

# REFUSES TO ANSWER ETHICS QUESTIONS DR. GARRY NOLAN

HIT LIKE IF HE BLOCKED YOU ON TWITTER

*Truth Seekers*

1  
00:00:49,130 --> 00:00:43,729

[Music]

2  
00:00:54,350 --> 00:00:49,140  
um uh I I I probably would be more

3  
00:00:56,209 --> 00:00:54,360  
cautious about in terms of how we

4  
00:00:59,889 --> 00:00:56,219  
presented

5  
00:01:04,070 --> 00:00:59,899  
is the sphere story

6  
00:01:08,350 --> 00:01:04,080  
uh for the simple fact that we just

7  
00:01:12,469 --> 00:01:08,360  
don't know yet with the release or isn't

8  
00:01:15,590 --> 00:01:12,479  
non-human technology we have new

9  
00:01:18,830 --> 00:01:15,600  
conclusive proof testable evidence of

10  
00:01:23,149 --> 00:01:18,840  
alien technology frankly

11  
00:01:25,969 --> 00:01:23,159  
lost a lot of people want us to say yeah

12  
00:01:30,170 --> 00:01:25,979  
it's alien technology

13  
00:01:33,170 --> 00:01:30,180

we're not going to say that we have new

14

00:01:36,289 --> 00:01:33,180

conclusive proof testable evidence of

15

00:01:39,230 --> 00:01:36,299

alien technology this renowned scientist

16

00:01:42,890 --> 00:01:39,240

confirms it all whilst a lot of people

17

00:01:44,569 --> 00:01:42,900

want us to say yeah it's alien

18

00:01:48,969 --> 00:01:44,579

technology

19

00:01:53,270 --> 00:01:48,979

we're not going to say that because

20

00:01:56,330 --> 00:01:53,280

that terrible danger we have new

21

00:01:59,450 --> 00:01:56,340

conclusive proof testable evidence of

22

00:02:04,010 --> 00:01:59,460

alien technology a lot of people want us

23

00:02:07,789 --> 00:02:04,020

to say yeah it's alien technology

24

00:02:10,130 --> 00:02:07,799

we're not going to say that alien

25

00:02:14,030 --> 00:02:10,140

technology this renowned scientist

26

00:02:17,030 --> 00:02:14,040

confirms it all we're not going to say

27

00:02:20,030 --> 00:02:17,040

that a new conclusive proof testable

28

00:02:23,270 --> 00:02:20,040

evidence of alien technology this

29

00:02:26,690 --> 00:02:23,280

renowned scientist confirms it all we're

30

00:02:30,229 --> 00:02:26,700

not going to say that uh through the

31

00:02:33,490 --> 00:02:30,239

simple fact that we just don't know yet

32

00:02:37,369 --> 00:02:33,500

with the release or a recent

33

00:02:41,230 --> 00:02:37,379

non-human Technologies

34

00:03:08,330 --> 00:02:55,180

[Laughter]

35

00:03:13,550 --> 00:03:11,750

and can I just say you know even though

36

00:03:15,470 --> 00:03:13,560

I'm not entirely comfortable at times

37

00:03:16,850 --> 00:03:15,480

with the way they sensationalize in

38

00:03:19,309 --> 00:03:16,860

their promos because I thought the

39

00:03:22,490 --> 00:03:19,319

promos for our story were a Ted over the

40

00:03:24,770 --> 00:03:22,500

top at times what you're seeing here is

41

00:03:27,170 --> 00:03:24,780

momentous you think that's alien

42

00:03:30,530 --> 00:03:27,180

technology yes I just thought the promos

43

00:03:33,110 --> 00:03:30,540

for our story were a tad over the top we

44

00:03:37,490 --> 00:03:33,120

have new conclusive proof testable

45

00:03:39,610 --> 00:03:37,500

evidence of alien technology and over

46

00:03:42,589 --> 00:03:39,620

the top at times

47

00:03:44,690 --> 00:03:42,599

is it possible to exceed the speed of

48

00:03:48,350 --> 00:03:44,700

light the answer is yes the biggest

49

00:03:52,250 --> 00:03:48,360

Discovery in human history promos for a

50

00:03:55,789 --> 00:03:52,260

story word Ted over the top new evidence

51  
00:03:59,330 --> 00:03:55,799  
that has to be seen to be believed a new

52  
00:04:02,809 --> 00:03:59,340  
Spotlight Sunday on seven and seven plus

53  
00:04:05,050 --> 00:04:02,819  
um not entirely comfortable at times

54  
00:04:08,270 --> 00:04:05,060  
with the way they

55  
00:04:11,990 --> 00:04:08,280  
sensationalize and their promos because

56  
00:04:37,100 --> 00:04:12,000  
I thought the promos for our story were

57  
00:04:37,110 --> 00:05:15,010  
[Music]

58  
00:05:35,930 --> 00:05:17,250  
thank you

59  
00:06:26,650 --> 00:05:35,940  
[Music]

60  
00:06:26,660 --> 00:06:29,809  
thank you

61  
00:06:36,050 --> 00:06:32,210  
greetings and salutations friends and

62  
00:06:38,390 --> 00:06:36,060  
welcome back we are back here tonight on

63  
00:06:41,749 --> 00:06:38,400

uh the eve of Thanksgiving Happy

64

00:06:44,210 --> 00:06:41,759

Thanksgiving to all of you out there uh

65

00:06:47,210 --> 00:06:44,220

I can already smell something cooking

66

00:06:49,790 --> 00:06:47,220

here in the cambian homestead my wife is

67

00:06:52,010 --> 00:06:49,800

uh cleaning and cooking all night I'll

68

00:06:54,890 --> 00:06:52,020

be uh pitching in to help after

69

00:06:56,809 --> 00:06:54,900

tonight's broadcast thank you all so

70

00:06:59,749 --> 00:06:56,819

much for being here we are broadcasting

71

00:07:03,170 --> 00:06:59,759

live to two different Facebook locations

72

00:07:06,469 --> 00:07:03,180

YouTube twitch Twitter

73

00:07:08,809 --> 00:07:06,479

Odyssey and Rumble and we welcome our

74

00:07:11,090 --> 00:07:08,819

new friends uh we welcome some of our

75

00:07:13,670 --> 00:07:11,100

old friends back to our twitch Channel

76

00:07:16,969 --> 00:07:13,680

which is now being put back into

77

00:07:20,870 --> 00:07:16,979

operation we welcome new friends at

78

00:07:21,969 --> 00:07:20,880

Odyssey and Rumpel there uh watching the

79

00:07:25,790 --> 00:07:21,979

live stream

80

00:07:28,249 --> 00:07:25,800

and uh of course we welcome all friends

81

00:07:30,290 --> 00:07:28,259

and you people who have been here for

82

00:07:35,089 --> 00:07:30,300

quite some time on YouTube and Twitter

83

00:07:37,850 --> 00:07:35,099

tonight I have a an incredible story uh

84

00:07:40,370 --> 00:07:37,860

which centers around Gary P Nolan but

85

00:07:43,309 --> 00:07:40,380

that's not the true beginning of this

86

00:07:47,210 --> 00:07:43,319

story the story truly began back in

87

00:07:50,450 --> 00:07:47,220

August of this year uh we began our show

88

00:07:52,850 --> 00:07:50,460

with some absolutely ridiculous clips of

89

00:07:55,010 --> 00:07:52,860

Ross coldthart by the way fair use

90

00:07:57,890 --> 00:07:55,020

lawyer letters are standing by will be

91

00:07:59,930 --> 00:07:57,900

critiquing those clips and using them to

92

00:08:00,890 --> 00:07:59,940

educate the public about what I could

93

00:08:03,710 --> 00:08:00,900

only

94

00:08:07,370 --> 00:08:03,720

call a cosmic con

95

00:08:09,469 --> 00:08:07,380

uh because back in August Ross coldthart

96

00:08:12,589 --> 00:08:09,479

decided that he was going to do an

97

00:08:15,409 --> 00:08:12,599

incredibly big Bluff uh Ross culthart

98

00:08:18,290 --> 00:08:15,419

for those that don't know is uh someone

99

00:08:20,930 --> 00:08:18,300

I would consider a less than credible

100

00:08:24,670 --> 00:08:20,940

less than ethical less than moral

101  
00:08:28,309 --> 00:08:24,680  
so-called journalists in the UFO space

102  
00:08:30,290 --> 00:08:28,319  
and he back in August ran something we

103  
00:08:33,709 --> 00:08:30,300  
ran a previous Story by the way our

104  
00:08:36,469 --> 00:08:33,719  
previous story is in the description of

105  
00:08:38,449 --> 00:08:36,479  
the video here or if you're listening on

106  
00:08:40,670 --> 00:08:38,459  
the podcast it's in the description of

107  
00:08:43,310 --> 00:08:40,680  
the podcast

108  
00:08:45,710 --> 00:08:43,320  
um we did a story after he did this

109  
00:08:47,990 --> 00:08:45,720  
called Ross culpart's big Bluff and in

110  
00:08:49,970 --> 00:08:48,000  
that story We detailed how Ross colfar

111  
00:08:53,509 --> 00:08:49,980  
completely and totally lied through his

112  
00:08:55,670 --> 00:08:53,519  
teeth in a whole bunch of promotional

113  
00:08:57,710 --> 00:08:55,680

material and all that promotional

114

00:08:59,690 --> 00:08:57,720

material was promising all kinds of

115

00:09:02,690 --> 00:08:59,700

things and

116

00:09:05,269 --> 00:09:02,700

um directing people to go

117

00:09:08,630 --> 00:09:05,279

and consume you know click on the

118

00:09:11,990 --> 00:09:08,640

monetized video this is a click bait

119

00:09:14,570 --> 00:09:12,000

scam in my opinion because Ross Colt art

120

00:09:17,449 --> 00:09:14,580

used completely deceptive practices and

121

00:09:21,350 --> 00:09:17,459

completely deceptive editing and just

122

00:09:25,730 --> 00:09:21,360

straight outright lies in the promotion

123

00:09:28,329 --> 00:09:25,740

to this monetized video all of the

124

00:09:31,550 --> 00:09:28,339

promos were promising things we heard

125

00:09:33,829 --> 00:09:31,560

like uh you know

126

00:09:35,870 --> 00:09:33,839

let me see here I have the quotes here

127

00:09:39,350 --> 00:09:35,880

quote what you're seeing here is

128

00:09:41,630 --> 00:09:39,360

momentous unquote and then in the actual

129

00:09:44,150 --> 00:09:41,640

promos what he shows is two balloons in

130

00:09:46,910 --> 00:09:44,160

the sky one being a proven Festival

131

00:09:48,350 --> 00:09:46,920

balloon in South America that's what

132

00:09:49,970 --> 00:09:48,360

he's showing on the screen but he's

133

00:09:51,769 --> 00:09:49,980

saying what you're seeing here is

134

00:09:55,009 --> 00:09:51,779

momentous and then we get deceptive

135

00:09:57,710 --> 00:09:55,019

editing cut to a so-called witness the

136

00:10:00,949 --> 00:09:57,720

guy with the ball big metal ball must be

137

00:10:02,630 --> 00:10:00,959

alien uh who says this is alien

138

00:10:05,030 --> 00:10:02,640

technology

139

00:10:07,610 --> 00:10:05,040

uh then we have another quote from Ross

140

00:10:10,490 --> 00:10:07,620

coltar quote we have new conclusive

141

00:10:12,110 --> 00:10:10,500

proof testable evidence of alien

142

00:10:15,350 --> 00:10:12,120

technology

143

00:10:18,050 --> 00:10:15,360

this renowned scientist confirms it all

144

00:10:21,170 --> 00:10:18,060

and then we cut to Michio Kaku

145

00:10:24,829 --> 00:10:21,180

uh on the screen this is completely and

146

00:10:26,810 --> 00:10:24,839

totally and provably now deceptive

147

00:10:28,490 --> 00:10:26,820

practices which is against YouTube's

148

00:10:31,790 --> 00:10:28,500

terms of service that could lose their

149

00:10:34,370 --> 00:10:31,800

entire YouTube channel uh for using this

150

00:10:36,769 --> 00:10:34,380

kind of deceptive practices to click

151

00:10:39,170 --> 00:10:36,779

bait people and entice people to click

152

00:10:41,590 --> 00:10:39,180

on the monetized video it's completely

153

00:10:45,829 --> 00:10:41,600

deceptive what they did and of course

154

00:10:47,870 --> 00:10:45,839

tonight's subject Gary Nolan and uh the

155

00:10:49,930 --> 00:10:47,880

his inability to answer a few simple

156

00:10:53,269 --> 00:10:49,940

ethics question is

157

00:10:56,090 --> 00:10:53,279

deeply involved in this story

158

00:10:58,310 --> 00:10:56,100

now it is very very interesting that

159

00:11:00,650 --> 00:10:58,320

today I learned some new things and one

160

00:11:03,230 --> 00:11:00,660

of the things that I learned is that we

161

00:11:05,690 --> 00:11:03,240

can and do have an effect here

162

00:11:08,210 --> 00:11:05,700

even though we have what some would

163

00:11:12,470 --> 00:11:08,220

consider a small voice our voice is

164

00:11:16,069 --> 00:11:12,480

growing and I believe that the original

165

00:11:18,290 --> 00:11:16,079

video uh which was titled

166

00:11:22,190 --> 00:11:18,300

let's see

167

00:11:23,889 --> 00:11:22,200

Out of This World by Ross colthard and

168

00:11:26,870 --> 00:11:23,899

that was

169

00:11:29,150 --> 00:11:26,880

originally on the seven news Spotlight

170

00:11:30,769 --> 00:11:29,160

I'm talking about the click bait piece

171

00:11:33,230 --> 00:11:30,779

that they produced that they were

172

00:11:36,530 --> 00:11:33,240

driving traffic to with complete and

173

00:11:38,150 --> 00:11:36,540

total deceptive practices and lies and

174

00:11:41,230 --> 00:11:38,160

uh you know

175

00:11:43,850 --> 00:11:41,240

they were driving everyone to this video

176

00:11:45,290 --> 00:11:43,860

uh which I'd like I'd love to play for

177

00:11:48,290 --> 00:11:45,300

you it's called out of this world by

178

00:11:50,870 --> 00:11:48,300

Ross colfar because in that video we

179

00:11:54,490 --> 00:11:50,880

don't get anything that they promised in

180

00:11:58,430 --> 00:11:54,500

the promos we do not get quote

181

00:12:00,889 --> 00:11:58,440

conclusive proof of alien technology

182

00:12:04,490 --> 00:12:00,899

and no renowned scientist confirms

183

00:12:07,790 --> 00:12:04,500

anything in the actual piece that they

184

00:12:11,509 --> 00:12:07,800

clickbaited and by the way last I recall

185

00:12:13,430 --> 00:12:11,519

that piece got over a million monetized

186

00:12:16,490 --> 00:12:13,440

views on YouTube

187

00:12:18,889 --> 00:12:16,500

many have expressed to me that they

188

00:12:21,230 --> 00:12:18,899

consider what happened here a form of

189

00:12:22,970 --> 00:12:21,240

Consumer Fraud

190

00:12:25,130 --> 00:12:22,980

um I'm going to make it very clear that

191

00:12:27,650 --> 00:12:25,140

I'm not here to make any accusations or

192

00:12:29,150 --> 00:12:27,660

judge we are just reporting the facts of

193

00:12:32,210 --> 00:12:29,160

what happened and the facts of what

194

00:12:34,250 --> 00:12:32,220

happened are clearly established by the

195

00:12:36,829 --> 00:12:34,260

evidence that we have in our possession

196

00:12:39,650 --> 00:12:36,839

and can provide and that is that the

197

00:12:42,829 --> 00:12:39,660

promos use deceptive practices outright

198

00:12:46,150 --> 00:12:42,839

lies and deceptive editing to entice

199

00:12:49,370 --> 00:12:46,160

people to click on the monetized video

200

00:12:51,470 --> 00:12:49,380

uh at seven news Spotlight on YouTube

201  
00:12:53,449 --> 00:12:51,480  
and last I checked

202  
00:12:55,129 --> 00:12:53,459  
um last I checked in with it which was

203  
00:12:58,370 --> 00:12:55,139  
right around the time of our previous

204  
00:13:00,530 --> 00:12:58,380  
broadcast Ross cultharts big Bluff

205  
00:13:04,069 --> 00:13:00,540  
I believe that piece got over a million

206  
00:13:05,389 --> 00:13:04,079  
views now the the video apparently has

207  
00:13:09,110 --> 00:13:05,399  
been taken down

208  
00:13:11,870 --> 00:13:09,120  
so if my memory is incorrect on the

209  
00:13:14,569 --> 00:13:11,880  
numbers I would invite Ross colthard or

210  
00:13:17,509 --> 00:13:14,579  
Gary P Nolan to correct me how many

211  
00:13:20,030 --> 00:13:17,519  
monetized views did that piece that you

212  
00:13:22,370 --> 00:13:20,040  
use deceptive practices deceptive

213  
00:13:26,509 --> 00:13:22,380

editing and outright lies in the

214

00:13:28,910 --> 00:13:26,519

statements of in the promos how much how

215

00:13:30,650 --> 00:13:28,920

many monetized views did you get and a

216

00:13:33,410 --> 00:13:30,660

further question would be because no one

217

00:13:35,210 --> 00:13:33,420

wants to answer my questions here I ask

218

00:13:37,610 --> 00:13:35,220

very inconvenient questions one of them

219

00:13:40,670 --> 00:13:37,620

would be is how much money did you make

220

00:13:43,069 --> 00:13:40,680

from that video

221

00:13:45,170 --> 00:13:43,079

a million monetized views is quite a lot

222

00:13:46,970 --> 00:13:45,180

of money on YouTube it could be as much

223

00:13:48,290 --> 00:13:46,980

as a hundred thousand dollars

224

00:13:50,870 --> 00:13:48,300

um it's hard to estimate because

225

00:13:52,970 --> 00:13:50,880

everybody has these different values in

226

00:13:55,850 --> 00:13:52,980

other words how much you get paid for

227

00:13:57,949 --> 00:13:55,860

each view that has an ad playing it's

228

00:14:00,230 --> 00:13:57,959

different for every channel but we can

229

00:14:02,329 --> 00:14:00,240

estimate that they made I would say

230

00:14:05,210 --> 00:14:02,339

somewhere and again I'm no expert but

231

00:14:07,190 --> 00:14:05,220

I'm a YouTuber I can you know have some

232

00:14:09,530 --> 00:14:07,200

experience in these things somewhere

233

00:14:11,870 --> 00:14:09,540

between 50 and a hundred and fifty

234

00:14:13,910 --> 00:14:11,880

thousand dollars was made from this

235

00:14:17,449 --> 00:14:13,920

completely

236

00:14:19,490 --> 00:14:17,459

click baited story that didn't have any

237

00:14:22,850 --> 00:14:19,500

of the evidence or proof that not only

238

00:14:25,310 --> 00:14:22,860

did that piece not have conclusive proof

239

00:14:31,730 --> 00:14:25,320

of alien technology

240

00:14:34,310 --> 00:14:31,740

uh there was a further problem is not

241

00:14:37,190 --> 00:14:34,320

only did the renowned scientists not

242

00:14:39,769 --> 00:14:37,200

confirm at all the renowned scientists

243

00:14:43,730 --> 00:14:39,779

in that piece which by the way were

244

00:14:45,769 --> 00:14:43,740

Michio Kaku and Gary P Nolan neither of

245

00:14:48,530 --> 00:14:45,779

them of those two renowned scientists

246

00:14:50,269 --> 00:14:48,540

confirmed anything that Roscoe said

247

00:14:53,269 --> 00:14:50,279

in the promos

248

00:14:56,030 --> 00:14:53,279

pushing people to click on the monetized

249

00:14:58,970 --> 00:14:56,040

video so I believe that we can clearly

250

00:15:00,170 --> 00:14:58,980

establish that this was uh completely

251  
00:15:02,449 --> 00:15:00,180  
deceptive

252  
00:15:08,090 --> 00:15:02,459  
and we have all the evidence and by the

253  
00:15:10,490 --> 00:15:08,100  
way Not only was that video uh and I

254  
00:15:12,590 --> 00:15:10,500  
believe I could be wrong or mistaken but

255  
00:15:14,569 --> 00:15:12,600  
I really searched today on YouTube I

256  
00:15:16,970 --> 00:15:14,579  
believe that it was originally this

257  
00:15:18,829 --> 00:15:16,980  
piece out of this world by Ross culthart

258  
00:15:20,990 --> 00:15:18,839  
was originally on the seven new

259  
00:15:23,930 --> 00:15:21,000  
Spotlight YouTube channel it's gone it's

260  
00:15:26,569 --> 00:15:23,940  
not there additionally Ross Cole third

261  
00:15:29,030 --> 00:15:26,579  
has deleted any mention of that piece

262  
00:15:32,150 --> 00:15:29,040  
from his Twitter additionally he has

263  
00:15:34,430 --> 00:15:32,160

deleted all of those promo videos that

264

00:15:36,530 --> 00:15:34,440

he was using with the deceptive

265

00:15:38,990 --> 00:15:36,540

practices and the lies and the deceptive

266

00:15:41,629 --> 00:15:39,000

editing to push people to go to the

267

00:15:45,110 --> 00:15:41,639

YouTube video I can't find any of that

268

00:15:46,189 --> 00:15:45,120

on his Twitter anymore it's all gone and

269

00:15:48,949 --> 00:15:46,199

by the way

270

00:15:52,490 --> 00:15:48,959

I do want to thank one Stephen Green

271

00:15:54,769 --> 00:15:52,500

Street because I have copies of the

272

00:15:57,230 --> 00:15:54,779

original promos with the deception and

273

00:16:00,710 --> 00:15:57,240

the lies and the outright I believe is

274

00:16:03,230 --> 00:16:00,720

outright fraud telling people you have

275

00:16:04,970 --> 00:16:03,240

quote conclusive proof there testable

276

00:16:06,949 --> 00:16:04,980

evidence of alien technology and then

277

00:16:08,930 --> 00:16:06,959

you have nothing we're saying quote this

278

00:16:11,689 --> 00:16:08,940

renowned scientist confirms it all you

279

00:16:13,910 --> 00:16:11,699

show Michio Kaku Michio Kaku didn't

280

00:16:16,970 --> 00:16:13,920

confirm anything neither the Gary Nolan

281

00:16:20,210 --> 00:16:16,980

so uh but I want to thank Stephen Green

282

00:16:23,389 --> 00:16:20,220

Street because he had his own copy of

283

00:16:25,610 --> 00:16:23,399

the promos and he included Gonzo flying

284

00:16:29,569 --> 00:16:25,620

on balloons which makes this whole

285

00:16:32,569 --> 00:16:29,579

circus and uh you know uh Carnival of

286

00:16:35,210 --> 00:16:32,579

UFO hucksters so much funnier so I did

287

00:16:37,550 --> 00:16:35,220

take his piece I want to thank him

288

00:16:38,870 --> 00:16:37,560

um for not you know I don't know if he

289

00:16:40,370 --> 00:16:38,880

could copyright claimie or whatever but

290

00:16:43,189 --> 00:16:40,380

anyway thanks to Stephen Green Street

291

00:16:45,769 --> 00:16:43,199

because I I used his version which

292

00:16:49,189 --> 00:16:45,779

included Gonzo because Ross colthard is

293

00:16:52,009 --> 00:16:49,199

the Gonzo of UFO Reporting he is a clown

294

00:16:54,769 --> 00:16:52,019

pretending to be a journalist here and

295

00:16:56,629 --> 00:16:54,779

the fact that he wasn't fired from his

296

00:16:58,730 --> 00:16:56,639

job for doing this because there seems

297

00:17:01,790 --> 00:16:58,740

to be again there seems to be some

298

00:17:05,329 --> 00:17:01,800

confusion here is 7 News Spotlight Ross

299

00:17:07,189 --> 00:17:05,339

calltharts uh YouTube channel does he

300

00:17:08,990 --> 00:17:07,199

get the money from the monetized views

301  
00:17:11,870 --> 00:17:09,000  
or does it go to new seven and then they

302  
00:17:14,090 --> 00:17:11,880  
give him a cut of it I would ask Ross

303  
00:17:17,090 --> 00:17:14,100  
colthorp directly but unfortunately Ross

304  
00:17:20,390 --> 00:17:17,100  
colfar just like Gary P Nolan is an

305  
00:17:23,329 --> 00:17:20,400  
intellectual coward in a weakling and uh

306  
00:17:25,970 --> 00:17:23,339  
it blocked me on Twitter and Ross Colter

307  
00:17:28,970 --> 00:17:25,980  
I never did I I may have asked him a

308  
00:17:32,210 --> 00:17:28,980  
question on Twitter uh like where's the

309  
00:17:34,250 --> 00:17:32,220  
quote conclusive proof of alien

310  
00:17:37,549 --> 00:17:34,260  
technology that this renowned scientist

311  
00:17:39,770 --> 00:17:37,559  
confirms uh and then he blocked me

312  
00:17:42,710 --> 00:17:39,780  
and this is a very common tactic among

313  
00:17:44,990 --> 00:17:42,720

these I call them Cosmic cons they don't

314

00:17:47,930 --> 00:17:45,000

like it when you call them on their Bull

315

00:17:51,350 --> 00:17:47,940

and suddenly they they they block you

316

00:17:53,270 --> 00:17:51,360

and and here's the issue if you're not

317

00:17:55,669 --> 00:17:53,280

doing anything wrong

318

00:17:57,950 --> 00:17:55,679

why would and and somebody asks you a

319

00:18:01,909 --> 00:17:57,960

question you know and again I'm not

320

00:18:02,990 --> 00:18:01,919

saying I I can't I this is very

321

00:18:05,990 --> 00:18:03,000

complicated

322

00:18:08,029 --> 00:18:06,000

located but what I would say is if

323

00:18:10,130 --> 00:18:08,039

you're not doing anything wrong

324

00:18:13,130 --> 00:18:10,140

and somebody asked you a question about

325

00:18:15,230 --> 00:18:13,140

something why would you block them on

326

00:18:17,990 --> 00:18:15,240

Twitter why would you refuse to answer

327

00:18:21,110 --> 00:18:18,000

questions it doesn't make any sense

328

00:18:24,110 --> 00:18:21,120

whatsoever uh you know a reputable

329

00:18:26,330 --> 00:18:24,120

journalist that's doing a good job being

330

00:18:28,669 --> 00:18:26,340

a journalist would just ex you know look

331

00:18:30,710 --> 00:18:28,679

uh you know and the only explanation we

332

00:18:31,669 --> 00:18:30,720

get from Ross is that he blames news

333

00:18:35,270 --> 00:18:31,679

seven

334

00:18:37,610 --> 00:18:35,280

for sensationalizing the promos the

335

00:18:40,130 --> 00:18:37,620

promos were not sensationalized they

336

00:18:42,830 --> 00:18:40,140

were lies that's not sensationalism

337

00:18:44,690 --> 00:18:42,840

that's outright lying to get people to

338

00:18:46,310 --> 00:18:44,700

click on something

339

00:18:49,909 --> 00:18:46,320

um and so

340

00:18:52,850 --> 00:18:49,919

the previous story led me to wonder why

341

00:18:55,490 --> 00:18:52,860

is a prestigious Stanford scientist

342

00:18:58,190 --> 00:18:55,500

lending his credibility and that of

343

00:19:02,270 --> 00:18:58,200

Stanford University to

344

00:19:04,669 --> 00:19:02,280

someone that I would uh would label as a

345

00:19:07,250 --> 00:19:04,679

UFO grifter

346

00:19:09,049 --> 00:19:07,260

who is doing these deceptive things in

347

00:19:11,150 --> 00:19:09,059

order to make money why would a

348

00:19:14,150 --> 00:19:11,160

prestigious scientist allow himself to

349

00:19:15,890 --> 00:19:14,160

be used in this fashion because the

350

00:19:17,930 --> 00:19:15,900

grift does not work without those

351

00:19:21,710 --> 00:19:17,940

prestigious scientists

352

00:19:23,450 --> 00:19:21,720

now uh I try to reach out to Michio Kaku

353

00:19:26,990 --> 00:19:23,460

for comment on this and have not read

354

00:19:30,049 --> 00:19:27,000

any reply but I also did reach out to

355

00:19:32,270 --> 00:19:30,059

Gary P Nolan and did receive a reply and

356

00:19:34,370 --> 00:19:32,280

so we're gonna get into what I asked him

357

00:19:38,270 --> 00:19:34,380

tonight why I asked him those questions

358

00:19:40,970 --> 00:19:38,280

and what he replied and you know uh

359

00:19:43,490 --> 00:19:40,980

I I should mention that

360

00:19:46,250 --> 00:19:43,500

um Gary P Nolan especially after seeing

361

00:19:49,490 --> 00:19:46,260

his reply to a few questions

362

00:19:51,830 --> 00:19:49,500

um this is this is problematic I should

363

00:19:53,750 --> 00:19:51,840

also explain so this click bait piece

364

00:19:55,909 --> 00:19:53,760

with all the lies in it about definitive

365

00:19:57,970 --> 00:19:55,919

proof of alien technology conclusive

366

00:20:01,310 --> 00:19:57,980

proof all confirmed by this scientist

367

00:20:04,730 --> 00:20:01,320

all of that happened August 23rd on

368

00:20:07,610 --> 00:20:04,740

August 25th I tweeted at Gary Nolan and

369

00:20:09,409 --> 00:20:07,620

I said where is the lab reports you and

370

00:20:12,470 --> 00:20:09,419

Ross culpart are promising everybody

371

00:20:14,630 --> 00:20:12,480

conclusive proof of alien technology are

372

00:20:16,610 --> 00:20:14,640

you the prestigious you know are you the

373

00:20:18,289 --> 00:20:16,620

renowned scientist that's confirming all

374

00:20:22,010 --> 00:20:18,299

of this because there's only two

375

00:20:25,070 --> 00:20:22,020

scientists in the in the grift piece and

376

00:20:26,930 --> 00:20:25,080

Gary P Nolan I wish I had screenshotted

377

00:20:29,270 --> 00:20:26,940

it he said to me

378

00:20:32,390 --> 00:20:29,280

I have not begun

379

00:20:34,130 --> 00:20:32,400

the metals analysis

380

00:20:36,350 --> 00:20:34,140

so

381

00:20:39,590 --> 00:20:36,360

Ross culthar puts out all of this

382

00:20:41,090 --> 00:20:39,600

deceptive lies in the promos and puts

383

00:20:44,090 --> 00:20:41,100

out a piece where he's telling everybody

384

00:20:45,770 --> 00:20:44,100

we have conclusive proof testable

385

00:20:47,990 --> 00:20:45,780

evidence of alien technology and this

386

00:20:50,870 --> 00:20:48,000

renowned scientist confirms it all

387

00:20:52,909 --> 00:20:50,880

and I asked the renowned scientist Gary

388

00:20:55,850 --> 00:20:52,919

Nolan where's the conclusive proof of

389

00:20:58,669 --> 00:20:55,860

alien technology are you done did you do

390

00:21:02,390 --> 00:20:58,679

the metal samples you know and what we

391

00:21:05,450 --> 00:21:02,400

get is Gary Nolan says I haven't be even

392

00:21:08,690 --> 00:21:05,460

begun it yet this was some eight or nine

393

00:21:10,310 --> 00:21:08,700

weeks ago right or more August 25th I

394

00:21:11,630 --> 00:21:10,320

believe I asked Gary Nolan on Twitter

395

00:21:13,430 --> 00:21:11,640

these questions

396

00:21:16,070 --> 00:21:13,440

where's the conclusive proof and Gary

397

00:21:18,710 --> 00:21:16,080

Nolan chimed back that he had not even

398

00:21:20,990 --> 00:21:18,720

begun the medals analysis but it would

399

00:21:22,130 --> 00:21:21,000

take six weeks and then they would

400

00:21:25,370 --> 00:21:22,140

release it

401  
00:21:28,610 --> 00:21:25,380  
and that's August 25th you know it's

402  
00:21:33,230 --> 00:21:28,620  
November 23rd so people are asking it

403  
00:21:35,049 --> 00:21:33,240  
rightly so where is the analysis you you

404  
00:21:38,330 --> 00:21:35,059  
guys already promised everybody

405  
00:21:40,370 --> 00:21:38,340  
definitive conclusive proof and and

406  
00:21:42,649 --> 00:21:40,380  
here's how we know that this is a UFO

407  
00:21:45,169 --> 00:21:42,659  
grift they promised definitive

408  
00:21:46,730 --> 00:21:45,179  
conclusion proof testable evidence of

409  
00:21:49,190 --> 00:21:46,740  
alien technology and this renowned

410  
00:21:51,409 --> 00:21:49,200  
scientist confirms it all then we asked

411  
00:21:54,890 --> 00:21:51,419  
the renowned scientists who by the way

412  
00:21:57,770 --> 00:21:54,900  
is doing the materials analysis and he

413  
00:22:00,230 --> 00:21:57,780

says I haven't even started it yet after

414

00:22:02,570 --> 00:22:00,240

the piece had already aired so how are

415

00:22:05,390 --> 00:22:02,580

they promising proof before the analysis

416

00:22:08,510 --> 00:22:05,400

even begins but that's what they did

417

00:22:11,750 --> 00:22:08,520

and I believe that Gary P Nolan is

418

00:22:14,390 --> 00:22:11,760

whoring Stanford University's reputation

419

00:22:17,690 --> 00:22:14,400

and equipment and everything else to

420

00:22:19,850 --> 00:22:17,700

help make these UFO grips work

421

00:22:22,850 --> 00:22:19,860

and we have seen that he has done this

422

00:22:24,049 --> 00:22:22,860

before with Stephen Greer so this is a

423

00:22:27,470 --> 00:22:24,059

pattern now

424

00:22:29,750 --> 00:22:27,480

if you if you have a UFO story and by

425

00:22:31,370 --> 00:22:29,760

the way this is all my opinion and I'm

426

00:22:33,649 --> 00:22:31,380

entitled to an opinion based on the

427

00:22:36,950 --> 00:22:33,659

available evidence and the fact that he

428

00:22:40,430 --> 00:22:36,960

won't answer questions if you are uh

429

00:22:42,590 --> 00:22:40,440

running a UFO grift and you need a

430

00:22:44,990 --> 00:22:42,600

renowned scientist a prestigious

431

00:22:47,270 --> 00:22:45,000

scientist at a prestigious University to

432

00:22:49,430 --> 00:22:47,280

help you make the grift work apparently

433

00:22:51,649 --> 00:22:49,440

Gary P Nolan is the guy you got to go to

434

00:22:55,190 --> 00:22:51,659

because Stephen Greer did this with the

435

00:22:56,990 --> 00:22:55,200

Atacama humanoid as well and here is

436

00:22:59,690 --> 00:22:57,000

where things are going to get very

437

00:23:03,409 --> 00:22:59,700

problematic for one Gary Nolan let's get

438

00:23:06,890 --> 00:23:03,419

into the questions that I asked him and

439

00:23:08,330 --> 00:23:06,900

uh we will understand more fully let me

440

00:23:10,490 --> 00:23:08,340

see if I can make this little bigger

441

00:23:13,730 --> 00:23:10,500

friends you have to I have to apologize

442

00:23:17,149 --> 00:23:13,740

I'm uh for the some of most of you know

443

00:23:20,029 --> 00:23:17,159

I'm visually impaired so uh

444

00:23:22,909 --> 00:23:20,039

all right uh you know what that's even

445

00:23:25,789 --> 00:23:22,919

too big all right so I'm I'm gonna share

446

00:23:29,210 --> 00:23:25,799

my screen I'm sharing with you all the

447

00:23:31,450 --> 00:23:29,220

email that I sent Gary Nolan and and

448

00:23:34,250 --> 00:23:31,460

this revolves around ethics questions

449

00:23:36,710 --> 00:23:34,260

because I happen to remember that I

450

00:23:38,810 --> 00:23:36,720

worked at a university and I was not

451  
00:23:42,230 --> 00:23:38,820  
allowed to use the University's name

452  
00:23:44,450 --> 00:23:42,240  
equipment or anything else in what you

453  
00:23:46,610 --> 00:23:44,460  
would call uh Moonlighting or

454  
00:23:48,770 --> 00:23:46,620  
extracurricular activities in other

455  
00:23:52,430 --> 00:23:48,780  
words while I'm working at Drexel

456  
00:23:54,890 --> 00:23:52,440  
University I'm not allowed to use Drexel

457  
00:23:58,010 --> 00:23:54,900  
University lab equipment or computer

458  
00:24:01,490 --> 00:23:58,020  
systems or or anything like that

459  
00:24:04,190 --> 00:24:01,500  
for uh something else that I'm being

460  
00:24:06,890 --> 00:24:04,200  
paid for and this of course is very

461  
00:24:09,350 --> 00:24:06,900  
common and I remembered that and so the

462  
00:24:12,169 --> 00:24:09,360  
thought occurred to me where is this

463  
00:24:14,630 --> 00:24:12,179

analysis being done oh it's being done

464

00:24:17,210 --> 00:24:14,640  
at Stanford University whose lab

465

00:24:20,270 --> 00:24:17,220  
equipment is being used to help sell

466

00:24:22,549 --> 00:24:20,280  
this UFO grift oh it's Stanford

467

00:24:25,549 --> 00:24:22,559  
University's lab it's Stanford

468

00:24:27,529 --> 00:24:25,559  
University's equipment and Machinery

469

00:24:30,049 --> 00:24:27,539  
that is going to do the analysis on

470

00:24:31,730 --> 00:24:30,059  
these metals and there's a huge problem

471

00:24:33,950 --> 00:24:31,740  
with this because according to the

472

00:24:35,450 --> 00:24:33,960  
Stanford code of ethics he's not

473

00:24:38,270 --> 00:24:35,460  
supposed to use

474

00:24:41,510 --> 00:24:38,280  
any of that stuff for these kind of

475

00:24:44,930 --> 00:24:41,520  
projects as I read it so but I didn't

476

00:24:47,270 --> 00:24:44,940

want to be wrong in my assessment

477

00:24:48,950 --> 00:24:47,280

and you know so actually you know what

478

00:24:51,110 --> 00:24:48,960

first we're going to share

479

00:24:56,390 --> 00:24:53,390

we're going to share this and this is

480

00:24:59,450 --> 00:24:56,400

the uh you this is from the Stanford

481

00:25:02,210 --> 00:24:59,460

office of ethics and compliance and this

482

00:25:06,649 --> 00:25:02,220

uh is their ethics code

483

00:25:08,570 --> 00:25:06,659

and um this is uh the rules that

484

00:25:10,970 --> 00:25:08,580

Stanford professors and and employees

485

00:25:12,529 --> 00:25:10,980

have to abide by while working at

486

00:25:14,990 --> 00:25:12,539

Stanford University

487

00:25:17,210 --> 00:25:15,000

and this is why I had questions because

488

00:25:18,649 --> 00:25:17,220

we're going to read this you know and

489

00:25:20,870 --> 00:25:18,659

again this is from Stanford University

490

00:25:22,850 --> 00:25:20,880

where Gary Nolan works this is in their

491

00:25:25,490 --> 00:25:22,860

code of ethics use of University

492

00:25:28,010 --> 00:25:25,500

resources University resources must be

493

00:25:30,470 --> 00:25:28,020

reserved for business purposes on behalf

494

00:25:33,350 --> 00:25:30,480

of the University they may not be used

495

00:25:35,750 --> 00:25:33,360

for personal gain

496

00:25:38,269 --> 00:25:35,760

so if Gary Nolan is getting paid for

497

00:25:39,710 --> 00:25:38,279

anything in UFO land and he's using

498

00:25:41,570 --> 00:25:39,720

University

499

00:25:43,850 --> 00:25:41,580

uh

500

00:25:46,310 --> 00:25:43,860

using University equipment that's a

501  
00:25:48,529 --> 00:25:46,320  
problem so they may not be used for

502  
00:25:50,990 --> 00:25:48,539  
personal gain and may not be used for

503  
00:25:53,149 --> 00:25:51,000  
personal use except in a matter that is

504  
00:25:54,769 --> 00:25:53,159  
incidental and and we're going to get

505  
00:25:56,289 --> 00:25:54,779  
into I had to look this word up

506  
00:25:59,269 --> 00:25:56,299  
incidental

507  
00:26:03,289 --> 00:25:59,279  
because I wanted to be sure because this

508  
00:26:05,330 --> 00:26:03,299  
is kind of legalese but it incidental is

509  
00:26:08,930 --> 00:26:05,340  
accompanying but not a major part of

510  
00:26:11,990 --> 00:26:08,940  
something well the problem here is that

511  
00:26:15,289 --> 00:26:12,000  
the grift the UFO grips both of them

512  
00:26:17,149 --> 00:26:15,299  
uh that I believe Gary Nolan was

513  
00:26:20,090 --> 00:26:17,159

directly involved in both the Atacama

514

00:26:21,769 --> 00:26:20,100

humanoid and this recent Ross Colt arts

515

00:26:23,750 --> 00:26:21,779

big Bluff of

516

00:26:26,269 --> 00:26:23,760

conclusive proof of alien technology

517

00:26:29,210 --> 00:26:26,279

those things wouldn't have worked at all

518

00:26:31,310 --> 00:26:29,220

without his full participation in them

519

00:26:33,649 --> 00:26:31,320

you couldn't have done either either

520

00:26:36,950 --> 00:26:33,659

documentary Project without Gary Nolan

521

00:26:39,049 --> 00:26:36,960

there to do the analysis so one can

522

00:26:42,049 --> 00:26:39,059

argue over that but that's why I asked

523

00:26:44,269 --> 00:26:42,059

Gary Nolan directly okay so

524

00:26:46,130 --> 00:26:44,279

um except in a matter that is incidental

525

00:26:48,529 --> 00:26:46,140

and reasonable in light of the

526  
00:26:50,630 --> 00:26:48,539  
employee's duties now here's here's the

527  
00:26:52,730 --> 00:26:50,640  
problem reasonable in light of the

528  
00:26:54,590 --> 00:26:52,740  
employee's duties Gary Nolan is in

529  
00:26:57,830 --> 00:26:54,600  
charge of whole Labs at Stanford

530  
00:27:00,230 --> 00:26:57,840  
University and I think he is the boss of

531  
00:27:02,409 --> 00:27:00,240  
something like 50 other

532  
00:27:06,110 --> 00:27:02,419  
uh scientists

533  
00:27:07,669 --> 00:27:06,120  
so again one could argue is his use of

534  
00:27:09,890 --> 00:27:07,679  
that equipment reasonable in light of

535  
00:27:12,409 --> 00:27:09,900  
the employee's duties I would think that

536  
00:27:15,110 --> 00:27:12,419  
Gary Nolan has better things to do being

537  
00:27:17,390 --> 00:27:15,120  
in charge of 50 people and huge Labs at

538  
00:27:19,310 --> 00:27:17,400

Stanford University and doing all this

539

00:27:21,169 --> 00:27:19,320

real credible research

540

00:27:25,010 --> 00:27:21,179

I would think he has better things to do

541

00:27:28,010 --> 00:27:25,020

than to play alien scientists on uh the

542

00:27:29,510 --> 00:27:28,020

internet but here we are

543

00:27:31,990 --> 00:27:29,520

and then it goes on to say University

544

00:27:34,549 --> 00:27:32,000

resources include but are not limited to

545

00:27:36,830 --> 00:27:34,559

University Systems

546

00:27:39,289 --> 00:27:36,840

that is telephone systems data

547

00:27:41,810 --> 00:27:39,299

communication and networking services

548

00:27:45,529 --> 00:27:41,820

the Stanford domain for electronic

549

00:27:48,529 --> 00:27:45,539

communication uh forums Stanford name

550

00:27:52,549 --> 00:27:48,539

logo and letterhead the Stanford name

551  
00:27:56,029 --> 00:27:52,559  
and using like the Stanford University

552  
00:27:58,370 --> 00:27:56,039  
Labs as a backdrop to this UFO grift

553  
00:28:01,430 --> 00:27:58,380  
we're all over Ross Colt Art's piece

554  
00:28:03,289 --> 00:28:01,440  
they named Tim you know they said that

555  
00:28:05,690 --> 00:28:03,299  
the analysis would be conducted at

556  
00:28:08,750 --> 00:28:05,700  
Stanford University they're using the

557  
00:28:10,789 --> 00:28:08,760  
name University equipment that is

558  
00:28:13,010 --> 00:28:10,799  
computers and peripheral peripherals

559  
00:28:15,049 --> 00:28:13,020  
University Vehicles well I believe

560  
00:28:17,690 --> 00:28:15,059  
University equipment would include the

561  
00:28:20,930 --> 00:28:17,700  
lab equipment that was probably not

562  
00:28:23,750 --> 00:28:20,940  
probably we know now it was used in the

563  
00:28:27,710 --> 00:28:23,760

analysis of the Atacama humanoid uh

564

00:28:29,269 --> 00:28:27,720

Atacama mummy with Dr Stephen Greer and

565

00:28:33,649 --> 00:28:29,279

it is being used the university

566

00:28:37,130 --> 00:28:33,659

equipment is 100 being used in the

567

00:28:40,789 --> 00:28:37,140

analysis of the ball shavings from Ross

568

00:28:42,890 --> 00:28:40,799

coltarp so is that a problem Stanford

569

00:28:45,529 --> 00:28:42,900

facilities they filmed in Stanford

570

00:28:48,409 --> 00:28:45,539

facilities and that helped sell the

571

00:28:51,830 --> 00:28:48,419

grift you look at this we're in a

572

00:28:54,130 --> 00:28:51,840

Stanford University lab here this is so

573

00:28:58,430 --> 00:28:54,140

prestigious and I believe that they used

574

00:29:01,010 --> 00:28:58,440

the reputation of Stanford to help sell

575

00:29:04,010 --> 00:29:01,020

this story that was completely and

576

00:29:06,230 --> 00:29:04,020

totally provably a lie

577

00:29:09,289 --> 00:29:06,240

procurement tools such as purchasing

578

00:29:11,390 --> 00:29:09,299

card travel cards and petty cash well we

579

00:29:13,250 --> 00:29:11,400

can skip that one don't think that Gary

580

00:29:15,590 --> 00:29:13,260

Nolan used any of that but he certainly

581

00:29:18,529 --> 00:29:15,600

used Stanford facilities he certainly

582

00:29:20,750 --> 00:29:18,539

used Stanford University equipment and

583

00:29:23,029 --> 00:29:20,760

Ross and him certainly used the Stanford

584

00:29:24,830 --> 00:29:23,039

name and uh I don't know about the logo

585

00:29:27,470 --> 00:29:24,840

or the letterhead but

586

00:29:29,450 --> 00:29:27,480

okay University records including

587

00:29:31,250 --> 00:29:29,460

student employee donor sponsor and

588

00:29:33,409 --> 00:29:31,260

patient records well we could skip that

589

00:29:35,810 --> 00:29:33,419

I don't believe that one's relevant but

590

00:29:38,630 --> 00:29:35,820

this one's very relevant because we got

591

00:29:43,909 --> 00:29:38,640

him on this one the time and effort of

592

00:29:45,590 --> 00:29:43,919

staff students and others at Stanford

593

00:29:49,730 --> 00:29:45,600

um so

594

00:29:52,070 --> 00:29:49,740

I wondered was uh Gary Nolan using

595

00:29:55,610 --> 00:29:52,080

University equipment University

596

00:29:58,310 --> 00:29:55,620

facilities University labs

597

00:30:01,909 --> 00:29:58,320

and University personnel

598

00:30:03,830 --> 00:30:01,919

to conduct these so-called analysis of

599

00:30:05,630 --> 00:30:03,840

alien materials

600

00:30:08,630 --> 00:30:05,640

for both

601  
00:30:11,409 --> 00:30:08,640  
Stephen Greer by the way Steven Greer's

602  
00:30:14,690 --> 00:30:11,419  
documentary made millions of dollars

603  
00:30:18,409 --> 00:30:14,700  
uh and for Ross culprit with the ball

604  
00:30:20,149 --> 00:30:18,419  
shavings so I reached out to uh Gary

605  
00:30:23,029 --> 00:30:20,159  
Nolan I wanted to give him the benefit

606  
00:30:25,250 --> 00:30:23,039  
of the doubt but as I read this he's in

607  
00:30:27,470 --> 00:30:25,260  
violation of the ethics

608  
00:30:30,470 --> 00:30:27,480  
the code of ethics at Stanford

609  
00:30:32,630 --> 00:30:30,480  
University he's not allowed to use those

610  
00:30:35,029 --> 00:30:32,640  
things for his own personal gain or

611  
00:30:37,610 --> 00:30:35,039  
profit which raises the most important

612  
00:30:40,970 --> 00:30:37,620  
question how much was that Gary Nolan

613  
00:30:43,669 --> 00:30:40,980

paid both by Dr Stephen Greer to

614

00:30:45,769 --> 00:30:43,679

participate in that documentary and by

615

00:30:48,169 --> 00:30:45,779

Ross coltar to participate in his

616

00:30:50,870 --> 00:30:48,179

documentary how much was he paid for his

617

00:30:53,750 --> 00:30:50,880

participation in those projects and his

618

00:30:56,930 --> 00:30:53,760

analysis work which we can prove he used

619

00:30:59,090 --> 00:30:56,940

University equipment Personnel Resources

620

00:31:01,370 --> 00:30:59,100

and labs

621

00:31:03,230 --> 00:31:01,380

um so I wanted to ask Gary Nolan how

622

00:31:05,330 --> 00:31:03,240

much were you paid and did you use

623

00:31:07,970 --> 00:31:05,340

University equipment did you use

624

00:31:10,610 --> 00:31:07,980

University personnel and

625

00:31:13,070 --> 00:31:10,620

um so we'll share what I sent him and

626

00:31:16,549 --> 00:31:13,080

what he sent me back was uh pretty

627

00:31:18,710 --> 00:31:16,559

snarky and by the way he reminded me

628

00:31:20,570 --> 00:31:18,720

of some of the University professors at

629

00:31:23,930 --> 00:31:20,580

the one at the University I worked at

630

00:31:26,049 --> 00:31:23,940

because these guys that are high up on

631

00:31:29,690 --> 00:31:26,059

the Academia

632

00:31:32,210 --> 00:31:29,700

professors right they are always like

633

00:31:34,010 --> 00:31:32,220

this Gary Nolan and some of us have

634

00:31:35,630 --> 00:31:34,020

experienced this firsthand you can't ask

635

00:31:37,430 --> 00:31:35,640

this guy a question he calls you dummy

636

00:31:39,289 --> 00:31:37,440

and blockchain on Twitter and he's

637

00:31:42,590 --> 00:31:39,299

running around making ridiculous claims

638

00:31:44,630 --> 00:31:42,600

constantly you know he's seeing aliens

639

00:31:47,330 --> 00:31:44,640

and all kinds of stuff but don't ask him

640

00:31:49,490 --> 00:31:47,340

a question he'll block you they all have

641

00:31:50,810 --> 00:31:49,500

this at least in my this is my personal

642

00:31:53,149 --> 00:31:50,820

experience

643

00:31:55,370 --> 00:31:53,159

but they all have this arrogance and

644

00:31:57,590 --> 00:31:55,380

look down on us normal people you know

645

00:31:59,870 --> 00:31:57,600

these big brain professors and you give

646

00:32:01,970 --> 00:31:59,880

them a little bit of authority and you

647

00:32:04,070 --> 00:32:01,980

give them some resources look this guy's

648

00:32:06,529 --> 00:32:04,080

in charge of a lab there was one guy at

649

00:32:09,169 --> 00:32:06,539

Drexel University I wanted to murder but

650

00:32:11,269 --> 00:32:09,179

that's a story for another time I'm just

651  
00:32:13,250 --> 00:32:11,279  
commenting on the fact that Gary Nolan

652  
00:32:17,750 --> 00:32:13,260  
seemed to me to be one of those people

653  
00:32:20,630 --> 00:32:17,760  
he's above you you know you you don't

654  
00:32:24,889 --> 00:32:20,640  
you're like an aunt to him you little

655  
00:32:27,830 --> 00:32:24,899  
brain you know Normie uh I'm a I'm a big

656  
00:32:31,130 --> 00:32:27,840  
shot University Professor who by the way

657  
00:32:34,909 --> 00:32:31,140  
is literally participating in UFO griffs

658  
00:32:37,130 --> 00:32:34,919  
uh you know so I'm sorry but you don't

659  
00:32:40,310 --> 00:32:37,140  
have the kind of credibility that a real

660  
00:32:42,289 --> 00:32:40,320  
University Professor that's credible has

661  
00:32:45,830 --> 00:32:42,299  
when you're running around talking about

662  
00:32:49,130 --> 00:32:45,840  
seeing aliens and you know anyway

663  
00:32:51,289 --> 00:32:49,140

um he uh replied to me but you know

664

00:32:54,289 --> 00:32:51,299

again he didn't

665

00:33:00,409 --> 00:32:54,299

he didn't appear to like my my questions

666

00:33:00,419 --> 00:33:03,529

thank you

667

00:33:07,850 --> 00:33:04,850

all right

668

00:33:10,970 --> 00:33:07,860

so here were my questions

669

00:33:13,190 --> 00:33:10,980

uh I say hello I'm doing a follow-up

670

00:33:15,230 --> 00:33:13,200

story about Ross coltar promising

671

00:33:16,909 --> 00:33:15,240

everyone definitive proof of alien

672

00:33:19,430 --> 00:33:16,919

technology and his promos for a

673

00:33:21,710 --> 00:33:19,440

monetized video you participated in that

674

00:33:23,630 --> 00:33:21,720

PC ran don't you think it might have

675

00:33:25,909 --> 00:33:23,640

been a good idea to stand up and let

676

00:33:28,310 --> 00:33:25,919

everyone know you had not even begun any

677

00:33:30,409 --> 00:33:28,320

analysis work at the time Ross Colt Arts

678

00:33:32,930 --> 00:33:30,419

promos were promising that definitive

679

00:33:35,210 --> 00:33:32,940

proof of alien technology it's important

680

00:33:37,850 --> 00:33:35,220

to know that if I did not ask Gary Nolan

681

00:33:39,529 --> 00:33:37,860

on Twitter and him answer me no one

682

00:33:42,470 --> 00:33:39,539

would have known that at the time of the

683

00:33:45,350 --> 00:33:42,480

broadcast of this monetized click click

684

00:33:47,149 --> 00:33:45,360

bait UFO grift that they did together

685

00:33:49,549 --> 00:33:47,159

no one would have known that the

686

00:33:52,130 --> 00:33:49,559

analysis didn't even start when they ran

687

00:33:54,110 --> 00:33:52,140

the piece promising and by the way I got

688

00:33:56,210 --> 00:33:54,120

my own quote wrong it's conclusive proof

689

00:33:58,669 --> 00:33:56,220

of alien technology not definitive proof

690

00:34:01,070 --> 00:33:58,679

so I apologize to Gary Nolan and all of

691

00:34:02,810 --> 00:34:01,080

you I I should get my own quote you know

692

00:34:05,570 --> 00:34:02,820

I should should have quoted that correct

693

00:34:07,070 --> 00:34:05,580

I I went on to ask him you may recall

694

00:34:09,109 --> 00:34:07,080

you blocked me on Twitter after

695

00:34:11,089 --> 00:34:09,119

answering a question I asked about the

696

00:34:13,010 --> 00:34:11,099

metal savings analysis I asked you about

697

00:34:15,169 --> 00:34:13,020

eight weeks ago and actually I'm wrong

698

00:34:17,810 --> 00:34:15,179

about that too it was it was August 25th

699

00:34:19,609 --> 00:34:17,820

uh where the analysis was you said you

700

00:34:21,169 --> 00:34:19,619

had not begun the analysis yet but it

701  
00:34:22,849 --> 00:34:21,179  
would be done in six weeks that was

702  
00:34:25,609 --> 00:34:22,859  
August 25th

703  
00:34:28,669 --> 00:34:25,619  
is the analysis now complete let me

704  
00:34:31,430 --> 00:34:28,679  
guess nothing alien can I have a copy of

705  
00:34:33,050 --> 00:34:31,440  
your analysis report then I go on to ask

706  
00:34:34,909 --> 00:34:33,060  
how much money were you paid to either

707  
00:34:37,849 --> 00:34:34,919  
participate in Ross's big Bluff

708  
00:34:39,710 --> 00:34:37,859  
promising everyone he had and I meant to

709  
00:34:42,470 --> 00:34:39,720  
say conclusive proof of alien technology

710  
00:34:44,869 --> 00:34:42,480  
I said definitive in his promos or do

711  
00:34:46,430 --> 00:34:44,879  
the analysis work so this is a very I

712  
00:34:48,109 --> 00:34:46,440  
think that this is a very fair question

713  
00:34:51,710 --> 00:34:48,119

how much money were you paid to

714

00:34:52,550 --> 00:34:51,720

participate in Ross's project

715

00:34:55,310 --> 00:34:52,560

um

716

00:34:57,770 --> 00:34:55,320

did you use University equipment and

717

00:34:59,630 --> 00:34:57,780

resources to perform this analysis and

718

00:35:02,990 --> 00:34:59,640

if so isn't that a conflict of interest

719

00:35:05,210 --> 00:35:03,000

or against the Stanford code of ethics

720

00:35:07,609 --> 00:35:05,220

and then I gave him the link to the

721

00:35:10,130 --> 00:35:07,619

Stanford code of ethics concerning use

722

00:35:11,870 --> 00:35:10,140

of University resources I asked whose

723

00:35:15,470 --> 00:35:11,880

lab equipment did you use to perform the

724

00:35:18,530 --> 00:35:15,480

metal savings analysis but we know now

725

00:35:21,109 --> 00:35:18,540

that he did use Stanford University

726

00:35:23,150 --> 00:35:21,119

lab equipment to perform the metal

727

00:35:26,450 --> 00:35:23,160

shavings analysis or at least he said he

728

00:35:29,210 --> 00:35:26,460

planned to in Ross's click bait uh

729

00:35:31,849 --> 00:35:29,220

garbage disinformation piece

730

00:35:34,190 --> 00:35:31,859

finally when you did the analysis work

731

00:35:35,930 --> 00:35:34,200

for Dr Steven Greer how much were you

732

00:35:38,329 --> 00:35:35,940

paid for your participation in that

733

00:35:40,250 --> 00:35:38,339

documentary or how much were you paid to

734

00:35:43,010 --> 00:35:40,260

do the analysis and did you use

735

00:35:45,589 --> 00:35:43,020

University Labs Personnel or equipment

736

00:35:48,530 --> 00:35:45,599

to do that work as well my previous

737

00:35:51,829 --> 00:35:48,540

story on Ross calltharts big Bluff here

738

00:35:53,870 --> 00:35:51,839

and then i i p asked him I said I'm

739

00:35:56,150 --> 00:35:53,880

sorry I also forgot to ask for the names

740

00:35:58,670 --> 00:35:56,160

of the CIA agents who asked you to do

741

00:36:01,910 --> 00:35:58,680

analysis work whose Labs equipment did

742

00:36:03,829 --> 00:36:01,920

you use for that work and uh oh wait a

743

00:36:05,990 --> 00:36:03,839

minute this isn't

744

00:36:07,790 --> 00:36:06,000

I'd like to call these CIA people and

745

00:36:10,490 --> 00:36:07,800

confirm that your claim confirm your

746

00:36:13,130 --> 00:36:10,500

claims and get copies of those reports

747

00:36:16,810 --> 00:36:13,140

so Gary Nolan writes me back

748

00:36:20,990 --> 00:36:16,820

Dear Mr cambian I don't understand

749

00:36:23,109 --> 00:36:21,000

why you think given your unnecessarily

750

00:36:26,329 --> 00:36:23,119

aggressive stance that I should help you

751  
00:36:27,230 --> 00:36:26,339  
foment more conspiracy theories around

752  
00:36:30,050 --> 00:36:27,240  
me

753  
00:36:31,310 --> 00:36:30,060  
I do wish you the very best of luck in

754  
00:36:36,109 --> 00:36:31,320  
your endeavors

755  
00:36:38,329 --> 00:36:36,119  
best Gary P Nolan PhD great

756  
00:36:40,910 --> 00:36:38,339  
um and and you know this is very

757  
00:36:43,790 --> 00:36:40,920  
problematic because if if he's worried

758  
00:36:45,890 --> 00:36:43,800  
about conspiracy theories around him why

759  
00:36:48,109 --> 00:36:45,900  
not just answer the questions did you

760  
00:36:50,270 --> 00:36:48,119  
get paid for those two projects and did

761  
00:36:53,930 --> 00:36:50,280  
you use University equipment

762  
00:36:56,030 --> 00:36:53,940  
and then I don't know why but he sent me

763  
00:36:57,109 --> 00:36:56,040

another message sometime after the first

764

00:37:02,870 --> 00:36:57,119

one

765

00:37:04,670 --> 00:37:02,880

time right or or tell me I'm blocked

766

00:37:06,829 --> 00:37:04,680

again you've already blocked me on

767

00:37:09,829 --> 00:37:06,839

Twitter for asking a very valid question

768

00:37:12,950 --> 00:37:09,839

where's the materials analysis from the

769

00:37:14,750 --> 00:37:12,960

Ross coltar piece from August 23rd you

770

00:37:16,790 --> 00:37:14,760

guys promised us conclusive proof of

771

00:37:18,589 --> 00:37:16,800

alien technology confirmed by renowned

772

00:37:20,630 --> 00:37:18,599

scientists you were the renowned

773

00:37:23,569 --> 00:37:20,640

scientist doing the analysis I think

774

00:37:25,730 --> 00:37:23,579

these are valid questions and the fact

775

00:37:27,530 --> 00:37:25,740

that these people won't answer very

776

00:37:29,109 --> 00:37:27,540

valid questions I'm not the one that's

777

00:37:32,150 --> 00:37:29,119

running around promising people

778

00:37:34,550 --> 00:37:32,160

conclusive proof of alien technology you

779

00:37:36,349 --> 00:37:34,560

and Ross coltarth did that and when you

780

00:37:39,349 --> 00:37:36,359

do something like that people are going

781

00:37:43,790 --> 00:37:40,910

he says

782

00:37:45,230 --> 00:37:43,800

hello back the multiple premises you

783

00:37:48,290 --> 00:37:45,240

make throughout even these questions

784

00:37:50,870 --> 00:37:48,300

below are so faulty that they Merit no

785

00:37:53,630 --> 00:37:50,880

answer I wish you the best in your

786

00:37:57,530 --> 00:37:53,640

endeavors from here you will get no more

787

00:37:59,150 --> 00:37:57,540

replies from me best Gary P Nolan

788

00:38:01,550 --> 00:37:59,160

and I wrote him back even though

789

00:38:03,349 --> 00:38:01,560

apparently I'm blocked on email from him

790

00:38:06,710 --> 00:38:03,359

now as well as Twitter because

791

00:38:08,569 --> 00:38:06,720

apparently Dr Gary P Nolan for all of

792

00:38:11,349 --> 00:38:08,579

the letters behind his name is an

793

00:38:14,870 --> 00:38:11,359

intellectual weakling and cannot

794

00:38:18,130 --> 00:38:14,880

withstand a few questions about his

795

00:38:20,270 --> 00:38:18,140

claims and about his activities

796

00:38:24,349 --> 00:38:20,280

participating in what can only be

797

00:38:27,349 --> 00:38:24,359

described as UFO con scams or griffs

798

00:38:29,630 --> 00:38:27,359

Dr Nolan I don't think I was aggressive

799

00:38:32,150 --> 00:38:29,640

I'm just asking questions here sorry if

800

00:38:34,010 --> 00:38:32,160

you didn't like my questions and I left

801  
00:38:36,109 --> 00:38:34,020  
them with a quote you guys hear me say

802  
00:38:38,450 --> 00:38:36,119  
this a lot the only people who fear

803  
00:38:41,569 --> 00:38:38,460  
questions are people with something to

804  
00:38:44,930 --> 00:38:41,579  
hide best regards Stephen cambian

805  
00:38:47,210 --> 00:38:44,940  
so uh this is where it gets problematic

806  
00:38:50,089 --> 00:38:47,220  
because where does the story go from

807  
00:38:51,109 --> 00:38:50,099  
here do I contact the university because

808  
00:38:55,130 --> 00:38:51,119  
now

809  
00:38:56,930 --> 00:38:55,140  
have to be I'm going to be very honest

810  
00:38:58,790 --> 00:38:56,940  
I'm always honest with my audience but

811  
00:39:01,550 --> 00:38:58,800  
I'm going to be very honest here

812  
00:39:03,829 --> 00:39:01,560  
Gary Nolan's refusal to answer a few

813  
00:39:04,730 --> 00:39:03,839

simple questions it pissed me off I'm

814

00:39:06,950 --> 00:39:04,740

human

815

00:39:09,170 --> 00:39:06,960

here's this high and mighty Professor

816

00:39:11,210 --> 00:39:09,180

that's participating in what can only

817

00:39:15,890 --> 00:39:11,220

what some people have described as

818

00:39:17,870 --> 00:39:15,900

Consumer Fraud right it was so bad they

819

00:39:21,410 --> 00:39:17,880

had to take the video down

820

00:39:23,930 --> 00:39:21,420

apparently it was so bad Ross colthard

821

00:39:26,089 --> 00:39:23,940

had to remove any reference to it from

822

00:39:29,150 --> 00:39:26,099

his Twitter Ross Colter had to remove

823

00:39:31,310 --> 00:39:29,160

all references to the promos he took all

824

00:39:33,710 --> 00:39:31,320

the promos off of his Twitter that he

825

00:39:35,390 --> 00:39:33,720

had previously tweeted he took all of

826  
00:39:40,670 --> 00:39:35,400  
the

827  
00:39:42,170 --> 00:39:40,680  
right

828  
00:39:45,290 --> 00:39:42,180  
now

829  
00:39:48,470 --> 00:39:45,300  
because I got pissed off sometimes anger

830  
00:39:49,670 --> 00:39:48,480  
is a good thing justifiable anger is a

831  
00:39:52,910 --> 00:39:49,680  
wonderful thing because through

832  
00:39:53,810 --> 00:39:52,920  
justifiable anger you can you can use

833  
00:39:57,349 --> 00:39:53,820  
that

834  
00:39:59,150 --> 00:39:57,359  
a a much wiser man than me

835  
00:40:00,710 --> 00:39:59,160  
you know I when he when I got this

836  
00:40:02,089 --> 00:40:00,720  
message I thought well I'm dead in the

837  
00:40:04,190 --> 00:40:02,099  
water if he won't answer any questions

838  
00:40:06,710 --> 00:40:04,200

but then I thought no I'm I could call

839

00:40:08,690 --> 00:40:06,720

the University and say he won't answer

840

00:40:11,930 --> 00:40:08,700

these questions can you answer these

841

00:40:14,810 --> 00:40:11,940

questions but let me be very clear in

842

00:40:17,329 --> 00:40:14,820

that I do respect this man for his valid

843

00:40:19,609 --> 00:40:17,339

contribution to science after all I have

844

00:40:22,550 --> 00:40:19,619

family members that died of cancer and

845

00:40:26,089 --> 00:40:22,560

he's studying cancer so it's not my

846

00:40:28,370 --> 00:40:26,099

intention here to ridicule the fame you

847

00:40:31,430 --> 00:40:28,380

know uh or or otherwise negatively

848

00:40:32,870 --> 00:40:31,440

affect this man so I chose I'm not going

849

00:40:35,870 --> 00:40:32,880

to call the University

850

00:40:38,630 --> 00:40:35,880

yet I may still

851

00:40:40,730 --> 00:40:38,640

um what I decided to do and again a

852

00:40:43,190 --> 00:40:40,740

wiser man than me once taught me to let

853

00:40:44,870 --> 00:40:43,200

adversity fuel your fire

854

00:40:46,130 --> 00:40:44,880

this is a big roadblock what are we

855

00:40:47,930 --> 00:40:46,140

supposed to do now with this story

856

00:40:49,250 --> 00:40:47,940

there's no story he won't answer the

857

00:40:52,130 --> 00:40:49,260

question

858

00:40:54,589 --> 00:40:52,140

uh I I gotta find confirmation that he

859

00:40:55,790 --> 00:40:54,599

used University equipment resources labs

860

00:40:58,310 --> 00:40:55,800

and personnel

861

00:41:00,589 --> 00:40:58,320

so because he pissed me off I spent all

862

00:41:03,890 --> 00:41:00,599

day watching his interviews and I got it

863

00:41:07,010 --> 00:41:03,900

I got the proof Gary Nolan thank you for

864

00:41:09,890 --> 00:41:07,020

peeing me off thank you for being an

865

00:41:13,250 --> 00:41:09,900

intellectual weakling who is okay with

866

00:41:16,130 --> 00:41:13,260

making absolutely out there ridiculous

867

00:41:18,950 --> 00:41:16,140

claims but then you get offended somehow

868

00:41:21,589 --> 00:41:18,960

when somebody asks you questions about

869

00:41:24,050 --> 00:41:21,599

it you're the one apparently running

870

00:41:27,410 --> 00:41:24,060

around playing alien scientists in your

871

00:41:31,910 --> 00:41:27,420

spare time making ridiculous claims and

872

00:41:33,050 --> 00:41:31,920

literally helping UFO grifters grift for

873

00:41:35,390 --> 00:41:33,060

money

874

00:41:39,170 --> 00:41:35,400

and whether and and here's another issue

875

00:41:42,950 --> 00:41:39,180

to consider perhaps Gary P Nolan is just

876

00:41:45,770 --> 00:41:42,960

a he just believes this stuff and he has

877

00:41:47,630 --> 00:41:45,780

confirmation bias and because of that he

878

00:41:50,270 --> 00:41:47,640

is often involving himself with let's

879

00:41:53,210 --> 00:41:50,280

just say less than credible people like

880

00:41:55,609 --> 00:41:53,220

Stephen Greer like Emery Smith did you

881

00:41:59,210 --> 00:41:55,619

know Emery Smith was fully involved with

882

00:42:01,250 --> 00:41:59,220

Gary Nolan great great the guy who got

883

00:42:03,230 --> 00:42:01,260

caught running a PayPal donation scam

884

00:42:05,569 --> 00:42:03,240

with David Wilcox claiming that you know

885

00:42:09,170 --> 00:42:05,579

the Men in Black we did a story on that

886

00:42:13,310 --> 00:42:09,180

too but back to Gary Nolan

887

00:42:14,750 --> 00:42:13,320

so we I I went hunting and uh I'm able

888

00:42:17,690 --> 00:42:14,760

to find we're gonna put our fair use

889

00:42:22,190 --> 00:42:17,700

banner up uh I'm playing a portion of

890

00:42:26,030 --> 00:42:22,200

that video in which they uh they they

891

00:42:29,270 --> 00:42:26,040

show that Ross Copart goes to Stanford

892

00:42:31,609 --> 00:42:29,280

University and shows that Gary Nolan's

893

00:42:34,730 --> 00:42:31,619

going to use the lab and and a machine

894

00:42:37,370 --> 00:42:34,740

in the lab that is owned by Stanford

895

00:42:41,089 --> 00:42:37,380

University to do the the metal analysis

896

00:42:44,390 --> 00:42:41,099

so luckily luckily for me

897

00:42:47,510 --> 00:42:44,400

Gary Nolan you know though he wouldn't

898

00:42:49,730 --> 00:42:47,520

answer my questions I had that sudden

899

00:42:51,650 --> 00:42:49,740

light bulb go off wait a minute he

900

00:42:53,810 --> 00:42:51,660

probably already I think he did answer

901  
00:42:57,770 --> 00:42:53,820  
my questions at least some of them

902  
00:43:00,470 --> 00:42:57,780  
already in previous interviews so we I

903  
00:43:03,170 --> 00:43:00,480  
listened to 15 hours of Gary Nolan

904  
00:43:05,870 --> 00:43:03,180  
interviews so you don't have to and and

905  
00:43:06,829 --> 00:43:05,880  
we can just bring you the good stuff uh

906  
00:43:19,309 --> 00:43:06,839  
great

907  
00:43:24,890 --> 00:43:22,010  
one second let's see if this is going to

908  
00:43:29,349 --> 00:43:24,900  
work yes it is

909  
00:43:33,109 --> 00:43:29,359  
okay friends so um this is from Ross

910  
00:43:36,230 --> 00:43:33,119  
Colbert's piece which he removed from

911  
00:43:39,470 --> 00:43:36,240  
his YouTube channel after

912  
00:43:42,710 --> 00:43:39,480  
I believe he removed it after our

913  
00:43:46,730 --> 00:43:42,720

reporting of how deceptive

914

00:43:48,589 --> 00:43:46,740

uh the promos were how they lied through

915

00:43:53,030 --> 00:43:48,599

their teeth to get people to click on

916

00:43:56,150 --> 00:43:53,040

this but for our purposes I'm using it

917

00:43:58,730 --> 00:43:56,160

to display that there is available proof

918

00:44:02,390 --> 00:43:58,740

that Gary Nolan did indeed use

919

00:44:04,730 --> 00:44:02,400

University Labs equipment and in the

920

00:44:06,910 --> 00:44:04,740

next proof I'll show he used University

921

00:44:10,730 --> 00:44:06,920

personnel as well

922

00:44:14,990 --> 00:44:10,740

to uh participate in these activities

923

00:44:41,630 --> 00:44:15,000

with Dr Steven Greer and with uh Ross

924

00:44:41,640 --> 00:44:50,210

foreign

925

00:44:50,220 --> 00:45:33,349

scrapings off Jim's balls

926  
00:45:38,630 --> 00:45:35,750  
great

927  
00:45:41,270 --> 00:45:38,640  
um uh a prestigious

928  
00:45:45,230 --> 00:45:41,280  
Stanford University Professor saying

929  
00:45:47,930 --> 00:45:45,240  
that somebody has an alien scout vehicle

930  
00:45:50,089 --> 00:45:47,940  
sitting in their house

931  
00:45:52,550 --> 00:45:50,099  
with no evidence of that no proof of

932  
00:45:55,250 --> 00:45:52,560  
that and he did not even begin his

933  
00:45:57,470 --> 00:45:55,260  
analysis and it's important to note that

934  
00:45:59,030 --> 00:45:57,480  
at the time that this broadcast August

935  
00:46:01,550 --> 00:45:59,040  
23rd

936  
00:46:03,890 --> 00:46:01,560  
he said it would take him a month

937  
00:46:07,010 --> 00:46:03,900  
a few days later I asked him on Twitter

938  
00:46:09,109 --> 00:46:07,020

where the analysis was and he said he

939

00:46:10,550 --> 00:46:09,119

hadn't begun it yet and it would be done

940

00:46:12,470 --> 00:46:10,560

in six weeks

941

00:46:14,990 --> 00:46:12,480

that would have put it somewhere around

942

00:46:16,370 --> 00:46:15,000

September it should have been finished

943

00:46:26,829 --> 00:46:16,380

right

944

00:46:26,839 --> 00:46:33,890

one moment

945

00:46:38,030 --> 00:46:35,990

oh no audio

946

00:46:40,010 --> 00:46:38,040

I don't know why that is

947

00:46:41,930 --> 00:46:40,020

all right well

948

00:46:43,370 --> 00:46:41,940

all right in the in the piece I

949

00:46:44,990 --> 00:46:43,380

apologize thanks for somebody who called

950

00:46:46,970 --> 00:46:45,000

me no sound on the video I don't know

951  
00:46:49,430 --> 00:46:46,980  
why that is that's why we don't usually

952  
00:46:50,930 --> 00:46:49,440  
use a media player here we play usually

953  
00:46:55,010 --> 00:46:50,940  
from cloud

954  
00:46:56,930 --> 00:46:55,020  
so I apologize in the piece which we

955  
00:46:58,550 --> 00:46:56,940  
just played you know what it's probably

956  
00:47:00,050 --> 00:46:58,560  
better I didn't play audio because I

957  
00:47:02,990 --> 00:47:00,060  
don't know that any of that music is not

958  
00:47:05,089 --> 00:47:03,000  
copyrighted in the piece

959  
00:47:08,030 --> 00:47:05,099  
Ross culthart walks into Stanford

960  
00:47:10,250 --> 00:47:08,040  
University Gary Nolan explains they're

961  
00:47:12,410 --> 00:47:10,260  
in Stanford University and here's this

962  
00:47:14,569 --> 00:47:12,420  
machine called the midi a mass

963  
00:47:17,270 --> 00:47:14,579

spectrometer machine that he's going to

964

00:47:19,550 --> 00:47:17,280

use to do the metals analysis then he

965

00:47:21,589 --> 00:47:19,560

says that the that the analysis is going

966

00:47:24,650 --> 00:47:21,599

to be done in four weeks

967

00:47:28,130 --> 00:47:24,660

we've never gotten the metals analysis

968

00:47:29,990 --> 00:47:28,140

it's never been delivered by Gary Nolan

969

00:47:32,450 --> 00:47:30,000

and again

970

00:47:34,550 --> 00:47:32,460

we get those statements that they're

971

00:47:38,329 --> 00:47:34,560

promising quote conclusive proof of

972

00:47:41,089 --> 00:47:38,339

alien technology before Gary Nolan even

973

00:47:43,370 --> 00:47:41,099

began any analysis whatsoever it's a

974

00:47:45,410 --> 00:47:43,380

bait and switch it's an over promise

975

00:47:47,450 --> 00:47:45,420

under deliver how are you promising

976  
00:47:49,250 --> 00:47:47,460  
people conclusive proof of alien

977  
00:47:51,470 --> 00:47:49,260  
technology all confirmed by this

978  
00:47:52,849 --> 00:47:51,480  
renowned scientist when that renowned

979  
00:47:54,950 --> 00:47:52,859  
scientist

980  
00:47:57,650 --> 00:47:54,960  
said on Twitter two days after this

981  
00:47:58,970 --> 00:47:57,660  
piece aired he hasn't begun he hasn't

982  
00:48:01,849 --> 00:47:58,980  
even begun

983  
00:48:03,170 --> 00:48:01,859  
the analysis work yet

984  
00:48:04,910 --> 00:48:03,180  
all right and I'm going to share

985  
00:48:10,370 --> 00:48:04,920  
something else from my Twitter because

986  
00:48:13,069 --> 00:48:10,380  
people all over Twitter are asking him

987  
00:48:16,670 --> 00:48:13,079  
where's where's Jim's balls metal

988  
00:48:19,130 --> 00:48:16,680

analysis where's this ball shavings Ross

989

00:48:21,710 --> 00:48:19,140

colethorpe got shavings off Jim's balls

990

00:48:22,309 --> 00:48:21,720

ball sorry

991

00:48:24,890 --> 00:48:22,319

um

992

00:48:27,050 --> 00:48:24,900

couldn't help it and

993

00:48:29,089 --> 00:48:27,060

Gary Nolan's supposed to provide the

994

00:48:30,530 --> 00:48:29,099

materials analysis

995

00:48:32,990 --> 00:48:30,540

using

996

00:48:35,210 --> 00:48:33,000

uh the point of me playing that piece is

997

00:48:37,010 --> 00:48:35,220

to confirm that even in the piece Gary

998

00:48:39,829 --> 00:48:37,020

Nolan confirms that he's using

999

00:48:43,250 --> 00:48:39,839

University labs and very very expensive

1000

00:48:45,170 --> 00:48:43,260

Machinery in Stanford University to do

1001

00:48:45,890 --> 00:48:45,180

the analysis

1002

00:48:49,550 --> 00:48:45,900

um

1003

00:48:53,870 --> 00:48:49,560

so then let me uh let me share my screen

1004

00:48:58,370 --> 00:48:55,910

we're going to go over to Twitter I have

1005

00:49:01,630 --> 00:48:58,380

and I want to uh

1006

00:49:04,609 --> 00:49:01,640

this is a screenshot Matthew

1007

00:49:06,710 --> 00:49:04,619

grutchal asked speaking of knowing

1008

00:49:08,510 --> 00:49:06,720

things this is September 21st he was

1009

00:49:10,250 --> 00:49:08,520

asked where's the metal analysis

1010

00:49:12,170 --> 00:49:10,260

speaking of knowing things any progress

1011

00:49:14,270 --> 00:49:12,180

anticipated release date on your

1012

00:49:16,730 --> 00:49:14,280

findings

1013

00:49:17,990 --> 00:49:16,740

on Ross coldthart's mysterious metal

1014

00:49:20,450 --> 00:49:18,000

ball

1015

00:49:23,150 --> 00:49:20,460

Gary P Nolan Chimes back no my

1016

00:49:25,069 --> 00:49:23,160

mainstream job in the fall is lecture

1017

00:49:27,890 --> 00:49:25,079

circuit travel grant writing getting

1018

00:49:31,010 --> 00:49:27,900

students ready for PhD DC's talks in

1019

00:49:34,250 --> 00:49:31,020

early 2023 working with post doctorates

1020

00:49:37,270 --> 00:49:34,260

post docs to prepare them for faculty

1021

00:49:40,390 --> 00:49:37,280

jobs editing

1022

00:49:42,950 --> 00:49:40,400

writing papers grants

1023

00:49:43,730 --> 00:49:42,960

what else oh it's my turn to rake the

1024

00:49:44,930 --> 00:49:43,740

leaves

1025

00:49:47,210 --> 00:49:44,940

so

1026

00:49:49,130 --> 00:49:47,220

what we get and I've seen multiple

1027

00:49:52,309 --> 00:49:49,140

examples of this is every time somebody

1028

00:49:54,290 --> 00:49:52,319

asks Gary P Nolan where the analysis was

1029

00:49:55,790 --> 00:49:54,300

and again it's very important to point

1030

00:49:57,790 --> 00:49:55,800

out that they've already promised

1031

00:50:01,309 --> 00:49:57,800

conclusive proof of alien technology

1032

00:50:04,010 --> 00:50:01,319

confirmed by this renowned scientist and

1033

00:50:06,410 --> 00:50:04,020

every time somebody asks him where's the

1034

00:50:09,290 --> 00:50:06,420

analysis where's the proof he makes

1035

00:50:13,250 --> 00:50:09,300

excuses right

1036

00:50:15,829 --> 00:50:13,260

and uh I don't think that this is

1037

00:50:18,349 --> 00:50:15,839

acceptable from an Ethics or morality or

1038

00:50:21,230 --> 00:50:18,359

maybe even a legal standpoint he

1039

00:50:23,630 --> 00:50:21,240

participated in this project which was

1040

00:50:26,630 --> 00:50:23,640

promising everyone conclusive proof of

1041

00:50:30,170 --> 00:50:26,640

alien technology all confirmed by him

1042

00:50:32,750 --> 00:50:30,180

this man that was August 23rd where is

1043

00:50:36,230 --> 00:50:32,760

the proof where is the analysis and

1044

00:50:38,569 --> 00:50:36,240

again somebody like me asks him a very

1045

00:50:40,609 --> 00:50:38,579

he said I was too aggressive you know

1046

00:50:44,150 --> 00:50:40,619

how nice do you want me to ask you if

1047

00:50:46,849 --> 00:50:44,160

you were using University equipment

1048

00:50:48,829 --> 00:50:46,859

and University personnel and how much

1049

00:50:51,109 --> 00:50:48,839

were you paid you know I mean it's a

1050

00:50:53,510 --> 00:50:51,119

very simple question were you paid and

1051  
00:50:55,010 --> 00:50:53,520  
did you use the university equipment and

1052  
00:50:57,290 --> 00:50:55,020  
by the way

1053  
00:50:59,930 --> 00:50:57,300  
I think in the back of my mind I already

1054  
00:51:02,089 --> 00:50:59,940  
knew that he had used University Labs

1055  
00:51:03,410 --> 00:51:02,099  
personnel and Equipment you ever have

1056  
00:51:05,089 --> 00:51:03,420  
one of those moments where you know

1057  
00:51:07,069 --> 00:51:05,099  
something but you don't remember from

1058  
00:51:09,470 --> 00:51:07,079  
where you know it

1059  
00:51:11,150 --> 00:51:09,480  
so when I asked him these questions I

1060  
00:51:14,089 --> 00:51:11,160  
had not yet gone through all the

1061  
00:51:16,549 --> 00:51:14,099  
interviews but I I just knew it in my

1062  
00:51:19,730 --> 00:51:16,559  
bones I remembered I think seeing that

1063  
00:51:21,770 --> 00:51:19,740

he had said oh yeah we use students or

1064

00:51:24,109 --> 00:51:21,780

oh yeah you know other people work in my

1065

00:51:26,750 --> 00:51:24,119

labs do the actual work I don't do it

1066

00:51:28,849 --> 00:51:26,760

I'm too important and in Ross

1067

00:51:32,030 --> 00:51:28,859

coldhart's piece we get confirmation

1068

00:51:32,990 --> 00:51:32,040

that he indeed is using their Labs their

1069

00:51:35,210 --> 00:51:33,000

equipment

1070

00:51:38,569 --> 00:51:35,220

and their machinery

1071

00:51:40,370 --> 00:51:38,579

to and probably their computers to do

1072

00:51:43,190 --> 00:51:40,380

this analysis work

1073

00:51:45,470 --> 00:51:43,200

for what it can only be described again

1074

00:51:48,410 --> 00:51:45,480

as a UFO grift

1075

00:51:50,150 --> 00:51:48,420

an alien grift all right and now we're

1076

00:51:53,569 --> 00:51:50,160

going to get into further proof that

1077

00:51:55,790 --> 00:51:53,579

Gary Nolan and and maybe now we can shed

1078

00:51:58,309 --> 00:51:55,800

some light on why Gary Nolan did not

1079

00:52:00,290 --> 00:51:58,319

want to answer my very simple and direct

1080

00:52:01,549 --> 00:52:00,300

questions and decided I was too

1081

00:52:03,109 --> 00:52:01,559

aggressive

1082

00:52:04,910 --> 00:52:03,119

again

1083

00:52:05,990 --> 00:52:04,920

according to

1084

00:52:08,270 --> 00:52:06,000

um

1085

00:52:10,910 --> 00:52:08,280

let me let me share this we're going to

1086

00:52:13,490 --> 00:52:10,920

share this again just for clarity's sake

1087

00:52:16,730 --> 00:52:13,500

and that is uh

1088

00:52:18,710 --> 00:52:16,740

Stanford University's statement in their

1089

00:52:21,049 --> 00:52:18,720

code of ethics on the use of University

1090

00:52:21,829 --> 00:52:21,059

resources

1091

00:52:23,870 --> 00:52:21,839

um

1092

00:52:25,430 --> 00:52:23,880

University resources must be reserved

1093

00:52:26,870 --> 00:52:25,440

for business purposes on behalf of the

1094

00:52:28,809 --> 00:52:26,880

University they may not be used for

1095

00:52:32,329 --> 00:52:28,819

personal gain

1096

00:52:35,150 --> 00:52:32,339

and so included in that is University

1097

00:52:38,089 --> 00:52:35,160

equipment now we've established

1098

00:52:40,790 --> 00:52:38,099

with his own words

1099

00:52:43,250 --> 00:52:40,800

and with their own video that they

1100

00:52:45,589 --> 00:52:43,260

produced that he is indeed using using

1101

00:52:48,170 --> 00:52:45,599

University equipment

1102

00:52:50,450 --> 00:52:48,180

in the form of computers peripherals

1103

00:52:54,109 --> 00:52:50,460

Machinery lab equipment whatever

1104

00:52:55,849 --> 00:52:54,119

uh now there is also a problem here

1105

00:52:57,890 --> 00:52:55,859

according to the code of ethics he's not

1106

00:53:00,650 --> 00:52:57,900

allowed to use the time and effort of

1107

00:53:03,530 --> 00:53:00,660

staff students and others at Stanford so

1108

00:53:07,069 --> 00:53:03,540

now uh I will share my screen once again

1109

00:53:09,410 --> 00:53:07,079

we will cite fair use uh this is a

1110

00:53:11,930 --> 00:53:09,420

transformative work I am educating the

1111

00:53:13,910 --> 00:53:11,940

public we're trans we are this is a

1112

00:53:14,890 --> 00:53:13,920

transformative work I'm educating the

1113

00:53:18,829 --> 00:53:14,900

public

1114

00:53:20,890 --> 00:53:18,839

about Stanford Professor Gary P Nolan's

1115

00:53:23,569 --> 00:53:20,900

participation in

1116

00:53:26,390 --> 00:53:23,579

these so-called documentary projects

1117

00:53:29,809 --> 00:53:26,400

about alien alien visitation on Earth

1118

00:53:33,230 --> 00:53:29,819

and UFOs and all right so uh this is

1119

00:53:34,549 --> 00:53:33,240

from Lex Friedman who I know is a

1120

00:53:36,470 --> 00:53:34,559

um

1121

00:53:38,450 --> 00:53:36,480

is a supporter of free speech and

1122

00:53:40,549 --> 00:53:38,460

freedom of expression and fair use but

1123

00:53:44,390 --> 00:53:40,559

we're still going to cite fair use

1124

00:53:48,530 --> 00:53:44,400

this is a an interview that Gary P Nolan

1125

00:53:50,630 --> 00:53:48,540

conducted with Lex Friedman and he uh in

1126

00:53:53,569 --> 00:53:50,640

this talks about the analysis of the

1127

00:53:56,329 --> 00:53:53,579

Atacama humanoid uh psychic call it the

1128

00:53:59,390 --> 00:53:56,339

Atacama humanoid the Atacama mummy you

1129

00:54:01,849 --> 00:53:59,400

remember the dead baby that uh

1130

00:54:04,250 --> 00:54:01,859

Stephen Greer used to grift to the tune

1131

00:54:08,390 --> 00:54:04,260

of millions of dollars and it's also

1132

00:54:09,589 --> 00:54:08,400

important to note that in the original

1133

00:54:11,210 --> 00:54:09,599

they're going to come up with better

1134

00:54:14,270 --> 00:54:11,220

terminology

1135

00:54:16,670 --> 00:54:14,280

and the Stephen Greer documentary they

1136

00:54:20,089 --> 00:54:16,680

used the same tactics put out the

1137

00:54:22,490 --> 00:54:20,099

documentary get all the money and then

1138

00:54:23,809 --> 00:54:22,500

deal with the consequences

1139

00:54:25,970 --> 00:54:23,819

right

1140

00:54:28,069 --> 00:54:25,980

in the in the Stephen Greer serious

1141

00:54:30,309 --> 00:54:28,079

documentary Stephen Greer hyped up that

1142

00:54:34,849 --> 00:54:30,319

dead baby the little mummy

1143

00:54:37,609 --> 00:54:34,859

as alien forever for a long long time

1144

00:54:38,870 --> 00:54:37,619

then he produces a documentary and he's

1145

00:54:40,790 --> 00:54:38,880

going to give us the proof that that

1146

00:54:43,250 --> 00:54:40,800

thing's an alien who's going to bring us

1147

00:54:46,309 --> 00:54:43,260

the proof Gary P Nolan Stanford

1148

00:54:50,150 --> 00:54:46,319

prestigious renowned Stanford University

1149

00:54:53,809 --> 00:54:50,160

professor and by the way Gary P Nolan is

1150

00:54:57,109 --> 00:54:53,819

neither a geneticist nor a materials

1151  
00:54:59,450 --> 00:54:57,119  
scientist he's an immunologist so this

1152  
00:55:03,829 --> 00:54:59,460  
doesn't even make sense and it's more

1153  
00:55:07,490 --> 00:55:03,839  
proof of why I believe they are using

1154  
00:55:10,609 --> 00:55:07,500  
Gary Nolan and the reputation of

1155  
00:55:15,650 --> 00:55:10,619  
Stanford University being so prestigious

1156  
00:55:18,290 --> 00:55:15,660  
to sell UFO lies alien lies to people

1157  
00:55:21,290 --> 00:55:18,300  
because if you really were serious about

1158  
00:55:24,109 --> 00:55:21,300  
getting to the truth and you had an

1159  
00:55:26,690 --> 00:55:24,119  
unknown biological entity you wouldn't

1160  
00:55:29,690 --> 00:55:26,700  
take it to an immunologist for analysis

1161  
00:55:32,630 --> 00:55:29,700  
you would take it to Medical Doctors and

1162  
00:55:35,690 --> 00:55:32,640  
you would take it to a DNA specialist to

1163  
00:55:37,670 --> 00:55:35,700

do the DNA analysis no they take it to

1164

00:55:41,270 --> 00:55:37,680

an immunologist

1165

00:55:43,670 --> 00:55:41,280

and again if you had metal of unknown

1166

00:55:45,470 --> 00:55:43,680

Origins and you were really serious

1167

00:55:47,569 --> 00:55:45,480

about getting to the truth of it you

1168

00:55:49,910 --> 00:55:47,579

wouldn't take it to an immunologist you

1169

00:55:52,670 --> 00:55:49,920

would take it to a materials scientist

1170

00:55:55,970 --> 00:55:52,680

somebody or a chemist somebody who deals

1171

00:55:58,250 --> 00:55:55,980

with elements right but no they take it

1172

00:56:01,010 --> 00:55:58,260

to this guy and I believe they take it

1173

00:56:04,849 --> 00:56:01,020

to this guy because this guy will

1174

00:56:06,770 --> 00:56:04,859

essentially pour out his university so

1175

00:56:09,410 --> 00:56:06,780

that the grift works

1176  
00:56:11,270 --> 00:56:09,420  
so uh We've cited fair use we're going

1177  
00:56:13,010 --> 00:56:11,280  
to be critiquing the video that we're

1178  
00:56:15,849 --> 00:56:13,020  
sharing and we're also using it to

1179  
00:56:19,250 --> 00:56:15,859  
provide evidence that Dr Gary Nolan

1180  
00:56:22,130 --> 00:56:19,260  
indeed when analyzing the Atacama human

1181  
00:56:24,349 --> 00:56:22,140  
kind of almost said it again Atacama

1182  
00:56:26,930 --> 00:56:24,359  
skeleton mummy

1183  
00:56:35,030 --> 00:56:26,940  
when analyzing that he used University

1184  
00:56:38,329 --> 00:56:36,410  
wait a minute

1185  
00:56:40,190 --> 00:56:38,339  
let me do that one more time and make

1186  
00:56:45,890 --> 00:56:40,200  
sure I have the sound maybe that was the

1187  
00:56:45,900 --> 00:56:50,990  
and we got it now friends

1188  
00:56:55,910 --> 00:56:52,790

Steven Greer

1189

00:56:58,430 --> 00:56:55,920

uh claimed that a skeleton discovered in

1190

00:57:01,370 --> 00:56:58,440

Atacama region of Chile

1191

00:57:04,790 --> 00:57:01,380

might be an alien you reached out to him

1192

00:57:07,010 --> 00:57:04,800

and uh took on the task of proving or

1193

00:57:09,109 --> 00:57:07,020

disproving that with the rigor of

1194

00:57:11,750 --> 00:57:09,119

science the result is a paper titled

1195

00:57:14,329 --> 00:57:11,760

whole genome sequencing of Atacama

1196

00:57:16,430 --> 00:57:14,339

Skeleton shows novel mutations linked

1197

00:57:18,890 --> 00:57:16,440

with dysplasia

1198

00:57:21,770 --> 00:57:18,900

can you tell this full story

1199

00:57:25,790 --> 00:57:21,780

the story was as you put it

1200

00:57:30,349 --> 00:57:25,800

right there correct reached out

1201  
00:57:33,290 --> 00:57:30,359  
got a sample of the body did the DNA by

1202  
00:57:36,950 --> 00:57:33,300  
the way uh uh I just wanted to interject

1203  
00:57:39,170 --> 00:57:36,960  
that for those familiar with UFO land do

1204  
00:57:42,349 --> 00:57:39,180  
you know who took the samples from the

1205  
00:57:47,270 --> 00:57:42,359  
skeleton it wasn't Steven Greer and it

1206  
00:57:50,210 --> 00:57:47,280  
wasn't Gary Nolan the person who

1207  
00:57:53,390 --> 00:57:50,220  
did a lot of work apparently on the

1208  
00:57:55,970 --> 00:57:53,400  
Atacama skeleton was one Emery Smith of

1209  
00:57:57,890 --> 00:57:55,980  
Gaia TV Fame you know the guy that was

1210  
00:57:59,930 --> 00:57:57,900  
running around telling women that he was

1211  
00:58:02,270 --> 00:57:59,940  
going on secret missions to Antarctica

1212  
00:58:04,069 --> 00:58:02,280  
while he was drinking himself into a

1213  
00:58:06,349 --> 00:58:04,079

coma every day living with a separate

1214

00:58:09,109 --> 00:58:06,359

woman you know that guy that got caught

1215

00:58:11,809 --> 00:58:09,119

running PayPal donation scams claiming

1216

00:58:13,370 --> 00:58:11,819

that he was under attack by the Men in

1217

00:58:15,950 --> 00:58:13,380

Black when in fact he was in the

1218

00:58:19,430 --> 00:58:15,960

hospital for alcohol poisoning that guy

1219

00:58:22,730 --> 00:58:19,440

that's the guy Emery Smith who took the

1220

00:58:26,750 --> 00:58:22,740

samples that were then sent to

1221

00:58:29,150 --> 00:58:26,760

one Gary Nolan uh I just think that's

1222

00:58:31,609 --> 00:58:29,160

important because it clearly establishes

1223

00:58:32,990 --> 00:58:31,619

that Gary Nolan is running around with

1224

00:58:40,130 --> 00:58:33,000

proven

1225

00:58:42,829 --> 00:58:40,140

and that's problematic for a renowned

1226

00:58:46,910 --> 00:58:42,839

Stanford University Professor a

1227

00:58:50,089 --> 00:58:46,920

sequencing then worked with a team of uh

1228

00:58:52,490 --> 00:58:50,099

two other Stanford scientists and uh

1229

00:58:55,130 --> 00:58:52,500

Roche sequencing group

1230

00:58:57,190 --> 00:58:55,140

Roche Diagnostics he worked with a team

1231

00:59:00,230 --> 00:58:57,200

of two other Stanford University

1232

00:59:02,930 --> 00:59:00,240

scientists that

1233

00:59:05,930 --> 00:59:02,940

would seem to indicate that he was using

1234

00:59:08,329 --> 00:59:05,940

Stanford University Personnel in this

1235

00:59:10,190 --> 00:59:08,339

project and again I reached out to him

1236

00:59:12,589 --> 00:59:10,200

and asked him how much was he paid for

1237

00:59:15,770 --> 00:59:12,599

his participation in the documentary or

1238

00:59:19,069 --> 00:59:15,780

how much was he paid for his uh analysis

1239

00:59:21,109 --> 00:59:19,079

work and he refused to answer

1240

00:59:24,349 --> 00:59:21,119

and probably a total team of about 11 or

1241

00:59:27,230 --> 00:59:24,359

so people 11 people

1242

00:59:29,390 --> 00:59:27,240

a team of 11 people that doesn't sound

1243

00:59:32,210 --> 00:59:29,400

incidental to me does it sound

1244

00:59:35,530 --> 00:59:32,220

incidental to you the the code of

1245

00:59:37,730 --> 00:59:35,540

conduct for Stanford says that he cannot

1246

00:59:39,650 --> 00:59:37,740

I you know we're not even going to get

1247

00:59:42,470 --> 00:59:39,660

into the code of conduct but it says

1248

00:59:44,809 --> 00:59:42,480

incidental if you're working with a team

1249

00:59:47,450 --> 00:59:44,819

of 11 people on a project that's a big

1250

00:59:49,730 --> 00:59:47,460

project and that might take you away

1251

00:59:52,250 --> 00:59:49,740

from your you know assigned

1252

00:59:54,530 --> 00:59:52,260

responsibilities at the University that

1253

00:59:57,289 --> 00:59:54,540

thing that they're paying you for

1254

01:00:00,650 --> 00:59:57,299

so I don't understand how any of this is

1255

01:00:03,470 --> 01:00:00,660

okay I just I don't get it you know uh

1256

01:00:05,030 --> 01:00:03,480

just imagine if you had a job that you

1257

01:00:08,089 --> 01:00:05,040

were being paid to do and you just

1258

01:00:10,910 --> 01:00:08,099

ignored your job for a month to go do an

1259

01:00:13,609 --> 01:00:10,920

alien project right would you get fired

1260

01:00:16,309 --> 01:00:13,619

I would you probably would

1261

01:00:18,470 --> 01:00:16,319

the different rules must apply to

1262

01:00:22,670 --> 01:00:18,480

Academia and different rules must apply

1263

01:00:25,789 --> 01:00:22,680

to one Dr Gary Nolan

1264

01:00:27,410 --> 01:00:25,799

um and as as a standard in these kinds

1265

01:00:30,230 --> 01:00:27,420

of things the professors actually don't

1266

01:00:32,870 --> 01:00:30,240

do the work the students do the work and

1267

01:00:36,589 --> 01:00:32,880

the students do the work so he used

1268

01:00:39,430 --> 01:00:36,599

University students to do this project

1269

01:00:42,230 --> 01:00:39,440

and again in uh the use of University

1270

01:00:45,349 --> 01:00:42,240

resources in the Stanford code of ethics

1271

01:00:48,170 --> 01:00:45,359

it says that you cannot use the time and

1272

01:00:49,490 --> 01:00:48,180

effort of staff students and others at

1273

01:00:52,490 --> 01:00:49,500

Stanford

1274

01:00:55,190 --> 01:00:52,500

and again but this hinges on did he

1275

01:00:57,470 --> 01:00:55,200

personally profit from this that's why I

1276

01:00:59,089 --> 01:00:57,480

asked a question for all I know he

1277

01:01:01,490 --> 01:00:59,099

didn't get paid a dime to do all this

1278

01:01:03,289 --> 01:01:01,500

and he did it as a volunteer in which

1279

01:01:05,510 --> 01:01:03,299

case why doesn't he just answer the

1280

01:01:08,690 --> 01:01:05,520

question no I didn't get paid anything

1281

01:01:10,430 --> 01:01:08,700

for this everybody volunteered 11 people

1282

01:01:13,130 --> 01:01:10,440

volunteered to help the students

1283

01:01:16,069 --> 01:01:13,140

volunteered to help uh but if he got

1284

01:01:18,829 --> 01:01:16,079

paid for his participation in Dr Steven

1285

01:01:21,230 --> 01:01:18,839

Greer's film then this would appear to

1286

01:01:22,789 --> 01:01:21,240

be in direct violation everything that's

1287

01:01:24,410 --> 01:01:22,799

happening here would appear to be in

1288

01:01:27,309 --> 01:01:24,420

direct violation of Stanford

1289

01:01:31,010 --> 01:01:27,319

University's code of ethics surrounding

1290

01:01:33,170 --> 01:01:31,020

the use of University resources

1291

01:01:34,970 --> 01:01:33,180

and you know I think that those are good

1292

01:01:36,710 --> 01:01:34,980

rules and they should be in place to

1293

01:01:40,910 --> 01:01:36,720

prevent people from exploiting

1294

01:01:42,950 --> 01:01:40,920

University resources for personal gain

1295

01:01:44,450 --> 01:01:42,960

um and again I asked him for comment or

1296

01:01:46,430 --> 01:01:44,460

ques I asked him these questions he

1297

01:01:49,730 --> 01:01:46,440

doesn't want to answer me but his own

1298

01:01:51,950 --> 01:01:49,740

words betray him and we now know that

1299

01:01:55,030 --> 01:01:51,960

one of my major questions did he use

1300

01:01:59,089 --> 01:01:55,040

University Labs equipment and Personnel

1301

01:02:01,910 --> 01:01:59,099

in this in in the participation of these

1302

01:02:03,530 --> 01:02:01,920

projects the answer is yes his he said

1303

01:02:06,530 --> 01:02:03,540

it himself he's using University

1304

01:02:09,230 --> 01:02:06,540

equipment he's using University students

1305

01:02:12,470 --> 01:02:09,240

other university scientists to perform

1306

01:02:14,569 --> 01:02:12,480

this analysis and figured out the answer

1307

01:02:16,329 --> 01:02:14,579

uh and then we helped them put together

1308

01:02:24,109 --> 01:02:16,339

the story

1309

01:02:25,789 --> 01:02:24,119

was human 100 I went into it thinking it

1310

01:02:28,789 --> 01:02:25,799

was originally a monkey

1311

01:02:30,470 --> 01:02:28,799

of some sort I never heard him he may

1312

01:02:31,970 --> 01:02:30,480

have said that publicly but I never

1313

01:02:34,370 --> 01:02:31,980

heard him

1314

01:02:36,109 --> 01:02:34,380

say that it was a monkey in fact he

1315

01:02:38,329 --> 01:02:36,119

seemed to be all chips in that it was an

1316

01:02:41,150 --> 01:02:38,339

alien with Dr Steven Greer in the lead

1317

01:02:43,190 --> 01:02:41,160

up to the film being released and isn't

1318

01:02:46,250 --> 01:02:43,200

it a little uh coincidental or funny

1319

01:02:50,450 --> 01:02:46,260

that they couldn't wait

1320

01:02:53,210 --> 01:02:50,460

a few weeks a month to get the results

1321

01:02:55,250 --> 01:02:53,220

before they released a film it appeared

1322

01:02:57,829 --> 01:02:55,260

to me that they in my opinion they

1323

01:03:01,190 --> 01:02:57,839

released they hurried and rushed to film

1324

01:03:03,170 --> 01:03:01,200

to make the money before the analysis

1325

01:03:05,630 --> 01:03:03,180

came back and said it's just a human

1326

01:03:07,849 --> 01:03:05,640

because if you make that whole

1327

01:03:10,910 --> 01:03:07,859

documentary and the lab results just say

1328

01:03:13,490 --> 01:03:10,920

it's a deformed human fetus or deformed

1329

01:03:16,309 --> 01:03:13,500

human baby there's no story there's no

1330

01:03:18,549 --> 01:03:16,319

millions of dollars to be made so in my

1331

01:03:21,470 --> 01:03:18,559

opinion Dr Steven Greer rushed the film

1332

01:03:23,690 --> 01:03:21,480

uh to release

1333

01:03:25,609 --> 01:03:23,700

and didn't wait why would you not wait a

1334

01:03:28,670 --> 01:03:25,619

few weeks for the analysis work to be

1335

01:03:31,970 --> 01:03:28,680

complete and why would a prestigious

1336

01:03:34,870 --> 01:03:31,980

Stanford University Professor even

1337

01:03:38,510 --> 01:03:34,880

participate in something like that which

1338

01:03:42,170 --> 01:03:38,520

essentially hyped up and and defrauded

1339

01:03:43,130 --> 01:03:42,180

the public for what turned out to be a

1340

01:03:46,430 --> 01:03:43,140

normal

1341

01:03:49,670 --> 01:03:46,440

but turned out to be completely human

1342

01:03:52,010 --> 01:03:49,680

nothing alien about it it's very shady

1343

01:03:54,650 --> 01:03:52,020

in my opinion

1344

01:03:56,210 --> 01:03:54,660

um I got kind of excited a few months

1345

01:03:58,370 --> 01:03:56,220

into the process thinking well what

1346

01:04:00,410 --> 01:03:58,380

happens if it is an alien

1347

01:04:01,849 --> 01:04:00,420

right can you describe some of the

1348

01:04:03,890 --> 01:04:01,859

characteristics of the skeleton that

1349

01:04:07,010 --> 01:04:03,900

make it unique and interesting primarily

1350

01:04:08,210 --> 01:04:07,020

it had dysmorphias of the of the brain

1351

01:04:11,089 --> 01:04:08,220

um and so the first thing I did actually

1352

01:04:15,049 --> 01:04:11,099

when I got pictures of it I took it to a

1353

01:04:18,410 --> 01:04:15,059

local expert at Stanford uh and again

1354

01:04:20,809 --> 01:04:18,420

he's using University Personnel for what

1355

01:04:22,010 --> 01:04:20,819

can probably be described as a personal

1356

01:04:24,530 --> 01:04:22,020

project

1357

01:04:26,569 --> 01:04:24,540

so the question of whether he was paid

1358

01:04:29,089 --> 01:04:26,579

for this participation in this

1359

01:04:31,809 --> 01:04:29,099

documentary becomes even more important

1360

01:04:34,849 --> 01:04:31,819

we have him using multiple scientists

1361

01:04:37,789 --> 01:04:34,859

students University equipment lab

1362

01:04:40,910 --> 01:04:37,799

equipment and resources to do this

1363

01:04:43,910 --> 01:04:40,920

analysis for Dr Stephen Greer who many

1364

01:04:47,809 --> 01:04:43,920

might describe as a UFO con artist or an

1365

01:04:51,849 --> 01:04:47,819

alien con artist and he was on the paper

1366

01:04:55,250 --> 01:04:51,859

and he was the world expert in pediatric

1367

01:04:56,650 --> 01:04:55,260

bone dysmorphias though he literally

1368

01:04:59,210 --> 01:04:56,660

wrote the book

1369

01:05:01,130 --> 01:04:59,220

and on this because that's what you do

1370

01:05:03,470 --> 01:05:01,140

you go to an expert when it's outside of

1371

01:05:05,150 --> 01:05:03,480

your field of interest and he said well

1372

01:05:08,870 --> 01:05:05,160

I haven't seen this particular

1373

01:05:11,809 --> 01:05:08,880

collection of mutations before uh or

1374

01:05:14,329 --> 01:05:11,819

this uh this physiology before but

1375

01:05:17,089 --> 01:05:14,339

here's what I think it might be

1376

01:05:21,770 --> 01:05:17,099

um and he said but based on the size of

1377

01:05:24,170 --> 01:05:21,780

the of the thing and the bone density

1378

01:05:27,530 --> 01:05:24,180

it would appear to be

1379

01:05:29,930 --> 01:05:27,540

like six or seven years old now yeah and

1380

01:05:32,329 --> 01:05:29,940

in the film they hyped that up oh this

1381

01:05:34,549 --> 01:05:32,339

thing was six or seven years old and it

1382

01:05:38,089 --> 01:05:34,559

was walking around it was alive it

1383

01:05:41,390 --> 01:05:38,099

wasn't a fetus and now we see the big

1384

01:05:44,390 --> 01:05:41,400

letdown because uh that certainly what

1385

01:05:46,309 --> 01:05:44,400

they hyped up in the film as 100 factual

1386

01:05:49,370 --> 01:05:46,319

and true and provable

1387

01:05:52,069 --> 01:05:49,380

turned out not to be again that's the

1388

01:05:53,930 --> 01:05:52,079

that's the thing where I think the lay

1389

01:05:57,349 --> 01:05:53,940

public

1390

01:05:59,150 --> 01:05:57,359

doesn't understand or takes a

1391

01:06:04,130 --> 01:05:59,160

speculation like that and turns it into

1392

01:06:06,230 --> 01:06:04,140

a fact why then did Dr Nolan not insist

1393

01:06:08,690 --> 01:06:06,240

that he'd be able to say that right

1394

01:06:10,549 --> 01:06:08,700

there in the film right and it's been a

1395

01:06:12,589 --> 01:06:10,559

while since I've seen that film but they

1396

01:06:15,230 --> 01:06:12,599

hyped up the fact that experts said that

1397

01:06:18,609 --> 01:06:15,240

it was probably six or seven years old

1398

01:06:22,010 --> 01:06:18,619

somehow they did not

1399

01:06:24,289 --> 01:06:22,020

this is this is just Shady no one ever

1400

01:06:26,270 --> 01:06:24,299

said that it was that age we only said

1401

01:06:28,010 --> 01:06:26,280

that the bones made it look like it was

1402

01:06:30,289 --> 01:06:28,020

bad now he's going to throw Stephen

1403

01:06:32,930 --> 01:06:30,299

Greer onto the bus for hyping up this

1404

01:06:35,150 --> 01:06:32,940

these claims as true and factual blame

1405

01:06:38,289 --> 01:06:35,160

Stephen Greer when all else fails stage

1406

01:06:41,210 --> 01:06:38,299

but then we went back and looked for

1407

01:06:42,829 --> 01:06:41,220

uh genetic explanations of why things

1408

01:06:46,130 --> 01:06:42,839

might look the way they did

1409

01:06:49,010 --> 01:06:46,140

and if you again read the paper is very

1410

01:06:51,049 --> 01:06:49,020

carefully caveat to say that these

1411

01:06:53,690 --> 01:06:51,059

mutations might

1412

01:06:57,950 --> 01:06:53,700

result in this but what we did find was

1413

01:07:01,069 --> 01:06:57,960

an an unexpectedly large number of

1414

01:07:03,950 --> 01:07:01,079

mutations associated with bone growth in

1415

01:07:06,410 --> 01:07:03,960

this individual and it was just

1416

01:07:08,870 --> 01:07:06,420

a bad roll of the dice right you roll

1417

01:07:13,069 --> 01:07:08,880

the dice enough times with enough people

1418

01:07:15,589 --> 01:07:13,079

born every year and someone will roll

1419

01:07:19,089 --> 01:07:15,599

the wrong dice

1420

01:07:22,370 --> 01:07:19,099

all at once so the sad part about it was

1421

01:07:25,069 --> 01:07:22,380

individuals in the UFO Community who

1422

01:07:28,490 --> 01:07:25,079

wanted to think that there was some sort

1423

01:07:31,430 --> 01:07:28,500

of conspiracy around it right that

1424

01:07:32,450 --> 01:07:31,440

somebody had somehow convinced all of my

1425

01:07:36,410 --> 01:07:32,460

students

1426

01:07:38,329 --> 01:07:36,420

uh to lie okay I mean come on you know I

1427

01:07:42,470 --> 01:07:38,339

I would lose my I would lose my job

1428

01:07:46,190 --> 01:07:42,480

first of all uh and they would all be

1429

01:07:48,049 --> 01:07:46,200

uh you know in trouble forever yeah but

1430

01:07:51,170 --> 01:07:48,059

also it's just projecting malevolence

1431

01:07:54,170 --> 01:07:51,180

onto people that doesn't I don't think

1432

01:07:55,370 --> 01:07:54,180

exists in normal populace and especially

1433

01:07:58,309 --> 01:07:55,380

doesn't exist in the scientific

1434

01:08:02,569 --> 01:07:58,319

Community yeah yeah and so Dr Steven

1435

01:08:04,430 --> 01:08:02,579

Greer after the analysis dropped and you

1436

01:08:05,870 --> 01:08:04,440

know he had made all of his money you

1437

01:08:07,490 --> 01:08:05,880

would think well I made millions of

1438

01:08:11,450 --> 01:08:07,500

dollars who cares if it's real or not

1439

01:08:14,750 --> 01:08:11,460

just you know no Dr Stephen greed Greer

1440

01:08:18,530 --> 01:08:14,760

doubled and tripled down blamed Dr Nolan

1441

01:08:21,650 --> 01:08:18,540

and claimed some vast CIA conspiracy had

1442

01:08:23,990 --> 01:08:21,660

happened where Dr Nolan received funding

1443

01:08:25,789 --> 01:08:24,000

from the CIA

1444

01:08:31,010 --> 01:08:25,799

and then

1445

01:08:36,169 --> 01:08:33,590

um but it is interesting that Gary Nolan

1446

01:08:38,630 --> 01:08:36,179

was all chips in on this thing

1447

01:08:41,150 --> 01:08:38,640

possibly being alien all throughout the

1448

01:08:43,490 --> 01:08:41,160

film right the film gets released and

1449

01:08:46,309 --> 01:08:43,500

then suddenly the results of the

1450

01:08:48,169 --> 01:08:46,319

analysis come out a short a very very

1451

01:08:50,090 --> 01:08:48,179  
short time later proving that it's

1452

01:08:53,150 --> 01:08:50,100  
nothing but human

1453

01:08:57,010 --> 01:08:53,160  
but the important part for our

1454

01:08:59,450 --> 01:08:57,020  
discussion tonight is this

1455

01:09:03,010 --> 01:08:59,460  
we can now prove

1456

01:09:07,430 --> 01:09:03,020  
by his own statements that

1457

01:09:12,709 --> 01:09:07,440  
Dr Stephen or excuse me Dr Gary Nolan

1458

01:09:16,309 --> 01:09:12,719  
used University equipment Labs personnel

1459

01:09:17,870 --> 01:09:16,319  
and students in the performance of this

1460

01:09:20,749 --> 01:09:17,880  
project

1461

01:09:23,510 --> 01:09:20,759  
in the analysis work

1462

01:09:26,990 --> 01:09:23,520  
he used University facilities to film

1463

01:09:31,610 --> 01:09:27,000

inside of for both projects and more

1464

01:09:34,910 --> 01:09:31,620

so I am left with the final and most

1465

01:09:35,990 --> 01:09:34,920

important question which is how much

1466

01:09:38,749 --> 01:09:36,000

money

1467

01:09:39,950 --> 01:09:38,759

how much compensation

1468

01:09:43,010 --> 01:09:39,960

did

1469

01:09:46,490 --> 01:09:43,020

Dr Gary Nolan receive

1470

01:09:48,229 --> 01:09:46,500

from these two separate projects now it

1471

01:09:50,749 --> 01:09:48,239

may well be that he didn't receive any

1472

01:09:53,809 --> 01:09:50,759

compensation and therefore it may not be

1473

01:09:55,970 --> 01:09:53,819

a breach of the ethics standards at

1474

01:09:59,330 --> 01:09:55,980

Stanford University but even if he

1475

01:10:02,930 --> 01:09:59,340

wasn't paid ask yourself this if you

1476

01:10:04,970 --> 01:10:02,940

were his boss or a faculty member at

1477

01:10:09,590 --> 01:10:04,980

Stanford University would you want him

1478

01:10:13,130 --> 01:10:09,600

using so much lab equipment and so much

1479

01:10:15,890 --> 01:10:13,140

resources and personnel and the time of

1480

01:10:19,990 --> 01:10:15,900

people the time of other scientists at

1481

01:10:23,030 --> 01:10:20,000

your University the time of the students

1482

01:10:27,229 --> 01:10:23,040

to participate in what many would

1483

01:10:29,390 --> 01:10:27,239

describe as a UFO or alien scam and now

1484

01:10:32,090 --> 01:10:29,400

we see that this has happened not once

1485

01:10:35,330 --> 01:10:32,100

but twice at least

1486

01:10:37,910 --> 01:10:35,340

that he has used University the

1487

01:10:41,030 --> 01:10:37,920

University's name to help sell a

1488

01:10:44,090 --> 01:10:41,040

documentary project he has used provably

1489

01:10:46,610 --> 01:10:44,100

used their Labs their equipment their

1490

01:10:49,430 --> 01:10:46,620

probably their computers and their

1491

01:10:53,810 --> 01:10:49,440

personnel to participate in these

1492

01:10:55,729 --> 01:10:53,820

projects that many people would say are

1493

01:10:58,669 --> 01:10:55,739

scams

1494

01:11:00,709 --> 01:10:58,679

um I I am left with more questions than

1495

01:11:03,110 --> 01:11:00,719

answers and

1496

01:11:04,850 --> 01:11:03,120

um like I said the final question that I

1497

01:11:07,610 --> 01:11:04,860

really have is how much was he

1498

01:11:10,130 --> 01:11:07,620

compensated by either Dr Stephen Greer

1499

01:11:13,310 --> 01:11:10,140

or by Ross culthart

1500

01:11:14,930 --> 01:11:13,320

because if he got anything any monetary

1501  
01:11:17,149 --> 01:11:14,940  
compensation or any compensation

1502  
01:11:20,510 --> 01:11:17,159  
whatsoever this could be extremely

1503  
01:11:24,830 --> 01:11:20,520  
problematic for him and um

1504  
01:11:26,930 --> 01:11:24,840  
if nothing else it may be more difficult

1505  
01:11:28,729 --> 01:11:26,940  
one of the thoughts that I had is that

1506  
01:11:31,189 --> 01:11:28,739  
he's just naive and he's a super

1507  
01:11:32,870 --> 01:11:31,199  
believer he wants to help these UFO

1508  
01:11:37,010 --> 01:11:32,880  
grifters if they really have something

1509  
01:11:40,430 --> 01:11:37,020  
alien and hey if that's the case I I

1510  
01:11:43,070 --> 01:11:40,440  
can't blame him for that right uh the

1511  
01:11:45,830 --> 01:11:43,080  
Relentless Pursuit for the of the truth

1512  
01:11:47,930 --> 01:11:45,840  
about aliens and UFOs I know a thing or

1513  
01:11:49,610 --> 01:11:47,940

two about that and I have to be honest

1514

01:11:51,709 --> 01:11:49,620

in saying that if I was in the same

1515

01:11:53,689 --> 01:11:51,719

position that he is and I had access to

1516

01:11:56,930 --> 01:11:53,699

labs and stuff that I could prove that

1517

01:12:00,050 --> 01:11:56,940

this is alien or not I might go ahead

1518

01:12:02,270 --> 01:12:00,060

and use those the problem really becomes

1519

01:12:05,810 --> 01:12:02,280

whether he's compensated

1520

01:12:08,330 --> 01:12:05,820

for these projects and um

1521

01:12:11,810 --> 01:12:08,340

what I can tell you is that I am aware

1522

01:12:15,709 --> 01:12:11,820

of many scientists like Neil deGrasse

1523

01:12:18,110 --> 01:12:15,719

Tyson and like Michio Kaku that will

1524

01:12:21,410 --> 01:12:18,120

participate in documentary films but

1525

01:12:23,510 --> 01:12:21,420

they're always paid always they get paid

1526  
01:12:26,270 --> 01:12:23,520  
to participate in these documentary

1527  
01:12:28,729 --> 01:12:26,280  
projects so one has to ask themselves

1528  
01:12:31,970 --> 01:12:28,739  
what is the likelihood that Gary Nolan

1529  
01:12:33,890 --> 01:12:31,980  
is one of the scientists that isn't paid

1530  
01:12:36,110 --> 01:12:33,900  
for his participation

1531  
01:12:39,130 --> 01:12:36,120  
did Ross goldthart do a piece and pay

1532  
01:12:41,990 --> 01:12:39,140  
Michio Kaku but not pay

1533  
01:12:42,950 --> 01:12:42,000  
uh Gary Nolan to participate in that

1534  
01:12:45,770 --> 01:12:42,960  
project

1535  
01:12:47,570 --> 01:12:45,780  
did Stephen Greer pay everybody involved

1536  
01:12:49,970 --> 01:12:47,580  
in that documentary which by the way

1537  
01:12:53,149 --> 01:12:49,980  
netted millions of dollars

1538  
01:12:56,030 --> 01:12:53,159

and not pay Gary Nolan anything I'm

1539

01:12:58,189 --> 01:12:56,040

sorry maybe I am a bit too cynical and

1540

01:13:00,229 --> 01:12:58,199

skeptical but I believe that he was paid

1541

01:13:02,990 --> 01:13:00,239

for his participation in both projects

1542

01:13:05,270 --> 01:13:03,000

people don't work for free

1543

01:13:08,870 --> 01:13:05,280

generally they don't

1544

01:13:11,750 --> 01:13:08,880

so I'm left with the final question how

1545

01:13:14,270 --> 01:13:11,760

much was he compensated either from Dr

1546

01:13:16,550 --> 01:13:14,280

Steven Greer or from Ross culprit

1547

01:13:19,330 --> 01:13:16,560

unfortunately I'm blocked by Ross

1548

01:13:22,790 --> 01:13:19,340

culpart but I am reaching out to News 7

1549

01:13:24,590 --> 01:13:22,800

who may be the executive producers or

1550

01:13:27,410 --> 01:13:24,600

putting up the money to produce these

1551

01:13:30,649 --> 01:13:27,420

click bait pieces with Ross Colpar by

1552

01:13:34,070 --> 01:13:30,659

the way News 7 is a garbage rag of a

1553

01:13:37,729 --> 01:13:34,080

news Outlet uh akin to the National

1554

01:13:40,490 --> 01:13:37,739

Enquirer and they put out click bait

1555

01:13:43,910 --> 01:13:40,500

garbage fake information about aliens

1556

01:13:44,930 --> 01:13:43,920

and UFOs and we know that by who they

1557

01:13:50,770 --> 01:13:44,940

employ

1558

01:13:54,350 --> 01:13:50,780

uh because they use uh American UFO

1559

01:13:56,209 --> 01:13:54,360

celebrities and it's people that I have

1560

01:13:57,410 --> 01:13:56,219

zero respect for people like Jeremy

1561

01:14:01,490 --> 01:13:57,420

Corbell

1562

01:14:04,189 --> 01:14:01,500

he's not doing that for free

1563

01:14:07,910 --> 01:14:04,199

um and interestingly I also found out

1564

01:14:10,310 --> 01:14:07,920

that News 7 also used one Ryan Sprague

1565

01:14:12,649 --> 01:14:10,320

who recently said that he has no

1566

01:14:15,410 --> 01:14:12,659

connection to all of this to Ross

1567

01:14:18,050 --> 01:14:15,420

coldhart or Gary Nolan well apparently

1568

01:14:20,810 --> 01:14:18,060

you're one of the people Ryan Sprague

1569

01:14:23,990 --> 01:14:20,820

that is being used by News 7 to sell UFO

1570

01:14:27,350 --> 01:14:24,000

stories just like Gary Nolan is perhaps

1571

01:14:30,350 --> 01:14:27,360

being used by News 7 and Ross colthard

1572

01:14:32,030 --> 01:14:30,360

to sell UFO stories so you do have a

1573

01:14:33,530 --> 01:14:32,040

connection and the other connection Ryan

1574

01:14:36,229 --> 01:14:33,540

Sprague has

1575

01:14:38,030 --> 01:14:36,239

by the way I don't know when it is but

1576

01:14:40,910 --> 01:14:38,040

Chrissy Newton

1577

01:14:43,490 --> 01:14:40,920

um who is Ryan sproggs let me look look

1578

01:14:45,649 --> 01:14:43,500

her up see if she's blocked me yet Ryan

1579

01:14:47,450 --> 01:14:45,659

Sprague blocked me on Twitter because I

1580

01:14:53,750 --> 01:14:47,460

was mistaken

1581

01:15:08,510 --> 01:14:59,229

I've seen his co-host and him were uh

1582

01:15:16,270 --> 01:15:11,090

it appears that

1583

01:15:19,910 --> 01:15:16,280

uh yeah so I was under the mistaken uh

1584

01:15:21,050 --> 01:15:19,920

mistaken somebody in our show here told

1585

01:15:22,490 --> 01:15:21,060

me

1586

01:15:26,030 --> 01:15:22,500

that

1587

01:15:31,610 --> 01:15:28,850

Gary Nolan was going to be interviewed

1588

01:15:34,610 --> 01:15:31,620

by

1589

01:15:36,169 --> 01:15:34,620

Chrissy Newton and Ryan Sprague so I did

1590

01:15:38,510 --> 01:15:36,179

send him a message saying you have to

1591

01:15:40,669 --> 01:15:38,520

ask him about this stuff and where the

1592

01:15:43,729 --> 01:15:40,679

analysis is you're not going to just do

1593

01:15:46,310 --> 01:15:43,739

the circle jerk again for those unaware

1594

01:15:49,130 --> 01:15:46,320

what's the circle jerk it's when uh

1595

01:15:52,430 --> 01:15:49,140

Bottom Feeders that can't produce any

1596

01:15:55,970 --> 01:15:52,440

content on their own use popular UFO

1597

01:15:58,970 --> 01:15:55,980

celebrities just to get views to get

1598

01:16:01,189 --> 01:15:58,980

clicks and views right

1599

01:16:02,950 --> 01:16:01,199

um and

1600

01:16:05,330 --> 01:16:02,960

yeah so

1601

01:16:08,810 --> 01:16:05,340

interestingly I'm looking at Chrissy

1602

01:16:10,550 --> 01:16:08,820

Newton's thing here okay yeah so let me

1603

01:16:15,410 --> 01:16:10,560

share this

1604

01:16:17,930 --> 01:16:15,420

so though I ask a valid question and one

1605

01:16:19,990 --> 01:16:17,940

can ask themselves uh honestly ask

1606

01:16:23,209 --> 01:16:20,000

yourself am I asking

1607

01:16:25,669 --> 01:16:23,219

ridiculous questions here or do I have a

1608

01:16:28,430 --> 01:16:25,679

valid reason to ask these questions to

1609

01:16:30,470 --> 01:16:28,440

Gary Nolan about I asked him about the

1610

01:16:33,649 --> 01:16:30,480

metal analysis he he answered but then

1611

01:16:36,590 --> 01:16:33,659

he blocked me so Chrissy Newton who is

1612

01:16:39,110 --> 01:16:36,600

uh Ryan Sprague's sometimes co-host on

1613

01:16:41,750 --> 01:16:39,120

his show

1614

01:16:43,910 --> 01:16:41,760

is interviewing next guest featured on

1615

01:16:45,290 --> 01:16:43,920

the show will be Gary P Nolan drop your

1616

01:16:47,510 --> 01:16:45,300

questions below

1617

01:16:49,430 --> 01:16:47,520

and of course I said I hope you're going

1618

01:16:51,530 --> 01:16:49,440

to ask him about this scam he didn't

1619

01:16:54,050 --> 01:16:51,540

even begin any analysis and he said

1620

01:16:56,750 --> 01:16:54,060

nothing while Ross carthart was lying to

1621

01:16:59,410 --> 01:16:56,760

everyone to get more monetized views

1622

01:17:03,290 --> 01:16:59,420

and I was under the mistaken belief that

1623

01:17:06,590 --> 01:17:03,300

she was referencing Gary Nolan being

1624

01:17:08,750 --> 01:17:06,600

um interviewed on the show with Ryan

1625

01:17:10,910 --> 01:17:08,760

Sprague and then I sent him a message

1626

01:17:14,630 --> 01:17:10,920

and he got nasty said I threatened him

1627

01:17:17,030 --> 01:17:14,640

or something no no and by the way uh

1628

01:17:19,870 --> 01:17:17,040

Ryan Sprague is like living in Scotland

1629

01:17:23,350 --> 01:17:19,880

or something right spoiled rich kid

1630

01:17:26,570 --> 01:17:23,360

former playwright I think right anyway

1631

01:17:29,689 --> 01:17:26,580

uh why would I threaten some guy living

1632

01:17:32,209 --> 01:17:29,699

in Scotland no I what my point was is

1633

01:17:34,970 --> 01:17:32,219

that if Ryan Sprague and Chrissy Newton

1634

01:17:37,850 --> 01:17:34,980

are going to interview Gary P Nolan they

1635

01:17:40,790 --> 01:17:37,860

should ask him some real questions like

1636

01:17:43,970 --> 01:17:40,800

I did they should ask them about these

1637

01:17:45,770 --> 01:17:43,980

ethics problems they should ask him

1638

01:17:47,510 --> 01:17:45,780

um is it okay with the university does

1639

01:17:50,090 --> 01:17:47,520

the University know that you're using

1640

01:17:52,729 --> 01:17:50,100

all of their resources to help UFO

1641

01:17:55,370 --> 01:17:52,739

grifters and what were you compensated

1642

01:17:57,590 --> 01:17:55,380

to help those UFO grifters sell these

1643

01:17:59,930 --> 01:17:57,600

now provably fake stories

1644

01:18:04,610 --> 01:17:59,940

both of those stories he was involved in

1645

01:18:07,790 --> 01:18:04,620

could be argued are now proven 100 fake

1646

01:18:10,189 --> 01:18:07,800

at the very least uh Ross coldthart's

1647

01:18:12,470 --> 01:18:10,199

story with him is provably fake they

1648

01:18:14,930 --> 01:18:12,480

promised definitive excuse me I always

1649

01:18:16,669 --> 01:18:14,940

mess this up Definitive conclusive they

1650

01:18:18,830 --> 01:18:16,679

promised conclusive proof of alien

1651  
01:18:21,709 --> 01:18:18,840  
technology before they even began any

1652  
01:18:24,590 --> 01:18:21,719  
analysis that's a fake story that's

1653  
01:18:27,169 --> 01:18:24,600  
click bait garbage and some would

1654  
01:18:29,649 --> 01:18:27,179  
consider that a form of Consumer Fraud

1655  
01:18:32,149 --> 01:18:29,659  
and it is 100

1656  
01:18:36,530 --> 01:18:32,159  
provably against YouTube's terms of

1657  
01:18:39,890 --> 01:18:36,540  
service to do that which may have some

1658  
01:18:41,870 --> 01:18:39,900  
um which may be the reason why

1659  
01:18:44,630 --> 01:18:41,880  
in my opinion I mean I can't find it

1660  
01:18:48,229 --> 01:18:44,640  
anywhere on YouTube Ross coldthart News

1661  
01:18:50,450 --> 01:18:48,239  
7 pulled that piece off of YouTube

1662  
01:18:52,189 --> 01:18:50,460  
um I think our reporting made them aware

1663  
01:18:54,649 --> 01:18:52,199

that they could lose their entire

1664

01:18:56,630 --> 01:18:54,659

YouTube channel for using deceptive

1665

01:18:59,450 --> 01:18:56,640

practices to get people to click on it

1666

01:19:03,110 --> 01:18:59,460

when they're lying in all of the promos

1667

01:19:04,729 --> 01:19:03,120

literally lying to everyone

1668

01:19:08,090 --> 01:19:04,739

so

1669

01:19:10,490 --> 01:19:08,100

I don't care who gets the truth

1670

01:19:12,110 --> 01:19:10,500

I just want to get to it so my challenge

1671

01:19:14,450 --> 01:19:12,120

for Chrissy Newton if you're still going

1672

01:19:15,830 --> 01:19:14,460

to interview Gary Nolan by the way he

1673

01:19:18,229 --> 01:19:15,840

may pull out now

1674

01:19:20,270 --> 01:19:18,239

uh where that sounded bad

1675

01:19:22,669 --> 01:19:20,280

I was I was thinking he may pull out of

1676

01:19:23,689 --> 01:19:22,679

Chrissy Newton uh he may pull out of the

1677

01:19:26,209 --> 01:19:23,699

interview

1678

01:19:29,750 --> 01:19:26,219

and um

1679

01:19:33,770 --> 01:19:29,760

so my challenge though to Chrissy Newton

1680

01:19:36,830 --> 01:19:33,780

or debrief media is to ask him these

1681

01:19:38,930 --> 01:19:36,840

important questions give them a forum to

1682

01:19:42,229 --> 01:19:38,940

address the questions that I've asked

1683

01:19:44,209 --> 01:19:42,239

that he has refused to answer tonight we

1684

01:19:46,250 --> 01:19:44,219

have clearly established that he has

1685

01:19:49,310 --> 01:19:46,260

used University equipment University

1686

01:19:51,890 --> 01:19:49,320

Personnel University resources

1687

01:19:53,870 --> 01:19:51,900

University facilities and the name

1688

01:19:56,630 --> 01:19:53,880

Stanford University

1689

01:19:57,229 --> 01:19:56,640

I believe that he may be

1690

01:20:00,470 --> 01:19:57,239

um

1691

01:20:02,209 --> 01:20:00,480

you know using the university for

1692

01:20:06,169 --> 01:20:02,219

personal gain

1693

01:20:08,270 --> 01:20:06,179

I believe that he was paid uh

1694

01:20:10,250 --> 01:20:08,280

I don't have evidence to support that

1695

01:20:13,070 --> 01:20:10,260

that he was paid for either of these

1696

01:20:16,189 --> 01:20:13,080

projects it's just my gut feeling and

1697

01:20:18,709 --> 01:20:16,199

personal belief that he wouldn't do all

1698

01:20:21,530 --> 01:20:18,719

of that and help them so much without

1699

01:20:24,290 --> 01:20:21,540

compensation so my challenge to Chrissy

1700

01:20:26,030 --> 01:20:24,300

Newton is ask him the real questions and

1701

01:20:31,189 --> 01:20:26,040

I did send her a message and by the way

1702

01:20:33,430 --> 01:20:31,199

I will apologize for if if if anyone had

1703

01:20:37,729 --> 01:20:33,440

the impression

1704

01:20:40,490 --> 01:20:37,739

that I was too aggressive

1705

01:20:43,149 --> 01:20:40,500

with messages that I send them then I

1706

01:20:48,050 --> 01:20:43,159

apologize and and it wasn't my intention

1707

01:20:51,709 --> 01:20:48,060

I am simply frustrated and and honestly

1708

01:20:54,709 --> 01:20:51,719

I'm angry that I ask a real question to

1709

01:20:57,229 --> 01:20:54,719

Gary Nolan on Twitter and I get blocked

1710

01:20:58,610 --> 01:20:57,239

no offense but Ryan's Prague does the

1711

01:21:00,770 --> 01:20:58,620

the softball

1712

01:21:03,110 --> 01:21:00,780

game he's not going to ask those hard

1713

01:21:05,330 --> 01:21:03,120

questions so I thought Chrissy Newton

1714

01:21:07,070 --> 01:21:05,340

and Ryan Sprout got the interview I sent

1715

01:21:10,370 --> 01:21:07,080

Ryan Sprague a message saying no more

1716

01:21:11,750 --> 01:21:10,380

Circle Jerks dude and by the way I can

1717

01:21:15,410 --> 01:21:11,760

display

1718

01:21:18,169 --> 01:21:15,420

to you why I was so angry I asked James

1719

01:21:19,970 --> 01:21:18,179

Fox for an interview five times

1720

01:21:21,770 --> 01:21:19,980

on the heels of the release of his

1721

01:21:23,630 --> 01:21:21,780

latest movie which I believe is a big

1722

01:21:25,610 --> 01:21:23,640

money grab with no additional proof in

1723

01:21:28,189 --> 01:21:25,620

26 years but okay

1724

01:21:31,130 --> 01:21:28,199

I got blocked by James Fox for just

1725

01:21:32,630 --> 01:21:31,140

asking a question I asked

1726

01:21:36,410 --> 01:21:32,640

is it

1727

01:21:37,910 --> 01:21:36,420

ethical or moral to be talking about all

1728

01:21:40,490 --> 01:21:37,920

of these uh

1729

01:21:42,649 --> 01:21:40,500

for those unaware James Fox movie came

1730

01:21:44,510 --> 01:21:42,659

out about the Virginia incident and

1731

01:21:46,850 --> 01:21:44,520

suddenly all of these videos started

1732

01:21:49,729 --> 01:21:46,860

appearing online with people claiming

1733

01:21:52,729 --> 01:21:49,739

that there was videos available of the

1734

01:21:54,890 --> 01:21:52,739

aliens and pictures of the actual alien

1735

01:21:57,290 --> 01:21:54,900

creatures talked about in his

1736

01:21:59,990 --> 01:21:57,300

documentary and that that would soon be

1737

01:22:01,370 --> 01:22:00,000

released and he's hyping all that up but

1738

01:22:03,470 --> 01:22:01,380

none of that is in the documentary

1739

01:22:06,110 --> 01:22:03,480

there's no proof in the documentary

1740

01:22:08,689 --> 01:22:06,120

other than witness testimony from 26

1741

01:22:10,669 --> 01:22:08,699

years ago so I asked James Fox a

1742

01:22:13,010 --> 01:22:10,679

question I get banned

1743

01:22:14,930 --> 01:22:13,020

then what happens

1744

01:22:16,790 --> 01:22:14,940

and I also asked James Fox for

1745

01:22:18,830 --> 01:22:16,800

interviews no interview then what

1746

01:22:20,750 --> 01:22:18,840

happens he goes to Ryan Sprague and does

1747

01:22:24,169 --> 01:22:20,760

an interview because right he knows Ryan

1748

01:22:25,729 --> 01:22:24,179

sprock won't ask him the hard real

1749

01:22:30,890 --> 01:22:25,739

questions

1750

01:22:32,689 --> 01:22:30,900

people really want answered

1751

01:22:34,610 --> 01:22:32,699

the questions that are relevant if

1752

01:22:37,910 --> 01:22:34,620

you're going to Hype up a documentary

1753

01:22:40,610 --> 01:22:37,920

release with some pie in the sky maybe

1754

01:22:42,770 --> 01:22:40,620

the film is the films of these aliens is

1755

01:22:46,070 --> 01:22:42,780

going to get released soon and you got

1756

01:22:48,410 --> 01:22:46,080

Jaime musan hyping it up and what did

1757

01:22:50,570 --> 01:22:48,420

Ryan sprock do during that interview he

1758

01:22:53,470 --> 01:22:50,580

sat there and gave him the UFO circle

1759

01:22:57,470 --> 01:22:53,480

jerk because that's what Ryan Sprague's

1760

01:23:00,290 --> 01:22:57,480

job is his job is to be an echo chamber

1761

01:23:02,870 --> 01:23:00,300

for the UFO celebrities to help them

1762

01:23:05,209 --> 01:23:02,880

sell their garbage

1763

01:23:07,790 --> 01:23:05,219

and uh haven't looked into her deeply

1764

01:23:11,149 --> 01:23:07,800

enough so I won't make any uh claims

1765

01:23:12,950 --> 01:23:11,159

like that about Chrissy Newton but I

1766

01:23:15,709 --> 01:23:12,960

believe that again

1767

01:23:17,630 --> 01:23:15,719

so so we have James Fox I'm the one

1768

01:23:20,209 --> 01:23:17,640

asking real questions and everybody else

1769

01:23:22,310 --> 01:23:20,219

is doing the softball circle jerk you

1770

01:23:23,990 --> 01:23:22,320

know it's a game it's a big club and I

1771

01:23:26,450 --> 01:23:24,000

ain't in it and in order to get the

1772

01:23:27,890 --> 01:23:26,460

interview they have to know that you're

1773

01:23:29,450 --> 01:23:27,900

going to just help them sell their

1774

01:23:31,430 --> 01:23:29,460

[h\_\_\h] you're not going to challenge

1775

01:23:33,050 --> 01:23:31,440

them you're not going to ask them hard

1776

01:23:35,030 --> 01:23:33,060

questions you're just going to help them

1777

01:23:37,970 --> 01:23:35,040

advertise their garbage that they're

1778

01:23:40,970 --> 01:23:37,980

selling that's what Ryan Sprague does so

1779

01:23:43,430 --> 01:23:40,980

then Gary Nolan I ask a real question

1780

01:23:45,050 --> 01:23:43,440

too get blocked on Twitter I can't get

1781

01:23:48,290 --> 01:23:45,060

an interview with Gary Nolan he won't

1782

01:23:51,290 --> 01:23:48,300

even answer uh an email question for me

1783

01:23:53,689 --> 01:23:51,300

and by the way these are valid real and

1784

01:23:55,669 --> 01:23:53,699

important questions that he thinks he's

1785

01:23:57,530 --> 01:23:55,679

too good to answer so he won't even

1786

01:23:58,790 --> 01:23:57,540

answer a question through email to me

1787

01:24:01,070 --> 01:23:58,800

but he's going to do an interview with

1788

01:24:03,229 --> 01:24:01,080

Chrissy Newton is Chrissy Newton going

1789

01:24:05,810 --> 01:24:03,239

to ask are these important ask him these

1790

01:24:08,270 --> 01:24:05,820

important questions or is she going to

1791

01:24:10,729 --> 01:24:08,280

do the softball circle jerk is she just

1792

01:24:12,290 --> 01:24:10,739

going to be there to help him tell more

1793

01:24:15,770 --> 01:24:12,300

fake stories

1794

01:24:17,870 --> 01:24:15,780

right tell more stories right maybe get

1795

01:24:20,510 --> 01:24:17,880

some more documentary deals where he can

1796

01:24:23,090 --> 01:24:20,520

use Stanford University resources to

1797

01:24:25,550 --> 01:24:23,100

help UFO grifters sell fake stories

1798

01:24:27,470 --> 01:24:25,560

right or is Chrissy Newton going to do

1799

01:24:30,350 --> 01:24:27,480

the right thing the moral and ethical

1800

01:24:32,030 --> 01:24:30,360

thing and ask the real questions

1801

01:24:33,229 --> 01:24:32,040

I don't know when the interview is I

1802

01:24:34,189 --> 01:24:33,239

don't know if it's even going to happen

1803

01:24:37,610 --> 01:24:34,199

now

1804

01:24:41,330 --> 01:24:37,620

uh we'll see and then I will report on

1805

01:24:44,149 --> 01:24:41,340

it so uh I will send this Chrissy Newton

1806

01:24:45,890 --> 01:24:44,159

tonight's show and uh you know the

1807

01:24:48,169 --> 01:24:45,900

debrief in her can decide if they're

1808

01:24:50,510 --> 01:24:48,179

going to be real journalists or if

1809

01:24:53,030 --> 01:24:50,520

they're going to be facilitators of UFO

1810

01:24:55,550 --> 01:24:53,040

grifters what what are they going to do

1811

01:24:58,130 --> 01:24:55,560

here they can decide

1812

01:25:00,169 --> 01:24:58,140

all right friends so uh

1813

01:25:02,810 --> 01:25:00,179

that will conclude tonight's

1814

01:25:04,850 --> 01:25:02,820

presentation I think that I shared all

1815

01:25:06,229 --> 01:25:04,860

that I had

1816

01:25:12,950 --> 01:25:06,239

um let me

1817

01:25:18,290 --> 01:25:15,770

oh I'm getting many messages about the

1818

01:25:19,850 --> 01:25:18,300

story Stephen Green Street shared about

1819

01:25:21,649 --> 01:25:19,860

the Chinese drones we're going to do a

1820

01:25:25,490 --> 01:25:21,659

separate show on that

1821

01:25:31,910 --> 01:25:28,250

all right yeah we're uh We've we got

1822

01:25:35,830 --> 01:25:31,920

everything but I will say this I reserve

1823

01:25:39,530 --> 01:25:35,840

the right to change my mind and start

1824

01:25:42,350 --> 01:25:39,540

contacting the university for answers so

1825

01:25:45,649 --> 01:25:42,360

oh wait there is one more thing

1826

01:25:51,290 --> 01:25:47,750

one second here

1827

01:25:53,930 --> 01:25:51,300

I have one more thing to share

1828

01:25:55,729 --> 01:25:53,940

that is also very problematic from an

1829

01:25:57,590 --> 01:25:55,739

Ethics standpoint for Stanford

1830

01:26:00,169 --> 01:25:57,600

University

1831

01:26:02,330 --> 01:26:00,179

um apparently there is this person and

1832

01:26:05,090 --> 01:26:02,340

his name is

1833

01:26:08,930 --> 01:26:05,100

Marik VR on Twitter

1834

01:26:10,550 --> 01:26:08,940

M Von Ren and he apparently works for

1835

01:26:13,729 --> 01:26:10,560

Stanford University

1836

01:26:17,050 --> 01:26:13,739

uh and and by the way this person spends

1837

01:26:19,850 --> 01:26:17,060

all their time every day

1838

01:26:22,070 --> 01:26:19,860

attacking arguing

1839

01:26:25,610 --> 01:26:22,080

and some would say slandering I guess

1840

01:26:26,750 --> 01:26:25,620

Mick West who is a UFO skeptic

1841

01:26:28,370 --> 01:26:26,760

so

1842

01:26:31,850 --> 01:26:28,380

a question that I would have for

1843

01:26:34,250 --> 01:26:31,860

Stanford University is why is the

1844

01:26:36,590 --> 01:26:34,260

Stanford University employee spending so

1845

01:26:38,530 --> 01:26:36,600

much time on Twitter every day arguing

1846

01:26:43,550 --> 01:26:38,540

with the UFO skeptic

1847

01:26:46,010 --> 01:26:43,560

and also I'm curious if this Maric VR is

1848

01:26:50,030 --> 01:26:46,020

using Stanford University equipment and

1849

01:26:52,430 --> 01:26:50,040

resources to produce these analysis uh

1850

01:26:54,470 --> 01:26:52,440

content where he's arguing that Mick Red

1851  
01:26:55,970 --> 01:26:54,480  
West is so wrong he's producing these

1852  
01:26:57,229 --> 01:26:55,980  
very

1853  
01:27:00,590 --> 01:26:57,239  
um

1854  
01:27:02,870 --> 01:27:00,600  
some would say Advanced simulations and

1855  
01:27:05,810 --> 01:27:02,880  
computer animations and things

1856  
01:27:10,070 --> 01:27:05,820  
so I'm wondering if he is using if he

1857  
01:27:12,410 --> 01:27:10,080  
like apparently like Dr Nolan is also

1858  
01:27:13,970 --> 01:27:12,420  
using Stanford University equipment time

1859  
01:27:15,410 --> 01:27:13,980  
and resources

1860  
01:27:17,810 --> 01:27:15,420  
to

1861  
01:27:19,790 --> 01:27:17,820  
I don't know inject himself in the UFO

1862  
01:27:22,430 --> 01:27:19,800  
Community he's one of the True Believers

1863  
01:27:25,669 --> 01:27:22,440

so I asked I'm not I'm doing a story

1864

01:27:27,290 --> 01:27:25,679

tonight uh about Gary Nolan and Stanford

1865

01:27:29,149 --> 01:27:27,300

University can you tell me what you do

1866

01:27:31,729 --> 01:27:29,159

at Stanford University and are you using

1867

01:27:32,890 --> 01:27:31,739

University computers to produce the

1868

01:27:36,550 --> 01:27:32,900

content

1869

01:27:40,550 --> 01:27:36,560

uh you post on Twitter and I got no

1870

01:27:43,189 --> 01:27:40,560

reply no reply whatsoever but we can see

1871

01:27:45,709 --> 01:27:43,199

if we look at this person's Twitter

1872

01:27:46,610 --> 01:27:45,719

that they spend a ridiculous amount of

1873

01:27:48,290 --> 01:27:46,620

time

1874

01:27:51,410 --> 01:27:48,300

on Twitter

1875

01:27:55,189 --> 01:27:51,420

arguing with uh Stephen

1876

01:27:56,169 --> 01:27:55,199

with with many people most notably Mick

1877

01:28:00,350 --> 01:27:56,179

West

1878

01:28:02,770 --> 01:28:00,360

and we can show some of the uh videos

1879

01:28:06,830 --> 01:28:02,780

that he produces

1880

01:28:08,990 --> 01:28:06,840

areas this is a remarkable demonstration

1881

01:28:11,990 --> 01:28:09,000

of how questionable debunkers theories

1882

01:28:16,669 --> 01:28:12,000

for the Gimbal and FLIR UAP videos are

1883

01:28:19,310 --> 01:28:16,679

oh that probably didn't anyway uh he is

1884

01:28:22,910 --> 01:28:19,320

constantly producing content

1885

01:28:25,550 --> 01:28:22,920

on his Twitter that argues against UFO

1886

01:28:28,910 --> 01:28:25,560

skepticism constantly hyping up that

1887

01:28:32,090 --> 01:28:28,920

things are aliens and Mick West is wrong

1888

01:28:35,450 --> 01:28:32,100

and uh you know he is spends an

1889

01:28:39,110 --> 01:28:35,460

inordinate amount of time really arguing

1890

01:28:41,149 --> 01:28:39,120

with Mick West uh who is a UFO skeptic

1891

01:28:44,209 --> 01:28:41,159

and one might ask themselves

1892

01:28:46,669 --> 01:28:44,219

why then now we've got two Stanford

1893

01:28:49,430 --> 01:28:46,679

University employees who have injected

1894

01:28:54,050 --> 01:28:49,440

themselves into the UFO community and

1895

01:28:56,629 --> 01:28:54,060

are very rah-rah Pro alien right and our

1896

01:28:59,390 --> 01:28:56,639

I don't know attacking Skeptics

1897

01:29:01,490 --> 01:28:59,400

um it just does not make any sense and I

1898

01:29:04,850 --> 01:29:01,500

saw that there was some

1899

01:29:08,030 --> 01:29:04,860

uh yeah some of the stuff that he

1900

01:29:10,610 --> 01:29:08,040

produces is you know high quality videos

1901

01:29:12,830 --> 01:29:10,620

look there's computer animations and

1902

01:29:17,510 --> 01:29:12,840

things that he produces to try to argue

1903

01:29:20,090 --> 01:29:17,520

with the UFO Skeptics that it's aliens

1904

01:29:21,709 --> 01:29:20,100

yeah Mick West is retired and spends his

1905

01:29:23,030 --> 01:29:21,719

days claiming that fighter pilots are

1906

01:29:25,910 --> 01:29:23,040

incompetent

1907

01:29:29,750 --> 01:29:25,920

so you know it's just this is bizarre

1908

01:29:33,229 --> 01:29:29,760

why is Stanford University okay with now

1909

01:29:36,169 --> 01:29:33,239

we have two employees of theirs

1910

01:29:37,910 --> 01:29:36,179

and and it's a valid question for this

1911

01:29:40,490 --> 01:29:37,920

person too are you using University

1912

01:29:42,169 --> 01:29:40,500

computers to produce this content that

1913

01:29:45,050 --> 01:29:42,179

you're posting on Twitter arguing with

1914

01:29:47,030 --> 01:29:45,060

Mick West all day and what's your job at

1915

01:29:50,149 --> 01:29:47,040

Stanford University that you got all day

1916

01:29:51,890 --> 01:29:50,159

to argue and and make fun of Mick West

1917

01:29:54,050 --> 01:29:51,900

right

1918

01:29:55,010 --> 01:29:54,060

and are you in violation of the ethics

1919

01:29:59,270 --> 01:29:55,020

codes

1920

01:30:01,550 --> 01:29:59,280

uh at Stanford University and

1921

01:30:04,129 --> 01:30:01,560

I cannot confirm this but I'm including

1922

01:30:06,470 --> 01:30:04,139

it in tonight's broadcast anyway I have

1923

01:30:11,750 --> 01:30:06,480

it from a reliable source

1924

01:30:14,870 --> 01:30:11,760

that this person Merrick VR is on the

1925

01:30:17,209 --> 01:30:14,880

compliance or ethics board and is a big

1926

01:30:20,510 --> 01:30:17,219

cheerleader for Gary Nolan

1927

01:30:22,669 --> 01:30:20,520

that's right this person who spends an

1928

01:30:24,590 --> 01:30:22,679

inward amount of time arguing with Mick

1929

01:30:26,570 --> 01:30:24,600

West and producing all kinds of content

1930

01:30:27,950 --> 01:30:26,580

about how Mick West is so wrong in his

1931

01:30:30,290 --> 01:30:27,960

debunks

1932

01:30:32,450 --> 01:30:30,300

who works for Stanford University likely

1933

01:30:35,649 --> 01:30:32,460

using Stanford University computers and

1934

01:30:38,770 --> 01:30:35,659

equipment to produce this stuff is also

1935

01:30:41,169 --> 01:30:38,780

on the ethics board

1936

01:30:44,990 --> 01:30:41,179

at Stanford University

1937

01:30:48,770 --> 01:30:45,000

and is a big cheerleader for Gary Nolan

1938

01:30:50,990 --> 01:30:48,780

so if I go to Stanford University and I

1939

01:30:53,930 --> 01:30:51,000

go to their ethics board and ask some

1940

01:30:55,970 --> 01:30:53,940

questions I if this is true I'm going to

1941

01:30:58,189 --> 01:30:55,980

ask that this person recuse themselves

1942

01:31:00,350 --> 01:30:58,199

from any decision making

1943

01:31:03,129 --> 01:31:00,360

or any uh

1944

01:31:06,830 --> 01:31:03,139

any answering of questions about whether

1945

01:31:09,169 --> 01:31:06,840

you know he can't be involved here

1946

01:31:11,510 --> 01:31:09,179

because apparently he's a huge

1947

01:31:13,669 --> 01:31:11,520

cheerleader for Gary Nolan and he's on

1948

01:31:16,010 --> 01:31:13,679

the ethics board that's what I was told

1949

01:31:17,629 --> 01:31:16,020

I'm not sure if that is correct I've

1950

01:31:19,370 --> 01:31:17,639

asked

1951

01:31:22,129 --> 01:31:19,380

um and in fact I will send him a message

1952

01:31:24,830 --> 01:31:22,139

asking him on Twitter if he's on the the

1953

01:31:27,530 --> 01:31:24,840

Stanford University Board of ethics

1954

01:31:29,950 --> 01:31:27,540

or not but I'm including it in that

1955

01:31:32,810 --> 01:31:29,960

piece because it is a good possibility

1956

01:31:34,430 --> 01:31:32,820

based on the reliability of the source I

1957

01:31:36,709 --> 01:31:34,440

had who told me that but

1958

01:31:38,750 --> 01:31:36,719

uh at the we were rushed to broadcast

1959

01:31:41,689 --> 01:31:38,760

tonight so I apologize for not having

1960

01:31:44,510 --> 01:31:41,699

multiple sources to confirm that piece

1961

01:31:46,610 --> 01:31:44,520

of information we are including

1962

01:31:48,890 --> 01:31:46,620

Okay so

1963

01:31:52,189 --> 01:31:48,900

I want to thank everybody for joining us

1964

01:31:53,990 --> 01:31:52,199

and as as usual the case usually the

1965

01:31:58,610 --> 01:31:54,000

case you guys know that I get wrapped up

1966

01:32:01,430 --> 01:31:58,620

in these presentations and then I uh

1967

01:32:04,070 --> 01:32:01,440

lose myself in the in the in the

1968

01:32:06,590 --> 01:32:04,080

broadcast here so there's some things we

1969

01:32:10,010 --> 01:32:06,600

need to do for those unaware we're a

1970

01:32:13,970 --> 01:32:10,020

viewer supported show and we thank every

1971

01:32:17,270 --> 01:32:13,980

single person that contributes anything

1972

01:32:18,649 --> 01:32:17,280

to the show uh there is a money button

1973

01:32:19,729 --> 01:32:18,659

down there it's a great way to support

1974

01:32:22,310 --> 01:32:19,739

the show

1975

01:32:25,129 --> 01:32:22,320

uh

1976

01:32:27,950 --> 01:32:25,139

so we have a few kind and generous

1977

01:32:30,050 --> 01:32:27,960

benefactors which we will call out and

1978

01:32:31,850 --> 01:32:30,060

thank we thank every single person that

1979

01:32:34,370 --> 01:32:31,860

sends a Super Chat buys a super sticker

1980

01:32:36,229 --> 01:32:34,380

sends a PayPal pledge cash app becomes a

1981

01:32:38,510 --> 01:32:36,239

member becomes a patreon supporter we

1982

01:32:41,689 --> 01:32:38,520

shout you out and thank you for helping

1983

01:32:45,530 --> 01:32:41,699

us to do the good work we are not UFO

1984

01:32:48,110 --> 01:32:45,540

Circle jerkers here we do not exist by

1985

01:32:51,169 --> 01:32:48,120

uh Licking the buttoholes of UFO

1986

01:32:54,350 --> 01:32:51,179

celebrities and letting them get a

1987

01:32:56,270 --> 01:32:54,360

softball on all of this stuff we asked

1988

01:32:57,169 --> 01:32:56,280

the hard questions we do the real work

1989

01:33:00,770 --> 01:32:57,179

here

1990

01:33:03,950 --> 01:33:00,780

uh and and we are a viewer supported

1991

01:33:05,629 --> 01:33:03,960

show so here's what we're gonna do I am

1992

01:33:09,169 --> 01:33:05,639

going to

1993

01:33:11,510 --> 01:33:09,179

remind our listeners and our viewers

1994

01:33:14,810 --> 01:33:11,520

remember we have uh the audio podcast

1995

01:33:16,610 --> 01:33:14,820

and you guys watching live uh watching

1996

01:33:19,850 --> 01:33:16,620

the live video stream

1997

01:33:24,129 --> 01:33:19,860

I am going to remind everyone

1998

01:33:33,350 --> 01:33:30,229

let me see yes okay so we're going to

1999

01:33:36,169 --> 01:33:33,360

remind you uh how it is that you can

2000

01:33:38,209 --> 01:33:36,179

help us we have a patreon uh you can

2001

01:33:41,629 --> 01:33:38,219

become a member here there's a lot of

2002

01:33:43,910 --> 01:33:41,639

ways to support good work uh and we're a

2003

01:33:46,970 --> 01:33:43,920

viewer supported show I modeled the show

2004

01:33:49,729 --> 01:33:46,980

after PBS when my when I was a child my

2005

01:33:51,590 --> 01:33:49,739

father liked documentaries and he liked

2006

01:33:53,689 --> 01:33:51,600

history and things like that and back

2007

01:33:55,850 --> 01:33:53,699

then before cable

2008

01:33:57,950 --> 01:33:55,860

um showing my age the only place to get

2009

01:33:59,870 --> 01:33:57,960

that stuff was on PBS so every year when

2010

01:34:01,550 --> 01:33:59,880

they did the Telethon my dad would send

2011

01:34:04,070 --> 01:34:01,560

whatever he could afford in because he

2012

01:34:06,410 --> 01:34:04,080

really enjoyed the content that PBS

2013

01:34:09,910 --> 01:34:06,420

produced I like that model being a

2014

01:34:12,350 --> 01:34:09,920

viewer supported show and also uh

2015

01:34:14,930 --> 01:34:12,360

informs you if you're doing good work

2016

01:34:17,510 --> 01:34:14,940

and we must be because if you're doing

2017

01:34:19,310 --> 01:34:17,520

good work people will support you and we

2018

01:34:20,990 --> 01:34:19,320

have kind and generous benefactors from

2019

01:34:22,970 --> 01:34:21,000

all over the world throwing a couple of

2020

01:34:24,770 --> 01:34:22,980

bucks in our hat and helping us to do

2021

01:34:26,149 --> 01:34:24,780

this good work work I want to thank each

2022

01:34:28,550 --> 01:34:26,159

and every one of you for your support

2023

01:34:29,710 --> 01:34:28,560

and let everybody know how you can

2024

01:34:46,970 --> 01:34:29,720

support our show here

2025

01:34:50,270 --> 01:34:46,980

[Music]

2026

01:34:52,490 --> 01:34:50,280

wrong one I'm sorry I played the wrong

2027

01:34:54,229 --> 01:34:52,500

bumper I'm sorry I played the UFO report

2028

01:34:57,110 --> 01:34:54,239

bumper It's a live show Friends you

2029

01:34:59,270 --> 01:34:57,120

gotta roll with the punches uh one

2030

01:35:02,470 --> 01:34:59,280

second I

2031

01:35:05,750 --> 01:35:02,480

and in my defense I am visually impaired

2032

01:35:08,629 --> 01:35:05,760

I'll use the blind excuse when I screw

2033

01:35:12,050 --> 01:35:08,639

up like that no I got the right one I

2034

01:35:16,070 --> 01:35:12,060

got the right one uh so let me play that

2035

01:35:19,310 --> 01:35:16,080

and and uh and let you friends all over

2036

01:35:25,729 --> 01:35:19,320

the world know how you can really be uh

2037

01:35:33,610 --> 01:35:27,110

oh

2038

01:35:39,590 --> 01:35:37,370

show wonderful people like you who enjoy

2039

01:35:42,250 --> 01:35:39,600

this show sent pledges in the form of

2040

01:35:46,070 --> 01:35:42,260

Super Chat soup stickers super thanks

2041

01:35:48,890 --> 01:35:46,080

PayPal or cash out instructions for how

2042

01:35:51,770 --> 01:35:48,900

to help are in the description

2043

01:35:53,990 --> 01:35:51,780

you can also join our patreon and for as

2044

01:35:57,290 --> 01:35:54,000

little as one dollar a month you can get

2045

01:36:00,110 --> 01:35:57,300

extra content patreon supporters get a

2046

01:36:01,729 --> 01:36:00,120

backstage pass Early Access to all our

2047

01:36:04,250 --> 01:36:01,739

production videos before they are

2048

01:36:06,950 --> 01:36:04,260

distributed publicly Stephen champion's

2049

01:36:10,310 --> 01:36:06,960

music private writings a monthly show

2050

01:36:12,350 --> 01:36:10,320

journal and more you also become a

2051  
01:36:14,990 --> 01:36:12,360  
YouTube channel member for five dollars

2052  
01:36:17,750 --> 01:36:15,000  
a month a YouTube membership includes

2053  
01:36:20,689 --> 01:36:17,760  
all the patreon benefits plus a special

2054  
01:36:23,450 --> 01:36:20,699  
members badge priority reply to video

2055  
01:36:26,570 --> 01:36:23,460  
comments and the live chat plus a

2056  
01:36:29,689 --> 01:36:26,580  
monthly Members Only video we thank you

2057  
01:36:33,050 --> 01:36:29,699  
all kinds and generous benefactors for

2058  
01:36:47,330 --> 01:36:33,060  
supporting truth Seekers thank you for

2059  
01:36:47,340 --> 01:36:51,169  
[Music]

2060  
01:36:51,179 --> 01:37:05,649  
foreign

2061  
01:37:11,030 --> 01:37:08,629  
and we're gonna thank you kind and

2062  
01:37:13,010 --> 01:37:11,040  
generous benefactors and if you are

2063  
01:37:16,430 --> 01:37:13,020

feeling generous the money button down

2064

01:37:19,970 --> 01:37:16,440

there uh is there to help you support us

2065

01:37:22,070 --> 01:37:19,980

and we will read every single Super Chat

2066

01:37:24,590 --> 01:37:22,080

let's read some super chats we have

2067

01:37:26,810 --> 01:37:24,600

Recon Havoc 215 with Kylie Jenner's

2068

01:37:29,750 --> 01:37:26,820

dollar 99 says respect the work you put

2069

01:37:32,030 --> 01:37:29,760

in Greg O'Brien with the kind of

2070

01:37:35,510 --> 01:37:32,040

generous two dollars says thanks for

2071

01:37:38,270 --> 01:37:35,520

your hard work Happy Thanksgiving and uh

2072

01:37:40,370 --> 01:37:38,280

we thank all of you so go from here on

2073

01:37:42,950 --> 01:37:40,380

in I will put on the screen and read

2074

01:37:45,410 --> 01:37:42,960

every other if any more come in we read

2075

01:37:47,030 --> 01:37:45,420

every single one thank you all for your

2076

01:37:49,250 --> 01:37:47,040

kindness your generosity and your

2077

01:37:50,510 --> 01:37:49,260

support of the show

2078

01:37:52,310 --> 01:37:50,520

um

2079

01:37:54,229 --> 01:37:52,320

let's take some comments and questions

2080

01:37:56,030 --> 01:37:54,239

from the live chat if you have comments

2081

01:37:57,950 --> 01:37:56,040

or questions for me that you want me to

2082

01:37:59,689 --> 01:37:57,960

share on the screen and address please

2083

01:38:01,430 --> 01:37:59,699

do put them in all capital letters some

2084

01:38:03,770 --> 01:38:01,440

of you know that I'm visually impaired

2085

01:38:06,709 --> 01:38:03,780

that's the reason for the weird Shades

2086

01:38:08,450 --> 01:38:06,719

and uh it really does help me to know

2087

01:38:09,830 --> 01:38:08,460

that you want me to share it if you put

2088

01:38:15,370 --> 01:38:09,840

it in all capital letters it makes it

2089

01:38:17,930 --> 01:38:15,380

easier for me to identify uh so

2090

01:38:20,149 --> 01:38:17,940

says I don't know what the truth is but

2091

01:38:26,149 --> 01:38:20,159

those doing the storytelling sure seem

2092

01:38:32,870 --> 01:38:29,570

and we have uh who I don't even know how

2093

01:38:41,149 --> 01:38:32,880

to say that body diddly D says lies

2094

01:38:46,370 --> 01:38:44,090

Zurich says

2095

01:38:47,870 --> 01:38:46,380

Michael Moran

2096

01:38:50,030 --> 01:38:47,880

yeah

2097

01:38:52,790 --> 01:38:50,040

I've looked into him and I'm going to

2098

01:38:58,550 --> 01:38:52,800

continue to do that as a work but thank

2099

01:39:03,290 --> 01:39:00,530

and we have Jimbo says great stream

2100

01:39:05,270 --> 01:39:03,300

Kickback thank you Happy Thanksgiving to

2101

01:39:07,250 --> 01:39:05,280

all of you if you don't see me see you

2102

01:39:09,709 --> 01:39:07,260

tomorrow and remember no butthole

2103

01:39:11,689 --> 01:39:09,719

licking yeah

2104

01:39:13,850 --> 01:39:11,699

yeah and uh for those unaware tomorrow

2105

01:39:15,470 --> 01:39:13,860

night we should be doing another live

2106

01:39:18,050 --> 01:39:15,480

broadcast even though it's Thanksgiving

2107

01:39:19,669 --> 01:39:18,060

uh I'm gonna talk to my wife but I think

2108

01:39:22,550 --> 01:39:19,679

we're eating early like three or four

2109

01:39:25,129 --> 01:39:22,560

and then I'm gonna take a turkey nap

2110

01:39:27,470 --> 01:39:25,139

and I'm gonna go into my uh turkey

2111

01:39:29,390 --> 01:39:27,480

induced coma for

2112

01:39:31,490 --> 01:39:29,400

um an hour or two and then I'll be good

2113

01:39:35,510 --> 01:39:31,500

to broadcast and tomorrow night we're

2114

01:39:38,270 --> 01:39:35,520

just doing a panel show uh so it's open

2115

01:39:40,790 --> 01:39:38,280

mic open topics anybody can join the

2116

01:39:41,890 --> 01:39:40,800

show or call into the show tomorrow

2117

01:39:45,169 --> 01:39:41,900

night

2118

01:39:47,390 --> 01:39:45,179

uh 9 p.m Eastern Standard Time now I may

2119

01:39:49,970 --> 01:39:47,400

push that back if my turkey coma runs

2120

01:39:51,950 --> 01:39:49,980

long so I reserve that right Amy Collins

2121

01:39:53,810 --> 01:39:51,960

there is no way the university does not

2122

01:39:56,330 --> 01:39:53,820

know about Nolan's activities University

2123

01:39:59,930 --> 01:39:56,340

politics and her big money is protecting

2124

01:40:02,090 --> 01:39:59,940

him could be I mean uh I think this is a

2125

01:40:04,250 --> 01:40:02,100

big story why is he using all this

2126  
01:40:07,070 --> 01:40:04,260  
University equipment to participate in

2127  
01:40:08,750 --> 01:40:07,080  
what some people may call UFO grips or

2128  
01:40:12,470 --> 01:40:08,760  
alien cons

2129  
01:40:14,330 --> 01:40:12,480  
it's a valid question I mean I can't I

2130  
01:40:17,570 --> 01:40:14,340  
my only

2131  
01:40:20,570 --> 01:40:17,580  
you know everybody we have to all of us

2132  
01:40:23,090 --> 01:40:20,580  
will view the world through a prism of

2133  
01:40:26,209 --> 01:40:23,100  
their own experience and I worked at a

2134  
01:40:28,850 --> 01:40:26,219  
university and at least where I worked

2135  
01:40:31,490 --> 01:40:28,860  
none of this would have flied like none

2136  
01:40:33,770 --> 01:40:31,500  
of this the the professors

2137  
01:40:36,290 --> 01:40:33,780  
would not have been able to do stuff

2138  
01:40:39,709 --> 01:40:36,300

like this with University equipment and

2139

01:40:42,350 --> 01:40:39,719

and using the university to help sell

2140

01:40:44,510 --> 01:40:42,360

these fake alien stories

2141

01:40:48,350 --> 01:40:44,520

it would not have

2142

01:40:50,990 --> 01:40:48,360

the University where I worked uh you

2143

01:40:52,070 --> 01:40:51,000

know according to the ethics code that

2144

01:40:54,709 --> 01:40:52,080

we read

2145

01:40:56,390 --> 01:40:54,719

this is problematic but who knows and

2146

01:40:58,250 --> 01:40:56,400

you're right if he's got buddies and

2147

01:41:00,350 --> 01:40:58,260

friends on the ethics board

2148

01:41:02,689 --> 01:41:00,360

they they could just look the other way

2149

01:41:05,990 --> 01:41:02,699

or you know whatever

2150

01:41:11,510 --> 01:41:08,689

zorg says John Davies deserves a

2151

01:41:14,270 --> 01:41:11,520

follow-up show Chris Bledsoe also

2152

01:41:15,590 --> 01:41:14,280

um I'm looking into the bledsoes and uh

2153

01:41:17,510 --> 01:41:15,600

we will have a follow-up show on the

2154

01:41:18,050 --> 01:41:17,520

bledsos John Davies

2155

01:41:20,090 --> 01:41:18,060

um

2156

01:41:23,450 --> 01:41:20,100

I don't think he's worthy of my air time

2157

01:41:25,910 --> 01:41:23,460

you know um he went off and had a hissy

2158

01:41:28,010 --> 01:41:25,920

fit and and uh claimed that he was going

2159

01:41:30,290 --> 01:41:28,020

to sue me and send the police

2160

01:41:31,729 --> 01:41:30,300

and you know I I just thought it was

2161

01:41:34,310 --> 01:41:31,739

kind of ridiculous because I think he

2162

01:41:36,410 --> 01:41:34,320

lives in England so I'm still waiting

2163

01:41:38,750 --> 01:41:36,420

for the English police the Bobbies to

2164

01:41:41,030 --> 01:41:38,760

arrive and arrest me for a YouTube video

2165

01:41:43,189 --> 01:41:41,040

that John Davies didn't like you know

2166

01:41:47,750 --> 01:41:43,199

it's kind of ridiculous I think John

2167

01:41:49,729 --> 01:41:47,760

Davies is a clout chasing uh idiot quite

2168

01:41:51,470 --> 01:41:49,739

honestly he's got super powers did you

2169

01:41:54,350 --> 01:41:51,480

know that John Davies has all kinds of

2170

01:41:56,090 --> 01:41:54,360

superpowers that he got from Aliens you

2171

01:41:58,129 --> 01:41:56,100

know I'm not gonna get into an argument

2172

01:41:59,570 --> 01:41:58,139

about credibility with a guy that's

2173

01:42:03,229 --> 01:41:59,580

running around telling people he got

2174

01:42:05,149 --> 01:42:03,239

super powers he got super powers from

2175

01:42:12,229 --> 01:42:05,159

the aliens man

2176

01:42:17,510 --> 01:42:15,229

yeah B Baker reminding people

2177

01:42:19,430 --> 01:42:17,520

please don't swear the YouTube algorithm

2178

01:42:21,830 --> 01:42:19,440

will ding us for it yes the YouTube

2179

01:42:23,750 --> 01:42:21,840

algorithm doesn't like that it wants

2180

01:42:25,850 --> 01:42:23,760

things to be Advertiser friendly and if

2181

01:42:27,470 --> 01:42:25,860

advertisers come in and they see there's

2182

01:42:29,270 --> 01:42:27,480

people cursing up a storm in the live

2183

01:42:31,129 --> 01:42:29,280

chat they don't like that they don't

2184

01:42:33,770 --> 01:42:31,139

want their ads on shows like that so we

2185

01:42:35,870 --> 01:42:33,780

did put the filter on right

2186

01:42:39,350 --> 01:42:35,880

Ken and me is here and says super free

2187

01:42:41,570 --> 01:42:39,360

energy powers Ken and me I apologize I

2188

01:42:44,270 --> 01:42:41,580

did get your message I meant to reply to

2189

01:42:46,010 --> 01:42:44,280

you it's been a busy busy time for me

2190

01:42:48,410 --> 01:42:46,020

but I'll get back to you and we'll do

2191

01:42:49,910 --> 01:42:48,420

that project that you wanted to do kind

2192

01:42:52,970 --> 01:42:49,920

of me former

2193

01:42:56,390 --> 01:42:52,980

the Emmy former guest

2194

01:42:59,870 --> 01:42:56,400

he is a gentleman and a scholar an

2195

01:43:02,390 --> 01:42:59,880

expert on all things esoteric uh has

2196

01:43:05,530 --> 01:43:02,400

done incredible amount of uh writing

2197

01:43:08,930 --> 01:43:05,540

books and Research into aliens demons

2198

01:43:11,149 --> 01:43:08,940

angels and more uh and we're gonna be

2199

01:43:13,490 --> 01:43:11,159

having him back as a guest very soon

2200

01:43:15,050 --> 01:43:13,500

I'll get back to you Ken and me thank

2201  
01:43:18,530 --> 01:43:15,060  
you for being here because that reminded

2202  
01:43:22,209 --> 01:43:18,540  
me he says no worries and no Aries good

2203  
01:43:29,030 --> 01:43:25,490  
zorg thinks he's low-key manipulating

2204  
01:43:32,390 --> 01:43:29,040  
Ross uh yeah I've heard John Davies is

2205  
01:43:34,129 --> 01:43:32,400  
Ross coldthart's researcher or something

2206  
01:43:37,250 --> 01:43:34,139  
like that which would kind of explain

2207  
01:43:39,050 --> 01:43:37,260  
why Ross culthart is doing such terrible

2208  
01:43:41,209 --> 01:43:39,060  
work because he's got a guy with alien

2209  
01:43:43,729 --> 01:43:41,219  
superpowers doing his research for him

2210  
01:43:45,709 --> 01:43:43,739  
you know it's kind of ridiculous it's

2211  
01:43:47,290 --> 01:43:45,719  
kind of ridiculous Zork says chocolate

2212  
01:43:50,810 --> 01:43:47,300  
milk tears

2213  
01:43:53,689 --> 01:43:50,820

well thank you and my wife my poor wife

2214

01:43:56,450 --> 01:43:53,699

now has anxiety over the chocolate milk

2215

01:43:58,010 --> 01:43:56,460

situation because I will drink a half a

2216

01:43:59,689 --> 01:43:58,020

gallon of chocolate milk before I go to

2217

01:44:01,790 --> 01:43:59,699

bed well not a half gallon I don't know

2218

01:44:04,370 --> 01:44:01,800

I drink two big glasses she thinks it's

2219

01:44:06,890 --> 01:44:04,380

too much but

2220

01:44:10,010 --> 01:44:06,900

I have been since

2221

01:44:12,050 --> 01:44:10,020

quitting drinking I have not had a drink

2222

01:44:15,229 --> 01:44:12,060

in 170

2223

01:44:17,629 --> 01:44:15,239

three days I think yeah I haven't had a

2224

01:44:21,470 --> 01:44:17,639

drink in 173 days

2225

01:44:23,689 --> 01:44:21,480

so I I'm having eggs I'm having uh

2226

01:44:25,850 --> 01:44:23,699

insomnia and the one thing that seems to

2227

01:44:27,950 --> 01:44:25,860

help is drinking a bunch of chocolate

2228

01:44:29,570 --> 01:44:27,960

milk right before I go to bed

2229

01:44:31,970 --> 01:44:29,580

something about that milk maybe it's

2230

01:44:34,669 --> 01:44:31,980

like a baby thing I don't know you know

2231

01:44:35,930 --> 01:44:34,679

but my poor wife has had anxiety like

2232

01:44:37,729 --> 01:44:35,940

she's coming home from work and I'm like

2233

01:44:43,609 --> 01:44:37,739

oh I gotta get the chocolate milk we're

2234

01:44:50,950 --> 01:44:47,149

do not say Buck or yeah don't say

2235

01:44:57,109 --> 01:44:53,750

says raw seems pretty easy to manipulate

2236

01:44:59,390 --> 01:44:57,119

actually well according to him it's news

2237

01:45:01,609 --> 01:44:59,400

7's fault that those promos had straight

2238

01:45:04,430 --> 01:45:01,619

lies in them but considering the fact

2239

01:45:06,470 --> 01:45:04,440

that it's him reading the promo material

2240

01:45:09,649 --> 01:45:06,480

you know they had to give him a script

2241

01:45:13,129 --> 01:45:09,659

and say here read this and then they

2242

01:45:16,070 --> 01:45:13,139

made that they made those lying promos

2243

01:45:17,810 --> 01:45:16,080

uh you know uh uh somebody with ethics

2244

01:45:19,790 --> 01:45:17,820

or morality would have said you're not

2245

01:45:21,770 --> 01:45:19,800

I'm not doing this I'm not reading this

2246

01:45:24,649 --> 01:45:21,780

we don't have definitive proof of alien

2247

01:45:27,530 --> 01:45:24,659

technology I said it again we don't have

2248

01:45:29,450 --> 01:45:27,540

conclusive proof of alien technology I'm

2249

01:45:31,310 --> 01:45:29,460

not reading this and you're not putting

2250

01:45:33,890 --> 01:45:31,320

that in a promo because we don't have

2251

01:45:37,010 --> 01:45:33,900

the proof yet he didn't do that he read

2252

01:45:39,830 --> 01:45:37,020

it like a dummy and then they lied to

2253

01:45:42,109 --> 01:45:39,840

everyone to sell fake stories about

2254

01:45:43,790 --> 01:45:42,119

aliens with no proof when they're

2255

01:45:47,810 --> 01:45:43,800

claiming they have conclusive proof of

2256

01:45:51,050 --> 01:45:47,820

alien technology it's great

2257

01:45:53,990 --> 01:45:51,060

Kelly Gregory is here and welcome Kelly

2258

01:45:55,850 --> 01:45:54,000

Gregory uh I like your avatar says how

2259

01:45:58,970 --> 01:45:55,860

can I find some aliens I need

2260

01:46:00,830 --> 01:45:58,980

superpowers well what you got to do is

2261

01:46:03,470 --> 01:46:00,840

you got to hang out with the UFO people

2262

01:46:05,510 --> 01:46:03,480

because there's a lot of UFO people that

2263

01:46:08,149 --> 01:46:05,520

also have super powers this is what I'm

2264

01:46:11,149 --> 01:46:08,159

finding out in my study of the UFO

2265

01:46:13,310 --> 01:46:11,159

Community I would say one in ten one in

2266

01:46:14,810 --> 01:46:13,320

10 UFO people have superpowers I don't

2267

01:46:26,149 --> 01:46:14,820

so

2268

01:46:28,370 --> 01:46:26,159

super no not here but if you go into one

2269

01:46:29,990 --> 01:46:28,380

of those believer streams where it's all

2270

01:46:32,270 --> 01:46:30,000

like oh yeah the aliens are definitely

2271

01:46:34,910 --> 01:46:32,280

here and you know

2272

01:46:37,129 --> 01:46:34,920

um and there's probably one in ten of

2273

01:46:40,910 --> 01:46:37,139

those people have alien superpowers or

2274

01:46:43,070 --> 01:46:40,920

Powers superpowers and some way and by

2275

01:46:45,050 --> 01:46:43,080

the way in regards to last night's story

2276

01:46:49,910 --> 01:46:45,060

if you didn't catch it it was Elizabeth

2277

01:46:51,350 --> 01:46:49,920

April psychic New Age psychic or New Age

2278

01:46:54,229 --> 01:46:51,360

scammer

2279

01:46:56,390 --> 01:46:54,239

I looked into this company today called

2280

01:46:58,750 --> 01:46:56,400

life watch which sells these patches

2281

01:47:02,149 --> 01:46:58,760

that are supposed to reverse your aging

2282

01:47:04,129 --> 01:47:02,159

and give you increased energy and cure

2283

01:47:07,669 --> 01:47:04,139

symptoms of post-traumatic stress

2284

01:47:11,450 --> 01:47:07,679

disorder and uh anxiety and depression

2285

01:47:14,750 --> 01:47:11,460

you know snake oil uh and boy that

2286

01:47:16,970 --> 01:47:14,760

company has a long and sordid history of

2287

01:47:18,830 --> 01:47:16,980

being scammy and we're going to do a

2288

01:47:20,750 --> 01:47:18,840

follow-up story not so much about

2289

01:47:23,810 --> 01:47:20,760

Elizabeth April

2290

01:47:27,530 --> 01:47:23,820

the fake psychic but more so about life

2291

01:47:30,229 --> 01:47:27,540

watch which is Us in my opinion it's a

2292

01:47:31,850 --> 01:47:30,239

scam company you can't promise people

2293

01:47:34,010 --> 01:47:31,860

that you're selling them a product that

2294

01:47:36,530 --> 01:47:34,020

will reverse aging without proof of

2295

01:47:38,450 --> 01:47:36,540

those claims and they are doing it

2296

01:47:40,850 --> 01:47:38,460

they're doing it so I'm going to contact

2297

01:47:43,609 --> 01:47:40,860

the FDA in one of their media relations

2298

01:47:45,890 --> 01:47:43,619

people have them review the claims being

2299

01:47:49,010 --> 01:47:45,900

made by life watch and then give me

2300

01:47:51,770 --> 01:47:49,020

something in writing is this legal and

2301  
01:47:54,470 --> 01:47:51,780  
if not why are you as the FDA not doing

2302  
01:47:56,709 --> 01:47:54,480  
something to to make them stop scamming

2303  
01:47:59,870 --> 01:47:56,719  
people I think

2304  
01:48:01,729 --> 01:47:59,880  
that's a bigger story than a fake

2305  
01:48:04,189 --> 01:48:01,739  
psychic but the fact that she's supposed

2306  
01:48:06,830 --> 01:48:04,199  
to be a loving like psychic and and it's

2307  
01:48:09,590 --> 01:48:06,840  
just funny to me this girl has super

2308  
01:48:12,290 --> 01:48:09,600  
powers she's in touch with aliens she's

2309  
01:48:13,570 --> 01:48:12,300  
selling messages from Aliens for 11 and

2310  
01:48:16,490 --> 01:48:13,580  
11 cents

2311  
01:48:19,189 --> 01:48:16,500  
her alien messages are on sale because

2312  
01:48:22,010 --> 01:48:19,199  
Christmas is coming so she put the alien

2313  
01:48:25,070 --> 01:48:22,020

messages she sells on sale

2314

01:48:26,510 --> 01:48:25,080

she's also selling this snake oil where

2315

01:48:28,850 --> 01:48:26,520

they're claiming you could put a patch

2316

01:48:32,270 --> 01:48:28,860

on yourself and reverse your aging

2317

01:48:33,770 --> 01:48:32,280

it it is crazy uh so we're gonna follow

2318

01:48:35,810 --> 01:48:33,780

up on that story

2319

01:48:38,830 --> 01:48:35,820

Bobby Broadway is here and good to see

2320

01:48:42,830 --> 01:48:38,840

you somebody asked me uh about you today

2321

01:48:47,750 --> 01:48:45,410

okay Bobby Broadway says as crappy as it

2322

01:48:50,090 --> 01:48:47,760

is I guess I support their right to lie

2323

01:48:52,370 --> 01:48:50,100

as an act about UFO to make money

2324

01:48:54,350 --> 01:48:52,380

because it is a free country but they

2325

01:48:55,910 --> 01:48:54,360

better be able to take criticism this

2326

01:48:58,010 --> 01:48:55,920

show is important well thank you Bobby

2327

01:49:01,189 --> 01:48:58,020

Broadway I

2328

01:49:03,169 --> 01:49:01,199

think that a lot of the UFO people are

2329

01:49:05,209 --> 01:49:03,179

doing what can only be considered a form

2330

01:49:07,070 --> 01:49:05,219

of Consumer Fraud if you're telling

2331

01:49:10,370 --> 01:49:07,080

people this is a true story and then it

2332

01:49:12,530 --> 01:49:10,380

turns out it's 100 fake I don't think

2333

01:49:14,689 --> 01:49:12,540

that that is that should be either

2334

01:49:17,090 --> 01:49:14,699

permissible or legal

2335

01:49:19,310 --> 01:49:17,100

but I think it's a gray area and law

2336

01:49:22,850 --> 01:49:19,320

enforcement is a little busy and don't

2337

01:49:24,590 --> 01:49:22,860

have time to enforce you know to do

2338

01:49:27,709 --> 01:49:24,600

something about these UFO grifters

2339

01:49:29,390 --> 01:49:27,719

running around con and people constantly

2340

01:49:31,609 --> 01:49:29,400

um you know the best example I can give

2341

01:49:35,149 --> 01:49:31,619

is Linda Moulton Howe putting out

2342

01:49:37,310 --> 01:49:35,159

pictures that are 100 provably Artist

2343

01:49:39,050 --> 01:49:37,320

created pictures

2344

01:49:41,090 --> 01:49:39,060

and she claims that they're real

2345

01:49:42,770 --> 01:49:41,100

pictures of aliens and then it's quickly

2346

01:49:45,530 --> 01:49:42,780

proven that they're not but by then

2347

01:49:46,970 --> 01:49:45,540

she's already made the money and you see

2348

01:49:49,550 --> 01:49:46,980

how this

2349

01:49:50,510 --> 01:49:49,560

um this stuff works the cosmicon works

2350

01:49:53,570 --> 01:49:50,520

like that

2351

01:49:56,870 --> 01:49:53,580

we saw tonight that Gary Nolan and

2352

01:49:59,229 --> 01:49:56,880

Stephen Greer made this documentary

2353

01:50:02,330 --> 01:49:59,239

well Greer made the documentary

2354

01:50:03,830 --> 01:50:02,340

Nolan participated they made more than a

2355

01:50:06,950 --> 01:50:03,840

million dollars

2356

01:50:08,870 --> 01:50:06,960

and then they drop that the proof that

2357

01:50:10,729 --> 01:50:08,880

that thing wasn't an alien

2358

01:50:13,609 --> 01:50:10,739

and then they Shuffle off and hope

2359

01:50:16,189 --> 01:50:13,619

everybody forgets while they keep all

2360

01:50:18,530 --> 01:50:16,199

the money same thing with uh Linda

2361

01:50:21,350 --> 01:50:18,540

Moulton Hale she puts out these stories

2362

01:50:22,790 --> 01:50:21,360

these are real pictures of aliens she

2363

01:50:25,550 --> 01:50:22,800

collects all the money

2364

01:50:27,350 --> 01:50:25,560

then people like me do the real work and

2365

01:50:28,970 --> 01:50:27,360

find out where the pictures came from

2366

01:50:30,290 --> 01:50:28,980

find out their artists created images

2367

01:50:32,090 --> 01:50:30,300

and they're fake and they have nothing

2368

01:50:35,209 --> 01:50:32,100

to do with real aliens and no they're

2369

01:50:37,550 --> 01:50:35,219

not real pictures of aliens by then she

2370

01:50:39,470 --> 01:50:37,560

has already made her money she shuffles

2371

01:50:41,750 --> 01:50:39,480

off and hopes everybody forgets and then

2372

01:50:44,890 --> 01:50:41,760

comes back with fake stories

2373

01:50:47,390 --> 01:50:44,900

and and also the repeat the cosmic con

2374

01:50:49,430 --> 01:50:47,400

these people all learn that if a Khan

2375

01:50:51,709 --> 01:50:49,440

worked for one person they do it too

2376

01:50:54,590 --> 01:50:51,719

that's why there's at least three

2377

01:50:57,169 --> 01:50:54,600

different UFO people that ran or are

2378

01:51:00,590 --> 01:50:57,179

currently running free energy scams

2379

01:51:03,430 --> 01:51:00,600

we've got Dr Stephen Greer ran a free

2380

01:51:05,270 --> 01:51:03,440

energy what I would consider a scam

2381

01:51:08,090 --> 01:51:05,280

we have

2382

01:51:11,649 --> 01:51:08,100

Billy Carson ran a charity to create

2383

01:51:15,470 --> 01:51:11,659

free energy right never created anything

2384

01:51:17,030 --> 01:51:15,480

and David Wilcock if they see that one

2385

01:51:20,209 --> 01:51:17,040

of the other grifters does something

2386

01:51:23,689 --> 01:51:20,219

that works they all copy them uh it's

2387

01:51:28,129 --> 01:51:23,699

amazing but the the cosmicon and the

2388

01:51:30,709 --> 01:51:28,139

cosmicon shuffle we see that Nolan again

2389

01:51:34,189 --> 01:51:30,719

Ross cold third and Gary Nolan did this

2390

01:51:35,870 --> 01:51:34,199

documentary Gary Nolan participated they

2391

01:51:38,090 --> 01:51:35,880

promised everybody I'm going to say it

2392

01:51:40,790 --> 01:51:38,100

right this time quote conclusive proof

2393

01:51:43,430 --> 01:51:40,800

of alien technology all confirmed by

2394

01:51:46,070 --> 01:51:43,440

this renowned scientist unquote

2395

01:51:49,189 --> 01:51:46,080

and then they put out the piece they

2396

01:51:51,229 --> 01:51:49,199

collect all the money and then

2397

01:51:53,270 --> 01:51:51,239

they run off

2398

01:51:55,129 --> 01:51:53,280

when and then everybody figures out wait

2399

01:51:57,470 --> 01:51:55,139

a minute there's no proof here there's

2400

01:51:59,629 --> 01:51:57,480

no conclusive proof there's no proof

2401

01:52:01,370 --> 01:51:59,639

there's nothing they got nothing and

2402

01:52:05,270 --> 01:52:01,380

they said they did and that's why I

2403

01:52:09,169 --> 01:52:05,280

clicked on the video uh the cosmicon

2404

01:52:13,669 --> 01:52:11,810

Chuck bam says drink the milk well it's

2405

01:52:14,750 --> 01:52:13,679

got to be better for you than a 12 pack

2406

01:52:17,750 --> 01:52:14,760

or a

2407

01:52:21,910 --> 01:52:17,760

or better sometimes I was 12 pack and a

2408

01:52:27,530 --> 01:52:21,920

six pack of beer every day right

2409

01:52:32,750 --> 01:52:30,470

Patty Wilhelm is here welcome Patty good

2410

01:52:34,070 --> 01:52:32,760

to see you and Patty says hey Ken hope

2411

01:52:41,689 --> 01:52:34,080

you're doing well enjoyed your

2412

01:52:47,990 --> 01:52:44,390

ginger beer was my crutch when I quit

2413

01:52:49,609 --> 01:52:48,000

good idea I should try that out let's

2414

01:52:52,490 --> 01:52:49,619

try that out

2415

01:52:53,750 --> 01:52:52,500

Ray lavarott says Bobby yeah I think

2416

01:52:55,550 --> 01:52:53,760

they should be free to make money

2417

01:52:57,169 --> 01:52:55,560

however manipulating the public or

2418

01:52:59,330 --> 01:52:57,179

individuals is wrong and should be

2419

01:53:01,669 --> 01:52:59,340

stopped

2420

01:53:05,390 --> 01:53:01,679

yeah I agree with you

2421

01:53:08,149 --> 01:53:05,400

Ross is a story Monger being diplomatic

2422

01:53:10,490 --> 01:53:08,159

uh yeah

2423

01:53:12,050 --> 01:53:10,500

zorks has long exposure helicopter

2424

01:53:14,689 --> 01:53:12,060

photos you're talking about Jonathan

2425

01:53:17,030 --> 01:53:14,699

Davies right

2426  
01:53:19,669 --> 01:53:17,040  
Chuck bam says I'm the ambassador of

2427  
01:53:21,729 --> 01:53:19,679  
Earth working with the Pleiadians I am

2428  
01:53:25,490 --> 01:53:21,739  
buying the quantum Financial system

2429  
01:53:27,890 --> 01:53:25,500  
bringing the quantum Financial system

2430  
01:53:30,250 --> 01:53:27,900  
stranger things have happened I suppose

2431  
01:53:33,290 --> 01:53:30,260  
right

2432  
01:53:34,370 --> 01:53:33,300  
uh let's see here let me get caught up

2433  
01:53:38,750 --> 01:53:34,380  
here

2434  
01:53:40,609 --> 01:53:38,760  
I am way behind oh I see Amy WC for kind

2435  
01:53:42,189 --> 01:53:40,619  
and generous ten dollars just thanks for

2436  
01:53:45,470 --> 01:53:42,199  
your work thank you for kindness

2437  
01:53:47,510 --> 01:53:45,480  
generosity and support of the show it is

2438  
01:53:50,270 --> 01:53:47,520

much much appreciated let's see if we

2439

01:53:52,010 --> 01:53:50,280

can't find our cash clown to thank you

2440

01:53:56,870 --> 01:53:52,020

right

2441

01:54:03,290 --> 01:53:59,930

yes we can

2442

01:54:05,149 --> 01:54:03,300

thank you all especially Amy WC for your

2443

01:54:07,070 --> 01:54:05,159

kindness generosity and your support of

2444

01:54:11,209 --> 01:54:07,080

the show and for helping us to praise

2445

01:54:16,550 --> 01:54:13,510

again

2446

01:54:19,250 --> 01:54:16,560

thank you for your kindness thank you

2447

01:54:21,240 --> 01:54:19,260

for your generosity praise the cash

2448

01:54:47,209 --> 01:54:21,250

crazy cash

2449

01:54:51,709 --> 01:54:49,729

oh that's weird sorry mystery a little

2450

01:54:53,870 --> 01:54:51,719

green friend of mine once said when 900

2451  
01:55:04,129 --> 01:54:53,880  
years old you reach look as good you

2452  
01:55:04,139 --> 01:55:07,910  
yeah am I still muted

2453  
01:55:14,090 --> 01:55:10,790  
the clown kit has a fake nose

2454  
01:55:16,550 --> 01:55:14,100  
no I don't think yeah no that's his real

2455  
01:55:16,560 --> 01:55:28,629  
one second

2456  
01:55:28,639 --> 01:55:35,270  
pardon me

2457  
01:55:35,280 --> 01:55:42,530  
okay there we go

2458  
01:55:47,510 --> 01:55:45,830  
yeah it only was muted for a second

2459  
01:55:52,189 --> 01:55:47,520  
there but I wanted I always check in

2460  
01:55:57,050 --> 01:55:54,109  
Kelly is here

2461  
01:55:58,790 --> 01:55:57,060  
it says I hear you good so any more

2462  
01:56:03,790 --> 01:55:58,800  
comments or questions for me please put

2463  
01:56:07,550 --> 01:56:05,990

any more comments or questions for me

2464

01:56:09,590 --> 01:56:07,560

please put them in all capital letters

2465

01:56:10,609 --> 01:56:09,600

but now would be a good time to remind

2466

01:56:12,470 --> 01:56:10,619

you

2467

01:56:15,290 --> 01:56:12,480

that besides storing money at us there's

2468

01:56:17,689 --> 01:56:15,300

another way that you can help us

2469

01:56:20,510 --> 01:56:17,699

and that would be to like comment

2470

01:56:22,370 --> 01:56:20,520

subscribe and share these videos on your

2471

01:56:23,330 --> 01:56:22,380

social media it really really does help

2472

01:56:25,370 --> 01:56:23,340

us

2473

01:56:27,709 --> 01:56:25,380

now it's also a good time for me to

2474

01:56:29,870 --> 01:56:27,719

remind you people listening in audio

2475

01:56:32,090 --> 01:56:29,880

podcast land first of all we love and

2476

01:56:34,490 --> 01:56:32,100

appreciate all of you audio podcast

2477

01:56:35,810 --> 01:56:34,500

listeners I am blown away by how many

2478

01:56:38,270 --> 01:56:35,820

downloads we're getting on the audio

2479

01:56:40,790 --> 01:56:38,280

podcast every day

2480

01:56:42,709 --> 01:56:40,800

um but you're missing half the fun so if

2481

01:56:45,830 --> 01:56:42,719

you're listening on the audio podcast we

2482

01:56:48,470 --> 01:56:45,840

love and and appreciate you there but we

2483

01:56:50,330 --> 01:56:48,480

would much prefer if you came on over

2484

01:56:53,149 --> 01:56:50,340

here to YouTube

2485

01:56:57,169 --> 01:56:53,159

so go on over to YouTube and find us go

2486

01:56:59,090 --> 01:56:57,179

to youtube.com hit the search uh tool

2487

01:57:02,570 --> 01:56:59,100

the little magnifying glass and put in

2488

01:57:05,450 --> 01:57:02,580

truth Seekers one word there you'll uh

2489

01:57:07,490 --> 01:57:05,460

you'll see a strange guy with sunglasses

2490

01:57:09,169 --> 01:57:07,500

that would be me go to that Channel

2491

01:57:10,850 --> 01:57:09,179

smash the Subscribe button hit the

2492

01:57:13,850 --> 01:57:10,860

notification Bell and you too will know

2493

01:57:16,430 --> 01:57:13,860

when we're doing a live show and come

2494

01:57:18,169 --> 01:57:16,440

and be a part of it you friends over an

2495

01:57:20,270 --> 01:57:18,179

audio podcast land are most welcome

2496

01:57:23,149 --> 01:57:20,280

every week I see a few of you show up

2497

01:57:25,550 --> 01:57:23,159

and tell me in a live chat I listen on

2498

01:57:27,410 --> 01:57:25,560

um you know I I get these messages and I

2499

01:57:30,470 --> 01:57:27,420

love getting them by the way I love

2500

01:57:32,750 --> 01:57:30,480

hearing in the live chat

2501

01:57:37,089 --> 01:57:32,760

um I love hearing from you

2502

01:57:40,550 --> 01:57:37,099

uh all over uh I love hearing from you

2503

01:57:44,750 --> 01:57:40,560

but I especially love when somebody will

2504

01:57:47,870 --> 01:57:44,760

come to the live chat and say hey uh I

2505

01:57:50,149 --> 01:57:47,880

am listening to you on speaker or apple

2506

01:57:53,570 --> 01:57:50,159

podcasts or Amazon

2507

01:57:57,129 --> 01:57:53,580

uh or you know pod Chaser or wherever

2508

01:58:00,890 --> 01:57:57,139

and say hey uh

2509

01:58:04,550 --> 01:58:00,900

you told me to come over right to the to

2510

01:58:06,530 --> 01:58:04,560

the live show and I did uh and we get

2511

01:58:09,050 --> 01:58:06,540

people coming into live chat every week

2512

01:58:10,850 --> 01:58:09,060

uh last week I'm sure somebody said they

2513

01:58:13,010 --> 01:58:10,860

came from iHeartRadio they listen on

2514

01:58:14,990 --> 01:58:13,020

iHeartRadio somebody said they come from

2515

01:58:17,810 --> 01:58:15,000

Spotify by the way and the audio podcast

2516

01:58:20,330 --> 01:58:17,820

we truth Seekers is now available on

2517

01:58:21,589 --> 01:58:20,340

speaker podcast player Apple podcast I

2518

01:58:24,950 --> 01:58:21,599

Heart Radio

2519

01:58:27,830 --> 01:58:24,960

uh Google podcast Spotify good pods

2520

01:58:30,109 --> 01:58:27,840

castbox Deezer Podcast Addict podchaser

2521

01:58:31,729 --> 01:58:30,119

and geosavan so wherever you're

2522

01:58:34,250 --> 01:58:31,739

listening in the audio podcast land

2523

01:58:36,290 --> 01:58:34,260

please do come on over to YouTube true

2524

01:58:37,970 --> 01:58:36,300

seekers in the search bar one word look

2525

01:58:40,609 --> 01:58:37,980

for the guy with sunglasses go there

2526

01:58:42,770 --> 01:58:40,619

click subscribe and hit the notification

2527

01:58:44,930 --> 01:58:42,780

Bell and YouTube can come here and be a

2528

01:58:47,870 --> 01:58:44,940

part of our live tapings our live

2529

01:58:50,030 --> 01:58:47,880

broadcasts for the podcast and our

2530

01:58:50,930 --> 01:58:50,040

interactive live chats you are most

2531

01:58:58,550 --> 01:58:50,940

welcome

2532

01:58:58,560 --> 01:59:02,990

all right let's see

2533

01:59:09,290 --> 01:59:05,089

Chuck B on defensive tonight I already

2534

01:59:12,290 --> 01:59:09,300

got hit I'm not sure what that's about

2535

01:59:14,930 --> 01:59:12,300

who is a good person to talk to about

2536

01:59:20,209 --> 01:59:14,940

Gary Nolan's work

2537

01:59:26,770 --> 01:59:23,570

I didn't know that this is crazy Gary

2538

01:59:29,629 --> 01:59:26,780

Nolan studied no people of color

2539

01:59:32,030 --> 01:59:29,639

spoiler alert it's all white people I

2540

01:59:34,189 --> 01:59:32,040

haven't I've never heard that uh Chuck

2541

01:59:37,010 --> 01:59:34,199

says audio is good for driving it

2542

01:59:38,870 --> 01:59:37,020

actually that's why we I for those of

2543

01:59:41,209 --> 01:59:38,880

you that don't know I used to do just an

2544

01:59:42,530 --> 01:59:41,219

audio podcast a different show what was

2545

01:59:44,629 --> 01:59:42,540

very similar but it was called The

2546

01:59:45,530 --> 01:59:44,639

Midnight Hour and

2547

01:59:48,350 --> 01:59:45,540

um

2548

01:59:50,330 --> 01:59:48,360

then we moved to this live video format

2549

01:59:52,310 --> 01:59:50,340

but a lot of people started asking me

2550

01:59:54,350 --> 01:59:52,320

for the audio podcast because they drive

2551

01:59:56,270 --> 01:59:54,360

for a living and they get in trouble if

2552

01:59:58,010 --> 01:59:56,280

they get caught watching a video

2553

02:00:01,250 --> 01:59:58,020

but they're allowed to listen to audio

2554

02:00:03,229 --> 02:00:01,260

podcasts so we put it up and I'm blown

2555

02:00:05,270 --> 02:00:03,239

away we're getting uh hundreds and

2556

02:00:07,310 --> 02:00:05,280

hundreds of downloads every day I can't

2557

02:00:09,589 --> 02:00:07,320

believe that because my old audio

2558

02:00:11,510 --> 02:00:09,599

podcast I was like a voice in The Wind

2559

02:00:14,930 --> 02:00:11,520

you know that's what I always felt like

2560

02:00:16,430 --> 02:00:14,940

I felt like nobody was listening I felt

2561

02:00:18,770 --> 02:00:16,440

like I was just some voice in the wind

2562

02:00:22,250 --> 02:00:18,780

and nobody was listening but it's

2563

02:00:24,350 --> 02:00:22,260

amazing the combination of the two I

2564

02:00:26,629 --> 02:00:24,360

think that's what did it

2565

02:00:28,550 --> 02:00:26,639

um the combination of all of these

2566

02:00:31,729 --> 02:00:28,560

streaming locations YouTube and

2567

02:00:34,790 --> 02:00:31,739

everything else and the audio podcast

2568

02:00:38,030 --> 02:00:34,800

together we're getting a great deal more

2569

02:00:41,570 --> 02:00:38,040

listeners and we're we're I am thankful

2570

02:00:43,490 --> 02:00:41,580

to have all of you here I was thinking

2571

02:00:44,689 --> 02:00:43,500

about every year of course when it's

2572

02:00:46,370 --> 02:00:44,699

Thanksgiving you start thinking about

2573

02:00:49,910 --> 02:00:46,380

what you're thankful for

2574

02:00:53,689 --> 02:00:49,920

I am most thankful for my my lovely wife

2575

02:00:58,010 --> 02:00:53,699

my uh incredible two boys that are six

2576

02:01:00,709 --> 02:00:58,020

and ten now and uh and right after that

2577

02:01:03,050 --> 02:01:00,719

I am thankful for all of you and the

2578

02:01:04,729 --> 02:01:03,060

ability to do this show it's a dream

2579

02:01:08,390 --> 02:01:04,739

come true for me and thank you for

2580

02:01:13,129 --> 02:01:10,910

um B Baker says paranormal radio app is

2581

02:01:17,149 --> 02:01:13,139

good to sign up for but I think you have

2582

02:01:19,430 --> 02:01:17,159

to pay for a channel uh well look B

2583

02:01:21,290 --> 02:01:19,440

Baker uh why don't you call me after the

2584

02:01:23,330 --> 02:01:21,300

show because I I'd be interested in that

2585

02:01:25,790 --> 02:01:23,340

and if it's not too expensive

2586

02:01:27,649 --> 02:01:25,800

um I would be happy Amy Collins is

2587

02:01:33,470 --> 02:01:27,659

asking me have you signed on to talk

2588

02:01:39,770 --> 02:01:36,169

um it's all looking into more audio

2589

02:01:42,470 --> 02:01:39,780

podcast destinations is on my list so uh

2590

02:01:45,050 --> 02:01:42,480

I will add talk stream live I love talk

2591

02:01:48,189 --> 02:01:45,060

radio I grew up listening or talk stream

2592

02:01:50,629 --> 02:01:48,199

live now it's not radio but I grew up

2593

02:01:52,669 --> 02:01:50,639

one of the reasons I'm here is because I

2594

02:01:54,550 --> 02:01:52,679

grew up addicted to talk radio in

2595

02:01:58,010 --> 02:01:54,560

Philadelphia there was a station called

2596

02:02:01,310 --> 02:01:58,020

96.5 wwdb

2597

02:02:05,330 --> 02:02:01,320

uh the talk station and it was talk

2598

02:02:07,250 --> 02:02:05,340

radio all day all night and I was often

2599

02:02:08,750 --> 02:02:07,260

the victim of insomnia so I would stay

2600

02:02:09,709 --> 02:02:08,760

up late at night and listen to talk

2601  
02:02:12,709 --> 02:02:09,719  
radio

2602  
02:02:14,570 --> 02:02:12,719  
and uh I grew up listening to the talk

2603  
02:02:16,910 --> 02:02:14,580  
radio it's probably one of the reasons

2604  
02:02:19,790 --> 02:02:16,920  
why I am here used to love it I would

2605  
02:02:21,950 --> 02:02:19,800  
take a little Walkman a radio everywhere

2606  
02:02:24,229 --> 02:02:21,960  
with me and would always be listening to

2607  
02:02:27,290 --> 02:02:24,239  
talk radio I mean I love the music too

2608  
02:02:29,750 --> 02:02:27,300  
but sometimes I'd listen to albums but

2609  
02:02:34,330 --> 02:02:29,760  
oftentimes I'd listen to talk radio

2610  
02:02:41,750 --> 02:02:38,270  
Mr Ian says UK crew in the place and

2611  
02:02:43,970 --> 02:02:41,760  
also Mr Ian is working on a VR

2612  
02:02:46,189 --> 02:02:43,980  
environment for truth Seekers soon

2613  
02:02:48,530 --> 02:02:46,199

you'll be able to go and watch true

2614

02:02:50,229 --> 02:02:48,540

Seekers with other people in a truth

2615

02:02:54,290 --> 02:02:50,239

Seekers Lounge

2616

02:02:56,089 --> 02:02:54,300

uh in a virtual reality world that's

2617

02:02:57,589 --> 02:02:56,099

amazing

2618

02:03:00,770 --> 02:02:57,599

make it so

2619

02:03:02,750 --> 02:03:00,780

Mr Ian use your magic technological

2620

02:03:04,550 --> 02:03:02,760

Boomstick right

2621

02:03:06,470 --> 02:03:04,560

edmonster is here and says Happy

2622

02:03:09,169 --> 02:03:06,480

Thanksgiving to all of us

2623

02:03:11,930 --> 02:03:09,179

from the UK yeah Happy Thanksgiving to

2624

02:03:18,410 --> 02:03:11,940

you much much appreciated I'm I'm glad

2625

02:03:22,609 --> 02:03:20,450

oh man I remember that Bobby Broadway

2626

02:03:23,390 --> 02:03:22,619

says back to white trash in two weeks it

2627

02:03:26,209 --> 02:03:23,400

took

2628

02:03:27,950 --> 02:03:26,219

after finally retiring the van van and

2629

02:03:31,129 --> 02:03:27,960

getting this new Fiesta

2630

02:03:35,030 --> 02:03:31,139

I miss mine Bobby Broadway I had this

2631

02:03:37,310 --> 02:03:35,040

old purple 1982 Ford econ a conline van

2632

02:03:39,470 --> 02:03:37,320

that was a

2633

02:03:41,950 --> 02:03:39,480

um it was a conversion van so it had the

2634

02:03:44,570 --> 02:03:41,960

added top and the rugs and

2635

02:03:47,089 --> 02:03:44,580

it was so ugly when I got it that was

2636

02:03:49,189 --> 02:03:47,099

like brown and tan so we painted the

2637

02:03:51,350 --> 02:03:49,199

whole thing purple and ripped the rugs

2638

02:03:53,750 --> 02:03:51,360

out and put purple rugs in it was purple

2639

02:03:56,169 --> 02:03:53,760

and black we put a bunch of chrome

2640

02:03:59,089 --> 02:03:56,179

skulls on it and stuff

2641

02:04:02,390 --> 02:03:59,099

it was really great and Bobby we called

2642

02:04:05,030 --> 02:04:02,400

it the misery machine you know after the

2643

02:04:08,270 --> 02:04:05,040

mystery machine on Scooby-Doo but ours

2644

02:04:09,950 --> 02:04:08,280

was the misery machine and boy I used to

2645

02:04:12,530 --> 02:04:09,960

go on long trips with that we would

2646

02:04:14,330 --> 02:04:12,540

drive all over uh you know six hour

2647

02:04:16,250 --> 02:04:14,340

drives eight hours anywhere that was

2648

02:04:18,890 --> 02:04:16,260

within an eight-hour drive my band would

2649

02:04:20,390 --> 02:04:18,900

agree to play you know if they at least

2650

02:04:24,490 --> 02:04:20,400

covered and give us enough money to

2651

02:04:31,430 --> 02:04:28,609

Sylvia is here and says hello insomnia

2652

02:04:33,290 --> 02:04:31,440

here in Norway too 505 a.m well I'm glad

2653

02:04:34,250 --> 02:04:33,300

that you could join us here and that I

2654

02:04:40,490 --> 02:04:34,260

can help

2655

02:04:43,790 --> 02:04:40,500

hopefully right James pepper says pimp

2656

02:04:45,589 --> 02:04:43,800

mobile absolutely right Amy Collins says

2657

02:04:48,410 --> 02:04:45,599

we had a station in Chicago that changed

2658

02:04:51,109 --> 02:04:48,420

formats almost yearly wdai they choked

2659

02:04:54,530 --> 02:04:51,119

it stood for developing identity that's

2660

02:04:59,330 --> 02:04:54,540

funny yeah yeah we had a radio station

2661

02:05:01,010 --> 02:04:59,340

in Philadelphia forever it was 94.1

2662

02:05:04,550 --> 02:05:01,020

uh

2663

02:05:09,649 --> 02:05:04,560

was wisp I think

2664

02:05:14,990 --> 02:05:12,530

now it says Sports Talk Radio yeah it

2665

02:05:18,050 --> 02:05:15,000

was the when it was a rock radio station

2666

02:05:21,050 --> 02:05:18,060

it was still 94 wisp but then they

2667

02:05:22,790 --> 02:05:21,060

changed to 94 WIP sports radio and I'm

2668

02:05:25,250 --> 02:05:22,800

not a sports guy so I never listened to

2669

02:05:27,109 --> 02:05:25,260

that station again when they changed but

2670

02:05:29,149 --> 02:05:27,119

we were all sad to see that station go

2671

02:05:31,310 --> 02:05:29,159

because all of us you know as kids and

2672

02:05:35,270 --> 02:05:31,320

whatever we grew up listening to rock

2673

02:05:38,330 --> 02:05:35,280

radio we had two stations 93 and 94.

2674

02:05:40,370 --> 02:05:38,340

which is kind of weird right uh well

2675

02:05:44,270 --> 02:05:40,380

maybe more than two stations but the

2676

02:05:46,609 --> 02:05:44,280

other ones played oldies and you know uh

2677

02:05:50,390 --> 02:05:46,619

everybody now seems to segment like we

2678

02:05:53,689 --> 02:05:50,400

play 70s all the time 70s all night all

2679

02:05:56,570 --> 02:05:53,699

day and 80s 90s

2680

02:06:01,370 --> 02:05:56,580

the 90s hits and Beyond Amy Collins

2681

02:06:06,890 --> 02:06:03,830

Chuck bam says demand more diversity

2682

02:06:10,490 --> 02:06:06,900

Equity inclusion on UFOs

2683

02:06:11,990 --> 02:06:10,500

uh yeah I think that and Sylvia my

2684

02:06:15,530 --> 02:06:12,000

pleasure I'm glad that you're here with

2685

02:06:18,169 --> 02:06:15,540

us I you know what Sylvia you said you

2686

02:06:20,930 --> 02:06:18,179

were from Norway I I got a kick out of

2687

02:06:24,229 --> 02:06:20,940

that it's just amazing to me that with

2688

02:06:26,570 --> 02:06:24,239

this this webcam and this microphone and

2689

02:06:30,109 --> 02:06:26,580

this technology allows me

2690

02:06:34,370 --> 02:06:30,119

to reach my voice across the entire

2691

02:06:38,149 --> 02:06:34,380

world and and touch someone that sounded

2692

02:06:41,330 --> 02:06:38,159

bad Sylvia I mean you know what I mean

2693

02:06:43,970 --> 02:06:41,340

I'm able to touch your life at least I'm

2694

02:06:46,490 --> 02:06:43,980

able to enter your little world there

2695

02:06:48,770 --> 02:06:46,500

and then it makes me wonder

2696

02:06:50,629 --> 02:06:48,780

um about the listeners all across the

2697

02:06:52,010 --> 02:06:50,639

world and where they're at and what

2698

02:06:54,169 --> 02:06:52,020

they're doing while they're listening

2699

02:06:56,930 --> 02:06:54,179

and what their houses are like or their

2700

02:06:59,510 --> 02:06:56,940

neighborhoods look like and just amazing

2701  
02:07:01,490 --> 02:06:59,520  
to me that my voice and my image can be

2702  
02:07:04,010 --> 02:07:01,500  
beamed across the world with this

2703  
02:07:06,050 --> 02:07:04,020  
technology so when I hear somebody from

2704  
02:07:08,330 --> 02:07:06,060  
across the world is here

2705  
02:07:13,970 --> 02:07:08,340  
it makes me happy thank you for being

2706  
02:07:19,370 --> 02:07:16,510  
okay

2707  
02:07:21,890 --> 02:07:19,380  
I was a tank B Baker says oh man

2708  
02:07:24,290 --> 02:07:21,900  
o'connelline those things were well made

2709  
02:07:27,109 --> 02:07:24,300  
you're absolutely right they were tanks

2710  
02:07:29,450 --> 02:07:27,119  
right B Baker says my mom and Steph that

2711  
02:07:31,669 --> 02:07:29,460  
drove is from Washington Montana and in

2712  
02:07:33,709 --> 02:07:31,679  
Econo line we saw UFO on the way the

2713  
02:07:35,990 --> 02:07:33,719

whole family thought it was a helicopter

2714

02:07:37,310 --> 02:07:36,000

standing shining down a spotlight for a

2715

02:07:39,530 --> 02:07:37,320

couple of minutes

2716

02:07:41,890 --> 02:07:39,540

that's weird Sylvie says I know it's

2717

02:07:44,270 --> 02:07:41,900

amazing it is amazing it's amazing to me

2718

02:07:47,149 --> 02:07:44,280

especially because you know sometimes

2719

02:07:49,490 --> 02:07:47,159

somebody from Mexico will chime in and

2720

02:07:52,189 --> 02:07:49,500

or somebody from Australia or somebody

2721

02:07:55,310 --> 02:07:52,199

from Tasmania once said hey hello from

2722

02:07:57,709 --> 02:07:55,320

Tasmania and I'm like that is Bizarro

2723

02:08:00,890 --> 02:07:57,719

it's strange to me like wow my voice and

2724

02:08:02,870 --> 02:08:00,900

my image is in Tasmania right now you

2725

02:08:04,550 --> 02:08:02,880

know it's amazing that's why I love this

2726

02:08:08,870 --> 02:08:04,560

so much it's one of the things I love so

2727

02:08:11,629 --> 02:08:08,880

much is being able to uh you know be all

2728

02:08:13,370 --> 02:08:11,639

across the world right and now we have

2729

02:08:15,890 --> 02:08:13,380

this more powerful distribution Network

2730

02:08:18,830 --> 02:08:15,900

by the way I want to thank Julian

2731

02:08:21,950 --> 02:08:18,840

Chandra and his excellent people at

2732

02:08:23,629 --> 02:08:21,960

Odyssey uh for those unaware Odyssey is

2733

02:08:32,870 --> 02:08:23,639

a

2734

02:08:35,209 --> 02:08:32,880

which is popping up which uh is just

2735

02:08:37,129 --> 02:08:35,219

really I have such high hopes for

2736

02:08:40,310 --> 02:08:37,139

Odyssey I'm a big fan of Odyssey so we

2737

02:08:43,370 --> 02:08:40,320

want to thank Julian Chandra the CEO of

2738

02:08:46,970 --> 02:08:43,380

Odyssey and we also want to thank at

2739

02:08:49,490 --> 02:08:46,980

odysseyhelp on Twitter uh Julian has you

2740

02:08:52,430 --> 02:08:49,500

know excellent uh technical support

2741

02:08:54,530 --> 02:08:52,440

people and we were having an issue where

2742

02:08:56,570 --> 02:08:54,540

our live stream would live stream on

2743

02:08:58,430 --> 02:08:56,580

Odyssey but then it wouldn't be there

2744

02:09:01,030 --> 02:08:58,440

when we were done the Stream

2745

02:09:03,530 --> 02:09:01,040

so the Odyssey help people

2746

02:09:05,030 --> 02:09:03,540

walked me through exactly how to fix the

2747

02:09:07,669 --> 02:09:05,040

technical issue that we're having I'm

2748

02:09:10,430 --> 02:09:07,679

going to do it directly after the show

2749

02:09:12,890 --> 02:09:10,440

finishes broadcast tonight and I want to

2750

02:09:16,189 --> 02:09:12,900

thank Odyssey at odysseyhelp and I want

2751  
02:09:18,470 --> 02:09:16,199  
to thank Julian Chandra the CEO of

2752  
02:09:20,930 --> 02:09:18,480  
Odyssey because

2753  
02:09:22,129 --> 02:09:20,940  
if I was a betting person I would bet

2754  
02:09:24,229 --> 02:09:22,139  
that

2755  
02:09:26,149 --> 02:09:24,239  
Odyssey is going to be huge give it a

2756  
02:09:27,950 --> 02:09:26,159  
few years friends it's going to be huge

2757  
02:09:30,050 --> 02:09:27,960  
they're doing a great job over there at

2758  
02:09:32,229 --> 02:09:30,060  
Odyssey we also want to thank our new

2759  
02:09:34,910 --> 02:09:32,239  
distribution platform and partners

2760  
02:09:37,370 --> 02:09:34,920  
Rumble who are also doing a great job

2761  
02:09:39,830 --> 02:09:37,380  
I'm just personally glad to see that

2762  
02:09:42,709 --> 02:09:39,840  
alternatives to

2763  
02:09:45,229 --> 02:09:42,719

the mainstream platforms are being

2764

02:09:48,410 --> 02:09:45,239

developed and are being um

2765

02:09:50,270 --> 02:09:48,420

are being made available and uh we have

2766

02:09:53,030 --> 02:09:50,280

this new distribution platform up and

2767

02:09:55,850 --> 02:09:53,040

right now we're broadcasting to two

2768

02:09:58,010 --> 02:09:55,860

separate places on Facebook both my

2769

02:10:00,950 --> 02:09:58,020

personal page you can follow me on

2770

02:10:03,410 --> 02:10:00,960

Facebook just my name Stephen cambian or

2771

02:10:05,209 --> 02:10:03,420

look for the truth Seekers page on

2772

02:10:07,149 --> 02:10:05,219

Facebook we're broadcasting to both of

2773

02:10:10,970 --> 02:10:07,159

those Facebook pages right at the moment

2774

02:10:12,589 --> 02:10:10,980

uh also YouTube also twitch

2775

02:10:15,709 --> 02:10:12,599

Twitter

2776

02:10:18,530 --> 02:10:15,719

Odyssey and Rumble all at once uh very

2777

02:10:20,990 --> 02:10:18,540

powerful technology allowing us to be in

2778

02:10:23,990 --> 02:10:21,000

eight different streaming destinations

2779

02:10:28,850 --> 02:10:27,109

uh wow that's interesting I wasn't aware

2780

02:10:31,550 --> 02:10:28,860

but on on

2781

02:10:33,649 --> 02:10:31,560

twitch apparently you have to uh say

2782

02:10:35,930 --> 02:10:33,659

okay I'm an adult before the stream will

2783

02:10:38,810 --> 02:10:35,940

play but that's okay just checking in

2784

02:10:41,089 --> 02:10:38,820

with twitch I see we have uh some

2785

02:10:43,750 --> 02:10:41,099

viewers over at twitch I see we have

2786

02:10:46,250 --> 02:10:43,760

viewers at Rumble and viewers at Odyssey

2787

02:10:49,010 --> 02:10:46,260

uh and of course there's people watching

2788

02:10:50,990 --> 02:10:49,020

on our usual or you know the platforms

2789

02:10:54,589 --> 02:10:51,000

we began with which is Facebook YouTube

2790

02:10:56,689 --> 02:10:54,599

and Twitter but we uh welcome all of our

2791

02:10:58,490 --> 02:10:56,699

new friends it's it's so nice to check

2792

02:11:00,589 --> 02:10:58,500

in on the stream over at twitch and see

2793

02:11:02,450 --> 02:11:00,599

some people watching there I'm checking

2794

02:11:04,430 --> 02:11:02,460

into the stream and odyssey and see some

2795

02:11:08,890 --> 02:11:04,440

people watching there and Rumble as well

2796

02:11:12,530 --> 02:11:08,900

new friends uh welcome new friends

2797

02:11:14,330 --> 02:11:12,540

James V with the kind of generous 499

2798

02:11:16,370 --> 02:11:14,340

Super Chat says do you play a musical

2799

02:11:17,570 --> 02:11:16,380

instrument and we want to hear you play

2800

02:11:20,030 --> 02:11:17,580

it ha

2801

02:11:24,709 --> 02:11:20,040

there's some music of mine

2802

02:11:27,229 --> 02:11:24,719

channel here in your previous life I was

2803

02:11:30,109 --> 02:11:27,239

in many rock bands and other bands and

2804

02:11:33,770 --> 02:11:30,119

then I did a solo project for many years

2805

02:11:36,530 --> 02:11:33,780

I'm a songwriter or was I ran a

2806

02:11:40,490 --> 02:11:36,540

commercial recording studio and I play

2807

02:11:44,510 --> 02:11:40,500

piano keyboards is really my preference

2808

02:11:46,250 --> 02:11:44,520

I like synthesizers early growing up I

2809

02:11:48,950 --> 02:11:46,260

realized that if I learned to play the

2810

02:11:51,649 --> 02:11:48,960

piano through the power of synthesizers

2811

02:11:54,950 --> 02:11:51,659

and keyboards it was like being able to

2812

02:11:57,169 --> 02:11:54,960

play everything because at that time a

2813

02:12:00,070 --> 02:11:57,179

lot of workstations were becoming

2814

02:12:02,390 --> 02:12:00,080

available that had really realistic

2815

02:12:04,129 --> 02:12:02,400

Orchestra sounds and I was blown away

2816

02:12:07,729 --> 02:12:04,139

like wow if I learn to play this piano

2817

02:12:09,649 --> 02:12:07,739

really well then it I can make songs and

2818

02:12:13,609 --> 02:12:09,659

and the songs can have cellos and

2819

02:12:15,470 --> 02:12:13,619

violins and tubas and and organs because

2820

02:12:17,510 --> 02:12:15,480

this synthesizer can make all those

2821

02:12:20,450 --> 02:12:17,520

sounds so I got very interested in that

2822

02:12:22,310 --> 02:12:20,460

at years later when I would join rock

2823

02:12:25,310 --> 02:12:22,320

bands

2824

02:12:28,490 --> 02:12:25,320

I was determined that I was going to

2825

02:12:30,950 --> 02:12:28,500

learn to play guitar and I can and I do

2826

02:12:32,810 --> 02:12:30,960

but I'm terrible and all I can play as

2827

02:12:36,530 --> 02:12:32,820

far as guitar goes is what's called drop

2828

02:12:38,810 --> 02:12:36,540

D I'm terrible at regular chords so I

2829

02:12:41,689 --> 02:12:38,820

use the cheat that a lot of rock guys

2830

02:12:44,209 --> 02:12:41,699

use dropped the drop these when you when

2831

02:12:45,830 --> 02:12:44,219

you tune down one of the strings and

2832

02:12:48,050 --> 02:12:45,840

then you can you don't have to make

2833

02:12:52,310 --> 02:12:48,060

complicated finger cords you just put

2834

02:12:54,530 --> 02:12:52,320

your whole finger across the Fret right

2835

02:12:57,410 --> 02:12:54,540

alien scientist wants to know did you

2836

02:12:59,390 --> 02:12:57,420

catch my Bob Lazar song tonight no I

2837

02:13:01,069 --> 02:12:59,400

didn't but if you if you're a moderator

2838

02:13:02,870 --> 02:13:01,079

you could put a link in the live chat

2839

02:13:04,910 --> 02:13:02,880

and give me a time stamp and I'd be

2840

02:13:05,950 --> 02:13:04,920

happy to play it that's pretty

2841

02:13:09,609 --> 02:13:05,960

interesting

2842

02:13:12,709 --> 02:13:09,619

uh tonight we were covering Gary P Nolan

2843

02:13:15,649 --> 02:13:12,719

uh Jeremy and you might be interested to

2844

02:13:18,290 --> 02:13:15,659

watch some of this because oh this is a

2845

02:13:21,290 --> 02:13:18,300

good story that it would appear that

2846

02:13:23,390 --> 02:13:21,300

Gary Nolan is using University resources

2847

02:13:25,250 --> 02:13:23,400

and personnel and that's against the

2848

02:13:27,770 --> 02:13:25,260

university code of ethics

2849

02:13:29,870 --> 02:13:27,780

and so essentially

2850

02:13:33,890 --> 02:13:29,880

tonight we covered how he's using

2851  
02:13:36,050 --> 02:13:33,900  
Stanford University personnel and labs

2852  
02:13:39,229 --> 02:13:36,060  
and equipment to help UFO grifters sell

2853  
02:13:41,629 --> 02:13:39,239  
fake stories about aliens and UFOs and

2854  
02:13:43,129 --> 02:13:41,639  
we showed the code of ethics for

2855  
02:13:45,830 --> 02:13:43,139  
Stanford that says you can't use

2856  
02:13:48,589 --> 02:13:45,840  
University equipment

2857  
02:13:51,550 --> 02:13:48,599  
or university Personnel is a good story

2858  
02:13:56,750 --> 02:13:54,649  
he did a stream with Brian Keating yeah

2859  
02:13:58,370 --> 02:13:56,760  
and he's going to do a UFO circle jerk

2860  
02:14:01,089 --> 02:13:58,380  
apparently with Chrissy Newton from the

2861  
02:14:03,290 --> 02:14:01,099  
debrief right

2862  
02:14:04,669 --> 02:14:03,300  
spooky says get good Steve and Play

2863  
02:14:07,250 --> 02:14:04,679

Freebird by the way we want to thank

2864

02:14:09,890 --> 02:14:07,260

spooky for the excellent artwork every

2865

02:14:11,930 --> 02:14:09,900

once in a while spooky always does good

2866

02:14:16,069 --> 02:14:11,940

artwork but every once in a while I get

2867

02:14:17,450 --> 02:14:16,079

one and I go this is amazing and uh you

2868

02:14:19,550 --> 02:14:17,460

know what I'm gonna share it because

2869

02:14:21,109 --> 02:14:19,560

it's so funny because the one thing that

2870

02:14:23,030 --> 02:14:21,119

she put on there that I forgot to

2871

02:14:25,250 --> 02:14:23,040

address I totally forgot to address

2872

02:14:29,870 --> 02:14:25,260

something that's spooky directly

2873

02:14:31,850 --> 02:14:29,880

addressed on my uh

2874

02:14:37,189 --> 02:14:31,860

uh

2875

02:14:37,199 --> 02:14:41,089

oh did I

2876

02:14:41,099 --> 02:14:49,550

the title was bad is the title bad

2877

02:14:49,560 --> 02:14:55,790

one second let me check something

2878

02:15:01,189 --> 02:14:58,430

oh it's two r's all right thank you for

2879

02:15:03,050 --> 02:15:01,199

letting me know yeah I screwed that up

2880

02:15:05,810 --> 02:15:03,060

names are important

2881

02:15:07,430 --> 02:15:05,820

so we thank you spooky for letting me

2882

02:15:09,830 --> 02:15:07,440

know I'm sorry I'm just now getting your

2883

02:15:11,990 --> 02:15:09,840

message I grew up with the Gary and it's

2884

02:15:13,970 --> 02:15:12,000

one R the Gary that I grew up with I

2885

02:15:16,729 --> 02:15:13,980

gotta stop making assumptions like that

2886

02:15:19,490 --> 02:15:16,739

I didn't even think to look to make sure

2887

02:15:24,950 --> 02:15:19,500

that I was spelling it right

2888

02:15:31,609 --> 02:15:28,310

and it's g-a-r-r-y

2889

02:15:33,050 --> 02:15:31,619

oh so you updated the thumbnail okay all

2890

02:15:35,930 --> 02:15:33,060

right I'll update it after the broadcast

2891

02:15:38,209 --> 02:15:35,940

uh

2892

02:15:41,450 --> 02:15:38,219

all right in one second let me I have to

2893

02:15:55,669 --> 02:15:41,460

get over to the uh live chat to get that

2894

02:16:00,470 --> 02:15:57,770

what is the uh

2895

02:16:02,390 --> 02:16:00,480

Jeremy what is where is do you play the

2896

02:16:03,890 --> 02:16:02,400

song

2897

02:16:04,729 --> 02:16:03,900

because it just started right in the

2898

02:16:08,209 --> 02:16:04,739

beginning

2899

02:16:13,310 --> 02:16:11,149

so it's a little difficult to uh

2900

02:16:15,410 --> 02:16:13,320

oh wait a minute I got it I see you

2901  
02:16:17,270 --> 02:16:15,420  
picking up a Guitar all right we'll get

2902  
02:16:18,950 --> 02:16:17,280  
it

2903  
02:16:21,470 --> 02:16:18,960  
all right we're gonna have Jeremy rise

2904  
02:16:27,350 --> 02:16:21,480  
be a surprise

2905  
02:16:32,469 --> 02:16:29,510  
okay one second we're gonna share this

2906  
02:16:36,129 --> 02:16:32,479  
this is probably good

2907  
02:16:38,450 --> 02:16:36,139  
uh yeah who I've never heard Gary spell

2908  
02:16:41,270 --> 02:16:38,460  
g-a-r-r-y in my life it's always been

2909  
02:16:44,349 --> 02:16:41,280  
g-a-r-y so we spelled it wrong we

2910  
02:16:47,450 --> 02:16:44,359  
apologize to Mr Nolan and I am

2911  
02:16:51,589 --> 02:16:47,460  
correcting the I've corrected the the

2912  
02:16:52,250 --> 02:16:51,599  
text and I will correct the thumbnail

2913  
02:16:54,950 --> 02:16:52,260

um

2914

02:16:57,290 --> 02:16:54,960

yeah let me one one thing at a time here

2915

02:16:59,450 --> 02:16:57,300

hit like if you are blocked by Gary

2916

02:17:04,250 --> 02:16:59,460

Nolan

2917

02:17:10,549 --> 02:17:07,429

all right we have the corrected one now

2918

02:17:12,589 --> 02:17:10,559

we have the corrected one so one thing

2919

02:17:14,690 --> 02:17:12,599

that I forgot to mention is that Gary

2920

02:17:16,549 --> 02:17:14,700

Nolan blocks everybody on Twitter that

2921

02:17:18,410 --> 02:17:16,559

asks him real questions he doesn't like

2922

02:17:21,230 --> 02:17:18,420

real questions I mentioned the artwork

2923

02:17:23,690 --> 02:17:21,240

of spooky being so good today maybe it's

2924

02:17:27,589 --> 02:17:23,700

just me but I thought what a fantastic

2925

02:17:31,070 --> 02:17:27,599

job uh Dr Gary Nolan refuses to answer

2926

02:17:35,990 --> 02:17:31,080

ethics questions and here he is laser

2927

02:17:38,330 --> 02:17:36,000

eye blasting my email away and spooky

2928

02:17:40,310 --> 02:17:38,340

wrote hit like if he blocked you on

2929

02:17:44,089 --> 02:17:40,320

Twitter because this guy is like

2930

02:17:46,429 --> 02:17:44,099

notorious he is notorious for blocking

2931

02:17:48,950 --> 02:17:46,439

everyone on Twitter oh my I'm sorry my

2932

02:17:51,889 --> 02:17:48,960

background is all wonky this guy is

2933

02:17:54,950 --> 02:17:51,899

notorious for blocking everyone he

2934

02:17:57,469 --> 02:17:54,960

blocks everyone on Twitter like come on

2935

02:17:59,150 --> 02:17:57,479

man you can't withstand questions but

2936

02:18:02,450 --> 02:17:59,160

you're gonna bring us proof of alien

2937

02:18:04,730 --> 02:18:02,460

visitation on Earth I call BS on that on

2938

02:18:06,830 --> 02:18:04,740

this guy now I think he's an

2939

02:18:08,330 --> 02:18:06,840

intellectual weakling like don't make

2940

02:18:10,610 --> 02:18:08,340

ridiculous statements if you don't want

2941

02:18:12,650 --> 02:18:10,620

people to ask questions you know don't

2942

02:18:14,450 --> 02:18:12,660

be involved with UFO grifters like

2943

02:18:16,370 --> 02:18:14,460

Stephen Greer and Ross coltford if you

2944

02:18:19,009 --> 02:18:16,380

don't want people to ask questions don't

2945

02:18:21,589 --> 02:18:19,019

help those guys make money literally

2946

02:18:24,469 --> 02:18:21,599

lying to the public you know

2947

02:18:26,570 --> 02:18:24,479

all right and we have a surprise musical

2948

02:18:30,410 --> 02:18:26,580

guest let me see if we can find this

2949

02:18:36,049 --> 02:18:32,629

I gotta

2950

02:18:39,290 --> 02:18:36,059

and I apologize for the

2951  
02:18:42,049 --> 02:18:39,300  
bad spelling names are important and I I

2952  
02:18:44,570 --> 02:18:42,059  
loot I I

2953  
02:18:47,690 --> 02:18:44,580  
learned this lesson so many times but I

2954  
02:18:50,810 --> 02:18:47,700  
should know check the name before we you

2955  
02:18:52,790 --> 02:18:50,820  
know go but in my defense has anybody

2956  
02:18:54,889 --> 02:18:52,800  
else ever heard of Gary spelled with two

2957  
02:18:56,990 --> 02:18:54,899  
r's because I never have never in my

2958  
02:18:58,790 --> 02:18:57,000  
life it's always been g-a-r-y every Gary

2959  
02:18:59,870 --> 02:18:58,800  
I've ever known and I've known a bunch

2960  
02:19:02,570 --> 02:18:59,880  
of Gary's

2961  
02:19:06,290 --> 02:19:02,580  
all right and we have a surprise musical

2962  
02:19:09,310 --> 02:19:06,300  
guest it's uh Jeremy rise singing his

2963  
02:19:13,560 --> 02:19:09,320

Bob Lazar song well there you have it

2964

02:19:13,570 --> 02:19:19,450

[Music]

2965

02:19:25,379 --> 02:19:23,209

lithium hydrogen storage tanks from a

2966

02:19:28,690 --> 02:19:25,389

cyclotron in his yard

2967

02:19:37,250 --> 02:19:34,009

became a UFO rock star with the nosy in

2968

02:19:39,209 --> 02:19:37,260

his glove box when he parked outside

2969

02:19:41,469 --> 02:19:39,219

that bar

2970

02:19:47,290 --> 02:19:41,479

[Music]

2971

02:19:50,270 --> 02:19:47,300

he's got chemicals all night at United

2972

02:19:51,290 --> 02:19:50,280

nuclear.com you can order it right

2973

02:19:55,750 --> 02:19:51,300

outside

2974

02:19:58,030 --> 02:19:55,760

oh I need some thallium do you wanna

2975

02:20:02,810 --> 02:19:58,040

kill someone

2976

02:20:05,929 --> 02:20:02,820

oh Bob will connect you and then the FBI

2977

02:20:09,490 --> 02:20:05,939

detects you you can we're gonna tell

2978

02:20:17,050 --> 02:20:13,969

yeah that foolish man will believe most

2979

02:20:22,990 --> 02:20:19,969

and even though he's got disclosure with

2980

02:20:27,070 --> 02:20:23,000

that 115

2981

02:20:31,070 --> 02:20:27,080

sits on it and he doesn't do a thing

2982

02:20:38,389 --> 02:20:32,330

hey

2983

02:20:44,150 --> 02:20:41,330

Jeremy's Jeremy's Jeremy's like yelling

2984

02:20:46,730 --> 02:20:44,160

why would you just sit on 115 if you had

2985

02:20:50,570 --> 02:20:46,740

proof why wouldn't you do something with

2986

02:20:53,150 --> 02:20:50,580

it right what happened to it

2987

02:20:55,510 --> 02:20:53,160

that's funny Jeremy I like that if you

2988

02:20:58,309 --> 02:20:55,520

want to kill someone

2989

02:21:02,389 --> 02:20:58,319

just order it from Bob Lazar just to

2990

02:21:05,450 --> 02:21:02,399

order the thallium and Jeremy uh I

2991

02:21:08,090 --> 02:21:05,460

always forget if it's thallium or

2992

02:21:10,670 --> 02:21:08,100

thorium but now because of your song I

2993

02:21:14,210 --> 02:21:10,680

will remember it forever I am an ear

2994

02:21:16,490 --> 02:21:14,220

learner I really if I hear something I

2995

02:21:19,070 --> 02:21:16,500

remember it I've always struggled with

2996

02:21:21,469 --> 02:21:19,080

whether it was thorium or thallium it's

2997

02:21:25,130 --> 02:21:21,479

thallium right

2998

02:21:26,570 --> 02:21:25,140

and that's great great song right you

2999

02:21:28,550 --> 02:21:26,580

ought to do like a three or four minute

3000

02:21:30,830 --> 02:21:28,560

version of it and I will play it I

3001  
02:21:32,389 --> 02:21:30,840  
promise you if you do it again do it a

3002  
02:21:35,809 --> 02:21:32,399  
little do a little longer write a second

3003  
02:21:37,750 --> 02:21:35,819  
verse that's funny

3004  
02:21:40,010 --> 02:21:37,760  
foreign

3005  
02:21:42,950 --> 02:21:40,020  
separate the vocal track and do a

3006  
02:21:48,230 --> 02:21:46,370  
yeah yep definitely thallium yeah I

3007  
02:21:50,510 --> 02:21:48,240  
always get those two confused and every

3008  
02:21:52,969 --> 02:21:50,520  
time I say it I'm I'm pissed off at

3009  
02:21:55,550 --> 02:21:52,979  
myself for not remembering which way

3010  
02:21:57,530 --> 02:21:55,560  
it's supposed to be Jeremy you know like

3011  
02:22:00,050 --> 02:21:57,540  
every time I have to say that or tell

3012  
02:22:02,330 --> 02:22:00,060  
somebody about that I go or talk about

3013  
02:22:04,550 --> 02:22:02,340

it on the show I go is it thorium or

3014

02:22:06,290 --> 02:22:04,560

thickom it's either thorium or no I'll

3015

02:22:07,910 --> 02:22:06,300

remember it's stallion thank you for

3016

02:22:09,770 --> 02:22:07,920

correcting me I will probably never

3017

02:22:11,570 --> 02:22:09,780

forget again and I've been forgetting

3018

02:22:13,309 --> 02:22:11,580

whether it's thorium or thallium for two

3019

02:22:15,770 --> 02:22:13,319

years now every time I bring it up and

3020

02:22:18,650 --> 02:22:15,780

have to talk about it I forget

3021

02:22:20,450 --> 02:22:18,660

yeah you're right thorium is the

3022

02:22:22,250 --> 02:22:20,460

radioactive fuel they use in thorium

3023

02:22:24,050 --> 02:22:22,260

reactors well not all of us have brains

3024

02:22:27,170 --> 02:22:24,060

as big as you and can keep all of this

3025

02:22:28,910 --> 02:22:27,180

physics stuff straight right and uh

3026

02:22:31,070 --> 02:22:28,920

Jeremy I don't know if you're aware but

3027

02:22:33,050 --> 02:22:31,080

I did sort of make fun of Gary Nolan

3028

02:22:35,750 --> 02:22:33,060

because I said why is he running around

3029

02:22:38,210 --> 02:22:35,760

on the internet and using uh University

3030

02:22:41,150 --> 02:22:38,220

resources to run around on the internet

3031

02:22:44,030 --> 02:22:41,160

and play alien scientists we already got

3032

02:22:46,730 --> 02:22:44,040

one a really good one his name is Jeremy

3033

02:22:48,910 --> 02:22:46,740

Bryce so Gary Nolan's gonna hear all

3034

02:22:52,190 --> 02:22:48,920

about you Jeremy

3035

02:22:54,050 --> 02:22:52,200

we already have an alien scientist and

3036

02:22:56,929 --> 02:22:54,060

that's the alien scientist Jeremy rice

3037

02:22:59,030 --> 02:22:56,939

you know why is Gary Nolan running

3038

02:23:05,510 --> 02:22:59,040

around trying to be the alien scientists

3039

02:23:10,610 --> 02:23:08,630

Chuck bam says uh 115 was just the next

3040

02:23:13,849 --> 02:23:10,620

one on the table yeah I think it was

3041

02:23:17,450 --> 02:23:13,859

maybe there was 113 at the time but not

3042

02:23:19,309 --> 02:23:17,460

114 or 15. and it was as Jeremy rise

3043

02:23:21,770 --> 02:23:19,319

who's a real physicist not like Bob

3044

02:23:23,929 --> 02:23:21,780

Lazar who's a fake convicted pimp fake

3045

02:23:25,790 --> 02:23:23,939

scientist Jeremy rise is a real

3046

02:23:28,309 --> 02:23:25,800

scientist with a real Physics degree has

3047

02:23:31,370 --> 02:23:28,319

pointed out that people have predicted

3048

02:23:35,690 --> 02:23:31,380

uh the appearance or discovery of

3049

02:23:36,469 --> 02:23:35,700

element 115 since the early 1970s at

3050

02:23:38,990 --> 02:23:36,479

least

3051

02:23:41,450 --> 02:23:39,000

I have a chemistry book from the 1970s

3052

02:23:44,150 --> 02:23:41,460

that predicts it and even lists it on

3053

02:23:46,070 --> 02:23:44,160

the periodic table so these people who

3054

02:23:48,410 --> 02:23:46,080

give Bob Lazar credit for somehow

3055

02:23:50,510 --> 02:23:48,420

discovering Element 115 or knowing about

3056

02:23:53,030 --> 02:23:50,520

it before it even existed they're

3057

02:23:55,070 --> 02:23:53,040

totally wrong he just read about it in a

3058

02:23:59,389 --> 02:23:55,080

science magazine or in a chemistry book

3059

02:24:04,190 --> 02:24:01,309

Bobby Broadway says I saw a short film

3060

02:24:07,309 --> 02:24:04,200

on the small thorium stations I think

3061

02:24:08,750 --> 02:24:07,319

yeah I think that I have as well that's

3062

02:24:10,790 --> 02:24:08,760

why I get those two confused because

3063

02:24:13,429 --> 02:24:10,800

they're similar they're both sort of

3064

02:24:15,770 --> 02:24:13,439

radioactive and they're sciency physicsy

3065

02:24:18,230 --> 02:24:15,780

stuff and I get those things mixed up

3066

02:24:22,010 --> 02:24:18,240

and Confused be Baker encouraging alien

3067

02:24:24,950 --> 02:24:22,020

scientists to do more songs James V says

3068

02:24:28,070 --> 02:24:24,960

awesome Ghost Rider says awesome

3069

02:24:32,750 --> 02:24:28,080

uh uh yeah

3070

02:24:34,670 --> 02:24:32,760

an alien scientist yeah Mr Ian says he

3071

02:24:37,070 --> 02:24:34,680

may record and auto-tune it don't do

3072

02:24:38,690 --> 02:24:37,080

that it's fine now it is auto-tune makes

3073

02:24:41,210 --> 02:24:38,700

everybody sound like a robot I don't

3074

02:24:45,170 --> 02:24:41,220

like auto-tune right

3075

02:24:46,370 --> 02:24:45,180

I don't like auto-tune one bit right

3076

02:24:49,429 --> 02:24:46,380

nope

3077

02:24:51,889 --> 02:24:49,439

sounds like a robot right

3078

02:24:53,510 --> 02:24:51,899

Chuck bam says I predict 116 next they

3079

02:24:55,969 --> 02:24:53,520

might already have done that you might

3080

02:24:58,010 --> 02:24:55,979

have to go up to 117. I haven't checked

3081

02:25:00,650 --> 02:24:58,020

in on that on the periodic table

3082

02:25:03,290 --> 02:25:00,660

discoveries lately right

3083

02:25:05,870 --> 02:25:03,300

uh and B Baker says way less toxic

3084

02:25:09,110 --> 02:25:05,880

residue right

3085

02:25:11,630 --> 02:25:09,120

and Sylvia here in Norway new friend uh

3086

02:25:14,990 --> 02:25:11,640

visiting us from Norway says nice and

3087

02:25:17,870 --> 02:25:15,000

funny song yeah chemistry actually Check

3088

02:25:19,429 --> 02:25:17,880

Out Boy soy Channel there are some good

3089

02:25:23,389 --> 02:25:19,439

chemistry channels here on YouTube which

3090

02:25:26,330 --> 02:25:24,770

I'm gonna sit and watch a chemistry

3091

02:25:29,750 --> 02:25:26,340

Channel but you know what I did do

3092

02:25:32,570 --> 02:25:29,760

recently Jeremy and I thought of you I

3093

02:25:35,270 --> 02:25:32,580

built a hydrogen uh generator

3094

02:25:37,370 --> 02:25:35,280

just the two bottles thing one you know

3095

02:25:40,250 --> 02:25:37,380

the glass bottles and I can't remember

3096

02:25:43,670 --> 02:25:40,260

what the chemical is but you put water

3097

02:25:46,370 --> 02:25:43,680

in the in the one bottle and uh aluminum

3098

02:25:47,210 --> 02:25:46,380

foil and then the reaction agent is

3099

02:25:50,150 --> 02:25:47,220

either

3100

02:25:52,429 --> 02:25:50,160

a form of acid or I don't know I got dry

3101  
02:25:54,349 --> 02:25:52,439  
chemical that you could put in there and

3102  
02:25:56,870 --> 02:25:54,359  
and then it has the tubes and then it

3103  
02:25:59,690 --> 02:25:56,880  
will make hydrogen come out it puts it

3104  
02:26:01,490 --> 02:25:59,700  
through a bubbler and I I'm sitting

3105  
02:26:02,270 --> 02:26:01,500  
there in my workshop making this and I

3106  
02:26:05,170 --> 02:26:02,280  
thought

3107  
02:26:08,030 --> 02:26:05,180  
Jeremy rise would like this

3108  
02:26:10,370 --> 02:26:08,040  
and it makes hydrogen not a huge amount

3109  
02:26:13,969 --> 02:26:10,380  
but it'll make hydrogen if you just want

3110  
02:26:16,670 --> 02:26:13,979  
a few balloons to put up uh it does a

3111  
02:26:19,550 --> 02:26:16,680  
pretty good job I my neighbor wants to

3112  
02:26:20,929 --> 02:26:19,560  
make the real hydrogen generator you

3113  
02:26:22,730 --> 02:26:20,939

know with the metal plates and the

3114

02:26:24,830 --> 02:26:22,740

electricity I thought just keep it

3115

02:26:28,610 --> 02:26:24,840

simple with the chemicals and and the

3116

02:26:29,870 --> 02:26:28,620

bottles and uh one thing at a time you

3117

02:26:31,610 --> 02:26:29,880

know like if I can make that one

3118

02:26:34,550 --> 02:26:31,620

successfully maybe I'll make the more

3119

02:26:36,590 --> 02:26:34,560

advanced like realer version but I

3120

02:26:39,530 --> 02:26:36,600

haven't gotten to it yet right

3121

02:26:41,330 --> 02:26:39,540

Amy Collins so seriously I can hear what

3122

02:26:43,929 --> 02:26:41,340

autotuning you use within about two

3123

02:26:46,969 --> 02:26:43,939

seconds of its use in a song Blink yeah

3124

02:26:48,530 --> 02:26:46,979

uh I've never used it I've recorded

3125

02:26:52,010 --> 02:26:48,540

hundreds and hundreds and hundreds of

3126  
02:26:54,230 --> 02:26:52,020  
songs I have never used auto-tune ever I

3127  
02:26:57,410 --> 02:26:54,240  
refuse to do it I just think it makes

3128  
02:27:00,469 --> 02:26:57,420  
the voice sound artificial and nobody

3129  
02:27:03,309 --> 02:27:00,479  
sings 100 perfectly in key

3130  
02:27:06,849 --> 02:27:03,319  
well I don't want to say that maybe some

3131  
02:27:09,730 --> 02:27:06,859  
experts with perfect pitch

3132  
02:27:12,230 --> 02:27:09,740  
vocalists can do that right

3133  
02:27:13,849 --> 02:27:12,240  
alien scientist says I will record it in

3134  
02:27:16,070 --> 02:27:13,859  
a studio and add some verses I think

3135  
02:27:18,530 --> 02:27:16,080  
it's a good song and you could get a lot

3136  
02:27:21,170 --> 02:27:18,540  
of views on YouTube just record the song

3137  
02:27:23,150 --> 02:27:21,180  
and then make a video for it and put it

3138  
02:27:25,250 --> 02:27:23,160

up but a lot of people are interested in

3139

02:27:27,710 --> 02:27:25,260

Bob Lazar and that's a funny song and

3140

02:27:32,469 --> 02:27:27,720

people love funny songs you will

3141

02:27:35,210 --> 02:27:32,479

probably do uh pretty well right

3142

02:27:37,429 --> 02:27:35,220

Bobby Broadway says the Bob hooker Ranch

3143

02:27:38,650 --> 02:27:37,439

court cases what swayed me away from his

3144

02:27:42,469 --> 02:27:38,660

trance

3145

02:27:45,050 --> 02:27:42,479

yeah uh I grew up in on the Mean Streets

3146

02:27:47,030 --> 02:27:45,060

of Philadelphia but happy and I learned

3147

02:27:48,770 --> 02:27:47,040

there that you'd never trust a pimp to

3148

02:27:51,530 --> 02:27:48,780

tell you the truth about anything right

3149

02:27:52,849 --> 02:27:51,540

and babazar is indeed a convicted pimp

3150

02:27:55,969 --> 02:27:52,859

whether you like it or not he's a

3151  
02:28:01,790 --> 02:27:58,670  
yeah I saw that Bobby Jacques Valley is

3152  
02:28:03,349 --> 02:28:01,800  
saying Bob was part of MK Ultra uh I

3153  
02:28:05,809 --> 02:28:03,359  
don't I don't buy that I think Bob

3154  
02:28:08,389 --> 02:28:05,819  
lazar's just a UFO grifter that's what I

3155  
02:28:10,309 --> 02:28:08,399  
think muriatic acid in a two liter

3156  
02:28:11,990 --> 02:28:10,319  
bottle with hard plastic bottom just to

3157  
02:28:14,809 --> 02:28:12,000  
add aluminum foil and get away quick

3158  
02:28:16,550 --> 02:28:14,819  
yeah I'm not using muriatic acid I'm

3159  
02:28:18,110 --> 02:28:16,560  
using some

3160  
02:28:20,270 --> 02:28:18,120  
I can't remember the name of the

3161  
02:28:23,570 --> 02:28:20,280  
chemical but it's a dry chemical and I

3162  
02:28:25,309 --> 02:28:23,580  
put like three or four tablespoons in

3163  
02:28:28,250 --> 02:28:25,319

there and and I don't have to get away

3164

02:28:30,290 --> 02:28:28,260

with it away from it I mean I have to do

3165

02:28:34,849 --> 02:28:30,300

it in a well ventilated area Jimbo but

3166

02:28:39,170 --> 02:28:37,130

Sylvia says I listen to the alien

3167

02:28:41,210 --> 02:28:39,180

stories as fairy tales a lot of people

3168

02:28:43,610 --> 02:28:41,220

do it just becomes a form of

3169

02:28:45,190 --> 02:28:43,620

entertainment right

3170

02:28:47,990 --> 02:28:45,200

uh

3171

02:28:49,550 --> 02:28:48,000

yeah and as far as Bob Lazar alien

3172

02:28:51,230 --> 02:28:49,560

scientist is asking did they brainwash

3173

02:28:54,290 --> 02:28:51,240

him into thinking he had degrees from

3174

02:28:56,090 --> 02:28:54,300

MIT and galtec yeah they must have

3175

02:28:58,250 --> 02:28:56,100

brainwashed him into saying that he had

3176

02:28:59,870 --> 02:28:58,260

degrees that don't exist alien

3177

02:29:02,090 --> 02:28:59,880

scientists that's what I'm thinking

3178

02:29:03,770 --> 02:29:02,100

that's definitely what I'm thinking

3179

02:29:06,290 --> 02:29:03,780

right

3180

02:29:08,950 --> 02:29:06,300

and that's been the excuse they chose

3181

02:29:12,490 --> 02:29:08,960

him because he had a money passed

3182

02:29:15,349 --> 02:29:12,500

uh yeah so that they could instantly

3183

02:29:17,690 --> 02:29:15,359

discredit him if he told everybody the

3184

02:29:20,510 --> 02:29:17,700

truth about those alien spaceships right

3185

02:29:24,410 --> 02:29:20,520

he's not a real whistleblower a real

3186

02:29:26,929 --> 02:29:24,420

whistleblower has uh you're right it may

3187

02:29:27,950 --> 02:29:26,939

be lie I think it's lie that's what I'm

3188

02:29:30,290 --> 02:29:27,960

using

3189

02:29:32,150 --> 02:29:30,300

if I I'll look at what the chemical is I

3190

02:29:33,590 --> 02:29:32,160

had to order it on eBay I'll look at

3191

02:29:36,469 --> 02:29:33,600

what the chemical is goes right here and

3192

02:29:38,330 --> 02:29:36,479

let you know Kelly Gregory is here and

3193

02:29:39,950 --> 02:29:38,340

says good job Steve great show well

3194

02:29:42,110 --> 02:29:39,960

thank you for your kindness generosity

3195

02:29:44,630 --> 02:29:42,120

and support and thank you for being here

3196

02:29:46,790 --> 02:29:44,640

Kelly you are most welcome I'm glad to

3197

02:29:48,950 --> 02:29:46,800

see you I love that profile picture

3198

02:29:50,929 --> 02:29:48,960

you're real happy in it I was just

3199

02:29:54,170 --> 02:29:50,939

talking to somebody else what somebody

3200

02:29:56,090 --> 02:29:54,180

else here about looking happy in their

3201

02:29:58,730 --> 02:29:56,100

profile picture I need a better profile

3202

02:30:00,590 --> 02:29:58,740

picture because I just look uh strange

3203

02:30:02,929 --> 02:30:00,600

right

3204

02:30:04,849 --> 02:30:02,939

they brainwashed him to throw elbows and

3205

02:30:06,770 --> 02:30:04,859

basketball with his Napoleon Dynamite

3206

02:30:09,469 --> 02:30:06,780

tetherball skills

3207

02:30:12,250 --> 02:30:09,479

the Bible is our story is ridiculous and

3208

02:30:15,349 --> 02:30:12,260

I think Jeremy Corbell is becoming

3209

02:30:17,389 --> 02:30:15,359

Jeremy alien scientist might agree with

3210

02:30:19,790 --> 02:30:17,399

me I think Jeremy Corbell is becoming

3211

02:30:22,670 --> 02:30:19,800

more and more and more ridiculous as

3212

02:30:24,410 --> 02:30:22,680

time goes on and I cannot believe that

3213

02:30:26,510 --> 02:30:24,420

people put him on television as some

3214

02:30:28,849 --> 02:30:26,520

kind of expert or authoritative figure

3215

02:30:31,429 --> 02:30:28,859

on UFOs when he gets literally

3216

02:30:36,650 --> 02:30:31,439

everything wrong he got Bob Lazar wrong

3217

02:30:40,250 --> 02:30:36,660

he got patient 17 wrong he got uh

3218

02:30:42,469 --> 02:30:40,260

Skinwalker Ranch wrong right he gets uh

3219

02:30:44,750 --> 02:30:42,479

these pyramid UFOs and the bokeh effect

3220

02:30:46,849 --> 02:30:44,760

wrong and he's still arguing no those

3221

02:30:50,150 --> 02:30:46,859

that's not Boca that's not camera

3222

02:30:53,030 --> 02:30:50,160

artifacts or aperture settings that's

3223

02:30:55,250 --> 02:30:53,040

really pyramid spaceships Jeremy rice

3224

02:30:56,570 --> 02:30:55,260

that's really pyramid-shaped spaceships

3225

02:30:59,750 --> 02:30:56,580

the government is lying to everybody

3226

02:31:03,770 --> 02:31:01,969

Chuck says I think Bob Lazar as a

3227

02:31:04,730 --> 02:31:03,780

government spook what whistleblower gets

3228

02:31:07,070 --> 02:31:04,740

government contracts after

3229

02:31:10,070 --> 02:31:07,080

whistleblowing it was an operation

3230

02:31:13,070 --> 02:31:10,080

could be you know I I'm open to all

3231

02:31:15,950 --> 02:31:13,080

possibilities except for his story being

3232

02:31:17,809 --> 02:31:15,960

100 true there's just too many the guy's

3233

02:31:19,610 --> 02:31:17,819

been caught lying so many times you just

3234

02:31:21,830 --> 02:31:19,620

can't you know it's like how many times

3235

02:31:23,090 --> 02:31:21,840

do you let somebody in your life lie to

3236

02:31:25,309 --> 02:31:23,100

you before you say I'm not going to

3237

02:31:27,830 --> 02:31:25,319

believe anything you say anymore two

3238

02:31:31,550 --> 02:31:27,840

three five lies you know this guy's up

3239

02:31:34,070 --> 02:31:31,560

to like I could probably write a blog

3240

02:31:36,410 --> 02:31:34,080

post with 20 things Bob Lazar lied about

3241

02:31:38,809 --> 02:31:36,420

at some point you say I'm not going to

3242

02:31:41,090 --> 02:31:38,819

believe anything this guy says right

3243

02:31:45,469 --> 02:31:41,100

I'm just not going to believe it

3244

02:31:47,929 --> 02:31:45,479

yeah so uh we want to thank our chat

3245

02:31:49,490 --> 02:31:47,939

room moderators we want to thank spooky

3246

02:31:51,530 --> 02:31:49,500

for the excellent artwork we want to

3247

02:31:53,630 --> 02:31:51,540

thank fellow show host alien scientist

3248

02:31:56,210 --> 02:31:53,640

just search on YouTube for alien

3249

02:31:59,330 --> 02:31:56,220

scientists go over and check out uh his

3250

02:32:02,210 --> 02:31:59,340

channel he does good work that I think

3251

02:32:05,090 --> 02:32:02,220

you will enjoy uh we would thank him for

3252

02:32:07,670 --> 02:32:05,100

stopping by and being in our live chat

3253

02:32:09,830 --> 02:32:07,680

uh we want to thank all you kind and

3254

02:32:12,830 --> 02:32:09,840

generous benefactors you patreon

3255

02:32:15,889 --> 02:32:12,840

supporters you channel members use super

3256

02:32:20,090 --> 02:32:15,899

Chatters super sticker and super thanks

3257

02:32:22,070 --> 02:32:20,100

people and you PayPal pledgers and cash

3258

02:32:24,770 --> 02:32:22,080

app senders we want to thank all of you

3259

02:32:25,389 --> 02:32:24,780

for your kind and generous

3260

02:32:28,910 --> 02:32:25,399

um

3261

02:32:32,929 --> 02:32:28,920

donations and pledges that help us to

3262

02:32:35,270 --> 02:32:32,939

continue doing this great work so uh

3263

02:32:38,210 --> 02:32:35,280

what can I say friends that's all we got

3264

02:32:40,490 --> 02:32:38,220

for you tonight I will say that I will

3265

02:32:41,570 --> 02:32:40,500

be following up I've decided I'm going

3266

02:32:44,809 --> 02:32:41,580

to do it

3267

02:32:47,090 --> 02:32:44,819

I will be following up with uh a second

3268

02:32:51,410 --> 02:32:47,100

part to this story after I get some

3269

02:32:55,190 --> 02:32:51,420

comment or uh feedback from asking

3270

02:32:58,790 --> 02:32:55,200

questions to actual Stanford University

3271

02:33:00,950 --> 02:32:58,800

uh and when we do that I will be doing a

3272

02:33:01,969 --> 02:33:00,960

second story about this and updating all

3273

02:33:04,910 --> 02:33:01,979

of you

3274

02:33:07,070 --> 02:33:04,920

uh I want to thank Gary P Nolan for uh

3275

02:33:08,750 --> 02:33:07,080

refusing to answer my questions like a

3276

02:33:11,950 --> 02:33:08,760

true intellectual weakling some

3277

02:33:15,110 --> 02:33:11,960

University of Professor some big brain

3278

02:33:17,330 --> 02:33:15,120

is so intimidated by very simple

3279

02:33:19,490 --> 02:33:17,340

questions like how much were you paid to

3280

02:33:23,210 --> 02:33:19,500

participate in this project did you use

3281

02:33:25,910 --> 02:33:23,220

University equipment Labs uh and

3282

02:33:27,530 --> 02:33:25,920

resources in the participation of this

3283

02:33:30,889 --> 02:33:27,540

equipment how much were you compensated

3284

02:33:34,370 --> 02:33:30,899

he can't answer those questions right he

3285

02:33:37,190 --> 02:33:34,380

is an arrogant man who thinks that he is

3286

02:33:40,370 --> 02:33:37,200

above others and is somehow better than

3287

02:33:42,830 --> 02:33:40,380

other people you know moral and ethical

3288

02:33:46,190 --> 02:33:42,840

constraints constrain us all

3289

02:33:49,250 --> 02:33:46,200

all of us have rules that we have to

3290

02:33:51,889 --> 02:33:49,260

abide by so my questions for Stanford

3291

02:33:55,190 --> 02:33:51,899

University are going to be is he exempt

3292

02:33:56,150 --> 02:33:55,200

from your ethics code can he just help

3293

02:33:59,389 --> 02:33:56,160

people

3294

02:34:03,889 --> 02:33:59,399

literally lie to the public with the use

3295

02:34:04,550 --> 02:34:03,899

of Stanford University labs and uh you

3296

02:34:08,630 --> 02:34:04,560

know

3297

02:34:11,270 --> 02:34:08,640

facilities and Equipment resources and

3298

02:34:12,889 --> 02:34:11,280

Personnel or does he have to follow the

3299

02:34:15,469 --> 02:34:12,899

rules like everybody else at your

3300

02:34:17,170 --> 02:34:15,479

University and what about this other guy

3301

02:34:20,210 --> 02:34:17,180

who spends all day

3302

02:34:23,870 --> 02:34:20,220

uh creating content on Twitter and

3303

02:34:26,809 --> 02:34:23,880

arguing and belittling and attacking and

3304

02:34:29,270 --> 02:34:26,819

some would say slandering UFO skeptic

3305

02:34:31,190 --> 02:34:29,280

Mick West does the University know that

3306

02:34:33,349 --> 02:34:31,200

he's spending so much time of his day

3307

02:34:34,849 --> 02:34:33,359

doing that every day do they condone

3308

02:34:38,270 --> 02:34:34,859

that we're going to have a lot of

3309

02:34:39,969 --> 02:34:38,280

questions for Stanford University but my

3310

02:34:42,830 --> 02:34:39,979

friends that's a story for another time

3311

02:34:45,170 --> 02:34:42,840

uh we will be back tomorrow night 9 p.m

3312

02:34:46,790 --> 02:34:45,180

Eastern Standard Time with an open Panel

3313

02:34:50,929 --> 02:34:46,800

show but I'm going to ask a few things

3314

02:34:52,550 --> 02:34:50,939

one nobody gets naked the fact that I

3315

02:34:54,290 --> 02:34:52,560

have to say that is we'll tell you

3316

02:34:56,570 --> 02:34:54,300

everything you need to know about how

3317

02:34:58,550 --> 02:34:56,580

Wild these panel shows get and number

3318

02:35:01,610 --> 02:34:58,560

two I'm going to ask that everybody

3319

02:35:03,889 --> 02:35:01,620

please try to not curse we're trying to

3320

02:35:05,990 --> 02:35:03,899

do something new here so that the

3321

02:35:08,150 --> 02:35:06,000

algorithm stops hating us for all the

3322

02:35:10,309 --> 02:35:08,160

cursing so

3323

02:35:11,870 --> 02:35:10,319

please no cursing I'm going to have a

3324

02:35:13,730 --> 02:35:11,880

rule that if you curse I'm going to kick

3325

02:35:15,710 --> 02:35:13,740

you and we'll hope that everybody I'll

3326

02:35:17,150 --> 02:35:15,720

put up a banner please no cursing at the

3327

02:35:19,670 --> 02:35:17,160

bottom of the screen to remind everybody

3328

02:35:20,750 --> 02:35:19,680

or something I don't know we got to try

3329

02:35:22,309 --> 02:35:20,760

to get through a panel show without

3330

02:35:25,010 --> 02:35:22,319

cursing it's going to be Mission

3331

02:35:26,690 --> 02:35:25,020

Impossible tomorrow but you all are

3332

02:35:29,870 --> 02:35:26,700

welcome to join we're going to have open

3333

02:35:32,270 --> 02:35:29,880

discussion open Panel you two can join

3334

02:35:33,530 --> 02:35:32,280

the show or call into the show and be a

3335

02:35:35,990 --> 02:35:33,540

part of the show

3336

02:35:37,849 --> 02:35:36,000

tomorrow night we do this from time to

3337

02:35:40,010 --> 02:35:37,859

time so tomorrow night you can not only

3338

02:35:42,349 --> 02:35:40,020

listen to the show or watch the show you

3339

02:35:44,330 --> 02:35:42,359

can come here and be a part of it you

3340

02:35:46,730 --> 02:35:44,340

are all most welcome as long as you're

3341

02:35:48,130 --> 02:35:46,740

not naked and you try to not curse a lot

3342

02:35:51,290 --> 02:35:48,140

okay

3343

02:35:52,969 --> 02:35:51,300

so Happy Thanksgiving to all and to all

3344

02:35:55,070 --> 02:35:52,979

good night that's all we got for you

3345

02:35:57,170 --> 02:35:55,080

friends until next time my name is

3346

02:36:00,420 --> 02:35:57,180

Stephen Campion good night and God bless

3347

02:36:59,110 --> 02:36:00,430

all of you even you Gary Nolan

3348

02:37:00,830 --> 02:36:59,120

[Music]

3349

02:37:02,020 --> 02:37:00,840
