

the deposition of corey goode

session four

1  
00:00:23,160 --> 00:00:27,830  
foreign

2  
00:00:35,569 --> 00:00:30,710  
back on the record the time is 305 this

3  
00:00:39,410 --> 00:00:37,850  
okay before the break

4  
00:00:41,630 --> 00:00:39,420  
um we talked a little bit about your

5  
00:00:43,190 --> 00:00:41,640  
relationships with somebody you worked

6  
00:00:47,569 --> 00:00:43,200  
with did you ever have any sexual

7  
00:00:49,190 --> 00:00:47,579  
relations with any uh contractors of SBA

8  
00:00:52,910 --> 00:00:49,200  
no

9  
00:00:54,350 --> 00:00:52,920  
about any volunteers of spa

10  
00:00:56,689 --> 00:00:54,360  
do you ever have a sexual relationship

11  
00:00:59,450 --> 00:00:56,699  
with the executive assistant

12  
00:01:00,350 --> 00:00:59,460  
with Valerie is that the first one we

13  
00:01:02,270 --> 00:01:00,360

were talking about that's the only one

14

00:01:03,770 --> 00:01:02,280

yeah

15

00:01:05,570 --> 00:01:03,780

okay and you've got never had anyone

16

00:01:07,070 --> 00:01:05,580

else and claim they're being taken

17

00:01:10,070 --> 00:01:07,080

advantage of

18

00:01:13,490 --> 00:01:10,080

not that I know of

19

00:01:14,929 --> 00:01:13,500

and those distributions each month eight

20

00:01:18,530 --> 00:01:14,939

to twelve thousand dollars in your

21

00:01:20,950 --> 00:01:18,540

account for the

22

00:01:24,170 --> 00:01:20,960

proceeds

23

00:01:26,210 --> 00:01:24,180

what months are those heavier on the 12

24

00:01:27,890 --> 00:01:26,220

000 compared to the 8 000 side I'm not

25

00:01:31,010 --> 00:01:27,900

prepared to answer any of that stuff I

26

00:01:32,270 --> 00:01:31,020

don't that's more of the GES business

27

00:01:36,350 --> 00:01:32,280

kind of

28

00:01:39,230 --> 00:01:36,360

uh deposition stuff I mainly focused on

29

00:01:41,870 --> 00:01:39,240

preparing for all the personal

30

00:01:45,410 --> 00:01:41,880

and I mean the actual business numbers

31

00:01:48,170 --> 00:01:45,420

and all of that I I did not refresh

32

00:01:49,969 --> 00:01:48,180

myself before I came in

33

00:01:52,069 --> 00:01:49,979

okay

34

00:01:58,550 --> 00:01:52,079

we can get all that information too

35

00:02:01,969 --> 00:02:00,590

are you as a matter of fact Leon should

36

00:02:04,749 --> 00:02:01,979

have access to that because he has

37

00:02:07,789 --> 00:02:04,759

access to the dashboard

38

00:02:09,589 --> 00:02:07,799

so he should be able to log in and see

39

00:02:10,490 --> 00:02:09,599

all distributions

40

00:02:12,770 --> 00:02:10,500

okay

41

00:02:13,970 --> 00:02:12,780

and if if he doesn't have access you

42

00:02:16,910 --> 00:02:13,980

would give him that access that does

43

00:02:18,650 --> 00:02:16,920

yeah I can create I think they said I

44

00:02:20,750 --> 00:02:18,660

can create like an account

45

00:02:22,670 --> 00:02:20,760

that allows people to come in like for

46

00:02:24,350 --> 00:02:22,680

possible investors or people I'm

47

00:02:27,170 --> 00:02:24,360

pitching to for them to come in and look

48

00:02:30,290 --> 00:02:27,180

and stuff I guess so I can maybe create

49

00:02:33,470 --> 00:02:30,300

an account for you

50

00:02:36,309 --> 00:02:33,480

to disseminate to them okay and is it

51  
00:02:39,530 --> 00:02:36,319  
true that as far as above Majestic that

52  
00:02:43,309 --> 00:02:39,540  
the numbers I have here are Richards had

53  
00:02:45,290 --> 00:02:43,319  
25 percent of the proceeds Quarry good

54  
00:02:49,910 --> 00:02:45,300  
you had 20

55  
00:02:54,350 --> 00:02:49,920  
Wilcox had 15 Jordan at 15. do those

56  
00:02:58,369 --> 00:02:57,110  
I can't really recall I mean do you have

57  
00:03:01,130 --> 00:02:58,379  
any reason to disagree with those

58  
00:03:03,050 --> 00:03:01,140  
numbers I have no reason to think that

59  
00:03:05,390 --> 00:03:03,060  
you're gonna give me false numbers right

60  
00:03:06,650 --> 00:03:05,400  
now but uh but do you have any reason to

61  
00:03:07,850 --> 00:03:06,660  
disagree with those numbers I just gave

62  
00:03:09,890 --> 00:03:07,860  
you I

63  
00:03:11,570 --> 00:03:09,900

know and in addition with the remaining

64

00:03:16,009 --> 00:03:11,580

25 percent it would have been somehow

65

00:03:21,949 --> 00:03:19,190

I guess if that's what I don't I don't

66

00:03:24,229 --> 00:03:21,959

know do you believe that Kennedy

67

00:03:29,149 --> 00:03:24,239

had an interest in the proceeds of above

68

00:03:39,530 --> 00:03:32,030

I can't remember I'd need documentation

69

00:03:45,589 --> 00:03:41,809

have you ever paid anyone through

70

00:03:46,250 --> 00:03:45,599

Western Union to survey or surveil

71

00:03:47,809 --> 00:03:46,260

um

72

00:03:49,970 --> 00:03:47,819

private property of anybody who's

73

00:03:51,350 --> 00:03:49,980

criticizing you

74

00:03:53,990 --> 00:03:51,360

um there

75

00:03:58,009 --> 00:03:54,000

um let's see yeah there was a incident

76  
00:03:59,270 --> 00:03:58,019  
where I see Roger Richards had created a

77  
00:04:03,890 --> 00:03:59,280  
video

78  
00:04:05,570 --> 00:04:03,900  
um calling Richard Dr Greer a pedophile

79  
00:04:08,449 --> 00:04:05,580  
and all these other things and he had

80  
00:04:12,649 --> 00:04:08,459  
put it out anonymously and he told me

81  
00:04:16,210 --> 00:04:12,659  
you know if I put a little fear into

82  
00:04:18,469 --> 00:04:16,220  
Bill Ryan somehow that that would

83  
00:04:21,349 --> 00:04:18,479  
stop things he was not a real good

84  
00:04:24,230 --> 00:04:21,359  
influence on me but yeah there's a guy

85  
00:04:26,210 --> 00:04:24,240  
that bill Ryan had been leading the

86  
00:04:28,850 --> 00:04:26,220  
cyber stalking groups back in the past

87  
00:04:32,210 --> 00:04:28,860  
people even came to our houses it was

88  
00:04:35,270 --> 00:04:32,220

really scary and bizarre but yes there

89

00:04:38,170 --> 00:04:35,280

was a guy that sent us an email from

90

00:04:41,330 --> 00:04:38,180

Ecuador and he said

91

00:04:42,590 --> 00:04:41,340

Bill Ryan is causing all these problems

92

00:04:44,870 --> 00:04:42,600

and

93

00:04:46,370 --> 00:04:44,880

um you know with the people in the area

94

00:04:49,969 --> 00:04:46,380

I was talking about all the stuff that

95

00:04:53,749 --> 00:04:49,979

he was doing crime supposedly and uh

96

00:04:56,450 --> 00:04:53,759

said that uh and we we spoke back and

97

00:04:59,210 --> 00:04:56,460

forth and I finally I said would you

98

00:05:03,350 --> 00:04:59,220

send me videos of his house and of

99

00:05:05,210 --> 00:05:03,360

places around the city uh and and he did

100

00:05:06,770 --> 00:05:05,220

and I can't remember how much and this

101  
00:05:09,650 --> 00:05:06,780  
is of whose house

102  
00:05:11,990 --> 00:05:09,660  
uh Bill Ryan okay the one of the chief

103  
00:05:16,070 --> 00:05:12,000  
cyber stalkers and what was uh Mike

104  
00:05:17,150 --> 00:05:16,080  
waskowski uh knowledgeable about this I

105  
00:05:19,490 --> 00:05:17,160  
don't think so

106  
00:05:20,930 --> 00:05:19,500  
why not

107  
00:05:23,390 --> 00:05:20,940  
I don't

108  
00:05:25,490 --> 00:05:23,400  
Roger and I

109  
00:05:28,310 --> 00:05:25,500  
Roger edited the video

110  
00:05:31,610 --> 00:05:28,320  
I

111  
00:05:33,950 --> 00:05:31,620  
the that person sent the um that person

112  
00:05:36,830 --> 00:05:33,960  
yeah that I can't remember his name so

113  
00:05:40,909 --> 00:05:36,840

I'm trying in Ecuador that was neighbors

114

00:05:43,210 --> 00:05:40,919

with uh Bill Ryan sent me the video I

115

00:05:46,850 --> 00:05:43,220

sent the video to uh

116

00:05:49,909 --> 00:05:46,860

Roger Roger edited it all together added

117

00:05:53,870 --> 00:05:49,919

music to make it all scary and then he

118

00:05:55,310 --> 00:05:53,880

had a he posted it out I think to the

119

00:05:57,770 --> 00:05:55,320

internet in a way that it wouldn't go

120

00:06:01,189 --> 00:05:57,780

back to be traced back or something to

121

00:06:03,529 --> 00:06:01,199

you to any of us since it was us that

122

00:06:05,029 --> 00:06:03,539

did it and so why did you make that

123

00:06:08,390 --> 00:06:05,039

video why did you cause that video to be

124

00:06:10,670 --> 00:06:08,400

made well Rogers said he thought his

125

00:06:12,710 --> 00:06:10,680

Roger always refers to himself as a thug

126

00:06:14,510 --> 00:06:12,720

and he says sometimes these Thug tactics

127

00:06:17,090 --> 00:06:14,520

are what it takes to get over other

128

00:06:22,070 --> 00:06:17,100

thugs to back down I let him influence

129

00:06:23,809 --> 00:06:22,080

me a couple of times but uh you know

130

00:06:25,909 --> 00:06:23,819

you know when he was dealing with people

131

00:06:28,129 --> 00:06:25,919

and he said I went I had to go Thug on

132

00:06:30,050 --> 00:06:28,139

this person or Thug on that person I

133

00:06:31,730 --> 00:06:30,060

didn't really realize what he meant

134

00:06:34,610 --> 00:06:31,740

until things went South between me and

135

00:06:36,650 --> 00:06:34,620

him but he meant actual Thug

136

00:06:38,270 --> 00:06:36,660

but when he said that to you I have to

137

00:06:40,129 --> 00:06:38,280

go we have to go Thug on that person or

138

00:06:41,570 --> 00:06:40,139

we need to go Thug on that person you

139

00:06:43,730 --> 00:06:41,580

would agree

140

00:06:46,670 --> 00:06:43,740

um no he would tell me after the fact he

141

00:06:48,830 --> 00:06:46,680

would say this person uh was being a

142

00:06:50,450 --> 00:06:48,840

total pain in the ass like with involved

143

00:06:51,950 --> 00:06:50,460

with business and he said I had to go

144

00:06:53,330 --> 00:06:51,960

Thug on them well you just sent our

145

00:06:55,850 --> 00:06:53,340

emails you just said we need to go

146

00:06:58,969 --> 00:06:55,860

without as in future tense oh yeah he he

147

00:07:02,529 --> 00:06:58,979

did say about on that film he did say uh

148

00:07:04,550 --> 00:07:02,539

that you need to go Thug on these people

149

00:07:09,469 --> 00:07:04,560

that's the only thing that works on

150

00:07:12,110 --> 00:07:09,479

Thugs and he said that he so I created

151

00:07:14,870 --> 00:07:12,120

um well I didn't create the video I got

152

00:07:17,029 --> 00:07:14,880

the video sent to me and then those

153

00:07:19,610 --> 00:07:17,039

videos were sent to Roger and then Roger

154

00:07:22,010 --> 00:07:19,620

created the video and I believe he's the

155

00:07:24,710 --> 00:07:22,020

one that posted it out so you uh endorse

156

00:07:27,589 --> 00:07:24,720

these Thug tastic tactics in advance but

157

00:07:29,290 --> 00:07:27,599

sometimes it was inner ears well we had

158

00:07:31,550 --> 00:07:29,300

people uh

159

00:07:33,770 --> 00:07:31,560

threatening Us coming out to our house

160

00:07:35,029 --> 00:07:33,780

we had cyberstalk it was getting to a

161

00:07:36,469 --> 00:07:35,039

point to where it was getting really

162

00:07:39,890 --> 00:07:36,479

scary

163

00:07:42,290 --> 00:07:39,900

um and he uh Bill Ryan is a criminal

164

00:07:48,110 --> 00:07:42,300

that had fled other judgments and stuff

165

00:07:50,089 --> 00:07:48,120

to Ecuador a non-extradition area and he

166

00:07:52,909 --> 00:07:50,099

was hiding in the non-extradition area

167

00:07:55,610 --> 00:07:52,919

causing all kinds of problems not just

168

00:07:58,850 --> 00:07:55,620

for me but for other people but yeah

169

00:08:00,230 --> 00:07:58,860

unfortunately I did go along with Roger

170

00:08:06,529 --> 00:08:00,240

on

171

00:08:08,930 --> 00:08:06,539

um kind of after the fact he told me

172

00:08:11,809 --> 00:08:08,940

about the video with Dr Stephen Greer

173

00:08:13,370 --> 00:08:11,819

where he like really put some very nasty

174

00:08:14,809 --> 00:08:13,380

stuff out about him

175

00:08:18,589 --> 00:08:14,819

and released it through an anonymous

176

00:08:21,409 --> 00:08:18,599

video isn't it true that uh

177

00:08:24,290 --> 00:08:21,419

that Waskowski would testify to the fact

178

00:08:28,010 --> 00:08:24,300

that Richards refused to make this video

179

00:08:32,930 --> 00:08:29,570

um that would be interesting because

180

00:08:37,190 --> 00:08:32,940

Roger Richards is the one that edited it

181

00:08:39,529 --> 00:08:37,200

together and put the music to it

182

00:08:40,790 --> 00:08:39,539

um I think I edited them like they

183

00:08:43,010 --> 00:08:40,800

weren't in sequence I just put it all

184

00:08:44,990 --> 00:08:43,020

together into one big file sent it to

185

00:08:48,530 --> 00:08:45,000

Roger and he put them change put them

186

00:08:50,210 --> 00:08:48,540

all in sequence added music and I think

187

00:08:51,410 --> 00:08:50,220

he's the one that finally published it

188

00:08:52,730 --> 00:08:51,420

but I'm not sure

189

00:08:55,550 --> 00:08:52,740

because he's the one that published the

190

00:08:58,430 --> 00:08:55,560

anonymous video about Dr Greer

191

00:09:00,110 --> 00:08:58,440

okay and did my client this youngbud

192

00:09:02,449 --> 00:09:00,120

want to tell you about how her daughter

193

00:09:04,670 --> 00:09:02,459

was being stalked and you suggested that

194

00:09:06,530 --> 00:09:04,680

you could send someone out to talk to

195

00:09:09,710 --> 00:09:06,540

this stalker and set them straight no

196

00:09:11,210 --> 00:09:09,720

who said this didn't you suggest that to

197

00:09:13,970 --> 00:09:11,220

my client as young one

198

00:09:17,269 --> 00:09:13,980

that I could send someone out yes I that

199

00:09:19,070 --> 00:09:17,279

sounds like a Roger uh response okay so

200

00:09:20,570 --> 00:09:19,080

you never said that not that I can

201  
00:09:22,550 --> 00:09:20,580  
remember I don't remember ever saying

202  
00:09:24,170 --> 00:09:22,560  
that if maybe you can give me more of

203  
00:09:27,829 --> 00:09:24,180  
the actual

204  
00:09:30,410 --> 00:09:27,839  
incident sure her daughter being stalked

205  
00:09:34,009 --> 00:09:30,420  
your your response I'll help send

206  
00:09:39,110 --> 00:09:36,889  
only thing that I could have offered is

207  
00:09:41,630 --> 00:09:39,120  
I knew people who

208  
00:09:43,730 --> 00:09:41,640  
um do background searches former police

209  
00:09:45,009 --> 00:09:43,740  
and all of that that could help could

210  
00:09:47,930 --> 00:09:45,019  
help do what

211  
00:09:49,130 --> 00:09:47,940  
caused the problem to go away how would

212  
00:09:51,590 --> 00:09:49,140  
they cause a problem to go away if

213  
00:09:53,570 --> 00:09:51,600

there's a stalker well usually they

214

00:09:55,009 --> 00:09:53,580

these people have connections with local

215

00:09:56,170 --> 00:09:55,019

police

216

00:10:01,310 --> 00:09:56,180

um

217

00:10:03,230 --> 00:10:01,320

are all retired military and retired

218

00:10:06,110 --> 00:10:03,240

police a lot of them have contacted me

219

00:10:08,030 --> 00:10:06,120

since I've come out and you know just

220

00:10:11,329 --> 00:10:08,040

liked my work and I became friends with

221

00:10:12,490 --> 00:10:11,339

them and uh I also served in the Texas

222

00:10:16,070 --> 00:10:12,500

state guard

223

00:10:19,670 --> 00:10:16,080

with FBI members and all sorts of other

224

00:10:21,410 --> 00:10:19,680

people and uh you know in the past if

225

00:10:24,410 --> 00:10:21,420

someone is has a problem they're getting

226

00:10:26,690 --> 00:10:24,420

stalked or or whatever then they you

227

00:10:29,030 --> 00:10:26,700

know you give the information to your

228

00:10:34,850 --> 00:10:29,040

friends they contact the police motivate

229

00:10:37,910 --> 00:10:34,860

them to act or they uh you know send

230

00:10:42,050 --> 00:10:37,920

emails to the people to try to uh like

231

00:10:44,389 --> 00:10:42,060

uh if it's a young person that is uh

232

00:10:46,130 --> 00:10:44,399

stalking someone they would like you

233

00:10:48,410 --> 00:10:46,140

know contact their parents or whatever I

234

00:10:50,769 --> 00:10:48,420

mean it's that's these are like retired

235

00:10:53,090 --> 00:10:50,779

policemen but because of your status

236

00:10:55,250 --> 00:10:53,100

formerly you believed you had influence

237

00:10:57,009 --> 00:10:55,260

to get something done or because some of

238

00:10:59,690 --> 00:10:57,019

these other people had former status

239

00:11:02,509 --> 00:10:59,700

well because I was a public figure they

240

00:11:05,630 --> 00:11:02,519

looked up to me if I would have asked a

241

00:11:07,550 --> 00:11:05,640

retired police officer or uh or a

242

00:11:10,370 --> 00:11:07,560

colonel or whatever that I spoken to to

243

00:11:13,069 --> 00:11:10,380

uh talk with Adrian and help them come

244

00:11:15,050 --> 00:11:13,079

up with a game plan with stalkers they

245

00:11:18,290 --> 00:11:15,060

would probably more be be more than

246

00:11:22,069 --> 00:11:18,300

happy to okay now let's switch to the

247

00:11:23,389 --> 00:11:22,079

cause if you were trying to say that I

248

00:11:25,970 --> 00:11:23,399

was you know talking about people that

249

00:11:29,810 --> 00:11:25,980

were better Crushers that's yeah

250

00:11:31,130 --> 00:11:29,820

next question is about the cosmic Secret

251

00:11:34,870 --> 00:11:31,140

um

252

00:11:40,970 --> 00:11:34,880

my understanding is Richard's good

253

00:11:46,190 --> 00:11:43,190

do you remember any of those percentages

254

00:11:48,410 --> 00:11:46,200

approximately not out of memory now did

255

00:11:51,769 --> 00:11:48,420

Richard's percentage stay the same from

256

00:11:53,090 --> 00:11:51,779

above Majestic to the cosmic secret I

257

00:11:54,290 --> 00:11:53,100

can't recall

258

00:11:55,910 --> 00:11:54,300

okay

259

00:11:59,090 --> 00:11:55,920

yeah would you do you believe that your

260

00:12:01,130 --> 00:11:59,100

percentage has changed at all from the

261

00:12:02,569 --> 00:12:01,140

above Majestic production to the cosmic

262

00:12:04,310 --> 00:12:02,579

Secret

263

00:12:06,710 --> 00:12:04,320

who it has now since I bought out David

264

00:12:09,350 --> 00:12:06,720

Wilcock okay other than buying out David

265

00:12:11,569 --> 00:12:09,360

Wilcock did your percentage interest in

266

00:12:13,970 --> 00:12:11,579

the cosmic secret go up from what it was

267

00:12:16,550 --> 00:12:13,980

in the above Majestic I

268

00:12:17,750 --> 00:12:16,560

I believe it may have gone up a little I

269

00:12:19,730 --> 00:12:17,760

can't

270

00:12:21,470 --> 00:12:19,740

I don't recall where would you look to

271

00:12:23,690 --> 00:12:21,480

to find that information

272

00:12:26,389 --> 00:12:23,700

documentation what documentation would

273

00:12:30,050 --> 00:12:28,310

repeat the question again sure what

274

00:12:31,430 --> 00:12:30,060

documentation would you have that would

275

00:12:33,769 --> 00:12:31,440

refresh your recollection on the

276

00:12:35,630 --> 00:12:33,779

percentages as far as the profits from

277

00:12:37,430 --> 00:12:35,640

the cosmic Secret

278

00:12:40,069 --> 00:12:37,440

I don't know the names of the documents

279

00:12:42,470 --> 00:12:40,079

I saw them kicking around in all of this

280

00:12:44,870 --> 00:12:42,480

you brought some documents today hard

281

00:12:46,730 --> 00:12:44,880

copy you brought some documents soft

282

00:12:49,910 --> 00:12:46,740

copy that I think that stuff was stuff

283

00:12:52,610 --> 00:12:51,530

let me finish my question

284

00:12:55,490 --> 00:12:52,620

sorry

285

00:12:57,949 --> 00:12:55,500

uh you brought some documents soft copy

286

00:12:59,569 --> 00:12:57,959

some documents hard copy did any of the

287

00:13:01,550 --> 00:12:59,579

documents you brought in a hard copy

288

00:13:04,009 --> 00:13:01,560

format outline

289

00:13:05,569 --> 00:13:04,019

the distribution percentages

290

00:13:07,850 --> 00:13:05,579

between everyone I don't know what's

291

00:13:11,030 --> 00:13:07,860

hard and what's not this is hard

292

00:13:12,650 --> 00:13:11,040

I I don't know what you have there sure

293

00:13:13,790 --> 00:13:12,660

you didn't look over the documents you

294

00:13:15,670 --> 00:13:13,800

brought today I didn't look over the

295

00:13:21,110 --> 00:13:15,680

paper documents

296

00:13:26,090 --> 00:13:23,210

there's one document kicking around that

297

00:13:27,949 --> 00:13:26,100

Leon provided that uh

298

00:13:40,329 --> 00:13:27,959

has that information I don't know if

299

00:13:44,930 --> 00:13:43,730

did you ever see the percentages in a

300

00:13:48,470 --> 00:13:44,940

different

301  
00:13:50,509 --> 00:13:48,480  
uh numerical ratio than you believe to

302  
00:13:52,610 --> 00:13:50,519  
be true and correct or is it when Leon

303  
00:13:57,530 --> 00:13:52,620  
produced it to you was it the correct

304  
00:14:01,910 --> 00:13:59,329  
we just need to find it I don't remember

305  
00:14:03,350 --> 00:14:01,920  
seeing jumping up and down and saying oh

306  
00:14:06,050 --> 00:14:03,360  
no that's wrong that's wrong on

307  
00:14:07,910 --> 00:14:06,060  
something but at the same I I would

308  
00:14:09,889 --> 00:14:07,920  
rather have the document in front of me

309  
00:14:11,389 --> 00:14:09,899  
to be honest do you have another copy of

310  
00:14:14,150 --> 00:14:11,399  
that document

311  
00:14:16,730 --> 00:14:14,160  
uh you only brought one copy Council we

312  
00:14:22,970 --> 00:14:16,740  
didn't bring any paper

313  
00:14:28,610 --> 00:14:26,389

this is what I thought you brought no

314

00:14:32,449 --> 00:14:28,620

only hard copies of anything we brought

315

00:14:34,190 --> 00:14:32,459

was the franchise Bible and the

316

00:14:43,790 --> 00:14:34,200

okay

317

00:14:43,800 --> 00:14:54,790

yeah those are tax documents

318

00:14:54,800 --> 00:15:02,269

back on the record at 3 19.

319

00:15:06,230 --> 00:15:04,310

did you ever claim ownership of her

320

00:15:10,069 --> 00:15:06,240

comic book called Return of the

321

00:15:16,490 --> 00:15:12,829

yeah Return of the Guardians was the

322

00:15:18,670 --> 00:15:16,500

comic book that we put out as a thank

323

00:15:21,710 --> 00:15:18,680

you to people who pre-ordered

324

00:15:23,030 --> 00:15:21,720

the graphic the old graphic novel The

325

00:15:25,430 --> 00:15:23,040

Graphic novel I have now is a totally

326

00:15:27,949 --> 00:15:25,440

different one

327

00:15:34,009 --> 00:15:27,959

to thank the person that the people who

328

00:15:43,790 --> 00:15:37,250

when you say we put out who's the we

329

00:15:48,170 --> 00:15:46,550

uh and what work did you do on the

330

00:15:51,470 --> 00:15:48,180

intellectual property for the comic book

331

00:15:53,509 --> 00:15:51,480

Return of the Guardians it was based on

332

00:15:57,710 --> 00:15:53,519

all the information that I'd already put

333

00:16:02,269 --> 00:16:00,350

okay and who's entitled to the profits

334

00:16:06,829 --> 00:16:02,279

from that there were no prophets it was

335

00:16:06,839 --> 00:16:11,150

okay has it ever been sold no

336

00:16:15,110 --> 00:16:13,069

okay what about the the not graphic

337

00:16:16,610 --> 00:16:15,120

novel 20 and back

338

00:16:18,230 --> 00:16:16,620

we never

339

00:16:20,750 --> 00:16:18,240

um completed that because of all the

340

00:16:24,110 --> 00:16:20,760

damage uh Roger had done to the

341

00:16:25,730 --> 00:16:24,120

storyline and uh the all the Arts and

342

00:16:28,129 --> 00:16:25,740

everything was not contiguous didn't

343

00:16:31,090 --> 00:16:28,139

match it was a horrible horrible mess so

344

00:16:34,970 --> 00:16:31,100

we had to go higher a professional

345

00:16:39,590 --> 00:16:37,850

uh who was amazing and then we started

346

00:16:43,030 --> 00:16:39,600

from scratch and completed this

347

00:16:45,350 --> 00:16:43,040

completely different graphic novel

348

00:16:47,210 --> 00:16:45,360

this is not the same graphic novel that

349

00:16:49,009 --> 00:16:47,220

I was working on with your clients this

350

00:16:50,930 --> 00:16:49,019

is a completely different product okay

351  
00:16:52,790 --> 00:16:50,940  
was uh

352  
00:16:55,430 --> 00:16:52,800  
responsible for doing the art

353  
00:16:57,769 --> 00:16:55,440  
on the graphic novel 20 and back on the

354  
00:17:00,410 --> 00:16:57,779  
old one no he was not responsible he

355  
00:17:05,449 --> 00:17:00,420  
just laid out bullet points for the

356  
00:17:06,770 --> 00:17:05,459  
story and uh gave the artist basic

357  
00:17:08,630 --> 00:17:06,780  
instructions which weren't enough

358  
00:17:11,169 --> 00:17:08,640  
because it wasn't a script so the artist

359  
00:17:15,230 --> 00:17:11,179  
basically

360  
00:17:18,289 --> 00:17:15,240  
uh spoke to me all the time about how

361  
00:17:20,990 --> 00:17:18,299  
the art should look and go so

362  
00:17:23,390 --> 00:17:21,000  
um he and I we have there was a whole uh

363  
00:17:26,449 --> 00:17:23,400

Facebook group we used for a while just

364

00:17:27,130 --> 00:17:26,459

for that and we used that and then

365

00:17:31,610 --> 00:17:27,140

um

366

00:17:36,529 --> 00:17:31,620

telegram I believe is how he and I uh

367

00:17:38,330 --> 00:17:36,539

would communicate one-on-one okay so I

368

00:17:40,190 --> 00:17:38,340

was working on it but he didn't complete

369

00:17:42,590 --> 00:17:40,200

it didn't get the art it was half-ass

370

00:17:45,409 --> 00:17:42,600

working on it because I didn't want to

371

00:17:46,490 --> 00:17:45,419

okay but he he did some of you say he

372

00:17:49,490 --> 00:17:46,500

didn't want to how did you know he

373

00:17:51,470 --> 00:17:49,500

didn't want to he said I don't want to

374

00:17:54,409 --> 00:17:51,480

okay do you ever put that an email or a

375

00:17:56,510 --> 00:17:54,419

text to you uh he called me and tried to

376

00:18:00,470 --> 00:17:56,520

talk me out of it I think it's probably

377

00:18:04,310 --> 00:18:00,480

uh in well my response talks between uh

378

00:18:06,950 --> 00:18:04,320

Leon and me uh are are there where Leon

379

00:18:08,450 --> 00:18:06,960

acknowledges you know the situation that

380

00:18:10,190 --> 00:18:08,460

Roger didn't want to do the book he had

381

00:18:12,830 --> 00:18:10,200

to talk Roger into it as a matter of

382

00:18:14,630 --> 00:18:12,840

fact Roger wasn't supposed to be

383

00:18:16,430 --> 00:18:14,640

involved with the cosmic secret he

384

00:18:18,049 --> 00:18:16,440

wasn't supposed to direct it or do

385

00:18:20,390 --> 00:18:18,059

anything on it until he had completed

386

00:18:22,190 --> 00:18:20,400

the graphic novel that we submitted to

387

00:18:23,650 --> 00:18:22,200

him in writing and they just totally

388

00:18:26,630 --> 00:18:23,660

ignored it and

389

00:18:29,470 --> 00:18:26,640  
went and hijacked the entire story

390

00:18:33,110 --> 00:18:29,480  
didn't stick to my outline

391

00:18:36,049 --> 00:18:33,120  
and created something that I was

392

00:18:38,150 --> 00:18:36,059  
extremely unhappy with okay quality wise

393

00:18:41,690 --> 00:18:38,160  
and content-wise now the cosmic secret

394

00:18:42,950 --> 00:18:41,700  
when did you stop selling that

395

00:18:44,570 --> 00:18:42,960  
what do you mean

396

00:18:47,990 --> 00:18:44,580  
when did you stop selling that because

397

00:18:49,310 --> 00:18:48,000  
it's for free right now right oh it's uh

398

00:18:52,490 --> 00:18:49,320  
uh

399

00:18:55,610 --> 00:18:52,500  
earning like a little bit of Revenue off

400

00:18:59,510 --> 00:18:55,620  
of advertisings on YouTube but it's

401  
00:19:01,490 --> 00:18:59,520  
still being sold like on iTunes and

402  
00:19:03,049 --> 00:19:01,500  
Amazon and that sort of thing okay so

403  
00:19:05,210 --> 00:19:03,059  
how much revenue do you get per month

404  
00:19:07,549 --> 00:19:05,220  
approximately on the cosmic secret I

405  
00:19:08,870 --> 00:19:07,559  
don't know uh they're both come in

406  
00:19:12,710 --> 00:19:08,880  
together

407  
00:19:14,750 --> 00:19:12,720  
to wear uh to that to the uh Bank to the

408  
00:19:17,090 --> 00:19:14,760  
same bank account there it's all sent as

409  
00:19:18,590 --> 00:19:17,100  
one distribution and both of the films

410  
00:19:23,090 --> 00:19:18,600  
are like eight to twelve Grand a month

411  
00:19:27,789 --> 00:19:25,070  
your advertising Revenue comes through

412  
00:19:33,250 --> 00:19:27,799  
the same deposit

413  
00:19:38,029 --> 00:19:36,289

accountant it's not different deposits

414

00:19:39,289 --> 00:19:38,039

each month

415

00:19:41,270 --> 00:19:39,299

I don't still don't understand the

416

00:19:46,310 --> 00:19:41,280

question correct when you get ad revenue

417

00:19:47,630 --> 00:19:46,320

from YouTube oh that is all a part of

418

00:19:50,990 --> 00:19:47,640

that's all part of that same

419

00:19:52,250 --> 00:19:51,000

distribution okay

420

00:20:00,049 --> 00:19:52,260

I'm gonna have to use the restroom again

421

00:20:09,010 --> 00:20:02,390

okay and that's your GES account those

422

00:20:15,490 --> 00:20:11,770

and the the percentages

423

00:20:18,350 --> 00:20:15,500

uh of what people are owed

424

00:20:21,770 --> 00:20:18,360

those are memorialized in emails back

425

00:20:29,150 --> 00:20:25,130

um the percentages people are owed from

426  
00:20:30,529 --> 00:20:29,160  
from like Cosmic uh the percentages you

427  
00:20:33,409 --> 00:20:30,539  
were talking about earlier yes okay

428  
00:20:35,390 --> 00:20:33,419  
thank you uh I I'm sure those went

429  
00:20:37,490 --> 00:20:35,400  
around an email at some point that they

430  
00:20:39,830 --> 00:20:37,500  
had to have

431  
00:20:57,430 --> 00:20:39,840  
I need to go to the restroom okay we

432  
00:21:03,890 --> 00:21:01,970  
back on the record at 3 28.

433  
00:21:08,090 --> 00:21:03,900  
do you have anything to change uh from

434  
00:21:12,890 --> 00:21:09,169  
um I want to make sure I'm understanding

435  
00:21:13,490 --> 00:21:12,900  
everything the funds that

436  
00:21:17,750 --> 00:21:13,500  
um

437  
00:21:19,789 --> 00:21:17,760  
are for the SBA entertainment actions

438  
00:21:21,650 --> 00:21:19,799

they're right now being paid into the

439

00:21:25,010 --> 00:21:21,660

GES

440

00:21:26,930 --> 00:21:25,020

right yes

441

00:21:29,870 --> 00:21:26,940

okay

442

00:21:33,529 --> 00:21:29,880

and so both the above Majestic and

443

00:21:37,130 --> 00:21:33,539

Cosmic secret proceeds are going into a

444

00:21:38,990 --> 00:21:37,140

GES Wells Fargo account that's one

445

00:21:45,169 --> 00:21:39,000

deposit

446

00:21:47,390 --> 00:21:45,179

going into an SBA bank account

447

00:21:50,630 --> 00:21:47,400

I don't have an SBA company anymore I

448

00:21:50,640 --> 00:21:55,970

when did you dissolve that company

449

00:22:01,010 --> 00:21:58,610

I and

450

00:22:02,029 --> 00:22:01,020

the last two years

451  
00:22:05,630 --> 00:22:02,039  
okay

452  
00:22:07,549 --> 00:22:05,640  
and I think the SBA entertainment LLC

453  
00:22:12,950 --> 00:22:07,559  
was set up

454  
00:22:17,270 --> 00:22:15,230  
like you signed it

455  
00:22:19,490 --> 00:22:17,280  
I'm sorry you signed it and Incorporated

456  
00:22:22,010 --> 00:22:19,500  
it right Incorporated it

457  
00:22:24,169 --> 00:22:22,020  
I can't remember which ones there were

458  
00:22:26,510 --> 00:22:24,179  
there were so many that came in and out

459  
00:22:28,970 --> 00:22:26,520  
I would need to see the

460  
00:22:32,090 --> 00:22:28,980  
paper before I could

461  
00:22:35,029 --> 00:22:32,100  
answer it definitively so isn't SBA

462  
00:22:36,590 --> 00:22:35,039  
entertainment LLC the one that was the

463  
00:22:43,029 --> 00:22:36,600

supposed to be receiving the

464

00:22:48,289 --> 00:22:44,930

Leon's

465

00:22:51,169 --> 00:22:48,299

company it was SBA media I thought it

466

00:22:53,570 --> 00:22:51,179

could be SBA entertainment there was SBA

467

00:23:00,770 --> 00:22:53,580

publishing there was just Roger was just

468

00:23:07,850 --> 00:23:02,930

and you you sent emails to Roger tell

469

00:23:11,510 --> 00:23:09,590

no have you seen any text messages

470

00:23:14,390 --> 00:23:11,520

telling Roger to stop creating so many

471

00:23:15,770 --> 00:23:14,400

companies no I don't remember I just

472

00:23:17,810 --> 00:23:15,780

would have to look through I don't

473

00:23:19,730 --> 00:23:17,820

remember but you know I didn't send him

474

00:23:22,250 --> 00:23:19,740

a text telling him to create companies a

475

00:23:24,710 --> 00:23:22,260

bunch of companies well when you you

476

00:23:26,990 --> 00:23:24,720

kept getting documents to create new

477

00:23:29,090 --> 00:23:27,000

companies did you ever send a response

478

00:23:30,710 --> 00:23:29,100

back and say stop I would have to look

479

00:23:32,450 --> 00:23:30,720

at the documents I mean at the

480

00:23:34,370 --> 00:23:32,460

documentation to see if I even received

481

00:23:35,930 --> 00:23:34,380

documents

482

00:23:38,450 --> 00:23:35,940

um a lot of the times it was just talk

483

00:23:41,450 --> 00:23:38,460

over a phone he'd be like oh well I

484

00:23:45,169 --> 00:23:41,460

already executed that uh entity

485

00:23:47,029 --> 00:23:45,179

uh we can no no problem we can just uh

486

00:23:49,909 --> 00:23:47,039

dissolve it if it doesn't work out you

487

00:23:52,909 --> 00:23:49,919

know it was I it wasn't us sitting here

488

00:23:54,890 --> 00:23:52,919

having a conversation always about let's

489

00:23:56,330 --> 00:23:54,900

create a company it was Roger had all

490

00:23:58,549 --> 00:23:56,340

these big ideas and he would just get

491

00:24:00,289 --> 00:23:58,559

all carried away and he would get on the

492

00:24:04,610 --> 00:24:00,299

phone with us have the diary of the

493

00:24:07,190 --> 00:24:04,620

mouth thing and then you know

494

00:24:09,289 --> 00:24:07,200

have a lot of it already in motion that

495

00:24:11,510 --> 00:24:09,299

you know of what he wanted to do that's

496

00:24:14,149 --> 00:24:11,520

I think how a number of these companies

497

00:24:16,250 --> 00:24:14,159

got started now the above Majestic and

498

00:24:18,830 --> 00:24:16,260

the cosmic secret profits for about a

499

00:24:20,990 --> 00:24:18,840

year their distributions uh every month

500

00:24:23,270 --> 00:24:21,000

and there's no complaints from anybody

501  
00:24:24,890 --> 00:24:23,280  
is that right

502  
00:24:28,610 --> 00:24:24,900  
um

503  
00:24:30,490 --> 00:24:28,620  
no uh there's complaints from

504  
00:24:35,810 --> 00:24:30,500  
uh

505  
00:24:37,390 --> 00:24:35,820  
gotten paid

506  
00:24:42,169 --> 00:24:37,400  
a number of times

507  
00:24:43,850 --> 00:24:42,179  
David complained with me that Leon on

508  
00:24:44,890 --> 00:24:43,860  
certain months had decided not to pay

509  
00:24:48,350 --> 00:24:44,900  
him

510  
00:24:51,289 --> 00:24:48,360  
that was during the first year

511  
00:24:54,049 --> 00:24:51,299  
oh I I believe so but uh

512  
00:24:56,630 --> 00:24:54,059  
yeah the uh in the beginning you know

513  
00:24:59,029 --> 00:24:56,640

the uh distribution seemed to be going

514

00:25:01,730 --> 00:24:59,039

out you know you know pretty smoothly

515

00:25:03,230 --> 00:25:01,740

but then it got to where he was how many

516

00:25:06,350 --> 00:25:03,240

months did it go out pretty smoothly to

517

00:25:11,210 --> 00:25:08,990

like I don't know six or nine months

518

00:25:13,310 --> 00:25:11,220

maybe this is just completely

519

00:25:14,930 --> 00:25:13,320

I I don't know okay so six to nine

520

00:25:16,190 --> 00:25:14,940

months somewhere around there seem to be

521

00:25:17,270 --> 00:25:16,200

going out smoothly no one was

522

00:25:18,890 --> 00:25:17,280

complaining

523

00:25:20,750 --> 00:25:18,900

who is the first person to complained

524

00:25:24,409 --> 00:25:20,760

was it Brian

525

00:25:28,789 --> 00:25:24,419

uh see I I don't know when the time

526

00:25:33,230 --> 00:25:30,649

um that might have been the second film

527

00:25:35,090 --> 00:25:33,240

Cosmic secret those are kind of bleeding

528

00:25:37,669 --> 00:25:35,100

in together for me

529

00:25:41,510 --> 00:25:37,679

um that he got five percent so it would

530

00:25:44,450 --> 00:25:41,520

have been later on when that complaint

531

00:25:46,549 --> 00:25:44,460

uh was registered so for a while every

532

00:25:49,010 --> 00:25:46,559

everybody was fine they were getting

533

00:25:51,169 --> 00:25:49,020

their monies within each month right yep

534

00:25:53,330 --> 00:25:51,179

and then it started changing as the

535

00:25:55,310 --> 00:25:53,340

distributions uh started getting you

536

00:25:56,570 --> 00:25:55,320

know at first they were really large and

537

00:25:59,149 --> 00:25:56,580

then they started getting smaller and

538

00:26:00,710 --> 00:25:59,159

smaller and then uh that's when things

539

00:26:02,029 --> 00:26:00,720

started becoming more and more wonky

540

00:26:05,930 --> 00:26:02,039

about if you were going to get paid that

541

00:26:07,549 --> 00:26:05,940

month or if uh Leon decided uh you know

542

00:26:09,649 --> 00:26:07,559

Roger has a big problem he needs to get

543

00:26:12,289 --> 00:26:09,659

paid more than someone else or

544

00:26:15,830 --> 00:26:12,299

that that kind of stuff happened pretty

545

00:26:18,409 --> 00:26:15,840

constantly after the money started uh

546

00:26:20,029 --> 00:26:18,419

uh the distributions were lower okay so

547

00:26:21,710 --> 00:26:20,039

during those first six to nine months

548

00:26:22,610 --> 00:26:21,720

did you thank Leon for doing some great

549

00:26:23,990 --> 00:26:22,620

work

550

00:26:26,930 --> 00:26:24,000

well

551  
00:26:29,750 --> 00:26:26,940  
yeah Leon came in he had me completely

552  
00:26:31,909 --> 00:26:29,760  
convinced that he was the biggest thing

553  
00:26:34,610 --> 00:26:31,919  
from that ever hit Hollywood and that he

554  
00:26:37,490 --> 00:26:34,620  
was yeah I was still under as long as I

555  
00:26:40,370 --> 00:26:37,500  
was under the delusion yeah I was I was

556  
00:26:43,190 --> 00:26:40,380  
thanking him and as red flags were

557  
00:26:48,529 --> 00:26:43,200  
popping up those accolades went down as

558  
00:26:53,930 --> 00:26:51,350  
became a lot of arguing of me you know

559  
00:26:56,350 --> 00:26:53,940  
saying hey this is my company this is my

560  
00:26:59,029 --> 00:26:56,360  
IP you all agreed to do it this way

561  
00:27:00,470 --> 00:26:59,039  
you're you're not doing it you and Roger

562  
00:27:02,450 --> 00:27:00,480  
were conspiring and doing all this other

563  
00:27:05,630 --> 00:27:02,460

stuff and that's what it all became

564

00:27:07,610 --> 00:27:05,640

about now in February of 2020 Liz Laurie

565

00:27:09,350 --> 00:27:07,620

on your behalf wrote to Kennedy and

566

00:27:11,330 --> 00:27:09,360

demanded that Kennedy sent all the

567

00:27:13,370 --> 00:27:11,340

incoming monies from

568

00:27:15,769 --> 00:27:13,380

to you right

569

00:27:18,169 --> 00:27:15,779

I don't think so no to send all the

570

00:27:21,169 --> 00:27:18,179

money to me yes

571

00:27:24,769 --> 00:27:21,179

I don't in February of 2020 I don't I

572

00:27:26,149 --> 00:27:24,779

don't remember her that I had never

573

00:27:28,430 --> 00:27:26,159

I didn't talk with I don't remember

574

00:27:30,890 --> 00:27:28,440

talking with anyone about having the

575

00:27:33,769 --> 00:27:30,900

money sent to me in my account until

576

00:27:37,010 --> 00:27:33,779

after uh we had tried for about a year

577

00:27:39,049 --> 00:27:37,020

to get uh Leon and Roger and all of them

578

00:27:43,130 --> 00:27:39,059

to come to the table and after that year

579

00:27:45,830 --> 00:27:43,140

when if if they in your mind weren't

580

00:27:47,210 --> 00:27:45,840

doing what they wanted you to if they

581

00:27:49,970 --> 00:27:47,220

weren't doing what you wanted them to do

582

00:27:51,110 --> 00:27:49,980

what did you have done next

583

00:27:52,610 --> 00:27:51,120

um it wasn't just that they weren't

584

00:27:54,350 --> 00:27:52,620

doing what I wanted them to do they

585

00:27:57,529 --> 00:27:54,360

weren't handling the distributions

586

00:28:01,730 --> 00:27:57,539

properly they weren't giving the

587

00:28:04,010 --> 00:28:01,740

everyone access to the numbers like uh

588

00:28:06,230 --> 00:28:04,020

was promised there wasn't an accountant

589

00:28:08,149 --> 00:28:06,240

like was promised people were getting

590

00:28:10,970 --> 00:28:08,159

more and more concerned all right is

591

00:28:13,789 --> 00:28:10,980

there an accountant now for me for the

592

00:28:16,250 --> 00:28:13,799

cosmic secret and above yes who is that

593

00:28:17,690 --> 00:28:16,260

accountant uh you asked me that earlier

594

00:28:20,570 --> 00:28:17,700

it's that's why you're going to kill in

595

00:28:22,070 --> 00:28:20,580

later yeah okay

596

00:28:24,830 --> 00:28:22,080

and you're saying that account is

597

00:28:25,909 --> 00:28:24,840

holding back the percentages uh for

598

00:28:28,130 --> 00:28:25,919

anybody who's not getting their

599

00:28:30,230 --> 00:28:28,140

percentages from above Majestic and

600

00:28:32,029 --> 00:28:30,240

Cosmic secret those monies are still

601  
00:28:34,010 --> 00:28:32,039  
sitting in an account correct

602  
00:28:36,649 --> 00:28:34,020  
well some of the money has been used

603  
00:28:39,769 --> 00:28:36,659  
after well

604  
00:28:41,870 --> 00:28:39,779  
um after your clients came out and

605  
00:28:43,190 --> 00:28:41,880  
destroyed all ability to make Revenue

606  
00:28:45,350 --> 00:28:43,200  
you took the money out of the account

607  
00:28:47,029 --> 00:28:45,360  
some of the money yes why would you take

608  
00:28:49,130 --> 00:28:47,039  
the money out of their account if that's

609  
00:28:51,649 --> 00:28:49,140  
a disputed out of his account out of

610  
00:28:54,409 --> 00:28:51,659  
that account that that account where the

611  
00:28:56,750 --> 00:28:54,419  
proceeds from above Majestic and Cosmic

612  
00:28:59,149 --> 00:28:56,760  
secret are if those are disputed funds

613  
00:29:02,510 --> 00:28:59,159

they're just as disputed as the DVD

614

00:29:03,850 --> 00:29:02,520

funds are they not and uh I'm the only

615

00:29:08,330 --> 00:29:03,860

one that's

616

00:29:11,210 --> 00:29:08,340

being open with these uh other

617

00:29:13,909 --> 00:29:11,220

shareholders we've

618

00:29:14,990 --> 00:29:13,919

gave them an email saying that you know

619

00:29:17,990 --> 00:29:15,000

all of this is going to be figured out

620

00:29:19,250 --> 00:29:18,000

by forensic accountants it is my opinion

621

00:29:22,930 --> 00:29:19,260

that we're going to be able to buy out

622

00:29:28,310 --> 00:29:22,940

most of the people if not all of them

623

00:29:31,669 --> 00:29:28,320

and I have some uh I will probably have

624

00:29:33,230 --> 00:29:31,679

some very significant funds coming by

625

00:29:35,029 --> 00:29:33,240

the end of this year or the beginning of

626

00:29:37,669 --> 00:29:35,039

next year but I'm just going to buy

627

00:29:40,190 --> 00:29:37,679

everyone out as of right now you have

628

00:29:42,409 --> 00:29:40,200

used my clients funds or proceeds from

629

00:29:43,970 --> 00:29:42,419

above Majestic and the cosmic secret and

630

00:29:49,970 --> 00:29:43,980

done something with them correct just as

631

00:29:53,630 --> 00:29:51,289

thank you

632

00:29:55,669 --> 00:29:53,640

how much in funds from above Majestic

633

00:29:57,889 --> 00:29:55,679

and Cosmic secret have you taken from my

634

00:30:00,649 --> 00:29:57,899

clients portions I have no idea I'll

635

00:30:02,330 --> 00:30:00,659

have to we'll have to provide that

636

00:30:05,510 --> 00:30:02,340

okay if I left the blank here you can

637

00:30:08,990 --> 00:30:05,520

provide that I believe so okay

638

00:30:14,510 --> 00:30:09,000

um how about uh

639

00:30:18,230 --> 00:30:16,010

you're a 16 and a half percent

640

00:30:21,230 --> 00:30:18,240

participant in Cosmic secret is that

641

00:30:25,789 --> 00:30:23,810

a 16 and a half participant what does

642

00:30:27,649 --> 00:30:25,799

that mean in in the cosmic secret you

643

00:30:29,690 --> 00:30:27,659

have 16 and a half percentage points of

644

00:30:31,850 --> 00:30:29,700

the profits correct

645

00:30:33,529 --> 00:30:31,860

I don't think that's correct what what

646

00:30:36,230 --> 00:30:33,539

percentage do you believe is correct I

647

00:30:38,389 --> 00:30:36,240

thought they were both in the like 25

648

00:30:40,450 --> 00:30:38,399

okay my understanding is above Majestic

649

00:30:43,610 --> 00:30:40,460

is 20 not 25.

650

00:30:47,210 --> 00:30:43,620

earlier you said 25 but my Doctrine

651

00:30:49,389 --> 00:30:47,220  
showed 20. what document uh

652

00:30:53,210 --> 00:30:49,399  
what document do you believe

653

00:31:00,230 --> 00:30:53,220  
specifically would show that it's 20

654

00:31:04,909 --> 00:31:02,029  
the same document we were discussing

655

00:31:12,769 --> 00:31:10,010  
but I don't remember 15 or 16 percent uh

656

00:31:16,549 --> 00:31:12,779  
percentage on

657

00:31:21,110 --> 00:31:19,370  
seemed like it was higher to me okay and

658

00:31:22,370 --> 00:31:21,120  
that would be memorialized in a document

659

00:31:23,289 --> 00:31:22,380  
that you don't know the title of the

660

00:31:26,029 --> 00:31:23,299  
document

661

00:31:27,470 --> 00:31:26,039  
it wouldn't what does it Exchange in

662

00:31:29,990 --> 00:31:27,480  
emails

663

00:31:32,269 --> 00:31:30,000

yeah it would have most likely been in

664

00:31:33,889 --> 00:31:32,279

emails too okay and in Cosmic secret you

665

00:31:37,070 --> 00:31:33,899

had the same percentage ownership that

666

00:31:39,470 --> 00:31:37,080

David Wilcock had correct I think that

667

00:31:41,930 --> 00:31:39,480

sounds familiar correct and Roger

668

00:31:43,070 --> 00:31:41,940

Richards had slightly less than you I

669

00:31:45,470 --> 00:31:43,080

believe so

670

00:31:46,730 --> 00:31:45,480

okay he wasn't supposed to be involved

671

00:31:48,769 --> 00:31:46,740

at all

672

00:31:50,690 --> 00:31:48,779

but somehow he became involved yeah

673

00:31:52,130 --> 00:31:50,700

without Kennedy shoved him down my

674

00:31:54,049 --> 00:31:52,140

throat he was supposed to do the graphic

675

00:31:56,930 --> 00:31:54,059

novel first and that was a part of the

676

00:31:59,149 --> 00:31:56,940

agreement between me and Leon and Leon

677

00:32:01,370 --> 00:31:59,159

made an executive decision as he always

678

00:32:02,930 --> 00:32:01,380

did to tell Corey one thing and do

679

00:32:07,490 --> 00:32:02,940

another

680

00:32:10,789 --> 00:32:07,500

and I didn't know Roger was going to be

681

00:32:12,769 --> 00:32:10,799

directing it until like the very end and

682

00:32:14,630 --> 00:32:12,779

I asked the person that was supposed to

683

00:32:16,250 --> 00:32:14,640

be director

684

00:32:17,510 --> 00:32:16,260

and he didn't even know what happened he

685

00:32:19,909 --> 00:32:17,520

said they just totally took it and

686

00:32:22,789 --> 00:32:19,919

didn't didn't really say any giving

687

00:32:25,730 --> 00:32:22,799

really any good reason why did you

688

00:32:30,649 --> 00:32:25,740

choose to put Cosmic secret on YouTube

689

00:32:32,930 --> 00:32:30,659

for free I didn't that was uh

690

00:32:35,330 --> 00:32:32,940

did it it's not free they're earning

691

00:32:36,889 --> 00:32:35,340

money off of advertising right but they

692

00:32:38,930 --> 00:32:36,899

but no one has to pay to watch it other

693

00:32:41,029 --> 00:32:38,940

than watching an ad right

694

00:32:43,909 --> 00:32:41,039

but no more licensing deals can be done

695

00:32:45,529 --> 00:32:43,919

because it's out there and

696

00:32:47,389 --> 00:32:45,539

for free on using YouTube That's not

697

00:32:48,470 --> 00:32:47,399

necessarily true so you believe you

698

00:32:49,850 --> 00:32:48,480

still have a chance to do a future

699

00:32:53,330 --> 00:32:49,860

licensing deal

700

00:32:56,750 --> 00:32:53,340

I would I wouldn't say why not okay the

701

00:32:57,889 --> 00:32:56,760

being put out there free was done by

702

00:33:00,710 --> 00:32:57,899

um

703

00:33:02,630 --> 00:33:00,720

and if they damage the property by

704

00:33:05,630 --> 00:33:02,640

making it not marketable like that then

705

00:33:08,269 --> 00:33:05,640

that would be a big problem

706

00:33:10,370 --> 00:33:08,279

okay and right now you're saying

707

00:33:11,990 --> 00:33:10,380

the one that put that on on YouTube

708

00:33:14,330 --> 00:33:12,000

right correct

709

00:33:16,190 --> 00:33:14,340

did they notify you in writing that they

710

00:33:18,830 --> 00:33:16,200

were doing that yes did you get the

711

00:33:23,090 --> 00:33:18,840

permission of the other uh participants

712

00:33:24,889 --> 00:33:23,100

to do that it was not a

713

00:33:27,350 --> 00:33:24,899

they weren't asking me for my permission

714

00:33:29,389 --> 00:33:27,360

who was in 1991. they just told me that

715

00:33:31,630 --> 00:33:29,399

they informed me yeah did you inform the

716

00:33:36,110 --> 00:33:31,640

others that that's what I wanted to do

717

00:33:37,789 --> 00:33:36,120

that was done after all of the lawsuits

718

00:33:39,830 --> 00:33:37,799

and all of that began so you don't

719

00:33:42,110 --> 00:33:39,840

believe that you had any duty to notify

720

00:33:43,909 --> 00:33:42,120

the others as far as what communicating

721

00:33:46,370 --> 00:33:43,919

to you they were talking with

722

00:33:48,950 --> 00:33:46,380

on a daily basis almost who's they were

723

00:33:52,009 --> 00:33:48,960

talking Roger and Leon how did you know

724

00:33:55,549 --> 00:33:52,019

that they were talking on a daily basis

725

00:33:59,029 --> 00:33:55,559

the executive that was the connection uh

726

00:34:01,549 --> 00:33:59,039

all of our connection uh told me on a

727

00:34:03,590 --> 00:34:01,559

number of occasions that uh Leon calls

728

00:34:07,430 --> 00:34:03,600

calls him almost Non-Stop

729

00:34:09,710 --> 00:34:07,440

aren't you selling DVDs right now no

730

00:34:11,089 --> 00:34:09,720

hasn't the DVD sales site been shut down

731

00:34:13,210 --> 00:34:11,099

for over two years

732

00:34:16,490 --> 00:34:13,220

there are more what do you mean more

733

00:34:20,690 --> 00:34:16,500

recently I found another DVD site

734

00:34:24,230 --> 00:34:20,700

selling above Majestic and the cosmic

735

00:34:26,450 --> 00:34:24,240

secret too I believe we're right now

736

00:34:28,669 --> 00:34:26,460

trying to get information to see who set

737

00:34:30,470 --> 00:34:28,679

that up and where the money's going for

738

00:34:33,409 --> 00:34:30,480

that

739

00:34:35,409 --> 00:34:33,419

um to see you know if it

740

00:34:37,550 --> 00:34:35,419

see if we can get a

741

00:34:38,990 --> 00:34:37,560

contracts we want to see whose

742

00:34:40,909 --> 00:34:39,000

signatures are on them

743

00:34:43,010 --> 00:34:40,919

I know Roger Richards has used my

744

00:34:45,109 --> 00:34:43,020

signature quite a bit from a signature

745

00:34:47,629 --> 00:34:45,119

file so we're curious to see if my

746

00:34:50,389 --> 00:34:47,639

signature has been used since I stopped

747

00:34:52,669 --> 00:34:50,399

working with him but uh yeah it's still

748

00:34:55,430 --> 00:34:52,679

being sold on DVDs okay but you're not

749

00:34:58,190 --> 00:34:55,440

selling via DVDs no okay

750

00:35:01,430 --> 00:34:58,200

I've never sold DVDs but you just had

751

00:35:03,530 --> 00:35:01,440

you agreed to or allowed or or didn't

752

00:35:05,329 --> 00:35:03,540

object to when you said they're gonna

753

00:35:07,670 --> 00:35:05,339

put it up on YouTube I couldn't object

754

00:35:09,890 --> 00:35:07,680

it's part of the contract okay that Leon

755

00:35:11,990 --> 00:35:09,900

created so that goes back to Leon and so

756

00:35:14,210 --> 00:35:12,000

you have a contract with you're saying

757

00:35:15,410 --> 00:35:14,220

that allows put it up on YouTube for

758

00:35:17,810 --> 00:35:15,420

free

759

00:35:22,130 --> 00:35:17,820

they monetized it through the

760

00:35:23,990 --> 00:35:22,140

advertising but yes the contract that we

761

00:35:27,710 --> 00:35:24,000

have with

762

00:35:50,870 --> 00:35:27,720

gave them the scope to do that type of

763

00:35:50,880 --> 00:35:56,510

foreign

764

00:35:56,520 --> 00:36:00,430

why did you need a loan in 2018

765

00:36:04,510 --> 00:36:03,050

you're gonna have to be specific in

766

00:36:07,970 --> 00:36:04,520

December of 2018

767

00:36:10,730 --> 00:36:07,980

uh you mentioned to Kennedy that you

768

00:36:15,950 --> 00:36:12,589

I can't recall

769

00:36:16,970 --> 00:36:15,960

uh do you remember a person by the name

770

00:36:18,890 --> 00:36:16,980

of

771

00:36:22,010 --> 00:36:18,900

yes that's the person who I mentioned

772

00:36:24,230 --> 00:36:22,020

earlier right and he gave you a 75 000

773

00:36:27,349 --> 00:36:24,240

donation

774

00:36:30,349 --> 00:36:28,190

25

775

00:36:33,710 --> 00:36:30,359

000 donation do you remember receiving

776

00:36:37,849 --> 00:36:33,720

any money from at all directly uh he

777

00:36:40,550 --> 00:36:37,859

helped pay for our kids school

778

00:36:42,470 --> 00:36:40,560

but I don't remember receiving a lump

779

00:36:44,630 --> 00:36:42,480

sum directly from him I know he made a

780

00:36:47,030 --> 00:36:44,640

loan to Leon for a certain amount of

781

00:36:48,890 --> 00:36:47,040

money that Leon was responsible for and

782

00:36:50,630 --> 00:36:48,900

in that deal he ended up getting five

783

00:36:53,150 --> 00:36:50,640

percent of one of the films

784

00:36:54,410 --> 00:36:53,160

how much was that for the five percent

785

00:36:56,089 --> 00:36:54,420

what do you mean how much was that for

786

00:36:59,270 --> 00:36:56,099

how much did he pay to get the five

787

00:37:01,849 --> 00:36:59,280

percent I don't know approximately

788

00:37:04,490 --> 00:37:01,859

I don't know between 50 and 70 grand I

789

00:37:07,010 --> 00:37:04,500

guess whatever Leon agreed to in that

790

00:37:09,349 --> 00:37:07,020

isn't it true that within a few months

791

00:37:11,030 --> 00:37:09,359

after him donating the 50 to 70 grand

792

00:37:14,210 --> 00:37:11,040

you went back and asked him for another

793

00:37:21,710 --> 00:37:19,550

I don't recall that you don't recall yes

794

00:37:23,829 --> 00:37:21,720

I don't recall ever asking for large

795

00:37:26,450 --> 00:37:23,839

sums of money other than to help me with

796

00:37:28,490 --> 00:37:26,460

my kids schooling why did you need money

797

00:37:32,089 --> 00:37:28,500

for your kids school because at the time

798

00:37:35,450 --> 00:37:32,099

we were it was after we Gaia was my main

799

00:37:37,010 --> 00:37:35,460

income and Gaia had fired me and the

800

00:37:39,589 --> 00:37:37,020

only income I really had at the time was

801  
00:37:42,430 --> 00:37:39,599  
from doing events and trying to get

802  
00:37:46,130 --> 00:37:42,440  
money coming in from these

803  
00:37:47,510 --> 00:37:46,140  
documentaries which you know by the time

804  
00:37:51,349 --> 00:37:47,520  
that money from the documentaries came

805  
00:37:54,170 --> 00:37:51,359  
in we were we had been in famine mode

806  
00:37:57,470 --> 00:37:54,180  
okay how much while everyone was uh

807  
00:38:01,609 --> 00:37:57,480  
Roger was too Roger was uh trying to

808  
00:38:04,970 --> 00:38:01,619  
make payments to his uh baby mama you

809  
00:38:07,250 --> 00:38:04,980  
know and Roger I mean Leon was helping

810  
00:38:09,230 --> 00:38:07,260  
with that quite a bit

811  
00:38:10,430 --> 00:38:09,240  
have you produced a copy that's your

812  
00:38:11,870 --> 00:38:10,440  
version

813  
00:38:14,089 --> 00:38:11,880

contract

814

00:38:16,130 --> 00:38:14,099

to your attorney

815

00:38:25,910 --> 00:38:16,140

I turned over everything I had I don't

816

00:38:32,150 --> 00:38:29,270

you don't remember asking uh

817

00:38:34,430 --> 00:38:32,160

for a hundred thousand dollars within 60

818

00:38:36,410 --> 00:38:34,440

days of him honing up seventy five

819

00:38:38,750 --> 00:38:36,420

thousand dollars in 2018. if you have

820

00:38:41,270 --> 00:38:38,760

show me the document because I don't uh

821

00:38:42,950 --> 00:38:41,280

you don't remember I I'm not remembering

822

00:38:47,870 --> 00:38:42,960

now okay how much money did you need

823

00:38:47,880 --> 00:38:53,089

see my sons

824

00:38:56,990 --> 00:38:55,030

I think my daughters was like

825

00:39:08,690 --> 00:38:57,000

for college

826

00:39:13,190 --> 00:39:11,150

okay and you paid that in full for that

827

00:39:14,750 --> 00:39:13,200

school year because you got money from

828

00:39:17,930 --> 00:39:14,760

yes

829

00:39:20,210 --> 00:39:17,940

send testimony and then we paid schools

830

00:39:22,310 --> 00:39:20,220

and you communicated that in writing

831

00:39:24,770 --> 00:39:22,320

text or an email that's what you're

832

00:39:27,230 --> 00:39:24,780

using the money for

833

00:39:30,290 --> 00:39:27,240

um well yeah yeah

834

00:39:32,870 --> 00:39:30,300

there was multiple phone calls multiple

835

00:39:38,690 --> 00:39:32,880

texts multiple emails during that time

836

00:39:41,390 --> 00:39:39,770

I'm gonna have to go to the restroom

837

00:39:44,089 --> 00:39:41,400

again

838

00:40:01,210 --> 00:39:44,099

okay go off the Record going off the

839

00:40:07,370 --> 00:40:05,690

back on the record at 3 49.

840

00:40:16,490 --> 00:40:07,380

anything Mr Good you want to change from

841

00:40:22,190 --> 00:40:19,609

did you ever repay

842

00:40:25,130 --> 00:40:22,200

we pay him for what for the monies he he

843

00:40:27,349 --> 00:40:25,140

contributed for my uh school he had

844

00:40:30,770 --> 00:40:27,359

school yes no it was a gift

845

00:40:34,670 --> 00:40:32,050

okay

846

00:40:37,490 --> 00:40:34,680

you mentioned there's more monies that

847

00:40:39,050 --> 00:40:37,500

were given later on was that as a loan

848

00:40:42,530 --> 00:40:39,060

I mentioned there was more money is

849

00:40:46,010 --> 00:40:44,270

were there were there let me ask let me

850

00:40:49,370 --> 00:40:46,020

rephrase it were there any more monies

851

00:40:52,010 --> 00:40:49,380

after the initial uh

852

00:40:54,109 --> 00:40:52,020

one t to 30 for one of your kids 40 for

853

00:40:58,430 --> 00:40:54,119

another one of your children he paid for

854

00:41:08,030 --> 00:40:58,440

my school for my kids school for

855

00:41:13,609 --> 00:41:11,510

okay and also um

856

00:41:17,150 --> 00:41:13,619

didn't Kennedy sign a personal note

857

00:41:19,250 --> 00:41:17,160

guaranteeing some of these monies no no

858

00:41:21,050 --> 00:41:19,260

not those Monies

859

00:41:23,210 --> 00:41:21,060

were there other monies that Kennedy

860

00:41:26,410 --> 00:41:23,220

guaranteed yeah uh

861

00:41:30,050 --> 00:41:26,420

he went and borrowed money from uh BART

862

00:41:33,410 --> 00:41:30,060

to be able to pay Roger and I

863

00:41:35,750 --> 00:41:33,420

um uh

864

00:41:38,569 --> 00:41:35,760

payroll or something it was money that

865

00:41:40,970 --> 00:41:38,579

he was using to pay Roger and I what was

866

00:41:43,190 --> 00:41:40,980

why did you need money I can't remember

867

00:41:45,710 --> 00:41:43,200

it right now I mean it will be in the

868

00:41:47,630 --> 00:41:45,720

emails obviously so above and beyond the

869

00:41:49,730 --> 00:41:47,640

50 to 60 that we've spoken about earlier

870

00:41:52,849 --> 00:41:49,740

that was gifted to you but

871

00:41:56,030 --> 00:41:52,859

you're saying that Kennedy signed a loan

872

00:41:59,630 --> 00:41:56,040

for monies that were intended to fund

873

00:42:02,329 --> 00:41:59,640

you and Roger and himself and Ken and

874

00:42:04,550 --> 00:42:02,339

Roger uh Leon himself those that those

875

00:42:05,990 --> 00:42:04,560

monies were split and spent between the

876  
00:42:07,609 --> 00:42:06,000  
three of us

877  
00:42:10,370 --> 00:42:07,619  
foreign

878  
00:42:13,069 --> 00:42:10,380  
okay and as far as and you're accusing

879  
00:42:14,630 --> 00:42:13,079  
my clients of embezzling right these

880  
00:42:15,710 --> 00:42:14,640  
funds

881  
00:42:17,450 --> 00:42:15,720  
of

882  
00:42:19,970 --> 00:42:17,460  
I've been embezzling funds from you

883  
00:42:22,069 --> 00:42:19,980  
right yes and yet my client was

884  
00:42:24,109 --> 00:42:22,079  
personally guaranteeing

885  
00:42:27,290 --> 00:42:24,119  
on loans for the business to make sure

886  
00:42:31,370 --> 00:42:27,300  
you got monthly payroll correct

887  
00:42:34,370 --> 00:42:32,510  
you understand why that sounds

888  
00:42:35,810 --> 00:42:34,380

ridiculous right

889

00:42:38,510 --> 00:42:35,820

everything was done completely

890

00:42:40,970 --> 00:42:38,520

ridiculous it was on a ridiculous time

891

00:42:42,829 --> 00:42:40,980

because why would someone embezzle if

892

00:42:45,170 --> 00:42:42,839

they're personally guaranteeing the

893

00:42:47,030 --> 00:42:45,180

business that's borrowing money to pay

894

00:42:49,069 --> 00:42:47,040

you your payroll

895

00:42:50,870 --> 00:42:49,079

you understand my concern I understand

896

00:42:52,550 --> 00:42:50,880

you're concerning that one situation but

897

00:42:54,530 --> 00:42:52,560

who knows how a criminal's mind thinks

898

00:42:56,870 --> 00:42:54,540

they may hold one thing in front of you

899

00:42:58,609 --> 00:42:56,880

to keep your attention and then do you

900

00:43:00,050 --> 00:42:58,619

know things in the background and that's

901  
00:43:04,550 --> 00:43:00,060  
what was occurring because of all the

902  
00:43:07,190 --> 00:43:04,560  
lies and refusal to give us access to

903  
00:43:10,010 --> 00:43:07,200  
the to the accounts and what was being

904  
00:43:11,390 --> 00:43:10,020  
spent where the money was going uh who

905  
00:43:12,290 --> 00:43:11,400  
was being distributed to because people

906  
00:43:15,050 --> 00:43:12,300  
were saying they weren't being

907  
00:43:17,030 --> 00:43:15,060  
distributed to so where's the money

908  
00:43:18,890 --> 00:43:17,040  
going did you ever personally guarantee

909  
00:43:21,950 --> 00:43:18,900  
any funds that went through the business

910  
00:43:23,870 --> 00:43:21,960  
to pay out for my clients

911  
00:43:25,250 --> 00:43:23,880  
that went through the business correct

912  
00:43:31,010 --> 00:43:25,260  
and it threw the business accounts to

913  
00:43:33,890 --> 00:43:32,210

Roger

914

00:43:37,370 --> 00:43:33,900

you personally guaranteed monies that

915

00:43:39,650 --> 00:43:37,380

were no I mean I I that

916

00:43:42,950 --> 00:43:39,660

the funds that came out of the business

917

00:43:45,050 --> 00:43:42,960

Which business any of your entities to

918

00:43:48,109 --> 00:43:45,060

pay to pay any of my clients oh well

919

00:43:51,050 --> 00:43:48,119

yeah I paid well Roger a salary

920

00:43:53,390 --> 00:43:51,060

out of your personal monies yes out of

921

00:43:54,950 --> 00:43:53,400

our company monies that's that's not

922

00:43:57,470 --> 00:43:54,960

what I'm asking I'm asking did you ever

923

00:44:01,130 --> 00:43:57,480

personally guarantee

924

00:44:03,650 --> 00:44:01,140

any monies that were borrowed to pay for

925

00:44:07,730 --> 00:44:03,660

anyone one of my clients salaries well

926

00:44:08,750 --> 00:44:07,740

this was a yes or no no okay but let me

927

00:44:11,089 --> 00:44:08,760

ask my next question I don't have

928

00:44:13,670 --> 00:44:11,099

another question time frame matters okay

929

00:44:16,430 --> 00:44:13,680

at any time no time frame of when he did

930

00:44:19,010 --> 00:44:16,440

what matters at any point in time did

931

00:44:21,170 --> 00:44:19,020

you ever sign a personal guarantee where

932

00:44:24,069 --> 00:44:21,180

you're personally liable for money is

933

00:44:26,150 --> 00:44:24,079

used to pay one of my three clients no

934

00:44:27,530 --> 00:44:26,160

did you ever take money out of your

935

00:44:30,589 --> 00:44:27,540

personal bank account

936

00:44:32,270 --> 00:44:30,599

and pay one of my three clients monies I

937

00:44:34,910 --> 00:44:32,280

had helped Roger out with money a number

938

00:44:37,490 --> 00:44:34,920

of times out of my personal accounts

939

00:44:39,650 --> 00:44:37,500

how many times

940

00:44:42,470 --> 00:44:39,660

a number of times it was Cash

941

00:44:45,710 --> 00:44:42,480

what's the approximate dollar amount

942

00:44:47,690 --> 00:44:45,720

three 500 bucks at a time

943

00:44:49,190 --> 00:44:47,700

so fifteen hundred dollars

944

00:44:51,230 --> 00:44:49,200

I don't know

945

00:44:53,089 --> 00:44:51,240

did you ever repay that fifty thousand

946

00:44:56,030 --> 00:44:53,099

dollar loan that my client personally

947

00:44:57,170 --> 00:44:56,040

guaranteed I wasn't supposed to pay it

948

00:45:00,770 --> 00:44:57,180

back

949

00:45:02,809 --> 00:45:00,780

who was all of us did SBA did the monies

950

00:45:04,490 --> 00:45:02,819

that you took out of SBA did you use any

951  
00:45:08,150 --> 00:45:04,500  
of those to repay that fifty thousand

952  
00:45:11,270 --> 00:45:08,160  
dollar loan no why not well the loan was

953  
00:45:14,030 --> 00:45:11,280  
Leon's for for use for what for SBA

954  
00:45:15,710 --> 00:45:14,040  
purposes to pay your salary and to pay

955  
00:45:18,230 --> 00:45:15,720  
Roger's salary and his own so it was

956  
00:45:19,250 --> 00:45:18,240  
used to pay your salary and so should

957  
00:45:21,290 --> 00:45:19,260  
I'm supposed to pay it all back

958  
00:45:23,329 --> 00:45:21,300  
shouldn't you pay some of it back well

959  
00:45:24,890 --> 00:45:23,339  
yeah but but you didn't pay any back no

960  
00:45:26,270 --> 00:45:24,900  
but I would be sure you took some of it

961  
00:45:27,530 --> 00:45:26,280  
but you never paid any of it back I

962  
00:45:28,730 --> 00:45:27,540  
don't even know how much I'm supposed to

963  
00:45:30,410 --> 00:45:28,740

pay back I don't know how much money

964

00:45:32,270 --> 00:45:30,420

because no one ever gave me a breakdown

965

00:45:33,950 --> 00:45:32,280

how about paying a portion back that you

966

00:45:35,450 --> 00:45:33,960

got

967

00:45:36,890 --> 00:45:35,460

you don't need to break down on money

968

00:45:38,210 --> 00:45:36,900

you received do you I don't know what

969

00:45:39,589 --> 00:45:38,220

money came from where you don't know

970

00:45:41,329 --> 00:45:39,599

what money you received when they

971

00:45:43,190 --> 00:45:41,339

borrowed money to pay your salary we

972

00:45:45,349 --> 00:45:43,200

didn't get it all at once I don't

973

00:45:47,690 --> 00:45:45,359

believe well at that one time didn't you

974

00:45:49,490 --> 00:45:47,700

know how much money you received at that

975

00:45:51,530 --> 00:45:49,500

one time yeah when you said we did it

976

00:45:53,690 --> 00:45:51,540

all at once when Leon Kennedy signed a

977

00:45:55,490 --> 00:45:53,700

personal guarantee to make sure that you

978

00:45:57,410 --> 00:45:55,500

and Richards got paid

979

00:45:59,390 --> 00:45:57,420

did you not know how much money you got

980

00:46:01,970 --> 00:45:59,400

out of that fifty thousand dollars

981

00:46:03,650 --> 00:46:01,980

I'm sure I did at the time well then why

982

00:46:05,870 --> 00:46:03,660

don't you pay those back out of the SBA

983

00:46:07,970 --> 00:46:05,880

monies that you had why hasn't Roger or

984

00:46:09,470 --> 00:46:07,980

Leon answer my question

985

00:46:11,930 --> 00:46:09,480

you haven't paid any of those monies

986

00:46:14,210 --> 00:46:11,940

back no but you're yeah you're yeah

987

00:46:16,250 --> 00:46:14,220

Roger and Leon are not taking SBA monies

988

00:46:18,710 --> 00:46:16,260

you have control over those monies this

989

00:46:20,690 --> 00:46:18,720

is where the timing goes in do they have

990

00:46:22,910 --> 00:46:20,700

control of their monies or do you they

991

00:46:25,849 --> 00:46:22,920

had control of the money for about two

992

00:46:27,530 --> 00:46:25,859

years after a year and a half after the

993

00:46:29,690 --> 00:46:27,540

loan they could have paid back the loan

994

00:46:31,010 --> 00:46:29,700

during the whole time they chose not to

995

00:46:33,589 --> 00:46:31,020

pay

996

00:46:35,990 --> 00:46:33,599

he's going to testify for us you can ask

997

00:46:38,210 --> 00:46:36,000

him these questions in the trial and I'm

998

00:46:40,069 --> 00:46:38,220

sure the responses will not be the happy

999

00:46:42,109 --> 00:46:40,079

ones so you're saying that during the

1000

00:46:43,670 --> 00:46:42,119

dependency of when my clients controlled

1001  
00:46:46,790 --> 00:46:43,680  
the account that they could have paid

1002  
00:46:48,530 --> 00:46:46,800  
back and yet they chose not to 100 and

1003  
00:46:50,270 --> 00:46:48,540  
your city is pissed and you're saying

1004  
00:46:51,650 --> 00:46:50,280  
instead of paying that back what did

1005  
00:46:53,510 --> 00:46:51,660  
they do with the monies what is your

1006  
00:46:56,210 --> 00:46:53,520  
claim I have no idea but they didn't

1007  
00:46:57,589 --> 00:46:56,220  
they they never paid him back so you

1008  
00:47:00,109 --> 00:46:57,599  
don't think that they spin it for the

1009  
00:47:02,589 --> 00:47:00,119  
business purposes that you wanted to be

1010  
00:47:06,589 --> 00:47:02,599  
done aren't the business purposes like

1011  
00:47:09,589 --> 00:47:06,599  
our uh payroll

1012  
00:47:11,569 --> 00:47:09,599  
you know pay they are getting money out

1013  
00:47:14,150 --> 00:47:11,579

of it as well it was for the company the

1014

00:47:17,089 --> 00:47:14,160

company needs to pay it back paying 50

1015

00:47:18,770 --> 00:47:17,099

60 000 a year for your kids school

1016

00:47:20,569 --> 00:47:18,780

what about it

1017

00:47:24,170 --> 00:47:20,579

part of the business purposes

1018

00:47:28,309 --> 00:47:24,180

did this as a friend

1019

00:47:30,650 --> 00:47:28,319

as a friend uh offered to pay for our

1020

00:47:33,290 --> 00:47:30,660

kids school because our kids needed

1021

00:47:44,450 --> 00:47:33,300

special schooling and we couldn't afford

1022

00:47:48,410 --> 00:47:46,550

now Liz Laurie helped you set up new

1023

00:47:50,270 --> 00:47:48,420

bank accounts for monies to be sent

1024

00:47:54,410 --> 00:47:50,280

right

1025

00:47:56,030 --> 00:47:54,420

money is to be sent forever from SBA

1026  
00:47:57,530 --> 00:47:56,040  
so that they'd have different accounts

1027  
00:47:59,990 --> 00:47:57,540  
to go to correct

1028  
00:48:02,089 --> 00:48:00,000  
I still don't understand the question

1029  
00:48:04,490 --> 00:48:02,099  
Liz Laurie

1030  
00:48:06,410 --> 00:48:04,500  
helped you set up bank accounts

1031  
00:48:08,270 --> 00:48:06,420  
correct for what

1032  
00:48:11,809 --> 00:48:08,280  
did she ever set up any bank accounts

1033  
00:48:16,309 --> 00:48:14,089  
I set up my own bank accounts

1034  
00:48:17,690 --> 00:48:16,319  
I don't think she's set up any bank

1035  
00:48:20,870 --> 00:48:17,700  
accounts she didn't have any involvement

1036  
00:48:22,609 --> 00:48:20,880  
in you setting up bank accounts

1037  
00:48:24,770 --> 00:48:22,619  
I don't know if she advised me or not

1038  
00:48:28,490 --> 00:48:24,780

but if she did it would be privileged

1039

00:48:50,410 --> 00:48:28,500

okay but I actually opened the accounts

1040

00:48:57,730 --> 00:48:54,230

now SBA entertainment LLC

1041

00:49:01,730 --> 00:48:57,740

you are not a member of that LLC

1042

00:49:04,190 --> 00:49:01,740

originally were you I have no idea

1043

00:49:06,470 --> 00:49:04,200

how did you become a member of SBA

1044

00:49:08,150 --> 00:49:06,480

entertainment LLC I don't remember

1045

00:49:10,370 --> 00:49:08,160

without the documentation

1046

00:49:13,010 --> 00:49:10,380

the managing member of that LLC I'll

1047

00:49:15,770 --> 00:49:13,020

represent to you is Leon Kennedy

1048

00:49:18,829 --> 00:49:15,780

are you talking about his business

1049

00:49:20,270 --> 00:49:18,839

talking about SBA entertainment LLC one

1050

00:49:22,849 --> 00:49:20,280

of the two entities that you understood

1051

00:49:25,630 --> 00:49:22,859

to be set up acting in concert that's

1052

00:49:30,530 --> 00:49:25,640

the one not in con yeah he mirrored my

1053

00:49:34,010 --> 00:49:30,540

uh company name yes he told me that the

1054

00:49:36,010 --> 00:49:34,020

other shareholders only trusted him to

1055

00:49:39,890 --> 00:49:36,020

have the money to deal with the money

1056

00:49:43,910 --> 00:49:39,900

and that he was setting up a business

1057

00:49:46,309 --> 00:49:43,920

under the same on name is mine to avoid

1058

00:49:47,870 --> 00:49:46,319

confusion with everything and did you

1059

00:49:48,890 --> 00:49:47,880

stop him or did you tell him not to do

1060

00:49:52,670 --> 00:49:48,900

it

1061

00:49:55,130 --> 00:49:52,680

he was advising me as the expert as uh

1062

00:49:57,050 --> 00:49:55,140

not answering my question yes I am

1063

00:49:59,870 --> 00:49:57,060

did you stop him or tell him not to do

1064

00:50:01,490 --> 00:49:59,880

it no he advised me as an expert okay

1065

00:50:03,170 --> 00:50:01,500

thank you

1066

00:50:05,270 --> 00:50:03,180

and the managing member of that

1067

00:50:07,910 --> 00:50:05,280

particular LLC was Leon Kennedy was it

1068

00:50:11,690 --> 00:50:07,920

not I believe so I've never seen okay

1069

00:50:14,150 --> 00:50:11,700

how did you become a member of that same

1070

00:50:16,069 --> 00:50:14,160

LLC did you forward your name on some

1071

00:50:17,809 --> 00:50:16,079

documents to become a member of the LLC

1072

00:50:19,670 --> 00:50:17,819

I don't I don't know what you're talking

1073

00:50:23,089 --> 00:50:19,680

about you don't remember ever becoming a

1074

00:50:25,970 --> 00:50:23,099

member of that LLC no I have my own LLC

1075

00:50:29,450 --> 00:50:28,309

by the same name yeah

1076

00:50:33,770 --> 00:50:29,460

I thought they were slightly different

1077

00:50:54,470 --> 00:50:33,780

no they're exactly the same name okay

1078

00:50:54,480 --> 00:50:59,589

do you remember the

1079

00:51:03,589 --> 00:51:02,510

firm of brown Thornton placenta and

1080

00:51:05,630 --> 00:51:03,599

Company

1081

00:51:07,549 --> 00:51:05,640

not off the top of my head okay I

1082

00:51:09,770 --> 00:51:07,559

believe it's a accountant company you

1083

00:51:11,690 --> 00:51:09,780

don't remember them Alec Clark who

1084

00:51:13,609 --> 00:51:11,700

worked for them

1085

00:51:15,410 --> 00:51:13,619

that name sounds familiar do you

1086

00:51:16,130 --> 00:51:15,420

remember why he's no longer working with

1087

00:51:31,270 --> 00:51:16,140

you

1088

00:51:37,190 --> 00:51:34,309

we sent him an email

1089

00:51:39,410 --> 00:51:37,200

during the time that we opened the

1090

00:51:42,109 --> 00:51:39,420

lawsuits have you spoken to him the last

1091

00:51:44,770 --> 00:51:42,119

two to three years no you thanked him

1092

00:51:46,970 --> 00:51:44,780

for all he did for your kids yes

1093

00:51:48,049 --> 00:51:46,980

and when was the last time you spoken

1094

00:51:52,069 --> 00:51:48,059

with him

1095

00:52:08,569 --> 00:51:52,079

was about three years ago you said yeah

1096

00:52:14,930 --> 00:52:10,430

isn't it true that your attorneys

1097

00:52:17,750 --> 00:52:14,940

represented that the funds being held as

1098

00:52:21,410 --> 00:52:17,760

proceeds from cosmic Secret

1099

00:52:24,849 --> 00:52:21,420

and above Majestic were being held in

1100

00:52:27,049 --> 00:52:24,859

trust on audit was taking place

1101  
00:52:28,790 --> 00:52:27,059  
that was the original plan that it was

1102  
00:52:30,430 --> 00:52:28,800  
going to go into a trust we had it going

1103  
00:52:33,770 --> 00:52:30,440  
into by bank account

1104  
00:52:36,230 --> 00:52:33,780  
but we just never

1105  
00:52:38,690 --> 00:52:36,240  
implemented the escrow account

1106  
00:52:39,530 --> 00:52:38,700  
you just took the money I took some of

1107  
00:52:43,790 --> 00:52:39,540  
it

1108  
00:52:45,589 --> 00:52:43,800  
much I don't know approximately and

1109  
00:52:46,849 --> 00:52:45,599  
hundreds of thousands I don't know we're

1110  
00:52:48,970 --> 00:52:46,859  
going to have to

1111  
00:52:51,829 --> 00:52:48,980  
pull up the

1112  
00:52:53,870 --> 00:52:51,839  
it's all going to be given over in the

1113  
00:52:55,730 --> 00:52:53,880

bank I mean in the depositions and

1114

00:52:57,950 --> 00:52:55,740

everything what bank name is it with

1115

00:52:59,569 --> 00:52:57,960

Wells Fargo it's the same bank that we

1116

00:53:02,569 --> 00:52:59,579

have all of our accounts in what's the

1117

00:53:02,579 --> 00:53:05,530

I think it's

1118

00:53:10,609 --> 00:53:08,089

documentary distributions I think is

1119

00:53:13,069 --> 00:53:10,619

what it is is that held as a DBA of

1120

00:53:16,309 --> 00:53:13,079

yourself or one of your entities it is

1121

00:53:17,150 --> 00:53:16,319

just its own private separate bank

1122

00:53:20,030 --> 00:53:17,160

account

1123

00:53:22,010 --> 00:53:20,040

is that an entity or a DBA it's just the

1124

00:53:25,010 --> 00:53:22,020

name of a bank account bank account you

1125

00:53:26,990 --> 00:53:25,020

get to name them and you have to have it

1126

00:53:29,030 --> 00:53:27,000

associated with an individual social

1127

00:53:32,650 --> 00:53:29,040

security number or a tax identification

1128

00:53:35,150 --> 00:53:32,660

it's a GES bank account

1129

00:53:38,030 --> 00:53:35,160

as I said in the beginning it is that

1130

00:53:43,730 --> 00:53:38,040

you get to name your uh bank accounts

1131

00:53:46,670 --> 00:53:45,230

and you're saying there's hundreds of

1132

00:53:48,170 --> 00:53:46,680

thousands that you've taken out of there

1133

00:53:51,829 --> 00:53:48,180

or that you've left in there they're

1134

00:53:55,849 --> 00:53:53,870

I have taken out quite a bit

1135

00:53:58,010 --> 00:53:55,859

what does quite a bit mean to you yeah

1136

00:54:00,290 --> 00:53:58,020

yeah over definitely over a hundred

1137

00:54:01,609 --> 00:54:00,300

thousand I would have to look at the

1138

00:54:04,730 --> 00:54:01,619

books and the numbers could it be over

1139

00:54:05,809 --> 00:54:04,740

two hundred thousand uh it could be how

1140

00:54:10,130 --> 00:54:05,819

much is left

1141

00:54:13,190 --> 00:54:11,210

um

1142

00:54:15,770 --> 00:54:13,200

between one and two hundred thousand the

1143

00:54:20,089 --> 00:54:15,780

last I looked okay for what what for

1144

00:54:25,190 --> 00:54:21,190

um

1145

00:54:27,290 --> 00:54:25,200

I've used let's see I've used some of it

1146

00:54:30,589 --> 00:54:27,300

to pay back the graphic novel

1147

00:54:32,990 --> 00:54:30,599

fund that was needed in the beginning

1148

00:54:35,750 --> 00:54:33,000

you know I mean that the the graphic

1149

00:54:38,630 --> 00:54:35,760

novel fund money that was taken to be

1150

00:54:41,870 --> 00:54:38,640

used for the documentary

1151

00:54:46,069 --> 00:54:41,880

that was never paid back

1152

00:54:48,470 --> 00:54:46,079

and that was I think eighty thousand

1153

00:54:50,450 --> 00:54:48,480

and the graphic novel that my clients

1154

00:54:53,390 --> 00:54:50,460

have an interest in that graphic novel

1155

00:54:55,309 --> 00:54:53,400

the old one they were helping me with

1156

00:54:56,870 --> 00:54:55,319

but there was no they had no interest in

1157

00:54:59,089 --> 00:54:56,880

it

1158

00:55:01,670 --> 00:54:59,099

so you're using monies that came in that

1159

00:55:03,349 --> 00:55:01,680

my clients do have an interest in and

1160

00:55:04,849 --> 00:55:03,359

paying debts in something that my

1161

00:55:07,010 --> 00:55:04,859

clients do not have an interest in

1162

00:55:15,049 --> 00:55:07,020

correct because of the situation they

1163

00:55:26,150 --> 00:55:17,270

just as is happening with the DVD money

1164

00:55:31,190 --> 00:55:29,870

the DVD money you guess I guess I have

1165

00:55:35,870 --> 00:55:31,200

no idea what's going on with all that

1166

00:55:41,030 --> 00:55:39,170

and you're producing an entire entire

1167

00:55:42,290 --> 00:55:41,040

transcript bank statements for that

1168

00:55:44,089 --> 00:55:42,300

account where you've taken that a couple

1169

00:55:46,190 --> 00:55:44,099

hundred thousand dollars correct

1170

00:55:48,770 --> 00:55:46,200

I I haven't yet but that's going to be

1171

00:55:51,049 --> 00:55:48,780

part of our production on

1172

00:55:53,710 --> 00:55:51,059

within the next 30 days is that when it

1173

00:55:56,270 --> 00:55:53,720

closes or whenever it closes up

1174

00:55:57,109 --> 00:55:56,280

do you believe production isn't closed

1175

00:56:01,849 --> 00:55:57,119

already

1176

00:56:03,650 --> 00:56:01,859

I thought it was October 25th so you

1177

00:56:05,030 --> 00:56:03,660

don't believe you have a duty to produce

1178

00:56:07,250 --> 00:56:05,040

documents already

1179

00:56:09,890 --> 00:56:07,260

I have been

1180

00:56:11,870 --> 00:56:09,900

so but you believe you have more time to

1181

00:56:15,650 --> 00:56:11,880

produce documents is that correct

1182

00:56:17,390 --> 00:56:15,660

well yeah just like your clients

1183

00:56:18,710 --> 00:56:17,400

if they haven't produced any Bank

1184

00:56:20,569 --> 00:56:18,720

documents

1185

00:56:23,089 --> 00:56:20,579

we've requested over and over have you

1186

00:56:24,829 --> 00:56:23,099

requested these documents

1187

00:56:26,329 --> 00:56:24,839

specifically I'm not here to answer

1188

00:56:28,790 --> 00:56:26,339

questions

1189

00:56:33,549 --> 00:56:28,800

so uh so you believe that you have more

1190

00:56:37,190 --> 00:56:35,809

I was under I was under the impression

1191

00:56:39,290 --> 00:56:37,200

that we had

1192

00:56:42,950 --> 00:56:39,300

to have everything in and everything

1193

00:56:45,609 --> 00:56:42,960

closed by October 25th

1194

00:56:45,619 --> 00:56:50,569

but we've been producing

1195

00:57:04,010 --> 00:56:52,370

all the documentation and everything we

1196

00:57:09,470 --> 00:57:06,109

now the audit that you were talking

1197

00:57:12,890 --> 00:57:09,480

about doing two and a half years ago uh

1198

00:57:17,150 --> 00:57:15,230

well as soon as we get your client's

1199

00:57:18,130 --> 00:57:17,160

bank account information and submit it

1200

00:57:23,510 --> 00:57:18,140

to

1201  
00:57:27,530 --> 00:57:23,520  
working on this there's someone through

1202  
00:57:28,970 --> 00:57:27,540  
our accountants that our accountants

1203  
00:57:32,470 --> 00:57:28,980  
have

1204  
00:57:35,690 --> 00:57:32,480  
connections to people that do forensic

1205  
00:57:38,569 --> 00:57:35,700  
accounting and auditing

1206  
00:57:40,849 --> 00:57:38,579  
okay and

1207  
00:57:41,930 --> 00:57:40,859  
uh that is that the same firm you're

1208  
00:58:11,569 --> 00:57:41,940  
going to fill in the blank for me

1209  
00:58:14,630 --> 00:58:13,130  
yeah I'll represent to you that my

1210  
00:58:17,390 --> 00:58:14,640  
client have clients have not been

1211  
00:58:20,630 --> 00:58:17,400  
receiving monies for DVDs for over

1212  
00:58:23,630 --> 00:58:20,640  
several years so I would welcome knowing

1213  
00:58:26,270 --> 00:58:23,640

from you why you believe that my clients

1214

00:58:28,010 --> 00:58:26,280

are receiving monies from DVDs in the

1215

00:58:28,670 --> 00:58:28,020

last several years

1216

00:58:30,170 --> 00:58:28,680

um

1217

00:58:33,730 --> 00:58:30,180

as of

1218

00:58:36,650 --> 00:58:33,740

maybe a week or two ago we found other

1219

00:58:39,410 --> 00:58:36,660

DVD Distributors who are Distributing

1220

00:58:42,589 --> 00:58:39,420

these DVDs right but but what would

1221

00:58:44,150 --> 00:58:42,599

connect them to my clients because I'm

1222

00:58:45,950 --> 00:58:44,160

telling you that I don't have any

1223

00:58:47,390 --> 00:58:45,960

information about connecting that to my

1224

00:58:49,910 --> 00:58:47,400

clients do you I don't know people like

1225

00:58:51,530 --> 00:58:49,920

other attorneys sometimes my question is

1226  
00:58:53,870 --> 00:58:51,540  
do you have anything connecting those

1227  
00:58:56,089 --> 00:58:53,880  
DVD sales to my clients the most recent

1228  
00:58:57,010 --> 00:58:56,099  
ones in the last two years in the last

1229  
00:58:59,329 --> 00:58:57,020  
two years

1230  
00:59:01,130 --> 00:58:59,339  
other than the emails that we're getting

1231  
00:59:01,910 --> 00:59:01,140  
from people

1232  
00:59:04,670 --> 00:59:01,920  
um

1233  
00:59:06,589 --> 00:59:04,680  
with I don't know how far those go back

1234  
00:59:08,150 --> 00:59:06,599  
so I'd have to have the documentation in

1235  
00:59:10,010 --> 00:59:08,160  
front of me but you produced all of

1236  
00:59:11,329 --> 00:59:10,020  
those emails that would indicate that my

1237  
00:59:12,970 --> 00:59:11,339  
clients are involved in the last two

1238  
00:59:15,289 --> 00:59:12,980

years

1239

00:59:17,030 --> 00:59:15,299

if they're involved in the last two

1240

00:59:19,609 --> 00:59:17,040

years in the emails all the emails have

1241

00:59:22,069 --> 00:59:19,619

been provided okay

1242

00:59:24,950 --> 00:59:22,079

but it will be interesting to find out

1243

00:59:30,309 --> 00:59:24,960

who's uh behind the current DVD sales

1244

00:59:36,770 --> 00:59:33,829

what about the feature film treatment 20

1245

00:59:39,049 --> 00:59:36,780

and and back uh what percentage

1246

00:59:42,530 --> 00:59:39,059

ownership do you claim and proceeds from

1247

00:59:45,530 --> 00:59:42,540

that or is that ever sold is never sold

1248

00:59:47,809 --> 00:59:45,540

okay and who held the IP on that was

1249

00:59:49,490 --> 00:59:47,819

that you me yeah okay did anyone else

1250

00:59:51,349 --> 00:59:49,500

have an interest in it if it was to be

1251  
00:59:53,150 --> 00:59:51,359  
sold

1252  
00:59:56,750 --> 00:59:53,160  
um there was people were going to have

1253  
01:00:02,870 --> 00:59:56,760  
points in uh the film yeah and who are

1254  
01:00:14,230 --> 01:00:08,030  
anyone else let's see yeah Roger

1255  
01:00:20,630 --> 01:00:17,569  
okay same thing for the TV series

1256  
01:00:23,089 --> 01:00:20,640  
treatment for 20 and back yes

1257  
01:00:26,870 --> 01:00:23,099  
same percentages yes

1258  
01:00:29,690 --> 01:00:26,880  
okay what about the blue avions

1259  
01:00:33,650 --> 01:00:29,700  
docu-series that was never discussed

1260  
01:00:35,990 --> 01:00:33,660  
what was never discussed percentages

1261  
01:00:39,349 --> 01:00:36,000  
so do you own do you own the IP for that

1262  
01:00:41,210 --> 01:00:39,359  
yeah yeah Roger and Leon didn't want to

1263  
01:00:42,950 --> 01:00:41,220

pitch it so

1264

01:00:47,450 --> 01:00:42,960

um they that's one of the things Leon

1265

01:00:50,450 --> 01:00:47,460

told me was pie in the sky but turns out

1266

01:00:53,690 --> 01:00:50,460

really probably wasn't

1267

01:00:56,390 --> 01:00:53,700

okay and uh you sold that

1268

01:00:59,210 --> 01:00:56,400

sold what yeah you've made money off the

1269

01:01:00,470 --> 01:00:59,220

blue avion's docu-series no none of

1270

01:01:02,329 --> 01:01:00,480

these things are made

1271

01:01:04,849 --> 01:01:02,339

these are all

1272

01:01:07,430 --> 01:01:04,859

concept concept same thing with what

1273

01:01:09,470 --> 01:01:07,440

about dimensions of disclosure event

1274

01:01:12,710 --> 01:01:09,480

what about it okay did you ever make

1275

01:01:14,329 --> 01:01:12,720

money off that yes okay and who else

1276

01:01:16,490 --> 01:01:14,339

made money off that

1277

01:01:19,069 --> 01:01:16,500

anyone else have any points in it uh

1278

01:01:21,410 --> 01:01:19,079

yeah I believe uh

1279

01:01:22,849 --> 01:01:21,420

Roger and Adrian

1280

01:01:24,470 --> 01:01:22,859

anyone else

1281

01:01:26,150 --> 01:01:24,480

not that I know of

1282

01:01:28,370 --> 01:01:26,160

and what was the division between you

1283

01:01:31,910 --> 01:01:28,380

Roger and Adrian in the dimensions of

1284

01:01:34,910 --> 01:01:31,920

disclosure event originally I was told

1285

01:01:37,069 --> 01:01:34,920

that I was 50 but later on they started

1286

01:01:41,150 --> 01:01:37,079

telling me that that was not the deal

1287

01:01:47,750 --> 01:01:44,630

but anyway yes we were

1288

01:01:50,150 --> 01:01:47,760

supposed to I'll be part owners and

1289

01:01:52,430 --> 01:01:50,160

dimensions of disclosure and did you

1290

01:01:54,829 --> 01:01:52,440

ever formalize that into a writing

1291

01:01:56,930 --> 01:01:54,839

as far as your your points and

1292

01:01:58,789 --> 01:01:56,940

dimensions of disclosure

1293

01:02:02,990 --> 01:01:58,799

I

1294

01:02:05,329 --> 01:02:03,000

in contract so yeah well all this was

1295

01:02:08,450 --> 01:02:05,339

done uh out of off the seat of our pants

1296

01:02:10,309 --> 01:02:08,460

we were going to do an event and then uh

1297

01:02:11,930 --> 01:02:10,319

a bunch of stuff happened to where we

1298

01:02:14,030 --> 01:02:11,940

couldn't do it Adrian came in and she

1299

01:02:16,490 --> 01:02:14,040

said I can I can do it and we ran it

1300

01:02:18,109 --> 01:02:16,500

through my business the first year or

1301

01:02:20,630 --> 01:02:18,119

two

1302

01:02:23,270 --> 01:02:20,640

um and it was just it we it was

1303

01:02:27,470 --> 01:02:23,280

something that we were building off of

1304

01:02:29,450 --> 01:02:27,480

my IP and uh

1305

01:02:32,030 --> 01:02:29,460

and it's

1306

01:02:34,430 --> 01:02:32,040

we just never never got contracts I

1307

01:02:36,589 --> 01:02:34,440

guess okay so you never formalize a

1308

01:02:38,990 --> 01:02:36,599

contractual relationship between you

1309

01:02:40,309 --> 01:02:39,000

Roger and Adrian for the dimensions of

1310

01:02:42,170 --> 01:02:40,319

disclosure event

1311

01:02:45,049 --> 01:02:42,180

so we had discussed I just can't

1312

01:02:46,430 --> 01:02:45,059

remember if anything was ever uh we'd

1313

01:02:50,870 --> 01:02:46,440

have to check the documents to see what

1314

01:02:59,390 --> 01:02:55,250

and uh what did Roger do

1315

01:03:01,970 --> 01:02:59,400

for the IP in in that or the efforts to

1316

01:03:06,430 --> 01:03:01,980

create that event

1317

01:03:11,329 --> 01:03:08,089

and

1318

01:03:14,750 --> 01:03:11,339

um helped run the audio video

1319

01:03:16,190 --> 01:03:14,760

presentations during the first couple I

1320

01:03:19,010 --> 01:03:16,200

think

1321

01:03:20,750 --> 01:03:19,020

AV Audio Video

1322

01:03:23,150 --> 01:03:20,760

did Roger do anything else other than

1323

01:03:25,609 --> 01:03:23,160

audio video and flyers

1324

01:03:30,710 --> 01:03:25,619

eventually he spoke at one of them I

1325

01:03:37,789 --> 01:03:32,990

okay anything else done by Roger for the

1326

01:03:42,230 --> 01:03:40,789

yeah I think that's all I can yeah what

1327

01:03:43,910 --> 01:03:42,240

about for Adrian what did Adrian

1328

01:03:45,770 --> 01:03:43,920

Youngblood do for the dimensions of

1329

01:03:51,770 --> 01:03:45,780

disclosure events she scouted out the

1330

01:03:53,630 --> 01:03:51,780

locations and handled uh organizing all

1331

01:03:58,549 --> 01:03:53,640

of the people that came to speak and to

1332

01:04:01,309 --> 01:03:58,559

volunteer that's pretty common uh people

1333

01:04:04,190 --> 01:04:01,319

who have events they have a person that

1334

01:04:07,430 --> 01:04:04,200

runs events for them that does pretty

1335

01:04:10,069 --> 01:04:07,440

much all of that work okay and as for

1336

01:04:13,549 --> 01:04:10,079

myself I did uh you know all the

1337

01:04:16,609 --> 01:04:13,559

advertising David and I we used my uh

1338

01:04:19,789 --> 01:04:16,619

email list to build the company my fan

1339

01:04:22,250 --> 01:04:19,799

base to build the company all of our it

1340

01:04:23,870 --> 01:04:22,260

was all built off of our popularity from

1341

01:04:26,750 --> 01:04:23,880

cosmic disclosure

1342

01:04:30,170 --> 01:04:26,760

okay and built off your popularity from

1343

01:04:32,510 --> 01:04:30,180

cosmic this book you said Cosmic uh

1344

01:04:37,370 --> 01:04:32,520

sorry disposure is better but yeah

1345

01:04:42,230 --> 01:04:39,650

and um the email list how big of an

1346

01:04:46,370 --> 01:04:42,240

email list do you have

1347

01:04:52,609 --> 01:04:46,380

at that time at that time I think it was

1348

01:04:59,930 --> 01:04:55,010

okay and what about social media

1349

01:05:02,710 --> 01:04:59,940

social media at that time I think I had

1350

01:05:11,270 --> 01:05:02,720

over a hundred thousand on Facebook

1351

01:05:17,569 --> 01:05:14,690

that's all I can think of at the moment

1352

01:05:19,910 --> 01:05:17,579

and I was on I was being interviewed all

1353

01:05:23,990 --> 01:05:19,920

the time I was on radio shows

1354

01:05:26,809 --> 01:05:24,000

I even got to advertise the cosmic

1355

01:05:29,329 --> 01:05:26,819

secret with on the Jenny McCarthy show

1356

01:05:31,010 --> 01:05:29,339

uh got some really good exposure for it

1357

01:05:32,630 --> 01:05:31,020

for Cosmic secretary we're talking about

1358

01:05:34,670 --> 01:05:32,640

dimensions of disclosure the cosmic

1359

01:05:36,530 --> 01:05:34,680

secret okay I'm talking about dimensions

1360

01:05:37,250 --> 01:05:36,540

of disclosure I think we got sidelined

1361

01:05:40,609 --> 01:05:37,260

there I thought we were talking about

1362

01:05:43,130 --> 01:05:40,619

all three there for a minute yeah so uh

1363

01:05:44,870 --> 01:05:43,140

so dimensions of disclosure do you

1364

01:05:46,910 --> 01:05:44,880

believe you have anything that prevents

1365

01:05:48,410 --> 01:05:46,920

Miss Youngblood from going on with that

1366

01:05:50,870 --> 01:05:48,420

event without you

1367

01:05:54,230 --> 01:05:50,880

well yeah it's

1368

01:05:55,549 --> 01:05:54,240

you know all three of us owned it

1369

01:05:59,170 --> 01:05:55,559

um

1370

01:06:02,569 --> 01:05:59,180

she hijacked it and went and got a

1371

01:06:06,650 --> 01:06:02,579

trademark behind our back not just not

1372

01:06:08,650 --> 01:06:06,660

telling me but Roger and the others knew

1373

01:06:11,270 --> 01:06:08,660

when I talked to him about it

1374

01:06:12,349 --> 01:06:11,280

she had talked with I guess them in the

1375

01:06:13,370 --> 01:06:12,359

background and they all decided that

1376

01:06:16,370 --> 01:06:13,380

yeah she should go ahead and get the

1377

01:06:17,990 --> 01:06:16,380

trademark did you into leave me out did

1378

01:06:20,450 --> 01:06:18,000

you want to keep on going with the

1379

01:06:23,089 --> 01:06:20,460

dimensions of disclosure event yeah

1380

01:06:25,730 --> 01:06:23,099

and what and you want to keep on

1381

01:06:27,950 --> 01:06:25,740

Advertising for it yep everyone saw it

1382

01:06:30,170 --> 01:06:27,960

as Corey's event that's it was

1383

01:06:32,809 --> 01:06:30,180

advertised as Corey's event everyone

1384

01:06:34,250 --> 01:06:32,819

knew it as Cory's event if you we have

1385

01:06:36,650 --> 01:06:34,260

tons and tons of social media

1386

01:06:38,750 --> 01:06:36,660

advertising to where it's Cory's event

1387

01:06:40,970 --> 01:06:38,760

so people Associated dimensions of

1388

01:06:44,450 --> 01:06:40,980

disclosure with Corey well when it

1389

01:06:48,529 --> 01:06:45,890

she trademarked it it was someone else

1390

01:06:50,089 --> 01:06:48,539

right no it was someone else what are

1391

01:06:51,890 --> 01:06:50,099

you talking about when she you said she

1392

01:06:53,930 --> 01:06:51,900

trademarked it at one point right yeah I

1393

01:06:56,089 --> 01:06:53,940

found out about it at our last event on

1394

01:06:57,650 --> 01:06:56,099

my way home I found out that she had

1395

01:07:00,349 --> 01:06:57,660

trademarked it and they haven't done an

1396

01:07:02,270 --> 01:07:00,359

event since okay well wasn't it in 2019

1397

01:07:05,210 --> 01:07:02,280

didn't it still happen

1398

01:07:07,490 --> 01:07:05,220

I found out after the event right so it

1399

01:07:09,170 --> 01:07:07,500

wasn't Corey's event that year yeah

1400

01:07:11,630 --> 01:07:09,180

it was something everyone knew it as

1401  
01:07:14,390 --> 01:07:11,640  
Corey's event there was no one else that

1402  
01:07:17,210 --> 01:07:14,400  
was the head speaker but so no one else

1403  
01:07:20,630 --> 01:07:17,220  
ever spoke at it no other people did but

1404  
01:07:23,450 --> 01:07:20,640  
it was billed and promoted to the entire

1405  
01:07:26,029 --> 01:07:23,460  
Community as Cory's event

1406  
01:07:27,470 --> 01:07:26,039  
if you went into any person in the

1407  
01:07:29,089 --> 01:07:27,480  
community and say hey if you heard of

1408  
01:07:30,650 --> 01:07:29,099  
dimensions of disclosure the disclosure

1409  
01:07:32,150 --> 01:07:30,660  
oh yeah Corey's event

1410  
01:07:37,190 --> 01:07:32,160  
that's

1411  
01:07:42,710 --> 01:07:37,200  
had no value

1412  
01:07:44,750 --> 01:07:42,720  
no I'm sure my my IP all of my fans had

1413  
01:07:46,010 --> 01:07:44,760

built it up to be worth multi-million

1414

01:07:49,430 --> 01:07:46,020

dollars

1415

01:07:52,490 --> 01:07:49,440

okay it was all of my fans coming that

1416

01:07:54,829 --> 01:07:52,500

made this uh what it is so you're saying

1417

01:07:58,430 --> 01:07:54,839

it was did it make multi-million dollars

1418

01:08:01,970 --> 01:07:58,440

during the several years that you ran it

1419

01:08:04,250 --> 01:08:01,980

would well it it's it grew the first

1420

01:08:05,390 --> 01:08:04,260

year there were a lot of mistakes on

1421

01:08:08,569 --> 01:08:05,400

both sides we're trying to figure out

1422

01:08:09,710 --> 01:08:08,579

how to do it second year better it

1423

01:08:11,210 --> 01:08:09,720

wasn't the third year it wasn't the

1424

01:08:14,390 --> 01:08:11,220

first year you booked a venue in August

1425

01:08:15,890 --> 01:08:14,400

that was just gonna be baking hot in

1426

01:08:17,209 --> 01:08:15,900

some theater that they don't even book

1427

01:08:20,749 --> 01:08:17,219

in August

1428

01:08:24,550 --> 01:08:20,759

I I didn't do all of the bookings for uh

1429

01:08:28,249 --> 01:08:24,560

eclipse of disclosure uh Adrian went out

1430

01:08:31,789 --> 01:08:28,259

and spoke to all the people and got

1431

01:08:33,829 --> 01:08:31,799

everything set up we paid the bills we

1432

01:08:35,809 --> 01:08:33,839

didn't make the arrangements okay so so

1433

01:08:37,430 --> 01:08:35,819

Adrian really took the laboring ore as

1434

01:08:39,169 --> 01:08:37,440

far as making the arrangements for the

1435

01:08:40,729 --> 01:08:39,179

first year yeah she made the screw-ups

1436

01:08:42,890 --> 01:08:40,739

that you were talking about

1437

01:08:45,110 --> 01:08:42,900

okay and you put in a lot of The Sweat

1438

01:08:49,849 --> 01:08:45,120

Equity right yeah and she put in a lot

1439

01:08:52,970 --> 01:08:51,709

but there's no name had been on the on

1440

01:08:54,829 --> 01:08:52,980

the trademark there would not have been

1441

01:08:56,990 --> 01:08:54,839

a problem but there's nothing in writing

1442

01:08:58,849 --> 01:08:57,000

as far as whose event it is or who owns

1443

01:09:00,950 --> 01:08:58,859

it right

1444

01:09:02,870 --> 01:09:00,960

uh that I'm not sure of we'd have to

1445

01:09:04,689 --> 01:09:02,880

look through the documentation and look

1446

01:09:07,910 --> 01:09:04,699

at emails and all of that

1447

01:09:12,110 --> 01:09:07,920

and who's David mispronounced his last

1448

01:09:16,550 --> 01:09:12,120

name David ickeys David Ike or ick who's

1449

01:09:18,530 --> 01:09:16,560

he he is a well-known speaker in ufology

1450

01:09:19,729 --> 01:09:18,540

when you say well known what do you mean

1451

01:09:22,729 --> 01:09:19,739

by that

1452

01:09:25,189 --> 01:09:22,739

um a lot of people know him

1453

01:09:26,689 --> 01:09:25,199

to assimilar to you yes

1454

01:09:28,970 --> 01:09:26,699

he's been around a lot longer than me

1455

01:09:31,990 --> 01:09:28,980

though okay so would it be fair to say

1456

01:09:35,870 --> 01:09:32,000

he has a bigger following probably

1457

01:09:38,930 --> 01:09:35,880

in 2019 heated the event not you right

1458

01:09:42,829 --> 01:09:38,940

no he did not okay who did the event in

1459

01:09:45,169 --> 01:09:42,839

uh 2019 me okay what about in 2020 there

1460

01:09:47,269 --> 01:09:45,179

was no event in 2020 okay and what it

1461

01:09:49,249 --> 01:09:47,279

was in the fall or summer

1462

01:09:51,410 --> 01:09:49,259

uh yeah they kept setting him up in

1463

01:09:53,390 --> 01:09:51,420

August they every year they were set up

1464

01:09:56,870 --> 01:09:53,400

in like

1465

01:10:01,070 --> 01:09:56,880

during right before school but in uh

1466

01:10:03,110 --> 01:10:01,080

2019 it was it was David and you no

1467

01:10:05,270 --> 01:10:03,120

David never spoke

1468

01:10:06,950 --> 01:10:05,280

so David wasn't part of the 2019 event

1469

01:10:09,470 --> 01:10:06,960

of dimensions of disclosure he was never

1470

01:10:12,410 --> 01:10:09,480

a part of dimensions of disclosure other

1471

01:10:13,850 --> 01:10:12,420

than he had agreed to speak and then Jay

1472

01:10:17,810 --> 01:10:13,860

Weidner one of the people that they're

1473

01:10:19,910 --> 01:10:17,820

confabbing with uh called him and told

1474

01:10:23,630 --> 01:10:19,920

him that I was a criminal

1475

01:10:25,669 --> 01:10:23,640

so uh because it was known to be Corey's

1476

01:10:28,390 --> 01:10:25,679

event so he pulled out of the event

1477

01:10:32,450 --> 01:10:28,400

who's he pulled out of there David Ike

1478

01:10:34,010 --> 01:10:32,460

based on Jay Weidner telling him to pull

1479

01:10:37,610 --> 01:10:34,020

out of it

1480

01:10:41,209 --> 01:10:37,620

um because of you yeah because of me

1481

01:10:46,130 --> 01:10:43,550

well isn't your reputation strong enough

1482

01:10:49,090 --> 01:10:46,140

that likes would know that you're not a

1483

01:10:54,290 --> 01:10:49,100

problem but you're a fine upstanding guy

1484

01:10:57,110 --> 01:10:54,300

like I said in the ufology field it's

1485

01:10:59,330 --> 01:10:57,120

fraught with gossip and all sorts of

1486

01:11:01,370 --> 01:10:59,340

stuff like that so

1487

01:11:03,350 --> 01:11:01,380

um who knows I mean what he had heard

1488

01:11:05,330 --> 01:11:03,360

between the cyberstalkers

1489

01:11:07,610 --> 01:11:05,340

you see that was

1490

01:11:10,070 --> 01:11:07,620

um the the Cyber stalkers were putting

1491

01:11:13,250 --> 01:11:10,080

out all this incredibly vicious horrible

1492

01:11:15,770 --> 01:11:13,260

stuff about me and all

1493

01:11:19,130 --> 01:11:15,780

um one would have to do is do their due

1494

01:11:22,729 --> 01:11:19,140

diligence if uh Jay told David Ike say

1495

01:11:25,070 --> 01:11:22,739

Hey you know Corey uh he's a uh you know

1496

01:11:28,189 --> 01:11:25,080

whatever he's he's breaking he's a

1497

01:11:30,709 --> 01:11:28,199

breaking the law and then David searches

1498

01:11:32,689 --> 01:11:30,719

the internet well guess what he finds

1499

01:11:35,270 --> 01:11:32,699

thousands and thousands of entries of

1500

01:11:37,669 --> 01:11:35,280

people calling me a criminal a con man

1501  
01:11:39,169 --> 01:11:37,679  
and everything in between well why are

1502  
01:11:41,689 --> 01:11:39,179  
so many people calling you a criminal in

1503  
01:11:43,370 --> 01:11:41,699  
a comment they're cyber stalkers

1504  
01:11:45,770 --> 01:11:43,380  
why do you why don't I have so many

1505  
01:11:47,330 --> 01:11:45,780  
cyber stalkers

1506  
01:11:49,189 --> 01:11:47,340  
it's a good question why do you have so

1507  
01:11:50,810 --> 01:11:49,199  
many because I'm a public figure what

1508  
01:11:52,970 --> 01:11:50,820  
about David eikey why didn't he have so

1509  
01:11:55,130 --> 01:11:52,980  
many cyber stockings he has a lot he

1510  
01:11:57,770 --> 01:11:55,140  
does he has a fair amount he has he's

1511  
01:12:00,110 --> 01:11:57,780  
he's he's gone through

1512  
01:12:02,750 --> 01:12:00,120  
his story in the persecution that he's

1513  
01:12:04,430 --> 01:12:02,760

gone through is a movie in its own does

1514

01:12:05,930 --> 01:12:04,440

he have four or five active lawsuits

1515

01:12:06,770 --> 01:12:05,940

we're assuming people right now right

1516

01:12:09,830 --> 01:12:06,780

now

1517

01:12:11,270 --> 01:12:09,840

four or five like you I have four or

1518

01:12:13,130 --> 01:12:11,280

five lawsuits

1519

01:12:14,990 --> 01:12:13,140

I think so you do

1520

01:12:16,669 --> 01:12:15,000

what do you think I think I have two

1521

01:12:19,729 --> 01:12:16,679

that's it

1522

01:12:20,510 --> 01:12:19,739

yeah you only think this and Gaia that's

1523

01:12:22,610 --> 01:12:20,520

it

1524

01:12:27,530 --> 01:12:22,620

objection yeah

1525

01:12:32,390 --> 01:12:29,570

uh do you claim an ownership over the

1526

01:12:35,090 --> 01:12:32,400

dimensions of disclosure live stream

1527

01:12:36,950 --> 01:12:35,100

partial is it the same ratio as the

1528

01:12:38,630 --> 01:12:36,960

dimension of the disclosure of it it's

1529

01:12:41,330 --> 01:12:38,640

all the same it's like it's part of the

1530

01:12:43,850 --> 01:12:41,340

same company part of the same event

1531

01:12:46,070 --> 01:12:43,860

yeah but that was never memorialized as

1532

01:12:47,330 --> 01:12:46,080

far as their ownership or Ratio or how

1533

01:12:49,370 --> 01:12:47,340

your IPO is going to be protected

1534

01:12:51,169 --> 01:12:49,380

objection it's amazing now you can see

1535

01:12:53,149 --> 01:12:51,179

why the community doesn't like the

1536

01:12:55,850 --> 01:12:53,159

judicial system very much because you

1537

01:12:58,610 --> 01:12:55,860

never memorialized it because it's

1538

01:13:01,010 --> 01:12:58,620

that's how this community does it that

1539

01:13:02,570 --> 01:13:01,020

none of them ever do it's like pulling

1540

01:13:05,270 --> 01:13:02,580

teeth to get contracts from these people

1541

01:13:07,490 --> 01:13:05,280

none of them ever do those are some

1542

01:13:10,970 --> 01:13:07,500

pretty absolute words none of them ever

1543

01:13:13,370 --> 01:13:10,980

do yeah that is uh but for the most part

1544

01:13:17,149 --> 01:13:13,380

it's like pulling teeth to get contracts

1545

01:13:23,270 --> 01:13:20,270

okay what company did put the dimensions

1546

01:13:25,370 --> 01:13:23,280

of disclosure on in 2019

1547

01:13:28,370 --> 01:13:25,380

what company did

1548

01:13:30,410 --> 01:13:28,380

um oh Adrian the last year Adrian ran it

1549

01:13:33,590 --> 01:13:30,420

through her company

1550

01:13:40,189 --> 01:13:37,070

um well the whole deal was is that we

1551

01:13:42,370 --> 01:13:40,199

had been approached uh told that she was

1552

01:13:45,110 --> 01:13:42,380

about to lose her Farm

1553

01:13:48,410 --> 01:13:45,120

and it was going into bankruptcy all

1554

01:13:50,149 --> 01:13:48,420

this stuff and Roger said hey this year

1555

01:13:53,169 --> 01:13:50,159

do you think we can just give it all to

1556

01:13:56,750 --> 01:13:53,179

her and let her pull herself out of

1557

01:13:58,370 --> 01:13:56,760

bankruptcy and I I said yes so you

1558

01:14:01,370 --> 01:13:58,380

agreed to give it all to Adrian

1559

01:14:04,430 --> 01:14:01,380

Youngblood in 2019 to let her take the

1560

01:14:06,910 --> 01:14:04,440

uh all the all the percentages to pay

1561

01:14:10,130 --> 01:14:06,920

off her

1562

01:14:12,350 --> 01:14:10,140

delinquencies with her Farm

1563

01:14:13,070 --> 01:14:12,360

did you see these delinquencies with the

1564

01:14:16,130 --> 01:14:13,080

farm

1565

01:14:19,729 --> 01:14:16,140

no but Adrian herself has put in the

1566

01:14:23,270 --> 01:14:19,739

paperwork that she was losing her Farm

1567

01:14:25,430 --> 01:14:23,280

in 2019 yeah

1568

01:14:27,229 --> 01:14:25,440

did you receive emails from Adrian in

1569

01:14:32,330 --> 01:14:27,239

2019 saying that she was losing the farm

1570

01:14:33,770 --> 01:14:32,340

no I was told through Roger and I it was

1571

01:14:36,709 --> 01:14:33,780

common knowledge that she was having

1572

01:14:38,689 --> 01:14:36,719

some problems and Roger on a phone with

1573

01:14:41,390 --> 01:14:38,699

Leon me

1574

01:14:44,750 --> 01:14:41,400

and Roger me and Leon were on a phone

1575

01:14:48,050 --> 01:14:44,760

call and we had a lot going on in and

1576

01:14:49,490 --> 01:14:48,060

and Roger said so this year

1577

01:14:52,610 --> 01:14:49,500

um

1578

01:14:53,870 --> 01:14:52,620

I really wanted I thought it would be

1579

01:14:57,290 --> 01:14:53,880

um really amazing if we could help

1580

01:15:00,410 --> 01:14:57,300

Adrian not lose her Farm by letting her

1581

01:15:02,169 --> 01:15:00,420

uh have the proceeds uh my you know and

1582

01:15:06,290 --> 01:15:02,179

I was like and I said yes

1583

01:15:10,970 --> 01:15:08,510

um just uh I'll just do it for a speaker

1584

01:15:12,830 --> 01:15:10,980

feed this year what was your speaker fee

1585

01:15:14,810 --> 01:15:12,840

in 2019

1586

01:15:16,490 --> 01:15:14,820

that's supposed to be seven or eight

1587

01:15:17,870 --> 01:15:16,500

grand or something I don't know do you

1588

01:15:20,990 --> 01:15:17,880

receive the seven or eight thousand I

1589

01:15:24,890 --> 01:15:21,000

think so yes I received the money I was

1590

01:15:26,810 --> 01:15:24,900

supposed to live stream and all that

1591

01:15:30,290 --> 01:15:26,820

do you claim ownership in the cosmic

1592

01:15:31,490 --> 01:15:30,300

co-creation affiliate program

1593

01:15:35,149 --> 01:15:31,500

in the what

1594

01:15:37,430 --> 01:15:35,159

Cosmic co-creation affiliate program

1595

01:15:39,350 --> 01:15:37,440

I'm not sure I know what that is okay

1596

01:15:43,130 --> 01:15:39,360

do you claim any kind of ownership in

1597

01:15:46,570 --> 01:15:43,140

the master quest online course

1598

01:15:49,729 --> 01:15:46,580

um that was a concept

1599

01:15:50,750 --> 01:15:49,739

by people on the East Coast that we were

1600

01:15:54,890 --> 01:15:50,760

dealing with so it would have been

1601  
01:15:59,750 --> 01:15:57,010  
when you say there's who's they

1602  
01:16:01,550 --> 01:15:59,760  
I have to get their names

1603  
01:16:04,550 --> 01:16:01,560  
I can't remember their names right now

1604  
01:16:06,350 --> 01:16:04,560  
they're not yours no they're two former

1605  
01:16:10,130 --> 01:16:06,360  
military people that were going to teach

1606  
01:16:13,189 --> 01:16:10,140  
a master quest class on Surviving in the

1607  
01:16:16,250 --> 01:16:13,199  
woods and all of that if I'm remembering

1608  
01:16:19,130 --> 01:16:16,260  
correctly okay what about um let me ask

1609  
01:16:22,370 --> 01:16:19,140  
you as far as contacting the desert do

1610  
01:16:25,070 --> 01:16:22,380  
you ever perform there yes one time I

1611  
01:16:29,390 --> 01:16:25,080  
think uh did you ever fail to perform

1612  
01:16:31,550 --> 01:16:29,400  
due to alcohol no or drugs no

1613  
01:16:33,790 --> 01:16:31,560

did your field perform at let's say

1614

01:16:37,130 --> 01:16:33,800

contact the desert for any reason no

1615

01:16:42,110 --> 01:16:37,140

about uh Cosmic co-creation did you ever

1616

01:16:47,630 --> 01:16:45,530

is that the one at eTown

1617

01:16:49,490 --> 01:16:47,640

to the best your knowledge yeah I think

1618

01:16:52,729 --> 01:16:49,500

I did did you ever fail to perform

1619

01:16:54,470 --> 01:16:52,739

because of drugs or alcohol no uh I we

1620

01:16:58,430 --> 01:16:54,480

that was like

1621

01:17:00,830 --> 01:16:58,440

the day or a few days within a short

1622

01:17:03,110 --> 01:17:00,840

period of time after Gaia fired me

1623

01:17:06,590 --> 01:17:03,120

and we had all of these threats going

1624

01:17:08,630 --> 01:17:06,600

back and forth and I was

1625

01:17:10,490 --> 01:17:08,640

a little preoccupied but I was

1626

01:17:13,130 --> 01:17:10,500

completely sober

1627

01:17:14,990 --> 01:17:13,140

when you say preoccupy my mind was on

1628

01:17:17,330 --> 01:17:15,000

other things and I during the

1629

01:17:21,229 --> 01:17:17,340

presentation I was kept it was hard for

1630

01:17:22,970 --> 01:17:21,239

me to focus because of all the stress

1631

01:17:23,930 --> 01:17:22,980

how do you know it was hard for you to

1632

01:17:25,729 --> 01:17:23,940

focus

1633

01:17:28,669 --> 01:17:25,739

because I remember sitting up on that

1634

01:17:31,790 --> 01:17:28,679

stage at eTown

1635

01:17:35,149 --> 01:17:31,800

and what and what happened I kept uh

1636

01:17:38,450 --> 01:17:35,159

forgetting what I was saying and I just

1637

01:17:41,450 --> 01:17:38,460

kept the stuff with guy I just kept

1638

01:17:45,649 --> 01:17:41,460

coming into my head and it

1639

01:17:47,090 --> 01:17:45,659

affected but I didn't uh the there's you

1640

01:17:48,890 --> 01:17:47,100

know in every event there's always like

1641

01:17:50,930 --> 01:17:48,900

two three people that come and demand a

1642

01:17:54,410 --> 01:17:50,940

refund that's just weird people but

1643

01:17:57,169 --> 01:17:54,420

everyone else is extremely uh Happy

1644

01:17:59,209 --> 01:17:57,179

um at the event correct because we had

1645

01:18:01,970 --> 01:17:59,219

to meet and greet afterwards and it was

1646

01:18:03,649 --> 01:18:01,980

everybody was extremely happy why do you

1647

01:18:07,550 --> 01:18:03,659

believe that my client

1648

01:18:10,550 --> 01:18:07,560

had a fiduciary duty to you

1649

01:18:11,930 --> 01:18:10,560

it's very vague sure in your documents

1650

01:18:12,830 --> 01:18:11,940

you submitted with a court have you read

1651  
01:18:15,709 --> 01:18:12,840  
them

1652  
01:18:19,070 --> 01:18:15,719  
yes in your documents you said something

1653  
01:18:21,410 --> 01:18:19,080  
about Kennedy having a fiduciary duty

1654  
01:18:23,209 --> 01:18:21,420  
what do you understand a fiduciary duty

1655  
01:18:26,450 --> 01:18:23,219  
to be

1656  
01:18:30,229 --> 01:18:26,460  
a fiduciary duty uh

1657  
01:18:32,530 --> 01:18:30,239  
his fiduciary duty was to handle all of

1658  
01:18:37,510 --> 01:18:32,540  
the finances

1659  
01:18:40,370 --> 01:18:37,520  
contracts and negotiations for

1660  
01:18:46,310 --> 01:18:40,380  
what we were to make

1661  
01:18:48,890 --> 01:18:46,320  
and he was to distribute the documentary

1662  
01:18:54,709 --> 01:18:51,490  
howdy let's do the first one

1663  
01:18:56,209 --> 01:18:54,719

that you just said he's to distribute

1664

01:18:59,270 --> 01:18:56,219

All the Monies

1665

01:19:01,729 --> 01:18:59,280

what monies do you believe Kennedy did

1666

01:19:04,610 --> 01:19:01,739

not distribute properly if any

1667

01:19:06,470 --> 01:19:04,620

the documentary Monies

1668

01:19:09,890 --> 01:19:06,480

how much approximately do you believe

1669

01:19:12,290 --> 01:19:09,900

that is I I don't know

1670

01:19:14,149 --> 01:19:12,300

can you give a best estimate no not

1671

01:19:16,070 --> 01:19:14,159

until we get the bank accounts and do

1672

01:19:18,470 --> 01:19:16,080

all the

1673

01:19:20,090 --> 01:19:18,480

accounting other than the bank accounts

1674

01:19:22,250 --> 01:19:20,100

is there anywhere else you would look to

1675

01:19:24,290 --> 01:19:22,260

get that information

1676

01:19:25,430 --> 01:19:24,300

what what's your information again the

1677

01:19:28,669 --> 01:19:25,440

information as far as how much

1678

01:19:30,590 --> 01:19:28,679

documentary monies my client failed to

1679

01:19:34,250 --> 01:19:30,600

distribute to you

1680

01:19:38,390 --> 01:19:36,290

like documentation that sort of thing

1681

01:19:41,450 --> 01:19:38,400

not not that I can think of right off

1682

01:19:43,430 --> 01:19:41,460

hand I'd have to see what we have in our

1683

01:19:44,990 --> 01:19:43,440

so it could be ten thousand it could be

1684

01:19:46,189 --> 01:19:45,000

a million you have no idea it's not

1685

01:19:49,010 --> 01:19:46,199

going to be a million the film hasn't

1686

01:19:50,630 --> 01:19:49,020

made that much how much is it made

1687

01:19:53,090 --> 01:19:50,640

um

1688

01:19:55,490 --> 01:19:53,100

to be honest I would think maybe maybe

1689

01:19:57,830 --> 01:19:55,500

they've both made a million or a little

1690

01:20:01,250 --> 01:19:57,840

over when you say they they both who's

1691

01:20:02,510 --> 01:20:01,260

together uh both films

1692

01:20:05,570 --> 01:20:02,520

so you think there's a million

1693

01:20:07,550 --> 01:20:05,580

approximately for both films right that

1694

01:20:09,290 --> 01:20:07,560

overall that's been made I that's what I

1695

01:20:10,850 --> 01:20:09,300

that's my guesstimate and we say both

1696

01:20:12,050 --> 01:20:10,860

films you're referring to

1697

01:20:13,610 --> 01:20:12,060

uh

1698

01:20:27,530 --> 01:20:13,620

above

1699

01:20:30,649 --> 01:20:28,610

foreign

1700

01:20:33,229 --> 01:20:30,659

and so you're saying these bank accounts

1701  
01:20:35,870 --> 01:20:33,239  
you're going to be able to see how much

1702  
01:20:38,390 --> 01:20:35,880  
in monies came in from those two films

1703  
01:20:41,990 --> 01:20:38,400  
and that you believe my client Mr

1704  
01:20:44,330 --> 01:20:42,000  
Kennedy hasn't distributed money's uh

1705  
01:20:45,530 --> 01:20:44,340  
properly from those two that's my belief

1706  
01:20:47,930 --> 01:20:45,540  
okay

1707  
01:20:49,790 --> 01:20:47,940  
and it's somewhere between

1708  
01:20:51,709 --> 01:20:49,800  
you're saying approximately a million so

1709  
01:20:54,050 --> 01:20:51,719  
somewhere around that's how much the

1710  
01:20:56,570 --> 01:20:54,060  
film's brought I'm

1711  
01:20:58,310 --> 01:20:56,580  
guessing that the film's brought in

1712  
01:21:00,350 --> 01:20:58,320  
total I understand how much I'm saying

1713  
01:21:03,290 --> 01:21:00,360

he he misappropriated

1714

01:21:03,300 --> 01:21:10,490

God

1715

01:21:13,729 --> 01:21:12,290

there's a lot of money going back and

1716

01:21:15,830 --> 01:21:13,739

forth between his charity and that

1717

01:21:18,169 --> 01:21:15,840

account and it was very bothersome and

1718

01:21:19,370 --> 01:21:18,179

worrisome what charity

1719

01:21:21,770 --> 01:21:19,380

the

1720

01:21:24,830 --> 01:21:21,780

Leon Leon's

1721

01:21:26,689 --> 01:21:24,840

religious charity okay what religious

1722

01:21:28,250 --> 01:21:26,699

charity you're referring to

1723

01:21:30,649 --> 01:21:28,260

can't remember the name of it he told me

1724

01:21:35,030 --> 01:21:30,659

he created it after he lost a lawsuit to

1725

01:21:37,189 --> 01:21:35,040

avoid having to pay out those uh uh

1726

01:21:39,410 --> 01:21:37,199

losses in that lawsuit

1727

01:21:41,270 --> 01:21:39,420

okay do you remember what religion is

1728

01:21:44,930 --> 01:21:41,280

affiliated with no

1729

01:21:46,610 --> 01:21:44,940

okay and so what uh so you're saying

1730

01:21:49,070 --> 01:21:46,620

there's a lot of money's flowing back

1731

01:21:50,570 --> 01:21:49,080

and forth between what account

1732

01:21:55,010 --> 01:21:50,580

and what account

1733

01:21:56,930 --> 01:21:55,020

well until we see the uh documentation I

1734

01:21:59,149 --> 01:21:56,940

won't know how much money but Leon had

1735

01:22:02,209 --> 01:21:59,159

admitted that money was going back and

1736

01:22:05,750 --> 01:22:02,219

forth he was using it to he'd send money

1737

01:22:07,610 --> 01:22:05,760

to one to like pay for like going to

1738

01:22:10,310 --> 01:22:07,620

like some Hollywood dinner event to

1739

01:22:11,570 --> 01:22:10,320

promote stuff he was money was going

1740

01:22:14,149 --> 01:22:11,580

back and forth

1741

01:22:17,030 --> 01:22:14,159

okay I think that's the reason we we

1742

01:22:27,169 --> 01:22:17,040

haven't gotten uh those documents uh in

1743

01:22:32,750 --> 01:22:29,810

the speculation until we in the next

1744

01:22:36,370 --> 01:22:32,760

couple of weeks received it uh okay so

1745

01:22:38,570 --> 01:22:36,380

the dimensions of disclosure events uh

1746

01:22:40,189 --> 01:22:38,580

you you expect that you should have

1747

01:22:43,270 --> 01:22:40,199

received a hundred thousand dollars from

1748

01:22:48,169 --> 01:22:43,280

that or seven thousand dollars from that

1749

01:22:51,110 --> 01:22:48,179

I should have received a percentage of

1750

01:22:53,810 --> 01:22:51,120

the overall money that came in but that

1751

01:22:56,689 --> 01:22:53,820

year I had agreed to not receive the

1752

01:22:59,510 --> 01:22:56,699

money and to only be paid a speaker's

1753

01:23:02,209 --> 01:22:59,520

fee so that Adrian could save her farm

1754

01:23:04,310 --> 01:23:02,219

and it's 2019 when you say that year yes

1755

01:23:08,030 --> 01:23:04,320

19. did you get all the monies you were

1756

01:23:17,030 --> 01:23:10,810

2018

1757

01:23:19,189 --> 01:23:17,040

mostly through our accounts

1758

01:23:22,130 --> 01:23:19,199

did you distribute All the Monies that

1759

01:23:25,070 --> 01:23:22,140

Adrian was owed for the 2018. yes we

1760

01:23:28,070 --> 01:23:25,080

distributed All the Monies that we were

1761

01:23:29,590 --> 01:23:28,080

basically given a list this of uh paid

1762

01:23:33,050 --> 01:23:29,600

this to this person this to this person

1763

01:23:35,630 --> 01:23:33,060

uh this account or whatever and uh Stacy

1764

01:23:38,689 --> 01:23:35,640

went and made all of the wire transfers

1765

01:23:41,229 --> 01:23:38,699

and uh check payments did you give a

1766

01:23:47,209 --> 01:23:41,239

full accounting to Adrian for that 2018

1767

01:23:52,189 --> 01:23:49,850

I'm not sure we'll have to check the

1768

01:23:55,130 --> 01:23:52,199

all the documentation did you give Roger

1769

01:23:57,649 --> 01:23:55,140

a full accounting of that 2018 DOD event

1770

01:23:59,930 --> 01:23:57,659

I'm sure we did it's we're going to have

1771

01:24:02,030 --> 01:23:59,940

to uh

1772

01:24:03,350 --> 01:24:02,040

dig it out in the documentation during

1773

01:24:04,970 --> 01:24:03,360

that time period that was a long time

1774

01:24:06,290 --> 01:24:04,980

ago when you send or receive

1775

01:24:08,870 --> 01:24:06,300

documentation would you get that

1776

01:24:11,510 --> 01:24:08,880

typically by email

1777

01:24:13,790 --> 01:24:11,520

documentation was typically yes by email

1778

01:24:16,189 --> 01:24:13,800

okay and you do not delete any emails

1779

01:24:17,450 --> 01:24:16,199

correct so every email is for our

1780

01:24:19,189 --> 01:24:17,460

documentation you would have that still

1781

01:24:20,870 --> 01:24:19,199

I would yeah and you would have produced

1782

01:24:22,729 --> 01:24:20,880

that to your attorney already right yes

1783

01:24:24,890 --> 01:24:22,739

it should be if it if that information

1784

01:24:29,090 --> 01:24:24,900

is in there it will be in what was

1785

01:24:32,810 --> 01:24:31,370

excuse me cancel five minutes you're

1786

01:24:35,330 --> 01:24:32,820

good it's perfect I need to go to the

1787

01:24:38,149 --> 01:24:35,340

bathroom in five minutes
