

the deposition of corey goode

session two

1  
00:00:13,019 --> 00:00:17,410  
foreign

2  
00:00:23,150 --> 00:00:19,849  
we are back on the record the time is

3  
00:00:25,609 --> 00:00:23,160  
1108 this is Media two

4  
00:00:27,050 --> 00:00:25,619  
and it's good you've had a chance to go

5  
00:00:28,609 --> 00:00:27,060  
out and talk to your attorneys or

6  
00:00:30,950 --> 00:00:28,619  
anything you wish to change about your

7  
00:00:33,069 --> 00:00:30,960  
testimony so far

8  
00:00:37,430 --> 00:00:33,079  
I think I uh

9  
00:00:40,369 --> 00:00:37,440  
on the videos we were talking about the

10  
00:00:43,250 --> 00:00:40,379  
year was 2020 and not 2019 I think it's

11  
00:00:44,750 --> 00:00:43,260  
what videos you're referring to

12  
00:00:47,150 --> 00:00:44,760  
I think we're talking about the ones

13  
00:00:48,889 --> 00:00:47,160

that your clients released okay so

14

00:00:51,170 --> 00:00:48,899

you're saying the time when my clients

15

00:00:53,330 --> 00:00:51,180

after you filed the lawsuit against my

16

00:00:54,970 --> 00:00:53,340

clients my clients released a video

17

00:00:57,770 --> 00:00:54,980

online

18

00:00:59,569 --> 00:00:57,780

that you believe caused you harm and you

19

00:01:01,670 --> 00:00:59,579

believe that was 2020 right before

20

00:01:02,990 --> 00:01:01,680

Christmas not 2019 is that correct I

21

00:01:04,850 --> 00:01:03,000

believe so

22

00:01:07,429 --> 00:01:04,860

okay anything else about your testimony

23

00:01:13,130 --> 00:01:07,439

that you wish to change or ADD

24

00:01:16,130 --> 00:01:14,030

because if you remember anything else

25

00:01:17,929 --> 00:01:16,140

you you understand you're free to add it

26

00:01:20,210 --> 00:01:17,939

in now that's fine right

27

00:01:22,850 --> 00:01:20,220

correct okay

28

00:01:26,390 --> 00:01:22,860

before we went off the off the

29

00:01:27,890 --> 00:01:26,400

record uh we talked about a few things I

30

00:01:29,450 --> 00:01:27,900

want to make sure that I don't miss

31

00:01:32,690 --> 00:01:29,460

something

32

00:01:34,850 --> 00:01:32,700

um earlier you mentioned instead of uh

33

00:01:37,310 --> 00:01:34,860

bitching and complaining to the

34

00:01:39,410 --> 00:01:37,320

community or having things get out you

35

00:01:41,870 --> 00:01:39,420

prefer to go to someone straight to

36

00:01:44,109 --> 00:01:41,880

where the problem is instead of making

37

00:01:46,910 --> 00:01:44,119

things public is that right yes

38

00:01:49,789 --> 00:01:46,920

and uh

39

00:01:52,010 --> 00:01:49,799

so instead of using social media you

40

00:01:55,609 --> 00:01:52,020

prefer to do that in private or any

41

00:01:57,230 --> 00:01:55,619

issue resolving right yes okay uh would

42

00:02:00,530 --> 00:01:57,240

it be true to say that you've never used

43

00:02:03,109 --> 00:02:00,540

social media to to talk about problems

44

00:02:05,030 --> 00:02:03,119

usually after they've escalated to a

45

00:02:07,609 --> 00:02:05,040

point to where the person has come out

46

00:02:09,650 --> 00:02:07,619

publicly or it came out publicly through

47

00:02:12,369 --> 00:02:09,660

their elders

48

00:02:15,050 --> 00:02:12,379

it's usually in response to

49

00:02:16,850 --> 00:02:15,060

white has occurred but I would say I

50

00:02:23,150 --> 00:02:16,860

probably have

51  
00:02:26,930 --> 00:02:23,160  
social media to people

52  
00:02:29,350 --> 00:02:26,940  
such as the Ricoh cases the people that

53  
00:02:31,369 --> 00:02:29,360  
were gang stalking and cyber stalking us

54  
00:02:33,309 --> 00:02:31,379  
some of the same people that your

55  
00:02:37,369 --> 00:02:33,319  
clients are in contact with

56  
00:02:38,930 --> 00:02:37,379  
are I would sometimes respond to them in

57  
00:02:42,710 --> 00:02:38,940  
the beginning that was

58  
00:02:45,710 --> 00:02:42,720  
up until uh just after the lawsuits I

59  
00:02:47,150 --> 00:02:45,720  
effect out of the social media

60  
00:02:50,809 --> 00:02:47,160  
you're not involved in social media

61  
00:02:52,550 --> 00:02:50,819  
anymore I am but I don't get involved in

62  
00:02:54,949 --> 00:02:52,560  
all of the back and forth in the

63  
00:02:56,710 --> 00:02:54,959

community anymore why not

64

00:03:05,869 --> 00:02:56,720

because

65

00:03:07,790 --> 00:03:05,879

the lack of Ethics in this community and

66

00:03:10,610 --> 00:03:07,800

and we're here

67

00:03:12,589 --> 00:03:10,620

directly because of it

68

00:03:14,630 --> 00:03:12,599

and you believe the social media was

69

00:03:16,130 --> 00:03:14,640

part of the problem

70

00:03:18,229 --> 00:03:16,140

well

71

00:03:20,149 --> 00:03:18,239

that was the medium used as cyber stock

72

00:03:23,089 --> 00:03:20,159

and uh

73

00:03:24,710 --> 00:03:23,099

uh gang stalk me yeah when you say gang

74

00:03:27,470 --> 00:03:24,720

stock and cyber stock I don't understand

75

00:03:29,690 --> 00:03:27,480

what you mean by those terms so let's

76

00:03:31,610 --> 00:03:29,700

start with cyberstalk when you say cyber

77

00:03:37,250 --> 00:03:31,620

stock what does that mean to you

78

00:03:40,490 --> 00:03:37,260

being harassed through electronic medium

79

00:03:40,500 --> 00:03:46,130

harassed online

80

00:03:50,570 --> 00:03:48,470

hacking people hacking you

81

00:03:53,570 --> 00:03:50,580

which has happened

82

00:04:01,070 --> 00:03:55,910

those sorts of things monitoring your

83

00:04:05,869 --> 00:04:03,289

okay anything else

84

00:04:08,809 --> 00:04:05,879

the top of my head now

85

00:04:09,530 --> 00:04:08,819

okay let's go through them in reverse

86

00:04:12,710 --> 00:04:09,540

order

87

00:04:15,670 --> 00:04:12,720

so you say cyber stalking as opposed to

88

00:04:17,930 --> 00:04:15,680

gang stalking cyberstalking consists of

89

00:04:20,870 --> 00:04:17,940

monitoring phone

90

00:04:23,570 --> 00:04:20,880

hacking and also harassing through

91

00:04:25,790 --> 00:04:23,580

electronic mediums such as email let's

92

00:04:28,189 --> 00:04:25,800

talk about monitoring your phone when

93

00:04:29,930 --> 00:04:28,199

was the last time you were aware or

94

00:04:38,030 --> 00:04:29,940

became aware that someone was monitoring

95

00:04:44,450 --> 00:04:41,330

is the name of the cyber security

96

00:04:50,090 --> 00:04:44,460

company that we hired

97

00:04:55,010 --> 00:04:53,450

and they warned me that my phone was

98

00:05:00,310 --> 00:04:55,020

being monitored

99

00:05:05,450 --> 00:05:03,050

I couldn't give you the date it's been a

100

00:05:08,770 --> 00:05:05,460

long time ago since we hired them

101  
00:05:13,430 --> 00:05:08,780  
it was a long just approximate 2010

102  
00:05:16,129 --> 00:05:13,440  
2005. it would have been after 2000

103  
00:05:21,170 --> 00:05:16,139  
18 I believe 18 or after

104  
00:05:26,390 --> 00:05:21,180  
so 2018 or 19. yeah

105  
00:05:31,129 --> 00:05:28,430  
yeah I'm trying to remember I think we

106  
00:05:34,550 --> 00:05:31,139  
hired them a little while prior to

107  
00:05:35,930 --> 00:05:34,560  
follow filing the lawsuits

108  
00:05:37,610 --> 00:05:35,940  
when you say a little while prior

109  
00:05:40,129 --> 00:05:37,620  
earlier that meant four or five months

110  
00:05:41,390 --> 00:05:40,139  
before I don't know

111  
00:05:43,490 --> 00:05:41,400  
it could have been four or five months

112  
00:05:45,890 --> 00:05:43,500  
it could have won okay

113  
00:05:48,290 --> 00:05:45,900

and what when you say we hired them

114

00:05:49,909 --> 00:05:48,300

who's the we is that the

115

00:05:53,689 --> 00:05:49,919

Stacy and me

116

00:05:56,270 --> 00:05:53,699

okay so you hire them individually we

117

00:05:59,990 --> 00:05:56,280

hired them through our company good

118

00:06:03,050 --> 00:06:00,000

Enterprise Solutions Inc okay so good

119

00:06:05,210 --> 00:06:03,060

Enterprise Solutions Inc retained the

120

00:06:10,070 --> 00:06:05,220

services of

121

00:06:16,730 --> 00:06:10,080

uh in approximate 2018 or 19. correct

122

00:06:19,010 --> 00:06:18,409

preparing

123

00:06:27,290 --> 00:06:19,020

um

124

00:06:32,510 --> 00:06:30,650

what caused you to need to what caused

125

00:06:35,689 --> 00:06:32,520

you to believe that you needed a cyber

126  
00:06:40,189 --> 00:06:35,699  
security company at that time in 2018 or

127  
00:06:41,930 --> 00:06:40,199  
19. Jay Widener who worked for Gaia was

128  
00:06:44,270 --> 00:06:41,940  
heading a

129  
00:06:47,510 --> 00:06:44,280  
cyber stalking group

130  
00:06:50,510 --> 00:06:47,520  
that was also trying to destroy my

131  
00:06:52,070 --> 00:06:50,520  
reputation so that they could steal my

132  
00:06:54,290 --> 00:06:52,080  
intellectual property

133  
00:06:57,050 --> 00:06:54,300  
and

134  
00:07:00,050 --> 00:06:57,060  
we got a shitload of proof that says

135  
00:07:01,850 --> 00:07:00,060  
they're a great uh organization we've

136  
00:07:05,390 --> 00:07:01,860  
got an amazing report

137  
00:07:08,870 --> 00:07:05,400  
from them just on Helm and they helped

138  
00:07:10,730 --> 00:07:08,880

us uncover what was going on and who was

139

00:07:13,430 --> 00:07:10,740

talking to who

140

00:07:14,390 --> 00:07:13,440

and helped us get enough information to

141

00:07:16,909 --> 00:07:14,400

be able

142

00:07:18,830 --> 00:07:16,919

to be brave enough to open a RICO case

143

00:07:20,270 --> 00:07:18,840

when everyone thinks it's stupid and

144

00:07:23,450 --> 00:07:20,280

gonna collapse

145

00:07:26,330 --> 00:07:23,460

we we did our due diligence

146

00:07:30,230 --> 00:07:26,340

and you do your due diligence for the

147

00:07:35,809 --> 00:07:30,240

Jay Widener matter with Gaia uh was to

148

00:07:38,570 --> 00:07:35,819

have red torch investigate uh what the

149

00:07:41,689 --> 00:07:38,580

Jay Widener had done

150

00:07:44,749 --> 00:07:41,699

to you said cyberstock you

151

00:07:49,010 --> 00:07:44,759

and what what was the evidence that you

152

00:07:52,550 --> 00:07:49,020

found that your phone had been monitored

153

00:07:54,290 --> 00:07:52,560

by Jay Widener that's red torch's

154

00:07:56,510 --> 00:07:54,300

information and it'll come out in that

155

00:08:01,790 --> 00:07:59,029

okay do you have any information that my

156

00:08:04,129 --> 00:08:01,800

clients have ever monitored your phone

157

00:08:05,990 --> 00:08:04,139

not monitored my phone but there was

158

00:08:09,350 --> 00:08:06,000

information about their behaviors yeah

159

00:08:11,990 --> 00:08:09,360

before I had filed the suit who uh like

160

00:08:13,969 --> 00:08:12,000

Roger Richards was really

161

00:08:15,589 --> 00:08:13,979

destroying my reputation all throughout

162

00:08:16,189 --> 00:08:15,599

the community

163

00:08:20,210 --> 00:08:16,199

um

164

00:08:22,430 --> 00:08:20,220

through his social media and they warned

165

00:08:24,969 --> 00:08:22,440

me about that but there was no warning

166

00:08:28,189 --> 00:08:24,979

that the phone monitoring was going on

167

00:08:30,170 --> 00:08:28,199

directly from your

168

00:08:34,190 --> 00:08:30,180

um clients

169

00:08:37,370 --> 00:08:34,200

there is no warning from sorry

170

00:08:39,170 --> 00:08:37,380

okay ever said to you that my clients

171

00:08:41,209 --> 00:08:39,180

have monitored your phones they didn't

172

00:08:42,949 --> 00:08:41,219

specifically tell me who was monitoring

173

00:08:45,889 --> 00:08:42,959

my phones but they said that my phones

174

00:08:49,090 --> 00:08:45,899

were being monitored and they knew the

175

00:08:51,889 --> 00:08:49,100

two cases that we were dealing with are

176

00:08:54,230 --> 00:08:51,899

so but they weren't specific in that

177

00:08:55,910 --> 00:08:54,240

when I met with them did you ask them to

178

00:08:57,590 --> 00:08:55,920

be specific about who's monitoring your

179

00:08:59,990 --> 00:08:57,600

phone they said it was going to be all

180

00:09:01,550 --> 00:09:00,000

in the report this was a high level

181

00:09:04,550 --> 00:09:01,560

um

182

00:09:06,590 --> 00:09:04,560

discussion have they given you a report

183

00:09:09,949 --> 00:09:06,600

we've only received the preliminary

184

00:09:12,949 --> 00:09:09,959

report uh I'm we're going to receive the

185

00:09:15,170 --> 00:09:12,959

larger report for the Gaia case at some

186

00:09:17,090 --> 00:09:15,180

point and then they will testify for us

187

00:09:19,310 --> 00:09:17,100

is there a preliminary report have any

188

00:09:20,750 --> 00:09:19,320

accusations about my clients monitoring

189

00:09:22,910 --> 00:09:20,760

your phone yeah

190

00:09:24,410 --> 00:09:22,920

okay the preliminary report wasn't about

191

00:09:25,810 --> 00:09:24,420

your clients

192

00:09:30,110 --> 00:09:25,820

okay

193

00:09:31,850 --> 00:09:30,120

do you have any concerns about

194

00:09:33,650 --> 00:09:31,860

and let me go back just to make sure I'm

195

00:09:35,050 --> 00:09:33,660

understanding when you say monitoring

196

00:09:37,970 --> 00:09:35,060

phone

197

00:09:40,490 --> 00:09:37,980

do you believe people are listening to

198

00:09:44,810 --> 00:09:40,500

your verbal phone conversations

199

00:09:47,870 --> 00:09:44,820

I do not know but I behave as if I'm

200

00:09:50,329 --> 00:09:47,880

being monitored in that fashion

201  
00:09:52,190 --> 00:09:50,339  
how long have you behaved as if your

202  
00:09:55,250 --> 00:09:52,200  
verbal phone conversations are always

203  
00:09:58,850 --> 00:09:55,260  
being monitored since uh they told me

204  
00:10:03,350 --> 00:09:58,860  
that I needed to be careful that my our

205  
00:10:08,630 --> 00:10:04,430  
okay

206  
00:10:10,310 --> 00:10:08,640  
so you don't talk you don't have any

207  
00:10:13,009 --> 00:10:10,320  
attorney-client conversations on the

208  
00:10:15,889 --> 00:10:13,019  
telephone since 2018 or 19.

209  
00:10:18,590 --> 00:10:15,899  
no I don't I don't talk on our uh we

210  
00:10:20,329 --> 00:10:18,600  
don't talk on our cell phone uh we don't

211  
00:10:22,009 --> 00:10:20,339  
do anything on the cell phone that we

212  
00:10:24,710 --> 00:10:22,019  
don't

213  
00:10:26,690 --> 00:10:24,720

expect might pop up somewhere where we

214

00:10:29,210 --> 00:10:26,700

have we have to be very careful but we

215

00:10:31,730 --> 00:10:29,220

do send texts and

216

00:10:33,769 --> 00:10:31,740

um expect that information to be

217

00:10:35,150 --> 00:10:33,779

privileged and if it pops up we'll know

218

00:10:38,150 --> 00:10:35,160

where it came from

219

00:10:42,130 --> 00:10:39,410

you mentioned another thing you

220

00:10:46,550 --> 00:10:42,140

mentioned that you were concerned about

221

00:10:48,110 --> 00:10:46,560

hacking what was hacked into uh but

222

00:10:49,490 --> 00:10:48,120

first before I asked that question what

223

00:10:52,009 --> 00:10:49,500

what do you when you say hacking what

224

00:10:54,670 --> 00:10:52,019

does that mean to you

225

00:11:04,069 --> 00:10:57,710

breaking attempting to break into

226

00:11:08,030 --> 00:11:06,470

okay what computer networks do you

227

00:11:12,590 --> 00:11:08,040

maintain

228

00:11:15,230 --> 00:11:12,600

or our websites and our local computer

229

00:11:17,630 --> 00:11:15,240

networks at home

230

00:11:20,210 --> 00:11:17,640

so you maintain a local computer network

231

00:11:21,650 --> 00:11:20,220

in a like is it a server that you

232

00:11:23,090 --> 00:11:21,660

maintain at home no it's just a little

233

00:11:24,530 --> 00:11:23,100

cluster

234

00:11:27,949 --> 00:11:24,540

like what you probably have at your

235

00:11:30,170 --> 00:11:27,959

house okay just a couple laptops yeah

236

00:11:35,090 --> 00:11:30,180

okay so you believe though that someone

237

00:11:36,350 --> 00:11:35,100

broke into your laptop at home or some

238

00:11:39,710 --> 00:11:36,360

of the

239

00:11:43,310 --> 00:11:39,720

um early reports that we got there was a

240

00:11:45,889 --> 00:11:43,320

person and he was working with me Roger

241

00:11:50,389 --> 00:11:45,899

Richards and I can't remember his name

242

00:11:52,690 --> 00:11:50,399

and Mike waskoski some he volunteered

243

00:11:56,090 --> 00:11:52,700

um he's a

244

00:11:58,310 --> 00:11:56,100

Electronics security professional and

245

00:12:01,490 --> 00:11:58,320

he's been monitoring everything for us

246

00:12:03,670 --> 00:12:01,500

and before the lawsuits he was

247

00:12:08,509 --> 00:12:03,680

constantly sending us uh

248

00:12:10,190 --> 00:12:08,519

reports of people trying to hack us and

249

00:12:12,850 --> 00:12:10,200

that was also during the same time that

250

00:12:17,210 --> 00:12:12,860

David Wilcox website my

251  
00:12:20,509 --> 00:12:17,220  
associate his website was hacked

252  
00:12:23,690 --> 00:12:20,519  
and all that's public

253  
00:12:25,190 --> 00:12:23,700  
there is a real big deal public deal we

254  
00:12:27,530 --> 00:12:25,200  
said he he's been monitoring your

255  
00:12:30,170 --> 00:12:27,540  
website who's the he I can't remember

256  
00:12:32,030 --> 00:12:30,180  
his name he's the electronics uh

257  
00:12:34,009 --> 00:12:32,040  
security guy that

258  
00:12:36,170 --> 00:12:34,019  
I alluded to I can't remember his name

259  
00:12:39,949 --> 00:12:36,180  
we haven't

260  
00:12:41,750 --> 00:12:39,959  
no he was someone that I think Roger uh

261  
00:12:44,449 --> 00:12:41,760  
engaged with because he was one of the

262  
00:12:45,410 --> 00:12:44,459  
many people that contacted us to

263  
00:12:46,970 --> 00:12:45,420

um

264

00:12:49,370 --> 00:12:46,980

volunteer

265

00:12:51,590 --> 00:12:49,380

was law enforcement ever monitoring your

266

00:12:52,370 --> 00:12:51,600

phone to the extent you know not that I

267

00:12:54,889 --> 00:12:52,380

know of

268

00:12:57,170 --> 00:12:54,899

yeah and you had issues with the IRS a

269

00:12:58,610 --> 00:12:57,180

few years ago right

270

00:13:01,730 --> 00:12:58,620

would you ever have an audit with the

271

00:13:03,769 --> 00:13:01,740

IRS no okay no concerns with the IRS

272

00:13:04,810 --> 00:13:03,779

well I do now

273

00:13:07,310 --> 00:13:04,820

um

274

00:13:10,490 --> 00:13:07,320

with everything that happened with the

275

00:13:13,150 --> 00:13:10,500

SBA entertainment you know

276

00:13:18,230 --> 00:13:13,160

Leon created a mirror company to mine

277

00:13:22,250 --> 00:13:20,569

they had me signed the paperwork to

278

00:13:23,690 --> 00:13:22,260

where it looked like the money was

279

00:13:26,269 --> 00:13:23,700

coming into my company when it was

280

00:13:29,030 --> 00:13:26,279

actually going on to Leons

281

00:13:31,670 --> 00:13:29,040

I signed All I signed the contracts and

282

00:13:33,590 --> 00:13:31,680

I signed the tax documents and both of

283

00:13:35,030 --> 00:13:33,600

them tell the government and the IRS

284

00:13:37,550 --> 00:13:35,040

that I received all of that money

285

00:13:39,590 --> 00:13:37,560

instead of Leon Kennedy

286

00:13:41,990 --> 00:13:39,600

will you say you were you were had to

287

00:13:44,449 --> 00:13:42,000

sign that so you you believe you signed

288

00:13:46,730 --> 00:13:44,459

that uh forcefully like Leon made you

289

00:13:48,290 --> 00:13:46,740

sign them I feel yeah I feel like it was

290

00:13:49,850 --> 00:13:48,300

some sort of conspiracy

291

00:13:52,370 --> 00:13:49,860

did you read the documents before

292

00:13:53,389 --> 00:13:52,380

assigning them well yeah did you agree

293

00:13:57,050 --> 00:13:53,399

to him

294

00:13:59,150 --> 00:13:57,060

well yeah it was a tax document so you

295

00:14:01,129 --> 00:13:59,160

didn't when you and this document that

296

00:14:02,990 --> 00:14:01,139

you say you signed uh what was it

297

00:14:06,530 --> 00:14:03,000

specifically it's

298

00:14:08,930 --> 00:14:06,540

one of those WF whatever's that you W4 I

299

00:14:10,430 --> 00:14:08,940

don't know it's uh identifying who the

300

00:14:13,910 --> 00:14:10,440

taxpayer is

301  
00:14:16,490 --> 00:14:13,920  
said okay we have the bank account to

302  
00:14:19,310 --> 00:14:16,500  
send it to not my bank account

303  
00:14:21,530 --> 00:14:19,320  
we need to tell the government that you

304  
00:14:24,170 --> 00:14:21,540  
know we're sending the money okay

305  
00:14:28,250 --> 00:14:24,180  
somewhere all they all they said was hey

306  
00:14:29,509 --> 00:14:28,260  
Corey Leon said you need to sign this uh

307  
00:14:32,329 --> 00:14:29,519  
tax agreement

308  
00:14:34,990 --> 00:14:32,339  
and I said okay Leon's the Mr

309  
00:14:37,790 --> 00:14:35,000  
know-it-all whatever guy from Hollywood

310  
00:14:40,790 --> 00:14:37,800  
all right I was told I need to follow

311  
00:14:42,290 --> 00:14:40,800  
his if I want to be rich and famous and

312  
00:14:43,670 --> 00:14:42,300  
all this other stuff I got to follow his

313  
00:14:47,449 --> 00:14:43,680

every step

314

00:14:50,870 --> 00:14:47,459

so yeah I signed it sent it back to

315

00:14:53,210 --> 00:14:50,880

and it wasn't until later on that I

316

00:14:55,009 --> 00:14:53,220

realized that it was completely

317

00:14:56,990 --> 00:14:55,019

different company names

318

00:14:59,629 --> 00:14:57,000

Leon knew what was going on his company

319

00:15:00,410 --> 00:14:59,639

was he gave them the

320

00:15:02,210 --> 00:15:00,420

um

321

00:15:05,629 --> 00:15:02,220

bank account information to send it to

322

00:15:07,730 --> 00:15:05,639

and had them have me do the taxes

323

00:15:11,030 --> 00:15:07,740

which makes his if you do things right

324

00:15:12,889 --> 00:15:11,040

you don't pay taxes a lot easier I guess

325

00:15:14,569 --> 00:15:12,899

but as far as the government was

326

00:15:15,290 --> 00:15:14,579

concerned I was receiving all of this

327

00:15:19,310 --> 00:15:15,300

money

328

00:15:22,310 --> 00:15:19,320

uh as far as was concerned it was going

329

00:15:24,769 --> 00:15:22,320

uh the money was going to to my company

330

00:15:26,930 --> 00:15:24,779

they didn't know that that bank account

331

00:15:28,790 --> 00:15:26,940

was from a different company altogether

332

00:15:29,930 --> 00:15:28,800

because it was the same company name and

333

00:15:33,530 --> 00:15:29,940

where was

334

00:15:35,750 --> 00:15:33,540

sending uh the monies where did they

335

00:15:38,090 --> 00:15:35,760

yeah what what company was it uh the

336

00:15:39,290 --> 00:15:38,100

bank account has to be a entertainment

337

00:15:41,449 --> 00:15:39,300

or media account there's so many

338

00:15:44,509 --> 00:15:41,459

companies that have been created

339

00:15:45,470 --> 00:15:44,519

um the one that Leon created as a mirror

340

00:15:48,050 --> 00:15:45,480

to mine

341

00:15:50,329 --> 00:15:48,060

and when you say as a mirror when you

342

00:15:52,129 --> 00:15:50,339

sign that document did you notice that

343

00:15:54,110 --> 00:15:52,139

the SBA entertainment had a different

344

00:15:54,949 --> 00:15:54,120

name it's spelled exactly the same as

345

00:15:59,870 --> 00:15:54,959

mine

346

00:16:01,670 --> 00:15:59,880

exactly I was supposed to be added to

347

00:16:04,850 --> 00:16:01,680

and it's in the emails I was supposed to

348

00:16:06,710 --> 00:16:04,860

be added to that bank account

349

00:16:08,150 --> 00:16:06,720

oh so you knew that is it where this

350

00:16:10,129 --> 00:16:08,160

where the money was going to that energy

351

00:16:12,110 --> 00:16:10,139

yes it's going to Leon's bank account

352

00:16:14,509 --> 00:16:12,120

that I was supposed to be added to at

353

00:16:17,509 --> 00:16:14,519

some point okay so you knew of this

354

00:16:20,170 --> 00:16:17,519

entity that Leon had formed yes okay yes

355

00:16:23,449 --> 00:16:20,180

and he told me that's the way it's done

356

00:16:26,509 --> 00:16:23,459

so he created it to mirror my company

357

00:16:27,889 --> 00:16:26,519

name remember this I'm I'm the rube that

358

00:16:28,970 --> 00:16:27,899

needs his help because I can't do this

359

00:16:32,090 --> 00:16:28,980

on my own

360

00:16:32,870 --> 00:16:32,100

and so he sets up his Mirror Company to

361

00:16:35,329 --> 00:16:32,880

mine

362

00:16:38,509 --> 00:16:35,339

then he has the money go to his company

363

00:16:40,009 --> 00:16:38,519

and he has the taxes forms and all of

364

00:16:42,230 --> 00:16:40,019

the liability stuff signed under my

365

00:16:44,509 --> 00:16:42,240

company okay so before that tax document

366

00:16:45,949 --> 00:16:44,519

came to you you know of the mere you

367

00:16:47,689 --> 00:16:45,959

knew of the two Mirror companies and you

368

00:16:49,910 --> 00:16:47,699

were just trusting Leon to exactly

369

00:16:52,790 --> 00:16:49,920

direct things through and you knew the

370

00:16:56,449 --> 00:16:52,800

work was being done by one SBA

371

00:16:58,550 --> 00:16:56,459

entity and at the same name had a a

372

00:17:00,530 --> 00:16:58,560

different tax identification number

373

00:17:03,650 --> 00:17:00,540

where the money was going I knew that he

374

00:17:06,189 --> 00:17:03,660

had created a mirror company to mine I

375

00:17:08,630 --> 00:17:06,199

knew he we had discussed it the company

376

00:17:11,590 --> 00:17:08,640

was based on my intellectual property

377

00:17:15,590 --> 00:17:11,600

SBA which is my trademark

378

00:17:19,669 --> 00:17:15,600

he put that in his business name

379

00:17:22,789 --> 00:17:19,679

um and mirrored it exactly didn't know

380

00:17:24,049 --> 00:17:22,799

what was going on going on because the

381

00:17:26,809 --> 00:17:24,059

uh

382

00:17:28,429 --> 00:17:26,819

names are exactly the same they told me

383

00:17:30,950 --> 00:17:28,439

they would never have allowed that type

384

00:17:34,730 --> 00:17:30,960

of situation if they had known did you

385

00:17:36,470 --> 00:17:34,740

tell Leon uh that you wanted the money

386

00:17:38,510 --> 00:17:36,480

to be at the same company that was

387

00:17:39,909 --> 00:17:38,520

paying the taxes I didn't realize until

388

00:17:43,970 --> 00:17:39,919

later on

389

00:17:46,970 --> 00:17:43,980

that the tax liability was on me I

390

00:17:49,250 --> 00:17:46,980

didn't realize the liability of the

391

00:17:51,830 --> 00:17:49,260

situation at the time and when was that

392

00:17:53,630 --> 00:17:51,840

time when you signed all this during the

393

00:17:57,350 --> 00:17:53,640

time when we were signing the agreements

394

00:18:01,070 --> 00:17:57,360

for the documentary with

395

00:18:06,610 --> 00:18:03,909

I believe this was for the first one in

396

00:18:09,650 --> 00:18:06,620

2017. i i

397

00:18:11,930 --> 00:18:09,660

guessing is really difficult on these

398

00:18:14,270 --> 00:18:11,940

things it all Blends together and you

399

00:18:16,130 --> 00:18:14,280

understand guessing is means you're

400

00:18:18,529 --> 00:18:16,140

saying something that you knew nothing

401

00:18:20,690 --> 00:18:18,539

about like you telling me how many

402

00:18:22,430 --> 00:18:20,700

vacations I went on last year you have

403

00:18:24,950 --> 00:18:22,440

no idea that's your definition of

404

00:18:27,470 --> 00:18:24,960

guessing that's guessing estimating is

405

00:18:30,169 --> 00:18:27,480

you have some reason to know that's an

406

00:18:32,390 --> 00:18:30,179

estimate and so all today is about is

407

00:18:34,610 --> 00:18:32,400

estimates I do want your best estimate

408

00:18:36,110 --> 00:18:34,620

okay if I can't give a best estimate

409

00:18:39,409 --> 00:18:36,120

then what do I tell you you just say it

410

00:18:41,510 --> 00:18:39,419

was about I don't know no you'd say if

411

00:18:43,610 --> 00:18:41,520

you ever had a reason to know for

412

00:18:46,310 --> 00:18:43,620

example uh you know you're saying

413

00:18:48,470 --> 00:18:46,320

probably around 2017. like I said at the

414

00:18:51,409 --> 00:18:48,480

beginning of today you give me a range

415

00:18:54,830 --> 00:18:51,419

and say you know Mr Webb I know is

416

00:18:58,010 --> 00:18:54,840

more recent than 2016 but not so reason

417

00:18:59,750 --> 00:18:58,020

is like 2019 it's older than that so you

418

00:19:01,669 --> 00:18:59,760

give me an estimate based on what you

419

00:19:05,570 --> 00:19:01,679

remember is that fair

420

00:19:07,610 --> 00:19:05,580

it is okay so when you sign these uh tax

421

00:19:10,070 --> 00:19:07,620

documents to have the money go into one

422

00:19:11,930 --> 00:19:10,080

account uh even though the work was

423

00:19:22,010 --> 00:19:11,940

being done by the other Mirror Company

424

00:19:27,950 --> 00:19:24,529

I'm

425

00:19:33,169 --> 00:19:30,529

it was 2017 or 2018. I can't recall

426  
00:19:38,090 --> 00:19:33,179  
that's bad

427  
00:19:41,289 --> 00:19:40,070  
when you said I was responsible for the

428  
00:19:47,029 --> 00:19:41,299  
taxes

429  
00:19:48,890 --> 00:19:47,039  
for that income right

430  
00:19:50,450 --> 00:19:48,900  
what do you mean you said I was

431  
00:19:54,049 --> 00:19:50,460  
responsible for the taxes were you

432  
00:19:56,810 --> 00:19:54,059  
personally being W forward for your W-2

433  
00:19:58,310 --> 00:19:56,820  
for the monies that was coming from from

434  
00:20:01,010 --> 00:19:58,320  
uh

435  
00:20:02,630 --> 00:20:01,020  
I don't know were the monies they

436  
00:20:04,250 --> 00:20:02,640  
believe they were paying an entity not

437  
00:20:07,370 --> 00:20:04,260  
you individually right

438  
00:20:10,310 --> 00:20:07,380

and so that entity was was uh submitting

439

00:20:12,830 --> 00:20:10,320

taxes for those monies correct I believe

440

00:20:15,289 --> 00:20:12,840

so my accountants would have to answer

441

00:20:17,150 --> 00:20:15,299

some of this stuff or when we're

442

00:20:19,010 --> 00:20:17,160

deposing the business we would have to

443

00:20:21,169 --> 00:20:19,020

get have time to focus on that and

444

00:20:24,230 --> 00:20:21,179

refresh our memory more okay were you

445

00:20:26,930 --> 00:20:24,240

the sole member or the sole owner of

446

00:20:28,850 --> 00:20:26,940

that business that was from supposedly

447

00:20:30,890 --> 00:20:28,860

receiving All the Monies

448

00:20:34,070 --> 00:20:30,900

or did other people own that business

449

00:20:36,049 --> 00:20:34,080

with you I can't recall so many were

450

00:20:37,909 --> 00:20:36,059

created and

451

00:20:40,430 --> 00:20:37,919

um

452

00:20:42,650 --> 00:20:40,440

that on that one

453

00:20:46,789 --> 00:20:42,660

Stacy might have been on some of them I

454

00:20:49,970 --> 00:20:46,799

know Roger created all sorts of

455

00:20:52,370 --> 00:20:49,980

entities and then dissolve them and all

456

00:20:54,350 --> 00:20:52,380

sorts of things I they've kind of all

457

00:20:56,210 --> 00:20:54,360

Blended together so as you sit here

458

00:20:58,010 --> 00:20:56,220

today maybe if we put a blank in the

459

00:21:00,049 --> 00:20:58,020

transcript with a line in it you could

460

00:21:01,970 --> 00:21:00,059

write in which entity it was that was

461

00:21:04,010 --> 00:21:01,980

getting hit with all these taxes is that

462

00:21:06,890 --> 00:21:04,020

fair

463

00:21:09,169 --> 00:21:06,900

I I believe we could locate that

464

00:21:11,029 --> 00:21:09,179

information okay thank you

465

00:21:13,310 --> 00:21:11,039

um

466

00:21:16,970 --> 00:21:13,320

so we've talked about monitoring your

467

00:21:19,190 --> 00:21:16,980

phone we've talked about hacking a

468

00:21:21,710 --> 00:21:19,200

little bit but I want to know more about

469

00:21:25,010 --> 00:21:21,720

the hacking do you believe my clients

470

00:21:27,710 --> 00:21:25,020

have ever hacked first of all one of

471

00:21:29,390 --> 00:21:27,720

your laptops no the hacking that was

472

00:21:32,570 --> 00:21:29,400

being reported occurred before my

473

00:21:34,490 --> 00:21:32,580

problem legal problems with your clients

474

00:21:36,350 --> 00:21:34,500

okay that has more to do with the

475

00:21:39,169 --> 00:21:36,360

racketeering case

476

00:21:40,990 --> 00:21:39,179

okay that's the guy up case

477

00:21:44,330 --> 00:21:41,000

said yes yes

478

00:21:45,710 --> 00:21:44,340

and the hacking uh what about hacking

479

00:21:47,270 --> 00:21:45,720

into your website you mentioned that

480

00:21:48,070 --> 00:21:47,280

your was your website hacked at one

481

00:21:50,570 --> 00:21:48,080

point

482

00:21:52,430 --> 00:21:50,580

attempts were made my website was taken

483

00:21:55,490 --> 00:21:52,440

down with DOs attacks all of that sort

484

00:21:57,610 --> 00:21:55,500

of thing yes uh David Wilcox who's the

485

00:22:01,190 --> 00:21:57,620

person I work with his was actually

486

00:22:02,690 --> 00:22:01,200

hacked and things changed and done as

487

00:22:04,930 --> 00:22:02,700

well

488

00:22:07,430 --> 00:22:04,940

does he maintain

489

00:22:09,590 --> 00:22:07,440

his website through WordPress or

490

00:22:11,570 --> 00:22:09,600

something else I don't know do you

491

00:22:13,430 --> 00:22:11,580

maintain your own website no

492

00:22:19,070 --> 00:22:13,440

who maintains your website for you other

493

00:22:26,330 --> 00:22:22,190

anyone else other than Mike wazkowski

494

00:22:30,169 --> 00:22:28,130

and Mike reported to you at one point

495

00:22:33,890 --> 00:22:30,179

that that your website had gotten hacked

496

00:22:35,750 --> 00:22:33,900

correct no he was I believe he started

497

00:22:39,350 --> 00:22:35,760

helping David with his website after

498

00:22:41,590 --> 00:22:39,360

David's was hacked he did not inform me

499

00:22:44,810 --> 00:22:41,600

I was hacked it was the

500

00:22:47,270 --> 00:22:44,820

security professional guy that

501  
00:22:49,610 --> 00:22:47,280  
volunteered for us that was telling us

502  
00:22:52,549 --> 00:22:49,620  
that we were being Brute Force attacked

503  
00:22:55,730 --> 00:22:52,559  
and people were attempting to hack us

504  
00:22:57,169 --> 00:22:55,740  
okay but like I said that predated my

505  
00:23:01,010 --> 00:22:57,179  
case with

506  
00:23:03,350 --> 00:23:01,020  
your clients okay and then you mentioned

507  
00:23:05,450 --> 00:23:03,360  
also another definition of under cyber

508  
00:23:07,970 --> 00:23:05,460  
stock uh being harassed through

509  
00:23:09,590 --> 00:23:07,980  
electronic mediums do you believe that

510  
00:23:11,630 --> 00:23:09,600  
any of my three clients have ever

511  
00:23:14,510 --> 00:23:11,640  
harassed you through electronic mediums

512  
00:23:22,370 --> 00:23:14,520  
yes okay what is your definition of

513  
00:23:26,330 --> 00:23:25,549

it's such a simple word

514

00:23:28,250 --> 00:23:26,340

um

515

00:23:29,990 --> 00:23:28,260

what does it mean to you causing

516

00:23:36,049 --> 00:23:30,000

psychological

517

00:23:38,510 --> 00:23:37,190

pain

518

00:23:41,390 --> 00:23:38,520

in people

519

00:23:42,649 --> 00:23:41,400

affecting them negatively from afar if

520

00:23:49,850 --> 00:23:42,659

you can't go and slap them in the face

521

00:23:55,970 --> 00:23:52,789

okay and so you believe that the emails

522

00:24:02,350 --> 00:23:55,980

from my client were intentionally trying

523

00:24:07,549 --> 00:24:05,990

you said social media okay let me first

524

00:24:09,289 --> 00:24:07,559

stick with emails and then we'll get to

525

00:24:11,450 --> 00:24:09,299

social media do you believe there's ever

526  
00:24:13,070 --> 00:24:11,460  
been an email from one of my clients

527  
00:24:15,110 --> 00:24:13,080  
where they sent it to you with the

528  
00:24:19,070 --> 00:24:15,120  
intention of causing psychological

529  
00:24:20,750 --> 00:24:19,080  
intimidation and pain yes okay uh how

530  
00:24:24,649 --> 00:24:20,760  
many emails do you believe were sent

531  
00:24:27,289 --> 00:24:24,659  
with that intention uh dozens but two

532  
00:24:29,029 --> 00:24:27,299  
were sent with the absolute malice and

533  
00:24:33,409 --> 00:24:29,039  
intent to cause

534  
00:24:35,630 --> 00:24:33,419  
it obviously okay when you say two

535  
00:24:37,870 --> 00:24:35,640  
percent with the intention of causing

536  
00:24:40,190 --> 00:24:37,880  
pain obviously

537  
00:24:42,669 --> 00:24:40,200  
what two are those it sounds like you

538  
00:24:48,049 --> 00:24:42,679

remember them yes never forget them

539

00:24:50,630 --> 00:24:48,059

Roger Richards uh sent uh

540

00:24:53,390 --> 00:24:50,640

resignation letter

541

00:24:55,190 --> 00:24:53,400

yeah in in it giving up all rights to

542

00:24:57,310 --> 00:24:55,200

everything he's ever worked on with me

543

00:24:59,930 --> 00:24:57,320

by the way

544

00:25:02,029 --> 00:24:59,940

accusing me of all sorts of things being

545

00:25:03,649 --> 00:25:02,039

a terrible father accusing me of being a

546

00:25:06,110 --> 00:25:03,659

drunk and all this other stuff the same

547

00:25:08,029 --> 00:25:06,120

things he accused his old partner of

548

00:25:12,470 --> 00:25:08,039

being with when he came

549

00:25:16,190 --> 00:25:14,690

okay if someone accused me of being

550

00:25:18,230 --> 00:25:16,200

drunk I'd kind of laugh because I'm not

551

00:25:20,210 --> 00:25:18,240

I don't drink much well you're not a

552

00:25:23,450 --> 00:25:20,220

figure in the spiritual Community I

553

00:25:25,010 --> 00:25:23,460

understand so but did it did the

554

00:25:28,669 --> 00:25:25,020

accusation of a drunk did it have any

555

00:25:33,590 --> 00:25:28,679

traction with you no okay no it was the

556

00:25:35,649 --> 00:25:33,600

intent uh you when that we go over the

557

00:25:38,450 --> 00:25:35,659

letter at some point

558

00:25:42,710 --> 00:25:38,460

it'll be very obvious the intent was to

559

00:25:44,690 --> 00:25:42,720

cause extreme upset and harm the 18-page

560

00:25:46,250 --> 00:25:44,700

extortion letter on the other hand well

561

00:25:48,470 --> 00:25:46,260

let's stick with the first letter did

562

00:25:51,350 --> 00:25:48,480

that first one where he said hey I want

563

00:25:53,149 --> 00:25:51,360

to resign give up all my rights you're a

564

00:25:55,130 --> 00:25:53,159

terrible father you're just a bunch of

565

00:25:56,990 --> 00:25:55,140

insults a bunch of insults did that

566

00:25:59,630 --> 00:25:57,000

cause you harm

567

00:26:01,130 --> 00:25:59,640

said yes yes it caused my whole family a

568

00:26:03,310 --> 00:26:01,140

lot of harm

569

00:26:06,850 --> 00:26:03,320

um did he had been a problem for a while

570

00:26:11,330 --> 00:26:06,860

he was resigning in this crazy fashion

571

00:26:14,510 --> 00:26:11,340

and immediately I I went to Leon and uh

572

00:26:17,450 --> 00:26:14,520

Leon didn't want him to quit and and

573

00:26:20,450 --> 00:26:17,460

pretty much forced Roger back into the

574

00:26:23,390 --> 00:26:20,460

situation and all of that Rogers

575

00:26:25,750 --> 00:26:23,400

resignation letter was pretty much the

576

00:26:29,930 --> 00:26:25,760

beginning of the end of all of this

577

00:26:31,250 --> 00:26:29,940

and Leon you know Roger's a Workhorse

578

00:26:33,230 --> 00:26:31,260

you got to take advantage of that you

579

00:26:35,029 --> 00:26:33,240

know you gotta you gotta you don't find

580

00:26:37,490 --> 00:26:35,039

workhorses like this

581

00:26:40,190 --> 00:26:37,500

and

582

00:26:43,310 --> 00:26:40,200

found ways to bring Roger back in you

583

00:26:45,529 --> 00:26:43,320

will see in emails there's uh agreements

584

00:26:47,690 --> 00:26:45,539

that Roger wouldn't do anything

585

00:26:50,450 --> 00:26:47,700

basically until he finished the graphic

586

00:26:54,710 --> 00:26:50,460

novel which he promised to do because

587

00:26:58,789 --> 00:26:54,720

the money went to do his uh or his I he

588

00:27:02,570 --> 00:26:58,799

wanted this to go to the to do this idea

589

00:27:06,470 --> 00:27:02,580

he had to do a documentary and then

590

00:27:10,190 --> 00:27:06,480

approached us and they we decided to

591

00:27:11,690 --> 00:27:10,200

base a documentary off of my IP and at

592

00:27:13,090 --> 00:27:11,700

that point I said okay if we're going to

593

00:27:15,950 --> 00:27:13,100

base it off of my AP

594

00:27:17,330 --> 00:27:15,960

I'll let you use this money but it has

595

00:27:20,110 --> 00:27:17,340

to be paid back and we have to finish

596

00:27:23,450 --> 00:27:20,120

the graphic novel he agreed

597

00:27:25,970 --> 00:27:23,460

and then after the resignation letter

598

00:27:28,789 --> 00:27:25,980

I told Leon when Leon was shoving down

599

00:27:31,130 --> 00:27:28,799

my throat that he had to finish the

600

00:27:34,190 --> 00:27:31,140

graphic novel first

601  
00:27:36,289 --> 00:27:34,200  
that Richards needed to finish it yeah

602  
00:27:37,850 --> 00:27:36,299  
uh that Richards needed to you know

603  
00:27:39,649 --> 00:27:37,860  
finish that graphic novel and get it out

604  
00:27:41,210 --> 00:27:39,659  
to the customers

605  
00:27:43,310 --> 00:27:41,220  
um

606  
00:27:46,190 --> 00:27:43,320  
he responded by calling me and begging

607  
00:27:49,190 --> 00:27:46,200  
me to give up doing the graphic novel

608  
00:27:51,890 --> 00:27:49,200  
who's he sorry Roger who called me and

609  
00:27:53,690 --> 00:27:51,900  
said I've always wanted to do movies I

610  
00:27:55,990 --> 00:27:53,700  
just want to do movies I don't want to

611  
00:27:59,210 --> 00:27:56,000  
do this graphic novel please give it up

612  
00:28:00,890 --> 00:27:59,220  
the customers will or the public will

613  
00:28:02,870 --> 00:28:00,900

forgive you okay I want to go back to

614

00:28:04,010 --> 00:28:02,880

something you said earlier at the

615

00:28:05,690 --> 00:28:04,020

beginning of the statement because I'm

616

00:28:07,669 --> 00:28:05,700

concerned I I'd like to know more about

617

00:28:10,370 --> 00:28:07,679

the harassment and the intentional cause

618

00:28:11,690 --> 00:28:10,380

of like a psychological intimidation and

619

00:28:13,909 --> 00:28:11,700

pain

620

00:28:15,649 --> 00:28:13,919

um uh and you mentioned that two

621

00:28:17,330 --> 00:28:15,659

specifically you remember two emails

622

00:28:20,630 --> 00:28:17,340

were sent with malice and the first one

623

00:28:22,490 --> 00:28:20,640

is this Roger Richards resignation

624

00:28:24,350 --> 00:28:22,500

giving up his rights calling you a drunk

625

00:28:26,269 --> 00:28:24,360

saying you're a terrible father

626

00:28:28,970 --> 00:28:26,279

and you said your entire family was hurt

627

00:28:31,490 --> 00:28:28,980

by this did he give a copy of that

628

00:28:33,409 --> 00:28:31,500

letter to your your children to my wife

629

00:28:37,490 --> 00:28:33,419

okay but you said your entire family

630

00:28:39,649 --> 00:28:37,500

yeah my well my there if there's going

631

00:28:42,890 --> 00:28:39,659

to be turmoil in the house it's going to

632

00:28:44,630 --> 00:28:42,900

affect the children especially after my

633

00:28:45,590 --> 00:28:44,640

daughter had become acquainted with his

634

00:28:49,010 --> 00:28:45,600

daughter

635

00:28:50,750 --> 00:28:49,020

it every all these people got to know

636

00:28:53,330 --> 00:28:50,760

each other very very well they were

637

00:28:55,669 --> 00:28:53,340

staying in my house my family my kids

638

00:28:57,710 --> 00:28:55,679

they got to know these people you know

639

00:29:00,710 --> 00:28:57,720

very closely at the time this letter

640

00:29:03,890 --> 00:29:00,720

saying hey I'm resigning uh was sent

641

00:29:05,269 --> 00:29:03,900

were was Roger Richards and any of his

642

00:29:08,570 --> 00:29:05,279

family staying with you at the time

643

00:29:11,690 --> 00:29:08,580

Roger Richards are his family I'm sorry

644

00:29:13,250 --> 00:29:11,700

yeah Roger Richards when this email was

645

00:29:15,230 --> 00:29:13,260

sent saying hey I resign you're a

646

00:29:18,470 --> 00:29:15,240

terrible father you're a drunk when he

647

00:29:21,649 --> 00:29:18,480

sent this email was he staying with you

648

00:29:23,510 --> 00:29:21,659

no okay

649

00:29:27,950 --> 00:29:23,520

did he ever stay with you after that

650

00:29:32,930 --> 00:29:30,110

it seems like maybe once or twice I

651

00:29:35,750 --> 00:29:32,940

can't remember so so the relationship

652

00:29:37,190 --> 00:29:35,760

was was reconciled enough that he stayed

653

00:29:38,990 --> 00:29:37,200

with you one more time

654

00:29:41,330 --> 00:29:39,000

yeah it's pretty much he was shoved down

655

00:29:43,610 --> 00:29:41,340

my throat all the time and I had really

656

00:29:47,090 --> 00:29:43,620

no say even though I was supposed to be

657

00:29:49,490 --> 00:29:47,100

the boss Leon kept bringing him back in

658

00:29:51,710 --> 00:29:49,500

bringing him back in Leon would agree I

659

00:29:53,990 --> 00:29:51,720

would say Leon if you're going to force

660

00:29:56,690 --> 00:29:54,000

Roger into the situation he needs to he

661

00:29:58,190 --> 00:29:56,700

Roger always started projects and then

662

00:29:59,510 --> 00:29:58,200

he got passionate about something else

663

00:30:01,070 --> 00:29:59,520

and something else and he left all this

664

00:30:03,769 --> 00:30:01,080

stuff undone that's what a lot of these

665

00:30:06,169 --> 00:30:03,779

businesses he created are about

666

00:30:07,789 --> 00:30:06,179

so did you tell Leon no I'm not going to

667

00:30:09,169 --> 00:30:07,799

work with this guy anymore totally on I

668

00:30:11,330 --> 00:30:09,179

did not want to work with him anymore

669

00:30:12,470 --> 00:30:11,340

and he kept on pressing it and pressing

670

00:30:14,870 --> 00:30:12,480

it

671

00:30:18,289 --> 00:30:14,880

um I and agree and saying well what if

672

00:30:20,210 --> 00:30:18,299

he agrees to do this agrees to do the

673

00:30:22,850 --> 00:30:20,220

graphic novel first like you want

674

00:30:24,409 --> 00:30:22,860

and I'm like okay I send a long email

675

00:30:26,690 --> 00:30:24,419

saying if he does one two three four

676

00:30:28,909 --> 00:30:26,700

five six seven he can slowly start

677

00:30:31,130 --> 00:30:28,919

working back in as he gets my trust back

678

00:30:32,510 --> 00:30:31,140

okay so you sent an email saying as as

679

00:30:34,730 --> 00:30:32,520

long as he starts complying with these

680

00:30:36,769 --> 00:30:34,740

seven things he can start from the money

681

00:30:39,590 --> 00:30:36,779

what number I don't know if the seven

682

00:30:40,789 --> 00:30:39,600

right seven are proximately so you send

683

00:30:44,029 --> 00:30:40,799

an email saying he can come back into

684

00:30:47,029 --> 00:30:44,039

the fold if he does the seven or eight

685

00:30:50,149 --> 00:30:47,039

or six things right yes I said he he he

686

00:30:53,090 --> 00:30:50,159

could slowly earn my trust back in if

687

00:30:58,789 --> 00:30:53,100

Leon was going to insist which he did

688

00:31:01,430 --> 00:30:58,799

okay and basically you know said uh

689

00:31:04,070 --> 00:31:01,440

I can't do this without Roger I need

690

00:31:06,230 --> 00:31:04,080

Roger and they were they were like

691

00:31:07,850 --> 00:31:06,240

freaking Frack wasn't there an incident

692

00:31:09,649 --> 00:31:07,860

though the conscious life Expo where

693

00:31:12,590 --> 00:31:09,659

you're pretty inebriated and you're in a

694

00:31:17,330 --> 00:31:12,600

car yelling and whatnot objection no no

695

00:31:20,149 --> 00:31:18,529

okay

696

00:31:22,310 --> 00:31:20,159

um I did not get inebriated at these

697

00:31:24,830 --> 00:31:22,320

events everyone else certainly did okay

698

00:31:26,090 --> 00:31:24,840

or maybe just under the influence of

699

00:31:28,310 --> 00:31:26,100

something

700

00:31:29,750 --> 00:31:28,320

I never yelled anything out of a car

701  
00:31:31,250 --> 00:31:29,760  
okay I don't know what you're talking

702  
00:31:33,250 --> 00:31:31,260  
about okay

703  
00:31:36,049 --> 00:31:33,260  
um

704  
00:31:41,029 --> 00:31:36,059  
and do you believe that your persona

705  
00:31:44,930 --> 00:31:41,039  
affects uh the efforts of what's going

706  
00:31:48,230 --> 00:31:44,940  
on for the group like you're you're

707  
00:31:50,269 --> 00:31:48,240  
reputation is important to to the

708  
00:31:51,830 --> 00:31:50,279  
efforts that are going on would you

709  
00:31:53,750 --> 00:31:51,840  
agree to that

710  
00:31:56,090 --> 00:31:53,760  
well obviously that's why they try to

711  
00:31:57,230 --> 00:31:56,100  
destroy it on the way out

712  
00:31:59,210 --> 00:31:57,240  
okay

713  
00:32:01,070 --> 00:31:59,220

Yeah you mentioned there was two emails

714

00:32:03,230 --> 00:32:01,080

there's one about the drunk and the

715

00:32:04,850 --> 00:32:03,240

terrible father email where Roger which

716

00:32:07,250 --> 00:32:04,860

was trying to resign

717

00:32:09,590 --> 00:32:07,260

and he did resign I accepted his

718

00:32:11,690 --> 00:32:09,600

resignation but he was brought back

719

00:32:13,549 --> 00:32:11,700

okay brought back with your permission

720

00:32:16,130 --> 00:32:13,559

right with your seven you're

721

00:32:20,810 --> 00:32:16,140

approximately seven list of provisos

722

00:32:22,549 --> 00:32:20,820

that not one of was ever done but the

723

00:32:25,610 --> 00:32:22,559

thing was is always after you brought

724

00:32:28,310 --> 00:32:25,620

him back yeah the the big joke was

725

00:32:32,210 --> 00:32:28,320

um I would tell Leon and Roger stop

726

00:32:33,649 --> 00:32:32,220

managing me I'm the CEO I'm I decide how

727

00:32:35,389 --> 00:32:33,659

this is supposed to happen y'all just

728

00:32:38,330 --> 00:32:35,399

y'all told me it would that's the way it

729

00:32:39,889 --> 00:32:38,340

would be from the beginning and you tell

730

00:32:41,570 --> 00:32:39,899

me yes score yes Corey you're the boss

731

00:32:43,490 --> 00:32:41,580

team Corey team Corey and then you go

732

00:32:46,010 --> 00:32:43,500

and do whatever you want and other

733

00:32:47,269 --> 00:32:46,020

people started asking them uh why they

734

00:32:49,190 --> 00:32:47,279

were doing that because it was so

735

00:32:50,570 --> 00:32:49,200

obvious and they kept telling well Corey

736

00:32:52,730 --> 00:32:50,580

has to be managed he doesn't know what

737

00:32:55,909 --> 00:32:52,740

he's doing

738

00:32:57,590 --> 00:32:55,919

so did you believe you needed some other

739

00:32:59,149 --> 00:32:57,600

managers to help you with your efforts

740

00:33:00,769 --> 00:32:59,159

well they had convinced me that I

741

00:33:02,269 --> 00:33:00,779

couldn't do anything without them they

742

00:33:04,610 --> 00:33:02,279

had convinced they had at one point

743

00:33:05,930 --> 00:33:04,620

convinced me that there was nothing in

744

00:33:09,110 --> 00:33:05,940

the entertainment industry that I could

745

00:33:10,970 --> 00:33:09,120

do without their assistance which was

746

00:33:13,190 --> 00:33:10,980

everything that's going on now was

747

00:33:15,130 --> 00:33:13,200

obviously not right sure did you believe

748

00:33:18,889 --> 00:33:15,140

you needed any assistance well of course

749

00:33:20,769 --> 00:33:18,899

my motto was if you don't know something

750

00:33:22,909 --> 00:33:20,779

if someone

751

00:33:24,950 --> 00:33:22,919

convinces you that they're an expert in

752

00:33:26,930 --> 00:33:24,960

it bring them in and trust them and

753

00:33:28,130 --> 00:33:26,940

Roger convinced me he was an expert in

754

00:33:30,470 --> 00:33:28,140

businesses

755

00:33:32,149 --> 00:33:30,480

uh Leon convinced me that he was an

756

00:33:34,310 --> 00:33:32,159

expert in the entertainment industry and

757

00:33:36,230 --> 00:33:34,320

contracts and that I'd needed nothing

758

00:33:37,789 --> 00:33:36,240

else except for these two to get to the

759

00:33:39,590 --> 00:33:37,799

promised land because they had they did

760

00:33:41,570 --> 00:33:39,600

admittedly have some experience that you

761

00:33:42,769 --> 00:33:41,580

did not have they did yeah right just

762

00:33:44,149 --> 00:33:42,779

like everyone in this room has

763

00:33:45,409 --> 00:33:44,159

experience that other people don't have

764

00:33:46,850 --> 00:33:45,419

they otherwise wouldn't have been able

765

00:33:48,110 --> 00:33:46,860

to convince me that they were experts

766

00:33:49,850 --> 00:33:48,120

which they are not

767

00:33:51,230 --> 00:33:49,860

okay but they have more experience than

768

00:33:53,389 --> 00:33:51,240

some things that you didn't and that's

769

00:33:55,190 --> 00:33:53,399

why you hired them right that's why yeah

770

00:33:57,529 --> 00:33:55,200

they convinced me well they they

771

00:33:59,810 --> 00:33:57,539

convinced me that they were experts that

772

00:34:02,870 --> 00:33:59,820

they were uh

773

00:34:06,230 --> 00:34:02,880

seasoned experts in creating businesses

774

00:34:07,850 --> 00:34:06,240

managing businesses on Roger's end and

775

00:34:09,829 --> 00:34:07,860

uh

776

00:34:11,690 --> 00:34:09,839

Leon claimed to be every freaking thing

777

00:34:13,609 --> 00:34:11,700

that ever occurred in

778

00:34:18,050 --> 00:34:13,619

Hollywood everything from a script

779

00:34:19,550 --> 00:34:18,060

doctor expert a contracts experts which

780

00:34:22,250 --> 00:34:19,560

he

781

00:34:23,329 --> 00:34:22,260

failed dismally on his first opportunity

782

00:34:27,169 --> 00:34:23,339

with us

783

00:34:29,690 --> 00:34:27,179

with 1091 you know having the two movies

784

00:34:31,790 --> 00:34:29,700

combined together instead of being

785

00:34:34,849 --> 00:34:31,800

separate

786

00:34:38,470 --> 00:34:34,859

so Leon's he you brought him on for his

787

00:34:42,550 --> 00:34:38,480

knowledge about contracts suppose

788

00:34:46,250 --> 00:34:42,560

why else did you bring on Leon

789

00:34:48,710 --> 00:34:46,260

because he convinced me that he was so

790

00:34:52,389 --> 00:34:48,720

connected and had so much knowledge in

791

00:34:54,829 --> 00:34:52,399

Hollywood that we would very quickly

792

00:34:58,310 --> 00:34:54,839

have my IP

793

00:35:01,550 --> 00:34:58,320

out and published okay so contracts

794

00:35:08,150 --> 00:35:01,560

scripts connections any other reason why

795

00:35:14,089 --> 00:35:09,770

um that's all I can think of at the

796

00:35:17,089 --> 00:35:14,099

moment okay and um Roger Richards uh was

797

00:35:19,490 --> 00:35:17,099

formed created llc's and sometimes you

798

00:35:22,910 --> 00:35:19,500

would uh you or Stacy would request that

799

00:35:26,030 --> 00:35:22,920

he would form those llc's right he came

800

00:35:28,130 --> 00:35:26,040

he would come to us with these just

801  
00:35:30,050 --> 00:35:28,140  
you'll hear him on some of these calls

802  
00:35:32,569 --> 00:35:30,060  
it's just this

803  
00:35:36,589 --> 00:35:32,579  
diary of the mouth explosion of I of

804  
00:35:37,210 --> 00:35:36,599  
these ideas that of creating companies

805  
00:35:40,910 --> 00:35:37,220  
um

806  
00:35:42,410 --> 00:35:40,920  
to do our work through did you did you

807  
00:35:45,069 --> 00:35:42,420  
agree with any of these ideas some of

808  
00:35:47,450 --> 00:35:45,079  
them yes yeah some of them we didn't

809  
00:35:50,089 --> 00:35:47,460  
sometimes I would he would already have

810  
00:35:53,030 --> 00:35:50,099  
filed the uh

811  
00:35:54,470 --> 00:35:53,040  
LLC and you say oh I I already started

812  
00:35:56,690 --> 00:35:54,480  
filing the LLC I'll dissolve it I'll

813  
00:35:59,329 --> 00:35:56,700

dissolve it you know he was just

814

00:36:01,069 --> 00:35:59,339

firing off so if he created something

815

00:36:04,310 --> 00:36:01,079

you didn't want it you would tell him to

816

00:36:06,730 --> 00:36:04,320

dissolve it and he would yeah or I or I

817

00:36:10,190 --> 00:36:06,740

wouldn't most of the time I wouldn't

818

00:36:12,109 --> 00:36:10,200

sign the incorporation documents or any

819

00:36:14,569 --> 00:36:12,119

documents I wasn't going to sign

820

00:36:18,050 --> 00:36:14,579

anything until we had like contracts to

821

00:36:19,430 --> 00:36:18,060

manage it okay ass backwards when when

822

00:36:21,349 --> 00:36:19,440

you say you wouldn't sign the

823

00:36:23,270 --> 00:36:21,359

incorporation documents until you had a

824

00:36:25,370 --> 00:36:23,280

contract and manage it what do you mean

825

00:36:27,670 --> 00:36:25,380

by contract to manage it

826

00:36:31,310 --> 00:36:27,680

um a contract agreement from an attorney

827

00:36:35,750 --> 00:36:31,320

that says this IP is protected in this

828

00:36:37,490 --> 00:36:35,760

way this person is entitled to this

829

00:36:39,470 --> 00:36:37,500

as long as it's part of Industry

830

00:36:41,210 --> 00:36:39,480

standard that's one of the things I

831

00:36:42,410 --> 00:36:41,220

always told these guys I want to do

832

00:36:44,329 --> 00:36:42,420

everything according to Industry

833

00:36:46,250 --> 00:36:44,339

standard and they always came back to me

834

00:36:49,510 --> 00:36:46,260

with like the Leon or the Roger standard

835

00:36:52,430 --> 00:36:49,520

you know like you know with Leon uh

836

00:36:55,609 --> 00:36:52,440

being an agent to David instead of

837

00:36:58,310 --> 00:36:55,619

charging the 10 he charged the 20 and

838

00:37:00,290 --> 00:36:58,320

David thought no David didn't know and

839

00:37:02,470 --> 00:37:00,300

Leon's not even registered in California

840

00:37:04,630 --> 00:37:02,480

to be an agent

841

00:37:07,609 --> 00:37:04,640

and

842

00:37:08,630 --> 00:37:07,619

I mean so would you always make sure I

843

00:37:10,609 --> 00:37:08,640

want to go back to somebody you said

844

00:37:12,470 --> 00:37:10,619

earlier would you always make sure you

845

00:37:14,210 --> 00:37:12,480

said that the contract agreement was

846

00:37:16,970 --> 00:37:14,220

industry standard that your IQ is

847

00:37:18,650 --> 00:37:16,980

protected in that way you'd always make

848

00:37:21,290 --> 00:37:18,660

sure that was in place before you signed

849

00:37:25,130 --> 00:37:21,300

on incorporation docs before I would

850

00:37:27,589 --> 00:37:25,140

sign uh these documents that he was

851  
00:37:29,870 --> 00:37:27,599  
sending to the state Roger was sending

852  
00:37:32,450 --> 00:37:29,880  
to the state if you pull those up you'll

853  
00:37:34,849 --> 00:37:32,460  
see there's no signatures on them

854  
00:37:36,530 --> 00:37:34,859  
um he was filing those and I he would

855  
00:37:38,030 --> 00:37:36,540  
ask me to sign things and I said I'm not

856  
00:37:39,829 --> 00:37:38,040  
going to sign things until we've run

857  
00:37:42,410 --> 00:37:39,839  
everything through an attorney these are

858  
00:37:44,030 --> 00:37:42,420  
all just ideas at this point they're not

859  
00:37:46,069 --> 00:37:44,040  
they're not like agreements like I'm

860  
00:37:48,829 --> 00:37:46,079  
going to give you this and the these are

861  
00:37:51,170 --> 00:37:48,839  
all Pie in the Sky ideas of his that

862  
00:37:52,370 --> 00:37:51,180  
almost never came into fruition and so

863  
00:37:55,670 --> 00:37:52,380

you said what is it that you wouldn't

864

00:37:57,890 --> 00:37:55,680

sign until you had that IP protected in

865

00:38:00,710 --> 00:37:57,900

the way you thought it should be

866

00:38:02,810 --> 00:38:00,720

so you call it a contract agreement well

867

00:38:03,609 --> 00:38:02,820

I wouldn't I wouldn't sign

868

00:38:08,089 --> 00:38:03,619

um

869

00:38:10,010 --> 00:38:08,099

incorporating or forming the corporation

870

00:38:11,870 --> 00:38:10,020

so if you sign the document to

871

00:38:13,790 --> 00:38:11,880

incorporate the business that meant that

872

00:38:15,290 --> 00:38:13,800

you'd already had some kind of a

873

00:38:17,210 --> 00:38:15,300

contract to protect your intellectual

874

00:38:19,370 --> 00:38:17,220

not in every case I could not get

875

00:38:20,690 --> 00:38:19,380

contracts from these people okay so

876

00:38:22,790 --> 00:38:20,700

sometimes you would incorporate

877

00:38:25,069 --> 00:38:22,800

companies even without an agreement

878

00:38:27,890 --> 00:38:25,079

really had no choice you know I mean it

879

00:38:30,950 --> 00:38:27,900

was like move forward and have

880

00:38:33,349 --> 00:38:30,960

you know a project move forward or it

881

00:38:35,390 --> 00:38:33,359

was all the these this weird ethics that

882

00:38:36,710 --> 00:38:35,400

this this group has didn't you have a

883

00:38:38,569 --> 00:38:36,720

choice though to say I'm not signing

884

00:38:42,109 --> 00:38:38,579

that incorporation document unless I

885

00:38:44,030 --> 00:38:42,119

have the I the my IP protected in a

886

00:38:47,349 --> 00:38:44,040

contracted way there were a number of

887

00:38:50,089 --> 00:38:47,359

times I wouldn't sign documents until

888

00:38:54,710 --> 00:38:50,099

the IEP was protected but that was

889

00:38:56,810 --> 00:38:54,720

before Leon came in as the expert and

890

00:38:59,270 --> 00:38:56,820

convinced me that he was an expert in

891

00:39:01,670 --> 00:38:59,280

contracts and all this other stuff he

892

00:39:05,210 --> 00:39:01,680

looked over and had me sign different

893

00:39:10,270 --> 00:39:05,220

agreements for the pitch with STX he had

894

00:39:13,910 --> 00:39:10,280

me sign you know stuff with 1091 as

895

00:39:16,849 --> 00:39:13,920

the um expert I would say do we need to

896

00:39:19,730 --> 00:39:16,859

send this to uh attorneys this this this

897

00:39:23,329 --> 00:39:19,740

Corey I've been doing this for 50 years

898

00:39:26,030 --> 00:39:23,339

I know these contracts in my sleep you

899

00:39:28,430 --> 00:39:26,040

are protected don't worry and so

900

00:39:30,829 --> 00:39:28,440

sometimes before the answer sometimes

901  
00:39:32,569 --> 00:39:30,839  
before Leon Kennedy came on board you

902  
00:39:34,490 --> 00:39:32,579  
would do it that way but after Leon

903  
00:39:36,349 --> 00:39:34,500  
Kennedy came on board it happened a lot

904  
00:39:38,150 --> 00:39:36,359  
more that you would be signing the

905  
00:39:40,250 --> 00:39:38,160  
incorporation documents to form a

906  
00:39:42,890 --> 00:39:40,260  
corporation without the protection of

907  
00:39:46,190 --> 00:39:42,900  
your IP objection I'm not I'm talking

908  
00:39:48,290 --> 00:39:46,200  
about in general signing papers that uh

909  
00:39:49,250 --> 00:39:48,300  
and and the papers that I mentioned had

910  
00:39:52,490 --> 00:39:49,260  
nothing to do with what you just

911  
00:39:56,750 --> 00:39:52,500  
mentioned okay uh the paper the

912  
00:39:58,970 --> 00:39:56,760  
contracts that Leon had me sign yes uh

913  
00:40:01,910 --> 00:39:58,980

were not what you just said what were

914

00:40:04,310 --> 00:40:01,920

they I don't want sure you do and so I I

915

00:40:06,349 --> 00:40:04,320

perhaps I misunderstood earlier you said

916

00:40:08,450 --> 00:40:06,359

that sometime before Leon came on board

917

00:40:10,670 --> 00:40:08,460

you you'd allow things to go through

918

00:40:13,670 --> 00:40:10,680

without being papered up for your to

919

00:40:16,250 --> 00:40:13,680

protect your IP right things were after

920

00:40:19,150 --> 00:40:16,260

Leon came on board let's do before Leon

921

00:40:21,589 --> 00:40:19,160

okay Beyond before Leon came on board

922

00:40:25,010 --> 00:40:21,599

I as you'll see in every email with

923

00:40:26,630 --> 00:40:25,020

Roger I wanted everything papered up and

924

00:40:27,710 --> 00:40:26,640

done by industry standards and you

925

00:40:33,829 --> 00:40:27,720

always did that

926  
00:40:36,589 --> 00:40:33,839  
but that was my demand what very what

927  
00:40:38,690 --> 00:40:36,599  
what happened always was is that

928  
00:40:41,450 --> 00:40:38,700  
I would make demands I would say this

929  
00:40:43,130 --> 00:40:41,460  
every this before Leon came to Roger

930  
00:40:46,490 --> 00:40:43,140  
would say oh yes yes you know whatever

931  
00:40:49,190 --> 00:40:46,500  
you want and then things kind of just

932  
00:40:52,250 --> 00:40:49,200  
went along Roger's way so you didn't

933  
00:40:53,810 --> 00:40:52,260  
insure before Leon came on board you

934  
00:40:57,849 --> 00:40:53,820  
didn't ensure that there was always

935  
00:41:01,790 --> 00:40:57,859  
something to protect your IP objection

936  
00:41:05,470 --> 00:41:01,800  
I'm I'm not sure I think I was after the

937  
00:41:08,870 --> 00:41:05,480  
Gaia situation and after I obtained

938  
00:41:10,670 --> 00:41:08,880

attorneys from that point forward I ran

939

00:41:13,310 --> 00:41:10,680

stuff through my attorneys except for

940

00:41:14,930 --> 00:41:13,320

when Leon took over and became the

941

00:41:16,010 --> 00:41:14,940

gatekeeper and said everything had to go

942

00:41:17,950 --> 00:41:16,020

through him

943

00:41:20,390 --> 00:41:17,960

and then at that point

944

00:41:21,650 --> 00:41:20,400

attorneys kind of dropped out of the

945

00:41:24,290 --> 00:41:21,660

picture

946

00:41:26,690 --> 00:41:24,300

so as did accountants and everything

947

00:41:29,630 --> 00:41:26,700

legal

948

00:41:30,950 --> 00:41:29,640

and okay so there was a time when you

949

00:41:32,690 --> 00:41:30,960

see you feel like you were not

950

00:41:34,130 --> 00:41:32,700

represented by attorneys until some of

951  
00:41:35,810 --> 00:41:34,140  
the lawsuits started kicking in right

952  
00:41:38,150 --> 00:41:35,820  
until some of the problems started

953  
00:41:40,490 --> 00:41:38,160  
happening and then I saw I needed to

954  
00:41:43,609 --> 00:41:40,500  
protect my trademark I need to create

955  
00:41:46,790 --> 00:41:43,619  
trademarks to protect my IP from Gaia

956  
00:41:49,370 --> 00:41:46,800  
who was stealing it to protect from Gaia

957  
00:41:51,050 --> 00:41:49,380  
what what year was it that the that that

958  
00:41:52,670 --> 00:41:51,060  
came along and you realize you wanted to

959  
00:41:54,050 --> 00:41:52,680  
protect it from Gaia that was stealing

960  
00:41:58,130 --> 00:41:54,060  
it

961  
00:42:01,910 --> 00:41:58,140  
like 2017 or 16 I can't recall

962  
00:42:03,290 --> 00:42:01,920  
so 2017 or 2016 you realized hey guy is

963  
00:42:05,870 --> 00:42:03,300

stealing it I need to get some attorneys

964

00:42:07,730 --> 00:42:05,880

to protect my my interest I need to file

965

00:42:09,170 --> 00:42:07,740

trademarks

966

00:42:11,990 --> 00:42:09,180

okay so that's when you begin to file

967

00:42:12,950 --> 00:42:12,000

trademarks is that correct yes 2017 or

968

00:42:15,410 --> 00:42:12,960

16.

969

00:42:18,470 --> 00:42:15,420

that's when we started I started seeking

970

00:42:21,890 --> 00:42:18,480

out attorneys and

971

00:42:22,910 --> 00:42:21,900

thinking of ways to protect the IP and

972

00:42:26,510 --> 00:42:22,920

then

973

00:42:30,710 --> 00:42:26,520

of course Valerie came along to help

974

00:42:32,569 --> 00:42:30,720

trademark okay and so in 2017 or 16 you

975

00:42:36,050 --> 00:42:32,579

began to seek out attorneys to protect

976  
00:42:37,849 --> 00:42:36,060  
your IP and so from then till now you've

977  
00:42:39,650 --> 00:42:37,859  
been good about papering things up to

978  
00:42:42,050 --> 00:42:39,660  
protect your IP objection

979  
00:42:43,730 --> 00:42:42,060  
for the most part except for when Leon

980  
00:42:49,609 --> 00:42:43,740  
was in control

981  
00:42:51,589 --> 00:42:49,619  
when you say control he didn't sign any

982  
00:42:54,050 --> 00:42:51,599  
incorporation documents for you did he

983  
00:42:55,849 --> 00:42:54,060  
what do you mean did he sign a formation

984  
00:42:57,530 --> 00:42:55,859  
of a corporation document and you're

985  
00:43:00,109 --> 00:42:57,540  
stead that you know of

986  
00:43:01,849 --> 00:43:00,119  
I still don't understand sure you

987  
00:43:03,410 --> 00:43:01,859  
mentioned your control the way you

988  
00:43:05,750 --> 00:43:03,420

controlled things was you wouldn't sign

989

00:43:07,970 --> 00:43:05,760

a corporation document an incorporation

990

00:43:10,550 --> 00:43:07,980

document to form a corporation until you

991

00:43:11,930 --> 00:43:10,560

had your IP protection your contract in

992

00:43:14,569 --> 00:43:11,940

place right

993

00:43:16,430 --> 00:43:14,579

I said that was what

994

00:43:21,829 --> 00:43:16,440

I demanded

995

00:43:23,870 --> 00:43:21,839

what I was manipulated into doing were

996

00:43:25,550 --> 00:43:23,880

always two different things why would

997

00:43:27,170 --> 00:43:25,560

you just say I'm not going to sign that

998

00:43:29,089 --> 00:43:27,180

because I'm going to stick with what I

999

00:43:31,970 --> 00:43:29,099

demanded spend a little time with Leon

1000

00:43:35,270 --> 00:43:31,980

Kennedy but answer my question what he

1001  
00:43:37,069 --> 00:43:35,280  
had manipulated me and totally convinced

1002  
00:43:40,370 --> 00:43:37,079  
me that I couldn't do any of this stuff

1003  
00:43:43,309 --> 00:43:40,380  
without him and that he knew all of the

1004  
00:43:44,990 --> 00:43:43,319  
legal ways to handle stuff all of the

1005  
00:43:47,990 --> 00:43:45,000  
industry standard ways of handling stuff

1006  
00:43:49,609 --> 00:43:48,000  
and he would do it but you knew before

1007  
00:43:51,829 --> 00:43:49,619  
that you'd done it without him right

1008  
00:43:54,170 --> 00:43:51,839  
done what all this all this

1009  
00:43:56,750 --> 00:43:54,180  
incorporation protecting your IP before

1010  
00:43:58,849 --> 00:43:56,760  
you open you're talking corporations I'm

1011  
00:44:00,410 --> 00:43:58,859  
talking the business right so for the

1012  
00:44:02,569 --> 00:44:00,420  
business you understood how to protect

1013  
00:44:05,510 --> 00:44:02,579

yourself before Leon came on board I'm

1014

00:44:08,150 --> 00:44:05,520

talking I'm I'm what I'm saying is that

1015

00:44:10,370 --> 00:44:08,160

I had ideas about how to protect myself

1016

00:44:12,950 --> 00:44:10,380

and with things going the way they were

1017

00:44:15,950 --> 00:44:12,960

at Gaia I was definitely wanting to

1018

00:44:19,309 --> 00:44:15,960

protect myself in this community the way

1019

00:44:21,710 --> 00:44:19,319

people are Leon Kennedy came in not from

1020

00:44:26,630 --> 00:44:21,720

this community from Hollywood

1021

00:44:29,870 --> 00:44:26,640

50 years in Hollywood he came in and

1022

00:44:32,870 --> 00:44:29,880

convinced me and manipulated me into

1023

00:44:35,270 --> 00:44:32,880

allowing him to take the reins to be the

1024

00:44:37,609 --> 00:44:35,280

gatekeeper while the whole time calling

1025

00:44:41,750 --> 00:44:37,619

it team Corey but

1026  
00:44:43,490 --> 00:44:41,760  
quietly having them work on all these

1027  
00:44:45,109 --> 00:44:43,500  
other projects and Pitch other things

1028  
00:44:46,790 --> 00:44:45,119  
and all of these things

1029  
00:44:48,890 --> 00:44:46,800  
when

1030  
00:44:50,170 --> 00:44:48,900  
and and telling them not to tell Corey

1031  
00:44:54,650 --> 00:44:50,180  
you know it was just a constant

1032  
00:44:57,290 --> 00:44:54,660  
manipulation and it it started to affect

1033  
00:45:00,290 --> 00:44:57,300  
you know the team with

1034  
00:45:02,990 --> 00:45:00,300  
they didn't trust Leon anymore they

1035  
00:45:04,250 --> 00:45:03,000  
after a few things with Leon they

1036  
00:45:05,270 --> 00:45:04,260  
approached me quietly and they said

1037  
00:45:07,130 --> 00:45:05,280  
Corey

1038  
00:45:08,990 --> 00:45:07,140

I don't know the relationship with you

1039

00:45:11,329 --> 00:45:09,000

Leon and Roger but

1040

00:45:14,390 --> 00:45:11,339

we are very nervous we've seen a lot of

1041

00:45:18,349 --> 00:45:14,400

red flags we're going to take the

1042

00:45:20,270 --> 00:45:18,359

treatment that we wrote for uh the the

1043

00:45:23,150 --> 00:45:20,280

movie idea and we're going to register

1044

00:45:26,030 --> 00:45:23,160

it with the

1045

00:45:28,849 --> 00:45:26,040

and they went and did that registered

1046

00:45:31,790 --> 00:45:28,859

because they saw what was going on and

1047

00:45:34,250 --> 00:45:31,800

they and Leon was having them lie to me

1048

00:45:38,510 --> 00:45:34,260

which they're going to testify to okay

1049

00:45:40,430 --> 00:45:38,520

so in 2016 or 17 you began to protect

1050

00:45:42,770 --> 00:45:40,440

yourself by using attorneys and

1051

00:45:46,609 --> 00:45:42,780

protecting your IP is that correct

1052

00:45:51,170 --> 00:45:46,619

yes and was that with uh when did you

1053

00:45:55,490 --> 00:45:54,349

oh that was I think

1054

00:45:58,670 --> 00:45:55,500

um

1055

00:46:18,950 --> 00:46:06,530

uh

1056

00:46:21,050 --> 00:46:18,960

maybe twice okay I'm gonna caution you

1057

00:46:22,849 --> 00:46:21,060

not to dive into Jenny okay privileged

1058

00:46:23,990 --> 00:46:22,859

yeah good point and council's right I

1059

00:46:28,690 --> 00:46:24,000

don't want to know anything that he said

1060

00:46:34,490 --> 00:46:32,030

he sent I think an email

1061

00:46:37,250 --> 00:46:34,500

okay

1062

00:46:42,470 --> 00:46:39,890

and you've sought donations to fund your

1063

00:46:44,150 --> 00:46:42,480

involvement in the lawsuits yes and

1064

00:46:46,430 --> 00:46:44,160

you've done that in social media right

1065

00:46:47,809 --> 00:46:46,440

yes

1066

00:46:49,730 --> 00:46:47,819

and you've been complaining to the

1067

00:46:52,069 --> 00:46:49,740

community or voicing concerns about

1068

00:46:54,230 --> 00:46:52,079

what's going on and asking for help

1069

00:46:58,190 --> 00:46:54,240

right yes

1070

00:46:59,930 --> 00:46:58,200

and you formed a light Warrior legal

1071

00:47:02,569 --> 00:46:59,940

fund right

1072

00:47:07,190 --> 00:47:02,579

correct and what is Light Warrior legal

1073

00:47:10,250 --> 00:47:07,200

fund it's a fund that if people want to

1074

00:47:12,829 --> 00:47:10,260

donate to my lawsuits

1075

00:47:14,870 --> 00:47:12,839

they can send money to that fund okay

1076

00:47:17,030 --> 00:47:14,880

and are you completely transparent about

1077

00:47:19,069 --> 00:47:17,040

that fund what do you mean about money

1078

00:47:22,550 --> 00:47:19,079

that comes in and money goes out of it

1079

00:47:23,809 --> 00:47:22,560

what do you mean are you do you use a

1080

00:47:25,790 --> 00:47:23,819

hundred percent of it to pay your

1081

00:47:28,130 --> 00:47:25,800

attorney 100 percent okay

1082

00:47:30,829 --> 00:47:28,140

and you keep an accounting or a record

1083

00:47:32,809 --> 00:47:30,839

of those monies our accountants do

1084

00:47:34,250 --> 00:47:32,819

and so those monies don't go towards you

1085

00:47:42,710 --> 00:47:34,260

personally that all goes towards your

1086

00:47:48,109 --> 00:47:45,470

now on you had a letter of intent with

1087

00:47:50,270 --> 00:47:48,119

Leon Kennedy when he came on board

1088

00:47:53,390 --> 00:47:50,280

uh the outline kind of what he's going

1089

00:47:55,730 --> 00:47:53,400

to do for you right I believe so and one

1090

00:47:58,790 --> 00:47:55,740

of those was talent management and legal

1091

00:48:03,349 --> 00:47:58,800

operations right I believe so I I don't

1092

00:48:07,490 --> 00:48:05,630

and have you ever encouraged your social

1093

00:48:10,069 --> 00:48:07,500

media followers to

1094

00:48:12,250 --> 00:48:10,079

make comments on other social media

1095

00:48:15,050 --> 00:48:12,260

pages

1096

00:48:18,589 --> 00:48:15,060

to like help boost another person

1097

00:48:26,050 --> 00:48:18,599

or or disparage either way

1098

00:48:33,230 --> 00:48:30,650

as far as the cyber stalking issue uh

1099

00:48:35,990 --> 00:48:33,240

in part of his role is being legal

1100

00:48:40,510 --> 00:48:36,000

operations introduced you to

1101

00:48:46,490 --> 00:48:42,970

right

1102

00:48:48,950 --> 00:48:46,500

I need more information sure did Leon

1103

00:48:50,750 --> 00:48:48,960

Kennedy help you with referring you to

1104

00:48:52,670 --> 00:48:50,760

other attorneys regarding the cyber

1105

00:48:54,470 --> 00:48:52,680

stalking issues

1106

00:48:56,390 --> 00:48:54,480

probably that would have fallen under

1107

00:48:58,609 --> 00:48:56,400

his purview I don't remember

1108

00:49:01,849 --> 00:48:58,619

you don't remember if you did it or not

1109

00:49:04,569 --> 00:49:01,859

maybe vaguely I really don't

1110

00:49:09,050 --> 00:49:07,309

and you've always been working with from

1111

00:49:11,270 --> 00:49:09,060

2018 to now

1112

00:49:12,470 --> 00:49:11,280

uh from whenever the moment we hired

1113

00:49:14,030 --> 00:49:12,480

them

1114

00:49:15,410 --> 00:49:14,040

yes

1115

00:49:17,569 --> 00:49:15,420

I haven't been in contact with them

1116

00:49:19,370 --> 00:49:17,579

recently I haven't had a reason to

1117

00:49:21,290 --> 00:49:19,380

okay are they current on their bill have

1118

00:49:23,750 --> 00:49:21,300

they been paid yeah they were paid well

1119

00:49:25,970 --> 00:49:23,760

in advance okay so they're not owed any

1120

00:49:28,490 --> 00:49:25,980

money correct okay

1121

00:49:30,109 --> 00:49:28,500

earlier you mentioned not just the uh

1122

00:49:32,450 --> 00:49:30,119

cyber stalking but you also mentioned

1123

00:49:35,329 --> 00:49:32,460

gang stalking I'd like to know what you

1124

00:49:37,849 --> 00:49:35,339

mean about gang stalking what is that in

1125

00:49:40,010 --> 00:49:37,859

your mind whether on social media or not

1126  
00:49:43,010 --> 00:49:40,020  
groups of people getting together and

1127  
00:49:46,250 --> 00:49:43,020  
coordinating to go after one individual

1128  
00:50:01,069 --> 00:49:49,130  
okay do you believe that my clients have

1129  
00:50:08,630 --> 00:50:04,730  
no I don't know if that would encompass

1130  
00:50:11,170 --> 00:50:10,430  
okay

1131  
00:50:13,670 --> 00:50:11,180  
um

1132  
00:50:16,550 --> 00:50:13,680  
you were involved with a lawsuit with a

1133  
00:50:19,309 --> 00:50:16,560  
Jay Widener I am

1134  
00:50:21,410 --> 00:50:19,319  
okay what's that about which because we

1135  
00:50:24,950 --> 00:50:21,420  
spoke about all your lawsuits right

1136  
00:50:28,910 --> 00:50:24,960  
yeah is that which one is that Rico

1137  
00:50:31,609 --> 00:50:28,920  
okay that's the RICO Gaia correct okay

1138  
00:50:31,619 --> 00:50:40,910

um

1139

00:50:45,530 --> 00:50:43,550

you mentioned that Roger Richards was

1140

00:50:49,490 --> 00:50:45,540

destroying your reputation through

1141

00:50:51,710 --> 00:50:49,500

social media correct yes okay and have

1142

00:50:54,710 --> 00:50:51,720

you submitted uh to your attorney all

1143

00:50:58,130 --> 00:50:54,720

the evidence of that as best as you can

1144

00:51:01,370 --> 00:50:58,140

I've everything that we have uh unless

1145

00:51:03,589 --> 00:51:01,380

there's some newer things that was

1146

00:51:06,230 --> 00:51:03,599

gathered that they haven't given us okay

1147

00:51:08,690 --> 00:51:06,240

but everything as far as documenting the

1148

00:51:11,150 --> 00:51:08,700

destruction of your reputation on social

1149

00:51:12,589 --> 00:51:11,160

media by Roger Richards

1150

00:51:14,450 --> 00:51:12,599

you produce that to your attorney

1151  
00:51:16,549 --> 00:51:14,460  
correct I believe so yes

1152  
00:51:18,589 --> 00:51:16,559  
and same thing for my other two clients

1153  
00:51:20,630 --> 00:51:18,599  
any attempts of theirs to destroy your

1154  
00:51:22,010 --> 00:51:20,640  
reputation on social media you've

1155  
00:51:25,490 --> 00:51:22,020  
produced that to your attorney as well

1156  
00:51:28,010 --> 00:51:25,500  
correctly so okay and where did you

1157  
00:51:30,589 --> 00:51:28,020  
obtain that information about my clients

1158  
00:51:31,790 --> 00:51:30,599  
uh efforts to destroy your reputation on

1159  
00:51:33,770 --> 00:51:31,800  
social media

1160  
00:51:35,270 --> 00:51:33,780  
directly off of the internet

1161  
00:51:37,790 --> 00:51:35,280  
and when you say the internet big place

1162  
00:51:40,670 --> 00:51:37,800  
internet we're on the internet were you

1163  
00:51:42,950 --> 00:51:40,680

going to find that evidence YouTube

1164

00:51:46,329 --> 00:51:42,960

Facebook

1165

00:51:55,069 --> 00:51:51,230

such as dimensions of disclosure has 7

1166

00:51:58,730 --> 00:51:55,079

000 people in a Facebook group

1167

00:52:00,530 --> 00:51:58,740

all my fans of course every the

1168

00:52:03,109 --> 00:52:00,540

dimensions of disclosure was built on my

1169

00:52:05,589 --> 00:52:03,119

email addresses I mean my email groups

1170

00:52:08,329 --> 00:52:05,599

and my Persona

1171

00:52:12,730 --> 00:52:08,339

so they posted the I wasn't finished

1172

00:52:14,930 --> 00:52:12,740

they posted the video of Leon

1173

00:52:18,230 --> 00:52:14,940

saying it was the truth

1174

00:52:20,030 --> 00:52:18,240

in that group

1175

00:52:22,130 --> 00:52:20,040

in the Facebook group in that Facebook

1176  
00:52:24,410 --> 00:52:22,140  
group and uh

1177  
00:52:26,829 --> 00:52:24,420  
you know seven thousand of my closest

1178  
00:52:30,290 --> 00:52:26,839  
fans seeing that information

1179  
00:52:31,910 --> 00:52:30,300  
was definitely a catalyst for what came

1180  
00:52:35,569 --> 00:52:31,920  
after

1181  
00:52:40,730 --> 00:52:37,609  
near ruination

1182  
00:52:44,210 --> 00:52:40,740  
complete ruination and an inability to

1183  
00:52:45,470 --> 00:52:44,220  
make money within this uh

1184  
00:52:46,730 --> 00:52:45,480  
uh

1185  
00:52:48,069 --> 00:52:46,740  
community

1186  
00:52:50,450 --> 00:52:48,079  
okay

1187  
00:52:52,549 --> 00:52:50,460  
a lot of people a while to start like

1188  
00:52:54,829 --> 00:52:52,559

figuring out what was going on the whole

1189

00:52:57,530 --> 00:52:54,839

they turned everyone against me they

1190

00:53:02,809 --> 00:52:57,540

made phone calls they had every little

1191

00:53:05,030 --> 00:53:02,819

group that uh was uh and and we are

1192

00:53:07,430 --> 00:53:05,040

going to have people testify to this

1193

00:53:08,809 --> 00:53:07,440

uh who who would testify to this uh

1194

00:53:10,910 --> 00:53:08,819

different people in the community that

1195

00:53:14,210 --> 00:53:10,920

have sent us emails saying oh I was at

1196

00:53:15,410 --> 00:53:14,220

this function and I heard oh we have a

1197

00:53:16,490 --> 00:53:15,420

lot of that different types of

1198

00:53:18,109 --> 00:53:16,500

information it may have already been

1199

00:53:19,970 --> 00:53:18,119

produced do you have any names of those

1200

00:53:21,170 --> 00:53:19,980

any of those people no I don't remember

1201

00:53:22,849 --> 00:53:21,180

the names of all the people in the

1202

00:53:24,530 --> 00:53:22,859

community do you ever keep a list

1203

00:53:27,170 --> 00:53:24,540

somewhere the people that you intend to

1204

00:53:29,450 --> 00:53:27,180

call as Witnesses I don't I'm sure my

1205

00:53:32,930 --> 00:53:29,460

attorney does okay so you provided those

1206

00:53:36,650 --> 00:53:32,940

names to your attorney yes and uh yeah

1207

00:53:39,230 --> 00:53:36,660

we I've provided uh names and uh

1208

00:53:40,430 --> 00:53:39,240

screenshots all this kind all those

1209

00:53:42,829 --> 00:53:40,440

types of things I provide to my attorney

1210

00:53:45,650 --> 00:53:42,839

okay so all the names your attorney has

1211

00:53:47,510 --> 00:53:45,660

given us all the screenshots that's all

1212

00:53:51,349 --> 00:53:47,520

of it you don't have any others

1213

00:53:52,790 --> 00:53:51,359

um unless uh I I think so I think I've

1214

00:53:54,650 --> 00:53:52,800

given everything

1215

00:53:57,349 --> 00:53:54,660

to her and I think she's reached out to

1216

00:53:59,030 --> 00:53:57,359

all of these people how how recently was

1217

00:54:00,890 --> 00:53:59,040

the most recent time where you gave an

1218

00:54:03,290 --> 00:54:00,900

additional screenshot your to your

1219

00:54:05,630 --> 00:54:03,300

attorney about evidence of that

1220

00:54:08,270 --> 00:54:05,640

ruination of your social media presence

1221

00:54:10,390 --> 00:54:08,280

well the last few days probably okay and

1222

00:54:13,250 --> 00:54:10,400

outside the last few days

1223

00:54:16,010 --> 00:54:13,260

how much was the most recent was it a

1224

00:54:17,210 --> 00:54:16,020

week before that or a month before that

1225

00:54:18,710 --> 00:54:17,220

uh

1226

00:54:20,569 --> 00:54:18,720

it's

1227

00:54:22,010 --> 00:54:20,579

hard to tell because I'm constantly

1228

00:54:23,329 --> 00:54:22,020

sending this information in for both

1229

00:54:25,849 --> 00:54:23,339

cases

1230

00:54:27,290 --> 00:54:25,859

so I I couldn't really tell you when you

1231

00:54:29,569 --> 00:54:27,300

say both cases what are you referring to

1232

00:54:32,450 --> 00:54:29,579

Rico okay and you wouldn't say Rico you

1233

00:54:35,630 --> 00:54:32,460

mean the guy the guy a case yeah okay

1234

00:54:37,910 --> 00:54:35,640

Jay Weidner had been has been in contact

1235

00:54:41,750 --> 00:54:37,920

with her clients and he's been nice

1236

00:54:44,569 --> 00:54:41,760

enough to make posts about it and uh

1237

00:54:46,809 --> 00:54:44,579

we of course capture that sure

1238

00:54:49,370 --> 00:54:46,819

uh

1239

00:54:51,049 --> 00:54:49,380

how many names do you believe you've

1240

00:54:53,630 --> 00:54:51,059

sent to your attorney for additional

1241

00:54:55,490 --> 00:54:53,640

Witnesses in the last that you've

1242

00:54:58,069 --> 00:54:55,500

discovered in the last month the last

1243

00:54:59,450 --> 00:54:58,079

month oh probably haven't sent new

1244

00:55:02,030 --> 00:54:59,460

Witnesses

1245

00:55:03,530 --> 00:55:02,040

recently have you seen any in the last

1246

00:55:06,109 --> 00:55:03,540

month okay we're getting into

1247

00:55:08,150 --> 00:55:06,119

Communications let's move on okay and

1248

00:55:10,069 --> 00:55:08,160

I'll I'll rephrase the question have you

1249

00:55:13,849 --> 00:55:10,079

discovered any new Witnesses in the last

1250

00:55:17,390 --> 00:55:15,710

as far as any concerns about what my

1251

00:55:20,150 --> 00:55:17,400

clients have done

1252

00:55:22,849 --> 00:55:20,160

yes I think it was in the last month

1253

00:55:26,450 --> 00:55:22,859

someone sent us an email

1254

00:55:26,460 --> 00:55:32,329

regarding

1255

00:55:37,430 --> 00:55:34,970

more about the DVDs

1256

00:55:40,069 --> 00:55:37,440

okay ask the question again sure within

1257

00:55:42,950 --> 00:55:40,079

the last month have you discovered any

1258

00:55:44,870 --> 00:55:42,960

new witness names that would show

1259

00:55:48,170 --> 00:55:44,880

support for your claim that my client

1260

00:55:49,670 --> 00:55:48,180

hurt your reputation no not so no new

1261

00:55:52,130 --> 00:55:49,680

names in the last month I don't believe

1262

00:55:54,170 --> 00:55:52,140

so no okay how about the last three

1263

00:55:56,270 --> 00:55:54,180

months any new names last six in the

1264

00:55:58,609 --> 00:55:56,280

last three months that's been a while

1265

00:55:59,990 --> 00:55:58,619

it's no not in the last three months we

1266

00:56:01,970 --> 00:56:00,000

haven't had new Witnesses come forward

1267

00:56:04,730 --> 00:56:01,980

you more than likely have all the names

1268

00:56:13,670 --> 00:56:04,740

okay how about in the last year have you

1269

00:56:18,170 --> 00:56:16,190

if I I couldn't tell you

1270

00:56:20,410 --> 00:56:18,180

okay but at least in the last six months

1271

00:56:24,470 --> 00:56:20,420

you're saying no new witnesses as far as

1272

00:56:26,450 --> 00:56:24,480

anybody telling you that they witnessed

1273

00:56:29,510 --> 00:56:26,460

something about hurting your reputation

1274

00:56:32,569 --> 00:56:29,520

right correct yeah see a lot of the

1275

00:56:36,589 --> 00:56:32,579

people stopped talking to me all

1276  
00:56:40,190 --> 00:56:36,599  
together after the videos came out and

1277  
00:56:41,569 --> 00:56:40,200  
then people you know started

1278  
00:56:43,609 --> 00:56:41,579  
uh

1279  
00:56:47,930 --> 00:56:43,619  
you know approaching me asking me about

1280  
00:56:51,730 --> 00:56:49,549  
okay and you said earlier there were

1281  
00:56:55,910 --> 00:56:51,740  
cyber stalking campaigns around 2018

1282  
00:56:58,609 --> 00:56:55,920  
right those go all the way back to 2015.

1283  
00:57:00,170 --> 00:56:58,619  
so starting in 2015 all the way until

1284  
00:57:04,069 --> 00:57:00,180  
what year

1285  
00:57:06,170 --> 00:57:04,079  
current current and the Jay Weidner is

1286  
00:57:08,230 --> 00:57:06,180  
involved in those yes do you believe

1287  
00:57:10,910 --> 00:57:08,240  
that my clients are involved in those

1288  
00:57:14,829 --> 00:57:10,920

and involved in wants in those cyber

1289

00:57:17,750 --> 00:57:14,839

stalking campaigns uh I know for a fact

1290

00:57:21,290 --> 00:57:17,760

and we are looking forward to

1291

00:57:24,170 --> 00:57:21,300

depositions that Roger Richards has been

1292

00:57:28,130 --> 00:57:24,180

passing information through uh Leon

1293

00:57:31,069 --> 00:57:28,140

through Jay Weidner that's been popping

1294

00:57:32,930 --> 00:57:31,079

up in uh the cyberstalkers

1295

00:57:36,410 --> 00:57:32,940

and is that information that's been

1296

00:57:38,930 --> 00:57:36,420

given to Jay Widener uh false

1297

00:57:40,970 --> 00:57:38,940

yeah what do you believe about the

1298

00:57:43,329 --> 00:57:40,980

information that Roger Richards has

1299

00:57:47,630 --> 00:57:43,339

given to Jay Widener what do you believe

1300

00:57:53,690 --> 00:57:50,930

every all of the allegations that Roger

1301  
00:57:55,430 --> 00:57:53,700  
Richards makes about me are false okay

1302  
00:57:57,890 --> 00:57:55,440  
what do you believe does allegations to

1303  
00:58:00,589 --> 00:57:57,900  
be well

1304  
00:58:03,109 --> 00:58:00,599  
I don't know specifically other than

1305  
00:58:05,510 --> 00:58:03,119  
things that have you know popped out

1306  
00:58:08,270 --> 00:58:05,520  
here and there that I don't I would have

1307  
00:58:09,890 --> 00:58:08,280  
would have to refer to our notes on but

1308  
00:58:11,450 --> 00:58:09,900  
do you know any of the allegations that

1309  
00:58:12,829 --> 00:58:11,460  
Roger Richards has made about you that

1310  
00:58:18,410 --> 00:58:12,839  
are false

1311  
00:58:21,710 --> 00:58:18,420  
to to anyone to anyone sure well yeah I

1312  
00:58:26,270 --> 00:58:21,720  
mean I'm not an alcoholic I'm not a drug

1313  
00:58:28,720 --> 00:58:26,280

addict I don't uh I'm not a Serial uh

1314

00:58:29,030 --> 00:58:28,730

abuser of women

1315

00:58:31,089 --> 00:58:29,040

[Music]

1316

00:58:39,190 --> 00:58:35,329

what all else my God there's there's all

1317

00:58:42,289 --> 00:58:39,200

it's just a big Feeding Frenzy of uh uh

1318

00:58:44,569 --> 00:58:42,299

backstabbing and gossip anything other

1319

00:58:46,549 --> 00:58:44,579

than those three alcoholic drug addicts

1320

00:58:49,069 --> 00:58:46,559

serial abuser of women any other

1321

00:58:52,010 --> 00:58:49,079

allegations that Roger Richards has made

1322

00:58:53,630 --> 00:58:52,020

about you or I can't remember right now

1323

00:58:57,470 --> 00:58:53,640

but that's those are the ones that jump

1324

00:59:01,069 --> 00:58:57,480

out okay and also the ones that you know

1325

00:59:03,829 --> 00:59:01,079

he in his uh 18-page extortion letter he

1326  
00:59:06,890 --> 00:59:03,839  
laid out that and much much more and

1327  
00:59:10,010 --> 00:59:06,900  
then in his he made the extra extortion

1328  
00:59:11,270 --> 00:59:10,020  
threat and then Leon and Adrian made

1329  
00:59:12,890 --> 00:59:11,280  
sure that that threat was carried out

1330  
00:59:15,650 --> 00:59:12,900  
through those videos

1331  
00:59:17,870 --> 00:59:15,660  
because they said exactly the stuff that

1332  
00:59:20,870 --> 00:59:17,880  
he said he was going to tell anyone who

1333  
00:59:22,609 --> 00:59:20,880  
would listen in his extortion letter he

1334  
00:59:25,190 --> 00:59:22,619  
being Roger Richard Roger Richards okay

1335  
00:59:27,650 --> 00:59:25,200  
and you said earlier that you know for a

1336  
00:59:31,089 --> 00:59:27,660  
fact that Roger Richards passed along

1337  
00:59:33,530 --> 00:59:31,099  
the information to Jay Widener

1338  
00:59:35,510 --> 00:59:33,540

uh information the assistant in cyber

1339

00:59:39,109 --> 00:59:35,520

stalking how do you know I didn't okay

1340

00:59:41,930 --> 00:59:39,119

he passed information to Jay Weidner

1341

00:59:45,289 --> 00:59:41,940

about the cases the lawsuits

1342

00:59:46,789 --> 00:59:45,299

okay and what was uh what was that

1343

00:59:49,190 --> 00:59:46,799

information that you believe he passed

1344

00:59:51,650 --> 00:59:49,200

along I have to refer back to Jay

1345

00:59:53,390 --> 00:59:51,660

weidner's public comments okay so you're

1346

00:59:55,789 --> 00:59:53,400

saying the public comments where you

1347

00:59:57,109 --> 00:59:55,799

attributed things to Roger Richards I

1348

00:59:59,030 --> 00:59:57,119

just got off the phone with Roger

1349

01:00:01,430 --> 00:59:59,040

Richards and he said blah blah blah blah

1350

01:00:04,010 --> 01:00:01,440

blah blah blah and you produced a copy

1351

01:00:06,109 --> 01:00:04,020

of that into your journey right yeah

1352

01:00:09,410 --> 01:00:06,119

said yes yeah okay

1353

01:00:13,069 --> 01:00:11,690

Council it's 1205 I'm fine and keep on

1354

01:00:14,990 --> 01:00:13,079

going but I'm also fine to take a break

1355

01:00:17,030 --> 01:00:15,000

that's up to Mr Craig I'm gonna go a

1356

01:00:19,130 --> 01:00:17,040

little bit longer I'm gonna have some

1357

01:00:21,289 --> 01:00:19,140

lunch I guess sure

1358

01:00:23,870 --> 01:00:21,299

um so the allegations alcoholic drug

1359

01:00:25,309 --> 01:00:23,880

addict serial abuser of women let me

1360

01:00:27,710 --> 01:00:25,319

deal with the most sensitive one first

1361

01:00:29,470 --> 01:00:27,720

uh have you ever abused a woman never

1362

01:00:32,750 --> 01:00:29,480

okay

1363

01:00:35,930 --> 01:00:32,760

so never been accused of that other than

1364

01:00:41,270 --> 01:00:35,940

by Roger Richards

1365

01:00:44,630 --> 01:00:43,250

ever been accused of harming a woman in

1366

01:00:48,170 --> 01:00:44,640

any way but anyone other than Roger

1367

01:00:52,309 --> 01:00:48,180

Richards no so he's the only person yeah

1368

01:00:55,430 --> 01:00:52,319

well him and your other clients

1369

01:00:57,710 --> 01:00:55,440

and the drug addict uh what what drugs

1370

01:00:59,809 --> 01:00:57,720

you take per take up albeit on a

1371

01:01:01,430 --> 01:00:59,819

recreational basis uh marijuana okay

1372

01:01:04,190 --> 01:01:01,440

anything else no

1373

01:01:07,190 --> 01:01:04,200

okay so just marijuana on a regular

1374

01:01:10,549 --> 01:01:07,200

basis uh are you consider yourself an

1375

01:01:12,349 --> 01:01:10,559

addict no okay who would you consider an

1376

01:01:13,789 --> 01:01:12,359

addict

1377

01:01:15,349 --> 01:01:13,799

at what point would you consider someone

1378

01:01:17,450 --> 01:01:15,359

to be addicted

1379

01:01:19,910 --> 01:01:17,460

if they can't function without it I

1380

01:01:22,549 --> 01:01:19,920

guess can you function without it yeah

1381

01:01:24,530 --> 01:01:22,559

functioning right now

1382

01:01:27,650 --> 01:01:24,540

did you take it this morning no

1383

01:01:31,549 --> 01:01:27,660

when was the last time you predicted

1384

01:01:33,710 --> 01:01:31,559

I took a uh edible last night to help me

1385

01:01:35,809 --> 01:01:33,720

sleep

1386

01:01:37,609 --> 01:01:35,819

do you believe if

1387

01:01:39,109 --> 01:01:37,619

I'll bring you how long do you believe

1388

01:01:43,190 --> 01:01:39,119

the effects of the edible are with you

1389

01:01:47,270 --> 01:01:43,200

no more than uh like five hours usually

1390

01:01:50,329 --> 01:01:47,280

you wake up and then it's like taking uh

1391

01:01:51,650 --> 01:01:50,339

the other stuff you take melatonin in it

1392

01:01:53,450 --> 01:01:51,660

just helps you sleep through about half

1393

01:01:55,250 --> 01:01:53,460

the night and then you wake up how large

1394

01:01:58,730 --> 01:01:55,260

of a dose of an edible did you take last

1395

01:02:01,910 --> 01:02:00,589

and how often do you take that

1396

01:02:04,309 --> 01:02:01,920

uh

1397

01:02:06,589 --> 01:02:04,319

only when I know I need a good night's

1398

01:02:10,870 --> 01:02:08,210

getting to sleep is the problem not

1399

01:02:13,069 --> 01:02:10,880

sleeping okay and you mentioned

1400

01:02:15,589 --> 01:02:13,079

accusations about alcohol what's your

1401

01:02:19,010 --> 01:02:15,599

relationship with like without fall

1402

01:02:22,849 --> 01:02:19,020

I've drank here and there I haven't had

1403

01:02:25,390 --> 01:02:22,859

a drink probably in three months I had a

1404

01:02:27,650 --> 01:02:25,400

you know margarita with my Mexican food

1405

01:02:30,289 --> 01:02:27,660

at this altitude

1406

01:02:31,250 --> 01:02:30,299

drinking is stupid anyway but I am not a

1407

01:02:32,750 --> 01:02:31,260

drinker

1408

01:02:34,150 --> 01:02:32,760

so for three months you haven't had a

1409

01:02:36,470 --> 01:02:34,160

drink right now yeah

1410

01:02:37,910 --> 01:02:36,480

was there a time years ago where you

1411

01:02:39,049 --> 01:02:37,920

would consider yourself a more heavy

1412

01:02:40,910 --> 01:02:39,059

drinker

1413

01:02:44,210 --> 01:02:40,920

during times when

1414

01:02:47,630 --> 01:02:44,220

um during all of this what hasn't been

1415

01:02:50,329 --> 01:02:47,640

noted is that I had five very close

1416

01:02:52,910 --> 01:02:50,339

family members died within four years

1417

01:02:54,970 --> 01:02:52,920

and I had a major cyber stalking

1418

01:02:59,329 --> 01:02:54,980

campaign that was affecting my marriage

1419

01:03:01,430 --> 01:02:59,339

there were times to where like if I had

1420

01:03:04,430 --> 01:03:01,440

to fly out somewhere to go to an event

1421

01:03:08,150 --> 01:03:04,440

that I would drink on the plane but I

1422

01:03:09,650 --> 01:03:08,160

didn't drink at home and the only time I

1423

01:03:11,329 --> 01:03:09,660

would drink is what you know when I

1424

01:03:13,370 --> 01:03:11,339

would usually have one drink when I was

1425

01:03:15,829 --> 01:03:13,380

on a plane just to chill me out a little

1426

01:03:18,410 --> 01:03:15,839

bit because I don't like flying but

1427

01:03:20,150 --> 01:03:18,420

during time periods of heavy cyber

1428

01:03:21,470 --> 01:03:20,160

stalking me and stuff I would I would

1429

01:03:23,510 --> 01:03:21,480

consume a little too much on the plane

1430

01:03:26,930 --> 01:03:23,520

but not enough to be a nuisance

1431

01:03:29,030 --> 01:03:26,940

statement one okay

1432

01:03:31,730 --> 01:03:29,040

um like earlier I mentioned that car

1433

01:03:32,930 --> 01:03:31,740

yeah some event do you believe that you

1434

01:03:35,569 --> 01:03:32,940

may have drank a little too much on the

1435

01:03:38,750 --> 01:03:35,579

plane that day on the way to that

1436

01:03:38,760 --> 01:03:44,329

do you bro you fell oh

1437

01:03:48,230 --> 01:03:45,890

have you ever on occasion are you

1438

01:03:50,390 --> 01:03:48,240

familiar with brownout where you don't

1439

01:03:51,589 --> 01:03:50,400

remember quite everything

1440

01:03:53,870 --> 01:03:51,599

yeah

1441

01:03:55,849 --> 01:03:53,880

I know what it is have you ever been

1442

01:03:58,730 --> 01:03:55,859

told that you might have browned out

1443

01:04:00,650 --> 01:03:58,740

I don't think so no

1444

01:04:02,510 --> 01:04:00,660

one's ever told you that my wife hasn't

1445

01:04:03,770 --> 01:04:02,520

no and that's the person that would have

1446
