

LINDA MOULTON HOWE

THE GRIFT GOES ON...

BUT WAIT THERE'S MORE

Truth Seekers

1
00:00:08,250 --> 00:00:46,090
[Music]

2
00:01:14,870 --> 00:00:48,450
thank you

3
00:01:21,230 --> 00:01:14,880
[Music]

4
00:01:48,830 --> 00:01:23,070
beautiful

5
00:02:03,830 --> 00:01:55,960
[Music]

6
00:02:03,840 --> 00:02:10,480
foreign

7
00:02:45,470 --> 00:02:33,120
[Music]

8
00:02:45,480 --> 00:02:48,360
foreign

9
00:02:48,370 --> 00:03:00,729
[Music]

10
00:03:05,690 --> 00:03:04,250
greetings and salutations friends and

11
00:03:08,809 --> 00:03:05,700
welcome back

12
00:03:10,270 --> 00:03:08,819
we are back once again broadcasting live

13
00:03:14,809 --> 00:03:10,280

on Facebook

14

00:03:17,690 --> 00:03:14,819

YouTube twitch Twitter Rumble

15

00:03:20,990 --> 00:03:17,700

Odyssey and D live is back technical

16

00:03:24,949 --> 00:03:21,000

problems fixed welcome

17

00:03:28,009 --> 00:03:24,959

to True Seekers tonight we are going to

18

00:03:30,649 --> 00:03:28,019

return to one of my favorite rabbit

19

00:03:33,770 --> 00:03:30,659

holes and that is the rabbit hole of one

20

00:03:35,630 --> 00:03:33,780

Linda Moulton Howdy Doody uh Linda

21

00:03:39,410 --> 00:03:35,640

Moulton Howe pardon me

22

00:03:41,809 --> 00:03:39,420

uh who we've recently caught

23

00:03:45,410 --> 00:03:41,819

here

24

00:03:46,750 --> 00:03:45,420

caught her dental rights selling

25

00:03:50,649 --> 00:03:46,760

100

26

00:03:54,530 --> 00:03:50,659

provably fake pictures of aliens

27

00:03:58,750 --> 00:03:54,540

as real aliens and it's interesting to

28

00:04:03,470 --> 00:03:58,760

know that even after being caught 100

29

00:04:05,809 --> 00:04:03,480

red-handed selling 100 provably fake

30

00:04:07,250 --> 00:04:05,819

images of aliens she still hasn't taken

31

00:04:09,229 --> 00:04:07,260

those videos down

32

00:04:11,509 --> 00:04:09,239

she still hasn't apologized to her

33

00:04:14,030 --> 00:04:11,519

audience or anyone

34

00:04:17,810 --> 00:04:14,040

for essentially taking money

35

00:04:22,129 --> 00:04:19,129

but

36

00:04:24,710 --> 00:04:22,139

generating stories to sell out of fake

37

00:04:26,990 --> 00:04:24,720

pictures is not something new to Linda

38

00:04:30,409 --> 00:04:27,000

Moulton Hal because believe it or not

39

00:04:32,689 --> 00:04:30,419

this latest time we caught her selling a

40

00:04:35,510 --> 00:04:32,699

hundred percent provably fake pictures

41

00:04:39,189 --> 00:04:35,520

of aliens it's not the first time we

42

00:04:42,409 --> 00:04:39,199

caught her once before selling a 100

43

00:04:46,570 --> 00:04:42,419

provably fake picture of an alien that

44

00:04:49,850 --> 00:04:46,580

one came from uh the area 51 video game

45

00:04:52,129 --> 00:04:49,860

PlayStation one or two I think it might

46

00:04:54,830 --> 00:04:52,139

even been PlayStation one

47

00:04:57,230 --> 00:04:54,840

uh I knew the image came from a video

48

00:04:59,090 --> 00:04:57,240

game as soon as I saw it because I owned

49

00:05:01,249 --> 00:04:59,100

that video game used to play it it was a

50

00:05:03,230 --> 00:05:01,259

great shoot him up he ran around Area 51

51
00:05:08,090 --> 00:05:03,240
shooting aliens

52
00:05:10,370 --> 00:05:08,100
and in that case she never apologized

53
00:05:13,030 --> 00:05:10,380
now we fast forward a little bit and led

54
00:05:18,110 --> 00:05:13,040
to Molten howl then gets caught

55
00:05:20,270 --> 00:05:18,120
interviewing uh a Nazi alien hybrid girl

56
00:05:23,150 --> 00:05:20,280
who has said all kinds of ridiculous

57
00:05:24,770 --> 00:05:23,160
things talking about the good Nazis

58
00:05:28,550 --> 00:05:24,780
talking about

59
00:05:30,590 --> 00:05:28,560
uh yeah a lot of crazy things and there

60
00:05:32,930 --> 00:05:30,600
are some interesting weird thing that

61
00:05:36,290 --> 00:05:32,940
happened because our coverage of that

62
00:05:39,170 --> 00:05:36,300
Nazi girl was suddenly posted on Linda

63
00:05:41,450 --> 00:05:39,180

Moulton Howe's YouTube page for I

64

00:05:43,850 --> 00:05:41,460

believe a week or two before someone

65

00:05:46,969 --> 00:05:43,860

took it down and I don't know what

66

00:05:50,270 --> 00:05:46,979

that's about uh but Welcome Friends it

67

00:05:53,390 --> 00:05:50,280

is December 21st 2022.

68

00:05:56,570 --> 00:05:53,400

and uh you're in the right place and so

69

00:06:00,529 --> 00:05:56,580

am I and it's the correct time of course

70

00:06:01,550 --> 00:06:00,539

to proceed with the proceedings so I

71

00:06:04,210 --> 00:06:01,560

wondered

72

00:06:06,890 --> 00:06:04,220

after getting caught selling 100

73

00:06:09,890 --> 00:06:06,900

provably fake alien pictures for a

74

00:06:12,710 --> 00:06:09,900

second time then getting caught looking

75

00:06:16,490 --> 00:06:12,720

stupid and foolish interviewing a girl

76

00:06:19,249 --> 00:06:16,500

running around talking about Good Nazis

77

00:06:22,189 --> 00:06:19,259

um what's next right for Linda Moulton

78

00:06:24,290 --> 00:06:22,199

Howe and by the way those of you people

79

00:06:27,469 --> 00:06:24,300

who send me hate mail for covering this

80

00:06:30,710 --> 00:06:27,479

lady she is making tens of thousands of

81

00:06:33,290 --> 00:06:30,720

dollars selling provably fake stories

82

00:06:37,129 --> 00:06:33,300

about aliens with provably fake evidence

83

00:06:40,129 --> 00:06:37,139

and in some cases provably fake sources

84

00:06:43,010 --> 00:06:40,139

so you know maybe you should direct your

85

00:06:46,070 --> 00:06:43,020

hate mail to her and not to me

86

00:06:48,950 --> 00:06:46,080

I don't create the deceptions here

87

00:06:51,290 --> 00:06:48,960

I simply peel back the layers of those

88

00:06:53,930 --> 00:06:51,300

deceptions and let people see the truth

89

00:06:57,170 --> 00:06:53,940

and make up their own mind and to those

90

00:06:59,210 --> 00:06:57,180

people who uh you know I get these

91

00:07:01,610 --> 00:06:59,220

emails like people say well she's a nice

92

00:07:04,490 --> 00:07:01,620

lady why don't you leave her alone nice

93

00:07:08,510 --> 00:07:04,500

ladies don't scam people

94

00:07:12,770 --> 00:07:08,520

with fake information nice ladies also

95

00:07:15,409 --> 00:07:12,780

by the way do not re-victimize victims

96

00:07:17,870 --> 00:07:15,419

of crime and that's what we're going to

97

00:07:20,589 --> 00:07:17,880

talk about tonight or victims of tragedy

98

00:07:22,969 --> 00:07:20,599

it's not clear that these are crimes

99

00:07:24,189 --> 00:07:22,979

because while we see what she's doing

100

00:07:27,290 --> 00:07:24,199

lately

101
00:07:29,809 --> 00:07:27,300
I have no more sympathy for this woman

102
00:07:32,990 --> 00:07:29,819
not that I had much to begin with after

103
00:07:34,850 --> 00:07:33,000
all she is by all intense by all

104
00:07:37,550 --> 00:07:34,860
accounts by several accounts this woman

105
00:07:40,010 --> 00:07:37,560
has made herself a millionaire telling

106
00:07:43,010 --> 00:07:40,020
alien fairy tales for the past several

107
00:07:45,230 --> 00:07:43,020
decades and also I don't want to hear

108
00:07:46,730 --> 00:07:45,240
about what great work she did when she

109
00:07:49,430 --> 00:07:46,740
started because

110
00:07:51,650 --> 00:07:49,440
although I may have believed and many

111
00:07:55,189 --> 00:07:51,660
believe that that first thing she did

112
00:07:58,430 --> 00:07:55,199
called an alien hard harp Harvest was at

113
00:07:59,749 --> 00:07:58,440

least decent work that can be picked

114

00:08:02,210 --> 00:07:59,759

apart as well

115

00:08:03,770 --> 00:08:02,220

you know Cherry Picked sources leave out

116

00:08:07,010 --> 00:08:03,780

anything that doesn't support your

117

00:08:08,830 --> 00:08:07,020

argument that aliens are are mutilating

118

00:08:11,510 --> 00:08:08,840

these cows

119

00:08:14,809 --> 00:08:11,520

but the latest thing that she has done

120

00:08:16,969 --> 00:08:14,819

is is really problematic for me now many

121

00:08:19,430 --> 00:08:16,979

of you have asked me to cover this

122

00:08:22,550 --> 00:08:19,440

missing 4-1-1 or ask me what I thought

123

00:08:25,129 --> 00:08:22,560

of it and I didn't want to speak out of

124

00:08:26,270 --> 00:08:25,139

turn so I got two of the four books that

125

00:08:29,450 --> 00:08:26,280

he sells

126

00:08:32,329 --> 00:08:29,460

and I found it first of all a compelling

127

00:08:34,370 --> 00:08:32,339

mystery but then a big letdown because

128

00:08:35,690 --> 00:08:34,380

when you really dig into this missing

129

00:08:38,389 --> 00:08:35,700

4-1-1

130

00:08:40,969 --> 00:08:38,399

I think that statistically it can be

131

00:08:44,089 --> 00:08:40,979

proven that more people disappear in

132

00:08:48,170 --> 00:08:44,099

Wilderness areas than disappear

133

00:08:51,290 --> 00:08:48,180

in you know Urban populated areas

134

00:08:52,670 --> 00:08:51,300

it's just nature if you will

135

00:08:55,370 --> 00:08:52,680

so

136

00:08:57,610 --> 00:08:55,380

um David Pleiades a lot of that can be

137

00:09:00,829 --> 00:08:57,620

picked apart but before we get to that

138

00:09:04,490 --> 00:09:00,839

uh I do want to just mention people ask

139

00:09:07,730 --> 00:09:04,500

me to look into this Ben Hansen UFO

140

00:09:09,889 --> 00:09:07,740

stuff and uh I didn't want to because I

141

00:09:13,250 --> 00:09:09,899

looked at it and said that's likely

142

00:09:15,530 --> 00:09:13,260

spotlights from like a Premiere or movie

143

00:09:17,410 --> 00:09:15,540

event or something where they have one

144

00:09:20,690 --> 00:09:17,420

of those Spotlight trailers outside

145

00:09:22,550 --> 00:09:20,700

shooting spotlights up into the sky I

146

00:09:25,370 --> 00:09:22,560

didn't think it was a UFO at all that

147

00:09:28,430 --> 00:09:25,380

was my personal opinion uh but Mick West

148

00:09:31,310 --> 00:09:28,440

did some excellent work on that and

149

00:09:35,230 --> 00:09:31,320

quickly quickly

150

00:09:37,670 --> 00:09:35,240

quickly solved that case and by the way

151

00:09:40,490 --> 00:09:37,680

uh the other reason I'm mentioning this

152

00:09:43,370 --> 00:09:40,500

Ben Hansen UFO cases because

153

00:09:46,610 --> 00:09:43,380

you know I used to like that guy I used

154

00:09:48,110 --> 00:09:46,620

to respect that guy but he's another guy

155

00:09:50,690 --> 00:09:48,120

that this year

156

00:09:52,790 --> 00:09:50,700

on my Christmas shopping list is clown

157

00:09:56,090 --> 00:09:52,800

shoes for Ben Hansen so now we got to

158

00:09:57,350 --> 00:09:56,100

get a pair of clown shoes for uh Jimmy

159

00:09:59,269 --> 00:09:57,360

Church

160

00:10:01,790 --> 00:09:59,279

we definitely need a pair of clown shoes

161

00:10:03,290 --> 00:10:01,800

for David Wilcock and Corey Goode now we

162

00:10:07,009 --> 00:10:03,300

need a pair of clown shoes for Ben

163

00:10:10,070 --> 00:10:07,019

Hansen because Ben Hansen likely knew

164

00:10:12,590 --> 00:10:10,080

that this was just spotlights it gets

165

00:10:15,350 --> 00:10:12,600

national television appearances and by

166

00:10:17,210 --> 00:10:15,360

the way this story got picked up all

167

00:10:17,870 --> 00:10:17,220

over the media

168

00:10:21,110 --> 00:10:17,880

um

169

00:10:22,970 --> 00:10:21,120

I'm trying to see here if we can uh yeah

170

00:10:24,710 --> 00:10:22,980

unfortunately Stephen Green Street made

171

00:10:26,509 --> 00:10:24,720

an excellent video on this by the way

172

00:10:30,290 --> 00:10:26,519

it's on my Twitter you can follow me at

173

00:10:32,509 --> 00:10:30,300

Stephen Campion I retweeted it uh but

174

00:10:33,710 --> 00:10:32,519

unfortunately I cannot play it because

175

00:10:35,269 --> 00:10:33,720

uh

176

00:10:37,670 --> 00:10:35,279

Stephen Green Street used some

177

00:10:41,090 --> 00:10:37,680

copyrighted Christmas music but Ben

178

00:10:43,190 --> 00:10:41,100

Hansen appeared on Fox uh with Tucker

179

00:10:46,250 --> 00:10:43,200

Carlson talking about what a mystery

180

00:10:48,889 --> 00:10:46,260

this was but he just happened to leave

181

00:10:50,990 --> 00:10:48,899

out that he was aware that there was a

182

00:10:53,750 --> 00:10:51,000

huge Christmas light display with

183

00:10:57,710 --> 00:10:53,760

spotlights right in the area that these

184

00:11:00,650 --> 00:10:57,720

UFOs were spotted so to me this is not a

185

00:11:03,170 --> 00:11:00,660

mystery uh it's a joke and Ben Hansen

186

00:11:06,110 --> 00:11:03,180

should know better than to than to run

187

00:11:07,370 --> 00:11:06,120

with garbage stories like this but this

188

00:11:09,050 --> 00:11:07,380

is where we're at and this is where we

189

00:11:11,750 --> 00:11:09,060

find ourselves Ben Hansen used to be one

190

00:11:15,050 --> 00:11:11,760

of the good guys he used to debunk UFO

191

00:11:17,150 --> 00:11:15,060

fraudsters on his television show now he

192

00:11:18,949 --> 00:11:17,160

is one or he's quickly becoming one

193

00:11:20,690 --> 00:11:18,959

because the last couple of things that

194

00:11:24,050 --> 00:11:20,700

Ben Hansen was pushing turned out to be

195

00:11:27,470 --> 00:11:24,060

nothing Burgers hmm bite down on that

196

00:11:29,810 --> 00:11:27,480

nothing burger right and this story of

197

00:11:33,350 --> 00:11:29,820

these Wisconsin UFOs was reported widely

198

00:11:37,970 --> 00:11:33,360

on The Daily Mail Fox News Yahoo news

199

00:11:41,509 --> 00:11:37,980

the New York Post Metro Dot code the

200

00:11:43,730 --> 00:11:41,519

metro in the UK Daily Caller news break

201
00:11:45,650 --> 00:11:43,740
the independent international business

202
00:11:49,250 --> 00:11:45,660
times and the Sun

203
00:11:51,650 --> 00:11:49,260
and this will teach us something friends

204
00:11:52,970 --> 00:11:51,660
um so these are the media Outlets one

205
00:11:55,430 --> 00:11:52,980
second here

206
00:11:57,050 --> 00:11:55,440
I'm going to share my screen this is

207
00:11:59,269 --> 00:11:57,060
from Stephen green Street's excellent

208
00:12:02,210 --> 00:11:59,279
video which I apologize but I can't

209
00:12:04,850 --> 00:12:02,220
share because of the copyrighted music

210
00:12:07,790 --> 00:12:04,860
um these are the media Outlets which

211
00:12:09,829 --> 00:12:07,800
reported this story all of these media

212
00:12:12,290 --> 00:12:09,839
Outlets ran with the story of the

213
00:12:14,990 --> 00:12:12,300

Wisconsin UFOs nobody bothered though to

214

00:12:17,930 --> 00:12:15,000

check with the local cities to see if

215

00:12:20,569 --> 00:12:17,940

there was any spotlights in the area and

216

00:12:23,690 --> 00:12:20,579

there was and so uh I can play this

217

00:12:25,730 --> 00:12:23,700

muted so Stephen Green Street made an

218

00:12:27,949 --> 00:12:25,740

excellent video by the way wishing

219

00:12:35,090 --> 00:12:27,959

everyone a Merry Christmas because the

220

00:12:38,150 --> 00:12:35,100

origin of this UFO flap uh was someone's

221

00:12:41,690 --> 00:12:38,160

Christmas lights display that just so

222

00:12:43,910 --> 00:12:41,700

happened to have spotlights on top of it

223

00:12:44,930 --> 00:12:43,920

here's the source of the mysterious UFOs

224

00:12:47,870 --> 00:12:44,940

friends

225

00:12:51,410 --> 00:12:47,880

and this will teach us something about a

226

00:12:54,769 --> 00:12:51,420

Lie by Omission why do UFO hoaxes work

227

00:12:57,470 --> 00:12:54,779

it works because of the Lie by Omission

228

00:13:00,110 --> 00:12:57,480

all Ben Hansen had to do to get this

229

00:13:02,389 --> 00:13:00,120

story all over major media outlets and

230

00:13:05,090 --> 00:13:02,399

get National Television interviews about

231

00:13:08,090 --> 00:13:05,100

it is forget to tell people that right

232

00:13:10,430 --> 00:13:08,100

near where these UFOs were spotted is

233

00:13:12,290 --> 00:13:10,440

this huge Christmas display the Flanders

234

00:13:15,290 --> 00:13:12,300

family Christmas

235

00:13:16,069 --> 00:13:15,300

uh with all of these spotlights on the

236

00:13:18,230 --> 00:13:16,079

roof

237

00:13:20,690 --> 00:13:18,240

and this is going all night long these

238

00:13:22,910 --> 00:13:20,700

spotlights

239

00:13:26,030 --> 00:13:22,920

I don't know instantly when I saw these

240

00:13:27,829 --> 00:13:26,040

I recognized it as likely spotlights uh

241

00:13:30,230 --> 00:13:27,839

reflecting off of the clouds or the

242

00:13:32,030 --> 00:13:30,240

atmosphere

243

00:13:33,949 --> 00:13:32,040

I I don't know what's going on with Ben

244

00:13:37,610 --> 00:13:33,959

Hansen but he just did the Lie by

245

00:13:38,690 --> 00:13:37,620

Omission why ruin a good story that you

246

00:13:43,190 --> 00:13:38,700

can sell

247

00:13:46,730 --> 00:13:43,200

just by giving people all of the facts

248

00:13:51,230 --> 00:13:46,740

and all of the information this is how a

249

00:13:55,250 --> 00:13:51,240

UFO hoax works they just leave out the

250

00:13:58,009 --> 00:13:55,260

part about uh you know any what it

251
00:14:01,129 --> 00:13:58,019
really is Ben Hansen's been doing this a

252
00:14:06,530 --> 00:14:01,139
long long time I don't believe that Ben

253
00:14:08,690 --> 00:14:06,540
Hansen was so uh naive

254
00:14:11,329 --> 00:14:08,700
I don't believe that Ben Hansen was so

255
00:14:14,810 --> 00:14:11,339
naive that he somehow just you know he

256
00:14:17,389 --> 00:14:14,820
just missed this right he just missed it

257
00:14:19,610 --> 00:14:17,399
Ben Hansen has been doing this a long

258
00:14:23,690 --> 00:14:19,620
long time he knows better than this

259
00:14:25,790 --> 00:14:23,700
right and uh by the way Mick West looked

260
00:14:28,430 --> 00:14:25,800
at this and said it's likely spotlights

261
00:14:29,930 --> 00:14:28,440
right away so did I so do many other

262
00:14:32,629 --> 00:14:29,940
people

263
00:14:35,449 --> 00:14:32,639

but that didn't stop Ben Hansen from

264

00:14:37,430 --> 00:14:35,459

claiming otherwise right from arguing

265

00:14:41,449 --> 00:14:37,440

with people who said instantly when they

266

00:14:45,530 --> 00:14:41,459

saw this it's likely spotlights uh but

267

00:14:47,329 --> 00:14:45,540

you know thank God God bless Mick West

268

00:14:50,269 --> 00:14:47,339

and thank God

269

00:14:51,769 --> 00:14:50,279

thank God for Mick West because and you

270

00:14:54,170 --> 00:14:51,779

know I don't understand all the hate

271

00:14:57,350 --> 00:14:54,180

that you UFO people have for Midwest do

272

00:14:59,990 --> 00:14:57,360

you want to know if it's aliens or

273

00:15:03,110 --> 00:15:00,000

spotlights wouldn't you prefer to know

274

00:15:05,810 --> 00:15:03,120

the truth oh this is an aliens this is

275

00:15:07,970 --> 00:15:05,820

just spotlights this isn't spaceships

276

00:15:09,650 --> 00:15:07,980

flying around in our atmosphere this is

277

00:15:11,269 --> 00:15:09,660

just spotlights don't you want to know

278

00:15:13,610 --> 00:15:11,279

the truth or do you just want to live in

279

00:15:16,970 --> 00:15:13,620

a delusional fantasy land where

280

00:15:19,730 --> 00:15:16,980

everything is a spaceship flares you

281

00:15:21,710 --> 00:15:19,740

know Chinese lanterns drones that's all

282

00:15:24,410 --> 00:15:21,720

spaceships right we're being visited

283

00:15:26,990 --> 00:15:24,420

it's all spaceships and this is a big

284

00:15:29,509 --> 00:15:27,000

problem that I see and and I for one

285

00:15:32,509 --> 00:15:29,519

don't understand Mick West does the

286

00:15:34,910 --> 00:15:32,519

entire world a community service by

287

00:15:37,910 --> 00:15:34,920

looking at these things spending his

288

00:15:41,629 --> 00:15:37,920

time and figuring out exactly what they

289

00:15:43,550 --> 00:15:41,639

are exactly what they are

290

00:15:45,530 --> 00:15:43,560

um let me do that one more time make

291

00:15:47,449 --> 00:15:45,540

sure we get the audio so this is fair

292

00:15:49,490 --> 00:15:47,459

use this is a transformative work I

293

00:15:52,550 --> 00:15:49,500

doubt that Mick West would mine but

294

00:15:56,150 --> 00:15:52,560

we're going to be sharing his video

295

00:15:57,650 --> 00:15:56,160

um about these mysterious lights these

296

00:15:59,389 --> 00:15:57,660

videos of lights in the sky were

297

00:16:02,449 --> 00:15:59,399

promoted by Ben Hansen and the Daily

298

00:16:05,150 --> 00:16:02,459

Mail as maybe being some kind of UFO

299

00:16:06,829 --> 00:16:05,160

I thought there were spotlights so using

300

00:16:09,110 --> 00:16:06,839

the video and the rough locations given

301

00:16:11,329 --> 00:16:09,120

by Ben I figured out one good line of

302

00:16:14,389 --> 00:16:11,339

sight and another approximate one

303

00:16:16,129 --> 00:16:14,399

they converged near Belgium Wisconsin

304

00:16:17,870 --> 00:16:16,139

so I emailed the local Chamber of

305

00:16:19,670 --> 00:16:17,880

Commerce they got back to me in minutes

306

00:16:21,769 --> 00:16:19,680

saying that there was a light show on

307

00:16:24,530 --> 00:16:21,779

County Road B near the Holy Cross church

308

00:16:26,389 --> 00:16:24,540

that had just added some spotlights

309

00:16:28,490 --> 00:16:26,399

this seemed likely as it was very near

310

00:16:30,050 --> 00:16:28,500

where the lines of sight met so I did a

311

00:16:32,150 --> 00:16:30,060

little Googling and found the Flanders

312

00:16:33,410 --> 00:16:32,160

family Christmas light show I messaged

313

00:16:35,389 --> 00:16:33,420

them to see if they had moving

314

00:16:36,889 --> 00:16:35,399

spotlights and yes they did they even

315

00:16:38,749 --> 00:16:36,899

sent me a video

316

00:16:40,490 --> 00:16:38,759

their spotlights are on the roof line

317

00:16:42,530 --> 00:16:40,500

and they tilt down towards the location

318

00:16:46,430 --> 00:16:42,540

of one of the videos so it's pretty much

319

00:16:48,470 --> 00:16:46,440

a perfect match so case solved not UFOs

320

00:16:50,689 --> 00:16:48,480

just some spotlights a fun little

321

00:16:52,430 --> 00:16:50,699

investigation but the real puzzle here

322

00:16:54,889 --> 00:16:52,440

is why people thought it might have been

323

00:16:57,530 --> 00:16:54,899

anything else

324

00:17:00,230 --> 00:16:57,540

yeah well people thought it might be

325

00:17:01,970 --> 00:17:00,240

something else because there's money

326

00:17:04,429 --> 00:17:01,980

you don't want to give up

327

00:17:06,530 --> 00:17:04,439

you want to give up that UFO money right

328

00:17:09,409 --> 00:17:06,540

or the publicity right

329

00:17:12,169 --> 00:17:09,419

van Hanson got uh several television

330

00:17:13,130 --> 00:17:12,179

interviews over these mysterious lights

331

00:17:16,069 --> 00:17:13,140

I don't think there was anything

332

00:17:20,449 --> 00:17:16,079

mysterious about this and sorry not

333

00:17:22,069 --> 00:17:20,459

sorry listen this is very important if

334

00:17:24,710 --> 00:17:22,079

you're going to claim things are

335

00:17:27,530 --> 00:17:24,720

mysterious you better damn well do your

336

00:17:28,330 --> 00:17:27,540

work and uh last I checked Ben Hansen is

337

00:17:31,549 --> 00:17:28,340

still

338

00:17:32,810 --> 00:17:31,559

furiously backpedaling and also claiming

339

00:17:35,930 --> 00:17:32,820

it couldn't have been that Christmas

340

00:17:38,930 --> 00:17:35,940

display because those were only 450 watt

341

00:17:41,510 --> 00:17:38,940

lights or something like that I beg to

342

00:17:43,430 --> 00:17:41,520

differ and so would anybody with a brain

343

00:17:44,990 --> 00:17:43,440

and a conscience that's not trying to

344

00:17:47,750 --> 00:17:45,000

sell you something

345

00:17:51,409 --> 00:17:47,760

so there we have it the mystery of the

346

00:17:53,810 --> 00:17:51,419

Wisconsin UFOs solved in five minutes of

347

00:17:55,549 --> 00:17:53,820

actual research something that Ben

348

00:17:57,409 --> 00:17:55,559

Hansen should have done before he tried

349

00:18:00,590 --> 00:17:57,419

to sell this story as something

350

00:18:03,289 --> 00:18:00,600

mysterious and now congratulations Ben

351

00:18:06,470 --> 00:18:03,299

Hansen I once liked and respected you

352

00:18:09,409 --> 00:18:06,480

because you used to bust UFO uh frauds

353

00:18:11,570 --> 00:18:09,419

like Dr Jonathan Reed and others now

354

00:18:14,150 --> 00:18:11,580

you're becoming one because somewhere

355

00:18:16,789 --> 00:18:14,160

along the line Ben Hansen figured out

356

00:18:19,490 --> 00:18:16,799

that nobody wants to buy it's fake it's

357

00:18:21,650 --> 00:18:19,500

fake it's fake welcome to my world Ben

358

00:18:24,230 --> 00:18:21,660

Hansen but it's the right thing to do

359

00:18:26,450 --> 00:18:24,240

when something is fake or not mysterious

360

00:18:29,470 --> 00:18:26,460

to point out this is not something

361

00:18:32,330 --> 00:18:29,480

mysterious that's the right thing to do

362

00:18:35,090 --> 00:18:32,340

a slime ball pretends he doesn't know

363

00:18:39,409 --> 00:18:35,100

these were spotlights right a media

364

00:18:41,810 --> 00:18:39,419

Hound looking for uh money fame or

365

00:18:44,630 --> 00:18:41,820

exposure for some bullshitty cell he's

366

00:18:47,390 --> 00:18:44,640

probably selling a book or something and

367

00:18:50,210 --> 00:18:47,400

by the way there is some debate about

368

00:18:54,409 --> 00:18:50,220

Ben Hansen's claims of working for the

369

00:18:57,409 --> 00:18:54,419

uh the uh FBI or so I've heard but I

370

00:18:59,630 --> 00:18:57,419

have not dug into that aspect of his

371

00:19:01,070 --> 00:18:59,640

claims and maybe we'll be doing that and

372

00:19:04,850 --> 00:19:01,080

we'll see if he's telling the truth

373

00:19:09,409 --> 00:19:04,860

about that I think there is some

374

00:19:11,930 --> 00:19:09,419

um confusion about his claims right and

375

00:19:14,690 --> 00:19:11,940

that's what he bases his whole you know

376

00:19:16,970 --> 00:19:14,700

thing all well I I work for the FBI so I

377

00:19:19,070 --> 00:19:16,980

must be a great investigator we don't

378

00:19:21,110 --> 00:19:19,080

know what he works for the FBI as he

379

00:19:25,549 --> 00:19:21,120

could have been uh like you know Nick

380

00:19:27,890 --> 00:19:25,559

Pope a secretary for all we know so uh

381

00:19:29,529 --> 00:19:27,900

congratulations Ben Hansen I'm going to

382

00:19:32,930 --> 00:19:29,539

send you some clown shoes for Christmas

383

00:19:36,470 --> 00:19:32,940

and then after the holidays I I've got

384

00:19:39,830 --> 00:19:36,480

you in my calendar to look into because

385

00:19:42,590 --> 00:19:39,840

maybe just maybe uh Ben has been uh

386

00:19:45,169 --> 00:19:42,600

pulling fast ones on everyone this whole

387

00:19:48,230 --> 00:19:45,179

time to be clear I don't know that yet

388

00:19:51,289 --> 00:19:48,240

but we'll do a full investigation into

389

00:19:53,630 --> 00:19:51,299

Mr Hansen's background claims and see if

390

00:19:56,870 --> 00:19:53,640

those claims are accurate because his

391

00:19:59,450 --> 00:19:56,880

claims of UFOs seem to be [h__h] every

392

00:20:03,409 --> 00:19:59,460

time the last couple you know trying to

393

00:20:09,409 --> 00:20:07,010

pushing a narrative a narrative right

394

00:20:12,590 --> 00:20:09,419

so um

395

00:20:17,690 --> 00:20:12,600

we're gonna uh we're gonna check in on

396

00:20:23,090 --> 00:20:20,630

so David pallades uh is a former police

397

00:20:25,909 --> 00:20:23,100

officer who is now an investigator and

398

00:20:28,970 --> 00:20:25,919

writer and of course he's known for his

399

00:20:30,950 --> 00:20:28,980

self-published books uh

400

00:20:33,770 --> 00:20:30,960

so to those people who think there

401
00:20:35,690 --> 00:20:33,780
really is something to his theories I

402
00:20:39,110 --> 00:20:35,700
just want to mention that you know if

403
00:20:40,970 --> 00:20:39,120
you have a really great story you don't

404
00:20:43,549 --> 00:20:40,980
have to self-publish your own books

405
00:20:46,610 --> 00:20:43,559
generally you'll find a publisher that's

406
00:20:49,549 --> 00:20:46,620
my opinion I'm entitled to it so his

407
00:20:50,810 --> 00:20:49,559
missing 4-1-1 is a series of books and

408
00:20:52,970 --> 00:20:50,820
films

409
00:20:54,590 --> 00:20:52,980
and uh this is from Wikipedia which

410
00:20:56,270 --> 00:20:54,600
document the cases of people who have

411
00:20:58,310 --> 00:20:56,280
gone missing in national parks and

412
00:21:01,190 --> 00:20:58,320
elsewhere and maintain that these cases

413
00:21:04,310 --> 00:21:01,200

are unusual and mysterious contrary to

414

00:21:05,810 --> 00:21:04,320

date data analysis which suggests that

415

00:21:08,090 --> 00:21:05,820

they are not actually statistically

416

00:21:09,830 --> 00:21:08,100

mysterious or even unexpected so

417

00:21:12,110 --> 00:21:09,840

according to you know statistical

418

00:21:15,770 --> 00:21:12,120

analysis there's nothing strange going

419

00:21:21,590 --> 00:21:19,130

besides the Missing 411 stuff

420

00:21:23,810 --> 00:21:21,600

Mr Pilates also self-published two

421

00:21:25,850 --> 00:21:23,820

Bigfoot related books and found that the

422

00:21:27,409 --> 00:21:25,860

research Group North American Bigfoot

423

00:21:30,529 --> 00:21:27,419

search

424

00:21:32,810 --> 00:21:30,539

for which he serves as a director

425

00:21:35,029 --> 00:21:32,820

uh yeah

426
00:21:37,730 --> 00:21:35,039
and remember that David Pleiades was

427
00:21:41,510 --> 00:21:37,740
involved in that paper in 2013 which

428
00:21:45,529 --> 00:21:43,310
um

429
00:21:47,930 --> 00:21:45,539
he said we orchestrated the search that

430
00:21:49,669 --> 00:21:47,940
led to picking Dr Ketchum do you guys

431
00:21:51,950 --> 00:21:49,679
remember that when somebody claimed they

432
00:21:53,690 --> 00:21:51,960
had Bigfoot DNA

433
00:21:55,310 --> 00:21:53,700
and it turned out to be a Veterinary

434
00:21:57,470 --> 00:21:55,320
Laboratory

435
00:22:01,010 --> 00:21:57,480
had it by Ketchum that made that

436
00:22:04,130 --> 00:22:01,020
determination she issued a press release

437
00:22:06,049 --> 00:22:04,140
prior to peer review claiming that the

438
00:22:08,570 --> 00:22:06,059

DNA sequencing study confirmed the

439

00:22:10,909 --> 00:22:08,580

existence of a hominin hybrid crossbreed

440

00:22:13,490 --> 00:22:10,919

between modern humans and an unknown

441

00:22:15,289 --> 00:22:13,500

primate

442

00:22:18,770 --> 00:22:15,299

two months

443

00:22:20,750 --> 00:22:18,780

of science the paper was analyzed by

444

00:22:23,450 --> 00:22:20,760

Sharon Hill of doubtful news for the

445

00:22:25,130 --> 00:22:23,460

committee for skeptical inquiry Hill's

446

00:22:26,810 --> 00:22:25,140

report concluded that the paper was of

447

00:22:28,669 --> 00:22:26,820

poor quality stating that the few

448

00:22:31,430 --> 00:22:28,679

experienced geneticists who viewed the

449

00:22:33,890 --> 00:22:31,440

paper reported a dismal opinion of it

450

00:22:35,930 --> 00:22:33,900

noting that it made little sense so

451

00:22:38,870 --> 00:22:35,940

David palladis was involved in that

452

00:22:41,870 --> 00:22:38,880

likely a hoax to prove the existence of

453

00:22:44,810 --> 00:22:41,880

Bigfoot through DNA and it turns out to

454

00:22:47,390 --> 00:22:44,820

be sort of uh I don't know Wackadoo

455

00:22:50,330 --> 00:22:47,400

veterinarian doing that scientific study

456

00:22:52,490 --> 00:22:50,340

it wasn't true they didn't have Bigfoot

457

00:22:55,250 --> 00:22:52,500

DNA they didn't prove that there's a

458

00:22:58,490 --> 00:22:55,260

cross genetic or cross-species between

459

00:23:00,590 --> 00:22:58,500

early human hominids and humans they

460

00:23:02,930 --> 00:23:00,600

didn't prove anything so that was a hoax

461

00:23:06,529 --> 00:23:02,940

that Pilates was involved in then we get

462

00:23:08,810 --> 00:23:06,539

to 4-1-1 and we hear that Kali pollock a

463

00:23:11,930 --> 00:23:08,820

data scientist and host of data skeptic

464

00:23:15,289 --> 00:23:11,940

podcast documented his analysis of

465

00:23:17,210 --> 00:23:15,299

Pleiades claims in missing 4-1-1

466

00:23:19,310 --> 00:23:17,220

and presented his analysis to a

467

00:23:21,169 --> 00:23:19,320

skeptical Camp held in 2017 by the

468

00:23:22,909 --> 00:23:21,179

Monterey County Skeptics he concluded

469

00:23:26,390 --> 00:23:22,919

that the allegedly unusual

470

00:23:28,730 --> 00:23:26,400

disappearances represent nothing unusual

471

00:23:32,330 --> 00:23:28,740

at all

472

00:23:35,930 --> 00:23:32,340

so uh that may tell you friends why I

473

00:23:39,409 --> 00:23:35,940

haven't covered missing 4-1-1 though

474

00:23:42,470 --> 00:23:39,419

I did purchase two of his books he he is

475

00:23:45,470 --> 00:23:42,480

uh good at convincing you of something

476

00:23:48,529 --> 00:23:45,480

mysterious and what is he convincing us

477

00:23:52,549 --> 00:23:48,539

of essentially he's saying because

478

00:23:54,350 --> 00:23:52,559

dogs could not find a scent Trail in

479

00:23:56,330 --> 00:23:54,360

some of these disappearances that this

480

00:23:59,690 --> 00:23:56,340

is something paranormal this is

481

00:24:02,090 --> 00:23:59,700

something uh experimental or you know my

482

00:24:04,130 --> 00:24:02,100

lab or something or Bigfoot is abducting

483

00:24:06,710 --> 00:24:04,140

these people or

484

00:24:09,230 --> 00:24:06,720

then he goes to let him on Hal who

485

00:24:12,409 --> 00:24:09,240

essentially claims that aliens are

486

00:24:15,110 --> 00:24:12,419

involved in The Disappearance of these

487

00:24:16,510 --> 00:24:15,120

people and by the way here's where I

488

00:24:19,250 --> 00:24:16,520

have a problem with all of this

489

00:24:23,390 --> 00:24:19,260

ethically and morally

490

00:24:26,570 --> 00:24:23,400

and to you people who like to uh you

491

00:24:28,310 --> 00:24:26,580

know send me nasty emails for for

492

00:24:31,430 --> 00:24:28,320

covering these things

493

00:24:32,870 --> 00:24:31,440

uh I would just like to say I would just

494

00:24:34,669 --> 00:24:32,880

like to say

495

00:24:42,049 --> 00:24:34,679

that

496

00:24:45,289 --> 00:24:42,059

families of these people who disappeared

497

00:24:48,370 --> 00:24:45,299

in National Parks feel about a woman

498

00:24:51,529 --> 00:24:48,380

Linda Moulton Hal who has been caught

499

00:24:54,409 --> 00:24:51,539

selling 100 percent provably fake

500

00:24:56,990 --> 00:24:54,419

pictures of aliens as real pictures of

501
00:24:58,789 --> 00:24:57,000
aliens how do you think those victims

502
00:25:01,310 --> 00:24:58,799
families feel

503
00:25:04,870 --> 00:25:01,320
knowing that a woman like Linda Moulton

504
00:25:09,110 --> 00:25:04,880
Hal is exploiting their missing relative

505
00:25:11,510 --> 00:25:09,120
claiming essentially number one that

506
00:25:14,029 --> 00:25:11,520
these disappearances are somehow linked

507
00:25:17,090 --> 00:25:14,039
to cattle mutilations there is

508
00:25:19,909 --> 00:25:17,100
absolutely positively without a doubt

509
00:25:21,830 --> 00:25:19,919
zero evidence that any of the people

510
00:25:23,570 --> 00:25:21,840
disappearing in National Parks is

511
00:25:27,110 --> 00:25:23,580
somehow linked

512
00:25:28,970 --> 00:25:27,120
to cattle mutilations there is zero

513
00:25:33,649 --> 00:25:28,980

evidence I'm going to say it again there

514

00:25:37,070 --> 00:25:33,659

is zero evidence at all that aliens are

515

00:25:41,029 --> 00:25:37,080

somehow involved in the disappearance

516

00:25:42,470 --> 00:25:41,039

of these people in these national parks

517

00:25:45,769 --> 00:25:42,480

so

518

00:25:47,630 --> 00:25:45,779

when people send me nasty emails telling

519

00:25:48,970 --> 00:25:47,640

me that she's a nice lady leave her

520

00:25:52,850 --> 00:25:48,980

alone

521

00:25:56,390 --> 00:25:52,860

I think about the the victims the

522

00:25:59,930 --> 00:25:56,400

unintended victims that her scamming

523

00:26:02,409 --> 00:25:59,940

people with fake alien stories has

524

00:26:07,370 --> 00:26:02,419

there are real people

525

00:26:10,370 --> 00:26:07,380

being hurt by her decision to number one

526

00:26:13,010 --> 00:26:10,380

host someone that many people would say

527

00:26:15,230 --> 00:26:13,020

is discredited by the way there's a lot

528

00:26:16,789 --> 00:26:15,240

of shady things in this David pallades

529

00:26:19,130 --> 00:26:16,799

past

530

00:26:21,110 --> 00:26:19,140

he's involved in the Bigfoot

531

00:26:23,930 --> 00:26:21,120

Khan essentially

532

00:26:26,810 --> 00:26:23,940

and his books are largely speculative

533

00:26:29,350 --> 00:26:26,820

without any actual evidence of

534

00:26:32,029 --> 00:26:29,360

mysterious or Paranormal Activity

535

00:26:34,850 --> 00:26:32,039

involved in The Disappearance of these

536

00:26:37,789 --> 00:26:34,860

people and then Linda Martin Hal gets

537

00:26:41,990 --> 00:26:37,799

involved and suddenly it must be aliens

538

00:26:45,169 --> 00:26:42,000

right or to quote a meme I'm not saying

539

00:26:47,510 --> 00:26:45,179

it was aliens but it was aliens

540

00:26:50,990 --> 00:26:47,520

this is why I have a problem with this

541

00:26:55,610 --> 00:26:51,000

woman because do you not understand that

542

00:26:57,590 --> 00:26:55,620

there is there is an actual and real

543

00:27:00,350 --> 00:26:57,600

set of victims here

544

00:27:01,930 --> 00:27:00,360

how would you feel if one of your family

545

00:27:04,970 --> 00:27:01,940

members

546

00:27:08,029 --> 00:27:04,980

disappeared 10 years ago in a national

547

00:27:11,450 --> 00:27:08,039

forest or a national park and was never

548

00:27:13,669 --> 00:27:11,460

found and then some wakadu who's been

549

00:27:17,930 --> 00:27:13,679

caught selling fake pictures of aliens

550

00:27:20,090 --> 00:27:17,940

goes on the internet and suggests that

551
00:27:23,930 --> 00:27:20,100
your relative must have been

552
00:27:27,370 --> 00:27:23,940
kidnapped by aliens somehow and does so

553
00:27:31,010 --> 00:27:27,380
with a discredited

554
00:27:32,690 --> 00:27:31,020
guest whose theories have been largely

555
00:27:35,750 --> 00:27:32,700
disproven

556
00:27:38,510 --> 00:27:35,760
who was involved in a Bigfoot con right

557
00:27:40,370 --> 00:27:38,520
to sell a fake Bigfoot story about

558
00:27:43,070 --> 00:27:40,380
Bigfoot DNA

559
00:27:46,370 --> 00:27:43,080
how would you feel if this was your

560
00:27:47,690 --> 00:27:46,380
family member and this woman is going on

561
00:27:50,269 --> 00:27:47,700
the internet

562
00:27:55,070 --> 00:27:50,279
claiming that somehow your relative must

563
00:27:59,570 --> 00:27:55,080

have been kidnapped by aliens right

564

00:28:00,970 --> 00:27:59,580

so it is fair to say that there is real

565

00:28:04,930 --> 00:28:00,980

world

566

00:28:08,750 --> 00:28:04,940

victims of Linda Moulton house

567

00:28:10,850 --> 00:28:08,760

garbage paddling fake stories there are

568

00:28:12,470 --> 00:28:10,860

real world victims here

569

00:28:15,049 --> 00:28:12,480

and by the way

570

00:28:17,029 --> 00:28:15,059

Linda montale I'm going to reach out to

571

00:28:19,909 --> 00:28:17,039

some of the people involved in those

572

00:28:22,250 --> 00:28:19,919

missing cases that both you you and

573

00:28:24,890 --> 00:28:22,260

David palladies are using to sell

574

00:28:27,470 --> 00:28:24,900

stories and I I want

575

00:28:30,230 --> 00:28:27,480

to ask them how they feel

576

00:28:33,289 --> 00:28:30,240

about being re-victimized

577

00:28:36,649 --> 00:28:33,299

by you and your friends suggesting

578

00:28:39,230 --> 00:28:36,659

aliens Were Somehow possibly involved

579

00:28:42,890 --> 00:28:39,240

here in these mysterious disappearances

580

00:28:45,110 --> 00:28:42,900

and by the way it is a tragedy when

581

00:28:47,510 --> 00:28:45,120

someone disappears and you don't get

582

00:28:51,950 --> 00:28:47,520

that closure you don't even know what

583

00:28:54,169 --> 00:28:51,960

happens right it's a huge tragedy and I

584

00:28:57,049 --> 00:28:54,179

think for one that these the family

585

00:28:59,810 --> 00:28:57,059

members and friends and loved ones of

586

00:29:02,029 --> 00:28:59,820

these people who vanished

587

00:29:04,669 --> 00:29:02,039

have been through enough and they don't

588

00:29:08,570 --> 00:29:04,679

need a whack-a-doo like you going on the

589

00:29:11,510 --> 00:29:08,580

internet with no evidence suggesting

590

00:29:13,310 --> 00:29:11,520

that you've somehow you know lit don't

591

00:29:15,110 --> 00:29:13,320

worry everybody let them on Hell Crack

592

00:29:18,110 --> 00:29:15,120

the Case and all those people were just

593

00:29:20,090 --> 00:29:18,120

abducted by aliens that's why the dogs

594

00:29:22,310 --> 00:29:20,100

can't find the scent Trail because

595

00:29:25,430 --> 00:29:22,320

spaceships came down and grabbed those

596

00:29:28,250 --> 00:29:25,440

people is there any evidence of that

597

00:29:30,470 --> 00:29:28,260

Miss Hal of course not

598

00:29:33,310 --> 00:29:30,480

but that won't stop her from

599

00:29:36,649 --> 00:29:33,320

re-victimizing all those families from

600

00:29:40,250 --> 00:29:36,659

exploiting their tragedy

601
00:29:41,570 --> 00:29:40,260
so that she can make money selling fake

602
00:29:45,830 --> 00:29:41,580
stories

603
00:29:48,230 --> 00:29:45,840
I got enough of this [h__h] from this lady

604
00:29:50,990 --> 00:29:48,240
so we're gonna say

605
00:29:53,870 --> 00:29:51,000
fair use and we'll listen into some of

606
00:29:56,330 --> 00:29:53,880
this uh interview with Wackadoo Linda

607
00:29:59,269 --> 00:29:56,340
Moulton Hal and uh her rackadoo friend

608
00:30:01,669 --> 00:29:59,279
and by the way uh I'm glad for tonight

609
00:30:05,210 --> 00:30:01,679
because now we kill two birds with one

610
00:30:07,370 --> 00:30:05,220
stone maybe that's a bad analogy uh I

611
00:30:10,789 --> 00:30:07,380
don't have to cover David pallades and

612
00:30:12,889 --> 00:30:10,799
missing 4-1-1 I can and I can show you

613
00:30:14,990 --> 00:30:12,899

all of the statistical evidence and

614

00:30:16,430 --> 00:30:15,000

proof that there's nothing mysterious

615

00:30:19,070 --> 00:30:16,440

going on there

616

00:30:22,310 --> 00:30:19,080

and also David Pleiades has at various

617

00:30:24,289 --> 00:30:22,320

times claimed that the national

618

00:30:26,930 --> 00:30:24,299

forest or the government are somehow

619

00:30:30,169 --> 00:30:26,940

covering up all these disappearances

620

00:30:30,889 --> 00:30:30,179

I talked to someone involved who said he

621

00:30:35,210 --> 00:30:30,899

is

622

00:30:38,029 --> 00:30:35,220

absolutely incorrect in that assessment

623

00:30:39,950 --> 00:30:38,039

or that statement

624

00:30:42,190 --> 00:30:39,960

um I think that some of the controversy

625

00:30:44,889 --> 00:30:42,200

has to be that

626

00:30:47,810 --> 00:30:44,899

different National Parks do not

627

00:30:50,870 --> 00:30:47,820

intercommunicate so in other words

628

00:30:53,210 --> 00:30:50,880

a national park in California keeps does

629

00:30:56,750 --> 00:30:53,220

keep records of people who vanished or

630

00:30:57,649 --> 00:30:56,760

mis became uh you know missing in the

631

00:31:00,169 --> 00:30:57,659

park

632

00:31:02,990 --> 00:31:00,179

but they won't communicate that for

633

00:31:06,230 --> 00:31:03,000

example with a state park that's in New

634

00:31:07,930 --> 00:31:06,240

York so the national system doesn't have

635

00:31:10,730 --> 00:31:07,940

some

636

00:31:13,190 --> 00:31:10,740

record-keeping that can show you how

637

00:31:15,710 --> 00:31:13,200

many people per year vanish in all of

638

00:31:17,630 --> 00:31:15,720

the state parks across our entire nation

639

00:31:20,029 --> 00:31:17,640

that doesn't mean there's a cover-up

640

00:31:21,710 --> 00:31:20,039

because you can call each of the

641

00:31:25,370 --> 00:31:21,720

national parks and the people in charge

642

00:31:27,230 --> 00:31:25,380

of them and get that in information but

643

00:31:29,630 --> 00:31:27,240

David palladis suggests that there's

644

00:31:32,750 --> 00:31:29,640

some massive government cover up here

645

00:31:35,269 --> 00:31:32,760

right and by the way in his books David

646

00:31:37,490 --> 00:31:35,279

palladis never actually says what

647

00:31:40,789 --> 00:31:37,500

mysterious paranormal thing is causing

648

00:31:43,730 --> 00:31:40,799

all these disappearances it's all

649

00:31:45,649 --> 00:31:43,740

implications and conjecture and

650

00:31:48,649 --> 00:31:45,659

speculation

651
00:31:51,110 --> 00:31:48,659
but some people have said because he uh

652
00:31:53,090 --> 00:31:51,120
also is selling Bigfoot stories that he

653
00:31:54,830 --> 00:31:53,100
believes it's Bigfoot and he's been

654
00:31:57,830 --> 00:31:54,840
asked about that and he sort of dances

655
00:31:59,090 --> 00:31:57,840
around it right

656
00:32:04,549 --> 00:31:59,100
great

657
00:32:05,990 --> 00:32:04,559
going to cite fair use here we'll put

658
00:32:07,909 --> 00:32:06,000
our fair use Banner this is

659
00:32:09,409 --> 00:32:07,919
transformative work we're educating the

660
00:32:11,750 --> 00:32:09,419
public

661
00:32:13,490 --> 00:32:11,760
before we get to Linda Moulton Howe uh

662
00:32:15,830 --> 00:32:13,500
where I could do interviewing another

663
00:32:19,070 --> 00:32:15,840

Wackadoo to sell

664

00:32:22,190 --> 00:32:19,080

uh probably fake stories here

665

00:32:25,310 --> 00:32:22,200

and by the way do I believe

666

00:32:27,529 --> 00:32:25,320

that aliens abducted all those people no

667

00:32:30,310 --> 00:32:27,539

and you know why I believe that because

668

00:32:42,409 --> 00:32:30,320

there is zero

669

00:32:47,090 --> 00:32:44,630

one second here

670

00:32:50,389 --> 00:32:47,100

let me do that one more time

671

00:32:53,149 --> 00:32:50,399

I always forget to share the audio oh I

672

00:32:55,430 --> 00:32:53,159

apologize friends all right so we've got

673

00:32:58,370 --> 00:32:55,440

uh

674

00:33:02,029 --> 00:32:58,380

a skeptic talking about David pallades

675

00:33:05,750 --> 00:33:02,039

and his missing 4-1-1 theories and by

676

00:33:09,830 --> 00:33:05,760

the way before Linda Moulton Howe

677

00:33:13,250 --> 00:33:09,840

you know wants to sell a story implying

678

00:33:16,070 --> 00:33:13,260

or suggesting that all these people may

679

00:33:19,370 --> 00:33:16,080

be disappearing due to aliens

680

00:33:23,090 --> 00:33:19,380

isn't it her job to like look into her

681

00:33:26,090 --> 00:33:23,100

guests claims and see if these are truly

682

00:33:28,130 --> 00:33:26,100

mysterious disappearances if these are

683

00:33:31,190 --> 00:33:28,140

truly truly

684

00:33:33,350 --> 00:33:31,200

you know paranormal events that are

685

00:33:36,230 --> 00:33:33,360

causing the vanishing or disappearance

686

00:33:38,509 --> 00:33:36,240

of these people in these national parks

687

00:33:39,470 --> 00:33:38,519

she didn't do it because if she would

688

00:33:44,330 --> 00:33:39,480

have

689

00:33:46,310 --> 00:33:44,340

not much to David pallady's claims

690

00:33:49,070 --> 00:33:46,320

let's get into it friends and listen to

691

00:33:52,009 --> 00:33:49,080

a skeptic analyzing the claims of David

692

00:33:53,269 --> 00:33:52,019

and and he's missing 4-1-1 serial uh

693

00:33:55,490 --> 00:33:53,279

it's foundationally with these four

694

00:33:58,310 --> 00:33:55,500

books from author David Pilates

695

00:34:00,409 --> 00:33:58,320

so Pilates that I he doesn't necessarily

696

00:34:01,789 --> 00:34:00,419

articulate precisely what it is which is

697

00:34:03,950 --> 00:34:01,799

part of the problem I'll get to his

698

00:34:05,930 --> 00:34:03,960

definition but let me first say a little

699

00:34:07,370 --> 00:34:05,940

bit about how I discovered it you can

700

00:34:09,889 --> 00:34:07,380

talk about these interviews where he

701
00:34:12,230 --> 00:34:09,899
says that there are clusters of people

702
00:34:14,270 --> 00:34:12,240
who are going or clusters of missing

703
00:34:15,290 --> 00:34:14,280
persons cases all across the country and

704
00:34:17,869 --> 00:34:15,300
some of them are centered around

705
00:34:19,849 --> 00:34:17,879
national parks now clustering caught my

706
00:34:21,649 --> 00:34:19,859
attention because it's something I do a

707
00:34:23,149 --> 00:34:21,659
lot of professional I know almost all

708
00:34:24,710 --> 00:34:23,159
the clustering algorithms and how they

709
00:34:26,149 --> 00:34:24,720
work and I thought hey this would be a

710
00:34:27,950 --> 00:34:26,159
cool thing for me to do some data

711
00:34:30,770 --> 00:34:27,960
science related to see if these are

712
00:34:32,329 --> 00:34:30,780
indeed clusters or what they might need

713
00:34:34,909 --> 00:34:32,339

um as it turns out this data doesn't

714

00:34:36,589 --> 00:34:34,919

really get that sort of analysis but I

715

00:34:39,589 --> 00:34:36,599

got really interested in like what is he

716

00:34:40,970 --> 00:34:39,599

actually claiming here so let's go to uh

717

00:34:43,430 --> 00:34:40,980

as close as I can get to his definition

718

00:34:45,589 --> 00:34:43,440

out of one of his books there is a

719

00:34:47,089 --> 00:34:45,599

series of missing people oh sorry let me

720

00:34:50,510 --> 00:34:47,099

read it more like Robert Stack from

721

00:34:54,230 --> 00:34:50,520

unsolved there is a series of missing

722

00:34:56,629 --> 00:34:54,240

people inside our national parks the

723

00:34:58,430 --> 00:34:56,639

events were very unusual

724

00:35:01,070 --> 00:34:58,440

and the Park Service were doing

725

00:35:02,089 --> 00:35:01,080

everything possible to keep a lid on the

726

00:35:05,089 --> 00:35:02,099

publicity

727

00:35:07,250 --> 00:35:05,099

Okay so we've got unusual stuff we've

728

00:35:09,530 --> 00:35:07,260

got a conspiracy inside the public park

729

00:35:11,569 --> 00:35:09,540

system cool this is interesting let's go

730

00:35:13,670 --> 00:35:11,579

with it and see where he ends up uh

731

00:35:15,470 --> 00:35:13,680

Pilates talks a lot about the pattern of

732

00:35:16,270 --> 00:35:15,480

the missing 401 which as you might

733

00:35:19,490 --> 00:35:16,280

expect

734

00:35:21,650 --> 00:35:19,500

someone has to have gone missing the

735

00:35:24,170 --> 00:35:21,660

victims are often found at distance and

736

00:35:25,550 --> 00:35:24,180

or elevation away that defines common

737

00:35:26,930 --> 00:35:25,560

sense

738

00:35:29,210 --> 00:35:26,940

um now that's interesting because it's

739

00:35:31,010 --> 00:35:29,220

not exactly testable but we can measure

740

00:35:33,290 --> 00:35:31,020

it what does it mean to Define common

741

00:35:35,810 --> 00:35:33,300

senses I went through a lot of his

742

00:35:37,130 --> 00:35:35,820

documented cases there are over 1400 of

743

00:35:39,589 --> 00:35:37,140

them so I didn't go through all the

744

00:35:41,930 --> 00:35:39,599

detail but the biggest distance I could

745

00:35:44,030 --> 00:35:41,940

find was someone uh was known to be in a

746

00:35:46,849 --> 00:35:44,040

particular location the hiker and they

747

00:35:49,250 --> 00:35:46,859

were found three days later I think it

748

00:35:52,310 --> 00:35:49,260

was 14 miles from their last known

749

00:35:54,790 --> 00:35:52,320

location yeah so this is a problem David

750

00:35:58,190 --> 00:35:54,800

pleiady's so-called evidence is

751
00:36:00,530 --> 00:35:58,200
ridiculous if you pick it apart you know

752
00:36:02,630 --> 00:36:00,540
like in his book he will suggest that

753
00:36:06,650 --> 00:36:02,640
something paranormal had to happen and

754
00:36:09,650 --> 00:36:06,660
because the victim of who went missing

755
00:36:11,810 --> 00:36:09,660
was found three days after they vanished

756
00:36:14,810 --> 00:36:11,820
14 miles away

757
00:36:18,950 --> 00:36:14,820
I could cover 14 miles in three days so

758
00:36:20,690 --> 00:36:18,960
could any uh healthy male or female or

759
00:36:22,430 --> 00:36:20,700
even a child could cover that distance

760
00:36:25,010 --> 00:36:22,440
that's not evidence of something

761
00:36:27,849 --> 00:36:25,020
paranormal or mysterious

762
00:36:30,890 --> 00:36:27,859
so I'm a hiker not like a hardcore one

763
00:36:32,630 --> 00:36:30,900

travel 14 miles in three days of course

764

00:36:34,370 --> 00:36:32,640

that does depend on the terrain the

765

00:36:36,349 --> 00:36:34,380

elevation so there could be something to

766

00:36:38,510 --> 00:36:36,359

this but I was unable to substantiate it

767

00:36:40,370 --> 00:36:38,520

looking at this place at his claims and

768

00:36:41,990 --> 00:36:40,380

cases although there were some words

769

00:36:43,849 --> 00:36:42,000

like yeah it is weird that a child

770

00:36:46,130 --> 00:36:43,859

traveled five miles that's also not

771

00:36:49,430 --> 00:36:46,140

impossible but this is one of the

772

00:36:52,130 --> 00:36:49,440

Hallmarks of the Missing 411 cases also

773

00:36:53,569 --> 00:36:52,140

uh Pilates a former police officer was

774

00:36:55,130 --> 00:36:53,579

very concerned with the fact that

775

00:36:56,690 --> 00:36:55,140

canines couldn't pick up the sense of

776

00:36:57,950 --> 00:36:56,700

these people I actually don't know how

777

00:36:59,569 --> 00:36:57,960

to test this I don't know enough about

778

00:37:01,370 --> 00:36:59,579

dog training that sort of thing but

779

00:37:03,470 --> 00:37:01,380

interesting yeah and this is interesting

780

00:37:05,930 --> 00:37:03,480

as well his other big evidence David

781

00:37:08,750 --> 00:37:05,940

Pleiades for this these disappearances

782

00:37:11,150 --> 00:37:08,760

being some something mysterious is that

783

00:37:14,210 --> 00:37:11,160

canines can't pick up the scent

784

00:37:16,310 --> 00:37:14,220

and if you read his books it seems like

785

00:37:18,470 --> 00:37:16,320

every case he talks about canines

786

00:37:21,950 --> 00:37:18,480

couldn't pick up the scent or many of

787

00:37:24,410 --> 00:37:21,960

the cases he talks about and this is

788

00:37:27,530 --> 00:37:24,420

problematic because in many cases of

789

00:37:30,890 --> 00:37:27,540

missing people the dog can pick up a

790

00:37:33,770 --> 00:37:30,900

scent and in some cases the dog can and

791

00:37:35,690 --> 00:37:33,780

there are reasons that dogs lose sin you

792

00:37:38,089 --> 00:37:35,700

could get wet your feet could get wet

793

00:37:40,550 --> 00:37:38,099

whatever they lose the trail

794

00:37:42,530 --> 00:37:40,560

that doesn't automatically mean that

795

00:37:45,349 --> 00:37:42,540

it's Bigfoot aliens or something

796

00:37:48,349 --> 00:37:45,359

mysterious causing these that it's the

797

00:37:50,390 --> 00:37:48,359

jump right it's just like UFO people who

798

00:37:52,430 --> 00:37:50,400

jump right to space aliens when it's

799

00:37:54,530 --> 00:37:52,440

something like oh I don't know

800

00:37:56,569 --> 00:37:54,540

spotlights from a Christmas display

801

00:38:00,010 --> 00:37:56,579

right

802

00:38:04,010 --> 00:38:00,020

it's the same kind of lack of actual

803

00:38:06,950 --> 00:38:04,020

research lack of actual investigation

804

00:38:08,510 --> 00:38:06,960

work to just determine well dogs

805

00:38:11,270 --> 00:38:08,520

couldn't pick up the scent so it's got

806

00:38:14,569 --> 00:38:11,280

to be something paranormal I disagree

807

00:38:16,370 --> 00:38:14,579

strongly with that but I'm no expert on

808

00:38:19,069 --> 00:38:16,380

tracking dogs but we're going to be

809

00:38:20,750 --> 00:38:19,079

talking to someone who is who may be

810

00:38:23,329 --> 00:38:20,760

able to shed some light on this with us

811

00:38:25,069 --> 00:38:23,339

in a future episode see

812

00:38:27,170 --> 00:38:25,079

um some victims clothings were found to

813

00:38:29,030 --> 00:38:27,180

move typically pants and their shoes

814

00:38:31,910 --> 00:38:29,040

boots why are they removed it's

815

00:38:34,430 --> 00:38:31,920

mysterious and there's also a theme that

816

00:38:36,050 --> 00:38:34,440

Pilates kind of lays in here that this

817

00:38:37,670 --> 00:38:36,060

wouldn't happen he's always saying no

818

00:38:39,829 --> 00:38:37,680

person would do this no one would remove

819

00:38:42,170 --> 00:38:39,839

their books in the cold and of course no

820

00:38:44,690 --> 00:38:42,180

rational person acting you know well

821

00:38:45,950 --> 00:38:44,700

would seemingly want to do that but we

822

00:38:47,390 --> 00:38:45,960

don't necessarily know what that person

823

00:38:49,430 --> 00:38:47,400

is thinking

824

00:38:51,050 --> 00:38:49,440

um and lastly in the case of children a

825

00:38:52,970 --> 00:38:51,060

child scream is often through before

826

00:38:54,589 --> 00:38:52,980

their disappearance but that's optional

827

00:38:56,690 --> 00:38:54,599

you can be a child with disappear and

828

00:38:59,210 --> 00:38:56,700

still be a missing 4-1-1 okay so it's

829

00:39:01,190 --> 00:38:59,220

proof it's there and it's not proof

830

00:39:02,990 --> 00:39:01,200

against if it's missing

831

00:39:05,630 --> 00:39:03,000

um so I'm still a little confused what

832

00:39:08,089 --> 00:39:05,640

the heck is missing 4-1-1 right as best

833

00:39:10,069 --> 00:39:08,099

I can tell it breaks down to the fact

834

00:39:12,530 --> 00:39:10,079

that people are just going missing

835

00:39:14,210 --> 00:39:12,540

mysteriously from Wilderness areas he

836

00:39:16,970 --> 00:39:14,220

talks a lot about National Parks but the

837

00:39:18,410 --> 00:39:16,980

cases cover generally Wilderness areas

838

00:39:20,270 --> 00:39:18,420

so let's think about that one for a

839

00:39:21,589 --> 00:39:20,280

second I think it would be hard to

840

00:39:23,390 --> 00:39:21,599

disappear from the middle of Times

841

00:39:25,609 --> 00:39:23,400

Square certainly you could be abducted

842

00:39:27,770 --> 00:39:25,619

you know something like that by a human

843

00:39:29,870 --> 00:39:27,780

not by an alien but uh someone could

844

00:39:32,170 --> 00:39:29,880

kidnap you in Times Square but yes so

845

00:39:36,470 --> 00:39:32,180

just as I stated earlier statistically

846

00:39:38,630 --> 00:39:36,480

people are more likely to vanish or you

847

00:39:41,030 --> 00:39:38,640

know go missing

848

00:39:44,030 --> 00:39:41,040

from a Wilderness Area than they are

849

00:39:44,810 --> 00:39:44,040

from an urban very populated area it's

850

00:39:47,210 --> 00:39:44,820

just

851
00:39:48,950 --> 00:39:47,220
the way things are you're walking around

852
00:39:50,510 --> 00:39:48,960
in the woods you lose your sense of

853
00:39:53,569 --> 00:39:50,520
direction

854
00:39:56,450 --> 00:39:53,579
something happens you injure yourself I

855
00:40:00,370 --> 00:39:56,460
I know somebody that uh they had to

856
00:40:02,870 --> 00:40:00,380
spend a few days in a Wilderness Area

857
00:40:05,270 --> 00:40:02,880
waiting to be rescued because they fell

858
00:40:07,430 --> 00:40:05,280
down a hill and broke their leg and they

859
00:40:09,349 --> 00:40:07,440
waited there for two three days until a

860
00:40:11,870 --> 00:40:09,359
search party located them

861
00:40:13,849 --> 00:40:11,880
you know accidents happen there's all

862
00:40:16,190 --> 00:40:13,859
kinds of reasons why more people would

863
00:40:19,069 --> 00:40:16,200

be Vanishing or disappearing or go

864

00:40:21,170 --> 00:40:19,079

missing from a Wilderness Area and I

865

00:40:23,089 --> 00:40:21,180

don't know I just came away I only read

866

00:40:25,849 --> 00:40:23,099

two of his four books because I didn't

867

00:40:28,250 --> 00:40:25,859

want to waste any more time on this you

868

00:40:30,650 --> 00:40:28,260

know I think that he is trying to push

869

00:40:34,250 --> 00:40:30,660

us you know a square peg through a round

870

00:40:36,470 --> 00:40:34,260

hole here in order to sell a story

871

00:40:38,329 --> 00:40:36,480

it seems unlikely in a dense urban area

872

00:40:40,250 --> 00:40:38,339

you would disappear a Wilderness Area

873

00:40:43,970 --> 00:40:40,260

seems like the place one might disappear

874

00:40:45,650 --> 00:40:43,980

from I also was interested in well what

875

00:40:47,750 --> 00:40:45,660

are the statistics of this because

876

00:40:49,310 --> 00:40:47,760

people do disappear that's an

877

00:40:51,650 --> 00:40:49,320

unfortunate reality in our world not

878

00:40:53,150 --> 00:40:51,660

very often but it happens so in order

879

00:40:54,770 --> 00:40:53,160

for this to be mysterious they have to

880

00:40:56,510 --> 00:40:54,780

disappear at some rate greater than what

881

00:40:58,310 --> 00:40:56,520

we would expect

882

00:40:59,990 --> 00:40:58,320

um surely there are people who want to

883

00:41:01,550 --> 00:41:00,000

disappear perhaps the law is after them

884

00:41:03,410 --> 00:41:01,560

or debtors or something like that and

885

00:41:04,849 --> 00:41:03,420

wouldn't the national park maybe it'd be

886

00:41:07,010 --> 00:41:04,859

a great place to start your disappearing

887

00:41:09,410 --> 00:41:07,020

act because that uh we just visited

888

00:41:12,470 --> 00:41:09,420

Yellowstone or Yosemite did a couple of

889

00:41:14,270 --> 00:41:12,480

months ago and you know no cameras lots

890

00:41:15,829 --> 00:41:14,280

of empty spaces you could supposedly be

891

00:41:17,870 --> 00:41:15,839

camping there all the while making your

892

00:41:19,250 --> 00:41:17,880

way to Mexico so this is also one

893

00:41:21,650 --> 00:41:19,260

plausible explanation for some

894

00:41:23,569 --> 00:41:21,660

disappearance good point five by five

895

00:41:24,530 --> 00:41:23,579

some of these people are never found and

896

00:41:26,210 --> 00:41:24,540

this is actually the most interesting

897

00:41:28,670 --> 00:41:26,220

part I thought there are people who

898

00:41:29,990 --> 00:41:28,680

qualify as uh Missing 411 cases that are

899

00:41:33,589 --> 00:41:30,000

not actually missing they have been

900

00:41:36,770 --> 00:41:33,599

found but many are they're just missing

901
00:41:38,810 --> 00:41:36,780
for a while many are uh are these are

902
00:41:40,849 --> 00:41:38,820
people who registered at the park when

903
00:41:43,310 --> 00:41:40,859
they were going into the park and then

904
00:41:46,310 --> 00:41:43,320
didn't you know

905
00:41:47,870 --> 00:41:46,320
sign out you know so somebody has some

906
00:41:49,190 --> 00:41:47,880
know I mean there are cases and one

907
00:41:50,990 --> 00:41:49,200
we'll talk about where someone went to

908
00:41:52,430 --> 00:41:51,000
like the their local park to just do a

909
00:41:54,109 --> 00:41:52,440
job where I presume they don't need to

910
00:41:56,030 --> 00:41:54,119
check it or anything but

911
00:41:57,710 --> 00:41:56,040
um it's not a criteria he focuses too

912
00:42:00,050 --> 00:41:57,720
much on yeah it could be caves as well

913
00:42:01,730 --> 00:42:00,060

there's Gene good point very plausible

914

00:42:08,270 --> 00:42:01,740

Theory yeah that does happen

915

00:42:22,089 --> 00:42:09,829

it must be natural explanations from

916

00:42:27,290 --> 00:42:25,250

at least not in any of the 20 hours I

917

00:42:28,310 --> 00:42:27,300

listened to his interviews or the books

918

00:42:30,650 --> 00:42:28,320

that I read

919

00:42:33,470 --> 00:42:30,660

um I was expecting it to be like there

920

00:42:36,950 --> 00:42:33,480

were 411 special cases no I guess it's

921

00:42:39,470 --> 00:42:36,960

missing info but that sort of uh

922

00:42:40,790 --> 00:42:39,480

yeah uh I'm not really clear on that

923

00:42:42,710 --> 00:42:40,800

point

924

00:42:44,450 --> 00:42:42,720

um this is an interesting Claim about

925

00:42:46,670 --> 00:42:44,460

people disappearing far away but it's

926
00:42:48,050 --> 00:42:46,680
also optional so I'm gonna not spend too

927
00:42:49,790 --> 00:42:48,060
much time with it the only real

928
00:42:51,890 --> 00:42:49,800
conspiracy here is that the National

929
00:42:53,450 --> 00:42:51,900
Park Service is hiding something and

930
00:42:56,030 --> 00:42:53,460
politics is sure that it's at the top

931
00:42:58,010 --> 00:42:56,040
echelons that the day-to-day workers are

932
00:42:59,870 --> 00:42:58,020
good people and he likes them it's the

933
00:43:01,490 --> 00:42:59,880
administration that are uh trying to

934
00:43:03,770 --> 00:43:01,500
fight against his foyas and all this

935
00:43:06,050 --> 00:43:03,780
sort of stuff yeah and uh there's little

936
00:43:09,109 --> 00:43:06,060
to no evidence that there's some Grand

937
00:43:13,490 --> 00:43:09,119
conspiracy to withhold information or

938
00:43:20,930 --> 00:43:13,500

cover up people that go missing and what

939

00:43:24,349 --> 00:43:22,790

conspiracy you could inject whatever

940

00:43:26,030 --> 00:43:24,359

you'd like if you're a Bigfoot person

941

00:43:27,829 --> 00:43:26,040

it's big trans-dimensional big foot

942

00:43:30,170 --> 00:43:27,839

grabbing if you're a UFO person it's

943

00:43:39,130 --> 00:43:30,180

abductions it's like he created the USB

944

00:43:45,170 --> 00:43:41,690

and by the way I believe that he is

945

00:43:48,109 --> 00:43:45,180

correct in his analysis here because you

946

00:43:50,270 --> 00:43:48,119

hear a lot of Bigfoot people saying oh

947

00:43:52,370 --> 00:43:50,280

yeah that missing 4-1-1 that's got to be

948

00:43:55,010 --> 00:43:52,380

Bigfoot abducting those people

949

00:43:58,370 --> 00:43:55,020

that's what Bigfoot people say what a

950

00:43:59,990 --> 00:43:58,380

UFO an alien fans say it's aliens that's

951
00:44:02,150 --> 00:44:00,000
why the dogs can't pick up the scent

952
00:44:05,210 --> 00:44:02,160
because the spaceships come down and

953
00:44:08,990 --> 00:44:05,220
grab the people or beam them up right or

954
00:44:10,790 --> 00:44:09,000
somehow and the the dog loses the scent

955
00:44:14,030 --> 00:44:10,800
because they just

956
00:44:16,849 --> 00:44:14,040
literally vanish so there's no scent

957
00:44:19,190 --> 00:44:16,859
Trail for where they walked to or

958
00:44:24,890 --> 00:44:19,200
whatever right

959
00:44:28,790 --> 00:44:26,809
foreign

960
00:44:30,290 --> 00:44:28,800
very true some amount of hikers are

961
00:44:32,569 --> 00:44:30,300
going to go missing we should assume

962
00:44:34,250 --> 00:44:32,579
this as an unfortunate reality it's if

963
00:44:36,050 --> 00:44:34,260

there are above and beyond or unusual

964

00:44:37,849 --> 00:44:36,060

circumstances that could be interesting

965

00:44:40,010 --> 00:44:37,859

to look at by the way just a public

966

00:44:43,089 --> 00:44:40,020

service announcement from someone who is

967

00:44:46,730 --> 00:44:43,099

an Outdoorsman and a hiker an avid hiker

968

00:44:49,010 --> 00:44:46,740

I recently uh had a problem myself in

969

00:44:52,250 --> 00:44:49,020

the woods because I was hiking in a

970

00:44:54,890 --> 00:44:52,260

State Forest game lands those are uh

971

00:44:56,990 --> 00:44:54,900

public lands set aside for uh public

972

00:44:58,849 --> 00:44:57,000

hunting

973

00:45:01,490 --> 00:44:58,859

um you know sort of a nature preserve

974

00:45:04,490 --> 00:45:01,500

and it was very thick brush very thick

975

00:45:06,349 --> 00:45:04,500

Woods no Trails for some of some great

976

00:45:07,609 --> 00:45:06,359

portion of it that I had to get cut

977

00:45:09,650 --> 00:45:07,619

through to

978

00:45:12,470 --> 00:45:09,660

anyway

979

00:45:15,589 --> 00:45:12,480

um you can't depend on your phone and a

980

00:45:18,349 --> 00:45:15,599

phone GPS if you're in the woods

981

00:45:20,809 --> 00:45:18,359

please please listen to me if you're

982

00:45:23,089 --> 00:45:20,819

going somewhere through Wilderness Area

983

00:45:26,530 --> 00:45:23,099

for whatever reason whether it's just

984

00:45:29,930 --> 00:45:26,540

hiking or camping please please please

985

00:45:33,410 --> 00:45:29,940

have a very good compass in fact have

986

00:45:36,349 --> 00:45:33,420

two I have two I have a handheld compass

987

00:45:40,490 --> 00:45:36,359

and I have a backup Compass which is on

988

00:45:41,990 --> 00:45:40,500

I think the end of uh camping knife

989

00:45:44,690 --> 00:45:42,000

right

990

00:45:46,069 --> 00:45:44,700

because when I was going through this

991

00:45:49,089 --> 00:45:46,079

Wilderness Area

992

00:45:53,870 --> 00:45:49,099

the brush got so thick that my phone GPS

993

00:45:56,210 --> 00:45:53,880

completely totally stopped working and I

994

00:45:57,829 --> 00:45:56,220

totally lost my sense of direction and

995

00:45:59,030 --> 00:45:57,839

that's not like me to be honest with you

996

00:46:01,130 --> 00:45:59,040

I'm usually pretty good with these

997

00:46:02,510 --> 00:46:01,140

things and my sense of Direction's

998

00:46:05,630 --> 00:46:02,520

pretty good

999

00:46:08,170 --> 00:46:05,640

I got totally lost in the woods for a

1000

00:46:10,609 --> 00:46:08,180

very short period 10 or 20 minutes

1001

00:46:13,550 --> 00:46:10,619

uh and I was walking around thinking

1002

00:46:15,950 --> 00:46:13,560

that the GPS on my phone will come back

1003

00:46:18,770 --> 00:46:15,960

at some point just get out of this thick

1004

00:46:21,109 --> 00:46:18,780

area with all the overgrown trees and

1005

00:46:21,950 --> 00:46:21,119

you know the GPS will come back on it

1006

00:46:25,250 --> 00:46:21,960

didn't

1007

00:46:28,730 --> 00:46:25,260

I needed the compass I needed the

1008

00:46:31,849 --> 00:46:28,740

compass in order to know my direction

1009

00:46:33,650 --> 00:46:31,859

and which direction I was heading in so

1010

00:46:36,230 --> 00:46:33,660

please friends if you're going to be in

1011

00:46:39,230 --> 00:46:36,240

a Wilderness Area for any reason

1012

00:46:40,910 --> 00:46:39,240

don't just depend on your phone we all

1013

00:46:43,910 --> 00:46:40,920

love these modern electronic

1014

00:46:45,230 --> 00:46:43,920

conveniences but you need something

1015

00:46:47,569 --> 00:46:45,240

that's going to work

1016

00:46:48,650 --> 00:46:47,579

no matter what Compass will work no

1017

00:46:51,710 --> 00:46:48,660

matter what

1018

00:46:54,470 --> 00:46:51,720

you know it works with the Earth's

1019

00:46:57,109 --> 00:46:54,480

magnetic field it always works and have

1020

00:47:00,290 --> 00:46:57,119

not one but two just in case you could

1021

00:47:02,050 --> 00:47:00,300

fall and drop one break one whatever you

1022

00:47:07,010 --> 00:47:02,060

don't want to be in a Wilderness Area

1023

00:47:08,870 --> 00:47:07,020

without the proper preparations

1024

00:47:11,870 --> 00:47:08,880

um that could be why some of these

1025

00:47:14,030 --> 00:47:11,880

people get lost it's very easy in the

1026
00:47:15,829 --> 00:47:14,040
woods to get lost in a forest everything

1027
00:47:18,349 --> 00:47:15,839
starts looking the same and you think

1028
00:47:20,390 --> 00:47:18,359
that you're uh you don't know it but

1029
00:47:21,829 --> 00:47:20,400
you're walking in circles or you're

1030
00:47:23,569 --> 00:47:21,839
going in the completely wrong direction

1031
00:47:25,550 --> 00:47:23,579
from where you think you're going to

1032
00:47:26,809 --> 00:47:25,560
find like for example I was trying to

1033
00:47:28,849 --> 00:47:26,819
find a road

1034
00:47:30,530 --> 00:47:28,859
and I knew the road was on the edge of

1035
00:47:32,510 --> 00:47:30,540
the forest and I thought I was going the

1036
00:47:34,550 --> 00:47:32,520
right direction to go to the edge of the

1037
00:47:37,190 --> 00:47:34,560
forest I was actually going deeper into

1038
00:47:39,710 --> 00:47:37,200

the forest for that 10 or 20 minutes and

1039

00:47:41,390 --> 00:47:39,720

had I not had a compass I could have had

1040

00:47:44,270 --> 00:47:41,400

a real problem there

1041

00:47:45,710 --> 00:47:44,280

um really really important to make sure

1042

00:47:48,109 --> 00:47:45,720

that you're well prepared if you're

1043

00:47:50,089 --> 00:47:48,119

going to be in a Wilderness Area for any

1044

00:47:51,410 --> 00:47:50,099

reason so uh are you guys have you ever

1045

00:47:53,630 --> 00:47:51,420

heard of these comparisons people do

1046

00:47:55,849 --> 00:47:53,640

between send or sorry Lincoln and

1047

00:47:58,130 --> 00:47:55,859

Kennedy I've never understood what

1048

00:48:00,710 --> 00:47:58,140

exactly was the conspiracy here are we

1049

00:48:03,050 --> 00:48:00,720

saying that one you know reincarnated

1050

00:48:04,970 --> 00:48:03,060

into the other so I'm not clear on what

1051
00:48:07,010 --> 00:48:04,980
the point of that is and that's the same

1052
00:48:10,069 --> 00:48:07,020
flavor of missing 4-1-1 there's a lot of

1053
00:48:12,710 --> 00:48:10,079
just like hey look at these things

1054
00:48:14,990 --> 00:48:12,720
um so I'd like to coin a phrase if I can

1055
00:48:16,970 --> 00:48:15,000
I call this pseudo-woo and here's my

1056
00:48:19,970 --> 00:48:16,980
definition of pseudo

1057
00:48:22,849 --> 00:48:19,980
this is very good statements are ideas

1058
00:48:25,069 --> 00:48:22,859
which avoid direct claims but live in

1059
00:48:27,410 --> 00:48:25,079
the new you you conspiracy theories and

1060
00:48:28,730 --> 00:48:27,420
set up an implication or a template from

1061
00:48:30,410 --> 00:48:28,740
which one might infer a paranormal

1062
00:48:33,050 --> 00:48:30,420
mysterious extraterrestrial conspiracy

1063
00:48:35,089 --> 00:48:33,060

or otherwise not various underpinnings

1064

00:48:36,710 --> 00:48:35,099

so if you wanted to create one as I

1065

00:48:38,809 --> 00:48:36,720

think perhaps politics has done

1066

00:48:40,609 --> 00:48:38,819

purposefully or inadvertently here's

1067

00:48:42,710 --> 00:48:40,619

some tips for how you might do it uh

1068

00:48:45,109 --> 00:48:42,720

make non-specific claims or no claims at

1069

00:48:47,210 --> 00:48:45,119

all involve real workplaces events and

1070

00:48:51,050 --> 00:48:47,220

organizations my favorite is involve

1071

00:48:56,630 --> 00:48:53,450

now this is something all these UFO

1072

00:48:59,329 --> 00:48:56,640

clowns do as well uh it's part of the

1073

00:49:02,030 --> 00:48:59,339

the David Wilcox does his super duper

1074

00:49:04,190 --> 00:49:02,040

proven maneuver where he'll give you a

1075

00:49:07,370 --> 00:49:04,200

real verifiable fact but it's completely

1076
00:49:10,010 --> 00:49:07,380
irrelevant to the story and then he

1077
00:49:12,290 --> 00:49:10,020
piles his [h__h] on top of it

1078
00:49:13,970 --> 00:49:12,300
and you know do what Chris Cartman did

1079
00:49:15,890 --> 00:49:13,980
on the X-Files don't show us let our

1080
00:49:17,510 --> 00:49:15,900
imagination fill in the blanks

1081
00:49:20,690 --> 00:49:17,520
successful ways

1082
00:49:23,150 --> 00:49:20,700
to sort of pseudo move conspiracy so

1083
00:49:26,030 --> 00:49:23,160
I've made a little bit of background out

1084
00:49:28,910 --> 00:49:26,040
of play he is a Bigfoot researcher even

1085
00:49:30,770 --> 00:49:28,920
though he has adamantly said that he's

1086
00:49:32,450 --> 00:49:30,780
not claiming that missing 401 relates to

1087
00:49:34,609 --> 00:49:32,460
Bigfoot at all it might but he doesn't

1088
00:49:37,609 --> 00:49:34,619

say that it does yeah he dances around

1089

00:49:39,589 --> 00:49:37,619

saying that it's Bigfoot yet because he

1090

00:49:42,170 --> 00:49:39,599

does Bigfoot books as well as these

1091

00:49:43,790 --> 00:49:42,180

missing 4-1-1 books I can't tell you how

1092

00:49:46,790 --> 00:49:43,800

many Bigfoot people have told me that

1093

00:49:49,069 --> 00:49:46,800

it's Bigfoot taking you know kidnapping

1094

00:49:50,750 --> 00:49:49,079

all these people uh he created North

1095

00:49:52,550 --> 00:49:50,760

American bigfoots this is his book

1096

00:49:54,349 --> 00:49:52,560

tribal Bigfoot I haven't read this one

1097

00:49:56,150 --> 00:49:54,359

but it looks cool

1098

00:49:57,770 --> 00:49:56,160

um and he's appeared on coast to coast

1099

00:49:59,450 --> 00:49:57,780

and tons of the other shows in fact they

1100

00:50:02,150 --> 00:49:59,460

seem to be his primary outlet for

1101
00:50:04,250 --> 00:50:02,160
sharing this message not news you know

1102
00:50:06,829 --> 00:50:04,260
mainstream news media he really has gone

1103
00:50:08,510 --> 00:50:06,839
the Paranormal route with this and while

1104
00:50:10,069 --> 00:50:08,520
that's interesting and raises some

1105
00:50:11,450 --> 00:50:10,079
doubts I do feel the need to point out

1106
00:50:13,910 --> 00:50:11,460
that all of these are straw man

1107
00:50:16,550 --> 00:50:13,920
arguments there's no reason he couldn't

1108
00:50:18,349 --> 00:50:16,560
be correct and on to something while

1109
00:50:21,530 --> 00:50:18,359
also believing in nonsense you know

1110
00:50:24,470 --> 00:50:21,540
we've seen a lot of uh famous scientists

1111
00:50:25,790 --> 00:50:24,480
even uh believe in a truthful good

1112
00:50:29,630 --> 00:50:25,800
science but something that was

1113
00:50:31,550 --> 00:50:29,640

non-scientific so like Dr Gary Nolan I

1114

00:50:34,130 --> 00:50:31,560

also thought you know as much as some of

1115

00:50:36,230 --> 00:50:34,140

this seems silly and sensationalism it

1116

00:50:38,150 --> 00:50:36,240

is plausible that Paula somewhere in

1117

00:50:40,309 --> 00:50:38,160

those 1400 cases could have stumbled

1118

00:50:42,710 --> 00:50:40,319

onto something maybe an underfunded

1119

00:50:44,569 --> 00:50:42,720

police or parks department uh has not

1120

00:50:47,569 --> 00:50:44,579

had the resources to identify that

1121

00:50:50,390 --> 00:50:47,579

there's a serial killer at work

1122

00:50:52,010 --> 00:50:50,400

sure uh and this that is a plausible

1123

00:50:54,589 --> 00:50:52,020

thing and perhaps this man's work could

1124

00:50:55,790 --> 00:50:54,599

help uncover that in some way so I

1125

00:50:57,650 --> 00:50:55,800

wanted to treat this with some

1126
00:50:58,910 --> 00:50:57,660
seriousness and that I said you know

1127
00:51:00,710 --> 00:50:58,920
this is time I should do my own

1128
00:51:02,990 --> 00:51:00,720
skeptical investigation is what I can

1129
00:51:05,089 --> 00:51:03,000
with this topic so yeah that's one of

1130
00:51:06,770 --> 00:51:05,099
the other uh theories that have been

1131
00:51:09,069 --> 00:51:06,780
floated that these people are all

1132
00:51:10,609 --> 00:51:09,079
missing because there's a

1133
00:51:15,290 --> 00:51:10,619
uh

1134
00:51:19,190 --> 00:51:15,300
Apex level Predator serial killer but

1135
00:51:21,349 --> 00:51:19,200
Pleiades gathers to get their cases from

1136
00:51:25,069 --> 00:51:21,359
all over the United States and by and

1137
00:51:27,170 --> 00:51:25,079
large serial killers are Regional you

1138
00:51:29,990 --> 00:51:27,180

know they kill near where they live

1139

00:51:32,030 --> 00:51:30,000

they're not crisscrossing the entire

1140

00:51:34,069 --> 00:51:32,040

country killing people

1141

00:51:36,349 --> 00:51:34,079

now some

1142

00:51:38,329 --> 00:51:36,359

of course have or they've traveled to

1143

00:51:40,329 --> 00:51:38,339

other areas like Ted Bundy you know

1144

00:51:44,349 --> 00:51:40,339

multiple States He murdered people in

1145

00:51:47,569 --> 00:51:44,359

but to suggest it's it's a serial killer

1146

00:51:49,069 --> 00:51:47,579

especially a single serial killer is a

1147

00:51:50,870 --> 00:51:49,079

bit of a stretch for me because these

1148

00:51:52,970 --> 00:51:50,880

are cases from every state in the

1149

00:51:55,010 --> 00:51:52,980

country I think everyone should start

1150

00:51:56,990 --> 00:51:55,020

out a good skeptical investigation but I

1151
00:51:58,670 --> 00:51:57,000
was imperative let's first establish is

1152
00:52:01,430 --> 00:51:58,680
something actually there before we go

1153
00:52:03,770 --> 00:52:01,440
researching it so

1154
00:52:04,910 --> 00:52:03,780
um I got uh one of the resources that

1155
00:52:06,049 --> 00:52:04,920
was really helpful to me I didn't know

1156
00:52:07,549 --> 00:52:06,059
about this before this is where I got

1157
00:52:09,650 --> 00:52:07,559
most of the data like that the national

1158
00:52:12,170 --> 00:52:09,660
missing and unidentified person system

1159
00:52:13,609 --> 00:52:12,180
this is a database it's not easy to get

1160
00:52:15,589 --> 00:52:13,619
access to all of it but you can search

1161
00:52:18,589 --> 00:52:15,599
by name and some details they're

1162
00:52:20,870 --> 00:52:18,599
tracking about 24 000 cases

1163
00:52:23,870 --> 00:52:20,880

um 12 000 open cases of missing people

1164

00:52:25,790 --> 00:52:23,880

in the U.S and so a little under about a

1165

00:52:28,670 --> 00:52:25,800

half a percent of those qualifies

1166

00:52:30,290 --> 00:52:28,680

Missing 411 cases according to the up

1167

00:52:33,170 --> 00:52:30,300

forthcoming movie trailer for The

1168

00:52:34,190 --> 00:52:33,180

Missing 411 yeah and by the way just to

1169

00:52:37,250 --> 00:52:34,200

be clear

1170

00:52:39,829 --> 00:52:37,260

missing for one one has become big

1171

00:52:42,410 --> 00:52:39,839

business for Mr uh David palladies

1172

00:52:45,230 --> 00:52:42,420

because he's not only selling his books

1173

00:52:48,049 --> 00:52:45,240

but there's he got a big TV show deal

1174

00:52:50,329 --> 00:52:48,059

for a sort of a docu-series about this

1175

00:52:53,630 --> 00:52:50,339

and I'm sorry but did you hear that

1176
00:52:55,870 --> 00:52:53,640
statistic uh less than one percent of

1177
00:52:59,390 --> 00:52:55,880
all of the missing people

1178
00:53:01,490 --> 00:52:59,400
uh less than a half of one percent of

1179
00:53:04,069 --> 00:53:01,500
all the missing people go missing in the

1180
00:53:08,630 --> 00:53:04,079
National Forest systems or are included

1181
00:53:10,609 --> 00:53:08,640
in David pallady's so-called data so I

1182
00:53:13,549 --> 00:53:10,619
have a real problem with all of this but

1183
00:53:15,950 --> 00:53:13,559
the bigger problem that I have is a

1184
00:53:18,230 --> 00:53:15,960
woman Linda Moulton Howe who has just

1185
00:53:21,470 --> 00:53:18,240
been caught selling fake alien pictures

1186
00:53:23,990 --> 00:53:21,480
and provably 100 fake alien stories

1187
00:53:27,170 --> 00:53:24,000
based on those fake alien pictures not

1188
00:53:30,710 --> 00:53:27,180

once but twice is now going to platform

1189

00:53:33,049 --> 00:53:30,720

this man and re-victimize the the family

1190

00:53:36,290 --> 00:53:33,059

and friends and loved ones of these

1191

00:53:39,230 --> 00:53:36,300

missing people and suggest that somehow

1192

00:53:42,710 --> 00:53:39,240

these mysterious disappearances which by

1193

00:53:44,630 --> 00:53:42,720

the way uh many would argue is not

1194

00:53:46,309 --> 00:53:44,640

mysterious at all

1195

00:53:48,109 --> 00:53:46,319

have you been to some of the national

1196

00:53:48,770 --> 00:53:48,119

parks

1197

00:53:50,750 --> 00:53:48,780

um

1198

00:53:52,069 --> 00:53:50,760

you know it's difficult for me to say

1199

00:53:56,450 --> 00:53:52,079

because

1200

00:53:59,870 --> 00:53:56,460

I mean I uh in my younger years hiked a

1201
00:54:03,410 --> 00:53:59,880
hundred miles of the Appalachian Trail

1202
00:54:05,569 --> 00:54:03,420
100 miles of wilderness and that's not

1203
00:54:07,370 --> 00:54:05,579
the whole thing there's more there's

1204
00:54:09,890 --> 00:54:07,380
lots more there's a couple hundred miles

1205
00:54:11,630 --> 00:54:09,900
more probably of the Appalachian Trail I

1206
00:54:14,030 --> 00:54:11,640
don't remember how long the entire Trail

1207
00:54:17,809 --> 00:54:14,040
is but it goes all the way up the east

1208
00:54:20,329 --> 00:54:17,819
coast up and down the East Coast right

1209
00:54:22,069 --> 00:54:20,339
hundreds and hundreds of miles of

1210
00:54:24,589 --> 00:54:22,079
wilderness

1211
00:54:27,770 --> 00:54:24,599
people going into hundreds and hundreds

1212
00:54:30,410 --> 00:54:27,780
of miles of wilderness a percentage of

1213
00:54:33,349 --> 00:54:30,420

those people that go in are coming out

1214

00:54:36,290 --> 00:54:33,359

that's unfortunate but that is the

1215

00:54:37,790 --> 00:54:36,300

reality and that's why again I caution

1216

00:54:41,510 --> 00:54:37,800

you if you're going into a Wilderness

1217

00:54:44,630 --> 00:54:41,520

Area for any reason right for any reason

1218

00:54:47,450 --> 00:54:44,640

uh make sure that you are full and well

1219

00:54:50,870 --> 00:54:47,460

prepared not just with a phone or a

1220

00:54:55,069 --> 00:54:50,880

mobile GPS system but with backup a

1221

00:54:56,930 --> 00:54:55,079

compass a map a plan right and a good

1222

00:54:58,870 --> 00:54:56,940

backpack full of supplies just in case

1223

00:55:01,790 --> 00:54:58,880

right

1224

00:55:03,650 --> 00:55:01,800

I I can't lie that recent thing that

1225

00:55:06,290 --> 00:55:03,660

happened to me was a bit of a scare

1226
00:55:07,490 --> 00:55:06,300
because it had been a long time since I

1227
00:55:10,609 --> 00:55:07,500
had been

1228
00:55:13,790 --> 00:55:10,619
in a situation where I I'm worried but

1229
00:55:15,589 --> 00:55:13,800
and I did for a moment worry I said I

1230
00:55:18,349 --> 00:55:15,599
said to myself like

1231
00:55:19,309 --> 00:55:18,359
this isn't good like I think I know I

1232
00:55:21,170 --> 00:55:19,319
thought I was going in the right

1233
00:55:23,870 --> 00:55:21,180
direction and then

1234
00:55:26,030 --> 00:55:23,880
I was sort of sure that I wasn't going

1235
00:55:29,150 --> 00:55:26,040
in the right direction so pull out the

1236
00:55:31,790 --> 00:55:29,160
compass get my bearings I sat got my

1237
00:55:35,089 --> 00:55:31,800
bearings calmed down and then I I

1238
00:55:37,430 --> 00:55:35,099

realized what my error was and I was

1239

00:55:39,170 --> 00:55:37,440

able to turn myself around get my sense

1240

00:55:40,970 --> 00:55:39,180

of direction and in a short time

1241

00:55:44,569 --> 00:55:40,980

probably uh

1242

00:55:47,750 --> 00:55:44,579

30 or 40 minutes from that oh [h__\h]

1243

00:55:51,349 --> 00:55:47,760

moment like I'm lost in the woods and I

1244

00:55:53,569 --> 00:55:51,359

mean it's Woods for miles and miles so I

1245

00:55:55,130 --> 00:55:53,579

was a little wary but within 30 to 40

1246

00:55:57,829 --> 00:55:55,140

minutes of getting a compass out getting

1247

00:55:59,089 --> 00:55:57,839

my bearings I found the road that I was

1248

00:56:01,490 --> 00:55:59,099

looking for

1249

00:56:04,670 --> 00:56:01,500

which was not much of a road more like a

1250

00:56:06,710 --> 00:56:04,680

dirt road but still I got out of the

1251

00:56:09,230 --> 00:56:06,720

forest and a short distance from that

1252

00:56:12,230 --> 00:56:09,240

dirt road was a paved Road a main road

1253

00:56:14,750 --> 00:56:12,240

so I was out of danger but really please

1254

00:56:17,630 --> 00:56:14,760

I can't caution you strongly enough if

1255

00:56:21,109 --> 00:56:17,640

you're going into a Wilderness Area

1256

00:56:23,569 --> 00:56:21,119

learn how to read a compass and have two

1257

00:56:24,470 --> 00:56:23,579

of them with you just in case you'll be

1258

00:56:27,410 --> 00:56:24,480

glad

1259

00:56:28,910 --> 00:56:27,420

you know having a caucus with you is one

1260

00:56:31,130 --> 00:56:28,920

of those things that you don't think

1261

00:56:32,809 --> 00:56:31,140

about until you need it you know it's

1262

00:56:35,390 --> 00:56:32,819

kind of like how people get a burglary

1263

00:56:38,089 --> 00:56:35,400

you know get a alarm system on their

1264

00:56:40,730 --> 00:56:38,099

house after their house gets broken into

1265

00:56:43,069 --> 00:56:40,740

you need a compass if you're going into

1266

00:56:46,670 --> 00:56:43,079

a Wilderness Area and maps of the area

1267

00:56:50,690 --> 00:56:46,680

are helpful too uh be sure that you're

1268

00:56:52,069 --> 00:56:50,700

prepared because as evidenced by uh all

1269

00:56:55,190 --> 00:56:52,079

the people disappearing in National

1270

00:56:58,849 --> 00:56:55,200

Parks or going missing it's dangerous to

1271

00:57:00,829 --> 00:56:58,859

be in the forest especially by yourself

1272

00:57:02,450 --> 00:57:00,839

um and yes electromagnetic frequency

1273

00:57:04,849 --> 00:57:02,460

saying it can happen to anyone Steve

1274

00:57:07,609 --> 00:57:04,859

yeah I mean I consider myself a really

1275

00:57:10,130 --> 00:57:07,619

good Outdoorsman so I was kind of I was

1276
00:57:11,750 --> 00:57:10,140
kind of uh in denial walking around

1277
00:57:13,069 --> 00:57:11,760
going I'm not lost I'm going in the

1278
00:57:15,349 --> 00:57:13,079
right direction and then I suddenly

1279
00:57:17,030 --> 00:57:15,359
realized I'm like I can't be I can't be

1280
00:57:19,370 --> 00:57:17,040
going in the right direction

1281
00:57:20,990 --> 00:57:19,380
got myself got my bearings got myself

1282
00:57:24,170 --> 00:57:21,000
turned around

1283
00:57:29,030 --> 00:57:24,180
so uh we're gonna share Miss Linda

1284
00:57:31,849 --> 00:57:29,040
Moulton House video talking about this

1285
00:57:33,470 --> 00:57:31,859
uh one second and this is a

1286
00:57:35,870 --> 00:57:33,480
transformative work we're educating the

1287
00:57:37,430 --> 00:57:35,880
public and critiquing the video that we

1288
00:57:40,490 --> 00:57:37,440

are sharing

1289

00:57:43,549 --> 00:57:40,500

um the last video uh I want to thank

1290

00:57:47,510 --> 00:57:43,559

um Kyle Pollock for his excellent

1291

00:57:51,650 --> 00:57:47,520

analysis of David pallady's claims it is

1292

00:57:53,750 --> 00:57:51,660

very very uh important that we have

1293

00:57:57,230 --> 00:57:53,760

people who can look into these things

1294

00:57:59,630 --> 00:57:57,240

skeptically and not go right to aliens

1295

00:58:02,690 --> 00:57:59,640

and Bigfoot is causing this right

1296

00:58:06,770 --> 00:58:02,700

oh let's do it one more time make sure

1297

00:58:08,990 --> 00:58:06,780

we got the uh make sure we got the audio

1298

00:58:11,210 --> 00:58:09,000

so this is Linda Moulton house December

1299

00:58:14,450 --> 00:58:11,220

14th broadcast

1300

00:58:17,150 --> 00:58:14,460

and again she's giving right off the bat

1301
00:58:20,150 --> 00:58:17,160
she's giving statistics here that don't

1302
00:58:23,089 --> 00:58:20,160
have this is how many missing persons

1303
00:58:26,150 --> 00:58:23,099
and unidentified bodies there are but

1304
00:58:28,910 --> 00:58:26,160
this is not all missing 4-1-1 so-called

1305
00:58:32,930 --> 00:58:28,920
missing 4-1-1 cases so Cherry Picked the

1306
00:58:36,230 --> 00:58:32,940
data you know dramatized things up

1307
00:58:39,770 --> 00:58:36,240
um let's get into it current 2022

1308
00:58:42,770 --> 00:58:39,780
statistics say that more than 20 000

1309
00:58:45,890 --> 00:58:42,780
missing person cases and 14

1310
00:58:48,710 --> 00:58:45,900
000 unidentified cases are currently

1311
00:58:52,130 --> 00:58:48,720
open according to the National missing

1312
00:58:54,770 --> 00:58:52,140
and unidentified persons database funded

1313
00:58:57,650 --> 00:58:54,780

by the U.S Department of Justice

1314

00:59:00,890 --> 00:58:57,660

this week on December 12th the great

1315

00:59:05,089 --> 00:59:00,900

police officer David politis famous for

1316

00:59:07,970 --> 00:59:05,099

his 4-1-1 information podcast films and

1317

00:59:11,289 --> 00:59:07,980

books about missing people has released

1318

00:59:15,710 --> 00:59:11,299

an outstanding new 90-minute video

1319

00:59:18,770 --> 00:59:15,720

missing 4-1-1 the UFO connection which

1320

00:59:20,569 --> 00:59:18,780

David produced and directed yeah so

1321

00:59:22,970 --> 00:59:20,579

let's be clear

1322

00:59:26,390 --> 00:59:22,980

I don't want to put all the blame on

1323

00:59:28,789 --> 00:59:26,400

Linda Moulton Howe for connecting aliens

1324

00:59:30,829 --> 00:59:28,799

to these missing persons it's David

1325

00:59:33,410 --> 00:59:30,839

pallades as well

1326

00:59:36,710 --> 00:59:33,420

I think that the missing 4-1-1 money was

1327

00:59:39,230 --> 00:59:36,720

drying up so he needs something new to

1328

00:59:41,270 --> 00:59:39,240

tackle on to the story and by the way to

1329

00:59:44,030 --> 00:59:41,280

the best of my knowledge he never

1330

00:59:47,030 --> 00:59:44,040

brought up even the possibility that

1331

00:59:49,549 --> 00:59:47,040

this was aliens in his first four books

1332

00:59:51,170 --> 00:59:49,559

but suddenly the money dries up people

1333

00:59:54,950 --> 00:59:51,180

are getting bored with the same old

1334

00:59:58,670 --> 00:59:54,960

stories from David palladis and there is

1335

01:00:00,049 --> 00:59:58,680

a now there is and of course UFOs are

1336

01:00:03,770 --> 01:00:00,059

popular and you can make a lot of money

1337

01:00:06,170 --> 01:00:03,780

off a UFO documentary so let's just glue

1338

01:00:08,690 --> 01:00:06,180

these two things together and Linda

1339

01:00:12,530 --> 01:00:08,700

Moulton Hale is right here to help him

1340

01:00:14,809 --> 01:00:12,540

sell this fairy tale I urge all of you

1341

01:00:18,049 --> 01:00:14,819

after this Earth Files YouTube channel

1342

01:00:21,109 --> 01:00:18,059

broadcast to visit the link that's on

1343

01:00:23,750 --> 01:00:21,119

the screen now to get to David's website

1344

01:00:26,750 --> 01:00:23,760

store where you can purchase his past

1345

01:00:29,930 --> 01:00:26,760

work and his excellent and important new

1346

01:00:33,410 --> 01:00:29,940

video that grabs your mind and doesn't

1347

01:00:35,030 --> 01:00:33,420

let go like this excerpt from the

1348

01:00:37,010 --> 01:00:35,040

trailer

1349

01:00:38,870 --> 01:00:37,020

for thousands of years the human species

1350

01:00:40,789 --> 01:00:38,880

has looked to the skies in amazement in

1351

01:00:42,650 --> 01:00:40,799

unidentified objects

1352

01:00:44,870 --> 01:00:42,660

we are staring at unconventional

1353

01:00:47,690 --> 01:00:44,880

possibilities supported by Witnesses

1354

01:00:50,930 --> 01:00:47,700

video and most recently our own

1355

01:00:53,450 --> 01:00:50,940

government I have investigated hundreds

1356

01:00:56,109 --> 01:00:53,460

of cases that push the limits of

1357

01:00:59,210 --> 01:00:56,119

standard everyday police protocol

1358

01:01:01,809 --> 01:00:59,220

the three Witnesses saw this object

1359

01:01:05,329 --> 01:01:01,819

picking up the elk there was an okay

1360

01:01:06,730 --> 01:01:05,339

nothing discernible pulling the elk to

1361

01:01:10,190 --> 01:01:06,740

the craft

1362

01:01:11,829 --> 01:01:10,200

I know what happened to me it happened

1363

01:01:14,809 --> 01:01:11,839

in 9

1364

01:01:16,329 --> 01:01:14,819

74. the next thing I know I was in this

1365

01:01:20,150 --> 01:01:16,339

cubicle

1366

01:01:23,569 --> 01:01:20,160

in many stories children by the way uh

1367

01:01:25,849 --> 01:01:23,579

in many of these cases that he details

1368

01:01:29,329 --> 01:01:25,859

in this documentary they were not

1369

01:01:31,849 --> 01:01:29,339

abducted from national parks

1370

01:01:34,130 --> 01:01:31,859

so as David plays Making Connections

1371

01:01:35,750 --> 01:01:34,140

where there are no connections shouldn't

1372

01:01:38,329 --> 01:01:35,760

all of the people

1373

01:01:40,250 --> 01:01:38,339

that are telling UFO Abduction stories

1374

01:01:42,109 --> 01:01:40,260

have been abducted from national parks

1375

01:01:45,890 --> 01:01:42,119

in order to connect it with this 4-1-1

1376

01:01:47,329 --> 01:01:45,900

series no he doesn't have to do that

1377

01:01:50,030 --> 01:01:47,339

apparently

1378

01:01:51,470 --> 01:01:50,040

great we're right there and then the

1379

01:01:53,569 --> 01:01:51,480

next second they're gone

1380

01:01:55,549 --> 01:01:53,579

after reading thousands of reports I

1381

01:01:57,430 --> 01:01:55,559

started to document what is called

1382

01:02:00,710 --> 01:01:57,440

profile points

1383

01:02:02,569 --> 01:02:00,720

the number one profile point is lack of

1384

01:02:04,549 --> 01:02:02,579

central

1385

01:02:07,270 --> 01:02:04,559

that was unusual that they had that many

1386

01:02:10,549 --> 01:02:07,280

tracking dogs I've never found a track

1387

01:02:13,609 --> 01:02:10,559

yeah unusual but not instantly

1388

01:02:17,950 --> 01:02:13,619

paranormal or mysterious the more you

1389

01:02:24,829 --> 01:02:20,950

not a missing person case

1390

01:02:26,440 --> 01:02:24,839

when I saw that that's when I you know

1391

01:02:28,089 --> 01:02:26,450

went down on my knees

1392

01:02:31,609 --> 01:02:28,099

[Music]

1393

01:02:33,849 --> 01:02:31,619

they are connected to extra dimensional

1394

01:02:37,309 --> 01:02:33,859

beings

1395

01:02:39,410 --> 01:02:37,319

everybody's favorite fake Fox Mulder is

1396

01:02:42,609 --> 01:02:39,420

here to help him sell the documentary

1397

01:02:47,089 --> 01:02:42,619

right do you see we've said this before

1398

01:02:50,089 --> 01:02:47,099

these UFO clowns all reinforce each

1399

01:02:51,650 --> 01:02:50,099

other's [h__h] those are real how do

1400

01:02:53,690 --> 01:02:51,660

you explain to a breathing family that

1401
01:02:55,420 --> 01:02:53,700
something paranormal may be tied to the

1402
01:02:59,510 --> 01:02:55,430
disappearance

1403
01:03:06,109 --> 01:03:03,049
David sent me his new film two weeks ago

1404
01:03:09,770 --> 01:03:06,119
and when it faded to Black I started

1405
01:03:11,930 --> 01:03:09,780
clapping to the screen it is so good

1406
01:03:14,089 --> 01:03:11,940
uh by the way I could do a separate

1407
01:03:17,750 --> 01:03:14,099
review of that but largely what I can

1408
01:03:20,569 --> 01:03:17,760
tell you is that in this documentary

1409
01:03:22,370 --> 01:03:20,579
David Pleiades tells has people who

1410
01:03:25,609 --> 01:03:22,380
claim to be abducted by aliens tell

1411
01:03:27,950 --> 01:03:25,619
their story and then he somehow just

1412
01:03:29,990 --> 01:03:27,960
tells other stories of people who just

1413
01:03:32,690 --> 01:03:30,000

vanished from National Parks or

1414

01:03:34,490 --> 01:03:32,700

Wilderness areas in order to somehow

1415

01:03:35,990 --> 01:03:34,500

connect the dots and I don't believe

1416

01:03:38,930 --> 01:03:36,000

those dots connect

1417

01:03:42,710 --> 01:03:38,940

it's two separate events it's two

1418

01:03:46,190 --> 01:03:42,720

separate things but in order to package

1419

01:03:48,289 --> 01:03:46,200

it with his other work I believe he's

1420

01:03:50,630 --> 01:03:48,299

jamming them together and did you see

1421

01:03:52,730 --> 01:03:50,640

that let's solve the mystery so he's

1422

01:03:55,190 --> 01:03:52,740

implying that he's solving the mystery

1423

01:03:56,210 --> 01:03:55,200

of all these missing persons cases in

1424

01:04:00,109 --> 01:03:56,220

the National

1425

01:04:01,789 --> 01:04:00,119

parks by involving aliens and who's

1426

01:04:04,549 --> 01:04:01,799

right there to help him sell it John

1427

01:04:06,289 --> 01:04:04,559

D'Souza and by the way I've said this

1428

01:04:08,450 --> 01:04:06,299

before I'm going to say it again John

1429

01:04:10,309 --> 01:04:08,460

D'Souza I would love for him to come

1430

01:04:13,250 --> 01:04:10,319

here and prove to me that he ever

1431

01:04:16,910 --> 01:04:13,260

investigated anything let alone anything

1432

01:04:19,849 --> 01:04:16,920

paranormal while he worked for the FBI

1433

01:04:21,650 --> 01:04:19,859

and here's why John D'Souza was a lawyer

1434

01:04:24,890 --> 01:04:21,660

for the FBI

1435

01:04:27,170 --> 01:04:24,900

which means most likely John D'Souza was

1436

01:04:30,289 --> 01:04:27,180

working on things like warrants for the

1437

01:04:32,210 --> 01:04:30,299

FBI I highly doubt that he was a field

1438

01:04:35,569 --> 01:04:32,220

investigator at all

1439

01:04:38,390 --> 01:04:35,579

let alone uh you know the FBI's Fox

1440

01:04:41,450 --> 01:04:38,400

Mulder as he seems to like to try to

1441

01:04:43,430 --> 01:04:41,460

imply in order to you know get more

1442

01:04:46,190 --> 01:04:43,440

bookings talking about aliens and

1443

01:04:48,710 --> 01:04:46,200

mysterious things sorry not a fan of

1444

01:04:50,690 --> 01:04:48,720

John de Souza though I would welcome an

1445

01:04:53,150 --> 01:04:50,700

interview so that we can drill down on

1446

01:04:55,670 --> 01:04:53,160

some of his past and and previous claims

1447

01:04:58,849 --> 01:04:55,680

I called him to see if we could do an

1448

01:05:01,370 --> 01:04:58,859

audio interview for all of you to

1449

01:05:04,609 --> 01:05:01,380

broadcast right after his December 12th

1450

01:05:05,630 --> 01:05:04,619

first releases on Vimeo Amazon and

1451

01:05:08,270 --> 01:05:05,640

Blu-ray

1452

01:05:11,030 --> 01:05:08,280

and so tonight is the night and David

1453

01:05:14,210 --> 01:05:11,040

said okay and I now want to share with

1454

01:05:16,609 --> 01:05:14,220

you some of our discussion after I saw

1455

01:05:20,150 --> 01:05:16,619

his excellent film

1456

01:05:23,990 --> 01:05:20,160

yeah did anybody ever does anybody ever

1457

01:05:27,650 --> 01:05:24,000

remember one UFO person

1458

01:05:30,049 --> 01:05:27,660

who has a guest on that just released a

1459

01:05:32,030 --> 01:05:30,059

documentary that doesn't say oh what it

1460

01:05:35,990 --> 01:05:32,040

what incredible work remember when

1461

01:05:37,670 --> 01:05:36,000

people like goofan uh you know no

1462

01:05:40,510 --> 01:05:37,680

surprise there but

1463

01:05:46,670 --> 01:05:43,849

phase of moon released their latest [h__h]

1464

01:05:49,549 --> 01:05:46,680

show money grab documentary featuring Dr

1465

01:05:51,289 --> 01:05:49,559

Steven Greer tell him ridiculous stories

1466

01:05:53,450 --> 01:05:51,299

like he went on secret missions with

1467

01:05:56,030 --> 01:05:53,460

Billy Gibbons of ZZ Top

1468

01:05:59,630 --> 01:05:56,040

to see secret underground bases where

1469

01:06:02,030 --> 01:05:59,640

they saw alien technology right

1470

01:06:04,430 --> 01:06:02,040

um you know all the UFO people that

1471

01:06:07,370 --> 01:06:04,440

reviewed it gave it great reviews except

1472

01:06:10,250 --> 01:06:07,380

me because uh we pointed out all of the

1473

01:06:12,410 --> 01:06:10,260

Ridiculousness of that so it's always

1474

01:06:13,730 --> 01:06:12,420

funny to me when these people oh like

1475

01:06:16,490 --> 01:06:13,740

they're having a guest and their

1476

01:06:19,609 --> 01:06:16,500

documentary is excellent Linda monhale

1477

01:06:23,089 --> 01:06:19,619

saw this documentary did she not did it

1478

01:06:24,789 --> 01:06:23,099

not jump out at her that in the in the

1479

01:06:28,250 --> 01:06:24,799

documentary

1480

01:06:29,630 --> 01:06:28,260

they tell stories of Ale of people

1481

01:06:31,849 --> 01:06:29,640

telling their stories of alien

1482

01:06:33,770 --> 01:06:31,859

abductions and then

1483

01:06:36,109 --> 01:06:33,780

they tell stories of like children

1484

01:06:38,450 --> 01:06:36,119

Vanishing from a forest where there's no

1485

01:06:40,730 --> 01:06:38,460

evidence of aliens nobody saw aliens or

1486

01:06:41,870 --> 01:06:40,740

spaceships or even UFOs in the area or

1487

01:06:43,789 --> 01:06:41,880

whatever

1488

01:06:45,829 --> 01:06:43,799

and and they're somehow connecting those

1489

01:06:48,349 --> 01:06:45,839

two together and talking about we're

1490

01:06:51,230 --> 01:06:48,359

going to solve the missing 4-1-1

1491

01:06:54,770 --> 01:06:51,240

mystery it's very deceptive

1492

01:06:56,990 --> 01:06:54,780

but Linda Moulton Hal either she caught

1493

01:06:59,750 --> 01:06:57,000

that like most intelligent people would

1494

01:07:01,130 --> 01:06:59,760

and is ignoring that because hey here's

1495

01:07:04,309 --> 01:07:01,140

a guest we can make some money from

1496

01:07:07,370 --> 01:07:04,319

right and again

1497

01:07:11,029 --> 01:07:07,380

I'd love to know how the victims of all

1498

01:07:13,130 --> 01:07:11,039

of those missing 4-1-1 case people you

1499

01:07:15,890 --> 01:07:13,140

know how how do the families of the

1500

01:07:18,950 --> 01:07:15,900

victims that whose cases he's using to

1501

01:07:21,049 --> 01:07:18,960

sell his books feel about this I mean

1502

01:07:25,549 --> 01:07:21,059

how do they feel about him suddenly

1503

01:07:28,490 --> 01:07:25,559

bringing in Aliens to solve the mystery

1504

01:07:31,849 --> 01:07:28,500

the number one thing I found was about

1505

01:07:34,549 --> 01:07:31,859

97 of the incidents where the people

1506

01:07:37,130 --> 01:07:34,559

weren't found canines brought to the

1507

01:07:38,750 --> 01:07:37,140

scene couldn't pick up a sex yeah and

1508

01:07:40,250 --> 01:07:38,760

that could have something to do with the

1509

01:07:42,430 --> 01:07:40,260

fact that they weren't found if the

1510

01:07:45,109 --> 01:07:42,440

canine picks up the scent

1511

01:07:47,510 --> 01:07:45,119

they follow the Senate Trail and then

1512

01:07:49,609 --> 01:07:47,520

they find the person or unfortunately in

1513

01:07:52,309 --> 01:07:49,619

some cases they find the body

1514

01:07:55,029 --> 01:07:52,319

of the missing person I cannot ever

1515

01:08:00,890 --> 01:07:58,549

geez I'm sorry I forgot to uh

1516

01:08:06,770 --> 01:08:00,900

I forgot to make a separate copy of this

1517

01:08:06,780 --> 01:08:15,289

yeah let me uh do that again

1518

01:08:19,910 --> 01:08:16,370

no

1519

01:08:22,249 --> 01:08:19,920

of course it's monetized right let me uh

1520

01:08:23,570 --> 01:08:22,259

let me make sure that we got it here

1521

01:08:27,530 --> 01:08:23,580

here we go

1522

01:08:29,450 --> 01:08:27,540

we're searching for so in these

1523

01:08:31,430 --> 01:08:29,460

incidents where dogs go out and they

1524

01:08:32,990 --> 01:08:31,440

can't pick up a scent sometimes they

1525

01:08:35,390 --> 01:08:33,000

walk down the trail and they come back

1526
01:08:37,309 --> 01:08:35,400
and they walk in circles so that was the

1527
01:08:39,890 --> 01:08:37,319
number one profile point

1528
01:08:42,530 --> 01:08:39,900
another profile Point soon after the

1529
01:08:45,289 --> 01:08:42,540
person disappeared or just about the

1530
01:08:47,030 --> 01:08:45,299
time the search was starting it was a

1531
01:08:50,209 --> 01:08:47,040
weather event that inhibited The

1532
01:08:54,590 --> 01:08:50,219
Searchers another profile point that was

1533
01:08:56,269 --> 01:08:54,600
very unusual is that oftentimes if the

1534
01:08:58,070 --> 01:08:56,279
person was found

1535
01:09:00,470 --> 01:08:58,080
they were found in an area that was

1536
01:09:03,590 --> 01:09:00,480
previously searched Searchers walked out

1537
01:09:06,050 --> 01:09:03,600
a trail every day into a search Zone

1538
01:09:07,910 --> 01:09:06,060

they find this body of the victim Laying

1539

01:09:10,789 --> 01:09:07,920

across the trail well that is

1540

01:09:14,749 --> 01:09:10,799

interesting but also interesting is that

1541

01:09:17,990 --> 01:09:14,759

statistically people uh who go missing

1542

01:09:19,209 --> 01:09:18,000

go missing near or around bodies of

1543

01:09:22,309 --> 01:09:19,219

water

1544

01:09:25,070 --> 01:09:22,319

and that might have something to do with

1545

01:09:26,630 --> 01:09:25,080

the dog centriole issue because to the

1546

01:09:31,070 --> 01:09:26,640

best of my knowledge

1547

01:09:32,990 --> 01:09:31,080

if you for example cross a creek

1548

01:09:35,749 --> 01:09:33,000

let's say there's a two or three foot

1549

01:09:37,010 --> 01:09:35,759

wide well four or five foot wide Creek a

1550

01:09:40,849 --> 01:09:37,020

shallow Creek

1551

01:09:44,209 --> 01:09:40,859

and you are being uh tracked by scent by

1552

01:09:47,930 --> 01:09:44,219

dogs if you cross a creek the dogs May

1553

01:09:51,410 --> 01:09:47,940

or will lose your scent Trail

1554

01:09:53,809 --> 01:09:51,420

the simple Act of crossing over water

1555

01:09:55,550 --> 01:09:53,819

can be enough for the dogs to lose the

1556

01:09:57,169 --> 01:09:55,560

scent Trail

1557

01:09:58,669 --> 01:09:57,179

um and and this could extend to other

1558

01:10:00,290 --> 01:09:58,679

things what if you're just walking in

1559

01:10:02,150 --> 01:10:00,300

muddy puddles

1560

01:10:04,130 --> 01:10:02,160

can the dogs lose the Cent Trail through

1561

01:10:06,530 --> 01:10:04,140

that I believe they could you know and

1562

01:10:09,410 --> 01:10:06,540

it is the like I said this is just

1563

01:10:11,870 --> 01:10:09,420

cherry picking the data to support an

1564

01:10:13,910 --> 01:10:11,880

already drawn mysterious or paranormal

1565

01:10:17,750 --> 01:10:13,920

conclusion is what I have a problem with

1566

01:10:20,149 --> 01:10:17,760

and when canines and trackers can't find

1567

01:10:23,450 --> 01:10:20,159

a senate trailer tracks and they're

1568

01:10:25,430 --> 01:10:23,460

working grid patterns and suddenly a

1569

01:10:28,430 --> 01:10:25,440

body shows up in an area that had been

1570

01:10:30,530 --> 01:10:28,440

covered numerous times that's odd

1571

01:10:34,010 --> 01:10:30,540

and I don't believe that's odd because

1572

01:10:36,770 --> 01:10:34,020

uh you know people miss things

1573

01:10:39,350 --> 01:10:36,780

especially in the thick dense forest but

1574

01:10:41,810 --> 01:10:39,360

you know uh that's a little Point uh it

1575

01:10:43,669 --> 01:10:41,820

is somewhat mysterious I suppose if they

1576
01:10:45,290 --> 01:10:43,679
think they searched an area and then a

1577
01:10:47,330 --> 01:10:45,300
couple of days later they find the body

1578
01:10:49,490 --> 01:10:47,340
in the area but there's many more

1579
01:10:52,729 --> 01:10:49,500
factors here like what was the time of

1580
01:10:55,870 --> 01:10:52,739
death for example what if they searched

1581
01:10:58,970 --> 01:10:55,880
an entire area say near a creek bed

1582
01:11:02,209 --> 01:10:58,980
where someone went missing and they

1583
01:11:06,290 --> 01:11:02,219
found nothing and then two days later

1584
01:11:08,270 --> 01:11:06,300
they found a dead body two days after

1585
01:11:10,370 --> 01:11:08,280
they searched that original area they

1586
01:11:13,070 --> 01:11:10,380
found a body

1587
01:11:15,229 --> 01:11:13,080
but the person had died a day ago

1588
01:11:17,270 --> 01:11:15,239

couldn't it be that they were wandering

1589

01:11:19,070 --> 01:11:17,280

in the woods somewhere else while that

1590

01:11:21,890 --> 01:11:19,080

area was being searched and then they

1591

01:11:23,930 --> 01:11:21,900

wandered back in to the search area and

1592

01:11:25,729 --> 01:11:23,940

then died there there's so many

1593

01:11:29,810 --> 01:11:25,739

possibilities here that this person

1594

01:11:31,669 --> 01:11:29,820

ignores in order to sell his story and

1595

01:11:34,430 --> 01:11:31,679

these are the data points and facts that

1596

01:11:38,750 --> 01:11:34,440

he does not present in order to cherry

1597

01:11:41,750 --> 01:11:38,760

pick the data to to sell the narrative

1598

01:11:43,550 --> 01:11:41,760

missing shoes is another thing and a lot

1599

01:11:45,350 --> 01:11:43,560

of times the people are found and they

1600

01:11:48,530 --> 01:11:45,360

don't have shoes on and their shoes are

1601

01:11:50,709 --> 01:11:48,540

never found by searchers and all of

1602

01:11:54,709 --> 01:11:50,719

these that include missing clothing

1603

01:11:58,010 --> 01:11:54,719

weather no scent Trail another huge

1604

01:11:59,870 --> 01:11:58,020

point I call it point of separation

1605

01:12:01,490 --> 01:11:59,880

yeah and here's another issue he's

1606

01:12:03,590 --> 01:12:01,500

saying that there's something mysterious

1607

01:12:06,050 --> 01:12:03,600

here because the weather changed when

1608

01:12:10,310 --> 01:12:06,060

somebody went missing

1609

01:12:13,790 --> 01:12:10,320

and uh I again I I mean I don't know how

1610

01:12:16,310 --> 01:12:13,800

how kind of an Outdoorsman he is but if

1611

01:12:17,930 --> 01:12:16,320

you're in a big National Park especially

1612

01:12:19,370 --> 01:12:17,940

up in the mountains the weather can

1613

01:12:22,729 --> 01:12:19,380

change

1614

01:12:25,310 --> 01:12:22,739

you know pretty quickly you know storm

1615

01:12:27,770 --> 01:12:25,320

fronts can blow in

1616

01:12:30,229 --> 01:12:27,780

I I don't see that as evidence of

1617

01:12:32,510 --> 01:12:30,239

anything right let's look at the

1618

01:12:35,870 --> 01:12:32,520

statistics or something or let's look at

1619

01:12:39,890 --> 01:12:35,880

the the historical weather data to see

1620

01:12:41,270 --> 01:12:39,900

if this weather change is something out

1621

01:12:44,450 --> 01:12:41,280

of the ordinary

1622

01:12:46,310 --> 01:12:44,460

maybe one person starts to feel ill and

1623

01:12:48,250 --> 01:12:46,320

goes back to the car

1624

01:12:51,050 --> 01:12:48,260

something happens when they're alone

1625

01:12:53,750 --> 01:12:51,060

very rarely does anything ever happen to

1626

01:12:56,750 --> 01:12:53,760

a pair it always alone

1627

01:12:59,330 --> 01:12:56,760

all of the facts that we started to pick

1628

01:13:01,490 --> 01:12:59,340

up along the way led us to where we

1629

01:13:04,189 --> 01:13:01,500

ended up and you know you made a great

1630

01:13:05,870 --> 01:13:04,199

movie about animal mutilations the

1631

01:13:08,630 --> 01:13:05,880

evidence just will take you down this

1632

01:13:10,189 --> 01:13:08,640

road right it will eventually reveal

1633

01:13:12,890 --> 01:13:10,199

itself to you and that's the way it

1634

01:13:16,490 --> 01:13:12,900

happened here yeah and I would agree to

1635

01:13:18,530 --> 01:13:16,500

disagree I think that some of these

1636

01:13:21,229 --> 01:13:18,540

people like they've already drawn their

1637

01:13:23,149 --> 01:13:21,239

conclusions right like Linda was sure

1638

01:13:25,790 --> 01:13:23,159

that those cattles were being mutilated

1639

01:13:27,830 --> 01:13:25,800

by aliens and then again she Cherry

1640

01:13:30,110 --> 01:13:27,840

picks the data to fit her already drunk

1641

01:13:31,790 --> 01:13:30,120

conclusion these people aren't following

1642

01:13:34,130 --> 01:13:31,800

the evidence they're cherry picking the

1643

01:13:36,830 --> 01:13:34,140

evidence to support their already drawn

1644

01:13:38,810 --> 01:13:36,840

conclusions that's my opinion uh having

1645

01:13:42,410 --> 01:13:38,820

observed both of them when we started

1646

01:13:45,410 --> 01:13:42,420

off with an elk disappearing and being

1647

01:13:47,810 --> 01:13:45,420

witnessed by a group of workers planting

1648

01:13:50,390 --> 01:13:47,820

trees and you see a UFO come over and

1649

01:13:53,149 --> 01:13:50,400

pull the Falcons take it away and that

1650

01:13:56,270 --> 01:13:53,159

there was no physical connection seen

1651
01:13:59,330 --> 01:13:56,280
between between the small craft and the

1652
01:14:02,330 --> 01:13:59,340
elk below it as if there was some sort

1653
01:14:04,430 --> 01:14:02,340
of control over gravity between the elk

1654
01:14:06,410 --> 01:14:04,440
and the craft well I'll give them that

1655
01:14:07,850 --> 01:14:06,420
that one is strange and mysterious but

1656
01:14:09,770 --> 01:14:07,860
what does that have to do with the

1657
01:14:12,530 --> 01:14:09,780
missing people do you see how they're

1658
01:14:15,530 --> 01:14:12,540
just connecting disconnected data points

1659
01:14:17,270 --> 01:14:15,540
in order to sell the narrative

1660
01:14:19,070 --> 01:14:17,280
I mean that's certainly a mysterious

1661
01:14:21,950 --> 01:14:19,080
story and I would love to talk to the

1662
01:14:23,630 --> 01:14:21,960
people who witnessed that and and see

1663
01:14:27,590 --> 01:14:23,640

how credible they are and how credible

1664

01:14:30,350 --> 01:14:27,600

that story is but what connection does

1665

01:14:32,149 --> 01:14:30,360

an event like that have to people

1666

01:14:34,790 --> 01:14:32,159

mysteriously disappearing in national

1667

01:14:36,770 --> 01:14:34,800

parks and by the way to the best of my

1668

01:14:39,169 --> 01:14:36,780

knowledge and recollection that event

1669

01:14:40,550 --> 01:14:39,179

did not happen in a national park so

1670

01:14:43,130 --> 01:14:40,560

what does that have to do with missing

1671

01:14:45,890 --> 01:14:43,140

4-1-1 how are you solving the mystery of

1672

01:14:49,370 --> 01:14:45,900

4-1-1 by using some completely unrelated

1673

01:14:51,229 --> 01:14:49,380

event that has to do with a UFO and a

1674

01:14:54,110 --> 01:14:51,239

elk being abducted

1675

01:14:57,709 --> 01:14:54,120

no the worker said that when the craft

1676

01:15:01,370 --> 01:14:57,719

went over the elk it's as though the elk

1677

01:15:03,770 --> 01:15:01,380

froze in place just froze and then later

1678

01:15:06,530 --> 01:15:03,780

on in the movie when we talked to one of

1679

01:15:09,229 --> 01:15:06,540

the victims he described that as he

1680

01:15:12,709 --> 01:15:09,239

lined up on a series of elks they were

1681

01:15:16,070 --> 01:15:12,719

frozen and didn't move subsequently when

1682

01:15:19,630 --> 01:15:16,080

he gets on a ship he sees the same elk

1683

01:15:23,570 --> 01:15:19,640

on a ship Frozen in Time

1684

01:15:26,209 --> 01:15:23,580

oh sorry friends next time I'll grab the

1685

01:15:31,550 --> 01:15:29,330

this will show you though

1686

01:15:33,830 --> 01:15:31,560

and how many commercials does Linda

1687

01:15:36,169 --> 01:15:33,840

Bolton Hale jam into her shows because

1688

01:15:38,510 --> 01:15:36,179

you know I know there's a front roll and

1689

01:15:41,270 --> 01:15:38,520

a back roll and a mid-roll but we're

1690

01:15:43,790 --> 01:15:41,280

already two commercials in and we missed

1691

01:15:45,169 --> 01:15:43,800

the front row because we we started it

1692

01:15:48,169 --> 01:15:45,179

at 10 minutes

1693

01:15:50,270 --> 01:15:48,179

so Linda monhale is jamming all kinds of

1694

01:15:52,250 --> 01:15:50,280

extra just this just a

1695

01:15:53,689 --> 01:15:52,260

public service announcements for you

1696

01:15:55,550 --> 01:15:53,699

people that watch Linda Mountain House

1697

01:15:58,070 --> 01:15:55,560

she doesn't have to jam all these

1698

01:16:00,649 --> 01:15:58,080

commercials in to her shows but she does

1699

01:16:03,709 --> 01:16:00,659

so that she can make maximum money with

1700

01:16:12,950 --> 01:16:03,719

her stupid fake stories

1701

01:16:17,270 --> 01:16:16,070

there we go missions walk this down this

1702

01:16:19,850 --> 01:16:17,280

path

1703

01:16:23,750 --> 01:16:19,860

another profile point is that people

1704

01:16:26,750 --> 01:16:23,760

disappear and are later found in and

1705

01:16:28,310 --> 01:16:26,760

around water right and it's something

1706

01:16:30,410 --> 01:16:28,320

that you just can't get away from I mean

1707

01:16:33,890 --> 01:16:30,420

they're found on the edge of a Slough or

1708

01:16:34,850 --> 01:16:33,900

a swamp or I wrote a whole book called

1709

01:16:37,310 --> 01:16:34,860

mission

1710

01:16:40,070 --> 01:16:37,320

yeah and this is another point just like

1711

01:16:41,630 --> 01:16:40,080

I said could that have something to do

1712

01:16:44,390 --> 01:16:41,640

with the fact that the dogs lose the

1713

01:16:45,350 --> 01:16:44,400

scent Trail again if you walk through

1714

01:16:48,229 --> 01:16:45,360

water

1715

01:16:50,990 --> 01:16:48,239

the dogs will lose your scent Trail at

1716

01:16:52,189 --> 01:16:51,000

the point that you entered the water

1717

01:16:59,689 --> 01:16:52,199

so

1718

01:17:02,810 --> 01:16:59,699

many hours or let's say days you're

1719

01:17:04,850 --> 01:17:02,820

going to want to hang around near a

1720

01:17:06,050 --> 01:17:04,860

water source so that you don't die of

1721

01:17:07,430 --> 01:17:06,060

thirst

1722

01:17:10,850 --> 01:17:07,440

you ever

1723

01:17:13,310 --> 01:17:10,860

um spend you know three hours in a on a

1724

01:17:15,229 --> 01:17:13,320

hiking trail with an empty canteen and

1725

01:17:18,350 --> 01:17:15,239

nothing to drink

1726

01:17:21,229 --> 01:17:18,360

again this man jumped straight to some

1727

01:17:24,470 --> 01:17:21,239

mysterious or paranormal explanation for

1728

01:17:27,830 --> 01:17:24,480

events when there are very

1729

01:17:30,890 --> 01:17:27,840

ordinary explanations in my opinion for

1730

01:17:32,649 --> 01:17:30,900

why people are found maybe uh you know

1731

01:17:35,810 --> 01:17:32,659

they starve to death

1732

01:17:38,149 --> 01:17:35,820

or die of exposure from the elements

1733

01:17:40,790 --> 01:17:38,159

near bodies of water but they were

1734

01:17:41,990 --> 01:17:40,800

uh how you know staying near a body of

1735

01:17:44,630 --> 01:17:42,000

water so that they would at least have

1736

01:17:46,550 --> 01:17:44,640

something to drink while they waited for

1737

01:17:49,729 --> 01:17:46,560

rescue two four on one of sobering

1738

01:17:52,729 --> 01:17:49,739

coincidence where it was all young men

1739

01:17:55,790 --> 01:17:52,739

who all disappeared and they were all

1740

01:17:58,010 --> 01:17:55,800

later found in a body of water and there

1741

01:17:59,990 --> 01:17:58,020

was no way to connect where they were

1742

01:18:02,209 --> 01:18:00,000

last seen and how they got into that

1743

01:18:04,790 --> 01:18:02,219

water there's yeah and and that's

1744

01:18:07,910 --> 01:18:04,800

another issue sometimes if you're lost

1745

01:18:10,970 --> 01:18:07,920

in the woods you may think I have to

1746

01:18:14,570 --> 01:18:10,980

cross this Lake this stream this Creek

1747

01:18:17,570 --> 01:18:14,580

whatever in order to get to a road or

1748

01:18:21,290 --> 01:18:17,580

something and you may

1749

01:18:23,209 --> 01:18:21,300

fall or not be able to swim or be swept

1750

01:18:26,870 --> 01:18:23,219

away by currents and that would explain

1751

01:18:30,550 --> 01:18:26,880

why many missing people in Wilderness

1752

01:18:34,189 --> 01:18:30,560

areas are found in bodies of water

1753

01:18:36,470 --> 01:18:34,199

just to jump right to aliens or Bigfoot

1754

01:18:38,689 --> 01:18:36,480

or something paranormal here is a big

1755

01:18:40,970 --> 01:18:38,699

big stretch something in this world

1756

01:18:44,209 --> 01:18:40,980

trying to thwart us from figuring this

1757

01:18:46,250 --> 01:18:44,219

out and as I've told many people this is

1758

01:18:48,050 --> 01:18:46,260

our third movie first movie was called

1759

01:18:50,810 --> 01:18:48,060

missing 4-1-1 the second one's called

1760

01:18:51,649 --> 01:18:50,820

missing 4-1-1 The Hunted and then this

1761

01:18:55,010 --> 01:18:51,659

one

1762

01:18:58,669 --> 01:18:55,020

I can guarantee to you it was 10 times

1763

01:19:01,070 --> 01:18:58,679

harder than the other two combined and

1764

01:19:04,310 --> 01:19:01,080

every obstacle that it could throw at us

1765

01:19:07,669 --> 01:19:04,320

trying to keep this from being completed

1766

01:19:10,729 --> 01:19:07,679

missing people is like one of the

1767

01:19:13,070 --> 01:19:10,739

quantalizma points animal mutilations

1768

01:19:15,950 --> 01:19:13,080

all of the things that I've investigated

1769

01:19:19,070 --> 01:19:15,960

they are more points and I think we're

1770

01:19:21,830 --> 01:19:19,080

all beginning to see the bigger pattern

1771

01:19:24,169 --> 01:19:21,840

and the implication we're not alone on

1772

01:19:26,990 --> 01:19:24,179

this planet there are many things that

1773

01:19:28,910 --> 01:19:27,000

are coming and going and that what you

1774

01:19:31,370 --> 01:19:28,920

have been investigating what I have been

1775

01:19:35,330 --> 01:19:31,380

investigating the common denominator

1776

01:19:38,810 --> 01:19:35,340

answer to it all of the presence of

1777

01:19:42,830 --> 01:19:38,820

other intelligences people have also

1778

01:19:47,030 --> 01:19:42,840

seen humans if they were paralyzed on a

1779

01:19:49,189 --> 01:19:47,040

craft and the animals that he saw

1780

01:19:51,770 --> 01:19:49,199

so there's Linda Moulton Howe connecting

1781

01:19:54,169 --> 01:19:51,780

animal mutilations

1782

01:19:55,070 --> 01:19:54,179

cattle mutilations and these missing

1783

01:19:57,770 --> 01:19:55,080

people

1784

01:20:00,290 --> 01:19:57,780

and it's it must be aliens it must be

1785

01:20:01,310 --> 01:20:00,300

other intelligences responsible for all

1786

01:20:03,290 --> 01:20:01,320

of this

1787

01:20:04,310 --> 01:20:03,300

this is the problem that I have with

1788

01:20:06,950 --> 01:20:04,320

this woman

1789

01:20:11,450 --> 01:20:06,960

what evidence is there to connect cattle

1790

01:20:18,290 --> 01:20:14,209

what evidence is there that

1791

01:20:20,090 --> 01:20:18,300

this is done by aliens besides for you

1792

01:20:22,550 --> 01:20:20,100

know I'm sure she has some sources that

1793

01:20:26,450 --> 01:20:22,560

believe that

1794

01:20:29,030 --> 01:20:26,460

um but this is a big stretch and here

1795

01:20:31,070 --> 01:20:29,040

with no evidence whatsoever Linda

1796

01:20:33,649 --> 01:20:31,080

Moulton Hal asserts that cattle

1797

01:20:35,990 --> 01:20:33,659

mutilations and these missing people

1798

01:20:38,330 --> 01:20:36,000

have a common denominator it must be

1799

01:20:40,910 --> 01:20:38,340

aliens right because there's no story to

1800

01:20:43,010 --> 01:20:40,920

sell here unless it is aliens of course

1801

01:20:47,270 --> 01:20:43,020

it was almost as if it was a

1802

01:20:51,950 --> 01:20:47,280

demonstration yes we're taking elk you

1803

01:20:54,290 --> 01:20:51,960

hunt elk we hunt elk as well but instead

1804

01:20:57,110 --> 01:20:54,300

of that being a human dialogue it's

1805

01:20:58,729 --> 01:20:57,120

coming from another intelligence there's

1806

01:21:01,669 --> 01:20:58,739

a lot of evidence that shows that those

1807

01:21:03,709 --> 01:21:01,679

animals have been dropped yes well over

1808

01:21:05,570 --> 01:21:03,719

the years that I've been doing missing

1809

01:21:08,510 --> 01:21:05,580

persons research I've made many

1810

01:21:10,370 --> 01:21:08,520

statements that it makes no sense how

1811

01:21:12,350 --> 01:21:10,380

these victims sometimes get into

1812

01:21:14,149 --> 01:21:12,360

locations where it almost appears like

1813

01:21:16,130 --> 01:21:14,159

they were dropped or they fell into

1814

01:21:19,370 --> 01:21:16,140

these locations in ways that are

1815

01:21:24,770 --> 01:21:19,380

unexplainable right like the Carl Higdon

1816

01:21:27,169 --> 01:21:24,780

case in October 1974 yeah again just

1817

01:21:30,229 --> 01:21:27,179

because you don't you can't explain it

1818

01:21:32,510 --> 01:21:30,239

does not mean that it was aliens just

1819

01:21:34,370 --> 01:21:32,520

because you cannot explain how these

1820

01:21:37,130 --> 01:21:34,380

people ended up in the areas that their

1821

01:21:39,229 --> 01:21:37,140

bodies were located in doesn't mean that

1822

01:21:41,330 --> 01:21:39,239

aliens drop them there

1823

01:21:44,689 --> 01:21:41,340

this is why I have a problem with this

1824

01:21:46,550 --> 01:21:44,699

because they just make the big leap they

1825

01:21:50,330 --> 01:21:46,560

don't have evidence to support the big

1826

01:21:52,490 --> 01:21:50,340

leap and suddenly uh you know and of

1827

01:21:54,649 --> 01:21:52,500

course there's money involved here let's

1828

01:21:57,530 --> 01:21:54,659

never forget that there's money involved

1829

01:22:01,189 --> 01:21:57,540

here there's always some money involved

1830

01:22:03,649 --> 01:22:01,199

that I think helps them make that big

1831

01:22:05,209 --> 01:22:03,659

leap right would they make that big leap

1832

01:22:06,610 --> 01:22:05,219

if they weren't if there was not money

1833

01:22:09,169 --> 01:22:06,620

involved

1834

01:22:11,390 --> 01:22:09,179

by the way uh we try to call out

1835

01:22:14,570 --> 01:22:11,400

everybody who becomes a YouTube member

1836

01:22:16,310 --> 01:22:14,580

uh thank you Chet who just became a

1837

01:22:17,930 --> 01:22:16,320

YouTube channel member thanks very much

1838

01:22:19,430 --> 01:22:17,940

for your kindness your generosity and

1839

01:22:22,610 --> 01:22:19,440

your support of the show it's much much

1840

01:22:24,530 --> 01:22:22,620

appreciated I appreciated chat and I'm

1841

01:22:27,169 --> 01:22:24,540

so happy to see so many people will pay

1842

01:22:30,709 --> 01:22:27,179

me a couple of bucks to tell them the

1843

01:22:32,930 --> 01:22:30,719

truth meanwhile these two clowns over

1844

01:22:35,630 --> 01:22:32,940

here are making tens of thousands of

1845

01:22:38,030 --> 01:22:35,640

dollars for uh I don't want to say lying

1846

01:22:42,130 --> 01:22:38,040

let's just say stretching the truth chat

1847

01:22:43,930 --> 01:22:42,140

thank you for supporting good work here

1848

01:22:46,970 --> 01:22:43,940

uh

1849

01:22:47,750 --> 01:22:46,980

very generous thank you thanks to all of

1850

01:22:51,550 --> 01:22:47,760

you

1851
01:22:55,010 --> 01:22:51,560
people supporting uh the stuff here yes

1852
01:22:57,470 --> 01:22:55,020
djgs it's D's it's not just a leap of

1853
01:23:00,290 --> 01:22:57,480
faith it's a leap of Cash There's a leap

1854
01:23:02,630 --> 01:23:00,300
of cash and we need we need to cash in

1855
01:23:05,270 --> 01:23:02,640
order for us to make that leap south of

1856
01:23:06,350 --> 01:23:05,280
Rollins Wyoming and in the interview

1857
01:23:09,590 --> 01:23:06,360
with Carl

1858
01:23:13,970 --> 01:23:09,600
he explains that when they got rid of

1859
01:23:19,610 --> 01:23:16,430
I agree and that was probably the

1860
01:23:24,590 --> 01:23:19,620
biggest aha moment for me in that film

1861
01:23:26,990 --> 01:23:24,600
what does that says attention the

1862
01:23:30,590 --> 01:23:27,000
intelligence of what is interacting with

1863
01:23:32,990 --> 01:23:30,600

this planet that if the human doesn't

1864

01:23:36,530 --> 01:23:33,000

match what they need they just drop them

1865

01:23:39,649 --> 01:23:36,540

if the cow doesn't match what they need

1866

01:23:42,610 --> 01:23:39,659

they just drop them it's so peculiar

1867

01:23:45,890 --> 01:23:42,620

because nothing needs to be dropped

1868

01:23:48,110 --> 01:23:45,900

and that's something those damn aliens

1869

01:23:50,930 --> 01:23:48,120

if the cow doesn't have the right

1870

01:23:52,850 --> 01:23:50,940

chromosomes or whatever the aliens are

1871

01:23:54,970 --> 01:23:52,860

looking for they just dropped that poor

1872

01:23:57,950 --> 01:23:54,980

cow again

1873

01:24:00,470 --> 01:23:57,960

how does she know what they need like

1874

01:24:02,149 --> 01:24:00,480

this is so stupid that we thought about

1875

01:24:06,229 --> 01:24:02,159

a lot over the years

1876

01:24:08,810 --> 01:24:06,239

and if you take in the UFO angle it

1877

01:24:11,090 --> 01:24:08,820

shows either a distinct lack of respect

1878

01:24:14,149 --> 01:24:11,100

and dignity for us

1879

01:24:16,790 --> 01:24:14,159

or there's something else we don't

1880

01:24:20,209 --> 01:24:16,800

understand about why in these certain

1881

01:24:22,490 --> 01:24:20,219

conditions it's got the curse right how

1882

01:24:23,570 --> 01:24:22,500

much is being hidden David in so many

1883

01:24:25,870 --> 01:24:23,580

directions

1884

01:24:29,870 --> 01:24:25,880

since you're in this world all the time

1885

01:24:33,709 --> 01:24:29,880

what about this movie surprised you the

1886

01:24:37,189 --> 01:24:33,719

blatant implication of censorship before

1887

01:24:39,830 --> 01:24:37,199

even learning information I think that

1888

01:24:42,709 --> 01:24:39,840

if we follow the last 50 years and what

1889

01:24:44,090 --> 01:24:42,719

our government hasn't told us that the

1890

01:24:46,610 --> 01:24:44,100

revelations are going to come from

1891

01:24:49,010 --> 01:24:46,620

people like you and me and some other

1892

01:24:50,870 --> 01:24:49,020

researchers out there that dig real hard

1893

01:24:54,050 --> 01:24:50,880

and dig real deep and are willing to

1894

01:24:56,390 --> 01:24:54,060

challenge themselves because I don't

1895

01:25:00,530 --> 01:24:56,400

expect our government to do anything

1896

01:25:04,250 --> 01:25:00,540

how can governments continue a Perpetual

1897

01:25:05,270 --> 01:25:04,260

lie of an entire planet of 8 billion

1898

01:25:07,729 --> 01:25:05,280

people

1899

01:25:09,649 --> 01:25:07,739

just follow the path they've been on for

1900

01:25:12,470 --> 01:25:09,659

the last 50 60 years

1901

01:25:14,630 --> 01:25:12,480

I think they have a complete disrespect

1902

01:25:16,970 --> 01:25:14,640

and lack of respect for the general

1903

01:25:21,169 --> 01:25:16,980

public and they kind of do whatever they

1904

01:25:24,530 --> 01:25:21,179

want to do it seems that maybe Humanity

1905

01:25:28,010 --> 01:25:24,540

could be made stronger and come closer

1906

01:25:29,990 --> 01:25:28,020

together as a species if they knew the

1907

01:25:33,169 --> 01:25:30,000

truth that we're not alone and that

1908

01:25:36,410 --> 01:25:33,179

other intelligences use and harvest from

1909

01:25:38,990 --> 01:25:36,420

our planet wouldn't that make possibly

1910

01:25:40,910 --> 01:25:39,000

humans look at each other slightly

1911

01:25:41,870 --> 01:25:40,920

differently and maybe not want to kill

1912

01:25:43,729 --> 01:25:41,880

each other

1913

01:25:46,970 --> 01:25:43,739

there's always been that theory that

1914

01:25:48,830 --> 01:25:46,980

well what if three or four classic UFOs

1915

01:25:49,610 --> 01:25:48,840

landed on the front lawn of the White

1916

01:25:54,050 --> 01:25:49,620

House

1917

01:25:56,169 --> 01:25:54,060

and then landed in Buckingham Palace and

1918

01:25:59,450 --> 01:25:56,179

landed on some of the world's biggest

1919

01:26:02,870 --> 01:25:59,460

locations simultaneously wouldn't that

1920

01:26:06,290 --> 01:26:02,880

make all of our problems in humanity

1921

01:26:08,570 --> 01:26:06,300

stop and make us look at ourselves yeah

1922

01:26:11,090 --> 01:26:08,580

this is the Ronald Reagan argument say

1923

01:26:14,090 --> 01:26:11,100

hey really what are we doing here and

1924

01:26:15,590 --> 01:26:14,100

who are our friends right shouldn't we

1925

01:26:19,250 --> 01:26:15,600

be focusing on something a little more

1926

01:26:21,790 --> 01:26:19,260

important can you now let my Earth Files

1927

01:26:26,450 --> 01:26:21,800

YouTube channel audience and everyone

1928

01:26:30,350 --> 01:26:26,460

know exactly how to get your brilliant

1929

01:26:32,450 --> 01:26:30,360

new film missing 4-1-1 the UFO

1930

01:26:34,189 --> 01:26:32,460

connection so the easiest way if you

1931

01:26:37,070 --> 01:26:34,199

want to watch it online you can go to

1932

01:26:40,310 --> 01:26:37,080

Vimeo you go to Amazon those are the two

1933

01:26:42,709 --> 01:26:40,320

easiest ways if you want to buy a DVD or

1934

01:26:44,689 --> 01:26:42,719

Blu-ray you can go to our website and

1935

01:26:48,110 --> 01:26:44,699

our website store is called n a like

1936

01:26:49,189 --> 01:26:48,120

North America n a bigfootsearch.com go

1937

01:26:51,290 --> 01:26:49,199

to the store

1938

01:26:56,090 --> 01:26:51,300

those are the best ways to watch it

1939

01:27:01,970 --> 01:26:57,530

right

1940

01:27:05,930 --> 01:27:01,980

look who came and jumped up David and I

1941

01:27:08,689 --> 01:27:05,940

were talking about his great film and I

1942

01:27:11,510 --> 01:27:08,699

wanted to share with you that uh this

1943

01:27:15,350 --> 01:27:11,520

morning I got a text from David politis

1944

01:27:19,390 --> 01:27:15,360

who said quote missing 4-1-1 the UFO

1945

01:27:23,870 --> 01:27:19,400

connection went to number one in iTunes

1946

01:27:26,629 --> 01:27:23,880

documentary yesterday December 13th and

1947

01:27:29,990 --> 01:27:26,639

he just released the film on the 12th

1948

01:27:32,330 --> 01:27:30,000

great so I am so glad to hear that and I

1949

01:27:35,510 --> 01:27:32,340

really do hope that all of you go ahead

1950

01:27:38,510 --> 01:27:35,520

that means whatever way that you want to

1951

01:27:42,470 --> 01:27:38,520

download it that you see this really

1952

01:27:47,930 --> 01:27:42,480

important work uh by David Pilates

1953

01:27:50,750 --> 01:27:47,940

and I also wanted to add that I knew Dr

1954

01:27:53,470 --> 01:27:50,760

Leo sprinkle all right she's going to

1955

01:27:56,450 --> 01:27:53,480

talk about other nonsense

1956

01:28:00,530 --> 01:27:56,460

we uh have covered the relevant portions

1957

01:28:04,850 --> 01:28:00,540

and uh what I can say is that

1958

01:28:08,570 --> 01:28:04,860

David palladis does not prove at all

1959

01:28:11,330 --> 01:28:08,580

that his previous all of the Missing 411

1960

01:28:13,610 --> 01:28:11,340

cases are relating to aliens what he

1961

01:28:16,189 --> 01:28:13,620

does in this documentary is

1962

01:28:18,890 --> 01:28:16,199

show you new cases where people claim

1963

01:28:21,050 --> 01:28:18,900

they were abducted by aliens that may or

1964

01:28:23,510 --> 01:28:21,060

may not have taken place in a national

1965

01:28:26,030 --> 01:28:23,520

park and somehow he connects it to all

1966

01:28:28,490 --> 01:28:26,040

of his previous work implying that he's

1967

01:28:31,310 --> 01:28:28,500

going to solve the mystery of all these

1968

01:28:33,050 --> 01:28:31,320

missing cases in the national parks by

1969

01:28:34,430 --> 01:28:33,060

talking to people that were abducted by

1970

01:28:37,490 --> 01:28:34,440

aliens

1971

01:28:41,750 --> 01:28:37,500

it's a big stretch it's fitting a round

1972

01:28:45,890 --> 01:28:41,760

peg into a square hole right

1973

01:28:48,110 --> 01:28:45,900

or square peg into a round hole this is

1974

01:28:49,370 --> 01:28:48,120

a big big stretch

1975

01:28:52,370 --> 01:28:49,380

and

1976

01:28:54,169 --> 01:28:52,380

David pallades cannot prove that any of

1977

01:28:55,790 --> 01:28:54,179

the people that went missing in the

1978

01:28:59,450 --> 01:28:55,800

national parks

1979

01:29:01,430 --> 01:28:59,460

were abducted by aliens in fact he can't

1980

01:29:03,850 --> 01:29:01,440

prove anybody was abducted by aliens he

1981

01:29:06,950 --> 01:29:03,860

has people who are telling stories but

1982

01:29:10,310 --> 01:29:06,960

it's light on proof big on story light

1983

01:29:13,189 --> 01:29:10,320

on proof like we usually get In fairness

1984

01:29:16,729 --> 01:29:13,199

to David I will

1985

01:29:18,950 --> 01:29:16,739

certainly agreed to a conversation with

1986

01:29:21,110 --> 01:29:18,960

him and I'll be respectful and and he

1987

01:29:24,590 --> 01:29:21,120

and I can

1988

01:29:28,669 --> 01:29:24,600

talk over or why I'm so skeptical

1989

01:29:31,129 --> 01:29:28,679

of his claims why I'm especially listen

1990

01:29:33,890 --> 01:29:31,139

there's something called UFO disease

1991

01:29:37,189 --> 01:29:33,900

we've seen it before right someone will

1992

01:29:39,350 --> 01:29:37,199

come out with a particular story my two

1993

01:29:43,250 --> 01:29:39,360

favorite examples of UFO disease are

1994

01:29:44,810 --> 01:29:43,260

Clifford Stone and Robert Dean both of

1995

01:29:47,930 --> 01:29:44,820

which came forward with a very

1996

01:29:50,870 --> 01:29:47,940

believable story at first

1997

01:29:54,590 --> 01:29:50,880

and then after three four five years

1998

01:29:56,390 --> 01:29:54,600

people at the UFO conferences Tire of

1999

01:29:58,610 --> 01:29:56,400

their original story so they have to

2000

01:30:01,189 --> 01:29:58,620

push the envelope and tell new stories

2001

01:30:04,370 --> 01:30:01,199

or tack on extra bits to their original

2002

01:30:07,370 --> 01:30:04,380

story and the the claims get more and

2003

01:30:09,890 --> 01:30:07,380

more Fantastical for example Robert Dean

2004

01:30:12,169 --> 01:30:09,900

was really in the military and he was

2005

01:30:15,290 --> 01:30:12,179

really stationed where he said he was I

2006

01:30:17,410 --> 01:30:15,300

know because I checked he worked uh for

2007

01:30:20,209 --> 01:30:17,420

NATO for the United States government

2008

01:30:22,189 --> 01:30:20,219

and his original story was that he saw

2009

01:30:24,950 --> 01:30:22,199

something called the assessment which

2010

01:30:27,350 --> 01:30:24,960

was about extraterrestrial visitation on

2011

01:30:29,750 --> 01:30:27,360

Earth he claimed that all the NATO

2012

01:30:32,209 --> 01:30:29,760

members knew that UFOs were

2013

01:30:35,810 --> 01:30:32,219

extraterrestrial spacecraft and that

2014

01:30:38,990 --> 01:30:35,820

they were planning to uh they had these

2015

01:30:41,510 --> 01:30:39,000

documents or these briefing papers that

2016

01:30:44,450 --> 01:30:41,520

would explain all of this and that they

2017

01:30:46,250 --> 01:30:44,460

were trying to figure out the mystery of

2018

01:30:48,709 --> 01:30:46,260

why these extraterrestrials were

2019

01:30:52,689 --> 01:30:48,719

visiting us what did they want were they

2020

01:30:54,530 --> 01:30:52,699

hostile where they uh simply scientists

2021

01:30:57,950 --> 01:30:54,540

observing us

2022

01:31:00,470 --> 01:30:57,960

very believable story from somebody you

2023

01:31:03,830 --> 01:31:00,480

thought was pretty credible but then

2024

01:31:06,649 --> 01:31:03,840

Robert Dean got UFO disease and after

2025

01:31:09,050 --> 01:31:06,659

five years telling that same story over

2026
01:31:11,390 --> 01:31:09,060
and over again being in many different

2027
01:31:13,790 --> 01:31:11,400
documentaries selling that story he

2028
01:31:15,890 --> 01:31:13,800
needed new material and it gets crazier

2029
01:31:17,689 --> 01:31:15,900
from there because after that Robert

2030
01:31:20,390 --> 01:31:17,699
Dean started talking about his past

2031
01:31:23,750 --> 01:31:20,400
lives as I don't know Julius Caesar and

2032
01:31:26,209 --> 01:31:23,760
10 other famous people and uh his

2033
01:31:27,050 --> 01:31:26,219
psychic superpowers and all kinds of

2034
01:31:29,450 --> 01:31:27,060
stuff

2035
01:31:32,209 --> 01:31:29,460
same goes for Clifford Stone told the

2036
01:31:34,090 --> 01:31:32,219
believable story that he was part of

2037
01:31:36,709 --> 01:31:34,100
some kind of Crash retrieval program

2038
01:31:38,149 --> 01:31:36,719

connected to project Moon dust which was

2039

01:31:41,090 --> 01:31:38,159

a real thing

2040

01:31:44,270 --> 01:31:41,100

if if a spacecraft comes down from the

2041

01:31:47,689 --> 01:31:44,280

sky doesn't matter what it is Russian

2042

01:31:49,850 --> 01:31:47,699

Chinese Indian whatever it is the United

2043

01:31:51,290 --> 01:31:49,860

States would go and grab it and then

2044

01:31:53,570 --> 01:31:51,300

they would take it back to the foreign

2045

01:31:56,030 --> 01:31:53,580

technology Division and pick it apart

2046

01:31:58,250 --> 01:31:56,040

and get secrets of our adversaries what

2047

01:32:00,169 --> 01:31:58,260

technology are they using what materials

2048

01:32:01,189 --> 01:32:00,179

are they using

2049

01:32:03,649 --> 01:32:01,199

um but

2050

01:32:05,810 --> 01:32:03,659

uh Clifford Stone suggested that they

2051
01:32:08,350 --> 01:32:05,820
were also retrieving alien spacecraft

2052
01:32:12,169 --> 01:32:08,360
including living breathing

2053
01:32:13,430 --> 01:32:12,179
extraterrestrial biological entities

2054
01:32:16,070 --> 01:32:13,440
and

2055
01:32:19,310 --> 01:32:16,080
um at one point I believed him but then

2056
01:32:23,149 --> 01:32:19,320
he got UFO disease and he needed more

2057
01:32:25,850 --> 01:32:23,159
material so then Clifford Stone got a

2058
01:32:27,950 --> 01:32:25,860
whole bunch of superpowers and then his

2059
01:32:31,310 --> 01:32:27,960
stories became more and more and more

2060
01:32:35,090 --> 01:32:31,320
grandiose including even him rescuing an

2061
01:32:36,890 --> 01:32:35,100
alien from a containment facility and

2062
01:32:39,050 --> 01:32:36,900
you know opening the door and letting

2063
01:32:41,990 --> 01:32:39,060

the alien out and helping the alien and

2064

01:32:43,790 --> 01:32:42,000

then a spaceship came down and got the

2065

01:32:44,510 --> 01:32:43,800

alien and took them back home you know

2066

01:32:46,850 --> 01:32:44,520

like

2067

01:32:48,590 --> 01:32:46,860

phone homie T

2068

01:32:51,530 --> 01:32:48,600

um and then Clifford Stone got super

2069

01:32:55,010 --> 01:32:51,540

powers and psychic powers and he was in

2070

01:32:58,010 --> 01:32:55,020

contact with uh angels and and uh

2071

01:32:59,629 --> 01:32:58,020

interdimensional beings and it goes on

2072

01:33:02,209 --> 01:32:59,639

and on and on

2073

01:33:04,910 --> 01:33:02,219

I think even though he's not a UFO guy

2074

01:33:07,310 --> 01:33:04,920

we are seeing the same situation with

2075

01:33:09,770 --> 01:33:07,320

David palladis

2076

01:33:11,870 --> 01:33:09,780

um originally in his first book he was

2077

01:33:15,229 --> 01:33:11,880

much more reserved

2078

01:33:17,209 --> 01:33:15,239

as far as grandiose claims or whatever

2079

01:33:20,570 --> 01:33:17,219

second book a little more grandiose

2080

01:33:22,910 --> 01:33:20,580

claims and again this whole idea that

2081

01:33:24,890 --> 01:33:22,920

there's some vast massive cover-up is

2082

01:33:27,470 --> 01:33:24,900

stupid because you can make a foia

2083

01:33:29,330 --> 01:33:27,480

request to any national park and say how

2084

01:33:32,750 --> 01:33:29,340

many people went missing last year and

2085

01:33:34,910 --> 01:33:32,760

they'll tell you they have to but I

2086

01:33:37,330 --> 01:33:34,920

think that David Pleiades took the fact

2087

01:33:39,530 --> 01:33:37,340

that the national parks don't all

2088

01:33:42,649 --> 01:33:39,540

intercommunicate between different

2089

01:33:48,430 --> 01:33:42,659

states as some form of cover-up not true

2090

01:33:53,209 --> 01:33:51,649

Underdog four one twelve four one twos

2091

01:33:55,669 --> 01:33:53,219

with a Kind and Generous two dollars

2092

01:33:57,470 --> 01:33:55,679

says great work Steve it's a big club

2093

01:33:59,030 --> 01:33:57,480

and I ain't in it well thank you for

2094

01:34:00,350 --> 01:33:59,040

your kindness generosity and your

2095

01:34:04,070 --> 01:34:00,360

support of the show it is much much

2096

01:34:06,350 --> 01:34:04,080

appreciated especially right now uh you

2097

01:34:09,649 --> 01:34:06,360

know it's Christmas so uh and I have two

2098

01:34:13,850 --> 01:34:09,659

boys so I'm pretty pretty pretty broke

2099

01:34:16,550 --> 01:34:13,860

all right one second here let me uh also

2100

01:34:19,790 --> 01:34:16,560

I'm sorry about that UFO John Doe if I

2101
01:34:22,310 --> 01:34:19,800
did not uh share your your uh Super Chat

2102
01:34:25,129 --> 01:34:22,320
on the screen we will we always share

2103
01:34:27,709 --> 01:34:25,139
them at the end of the presentation

2104
01:34:30,169 --> 01:34:27,719
I want to thank UFO John Doe the Super

2105
01:34:32,030 --> 01:34:30,179
Chat MVP who says don't forget clown

2106
01:34:33,530 --> 01:34:32,040
shoes for Christopher sharp who said the

2107
01:34:35,810 --> 01:34:33,540
intensity and speed of the lights

2108
01:34:39,290 --> 01:34:35,820
doesn't Comfort to Conventional

2109
01:34:41,030 --> 01:34:39,300
technology oh I love it UFO John though

2110
01:34:43,310 --> 01:34:41,040
we need clown shoes for Christopher

2111
01:34:44,570 --> 01:34:43,320
sharp as well oh wait a minute let me

2112
01:34:47,990 --> 01:34:44,580
put that bigger

2113
01:34:52,310 --> 01:34:48,000

yeah so uh everybody can see UFO John

2114

01:34:54,649 --> 01:34:52,320

Doe he says again uh don't forget clown

2115

01:34:56,750 --> 01:34:54,659

shoes for Christopher sharp who said the

2116

01:34:58,970 --> 01:34:56,760

intensity of the lights doesn't comport

2117

01:35:01,370 --> 01:34:58,980

with conventional technology

2118

01:35:02,870 --> 01:35:01,380

well he definitely needs some clown

2119

01:35:08,510 --> 01:35:02,880

shoes as well

2120

01:35:11,629 --> 01:35:08,520

and uh I'm trying to go through the uh

2121

01:35:13,490 --> 01:35:11,639

the live chat it must have been a ways

2122

01:35:16,129 --> 01:35:13,500

back we want to also thank Chet who

2123

01:35:17,930 --> 01:35:16,139

became a new member uh thank you very

2124

01:35:21,310 --> 01:35:17,940

much for your kindness generosity and

2125

01:35:24,169 --> 01:35:21,320

support and UFO John Doe I'm I'm uh

2126

01:35:26,390 --> 01:35:24,179

scrolling back through all of the live

2127

01:35:28,910 --> 01:35:26,400

chat we have so many people here welcome

2128

01:35:32,090 --> 01:35:28,920

everybody tonight good to see all of you

2129

01:35:33,649 --> 01:35:32,100

here great crowd tonight in the peanut

2130

01:35:36,590 --> 01:35:33,659

gallery we have to come up with a better

2131

01:35:39,649 --> 01:35:36,600

name for that live chat any suggestions

2132

01:35:42,229 --> 01:35:39,659

put them in all capital letters

2133

01:35:44,930 --> 01:35:42,239

um yeah it must have been a ways back

2134

01:35:47,930 --> 01:35:44,940

UFO John Doe because uh I'm having

2135

01:35:50,090 --> 01:35:47,940

trouble finding it uh so I apologize if

2136

01:35:52,610 --> 01:35:50,100

I did not share your super chat on the

2137

01:35:55,370 --> 01:35:52,620

screen oh there we go we got it so thank

2138

01:35:57,530 --> 01:35:55,380

you UFO John Doe for your kindness your

2139

01:36:02,450 --> 01:35:57,540

generosity and continued support of the

2140

01:36:04,310 --> 01:36:02,460

show big time show supporter right so uh

2141

01:36:06,350 --> 01:36:04,320

here's what we're gonna do uh we're

2142

01:36:09,669 --> 01:36:06,360

gonna take a short break where I'm going

2143

01:36:14,330 --> 01:36:09,679

to remind you of a few important things

2144

01:36:17,149 --> 01:36:14,340

uh thanks to Our Kind and Generous uh

2145

01:36:19,370 --> 01:36:17,159

announcer Ian uh we have a couple

2146

01:36:22,070 --> 01:36:19,380

announcements from him

2147

01:36:23,870 --> 01:36:22,080

and uh I want to remind you of two

2148

01:36:26,689 --> 01:36:23,880

things first we're a viewer supported

2149

01:36:28,370 --> 01:36:26,699

show much like PBS so if you enjoy

2150

01:36:29,870 --> 01:36:28,380

content like this please consider

2151

01:36:32,090 --> 01:36:29,880

throwing a couple of bucks in our hat

2152

01:36:34,970 --> 01:36:32,100

from the various ways you can support us

2153

01:36:46,990 --> 01:36:34,980

here's Ian to let you know how you can

2154

01:36:52,669 --> 01:36:49,550

truth Seekers is a viewer's supported

2155

01:36:54,950 --> 01:36:52,679

show wonderful people like you who enjoy

2156

01:36:57,669 --> 01:36:54,960

this show send pledges in the form of

2157

01:37:01,430 --> 01:36:57,679

super jump super stickers super thanks

2158

01:37:03,729 --> 01:37:01,440

PayPal or cash out instructions for how

2159

01:37:07,129 --> 01:37:03,739

to help are in the description

2160

01:37:09,350 --> 01:37:07,139

you can also join our patreon and for as

2161

01:37:12,649 --> 01:37:09,360

little as one dollar a month you can get

2162

01:37:15,530 --> 01:37:12,659

extra content patreon supporters get a

2163

01:37:17,090 --> 01:37:15,540

park stage pass Early Access to all our

2164

01:37:19,669 --> 01:37:17,100

production videos before they are

2165

01:37:22,310 --> 01:37:19,679

distributed publicly Stephen Canyon's

2166

01:37:25,610 --> 01:37:22,320

music private writings a monthly show

2167

01:37:27,649 --> 01:37:25,620

journal and more you can also become a

2168

01:37:30,350 --> 01:37:27,659

YouTube channel member for five dollars

2169

01:37:33,110 --> 01:37:30,360

a month a YouTube membership includes

2170

01:37:36,050 --> 01:37:33,120

all the patreon benefits plus a special

2171

01:37:38,870 --> 01:37:36,060

members badge priority reply to video

2172

01:37:41,030 --> 01:37:38,880

comments and the live chat plus a

2173

01:37:43,490 --> 01:37:41,040

monthly Members Only video

2174

01:37:46,510 --> 01:37:43,500

thank you all kind and generous

2175

01:37:49,610 --> 01:37:46,520

benefactors for supporting truth Seekers

2176
01:38:02,650 --> 01:37:49,620
thank you for your generosity and

2177
01:38:19,129 --> 01:38:11,830
[Music]

2178
01:38:33,470 --> 01:38:21,090
foreign

2179
01:38:37,070 --> 01:38:35,689
so I'm sorry to the people who are so

2180
01:38:39,169 --> 01:38:37,080
freaking impatient that they won't get

2181
01:38:41,689 --> 01:38:39,179
off their butt and go learn the stuff

2182
01:38:44,689 --> 01:38:41,699
and do it themselves I'm not your daddy

2183
01:38:45,709 --> 01:38:44,699
I'm not here to do things for you I'm

2184
01:38:47,510 --> 01:38:45,719
sorry

2185
01:38:49,189 --> 01:38:47,520
get out of your basement and go do

2186
01:38:51,709 --> 01:38:49,199
something I've seen some of those snap

2187
01:38:54,709 --> 01:38:51,719
your fingers reports and they're garbage

2188
01:38:57,770 --> 01:38:54,719

publish the darn paper stop claiming

2189

01:39:01,250 --> 01:38:57,780

that this is shoddy work

2190

01:39:10,260 --> 01:39:01,260

this could this can't go anywhere

2191

01:39:10,270 --> 01:39:20,050

[Music]

2192

01:39:25,669 --> 01:39:22,790

thanks for being here this is truth

2193

01:39:28,550 --> 01:39:25,679

Seekers with your house Stephen Campion

2194

01:39:31,189 --> 01:39:28,560

please write like and comments on our

2195

01:39:32,990 --> 01:39:31,199

videos or podcasts if you are listening

2196

01:39:35,390 --> 01:39:33,000

to an all of your podcasts please write

2197

01:39:37,910 --> 01:39:35,400

this five stars to help us rise in the

2198

01:39:39,830 --> 01:39:37,920

search rankings if you're watching on

2199

01:39:42,229 --> 01:39:39,840

YouTube please like comment and

2200

01:39:44,330 --> 01:39:42,239

subscribe to our Channel if you're

2201
01:39:46,669 --> 01:39:44,340
listening to audio podcast we love and

2202
01:39:49,610 --> 01:39:46,679
appreciate you listeners but you are

2203
01:39:52,430 --> 01:39:49,620
missing the live tapings all our shows

2204
01:39:54,590 --> 01:39:52,440
are recorded live with video themes we'd

2205
01:39:57,070 --> 01:39:54,600
love you to come be a part of our live

2206
01:39:59,990 --> 01:39:57,080
broadcasts and tapings for the podcast

2207
01:40:02,750 --> 01:40:00,000
head on over to YouTube click the Search

2208
01:40:04,850 --> 01:40:02,760
tool the little magnifying glass what

2209
01:40:07,490 --> 01:40:04,860
should see is one word in the search bar

2210
01:40:09,530 --> 01:40:07,500
and hit enter you'll see a strange and

2211
01:40:11,750 --> 01:40:09,540
mysterious guy with sunglasses that

2212
01:40:14,149 --> 01:40:11,760
means you found the channel go there

2213
01:40:16,970 --> 01:40:14,159

smash the Subscribe button and hit the

2214

01:40:19,669 --> 01:40:16,980

notification Bell to receive up to date

2215

01:40:22,250 --> 01:40:19,679

info on our YouTube channel we welcome

2216

01:40:25,490 --> 01:40:22,260

you to be a part of our live taping and

2217

01:40:28,790 --> 01:40:25,500

our chat room during the live broadcasts

2218

01:40:35,840 --> 01:40:28,800

seek the truth speak

2219

01:40:35,850 --> 01:40:44,990

[Music]

2220

01:40:49,189 --> 01:40:47,750

and we are back friends any comments or

2221

01:40:53,149 --> 01:40:49,199

questions from here we've got a little

2222

01:40:56,570 --> 01:40:53,159

bit of time for the live chat uh thank

2223

01:40:58,729 --> 01:40:56,580

you Lou reviews clown shoes you need a

2224

01:40:59,930 --> 01:40:58,739

whole clown car thank you very much and

2225

01:41:02,750 --> 01:40:59,940

by the way everybody should check out

2226

01:41:04,669 --> 01:41:02,760

Lou's new show Lou reviews and by the

2227

01:41:07,010 --> 01:41:04,679

way Lou I don't want you to think that

2228

01:41:08,709 --> 01:41:07,020

I'm ripping you off but I am going to be

2229

01:41:11,149 --> 01:41:08,719

reviewing the original

2230

01:41:16,430 --> 01:41:11,159

1984 uh

2231

01:41:18,530 --> 01:41:16,440

V series both the uh the way V worked is

2232

01:41:22,070 --> 01:41:18,540

that there was first a couple of

2233

01:41:25,490 --> 01:41:22,080

specials they did with very high budget

2234

01:41:28,310 --> 01:41:25,500

and then after those uh limited series

2235

01:41:31,550 --> 01:41:28,320

they did two that were very very high

2236

01:41:33,590 --> 01:41:31,560

budget V the final battle or just V and

2237

01:41:35,750 --> 01:41:33,600

then V the final battle and then V the

2238

01:41:37,790 --> 01:41:35,760

television shows

2239

01:41:39,590 --> 01:41:37,800

um and unfortunately by the time they

2240

01:41:41,030 --> 01:41:39,600

got to the television series the budget

2241

01:41:44,209 --> 01:41:41,040

got cut in half

2242

01:41:48,109 --> 01:41:44,219

uh but it's still a great series and Lou

2243

01:41:51,109 --> 01:41:48,119

you would be you would love V because so

2244

01:41:54,590 --> 01:41:51,119

much of UFO land mythology came out of

2245

01:41:57,109 --> 01:41:54,600

the science fiction television series uh

2246

01:42:01,609 --> 01:41:57,119

and Liz do a reviews of things I care

2247

01:42:03,850 --> 01:42:01,619

about uh including uh you know uh

2248

01:42:07,970 --> 01:42:03,860

science fiction and things that I love

2249

01:42:11,149 --> 01:42:07,980

so uh and uh he did a show on this uh

2250

01:42:13,189 --> 01:42:11,159

Henry Cavill and the DC shakeup I hate

2251

01:42:15,109 --> 01:42:13,199

that Lou why can't they just leave it

2252

01:42:17,570 --> 01:42:15,119

the same actors because I'm just getting

2253

01:42:19,550 --> 01:42:17,580

used to Henry Cavill as Superman now I

2254

01:42:21,590 --> 01:42:19,560

gotta get used to somebody else and I

2255

01:42:24,229 --> 01:42:21,600

guess they're losing Ezra The Flash

2256

01:42:25,790 --> 01:42:24,239

because of his uh legal problems so

2257

01:42:27,950 --> 01:42:25,800

they're gonna have to reboot all of

2258

01:42:31,790 --> 01:42:27,960

Justice League so everybody should check

2259

01:42:34,189 --> 01:42:31,800

out Lou reviews uh it's uh he's doing

2260

01:42:37,430 --> 01:42:34,199

good over there good to see Cloud shoes

2261

01:42:40,430 --> 01:42:37,440

you need a whole clown car signal sharp

2262

01:42:43,129 --> 01:42:40,440

Andy Cahill how it would be endless

2263

01:42:47,870 --> 01:42:43,139

stream of ass clowns and that gives me a

2264

01:42:50,750 --> 01:42:47,880

great idea because Lou I have video of

2265

01:42:53,810 --> 01:42:50,760

what looks to be an insane amount of

2266

01:42:56,090 --> 01:42:53,820

clowns getting out of one car and if I

2267

01:42:57,890 --> 01:42:56,100

can get that face software to put like

2268

01:42:59,810 --> 01:42:57,900

faces on them that would be a great

2269

01:43:01,550 --> 01:42:59,820

video so thank you for your kindness

2270

01:43:03,649 --> 01:43:01,560

generosity and support and best of luck

2271

01:43:05,450 --> 01:43:03,659

with your new show and new adventure I

2272

01:43:08,030 --> 01:43:05,460

hope you don't think I'm ripping you off

2273

01:43:12,050 --> 01:43:08,040

when I decide to I work in review V

2274

01:43:14,750 --> 01:43:12,060

because it really does like so much of

2275

01:43:17,930 --> 01:43:14,760

UFO land came out of the the science

2276

01:43:19,609 --> 01:43:17,940

fiction series you know uh the fact that

2277

01:43:22,550 --> 01:43:19,619

the aliens are coming here to eat us

2278

01:43:25,070 --> 01:43:22,560

they're stealing our resources the whole

2279

01:43:27,709 --> 01:43:25,080

reptilian aliens thing the whole thing

2280

01:43:30,530 --> 01:43:27,719

about people in power really being

2281

01:43:33,169 --> 01:43:30,540

reptilian aliens and disguise as humans

2282

01:43:35,390 --> 01:43:33,179

it all came from V the science fiction

2283

01:43:37,910 --> 01:43:35,400

series which I saw when I was a little

2284

01:43:41,030 --> 01:43:37,920

little kid uh growing up I think that

2285

01:43:42,470 --> 01:43:41,040

was 1984 so I would have been like uh

2286

01:43:44,149 --> 01:43:42,480

you know in nursery school or

2287

01:43:46,790 --> 01:43:44,159

kindergarten and I was really scared of

2288

01:43:48,290 --> 01:43:46,800

those aliens man those reptile aliens I

2289

01:43:53,330 --> 01:43:48,300

had nightmares and stuff

2290

01:43:57,649 --> 01:43:56,030

yeah and Amy Collins is here and says I

2291

01:43:59,390 --> 01:43:57,659

just remember the scene where one of the

2292

01:44:03,290 --> 01:43:59,400

aliens ate the mouse from the dumpster

2293

01:44:06,290 --> 01:44:03,300

mousy mousy yeah I enjoyed that and I'm

2294

01:44:07,790 --> 01:44:06,300

almost done uh I think there's uh I

2295

01:44:09,830 --> 01:44:07,800

can't remember how many television show

2296

01:44:11,450 --> 01:44:09,840

episodes but it got worse and worse

2297

01:44:12,709 --> 01:44:11,460

because it looked like they just kept

2298

01:44:15,169 --> 01:44:12,719

cutting the budget and cutting the

2299

01:44:17,330 --> 01:44:15,179

budget and and it didn't

2300

01:44:19,850 --> 01:44:17,340

it didn't translate well without the

2301

01:44:22,010 --> 01:44:19,860

budget it's like you know it's like

2302

01:44:24,830 --> 01:44:22,020

anything if you cut the budget in half

2303

01:44:27,709 --> 01:44:24,840

then the the quality of the show is

2304

01:44:29,990 --> 01:44:27,719

going to suffer right

2305

01:44:33,050 --> 01:44:30,000

does anybody know if V can still be

2306

01:44:36,169 --> 01:44:33,060

viewed well I do know that

2307

01:44:38,510 --> 01:44:36,179

um you can buy I had to buy the uh

2308

01:44:40,430 --> 01:44:38,520

television series

2309

01:44:42,890 --> 01:44:40,440

but I think that you might be able to

2310

01:44:45,229 --> 01:44:42,900

buy it on Amazon I'm looking right now

2311

01:44:47,990 --> 01:44:45,239

the original mini series oh yeah you

2312

01:44:50,209 --> 01:44:48,000

could buy both oh my God I got robbed on

2313

01:44:54,890 --> 01:44:52,310

I think I'm going to show you this

2314

01:44:57,290 --> 01:44:54,900

I'll show you

2315

01:44:59,649 --> 01:44:57,300

the the original mini series is

2316

01:45:04,850 --> 01:44:59,659

available on Blu-ray for 16

2317

01:45:10,550 --> 01:45:04,860

and and the season one uh the complete

2318

01:45:13,250 --> 01:45:10,560

series was uh is 1.99 or no to buy an

2319

01:45:15,350 --> 01:45:13,260

episode so thirty dollars but I got that

2320

01:45:16,010 --> 01:45:15,360

on eBay

2321

01:45:19,189 --> 01:45:16,020

um

2322

01:45:21,649 --> 01:45:19,199

7.99 to buy the season there's two

2323

01:45:23,330 --> 01:45:21,659

v-series one of them more recent which I

2324

01:45:26,090 --> 01:45:23,340

didn't enjoy quite as much

2325

01:45:30,530 --> 01:45:26,100

but you can buy the original mini series

2326

01:45:32,270 --> 01:45:30,540

V and the uh the final battle and you

2327

01:45:34,430 --> 01:45:32,280

can buy the original television series

2328

01:45:36,590 --> 01:45:34,440

for thirty dollars so it'd be like you

2329

01:45:38,689 --> 01:45:36,600

know there's a little bit of a chunk of

2330

01:45:40,490 --> 01:45:38,699

change I got it I got all this stuff on

2331

01:45:43,010 --> 01:45:40,500

eBay actually

2332

01:45:45,470 --> 01:45:43,020

second hand used pretty cheap I think

2333

01:45:48,229 --> 01:45:45,480

that one was six dollars one was nine

2334

01:45:51,950 --> 01:45:48,239

dollars and the TV series is four DVDs

2335

01:45:53,750 --> 01:45:51,960

that one was like 22 dollars on eBay but

2336

01:45:55,669 --> 01:45:53,760

I so enjoyed that when I was a child and

2337

01:45:57,830 --> 01:45:55,679

I wanted to watch it again

2338

01:46:00,830 --> 01:45:57,840

so uh

2339

01:46:04,129 --> 01:46:00,840

you know it was fun and uh we'll be

2340

01:46:05,930 --> 01:46:04,139

doing a talk and a review of that not my

2341

01:46:10,370 --> 01:46:05,940

normal wheelhouse but I think since it

2342

01:46:12,050 --> 01:46:10,380

relates so strongly to UFO land uh

2343

01:46:14,810 --> 01:46:12,060

yeah

2344

01:46:16,550 --> 01:46:14,820

I was watching it a few weeks ago for

2345

01:46:18,290 --> 01:46:16,560

free well please share Mike where you

2346

01:46:20,090 --> 01:46:18,300

saw it unless it's a pirate Source

2347

01:46:21,530 --> 01:46:20,100

because we don't want to we're not

2348

01:46:23,330 --> 01:46:21,540

supposed to encourage that sort of

2349

01:46:25,550 --> 01:46:23,340

behavior but you know everything's

2350

01:46:29,450 --> 01:46:25,560

available on the beat on the on the bay

2351
01:46:31,850 --> 01:46:29,460
but then again some things aren't right

2352
01:46:34,189 --> 01:46:31,860
I know V maybe we'll review it thanks

2353
01:46:37,490 --> 01:46:34,199
for the tip well if you do I'm coming on

2354
01:46:41,149 --> 01:46:37,500
as a guest because Lou I love that uh

2355
01:46:43,310 --> 01:46:41,159
when I was growing up man and and uh if

2356
01:46:45,649 --> 01:46:43,320
I could bring I was so happy when they

2357
01:46:47,390 --> 01:46:45,659
brought it back but then it got canceled

2358
01:46:49,010 --> 01:46:47,400
in the middle of it and they never

2359
01:46:51,470 --> 01:46:49,020
finished it and they even brought back

2360
01:46:54,830 --> 01:46:51,480
some of the original actors to play sort

2361
01:46:57,649 --> 01:46:54,840
of different characters in the new V

2362
01:47:00,050 --> 01:46:57,659
um it was very very it was very very

2363
01:47:01,490 --> 01:47:00,060

it was like getting your legs cut out

2364

01:47:03,410 --> 01:47:01,500

from you while you're trying to run a

2365

01:47:05,689 --> 01:47:03,420

marathon seeing the new V because it

2366

01:47:07,970 --> 01:47:05,699

started off great and they were doing so

2367

01:47:10,129 --> 01:47:07,980

good with it and then they just canceled

2368

01:47:13,550 --> 01:47:10,139

it and they never finished it so they

2369

01:47:16,189 --> 01:47:13,560

left you with a cliffhanger right and

2370

01:47:18,410 --> 01:47:16,199

same for the original V series but at

2371

01:47:21,109 --> 01:47:18,420

least that had some sort of an ending so

2372

01:47:25,209 --> 01:47:21,119

it made sense right

2373

01:47:27,649 --> 01:47:25,219

so any comments or questions for me uh

2374

01:47:30,350 --> 01:47:27,659

electromagnetic frequency says V was a

2375

01:47:32,450 --> 01:47:30,360

psyop yeah or maybe it was specifically

2376

01:47:34,970 --> 01:47:32,460

designed to leak the truth about the

2377

01:47:36,470 --> 01:47:34,980

alien overlords that are reptilians on

2378

01:47:39,470 --> 01:47:36,480

earth right

2379

01:47:41,209 --> 01:47:39,480

uh yes the old one still holds up it

2380

01:47:43,790 --> 01:47:41,219

really does even though they did not

2381

01:47:44,870 --> 01:47:43,800

have CGI it was all done with practical

2382

01:47:46,490 --> 01:47:44,880

effects

2383

01:47:50,450 --> 01:47:46,500

but

2384

01:47:52,669 --> 01:47:50,460

um I am uh oh I'm sorry I got the wrong

2385

01:47:54,890 --> 01:47:52,679

one the original V still holds up where

2386

01:47:57,530 --> 01:47:54,900

was that comment there the old one still

2387

01:48:01,609 --> 01:47:57,540

holds up I'm a fan of practical effects

2388

01:48:04,910 --> 01:48:01,619

I if I get to make films my way I'm not

2389

01:48:06,890 --> 01:48:04,920

using any CGI if we need a monster in

2390

01:48:08,750 --> 01:48:06,900

the movie I'm making we're building it

2391

01:48:14,209 --> 01:48:08,760

because I just think it looks better

2392

01:48:17,689 --> 01:48:14,219

right uh I I I'm okay with CGI but I

2393

01:48:20,450 --> 01:48:17,699

think that the overuse of CGI has kind

2394

01:48:22,790 --> 01:48:20,460

of killed it for me you know it's it's a

2395

01:48:26,450 --> 01:48:22,800

great Production Tool but

2396

01:48:30,169 --> 01:48:26,460

you know like the uh everybody remember

2397

01:48:31,550 --> 01:48:30,179

um The Phantom Menace where they used a

2398

01:48:35,629 --> 01:48:31,560

uh

2399

01:48:38,450 --> 01:48:35,639

they used CGI Yoda in the in the

2400

01:48:40,609 --> 01:48:38,460

prequels I didn't like it as much as I

2401

01:48:42,649 --> 01:48:40,619

liked the puppet Yoda the puppet Yoda to

2402

01:48:43,970 --> 01:48:42,659

me looked more realistic and Empire

2403

01:48:46,070 --> 01:48:43,980

Strikes Back

2404

01:48:47,689 --> 01:48:46,080

I just think if you can do it with

2405

01:48:49,189 --> 01:48:47,699

practical effects you should you

2406

01:48:52,010 --> 01:48:49,199

shouldn't just go straight to everything

2407

01:48:52,729 --> 01:48:52,020

CGI right

2408

01:48:54,890 --> 01:48:52,739

um

2409

01:48:56,270 --> 01:48:54,900

yeah artists and Tony's here the kind

2410

01:48:58,250 --> 01:48:56,280

and generous twenty dollars it says

2411

01:49:00,109 --> 01:48:58,260

Merry Christmas all truth Seekers well

2412

01:49:01,010 --> 01:49:00,119

thank you for a kindness generosity and

2413

01:49:03,169 --> 01:49:01,020

support

2414

01:49:05,450 --> 01:49:03,179

uh we appreciate your kindness your

2415

01:49:08,570 --> 01:49:05,460

generosity and your support of the show

2416

01:49:10,430 --> 01:49:08,580

and of course so does Trixie so we'll

2417

01:49:12,649 --> 01:49:10,440

have Trixie thank you and all of you

2418

01:49:14,330 --> 01:49:12,659

kind and generous this is Trixie from

2419

01:49:15,540 --> 01:49:14,340

true

2420

01:49:17,750 --> 01:49:15,550

thank you

2421

01:49:21,410 --> 01:49:17,760

[Music]

2422

01:49:27,830 --> 01:49:21,420

raise the cash so hard those blue

2423

01:49:32,689 --> 01:49:31,070

that's something else right yeah thank

2424

01:49:34,550 --> 01:49:32,699

you Artisan Tony for crying this

2425

01:49:37,189 --> 01:49:34,560

generosity and support thank all you

2426
01:49:38,629 --> 01:49:37,199
guys I'm happy to say let me warn you

2427
01:49:41,689 --> 01:49:38,639
men out there

2428
01:49:45,470 --> 01:49:41,699
okay this is important if you have not

2429
01:49:48,590 --> 01:49:45,480
done so already I highly recommend

2430
01:49:50,390 --> 01:49:48,600
if you have not done so already I highly

2431
01:49:53,209 --> 01:49:50,400
recommend that you finish your Christmas

2432
01:49:56,629 --> 01:49:53,219
shopping right and us men most of us

2433
01:49:59,030 --> 01:49:56,639
have it easy my poor wife has been on

2434
01:50:01,189 --> 01:49:59,040
Amazon for two months right trying to

2435
01:50:02,750 --> 01:50:01,199
get the best deals she's going out she

2436
01:50:05,570 --> 01:50:02,760
went out on Black Friday with her

2437
01:50:08,930 --> 01:50:05,580
sisters trying to get some deals and

2438
01:50:12,169 --> 01:50:08,940

she's got a rack uh all kinds of stuff

2439

01:50:16,010 --> 01:50:12,179

but us men have it easy and

2440

01:50:18,770 --> 01:50:16,020

um you know it's unfortunate but

2441

01:50:20,510 --> 01:50:18,780

um I took my son today to go Christmas

2442

01:50:22,310 --> 01:50:20,520

shopping because every year I take him

2443

01:50:23,930 --> 01:50:22,320

to buy his brother and his mom and his

2444

01:50:28,370 --> 01:50:23,940

grandmother a gift

2445

01:50:29,629 --> 01:50:28,380

and uh the line was like so long and I

2446

01:50:31,990 --> 01:50:29,639

thought we were going to be there for an

2447

01:50:35,390 --> 01:50:32,000

hour but luckily it moved pretty quickly

2448

01:50:37,609 --> 01:50:35,400

uh but the line was like halfway to the

2449

01:50:39,590 --> 01:50:37,619

back of the store to get in line to just

2450

01:50:41,390 --> 01:50:39,600

get checked out and we only were buying

2451

01:50:45,169 --> 01:50:41,400

like four or five things so and there

2452

01:50:46,970 --> 01:50:45,179

was no guys go chopping now anything

2453

01:50:49,070 --> 01:50:46,980

that you have to buy you better go buy

2454

01:50:52,490 --> 01:50:49,080

right now because it's going to get

2455

01:50:55,189 --> 01:50:52,500

worse out there it's terrible it's

2456

01:50:57,770 --> 01:50:55,199

terrible right now I don't know I don't

2457

01:51:00,050 --> 01:50:57,780

know what that's about like uh

2458

01:51:02,090 --> 01:51:00,060

I guess people wait to the last minute

2459

01:51:06,290 --> 01:51:02,100

and then everybody's trying to get the

2460

01:51:10,729 --> 01:51:06,300

get their shopping done right and it is

2461

01:51:12,590 --> 01:51:10,739

what it is so uh yeah we did our due

2462

01:51:15,169 --> 01:51:12,600

diligence today

2463

01:51:16,910 --> 01:51:15,179

um oh look at that UFO John Bell I

2464

01:51:18,649 --> 01:51:16,920

appreciate your kindness

2465

01:51:21,109 --> 01:51:18,659

you're forced to have a three-course

2466

01:51:23,810 --> 01:51:21,119

meal with one of the three for several

2467

01:51:27,470 --> 01:51:23,820

ear hours who are you taking Nazi girl

2468

01:51:30,109 --> 01:51:27,480

Linda Moulton Hal or Anjali Amazon has

2469

01:51:31,910 --> 01:51:30,119

Cloud shoes between 12 to 20 with wig

2470

01:51:34,970 --> 01:51:31,920

nose and gloves twenty dollars happy

2471

01:51:37,370 --> 01:51:34,980

holidays Brothers to you and spooky love

2472

01:51:39,169 --> 01:51:37,380

V and the show theme song yeah that was

2473

01:51:42,169 --> 01:51:39,179

a great theme song I forgot about that

2474

01:51:44,390 --> 01:51:42,179

UFO John Doe who am I having the meal

2475

01:51:47,330 --> 01:51:44,400

with I think I would have it with Nazi

2476

01:51:50,390 --> 01:51:47,340

girl because I may be able to reach her

2477

01:51:52,850 --> 01:51:50,400

and tell her uh some stories and I have

2478

01:51:55,370 --> 01:51:52,860

some books for her about the Holocaust

2479

01:51:57,530 --> 01:51:55,380

and I would maybe I'll force her to sit

2480

01:51:58,729 --> 01:51:57,540

and watch Schindler's List with me and

2481

01:52:01,550 --> 01:51:58,739

other

2482

01:52:03,770 --> 01:52:01,560

stuff right or read The Diary of Anne

2483

01:52:06,050 --> 01:52:03,780

Frank I could give her that book

2484

01:52:08,450 --> 01:52:06,060

I think that that girl just doesn't

2485

01:52:11,330 --> 01:52:08,460

understand the harm she is doing talking

2486

01:52:13,430 --> 01:52:11,340

about things like the good Nazis and

2487

01:52:15,649 --> 01:52:13,440

therefore

2488

01:52:18,470 --> 01:52:15,659

um you know somebody should sit her down

2489

01:52:20,450 --> 01:52:18,480

and talk to her like a friend and say do

2490

01:52:24,530 --> 01:52:20,460

you understand the damage that you're

2491

01:52:25,729 --> 01:52:24,540

doing to the victims of the Nazis and to

2492

01:52:28,669 --> 01:52:25,739

yourself

2493

01:52:31,370 --> 01:52:28,679

by glorifying these things I think I

2494

01:52:34,189 --> 01:52:31,380

would choose her right

2495

01:52:36,290 --> 01:52:34,199

um Linda Milton Hale and Anjali yeah

2496

01:52:38,629 --> 01:52:36,300

it's tough choice actually

2497

01:52:40,729 --> 01:52:38,639

I think Anjali and I would get along we

2498

01:52:43,370 --> 01:52:40,739

would have a nice meal Linda Moulton Hal

2499

01:52:45,229 --> 01:52:43,380

probably would uh be stabbing me in the

2500

01:52:47,209 --> 01:52:45,239

eyes with a fork

2501
01:52:50,810 --> 01:52:47,219
the whole way through the meal though

2502
01:52:53,689 --> 01:52:50,820
right she's not a big fan of mine I hear

2503
01:52:55,850 --> 01:52:53,699
though it is strange that she posted on

2504
01:52:58,070 --> 01:52:55,860
her channel one of our shows covering

2505
01:53:00,169 --> 01:52:58,080
the Nazi girl after She interviewed her

2506
01:53:01,609 --> 01:53:00,179
like this makes no sense and then

2507
01:53:04,010 --> 01:53:01,619
somebody took it down I think maybe

2508
01:53:05,629 --> 01:53:04,020
somebody that works for her didn't like

2509
01:53:07,850 --> 01:53:05,639
her interviewing that girl so they

2510
01:53:09,950 --> 01:53:07,860
posted our video on her YouTube channel

2511
01:53:11,510 --> 01:53:09,960
for a time I don't know what happened

2512
01:53:13,910 --> 01:53:11,520
with that but it's pretty interesting

2513
01:53:16,310 --> 01:53:13,920

and by the way Linda Moulton Howe and

2514

01:53:19,010 --> 01:53:16,320

many others and Lou Lou was in our live

2515

01:53:23,209 --> 01:53:19,020

chat Lou

2516

01:53:25,310 --> 01:53:23,219

Lou Elizondo Lou Angelus and Linda

2517

01:53:27,950 --> 01:53:25,320

Moulton Howe are all in the running for

2518

01:53:29,990 --> 01:53:27,960

best UFO meltdown for the golden probe

2519

01:53:31,910 --> 01:53:30,000

Awards and by the way there's a video in

2520

01:53:34,430 --> 01:53:31,920

the description of this video or podcast

2521

01:53:36,830 --> 01:53:34,440

you can go see the nominations and find

2522

01:53:39,649 --> 01:53:36,840

out how to vote I believe that's going

2523

01:53:41,450 --> 01:53:39,659

to be December 23rd I would play the

2524

01:53:43,669 --> 01:53:41,460

trailer but somebody put copyrighted

2525

01:53:46,850 --> 01:53:43,679

music in the trailer so I can't

2526

01:53:47,990 --> 01:53:46,860

um but you can go to my uh Twitter and I

2527

01:53:49,970 --> 01:53:48,000

encourage you to follow me on Twitter

2528

01:53:52,850 --> 01:53:49,980

it's at Stephen Campion to keep up with

2529

01:53:55,070 --> 01:53:52,860

all the latest on the show somebody sent

2530

01:53:57,290 --> 01:53:55,080

also somebody sent me a message that the

2531

01:53:58,189 --> 01:53:57,300

bit shoot is behind and I'm aware of

2532

01:54:00,830 --> 01:53:58,199

that

2533

01:54:03,050 --> 01:54:00,840

last week we produced something like 34

2534

01:54:05,570 --> 01:54:03,060

hours of content in one week the most we

2535

01:54:07,609 --> 01:54:05,580

ever had but we had to do that in order

2536

01:54:10,189 --> 01:54:07,619

to get the information out in a timely

2537

01:54:13,310 --> 01:54:10,199

fashion due to legal stuff you know the

2538

01:54:15,649 --> 01:54:13,320

status might change on that stuff so I'm

2539

01:54:18,109 --> 01:54:15,659

aware uh something had to give I didn't

2540

01:54:20,390 --> 01:54:18,119

have time to be uploading videos and bit

2541

01:54:22,490 --> 01:54:20,400

shoot requires a certain format like I

2542

01:54:24,649 --> 01:54:22,500

have to squeeze it down it won't just

2543

01:54:27,229 --> 01:54:24,659

take the Raw videos from

2544

01:54:29,570 --> 01:54:27,239

that's a long story but I will be

2545

01:54:32,290 --> 01:54:29,580

updating that starting tonight we should

2546

01:54:35,030 --> 01:54:32,300

be up to date on the bit shoot uh

2547

01:54:37,310 --> 01:54:35,040

shortly and by the way I just want to

2548

01:54:40,790 --> 01:54:37,320

mention if you're a content creator

2549

01:54:42,890 --> 01:54:40,800

um I did originally call some of these

2550

01:54:45,290 --> 01:54:42,900

all video sites the ghetto of the

2551

01:54:49,370 --> 01:54:45,300

internet I did

2552

01:54:51,590 --> 01:54:49,380

um and you know it seemed to me that

2553

01:54:54,530 --> 01:54:51,600

everybody that got thrown off of YouTube

2554

01:54:56,930 --> 01:54:54,540

was there but nobody else but things are

2555

01:54:58,970 --> 01:54:56,940

changing and

2556

01:55:01,430 --> 01:54:58,980

um it's good to see the change take

2557

01:55:04,189 --> 01:55:01,440

place because you know

2558

01:55:06,830 --> 01:55:04,199

um competition is good for any industry

2559

01:55:08,810 --> 01:55:06,840

and YouTube has had a monopoly on things

2560

01:55:13,910 --> 01:55:08,820

on content creators

2561

01:55:17,209 --> 01:55:13,920

for quite some time and I don't know why

2562

01:55:20,209 --> 01:55:17,219

but we just had our biggest number of

2563

01:55:22,370 --> 01:55:20,219

views on our Rumble Channel ever on the

2564

01:55:24,590 --> 01:55:22,380

rumble Channel and that was our episode

2565

01:55:27,050 --> 01:55:24,600

last night

2566

01:55:29,930 --> 01:55:27,060

um so it's good to see it's good to see

2567

01:55:32,629 --> 01:55:29,940

the changes and it's good to see we're

2568

01:55:36,709 --> 01:55:32,639

picking up a [h__\h] ton of views on some

2569

01:55:38,810 --> 01:55:36,719

of these all uh video platforms and I'm

2570

01:55:40,990 --> 01:55:38,820

happy to see it so our new distribution

2571

01:55:43,450 --> 01:55:41,000

network is in place for those unaware

2572

01:55:47,870 --> 01:55:43,460

all of our videos will be on Facebook

2573

01:55:51,350 --> 01:55:47,880

YouTube twitch Twitter Rumble Odyssey

2574

01:55:56,229 --> 01:55:51,360

and D live and then also next day

2575

01:56:00,350 --> 01:55:56,239

usually next day uploads to uh right now

2576

01:56:02,030 --> 01:56:00,360

Dailymotion bit shoot and Brighton

2577

01:56:04,430 --> 01:56:02,040

and it's pretty funny that we're on

2578

01:56:07,370 --> 01:56:04,440

Brighton because uh Mike Adams who owns

2579

01:56:09,950 --> 01:56:07,380

brightson is a I think he's a friend of

2580

01:56:12,590 --> 01:56:09,960

David Wilcock uh but he says he has a

2581

01:56:14,930 --> 01:56:12,600

free speech platform so we'll be testing

2582

01:56:17,510 --> 01:56:14,940

that by uploading videos highly critical

2583

01:56:20,270 --> 01:56:17,520

of David Wilcock and others and we'll

2584

01:56:23,030 --> 01:56:20,280

see what kind of free speech platform he

2585

01:56:25,729 --> 01:56:23,040

really has right

2586

01:56:28,189 --> 01:56:25,739

uh yeah so the bit shoot will be updated

2587

01:56:30,890 --> 01:56:28,199

and and I appreciate I appreciate that

2588

01:56:33,530 --> 01:56:30,900

somebody will let me know and feel free

2589

01:56:35,930 --> 01:56:33,540

if something looks like it's not being

2590

01:56:39,169 --> 01:56:35,940

done well you can email me it just might

2591

01:56:41,090 --> 01:56:39,179

be time constraints right

2592

01:56:44,030 --> 01:56:41,100

Tom Fuller he says you should do another

2593

01:56:46,129 --> 01:56:44,040

one on David Wilcock and Corey

2594

01:56:48,350 --> 01:56:46,139

could those dudes deserve all the noise

2595

01:56:51,709 --> 01:56:48,360

they get yeah we'll see I'm sure we'll

2596

01:56:53,870 --> 01:56:51,719

be covering the case uh in January 24th

2597

01:56:55,970 --> 01:56:53,880

there's a discovery hearing and Corey

2598

01:56:57,470 --> 01:56:55,980

good is claiming that the you know all

2599

01:56:59,750 --> 01:56:57,480

kinds of things we'll see what happens

2600

01:57:01,970 --> 01:56:59,760

with the court case I think it's getting

2601
01:57:04,129 --> 01:57:01,980
thrown out or Corey good is going to

2602
01:57:06,109 --> 01:57:04,139
finally wise up and drop or settle the

2603
01:57:07,729 --> 01:57:06,119
case because it's not good for him it's

2604
01:57:09,350 --> 01:57:07,739
not good for his business it's just

2605
01:57:11,629 --> 01:57:09,360
negative publicity

2606
01:57:14,510 --> 01:57:11,639
I'm working on the most evil digital

2607
01:57:18,229 --> 01:57:14,520
clip that was ever created uh okay Bob

2608
01:57:20,870 --> 01:57:18,239
Perkins good for you yeah

2609
01:57:22,310 --> 01:57:20,880
uh I be around good people though for

2610
01:57:24,169 --> 01:57:22,320
the first time in a long time and my

2611
01:57:27,109 --> 01:57:24,179
help is the most important thing to me

2612
01:57:28,669 --> 01:57:27,119
good for you broken hearted 420 and I

2613
01:57:30,530 --> 01:57:28,679

hope you're not so broken hard of it

2614

01:57:33,890 --> 01:57:30,540

then right

2615

01:57:35,750 --> 01:57:33,900

uh good to see you here good to see all

2616

01:57:38,629 --> 01:57:35,760

of you here and I have to say we've had

2617

01:57:40,790 --> 01:57:38,639

incredible numbers lately I'm happy to

2618

01:57:41,750 --> 01:57:40,800

see the change and we needed a little

2619

01:57:43,729 --> 01:57:41,760

boost

2620

01:57:46,729 --> 01:57:43,739

you know to be very honest with you

2621

01:57:49,729 --> 01:57:46,739

before last week I was getting

2622

01:57:52,609 --> 01:57:49,739

discouraged because uh we would

2623

01:57:54,649 --> 01:57:52,619

sometimes we work so hard on on a show

2624

01:57:57,229 --> 01:57:54,659

and then we have trouble breaking a

2625

01:57:59,149 --> 01:57:57,239

thousand views and that's discouraging

2626

01:58:01,490 --> 01:57:59,159

but I mean we've

2627

01:58:03,830 --> 01:58:01,500

I get it it's you know there's going to

2628

01:58:06,050 --> 01:58:03,840

be Peaks and valleys but unfortunately

2629

01:58:08,930 --> 01:58:06,060

we were in a valley for a while now it

2630

01:58:11,510 --> 01:58:08,940

seems like we're at the peak for a while

2631

01:58:13,070 --> 01:58:11,520

I'm fine with there being valleys again

2632

01:58:15,290 --> 01:58:13,080

right

2633

01:58:17,209 --> 01:58:15,300

brokenhearted 420 says I will get there

2634

01:58:20,390 --> 01:58:17,219

thank you Stephen no thank you and I

2635

01:58:23,930 --> 01:58:20,400

hope you do uh the best thing to do for

2636

01:58:27,470 --> 01:58:23,940

a broken heart is to spend time with

2637

01:58:30,290 --> 01:58:27,480

yourself and uh

2638

01:58:33,470 --> 01:58:30,300

pursue old or new hobbies you've always

2639

01:58:35,149 --> 01:58:33,480

wanted to do and work on yourself and

2640

01:58:37,790 --> 01:58:35,159

learn to be happy

2641

01:58:39,050 --> 01:58:37,800

without a significant other that's so

2642

01:58:42,050 --> 01:58:39,060

important

2643

01:58:44,689 --> 01:58:42,060

uh I was just talking to a friend who

2644

01:58:47,030 --> 01:58:44,699

said that they were not looking for love

2645

01:58:49,370 --> 01:58:47,040

and they were just working on themselves

2646

01:58:50,870 --> 01:58:49,380

right they were not looking for love at

2647

01:58:52,850 --> 01:58:50,880

all just working on themselves and

2648

01:58:55,790 --> 01:58:52,860

working on being super happy

2649

01:58:59,149 --> 01:58:55,800

solo and as soon as they reached that

2650

01:59:01,550 --> 01:58:59,159

super happy solo they found a great

2651

01:59:03,709 --> 01:59:01,560

partner I think that's the way the

2652

01:59:05,570 --> 01:59:03,719

universe works you know if you're happy

2653

01:59:07,010 --> 01:59:05,580

you're going to attract the good one if

2654

01:59:08,930 --> 01:59:07,020

you're miserable and desperate and

2655

01:59:11,390 --> 01:59:08,940

lonely you're not going to attract a

2656

01:59:12,890 --> 01:59:11,400

good one right

2657

01:59:15,470 --> 01:59:12,900

uh

2658

01:59:17,870 --> 01:59:15,480

Bob Burkett says I'm from Quebec and we

2659

01:59:19,790 --> 01:59:17,880

both try making sense uh you're doing a

2660

01:59:22,669 --> 01:59:19,800

terrible job of it because I don't know

2661

01:59:25,010 --> 01:59:22,679

Bob Perkins he just posts this plumber

2662

01:59:27,050 --> 01:59:25,020

in a toilet a simple regular job like

2663

01:59:28,490 --> 01:59:27,060

what does that even mean Bob Perkins

2664

01:59:31,270 --> 01:59:28,500

right

2665

01:59:38,810 --> 01:59:34,370

out there for the Wacky World of Ariel

2666

01:59:40,070 --> 01:59:38,820

Uriel Michael and La Luchi you might be

2667

01:59:42,649 --> 01:59:40,080

right right

2668

01:59:44,570 --> 01:59:42,659

super kick City says well 50 is awesome

2669

01:59:46,070 --> 01:59:44,580

everybody's awesome that's throwing a

2670

01:59:47,629 --> 01:59:46,080

couple of bucks in our hat tonight and

2671

01:59:49,310 --> 01:59:47,639

we thank all of you for your kindness

2672

01:59:51,890 --> 01:59:49,320

your generosity and your support of the

2673

01:59:54,950 --> 01:59:51,900

show it is much much appreciated

2674

01:59:57,410 --> 01:59:54,960

and uh we're gonna wrap things up here

2675

01:59:59,330 --> 01:59:57,420

because uh that's all we got for you for

2676

02:00:00,950 --> 01:59:59,340

tonight I've got some administrative

2677

02:00:03,290 --> 02:00:00,960

work to do for the show including

2678

02:00:05,510 --> 02:00:03,300

updating bit shoot and uh we're going to

2679

02:00:09,950 --> 02:00:07,129

um and I've got some stuff to do with

2680

02:00:11,149 --> 02:00:09,960

the audio podcast as well but we want to

2681

02:00:12,589 --> 02:00:11,159

thank each and every one of you for

2682

02:00:15,050 --> 02:00:12,599

joining us we want to thank all of our

2683

02:00:17,689 --> 02:00:15,060

kind and generous benefactors all you

2684

02:00:20,810 --> 02:00:17,699

patreon supporters all you uh channel

2685

02:00:23,450 --> 02:00:20,820

members super Chatters uh one final

2686

02:00:24,830 --> 02:00:23,460

thing let me just check in with the

2687

02:00:26,450 --> 02:00:24,840

big pal

2688

02:00:29,629 --> 02:00:26,460

and uh

2689

02:00:30,290 --> 02:00:29,639

we are uh stopping the the

2690

02:00:32,270 --> 02:00:30,300

um

2691

02:00:34,250 --> 02:00:32,280

cash app for now until I figure out

2692

02:00:38,209 --> 02:00:34,260

whatever the issue is with it please

2693

02:00:41,870 --> 02:00:38,219

just use the super chats or use uh

2694

02:00:44,390 --> 02:00:41,880

oh Carolyn Barnett again with a Kind and

2695

02:00:47,629 --> 02:00:44,400

Generous 20 PayPal pledge

2696

02:00:49,310 --> 02:00:47,639

says clown shoes for everyone I agree

2697

02:00:52,189 --> 02:00:49,320

there should be clown shoes for everyone

2698

02:00:54,830 --> 02:00:52,199

and thank you Carolyn Sweet Caroline I'm

2699

02:00:56,450 --> 02:00:54,840

sorry about that Sweet Caroline uh for

2700

02:00:57,950 --> 02:00:56,460

your kindness generosity and continued

2701
02:01:00,290 --> 02:00:57,960
support of the show and then Nicholas

2702
02:01:05,450 --> 02:01:00,300
with the kind and generous

2703
02:01:09,890 --> 02:01:08,629
kind of generous two dollar pledge thank

2704
02:01:13,010 --> 02:01:09,900
you Nicholas for your kindness

2705
02:01:14,209 --> 02:01:13,020
generosity and support uh so we thank

2706
02:01:15,770 --> 02:01:14,219
all of you we thank the chat room

2707
02:01:17,870 --> 02:01:15,780
moderators if that card for the

2708
02:01:20,450 --> 02:01:17,880
excellent graphics and we thank all of

2709
02:01:22,910 --> 02:01:20,460
you for being here no place uh I would

2710
02:01:24,649 --> 02:01:22,920
rather be but I've got some other things

2711
02:01:27,649 --> 02:01:24,659
to do for the show tonight we'll be back

2712
02:01:30,890 --> 02:01:27,659
tomorrow night 9 p.m Eastern Standard

2713
02:01:33,830 --> 02:01:30,900

Time got a great show uh scheduled for

2714

02:01:37,550 --> 02:01:33,840

tomorrow I'm gathering some more Source

2715

02:01:39,830 --> 02:01:37,560

material tonight so uh I encourage you

2716

02:01:42,109 --> 02:01:39,840

to please be here tomorrow night 9 p.m

2717

02:01:45,770 --> 02:01:42,119

Eastern Standard Time which is our usual

2718

02:01:48,709 --> 02:01:45,780

show time uh and and we'll be uh

2719

02:01:52,370 --> 02:01:48,719

bringing you another adventure into the

2720

02:01:56,209 --> 02:01:52,380

Crazy Land of conspiracy land so that's

2721

02:01:58,430 --> 02:01:56,219

all we got for you friends and uh

2722

02:02:00,890 --> 02:01:58,440

I will definitely

2723

02:02:02,510 --> 02:02:00,900

I'm not sure about the schedule going

2724

02:02:04,370 --> 02:02:02,520

after tomorrow

2725

02:02:06,470 --> 02:02:04,380

because we're getting into Christmas

2726

02:02:09,229 --> 02:02:06,480

time I'm not sure if there'll be a show

2727

02:02:11,209 --> 02:02:09,239

on the 24th or the 25th but there

2728

02:02:13,850 --> 02:02:11,219

usually isn't a show on weekends so

2729

02:02:17,930 --> 02:02:13,860

we'll probably do a show tomorrow

2730

02:02:20,689 --> 02:02:17,940

and also a show on Friday and then we'll

2731

02:02:23,810 --> 02:02:20,699

take a break for the holidays uh I want

2732

02:02:25,970 --> 02:02:23,820

to wish all of you the best holiday ever

2733

02:02:28,490 --> 02:02:25,980

whether whatever it is that you

2734

02:02:30,709 --> 02:02:28,500

celebrate happy holidays Merry Christmas

2735

02:02:33,109 --> 02:02:30,719

happy Hanukkah happy Kwanzaa whatever

2736

02:02:35,149 --> 02:02:33,119

you celebrate I hope you have a great

2737

02:02:37,970 --> 02:02:35,159

time with friends and family surrounded

2738

02:02:40,910 --> 02:02:37,980

by loved ones and uh I'm going to be

2739

02:02:43,189 --> 02:02:40,920

doing that and I hope you will too so

2740

02:02:45,350 --> 02:02:43,199

that's all we got for you friends

2741

02:02:47,810 --> 02:02:45,360

until next time my name is Stephen

2742

02:02:51,120 --> 02:02:47,820

cambian good night and God bless all of

2743

02:03:13,200 --> 02:03:11,330

[Music]

2744

02:03:42,070 --> 02:03:13,210

thank you

2745

02:04:21,260 --> 02:03:49,650

[Music]

2746

02:04:29,209 --> 02:04:21,270

[Applause]

2747

02:04:29,219 --> 02:04:59,870

foreign

2748

02:04:59,880 --> 02:05:28,010

[Music]

2749

02:05:34,129 --> 02:05:30,649

this is Trixie reporting for truth

2750

02:05:37,550 --> 02:05:34,139

Seekers UFO desk where we give you

2751
02:05:40,729 --> 02:05:37,560
absolutely no gimmicks whatsoever just

2752
02:05:44,750 --> 02:05:40,739
the truth and tonight I can exclusively

2753
02:05:48,770 --> 02:05:44,760
reveal that a UFO has been spotted above

2754
02:05:54,229 --> 02:05:48,780
Connecticut it is a Tic Tac shaped UFO

2755
02:05:59,030 --> 02:05:54,239
and it is so hot I really hope you guys

2756
02:06:07,510 --> 02:05:59,040
can get out your incredibly

2757
02:06:07,520 --> 02:06:14,730
back to you Stephen

2758
02:06:45,310 --> 02:06:33,520
[Music]

2759
02:06:52,490 --> 02:06:49,189
third phase of moon you can see them in

2760
02:06:54,649 --> 02:06:52,500
the sky third phase of moon you know

2761
02:06:59,209 --> 02:06:54,659
these two guys

2762
02:07:02,390 --> 02:06:59,219
third phase of moon meet two guys who

2763
02:07:04,850 --> 02:07:02,400

take no crap from nobody

2764

02:07:08,750 --> 02:07:04,860

now are you sure you're telling us the

2765

02:07:10,689 --> 02:07:08,760

truth because we'll have to send goof on

2766

02:07:13,970 --> 02:07:10,699

we don't mess around

2767

02:07:17,030 --> 02:07:13,980

goofan's our backup or no no please

2768

02:07:24,250 --> 02:07:17,040

don't send or issue do not send the

2769

02:07:33,010 --> 02:07:27,729

I understand I may say some things that

2770

02:07:38,790 --> 02:07:36,169

I am not gonna stop talking I am going

2771

02:07:41,109 --> 02:07:38,800

to be even more vocal

2772

02:07:48,830 --> 02:07:41,119

[Music]

2773

02:07:48,840 --> 02:07:53,030

third phase of moon

2774

02:07:57,350 --> 02:07:54,649

I'm not bad

2775

02:08:00,410 --> 02:07:57,360

and neither is third phase

2776

02:08:03,290 --> 02:08:00,420

they did their [h__h] in the past they're
