This time last week, it was bustling, happy Bucks suburb that borders Montgomery County. Today, gloom and fear flow like traffic on sleeping strip-lit highways.
Warminster this morning buries two natives — 25-year-old men who were slain at a video store Wednesday night. West Coast Video store, 4000 Route 1 at Norritown, they worked.
The knife-wielder, the store of 530 Seann Campbell was trained at Warminster as a technician, was a copy of Beverly Hills cop. People at gun point and knife-wielder. From talk of a of 2000.
The did it work. The store.

that a part-time job worked with a

27

00:03:06,050 --> 00:03:04,440

friend will end in tragedy but for Sean

28

00:03:08,210 --> 00:03:06,060

and Brian it did

29

00:03:11,570 --> 00:03:08,220

both young men were brutally murdered

30

00:03:13,190 --> 00:03:11,580

the evening of November 10 1993

31

00:03:15,589 --> 00:03:13,200

just as they were closing at the video

32

00:03:17,930 --> 00:03:15,599

store for the night

33

00:03:19,930 --> 00:03:17,940

almost 30 years later there have been no

answers to who murdered these two bright

35

00:03:26,449 --> 00:03:22,920

promising young men

36

00:03:28,309 --> 00:03:26,459

Brian G Benson was born in April 1973 to

37

00:03:30,170 --> 00:03:28,319

Janice and Gary Benson

38

00:03:32,570 --> 00:03:30,180

he was the middle child of three boys

39
00:03:35,630 --> 00:03:32,580
and was an easy-going Peacemaker between

40
00:03:37,850 --> 00:03:35,640
his two brothers Andy and Eric

41
00:03:40,670 --> 00:03:37,860
as a girl to young man and attained more

42
00:03:42,649 --> 00:03:40,680
Independence he was still responsible

43
00:03:44,509 --> 00:03:42,659
his mother said that Brian didn't stay

44
00:03:45,530 --> 00:03:44,519
out late without calling home to let her

45
00:03:47,809 --> 00:03:45,540
know

46
00:03:50,630 --> 00:03:47,819
he was an independent-minded person who

47
00:03:53,449 --> 00:03:50,640
quote marched to his own drum unquote

48
00:03:54,830 --> 00:03:53,459
having interested in music Sports art

49
00:03:56,570 --> 00:03:54,840
and movies

50
00:03:58,309 --> 00:03:56,580
Brian enjoyed decorating his bedroom

51
00:04:00,890 --> 00:03:58,319
with posters from his favorite movies

52
00:04:02,270 --> 00:04:00,900
favorite bands or just funny images that

53
00:04:04,089 --> 00:04:02,280
made you laugh

54
00:04:08,149 --> 00:04:04,099
including a poster of the infamous

55

expose yourself to Art photograph

56
00:04:14,390 --> 00:04:11,700
Sean J Campbell was born on January 29th

57
00:04:16,430 --> 00:04:14,400
1973.

58
00:04:18,650 --> 00:04:16,440
his birth was followed eight years later

59
00:04:20,689 --> 00:04:18,660
by Sister Lane

60
00:04:23,330 --> 00:04:20,699
at some point his mother Bonnie married

61
00:04:24,650 --> 00:04:23,340
great young girls who will become Sean's

62
00:04:26,450 --> 00:04:24,660
stepfather

63
00:04:28,610 --> 00:04:26,460

Greg seems to have had a close and

64

00:04:30,590 --> 00:04:28,620

caring relationship with his stepson

65

00:04:33,170 --> 00:04:30,600

having helped Sean build his own bedroom

66

00:04:35,330 --> 00:04:33,180

at one point

67

00:04:37,010 --> 00:04:35,340

like many young people Sean was someone

68

00:04:39,950 --> 00:04:37,020

who had an interest in multiple topics

69

00:04:42,230 --> 00:04:39,960

and at age 20 did have a completely

70

00:04:44,890 --> 00:04:42,240

solid grasp on what field he planned to

71

00:04:46,909 --> 00:04:44,900

go into as a lifelong career

72

00:04:47,689 --> 00:04:46,919

architectural engineering was an

73

00:04:50,990 --> 00:04:47,699

interest

74

00:04:53,450 --> 00:04:51,000

but so was law enforcement

75

00:04:55,730 --> 00:04:53,460

our topic according to body younger's

76

00:04:58,430 --> 00:04:55,740

quote he was interested in issues of

77

00:05:00,110 --> 00:04:58,440

Juvenile Justice and deterrence I really

78

00:05:02,030 --> 00:05:00,120

think law enforcement was where he

79

00:05:04,670 --> 00:05:02,040

eventually would have headed

80

00:05:06,469 --> 00:05:04,680

unquote

81

00:05:08,810 --> 00:05:06,479

both young men came from stable

82

00:05:10,010 --> 00:05:08,820

backgrounds and both still lived with

83

00:05:12,530 --> 00:05:10,020

their parents

84

00:05:15,290 --> 00:05:12,540

both of them end up working for their

85

00:05:17,930 --> 00:05:15,300

local West Coast video which at the time

86

00:05:20,570 --> 00:05:17,940

was a video rental store franchise that

87

00:05:22,610 --> 00:05:20,580

had stores all over the USA

88

00:05:24,290 --> 00:05:22,620

Shawna worked part-time at the West

89

00:05:25,610 --> 00:05:24,300

Coast Video Store since he was in his

90

00:05:28,010 --> 00:05:25,620

early teens

91

00:05:30,890 --> 00:05:28,020

a hard worker he also held down a

92

00:05:32,870 --> 00:05:30,900

full-time job at Sylvan pools

93

00:05:35,270 --> 00:05:32,880

Brian also worked part-time at the video

94

00:05:36,590 --> 00:05:35,280

store but was a recent hire compared to

95

00:05:38,510 --> 00:05:36,600

his friend

96

00:05:49,430 --> 00:05:38,520

he also attended Bucks County Community

97

00:05:54,770 --> 00:05:52,490

the Fateful night of November 10 1993

98

00:05:57,350 --> 00:05:54,780

seemed uneventful at first

99

00:05:59,810 --> 00:05:57,360

Brian arrived around 5 PM for what he

100

00:06:01,490 --> 00:05:59,820

thought was a scheduled shift only for

101
00:06:02,629 --> 00:06:01,500
his gender to tell him that he wasn't on

102
00:06:04,550 --> 00:06:02,639
the schedule

103
00:06:06,710 --> 00:06:04,560
the manager asked if Brian could stay

104
00:06:09,590 --> 00:06:06,720
However to which Brian agreed

105
00:06:11,330 --> 00:06:09,600
Sean was also working at the store

106
00:06:13,490 --> 00:06:11,340
around 9pm

107
00:06:15,230 --> 00:06:13,500
Brian's father Gary stopped by to check

108
00:06:17,570 --> 00:06:15,240
out some videos

109
00:06:19,310 --> 00:06:17,580
saying that nothing was amiss he can

110
00:06:21,590 --> 00:06:19,320
looted his business at West Coast video

111
00:06:23,990 --> 00:06:21,600
and didn't hang around

112
00:06:26,330 --> 00:06:24,000
sometime around 10 pm the young men

113
00:06:27,950 --> 00:06:26,340

started to close up the store the war

114

00:06:29,689 --> 00:06:27,960

attacked in the secluded adult video

115

00:06:31,850 --> 00:06:29,699

section of the store

116

00:06:34,670 --> 00:06:31,860

whether they were herded there by an

117

00:06:36,170 --> 00:06:34,680

attacker or a group of attackers or were

118

00:06:37,850 --> 00:06:36,180

ambushed by assailants who had been

119

00:06:41,150 --> 00:06:37,860

hiding in the adult video section before

120

00:06:43,189 --> 00:06:41,160

closing is impossible to determine

121

00:06:45,290 --> 00:06:43,199

the number of assailants is also unknown

122

00:06:46,610 --> 00:06:45,300

but police believe there were more than

123

00:06:48,950 --> 00:06:46,620

one

124

00:06:51,230 --> 00:06:48,960

Brian and Sean are both strong fit young

125

00:06:54,050 --> 00:06:51,240

men and Brian's suffered defensive

126

00:06:56,870 --> 00:06:54,060

lacerations to his arms

127

00:06:58,909 --> 00:06:56,880

a fierce struggle for Life ensued the

128

00:07:01,370 --> 00:06:58,919

attacker stabbed Ryan and Sean with Long

129

00:07:04,010 --> 00:07:01,380

Knives inflicting deep wounds in their

130

00:07:05,809 --> 00:07:04,020

necks and chests but one of the victims

131

00:07:08,210 --> 00:07:05,819

managed to rip out an attacker's hearing

132

00:07:10,730 --> 00:07:08,220

leaving the gold stud with its fake

133

00:07:12,529 --> 00:07:10,740

diamond behind on the floor flecked with

134

00:07:14,749 --> 00:07:12,539

Blood and Tissue

135

00:07:16,969 --> 00:07:14,759

despite Sean and Brian's Fight For Life

136

00:07:19,370 --> 00:07:16,979

they were overwhelmed

137

00:07:20,210 --> 00:07:19,380

their attacker or attackers left them to

138

00:07:24,350 --> 00:07:20,220

die

139

00:07:29,330 --> 00:07:24,360

following morning by their manager who

140

00:07:34,309 --> 00:07:32,529

[Music]

141

00:07:36,650 --> 00:07:34,319

foreign

142

00:07:39,230 --> 00:07:36,660

fear laid heavy on the community of

143

00:07:41,210 --> 00:07:39,240

Warminster as everyone trapped in the

144

00:07:45,110 --> 00:07:41,220

epicenter of the violence struggled to

145

00:07:47,629 --> 00:07:45,120

find answers answers that proved elusive

146

00:07:50,570 --> 00:07:47,639

individuals and businesses alike

147

00:07:53,150 --> 00:07:50,580

placed 52 thousand dollars into her

148

00:07:55,490 --> 00:07:53,160

award fund promised to anyone who gave

149

00:07:56,930 --> 00:07:55,500

information leading to an arrest for the

150

00:07:59,210 --> 00:07:56,940

killings

151
00:08:00,350 --> 00:07:59,220
robbery was considered as a potential

152
00:08:03,830 --> 00:08:00,360
motive

153
00:08:06,290 --> 00:08:03,840
300 had been taken from the register but

154
00:08:08,330 --> 00:08:06,300
more money had been left behind and

155
00:08:09,770 --> 00:08:08,340
neither Sean nor Brian's wallets have

156
00:08:12,110 --> 00:08:09,780
been touched

157
00:08:14,450 --> 00:08:12,120
the wire to the security camera had been

158
00:08:17,089 --> 00:08:14,460
cut but the camera wouldn't have been on

159
00:08:19,969 --> 00:08:17,099
during the attack anyway it only turned

160
00:08:22,129 --> 00:08:19,979
on when the store was closed

161
00:08:24,290 --> 00:08:22,139
was it a crumb of Revenge rather than a

162
00:08:26,450 --> 00:08:24,300
botched robbery

163
00:08:28,850 --> 00:08:26,460

did one or both of the victims have an

164

00:08:30,830 --> 00:08:28,860

enemy perhaps a person that they knew

165

00:08:33,130 --> 00:08:30,840

nothing about

166

00:08:36,170 --> 00:08:33,140

police interviewed more than 300 people

167

00:08:37,850 --> 00:08:36,180

including 75 people who had rented or

168

00:08:39,949 --> 00:08:37,860

returned videos during the roughly

169

00:08:42,170 --> 00:08:39,959

five-hour period that the young men were

170

00:08:45,290 --> 00:08:42,180

on duty at the store and came up

171

00:08:49,009 --> 00:08:47,690

physical Clues were equally difficult to

172

00:08:51,290 --> 00:08:49,019

uncover

173

00:08:54,470 --> 00:08:51,300

the blood-flex hearing yielded DNA

174

00:08:56,690 --> 00:08:54,480

samples but no match was found

175

00:08:59,389 --> 00:08:56,700

a discarded rusted knife was found

176
00:09:01,430 --> 00:08:59,399
behind the rosemore shopping center but

177
00:09:03,650 --> 00:09:01,440
no usable evidence was found to tie to

178
00:09:06,290 --> 00:09:03,660
the killings

179
00:09:08,389 --> 00:09:06,300
coolest of all perhaps was a 1995

180
00:09:10,009 --> 00:09:08,399
jailhouse confession that turned out to

181
00:09:12,410 --> 00:09:10,019
be a hoax

182
00:09:15,170 --> 00:09:12,420
a prisoner named John Hall contacted the

183
00:09:17,150 --> 00:09:15,180
Campbell family by phone claiming that

184
00:09:19,610 --> 00:09:17,160
another inmate had confessed to him that

185
00:09:22,730 --> 00:09:19,620
he had killed the two young Clerks

186
00:09:26,030 --> 00:09:22,740
however Hall was lying

187
00:09:28,009 --> 00:09:26,040
now as then there are no answers as to

188
00:09:32,450 --> 00:09:28,019

what person or persons committed this

189

00:09:32,460 --> 00:09:37,910

[Music]

190

00:09:44,509 --> 00:09:40,690

the loss of a loved one creates a void

191

00:09:46,250 --> 00:09:44,519

avoiding a community in a family in the

192

00:09:48,470 --> 00:09:46,260

heart of each person who knew and

193

00:09:50,810 --> 00:09:48,480

cherished them

194

00:09:53,389 --> 00:09:50,820

Warminster collectively mourned the loss

195

00:09:56,030 --> 00:09:53,399

of two bright kind promising young men

196

00:09:58,430 --> 00:09:56,040

who seem to have had only potential and

197

00:10:00,889 --> 00:09:58,440

promise in their futures

198

00:10:03,110 --> 00:10:00,899

Blue Ribbon sprang up around trees and

199

00:10:05,930 --> 00:10:03,120

posts like flowers and spraying

200

00:10:08,389 --> 00:10:05,940

commemorating the young men saying as a

201

00:10:10,430 --> 00:10:08,399

community we remember

202

00:10:13,130 --> 00:10:10,440

but as the years passed and evidence

203

00:10:16,430 --> 00:10:13,140

became frustratingly hard to find the

204

00:10:19,910 --> 00:10:18,110

the families would cope with a very

205

00:10:21,769 --> 00:10:19,920

personal loss that would never fully

206

00:10:23,870 --> 00:10:21,779

heal or go away

207

00:10:26,690 --> 00:10:23,880

instead the loss was a never-ending

208

00:10:29,930 --> 00:10:26,700

cycle each anniversary occurring with

209

00:10:32,150 --> 00:10:29,940

not even the prospect of justice for the

210

00:10:33,949 --> 00:10:32,160

loss of Sean and Brian

211

00:10:35,870 --> 00:10:33,959

children will be born into the two

212

00:10:38,870 --> 00:10:35,880

families who would never know Sean or

213

00:10:42,170 --> 00:10:40,970

closure for such a loss is an

214

00:10:45,170 --> 00:10:42,180

impossibility

215

00:10:47,990 --> 00:10:45,180

speaking in 2013 you're the near the

216

00:10:50,930 --> 00:10:48,000

20th anniversary of the slangs Bonnie

217

00:10:54,170 --> 00:10:50,940

younger's mother of Sean Campbell said

218

00:10:58,009 --> 00:10:54,180

quote if I never find out who did it

219

00:11:00,110 --> 00:10:58,019

that is okay because God knows he did it

220

00:11:01,130 --> 00:11:00,120

closure is when I put the lid down on

221

00:11:03,350 --> 00:11:01,140

the casket

222

00:11:05,990 --> 00:11:03,360

that is the only closure I'll get until

223

00:11:11,569 --> 00:11:09,230

Janice Benson felt similarly in 2013

224

00:11:14,509 --> 00:11:11,579

about the idea of closure

225

00:11:17,750 --> 00:11:14,519

quote the hurt and pain will always be

226

00:11:20,210 --> 00:11:17,760

there there is no closure I hate that

227

00:11:24,050 --> 00:11:20,220

word you don't close your son getting

228

00:11:26,090 --> 00:11:24,060

murdered unquote Matthew 1 trout chief

229

00:11:28,610 --> 00:11:26,100

of prosecution in the Bucks County D.A

230

00:11:31,490 --> 00:11:28,620

office was more hopeful that Justice

231

00:11:34,610 --> 00:11:31,500

could be found for Sean and Brian

232

00:11:38,090 --> 00:11:34,620

speaking in 2013 about the investigation

233

00:11:38,810 --> 00:11:38,100

he said quote this case is personal for

234

00:11:43,490 --> 00:11:38,820

us

235

00:11:44,690 --> 00:11:43,500

Brian's Killers today as we were 20

236

00:11:47,150 --> 00:11:44,700

years ago

237

00:11:51,949 --> 00:11:47,160

I really believe we'll solve this

238

00:11:56,269 --> 00:11:54,530

if you have any information about the

239

00:11:59,269 --> 00:11:56,279

murders of Sean Campbell and Brian

240

00:12:00,530 --> 00:11:59,279

Benson contact the Warminster Police

443

244

00:12:15,710 --> 00:12:13,610

thank you for listening to this video

245

00:12:18,170 --> 00:12:15,720

again if you have any information about

246

00:12:30,270 --> 00:12:18,180

this case please contact the number

247

[Music]

248

00:12:56,110 --> 00:12:52,009

greetings and salutations friends and

249

00:12:58,490 --> 00:12:56,120

welcome back today we will begin a new

250

00:13:01,009 --> 00:12:58,500

investigative series

251

00:13:02,509 --> 00:13:01,019

that we are titling getting away with

252

00:13:06,530 --> 00:13:02,519

murder

253

00:13:09,590 --> 00:13:06,540

sadly there are an incredible amount of

254

00:13:13,370 --> 00:13:09,600

unsolved murders that take place across

255

00:13:15,290 --> 00:13:13,380

the United States and honestly across

256

00:13:17,990 --> 00:13:15,300

the entire world

257

00:13:20,870 --> 00:13:18,000

this case in particular

258

00:13:22,310 --> 00:13:20,880

I chose to begin with because it

259

00:13:26,750 --> 00:13:22,320

happened

260

00:13:29,449 --> 00:13:26,760

less than a mile from my home

261

00:13:33,590 --> 00:13:29,459

what can I tell you about where I live

262

00:13:33,970 --> 00:13:33,600

Warminster Pennsylvania is a quiet small

263

00:13:36,050 --> 00:13:33,980

town

264

00:13:40,930 --> 00:13:36,060

[Music]

265

00:13:43,250 --> 00:13:40,940

a suburb away from the hustle and bustle

266

00:13:47,810 --> 00:13:43,260

of Philadelphia

267

00:13:52,810 --> 00:13:47,820

true and it's interesting that this is

268

00:13:56,030 --> 00:13:52,820

the land of golf courses and good living

269

00:13:59,090 --> 00:13:56,040

Warminster is known to be a place that

270

00:14:01,370 --> 00:13:59,100

people escape the city to

271

00:14:04,970 --> 00:14:01,380

it's an affluent area

272

00:14:09,230 --> 00:14:04,980

with incredibly good schools

273

00:14:14,629 --> 00:14:11,810

so

274

00:14:15,949 --> 00:14:14,639

how then can a tragedy like this happen

275

00:14:19,430 --> 00:14:15,959

here

276

00:14:20,509 --> 00:14:19,440

murders are very infrequent in the town

277

00:14:24,110 --> 00:14:20,519

of

278

00:14:31,129 --> 00:14:27,710

but even more strange was the brutality

279

00:14:37,370 --> 00:14:33,949

these men were not just shot and killed

280

00:14:41,509 --> 00:14:37,380

they were brutally viciously

281

00:14:43,490 --> 00:14:41,519

stabbed to death with a long knife or

282

00:14:47,629 --> 00:14:43,500

knives

283

00:14:52,009 --> 00:14:47,639

both men fought for their lives

284

00:14:54,390 --> 00:14:52,019

both men lost that battle

285

00:14:55,850 --> 00:14:54,400

for almost 30 years now

286

00:14:57,889 --> 00:14:55,860

[Music]

287

00:14:59,930 --> 00:14:57,899

local officials

288

00:15:02,750 --> 00:14:59,940

have been hopeful

289

00:15:07,009 --> 00:15:02,760

that the case would be solved

290

00:15:09,170 --> 00:15:07,019

I do want to mention someone asked who

291

00:15:11,509 --> 00:15:09,180

the narrator's voice was and the peace

292

00:15:14,030 --> 00:15:11,519

we began our broadcast with

293

00:15:15,889 --> 00:15:14,040

it belongs to a YouTuber and a

294

00:15:19,250 --> 00:15:15,899

description in the description of the

295

00:15:22,370 --> 00:15:19,260

video is a link to that video

296

00:15:24,530 --> 00:15:22,380

I found that while researching this case

297

00:15:26,870 --> 00:15:24,540

it was excellent work we've included it

298

00:15:29,389 --> 00:15:26,880

here in the spirit of fair use please do

299

00:15:31,569 --> 00:15:29,399

support good content creators

300

00:15:34,550 --> 00:15:31,579

this person told the story

301
00:15:38,269 --> 00:15:34,560
much better than I could have in some

302
00:15:40,970 --> 00:15:38,279
ways so we've included it here

303
00:15:44,689 --> 00:15:40,980
I mentioned that this

304
00:15:48,170 --> 00:15:44,699
case happened probably about one mile

305
00:15:49,430 --> 00:15:48,180
from my house in a shopping center I

306
00:15:50,930 --> 00:15:49,440
frequent

307
00:15:53,810 --> 00:15:50,940
and visit

308
00:15:56,710 --> 00:15:53,820
almost every week

309
00:15:59,710 --> 00:15:56,720
sort of your typical Suburban strip mall

310
00:16:04,129 --> 00:15:59,720
with a pizza place

311
00:16:10,970 --> 00:16:04,139
bookstore a supermarket

312
00:16:16,310 --> 00:16:13,550
some interesting points to note about

313
00:16:19,850 --> 00:16:16,320

this case is that

314

00:16:22,490 --> 00:16:19,860
for almost 30 years now

315

00:16:23,449 --> 00:16:22,500
there has been an incredible amount of

316

00:16:25,189 --> 00:16:23,459
Hope

317

00:16:28,670 --> 00:16:25,199
that the case

318

00:16:31,930 --> 00:16:28,680
the cold would still be solved

319

00:16:34,730 --> 00:16:31,940
through the Miracles of DNA

320

00:16:38,689 --> 00:16:34,740
every news report

321

00:16:42,110 --> 00:16:38,699
every newspaper article every local

322

00:16:46,189 --> 00:16:42,120
television report on this case all

323

00:16:48,710 --> 00:16:46,199
mention this earring this earring is an

324

00:16:52,009 --> 00:16:48,720
incredibly important part of this story

325

00:16:55,790 --> 00:16:52,019
as we will show you tonight

326
00:16:58,370 --> 00:16:55,800
for 30 years almost

327
00:17:00,350 --> 00:16:58,380
for decades

328
00:17:03,710 --> 00:17:00,360
local

329
00:17:05,630 --> 00:17:03,720
neighbors police and the district

330
00:17:09,770 --> 00:17:05,640
attorney believed that the case was

331
00:17:14,150 --> 00:17:09,780
solvable because of this earring

332
00:17:16,069 --> 00:17:14,160
which was said to contain both Blood and

333
00:17:19,069 --> 00:17:16,079
Tissue

334
00:17:21,949 --> 00:17:19,079
and you if you research this case will

335
00:17:24,590 --> 00:17:21,959
find almost every

336
00:17:27,710 --> 00:17:24,600
one who writes about this case or does

337
00:17:29,390 --> 00:17:27,720
this story talks about that earring

338
00:17:32,930 --> 00:17:29,400

being ripped

339

00:17:39,350 --> 00:17:36,590

how incredibly tantalizing

340

00:17:41,590 --> 00:17:39,360

to know that you

341

00:17:45,470 --> 00:17:41,600

if you're the police or authorities

342

00:17:47,510 --> 00:17:45,480

literally may have a peace

343

00:17:49,789 --> 00:17:47,520

of the attacker

344

00:17:53,210 --> 00:17:49,799

in your possession

345

00:17:55,909 --> 00:17:53,220

and as I begun to dig into this case I

346

00:17:58,909 --> 00:17:55,919

wondered how could there have not been a

347

00:18:01,490 --> 00:17:58,919

match for decades all of this time was

348

00:18:04,730 --> 00:18:01,500

there a match

349

00:18:07,010 --> 00:18:04,740

what steps were the Warminster Police

350

00:18:10,130 --> 00:18:07,020

Department and the Warminster district

351
00:18:17,300 --> 00:18:13,789
we've all heard about the incredible new

352
00:18:19,190 --> 00:18:17,310
science being used to solve cold cases

353
00:18:21,890 --> 00:18:19,200
[Music]

354
00:18:25,970 --> 00:18:21,900
people call it different things I would

355
00:18:29,810 --> 00:18:25,980
call it genealogical DNA matching

356
00:18:31,909 --> 00:18:29,820
in the very famous most famous case of

357
00:18:34,909 --> 00:18:31,919
this method working

358
00:18:38,210 --> 00:18:34,919
the Golden State killer a man who had

359
00:18:42,230 --> 00:18:38,220
gone who had gotten away with murder for

360
00:18:44,690 --> 00:18:42,240
decades was finally caught

361
00:18:48,169 --> 00:18:44,700
some may be unfamiliar with how that

362
00:18:49,669 --> 00:18:48,179
happened or what this method is

363
00:18:52,190 --> 00:18:49,679

what happens

364

00:18:55,310 --> 00:18:52,200

in some cases and happened in the Golden

365

00:18:56,990 --> 00:18:55,320

State killer case is that they submitted

366

00:18:59,750 --> 00:18:57,000

DNA

367

00:19:03,049 --> 00:18:59,760

from murder victims who had been raped

368

00:19:05,330 --> 00:19:03,059

and murdered they had DNA from many

369

00:19:07,370 --> 00:19:05,340

different cases in the Golden State

370

00:19:08,750 --> 00:19:07,380

killer case

371

00:19:13,549 --> 00:19:08,760

so

372

00:19:15,830 --> 00:19:13,559

they used genealogical databases

373

00:19:20,029 --> 00:19:15,840

they submit the sample

374

00:19:24,650 --> 00:19:20,039

and they may not get the perpetrator

375

00:19:28,130 --> 00:19:24,660

but according to statistics in 90 plus

376

00:19:31,130 --> 00:19:28,140

percent of the time they will get a

377

00:19:33,529 --> 00:19:31,140

close familial match what does that mean

378

00:19:35,630 --> 00:19:33,539

that means you may not get the

379

00:19:38,270 --> 00:19:35,640

perpetrator of the crime through this

380

00:19:39,890 --> 00:19:38,280

method but you will get

381

00:19:41,390 --> 00:19:39,900

a brother

382

00:19:43,370 --> 00:19:41,400

a mother

383

00:19:45,049 --> 00:19:43,380

a cousin

384

00:19:48,529 --> 00:19:45,059

and in the case of the Golden State

385

00:19:51,049 --> 00:19:48,539

killer they did get a familial match a

386

00:19:55,070 --> 00:19:51,059

match to a family member who had

387

00:19:56,510 --> 00:19:55,080

submitted their DNA to this database

388

00:19:58,430 --> 00:19:56,520

so

389

00:20:02,029 --> 00:19:58,440

investigators

390

00:20:03,710 --> 00:20:02,039

did a full genealogical study of the

391

00:20:05,270 --> 00:20:03,720

familial match in the Golden State

392

00:20:09,169 --> 00:20:05,280

killer case

393

00:20:10,669 --> 00:20:09,179

they were able to find a family member

394

00:20:12,350 --> 00:20:10,679

and then

395

00:20:16,430 --> 00:20:12,360

study

396

00:20:19,730 --> 00:20:16,440

that person's family tree to find a

397

00:20:21,830 --> 00:20:19,740

suspect that fit their criteria

398

00:20:24,230 --> 00:20:21,840

who would be around the same age who

399

00:20:25,490 --> 00:20:24,240

lived in the area of the killings at the

400

00:20:28,250 --> 00:20:25,500

time

401
00:20:32,630 --> 00:20:28,260
and Incredibly

402
00:20:35,150 --> 00:20:32,640
the case was solved with this method

403
00:20:38,090 --> 00:20:35,160
upon hearing and reading so many

404
00:20:40,250 --> 00:20:38,100
articles mentioning that this specific

405
00:20:42,950 --> 00:20:40,260
case had

406
00:20:44,810 --> 00:20:42,960
great DNA evidence in the form of Blood

407
00:20:48,350 --> 00:20:44,820
and Tissue

408
00:20:50,990 --> 00:20:48,360
skin and blood

409
00:20:52,850 --> 00:20:51,000
surely I thought the authorities could

410
00:20:56,450 --> 00:20:52,860
get a DNA match

411
00:21:01,549 --> 00:20:58,730
started digging into the case and was

412
00:21:04,250 --> 00:21:01,559
instantly stopped in my tracks

413
00:21:06,409 --> 00:21:04,260

and we'll get into that

414

00:21:10,730 --> 00:21:06,419

uh I began

415

00:21:13,190 --> 00:21:10,740

our investigation by reaching out to

416

00:21:19,010 --> 00:21:13,200

the Warminster district attorney who I

417

00:21:25,130 --> 00:21:21,470

I'm going to read you a

418

00:21:29,570 --> 00:21:25,140

and show you one article which also

419

00:21:32,450 --> 00:21:29,580

mentions this DNA evidence

420

00:21:33,770 --> 00:21:32,460

again this is fair use we are educating

421

00:21:37,250 --> 00:21:33,780

the public

422

00:21:39,710 --> 00:21:37,260

uh and this is from medium.com an

423

00:21:41,930 --> 00:21:39,720

article by Nicole Henley the unsolved

424

00:21:43,730 --> 00:21:41,940

West Coast Video store murders

425

00:21:46,850 --> 00:21:43,740

two co-workers best friends were

426

00:21:50,029 --> 00:21:46,860

murdered in a Cold Case only one clue

427

00:21:52,070 --> 00:21:50,039

not a single answer most cold cases have

428

00:21:53,930 --> 00:21:52,080

at least a slim chance of being solved

429

00:21:55,310 --> 00:21:53,940

due to having a source of DNA difference

430

00:21:57,649 --> 00:21:55,320

to match

431

00:21:59,690 --> 00:21:57,659

or the murder weapon weapon found

432

00:22:02,090 --> 00:21:59,700

however the possibilities for a

433

00:22:04,370 --> 00:22:02,100

particular Cold Case to get solved get

434

00:22:07,130 --> 00:22:04,380

that much harder when there is no known

435

00:22:09,409 --> 00:22:07,140

motive no Persons of Interest or

436

00:22:10,789 --> 00:22:09,419

suspects named or murder weapon

437

00:22:13,190 --> 00:22:10,799

discovered

438

00:22:16,490 --> 00:22:13,200

what if the only key to closing the case

439

00:22:19,909 --> 00:22:16,500

was a tiny piece of DNA evidence of

440

00:22:23,029 --> 00:22:19,919

which a match has yet to be established

441

00:22:25,010 --> 00:22:23,039

remember this earring in this case is

442

00:22:26,390 --> 00:22:25,020

incredibly important and we'll see more

443

00:22:28,250 --> 00:22:26,400

about why

444

00:22:29,990 --> 00:22:28,260

that's the current reality for one

445

00:22:31,789 --> 00:22:30,000

particular cold case involving the

446

00:22:35,029 --> 00:22:31,799

double murders of two best friends and

447

00:22:37,070 --> 00:22:35,039

co-workers in 1993 at their place of

448

00:22:39,590 --> 00:22:37,080

work a video store

449

00:22:41,630 --> 00:22:39,600

this case the West Coast Video store

450

00:22:43,850 --> 00:22:41,640

murders hopefully will one day get the

451
00:22:46,310 --> 00:22:43,860
closure it deserves

452
00:22:47,750 --> 00:22:46,320
Sean Campbell and Brian Benson were best

453
00:22:50,510 --> 00:22:47,760
friends who grew up together in

454
00:22:52,930 --> 00:22:50,520
Warminster Pennsylvania in 1993 both

455
00:22:56,270 --> 00:22:52,940
were 20 years old and worked part-time

456
00:22:58,370 --> 00:22:56,280
at their local West Coast Video Store in

457
00:23:01,130 --> 00:22:58,380
the rosemore shopping center on County

458
00:23:02,870 --> 00:23:01,140
Line Road that is the shopping center I

459
00:23:03,890 --> 00:23:02,880
mentioned friends that is so close to my

460
00:23:05,810 --> 00:23:03,900
home

461
00:23:08,590 --> 00:23:05,820
however both men would meet an

462
00:23:11,690 --> 00:23:08,600
unfortunate abrupt end one fateful night

463
00:23:14,570 --> 00:23:11,700

that to this day no one knows who is

464

00:23:17,330 --> 00:23:14,580

responsible for or why it happened at

465

00:23:19,250 --> 00:23:17,340

all neither Sean or Brian had kept any

466

00:23:20,990 --> 00:23:19,260

secrets from their loved ones both of

467

00:23:23,390 --> 00:23:21,000

them attended the same high school and

468

00:23:25,130 --> 00:23:23,400

shared mutual friends each lived with

469

00:23:28,070 --> 00:23:25,140

their respective parents within walking

470

00:23:29,930 --> 00:23:28,080

distance from the video store at the

471

00:23:32,029 --> 00:23:29,940

time of their murders Brian was attended

472

00:23:33,950 --> 00:23:32,039

attending Bucks County Community College

473

00:23:36,169 --> 00:23:33,960

in addition to his part-time job at the

474

00:23:38,870 --> 00:23:36,179

video store and Sean also worked

475

00:23:40,970 --> 00:23:38,880

full-time at sylvan's pools in Abington

476
00:23:43,310 --> 00:23:40,980
moreover Sean had been working for the

477
00:23:45,950 --> 00:23:43,320
video store for up to six years by that

478
00:23:49,549 --> 00:23:45,960
point while Brian sadly had only begun

479
00:23:52,610 --> 00:23:49,559
working there six months earlier

480
00:23:55,430 --> 00:23:52,620
a fateful night within their last few

481
00:23:57,649 --> 00:23:55,440
hours Sean and Brian tended to several

482
00:23:59,690 --> 00:23:57,659
customers including Brian's father Gary

483
00:24:02,210 --> 00:23:59,700
who had stopped by the store around 9 00

484
00:24:04,190 --> 00:24:02,220
pm to pick up some movies by his account

485
00:24:05,750 --> 00:24:04,200
nothing appeared out of the ordinary and

486
00:24:08,390 --> 00:24:05,760
there was no reason for him to stay

487
00:24:11,450 --> 00:24:08,400
longer than he did according to his wife

488
00:24:13,310 --> 00:24:11,460

on the night of November 10 1993 both

489

00:24:15,049 --> 00:24:13,320

Sean and Brian were in the process of

490

00:24:15,890 --> 00:24:15,059

closing up the store for their nut for

491

00:24:18,289 --> 00:24:15,900

the night

492

00:24:20,930 --> 00:24:18,299

shortly before 10 pm both entered the

493

00:24:23,810 --> 00:24:20,940

adult x-rated room where they both got

494

00:24:26,570 --> 00:24:23,820

fatally stabbed with long bladed knives

495

00:24:29,570 --> 00:24:26,580

into their necks backs of chests

496

00:24:31,250 --> 00:24:29,580

since both Sean and Brian were at least

497

00:24:34,070 --> 00:24:31,260

six feet tall and physically fit

498

00:24:35,990 --> 00:24:34,080

investigators firmly believe that there

499

00:24:38,990 --> 00:24:36,000

was more than one assailant

500

00:24:40,430 --> 00:24:39,000

with the notion that there had been

501
00:24:42,529 --> 00:24:40,440
two

502
00:24:44,570 --> 00:24:42,539
despite being stabbed repeatedly both

503
00:24:46,610 --> 00:24:44,580
put up a good fight as evidenced by

504
00:24:49,250 --> 00:24:46,620
defensive wounds on each of their

505
00:24:51,470 --> 00:24:49,260
forearms during the autopsies

506
00:24:53,870 --> 00:24:51,480
though the motive was initials initially

507
00:24:55,669 --> 00:24:53,880
suggested to be robbery the fact that

508
00:24:57,470 --> 00:24:55,679
the assailant or assailants took only

509
00:25:01,010 --> 00:24:57,480
three hundred dollars

510
00:25:03,470 --> 00:25:01,020
not including any cash in the register

511
00:25:05,029 --> 00:25:03,480
or either of the victim's wallets has

512
00:25:07,250 --> 00:25:05,039
cast out on this

513
00:25:09,409 --> 00:25:07,260

moreover police suggested that either

514

00:25:11,870 --> 00:25:09,419

the assailants hid in the adult x-rated

515

00:25:14,690 --> 00:25:11,880

room of the store before attacking them

516

00:25:17,270 --> 00:25:14,700

or that both men were lured there by

517

00:25:20,870 --> 00:25:17,280

some form of force it is unclear which

518

00:25:22,730 --> 00:25:20,880

one of these two scenarios did occur

519

00:25:24,649 --> 00:25:22,740

unfortunately no one discovered their

520

00:25:26,690 --> 00:25:24,659

bodies until the owner of the store did

521

00:25:28,669 --> 00:25:26,700

the next morning which by then was too

522

00:25:30,590 --> 00:25:28,679

late

523

00:25:32,390 --> 00:25:30,600

police at the scene found either any

524

00:25:34,370 --> 00:25:32,400

signs of fourth Century or a murder

525

00:25:35,750 --> 00:25:34,380

weapon additionally they discovered that

526

00:25:37,610 --> 00:25:35,760

the front door had been left both

527

00:25:40,490 --> 00:25:37,620

unlocked and ajar

528

00:25:42,230 --> 00:25:40,500

furthermore detectives discovered and

529

00:25:44,029 --> 00:25:42,240

here's the important part that someone

530

00:25:46,490 --> 00:25:44,039

had cut the wire to security camera

531

00:25:48,950 --> 00:25:46,500

aimed at the cash register I think

532

00:25:52,789 --> 00:25:48,960

that's an important clue

533

00:25:57,049 --> 00:25:55,430

even more frustratingly investigators

534

00:25:58,549 --> 00:25:57,059

quickly determined that cutting the cord

535

00:26:00,590 --> 00:25:58,559

of the security camera would have made

536

00:26:02,390 --> 00:26:00,600

little difference at all since the

537

00:26:03,649 --> 00:26:02,400

security camera was not working at the

538

00:26:05,930 --> 00:26:03,659

time

539

00:26:07,850 --> 00:26:05,940

security cameras did not activate until

540

00:26:10,730 --> 00:26:07,860

the store was locked

541

00:26:13,250 --> 00:26:10,740

and then we move on to the investigation

542

00:26:15,769 --> 00:26:13,260

though the police concluded that two

543

00:26:17,930 --> 00:26:15,779

assailants responsible tried to identify

544

00:26:21,590 --> 00:26:17,940

them proved challenging interestingly

545

00:26:24,529 --> 00:26:21,600

the one clue they did find was a gold

546

00:26:26,090 --> 00:26:24,539

half inch here is the most important

547

00:26:28,130 --> 00:26:26,100

part

548

00:26:30,529 --> 00:26:28,140

the important clue that they found was a

549

00:26:31,970 --> 00:26:30,539

gold half inch fake diamond stud earring

550

00:26:34,549 --> 00:26:31,980

which they found on the floor between

551
00:26:36,529 --> 00:26:34,559
the bodies this earring was found on the

552
00:26:39,529 --> 00:26:36,539
floor between the bodies

553
00:26:42,529 --> 00:26:39,539
and this article like many state

554
00:26:45,049 --> 00:26:42,539
information from the police that says it

555
00:26:47,090 --> 00:26:45,059
had been ripped off during the ensuing

556
00:26:48,169 --> 00:26:47,100
fight between one of the boys and their

557
00:26:50,990 --> 00:26:48,179
assailants

558
00:26:52,909 --> 00:26:51,000
subsequently DNA was collected from the

559
00:26:56,210 --> 00:26:52,919
earring in the form of tissue and blood

560
00:26:58,610 --> 00:26:56,220
however despite the DNA obtained from

561
00:27:00,890 --> 00:26:58,620
the stud any matches from it have yet to

562
00:27:03,710 --> 00:27:00,900
be found

563
00:27:06,230 --> 00:27:03,720

yeah and there was the jailhouse snitch

564

00:27:09,169 --> 00:27:06,240

which lied and said that he knew who the

565

00:27:12,409 --> 00:27:10,070

um

566

00:27:14,990 --> 00:27:12,419

and you know the case just gets sadder

567

00:27:17,330 --> 00:27:15,000

it becomes a Cold Case never did they

568

00:27:20,510 --> 00:27:17,340

get apparently never did they get a

569

00:27:23,269 --> 00:27:20,520

match to the DNA but we will hear more

570

00:27:26,750 --> 00:27:23,279

about the DNA and this very important

571

00:27:28,490 --> 00:27:26,760

evidence this earring that for years all

572

00:27:31,370 --> 00:27:28,500

news reports that covered this story

573

00:27:34,490 --> 00:27:31,380

said was ripped from the assailant and

574

00:27:40,010 --> 00:27:34,500

found between the two discovered bodies

575

00:27:43,909 --> 00:27:41,810

the sad part is of course they're

576

00:27:45,169 --> 00:27:43,919

surviving relatives they are no longer

577

00:27:46,850 --> 00:27:45,179

confident that the murders are the

578

00:27:49,250 --> 00:27:46,860

respected loved ones will ever get

579

00:27:51,289 --> 00:27:49,260

solved and at least somewhat made peace

580

00:27:54,710 --> 00:27:51,299

with that despite that both families

581

00:27:56,750 --> 00:27:54,720

still deserve some or at least some

582

00:27:59,210 --> 00:27:56,760

answers hopefully Sean and Brian both

583

00:28:01,250 --> 00:27:59,220

get Justice one day soon

584

00:28:03,130 --> 00:28:01,260

if anyone out there knows even the

585

00:28:05,390 --> 00:28:03,140

tiniest seemingly

586

00:28:07,549 --> 00:28:05,400

insignificant clue to who killed Sean

587

00:28:09,169 --> 00:28:07,559

and Brian and why please contact the

588

00:28:15,310 --> 00:28:09,179

number below and that would be the

589

00:28:20,750 --> 00:28:16,930

443-5000

590

00:28:24,529 --> 00:28:20,760

now I have repeatedly mentioned this

591

00:28:26,090 --> 00:28:24,539

earring as being so important

592

00:28:31,370 --> 00:28:26,100

why

593

00:28:34,909 --> 00:28:31,380

well I was so uh interested in this case

594

00:28:37,669 --> 00:28:34,919

because they have DNA evidence they've

595

00:28:40,850 --> 00:28:37,679

got blood they've got tissue

596

00:28:45,049 --> 00:28:40,860

certainly they should be able to use

597

00:28:48,409 --> 00:28:45,059

this new method genealogical familial

598

00:28:50,210 --> 00:28:48,419

DNA matching with a database and by the

599

00:28:52,850 --> 00:28:50,220

way

600

00:28:56,149 --> 00:28:52,860

um that has proven effective in many

601
00:28:59,330 --> 00:28:56,159
many different cold cases so far

602
00:29:00,409 --> 00:28:59,340
most famously the Golden State killer

603
00:29:05,810 --> 00:29:00,419
case

604
00:29:08,330 --> 00:29:05,820
involved with thought it's never going

605
00:29:08,990 --> 00:29:08,340
to be solved

606
00:29:11,570 --> 00:29:09,000
um

607
00:29:13,130 --> 00:29:11,580
for years they were unable to get a

608
00:29:16,250 --> 00:29:13,140
match now for those unaware there's

609
00:29:17,570 --> 00:29:16,260
something called CODIS which is a DNA

610
00:29:21,350 --> 00:29:17,580
database

611
00:29:23,690 --> 00:29:21,360
and many states in the United States

612
00:29:26,630 --> 00:29:23,700
when someone is convicted of a felony

613
00:29:30,409 --> 00:29:26,640

crime they will swab them and they will

614

00:29:31,549 --> 00:29:30,419

submit their DNA to the CODIS database

615

00:29:33,529 --> 00:29:31,559

so

616

00:29:35,510 --> 00:29:33,539

now I have to make assumptions here and

617

00:29:38,630 --> 00:29:35,520

we'll get into why I have to assume

618

00:29:41,389 --> 00:29:38,640

things soon uh

619

00:29:45,049 --> 00:29:41,399

I'm assuming that they submitted it the

620

00:29:47,450 --> 00:29:45,059

DNA to CODIS which is the criminal

621

00:29:50,330 --> 00:29:47,460

federal government database of criminals

622

00:29:53,570 --> 00:29:50,340

and never received a match

623

00:29:56,930 --> 00:29:53,580

that would seem to point to the fact

624

00:30:00,169 --> 00:29:56,940

that this assailant who was the owner of

625

00:30:02,029 --> 00:30:00,179

the earring ripped from him during the

626
00:30:05,210 --> 00:30:02,039
attack the murder

627
00:30:07,789 --> 00:30:05,220
was never convicted of other crimes or

628
00:30:11,570 --> 00:30:07,799
he would likely at least serious crimes

629
00:30:13,610 --> 00:30:11,580
or he or she would likely be in this

630
00:30:16,549 --> 00:30:13,620
database that all law enforcement

631
00:30:18,830 --> 00:30:16,559
agencies use

632
00:30:19,690 --> 00:30:18,840
I've mentioned this

633
00:30:22,549 --> 00:30:19,700
um

634
00:30:26,210 --> 00:30:22,559
hearing and DNA evidence and as I said

635
00:30:28,029 --> 00:30:26,220
every single article

636
00:30:32,049 --> 00:30:28,039
up to a point

637
00:30:36,289 --> 00:30:32,059
let me check here what was that

638
00:30:40,210 --> 00:30:36,299

the article that we just referenced uh

639

00:30:43,669 --> 00:30:40,220

was from 2018 I found articles from 20

640

00:30:48,409 --> 00:30:43,679

20. that also mentioned this earring the

641

00:30:50,990 --> 00:30:48,419

DNA evidence and uh that the earring was

642

00:30:52,549 --> 00:30:51,000

ripped from the ear of one of the

643

00:30:57,230 --> 00:30:52,559

murderers

644

00:31:01,190 --> 00:30:57,240

so to me it's so tantalizing that for

645

00:31:05,510 --> 00:31:01,200

all of this time investigators appear to

646

00:31:07,850 --> 00:31:05,520

have the key to solving this

647

00:31:11,149 --> 00:31:07,860

double murder

648

00:31:13,669 --> 00:31:11,159

and so far have been unable to do that

649

00:31:15,950 --> 00:31:13,679

when I realized that the Golden State

650

00:31:18,110 --> 00:31:15,960

killer case was solved using these

651
00:31:20,350 --> 00:31:18,120
genealogical databases the first

652
00:31:24,250 --> 00:31:20,360
question that I had for authorities was

653
00:31:27,110 --> 00:31:24,260
did you submit this to

654
00:31:29,090 --> 00:31:27,120
genealogical databases to get a familial

655
00:31:32,630 --> 00:31:29,100
match if you can't get a match through

656
00:31:34,370 --> 00:31:32,640
CODIS perhaps you could at least get a

657
00:31:36,710 --> 00:31:34,380
match to one of these assailants family

658
00:31:37,970 --> 00:31:36,720
members and then work the investigation

659
00:31:40,250 --> 00:31:37,980
from there

660
00:31:43,730 --> 00:31:40,260
I think

661
00:31:46,789 --> 00:31:43,740
or I did think that this case having

662
00:31:48,470 --> 00:31:46,799
this DNA evidence is still very very

663
00:31:51,950 --> 00:31:48,480

solvable

664

00:31:54,049 --> 00:31:51,960

and I just want to mention that I am the

665

00:31:56,510 --> 00:31:54,059

father of two boys

666

00:31:59,090 --> 00:31:56,520

and when I think about the horror of

667

00:32:03,169 --> 00:31:59,100

losing one of them

668

00:32:05,090 --> 00:32:03,179

it's unbearable to me especially to a

669

00:32:07,789 --> 00:32:05,100

violent Act

670

00:32:11,930 --> 00:32:07,799

like a brutal murder

671

00:32:14,570 --> 00:32:11,940

but worse than that I thought about the

672

00:32:17,330 --> 00:32:14,580

families who for almost 30 years now

673

00:32:21,409 --> 00:32:17,340

have been waiting

674

00:32:24,529 --> 00:32:21,419

for justice for the loss of their sons

675

00:32:26,870 --> 00:32:24,539

there's two grieving families and and

676

00:32:27,889 --> 00:32:26,880

not to mention remember being 20 years

677

00:32:29,389 --> 00:32:27,899

old

678

00:32:31,310 --> 00:32:29,399

I bet

679

00:32:34,610 --> 00:32:31,320

when you were 20 years old you had a lot

680

00:32:39,529 --> 00:32:34,620

more friends than you do now

681

00:32:41,090 --> 00:32:39,539

these two men are were grieved by

682

00:32:44,389 --> 00:32:41,100

many people

683

00:32:45,830 --> 00:32:44,399

including the whole town even people who

684

00:32:48,710 --> 00:32:45,840

didn't know them

685

00:32:50,389 --> 00:32:48,720

still whisper about this case

686

00:32:53,029 --> 00:32:50,399

and wonder

687

00:32:56,810 --> 00:32:53,039

why it was never solved if the police

688

00:32:59,870 --> 00:32:56,820

have DNA evidence linked directly to one

689

00:32:59,880 --> 00:33:05,149

now here is where things get interesting

690

00:33:11,450 --> 00:33:08,930

in researching this case I started to go

691

00:33:14,210 --> 00:33:11,460

through all the news reports and as I

692

00:33:16,610 --> 00:33:14,220

said every news report that you find on

693

00:33:20,149 --> 00:33:16,620

this case mentions the earring

694

00:33:23,450 --> 00:33:20,159

ripped from the probable murderer's ear

695

00:33:26,509 --> 00:33:25,190

until recently

696

00:33:28,490 --> 00:33:26,519

because

697

00:33:31,490 --> 00:33:28,500

and here's where all of my questions

698

00:33:35,630 --> 00:33:31,500

really begin about this case and where

699

00:33:37,730 --> 00:33:35,640

this case takes on a frightening

700

00:33:39,590 --> 00:33:37,740

new dimension

701
00:33:41,409 --> 00:33:39,600
of Mystery

702
00:33:44,210 --> 00:33:41,419
recently

703
00:33:45,889 --> 00:33:44,220
the local district attorney his name is

704
00:33:48,289 --> 00:33:45,899
Matt Weintraub

705
00:33:51,169 --> 00:33:48,299
gave an interview to a local television

706
00:33:55,370 --> 00:33:51,179
station and during that interview

707
00:33:58,930 --> 00:33:55,380
remember for all of this time now every

708
00:34:02,090 --> 00:33:58,940
news article you find every report

709
00:34:04,730 --> 00:34:02,100
everything mentions this hearing they

710
00:34:06,649 --> 00:34:04,740
have the DNA we're still hopeful we'll

711
00:34:08,329 --> 00:34:06,659
get a match we're still hopeful that the

712
00:34:11,450 --> 00:34:08,339
case could be solved because we have

713
00:34:13,849 --> 00:34:11,460

this Smoking Gun evidence ripped from

714

00:34:15,889 --> 00:34:13,859

one of the murderer's ears

715

00:34:18,530 --> 00:34:15,899

um

716

00:34:21,050 --> 00:34:18,540

and then all that changed

717

00:34:22,250 --> 00:34:21,060

all that changed during a recent

718

00:34:26,089 --> 00:34:22,260

interview

719

00:34:27,530 --> 00:34:26,099

uh and one second I'm uh gotta get the

720

00:34:30,109 --> 00:34:27,540

uh

721

00:34:32,810 --> 00:34:30,119

I have to get the date of that interview

722

00:34:35,930 --> 00:34:32,820

I don't want to misspeak here

723

00:34:39,710 --> 00:34:35,940

uh one second

724

00:34:41,690 --> 00:34:39,720

this is last year sometime though uh and

725

00:34:43,609 --> 00:34:41,700

the district attorney gives an

726

00:34:46,730 --> 00:34:43,619

interesting interview

727

00:34:48,169 --> 00:34:46,740

and during this interview he says that

728

00:34:49,609 --> 00:34:48,179

the

729

00:34:52,669 --> 00:34:49,619

uh

730

00:34:55,070 --> 00:34:52,679

the earring has been ruled out as being

731

00:34:56,950 --> 00:34:55,080

relevant to the case

732

00:34:59,930 --> 00:34:56,960

and I

733

00:35:02,750 --> 00:34:59,940

couldn't believe it like how how was

734

00:35:05,510 --> 00:35:02,760

that determined the earring is no longer

735

00:35:08,089 --> 00:35:05,520

relevant you guys figured out that that

736

00:35:10,010 --> 00:35:08,099

had nothing to do with the case and this

737

00:35:12,710 --> 00:35:10,020

brings us up a startling amount of

738

00:35:14,870 --> 00:35:12,720

questions and my first question to the

739

00:35:18,589 --> 00:35:14,880

district attorney and the local police

740

00:35:21,530 --> 00:35:18,599

were how often do you find a bloody

741

00:35:25,130 --> 00:35:21,540

earring with skin still on it

742

00:35:28,849 --> 00:35:25,140

between two murder victims at the scene

743

00:35:34,730 --> 00:35:28,859

of a crime that's unsolved that is not

744

00:35:41,210 --> 00:35:38,450

so my troubling questions about this

745

00:35:42,650 --> 00:35:41,220

case began right here with this new

746

00:35:45,349 --> 00:35:42,660

interview

747

00:35:49,790 --> 00:35:45,359

and we are going to cite fair use this

748

00:35:51,650 --> 00:35:49,800

is a local news station local to me

749

00:35:54,310 --> 00:35:51,660

this is a transformative work we're

750

00:35:56,990 --> 00:35:54,320

educating the public and we will be

751
00:35:58,370 --> 00:35:57,000
discussing and critiquing the video that

752
00:36:00,050 --> 00:35:58,380
we're sharing

753
00:36:03,650 --> 00:36:00,060
for those just joining us you're

754
00:36:06,530 --> 00:36:03,660
watching truth Seekers and uh you are

755
00:36:08,990 --> 00:36:06,540
here at the debut of our new series

756
00:36:11,270 --> 00:36:09,000
getting away with murder

757
00:36:16,849 --> 00:36:11,280
so

758
00:36:21,349 --> 00:36:16,859
almost 30 years

759
00:36:23,870 --> 00:36:21,359
there has been the myth of this case

760
00:36:25,370 --> 00:36:23,880
it's going to be solved and the real

761
00:36:28,250 --> 00:36:25,380
reason it's going to be solved is

762
00:36:31,250 --> 00:36:28,260
because the police have a bloody earring

763
00:36:33,530 --> 00:36:31,260

that even had skin on it that was ripped

764

00:36:36,970 --> 00:36:33,540

from the ear of of one of the murderers

765

00:36:39,349 --> 00:36:36,980

during the attack

766

00:36:42,050 --> 00:36:39,359

but recently

767

00:36:42,950 --> 00:36:42,060

the Warminster district attorney gave an

768

00:36:46,370 --> 00:36:42,960

interview

769

00:36:49,790 --> 00:36:46,380

and I was struck by the lack of

770

00:36:51,710 --> 00:36:49,800

explanation because everyone I know it's

771

00:36:53,870 --> 00:36:51,720

hard to tell you don't live here in my

772

00:36:56,510 --> 00:36:53,880

town in Warminster Pennsylvania but

773

00:36:58,430 --> 00:36:56,520

everyone that I asked about this case

774

00:37:01,250 --> 00:36:58,440

remember I'm a recent

775

00:37:02,569 --> 00:37:01,260

resident here I was born and raised and

776

00:37:05,750 --> 00:37:02,579

lived most of my life in Philadelphia

777

00:37:07,849 --> 00:37:05,760

before moving here a few years ago but

778

00:37:09,710 --> 00:37:07,859

everyone I asked about this case I went

779

00:37:11,690 --> 00:37:09,720

to the original Shopping Center

780

00:37:14,150 --> 00:37:11,700

I'm going to go back

781

00:37:15,770 --> 00:37:14,160

tomorrow or the next day because there

782

00:37:17,450 --> 00:37:15,780

are some people that are just busy at

783

00:37:19,310 --> 00:37:17,460

work and didn't have time to talk to me

784

00:37:22,250 --> 00:37:19,320

who promised they would

785

00:37:24,050 --> 00:37:22,260

everyone that I talked to said yeah it's

786

00:37:25,990 --> 00:37:24,060

a shame they never saw that especially

787

00:37:29,450 --> 00:37:26,000

because they have that DNA evidence

788

00:37:31,069 --> 00:37:29,460

everyone I talked to said yeah they got

789

00:37:32,630 --> 00:37:31,079

that earring that was ripped right out

790

00:37:34,250 --> 00:37:32,640

of the murderer I don't know why they

791

00:37:35,510 --> 00:37:34,260

never solved the case why didn't they

792

00:37:38,390 --> 00:37:35,520

ever get a match

793

00:37:41,089 --> 00:37:38,400

and the interesting part is nobody knows

794

00:37:44,450 --> 00:37:41,099

if they ever did get a match

795

00:37:46,430 --> 00:37:44,460

and now we get this interview with the

796

00:37:48,050 --> 00:37:46,440

local district attorney where he just

797

00:37:50,810 --> 00:37:48,060

says

798

00:37:53,210 --> 00:37:50,820

that this earring thing took on Mythic

799

00:37:55,849 --> 00:37:53,220

proportions but we've been able to rule

800

00:37:58,250 --> 00:37:55,859

it out as being relevant to the case but

801
00:38:01,370 --> 00:37:58,260
then he offers no explanation as to

802
00:38:04,069 --> 00:38:01,380
number one how was that earring that had

803
00:38:06,310 --> 00:38:04,079
Blood and Tissue all over it found that

804
00:38:08,750 --> 00:38:06,320
this in between two dead bodies

805
00:38:10,490 --> 00:38:08,760
determined to not be relevant to the

806
00:38:12,829 --> 00:38:10,500
case

807
00:38:15,230 --> 00:38:12,839
and

808
00:38:17,089 --> 00:38:15,240
what steps were taken how did they

809
00:38:19,310 --> 00:38:17,099
determine it's not relevant to the case

810
00:38:21,589 --> 00:38:19,320
did they get a match and then they

811
00:38:23,930 --> 00:38:21,599
interview the person it matched to and

812
00:38:26,450 --> 00:38:23,940
then exclude them from being involved

813
00:38:32,990 --> 00:38:30,050

we'll get into my questions but the

814

00:38:35,150 --> 00:38:33,000

important part is that the Warminster

815

00:38:37,730 --> 00:38:35,160

District Attorney's office and the

816

00:38:41,450 --> 00:38:37,740

Warminster Police Department have so far

817

00:38:42,470 --> 00:38:41,460

refused to answer a single question that

818

00:38:44,510 --> 00:38:42,480

I asked

819

00:38:46,490 --> 00:38:44,520

they even employ at the District

820

00:38:49,190 --> 00:38:46,500

Attorney's Office a full-time

821

00:38:51,410 --> 00:38:49,200

communications director whose job it is

822

00:38:53,210 --> 00:38:51,420

to communicate with members of the media

823

00:38:54,829 --> 00:38:53,220

and here's where things get even

824

00:38:57,050 --> 00:38:54,839

stranger

825

00:38:59,450 --> 00:38:57,060

they have communicated with many

826

00:39:01,670 --> 00:38:59,460

different members of the media and we

827

00:39:03,290 --> 00:39:01,680

can see evidence of that by all the

828

00:39:05,630 --> 00:39:03,300

newspaper articles

829

00:39:08,329 --> 00:39:05,640

all the local television news stories

830

00:39:09,170 --> 00:39:08,339

about it they have communicated in the

831

00:39:11,750 --> 00:39:09,180

past

832

00:39:14,930 --> 00:39:11,760

but apparently they will no longer

833

00:39:17,870 --> 00:39:14,940

communicate anything about this case

834

00:39:21,349 --> 00:39:17,880

and we are going to see more about that

835

00:39:25,609 --> 00:39:21,359

but let's listen to this recent news

836

00:39:29,930 --> 00:39:25,619

report and again this is uh from

837

00:39:33,230 --> 00:39:29,940

one second this is from April 22nd so

838

00:39:36,170 --> 00:39:33,240

for this entire time now from 1996 from

839

00:39:39,890 --> 00:39:36,180

November 10th 1996 up until this date

840

00:39:42,170 --> 00:39:39,900

April 22nd 2022

841

00:39:44,329 --> 00:39:42,180

every news report talked about this

842

00:39:45,890 --> 00:39:44,339

earring and how they extracted dna and

843

00:39:48,950 --> 00:39:45,900

how it was ripped from the assailant's

844

00:39:51,410 --> 00:39:48,960

ear and suddenly now

845

00:39:53,630 --> 00:39:51,420

that earring has been determined by the

846

00:39:56,030 --> 00:39:53,640

Warminster District Attorney's office to

847

00:39:58,910 --> 00:39:56,040

not be relevant to the case even though

848

00:40:01,970 --> 00:39:58,920

it was nearing with Blood and Tissue on

849

00:40:03,950 --> 00:40:01,980

it that was found sitting between two

850

00:40:06,829 --> 00:40:03,960

discovered dead bodies

851

00:40:07,990 --> 00:40:06,839

in this case and and let me be very

852

00:40:11,329 --> 00:40:08,000

clear

853

00:40:13,550 --> 00:40:11,339

those men were not dead bodies

854

00:40:15,950 --> 00:40:13,560

those men were important their names

855

00:40:18,230 --> 00:40:15,960

were Sean Campbell and Brian Benson and

856

00:40:20,870 --> 00:40:18,240

they matter and

857

00:40:24,770 --> 00:40:20,880

the community deserves answers about

858

00:40:27,290 --> 00:40:24,780

this Sudden Change and also about why it

859

00:40:29,390 --> 00:40:27,300

took 30 years almost to determine

860

00:40:30,829 --> 00:40:29,400

suddenly that that evidence was not

861

00:40:33,470 --> 00:40:30,839

relevant anymore

862

00:40:35,870 --> 00:40:33,480

and somebody really needs to explain to

863

00:40:38,510 --> 00:40:35,880

me how you find a bloody earring with

864

00:40:41,030 --> 00:40:38,520

skin on it between two dead bodies and

865

00:40:42,050 --> 00:40:41,040

it's just not relevant to the case and

866

00:40:44,690 --> 00:40:42,060

the fact that they won't answer

867

00:40:47,150 --> 00:40:44,700

questions really bothers me

868

00:40:49,250 --> 00:40:47,160

uh but let's get into the news report

869

00:40:51,050 --> 00:40:49,260

friends uh this is fair use we'll

870

00:40:53,569 --> 00:40:51,060

critique the video and talk about it

871

00:40:54,410 --> 00:40:53,579

after the video plays

872

00:40:56,750 --> 00:40:54,420

um

873

00:40:59,150 --> 00:40:56,760

courtesy of local news station Jew

874

00:41:01,490 --> 00:40:59,160

family is searching for answers nearly

875

00:41:03,589 --> 00:41:01,500

30 years ago Brian Benson and Sean

876

00:41:05,450 --> 00:41:03,599

Campbell were fatally stabbed while

877

00:41:07,849 --> 00:41:05,460

finishing their shifts at a warm insert

878

00:41:10,490 --> 00:41:07,859

video rental store Bucks County

879

00:41:12,890 --> 00:41:10,500

authorities have had few leads but the

880

00:41:18,710 --> 00:41:12,900

case remains a priority here's Joe

881

00:41:22,849 --> 00:41:20,750

it was closing time at the West Coast

882

00:41:25,130 --> 00:41:22,859

Video in the rosemore shopping center in

883

00:41:28,130 --> 00:41:25,140

Warminster both Sean Campbell and Brian

884

00:41:30,589 --> 00:41:28,140

Benson were on the clock the 220 year

885

00:41:33,170 --> 00:41:30,599

olds were wrapping things up when they

886

00:41:34,849 --> 00:41:33,180

were brutally attacked a terrible case

887

00:41:38,750 --> 00:41:34,859

of being in the wrong place at the wrong

888

00:41:42,230 --> 00:41:38,760

time it was November 10 1993 the men

889

00:41:44,329 --> 00:41:42,240

were repeatedly and savagely stabbed the

890

00:41:46,490 --> 00:41:44,339

double murder investigation has remained

891

00:41:49,010 --> 00:41:46,500

open and on the books here in Bucks

892

00:41:51,530 --> 00:41:49,020

County detectives and prosecutors are

893

00:41:53,630 --> 00:41:51,540

hopeful someday they will catch a break

894

00:41:56,270 --> 00:41:53,640

this is a case that has haunted your

895

00:41:59,569 --> 00:41:56,280

office it has it's haunted my office

896

00:42:02,210 --> 00:41:59,579

it's haunted me personally because I was

897

00:42:04,430 --> 00:42:02,220

a brand new Ada when these two young men

898

00:42:06,890 --> 00:42:04,440

got murdered and not only that

899

00:42:08,569 --> 00:42:06,900

they grew up in the town that I grew up

900

00:42:10,970 --> 00:42:08,579

next door and we went to the same high

901
00:42:14,390 --> 00:42:10,980
school we were only a few years apart

902
00:42:16,490 --> 00:42:14,400
from each other so this really resonated

903
00:42:19,069 --> 00:42:16,500
with me and has stuck with me now for

904
00:42:21,170 --> 00:42:19,079
three decades the case deeply personal

905
00:42:23,750 --> 00:42:21,180
for those in the highest reaches of law

906
00:42:26,450 --> 00:42:23,760
enforcement in the county roiled the

907
00:42:29,450 --> 00:42:26,460
quiet Warminster Community both Sean and

908
00:42:31,550 --> 00:42:29,460
Brian were well liked elite theory this

909
00:42:34,190 --> 00:42:31,560
deadly crime was a robbery gone bad

910
00:42:35,990 --> 00:42:34,200
district attorney Matt Weintraub says

911
00:42:38,870 --> 00:42:36,000
some early theories turned out to be

912
00:42:41,930 --> 00:42:38,880
incorrect including the discovery of an

913
00:42:44,690 --> 00:42:41,940

earring that was early on suspected to

914

00:42:48,050 --> 00:42:44,700

be the killers Weintraub says that

915

00:42:50,690 --> 00:42:48,060

wasn't so we did locate an earring at

916

00:42:52,849 --> 00:42:50,700

the scene of these two murders and that

917

00:42:55,990 --> 00:42:52,859

has taken on this mythological

918

00:42:59,390 --> 00:42:56,000

proportions in the eyes of the public

919

00:43:01,150 --> 00:42:59,400

unfortunately or fortunately we've been

920

00:43:04,550 --> 00:43:01,160

able to

921

00:43:07,010 --> 00:43:04,560

diffuse that myth at least

922

00:43:10,730 --> 00:43:07,020

professionally and that that earring is

923

00:43:12,650 --> 00:43:10,740

not connected to the killers I wish that

924

00:43:15,410 --> 00:43:12,660

it were because it might lead us to

925

00:43:17,990 --> 00:43:15,420

somebody last year cbs3 spoke with Brian

926

00:43:20,809 --> 00:43:18,000

Benson's mother Janus after the families

927

00:43:23,750 --> 00:43:20,819

donated unused reward money to charity

928

00:43:27,829 --> 00:43:23,760

no matter what there would never be any

929

00:43:30,410 --> 00:43:27,839

closure you don't close something like

930

00:43:32,870 --> 00:43:30,420

that even with the passage of time it is

931

00:43:35,809 --> 00:43:32,880

hoped a killer will be found the case

932

00:43:37,670 --> 00:43:35,819

remains open and very active it would

933

00:43:39,589 --> 00:43:37,680

give me not only great professional

934

00:43:42,650 --> 00:43:39,599

satisfaction but a lot of personal

935

00:43:46,010 --> 00:43:42,660

satisfaction if I could bring these two

936

00:43:52,490 --> 00:43:46,020

young men's Killers to justice for CBS 3

937

00:43:57,170 --> 00:43:55,250

so there we have it friends uh a

938

00:44:00,050 --> 00:43:57,180

stunning admission by the district

939

00:44:01,790 --> 00:44:00,060

attorney that the earring is not

940

00:44:04,069 --> 00:44:01,800

relevant to the case

941

00:44:07,490 --> 00:44:04,079

and this just leaves me filled with

942

00:44:10,550 --> 00:44:07,500

questions so you guys know

943

00:44:12,530 --> 00:44:10,560

how I am I dig into something I

944

00:44:14,150 --> 00:44:12,540

investigate it as fully as humanly

945

00:44:19,690 --> 00:44:14,160

possible

946

00:44:22,190 --> 00:44:19,700

so I went to the District Attorney's

947

00:44:23,990 --> 00:44:22,200

communications director and started

948

00:44:26,510 --> 00:44:24,000

asking questions

949

00:44:30,410 --> 00:44:26,520

and very quickly

950

00:44:32,510 --> 00:44:30,420

the let's call it a

951
00:44:35,030 --> 00:44:32,520
relationship I don't know

952
00:44:36,589 --> 00:44:35,040
very quickly I called him on the phone

953
00:44:38,329 --> 00:44:36,599
and talked to him on the phone first I

954
00:44:41,930 --> 00:44:38,339
had some questions and I requested an

955
00:44:44,390 --> 00:44:41,940
interview with the district attorney uh

956
00:44:46,609 --> 00:44:44,400
and was told that that would be possible

957
00:44:48,910 --> 00:44:46,619
but he's very busy I'll get back to you

958
00:44:50,990 --> 00:44:48,920
or something to that effect

959
00:44:54,290 --> 00:44:51,000
then I called the communications

960
00:44:56,690 --> 00:44:54,300
director back and I said I'd like to

961
00:44:58,730 --> 00:44:56,700
fully investigate this I'm a good

962
00:45:01,609 --> 00:44:58,740
investigator and I'd like to see

963
00:45:06,170 --> 00:45:01,619

everything that you have on the case

964

00:45:09,170 --> 00:45:06,180

well that's when the uh everything did a

965

00:45:11,569 --> 00:45:09,180

180 and the communications director then

966

00:45:14,809 --> 00:45:11,579

told me the district attorney denied my

967

00:45:18,109 --> 00:45:14,819

request for an interview about the case

968

00:45:21,230 --> 00:45:18,119

and uh further

969

00:45:25,069 --> 00:45:21,240

if I wanted to see anything related to

970

00:45:26,630 --> 00:45:25,079

this nearly 30 year old Cold Case I

971

00:45:29,030 --> 00:45:26,640

would have to file

972

00:45:31,730 --> 00:45:29,040

what is called a right to know request

973

00:45:33,349 --> 00:45:31,740

which is the local equivalent many of

974

00:45:35,809 --> 00:45:33,359

you people are familiar with foia

975

00:45:37,069 --> 00:45:35,819

request Freedom of Information Act it's

976

00:45:40,130 --> 00:45:37,079

very similar

977

00:45:42,349 --> 00:45:40,140

and it applies to government agencies

978

00:45:43,849 --> 00:45:42,359

anyone as a citizen can fill out a right

979

00:45:47,690 --> 00:45:43,859

to know request and request to see

980

00:45:50,990 --> 00:45:47,700

anything anything phone records whatever

981

00:45:53,510 --> 00:45:51,000

so I did exactly that at the direction

982

00:45:55,910 --> 00:45:53,520

of the Warminster County District

983

00:45:58,790 --> 00:45:55,920

Attorney's Communications officer who

984

00:46:00,290 --> 00:45:58,800

said I can't give you any records you

985

00:46:03,109 --> 00:46:00,300

have to fill out right to no requests

986

00:46:04,490 --> 00:46:03,119

for whatever you want and then I I

987

00:46:06,770 --> 00:46:04,500

believe I talked to him on the phone and

988

00:46:08,569 --> 00:46:06,780

I said well I want to see everything I

989

00:46:11,390 --> 00:46:08,579

want to see the DNA results I want to

990

00:46:13,250 --> 00:46:11,400

see what labs you send it to uh I want

991

00:46:15,109 --> 00:46:13,260

to see how did you determine that that

992

00:46:16,970 --> 00:46:15,119

is not relevant I want to see the

993

00:46:19,609 --> 00:46:16,980

investigative reports I want the names

994

00:46:23,270 --> 00:46:19,619

of the officers who originally investigated

995

00:46:25,910 --> 00:46:23,280

the case it investigated this case I

996

00:46:28,010 --> 00:46:25,920

want to see the I want the names of the

997

00:46:30,650 --> 00:46:28,020

officers who are currently investigating

998

00:46:32,870 --> 00:46:30,660

investigating the case in short I want

999

00:46:34,609 --> 00:46:32,880

everything I want to see it all

1000

00:46:38,210 --> 00:46:34,619

and

1001
00:46:41,210 --> 00:46:38,220
that's where things took a turn here

1002
00:46:44,450 --> 00:46:41,220
and so I am going to show you my

1003
00:46:48,589 --> 00:46:44,460
original right to know request

1004
00:46:50,270 --> 00:46:48,599
um one second here let me get this and

1005
00:46:52,790 --> 00:46:50,280
uh

1006
00:46:55,550 --> 00:46:52,800
I've gotten quite an education and what

1007
00:46:57,710 --> 00:46:55,560
I can tell you in Pennsylvania about the

1008
00:47:00,109 --> 00:46:57,720
right to know laws is they should not

1009
00:47:02,390 --> 00:47:00,119
call it a right to know law they should

1010
00:47:04,870 --> 00:47:02,400
call it a right to know whatever we

1011
00:47:09,770 --> 00:47:04,880
decide you're going to know law

1012
00:47:12,230 --> 00:47:09,780
uh so I will show you uh

1013
00:47:14,030 --> 00:47:12,240

my original request I'm going to share

1014

00:47:18,109 --> 00:47:14,040

my screen here

1015

00:47:20,329 --> 00:47:18,119

uh one second friends and so I began to

1016

00:47:22,250 --> 00:47:20,339

submit right to know requests and I have

1017

00:47:26,030 --> 00:47:22,260

been submitting right to no requests

1018

00:47:29,150 --> 00:47:26,040

since this began several weeks ago and

1019

00:47:32,930 --> 00:47:29,160

things get stranger and stranger the

1020

00:47:36,230 --> 00:47:32,940

deeper that we begin to investigate this

1021

00:47:38,750 --> 00:47:36,240

nearly 30 year old Cold Case

1022

00:47:40,790 --> 00:47:38,760

uh I said hello someone from your office

1023

00:47:42,710 --> 00:47:40,800

told me I should contact you I am an

1024

00:47:47,089 --> 00:47:42,720

investigative journalist and I'm

1025

00:47:49,550 --> 00:47:47,099

investigating the unsolved murders

1026
00:47:52,609 --> 00:47:49,560
of Sean Campbell and Brian Benson I

1027
00:47:54,349 --> 00:47:52,619
realize this is a very old case but I am

1028
00:47:56,809 --> 00:47:54,359
looking for all the files and materials

1029
00:47:59,930 --> 00:47:56,819
you have on the case past or present I

1030
00:48:02,030 --> 00:47:59,940
would like any and all files emails uh

1031
00:48:04,370 --> 00:48:02,040
to or from your office concerning the

1032
00:48:07,250 --> 00:48:04,380
case meeting minutes media files audio

1033
00:48:09,470 --> 00:48:07,260
recordings I try to paint with a very

1034
00:48:11,450 --> 00:48:09,480
broad brush here to just let them know I

1035
00:48:13,550 --> 00:48:11,460
want to see all of it I want everything

1036
00:48:16,069 --> 00:48:13,560
you have

1037
00:48:18,589 --> 00:48:16,079
um audio recordings investigators notes

1038
00:48:20,630 --> 00:48:18,599

or reports video recordings Etc I am

1039

00:48:22,190 --> 00:48:20,640

also specifically interested in emails

1040

00:48:25,069 --> 00:48:22,200

between the District Attorney's office

1041

00:48:27,170 --> 00:48:25,079

and any and all police officers involved

1042

00:48:30,050 --> 00:48:27,180

in a case past or present and email

1043

00:48:32,030 --> 00:48:30,060

Communications passed or present this

1044

00:48:33,950 --> 00:48:32,040

line here about being specifically

1045

00:48:35,930 --> 00:48:33,960

interested in the emails between the

1046

00:48:37,609 --> 00:48:35,940

District Attorney's office and any and

1047

00:48:42,470 --> 00:48:37,619

all police officers involved in the case

1048

00:48:44,450 --> 00:48:42,480

was um advice given to me by a retired

1049

00:48:47,990 --> 00:48:44,460

police officer's friend he looked at

1050

00:48:50,210 --> 00:48:48,000

what I had been looking into so far and

1051

00:48:52,250 --> 00:48:50,220

we had a phone conversation and he gave

1052

00:48:54,470 --> 00:48:52,260

me the advice that if I want to get up

1053

00:48:57,230 --> 00:48:54,480

to speed on what's really been going on

1054

00:48:59,150 --> 00:48:57,240

with the case I want to see the emails

1055

00:49:01,130 --> 00:48:59,160

that they're shooting back and forth

1056

00:49:02,870 --> 00:49:01,140

about what's going on with the case so I

1057

00:49:05,150 --> 00:49:02,880

put that line specifically in there

1058

00:49:06,890 --> 00:49:05,160

thanks to a retired police officer

1059

00:49:11,089 --> 00:49:06,900

friend who's an excellent detective and

1060

00:49:13,309 --> 00:49:11,099

by the way has offered to uh for free to

1061

00:49:16,010 --> 00:49:13,319

investigate this case with me and

1062

00:49:18,230 --> 00:49:16,020

besides him I have several other retired

1063

00:49:21,170 --> 00:49:18,240

police officers who are offering to help

1064

00:49:23,510 --> 00:49:21,180

me investigate this case fully

1065

00:49:25,609 --> 00:49:23,520

uh I go on to say I would like your

1066

00:49:27,710 --> 00:49:25,619

office to conduct a thorough search and

1067

00:49:29,450 --> 00:49:27,720

provide me with everything you have I am

1068

00:49:32,210 --> 00:49:29,460

local to you in Warminster and I would

1069

00:49:34,970 --> 00:49:32,220

be happy to come to your office and pick

1070

00:49:37,550 --> 00:49:34,980

up copies of everything if that makes it

1071

00:49:41,030 --> 00:49:37,560

easier for you otherwise email is fine

1072

00:49:43,790 --> 00:49:41,040

emails or files scan to PDF can be sent

1073

00:49:46,069 --> 00:49:43,800

back to this email address please let us

1074

00:49:49,190 --> 00:49:46,079

know if you need me to fill out a form

1075

00:49:51,050 --> 00:49:49,200

or forms or what other requirements you

1076
00:49:52,790 --> 00:49:51,060
currently have and please let me know

1077
00:49:55,010 --> 00:49:52,800
you got this message and when I can

1078
00:49:57,349 --> 00:49:55,020
expect this request to be fulfilled

1079
00:49:59,930 --> 00:49:57,359
thanks in advance for your help and

1080
00:50:01,190 --> 00:49:59,940
assistance Stephen cambian investigative

1081
00:50:03,530 --> 00:50:01,200
journalist

1082
00:50:06,710 --> 00:50:03,540
uh and of course they label that as an

1083
00:50:09,609 --> 00:50:06,720
exhibit letting uh you know this all

1084
00:50:12,650 --> 00:50:09,619
becomes public record

1085
00:50:16,609 --> 00:50:12,660
this the fact that it is becomes public

1086
00:50:18,290 --> 00:50:16,619
record is both good and bad uh it's bad

1087
00:50:20,930 --> 00:50:18,300
because you have to be very careful what

1088
00:50:22,970 --> 00:50:20,940

you say in these requests because it

1089

00:50:25,190 --> 00:50:22,980

will become public record but the good

1090

00:50:28,010 --> 00:50:25,200

news is that we will generate a paper

1091

00:50:30,710 --> 00:50:28,020

trail that anyone else will be able to

1092

00:50:32,990 --> 00:50:30,720

see what this District Attorney's office

1093

00:50:36,230 --> 00:50:33,000

is doing and I believe that what they're

1094

00:50:40,010 --> 00:50:36,240

doing is completely improper

1095

00:50:41,510 --> 00:50:40,020

um and so here is the response to my

1096

00:50:43,490 --> 00:50:41,520

right to know request dear Stephen

1097

00:50:44,870 --> 00:50:43,500

cambian your request for information was

1098

00:50:47,750 --> 00:50:44,880

received by the Bucks County District

1099

00:50:49,790 --> 00:50:47,760

Attorney's Office via email

1100

00:50:51,349 --> 00:50:49,800

by this request you seek the following

1101
00:50:53,750 --> 00:50:51,359
they

1102
00:50:55,790 --> 00:50:53,760
detail what I asked for which is

1103
00:50:58,609 --> 00:50:55,800
essentially everything

1104
00:51:01,730 --> 00:50:58,619
then they tell me your request is denied

1105
00:51:03,650 --> 00:51:01,740
and they give a lot of legal reasons for

1106
00:51:04,790 --> 00:51:03,660
why if possessed the contest of the

1107
00:51:06,290 --> 00:51:04,800
District Attorney's file of

1108
00:51:07,730 --> 00:51:06,300
investigative materials whether they

1109
00:51:09,349 --> 00:51:07,740
exist in paper or electronic form

1110
00:51:11,750 --> 00:51:09,359
including any police investigative

1111
00:51:13,670 --> 00:51:11,760
reports scientific reports testing

1112
00:51:16,069 --> 00:51:13,680
results crime scene photographs that may

1113
00:51:18,049 --> 00:51:16,079

exist witness photographs and video

1114

00:51:20,690 --> 00:51:18,059

audio recordings are not public record

1115

00:51:23,809 --> 00:51:20,700

and are exempt from disclosure under art

1116

00:51:25,609 --> 00:51:23,819

right to know law and they cite the law

1117

00:51:27,890 --> 00:51:25,619

specifically are prohibited from

1118

00:51:30,609 --> 00:51:27,900

disclosure to you under criminal history

1119

00:51:32,990 --> 00:51:30,619

record Information Act

1120

00:51:34,910 --> 00:51:33,000

and this is where it gets problematic

1121

00:51:37,370 --> 00:51:34,920

because they're citing a law that says

1122

00:51:39,410 --> 00:51:37,380

we can't tell you anything

1123

00:51:41,089 --> 00:51:39,420

yet they have told multiple media

1124

00:51:43,130 --> 00:51:41,099

Outlets all kinds of things in the

1125

00:51:44,870 --> 00:51:43,140

30-year history of the case and I

1126

00:51:47,089 --> 00:51:44,880

believe that this is improper they

1127

00:51:48,890 --> 00:51:47,099

cannot use the law to Shield themselves

1128

00:51:52,010 --> 00:51:48,900

and prevent disclosure of information

1129

00:51:54,410 --> 00:51:52,020

and at the same time ignore the very

1130

00:51:58,309 --> 00:51:54,420

same law whenever they choose to to

1131

00:52:00,710 --> 00:51:58,319

their selected media friends

1132

00:52:02,450 --> 00:52:00,720

two if possessed the contents of the

1133

00:52:04,190 --> 00:52:02,460

District Attorney's Office files witness

1134

00:52:06,950 --> 00:52:04,200

and defended statements summaries or

1135

00:52:08,990 --> 00:52:06,960

memoranda of statements or anticipated

1136

00:52:10,670 --> 00:52:09,000

testimony of all Witnesses photographs

1137

00:52:12,470 --> 00:52:10,680

videos surveillance footage body camera

1138

00:52:14,690 --> 00:52:12,480

footage Communications or reports

1139

00:52:16,250 --> 00:52:14,700

between the police and the DOA evidence

1140

00:52:18,230 --> 00:52:16,260

list descriptions of physical evidence

1141

00:52:19,670 --> 00:52:18,240

inter evidence disclosed in a hearing or

1142

00:52:21,770 --> 00:52:19,680

provide it to the

1143

00:52:23,930 --> 00:52:21,780

criminal defendants are not public

1144

00:52:26,030 --> 00:52:23,940

record or exempt from disclosure under

1145

00:52:27,589 --> 00:52:26,040

right to no statute and again they list

1146

00:52:31,069 --> 00:52:27,599

the same statute

1147

00:52:35,150 --> 00:52:31,079

and are uh so they list two statutes for

1148

00:52:37,309 --> 00:52:35,160

why these uh files are exempt

1149

00:52:40,250 --> 00:52:37,319

they say it's also exempt from

1150

00:52:42,410 --> 00:52:40,260

disclosure under this law specifically

1151
00:52:44,150 --> 00:52:42,420
States investigative information shall

1152
00:52:46,069 --> 00:52:44,160
not be disseminated to any Department

1153
00:52:49,569 --> 00:52:46,079
here's where I have a problem with this

1154
00:52:52,250 --> 00:52:49,579
so they're citing a law saying that

1155
00:52:54,410 --> 00:52:52,260
individual requesting the information is

1156
00:52:56,329 --> 00:52:54,420
a criminal they cannot release any

1157
00:52:58,730 --> 00:52:56,339
information unless you're a criminal

1158
00:53:02,329 --> 00:52:58,740
justice agency

1159
00:53:04,430 --> 00:53:02,339
yet they have released information to

1160
00:53:06,530 --> 00:53:04,440
members of the media for the past 30

1161
00:53:09,650 --> 00:53:06,540
years suddenly they don't want to

1162
00:53:14,690 --> 00:53:09,660
release anything anything they will not

1163
00:53:17,270 --> 00:53:14,700

give me a single scrap of anything and

1164

00:53:21,230 --> 00:53:17,280

they are now refusing to answer any

1165

00:53:23,630 --> 00:53:21,240

questions about this case none not a

1166

00:53:26,450 --> 00:53:23,640

question they will not answer even basic

1167

00:53:28,430 --> 00:53:26,460

questions about the case

1168

00:53:30,290 --> 00:53:28,440

this point for is not important they

1169

00:53:32,270 --> 00:53:30,300

tell me I can't have the original 9-1-1

1170

00:53:34,730 --> 00:53:32,280

recordings I have to go to the

1171

00:53:37,270 --> 00:53:34,740

Warminster Police for that

1172

00:53:40,370 --> 00:53:37,280

then they say that

1173

00:53:42,589 --> 00:53:40,380

these records are all protected and not

1174

00:53:46,250 --> 00:53:42,599

subject to disclosure under work product

1175

00:53:48,349 --> 00:53:46,260

privileged law however again they're

1176

00:53:50,270 --> 00:53:48,359

citing a law to say we don't have to

1177

00:53:53,990 --> 00:53:50,280

disclose anything to you it's work

1178

00:53:56,270 --> 00:53:54,000

product privilege however again they

1179

00:53:58,370 --> 00:53:56,280

have released information both to

1180

00:54:00,589 --> 00:53:58,380

victims family members and members of

1181

00:54:03,410 --> 00:54:00,599

the media for the entire 30-year history

1182

00:54:05,089 --> 00:54:03,420

of the case whenever they chose to it's

1183

00:54:07,370 --> 00:54:05,099

just now

1184

00:54:09,589 --> 00:54:07,380

that people start asking about this

1185

00:54:11,450 --> 00:54:09,599

earring and the DNA evidence that

1186

00:54:14,930 --> 00:54:11,460

suddenly they do not want to release

1187

00:54:18,530 --> 00:54:16,190

um

1188

00:54:22,670 --> 00:54:18,540

and again point six I have to go to the

1189

00:54:26,450 --> 00:54:22,680

Warminster Police Department to get uh

1190

00:54:28,130 --> 00:54:26,460

to get certain items which I am doing

1191

00:54:30,290 --> 00:54:28,140

then they tell me I can appeal the

1192

00:54:32,569 --> 00:54:30,300

denial of instant requests

1193

00:54:35,510 --> 00:54:32,579

and here's where it gets interesting so

1194

00:54:37,609 --> 00:54:35,520

the denying agency the agency that says

1195

00:54:39,770 --> 00:54:37,619

no you can't have any of this

1196

00:54:42,109 --> 00:54:39,780

information

1197

00:54:44,210 --> 00:54:42,119

is the Phil is the Warminster District

1198

00:54:46,609 --> 00:54:44,220

Attorney's office then they tell me I

1199

00:54:50,930 --> 00:54:46,619

can file an appeal

1200

00:54:52,910 --> 00:54:50,940

on this denial with another member of

1201

00:54:56,089 --> 00:54:52,920

the District Attorney's office

1202

00:54:58,730 --> 00:54:56,099

and I object to that that makes no sense

1203

00:55:00,829 --> 00:54:58,740

so you're the denying agency saying we

1204

00:55:03,170 --> 00:55:00,839

don't have to give you a single scrap of

1205

00:55:06,049 --> 00:55:03,180

any information we don't have to answer

1206

00:55:09,109 --> 00:55:06,059

any of your questions none

1207

00:55:11,210 --> 00:55:09,119

and you can appeal to another guy in our

1208

00:55:14,630 --> 00:55:11,220

office

1209

00:55:19,730 --> 00:55:17,750

they say you know they tell me what I

1210

00:55:22,430 --> 00:55:19,740

need to and this is from Timothy Lutz

1211

00:55:25,069 --> 00:55:22,440

assistant district attorney

1212

00:55:26,990 --> 00:55:25,079

and uh here's where things get

1213

00:55:30,109 --> 00:55:27,000

interesting so

1214

00:55:32,630 --> 00:55:30,119

I thought I was dead in the water

1215

00:55:35,210 --> 00:55:32,640

but I kept thinking about the fact that

1216

00:55:38,569 --> 00:55:35,220

they continually

1217

00:55:41,930 --> 00:55:38,579

are releasing information in those files

1218

00:55:44,930 --> 00:55:41,940

I'm asking for to members of the media

1219

00:55:47,870 --> 00:55:44,940

I talked to someone familiar with foia

1220

00:55:49,609 --> 00:55:47,880

laws and right to know requests uh a

1221

00:55:52,430 --> 00:55:49,619

lawyer who told me

1222

00:55:55,130 --> 00:55:52,440

he read their letter and he said they

1223

00:55:57,829 --> 00:55:55,140

can't have it both ways and I said so

1224

00:56:00,349 --> 00:55:57,839

I'm right right they can't ignore the

1225

00:56:02,450 --> 00:56:00,359

law and release information from those

1226
00:56:04,190 --> 00:56:02,460
files whenever they choose to and then

1227
00:56:07,190 --> 00:56:04,200
use that same law

1228
00:56:08,390 --> 00:56:07,200
to Shield themselves from release of any

1229
00:56:10,549 --> 00:56:08,400
information

1230
00:56:12,349 --> 00:56:10,559
and I also just want to give a shout out

1231
00:56:14,150 --> 00:56:12,359
and thank you to John from The Black

1232
00:56:16,010 --> 00:56:14,160
Vault

1233
00:56:17,930 --> 00:56:16,020
um because from John from The Black

1234
00:56:22,130 --> 00:56:17,940
Vault for those who don't know who John

1235
00:56:24,950 --> 00:56:22,140
is he is the originator of The Black

1236
00:56:26,569 --> 00:56:24,960
Vault website and he files foia requests

1237
00:56:28,670 --> 00:56:26,579
with the federal government constantly

1238
00:56:30,530 --> 00:56:28,680

and forces them to release all kinds of

1239

00:56:31,549 --> 00:56:30,540

information that they don't want to

1240

00:56:33,650 --> 00:56:31,559

release

1241

00:56:35,690 --> 00:56:33,660

I reached out to John but he didn't get

1242

00:56:38,150 --> 00:56:35,700

back to me he's a very busy guy I asked

1243

00:56:40,069 --> 00:56:38,160

him for advice but the one thing I

1244

00:56:42,650 --> 00:56:40,079

remembered about John is John saying

1245

00:56:44,270 --> 00:56:42,660

always filed the appeal even if you

1246

00:56:46,370 --> 00:56:44,280

think you're going to lose even if you

1247

00:56:49,130 --> 00:56:46,380

think you're on shaky Graham file the

1248

00:56:51,049 --> 00:56:49,140

appeal let them know you want this

1249

00:56:54,710 --> 00:56:51,059

information you're entitled to this

1250

00:56:56,750 --> 00:56:54,720

information and you refuse to be denied

1251
00:56:57,770 --> 00:56:56,760
information that they should be

1252
00:56:59,089 --> 00:56:57,780
releasing

1253
00:57:02,930 --> 00:56:59,099
so

1254
00:57:06,410 --> 00:57:02,940
I filed a right to know request appeal

1255
00:57:09,890 --> 00:57:06,420
and we are still waiting on the appeal

1256
00:57:12,230 --> 00:57:09,900
but I use the argument

1257
00:57:14,150 --> 00:57:12,240
um that they cannot

1258
00:57:19,370 --> 00:57:14,160
first of all there's two arguments here

1259
00:57:21,890 --> 00:57:19,380
that are relevant and uh one of them is

1260
00:57:25,569 --> 00:57:21,900
that they are shielding they are using

1261
00:57:28,730 --> 00:57:25,579
the law to Shield themselves from

1262
00:57:31,130 --> 00:57:28,740
releasing these documents while ignoring

1263
00:57:34,490 --> 00:57:31,140

this very same law whenever they choose

1264

00:57:36,770 --> 00:57:34,500

to at their own discretion uh according

1265

00:57:40,010 --> 00:57:36,780

to Legal expert I consulted they can't

1266

00:57:41,750 --> 00:57:40,020

do both it's one or the other now if

1267

00:57:44,089 --> 00:57:41,760

they could prove they've never released

1268

00:57:45,829 --> 00:57:44,099

anything from that those case files to

1269

00:57:49,010 --> 00:57:45,839

anyone outside of law enforcement

1270

00:57:51,230 --> 00:57:49,020

agencies then sure that would be a valid

1271

00:57:53,390 --> 00:57:51,240

argument but we can see

1272

00:57:55,010 --> 00:57:53,400

in all these newspaper reports

1273

00:57:57,109 --> 00:57:55,020

throughout the history of this case

1274

00:57:59,150 --> 00:57:57,119

which are substantial there's a lot of

1275

00:58:01,490 --> 00:57:59,160

newspaper articles there's a lot of

1276

00:58:03,770 --> 00:58:01,500

television news reports on a lot of the

1277

00:58:05,809 --> 00:58:03,780

anniversary of the event somebody will

1278

00:58:08,450 --> 00:58:05,819

do a local news story about it yeah the

1279

00:58:11,030 --> 00:58:08,460

case is still not solved all includes

1280

00:58:13,130 --> 00:58:11,040

information that could only have come

1281

00:58:15,829 --> 00:58:13,140

from the District Attorney's office or

1282

00:58:16,670 --> 00:58:15,839

the Warminster Police

1283

00:58:19,069 --> 00:58:16,680

um

1284

00:58:22,609 --> 00:58:19,079

so I don't want to bore you for too long

1285

00:58:24,609 --> 00:58:22,619

uh here reading legal paperwork but uh

1286

00:58:28,870 --> 00:58:24,619

it's important that

1287

00:58:32,089 --> 00:58:28,880

we show you some of this appeal

1288

00:58:33,710 --> 00:58:32,099

I cite the right to know uh the

1289

00:58:35,690 --> 00:58:33,720

objective of the right to know law is to

1290

00:58:37,549 --> 00:58:35,700

empower citizens by affording them

1291

00:58:39,230 --> 00:58:37,559

access to information concerning the

1292

00:58:41,150 --> 00:58:39,240

activities of their government

1293

00:58:43,910 --> 00:58:41,160

and that's case law further this

1294

00:58:45,950 --> 00:58:43,920

important open government law is quote

1295

00:58:47,690 --> 00:58:45,960

designed to promote access to official

1296

00:58:50,210 --> 00:58:47,700

government information in order to

1297

00:58:52,609 --> 00:58:50,220

prohibit Secrets scrutinize the actions

1298

00:58:55,130 --> 00:58:52,619

the public officials and make the public

1299

00:58:57,410 --> 00:58:55,140

officials accountable for their actions

1300

00:58:59,990 --> 00:58:57,420

and again I say case law

1301
00:59:02,210 --> 00:59:00,000
I go on to argue how can we do the above

1302
00:59:04,370 --> 00:59:02,220
effectively when a denying agency has

1303
00:59:06,470 --> 00:59:04,380
failed to even properly evaluate all the

1304
00:59:08,870 --> 00:59:06,480
records in their possession another of

1305
00:59:11,750 --> 00:59:08,880
my arguments is that they gave me the

1306
00:59:13,970 --> 00:59:11,760
the deny letter like two days after I

1307
00:59:16,670 --> 00:59:13,980
filed the right to know request this is

1308
00:59:18,710 --> 00:59:16,680
a almost 30 year old case there's no way

1309
00:59:21,170 --> 00:59:18,720
they evaluated everything in their

1310
00:59:23,870 --> 00:59:21,180
possession and I don't believe that this

1311
00:59:28,789 --> 00:59:23,880
broad brush denial is either appropriate

1312
00:59:33,230 --> 00:59:30,950
um it is clear the denying agency here

1313
00:59:34,849 --> 00:59:33,240

wishes to withhold literally every

1314

00:59:36,829 --> 00:59:34,859

single thing in the case File this is

1315

00:59:39,109 --> 00:59:36,839

not appropriate in this instance nor is

1316

00:59:41,329 --> 00:59:39,119

it legal further are we the citizenry

1317

00:59:43,309 --> 00:59:41,339

supposed to just trust the denying

1318

00:59:45,829 --> 00:59:43,319

government agency attempting to withhold

1319

00:59:47,390 --> 00:59:45,839

information do we have no recourse when

1320

00:59:50,030 --> 00:59:47,400

it is clear they fail to properly

1321

00:59:52,730 --> 00:59:50,040

evaluate every bit of information in a

1322

00:59:55,910 --> 00:59:52,740

nearly 26 year old case File I hereby

1323

00:59:59,690 --> 00:59:55,920

request that the appeal appeal officer

1324

01:00:00,890 --> 00:59:59,700

research fully audit or evaluate all the

1325

01:00:02,690 --> 01:00:00,900

records and materials in their

1326

01:00:05,990 --> 01:00:02,700

possession of the District Attorney's

1327

01:00:09,049 --> 01:00:06,000

possession relevant to this case itemize

1328

01:00:10,370 --> 01:00:09,059

each item and prove exemptions are

1329

01:00:13,010 --> 01:00:10,380

appropriate

1330

01:00:14,329 --> 01:00:13,020

now you know some might say this is not

1331

01:00:17,569 --> 01:00:14,339

a very good argument they're not going

1332

01:00:20,450 --> 01:00:17,579

to do that but again this becomes public

1333

01:00:22,430 --> 01:00:20,460

record I'm asking them can you itemize

1334

01:00:24,530 --> 01:00:22,440

everything in your possession and the

1335

01:00:26,930 --> 01:00:24,540

burden of proof is on the denying agency

1336

01:00:29,630 --> 01:00:26,940

they have to prove that everything that

1337

01:00:31,970 --> 01:00:29,640

they're in possession of is exempt and I

1338

01:00:34,430 --> 01:00:31,980

hate to be sort of aggressive with this

1339

01:00:36,470 --> 01:00:34,440

uh appeal but I want to let them know

1340

01:00:38,930 --> 01:00:36,480

that you're not I'm not going away here

1341

01:00:42,109 --> 01:00:38,940

I'm not you know you're not just going

1342

01:00:45,829 --> 01:00:42,119

to say sorry we're keeping everything

1343

01:00:48,890 --> 01:00:45,839

and you can't have any information

1344

01:00:50,510 --> 01:00:48,900

I cite more case law and again this case

1345

01:00:52,309 --> 01:00:50,520

has been interesting to investigate

1346

01:00:54,289 --> 01:00:52,319

because suddenly I have to turn into a

1347

01:00:58,130 --> 01:00:54,299

lawyer and so and I had to find case law

1348

01:01:00,410 --> 01:00:58,140

to cite to argue why they have to do an

1349

01:01:01,490 --> 01:01:00,420

audit of the of all the materials in

1350

01:01:04,549 --> 01:01:01,500

their possession and apparently

1351

01:01:06,410 --> 01:01:04,559

according to the law they have to

1352

01:01:08,329 --> 01:01:06,420

um I cited this Pennsylvania law that

1353

01:01:10,309 --> 01:01:08,339

says an appeals officer is required to

1354

01:01:12,109 --> 01:01:10,319

review all information filed related to

1355

01:01:14,210 --> 01:01:12,119

the request and May considered testimony

1356

01:01:16,250 --> 01:01:14,220

evidence and documents that are

1357

01:01:18,829 --> 01:01:16,260

reasonable reasonably probative and

1358

01:01:20,990 --> 01:01:18,839

relevant to the matter at issue an

1359

01:01:23,809 --> 01:01:21,000

appeals officer May conduct a hearing to

1360

01:01:25,609 --> 01:01:23,819

resolve an appeal and here I say perhaps

1361

01:01:27,349 --> 01:01:25,619

an on the record public hearing on these

1362

01:01:29,089 --> 01:01:27,359

matters would be more appropriate but

1363

01:01:31,250 --> 01:01:29,099

that would should only take place after

1364

01:01:33,049 --> 01:01:31,260

the appeals officer has complied with

1365

01:01:34,730 --> 01:01:33,059

our request again I'm trying to push

1366

01:01:36,289 --> 01:01:34,740

them and I'm trying to make it really

1367

01:01:40,309 --> 01:01:36,299

difficult for them

1368

01:01:42,109 --> 01:01:40,319

to not give me some of this information

1369

01:01:44,329 --> 01:01:42,119

comply with our requests to properly

1370

01:01:46,190 --> 01:01:44,339

evaluate catalog and show legal costs

1371

01:01:48,230 --> 01:01:46,200

for each item in their possession

1372

01:01:51,109 --> 01:01:48,240

they intend to withhold from this legal

1373

01:01:53,690 --> 01:01:51,119

right to no request

1374

01:01:55,190 --> 01:01:53,700

yeah and again I cite the case law that

1375

01:01:56,510 --> 01:01:55,200

says this law is designed to promote

1376

01:01:59,030 --> 01:01:56,520

access to official government

1377

01:01:59,809 --> 01:01:59,040

information

1378

01:02:02,569 --> 01:01:59,819

um

1379

01:02:04,609 --> 01:02:02,579

I talk about how the time the time frame

1380

01:02:06,410 --> 01:02:04,619

from request to deny all the denying

1381

01:02:09,109 --> 01:02:06,420

agency did not actually go through all

1382

01:02:11,270 --> 01:02:09,119

the materials we we can assume they

1383

01:02:13,549 --> 01:02:11,280

didn't go through everything they have

1384

01:02:17,329 --> 01:02:13,559

another argument I made here is that

1385

01:02:20,030 --> 01:02:17,339

there is likely or has to be publicly

1386

01:02:21,049 --> 01:02:20,040

available information in their

1387

01:02:23,450 --> 01:02:21,059

possession

1388

01:02:26,809 --> 01:02:23,460

they had to have released press releases

1389

01:02:31,549 --> 01:02:26,819

in the past 26 years since this case

1390

01:02:34,250 --> 01:02:31,559

aired they have to have some publicly

1391

01:02:36,710 --> 01:02:34,260

available information in the Case Files

1392

01:02:39,770 --> 01:02:36,720

they can't just say we put it in our

1393

01:02:42,289 --> 01:02:39,780

case files you can't see anything they

1394

01:02:44,390 --> 01:02:42,299

have to go through and make sure that

1395

01:02:47,270 --> 01:02:44,400

every single thing in all of their

1396

01:02:49,910 --> 01:02:47,280

possession all of their case files every

1397

01:02:52,010 --> 01:02:49,920

single thing they have

1398

01:02:54,530 --> 01:02:52,020

they have to go through it all and they

1399

01:02:58,609 --> 01:02:54,540

have to prove why it's exempt from right

1400

01:03:01,789 --> 01:02:58,619

to no laws so essentially I'm attempting

1401

01:03:04,970 --> 01:03:01,799

to make it very difficult for them to

1402

01:03:06,410 --> 01:03:04,980

continue to deny me information

1403

01:03:08,569 --> 01:03:06,420

um

1404

01:03:12,349 --> 01:03:08,579

and let me see if there's some other

1405

01:03:14,750 --> 01:03:12,359

parts that will read off to you here

1406

01:03:16,190 --> 01:03:14,760

uh yeah and I also again trying to make

1407

01:03:17,870 --> 01:03:16,200

it hard for them I would like to

1408

01:03:19,549 --> 01:03:17,880

formally request the Warminster District

1409

01:03:21,589 --> 01:03:19,559

Attorney's research and release a

1410

01:03:23,990 --> 01:03:21,599

catalog of what the case File contains

1411

01:03:25,910 --> 01:03:24,000

and how they have determined improved

1412

01:03:28,250 --> 01:03:25,920

exemption for each item within the case

1413

01:03:30,109 --> 01:03:28,260

File if they cannot do this and prove

1414

01:03:32,030 --> 01:03:30,119

they did so proving exemptions for every

1415

01:03:34,490 --> 01:03:32,040

item they possess they have no choice

1416

01:03:36,470 --> 01:03:34,500

but to comply with my legal requests and

1417

01:03:38,089 --> 01:03:36,480

release every item in their possession

1418

01:03:39,890 --> 01:03:38,099

that they cannot clearly and

1419

01:03:43,130 --> 01:03:39,900

definitively prove is exempt from

1420

01:03:44,390 --> 01:03:43,140

Pennsylvania right to no laws either I

1421

01:03:46,190 --> 01:03:44,400

say case law that the District

1422

01:03:48,589 --> 01:03:46,200

Attorney's office is a local agency

1423

01:03:50,690 --> 01:03:48,599

subject to the right to know law and is

1424

01:03:52,910 --> 01:03:50,700

required to disclose public records

1425

01:03:55,190 --> 01:03:52,920

records in possession of a local agency

1426
01:03:57,349 --> 01:03:55,200
are presumed public unless exempt from

1427
01:03:59,690 --> 01:03:57,359
right to no law or other law or

1428
01:04:02,210 --> 01:03:59,700
protected by privilege judicial order or

1429
01:04:04,190 --> 01:04:02,220
decree upon receipt of a request an

1430
01:04:06,230 --> 01:04:04,200
agency is required to act assess whether

1431
01:04:08,150 --> 01:04:06,240
a record request is within its

1432
01:04:10,970 --> 01:04:08,160
possession custody or control and

1433
01:04:12,349 --> 01:04:10,980
respond within five business days and

1434
01:04:14,750 --> 01:04:12,359
here's where it gets important this is

1435
01:04:16,910 --> 01:04:14,760
more case law an agency Bears the burden

1436
01:04:19,430 --> 01:04:16,920
of providing the applicability of any

1437
01:04:21,410 --> 01:04:19,440
cited exemptions

1438
01:04:23,210 --> 01:04:21,420

um section 708 of the right to know law

1439

01:04:25,670 --> 01:04:23,220

places a burden of proof on a public

1440

01:04:27,589 --> 01:04:25,680

body to demonstrate that a record is

1441

01:04:30,049 --> 01:04:27,599

exempt and

1442

01:04:33,309 --> 01:04:30,059

here's where it gets important

1443

01:04:37,250 --> 01:04:33,319

let's say for example that they have

1444

01:04:39,589 --> 01:04:37,260

yearbook photos of the two victims in

1445

01:04:42,770 --> 01:04:39,599

the case File those are public records

1446

01:04:45,650 --> 01:04:42,780

those are not exempt from right to no

1447

01:04:47,150 --> 01:04:45,660

laws and I'm arguing here that merely

1448

01:04:49,670 --> 01:04:47,160

placing

1449

01:04:52,190 --> 01:04:49,680

publicly available records into this

1450

01:04:54,770 --> 01:04:52,200

case File does not automatically exempt

1451

01:04:56,809 --> 01:04:54,780

it from disclosure at least according to

1452

01:04:59,210 --> 01:04:56,819

everything that I've researched under

1453

01:05:01,670 --> 01:04:59,220

right to know laws so what are we doing

1454

01:05:04,730 --> 01:05:01,680

with this appeal number one we're

1455

01:05:07,069 --> 01:05:04,740

letting them know I'm not going away

1456

01:05:09,470 --> 01:05:07,079

I'm not going away I'm going to keep

1457

01:05:12,289 --> 01:05:09,480

harping on this we want to know what's

1458

01:05:15,650 --> 01:05:12,299

in these Case Files we want to know why

1459

01:05:18,710 --> 01:05:15,660

this case has not been solved in decades

1460

01:05:20,210 --> 01:05:18,720

we want to know what you're doing

1461

01:05:22,549 --> 01:05:20,220

lately

1462

01:05:24,950 --> 01:05:22,559

and we'll get into that because this

1463

01:05:27,950 --> 01:05:24,960

gets more interesting it gets more

1464

01:05:29,390 --> 01:05:27,960

interesting as we go

1465

01:05:33,589 --> 01:05:29,400

um

1466

01:05:40,329 --> 01:05:36,130

I have a little more to share with you

1467

01:05:45,410 --> 01:05:40,339

but what I can tell you is that we have

1468

01:05:49,190 --> 01:05:45,420

uh really hit a brick wall so far

1469

01:05:50,930 --> 01:05:49,200

uh yeah and we argue the burn of proof

1470

01:05:52,789 --> 01:05:50,940

is on the district attorney to prove

1471

01:05:55,910 --> 01:05:52,799

records do not exist they have failed to

1472

01:06:00,049 --> 01:05:55,920

do so the denying agency's reasons

1473

01:06:02,809 --> 01:06:00,059

so I've concede a few points which is uh

1474

01:06:04,849 --> 01:06:02,819

you know hey if if these things are

1475

01:06:07,970 --> 01:06:04,859

exempt from disclosure great but you

1476

01:06:08,809 --> 01:06:07,980

have to prove that every item is

1477

01:06:11,210 --> 01:06:08,819

um

1478

01:06:13,490 --> 01:06:11,220

and and I I end it with the questions

1479

01:06:15,710 --> 01:06:13,500

that I once answered which I was also

1480

01:06:18,109 --> 01:06:15,720

told I have to submit every question I

1481

01:06:20,930 --> 01:06:18,119

have in a formal right to know request

1482

01:06:23,210 --> 01:06:20,940

or repeal they will not answer any

1483

01:06:26,390 --> 01:06:23,220

question over the phone through email or

1484

01:06:28,910 --> 01:06:26,400

in person they will answer nothing about

1485

01:06:31,430 --> 01:06:28,920

this case you're not allowed to ask even

1486

01:06:34,370 --> 01:06:31,440

when's the last time an investigator

1487

01:06:37,970 --> 01:06:34,380

spent you know a few hours investigating

1488

01:06:39,829 --> 01:06:37,980

this case won't answer any questions and

1489

01:06:41,029 --> 01:06:39,839

so I'm left with an awful lot of

1490

01:06:43,250 --> 01:06:41,039

questions

1491

01:06:44,210 --> 01:06:43,260

um I closed this appeals letter with

1492

01:06:46,130 --> 01:06:44,220

saying

1493

01:06:48,710 --> 01:06:46,140

it is clear that no one in your office

1494

01:06:50,630 --> 01:06:48,720

actually evaluated every item in your

1495

01:06:52,190 --> 01:06:50,640

office is in possession of it's clear

1496

01:06:54,049 --> 01:06:52,200

you have not proven every item you

1497

01:06:55,789 --> 01:06:54,059

possess qualifies for the exemptions you

1498

01:06:58,490 --> 01:06:55,799

cited in your initial denial to release

1499

01:07:00,650 --> 01:06:58,500

again the placement of information into

1500

01:07:02,510 --> 01:07:00,660

a police investigative report or into

1501
01:07:05,329 --> 01:07:02,520
the District Attorney's Office files

1502
01:07:07,970 --> 01:07:05,339
does not automatically exempt all of it

1503
01:07:09,770 --> 01:07:07,980
from public release or right to no laws

1504
01:07:10,970 --> 01:07:09,780
I also wish to put on record that I

1505
01:07:13,250 --> 01:07:10,980
believe that District Attorney's office

1506
01:07:15,349 --> 01:07:13,260
is refusing release of Records because

1507
01:07:17,809 --> 01:07:15,359
of serious questions in this case that

1508
01:07:20,510 --> 01:07:17,819
their office so far refuses to answer

1509
01:07:22,430 --> 01:07:20,520
when was the DNA evidence in this case

1510
01:07:25,069 --> 01:07:22,440
determined to be no longer relevant to

1511
01:07:28,609 --> 01:07:25,079
the case how was that determination made

1512
01:07:30,710 --> 01:07:28,619
by whom and by what methods was a

1513
01:07:33,529 --> 01:07:30,720

genetic profile ever developed from the

1514

01:07:36,650 --> 01:07:33,539

DNA evidence was a match ever found to

1515

01:07:38,990 --> 01:07:36,660

the DNA do people often leave earrings

1516

01:07:41,390 --> 01:07:39,000

with Blood and Tissue samples on them at

1517

01:07:44,510 --> 01:07:41,400

the site of a double homicide that are

1518

01:07:47,390 --> 01:07:44,520

not relevant to the homicide case why

1519

01:07:49,849 --> 01:07:47,400

did it take 25 years to determine that

1520

01:07:52,309 --> 01:07:49,859

the DNA evidence or earring found at the

1521

01:07:53,690 --> 01:07:52,319

scene was not relevant to this double

1522

01:07:57,710 --> 01:07:53,700

homicide

1523

01:08:00,650 --> 01:07:57,720

was a DNA profile if one was developed

1524

01:08:04,370 --> 01:08:00,660

or a DNA sample from that earring ever

1525

01:08:06,770 --> 01:08:04,380

submitted to a genetic DNA database

1526

01:08:11,990 --> 01:08:06,780

such as the one used in the Golden State

1527

01:08:16,309 --> 01:08:14,630

the Warminster uh attorneys District

1528

01:08:18,650 --> 01:08:16,319

Attorney's Office must now choose

1529

01:08:20,570 --> 01:08:18,660

transparency or continuous secrecy about

1530

01:08:22,610 --> 01:08:20,580

this case they must choose to do what is

1531

01:08:24,289 --> 01:08:22,620

best for the public good the victims and

1532

01:08:26,870 --> 01:08:24,299

their families or do what is best for

1533

01:08:29,150 --> 01:08:26,880

them personally I trust your office will

1534

01:08:30,950 --> 01:08:29,160

reevaluate their earlier denial of my

1535

01:08:34,669 --> 01:08:30,960

right to know requests and make the

1536

01:08:36,169 --> 01:08:34,679

right choice Sincerely Me investigative

1537

01:08:37,970 --> 01:08:36,179

journalist

1538

01:08:39,669 --> 01:08:37,980

so

1539

01:08:43,249 --> 01:08:39,679

it gets better

1540

01:08:47,150 --> 01:08:43,259

they have so far not

1541

01:08:48,709 --> 01:08:47,160

replied to the appeal and I thought that

1542

01:08:51,590 --> 01:08:48,719

they were in violation of the law

1543

01:08:54,229 --> 01:08:51,600

because five days had elapsed and they

1544

01:08:58,430 --> 01:08:54,239

had not responded to the appeal but

1545

01:08:59,090 --> 01:08:58,440

apparently they have 30 days and so

1546

01:09:03,229 --> 01:08:59,100

um

1547

01:09:06,229 --> 01:09:03,239

if if we check the date of uh

1548

01:09:10,010 --> 01:09:06,239

let me check the date November 28th is

1549

01:09:13,130 --> 01:09:10,020

the date of the appeal that I filed

1550

01:09:16,849 --> 01:09:13,140

and again what we're building here is

1551

01:09:18,410 --> 01:09:16,859

our own case File our own

1552

01:09:20,570 --> 01:09:18,420

paper trail

1553

01:09:23,450 --> 01:09:20,580

which anybody else will be able to

1554

01:09:25,729 --> 01:09:23,460

access I'm developing a website where

1555

01:09:28,550 --> 01:09:25,739

we'll be sharing every scrap of

1556

01:09:32,930 --> 01:09:28,560

information about this case publicly to

1557

01:09:35,709 --> 01:09:32,940

the to the web for anyone to be able to

1558

01:09:39,289 --> 01:09:35,719

participate with now it gets

1559

01:09:40,550 --> 01:09:39,299

things get better here it gets gets a

1560

01:09:43,070 --> 01:09:40,560

little crazy

1561

01:09:45,650 --> 01:09:43,080

so after the right to know requests I go

1562

01:09:47,870 --> 01:09:45,660

back to the communications guy at the

1563

01:09:49,970 --> 01:09:47,880

Warminster District Attorney's office by

1564

01:09:52,070 --> 01:09:49,980

the way I'm a nice guy I let him know

1565

01:09:54,650 --> 01:09:52,080

that I appealed their denial I sent him

1566

01:09:56,330 --> 01:09:54,660

a copy of the denial in case he or the

1567

01:09:58,729 --> 01:09:56,340

district attorney

1568

01:10:01,490 --> 01:09:58,739

you know wanted to read my appeal I'm

1569

01:10:05,870 --> 01:10:01,500

trying to give this these people

1570

01:10:08,510 --> 01:10:05,880

the benefit of the doubt I'm trying to

1571

01:10:14,750 --> 01:10:11,270

I'm trying to at least be friendly with

1572

01:10:16,550 --> 01:10:14,760

them they may have very good reasons and

1573

01:10:20,450 --> 01:10:16,560

I want to be very clear here in that I

1574

01:10:22,430 --> 01:10:20,460

think by and large I live here the

1575

01:10:25,010 --> 01:10:22,440

police here do a great job the district

1576

01:10:28,490 --> 01:10:25,020

attorney does a great job this is the

1577

01:10:31,370 --> 01:10:28,500

most crime-free place that I have ever

1578

01:10:33,530 --> 01:10:31,380

lived in my entire life remember I grew

1579

01:10:35,810 --> 01:10:33,540

up in Philadelphia some would say in the

1580

01:10:38,350 --> 01:10:35,820

Mean Streets of Philadelphia I lived in

1581

01:10:40,850 --> 01:10:38,360

some shady places where there was

1582

01:10:43,189 --> 01:10:40,860

crackheads and drug dealers living next

1583

01:10:44,930 --> 01:10:43,199

door to me and people knocking on my

1584

01:10:47,510 --> 01:10:44,940

door at three o'clock in the morning

1585

01:10:51,110 --> 01:10:47,520

trying to buy meth they wanted the house

1586

01:10:53,330 --> 01:10:51,120

next to me who sold the math you know so

1587

01:10:55,070 --> 01:10:53,340

I I have no problem with the local

1588

01:10:57,110 --> 01:10:55,080

authorities here

1589

01:11:00,709 --> 01:10:57,120

I think they do an incredibly good job

1590

01:11:02,570 --> 01:11:00,719

and this is a very difficult case

1591

01:11:03,830 --> 01:11:02,580

very little evidence

1592

01:11:05,330 --> 01:11:03,840

and

1593

01:11:08,689 --> 01:11:05,340

um

1594

01:11:12,649 --> 01:11:08,699

but I still I thought

1595

01:11:15,169 --> 01:11:12,659

rather naively going into this I thought

1596

01:11:17,330 --> 01:11:15,179

I could I could do something here maybe

1597

01:11:18,950 --> 01:11:17,340

I could develop some new leads maybe I

1598

01:11:21,410 --> 01:11:18,960

could look at things a different way

1599

01:11:23,390 --> 01:11:21,420

than other investigators with the police

1600

01:11:24,530 --> 01:11:23,400

or the district attorney have looked at

1601
01:11:26,870 --> 01:11:24,540
them

1602
01:11:29,630 --> 01:11:26,880
I have an uncanny ability to see through

1603
01:11:31,130 --> 01:11:29,640
deception due to my some of my

1604
01:11:34,669 --> 01:11:31,140
experience

1605
01:11:35,450 --> 01:11:34,679
I'm excellent at uncovering things that

1606
01:11:38,209 --> 01:11:35,460
people

1607
01:11:40,010 --> 01:11:38,219
don't want to be uncovered I'm excellent

1608
01:11:42,050 --> 01:11:40,020
at finding

1609
01:11:44,090 --> 01:11:42,060
hidden information

1610
01:11:47,149 --> 01:11:44,100
that the people hiding that information

1611
01:11:48,709 --> 01:11:47,159
would prefer stay hidden I'm great at

1612
01:11:52,070 --> 01:11:48,719
that

1613
01:11:54,590 --> 01:11:52,080

I was rather naive going into this

1614

01:11:57,709 --> 01:11:54,600

and I cannot tell you how disappointed I

1615

01:12:01,270 --> 01:11:57,719

am with the results of my so-called

1616

01:12:05,209 --> 01:12:01,280

investigation so far because

1617

01:12:08,090 --> 01:12:05,219

right now I am limited to whatever I can

1618

01:12:10,610 --> 01:12:08,100

find on the internet or whatever local

1619

01:12:12,410 --> 01:12:10,620

people will tell me I've begun

1620

01:12:14,090 --> 01:12:12,420

interviewing some people who were

1621

01:12:17,330 --> 01:12:14,100

somewhat familiar with the case or the

1622

01:12:19,910 --> 01:12:17,340

victim's families I've got boards and uh

1623

01:12:22,850 --> 01:12:19,920

over here on the wall I'm going to be

1624

01:12:24,590 --> 01:12:22,860

doing a victimology study on both of the

1625

01:12:27,050 --> 01:12:24,600

victims I want to know everything that I

1626

01:12:29,390 --> 01:12:27,060

can about both those two men

1627

01:12:30,830 --> 01:12:29,400

that may help me

1628

01:12:35,870 --> 01:12:30,840

to

1629

01:12:38,149 --> 01:12:35,880

done this now let's talk about some

1630

01:12:41,630 --> 01:12:38,159

elements of the case before we end with

1631

01:12:44,330 --> 01:12:41,640

or you know what I'll uh we'll we'll go

1632

01:12:53,090 --> 01:12:44,340

to this uh

1633

01:12:57,950 --> 01:12:55,550

all right and and like I said here is

1634

01:13:01,010 --> 01:12:57,960

where it gets interesting

1635

01:13:02,209 --> 01:13:01,020

um so I go back to the director of

1636

01:13:03,890 --> 01:13:02,219

communications at the District

1637

01:13:06,530 --> 01:13:03,900

Attorney's office

1638

01:13:08,390 --> 01:13:06,540

after suddenly realizing that they are

1639

01:13:11,090 --> 01:13:08,400

stonewalling I mean that's the only term

1640

01:13:12,410 --> 01:13:11,100

I can use they won't answer a single

1641

01:13:16,910 --> 01:13:12,420

question

1642

01:13:18,890 --> 01:13:16,920

past so this is curious to me why won't

1643

01:13:21,530 --> 01:13:18,900

they answer any questions about this

1644

01:13:23,470 --> 01:13:21,540

case now but they used to answer

1645

01:13:25,970 --> 01:13:23,480

questions and anybody in the media

1646

01:13:28,370 --> 01:13:25,980

newspaper writer whoever could call them

1647

01:13:31,850 --> 01:13:28,380

up and they would answer questions

1648

01:13:35,270 --> 01:13:31,860

at least I'm assuming so unless every uh

1649

01:13:37,430 --> 01:13:35,280

newspaper writer and television media

1650

01:13:38,870 --> 01:13:37,440

person every member of the media has

1651

01:13:40,510 --> 01:13:38,880

just been repeating the same old

1652

01:13:43,070 --> 01:13:40,520

information for

1653

01:13:45,229 --> 01:13:43,080

decades and now

1654

01:13:46,610 --> 01:13:45,239

um there was quotes in some of them from

1655

01:13:48,590 --> 01:13:46,620

the District Attorney's office or

1656

01:13:49,729 --> 01:13:48,600

somebody from the police they were

1657

01:13:51,410 --> 01:13:49,739

talking

1658

01:13:54,169 --> 01:13:51,420

and they would talk to members of the

1659

01:13:57,709 --> 01:13:54,179

media recently about this case

1660

01:13:58,850 --> 01:13:57,719

uh through its whole history until right

1661

01:14:02,030 --> 01:13:58,860

now

1662

01:14:03,649 --> 01:14:02,040

and so I'm left with more questions than

1663

01:14:07,610 --> 01:14:03,659

answers

1664

01:14:11,149 --> 01:14:07,620

um and you know I don't know

1665

01:14:15,530 --> 01:14:11,159

well we have a game plan

1666

01:14:17,810 --> 01:14:15,540

um for why we will be we do have a game

1667

01:14:21,290 --> 01:14:17,820

plan and and I'm going to be developing

1668

01:14:25,729 --> 01:14:21,300

that game plan and trying to

1669

01:14:27,830 --> 01:14:25,739

make progress and I have decided a lot

1670

01:14:30,709 --> 01:14:27,840

of you know this about me

1671

01:14:33,950 --> 01:14:30,719

I'm at all chips in kind of a guy right

1672

01:14:36,770 --> 01:14:33,960

to use a poker analogy I'm all chips in

1673

01:14:39,290 --> 01:14:36,780

on this one I'm gonna do whatever I have

1674

01:14:40,790 --> 01:14:39,300

to do to investigate this case and if

1675

01:14:42,709 --> 01:14:40,800

the Warminster District Attorney's

1676
01:14:46,010 --> 01:14:42,719
Office the Warminster Police Department

1677
01:14:47,209 --> 01:14:46,020
don't want to be at all helpful I'll do

1678
01:14:50,209 --> 01:14:47,219
it on my own

1679
01:14:52,790 --> 01:14:50,219
I'll find out what I can on my own and

1680
01:14:55,070 --> 01:14:52,800
we'll move forward with as complete and

1681
01:14:58,130 --> 01:14:55,080
thorough as an investigation of this

1682
01:15:00,290 --> 01:14:58,140
case as I can reasonably provide without

1683
01:15:02,149 --> 01:15:00,300
the cooperation of authorities and

1684
01:15:04,310 --> 01:15:02,159
that's unfortunate because we're going

1685
01:15:06,530 --> 01:15:04,320
to have to retread all kinds of

1686
01:15:08,750 --> 01:15:06,540
different Avenues about this case that

1687
01:15:10,610 --> 01:15:08,760
they've already explored and eliminated

1688
01:15:13,729 --> 01:15:10,620

as possibilities

1689

01:15:16,729 --> 01:15:13,739

right all right so uh let's get into

1690

01:15:20,390 --> 01:15:16,739

this communications director

1691

01:15:22,010 --> 01:15:20,400

and here's where things went South as I

1692

01:15:23,870 --> 01:15:22,020

was initially told that I could get an

1693

01:15:26,450 --> 01:15:23,880

interview by the communications director

1694

01:15:29,209 --> 01:15:26,460

he says Mr cambian the district attorney

1695

01:15:31,490 --> 01:15:29,219

is not taking part in any interview on

1696

01:15:32,689 --> 01:15:31,500

this case oh he's doing interviews all

1697

01:15:34,490 --> 01:15:32,699

right you want to interview him about

1698

01:15:36,830 --> 01:15:34,500

others

1699

01:15:40,130 --> 01:15:36,840

you can get an interview but he will not

1700

01:15:41,990 --> 01:15:40,140

do interviews on this case

1701

01:15:43,430 --> 01:15:42,000

then the communications director says

1702

01:15:45,950 --> 01:15:43,440

your other questions were addressed in

1703

01:15:47,330 --> 01:15:45,960

the right to know request and appeal and

1704

01:15:49,910 --> 01:15:47,340

I said

1705

01:15:51,590 --> 01:15:49,920

no some questions were asked in my right

1706

01:15:53,630 --> 01:15:51,600

to no request but no answers were

1707

01:15:56,090 --> 01:15:53,640

provided by your office so far I have

1708

01:15:57,890 --> 01:15:56,100

asked you multiple times now for the

1709

01:15:59,149 --> 01:15:57,900

names here's another important I want

1710

01:16:00,950 --> 01:15:59,159

the names of the investigative

1711

01:16:02,570 --> 01:16:00,960

detectives from your office of the

1712

01:16:03,709 --> 01:16:02,580

Warminster Police Department Pastor

1713

01:16:07,850 --> 01:16:03,719

present

1714

01:16:11,270 --> 01:16:07,860

many of them may be retired this is a

1715

01:16:13,070 --> 01:16:11,280

decades-old case could be there could be

1716

01:16:15,830 --> 01:16:13,080

a detective out there right in my local

1717

01:16:18,530 --> 01:16:15,840

area who studied this case for 10 or

1718

01:16:20,930 --> 01:16:18,540

more years and was never able to solve

1719

01:16:22,729 --> 01:16:20,940

it but is a wealth of information about

1720

01:16:25,189 --> 01:16:22,739

this case and what has been done so far

1721

01:16:26,930 --> 01:16:25,199

I want the name of that guy I want to

1722

01:16:29,330 --> 01:16:26,940

find him I want to

1723

01:16:30,470 --> 01:16:29,340

meet him I want to talk to him I want to

1724

01:16:32,330 --> 01:16:30,480

interview him

1725

01:16:33,770 --> 01:16:32,340

I want to know everything I can about

1726

01:16:36,050 --> 01:16:33,780

this case

1727

01:16:38,270 --> 01:16:36,060

they won't give me the names of the

1728

01:16:39,950 --> 01:16:38,280

investigative detectives from their

1729

01:16:41,270 --> 01:16:39,960

office or the Warminster Police

1730

01:16:43,189 --> 01:16:41,280

Department

1731

01:16:45,590 --> 01:16:43,199

I said I try to ask Warminster Police

1732

01:16:47,570 --> 01:16:45,600

Department but they never answered the

1733

01:16:49,729 --> 01:16:47,580

phone I have left several messages with

1734

01:16:52,610 --> 01:16:49,739

no reply and here's where it gets even

1735

01:16:54,470 --> 01:16:52,620

interesting I asked for copies of press

1736

01:16:57,229 --> 01:16:54,480

releases

1737

01:17:00,250 --> 01:16:57,239

and their communications director he

1738

01:17:03,649 --> 01:17:00,260

says I do not have any past news relay

1739

01:17:06,649 --> 01:17:03,659

releases related to this case folks

1740

01:17:09,070 --> 01:17:06,659

press releases are a normal thing there

1741

01:17:11,630 --> 01:17:09,080

has to be some sort of press release

1742

01:17:14,330 --> 01:17:11,640

within their office they won't even give

1743

01:17:16,189 --> 01:17:14,340

me public press releases

1744

01:17:17,630 --> 01:17:16,199

that they have released in the past

1745

01:17:19,370 --> 01:17:17,640

about this case

1746

01:17:20,810 --> 01:17:19,380

they say I may want to try the police

1747

01:17:22,550 --> 01:17:20,820

department if they send out anything

1748

01:17:25,010 --> 01:17:22,560

during the course of the investigation

1749

01:17:26,750 --> 01:17:25,020

and if they have would have copies to

1750

01:17:28,250 --> 01:17:26,760

release to you and we're on that we're

1751

01:17:30,830 --> 01:17:28,260

failing and again we have to fill out

1752

01:17:32,570 --> 01:17:30,840

right to know requests why because the

1753

01:17:34,430 --> 01:17:32,580

local police department doesn't answer

1754

01:17:36,890 --> 01:17:34,440

the phone or return any phone calls

1755

01:17:40,189 --> 01:17:36,900

about this case

1756

01:17:44,630 --> 01:17:42,290

as far as the past and present

1757

01:17:46,370 --> 01:17:44,640

detectives investigating this case that

1758

01:17:48,470 --> 01:17:46,380

should have been addressed in your right

1759

01:17:49,430 --> 01:17:48,480

to know request

1760

01:17:52,790 --> 01:17:49,440

foreign

1761

01:17:54,350 --> 01:17:52,800

I asked him uh I'm not trying to be

1762

01:17:56,330 --> 01:17:54,360

difficult here but for a communications

1763

01:17:57,950 --> 01:17:56,340

director you seem to have problems

1764

01:18:00,470 --> 01:17:57,960

communicating it is a very simple

1765

01:18:02,510 --> 01:18:00,480

request please let me know if you can

1766

01:18:05,090 --> 01:18:02,520

forward me copies of press release and

1767

01:18:06,890 --> 01:18:05,100

if not why and then again he claims that

1768

01:18:10,669 --> 01:18:06,900

he has none

1769

01:18:11,810 --> 01:18:10,679

uh it it just gets it gets worse and

1770

01:18:14,990 --> 01:18:11,820

worse from here

1771

01:18:19,070 --> 01:18:15,000

we can't get an interview

1772

01:18:21,290 --> 01:18:19,080

um it's it's it's bad so then there is

1773

01:18:24,470 --> 01:18:21,300

the matter of then the communications

1774

01:18:27,169 --> 01:18:24,480

director essentially tells me

1775

01:18:29,870 --> 01:18:27,179

I'm not answering any questions our

1776

01:18:34,010 --> 01:18:29,880

office is not answering any questions

1777

01:18:36,649 --> 01:18:34,020

you need to file a right to know request

1778

01:18:38,990 --> 01:18:36,659

with any questions that you have and any

1779

01:18:41,330 --> 01:18:39,000

sites some sort of law

1780

01:18:43,189 --> 01:18:41,340

there is no law that prevents a

1781

01:18:44,810 --> 01:18:43,199

communications director to my knowledge

1782

01:18:46,010 --> 01:18:44,820

of answering questions maybe certain

1783

01:18:47,990 --> 01:18:46,020

questions

1784

01:18:49,910 --> 01:18:48,000

but the fact that he won't answer any

1785

01:18:54,290 --> 01:18:49,920

questions about this

1786

01:18:56,930 --> 01:18:54,300

is it's very it's very troubling

1787

01:19:00,649 --> 01:18:56,940

um one more thing to share that is very

1788

01:19:06,890 --> 01:19:03,590

where I was told

1789

01:19:09,890 --> 01:19:06,900

that I have to answer ask questions and

1790

01:19:13,189 --> 01:19:09,900

write to no requests and folks usually

1791

01:19:14,630 --> 01:19:13,199

this is not how this works you don't

1792

01:19:16,370 --> 01:19:14,640

fill out a right to no request because

1793

01:19:18,830 --> 01:19:16,380

you have a question you ask the

1794

01:19:21,229 --> 01:19:18,840

communications director whose job it is

1795

01:19:23,090 --> 01:19:21,239

to interact with members of the media

1796

01:19:26,030 --> 01:19:23,100

and answer questions

1797

01:19:27,850 --> 01:19:26,040

say Mr games no I didn't ask those

1798

01:19:30,290 --> 01:19:27,860

questions about who the investigation

1799

01:19:32,810 --> 01:19:30,300

detectives were am I right to know

1800

01:19:34,790 --> 01:19:32,820

request I asked you directly

1801

01:19:36,530 --> 01:19:34,800

are you now telling me I need to fill

1802

01:19:38,030 --> 01:19:36,540

out separate rights and Noble quests to

1803

01:19:40,669 --> 01:19:38,040

get you to answer a very simple and

1804

01:19:42,709 --> 01:19:40,679

direct question who are the detectives

1805

01:19:43,910 --> 01:19:42,719

handling the case currently who are the

1806

01:19:46,130 --> 01:19:43,920

detectives who handled the case

1807

01:19:47,930 --> 01:19:46,140

previously again I have tried to call

1808

01:19:49,669 --> 01:19:47,940

the Warminster Police Department but

1809

01:19:52,189 --> 01:19:49,679

their non-emergency number is always a

1810

01:19:53,990 --> 01:19:52,199

voicemail or no answer I have kept the

1811

01:19:55,850 --> 01:19:54,000

detailed call log again we're

1812

01:19:58,430 --> 01:19:55,860

documenting everything I have left

1813

01:20:00,229 --> 01:19:58,440

several messages no return calls if you

1814

01:20:01,310 --> 01:20:00,239

insist I will send another right to know

1815

01:20:05,510 --> 01:20:01,320

request

1816

01:20:07,930 --> 01:20:05,520

records not simple questions that a

1817

01:20:10,550 --> 01:20:07,940

public agency usually just answers

1818

01:20:12,470 --> 01:20:10,560

especially when they use taxpayer

1819

01:20:14,750 --> 01:20:12,480

dollars this is kind of a dig at him

1820

01:20:17,090 --> 01:20:14,760

I'll admit it especially when they use

1821

01:20:19,430 --> 01:20:17,100

taxpayer dollars to employ a full-time

1822

01:20:21,350 --> 01:20:19,440

communications director at least that

1823

01:20:22,910 --> 01:20:21,360

has been my experience with other cities

1824

01:20:24,950 --> 01:20:22,920

or towns

1825

01:20:27,709 --> 01:20:24,960

here that the the communications

1826

01:20:29,689 --> 01:20:27,719

director says I would suggest you do

1827

01:20:31,430 --> 01:20:29,699

that in other words I have to fill out a

1828

01:20:33,470 --> 01:20:31,440

right to know request for every question

1829

01:20:35,990 --> 01:20:33,480

I have under the criminal history

1830

01:20:37,430 --> 01:20:36,000

records information act we are

1831

01:20:39,590 --> 01:20:37,440

prohibited from releasing most

1832

01:20:42,530 --> 01:20:39,600

investigative information about this

1833

01:20:45,169 --> 01:20:42,540

case but again they can ignore that law

1834

01:20:47,350 --> 01:20:45,179

to select members of the media whenever

1835

01:20:49,370 --> 01:20:47,360

they choose to in this case is

1836

01:20:51,830 --> 01:20:49,380

decades-long history

1837

01:20:53,689 --> 01:20:51,840

so again they're using the law to Shield

1838

01:20:55,610 --> 01:20:53,699

them from having to disclose any

1839

01:20:58,189 --> 01:20:55,620

information while at the same time

1840

01:20:59,390 --> 01:20:58,199

ignoring the very same law whenever they

1841

01:21:01,850 --> 01:20:59,400

choose to

1842

01:21:03,770 --> 01:21:01,860

I can't just simply give you that

1843

01:21:07,729 --> 01:21:03,780

information our right to know attorneys

1844

01:21:10,610 --> 01:21:07,739

would have to review your request so

1845

01:21:14,149 --> 01:21:10,620

I did what he asked for and now I am

1846

01:21:17,149 --> 01:21:14,159

going to become uh quite the pain to

1847

01:21:23,090 --> 01:21:20,750

all right so I've now I have filed two

1848

01:21:25,310 --> 01:21:23,100

additional right to know requests uh do

1849

01:21:26,870 --> 01:21:25,320

we see where this is going friends do

1850

01:21:28,910 --> 01:21:26,880

you think they're figuring out that I'm

1851
01:21:32,510 --> 01:21:28,920
not going away

1852
01:21:35,810 --> 01:21:32,520
all right

1853
01:21:35,820 --> 01:21:39,470
one second

1854
01:21:48,590 --> 01:21:41,870
now would be a good time for redactions

1855
01:21:54,649 --> 01:21:51,050
let me figure out how to do this here

1856
01:21:58,970 --> 01:21:57,169
I mean it doesn't really matter uh I've

1857
01:22:00,970 --> 01:21:58,980
been docked so many times everybody has

1858
01:22:03,470 --> 01:22:00,980
my phone number anyway right

1859
01:22:05,570 --> 01:22:03,480
it calls from some strange people

1860
01:22:09,709 --> 01:22:05,580
sometimes uh

1861
01:22:15,590 --> 01:22:12,770
all right so I say I'm an investigative

1862
01:22:19,370 --> 01:22:15,600
journalist this is to

1863
01:22:21,470 --> 01:22:19,380

um this is to d a right to know who is

1864

01:22:24,050 --> 01:22:21,480

the man who denied our original right to

1865

01:22:26,090 --> 01:22:24,060

know request and here I am back

1866

01:22:27,770 --> 01:22:26,100

recently I asked your offices

1867

01:22:29,870 --> 01:22:27,780

communications director some questions

1868

01:22:32,689 --> 01:22:29,880

about the case he has now indicated that

1869

01:22:35,450 --> 01:22:32,699

I need to file right to no requests for

1870

01:22:37,189 --> 01:22:35,460

questions I have see exhibit a attached

1871

01:22:39,530 --> 01:22:37,199

see how official I am I gave him

1872

01:22:41,330 --> 01:22:39,540

screenshot copy of their communications

1873

01:22:43,550 --> 01:22:41,340

director telling me I have to fill out

1874

01:22:45,770 --> 01:22:43,560

right to no requests for every question

1875

01:22:47,570 --> 01:22:45,780

your communications director has refused

1876
01:22:49,790 --> 01:22:47,580
to answer many basic questions about the

1877
01:22:51,350 --> 01:22:49,800
case and as indicated is now saying I

1878
01:22:53,630 --> 01:22:51,360
should file right to know requests for

1879
01:22:55,790 --> 01:22:53,640
my questions so consider this my right

1880
01:22:58,070 --> 01:22:55,800
to know request as he directed I am

1881
01:23:00,410 --> 01:22:58,080
forwarding you the questions he did not

1882
01:23:02,630 --> 01:23:00,420
or claimed he could not answer specific

1883
01:23:04,310 --> 01:23:02,640
to the earring and DNA found in the

1884
01:23:06,649 --> 01:23:04,320
initial investigation

1885
01:23:09,830 --> 01:23:06,659
and again I'm establishing a paper trail

1886
01:23:11,450 --> 01:23:09,840
I ask these questions in my appeal to

1887
01:23:13,370 --> 01:23:11,460
the original right to know request but

1888
01:23:15,050 --> 01:23:13,380

I'm filing a separate one and they're

1889

01:23:17,570 --> 01:23:15,060

going to have to deal with it

1890

01:23:19,790 --> 01:23:17,580

can you uh in a recent interview

1891

01:23:21,770 --> 01:23:19,800

district attorney Matthew D Weintraub

1892

01:23:23,510 --> 01:23:21,780

stated that the earring in this case was

1893

01:23:25,970 --> 01:23:23,520

excluded from being relevant to the case

1894

01:23:27,950 --> 01:23:25,980

when was this determination made

1895

01:23:29,750 --> 01:23:27,960

can you I should have numbered these but

1896

01:23:30,410 --> 01:23:29,760

I did for the second request

1897

01:23:32,330 --> 01:23:30,420

um

1898

01:23:34,669 --> 01:23:32,340

can you confirm or deny there was Blood

1899

01:23:37,610 --> 01:23:34,679

and Tissue samples found on the earring

1900

01:23:40,430 --> 01:23:37,620

originally in 1993 was that blood or

1901

01:23:43,189 --> 01:23:40,440

tissue used to extract DNA from

1902

01:23:46,189 --> 01:23:43,199

was there a DNA match to someone who was

1903

01:23:47,750 --> 01:23:46,199

then cleared if so who was the match how

1904

01:23:49,250 --> 01:23:47,760

was it determined that the earring and

1905

01:23:51,470 --> 01:23:49,260

therefore the Blood and Tissue samples

1906

01:23:53,810 --> 01:23:51,480

from the earring were not related to the

1907

01:23:56,149 --> 01:23:53,820

case when was that determination made

1908

01:23:58,070 --> 01:23:56,159

can you provide a timeline of these

1909

01:24:00,590 --> 01:23:58,080

events if that determination was just

1910

01:24:02,810 --> 01:24:00,600

made recently why did it take almost 30

1911

01:24:05,930 --> 01:24:02,820

years to get to that determination

1912

01:24:07,669 --> 01:24:05,940

yeah you know to be very honest I think

1913

01:24:09,590 --> 01:24:07,679

that

1914

01:24:12,350 --> 01:24:09,600

part of their refusal to answer these

1915

01:24:13,970 --> 01:24:12,360

questions may have to do with the simple

1916

01:24:17,149 --> 01:24:13,980

embarrassment

1917

01:24:20,689 --> 01:24:17,159

it should not have taken 20 something

1918

01:24:23,270 --> 01:24:20,699

years to determine that that DNA was not

1919

01:24:24,590 --> 01:24:23,280

relevant to the case and again I'm still

1920

01:24:26,149 --> 01:24:24,600

going to ask this very important

1921

01:24:29,750 --> 01:24:26,159

question

1922

01:24:32,450 --> 01:24:29,760

how is an earring with Blood and Tissue

1923

01:24:33,830 --> 01:24:32,460

on it left at the scene of a double

1924

01:24:35,870 --> 01:24:33,840

homicide

1925

01:24:37,010 --> 01:24:35,880

but you the authorities say well it's

1926

01:24:39,290 --> 01:24:37,020

not relevant

1927

01:24:40,490 --> 01:24:39,300

they need to answer the question then

1928

01:24:43,850 --> 01:24:40,500

how

1929

01:24:46,370 --> 01:24:43,860

not relevant

1930

01:24:47,810 --> 01:24:46,380

I go on to ask was a DNA profile ever

1931

01:24:50,390 --> 01:24:47,820

extracted from the Blood and Tissue

1932

01:24:52,850 --> 01:24:50,400

samples was that DNA profile submitted

1933

01:24:54,890 --> 01:24:52,860

to CODIS or any other DNA database for

1934

01:24:57,110 --> 01:24:54,900

matching what were the results were the

1935

01:24:58,970 --> 01:24:57,120

blood tissue samples preserved are they

1936

01:25:01,490 --> 01:24:58,980

available for further testing matching

1937

01:25:03,890 --> 01:25:01,500

or genealogical DNA matching

1938

01:25:06,050 --> 01:25:03,900

as was shown to be effective in

1939

01:25:08,689 --> 01:25:06,060

identifying the perpetrator in the

1940

01:25:10,729 --> 01:25:08,699

Golden State killer case

1941

01:25:13,010 --> 01:25:10,739

I will have different questions I will

1942

01:25:14,450 --> 01:25:13,020

try to categorize those and send them in

1943

01:25:16,310 --> 01:25:14,460

different requests thank you in advance

1944

01:25:18,770 --> 01:25:16,320

for your prompt attention to my request

1945

01:25:21,530 --> 01:25:18,780

so now there's going to be a paper trail

1946

01:25:23,510 --> 01:25:21,540

of me asking these questions

1947

01:25:26,930 --> 01:25:23,520

and they're going to have to

1948

01:25:28,790 --> 01:25:26,940

tell the public we're not answering any

1949

01:25:30,290 --> 01:25:28,800

of these questions

1950

01:25:32,990 --> 01:25:30,300

and I think that's going to be very

1951

01:25:36,709 --> 01:25:33,000

problematic for them

1952

01:25:39,830 --> 01:25:36,719

it's I can't imagine of course the next

1953

01:25:41,689 --> 01:25:39,840

step here if they deny the appeal that

1954

01:25:43,970 --> 01:25:41,699

I've already filed and if they deny

1955

01:25:45,709 --> 01:25:43,980

these right to know requests and refuse

1956

01:25:47,870 --> 01:25:45,719

to answer these questions the very next

1957

01:25:49,130 --> 01:25:47,880

step is to file against them in Common

1958

01:25:52,070 --> 01:25:49,140

Pleas Court

1959

01:25:54,649 --> 01:25:52,080

and argue there for release of this

1960

01:25:56,750 --> 01:25:54,659

information and to get a judge to force

1961

01:25:58,370 --> 01:25:56,760

them to release these records to get a

1962

01:25:59,750 --> 01:25:58,380

judge to force them to answer these

1963

01:26:02,689 --> 01:25:59,760

questions

1964

01:26:05,570 --> 01:26:02,699

but I'm hesitant to do that

1965

01:26:08,090 --> 01:26:05,580

and not because uh of the difficulty in

1966

01:26:10,129 --> 01:26:08,100

doing it it is a difficult thing filing

1967

01:26:11,689 --> 01:26:10,139

all that legal paperwork yes I'm willing

1968

01:26:15,110 --> 01:26:11,699

to do it

1969

01:26:17,390 --> 01:26:15,120

but most of me thinks that the District

1970

01:26:19,790 --> 01:26:17,400

Attorney's office has a relationship

1971

01:26:22,250 --> 01:26:19,800

with every judge in my area they all

1972

01:26:24,530 --> 01:26:22,260

know each other it's a big club and I

1973

01:26:28,129 --> 01:26:24,540

ain't in it they all play golf together

1974

01:26:30,290 --> 01:26:28,139

at a golf course for a few miles from my

1975

01:26:32,149 --> 01:26:30,300

house they all know each other have

1976

01:26:35,149 --> 01:26:32,159

known each other for years

1977

01:26:37,850 --> 01:26:35,159

so I have little confidence that a judge

1978

01:26:39,410 --> 01:26:37,860

will be fair and impartial here

1979

01:26:42,709 --> 01:26:39,420

should the District Attorney's office

1980

01:26:45,169 --> 01:26:42,719

have to answer questions about DNA

1981

01:26:48,709 --> 01:26:45,179

evidence that every news article

1982

01:26:50,689 --> 01:26:48,719

mentioned for 20 plus years that said

1983

01:26:52,729 --> 01:26:50,699

was ripped from the ear of one of the

1984

01:26:53,870 --> 01:26:52,739

killers and now suddenly as of last year

1985

01:26:55,669 --> 01:26:53,880

they say

1986

01:26:57,830 --> 01:26:55,679

we we eliminated that that's not

1987

01:26:59,810 --> 01:26:57,840

relevant but now they don't want to

1988

01:27:01,910 --> 01:26:59,820

answer questions about how they

1989

01:27:04,669 --> 01:27:01,920

eliminated that as being relevant to the

1990

01:27:06,830 --> 01:27:04,679

case about if they got DNA matches about

1991

01:27:09,950 --> 01:27:06,840

who the match was did they submit to

1992

01:27:12,830 --> 01:27:09,960

CODIS did they get any familial matches

1993

01:27:14,270 --> 01:27:12,840

these are very important questions and

1994

01:27:16,430 --> 01:27:14,280

an agency

1995

01:27:18,890 --> 01:27:16,440

of the government should have to answer

1996

01:27:21,229 --> 01:27:18,900

them I feel very very strongly about

1997

01:27:23,149 --> 01:27:21,239

that so strongly in fact that if I have

1998

01:27:25,790 --> 01:27:23,159

to file a Common Police Court and take

1999

01:27:28,669 --> 01:27:25,800

another loss I'm going to do it

2000

01:27:34,790 --> 01:27:32,689

for the victims and their families

2001

01:27:36,890 --> 01:27:34,800

I'm going to do it

2002

01:27:39,290 --> 01:27:36,900

to let these people in the government

2003

01:27:40,550 --> 01:27:39,300

know that they should be held

2004

01:27:42,890 --> 01:27:40,560

accountable

2005

01:27:45,229 --> 01:27:42,900

for

2006

01:27:47,090 --> 01:27:45,239

everything in this case

2007

01:27:49,669 --> 01:27:47,100

and again

2008

01:27:52,910 --> 01:27:49,679

I think we have to be very fair

2009

01:27:55,610 --> 01:27:52,920

to these police and this local

2010

01:27:57,709 --> 01:27:55,620

district attorney

2011

01:28:00,709 --> 01:27:57,719

but they seem to have this elitist

2012

01:28:04,430 --> 01:28:00,719

attitude that you

2013

01:28:07,910 --> 01:28:04,440

don't have a right to know you are a

2014

01:28:09,590 --> 01:28:07,920

peasant and we are the ruling class and

2015

01:28:11,090 --> 01:28:09,600

even though we haven't solved this case

2016

01:28:13,550 --> 01:28:11,100

and you

2017

01:28:16,629 --> 01:28:13,560

Steve cambium may be very well in

2018

01:28:19,850 --> 01:28:16,639

possession of resources time

2019

01:28:23,390 --> 01:28:19,860

investigative skill proven track record

2020

01:28:25,610 --> 01:28:23,400

of good investigative skill and access

2021

01:28:28,430 --> 01:28:25,620

to retired police officers and

2022

01:28:30,229 --> 01:28:28,440

detectives and I may

2023

01:28:32,689 --> 01:28:30,239

stress the word may but I believe it's

2024

01:28:35,270 --> 01:28:32,699

it's a definite possibility that sounds

2025

01:28:37,310 --> 01:28:35,280

weird definite possibility I always hate

2026

01:28:39,950 --> 01:28:37,320

it when people said that

2027

01:28:43,790 --> 01:28:39,960

um it's a possibility that I may have

2028

01:28:47,090 --> 01:28:43,800

access to a retired FBI profiler

2029

01:28:49,310 --> 01:28:47,100

who will go through the case with me and

2030

01:28:52,669 --> 01:28:49,320

help us develop a profile

2031

01:28:55,430 --> 01:28:52,679

of who the likely killer or Killers is

2032

01:28:58,790 --> 01:28:55,440

likely to be it will narrow the search

2033

01:29:01,070 --> 01:28:58,800

pool for potential perpetrators it would

2034

01:29:03,290 --> 01:29:01,080

be very helpful by the way one of the

2035

01:29:04,729 --> 01:29:03,300

other questions I asked that they won't

2036

01:29:07,129 --> 01:29:04,739

answer is

2037

01:29:08,330 --> 01:29:07,139

have you reached out to the FBI

2038

01:29:10,550 --> 01:29:08,340

have you

2039

01:29:12,410 --> 01:29:10,560

ask them to develop a profile of the

2040

01:29:15,110 --> 01:29:12,420

killer which may help or Aid in the

2041

01:29:17,270 --> 01:29:15,120

investigation no we won't answer that

2042

01:29:20,270 --> 01:29:17,280

question and

2043

01:29:23,209 --> 01:29:20,280

it is so frustrating that I'm sitting

2044

01:29:26,149 --> 01:29:23,219

here and I'm sure especially if I had

2045

01:29:29,390 --> 01:29:26,159

more information to give this retired

2046

01:29:31,669 --> 01:29:29,400

FBI profiler we could get a profile we

2047

01:29:34,070 --> 01:29:31,679

could develop a profile and if that's

2048

01:29:36,770 --> 01:29:34,080

something that they've never done and I

2049

01:29:39,770 --> 01:29:36,780

can get it done but they want to hold

2050

01:29:42,290 --> 01:29:39,780

these records and not release them for

2051

01:29:43,430 --> 01:29:42,300

whatever reason

2052

01:29:46,490 --> 01:29:43,440

um

2053

01:29:49,850 --> 01:29:46,500

it's sad and I'm sad for the victims and

2054

01:29:51,530 --> 01:29:49,860

I'm sad for the victims families I'm a

2055

01:29:54,350 --> 01:29:51,540

father myself

2056

01:29:55,970 --> 01:29:54,360

and I think about every day now since

2057

01:29:58,250 --> 01:29:55,980

I've taken this case on I have thought

2058

01:29:59,870 --> 01:29:58,260

about how horrific it is

2059

01:30:02,390 --> 01:29:59,880

or must be

2060

01:30:04,129 --> 01:30:02,400

for the victims families

2061

01:30:07,010 --> 01:30:04,139

to not know

2062

01:30:09,290 --> 01:30:07,020

who did this to their children to their

2063

01:30:14,750 --> 01:30:09,300

sons to not know

2064

01:30:19,250 --> 01:30:16,370

it is

2065

01:30:22,370 --> 01:30:19,260

a tragedy to lose

2066

01:30:25,250 --> 01:30:22,380

a child but it's even more tragic when

2067

01:30:29,149 --> 01:30:25,260

that child was taken from you through

2068

01:30:34,669 --> 01:30:32,410

I said that I thought I could perhaps

2069

01:30:37,430 --> 01:30:34,679

make a difference here I thought I could

2070

01:30:41,450 --> 01:30:37,440

do something I thought I could apply my

2071

01:30:43,669 --> 01:30:41,460

skills and I'm willing to dedicate a

2072

01:30:45,770 --> 01:30:43,679

great deal of my time to doing this time

2073

01:30:47,629 --> 01:30:45,780

is our most valuable resource but I feel

2074

01:30:50,810 --> 01:30:47,639

so strongly

2075

01:30:51,770 --> 01:30:50,820

about this case

2076

01:30:54,890 --> 01:30:51,780

um

2077

01:30:57,290 --> 01:30:54,900

something hit me when I went to see the

2078

01:30:59,330 --> 01:30:57,300

location of the Murder By the way it's

2079

01:31:01,250 --> 01:30:59,340

no longer a West Coast video as you all

2080

01:31:03,610 --> 01:31:01,260

know West Coast video and Blockbuster

2081

01:31:05,270 --> 01:31:03,620

and all video stores are gone

2082

01:31:07,970 --> 01:31:05,280

but

2083

01:31:10,070 --> 01:31:07,980

I was able to see the building

2084

01:31:13,129 --> 01:31:10,080

and it has now been split into two

2085

01:31:16,430 --> 01:31:13,139

separate stores a framing store where

2086

01:31:19,930 --> 01:31:16,440

you go and get a picture framed and a

2087

01:31:26,510 --> 01:31:24,290

the framing store knew nothing about the

2088

01:31:28,910 --> 01:31:26,520

case at all and they'd only been there I

2089

01:31:31,310 --> 01:31:28,920

think six or seven years I'm still

2090

01:31:33,649 --> 01:31:31,320

reaching out to the marine recruiter

2091

01:31:36,290 --> 01:31:33,659

hopefully I don't end up in green

2092

01:31:38,950 --> 01:31:36,300

fatigues anytime soon from my encounter

2093

01:31:42,590 --> 01:31:38,960

with him but now I'm going there because

2094

01:31:46,129 --> 01:31:42,600

I believe that the location of the

2095

01:31:48,350 --> 01:31:46,139

actual murder is in what is now the

2096

01:31:49,729 --> 01:31:48,360

Marine recruiting

2097

01:31:52,310 --> 01:31:49,739

Center

2098

01:31:54,229 --> 01:31:52,320

and I want to stand there and I want to

2099

01:31:56,450 --> 01:31:54,239

see it and I want to

2100

01:31:58,310 --> 01:31:56,460

see if they know anything

2101
01:32:00,290 --> 01:31:58,320
there are some people at that shopping

2102
01:32:02,750 --> 01:32:00,300
center that have been there since the

2103
01:32:04,189 --> 01:32:02,760
murder I'm told specifically the cleaner

2104
01:32:05,870 --> 01:32:04,199
there's a cleaner there you know where

2105
01:32:08,270 --> 01:32:05,880
you take your suits or dresses to be

2106
01:32:11,709 --> 01:32:08,280
cleaned and pressed I'm gonna reach out

2107
01:32:14,830 --> 01:32:11,719
to them and interview them or try to

2108
01:32:17,930 --> 01:32:14,840
like I said I kind of struck out so far

2109
01:32:22,129 --> 01:32:17,940
but I have

2110
01:32:23,510 --> 01:32:22,139
sort of made up my mind that I'm not

2111
01:32:28,790 --> 01:32:23,520
going to stop

2112
01:32:34,430 --> 01:32:32,870
um they they quit not me I think it's

2113
01:32:36,770 --> 01:32:34,440

important enough to the victims and

2114

01:32:37,729 --> 01:32:36,780

their families that somebody advocate

2115

01:32:39,470 --> 01:32:37,739

for them

2116

01:32:42,590 --> 01:32:39,480

when's the last time that somebody

2117

01:32:44,629 --> 01:32:42,600

started asking these police and these

2118

01:32:46,490 --> 01:32:44,639

District Attorney's office people what

2119

01:32:49,250 --> 01:32:46,500

are you doing to solve this case let's

2120

01:32:50,930 --> 01:32:49,260

get this case off for the family

2121

01:32:53,930 --> 01:32:50,940

I don't think anybody's done that in a

2122

01:32:57,169 --> 01:32:53,940

decade for for these victims or their

2123

01:32:58,550 --> 01:32:57,179

families and I'm told I haven't met or

2124

01:33:00,229 --> 01:32:58,560

interviewed them

2125

01:33:03,410 --> 01:33:00,239

in person

2126
01:33:05,390 --> 01:33:03,420
but I'm told that the victims families

2127
01:33:08,450 --> 01:33:05,400
are not even getting updates or caring

2128
01:33:10,250 --> 01:33:08,460
to get updates from the authorities uh

2129
01:33:13,129 --> 01:33:10,260
for many years now

2130
01:33:17,870 --> 01:33:13,139
and that's very very sad

2131
01:33:23,149 --> 01:33:20,570
so we're going to take some comments and

2132
01:33:26,149 --> 01:33:23,159
questions from the live chat I want to

2133
01:33:27,709 --> 01:33:26,159
welcome you all and remind you uh if

2134

2138
01:33:42,970 --> 01:33:40,920

2139

01:33:46,850 --> 01:33:42,980

of Sean Campbell and Brian Benson

2140

01:33:51,169 --> 01:33:46,860

murdered in 1993 November 10th case

2141

01:33:52,970 --> 01:33:51,179

still not solved uh also we will be

2142

01:33:55,610 --> 01:33:52,980

2211

01:36:40,250 --> 01:36:38,040

from the live chat

2212

01:36:43,129 --> 01:36:40,260

2213

01:36:45,169 --> 01:36:43,139

2219

2221

01:37:05,209 --> 01:37:03,420

comes out of the till here and kind of

you for being here reload and that's

2269

01:39:43,310 --> 01:39:41,340

what uh the replays are for

2270

01:39:46,129 --> 01:39:43,320

um

2271

01:39:49,850 --> 01:39:46,139

uh Aaron Flores uh quoting back to me

2272

01:39:52,550 --> 01:39:49,860

some song lyrics that I love uh from

2273

01:39:55,430 --> 01:39:52,560

uh is that to Dreaming or is that

2274

01:39:57,410 --> 01:39:55,440

Stabbing Westward uh in any case I love

2275

01:39:58,850 --> 01:39:57,420

it either way Aaron Flores says what do

2276

01:40:01,070 --> 01:39:58,860

you want from me nothing is ever right

2277

01:40:02,750 --> 01:40:01,080

nothing I do is ever good for you I'm

2278

01:40:07,990 --> 01:40:02,760

sick of trying what do you want from me

2279

01:40:13,430 --> 01:40:10,430

Patty Wilhelm is here and says I'm in

2280

01:40:16,550 --> 01:40:13,440

Florida in the film flim-flam State I've

2281

01:40:19,430 --> 01:40:16,560

seen it all here it's the Wild Wild West

2282

01:40:22,790 --> 01:40:19,440

uh Aaron Flores says yes the dreaming I

2283

01:40:25,370 --> 01:40:22,800

believe that you are correct uh so

2284

01:40:27,830 --> 01:40:25,380

what do you guys think does anybody have

2285

01:40:31,910 --> 01:40:27,840

any ideas maybe we can use the show here

2286

01:40:35,149 --> 01:40:31,920

as a collective a hive mind to figure

2287

01:40:36,950 --> 01:40:35,159

out what we should do next I am stuck in

2288

01:40:39,410 --> 01:40:36,960

place filling out right to no requests

2289

01:40:41,030 --> 01:40:39,420

for every single question that I have

2290

01:40:43,010 --> 01:40:41,040

uh but I'm gonna start hitting the

2291

01:40:44,750 --> 01:40:43,020

pavement because I think that would be

2292

01:40:46,790 --> 01:40:44,760

very effective it's a lot harder to say

2293

01:40:48,590 --> 01:40:46,800

you ever notice it's a lot harder to say

2294

01:40:51,110 --> 01:40:48,600

no to somebody when they're right in

2295

01:40:53,990 --> 01:40:51,120

your face right you ever notice that

2296

01:40:56,270 --> 01:40:54,000

it's hard it's harder at least to just

2297

01:40:58,370 --> 01:40:56,280

brush somebody off when they're standing

2298

01:41:00,530 --> 01:40:58,380

right in front of your face so I'm going

2299

01:41:02,990 --> 01:41:00,540

to the Warminster Police Department and

2300

01:41:05,330 --> 01:41:03,000

I'm going to start asking around there

2301

01:41:07,010 --> 01:41:05,340

maybe there'll be a little more

2302

01:41:09,530 --> 01:41:07,020

forthcoming so far most of my

2303

01:41:11,390 --> 01:41:09,540

interactions have been with the District

2304

01:41:14,450 --> 01:41:11,400

Attorney's office and I get it they're a

2305

01:41:17,689 --> 01:41:14,460

bunch of lawyers right cops you know my

2306

01:41:21,229 --> 01:41:17,699

father's one of my father's best friends

2307

01:41:22,970 --> 01:41:21,239

growing up was a cop their regular

2308

01:41:24,709 --> 01:41:22,980

working guys and I think I would get

2309

01:41:27,050 --> 01:41:24,719

along better with them than

2310

01:41:29,510 --> 01:41:27,060

some of the lawyer types so we're gonna

2311

01:41:31,370 --> 01:41:29,520

we're gonna move forward with our

2312

01:41:33,050 --> 01:41:31,380

investigation and I'm gonna take you

2313

01:41:36,709 --> 01:41:33,060

with me

2314

01:41:39,709 --> 01:41:36,719

when there's an update

2315

01:41:43,250 --> 01:41:39,719

to the investigation that's worthy of

2316

01:41:46,729 --> 01:41:43,260

dedicating a show to we'll talk about it

2317

01:41:48,229 --> 01:41:46,739

um I'm gonna keep collecting and sharing

2318

01:41:52,070 --> 01:41:48,239

every single thing

2319

01:41:53,990 --> 01:41:52,080

that I can collect about this case uh I

2320

01:41:56,810 --> 01:41:54,000

believe that the case is or should be

2321

01:42:00,229 --> 01:41:56,820

solvable in fact I believe every case is

2322

01:42:02,990 --> 01:42:00,239

or should be solvable right

2323

01:42:05,090 --> 01:42:03,000

uh yeah B Baker says this reminds me a

2324

01:42:07,970 --> 01:42:05,100

lot of the local cover-up in

2325

01:42:10,310 --> 01:42:07,980

the JonBenet Ramsey case it's way easier

2326

01:42:12,590 --> 01:42:10,320

to be corrupt in a small town

2327

01:42:15,910 --> 01:42:12,600

well I you know I don't want to go so

2328

01:42:19,910 --> 01:42:15,920

far as to say cover-up but it is

2329

01:42:23,570 --> 01:42:19,920

troubling right it is troubling that

2330

01:42:26,390 --> 01:42:23,580

they will not answer any questions and

2331

01:42:28,790 --> 01:42:26,400

and why is it that they will answer

2332

01:42:31,729 --> 01:42:28,800

questions to

2333

01:42:34,129 --> 01:42:31,739

other members of the media up until now

2334

01:42:36,470 --> 01:42:34,139

and I'm told by several people locally

2335

01:42:38,510 --> 01:42:36,480

that as soon as that information dropped

2336

01:42:40,490 --> 01:42:38,520

that the earring was no longer relevant

2337

01:42:42,129 --> 01:42:40,500

to the case

2338

01:42:45,169 --> 01:42:42,139

they clamped up

2339

01:42:47,629 --> 01:42:45,179

a broad brush denial we can't answer

2340

01:42:49,669 --> 01:42:47,639

questions ongoing investigation by the

2341

01:42:51,830 --> 01:42:49,679

way the local police and the district

2342

01:42:53,930 --> 01:42:51,840

attorney both confirmed for me that this

2343

01:42:57,410 --> 01:42:53,940

is still an open and ongoing

2344

01:42:59,629 --> 01:42:57,420

investigation but don't bother to ask

2345

01:43:02,629 --> 01:42:59,639

them who's investigating it you're not

2346

01:43:05,149 --> 01:43:02,639

allowed to know don't bother asking them

2347

01:43:07,729 --> 01:43:05,159

what are you doing to investigate the

2348

01:43:09,709 --> 01:43:07,739

case how much time are you spending or

2349

01:43:11,450 --> 01:43:09,719

is a detective spending every week I

2350

01:43:13,609 --> 01:43:11,460

think these are important questions that

2351

01:43:17,209 --> 01:43:13,619

public officials should have to answer

2352

01:43:19,669 --> 01:43:17,219

and I don't want to get

2353

01:43:22,490 --> 01:43:19,679

I don't want to get adversarial with the

2354

01:43:25,490 --> 01:43:22,500

local authorities my chances of success

2355

01:43:28,910 --> 01:43:25,500

or having some good impact on this case

2356

01:43:31,609 --> 01:43:28,920

are much better if they're friendly

2357

01:43:33,530 --> 01:43:31,619

towards me and my efforts and my ability

2358

01:43:36,649 --> 01:43:33,540

to perhaps

2359

01:43:39,709 --> 01:43:36,659

generate more leads or something more

2360

01:43:42,649 --> 01:43:39,719

evidence for them is much better if if

2361

01:43:45,830 --> 01:43:42,659

they're friendly you know so I'm trying

2362

01:43:49,010 --> 01:43:45,840

my very best I I did I can't lie I threw

2363

01:43:51,470 --> 01:43:49,020

a few Digs at them like you oh in one of

2364

01:43:53,750 --> 01:43:51,480

the emails I didn't share I said you

2365

01:43:56,330 --> 01:43:53,760

guys have to give me something here this

2366

01:43:59,030 --> 01:43:56,340

is how conspiracy theories start and I

2367

01:44:02,750 --> 01:43:59,040

believe that you can't just refuse to

2368

01:44:05,030 --> 01:44:02,760

answer any and all questions relating to

2369

01:44:07,430 --> 01:44:05,040

and besides that it's such an old case

2370

01:44:10,510 --> 01:44:07,440

what harm can come from talking about

2371

01:44:13,930 --> 01:44:10,520

leads that were

2372

01:44:16,550 --> 01:44:13,940

eliminated as possibilities in the case

2373

01:44:17,689 --> 01:44:16,560

what what harm could really come from

2374

01:44:20,930 --> 01:44:17,699

that

2375

01:44:22,910 --> 01:44:20,940

you know I just I don't understand how

2376

01:44:24,709 --> 01:44:22,920

this is a problem I just don't get it

2377

01:44:26,030 --> 01:44:24,719

right

2378

01:44:27,649 --> 01:44:26,040

but

2379

01:44:30,530 --> 01:44:27,659

any more questions or comments for me

2380

01:44:33,169 --> 01:44:30,540

please put them in all capital letters

2381

01:44:35,209 --> 01:44:33,179

Aaron Flores says we had a quadruple

2382

01:44:36,770 --> 01:44:35,219

homicide on campus three weeks ago here

2383

01:44:38,090 --> 01:44:36,780

at the University of Idaho like two

2384

01:44:40,609 --> 01:44:38,100

minutes from my house they still haven't

2385

01:44:43,729 --> 01:44:40,619

solved it yes I'm following that case or

2386

01:44:46,550 --> 01:44:43,739

I just started following that case Aaron

2387

01:44:48,830 --> 01:44:46,560

um that's pretty interesting case I mean

2388

01:44:51,830 --> 01:44:48,840

somebody came in and killed four people

2389

01:44:54,109 --> 01:44:51,840

at once uh this case is

2390

01:44:58,550 --> 01:44:54,119

just as terrible though somebody came in

2391

01:45:02,149 --> 01:45:00,709

Patty wilham Stephen at a certain point

2392

01:45:04,910 --> 01:45:02,159

when you don't get help from the local

2393

01:45:07,030 --> 01:45:04,920

level go to the state attorney

2394

01:45:08,770 --> 01:45:07,040

um yeah actually

2395

01:45:11,330 --> 01:45:08,780

Patty

2396

01:45:13,729 --> 01:45:11,340

that's on my list of things to do

2397

01:45:16,930 --> 01:45:13,739

because if the local district attorney

2398

01:45:19,550 --> 01:45:16,940

once I have exhausted all local options

2399

01:45:21,290 --> 01:45:19,560

then I could start filing right to know

2400

01:45:22,490 --> 01:45:21,300

requests with the state district

2401

01:45:24,830 --> 01:45:22,500

attorney

2402

01:45:27,530 --> 01:45:24,840

who is then going to have to and then we

2403

01:45:29,390 --> 01:45:27,540

start all over again but does anybody

2404

01:45:31,250 --> 01:45:29,400

else think it's kind of ridiculous that

2405

01:45:33,350 --> 01:45:31,260

I should have to spin my wheels filing

2406

01:45:35,390 --> 01:45:33,360

paperwork constantly just to get

2407

01:45:39,530 --> 01:45:35,400

government officials to answer very

2408

01:45:43,370 --> 01:45:39,540

simple direct basic questions about a

2409

01:45:45,890 --> 01:45:43,380

many years old Cold Case

2410

01:45:47,870 --> 01:45:45,900

um and I hate that term Cold Case you

2411

01:45:49,189 --> 01:45:47,880

know it's not cold to the victims

2412

01:45:53,030 --> 01:45:49,199

families

2413

01:45:54,290 --> 01:45:53,040

it's still very real it's still here you

2414

01:45:56,890 --> 01:45:54,300

know

2415

01:45:59,570 --> 01:45:56,900

I would think that their anguish over

2416

01:46:01,850 --> 01:45:59,580

the lack of Justice brought to their

2417

01:46:03,950 --> 01:46:01,860

family members doesn't get better over

2418

01:46:05,810 --> 01:46:03,960

the time it's just getting worse for

2419

01:46:08,689 --> 01:46:05,820

them

2420

01:46:12,709 --> 01:46:10,850

B Baker says when you make requests

2421

01:46:14,149 --> 01:46:12,719

about the DNA and I will also specified

2422

01:46:16,010 --> 01:46:14,159

to see if there's been work to do

2423

01:46:17,510 --> 01:46:16,020

familial match and genealogical

2424

01:46:19,129 --> 01:46:17,520

databases

2425

01:46:21,169 --> 01:46:19,139

B Baker

2426

01:46:24,050 --> 01:46:21,179

maybe you weren't paying attention I

2427

01:46:26,229 --> 01:46:24,060

read that I did I I asked specifically

2428

01:46:29,810 --> 01:46:26,239

in my right to know request if they had

2429

01:46:30,890 --> 01:46:29,820

submitted to CODIS or any other DNA

2430

01:46:33,590 --> 01:46:30,900

database

2431

01:46:37,490 --> 01:46:33,600

did they get a familial match

2432

01:46:38,830 --> 01:46:37,500

uh Tony V says I'm a mean one I don't

2433

01:46:41,689 --> 01:46:38,840

think about that

2434

01:46:43,970 --> 01:46:41,699

Stephen on the scene reports

2435

01:46:46,189 --> 01:46:43,980

of them all in a Jordan neighborhood

2436

01:46:47,930 --> 01:46:46,199

would be awesome I'm gonna do it I'm

2437

01:46:50,629 --> 01:46:47,940

gonna do it

2438

01:46:52,310 --> 01:46:50,639

yes but that becomes a little awkward

2439

01:46:53,870 --> 01:46:52,320

because it's such an old case and here's

2440

01:46:55,790 --> 01:46:53,880

some weird guy knocking on your door

2441

01:46:57,890 --> 01:46:55,800

asking if you remember the murder across

2442

01:47:00,169 --> 01:46:57,900

the street but it's worth it's worth

2443

01:47:01,609 --> 01:47:00,179

trying like I said I'm I'm really gonna

2444

01:47:05,390 --> 01:47:01,619

hit the pavement

2445

01:47:08,990 --> 01:47:05,400

and uh try to go out in person

2446

01:47:11,090 --> 01:47:09,000

um and and see what I can find out

2447

01:47:13,609 --> 01:47:11,100

as man says it would just keep burning

2448

01:47:16,850 --> 01:47:13,619

away with no closure yeah I agree with

2449

01:47:20,450 --> 01:47:16,860

you 100 right

2450

01:47:25,129 --> 01:47:23,270

Amy Collins on the scene reports do a

2451

01:47:27,290 --> 01:47:25,139

drive past the old Mullen neighborhood

2452

01:47:29,030 --> 01:47:27,300

it's a mile from my house I go there

2453

01:47:31,970 --> 01:47:29,040

every week Amy Collins that's how I

2454

01:47:34,189 --> 01:47:31,980

found out about this case somebody was

2455

01:47:36,649 --> 01:47:34,199

talking about this case like

2456

01:47:39,470 --> 01:47:36,659

around November 10th

2457

01:47:41,390 --> 01:47:39,480

and I heard them say yeah it's shame

2458

01:47:42,590 --> 01:47:41,400

they never saw that double murder it

2459

01:47:46,790 --> 01:47:42,600

happened right here in this shopping

2460

01:47:48,310 --> 01:47:46,800

center and I went what a double murder

2461

01:47:51,470 --> 01:47:48,320

um and then I started

2462

01:47:53,930 --> 01:47:51,480

finding out more about the case

2463

01:47:53,940 --> 01:48:03,290

yeah

2464

01:48:08,149 --> 01:48:05,930

okay

2465

01:48:16,149 --> 01:48:08,159

as man says it would just keep burning

2466

01:48:21,410 --> 01:48:18,649

it should be some pause for requests

2467

01:48:24,649 --> 01:48:21,420

where people will do DDOS oh I don't

2468

01:48:29,090 --> 01:48:27,590

all right great pattiam Wilhelm says

2469

01:48:31,310 --> 01:48:29,100

stay on the broadcast media human

2470

01:48:33,050 --> 01:48:31,320

interest story

2471

01:48:35,570 --> 01:48:33,060

um I am definitely going to continue to

2472

01:48:37,850 --> 01:48:35,580

follow up with the story I'm not sure

2473

01:48:40,370 --> 01:48:37,860

what else can be done but I'm going to

2474

01:48:42,890 --> 01:48:40,380

exhaust every possibility before

2475

01:48:45,649 --> 01:48:42,900

you know I don't give up easy you guys

2476

01:48:47,450 --> 01:48:45,659

know that and and once I'm dug into a

2477

01:48:50,689 --> 01:48:47,460

case I keep digging and digging and

2478

01:48:55,910 --> 01:48:54,070

Amy Collins says a mile away

2479

01:48:58,250 --> 01:48:55,920

part of me

2480

01:49:01,250 --> 01:48:58,260

wow local True Crime and feeling

2481

01:49:04,250 --> 01:49:01,260

including Philly I think it would be a

2482

01:49:05,209 --> 01:49:04,260

hit yeah and um my flock is everywhere

2483

01:49:07,189 --> 01:49:05,219

says

2484

01:49:09,169 --> 01:49:07,199

great show

2485

01:49:10,910 --> 01:49:09,179

Tony B holding down the Facebook live

2486

01:49:12,290 --> 01:49:10,920

chat says awesome show I have so many

2487

01:49:15,590 --> 01:49:12,300

questions for you don't know where to

2488

01:49:17,030 --> 01:49:15,600

start keep it up well thanks Tony B and

2489

01:49:19,910 --> 01:49:17,040

I want to thank each and every one of

2490

01:49:22,250 --> 01:49:19,920

you uh for being here I know this isn't

2491

01:49:25,070 --> 01:49:22,260

our usual wheelhouse but this case is

2492

01:49:26,209 --> 01:49:25,080

just something that has become quickly

2493

01:49:28,370 --> 01:49:26,219

become

2494

01:49:32,390 --> 01:49:28,380

important to me and we're going to be

2495

01:49:35,209 --> 01:49:32,400

doing more updates about this and uh I I

2496

01:49:38,870 --> 01:49:35,219

realize however we certainly take a hit

2497

01:49:40,790 --> 01:49:38,880

in the numbers and I don't really care

2498

01:49:43,370 --> 01:49:40,800

um I'm gonna continue to investigate

2499

01:49:46,910 --> 01:49:43,380

this case and report on it

2500

01:49:48,950 --> 01:49:46,920

can't stay in one small subject matter

2501

01:49:52,189 --> 01:49:48,960

it'll drive you crazy

2502

01:49:53,689 --> 01:49:52,199

it will really drive you crazy and this

2503

01:49:55,669 --> 01:49:53,699

has been

2504

01:49:59,090 --> 01:49:55,679

something different for me to

2505

01:50:02,270 --> 01:50:00,770

can you imagine Stephen if you made

2506

01:50:04,970 --> 01:50:02,280

progress how that would have such a

2507

01:50:07,970 --> 01:50:04,980

massive psychological lift like an anvil

2508

01:50:09,470 --> 01:50:07,980

off their backs admirable well it's a

2509

01:50:13,729 --> 01:50:09,480

lot of pressure now now I'm starting to

2510

01:50:17,330 --> 01:50:13,739

feel pressure to produce right but

2511

01:50:20,090 --> 01:50:17,340

thank you for your kind words uh Patty

2512

01:50:22,070 --> 01:50:20,100

says I'm a fighter too served me well

2513

01:50:24,890 --> 01:50:22,080

in government

2514

01:50:27,890 --> 01:50:24,900

interesting well

2515

01:50:29,330 --> 01:50:27,900

I for one am very glad

2516

01:50:31,430 --> 01:50:29,340

I was looking around for some liquid

2517

01:50:37,250 --> 01:50:31,440

here

2518

01:50:41,090 --> 01:50:39,109

oh now I got it

2519

01:50:44,209 --> 01:50:41,100

okay good I'm good I'm sorry friends I

2520

01:50:46,010 --> 01:50:44,219

have a tickle in my throat

2521

01:50:48,649 --> 01:50:46,020

let's hope it's just to tickle and not

2522

01:50:51,050 --> 01:50:48,659

out sickle you know

2523

01:50:54,050 --> 01:50:51,060

nothing to make you sick

2524

01:50:55,850 --> 01:50:54,060

so

2525

01:50:58,070 --> 01:50:55,860

what can I say friends

2526
01:50:59,510 --> 01:50:58,080
um we have done our due diligence we

2527
01:51:02,570 --> 01:50:59,520
have begun

2528
01:51:06,229 --> 01:51:02,580
taking steps and investigating this case

2529
01:51:11,330 --> 01:51:08,930
to take step steps to investigate this

2530
01:51:13,970 --> 01:51:11,340
case and I hope that you will join me

2531
01:51:15,770 --> 01:51:13,980
this is going to be quite a journey

2532
01:51:17,750 --> 01:51:15,780
um I never investigated something so

2533
01:51:20,090 --> 01:51:17,760
serious and I feel a serious

2534
01:51:23,689 --> 01:51:20,100
responsibility to do

2535
01:51:26,149 --> 01:51:23,699
a good job doing it and I intend to do

2536
01:51:29,510 --> 01:51:26,159
my very best

2537
01:51:32,450 --> 01:51:29,520
so friends that's all we got for you for

2538
01:51:33,890 --> 01:51:32,460

tonight uh tomorrow we'll be back at 9

2539

01:51:35,510 --> 01:51:33,900

00 PM eastern time with a very special

2540

01:51:37,910 --> 01:51:35,520

interview for you

2541

01:51:40,550 --> 01:51:37,920

uh which I'm sure that you're going to

2542

01:51:41,810 --> 01:51:40,560

enjoy especially if your conspiracy

2543

01:51:43,850 --> 01:51:41,820

minded

2544

01:51:47,090 --> 01:51:43,860

so back to conspiracy land tomorrow

2545

01:51:49,010 --> 01:51:47,100

night we go 9 p.m eastern time I want to

2546

01:51:51,169 --> 01:51:49,020

thank all of you for joining us across

2547

01:51:54,169 --> 01:51:51,179

the various platforms on Facebook on

2548

01:51:57,350 --> 01:51:54,179

YouTube on Twitch on Twitter on rumble

2549

01:52:00,169 --> 01:51:57,360

on D live and on Odyssey as well as all

2550

01:52:02,689 --> 01:52:00,179

you audio podcast listeners thank you

2551

01:52:04,250 --> 01:52:02,699

for taking this journey with us

2552

01:52:06,169 --> 01:52:04,260

we want to thank our chat room

2553

01:52:08,689 --> 01:52:06,179

moderators we're going to thank spooky

2554

01:52:10,010 --> 01:52:08,699

for the excellent Graphics as usual and

2555

01:52:12,290 --> 01:52:10,020

thank all you kind and generous

2556

01:52:14,629 --> 01:52:12,300

benefactors super Chatters PayPal

2557

01:52:17,750 --> 01:52:14,639

donators uh

2558

01:52:19,669 --> 01:52:17,760

um channel members patreon supporters we

2559

01:52:21,709 --> 01:52:19,679

love and appreciate all of you and thank

2560

01:52:23,990 --> 01:52:21,719

you for your kindness generosity and

2561

01:52:25,850 --> 01:52:24,000

support so that's all I got for you

2562

01:52:29,390 --> 01:52:25,860

friends

2563

01:52:31,609 --> 01:52:29,400

uh actually now that I think about it

2564

01:52:34,689 --> 01:52:31,619

it doesn't make sense to end with our

2565

01:52:38,390 --> 01:52:34,699

usual outro so now

2566

01:52:43,609 --> 01:52:38,400

oh it's a live show friends you know uh

2567

01:52:45,530 --> 01:52:43,619

things go uh sometimes do not quite go

2568

01:52:47,270 --> 01:52:45,540

according to plan

2569

01:52:49,669 --> 01:52:47,280

uh

2570

01:52:51,350 --> 01:52:49,679

that's something that'll work so that's
