --> 00:49:21,599
the George Knapp stuff because that to

1077
00:49:27,650 --> 00:49:24,000
me is very suspect about Skinwalker he

1078
00:49:29,990 --> 00:49:27,660
claimed that he starts a book off

1079
00:49:32,510 --> 00:49:30,000
claiming that the book is based on all

1080
00:49:33,650 --> 00:49:32,520
of the scientific study and research and

1081
00:49:35,329 --> 00:49:33,660
evidence

1082
00:49:37,849 --> 00:49:35,339
and then they tell a whole bunch of

1083
00:49:41,990 --> 00:49:37,859
ridiculous stories about like werewolves

1084
00:49:43,790 --> 00:49:42,000
and dog-headed men and uh and then when

1085
00:49:45,589 --> 00:49:43,800
he's on Joe Rogan Joe Rogan's like well

1086
00:49:47,750 --> 00:49:45,599
where's the proof where's the evidence

1087
00:49:50,210 --> 00:49:47,760
and he's like oh well there really isn't

1088
00:49:52,730 --> 00:49:50,220

any then you know so is this just

1089

00:49:55,250 --> 00:49:52,740

mythology and stories or is there

1090

00:49:56,630 --> 00:49:55,260

something more to this I got to play you

1091

00:49:58,190 --> 00:49:56,640

this Steve and see what you think of

1092

00:50:01,010 --> 00:49:58,200

this because I think this is hysterical

1093

00:50:03,770 --> 00:50:01,020

fair use fair use and thank you Stephen

1094

00:50:05,329 --> 00:50:03,780

Green Street does this and it's it this

1095

00:50:07,670 --> 00:50:05,339

is hysterical they come down this dirt

1096

00:50:09,770 --> 00:50:07,680

road one night and they see two two

1097

00:50:12,410 --> 00:50:09,780

figures humanoid looking figures

1098

00:50:14,089 --> 00:50:12,420

standing up uh with their backs to the

1099

00:50:15,650 --> 00:50:14,099

road it looked like they're smoking

1100

00:50:17,630 --> 00:50:15,660

cigarettes they had trench coats on

1101
00:50:19,130 --> 00:50:17,640
smoking cigarettes Stand Down on the

1102
00:50:21,349 --> 00:50:19,140
road these guys figure what are these

1103
00:50:22,849 --> 00:50:21,359
fellas up to so they're pulling up and

1104
00:50:25,190 --> 00:50:22,859
they're they're shining their lights on

1105
00:50:28,600 --> 00:50:25,200
the guys and they turn around and they

1106
00:50:36,589 --> 00:50:30,050
[Music]

1107
00:50:41,329 --> 00:50:38,930
so this is the kind of stories that he

1108
00:50:44,089 --> 00:50:41,339
tells it's like ridiculous and I I got

1109
00:50:46,730 --> 00:50:44,099
one more of a George Knapp story and

1110
00:50:49,250 --> 00:50:46,740
this is great this is another Skinwalker

1111
00:50:50,990 --> 00:50:49,260
Ranch story but the problem that I have

1112
00:50:52,549 --> 00:50:51,000
is that we get a lot of stories and we

1113
00:50:55,609 --> 00:50:52,559

never get to the part where they show

1114

00:50:59,870 --> 00:50:55,619

you any evidence or proof

1115

00:51:01,670 --> 00:50:59,880

oops let me fix that friends

1116

00:51:04,250 --> 00:51:01,680

again this is George knapto and

1117

00:51:07,250 --> 00:51:04,260

Skinwalker Ranch dude we saw this

1118

00:51:10,630 --> 00:51:07,260

but standing on two legs a wolf creature

1119

00:51:13,370 --> 00:51:10,640

a a wolf standing in her yard it's Paws

1120

00:51:18,549 --> 00:51:13,380

crossed like this leaning on a tree

1121

00:51:26,270 --> 00:51:22,910

she saw this she saw a wolf

1122

00:51:28,010 --> 00:51:26,280

I I don't understand like when you want

1123

00:51:29,690 --> 00:51:28,020

some kind of evidence before you put

1124

00:51:31,490 --> 00:51:29,700

that story in a book because he didn't

1125

00:51:37,190 --> 00:51:31,500

need any he just somebody told him that

1126
00:51:45,470 --> 00:51:40,190
and uh that's the mo you know that's

1127
00:51:47,270 --> 00:51:45,480
that's how it goes and uh it really it's

1128
00:51:50,150 --> 00:51:47,280
even when I was

1129
00:51:52,190 --> 00:51:50,160
uh I guess you say a Believer right and

1130
00:51:53,930 --> 00:51:52,200
uh that was a bridge that was just too

1131
00:51:55,970 --> 00:51:53,940
far for me that you know the skinwalker

1132
00:51:57,230 --> 00:51:55,980
thing I assumed that you know there was

1133
00:52:00,470 --> 00:51:57,240
some type of

1134
00:52:02,450 --> 00:52:00,480
thinness in the reality where um you

1135
00:52:04,750 --> 00:52:02,460
know Dimensions bleed or whatever the

1136
00:52:07,270 --> 00:52:04,760
hell but as far as like

1137
00:52:10,130 --> 00:52:07,280
bulletproof you know

1138
00:52:11,990 --> 00:52:10,140

dogmen coming out and werewolves and

1139

00:52:13,370 --> 00:52:12,000

stuff it's just it just boggles the line

1140

00:52:16,190 --> 00:52:13,380

especially because if you really go back

1141

00:52:18,230 --> 00:52:16,200

and listen to some of these stories

1142

00:52:19,849 --> 00:52:18,240

read the books listen to the early

1143

00:52:22,849 --> 00:52:19,859

interview

1144

00:52:25,190 --> 00:52:22,859

s with George napkin these are all just

1145

00:52:27,349 --> 00:52:25,200

single witness claims you know the

1146

00:52:29,809 --> 00:52:27,359

things that one person saw even if there

1147

00:52:32,030 --> 00:52:29,819

were multiple people there right and and

1148

00:52:34,309 --> 00:52:32,040

these are just uh just bridges are we're

1149

00:52:36,349 --> 00:52:34,319

always a little too far for me and even

1150

00:52:38,450 --> 00:52:36,359

George Knapp said Point Blank you know

1151

00:52:40,370 --> 00:52:38,460

if you're looking for hard conclusive

1152

00:52:42,530 --> 00:52:40,380

evidence for skinwalk Iran that's what

1153

00:52:44,390 --> 00:52:42,540

he said I I got it I got the paraphrase

1154

00:52:46,069 --> 00:52:44,400

way wrong but you're exactly right he's

1155

00:52:48,049 --> 00:52:46,079

like if you're looking for real good

1156

00:52:50,030 --> 00:52:48,059

hard evidence we don't have any we got a

1157

00:52:51,589 --> 00:52:50,040

lot of stories though for you

1158

00:52:56,329 --> 00:52:51,599

you know

1159

00:52:59,210 --> 00:52:56,339

people are getting attacked by

1160

00:53:03,829 --> 00:52:59,220

poltergeists and one of them is what was

1161

00:53:06,170 --> 00:53:03,839

that like Poltergeist STD or this this

1162

00:53:08,530 --> 00:53:06,180

is just crazy

1163

00:53:11,329 --> 00:53:08,540

yes and at the same and at the same time

1164

00:53:14,030 --> 00:53:11,339

until with also The Hitchhiker effect

1165

00:53:16,370 --> 00:53:14,040

which will may even follow you home and

1166

00:53:18,950 --> 00:53:16,380

attach itself to other people in your

1167

00:53:21,290 --> 00:53:18,960

life and wreak havoc despite all that

1168

00:53:24,130 --> 00:53:21,300

they're actually holding tourist

1169

00:53:26,030 --> 00:53:24,140

conventions trying to bring more people

1170

00:53:28,190 --> 00:53:26,040

I never thought of that you're

1171

00:53:30,829 --> 00:53:28,200

absolutely right people are afraid of

1172

00:53:32,990 --> 00:53:30,839

getting a skinwalker hitchhiker follow

1173

00:53:36,890 --> 00:53:33,000

you home and beat you up or something

1174

00:53:39,770 --> 00:53:36,900

mess with your family I mean I as far as

1175

00:53:42,109 --> 00:53:39,780

a hitchhiker effect though I I I I I

1176

00:53:44,089 --> 00:53:42,119

kind of believe that when it comes to

1177

00:53:46,910 --> 00:53:44,099

ghosts and demons and things like that

1178

00:53:48,109 --> 00:53:46,920

like if you're in a severely haunted

1179

00:53:51,109 --> 00:53:48,119

house

1180

00:53:52,849 --> 00:53:51,119

maybe it could follow you home or

1181

00:53:54,589 --> 00:53:52,859

something I don't I don't know but they

1182

00:53:56,870 --> 00:53:54,599

don't have evidence or proof of it but

1183

00:53:58,970 --> 00:53:56,880

you're right it's so ridiculous like man

1184

00:54:01,569 --> 00:53:58,980

there's these really dangerous uh

1185

00:54:04,549 --> 00:54:01,579

nefarious malevolent

1186

00:54:06,470 --> 00:54:04,559

Poltergeist or demon demonic entities

1187

00:54:09,349 --> 00:54:06,480

and they can attach themselves to you

1188

00:54:12,349 --> 00:54:09,359

and follow you home and by the way uh

1189

00:54:13,309 --> 00:54:12,359

come and visit Lord Ludacris thank you

1190

00:54:15,530 --> 00:54:13,319

very much

1191

00:54:18,109 --> 00:54:15,540

uh Lord Lyrica is a big fan of Steve

1192

00:54:21,430 --> 00:54:18,119

long he says the best things around

1193

00:54:24,049 --> 00:54:21,440

great conversation yeah and so what

1194

00:54:26,990 --> 00:54:24,059

do you think that this hitchhiker effect

1195

00:54:28,849 --> 00:54:27,000

is real or people just you ever been to

1196

00:54:31,190 --> 00:54:28,859

a real creepy place somebody told you is

1197

00:54:32,750 --> 00:54:31,200

haunted you kind of it affects you you

1198

00:54:35,510 --> 00:54:32,760

kind of it affects you psychologically

1199

00:54:38,809 --> 00:54:35,520

and you kind of are more apt to believe

1200

00:54:41,569 --> 00:54:38,819

when you you know adore slams or winch

1201
00:54:44,329 --> 00:54:41,579
blows and you hear howls or something

1202
00:54:45,530 --> 00:54:44,339
you you get psychologically conditioned

1203
00:54:47,510 --> 00:54:45,540
to believe that there's something

1204
00:54:49,910 --> 00:54:47,520
paranormal going on maybe that's what's

1205
00:54:51,950 --> 00:54:49,920
going on here people just think that

1206
00:54:54,049 --> 00:54:51,960
that something follows them and it's

1207
00:54:58,970 --> 00:54:54,059
coincidences that they add up in their

1208
00:55:03,349 --> 00:55:00,829
that's a great point and

1209
00:55:05,750 --> 00:55:03,359
um that the point can be made that most

1210
00:55:07,549 --> 00:55:05,760
people for instance who go to Skinwalker

1211
00:55:09,829 --> 00:55:07,559
Ranch by the time that they get there

1212
00:55:11,809 --> 00:55:09,839
they've already heard the stories

1213
00:55:13,910 --> 00:55:11,819

they've already seen the documentaries

1214

00:55:16,190 --> 00:55:13,920

watched the show read the books they

1215

00:55:17,750 --> 00:55:16,200

know about all the creepy things that

1216

00:55:18,829 --> 00:55:17,760

allegedly happen there and that's why

1217

00:55:20,870 --> 00:55:18,839

they're going there because they're

1218

00:55:23,589 --> 00:55:20,880

helped to experience that so they're

1219

00:55:27,950 --> 00:55:23,599

already preconditioned to possibly

1220

00:55:29,569 --> 00:55:27,960

misinterpret or to have experiences

1221

00:55:30,650 --> 00:55:29,579

that that they're hoping to actually

1222

00:55:32,630 --> 00:55:30,660

happening

1223

00:55:34,730 --> 00:55:32,640

yeah and I don't know if you saw this

1224

00:55:36,290 --> 00:55:34,740

Stephen Green Street piece but I I'm

1225

00:55:38,390 --> 00:55:36,300

giving him the benefit of doubt I'm

1226

00:55:41,630 --> 00:55:38,400

gonna wait until his next piece to see

1227

00:55:44,690 --> 00:55:41,640

what he's saying it is but he he's in

1228

00:55:47,089 --> 00:55:44,700

this like half burnout abandoned

1229

00:55:49,790 --> 00:55:47,099

building that they call one of the

1230

00:55:52,910 --> 00:55:49,800

homesteads or something and and he hears

1231

00:55:54,710 --> 00:55:52,920

noises and I I don't know you know I got

1232

00:55:56,510 --> 00:55:54,720

a cabin in the woods there's raccoons

1233

00:55:58,730 --> 00:55:56,520

there's all kinds of Critters all over

1234

00:56:01,370 --> 00:55:58,740

the place if it was if a building is

1235

00:56:03,650 --> 00:56:01,380

abandoned like that you know I I just

1236

00:56:06,410 --> 00:56:03,660

don't understand you don't go straight

1237

00:56:10,609 --> 00:56:06,420

to Paranormal like did you look it could

1238

00:56:14,030 --> 00:56:10,619

be raccoons squirrels anything birds

1239

00:56:16,430 --> 00:56:14,040

wild turkeys believe anything can get in

1240

00:56:18,650 --> 00:56:16,440

that this building is all like ripped

1241

00:56:20,750 --> 00:56:18,660

apart and you know there's like pieces

1242

00:56:22,670 --> 00:56:20,760

of the building missing and Stephen

1243

00:56:25,190 --> 00:56:22,680

Green Street goes there here's a noise

1244

00:56:28,670 --> 00:56:25,200

and and suddenly it's this big

1245

00:56:30,230 --> 00:56:28,680

Cliffhanger you know like ooh is this

1246

00:56:32,690 --> 00:56:30,240

the skinwalker

1247

00:56:37,670 --> 00:56:32,700

you know

1248

00:56:40,609 --> 00:56:37,680

animals making noises that were

1249

00:56:42,049 --> 00:56:40,619

misinterpreted and um people just kind

1250

00:56:44,049 --> 00:56:42,059

of freaking themselves out doesn't

1251

00:56:46,210 --> 00:56:44,059

doesn't really sell right allegedly

1252

00:56:50,630 --> 00:56:46,220

allegedly

1253

00:56:54,109 --> 00:56:50,640

we gotta be careful I don't want George

1254

00:56:58,130 --> 00:56:56,329

you know although I kind of would take

1255

00:57:00,109 --> 00:56:58,140

uh issue with that I think that there's

1256

00:57:02,390 --> 00:57:00,119

been such a saturation of these shows

1257

00:57:04,730 --> 00:57:02,400

like Ghost Hunters and Skinwalker Ranch

1258

00:57:07,190 --> 00:57:04,740

and you know Curse of Oak Island and

1259

00:57:09,950 --> 00:57:07,200

just such such a cheapening of what is

1260

00:57:12,829 --> 00:57:09,960

real scientific research and just such a

1261

00:57:14,870 --> 00:57:12,839

cheapening of of uh information that I

1262

00:57:18,410 --> 00:57:14,880

think that there's a growing hunger for

1263

00:57:20,270 --> 00:57:18,420

Real uh evidenced fact that is fact that

1264

00:57:23,150 --> 00:57:20,280

can be verified

1265

00:57:26,390 --> 00:57:24,829

that's at least how I feel I think that

1266

00:57:28,190 --> 00:57:26,400

there's a growing a growing population

1267

00:57:30,710 --> 00:57:28,200

that's looking looking for that and

1268

00:57:32,510 --> 00:57:30,720

they're less impressed with you know oh

1269

00:57:34,190 --> 00:57:32,520

what was that noise it's making us

1270

00:57:36,170 --> 00:57:34,200

spooky you know what was that over there

1271

00:57:38,930 --> 00:57:36,180

did our IR camera just pick up a ghost

1272

00:57:41,089 --> 00:57:38,940

you know and and there's so people

1273

00:57:44,150 --> 00:57:41,099

always have to remember there's no show

1274

00:57:46,730 --> 00:57:44,160

if nothing ever happens right that's why

1275

00:57:49,490 --> 00:57:46,740

when you're watching Finding Bigfoot and

1276

00:57:52,130 --> 00:57:49,500

they hear walking in the forest it's a

1277

00:57:53,750 --> 00:57:52,140

Bigfoot you know I have a cabin in the

1278

00:57:55,490 --> 00:57:53,760

woods and it is creepy at night

1279

00:57:58,309 --> 00:57:55,500

sometimes especially when you hear

1280

00:57:59,990 --> 00:57:58,319

something big walking because if you

1281

00:58:02,270 --> 00:58:00,000

hear something big where where my cabin

1282

00:58:04,970 --> 00:58:02,280

is it's it's one of two things it's a

1283

00:58:07,549 --> 00:58:04,980

big buck deer or it's a bear

1284

00:58:09,770 --> 00:58:07,559

and uh if it's the deer no problem they

1285

00:58:11,870 --> 00:58:09,780

they just will walk around you or you

1286

00:58:13,790 --> 00:58:11,880

know but if it's a bear that's an issue

1287

00:58:15,470 --> 00:58:13,800

you know but on these Bigfoot shows they

1288

00:58:17,450 --> 00:58:15,480

hear the crunching of leaves and

1289

00:58:20,329 --> 00:58:17,460

suddenly oh that's a Bigfoot walking 10

1290

00:58:22,130 --> 00:58:20,339

feet from us but we just couldn't manage

1291

00:58:24,170 --> 00:58:22,140

to get a spotlight on it and show you

1292

00:58:26,750 --> 00:58:24,180

you know it's just kind of ridiculous

1293

00:58:29,030 --> 00:58:26,760

but let me ask you a question if because

1294

00:58:31,490 --> 00:58:29,040

I've thought about this if Brandon and

1295

00:58:35,089 --> 00:58:31,500

field goal had bought Skinwalker Ranch

1296

00:58:38,569 --> 00:58:35,099

and then just hired scientists

1297

00:58:41,270 --> 00:58:38,579

to study it and not brought in the

1298

00:58:43,069 --> 00:58:41,280

television show and and made it

1299

00:58:45,950 --> 00:58:43,079

entertainment if he had been more

1300

00:58:48,470 --> 00:58:45,960

serious and just hired scientists let's

1301
00:58:50,329 --> 00:58:48,480
get some reports and then maybe every

1302
00:58:52,130 --> 00:58:50,339
four or five months or six months he

1303
00:58:55,609 --> 00:58:52,140
released videos of whatever they

1304
00:58:58,130 --> 00:58:55,619
captured had the scientists explain

1305
00:59:00,230 --> 00:58:58,140
the the phenomenon when you have more

1306
00:59:02,870 --> 00:59:00,240
respect and belief that there's

1307
00:59:05,809 --> 00:59:02,880
something there but this bringing in of

1308
00:59:08,930 --> 00:59:05,819
this entertainment aspect it it's a they

1309
00:59:12,349 --> 00:59:08,940
have a like a motive to fake things or

1310
00:59:14,630 --> 00:59:12,359
to make make you know a mountain out of

1311
00:59:20,210 --> 00:59:14,640
a molehill here

1312
00:59:23,750 --> 00:59:20,220
no uh I agree definitely and you know

1313
00:59:26,329 --> 00:59:23,760

I could almost maybe they had one season

1314

00:59:28,069 --> 00:59:26,339

and Mr Frugal saw what the show was and

1315

00:59:30,049 --> 00:59:28,079

you know that was that they moved on and

1316

00:59:31,010 --> 00:59:30,059

changed gears and and did something

1317

00:59:32,089 --> 00:59:31,020

along the lines of what you're talking

1318

00:59:34,789 --> 00:59:32,099

about that would be a different story

1319

00:59:36,589 --> 00:59:34,799

but um you know not for nothing but he's

1320

00:59:39,170 --> 00:59:36,599

an executive producer in that show

1321

00:59:41,870 --> 00:59:39,180

that's it's very involved important

1322

00:59:43,910 --> 00:59:41,880

integral high ranking position in the

1323

00:59:46,190 --> 00:59:43,920

show and they also well they probably

1324

00:59:48,289 --> 00:59:46,200

give up any title he wants it's his

1325

00:59:49,910 --> 00:59:48,299

Ranch he can walk in and say I'm the

1326

00:59:51,829 --> 00:59:49,920

executive producer now or we're not

1327

00:59:56,030 --> 00:59:51,839

doing this they'll go okay you know

1328

00:59:58,730 --> 00:59:56,040

right which would which would beg

1329

01:00:00,710 --> 00:59:58,740

the question as to since we see that

1330

01:00:03,710 --> 01:00:00,720

what the show is why he would continue

1331

01:00:05,630 --> 01:00:03,720

to do it you know and again I think the

1332

01:00:07,430 --> 01:00:05,640

answer is financial and a lot of people

1333

01:00:10,069 --> 01:00:07,440

say well he's not making any money from

1334

01:00:11,930 --> 01:00:10,079

the show and you know or he's already I

1335

01:00:14,390 --> 01:00:11,940

love that people go oh he doesn't care

1336

01:00:17,329 --> 01:00:14,400

about money he's already rich show me

1337

01:00:19,010 --> 01:00:17,339

one rich person I've known many wealthy

1338

01:00:20,870 --> 01:00:19,020

people I've never known a wealthy person

1339

01:00:22,970 --> 01:00:20,880

that just said you know what I got

1340

01:00:24,710 --> 01:00:22,980

enough money I don't need to make any

1341

01:00:26,750 --> 01:00:24,720

more money I've never known a wealthy

1342

01:00:28,789 --> 01:00:26,760

person they're always they're wealthy

1343

01:00:31,250 --> 01:00:28,799

because they're good at generating money

1344

01:00:33,470 --> 01:00:31,260

you know why if he's gonna buy this

1345

01:00:35,750 --> 01:00:33,480

Ranch at least as a business person he

1346

01:00:38,690 --> 01:00:35,760

would think I have to at least recoup my

1347

01:00:41,030 --> 01:00:38,700

expenses for what I paid for it and you

1348

01:00:43,309 --> 01:00:41,040

know and and then again I don't blame

1349

01:00:45,289 --> 01:00:43,319

the guy for buying it because you you

1350

01:00:48,049 --> 01:00:45,299

got to answer this question honestly if

1351

01:00:50,990 --> 01:00:48,059

you had the money and Bigelow called you

1352

01:00:53,150 --> 01:00:51,000

and said I'm gonna sell the ranch you're

1353

01:00:55,069 --> 01:00:53,160

interested in UFOs and paranormal do you

1354

01:00:58,849 --> 01:00:55,079

want to buy it I if I had the money I

1355

01:01:00,589 --> 01:00:58,859

probably my right absolutely not

1356

01:01:02,870 --> 01:01:00,599

probably I absolutely would have

1357

01:01:05,630 --> 01:01:02,880

purchased it if I had that kind of money

1358

01:01:07,370 --> 01:01:05,640

you know it's like a kid in a candy

1359

01:01:09,230 --> 01:01:07,380

store if you like Paranormal stuff

1360

01:01:11,270 --> 01:01:09,240

here's here's this Ranch and there's all

1361

01:01:13,250 --> 01:01:11,280

these Legends and you can buy it and it

1362

01:01:14,510 --> 01:01:13,260

you know right I probably would have

1363

01:01:17,930 --> 01:01:14,520

what about Houston would you have bought

1364

01:01:21,829 --> 01:01:19,730

no no I wouldn't buy it if I had the

1365

01:01:23,870 --> 01:01:21,839

money maybe just to Snoop around and see

1366

01:01:25,370 --> 01:01:23,880

what see if I can maybe figure out what

1367

01:01:26,990 --> 01:01:25,380

they were doing there during offs app or

1368

01:01:27,910 --> 01:01:27,000

something but you know

1369

01:01:30,349 --> 01:01:27,920

um

1370

01:01:34,069 --> 01:01:30,359

well that's that's a good you know I

1371

01:01:35,870 --> 01:01:34,079

haven't thought about this before but um

1372

01:01:37,490 --> 01:01:35,880

that's a good a good question you know

1373

01:01:39,230 --> 01:01:37,500

maybe if someone else had bought the

1374

01:01:41,089 --> 01:01:39,240

bought the ranch

1375

01:01:43,670 --> 01:01:41,099

possibly from a different

1376

01:01:46,370 --> 01:01:43,680

mindset you know would we be hearing

1377

01:01:50,870 --> 01:01:46,380

different things you know would we get

1378

01:01:54,650 --> 01:01:52,670

um you talk about if they had done

1379

01:01:56,569 --> 01:01:54,660

science on the show you know I went back

1380

01:01:58,670 --> 01:01:56,579

and watched most of the episodes of

1381

01:02:00,650 --> 01:01:58,680

Skinwalker Ranch when I was uh in

1382

01:02:03,289 --> 01:02:00,660

conversation with Brendan Frugal some

1383

01:02:05,809 --> 01:02:03,299

months back through emails and really

1384

01:02:08,510 --> 01:02:05,819

right off the bat in the first show they

1385

01:02:10,789 --> 01:02:08,520

were um focusing on the Ridge and they

1386

01:02:12,770 --> 01:02:10,799

had noticed that it had possibly

1387

01:02:15,890 --> 01:02:12,780

reflected some light when they were

1388

01:02:17,870 --> 01:02:15,900

taking some camera shots so they decided

1389

01:02:20,569 --> 01:02:17,880

that possibly there could be some type

1390

01:02:24,049 --> 01:02:20,579

of volcanic rock or something inside of

1391

01:02:26,990 --> 01:02:24,059

the ridge inside the soil

1392

01:02:28,549 --> 01:02:27,000

people that maybe light and that could

1393

01:02:29,809 --> 01:02:28,559

possibly account for the things that

1394

01:02:31,370 --> 01:02:29,819

have been attributed to it over the

1395

01:02:32,690 --> 01:02:31,380

years and I was kind of impressed I was

1396

01:02:33,890 --> 01:02:32,700

like okay that's cool that's real

1397

01:02:35,690 --> 01:02:33,900

science and they're gonna go out there

1398

01:02:37,789 --> 01:02:35,700

and they went up there to go you know

1399

01:02:40,670 --> 01:02:37,799

run some tests and to investigate it and

1400

01:02:43,030 --> 01:02:40,680

did they take off to that do they take

1401

01:02:45,230 --> 01:02:43,040

soil samples and find like Rifts

1402

01:02:47,630 --> 01:02:45,240

you know we didn't get that far because

1403

01:02:48,530 --> 01:02:47,640

right off the bat batteries started

1404

01:02:51,049 --> 01:02:48,540

dying

1405

01:02:53,690 --> 01:02:51,059

apparently yeah apparently there were no

1406

01:02:55,490 --> 01:02:53,700

extras around then a guy got a headache

1407

01:02:58,069 --> 01:02:55,500

and then the whole thing was called off

1408

01:03:01,250 --> 01:02:58,079

because it was getting too dangerous

1409

01:03:02,510 --> 01:03:01,260

Chris and that was a moment that some

1410

01:03:06,170 --> 01:03:02,520

real science

1411

01:03:09,410 --> 01:03:06,180

show and instead it was sacrificed for

1412

01:03:10,370 --> 01:03:09,420

this pseudoscience ghost summary spooky

1413

01:03:12,589 --> 01:03:10,380

stuff

1414

01:03:14,870 --> 01:03:12,599

um and it just really encapsulated what

1415

01:03:17,870 --> 01:03:14,880

the the context the content of the show

1416

01:03:19,370 --> 01:03:17,880

is as far as I was concerned yeah I I I

1417

01:03:22,130 --> 01:03:19,380

don't know what to think about

1418

01:03:23,930 --> 01:03:22,140

Skinwalker I have you know but

1419

01:03:26,030 --> 01:03:23,940

Skinwalker is one of those things that

1420

01:03:28,370 --> 01:03:26,040

like for people that are kind of new to

1421

01:03:30,650 --> 01:03:28,380

all of this crazy it's a good entree

1422

01:03:33,230 --> 01:03:30,660

because uh there's a lot of nothing

1423

01:03:36,890 --> 01:03:33,240

Burgers it's easy to access if you have

1424

01:03:38,690 --> 01:03:36,900

cable TV you know I I gotta but even

1425

01:03:40,309 --> 01:03:38,700

people that I know that don't know much

1426

01:03:43,190 --> 01:03:40,319

I have a neighbor at the cabin and he

1427

01:03:45,410 --> 01:03:43,200

knows what I do here on my show and I

1428

01:03:47,030 --> 01:03:45,420

was at his house and he he put it on and

1429

01:03:49,130 --> 01:03:47,040

he goes do you ever watch this I can't

1430

01:03:51,230 --> 01:03:49,140

even watch it so fake Steve and he

1431

01:03:53,030 --> 01:03:51,240

doesn't know anything about any of this

1432

01:03:57,230 --> 01:03:53,040

and I go no I don't I don't really watch

1433

01:04:01,549 --> 01:03:59,690

yeah no I mean I can't blame and you

1434

01:04:03,890 --> 01:04:01,559

know just to get back to real quick as

1435

01:04:06,109 --> 01:04:03,900

far as profits that are being generated

1436

01:04:08,690 --> 01:04:06,119

you know

1437

01:04:10,670 --> 01:04:08,700

from the show or not brand Skinwalker

1438

01:04:13,309 --> 01:04:10,680

Ranch is a brand

1439

01:04:16,609 --> 01:04:13,319

um and everything that happens there

1440

01:04:19,549 --> 01:04:16,619

that furthers the mystery and the claims

1441

01:04:22,130 --> 01:04:19,559

and allegations enhances that brand this

1442

01:04:24,530 --> 01:04:22,140

is a brand that is worldwide that has

1443

01:04:27,589 --> 01:04:24,540

all kinds of potential for growth and

1444

01:04:29,569 --> 01:04:27,599

generating profit and it also has a

1445

01:04:32,569 --> 01:04:29,579

whole string of individuals that

1446

01:04:34,130 --> 01:04:32,579

continue to try to generate profit that

1447

01:04:37,190 --> 01:04:34,140

are connected to this whether they be

1448

01:04:40,069 --> 01:04:37,200

scientists or journalists or media

1449

01:04:42,589 --> 01:04:40,079

personalities you know they're

1450

01:04:44,210 --> 01:04:42,599

tied up into the store this Skinwalker

1451

01:04:47,450 --> 01:04:44,220

Ranch and none of them would benefit

1452

01:04:49,549 --> 01:04:47,460

whatsoever for a different story to come

1453

01:04:52,309 --> 01:04:49,559

out that may cast doubt on the one

1454

01:04:55,490 --> 01:04:52,319

that's been sown for so long so with

1455

01:04:57,530 --> 01:04:55,500

every bit of publicity promotion and

1456

01:05:00,109 --> 01:04:57,540

furtherance of the claims of that show

1457

01:05:01,730 --> 01:05:00,119

it legitimizes it essentially even

1458

01:05:03,650 --> 01:05:01,740

further and legitimizes the people

1459

01:05:05,930 --> 01:05:03,660

around them

1460

01:05:08,450 --> 01:05:05,940

um and it really you know it sounds

1461

01:05:10,069 --> 01:05:08,460

Petty but when we talk about those types

1462

01:05:13,190 --> 01:05:10,079

of people that there can be a direct

1463

01:05:15,710 --> 01:05:13,200

line drawn to things like the 22 million

1464

01:05:17,870 --> 01:05:15,720

dollar Pentagon UFO program awesome yeah

1465

01:05:19,730 --> 01:05:17,880

how much did how much that was a whole

1466

01:05:23,630 --> 01:05:19,740

situation it doesn't make sense to me

1467

01:05:26,030 --> 01:05:23,640

how does a guy who own a ranch get to

1468

01:05:28,130 --> 01:05:26,040

get a 22 million dollar contract to

1469

01:05:29,990 --> 01:05:28,140

study his own property

1470

01:05:33,589 --> 01:05:30,000

for the for the United States government

1471

01:05:35,870 --> 01:05:33,599

like how does that you know like I want

1472

01:05:38,150 --> 01:05:35,880

to sign up I'll just say that my land at

1473

01:05:40,549 --> 01:05:38,160

the cabin is haunted or something give

1474

01:05:43,010 --> 01:05:40,559

me millions of dollars and I'll study it

1475

01:05:45,049 --> 01:05:43,020

for you it doesn't make sense to me they

1476

01:05:47,569 --> 01:05:45,059

wasted and all we got was a bunch of

1477

01:05:51,650 --> 01:05:47,579

like written reports of nonsense with no

1478

01:05:55,370 --> 01:05:51,660

data no sensor data no film no

1479

01:05:59,270 --> 01:05:55,380

photographs no actual data we got

1480

01:06:01,870 --> 01:05:59,280

stories for all that money

1481

01:06:05,569 --> 01:06:01,880

right no apps

1482

01:06:07,609 --> 01:06:05,579

absolutely and um you know I just I was

1483

01:06:11,510 --> 01:06:07,619

going through the uh the chat room here

1484

01:06:13,670 --> 01:06:11,520

and uh I noticed that uh

1485

01:06:15,950 --> 01:06:13,680

somebody talked about you know the fact

1486

01:06:18,250 --> 01:06:15,960

that he lacks like where's the geology

1487

01:06:20,630 --> 01:06:18,260

where's all the

1488

01:06:22,130 --> 01:06:20,640

geologists on whoever you know we're

1489

01:06:24,250 --> 01:06:22,140

talking about this land that's

1490

01:06:26,630 --> 01:06:24,260

supposedly cursed but we're never really

1491

01:06:28,309 --> 01:06:26,640

investigating the land itself and I know

1492

01:06:30,049 --> 01:06:28,319

that there's been a little foray into

1493

01:06:31,730 --> 01:06:30,059

that but you know the

1494

01:06:34,730 --> 01:06:31,740

thing that has stopped that right off

1495

01:06:37,849 --> 01:06:34,740

the bat has always been you know if we

1496

01:06:40,609 --> 01:06:37,859

dig then bad things happen and you know

1497

01:06:42,950 --> 01:06:40,619

therefore we can't dig

1498

01:06:44,990 --> 01:06:42,960

um but you know it just when you get

1499

01:06:47,930 --> 01:06:45,000

into things like the area that it's in

1500

01:06:50,270 --> 01:06:47,940

first of all uh an oil-rich area natural

1501

01:06:53,150 --> 01:06:50,280

natural gas area and there's actually

1502

01:06:54,829 --> 01:06:53,160

you know laws so essentially when you

1503

01:06:56,870 --> 01:06:54,839

buy a property it doesn't automatically

1504

01:06:59,270 --> 01:06:56,880

come with the mineral rights to the

1505

01:07:01,370 --> 01:06:59,280

ground you have to see you know what I I

1506

01:07:03,950 --> 01:07:01,380

found it I found that out when I bought

1507

01:07:05,510 --> 01:07:03,960

the land that I built my cabin on I was

1508

01:07:07,190 --> 01:07:05,520

reading through the sales agreement and

1509

01:07:09,589 --> 01:07:07,200

I go wait a minute I don't understand

1510

01:07:12,289 --> 01:07:09,599

this I somebody could just come on my

1511

01:07:14,029 --> 01:07:12,299

land and start drilling for oil or coal

1512

01:07:15,950 --> 01:07:14,039

and they're like well they won't but

1513

01:07:18,589 --> 01:07:15,960

they could that's the way it is in the

1514

01:07:20,630 --> 01:07:18,599

area that I'm in but they could if they

1515

01:07:22,910 --> 01:07:20,640

want to just put an oil rig right on

1516

01:07:25,309 --> 01:07:22,920

your property and dig all underneath

1517

01:07:27,470 --> 01:07:25,319

your whole property it's a weird

1518

01:07:29,990 --> 01:07:27,480

situation you're right oil and gas

1519

01:07:32,630 --> 01:07:30,000

mineral rights do not automatically

1520

01:07:35,569 --> 01:07:32,640

convey in some states those are separate

1521

01:07:37,970 --> 01:07:35,579

and some oil company Energy company

1522

01:07:41,569 --> 01:07:37,980

already bought the oil and gas rights

1523

01:07:42,950 --> 01:07:41,579

for whole towns that exist it's it's a

1524

01:07:45,829 --> 01:07:42,960

weird situation

1525

01:07:48,890 --> 01:07:45,839

I just got the new land and the new land

1526

01:07:52,190 --> 01:07:48,900

I do have the oil gas and mineral rights

1527

01:07:54,170 --> 01:07:52,200

so nobody is allowed on that property I

1528

01:07:56,150 --> 01:07:54,180

don't anticipate somebody's ever going

1529

01:07:57,890 --> 01:07:56,160

to be putting an oil rig next to my

1530

01:07:59,630 --> 01:07:57,900

cabin but it could happen and that's a

1531

01:08:02,150 --> 01:07:59,640

weird situation

1532

01:08:04,670 --> 01:08:02,160

right and especially if you know right

1533

01:08:06,589 --> 01:08:04,680

if somebody buys those rights then they

1534

01:08:08,930 --> 01:08:06,599

essentially can do that and not only

1535

01:08:11,329 --> 01:08:08,940

that if someone owns the mineral rights

1536

01:08:13,490 --> 01:08:11,339

that of the land that you live on you

1537

01:08:16,550 --> 01:08:13,500

have to get permission to do any type of

1538

01:08:18,110 --> 01:08:16,560

major digging or really heavy digging on

1539

01:08:20,329 --> 01:08:18,120

that

1540

01:08:23,030 --> 01:08:20,339

land and when we talked to Skinwalker

1541

01:08:25,150 --> 01:08:23,040

Ranch uh the the activity allegedly

1542

01:08:27,530 --> 01:08:25,160

started and again claims have been

1543

01:08:29,150 --> 01:08:27,540

backtracked and filled in to really go

1544

01:08:31,550 --> 01:08:29,160

back very far but essentially these

1545

01:08:33,769 --> 01:08:31,560

things started with the Shermans there

1546

01:08:35,930 --> 01:08:33,779

in the mid 90s and they only lived there

1547

01:08:37,490 --> 01:08:35,940

for like less than two years and before

1548

01:08:41,150 --> 01:08:37,500

that there was a family that lived on

1549

01:08:43,070 --> 01:08:41,160

the ranch since the 30s and when the uh

1550

01:08:45,829 --> 01:08:43,080

when the Shermans you know took the

1551

01:08:48,530 --> 01:08:45,839

ranch in the 90s they did not take the

1552

01:08:52,130 --> 01:08:48,540

mineral rights from the Myers and in

1553

01:08:54,829 --> 01:08:52,140

fact you know plenty of people like

1554

01:08:57,169 --> 01:08:54,839

George Knapp will have talked time and

1555

01:08:59,150 --> 01:08:57,179

time again about how that it was noted

1556

01:09:01,970 --> 01:08:59,160

in the contract that they could not dig

1557

01:09:04,010 --> 01:09:01,980

on the land and you know Sherman's found

1558

01:09:06,289 --> 01:09:04,020

that odd but a first thought nothing of

1559

01:09:07,849 --> 01:09:06,299

it and then found out when things were

1560

01:09:09,050 --> 01:09:07,859

happening bad they finally realized

1561

01:09:12,470 --> 01:09:09,060

that's why they weren't supposed to dig

1562

01:09:14,630 --> 01:09:12,480

on the land well again it's because of

1563

01:09:17,150 --> 01:09:14,640

the mineral rights and I don't know if

1564

01:09:18,530 --> 01:09:17,160

that's a misrepresentation or not but I

1565

01:09:20,329 --> 01:09:18,540

would have to think somewhere along the

1566

01:09:22,010 --> 01:09:20,339

line that these people would have at

1567

01:09:24,410 --> 01:09:22,020

least hopefully looked into that but

1568

01:09:26,030 --> 01:09:24,420

certainly that Clause was in there

1569

01:09:27,590 --> 01:09:26,040

because he had not bought the mineral

1570

01:09:30,169 --> 01:09:27,600

rights therefore he couldn't dig and

1571

01:09:32,269 --> 01:09:30,179

would have to notify

1572

01:09:34,789 --> 01:09:32,279

right then if you go and get their

1573

01:09:37,789 --> 01:09:34,799

permission because they own the rights

1574

01:09:40,430 --> 01:09:37,799

yeah I I I don't know I I kind of think

1575

01:09:42,110 --> 01:09:40,440

like how many seasons of that television

1576

01:09:43,849 --> 01:09:42,120

show are we up to like how many years

1577

01:09:46,910 --> 01:09:43,859

has he been there doing this and what's

1578

01:09:48,769 --> 01:09:46,920

the best that we got well we shot a

1579

01:09:51,289 --> 01:09:48,779

rocket up and it went off course there's

1580

01:09:53,630 --> 01:09:51,299

got to be some kind of temporal Vortex

1581

01:09:56,270 --> 01:09:53,640

there like I I

1582

01:09:59,870 --> 01:09:56,280

ain't it I don't know you know it just

1583

01:10:02,169 --> 01:09:59,880

like that they they put just enough into

1584

01:10:05,150 --> 01:10:02,179

the so-called

1585

01:10:07,790 --> 01:10:05,160

phenomenon or oh there's these anomalies

1586

01:10:09,830 --> 01:10:07,800

but we never get it's just like the

1587

01:10:11,689 --> 01:10:09,840

world of UFOs we never get any Smoking

1588

01:10:14,810 --> 01:10:11,699

Gun proof of anything we get a lot of

1589

01:10:18,350 --> 01:10:14,820

tantalizing maybe proof

1590

01:10:21,110 --> 01:10:18,360

no certainly and I just think that

1591

01:10:23,930 --> 01:10:21,120

when we talk about even that area the

1592

01:10:26,209 --> 01:10:23,940

the Uintah area that

1593

01:10:28,370 --> 01:10:26,219

the area and again I saw it was noted in

1594

01:10:32,390 --> 01:10:28,380

your chat room that again it is a very

1595

01:10:36,229 --> 01:10:32,400

rich area of um gas you know therefore

1596

01:10:38,810 --> 01:10:36,239

we can make the speculation that

1597

01:10:40,490 --> 01:10:38,820

of course it's been written has methane

1598

01:10:42,649 --> 01:10:40,500

leaks and there's areas all over the

1599

01:10:45,290 --> 01:10:42,659

place uh where the ground could just

1600

01:10:47,090 --> 01:10:45,300

suddenly Catch Fire because of these it

1601
01:10:49,189 --> 01:10:47,100
does happen out of nowhere in the middle

1602
01:10:51,649 --> 01:10:49,199
of the desert the ground catches fire

1603
01:10:53,689 --> 01:10:51,659
methane methane happens too and that

1604
01:10:55,790 --> 01:10:53,699
causes fires yeah right and that's why

1605
01:10:58,310 --> 01:10:55,800
you know why it happens and also if

1606
01:11:00,890 --> 01:10:58,320
someone's possibly breathing that in

1607
01:11:02,689 --> 01:11:00,900
they could experience hallucinations and

1608
01:11:04,910 --> 01:11:02,699
we can certainly take that and stretch

1609
01:11:06,410 --> 01:11:04,920
it back to hundreds of years ago even

1610
01:11:08,030 --> 01:11:06,420
people in that area would have

1611
01:11:10,189 --> 01:11:08,040
experienced things like that and you can

1612
01:11:13,189 --> 01:11:10,199
see where the

1613
01:11:15,050 --> 01:11:13,199

floor of the Arab bill you know simply

1614

01:11:17,510 --> 01:11:15,060

just being ignorant of the scientific

1615

01:11:20,270 --> 01:11:17,520

knowledge of that area and that's

1616

01:11:23,270 --> 01:11:20,280

capitalized on today

1617

01:11:25,490 --> 01:11:23,280

yeah I'm not I'm not buying Skinwalker

1618

01:11:28,430 --> 01:11:25,500

so far you know it just and then and

1619

01:11:30,410 --> 01:11:28,440

then one I hate to do this but when I

1620

01:11:36,169 --> 01:11:30,420

see uh

1621

01:11:38,810 --> 01:11:36,179

these people that are involved when I

1622

01:11:41,270 --> 01:11:38,820

see that George Knapp is one of the big

1623

01:11:44,149 --> 01:11:41,280

promoters of this thing you know I go

1624

01:11:46,490 --> 01:11:44,159

well what's his other contributions oh

1625

01:11:48,830 --> 01:11:46,500

Bob Lazar which is a completely fake

1626

01:11:52,189 --> 01:11:48,840

story in my opinion then I go well this

1627

01:11:54,169 --> 01:11:52,199

story is probably fake too you know it

1628

01:11:55,910 --> 01:11:54,179

just doesn't give me a lot of confidence

1629

01:11:58,189 --> 01:11:55,920

that there's anything to this when it's

1630

01:12:01,070 --> 01:11:58,199

the the grifter Squad that's promoting

1631

01:12:05,090 --> 01:12:03,649

yeah and you know people can say

1632

01:12:08,209 --> 01:12:05,100

anything they want about George's other

1633

01:12:10,790 --> 01:12:08,219

reporting uh he's known strictly for his

1634

01:12:12,649 --> 01:12:10,800

UFO Reporting that's what he's built his

1635

01:12:14,450 --> 01:12:12,659

career on that's what he's made his name

1636

01:12:17,149 --> 01:12:14,460

on and generated most of his money from

1637

01:12:19,030 --> 01:12:17,159

I mean that's what that's what he does

1638

01:12:21,709 --> 01:12:19,040

um and when we talk about

1639

01:12:24,649 --> 01:12:21,719

all the inconsistencies you know it's

1640

01:12:28,430 --> 01:12:24,659

not okay to say that you were aware of

1641

01:12:32,870 --> 01:12:30,470

and we're deceptive trying to figure out

1642

01:12:35,689 --> 01:12:32,880

the real truth you know and just uh

1643

01:12:37,550 --> 01:12:35,699

there's all kinds of wild claims but he

1644

01:12:39,350 --> 01:12:37,560

is you know one of the top guys I think

1645

01:12:40,729 --> 01:12:39,360

uh Lou Jimenez said it well like you

1646

01:12:42,890 --> 01:12:40,739

know you gotta kiss the burning of

1647

01:12:44,689 --> 01:12:42,900

Georgette in this town if you want to be

1648

01:12:46,430 --> 01:12:44,699

somebody you know

1649

01:12:48,350 --> 01:12:46,440

um

1650

01:12:51,189 --> 01:12:48,360

I don't know I hope that there seems to

1651
01:12:53,510 --> 01:12:51,199
be more of a growing voice of um

1652
01:12:55,990 --> 01:12:53,520
discontent I think a lot of people have

1653
01:12:59,030 --> 01:12:56,000
been waiting years now especially since

1654
01:13:00,830 --> 01:12:59,040
2017. for very specific promises that

1655
01:13:03,350 --> 01:13:00,840
were made and not only have they not

1656
01:13:06,410 --> 01:13:03,360
come to fruition but a lot of the things

1657
01:13:08,209 --> 01:13:06,420
that were alleged and claimed turned out

1658
01:13:11,390 --> 01:13:08,219
to not

1659
01:13:13,430 --> 01:13:11,400
not be true you know from true and I

1660
01:13:16,610 --> 01:13:13,440
think uh that people have kind of grown

1661
01:13:18,110 --> 01:13:16,620
a little not not not a huge amount but I

1662
01:13:19,850 --> 01:13:18,120
think that enough people at least are

1663
01:13:21,590 --> 01:13:19,860

starting to make some noise but

1664

01:13:23,030 --> 01:13:21,600

apparently you know it's just a shame

1665

01:13:24,950 --> 01:13:23,040

because the the answers don't come

1666

01:13:26,930 --> 01:13:24,960

accountability doesn't come you know

1667

01:13:28,790 --> 01:13:26,940

it's not like George Knapp says you know

1668

01:13:30,709 --> 01:13:28,800

what it was

1669

01:13:34,189 --> 01:13:30,719

I've reached too far or I you know

1670

01:13:35,750 --> 01:13:34,199

needed to start my career you know what

1671

01:13:37,970 --> 01:13:35,760

I mean like you were pumping these

1672

01:13:39,709 --> 01:13:37,980

claims with John Lear right before you

1673

01:13:43,370 --> 01:13:39,719

brought on lizard

1674

01:13:47,390 --> 01:13:43,380

yeah you know it's problematic and then

1675

01:13:49,550 --> 01:13:47,400

I've I've caught you know look I I I'm a

1676

01:13:51,410 --> 01:13:49,560

big person though that says like I'm not

1677

01:13:54,350 --> 01:13:51,420

gonna say that this guy's full of [\h__\h]

1678

01:13:56,270 --> 01:13:54,360

until I've investigated thoroughly but

1679

01:13:59,209 --> 01:13:56,280

in the case of George Knapp like I've

1680

01:14:00,830 --> 01:13:59,219

done a lot of Bob Lazar stuff and one of

1681

01:14:03,050 --> 01:14:00,840

the things was to talk to the people

1682

01:14:05,810 --> 01:14:03,060

that were at that Bob Lazar business

1683

01:14:08,030 --> 01:14:05,820

raid and I mean I talked to the FBI

1684

01:14:10,850 --> 01:14:08,040

agents I talked to the local sheriff

1685

01:14:12,830 --> 01:14:10,860

they were all shocked and amazed that

1686

01:14:16,790 --> 01:14:12,840

that made it into a documentary they had

1687

01:14:18,890 --> 01:14:16,800

no idea and then I said look I'll buy it

1688

01:14:20,810 --> 01:14:18,900

for you watch it and then let me call

1689

01:14:22,729 --> 01:14:20,820

you and I they didn't take me up on the

1690

01:14:24,950 --> 01:14:22,739

buying it that the one guy's like oh no

1691

01:14:26,630 --> 01:14:24,960

I have I have a great play and it's if

1692

01:14:28,669 --> 01:14:26,640

it's on Netflix or wherever it's on I

1693

01:14:30,229 --> 01:14:28,679

watch so a couple of them watched it and

1694

01:14:32,330 --> 01:14:30,239

I called them back and they were even

1695

01:14:34,550 --> 01:14:32,340

more pissed because they were like this

1696

01:14:36,350 --> 01:14:34,560

had nothing to do with we didn't even

1697

01:14:39,050 --> 01:14:36,360

know about this guy being a flying

1698

01:14:41,630 --> 01:14:39,060

saucer guy right we didn't even know we

1699

01:14:43,870 --> 01:14:41,640

didn't even know that he was famous in

1700

01:14:47,870 --> 01:14:43,880

the Flying Saucer Community or whatever

1701

01:14:49,729 --> 01:14:47,880

it was and then it was all about uh I

1702

01:14:52,130 --> 01:14:49,739

always get it wrong either thorium or

1703

01:14:55,130 --> 01:14:52,140

thallium one of those chemicals that

1704

01:14:56,930 --> 01:14:55,140

bubbles our cell sold someone allegedly

1705

01:15:01,729 --> 01:14:56,940

used it to murder their wife in another

1706

01:15:03,229 --> 01:15:01,739

state so what we had is a Statewide you

1707

01:15:05,930 --> 01:15:03,239

know like State Police from the state

1708

01:15:08,689 --> 01:15:05,940

the murder took place in a couple of FBI

1709

01:15:11,149 --> 01:15:08,699

agents and the local sheriff there

1710

01:15:13,430 --> 01:15:11,159

wasn't 40 or 50 agents they went in

1711

01:15:16,010 --> 01:15:13,440

there they asked for the sales records

1712

01:15:18,590 --> 01:15:16,020

of that specific person's purchase they

1713

01:15:21,290 --> 01:15:18,600

got them and they left now there was a

1714

01:15:22,970 --> 01:15:21,300

Hazmat guy there because they were aware

1715

01:15:24,410 --> 01:15:22,980

the local sheriff told them like he's

1716

01:15:26,149 --> 01:15:24,420

got all kinds of weird chemicals and

1717

01:15:28,490 --> 01:15:26,159

stuff in there we can't just rush in

1718

01:15:31,070 --> 01:15:28,500

there and they sent a Hazmat guy in and

1719

01:15:33,050 --> 01:15:31,080

look around take samples of the air and

1720

01:15:35,209 --> 01:15:33,060

make sure there was no like particulates

1721

01:15:37,070 --> 01:15:35,219

or weirdness and then they he came out

1722

01:15:38,689 --> 01:15:37,080

and said you're clear to go in they went

1723

01:15:39,530 --> 01:15:38,699

in and they got the sales records and

1724

01:15:42,649 --> 01:15:39,540

they left

1725

01:15:44,930 --> 01:15:42,659

but Corbell and George Knapp turned this

1726
01:15:47,750 --> 01:15:44,940
into a whole conspiracy they were there

1727
01:15:50,090 --> 01:15:47,760
to steal back the the element 115 and by

1728
01:15:51,590 --> 01:15:50,100
the way that was in George that was in

1729
01:15:55,250 --> 01:15:51,600
gene Huff's original Hollywood

1730
01:15:57,410 --> 01:15:55,260
screenplay that whole story but in gene

1731
01:15:59,890 --> 01:15:57,420
Hopps Hollywood screenplay they they

1732
01:16:03,229 --> 01:15:59,900
raided his house looking for the element

1733
01:16:05,270 --> 01:16:03,239
115. I think Corbell had a copy of that

1734
01:16:07,790 --> 01:16:05,280
and needed an end to that documentary

1735
01:16:10,370 --> 01:16:07,800
and that FBI rate happened we'll use

1736
01:16:12,470 --> 01:16:10,380
that you know uh all of the people

1737
01:16:13,669 --> 01:16:12,480
involved were shocked and amazed and

1738
01:16:15,709 --> 01:16:13,679

they were like why didn't these people

1739

01:16:17,149 --> 01:16:15,719

even contact us and they asked us our

1740

01:16:18,950 --> 01:16:17,159

version of that I'm like I don't know

1741

01:16:22,189 --> 01:16:18,960

you know they needed to sell the

1742

01:16:24,530 --> 01:16:22,199

documentary bro you know but they

1743

01:16:26,450 --> 01:16:24,540

they specifically told me like that the

1744

01:16:29,090 --> 01:16:26,460

sheriff told me he's like I was in The

1745

01:16:31,070 --> 01:16:29,100

Briefing nobody knew that this guy was a

1746

01:16:33,169 --> 01:16:31,080

flying saucer guy nobody knew anything

1747

01:16:35,270 --> 01:16:33,179

about that we just knew that he's

1748

01:16:37,189 --> 01:16:35,280

selling weird chemicals and somebody may

1749

01:16:39,530 --> 01:16:37,199

have used those chemicals to kill his

1750

01:16:41,990 --> 01:16:39,540

wife we needed to get the sales records

1751

01:16:44,570 --> 01:16:42,000

and the evidence for that case to go

1752

01:16:46,310 --> 01:16:44,580

forward to prosecute that gentleman we

1753

01:16:48,410 --> 01:16:46,320

they had to prove that he got the

1754

01:16:51,290 --> 01:16:48,420

chemicals right you know because there

1755

01:16:52,630 --> 01:16:51,300

was Traces by the way allegedly of that

1756

01:16:55,910 --> 01:16:52,640

chemical

1757

01:16:58,070 --> 01:16:55,920

in his wife's bloodstream at the time of

1758

01:17:02,149 --> 01:16:58,080

her death and somebody at the medical

1759

01:17:04,250 --> 01:17:02,159

examiner's office caught it you know so

1760

01:17:05,930 --> 01:17:04,260

um it is what it is though and then

1761

01:17:08,090 --> 01:17:05,940

another thing that we caught George

1762

01:17:11,149 --> 01:17:08,100

Knapp real bad on is the claims of lie

1763

01:17:12,410 --> 01:17:11,159

detector tests his best friend well not

1764

01:17:14,810 --> 01:17:12,420

bad I don't know if it's his best friend

1765

01:17:16,790 --> 01:17:14,820

but his very close friend Gabe fablazar

1766

01:17:18,590 --> 01:17:16,800

the lie detector test and there's

1767

01:17:21,530 --> 01:17:18,600

conflicting statements back and forth

1768

01:17:24,530 --> 01:17:21,540

about whether he uh failed the first one

1769

01:17:25,970 --> 01:17:24,540

was inconclusive on the second one you

1770

01:17:27,890 --> 01:17:25,980

don't just keep giving somebody lie

1771

01:17:29,630 --> 01:17:27,900

detector tests and I think George Knapp

1772

01:17:32,270 --> 01:17:29,640

did that because Bob was our story was

1773

01:17:33,890 --> 01:17:32,280

falling apart at that time he just got

1774

01:17:35,510 --> 01:17:33,900

busted for his whole education being

1775

01:17:37,729 --> 01:17:35,520

fake they needed some way to keep it

1776

01:17:39,050 --> 01:17:37,739

going let's give him lie detector tests

1777

01:17:41,330 --> 01:17:39,060

and we'll just keep testing them until

1778

01:17:42,950 --> 01:17:41,340

he passes that's what they did they just

1779

01:17:44,530 --> 01:17:42,960

kept testing him until he passed we

1780

01:17:47,209 --> 01:17:44,540

talked to the American polygraph

1781

01:17:50,090 --> 01:17:47,219

Association they all said you that's not

1782

01:17:52,370 --> 01:17:50,100

how this works you can't just keep they

1783

01:17:54,709 --> 01:17:52,380

just kept giving him tests calm down

1784

01:17:58,010 --> 01:17:54,719

here take it down or we'll ask you again

1785

01:18:00,830 --> 01:17:58,020

you know like this is all but George

1786

01:18:03,830 --> 01:18:00,840

Knapp manufactures fake evidence to sell

1787

01:18:06,770 --> 01:18:03,840

fake stories that's my conclusion and by

1788

01:18:08,810 --> 01:18:06,780

the way he yelled he he sent me this big

1789

01:18:15,290 --> 01:18:08,820

long message because I sent him all the

1790

01:18:19,490 --> 01:18:17,630

Steve and I've investigated hundreds of

1791

01:18:21,530 --> 01:18:19,500

murders and you you don't know that's

1792

01:18:23,030 --> 01:18:21,540

not how a murder investigation works and

1793

01:18:24,830 --> 01:18:23,040

you're an amateur and you don't know

1794

01:18:26,810 --> 01:18:24,840

what you're doing and I'm like I didn't

1795

01:18:32,149 --> 01:18:26,820

lie to everybody in a document Century

1796

01:18:37,130 --> 01:18:35,030

I like the way that he that he uh like

1797

01:18:39,050 --> 01:18:37,140

is very aggressive with critics though

1798

01:18:42,110 --> 01:18:39,060

on Twitter and stuff like that like he

1799

01:18:45,050 --> 01:18:42,120

he tells people to ask clowns you're an

1800

01:18:47,149 --> 01:18:45,060

ass clown you're an ass clown critic or

1801

01:18:49,610 --> 01:18:47,159

an armchair ass clown click you know so

1802

01:18:51,770 --> 01:18:49,620

it's kind of fun at least he never has

1803

01:18:56,149 --> 01:18:51,780

blocked me or anything he's told me how

1804

01:19:02,810 --> 01:18:57,290

yeah

1805

01:19:05,930 --> 01:19:02,820

that you know nap will uh not you know

1806

01:19:07,790 --> 01:19:05,940

not block people which is rare again you

1807

01:19:09,890 --> 01:19:07,800

know anybody if you show that you're in

1808

01:19:13,130 --> 01:19:09,900

uh disagreement with these people Gary

1809

01:19:14,930 --> 01:19:13,140

they usually block yeah yeah so I you

1810

01:19:17,930 --> 01:19:14,940

know I will uh give give him some credit

1811

01:19:20,689 --> 01:19:17,940

for that but again like

1812

01:19:22,130 --> 01:19:20,699

he makes claims of like having seen the

1813

01:19:25,910 --> 01:19:22,140

one

1814

01:19:29,990 --> 01:19:25,920

yeah he knew where it was buried

1815

01:19:32,330 --> 01:19:30,000

he's gonna dig it up this guy has made

1816

01:19:35,090 --> 01:19:32,340

millions of dollars off this fake Story

1817

01:19:37,669 --> 01:19:35,100

come on if he really knew where absolute

1818

01:19:41,209 --> 01:19:37,679

proof of alien technology on Earth was

1819

01:19:43,550 --> 01:19:41,219

buried this grifter of a reporter would

1820

01:19:45,590 --> 01:19:43,560

just keep it under his hat he was a good

1821

01:19:47,689 --> 01:19:45,600

thing he'd be there digging it up the

1822

01:19:49,189 --> 01:19:47,699

first day he knew where it was he there

1823

01:19:53,390 --> 01:19:49,199

to shovel at three o'clock in the

1824

01:19:56,169 --> 01:19:53,400

morning you know it's so funny

1825

01:20:00,530 --> 01:19:56,179

no absolutely

1826

01:20:03,770 --> 01:20:00,540

happened again it it's just uh it's

1827

01:20:05,750 --> 01:20:03,780

almost insulting you know

1828

01:20:07,370 --> 01:20:05,760

yeah and then I guess the other thing

1829

01:20:10,729 --> 01:20:07,380

you've been looking into is rendelson

1830

01:20:12,590 --> 01:20:10,739

Forest are we gonna what here's what

1831

01:20:14,390 --> 01:20:12,600

I'll tell you about Renaissance Forest I

1832

01:20:17,209 --> 01:20:14,400

think something happened it might have

1833

01:20:20,630 --> 01:20:17,219

been some sort of drone or some sort of

1834

01:20:22,550 --> 01:20:20,640

experimental small craft unmanned craft

1835

01:20:24,590 --> 01:20:22,560

if you ask me

1836

01:20:26,810 --> 01:20:24,600

um and and again a mountain was made out

1837

01:20:29,390 --> 01:20:26,820

of a molehill because what I don't like

1838

01:20:31,850 --> 01:20:29,400

is that these extra stories kept getting

1839

01:20:33,410 --> 01:20:31,860

tacked on to it if you go back and you'd

1840

01:20:34,610 --> 01:20:33,420

listen to the original story well

1841

01:20:38,270 --> 01:20:34,620

there's a craft

1842

01:20:40,370 --> 01:20:38,280

some people saw it you know but then we

1843

01:20:43,130 --> 01:20:40,380

get this oh he touched it he got a

1844

01:20:45,770 --> 01:20:43,140

binary download and none of this makes

1845

01:20:48,290 --> 01:20:45,780

any sense to me I think that this might

1846

01:20:50,870 --> 01:20:48,300

be a case of a genuine

1847

01:20:53,209 --> 01:20:50,880

um a genuine Encounter of some kind

1848

01:20:55,490 --> 01:20:53,219

happened but then the profiteering

1849

01:20:57,890 --> 01:20:55,500

started almost immediately after the

1850

01:20:58,980 --> 01:20:57,900

initial story was told what what's your

1851
01:21:00,470 --> 01:20:58,990
take on rental Sim

1852
01:21:03,290 --> 01:21:00,480
[Music]

1853
01:21:07,310 --> 01:21:03,300
yeah I mean I I think that what you said

1854
01:21:10,310 --> 01:21:07,320
is is absolutely true on on some level

1855
01:21:12,950 --> 01:21:10,320
um whatever occurred out there

1856
01:21:15,169 --> 01:21:12,960
or something occurred it was uh some

1857
01:21:19,010 --> 01:21:15,179
guys going out being confused by the

1858
01:21:20,689 --> 01:21:19,020
tree lights something occurred and uh in

1859
01:21:23,270 --> 01:21:20,699
short time

1860
01:21:25,850 --> 01:21:23,280
the the train came along and the media

1861
01:21:28,010 --> 01:21:25,860
came along and the story built and it

1862
01:21:30,169 --> 01:21:28,020
just has swelled into something that's

1863
01:21:32,350 --> 01:21:30,179

just so different I mean these people

1864

01:21:35,090 --> 01:21:32,360

themselves have told multiple different

1865

01:21:38,750 --> 01:21:35,100

versions of the stories once again you

1866

01:21:40,430 --> 01:21:38,760

know it goes on more is added to the

1867

01:21:43,669 --> 01:21:40,440

story and it just so happens to always

1868

01:21:45,709 --> 01:21:43,679

be on the 30th Anniversary or the 40th

1869

01:21:48,649 --> 01:21:45,719

anniversary when they're doing some big

1870

01:21:49,729 --> 01:21:48,659

documentary or some big convention

1871

01:21:54,050 --> 01:21:49,739

um

1872

01:21:56,390 --> 01:21:54,060

yeah I think that what's interesting

1873

01:21:58,189 --> 01:21:56,400

like you said

1874

01:22:01,189 --> 01:21:58,199

something happened and the whole

1875

01:22:02,630 --> 01:22:01,199

spectrum of possibilities as to what

1876

01:22:04,490 --> 01:22:02,640

what could have happened that night and

1877

01:22:05,810 --> 01:22:04,500

even that Spectrum exists when we get

1878

01:22:07,490 --> 01:22:05,820

down into

1879

01:22:10,370 --> 01:22:07,500

um not just that night but the three

1880

01:22:11,090 --> 01:22:10,380

nights of that event really

1881

01:22:13,130 --> 01:22:11,100

um

1882

01:22:16,130 --> 01:22:13,140

but I think what's really interesting is

1883

01:22:18,830 --> 01:22:16,140

the later events that's happened really

1884

01:22:21,110 --> 01:22:18,840

with John Burroughs too because you know

1885

01:22:23,390 --> 01:22:21,120

we've now he come out he came out with a

1886

01:22:27,050 --> 01:22:23,400

book just a year or two ago uh

1887

01:22:29,930 --> 01:22:27,060

weaponization of a UAP uh and in that he

1888

01:22:31,610 --> 01:22:29,940

you know very far from the story that

1889

01:22:33,410 --> 01:22:31,620

most of us probably learned this as

1890

01:22:35,209 --> 01:22:33,420

years ago on Unsolved Mysteries or

1891

01:22:38,390 --> 01:22:35,219

something being you know triangular

1892

01:22:42,290 --> 01:22:38,400

craft that came down now it's very

1893

01:22:44,330 --> 01:22:42,300

different you know possibly this was uh

1894

01:22:47,030 --> 01:22:44,340

government test that was in you know

1895

01:22:48,530 --> 01:22:47,040

weaponizing the phenomena

1896

01:22:50,810 --> 01:22:48,540

um and again it just goes to show how

1897

01:22:53,570 --> 01:22:50,820

far it drifts but he's also alleged some

1898

01:22:56,750 --> 01:22:53,580

really a serious things like that you

1899

01:22:59,870 --> 01:22:56,760

know his DD214 was altered

1900

01:23:01,669 --> 01:22:59,880

um and that you know they denied uh him

1901

01:23:05,209 --> 01:23:01,679

those and that you know he was trying to

1902

01:23:07,250 --> 01:23:05,219

essentially get uh medical records and

1903

01:23:09,530 --> 01:23:07,260

medical coverage for a problem that he

1904

01:23:10,669 --> 01:23:09,540

had and uh he alleges that you know they

1905

01:23:13,610 --> 01:23:10,679

pretty much still involved him they

1906

01:23:16,310 --> 01:23:13,620

changed his DD214 to say that you know

1907

01:23:18,830 --> 01:23:16,320

he wasn't even in the military

1908

01:23:20,990 --> 01:23:18,840

Terry until 19 would have been a year

1909

01:23:23,810 --> 01:23:21,000

after or I'm sorry uh two years after

1910

01:23:24,430 --> 01:23:23,820

the rental Show event even occurred

1911

01:23:26,510 --> 01:23:24,440

um

1912

01:23:28,490 --> 01:23:26,520

that's kind of that's kind of

1913

01:23:31,010 --> 01:23:28,500

interesting though but is there is there

1914

01:23:33,950 --> 01:23:31,020

meat on the bones of that claim or is it

1915

01:23:35,570 --> 01:23:33,960

just him saying these things right and

1916

01:23:37,310 --> 01:23:35,580

that's what I've heard of it or I don't

1917

01:23:38,990 --> 01:23:37,320

think we do

1918

01:23:40,669 --> 01:23:39,000

right and that's what I was going to get

1919

01:23:42,950 --> 01:23:40,679

to and you know he claims that he even

1920

01:23:45,770 --> 01:23:42,960

went so far as to in you know take the

1921

01:23:47,689 --> 01:23:45,780

help of senators like John McCain to

1922

01:23:50,330 --> 01:23:47,699

help him you know get his medical

1923

01:23:53,149 --> 01:23:50,340

records and get

1924

01:23:55,189 --> 01:23:53,159

some help and and he claims again

1925

01:23:56,630 --> 01:23:55,199

without any type of uh documentation

1926

01:23:58,729 --> 01:23:56,640

that

1927

01:24:00,590 --> 01:23:58,739

they did help him they would not let him

1928

01:24:02,870 --> 01:24:00,600

see his medical records and essentially

1929

01:24:03,950 --> 01:24:02,880

they gave him full disability and said

1930

01:24:06,229 --> 01:24:03,960

that we'll take care of your medical

1931

01:24:08,090 --> 01:24:06,239

problems here through the government for

1932

01:24:09,590 --> 01:24:08,100

the rest of your life but will never

1933

01:24:12,890 --> 01:24:09,600

tell you what happened and you can't

1934

01:24:15,470 --> 01:24:12,900

even file foia requests anymore trying

1935

01:24:18,470 --> 01:24:15,480

to find out what happened and that is

1936

01:24:20,149 --> 01:24:18,480

just uh insane if that really again he's

1937

01:24:22,310 --> 01:24:20,159

not giving us anything to believe these

1938

01:24:24,350 --> 01:24:22,320

things and that's a really insane claim

1939

01:24:27,410 --> 01:24:24,360

to make that you

1940

01:24:29,630 --> 01:24:27,420

you've been barred from filing foyers

1941

01:24:31,850 --> 01:24:29,640

and if you do your

1942

01:24:33,350 --> 01:24:31,860

um your benefits will be shut up yeah

1943

01:24:34,970 --> 01:24:33,360

it's going to be but that's the problem

1944

01:24:38,090 --> 01:24:34,980

that I have it seems like that guy's

1945

01:24:40,490 --> 01:24:38,100

making has made a lot of claims but I I

1946

01:24:43,010 --> 01:24:40,500

don't ever see proof of those claims and

1947

01:24:45,110 --> 01:24:43,020

there would be something right there

1948

01:24:47,390 --> 01:24:45,120

would be some kind of paperwork to show

1949

01:24:49,910 --> 01:24:47,400

you know maybe he had a copy of his

1950

01:24:52,070 --> 01:24:49,920

DD214 before they modified it and then

1951

01:24:55,189 --> 01:24:52,080

we could show what what modifications

1952

01:24:58,430 --> 01:24:55,199

were made by what they have on there

1953

01:25:00,410 --> 01:24:58,440

I've never I I'm I do know how to do it

1954

01:25:03,290 --> 01:25:00,420

to go to the National Personnel records

1955

01:25:05,810 --> 01:25:03,300

Center and get anybody's records

1956

01:25:07,970 --> 01:25:05,820

um but the DD-214 I couldn't get unless

1957

01:25:10,250 --> 01:25:07,980

I was a family member of for certain

1958

01:25:13,189 --> 01:25:10,260

reasons so I I don't think we'll ever

1959

01:25:15,530 --> 01:25:13,199

know the truth of that story and of

1960

01:25:17,149 --> 01:25:15,540

course what make gives me pause is that

1961

01:25:19,790 --> 01:25:17,159

Linda Moulton Howell was involved in

1962

01:25:21,530 --> 01:25:19,800

promoting that those stories with him

1963

01:25:23,209 --> 01:25:21,540

you know

1964

01:25:25,130 --> 01:25:23,219

yes

1965

01:25:28,189 --> 01:25:25,140

yeah I know they did the uh convention

1966

01:25:31,370 --> 01:25:28,199

circuits and uh really got it out there

1967

01:25:36,590 --> 01:25:33,950

it just it you know when the reason to

1968

01:25:38,450 --> 01:25:36,600

bring these things up is because it's

1969

01:25:40,370 --> 01:25:38,460

very

1970

01:25:43,310 --> 01:25:40,380

hard really one of your life I think

1971

01:25:45,169 --> 01:25:43,320

today uh but it's extremely hard in this

1972

01:25:47,689 --> 01:25:45,179

topic to

1973

01:25:50,870 --> 01:25:47,699

understand what's going on and get a

1974

01:25:53,090 --> 01:25:50,880

grasp on the truth and the facts in real

1975

01:25:54,530 --> 01:25:53,100

time right A lot of times simply just

1976

01:25:57,169 --> 01:25:54,540

having to do with things like National

1977

01:25:59,570 --> 01:25:57,179

Security uh and the time no that makes

1978

01:26:01,750 --> 01:25:59,580

sense if they were really if they were

1979

01:26:04,370 --> 01:26:01,760

testing some kind of secret drone

1980

01:26:06,229 --> 01:26:04,380

unmanned aerial vehicle or something and

1981

01:26:08,629 --> 01:26:06,239

that's what those people saw and it was

1982

01:26:09,890 --> 01:26:08,639

a secret project which doesn't really

1983

01:26:11,570 --> 01:26:09,900

make sense to me because why would you

1984

01:26:14,750 --> 01:26:11,580

test it in a foreign country but okay

1985

01:26:17,750 --> 01:26:14,760

let's just go there of course they would

1986

01:26:20,950 --> 01:26:17,760

you know tell people you can't uh talk

1987

01:26:23,810 --> 01:26:20,960

about what you saw or whatever but

1988

01:26:25,550 --> 01:26:23,820

this these you're right the stories keep

1989

01:26:28,970 --> 01:26:25,560

changing they keep getting more Grand

1990

01:26:30,649 --> 01:26:28,980

people didn't one or more of them claim

1991

01:26:32,810 --> 01:26:30,659

that they were interrogated with some

1992

01:26:33,950 --> 01:26:32,820

kind of chemical agent that they were

1993

01:26:36,590 --> 01:26:33,960

given

1994

01:26:38,209 --> 01:26:36,600

you know like first of all if if you're

1995

01:26:40,490 --> 01:26:38,219

there and somebody's like here drink

1996

01:26:43,910 --> 01:26:40,500

this or they give you a shot you know

1997

01:26:48,229 --> 01:26:43,920

like I I don't I don't understand that

1998

01:26:52,790 --> 01:26:48,239

that sounds really like spy novel to me

1999

01:26:55,610 --> 01:26:52,800

yes and you know even that has been you

2000

01:26:58,610 --> 01:26:55,620

know refuted initially it was

2001
01:27:00,649 --> 01:26:58,620
um you know sodium pentathol was used

2002
01:27:02,629 --> 01:27:00,659
but then there was an issue with that

2003
01:27:04,430 --> 01:27:02,639
because of the timing and the year of

2004
01:27:06,129 --> 01:27:04,440
the event

2005
01:27:09,169 --> 01:27:06,139
and

2006
01:27:11,930 --> 01:27:09,179
it's just there's always an excuse as to

2007
01:27:13,610 --> 01:27:11,940
why whatever was said before uh was not

2008
01:27:15,830 --> 01:27:13,620
correct and it's just even if you listen

2009
01:27:17,870 --> 01:27:15,840
to John Burrows you know he literally

2010
01:27:19,669 --> 01:27:17,880
says that

2011
01:27:22,370 --> 01:27:19,679
um every time he meets these people like

2012
01:27:24,110 --> 01:27:22,380
home Kelleher and Hal put off you know

2013
01:27:25,850 --> 01:27:24,120

they tell him something and it's always

2014

01:27:27,830 --> 01:27:25,860

something that's completely different

2015

01:27:29,810 --> 01:27:27,840

than the last time they got together and

2016

01:27:31,910 --> 01:27:29,820

they told him something but yet he

2017

01:27:34,430 --> 01:27:31,920

continues to believe these things time

2018

01:27:36,110 --> 01:27:34,440

and time again and tell it to us and

2019

01:27:38,330 --> 01:27:36,120

we're supposed to believe it and you

2020

01:27:40,430 --> 01:27:38,340

know it just again I I don't think that

2021

01:27:42,410 --> 01:27:40,440

that could possibly

2022

01:27:44,090 --> 01:27:42,420

to be the case borrow something too but

2023

01:27:44,930 --> 01:27:44,100

you know what I mean

2024

01:27:47,149 --> 01:27:44,940

um

2025

01:27:48,530 --> 01:27:47,159

yeah it's it's a really interesting case

2026

01:27:50,209 --> 01:27:48,540

though and like I'm saying I think the

2027

01:27:51,590 --> 01:27:50,219

important thing about these cases why

2028

01:27:53,149 --> 01:27:51,600

it's important to continue to try and

2029

01:27:56,870 --> 01:27:53,159

look at them and figure it out again

2030

01:27:58,430 --> 01:27:56,880

because in hindsight and retrospect is

2031

01:28:00,290 --> 01:27:58,440

really the only way these things can be

2032

01:28:03,350 --> 01:28:00,300

figured out if they if they can at all

2033

01:28:05,149 --> 01:28:03,360

but also the only way we can help to

2034

01:28:07,610 --> 01:28:05,159

understand what's happening in the

2035

01:28:09,770 --> 01:28:07,620

present is to look at the past you know

2036

01:28:12,169 --> 01:28:09,780

and when we see something like what's

2037

01:28:15,830 --> 01:28:12,179

been happening since 2017 you know

2038

01:28:18,709 --> 01:28:15,840

there's endless examples to sight in the

2039

01:28:22,310 --> 01:28:18,719

last 70 years exactly

2040

01:28:23,990 --> 01:28:22,320

as to Roach this with caution uh and why

2041

01:28:26,209 --> 01:28:24,000

we should be scrutinous of the

2042

01:28:28,430 --> 01:28:26,219

intelligence Community coming and

2043

01:28:30,709 --> 01:28:28,440

essentially offering the answer and

2044

01:28:33,050 --> 01:28:30,719

getting us to support all kinds of

2045

01:28:35,030 --> 01:28:33,060

legislation and funding

2046

01:28:37,129 --> 01:28:35,040

um yeah call your Senator get us some

2047

01:28:39,169 --> 01:28:37,139

money right Steve long I did a show

2048

01:28:42,770 --> 01:28:39,179

yesterday on all the CIA infiltration

2049

01:28:45,890 --> 01:28:42,780

into ufology since 2016. it's crazy how

2050

01:28:48,770 --> 01:28:45,900

many actual verifiable CIA people are

2051

01:28:53,110 --> 01:28:48,780

suddenly seeing aliens and going on

2052

01:28:58,729 --> 01:28:56,689

foreign yeah yeah no I agree the

2053

01:29:00,470 --> 01:28:58,739

experience or um the experiencer

2054

01:29:02,450 --> 01:29:00,480

movement is big and there are there's

2055

01:29:04,729 --> 01:29:02,460

just a ton of

2056

01:29:06,709 --> 01:29:04,739

podcasts out there and

2057

01:29:09,110 --> 01:29:06,719

um it is you know that's that's great

2058

01:29:11,629 --> 01:29:09,120

but um when it comes to really

2059

01:29:13,970 --> 01:29:11,639

objectively looking at what's what's

2060

01:29:16,729 --> 01:29:13,980

going on like we we need to just totally

2061

01:29:19,010 --> 01:29:16,739

you know being open-minded uh doesn't it

2062

01:29:21,410 --> 01:29:19,020

doesn't mean being open-minded to

2063

01:29:23,629 --> 01:29:21,420

putting the most unlikely things first

2064

01:29:27,530 --> 01:29:23,639

you know it just means being open-minded

2065

01:29:30,770 --> 01:29:27,540

to considering the most unlikely things

2066

01:29:32,990 --> 01:29:30,780

um and unfortunately uh the default is

2067

01:29:34,430 --> 01:29:33,000

is usually

2068

01:29:36,410 --> 01:29:34,440

um to put the most unlikely thing all

2069

01:29:39,050 --> 01:29:36,420

the way up the top

2070

01:29:41,870 --> 01:29:39,060

of the list and then start from instead

2071

01:29:43,970 --> 01:29:41,880

of eliminating the things that uh should

2072

01:29:45,470 --> 01:29:43,980

first be eliminated and again if we need

2073

01:29:47,270 --> 01:29:45,480

if we really want to know what the truth

2074

01:29:49,790 --> 01:29:47,280

is then we're going to have to you know

2075

01:29:52,430 --> 01:29:49,800

shift out the bunk you know it's just

2076

01:29:55,790 --> 01:29:52,440

there's no other way

2077

01:29:57,950 --> 01:29:55,800

yeah so what are you going to continue

2078

01:30:00,669 --> 01:29:57,960

to look into the renderson case even

2079

01:30:03,410 --> 01:30:00,679

though you still have doubts or and and

2080

01:30:05,870 --> 01:30:03,420

Pascagoula or are you kind of like

2081

01:30:07,850 --> 01:30:05,880

satisfied with the levels that you've

2082

01:30:11,590 --> 01:30:07,860

digested and you're going to move on to

2083

01:30:16,129 --> 01:30:13,370

foreign

2084

01:30:18,229 --> 01:30:16,139

oh no no I mean I'm certainly uh here

2085

01:30:20,149 --> 01:30:18,239

and I you know I don't have any answers

2086

01:30:22,310 --> 01:30:20,159

for these cases I don't really know what

2087

01:30:24,350 --> 01:30:22,320

happened but essentially

2088

01:30:27,530 --> 01:30:24,360

um you know it's baby steps and I know

2089

01:30:29,030 --> 01:30:27,540

probably the most people that uh are

2090

01:30:31,189 --> 01:30:29,040

interested find an interest in this

2091

01:30:33,950 --> 01:30:31,199

topic uh and eventually go through the

2092

01:30:35,990 --> 01:30:33,960

arc by the time they come around to it

2093

01:30:38,450 --> 01:30:36,000

um they probably figure like look why

2094

01:30:41,350 --> 01:30:38,460

even and stick around you know but

2095

01:30:44,750 --> 01:30:41,360

certainly when I decided to start really

2096

01:30:46,729 --> 01:30:44,760

researching objectively in Earnest this

2097

01:30:49,370 --> 01:30:46,739

topic I can say that I was very grateful

2098

01:30:52,810 --> 01:30:49,380

for people who stuck around for years

2099

01:30:55,189 --> 01:30:52,820

and continued to speak to the

2100

01:30:56,270 --> 01:30:55,199

inaccuracies Goods

2101
01:30:58,370 --> 01:30:56,280
um you know when we talk about people

2102
01:31:00,290 --> 01:30:58,380
like Barry Greenwood you know started

2103
01:31:02,810 --> 01:31:00,300
doing this in the 60s he's still here

2104
01:31:04,370 --> 01:31:02,820
today yeah I just saw I just saw some of

2105
01:31:07,610 --> 01:31:04,380
those clips of him saying that there's

2106
01:31:11,390 --> 01:31:07,620
no evidence that he's seen in 60 years

2107
01:31:13,610 --> 01:31:11,400
of actual alien crash technology or or

2108
01:31:15,590 --> 01:31:13,620
that sort of thing and I think a lot of

2109
01:31:18,110 --> 01:31:15,600
that is just Mythos and it becomes

2110
01:31:20,030 --> 01:31:18,120
accepted as facts somehow it's like if

2111
01:31:21,770 --> 01:31:20,040
enough different people repeat it well

2112
01:31:25,450 --> 01:31:21,780
there's got to be something to it you

2113
01:31:29,450 --> 01:31:25,460

know I I don't I want to see the bodies

2114

01:31:31,850 --> 01:31:29,460

in you know Hangar 18 I want to see the

2115

01:31:32,890 --> 01:31:31,860

technology that they have I want to see

2116

01:31:36,410 --> 01:31:32,900

something

2117

01:31:38,450 --> 01:31:36,420

these just a story to me is no longer

2118

01:31:40,790 --> 01:31:38,460

enough I think when I started a story

2119

01:31:42,410 --> 01:31:40,800

was enough I didn't know enough that you

2120

01:31:44,810 --> 01:31:42,420

got to really investigate the person

2121

01:31:46,310 --> 01:31:44,820

telling the story to determine if

2122

01:31:48,890 --> 01:31:46,320

they're truthful or not

2123

01:31:51,770 --> 01:31:48,900

or trustworthy or not

2124

01:31:53,090 --> 01:31:51,780

yeah researching this topic has

2125

01:31:56,209 --> 01:31:53,100

certainly

2126

01:31:59,510 --> 01:31:56,219

um helped me better research and discern

2127

01:32:01,970 --> 01:31:59,520

information in all aspects of my life I

2128

01:32:04,310 --> 01:32:01,980

can certainly say that I

2129

01:32:08,390 --> 01:32:04,320

certainly thought that I was

2130

01:32:10,790 --> 01:32:08,400

um a pretty objective unbiased uh

2131

01:32:14,510 --> 01:32:10,800

discerner of information before but I I

2132

01:32:16,370 --> 01:32:14,520

certainly wasn't and as a human being

2133

01:32:18,050 --> 01:32:16,380

thing I had all kinds of facts I still

2134

01:32:20,390 --> 01:32:18,060

have them and it's just you know about a

2135

01:32:21,950 --> 01:32:20,400

constant uh a program of improvement

2136

01:32:22,850 --> 01:32:21,960

right

2137

01:32:25,370 --> 01:32:22,860

um

2138

01:32:27,110 --> 01:32:25,380

but it's certainly not

2139

01:32:29,870 --> 01:32:27,120

there's nobody that's precluded from

2140

01:32:32,990 --> 01:32:29,880

having such fall abilities you know and

2141

01:32:34,490 --> 01:32:33,000

um when we look at what's going on you

2142

01:32:36,470 --> 01:32:34,500

know when we question people when we

2143

01:32:38,510 --> 01:32:36,480

offer scrutiny it doesn't mean that that

2144

01:32:40,729 --> 01:32:38,520

person's lying you know it could be that

2145

01:32:43,490 --> 01:32:40,739

that person's confused or that person's

2146

01:32:46,490 --> 01:32:43,500

just just wrong you know and uh there's

2147

01:32:49,669 --> 01:32:46,500

just it's a shame because what what this

2148

01:32:51,890 --> 01:32:49,679

really requires is an objective

2149

01:32:54,850 --> 01:32:51,900

questioning constantly right that's what

2150

01:32:56,870 --> 01:32:54,860

we're here to weaponize our

2151

01:32:59,149 --> 01:32:56,880

curiosity uh

2152

01:33:03,830 --> 01:32:59,159

um I think that's monetize your

2153

01:33:07,250 --> 01:33:05,209

um you know in order to do that

2154

01:33:09,890 --> 01:33:07,260

unfortunately you know there's always

2155

01:33:11,450 --> 01:33:09,900

the turnaround of that which is well

2156

01:33:12,890 --> 01:33:11,460

what are you saying you know these

2157

01:33:14,450 --> 01:33:12,900

people aren't good enough what are you

2158

01:33:17,149 --> 01:33:14,460

saying that Pilots would would

2159

01:33:20,689 --> 01:33:17,159

misidentify things as if Pilots you know

2160

01:33:24,530 --> 01:33:20,699

are aren't fallible in some way

2161

01:33:26,810 --> 01:33:24,540

um and it's just uh the the appeal the

2162

01:33:28,490 --> 01:33:26,820

argument of authority is just the

2163

01:33:32,450 --> 01:33:28,500

foundation

2164

01:33:35,510 --> 01:33:32,460

edition of of every every story every uh

2165

01:33:37,250 --> 01:33:35,520

promotion every every plea uh it's

2166

01:33:39,229 --> 01:33:37,260

always there's never evidence it's just

2167

01:33:42,050 --> 01:33:39,239

the quality the level of the person

2168

01:33:45,410 --> 01:33:42,060

their believability their office their

2169

01:33:47,990 --> 01:33:45,420

title that is what carries the message

2170

01:33:51,050 --> 01:33:48,000

um and that's just totally wrong uh

2171

01:33:55,070 --> 01:33:53,090

well isn't it natural though that some

2172

01:33:57,110 --> 01:33:55,080

of these guys take advantage when they

2173

01:33:59,090 --> 01:33:57,120

get their grift on like

2174

01:34:00,950 --> 01:33:59,100

I could think of many different examples

2175

01:34:02,510 --> 01:34:00,960

of people who used to work for the

2176
01:34:04,850 --> 01:34:02,520
government that get involved with the

2177
01:34:07,430 --> 01:34:04,860
UFO community and they use that they

2178
01:34:11,270 --> 01:34:07,440
were like for example

2179
01:34:13,669 --> 01:34:11,280
what is it John de Souza is a former FBI

2180
01:34:17,330 --> 01:34:13,679
agent but what he doesn't tell you is

2181
01:34:19,790 --> 01:34:17,340
that he was a lawyer for the FBI and he

2182
01:34:22,010 --> 01:34:19,800
never investigated anything paranormal

2183
01:34:24,290 --> 01:34:22,020
for the FBI in his life but suddenly

2184
01:34:27,709 --> 01:34:24,300
he's some sort of expert on all things

2185
01:34:29,510 --> 01:34:27,719
UFO and paranormal and I was once an FBI

2186
01:34:31,850 --> 01:34:29,520
agent it gives him some sort of

2187
01:34:34,010 --> 01:34:31,860
credibility with stupid people in my

2188
01:34:36,169 --> 01:34:34,020

opinion you know

2189

01:34:38,030 --> 01:34:36,179

because if he was just Joe Blow saying

2190

01:34:40,370 --> 01:34:38,040

these things okay but here's a former

2191

01:34:43,070 --> 01:34:40,380

FBI agent is saying this stuff you know

2192

01:34:44,629 --> 01:34:43,080

but largely that guy's like a Hired Gun

2193

01:34:46,790 --> 01:34:44,639

like if you need somebody to back up

2194

01:34:49,129 --> 01:34:46,800

your BS claims in your documentary you

2195

01:34:50,930 --> 01:34:49,139

give him a few hundred or maybe a few

2196

01:34:52,550 --> 01:34:50,940

thousand dollars and you sit him down

2197

01:34:54,950 --> 01:34:52,560

and he agrees with everything that's

2198

01:34:57,050 --> 01:34:54,960

going on in your documentary that's what

2199

01:34:59,270 --> 01:34:57,060

I've experienced from that guy and again

2200

01:35:01,250 --> 01:34:59,280

most likely he was working on things

2201

01:35:03,229 --> 01:35:01,260

like warrants all day he wasn't

2202

01:35:06,050 --> 01:35:03,239

investigating anything

2203

01:35:08,330 --> 01:35:06,060

but and then we have Anjali former

2204

01:35:10,629 --> 01:35:08,340

Defense intelligence agency we have Lou

2205

01:35:12,950 --> 01:35:10,639

Elizondo former Pentagon

2206

01:35:15,350 --> 01:35:12,960

counterintelligence guy

2207

01:35:17,450 --> 01:35:15,360

um they all use their credentials to to

2208

01:35:18,950 --> 01:35:17,460

give themselves an air of credibility or

2209

01:35:21,410 --> 01:35:18,960

people use that they were in the

2210

01:35:23,270 --> 01:35:21,420

military which I I don't understand how

2211

01:35:25,209 --> 01:35:23,280

this I guess I can understand people

2212

01:35:27,470 --> 01:35:25,219

think it's it's more

2213

01:35:34,729 --> 01:35:27,480

their testimony holds more weight

2214

01:35:39,110 --> 01:35:36,530

yeah I definitely

2215

01:35:42,590 --> 01:35:39,120

and that's again like that's the faulty

2216

01:35:44,450 --> 01:35:42,600

foundation and it keep going Ryan Graves

2217

01:35:46,610 --> 01:35:44,460

you know

2218

01:35:49,689 --> 01:35:46,620

um who's a defense contractor and once

2219

01:35:53,390 --> 01:35:49,699

more but more defense spending you know

2220

01:35:56,570 --> 01:35:53,400

yeah go figure

2221

01:35:59,030 --> 01:35:56,580

um even uh just we can take it all the

2222

01:36:00,709 --> 01:35:59,040

way back to the astronauts of the 60s

2223

01:36:04,310 --> 01:36:00,719

you know

2224

01:36:06,530 --> 01:36:04,320

um the the the the credibility is always

2225

01:36:08,870 --> 01:36:06,540

based on the

2226

01:36:11,209 --> 01:36:08,880

person not the evidence you know and and

2227

01:36:12,050 --> 01:36:11,219

uh that's that's the backwards way and

2228

01:36:13,910 --> 01:36:12,060

it's

2229

01:36:15,709 --> 01:36:13,920

um

2230

01:36:17,390 --> 01:36:15,719

you know it's funny I posted something

2231

01:36:19,010 --> 01:36:17,400

about Gordon Cooper

2232

01:36:21,830 --> 01:36:19,020

um while we're talking about astronauts

2233

01:36:23,270 --> 01:36:21,840

just the other day and you know I'm a

2234

01:36:25,729 --> 01:36:23,280

lot of people may be familiar he was

2235

01:36:28,610 --> 01:36:25,739

someone that was very into the uh UFO

2236

01:36:32,209 --> 01:36:28,620

topic and uh was publicly involved for

2237

01:36:35,030 --> 01:36:32,219

for many years and uh he had

2238

01:36:37,129 --> 01:36:35,040

been uh from very early on someone who

2239

01:36:41,390 --> 01:36:37,139

was interested in the Extraterrestrial

2240

01:36:44,570 --> 01:36:41,400

idea and um even as a Young Man uh in

2241

01:36:46,850 --> 01:36:44,580

the late 40s he you know was

2242

01:36:48,169 --> 01:36:46,860

he saw the media and then was caught up

2243

01:36:49,970 --> 01:36:48,179

in them and by the time he was you know

2244

01:36:52,610 --> 01:36:49,980

flying planes and stuff and in the mid

2245

01:36:54,530 --> 01:36:52,620

60s and an astronaut uh he was full

2246

01:36:57,290 --> 01:36:54,540

full-fledged he had been given all kinds

2247

01:37:00,490 --> 01:36:57,300

of stories from individuals uh in the

2248

01:37:03,649 --> 01:37:00,500

military including allegedly seeing uh

2249

01:37:06,770 --> 01:37:03,659

negatives of a landing that happened at

2250

01:37:09,830 --> 01:37:06,780

uh Edwards Air Force Base and

2251

01:37:12,470 --> 01:37:09,840

he had dismissed Time and Time Again by

2252

01:37:15,110 --> 01:37:12,480

the mid 60s any other types of

2253

01:37:16,550 --> 01:37:15,120

explanations for UFOs specifically

2254

01:37:20,830 --> 01:37:16,560

balloons

2255

01:37:24,050 --> 01:37:20,840

um he dismissed them overall as a whole

2256

01:37:26,209 --> 01:37:24,060

and what Neil Armstrong were flying over

2257

01:37:28,550 --> 01:37:26,219

the country uh to you know I guess

2258

01:37:31,790 --> 01:37:28,560

either go to Houston or to Florida vice

2259

01:37:35,330 --> 01:37:31,800

versa uh they had a sighting of a flying

2260

01:37:38,270 --> 01:37:35,340

saucer a very saucer-shaped thing that

2261

01:37:40,189 --> 01:37:38,280

they saw and um they went to chase it

2262

01:37:41,390 --> 01:37:40,199

down and they had a hard time doing so

2263

01:37:43,729 --> 01:37:41,400

and he says you know we fired

2264

01:37:46,850 --> 01:37:43,739

afterburners and finally caught up to it

2265

01:37:48,050 --> 01:37:46,860

and we get there and it's a balloon you

2266

01:37:48,910 --> 01:37:48,060

know and

2267

01:37:52,550 --> 01:37:48,920

um

2268

01:37:54,890 --> 01:37:52,560

yeah that's right

2269

01:37:57,410 --> 01:37:54,900

all these years of you know balloon

2270

01:38:01,250 --> 01:37:57,420

theories and and here was a balloon that

2271

01:38:03,050 --> 01:38:01,260

the two very seasoned and uh credible uh

2272

01:38:05,450 --> 01:38:03,060

and high-ranking individuals were fooled

2273

01:38:07,610 --> 01:38:05,460

by and just imagine that if that balloon

2274

01:38:09,410 --> 01:38:07,620

had reached too high or had been

2275

01:38:11,570 --> 01:38:09,420

traveling too fast for them to catch up

2276

01:38:13,610 --> 01:38:11,580

to that would have been another credible

2277

01:38:17,090 --> 01:38:13,620

story that we could be talking about and

2278

01:38:19,250 --> 01:38:17,100

arguing about today you know

2279

01:38:21,470 --> 01:38:19,260

this is interesting this Vancouver guy

2280

01:38:23,870 --> 01:38:21,480

by the way Vancouver guy I want you to

2281

01:38:25,790 --> 01:38:23,880

email me I've given you my email address

2282

01:38:28,010 --> 01:38:25,800

several times sounds like you know a lot

2283

01:38:29,810 --> 01:38:28,020

about uh a lot of the topics that we

2284

01:38:32,450 --> 01:38:29,820

talk about here so please contact me

2285

01:38:34,250 --> 01:38:32,460

it's true seekershow gmail.com and

2286

01:38:37,490 --> 01:38:34,260

that's interesting this Ben Hansen from

2287

01:38:39,830 --> 01:38:37,500

the fact or fiction TV series he always

2288

01:38:41,870 --> 01:38:39,840

says he's former FBI but Vancouver guy

2289

01:38:45,050 --> 01:38:41,880

looked into it and can't find any proof

2290

01:38:46,550 --> 01:38:45,060

that he was actually an FBI agent

2291

01:38:48,530 --> 01:38:46,560

um that's pretty interesting and I can

2292

01:38:50,930 --> 01:38:48,540

look into that one Vancouver guy and I

2293

01:38:53,870 --> 01:38:50,940

like doing stuff like that so you'd be

2294

01:38:57,649 --> 01:38:53,880

surprised what chatty Kathy's on the

2295

01:39:00,110 --> 01:38:57,659

phone at the FBI uh will tell you you

2296

01:39:02,750 --> 01:39:00,120

know you just called them I'm here I'm

2297

01:39:04,970 --> 01:39:02,760

trying to verify employment you know

2298

01:39:06,229 --> 01:39:04,980

it's amazing what uh you what

2299

01:39:07,790 --> 01:39:06,239

information you could get just by

2300

01:39:09,350 --> 01:39:07,800

picking up the phone most people won't

2301
01:39:11,990 --> 01:39:09,360
do that

2302
01:39:13,490 --> 01:39:12,000
well try for uh Jim Sammy then while

2303
01:39:16,070 --> 01:39:13,500
you're at it people have tried to verify

2304
01:39:19,550 --> 01:39:16,080
that he's a CIA employee for 25 years

2305
01:39:21,830 --> 01:39:19,560
and have come up empty too so I once I

2306
01:39:24,110 --> 01:39:21,840
once saw on the on the cia's website

2307
01:39:25,910 --> 01:39:24,120
that there is some way or form that you

2308
01:39:29,209 --> 01:39:25,920
can verify employment and I thought

2309
01:39:31,550 --> 01:39:29,219
that's weird aren't those guys all like

2310
01:39:33,770 --> 01:39:31,560
secret agents why would you say yeah

2311
01:39:36,410 --> 01:39:33,780
he's a secret agent here you can verify

2312
01:39:38,510 --> 01:39:36,420
his employment it's Bizarro land

2313
01:39:41,270 --> 01:39:38,520

but yeah I didn't know that about

2314

01:39:43,550 --> 01:39:41,280

semivan I thought that there was uh it

2315

01:39:45,890 --> 01:39:43,560

had been clearly established but who

2316

01:39:47,930 --> 01:39:45,900

knows so many of these people claim to

2317

01:39:49,970 --> 01:39:47,940

be working for certain agencies and then

2318

01:39:52,430 --> 01:39:49,980

we turns out they never were or like Bob

2319

01:39:54,850 --> 01:39:52,440

Lazar oh I was a former Governor they

2320

01:39:57,590 --> 01:39:54,860

always describe him as former government

2321

01:40:00,229 --> 01:39:57,600

scientists and it drives me crazy

2322

01:40:02,090 --> 01:40:00,239

because there's no actual evidence or

2323

01:40:05,870 --> 01:40:02,100

proof that he was either a government

2324

01:40:07,610 --> 01:40:05,880

employee or a scientist but people every

2325

01:40:11,030 --> 01:40:07,620

article you see tons of Articles Bob

2326

01:40:12,410 --> 01:40:11,040

Lazar former government scientist

2327

01:40:19,010 --> 01:40:12,420

nobody

2328

01:40:23,330 --> 01:40:21,110

yeah I mean

2329

01:40:26,149 --> 01:40:23,340

for I literally I think he started what

2330

01:40:29,090 --> 01:40:26,159

like four companies if you include tsa

2331

01:40:32,030 --> 01:40:29,100

since 2017. they pretty much all went

2332

01:40:34,010 --> 01:40:32,040

defunct but you know the guy was really

2333

01:40:35,510 --> 01:40:34,020

trying to generate profit in all kinds

2334

01:40:37,669 --> 01:40:35,520

of avenues

2335

01:40:40,129 --> 01:40:37,679

um just you know obviously they didn't

2336

01:40:43,790 --> 01:40:40,139

uh work out too well

2337

01:40:47,149 --> 01:40:43,800

um but you know the intention was there

2338

01:40:49,189 --> 01:40:47,159

um and because that can't be denied

2339

01:40:50,810 --> 01:40:49,199

yeah I think you're wrong Walter Bosley

2340

01:40:53,270 --> 01:40:50,820

I think they can tell you if they were

2341

01:40:54,830 --> 01:40:53,280

employees but that's it they can verify

2342

01:40:56,570 --> 01:40:54,840

employment but that's it but Walter

2343

01:40:58,070 --> 01:40:56,580

Bosley was uh

2344

01:41:00,110 --> 01:40:58,080

Air Force office of special

2345

01:41:02,090 --> 01:41:00,120

investigations and he says some agencies

2346

01:41:04,550 --> 01:41:02,100

will neither confirm nor deny employment

2347

01:41:06,110 --> 01:41:04,560

over the phone FBI is one so what do I

2348

01:41:08,149 --> 01:41:06,120

got to do write a letter

2349

01:41:10,250 --> 01:41:08,159

help me Walter Bosley you're my only

2350

01:41:11,930 --> 01:41:10,260

hope and by the way Walter Bosley's got

2351
01:41:14,570 --> 01:41:11,940
to come back too because I get people

2352
01:41:17,330 --> 01:41:14,580
message me all the time you can come and

2353
01:41:18,970 --> 01:41:17,340
correct my uh incorrect assessment of

2354
01:41:22,550 --> 01:41:18,980
many different things

2355
01:41:24,229 --> 01:41:22,560
Walter Bosley's a fun guy so what what

2356
01:41:26,689 --> 01:41:24,239
are you up to next you're going to keep

2357
01:41:28,129 --> 01:41:26,699
looking into this or you know or I've

2358
01:41:29,390 --> 01:41:28,139
already kind of asked you that so you're

2359
01:41:32,330 --> 01:41:29,400
going to stick with some of this stuff

2360
01:41:34,550 --> 01:41:32,340
but is there anything new and have you

2361
01:41:37,129 --> 01:41:34,560
shed any light on your own experience

2362
01:41:39,050 --> 01:41:37,139
for those unaware you saw like a black

2363
01:41:41,450 --> 01:41:39,060

triangle and that's what got you down

2364

01:41:43,729 --> 01:41:41,460

the whole rabbit hole right have you dug

2365

01:41:45,470 --> 01:41:43,739

deeper into that and and come up with

2366

01:41:48,910 --> 01:41:45,480

any explanation for what your own

2367

01:41:55,310 --> 01:41:53,090

no not any further I guess than uh in in

2368

01:41:58,370 --> 01:41:55,320

recent months or anything like that but

2369

01:42:01,790 --> 01:41:58,380

you know it's I don't know that I ever

2370

01:42:04,669 --> 01:42:01,800

expect to get a definitive answer you

2371

01:42:06,109 --> 01:42:04,679

know maybe one day many years from now

2372

01:42:07,490 --> 01:42:06,119

but

2373

01:42:09,050 --> 01:42:07,500

um unfortunately it's just not the way

2374

01:42:10,370 --> 01:42:09,060

that things go and you know we can

2375

01:42:13,070 --> 01:42:10,380

really stretch that out to the

2376

01:42:14,570 --> 01:42:13,080

disclosure or conversation uh it's just

2377

01:42:17,510 --> 01:42:14,580

not

2378

01:42:20,870 --> 01:42:17,520

the way it goes it's very old

2379

01:42:22,790 --> 01:42:20,880

um 60 70 80 years is routinely denied

2380

01:42:25,250 --> 01:42:22,800

release and it really has nothing to do

2381

01:42:27,050 --> 01:42:25,260

with the scandalous information but just

2382

01:42:31,370 --> 01:42:27,060

really mundane things that would mean

2383

01:42:34,370 --> 01:42:31,380

nothing to us like methods and uh and

2384

01:42:36,649 --> 01:42:34,380

collection methods and uh Ways and Means

2385

01:42:38,390 --> 01:42:36,659

and stuff and it just makes it tough

2386

01:42:40,430 --> 01:42:38,400

because the government's not going to

2387

01:42:43,070 --> 01:42:40,440

release anything unless it absolutely

2388

01:42:44,870 --> 01:42:43,080

has to or wants to you know they're not

2389

01:42:46,970 --> 01:42:44,880

just going to volunteer information even

2390

01:42:48,649 --> 01:42:46,980

just for the hell of it it just doesn't

2391

01:42:52,070 --> 01:42:48,659

happen

2392

01:42:55,070 --> 01:42:52,080

from that way uh yes uh triangles I did

2393

01:42:57,649 --> 01:42:55,080

see a triangle back in 1997 uh when I

2394

01:42:59,450 --> 01:42:57,659

was a kid I was floating about 100 feet

2395

01:43:01,250 --> 01:42:59,460

off the ground

2396

01:43:03,470 --> 01:43:01,260

um very slowly at like a walking pace

2397

01:43:05,570 --> 01:43:03,480

maybe less than five miles an hour and

2398

01:43:06,709 --> 01:43:05,580

that is what got me into the topic and

2399

01:43:09,709 --> 01:43:06,719

although I can't say that I found

2400

01:43:12,649 --> 01:43:09,719

anything concrete certainly

2401

01:43:15,229 --> 01:43:12,659

um my mind has changed as I've done my

2402

01:43:17,750 --> 01:43:15,239

research from on that night assuming

2403

01:43:20,330 --> 01:43:17,760

that I was seeing some type of possibly

2404

01:43:23,149 --> 01:43:20,340

back engineered alien craft being flown

2405

01:43:26,629 --> 01:43:23,159

by human beings maybe

2406

01:43:29,330 --> 01:43:26,639

um to essentially thinking

2407

01:43:31,550 --> 01:43:29,340

that probably that uh at the original

2408

01:43:33,050 --> 01:43:31,560

you know a blimp triangle triangle

2409

01:43:35,330 --> 01:43:33,060

shaped blimp

2410

01:43:37,189 --> 01:43:35,340

um and I've certainly come across all

2411

01:43:39,410 --> 01:43:37,199

kinds of interesting patents and white

2412

01:43:42,169 --> 01:43:39,420

papers that suggest that such things

2413

01:43:43,669 --> 01:43:42,179

have been designed discussed possibly

2414

01:43:46,790 --> 01:43:43,679

well certainly

2415

01:43:48,709 --> 01:43:46,800

um put into uh the error

2416

01:43:50,510 --> 01:43:48,719

um none specifically that look like

2417

01:43:53,930 --> 01:43:50,520

black triangles that have been reported

2418

01:43:56,870 --> 01:43:53,940

since you know the early 80s

2419

01:43:58,490 --> 01:43:56,880

um but we can speculate a little further

2420

01:44:00,649 --> 01:43:58,500

and even if we just talk specifically

2421

01:44:03,649 --> 01:44:00,659

there's a guy

2422

01:44:05,810 --> 01:44:03,659

John Powell and an aerospace company

2423

01:44:07,669 --> 01:44:05,820

called JP Aerospace and he's on Twitter

2424

01:44:09,590 --> 01:44:07,679

and he shares really awesome videos

2425

01:44:12,709 --> 01:44:09,600

about all their balloon lifts that they

2426

01:44:14,629 --> 01:44:12,719

do and he's also does uh uh balloon

2427

01:44:16,250 --> 01:44:14,639

Rockets I would like that I would like

2428

01:44:19,310 --> 01:44:16,260

that kind of I like that kind of strange

2429

01:44:21,530 --> 01:44:19,320

science and weirdness and and it is

2430

01:44:23,390 --> 01:44:21,540

interesting that there's so many and the

2431

01:44:25,430 --> 01:44:23,400

other thing is people always have to for

2432

01:44:27,770 --> 01:44:25,440

don't forget there's trillions of

2433

01:44:29,990 --> 01:44:27,780

dollars going into the black hole of

2434

01:44:31,070 --> 01:44:30,000

black budget projects so who knows what

2435

01:44:32,570 --> 01:44:31,080

they have

2436

01:44:34,669 --> 01:44:32,580

right

2437

01:44:36,830 --> 01:44:34,679

and he

2438

01:44:38,510 --> 01:44:36,840

he even said this guy

2439

01:44:41,090 --> 01:44:38,520

um you know he's been designing

2440

01:44:43,550 --> 01:44:41,100

dirigibles uh out in the desert and

2441

01:44:45,590 --> 01:44:43,560

flying them huge ones huge ones some of

2442

01:44:47,810 --> 01:44:45,600

them hundreds of feet long at these

2443

01:44:49,550 --> 01:44:47,820

triangular shaped blimps you know uh

2444

01:44:51,470 --> 01:44:49,560

he's been doing it since the 90s he's

2445

01:44:54,410 --> 01:44:51,480

been shooting rockets off of balloons

2446

01:44:57,709 --> 01:44:54,420

out there since the 90s what is his name

2447

01:45:00,770 --> 01:44:57,719

or Twitter again I'm sorry yeah uh his

2448

01:45:03,050 --> 01:45:00,780

name's John Powell and uh in one second

2449

01:45:04,370 --> 01:45:03,060

I can give you oh you can handle yeah

2450

01:45:06,530 --> 01:45:04,380

you could just send it to me on Twitter

2451
01:45:08,270 --> 01:45:06,540
if you want it's it's not that important

2452
01:45:10,669 --> 01:45:08,280
but I definitely want to look at that I

2453
01:45:13,510 --> 01:45:10,679
love stuff like that my father in case I

2454
01:45:17,390 --> 01:45:13,520
you didn't know he he was a huge

2455
01:45:21,530 --> 01:45:17,400
aviation history buff and he loved

2456
01:45:23,689 --> 01:45:21,540
blimps and dirigibles and weird like my

2457
01:45:26,510 --> 01:45:23,699
dad has I still have he's got all these

2458
01:45:29,030 --> 01:45:26,520
uh books that have like hybrids that are

2459
01:45:32,390 --> 01:45:29,040
like half airplane half blimp or

2460
01:45:34,129 --> 01:45:32,400
dirigible you know they experi and all

2461
01:45:36,950 --> 01:45:34,139
these weird experiments that they did

2462
01:45:39,709 --> 01:45:36,960
with Hydra gin or helium or other gases

2463
01:45:41,689 --> 01:45:39,719

that they would inject into the airplane

2464

01:45:44,570 --> 01:45:41,699

it looked like an airframe but it was

2465

01:45:46,129 --> 01:45:44,580

really like 50 percent lighter than it

2466

01:45:48,050 --> 01:45:46,139

was supposed to be because of the

2467

01:45:49,669 --> 01:45:48,060

injection and these capsules and all

2468

01:45:52,550 --> 01:45:49,679

this weird stuff my Dad loved that stuff

2469

01:45:54,290 --> 01:45:52,560

and so do I I love someday I'm going to

2470

01:46:01,310 --> 01:45:54,300

build one

2471

01:46:06,649 --> 01:46:03,530

that's the expensive part

2472

01:46:09,709 --> 01:46:06,659

where's the 115 Steve where's it at I

2473

01:46:12,050 --> 01:46:09,719

don't have any of that I do have I I do

2474

01:46:13,970 --> 01:46:12,060

have a lot of weird chemicals and [h__\h]

2475

01:46:16,010 --> 01:46:13,980

though like I always worry a little bit

2476
01:46:17,330 --> 01:46:16,020
when I'm ordering this stuff because you

2477
01:46:19,310 --> 01:46:17,340
don't know you know you're going to be

2478
01:46:21,649 --> 01:46:19,320
I'm probably on a watch list I remember

2479
01:46:23,930 --> 01:46:21,659
I tried to get a fuse cord

2480
01:46:25,910 --> 01:46:23,940
and I didn't know that fuse Court had

2481
01:46:28,609 --> 01:46:25,920
become like really one of those hot

2482
01:46:30,109 --> 01:46:28,619
button things you can't just go by fuse

2483
01:46:32,450 --> 01:46:30,119
cord now because they're worried about

2484
01:46:37,129 --> 01:46:32,460
people using it for nefarious purposes

2485
01:46:39,169 --> 01:46:37,139
not model rockets you know and I yeah I

2486
01:46:40,250 --> 01:46:39,179
got a lot of chemicals and weirdness in

2487
01:46:42,470 --> 01:46:40,260
there

2488
01:46:44,390 --> 01:46:42,480

you know one thing I wanted to say real

2489

01:46:46,310 --> 01:46:44,400

quick about that guy John Powell and his

2490

01:46:48,649 --> 01:46:46,320

Aerospace company again he's been

2491

01:46:50,689 --> 01:46:48,659

designing triangular blimps one of many

2492

01:46:53,209 --> 01:46:50,699

many people and patents that are out

2493

01:46:57,169 --> 01:46:53,219

there and he openly admits he says you

2494

01:46:58,910 --> 01:46:57,179

know my patent could be out there being

2495

01:47:00,709 --> 01:46:58,920

put to use in ways that I don't know

2496

01:47:02,629 --> 01:47:00,719

about

2497

01:47:04,850 --> 01:47:02,639

oh you know under leave the national

2498

01:47:07,850 --> 01:47:04,860

security or whatever uh it's it's

2499

01:47:10,910 --> 01:47:07,860

completely possible you know and um it's

2500

01:47:13,430 --> 01:47:10,920

just again it's important to hold these

2501

01:47:14,390 --> 01:47:13,440

possibilities open

2502

01:47:17,330 --> 01:47:14,400

um

2503

01:47:19,790 --> 01:47:17,340

a lot of people you know I think and

2504

01:47:21,890 --> 01:47:19,800

again uh David Marler has done obviously

2505

01:47:25,010 --> 01:47:21,900

he's probably the biggest name when it

2506

01:47:26,990 --> 01:47:25,020

comes to triangles and uh the study of

2507

01:47:30,109 --> 01:47:27,000

them

2508

01:47:32,030 --> 01:47:30,119

um but it's interesting because even he

2509

01:47:33,910 --> 01:47:32,040

says that

2510

01:47:37,430 --> 01:47:33,920

foreign

2511

01:47:40,250 --> 01:47:37,440

you know man-made craft and blimps being

2512

01:47:42,229 --> 01:47:40,260

responsible for black triangles if but

2513

01:47:45,530 --> 01:47:42,239

for one thing if it weren't for them

2514

01:47:48,290 --> 01:47:45,540

suddenly taking off at supersonic speeds

2515

01:47:50,510 --> 01:47:48,300

instantly you know and again

2516

01:47:52,010 --> 01:47:50,520

that hasn't been evidenced those are

2517

01:47:52,850 --> 01:47:52,020

just claims

2518

01:47:55,129 --> 01:47:52,860

um

2519

01:47:57,350 --> 01:47:55,139

and that is relative you know somebody

2520

01:47:59,689 --> 01:47:57,360

might see something happen quickly and

2521

01:48:01,550 --> 01:47:59,699

embellish it and I just it's very

2522

01:48:03,830 --> 01:48:01,560

important to just just note that there

2523

01:48:05,510 --> 01:48:03,840

there are these issues and I I like a

2524

01:48:07,729 --> 01:48:05,520

lot of the work that uh David Marler

2525

01:48:10,550 --> 01:48:07,739

does and it's really uh I've seen some

2526

01:48:15,649 --> 01:48:10,560

of that focused really interesting stuff

2527

01:48:20,090 --> 01:48:17,510

um but again uh there's there's there's

2528

01:48:21,890 --> 01:48:20,100

some issues and I think that

2529

01:48:25,010 --> 01:48:21,900

I think that it's important when looking

2530

01:48:27,410 --> 01:48:25,020

at them just to say that you know these

2531

01:48:30,169 --> 01:48:27,420

things are usually seen around military

2532

01:48:31,250 --> 01:48:30,179

areas and a lot of times they're seeing

2533

01:48:36,350 --> 01:48:31,260

around

2534

01:48:38,390 --> 01:48:36,360

command like the people that fly KC

2535

01:48:40,850 --> 01:48:38,400

tankers and stuff like that and that

2536

01:48:42,590 --> 01:48:40,860

could just be coincidence as well but

2537

01:48:45,470 --> 01:48:42,600

yeah the thing that the thing that I saw

2538

01:48:48,470 --> 01:48:45,480

when I was a child was within a few

2539

01:48:50,030 --> 01:48:48,480

miles of McGuire Air Force Base but it

2540

01:48:53,050 --> 01:48:50,040

didn't make any sense to me that it

2541

01:48:55,970 --> 01:48:53,060

could be like a military craft because

2542

01:48:58,010 --> 01:48:55,980

Maguire mostly is logistics and support

2543

01:49:00,590 --> 01:48:58,020

like during the Gulf War they flew all

2544

01:49:02,750 --> 01:49:00,600

those c-130s with all the people and the

2545

01:49:07,669 --> 01:49:02,760

equipment and the food and the

2546

01:49:10,129 --> 01:49:07,679

ammunition so but the more time goes on

2547

01:49:12,830 --> 01:49:10,139

the more I think how do I know it wasn't

2548

01:49:14,149 --> 01:49:12,840

some experimental weird aircraft that I

2549

01:49:17,689 --> 01:49:14,159

saw that I mistook for something

2550

01:49:19,970 --> 01:49:17,699

otherworldly you know uh and and again

2551

01:49:22,850 --> 01:49:19,980

just like you said it was Miles

2552

01:49:25,729 --> 01:49:22,860

literally like three miles

2553

01:49:28,790 --> 01:49:25,739

there's McGuire all the landing pad

2554

01:49:31,490 --> 01:49:28,800

strips all the you know where all the

2555

01:49:33,770 --> 01:49:31,500

airplanes land and then a big patch of

2556

01:49:37,850 --> 01:49:33,780

woods where I had my sighting right next

2557

01:49:39,649 --> 01:49:37,860

to it so yeah and and it happens I hear

2558

01:49:41,810 --> 01:49:39,659

it all the time from people like was

2559

01:49:43,970 --> 01:49:41,820

yours anywhere near a military

2560

01:49:46,310 --> 01:49:43,980

installation

2561

01:49:49,010 --> 01:49:46,320

you know and it's funny my mine again

2562

01:49:51,410 --> 01:49:49,020

didn't happen all that far from McGuire

2563

01:49:54,709 --> 01:49:51,420

and there's another base down in uh

2564

01:49:56,930 --> 01:49:54,719

Delaware and both of these bases are um

2565

01:49:59,689 --> 01:49:56,940

air Mobility command bases there's only

2566

01:50:02,750 --> 01:49:59,699

12 of them in the whole country you know

2567

01:50:05,149 --> 01:50:02,760

to put that into perspective

2568

01:50:07,250 --> 01:50:05,159

and a lot of times do an interesting

2569

01:50:10,310 --> 01:50:07,260

study that nids did Robert Bigelow's

2570

01:50:13,430 --> 01:50:10,320

nids back in the early 2000s after the

2571

01:50:15,169 --> 01:50:13,440

uh Illinois sightings and they took all

2572

01:50:19,010 --> 01:50:15,179

kinds of things into account with this

2573

01:50:21,590 --> 01:50:19,020

study including locations uh sizes

2574

01:50:24,229 --> 01:50:21,600

um all kinds of uh cross uh

2575

01:50:25,669 --> 01:50:24,239

cross-referencing of information and at

2576

01:50:27,830 --> 01:50:25,679

the end of it they came to the

2577

01:50:30,109 --> 01:50:27,840

conclusion that these were blimps that

2578

01:50:32,209 --> 01:50:30,119

were being utilized by the error

2579

01:50:34,570 --> 01:50:32,219

Mobility uh command for some type of

2580

01:50:38,750 --> 01:50:34,580

reasons and I think they said using a

2581

01:50:41,270 --> 01:50:38,760

electrostatic motor and again I wanted

2582

01:50:44,090 --> 01:50:41,280

to suggest to everybody when they listen

2583

01:50:45,830 --> 01:50:44,100

to this uh this study but it was a very

2584

01:50:48,649 --> 01:50:45,840

interesting study that was

2585

01:50:50,750 --> 01:50:48,659

um done very well uh unfortunately just

2586

01:50:53,390 --> 01:50:50,760

two years later they retracted that

2587

01:50:55,550 --> 01:50:53,400

study and that conclusion and mid uh

2588

01:50:57,770 --> 01:50:55,560

nids disbanded that year and that never

2589

01:50:59,689 --> 01:50:57,780

gave any reason as to why they were

2590

01:51:02,810 --> 01:50:59,699

abandoning that conclusion and I found

2591

01:51:05,209 --> 01:51:02,820

that interesting because uh it was a

2592

01:51:06,590 --> 01:51:05,219

very uh grounded explanation with a lot

2593

01:51:09,350 --> 01:51:06,600

of really good work that went into it

2594

01:51:11,149 --> 01:51:09,360

but even to get even further you know

2595

01:51:12,770 --> 01:51:11,159

here in New Jersey Pennsylvania you're

2596

01:51:15,890 --> 01:51:12,780

talking about

2597

01:51:18,649 --> 01:51:15,900

about Maguire Air from Jersey uh the

2598

01:51:21,770 --> 01:51:18,659

Arion company right in Trenton New

2599

01:51:25,090 --> 01:51:21,780

Jersey long time makers of

2600

01:51:27,830 --> 01:51:25,100

lighter than aircraft in fact they had a

2601
01:51:30,590 --> 01:51:27,840
triangular blimp patent that goes back

2602
01:51:32,629 --> 01:51:30,600
to the 70s where are they where are they

2603
01:51:35,689 --> 01:51:32,639
located Arion company

2604
01:51:37,609 --> 01:51:35,699
uh Princeton Princeton New Jersey yeah

2605
01:51:40,550 --> 01:51:37,619
yeah that's that's a few miles from

2606
01:51:42,470 --> 01:51:40,560
where where I was and yeah and you know

2607
01:51:44,750 --> 01:51:42,480
David Warner

2608
01:51:47,229 --> 01:51:44,760
just real quick dude

2609
01:51:49,910 --> 01:51:47,239
David Marler uh pot about the Illinois

2610
01:51:52,790 --> 01:51:49,920
sightings uh that happened and again you

2611
01:51:55,250 --> 01:51:52,800
know they were uh not too far and um you

2612
01:51:57,590 --> 01:51:55,260
know Scott Air Force Base again is air

2613
01:51:59,870 --> 01:51:57,600

Mobility command uh that's I believe the

2614

01:52:01,910 --> 01:51:59,880

headquarters for air Mobility command so

2615

01:52:04,850 --> 01:52:01,920

you know take it with a grain of salt

2616

01:52:07,310 --> 01:52:04,860

but um I I think it's it's certainly

2617

01:52:11,689 --> 01:52:07,320

safe to suggest that these are most

2618

01:52:13,970 --> 01:52:11,699

likely uh rigid triangular blimps

2619

01:52:18,770 --> 01:52:13,980

that are being seen now why they're

2620

01:52:21,410 --> 01:52:18,780

being flown over populated areas that's

2621

01:52:23,030 --> 01:52:21,420

that's a really good question I've often

2622

01:52:24,950 --> 01:52:23,040

thought they might be uh they might be

2623

01:52:26,990 --> 01:52:24,960

surveillance platforms

2624

01:52:29,510 --> 01:52:27,000

because you could put a you could park a

2625

01:52:32,290 --> 01:52:29,520

blimp over a city and see whatever you

2626

01:52:35,090 --> 01:52:32,300

want to see or town or you know

2627

01:52:37,370 --> 01:52:35,100

yeah and that's certainly

2628

01:52:40,430 --> 01:52:37,380

um you know obviously today satellite

2629

01:52:42,830 --> 01:52:40,440

technology is probably really good I

2630

01:52:43,910 --> 01:52:42,840

don't know what it was like say in the

2631

01:52:45,590 --> 01:52:43,920

80s

2632

01:52:47,510 --> 01:52:45,600

um allegedly it was pretty good I don't

2633

01:52:48,649 --> 01:52:47,520

know that they would need I don't you

2634

01:52:50,030 --> 01:52:48,659

know I don't know it's really good I

2635

01:52:52,370 --> 01:52:50,040

don't know what that they would need

2636

01:52:54,709 --> 01:52:52,380

surveillance like that but it's

2637

01:52:57,470 --> 01:52:54,719

certainly possible

2638

01:52:59,990 --> 01:52:57,480

could be um vintage but certainly

2639

01:53:02,030 --> 01:53:00,000

something that floats very slow and very

2640

01:53:05,330 --> 01:53:02,040

low is going to be completely invisible

2641

01:53:07,550 --> 01:53:05,340

to radar that's one important thing

2642

01:53:09,290 --> 01:53:07,560

um but there's all kinds of

2643

01:53:11,510 --> 01:53:09,300

possibilities that we could speculate

2644

01:53:14,270 --> 01:53:11,520

and maybe these things are you know

2645

01:53:15,770 --> 01:53:14,280

remotely controlled and possibly when

2646

01:53:17,629 --> 01:53:15,780

they come down over

2647

01:53:21,169 --> 01:53:17,639

um large areas they weren't meant to

2648

01:53:23,390 --> 01:53:21,179

come down over that spot possibly well

2649

01:53:26,030 --> 01:53:23,400

don't you think all kinds of interesting

2650

01:53:28,149 --> 01:53:26,040

don't you think it would be a good

2651
01:53:32,450 --> 01:53:28,159
platform like let's say for example

2652
01:53:35,410 --> 01:53:32,460
during uh the riots in a city like a

2653
01:53:39,709 --> 01:53:35,420
city is rioting there's fires and and

2654
01:53:42,649 --> 01:53:39,719
looters and rioters I think uh lighter

2655
01:53:45,490 --> 01:53:42,659
than aircrafts hovering above the city

2656
01:53:48,229 --> 01:53:45,500
could be great especially with telephoto

2657
01:53:50,149 --> 01:53:48,239
advances in telephoto cameras they could

2658
01:53:51,950 --> 01:53:50,159
probably see all over the whole city if

2659
01:53:54,169 --> 01:53:51,960
you park that thing in the middle of a

2660
01:53:56,270 --> 01:53:54,179
city right above it they could see

2661
01:53:58,850 --> 01:53:56,280
everything see the hot spots where are

2662
01:54:02,570 --> 01:53:58,860
the looters now where were they you know

2663
01:54:05,270 --> 01:54:02,580

what areas do we need to send police and

2664

01:54:07,189 --> 01:54:05,280

you know law enforcement into I think

2665

01:54:08,450 --> 01:54:07,199

that makes a lot of sense to me because

2666

01:54:11,149 --> 01:54:08,460

what else are you going to put that's

2667

01:54:13,370 --> 01:54:11,159

going to the satellite will go over the

2668

01:54:15,770 --> 01:54:13,380

city so you have those windows where you

2669

01:54:17,570 --> 01:54:15,780

can you can look from satellite but only

2670

01:54:20,870 --> 01:54:17,580

for a certain amount of time and then it

2671

01:54:22,189 --> 01:54:20,880

goes on you know but but a blimper and

2672

01:54:24,530 --> 01:54:22,199

there is something called a stealth

2673

01:54:26,750 --> 01:54:24,540

blimps look those up that's crazy they

2674

01:54:29,350 --> 01:54:26,760

have stealth blimps or they're trying to

2675

01:54:31,490 --> 01:54:29,360

develop those

2676

01:54:33,530 --> 01:54:31,500

well and that's you know when we talk

2677

01:54:35,090 --> 01:54:33,540

about the uh the Arion company that you

2678

01:54:39,109 --> 01:54:35,100

know stealth blip that's you know what

2679

01:54:43,189 --> 01:54:41,810

yeah certain uh there's all kinds of uh

2680

01:54:44,990 --> 01:54:43,199

possibilities that we could level for

2681

01:54:47,689 --> 01:54:45,000

that and you know you talk you bring up

2682

01:54:50,390 --> 01:54:47,699

a lot of great points and certainly

2683

01:54:52,370 --> 01:54:50,400

um balloons can stay in one spot you

2684

01:54:54,530 --> 01:54:52,380

know they can stay in one spot high in

2685

01:54:57,050 --> 01:54:54,540

the air uh without moving if we wanted

2686

01:54:59,750 --> 01:54:57,060

to get good um good analysis of a

2687

01:55:02,209 --> 01:54:59,760

certain area uh but just it just goes to

2688

01:55:03,709 --> 01:55:02,219

say that in today in the jet age I think

2689

01:55:06,410 --> 01:55:03,719

people try and properly think of

2690

01:55:08,930 --> 01:55:06,420

balloons and blimps as being passe or

2691

01:55:11,330 --> 01:55:08,940

probably not really too integral to

2692

01:55:13,189 --> 01:55:11,340

today's Jet age world but yeah they're

2693

01:55:15,050 --> 01:55:13,199

not considered high tech but they have

2694

01:55:17,510 --> 01:55:15,060

their use they really have some great

2695

01:55:20,629 --> 01:55:17,520

uses you know they're used

2696

01:55:21,709 --> 01:55:20,639

in all kinds of ways uh today still yeah

2697

01:55:23,450 --> 01:55:21,719

yeah

2698

01:55:26,149 --> 01:55:23,460

well I want to thank you for coming here

2699

01:55:28,370 --> 01:55:26,159

we're running out the clock uh I hope

2700

01:55:30,169 --> 01:55:28,380

that you will come back and update me

2701

01:55:32,090 --> 01:55:30,179

we'll give it some time see maybe you'll

2702

01:55:34,129 --> 01:55:32,100

look into some new stuff and and have

2703

01:55:37,430 --> 01:55:34,139

some new interesting insights to share

2704

01:55:39,470 --> 01:55:37,440

always good time thanks for doing this

2705

01:55:41,689 --> 01:55:39,480

yeah it's a pleasure man I hope you want

2706

01:55:43,490 --> 01:55:41,699

promoting anything that you're selling

2710

01:55:55,609 --> 01:55:53,460

you're just an interested party right

2711

01:55:57,709 --> 01:55:55,619

like you don't have a book or a website

2712

01:56:00,109 --> 01:55:57,719

or a you know course that you're going

2713

01:56:02,330 --> 01:56:00,119

to sell people or anything

2714

01:56:03,830 --> 01:56:02,340

no just Goodwill man that's all I'm

2715

01:56:05,510 --> 01:56:03,840

selling for that all right my favorite

2716

01:56:06,770 --> 01:56:05,520

kind of guest the guy that's not selling

2717

01:56:09,470 --> 01:56:06,780

anything he doesn't even need a plug

2718

01:56:11,330 --> 01:56:09,480

fellas look at that well thanks you have

2719

01:56:13,310 --> 01:56:11,340

2720

01:56:15,229 --> 01:56:13,320

yeah thanks again for having me man it's

2722

01:56:19,070 --> 01:56:17,159

always a blast uh even when we just wing

2723

01:56:21,050 --> 01:56:19,080

it I have a great a great time well we

2724

01:56:23,950 --> 01:56:21,060

did tonight and it came out great so I

2725

01:56:27,050 --> 01:56:23,960

appreciate you thank you

2726

01:56:29,930 --> 01:56:27,060

all right bye-bye well friends there we

2727

01:56:33,470 --> 01:56:29,940

go what a what a another one in the

2728

01:56:36,830 --> 01:56:33,480

books here by the way uh just wanted to

2729

01:56:39,830 --> 01:56:36,840

thank DB David for your kind of generous

2730

01:56:42,229 --> 01:56:39,840

five dollar PayPal thank you uh for your

2731

01:56:44,990 --> 01:56:42,239

kindness generosity and support of the

2732

01:56:48,410 --> 01:56:45,000

show Ron from cosmic neighbors sold sent

2733

01:56:51,050 --> 01:56:48,420

me there is a a forum on the cia's

2734

01:56:53,570 --> 01:56:51,060

website look at this this is interesting

2735

01:56:56,530 --> 01:56:53,580

you can uh

2736

01:56:59,629 --> 01:56:56,540

you can

2737

01:57:00,649 --> 01:56:59,639

verify the employment of someone in the

2738

01:57:04,129 --> 01:57:00,659

CIA

2739

01:57:06,770 --> 01:57:04,139

you can request by fax request by mail

2740

01:57:08,570 --> 01:57:06,780

look at that employment verification so

2741

01:57:12,250 --> 01:57:08,580

you can find out if somebody is a CIA

2742

01:57:14,930 --> 01:57:12,260

spook uh very very interesting and then

2743

01:57:16,430 --> 01:57:14,940

also I wanted to mention

2744

01:57:18,890 --> 01:57:16,440

um

2745

01:57:21,950 --> 01:57:18,900

some people have asked me about the

2746

01:57:25,490 --> 01:57:21,960

rumble Channel I had stated I said that

2747

01:57:27,649 --> 01:57:25,500

we are having a rumble channel for truth

2748

01:57:29,990 --> 01:57:27,659

Seekers and it will be a total

2749

01:57:33,229 --> 01:57:30,000

true Seekers mirror what do I mean by

2750

01:57:38,149 --> 01:57:33,239

that I mean every single truth Seeker

2751

01:57:41,870 --> 01:57:38,159

show all 750 of them or so or 740 this

2752

01:57:44,089 --> 01:57:41,880

would be 742 will be available on Rumble

2753

01:57:47,689 --> 01:57:44,099

let me share my screen and show you that

2754

01:57:50,570 --> 01:57:47,699

uh very very interesting but people are

2755

01:57:53,450 --> 01:57:50,580

saying well it only goes so far back yes

2756

01:57:56,990 --> 01:57:53,460

because we're it's going to take weeks

2757

01:58:01,010 --> 01:57:57,000

or or a month to upload all 740 episodes

2758

01:58:04,689 --> 01:58:01,020

to rumble but the latest 10 or or 15 are

2759

01:58:09,229 --> 01:58:04,699

there so if you're interested in

2760

01:58:12,649 --> 01:58:09,239

watching us on all platforms or you like

2761

01:58:15,050 --> 01:58:12,659

Rumble there you go and every day a few

2762

01:58:17,270 --> 01:58:15,060

more of those episodes will be added

2763

01:58:19,010 --> 01:58:17,280

some days they'll be five or ten some

2764

01:58:21,410 --> 01:58:19,020

days they'll be three I don't know how

2765

01:58:25,129 --> 01:58:21,420

long it's going to take but there will

2766

01:58:27,470 --> 01:58:25,139

be a complete and total uh mirror for uh

2767

01:58:29,750 --> 01:58:27,480

through Seekers very very soon and we

2768

01:58:31,850 --> 01:58:29,760

are already have a mirror on Odyssey but

2769

01:58:34,189 --> 01:58:31,860

I'm aware that there's some technical

2770

01:58:36,649 --> 01:58:34,199

issues with that Odyssey starts and

2771

01:58:38,750 --> 01:58:36,659

stops the sync with YouTube so there may

2772

01:58:41,209 --> 01:58:38,760

be missing episodes I don't know what

2773

01:58:42,470 --> 01:58:41,219

we're going to do about that but we'll

2774

01:58:44,570 --> 01:58:42,480

see

2775

01:58:46,669 --> 01:58:44,580

um and we want to thank UFO John Doe for

2776

01:58:48,709 --> 01:58:46,679

crying generous 4.99 Stephen if all the

2777

01:58:49,910 --> 01:58:48,719

UFO fakery was real which story among

2778

01:58:51,950 --> 01:58:49,920

all the others would you have liked to

2779

01:58:55,129 --> 01:58:51,960

have witnessed or been apart uh probably

2780

01:58:58,010 --> 01:58:55,139

Bob Lazar I grew up with that story

2781

01:59:00,410 --> 01:58:58,020

um and Bob Lazar's story was

2782

01:59:02,870 --> 01:59:00,420

confirmation to me that what I had seen

2783

01:59:05,030 --> 01:59:02,880

was aliens and from another world I was

2784

01:59:07,490 --> 01:59:05,040

convinced after Bob Lazar story broke

2785

01:59:10,430 --> 01:59:07,500

when I was a child that what I saw was

2786

01:59:12,950 --> 01:59:10,440

an alien Flying Saucer it was round it

2787

01:59:15,290 --> 01:59:12,960

was all metal gray

2788

01:59:17,510 --> 01:59:15,300

um I was convinced that Bob Lazar was

2789

01:59:20,270 --> 01:59:17,520

the confirmation of what I already

2790

01:59:22,310 --> 01:59:20,280

thought I it was I already thought it

2791

01:59:24,350 --> 01:59:22,320

was aliens I guess

2792

01:59:26,810 --> 01:59:24,360

but when Bob was our story came out I

2793

01:59:30,530 --> 01:59:26,820

went that's it they were test flying one

2794

01:59:32,870 --> 01:59:30,540

of the captured UFOs or whatever

2795

01:59:34,970 --> 01:59:32,880

um always wanted to believe him but uh

2796

01:59:39,169 --> 01:59:34,980

the deeper you dig into Bob Lazar the

2797

01:59:41,089 --> 01:59:39,179

more lies you find and uh you know

2798

01:59:43,790 --> 01:59:41,099

Walter Bosley reminding us that you

2799

01:59:46,669 --> 01:59:43,800

cannot verify uh undercover Clandestine

2800

01:59:49,790 --> 01:59:46,679

Service nor operational contractors uh

2801
01:59:51,950 --> 01:59:49,800
well thank you for that we we appreciate

2802
01:59:54,950 --> 01:59:51,960
that you have the knowledge and

2803
01:59:58,070 --> 01:59:54,960
experience to let us know what it is we

2804
01:59:59,930 --> 01:59:58,080
can actually verify uh it's just it's

2805
02:00:02,270 --> 01:59:59,940
just weird to me that they will verify

2806
02:00:04,490 --> 02:00:02,280
employment at all now's a good time for

2807
02:00:06,589 --> 02:00:04,500

[Music]

2833

02:01:50,300 --> 02:01:55,250

thank you

2834

02:02:01,910 --> 02:01:58,149

and we're back friends but not for long

2835

02:02:03,709 --> 02:02:01,920

so uh I want to remind you that on

2836

02:02:05,870 --> 02:02:03,719

Saturday we're going to have a very

2837

02:02:09,169 --> 02:02:05,880

special event at the apocalypse cabin

2838

02:02:11,330 --> 02:02:09,179

we've got Anthony from unidentified S4

2839

02:02:14,270 --> 02:02:11,340

and Ron from cosmic neighbors both

2840

02:02:19,070 --> 02:02:14,280

YouTube content creators are going to be

2841

02:02:20,750 --> 02:02:19,080

uh guests at my cabin we've told you I'm

2842

02:02:22,970 --> 02:02:20,760

sure it's like a broken record now but

2843

02:02:25,970 --> 02:02:22,980

my cabin is at the highest elevation in

2844

02:02:27,950 --> 02:02:25,980

Pennsylvania and also there's almost no

2845

02:02:29,510 --> 02:02:27,960

light pollution there so you can see

2846

02:02:31,490 --> 02:02:29,520

things like the International Space

2847

02:02:34,010 --> 02:02:31,500

Station and Satellites with the naked

2848

02:02:35,930 --> 02:02:34,020

eye I have tried to capture some of the

2849

02:02:38,030 --> 02:02:35,940

other strange things that I see in the

2850

02:02:40,370 --> 02:02:38,040

sky there up in the mountains myself but

2851
02:02:42,350 --> 02:02:40,380
I have apparently have terrible cameras

2852
02:02:44,810 --> 02:02:42,360
all you see is a blob of light in the

2853
02:02:46,669 --> 02:02:44,820
sky not very definitive we're useful

2854
02:02:49,310 --> 02:02:46,679
these guys are coming there with a full

2855
02:02:52,250 --> 02:02:49,320
complement of crazy gear including flear

2856
02:02:55,729 --> 02:02:52,260
cameras and night vision and all kinds

2857
02:02:59,350 --> 02:02:55,739
of equipment and satellite tracking and

2858
02:03:02,450 --> 02:02:59,360
we're gonna do a sky watch with a

2859
02:03:04,370 --> 02:03:02,460
bonfire because these guys waited too

2860
02:03:06,890 --> 02:03:04,380
long it's going to be 20 degrees on

2861
02:03:08,990 --> 02:03:06,900
Saturday but that's fine uh we'll have a

2862
02:03:11,030 --> 02:03:09,000
big bonfire and you're welcome to join

2863
02:03:12,649 --> 02:03:11,040

now I'm not sure the technical side how

2864

02:03:15,169 --> 02:03:12,659

we're going to do this but I do believe

2865

02:03:18,229 --> 02:03:15,179

that all three of us will be streaming

2866

02:03:20,510 --> 02:03:18,239

from our own laptops or computers or

2867

02:03:24,950 --> 02:03:20,520

whatever or maybe phones even I don't

2868

02:03:27,530 --> 02:03:24,960

know all at the same time uh together

2869

02:03:29,990 --> 02:03:27,540

or we'll figure it out I'm I'm sure that

2870

02:03:33,649 --> 02:03:30,000

the festivities will start by 9 pm

2871

02:03:36,169 --> 02:03:33,659

eastern time this Saturday night the

2872

02:03:38,390 --> 02:03:36,179

19th and you're welcome to attend it

2873

02:03:40,729 --> 02:03:38,400

will be broadcasting here on true

2874

02:03:42,830 --> 02:03:40,739

Seekers Anthony from unidentified S4

2875

02:03:45,050 --> 02:03:42,840

will be broadcasting on his channel and

2876

02:03:47,450 --> 02:03:45,060

Ron from cosmic neighbors will be

2877

02:03:49,790 --> 02:03:47,460

broadcasting on his channel again I'm

2878

02:03:51,169 --> 02:03:49,800

not sure of the whole technical side

2879

02:03:52,850 --> 02:03:51,179

I don't know how we're going to share

2880

02:03:55,669 --> 02:03:52,860

all these cameras but we're going to

2881

02:03:58,550 --> 02:03:55,679

figure it out Ron is very technical guy

2882

02:04:00,589 --> 02:03:58,560

and so am I uh you know so we'll figure

2883

02:04:02,750 --> 02:04:00,599

it out uh and I welcome you to join us
