

the deposition of corey goode

session five

1
00:00:31,970 --> 00:00:28,910
foreign

2
00:00:34,370 --> 00:00:31,980
we are back on the record at 4 38 this

3
00:00:36,470 --> 00:00:34,380
is Media 5.

4
00:00:37,910 --> 00:00:36,480
uh do you issue to change any of your

5
00:00:40,130 --> 00:00:37,920
answers from earlier

6
00:00:43,369 --> 00:00:40,140
you understand you're still on the road

7
00:00:45,650 --> 00:00:43,379
is that a yes yep on page 18 of your

8
00:00:47,389 --> 00:00:45,660
complaint uh you reviewed your complaint

9
00:00:49,610 --> 00:00:47,399
before it was filed with court correct

10
00:00:52,369 --> 00:00:49,620
yes but unless I have it in front of me

11
00:00:55,010 --> 00:00:52,379
I'm not really gonna

12
00:00:57,709 --> 00:00:55,020
be able to comment too much

13
00:01:01,369 --> 00:00:57,719

uh in that complaint you state that Mr

14

00:01:03,650 --> 00:01:01,379

Youngblood had a 50 interest in DOD

15

00:01:05,750 --> 00:01:03,660

is that correct or is that incorrect if

16

00:01:08,450 --> 00:01:05,760

that's what it states then it's correct

17

00:01:11,630 --> 00:01:08,460

really so okay

18

00:01:15,530 --> 00:01:13,670

and you do agree that young blood is the

19

00:01:29,090 --> 00:01:15,540

one that filed the trademark for DOD

20

00:01:34,070 --> 00:01:31,070

and Ms Youngblood generated live

21

00:01:37,789 --> 00:01:34,080

streaming sales for 2019.

22

00:01:39,530 --> 00:01:37,799

for DOD correct yes and she wasn't she

23

00:01:41,710 --> 00:01:39,540

responsible for the speakers at the

24

00:01:44,270 --> 00:01:41,720

conferences for DOD

25

00:01:46,370 --> 00:01:44,280

responsible what do you mean for

26
00:01:48,550 --> 00:01:46,380
determining the speakers at DOD

27
00:01:50,990 --> 00:01:48,560
conferences well it was usually a group

28
00:01:59,870 --> 00:01:51,000
discussion who is obtaining the speakers

29
00:02:04,310 --> 00:02:02,510
sometimes I would contact

30
00:02:05,870 --> 00:02:04,320
speakers

31
00:02:08,270 --> 00:02:05,880
okay but it was her job you said right

32
00:02:10,490 --> 00:02:08,280
yep okay

33
00:02:12,350 --> 00:02:10,500
and

34
00:02:14,449 --> 00:02:12,360
the document says you get a 15 percent

35
00:02:16,130 --> 00:02:14,459
of the net profits

36
00:02:18,470 --> 00:02:16,140
equivalent to eleven thousand seven

37
00:02:21,170 --> 00:02:18,480
eighty nine correct does that sound

38
00:02:23,930 --> 00:02:21,180

about right can you repeat that sure you

39

00:02:28,910 --> 00:02:23,940

were entitled to a 15 cut of the net

40

00:02:30,369 --> 00:02:28,920

profits equivalent to 11th of DOD yes

41

00:02:33,410 --> 00:02:30,379

15

42

00:02:41,210 --> 00:02:33,420

where where is that stipulated sure

43

00:02:44,930 --> 00:02:42,949

because that sounds like some sort of

44

00:02:46,610 --> 00:02:44,940

written agreement to Me Maybe we need to

45

00:02:48,830 --> 00:02:46,620

find it

46

00:03:18,610 --> 00:02:48,840

have you seen 17 before

47

00:03:24,170 --> 00:03:22,009

okay so this is exhibit number two so

48

00:03:25,910 --> 00:03:24,180

17. I don't know where this 15 agreement

49

00:03:28,070 --> 00:03:25,920

came from that's probably uh one of

50

00:03:34,729 --> 00:03:28,080

those things Leon negotiated

51
00:03:38,630 --> 00:03:37,729
I don't know I don't recognize it cut

52
00:03:40,550 --> 00:03:38,640
off

53
00:03:43,610 --> 00:03:40,560
does it sound to be about the right

54
00:03:45,530 --> 00:03:43,620
percentage that you're supposed to get

55
00:03:46,490 --> 00:03:45,540
amount I was given but I don't remember

56
00:03:48,289 --> 00:03:46,500
ever

57
00:03:51,770 --> 00:03:48,299
having a discussion to where you know

58
00:03:53,690 --> 00:03:51,780
Corey gets 15 David Gets 15 there must

59
00:03:55,910 --> 00:03:53,700
be contracts somewhere

60
00:03:58,130 --> 00:03:55,920
there must be or

61
00:03:59,330 --> 00:03:58,140
I mean why would they is this just

62
00:04:02,210 --> 00:03:59,340
verbal agreements we're talking about

63
00:04:04,070 --> 00:04:02,220

David had uh I know David got a contract

64

00:04:06,350 --> 00:04:04,080

because you told me that oftentimes

65

00:04:07,789 --> 00:04:06,360

there wasn't a contract often

66

00:04:09,890 --> 00:04:07,799

So when you say there must be I'm

67

00:04:12,589 --> 00:04:09,900

confused I'm saying there must be it

68

00:04:19,069 --> 00:04:12,599

looks like that's being enforced from a

69

00:04:23,629 --> 00:04:21,770

that looks I'm doing this per contract I

70

00:04:25,610 --> 00:04:23,639

mean that's that's what I get does it

71

00:04:27,350 --> 00:04:25,620

say anywhere in exhibit 17 anything

72

00:04:29,270 --> 00:04:27,360

about can you move your classes it

73

00:04:31,129 --> 00:04:29,280

doesn't say anything about a contract no

74

00:04:32,870 --> 00:04:31,139

I don't say anything either no but it's

75

00:04:34,490 --> 00:04:32,880

listing things as if they were coming

76

00:04:37,730 --> 00:04:34,500

from a contract

77

00:04:39,710 --> 00:04:37,740

are you aware of a contract for DOD

78

00:04:40,670 --> 00:04:39,720

not that I can remember I don't unless

79

00:04:43,850 --> 00:04:40,680

it's in

80

00:04:45,530 --> 00:04:43,860

my documentation okay so a 15 cut is

81

00:04:47,210 --> 00:04:45,540

that what you believe you has as far as

82

00:04:49,670 --> 00:04:47,220

a percentage Yeah it was very difficult

83

00:04:51,310 --> 00:04:49,680

DOD 2019

84

00:05:10,070 --> 00:04:51,320

um

85

00:05:16,189 --> 00:05:14,030

now who on the domain for DOD

86

00:05:18,650 --> 00:05:16,199

the website domain

87

00:05:20,930 --> 00:05:18,660

I can't remember if I registered it or

88

00:05:22,310 --> 00:05:20,940

if someone else registered it I know I

89

00:05:25,189 --> 00:05:22,320

came up with the name

90

00:05:29,450 --> 00:05:25,199

I invented the name that was in the

91

00:05:36,469 --> 00:05:32,950

uh but wasn't the domain that was

92

00:05:37,730 --> 00:05:36,479

registered and developed both by Adrian

93

00:05:39,110 --> 00:05:37,740

Youngblood

94

00:05:42,469 --> 00:05:39,120

what do you mean

95

00:05:45,710 --> 00:05:42,479

I I created the you the the event name

96

00:05:49,129 --> 00:05:45,720

I'm not sure who of us secured the

97

00:05:52,850 --> 00:05:49,139

actual URL are you secure are you sure

98

00:05:56,270 --> 00:05:52,860

who developed the website uh no are you

99

00:05:59,029 --> 00:05:56,280

sure who developed the I think Roger did

100

00:06:00,890 --> 00:05:59,039

do you own the website currently

101
00:06:02,990 --> 00:06:00,900
I don't know I have to look through all

102
00:06:05,749 --> 00:06:03,000
my lists I don't know what what you mean

103
00:06:07,370 --> 00:06:05,759
what makes you believe I I have like

104
00:06:09,110 --> 00:06:07,380
like something like three to five

105
00:06:11,150 --> 00:06:09,120
hundred urls

106
00:06:15,350 --> 00:06:11,160
okay have you ever been accused of cyber

107
00:06:18,050 --> 00:06:15,360
squatting uh-uh is that a no no

108
00:06:18,060 --> 00:06:22,969
um

109
00:06:28,730 --> 00:06:25,790
do you remember calling Leon Kennedy

110
00:06:32,090 --> 00:06:28,740
after the conference and being told

111
00:06:35,330 --> 00:06:32,100
telling uh Leon Kennedy that you wanted

112
00:06:39,529 --> 00:06:37,610
more money from what from the dod

113
00:06:44,450 --> 00:06:39,539

conference what year

114

00:06:46,189 --> 00:06:44,460

uh in 2019 2019 yep no I don't

115

00:06:47,809 --> 00:06:46,199

know you don't remember initiating a

116

00:06:50,930 --> 00:06:47,819

phone call within about a week after the

117

00:06:53,270 --> 00:06:50,940

conference uh well after the conference

118

00:06:58,010 --> 00:06:53,280

on my way home I found out about the

119

00:07:02,870 --> 00:06:58,020

trademark being filed without

120

00:07:05,390 --> 00:07:02,880

my permission and uh there was a situa a

121

00:07:08,870 --> 00:07:05,400

situation where uh

122

00:07:11,749 --> 00:07:08,880

Laura Eisenhower's husband at DOD was

123

00:07:14,990 --> 00:07:11,759

drunk carrying a firearm threatening to

124

00:07:17,090 --> 00:07:15,000

kill me shoot me with it and she just

125

00:07:18,850 --> 00:07:17,100

thought it was a big joke finally

126
00:07:21,650 --> 00:07:18,860
someone recorded him

127
00:07:22,730 --> 00:07:21,660
making the threat and still nothing was

128
00:07:24,710 --> 00:07:22,740
done

129
00:07:27,770 --> 00:07:24,720
it was there was just a lot of

130
00:07:29,629 --> 00:07:27,780
disrespect and bad treatment by Adrian

131
00:07:31,670 --> 00:07:29,639
at that event why were you on the

132
00:07:33,890 --> 00:07:31,680
receiving end of someone with a firearm

133
00:07:35,990 --> 00:07:33,900
being angry at you

134
00:07:38,210 --> 00:07:36,000
well we'll have to play the video

135
00:07:39,469 --> 00:07:38,220
you don't have any idea yeah in the

136
00:07:41,029 --> 00:07:39,479
video

137
00:07:42,350 --> 00:07:41,039
um

138
00:07:46,010 --> 00:07:42,360

this

139

00:07:49,850 --> 00:07:46,020

uh husband of Laura Eisenhower is

140

00:07:52,430 --> 00:07:49,860

friends with a cyber stalker one of the

141

00:07:53,629 --> 00:07:52,440

people that we were suing in the RICO

142

00:07:56,330 --> 00:07:53,639

case

143

00:08:01,610 --> 00:07:56,340

that cyber stalker had filled their head

144

00:08:03,950 --> 00:08:01,620

with all of the evil things about me and

145

00:08:05,390 --> 00:08:03,960

that's one of the one of the things I

146

00:08:20,390 --> 00:08:05,400

think he said in the in the video when

147

00:08:26,050 --> 00:08:22,249

D didn't Youngblood make sure you had

148

00:08:29,210 --> 00:08:26,060

personal security from the Samoans

149

00:08:31,790 --> 00:08:29,220

yeah if you want to call it that

150

00:08:33,829 --> 00:08:31,800

um it's better than a volunteer yeah not

151

00:08:36,350 --> 00:08:33,839

not really better nothing but was it

152

00:08:38,089 --> 00:08:36,360

worse than nothing no I mean it's it's

153

00:08:41,209 --> 00:08:38,099

just kind of like somebody that hangs

154

00:08:43,550 --> 00:08:41,219

out okay these guys aren't real bad

155

00:08:46,610 --> 00:08:43,560

asses in this movement you know I mean

156

00:08:49,910 --> 00:08:46,620

who's going to be afraid of a hippie

157

00:08:52,910 --> 00:08:49,920

I brought my uh own security I brought a

158

00:08:54,769 --> 00:08:52,920

retired General who was my security at

159

00:08:57,230 --> 00:08:54,779

that event oh so you had a retired

160

00:09:01,610 --> 00:08:57,240

General to protect you from that gun

161

00:09:02,630 --> 00:09:01,620

toting guy right later yeah later well

162

00:09:09,949 --> 00:09:02,640

um

163

00:09:15,829 --> 00:09:13,490

hdod 2018. yeah in Ventura

164

00:09:18,889 --> 00:09:15,839

yeah he was there

165

00:09:20,870 --> 00:09:18,899

so then why why would you want these

166

00:09:22,910 --> 00:09:20,880

security guards these 300 pounds Simone

167

00:09:25,130 --> 00:09:22,920

guys to protect you if you had the

168

00:09:26,269 --> 00:09:25,140

general they were those 300 pounds

169

00:09:30,110 --> 00:09:26,279

Samoan guys were protecting David

170

00:09:31,430 --> 00:09:30,120

Wilcock not you no oh at no point did I

171

00:09:33,710 --> 00:09:31,440

even see those guys unless they were

172

00:09:35,630 --> 00:09:33,720

walking around David Wilcock because he

173

00:09:38,630 --> 00:09:35,640

was afraid of the Cyber stalkers too

174

00:09:40,310 --> 00:09:38,640

because it was a big deal okay some of

175

00:09:42,290 --> 00:09:40,320

them had uh made it sound like they were

176

00:09:44,150 --> 00:09:42,300

going to show up to our conference there

177

00:09:45,290 --> 00:09:44,160

should have been a lot more security and

178

00:09:48,350 --> 00:09:45,300

it should have been locked out a lot

179

00:09:51,350 --> 00:09:48,360

more I had my back watched by a retired

180

00:09:54,650 --> 00:09:51,360

General but you know if someone's got a

181

00:09:56,810 --> 00:09:54,660

gun and they have the element of

182

00:10:00,470 --> 00:09:56,820

surprise what's what's uh three generals

183

00:10:03,710 --> 00:10:01,910

well then why did you even have the

184

00:10:05,269 --> 00:10:03,720

general if you if you think that he

185

00:10:07,610 --> 00:10:05,279

would have done anything no he would

186

00:10:11,150 --> 00:10:07,620

have done something if he could have but

187

00:10:12,410 --> 00:10:11,160

the fact that Adrian and Roger and all

188

00:10:14,290 --> 00:10:12,420

of them knew that those threats were

189

00:10:16,790 --> 00:10:14,300

going on and it wasn't being dealt with

190

00:10:18,470 --> 00:10:16,800

and I didn't find about out about it to

191

00:10:20,949 --> 00:10:18,480

the last day that my life was under

192

00:10:24,170 --> 00:10:20,959

threat for two days prior

193

00:10:26,030 --> 00:10:24,180

that's negligence

194

00:10:28,730 --> 00:10:26,040

what's negligence

195

00:10:30,110 --> 00:10:28,740

not providing security or letting a

196

00:10:32,030 --> 00:10:30,120

person know when their life is being

197

00:10:33,470 --> 00:10:32,040

threatened at an event so you're saying

198

00:10:36,829 --> 00:10:33,480

there was no paid security at the dod

199

00:10:40,970 --> 00:10:36,839

events I don't know if she paid any

200

00:10:44,030 --> 00:10:40,980

everyone that ever gave me security at

201

00:10:47,090 --> 00:10:44,040

these events was a volunteer

202

00:10:49,009 --> 00:10:47,100

how do you know because they were they

203

00:10:50,630 --> 00:10:49,019

were the volunteers they were all the

204

00:10:53,449 --> 00:10:50,640

volunteers they were not

205

00:10:54,769 --> 00:10:53,459

they've got free tickets to come and be

206

00:11:29,990 --> 00:10:54,779

a

207

00:11:31,970 --> 00:11:30,000

the security be in the uh the volunteer

208

00:11:33,110 --> 00:11:31,980

security people be in the room and I

209

00:11:34,730 --> 00:11:33,120

can't remember name of the guy that was

210

00:11:36,650 --> 00:11:34,740

there but the big Samoan guys were never

211

00:11:40,250 --> 00:11:36,660

around me unless David happened to be

212

00:11:45,769 --> 00:11:43,910

okay and um

213

00:11:48,590 --> 00:11:45,779

what was the

214

00:11:51,650 --> 00:11:48,600

So when you say you insisted you said I

215

00:11:54,470 --> 00:11:51,660

need security or else what

216

00:11:56,569 --> 00:11:54,480

I didn't give an or else I don't believe

217

00:11:59,870 --> 00:11:56,579

so when you say you insisted what does

218

00:12:05,810 --> 00:11:59,880

insisted mean to you well as a person

219

00:12:08,750 --> 00:12:05,820

who was uh part owner of the event and a

220

00:12:11,150 --> 00:12:08,760

speaker whose life has been in danger I

221

00:12:15,230 --> 00:12:11,160

insisted that some of the volunteer

222

00:12:15,240 --> 00:12:44,750

okay

223

00:12:50,930 --> 00:12:48,769

as far as the sequel of above Majestic

224

00:12:53,329 --> 00:12:50,940

it was entitled Cosmic Secret

225

00:12:56,870 --> 00:12:53,339

you demanded a director's title right

226

00:12:59,210 --> 00:12:56,880

yes and um

227

00:13:00,949 --> 00:12:59,220

the outlines that you provided that's

228

00:13:03,110 --> 00:13:00,959

that's what you provided towards that

229

00:13:06,889 --> 00:13:03,120

production right yes it was supposed to

230

00:13:10,610 --> 00:13:06,899

be a co-direction between me and

231

00:13:14,150 --> 00:13:12,410

was supposed to take the lead it was

232

00:13:14,930 --> 00:13:14,160

going to be an opportunity for me to

233

00:13:19,069 --> 00:13:14,940

learn

234

00:13:21,650 --> 00:13:19,079

uh more about what goes into fully

235

00:13:23,870 --> 00:13:21,660

directing a property on your own he was

236

00:13:27,110 --> 00:13:23,880

very excited to teach me

237

00:13:29,690 --> 00:13:27,120

and run me through the ropes but uh we

238

00:13:30,889 --> 00:13:29,700

never got that opportunity obviously

239

00:13:32,810 --> 00:13:30,899

okay

240

00:13:36,230 --> 00:13:32,820

it was after all that that I did demand

241

00:13:38,629 --> 00:13:36,240

that I'd be uh director because Roger

242

00:13:40,730 --> 00:13:38,639

stealing the project and getting to be

243

00:13:42,769 --> 00:13:40,740

director and all that it's just was not

244

00:13:44,590 --> 00:13:42,779

going to set well especially after I had

245

00:13:48,350 --> 00:13:44,600

provided the

246

00:13:49,430 --> 00:13:48,360

outlines outlines and said but only five

247

00:13:53,690 --> 00:13:49,440

percent of the outlines were actually

248

00:13:58,970 --> 00:13:57,829

well the outline is maybe the way Roger

249

00:14:00,829 --> 00:13:58,980

does it

250

00:14:03,550 --> 00:14:00,839

so the final product was how Roger do

251
00:14:06,110 --> 00:14:03,560
you right yeah okay and so it was Roger

252
00:14:07,910 --> 00:14:06,120
uh you know who what Roger did

253
00:14:10,250 --> 00:14:07,920
everything by the seat of his pants okay

254
00:14:13,910 --> 00:14:10,260
so as far as

255
00:14:19,550 --> 00:14:16,370
for which movie

256
00:14:20,269 --> 00:14:19,560
for the cosmic Secret

257
00:14:23,030 --> 00:14:20,279
um

258
00:14:24,350 --> 00:14:23,040
well I'm I'm the one that originally

259
00:14:27,230 --> 00:14:24,360
brought in

260
00:14:30,590 --> 00:14:27,240
she picked the crew relax so I had yeah

261
00:14:35,389 --> 00:14:30,600
and I had picked uh

262
00:14:38,389 --> 00:14:37,370
so you predict two of the crew members

263
00:14:40,250 --> 00:14:38,399

you're saying

264

00:14:42,110 --> 00:14:40,260

yeah yeah the two

265

00:14:49,850 --> 00:14:42,120

uh

266

00:14:49,860 --> 00:14:55,610

and

267

00:15:00,829 --> 00:14:59,030

for the documentary uh you interview you

268

00:15:02,389 --> 00:15:00,839

know usually have interviews with

269

00:15:04,370 --> 00:15:02,399

various talents

270

00:15:05,810 --> 00:15:04,380

and the interviews are shown how many

271

00:15:06,889 --> 00:15:05,820

individuals did you interview for the

272

00:15:09,650 --> 00:15:06,899

documentary

273

00:15:10,850 --> 00:15:09,660

I was present for uh

274

00:15:11,990 --> 00:15:10,860

I didn't ask you if you were president

275

00:15:15,889 --> 00:15:12,000

I'm asking you how many did you

276

00:15:21,050 --> 00:15:20,030

none okay how about post-production uh

277

00:15:25,550 --> 00:15:21,060

what's your understanding of what

278

00:15:32,449 --> 00:15:29,269

fixing the audio and color schemes and

279

00:15:34,670 --> 00:15:32,459

making sure all of the scenes glibed

280

00:15:38,990 --> 00:15:34,680

together well

281

00:15:45,590 --> 00:15:39,000

so lots of many many hours of editing

282

00:15:51,290 --> 00:15:49,790

and you did the editing no okay

283

00:15:53,150 --> 00:15:51,300

probably hundreds of hours of editing

284

00:15:54,829 --> 00:15:53,160

for a documentary right

285

00:15:57,350 --> 00:15:54,839

uh

286

00:15:59,990 --> 00:15:57,360

not if you do it right okay

287

00:16:02,569 --> 00:16:00,000

how many do you think it should be uh

288

00:16:03,590 --> 00:16:02,579

well the proper way to do it have an

289

00:16:05,269 --> 00:16:03,600

outline

290

00:16:08,329 --> 00:16:05,279

have the people you're going to talk to

291

00:16:10,310 --> 00:16:08,339

go spend maybe 30 40 minutes with them

292

00:16:12,050 --> 00:16:10,320

getting a sound bite and then you take

293

00:16:14,569 --> 00:16:12,060

that and you put it you stick it into

294

00:16:15,829 --> 00:16:14,579

your outline the way Roger did it is he

295

00:16:17,629 --> 00:16:15,839

just shotgunned it he went and

296

00:16:19,069 --> 00:16:17,639

interviewed all of these people and then

297

00:16:21,170 --> 00:16:19,079

he would sit and watch through all the

298

00:16:22,970 --> 00:16:21,180

interviews to see what connected and

299

00:16:24,769 --> 00:16:22,980

then he would take those pieces out and

300

00:16:26,509 --> 00:16:24,779

here it is edit it and then edit it down

301

00:16:29,509 --> 00:16:26,519

it was you didn't do the edits did you

302

00:16:33,110 --> 00:16:31,430

color correction sound correction did

303

00:16:37,850 --> 00:16:33,120

you do any of that no that was mostly

304

00:16:41,870 --> 00:16:39,470

most of the post-production was done by

305

00:16:44,150 --> 00:16:41,880

eux Roger edited it together and then I

306

00:16:46,550 --> 00:16:44,160

think they fixed it I don't think he did

307

00:17:17,870 --> 00:16:46,560

the post-production

308

00:17:22,189 --> 00:17:19,850

you did tape for one day for five and a

309

00:17:24,049 --> 00:17:22,199

half hours per year interview right on

310

00:17:31,250 --> 00:17:24,059

Cosmic Secret

311

00:17:33,650 --> 00:17:31,260

yes and then my audio was uh

312

00:17:35,090 --> 00:17:33,660

completely screwed up by Roger's guy

313

00:17:37,549 --> 00:17:35,100

didn't you sweat out your shirt during

314

00:17:40,730 --> 00:17:37,559

that yep I always sweat on camera I'm

315

00:17:45,470 --> 00:17:42,830

and you had to go

316

00:17:47,210 --> 00:17:45,480

to purchase a matching shirt

317

00:17:49,310 --> 00:17:47,220

had to buy another shirt and I would use

318

00:17:52,190 --> 00:17:49,320

hair dryers on them and you went to

319

00:17:54,289 --> 00:17:52,200

panic attacks during filming right no

320

00:17:55,610 --> 00:17:54,299

not I did not go into any panic attacks

321

00:17:58,130 --> 00:17:55,620

during the cosmic Secret

322

00:18:00,169 --> 00:17:58,140

okay did you go into panic attacks on

323

00:18:02,690 --> 00:18:00,179

another one no okay

324

00:18:04,070 --> 00:18:02,700

and didn't Roger Richards have to tell

325

00:18:08,330 --> 00:18:04,080

the staff to leave the room so we could

326

00:18:12,470 --> 00:18:11,090

uh there was one of the re when one of

327

00:18:14,810 --> 00:18:12,480

them there were two way too many people

328

00:18:16,490 --> 00:18:14,820

present sure if she wanted less people

329

00:18:19,610 --> 00:18:16,500

in the room that's more distracting yeah

330

00:18:23,390 --> 00:18:21,230

just like you know now all the different

331

00:18:24,950 --> 00:18:23,400

people doing fumbling around messing

332

00:18:28,610 --> 00:18:24,960

around scratching their noses and all

333

00:18:30,650 --> 00:18:28,620

that it's very distracting when you sure

334

00:18:43,370 --> 00:18:30,660

and so who is directing when you were

335

00:18:47,090 --> 00:18:45,110

I wasn't giving a director's fee just

336

00:18:49,669 --> 00:18:47,100

the director's title people give titles

337

00:18:51,049 --> 00:18:49,679

all the time executive producer but only

338

00:18:52,430 --> 00:18:51,059

five percent of your work was actually

339

00:18:54,770 --> 00:18:52,440

used from your outline in the final

340

00:18:55,970 --> 00:18:54,780

piece of work right against my wishes

341

00:18:58,310 --> 00:18:55,980

yeah okay

342

00:19:01,909 --> 00:18:58,320

yeah they uh like I said Roger doesn't

343

00:19:10,130 --> 00:19:01,919

uh work like a normal professional

344

00:19:13,610 --> 00:19:11,510

and you believe that Kennedy and

345

00:19:15,830 --> 00:19:13,620

Richards have have

346

00:19:18,650 --> 00:19:15,840

power over the finances of

347

00:19:20,210 --> 00:19:18,660

above Majestic and Cosmic secret and the

348

00:19:22,549 --> 00:19:20,220

embezzled funds for their own use right

349

00:19:24,230 --> 00:19:22,559

that's what I believe

350

00:19:27,409 --> 00:19:24,240

and you believe that that's happening

351

00:19:29,870 --> 00:19:27,419

currently even with DVD sales right I

352

00:19:32,690 --> 00:19:29,880

believe it was happening with DVD cells

353

00:19:35,450 --> 00:19:32,700

and if these current DVD cells are tied

354

00:19:37,250 --> 00:19:35,460

to your clients then of course the

355

00:19:39,710 --> 00:19:37,260

answer would be us you believe it's a

356

00:19:41,990 --> 00:19:39,720

title tied to all my clients or just one

357

00:19:44,390 --> 00:19:42,000

of my clients I think it's tied to Roger

358

00:19:48,650 --> 00:19:44,400

okay and if it is do you have any ideas

359

00:19:50,810 --> 00:19:48,660

like let's say he sold uh 50 DVDs in the

360

00:19:54,590 --> 00:19:50,820

last two years you're saying you would

361

00:19:56,390 --> 00:19:54,600

be entitled to 20 or 25 of those 50 DVDs

362

00:19:59,090 --> 00:19:56,400

I'd be entitled to the same percentage

363

00:20:00,950 --> 00:19:59,100

of those DVDs as I am the distribution

364

00:20:03,590 --> 00:20:00,960

other distributions approximately 20 or

365

00:20:04,610 --> 00:20:03,600

25 right right

366

00:20:07,970 --> 00:20:04,620

okay

367

00:20:12,650 --> 00:20:07,980

so about 12 DVDs times 40 dollars

368

00:20:13,610 --> 00:20:12,660

the 12 DVDs well if you take 25 of 50.

369

00:20:15,289 --> 00:20:13,620

are you talking about just the people

370

00:20:17,090 --> 00:20:15,299

that complained

371

00:20:19,789 --> 00:20:17,100

I'm saying you think those are the only

372

00:20:21,590 --> 00:20:19,799

people that bought DVDs from 100 of the

373

00:20:23,690 --> 00:20:21,600

people that didn't get DVDs complained

374

00:20:26,090 --> 00:20:23,700

from Roger how many of you so you

375

00:20:28,970 --> 00:20:26,100

believe you have 50 complaints I uh we

376

00:20:30,950 --> 00:20:28,980

have dozens and I don't know

377

00:20:33,230 --> 00:20:30,960

um and how many more people didn't

378

00:20:35,930 --> 00:20:33,240

contact us usually only about three to

379

00:20:37,190 --> 00:20:35,940

four percent of people that in those

380

00:20:39,650 --> 00:20:37,200

situations

381

00:20:42,289 --> 00:20:39,660

actually make contact okay so three or

382

00:20:45,110 --> 00:20:42,299

four percent so you believe there be 33

383

00:20:46,669 --> 00:20:45,120

to 25 times more than the people that

384

00:20:50,810 --> 00:20:46,679

been complained right I believe at least

385

00:20:53,450 --> 00:20:50,820

yeah okay so you believe that it'd be uh

386

00:20:56,029 --> 00:20:53,460

couple dozen see 24. this is all

387

00:20:57,230 --> 00:20:56,039

guesstimate stuff sure that's all I have

388

00:20:58,730 --> 00:20:57,240

that's all you have to give me right now

389

00:21:00,409 --> 00:20:58,740

so I just have to go off what you can

390

00:21:03,350 --> 00:21:00,419

tell me well I mean you can go off of

391

00:21:05,150 --> 00:21:03,360

what your clients numbers are

392

00:21:06,950 --> 00:21:05,160

they should have all of that they sold

393

00:21:09,230 --> 00:21:06,960

the DVDs but even though they didn't

394

00:21:11,390 --> 00:21:09,240

give them out you're saying they Roger

395

00:21:14,630 --> 00:21:11,400

and Leon Roger and Leon were a part of

396

00:21:16,789 --> 00:21:14,640

the first adventure of selling DVDs it

397

00:21:19,970 --> 00:21:16,799

was Roger Leon Roger Leon let's be clear

398

00:21:22,730 --> 00:21:19,980

do you have any evidence that Leon sold

399

00:21:25,010 --> 00:21:22,740

any DVDs in the last couple years

400

00:21:26,630 --> 00:21:25,020

I have evidence that he was a part of

401
00:21:28,370 --> 00:21:26,640
the original DVD sales with Roger

402
00:21:30,529 --> 00:21:28,380
Richards which was approved by you

403
00:21:32,570 --> 00:21:30,539
correct yes okay do you have any

404
00:21:34,669 --> 00:21:32,580
evidence that Leon Kennedy has ever been

405
00:21:41,510 --> 00:21:34,679
a part of any DVD sales that's not

406
00:21:46,310 --> 00:21:44,149
do you have any proof at all or that

407
00:21:48,529 --> 00:21:46,320
would lead you to believe that Kennedy

408
00:21:52,610 --> 00:21:48,539
did anything as far as embezzling funds

409
00:21:54,110 --> 00:21:52,620
for above Majestic or Cosmic Secret

410
00:21:57,350 --> 00:21:54,120
at all

411
00:21:59,810 --> 00:21:57,360
never saw a penny of the DVD sales and

412
00:22:02,930 --> 00:21:59,820
the uh we weren't getting consistent

413
00:22:05,990 --> 00:22:02,940

distributions through his bank account

414

00:22:09,230 --> 00:22:06,000

and uh as we were supposed to and he

415

00:22:10,850 --> 00:22:09,240

refused to show us uh the numbers even

416

00:22:12,950 --> 00:22:10,860

though he had promised that he was going

417

00:22:14,870 --> 00:22:12,960

to be completely transparent when he

418

00:22:16,909 --> 00:22:14,880

first started this and he was anything

419

00:22:18,830 --> 00:22:16,919

but transparent

420

00:22:20,810 --> 00:22:18,840

I thought for like at least nine months

421

00:22:22,850 --> 00:22:20,820

that that you actually thanked him you

422

00:22:24,950 --> 00:22:22,860

sent him an email saying how much you

423

00:22:26,930 --> 00:22:24,960

appreciated well during that time period

424

00:22:29,630 --> 00:22:26,940

I wasn't worried and I wasn't asking to

425

00:22:31,130 --> 00:22:29,640

see the bank numbers I and every time I

426

00:22:32,510 --> 00:22:31,140

asked him when am I going to I asked

427

00:22:34,370 --> 00:22:32,520

when I was going to be put on the bank

428

00:22:35,870 --> 00:22:34,380

he said oh Corey I'll get around to that

429

00:22:37,190 --> 00:22:35,880

we'll do that there's so many other big

430

00:22:38,570 --> 00:22:37,200

things going on why are you so worried

431

00:22:39,890 --> 00:22:38,580

about that and so you believe that when

432

00:22:41,590 --> 00:22:39,900

you get the documents back from your

433

00:22:43,370 --> 00:22:41,600

subpoena when you get

434

00:22:45,110 --> 00:22:43,380

that then you're going to have the

435

00:22:47,990 --> 00:22:45,120

evidence necessary to find out where the

436

00:22:49,789 --> 00:22:48,000

money went right yes okay any other

437

00:22:52,490 --> 00:22:49,799

documents or any other place that you

438

00:22:54,470 --> 00:22:52,500

need information from into in order to

439

00:22:56,149 --> 00:22:54,480

determine this embezzlement

440

00:22:59,630 --> 00:22:56,159

um that's more of a question for the

441

00:23:09,830 --> 00:22:59,640

accountants uh I I'm I'm not a an

442

00:23:13,970 --> 00:23:12,649

as far as how they are collecting monies

443

00:23:15,230 --> 00:23:13,980

and making disbursements from both

444

00:23:16,669 --> 00:23:15,240

documentaries

445

00:23:18,289 --> 00:23:16,679

what do you mean

446

00:23:21,350 --> 00:23:18,299

have you talked

447

00:23:22,610 --> 00:23:21,360

to discuss how they are accounting for

448

00:23:23,750 --> 00:23:22,620

the collection of monies and

449

00:23:25,970 --> 00:23:23,760

disbursements from both the

450

00:23:27,529 --> 00:23:25,980

documentaries objection Council he asked

451
00:23:28,730 --> 00:23:27,539
you to clarify and not repeat just

452
00:23:31,010 --> 00:23:28,740
stated well it's a pretty

453
00:23:33,169 --> 00:23:31,020
straightforward question you know

454
00:23:35,870 --> 00:23:33,179
I do have you spoken with them I have

455
00:23:37,850 --> 00:23:35,880
about distributions about what about

456
00:23:40,669 --> 00:23:37,860
distributions distributions of monies

457
00:23:42,470 --> 00:23:40,679
from about Majestic and Cosmic secret

458
00:23:43,730 --> 00:23:42,480
you've heard of those yes okay it's a

459
00:23:45,350 --> 00:23:43,740
pretty straightforward question it

460
00:23:48,310 --> 00:23:45,360
didn't make sense to me well have you

461
00:23:54,590 --> 00:23:51,350
no I said what you said didn't make

462
00:23:58,669 --> 00:23:54,600
sense both times I heard it

463
00:24:05,570 --> 00:24:02,270

when all of this Fiasco was going on and

464

00:24:08,690 --> 00:24:05,580

uh I asked him what it would ask him if

465

00:24:10,130 --> 00:24:08,700

I could have the money transferred uh to

466

00:24:12,289 --> 00:24:10,140

a different account he said Corey

467

00:24:15,890 --> 00:24:12,299

according to us

468

00:24:19,070 --> 00:24:15,900

you signed the contract you signed the

469

00:24:21,649 --> 00:24:19,080

tax information it's your movie

470

00:24:24,850 --> 00:24:21,659

according to us and wherever you want

471

00:24:28,430 --> 00:24:24,860

that money to go it will go and then

472

00:24:30,830 --> 00:24:28,440

they uh changed the bank accounts for

473

00:24:33,350 --> 00:24:30,840

you for me and you change it into a GES

474

00:24:35,510 --> 00:24:33,360

account yeah okay

475

00:24:37,490 --> 00:24:35,520

and that's the account that you gave the

476
00:24:39,710 --> 00:24:37,500
different DBA name that you spoke of

477
00:24:41,870 --> 00:24:39,720
earlier correct it's not a DBA but it's

478
00:24:45,250 --> 00:24:41,880
just a indicator so you know which

479
00:24:48,169 --> 00:24:45,260
account is which and what do you call it

480
00:24:49,669 --> 00:24:48,179
documentary distributions

481
00:24:52,010 --> 00:24:49,679
but is it documented distribution

482
00:24:54,049 --> 00:24:52,020
account where the distributions that are

483
00:24:57,710 --> 00:24:54,059
earmarked for my clients are taken by

484
00:24:59,630 --> 00:24:57,720
you and used elsewhere correct

485
00:25:02,029 --> 00:24:59,640
and you're not like there they did with

486
00:25:05,630 --> 00:25:02,039
the DVD cells and you're not holding

487
00:25:05,640 --> 00:25:25,010
okay

488
00:25:25,020 --> 00:25:29,090

and is so work with

489

00:25:34,610 --> 00:25:33,049

um he is a contractor for them now after

490

00:25:36,950 --> 00:25:34,620

they were bought out

491

00:25:40,310 --> 00:25:36,960

he was he worked directly for them when

492

00:25:42,289 --> 00:25:40,320

they were the orchard when

493

00:25:44,630 --> 00:25:42,299

I think he became some sort of a

494

00:25:47,630 --> 00:25:44,640

contractor he was no longer an executive

495

00:25:53,210 --> 00:25:47,640

there and now he is still in that same

496

00:26:11,930 --> 00:25:55,130

that bought out

497

00:26:11,940 --> 00:26:25,070

[Music]

498

00:26:29,810 --> 00:26:28,310

um in your affidavit you filed you

499

00:26:32,090 --> 00:26:29,820

described yourself as an easy going

500

00:26:35,029 --> 00:26:32,100

person teaching love and peace right

501
00:26:36,890 --> 00:26:35,039
yeah projection

502
00:26:38,930 --> 00:26:36,900
what after David are you talking about

503
00:26:41,390 --> 00:26:38,940
you remember an affidavit I don't

504
00:26:43,909 --> 00:26:41,400
remember but that's how I would describe

505
00:26:45,169 --> 00:26:43,919
myself Castle you have a document

506
00:26:46,669 --> 00:26:45,179
and if a document you could put the

507
00:26:47,810 --> 00:26:46,679
document in front of him you're right I

508
00:26:49,430 --> 00:26:47,820
could but I'm not going to I'm asking

509
00:26:51,649 --> 00:26:49,440
him questions right now I'll conduct my

510
00:26:53,690 --> 00:26:51,659
deposition how I want to all right when

511
00:26:55,130 --> 00:26:53,700
you're asking questions of my clients

512
00:26:56,690 --> 00:26:55,140
you can ask some questions if you want

513
00:26:59,029 --> 00:26:56,700

to show them documents you don't you can

514

00:27:00,470 --> 00:26:59,039

if you don't you don't have to continue

515

00:27:01,909 --> 00:27:00,480

all right sounds like a good way to set

516

00:27:03,529 --> 00:27:01,919

a perjury trot

517

00:27:05,510 --> 00:27:03,539

well I'm just asking you a question are

518

00:27:08,210 --> 00:27:05,520

you are you ready to commit perjury no

519

00:27:10,430 --> 00:27:08,220

I'm not ready to be tricked into a

520

00:27:11,990 --> 00:27:10,440

perjury trap either but you know not

521

00:27:13,610 --> 00:27:12,000

being specific or holding back

522

00:27:15,110 --> 00:27:13,620

documentation

523

00:27:17,210 --> 00:27:15,120

well are you being truthful with me

524

00:27:19,850 --> 00:27:17,220

right now I am is there anything you've

525

00:27:22,750 --> 00:27:19,860

said today that is perjurious or is not

526

00:27:25,970 --> 00:27:22,760

truthful objection no not unless you

527

00:27:27,890 --> 00:27:25,980

phrased something in a weird way that

528

00:27:29,269 --> 00:27:27,900

you can go back later and try to pick

529

00:27:32,330 --> 00:27:29,279

something out of I have answered

530

00:27:33,649 --> 00:27:32,340

everything that's that's why you know I

531

00:27:35,269 --> 00:27:33,659

want to see documentation see what

532

00:27:37,190 --> 00:27:35,279

you're talking about when you haven't

533

00:27:38,930 --> 00:27:37,200

understand stood something I've asked

534

00:27:40,310 --> 00:27:38,940

you've asked me to rephrase it right

535

00:27:42,649 --> 00:27:40,320

like right now you said hey I don't

536

00:27:44,810 --> 00:27:42,659

understand that question about

537

00:27:47,330 --> 00:27:44,820

and so I re so we went through it step

538

00:27:50,450 --> 00:27:47,340

by step and piecemeal it out right but

539

00:27:56,930 --> 00:27:50,460

he has yeah okay so

540

00:27:56,940 --> 00:28:19,310

I'm going to show you what all marked as

541

00:28:26,269 --> 00:28:22,430

and Mark is six B is in Bravo

542

00:28:27,409 --> 00:28:26,279

and we're omitting exhibit numbers it's

543

00:28:41,510 --> 00:28:27,419

true

544

00:28:49,310 --> 00:28:45,310

is your email address email Angel

545

00:28:51,350 --> 00:28:49,320

aol.com no that's uh Leon all right what

546

00:28:54,710 --> 00:28:51,360

is your email account so I don't see any

547

00:28:56,570 --> 00:28:54,720

base numbers on this where is this from

548

00:28:59,149 --> 00:28:56,580

goody Tech

549

00:29:03,049 --> 00:28:59,159

at yahoo.com

550

00:29:07,789 --> 00:29:05,690

Council where not my deposition

551
00:29:09,409 --> 00:29:07,799
counselor this is but I'm not going to

552
00:29:12,890 --> 00:29:09,419
have you question my client over

553
00:29:17,690 --> 00:29:15,110
is your email address goodytech

554
00:29:19,130 --> 00:29:17,700
yahoo.com yep

555
00:29:21,710 --> 00:29:19,140
uh

556
00:29:24,850 --> 00:29:21,720
and do you remember

557
00:29:28,190 --> 00:29:24,860
uh receiving an email from email Angel

558
00:29:31,130 --> 00:29:28,200
aol.com in 2020 in February

559
00:29:36,769 --> 00:29:31,140
I received constant emails from that

560
00:29:41,570 --> 00:29:39,289
document that's been uh it looks like

561
00:29:43,310 --> 00:29:41,580
it's a 6B on the first page it's about

562
00:29:46,190 --> 00:29:43,320
five pages long

563
00:29:49,970 --> 00:29:46,200

on the first page

564

00:29:56,510 --> 00:29:52,250

and

565

00:30:04,029 --> 00:29:59,029

talks about it says Corey is stated to

566

00:30:10,250 --> 00:30:07,730

uh do you remember receiving or sending

567

00:30:15,289 --> 00:30:10,260

the having those money sent on January

568

00:30:49,970 --> 00:30:16,669

remember that's about approximately

569

00:30:52,909 --> 00:30:51,590

counselor this hasn't been produced to

570

00:30:54,110 --> 00:30:52,919

us and you're you're questioning my

571

00:30:56,269 --> 00:30:54,120

client over it we're going to look for

572

00:30:58,370 --> 00:30:56,279

sanctions today

573

00:31:00,350 --> 00:30:58,380

has it been produced to us it's not my

574

00:31:02,029 --> 00:31:00,360

deposition counselor

575

00:31:05,090 --> 00:31:02,039

go ahead you're taking the deposition

576

00:31:07,010 --> 00:31:05,100

your client uh has this email ma'am this

577

00:31:08,510 --> 00:31:07,020

is his email address so this was not

578

00:31:10,070 --> 00:31:08,520

produced to us and you're you're now

579

00:31:11,510 --> 00:31:10,080

taking it out at the deposition you're

580

00:31:13,130 --> 00:31:11,520

going to ask him I didn't have the

581

00:31:17,570 --> 00:31:13,140

record clear

582

00:31:20,450 --> 00:31:17,580

know it's his he hasn't authenticated

583

00:31:23,570 --> 00:31:21,470

you ready

584

00:31:25,070 --> 00:31:23,580

I don't know

585

00:31:27,230 --> 00:31:25,080

are you ready for him to answer the next

586

00:31:28,970 --> 00:31:27,240

question counselor I'm telling you I

587

00:31:30,590 --> 00:31:28,980

need you to answer my question first has

588

00:31:33,110 --> 00:31:30,600

this man produced to us it's not my

589

00:31:34,850 --> 00:31:33,120

deposition I'm sorry so right now I'm

590

00:31:36,470 --> 00:31:34,860

asking questions about an email it's an

591

00:31:38,690 --> 00:31:36,480

email that he said he doesn't delete his

592

00:31:40,310 --> 00:31:38,700

email there is no there's no header

593

00:31:42,830 --> 00:31:40,320

there's no footer there is absolutely

594

00:31:44,810 --> 00:31:42,840

nothing that this is a picture that's

595

00:31:46,549 --> 00:31:44,820

put on a piece of paper

596

00:31:48,230 --> 00:31:46,559

do you have any other objections for the

597

00:31:53,029 --> 00:31:48,240

record counselor before we ask our next

598

00:31:58,850 --> 00:31:54,409

are you not going to answer my question

599

00:32:02,870 --> 00:32:00,409

so are you going to allow him to answer

600

00:32:04,130 --> 00:32:02,880

the next question or not no okay so

601
00:32:06,049 --> 00:32:04,140
you're going to suspend

602
00:32:08,330 --> 00:32:06,059
no you can you can continue with your

603
00:32:10,789 --> 00:32:08,340
deposition but this is you're you're

604
00:32:13,190 --> 00:32:10,799
refusing to acknowledge whether or not

605
00:32:15,169 --> 00:32:13,200
this was if if you're putting this out

606
00:32:17,750 --> 00:32:15,179
of thin air then that's fine

607
00:32:19,850 --> 00:32:17,760
but just let us know okay

608
00:32:23,029 --> 00:32:19,860
you ready to answer some questions I

609
00:32:27,289 --> 00:32:25,730
your email address is good E-Tech

610
00:32:28,430 --> 00:32:27,299
yahoo.com that's what you said at the

611
00:32:34,490 --> 00:32:28,440
beginning of the email at the beginning

612
00:32:41,450 --> 00:32:37,250
or do you need to call the judge

613
00:32:44,389 --> 00:32:42,889

if you feel that you need to call the

614

00:32:46,490 --> 00:32:44,399

job you're not going to move forward I'm

615

00:32:48,289 --> 00:32:46,500

not going until you answer my question

616

00:32:50,870 --> 00:32:48,299

over whether or not this has been

617

00:32:52,190 --> 00:32:50,880

produced I'm not going to allow him to

618

00:32:54,110 --> 00:32:52,200

answer questions over something that

619

00:32:58,669 --> 00:32:54,120

doesn't have I mean how do I know this

620

00:33:03,409 --> 00:33:00,649

tell me when you're ready counselor

621

00:33:05,149 --> 00:33:03,419

I'm you can ask him over something that

622

00:33:06,350 --> 00:33:05,159

has been produced

623

00:33:09,230 --> 00:33:06,360

okay

624

00:33:11,389 --> 00:33:09,240

do you remember receiving an email from

625

00:33:14,870 --> 00:33:11,399

uh

626
00:33:17,690 --> 00:33:14,880
the outline the percentages

627
00:33:19,730 --> 00:33:17,700
regarding your ownership interests and

628
00:33:21,529 --> 00:33:19,740
the distributions

629
00:33:23,269 --> 00:33:21,539
for

630
00:33:25,250 --> 00:33:23,279
did I receive an email of his

631
00:33:29,750 --> 00:33:25,260
understanding of distributions I don't

632
00:33:36,889 --> 00:33:33,830
from about the percentages

633
00:33:42,909 --> 00:33:36,899
on the distributions for anything with

634
00:33:48,470 --> 00:33:45,830
probably did I don't remember ever

635
00:33:50,149 --> 00:33:48,480
speaking to him about it but okay that

636
00:33:51,590 --> 00:33:50,159
sounds like

637
00:33:54,250 --> 00:33:51,600
so if I told you there's an email

638
00:33:58,190 --> 00:33:54,260

listing that you have a 16.5 percent

639

00:34:01,909 --> 00:33:58,200

interest in any distributions from

640

00:34:09,109 --> 00:34:04,310

I

641

00:34:12,349 --> 00:34:09,119

misunderstanding but understanding isn't

642

00:34:13,669 --> 00:34:12,359

necessarily correct he's a third fourth

643

00:34:16,190 --> 00:34:13,679

fifth party

644

00:34:18,349 --> 00:34:16,200

okay did you ever correct him in an

645

00:34:20,149 --> 00:34:18,359

email and say I don't remember receiving

646

00:34:22,190 --> 00:34:20,159

one I don't remember receiving that

647

00:34:25,250 --> 00:34:22,200

email to begin with have you produced

648

00:34:28,369 --> 00:34:25,260

all your emails to your counselor yes

649

00:34:31,430 --> 00:34:28,379

that have to do anything with

650

00:34:33,409 --> 00:34:31,440

yeah yeah everything I I sent everything

651
00:34:35,690 --> 00:34:33,419
to her and all those documents have been

652
00:34:37,550 --> 00:34:35,700
produced to your attorney yes and all

653
00:34:39,530 --> 00:34:37,560
those documents have been produced a

654
00:34:41,510 --> 00:34:39,540
counselor from you to our office it's

655
00:34:44,629 --> 00:34:41,520
not my deposition

656
00:34:46,129 --> 00:34:44,639
okay well if you want to call the kettle

657
00:34:48,470 --> 00:34:46,139
black

658
00:34:51,230 --> 00:34:48,480
let's talk about this email that your

659
00:34:53,409 --> 00:34:51,240
client says he doesn't delete so in this

660
00:34:55,430 --> 00:34:53,419
email

661
00:34:56,810 --> 00:34:55,440
well before making a comment like that

662
00:35:00,349 --> 00:34:56,820
you probably need to see what we

663
00:35:04,310 --> 00:35:00,359

produced I already handed her a copy so

664

00:35:05,810 --> 00:35:04,320

so 16.5 is listed for you sixty and a

665

00:35:08,270 --> 00:35:05,820

half percent for DW what's your

666

00:35:13,069 --> 00:35:08,280

understanding of DW uh David Wilcock

667

00:35:16,670 --> 00:35:13,079

okay and 15 for Roger who's Roger Roger

668

00:35:22,849 --> 00:35:16,680

Richards right and then 15 percent for

669

00:35:28,790 --> 00:35:26,750

and it says 10 for Leon actually if

670

00:35:32,569 --> 00:35:28,800

that's what it says that's an email from

671

00:35:34,069 --> 00:35:32,579

uh apparently I don't know

672

00:35:36,109 --> 00:35:34,079

I'm going to Leon like I said spoke

673

00:35:38,569 --> 00:35:36,119

every day so I don't know

674

00:35:41,750 --> 00:35:38,579

you know how accurate information can be

675

00:35:44,349 --> 00:35:41,760

from understanding did you ever correct

676

00:35:47,329 --> 00:35:44,359

uh

677

00:35:50,990 --> 00:35:47,339

documents or emails when you got you

678

00:35:54,290 --> 00:35:51,000

said hey this isn't enough I deserve

679

00:35:55,970 --> 00:35:54,300

more than this distribution Leon this

680

00:35:58,550 --> 00:35:55,980

isn't I think in the first one I

681

00:36:02,270 --> 00:35:58,560

remember doing that but like I said I

682

00:36:04,250 --> 00:36:02,280

don't remember that email chain at all

683

00:36:06,349 --> 00:36:04,260

so

684

00:36:37,010 --> 00:36:06,359

I couldn't I'm not going to make a

685

00:36:41,510 --> 00:36:39,109

Your Light Warrior legal fund What

686

00:36:43,250 --> 00:36:41,520

entity holds those funds

687

00:36:47,210 --> 00:36:43,260

objection

688

00:36:49,730 --> 00:36:47,220

good uh good Enterprise Solutions

689

00:36:52,910 --> 00:36:49,740

that's what you call GES yes and that's

690

00:36:54,950 --> 00:36:52,920

an LLC no it's an incorporation and

691

00:37:07,310 --> 00:36:54,960

that's a Colorado Corporation yep it

692

00:37:17,450 --> 00:37:09,230

that has a PayPal account the sphere

693

00:37:24,109 --> 00:37:20,650

and that's where you received

694

00:37:27,470 --> 00:37:24,119

unemployment disability payments right

695

00:37:30,650 --> 00:37:27,480

yeah are you for you created it and

696

00:37:33,250 --> 00:37:30,660

you got unemployment disability benefits

697

00:37:35,390 --> 00:37:33,260

Light Warrior legal fund was created

698

00:37:37,670 --> 00:37:35,400

after I

699

00:37:40,550 --> 00:37:37,680

launched these lawsuits but wasn't

700

00:37:42,109 --> 00:37:40,560

didn't you get disability payments for

701

00:37:43,490 --> 00:37:42,119

some period of time yeah but it had

702

00:37:45,770 --> 00:37:43,500

nothing to do with white Warrior legal

703

00:37:46,790 --> 00:37:45,780

fund and you got the disability payments

704

00:37:49,670 --> 00:37:46,800

at the same time you're receiving

705

00:37:53,089 --> 00:37:49,680

payments from Gaia TV right well my

706

00:37:55,190 --> 00:37:53,099

company was receiving uh the small

707

00:37:57,550 --> 00:37:55,200

amount that guyo was paying I was still

708

00:38:00,470 --> 00:37:57,560

going through

709

00:38:04,310 --> 00:38:00,480

surgeries and working through workman's

710

00:38:05,890 --> 00:38:04,320

comp they knew that I was doing a show I

711

00:38:08,630 --> 00:38:05,900

wasn't receiving any

712

00:38:10,490 --> 00:38:08,640

paychecks during that time period

713

00:38:13,970 --> 00:38:10,500

oh the little bit of money that did go

714

00:38:16,910 --> 00:38:13,980

into my company was spent and uh buying

715

00:38:19,430 --> 00:38:16,920

cameras and all reinvesting in the

716

00:38:23,810 --> 00:38:20,930

you see my company you're talking about

717

00:38:30,050 --> 00:38:23,820

GES or yeah Stacy in my company

718

00:38:32,150 --> 00:38:30,060

Stacy uh has of course received a small

719

00:38:34,849 --> 00:38:32,160

salary here and there for uh when she's

720

00:38:37,670 --> 00:38:34,859

doing all the bookkeeping and taking

721

00:38:39,470 --> 00:38:37,680

care of all the uh

722

00:38:41,390 --> 00:38:39,480

you know a lot of the business stuff she

723

00:38:45,589 --> 00:38:41,400

she takes care of how much of his salary

724

00:38:47,630 --> 00:38:45,599

has Stacy received in 2018 I couldn't

725

00:38:48,710 --> 00:38:47,640

tell you more than a hundred thousand

726

00:38:52,910 --> 00:38:48,720

less than a hundred thousand that's

727

00:38:54,950 --> 00:38:52,920

definitely less we were guy uh we

728

00:38:55,670 --> 00:38:54,960

weren't we were not making much money at

729

00:38:59,750 --> 00:38:55,680

all

730

00:39:03,230 --> 00:38:59,760

it's a very low budget company low

731

00:39:05,750 --> 00:39:03,240

budget uh television show

732

00:39:08,870 --> 00:39:05,760

what about in 2019 how much do you think

733

00:39:10,430 --> 00:39:08,880

Stacy was receiving in 2019

734

00:39:19,250 --> 00:39:10,440

I don't know

735

00:39:22,910 --> 00:39:19,260

in uh 2020

736

00:39:26,690 --> 00:39:22,920

yes uh she you see she receiving some of

737

00:39:28,190 --> 00:39:26,700

the monies from GES in 2020 yes

738

00:39:33,230 --> 00:39:28,200

and she was receiving some of the monies

739

00:39:37,730 --> 00:39:35,750

and but she wasn't part of the point

740

00:39:40,670 --> 00:39:37,740

system that we discussed earlier as far

741

00:39:43,790 --> 00:39:40,680

as who deserved points from

742

00:39:44,990 --> 00:39:43,800

no she she wasn't making money from uh

743

00:39:47,270 --> 00:39:45,000

she wasn't getting paid from

744

00:39:50,210 --> 00:39:47,280

distributions

745

00:39:51,130 --> 00:39:50,220

she was getting paid from the our main

746

00:39:57,770 --> 00:39:51,140

account

747

00:40:03,710 --> 00:40:01,609

she she did not have any uh points

748

00:40:05,450 --> 00:40:03,720

and hasn't been paid out uh

749

00:40:07,069 --> 00:40:05,460

distributions

750

00:40:08,870 --> 00:40:07,079

but she's been paid out from GES

751
00:40:12,410 --> 00:40:08,880
accounts in the last couple years right

752
00:40:17,210 --> 00:40:12,420
well yeah I've got probably

753
00:40:21,290 --> 00:40:19,609
what are those eight bank accounts for

754
00:40:25,250 --> 00:40:21,300
you to deal with each one for different

755
00:40:31,670 --> 00:40:27,770
what's the first bank account project

756
00:40:31,680 --> 00:40:37,310
accelerating Ascension

757
00:40:37,320 --> 00:40:42,589
and one for the graphic novel

758
00:40:46,849 --> 00:40:44,170
and then passed out

759
00:40:49,750 --> 00:40:46,859
there's the

760
00:40:54,589 --> 00:40:49,760
light where your legal fund one

761
00:40:54,599 --> 00:40:59,510
we have like four or five others

762
00:41:05,630 --> 00:41:00,849
yeah all those first three are

763
00:41:07,010 --> 00:41:05,640

associated with ges's tin number yes

764

00:41:09,050 --> 00:41:07,020

and they're all

765

00:41:11,450 --> 00:41:09,060

yes

766

00:41:14,690 --> 00:41:11,460

other than ges's TIN number do you have

767

00:41:17,450 --> 00:41:14,700

any other entities that have accounts no

768

00:41:19,750 --> 00:41:17,460

so only GES is the only account that you

769

00:41:24,609 --> 00:41:19,760

control for an entity

770

00:41:28,730 --> 00:41:24,619

uh yes so no other entity other than GES

771

00:41:31,910 --> 00:41:28,740

that money at Ascension works all of

772

00:41:34,670 --> 00:41:31,920

that's controlled by uh Mike waskoski

773

00:41:38,450 --> 00:41:34,680

and his wife mainly because since she's

774

00:41:44,690 --> 00:41:39,609

okay

775

00:41:51,349 --> 00:41:49,730

I believe just Stacy and I not I have to

776

00:41:53,510 --> 00:41:51,359

revisit that

777

00:41:55,069 --> 00:41:53,520

how often do you have when's your last

778

00:42:02,870 --> 00:41:55,079

board meeting

779

00:42:05,510 --> 00:42:02,880

well we have Team meetings once a week

780

00:42:07,370 --> 00:42:05,520

and board meetings once a month

781

00:42:08,750 --> 00:42:07,380

are those once a month board meetings

782

00:42:12,589 --> 00:42:08,760

memorialized

783

00:42:15,710 --> 00:42:12,599

I believe Stacy does she yeah typed

784

00:42:18,650 --> 00:42:15,720

stuff up after I guess notes would be

785

00:42:21,950 --> 00:42:20,329

formalized minutes

786

00:42:23,450 --> 00:42:21,960

I don't know if they're formalized into

787

00:42:24,589 --> 00:42:23,460

minutes like I said neither one of us

788

00:42:26,329 --> 00:42:24,599

have been

789

00:42:28,130 --> 00:42:26,339

a real

790

00:42:30,770 --> 00:42:28,140

knowledgeable in the business end of

791

00:42:33,710 --> 00:42:30,780

things so that's why we have accountants

792

00:42:36,349 --> 00:42:33,720

handle most stuff for us notices given

793

00:42:41,030 --> 00:42:36,359

to these board meetings waivers

794

00:42:46,150 --> 00:42:41,040

I don't think so just uh discussing the

795

00:42:50,150 --> 00:42:46,160

business how it's going where it's going

796

00:42:52,190 --> 00:42:50,160

who all is involved and how well they're

797

00:42:53,930 --> 00:42:52,200

participating if

798

00:42:56,510 --> 00:42:53,940

how it's going you know it's just this

799

00:42:58,910 --> 00:42:56,520

the status of the company now what's the

800

00:43:00,410 --> 00:42:58,920

difference between GES and SBA as far as

801
00:43:01,730 --> 00:43:00,420
like don't they have a bunch of

802
00:43:03,470 --> 00:43:01,740
commonalities

803
00:43:05,210 --> 00:43:03,480
injection

804
00:43:07,010 --> 00:43:05,220
I don't know

805
00:43:08,450 --> 00:43:07,020
what was the original purpose of forming

806
00:43:25,430 --> 00:43:08,460
SBA

807
00:43:31,430 --> 00:43:25,440
things Roger was setting up and I set up

808
00:43:34,250 --> 00:43:31,440
one or two of my own through uh

809
00:43:35,750 --> 00:43:34,260
I thought maybe that website that just

810
00:43:37,270 --> 00:43:35,760
about everyone and their mother sets up

811
00:43:39,309 --> 00:43:37,280
on a

812
00:43:41,569 --> 00:43:39,319
business through

813
00:43:43,609 --> 00:43:41,579

skipping my brain right now

814

00:43:45,770 --> 00:43:43,619

but I don't know I can't tell you right

815

00:43:47,210 --> 00:43:45,780

now which that they all blend together

816

00:43:49,370 --> 00:43:47,220

in my head right now

817

00:43:50,930 --> 00:43:49,380

you said you set up one or two of your

818

00:43:52,370 --> 00:43:50,940

own what did you set up

819

00:43:54,890 --> 00:43:52,380

uh

820

00:43:56,569 --> 00:43:54,900

the GES

821

00:44:00,290 --> 00:43:56,579

company

822

00:44:04,970 --> 00:44:02,450

either the

823

00:44:06,650 --> 00:44:04,980

there is oh there's also good media

824

00:44:10,849 --> 00:44:06,660

publishing that we had for a little

825

00:44:10,859 --> 00:44:15,710

approximately when did you resolve it I

826
00:44:19,730 --> 00:44:17,990
would have been in the last four years I

827
00:44:22,849 --> 00:44:19,740
I really can't remember

828
00:44:25,790 --> 00:44:22,859
2018 2019 could be

829
00:44:28,190 --> 00:44:25,800
I don't know why form GES if you already

830
00:44:30,950 --> 00:44:28,200
had bsba entities

831
00:44:33,050 --> 00:44:30,960
uh GES was formed first

832
00:44:35,150 --> 00:44:33,060
okay why form the SBA and it is if you

833
00:44:39,010 --> 00:44:35,160
already had GES

834
00:44:45,050 --> 00:44:41,690
most of the other entities were formed

835
00:44:47,150 --> 00:44:45,060
because of Roger and all of the stuff

836
00:44:50,930 --> 00:44:47,160
that he was doing

837
00:44:52,069 --> 00:44:50,940
um I I think that I was originally set

838
00:44:55,010 --> 00:44:52,079

up

839

00:44:56,809 --> 00:44:55,020

I had created a good publishing or one

840

00:44:59,030 --> 00:44:56,819

of or something like that because I was

841

00:45:01,809 --> 00:44:59,040

going to start using that to distribute

842

00:45:04,790 --> 00:45:01,819

books I think

843

00:45:08,089 --> 00:45:04,800

graphic novels and

844

00:45:10,849 --> 00:45:08,099

what not and that's an LLC I believe it

845

00:45:12,109 --> 00:45:10,859

was as publishing well none of those are

846

00:45:15,290 --> 00:45:12,119

active anymore

847

00:45:16,609 --> 00:45:15,300

I only have good GES ink is the only

848

00:45:19,430 --> 00:45:16,619

thing I have

849

00:45:21,530 --> 00:45:19,440

you dissolve Spa entertainment

850

00:45:24,650 --> 00:45:21,540

yes I believe so

851

00:45:26,809 --> 00:45:24,660

did you dissolve the SBA publishing I

852

00:45:28,430 --> 00:45:26,819

believe so yes yeah what about the other

853

00:45:29,410 --> 00:45:28,440

SBA

854

00:45:31,309 --> 00:45:29,420

yes

855

00:45:33,290 --> 00:45:31,319

approximately when did you dissolve

856

00:45:36,230 --> 00:45:33,300

those three I believe it was around the

857

00:45:37,609 --> 00:45:36,240

time we started opening the lawsuits

858

00:45:39,710 --> 00:45:37,619

okay

859

00:45:43,370 --> 00:45:39,720

because my wife was working with the

860

00:45:45,290 --> 00:45:43,380

accountants on how to get all that done

861

00:45:46,609 --> 00:45:45,300

was it the same account group that

862

00:45:47,930 --> 00:45:46,619

you're going to fill in blank earlier

863

00:45:49,309 --> 00:45:47,940

that she was working with or his

864

00:45:51,950 --> 00:45:49,319

different Accounting Group that helped

865

00:45:53,690 --> 00:45:51,960

to solve those it's the same one okay

866

00:45:55,370 --> 00:45:53,700

they'd have all the emails you'd have

867

00:45:57,170 --> 00:45:55,380

all the emails you ever sent to and from

868

00:45:59,329 --> 00:45:57,180

those account groups

869

00:46:06,530 --> 00:45:59,339

correct because you don't delete right

870

00:46:12,890 --> 00:46:09,589

who else owned those spa entities

871

00:46:19,550 --> 00:46:17,390

I believe Roger and some of them Stacy

872

00:46:20,809 --> 00:46:19,560

but I couldn't be more specific than

873

00:46:23,329 --> 00:46:20,819

that

874

00:46:24,950 --> 00:46:23,339

there was so many and there there were

875

00:46:29,150 --> 00:46:24,960

other companies created and dissolved

876

00:46:42,829 --> 00:46:31,010

see if we can

877

00:46:49,490 --> 00:46:47,329

so no SBA entity is still active all

878

00:47:02,569 --> 00:46:49,500

three of them are dissolved correct

879

00:47:09,710 --> 00:47:05,150

what was the first working relationship

880

00:47:16,569 --> 00:47:14,510

um madima and at Mount Shasta I think it

881

00:47:20,390 --> 00:47:16,579

was 96 I mean

882

00:47:22,550 --> 00:47:20,400

2026 16.

883

00:47:30,589 --> 00:47:26,930

uh we hit it off you know real well and

884

00:47:33,950 --> 00:47:30,599

uh he told me of all of his talents of

885

00:47:37,130 --> 00:47:33,960

creating slides and all of these sorts

886

00:47:41,569 --> 00:47:37,140

of things and he volunteered to help

887

00:47:44,030 --> 00:47:41,579

create slides for me and after that for

888

00:47:44,890 --> 00:47:44,040

presentations he started volunteering to

889

00:47:50,270 --> 00:47:44,900

do

890

00:47:52,730 --> 00:47:50,280

slideshows and create just like silly

891

00:47:54,230 --> 00:47:52,740

Graphics here and there okay and what

892

00:47:55,010 --> 00:47:54,240

was your part of the contribution of the

893

00:47:56,690 --> 00:47:55,020

project

894

00:47:58,550 --> 00:47:56,700

with Mr Richards

895

00:48:01,490 --> 00:47:58,560

in 2016.

896

00:48:02,150 --> 00:48:01,500

what was my contribution

897

00:48:06,130 --> 00:48:02,160

um

898

00:48:09,230 --> 00:48:06,140

everything all he did was come in and

899

00:48:12,589 --> 00:48:09,240

take my information and help me organize

900

00:48:14,270 --> 00:48:12,599

it into slides

901
00:48:17,990 --> 00:48:14,280
you know we would sit and talk on the

902
00:48:19,730 --> 00:48:18,000
phone like if we wanted to do like any

903
00:48:22,069 --> 00:48:19,740
of our ideas for slideshows or whatever

904
00:48:24,650 --> 00:48:22,079
you know my ideas I was going to do a

905
00:48:26,690 --> 00:48:24,660
presentation we'd sit on the phone he

906
00:48:29,030 --> 00:48:26,700
would talk with me for like 30 40

907
00:48:31,790 --> 00:48:29,040
minutes record it and then he would sit

908
00:48:33,349 --> 00:48:31,800
and play back the recording and bang out

909
00:48:36,349 --> 00:48:33,359
the um

910
00:48:38,270 --> 00:48:36,359
slides and these are slides to determine

911
00:48:41,089 --> 00:48:38,280
turned any sort of book or publication

912
00:48:43,490 --> 00:48:41,099
or presentations there's presentations

913
00:48:45,530 --> 00:48:43,500

at like conscious life Expo that type of

914

00:48:47,809 --> 00:48:45,540

thing

915

00:48:49,430 --> 00:48:47,819

and I have you know four or five people

916

00:48:51,770 --> 00:48:49,440

that do that for me now

917

00:48:58,490 --> 00:48:51,780

and how did you compensate Mr Richards

918

00:49:03,650 --> 00:49:01,010

and you have evidence that he was

919

00:49:07,550 --> 00:49:03,660

volunteering yes what kind of evidence

920

00:49:09,710 --> 00:49:07,560

you have with his well his emails

921

00:49:12,890 --> 00:49:09,720

you know always talking about I'm I'm

922

00:49:14,630 --> 00:49:12,900

just uh you know it's all about the

923

00:49:16,849 --> 00:49:14,640

mission it's not about money and all

924

00:49:20,030 --> 00:49:16,859

that and then later on you'll see in the

925

00:49:23,809 --> 00:49:20,040

emails where he approached me telling me

926

00:49:25,430 --> 00:49:23,819

that uh his uh current partner and his

927

00:49:27,109 --> 00:49:25,440

shipping receiving business was a

928

00:49:28,510 --> 00:49:27,119

nightmare and that he needed to find

929

00:49:31,730 --> 00:49:28,520

another job

930

00:49:33,829 --> 00:49:31,740

in that he hoped that he could come to

931

00:49:37,370 --> 00:49:33,839

work for me full time and then we agreed

932

00:49:39,050 --> 00:49:37,380

on uh six thousand dollars a month and

933

00:49:40,490 --> 00:49:39,060

then that salary was paid to him until

934

00:49:42,290 --> 00:49:40,500

he resigned

935

00:49:47,450 --> 00:49:42,300

and when was that that he came to you

936

00:49:53,329 --> 00:49:48,950

so

937

00:49:55,309 --> 00:49:53,339

17.

938

00:49:56,990 --> 00:49:55,319

okay we have to refer to the documents

939

00:50:00,109 --> 00:49:57,000

yeah you said he took a salary but did

940

00:50:02,089 --> 00:50:00,119

he ever make any contributions to SBA

941

00:50:07,190 --> 00:50:02,099

what do you mean did he financially

942

00:50:13,370 --> 00:50:09,589

didn't Mr Richards contribute uh forty

943

00:50:14,750 --> 00:50:13,380

five thousand dollar uh donation no you

944

00:50:16,730 --> 00:50:14,760

left I don't think he's ever had forty

945

00:50:19,490 --> 00:50:16,740

five thousand dollars of course he told

946

00:50:21,170 --> 00:50:19,500

me he says this is what people do it's

947

00:50:22,790 --> 00:50:21,180

so that they vote they show that they

948

00:50:24,230 --> 00:50:22,800

have equity in a business they will show

949

00:50:25,370 --> 00:50:24,240

forty five thousand dollars worth of

950

00:50:27,410 --> 00:50:25,380

this and forty five thousand dollars

951
00:50:29,809 --> 00:50:27,420
worth of that Roger I don't think he's

952
00:50:31,010 --> 00:50:29,819
had forty five thousand dollars in one

953
00:50:33,170 --> 00:50:31,020
place ever

954
00:50:34,490 --> 00:50:33,180
and so what was what was it he was

955
00:50:36,050 --> 00:50:34,500
showing he contributed forty five

956
00:50:38,030 --> 00:50:36,060
thousand dollars towards

957
00:50:39,410 --> 00:50:38,040
he didn't contribute forty five thousand

958
00:50:40,730 --> 00:50:39,420
dollars towards anything he never

959
00:50:42,470 --> 00:50:40,740
contributed a penny towards anything

960
00:50:44,690 --> 00:50:42,480
where was it listed that he had

961
00:50:48,950 --> 00:50:44,700
contributed forty five thousand and one

962
00:50:51,530 --> 00:50:48,960
of the uh I think the business uh

963
00:50:55,089 --> 00:50:51,540

business uh

964

00:50:57,349 --> 00:50:55,099

filings where you file a new business

965

00:50:59,630 --> 00:50:57,359

it was unsigned

966

00:51:01,670 --> 00:50:59,640

I'm sorry it was never signed

967

00:51:03,410 --> 00:51:01,680

so did you see it before it was filed or

968

00:51:06,109 --> 00:51:03,420

after it was filed after

969

00:51:07,549 --> 00:51:06,119

did you disagree with it yeah I I and

970

00:51:09,829 --> 00:51:07,559

that's when he explained to me no no no

971

00:51:11,030 --> 00:51:09,839

no no no money is actually because I

972

00:51:12,290 --> 00:51:11,040

didn't have forty five thousand dollars

973

00:51:13,849 --> 00:51:12,300

to put in

974

00:51:16,130 --> 00:51:13,859

he didn't have forty five thousand

975

00:51:19,490 --> 00:51:16,140

dollars to put in he said that that was

976
00:51:23,030 --> 00:51:19,500
a business tactic that companies use to

977
00:51:24,530 --> 00:51:23,040
show equity in a in a company did you

978
00:51:26,030 --> 00:51:24,540
ask him to correct it

979
00:51:28,910 --> 00:51:26,040
option

980
00:51:30,770 --> 00:51:28,920
I didn't sign it and with that business

981
00:51:32,809 --> 00:51:30,780
never went forward

982
00:51:34,490 --> 00:51:32,819
when you saw the 45 000 what business

983
00:51:37,190 --> 00:51:34,500
was that associated with

984
00:51:40,609 --> 00:51:37,200
disclosure something or something

985
00:51:41,870 --> 00:51:40,619
so some disclosure company yeah and that

986
00:51:44,150 --> 00:51:41,880
business never went anywhere you're

987
00:51:45,650 --> 00:51:44,160
saying no it got quickly dissolved

988
00:51:48,109 --> 00:51:45,660

okay

989

00:51:49,910 --> 00:51:48,119

because I wasn't having it

990

00:51:52,190 --> 00:51:49,920

what are your understandings of Mr

991

00:51:55,849 --> 00:51:52,200

Richard's rights and duties

992

00:51:58,730 --> 00:51:55,859

as a member of SBA objection

993

00:52:01,190 --> 00:51:58,740

which SBA what

994

00:52:05,930 --> 00:52:01,200

what are you talking about SBA is my is

995

00:52:07,849 --> 00:52:05,940

my trademark for a lot of things right

996

00:52:09,770 --> 00:52:07,859

what are your understandings of his

997

00:52:12,160 --> 00:52:09,780

rights and duties in regard to SBA any

998

00:52:12,470 --> 00:52:12,170

of the SBA Indies

999

00:52:15,109 --> 00:52:12,480

[Music]

1000

00:52:23,690 --> 00:52:20,630

he helped come up and file them and he

1001
00:52:26,390 --> 00:52:23,700
and this is before Leon came in as the

1002
00:52:30,950 --> 00:52:26,400
expert and he asserted himself as the

1003
00:52:35,990 --> 00:52:34,490
so he helped file the communities so he

1004
00:52:38,930 --> 00:52:36,000
helped get them Incorporated yes

1005
00:52:41,630 --> 00:52:38,940
anything else that Mr Richards did in

1006
00:52:43,670 --> 00:52:41,640
related relation to the SBA Indies I

1007
00:52:45,770 --> 00:52:43,680
know we discussed a lot of things but

1008
00:52:47,390 --> 00:52:45,780
like I said most of these companies

1009
00:52:50,210 --> 00:52:47,400
never nothing ever happened they were

1010
00:52:53,450 --> 00:52:50,220
just Pie in the Sky ideas you know it's

1011
00:52:55,250 --> 00:52:53,460
like like I said it's like buying URLs

1012
00:52:56,930 --> 00:52:55,260
for a website that you're going to build

1013
00:52:58,549 --> 00:52:56,940

in the future that's what these

1014

00:53:00,530 --> 00:52:58,559

companies were to him and that's how he

1015

00:53:02,510 --> 00:53:00,540

does things he goes and he files it and

1016

00:53:04,250 --> 00:53:02,520

then he does all the other stuff

1017

00:53:05,750 --> 00:53:04,260

that's just the way that's the Roger

1018

00:53:07,910 --> 00:53:05,760

Richards method

1019

00:53:11,809 --> 00:53:07,920

did you and Mr Richards work on the

1020

00:53:15,770 --> 00:53:14,329

on the yeah we worked on that together

1021

00:53:17,030 --> 00:53:15,780

yeah was that during the time period

1022

00:53:24,290 --> 00:53:17,040

where he was getting six thousand a

1023

00:53:28,549 --> 00:53:26,510

have you referred to him as kind of a

1024

00:53:31,569 --> 00:53:28,559

Workhorse or the engine behind things

1025

00:53:34,309 --> 00:53:31,579

that is Leon's uh character

1026
00:53:36,770 --> 00:53:34,319
characterization of him what would your

1027
00:53:39,410 --> 00:53:36,780
characterization be uh

1028
00:53:42,770 --> 00:53:39,420
I mean when he's

1029
00:53:45,770 --> 00:53:42,780
when he gets uh idea for a project or or

1030
00:53:47,150 --> 00:53:45,780
he gets moved he like tenaciously jumps

1031
00:53:49,549 --> 00:53:47,160
on it and works on it and works on it

1032
00:53:52,609 --> 00:53:49,559
until he gets another

1033
00:53:54,710 --> 00:53:52,619
uh something else gets his attention and

1034
00:53:56,270 --> 00:53:54,720
then he leaves what he was doing and

1035
00:53:57,829 --> 00:53:56,280
starts working on the other and works on

1036
00:54:01,010 --> 00:53:57,839
that with all the passion in the world

1037
00:54:03,470 --> 00:54:01,020
that he has and never really finishes

1038
00:54:07,010 --> 00:54:03,480

anything and you will see that in the

1039

00:54:09,049 --> 00:54:07,020

documentations with Leon and I note that

1040

00:54:10,790 --> 00:54:09,059

he never finishes anything and I need

1041

00:54:13,609 --> 00:54:10,800

him to earn my trust back before he came

1042

00:54:14,990 --> 00:54:13,619

back to work but Leon didn't see it that

1043

00:54:16,910 --> 00:54:15,000

way

1044

00:54:19,730 --> 00:54:16,920

didn't you put in writing sometimes that

1045

00:54:21,770 --> 00:54:19,740

Mr Richards was extremely talented he is

1046

00:54:23,390 --> 00:54:21,780

extremely talented he's just doesn't

1047

00:54:25,910 --> 00:54:23,400

have the follow through

1048

00:54:27,710 --> 00:54:25,920

okay and didn't you also put in writing

1049

00:54:29,450 --> 00:54:27,720

that he has a lot of potential

1050

00:54:31,309 --> 00:54:29,460

artistic what I would tell him okay

1051
00:54:33,549 --> 00:54:31,319
didn't you also say in writing that he

1052
00:54:37,130 --> 00:54:33,559
had artistic Vision as a director

1053
00:54:40,430 --> 00:54:37,140
said yes I I've told him that that he

1054
00:54:42,530 --> 00:54:40,440
had good artistic vision

1055
00:54:44,270 --> 00:54:42,540
it's just the follow through that he

1056
00:54:46,609 --> 00:54:44,280
could never finish anything

1057
00:54:50,270 --> 00:54:46,619
did his contributions toward above

1058
00:54:55,370 --> 00:54:53,630
yeah yes yes was it a substantial

1059
00:54:57,349 --> 00:54:55,380
contribution

1060
00:54:59,089 --> 00:54:57,359
which one are we talking about any of

1061
00:55:02,510 --> 00:54:59,099
his contributions toward the above

1062
00:55:05,809 --> 00:55:02,520
Majestic project yes uh the above

1063
00:55:07,069 --> 00:55:05,819

Majestic uh project

1064

00:55:10,809 --> 00:55:07,079

um

1065

00:55:14,089 --> 00:55:10,819

him and the guys from eux

1066

00:55:15,890 --> 00:55:14,099

uh really worked quite a bit on it

1067

00:55:18,349 --> 00:55:15,900

okay I think he tries to take credit for

1068

00:55:19,790 --> 00:55:18,359

a lot of their work though okay and he

1069

00:55:20,630 --> 00:55:19,800

left because he wasn't getting enough

1070

00:55:23,870 --> 00:55:20,640

credit

1071

00:55:25,250 --> 00:55:23,880

he left what Mr Richards left SBA

1072

00:55:28,130 --> 00:55:25,260

because he wasn't getting enough credit

1073

00:55:29,390 --> 00:55:28,140

objection why did he leave

1074

00:55:31,309 --> 00:55:29,400

objection

1075

00:55:33,170 --> 00:55:31,319

the his original

1076
00:55:40,670 --> 00:55:33,180
to the best your knowledge why did Mr

1077
00:55:46,309 --> 00:55:44,270
that's a really vague when are we

1078
00:55:48,349 --> 00:55:46,319
talking about at any time

1079
00:55:49,790 --> 00:55:48,359
let's say the first time because he

1080
00:55:52,190 --> 00:55:49,800
tried to leave once and you kept him and

1081
00:55:53,569 --> 00:55:52,200
then I didn't keep him Leon kept him but

1082
00:55:56,630 --> 00:55:53,579
it was your ultimately your decision

1083
00:55:58,250 --> 00:55:56,640
right because you're the CEO if if my

1084
00:56:01,130 --> 00:55:58,260
directions were followed and he earned

1085
00:56:03,410 --> 00:56:01,140
my trust back but then Leon decided that

1086
00:56:06,109 --> 00:56:03,420
he was going to circumvent that so

1087
00:56:08,089 --> 00:56:06,119
nothing of mine was implemented well

1088
00:56:10,010 --> 00:56:08,099

didn't you have seven or approximately

1089

00:56:12,109 --> 00:56:10,020

seven things that you demanded that he

1090

00:56:14,809 --> 00:56:12,119

promised to do before he could it was

1091

00:56:17,150 --> 00:56:14,819

more than seven but yes I had quite and

1092

00:56:20,990 --> 00:56:17,160

several emails of things that he had to

1093

00:56:22,549 --> 00:56:21,000

do before he could come back no so he

1094

00:56:25,190 --> 00:56:22,559

didn't come back to work he did come

1095

00:56:27,010 --> 00:56:25,200

back to work but I didn't know it was

1096

00:56:29,150 --> 00:56:27,020

against my will it was all of a sudden

1097

00:56:30,770 --> 00:56:29,160

Rogers directing

1098

00:56:32,270 --> 00:56:30,780

and that's not what was supposed to

1099

00:56:34,309 --> 00:56:32,280

happen and it was like well we've only

1100

00:56:36,650 --> 00:56:34,319

got like 30 days until we get the film

1101
00:56:38,690 --> 00:56:36,660
in there's no way that Brandon could do

1102
00:56:40,970 --> 00:56:38,700
this Roger can do this so we gave it to

1103
00:56:43,190 --> 00:56:40,980
Roger and so you agreed because you only

1104
00:56:44,990 --> 00:56:43,200
had 30 days I didn't agree I protested

1105
00:56:47,089 --> 00:56:45,000
did you fire him then because you only

1106
00:56:48,890 --> 00:56:47,099
had 30 days I couldn't why not I

1107
00:56:52,250 --> 00:56:48,900
couldn't fire anyone weren't you the CEO

1108
00:56:55,010 --> 00:56:52,260
on paper on agreement but everyone else

1109
00:56:56,890 --> 00:56:55,020
decided that we don't work for Corey

1110
00:56:58,910 --> 00:56:56,900
we're you know uh

1111
00:57:00,290 --> 00:56:58,920
you know we're going to do what we want

1112
00:57:01,790 --> 00:57:00,300
to do we're going to follow our agenda

1113
00:57:04,250 --> 00:57:01,800

we're going to push our projects behind

1114

00:57:07,970 --> 00:57:04,260

Corey's back it was all a big everyone

1115

00:57:12,829 --> 00:57:07,980

handling Corey and not doing what I told

1116

00:57:15,829 --> 00:57:12,839

them to so because of this I fired Leon

1117

00:57:19,790 --> 00:57:15,839

because of what because of uh

1118

00:57:24,190 --> 00:57:19,800

him bringing Richard keeping Roger on

1119

00:57:26,750 --> 00:57:24,200

and because of uh him refusing to be

1120

00:57:29,089 --> 00:57:26,760

transparent with the finances as he

1121

00:57:33,309 --> 00:57:29,099

promised in emails that you will see I

1122

00:57:36,890 --> 00:57:33,319

fired uh Leon okay

1123

00:57:39,710 --> 00:57:36,900

and so what's the only way I could I had

1124

00:57:41,270 --> 00:57:39,720

to they had done a hostile takeover of

1125

00:57:43,010 --> 00:57:41,280

my intellectual property and businesses

1126

00:57:44,150 --> 00:57:43,020

and I had to return the favor to get it

1127

00:57:46,370 --> 00:57:44,160

back

1128

00:57:50,809 --> 00:57:46,380

so you did a hostile takeover degree

1129

00:57:53,150 --> 00:57:50,819

takeover of my own business of my own IP

1130

00:57:55,549 --> 00:57:53,160

what was hostile about your takeover

1131

00:57:58,069 --> 00:57:55,559

well to me you know from a love and

1132

00:57:59,809 --> 00:57:58,079

light Community opening uh lawsuits

1133

00:58:03,349 --> 00:57:59,819

that's like

1134

00:58:05,510 --> 00:58:03,359

in in this love and light Community this

1135

00:58:07,549 --> 00:58:05,520

is like Way Beyond the last thing you do

1136

00:58:09,049 --> 00:58:07,559

you don't open lawsuits against each

1137

00:58:10,970 --> 00:58:09,059

other that's just what they don't do and

1138

00:58:13,370 --> 00:58:10,980

everyone gets flipped out for me to open

1139

00:58:18,470 --> 00:58:13,380

a lawsuit it had to be

1140

00:58:23,990 --> 00:58:18,480

it had to to be extremely extremely bad

1141

00:58:28,849 --> 00:58:26,809

and so you considered yourself Mr

1142

00:58:39,349 --> 00:58:28,859

Richard's manager during the above

1143

00:58:43,370 --> 00:58:41,870

I was trying I'm trying to remember the

1144

00:58:46,010 --> 00:58:43,380

time period that we were referring to

1145

00:58:47,809 --> 00:58:46,020

him as manager there was a time period

1146

00:58:51,829 --> 00:58:47,819

where we were referring to him as

1147

00:58:54,589 --> 00:58:51,839

manager because I was having him handle

1148

00:58:59,750 --> 00:58:54,599

all of the people calling in wanting me

1149

00:59:01,970 --> 00:58:59,760

to come and do their events so I had

1150

00:59:03,970 --> 00:59:01,980

them contact Roger because I was getting

1151

00:59:06,890 --> 00:59:03,980

I was being bombarded

1152

00:59:09,650 --> 00:59:06,900

by people at the time one wanting me to

1153

00:59:15,670 --> 00:59:09,660

be on their shows or be on in their

1154

00:59:19,970 --> 00:59:17,329

events

1155

00:59:20,990 --> 00:59:19,980

and so when they would call me I would

1156

00:59:23,930 --> 00:59:21,000

say

1157

00:59:26,870 --> 00:59:23,940

talk to my manager and I told Roger

1158

00:59:29,450 --> 00:59:26,880

during that time period I wanted him uh

1159

00:59:31,370 --> 00:59:29,460

to to be the point man for those those

1160

00:59:33,349 --> 00:59:31,380

types of things and so what kind of

1161

00:59:34,390 --> 00:59:33,359

decisions did he have charge over as the

1162

00:59:38,690 --> 00:59:34,400

manager

1163

00:59:40,010 --> 00:59:38,700

he would just he would he basically he

1164

00:59:43,910 --> 00:59:40,020

wasn't really a manager he was a

1165

00:59:47,150 --> 00:59:43,920

middleman he would speak to the event

1166

00:59:48,530 --> 00:59:47,160

organizers and they would say you know

1167

00:59:51,710 --> 00:59:48,540

we want him to come for this amount of

1168

00:59:54,109 --> 00:59:51,720

money and do one presentation and I

1169

00:59:56,930 --> 00:59:54,119

would say no I would rather do this for

1170

00:59:58,309 --> 00:59:56,940

this amount of money and them to pay for

1171

01:00:00,829 --> 00:59:58,319

me to fly

1172

01:00:02,150 --> 01:00:00,839

and do certain things on my writer to

1173

01:00:04,430 --> 01:00:02,160

take you know

1174

01:00:06,109 --> 01:00:04,440

uh you know I need certain things to

1175

01:00:09,530 --> 01:00:06,119

provide it so he would then communicate

1176

01:00:11,450 --> 01:00:09,540

that back and then they would send him a

1177

01:00:14,210 --> 01:00:11,460

contract he would send it to me I would

1178

01:00:16,250 --> 01:00:14,220

sign it or sometimes he would use my

1179

01:00:18,470 --> 01:00:16,260

signature uh

1180

01:00:22,970 --> 01:00:18,480

file that he has

1181

01:00:25,370 --> 01:00:22,980

and send it back to them how did he get

1182

01:00:27,170 --> 01:00:25,380

your signature file

1183

01:00:31,130 --> 01:00:27,180

um we were having a lot of problems with

1184

01:00:34,549 --> 01:00:31,140

me traveling and him needing a signature

1185

01:00:36,470 --> 01:00:34,559

at one point so he asked me to sign a

1186

01:00:39,890 --> 01:00:36,480

piece of paper take a picture of it with

1187

01:00:41,210 --> 01:00:39,900

my phone and send it to him and then he

1188

01:00:43,730 --> 01:00:41,220

used it was supposed to be for that one

1189

01:00:45,950 --> 01:00:43,740

time but then other incident instant

1190

01:00:47,569 --> 01:00:45,960

instances popped up to where I'm

1191

01:00:49,549 --> 01:00:47,579

traveling or something was going and he

1192

01:00:53,329 --> 01:00:49,559

was like can I use the signature so he

1193

01:00:54,770 --> 01:00:53,339

did ask me to use it when he used it but

1194

01:00:56,569 --> 01:00:54,780

I just don't know how it's been used

1195

01:01:00,770 --> 01:00:56,579

since then okay

1196

01:01:02,809 --> 01:01:00,780

and now Roger I believe since he's left

1197

01:01:05,150 --> 01:01:02,819

he's delivered three other documentary

1198

01:01:08,030 --> 01:01:05,160

films that's your understanding as well

1199

01:01:10,430 --> 01:01:08,040

yeah okay so when you said he's inept or

1200

01:01:12,829 --> 01:01:10,440

enable or I just want to make sure we're

1201
01:01:13,730 --> 01:01:12,839
talking about the same guy yeah yeah we

1202
01:01:14,690 --> 01:01:13,740
are

1203
01:01:16,670 --> 01:01:14,700
okay

1204
01:01:18,289 --> 01:01:16,680
so I mean he is not just extremely

1205
01:01:19,510 --> 01:01:18,299
talented but he could actually when you

1206
01:01:22,430 --> 01:01:19,520
say he could never finish something

1207
01:01:24,589 --> 01:01:22,440
rarely rarely finished do you use the

1208
01:01:27,170 --> 01:01:24,599
word never well that's you know coming

1209
01:01:31,069 --> 01:01:27,180
coming out of frustration I apologize he

1210
01:01:35,630 --> 01:01:31,079
he would finish uh probably one out of

1211
01:01:39,950 --> 01:01:37,609
there's fish three so you think he's

1212
01:01:42,770 --> 01:01:39,960
started 15. well that's when he was

1213
01:01:45,190 --> 01:01:42,780

working with me after he stopped working

1214

01:01:48,530 --> 01:01:45,200

I think they've been uh

1215

01:01:50,990 --> 01:01:48,540

really uh

1216

01:01:52,910 --> 01:01:51,000

trying hard to get us many deals

1217

01:01:55,250 --> 01:01:52,920

together as they can how many of the

1218

01:01:58,130 --> 01:01:55,260

projects that you start do you finish

1219

01:02:00,049 --> 01:01:58,140

I I finished my projects 100 of the ones

1220

01:02:02,750 --> 01:02:00,059

you you start you finish

1221

01:02:05,270 --> 01:02:02,760

pretty much you don't scrap any there

1222

01:02:07,910 --> 01:02:05,280

are some that get scrapped but

1223

01:02:11,150 --> 01:02:07,920

um you know scrapping a graphic novel in

1224

01:02:14,510 --> 01:02:11,160

the middle uh not fulfilling doing a uh

1225

01:02:15,950 --> 01:02:14,520

a book with other people because you're

1226

01:02:18,170 --> 01:02:15,960

sidetracked on all these other things

1227

01:02:20,750 --> 01:02:18,180

there's there's in the documentation

1228

01:02:22,549 --> 01:02:20,760

there are lists of the things that he

1229

01:02:25,130 --> 01:02:22,559

would start working on and then he would

1230

01:02:28,010 --> 01:02:25,140

become enamored with another project or

1231

01:02:29,329 --> 01:02:28,020

something else and he comes in and tries

1232

01:02:31,309 --> 01:02:29,339

like like he didn't want to finish the

1233

01:02:33,170 --> 01:02:31,319

graphic novel he just wanted to do

1234

01:02:38,049 --> 01:02:33,180

documentaries from now on he didn't want

1235

01:02:44,150 --> 01:02:40,970

uh just make sure I'm clear you haven't

1236

01:02:46,970 --> 01:02:44,160

lived on the moon right actually no

1237

01:02:49,069 --> 01:02:46,980

uh you stated at one point you lived on

1238

01:02:51,890 --> 01:02:49,079

Venus but that's just I've never seen it

1239

01:02:54,109 --> 01:02:51,900

I lived on Venus Mars never lived on

1240

01:03:07,849 --> 01:02:54,119

Mars no I've never said that

1241

01:03:11,510 --> 01:03:09,530

did you ever say you lived on any other

1242

01:03:14,030 --> 01:03:11,520

planet I've never lived on it I've never

1243

01:03:15,950 --> 01:03:14,040

said that I lived on another planet no

1244

01:03:18,589 --> 01:03:15,960

did you ever see you visited another

1245

01:03:21,230 --> 01:03:18,599

planet yes about the different in those

1246

01:03:25,549 --> 01:03:21,240

different stories a part of my AP yes we

1247

01:03:28,490 --> 01:03:25,559

uh discussed uh Mars the Moon

1248

01:03:30,589 --> 01:03:28,500

uh even planets that aren't even in the

1249

01:03:33,829 --> 01:03:30,599

solar system you know it's very similar

1250

01:03:36,410 --> 01:03:33,839

to Star Wars long long ago in a galaxy

1251

01:03:38,390 --> 01:03:36,420

far far away so you discussed going

1252

01:03:39,950 --> 01:03:38,400

there in a fictional sense

1253

01:03:40,970 --> 01:03:39,960

correction

1254

01:03:52,789 --> 01:03:40,980

yeah

1255

01:03:58,430 --> 01:03:54,589

which definitely locks all this stuff in

1256

01:04:01,789 --> 01:03:58,440

as a creation and my IP

1257

01:04:03,530 --> 01:04:01,799

section calls for legal conclusion

1258

01:04:05,510 --> 01:04:03,540

let's go off the Record
