00:02:03,119 --> 00:02:12,260
foreign

8
00:02:23,570 --> 00:02:20,110
[Music]

9
00:02:27,650 --> 00:02:23,580
you can see them in the sky third phase

10
00:02:32,150 --> 00:02:27,660
of moon you know these two guys

11
00:02:35,330 --> 00:02:32,160
third phase of moon meet two guys who

12
00:02:37,850 --> 00:02:35,340
take no crap from nobody

13
00:02:41,750 --> 00:02:37,860

now are you sure you're telling us the

14

00:02:43,630 --> 00:02:41,760

truth because we'll have to send goof on

15

00:02:46,970 --> 00:02:43,640

we don't mess around

16

00:02:50,210 --> 00:02:46,980

goofan's our backup or no no please

17

00:02:57,250 --> 00:02:50,220

don't send reshir do not send the Goof

18

00:03:06,130 --> 00:03:00,729

I understand I may say some things that

19

00:03:11,790 --> 00:03:09,290

I am not gonna stop talking I am going

20

00:03:14,110 --> 00:03:11,800

to be even more vocal

21

00:03:21,830 --> 00:03:14,120

[Music]

22

00:03:21,840 --> 00:03:25,970

third phase of moon

23

00:03:30,350 --> 00:03:27,649

I'm not bad

24

00:03:33,470 --> 00:03:30,360

and neither is third phase

25

00:03:36,290 --> 00:03:33,480

they did their [h__h] in the past they're

26
00:03:41,460 --> 00:03:36,300
not doing [h__h] videos anymore

27
00:03:41,470 --> 00:03:57,710
[Music]

28
00:03:57,720 --> 00:04:02,060
foreign

29
00:04:56,629 --> 00:04:20,440
[Music]

30
00:05:03,230 --> 00:04:59,510
greetings and salutations friends and

31
00:05:07,129 --> 00:05:03,240
welcome back we are here again why are

32
00:05:09,409 --> 00:05:07,139
we here again talking about the Ross

33
00:05:12,730 --> 00:05:09,419
colt fart big Bluff

34
00:05:17,689 --> 00:05:12,740
you know where Ross colthorne and a

35
00:05:18,890 --> 00:05:17,699
respected State research scientists Gary

36
00:05:21,170 --> 00:05:18,900
Nolan

37
00:05:24,170 --> 00:05:21,180
promised the world that they were gonna

38
00:05:26,390 --> 00:05:24,180

show us quote conclusive proof of alien

39

00:05:28,730 --> 00:05:26,400

technology unquote

40

00:05:30,790 --> 00:05:28,740

by the way it wasn't just those two in

41

00:05:34,010 --> 00:05:30,800

on this thing it was also

42

00:05:36,290 --> 00:05:34,020

well-respected scientist Michio Kaku I

43

00:05:38,330 --> 00:05:36,300

hope he got a great paycheck but I'm not

44

00:05:41,350 --> 00:05:38,340

sure that he was aware

45

00:05:46,969 --> 00:05:41,360

that he had been used

46

00:05:51,770 --> 00:05:46,979

in a scheme to defraud the public out of

47

00:05:57,290 --> 00:05:55,370

by lying in promotional materials by

48

00:05:59,330 --> 00:05:57,300

lying

49

00:06:03,050 --> 00:05:59,340

and claiming that they had something

50

00:06:06,290 --> 00:06:03,060

they clearly did not and why you might

51
00:06:09,950 --> 00:06:06,300
ask what a respected scientist in the

52
00:06:11,230 --> 00:06:09,960
form of Michio Kaku allow himself to

53
00:06:14,390 --> 00:06:11,240
be used

54
00:06:18,950 --> 00:06:14,400
in the promos where they said they had

55
00:06:21,469 --> 00:06:18,960
conclusive proof of alien technology all

56
00:06:26,570 --> 00:06:21,479
confirmed by this man and then they cut

57
00:06:29,270 --> 00:06:26,580
to a shot of Michio Kaku so uh I wanted

58
00:06:31,790 --> 00:06:29,280
to know if Michio Kaku knows that they

59
00:06:33,650 --> 00:06:31,800
used him in that fashion

60
00:06:36,350 --> 00:06:33,660
and uh

61
00:06:37,880 --> 00:06:36,360
I reached out for comment several times

62
00:06:39,110 --> 00:06:37,890
now most recently

63
00:06:42,830 --> 00:06:39,120

[Music]

64

00:06:45,710 --> 00:06:42,840

uh tweeted at him just before broadcast

65

00:06:47,689 --> 00:06:45,720

asking him if he knew that they did that

66

00:06:50,330 --> 00:06:47,699

that they used him and his

67

00:06:53,749 --> 00:06:50,340

respectability and his good reputation

68

00:06:54,710 --> 00:06:53,759

and as a world-renowned scientist to

69

00:06:58,550 --> 00:06:54,720

sell

70

00:07:01,850 --> 00:06:58,560

a garbage fake story a provably 100

71

00:07:04,129 --> 00:07:01,860

percent provably fake story that they

72

00:07:08,290 --> 00:07:04,139

used Michio Kaku now I don't blame

73

00:07:11,870 --> 00:07:08,300

Michio Kaku I think he got a paycheck

74

00:07:14,150 --> 00:07:11,880

and uh after getting the paycheck he

75

00:07:17,090 --> 00:07:14,160

said some things in the piece they were

76
00:07:19,249 --> 00:07:17,100
creating you know theoretical physics we

77
00:07:22,670 --> 00:07:19,259
may be able to uh

78
00:07:26,210 --> 00:07:22,680
break the speed of light barrier

79
00:07:30,770 --> 00:07:26,220
there may be

80
00:07:33,650 --> 00:07:30,780
alien life on other worlds

81
00:07:35,749 --> 00:07:33,660
that's what Michio Kaku does though he

82
00:07:39,290 --> 00:07:35,759
talks about science so I don't blame him

83
00:07:42,950 --> 00:07:39,300
for taking a paycheck who edited that

84
00:07:45,110 --> 00:07:42,960
incredibly deceptively well now Ross

85
00:07:48,230 --> 00:07:45,120
colthard and as we'll hear tonight even

86
00:07:51,909 --> 00:07:48,240
Gary Nolan now Gary Nolan is blaming the

87
00:07:58,010 --> 00:07:55,370
wasn't the advertisers who stood there

88
00:07:59,510 --> 00:07:58,020

and did the voiceover for completely

89

00:08:03,110 --> 00:07:59,520

deceptive

90

00:08:05,990 --> 00:08:03,120

fake story that they were Hocking it was

91

00:08:09,070 --> 00:08:06,000

Ross coltar who did that and we saw last

92

00:08:12,589 --> 00:08:09,080

night that Ross Copart is an incredibly

93

00:08:16,010 --> 00:08:12,599

disgraced journalist is there any wonder

94

00:08:18,770 --> 00:08:16,020

why he has wandered into the Wacky World

95

00:08:22,010 --> 00:08:18,780

of UFOs where he can get away with

96

00:08:25,129 --> 00:08:22,020

things like putting out promos that say

97

00:08:28,309 --> 00:08:25,139

quote we have conclusive proof of alien

98

00:08:30,589 --> 00:08:28,319

technology unquote all confirmed by this

99

00:08:35,029 --> 00:08:30,599

man and then you just give Michio Kaku

100

00:08:37,329 --> 00:08:35,039

who a paycheck and that helps sell the

101

00:08:41,089 --> 00:08:37,339

entire fake story that you're Hocking

102

00:08:44,329 --> 00:08:41,099

then you get a respected well used to be

103

00:08:47,750 --> 00:08:44,339

respected Stanford research scientists

104

00:08:50,269 --> 00:08:47,760

in a form of Gary Nolan and you get him

105

00:08:52,730 --> 00:08:50,279

to stand there in this piece and claim

106

00:08:53,870 --> 00:08:52,740

that he's going to analyze these alien

107

00:08:57,769 --> 00:08:53,880

metals

108

00:09:00,530 --> 00:08:57,779

it gets worse and worse and worse the

109

00:09:01,790 --> 00:09:00,540

deeper you go into this story and I

110

00:09:05,630 --> 00:09:01,800

wonder

111

00:09:10,910 --> 00:09:05,640

if this is not perhaps the perfect

112

00:09:14,389 --> 00:09:10,920

example of why these scams work and why

113

00:09:16,910 --> 00:09:14,399

these scams continue over and over and

114

00:09:18,710 --> 00:09:16,920

over again

115

00:09:21,050 --> 00:09:18,720

welcome back friends my name is Stephen

116

00:09:23,449 --> 00:09:21,060

cambian and you are watching truth

117

00:09:26,990 --> 00:09:23,459

Seekers where we cover the strange and

118

00:09:31,550 --> 00:09:27,000

esoteric world of everything

119

00:09:34,550 --> 00:09:31,560

uh but with a bit of a skeptic's eye

120

00:09:39,170 --> 00:09:34,560

and here we are again talking about this

121

00:09:42,170 --> 00:09:39,180

story uh because uh I had mentioned that

122

00:09:44,810 --> 00:09:42,180

Dr Gary Nolan won't come here because we

123

00:09:47,090 --> 00:09:44,820

have asked incredibly important

124

00:09:49,370 --> 00:09:47,100

questions like does Stanford University

125

00:09:53,090 --> 00:09:49,380

know that you're using Stanford

126

00:09:56,690 --> 00:09:53,100

University Labs equipment personnel

127

00:09:59,269 --> 00:09:56,700

time and resources to help a disgraced

128

00:10:02,449 --> 00:09:59,279

Australian journalist sell a 100 percent

129

00:10:04,550 --> 00:10:02,459

provably fake story about UFOs and alien

130

00:10:06,889 --> 00:10:04,560

technology do they know that you're

131

00:10:08,990 --> 00:10:06,899

doing that no he doesn't want to answer

132

00:10:12,650 --> 00:10:09,000

those questions

133

00:10:14,570 --> 00:10:12,660

he wants to do the UFO circle jerk we

134

00:10:17,389 --> 00:10:14,580

talked about it here before but for the

135

00:10:19,130 --> 00:10:17,399

benefit of new viewers and listeners I'm

136

00:10:22,070 --> 00:10:19,140

going to tell you all about it what is

137

00:10:25,070 --> 00:10:22,080

the UFO circle jerk the UFO circle jerk

138

00:10:27,170 --> 00:10:25,080

is when one of these scammy scummy

139

00:10:32,030 --> 00:10:27,180

people that run around selling fake

140

00:10:35,090 --> 00:10:32,040

stories go to someone who we can call a

141

00:10:38,690 --> 00:10:35,100

facilitator an enabler and a bottom

142

00:10:41,030 --> 00:10:38,700

feeder because what the underbelly

143

00:10:45,590 --> 00:10:41,040

underneath the people running all of

144

00:10:48,170 --> 00:10:45,600

these fake story scams are is podcasters

145

00:10:51,650 --> 00:10:48,180

show hosts up-and-coming people who want

146

00:10:53,569 --> 00:10:51,660

to be one of those UFO celebrities they

147

00:10:57,050 --> 00:10:53,579

want to work those UFO conferences they

148

00:11:00,889 --> 00:10:57,060

want to be famous on Twitter or wherever

149

00:11:03,710 --> 00:11:00,899

and so they suck up to these UFO

150

00:11:06,350 --> 00:11:03,720

celebrities and they give them

151

00:11:09,590 --> 00:11:06,360

what they need to help sell the story

152

00:11:11,710 --> 00:11:09,600

they facilitate the sale of these false

153

00:11:14,449 --> 00:11:11,720

narratives these disinformation

154

00:11:17,329 --> 00:11:14,459

campaigns and by the way while we're on

155

00:11:20,269 --> 00:11:17,339

the subject who knows

156

00:11:22,490 --> 00:11:20,279

if this is not a government-sponsored

157

00:11:24,949 --> 00:11:22,500

disinformation campaign put out there

158

00:11:26,710 --> 00:11:24,959

for whatever reason

159

00:11:29,930 --> 00:11:26,720

and I have

160

00:11:34,310 --> 00:11:29,940

uh hypothesized in the past that some of

161

00:11:37,430 --> 00:11:34,320

these fake story scams are they have to

162

00:11:42,829 --> 00:11:37,440

be in my opinion some of them have to be

163

00:11:45,650 --> 00:11:42,839

government sponsored CIA Ops or DEA Ops

164

00:11:48,769 --> 00:11:45,660

via Ops pick whatever alphabet soup

165

00:11:51,410 --> 00:11:48,779

agency you like the NHS Department of

166

00:11:54,949 --> 00:11:51,420

Homeland Security DHS whatever alphabet

167

00:11:59,030 --> 00:11:54,959

soup agency you like because the amount

168

00:12:02,630 --> 00:11:59,040

and vastness and the depth of the

169

00:12:05,090 --> 00:12:02,640

criminal activity that sometimes takes

170

00:12:06,889 --> 00:12:05,100

place in order to put these false

171

00:12:08,810 --> 00:12:06,899

stories false narratives and everything

172

00:12:11,930 --> 00:12:08,820

else out

173

00:12:14,449 --> 00:12:11,940

to the public it's it's it's an

174

00:12:18,410 --> 00:12:14,459

incredible amount of criminal activity

175

00:12:20,810 --> 00:12:18,420

criminal behavior is taking place

176

00:12:23,569 --> 00:12:20,820

in some of these instances I'm not

177

00:12:26,329 --> 00:12:23,579

speaking about the specifically about

178

00:12:29,449 --> 00:12:26,339

the Ross Colt art story just in general

179

00:12:31,190 --> 00:12:29,459

when these stories come out because we

180

00:12:33,290 --> 00:12:31,200

have people that will literally do

181

00:12:36,170 --> 00:12:33,300

things like I don't know defraud the

182

00:12:38,030 --> 00:12:36,180

Pentagon and take videos out of the

183

00:12:41,090 --> 00:12:38,040

Pentagon that were never intended for

184

00:12:43,670 --> 00:12:41,100

public release then lie to the New York

185

00:12:45,949 --> 00:12:43,680

Times about running a top secret

186

00:12:47,990 --> 00:12:45,959

government UFO program that never

187

00:12:50,750 --> 00:12:48,000

actually existed then they'll get TV

188

00:12:52,610 --> 00:12:50,760

show deals for lots of money book deals

189

00:12:54,170 --> 00:12:52,620

for lots of money conference organizer

190

00:12:56,629 --> 00:12:54,180

appearances for lots and lots of money

191

00:13:00,050 --> 00:12:56,639

how is some doing something like that

192

00:13:02,810 --> 00:13:00,060

under all these false pretenses not a

193

00:13:03,590 --> 00:13:02,820

form of Consumer Fraud I believe that it

194

00:13:06,889 --> 00:13:03,600

is

195

00:13:10,670 --> 00:13:06,899

and uh when we speak specifically about

196

00:13:14,150 --> 00:13:10,680

this Ross coltar piece how is he able to

197

00:13:18,590 --> 00:13:14,160

do that and not face any accountability

198

00:13:22,730 --> 00:13:18,600

or legal repercussions for

199

00:13:24,949 --> 00:13:22,740

lying through his teeth to the public in

200

00:13:27,949 --> 00:13:24,959

order to get everybody to click on the

201
00:13:31,730 --> 00:13:27,959
video and make who knows how much money

202
00:13:34,009 --> 00:13:31,740
did Ross coltar Gary Nolan and Michio

203
00:13:36,430 --> 00:13:34,019
Kaku for that matter how much money did

204
00:13:40,910 --> 00:13:36,440
they all make with this 100 percent

205
00:13:43,610 --> 00:13:40,920
provably fake false story that was all

206
00:13:46,190 --> 00:13:43,620
sold on a lie that they had quote

207
00:13:49,670 --> 00:13:46,200
conclusive proof of alien technology

208
00:13:52,129 --> 00:13:49,680
and by the way for the benefit of those

209
00:13:55,310 --> 00:13:52,139
who may not be up to speed on this we'll

210
00:13:58,550 --> 00:13:55,320
play one of those Ross culthart bumpers

211
00:14:00,530 --> 00:13:58,560
uh with the promotional material with

212
00:14:03,710 --> 00:14:00,540
all the lies in it we'll we'll do that

213
00:14:06,050 --> 00:14:03,720

uh I know that uh my usual audience is

214

00:14:08,150 --> 00:14:06,060

probably getting sick of seeing some of

215

00:14:11,810 --> 00:14:08,160

this stuff because we have been harping

216

00:14:13,790 --> 00:14:11,820

on this story and I can't help it I am

217

00:14:15,829 --> 00:14:13,800

fascinated that people are able to get

218

00:14:17,810 --> 00:14:15,839

away with this and make tens of

219

00:14:19,310 --> 00:14:17,820

thousands of dollars maybe hundreds of

220

00:14:22,910 --> 00:14:19,320

thousands of dollars

221

00:14:25,190 --> 00:14:22,920

and there are there is no repercussions

222

00:14:27,530 --> 00:14:25,200

whatsoever right

223

00:14:30,290 --> 00:14:27,540

no repercussions whatsoever

224

00:14:33,410 --> 00:14:30,300

so let's take a listen to Ross coldthart

225

00:14:36,170 --> 00:14:33,420

and what he promised along with I

226

00:14:40,550 --> 00:14:36,180

suppose Michio Kaku who was involved in

227

00:14:43,250 --> 00:14:40,560

this story and Dr Gary Nolan who refused

228

00:14:45,530 --> 00:14:43,260

to come here and do an interview he

229

00:14:47,629 --> 00:14:45,540

refused to answer questions by email he

230

00:14:49,730 --> 00:14:47,639

refused to take my phone calls by the

231

00:14:51,889 --> 00:14:49,740

way I have his phone number I could call

232

00:14:54,710 --> 00:14:51,899

him every day that's all I could do and

233

00:14:58,310 --> 00:14:54,720

say hey why did you participate in this

234

00:15:00,290 --> 00:14:58,320

right now he's doing UFO circle jerk

235

00:15:03,829 --> 00:15:00,300

shows that we mentioned before those are

236

00:15:06,230 --> 00:15:03,839

the shows and the show hosts that help

237

00:15:10,910 --> 00:15:06,240

these UFO celebrities

238

00:15:13,250 --> 00:15:10,920

sell these provably 100 fake stories

239

00:15:15,949 --> 00:15:13,260

that they make in some instances

240

00:15:18,350 --> 00:15:15,959

hundreds of thousands of dollars Hocking

241

00:15:20,389 --> 00:15:18,360

let's take a listen to Ross coldthart

242

00:15:23,090 --> 00:15:20,399

who we learned last night is an

243

00:15:26,030 --> 00:15:23,100

absolutely disgraced Australian

244

00:15:28,250 --> 00:15:26,040

journalist he was once on 60 Minutes ran

245

00:15:31,009 --> 00:15:28,260

a piece calling all kinds of important

246

00:15:33,889 --> 00:15:31,019

wealthy powerful people in England pedos

247

00:15:36,050 --> 00:15:33,899

with uh very little evidence except for

248

00:15:39,710 --> 00:15:36,060

his Wackadoo sources which he did not

249

00:15:41,810 --> 00:15:39,720

vet so it's no to me it's no accident

250

00:15:43,610 --> 00:15:41,820

that this guy gets blown out of the

251

00:15:46,850 --> 00:15:43,620

water in his own country like he can't

252

00:15:50,030 --> 00:15:46,860

get a job with a reputable

253

00:15:53,269 --> 00:15:50,040

uh organization he once worked for 60

254

00:15:57,110 --> 00:15:53,279

minutes my God and now he's doing this

255

00:16:00,050 --> 00:15:57,120

Hawking fake UFO [h__h] stories let's

256

00:16:03,290 --> 00:16:00,060

take a listen to what he promised us and

257

00:16:05,870 --> 00:16:03,300

remember that nobody to this day has

258

00:16:09,590 --> 00:16:05,880

given us any proof let alone conclusive

259

00:16:16,790 --> 00:16:11,090

um

260

00:16:20,590 --> 00:16:16,800

uh uh uh I I probably would be more

261

00:16:23,889 --> 00:16:20,600

cautious about in terms of

262

00:16:27,610 --> 00:16:23,899

how we presented

263

00:16:31,730 --> 00:16:27,620

is the sphere story

264

00:16:34,670 --> 00:16:31,740

uh for the simple fact that we just

265

00:16:35,949 --> 00:16:34,680

don't know yet whether it release or

266

00:16:40,009 --> 00:16:35,959

isn't

267

00:16:43,129 --> 00:16:40,019

non-human technology we have new

268

00:16:46,430 --> 00:16:43,139

conclusive proof testable evidence of

269

00:16:50,629 --> 00:16:46,440

alien technology frankly

270

00:16:53,509 --> 00:16:50,639

lost a lot of people want us to say yeah

271

00:16:57,769 --> 00:16:53,519

it's avian technology

272

00:17:00,829 --> 00:16:57,779

we're not going to say that we have new

273

00:17:03,829 --> 00:17:00,839

conclusive proof testable evidence of

274

00:17:06,770 --> 00:17:03,839

alien technology this renowned scientist

275

00:17:10,370 --> 00:17:06,780

confirms it all whilst a lot of people

276

00:17:12,110 --> 00:17:10,380

want us to say yeah it's alien

277

00:17:16,510 --> 00:17:12,120

technology

278

00:17:20,809 --> 00:17:16,520

we were not going to say that because

279

00:17:23,870 --> 00:17:20,819

that terrible danger we have new

280

00:17:26,990 --> 00:17:23,880

conclusive proof testable evidence of

281

00:17:31,549 --> 00:17:27,000

alien technology a lot of people want us

282

00:17:35,210 --> 00:17:31,559

to say yeah it's alien technology

283

00:17:37,549 --> 00:17:35,220

we're not going to say that alien

284

00:17:41,510 --> 00:17:37,559

technology this renowned scientist

285

00:17:44,510 --> 00:17:41,520

confirms it all we're not going to say

286

00:17:47,570 --> 00:17:44,520

that a new conclusive proof testable

287

00:17:50,810 --> 00:17:47,580

evidence of alien technology this

288

00:17:55,010 --> 00:17:50,820

renowned scientist confirms it all we're

289

00:17:58,909 --> 00:17:55,020

not going to say that uh the simple fact

290

00:18:01,029 --> 00:17:58,919

that we just don't know yet with the

291

00:18:05,330 --> 00:18:01,039

release or recent

292

00:18:08,770 --> 00:18:05,340

non-human technology yeah

293

00:18:22,710 --> 00:18:08,780

hahaha yeah

294

00:18:28,130 --> 00:18:22,720

[Laughter]

295

00:18:34,190 --> 00:18:31,250

and there we have it so uh

296

00:18:36,230 --> 00:18:34,200

you know and this is after he promised

297

00:18:38,690 --> 00:18:36,240

everybody in the last story that he was

298

00:18:42,289 --> 00:18:38,700

completely disgraced over and lost his

299

00:18:44,810 --> 00:18:42,299

job at CBS Australia claiming that he

300

00:18:46,070 --> 00:18:44,820

was presenting the story of the quote

301
00:18:48,830 --> 00:18:46,080
biggest

302
00:18:50,450 --> 00:18:48,840
political Scandal ever in England

303
00:18:53,690 --> 00:18:50,460
unquote

304
00:18:55,490 --> 00:18:53,700
uh so we see that Ross colthard has a

305
00:18:59,210 --> 00:18:55,500
pattern of literally just lying through

306
00:19:02,270 --> 00:18:59,220
his teeth to sell a salacious

307
00:19:05,450 --> 00:19:02,280
story here and of course we've got Gary

308
00:19:08,210 --> 00:19:05,460
Nolan involved in this and Gary Nolan

309
00:19:11,630 --> 00:19:08,220
refuses to answer any questions we did a

310
00:19:14,029 --> 00:19:11,640
whole story apparently and again I'm

311
00:19:16,190 --> 00:19:14,039
just asking questions here so uh you

312
00:19:18,049 --> 00:19:16,200
know save your angry lawyer letters for

313
00:19:20,450 --> 00:19:18,059

somebody else

314

00:19:23,450 --> 00:19:20,460

um according to the Stanford code of

315

00:19:25,970 --> 00:19:23,460

ethics Gary Nolan is not allowed or

316

00:19:29,510 --> 00:19:25,980

supposed to use University Labs

317

00:19:32,090 --> 00:19:29,520

equipment Personnel Resources computers

318

00:19:35,210 --> 00:19:32,100

phones whatever he's not supposed to use

319

00:19:37,450 --> 00:19:35,220

any of the University's stuff to

320

00:19:40,669 --> 00:19:37,460

personally profit

321

00:19:44,510 --> 00:19:40,679

and he clearly is using the university

322

00:19:46,970 --> 00:19:44,520

stuff but I don't have 100 confirmation

323

00:19:49,870 --> 00:19:46,980

that he was paid either for his

324

00:19:55,070 --> 00:19:49,880

participation in the Dr Steven Greer

325

00:19:57,590 --> 00:19:55,080

alien mummy baby scam or this new one I

326

00:20:00,169 --> 00:19:57,600

I he won't answer questions I asked him

327

00:20:02,690 --> 00:20:00,179

a very simple question were you paid for

328

00:20:05,510 --> 00:20:02,700

your participation in either project he

329

00:20:08,270 --> 00:20:05,520

won't answer those questions and the sad

330

00:20:11,690 --> 00:20:08,280

part and the part that bothers me is

331

00:20:15,049 --> 00:20:11,700

that when he does do interviews it's

332

00:20:17,510 --> 00:20:15,059

with the UFO circle jerk people

333

00:20:19,789 --> 00:20:17,520

you know those people that won't ask him

334

00:20:23,270 --> 00:20:19,799

the questions that people really should

335

00:20:25,970 --> 00:20:23,280

be asking him and and this you know it

336

00:20:29,270 --> 00:20:25,980

shouldn't bother me anymore right I mean

337

00:20:34,010 --> 00:20:29,280

after all welcome to the world that

338

00:20:38,210 --> 00:20:34,020

we're in here we're in an a wacky world

339

00:20:40,549 --> 00:20:38,220

of aliens and UFOs and conspiracies why

340

00:20:43,330 --> 00:20:40,559

should I expect somebody that's covering

341

00:20:47,390 --> 00:20:43,340

these topics to actually do a credible

342

00:20:48,350 --> 00:20:47,400

and real job when they interview one of

343

00:20:51,230 --> 00:20:48,360

these people

344

00:20:53,330 --> 00:20:51,240

it's about getting the clicks and Views

345

00:20:56,270 --> 00:20:53,340

and in order to get the clicks and Views

346

00:21:00,169 --> 00:20:56,280

these UFO Circle jerkers most recently

347

00:21:01,789 --> 00:21:00,179

Chrissy Newton of the debrief Rag and by

348

00:21:03,830 --> 00:21:01,799

the way the debrief rag is supposed to

349

00:21:05,930 --> 00:21:03,840

cover Science and Technology but did you

350

00:21:07,789 --> 00:21:05,940

know we can look at their Science and

351
00:21:09,409 --> 00:21:07,799
Technology stories and see that they get

352
00:21:12,409 --> 00:21:09,419
dismal [h__\h]

353
00:21:15,770 --> 00:21:12,419
uh engagement or

354
00:21:18,590 --> 00:21:15,780
or views on that stuff right

355
00:21:22,730 --> 00:21:18,600
they get the views from the UFO fairy

356
00:21:27,710 --> 00:21:22,740
tales and the UFO fairy tale huckstering

357
00:21:35,510 --> 00:21:31,850
okay so uh sorry that was some sort of

358
00:21:37,490 --> 00:21:35,520
error that was an error notification and

359
00:21:39,049 --> 00:21:37,500
I don't know what the error is it looks

360
00:21:42,110 --> 00:21:39,059
like we're still broadcasting we'll

361
00:21:45,830 --> 00:21:42,120
continue with tonight's presentation so

362
00:21:49,010 --> 00:21:45,840
besides this UFO circle jerk this is

363
00:21:52,070 --> 00:21:49,020

what enables this to happen this is why

364

00:21:54,470 --> 00:21:52,080

people can stand up in in front of the

365

00:21:56,810 --> 00:21:54,480

world and say we have conclusive proof

366

00:21:59,330 --> 00:21:56,820

of alien technology and look this famous

367

00:22:02,270 --> 00:21:59,340

scientist Michio Kaku confirms it all

368

00:22:05,210 --> 00:22:02,280

and then get everybody Drive millions of

369

00:22:07,250 --> 00:22:05,220

people to click on that video make tens

370

00:22:09,289 --> 00:22:07,260

of thousands perhaps hundreds of

371

00:22:11,890 --> 00:22:09,299

thousands of dollars or more

372

00:22:15,950 --> 00:22:11,900

with a complete

373

00:22:18,649 --> 00:22:15,960

manufactured false fake deception

374

00:22:22,190 --> 00:22:18,659

and one may ask themselves why would

375

00:22:23,930 --> 00:22:22,200

Michio Kaku or Gary Nolan participate in

376

00:22:27,169 --> 00:22:23,940

this well Gary Nolan this is not his

377

00:22:30,529 --> 00:22:27,179

first time going around helping a UFO

378

00:22:32,510 --> 00:22:30,539

grifter appear credible that's what I

379

00:22:35,750 --> 00:22:32,520

believe Gary Nolan's job and

380

00:22:38,330 --> 00:22:35,760

responsibility is that's his part of the

381

00:22:41,510 --> 00:22:38,340

con his part of the con is hey let us

382

00:22:44,810 --> 00:22:41,520

film in Stanford University show us some

383

00:22:47,450 --> 00:22:44,820

sciency stuff Carrie Nolan show us some

384

00:22:50,090 --> 00:22:47,460

some uh you know high-tech machines

385

00:22:54,529 --> 00:22:50,100

you're going to use to show us the alien

386

00:22:56,750 --> 00:22:54,539

Metals Gary and he does and I don't

387

00:22:59,810 --> 00:22:56,760

believe that the university knows or

388

00:23:01,810 --> 00:22:59,820

would condone him helping a disgraced

389

00:23:05,810 --> 00:23:01,820

Australian journalist

390

00:23:08,470 --> 00:23:05,820

who essentially got fired or not rehired

391

00:23:12,110 --> 00:23:08,480

by 60 Minutes Australia for selling 100

392

00:23:14,930 --> 00:23:12,120

provably fake story and hyping it at the

393

00:23:17,870 --> 00:23:14,940

wazoo it's interesting how history

394

00:23:19,610 --> 00:23:17,880

repeats itself that was Ross Cole Park's

395

00:23:21,770 --> 00:23:19,620

first big Bluff it was bigger than this

396

00:23:23,630 --> 00:23:21,780

one because he was calling all kinds of

397

00:23:25,909 --> 00:23:23,640

House of Lords I don't know much about

398

00:23:27,950 --> 00:23:25,919

the English Parliament or uh

399

00:23:29,330 --> 00:23:27,960

governmental system so you'll have my

400

00:23:31,130 --> 00:23:29,340

friends from around the world and

401
00:23:32,990 --> 00:23:31,140
especially over there across the pond in

402
00:23:35,510 --> 00:23:33,000
England will have to excuse me but in

403
00:23:36,529 --> 00:23:35,520
that piece he essentially called a whole

404
00:23:40,010 --> 00:23:36,539
bunch of people in the English

405
00:23:43,250 --> 00:23:40,020
government pedos and his sources were

406
00:23:44,930 --> 00:23:43,260
were ridiculous Nutters that their

407
00:23:47,630 --> 00:23:44,940
stories none of which could be verified

408
00:23:49,190 --> 00:23:47,640
by police or anyone else there was all

409
00:23:51,169 --> 00:23:49,200
kinds of red flags that these people

410
00:23:53,510 --> 00:23:51,179
telling him these fairy tales were

411
00:23:56,930 --> 00:23:53,520
Nutters he ran with it anyway and he

412
00:24:01,370 --> 00:23:56,940
hyped it at the Wazoo over promise and

413
00:24:03,470 --> 00:24:01,380

under deliver now we get him striding

414

00:24:06,649 --> 00:24:03,480
into the UFO Community going

415

00:24:09,950 --> 00:24:06,659
I hope nobody knows how I scammed the

416

00:24:12,950 --> 00:24:09,960
whole world with this 100 provably fake

417

00:24:15,710 --> 00:24:12,960
pedo story because now I'm gonna make up

418

00:24:17,810 --> 00:24:15,720
alien and UFO stories and I'm gonna get

419

00:24:20,990 --> 00:24:17,820
some very good help I'm gonna get that

420

00:24:24,169 --> 00:24:21,000
Ben Hansen guy we'll pay him for a spot

421

00:24:25,970 --> 00:24:24,179
right and he is a former FBI agent makes

422

00:24:28,730 --> 00:24:25,980
us look more credible now we're going to

423

00:24:30,470 --> 00:24:28,740
get this other guy uh Michio Kaku

424

00:24:33,230 --> 00:24:30,480
everybody knows him and then we're going

425

00:24:35,090 --> 00:24:33,240
to deceptively cut the promos to say

426

00:24:39,169 --> 00:24:35,100

that he's confirming the alien

427

00:24:42,350 --> 00:24:39,179

technology It's a Wonderful illusion of

428

00:24:45,770 --> 00:24:42,360

a huge breaking story but

429

00:24:48,890 --> 00:24:45,780

like any illusion which is something my

430

00:24:51,890 --> 00:24:48,900

friends I know a thing or two about it

431

00:24:53,450 --> 00:24:51,900

falls apart under the least little bit

432

00:24:55,909 --> 00:24:53,460

of scrutiny

433

00:24:59,210 --> 00:24:55,919

when you get to see behind the illusion

434

00:25:01,610 --> 00:24:59,220

you almost laugh at what makes that

435

00:25:03,830 --> 00:25:01,620

illusion work and in this circumstance

436

00:25:05,390 --> 00:25:03,840

what made the illusion work is you get

437

00:25:07,310 --> 00:25:05,400

these two scientists hey maybe we'll

438

00:25:10,430 --> 00:25:07,320

throw in Ben Hansen or somebody else

439

00:25:12,710 --> 00:25:10,440

that appears to be credible so this

440

00:25:15,649 --> 00:25:12,720

whole story seems plausible and real

441

00:25:16,610 --> 00:25:15,659

right and then we just deceptively edit

442

00:25:19,370 --> 00:25:16,620

everything

443

00:25:23,029 --> 00:25:19,380

and it's interesting that after getting

444

00:25:25,970 --> 00:25:23,039

caught 100 pushing this 100 provably

445

00:25:29,630 --> 00:25:25,980

fake story now the excuses begin that's

446

00:25:31,310 --> 00:25:29,640

part of the super Cup this the cosmicon

447

00:25:33,950 --> 00:25:31,320

shuffle we've talked about that before

448

00:25:35,930 --> 00:25:33,960

you get caught dead to rights with 100

449

00:25:38,149 --> 00:25:35,940

fake story you got to make up some

450

00:25:40,310 --> 00:25:38,159

excuses sometimes they blame the Men in

451
00:25:42,110 --> 00:25:40,320
Black like Linda Moulton Hal sometimes

452
00:25:44,210 --> 00:25:42,120
they say well it's a government cover-up

453
00:25:47,510 --> 00:25:44,220
so they planted the fake evidence to

454
00:25:50,269 --> 00:25:47,520
make to discredit me no uh Ross colpard

455
00:25:52,130 --> 00:25:50,279
is blaming his employers for hyping up

456
00:25:54,190 --> 00:25:52,140
that story saying oh yeah they they

457
00:25:58,490 --> 00:25:54,200
really sensationalize and overhyped it

458
00:26:00,470 --> 00:25:58,500
he sat there or stood there in a vocal

459
00:26:04,370 --> 00:26:00,480
booth I know how these things work Ross

460
00:26:07,370 --> 00:26:04,380
Colt are a liar to do the promo they had

461
00:26:10,730 --> 00:26:07,380
to bring him in he had a stand there in

462
00:26:14,390 --> 00:26:10,740
a studio they either they gave them ad

463
00:26:18,110 --> 00:26:14,400

copy of what to read or he wrote it

464

00:26:19,970 --> 00:26:18,120

himself and he stood there there and let

465

00:26:22,549 --> 00:26:19,980

them record him saying we have

466

00:26:24,470 --> 00:26:22,559

conclusive proof of alien technology all

467

00:26:27,590 --> 00:26:24,480

confirmed by this man

468

00:26:29,690 --> 00:26:27,600

and then somebody deceptively edited all

469

00:26:32,029 --> 00:26:29,700

this crap together and he's going to

470

00:26:33,850 --> 00:26:32,039

blame his employers he's going to say oh

471

00:26:36,110 --> 00:26:33,860

yeah they since that they

472

00:26:40,370 --> 00:26:36,120

sensationalized it they didn't they

473

00:26:42,649 --> 00:26:40,380

didn't sensationalize it you lied be a

474

00:26:46,370 --> 00:26:42,659

man right you're like

475

00:26:49,370 --> 00:26:46,380

I I have children and

476

00:26:51,649 --> 00:26:49,380

I have a pet peeve if I catch my

477

00:26:54,169 --> 00:26:51,659

six-year-old son stealing cookies from

478

00:26:56,810 --> 00:26:54,179

the cookie jar and there's cookies all

479

00:26:59,090 --> 00:26:56,820

over his face and all down his shirt and

480

00:27:01,010 --> 00:26:59,100

there's cookie crumbs everywhere and the

481

00:27:04,190 --> 00:27:01,020

cookie jar is moved

482

00:27:06,350 --> 00:27:04,200

uh and I I look at that and I look at

483

00:27:10,149 --> 00:27:06,360

him and I say did you take some cookies

484

00:27:13,549 --> 00:27:10,159

and he lies to me it drives me crazy

485

00:27:15,350 --> 00:27:13,559

Ross coltar is like a child that got

486

00:27:18,169 --> 00:27:15,360

caught with his hand in the cookie jar

487

00:27:20,930 --> 00:27:18,179

who's even nope was me while he's got

488

00:27:22,850 --> 00:27:20,940

the cookies all over him he's good no it

489

00:27:24,890 --> 00:27:22,860

wasn't me with those salacious

490

00:27:28,010 --> 00:27:24,900

over the top

491

00:27:31,610 --> 00:27:28,020

and do that it's your voice it's your

492

00:27:36,230 --> 00:27:31,620

image and it's your reputation if he was

493

00:27:39,350 --> 00:27:36,240

truly a man of uh Integrity a man that

494

00:27:42,710 --> 00:27:39,360

had some kind of Ethics morality

495

00:27:44,450 --> 00:27:42,720

something once he saw those promos he

496

00:27:46,669 --> 00:27:44,460

should have tweeted a statement I don't

497

00:27:49,310 --> 00:27:46,679

stand behind these promos I they

498

00:27:52,010 --> 00:27:49,320

manipulated me you know we don't have

499

00:27:55,549 --> 00:27:52,020

proof of alien technology something he

500

00:27:58,010 --> 00:27:55,559

did nothing he sat back like a fat cat

501
00:28:02,090 --> 00:27:58,020
waiting to get those views and boy did

502
00:28:05,390 --> 00:28:02,100
they over a million monetized views and

503
00:28:07,010 --> 00:28:05,400
um opinions differ you you can go do

504
00:28:08,750 --> 00:28:07,020
some research and find out how much

505
00:28:11,210 --> 00:28:08,760
money and by the way that's the last

506
00:28:14,390 --> 00:28:11,220
time I checked I think it got two or

507
00:28:16,250 --> 00:28:14,400
three million views it might have

508
00:28:18,890 --> 00:28:16,260
um but since they took the video down

509
00:28:21,769 --> 00:28:18,900
it's hard to tell how many actual views

510
00:28:23,570 --> 00:28:21,779
it got more than a million and anybody's

511
00:28:28,130 --> 00:28:23,580
free to go research how much money you

512
00:28:30,230 --> 00:28:28,140
get paid on YouTube for monetized uh a

513
00:28:32,149 --> 00:28:30,240

million monetized views

514

00:28:33,529 --> 00:28:32,159

it's a lot

515

00:28:36,769 --> 00:28:33,539

so

516

00:28:40,730 --> 00:28:36,779

we cut to Gary Nolan who won't answer

517

00:28:43,549 --> 00:28:40,740

any questions about this uh blatant I

518

00:28:46,070 --> 00:28:43,559

would call it a blatant uh click bait

519

00:28:48,169 --> 00:28:46,080

scan that's what I would call it

520

00:28:52,190 --> 00:28:48,179

um and he won't answer any questions

521

00:28:55,250 --> 00:28:52,200

here but he will do the UFO circle jerk

522

00:28:58,549 --> 00:28:55,260

and he went to the best person possible

523

00:29:01,130 --> 00:28:58,559

in this terrible situation Gary Nolan's

524

00:29:03,710 --> 00:29:01,140

in a bad spot right now because

525

00:29:06,529 --> 00:29:03,720

everybody keeps asking where the hell

526

00:29:08,690 --> 00:29:06,539

the analysis of the ball savings are

527

00:29:10,549 --> 00:29:08,700

they promised they had conclusive proof

528

00:29:12,169 --> 00:29:10,559

of alien technology months and months

529

00:29:13,549 --> 00:29:12,179

and months and months ago and in the

530

00:29:15,830 --> 00:29:13,559

piece he promised he was going to be

531

00:29:18,049 --> 00:29:15,840

done the analysis in a month by the way

532

00:29:19,430 --> 00:29:18,059

it doesn't even take a month I'm going

533

00:29:21,289 --> 00:29:19,440

to try to explain this very quickly I

534

00:29:23,330 --> 00:29:21,299

explained it last night if you have a

535

00:29:26,029 --> 00:29:23,340

piece of metal and you want to know is

536

00:29:30,350 --> 00:29:26,039

that a piece of ordinary Earthly metal

537

00:29:32,389 --> 00:29:30,360

that was from planet Earth or our solar

538

00:29:34,730 --> 00:29:32,399

system or outside of our solar system

539

00:29:37,549 --> 00:29:34,740

you put it in a mass spectrometer one

540

00:29:39,529 --> 00:29:37,559

capable of analyzing the isotopic ratios

541

00:29:41,210 --> 00:29:39,539

because metal from outside our solar

542

00:29:43,190 --> 00:29:41,220

system will have slightly different

543

00:29:45,830 --> 00:29:43,200

isotopic ratios

544

00:29:47,510 --> 00:29:45,840

different recipe

545

00:29:49,549 --> 00:29:47,520

for the same

546

00:29:52,490 --> 00:29:49,559

cake let's say

547

00:29:56,090 --> 00:29:52,500

and uh that test won't take you a month

548

00:29:58,370 --> 00:29:56,100

that'll take you I don't know a couple

549

00:30:00,470 --> 00:29:58,380

hours to do that test

550

00:30:02,570 --> 00:30:00,480

he could have known right then and there

551
00:30:04,730 --> 00:30:02,580
while Ross was visiting he could have

552
00:30:07,130 --> 00:30:04,740
put that stuff in the mass spectrometer

553
00:30:09,230 --> 00:30:07,140
got the results and said nope ordinary

554
00:30:10,549 --> 00:30:09,240
Earthly metal sorry Ross you're not

555
00:30:12,409 --> 00:30:10,559
going to be able to defraud the public

556
00:30:14,450 --> 00:30:12,419
saying we have proof of conclusive alien

557
00:30:16,549 --> 00:30:14,460
technology because I could do this test

558
00:30:17,870 --> 00:30:16,559
in an hour or two and give you the

559
00:30:20,090 --> 00:30:17,880
results and you could put it right in

560
00:30:23,630 --> 00:30:20,100
the piece that it's not alien but if we

561
00:30:25,190 --> 00:30:23,640
do that there's no million views we got

562
00:30:27,230 --> 00:30:25,200
to pretend that that thing might be

563
00:30:29,029 --> 00:30:27,240

alien we have proof of alien it's going

564

00:30:32,570 --> 00:30:29,039

to be this guy Gary Nolan's going to

565

00:30:34,549 --> 00:30:32,580

prove it's alien metals and now oh Gary

566

00:30:36,950 --> 00:30:34,559

Nolan is doing the cosmic con Shuffle

567

00:30:39,710 --> 00:30:36,960

right now boy he's shuffling coming up

568

00:30:41,750 --> 00:30:39,720

with more and more excuses of why he

569

00:30:43,970 --> 00:30:41,760

hasn't finished the analysis that was

570

00:30:46,130 --> 00:30:43,980

promised to be finished in a month

571

00:30:48,889 --> 00:30:46,140

and people are getting pissy they want

572

00:30:52,130 --> 00:30:48,899

to know what's going on with those balls

573

00:30:54,110 --> 00:30:52,140

ball shavings whatever and Gary Nolan is

574

00:30:56,510 --> 00:30:54,120

doing the cosmicon shuffle

575

00:30:59,330 --> 00:30:56,520

and he's making up all kinds of excuses

576
00:31:03,049 --> 00:30:59,340
and now this is my prediction he's going

577
00:31:06,049 --> 00:31:03,059
to go on a UFO circle jerk tour and he

578
00:31:08,330 --> 00:31:06,059
may not name us directly but the reason

579
00:31:10,070 --> 00:31:08,340
he's doing all this Cosmic con shuffling

580
00:31:13,010 --> 00:31:10,080
is because of our coverage of the story

581
00:31:16,970 --> 00:31:13,020
and isn't it wonderful that not one

582
00:31:20,389 --> 00:31:16,980
other UFO show to my knowledge covered

583
00:31:24,610 --> 00:31:20,399
this 100 percent blatant scam

584
00:31:28,549 --> 00:31:24,620
perpetrated on a worldwide public no one

585
00:31:31,310 --> 00:31:28,559
exposed this scam but us here why is

586
00:31:34,010 --> 00:31:31,320
that there's hundreds of shows about

587
00:31:36,889 --> 00:31:34,020
UFOs hundreds of shows about the

588
00:31:39,110 --> 00:31:36,899

Paranormal not one person raised these

589

00:31:41,990 --> 00:31:39,120

questions that we raised here not one

590

00:31:44,090 --> 00:31:42,000

person like correctly pointed out what

591

00:31:46,430 --> 00:31:44,100

we have reported here and pointed out

592

00:31:49,850 --> 00:31:46,440

not one show

593

00:31:55,669 --> 00:31:52,730

that my friends will tell you

594

00:31:59,149 --> 00:31:55,679

that it's a big club and I ain't in it

595

00:32:01,669 --> 00:31:59,159

so I can say what I want and most other

596

00:32:03,889 --> 00:32:01,679

shows can't do that why they want Gary

597

00:32:06,529 --> 00:32:03,899

Nolan to come on their show and by the

598

00:32:09,409 --> 00:32:06,539

way Chrissy Newton and Ryan Sprague look

599

00:32:11,269 --> 00:32:09,419

at their numbers when it's just them

600

00:32:12,350 --> 00:32:11,279

look at their numbers when they do a

601
00:32:15,289 --> 00:32:12,360
show

602
00:32:18,529 --> 00:32:15,299
without the UFO celebrity

603
00:32:20,269 --> 00:32:18,539
dismal [h__\h] numbers nothing nobody cares

604
00:32:23,350 --> 00:32:20,279
what those two

605
00:32:26,029 --> 00:32:23,360
talking head UFO clowns have to say

606
00:32:27,590 --> 00:32:26,039
nobody Tunes in when it's just them

607
00:32:30,830 --> 00:32:27,600
right

608
00:32:33,230 --> 00:32:30,840
get that UFO celebrity in here ten

609
00:32:35,990 --> 00:32:33,240
thousand twenty thousand views

610
00:32:39,409 --> 00:32:36,000
they are guest driven because no one

611
00:32:42,350 --> 00:32:39,419
cares what they have to say they have no

612
00:32:45,529 --> 00:32:42,360
research of their own that anyone cares

613
00:32:48,470 --> 00:32:45,539

about they have no uh investigative work

614

00:32:51,049 --> 00:32:48,480

of Their Own no one cares

615

00:32:53,570 --> 00:32:51,059

when they don't have the guest they need

616

00:32:54,769 --> 00:32:53,580

to do the UFO circle jerk in order to

617

00:32:56,870 --> 00:32:54,779

survive

618

00:33:01,010 --> 00:32:56,880

we don't

619

00:33:03,110 --> 00:33:01,020

and uh so Gary Nolan goes to the best

620

00:33:05,750 --> 00:33:03,120

person possible to help him do the

621

00:33:08,570 --> 00:33:05,760

cosmicon shuffle he goes to a public

622

00:33:11,450 --> 00:33:08,580

relations person I couldn't believe this

623

00:33:13,490 --> 00:33:11,460

she's a public relations person and by

624

00:33:16,009 --> 00:33:13,500

the way I had a rather heated exchange

625

00:33:18,350 --> 00:33:16,019

for her which I think I once apologized

626

00:33:20,450 --> 00:33:18,360

for it I'm not going to apologize again

627

00:33:23,330 --> 00:33:20,460

and I said you're getting the interview

628

00:33:25,490 --> 00:33:23,340

do your job I'll read you the messages

629

00:33:26,930 --> 00:33:25,500

that I actually sent this girl before

630

00:33:30,110 --> 00:33:26,940

the interview

631

00:33:33,710 --> 00:33:30,120

and what did she do she did the UFO

632

00:33:36,110 --> 00:33:33,720

circle jerk and then

633

00:33:39,710 --> 00:33:36,120

I can't prove this but it appears to me

634

00:33:42,350 --> 00:33:39,720

that she off air told him what I said

635

00:33:45,230 --> 00:33:42,360

and what's going on right

636

00:33:47,210 --> 00:33:45,240

and sort of helped him with the public

637

00:33:48,769 --> 00:33:47,220

relations aspect you got to explain this

638

00:33:50,750 --> 00:33:48,779

or say something about this because

639

00:33:54,710 --> 00:33:50,760

people are talking about it but she

640

00:33:57,350 --> 00:33:54,720

didn't ask him the question on air he

641

00:33:59,810 --> 00:33:57,360

just volunteered this stuff so we kind

642

00:34:03,590 --> 00:33:59,820

of know she's playing the game right

643

00:34:06,950 --> 00:34:03,600

helping him to do some damage control

644

00:34:09,050 --> 00:34:06,960

here when he won't answer any ethics

645

00:34:10,730 --> 00:34:09,060

questions when he won't answer a simple

646

00:34:12,589 --> 00:34:10,740

question like were you paid for that how

647

00:34:14,810 --> 00:34:12,599

much did you money did you make from

648

00:34:18,109 --> 00:34:14,820

that it was a hundred percent provably

649

00:34:19,790 --> 00:34:18,119

fake story Dr Nolan and you participated

650

00:34:23,930 --> 00:34:19,800

you got paid how much did you get paid

651
00:34:26,270 --> 00:34:23,940
that is a real question questions is the

652
00:34:28,070 --> 00:34:26,280
circle jerkers will never ask these

653
00:34:31,010 --> 00:34:28,080
people and you know

654
00:34:33,829 --> 00:34:31,020
when I have to choose between having

655
00:34:35,510 --> 00:34:33,839
Integrity honor and being somebody that

656
00:34:38,869 --> 00:34:35,520
people can look at and say that guy's

657
00:34:43,849 --> 00:34:38,879
got balls he asks some real questions or

658
00:34:47,389 --> 00:34:43,859
do I swallow all you know semblance of

659
00:34:52,369 --> 00:34:47,399
reality and just play the game I take

660
00:34:55,369 --> 00:34:52,379
the losses and be a real person be a a

661
00:34:57,410 --> 00:34:55,379
journalist imagine that it's your job to

662
00:34:59,570 --> 00:34:57,420
ask these questions when there's

663
00:35:01,370 --> 00:34:59,580

literally people running around scamming

664

00:35:03,170 --> 00:35:01,380

people for monetized views you're just

665

00:35:06,170 --> 00:35:03,180

gonna sit there and not talk about it

666

00:35:08,870 --> 00:35:06,180

and and pretend that guy is some kind of

667

00:35:10,970 --> 00:35:08,880

authority this is great

668

00:35:13,370 --> 00:35:10,980

all right so uh

669

00:35:14,630 --> 00:35:13,380

before we get into the I'm and by the

670

00:35:16,910 --> 00:35:14,640

way I'm only going to play a few short

671

00:35:18,710 --> 00:35:16,920

portions of of this girl interviewing

672

00:35:20,510 --> 00:35:18,720

him that I thought were relevant the

673

00:35:22,310 --> 00:35:20,520

stuff about crash retrievals and the

674

00:35:25,190 --> 00:35:22,320

stuff about the analysis of the metals

675

00:35:29,750 --> 00:35:25,200

but before we do that

676

00:35:35,390 --> 00:35:31,970

oh yeah we always misspell his name

677

00:35:37,670 --> 00:35:35,400

somebody is letting me know it's two r's

678

00:35:39,829 --> 00:35:37,680

and Gary I'm sorry I never heard of that

679

00:35:43,390 --> 00:35:39,839

before him had Gary friends growing up

680

00:35:46,490 --> 00:35:43,400

we'll fix it post show

681

00:35:48,530 --> 00:35:46,500

uh but before let me share my screen

682

00:35:51,230 --> 00:35:48,540

I've got a few things to share with you

683

00:35:53,990 --> 00:35:51,240

I'm asking Michio Kaku if he knows that

684

00:35:55,730 --> 00:35:54,000

he was used in a UFO scam

685

00:35:57,950 --> 00:35:55,740

Michio Kaku

686

00:35:59,930 --> 00:35:57,960

I asked disgraced Australian journalists

687

00:36:01,790 --> 00:35:59,940

used you to perpetrate a UFO scam

688

00:36:04,010 --> 00:36:01,800

claiming in his promos that you would

689

00:36:06,290 --> 00:36:04,020

confirm quote conclusive proof of alien

690

00:36:08,329 --> 00:36:06,300

technology watch here at the start of

691

00:36:10,490 --> 00:36:08,339

the video he claimed you were confirming

692

00:36:12,650 --> 00:36:10,500

his claims can I get a comment and by

693

00:36:15,470 --> 00:36:12,660

the way that's just the most recent of

694

00:36:18,410 --> 00:36:15,480

me asking for comment from ichio Kaku on

695

00:36:21,050 --> 00:36:18,420

this story haven't gotten uh any replies

696

00:36:22,609 --> 00:36:21,060

I get it he's a busy guy

697

00:36:25,310 --> 00:36:22,619

um but I'm still going to keep asking

698

00:36:27,770 --> 00:36:25,320

him and I'd like to know if he got paid

699

00:36:29,990 --> 00:36:27,780

to participate in that project as well

700

00:36:32,270 --> 00:36:30,000

because if he got paid and I'd also like

701

00:36:34,370 --> 00:36:32,280

to ask Ben Hansen if he got paid to

702

00:36:37,670 --> 00:36:34,380

participate in the project I'm betting

703

00:36:40,250 --> 00:36:37,680

they did because if they got paid if Ben

704

00:36:42,890 --> 00:36:40,260

Hansen got paid and Michio Kaku got paid

705

00:36:44,690 --> 00:36:42,900

we can probably assume that Gary Nolan

706

00:36:46,790 --> 00:36:44,700

got paid why would he be the only one

707

00:36:48,470 --> 00:36:46,800

that doesn't get paid right so we're

708

00:36:50,990 --> 00:36:48,480

going to keep following up on this story

709

00:36:53,150 --> 00:36:51,000

we're not letting anybody off the hook

710

00:36:55,130 --> 00:36:53,160

here we're going to keep following up

711

00:36:58,910 --> 00:36:55,140

and I'm going to follow up as well with

712

00:37:01,430 --> 00:36:58,920

Stanford University I want some on the

713

00:37:03,950 --> 00:37:01,440

record comment from them about whether

714

00:37:07,910 --> 00:37:03,960

they know that he is using University

715

00:37:11,870 --> 00:37:07,920

Labs equipment personnel and whatever to

716

00:37:14,870 --> 00:37:11,880

help a somebody push a 100 percent false

717

00:37:17,150 --> 00:37:14,880

narrative fake story in order to get

718

00:37:18,829 --> 00:37:17,160

monetized views I think they should

719

00:37:22,310 --> 00:37:18,839

comment on whether they know their

720

00:37:27,050 --> 00:37:22,320

Professor is doing that or not

721

00:37:28,910 --> 00:37:27,060

um now before we get into

722

00:37:31,730 --> 00:37:28,920

I have to find

723

00:37:33,170 --> 00:37:31,740

uh I love Charlie Weiser by the way

724

00:37:35,150 --> 00:37:33,180

somebody asked me today if Charlie

725

00:37:37,670 --> 00:37:35,160

Weiser would be a guest here I have

726

00:37:41,510 --> 00:37:37,680

asked Charlie Weiser multiple many times

727

00:37:45,290 --> 00:37:41,520

to come here Charlie is uh a bit of an

728

00:37:48,349 --> 00:37:45,300

enigma wrapped in uh some secrets and a

729

00:37:50,210 --> 00:37:48,359

little bit of mystery as well and

730

00:37:53,089 --> 00:37:50,220

Charlie Weiser likes to remain

731

00:37:55,250 --> 00:37:53,099

mysterious and I won't sure as hell

732

00:37:58,550 --> 00:37:55,260

wouldn't be on camera and I said well

733

00:38:00,470 --> 00:37:58,560

how about just a uh just just do a voice

734

00:38:02,210 --> 00:38:00,480

video or you know just do a voice

735

00:38:03,530 --> 00:38:02,220

interview you know like you're on the

736

00:38:05,930 --> 00:38:03,540

phone nope

737

00:38:08,270 --> 00:38:05,940

so uh but we'll keep asking and maybe

738

00:38:10,190 --> 00:38:08,280

Charlie will change

739

00:38:12,470 --> 00:38:10,200

their mind for those that don't know

740

00:38:14,329 --> 00:38:12,480

Charlie does research a lot like me but

741

00:38:17,870 --> 00:38:14,339

just puts it on Twitter

742

00:38:26,390 --> 00:38:22,609

and um this is a great sort of analysis

743

00:38:29,210 --> 00:38:26,400

of this whole Fiasco and uh specifically

744

00:38:33,290 --> 00:38:29,220

commenting uh on

745

00:38:35,270 --> 00:38:33,300

things that Gary Nolan said with uh

746

00:38:38,690 --> 00:38:35,280

Chrissy Newton being the facilitator

747

00:38:42,650 --> 00:38:38,700

enabler of garbage right and by the way

748

00:38:44,690 --> 00:38:42,660

there's proof that Chrissy Newton is

749

00:38:47,690 --> 00:38:44,700

helping generate

750

00:38:49,790 --> 00:38:47,700

garbage fake stories so other people can

751

00:38:52,130 --> 00:38:49,800

make money too because after this

752

00:38:53,930 --> 00:38:52,140

interview the Bottom Feeders came in and

753

00:38:57,410 --> 00:38:53,940

I'll show you some of that they took

754

00:39:00,050 --> 00:38:57,420

stuff that he said and wrote monetized

755

00:39:02,390 --> 00:39:00,060

blogs so you see how this works

756

00:39:05,329 --> 00:39:02,400

everybody's getting clicks and views on

757

00:39:08,450 --> 00:39:05,339

on these backs of these UFO celebrities

758

00:39:10,910 --> 00:39:08,460

the things that they say right

759

00:39:13,490 --> 00:39:10,920

it's a great it's great business

760

00:39:15,109 --> 00:39:13,500

all right so this is Charlie Weiser Dr

761

00:39:16,910 --> 00:39:15,119

Gary Nolan was interviewed on the

762

00:39:19,849 --> 00:39:16,920

debrief towards the end he volunteered

763

00:39:21,290 --> 00:39:19,859

to talk about Jim's ball shavings uh a

764

00:39:23,569 --> 00:39:21,300

big mistake

765

00:39:25,490 --> 00:39:23,579

Nolan says people are always asking him

766

00:39:27,170 --> 00:39:25,500

to analyze stuff but it's just a rock

767

00:39:29,210 --> 00:39:27,180

they found in the beach he won't do it

768

00:39:30,890 --> 00:39:29,220

it's got to have a chain of evidence a

769

00:39:33,470 --> 00:39:30,900

metal ball from Dennis Hopper's

770

00:39:36,109 --> 00:39:33,480

bodyguard that Jane Fonda fondled Bring

771

00:39:42,349 --> 00:39:38,569

and uh Charlie shows some interesting

772

00:39:45,530 --> 00:39:42,359

pictures of the supposed Alien Probe is

773

00:39:47,990 --> 00:39:45,540

it a probe I think they call it a probe

774

00:39:50,270 --> 00:39:48,000

not only is Nolan stuck with Jim's balls

775

00:39:52,970 --> 00:39:50,280

he's also defending his new buddy Colt

776

00:39:55,490 --> 00:39:52,980

art who had no control over his Show's

777

00:39:57,829 --> 00:39:55,500

dishonest promo and there's something we

778

00:40:00,050 --> 00:39:57,839

can agree on the Ross colthard had total

779

00:40:02,690 --> 00:40:00,060

control over that dishonest promo he

780

00:40:05,210 --> 00:40:02,700

himself may be the person who created it

781

00:40:08,270 --> 00:40:05,220

I've reached out to news seven his

782

00:40:11,030 --> 00:40:08,280

employer to say who edited that who did

783

00:40:13,790 --> 00:40:11,040

the uh voice over who wrote The Copy on

784

00:40:16,849 --> 00:40:13,800

that promo no reply

785

00:40:19,490 --> 00:40:16,859

we all must have imagined Cole tart's

786

00:40:21,890 --> 00:40:19,500

mouth saying quote stunning new evidence

787

00:40:24,710 --> 00:40:21,900

unquote and quote testable evidence of

788

00:40:26,810 --> 00:40:24,720

alien technology unquote No one isn't

789

00:40:29,750 --> 00:40:26,820

going to test Jim's ball savings until

790

00:40:31,670 --> 00:40:29,760

this is ridiculous until he has 64

791

00:40:34,370 --> 00:40:31,680

million dollars from charitable grants

792

00:40:36,230 --> 00:40:34,380

to set up a lab from scratch with brand

793

00:40:38,329 --> 00:40:36,240

new machines under warranty that take a

794

00:40:41,569 --> 00:40:38,339

lifetime to learn how to use and 10

795

00:40:44,750 --> 00:40:41,579

experts to run them plus slave labor uh

796

00:40:45,829 --> 00:40:44,760

grad students and and here's this this

797

00:40:48,230 --> 00:40:45,839

is real

798

00:40:50,470 --> 00:40:48,240

ball shavings measuring it's I don't

799

00:40:53,089 --> 00:40:50,480

well I think this is kind of

800

00:40:54,890 --> 00:40:53,099

tongue-in-cheek cost of analyzing Jim's

801
00:40:58,370 --> 00:40:54,900
ball shavings ball shaving measurement

802
00:41:01,550 --> 00:40:58,380
instruments 60 million dollars will wing

803
00:41:04,630 --> 00:41:01,560
it uh warranties and running cost a

804
00:41:08,750 --> 00:41:04,640
million 10 technicians experts only

805
00:41:09,770 --> 00:41:08,760
three million uh sundry grad students

806
00:41:11,990 --> 00:41:09,780
free

807
00:41:14,450 --> 00:41:12,000
and they have to wash the ball shavings

808
00:41:16,790 --> 00:41:14,460
and then investigate GoFundMe they're

809
00:41:19,910 --> 00:41:16,800
going to try to get 64 million dollars

810
00:41:21,470 --> 00:41:19,920
for him to suggest that it would cost 64

811
00:41:25,430 --> 00:41:21,480
million dollars for him to do this

812
00:41:27,109 --> 00:41:25,440
analysis he is like again like a child

813
00:41:31,490 --> 00:41:27,119

caught with his hand in the cookie jar

814

00:41:34,130 --> 00:41:31,500

making excuses right like oh they're I I

815

00:41:36,470 --> 00:41:34,140

haven't completed the analysis that will

816

00:41:40,490 --> 00:41:36,480

prove that this is alien metals or not

817

00:41:43,069 --> 00:41:40,500

because I need 64 million dollars no

818

00:41:45,650 --> 00:41:43,079

um a few hundred dollars you could send

819

00:41:49,790 --> 00:41:45,660

away to a materials company who will do

820

00:41:51,589 --> 00:41:49,800

that analysis the simple one one you

821

00:41:54,650 --> 00:41:51,599

know the simple

822

00:41:58,490 --> 00:41:54,660

analysis I mentioned a mass spectrometer

823

00:42:01,970 --> 00:41:58,500

analysis which will show if the metals

824

00:42:05,150 --> 00:42:01,980

are of Earthly origin or of origin from

825

00:42:06,950 --> 00:42:05,160

another solar system I believe uh that

826
00:42:09,170 --> 00:42:06,960
you could get that sort of analysis work

827
00:42:11,930 --> 00:42:09,180
done at an independent laboratory for

828
00:42:14,210 --> 00:42:11,940
five hundred dollars in fact I've

829
00:42:17,810 --> 00:42:14,220
offered to pay for it myself so we can

830
00:42:21,650 --> 00:42:17,820
finally get the answer about Jim's balls

831
00:42:24,230 --> 00:42:21,660
and the ball shavings I'm so convinced

832
00:42:26,210 --> 00:42:24,240
that this is ordinary Earthly Metals by

833
00:42:29,089 --> 00:42:26,220
the way there's been many

834
00:42:32,810 --> 00:42:29,099
rumors about what that metal ball

835
00:42:35,930 --> 00:42:32,820
actually is uh Charlie Weiser uh showing

836
00:42:38,930 --> 00:42:35,940
some interesting possibilities when no

837
00:42:41,270 --> 00:42:38,940
one gets a 64 million and results from

838
00:42:42,829 --> 00:42:41,280

50 experiments on Jim's ball he's not

839

00:42:44,569 --> 00:42:42,839

going to Tweet about it he's going to

840

00:42:47,450 --> 00:42:44,579

publish a paper in a peer-reviewed

841

00:42:49,190 --> 00:42:47,460

journal about a 50 pound industrial yeah

842

00:42:50,810 --> 00:42:49,200

and this is what Charlie Weiser says it

843

00:42:54,170 --> 00:42:50,820

is and you know what Charlie wise is

844

00:42:56,810 --> 00:42:54,180

usually right a 50 pound industrial ball

845

00:42:59,930 --> 00:42:56,820

check valve because Jim said it rolls

846

00:43:02,150 --> 00:42:59,940

around sometimes just tweeted Gary even

847

00:43:05,270 --> 00:43:02,160

though Nolan has Jim's ball shavings and

848

00:43:07,130 --> 00:43:05,280

we don't he says if we don't like his 64

849

00:43:09,530 --> 00:43:07,140

million dollar plan we can get off off

850

00:43:11,089 --> 00:43:09,540

our butts get out of our basement spend

851

00:43:13,730 --> 00:43:11,099

a lifetime learning how to use those

852

00:43:16,490 --> 00:43:13,740

machines and do it ourselves because I'm

853

00:43:18,290 --> 00:43:16,500

not your daddy in a dramatic twist it

854

00:43:20,210 --> 00:43:18,300

turns out that some people on the inside

855

00:43:22,970 --> 00:43:20,220

have already given Nolan results on

856

00:43:24,829 --> 00:43:22,980

Jim's ball shavings but he spanked those

857

00:43:27,290 --> 00:43:24,839

butts and sent them back to their

858

00:43:30,349 --> 00:43:27,300

basements because the results are crap

859

00:43:33,050 --> 00:43:30,359

who did this it's crap

860

00:43:34,910 --> 00:43:33,060

Nolan says naysayers will pick apart and

861

00:43:36,890 --> 00:43:34,920

the science does it wrong he doesn't

862

00:43:38,870 --> 00:43:36,900

mean Skeptics Like Yours Truly he means

863

00:43:40,550 --> 00:43:38,880

full of crap Stephen Greer who called

864

00:43:43,190 --> 00:43:40,560

his beautiful study on the Atacama

865

00:43:45,589 --> 00:43:43,200

skeleton of fraud I.E Nolan is worried

866

00:43:48,410 --> 00:43:45,599

True Believers won't like a mundane

867

00:43:50,690 --> 00:43:48,420

answer and yet because he let koltar

868

00:43:53,270 --> 00:43:50,700

drag him into his full of crap world

869

00:43:55,910 --> 00:43:53,280

where dust on a photograph the ZT now

870

00:43:57,829 --> 00:43:55,920

Nolan is forever immortalized on camera

871

00:44:00,950 --> 00:43:57,839

speculating that Dennis Hopper's

872

00:44:03,829 --> 00:44:00,960

bodyguard freaking ball check valve from

873

00:44:05,870 --> 00:44:03,839

a paper mill or something is quote an

874

00:44:08,329 --> 00:44:05,880

alien Scout ship that's what he called

875

00:44:11,150 --> 00:44:08,339

it it's not an Alien Probe it's an alien

876

00:44:14,109 --> 00:44:11,160

Scout ship if what Jim is saying is true

877

00:44:17,510 --> 00:44:14,119

Gary Nolan says you've got

878

00:44:20,030 --> 00:44:17,520

basically a UFO scout vehicle sitting in

879

00:44:22,010 --> 00:44:20,040

Jim's house

880

00:44:24,050 --> 00:44:22,020

Charlie Weiser goes on to say lie down

881

00:44:26,390 --> 00:44:24,060

with the dogs of ufology get up with a

882

00:44:28,790 --> 00:44:26,400

with flea bit and credibility no one

883

00:44:30,829 --> 00:44:28,800

told Cole cart straight face the machine

884

00:44:32,809 --> 00:44:30,839

was right there in front of him to

885

00:44:34,730 --> 00:44:32,819

detect if Jim's ball was alien and it

886

00:44:37,370 --> 00:44:34,740

would take a month and yeah I believe

887

00:44:39,770 --> 00:44:37,380

that's a mass spectrometer so he's got

888

00:44:41,750 --> 00:44:39,780

one they showed it in the piece and by

889

00:44:44,390 --> 00:44:41,760

the way it doesn't take a month to run a

890

00:44:46,370 --> 00:44:44,400

Mass spectrometer even running multiple

891

00:44:47,630 --> 00:44:46,380

samples he would be able to complete it

892

00:44:51,710 --> 00:44:47,640

all in a day

893

00:44:54,230 --> 00:44:51,720

so you know and this stalling this over

894

00:44:56,329 --> 00:44:54,240

promise and under delivering all of this

895

00:44:59,089 --> 00:44:56,339

stalling

896

00:45:01,670 --> 00:44:59,099

for where the results are is proof that

897

00:45:04,970 --> 00:45:01,680

this was a 100 percent

898

00:45:05,809 --> 00:45:04,980

fake story and they both knew it going

899

00:45:12,109 --> 00:45:05,819

in

900

00:45:14,030 --> 00:45:12,119

you get

901
00:45:17,450 --> 00:45:14,040
so defensive start talking about how you

902
00:45:19,490 --> 00:45:17,460
need 65 I need 64 million dollars to

903
00:45:20,990 --> 00:45:19,500
complete the analysis

904
00:45:24,349 --> 00:45:21,000
balls

905
00:45:27,349 --> 00:45:24,359
I need 64 million okay

906
00:45:30,650 --> 00:45:27,359
I need more equipment he showed the

907
00:45:33,710 --> 00:45:30,660
equipment that could verifiably prove if

908
00:45:34,910 --> 00:45:33,720
that was alien metal or not right in the

909
00:45:38,930 --> 00:45:34,920
piece

910
00:45:41,510 --> 00:45:38,940
if the spear is alien can you see that

911
00:45:44,030 --> 00:45:41,520
it's an Alien Detector no it's a bad

912
00:45:46,130 --> 00:45:44,040
spectrometer but he says right it'll

913
00:45:47,809 --> 00:45:46,140

probably take about a month

914

00:45:50,809 --> 00:45:47,819

that's what he said he said it would

915

00:45:54,950 --> 00:45:50,819

take a month and we're that was a long

916

00:45:59,150 --> 00:45:54,960

time ago and here we are

917

00:46:02,990 --> 00:46:00,849

and uh

918

00:46:05,270 --> 00:46:03,000

wonderful Charlie Weiser has a whole

919

00:46:07,370 --> 00:46:05,280

thread on the original uh on the

920

00:46:10,870 --> 00:46:07,380

original story which is really funny as

921

00:46:14,930 --> 00:46:10,880

well uh here's them showing balloons

922

00:46:16,329 --> 00:46:14,940

here's a a senator right or Congressman

923

00:46:20,030 --> 00:46:16,339

showing him

924

00:46:23,329 --> 00:46:20,040

apparently top secret stuff on an iPhone

925

00:46:29,030 --> 00:46:23,339

that's not how this works

926

00:46:34,550 --> 00:46:32,030

there we get Jim's ball

927

00:46:37,490 --> 00:46:34,560

and uh here's one thing that's great in

928

00:46:39,650 --> 00:46:37,500

the story they they pretended that the

929

00:46:42,770 --> 00:46:39,660

ball moved in front of them they lied

930

00:46:43,630 --> 00:46:42,780

and then another part of the story that

931

00:46:46,609 --> 00:46:43,640

was

932

00:46:49,490 --> 00:46:46,619

completely and totally deceptive the

933

00:46:51,010 --> 00:46:49,500

ball never moved they took that from a

934

00:46:54,050 --> 00:46:51,020

recreation

935

00:46:57,650 --> 00:46:54,060

documentary video and they made it look

936

00:47:01,970 --> 00:46:57,660

like the ball Jim's ball was moving

937

00:47:05,750 --> 00:47:01,980

completely fake never happened right and

938

00:47:10,670 --> 00:47:08,270

and uh I love the the wonderful way they

939

00:47:13,010 --> 00:47:10,680

did the science of it you know scraping

940

00:47:16,910 --> 00:47:13,020

it with a screwdriver measuring it with

941

00:47:18,589 --> 00:47:16,920

like construction measuring tape it's

942

00:47:23,710 --> 00:47:18,599

just great

943

00:47:29,270 --> 00:47:26,630

oh it's amazing and so I highly

944

00:47:31,370 --> 00:47:29,280

recommend check out Charlie Weiser on

945

00:47:34,190 --> 00:47:31,380

Twitter uh I always forget her Twitter

946

00:47:37,490 --> 00:47:34,200

it's it's at like it matters three

947

00:47:40,069 --> 00:47:37,500

please do follow Charlie wiser uh one of

948

00:47:41,210 --> 00:47:40,079

the few people in the world doing a good

949

00:47:44,270 --> 00:47:41,220

job

950

00:47:48,710 --> 00:47:44,280

as a journalist here in this Wacky World

951
00:47:51,170 --> 00:47:48,720
of UFOs so uh we're gonna get to just a

952
00:47:53,450 --> 00:47:51,180
couple of clips and thank you Laura

953
00:47:54,950 --> 00:47:53,460
London for reminding me there's two r's

954
00:47:57,530 --> 00:47:54,960
in his gallery

955
00:48:04,670 --> 00:47:57,540
uh yeah

956
00:48:04,680 --> 00:48:09,530
okay

957
00:48:13,910 --> 00:48:11,150
first we're going to get to the UFO

958
00:48:15,470 --> 00:48:13,920
crash retrievals Because by the way one

959
00:48:18,050 --> 00:48:15,480
of the other narratives that I believe

960
00:48:20,690 --> 00:48:18,060
is a disinformation government-sponsored

961
00:48:23,030 --> 00:48:20,700
narrative is that there is that the

962
00:48:25,190 --> 00:48:23,040
government has crash retrievals and

963
00:48:28,670 --> 00:48:25,200

there's going to be whistleblowers about

964

00:48:31,849 --> 00:48:28,680

this they're coming out soon right

965

00:48:35,030 --> 00:48:31,859

and of course this is six months ago

966

00:48:37,370 --> 00:48:35,040

people like Gary Nolan and Ross colpark

967

00:48:39,470 --> 00:48:37,380

started selling that fake narrative in

968

00:48:40,910 --> 00:48:39,480

order to sell content oh these

969

00:48:42,410 --> 00:48:40,920

whistleblowers are coming out they're

970

00:48:45,050 --> 00:48:42,420

going to tell us all about that the

971

00:48:46,550 --> 00:48:45,060

captured alien spacecraft that the

972

00:48:50,270 --> 00:48:46,560

government's been hiding and back

973

00:48:52,490 --> 00:48:50,280

engineering sure sure this is UFO

974

00:48:54,589 --> 00:48:52,500

mythology and it has been for as long as

975

00:48:59,030 --> 00:48:54,599

I've been interested in and knew about

976

00:49:02,510 --> 00:48:59,040

this which is at least 20 30 years

977

00:49:04,309 --> 00:49:02,520

this has been UFO mythology but soon all

978

00:49:07,069 --> 00:49:04,319

that UFO mythology is going to be 100

979

00:49:09,230 --> 00:49:07,079

confirmed to be true and by the way I

980

00:49:10,790 --> 00:49:09,240

can't lie I hope it does that would be

981

00:49:14,450 --> 00:49:10,800

amazing that'd be interesting story

982

00:49:15,470 --> 00:49:14,460

wouldn't it uh but they started saying

983

00:49:19,670 --> 00:49:15,480

this stuff

984

00:49:22,250 --> 00:49:19,680

and uh so although Chrissy Newton uh too

985

00:49:23,930 --> 00:49:22,260

busy doing the UFO circle jerk couldn't

986

00:49:26,390 --> 00:49:23,940

ask

987

00:49:28,069 --> 00:49:26,400

him any questions about everything that

988

00:49:30,589 --> 00:49:28,079

we've covered here you know all the

989

00:49:32,690 --> 00:49:30,599

scammy stuff she she didn't have time to

990

00:49:35,690 --> 00:49:32,700

ask her about all the scammy stuff he's

991

00:49:38,809 --> 00:49:35,700

involved in but she's gonna ask him

992

00:49:41,329 --> 00:49:38,819

about unconfirmed garbage statements

993

00:49:44,089 --> 00:49:41,339

that he and Ross colgard has said about

994

00:49:47,150 --> 00:49:44,099

UFO crash retrieval programs which by

995

00:49:49,849 --> 00:49:47,160

the way has zero evidence zero proof

996

00:49:52,550 --> 00:49:49,859

trust me dude these whistleblowers are

997

00:49:56,690 --> 00:49:52,560

coming out sure great so she's got time

998

00:49:58,849 --> 00:49:56,700

to ask him about that but not about uh

999

00:50:01,430 --> 00:49:58,859

not about any of the scammy stuff that

1000

00:50:03,890 --> 00:50:01,440

he's involved in and uh by the way we're

1001
00:50:06,890 --> 00:50:03,900
going to put up our fair use Banner uh

1002
00:50:08,390 --> 00:50:06,900
lawyer letters are standing by this is a

1003
00:50:09,829 --> 00:50:08,400
transformative work we're educating the

1004
00:50:11,750 --> 00:50:09,839
public and we're critiquing the video

1005
00:50:13,490 --> 00:50:11,760
that we are sharing we're also using the

1006
00:50:15,290 --> 00:50:13,500
video that we're sharing to educate the

1007
00:50:17,809 --> 00:50:15,300
public about all the scammy stuff going

1008
00:50:19,849 --> 00:50:17,819
on in the so-called UFO Community this

1009
00:50:22,849 --> 00:50:19,859
is certainly covered under fair use and

1010
00:50:24,950 --> 00:50:22,859
allowable by law and uh this is

1011
00:50:27,530 --> 00:50:24,960
certainly a transformative work

1012
00:50:30,290 --> 00:50:27,540
and uh we're educating the public which

1013
00:50:31,790 --> 00:50:30,300

tips the balance in favor of fair use

1014

00:50:33,950 --> 00:50:31,800

further

1015

00:50:35,930 --> 00:50:33,960

should anyone falsely copyright claim me

1016

00:50:39,349 --> 00:50:35,940

I do have lawyer letter standing by and

1017

00:50:41,329 --> 00:50:39,359

I have one every single every single

1018

00:50:43,910 --> 00:50:41,339

copyright claim ever leveled against our

1019

00:50:47,030 --> 00:50:43,920

show in its uh

1020

00:50:49,130 --> 00:50:47,040

long history we've never lost one so if

1021

00:50:51,049 --> 00:50:49,140

you want to waste your time and have a

1022

00:50:53,450 --> 00:50:51,059

strike revert to your channel for

1023

00:50:55,910 --> 00:50:53,460

falsely copyright claiming me good luck

1024

00:50:58,490 --> 00:50:55,920

with that all right we're gonna share my

1025

00:51:00,290 --> 00:50:58,500

screen and uh again we're just going to

1026
00:51:02,809 --> 00:51:00,300
play some short clips from this I'm not

1027
00:51:04,849 --> 00:51:02,819
giving this Chrissy Newton

1028
00:51:08,809 --> 00:51:04,859
I'm not giving her

1029
00:51:11,089 --> 00:51:08,819
that that much of my time uh and

1030
00:51:13,970 --> 00:51:11,099
you know actually before we do this

1031
00:51:15,770 --> 00:51:13,980
there is something that I should do

1032
00:51:18,290 --> 00:51:15,780
I'm going to read you

1033
00:51:21,530 --> 00:51:18,300
the messages that I sent Chrissy Newton

1034
00:51:23,329 --> 00:51:21,540
and and in full disclosure I was angry

1035
00:51:25,010 --> 00:51:23,339
that she gets to do an interview knowing

1036
00:51:29,390 --> 00:51:25,020
that she was going to circle your Kim

1037
00:51:32,150 --> 00:51:29,400
and by the way that's what I uh

1038
00:51:34,190 --> 00:51:32,160

that's what I predicted and that's what

1039

00:51:35,630 --> 00:51:34,200

she did

1040

00:51:37,609 --> 00:51:35,640

uh

1041

00:51:40,670 --> 00:51:37,619

so

1042

00:51:43,069 --> 00:51:40,680

I said Ross deleted all of his tweets of

1043

00:51:46,069 --> 00:51:43,079

the promos and the piece was removed

1044

00:51:47,870 --> 00:51:46,079

from News 7 Spotlight YouTube channel

1045

00:51:50,750 --> 00:51:47,880

oh wait a minute let me I'm I'm getting

1046

00:51:55,309 --> 00:51:52,670

I sent her a message and I said what

1047

00:51:57,650 --> 00:51:55,319

Gary Nolan and Ross colthar did recently

1048

00:51:59,030 --> 00:51:57,660

maybe considered a form of Consumer

1049

00:52:01,130 --> 00:51:59,040

Fraud

1050

00:52:03,470 --> 00:52:01,140

they promised quote definitive proof of

1051
00:52:06,650 --> 00:52:03,480
alien technology in the promos to Ross's

1052
00:52:09,230 --> 00:52:06,660
newest mini documentary Gary had done

1053
00:52:11,569 --> 00:52:09,240
zero analysis on anything when the

1054
00:52:14,270 --> 00:52:11,579
promos were made or the doc piece aired

1055
00:52:17,030 --> 00:52:14,280
it was pure fraud to get monetized views

1056
00:52:18,829 --> 00:52:17,040
why don't you ask him about that instead

1057
00:52:21,589 --> 00:52:18,839
of giving him the UFO circle jerk

1058
00:52:25,130 --> 00:52:21,599
softball treatment like usual it's your

1059
00:52:27,290 --> 00:52:25,140
job to ask if you don't ask about why he

1060
00:52:30,290 --> 00:52:27,300
kept his mouth shut about the fact that

1061
00:52:33,049 --> 00:52:30,300
he didn't even begin the analysis of the

1062
00:52:34,970 --> 00:52:33,059
ball shavings then I will report on you

1063
00:52:37,849 --> 00:52:34,980

keeping your mail shut about that too

1064

00:52:40,309 --> 00:52:37,859

and and here we are and I'm reporting on

1065

00:52:44,450 --> 00:52:40,319

it because this girl knew all of this

1066

00:52:46,790 --> 00:52:44,460

these messages are November 21st she was

1067

00:52:48,890 --> 00:52:46,800

told all of this also you should ask

1068

00:52:52,430 --> 00:52:48,900

where the analysis and final report is

1069

00:52:55,430 --> 00:52:52,440

big surprise it's ordinary Earthly metal

1070

00:52:58,430 --> 00:52:55,440

fragments and samples no proof of alien

1071

00:53:00,890 --> 00:52:58,440

anything in other words another scam he

1072

00:53:04,250 --> 00:53:00,900

participated it in just like the Steven

1073

00:53:06,589 --> 00:53:04,260

Greer Atacama humanoid scam

1074

00:53:10,010 --> 00:53:06,599

P.S tell Ryan I said hi and thanks again

1075

00:53:12,710 --> 00:53:10,020

for deleting my report on Facebook

1076
00:53:18,530 --> 00:53:15,710
on so many in the UFO Community working

1077
00:53:20,809 --> 00:53:18,540
for a convicted child

1078
00:53:23,030 --> 00:53:20,819
you know what and keeping their mouth

1079
00:53:26,510 --> 00:53:23,040
shut about all of that guess you guys

1080
00:53:28,190 --> 00:53:26,520
got wise and left kgra though huh still

1081
00:53:30,530 --> 00:53:28,200
don't want people finding out your show

1082
00:53:34,069 --> 00:53:30,540
was there though I guess and in full

1083
00:53:36,770 --> 00:53:34,079
disclosure Chrissy Newton is the co-host

1084
00:53:37,970 --> 00:53:36,780
of Ryan Sprague on somewhere in the scam

1085
00:53:41,870 --> 00:53:37,980
podcast

1086
00:53:45,230 --> 00:53:41,880
uh you know and uh we did a story here

1087
00:53:47,030 --> 00:53:45,240
on kgra and how Richard Dolan and uh

1088
00:53:49,130 --> 00:53:47,040

Whitney Schreiber and all these other

1089

00:53:51,349 --> 00:53:49,140

famous UFO celebrities were all working

1090

00:53:54,430 --> 00:53:51,359

for a convicted

1091

00:53:57,710 --> 00:53:54,440

child guy who has problem with children

1092

00:53:58,970 --> 00:53:57,720

and uh Ryan Sprague was there as well

1093

00:54:01,430 --> 00:53:58,980

for a while

1094

00:54:04,069 --> 00:54:01,440

I didn't know that I posted it in a

1095

00:54:07,309 --> 00:54:04,079

Facebook group that he runs for you know

1096

00:54:10,549 --> 00:54:07,319

and they deleted my story

1097

00:54:14,690 --> 00:54:10,559

about kgra out of that Facebook group

1098

00:54:18,290 --> 00:54:14,700

right great really really great moral

1099

00:54:22,510 --> 00:54:18,300

and ethical people right this is all a

1100

00:54:27,049 --> 00:54:22,520

bunch of scammers clout Chasers and

1101
00:54:28,849 --> 00:54:27,059
just disgusting despicable people and

1102
00:54:30,530 --> 00:54:28,859
the more I am here the more I think I

1103
00:54:32,450 --> 00:54:30,540
got to get the hell out of here and I

1104
00:54:35,569 --> 00:54:32,460
have to surround myself with good people

1105
00:54:37,849 --> 00:54:35,579
moral people ethical people not slime

1106
00:54:40,549 --> 00:54:37,859
balls that work for child rapists and

1107
00:54:42,109 --> 00:54:40,559
then try to cover it up

1108
00:54:43,970 --> 00:54:42,119
all right

1109
00:54:46,609 --> 00:54:43,980
sorry get set here

1110
00:54:51,589 --> 00:54:49,430
she asks can you send me the link to

1111
00:54:53,690 --> 00:54:51,599
where Gary and Ross say that in Ross's

1112
00:54:56,510 --> 00:54:53,700
podcast I see nothing of them saying

1113
00:54:58,609 --> 00:54:56,520

about a silver ball so I sent her the

1114

00:55:00,829 --> 00:54:58,619

piece we did and tell her the promos are

1115

00:55:03,170 --> 00:55:00,839

in the very beginning she says this real

1116

00:55:04,609 --> 00:55:03,180

bright girl right I said the promos are

1117

00:55:07,549 --> 00:55:04,619

at the very beginning and I sent her a

1118

00:55:09,890 --> 00:55:07,559

link she says not your podcast send me

1119

00:55:12,890 --> 00:55:09,900

Ross's show where Gary and him said that

1120

00:55:14,870 --> 00:55:12,900

not very bright girl really really a

1121

00:55:18,049 --> 00:55:14,880

little dim this girl I mean I told her

1122

00:55:20,809 --> 00:55:18,059

it's right in the beginning but anyway

1123

00:55:22,609 --> 00:55:20,819

I I tell her Ross deleted all of his

1124

00:55:24,470 --> 00:55:22,619

tweets of the promos and the piece was

1125

00:55:25,609 --> 00:55:24,480

removed from News 7 Spotlight YouTube

1126
00:55:27,530 --> 00:55:25,619
channel

1127
00:55:30,170 --> 00:55:27,540
but it got over a million monetized

1128
00:55:33,170 --> 00:55:30,180
views by lying to people she says got ya

1129
00:55:35,930 --> 00:55:33,180
I'll watch it so she watched this before

1130
00:55:37,849 --> 00:55:35,940
uh before interviewing him and she

1131
00:55:40,849 --> 00:55:37,859
didn't care she just ignored everything

1132
00:55:43,430 --> 00:55:40,859
about all of this scammy [h__h] she

1133
00:55:46,250 --> 00:55:43,440
ignored everything scammy When She

1134
00:55:48,049 --> 00:55:46,260
interviewed him right but I think that

1135
00:55:50,750 --> 00:55:48,059
she did

1136
00:55:52,910 --> 00:55:50,760
do her job as a public relations person

1137
00:55:54,770 --> 00:55:52,920
and help him get around the fact that

1138
00:55:58,490 --> 00:55:54,780

he's involved in all this scammy stuff

1139

00:56:01,790 --> 00:55:58,500

and she doesn't even directly ask him

1140

00:56:04,069 --> 00:56:01,800

about the promos he just brings it up so

1141

00:56:05,690 --> 00:56:04,079

we know that most likely she talked to

1142

00:56:07,910 --> 00:56:05,700

him off air like oh this guy's Steve

1143

00:56:09,290 --> 00:56:07,920

campbians he's covering this and people

1144

00:56:12,170 --> 00:56:09,300

are saying that this is wrong and

1145

00:56:14,690 --> 00:56:12,180

there's a controversy here

1146

00:56:16,190 --> 00:56:14,700

I said it's in the promos for the piece

1147

00:56:17,630 --> 00:56:16,200

and those promos are at the very

1148

00:56:20,690 --> 00:56:17,640

beginning of my live show yesterday

1149

00:56:22,849 --> 00:56:20,700

quote we have conclusive proof testable

1150

00:56:24,829 --> 00:56:22,859

evidence of alien technology this

1151

00:56:27,230 --> 00:56:24,839

renowned scientist confirms it all and

1152

00:56:30,349 --> 00:56:27,240

then Nolan says quote the greatest

1153

00:56:32,270 --> 00:56:30,359

discovery in human history unquote ask

1154

00:56:34,309 --> 00:56:32,280

Nolan how much money he got paid to

1155

00:56:36,890 --> 00:56:34,319

participate in the Greer scam or this

1156

00:56:39,349 --> 00:56:36,900

Ross coldhart scam he isn't allowed to

1157

00:56:41,150 --> 00:56:39,359

use University resources Labs facilities

1158

00:56:43,549 --> 00:56:41,160

or Personnel like that

1159

00:56:45,770 --> 00:56:43,559

yet he did both times and then I sent

1160

00:56:47,990 --> 00:56:45,780

her the link to the Stanford University

1161

00:56:50,569 --> 00:56:48,000

code of ethics

1162

00:56:53,089 --> 00:56:50,579

which states

1163

00:56:54,589 --> 00:56:53,099

professors at least it appears to me

1164

00:56:56,690 --> 00:56:54,599

from their code of conduct they're not

1165

00:56:59,270 --> 00:56:56,700

allowed to use University Labs resources

1166

00:57:01,190 --> 00:56:59,280

and Personnel for personal gain

1167

00:57:04,309 --> 00:57:01,200

I said he's whoring out Stanford

1168

00:57:06,049 --> 00:57:04,319

University to UFO scammers Nolan refused

1169

00:57:08,329 --> 00:57:06,059

to answer me when I asked how much he

1170

00:57:10,190 --> 00:57:08,339

got paid in both cases please ask him

1171

00:57:12,950 --> 00:57:10,200

how much he got paid

1172

00:57:14,450 --> 00:57:12,960

uh she didn't ask anything about all

1173

00:57:17,150 --> 00:57:14,460

this scammy stuff you know what she did

1174

00:57:19,970 --> 00:57:17,160

ask him about clickbaitable garbage that

1175

00:57:22,370 --> 00:57:19,980

she knew would sell you know those

1176
00:57:25,309 --> 00:57:22,380
stories with absolutely no evidence or

1177
00:57:27,290 --> 00:57:25,319
proof about alien crash retrievals she

1178
00:57:29,450 --> 00:57:27,300
had time to ask him about that didn't

1179
00:57:31,430 --> 00:57:29,460
have time to ask him about any of the

1180
00:57:34,190 --> 00:57:31,440
scammy stuff that he's been involved in

1181
00:57:36,950 --> 00:57:34,200
right no time for that

1182
00:57:38,870 --> 00:57:36,960
so this is a transformative work uh

1183
00:57:41,809 --> 00:57:38,880
we're educating the public

1184
00:57:43,309 --> 00:57:41,819
uh yeah and this is from Chrissy

1185
00:57:45,650 --> 00:57:43,319
Newton's public

1186
00:57:47,510 --> 00:57:45,660
uh

1187
00:57:50,150 --> 00:57:47,520
well now you know I really did send her

1188
00:57:53,930 --> 00:57:50,160

the message that was the wrong thing to

1189

00:57:57,290 --> 00:57:53,940

share it's okay all right so uh

1190

00:57:59,089 --> 00:57:57,300

let me find the I have them I I tweeted

1191

00:58:01,370 --> 00:57:59,099

these out

1192

00:58:04,730 --> 00:58:01,380

all right we've got about 10 minutes to

1193

00:58:08,569 --> 00:58:04,740

go through so we won't be here too long

1194

00:58:11,030 --> 00:58:08,579

and isn't it interesting that I gave her

1195

00:58:13,849 --> 00:58:11,040

I gave her friends all the information

1196

00:58:16,549 --> 00:58:13,859

she needed and she refused to to address

1197

00:58:19,069 --> 00:58:16,559

any of that right because why should she

1198

00:58:21,829 --> 00:58:19,079

do her job as a journalist right

1199

00:58:25,309 --> 00:58:21,839

she's not a journalist she's a clown you

1200

00:58:27,829 --> 00:58:25,319

honey are a clam for what you did and

1201

00:58:30,410 --> 00:58:27,839

you are the reason that these scammy

1202

00:58:32,809 --> 00:58:30,420

people keep doing this [\h__\h] because you

1203

00:58:37,309 --> 00:58:32,819

don't do your job you just sit there and

1204

00:58:41,809 --> 00:58:39,170

and you know it's great she's working

1205

00:58:44,990 --> 00:58:41,819

with uh who's this Ryan Sprague who

1206

00:58:48,230 --> 00:58:45,000

deleted our story about uh

1207

00:58:49,849 --> 00:58:48,240

their program director deleted our story

1208

00:58:52,250 --> 00:58:49,859

out of his Facebook then claims he

1209

00:58:55,910 --> 00:58:52,260

doesn't know anything about it

1210

00:58:58,390 --> 00:58:55,920

I still have screenshots Ryan of the

1211

00:59:01,190 --> 00:58:58,400

notification from your Facebook group

1212

00:59:04,069 --> 00:59:01,200

and you saying that was deleted because

1213

00:59:07,010 --> 00:59:04,079

you didn't want to offend people that's

1214

00:59:10,370 --> 00:59:07,020

what you said Ryan Sprague you little

1215

00:59:13,730 --> 00:59:10,380

weasel you little rich boy right is your

1216

00:59:15,829 --> 00:59:13,740

mom and dad proud of you they paid for

1217

00:59:17,990 --> 00:59:15,839

your college didn't they they paid for

1218

00:59:21,289 --> 00:59:18,000

your college so that you could help UFO

1219

00:59:24,470 --> 00:59:21,299

scammers so fake stories about UFO and

1220

00:59:26,630 --> 00:59:24,480

aliens must be real proud of you right

1221

00:59:28,250 --> 00:59:26,640

and you know how I know he's a rich boy

1222

00:59:30,049 --> 00:59:28,260

whose mommy and daddy paid for his

1223

00:59:33,410 --> 00:59:30,059

college most likely because he just

1224

00:59:35,750 --> 00:59:33,420

moved to Scotland for no reason

1225

00:59:38,750 --> 00:59:35,760

Rich spoiled kids do that

1226

00:59:41,870 --> 00:59:38,760

all right let's get into this and uh I I

1227

00:59:44,150 --> 00:59:41,880

gotta get over this story because uh

1228

00:59:46,370 --> 00:59:44,160

it's pissing me off I'm tired of this

1229

00:59:48,349 --> 00:59:46,380

nonsense and I'm tired of all these

1230

00:59:51,109 --> 00:59:48,359

nonsense people in this thing you bunch

1231

00:59:55,490 --> 00:59:51,119

of you you all you're all a bunch of

1232

00:59:57,890 --> 00:59:55,500

goddamn spineless weasels all of you you

1233

01:00:00,230 --> 00:59:57,900

spineless weasel do you like seeing

1234

01:00:03,230 --> 01:00:00,240

people get taken advantage of do you

1235

01:00:05,329 --> 01:00:03,240

like people lying to everyone and making

1236

01:00:08,510 --> 01:00:05,339

tens of thousands hundreds of thousands

1237

01:00:11,210 --> 01:00:08,520

of dollars lying to everyone you must

1238

01:00:14,750 --> 01:00:11,220

you must because you all play the game

1239

01:00:17,030 --> 01:00:14,760

you bunch of spineless weasel UFO Circle

1240

01:00:19,609 --> 01:00:17,040

jerkers and I'm telling you that's over

1241

01:00:23,270 --> 01:00:19,619

we're gonna cover all you circle jerkers

1242

01:00:25,910 --> 01:00:23,280

now as many as I have time for and every

1243

01:00:28,190 --> 01:00:25,920

time somebody does the UFO circle jerk

1244

01:00:30,170 --> 01:00:28,200

with one of these scammers who does all

1245

01:00:32,630 --> 01:00:30,180

kinds of scammy [h__h] we're gonna talk

1246

01:00:34,730 --> 01:00:32,640

about it but first i'm gonna send the

1247

01:00:37,010 --> 01:00:34,740

people all the questions they should be

1248

01:00:39,650 --> 01:00:37,020

asking and then we'll talk about how

1249

01:00:42,289 --> 01:00:39,660

everyone's a spineless goddamn weasel in

1250

01:00:44,390 --> 01:00:42,299

this thing and doesn't do their job and

1251
01:00:46,370 --> 01:00:44,400
lives in a delusional fantasy world

1252
01:00:48,950 --> 01:00:46,380
pretending that all these people are

1253
01:00:51,829 --> 01:00:48,960
credible and all this shit's real it's

1254
01:00:55,609 --> 01:00:54,109
all right

1255
01:00:58,549 --> 01:00:55,619
so I'm getting a little hot on the

1256
01:01:01,190 --> 01:00:58,559
collar suddenly all right

1257
01:01:04,910 --> 01:01:01,200
all right we're gonna share our screen

1258
01:01:08,510 --> 01:01:04,920
and uh yeah great first we'll hear about

1259
01:01:10,309 --> 01:01:08,520
the alien technology uh crash retrievals

1260
01:01:11,990 --> 01:01:10,319
that there's absolutely no proof or

1261
01:01:14,329 --> 01:01:12,000
evidence of

1262
01:01:15,770 --> 01:01:14,339
uh but you know why let oh let me do

1263
01:01:18,049 --> 01:01:15,780

this one more time and make sure I got

1264

01:01:19,970 --> 01:01:18,059

the audio why let something like facts

1265

01:01:25,260 --> 01:01:19,980

or evidence get in a way of a good fake

1266

01:01:30,289 --> 01:01:28,069

[Music]

1267

01:01:31,789 --> 01:01:30,299

fair use that whistleblowers are

1268

01:01:33,230 --> 01:01:31,799

obviously coming forward and are going

1269

01:01:34,549 --> 01:01:33,240

to say that you know we're going to

1270

01:01:35,870 --> 01:01:34,559

testify and are going to say that

1271

01:01:37,730 --> 01:01:35,880

they've obviously touched it or

1272

01:01:39,230 --> 01:01:37,740

experienced it you know where are you

1273

01:01:40,670 --> 01:01:39,240

with that in your data is there any

1274

01:01:42,950 --> 01:01:40,680

other new data that you're that you're

1275

01:01:45,549 --> 01:01:42,960

analyzing and do you know who these

1276

01:01:49,010 --> 01:01:45,559

whistleblowers are isn't it interesting

1277

01:01:51,410 --> 01:01:49,020

that's she's not asking a question

1278

01:01:52,970 --> 01:01:51,420

she's making a statement all of these

1279

01:01:55,430 --> 01:01:52,980

people that have touched this alien

1280

01:01:58,190 --> 01:01:55,440

technology are going to come forward and

1281

01:02:00,710 --> 01:01:58,200

they're going to testify says who where

1282

01:02:02,870 --> 01:02:00,720

are you getting this from are you that

1283

01:02:05,930 --> 01:02:02,880

dumb where are you getting this from

1284

01:02:08,569 --> 01:02:05,940

you're just repeating stories people

1285

01:02:10,670 --> 01:02:08,579

told you that you like does that make

1286

01:02:12,470 --> 01:02:10,680

you feel warm and fuzzy inside Chrissy

1287

01:02:15,349 --> 01:02:12,480

Newton that somebody's going to come and

1288

01:02:18,230 --> 01:02:15,359

testify about alien crash retrievals

1289

01:02:20,510 --> 01:02:18,240

he's she is repeating right back to

1290

01:02:23,510 --> 01:02:20,520

these UFO celebrity clowns their own

1291

01:02:25,190 --> 01:02:23,520

talking points that's how you know she's

1292

01:02:27,309 --> 01:02:25,200

in on this

1293

01:02:30,109 --> 01:02:27,319

and can you name some to me

1294

01:02:31,490 --> 01:02:30,119

well or not and will this happen

1295

01:02:32,930 --> 01:02:31,500

potentially next year

1296

01:02:34,190 --> 01:02:32,940

I'm going to be very careful because I

1297

01:02:35,569 --> 01:02:34,200

got in trouble

1298

01:02:38,390 --> 01:02:35,579

um for even saying some of the things

1299

01:02:40,309 --> 01:02:38,400

I've said uh hell how did he get in

1300

01:02:41,329 --> 01:02:40,319

trouble who got him who got him in

1301

01:02:43,190 --> 01:02:41,339

trouble

1302

01:02:46,309 --> 01:02:43,200

this is

1303

01:02:52,069 --> 01:02:50,089

fairy tales right oh I got in trouble

1304

01:02:54,470 --> 01:02:52,079

as if to imply that somebody from the

1305

01:02:57,049 --> 01:02:54,480

government came and sat on his dick or

1306

01:02:58,730 --> 01:02:57,059

something right right stepped on his

1307

01:03:00,890 --> 01:02:58,740

dick and said hey what are you talking

1308

01:03:02,809 --> 01:03:00,900

about those aliens for Gary Nolan you're

1309

01:03:06,410 --> 01:03:02,819

in trouble now

1310

01:03:10,130 --> 01:03:06,420

no more unverified nonsense

1311

01:03:11,990 --> 01:03:10,140

but um so first let's talk about the

1312

01:03:14,990 --> 01:03:12,000

whistleblower law and what it really

1313

01:03:17,750 --> 01:03:15,000

says it doesn't say they can come

1314

01:03:21,170 --> 01:03:17,760

forward and talk on 60 Minutes right as

1315

01:03:23,150 --> 01:03:21,180

the bacon come forward and uh tell

1316

01:03:24,829 --> 01:03:23,160

people in Congress

1317

01:03:26,210 --> 01:03:24,839

what it is that they've seen

1318

01:03:27,349 --> 01:03:26,220

now that doesn't mean that Congress

1319

01:03:30,349 --> 01:03:27,359

couldn't turn around and talk about it

1320

01:03:32,750 --> 01:03:30,359

publicly in fact they probably won't

1321

01:03:35,390 --> 01:03:32,760

um I mean Burchette and others have

1322

01:03:37,670 --> 01:03:35,400

already seen the private briefings and

1323

01:03:40,970 --> 01:03:37,680

your chat to the extent that he said

1324

01:03:46,069 --> 01:03:43,010

um this was technology it was clearly a

1325

01:03:47,930 --> 01:03:46,079

disc it wasn't a balloon it wasn't a

1326

01:03:49,789 --> 01:03:47,940

seagull it wasn't half a dozen other

1327

01:03:52,730 --> 01:03:49,799

things that people claimed not swamp gas

1328

01:03:55,609 --> 01:03:52,740

Etc and here we have Tim perchet who was

1329

01:03:57,349 --> 01:03:55,619

also paid I believe to be a part of Ross

1330

01:03:58,910 --> 01:03:57,359

callthart's project or at least he

1331

01:04:01,490 --> 01:03:58,920

participated in it

1332

01:04:04,490 --> 01:04:01,500

it's interesting that all of these UFO

1333

01:04:06,829 --> 01:04:04,500

clowns they the only backup that they

1334

01:04:08,690 --> 01:04:06,839

have is each other well this this

1335

01:04:10,670 --> 01:04:08,700

Congressman said that he saw this

1336

01:04:12,410 --> 01:04:10,680

information and it was technology it was

1337

01:04:14,210 --> 01:04:12,420

a disc great show us the proof

1338

01:04:18,370 --> 01:04:14,220

congressman

1339

01:04:21,589 --> 01:04:18,380

or is this just a bunch of delusional

1340

01:04:24,230 --> 01:04:21,599

Fantasyland people who are all stuck in

1341

01:04:26,750 --> 01:04:24,240

the same delusion reinforcing each

1342

01:04:29,390 --> 01:04:26,760

other's delusions we saw how Chrissy

1343

01:04:31,490 --> 01:04:29,400

Newton is reinforcing his delusions

1344

01:04:33,470 --> 01:04:31,500

right at the beginning of this repeating

1345

01:04:35,329 --> 01:04:33,480

his own talking points back to him oh

1346

01:04:37,970 --> 01:04:35,339

yeah people are going to testify those

1347

01:04:41,210 --> 01:04:37,980

are Ross colthard and his talking points

1348

01:04:44,329 --> 01:04:41,220

Chrissy and you repeated them like a a

1349

01:04:45,470 --> 01:04:44,339

you know like a dummy Barbie parrot

1350

01:04:47,870 --> 01:04:45,480

great job

1351

01:04:50,450 --> 01:04:47,880

you're a journalist now

1352

01:04:51,770 --> 01:04:50,460

uh it wasn't a it wasn't a Chinese drone

1353

01:04:54,349 --> 01:04:51,780

you know

1354

01:04:56,450 --> 01:04:54,359

um whatever the latest excuses that they

1355

01:04:58,010 --> 01:04:56,460

seem to be throwing out

1356

01:04:59,510 --> 01:04:58,020

um so

1357

01:05:02,089 --> 01:04:59,520

I think yes it'll come forward

1358

01:05:04,430 --> 01:05:02,099

internally whether it sees the light of

1359

01:05:07,730 --> 01:05:04,440

day by the way it's hard to tell from

1360

01:05:11,569 --> 01:05:07,740

the quality of this video but I'm almost

1361

01:05:13,430 --> 01:05:11,579

positive I you know uh Gary Nolan and I

1362

01:05:16,010 --> 01:05:13,440

don't know why this bothers me but it

1363

01:05:17,450 --> 01:05:16,020

does it appears that Gary Nolan was

1364

01:05:19,490 --> 01:05:17,460

wearing mascara

1365

01:05:22,789 --> 01:05:19,500

during this interview

1366

01:05:24,950 --> 01:05:22,799

and maybe a little bit of eyeliner and

1367

01:05:27,349 --> 01:05:24,960

uh having come from the rock world I got

1368

01:05:30,230 --> 01:05:27,359

nothing against a man wearing makeup but

1369

01:05:33,049 --> 01:05:30,240

it it's a little distracting when you

1370

01:05:35,890 --> 01:05:33,059

see this at high quality and Dr Gary

1371

01:05:38,930 --> 01:05:35,900

Nolan has these big black beautiful

1372

01:05:41,809 --> 01:05:38,940

eyelashes it's a little distracting it

1373

01:05:45,049 --> 01:05:41,819

reminded me of the cartoon you ever see

1374

01:05:47,630 --> 01:05:45,059

a cartoon of like Pepe Le Pew and the

1375

01:05:49,430 --> 01:05:47,640

girl cat or whatever with the big Brushy

1376

01:05:52,309 --> 01:05:49,440

eyebrows I don't know why we're going

1377

01:05:56,030 --> 01:05:52,319

off on a tangent about not his eyebrows

1378

01:05:59,390 --> 01:05:56,040

his eyelashes why would you go do a

1379

01:06:02,930 --> 01:05:59,400

serious uh interview with a science and

1380

01:06:06,049 --> 01:06:02,940

technology journalist yeah right

1381

01:06:09,049 --> 01:06:06,059

Jesus Science and Technology journalists

1382

01:06:12,069 --> 01:06:09,059

and wear a whole bunch of mascara and

1383

01:06:16,130 --> 01:06:12,079

give yourself big bushy beautiful

1384

01:06:19,549 --> 01:06:16,140

eyelashes like a woman I don't get it

1385

01:06:20,690 --> 01:06:19,559

is another another point and and I mean

1386

01:06:24,049 --> 01:06:20,700

along the shorter it is there are people

1387

01:06:25,670 --> 01:06:24,059

who know for sure and so

1388

01:06:27,049 --> 01:06:25,680

um and I just I just shouldn't say

1389

01:06:28,670 --> 01:06:27,059

anymore because I I there's

1390

01:06:30,529 --> 01:06:28,680

conversations I'm hearing of people

1391

01:06:33,349 --> 01:06:30,539

Gathering whistleblowers right now like

1392

01:06:35,630 --> 01:06:33,359

I'm hearing that in there and I'm great

1393

01:06:37,250 --> 01:06:35,640

name names Chrissy Newton who are you

1394

01:06:40,069 --> 01:06:37,260

hearing that from who's telling you that

1395

01:06:42,109 --> 01:06:40,079

Ross colpark the disgraced Australian

1396

01:06:44,390 --> 01:06:42,119

journalist who just got caught lying to

1397

01:06:46,430 --> 01:06:44,400

everybody about having quote conclusive

1398

01:06:49,130 --> 01:06:46,440

proof of alien technology that you're

1399

01:06:51,529 --> 01:06:49,140

too lazy to ask about all this scammy

1400

01:06:55,010 --> 01:06:51,539

stuff who's telling you that they're all

1401

01:06:57,589 --> 01:06:55,020

just oh trust me dude people are coming

1402

01:06:59,450 --> 01:06:57,599

forward and by the way I do hope that

1403

01:07:01,190 --> 01:06:59,460

really does happen but I'll believe it

1404

01:07:03,650 --> 01:07:01,200

when I see it sorry in my own space

1405

01:07:05,270 --> 01:07:03,660

because there are you know you have lots

1406

01:07:06,589 --> 01:07:05,280

of hearsay of things that you hear and

1407

01:07:07,970 --> 01:07:06,599

obviously you need evidence and proof

1408

01:07:09,770 --> 01:07:07,980

and let those people come forward but

1409

01:07:11,930 --> 01:07:09,780

they're Gathering them right now

1410

01:07:14,450 --> 01:07:11,940

um who who's Gathering them and who are

1411

01:07:16,069 --> 01:07:14,460

the people can I interview them can I

1412

01:07:17,809 --> 01:07:16,079

interview the people Gathering them that

1413

01:07:20,270 --> 01:07:17,819

you're hearing from that are gathering

1414

01:07:23,750 --> 01:07:20,280

them or are you just telling fairy tales

1415

01:07:26,150 --> 01:07:23,760

too and reinforcing delusions of other

1416

01:07:28,609 --> 01:07:26,160

people who told you the same fairy tales

1417

01:07:30,950 --> 01:07:28,619

this is ridiculous this is supposed to

1418

01:07:34,970 --> 01:07:30,960

be a science and technology journalist

1419

01:07:36,289 --> 01:07:34,980

great and I don't know yeah do you know

1420

01:07:38,390 --> 01:07:36,299

what areas these people might be coming

1421

01:07:40,309 --> 01:07:38,400

from though if it's either like if it's

1422

01:07:41,990 --> 01:07:40,319

if it's let's say Pilots it's just if

1423

01:07:43,609 --> 01:07:42,000

it's government is it you know or as a

1424

01:07:46,010 --> 01:07:43,619

politicians like who are are these

1425

01:07:47,630 --> 01:07:46,020

people have you heard in what areas

1426

01:07:49,910 --> 01:07:47,640

um of culture are they coming from what

1427

01:07:52,250 --> 01:07:49,920

spectrum of culture broadly speaking

1428

01:07:54,109 --> 01:07:52,260

government okay I think that's probably

1429

01:07:55,789 --> 01:07:54,119

I can't I can't get in trouble for

1430

01:07:58,010 --> 01:07:55,799

saying that but

1431

01:07:59,930 --> 01:07:58,020

um they probably still will get in

1432

01:08:02,390 --> 01:07:59,940

trouble and get in trouble all the time

1433

01:08:04,309 --> 01:08:02,400

um oh he's such a dangerous man he's

1434

01:08:06,589 --> 01:08:04,319

getting in trouble all the time for

1435

01:08:09,529 --> 01:08:06,599

giving us too much proof about those

1436

01:08:11,569 --> 01:08:09,539

aliens by the way

1437

01:08:13,609 --> 01:08:11,579

I don't know if it's relevant or not but

1438

01:08:16,550 --> 01:08:13,619

do you know who also works for the

1439

01:08:19,430 --> 01:08:16,560

debrief Christina Gomez works for the

1440

01:08:20,689 --> 01:08:19,440

debrief that's how I know it's garbage

1441

01:08:22,910 --> 01:08:20,699

organization

1442

01:08:24,950 --> 01:08:22,920

right let's just

1443

01:08:27,349 --> 01:08:24,960

give this girl a job who works with

1444

01:08:30,110 --> 01:08:27,359

Jimmy Church the guy who has interviewed

1445

01:08:32,030 --> 01:08:30,120

more UFO scammers and helped more UFO

1446

01:08:34,189 --> 01:08:32,040

scammers sell their fake Wares than

1447

01:08:36,890 --> 01:08:34,199

anyone on planet Earth

1448

01:08:39,110 --> 01:08:36,900

right she's his co-host do you see how

1449

01:08:41,269 --> 01:08:39,120

it's all so chummy it's this big club

1450

01:08:42,829 --> 01:08:41,279

right I'll be your co-host you'd be my

1451

01:08:46,669 --> 01:08:42,839

co-host I'll get you a job on the

1452

01:08:48,229 --> 01:08:46,679

debrief you get me a job uh Ryan Sprague

1453

01:08:51,470 --> 01:08:48,239

you could go work with him with

1454

01:08:53,390 --> 01:08:51,480

somewhere in the scam podcast right by

1455

01:08:55,249 --> 01:08:53,400

the way Ryan sprock how many times have

1456

01:08:56,809 --> 01:08:55,259

you interviewed Richard Dolan do you

1457

01:08:59,630 --> 01:08:56,819

ever ask him about the Roswell slide

1458

01:09:01,430 --> 01:08:59,640

scam that he participated in

1459

01:09:03,110 --> 01:09:01,440

do you ever ask him about interviewing a

1460

01:09:05,390 --> 01:09:03,120

dead man to sell a fake story did you

1461

01:09:07,189 --> 01:09:05,400

ever interview him ask him any questions

1462

01:09:10,309 --> 01:09:07,199

about claiming to be in possession of

1463

01:09:13,130 --> 01:09:10,319

classified top secret government UFO

1464

01:09:14,990 --> 01:09:13,140

information he had to walk that one back

1465

01:09:17,749 --> 01:09:15,000

and how many times did you get to

1466

01:09:19,490 --> 01:09:17,759

interview him Ryan Sprague

1467

01:09:23,450 --> 01:09:19,500

that's why you get the interviews

1468

01:09:26,930 --> 01:09:23,460

because you're a circle jerk jerk off

1469

01:09:29,150 --> 01:09:26,940

Ryan Sprague you are there to be a

1470

01:09:31,430 --> 01:09:29,160

useful idiot and so is this Chrissy

1471

01:09:33,890 --> 01:09:31,440

Newton that's how all this works that's

1472

01:09:35,990 --> 01:09:33,900

why it works because there's a line of

1473

01:09:38,510 --> 01:09:36,000

useful idiots waiting to circle jerk

1474

01:09:41,150 --> 01:09:38,520

these guys repeat their talking points

1475

01:09:45,410 --> 01:09:41,160

back to them not be critical and help

1476

01:09:49,070 --> 01:09:45,420

them sell provably fake stories provably

1477

01:09:53,709 --> 01:09:51,229

and now we have the slightly longer

1478

01:09:56,810 --> 01:09:53,719

version by the way I want to thank

1479

01:09:58,490 --> 01:09:56,820

Joelle at Future folklore they're

1480

01:10:01,010 --> 01:09:58,500

obviously coming forward sorry Nick

1481

01:10:03,830 --> 01:10:01,020

Madrid who I I didn't feel like making

1482

01:10:05,810 --> 01:10:03,840

clips and they had the relevant Clips uh

1483

01:10:09,830 --> 01:10:05,820

Twitter is a public space a wonderful

1484

01:10:11,330 --> 01:10:09,840

resource and uh I'm glad that let me do

1485

01:10:14,030 --> 01:10:11,340

this one more time and again make sure I

1486

01:10:15,650 --> 01:10:14,040

I always forget yep share system audio

1487

01:10:19,149 --> 01:10:15,660

we would have had it it would have been

1488

01:10:24,590 --> 01:10:22,729

UFO Judas at Cosmic diarrhea I retweeted

1489

01:10:26,590 --> 01:10:24,600

this Nick Pope's five-point plan over

1490

01:10:29,209 --> 01:10:26,600

for the government I don't know if the

1491

01:10:31,970 --> 01:10:29,219

music is copyright I'm gonna check that

1492

01:10:33,770 --> 01:10:31,980

and play it but uh apparently Nick Pope

1493

01:10:35,450 --> 01:10:33,780

wants to overthrow the government and

1494

01:10:37,610 --> 01:10:35,460

just destroy whole parks of the United

1495

01:10:40,189 --> 01:10:37,620

States government in order to get you a

1496

01:10:43,010 --> 01:10:40,199

full disclosure it's so ridiculous

1497

01:10:44,330 --> 01:10:43,020

welcome to the Wacky World of UFOs all

1498

01:10:46,490 --> 01:10:44,340

right here we go

1499

01:10:51,470 --> 01:10:46,500

you know so for instance these metal

1500

01:10:53,270 --> 01:10:51,480

spheres uh of Ross culhart right there I

1501

01:10:55,430 --> 01:10:53,280

had I was going to ask you about that

1502

01:10:57,649 --> 01:10:55,440

because there's sure remember all those

1503

01:10:59,750 --> 01:10:57,659

questions I gave her she was gonna ask

1504

01:11:03,350 --> 01:10:59,760

him about that but she asked him about

1505

01:11:05,270 --> 01:11:03,360

his alien experiences and about Crash

1506

01:11:07,010 --> 01:11:05,280

retrievals does she sure people are

1507

01:11:09,229 --> 01:11:07,020

going to touch she didn't ask him any of

1508

01:11:11,750 --> 01:11:09,239

our questions and even here she doesn't

1509

01:11:14,390 --> 01:11:11,760

ask any of the questions which is how we

1510

01:11:18,410 --> 01:11:14,400

know that she's in on the game she she

1511

01:11:19,850 --> 01:11:18,420

probably uh informed him of like well

1512

01:11:21,709 --> 01:11:19,860

people are saying all this stuff and

1513

01:11:23,750 --> 01:11:21,719

Steve cambian's covering this scam you

1514

01:11:26,870 --> 01:11:23,760

did you you better talk about it that's

1515

01:11:30,229 --> 01:11:26,880

my informed speculation why else would

1516

01:11:32,390 --> 01:11:30,239

Gary Nolan just offer all these excuses

1517

01:11:34,430 --> 01:11:32,400

that he's going to offer now she didn't

1518

01:11:37,370 --> 01:11:34,440

ask him the question about that she did

1519

01:11:40,370 --> 01:11:37,380

not ask him about that at all he just

1520

01:11:43,250 --> 01:11:40,380

starts volunteering all this stuff about

1521

01:11:46,010 --> 01:11:43,260

uh what we've been covering but it's

1522

01:11:49,010 --> 01:11:46,020

good to know that Gary Nolan is watching

1523

01:11:53,090 --> 01:11:49,020

my show right if nothing else we help

1524

01:11:55,370 --> 01:11:53,100

the UFO hucksters huckster better right

1525

01:11:57,950 --> 01:11:55,380

they watch our show figure out oh yeah

1526

01:12:00,350 --> 01:11:57,960

that is pretty that is too obvious way

1527

01:12:01,850 --> 01:12:00,360

to sell a fake story Steve cambians got

1528

01:12:04,430 --> 01:12:01,860

me by the balls we'll have to do a

1529

01:12:06,530 --> 01:12:04,440

better job faking stuff next time great

1530

01:12:08,390 --> 01:12:06,540

but she didn't even ask him but he

1531

01:12:10,370 --> 01:12:08,400

starts volunteering all these excuses

1532

01:12:13,189 --> 01:12:10,380

about the promos and the ball shavings

1533

01:12:15,410 --> 01:12:13,199

and where the analysis is it's great you

1534

01:12:20,689 --> 01:12:15,420

know so for instance these metal spheres

1535

01:12:22,010 --> 01:12:20,699

uh of Ross culhart right yeah I had I

1536

01:12:24,050 --> 01:12:22,020

was going to ask you about that because

1537

01:12:26,270 --> 01:12:24,060

there's so much online controversy and I

1538

01:12:28,130 --> 01:12:26,280

hate bringing up UFO Twitter for not

1539

01:12:29,810 --> 01:12:28,140

that I love UFO Twitter because I love

1540

01:12:31,669 --> 01:12:29,820

that there's conversation in the space

1541

01:12:33,530 --> 01:12:31,679

but I hate just the gossip that's in

1542

01:12:35,149 --> 01:12:33,540

that Community but I have to bring it up

1543

01:12:37,370 --> 01:12:35,159

because they're saying

1544

01:12:38,390 --> 01:12:37,380

by the way this is a public relations

1545

01:12:40,850 --> 01:12:38,400

person

1546

01:12:46,970 --> 01:12:40,860

she's saying that my questions are

1547

01:12:49,850 --> 01:12:46,980

simply gossip no you we uh UFO Barbie we

1548

01:12:52,910 --> 01:12:49,860

have the facts and we have all the

1549

01:12:55,490 --> 01:12:52,920

evidence and we have all the backup for

1550

01:12:58,310 --> 01:12:55,500

it all and you're gonna say that it's

1551

01:13:01,070 --> 01:12:58,320

just rumors rumors right people are just

1552

01:13:03,530 --> 01:13:01,080

spreading rumors no we're spreading

1553

01:13:05,290 --> 01:13:03,540

facts in the truth while you're helping

1554

01:13:09,530 --> 01:13:05,300

this idiot

1555

01:13:13,430 --> 01:13:09,540

weasel out of the one of the biggest

1556

01:13:15,709 --> 01:13:13,440

fake UFO hoax scams that there has been

1557

01:13:17,570 --> 01:13:15,719

in recent times how much money did they

1558

01:13:19,189 --> 01:13:17,580

make Chrissy Newton how much money did

1559

01:13:21,229 --> 01:13:19,199

you make sitting there circle jerking

1560

01:13:23,689 --> 01:13:21,239

this guy how much money did you make

1561

01:13:27,410 --> 01:13:23,699

Chrissy Newton by being willing to throw

1562

01:13:30,709 --> 01:13:27,420

your ethics your morality and every uh

1563

01:13:31,910 --> 01:13:30,719

semblance of being a decent and good

1564

01:13:34,550 --> 01:13:31,920

person

1565

01:13:36,830 --> 01:13:34,560

and holding people accountable for their

1566

01:13:38,390 --> 01:13:36,840

actions how much money are you making

1567

01:13:41,090 --> 01:13:38,400

for doing this

1568

01:13:43,910 --> 01:13:41,100

and why isn't it why isn't why isn't uh

1569

01:13:45,649 --> 01:13:43,920

Gary come out with the the hasn't

1570

01:13:47,270 --> 01:13:45,659

analyzed yet why isn't that what's going

1571

01:13:49,970 --> 01:13:47,280

on with the sphere by the way Chrissy

1572

01:13:52,910 --> 01:13:49,980

you were informed they already promised

1573

01:13:56,090 --> 01:13:52,920

conclusive proof of alien technology

1574

01:13:58,970 --> 01:13:56,100

and the piece and at that point

1575

01:14:01,310 --> 01:13:58,980

Gary Nolan had not even begun the

1576

01:14:03,110 --> 01:14:01,320

analysis yet why didn't he ask him about

1577

01:14:05,390 --> 01:14:03,120

that why would you promise conclusive

1578

01:14:08,689 --> 01:14:05,400

proof of alien technology before he even

1579

01:14:10,370 --> 01:14:08,699

began the analysis oh that's right you

1580

01:14:12,410 --> 01:14:10,380

couldn't do the circle jerk if you asked

1581

01:14:16,970 --> 01:14:12,420

real questions right you had to do the

1582

01:14:17,570 --> 01:14:16,980

softball circle jerk I get it yeah it's

1583

01:14:19,310 --> 01:14:17,580

um

1584

01:14:22,310 --> 01:14:19,320

so first of all

1585

01:14:24,890 --> 01:14:22,320

Ross had no control over what the what

1586

01:14:27,410 --> 01:14:24,900

the advertisers did for his show I mean

1587

01:14:29,149 --> 01:14:27,420

so anybody who thinks that you know he

1588

01:14:30,410 --> 01:14:29,159

was the one who's who wrote All the

1589

01:14:32,630 --> 01:14:30,420

headlines

1590

01:14:38,390 --> 01:14:32,640

who

1591

01:14:40,430 --> 01:14:38,400

there and said we have quote conclusive

1592

01:14:42,649 --> 01:14:40,440

proof of alien technology all confirmed

1593

01:14:45,649 --> 01:14:42,659

by this man who stood there in a vocal

1594

01:14:48,110 --> 01:14:45,659

booth maybe Gary Nolan uh being a rich

1595

01:14:50,030 --> 01:14:48,120

boy scientist right has never had a real

1596

01:14:52,189 --> 01:14:50,040

job but I worked in a recording studio

1597

01:14:54,290 --> 01:14:52,199

and a video studio in a production

1598

01:14:56,450 --> 01:14:54,300

studio and I know how these things are

1599

01:14:59,630 --> 01:14:56,460

put together Gary Nolan you got to get

1600

01:15:01,910 --> 01:14:59,640

the the talent the on-screen talent to

1601
01:15:03,290 --> 01:15:01,920
come into the vocal booth and read the

1602
01:15:08,750 --> 01:15:03,300
promo copy

1603
01:15:12,229 --> 01:15:08,760
whose fault is it Gary Nolan is now

1604
01:15:14,810 --> 01:15:12,239
blaming the advertisers it wasn't the

1605
01:15:17,750 --> 01:15:14,820
advertisers who made that promo it was

1606
01:15:20,390 --> 01:15:17,760
your friend Ross colgard who made that

1607
01:15:22,790 --> 01:15:20,400
promo promising quote conclusive proof

1608
01:15:24,290 --> 01:15:22,800
of alien technology

1609
01:15:26,870 --> 01:15:24,300
he's like you know this you write an

1610
01:15:29,570 --> 01:15:26,880
article and the the news the people

1611
01:15:31,370 --> 01:15:29,580
behind the scenes right the headline and

1612
01:15:33,470 --> 01:15:31,380
you know you don't have much to say

1613
01:15:36,470 --> 01:15:33,480

about what the headline is yes he did

1614

01:15:38,390 --> 01:15:36,480

have say the moment that promo aired a

1615

01:15:40,910 --> 01:15:38,400

moral ethical person would have made a

1616

01:15:44,090 --> 01:15:40,920

statement correcting the record saying

1617

01:15:47,030 --> 01:15:44,100

no Gary Nolan has not even begun the

1618

01:15:49,310 --> 01:15:47,040

analysis yet and Gary Nolan if he was a

1619

01:15:51,770 --> 01:15:49,320

moral or ethical person would have

1620

01:15:53,930 --> 01:15:51,780

equally released a statement saying I

1621

01:15:56,030 --> 01:15:53,940

disagree with these promos I haven't

1622

01:15:58,310 --> 01:15:56,040

even begun my analysis work we don't

1623

01:16:00,770 --> 01:15:58,320

have proof of alien anything don't get

1624

01:16:03,830 --> 01:16:00,780

overly excited nobody released anything

1625

01:16:05,209 --> 01:16:03,840

they just sat there and let the LIE

1626
01:16:08,330 --> 01:16:05,219
Fester

1627
01:16:11,149 --> 01:16:08,340
until they got caught due to our

1628
01:16:13,430 --> 01:16:11,159
excellent coverage of this whole thing

1629
01:16:15,590 --> 01:16:13,440
and now they're all doing the cosmicon

1630
01:16:19,010 --> 01:16:15,600
shuffle even bringing in a public

1631
01:16:21,290 --> 01:16:19,020
relations person to try to salvage

1632
01:16:22,610 --> 01:16:21,300
whatever credibility they think they

1633
01:16:24,470 --> 01:16:22,620
have

1634
01:16:26,330 --> 01:16:24,480
great

1635
01:16:31,790 --> 01:16:26,340
um from your own article

1636
01:16:34,070 --> 01:16:31,800
uh same thing for for Ross uh so yeah

1637
01:16:36,290 --> 01:16:34,080
he's giving me materials I'll have it I

1638
01:16:38,630 --> 01:16:36,300

have a bunch of other materials but a

1639

01:16:41,270 --> 01:16:38,640

one-off analysis

1640

01:16:43,790 --> 01:16:41,280

done just on that material so what are

1641

01:16:47,270 --> 01:16:43,800

you going to get it's got iron it's got

1642

01:16:49,610 --> 01:16:47,280

a few other things in it and maybe some

1643

01:16:52,070 --> 01:16:49,620

carbon nickel

1644

01:16:54,050 --> 01:16:52,080

okay so what

1645

01:16:57,770 --> 01:16:54,060

what do you mean so what this is where

1646

01:17:00,110 --> 01:16:57,780

he is misleading everyone and by the way

1647

01:17:01,910 --> 01:17:00,120

uh maybe we should post a poll who had

1648

01:17:05,750 --> 01:17:01,920

better eyelashes during this interview

1649

01:17:07,729 --> 01:17:05,760

Chrissy Newton or Gary Nolan

1650

01:17:09,830 --> 01:17:07,739

I think it's a tough call it's a tough

1651
01:17:11,570 --> 01:17:09,840
call who had better eyelashes I I don't

1652
01:17:14,149 --> 01:17:11,580
know if they trade it back and forth

1653
01:17:16,430 --> 01:17:14,159
mascara tips here or what but

1654
01:17:19,070 --> 01:17:16,440
boy all right so

1655
01:17:21,590 --> 01:17:19,080
we have detailed this before he's going

1656
01:17:23,810 --> 01:17:21,600
to argue that at one point analysis is

1657
01:17:25,189 --> 01:17:23,820
not enough to determine if it's alien or

1658
01:17:27,830 --> 01:17:25,199
not yes it is

1659
01:17:31,430 --> 01:17:27,840
and I can't believe that I have to argue

1660
01:17:33,890 --> 01:17:31,440
with a professor about this but I did

1661
01:17:36,050 --> 01:17:33,900
work at the Drexel robotics lab I know

1662
01:17:39,470 --> 01:17:36,060
what a mass spectrometer is and I know

1663
01:17:41,149 --> 01:17:39,480

what it is capable of Gary Nolan you

1664

01:17:43,390 --> 01:17:41,159

could put the materials into a mass

1665

01:17:46,550 --> 01:17:43,400

spectrometer capable of isotopic

1666

01:17:49,610 --> 01:17:46,560

analysis and it will instantly tell you

1667

01:17:51,350 --> 01:17:49,620

if that material is from Earthly origin

1668

01:17:53,510 --> 01:17:51,360

or somewhere else

1669

01:17:57,410 --> 01:17:53,520

that instantly takes some time to run

1670

01:17:59,810 --> 01:17:57,420

the analysis but now comes to cosmicon

1671

01:18:03,290 --> 01:17:59,820

shuffle now we got to make excuses for

1672

01:18:05,450 --> 01:18:03,300

why that analysis work isn't done right

1673

01:18:07,610 --> 01:18:05,460

what does he want to do overwhelm us

1674

01:18:09,590 --> 01:18:07,620

with nonsense just do the mass

1675

01:18:11,810 --> 01:18:09,600

spectrometer analysis and tell us if

1676

01:18:15,169 --> 01:18:11,820

it's alien metals from another star

1677

01:18:17,030 --> 01:18:15,179

system or not it's very simple Gary and

1678

01:18:19,130 --> 01:18:17,040

you said it would be done in a month and

1679

01:18:20,390 --> 01:18:19,140

here we are what four months later maybe

1680

01:18:22,850 --> 01:18:20,400

five

1681

01:18:25,070 --> 01:18:22,860

and we're still waiting for the analysis

1682

01:18:28,130 --> 01:18:25,080

you said would take a month and now come

1683

01:18:28,990 --> 01:18:28,140

the excuses a one-point analysis is not

1684

01:18:33,530 --> 01:18:29,000

enough

1685

01:18:35,330 --> 01:18:33,540

false false one test can tell you if

1686

01:18:38,390 --> 01:18:35,340

those were alien metals from another

1687

01:18:41,450 --> 01:18:38,400

star system or just ordinary Earthly

1688

01:18:43,430 --> 01:18:41,460

Metals one test and just like a child

1689

01:18:46,189 --> 01:18:43,440

caught with his hand in the cookie jar

1690

01:18:49,010 --> 01:18:46,199

he's gonna make excuses and try to lie

1691

01:18:51,830 --> 01:18:49,020

his way out of it now like a child with

1692

01:18:55,370 --> 01:18:51,840

the cookie crumbs all over him

1693

01:18:56,990 --> 01:18:55,380

he's got cookie crumbs all over him and

1694

01:18:59,149 --> 01:18:57,000

he's gonna try to lie his way out of

1695

01:19:01,689 --> 01:18:59,159

this now

1696

01:19:04,850 --> 01:19:01,699

it has to be run with controls

1697

01:19:07,850 --> 01:19:04,860

there's about five other things that

1698

01:19:09,709 --> 01:19:07,860

could be done afterwards

1699

01:19:12,050 --> 01:19:09,719

um and I would submit to you if you do

1700

01:19:14,930 --> 01:19:12,060

the mass spectrometer analysis and it

1701

01:19:17,209 --> 01:19:14,940

comes back ordinary Earthly Metals why

1702

01:19:19,490 --> 01:19:17,219

would you do further testing

1703

01:19:22,250 --> 01:19:19,500

why would you waste your time your

1704

01:19:25,250 --> 01:19:22,260

resources your personnel uh your

1705

01:19:27,410 --> 01:19:25,260

equipment your lab time to do further

1706

01:19:30,470 --> 01:19:27,420

analysis on something that is ordinary

1707

01:19:32,689 --> 01:19:30,480

Earthly Metals why would you do that

1708

01:19:35,930 --> 01:19:32,699

oh

1709

01:19:39,350 --> 01:19:35,940

paying for any of this apparently until

1710

01:19:41,990 --> 01:19:39,360

I'm corrected Dr Gary Nolan Stanford

1711

01:19:44,750 --> 01:19:42,000

University is paying for this

1712

01:19:47,689 --> 01:19:44,760

right it's their lab equipment it's

1713

01:19:49,850 --> 01:19:47,699

their Labs it's their personnel Stanford

1714

01:19:52,010 --> 01:19:49,860

University is paying for this guy to

1715

01:19:54,290 --> 01:19:52,020

pretend that this stuff may be alien

1716

01:19:56,570 --> 01:19:54,300

metals and I'm pretty sure that other

1717

01:19:59,570 --> 01:19:56,580

scientists at Stanford University would

1718

01:20:01,790 --> 01:19:59,580

agree with me you do one test see if

1719

01:20:04,070 --> 01:20:01,800

it's alien metals or not if it comes

1720

01:20:05,750 --> 01:20:04,080

back negative you're done

1721

01:20:07,850 --> 01:20:05,760

but he's going to make more excuses

1722

01:20:10,070 --> 01:20:07,860

because that's what he's got to do to

1723

01:20:13,669 --> 01:20:10,080

try to weasel out of this thing with the

1724

01:20:15,830 --> 01:20:13,679

help of a public relations person whose

1725

01:20:19,070 --> 01:20:15,840

job it is to sit there and help him

1726

01:20:23,330 --> 01:20:19,080

navigate this shitstorm that we have

1727

01:20:27,229 --> 01:20:23,340

brought upon this entire fake story

1728

01:20:29,209 --> 01:20:27,239

so rather than with the 50 literally

1729

01:20:31,250 --> 01:20:29,219

things that I've got

1730

01:20:33,590 --> 01:20:31,260

doing these little one-off experiments

1731

01:20:35,930 --> 01:20:33,600

Each of which is expensive

1732

01:20:37,729 --> 01:20:35,940

and Each of which is time consuming I

1733

01:20:40,130 --> 01:20:37,739

have to ask one of my postdocs or grad

1734

01:20:42,290 --> 01:20:40,140

students to do it in their off hours

1735

01:20:44,630 --> 01:20:42,300

and then I have to work on the data

1736

01:20:47,209 --> 01:20:44,640

because I can't ask them to

1737

01:20:49,970 --> 01:20:47,219

process the data

1738

01:20:52,669 --> 01:20:49,980

um and then what am I going to do post

1739

01:20:55,370 --> 01:20:52,679

it on Twitter here's a problem

1740

01:20:57,649 --> 01:20:55,380

Gary Nolan we have covered previously

1741

01:21:00,410 --> 01:20:57,659

that according to the Stanford

1742

01:21:02,990 --> 01:21:00,420

University code of ethics

1743

01:21:05,270 --> 01:21:03,000

as I read it and again I'm reaching out

1744

01:21:07,250 --> 01:21:05,280

to them for comment and clarification I

1745

01:21:09,410 --> 01:21:07,260

did reach out to Gary Nolan for comment

1746

01:21:11,030 --> 01:21:09,420

and clarification he won't answer any

1747

01:21:13,970 --> 01:21:11,040

questions but I'll send him another

1748

01:21:16,630 --> 01:21:13,980

email tomorrow and say are you profiting

1749

01:21:19,430 --> 01:21:16,640

from the use of University Resources

1750

01:21:21,950 --> 01:21:19,440

Personnel labs and Equipment he just

1751

01:21:24,530 --> 01:21:21,960

admit it right here that he's going to

1752

01:21:26,930 --> 01:21:24,540

use University Labs equipment and

1753

01:21:30,350 --> 01:21:26,940

Personnel to do this analysis

1754

01:21:32,930 --> 01:21:30,360

so my issue is that if Ross coldthart is

1755

01:21:35,630 --> 01:21:32,940

paying him to do this analysis or paying

1756

01:21:39,290 --> 01:21:35,640

him to participate in this 100 percent

1757

01:21:41,090 --> 01:21:39,300

provably fake story then he may be in

1758

01:21:43,729 --> 01:21:41,100

violation of the Stanford University

1759

01:21:47,750 --> 01:21:43,739

code of ethics which says he can't use

1760

01:21:49,550 --> 01:21:47,760

those things for personal profit

1761

01:21:52,430 --> 01:21:49,560

no

1762

01:21:54,350 --> 01:21:52,440

what I want to do is take a whole bunch

1763

01:21:56,750 --> 01:21:54,360

of these materials

1764

01:22:00,830 --> 01:21:56,760

have an analytical Pipeline and

1765

01:22:02,570 --> 01:22:00,840

framework run all of them at once

1766

01:22:04,970 --> 01:22:02,580

so that they're all run at the same time

1767

01:22:06,709 --> 01:22:04,980

under the same conditions

1768

01:22:08,390 --> 01:22:06,719

Etc with enough left over that I could

1769

01:22:09,649 --> 01:22:08,400

hand to anybody else who wants to do it

1770

01:22:12,830 --> 01:22:09,659

as well

1771

01:22:14,750 --> 01:22:12,840

and then publish a paper on it so I'm so

1772

01:22:17,870 --> 01:22:14,760

he how was he going to get that all done

1773

01:22:21,290 --> 01:22:17,880

in a month he was going to have all

1774

01:22:23,149 --> 01:22:21,300

kinds of lab Personnel do 50 tests right

1775

01:22:25,010 --> 01:22:23,159

that's not what they said in the piece

1776

01:22:25,970 --> 01:22:25,020

what they said in the piece is that he

1777

01:22:27,470 --> 01:22:25,980

was going to put it in a mass

1778

01:22:29,750 --> 01:22:27,480

spectrometer and determine if it was

1779

01:22:32,750 --> 01:22:29,760

alien metals or not and he didn't do

1780

01:22:35,149 --> 01:22:32,760

that or or

1781

01:22:37,010 --> 01:22:35,159

imagine this possibility and I freely

1782

01:22:38,930 --> 01:22:37,020

admitted speculation what if he already

1783

01:22:39,590 --> 01:22:38,940

did the analysis and he knows that this

1784

01:22:46,370 --> 01:22:39,600

is

1785

01:22:48,290 --> 01:22:46,380

most likely a

1786

01:22:50,930 --> 01:22:48,300

ball valve

1787

01:22:53,450 --> 01:22:50,940

from manufacturing equipment normal

1788

01:22:55,850 --> 01:22:53,460

Earthly material nothing special about

1789

01:22:59,030 --> 01:22:55,860

it Maybe

1790

01:23:01,669 --> 01:22:59,040

just maybe and I agree we're spitballing

1791

01:23:03,169 --> 01:23:01,679

we're speculating here maybe if you did

1792

01:23:05,390 --> 01:23:03,179

that analysis and you knew you got

1793

01:23:07,910 --> 01:23:05,400

caught real bad like this promising

1794

01:23:10,790 --> 01:23:07,920

alien technology maybe what you want to

1795

01:23:12,350 --> 01:23:10,800

do is do 50 more tests until you find

1796

01:23:15,050 --> 01:23:12,360

something that's a little strange a

1797

01:23:17,030 --> 01:23:15,060

little odd and gives you an out well uh

1798

01:23:20,390 --> 01:23:17,040

or there were some anomalous readings

1799

01:23:23,330 --> 01:23:20,400

over at this test no you do one test

1800

01:23:25,790 --> 01:23:23,340

Mass spectrometer analysis it'll tell

1801
01:23:28,310 --> 01:23:25,800
you the elemental makeup a good one will

1802
01:23:30,590 --> 01:23:28,320
tell you the isotopic ratios and tell

1803
01:23:33,050 --> 01:23:30,600
you if it's alien metals or from another

1804
01:23:35,630 --> 01:23:33,060
star system all this other stuff is a

1805
01:23:37,729 --> 01:23:35,640
smoke screen to detract from what him

1806
01:23:40,850 --> 01:23:37,739
and Ross coltar did

1807
01:23:41,990 --> 01:23:40,860
selling a 100 percent provably fake

1808
01:23:43,790 --> 01:23:42,000
story

1809
01:23:45,350 --> 01:23:43,800
to the people who are so freaking

1810
01:23:47,750 --> 01:23:45,360
impatient that they won't get off their

1811
01:23:51,110 --> 01:23:47,760
butt and go learn the stuff and do it

1812
01:23:53,510 --> 01:23:51,120
themselves I'm not your daddy I'm not

1813
01:23:54,649 --> 01:23:53,520

here to do things for the analysis I'm

1814

01:23:56,510 --> 01:23:54,659

sorry

1815

01:23:58,970 --> 01:23:56,520

get out of your basement and go do

1816

01:24:02,390 --> 01:23:58,980

something and by the way I've offered to

1817

01:24:05,030 --> 01:24:02,400

pay for the mass spectrometer analysis

1818

01:24:07,750 --> 01:24:05,040

I did get off my butt and do something I

1819

01:24:11,270 --> 01:24:07,760

investigated you're ridiculous out there

1820

01:24:12,770 --> 01:24:11,280

uh you know out of this world claims

1821

01:24:13,930 --> 01:24:12,780

that's what the piece was called out of

1822

01:24:18,290 --> 01:24:13,940

this world

1823

01:24:20,270 --> 01:24:18,300

I investigated Gary and you look like a

1824

01:24:22,550 --> 01:24:20,280

look at this is the perfect place to

1825

01:24:24,110 --> 01:24:22,560

stop look at his face here he really

1826
01:24:26,209 --> 01:24:24,120
does look like a kid who got caught with

1827
01:24:30,830 --> 01:24:26,219
his hand in the cookie jar with bad

1828
01:24:33,290 --> 01:24:30,840
mascara on but still uh yeah there I did

1829
01:24:35,630 --> 01:24:33,300
do something I offered to pay for the

1830
01:24:38,149 --> 01:24:35,640
mass spectrometer analysis we could get

1831
01:24:40,910 --> 01:24:38,159
it done tomorrow FedEx me

1832
01:24:42,649 --> 01:24:40,920
FedEx made the samples Gary Nolan I'll

1833
01:24:44,870 --> 01:24:42,659
get it done and I'll get it back to you

1834
01:24:47,750 --> 01:24:44,880
within 48 hours I'll get you lab results

1835
01:24:49,970 --> 01:24:47,760
I'll get you a complete report and I'll

1836
01:24:52,669 --> 01:24:49,980
get it all done in 48 hours not a month

1837
01:24:55,850 --> 01:24:52,679
like you said it would take and uh not

1838
01:24:59,030 --> 01:24:55,860

with 64 million dollars at that test

1839

01:25:03,290 --> 01:24:59,040

would cost probably five hundred dollars

1840

01:25:06,169 --> 01:25:03,300

or less at a good materials lab

1841

01:25:09,950 --> 01:25:06,179

in the meantime I'm collecting the stuff

1842

01:25:11,750 --> 01:25:09,960

and I'm preparing he's working on it so

1843

01:25:14,330 --> 01:25:11,760

that not only will I be able to do that

1844

01:25:16,370 --> 01:25:14,340

but should anybody on the inside think

1845

01:25:18,890 --> 01:25:16,380

that I have something valuable

1846

01:25:21,470 --> 01:25:18,900

they can come to me now why would they

1847

01:25:23,330 --> 01:25:21,480

do that because they already have

1848

01:25:25,310 --> 01:25:23,340

because they've already come to me with

1849

01:25:27,649 --> 01:25:25,320

some of their results and I basically

1850

01:25:29,810 --> 01:25:27,659

said these results are [h__h] you know why

1851
01:25:32,330 --> 01:25:29,820
he said that because they came back and

1852
01:25:35,750 --> 01:25:32,340
said normal Earthly metals and he

1853
01:25:39,110 --> 01:25:35,760
refuses to accept it that's what I think

1854
01:25:41,330 --> 01:25:39,120
sorry I'm just going to be clear this is

1855
01:25:45,770 --> 01:25:41,340
shoddy work

1856
01:25:48,950 --> 01:25:45,780
this could this can't go anywhere who

1857
01:25:52,729 --> 01:25:48,960
did this it's crap

1858
01:25:54,470 --> 01:25:52,739
all right that's 100 Fair yeah so so

1859
01:25:57,290 --> 01:25:54,480
that's the reason and this is by the way

1860
01:25:59,030 --> 01:25:57,300
who did the other analysis work Gary or

1861
01:26:00,709 --> 01:25:59,040
are you just making stuff up here I

1862
01:26:02,810 --> 01:26:00,719
think he's just making stuff up that's

1863
01:26:04,970 --> 01:26:02,820

what I think let's can I have the names

1864

01:26:07,790 --> 01:26:04,980

of these people who did the shodie

1865

01:26:10,070 --> 01:26:07,800

analysis work can I interview them and

1866

01:26:11,750 --> 01:26:10,080

verify that you're not lying through

1867

01:26:14,090 --> 01:26:11,760

your teeth here

1868

01:26:16,129 --> 01:26:14,100

or are you just making up stories to

1869

01:26:17,870 --> 01:26:16,139

cover for this are you just making stuff

1870

01:26:19,970 --> 01:26:17,880

up Gary

1871

01:26:22,310 --> 01:26:19,980

it's expensive I mean

1872

01:26:24,890 --> 01:26:22,320

let's just run the numbers

1873

01:26:26,390 --> 01:26:24,900

the equipment that will be required to

1874

01:26:28,729 --> 01:26:26,400

do it and by the way he's going to

1875

01:26:31,430 --> 01:26:28,739

complain that he needs all this money

1876

01:26:34,270 --> 01:26:31,440

he again he's already admitted earlier

1877

01:26:37,129 --> 01:26:34,280

in here he's using Stanford University

1878

01:26:40,129 --> 01:26:37,139

Labs equipment and Personnel to do all

1879

01:26:42,290 --> 01:26:40,139

the work it would cost him nothing

1880

01:26:43,610 --> 01:26:42,300

except maybe his job if he's not allowed

1881

01:26:45,550 --> 01:26:43,620

to do that according to Stanford

1882

01:26:48,530 --> 01:26:45,560

University code of ethics I don't know

1883

01:26:50,450 --> 01:26:48,540

uh great and now he's going to complain

1884

01:26:52,189 --> 01:26:50,460

that he needs all kinds of money all

1885

01:26:54,649 --> 01:26:52,199

kinds of equipment that that people need

1886

01:26:57,290 --> 01:26:54,659

to purchase for him to do this analysis

1887

01:26:59,090 --> 01:26:57,300

work you showed the machine in the

1888

01:27:00,290 --> 01:26:59,100

original piece months and months and

1889

01:27:02,750 --> 01:27:00,300

months ago

1890

01:27:04,430 --> 01:27:02,760

that would do the analysis work you

1891

01:27:08,030 --> 01:27:04,440

already had the machine

1892

01:27:09,830 --> 01:27:08,040

you showed where uh you said it would

1893

01:27:13,070 --> 01:27:09,840

take you a month to do it now we get

1894

01:27:15,590 --> 01:27:13,080

this whole story he needs 64 million

1895

01:27:18,649 --> 01:27:15,600

dollars now I I need 60

1896

01:27:22,310 --> 01:27:18,659

million to a full A to Z

1897

01:27:25,910 --> 01:27:22,320

easily to buy the instruments retail or

1898

01:27:27,350 --> 01:27:25,920

whatever 50 60 million dollars to buy

1899

01:27:30,290 --> 01:27:27,360

all the kinds of instruments that you

1900

01:27:32,330 --> 01:27:30,300

require to set up a laboratory now you

1901

01:27:34,370 --> 01:27:32,340

have to people that laboratory with

1902

01:27:36,830 --> 01:27:34,380

experts with each of those machines some

1903

01:27:39,350 --> 01:27:36,840

of these machines are like a lifetime

1904

01:27:41,390 --> 01:27:39,360

work to understand how to run them

1905

01:27:45,050 --> 01:27:41,400

all right so now you've got let's say

1906

01:27:46,970 --> 01:27:45,060

five six I'm told by a friend of mine

1907

01:27:50,090 --> 01:27:46,980

who's a chemist

1908

01:27:53,990 --> 01:27:50,100

that you can learn to work a mass

1909

01:27:55,729 --> 01:27:54,000

spectrometer in an hour or two with

1910

01:27:59,390 --> 01:27:55,739

somebody qualified that already knows

1911

01:28:02,590 --> 01:27:59,400

how to work the machine so this is also

1912

01:28:06,470 --> 01:28:02,600

a smoke screen and this is also excuses

1913

01:28:08,810 --> 01:28:06,480

for him being unable to produce the

1914

01:28:10,669 --> 01:28:08,820

quote conclusive proof of alien

1915

01:28:13,610 --> 01:28:10,679

technology he promised

1916

01:28:16,129 --> 01:28:13,620

and by the way it why do you need to

1917

01:28:17,149 --> 01:28:16,139

spend 64 million dollars right why don't

1918

01:28:20,750 --> 01:28:17,159

you just

1919

01:28:24,530 --> 01:28:20,760

send the material to a qualified Metals

1920

01:28:26,750 --> 01:28:24,540

analysis lab which Gary Nolan is an

1921

01:28:29,209 --> 01:28:26,760

immunologist why is he even doing

1922

01:28:31,490 --> 01:28:29,219

materials analysis work

1923

01:28:34,030 --> 01:28:31,500

this makes none of this makes sense this

1924

01:28:37,129 --> 01:28:34,040

is all excuses smoke screen deception

1925

01:28:39,890 --> 01:28:37,139

misdirection oh yeah that fake story

1926

01:28:41,689 --> 01:28:39,900

that we were selling yeah well here's

1927

01:28:43,729 --> 01:28:41,699

the excuses why we'll never have the

1928

01:28:47,629 --> 01:28:43,739

proof we promised everyone

1929

01:28:49,669 --> 01:28:47,639

because I need 60 million dollars

1930

01:28:52,430 --> 01:28:49,679

maybe he spent all his money on mascara

1931

01:28:53,510 --> 01:28:52,440

who knows because technicians

1932

01:28:56,330 --> 01:28:53,520

at

1933

01:28:59,390 --> 01:28:56,340

you know we call them an FTE of you know

1934

01:29:03,590 --> 01:28:59,400

salary and benefits 200 000 and you know

1935

01:29:05,810 --> 01:29:03,600

running costs you got 10 of them

1936

01:29:08,090 --> 01:29:05,820

that's two or three million dollars now

1937

01:29:10,070 --> 01:29:08,100

he needs remember in the original piece

1938

01:29:11,330 --> 01:29:10,080

he just showed the man spectrometer and

1939

01:29:13,910 --> 01:29:11,340

he said he'll be able to tell if that's

1940

01:29:16,430 --> 01:29:13,920

alien metals or not now I need 60

1941

01:29:19,070 --> 01:29:16,440

million dollars for equipment he needs

1942

01:29:20,990 --> 01:29:19,080

two million dollars for personnel and

1943

01:29:24,410 --> 01:29:21,000

again earlier in this he said that he

1944

01:29:26,450 --> 01:29:24,420

would use University Labs resources and

1945

01:29:29,390 --> 01:29:26,460

Personnel to do the analysis work

1946

01:29:31,010 --> 01:29:29,400

so why do you now have to purchase all

1947

01:29:33,590 --> 01:29:31,020

this equipment if Stanford University

1948

01:29:36,590 --> 01:29:33,600

Labs already have it and you were going

1949

01:29:38,990 --> 01:29:36,600

to use Stanford University Labs or does

1950

01:29:40,850 --> 01:29:39,000

he know now that he can't use the

1951

01:29:42,169 --> 01:29:40,860

Stanford University stuff

1952

01:29:43,189 --> 01:29:42,179

because

1953

01:29:47,390 --> 01:29:43,199

well

1954

01:29:50,330 --> 01:29:47,400

we have detailed why a year

1955

01:29:51,830 --> 01:29:50,340

and then and then you know managing

1956

01:29:53,390 --> 01:29:51,840

costs for the instruments is probably

1957

01:29:54,770 --> 01:29:53,400

another million dollars a year for

1958

01:29:56,149 --> 01:29:54,780

warranties and all that kind of stuff I

1959

01:29:57,709 --> 01:29:56,159

know that because I run my own lab and

1960

01:29:59,810 --> 01:29:57,719

that's basically what it costs to run my

1961

01:30:01,970 --> 01:29:59,820

lab my lab runs at about three to four

1962

01:30:05,149 --> 01:30:01,980

million dollars a year that's what I I

1963

01:30:08,090 --> 01:30:05,159

spend my off hours writing grants and

1964

01:30:09,770 --> 01:30:08,100

begging Charities for for money to keep

1965

01:30:11,390 --> 01:30:09,780

it running

1966

01:30:12,709 --> 01:30:11,400

um and so for all the people on Twitter

1967

01:30:14,570 --> 01:30:12,719

who think that this is just something

1968

01:30:16,910 --> 01:30:14,580

you snap your fingers and do

1969

01:30:19,070 --> 01:30:16,920

go ahead I've seen some of those snap

1970

01:30:22,870 --> 01:30:19,080

your fingers reports and they're garbage

1971

01:30:26,629 --> 01:30:22,880

they're not garbage a qualified Metals

1972

01:30:29,030 --> 01:30:26,639

analysis lab could perform that almost

1973

01:30:31,790 --> 01:30:29,040

at the snap of a finger you take a

1974

01:30:33,709 --> 01:30:31,800

sample there you pay them they do the

1975

01:30:36,169 --> 01:30:33,719

work depending on how loaded up they are

1976

01:30:38,629 --> 01:30:36,179

with people ahead of you within a few

1977

01:30:41,090 --> 01:30:38,639

days a week whatever and they get you a

1978

01:30:43,910 --> 01:30:41,100

report it's not a garbage report it will

1979

01:30:46,729 --> 01:30:43,920

be a very basic report this is what the

1980

01:30:49,010 --> 01:30:46,739

sample is comprised of elementally this

1981

01:30:51,169 --> 01:30:49,020

is what the isotopic ratios are if that

1982

01:30:55,310 --> 01:30:51,179

all matches normal Earthly materials

1983

01:30:57,350 --> 01:30:55,320

we're done he doesn't want to be done

1984

01:30:59,030 --> 01:30:57,360

he doesn't want to be done maybe they

1985

01:31:00,649 --> 01:30:59,040

had a part two of this story planned

1986

01:31:04,189 --> 01:31:00,659

right where they're going to show us

1987

01:31:06,290 --> 01:31:04,199

some kind of conky wonky maybe proof

1988

01:31:08,390 --> 01:31:06,300

because there's some something anomalous

1989

01:31:11,209 --> 01:31:08,400

in the material samples or something

1990

01:31:13,669 --> 01:31:11,219

right now you do a mass spectrometer

1991

01:31:16,330 --> 01:31:13,679

analysis he is lying and I can't believe

1992

01:31:19,070 --> 01:31:16,340

that I have to on a public live stream

1993

01:31:22,070 --> 01:31:19,080

you know argue with a university

1994

01:31:24,530 --> 01:31:22,080

Professor that apparently for all of his

1995

01:31:27,169 --> 01:31:24,540

work in Immunology doesn't know how a

1996

01:31:29,090 --> 01:31:27,179

mass spectrometer works and how quickly

1997

01:31:31,729 --> 01:31:29,100

results can be obtained to determine

1998

01:31:34,910 --> 01:31:31,739

whether something is of Earthly origin

1999

01:31:37,189 --> 01:31:34,920

or out of this world but here we are the

2000

01:31:39,649 --> 01:31:37,199

Wacky World of UFOs where a college

2001
01:31:43,189 --> 01:31:39,659
professor a man with a doctorate degree

2002
01:31:45,590 --> 01:31:43,199
doesn't know how a machine works but

2003
01:31:49,010 --> 01:31:45,600
some clown who built Linux servers in

2004
01:31:51,050 --> 01:31:49,020
the Drexel robotics lab does great

2005
01:31:53,750 --> 01:31:51,060
yeah we don't want garbage we don't want

2006
01:31:56,209 --> 01:31:53,760
garbage proper data yeah it's going to

2007
01:31:57,709 --> 01:31:56,219
be used by the naysayers and they're

2008
01:32:00,050 --> 01:31:57,719
going to pick it apart

2009
01:32:01,689 --> 01:32:00,060
I mean even the beautiful study that we

2010
01:32:04,970 --> 01:32:01,699
did on the audible

2011
01:32:07,250 --> 01:32:04,980
uh skeleton yeah who paid for that did

2012
01:32:09,950 --> 01:32:07,260
you use University equipment to do that

2013
01:32:13,490 --> 01:32:09,960

did you use University Personnel oh yeah

2014

01:32:16,010 --> 01:32:13,500

you did it's even detailed in the report

2015

01:32:18,950 --> 01:32:16,020

that he used University labs and

2016

01:32:20,750 --> 01:32:18,960

equipment and personnel and again I have

2017

01:32:23,149 --> 01:32:20,760

ethics questions about that how much

2018

01:32:25,490 --> 01:32:23,159

were you paid to do that analysis work

2019

01:32:27,669 --> 01:32:25,500

does Stanford University know that you

2020

01:32:30,950 --> 01:32:27,679

were using their analysis

2021

01:32:33,709 --> 01:32:30,960

labs and their uh equipment and their

2022

01:32:34,490 --> 01:32:33,719

personnel to be paid by a third party to

2023

01:32:38,570 --> 01:32:34,500

do

2024

01:32:41,930 --> 01:32:38,580

analysis work and genetic work on that

2025

01:32:44,629 --> 01:32:41,940

Stephen Greer Atacama skeleton

2026
01:32:46,550 --> 01:32:44,639
the DNA study we did showing that it was

2027
01:32:49,610 --> 01:32:46,560
human and showing it ahead of Bill and

2028
01:32:51,610 --> 01:32:49,620
morphology genes I had world's expert

2029
01:32:54,290 --> 01:32:51,620
geneticists of South American genetics

2030
01:32:56,990 --> 01:32:54,300
and uh the world's expert in bone

2031
01:33:00,729 --> 01:32:57,000
disorder genes here at Stanford both of

2032
01:33:04,030 --> 01:33:00,739
them being at Stanford I did that 12 15

2033
01:33:07,209 --> 01:33:04,040
people on the paper

2034
01:33:08,890 --> 01:33:07,219
Roche Roche

2035
01:33:11,149 --> 01:33:08,900
sequencing

2036
01:33:11,990 --> 01:33:11,159
uh you know experts in buying

2037
01:33:13,430 --> 01:33:12,000
information

2038
01:33:14,750 --> 01:33:13,440

Etc we all did it everything was double

2039

01:33:17,870 --> 01:33:14,760

equipped

2040

01:33:20,530 --> 01:33:17,880

I'm still a CIA plant that you know was

2041

01:33:23,390 --> 01:33:20,540

I was bought off by a grant from the dad

2042

01:33:25,669 --> 01:33:23,400

for ovarian research you know three

2043

01:33:27,350 --> 01:33:25,679

million dollars I get bought off I mean

2044

01:33:29,689 --> 01:33:27,360

how

2045

01:33:32,930 --> 01:33:29,699

I didn't even analyze the data my

2046

01:33:34,669 --> 01:33:32,940

students did so I didn't get bought off

2047

01:33:37,250 --> 01:33:34,679

you're accusing the students of being

2048

01:33:38,990 --> 01:33:37,260

bought off and again here he is

2049

01:33:42,530 --> 01:33:39,000

admitting that he was using University

2050

01:33:44,990 --> 01:33:42,540

Labs equipment and even students to do

2051

01:33:47,570 --> 01:33:45,000

this analysis work so again I will ask

2052

01:33:49,610 --> 01:33:47,580

how much was he paid by Stephen Greer

2053

01:33:52,189 --> 01:33:49,620

for his participation in that project

2054

01:33:54,770 --> 01:33:52,199

it's a valid question especially

2055

01:33:57,590 --> 01:33:54,780

considering the problem of the Stanford

2056

01:33:59,990 --> 01:33:57,600

University ethics code but

2057

01:34:02,689 --> 01:34:00,000

Dr Gary Nolan will not answer any

2058

01:34:06,229 --> 01:34:02,699

questions that I posed to him about this

2059

01:34:08,689 --> 01:34:06,239

and a conspiracy so this is what happens

2060

01:34:10,370 --> 01:34:08,699

so even in the best of and so one of the

2061

01:34:12,410 --> 01:34:10,380

things I learned on that

2062

01:34:14,810 --> 01:34:12,420

is that because I wrote an email to

2063

01:34:16,850 --> 01:34:14,820

Stephen Greer saying in the early days I

2064

01:34:18,950 --> 01:34:16,860

think there might be something here I

2065

01:34:22,310 --> 01:34:18,960

learned later that it was garbage

2066

01:34:25,250 --> 01:34:22,320

that that the data that I thought was

2067

01:34:27,050 --> 01:34:25,260

anomalous was just garbage it wasn't

2068

01:34:28,970 --> 01:34:27,060

garbage it was just as a way to process

2069

01:34:30,890 --> 01:34:28,980

the data that I hadn't done I wasn't

2070

01:34:34,689 --> 01:34:30,900

aware of

2071

01:34:38,990 --> 01:34:34,699

um but that didn't stop but because

2072

01:34:41,450 --> 01:34:39,000

he wanted it to be about an alien it

2073

01:34:44,030 --> 01:34:41,460

didn't fit his narrative so therefore he

2074

01:34:48,050 --> 01:34:44,040

claims I'm a fraud well my answer is

2075

01:34:49,970 --> 01:34:48,060

with science is now he claims that he

2076

01:34:51,530 --> 01:34:49,980

has a piece of the book so go and he

2077

01:34:52,550 --> 01:34:51,540

says that there are experts who say that

2078

01:34:54,590 --> 01:34:52,560

I'm wrong

2079

01:34:57,950 --> 01:34:54,600

publish the darn paper

2080

01:35:00,229 --> 01:34:57,960

stop claiming that I don't think that

2081

01:35:02,149 --> 01:35:00,239

I'm right he can't help Throwing Shade

2082

01:35:05,149 --> 01:35:02,159

on Stephen Greer who called him a CIA

2083

01:35:06,890 --> 01:35:05,159

disinformation agent publish a paper and

2084

01:35:08,870 --> 01:35:06,900

prove I'm wrong and by the way Gary

2085

01:35:12,290 --> 01:35:08,880

Nolan has admitted to working with or

2086

01:35:16,669 --> 01:35:12,300

for the CIA so

2087

01:35:22,550 --> 01:35:19,430

I can be wrong if you publish the paper

2088

01:35:25,610 --> 01:35:22,560

until then you're full of [\h__\h]

2089

01:35:29,149 --> 01:35:25,620

right 100 and

2090

01:35:31,610 --> 01:35:29,159

Stephen Greer is his uh it's his own bag

2091

01:35:33,709 --> 01:35:31,620

of worms for sure but it's but it's

2092

01:35:37,430 --> 01:35:33,719

indicative of a kind of of a kind of

2093

01:35:40,370 --> 01:35:37,440

person that does this but it but it

2094

01:35:42,530 --> 01:35:40,380

taught me a lesson is that you don't do

2095

01:35:46,129 --> 01:35:42,540

science by

2096

01:35:48,129 --> 01:35:46,139

press release you don't do it by Twitter

2097

01:35:50,629 --> 01:35:48,139

you you you you

2098

01:35:52,610 --> 01:35:50,639

do it by publishing it in a

2099

01:35:54,110 --> 01:35:52,620

peer-reviewed paper which is the

2100

01:35:56,810 --> 01:35:54,120

standard by which other people can look

2101
01:36:00,530 --> 01:35:56,820
at the data and say whether or not what

2102
01:36:05,629 --> 01:36:00,540
you did was right yeah and this is more

2103
01:36:07,910 --> 01:36:05,639
this is more excuses because if he did

2104
01:36:09,950 --> 01:36:07,920
the metals analysis on that ball and it

2105
01:36:11,990 --> 01:36:09,960
turned out to be normal Earthly Metals

2106
01:36:14,810 --> 01:36:12,000
after the simplest of tests the mass

2107
01:36:17,510 --> 01:36:14,820
spectrometer test and it came back came

2108
01:36:21,530 --> 01:36:17,520
back Earthly Metals no one would want

2109
01:36:24,590 --> 01:36:21,540
him to publish a a paper about it it's

2110
01:36:29,090 --> 01:36:24,600
garbage who cares it's a metal ball it's

2111
01:36:31,490 --> 01:36:29,100
a it's a ball valve from a manufacturing

2112
01:36:34,729 --> 01:36:31,500
plant why do we want a scientific paper

2113
01:36:37,370 --> 01:36:34,739

with 50 studies and 50 tests and people

2114

01:36:40,970 --> 01:36:37,380

doing all kinds of analysis on it it is

2115

01:36:43,970 --> 01:36:40,980

not what you claimed it to be an alien

2116

01:36:46,490 --> 01:36:43,980

Scout ship remember the alien Scout ship

2117

01:36:49,030 --> 01:36:46,500

right you said it must be an alien Scout

2118

01:36:52,370 --> 01:36:49,040

ship Dr Gary Nolan

2119

01:36:55,250 --> 01:36:52,380

goddamn clown this guy's a clown in a

2120

01:36:57,530 --> 01:36:55,260

Labs lab coat

2121

01:37:00,229 --> 01:36:57,540

um and it to the extent that the

2122

01:37:01,850 --> 01:37:00,239

original material that created the data

2123

01:37:05,209 --> 01:37:01,860

is shareable

2124

01:37:07,129 --> 01:37:05,219

which this body is and people claim now

2125

01:37:08,030 --> 01:37:07,139

to have peop that they had kept a piece

2126

01:37:11,390 --> 01:37:08,040

of it

2127

01:37:15,290 --> 01:37:11,400

fine go reanalyze it that's what you do

2128

01:37:18,950 --> 01:37:17,390

um and so for all the people who wonder

2129

01:37:20,870 --> 01:37:18,960

whether or not I'm going to do anything

2130

01:37:23,709 --> 01:37:20,880

with it the short answer and I told this

2131

01:37:27,350 --> 01:37:23,719

to Ross and he knows it is no not until

2132

01:37:30,530 --> 01:37:27,360

I have the analytical framework set up

2133

01:37:32,570 --> 01:37:30,540

to do it and again

2134

01:37:35,390 --> 01:37:32,580

in the original piece he stood in front

2135

01:37:37,970 --> 01:37:35,400

of a mass spectrometer at Stanford

2136

01:37:39,410 --> 01:37:37,980

University and told Ross that he would

2137

01:37:40,370 --> 01:37:39,420

do the analysis and it would take about

2138

01:37:45,649 --> 01:37:40,380

a month

2139

01:37:47,930 --> 01:37:45,659

simple test in a mass spectrometer but

2140

01:37:50,689 --> 01:37:47,940

even still if we accept that he said he

2141

01:37:52,430 --> 01:37:50,699

would do the work and he had the

2142

01:37:55,970 --> 01:37:52,440

equipment right in front of him in the

2143

01:37:57,950 --> 01:37:55,980

piece or was that deception Gary Nolan

2144

01:37:59,629 --> 01:37:57,960

would did you just stand in front of a

2145

01:38:02,090 --> 01:37:59,639

random machine that you weren't allowed

2146

01:38:04,310 --> 01:38:02,100

to use at Stanford to help Ross sell the

2147

01:38:06,890 --> 01:38:04,320

piece because now you're saying that you

2148

01:38:10,610 --> 01:38:06,900

need all this infrastructure you need 10

2149

01:38:12,950 --> 01:38:10,620

employees and and you know look the fact

2150

01:38:16,250 --> 01:38:12,960

that he's saying that he needs 64

2151

01:38:18,790 --> 01:38:16,260

million dollars now to do this analysis

2152

01:38:22,669 --> 01:38:18,800

work that any lab could do for 500 bucks

2153

01:38:25,970 --> 01:38:22,679

and like literally I'm telling you if

2154

01:38:28,930 --> 01:38:25,980

you go and get a random piece of metal

2155

01:38:31,610 --> 01:38:28,940

and send it to a materials analysis lab

2156

01:38:34,370 --> 01:38:31,620

and ask them to determine if it's from

2157

01:38:37,189 --> 01:38:34,380

Earthly origin metals or not

2158

01:38:39,830 --> 01:38:37,199

they could do it and it would all be

2159

01:38:43,610 --> 01:38:39,840

done and look at this

2160

01:38:46,910 --> 01:38:43,620

poor sad face on him as he realizes that

2161

01:38:49,970 --> 01:38:46,920

The Jig Is up now

2162

01:38:53,570 --> 01:38:49,980

yeah so

2163

01:38:58,550 --> 01:38:53,580

Where Do We Go From Here friends uh well

2164

01:39:01,250 --> 01:38:58,560

we uh go to a few things first we want

2165

01:39:03,709 --> 01:39:01,260

to take a moment to

2166

01:39:05,450 --> 01:39:03,719

remind everyone that we're a viewer

2167

01:39:07,250 --> 01:39:05,460

supported show and unlike the circle

2168

01:39:08,750 --> 01:39:07,260

jerkers who don't ask the hard questions

2169

01:39:11,090 --> 01:39:08,760

we do

2170

01:39:13,910 --> 01:39:11,100

and we need your support to continue

2171

01:39:16,669 --> 01:39:13,920

this journey because I'm not getting

2172

01:39:18,350 --> 01:39:16,679

10 or 20 000 views by doing this kind of

2173

01:39:21,169 --> 01:39:18,360

softball circle jerk that we just

2174

01:39:23,629 --> 01:39:21,179

witnessed you know even somebody was

2175

01:39:25,910 --> 01:39:23,639

told exactly what the situation was

2176

01:39:29,990 --> 01:39:25,920

given all the evidence before the

2177

01:39:33,830 --> 01:39:30,000

interview still refused to do their job

2178

01:39:36,470 --> 01:39:33,840

and do the right thing and ask the right

2179

01:39:37,430 --> 01:39:36,480

questions but remember I'm the bad guy

2180

01:39:40,370 --> 01:39:37,440

here

2181

01:39:43,729 --> 01:39:40,380

and I'm fine with being the bad guy

2182

01:39:46,010 --> 01:39:43,739

but I'm right this analysis can be done

2183

01:39:49,010 --> 01:39:46,020

by any metal

2184

01:39:52,129 --> 01:39:49,020

any materials analysis lab can finish

2185

01:39:54,649 --> 01:39:52,139

this work in a day a week

2186

01:39:57,709 --> 01:39:54,659

and it's very inexpensive well

2187

01:40:01,250 --> 01:39:57,719

comparatively I'm poor so the fact that

2188

01:40:03,470 --> 01:40:01,260

I uh offered to pay for it is you know

2189

01:40:06,470 --> 01:40:03,480

but this is how strongly I feel that

2190

01:40:10,550 --> 01:40:06,480

these guys are selling a fake

2191

01:40:12,430 --> 01:40:10,560

alien ball story and I I would like to

2192

01:40:15,890 --> 01:40:12,440

get the proof of that

2193

01:40:17,750 --> 01:40:15,900

admittedly so I can jam it in their face

2194

01:40:21,950 --> 01:40:17,760

can I get

2195

01:40:24,169 --> 01:40:21,960

uh a sample and I'll do I'll pay for the

2196

01:40:26,750 --> 01:40:24,179

testing get it independently done

2197

01:40:28,250 --> 01:40:26,760

and then a year from now two years from

2198

01:40:32,510 --> 01:40:28,260

now

2199

01:40:34,070 --> 01:40:32,520

still hasn't completed his analysis

2200

01:40:36,470 --> 01:40:34,080

we'll have it already

2201

01:40:39,590 --> 01:40:36,480

we'll have it

2202

01:40:41,510 --> 01:40:39,600

so we are a viewer supported show I want

2203

01:40:43,390 --> 01:40:41,520

to thank all you kind and generous

2204

01:40:46,910 --> 01:40:43,400

benefactors from all over the world

2205

01:40:49,550 --> 01:40:46,920

including you folks on patreon and uh

2206

01:40:51,410 --> 01:40:49,560

you channel members especially you kind

2207

01:40:53,330 --> 01:40:51,420

and generous super Chatters people who

2208

01:40:56,270 --> 01:40:53,340

buy Super stickers to help the show

2209

01:40:58,129 --> 01:40:56,280

people who donate through PayPal or cash

2210

01:41:00,649 --> 01:40:58,139

app instructions are all in the

2211

01:41:03,590 --> 01:41:00,659

description of the video and here's Ian

2212

01:41:06,830 --> 01:41:03,600

to remind you uh how you can help our

2213

01:41:06,840 --> 01:41:17,550

foreign

2214

01:41:17,560 --> 01:41:22,510

[Music]

2215

01:41:29,870 --> 01:41:26,050

Super Chat soup stickers super thanks

2216

01:41:32,110 --> 01:41:29,880

PayPal or cash out instructions for how

2217

01:41:35,510 --> 01:41:32,120

to help are in the description

2218

01:41:37,729 --> 01:41:35,520

you can also join our patreon and for as

2219

01:41:41,090 --> 01:41:37,739

little as one dollar a month you can get

2220

01:41:43,910 --> 01:41:41,100

extra content patreon supporters get a

2221

01:41:45,470 --> 01:41:43,920

backstage pass Early Access to all our

2222

01:41:47,990 --> 01:41:45,480

production videos before they are

2223

01:41:50,750 --> 01:41:48,000

distributed publicly Stephen campion's

2224

01:41:54,050 --> 01:41:50,760

music private writings a monthly show

2225

01:41:56,030 --> 01:41:54,060

journal and more you can also become a

2226

01:41:58,790 --> 01:41:56,040

YouTube channel member for five dollars

2227

01:42:01,550 --> 01:41:58,800

a month a YouTube membership includes

2228

01:42:04,430 --> 01:42:01,560

all the patreon benefits plus a special

2229

01:42:07,250 --> 01:42:04,440

members badge priority reply to video

2230

01:42:10,370 --> 01:42:07,260

comments and the live chat plus a

2231

01:42:13,250 --> 01:42:10,380

monthly Members Only video we thank you

2232

01:42:14,270 --> 01:42:13,260

all kind and generous benefactors for

2233

01:42:17,689 --> 01:42:14,280

support

2234

01:42:31,100 --> 01:42:17,699

because thank you for your generosity

2235

01:42:31,110 --> 01:42:47,930

[Music]

2236

01:42:52,970 --> 01:42:50,870

so we're back and I'm going to read some

2237

01:42:54,530 --> 01:42:52,980

super chats and we'll thank all you kind

2238

01:42:56,390 --> 01:42:54,540

of generous benefactors for your

2239

01:42:57,370 --> 01:42:56,400

kindness generosity and support of the

2240

01:43:00,770 --> 01:42:57,380

show

2241

01:43:02,570 --> 01:43:00,780

it makes me feel good to know that

2242

01:43:05,570 --> 01:43:02,580

people do want the truth and they're not

2243

01:43:09,410 --> 01:43:05,580

willing to accept the UFO circle jerk

2244

01:43:11,990 --> 01:43:09,420

right and uh I always joke that what we

2245

01:43:14,870 --> 01:43:12,000

do here is like asking me to run a

2246

01:43:17,750 --> 01:43:14,880

marathon with two broken legs right all

2247

01:43:20,390 --> 01:43:17,760

these clowns have to do is just don't

2248

01:43:23,090 --> 01:43:20,400

ask any real questions just play the

2249

01:43:24,830 --> 01:43:23,100

game in this circumstance is a great

2250

01:43:27,709 --> 01:43:24,840

example here we have somebody who's a

2251

01:43:32,030 --> 01:43:27,719

public relations person

2252

01:43:33,590 --> 01:43:32,040

help Dr Gary Nolan get over this problem

2253

01:43:35,030 --> 01:43:33,600

and I think she did a terrible job

2254

01:43:37,070 --> 01:43:35,040

honestly

2255

01:43:38,870 --> 01:43:37,080

um because it's so transparent that she

2256

01:43:41,090 --> 01:43:38,880

helped him behind the scenes and told

2257

01:43:42,470 --> 01:43:41,100

him what things he should address or

2258

01:43:45,470 --> 01:43:42,480

have to say

2259

01:43:47,030 --> 01:43:45,480

right to address the controversy and of

2260

01:43:48,950 --> 01:43:47,040

course that's my opinion and speculation

2261

01:43:51,470 --> 01:43:48,960

but uh it is valid opinion and

2262

01:43:54,950 --> 01:43:51,480

speculation Kylie Armstrong with a Kind

2263

01:43:57,169 --> 01:43:54,960

and Generous Great Britain pounds 149

2264

01:43:59,629 --> 01:43:57,179

thank you for your kindness uh purchase

2265

01:44:02,270 --> 01:43:59,639

a super sticker Richard Crawley the kind

2266

01:44:04,669 --> 01:44:02,280

of generous 1399 Canadian very generous

2267

01:44:07,550 --> 01:44:04,679

says great intro Rock on

2268

01:44:10,490 --> 01:44:07,560

John Chow with kind and generous

2269

01:44:12,290 --> 01:44:10,500

U.S five dollar Super Chat says they

2270

01:44:14,629 --> 01:44:12,300

will do the mass spectrometer it will be

2271

01:44:16,970 --> 01:44:14,639

from here we'll say it's built here by

2272

01:44:20,090 --> 01:44:16,980

Alien Drone Avi Lieb is pushing that

2273

01:44:22,010 --> 01:44:20,100

kind of theory from Harvard grift I

2274

01:44:25,310 --> 01:44:22,020

agree and thank you for your kindness

2275

01:44:27,169 --> 01:44:25,320

generosity and support John Cho uh and

2276

01:44:29,270 --> 01:44:27,179

we have Richard Crawley long time show

2277

01:44:32,810 --> 01:44:29,280

supporter uh with another kind of

2278

01:44:34,790 --> 01:44:32,820

generous 6.99 uh Canadian dollar says

2279

01:44:39,410 --> 01:44:34,800

killer and a warrior of the kind and

2280

01:44:41,810 --> 01:44:39,420

generous uh us 99 Cents and a

2281

01:44:44,149 --> 01:44:41,820

happy face thank you for your kindness

2282

01:44:46,729 --> 01:44:44,159

generosity and support it is much much

2283

01:44:48,709 --> 01:44:46,739

appreciated I mentioned that we are

2284

01:44:51,169 --> 01:44:48,719

building a brand new state-of-the-art

2285

01:44:52,910 --> 01:44:51,179

wonderful studio in the middle of an

2286

01:44:53,990 --> 01:44:52,920

enchanted forest

2287

01:44:56,450 --> 01:44:54,000

well I don't know if it's really

2288

01:44:58,790 --> 01:44:56,460

Enchanted it's enchanting to me and uh

2289

01:45:00,350 --> 01:44:58,800

I'm just gonna say that because uh if

2290

01:45:02,990 --> 01:45:00,360

UFO grifters can say they have

2291

01:45:04,490 --> 01:45:03,000

conclusive proof of alien technology I

2292

01:45:06,830 --> 01:45:04,500

could say we're building our studio in

2293

01:45:11,629 --> 01:45:06,840

an enchanted forest right

2294

01:45:17,629 --> 01:45:15,050

okay so uh checking in with other stuff

2295

01:45:21,410 --> 01:45:17,639

seeing if I have anything else to read I

2296

01:45:24,410 --> 01:45:21,420

will give some time and attention to uh

2297

01:45:27,229 --> 01:45:24,420

the live chat and we see Robert

2298

01:45:31,310 --> 01:45:27,239

Redmond's clip satire and parody Channel

2299

01:45:33,410 --> 01:45:31,320

just became a new member at 10 45 P.M

2300

01:45:36,050 --> 01:45:33,420

thank you for your kindness generosity

2301

01:45:37,250 --> 01:45:36,060

and support for those unaware uh and we

2302

01:45:39,290 --> 01:45:37,260

want to thank you I'm sorry if I didn't

2303

01:45:40,910 --> 01:45:39,300

put all of the super Chats on screen

2304

01:45:43,250 --> 01:45:40,920

it's difficult to do that during a

2305

01:45:44,750 --> 01:45:43,260

presentation you guys understand we do

2306

01:45:46,669 --> 01:45:44,760

love and appreciate and thank all of you

2307

01:45:48,770 --> 01:45:46,679

going from here till the end of the show

2308

01:45:50,930 --> 01:45:48,780

I will put everyone on the screen Robert

2309

01:45:52,970 --> 01:45:50,940

Redmond's clip satire and parody Channel

2310

01:45:57,830 --> 01:45:52,980

thanks for becoming a member much much

2311

01:45:59,810 --> 01:45:57,840

appreciated we uh for those unaware uh

2312

01:46:01,550 --> 01:45:59,820

we have two options if you want to

2313

01:46:03,410 --> 01:46:01,560

become a channel if you want to become a

2314

01:46:05,629 --> 01:46:03,420

member of our thing here the first to

2315

01:46:08,209 --> 01:46:05,639

become is to be a patreon supporter and

2316

01:46:09,830 --> 01:46:08,219

that's a dollar or more a month I hate

2317

01:46:12,169 --> 01:46:09,840

putting anything behind a pay Ball but

2318

01:46:14,090 --> 01:46:12,179

what we do is give extra some extra

2319

01:46:16,070 --> 01:46:14,100

goodies and monthly show journals sort

2320

01:46:18,350 --> 01:46:16,080

of Backstage Pass and other extra

2321

01:46:20,030 --> 01:46:18,360

goodies when we put them on the patreon

2322

01:46:22,370 --> 01:46:20,040

and for a buck a month you get those

2323

01:46:23,270 --> 01:46:22,380

extra goodies you also get

2324

01:46:25,129 --> 01:46:23,280

um

2325

01:46:27,709 --> 01:46:25,139

you also get

2326

01:46:30,470 --> 01:46:27,719

an advanced view in other words when we

2327

01:46:32,930 --> 01:46:30,480

do we we do mostly live shows here but

2328

01:46:34,850 --> 01:46:32,940

when we do Production videos here we put

2329

01:46:38,510 --> 01:46:34,860

them on the patreon for a little while

2330

01:46:40,970 --> 01:46:38,520

first there's uh several videos that we

2331

01:46:43,430 --> 01:46:40,980

just put there at the end of last month

2332

01:46:45,229 --> 01:46:43,440

every month you get a couple of uh

2333

01:46:47,270 --> 01:46:45,239

backstage views you get to see the

2334

01:46:49,550 --> 01:46:47,280

videos before they're uploaded and made

2335

01:46:52,490 --> 01:46:49,560

public as a patreon supporter that's a

2336

01:46:53,930 --> 01:46:52,500

buck a month and you can also become a

2337

01:46:56,209 --> 01:46:53,940

YouTube channel member just click that

2338

01:46:58,850 --> 01:46:56,219

join button and that is five bucks a

2339

01:47:02,149 --> 01:46:58,860

month and you get all the patreon links

2340

01:47:03,530 --> 01:47:02,159

and some extra YouTube goodies like a

2341

01:47:06,050 --> 01:47:03,540

channel badge and other things

2342

01:47:07,790 --> 01:47:06,060

identifying you like Robert just did

2343

01:47:09,229 --> 01:47:07,800

here and then every time you come into

2344

01:47:11,209 --> 01:47:09,239

our live chat people are gonna know

2345

01:47:12,890 --> 01:47:11,219

you're a big show supporter because

2346

01:47:14,390 --> 01:47:12,900

you've got that channel member badge

2347

01:47:16,550 --> 01:47:14,400

letting everybody know you support the

2348

01:47:18,050 --> 01:47:16,560

show and we love and appreciate all of

2349

01:47:20,689 --> 01:47:18,060

you AI Warrior the kind of generous

2350

01:47:22,790 --> 01:47:20,699

dollar 49 super sticker thank you for

2351
01:47:26,689 --> 01:47:22,800
your kindness generosity and support and

2352
01:47:28,790 --> 01:47:26,699
another one uh two horns up yes uh I

2353
01:47:31,970 --> 01:47:28,800
remember that do you know AI Warrior

2354
01:47:34,250 --> 01:47:31,980
that my father was so staunchly Catholic

2355
01:47:36,530 --> 01:47:34,260
that he would throw our Ozzy Osbourne

2356
01:47:38,510 --> 01:47:36,540
records in the trash and then he would

2357
01:47:40,729 --> 01:47:38,520
make us go to counseling with a priest

2358
01:47:42,790 --> 01:47:40,739
who would tell us about the dangers of

2359
01:47:46,430 --> 01:47:42,800
satanic music

2360
01:47:49,310 --> 01:47:46,440
the wonders of growing up Catholic and

2361
01:47:52,250 --> 01:47:49,320
God forbid if I got seen doing this

2362
01:47:55,669 --> 01:47:52,260
anywhere my dad would have sent me a

2363
01:48:00,770 --> 01:47:55,679

counseling for a year with a priest but

2364

01:48:04,729 --> 01:48:02,689

any questions or comments for me please

2365

01:48:06,830 --> 01:48:04,739

put them in a live chat uh I'll be

2366

01:48:08,629 --> 01:48:06,840

reading some and reacting to some that's

2367

01:48:10,609 --> 01:48:08,639

uh and it's another great time to remind

2368

01:48:13,370 --> 01:48:10,619

you uh if you're listening in audio

2369

01:48:17,450 --> 01:48:13,380

podcast land please do come on over here

2370

01:48:20,270 --> 01:48:17,460

to uh to YouTube put true Seekers one

2371

01:48:22,669 --> 01:48:20,280

word in the search bar one word truth

2372

01:48:25,129 --> 01:48:22,679

Seekers you'll see me the strange guy

2373

01:48:28,490 --> 01:48:25,139

with sunglasses pop up go there to that

2374

01:48:30,050 --> 01:48:28,500

channel that's our main Hub here and

2375

01:48:32,149 --> 01:48:30,060

smash the Subscribe button hit that

2376

01:48:34,430 --> 01:48:32,159

notification Bell and you too will know

2377

01:48:36,649 --> 01:48:34,440

when we're doing a live broadcast and

2378

01:48:38,570 --> 01:48:36,659

come can come over here take part in our

2379

01:48:40,250 --> 01:48:38,580

interactive live chat you are most

2380

01:48:42,350 --> 01:48:40,260

welcome we love you an audio podcast

2381

01:48:45,410 --> 01:48:42,360

land but we want you to come over here

2382

01:48:47,930 --> 01:48:45,420

come to the YouTube channel subscribe we

2383

01:48:49,490 --> 01:48:47,940

need a bigger bull horn and by the way

2384

01:48:52,010 --> 01:48:49,500

while we're talking about bigger bull

2385

01:48:55,010 --> 01:48:52,020

horns tonight we are broadcasting live

2386

01:48:58,010 --> 01:48:55,020

on my Facebook page also on the truth

2387

01:49:01,850 --> 01:48:58,020

Seekers Facebook page on YouTube on

2388

01:49:03,950 --> 01:49:01,860

Twitch on Twitter on D live live on

2389

01:49:06,109 --> 01:49:03,960

Odyssey and Rumble and we welcome all of

2390

01:49:07,970 --> 01:49:06,119

our new viewers and we're getting lots

2391

01:49:11,090 --> 01:49:07,980

of great comments at all the new

2392

01:49:14,930 --> 01:49:11,100

platforms uh including Odyssey Rumble

2393

01:49:18,890 --> 01:49:14,940

Day live we just began welcome D live uh

2394

01:49:21,530 --> 01:49:18,900

streamers uh Watchers of the stream but

2395

01:49:24,050 --> 01:49:21,540

we want to remind you as well if you're

2396

01:49:28,250 --> 01:49:24,060

watching or listening on D live Odyssey

2397

01:49:30,890 --> 01:49:28,260

or Rumble your your chat comments I will

2398

01:49:33,229 --> 01:49:30,900

I may not see unless I go directly to D

2399

01:49:35,990 --> 01:49:33,239

live Odyssey or Rumble so you guys too

2400

01:49:38,689 --> 01:49:36,000

and you guys on Twitch please do go to

2401

01:49:40,310 --> 01:49:38,699

youtube.com again put true Seekers one

2402

01:49:42,109 --> 01:49:40,320

word in the search bar look for the

2403

01:49:43,790 --> 01:49:42,119

truth Seekers Channel me the strange guy

2404

01:49:45,590 --> 01:49:43,800

with sunglasses go there smash the

2405

01:49:49,070 --> 01:49:45,600

Subscribe button hit the notification

2406

01:49:51,169 --> 01:49:49,080

Bell come over here to YouTube and I can

2407

01:49:53,330 --> 01:49:51,179

see and put your comments on the screen

2408

01:49:55,910 --> 01:49:53,340

and respond to your comments during the

2409

01:49:58,250 --> 01:49:55,920

live broadcast you are most welcome we

2410

01:50:00,290 --> 01:49:58,260

love all I'm getting all kinds of new

2411

01:50:02,330 --> 01:50:00,300

emails from people we're getting

2412

01:50:04,010 --> 01:50:02,340

messages for people saying I'm so glad

2413

01:50:06,010 --> 01:50:04,020

you're on Rumble I refuse to watch

2414

01:50:08,689 --> 01:50:06,020

YouTube I'm so glad you're on whatever

2415

01:50:09,890 --> 01:50:08,699

and by the way if you're watching a

2416

01:50:18,530 --> 01:50:09,900

replay

2417

01:50:20,810 --> 01:50:18,540

bitshoot or on uh Dailymotion again

2418

01:50:24,770 --> 01:50:20,820

you're missing the live fun so you

2419

01:50:29,410 --> 01:50:24,780

people watching on bit shoot Brighton or

2420

01:50:35,209 --> 01:50:32,870

or Dailymotion we want you as well come

2421

01:50:36,950 --> 01:50:35,219

on over here to the YouTube channel for

2422

01:50:39,169 --> 01:50:36,960

True Seekers just put true seekers in

2423

01:50:40,550 --> 01:50:39,179

the search bar go there smash the

2424

01:50:43,370 --> 01:50:40,560

Subscribe button hit the notification

2425

01:50:45,950 --> 01:50:43,380

Bell and come here and be a part of our

2426
01:50:48,470 --> 01:50:45,960
live broadcasts you are most welcome

2427
01:50:50,090 --> 01:50:48,480
here MJ says no doubt Stanford has

2428
01:50:52,729 --> 01:50:50,100
co-signed on him using the equipment

2429
01:50:54,649 --> 01:50:52,739
free public for the school those who

2430
01:50:56,510 --> 01:50:54,659
make the rules bend the rules I agree

2431
01:50:59,870 --> 01:50:56,520
and we want to know from Stanford

2432
01:51:03,109 --> 01:50:59,880
University if they condone and endorse

2433
01:51:07,370 --> 01:51:03,119
him using University labs and equipment

2434
01:51:09,070 --> 01:51:07,380
to help people sell 100 provably fake

2435
01:51:11,149 --> 01:51:09,080
UFO stories

2436
01:51:14,510 --> 01:51:11,159
uh yes

2437
01:51:17,270 --> 01:51:14,520
and complicated is here welcome comply

2438
01:51:19,270 --> 01:51:17,280

there uh we see B Baker and Mr Ian

2439

01:51:22,070 --> 01:51:19,280

holding down the live chat

2440

01:51:23,990 --> 01:51:22,080

and oh by the way I want to thank Madam

2441

01:51:26,689 --> 01:51:24,000

two swords for the wonderful cartoon

2442

01:51:28,750 --> 01:51:26,699

that we began tonight's broadcast with

2443

01:51:32,149 --> 01:51:28,760

that really did make me chuckle today

2444

01:51:34,189 --> 01:51:32,159

the Goof as Charlie Brown but the evil

2445

01:51:36,470 --> 01:51:34,199

Charlie Brown right and that's what this

2446

01:51:38,810 --> 01:51:36,480

is It's the childish world of

2447

01:51:40,910 --> 01:51:38,820

ridiculousness where a guy who works for

2448

01:51:44,090 --> 01:51:40,920

the biggest UFO scammers in the history

2449

01:51:46,129 --> 01:51:44,100

of UFO scammers is going to pretend that

2450

01:51:48,410 --> 01:51:46,139

he's credible and is going to pretend

2451
01:51:51,350 --> 01:51:48,420
that third phase of moon are credible by

2452
01:51:53,689 --> 01:51:51,360
the way for several days now one of the

2453
01:51:55,450 --> 01:51:53,699
two third phase of moon documentaries by

2454
01:51:58,550 --> 01:51:55,460
the way in the description of this video

2455
01:52:00,050 --> 01:51:58,560
there's two documentaries about third

2456
01:52:02,450 --> 01:52:00,060
phase of moon and all their fakery

2457
01:52:05,209 --> 01:52:02,460
fraudery and [h__h] and they're free

2458
01:52:06,590 --> 01:52:05,219
100 free to watch they're in the

2459
01:52:09,169 --> 01:52:06,600
description of the video how to put them

2460
01:52:11,090 --> 01:52:09,179
on Odyssey uh because they copyright

2461
01:52:12,470 --> 01:52:11,100
claimed or threatened a copyright claim

2462
01:52:14,090 --> 01:52:12,480
and we're going to put it on YouTube

2463
01:52:15,609 --> 01:52:14,100

eventually and those guys are going to

2464

01:52:19,310 --> 01:52:15,619

have to do whatever they're going to do

2465

01:52:21,410 --> 01:52:19,320

but one of the videos on Odyssey was was

2466

01:52:23,629 --> 01:52:21,420

not playing for several days I'm not

2467

01:52:26,629 --> 01:52:23,639

sure what the issue is I emailed Odyssey

2468

01:52:28,550 --> 01:52:26,639

and it's fixed now so both of the free

2469

01:52:30,950 --> 01:52:28,560

documentaries in the description of all

2470

01:52:32,570 --> 01:52:30,960

of our videos I'm putting that in the

2471

01:52:33,470 --> 01:52:32,580

description of every video from now

2472

01:52:35,390 --> 01:52:33,480

until

2473

01:52:37,550 --> 01:52:35,400

eternity I want people to know what

2474

01:52:39,649 --> 01:52:37,560

scammers third phase is and I want

2475

01:52:41,450 --> 01:52:39,659

people to know that goofan knew they

2476

01:52:43,250 --> 01:52:41,460

were scamming people the whole time and

2477

01:52:45,850 --> 01:52:43,260

he kept his mouth shut because he's a

2478

01:52:48,470 --> 01:52:45,860

weasel right

2479

01:52:50,450 --> 01:52:48,480

uh John Chow says Harvard is pushing

2480

01:52:52,970 --> 01:52:50,460

Loeb to all the big podcasts with his

2481

01:52:55,850 --> 01:52:52,980

new settings scam makes sense Stanford

2482

01:52:58,370 --> 01:52:55,860

wants in on the grift uh yeah

2483

01:53:01,070 --> 01:52:58,380

yeah AI Warrior says I'm still craving a

2484

01:53:02,570 --> 01:53:01,080

triple meat burger from Whataburger

2485

01:53:04,490 --> 01:53:02,580

um I don't know about that but there's a

2486

01:53:07,250 --> 01:53:04,500

place here called Nifty 50s look it up

2487

01:53:09,770 --> 01:53:07,260

our Warrior it's like an old time 50s

2488

01:53:11,209 --> 01:53:09,780

burger joint and it is delicious and

2489

01:53:14,209 --> 01:53:11,219

they got a triple cheeseburger I could

2490

01:53:15,890 --> 01:53:14,219

barely finish but I get it every time uh

2491

01:53:18,050 --> 01:53:15,900

there's a new one and I gotta take my

2492

01:53:21,229 --> 01:53:18,060

kids right

2493

01:53:24,229 --> 01:53:21,239

um I think I'm gonna do a food challenge

2494

01:53:25,790 --> 01:53:24,239

says Al Warrior uh yeah so any more

2495

01:53:29,209 --> 01:53:25,800

comments or questions for me please put

2496

01:53:31,129 --> 01:53:29,219

them in all capital letters

2497

01:53:33,169 --> 01:53:31,139

our Warrior says rest in peace to your

2498

01:53:35,149 --> 01:53:33,179

dad though I grew up Catholic too but

2499

01:53:37,550 --> 01:53:35,159

that's intense yeah he was really really

2500

01:53:39,830 --> 01:53:37,560

he was in on the whole satanic Panic he

2501
01:53:41,890 --> 01:53:39,840
was convinced that satanic Cults were

2502
01:53:45,109 --> 01:53:41,900
trying to recruit me and my brother

2503
01:53:49,010 --> 01:53:45,119
through satanic music like Ozzy Osbourne

2504
01:53:52,490 --> 01:53:49,020
and Black Sabbath and queen right

2505
01:53:56,570 --> 01:53:52,500
it's kind of ridiculous uh complete is

2506
01:53:58,970 --> 01:53:56,580
here with the bacon and B Baker yeah so

2507
01:54:01,790 --> 01:53:58,980
uh we're gonna bounce on out of here

2508
01:54:01,800 --> 01:54:05,990
I want to remind you all

2509
01:54:13,490 --> 01:54:07,790
I will be back

2510
01:54:18,530 --> 01:54:16,370
but I have to choose which of two shows

2511
01:54:20,629 --> 01:54:18,540
I have been busily preparing we are

2512
01:54:22,250 --> 01:54:20,639
going to broadcast tomorrow night can't

2513
01:54:24,229 --> 01:54:22,260

give you any more details but please do

2514

01:54:29,450 --> 01:54:24,239

be here tomorrow night

2515

01:54:31,970 --> 01:54:29,460

9 p.m Eastern Standard Time and uh you

2516

01:54:34,490 --> 01:54:31,980

are most welcome uh we usually broadcast

2517

01:54:37,370 --> 01:54:34,500

Monday through Thursday 9 pm Eastern

2518

01:54:40,550 --> 01:54:37,380

Standard Time so I'll be here and I hope

2519

01:54:42,709 --> 01:54:40,560

that you will be here too uh what I

2520

01:54:45,050 --> 01:54:42,719

could say in summation is that it's a

2521

01:54:47,450 --> 01:54:45,060

big club and I ain't in it and now we

2522

01:54:50,090 --> 01:54:47,460

could see more about how all of these

2523

01:54:53,030 --> 01:54:50,100

UFO scams work they work because people

2524

01:54:54,590 --> 01:54:53,040

like Chrissy Newton help them work so

2525

01:54:57,729 --> 01:54:54,600

that they get the clicks and the views

2526

01:55:01,250 --> 01:54:57,739

uh one final thing that I will share

2527

01:55:04,070 --> 01:55:01,260

very quickly uh running out of time here

2528

01:55:06,649 --> 01:55:04,080

is that it's not just Chrissy Newton

2529

01:55:08,750 --> 01:55:06,659

doing the UFO circle jerk because there

2530

01:55:11,629 --> 01:55:08,760

are other Bottom Feeders look at these

2531

01:55:15,109 --> 01:55:11,639

headlines Stanford top scientists had

2532

01:55:17,149 --> 01:55:15,119

three alien UFO con encounters said he

2533

01:55:18,410 --> 01:55:17,159

saw gray ETS

2534

01:55:20,810 --> 01:55:18,420

so

2535

01:55:22,850 --> 01:55:20,820

it's not just Chrissy Newton that

2536

01:55:25,970 --> 01:55:22,860

profits from this man telling fake

2537

01:55:29,330 --> 01:55:25,980

stories it's other Bottom Feeders other

2538

01:55:32,930 --> 01:55:29,340

Bottom Feeders like this site how and

2539

01:55:36,109 --> 01:55:32,940

why who post provably fake stories

2540

01:55:38,689 --> 01:55:36,119

constantly right and this is by Vicki

2541

01:55:42,050 --> 01:55:38,699

Verma who I don't understand got a

2542

01:55:45,350 --> 01:55:42,060

woman's name Piers mail whatever is on

2543

01:55:47,209 --> 01:55:45,360

Twitter and uh look at the quality of

2544

01:55:49,790 --> 01:55:47,219

some of these uh some of these stories

2545

01:55:51,770 --> 01:55:49,800

and there's so many ads that the I can't

2546

01:55:54,649 --> 01:55:51,780

show you the tab but the tab is still

2547

01:55:56,570 --> 01:55:54,659

buffering like it's still and it's been

2548

01:55:59,030 --> 01:55:56,580

for two hours trying to get all these

2549

01:56:02,149 --> 01:55:59,040

ads to still play

2550

01:56:05,470 --> 01:56:02,159

so this is monetized content made out of

2551

01:56:08,330 --> 01:56:05,480

Chrissy Newton's circle jerk right on

2552

01:56:11,030 --> 01:56:08,340

howlandwise.com Stanford top scientists

2553

01:56:13,910 --> 01:56:11,040

had three alien UFO encounters no proof

2554

01:56:17,330 --> 01:56:13,920

no proof of anything just stories but

2555

01:56:19,310 --> 01:56:17,340

remember I'm the bad guy here uh so the

2556

01:56:21,649 --> 01:56:19,320

circle jerk continues and we're going to

2557

01:56:24,530 --> 01:56:21,659

start reporting on the biggest UFO

2558

01:56:26,149 --> 01:56:24,540

Circle jerkers that there are and and I

2559

01:56:28,430 --> 01:56:26,159

think that's a good thing these people

2560

01:56:31,669 --> 01:56:28,440

should have to answer for the fakery and

2561

01:56:34,910 --> 01:56:31,679

fraud so I that's all I got for you or

2562

01:56:37,609 --> 01:56:34,920

for participating enabling it and

2563

01:56:39,649 --> 01:56:37,619

helping make it work after all tonight

2564

01:56:41,990 --> 01:56:39,659

we saw a public relations person try to

2565

01:56:44,570 --> 01:56:42,000

help Gary Nolan get out of this one

2566

01:56:46,010 --> 01:56:44,580

bad job honey that's all I got for your

2567

01:56:48,109 --> 01:56:46,020

friends until next time my name is

2568

01:56:52,110 --> 01:56:48,119

Stephen cambian good night and God bless

2569

01:58:11,070 --> 01:58:09,550

[Music]

2570

01:58:12,760 --> 01:58:11,080

thank you

2571

01:58:38,209 --> 01:58:12,770

[Applause]

2572

01:58:38,219 --> 01:58:48,400

foreign

2573

01:58:48,410 --> 01:59:10,550

[Music]
