

the deposition of corey goode

session one

1  
00:00:41,270 --> 00:00:36,470  
good morning we are going on the record

2  
00:00:43,130 --> 00:00:41,280  
at 9 30 on September 26 2022

3  
00:00:45,049 --> 00:00:43,140  
please note that the microphones are

4  
00:00:47,450 --> 00:00:45,059  
sensitive and may pick up whispering and

5  
00:00:48,950 --> 00:00:47,460  
private conversations please mute your

6  
00:00:51,110 --> 00:00:48,960  
phones at this time

7  
00:00:53,510 --> 00:00:51,120  
audio and video recording will continue

8  
00:00:55,549 --> 00:00:53,520  
to take place unless all parties agree

9  
00:00:57,709 --> 00:00:55,559  
to go off the Record

10  
00:01:00,590 --> 00:00:57,719  
this is Media unit 1 of the video

11  
00:01:03,650 --> 00:01:00,600  
recorded deposition of James Corey Goode

12  
00:01:06,649 --> 00:01:03,660  
taken by Council for defendant in the

13  
00:01:10,550 --> 00:01:06,659

matter of James Corey good at all versus

14

00:01:12,830 --> 00:01:10,560

Roger Richards remsauer at all

15

00:01:16,690 --> 00:01:12,840

filed in the U.S District Court for the

16

00:01:21,590 --> 00:01:16,700

District of Colorado case number

17

00:01:29,510 --> 00:01:25,090

zero CV

18

00:01:32,210 --> 00:01:29,520

00947 d d k l m

19

00:01:36,950 --> 00:01:32,220

the location of this deposition is 700

20

00:01:39,109 --> 00:01:36,960

17th Street Suite 1750 Denver Colorado

21

00:01:41,210 --> 00:01:39,119

my name is Barbara horn representing

22

00:01:43,850 --> 00:01:41,220

veritech's legal Solutions I'm the

23

00:01:45,950 --> 00:01:43,860

videographer the court reporter is Randy

24

00:01:48,170 --> 00:01:45,960

Barrett from veritext

25

00:01:50,510 --> 00:01:48,180

I am not authorized to administer an

26

00:01:52,429 --> 00:01:50,520

oath I am not related to any party in

27

00:01:55,310 --> 00:01:52,439

this action nor am I financially

28

00:01:57,289 --> 00:01:55,320

interested in the outcome if there are

29

00:01:58,850 --> 00:01:57,299

any objections to proceeding please

30

00:02:00,530 --> 00:01:58,860

State them at the time of your

31

00:02:04,010 --> 00:02:00,540

appearance

32

00:02:07,249 --> 00:02:04,020

and affiliations for the record

33

00:02:09,290 --> 00:02:07,259

beginning with the noticing attorney

34

00:02:11,990 --> 00:02:09,300

my name is London Webb representing the

35

00:02:16,910 --> 00:02:13,369

along with my associate attorney

36

00:02:18,970 --> 00:02:16,920

Christian Clark and my law clerks are

37

00:02:22,910 --> 00:02:18,980

present by

38

00:02:24,410 --> 00:02:22,920

Zoom that would be Raza Khan Peter

39

00:02:27,170 --> 00:02:24,420

Tarantino

40

00:02:30,110 --> 00:02:27,180

and all my clients are either here or

41

00:02:39,729 --> 00:02:33,110

Valerie nurse for the plaintiffs and I'm

42

00:02:42,890 --> 00:02:41,690

you're about to give in this matter now

43

00:02:44,690 --> 00:02:42,900

pending will be the truth the whole

44

00:02:45,770 --> 00:02:44,700

truth nothing but the truth I do thank

45

00:02:48,290 --> 00:02:45,780

you

46

00:02:53,229 --> 00:02:48,300

record

47

00:02:58,430 --> 00:02:55,670

j-a-m-e-s-c-o-r-e-y-g-o-o-d-e okay and

48

00:03:00,830 --> 00:02:58,440

Mr good it's we started 30 minutes late

49

00:03:03,830 --> 00:03:00,840

today I want to make sure do you feel

50

00:03:06,770 --> 00:03:03,840

able to give your deposition to the to

51  
00:03:08,449 --> 00:03:06,780  
the best truthful ability that you have

52  
00:03:09,290 --> 00:03:08,459  
Mr Webb I'm sorry really quick before we

53  
00:03:11,290 --> 00:03:09,300  
started

54  
00:03:13,009 --> 00:03:11,300  
um I didn't hear any question about

55  
00:03:14,449 --> 00:03:13,019  
agreements for the record but we are

56  
00:03:15,530 --> 00:03:14,459  
designating this deposition is

57  
00:03:18,110 --> 00:03:15,540  
confidential

58  
00:03:20,330 --> 00:03:18,120  
the entirety of it yes we have 30 days

59  
00:03:23,449 --> 00:03:20,340  
under the protective order to clarify

60  
00:03:24,949 --> 00:03:23,459  
whatever needs to be designated if

61  
00:03:26,210 --> 00:03:24,959  
there's any sort of over designation but

62  
00:03:28,009 --> 00:03:26,220  
as of right now we're designating as

63  
00:03:30,290 --> 00:03:28,019

confidential okay I'll understand that

64

00:03:32,809 --> 00:03:30,300

you're designating the entirety of it as

65

00:03:34,729 --> 00:03:32,819

confidential noted we may not agree with

66

00:03:36,890 --> 00:03:34,739

that but in recording

67

00:03:38,630 --> 00:03:36,900

right and and we we would just like to

68

00:03:41,089 --> 00:03:38,640

have all parties certified that this is

69

00:03:42,649 --> 00:03:41,099

I understand that there's some sort of

70

00:03:44,930 --> 00:03:42,659

Zoom that's going on right now but that

71

00:03:46,250 --> 00:03:44,940

this is just for the parties I mean

72

00:03:48,229 --> 00:03:46,260

under the rules it's just the parties

73

00:03:50,089 --> 00:03:48,239

that are subject to be at the deposition

74

00:03:52,670 --> 00:03:50,099

and that this is not being recorded or

75

00:03:54,830 --> 00:03:52,680

broadcast anywhere else uh your notation

76

00:03:58,250 --> 00:03:54,840

as far as the confidential designation

77

00:03:59,390 --> 00:03:58,260

uh is noted uh for whatever purposes you

78

00:04:01,250 --> 00:03:59,400

have with the federal court that's

79

00:04:03,229 --> 00:04:01,260

that's that's fine that's between you

80

00:04:04,970 --> 00:04:03,239

and whatever protective order so that's

81

00:04:06,289 --> 00:04:04,980

fine okay but can I can I have your

82

00:04:08,210 --> 00:04:06,299

representation that this isn't being

83

00:04:09,410 --> 00:04:08,220

broadcast anywhere I'm I'm not going to

84

00:04:11,990 --> 00:04:09,420

make any representation because it is

85

00:04:13,850 --> 00:04:12,000

being broadcast via Zoom so be recorded

86

00:04:16,490 --> 00:04:13,860

to whom yeah and it's being recorded

87

00:04:19,250 --> 00:04:16,500

where is it being broadcast via Zoo uh

88

00:04:21,650 --> 00:04:19,260

there's my client on the line okay both

89

00:04:25,550 --> 00:04:21,660

my law clerks are on the line and nobody

90

00:04:26,870 --> 00:04:25,560

else not that I'm aware of so okay and

91

00:04:28,490 --> 00:04:26,880

can I have your clients representation

92

00:04:29,270 --> 00:04:28,500

that this isn't being broadcast anywhere

93

00:04:31,070 --> 00:04:29,280

else

94

00:04:32,749 --> 00:04:31,080

uh this being recorded but it's not

95

00:04:33,890 --> 00:04:32,759

being broadcast at this time that my

96

00:04:36,350 --> 00:04:33,900

clients aren't here to answer questions

97

00:04:38,210 --> 00:04:36,360

but as far as your designation that I

98

00:04:39,590 --> 00:04:38,220

mean it's a deposition a deposition is a

99

00:04:41,689 --> 00:04:39,600

public proceeding because this is not

100

00:04:43,550 --> 00:04:41,699

Mother Russia so anyone can attend a

101  
00:04:44,629 --> 00:04:43,560  
deposition this is confidential though

102  
00:04:46,189 --> 00:04:44,639  
to the extent you're marking it

103  
00:04:47,570 --> 00:04:46,199  
confidential with the court we'll follow

104  
00:04:49,189 --> 00:04:47,580  
whatever protective order the court has

105  
00:04:51,050 --> 00:04:49,199  
in place right now so are you saying

106  
00:04:53,689 --> 00:04:51,060  
that this is being broadcast somewhere

107  
00:04:55,730 --> 00:04:53,699  
to zoom to my client and my two lock

108  
00:04:59,510 --> 00:04:55,740  
lyrics and that's it that's all that I'm

109  
00:05:01,969 --> 00:05:00,710  
so

110  
00:05:04,610 --> 00:05:01,979  
if you want to check the list of

111  
00:05:05,990 --> 00:05:04,620  
attendees we can check okay

112  
00:05:07,370 --> 00:05:06,000  
it'd be nice to keep that up too

113  
00:05:09,950 --> 00:05:07,380

invisible

114

00:05:11,629 --> 00:05:09,960

sure is that a problem

115

00:05:13,610 --> 00:05:11,639

but I mean is there

116

00:05:16,610 --> 00:05:13,620

so you're concerned with who's watching

117

00:05:18,710 --> 00:05:16,620

or who's viewing yes okay and you might

118

00:05:20,390 --> 00:05:18,720

receive the recordings

119

00:05:21,469 --> 00:05:20,400

whatever the court designates your

120

00:05:22,969 --> 00:05:21,479

attorney has asked for it to be

121

00:05:24,590 --> 00:05:22,979

confidential before you even asked the

122

00:05:26,990 --> 00:05:24,600

answer the first question I respect that

123

00:05:28,909 --> 00:05:27,000

your attorney's protecting you okay so

124

00:05:30,469 --> 00:05:28,919

it's between her and the court whatever

125

00:05:31,490 --> 00:05:30,479

the judge decides is what we're going to

126  
00:05:32,510 --> 00:05:31,500  
do

127  
00:05:36,170 --> 00:05:32,520  
okay

128  
00:05:38,510 --> 00:05:36,180  
so there's a protective order in this

129  
00:05:39,710 --> 00:05:38,520  
case right absolutely yeah I can blow it

130  
00:05:41,029 --> 00:05:39,720  
up it's not going to work yeah so we're

131  
00:05:43,550 --> 00:05:41,039  
following whatever that order is from

132  
00:05:46,129 --> 00:05:43,560  
the judge right okay all right uh do you

133  
00:05:50,330 --> 00:05:46,139  
remember my question no okay can I have

134  
00:05:50,340 --> 00:05:56,510  
thank you

135  
00:06:01,129 --> 00:05:58,730  
Mr good we started 30 minutes late today

136  
00:06:02,510 --> 00:06:01,139  
I want to make sure do you feel able to

137  
00:06:07,070 --> 00:06:02,520  
give your deposition to the best

138  
00:06:08,810 --> 00:06:07,080

truthful ability that you can yes I am

139

00:06:11,210 --> 00:06:08,820

not feeling well I have a sinus

140

00:06:13,010 --> 00:06:11,220

infection so I'm going to be speaking my

141

00:06:17,090 --> 00:06:13,020

voice isn't going to be as loud

142

00:06:19,610 --> 00:06:17,100

so yeah but I can finish this day and

143

00:06:21,290 --> 00:06:19,620

tomorrow if needed okay are you in on

144

00:06:23,029 --> 00:06:21,300

any medications would affect your

145

00:06:25,249 --> 00:06:23,039

ability to testify truthfully today

146

00:06:27,710 --> 00:06:25,259

negative are you under the influence of

147

00:06:29,090 --> 00:06:27,720

drugs alcohol or anything else that

148

00:06:31,010 --> 00:06:29,100

you've taken your body that would affect

149

00:06:32,510 --> 00:06:31,020

your ability to testify truthfully today

150

00:06:34,370 --> 00:06:32,520

negative

151

00:06:37,550 --> 00:06:34,380

did you have an adequate night's sleep

152

00:06:39,529 --> 00:06:37,560

last night I did okay uh is there any

153

00:06:41,930 --> 00:06:39,539

reason whatsoever you can think of where

154

00:06:43,790 --> 00:06:41,940

you can't testify truthfully today no

155

00:06:46,010 --> 00:06:43,800

I've been waiting two years for this I

156

00:06:48,469 --> 00:06:46,020

want to get it over with

157

00:06:50,330 --> 00:06:48,479

uh We've brought a fan for you that

158

00:06:52,129 --> 00:06:50,340

you've requested uh is there anything

159

00:06:53,689 --> 00:06:52,139

else that you'd request to make sure

160

00:06:56,870 --> 00:06:53,699

that you're comfortable here test fine

161

00:06:57,830 --> 00:06:56,880

truthfully no okay

162

00:07:00,409 --> 00:06:57,840

um

163

00:07:03,529 --> 00:07:00,419

so uh

164

00:07:24,409 --> 00:07:03,539

tell me your residence address

165

00:07:29,210 --> 00:07:27,050

and I don't know dick

166

00:07:30,589 --> 00:07:29,220

zoning code off the top of my head the

167

00:07:33,950 --> 00:07:30,599

zip code you don't know I don't know

168

00:07:36,050 --> 00:07:33,960

what state is Longmont in Colorado okay

169

00:07:38,270 --> 00:07:36,060

how long have you resided there

170

00:07:40,969 --> 00:07:38,280

about a year and a half yeah do you have

171

00:07:42,589 --> 00:07:40,979

any other residences yes my wife and my

172

00:07:44,930 --> 00:07:42,599

two children

173

00:07:46,610 --> 00:07:44,940

okay and where do they reside with you

174

00:07:48,409 --> 00:07:46,620

I'm sorry did they reside with you at

175

00:07:51,830 --> 00:07:48,419

that address yes do you have any other

176

00:07:56,089 --> 00:07:53,870

are your are your two children are the

177

00:08:00,050 --> 00:07:56,099

age majority are they younger than 18.

178

00:08:01,010 --> 00:08:00,060

one is 18 and the other is 11. okay I'm

179

00:08:02,809 --> 00:08:01,020

not going to ask you questions about

180

00:08:05,870 --> 00:08:02,819

your 11 year old now your 18 year old

181

00:08:05,880 --> 00:08:11,290

occupation

182

00:08:17,510 --> 00:08:12,850

uh

183

00:08:20,710 --> 00:08:17,520

yeah okay she hasn't graduated yet okay

184

00:08:24,469 --> 00:08:20,720

and your wife's name Stacy

185

00:08:28,309 --> 00:08:24,479

s-t-a-c-a-y s t a c y okay

186

00:08:31,430 --> 00:08:28,319

and maiden name for Stacy

187

00:08:36,350 --> 00:08:33,529

how long have you been married

188

00:08:37,909 --> 00:08:36,360

almost 30 years okay occupation for

189

00:08:40,370 --> 00:08:37,919

Stacy

190

00:08:44,269 --> 00:08:40,380

um she works at home but also helps

191

00:08:48,410 --> 00:08:46,910

highest level of education for Stacy

192

00:08:49,910 --> 00:08:48,420

I think we both went through our

193

00:08:52,850 --> 00:08:49,920

sophomore year

194

00:08:58,910 --> 00:08:56,570

our junior junior year in college

195

00:09:01,070 --> 00:08:58,920

any certifications credentials licenses

196

00:09:02,750 --> 00:09:01,080

held by Stacy

197

00:09:05,030 --> 00:09:02,760

when she worked in the medical field but

198

00:09:06,590 --> 00:09:05,040

they've all probably lapsed

199

00:09:07,790 --> 00:09:06,600

um I don't I don't think anything

200

00:09:10,070 --> 00:09:07,800

current

201  
00:09:13,310 --> 00:09:10,080  
uh what when you say it lapsed what was

202  
00:09:16,910 --> 00:09:13,320  
it elapsed she did heart monitoring and

203  
00:09:20,930 --> 00:09:16,920  
icus and had to have certifications and

204  
00:09:23,210 --> 00:09:20,940  
those things had to be kept uh current

205  
00:09:25,130 --> 00:09:23,220  
so they would would have lapsed many

206  
00:09:29,210 --> 00:09:25,140  
years ago she then she went into the I.T

207  
00:09:32,090 --> 00:09:29,220  
field for about 15 to 20 years

208  
00:09:36,070 --> 00:09:32,100  
and didn't obtain any certifications any

209  
00:09:42,710 --> 00:09:40,070  
and uh for you yourself what's your

210  
00:09:46,850 --> 00:09:42,720  
highest level of Education

211  
00:09:50,990 --> 00:09:46,860  
um junior year college and uh

212  
00:09:52,610 --> 00:09:51,000  
technical certifications mcsc's

213  
00:09:56,030 --> 00:09:52,620

a plus

214

00:09:58,790 --> 00:09:57,420

e anything else

215

00:10:00,410 --> 00:09:58,800

[Music]

216

00:10:06,410 --> 00:10:00,420

no

217

00:10:08,090 --> 00:10:06,420

answers even though you can predict what

218

00:10:10,730 --> 00:10:08,100

I'm going to say because you're above

219

00:10:14,690 --> 00:10:10,740

average intelligent guy asks you don't

220

00:10:16,730 --> 00:10:14,700

the reason is that we have here not only

221

00:10:18,710 --> 00:10:16,740

the videographer but we also have the

222

00:10:20,570 --> 00:10:18,720

court reporter Miss Barrett doing her

223

00:10:22,910 --> 00:10:20,580

best to type down everything that we say

224

00:10:26,150 --> 00:10:22,920

so for that reason I asked you speak

225

00:10:28,850 --> 00:10:26,160

clearly enunciate if your attorney holds

226

00:10:31,130 --> 00:10:28,860

up her hand what that means is hold on

227

00:10:32,810 --> 00:10:31,140

she wants to State an objection her

228

00:10:34,370 --> 00:10:32,820

objection is not for you it's an

229

00:10:37,130 --> 00:10:34,380

objection for the court reporter to type

230

00:10:39,829 --> 00:10:37,140

down for the judge to read later if he

231

00:10:41,329 --> 00:10:39,839

or she wants okay but after she puts in

232

00:10:43,370 --> 00:10:41,339

her hand after your attorney has a

233

00:10:45,110 --> 00:10:43,380

chance to say her objection I still need

234

00:10:47,090 --> 00:10:45,120

you to answer my question do you

235

00:10:48,590 --> 00:10:47,100

understand that I do there's an

236

00:10:50,870 --> 00:10:48,600

exception to this rule if your attorney

237

00:10:53,389 --> 00:10:50,880

reaches her hand up State your objection

238

00:10:55,790 --> 00:10:53,399

and she instructs you do not answer Mr

239

00:10:57,230 --> 00:10:55,800

Webb's question I'm going to then ask

240

00:10:59,569 --> 00:10:57,240

you are you going to choose to follow

241

00:11:01,190 --> 00:10:59,579

your attorney's instruction most clients

242

00:11:02,810 --> 00:11:01,200

will say yeah all my attorney's

243

00:11:03,710 --> 00:11:02,820

instruction but that's up to you to stay

244

00:11:04,910 --> 00:11:03,720

on the record whether you're going to

245

00:11:07,670 --> 00:11:04,920

follow her instruction or not do you

246

00:11:08,449 --> 00:11:07,680

understand yes okay

247

00:11:12,350 --> 00:11:08,459

um

248

00:11:14,990 --> 00:11:12,360

Ed Shaw head shakes nods none of those

249

00:11:16,610 --> 00:11:15,000

go over very well for her purposes

250

00:11:18,350 --> 00:11:16,620

they're flying for the videographer but

251  
00:11:20,810 --> 00:11:18,360  
for the judge wants to hear an audible

252  
00:11:23,590 --> 00:11:20,820  
response same thing for grunts

253  
00:11:26,210 --> 00:11:23,600  
understood

254  
00:11:27,170 --> 00:11:26,220  
and to the extent you can even though

255  
00:11:29,389 --> 00:11:27,180  
you understand what I'm going to say

256  
00:11:31,970 --> 00:11:29,399  
just wait till I finish it and we'll

257  
00:11:33,829 --> 00:11:31,980  
take turns talking

258  
00:11:36,170 --> 00:11:33,839  
um today we're essentially trying to

259  
00:11:38,269 --> 00:11:36,180  
gather facts I may think I know a lot

260  
00:11:40,009 --> 00:11:38,279  
about the case but it doesn't matter at

261  
00:11:42,590 --> 00:11:40,019  
all what I know or what I think I know

262  
00:11:45,350 --> 00:11:42,600  
today all that matters is what you know

263  
00:11:48,530 --> 00:11:45,360

so for that purposes I can't answer any

264

00:11:49,970 --> 00:11:48,540

questions my I have like a blank slate

265

00:11:52,370 --> 00:11:49,980

today and I'm just trying to find out

266

00:11:54,650 --> 00:11:52,380

what you know what you believe what

267

00:11:56,690 --> 00:11:54,660

you've heard even hearsay is all at

268

00:11:58,370 --> 00:11:56,700

issue today even if you've heard it

269

00:11:59,810 --> 00:11:58,380

third hand I still want to know about it

270

00:12:01,850 --> 00:11:59,820

okay because we're trying to get to the

271

00:12:03,949 --> 00:12:01,860

bottom of the matter to the facts to the

272

00:12:06,230 --> 00:12:03,959

truth to the witnesses to the names the

273

00:12:08,449 --> 00:12:06,240

documents the amounts the dates all of

274

00:12:10,430 --> 00:12:08,459

that is the goal today you understand I

275

00:12:13,430 --> 00:12:10,440

do okay

276

00:12:15,769 --> 00:12:13,440

um if you answer my question I'm gonna

277

00:12:16,910 --> 00:12:15,779

interpret that that you understood my

278

00:12:19,670 --> 00:12:16,920

question

279

00:12:22,250 --> 00:12:19,680

so what that means is if you have any

280

00:12:24,290 --> 00:12:22,260

questions whatsoever please stop me and

281

00:12:26,329 --> 00:12:24,300

say Mr Webb I don't think I understand

282

00:12:27,470 --> 00:12:26,339

your question can you please rephrase

283

00:12:29,870 --> 00:12:27,480

them

284

00:12:32,030 --> 00:12:29,880

I'll do it not all my questions are good

285

00:12:35,050 --> 00:12:32,040

many of them are bad and I'm happy to

286

00:12:37,370 --> 00:12:35,060

rephrase it understood understood okay

287

00:12:39,110 --> 00:12:37,380

you're going to get a booklet in a

288

00:12:41,090 --> 00:12:39,120

couple weeks the booklet is going to

289

00:12:43,430 --> 00:12:41,100

come from the court reporter it's going

290

00:12:46,250 --> 00:12:43,440

to have everything she typed down there

291

00:12:48,110 --> 00:12:46,260

okay and I want you to do two things one

292

00:12:50,210 --> 00:12:48,120

is if you have additional information

293

00:12:52,850 --> 00:12:50,220

that you think you forgot

294

00:12:55,009 --> 00:12:52,860

add it in there if you think she typed

295

00:12:56,449 --> 00:12:55,019

something wrong and she made a mistake I

296

00:12:57,650 --> 00:12:56,459

want you to write it in there

297

00:12:59,150 --> 00:12:57,660

and then you're going to send that to me

298

00:13:01,430 --> 00:12:59,160

inside under penalty of perjury you

299

00:13:03,170 --> 00:13:01,440

understand that I do okay if you make

300

00:13:04,490 --> 00:13:03,180

material changes however I'm going to

301  
00:13:07,150 --> 00:13:04,500  
comment on that in front of the judge or

302  
00:13:09,350 --> 00:13:07,160  
jury you understand yes okay

303  
00:13:12,050 --> 00:13:09,360  
how many times you've been deposed

304  
00:13:13,490 --> 00:13:12,060  
before today never

305  
00:13:15,170 --> 00:13:13,500  
uh

306  
00:13:19,750 --> 00:13:15,180  
how many other lawsuits have you been

307  
00:13:25,250 --> 00:13:23,509  
none none civil I had been involved with

308  
00:13:27,290 --> 00:13:25,260  
things with like you know when I was

309  
00:13:29,090 --> 00:13:27,300  
injured on the job going through the

310  
00:13:31,250 --> 00:13:29,100  
process but that was

311  
00:13:33,710 --> 00:13:31,260  
workman's comp stuff it wasn't like

312  
00:13:35,930 --> 00:13:33,720  
lawsuits I've never had lawsuits you've

313  
00:13:37,610 --> 00:13:35,940

never had any lawsuits no no so you're

314

00:13:41,210 --> 00:13:37,620

not a party to any other lawsuit other

315

00:13:44,509 --> 00:13:41,220

than this correct well I currently have

316

00:13:46,370 --> 00:13:44,519

a lawsuit against Gaia yeah and other

317

00:13:49,550 --> 00:13:46,380

parties okay so you do have one other

318

00:13:51,170 --> 00:13:49,560

civil lawsuit yeah I do okay and that's

319

00:13:52,790 --> 00:13:51,180

the only lawsuit other than your

320

00:13:54,470 --> 00:13:52,800

workman's comp so you only have two

321

00:13:56,590 --> 00:13:54,480

civil lawsuits you've ever been a party

322

00:13:59,949 --> 00:13:56,600

of

323

00:14:02,329 --> 00:13:59,959

is bankruptcy considered

324

00:14:04,190 --> 00:14:02,339

and unfortunately you can't ask

325

00:14:06,949 --> 00:14:04,200

questions and I can help you so

326

00:14:09,829 --> 00:14:06,959

bankruptcy that's that's a form it has a

327

00:14:11,030 --> 00:14:09,839

case number of support so like in 2007

328

00:14:13,370 --> 00:14:11,040

maybe

329

00:14:15,470 --> 00:14:13,380

um I can't recall many years ago uh we

330

00:14:17,870 --> 00:14:15,480

had a bankruptcy okay when you say we

331

00:14:20,530 --> 00:14:17,880

that's you and your spouse yes okay so

332

00:14:23,569 --> 00:14:20,540

2007 filed bankruptcy

333

00:14:25,310 --> 00:14:23,579

that's a guesstimate on a date that's

334

00:14:26,810 --> 00:14:25,320

fine and I understand today it's

335

00:14:30,290 --> 00:14:26,820

estimates and I give you instruction on

336

00:14:31,550 --> 00:14:30,300

estimates today you're human even though

337

00:14:34,069 --> 00:14:31,560

like I said earlier above average

338

00:14:36,530 --> 00:14:34,079

intelligence you can't remember every

339

00:14:38,870 --> 00:14:36,540

single date every dollar amount every

340

00:14:41,389 --> 00:14:38,880

person's name but what I'm asking for

341

00:14:42,889 --> 00:14:41,399

today is your best testimony gotcha what

342

00:14:45,590 --> 00:14:42,899

that means is you're not going to

343

00:14:47,449 --> 00:14:45,600

remember the exact day in 2007 or 2008

344

00:14:50,030 --> 00:14:47,459

when you file bankruptcy but I

345

00:14:52,189 --> 00:14:50,040

appreciate what you did which is you

346

00:14:54,590 --> 00:14:52,199

gave me your best shot at what you

347

00:14:56,689 --> 00:14:54,600

remember I want to be accurate yep and

348

00:14:58,970 --> 00:14:56,699

what what accurate means is in front of

349

00:15:00,290 --> 00:14:58,980

a judge or a jury I'm going to disallow

350

00:15:02,150 --> 00:15:00,300

anything

351

00:15:05,629 --> 00:15:02,160

then that you remember that you don't

352

00:15:07,129 --> 00:15:05,639

now or do my best to so I need you to

353

00:15:09,350 --> 00:15:07,139

give me your best shot at remembering

354

00:15:10,790 --> 00:15:09,360

things today because this is this is

355

00:15:12,769 --> 00:15:10,800

closer to the assignment events that

356

00:15:14,509 --> 00:15:12,779

anything happened so if you think hey

357

00:15:17,870 --> 00:15:14,519

you know I have a bankruptcy I think it

358

00:15:20,210 --> 00:15:17,880

was 2000 2008 2007 2008

359

00:15:22,610 --> 00:15:20,220

give me approximates today

360

00:15:24,530 --> 00:15:22,620

if you remember there was a male or two

361

00:15:27,650 --> 00:15:24,540

or three people that you met with in

362

00:15:29,210 --> 00:15:27,660

California or in Palm Desert somewhere

363

00:15:30,650 --> 00:15:29,220

at some convention or something you know

364

00:15:32,629 --> 00:15:30,660

just say you know I think there was

365

00:15:34,490 --> 00:15:32,639

about three or four people there I don't

366

00:15:35,870 --> 00:15:34,500

remember exactly I don't remember all

367

00:15:38,030 --> 00:15:35,880

their names but one of them was named

368

00:15:41,329 --> 00:15:38,040

Billy or one of them was

369

00:15:42,530 --> 00:15:41,339

you know you know contact the desert

370

00:15:44,030 --> 00:15:42,540

something you know anything like that

371

00:15:46,370 --> 00:15:44,040

just tell me your best shot does that

372

00:15:48,590 --> 00:15:46,380

make sense yes same thing for amounts

373

00:15:49,910 --> 00:15:48,600

and dates so even for amounts if you say

374

00:15:51,350 --> 00:15:49,920

you know what I don't remember that

375

00:15:54,170 --> 00:15:51,360

exact dollar amount but it was between

376

00:15:54,949 --> 00:15:54,180

100 to 200 000 it was raised at that

377

00:15:56,150 --> 00:15:54,959

event

378

00:15:58,310 --> 00:15:56,160

that's fine

379

00:15:59,870 --> 00:15:58,320

okay even if you say you know what it

380

00:16:01,550 --> 00:15:59,880

was probably under a million dollars but

381

00:16:03,769 --> 00:16:01,560

more than five hundred thousand even a

382

00:16:06,050 --> 00:16:03,779

range that big is still something that

383

00:16:08,810 --> 00:16:06,060

we want to understand what you know does

384

00:16:10,750 --> 00:16:08,820

that make sense yes okay

385

00:16:15,050 --> 00:16:10,760

um

386

00:16:18,710 --> 00:16:15,060

so you said workers comp one bankruptcy

387

00:16:21,829 --> 00:16:18,720

this lawsuit and one other lawsuit yeah

388

00:16:23,150 --> 00:16:21,839

the Ricoh suit with Gaia Rico suit with

389

00:16:31,430 --> 00:16:23,160

Gaia

390

00:16:35,629 --> 00:16:33,650

not that I can think of okay and when I

391

00:16:37,430 --> 00:16:35,639

say suits I mean as a plaintiff where

392

00:16:40,069 --> 00:16:37,440

you're suing them or as a defendant

393

00:16:42,290 --> 00:16:40,079

where they're suing you those four are

394

00:16:43,310 --> 00:16:42,300

it right I've never had that type of

395

00:16:46,189 --> 00:16:43,320

legal

396

00:16:47,930 --> 00:16:46,199

problems okay when you say that type of

397

00:16:49,329 --> 00:16:47,940

legal problems what other type of legal

398

00:16:53,210 --> 00:16:49,339

problems have you had

399

00:16:55,129 --> 00:16:53,220

none I've never had civil criminal legal

400

00:16:56,749 --> 00:16:55,139

issues at all okay and you bring up a

401  
00:16:58,970 --> 00:16:56,759  
fair point Have you ever been convicted

402  
00:17:02,269 --> 00:16:58,980  
of a felony no I've never been arrested

403  
00:17:04,909 --> 00:17:02,279  
okay I and I don't need to know that

404  
00:17:08,870 --> 00:17:04,919  
um did you receive

405  
00:17:14,870 --> 00:17:11,990  
who is Liz Laurie Liz Laurie is one of

406  
00:17:18,289 --> 00:17:14,880  
my attorneys are you in a lawsuit with

407  
00:17:20,870 --> 00:17:18,299  
that person no uh they oh yeah yeah they

408  
00:17:22,970 --> 00:17:20,880  
filed a lawsuit and then quickly dropped

409  
00:17:25,909 --> 00:17:22,980  
it against us here in the state of

410  
00:17:28,309 --> 00:17:25,919  
Colorado I forgot about that okay so

411  
00:17:30,710 --> 00:17:28,319  
that'd be a fifth lawsuit

412  
00:17:33,830 --> 00:17:30,720  
they filed it and then they dismissed it

413  
00:17:35,750 --> 00:17:33,840

later on uh let me ask you are other

414

00:17:37,730 --> 00:17:35,760

than those five lawsuits are there any

415

00:17:39,470 --> 00:17:37,740

others that you're that you might need

416

00:17:41,390 --> 00:17:39,480

to remember no

417

00:17:44,630 --> 00:17:41,400

I don't think so I mean that's all I can

418

00:17:46,010 --> 00:17:44,640

recall I don't I mean I forgot about the

419

00:17:48,770 --> 00:17:46,020

Liz Laurie thing because it was such a

420

00:17:50,750 --> 00:17:48,780

quick little blip okay and when you say

421

00:17:52,370 --> 00:17:50,760

quick little blip can you quantify what

422

00:17:57,350 --> 00:17:52,380

that means to you

423

00:17:58,730 --> 00:17:57,360

she filed a lawsuit and then when she

424

00:18:01,010 --> 00:17:58,740

was informed that she'd probably lose

425

00:18:03,049 --> 00:18:01,020

her law license and the lawsuit she

426

00:18:05,510 --> 00:18:03,059

quickly withdrew it

427

00:18:07,190 --> 00:18:05,520

what led you to believe that she would

428

00:18:08,750 --> 00:18:07,200

lose her law license and I'm going to

429

00:18:10,549 --> 00:18:08,760

instruct the client not to develop

430

00:18:12,470 --> 00:18:10,559

divulge any sort of attorney-client

431

00:18:14,690 --> 00:18:12,480

privilege information yeah and any

432

00:18:16,970 --> 00:18:14,700

question I asked today if you learn that

433

00:18:19,250 --> 00:18:16,980

information from your attorney don't

434

00:18:21,049 --> 00:18:19,260

tell me but if you learned outside of

435

00:18:22,310 --> 00:18:21,059

your attorney or if in addition to your

436

00:18:23,690 --> 00:18:22,320

attorney you confirm that information

437

00:18:25,549 --> 00:18:23,700

with someone else

438

00:18:29,090 --> 00:18:25,559

I am entitled to that information you

439

00:18:31,070 --> 00:18:29,100

understand is that a yes yes okay so did

440

00:18:33,110 --> 00:18:31,080

you understand and any question today is

441

00:18:35,690 --> 00:18:33,120

outside from your attorney did you learn

442

00:18:38,090 --> 00:18:35,700

any reason why Liz Laurie would have

443

00:18:39,890 --> 00:18:38,100

lost or had a danger of her license by

444

00:18:42,289 --> 00:18:39,900

virtue of that lawsuit just what my

445

00:18:44,750 --> 00:18:42,299

attorneys told me okay nothing else

446

00:18:48,110 --> 00:18:44,760

did no independent research talk to no

447

00:18:49,909 --> 00:18:48,120

one about it no okay and I asked that in

448

00:18:52,390 --> 00:18:49,919

a bad way did you talk to anyone about

449

00:18:55,430 --> 00:18:52,400

it about the what was going on

450

00:18:56,630 --> 00:18:55,440

absolutely who other than Liz Laurie did

451

00:19:00,169 --> 00:18:56,640

you talk to about that lawsuit other

452

00:19:02,150 --> 00:19:00,179

than your attorney uh people were uh

453

00:19:05,330 --> 00:19:02,160

approaching me off the internet because

454

00:19:10,490 --> 00:19:05,340

they made sure it was uh

455

00:19:12,289 --> 00:19:10,500

um very public as a part of uh takedown

456

00:19:14,029 --> 00:19:12,299

campaign against me that they joined in

457

00:19:16,430 --> 00:19:14,039

with your uh

458

00:19:18,110 --> 00:19:16,440

plaintiff's doing are you seeing where

459

00:19:20,270 --> 00:19:18,120

my clients were parties to the Liz

460

00:19:24,110 --> 00:19:20,280

Laurie lawsuit you know they were

461

00:19:27,049 --> 00:19:24,120

parties to the video that she released

462

00:19:29,150 --> 00:19:27,059

where she made the lawsuit public she

463

00:19:31,730 --> 00:19:29,160

quickly dropped it after that video

464

00:19:33,430 --> 00:19:31,740

but yeah they were a part of that video

465

00:19:35,930 --> 00:19:33,440

campaign to

466

00:19:38,450 --> 00:19:35,940

take down my Public Image within this

467

00:19:41,870 --> 00:19:38,460

spiritual Community okay is it your

468

00:19:45,289 --> 00:19:41,880

understanding that lawsuits are private

469

00:19:47,150 --> 00:19:45,299

no they're not private but

470

00:19:49,370 --> 00:19:47,160

they're also something they don't pop up

471

00:19:52,669 --> 00:19:49,380

on the radar unless people

472

00:19:56,390 --> 00:19:52,679

put them on social media and in this

473

00:19:58,250 --> 00:19:56,400

case it was done by everyone that your

474

00:20:01,549 --> 00:19:58,260

people all your people were working with

475

00:20:07,970 --> 00:20:02,930

so

476  
00:20:12,350 --> 00:20:09,409  
the videos that were released just

477  
00:20:16,070 --> 00:20:12,360  
before Christmas of what was it 2019 I

478  
00:20:18,169 --> 00:20:16,080  
believe okay and how people what's your

479  
00:20:20,990 --> 00:20:18,179  
understanding of how Liz Laurie was

480  
00:20:23,810 --> 00:20:21,000  
introduced to my clients

481  
00:20:26,330 --> 00:20:23,820  
through me why did you introduce Liz

482  
00:20:29,330 --> 00:20:26,340  
Laurie to my clients she introduced

483  
00:20:32,450 --> 00:20:29,340  
herself in Hawaii as someone who wanted

484  
00:20:33,590 --> 00:20:32,460  
to be one of our volunteers

485  
00:20:35,690 --> 00:20:33,600  
and when you say she you're talking

486  
00:20:37,310 --> 00:20:35,700  
about Liz Laurie Liz Laurie and she

487  
00:20:39,289 --> 00:20:37,320  
introduced herself in Hawaii someone who

488  
00:20:41,330 --> 00:20:39,299

wanted to volunteer she was at one of

489

00:20:43,789 --> 00:20:41,340

our events or not our events she was at

490

00:20:47,330 --> 00:20:43,799

Jonah Ocean's event

491

00:20:50,150 --> 00:20:47,340

say that again Joan Joan ocean

492

00:20:56,150 --> 00:20:52,730

and she just briefly introduced herself

493

00:20:58,850 --> 00:20:56,160

gave me a card like this

494

00:21:02,810 --> 00:20:58,860

and on the back it said that she would

495

00:21:04,490 --> 00:21:02,820

like to help us in any way possible as a

496

00:21:07,310 --> 00:21:04,500

volunteer

497

00:21:10,430 --> 00:21:07,320

and what was your response

498

00:21:11,690 --> 00:21:10,440

um I thanked her and then I believe we

499

00:21:14,930 --> 00:21:11,700

started

500

00:21:16,909 --> 00:21:14,940

conversing through emails

501  
00:21:19,130 --> 00:21:16,919  
later and when you say it worked for us

502  
00:21:20,870 --> 00:21:19,140  
who's the US that she would work for me

503  
00:21:23,029 --> 00:21:20,880  
and my wife

504  
00:21:24,590 --> 00:21:23,039  
okay was there an entity that you and

505  
00:21:26,510 --> 00:21:24,600  
your wife were running at the time that

506  
00:21:29,029 --> 00:21:26,520  
Liz Laurie wanted to work for or

507  
00:21:30,950 --> 00:21:29,039  
volunteer for is there a What entity

508  
00:21:33,409 --> 00:21:30,960  
entity yeah

509  
00:21:35,149 --> 00:21:33,419  
um well our

510  
00:21:37,669 --> 00:21:35,159  
um

511  
00:21:40,310 --> 00:21:37,679  
our company I'm sorry this is getting

512  
00:21:43,070 --> 00:21:40,320  
into attorney-client privileged

513  
00:21:44,990 --> 00:21:43,080

information it absolutely is if she was

514

00:21:46,970 --> 00:21:45,000

working for him as an attorney talk

515

00:21:48,770 --> 00:21:46,980

asking why who she wanted to work for

516

00:21:50,270 --> 00:21:48,780

and what she was going to do as attorney

517

00:21:52,850 --> 00:21:50,280

client privileged

518

00:21:54,110 --> 00:21:52,860

uh your your attorney is is citing the

519

00:21:55,850 --> 00:21:54,120

attorney client privilege are you

520

00:21:56,930 --> 00:21:55,860

choosing to follow your attorney's

521

00:21:59,930 --> 00:21:56,940

instruction at this time and not answer

522

00:22:02,270 --> 00:21:59,940

the question yes okay fair enough

523

00:22:03,649 --> 00:22:02,280

and you understand that if you if you

524

00:22:04,970 --> 00:22:03,659

choose not to answer a question or

525

00:22:06,649 --> 00:22:04,980

attorney-client privilege in the court

526

00:22:08,390 --> 00:22:06,659

Council I don't know why you're trying

527

00:22:10,310 --> 00:22:08,400

to give my client legal advice I've

528

00:22:11,810 --> 00:22:10,320

given you a lot of latitude up to this

529

00:22:13,310 --> 00:22:11,820

point but if you want to ask your

530

00:22:15,470 --> 00:22:13,320

questions ask your questions but stop

531

00:22:17,390 --> 00:22:15,480

giving him legal advice counsel I

532

00:22:19,190 --> 00:22:17,400

appreciate your objections can you wait

533

00:22:20,570 --> 00:22:19,200

till I finish my question we'll take

534

00:22:21,830 --> 00:22:20,580

turns happy to have you say what you

535

00:22:23,810 --> 00:22:21,840

want to say on the record is that fair

536

00:22:25,430 --> 00:22:23,820

that's fair okay yes and please stop and

537

00:22:28,549 --> 00:22:25,440

instructing my client

538

00:22:29,750 --> 00:22:28,559

you understand that this is basically

539

00:22:31,909 --> 00:22:29,760

your under summons you're under court

540

00:22:33,710 --> 00:22:31,919

order to be here I do and you understand

541

00:22:35,450 --> 00:22:33,720

your client your attorney has a right to

542

00:22:37,549 --> 00:22:35,460

tell you not to answer a question you

543

00:22:38,690 --> 00:22:37,559

understand that correct I do and you

544

00:22:41,210 --> 00:22:38,700

understand you have a right to not

545

00:22:43,430 --> 00:22:41,220

answer any question but you understand

546

00:22:45,289 --> 00:22:43,440

there's a risk that you may be asked to

547

00:22:48,110 --> 00:22:45,299

pay sanctions monetary and come back

548

00:22:49,909 --> 00:22:48,120

again if that's not an attorney-client

549

00:22:51,130 --> 00:22:49,919

issue you understand that I do okay fair

550

00:22:52,730 --> 00:22:51,140

enough

551  
00:22:53,870 --> 00:22:52,740  
council do you have anything else you

552  
00:22:54,890 --> 00:22:53,880  
want to say for the record I'm happy to

553  
00:22:58,250 --> 00:22:54,900  
meet and confer with you off the Record

554  
00:23:00,890 --> 00:22:58,260  
actually I do I recognize Mr Kennedy and

555  
00:23:02,870 --> 00:23:00,900  
Miss Youngblood I do not recognize the

556  
00:23:04,010 --> 00:23:02,880  
young lady at the end and you stated

557  
00:23:08,029 --> 00:23:04,020  
that it was your clients that were here

558  
00:23:17,090 --> 00:23:09,789  
okay

559  
00:23:18,649 --> 00:23:17,100  
um let me ask you as far as preparing

560  
00:23:19,970 --> 00:23:18,659  
for the deposition did you receive the

561  
00:23:27,110 --> 00:23:19,980  
deposition notice and I'm going to hand

562  
00:23:56,149 --> 00:23:29,390  
Council you have a copy

563  
00:23:56,159 --> 00:24:00,169

thank you

564

00:24:05,810 --> 00:24:02,930

take a moment to review exhibit one

565

00:24:10,070 --> 00:24:05,820

for the record it is

566

00:24:14,470 --> 00:24:10,080

the notice of taking deposition is good

567

00:24:14,480 --> 00:24:18,110

oh thank you

568

00:24:18,120 --> 00:24:27,430

foreign

569

00:24:32,090 --> 00:24:30,710

page document and a particular note I

570

00:24:33,710 --> 00:24:32,100

want to make sure

571

00:24:35,330 --> 00:24:33,720

that I refresh your recollection there's

572

00:24:36,649 --> 00:24:35,340

actually a

573

00:24:40,669 --> 00:24:36,659

proof of service on the end of The Nine

574

00:24:43,250 --> 00:24:40,679

Pages from seven to nine

575

00:24:45,950 --> 00:24:43,260

sure let me see we have this page two is

576

00:24:48,470 --> 00:24:45,960

missing it's double-sided oh okay thank

577

00:24:52,070 --> 00:24:48,480

you okay okay

578

00:24:53,690 --> 00:24:52,080

on the page seven through nine a

579

00:24:56,630 --> 00:24:53,700

particular interest is the documents to

580

00:24:58,430 --> 00:24:56,640

be produced there's 24 categories

581

00:25:00,049 --> 00:24:58,440

if you could just take a moment and let

582

00:25:34,909 --> 00:25:00,059

me know when you're done previewing

583

00:25:34,919 --> 00:26:04,370

foreign

584

00:26:08,930 --> 00:26:06,230

have you seen this document before today

585

00:26:10,850 --> 00:26:08,940

exhibit one I believe so yes okay when

586

00:26:14,750 --> 00:26:10,860

was the first time approximately you saw

587

00:26:20,090 --> 00:26:17,090

I I can't remember I've seen so many

588

00:26:21,710 --> 00:26:20,100

documents it's a big blur do you

589

00:26:23,750 --> 00:26:21,720

remember being asked to produce

590

00:26:26,630 --> 00:26:23,760

documents for today's deposition I do

591

00:26:29,149 --> 00:26:26,640

okay did you undertake a search for each

592

00:26:33,110 --> 00:26:29,159

of the categories of documents listed we

593

00:26:35,149 --> 00:26:33,120

did yeah did you in fact produce any and

594

00:26:37,310 --> 00:26:35,159

all documents that are responsive to

595

00:26:42,350 --> 00:26:37,320

those 24 categories to my attorney yes

596

00:26:44,510 --> 00:26:42,360

okay and uh did you have any trouble or

597

00:26:46,730 --> 00:26:44,520

challenge obtaining any of the documents

598

00:26:50,930 --> 00:26:46,740

listed in the 24 categories starting on

599

00:26:56,210 --> 00:26:52,850

no I mean I

600

00:26:58,190 --> 00:26:56,220

see starting with which one I'm sorry

601  
00:27:00,830 --> 00:26:58,200  
starting on page seven of exhibit one

602  
00:27:02,090 --> 00:27:00,840  
there's 24 categories did you have any

603  
00:27:03,950 --> 00:27:02,100  
challenges

604  
00:27:05,690 --> 00:27:03,960  
finding any of the documents that are

605  
00:27:08,690 --> 00:27:05,700  
referred to here and when I say

606  
00:27:11,210 --> 00:27:08,700  
documents I mean emails

607  
00:27:13,010 --> 00:27:11,220  
text messages

608  
00:27:14,149 --> 00:27:13,020  
anything that could possibly be in

609  
00:27:16,070 --> 00:27:14,159  
written form

610  
00:27:18,830 --> 00:27:16,080  
no I was able to find I believe

611  
00:27:18,840 --> 00:27:22,010  
and

612  
00:27:28,610 --> 00:27:24,529  
where did you search when you search for

613  
00:27:34,070 --> 00:27:31,190

can you clarify sure when you search for

614

00:27:35,930 --> 00:27:34,080

these 24 categories and you said you you

615

00:27:38,330 --> 00:27:35,940

were able to find everything where were

616

00:27:40,610 --> 00:27:38,340

you looking and well emails it just

617

00:27:43,149 --> 00:27:40,620

depends on what the category is

618

00:27:46,370 --> 00:27:43,159

if there were documents we were looking

619

00:27:48,769 --> 00:27:46,380

for digital documents

620

00:27:50,930 --> 00:27:48,779

on our computer

621

00:27:53,269 --> 00:27:50,940

and when you say on your computer what

622

00:27:55,490 --> 00:27:53,279

kind of computer is it well

623

00:27:56,090 --> 00:27:55,500

it's not on our computers

624

00:27:59,110 --> 00:27:56,100

um

625

00:28:01,310 --> 00:27:59,120

and one of our we have different storage

626

00:28:04,130 --> 00:28:01,320

cloud storage

627

00:28:07,610 --> 00:28:04,140

and then we view it on our computer what

628

00:28:09,169 --> 00:28:07,620

storage cloud storage do you use Dropbox

629

00:28:14,149 --> 00:28:09,179

and

630

00:28:16,549 --> 00:28:14,159

I think that's it

631

00:28:19,130 --> 00:28:16,559

and what email address is Tethered to

632

00:28:25,450 --> 00:28:19,140

those two accounts Dropbox and pcloud

633

00:28:33,049 --> 00:28:27,970

there could be some Google

634

00:28:36,649 --> 00:28:33,059

storage also associated with the sphere

635

00:28:43,789 --> 00:28:36,659

being Alliance at gmail account can you

636

00:28:47,330 --> 00:28:43,799

spell that again s p h e r e b e i n g

637

00:28:47,340 --> 00:28:51,409

at gmail

638

00:28:56,930 --> 00:28:54,409

and when you say good E-Tech your name

639

00:28:58,850 --> 00:28:56,940

has an e on the end of it yes and so is

640

00:29:03,049 --> 00:28:58,860

there an extra e

641

00:29:07,310 --> 00:29:03,059

uh or is it o d e t e c h okay because

642

00:29:10,130 --> 00:29:07,320

you mentioned e after the good but okay

643

00:29:12,409 --> 00:29:10,140

so it's good with an e at the end of it

644

00:29:14,390 --> 00:29:12,419

tag at yahoo.com

645

00:29:16,789 --> 00:29:14,400

it's fear being

646

00:29:19,610 --> 00:29:16,799

I'm sorry I'll start again sphere being

647

00:29:22,430 --> 00:29:19,620

Alliance gmail.com those the only two

648

00:29:25,970 --> 00:29:22,440

email addresses you use no over the

649

00:29:28,850 --> 00:29:25,980

years there have been many others we

650

00:29:32,029 --> 00:29:28,860

would start up like

651  
00:29:35,149 --> 00:29:32,039  
whatever uh project we're working at at

652  
00:29:36,769 --> 00:29:35,159  
gmail.com and there I couldn't even

653  
00:29:38,870 --> 00:29:36,779  
begin to name them all

654  
00:29:42,230 --> 00:29:38,880  
right now we'd have to list them out and

655  
00:29:43,789 --> 00:29:42,240  
then produce them to you okay would you

656  
00:29:45,169 --> 00:29:43,799  
like me to ask Corey Porter to put a

657  
00:29:46,430 --> 00:29:45,179  
blank in the transcript and you can add

658  
00:29:49,730 --> 00:29:46,440  
those in later

659  
00:29:51,889 --> 00:29:49,740  
yeah but yeah yeah okay we'll do we'll

660  
00:29:54,590 --> 00:29:51,899  
do that yeah because you said you said

661  
00:29:56,930 --> 00:29:54,600  
you can't even begin yeah yeah

662  
00:29:58,909 --> 00:29:56,940  
okay fair enough uh how many do you

663  
00:30:00,889 --> 00:29:58,919

think just so she leaves enough lines do

664

00:30:02,930 --> 00:30:00,899

you think it's like 10 or 14. I don't

665

00:30:06,590 --> 00:30:02,940

know uh Roger Richards usually created

666

00:30:08,510 --> 00:30:06,600

them as a way for us to uh to

667

00:30:11,269 --> 00:30:08,520

communicate within those emails and have

668

00:30:13,130 --> 00:30:11,279

everything different projects have all

669

00:30:16,789 --> 00:30:13,140

of that information come to that email

670

00:30:18,409 --> 00:30:16,799

okay so I can give you what I think are

671

00:30:21,110 --> 00:30:18,419

the different email addresses but they

672

00:30:23,029 --> 00:30:21,120

weren't set up I mean okay

673

00:30:24,470 --> 00:30:23,039

now earlier we talked about

674

00:30:26,269 --> 00:30:24,480

attorney-client privilege and I don't

675

00:30:28,850 --> 00:30:26,279

want to know anything that you spoke

676

00:30:30,649 --> 00:30:28,860

with about to your attorney

677

00:30:32,090 --> 00:30:30,659

unless you spoke about it with someone

678

00:30:34,909 --> 00:30:32,100

else and that's particularly what I want

679

00:30:37,130 --> 00:30:34,919

to ask about Liz Laurie with that person

680

00:30:40,010 --> 00:30:37,140

did you who else did you speak with

681

00:30:42,169 --> 00:30:40,020

other than Liz Lurie and other than your

682

00:30:44,210 --> 00:30:42,179

attorney about that conflict with Liz

683

00:30:47,210 --> 00:30:44,220

Laurie

684

00:30:50,450 --> 00:30:47,220

objection Ashton answered you can answer

685

00:30:53,810 --> 00:30:50,460

it's not a proper objection go ahead I

686

00:30:56,149 --> 00:30:53,820

can't remember I was being approached

687

00:30:58,130 --> 00:30:56,159

frantically by people within the

688

00:31:01,250 --> 00:30:58,140

community that were asking me about the

689

00:31:04,730 --> 00:31:01,260

public allegations from your clients and

690

00:31:07,669 --> 00:31:04,740

the person that you mentioned and I was

691

00:31:11,149 --> 00:31:07,679

being bombarded in a complete like total

692

00:31:12,529 --> 00:31:11,159

PR nightmare uh so I couldn't even begin

693

00:31:14,690 --> 00:31:12,539

to tell you

694

00:31:18,350 --> 00:31:14,700

who all I was

695

00:31:21,950 --> 00:31:18,360

I mean I went to East seti he said he

696

00:31:24,590 --> 00:31:21,960

was an event where I I was speaking and

697

00:31:27,649 --> 00:31:24,600

I was there with my entire family and

698

00:31:31,070 --> 00:31:27,659

Liz Laurie was there and

699

00:31:32,510 --> 00:31:31,080

saying these same things to anyone who

700

00:31:34,370 --> 00:31:32,520

would listen and people were coming up

701  
00:31:35,870 --> 00:31:34,380  
to me and asking about it I could even

702  
00:31:38,990 --> 00:31:35,880  
begin to tell you

703  
00:31:40,549 --> 00:31:39,000  
who the people were okay so dozens of

704  
00:31:42,649 --> 00:31:40,559  
people were coming up to dozens of

705  
00:31:45,409 --> 00:31:42,659  
people okay would you estimate between

706  
00:31:47,570 --> 00:31:45,419  
50 and 100 or more than 100 people at

707  
00:31:48,710 --> 00:31:47,580  
that event or just overall they came up

708  
00:31:50,750 --> 00:31:48,720  
to you and talked to you about the Liz

709  
00:31:53,990 --> 00:31:50,760  
Laurie conflict dozens

710  
00:31:57,169 --> 00:31:54,000  
okay and just and that was at the eseti

711  
00:31:59,389 --> 00:31:57,179  
event doesn't is that yes at the study

712  
00:32:01,669 --> 00:31:59,399  
event I probably had

713  
00:32:03,769 --> 00:32:01,679

probably eight or nine

714

00:32:06,470 --> 00:32:03,779

people do you remember any of their

715

00:32:06,480 --> 00:32:12,230

see

716

00:32:16,250 --> 00:32:14,090

and I can't remember the name of

717

00:32:19,730 --> 00:32:16,260

the people in this crew there were like

718

00:32:22,970 --> 00:32:19,740

several people in his crew that were

719

00:32:24,649 --> 00:32:22,980

being told all of these details and were

720

00:32:29,510 --> 00:32:24,659

coming to ask me about it

721

00:32:33,350 --> 00:32:31,850

and then outside of the e-city event

722

00:32:40,669 --> 00:32:33,360

where other people coming up to you

723

00:32:45,649 --> 00:32:43,669

I can't recall so you don't remember

724

00:32:51,950 --> 00:32:45,659

anyone emailing you about the Liz Laurie

725

00:32:58,130 --> 00:32:53,750

I don't recall

726

00:33:02,269 --> 00:32:58,140

uh email from I I received a bunch of

727

00:33:05,169 --> 00:33:02,279

emails during the time period of the um

728

00:33:07,850 --> 00:33:05,179

video releases that your clients made

729

00:33:10,250 --> 00:33:07,860

that's the time period that most people

730

00:33:12,350 --> 00:33:10,260

were really curious because it had not

731

00:33:14,889 --> 00:33:12,360

gotten around through the entire

732

00:33:18,230 --> 00:33:14,899

Community yet until the videos

733

00:33:20,889 --> 00:33:18,240

were made and then strategically sent to

734

00:33:23,509 --> 00:33:20,899

all the

735

00:33:26,810 --> 00:33:23,519

most powerful people in the community

736

00:33:30,310 --> 00:33:26,820

did you keep a copy of those emails

737

00:33:32,630 --> 00:33:30,320

I'm sure I did I don't delete

738

00:33:34,549 --> 00:33:32,640

emails they would have come into the

739

00:33:38,330 --> 00:33:34,559

sphere being Alliance

740

00:33:40,750 --> 00:33:38,340

Gmail account uh I think there's

741

00:33:43,970 --> 00:33:40,760

other accounts associated

742

00:33:45,730 --> 00:33:43,980

that my partner has with Ascension Works

743

00:33:49,070 --> 00:33:45,740

TV

744

00:33:50,090 --> 00:33:49,080

a platform we've started

745

00:33:51,610 --> 00:33:50,100

um

746

00:33:56,149 --> 00:33:51,620

but we were

747

00:33:59,350 --> 00:33:56,159

my I think that they were receiving a

748

00:34:03,529 --> 00:33:59,360

lot of questions and the um

749

00:34:07,130 --> 00:34:03,539

customer service emails during my course

750

00:34:09,470 --> 00:34:07,140

when you say they who's they uh the uh

751  
00:34:11,990 --> 00:34:09,480  
Liz Laurie and the people that were

752  
00:34:14,570 --> 00:34:12,000  
helping her with

753  
00:34:16,550 --> 00:34:14,580  
uh oh no my one of my latest courses

754  
00:34:17,589 --> 00:34:16,560  
that would have been Mike wazkowski and

755  
00:34:21,290 --> 00:34:17,599  
his wife

756  
00:34:26,510 --> 00:34:21,300  
Elizabeth waskoski who are my partners

757  
00:34:31,909 --> 00:34:29,149  
they were taking care of the customer

758  
00:34:33,409 --> 00:34:31,919  
service and my later

759  
00:34:35,270 --> 00:34:33,419  
courses

760  
00:34:38,710 --> 00:34:35,280  
when did they begin taking care of your

761  
00:34:41,210 --> 00:34:38,720  
customer service for your courses

762  
00:34:43,609 --> 00:34:41,220  
whenever my second course came out I

763  
00:34:47,690 --> 00:34:43,619

don't remember the date

764

00:34:52,669 --> 00:34:50,329

2021 I believe I

765

00:34:58,849 --> 00:34:52,679

don't recall the date they

766

00:35:05,990 --> 00:35:04,070

do you have any documents that are

767

00:35:07,730 --> 00:35:06,000

that you brought with you today to

768

00:35:22,250 --> 00:35:07,740

produce above and beyond what you

769

00:35:26,210 --> 00:35:24,050

and you've handed me three things tell

770

00:35:27,770 --> 00:35:26,220

me what these three things are thumb

771

00:35:29,349 --> 00:35:27,780

drive with all of the documents

772

00:35:33,470 --> 00:35:29,359

requested

773

00:35:36,109 --> 00:35:33,480

a physical copy of the SBA Universe

774

00:35:38,930 --> 00:35:36,119

franchise Bible That's based on my

775

00:35:41,810 --> 00:35:38,940

information and then the graphic novel

776

00:35:44,210 --> 00:35:41,820

completed graphic novel

777

00:35:46,430 --> 00:35:44,220

and on the thumb drive how many

778

00:35:49,430 --> 00:35:46,440

documents are on the thumb drive

779

00:35:53,030 --> 00:35:49,440

I couldn't begin to tell you hundreds

780

00:35:53,040 --> 00:35:57,349

maybe maybe hundreds Maybe

781

00:36:01,730 --> 00:35:59,870

I turned over a lot

782

00:36:03,530 --> 00:36:01,740

and are these documents previously

783

00:36:05,870 --> 00:36:03,540

produced or are these documents that are

784

00:36:12,650 --> 00:36:05,880

haven't been produced before

785

00:36:15,650 --> 00:36:13,910

um Council I just want to note for the

786

00:36:18,290 --> 00:36:15,660

record that because this was under

787

00:36:20,150 --> 00:36:18,300

subpoena Deuces take them and not a

788

00:36:21,829 --> 00:36:20,160

formal request for production we did we

789

00:36:23,990 --> 00:36:21,839

weren't given the full 30 days to

790

00:36:25,730 --> 00:36:24,000

appropriately Bates number all of these

791

00:36:27,710 --> 00:36:25,740

so some of them are previously produced

792

00:36:30,230 --> 00:36:27,720

the ones that have not been previously

793

00:36:32,750 --> 00:36:30,240

produced but produced in response to the

794

00:36:34,190 --> 00:36:32,760

subpoena will Bates number get to within

795

00:36:37,190 --> 00:36:34,200

the 38th period

796

00:36:39,109 --> 00:36:37,200

okay so on the thumb drive uh just so

797

00:36:40,310 --> 00:36:39,119

I'm clear some of these have already

798

00:36:50,870 --> 00:36:40,320

been produced some of them have not

799

00:37:01,250 --> 00:36:53,990

did you discuss your concerns with Liz

800

00:37:06,410 --> 00:37:04,370

discuss my concerns yes to be more

801  
00:37:07,910 --> 00:37:06,420  
specific sure any of the problems you

802  
00:37:10,010 --> 00:37:07,920  
were having with Liz Lori did you

803  
00:37:11,990 --> 00:37:10,020  
discuss any of those with Mike uh

804  
00:37:14,089 --> 00:37:12,000  
weskowski

805  
00:37:16,430 --> 00:37:14,099  
at some point yes I would have because

806  
00:37:18,770 --> 00:37:16,440  
he was my partner

807  
00:37:21,170 --> 00:37:18,780  
and uh what did you tell him your

808  
00:37:24,550 --> 00:37:21,180  
concerns were

809  
00:37:30,109 --> 00:37:24,560  
I believe the ethics violations

810  
00:37:34,790 --> 00:37:31,010  
um

811  
00:37:37,010 --> 00:37:34,800  
way that they had handled business

812  
00:37:40,730 --> 00:37:37,020  
with us and how much damage they had

813  
00:37:43,430 --> 00:37:40,740

caused you say they who's they Liz and

814

00:37:45,829 --> 00:37:43,440

her mom Liz Laurie and her mom what's

815

00:37:49,010 --> 00:37:45,839

your mom's name

816

00:37:51,109 --> 00:37:49,020

maybe I can't did you name her in the

817

00:37:53,750 --> 00:37:51,119

suit as well

818

00:37:56,810 --> 00:37:53,760

and what suit it was did you cross

819

00:37:58,849 --> 00:37:56,820

complain against Liz Laurie no

820

00:38:01,490 --> 00:37:58,859

okay so she wasn't a party she was not a

821

00:38:05,089 --> 00:38:01,500

party to the suit so the suit that uh

822

00:38:08,150 --> 00:38:05,099

lives right I don't know

823

00:38:11,930 --> 00:38:08,160

was there one plaintiff suing you or two

824

00:38:13,790 --> 00:38:11,940

I I remember Liz Laurie I believe it was

825

00:38:15,410 --> 00:38:13,800

just Liz Laurie but I

826

00:38:17,930 --> 00:38:15,420

couldn't tell you it was such a quick

827

00:38:19,849 --> 00:38:17,940

little blip they went through it as soon

828

00:38:22,550 --> 00:38:19,859

as quickly as they

829

00:38:24,890 --> 00:38:22,560

filed it

830

00:38:26,270 --> 00:38:24,900

what they were through the same day no

831

00:38:27,829 --> 00:38:26,280

but very quickly

832

00:38:29,569 --> 00:38:27,839

when you say very quickly what does that

833

00:38:32,510 --> 00:38:29,579

mean to you

834

00:38:34,370 --> 00:38:32,520

by the time I asked an attorney to get

835

00:38:37,010 --> 00:38:34,380

involved and they started to contact

836

00:38:38,390 --> 00:38:37,020

their attorney they dropped it well you

837

00:38:42,950 --> 00:38:38,400

saved their attorney so Elizabeth

838

00:38:46,430 --> 00:38:42,960

attorney dropped the suit as soon as the

839

00:38:48,950 --> 00:38:46,440

attorney I hired started to engage them

840

00:38:52,190 --> 00:38:48,960

and who is your attorney in that matter

841

00:38:55,130 --> 00:38:52,200

I cannot remember their name Denver

842

00:38:57,950 --> 00:38:55,140

attorney Denver yeah

843

00:39:04,310 --> 00:38:57,960

male or female male

844

00:39:12,589 --> 00:39:07,910

I believe we researched online I can't I

845

00:39:18,770 --> 00:39:15,170

okay did you ever talk to Dave Wilcox

846

00:39:22,670 --> 00:39:18,780

about Liz Laurie yes how would you tell

847

00:39:27,410 --> 00:39:22,680

Dave Wilcox about the Liz Laurie

848

00:39:30,410 --> 00:39:27,420

it was more of me responding to him uh

849

00:39:34,490 --> 00:39:30,420

telling me her allegations

850

00:39:35,690 --> 00:39:34,500

and what was my response to them

851  
00:39:37,370 --> 00:39:35,700  
and what did you understand her

852  
00:39:38,930 --> 00:39:37,380  
allegations to be

853  
00:39:39,470 --> 00:39:38,940  
that

854  
00:39:42,589 --> 00:39:39,480  
um

855  
00:39:46,670 --> 00:39:42,599  
I wasn't that I

856  
00:39:48,710 --> 00:39:46,680  
wasn't going to pay her for the work she

857  
00:39:49,550 --> 00:39:48,720  
had done

858  
00:39:53,450 --> 00:39:49,560  
um

859  
00:39:56,750 --> 00:39:55,010  
I can't I can't remember it I haven't

860  
00:39:58,910 --> 00:39:56,760  
I've

861  
00:40:01,490 --> 00:39:58,920  
purposefully not watched those videos I

862  
00:40:03,530 --> 00:40:01,500  
can't remember what all she said

863  
00:40:06,530 --> 00:40:03,540

how much was she alleging approximately

864

00:40:09,609 --> 00:40:06,540

that you owed at that time well it was

865

00:40:15,170 --> 00:40:09,619

changing she had agreed to 33 percent

866

00:40:18,589 --> 00:40:15,180

and the 10th week of the uh course she

867

00:40:20,990 --> 00:40:18,599

demanded 45 I believe

868

00:40:22,430 --> 00:40:21,000

and she had had every person that she

869

00:40:24,530 --> 00:40:22,440

wouldn't let anyone come near me unless

870

00:40:28,370 --> 00:40:24,540

they signed a contract

871

00:40:29,390 --> 00:40:28,380

and she refused to provide a contract

872

00:40:32,630 --> 00:40:29,400

for me

873

00:40:34,670 --> 00:40:32,640

with her until the end because she was

874

00:40:37,730 --> 00:40:34,680

said she was just too busy

875

00:40:43,550 --> 00:40:37,740

and then she sent me the contract and a

876

00:40:47,690 --> 00:40:45,589

did you ever sign a contract with Liz

877

00:40:49,010 --> 00:40:47,700

Laurie no

878

00:40:50,569 --> 00:40:49,020

so at the beginning of your relationship

879

00:40:53,210 --> 00:40:50,579

you never had a written fee agreement

880

00:41:04,970 --> 00:40:53,220

she never presented one that was one of

881

00:41:10,490 --> 00:41:07,550

uh you mentioned that Mike waskowski is

882

00:41:12,470 --> 00:41:10,500

your partner he is what partnership was

883

00:41:13,030 --> 00:41:12,480

that regarding

884

00:41:18,710 --> 00:41:13,040

um

885

00:41:24,910 --> 00:41:21,109

and what kind of entity is that

886

00:41:30,530 --> 00:41:24,920

it's a kind of a social media platform

887

00:41:33,650 --> 00:41:30,540

that is morphing into a video streaming

888

00:41:37,069 --> 00:41:33,660

kind of mixture hybrid

889

00:41:38,109 --> 00:41:37,079

is Ascension Works TV a Colorado LLC or

890

00:41:45,650 --> 00:41:38,119

S Corp

891

00:41:49,910 --> 00:41:48,470

do you maintain uh minutes for that

892

00:41:52,310 --> 00:41:49,920

every year

893

00:41:55,730 --> 00:41:52,320

uh yes Mike and his wife do

894

00:41:58,550 --> 00:41:55,740

you file taxes yes

895

00:42:02,810 --> 00:41:58,560

his wife is in uh

896

00:42:06,770 --> 00:42:02,820

accountant which I've been begging for

897

00:42:08,569 --> 00:42:06,780

for years that's Elizabeth yes

898

00:42:11,630 --> 00:42:08,579

we say begging for for years what do you

899

00:42:14,270 --> 00:42:11,640

mean accountants

900

00:42:19,250 --> 00:42:17,089

well your clients

901  
00:42:20,390 --> 00:42:19,260  
that was the original agreement that

902  
00:42:22,790 --> 00:42:20,400  
everything would be done according

903  
00:42:24,970 --> 00:42:22,800  
according to Industry standard attorneys

904  
00:42:28,490 --> 00:42:24,980  
contracts and

905  
00:42:30,890 --> 00:42:28,500  
accountants would be used

906  
00:42:32,089 --> 00:42:30,900  
I was very heavily stipulating on that

907  
00:42:36,470 --> 00:42:32,099  
okay

908  
00:42:41,810 --> 00:42:38,930  
ever volunteer for your full disclosure

909  
00:42:45,650 --> 00:42:41,820  
product project

910  
00:42:49,370 --> 00:42:45,660  
full disclosure prod I pretty sure if he

911  
00:42:49,380 --> 00:42:53,630  
okay

912  
00:42:57,650 --> 00:42:55,190  
and is there some sort of relationship

913  
00:43:03,170 --> 00:42:59,750

and Mike or some concern about a

914

00:43:05,210 --> 00:43:03,180

relationship there yeah there was uh an

915

00:43:06,230 --> 00:43:05,220

incident to where

916

00:43:08,750 --> 00:43:06,240

um

917

00:43:10,849 --> 00:43:08,760

I guess Mike

918

00:43:12,109 --> 00:43:10,859

uh and

919

00:43:14,690 --> 00:43:12,119

were

920

00:43:15,950 --> 00:43:14,700

working together and I felt

921

00:43:18,770 --> 00:43:15,960

uncomfortable

922

00:43:21,829 --> 00:43:18,780

at his house and we had to go pick her

923

00:43:24,170 --> 00:43:21,839

up from Colorado Springs

924

00:43:29,390 --> 00:43:24,180

she didn't have a car

925

00:43:34,490 --> 00:43:31,670

why was she working at his house

926  
00:43:36,290 --> 00:43:34,500  
I don't know that was before she really

927  
00:43:39,109 --> 00:43:36,300  
worked for me

928  
00:43:42,710 --> 00:43:39,119  
she was just volunteering

929  
00:43:48,470 --> 00:43:42,720  
at that time and her and

930  
00:43:54,410 --> 00:43:52,089  
and so who picked her up my wife Stacy

931  
00:44:00,230 --> 00:43:54,420  
and where did you take

932  
00:44:04,609 --> 00:44:02,210  
did anything come of that concern or

933  
00:44:08,150 --> 00:44:04,619  
that incident between my control

934  
00:44:10,010 --> 00:44:08,160  
um yeah Mike we told him that we

935  
00:44:15,470 --> 00:44:10,020  
wouldn't be able to work with him for a

936  
00:44:18,589 --> 00:44:15,480  
period of time and asked that he uh

937  
00:44:22,069 --> 00:44:18,599  
learn to be a little bit more sensitive

938  
00:44:26,030 --> 00:44:22,079

about the environments that he creates

939

00:44:31,190 --> 00:44:29,150

it's not autistic high functioning

940

00:44:33,410 --> 00:44:31,200

autistic it's uh

941

00:44:35,750 --> 00:44:33,420

Asperger or something like that and he

942

00:44:38,650 --> 00:44:35,760

has he's real high functioning

943

00:44:41,750 --> 00:44:38,660

intellectually but with personal

944

00:44:49,190 --> 00:44:41,760

relationships he's kind of it's a little

945

00:44:53,569 --> 00:44:52,069

but there is No Malice on his side

946

00:44:54,950 --> 00:44:53,579

it's just

947

00:44:58,730 --> 00:44:54,960

you have to be careful of that thing

948

00:44:58,740 --> 00:45:03,670

foreign

949

00:45:03,680 --> 00:45:08,750

a different relationship

950

00:45:13,609 --> 00:45:10,910

yeah until Mike

951  
00:45:15,050 --> 00:45:13,619  
became married in the last few years I

952  
00:45:16,849 --> 00:45:15,060  
don't I'd never known him to be in a

953  
00:45:18,290 --> 00:45:16,859  
relationship and at the time of that

954  
00:45:20,930 --> 00:45:18,300  
incident between Mike

955  
00:45:34,250 --> 00:45:20,940  
who's Mike in a relationship no that was

956  
00:45:41,230 --> 00:45:36,950  
and currently do you have an employer

957  
00:45:45,349 --> 00:45:44,329  
are you gonna where you get a pay uh pay

958  
00:45:48,530 --> 00:45:45,359  
stub

959  
00:45:49,970 --> 00:45:48,540  
no okay so you have no W-2 employment

960  
00:45:56,290 --> 00:45:49,980  
when was the last time you had a

961  
00:46:01,550 --> 00:45:58,270  
2013

962  
00:46:13,069 --> 00:46:01,560  
or 12 12 or 13.

963  
00:46:19,849 --> 00:46:17,210

starts with a d their name it's escaping

964

00:46:40,849 --> 00:46:19,859

I was there

965

00:46:45,109 --> 00:46:43,250

and earlier I mentioned you know what

966

00:46:47,510 --> 00:46:45,119

was the last time you had a traditional

967

00:46:52,490 --> 00:46:47,520

9-5 job did you have any other salary

968

00:46:54,710 --> 00:46:52,500

jobs uh uh between 2012 and current time

969

00:46:58,730 --> 00:46:54,720

no okay

970

00:47:01,250 --> 00:46:58,740

and so what is your current occupation

971

00:47:06,829 --> 00:47:04,309

content creator I guess okay

972

00:47:08,089 --> 00:47:06,839

and when you say a content creator what

973

00:47:12,050 --> 00:47:08,099

does that mean to you

974

00:47:14,569 --> 00:47:12,060

I create content that is to be used in

975

00:47:26,230 --> 00:47:14,579

documentaries TV shows video games

976  
00:47:33,470 --> 00:47:29,750  
instead of video games graphic novels TV

977  
00:47:37,069 --> 00:47:33,480  
shows I think there's a fourth

978  
00:47:41,690 --> 00:47:39,650  
movies documentaries

979  
00:47:45,530 --> 00:47:41,700  
television shows

980  
00:47:46,790 --> 00:47:45,540  
graphic novels and video games

981  
00:47:48,770 --> 00:47:46,800  
and how long have you considered

982  
00:47:54,589 --> 00:47:48,780  
yourself to be a content creator

983  
00:47:58,730 --> 00:47:56,510  
. what did you do for income between

984  
00:48:02,329 --> 00:47:58,740  
2012

985  
00:48:05,210 --> 00:48:02,339  
13 when you left that other company in

986  
00:48:05,750 --> 00:48:05,220  
2015.

987  
00:48:07,030 --> 00:48:05,760  
[Music]

988  
00:48:09,770 --> 00:48:07,040

um

989

00:48:13,730 --> 00:48:09,780

2013 and 15 I was probably on workman's

990

00:48:21,710 --> 00:48:15,589

but I'm not sure

991

00:48:27,109 --> 00:48:23,990

give me the time period again sure 2013

992

00:48:29,870 --> 00:48:27,119

to 15. I don't

993

00:48:39,170 --> 00:48:29,880

for a short period of time she got a

994

00:48:44,630 --> 00:48:42,530

she worked there part-time for like

995

00:48:46,550 --> 00:48:44,640

month or two

996

00:48:50,030 --> 00:48:46,560

okay

997

00:48:52,010 --> 00:48:50,040

and right now as content creator what is

998

00:48:55,190 --> 00:48:52,020

the primary entity that you work with

999

00:48:57,890 --> 00:48:55,200

currently to create income

1000

00:49:00,230 --> 00:48:57,900

I create through good

1001  
00:49:02,150 --> 00:49:00,240  
my company

1002  
00:49:03,890 --> 00:49:02,160  
I I must not understand the question

1003  
00:49:10,910 --> 00:49:03,900  
what's the name of the company good

1004  
00:49:18,109 --> 00:49:15,290  
and is that an LLC S Corp Inc

1005  
00:49:19,430 --> 00:49:18,119  
is that a Colorado Corp yes it started

1006  
00:49:21,950 --> 00:49:19,440  
off in Texas

1007  
00:49:24,470 --> 00:49:21,960  
and when we moved to Colorado in 2017 we

1008  
00:49:30,109 --> 00:49:27,109  
transferred removed or whatever why'd

1009  
00:49:32,510 --> 00:49:30,119  
you move from Texas to Colorado in 2017.

1010  
00:49:34,190 --> 00:49:32,520  
originally we thought we were going to

1011  
00:49:38,390 --> 00:49:34,200  
be doing new TV shows with Gaia

1012  
00:49:41,150 --> 00:49:38,400  
television and they were really excited

1013  
00:49:51,530 --> 00:49:41,160

to have us close by

1014

00:49:57,829 --> 00:49:54,290

and so you already had good Enterprise

1015

00:50:00,950 --> 00:49:57,839

Solutions Inc the Texas entity prior to

1016

00:50:08,569 --> 00:50:00,960

your 2017 move for how many years

1017

00:50:13,910 --> 00:50:11,030

and that's your primary entity that you

1018

00:50:17,329 --> 00:50:13,920

work with to produce income correct yes

1019

00:50:22,010 --> 00:50:19,309

what are the

1020

00:50:24,470 --> 00:50:22,020

well Ascension Works TV also

1021

00:50:28,910 --> 00:50:24,480

yeah we have that we did our

1022

00:50:29,930 --> 00:50:28,920

last two courses through I think and now

1023

00:50:35,569 --> 00:50:29,940

we're

1024

00:50:39,109 --> 00:50:37,670

okay an Ascension Works CV is what kind

1025

00:50:41,270 --> 00:50:39,119

of entity

1026

00:50:44,870 --> 00:50:41,280

I think it's an LLC

1027

00:50:48,349 --> 00:50:46,910

and you say we do our court courses

1028

00:50:51,650 --> 00:50:48,359

through them who's we

1029

00:50:59,270 --> 00:50:54,470

should create content as well

1030

00:51:04,970 --> 00:51:01,870

and now she creates sometimes

1031

00:51:07,510 --> 00:51:04,980

not often when you say participates in

1032

00:51:13,790 --> 00:51:07,520

the delivery what do you mean by that

1033

00:51:19,790 --> 00:51:17,809

she's a spokesperson on video on camera

1034

00:51:22,490 --> 00:51:19,800

yeah she appears with me on camera in

1035

00:51:25,609 --> 00:51:24,230

do you have any other employees that you

1036

00:51:27,490 --> 00:51:25,619

manage or supervised that have been

1037

00:51:30,589 --> 00:51:27,500

employees of either those two entities

1038

00:51:34,309 --> 00:51:30,599

good Enterprise Solutions Inc or

1039

00:51:37,790 --> 00:51:34,319

Ascension Works TV LLC since 2015.

1040

00:51:41,410 --> 00:51:37,800

Ascension Works TV let's see

1041

00:51:43,609 --> 00:51:41,420

uh I think we have a contractor

1042

00:51:46,190 --> 00:51:43,619

who's doing a lot of the customer

1043

00:51:47,390 --> 00:51:46,200

service emails for us

1044

00:51:48,770 --> 00:51:47,400

how long

1045

00:51:51,890 --> 00:51:48,780

have you been doing customer service

1046

00:51:55,910 --> 00:51:53,990

a year to year and a half

1047

00:51:58,250 --> 00:51:55,920

who did them prior to

1048

00:52:01,549 --> 00:51:58,260

Debbie Graham

1049

00:52:03,829 --> 00:52:01,559

just various volunteers

1050

00:52:07,190 --> 00:52:03,839

did you ever have anyone on the payroll

1051  
00:52:08,930 --> 00:52:07,200  
at ascensionworks TV LLC other than

1052  
00:52:11,329 --> 00:52:08,940  
yourself and your wife

1053  
00:52:14,630 --> 00:52:11,339  
no I believe she's just a contractor but

1054  
00:52:16,430 --> 00:52:14,640  
I'm not sure we'd have to ask Mike

1055  
00:52:19,730 --> 00:52:16,440  
when you say just a contractor what does

1056  
00:52:21,349 --> 00:52:19,740  
that mean to you independent contractor

1057  
00:52:23,390 --> 00:52:21,359  
and why is she an independent contractor

1058  
00:52:29,270 --> 00:52:23,400  
instead of an employee I don't know

1059  
00:52:35,630 --> 00:52:32,089  
our Mike and Elizabeth members of

1060  
00:52:38,870 --> 00:52:35,640  
Ascension Works TV LLC yes well Mike is

1061  
00:52:41,870 --> 00:52:38,880  
I I don't recall how it breaks down

1062  
00:52:44,750 --> 00:52:41,880  
but I believe I'm I believe they have 40

1063  
00:52:46,670 --> 00:52:44,760

percent stake

1064

00:52:47,930 --> 00:52:46,680

when you said they you're referring to

1065

00:52:52,790 --> 00:52:47,940

Mike and Elizabeth Mike and Elizabeth

1066

00:52:56,630 --> 00:52:55,250

and that's documented in a some sort of

1067

00:53:02,870 --> 00:52:56,640

an operating agreement

1068

00:53:05,809 --> 00:53:04,370

where do you keep things like operating

1069

00:53:09,950 --> 00:53:05,819

agreements

1070

00:53:12,349 --> 00:53:09,960

Stacy uh keeps them

1071

00:53:15,710 --> 00:53:12,359

oh would Stacy keep those on the cloud

1072

00:53:18,290 --> 00:53:15,720

on like one of those uh what is it P

1073

00:53:20,569 --> 00:53:18,300

Cloud Google or Dropbox

1074

00:53:22,490 --> 00:53:20,579

I don't know exactly where she keeps

1075

00:53:25,069 --> 00:53:22,500

them I know she also keeps some physical

1076

00:53:26,329 --> 00:53:25,079

files

1077

00:53:27,950 --> 00:53:26,339

the business

1078

00:53:30,589 --> 00:53:27,960

and where the physical files for the

1079

00:53:32,150 --> 00:53:30,599

business kept at our home

1080

00:53:34,490 --> 00:53:32,160

we're at your home

1081

00:53:38,089 --> 00:53:34,500

and down in the office

1082

00:53:40,910 --> 00:53:38,099

is the office in a basement yes

1083

00:53:43,069 --> 00:53:40,920

is it like a wooden cabinet steel steel

1084

00:53:48,349 --> 00:53:43,079

drawer what what kind of location I

1085

00:53:54,230 --> 00:53:51,170

to some sort of a safe with a little

1086

00:53:57,349 --> 00:53:54,240

kind you can put heavy lock box things

1087

00:53:59,270 --> 00:53:57,359

but it's more it's mobile you can pick

1088

00:54:02,150 --> 00:53:59,280

it up and walk with it I believe so yeah

1089

00:54:04,430 --> 00:54:02,160

is it the size of a box approximately

1090

00:54:06,710 --> 00:54:04,440

like a like a paper box yeah it's more

1091

00:54:08,930 --> 00:54:06,720

like a file size of like normal normal

1092

00:54:11,390 --> 00:54:08,940

file

1093

00:54:13,609 --> 00:54:11,400

storage and

1094

00:54:15,650 --> 00:54:13,619

yeah just reflect your your hands are

1095

00:54:16,730 --> 00:54:15,660

showing about 10 or 12 inches 10 or 13

1096

00:54:19,609 --> 00:54:16,740

inches

1097

00:54:22,490 --> 00:54:19,619

I rarely interact with that box that's

1098

00:54:24,710 --> 00:54:22,500

more her role and I've got a couple of

1099

00:54:26,950 --> 00:54:24,720

my own you know that aren't business

1100

00:54:29,569 --> 00:54:26,960

related that I keep valuables in okay

1101

00:54:31,130 --> 00:54:29,579

what else is Stacy that sounds like

1102

00:54:32,690 --> 00:54:31,140

that's more Stacy's

1103

00:54:34,630 --> 00:54:32,700

territory she handles some of the

1104

00:54:38,390 --> 00:54:34,640

paperwork is that right yeah yeah

1105

00:54:40,670 --> 00:54:38,400

digital organize it

1106

00:54:43,130 --> 00:54:40,680

and uh why why do you have her do that

1107

00:54:45,829 --> 00:54:43,140

instead of you doing it

1108

00:54:48,530 --> 00:54:45,839

he's better at it okay

1109

00:54:49,250 --> 00:54:48,540

everybody's got their strengths right

1110

00:54:51,170 --> 00:54:49,260

um

1111

00:54:53,809 --> 00:54:51,180

So when you say she's better at it what

1112

00:54:55,370 --> 00:54:53,819

else is she better at that the two of

1113

00:54:58,609 --> 00:54:55,380

you delegate to her to do instead of you

1114

00:55:02,470 --> 00:54:59,510

um

1115

00:55:06,010 --> 00:55:02,480

I'm not a big talker she normally

1116

00:55:08,150 --> 00:55:06,020

when we're in business social

1117

00:55:12,490 --> 00:55:08,160

she's amazing

1118

00:55:15,109 --> 00:55:12,500

uh for business social uh Gatherings and

1119

00:55:16,849 --> 00:55:15,119

like meetings because I'm just not a

1120

00:55:20,390 --> 00:55:16,859

talkative person and

1121

00:55:24,770 --> 00:55:22,430

other than being social and talking is

1122

00:55:26,870 --> 00:55:24,780

there anything else and the maintaining

1123

00:55:28,069 --> 00:55:26,880

files is there anything else that she

1124

00:55:32,890 --> 00:55:28,079

handles

1125

00:55:38,809 --> 00:55:36,049

uh you know I mean we when it comes to

1126  
00:55:42,829 --> 00:55:38,819  
taxes and all that we

1127  
00:55:47,270 --> 00:55:45,230  
now earlier you said uh

1128  
00:55:51,349 --> 00:55:47,280  
Elizabeth or Mike handle taxes I thought

1129  
00:55:56,450 --> 00:55:53,809  
okay

1130  
00:55:59,569 --> 00:55:56,460  
and you're saying for what about good

1131  
00:56:01,670 --> 00:55:59,579  
Enterprise Solutions Inc we have uh

1132  
00:56:04,309 --> 00:56:01,680  
accountants

1133  
00:56:05,510 --> 00:56:04,319  
that take care of everything for us and

1134  
00:56:08,990 --> 00:56:05,520  
we just

1135  
00:56:10,970 --> 00:56:09,000  
send them the information okay do they

1136  
00:56:14,290 --> 00:56:10,980  
do your bookkeeping as well as the taxes

1137  
00:56:16,970 --> 00:56:14,300  
the accountants to a degree

1138  
00:56:19,609 --> 00:56:16,980

but they're not managing our funds yet

1139

00:56:23,270 --> 00:56:19,619

it's uh we're speaking to them to start

1140

00:56:24,589 --> 00:56:23,280

to manage our funds we're gonna

1141

00:56:26,690 --> 00:56:24,599

it's going to be the next conversation

1142

00:56:34,250 --> 00:56:26,700

with them

1143

00:56:44,270 --> 00:56:38,770

located here in Denver in Colorado

1144

00:56:49,609 --> 00:56:46,190

I can't recall their name so we can

1145

00:56:50,990 --> 00:56:49,619

absolutely send that I'll put let's put

1146

00:56:55,370 --> 00:56:51,000

a blank in the transcript we could add

1147

00:56:55,380 --> 00:56:57,710

foreign

1148

00:57:03,530 --> 00:57:00,470

other than those two entities the good

1149

00:57:06,650 --> 00:57:03,540

Enterprise Solutions Inc Ascension Works

1150

00:57:09,650 --> 00:57:06,660

TV LLC do you have any other entities

1151  
00:57:17,450 --> 00:57:09,660  
for which you're currently doing work

1152  
00:57:23,329 --> 00:57:19,849  
no I don't think so when you said

1153  
00:57:25,069 --> 00:57:23,339  
Stacy's the talker Stacy handles some of

1154  
00:57:26,569 --> 00:57:25,079  
the organization of the paperwork

1155  
00:57:29,930 --> 00:57:26,579  
maybe he's involved with some of the

1156  
00:57:33,770 --> 00:57:29,940  
taxes what is your role that's not hers

1157  
00:57:36,410 --> 00:57:33,780  
in relation to those two entities

1158  
00:57:39,430 --> 00:57:36,420  
content creation

1159  
00:57:41,329 --> 00:57:39,440  
and uh

1160  
00:57:45,109 --> 00:57:41,339  
pitching

1161  
00:57:49,370 --> 00:57:47,150  
and uh

1162  
00:57:52,970 --> 00:57:49,380  
overseeing the legal agreements and

1163  
00:57:54,890 --> 00:57:52,980

stuff is is my purview

1164

00:57:56,630 --> 00:57:54,900

when you say overseeing legal agreements

1165

00:57:57,609 --> 00:57:56,640

you mean legal documents that are signed

1166

00:58:00,530 --> 00:57:57,619

and

1167

00:58:04,069 --> 00:58:00,540

uh memorialize agreements between your

1168

00:58:06,170 --> 00:58:04,079

entities and others correct okay

1169

00:58:08,990 --> 00:58:06,180

has always been your practice to sign

1170

00:58:10,609 --> 00:58:09,000

agreements to memorialize assign

1171

00:58:12,950 --> 00:58:10,619

contracts to memorialize your agreements

1172

00:58:17,290 --> 00:58:12,960

with others it's always been my practice

1173

00:58:19,670 --> 00:58:17,300

to do everything with contracts and uh

1174

00:58:24,049 --> 00:58:19,680

you know this community is real weird

1175

00:58:31,730 --> 00:58:26,870

tell me more about that struggle

1176

00:58:33,790 --> 00:58:31,740

um no one uh oh I I've been pulled the

1177

00:58:36,410 --> 00:58:33,800

site several times

1178

00:58:37,970 --> 00:58:36,420

and kind of told Corey I know you come

1179

00:58:41,329 --> 00:58:37,980

from the corporate world but in this

1180

00:58:43,130 --> 00:58:41,339

community we don't do corporations we

1181

00:58:45,589 --> 00:58:43,140

don't do contracts we don't do

1182

00:58:49,150 --> 00:58:45,599

accountants we don't do lawyers we do

1183

00:58:51,890 --> 00:58:49,160

the honor System and if someone

1184

00:58:53,930 --> 00:58:51,900

makes an honorable agreement with the

1185

00:58:55,970 --> 00:58:53,940

other and doesn't keep up with it we go

1186

00:58:56,809 --> 00:58:55,980

to our elders and people and all of this

1187

00:58:58,970 --> 00:58:56,819

stuff

1188

00:59:01,010 --> 00:58:58,980

so that's what I've had to contend with

1189

00:59:04,390 --> 00:59:01,020

throughout the whole process even now

1190

00:59:08,510 --> 00:59:04,400

when people want to come to us and do

1191

00:59:10,250 --> 00:59:08,520

courses about their spiritual stuff many

1192

00:59:12,890 --> 00:59:10,260

of them don't want to pay taxes they

1193

00:59:15,410 --> 00:59:12,900

don't it's it's very difficult we had

1194

00:59:17,750 --> 00:59:15,420

they won't work with us because

1195

00:59:19,329 --> 00:59:17,760

we have a different standard than a lot

1196

00:59:22,370 --> 00:59:19,339

of other companies

1197

00:59:23,930 --> 00:59:22,380

in the community that turn blind eyes

1198

00:59:25,309 --> 00:59:23,940

and are always looking for ways to not

1199

00:59:27,049 --> 00:59:25,319

do taxes

1200

00:59:30,109 --> 00:59:27,059

we said we have different standards who

1201

00:59:32,329 --> 00:59:30,119

do we Stacy and I and what are your

1202

00:59:34,549 --> 00:59:32,339

standards our standards are that

1203

00:59:37,130 --> 00:59:34,559

everything has to be done of course

1204

00:59:38,329 --> 00:59:37,140

according to Industry standard in the

1205

00:59:39,710 --> 00:59:38,339

entertainment industry because that's

1206

00:59:41,809 --> 00:59:39,720

what this is

1207

00:59:43,670 --> 00:59:41,819

and uh

1208

00:59:46,430 --> 00:59:43,680

it's been a battle to get people to

1209

00:59:48,349 --> 00:59:46,440

agree to do that okay so you've always

1210

00:59:50,690 --> 00:59:48,359

wanted things in writing to be signed

1211

00:59:53,750 --> 00:59:50,700

memorialized documented so expectations

1212

00:59:56,270 --> 00:59:53,760

are set and met yeah my earliest emails

1213

00:59:59,390 --> 00:59:56,280

demand that from everybody okay

1214

01:00:00,530 --> 00:59:59,400

uh did your later emails still demand

1215

01:00:03,130 --> 01:00:00,540

that from everybody

1216

01:00:06,349 --> 01:00:03,140

is that a yes yes

1217

01:00:09,010 --> 01:00:06,359

all the way through it was a total

1218

01:00:12,710 --> 01:00:09,020

battle to get people to

1219

01:00:15,049 --> 01:00:12,720

do contracts to do especially accounting

1220

01:00:17,890 --> 01:00:15,059

I was always told we're not ready for

1221

01:00:20,089 --> 01:00:17,900

accountants uh

1222

01:00:21,670 --> 01:00:20,099

attorneys were treated like they were

1223

01:00:23,870 --> 01:00:21,680

the police

1224

01:00:26,569 --> 01:00:23,880

attorney happened to be at an event

1225

01:00:28,370 --> 01:00:26,579

people were you know it's just a kind of

1226

01:00:31,250 --> 01:00:28,380

a weird Community a lot of them are kind

1227

01:00:32,569 --> 01:00:31,260

of anarchist type mindsets to they they

1228

01:00:35,270 --> 01:00:32,579

don't believe in the judicial system

1229

01:00:37,789 --> 01:00:35,280

they don't believe in taxes they it's

1230

01:00:40,970 --> 01:00:37,799

it's pretty wild what's your thought

1231

01:00:43,370 --> 01:00:40,980

about going to the Elder before uh for

1232

01:00:44,630 --> 01:00:43,380

to resolve an issue before doing

1233

01:00:48,890 --> 01:00:44,640

something else

1234

01:00:51,530 --> 01:00:48,900

I think before well you know that's kind

1235

01:00:53,089 --> 01:00:51,540

of what we did we for with your clients

1236

01:00:56,569 --> 01:00:53,099

for about a year we were trying to

1237

01:01:00,109 --> 01:00:56,579

settle things before you know taking the

1238

01:01:02,809 --> 01:01:00,119

steps that we took we always try to take

1239

01:01:05,750 --> 01:01:02,819

steps to solve things with Gaia we tried

1240

01:01:10,010 --> 01:01:05,760

to work with them for three years

1241

01:01:12,829 --> 01:01:10,020

um and they filed suit before we did uh

1242

01:01:16,510 --> 01:01:12,839

with uh the trademarks

1243

01:01:20,329 --> 01:01:16,520

so you know uh we are not litigious and

1244

01:01:23,390 --> 01:01:20,339

uh easy to jump onto lawsuits but when

1245

01:01:26,870 --> 01:01:23,400

it comes to people violating our

1246

01:01:29,870 --> 01:01:26,880

agreements and trying to completely

1247

01:01:31,549 --> 01:01:29,880

destroy our ability to make any money in

1248

01:01:32,809 --> 01:01:31,559

the spiritual Community which these

1249

01:01:36,170 --> 01:01:32,819

people did

1250

01:01:37,609 --> 01:01:36,180

did and we can prove it on paper made

1251  
01:01:40,010 --> 01:01:37,619  
you know like seven hundred thousand

1252  
01:01:44,450 --> 01:01:40,020  
dollars or more

1253  
01:01:46,549 --> 01:01:44,460  
uh at a you know doing a course and then

1254  
01:01:48,170 --> 01:01:46,559  
these Jokers come out and we're making

1255  
01:01:49,910 --> 01:01:48,180  
like sixty thousand

1256  
01:01:51,289 --> 01:01:49,920  
and people are saying that they're not

1257  
01:01:52,970 --> 01:01:51,299  
going to take our course because of what

1258  
01:01:54,829 --> 01:01:52,980  
these people said you

1259  
01:01:57,470 --> 01:01:54,839  
know I see a smile

1260  
01:01:59,450 --> 01:01:57,480  
okay they're very happy with what they

1261  
01:02:00,829 --> 01:01:59,460  
did Mr good just focused on me today I

1262  
01:02:02,690 --> 01:02:00,839  
understand all the parties have a right

1263  
01:02:04,970 --> 01:02:02,700

to be here but it's just a day for you

1264

01:02:07,970 --> 01:02:04,980

and I to talk is that agreeable okay so

1265

01:02:10,609 --> 01:02:07,980

you're saying there's 700 000 uh for a

1266

01:02:11,950 --> 01:02:10,619

course and you're saying there's monies

1267

01:02:14,329 --> 01:02:11,960

that aren't being accounted for

1268

01:02:15,950 --> 01:02:14,339

mismanaged and you're saying hey I need

1269

01:02:18,770 --> 01:02:15,960

a way to earn a living is that everyone

1270

01:02:21,650 --> 01:02:18,780

in the community what would speak to me

1271

01:02:23,569 --> 01:02:21,660

for over a year after the videos

1272

01:02:24,710 --> 01:02:23,579

yeah when you say the videos let's be

1273

01:02:28,250 --> 01:02:24,720

clear for the record what you're talking

1274

01:02:30,890 --> 01:02:28,260

about uh the Slander videos that your

1275

01:02:33,410 --> 01:02:30,900

clients put out two days or two weeks

1276

01:02:35,450 --> 01:02:33,420

before Christmas in an attempt to make

1277

01:02:38,809 --> 01:02:35,460

sure that my reputation was completely

1278

01:02:44,690 --> 01:02:40,910

uh two days before Christmas two weeks

1279

01:02:46,309 --> 01:02:44,700

before Christmas of uh 2019 was it or

1280

01:02:47,870 --> 01:02:46,319

2018.

1281

01:02:50,750 --> 01:02:47,880

right it was right after we filed the

1282

01:02:53,450 --> 01:02:50,760

lawsuits and the judge asked everyone to

1283

01:02:56,690 --> 01:02:53,460

come together to come to to speak with

1284

01:02:59,510 --> 01:02:56,700

each other in a way to come up with an

1285

01:03:01,670 --> 01:02:59,520

agreement to end this the judge asked us

1286

01:03:04,010 --> 01:03:01,680

to do that and that's what we thought we

1287

01:03:06,530 --> 01:03:04,020

would do but the next thing we know all

1288

01:03:08,030 --> 01:03:06,540

the videos popped out okay so created

1289

01:03:10,069 --> 01:03:08,040

millions of dollars in damage okay

1290

01:03:12,770 --> 01:03:10,079

million dollars in damage and you're

1291

01:03:14,930 --> 01:03:12,780

saying the videos came out in 2018 or 19

1292

01:03:16,849 --> 01:03:14,940

a couple days before Christmas a couple

1293

01:03:19,190 --> 01:03:16,859

weeks I believe a couple weeks before

1294

01:03:20,690 --> 01:03:19,200

Christmas right after the loss was filed

1295

01:03:22,010 --> 01:03:20,700

is that right and when you say right

1296

01:03:23,930 --> 01:03:22,020

after the lawsuit was filed

1297

01:03:25,250 --> 01:03:23,940

approximately how long after the lawsuit

1298

01:03:26,990 --> 01:03:25,260

was filed do you think these videos came

1299

01:03:30,289 --> 01:03:27,000

out

1300

01:03:32,210 --> 01:03:30,299

I don't know four to six months okay

1301

01:03:34,430 --> 01:03:32,220

so four to six months and the videos

1302

01:03:36,410 --> 01:03:34,440

cause you damage uh let me ask you this

1303

01:03:38,990 --> 01:03:36,420

you mentioned going to Elders before

1304

01:03:40,250 --> 01:03:39,000

getting involved in a lawsuit is that

1305

01:03:42,230 --> 01:03:40,260

something you did in this instance where

1306

01:03:45,349 --> 01:03:42,240

you went to Elders no didn't go to

1307

01:03:47,510 --> 01:03:45,359

Elders we approached the actual people I

1308

01:03:49,010 --> 01:03:47,520

mean the the whole thing with going to

1309

01:03:50,510 --> 01:03:49,020

your elders in this community is then

1310

01:03:53,329 --> 01:03:50,520

the elders talk about it and then it

1311

01:03:55,010 --> 01:03:53,339

goes everywhere and it becomes a big

1312

01:03:58,130 --> 01:03:55,020

public relations nightmare no matter

1313

01:04:01,250 --> 01:03:58,140

what the best way to handle things is

1314

01:04:03,170 --> 01:04:01,260

one on one and you talk to the people

1315

01:04:04,309 --> 01:04:03,180

you have a problem with you don't do

1316

01:04:06,349 --> 01:04:04,319

what a lot of people in this community

1317

01:04:08,990 --> 01:04:06,359

do they just go and

1318

01:04:11,390 --> 01:04:09,000

and complain and then hope it gets

1319

01:04:13,789 --> 01:04:11,400

all resolved by everybody that doesn't

1320

01:04:15,710 --> 01:04:13,799

like what happened it's

1321

01:04:18,349 --> 01:04:15,720

and so you see what most people do in

1322

01:04:19,970 --> 01:04:18,359

the community is being ineffective

1323

01:04:22,069 --> 01:04:19,980

it's obvious that Community is

1324

01:04:25,490 --> 01:04:22,079

completely collapsed because of its

1325

01:04:27,289 --> 01:04:25,500

infighting backstabbing gossiping that

1326

01:04:28,970 --> 01:04:27,299

you know they took advantage of and when

1327

01:04:30,349 --> 01:04:28,980

you say that Community what let's be

1328

01:04:31,789 --> 01:04:30,359

specific what community are you

1329

01:04:36,230 --> 01:04:31,799

referring to

1330

01:04:38,150 --> 01:04:36,240

um the esoteric disclosure community

1331

01:04:39,770 --> 01:04:38,160

and what is esoteric disclosures

1332

01:04:43,609 --> 01:04:39,780

community mean to you

1333

01:04:46,549 --> 01:04:43,619

people that have more esoteric spiritual

1334

01:04:49,870 --> 01:04:46,559

beliefs gravitate together as do people

1335

01:04:51,890 --> 01:04:49,880

who believe in aliens and want to and

1336

01:04:54,770 --> 01:04:51,900

higher technologies that are not

1337

01:04:57,049 --> 01:04:54,780

disclosed that they want released okay

1338

01:04:59,990 --> 01:04:57,059

and so in that Community you feel that

1339

01:05:01,970 --> 01:05:00,000

going to Elders even though a lot of

1340

01:05:03,609 --> 01:05:01,980

people expect that or want that is a PR

1341

01:05:06,549 --> 01:05:03,619

nightmare because there's no

1342

01:05:09,349 --> 01:05:06,559

confidentiality and things get out none

1343

01:05:12,109 --> 01:05:09,359

and so you believe everyone knows that

1344

01:05:14,089 --> 01:05:12,119

there's a zero confidentiality anywhere

1345

01:05:15,710 --> 01:05:14,099

and so your belief is going to that

1346

01:05:17,329 --> 01:05:15,720

person and saying hey I have a problem

1347

01:05:19,730 --> 01:05:17,339

with something you did going to them

1348

01:05:20,510 --> 01:05:19,740

directly is the best way to resolve

1349

01:05:24,230 --> 01:05:20,520

something

1350

01:05:27,410 --> 01:05:24,240

correct yes and before legal action and

1351

01:05:29,270 --> 01:05:27,420

prior to this lawsuit being filed uh did

1352

01:05:30,650 --> 01:05:29,280

you do that with my clients and met them

1353

01:05:34,010 --> 01:05:30,660

and said hey I have a problem with what

1354

01:05:35,930 --> 01:05:34,020

you're doing yes okay and what was their

1355

01:05:37,430 --> 01:05:35,940

response from you they completely

1356

01:05:41,150 --> 01:05:37,440

ignored me

1357

01:05:44,750 --> 01:05:41,160

everyone agreed that I was the CEO and

1358

01:05:48,049 --> 01:05:44,760

everything I said goes when it comes to

1359

01:05:49,730 --> 01:05:48,059

my IP we have them on audio agreeing to

1360

01:05:52,069 --> 01:05:49,740

it we have them in emails agreeing to it

1361

01:05:58,130 --> 01:05:52,079

we have witnesses to them agreeing to it

1362

01:06:00,109 --> 01:05:58,140

and at some point when uh Leon spoke to

1363

01:06:02,390 --> 01:06:00,119

a famous director that looked at our

1364

01:06:04,970 --> 01:06:02,400

stuff and then they said wow this is a

1365

01:06:07,789 --> 01:06:04,980

billion dollar property who said that

1366

01:06:09,770 --> 01:06:07,799

Antoine Fuqua allegedly

1367

01:06:11,990 --> 01:06:09,780

were you there for Antoine Fuqua to say

1368

01:06:14,329 --> 01:06:12,000

this is a billion dollar no Leon went

1369

01:06:17,930 --> 01:06:14,339

and met him and after the dinner with

1370

01:06:21,710 --> 01:06:17,940

him had a very excited email and phone

1371

01:06:24,710 --> 01:06:21,720

call with us all okay and this Antoine

1372

01:06:27,109 --> 01:06:24,720

Fuqua where is he where does he reside I

1373

01:06:29,569 --> 01:06:27,119

don't know but uh I don't know where he

1374

01:06:31,490 --> 01:06:29,579

resides probably L.A so California is

1375

01:06:34,849 --> 01:06:31,500

somewhere in California I guess okay and

1376

01:06:36,529 --> 01:06:34,859

you see you're saying that the value of

1377

01:06:40,309 --> 01:06:36,539

of what you had as far as intellectual

1378

01:06:42,109 --> 01:06:40,319

property was uh looked at by Anton Fuqua

1379

01:06:44,450 --> 01:06:42,119

and he placed the value like a billion

1380

01:06:47,589 --> 01:06:44,460

dollars right correct and then after

1381

01:06:49,670 --> 01:06:47,599

that everyone changed everyone

1382

01:06:52,690 --> 01:06:49,680

started pulling me out of all the

1383

01:06:55,130 --> 01:06:52,700

decisions telling me that I didn't have

1384

01:06:57,589 --> 01:06:55,140

uh the experience or I didn't know what

1385

01:07:00,770 --> 01:06:57,599

I was doing the things that I wanted to

1386

01:07:03,490 --> 01:07:00,780

do here were naive and stupid but

1387

01:07:05,990 --> 01:07:03,500

they're all coming about now

1388

01:07:08,690 --> 01:07:06,000

I mean the announcements are going to be

1389

01:07:09,950 --> 01:07:08,700

wonderful so tell me this with Antoine

1390

01:07:11,630 --> 01:07:09,960

Fuqua saying it's a billion dollar

1391

01:07:13,370 --> 01:07:11,640

evaluation was there anyone else who

1392

01:07:16,630 --> 01:07:13,380

said hey this is a billion dollar

1393

01:07:19,250 --> 01:07:16,640

evaluation other than Anton Fuqua agreed

1394

01:07:24,109 --> 01:07:19,260

and thought that it might be much much

1395

01:07:31,789 --> 01:07:28,730

um she's a producer that I had met once

1396

01:07:33,170 --> 01:07:31,799

at a conference and then later were

1397

01:07:36,650 --> 01:07:33,180

reacquainted

1398

01:07:40,270 --> 01:07:36,660

by Leon okay

1399

01:07:44,390 --> 01:07:42,289

since then

1400

01:07:45,770 --> 01:07:44,400

sure oh yeah

1401

01:07:48,230 --> 01:07:45,780

um

1402

01:07:50,390 --> 01:07:48,240

you know I people I've signed

1403

01:07:53,210 --> 01:07:50,400

confidentiality agreements with that I

1404

01:07:55,069 --> 01:07:53,220

can't discuss okay so right now you're

1405

01:07:56,569 --> 01:07:55,079

refusing to give those names if anybody

1406

01:07:59,450 --> 01:07:56,579

else who's evaluated your company

1407

01:08:04,010 --> 01:07:59,460

everyone uh that's involved under

1408

01:08:06,470 --> 01:08:04,020

confidentiality agreement yes okay uh so

1409

01:08:07,910 --> 01:08:06,480

you're not going to share or disclose

1410

01:08:10,630 --> 01:08:07,920

the name of those even though I'm asking

1411

01:08:13,609 --> 01:08:10,640

for them correct objection

1412

01:08:15,470 --> 01:08:13,619

yeah I'm not going to give the names

1413

01:08:16,970 --> 01:08:15,480

of the people I'm about to sign

1414

01:08:18,289 --> 01:08:16,980  
agreements with to a room full of

1415

01:08:19,669 --> 01:08:18,299  
content thieves

1416

01:08:21,950 --> 01:08:19,679  
okay

1417

01:08:23,650 --> 01:08:21,960  
and earlier you mentioned that you were

1418

01:08:25,669 --> 01:08:23,660  
the CEO

1419

01:08:29,150 --> 01:08:25,679  
uh and so I want to make sure I'm

1420

01:08:32,150 --> 01:08:29,160  
understanding that was a CEO and you're

1421

01:08:35,570 --> 01:08:32,160  
referring to trademarks were you the CEO

1422

01:08:37,370 --> 01:08:35,580  
of good Enterprise Solutions Inc at all

1423

01:08:38,990 --> 01:08:37,380  
times when you had it in Texas and you

1424

01:08:41,269 --> 01:08:39,000  
moved it here I believe that's the

1425

01:08:43,010 --> 01:08:41,279  
designation you can answer it so take a

1426  
01:08:45,890 --> 01:08:43,020  
second object so I can make my record

1427  
01:08:47,329 --> 01:08:45,900  
okay yeah and if I'll ask if if she if

1428  
01:08:50,930 --> 01:08:47,339  
you see her raising her hand just make

1429  
01:08:54,169 --> 01:08:50,940  
sure to hold off give her time to object

1430  
01:08:56,030 --> 01:08:54,179  
uh can I get his answer right back okay

1431  
01:08:58,789 --> 01:08:56,040  
on what was the question

1432  
01:09:02,269 --> 01:08:58,799  
were you the CEO at all times of good

1433  
01:09:03,650 --> 01:09:02,279  
Enterprise Solutions Inc when I was in

1434  
01:09:06,349 --> 01:09:03,660  
Texas and then it moved to Colorado in

1435  
01:09:08,510 --> 01:09:06,359  
2017. yes I believe so

1436  
01:09:11,030 --> 01:09:08,520  
was anyone else CEO at any time of that

1437  
01:09:12,650 --> 01:09:11,040  
interview no one's ever been CEO

1438  
01:09:14,090 --> 01:09:12,660

my wife I believe was set up as

1439

01:09:16,689 --> 01:09:14,100

president

1440

01:09:19,729 --> 01:09:16,699

okay and you and I are doing a bad thing

1441

01:09:21,890 --> 01:09:19,739

that uh gonna try to remember the court

1442

01:09:24,829 --> 01:09:21,900

reporter's last name is going to be mad

1443

01:09:26,809 --> 01:09:24,839

at us for which is you can anticipate my

1444

01:09:28,070 --> 01:09:26,819

question before I finish it which is

1445

01:09:30,650 --> 01:09:28,080

sorry about that

1446

01:09:32,329 --> 01:09:30,660

which is totally normal but just do your

1447

01:09:34,309 --> 01:09:32,339

best to hold off it'll also give your

1448

01:09:37,189 --> 01:09:34,319

your attorney time to give her objection

1449

01:09:40,430 --> 01:09:37,199

so you mentioned being CEO so you had

1450

01:09:42,349 --> 01:09:40,440

control of these trademarks or this

1451

01:09:44,749 --> 01:09:42,359

intellectual property and you said

1452

01:09:46,910 --> 01:09:44,759

everyone agreed that that you were the

1453

01:09:49,010 --> 01:09:46,920

owner yes um

1454

01:09:51,229 --> 01:09:49,020

when you say everyone agrees that you're

1455

01:09:53,030 --> 01:09:51,239

the owner wouldn't there be a

1456

01:09:55,970 --> 01:09:53,040

memorialized documents showing your

1457

01:09:58,910 --> 01:09:55,980

ownership with the USPTO or otherwise

1458

01:10:00,110 --> 01:09:58,920

I have trademarks in my name in the name

1459

01:10:02,570 --> 01:10:00,120

of my company

1460

01:10:04,490 --> 01:10:02,580

okay and so you had those trademarks uh

1461

01:10:07,130 --> 01:10:04,500

either registered with Colorado or were

1462

01:10:08,450 --> 01:10:07,140

at the feds with the USPTO and you've

1463

01:10:09,530 --> 01:10:08,460

documented that you've papered it up

1464

01:10:12,410 --> 01:10:09,540

correct

1465

01:10:14,390 --> 01:10:12,420

yes okay and so for all of that there's

1466

01:10:16,430 --> 01:10:14,400

no need for their agreement you have

1467

01:10:19,610 --> 01:10:16,440

paperwork showing that you own that

1468

01:10:21,649 --> 01:10:19,620

those trademarks or licenses right I

1469

01:10:23,689 --> 01:10:21,659

don't understand the question sure you

1470

01:10:25,070 --> 01:10:23,699

you mentioned uh everyone agreeing and

1471

01:10:28,070 --> 01:10:25,080

so I'm trying to understand why you said

1472

01:10:29,990 --> 01:10:28,080

everyone agreed that you owned the

1473

01:10:33,350 --> 01:10:30,000

intellectual property well as you will

1474

01:10:35,990 --> 01:10:33,360

hear probably in several phone calls and

1475

01:10:39,169 --> 01:10:36,000

the agreements with them I said when we

1476

01:10:42,830 --> 01:10:39,179

set up the companies I am to be CEO

1477

01:10:45,950 --> 01:10:42,840

I am and it's not just to control the

1478

01:10:47,870 --> 01:10:45,960

ownership of the IP but it's also to

1479

01:10:49,490 --> 01:10:47,880

control how it is disseminated and

1480

01:10:51,530 --> 01:10:49,500

portrayed

1481

01:10:52,910 --> 01:10:51,540

um people were looking at it as a big

1482

01:10:53,990 --> 01:10:52,920

Cash Cow and they're wanting to do all

1483

01:10:55,970 --> 01:10:54,000

sorts of different projects and

1484

01:10:58,850 --> 01:10:55,980

different things off of it and I told

1485

01:11:01,610 --> 01:10:58,860

them no I want to do something like this

1486

01:11:05,149 --> 01:11:01,620

everyone disagreed even though I'm the

1487

01:11:08,149 --> 01:11:05,159

boss it's my IP and all of the

1488

01:11:11,810 --> 01:11:08,159

shenanigans that you will that the jury

1489

01:11:14,149 --> 01:11:11,820

will see are unfolded after that okay so

1490

01:11:16,130 --> 01:11:14,159

you when you form the corporations or

1491

01:11:17,810 --> 01:11:16,140

the entities and you dedicated your

1492

01:11:21,530 --> 01:11:17,820

intellectual property to those entities

1493

01:11:23,149 --> 01:11:21,540

you retain more than 51 percent or 66

1494

01:11:25,310 --> 01:11:23,159

percent of the ownership so you can

1495

01:11:29,950 --> 01:11:25,320

still control those entities I retained

1496

01:11:31,910 --> 01:11:29,960

the CEO our the CEO

1497

01:11:34,729 --> 01:11:31,920

position

1498

01:11:36,950 --> 01:11:34,739

as a way to be the head of that company

1499

01:11:40,490 --> 01:11:36,960

because that company was going to be

1500

01:11:43,850 --> 01:11:40,500

based on my IP and my IP was going to be

1501

01:11:47,090 --> 01:11:43,860

leased to these companies this was all

1502

01:11:51,110 --> 01:11:47,100

everyone from the beginning as you will

1503

01:11:53,570 --> 01:11:51,120

hear and read agreed that if my IP was

1504

01:11:56,570 --> 01:11:53,580

brought over it was to be leased to

1505

01:11:59,810 --> 01:11:56,580

other corporations that would be set up

1506

01:12:02,630 --> 01:11:59,820

okay so and I understand CEO has some

1507

01:12:06,050 --> 01:12:02,640

definite roles and responsibilities but

1508

01:12:08,270 --> 01:12:06,060

a CEO could be let go by the board or by

1509

01:12:09,350 --> 01:12:08,280

the own the owning members so my

1510

01:12:12,709 --> 01:12:09,360

question specifically did you always

1511

01:12:15,350 --> 01:12:12,719

retain we had power over the board too

1512

01:12:18,590 --> 01:12:15,360

sorry can I finish you can

1513

01:12:20,750 --> 01:12:18,600

um so and you might be answering my

1514

01:12:23,050 --> 01:12:20,760

question and I get that did you always

1515

01:12:26,570 --> 01:12:23,060

retain an ownership interest such that

1516

01:12:30,590 --> 01:12:26,580

you and or your wife had a controlling

1517

01:12:32,270 --> 01:12:30,600

ownership interest of the llc's or the S

1518

01:12:35,390 --> 01:12:32,280

Corps that own that intellectual

1519

01:12:37,689 --> 01:12:35,400

property yes and that was always the

1520

01:12:39,430 --> 01:12:37,699

agreement going in is that we would

1521

01:12:44,870 --> 01:12:39,440

retain

1522

01:12:46,810 --> 01:12:44,880

the ability to control VIP how it was uh

1523

01:12:50,390 --> 01:12:46,820

published out

1524

01:12:52,310 --> 01:12:50,400

and you know control how it was used and

1525

01:12:56,590 --> 01:12:52,320

so in the production of documents you've

1526

01:12:58,850 --> 01:12:56,600

given me all of the uh the capital

1527

01:13:00,770 --> 01:12:58,860

capital accounts all the ledgers

1528

01:13:03,050 --> 01:13:00,780

anything to show the shareholder

1529

01:13:05,990 --> 01:13:03,060

ownership to show that you always

1530

01:13:07,610 --> 01:13:06,000

maintain control of the ownership of any

1531

01:13:10,010 --> 01:13:07,620

of those entities that had your IP

1532

01:13:12,350 --> 01:13:10,020

correct yeah it's all in emails it's all

1533

01:13:15,890 --> 01:13:12,360

all in the documents that I gave you

1534

01:13:18,410 --> 01:13:15,900

okay but and I'm not asking very

1535

01:13:20,870 --> 01:13:18,420

specifically let me do a better job did

1536

01:13:22,910 --> 01:13:20,880

you always make sure that you held a

1537

01:13:24,830 --> 01:13:22,920

controlling interest in the ownership of

1538

01:13:25,990 --> 01:13:24,840

the entities that held your intellectual

1539

01:13:30,470 --> 01:13:26,000

property

1540

01:13:32,270 --> 01:13:30,480

leased to

1541

01:13:34,310 --> 01:13:32,280

no I'm not talking about ownership

1542

01:13:37,010 --> 01:13:34,320

interest uh

1543

01:13:38,330 --> 01:13:37,020

that in the companies that your

1544

01:13:39,590 --> 01:13:38,340

intellectual property would be leased to

1545

01:13:42,530 --> 01:13:39,600

did you always make sure you had an

1546

01:13:45,470 --> 01:13:42,540

ownership interest of 50 51 or more yes

1547

01:13:47,750 --> 01:13:45,480

okay and in the entities where a super

1548

01:13:50,570 --> 01:13:47,760

majority is required or a majority like

1549

01:13:52,850 --> 01:13:50,580

66 percent uh I haven't seen the

1550

01:13:55,189 --> 01:13:52,860

operating agreements or the bylaws of

1551  
01:13:57,290 --> 01:13:55,199  
your various entities but did you always

1552  
01:13:59,990 --> 01:13:57,300  
make sure to maintain a controlling

1553  
01:14:01,490 --> 01:14:00,000  
interest in those in the ownership so

1554  
01:14:03,470 --> 01:14:01,500  
that you could direct

1555  
01:14:06,410 --> 01:14:03,480  
what you wanted with those companies

1556  
01:14:10,070 --> 01:14:06,420  
objections you can answer

1557  
01:14:14,450 --> 01:14:10,080  
um yeah I mean with Ascension Works TV I

1558  
01:14:16,250 --> 01:14:14,460  
have the majority I'm the CEO and but

1559  
01:14:20,149 --> 01:14:16,260  
it's a little bit different this is not

1560  
01:14:22,610 --> 01:14:20,159  
all based on my IP it's not all based on

1561  
01:14:25,729 --> 01:14:22,620  
my story we have people coming in who

1562  
01:14:29,050 --> 01:14:25,739  
are going to be doing their own shows

1563  
01:14:31,270 --> 01:14:29,060

and doing their own courses so it's

1564

01:14:35,510 --> 01:14:31,280

you know

1565

01:14:36,850 --> 01:14:35,520

my IP is leaks and goes into it of

1566

01:14:40,250 --> 01:14:36,860

course but

1567

01:14:43,490 --> 01:14:40,260

I I don't oversee everything that has to

1568

01:14:46,010 --> 01:14:43,500

do with the running of that

1569

01:14:55,370 --> 01:14:46,020

business just because of the fact that

1570

01:15:01,310 --> 01:14:58,370

production where we're producing things

1571

01:15:03,290 --> 01:15:01,320

for other people and

1572

01:15:05,209 --> 01:15:03,300

end of your IP those who have been

1573

01:15:07,130 --> 01:15:05,219

memorialized in a written agreement a

1574

01:15:09,530 --> 01:15:07,140

contract because you like to memorialize

1575

01:15:12,950 --> 01:15:09,540

things right right well as you will like

1576

01:15:16,250 --> 01:15:12,960

I said read I asked over and over to

1577

01:15:18,050 --> 01:15:16,260

have the contracts done first Roger

1578

01:15:19,669 --> 01:15:18,060

Richards would go and just create

1579

01:15:23,149 --> 01:15:19,679

companies

1580

01:15:24,290 --> 01:15:23,159

uh like most people buy URLs and then he

1581

01:15:26,770 --> 01:15:24,300

would go and dissolve them if we didn't

1582

01:15:30,830 --> 01:15:26,780

use them he would create them before

1583

01:15:32,990 --> 01:15:30,840

operating agreements and contracts were

1584

01:15:34,850 --> 01:15:33,000

created and signed so would you withhold

1585

01:15:36,890 --> 01:15:34,860

signing a lease agreement until

1586

01:15:39,470 --> 01:15:36,900

everything was formalized and the entity

1587

01:15:40,970 --> 01:15:39,480

was structured so they they never so

1588

01:15:42,189 --> 01:15:40,980

that you had a controlling interest in

1589

01:15:44,750 --> 01:15:42,199

that entity

1590

01:15:47,450 --> 01:15:44,760

the lease agreements would never come

1591

01:15:48,590 --> 01:15:47,460

into fruition I was always they would

1592

01:15:50,750 --> 01:15:48,600

set up a company let's just get this

1593

01:15:52,370 --> 01:15:50,760

going let's just get this going and then

1594

01:15:55,490 --> 01:15:52,380

when I would start pressing for the

1595

01:15:58,070 --> 01:15:55,500

attorneys and for the lease agreements I

1596

01:15:59,990 --> 01:15:58,080

would start getting all these other

1597

01:16:02,750 --> 01:16:00,000

um stories about

1598

01:16:04,189 --> 01:16:02,760

how things should be ran okay so would

1599

01:16:06,110 --> 01:16:04,199

you be giving up your intellectual

1600

01:16:08,209 --> 01:16:06,120

property without having a lease

1601

01:16:10,490 --> 01:16:08,219

agreement in place

1602

01:16:11,930 --> 01:16:10,500

did you understand did you give up any

1603

01:16:14,149 --> 01:16:11,940

of your intellectual property or

1604

01:16:16,790 --> 01:16:14,159

trademarks or costs have you given up

1605

01:16:18,290 --> 01:16:16,800

anything okay did you ever at least you

1606

01:16:20,630 --> 01:16:18,300

mentioned leasing it to various entities

1607

01:16:22,490 --> 01:16:20,640

did you ever when those entities were

1608

01:16:25,310 --> 01:16:22,500

started without all the paperwork

1609

01:16:26,930 --> 01:16:25,320

would you allow your your trademarks to

1610

01:16:28,910 --> 01:16:26,940

be used with those entities before you

1611

01:16:32,209 --> 01:16:28,920

had something in writing on a on

1612

01:16:34,910 --> 01:16:32,219

occasion I was unable to to get the

1613

01:16:36,649 --> 01:16:34,920

lease agreements that I wanted and I was

1614

01:16:39,410 --> 01:16:36,659

being pressured

1615

01:16:43,310 --> 01:16:39,420

um Leon Kennedy came in

1616

01:16:45,770 --> 01:16:43,320

and when he came in he said I have to be

1617

01:16:47,450 --> 01:16:45,780

the gatekeeper I wasn't allowed to talk

1618

01:16:50,450 --> 01:16:47,460

to anybody nobody was allowed to talk to

1619

01:16:52,970 --> 01:16:50,460

me including attorneys accountants

1620

01:16:54,410 --> 01:16:52,980

anyone if there was accountants I

1621

01:16:55,430 --> 01:16:54,420

couldn't even David Wilcock I couldn't

1622

01:16:59,149 --> 01:16:55,440

even talk to him about business

1623

01:17:00,470 --> 01:16:59,159

everything went through him he looked he

1624

01:17:03,350 --> 01:17:00,480

did all contracts everything went

1625

01:17:05,870 --> 01:17:03,360

through sorry Leon okay

1626

01:17:07,430 --> 01:17:05,880

um you know he's the one that uh you

1627

01:17:09,410 --> 01:17:07,440

know I would say hey should we send this

1628

01:17:10,729 --> 01:17:09,420

Con this to an attorney he's like no

1629

01:17:12,110 --> 01:17:10,739

attorneys ruined everything they're

1630

01:17:14,030 --> 01:17:12,120

going to want they're going to find

1631

01:17:16,370 --> 01:17:14,040

something wrong just so they can charge

1632

01:17:17,930 --> 01:17:16,380

you know all this stuff and he's you

1633

01:17:21,470 --> 01:17:17,940

know I've done this for 50 years I know

1634

01:17:26,630 --> 01:17:21,480

contracts and he would always

1635

01:17:29,510 --> 01:17:26,640

tell me whether or not to sign things

1636

01:17:31,189 --> 01:17:29,520

did you follow Leon Kennedy's Council in

1637

01:17:34,070 --> 01:17:31,199

the beginning I trusted him

1638

01:17:36,830 --> 01:17:34,080

but things started becoming very clear

1639

01:17:42,290 --> 01:17:39,709

things were not being ran the way I had

1640

01:17:44,570 --> 01:17:42,300

told him to run them when you say in the

1641

01:17:47,030 --> 01:17:44,580

beginning when is that to you

1642

01:17:48,290 --> 01:17:47,040

when he was introduced to me by David

1643

01:17:50,270 --> 01:17:48,300

Wilcock

1644

01:17:52,430 --> 01:17:50,280

and he came in with all this big talk

1645

01:17:54,470 --> 01:17:52,440

about Hollywood

1646

01:17:55,550 --> 01:17:54,480

you know he pretty much knew how to do

1647

01:18:01,390 --> 01:17:55,560

everything

1648

01:18:07,729 --> 01:18:04,669

2017. I can't okay

1649

01:18:09,950 --> 01:18:07,739

and so uh when you're being pressured to

1650

01:18:12,110 --> 01:18:09,960

starting to do things without contracts

1651

01:18:13,490 --> 01:18:12,120

in place did you succumb to that

1652

01:18:16,430 --> 01:18:13,500

pressure and go ahead and

1653

01:18:19,250 --> 01:18:16,440

I did how so

1654

01:18:19,930 --> 01:18:19,260

um peer pressure the group saying you

1655

01:18:25,130 --> 01:18:19,940

know

1656

01:18:27,169 --> 01:18:25,140

that I was being the pain in the ass

1657

01:18:29,630 --> 01:18:27,179

because I wanted everything run by

1658

01:18:31,630 --> 01:18:29,640

industry standard they just wanted to

1659

01:18:35,510 --> 01:18:31,640

move fast loose

1660

01:18:37,610 --> 01:18:35,520

you know Leon's you know the tax stuff

1661

01:18:39,530 --> 01:18:37,620

the way everything was going was

1662

01:18:42,590 --> 01:18:39,540

freaking me the hell out every time I

1663

01:18:45,229 --> 01:18:42,600

brought it up to Leon his favorite

1664

01:18:46,729 --> 01:18:45,239

saying was Corey if you're paying taxes

1665

01:18:49,550 --> 01:18:46,739

you're doing it wrong

1666

01:18:51,709 --> 01:18:49,560

and that scared the out of me

1667

01:18:53,750 --> 01:18:51,719

I was thinking what is this going to get

1668

01:18:55,010 --> 01:18:53,760

me into I've seen all of these things of

1669

01:18:58,430 --> 01:18:55,020

Hollywood people getting in problem

1670

01:19:02,450 --> 01:18:58,440

having problems like this

1671

01:19:05,270 --> 01:19:02,460

um so and when you know he told me he

1672

01:19:06,950 --> 01:19:05,280

was this expert you know and then

1673

01:19:10,550 --> 01:19:06,960

um everything just started getting

1674

01:19:13,390 --> 01:19:10,560

screwed up you know the contracts with

1675

01:19:16,250 --> 01:19:13,400

um the every the second

1676

01:19:18,890 --> 01:19:16,260

movie with everyone

1677

01:19:21,890 --> 01:19:18,900

Graham was supposed to be the director I

1678

01:19:23,470 --> 01:19:21,900

had presented a outline because it was

1679

01:19:26,530 --> 01:19:23,480

based on my IP

1680

01:19:29,390 --> 01:19:26,540

and it ended up

1681

01:19:36,649 --> 01:19:29,400

last minute being taken by Roger and

1682

01:19:40,070 --> 01:19:38,510

kind of I don't know what happened I

1683

01:19:42,770 --> 01:19:40,080

didn't even get to see it until it was

1684

01:19:46,070 --> 01:19:42,780

already pretty much sent to 10.

1685

01:19:48,110 --> 01:19:46,080

and it was a disaster the audio was a

1686

01:19:50,510 --> 01:19:48,120

total mess Roger had brought in his

1687

01:19:51,770 --> 01:19:50,520

professional audio people that screwed

1688

01:19:54,169 --> 01:19:51,780

everything up we had to come up with

1689

01:19:55,910 --> 01:19:54,179

more money and more time it was kicked

1690

01:19:57,470 --> 01:19:55,920

everything back we almost lost a hundred

1691

01:19:58,610 --> 01:19:57,480

thousand dollars that was a part of the

1692

01:20:00,890 --> 01:19:58,620

advance that was going to be given

1693

01:20:02,810 --> 01:20:00,900

because Roger and Leon were so late

1694

01:20:09,970 --> 01:20:02,820

uh

1695

01:20:13,130 --> 01:20:09,980

you know it was it was a constant mess

1696

01:20:15,709 --> 01:20:13,140

when they you've mentioned earlier that

1697

01:20:19,130 --> 01:20:15,719

you provided an outline that was used by

1698

01:20:21,950 --> 01:20:19,140

is that right no an outline that was

1699

01:20:25,130 --> 01:20:21,960

sent to the team that I said this is

1700

01:20:28,030 --> 01:20:25,140

what the the next movie needs to be uh

1701

01:20:31,149 --> 01:20:28,040

about and

1702

01:20:34,250 --> 01:20:31,159

uh was supposed to direct it

1703

01:20:35,630 --> 01:20:34,260

I've asked about it he's he said he

1704

01:20:39,050 --> 01:20:35,640

doesn't even know what happened he's

1705

01:20:42,709 --> 01:20:39,060

willing to testify on a number of things

1706

01:20:45,709 --> 01:20:42,719

um was he under contract to direct it uh

1707

01:20:47,510 --> 01:20:45,719

no he wasn't under contract okay there

1708

01:20:50,390 --> 01:20:47,520

was I don't think Roger ever anyone else

1709

01:20:52,970 --> 01:20:50,400

okay so there's no contract with uh

1710

01:20:54,950 --> 01:20:52,980

Graham was this outline that you

1711

01:20:57,229 --> 01:20:54,960

provided uh

1712

01:20:58,910 --> 01:20:57,239

you said you provided it to the team who

1713

01:21:04,610 --> 01:20:58,920

was on the team at that point

1714

01:21:04,620 --> 01:21:07,810

Brandon's last name is

1715

01:21:13,310 --> 01:21:10,790

and if there were any assistance of any

1716

01:21:17,229 --> 01:21:13,320

type back then I don't think there were

1717

01:21:17,239 --> 01:21:23,030

let's see

1718

01:21:28,010 --> 01:21:25,850

I think it was in 2019. I'd have to

1719

01:21:29,870 --> 01:21:28,020

refer to the uh the emails that we

1720

01:21:33,950 --> 01:21:29,880

provided you

1721

01:21:36,229 --> 01:21:33,960

okay and so in 2019 you provided this

1722

01:21:37,910 --> 01:21:36,239

outline but the direction of it went a

1723

01:21:41,149 --> 01:21:37,920

different way that you weren't expecting

1724

01:21:42,770 --> 01:21:41,159

it to go right absolutely and when that

1725

01:21:45,169 --> 01:21:42,780

outline was provided that outline was

1726

01:21:46,490 --> 01:21:45,179

provided under the auspices of What

1727

01:21:48,649 --> 01:21:46,500

entity

1728

01:21:51,229 --> 01:21:48,659

uh I don't understand the question sure

1729

01:21:53,030 --> 01:21:51,239

well you you created that outline you

1730

01:21:57,290 --> 01:21:53,040

you thought you're the content creator

1731

01:21:59,450 --> 01:21:57,300

for it right yes and uh when you created

1732

01:22:01,189 --> 01:21:59,460

that you were working under who's nickel

1733

01:22:03,830 --> 01:22:01,199

were you working under Ascension works

1734

01:22:06,410 --> 01:22:03,840

or good Enterprises good Enterprise okay

1735

01:22:08,930 --> 01:22:06,420

so good Enterprise had possession of of

1736

01:22:11,510 --> 01:22:08,940

that idea that content right

1737

01:22:14,390 --> 01:22:11,520

okay and so when you had a possession of

1738

01:22:17,770 --> 01:22:14,400

an idea did you do anything to uh

1739

01:22:20,090 --> 01:22:17,780

to memorialize or

1740

01:22:23,270 --> 01:22:20,100

authenticate your ownership of that that

1741

01:22:24,770 --> 01:22:23,280

content it was based on my IP and when

1742

01:22:27,470 --> 01:22:24,780

you say your IP was that with the

1743

01:22:28,430 --> 01:22:27,480

Colorado State or with the USPTO all of

1744

01:22:31,130 --> 01:22:28,440

the above

1745

01:22:33,649 --> 01:22:31,140

so you registered it yeah well my

1746

01:22:35,810 --> 01:22:33,659

intellectual property is registered it

1747

01:22:38,209 --> 01:22:35,820

was based directly on my IP just like

1748

01:22:42,290 --> 01:22:38,219

when you go over the outline it's all

1749

01:22:45,590 --> 01:22:42,300

based on my information that I have

1750

01:22:47,810 --> 01:22:45,600

released before your clients even began

1751

01:22:49,550 --> 01:22:47,820

to work with me so in 2019 one of the

1752

01:22:51,890 --> 01:22:49,560

files on this hard drive will be you

1753

01:22:54,229 --> 01:22:51,900

registering that outline or that content

1754

01:22:57,590 --> 01:22:54,239

that you had the information that you

1755

01:22:59,090 --> 01:22:57,600

wanted to move forward with no I what

1756

01:23:01,250 --> 01:22:59,100

I'm telling you is it's based on

1757

01:23:07,729 --> 01:23:01,260

registered marks

1758

01:23:09,470 --> 01:23:07,739

and IP is it is all based on this based

1759

01:23:12,169 --> 01:23:09,480

on that book based on the information

1760

01:23:14,930 --> 01:23:12,179

this this book is my intellectual

1761

01:23:16,850 --> 01:23:14,940

property okay it out it lays out my

1762

01:23:19,790 --> 01:23:16,860

intellectual property

1763

01:23:21,890 --> 01:23:19,800

and so the outline was based on the book

1764

01:23:23,270 --> 01:23:21,900

and what this book didn't exist and it

1765

01:23:26,030 --> 01:23:23,280

was based on my intellectual property

1766

01:23:31,090 --> 01:23:26,040

which is now that book right which is

1767

01:23:37,130 --> 01:23:33,410

sure we can just do it now
