

the deposition of corey goode

session six

1
00:00:24,290 --> 00:00:20,510
back on the record the time is 5 50.

2
00:00:31,749 --> 00:00:27,230
uh any changes to earlier testimony

3
00:00:33,830 --> 00:00:31,759
no okay earlier you mentioned cases or

4
00:00:36,770 --> 00:00:33,840
lawsuits that you've been a part of you

5
00:00:41,630 --> 00:00:38,270
um you have to be more specific sure

6
00:00:43,970 --> 00:00:41,640
earlier I asked you what cases if any

7
00:00:45,709 --> 00:00:43,980
you've been involved with with court and

8
00:00:48,350 --> 00:00:45,719
you gave me the names of two and then we

9
00:00:51,470 --> 00:00:48,360
expanded to a couple others

10
00:00:53,350 --> 00:00:51,480
uh wasn't there also a court case with a

11
00:01:01,150 --> 00:00:53,360
MIT employer

12
00:01:02,770 --> 00:01:01,160
oh yeah that's when my shoulder got hurt

13
00:01:05,870 --> 00:01:02,780

the

14

00:01:09,289 --> 00:01:05,880

manager got fired because of his

15

00:01:12,890 --> 00:01:09,299

negligence he came out and he put a box

16

00:01:14,990 --> 00:01:12,900

of my stuff he when he left he took my

17

00:01:18,230 --> 00:01:15,000

stuff with him he smashed it all over my

18

00:01:21,469 --> 00:01:18,240

front porch and then he put a bullet on

19

00:01:23,649 --> 00:01:21,479

old rusty bullet on the window seal we

20

00:01:27,289 --> 00:01:23,659

called the police filed a police report

21

00:01:29,510 --> 00:01:27,299

I'm in bed with two shoulders

22

00:01:31,609 --> 00:01:29,520

and I'm I'm that's the injury I

23

00:01:34,550 --> 00:01:31,619

described earlier with the server it was

24

00:01:37,130 --> 00:01:34,560

this company and they I believe did a

25

00:01:39,950 --> 00:01:37,140

restraining order on the manager and me

26

00:01:40,850 --> 00:01:39,960

after that incident because of the

27

00:01:44,330 --> 00:01:40,860

bullet

28

00:01:45,770 --> 00:01:44,340

why against you if it's the manager

29

00:01:47,929 --> 00:01:45,780

I

30

00:01:49,789 --> 00:01:47,939

um this this was all a part of the

31

00:01:53,090 --> 00:01:49,799

workman's comp this this was the

32

00:01:56,090 --> 00:01:53,100

workman's comp case so uh they tried to

33

00:01:58,490 --> 00:01:56,100

deny workman's comp they tried uh then

34

00:02:00,590 --> 00:01:58,500

they they fired me uh before the

35

00:02:02,510 --> 00:02:00,600

workman's comp was being filed it was a

36

00:02:09,190 --> 00:02:02,520

whole Fiasco

37

00:02:11,869 --> 00:02:09,200

didn't protest the

38

00:02:15,770 --> 00:02:11,879

restraining order and go and fight it is

39

00:02:17,330 --> 00:02:15,780

because I couldn't I was stuck in bed I

40

00:02:19,449 --> 00:02:17,340

you know the attorneys were calling me

41

00:02:22,070 --> 00:02:19,459

saying we're going to file this

42

00:02:24,350 --> 00:02:22,080

you can come in and object and do all

43

00:02:26,350 --> 00:02:24,360

this other stuff and I I was more

44

00:02:29,089 --> 00:02:26,360

worried about my injuries

45

00:02:32,030 --> 00:02:29,099

so I was just trying to make it go away

46

00:02:36,589 --> 00:02:33,949

care I needed so you understand

47

00:02:38,869 --> 00:02:36,599

obviously no threat to anyone I couldn't

48

00:02:40,610 --> 00:02:38,879

even walk you understand that a judge

49

00:02:42,530 --> 00:02:40,620

determined you to be a threat in that

50

00:02:46,070 --> 00:02:42,540

case no caption

51
00:02:48,170 --> 00:02:46,080
um just because I wasn't there to say

52
00:02:50,210 --> 00:02:48,180
anything it was totally uncontested it

53
00:02:52,610 --> 00:02:50,220
was just their their word and I didn't

54
00:02:54,890 --> 00:02:52,620
contest it so it's more of a rubber

55
00:02:57,050 --> 00:02:54,900
stamping than it is anything else

56
00:02:59,570 --> 00:02:57,060
you understand it's another court case I

57
00:03:03,890 --> 00:02:59,580
do but that slips my mind it's been so

58
00:03:05,570 --> 00:03:03,900
long ago and it was such uh I picture

59
00:03:07,130 --> 00:03:05,580
all that as a part of my workman's comp

60
00:03:08,630 --> 00:03:07,140
that I mentioned earlier when I

61
00:03:10,430 --> 00:03:08,640
mentioned the workman's comp stuff I was

62
00:03:12,470 --> 00:03:10,440
involved in I I kind of picture all of

63
00:03:15,589 --> 00:03:12,480

that as involved are there any other

64

00:03:18,229 --> 00:03:15,599

restraining orders that you uh have

65

00:03:19,729 --> 00:03:18,239

failed to tell us about yeah

66

00:03:21,050 --> 00:03:19,739

I've never had her other than that I've

67

00:03:22,610 --> 00:03:21,060

never had a restraining order okay

68

00:03:25,550 --> 00:03:22,620

because that's another case number and I

69

00:03:27,710 --> 00:03:25,560

asked you about any and all cases

70

00:03:30,530 --> 00:03:27,720

I have not had restraining orders other

71

00:03:43,729 --> 00:03:30,540

than that one from the workman's comp

72

00:03:49,149 --> 00:03:45,170

do you remember what their allegations

73

00:03:51,649 --> 00:03:49,159

were against you they alleged as far as

74

00:03:55,309 --> 00:03:51,659

needing a restraining order against you

75

00:03:59,649 --> 00:03:57,410

like I said I was laying in bed I

76
00:04:03,890 --> 00:03:59,659
couldn't move from a hemorrhage desk

77
00:04:08,570 --> 00:04:03,900
ripped tendons in my ripped rotator

78
00:04:32,090 --> 00:04:08,580
cuffs and ripped bicep tendons so I with

79
00:04:32,100 --> 00:04:35,330
I still have the video

80
00:04:35,340 --> 00:04:39,110
and I believe the police report

81
00:04:39,120 --> 00:04:42,550
why did you keep it

82
00:04:47,270 --> 00:04:44,810
I think it's on one of my old hard

83
00:04:49,610 --> 00:04:47,280
drives I think I it was from my

84
00:04:52,249 --> 00:04:49,620
workman's comp case

85
00:04:54,770 --> 00:04:52,259
I had I showed all of them

86
00:04:56,090 --> 00:04:54,780
that and they were not happy it was

87
00:04:59,090 --> 00:04:56,100
actually Darling International that's

88
00:05:01,189 --> 00:04:59,100

the name of the company uh and uh yeah

89

00:05:04,129 --> 00:05:01,199

they they ended up losing that workman's

90

00:05:06,050 --> 00:05:04,139

comp objection they they tried to cut me

91

00:05:07,249 --> 00:05:06,060

off in my workman's comp benefits and

92

00:05:09,890 --> 00:05:07,259

surgeries

93

00:05:20,870 --> 00:05:09,900

and I had to fight it and that was most

94

00:05:27,469 --> 00:05:23,330

did uh did you understand that Miss

95

00:05:31,430 --> 00:05:27,479

Youngblood uh was trying to develop some

96

00:05:33,790 --> 00:05:31,440

sort of a farm or hemp Farm in Nevada

97

00:05:37,490 --> 00:05:33,800

yes I was approached

98

00:05:39,469 --> 00:05:37,500

and told that she had been doing

99

00:05:42,710 --> 00:05:39,479

cannabis for some time but she wanted to

100

00:05:44,990 --> 00:05:42,720

switch over to hemp because that was the

101
00:05:46,790 --> 00:05:45,000
next upcoming thing let me say doing

102
00:05:50,510 --> 00:05:46,800
what do you mean Farming Farming yes

103
00:05:53,270 --> 00:05:50,520
let's be clear about that so she they

104
00:05:55,430 --> 00:05:53,280
she's wanting to switch over or add him

105
00:05:58,790 --> 00:05:55,440
to their cannabis farm

106
00:06:02,270 --> 00:05:58,800
and they asked if we would like to be

107
00:06:07,370 --> 00:06:05,990
we as in Leon Roger and myself and at

108
00:06:09,290 --> 00:06:07,380
the time of your investment you were

109
00:06:10,850 --> 00:06:09,300
aware that the farm was for hemp not

110
00:06:13,730 --> 00:06:10,860
marijuana correct

111
00:06:16,909 --> 00:06:13,740
right but when the hemp was delivered it

112
00:06:18,409 --> 00:06:16,919
turned out to be marijuana and they were

113
00:06:21,170 --> 00:06:18,419

negligent not testing it before it

114

00:06:23,270 --> 00:06:21,180

arrived and it turned out to not be hemp

115

00:06:25,070 --> 00:06:23,280

it was classified as marijuana

116

00:06:27,909 --> 00:06:25,080

and then I was told that they were going

117

00:06:30,469 --> 00:06:27,919

to do what they could to sell it

118

00:06:33,590 --> 00:06:30,479

I don't know how it didn't look like

119

00:06:34,790 --> 00:06:33,600

they had a permit on their Farm but they

120

00:06:37,510 --> 00:06:34,800

were going to sell it and then give me

121

00:06:40,249 --> 00:06:37,520

my money back who told you that it was

122

00:06:42,770 --> 00:06:40,259

marijuana not him

123

00:06:43,909 --> 00:06:42,780

um Roger Richards I believe I have that

124

00:06:46,969 --> 00:06:43,919

in email

125

00:06:50,629 --> 00:06:46,979

that he had tested it and it was that

126
00:06:54,409 --> 00:06:50,639
they had purchased all of this hemp like

127
00:06:56,330 --> 00:06:54,419
tons of hemp plants it arrived and then

128
00:06:59,330 --> 00:06:56,340
they I don't know if it was to get the

129
00:07:01,490 --> 00:06:59,340
hemp license for the farm and it arrived

130
00:07:04,070 --> 00:07:01,500
uh Adrian and her husband I can't

131
00:07:06,170 --> 00:07:04,080
remember his name right now

132
00:07:07,730 --> 00:07:06,180
um but they had all of the plants

133
00:07:10,550 --> 00:07:07,740
delivered to their Farm

134
00:07:13,550 --> 00:07:10,560
and they were I think about to get their

135
00:07:15,650 --> 00:07:13,560
license for hemp farming and some

136
00:07:19,370 --> 00:07:15,660
official or something came out to test

137
00:07:23,990 --> 00:07:19,380
the actual plants is what I'm told and

138
00:07:25,730 --> 00:07:24,000

they tested as marijuana not as hemp so

139

00:07:29,570 --> 00:07:25,740

it was delivered to miss Youngblood's

140

00:07:32,870 --> 00:07:29,580

Farm was the wrong type for what was

141

00:07:34,610 --> 00:07:32,880

correct that's what I was told okay and

142

00:07:36,890 --> 00:07:34,620

I was told that within a few months they

143

00:07:40,430 --> 00:07:36,900

were going to harvest it sell it and

144

00:07:44,990 --> 00:07:40,440

then pay us pay us our money back

145

00:07:48,230 --> 00:07:45,000

and then I felt when I went to DOD and

146

00:07:51,409 --> 00:07:48,240

at the last EOD 2019 I asked her husband

147

00:07:52,969 --> 00:07:51,419

how the uh how it was doing because they

148

00:07:55,010 --> 00:07:52,979

never would tell me what was going on I

149

00:07:57,110 --> 00:07:55,020

always had to like really like bother

150

00:07:58,670 --> 00:07:57,120

the hell out of them and I asked her

151
00:07:59,990 --> 00:07:58,680
husband and he had this shock look on

152
00:08:02,570 --> 00:08:00,000
his face he said didn't anyone tell you

153
00:08:04,850 --> 00:08:02,580
I said tell me what he said the whole

154
00:08:07,850 --> 00:08:04,860
crop died of a disease

155
00:08:09,409 --> 00:08:07,860
and I was like uh no no one told me how

156
00:08:11,870 --> 00:08:09,419
long ago did this happen he was like oh

157
00:08:14,270 --> 00:08:11,880
it's been like six weeks or a month or

158
00:08:16,610 --> 00:08:14,280
so you know no one told me

159
00:08:19,490 --> 00:08:16,620
so um

160
00:08:23,930 --> 00:08:19,500
you never got videos about it I was sent

161
00:08:26,990 --> 00:08:23,940
videos of uh the plants and the

162
00:08:29,270 --> 00:08:27,000
greenhouses being built and I went and

163
00:08:31,670 --> 00:08:29,280

talked to some professionals uh here

164

00:08:33,110 --> 00:08:31,680

about you know the Cannabis and they

165

00:08:36,409 --> 00:08:33,120

said that if they were separated into

166

00:08:37,850 --> 00:08:36,419

three different tents then only that

167

00:08:40,610 --> 00:08:37,860

would have protected the whole crop from

168

00:08:42,589 --> 00:08:40,620

getting killed by the same uh disease

169

00:08:46,310 --> 00:08:42,599

they said they just would have lost a

170

00:08:49,490 --> 00:08:46,320

crop in one of the tents in all three it

171

00:08:52,490 --> 00:08:49,500

he said that's just unheard of

172

00:08:54,530 --> 00:08:52,500

so I I still haven't gotten any type of

173

00:08:56,690 --> 00:08:54,540

real explanations about went on this is

174

00:08:58,610 --> 00:08:56,700

all hearsay from Roger and Adrian's

175

00:09:01,009 --> 00:08:58,620

husband did you ever have any

176

00:09:04,790 --> 00:09:01,019

understanding as far as a change in her

177

00:09:07,970 --> 00:09:04,800

County regarding growing hemp no I was

178

00:09:13,730 --> 00:09:10,850

did you ever ask yes constantly you sent

179

00:09:16,310 --> 00:09:13,740

emails I sent emails I sent texts I

180

00:09:17,210 --> 00:09:16,320

talked to uh Roger I I was contacting

181

00:09:20,930 --> 00:09:17,220

Roger

182

00:09:22,910 --> 00:09:20,940

whole thing the whole what do you

183

00:09:26,329 --> 00:09:22,920

contact Miss Youngblood Roger was the

184

00:09:27,650 --> 00:09:26,339

point man and Adrian would never really

185

00:09:29,210 --> 00:09:27,660

communicate with me all I got was

186

00:09:32,030 --> 00:09:29,220

snarkiness from her

187

00:09:33,889 --> 00:09:32,040

okay so you did send something to Adrian

188

00:09:36,829 --> 00:09:33,899

you got snark in his back when I would

189

00:09:38,570 --> 00:09:36,839

come uh try to converse with Adrian all

190

00:09:41,449 --> 00:09:38,580

I got was just kind of snarky

191

00:09:43,370 --> 00:09:41,459

attitude-ish stuff she this is like a

192

00:09:47,930 --> 00:09:43,380

resentment that she had was that phone

193

00:09:51,590 --> 00:09:47,940

calls is in person uh never any text no

194

00:09:53,389 --> 00:09:51,600

never any emails no I don't think so so

195

00:09:55,190 --> 00:09:53,399

you never sent any texts or emails to

196

00:09:57,410 --> 00:09:55,200

miss Youngblood about the hemp Farm no

197

00:09:59,690 --> 00:09:57,420

it was all through Roger the one who was

198

00:10:01,730 --> 00:09:59,700

the point man running uh the investment

199

00:10:05,150 --> 00:10:01,740

for me

200

00:10:07,190 --> 00:10:05,160

what did Rod is Roger an employee of

201
00:10:09,470 --> 00:10:07,200
Adrian Youngblood no but what you have

202
00:10:11,630 --> 00:10:09,480
to remember Leon and Roger had

203
00:10:14,449 --> 00:10:11,640
everything going through them so that

204
00:10:16,790 --> 00:10:14,459
was the way things went uh you know Leon

205
00:10:19,550 --> 00:10:16,800
was involved in this too

206
00:10:22,550 --> 00:10:19,560
um and I was asking Roger because Roger

207
00:10:26,990 --> 00:10:22,560
had actually worked with her on the

208
00:10:29,329 --> 00:10:27,000
details of the investment Leon insists

209
00:10:32,509 --> 00:10:29,339
that all Communications go through one

210
00:10:34,009 --> 00:10:32,519
Central Point and that that's just the

211
00:10:35,930 --> 00:10:34,019
way that he had it set up and that's the

212
00:10:39,110 --> 00:10:35,940
way things operated did Leon own the

213
00:10:40,250 --> 00:10:39,120

hemp Farm no he owned he was a fellow

214

00:10:42,350 --> 00:10:40,260

investor

215

00:10:44,269 --> 00:10:42,360

so why would you go through a fellow

216

00:10:46,850 --> 00:10:44,279

investor to invest in the Youngblood

217

00:10:48,889 --> 00:10:46,860

Farm I just explained

218

00:10:51,050 --> 00:10:48,899

because a fellow investor insisted that

219

00:10:54,650 --> 00:10:51,060

you go through them yes they had set up

220

00:10:57,170 --> 00:10:54,660

everything that we do as uh them being

221

00:10:59,090 --> 00:10:57,180

The Gatekeepers especially Leon was the

222

00:11:00,949 --> 00:10:59,100

biggest gatekeeper that's what I've it's

223

00:11:01,730 --> 00:11:00,959

what I've been testifying to all day

224

00:11:04,069 --> 00:11:01,740

today

225

00:11:06,550 --> 00:11:04,079

okay so you believe that in order to

226

00:11:10,310 --> 00:11:06,560

communicate on behalf of

227

00:11:12,530 --> 00:11:10,320

SBA you had to do it through Leon or

228

00:11:14,210 --> 00:11:12,540

Roger I don't believe that you're going

229

00:11:16,910 --> 00:11:14,220

to see it in the documentations that

230

00:11:20,030 --> 00:11:16,920

that was though that was Leon's Demand

231

00:11:22,490 --> 00:11:20,040

on how things ran until a period to

232

00:11:25,009 --> 00:11:22,500

where I finally started fighting against

233

00:11:27,470 --> 00:11:25,019

it he wouldn't let me talk to

234

00:11:29,150 --> 00:11:27,480

he wouldn't let me talk to David about

235

00:11:30,889 --> 00:11:29,160

business when that's what we always did

236

00:11:35,870 --> 00:11:30,899

that's how that's a part of our

237

00:11:41,630 --> 00:11:38,150

everybody he compartmentalized away from

238

00:11:44,090 --> 00:11:41,640

me and he became the gatekeeper and so

239

00:11:46,310 --> 00:11:44,100

everything went in and out through Leon

240

00:11:48,230 --> 00:11:46,320

and did he block them on your phone or

241

00:11:51,050 --> 00:11:48,240

how do you stop you from communicating

242

00:11:54,550 --> 00:11:51,060

to them you know it's the same influence

243

00:11:58,550 --> 00:11:54,560

that got me to sign contracts it was him

244

00:12:01,130 --> 00:11:58,560

convincing me that he was the expert in

245

00:12:04,850 --> 00:12:01,140

the situation that everything was being

246

00:12:08,090 --> 00:12:04,860

handled and that I am like this just a

247

00:12:09,710 --> 00:12:08,100

sniveling person that it's okay so he

248

00:12:11,150 --> 00:12:09,720

convinced you so you were convinced at

249

00:12:13,550 --> 00:12:11,160

one point you should communicate through

250

00:12:16,490 --> 00:12:13,560

them correct and so you made a choice to

251
00:12:19,310 --> 00:12:16,500
communicate through them I made it well

252
00:12:20,750 --> 00:12:19,320
that I went along with the demand I

253
00:12:23,329 --> 00:12:20,760
guess I chose to go along with that

254
00:12:25,910 --> 00:12:23,339
demand okay because Leon said that it

255
00:12:27,410 --> 00:12:25,920
would get me to the promised land uh but

256
00:12:30,949 --> 00:12:27,420
you chose to communicate with Miss

257
00:12:32,810 --> 00:12:30,959
Youngblood through Mr Kennedy yes that's

258
00:12:35,810 --> 00:12:32,820
the way it was all set up I never she

259
00:12:37,130 --> 00:12:35,820
never spoke to me personally and said uh

260
00:12:39,230 --> 00:12:37,140
would you like to invest in the farm

261
00:12:41,150 --> 00:12:39,240
when I gave the money she never sent me

262
00:12:43,250 --> 00:12:41,160
an email and said yay we're starting off

263
00:12:46,250 --> 00:12:43,260

let's do you know there was never

264

00:12:49,430 --> 00:12:46,260

communication from her

265

00:12:51,170 --> 00:12:49,440

to directly to me it went that's because

266

00:12:53,569 --> 00:12:51,180

you'd give him permission to Mr Kennedy

267

00:12:54,530 --> 00:12:53,579

to communicate on sba's behalf correct

268

00:12:57,110 --> 00:12:54,540

that's because Kennedy was the

269

00:12:59,870 --> 00:12:57,120

GateKeeper okay and that's that was your

270

00:13:02,210 --> 00:12:59,880

choice well yeah that was the

271

00:13:03,650 --> 00:13:02,220

stipulation for him coming to work and

272

00:13:06,350 --> 00:13:03,660

you agreed to that and I agreed to it

273

00:13:08,990 --> 00:13:06,360

okay and it caused many problems with

274

00:13:11,090 --> 00:13:09,000

contracts relationships he he pitted me

275

00:13:14,150 --> 00:13:11,100

and David Wilcock against each other as

276
00:13:17,269 --> 00:13:14,160
you will see in testimony and Peter and

277
00:13:19,370 --> 00:13:17,279
you believe that SBA put in 15 000 in a

278
00:13:24,410 --> 00:13:19,380
young Bloods project correct

279
00:13:26,150 --> 00:13:24,420
into the hemp project yeah I was

280
00:13:29,090 --> 00:13:26,160
can't remember at the moment it was like

281
00:13:31,129 --> 00:13:29,100
10 or 15 000. and you believe if the

282
00:13:34,850 --> 00:13:31,139
greenhouses had been done differently

283
00:13:36,889 --> 00:13:34,860
that the 15 000 would have been lost

284
00:13:38,269 --> 00:13:36,899
if there'd been three greenhouses

285
00:13:40,850 --> 00:13:38,279
instead of one there were three

286
00:13:42,829 --> 00:13:40,860
greenhouses okay so on the video it

287
00:13:44,569 --> 00:13:42,839
shows

288
00:13:46,370 --> 00:13:44,579

so you so you believe it was they never

289

00:13:48,530 --> 00:13:46,380

separated the plants out into the three

290

00:13:50,030 --> 00:13:48,540

greenhouses they showed on video then

291

00:13:52,670 --> 00:13:50,040

that's further negligence on their part

292

00:13:56,590 --> 00:13:52,680

okay but but what was was there any

293

00:14:04,790 --> 00:14:01,670

yeah when you uh purchase hemp and it

294

00:14:06,230 --> 00:14:04,800

arrives as cannabis that's what I'm told

295

00:14:08,030 --> 00:14:06,240

um is that negligence on your part or

296

00:14:10,610 --> 00:14:08,040

the person who shipped it well it's

297

00:14:13,370 --> 00:14:10,620

negligence on the person who bought it

298

00:14:15,590 --> 00:14:13,380

as well why if you order hemp and

299

00:14:17,210 --> 00:14:15,600

instead of you get shipped marijuana is

300

00:14:19,850 --> 00:14:17,220

that your fault or the person these are

301

00:14:22,790 --> 00:14:19,860

these are federally regulated

302

00:14:25,009 --> 00:14:22,800

substances I understand it's it's not

303

00:14:26,750 --> 00:14:25,019

going to Walmart or it's not or you know

304

00:14:28,730 --> 00:14:26,760

why do you believe it was young Bloods

305

00:14:30,050 --> 00:14:28,740

negligence that marijuana showed up

306

00:14:33,110 --> 00:14:30,060

instead of hemp

307

00:14:35,750 --> 00:14:33,120

well because she was an expert she she

308

00:14:38,750 --> 00:14:35,760

grew marijuana on the farm

309

00:14:40,430 --> 00:14:38,760

for years and she has everything she

310

00:14:42,050 --> 00:14:40,440

needs to test if she's going to go in

311

00:14:45,350 --> 00:14:42,060

and drop all this money

312

00:14:47,930 --> 00:14:45,360

you're just going to you know and when

313

00:14:50,329 --> 00:14:47,940

it was delivered as him why didn't she

314

00:14:52,910 --> 00:14:50,339

return it and get her money back

315

00:14:55,370 --> 00:14:52,920

that's negligent how much money do you

316

00:14:58,550 --> 00:14:55,380

think she paid for the delivery I don't

317

00:15:00,290 --> 00:14:58,560

know I was not I I would be 100 you have

318

00:15:02,449 --> 00:15:00,300

no idea how I was kept in the dark about

319

00:15:04,550 --> 00:15:02,459

everything okay so you know there's a

320

00:15:07,310 --> 00:15:04,560

delivery that the wrong thing showed up

321

00:15:11,269 --> 00:15:07,320

that's what you were told through who

322

00:15:13,370 --> 00:15:11,279

through Roger and I don't know if Leon

323

00:15:16,009 --> 00:15:13,380

was on the call or not

324

00:15:17,329 --> 00:15:16,019

but we just Leon was on the call several

325

00:15:19,430 --> 00:15:17,339

times when we discussed to him because

326

00:15:21,530 --> 00:15:19,440

we were all partners and what makes you

327

00:15:23,389 --> 00:15:21,540

think that the plants did not arrive

328

00:15:26,509 --> 00:15:23,399

with a test

329

00:15:28,310 --> 00:15:26,519

and that's what I was told by Roger in

330

00:15:30,290 --> 00:15:28,320

that phone call what year was that you

331

00:15:33,650 --> 00:15:30,300

were told that

332

00:15:35,750 --> 00:15:33,660

right after we made the investment 17 or

333

00:15:36,889 --> 00:15:35,760

18. I can't even remember when you said

334

00:15:38,269 --> 00:15:36,899

we made the investment want to be

335

00:15:40,790 --> 00:15:38,279

careful you're talking about the SBA

336

00:15:42,530 --> 00:15:40,800

group made the investment right

337

00:15:44,389 --> 00:15:42,540

I can't remember if that was a business

338

00:15:46,550 --> 00:15:44,399

investment or a personal investment of

339

00:15:47,990 --> 00:15:46,560

Stacy and ice at this moment but I have

340

00:15:49,189 --> 00:15:48,000

to look at the documents so you believe

341

00:15:51,650 --> 00:15:49,199

it may have come out of your personal

342

00:15:54,230 --> 00:15:51,660

account I don't know I would have to

343

00:15:55,790 --> 00:15:54,240

look at the documents have you produced

344

00:15:57,310 --> 00:15:55,800

all your personal bank accounts for this

345

00:15:59,930 --> 00:15:57,320

litigation

346

00:16:01,850 --> 00:15:59,940

all my personal

347

00:16:04,389 --> 00:16:01,860

correct you're saying that they're

348

00:16:08,210 --> 00:16:04,399

possibly an investment by your personal

349

00:16:09,949 --> 00:16:08,220

monies into Miss Youngblood's farm right

350

00:16:11,210 --> 00:16:09,959

possibly it could have been from the

351

00:16:13,670 --> 00:16:11,220

business or it could have been from our

352

00:16:16,850 --> 00:16:13,680

personal I don't know I have to look

353

00:16:18,650 --> 00:16:16,860

back at the documentation okay and is to

354

00:16:20,509 --> 00:16:18,660

the best you're understanding is the SBA

355

00:16:23,569 --> 00:16:20,519

group a party of this lawsuit because

356

00:16:27,230 --> 00:16:25,730

SBA

357

00:16:29,509 --> 00:16:27,240

have they been named as a doe

358

00:16:30,590 --> 00:16:29,519

designation I don't are they a party and

359

00:16:33,050 --> 00:16:30,600

I don't know about it I don't I don't

360

00:16:34,910 --> 00:16:33,060

know all this legal stuff okay

361

00:16:40,370 --> 00:16:34,920

so my that's what I pay attorneys for

362

00:16:44,569 --> 00:16:42,590

and isn't it true that when Kennedy was

363

00:16:47,629 --> 00:16:44,579

initially asked by David Wilcock to

364

00:16:49,490 --> 00:16:47,639

start with your projects Wilcox said

365

00:16:51,170 --> 00:16:49,500

that had potential but you got it you

366

00:16:52,850 --> 00:16:51,180

had to get your story off the ground

367

00:16:54,350 --> 00:16:52,860

you get your business Affairs in order

368

00:16:55,129 --> 00:16:54,360

because you had projects all over the

369

00:16:57,290 --> 00:16:55,139

place

370

00:16:59,269 --> 00:16:57,300

wasn't that true I don't remember that

371

00:17:01,670 --> 00:16:59,279

being ever delivered to me if it was

372

00:17:03,949 --> 00:17:01,680

delivered to Leon he never told me you

373

00:17:06,169 --> 00:17:03,959

know I think that's what Wilcox said

374

00:17:09,590 --> 00:17:06,179

I don't I don't know right now will

375

00:17:12,230 --> 00:17:09,600

clock is beyond impressed with

376

00:17:15,169 --> 00:17:12,240

everything that's about to come down

377

00:17:19,610 --> 00:17:15,179

what's about to come down

378

00:17:24,710 --> 00:17:22,490

okay say more

379

00:17:26,569 --> 00:17:24,720

in D.A

380

00:17:27,650 --> 00:17:26,579

what are the fruits of your labors that

381

00:17:30,289 --> 00:17:27,660

are going to come down

382

00:17:31,970 --> 00:17:30,299

they are covered by an NDA

383

00:17:35,150 --> 00:17:31,980

okay so you're refusing to answer the

384

00:17:37,789 --> 00:17:35,160

question I am I am not going to give

385

00:17:39,529 --> 00:17:37,799

this group any inkling of what I'm doing

386

00:17:42,289 --> 00:17:39,539

because they will go in and screw it up

387

00:17:45,710 --> 00:17:42,299

okay so you're doing something in

388

00:17:47,510 --> 00:17:45,720

relation to the NDA the subject matter

389

00:17:49,370 --> 00:17:47,520

this lawsuit and you're refusing to talk

390

00:17:52,549 --> 00:17:49,380

about it correct I am not going to break

391

00:17:54,230 --> 00:17:52,559

the NDA if I did so the finance company

392

00:17:57,830 --> 00:17:54,240

and everyone involved would drop me

393

00:17:59,870 --> 00:17:57,840

faster than a hot potato and in the NDA

394

00:18:01,850 --> 00:17:59,880

is related to the subject matter of this

395

00:18:03,890 --> 00:18:01,860

lawsuit is that correct no it's related

396

00:18:05,870 --> 00:18:03,900

to the subject matter of the big

397

00:18:07,070 --> 00:18:05,880

projects I'm about to

398

00:18:10,190 --> 00:18:07,080

sign

399

00:18:12,590 --> 00:18:10,200

and those have to do with the IP that's

400

00:18:16,490 --> 00:18:12,600

in relation to this lawsuit it's in

401
00:18:18,049 --> 00:18:16,500
relation to my IP yes and your IP is in

402
00:18:20,270 --> 00:18:18,059
relation to what this lawsuit is about

403
00:18:22,669 --> 00:18:20,280
correct

404
00:18:24,650 --> 00:18:22,679
um I yeah people stealing from my

405
00:18:26,510 --> 00:18:24,660
intellectual property yes and that's

406
00:18:29,690 --> 00:18:26,520
what this lawsuit has to do with is your

407
00:18:32,150 --> 00:18:29,700
IP correct protecting my IP

408
00:18:34,789 --> 00:18:32,160
and that saves from content thieves yes

409
00:18:36,590 --> 00:18:34,799
and so that same IP is at issue and

410
00:18:40,789 --> 00:18:36,600
whatever deal you're about to to do

411
00:18:45,890 --> 00:18:43,310
and you're refusing to talk about it

412
00:18:49,310 --> 00:18:45,900
Junction yes

413
00:18:51,409 --> 00:18:49,320

I'm not violating this NDA unless a

414

00:18:53,930 --> 00:18:51,419

judge tells me to if you want to call

415

00:18:56,690 --> 00:18:53,940

the judge and have them force me to

416

00:18:58,909 --> 00:18:56,700

break the NDA I I will do it under those

417

00:19:13,610 --> 00:18:58,919

circumstances right and this is an NDA

418

00:19:18,950 --> 00:19:16,190

when you file bankruptcy back in 2006 or

419

00:19:25,010 --> 00:19:18,960

seven did that bankruptcy case get

420

00:19:29,690 --> 00:19:26,750

I think it was a

421

00:19:32,150 --> 00:19:29,700

it was a weird text weird laws in Texas

422

00:19:33,610 --> 00:19:32,160

at that time uh that's federal law it's

423

00:19:36,049 --> 00:19:33,620

not a Texas law

424

00:19:38,990 --> 00:19:36,059

the bankruptcy laws are regulated by

425

00:19:41,029 --> 00:19:39,000

taxes nope that's what they told me in

426
00:19:42,370 --> 00:19:41,039
Texas yeah

427
00:19:45,230 --> 00:19:42,380
um

428
00:19:46,730 --> 00:19:45,240
I I can't recall

429
00:19:49,970 --> 00:19:46,740
um

430
00:19:52,130 --> 00:19:49,980
compared to I mean back then we made

431
00:19:53,330 --> 00:19:52,140
such little money and our debts were not

432
00:19:55,370 --> 00:19:53,340
that

433
00:19:56,450 --> 00:19:55,380
big compared to what we would consider

434
00:20:00,590 --> 00:19:56,460
big now

435
00:20:03,110 --> 00:20:00,600
I but I can't remember if we it seems

436
00:20:08,750 --> 00:20:03,120
like we worked with a credit company and

437
00:20:11,930 --> 00:20:08,760
like paid some and then uh had others uh

438
00:20:13,730 --> 00:20:11,940

dismissed but I can't remember it was

439

00:20:19,070 --> 00:20:13,740

freaking forever ago

440

00:20:23,750 --> 00:20:21,650

I'll go ahead and repeat it sure at the

441

00:20:24,970 --> 00:20:23,760

end of your bankruptcy Kates were your

442

00:20:27,230 --> 00:20:24,980

debts

443

00:20:30,289 --> 00:20:27,240

discharged so you didn't owe any more

444

00:20:33,770 --> 00:20:30,299

money or was your case dismissed so you

445

00:20:37,190 --> 00:20:35,630

I don't fully remember how everything

446

00:20:40,010 --> 00:20:37,200

went down on that case I would have to

447

00:20:41,230 --> 00:20:40,020

look at the

448

00:20:42,890 --> 00:20:41,240

um

449

00:20:47,750 --> 00:20:42,900

printouts

450

00:20:50,870 --> 00:20:49,610

in Council to confirm the entire

451
00:20:54,710 --> 00:20:50,880
deposition has been marked as

452
00:20:57,130 --> 00:20:54,720
confidential correct that is correct

453
00:20:59,450 --> 00:20:57,140
you're choosing to not

454
00:21:01,190 --> 00:20:59,460
designate portions of it is confidential

455
00:21:03,169 --> 00:21:01,200
you're choosing to designate the

456
00:21:05,270 --> 00:21:03,179
entirety of it as confidential is that

457
00:21:06,890 --> 00:21:05,280
correct have you looked at the objective

458
00:21:09,529 --> 00:21:06,900
order yet

459
00:21:11,270 --> 00:21:09,539
um on the record earlier we are

460
00:21:13,010 --> 00:21:11,280
designating as confidential under the

461
00:21:15,770 --> 00:21:13,020
protective order we have 30 days to

462
00:21:17,390 --> 00:21:15,780
designate portions right I can send you

463
00:21:18,710 --> 00:21:17,400

the protective order if you need no I

464

00:21:20,150 --> 00:21:18,720

have it just want to make sure that I'm

465

00:21:22,010 --> 00:21:20,160

clear are you so you're going to do that

466

00:21:28,010 --> 00:21:22,020

within 30 days you're not maintaining

467

00:21:32,630 --> 00:21:30,529

I mean it's it's designed the entire

468

00:21:34,310 --> 00:21:32,640

thing is designated as of right now is

469

00:21:36,710 --> 00:21:34,320

confidential do you want to pull up

470

00:21:38,029 --> 00:21:36,720

docket number 48 don't want to pull it

471

00:21:40,250 --> 00:21:38,039

up just want to make sure I'm clear as

472

00:21:41,570 --> 00:21:40,260

far as what you're doing because earlier

473

00:21:43,250 --> 00:21:41,580

you said you want to do the whole thing

474

00:21:45,770 --> 00:21:43,260

is confidential so it's fun it is

475

00:21:47,750 --> 00:21:45,780

designated as confidential and then it

476
00:21:49,010 --> 00:21:47,760
will be we are going to comply with the

477
00:21:50,029 --> 00:21:49,020
protective order and I hope you guys

478
00:22:13,990 --> 00:21:50,039
will too

479
00:22:14,000 --> 00:22:21,470
let's go off the Record

480
00:22:24,710 --> 00:22:22,730
if you would

481
00:22:35,529 --> 00:22:24,720
uh videographer can you tell me the time

482
00:22:35,539 --> 00:22:42,830
back on the record at 6 13.

483
00:22:48,350 --> 00:22:44,930
how much money do you believe that Miss

484
00:22:49,970 --> 00:22:48,360
Youngblood owes you

485
00:22:50,990 --> 00:22:49,980
for what

486
00:22:52,250 --> 00:22:51,000
what's that

487
00:22:54,470 --> 00:22:52,260
um for what

488
00:22:58,549 --> 00:22:54,480

anything

489

00:23:00,590 --> 00:22:58,559

um the fifteen thousand dollars

490

00:23:01,149 --> 00:23:00,600

for

491

00:23:05,810 --> 00:23:01,159

um

492

00:23:07,810 --> 00:23:05,820

the just I mean the farm which I was

493

00:23:10,370 --> 00:23:07,820

told I was getting back

494

00:23:12,770 --> 00:23:10,380

and uh

495

00:23:14,510 --> 00:23:12,780

of course now

496

00:23:15,770 --> 00:23:14,520

um we're not really interested in any

497

00:23:19,430 --> 00:23:15,780

types of settlements we're wanting to

498

00:23:26,049 --> 00:23:22,610

on all the defamation and other things

499

00:23:30,890 --> 00:23:26,059

that we're alleging we're going to

500

00:23:34,370 --> 00:23:30,900

expect damages of course so SBA made

501
00:23:36,409 --> 00:23:34,380
that loan to her Farm correct

502
00:23:38,570 --> 00:23:36,419
it was not alone

503
00:23:40,490 --> 00:23:38,580
investment investment but it was an

504
00:23:43,310 --> 00:23:40,500
investment it was an investment the SBA

505
00:23:46,370 --> 00:23:43,320
made correct I can't remember if it was

506
00:23:47,750 --> 00:23:46,380
SBA GES or me personally I can't

507
00:23:49,850 --> 00:23:47,760
remember as I'm sitting here right now

508
00:23:52,730 --> 00:23:49,860
so you don't know but you've sued her

509
00:23:55,190 --> 00:23:52,740
individually well yeah yeah

510
00:23:59,029 --> 00:23:55,200
and you I don't know sitting here right

511
00:24:02,870 --> 00:23:59,039
now which uh where the funds came out of

512
00:24:06,770 --> 00:24:02,880
to go to her that is information that we

513
00:24:10,850 --> 00:24:06,780

can uh obviously get

514

00:24:14,450 --> 00:24:10,860

okay and you'll get that within 30 days

515

00:24:16,990 --> 00:24:14,460

yes I guess if that's what's the

516

00:24:44,029 --> 00:24:17,000

what the rules are okay

517

00:24:44,039 --> 00:25:19,789

foreign

518

00:25:23,510 --> 00:25:21,529

is there anything else other than the

519

00:25:27,169 --> 00:25:23,520

fifteen thousand dollars that you

520

00:25:29,990 --> 00:25:27,179

believe Miss Youngblood owes you for

521

00:25:32,450 --> 00:25:30,000

uh I don't you know until we see her

522

00:25:35,029 --> 00:25:32,460

bank records and stuff there's really no

523

00:25:37,370 --> 00:25:35,039

way of of knowing but right now that's

524

00:25:40,730 --> 00:25:37,380

the only thing that's really sticking in

525

00:25:44,330 --> 00:25:42,470

do you believe that if you invest in

526

00:25:46,310 --> 00:25:44,340

something and the ordinances change in

527

00:25:47,450 --> 00:25:46,320

that county so you can't grow something

528

00:25:49,970 --> 00:25:47,460

anymore

529

00:25:52,010 --> 00:25:49,980

that you're entitled to your money back

530

00:25:54,830 --> 00:25:52,020

on the investment that's not what I was

531

00:25:56,630 --> 00:25:54,840

told I was told that I was getting my

532

00:25:59,149 --> 00:25:56,640

money back because of their mistake they

533

00:26:01,090 --> 00:25:59,159

were going to sell the marijuana That

534

00:26:03,350 --> 00:26:01,100

was supposed to be the hemp and that

535

00:26:04,669 --> 00:26:03,360

they were going to pay back my fifteen

536

00:26:07,370 --> 00:26:04,679

thousand dollars and that they were so

537

00:26:08,930 --> 00:26:07,380

sorry and who told you that uh well that

538

00:26:11,990 --> 00:26:08,940

was on a conversation with Roger and

539

00:26:14,230 --> 00:26:12,000

Leon and did they ever mention that

540

00:26:17,210 --> 00:26:14,240

again in a text or an email

541

00:26:18,470 --> 00:26:17,220

I don't know I'd have to it's been a

542

00:26:21,769 --> 00:26:18,480

that's been a long time we have we're

543

00:26:25,669 --> 00:26:23,630

there were emails on the subject I just

544

00:26:28,070 --> 00:26:25,679

can't remember what the details of them

545

00:26:34,430 --> 00:26:32,149

have you ever fallen out of uh

546

00:26:37,730 --> 00:26:34,440

with other work collaborators other than

547

00:26:40,130 --> 00:26:37,740

Gaia and my clients

548

00:26:44,570 --> 00:26:40,140

work collaborators let's see other than

549

00:26:46,789 --> 00:26:44,580

the ones that tried to steal from me

550

00:26:48,529 --> 00:26:46,799

not really I'm working with some very

551
00:26:52,549 --> 00:26:48,539
good professionals and

552
00:26:55,430 --> 00:26:52,559
they're well paid and very happy

553
00:26:56,870 --> 00:26:55,440
Darling International right Darling

554
00:26:58,370 --> 00:26:56,880
International I thought you were talking

555
00:27:00,289 --> 00:26:58,380
about

556
00:27:02,510 --> 00:27:00,299
that that's a work relationship that

557
00:27:04,669 --> 00:27:02,520
didn't end up it's not a creative

558
00:27:07,909 --> 00:27:04,679
you were saying creative what's Darling

559
00:27:09,890 --> 00:27:07,919
International yeah it's uh a recycling

560
00:27:11,990 --> 00:27:09,900
company it's when I was in the I.T field

561
00:27:15,110 --> 00:27:12,000
sure and your work relationship there

562
00:27:18,049 --> 00:27:15,120
didn't did not end up well either no no

563
00:27:21,289 --> 00:27:18,059

similar to MIT where there's uh that's

564

00:27:23,269 --> 00:27:21,299

the same company okay

565

00:27:26,029 --> 00:27:23,279

it's the same company

566

00:27:28,610 --> 00:27:26,039

it was all over workman's comp injury

567

00:27:31,130 --> 00:27:28,620

and they had had a several of them

568

00:27:35,090 --> 00:27:31,140

and they're having a lot of problems

569

00:27:38,390 --> 00:27:36,529

I believe if you dig deep you'll find

570

00:27:39,470 --> 00:27:38,400

investigations went on and all sorts of

571

00:27:40,490 --> 00:27:39,480

things

572

00:27:42,470 --> 00:27:40,500

did you get copies of those

573

00:27:43,669 --> 00:27:42,480

investigations no I was just told they

574

00:27:45,409 --> 00:27:43,679

were going on by the workman's comp

575

00:27:47,690 --> 00:27:45,419

people I was dealing with did you ask

576

00:27:49,430 --> 00:27:47,700

for a copy no why not

577

00:27:52,190 --> 00:27:49,440

because they were handling it I could

578

00:27:53,750 --> 00:27:52,200

care less all I wanted to do was have my

579

00:27:55,370 --> 00:27:53,760

five or six surgeries so I could get

580

00:27:56,570 --> 00:27:55,380

back to work you don't you have a

581

00:27:58,850 --> 00:27:56,580

restraining order against you and you

582

00:28:01,850 --> 00:27:58,860

don't want to get copies of it I didn't

583

00:28:03,110 --> 00:28:01,860

even care at the time well I I was

584

00:28:07,490 --> 00:28:03,120

laying there

585

00:28:11,149 --> 00:28:07,500

and with two rotator cuffs ripped two

586

00:28:13,250 --> 00:28:11,159

biceps ripped a bulging disc in my back

587

00:28:16,190 --> 00:28:13,260

my hands jacked up I'm laying there in

588

00:28:17,510 --> 00:28:16,200

total pain and they're calling all

589

00:28:18,649 --> 00:28:17,520

harassing me we need you to do this

590

00:28:21,409 --> 00:28:18,659

we're going to do that we're going to do

591

00:28:24,769 --> 00:28:21,419

a restraining order and

592

00:28:29,390 --> 00:28:24,779

just imagine the stress I was under

593

00:28:31,909 --> 00:28:29,400

after getting fired for getting her on a

594

00:28:35,750 --> 00:28:31,919

job and then them doing everything they

595

00:28:38,690 --> 00:28:35,760

could to try to get out of it it was it

596

00:28:41,149 --> 00:28:38,700

was just a very the the restraining

597

00:28:43,789 --> 00:28:41,159

order was just a very small piece of a

598

00:28:46,070 --> 00:28:43,799

huge Fiasco around this company trying

599

00:28:47,930 --> 00:28:46,080

to get out of workman's comp benefits

600

00:28:50,450 --> 00:28:47,940

after you're out of pain why didn't you

601
00:28:52,789 --> 00:28:50,460
ask for copies of the report and the

602
00:28:54,529 --> 00:28:52,799
investigation that was done by like what

603
00:28:57,049 --> 00:28:54,539
three years later MIT

604
00:28:58,909 --> 00:28:57,059
like three years later uh you know that

605
00:29:01,549 --> 00:28:58,919
like I said it was a small part of the

606
00:29:03,649 --> 00:29:01,559
workman's comp case and as I was healing

607
00:29:06,710 --> 00:29:03,659
years year I mean I'm getting surgery

608
00:29:08,570 --> 00:29:06,720
after surgery so I'm in pain for years

609
00:29:10,970 --> 00:29:08,580
and besides the fifteen thousand dollars

610
00:29:12,470 --> 00:29:10,980
of hemp investment is there any other

611
00:29:16,190 --> 00:29:12,480
claims that you have against Miss

612
00:29:18,470 --> 00:29:16,200
Youngblood only what's in my uh lawsuit

613
00:29:19,789 --> 00:29:18,480

well what what do you what are your as

614

00:29:21,590 --> 00:29:19,799

you sit here today what are your

615

00:29:24,110 --> 00:29:21,600

concerns about Miss Youngblood other

616

00:29:26,690 --> 00:29:24,120

than the fifteen thousand dollars uh the

617

00:29:29,930 --> 00:29:26,700

amount of defamation defamation and

618

00:29:31,010 --> 00:29:29,940

destruction she did to my business is is

619

00:29:34,430 --> 00:29:31,020

the main

620

00:29:40,010 --> 00:29:34,440

uh that she did yeah

621

00:29:42,049 --> 00:29:40,020

how by joining in uh with Leon and the

622

00:29:44,389 --> 00:29:42,059

others to fulfill Roger's extortion

623

00:29:45,950 --> 00:29:44,399

threat how did she join in to fill

624

00:29:47,330 --> 00:29:45,960

fulfill the extortion she's not seen her

625

00:29:49,310 --> 00:29:47,340

video

626

00:29:51,950 --> 00:29:49,320

did so you're saying she's The

627

00:29:55,310 --> 00:29:51,960

Mastermind behind the videos I said she

628

00:29:57,230 --> 00:29:55,320

partook participated right

629

00:29:59,510 --> 00:29:57,240

and so how what is your view of her

630

00:30:02,389 --> 00:29:59,520

participation in those videos

631

00:30:05,090 --> 00:30:02,399

um with malice her and the others got

632

00:30:07,789 --> 00:30:05,100

together and fulfilled Roger's extortion

633

00:30:10,310 --> 00:30:07,799

threat and in his letter he said he was

634

00:30:11,870 --> 00:30:10,320

going to tell everyone and destroy me so

635

00:30:14,510 --> 00:30:11,880

they knew exactly what they were doing

636

00:30:17,870 --> 00:30:14,520

they were in a effort to completely

637

00:30:19,610 --> 00:30:17,880

destroy me in the community and to

638

00:30:22,310 --> 00:30:19,620

prevent me from ever being able to make

639

00:30:26,510 --> 00:30:25,070

and if you sit and watch that video if

640

00:30:28,490 --> 00:30:26,520

you try to characterize it any

641

00:30:32,149 --> 00:30:28,500

differently I'd love to see the jury's

642

00:30:45,470 --> 00:30:33,409

because those are some interesting

643

00:30:50,269 --> 00:30:47,450

and you've given all the lists of all

644

00:30:52,789 --> 00:30:50,279

the the people who saw those videos and

645

00:30:55,190 --> 00:30:52,799

our Witnesses all those names are to

646

00:30:57,649 --> 00:30:55,200

your attorney correct objection I think

647

00:30:59,810 --> 00:30:57,659

35 000 people saw one of them that's

648

00:31:00,950 --> 00:30:59,820

more people that than watch CNN on some

649

00:31:03,110 --> 00:31:00,960

days

650

00:31:05,210 --> 00:31:03,120

so I don't have no I don't have all of

651
00:31:06,590 --> 00:31:05,220
those people do you have any any

652
00:31:07,669 --> 00:31:06,600
witnesses that you've given to your

653
00:31:09,350 --> 00:31:07,679
attorney I think we've talked about this

654
00:31:11,269 --> 00:31:09,360
earlier all those names you've given to

655
00:31:12,830 --> 00:31:11,279
your attorney right I believe so I've

656
00:31:14,630 --> 00:31:12,840
given her all the information we need to

657
00:31:16,789 --> 00:31:14,640
talk with Mike wazkowski again to make

658
00:31:20,149 --> 00:31:16,799
sure that they provided all the customer

659
00:31:22,610 --> 00:31:20,159
service emails that came in during that

660
00:31:24,529 --> 00:31:22,620
time so Mike waskoski what's he

661
00:31:26,810 --> 00:31:24,539
particularly knowledgeable about those

662
00:31:27,950 --> 00:31:26,820
emails what's his role him and his wife

663
00:31:28,970 --> 00:31:27,960

were the ones that were dealing with

664

00:31:31,730 --> 00:31:28,980

them when they were coming in and

665

00:31:34,190 --> 00:31:31,740

dealing with all of the stink

666

00:31:38,630 --> 00:31:34,200

okay

667

00:31:41,750 --> 00:31:38,640

and also oh wait that was no that was uh

668

00:31:43,250 --> 00:31:41,760

yeah emails were still coming in uh but

669

00:31:45,590 --> 00:31:43,260

we didn't get that many I know Liz

670

00:31:49,669 --> 00:31:45,600

Laurie and her mom were the ones that

671

00:31:52,610 --> 00:31:49,679

caught the brunt of uh the um people

672

00:31:55,190 --> 00:31:52,620

calling and emailing in uh extremely

673

00:31:57,590 --> 00:31:55,200

pissed I can't remember how many uh

674

00:31:59,289 --> 00:31:57,600

refunds we had uh

675

00:32:03,470 --> 00:31:59,299

we'll have to pull those numbers but

676

00:32:04,909 --> 00:32:03,480

right after uh the video just refunds

677

00:32:07,630 --> 00:32:04,919

like crazy

678

00:32:11,029 --> 00:32:07,640

um how many refunds you typically have

679

00:32:13,250 --> 00:32:11,039

three seven

680

00:32:15,590 --> 00:32:13,260

over a certain period of time and we

681

00:32:18,950 --> 00:32:15,600

were getting like you know like probably

682

00:32:20,990 --> 00:32:18,960

three or four times that

683

00:32:23,450 --> 00:32:21,000

and so three to seven over what period

684

00:32:27,049 --> 00:32:23,460

of time as far as Rover like you know a

685

00:32:29,269 --> 00:32:27,059

couple of weeks I would say and then uh

686

00:32:30,830 --> 00:32:29,279

for weeks after

687

00:32:32,149 --> 00:32:30,840

I mean yeah we're going to be able to

688

00:32:34,789 --> 00:32:32,159

lay it out quite clearly don't worry

689

00:32:36,830 --> 00:32:34,799

about that I mean we've I'm here to lay

690

00:32:38,870 --> 00:32:36,840

it out that's that's what I need we'll

691

00:32:40,250 --> 00:32:38,880

we'll lay it out with uh in the

692

00:32:41,870 --> 00:32:40,260

depositions with them because we don't

693

00:32:44,029 --> 00:32:41,880

have it with us this is your data laid

694

00:32:46,610 --> 00:32:44,039

out so I need to know your claims

695

00:32:48,769 --> 00:32:46,620

what are your claims our my claims yes

696

00:32:51,110 --> 00:32:48,779

as far as the damages to you and refunds

697

00:32:53,090 --> 00:32:51,120

how many refunds did you give that you

698

00:32:54,889 --> 00:32:53,100

attribute to my clients I have to get

699

00:32:56,690 --> 00:32:54,899

that information I'm here to get that

700

00:32:58,430 --> 00:32:56,700

information that's what today is for how

701
00:32:59,810 --> 00:32:58,440
about I give that to you when you depose

702
00:33:03,289 --> 00:32:59,820
GES

703
00:33:05,450 --> 00:33:03,299
I'm here for you well that's GPS that's

704
00:33:08,210 --> 00:33:05,460
that's more of the corporate stuff so

705
00:33:11,210 --> 00:33:08,220
you have you have no knowledge I I don't

706
00:33:13,070 --> 00:33:11,220
have current knowledge no I I have to

707
00:33:15,590 --> 00:33:13,080
refresh my memory like

708
00:33:17,990 --> 00:33:15,600
and refresh my mind like I do on the

709
00:33:20,090 --> 00:33:18,000
documents that I was prepared to come

710
00:33:22,669 --> 00:33:20,100
and speak on today

711
00:33:25,370 --> 00:33:22,679
but now if you have a huge deal coming

712
00:33:27,649 --> 00:33:25,380
in hasn't that not affected your ability

713
00:33:29,450 --> 00:33:27,659

to make money if you have a huge NDA

714

00:33:31,490 --> 00:33:29,460

that that is going to have a lot of

715

00:33:33,289 --> 00:33:31,500

money coming down the pike hasn't that

716

00:33:34,909 --> 00:33:33,299

in fact how does that affect what well

717

00:33:38,090 --> 00:33:34,919

apparently your reputation is not that

718

00:33:41,269 --> 00:33:38,100

damaged yeah it's with uh

719

00:33:42,889 --> 00:33:41,279

it's not with anyone in the uh community

720

00:33:44,509 --> 00:33:42,899

and so

721

00:33:46,009 --> 00:33:44,519

he hasn't done their due diligence to

722

00:33:48,470 --> 00:33:46,019

check out what your reputation is in the

723

00:33:52,370 --> 00:33:50,149

he hasn't checked out this video on

724

00:33:54,070 --> 00:33:52,380

YouTube I've been asked about the

725

00:33:57,649 --> 00:33:54,080

lawsuits and these different things yes

726

00:34:01,070 --> 00:33:57,659

and with all of gaia's new lawsuits that

727

00:34:03,470 --> 00:34:01,080

came out have you disclosed the video

728

00:34:05,570 --> 00:34:03,480

which video the the video that you're

729

00:34:07,070 --> 00:34:05,580

accusing my clients of having destroyed

730

00:34:09,050 --> 00:34:07,080

your reputation have you just have you

731

00:34:11,570 --> 00:34:09,060

disclosed that to the hell no

732

00:34:12,710 --> 00:34:11,580

so you're keeping that a secret from

733

00:34:16,490 --> 00:34:12,720

this company that you're entering into

734

00:34:18,290 --> 00:34:16,500

an NDA I'm not uh showing them all of

735

00:34:20,450 --> 00:34:18,300

the Cyber stalkers that went after me no

736

00:34:24,230 --> 00:34:20,460

but I've showed them all they know about

737

00:34:26,510 --> 00:34:24,240

all of the lawsuits okay

738

00:34:27,589 --> 00:34:26,520

so they didn't even ask about it we're

739

00:34:29,089 --> 00:34:27,599

in there talking this is the

740

00:34:30,950 --> 00:34:29,099

entertainment industry we're in there

741

00:34:34,070 --> 00:34:30,960

talking about entertainment contracts

742

00:34:36,649 --> 00:34:34,080

now the believe it or not the this

743

00:34:38,329 --> 00:34:36,659

community this disclosure Community is a

744

00:34:41,270 --> 00:34:38,339

billion dollar industry

745

00:34:46,669 --> 00:34:41,280

and I that's where I was making my money

746

00:34:48,950 --> 00:34:46,679

was in the disclosure industry and we

747

00:34:51,109 --> 00:34:48,960

can easily lay out I mean Gaia you know

748

00:34:52,250 --> 00:34:51,119

300 million years dollars in a 300

749

00:34:53,329 --> 00:34:52,260

million dollars in a year they're

750

00:34:54,829 --> 00:34:53,339

getting that from the disclosure

751
00:35:01,910 --> 00:34:54,839
community

752
00:35:05,750 --> 00:35:01,920
and I was completely ruined within that

753
00:35:07,190 --> 00:35:05,760
uh up in that industry I had to go to a

754
00:35:08,510 --> 00:35:07,200
completely different industry isn't it

755
00:35:10,130 --> 00:35:08,520
true that a lot of people in the

756
00:35:12,290 --> 00:35:10,140
industry are concerned about how

757
00:35:15,530 --> 00:35:12,300
litigious you are and how many lawsuits

758
00:35:17,030 --> 00:35:15,540
you filed uh I haven't had anyone uh

759
00:35:18,290 --> 00:35:17,040
mentioned to me that they were worried

760
00:35:19,910 --> 00:35:18,300
about it because I've spoken to people

761
00:35:21,410 --> 00:35:19,920
that I know in the industry and they say

762
00:35:23,329 --> 00:35:21,420
they wouldn't touch you with a 10-foot

763
00:35:25,370 --> 00:35:23,339

pole objection because of how litigious

764

00:35:26,870 --> 00:35:25,380

you are so don't you think that that's

765

00:35:28,190 --> 00:35:26,880

part of the concern that people have

766

00:35:29,569 --> 00:35:28,200

with working with you in the community

767

00:35:31,190 --> 00:35:29,579

if you're not in the entertainment

768

00:35:34,970 --> 00:35:31,200

industry okay so in the entertainment

769

00:35:36,470 --> 00:35:34,980

industry uh Will Smith gets 10 lawsuits

770

00:35:39,109 --> 00:35:36,480

a year right

771

00:35:41,750 --> 00:35:39,119

every all of these uh public figures

772

00:35:43,970 --> 00:35:41,760

they get lawsuits constantly right the

773

00:35:45,890 --> 00:35:43,980

the entertainment industry doesn't

774

00:35:47,750 --> 00:35:45,900

care about that unless it directly

775

00:35:49,910 --> 00:35:47,760

applies to something that they're doing

776

00:35:52,250 --> 00:35:49,920

got it but that's my problem but this

777

00:35:53,510 --> 00:35:52,260

community does yes okay when you say

778

00:35:54,589 --> 00:35:53,520

this community what community are you

779

00:35:56,510 --> 00:35:54,599

talking about that cares about

780

00:35:58,730 --> 00:35:56,520

disclosure esoteric community that

781

00:36:01,190 --> 00:35:58,740

billion dollar industry that I just

782

00:36:03,050 --> 00:36:01,200

mentioned they care about lawsuits yes

783

00:36:06,589 --> 00:36:03,060

they're the ones that I've been uh

784

00:36:10,010 --> 00:36:06,599

testifying all day don't want uh lawyers

785

00:36:13,010 --> 00:36:10,020

don't want contracts I've been told many

786

00:36:14,650 --> 00:36:13,020

times that they believe more in Anarchy

787

00:36:20,870 --> 00:36:14,660

than

788

00:36:29,810 --> 00:36:23,810

let's go off the Record

789

00:36:44,089 --> 00:36:32,630

and how many more minutes do we have

790

00:36:50,450 --> 00:36:48,050

back on the record at 6 28. earlier in

791

00:36:54,589 --> 00:36:50,460

the deposition today you provided me a

792

00:36:56,630 --> 00:36:54,599

thumb drive as well as uh your your what

793

00:36:59,329 --> 00:36:56,640

you call your Bible and what other

794

00:37:01,069 --> 00:36:59,339

document you listed them as what you're

795

00:37:03,230 --> 00:37:01,079

producing as part of today your attorney

796

00:37:05,210 --> 00:37:03,240

has now taken them back and you're not

797

00:37:07,190 --> 00:37:05,220

giving them as part of your document

798

00:37:09,770 --> 00:37:07,200

production today is that correct I was

799

00:37:12,290 --> 00:37:09,780

told that it was a look

800

00:37:14,930 --> 00:37:12,300

uh giving it to y'all just to look okay

801
00:37:17,270 --> 00:37:14,940
I object to that I also object to the

802
00:37:18,950 --> 00:37:17,280
fact that uh I don't believe that this

803
00:37:20,390 --> 00:37:18,960
deposition is concluded because there's

804
00:37:22,130 --> 00:37:20,400
a lot of documents that we've talked

805
00:37:24,650 --> 00:37:22,140
about that you haven't produced or

806
00:37:26,870 --> 00:37:24,660
you're going to produce so I believe

807
00:37:28,250 --> 00:37:26,880
this deposition should be continued I

808
00:37:30,710 --> 00:37:28,260
understand Council that you have a

809
00:37:34,010 --> 00:37:30,720
difference of opinion on that but with

810
00:37:35,930 --> 00:37:34,020
that I can speak to that actually so we

811
00:37:37,490 --> 00:37:35,940
were given a

812
00:37:40,510 --> 00:37:37,500
subpoena for

813
00:37:43,250 --> 00:37:40,520

we brought the documents for inspection

814

00:37:44,510 --> 00:37:43,260

if they were an actual request for

815

00:37:47,270 --> 00:37:44,520

production that would have been outside

816

00:37:49,730 --> 00:37:47,280

the allowed number under the agreed

817

00:37:52,010 --> 00:37:49,740

protective order and scheduling order

818

00:37:53,630 --> 00:37:52,020

and so we brought them for inspection

819

00:37:55,730 --> 00:37:53,640

they were inspected they were not used

820

00:37:59,510 --> 00:37:55,740

in his exhibit there was really nothing

821

00:38:01,670 --> 00:37:59,520

used as an exhibit so uh you know if you

822

00:38:04,910 --> 00:38:01,680

would like a copy of of that we will

823

00:38:08,089 --> 00:38:04,920

provide it to you in the under rule one

824

00:38:09,710 --> 00:38:08,099

and uh and and the form that's least

825

00:38:12,349 --> 00:38:09,720

expensive so

826

00:38:14,630 --> 00:38:12,359

you have a copy of what was on the thumb

827

00:38:15,770 --> 00:38:14,640

drive correct Council please we do okay

828

00:38:16,790 --> 00:38:15,780

great

829

00:38:19,910 --> 00:38:16,800

okay

830

00:38:21,650 --> 00:38:19,920

that will uh go I'd offer to stipulate

831

00:38:25,370 --> 00:38:21,660

that we can use a certified copy in lieu

832

00:38:27,290 --> 00:38:25,380

of the original if the original is lost

833

00:38:29,870 --> 00:38:27,300

um is that agreeable Council

834

00:38:32,089 --> 00:38:29,880

I'm sorry is that agreeable what that we

835

00:38:34,010 --> 00:38:32,099

can use a certified copy and you in lieu

836

00:38:35,810 --> 00:38:34,020

of the original if the originals for

837

00:38:39,710 --> 00:38:35,820

some degree lost what are you talking

838

00:38:42,710 --> 00:38:39,720

about at trial oh sure okay and we'll

839

00:38:44,870 --> 00:38:42,720

we'll read and sign okay

840

00:38:46,310 --> 00:38:44,880

thank you I have nothing further

841

00:38:49,550 --> 00:38:46,320

you have any follow-up questions Council

842

00:38:52,310 --> 00:38:49,560

for your witness trial okay
