7
00:02:40,610 --> 00:02:36,830
greetings and salutations friends uh I'm

8
00:02:41,930 --> 00:02:40,620
still we are live sorry uh jumped up on

9
00:02:43,729 --> 00:02:41,940
me I was gonna play another bumper

10
00:02:46,729 --> 00:02:43,739
because I still haven't uh tweeted this

11
00:02:49,610 --> 00:02:46,739
out we have Ron uh from cosmic neighbors

12
00:02:52,729 --> 00:02:49,620
he's crabby and in the other room and uh

13
00:02:53,990 --> 00:02:52,739

we have you can come out here there's a

14

00:02:55,970 --> 00:02:54,000

chair

15

00:02:57,890 --> 00:02:55,980

and we have Anthony's here from

16

00:03:00,410 --> 00:02:57,900

unidentified S4 sorry it's pretty dark

17

00:03:03,470 --> 00:03:00,420

in here and uh we have my friend Matt

18

00:03:04,850 --> 00:03:03,480

over here but uh he's he's the token

19

00:03:12,170 --> 00:03:04,860

drunk guy

20

00:03:15,110 --> 00:03:12,180

and uh Ron is here so uh we went out

21

00:03:17,030 --> 00:03:15,120

earlier and uh part of my oh yeah I

22

00:03:20,809 --> 00:03:17,040

looked pretty grimy I haven't shaved and

23

00:03:25,130 --> 00:03:20,819

I'm dirty from the wood stove uh ashes

24

00:03:28,070 --> 00:03:25,140

so uh we went out earlier and uh it was

25

00:03:29,089 --> 00:03:28,080

pretty interesting to see the star the

26

00:03:32,690 --> 00:03:29,099

stars and everything through the

27

00:03:34,610 --> 00:03:32,700

psionics camera and um and the night

28

00:03:37,850 --> 00:03:34,620

vision was cool I felt like I had super

29

00:03:40,130 --> 00:03:37,860

powers you know it was like

30

00:03:41,509 --> 00:03:40,140

x-ray vision or something because you

31

00:03:45,830 --> 00:03:41,519

could see all these things that you

32

00:03:48,410 --> 00:03:45,840

can't see with the naked eye and uh it's

33

00:03:50,750 --> 00:03:48,420

pretty interesting I I want some of

34

00:03:52,789 --> 00:03:50,760

those cameras to play with myself and I

35

00:03:55,729 --> 00:03:52,799

see we have uh Sweet Caroline Arlene

36

00:03:58,850 --> 00:03:55,739

Atkins my flock is everywhere jimba is

37

00:04:00,890 --> 00:03:58,860

here Louise is here welcome Louise how I

38

00:04:04,610 --> 00:04:00,900

win the lottery I wish I knew John P

39

00:04:07,309 --> 00:04:04,620

Adventures B Baker of course is here

40

00:04:08,830 --> 00:04:07,319

um we have John Wood mass is here that

41

00:04:10,929 --> 00:04:08,840

seems appropriate

42

00:04:18,349 --> 00:04:10,939

uh

43

00:04:20,930 --> 00:04:18,359

ludicrous is here

44

00:04:23,450 --> 00:04:20,940

so we're here we're in the cabin like

45

00:04:25,670 --> 00:04:23,460

the living room now it's a little cooler

46

00:04:28,430 --> 00:04:25,680

in here the kitchen heated up quite a

47

00:04:30,710 --> 00:04:28,440

bit in there and uh Ron's in there

48

00:04:32,629 --> 00:04:30,720

sulking or something he's fixing at the

49

00:04:36,550 --> 00:04:32,639

computer time he's supposed to be fixing

50

00:04:38,870 --> 00:04:36,560

the 3D printer the prick

51

00:04:42,110 --> 00:04:38,880

[Music]

52

00:04:44,090 --> 00:04:42,120

it is pretty hot in there so uh we just

53

00:04:45,590 --> 00:04:44,100

wanted to come and uh you know let you

54

00:04:47,570 --> 00:04:45,600

know we're gonna we're gonna go out and

55

00:04:49,969 --> 00:04:47,580

film some more oh yeah absolutely so we

56

00:04:50,990 --> 00:04:49,979

filmed the stuff but the problem here is

57

00:04:52,730 --> 00:04:51,000

that we're out in the middle of the

58

00:04:55,189 --> 00:04:52,740

woods as you know and the internet's

59

00:04:57,110 --> 00:04:55,199

pretty wonky and hooking those cameras

60

00:05:00,290 --> 00:04:57,120

up to a live feed it just wasn't going

61

00:05:02,810 --> 00:05:00,300

to work and your Wi-Fi wouldn't

62

00:05:04,790 --> 00:05:02,820

um wouldn't reach that far as we're

63

00:05:07,430 --> 00:05:04,800

going to like my neighbor's house Matt

64

00:05:09,890 --> 00:05:07,440

over here token drunk guy we go to the

65

00:05:11,570 --> 00:05:09,900

Token drunk guy and this idiot he goes

66

00:05:13,730 --> 00:05:11,580

walking through the woods to my

67

00:05:15,650 --> 00:05:13,740

neighbor's house and he's shining this

68

00:05:17,870 --> 00:05:15,660

super bright flashlight right in their

69

00:05:19,969 --> 00:05:17,880

windows and [h__h] I'm like can you stop

70

00:05:22,010 --> 00:05:19,979

you look like a rapist or something

71

00:05:24,830 --> 00:05:22,020

they're gonna think you're a rapist or a

72

00:05:27,710 --> 00:05:24,840

burglar dude don't shine this super

73

00:05:30,409 --> 00:05:27,720

bright flashlight right in there house

74

00:05:32,570 --> 00:05:30,419

windows you dummy and he's like oh I

75

00:05:34,550 --> 00:05:32,580

didn't know how do you not know not to

76

00:05:36,170 --> 00:05:34,560

shine a super bright flashlight into

77

00:05:37,550 --> 00:05:36,180

people's houses in the middle of the

78

00:05:39,650 --> 00:05:37,560

Woods

79

00:05:43,490 --> 00:05:39,660

people's shoes

80

00:05:46,270 --> 00:05:43,500

people have shotguns so yeah

81

00:05:48,830 --> 00:05:46,280

but uh Ron's still playing with his toys

82

00:05:51,950 --> 00:05:48,840

changing my time my stream time again

83

00:05:53,930 --> 00:05:51,960

okay well sorry it's been a very busy

84

00:05:56,270 --> 00:05:53,940

time here that's why we're a bit

85

00:05:58,189 --> 00:05:56,280

disorganized and I think we were gonna

86

00:05:59,810 --> 00:05:58,199

all three of us stream at once but that

87

00:06:02,510 --> 00:05:59,820

would have been a bad idea according to

88

00:06:04,430 --> 00:06:02,520

Mr Statistics over here Ron said the

89

00:06:06,710 --> 00:06:04,440

bandwidth what did he say the bandwidth

90

00:06:09,650 --> 00:06:06,720

the bit rate the bandwidth the bit rate

91

00:06:11,990 --> 00:06:09,660

it won't support three streams we were

92

00:06:14,210 --> 00:06:12,000

going to all stream to our channels at

93

00:06:15,830 --> 00:06:14,220

once I don't think that the internet

94

00:06:17,810 --> 00:06:15,840

here could have handled that what do you

95

00:06:20,450 --> 00:06:17,820

think it would have probably Matt

96

00:06:22,309 --> 00:06:20,460

I don't know depends on what you got up

97

00:06:23,629 --> 00:06:22,319

here I don't know what you've got well

98

00:06:24,890 --> 00:06:23,639

there was Street I don't know what we

99

00:06:26,990 --> 00:06:24,900

have either but according to Mr

100

00:06:28,670 --> 00:06:27,000

Statistics over there

101

00:06:30,409 --> 00:06:28,680

um it didn't it didn't work like that

102

00:06:32,090 --> 00:06:30,419

like it wasn't it wouldn't have worked

103

00:06:34,969 --> 00:06:32,100

we would have all been done no I would

104

00:06:36,650 --> 00:06:34,979

have got choppy all of us on this too

105

00:06:38,390 --> 00:06:36,660

much we're trying to stream on our own

106

00:06:40,850 --> 00:06:38,400

laptops at the same time

107

00:06:42,710 --> 00:06:40,860

it would have probably been choppy okay

108

00:06:45,350 --> 00:06:42,720

so there you have it what we could try

109

00:06:48,770 --> 00:06:45,360

it right now I mean you could try it but

110

00:06:50,150 --> 00:06:48,780

uh if if everything starts going yeah it

111

00:06:52,969 --> 00:06:50,160

would have been a really I think so

112

00:06:55,790 --> 00:06:52,979

because if everything goes yeah if

113

00:06:57,070 --> 00:06:55,800

everything goes wonky you can one of us

114

00:07:01,129 --> 00:06:57,080

can stop

115

00:07:04,010 --> 00:07:01,139

so here I'll change this here so we're

116

00:07:09,230 --> 00:07:04,020

in uh cozy mode we have the fire going

117

00:07:13,909 --> 00:07:11,930

it'll it'll even out though now that we

118

00:07:16,309 --> 00:07:13,919

have uh you know

119

00:07:18,170 --> 00:07:16,319

the the one room gets a little hot

120

00:07:20,570 --> 00:07:18,180

because of the wood stove it's a small

121

00:07:22,189 --> 00:07:20,580

room but we opened the door and we've

122

00:07:25,189 --> 00:07:22,199

got both wood burners going because what

123

00:07:27,650 --> 00:07:25,199

is it like 18 outside it's about 18

124

00:07:30,770 --> 00:07:27,660

outside right now because these dummies

125

00:07:33,650 --> 00:07:30,780

I did what was it last week

126

00:07:36,170 --> 00:07:33,660

we were outside having a campfire it was

127

00:07:39,589 --> 00:07:36,180

so nice it was like 50 degrees it was

128

00:07:41,689 --> 00:07:39,599

beautiful these dummies I told them that

129

00:07:43,309 --> 00:07:41,699

the Winner's gonna snap and once once

130

00:07:45,230 --> 00:07:43,319

it's like this it's like this until when

131

00:07:47,930 --> 00:07:45,240

April right it's going to be like this

132

00:07:49,189 --> 00:07:47,940

until April so I told these guys you got

133

00:07:50,629 --> 00:07:49,199

to come you got to come there's only a

134

00:07:54,290 --> 00:07:50,639

few more weekends where it's going to be

135

00:07:56,450 --> 00:07:54,300

warm oh no it'll be okay these guys they

136

00:07:59,150 --> 00:07:56,460

went outside like oh my face hurts it's

137

00:08:02,029 --> 00:07:59,160

so cold I'm like I know because you

138

00:08:04,490 --> 00:08:02,039

waited too long here they waited way too

139

00:08:07,850 --> 00:08:04,500

long to to get here so I'm gonna tweet

140

00:08:10,309 --> 00:08:07,860

this show and I haven't done that uh so

141

00:08:12,170 --> 00:08:10,319

just bear with me friends

142

00:08:14,150 --> 00:08:12,180

while I'm going to Tweet it on my

143

00:08:16,670 --> 00:08:14,160

account that that would help you know

144

00:08:19,909 --> 00:08:16,680

yeah yeah yeah yeah uh oh the Camby and

145

00:08:22,189 --> 00:08:19,919

boom yeah you gotta get the so this is

146

00:08:24,290 --> 00:08:22,199

unscheduled and this is a bonus show for

147

00:08:26,029 --> 00:08:24,300

the week because uh we were really done

148

00:08:28,129 --> 00:08:26,039

for the week we're going to be doing

149

00:08:30,409 --> 00:08:28,139

just three or four streams a week from

150

00:08:33,230 --> 00:08:30,419

now on live shows per week I wanted to

151

00:08:36,409 --> 00:08:33,240

have more time for uh

152

00:08:39,050 --> 00:08:36,419

for production videos and I just I can't

153

00:08:40,969 --> 00:08:39,060

do five shows or six shows a week and

154

00:08:43,550 --> 00:08:40,979

production videos and I can't see to

155

00:08:47,470 --> 00:08:43,560

save my life here I'm trying to type and

156

00:08:50,269 --> 00:08:47,480

it's not working out my way

157

00:08:54,949 --> 00:08:50,279

one second

158

00:09:04,190 --> 00:08:57,949

live from the apocalypse cabin

159

00:09:10,730 --> 00:09:05,990

that's exactly what I'm gonna write it's

160

00:09:23,230 --> 00:09:10,740

Saturday night uh Skywatch notes with

161

00:09:30,170 --> 00:09:26,750

that this is great the we're over there

162

00:09:31,970 --> 00:09:30,180

taking video and and uh Anthony just

163

00:09:34,670 --> 00:09:31,980

instantly decides that he's going to

164

00:09:37,310 --> 00:09:34,680

show all of the video that we take the

165

00:09:39,670 --> 00:09:37,320

whole weekend on his show oh be careful

166

00:09:42,110 --> 00:09:39,680

that's not a stand dude

167

00:09:44,210 --> 00:09:42,120

Jesus Christ these guys are from New

168

00:09:46,430 --> 00:09:44,220

York man you could tell there's this

169

00:09:48,290 --> 00:09:46,440

huge pile of firewood and this asshole's

170

00:09:52,610 --> 00:09:48,300

leaning against it with his whole body

171

00:09:54,829 --> 00:09:52,620

putting laptops he's putting laptops and

172

00:09:57,050 --> 00:09:54,839

like microphones and screwdrivers and

173

00:10:00,769 --> 00:09:57,060

[h__h] on top of it like a dummy and it's

174

00:10:02,090 --> 00:10:00,779

collapsing it's this huge Iowa firewood

175

00:10:03,829 --> 00:10:02,100

and it's sitting right in front of the

176

00:10:09,970 --> 00:10:03,839

Anthony yeah we're gonna have an

177

00:10:15,110 --> 00:10:12,590

not really

178

00:10:16,730 --> 00:10:15,120

all right so I've tweeted the Tweet out

179

00:10:19,250 --> 00:10:16,740

and look I'm going to show you look at

180

00:10:21,470 --> 00:10:19,260

this there's this huge pile of firewood

181

00:10:23,750 --> 00:10:21,480

look at this there's a huge pile of

182

00:10:26,930 --> 00:10:23,760

firewood little laptop so we don't have

183

00:10:28,970 --> 00:10:26,940

to go outside and Ron is leaning his

184

00:10:30,650 --> 00:10:28,980

whole body up against this huge pile of

185

00:10:32,269 --> 00:10:30,660

fire would look like a dummy then he

186

00:10:34,970 --> 00:10:32,279

goes you know what let me put my laptop

187

00:10:38,030 --> 00:10:34,980

and some more [h__h] on top of it and

188

00:10:41,210 --> 00:10:38,040

wonder why it's collapsing right this is

189

00:10:43,790 --> 00:10:41,220

great this is great so Ron's going to

190

00:10:47,470 --> 00:10:43,800

sit over here on my other side there we

191

00:10:53,269 --> 00:10:50,650

I'm going down

192

00:10:55,490 --> 00:10:53,279

we're gonna uh we're gonna move this

193

00:10:57,530 --> 00:10:55,500

we're gonna move the laptop I have the

194

00:11:00,790 --> 00:10:57,540

laptop on a little table we're gonna

195

00:11:03,650 --> 00:11:00,800

move it back so we get us three please

196

00:11:05,829 --> 00:11:03,660

and the shot here watching Mike yeah

197

00:11:10,069 --> 00:11:05,839

this is good here

198

00:11:12,290 --> 00:11:10,079

we should have everybody no no the other

199

00:11:14,990 --> 00:11:12,300

way we try to get

200

00:11:16,910 --> 00:11:15,000

where the hell is Ron at the other side

201
00:11:23,930 --> 00:11:16,920
oh the other side yeah I told you I

202
00:11:28,130 --> 00:11:25,690
yeah

203
00:11:30,170 --> 00:11:28,140
and you can always bring the mic towards

204
00:11:32,870 --> 00:11:30,180
you over here yeah all right I'll sit

205
00:11:38,509 --> 00:11:35,690
there we go all right we're here

206
00:11:40,870 --> 00:11:38,519
you can move that a little closer

207
00:11:44,210 --> 00:11:40,880
no I don't like you Anthony

208
00:11:46,009 --> 00:11:44,220
careful Jesus Christ now he's knocked he

209
00:11:48,190 --> 00:11:46,019
just knocked over the whole stereo

210
00:11:52,610 --> 00:11:48,200
system

211
00:11:54,550 --> 00:11:52,620
Jesus Christ dude what are you doing I'm

212
00:11:57,829 --> 00:11:54,560
telling you man

213
00:11:59,090 --> 00:11:57,839

the candle's not gonna burn down hold on

214

00:12:04,870 --> 00:11:59,100

Jesus

215

00:12:10,009 --> 00:12:08,030

did you push the [h__h] whole body into

216

00:12:12,110 --> 00:12:10,019

the but he's like not even looking he's

217

00:12:14,569 --> 00:12:12,120

like what's behind me and the chair's on

218

00:12:16,310 --> 00:12:14,579

Wheels and this guy goes boom right into

219

00:12:19,329 --> 00:12:16,320

the back of the stereo state I'm not

220

00:12:22,069 --> 00:12:19,339

used to Log Cabin log cabins

221

00:12:24,230 --> 00:12:22,079

I don't know where he is here no no no

222

00:12:26,389 --> 00:12:24,240

no look how you put it so then I can sit

223

00:12:28,269 --> 00:12:26,399

in a [h__h] close again and then you

224

00:12:30,430 --> 00:12:28,279

could call me an [h__h] again

225

00:12:34,009 --> 00:12:30,440

like that

226

00:12:36,230 --> 00:12:34,019

all right so here we are live from the

227

00:12:37,970 --> 00:12:36,240

apocalypse here's the [\h__\h] there you

228

00:12:40,250 --> 00:12:37,980

go yeah yeah and uh

229

00:12:42,530 --> 00:12:40,260

uh Ron is trying to destroy the cabin

230

00:12:44,930 --> 00:12:42,540

bit by bit he tried to knock all the

231

00:12:48,889 --> 00:12:44,940

wood over they try to then he knocked my

232

00:12:50,870 --> 00:12:48,899

dude I paid 20 for that stereo and he's

233

00:12:54,230 --> 00:12:50,880

just smashing into it like it's

234

00:12:57,110 --> 00:12:54,240

worthless now all of our stuff here

235

00:12:59,569 --> 00:12:57,120

the cabin luckily for Ron the cabin is

236

00:13:01,790 --> 00:12:59,579

because of my former life is drunk proof

237

00:13:02,990 --> 00:13:01,800

because I have gotten drunk and done

238

00:13:06,069 --> 00:13:03,000

that myself

239

00:13:11,269 --> 00:13:08,509

yeah now we got white noise coming in

240

00:13:15,230 --> 00:13:11,279

turn it turn the [h__\h] step turn the

241

00:13:19,610 --> 00:13:17,389

look at this thing

242

00:13:22,129 --> 00:13:19,620

why is there white noise playing now

243

00:13:24,290 --> 00:13:22,139

since you knocked it over because you

244

00:13:26,269 --> 00:13:24,300

saw him oh my God

245

00:13:29,329 --> 00:13:26,279

you guys are too much

246

00:13:30,889 --> 00:13:29,339

oh my God hey oh freaking Matt to the

247

00:13:31,670 --> 00:13:30,899

savior he hit the power button he turned

248

00:13:34,509 --> 00:13:31,680

it off

249

00:13:37,250 --> 00:13:34,519

all right so now we got no white noise

250

00:13:38,870 --> 00:13:37,260

Ron's trying to destroy the cabin bit by

251

00:13:41,810 --> 00:13:38,880

bit

252

00:13:44,090 --> 00:13:41,820

and uh you know knocking stuff over

253

00:13:46,610 --> 00:13:44,100

causing White Noise problems on my

254

00:13:48,710 --> 00:13:46,620

professional live broadcast

255

00:13:50,930 --> 00:13:48,720

and uh no but we've had a good time

256

00:13:52,430 --> 00:13:50,940

there's plenty of food here and uh my

257

00:13:55,970 --> 00:13:52,440

neighbor Matt's here which I'm glad

258

00:13:58,610 --> 00:13:55,980

because we got way too much food left so

259

00:14:01,129 --> 00:13:58,620

I'm gonna uh we're gonna have dinner

260

00:14:04,790 --> 00:14:01,139

part two I like that

261

00:14:06,769 --> 00:14:04,800

um we had the wood stove cooking ribs

262

00:14:09,530 --> 00:14:06,779

all day I've been smelling that all day

263

00:14:11,269 --> 00:14:09,540

and uh good cook yeah and we've got

264

00:14:13,370 --> 00:14:11,279

pizza and a bunch of other stuff in

265

00:14:14,629 --> 00:14:13,380

there and some chicken wings I'm gonna

266

00:14:16,430 --> 00:14:14,639

try

267

00:14:18,710 --> 00:14:16,440

kicking chicken

268

00:14:21,350 --> 00:14:18,720

but these guys were [h__h] and wouldn't

269

00:14:25,490 --> 00:14:21,360

let me put the sauce on the wings she's

270

00:14:29,990 --> 00:14:27,650

I cut the wings and then I dressed them

271

00:14:31,790 --> 00:14:30,000

with the dressing with this delicious

272

00:14:34,129 --> 00:14:31,800

hot sauce but these guys were too

273

00:14:37,009 --> 00:14:34,139

concerned it would be too hot

274

00:14:39,050 --> 00:14:37,019

or something so we have wings with no

275

00:14:40,730 --> 00:14:39,060

sauce

276

00:14:42,170 --> 00:14:40,740

I'm not ashamed to say it I didn't want

277

00:14:43,790 --> 00:14:42,180

no hot stuff

278

00:14:46,970 --> 00:14:43,800

all right

279

00:14:49,850 --> 00:14:46,980

and uh well Heather birdie oh see I

280

00:14:52,189 --> 00:14:49,860

can't see sorry you guys know I'm half

281

00:14:54,530 --> 00:14:52,199

blind in my defense don't worry I have

282

00:14:56,269 --> 00:14:54,540

my stream coming up soon Heather Marty

283

00:14:58,970 --> 00:14:56,279

with the kind and generous two dollars

284

00:15:01,850 --> 00:14:58,980

says towards the rebuilding you're gonna

285

00:15:04,610 --> 00:15:01,860

have to do thank you and if anybody

286

00:15:07,970 --> 00:15:04,620

would like it's I have decided that

287

00:15:10,730 --> 00:15:07,980

anybody that sends a 20 Super Chat we're

288

00:15:12,650 --> 00:15:10,740

gonna do a fun prank on Ron while he's

289

00:15:15,740 --> 00:15:12,660

sleeping for every twenty dollar Super

290

00:15:15,750 --> 00:15:23,110

[Music]

291

00:15:29,569 --> 00:15:26,329

yeah we got that Atomic habanero sauce

292

00:15:32,110 --> 00:15:29,579

it's really really hot so uh I'm happy

293

00:15:34,970 --> 00:15:32,120

that we could be here

294

00:15:36,650 --> 00:15:34,980

with good friends and it's warm in the

295

00:15:39,290 --> 00:15:36,660

cabin which is good because it's really

296

00:15:40,970 --> 00:15:39,300

I don't like I enjoy coming here but

297

00:15:42,949 --> 00:15:40,980

when asked my neighbor Matt's here right

298

00:15:45,650 --> 00:15:42,959

when it's this cold I don't do anything

299

00:15:48,110 --> 00:15:45,660

I come in here and just stay warm and I

300

00:15:49,970 --> 00:15:48,120

and I you can do I put her around inside

301

00:15:51,889 --> 00:15:49,980

the cabin like I'll put one piece of

302

00:15:53,930 --> 00:15:51,899

molding or Trim in for the whole weekend

303

00:15:55,550 --> 00:15:53,940

or something right so I could say

304

00:15:57,530 --> 00:15:55,560

accomplished something towards the

305

00:16:01,069 --> 00:15:57,540

better the bigger goal of building this

306

00:16:02,810 --> 00:16:01,079

cabin yeah it's it's coming together and

307

00:16:04,490 --> 00:16:02,820

we have the sun room is just getting

308

00:16:06,110 --> 00:16:04,500

finished up I just checked in there and

309

00:16:08,389 --> 00:16:06,120

even Matt even just with the electric

310

00:16:09,590 --> 00:16:08,399

heater it's it's pretty comfortable in

311

00:16:11,329 --> 00:16:09,600

there you could sit in there and read a

312

00:16:13,850 --> 00:16:11,339

book tonight oh yeah just with the

313

00:16:16,610 --> 00:16:13,860

electric heater going in there so

314

00:16:19,250 --> 00:16:16,620

um I just finished some cementing so

315

00:16:21,530 --> 00:16:19,260

it's holding heat a lot better and Matt

316

00:16:23,689 --> 00:16:21,540

my neighbor friend here is who helped me

317

00:16:26,030 --> 00:16:23,699

put the roof on because I wanted that to

318

00:16:27,590 --> 00:16:26,040

be right I was very nervous that it was

319

00:16:30,650 --> 00:16:27,600

going to leak in the Middle where the

320

00:16:33,769 --> 00:16:30,660

two roofs between the two rooms

321

00:16:35,150 --> 00:16:33,779

like me right Matt what is it called

322

00:16:37,249 --> 00:16:35,160

flashing yeah

323

00:16:39,350 --> 00:16:37,259

yeah so Matt put some metal flashing

324

00:16:41,810 --> 00:16:39,360

between the two Roof Systems and that

325

00:16:43,970 --> 00:16:41,820

keeps it that keeps it going and we did

326

00:16:45,470 --> 00:16:43,980

the same thing on the other side and on

327

00:16:47,870 --> 00:16:45,480

the other side we have that sun room

328

00:16:49,430 --> 00:16:47,880

with the clear roof panels and if I ever

329

00:16:51,530 --> 00:16:49,440

get around to cutting enough trees

330

00:16:53,389 --> 00:16:51,540

around the down you could sit in the sun

331

00:16:56,030 --> 00:16:53,399

room and see the stars right through the

332

00:16:59,150 --> 00:16:56,040

ceiling yeah he had the idea and the

333

00:17:01,490 --> 00:16:59,160

ambition I just helped them with bits he

334

00:17:04,010 --> 00:17:01,500

helped me with the roofs on both and and

335

00:17:06,470 --> 00:17:04,020

with planning and stuff and Matt put up

336

00:17:08,630 --> 00:17:06,480

this huge that huge Flintstone frame

337

00:17:11,990 --> 00:17:08,640

that you see of the sun room it's this

338

00:17:13,850 --> 00:17:12,000

big pillars of trees that form the frame

339

00:17:16,250 --> 00:17:13,860

of that he did all that with his

340

00:17:18,049 --> 00:17:16,260

chainsaw and his Bobcat I'm over here

341

00:17:19,429 --> 00:17:18,059

playing with sticks and [\h__\h] trying to

342

00:17:21,710 --> 00:17:19,439

glue things together and he comes over

343

00:17:24,530 --> 00:17:21,720

to he's like hold my beer I'll be right

344

00:17:27,169 --> 00:17:24,540

back and he comes here and he puts this

345

00:17:30,289 --> 00:17:27,179

huge timber frame together with these

346

00:17:33,169 --> 00:17:30,299

like you know eight inch or what how how

347

00:17:36,710 --> 00:17:33,179

many fun day though 10 or 20 10 or 12

348

00:17:38,930 --> 00:17:36,720

inch logs standing straight up on these

349

00:17:41,210 --> 00:17:38,940

Stone pillars he had me build planning

350

00:17:42,950 --> 00:17:41,220

on building cord wood Piers that we're

351

00:17:45,590 --> 00:17:42,960

gonna yeah it was going to take me a

352

00:17:47,870 --> 00:17:45,600

week four Piers would have taken me four

353

00:17:49,909 --> 00:17:47,880

weekends to do it he's like nope hold my

354

00:17:51,950 --> 00:17:49,919

beer and he came over here with trees

355

00:17:53,570 --> 00:17:51,960

and we got it done in the one weekend

356

00:17:55,970 --> 00:17:53,580

yeah

357

00:17:57,770 --> 00:17:55,980

and then the funny thing is is what were

358

00:17:59,450 --> 00:17:57,780

you Matt was so concerned with the cost

359

00:18:01,850 --> 00:17:59,460

of the nails they were these big

360

00:18:04,130 --> 00:18:01,860

expensive screws or Nails right yeah

361

00:18:07,070 --> 00:18:04,140

they were like six dollars a piece or

362

00:18:09,049 --> 00:18:07,080

something so he buys four of them

363

00:18:11,750 --> 00:18:09,059

because he was afraid I would get upset

364

00:18:14,270 --> 00:18:11,760

about the cost of the screws so he buys

365

00:18:17,510 --> 00:18:14,280

four screws there's this monster timber

366

00:18:20,750 --> 00:18:17,520

tree frame thing and it's held together

367

00:18:23,210 --> 00:18:20,760

with four big they're big screws but

368

00:18:26,570 --> 00:18:23,220

still I'm like dude I have another 25

369

00:18:29,270 --> 00:18:26,580

bucks buy some more screws it was really

370

00:18:31,130 --> 00:18:29,280

nerve-racking I thought geez that whole

371

00:18:33,650 --> 00:18:31,140

thing is being held up by four screws

372

00:18:36,409 --> 00:18:33,660

but it did because he kind of yeah he

373

00:18:38,270 --> 00:18:36,419

notched he notched he notched holes you

374

00:18:41,630 --> 00:18:38,280

know like half of the line yeah and we

375

00:18:43,730 --> 00:18:41,640

placed it gravity kept it up in the air

376

00:18:45,470 --> 00:18:43,740

the the screws just locked it in place

377

00:18:47,210 --> 00:18:45,480

but it was still nerve-wracking like

378

00:18:49,730 --> 00:18:47,220

this whole thing is held together by

379

00:18:51,409 --> 00:18:49,740

four screws we eventually though we put

380

00:18:54,529 --> 00:18:51,419

more nails and stuff in it right those

381

00:18:56,990 --> 00:18:54,539

big long Spike nails and things so it's

382

00:18:58,669 --> 00:18:57,000

pretty solid and I think I think it's

383

00:19:00,650 --> 00:18:58,679

going to be okay that was our worst

384

00:19:03,289 --> 00:19:00,660

winner in years here we had probably

385

00:19:05,150 --> 00:19:03,299

yeah it held five feet of snow yeah Matt

386

00:19:07,490 --> 00:19:05,160

was like amazed at the roof was like

387

00:19:09,710 --> 00:19:07,500

five feet around a week we got we were

388

00:19:11,570 --> 00:19:09,720

supposed to We were supposed to shore up

389

00:19:13,190 --> 00:19:11,580

we were gonna put like a shelf in there

390

00:19:15,289 --> 00:19:13,200

or something that would also hold the

391

00:19:16,789 --> 00:19:15,299

roof up or extra supports and we didn't

392

00:19:20,150 --> 00:19:16,799

get to it because winter came bearing

393

00:19:22,310 --> 00:19:20,160

down and that that roof held like five

394

00:19:24,169 --> 00:19:22,320

feet of snow without collapsing we were

395

00:19:26,450 --> 00:19:24,179

both amazed

396

00:19:29,210 --> 00:19:26,460

so I'm going to put some extra supports

397

00:19:32,330 --> 00:19:29,220

in but I know that roof is pretty good

398

00:19:34,250 --> 00:19:32,340

so everybody is here at the cabin

399

00:19:36,890 --> 00:19:34,260

I have a

400

00:19:39,169 --> 00:19:36,900

yeah I don't know it's getting late and

401
00:19:40,730 --> 00:19:39,179
I'm sorry we are late tonight or this

402
00:19:42,590 --> 00:19:40,740
but like I said this is just like a

403
00:19:45,289 --> 00:19:42,600
bonus we just wanted to check in with

404
00:19:48,110 --> 00:19:45,299
you and show Ron destroying my cabin

405
00:19:49,789 --> 00:19:48,120
live on my show while he's here

406
00:19:51,710 --> 00:19:49,799
at least nothing caught up nothing

407
00:19:54,529 --> 00:19:51,720
caught on fire yet you notice my

408
00:19:58,130 --> 00:19:54,539
neighbor said yet right yeah

409
00:20:00,710 --> 00:19:58,140
now one time one time I caught a chair

410
00:20:02,270 --> 00:20:00,720
in here on fire because I put a torch in

411
00:20:04,090 --> 00:20:02,280
the wood stove to light the wood stove

412
00:20:06,650 --> 00:20:04,100
I'm blaming you and then I went outside

413
00:20:08,510 --> 00:20:06,660

I went outside and it like rolled right

414

00:20:09,250 --> 00:20:08,520

to the chair and just lit the chair on

415

00:20:11,870 --> 00:20:09,260

fire

416

00:20:17,450 --> 00:20:11,880

so it's usually the chair you're

417

00:20:22,669 --> 00:20:19,850

so where does the plan we're gonna go

418

00:20:24,490 --> 00:20:22,679

back over to Matt's Meadow Matt has like

419

00:20:26,810 --> 00:20:24,500

a meadow or whatever

420

00:20:29,330 --> 00:20:26,820

wide open area and you could see the sky

421

00:20:31,490 --> 00:20:29,340

better where I am here at the cabin

422

00:20:34,310 --> 00:20:31,500

fire going over there before we were

423

00:20:39,409 --> 00:20:34,320

gonna but we just didn't we just he was

424

00:20:43,610 --> 00:20:41,330

big pile

425

00:20:45,169 --> 00:20:43,620

no I didn't realize yeah it's okay I

426

00:20:51,230 --> 00:20:45,179

just moved a few they got in that's fine

427

00:20:55,610 --> 00:20:53,450

oh you forgot yeah no I

428

00:20:58,730 --> 00:20:55,620

my boss was just like we got one we

429

00:21:01,210 --> 00:20:58,740

gotta get rid of ah yeah put a bunch of

430

00:21:04,010 --> 00:21:01,220

wood in our way

431

00:21:06,049 --> 00:21:04,020

no it's fine

432

00:21:07,789 --> 00:21:06,059

to come through if they really yeah Matt

433

00:21:11,210 --> 00:21:07,799

brings my neighbor Matt brings whole

434

00:21:13,370 --> 00:21:11,220

dump truck loads of trees home from his

435

00:21:15,770 --> 00:21:13,380

job and just dumps him with a dump truck

436

00:21:17,870 --> 00:21:15,780

in his backyard and I pick through and

437

00:21:19,970 --> 00:21:17,880

get all the small stuff and a lot of the

438

00:21:21,830 --> 00:21:19,980

logs that you see here in the walls came

439

00:21:23,690 --> 00:21:21,840

from Matt's wood pile I would just go

440

00:21:27,409 --> 00:21:23,700

over there or he would bring some over

441

00:21:30,110 --> 00:21:27,419

or every time that I I ran out of wood

442

00:21:31,789 --> 00:21:30,120

he had another dump truck load of trees

443

00:21:35,210 --> 00:21:31,799

and we would just chop it up and jam

444

00:21:37,430 --> 00:21:35,220

them in the walls so uh you know a

445

00:21:39,529 --> 00:21:37,440

little bit by little bit or what's the

446

00:21:40,930 --> 00:21:39,539

matter are you still sulking around what

447

00:21:43,549 --> 00:21:40,940

are you talking about are you still

448

00:21:45,529 --> 00:21:43,559

trying to get something enjoy his show

449

00:21:48,049 --> 00:21:45,539

because the way he's been breaking my

450

00:21:49,130 --> 00:21:48,059

balls this may be his last streams of

451
00:21:53,690 --> 00:21:49,140
the

452
00:21:56,570 --> 00:21:53,700
near future I got no I don't think so no

453
00:21:58,970 --> 00:21:56,580
I'm just busting his balls it's e no I'm

454
00:22:01,549 --> 00:21:58,980
on this defense I will say this this is

455
00:22:03,830 --> 00:22:01,559
a stone floor in the living room and

456
00:22:06,890 --> 00:22:03,840
because of that nothing is really level

457
00:22:10,270 --> 00:22:06,900
so that stand is kind of like everything

458
00:22:15,770 --> 00:22:13,490
you can't lean too far into things here

459
00:22:18,049 --> 00:22:15,780
and like even there's a little dip in

460
00:22:20,630 --> 00:22:18,059
the floor over there so I have to put

461
00:22:22,450 --> 00:22:20,640
like pieces of wood under the couch to

462
00:22:26,630 --> 00:22:22,460
level it up

463
00:22:28,970 --> 00:22:26,640

yeah so Ron is uh so in his defense it's

464

00:22:31,430 --> 00:22:28,980

easy to knock things over especially

465

00:22:33,350 --> 00:22:31,440

like this place when I'm drunk is a

466

00:22:35,930 --> 00:22:33,360

hazardous place when I used to drink

467

00:22:39,409 --> 00:22:35,940

stuff myself you'd probably be better

468

00:22:42,289 --> 00:22:39,419

off drinking and driving a good idea to

469

00:22:46,130 --> 00:22:42,299

anybody but yeah and for those who walk

470

00:22:51,049 --> 00:22:48,289

that this embodied voices my neighbor

471

00:22:54,409 --> 00:22:51,059

Matt who's over in the corner over here

472

00:22:56,210 --> 00:22:54,419

yeah yeah yeah so yeah it's red arrows

473

00:22:57,950 --> 00:22:56,220

point I guess the plan is we're gonna go

474

00:22:59,690 --> 00:22:57,960

back these guys are going to make me go

475

00:23:01,190 --> 00:22:59,700

outside again in the freezing cold even

476
00:23:03,770 --> 00:23:01,200
though I told the dummies to come here

477
00:23:07,130 --> 00:23:03,780
last week when it was 50 at night nope

478
00:23:09,110 --> 00:23:07,140
nope and then winter broke the snap the

479
00:23:11,510 --> 00:23:09,120
cold snap came and now it's 18 outside

480
00:23:12,830 --> 00:23:11,520
it's going to be 18 until April but

481
00:23:15,350 --> 00:23:12,840
they're going to make me go back outside

482
00:23:17,570 --> 00:23:15,360
damn straight

483
00:23:19,370 --> 00:23:17,580
got a Bigfoot to catch or I'll just hang

484
00:23:21,230 --> 00:23:19,380
out in Matt's house he's got a huge wood

485
00:23:24,049 --> 00:23:21,240
burner it's 80 degrees in his basement

486
00:23:26,210 --> 00:23:24,059
until uh they're done filming but I

487
00:23:28,730 --> 00:23:26,220
guess we're gonna these uh Anthony

488
00:23:31,789 --> 00:23:28,740

already claimed all of the footage even

489

00:23:33,830 --> 00:23:31,799

though it's at my cabin here I don't

490

00:23:37,070 --> 00:23:33,840

know whatever you want yeah but I want

491

00:23:39,950 --> 00:23:37,080

it exclusively it's my cabin it's my sky

492

00:23:41,990 --> 00:23:39,960

it's my sky and there's no if you're

493

00:23:44,090 --> 00:23:42,000

going by that in actuality that would be

494

00:23:49,930 --> 00:23:44,100

Matt's guy yes because we went over on

495

00:23:53,810 --> 00:23:52,250

don't you want me to have the footage

496

00:23:56,510 --> 00:23:53,820

man not them

497

00:23:58,789 --> 00:23:56,520

yeah he does he absolutely does well

498

00:24:00,770 --> 00:23:58,799

these guys were very nice uh Anthony

499

00:24:03,409 --> 00:24:00,780

bought a cake we're gonna eat a cake

500

00:24:05,990 --> 00:24:03,419

later and I've been on this low carb

501
00:24:08,149 --> 00:24:06,000
diet he brought a really nice Italian

502
00:24:09,830 --> 00:24:08,159
bread and I cracked and ate some bread

503
00:24:11,750 --> 00:24:09,840
I'm gonna eat some cake

504
00:24:13,789 --> 00:24:11,760
uh but first we're gonna have dinner

505
00:24:15,830 --> 00:24:13,799
part we're gonna go filming and then

506
00:24:17,990 --> 00:24:15,840
we're gonna have dinner part two and

507
00:24:21,049 --> 00:24:18,000
then eat some cake and I got chocolate

508
00:24:23,330 --> 00:24:21,059
milk too so I'm gonna have a fun night

509
00:24:25,010 --> 00:24:23,340
absolutely yeah and I'm supposed to

510
00:24:28,130 --> 00:24:25,020
stream at some point

511
00:24:29,750 --> 00:24:28,140
I probably someday I don't know you can

512
00:24:31,610 --> 00:24:29,760
stream whatever you want but you can't

513
00:24:34,970 --> 00:24:31,620

stream at the same time as me and it's

514

00:24:37,610 --> 00:24:34,980

my Wi-Fi don't cry it's not that I'm not

515

00:24:40,130 --> 00:24:37,620

saying that oh he changed it from 10. so

516

00:24:41,990 --> 00:24:40,140

then I said I'll go at 11 30. okay and

517

00:24:44,270 --> 00:24:42,000

then you started at 11 30. but I gotta

518

00:24:45,890 --> 00:24:44,280

go by yourself no it's not anybody's

519

00:24:48,230 --> 00:24:45,900

rules it's just everything is hectic

520

00:24:51,590 --> 00:24:48,240

these guys got here and I was lighting

521

00:24:54,230 --> 00:24:51,600

two fires in Wood burners cooking three

522

00:24:57,590 --> 00:24:54,240

racks of ribs and shrimp and chicken

523

00:24:59,750 --> 00:24:57,600

wings and and telling them where to Stow

524

00:25:01,789 --> 00:24:59,760

their gear I had to teach them how to

525

00:25:03,710 --> 00:25:01,799

use the toilet here because they're City

526
00:25:05,930 --> 00:25:03,720
Slickers and they don't understand that

527
00:25:07,789 --> 00:25:05,940
it's a composting toilet you don't yeah

528
00:25:09,890 --> 00:25:07,799
I never you don't want to wash it so I

529
00:25:13,190 --> 00:25:09,900
had to explain to them did anybody drop

530
00:25:15,770 --> 00:25:13,200
a deuce in there yet no Matt is my

531
00:25:17,810 --> 00:25:15,780
witness does it does it ever smell in

532
00:25:19,750 --> 00:25:17,820
there oh horrible those are the only

533
00:25:22,430 --> 00:25:19,760
logs you're going to see me driving

534
00:25:24,049 --> 00:25:22,440
the composting toilet is so much better

535
00:25:26,390 --> 00:25:24,059
than an outhouse because when you have

536
00:25:27,890 --> 00:25:26,400
an outhouse you we had we were going to

537
00:25:29,930 --> 00:25:27,900
do that but like you got to go outside

538
00:25:31,970 --> 00:25:29,940

when it's 20 outside every time you got

539

00:25:34,310 --> 00:25:31,980

to use the bathroom so the composting

540

00:25:36,830 --> 00:25:34,320

toilet is in there and it's got a

541

00:25:38,810 --> 00:25:36,840

separator and it really Matt does it

542

00:25:40,190 --> 00:25:38,820

ever smell in there I always tell them

543

00:25:41,870 --> 00:25:40,200

to tell me the truth because if it does

544

00:25:42,890 --> 00:25:41,880

smell you got to do something about it

545

00:25:44,990 --> 00:25:42,900

but generally

546

00:25:47,870 --> 00:25:45,000

I empty it once every couple of months

547

00:25:51,190 --> 00:25:47,880

and it turns into compost for for the

548

00:25:56,269 --> 00:25:54,350

yeah no I don't use it for some people

549

00:25:58,070 --> 00:25:56,279

do there's a book called humidor and

550

00:26:00,470 --> 00:25:58,080

people do they compost their own crap

551
00:26:03,350 --> 00:26:00,480
and they used it in the and they use it

552
00:26:06,110 --> 00:26:03,360
in there yeah and we have UFO John Doe

553
00:26:08,990 --> 00:26:06,120
here with the kind of generous dollars

554
00:26:11,930 --> 00:26:09,000
the Philly Brotherly Love busting balls

555
00:26:13,970 --> 00:26:11,940
go Birds yeah yeah are they playing

556
00:26:15,710 --> 00:26:13,980
tonight I don't I'm not an eagles guy

557
00:26:17,690 --> 00:26:15,720
I'm not a sports guy he loves their own

558
00:26:20,210 --> 00:26:17,700
brand right so I don't know yeah so

559
00:26:23,330 --> 00:26:20,220
we're gonna go back and film and then uh

560
00:26:25,549 --> 00:26:23,340
I'm gonna call my lawyer to make sure

561
00:26:28,190 --> 00:26:25,559
that I get all the footage because you

562
00:26:29,510 --> 00:26:28,200
know it's my sky I invited them here I

563
00:26:32,330 --> 00:26:29,520

don't care if it's their cameras and

564

00:26:34,549 --> 00:26:32,340

[h__\h] it's my sky I think that I really

565

00:26:37,909 --> 00:26:34,559

don't think anybody can own this guy my

566

00:26:40,130 --> 00:26:37,919

exclusive Skywatch footage figure it out

567

00:26:42,049 --> 00:26:40,140

yeah it's my exclusive Sky watching

568

00:26:44,510 --> 00:26:42,059

footage from the apocalypse cabin and

569

00:26:46,310 --> 00:26:44,520

anthy's trying to steal it from me and

570

00:26:49,730 --> 00:26:46,320

played on his show that's right that's

571

00:26:51,529 --> 00:26:49,740

right and uh yeah no uh and then so

572

00:26:54,470 --> 00:26:51,539

we're gonna go They're gonna make me go

573

00:26:56,210 --> 00:26:54,480

outside and uh be cold but we only did

574

00:26:58,130 --> 00:26:56,220

it for like an hour or two but hey I'm

575

00:27:02,149 --> 00:26:58,140

just gonna use binoculars he's filming

576

00:27:06,529 --> 00:27:05,269

to me it is amazing you got it Matt you

577

00:27:08,690 --> 00:27:06,539

got to see through the sky through the

578

00:27:11,330 --> 00:27:08,700

psionics it's amazing because I set up

579

00:27:13,370 --> 00:27:11,340

on your stream like you it's basically

580

00:27:14,870 --> 00:27:13,380

like the stars are already beautiful and

581

00:27:16,730 --> 00:27:14,880

there's so many of them here because

582

00:27:18,230 --> 00:27:16,740

we're at this huge high elevation up in

583

00:27:20,269 --> 00:27:18,240

the mountains but then you use that

584

00:27:22,430 --> 00:27:20,279

psionic and you start seeing all the

585

00:27:23,870 --> 00:27:22,440

littler stars or more distant stars that

586

00:27:25,730 --> 00:27:23,880

are in between all the stars you can see

587

00:27:27,590 --> 00:27:25,740

with the naked eye and it like there's

588

00:27:30,169 --> 00:27:27,600

probably like 10 times more stars but

589

00:27:32,390 --> 00:27:30,179

you don't see them with the naked eye so

590

00:27:34,970 --> 00:27:32,400

you see the whole like Milky Way and

591

00:27:37,070 --> 00:27:34,980

arms in the Milky Way it's beautiful

592

00:27:39,110 --> 00:27:37,080

it's really beautiful and amazing yeah

593

00:27:40,789 --> 00:27:39,120

and it's color night vision so it's not

594

00:27:43,490 --> 00:27:40,799

like green or black and white it's all

595

00:27:46,130 --> 00:27:43,500

color yeah it's really yeah and I wanted

596

00:27:47,930 --> 00:27:46,140

to mention I I'm not I didn't want to we

597

00:27:49,549 --> 00:27:47,940

we had such a hectic day today that I

598

00:27:51,649 --> 00:27:49,559

just didn't want to aggravate myself but

599

00:27:54,470 --> 00:27:51,659

starting Monday we're going to be live

600

00:27:56,570 --> 00:27:54,480

streaming uh to rumble and odyssey as

601
00:27:59,210 --> 00:27:56,580
well as our usual locations YouTube

602
00:28:01,730 --> 00:27:59,220
Twitter and Facebook oh we're going to

603
00:28:03,890 --> 00:28:01,740
be live streaming also to rumble Odyssey

604
00:28:05,930 --> 00:28:03,900
and twitch starting Monday this coming

605
00:28:09,649 --> 00:28:05,940
Monday 9 p.m and I have an interview

606
00:28:12,289 --> 00:28:09,659
with Luis caitano many of you uh have

607
00:28:14,029 --> 00:28:12,299
seen him uh I think he's doing something

608
00:28:16,370 --> 00:28:14,039
with Leah with that invisible night

609
00:28:18,590 --> 00:28:16,380
school but he's been a guest before and

610
00:28:20,870 --> 00:28:18,600
he like Steve long is one of those most

611
00:28:22,490 --> 00:28:20,880
requested guests people keep asking me

612
00:28:24,409 --> 00:28:22,500
when you should have him again he should

613
00:28:26,210 --> 00:28:24,419

have him again but he got deleted from

614

00:28:30,110 --> 00:28:26,220

Twitter for something for like fighting

615

00:28:32,090 --> 00:28:30,120

with a Nazi imagine that and uh I

616

00:28:33,470 --> 00:28:32,100

haven't talked to him so I we've

617

00:28:36,590 --> 00:28:33,480

reconnected and he's going to be here

618

00:28:40,029 --> 00:28:36,600

Monday 9 p.m Eastern Standard Time and

619

00:28:42,230 --> 00:28:40,039

we're going to be Broadcasting our first

620

00:28:45,529 --> 00:28:42,240

simulcast with those extra locations

621

00:28:48,169 --> 00:28:45,539

Rumble Odyssey and twitch we used to we

622

00:28:50,029 --> 00:28:48,179

used to go on Twitch but I thought the

623

00:28:51,470 --> 00:28:50,039

views were better on Twitter and and if

624

00:28:52,730 --> 00:28:51,480

you've only got so many slots we

625

00:28:54,710 --> 00:28:52,740

switched it to Twitter but we're going

626
00:28:56,630 --> 00:28:54,720
to switch it back and Ron are you gonna

627
00:28:59,029 --> 00:28:56,640
do a stream later tonight

628
00:29:01,549 --> 00:28:59,039
I said at 12 30 when he's done wrecking

629
00:29:03,890 --> 00:29:01,559
my cabin he's gonna do a stream while

630
00:29:06,289 --> 00:29:03,900
it's burning down from there when

631
00:29:08,330 --> 00:29:06,299
Stephen lets him yeah yeah no you could

632
00:29:12,470 --> 00:29:08,340
have streamed whatever I don't I could

633
00:29:14,330 --> 00:29:12,480
have skipped on tonight right no no well

634
00:29:15,950 --> 00:29:14,340
we wanted to we I know you were all

635
00:29:18,289 --> 00:29:15,960
curious and I'm sorry we couldn't get

636
00:29:20,510 --> 00:29:18,299
the live we originally I thought we were

637
00:29:24,010 --> 00:29:20,520
gonna have like live feeds of uh the

638
00:29:26,510 --> 00:29:24,020

Fleer and it's so cold that the cameras

639

00:29:28,789 --> 00:29:26,520

there you go UFO John Doe with another

640

00:29:30,769 --> 00:29:28,799

kind of generous dollar 99

641

00:29:34,389 --> 00:29:30,779

before that did I

642

00:29:38,930 --> 00:29:34,399

think so the guys should Office Space

643

00:29:41,690 --> 00:29:38,940

that printer live yeah I got it back you

644

00:29:43,549 --> 00:29:41,700

want to watch office space that 3D

645

00:29:46,250 --> 00:29:43,559

printer live will just stream me

646

00:29:48,649 --> 00:29:46,260

destroying it oh I'm cool with that that

647

00:29:48,659 --> 00:29:52,730

to yeah

648

00:29:58,190 --> 00:29:55,690

yeah the 400 in super chats I'll do that

649

00:29:59,690 --> 00:29:58,200

I'll pray for the printer yeah well

650

00:30:01,310 --> 00:29:59,700

thank you very much for your kindness

651
00:30:03,289 --> 00:30:01,320
generosity and support let's make sure

652
00:30:04,630 --> 00:30:03,299
we didn't miss one oh we got Heather

653
00:30:07,850 --> 00:30:04,640
birdie

654
00:30:09,830 --> 00:30:07,860
uh oh I did miss one or does that one oh

655
00:30:11,930 --> 00:30:09,840
no we got that one too

656
00:30:14,210 --> 00:30:11,940
and I think we got to Heather birdie

657
00:30:16,190 --> 00:30:14,220
yeah let me just make sure

658
00:30:19,490 --> 00:30:16,200
we thank every kind and generous

659
00:30:22,970 --> 00:30:19,500
benefactor and thank you uh for sending

660
00:30:24,350 --> 00:30:22,980
some love uh I have said this before if

661
00:30:26,750 --> 00:30:24,360
we have time tomorrow I'm going to take

662
00:30:28,850 --> 00:30:26,760
these guys over and show them the the

663
00:30:30,370 --> 00:30:28,860

new land that I got that's going to be

664

00:30:33,289 --> 00:30:30,380

the studio

665

00:30:34,850 --> 00:30:33,299

sort of cabin and Studio

666

00:30:37,250 --> 00:30:34,860

and uh

667

00:30:40,130 --> 00:30:37,260

yeah so that

668

00:30:41,990 --> 00:30:40,140

that'll be interesting if we have time I

669

00:30:44,029 --> 00:30:42,000

can take you over there

670

00:30:47,269 --> 00:30:44,039

um we're gonna have the studio built

671

00:30:50,450 --> 00:30:47,279

there uh on land near here it's within

672

00:30:51,769 --> 00:30:50,460

the walk but this crazy guy my

673

00:30:53,870 --> 00:30:51,779

neighbor's like yeah you just walk

674

00:30:56,870 --> 00:30:53,880

through that State Forest land and you

675

00:30:59,330 --> 00:30:56,880

you and you go through here and I got so

676
00:31:03,169 --> 00:30:59,340
lost in the woods for like an hour and a

677
00:31:04,789 --> 00:31:03,179
half two hours the GPS drops and then

678
00:31:21,549 --> 00:31:04,799
you're in the middle of the woods you

679
00:31:27,409 --> 00:31:25,250
it's 2.5 mile hike from here now that I

680
00:31:30,470 --> 00:31:27,419
have found the proper way to go you

681
00:31:32,810 --> 00:31:30,480
follow you follow those uh power line

682
00:31:34,970 --> 00:31:32,820
that road until you go to that road

683
00:31:38,510 --> 00:31:34,980
that's on the back of my property and

684
00:31:40,310 --> 00:31:38,520
you just so you just go out boom boom

685
00:31:42,889 --> 00:31:40,320
and you're there yeah it I feel like

686
00:31:45,769 --> 00:31:42,899
you'd still get lost no I did it already

687
00:31:47,210 --> 00:31:45,779
I did it already and I did not get lost

688
00:31:49,370 --> 00:31:47,220

yeah

689

00:31:51,470 --> 00:31:49,380

it's a great place to hide bodies too

690

00:31:53,269 --> 00:31:51,480

that what places really this place is in

691

00:31:55,430 --> 00:31:53,279

the woods but that place is really in

692

00:31:57,169 --> 00:31:55,440

the woods it's really really in the

693

00:31:59,690 --> 00:31:57,179

middle of nowhere and there's no

694

00:32:00,769 --> 00:31:59,700

neighbors for a mile and a half or a

695

00:32:08,930 --> 00:32:00,779

mile

696

00:32:11,029 --> 00:32:08,940

something the other other way it's it's

697

00:32:12,889 --> 00:32:11,039

pretty interesting maybe we'll go over

698

00:32:15,049 --> 00:32:12,899

there tomorrow

699

00:32:18,789 --> 00:32:15,059

yeah why not

700

00:32:22,549 --> 00:32:18,799

after Ron fixes my 3D printer yeah man

701
00:32:26,710 --> 00:32:24,889
right now no no I barely have marked the

702
00:32:28,730 --> 00:32:26,720
edges of the property

703
00:32:31,549 --> 00:32:28,740
like what are you gonna put that on

704
00:32:33,230 --> 00:32:31,559
we're gonna put it on a table what table

705
00:32:35,330 --> 00:32:33,240
in that sun room you saw I just got to

706
00:32:37,010 --> 00:32:35,340
clean up in there and then if you're in

707
00:32:39,169 --> 00:32:37,020
a printing deal that needs to stay warm

708
00:32:41,690 --> 00:32:39,179
you can't print in that cold

709
00:32:43,370 --> 00:32:41,700
and I mean warm not wet cold air coming

710
00:32:45,230 --> 00:32:43,380
in and all that it's not a good place

711
00:32:57,669 --> 00:32:45,240
all right well we'll figure something

712
00:33:01,610 --> 00:33:00,350
three three seasons a year maybe not in

713
00:33:03,409 --> 00:33:01,620

the winter

714

00:33:05,510 --> 00:33:03,419

yeah

715

00:33:07,070 --> 00:33:05,520

we'll clean off this kitchen table and

716

00:33:09,710 --> 00:33:07,080

put it right there I don't care we don't

717

00:33:11,210 --> 00:33:09,720

ever eat off that kitchen table I don't

718

00:33:13,269 --> 00:33:11,220

I don't eat there

719

00:33:15,529 --> 00:33:13,279

yeah

720

00:33:17,269 --> 00:33:15,539

I just want to just let you know like

721

00:33:18,649 --> 00:33:17,279

where if you put it somewhere go in

722

00:33:20,509 --> 00:33:18,659

there and tell me if it's warm enough in

723

00:33:22,210 --> 00:33:20,519

the kitchen that's why I have a t-shirt

724

00:33:26,630 --> 00:33:22,220

on right now

725

00:33:28,909 --> 00:33:26,640

yeah so uh

726

00:33:30,710 --> 00:33:28,919

yeah so we're gonna we're gonna bounce

727

00:33:33,830 --> 00:33:30,720

on out of here we just wanted to check

728

00:33:35,990 --> 00:33:33,840

in with you and it um I think these guys

729

00:33:37,310 --> 00:33:36,000

family members wanted to make sure that

730

00:33:40,310 --> 00:33:37,320

they weren't like caught up in the

731

00:33:42,230 --> 00:33:40,320

little pieces and buried in them in the

732

00:33:44,930 --> 00:33:42,240

in the woods somewhere

733

00:33:47,889 --> 00:33:44,940

yeah no we're gonna really chain us back

734

00:33:50,930 --> 00:33:47,899

up so somebody send up a constable

735

00:33:52,850 --> 00:33:50,940

in a golf cart the golf cart concept

736

00:33:55,669 --> 00:33:52,860

with a big flashlight no he's got a car

737

00:33:59,450 --> 00:33:55,679

sometimes we're talking about Mr Leahy

738

00:34:01,730 --> 00:33:59,460

here yeah that guy so uh we're gonna go

739

00:34:04,070 --> 00:34:01,740

do this Skywatch I apologize that we

740

00:34:06,110 --> 00:34:04,080

can't just insta share the the footage

741

00:34:08,810 --> 00:34:06,120

but it's gonna be at least some

742

00:34:11,149 --> 00:34:08,820

beautiful footage of uh the the night

743

00:34:16,389 --> 00:34:11,159

sky up super high up here in the

744

00:34:21,589 --> 00:34:19,970

nope my lawyer's gonna call him and

745

00:34:22,550 --> 00:34:21,599

never know we might get lucky key and

746

00:34:25,310 --> 00:34:22,560

see something

747

00:34:26,450 --> 00:34:25,320

yeah there's amazing we're going to

748

00:34:28,550 --> 00:34:26,460

check the we're going to check the

749

00:34:30,530 --> 00:34:28,560

schedule for the saddle to look for some

750

00:34:32,690 --> 00:34:30,540

satellites and hopefully we're going to

751

00:34:34,669 --> 00:34:32,700

see starlink tonight that'll be

752

00:34:37,609 --> 00:34:34,679

interesting if we could see the Starling

753

00:34:39,649 --> 00:34:37,619

usually you can see a satellite every 15

754

00:34:41,629 --> 00:34:39,659

minutes up here yeah after a certain

755

00:34:43,550 --> 00:34:41,639

time though I don't think earlier in the

756

00:34:44,930 --> 00:34:43,560

night you can no I think it's like three

757

00:34:46,609 --> 00:34:44,940

four in the morning that's when they

758

00:34:48,109 --> 00:34:46,619

that's when they really go buzzing over

759

00:34:49,369 --> 00:34:48,119

you're right because I'm up at three or

760

00:34:52,550 --> 00:34:49,379

four in the morning and I've seen them

761

00:34:54,290 --> 00:34:52,560

up there at that time so uh yeah that's

762

00:34:57,950 --> 00:34:54,300

really all we got for you just checking

763

00:35:01,250 --> 00:34:57,960

in with you guys and uh uh you know uh

764

00:35:02,930 --> 00:35:01,260

this is a bonus show for uh for for you

765

00:35:05,510 --> 00:35:02,940

guys just wanted to check in with you

766

00:35:07,790 --> 00:35:05,520

before my cabin gets burnt down by Ron

767

00:35:10,849 --> 00:35:07,800

because he's in a bad crabby mood

768

00:35:12,730 --> 00:35:10,859

or Anthony uh no he's been in a pretty

769

00:35:15,470 --> 00:35:12,740

good mood Anthony

770

00:35:17,150 --> 00:35:15,480

he's having a good time well let me ask

771

00:35:19,609 --> 00:35:17,160

you guys something if somebody keeps

772

00:35:21,470 --> 00:35:19,619

saying you're in a bad crabby mood why

773

00:35:24,829 --> 00:35:21,480

don't you get into it become a bad

774

00:35:26,829 --> 00:35:24,839

crabby person like that I'm chilling

775

00:35:29,210 --> 00:35:26,839

okay

776

00:35:31,310 --> 00:35:29,220

relax we'll take you back out you can

777

00:35:33,650 --> 00:35:31,320

play with more toys he gets upset we're

778

00:35:35,390 --> 00:35:33,660

trying to get him nice you've had your

779

00:35:36,829 --> 00:35:35,400

face in your phone and your laptop the

780

00:35:39,109 --> 00:35:36,839

whole time you're here though like yeah

781

00:35:42,349 --> 00:35:39,119

change it to time on my stream that's

782

00:35:44,690 --> 00:35:42,359

all I've been doing okay well you can

783

00:35:48,470 --> 00:35:44,700

stream as soon as I'm done

784

00:35:52,550 --> 00:35:48,480

yeah is it another one

785

00:35:55,970 --> 00:35:52,560

uh no core Bell or James Fox BS hoaxing

786

00:35:58,130 --> 00:35:55,980

yeah uh too bad we had some plans I

787

00:36:00,170 --> 00:35:58,140

filmed some sheet of glass and we had

788

00:36:03,290 --> 00:36:00,180

some bike tail lights we were gonna make

789

00:36:05,450 --> 00:36:03,300

a UFO tonight but we won't be able to do

790

00:36:08,150 --> 00:36:05,460

that and by the way still in the

791

00:36:11,630 --> 00:36:08,160

description of my video is uh two

792

00:36:13,849 --> 00:36:11,640

separate documentaries one is uh the

793

00:36:15,829 --> 00:36:13,859

hoax files third fate of phase of moon

794

00:36:18,890 --> 00:36:15,839

exposed and that covers a lot of their

795

00:36:20,870 --> 00:36:18,900

early hokey as CGI fake aliens and

796

00:36:23,750 --> 00:36:20,880

creature videos and their bad acting

797

00:36:26,750 --> 00:36:23,760

pretending they're busting a hoaxer it

798

00:36:28,490 --> 00:36:26,760

is hysterical and it was copyright

799

00:36:30,589 --> 00:36:28,500

stricken off of YouTube but it's

800

00:36:32,150 --> 00:36:30,599

available on my Odyssey Channel and then

801

00:36:34,910 --> 00:36:32,160

there's the second one the one that I

802

00:36:38,270 --> 00:36:34,920

edited third phase of fake recent fake

803

00:36:40,430 --> 00:36:38,280

hoaxes and misrepresentations and uh

804

00:36:43,550 --> 00:36:40,440

we're gonna we're gonna have a third one

805

00:36:45,890 --> 00:36:43,560

soon because now Rich got caught he knew

806

00:36:49,490 --> 00:36:45,900

he was lying for a year

807

00:36:52,270 --> 00:36:49,500

you know that story yeah and uh now he's

808

00:36:54,650 --> 00:36:52,280

making videos behind a paywall you know

809

00:36:57,710 --> 00:36:54,660

explaining why he was lying to everybody

810

00:36:59,990 --> 00:36:57,720

for the past year so uh we're gonna make

811

00:37:02,510 --> 00:37:00,000

another third phase of of fake

812

00:37:05,210 --> 00:37:02,520

documentary and just update everybody

813

00:37:07,609 --> 00:37:05,220

that the first two documentaries were a

814

00:37:09,290 --> 00:37:07,619

hundred percent right and Rich lied the

815

00:37:12,530 --> 00:37:09,300

whole time attacked us for producing

816

00:37:16,130 --> 00:37:12,540

those documentaries because uh he's a

817

00:37:18,589 --> 00:37:16,140

slime ball and uh he needs he needs he

818

00:37:19,970 --> 00:37:18,599

needs the Super Chat money so badly that

819

00:37:22,030 --> 00:37:19,980

he's willing to run around calling

820

00:37:24,770 --> 00:37:22,040

people pedos because they tell the truth

821

00:37:28,069 --> 00:37:24,780

disgusting yeah it's great

822

00:37:29,930 --> 00:37:28,079

it's great but uh you know uh those

823

00:37:32,630 --> 00:37:29,940

documentaries are in the description of

824

00:37:35,450 --> 00:37:32,640

this video and they are free I welcome

825

00:37:38,089 --> 00:37:35,460

all of our uh audio podcast listeners I

826

00:37:39,890 --> 00:37:38,099

want to remind you uh that we love you

827

00:37:42,829 --> 00:37:39,900

over there at audio podcast land and the

828

00:37:44,390 --> 00:37:42,839

audio podcast is growing every week but

829

00:37:46,190 --> 00:37:44,400

you're missing half the fun so go on

830

00:37:48,410 --> 00:37:46,200

over to YouTube and put true Seekers one

831

00:37:50,030 --> 00:37:48,420

word in the search bar and look for me

832

00:37:51,530 --> 00:37:50,040

the strange guy with sunglasses go to

833

00:37:53,569 --> 00:37:51,540

the Channel smash the Subscribe button

834

00:37:55,490 --> 00:37:53,579

hit the notification Bell and you too

835

00:37:57,650 --> 00:37:55,500

will know when we're doing a live

836

00:38:00,530 --> 00:37:57,660

broadcast and come here and be a part of

837

00:38:02,750 --> 00:38:00,540

it you are most welcome and we want to

838

00:38:03,950 --> 00:38:02,760

thank all of the live chat moderators we

839

00:38:06,589 --> 00:38:03,960

want to thank you kind of generous

840

00:38:10,250 --> 00:38:06,599

benefactors the super Chatters PayPal

841

00:38:12,230 --> 00:38:10,260

donators cash app uh pledgers you

842

00:38:14,030 --> 00:38:12,240

patreon supporters and channel members

843

00:38:17,030 --> 00:38:14,040

instructions for how to support our show

844

00:38:18,290 --> 00:38:17,040

is in the description of the video and I

845

00:38:20,030 --> 00:38:18,300

just want to say while I have these two

846

00:38:21,770 --> 00:38:20,040

guys here that I have noticed some of

847

00:38:24,130 --> 00:38:21,780

you have been giving them money instead

848

00:38:31,550 --> 00:38:29,329

if this continues I I think that they

849

00:38:33,890 --> 00:38:31,560

may disappear this weekend because then

850

00:38:37,069 --> 00:38:33,900

right then the super chats will reverse

851
00:38:39,230 --> 00:38:37,079
exactly split and no we're not yeah you

852
00:38:41,089 --> 00:38:39,240
can have six dollars I'll we're gonna

853
00:38:43,010 --> 00:38:41,099
break up so I'll give you two dollars I

854
00:38:44,810 --> 00:38:43,020

855
00:38:47,690 --> 00:38:44,820
we'll do it and I keep the footage

856
00:38:50,630 --> 00:38:47,700
though all the I'm keeping all of the

857
00:38:53,089 --> 00:38:50,640
footage so we're gonna bounce on out of

858
00:38:55,310 --> 00:38:53,099
here friends and we are going to uh have

859
00:39:01,430 --> 00:38:55,320
dinner part two we're gonna try to get

860
00:39:06,589 --> 00:39:03,170
[Music]

861
00:39:09,770 --> 00:39:06,599
he needs he needs some happy pills or

862
00:39:17,089 --> 00:39:14,210
I got some green happy pills now

863
00:39:18,829 --> 00:39:17,099

okay I think he needs some edibles or

864

00:39:22,849 --> 00:39:18,839

something the Mellow amount don't you

865

00:39:25,370 --> 00:39:22,859

think so yeah I think he does yeah so uh

866

00:39:28,310 --> 00:39:25,380

yeah what else can I say friends uh

867

00:39:30,710 --> 00:39:28,320

amazing that this works at all here but

868

00:39:32,210 --> 00:39:30,720

00:39:34,970 --> 00:39:32,220

the Wi-Fi off when we're done the

890

00:40:25,430 --> 00:40:23,099

broadcast to piss him off because that

891

00:40:28,310 --> 00:40:25,440

[h__\h] would be funny it would

892

00:40:30,050 --> 00:40:28,320

be me I'm later on my phone I might do

893

00:40:32,089 --> 00:40:30,060
